MESSAGES FROM THE SECRETARY OF STATE

February 6, 2019

To the Honorable Cyrus Habib
 President of the Senate
 Legislative Building
 Olympia, WA 98501

I, Kim Wyman, Secretary of the State of Washington and custodian of the State Seal, do hereby certify that the attached is a true and correct copy of the County Resolutions now on file with the Secretary of State relating to the resignation of Kevin Ranker from the office of State Senator for the 40th Legislative District of the State of Washington, and the appointment of Liz Lovelett to fill the vacancy created thereby.

I further certify that Liz Lovelett has been duly appointed by action of the County Council of County Council of San Juan County, the Skagit County Board of Commissioners and the County Council of Whatcom County, meeting jointly, to the office of State Senator from the 40th Legislative District.

In Testimony Whereof, I have hereunto set my hand and affixed the Seal of the State of Washington on this 6th Day of February 2019, at Olympia, the State Capitol.

(Seal) /s/
 Kim Wyman
 Secretary of State
 (By Sheri Nelson, Deputy Secretary of State)

Editor's Note: See twenty-fourth legislative day, January 16, 2019, for appointing Joint Resolution of San Juan County Council, Skagit County Board of Commissioners, and Whatcom County Council.

CERTIFICATION OF INITIATIVE TO THE LEGISLATURE
 NO. 1000

On January 4, 2019, petition sheets containing voter signatures in favor of Initiative to the Legislature No. 1000 were submitted to the Secretary of State Elections Division by the sponsor. The following is the certificate of the facts relating to the filing, verification, and canvass of this initiative, as required by RCW 29A.72.230.

- 64 petition sheets contained a ballot title, ballot summary, and initiative text that was different than the established ballot title, ballot summary, and initiative text for No. 1000. (Exhibit A) These petition sheets were removed and were not included in the total signature count.
- 218 petition sheets contained a sticker with the established ballot title and ballot summary for No. 1000 on the front side of the petition sheet, but containing the text of a different measure on the backside of the petition sheet. (Exhibit B) These petition sheets were included in the total signature count in accordance with RCW 29A.72.170.
- 21,258 petition sheets contained the established ballot title, ballot summary, and initiative text for No. 1000. (Exhibit C) These petition sheets were included in the total signature count.

Pursuant to Article 11, Section 1 of the Washington State

Constitution, RCW 29A.72.230, and WAC 434-379-010, the Office of the Secretary of State has caused the signatures submitted in support of Initiative to the Legislature No. 1000 to be examined in the following manner:

1. It was determined that 395,938 signatures were submitted by the sponsors of the initiative. A random sample of 11,919 signatures was taken from those submitted;
2. Each sampled signature was examined to determine if the signer was a registered voter of the state, if the signature was reasonably similar to the one appearing on the record of that voter, and if the same signature appeared more than once in the sample. We found 9,047 valid signatures, 2,859 signatures that were invalid and 13 pairs of duplicated signatures in the sample;
3. We calculated an allowance for the chance error of sampling (80) by multiplying the square root of the number of invalid signatures by 1.5;
4. We estimated the upper limit of the number of signatures on the initiative petition which were invalid (97,638) by dividing the sum of the number of invalid signatures in the sample and allowance for the chance of error of sampling by the sampling ratio;
5. We determined the maximum allowable number of duplicate pairs of signatures on the petition (38,678) by subtracting the sum of the number of signatures required by Article 11, Section 1 of the Washington State Constitution (259,622) and the estimate of the upper limit of the number of invalid signatures on the petition from the number of signatures submitted;
6. We determined the expected number of duplicate pairs of signatures in the sample (35) by multiplying the square of the sampling ratio by the maximum allowable number of pairs of signatures on the initiative petition;
7. We determined the acceptable number of duplicate pairs of signatures in the sample (25) by subtracting 1.65 times the square root of the expected number of pairs of signatures in the sample from the expected number of pairs of signatures in the sample; and
8. The number of duplicate pairs of signatures in the sample is less than the acceptable number of duplicate pairs of signatures in the sample.

Therefore, I hereby declare Initiative to the Legislature No. 1000 to contain sufficient signatures.

IN WITNESS WHEREOF, I have hereunto set my hand and affixed the Seal of the State of Washington this 6th day of February, 2019
