

# Questions and Answers

**Question:** Can JLARC please clarify whether an award will be made based on the responses to the RFI, or if a separate RFP will be issued following the RFI?

**Answer:** JLARC staff will provide the Legislature with a range of approaches and estimated costs to conduct this study based on the RFIs that we receive. Based on a decision on a preferred approach, JLARC staff will determine if a respondent is best able to meet the Legislature's requirements.
