May you recognize compromise as a sign of strength, not weakness.

May you remember that in this chamber the words 'majority' and 'minority' refer only to a number of seats, not who has a greater claim to truth, commitment, empathy or justice.

And most of all may you be blessed with peace, a session of peace as you create peace for this great State and all who dwell within it.

And let us say, Amen.”

INTRODUCTION OF SPECIAL GUEST

The President welcomed and introduced Ms. Claudia Castro, Washington State Poet Laureate, who was seated at the rostrum.

With permission of the Senate, business was suspended to allow Washington State Poet Laureate Claudia Castro to address the Senate.

Poet Laureate Ms. Claudia Castro: "Thank you Mr. President; Honorable Members of the Washington State Senate; Fellow Washingtonians: It is my great honor to stand before you and share a poem on the opening day of the Senate.

It has been my great privilege this past year to serve as Washington State Poet Laureate, to crisscross our beautiful state, to build appreciation for the power of words to unveil things yet unconsidered or to re-consider notions held, to stir the deepest parts of ourselves, to invite folks who have never written a poem in their lives to try their hand at it, to nurture young writers and to connect those already writing to each other.

This poem I share with you today is titled Summer Sparks. It is an invitation, a beginning to imagine a more just, inclusive future.

**Summer Sparks**

In New York a colossal woman raises a burning torch, a promise to harbor the tired, the poor, the homeless, the tempest-tossed.

In Seattle another woman fades, homeless in a park, with the racing butterfly tossed.

Summer sparks

Fruit plump on summer’s light, folding back into night, bruised and battered fruit.

4th of July fireworks bravado, under the crushing evidence of the crowd after winning, collapses the feeling of losing yourself in the jubilee.

Ghost Dance over Wounded Knee, Emmett Till’s wings. Echoes of yesteryear’s Ghost Dance over Wounded Knee, that sideways shuffle call for ancestors’ aid, beats time before us again and again.

A pendulum swings, all over the land, from the luscious forests of generous imaginations to the ruinous bigotry that clipped Emmett Till’s wings. Echoes of yesteryear’s Ghost Dance over Wounded Knee, that sideline shuffle call for ancestors’ aid, beats time before us again and again.

Fruit plump on summer’s light in a New England vale ripens alongside Southwestern’s border bruised and battered fruit.

4th of July fireworks bravado, the feeling of losing yourself in the jubilee of the crowd after winning, collapses under the crushing evidence of the country that we’ve never been.

The sparks lighting up the sky then falling, folding back into night, are they a celebration, the best part of summer, or more of a weeping?
Love and pain don’t strike
some over others with different strength.
We are equally susceptible to kindness
and to cold, and board together
the destiny of our shared country.
On an occasion like this,
from sea to shining sea,
is a good place to begin not end.

Thank you so much.”

REMARKS BY THE PRESIDENT

President Habib: “We have a very busy and crowded itinerary
I’d guess you’d call it today.

And so there’s, it’s, I think, daunting for the floor leaders to see
this line here that says ‘President’s welcoming remarks.’ You all
know me well enough to know that’s dangerous.

But I do want to just say a couple things before we continue
with our very important proceedings and really that’s to
acknowledge all of you. I want to first of all say, and we’ll have
a chance individually to welcome our new senators as well as
those who’ve been re-elected for their for their next term but I
really want to say on behalf of the Senate how fortunate we are
that you’ve stepped up and agreed to run for office. You have
agreed to serve and it’s not easy. In this day and age, I think more
than at any other time perhaps, it’s difficult to be involved in
politics; it’s difficult to put your name forward and to risk the not
just criticism but some of the animosity and negativity that goes
into our politics and so every one of you irrespective of party has
my deep, deep respect for stepping up and willing to serve your
constituents. And, when I travel around the state, I’ve met with
many of you both sides of the aisle in your home districts and I
always remind your constituents that they have a fantastic leader
who is willing to represent them, even when we don’t agree, I
have utter respect for all of you. And I want to acknowledge, I
know that we have many guests in the gallery who are members
of the families, friends and families of our newly-elected senators
and I want to thank all of you for allowing us to have the time
with your husband or wife or mother or father, brother or sister to
be here with us. We know that it takes a toll on families during
these, particularly, these odd numbered years to have Legislators
come to Olympia and often be far away from their families so I’d
like to ask the Senate to join me in thanking all the family
members that make it possible for us to do this work each and
every single year.

I’d also like to and we do we tend to do this at the end of the
session, at the end of certain key cut offs but I want to just take a
moment at the very outset of the session to thank all the staff of
the state Senate from legislative assistants; to the folks who work
in the in the Code Reviser’s Office; all the folks that work in the
joint legislative functions as well as for the Senate. They’ve all
been working during the interim while many of us have been
doing other things, or maybe had a different job even in some
cases. But these folks have been working hard to get us ready
for this day and we all know that they will be working extremely
hard over the next hundred and five days to make the senators
successful in representing their constituents. And they are just
as much public servants as all of us who are here. So I want to
again ask all of you to join me in thanking in advance all the
members of the staff here in Olympia that make this possible.”

"Finally I want to recognize and congratulate two individuals
in particular who have earned the respect of their caucus, their
respective caucuses, and have a critical, critical roles to play over
these next three and a half months. I’d like to congratulate
Senator Andy Billig on being elected Majority Leader by the
Democratic Caucus. It’s been an honor to, I learned from Senator
Billig when I took over as whip from him four years ago and then
got to work with him in his capacity as Deputy Leader and we’re
extremely fortunate to have Senator Billig as the Majority Leader.
And I also want to congratulate Senator Schoesler on earning the
respect of his caucus, one more time, to be the leader of the
Republicans here in Olympia again for another year. It’s again
been a pleasure for me to get to know Senator Schoesler and work
with him both as a senator but really far more during the past
couple years particularly during the year when my first year here
when he was the Majority Caucus Leader and so would you all
please join me in congratulating Senators Billig and Schoesler on
their leadership roles.”

The senate rose in recognition of the recently installed leaders
of the senate.

"I’ll just remind all of you, it’s a, it’s a tremendous pleasure for
me to be able to serve you in this capacity and I’m, this is my third
year now doing this, and I’ll be the first now to tell you that I’m
not perfect and if there are ways in which I can do a better job
please reach out to me personally. I love the chance to sit down
with you I hope to get to meet with you want one on one but my
staff and I are here to facilitate your experience in the Senate.
Above all to make sure that you’re successful in representing
your constituents, who are also my constituents, and I’ll just close by
reminding you know I’ve had the chance to travel around the
country and visit state legislatures including and especially the
Senate, the upper chambers of different states and we are still
unique at least we are one of only a handful of chambers, lower
or upper chambers, that that still use roll call voting. And I think
that’s a good thing even though, for me, it means sitting around
here and hearing your names over and over and over again
sometimes I wake up in the morning and I’m like, ‘Becker,’
‘Bailey’ I’ve got names going through my head because I’ve heard
it so many times but why is it important? It’s important because
the very fact of you all needing to be here to vote in person means,
means something else as well. It also means that you’re here to
hear one another speak on the floor and debate bills and perhaps
even change your mind based on what you hear and that’s really,
when you go back two thousand plus years to the Roman era
of the Senate first took its name, took its form, that’s what it’s about.
It's about rhetoric; it's about persuasion; and it's about the power
of ideas. So I’m proud that I get to lead an institution where you
all don’t hide in your offices or you don't travel around the campus
but you’re here right here listening to one another and so I again
will do everything I can to facilitate you being able to do that.
Thank you all for the tremendous pleasure of being able to work
with you and I wish you all a productive, fruitful, amicable
twenty-nineteen Regular Session with that: Senator Liias?“

MOTION

On motion of Senator Liias, the Senate advanced to the third
order of business.

Not only does Senator Keiser have a long and distinguished record of leading on health care issues on helping to forge a bipartisan compromise on the very contentious issue of paid family leave and significant work over many years on reduction of sexual harassment in our workplaces and her tenure as a most excellent chair of the Labor and Commerce Committee and previously as the chair of the Health Care Committee. I want to support Senator Conway for this position. He really is an elder statesman in this institution of the legislature. He actually began in the legislature before I did, which is a long time ago. As you may know, he’s a retired history professor, a Ph. D. in history, and sometimes he does wax a little academic because he has a real depth of knowledge but he is also a former union official and knows how to strike a good bargain. And between those two pieces I commend this nomination to the body."

REMARKS BY SENATOR SCHOESLER

Senator Schoesler: "Well thank you Mr. President. Speaking in support of Senator Conway. When called upon to serve at the rostrum last year, Senator Conway did a fine job on behalf of the body. Brad performed admirably in his first year as Secretary last year but it was by no means his first year in the Senate. He started thirty-nine years ago as the Senate intern and has been serving the public since then. I appreciate Brad’s strong work ethic, his thoughtfulness, his diligence. And I found out today, just to top it off, that he was born in Spokane and I supported him before I knew that but now I like I'm just a little bit more so I ask the body's support of the nomination of Brad Hendrickson for Secretary of the Senate. Thank you Mr. President."

Mr. President I would like to say that every time Brad Hendrickson comes into my office I give him a bad time but I have to say it's been really wonderful working with him because he has provided reports very, very timely, very good reports, has answered all my questions. He's been a part of every discussion that I've had regarding staff etcetera so I honor and cherish that relationship that we have developed but, Brad, that doesn't mean I'm going to let you off easy when you come in."

   Health & Long-Term Care
   5

Subcommittees
Rule 42. 1. A standing subcommittee has authority to hold work sessions and public hearings and take executive action on measures referred to it by the relevant standing committee. The committee requirements in Senate Rules 44 through 49 apply equally to standing subcommittees created under Senate Rule 41.

These subcommittees do not have executive action authority and are not considered standing committees for purposes of senate rules. The committee chair shall approve the use of committee staff and equipment assigned to the subcommittee. Subcommittee activities shall further be subject to facilities and operations committee approval to the same extent as are the actions of the standing committee from which they derive their authority.

Subpoena Power
Rule 43. Any of the above referenced committees, including subcommittees thereof, or any special committees created by the senate, may have the powers of subpoena, the power to administer oaths, and the power to issue commissions for the examination of witnesses in accordance with the provisions of chapter 44.16 RCW. The committee chair shall file with the committee on rules, prior to issuance of any process, a statement of purpose setting forth the name or names of those subject to process. The rules committee shall consider every proposed issuance of process at a meeting of the rules committee immediately following the filing of the statement with the committee. The process shall not be issued prior to consideration by the rules committee. The process shall be limited to the named individuals and the committee on rules may overrule the service on an individual so named.

Duties of Committees
Rule 44. The several committees shall fully consider measures referred to them.

The committees shall acquaint themselves with the interest of the state specially represented by the committee, and from time to time present such bills and reports as in their judgment will advance the interests and promote the welfare of the people of the state: PROVIDED, That no executive action on bills may be taken during an interim.

Committee Rules
Rule 45. 1. At least five days' notice shall be given of all public hearings held by any committee other than the rules committee. Such notice shall contain the date, time and place of such hearing together with the title and number of each bill, or identification of the subject matter, to be considered at such hearing. By a majority vote of the committee members present at any committee meeting such notice may be dispensed with. The reason for such action shall be set forth in a written statement preserved in the records of the meeting.

2. No committee may hold a public hearing during a regular or extraordinary session on a proposal identified as a draft unless the draft has been made available to the public at least twenty-four hours prior to the hearing. This rule does not apply during the five days prior to any cutoff established by concurrent resolution nor does it apply to any measure exempted from the resolution.

3. During its consideration of or vote on any bill, resolution or memorial, the deliberations of any committee or subcommittee of the senate shall be open to the public. In case of any disturbance or disorderly conduct at any such deliberations, the chair shall order the sergeant at arms to suppress the same and may order the meeting closed to any person or persons creating such disturbance.

4. No committee shall amend a measure, adopt a substitute bill, or vote upon any measure or appointment absent a quorum. A committee may conduct a hearing absent a quorum. A majority of any committee shall constitute a quorum and committees shall be considered to have a quorum present unless the question is raised.
Any question as to quorum not raised at the time of the committee action is deemed waived.

5. Bills reported to the senate from a standing committee must have a majority report, which shall be prepared upon a printed standing committee report form; shall be adopted at a regularly or specially called meeting during a legislative session and shall be signed by a majority of the committee; and shall carry only one of the following recommendations:
   a. Do pass;
   b. Do pass as amended;
   c. That a substitute bill be substituted therefor, and the substitute bill do pass; or

In addition to one of the above-listed recommendations, a report may also recommend that a bill be referred to another committee.

6. A majority report of a committee must carry the signatures of a majority of the members of the committee. In the event a committee has a quorum pursuant to subsection 4 of this rule, subject to the limitation of subsection 12 of this rule, a majority of the members present may act on a measure, subject to obtaining the signatures of a majority of the members of the committee on the majority report.

7. Any measure, appointment, substitute bill, or amendment still within a committee's possession before it has been reported out to the full senate may be reconsidered to correct an error, change language, or otherwise accurately reflect the will of the committee in its majority and minority reports to the full senate. Any such reconsideration may be made at any time, by any member of the committee, provided that the committee has not yet reported the measure, appointment, substitute bill, or amendment out to the full senate. Any such reconsideration made after a vote has been taken or signatures obtained will require a new vote and signature sheet. Any measure which does not receive a majority vote of the members present may be reconsidered at that meeting and may again be considered upon motion of any committee member if one day's notice of said motion is provided to all committee members. For purposes of this rule, a committee is deemed to have reported a measure, appointment, substitute bill, or amendment out when it has delivered its majority and minority reports to the senate workroom. After such delivery, the committee no longer has possession of the measure, appointment, substitute bill, or amendment and no further committee action, including reconsideration, may be taken.

8. Any member of the committee not concurring in the majority report may sign a minority report containing a recommendation of "do not pass" or "without recommendation," which shall be signed by those members of the committee subscribing thereto, and submitted with the majority report. Unless the signatory of a minority report expressly indicates a "do not pass" recommendation, the member's vote shall be deemed to be "without recommendation." In every case where a majority report form is circulated for signature, a minority report form shall also be circulated.

9. When a committee reports a substitute for an original bill with the recommendation that the substitute bill do pass, it shall be in order to read the substitute bill the first time and have the same ordered printed.

A motion for the substitution of the substitute bill for the original bill shall not be in order until the committee on rules places the original bill on the second reading calendar.

11. All reports of standing committees must be on the secretary's desk one hour prior to convening of the session in order to be read at said session. During any special session of the legislature, this rule may be suspended by a majority vote.

12. When a standing committee is operated by cochairs, the committee may not vote upon any measure or appointment without the consent of each cochair.

13. When a standing committee has a standing subcommittee established under Senate Rule 41, the chair of the committee may rerefer any measures referred to the committee to the standing subcommittee with the consent of the ranking member of the committee or, in the event of a dispute between the chair and ranking member, referral may occur with a majority vote of the committee.

Such referral shall be reported out to the senate on the next day's business.

The ((senate may change the)) order of consideration of bills on the second or third reading calendar will be set by the floor leader of the majority caucus. A majority of members present may vote to change the order.

The calendar, except in emergent situations, as determined by
the committee on rules, shall be on the desks and in the offices of the senators each day and shall cover the bills for consideration on the next following day.

This rule does not apply to conference committee reports of biennial or supplemental omnibus budget bills, which are governed by joint rules. This rule may be suspended with a majority vote of those present within three days of sine die. The rules committee shall establish by separate motion the time at which a bill has been placed on the second reading calendar for purposes of this rule.

SECTION VI

BILLS, RESOLUTIONS, MEMORIALS AND GUBERNATORIAL APPOINTMENTS

Definitions

Rule 54. "Measure" means a bill, joint memorial, joint resolution, or concurrent resolution.

"Bill" when used alone means bill, joint memorial, joint resolution, or concurrent resolution.

"Majority" shall mean a majority of those members present unless otherwise stated.

Prefiling

Rule 55. Holdover members and members-elect to the senate may prefile bills with the secretary of the senate on any day commencing with the first Monday in December preceding any session year; or twenty days prior to any special session of the legislature. Such bills will be printed, distributed and prepared for introduction on the first legislative day. No bill, joint memorial or joint resolution shall be prefiled by title and/or preamble only. (See also Senate Rule 3, Sub. 3.)

Introduction of Bills

Rule 56. All bills, joint resolutions, and joint memorials introduced shall be endorsed with a statement of the title and the name of the member introducing the same. Any member desiring to introduce a bill, joint resolution, or joint memorial shall file the same with the secretary of the senate by noon of the day before the convening of the session at which said bill, joint resolution, or joint memorial is to be introduced.

Provided that a vote has not been taken on final passage of a bill, joint resolution, or joint memorial, a member may add his or her name as a cosponsor until 2:00 p.m. of the day of its introduction. For any bill, joint resolution, or joint memorial that has been prefilled for a regular session, a member has until 2:00 p.m. of the day following introduction to add his or her name as a cosponsor.

To be considered during a regular session, a bill must be introduced at least ten days before final adjournment of the legislature, unless the legislature directs otherwise by a vote of two-thirds of all the members elected to each house, said vote to be taken by yeas and nays and entered upon the journal. The time limitation for introduction of bills shall not apply to substitute bills reported by standing committees for bills pending before such committees and general appropriation and revenue bills. (See also Art. 2, Sec. 36, State Constitution.)

Amendatory Bills

Rule 57. Bills introduced in the senate intended to amend existing statutes shall have the words which are amendatory to such existing statutes underlined. Any matter to be deleted from the existing statutes shall be indicated by setting such matter forth in full, enclosed by double parentheses, and such deleted matter shall be lined out with hyphens. No bill shall be printed or acted upon until the provisions of this rule shall have been complied with.

Sections added by amendatory bill to an existing act, or chapter of the official code, need not be underlined but shall be designated "NEW SECTION" in upper case type and such designation shall be underlined. New enactments need not be underlined.

When statutes are being repealed, the Revised Code of Washington section number to be repealed, the section caption and the session law history, from the most current to the original, shall be cited.

Joint Resolutions and Memorials

Rule 58. Joint resolutions and joint memorials, up to the signing thereof by the president of the senate, shall be subject to the rules governing the course of bills.

Senate Concurrent Resolutions

Rule 59. Concurrent resolutions shall be subject to the rules governing the course of bills and may be adopted without a roll call. Concurrent resolutions authorizing investigations and authorizing the expenditure or allocation of any money must be adopted by roll call and the yeas and nays recorded in the journal. Concurrent resolutions are subject to final passage on the day of the first reading without regard to Senate Rules 62, 63, and 64.

Committee Bills

Rule 60. Committee bills introduced by a standing committee during a legislative session may be filed with the secretary of the senate and introduced, and the signature of each member of the committee shall be endorsed upon the cover of the original bill.

Committee bills shall be read the first time by title, ordered printed, and referred to the committee on rules for second reading.

Committee Reference

Rule 61. When a motion is made to refer a subject, and different committees are proposed, the question shall be taken in the following order:

FIRST: A standing committee.
SECOND: A select committee.
Reading of Bills

Rule 62. Every bill shall be read on three separate days unless the senate deems it expedient to suspend this rule. On and after the tenth day preceding adjournment sine die of any session, or three days prior to any cut-off date for consideration of bills, as determined pursuant to Article 2, Section 12 of the Constitution or concurrent resolution, or during any special session of the legislature, this rule may be suspended by a majority vote. (See also Senate Rule 59 and ((House)) 64).

First Reading

Rule 63. The first reading of a bill shall be by title only, unless a majority of the members present demand a reading in full.

After the first reading, bills shall be referred to an appropriate committee pursuant to Senate Rule 61.

Upon being reported back by committee, pursuant to Senate Rule 49, all bills shall be referred to the committee on rules for second reading, unless otherwise ordered by the senate. (See Senate Rule 45, Sub. 5.)

A bill shall be reported back by the committee chair upon written petition therefor signed by a majority of its members. The petition shall designate the recommendation as provided in Senate Rule 45, Sub. 5.

No committee chair shall exercise a pocket veto of any bill.

Should there be a two-thirds majority report of the committee membership against the bill, a vote shall be immediately ordered for the indefinite postponement of the bill.

Second Reading/Amendments

Rule 64. Upon second reading, the bill shall be read section by section, in full, and be subject to amendment.

Any member may, if sustained by three members, remove a bill from the consent calendar as constituted by the committee on rules. A bill removed from the consent calendar shall take its place as the last bill on the second reading calendar.

No amendment shall be considered by the senate until it shall have been sent to the secretary's desk in writing and read by the secretary.

All amendments adopted on the second reading shall then be securely fastened to the original bill.

All amendments rejected by the senate shall be spread upon the journal, and the journal shall show the disposition of all amendments.

When no further amendments shall be offered, the president shall declare the bill has passed its second reading, and shall be referred to the committee on rules for third reading.

Third Reading

Rule 65. Bills on third reading shall be read in full by sections, and no amendment shall be entertained.

When a bill shall pass, it shall be certified to be by the secretary, together with the vote upon final passage, noting the day of its passage thereon.

The vote must be taken by yeas and nays, the names of the senators voting for and against the same to be entered upon the journal and the majority of the members elected to the senate must be recorded thereon as voting in its favor to secure its passage by the senate.

Scope and Object of Bill Not to be Changed

Rule 66. No amendment to any bill shall be allowed which shall change the scope and object of the bill. (See also Art. 2, Sec. 38, State Constitution.) Substitute bills shall be considered amendments for the purposes of this rule. A point of order raising the question of scope and object may be raised at any time during consideration of an amendment prior to voting on the amendment. A proposed amendment to an unamended title-only bill shall be within the scope and object of the bill if the subject of the amendment fits within the language in the title.

Matters Related to Disagreement Between the Senate and House

Rule 67. When there is a disagreement between the senate and house on a measure before the senate, the senate may act upon the measure with the following motions which have priority in the following order:

To concur
To non-concur
To recede
To insist
To adhere

These motions are in order as to any single amendment or to a series of amendments. (See Reed's Rules 247 through 254.)

A senate bill, passed by the house with amendment or amendments which shall change the scope and object of the bill, upon being received in the senate, shall be referred to an appropriate committee and shall take the same course as for original bills, unless a motion to ask the house to recede, to insist or to adhere is made prior to the measure being referred to committee.

Bills Committed for Special Amendment

Rule 68. A bill may be committed with or without special instructions to amend at any time before taking the final vote.

Confirmation of Gubernatorial Appointees

Rule 69. When the names of appointees to state offices are transmitted to the secretary of the senate for senate confirmation, the communication from the governor shall be recorded and referred to the appropriate standing committee.

The standing committee, or subcommittee, pursuant to Senate Rule 42, shall require each appointee referred to the committee for consideration to complete the standard questionnaire to be used to ascertain the appointee's general background and qualifications. The committee may also require the appointee to complete a supplemental questionnaire related specifically to the qualifications for the position to which he has been appointed.

Any hearing on a gubernatorial appointment, held by the standing committee, or subcommittees, pursuant to Senate Rule 42, shall be a public hearing. The appointee may be required to appear before the committee on request. When appearing, the appointee shall be required to testify under oath or affirmation. The chair of the committee or the presiding member shall administer the oath or affirmation in accordance with RCW 44.16. (See also Article 2, Sec. 6 of the State Constitution.)

Nothing in this rule shall be construed to prevent a standing committee, or subcommittee, pursuant to Senate Rule 42, upon a two-thirds vote of its members, from holding executive sessions when considering an appointment.
When the committee on rules presents the report of the standing committee before the senate, the question shall be the confirmation of the name proposed, and the roll shall then be called and the yeas and nays entered upon the journal. In the event a message is received from the governor requesting return of an appointment or appointments to the office of the governor prior to confirmation, the senate shall vote upon the governor's request and the appointment or appointments shall be returned to the governor if the request is approved by a majority of the members elected or appointed. To the Honorable President and Members,
The Senate of the State of Washington

Ladies and Gentlemen:
I am returning herewith, without my approval as to Section 4, Senate Bill No. 6058 entitled:

"AN ACT Relating to write-in voting."

Section 4 creates an unintended extra administrative burden for some counties and is not needed for implementation purposes or to meet the intent of the bill.

For these reasons I have vetoed Section 4 of Senate Bill No. 6058.

With the exception of Section 4, Senate Bill No. 6058 is approved.

Respectfully submitted,
/s/

MESSAGE FROM THE SECRETARY OF STATE

The Honorable President of the Senate
Legislature of the State of Washington
Olympia, Washington 98504

MR. PRESIDENT:
We respectfully transmit for your consideration the following bill which was partially vetoed by the Governor, together with the official veto message setting forth his objections to the sections or items of the bill, as required by Article III, section 12, of the Washington State Constitution:
Engrossed Substitute Senate Bill No. 6032
IN TESTIMONY WHEREOF, I have hereunto set my hand
and affixed the Seal of the state of Washington, this 29th day of March, 2018.

GREG LANE, Deputy Secretary of State

(Seal)

MESSAGE FROM THE GOVERNOR

March 27, 2018

To the Honorable President and Members,
The Senate of the State of Washington

Ladies and Gentlemen:

I am returning herewith, without my approval as to Sections 119(8), 129(21), 135(4), 146(10), 307 lines 14-15, 308(21), 502(1)(h), 504(2), 606(23)(b), 908(3), 103(9), 122(3), 127(56), 135(6), 140(7), 141(4), 146(7), 148(10), 205(1)(w), 206(30), and 501(51), Engrossed Substitute Senate Bill No. 6032 entitled:

"AN ACT Relating to fiscal matters."

Section 119(8), page 19, Secretary of State, Automatic Voter Registration Study

This section includes funding for the Secretary of State to conduct a study related to automatic voter registration. The requirement to do this study was removed from Engrossed Second Substitute House Bill 2595 (automatic voter registration), but the funding proviso remained in the budget. Because the agency will not be doing this study, the funding is not needed. For this reason, I have vetoed Section 119(8).

Section 129(21), page 56, Office of Financial Management, 2020 Census

Funds are provided to the agency for staffing and support to prepare for the 2020 census in two identical provisos: Section 129(19) and Section 129(21). This is clearly a drafting error because funding for the double proviso is not included in the total appropriation authority. For this reason, I have vetoed Section 129(21).

Section 135(4), pages 59-60, Department of Revenue, Tax Database

The budget provides $150,000 to the department to create a publicly available online searchable database of all taxes and tax rates in the state for each taxing district. This is the same provision that was included in Senate Bill 6590 which had a fiscal note of $1,219,800 for creation of the database. This project cannot be done for the $150,000 provided in the budget. For this reason, I have vetoed Section 135(4).

Section 146(10), page 74, Department of Enterprise Services, Capitol Dome Access

This section directs the Department of Enterprise Services to allow individuals to access the top of the Capitol dome "under approved supervision and guidelines developed by the department." The Olympia Fire Department has assessed this space in the past, and, among other issues, reported that it could not use a fireman's rescue technique in this space nor could it assist an injured party by using a gurney. The Department of Labor and Industries classifies the area as a "confined space" which means that it has restricted entry/exit and is not primarily designed for human occupancy. Access should be authorized only for individuals needed to do work on the dome. While the view is beautiful from the dome, there are too many risks involved with granting access to the public. For this reason, I have vetoed Section 146(10).

Section 307, page 261, lines 14-15, Department of Fish and Wildlife, FY 2018 General Fund- State Appropriation

The final budget reduces the department's FY 2018 General Fund-State appropriation by $1,739,000. Although the final budget provides an additional $1.5 million for Orca whale recovery efforts, it does not fully cover the costs of important work needed to begin the recovery of this iconic species. To support Orca recovery efforts, I am vetoing this reduction in appropriation and directing the department to use $650,000 of this amount to complete fish screen inventories, conduct public outreach and education, hire a recovery coordinator position, and support facilitation of the Southern Resident Killer Whale Task Force. I also am directing the agency to place the remaining amount in unallotted status. For this reason, I have vetoed Section 307, page 261, lines 14-15.

Section 308(21), page 274, Department of Natural Resources, SAFER Grant Match

One-time funding of $873,000 General Fund-State is provided to Kittitas County Fire District 7 for matching funds for its Staffing for Adequate Fire and Emergency Response (SAFER) grant from the Federal Emergency Management Agency. Despite the merits of the federal grant funding to provide firefighting staff to the district, the state should not provide the local match for these grants.

Operational funding for fire districts is a local decision. Not only would providing the match through the state general fund set a precedent, it would be unfair to the other 19 fire districts across the state that were awarded a similar federal grant and provided their own local match. For these reasons, I have vetoed Section 308(21).

Section 502(1)(h), page 303, Office of Superintendent of Public Instruction for General Apportionment, Net Revenue Hold Harmless

Engrossed Second Substitute Senate Bill 6362 contains a more prescriptive hold harmless calculation than the language in the operating budget. The operating budget will hold districts harmless to a baseline that assumes the levy cliff would go into effect- a decision that the Legislature chose last year not to implement. We must ensure that no school district receives less funding in the 2018-19 school year. For this reason, I have vetoed Section 502(1)(h).

Section 504(2), page 318, Office of Superintendent of Public Instruction for School Employee Compensation Adjustments, Delay Professional Learning Day

The operating budget delays the implementation of state-funded professional learning days by one year. Research shows that time for job embedded professional learning and collaboration is linked to student success. Limiting practices that improve student achievement goes against our goal for a world-class education system. For these reasons, I have vetoed Section 504(2).

Section 606(23)(b), page 372, The Evergreen State College, Funding Options for the Legislature

This proviso allows the Office of Financial Management, State Board for Community and Technical Colleges, and Council of Presidents to use information from a Washington State Institute for Public Policy (WSIPP) study to present funding options to the Legislature. The WSIPP study is related to higher education funding methods in other states. This item directs two separate agencies and the Council of Presidents to perform work that does not naturally fit together with the WSIPP study. For this reason, I have vetoed Section 606(23)(b).

MESSAGE FROM THE GOVERNOR

March 27, 2018

To the Honorable President and Members,
The Senate of the State of Washington

Ladies and Gentlemen:

I am returning herewith, without my approval as to Sections 3011(2), 3011(3), 3011(4), 4002, 7018, and 7019, Engrossed Substitute Senate Bill No. 6095 entitled:

"AN ACT Relating to the capital budget."

Sections 3011(2), (3) and (4), page 83, Department of Ecology, Water Availability (91000034)

I appreciate the bipartisan effort and support to pass Engrossed Substitute Senate Bill 6091 (ESSB 6091) and the accompanying appropriation of $20 million in the enacted capital budget. Together, these measures are important in allowing appropriate development to proceed in rural areas of our state while also ensuring the protection of instream flows. Negotiations on ESSB 6091 were both substantial and difficult. Sections 3011(2), (3) and (4) single out particular projects for funding. This is a departure from the planning and implementation processes established only weeks ago in ESSB 6091, and circumvents the Department of Ecology's efforts to prioritize and approve projects. For these reasons, I have vetoed Sections 3011(2), (3) and (4).

Section 4002, pages 110-112, Aviation Revitalization Loans (92000003)

This section contains amendments identical to Substitute House Bill 1656 (SHB 1656) and reduces the amount available for loans by $2.5 million. Because I have vetoed SHB 1656 and I support the original $5 million appropriation, I have vetoed Section 4002.

Section 7018, page 153

Section 7018 repeals Section 13 of Substitute House Bill 1656 (SHB 1656). Because I have vetoed SHB 1656, there is no need to repeal a section in that bill. For this reason, I have vetoed Section 7018.

Section 7019, page 154

Section 7019 directs that Section 7018 takes effect when Substitute House Bill 1656 (SHB 1656) takes effect. Because I have vetoed Section 7018 and SHB 1656, this section is not necessary. For this reason, I have vetoed Section 7019.

For these reasons I have vetoed Sections 3011(2), 3011(3), 3011(4), 4002, 7018, and 7019 of Engrossed Substitute Senate Bill No. 6095.

With the exception of Sections 3011(2), 3011(3), 3011(4), 4002, 7018, and 7019, Engrossed Substitute Senate Bill No. 6095 is approved.

The Senate of the State of Washington

Ladies and Gentlemen:

I am vetoing the following sections related to bills that did not pass the legislature resulting in the lapse of funding. My veto of these sections will serve to clean up these unnecessary sections of the bill.

Section 207(8), page 18, Washington State Patrol, SHB 2278, Privacy Protections in Government Section 208(1), pages 19-20, Department of Licensing, EHB 2201 or ESSB 5955, MVET Collection Section 208(22), page 25, Department of Licensing, SHB 2278, Privacy Protections

Section 208(25), page 25, Department of Licensing, SHB 2975, Alternative Fuel Vehicle Exemption, or SB 6080, Electrification of Transportation

Section 208(26), page 25, Department of Licensing, SHB 2653

Section 208(28), page 26, Department of Licensing, SSB 6009, Issuance of Personalized Collector Vehicle License Plates

Section 208(29), page 26, Department of Licensing, SSB 6107, Electric Motorcycle Registration Renewal Fees

Section 212(3), page 35, Department of Transportation-Aviation, ESHB 2295, Electric Aircraft

For these reasons I have vetoed Sections 208(19), 207(8), 208(1), 208(22), 208(25), 208(26), 208(28), 208(29), 208(30), and 212(3) of Engrossed Substitute Senate Bill No. 6106.

MR. PRESIDENT:

We respectfully transmit for your consideration the following bill which was partially vetoed by the Governor, together with the official veto message setting forth his objections to the sections or items of the bill, as required by Article III, section 12, of the Washington State Constitution:

Engrossed Second Substitute Senate Bill No. 6362

IN TESTIMONY WHEREOF, I have hereunto set my hand and affixed the Seal of the state of Washington, this 29th day of March, 2018.

KIM WYMAN, Secretary of State

MESSAGE FROM THE GOVERNOR

March 27, 2018

To the Honorable President and Members,
The Senate of the State of Washington

Ladies and Gentlemen:

I am returning herewith, without my approval as to Sections 208(19), 207(8), 208(1), 208(22), 208(25), 208(26), 208(28), 208(29), 208(30), and 212(3), Engrossed Substitute Senate Bill No. 6106 entitled:

"AN ACT Relating to transportation funding and appropriations."

Section 208(19), Pages 23-24, Department of Licensing, Licensing Services Workgroup

Section 208(19) directs the department to convene a workgroup comprised of a county auditor, county licensing manager, and three subagent representatives to assess the current licensing services system and the establishment of a new licensing services partnership committee. The workgroup must consider and make recommendations on expanding services offered by subagents, establishing voluntary payment plans and automatic renewal options, and reviewing the current financial environment of subagents and county auditors. The department already has a specific licensing committee that meets twice a year. It also meets twice a year with the Washington Association of Vehicle Subagents. In addition, the proviso did not provide funding for this workgroup. While I encourage looking at ways to improve services to the public, this workgroup provides a forum for communication that already exists and funding is not provided to support the workgroup. For these reasons, I have vetoed Section 208(19).
I am returning herewith, without my approval as to Sections 402 and 408, Engrossed Second Substitute Senate Bill No. 6362 entitled:

"AN ACT Relating to modifying basic education funding provisions."

Section 402 delays the implementation of state-funded professional learning days. Research shows that time for job-embedded professional learning and collaboration is linked to student success.

Limiting practices that improve student achievement goes against the intent of this bill and our goals. For this reason, I am vetoing Section 402.

Section 408 moves forward by one year the requirement for OSPI to develop rules and budgetary procedures to ensure school districts provide separate accounting of state and local revenues to expenditures. The work is underway to design and build the accounting systems required to implement this data transparency within the original timeline for school year 2019-20. Speeding up the development of the system will jeopardize the long-term reliability of the accounting system and suspend the development of all other systems work. For this reason I am vetoing Section 408.

For these reasons I have vetoed Sections 402 and 408 of Engrossed Second Substitute Senate Bill No. 6362.

With the exception of Sections 402 and 408, Engrossed Second Substitute Senate Bill No. 6362 is approved.

Respectfully submitted,

/s/
