**Subject:** Pers1 Re-instatement

Good Day: I received your contact names from the Rules Committee and would like to stress the Re-Reinstatement of PERS1 COLA. Let me explain since I have been corresponding with various people in Olympia for some time now to no avail.

We who have Pers1 have not had a COLA for years now. I would like to recommend that this be put into affect at this session. I know that our previous govonor cancelled this COLA for Pers1 and that a bill has been sitting idel and is now stagnant(House Bill 2138)

I guess the Retirement system thinks that we do not need a raise and the Cost of Living does not have an effect on us. How foolish is this.

I have sent emails to Andy Hill (my District Representative) with no response, which I am not surprised.

Please keep my suggestion in mind and bring it up at your next meeting. It would be appreciated by me and I am sure fellow PERS1 enrollee's. I would appreciate any and all feedback on what you can do. Many thanks.
