**71.05.700 Home visit by designated mental health professional or crisis intervention worker—Accompaniment by second trained individual.** No designated mental health professional or crisis intervention worker shall be required to respond to a private home or other private location to stabilize or treat a person in crisis, or to evaluate a person for potential detention under the state's involuntary treatment act, unless a second trained individual, determined by the clinical team supervisor, on-call supervisor, or individual professional acting alone based on a risk assessment for potential violence, accompanies them. The second individual may be a law enforcement officer, a mental health professional, a mental health paraprofessional who has received training under RCW 71.05.715, or other first responder, such as fire or ambulance personnel. No retaliation may be taken against a worker who, following consultation with the clinical team, refuses to go on a home visit alone. [2007 c 360 § 2.]

**Findings—2007 c 360:** "The legislature finds that designated mental health professionals go out into the community to evaluate people for potential detention under the state's involuntary treatment act. Also, designated mental health professionals and other mental health workers do crisis intervention work intended to stabilize a person in crisis and provide immediate treatment and intervention in communities throughout Washington state. In many cases, the presence of a second trained individual on outreach to a person's private home or other private location will enhance safety for consumers, families, and mental health professionals and will advance the legislature's interest in quality mental health care services." [2007 c 360 § 1.]

**Short title—2007 c 360:** "This act may be known and cited as the Marty Smith law." [2007 c 360 § 7.]

**71.05.705 Provider of designated mental health professional or crisis outreach services—Policy for home visits.** Each provider of designated mental health professional or crisis outreach services shall maintain a written policy that, at a minimum, describes the organization's plan for training, staff back-up, information sharing, and communication for crisis outreach staff who respond to private homes or non-public settings. [2007 c 360 § 3.]

**Findings—Short title—2007 c 360:** See notes following RCW 71.05.700.

**71.05.710 Home visit by mental health professional—Wireless telephone to be provided.** Any mental health professional who engages in home visits to clients shall be provided by their employer with a wireless telephone or comparable device for the purpose of emergency communication. [2007 c 360 § 4.]

**Findings—Short title—2007 c 360:** See notes following RCW 71.05.700.

**71.05.715 Crisis visit by mental health professional—Access to information.** Any mental health professional who is dispatched on a crisis visit, as described in RCW 71.05.700, shall have prompt access to information about any history of dangerousness or potential dangerousness on the client they are being sent to evaluate that is documented in crisis plans or commitment records and is available without unduly delaying a crisis response. [2007 c 360 § 5.]

**Findings—Short title—2007 c 360:** See notes following RCW 71.05.700.

**71.05.720 Training for community mental health employees.** Annually, all community mental health employees who work directly with clients shall be provided with training on safety and violence prevention topics described in RCW 49.19.030. The curriculum for the training shall be developed collaboratively among the department of social and health services, contracted mental health providers, and employee organizations that represent community mental health workers. [2007 c 360 § 6.]

**Findings—Short title—2007 c 360:** See notes following RCW 71.05.700.

**71.05.730 Judicial services—Civil commitment cases—Reimbursement.** (1) A county may apply to its regional support network on a quarterly basis for reimbursement of its direct costs in providing judicial services for civil commitment cases under this chapter and chapter 71.34 RCW. The regional support network shall in turn be entitled to reimbursement from the regional support network that serves the county of residence of the individual who is the subject of the civil commitment case. Reimbursements under this section shall be paid out of the regional support network's nonmedicaid appropriation.

(2) Reimbursement for judicial services shall be provided per civil commitment case at a rate to be determined based on an independent assessment of the county's actual direct costs. This assessment must be based on an average of the expenditures for judicial services within the county over the past three years. In the event that a baseline cannot be established because there is no significant history of similar cases within the county, the reimbursement rate shall be equal to eighty percent of the median reimbursement rate of counties included in the independent assessment.

(3) For the purposes of this section:

(a) "Civil commitment case" includes all judicial hearings related to a single episode of hospitalization, or less restrictive alternative detention in lieu of hospitalization, except that the filing of a petition for a one hundred eighty-day commitment under this chapter or a petition for a successive one hundred eighty-day commitment under chapter 71.34 RCW shall be considered to be a new case regardless of whether there has been a break in detention. "Civil commitment case" does not include the filing of a petition for a one hundred eighty-day commitment under this chapter on behalf of a patient at a state psychiatric hospital.

(b) "Judicial services" means a county's reasonable direct costs in providing prosecutor services, assigned counsel and defense services, court services, and court clerk services for civil commitment cases under this chapter and chapter 71.34 RCW.

(4) To the extent that resources have shared purpose, the regional support network may only reimburse counties to the extent such resources are necessary for and devoted to judicial services as described in this section.

(5) No filing fee may be charged or collected for any civil commitment case subject to reimbursement under this section. [2011 c 343 § 2.]

**Intent—2011 c 343:** "The legislature recognizes that counties that host evaluation and treatment beds incur costs by providing judicial services associated with civil commitments under chapters 71.05 and 71.34 RCW. Because evaluation and treatment beds are not evenly distributed across the state, these commitments frequently occur in a different county from the

(2012 Ed.)

county in which the person was originally detained. The intent of this act is to create a process for the state to reimburse counties through the regional support networks for the counties' reasonable direct costs incurred in providing these judicial services, and to prevent the burden of these costs from falling disproportionately on the counties or regional support networks in which the commitments are most likely to occur. The legislature recognizes that the costs of judicial services may vary across the state based on different factors and conditions." [2011 c 343 § 1.]

**Effective date—2011 c 343:** "Except for section 3 of this act, this act takes effect July 1, 2012." [2011 c 343 § 10.]

**71.05.732 Reimbursement for judicial services—Assessment.** (1) The joint legislative audit and review committee shall conduct an independent assessment of the direct costs of providing judicial services under this chapter and chapter 71.34 RCW as defined in RCW 71.05.730. The assessment shall include a review and analysis of the reasons for differences in costs among counties. The assessment shall be conducted for any county in which more than twenty civil commitment cases were conducted during the year prior to the study. The assessment must be completed by June 1, 2012.

(2) The administrative office of the courts and the department shall provide the joint legislative audit and review committee with assistance and data required to complete the assessment.

(3) The joint legislative audit and review committee shall present recommendations as to methods for updating the costs identified in the assessment to reflect changes over time. [2011 c 343 § 3.]

**Intent—2011 c 343:** See note following RCW 71.05.730.

**71.05.801 Persons with developmental disabilities—Service plans—Habilitation services.** When appropriate and subject to available funds, the treatment and training of a person with a developmental disability who is committed to the custody of the department or to a facility certified for ninety day treatment by the department for a further period of intensive treatment under RCW 71.05.320 must be provided in a program specifically reserved for the treatment and training of persons with developmental disabilities. A person so committed shall receive habilitation services pursuant to an individualized service plan specifically developed to treat the behavior which was the subject of the criminal proceedings. The treatment program shall be administered by developmental disabilities professionals and others trained specifically in the needs of persons with developmental disabilities. The department may limit admissions to this specialized program in order to ensure that expenditures for services do not exceed amounts appropriated by the legislature and allocated by the department for such services. The department may establish admission priorities in the event that the number of eligible persons exceeds the limits set by the department. [2009 c 323 § 3.]

**Findings—Intent—2009 c 323:** See note following RCW 71.05.320.

**71.05.900 Severability—1973 1st ex.s. c 142.** If any provision of this 1973 amendatory act, or its application to any person or circumstance is held invalid, the remainder of this act, or the application of the provision to other persons or circumstances is not affected. [1973 1st ex.s. c 142 § 63.]

**71.05.910 Construction—1973 1st ex.s. c 142.** Sections 6 through 63 of this 1973 amendatory act shall constitute a new chapter in Title 71 RCW, and shall be considered the successor to those sections of chapter 71.02 RCW repealed by this 1973 amendatory act. [1973 1st ex.s. c 142 § 64.]

**71.05.920 Section headings not part of the law.** Section headings as used in sections 6 through 63 of this 1973 amendatory act shall not constitute any part of law. [1973 1st ex.s. c 142 § 65.]

**71.05.930 Effective date—1973 1st ex.s. c 142.** This 1973 amendatory act shall take effect on January 1, 1974. [1973 1st ex.s. c 142 § 67.]

**71.05.940 Equal application of 1989 c 420—Evaluation for developmental disability.** The provisions of chapter 420, Laws of 1989 shall apply equally to persons in the custody of the department on May 13, 1989, who were found by a court to be not guilty by reason of insanity or incompetent to stand trial, or who have been found to have committed acts constituting a felony pursuant to RCW 71.05.280(3) and present a substantial likelihood of repeating similar acts, and the secretary shall cause such persons to be evaluated to ascertain if such persons are developmentally disabled for placement in a program specifically reserved for the treatment and training of persons with developmental disabilities. [1999 c 13 § 13; 1989 c 420 § 18.]

**Purpose—Construction—1999 c 13:** See note following RCW 10.77.010.

**71.05.950 Construction—Chapter applicable to state registered domestic partnerships—2009 c 521.** For the purposes of this chapter, the terms spouse, marriage, marital, husband, wife, widow, widower, next of kin, and family shall be interpreted as applying equally to state registered domestic partnerships or individuals in state registered domestic partnerships as well as to marital relationships and married persons, and references to dissolution of marriage shall apply equally to state registered domestic partnerships that have been terminated, dissolved, or invalidated, to the extent that such interpretation does not conflict with federal law. Where necessary to implement chapter 521, Laws of 2009, gender-specific terms such as husband and wife used in any statute, rule, or other law shall be construed to be gender neutral, and applicable to individuals in state registered domestic partnerships. [2009 c 521 § 157.]

offense and it appears that such person is a sexual psychopath, the prosecuting attorney may file a petition in the criminal proceeding, alleging that the defendant is a sexual psychopath and stating sufficient facts to support such allegation. Such petition must be filed and served on the defendant or his or her attorney at least ten days prior to hearing on the criminal charge. [2012 c 117 § 431; 1959 c 25 § 71.06.020. Prior: 1951 c 223 § 3; 1949 c 198 § 26; Rem. Supp. 1949 § 6953-26.]

**71.06.030 Procedure on petition—Effect of acquittal on criminal charge.** The court shall proceed to hear the criminal charge. If the defendant is convicted or has previously pleaded guilty to such charge, judgment shall be pronounced, but the execution of the sentence may be deferred or suspended, as in other criminal cases, and the court shall then proceed to hear and determine the allegation of sexual psychopathy. Acquittal on the criminal charge shall not operate to suspend the hearing on the allegation of sexual psychopathy: PROVIDED, That the provisions of RCW 71.06.140 authorizing transfer of a committed sexual psychopath to a correctional institution shall not apply to the committed sexual psychopath who has been acquitted on the criminal charge. [1967 c 104 § 1; 1959 c 25 § 71.06.030. Prior: 1951 c 223 § 4.]

**71.06.040 Preliminary hearing—Evidence—Detention in hospital for observation.** At a preliminary hearing upon the charge of sexual psychopathy, the court may require the testimony of two duly licensed physicians or psychiatric advanced registered nurse practitioners who have examined the defendant. If the court finds that there are reasonable grounds to believe the defendant is a sexual psychopath, the court shall order said defendant confined at the nearest state hospital for observation as to the existence of sexual psychopathy. Such observation shall be for a period of not to exceed ninety days. The defendant shall be detained in the county jail or other county facilities pending execution of such observation order by the department. [2009 c 217 § 10; 1959 c 25 § 71.06.040. Prior: 1951 c 223 § 5.]

**71.06.050 Preliminary hearing—Report of findings.** Upon completion of said observation period, the superintendent of the state hospital shall return the defendant to the court, together with a written report of his or her findings as to whether or not the defendant is a sexual psychopath and the facts upon which his or her opinion is based. [2012 c 117 § 432; 1959 c 25 § 71.06.050. Prior: 1951 c 223 § 6.]

**71.06.060 Preliminary hearing—Commitment, or other disposition of charge.** After the superintendent's report has been filed, the court shall determine whether or not the defendant is a sexual psychopath. If said defendant is found to be a sexual psychopath, the court shall commit him or her to the secretary of social and health services for designation of the facility for detention, care, and treatment of the sexual psychopath. If the defendant is found not to be a sexual psychopath, the court shall order the sentence to be executed, or may discharge the defendant as the case may merit. [2012 c 117 § 433; 1979 c 141 § 129; 1967 c 104 § 2; 1959 c 25 § 71.06.060. Prior: 1951 c 223 § 7.]

**71.06.070 Preliminary hearing—Jury trial.** A jury may be demanded to determine the question of sexual psychopathy upon hearing after return of the superintendent's report. Such demand must be in writing and filed with the court within ten days after filing of the petition alleging the defendant to be a sexual psychopath. [1959 c 25 § 71.06.070. Prior: 1951 c 223 § 14; 1949 c 198 § 38; Rem. Supp. 1949 § 6953-38.]

**71.06.080 Preliminary hearing—Construction of chapter—Trial, evidence, law relating to criminally insane.** Nothing in this chapter shall be construed as to affect the procedure for the ordinary conduct of criminal trials as otherwise set up by law. Nothing in this chapter shall be construed to prevent the defendant, his or her attorney, or the court of its own motion, from producing evidence and witnesses at the hearing on the probable existence of sexual psychopathy or at the hearing after the return of the superintendent's report. Nothing in this chapter shall be construed as affecting the laws relating to the criminally insane or the insane criminal, nor shall this chapter be construed as preventing the defendant from raising the defense of insanity as in other criminal cases. [2012 c 117 § 434; 1959 c 25 § 71.06.080. Prior: 1951 c 223 § 15.]

**71.06.091 Postcommitment proceedings, releases, and further dispositions.** A sexual psychopath committed pursuant to RCW 71.06.060 shall be retained by the superintendent of the institution involved until in the superintendent's opinion he or she is safe to be at large, or until he or she has received the maximum benefit of treatment, or is not amenable to treatment, but the superintendent is unable to render an opinion that he or she is safe to be at large. Thereupon, the superintendent of the institution involved shall so inform whatever court committed the sexual psychopath. The court then may order such further examination and investigation of such person as seems necessary, and may at its discretion, summon such person before it for further hearing, together with any witnesses whose testimony may be pertinent, and together with any relevant documents and other evidence. On the basis of such reports, investigation, and possible hearing, the court shall determine whether the person before it shall be released unconditionally from custody as a sexual psychopath, released conditionally, returned to the custody of the institution as a sexual psychopath, or transferred to the department of corrections to serve the original sentence imposed upon him or her. The power of the court to grant conditional release for any such person before it shall be the same as its power to grant, amend, and revoke probation as provided by chapter 9.95 RCW. When the sexual psychopath has entered upon the conditional release, the indeterminate sentence review board shall supervise such person pursuant to the terms and conditions of the conditional release, as set by the court: PROVIDED, That the superintendent of the institution involved shall never release the sexual psychopath from custody without a court release as herein set forth. [2012 c 117 § 435; 1981 c 136 § 64; 1979 c 141 § 130; 1967 c 104 § 3.]

[2012 c 117 § 438; 1967 c 104 § 5; 1959 c 25 § 71.06.130. Prior: 1951 c 223 § 12; 1949 c 198 § 28, part; Rem. Supp. 1949 § 6953-28, part.]

**71.09.010 Findings.** The legislature finds that a small but extremely dangerous group of sexually violent predators exist who do not have a mental disease or defect that renders them appropriate for the existing involuntary treatment act, chapter 71.05 RCW, which is intended to be a short-term civil commitment system that is primarily designed to provide short-term treatment to individuals with serious mental disorders and then return them to the community. In contrast to persons appropriate for civil commitment under chapter 71.05 RCW, sexually violent predators generally have personality disorders and/or mental abnormalities which are unamenable to existing mental illness treatment modalities and those conditions render them likely to engage in sexually violent behavior. The legislature further finds that sex offenders' likelihood of engaging in repeat acts of predatory sexual violence is high. The existing involuntary commitment act, chapter 71.05 RCW, is inadequate to address the risk to reoffend because during confinement these offenders do not have access to potential victims and therefore they will not engage

in an overt act during confinement as required by the involuntary treatment act for continued confinement. The legislature further finds that the prognosis for curing sexually violent offenders is poor, the treatment needs of this population are very long term, and the treatment modalities for this population are very different than the traditional treatment modalities for people appropriate for commitment under the involuntary treatment act. [2001 c 286 § 3; 1990 c 3 § 1001.]

Additional notes found at [www.leg.wa.gov](http://www.leg.wa.gov)

**71.09.015 Finding—Intent—Clarification.** The legislature finds that presentation of evidence related to conditions of a less restrictive alternative that are beyond the authority of the court to order, and that would not exist in the absence of a court order, reduces the public respect for the rule of law and for the authority of the courts. Consequently, the legislature finds that the decision in *In re the Detention of Casper Ross*, 102 Wn. App 108 (2000), is contrary to the legislature's intent. The legislature hereby clarifies that it intends, and has always intended, in any proceeding under this chapter that the court and jury be presented only with conditions that would exist or that the court would have the authority to order in the absence of a finding that the person is a sexually violent predator. [2001 c 286 § 1.]

**71.09.020 Definitions.** Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

(1) "Department" means the department of social and health services.

(2) "Health care facility" means any hospital, hospice care center, licensed or certified health care facility, health maintenance organization regulated under chapter 48.46 RCW, federally qualified health maintenance organization, federally approved renal dialysis center or facility, or federally approved blood bank.

(3) "Health care practitioner" means an individual or firm licensed or certified to engage actively in a regulated health profession.

(4) "Health care services" means those services provided by health professionals licensed pursuant to RCW 18.120.020(4).

(5) "Health profession" means those licensed or regulated professions set forth in RCW 18.120.020(4).

(6) "Less restrictive alternative" means court-ordered treatment in a setting less restrictive than total confinement which satisfies the conditions set forth in RCW 71.09.092. A less restrictive alternative may not include placement in the community protection program as pursuant to RCW 71A.12.230.

(7) "Likely to engage in predatory acts of sexual violence if not confined in a secure facility" means that the person more probably than not will engage in such acts if released unconditionally from detention on the sexually violent predator petition. Such likelihood must be evidenced by a recent overt act if the person is not totally confined at the time the petition is filed under RCW 71.09.030.

(8) "Mental abnormality" means a congenital or acquired condition affecting the emotional or volitional capacity which predisposes the person to the commission of criminal

sexual acts in a degree constituting such person a menace to the health and safety of others.

(9) "Personality disorder" means an enduring pattern of inner experience and behavior that deviates markedly from the expectations of the individual's culture, is pervasive and inflexible, has onset in adolescence or early adulthood, is stable over time and leads to distress or impairment. Purported evidence of a personality disorder must be supported by testimony of a licensed forensic psychologist or psychiatrist.

(10) "Predatory" means acts directed towards: (a) Strangers; (b) individuals with whom a relationship has been established or promoted for the primary purpose of victimization; or (c) persons of casual acquaintance with whom no substantial personal relationship exists.

(11) "Prosecuting agency" means the prosecuting attorney of the county where the person was convicted or charged or the attorney general if requested by the prosecuting attorney, as provided in RCW 71.09.030.

(12) "Recent overt act" means any act, threat, or combination thereof that has either caused harm of a sexually violent nature or creates a reasonable apprehension of such harm in the mind of an objective person who knows of the history and mental condition of the person engaging in the act or behaviors.

(13) "Risk potential activity" or "risk potential facility" means an activity or facility that provides a higher incidence of risk to the public from persons conditionally released from the special commitment center. Risk potential activities and facilities include: Public and private schools, school bus stops, licensed day care and licensed preschool facilities, public parks, publicly dedicated trails, sports fields, playgrounds, recreational and community centers, churches, synagogues, temples, mosques, public libraries, public and private youth camps, and others identified by the department following the hearings on a potential site required in RCW 71.09.315. For purposes of this chapter, "school bus stops" does not include bus stops established primarily for public transit.

(14) "Secretary" means the secretary of social and health services or the secretary's designee.

(15) "Secure facility" means a residential facility for persons civilly confined under the provisions of this chapter that includes security measures sufficient to protect the community. Such facilities include total confinement facilities, secure community transition facilities, and any residence used as a court-ordered placement under RCW 71.09.096.

(16) "Secure community transition facility" means a residential facility for persons civilly committed and conditionally released to a less restrictive alternative under this chapter. A secure community transition facility has supervision and security, and either provides or ensures the provision of sex offender treatment services. Secure community transition facilities include but are not limited to the facility established pursuant to RCW 71.09.250(1)(a)(i) and any community-based facilities established under this chapter and operated by the secretary or under contract with the secretary.

(17) "Sexually violent offense" means an act committed on, before, or after July 1, 1990, that is: (a) An act defined in Title 9A RCW as rape in the first degree, rape in the second degree by forcible compulsion, rape of a child in the first or second degree, statutory rape in the first or second degree,

indecent liberties by forcible compulsion, indecent liberties against a child under age fourteen, incest against a child under age fourteen, or child molestation in the first or second degree; (b) a felony offense in effect at any time prior to July 1, 1990, that is comparable to a sexually violent offense as defined in (a) of this subsection, or any federal or out-of-state conviction for a felony offense that under the laws of this state would be a sexually violent offense as defined in this subsection; (c) an act of murder in the first or second degree, assault in the first or second degree, assault of a child in the first or second degree, kidnapping in the first or second degree, burglary in the first degree, residential burglary, or unlawful imprisonment, which act, either at the time of sentencing for the offense or subsequently during civil commitment proceedings pursuant to this chapter, has been determined beyond a reasonable doubt to have been sexually motivated, as that term is defined in RCW 9.94A.030; or (d) an act as described in chapter 9A.28 RCW, that is an attempt, criminal solicitation, or criminal conspiracy to commit one of the felonies designated in (a), (b), or (c) of this subsection.

(18) "Sexually violent predator" means any person who has been convicted of or charged with a crime of sexual violence and who suffers from a mental abnormality or personality disorder which makes the person likely to engage in predatory acts of sexual violence if not confined in a secure facility.

(19) "Total confinement facility" means a secure facility that provides supervision and sex offender treatment services in a total confinement setting. Total confinement facilities include the special commitment center and any similar facility designated as a total confinement facility by the secretary. [2009 c 409 § 1; 2006 c 303 § 10. #### **71.09.030 Sexually violent predator petition—Filing.**

(1) A petition may be filed alleging that a person is a sexually violent predator and stating sufficient facts to support such allegation when it appears that: (a) A person who at any time previously has been convicted of a sexually violent offense is about to be released from total confinement; (b) a person found to have committed a sexually violent offense as a juvenile is about to be released from total confinement; (c) a person who has been charged with a sexually violent offense and who has been determined to be incompetent to stand trial is about to be released, or has been released, pursuant to RCW 10.77.086(4); (d) a person who has been found not guilty by reason of insanity of a sexually violent offense is about to be released, or has been released, pursuant to RCW \*10.77.020(3), 10.77.110 (1) or (3), or 10.77.150; or (e) a person who at any time previously has been convicted of a sexually violent offense and has since been released from total confinement and has committed a recent overt act.

(2) The petition may be filed by:

(a) The prosecuting attorney of a county in which:

(i) The person has been charged or convicted with a sexually violent offense;

(ii) A recent overt act occurred involving a person covered under subsection (1)(e) of this section; or

(iii) The person committed a recent overt act, or was charged or convicted of a criminal offense that would qualify as a recent overt act, if the only sexually violent offense charge or conviction occurred in a jurisdiction other than Washington; or

(b) The attorney general, if requested by the county prosecuting attorney identified in (a) of this subsection. **71.09.040 Sexually violent predator petition—Probable cause hearing—Judicial determination—Transfer to total confinement facility upon probable cause determination.** (1) Upon the filing of a petition under RCW 71.09.030, the judge shall determine whether probable cause exists to believe that the person named in the petition is a sexually violent predator. If such determination is made the

judge shall direct that the person be taken into custody and notify the office of public defense of the potential need for representation.

(2) Within seventy-two hours after a person is taken into custody pursuant to subsection (1) of this section, the court shall provide the person with notice of, and an opportunity to appear in person at, a hearing to contest probable cause as to whether the person is a sexually violent predator. In order to assist the person at the hearing, within twenty-four hours of service of the petition, the prosecuting agency shall provide to the person or his or her counsel a copy of all materials provided to the prosecuting agency by the referring agency pursuant to RCW 71.09.025, or obtained by the prosecuting agency pursuant to RCW 71.09.025(1) (c) and (d). At this hearing, the court shall (a) verify the person's identity, and (b) determine whether probable cause exists to believe that the person is a sexually violent predator. At the probable cause hearing, the state may rely upon the petition and certification for determination of probable cause filed pursuant to RCW 71.09.030. The state may supplement this with additional documentary evidence or live testimony. The person may be held in total confinement at the county jail until the trial court renders a decision after the conclusion of the seventy-two hour probable cause hearing. The county shall be entitled to reimbursement for the cost of housing and transporting the person pursuant to rules adopted by the secretary.

(3) At the probable cause hearing, the person shall have the following rights in addition to the rights previously specified: (a) To be represented by counsel, and if the person is indigent as defined in RCW 10.101.010, to have office of public defense contracted counsel appointed as provided in RCW 10.101.020; (b) to present evidence on his or her behalf; (c) to cross-examine witnesses who testify against him or her; (d) to view and copy all petitions and reports in the court file. The court must permit a witness called by either party to testify by telephone. Because this is a special proceeding, discovery pursuant to the civil rules shall not occur until after the hearing has been held and the court has issued its decision.

(4) If the probable cause determination is made, the judge shall direct that the person be transferred to the custody of the department of social and health services for placement in a total confinement facility operated by the department. In no event shall the person be released from confinement prior to trial. [2012 c 257 § 4; 2009 c 409 § 4; 2001 c 286 § 6; 1995 c 216 § 4; 1990 c 3 § 1004.]

**71.09.045 Indigent defense services—Activities beyond the scope of representation by the office of public defense.** The following activities, unless provided as part of investigation and preparation for any hearing or trial under this chapter, are beyond the scope of representation of an attorney under contract with the office of public defense pursuant to chapter 2.70 RCW for the purposes of providing indigent defense services in sexually violent predator civil commitment proceedings:

(1) Investigation or legal representation challenging the conditions of confinement at the special commitment center or any secure community transition facility;

(2) Investigation or legal representation for making requests under the public records act, chapter 42.56 RCW;

(3) Legal representation or advice regarding filing a grievance with the department as part of its grievance policy or procedure;

(4) Such other activities as may be excluded by policy or contract with the office of public defense. [2012 c 257 § 8.]

**Effective date—2012 c 257:** See note following RCW 2.70.020.

**71.09.050 Trial—Rights of parties.** (1) Within forty-five days after the completion of any hearing held pursuant to RCW 71.09.040, the court shall conduct a trial to determine whether the person is a sexually violent predator. The trial may be continued upon the request of either party and a showing of good cause, or by the court on its own motion in the due administration of justice, and when the respondent will not be substantially prejudiced. The prosecuting agency shall have a right to a current evaluation of the person by experts chosen by the state. The judge may require the person to complete any or all of the following procedures or tests if requested by the evaluator: (a) A clinical interview; (b) psychological testing; (c) plethysmograph testing; and (d) polygraph testing. The judge may order the person to complete any other procedures and tests relevant to the evaluation. The state is responsible for the costs of the evaluation. At all stages of the proceedings under this chapter, any person subject to this chapter shall be entitled to the assistance of counsel, and if the person is indigent as defined in RCW 10.101.010, the court, as provided in RCW 10.101.020, shall appoint office of public defense contracted counsel to assist him or her. The person shall be confined in a secure facility for the duration of the trial.

(2) Whenever any indigent person is subjected to an evaluation under this chapter, the office of public defense is responsible for the cost of one expert or professional person to conduct an evaluation on the person's behalf. When the person wishes to be evaluated by a qualified expert or professional person of his or her own choice, the expert or professional person must be permitted to have reasonable access to the person for the purpose of such evaluation, as well as to all relevant medical and psychological records and reports. In the case of a person who is indigent, the court shall, upon the person's request, assist the person in obtaining an expert or professional person to perform an evaluation or participate in the trial on the person's behalf. Nothing in this chapter precludes the person from paying for additional expert services at his or her own expense.

(3) The person, the prosecuting agency, or the judge shall have the right to demand that the trial be before a twelve-person jury. If no demand is made, the trial shall be before the court. [2012 c 257 § 5; 2010 1st sp.s. c 28 § 1; 2009 c 409 § 5; 1995 c 216 § 5; 1990 c 3 § 1005.]

**Effective date—2012 c 257:** See note following RCW 2.70.020.

**Application—Effective date—2009 c 409:** See notes following RCW 71.09.020.

**71.09.055 Expert evaluations of indigent persons—Costs.** (1) The office of public defense is responsible for the

cost of one expert or professional person conducting an evaluation on an indigent person's behalf as provided in RCW 71.09.050, 71.09.070, or 71.09.090.

(2) Expert evaluations are capped at ten thousand dollars, to include all professional fees, travel, per diem, and other costs. Partial evaluations are capped at five thousand five hundred dollars and expert services apart from an evaluation, exclusive of testimony at trial or depositions, are capped at six thousand dollars.

(3) The office of public defense will pay for the costs related to the evaluation of an indigent person by an additional examiner or in excess of the stated fee caps only upon a finding by the superior court that such appointment or extraordinary fees are for good cause. [2012 c 257 § 9.]

**Effective date—2012 c 257:** See note following RCW 2.70.020.

**71.09.060 Trial—Determination—Commitment procedures.** (1) The court or jury shall determine whether, beyond a reasonable doubt, the person is a sexually violent predator. In determining whether or not the person would be likely to engage in predatory acts of sexual violence if not confined in a secure facility, the fact finder may consider only placement conditions and voluntary treatment options that would exist for the person if unconditionally released from detention on the sexually violent predator petition. The community protection program under RCW 71A.12.230 may not be considered as a placement condition or treatment option available to the person if unconditionally released from detention on a sexually violent predator petition. When the determination is made by a jury, the verdict must be unanimous.

If, on the date that the petition is filed, the person was living in the community after release from custody, the state must also prove beyond a reasonable doubt that the person had committed a recent overt act. If the state alleges that the prior sexually violent offense that forms the basis for the petition for commitment was an act that was sexually motivated as provided in \*RCW 71.09.020(15)(c), the state must prove beyond a reasonable doubt that the alleged sexually violent act was sexually motivated as defined in RCW 9.94A.030.

If the court or jury determines that the person is a sexually violent predator, the person shall be committed to the custody of the department of social and health services for placement in a secure facility operated by the department of social and health services for control, care, and treatment until such time as: (a) The person's condition has so changed that the person no longer meets the definition of a sexually violent predator; or (b) conditional release to a less restrictive alternative as set forth in RCW 71.09.092 is in the best interest of the person and conditions can be imposed that would adequately protect the community.

If the court or unanimous jury decides that the state has not met its burden of proving that the person is a sexually violent predator, the court shall direct the person's release.

If the jury is unable to reach a unanimous verdict, the court shall declare a mistrial and set a retrial within forty-five days of the date of the mistrial unless the prosecuting agency earlier moves to dismiss the petition. The retrial may be continued upon the request of either party accompanied by a showing of good cause, or by the court on its own motion in the due administration of justice provided that the respondent

will not be substantially prejudiced. In no event may the person be released from confinement prior to retrial or dismissal of the case.

(2) If the person charged with a sexually violent offense has been found incompetent to stand trial, and is about to be or has been released pursuant to RCW 10.77.086(4), and his or her commitment is sought pursuant to subsection (1) of this section, the court shall first hear evidence and determine whether the person did commit the act or acts charged if the court did not enter a finding prior to dismissal under RCW 10.77.086(4) that the person committed the act or acts charged. The hearing on this issue must comply with all the procedures specified in this section. In addition, the rules of evidence applicable in criminal cases shall apply, and all constitutional rights available to defendants at criminal trials, other than the right not to be tried while incompetent, shall apply. After hearing evidence on this issue, the court shall make specific findings on whether the person did commit the act or acts charged, the extent to which the person's incompetence or developmental disability affected the outcome of the hearing, including its effect on the person's ability to consult with and assist counsel and to testify on his or her own behalf, the extent to which the evidence could be reconstructed without the assistance of the person, and the strength of the prosecution's case. If, after the conclusion of the hearing on this issue, the court finds, beyond a reasonable doubt, that the person did commit the act or acts charged, it shall enter a final order, appealable by the person, on that issue, and may proceed to consider whether the person should be committed pursuant to this section.

(3) Except as otherwise provided in this chapter, the state shall comply with RCW 10.77.220 while confining the person. During all court proceedings where the person is present, the person shall be detained in a secure facility. If the proceedings last more than one day, the person may be held in the county jail for the duration of the proceedings, except the person may be returned to the department's custody on weekends and court holidays if the court deems such a transfer feasible. The county shall be entitled to reimbursement for the cost of housing and transporting the person pursuant to rules adopted by the secretary. The department shall not place the person, even temporarily, in a facility on the grounds of any state mental facility or regional habilitation center because these institutions are insufficiently secure for this population.

(4) A court has jurisdiction to order a less restrictive alternative placement only after a hearing ordered pursuant to RCW 71.09.090 following initial commitment under this section and in accord with the provisions of this chapter. [2009 c 409 § 6; 2008 c 213 § 13; 2006 c 303 § 11; 2001 c 286 § 7; 1998 c 146 § 1; 1995 c 216 § 6; 1990 1st ex.s. c 12 § 4; 1990 c 3 § 1006.]

**\*Reviser's note:** RCW 71.09.020 was amended by 2009 c 409 § 1, changing subsection (15) to subsection (17).

**Application—Effective date—2009 c 409:** See notes following RCW 71.09.020.

**71.09.070 Annual examinations of persons committed under chapter—Suspension of section.** (1) Each person committed under this chapter shall have a current exami-

nation of his or her mental condition made by the department of social and health services at least once every year. The annual report shall include consideration of whether the committed person currently meets the definition of a sexually violent predator and whether conditional release to a less restrictive alternative is in the best interest of the person and conditions can be imposed that would adequately protect the community. The department of social and health services shall file this periodic report with the court that committed the person under this chapter. The report shall be in the form of a declaration or certification in compliance with the requirements of RCW 9A.72.085 and shall be prepared by a professionally qualified person as defined by rules adopted by the secretary. A copy of the report shall be served on the prosecuting agency involved in the initial commitment and upon the committed person and his or her counsel. The committed person may retain, or if he or she is indigent and so requests, the court may appoint a qualified expert or a professional person to examine him or her, and such expert or professional person shall have access to all records concerning the person.

(2) During any period of confinement pursuant to a criminal conviction, or for any period of detention awaiting trial on criminal charges, this section is suspended. Upon the return of the person committed under this chapter to the custody of the department, the department shall initiate an examination of the person's mental condition. The examination must comply with the requirements of subsection (1) of this section. [2011 2nd sp.s. c 7 § 1; 2001 c 286 § 8; 1995 c 216 § 7; 1990 c 3 § 1007.]

**Effective date—2011 2nd sp.s. c 7:** "This act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and takes effect immediately [December 20, 2011]." [2011 2nd sp.s. c 7 § 3.]

**71.09.080 Rights of persons committed under this chapter—Use of personal computers regulated.** (1) Any person subjected to restricted liberty as a sexually violent predator pursuant to this chapter shall not forfeit any legal right or suffer any legal disability as a consequence of any actions taken or orders made, other than as specifically provided in this chapter, or as otherwise authorized by law.

(2)(a) Any person committed or detained pursuant to this chapter shall be prohibited from possessing or accessing a personal computer if the resident's individualized treatment plan states that access to a computer is harmful to bringing about a positive response to a specific and certain phase or course of treatment.

(b) A person who is prohibited from possessing or accessing a personal computer under (a) of this subsection shall be permitted to access a limited functioning personal computer capable of word processing and limited data storage on the computer only that does not have: (i) Internet access capability; (ii) an optical drive, external drive, universal serial bus port, or similar drive capability; or (iii) the capability to display photographs, images, videos, or motion pictures, or similar display capability from any drive or port capability listed under (b)(ii) of this subsection.

(3) Any person committed pursuant to this chapter has the right to adequate care and individualized treatment. The

department of social and health services shall keep records detailing all medical, expert, and professional care and treatment received by a committed person, and shall keep copies of all reports of periodic examinations made pursuant to this chapter. All such records and reports shall be made available upon request only to: The committed person, his or her attorney, the prosecuting agency, the court, the protection and advocacy agency, or another expert or professional person who, upon proper showing, demonstrates a need for access to such records.

(4) At the time a person is taken into custody or transferred into a facility pursuant to a petition under this chapter, the professional person in charge of such facility or his or her designee shall take reasonable precautions to inventory and safeguard the personal property of the persons detained or transferred. A copy of the inventory, signed by the staff member making it, shall be given to the person detained and shall, in addition, be open to inspection to any responsible relative, subject to limitations, if any, specifically imposed by the detained person. For purposes of this subsection, "responsible relative" includes the guardian, conservator, attorney, spouse, parent, adult child, or adult brother or sister of the person. The facility shall not disclose the contents of the inventory to any other person without consent of the patient or order of the court.

(5) Nothing in this chapter prohibits a person presently committed from exercising a right presently available to him or her for the purpose of obtaining release from confinement, including the right to petition for a writ of habeas corpus.

(6) No indigent person may be conditionally released or unconditionally discharged under this chapter without suitable clothing, and the secretary shall furnish the person with such sum of money as is required by RCW 72.02.100 for persons without ample funds who are released from correctional institutions. As funds are available, the secretary may provide payment to the indigent persons conditionally released pursuant to this chapter consistent with the optional provisions of RCW 72.02.100 and 72.02.110, and may adopt rules to do so.

(7) If a civil commitment petition is dismissed, or a trier of fact determines that a person does not meet civil commitment criteria, the person shall be released within twenty-four hours of service of the release order on the superintendent of the special commitment center, or later by agreement of the person who is the subject of the petition. [2012 c 257 § 6; 2010 c 218 § 2; 2009 c 409 § 7; 1995 c 216 § 8; 1990 c 3 § 1008.]

**Effective date—2012 c 257:** See note following RCW 2.70.020.

**Findings—2010 c 218:** "The legislature finds that there have been ongoing, egregious examples of certain residents of the special commitment center having illegal child pornography, other prohibited pornography, and other banned materials on their computers. The legislature also finds that activities at the special commitment center must be designed and implemented to meet the treatment goals of the special commitment center, and proper and appropriate computer usage is one such activity. The legislature also finds that by linking computer usage to treatment plans, residents are less likely to have prohibited materials on their computers and are more likely to successfully complete their treatment plans. Therefore, the legislature finds that residents' computer usage in compliance with conditions placed on computer usage is essential to achieving their therapeutic goals. If residents' usage of computers is not in compliance or is not related to meeting their treatment goals, computer usage will be limited in order to prevent or reduce residents' access to prohibited materials." [2010 c 218 § 1.]

**Application—Effective date—2009 c 409:** See notes following RCW 71.09.020.

**71.09.085 Medical care—Contracts for services.** (1) Notwithstanding any other provisions of law, the secretary may enter into contracts with health care practitioners, health care facilities, and other entities or agents as may be necessary to provide basic medical care to residents. The contracts shall not cause the termination of classified employees of the department rendering the services at the time the contract is executed.

(2) In contracting for services, the secretary is authorized to provide for indemnification of health care practitioners who cannot obtain professional liability insurance through reasonable effort, from liability on any action, claim, or proceeding instituted against them arising out of the good faith performance or failure of performance of services on behalf of the department. The contracts may provide that for the purposes of chapter 4.92 RCW only, those health care practitioners with whom the department has contracted shall be considered state employees. [2002 c 58 § 1.]

**Effective date—2002 c 58:** "This act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and takes effect immediately [March 21, 2002]." [2002 c 58 § 3.]

**71.09.090 Petition for conditional release to less restrictive alternative or unconditional discharge—Procedures—Suspension of section.** (1) If the secretary determines that the person's condition has so changed that either: (a) The person no longer meets the definition of a sexually violent predator; or (b) conditional release to a less restrictive alternative is in the best interest of the person and conditions can be imposed that adequately protect the community, the secretary shall authorize the person to petition the court for conditional release to a less restrictive alternative or unconditional discharge. The petition shall be filed with the court and served upon the prosecuting agency responsible for the initial commitment. The court, upon receipt of the petition for conditional release to a less restrictive alternative or unconditional discharge, shall within forty-five days order a hearing.

(2)(a) Nothing contained in this chapter shall prohibit the person from otherwise petitioning the court for conditional release to a less restrictive alternative or unconditional discharge without the secretary's approval. The secretary shall provide the committed person with an annual written notice of the person's right to petition the court for conditional release to a less restrictive alternative or unconditional discharge over the secretary's objection. The notice shall contain a waiver of rights. The secretary shall file the notice and waiver form and the annual report with the court. If the person does not affirmatively waive the right to petition, the court shall set a show cause hearing to determine whether probable cause exists to warrant a hearing on whether the person's condition has so changed that: (i) He or she no longer meets the definition of a sexually violent predator; or (ii) conditional release to a proposed less restrictive alternative would be in the best interest of the person and conditions can be imposed that would adequately protect the community.

(b) The committed person shall have a right to have an attorney represent him or her at the show cause hearing, which may be conducted solely on the basis of affidavits or

declarations, but the person is not entitled to be present at the show cause hearing. At the show cause hearing, the prosecuting agency shall present prima facie evidence establishing that the committed person continues to meet the definition of a sexually violent predator and that a less restrictive alternative is not in the best interest of the person and conditions cannot be imposed that adequately protect the community. In making this showing, the state may rely exclusively upon the annual report prepared pursuant to RCW 71.09.070. The committed person may present responsive affidavits or declarations to which the state may reply.

(c) If the court at the show cause hearing determines that either: (i) The state has failed to present prima facie evidence that the committed person continues to meet the definition of a sexually violent predator and that no proposed less restrictive alternative is in the best interest of the person and conditions cannot be imposed that would adequately protect the community; or (ii) probable cause exists to believe that the person's condition has so changed that: (A) The person no longer meets the definition of a sexually violent predator; or (B) release to a proposed less restrictive alternative would be in the best interest of the person and conditions can be imposed that would adequately protect the community, then the court shall set a hearing on either or both issues.

(d) If the court has not previously considered the issue of release to a less restrictive alternative, either through a trial on the merits or through the procedures set forth in RCW 71.09.094(1), the court shall consider whether release to a less restrictive alternative would be in the best interests of the person and conditions can be imposed that would adequately protect the community, without considering whether the person's condition has changed. The court may not find probable cause for a trial addressing less restrictive alternatives unless a proposed less restrictive alternative placement meeting the conditions of RCW 71.09.092 is presented to the court at the show cause hearing.

(3)(a) At the hearing resulting from subsection (1) or (2) of this section, the committed person shall be entitled to be present and to the benefit of all constitutional protections that were afforded to the person at the initial commitment proceeding. The prosecuting agency shall represent the state and shall have a right to a jury trial and to have the committed person evaluated by experts chosen by the state. The prosecuting agency shall have a right to a current evaluation of the person by experts chosen by the state. The judge may require the person to complete any or all of the following procedures or tests if requested by the evaluator: (i) A clinical interview; (ii) psychological testing; (iii) plethysmograph testing; and (iv) polygraph testing. The judge may order the person to complete any other procedures and tests relevant to the evaluation. The state is responsible for the costs of the evaluation. The committed person shall also have the right to a jury trial and the right to have experts evaluate him or her on his or her behalf and the court shall appoint an expert if the person is indigent and requests an appointment.

(b) Whenever any indigent person is subjected to an evaluation under (a) of this subsection, the office of public defense is responsible for the cost of one expert or professional person conducting an evaluation on the person's behalf. When the person wishes to be evaluated by a qualified expert or professional person of his or her own choice,

such expert or professional person must be permitted to have reasonable access to the person for the purpose of such evaluation, as well as to all relevant medical and psychological records and reports. In the case of a person who is indigent, the court shall, upon the person's request, assist the person in obtaining an expert or professional person to perform an evaluation or participate in the hearing on the person's behalf. Nothing in this chapter precludes the person from paying for additional expert services at his or her own expense.

(c) If the issue at the hearing is whether the person should be unconditionally discharged, the burden of proof shall be upon the state to prove beyond a reasonable doubt that the committed person's condition remains such that the person continues to meet the definition of a sexually violent predator. Evidence of the prior commitment trial and disposition is admissible. The recommitment proceeding shall otherwise proceed as set forth in RCW 71.09.050 and 71.09.060.

(d) If the issue at the hearing is whether the person should be conditionally released to a less restrictive alternative, the burden of proof at the hearing shall be upon the state to prove beyond a reasonable doubt that conditional release to any proposed less restrictive alternative either: (i) Is not in the best interest of the committed person; or (ii) does not include conditions that would adequately protect the community. Evidence of the prior commitment trial and disposition is admissible.

(4)(a) Probable cause exists to believe that a person's condition has "so changed," under subsection (2) of this section, only when evidence exists, since the person's last commitment trial, or less restrictive alternative revocation proceeding, of a substantial change in the person's physical or mental condition such that the person either no longer meets the definition of a sexually violent predator or that a conditional release to a less restrictive alternative is in the person's best interest and conditions can be imposed to adequately protect the community.

(b) A new trial proceeding under subsection (3) of this section may be ordered, or a trial proceeding may be held, only when there is current evidence from a licensed professional of one of the following and the evidence presents a change in condition since the person's last commitment trial proceeding:

(i) An identified physiological change to the person, such as paralysis, stroke, or dementia, that renders the committed person unable to commit a sexually violent act and this change is permanent; or

(ii) A change in the person's mental condition brought about through positive response to continuing participation in treatment which indicates that the person meets the standard for conditional release to a less restrictive alternative or that the person would be safe to be at large if unconditionally released from commitment.

(c) For purposes of this section, a change in a single demographic factor, without more, does not establish probable cause for a new trial proceeding under subsection (3) of this section. As used in this section, a single demographic factor includes, but is not limited to, a change in the chronological age, marital status, or gender of the committed person.

(5) The jurisdiction of the court over a person civilly committed pursuant to this chapter continues until such time as the person is unconditionally discharged.

(6) During any period of confinement pursuant to a criminal conviction, or for any period of detention awaiting trial on criminal charges, this section is suspended. **Effective date—2011 2nd sp.s. c 7:** See note following RCW 71.09.070.

**Application—Effective date—2009 c 409:** See notes following RCW 71.09.020.

**Findings—Intent—2005 c 344:** "The legislature finds that the decisions in *In re Young*, 120 Wn. App. 753, *review denied*, 152 Wn.2d 1007 (2004) and *In re Ward*, 125 Wn. App. 381 (2005) illustrate an unintended consequence of language in chapter 71.09 RCW.

The *Young* and *Ward* decisions are contrary to the legislature's intent set forth in RCW 71.09.010 that civil commitment pursuant to chapter 71.09 RCW address the "very long-term" needs of the sexually violent predator population for treatment and the equally long-term needs of the community for protection from these offenders. The legislature finds that the mental abnormalities and personality disorders that make a person subject to commitment under chapter 71.09 RCW are severe and chronic and do not remit due solely to advancing age or changes in other demographic factors.

The legislature finds, although severe medical conditions like stroke, paralysis, and some types of dementia can leave a person unable to commit further sexually violent acts, that a mere advance in age or a change in gender or some other demographic factor after the time of commitment does not merit a new trial proceeding under RCW 71.09.090. To the contrary, the legislature finds that a new trial ordered under the circumstances set forth in *Young* and *Ward* subverts the statutory focus on treatment and reduces community safety by removing all incentive for successful treatment participation in favor of passive aging and distracting committed persons from fully engaging in sex offender treatment.

The *Young* and *Ward* decisions are contrary to the legislature's intent that the risk posed by persons committed under chapter 71.09 RCW will generally require prolonged treatment in a secure facility followed by intensive community supervision in the cases where positive treatment gains are sufficient for community safety. The legislature has, under the guidance of the federal court, provided avenues through which committed persons who successfully progress in treatment will be supported by the state in a conditional release to a less restrictive alternative that is in the best interest of the committed person and provides adequate safeguards to the community and is the appropriate next step in the person's treatment.

The legislature also finds that, in some cases, a committed person may appropriately challenge whether he or she continues to meet the criteria for commitment. Because of this, the legislature enacted RCW 71.09.070 and 71.09.090, requiring a regular review of a committed person's status and permitting the person the opportunity to present evidence of a relevant change in condition from the time of the last commitment trial proceeding. These provisions are intended only to provide a method of revisiting the indefinite commitment due to a relevant change in the person's condition, not an alternate method of collaterally attacking a person's indefinite commitment for reasons unrelated to a change in condition. Where necessary, other existing statutes and court rules provide ample opportunity to resolve any concerns about prior commitment trials. Therefore, the legislature intends to clarify the "so changed" standard." [2005 c 344 § 1.]

**Severability—2005 c 344:** "If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected." [2005 c 344 § 3.]

**Effective date—2005 c 344:** "This act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and takes effect immediately [May 9, 2005]." [2005 c 344 § 4.]

**71.09.092 Conditional release to less restrictive alternative—Findings.** Before the court may enter an order directing conditional release to a less restrictive alternative, it must find the following: (1) The person will be treated by a treatment provider who is qualified to provide such treatment in the state of Washington under chapter 18.155 RCW; (2) the treatment provider has presented a specific course of treatment and has agreed to assume responsibility for such treatment and will report progress to the court on a regular basis, and will report violations immediately to the court, the prosecutor, the supervising community corrections officer, and the superintendent of the special commitment center; (3) housing exists in Washington that is sufficiently secure to protect the community, and the person or agency providing housing to the conditionally released person has agreed in writing to accept the person, to provide the level of security required by the court, and immediately to report to the court, the prosecutor, the supervising community corrections officer, and the superintendent of the special commitment center if the person leaves the housing to which he or she has been assigned without authorization; (4) the person is willing to comply with the treatment provider and all requirements imposed by the treatment provider and by the court; and (5) the person will be under the supervision of the department of corrections and is willing to comply with supervision requirements imposed by the department of corrections. [2009 c 409 § 9; 1995 c 216 § 10.]

**Application—Effective date—2009 c 409:** See notes following RCW 71.09.020.

**71.09.094 Conditional release to less restrictive alternative—Verdict.** (1) Upon the conclusion of the evidence in a hearing held pursuant to RCW 71.09.090 or through summary judgment proceedings prior to such a hearing, if the court finds that there is no legally sufficient evidentiary basis for a reasonable jury to find that the conditions set forth in RCW 71.09.092 have been met, the court shall grant a motion by the state for a judgment as a matter of law on the issue of conditional release to a less restrictive alternative.

(2) Whenever the issue of conditional release to a less restrictive alternative is submitted to the jury, the court shall instruct the jury to return a verdict in substantially the following form: Has the state proved beyond a reasonable doubt that either: (a) The proposed less restrictive alternative is not in the best interests of respondent; or (b) does not include conditions that would adequately protect the community? Answer: Yes or No. [2001 c 286 § 11; 1995 c 216 § 11.]

**71.09.096 Conditional release to less restrictive alternative—Judgment—Conditions—Annual review.** (1) If the court or jury determines that conditional release to a less restrictive alternative is in the best interest of the person and includes conditions that would adequately protect the community, and the court determines that the minimum conditions set forth in RCW 71.09.092 and in this section are met, the court shall enter judgment and direct a conditional release.

(2) The court shall impose any additional conditions necessary to ensure compliance with treatment and to protect the community. If the court finds that conditions do not exist that

(2012 Ed.)

will both ensure the person's compliance with treatment and protect the community, then the person shall be remanded to the custody of the department of social and health services for control, care, and treatment in a secure facility as designated in RCW 71.09.060(1).

(3) If the service provider designated by the court to provide inpatient or outpatient treatment or to monitor or supervise any other terms and conditions of a person's placement in a less restrictive alternative is other than the department of social and health services or the department of corrections, then the service provider so designated must agree in writing to provide such treatment, monitoring, or supervision in accord with this section. Any person providing or agreeing to provide treatment, monitoring, or supervision services pursuant to this chapter may be compelled to testify and any privilege with regard to such person's testimony is deemed waived.

(4) Prior to authorizing any release to a less restrictive alternative, the court shall impose such conditions upon the person as are necessary to ensure the safety of the community. The court shall order the department of corrections to investigate the less restrictive alternative and recommend any additional conditions to the court. These conditions shall include, but are not limited to the following: Specification of residence, prohibition of contact with potential or past victims, prohibition of alcohol and other drug use, participation in a specific course of inpatient or outpatient treatment that may include monitoring by the use of polygraph and plethysmograph, monitoring through the use of global positioning satellite technology, supervision by a department of corrections community corrections officer, a requirement that the person remain within the state unless the person receives prior authorization by the court, and any other conditions that the court determines are in the best interest of the person or others. A copy of the conditions of release shall be given to the person and to any designated service providers.

(5) Any service provider designated to provide inpatient or outpatient treatment shall monthly, or as otherwise directed by the court, submit to the court, to the department of social and health services facility from which the person was released, to the prosecuting agency, and to the supervising community corrections officer, a report stating whether the person is complying with the terms and conditions of the conditional release to a less restrictive alternative.

(6) Each person released to a less restrictive alternative shall have his or her case reviewed by the court that released him or her no later than one year after such release and annually thereafter until the person is unconditionally discharged. Review may occur in a shorter time or more frequently, if the court, in its discretion on its own motion, or on motion of the person, the secretary, or the prosecuting agency so determines. The sole question to be determined by the court is whether the person shall continue to be conditionally released to a less restrictive alternative. The court in making its determination shall be aided by the periodic reports filed pursuant to subsection (5) of this section and the opinions of the secretary and other experts or professional persons. [2009 c 409 § 10; 2001 c 286 § 12; 1995 c 216 § 12.]

**71.09.098 Revoking or modifying terms of conditional release to less restrictive alternative—Hearing—Custody pending hearing on revocation or modification.**

(1) Any service provider submitting reports pursuant to RCW 71.09.096(6), the supervising community corrections officer, the prosecuting agency, or the secretary's designee may petition the court for an immediate hearing for the purpose of revoking or modifying the terms of the person's conditional release to a less restrictive alternative if the petitioner believes the released person: (a) Violated or is in violation of the terms and conditions of the court's conditional release order; or (b) is in need of additional care, monitoring, supervision, or treatment.

(2) The community corrections officer or the secretary's designee may restrict the person's movement in the community until the petition is determined by the court. The person may be taken into custody if:

(a) The supervising community corrections officer, the secretary's designee, or a law enforcement officer reasonably believes the person has violated or is in violation of the court's conditional release order; or

(b) The supervising community corrections officer or the secretary's designee reasonably believes that the person is in need of additional care, monitoring, supervision, or treatment because the person presents a danger to himself or herself or others if his or her conditional release under the conditions imposed by the court's release order continues.

(3)(a) Persons taken into custody pursuant to subsection (2) of this section shall:

(i) Not be released until such time as a hearing is held to determine whether to revoke or modify the person's conditional release order and the court has issued its decision; and

(ii) Be held in the county jail, at a secure community transition facility, or at the total confinement facility, at the discretion of the secretary's designee.

(b) The court shall be notified before the close of the next judicial day that the person has been taken into custody and shall promptly schedule a hearing.

(4) Before any hearing to revoke or modify the person's conditional release order, both the prosecuting agency and the released person shall have the right to request an immediate mental examination of the released person. If the conditionally released person is indigent, the court shall, upon request, assist him or her in obtaining a qualified expert or professional person to conduct the examination.

(5) At any hearing to revoke or modify the conditional release order:

(a) The prosecuting agency shall represent the state, including determining whether to proceed with revocation or modification of the conditional release order;

(b) Hearsay evidence is admissible if the court finds that it is otherwise reliable; and

(c) The state shall bear the burden of proving by a preponderance of the evidence that the person has violated or is in violation of the court's conditional release order or that the person is in need of additional care, monitoring, supervision, or treatment.

(6)(a) If the court determines that the state has met its burden referenced in subsection (5)(c) of this section, and the issue before the court is revocation of the court's conditional release order, the court shall consider the evidence presented

by the parties and the following factors relevant to whether continuing the person's conditional release is in the person's best interests or adequate to protect the community:

(i) The nature of the condition that was violated by the person or that the person was in violation of in the context of the person's criminal history and underlying mental conditions;

(ii) The degree to which the violation was intentional or grossly negligent;

(iii) The ability and willingness of the released person to strictly comply with the conditional release order;

(iv) The degree of progress made by the person in community-based treatment; and

(v) The risk to the public or particular persons if the conditional release continues under the conditional release order that was violated.

(b) Any factor alone, or in combination, shall support the court's determination to revoke the conditional release order.

(7) If the court determines the state has met its burden referenced in subsection (5)(c) of this section, and the issue before the court is modification of the court's conditional release order, the court shall modify the conditional release order by adding conditions if the court determines that the person is in need of additional care, monitoring, supervision, or treatment. The court has authority to modify its conditional release order by substituting a new treatment provider, requiring new housing for the person, or imposing such additional supervision conditions as the court deems appropriate.

(8) A person whose conditional release has been revoked shall be remanded to the custody of the secretary for control, care, and treatment in a total confinement facility as designated in RCW 71.09.060(1). The person is thereafter eligible for conditional release only in accord with the provisions of RCW 71.09.090 and related statutes. [2009 c 409 § 11; 2006 c 282 § 1; 2001 c 286 § 13; 1995 c 216 § 13.]

Any conditional release order shall be immediately revoked upon conviction for a criminal offense.

**Application—Effective date—2009 c 409:** See notes following RCW 71.09.020.

**71.09.115 Record check required for employees of secure facility.** (1) The safety and security needs of the secure facility operated by the department of social and health services pursuant to RCW 71.09.060(1) make it vital that employees working in the facility meet necessary character, suitability, and competency qualifications. The secretary shall require a record check through the Washington state patrol criminal identification system under chapter 10.97 RCW and through the federal bureau of investigation. The record check must include a fingerprint check using a complete Washington state criminal identification fingerprint card. The criminal history record checks shall be at the expense of the department. The secretary shall use the information only in making the initial employment or engagement decision, except as provided in subsection (2) of this section. Further dissemination or use of the record is prohibited.

(2) This section applies to all current employees hired prior to June 6, 1996, who have not previously submitted to a department of social and health services criminal history records check. The secretary shall use the information only in determining whether the current employee meets the necessary character, suitability, and competency requirements for employment or engagement. [1996 c 27 § 1.]

**71.09.120 Release of information authorized.** (1) In addition to any other information required to be released under this chapter, the department is authorized, pursuant to RCW 4.24.550, to release relevant information that is necessary to protect the public, concerning a specific sexually violent predator committed under this chapter.

(2) The department and the courts are authorized to release to the office of public defense records needed to implement the office's administration of public defense in these cases, including research, reports, and other functions as required by RCW 2.70.020 and 2.70.025. The office of public defense shall maintain the confidentiality of all confidential information included in the records.

(3) The inspection or copying of any nonexempt public record by persons residing in a civil commitment facility for sexually violent predators may be enjoined following proce-

dures identified in RCW 42.56.565. The injunction may be requested by:

- (a) An agency or its representative;
- (b) A person named in the record or his or her representative;
- (c) A person to whom the request specifically pertains or his or her representative. [2012 c 257 § 11; 1990 c 3 § 1012.]

- (a) The chief of police of the city, if any, in which the person will reside or in which placement will be made under a less restrictive alternative;
- (b) The sheriff of the county in which the person will reside or in which placement will be made under a less restrictive alternative; and
- (c) The sheriff of the county where the person was last convicted of a sexually violent offense, if the department does not know where the person will reside.

The department shall notify the state patrol of the release of all sexually violent predators and that information shall be placed in the Washington crime information center for dissemination to all law enforcement.

(2) The same notice as required by subsection (1) of this section shall be sent to the following if such notice has been requested in writing about a specific person found to be a sexually violent predator under this chapter:

- (a) The victim or victims of any sexually violent offenses for which the person was convicted in the past or the victim's next of kin if the crime was a homicide. "Next of kin" as used in this section means a person's spouse, parents, siblings, and children;

If previously requested, the department shall also notify the witnesses and the victims of the sexually violent offenses for which the person was convicted in the past or the victim's next of kin if the crime was a homicide. If the person is recaptured, the department shall send notice to the persons designated in this subsection as soon as possible but in no event later than two working days after the department learns of such recapture.

(4) If the victim or victims of any sexually violent offenses for which the person was convicted in the past or the victim's next of kin, or any witness is under the age of sixteen, the notice required by this section shall be sent to the parents or legal guardian of the child.

(5) The department of social and health services shall send the notices required by this chapter to the last address provided to the department by the requesting party. The requesting party shall furnish the department with a current address.

(6) Nothing in this section shall impose any liability upon a chief of police of a city or sheriff of a county for failing to request in writing a notice as provided in subsection (1) of this section. [2012 c 257 § 12; 1995 c 216 § 17.]

**Effective date—2012 c 257:** See note following RCW 2.70.020.

(1) "Escorted leave" means a leave of absence from a facility housing persons detained or committed pursuant to this chapter under the continuous supervision of an escort.

(2) "Escort" means a correctional officer or other person approved by the superintendent or the superintendent's designee to accompany a resident on a leave of absence and be in visual or auditory contact with the resident at all times.

(3) "Resident" means a person detained or committed pursuant to this chapter. [1995 c 216 § 18.]

**71.09.210 Escorted leave—Conditions.** The superintendent of any facility housing persons detained or committed pursuant to this chapter may, subject to the approval of the secretary, grant escorted leaves of absence to residents confined in such institutions to:

(1) Go to the bedside of the resident's wife, husband, child, mother or father, or other member of the resident's immediate family who is seriously ill;

(2) Attend the funeral of a member of the resident's immediate family listed in subsection (1) of this section; and

(3) Receive necessary medical or dental care which is not available in the institution. [1995 c 216 § 19.]

**71.09.220 Escorted leave—Notice.** A resident shall not be allowed to start a leave of absence under RCW 71.09.210 until the secretary, or the secretary's designee, has notified any county and city law enforcement agency having jurisdiction in the area of the resident's destination. [1995 c 216 § 20.]

**71.09.230 Escorted leave—Rules.** (1) The secretary is authorized to adopt rules providing for the conditions under which residents will be granted leaves of absence and providing for safeguards to prevent escapes while on leaves of absence. Leaves of absence granted to residents under RCW 71.09.210, however, shall not allow or permit any resident to go beyond the boundaries of this state.

(2) The secretary shall adopt rules requiring reimbursement of the state from the resident granted leave of absence, or the resident's family, for the actual costs incurred arising from any leave of absence granted under the authority of RCW 71.09.210 (1) and (2). No state funds shall be expended in connection with leaves of absence granted under RCW 71.09.210 (1) and (2) unless the resident and the resident's immediate family are indigent and without resources sufficient to reimburse the state for the expenses of such leaves of absence. [1995 c 216 § 21.]

**71.09.250 Transition facility—Siting.** (1)(a) The secretary is authorized to site, construct, occupy, and operate (i) a secure community transition facility on McNeil Island for persons authorized to petition for a less restrictive alternative under RCW 71.09.090(1) and who are conditionally released; and (ii) a special commitment center on McNeil Island with up to four hundred four beds as a total confinement facility under this chapter, subject to appropriated funding for those purposes. The secure community transition facility shall be authorized for the number of beds needed to ensure compliance with the orders of the superior courts under this chapter and the federal district court for the western district of Washington. The total number of beds in the secure community transition facility shall be limited to twenty-four, consisting of up to fifteen transitional beds and up to nine pretransitional beds. The residents occupying the transitional beds shall be the only residents eligible for transitional services occurring in Pierce county. In no event shall more than fifteen residents of the secure community transition facility be participating in off-island transitional, educational, or employment activity at the same time in Pierce county. The department shall provide the Pierce county sheriff, or his or her designee, with a list of the fifteen residents so designated, along with their photographs and physical descriptions, and the list shall be immediately updated whenever a residential change occurs. The Pierce county sheriff, or his or her designee, shall be provided an opportunity to confirm the residential status of each resident leaving McNeil Island.

(b) For purposes of this subsection, "transitional beds" means beds only for residents who are judged by a qualified expert to be suitable to leave the island for treatment, education, and employment.

(2)(a) The secretary is authorized to site, either within the secure community transition facility established pursuant to subsection (1)(a)(i) of this section, or within the special commitment center, up to nine pretransitional beds.

(b) Residents assigned to pretransitional beds shall not be permitted to leave McNeil Island for education, employment, treatment, or community activities in Pierce county.

(c) For purposes of this subsection, "pretransitional beds" means beds for residents whose progress toward a less secure residential environment and transition into more complete community involvement is projected to take substantially longer than a typical resident of the special commitment center.

(3) Notwithstanding RCW 36.70A.103 or any other law, this statute preempts and supersedes local plans, development regulations, permitting requirements, inspection requirements, and all other laws as necessary to enable the secretary to site, construct, occupy, and operate a secure community transition facility on McNeil Island and a total confinement facility on McNeil Island.

(4) To the greatest extent possible, until June 30, 2003, persons who were not civilly committed from the county in which the secure community transition facility established pursuant to subsection (1) of this section is located may not be conditionally released to a setting in that same county less restrictive than that facility.

(5) As of June 26, 2001, the state shall immediately cease any efforts in effect on such date to site secure community transition facilities, other than the facility authorized by subsection (1) of this section, and shall instead site such facilities in accordance with the provisions of this section.

(6) The department must:

(a) Identify the minimum and maximum number of secure community transition facility beds in addition to the facility established under subsection (1) of this section that may be necessary for the period of May 2004 through May 2007 and provide notice of these numbers to all counties by August 31, 2001; and

(b) Develop and publish policy guidelines for the siting and operation of secure community transition facilities.

(7)(a) The total number of secure community transition facility beds that may be required to be sited in a county between June 26, 2001, and June 30, 2008, may be no greater than the total number of persons civilly committed from that county, or detained at the special commitment center under a pending civil commitment petition from that county where a finding of probable cause had been made on April 1, 2001. The total number of secure community transition facility beds required to be sited in each county between July 1, 2008, and June 30, 2015, may be no greater than the total number of persons civilly committed from that county or detained at the special commitment center under a pending civil commitment petition from that county where a finding of probable cause had been made as of July 1, 2008.

(b) Counties and cities that provide secure community transition facility beds above the maximum number that they could be required to site under this subsection are eligible for a bonus grant under the incentive provisions in RCW 71.09.255. The county where the special commitment center is located shall receive this bonus grant for the number of beds in the facility established in subsection (1) of this section in excess of the maximum number established by this subsection.

(c) No secure community transition facilities in addition to the one established in subsection (1) of this section may be

(2012 Ed.)

required to be sited in the county where the special commitment center is located until after June 30, 2008, provided however, that the county and its cities may elect to site additional secure community transition facilities and shall be eligible under the incentive provisions of RCW 71.09.255 for any additional facilities meeting the requirements of that section.

(8) In identifying potential sites within a county for the location of a secure community transition facility, the department shall work with and assist local governments to provide for the equitable distribution of such facilities. In coordinating and deciding upon the siting of secure community transition facilities, great weight shall be given by the county and cities within the county to:

(a) The number and location of existing residential facility beds operated by the department of corrections or the mental health division of the department of social and health services in each jurisdiction in the county; and

(b) The number of registered sex offenders classified as level II or level III and the number of sex offenders registered as homeless residing in each jurisdiction in the county.

(9)(a) "Equitable distribution" means siting or locating secure community transition facilities in a manner that will not cause a disproportionate grouping of similar facilities either in any one county, or in any one jurisdiction or community within a county, as relevant; and

(b) "Jurisdiction" means a city, town, or geographic area of a county in which distinct political or judicial authority may be exercised. [2003 c 216 § 3; 2001 2nd sp.s. c 12 § 201.]

**Severability—Effective date—2003 c 216:** See notes following RCW 71.09.300.

**Intent—2001 2nd sp.s. c 12:** "The legislature intends the following omnibus bill to address the management of sex offenders in the civil commitment and criminal justice systems for purposes of public health, safety, and welfare. Provisions address siting of and continued operation of facilities for persons civilly committed under chapter 71.09 RCW and sentencing of persons who have committed sex offenses. Other provisions address the need for sex offender treatment providers with specific credentials. Additional provisions address the continued operation or authorized expansion of criminal justice facilities at McNeil Island, because these facilities are impacted by the civil facilities on McNeil Island for persons committed under chapter 71.09 RCW." **71.09.252 Transition facilities—Agreements for regional facilities.** (1) To encourage economies of scale in the siting and operation of secure community transition facilities, the department may enter into an agreement with two or more counties to create a regional secure community transition facility. The agreement must clearly identify the number of beds from each county that will be contained in the regional secure community transition facility. The agreement must specify which county must contain the regional secure community transition facility and the facility must be sited accordingly. No county may withdraw from an agreement under this section unless it has provided an alternative acceptable secure community transition facility to house any displaced residents that meets the criteria established for such facilities in this chapter and the guidelines established by the department.

(2) A regional secure community transition facility must meet the criteria established for secure community transition

facilities in this chapter and the guidelines established by the department.

(3) The department shall count the beds identified for each participating county in a regional secure community transition facility against the maximum number of beds that could be required for each county under RCW 71.09.250(7)(a).

(4) An agreement for a regional secure community transition facility does not alter the maximum number of beds for purposes of the incentive grants under RCW 71.09.255 for the county containing the regional facility. [2002 c 68 § 18.]

**Purpose—Severability—Effective date—2002 c 68:** See notes following RCW 36.70A.200.

**71.09.255 Transition facilities—Incentive grants and payments.** (1) Upon receiving the notification required by RCW 71.09.250, counties must promptly notify the cities within the county of the maximum number of secure community transition facility beds that may be required and the projected number of beds to be needed in that county.

(2) The incentive grants and payments provided under this section are subject to the following provisions:

(a) Counties and the cities within the county must notify each other of siting plans to promote the establishment and equitable distribution of secure community transition facilities;

(b) Development regulations, ordinances, plans, laws, and criteria established for siting must be consistent with statutory requirements and rules applicable to siting and operating secure community transition facilities;

(c) The minimum size for any facility is three beds; and

(d) The department must approve any sites selected.

(3) Any county or city that makes a commitment to initiate the process to site one or more secure community transition facilities by one hundred twenty days after March 21, 2002, shall receive a planning grant as proposed and approved by the \*department of community, trade, and economic development.

(4) Any county or city that has issued all necessary permits by May 1, 2003, for one or more secure community transition facilities that comply with the requirements of this section shall receive an incentive grant in the amount of fifty thousand dollars for each bed sited.

(5) To encourage the rapid permitting of sites, any county or city that has issued all necessary permits by January 1, 2003, for one or more secure community transition facilities that comply with the requirements of this section shall receive a bonus in the amount of twenty percent of the amount provided under subsection (4) of this section.

(6) Any county or city that establishes secure community transition facility beds in excess of the maximum number that could be required to be sited in that county shall receive a bonus payment of one hundred thousand dollars for each bed established in excess of the maximum requirement.

(7) No payment shall be made under subsection (4), (5), or (6) of this section until all necessary permits have been issued.

(8) The funds available to counties and cities under this section are contingent upon funds being appropriated by the legislature. [2002 c 68 § 8; 2001 2nd sp.s. c 12 § 204.]

**71.09.260 Transition facilities not limited to residential neighborhoods.** The provisions of chapter 12, Laws of 2001 2nd sp. sess. shall not be construed to limit siting of secure community transition facilities to residential neighborhoods. [2001 2nd sp.s. c 12 § 206.]

**Intent—Severability—Effective dates—2001 2nd sp.s. c 12:** See notes following RCW 71.09.250.

**71.09.265 Transition facilities—Distribution of impact.** (1) The department shall make reasonable efforts to distribute the impact of the employment, education, and social services needs of the residents of the secure community transition facility established pursuant to RCW 71.09.250(1) among the adjoining counties and not to concentrate the residents' use of resources in any one community.

(2) The department shall develop policies to ensure that, to the extent possible, placement of persons eligible in the future for conditional release to a setting less restrictive than the facility established pursuant to RCW 71.09.250(1) will be equitably distributed among the counties and within jurisdictions in the county. [2001 2nd sp.s. c 12 § 208.]

**Intent—Severability—Effective dates—2001 2nd sp.s. c 12:** See notes following RCW 71.09.250.

**71.09.275 Transition facility—Transportation of residents.** (1) If the department does not provide a separate vessel for transporting residents of the secure community transition facility established in RCW 71.09.250(1) between McNeil Island and the mainland, the department shall:

(a) Separate residents from minors and vulnerable adults, except vulnerable adults who have been found to be sexually violent predators.

(b) Not transport residents during times when children are normally coming to and from the mainland for school.

(2) The department shall designate a separate waiting area at the points of debarkation, and residents shall be required to remain in this area while awaiting transportation.

(3) The department shall provide law enforcement agencies in the counties and cities in which residents of the secure community transition facility established pursuant to RCW 71.09.250(1)(a)(i) regularly participate in employment, education, or social services, or through which these persons are regularly transported, with a copy of the court's order of conditional release with respect to these persons. **71.09.280 Transition facility—Release to less restrictive placement.** When considering whether a person civilly committed under this chapter and conditionally released to a secure community transition facility is appropriate for release

to a placement that is less restrictive than that facility, the court shall comply with the procedures set forth in RCW 71.09.090 through 71.09.096. In addition, the court shall consider whether the person has progressed in treatment to the point that a significant change in the person's routine, including but not limited to a change of employment, education, residence, or sex offender treatment provider will not cause the person to regress to the point that the person presents a greater risk to the community than can reasonably be addressed in the proposed placement. [2001 2nd sp.s. c 12 § 212.]

**Intent—Severability—Effective dates—2001 2nd sp.s. c 12:** See notes following RCW 71.09.250.

**71.09.285 Transition facility—Siting policy guidelines.** (1) Except with respect to the secure community transition facility established pursuant to RCW 71.09.250, the secretary shall develop policy guidelines that balance the average response time of emergency services to the general area of a proposed secure community transition facility against the proximity of the proposed site to risk potential activities and facilities in existence at the time the site is listed for consideration.

(2) In no case shall the policy guidelines permit location of a facility adjacent to, immediately across a street or parking lot from, or within the line of sight of a risk potential activity or facility in existence at the time a site is listed for consideration. "Within the line of sight" means that it is possible to reasonably visually distinguish and recognize individuals.

(3) The policy guidelines shall require that great weight be given to sites that are the farthest removed from any risk potential activity.

(4) The policy guidelines shall specify how distance from the location is measured and any variations in the measurement based on the size of the property within which a proposed facility is to be located.

(5) The policy guidelines shall establish a method to analyze and compare the criteria for each site in terms of public safety and security, site characteristics, and program components. In making a decision regarding a site following the analysis and comparison, the secretary shall give priority to public safety and security considerations. The analysis and comparison of the criteria are to be documented and made available at the public hearings prescribed in RCW 71.09.315.

(6) Policy guidelines adopted by the secretary under this section shall be considered by counties and cities when providing for the siting of secure community transition facilities as required under RCW 36.70A.200. [2002 c 68 § 5; 2001 2nd sp.s. c 12 § 213.]

**Purpose—Severability—Effective date—2002 c 68:** See notes following RCW 36.70A.200.

**Intent—Severability—Effective dates—2001 2nd sp.s. c 12:** See notes following RCW 71.09.250.

**71.09.290 Other transition facilities—Siting policy guidelines.** The secretary shall establish policy guidelines for the siting of secure community transition facilities, other than the secure community transition facility established pur-

suant to RCW 71.09.250(1)(a)(i), which shall include at least the following minimum requirements:

(1) The following criteria must be considered prior to any real property being listed for consideration for the location of or use as a secure community transition facility:

(a) The proximity and response time criteria established under RCW 71.09.285;

(b) The site or building is available for lease for the anticipated use period or for purchase;

(c) Security monitoring services and appropriate back-up systems are available and reliable;

(d) Appropriate mental health and sex offender treatment providers must be available within a reasonable commute; and

(e) Appropriate permitting for a secure community transition facility must be possible under the zoning code of the local jurisdiction.

(2) For sites which meet the criteria of subsection (1) of this section, the department shall analyze and compare the criteria in subsections (3) through (5) of this section using the method established in RCW 71.09.285.

(3) Public safety and security criteria shall include at least the following:

(a) Whether limited visibility between the facility and adjacent properties can be achieved prior to placement of any person;

(b) The distance from, and number of, risk potential activities and facilities, as measured using the policies adopted under RCW 71.09.285;

(c) The existence of or ability to establish barriers between the site and the risk potential facilities and activities;

(d) Suitability of the buildings to be used for the secure community transition facility with regard to existing or feasibly modified features; and

(e) The availability of electronic monitoring that allows a resident's location to be determined with specificity.

(4) Site characteristics criteria shall include at least the following:

(a) Reasonableness of rental, lease, or sale terms including length and renewability of a lease or rental agreement;

(b) Traffic and access patterns associated with the real property;

(c) Feasibility of complying with zoning requirements within the necessary time frame; and

(d) A contractor or contractors are available to install, monitor, and repair the necessary security and alarm systems.

(5) Program characteristics criteria shall include at least the following:

(a) Reasonable proximity to available medical, mental health, sex offender, and chemical dependency treatment providers and facilities;

(b) Suitability of the location for programming, staffing, and support considerations;

(c) Proximity to employment, educational, vocational, and other treatment plan components.

(6) For purposes of this section "available" or "availability" of qualified treatment providers includes provider qualifications and willingness to provide services, average commute time, and cost of services. [2003 c 216 § 5; 2001 2nd sp.s. c 12 § 214.]

**Intent—Severability—Effective dates—2001 2nd sp.s. c 12:** See notes following RCW 71.09.250.

**71.09.295 Transition facilities—Security systems.** (1) Security systems for all secure community transition facilities shall meet the following minimum qualifications:

(a) The security panel must be a commercial grade panel with tamper-proof switches and a key-lock to prevent unauthorized access.

(b) There must be an emergency electrical supply system which shall include a battery back-up system and a generator.

(c) The system must include personal panic devices for all staff.

(d) The security system must be capable of being monitored and signaled either by telephone through either a land or cellular telephone system or by private radio network in the event of a total dial-tone failure or through equivalent technologies.

(e) The department shall issue photo-identification badges to all staff which must be worn at all times.

(2) Security systems for the secure community transition facility established pursuant to RCW 71.09.250(1) shall also include a fence and provide the maximum protection appropriate in a civil facility for persons in less than total confinement. [2001 2nd sp.s. c 12 § 215.]

**Intent—Severability—Effective dates—2001 2nd sp.s. c 12:** See notes following RCW 71.09.250.

**71.09.300 Transition facilities—Staffing.** Secure community transition facilities shall meet the following minimum staffing requirements:

(1) At any time the census of a facility is six or fewer residents, all staff shall be classified as residential rehabilitation counselor II or have a classification that indicates an equivalent or higher level of skill, experience, and training.

(2)(a) For the secure transition facility located on McNeil Island, the direct care staffing level shall be at least three qualified, trained staff as described in subsection (3) of this section, unless there are no residents housed at the facility, in which case the facility need not staff to this ratio.

(b) For the secure community transition facility located in Seattle, the direct care staffing level shall be at least two qualified, trained staff as described in subsection (3) of this section, unless there are no residents housed at the facility, in which case the facility need not staff to this ratio.

(3) Before being assigned to a facility, all staff must have received training in sex offender issues, self-defense, and crisis de-escalation skills in addition to departmental orientation and, as appropriate, management training. All staff with resident treatment or care duties must participate in ongoing in-service training.

(4) All staff must pass a departmental background check and the check is not subject to the limitations in chapter 9.96A RCW. A person who has been convicted of a felony, or any sex offense, may not be employed at the secure community transition facility or be approved as an escort for a resident of the facility. **Severability—2003 c 216:** "If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected." [2003 c 216 § 8.]

**Effective date—2003 c 216:** "This act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and takes effect July 1, 2003." [2003 c 216 § 9.]

**Intent—Severability—Effective dates—2001 2nd sp.s. c 12:** See notes following RCW 71.09.250.

**71.09.305 Transition facility residents—Monitoring, escorting.** (1) Unless otherwise ordered by the court:

(a) Residents of a secure community transition facility shall wear electronic monitoring devices at all times. To the extent that electronic monitoring devices that employ global positioning system technology are available and funds for this purpose are appropriated by the legislature, the department shall use these devices.

(b) At least one staff member, or other court-authorized and department-approved person must escort each resident when the resident leaves the secure community transition facility for appointments, employment, or other approved activities. Escorting persons must supervise the resident closely and maintain close proximity to the resident. The escort must immediately notify the department of any serious violation, as defined in RCW 71.09.325, by the resident and must immediately notify law enforcement of any violation of law by the resident. The escort may not be a relative of the resident or a person with whom the resident has, or has had, a dating relationship as defined in RCW 26.50.010.

(2) Staff members of the special commitment center and any other total confinement facility and any secure community transition facility must be trained in self-defense and appropriate crisis responses including incident de-escalation. Prior to escorting a person outside of a facility, staff members must also have training in the offense pattern of the offender they are escorting.

(3) Any escort must carry a cellular telephone or a similar device at all times when escorting a resident of a secure community transition facility.

(4) The department shall require training in offender pattern, self-defense, and incident response for all court-authorized escorts who are not employed by the department or the department of corrections. [2002 c 68 § 6; 2001 2nd sp.s. c 12 § 217.]

**71.09.310 Transition facility residents—Mandatory escorts.** Notwithstanding the provisions of RCW 71.09.305, residents of the secure community transition facility established pursuant to RCW 71.09.250(1) must be escorted at any time the resident leaves the facility. [2001 2nd sp.s. c 12 § 218.]

**Intent—Severability—Effective dates—2001 2nd sp.s. c 12:** See notes following RCW 71.09.250.

**71.09.315 Transition facilities—Public notice, review, and comment.** (1) Whenever the department operates, or the secretary enters into a contract to operate, a secure community transition facility except the secure community transition facility established pursuant to RCW 71.09.250(1), the secure community transition facility may be operated only after the public notification and opportunities for review and comment as required by this section.

(2) The secretary shall establish a process for early and continuous public participation in establishing or relocating secure community transition facilities. The process shall include, at a minimum, public meetings in the local communities affected, as well as opportunities for written and oral comments, in the following manner:

(a) If there are more than three sites initially selected as potential locations and the selection process by the secretary or a service provider reduces the number of possible sites for a secure community transition facility to no fewer than three, the secretary or the chief operating officer of the service provider shall notify the public of the possible siting and hold at least two public hearings in each community where a secure community transition facility may be sited.

(b) When the secretary or service provider has determined the secure community transition facility's location, the secretary or the chief operating officer of the service provider shall hold at least one additional public hearing in the community where the secure community transition facility will be sited.

(c) When the secretary has entered negotiations with a service provider and only one site is under consideration, then at least two public hearings shall be held.

(d) To provide adequate notice of, and opportunity for interested persons to comment on, a proposed location, the secretary or the chief operating officer of the service provider shall provide at least fourteen days' advance notice of the meeting to all newspapers of general circulation in the community, all radio and television stations generally available to persons in the community, any school district in which the secure community transition facility would be sited or whose boundary is within two miles of a proposed secure community transition facility, any library district in which the secure community transition facility would be sited, local business or fraternal organizations that request notification from the secretary or agency, and any person or property owner within a one-half mile radius of the proposed secure community transition facility. Before initiating this process, the department of social and health services shall contact local government planning agencies in the communities containing the proposed secure community transition facility. The department of social and health services shall coordinate with local government agencies to ensure that opportunities are provided for effective citizen input and to reduce the duplication of notice and meetings.

(3) If local government land use regulations require that a special use or conditional use permit be submitted and approved before a secure community transition facility can be sited, and the process for obtaining such a permit includes public notice and hearing requirements similar to those required under this section, the requirements of this section shall not apply to the extent they would duplicate requirements under the local land use regulations.

(4) This section applies only to secure community transition facilities sited after June 26, 2001. [2001 2nd sp.s. c 12 § 219.]

**Intent—Severability—Effective dates—2001 2nd sp.s. c 12:** See notes following RCW 71.09.250.

**71.09.320 Transition facilities—Operational advisory boards.** (1) The secretary shall develop a process with local governments that allows each community in which a secure community transition facility is located to establish operational advisory boards of at least seven persons for the secure community transition facilities. The department may conduct community awareness activities to publicize this opportunity. The operational advisory boards developed under this section shall be implemented following the decision to locate a secure community transition facility in a particular community.

(2) The operational advisory boards may review and make recommendations regarding the security and operations of the secure community transition facility and conditions or modifications necessary with relation to any person who the secretary proposes to place in the secure community transition facility.

(3) The facility management must consider the recommendations of the community advisory boards. Where the facility management does not implement an operational advisory board recommendation, the management must provide a written response to the operational advisory board stating its reasons for its decision not to implement the recommendation.

(4) The operational advisory boards, their members, and any agency represented by a member shall not be liable in any cause of action as a result of its recommendations unless the advisory board acts with gross negligence or bad faith in making a recommendation. [2001 2nd sp.s. c 12 § 220.]

**Intent—Severability—Effective dates—2001 2nd sp.s. c 12:** See notes following RCW 71.09.250.

**71.09.325 Transition facilities—Conditional release—Reports—Violations.** (1) The secretary shall adopt a violation reporting policy for persons conditionally released to less restrictive alternative placements. The policy shall require written documentation by the department and service providers of all violations of conditions set by the department, the department of corrections, or the court and establish criteria for returning a violator to the special commitment center or a secure community transition facility with a higher degree of security. Any conditionally released person who commits a serious violation of conditions shall be returned to the special commitment center, unless arrested by a law enforcement officer, and the court shall be notified immediately and shall initiate proceedings under RCW 71.09.098 to revoke or modify the less restrictive alternative placement. Nothing in this section limits the authority of the department to return a person to the special commitment center based on a violation that is not a serious violation as defined in this section. For the purposes of this section, "serious violation" includes but is not limited to:

(a) The commission of any criminal offense;

(b) Any unlawful use or possession of a controlled substance; and

(c) Any violation of conditions targeted to address the person's documented pattern of offense that increases the risk to public safety.

(2) When a person is conditionally released to a less restrictive alternative under this chapter and is under the supervision of the department of corrections, notice of any violation of the person's conditions of release must also be made to the department of corrections.

(3) Whenever the secretary contracts with a service provider to operate a secure community transition facility, the contract shall include a requirement that the service provider must report to the department of social and health services any known violation of conditions committed by any resident of the secure community transition facility.

(4) The secretary shall document in writing all violations, penalties, actions by the department of social and health services to remove persons from a secure community transition facility, and contract terminations. The secretary shall compile this information and submit it to the appropriate committees of the legislature on an annual basis. The secretary shall give great weight to a service provider's record of violations, penalties, actions by the department of social and health services or the department of corrections to remove persons from a secure community transition facility, and contract terminations in determining whether to execute, renew, or renegotiate a contract with a service provider. [2001 2nd sp.s. c 12 § 221.]

**Intent—Severability—Effective dates—2001 2nd sp.s. c 12:** See notes following RCW 71.09.250.

**71.09.330 Transition facilities—Contracted operation—Enforcement remedies.** Whenever the secretary contracts with a provider to operate a secure community transition facility, the secretary shall include in the contract provisions establishing intermediate contract enforcement remedies. [2001 2nd sp.s. c 12 § 222.]

**Intent—Severability—Effective dates—2001 2nd sp.s. c 12:** See notes following RCW 71.09.250.

**71.09.335 Conditional release from total confinement—Community notification.** A conditional release from a total confinement facility to a less restrictive alternative is a release that subjects the conditionally released person to the registration requirements specified in RCW 9A.44.130 and to community notification under RCW 4.24.550.

When a person is conditionally released to the secure community transition facility established pursuant to RCW 71.09.250(1), the sheriff must provide each household on McNeil Island with the community notification information provided for under RCW 4.24.550. [2001 2nd sp.s. c 12 § 223.]

**Intent—Severability—Effective dates—2001 2nd sp.s. c 12:** See notes following RCW 71.09.250.

**71.09.340 Conditionally released persons—Employment, educational notification.** An employer who hires a person who has been conditionally released to a less restrictive alternative must notify all other employees of the conditionally released person's status. Notification for conditionally released persons who enroll in an institution of higher

education shall be made pursuant to the provisions of RCW 9A.44.130 related to sex offenders enrolled in institutions of higher education and RCW 4.24.550. This section applies only to conditionally released persons whose court-approved treatment plan includes permission or a requirement for the person to obtain education or employment and to employment positions or educational programs that meet the requirements of the court-approved treatment plan. [2001 2nd sp.s. c 12 § 224.]

**Intent—Severability—Effective dates—2001 2nd sp.s. c 12:** See notes following RCW 71.09.250.

**71.09.341 Transition facilities—Authority of department—Effect of local regulations.** The minimum requirements set out in RCW 71.09.285 through 71.09.340 are minimum requirements to be applied by the department. Nothing in this section is intended to prevent a city or county from adopting development regulations, as defined in RCW 36.70A.030, unless the proposed regulation imposes requirements more restrictive than those specifically addressed in RCW 71.09.285 through 71.09.340. Regulations that impose requirements more restrictive than those specifically addressed in these sections are void. Nothing in these sections prevents the department from adding requirements to enhance public safety. [2002 c 68 § 7.]

**Purpose—Severability—Effective date—2002 c 68:** See notes following RCW 36.70A.200.

**71.09.342 Transition facilities—Siting—Local regulations preempted, when—Consideration of public safety measures.** (1) After October 1, 2002, notwithstanding RCW 36.70A.103 or any other law, this section preempts and supersedes local plans, development regulations, permitting requirements, inspection requirements, and all other laws as necessary to enable the department to site, construct, renovate, occupy, and operate secure community transition facilities within the borders of the following:

(a) Any county that had five or more persons civilly committed from that county, or detained at the special commitment center under a pending civil commitment petition from that county where a finding of probable cause has been made, on April 1, 2001, if the department determines that the county has not met the requirements of RCW 36.70A.200 with respect to secure community transition facilities. This subsection does not apply to the county in which the secure community transition facility authorized under RCW 71.09.250(1) is located; and

(b) Any city located within a county listed in (a) of this subsection that the department determines has not met the requirements of RCW 36.70A.200 with respect to secure community transition facilities.

(2) The department's determination under subsection (1)(a) or (b) of this section is final and is not subject to appeal under chapter 34.05 or 36.70A RCW.

(3) When siting a facility in a county or city that has been preempted under this section, the department shall consider the policy guidelines established under RCW 71.09.285 and 71.09.290 and shall hold the hearings required in RCW 71.09.315.

(4) Nothing in this section prohibits the department from:

(a) Siting a secure community transition facility in a city or county that has complied with the requirements of RCW 36.70A.200 with respect to secure community transition facilities, including a city that is located within a county that has been preempted. If the department sites a secure community transition facility in such a city or county, the department shall use the process established by the city or county for siting such facilities; or

(b) Consulting with a city or county that has been preempted under this section regarding the siting of a secure community transition facility.

(5)(a) A preempted city or county may propose public safety measures specific to any finalist site to the department. The measures must be consistent with the location of the facility at that finalist site. The proposal must be made in writing by the date of:

(i) The second hearing under RCW 71.09.315(2)(a) when there are three finalist sites; or

(ii) The first hearing under RCW 71.09.315(2)(b) when there is only one site under consideration.

(b) The department shall respond to the city or county in writing within fifteen business days of receiving the proposed measures. The response shall address all proposed measures.

(c) If the city or county finds that the department's response is inadequate, the city or county may notify the department in writing within fifteen business days of the specific items which it finds inadequate. If the city or county does not notify the department of a finding that the response is inadequate within fifteen business days, the department's response shall be final.

(d) If the city or county notifies the department that it finds the response inadequate and the department does not revise its response to the satisfaction of the city or county within seven business days, the city or county may petition the governor to designate a person with law enforcement expertise to review the response under RCW 34.05.479.

(e) The governor's designee shall hear a petition filed under this subsection and shall make a determination within thirty days of hearing the petition. The governor's designee shall consider the department's response, and the effectiveness and cost of the proposed measures, in relation to the purposes of this chapter. The determination by the governor's designee shall be final and may not be the basis for any cause of action in civil court.

(f) The city or county shall bear the cost of the petition to the governor's designee. If the city or county prevails on all issues, the department shall reimburse the city or county costs incurred, as provided under chapter 34.05 RCW.

(g) Neither the department's consideration and response to public safety conditions proposed by a city or county nor the decision of the governor's designee shall affect the preemption under this section or the department's authority to site, construct, renovate, occupy, and operate the secure community transition facility at that finalist site or at any finalist site.

(6) Until June 30, 2009, the secretary shall site, construct, occupy, and operate a secure community transition facility sited under this section in an environmentally responsible manner that is consistent with the substantive objectives of chapter 43.21C RCW, and shall consult with the department of ecology as appropriate in carrying out the planning,

construction, and operations of the facility. The secretary shall make a threshold determination of whether a secure community transition facility sited under this section would have a probable significant, adverse environmental impact. If the secretary determines that the secure community transition facility has such an impact, the secretary shall prepare an environmental impact statement that meets the requirements of RCW 43.21C.030 and 43.21C.031 and the rules promulgated by the department of ecology relating to such statements. Nothing in this subsection shall be the basis for any civil cause of action or administrative appeal.

(7) In no case may a secure community transition facility be sited adjacent to, immediately across a street or parking lot from, or within the line of sight of a risk potential activity or facility in existence at the time a site is listed for consideration unless the site that the department has chosen in a particular county or city was identified pursuant to a process for siting secure community transition facilities adopted by that county or city in compliance with RCW 36.70A.200. "Within the line of sight" means that it is possible to reasonably visually distinguish and recognize individuals.

(8) This section does not apply to the secure community transition facility established pursuant to RCW 71.09.250(1). [2003 c 50 § 2; 2002 c 68 § 9.]

**Application—Effective date—2003 c 50:** See notes following RCW 71.09.020.

**Purpose—Severability—Effective date—2002 c 68:** See notes following RCW 36.70A.200.

**71.09.343 Transition facilities—Contract between state and local governments.** (1) At the request of the local government of the city or county in which a secure community transition facility is initially sited after January 1, 2002, the department shall enter into a long-term contract memorializing the agreements between the state and the city or county for the operation of the facility. This contract shall be separate from any contract regarding mitigation due to the facility. The contract shall include a clause that states:

(a) The contract does not obligate the state to continue operating any aspect of the civil commitment program under this chapter;

(b) The operation of any secure community transition facility is contingent upon sufficient appropriation by the legislature. If sufficient funds are not appropriated, the department is not obligated to operate the secure community transition facility and may close it; and

(c) This contract does not obligate the city or county to operate a secure community transition facility.

(2) Any city or county may, at their option, contract with the department to operate a secure community transition facility. [2002 c 68 § 16.]

**Purpose—Severability—Effective date—2002 c 68:** See notes following RCW 36.70A.200.

**71.09.344 Transition facilities—Mitigation agreements.** (1) Subject to funds appropriated by the legislature, the department may enter into negotiation for a mitigation agreement with:

(a) The county and/or city in which a secure community transition facility sited after January 1, 2002, is located;

(b) Each community in which the persons from those facilities will reside or regularly spend time, pursuant to court orders, for regular work or education, or to receive social services, or through which the person or persons will regularly be transported to reach other communities; and

(c) Educational institutions in the communities identified in (a) and (b) of this subsection.

(2) Mitigation agreements are limited to the following:

(a) One-time training for local law enforcement and administrative staff, upon the establishment of a secure community transition facility.

(i) Training between local government staff and the department includes training in coordination, emergency procedures, program and facility information, legal requirements, and resident profiles.

(ii) Reimbursement for training under this subsection is limited to:

(A) The salaries or hourly wages and benefits of those persons who receive training directly from the department; and

(B) Costs associated with preparation for, and delivery of, training to the department or its contracted staff by local government staff or contractors;

(b) Information coordination:

(i) Information coordination includes database infrastructure establishment and programming for the dissemination of information among law enforcement and the department related to facility residents.

(ii) Reimbursement for information coordination is limited to start-up costs;

(c) One-time capital costs:

(i) One-time capital costs are off-site costs associated with the need for increased security in specific locations.

(ii) Reimbursement for one-time capital costs is limited to actual costs; and

(d) Incident response:

(i) Incident response costs are law enforcement and criminal justice costs associated with violations of conditions of release or crimes by residents of the secure community transition facility.

(ii) Reimbursement for incident response does not include private causes of action. [2002 c 68 § 17.]

**Purpose—Severability—Effective date—2002 c 68:** See notes following RCW 36.70A.200.

**71.09.345 Alternative placement—Authority of court.** Nothing in chapter 12, Laws of 2001 2nd sp. sess. shall operate to restrict a court's authority to make less restrictive alternative placements to a committed person's individual residence or to a setting less restrictive than a secure community transition facility. A court-ordered less restrictive alternative placement to a committed person's individual residence is not a less restrictive alternative placement to a secure community transition facility. [2001 2nd sp.s. c 12 § 226.]

**Intent—Severability—Effective dates—2001 2nd sp.s. c 12:** See notes following RCW 71.09.250.

**71.09.350 Examination and treatment only by certified providers—Exceptions.** (1) Examinations and treatment of sexually violent predators who are conditionally

released to a less restrictive alternative under this chapter shall be conducted only by certified sex offender treatment providers or certified affiliate sex offender treatment providers under chapter 18.155 RCW unless the court or the department of social and health services finds that: (a) The treatment provider is employed by the department; or (b)(i) all certified sex offender treatment providers or certified affiliate sex offender treatment providers become unavailable to provide treatment within a reasonable geographic distance of the person's home, as determined in rules adopted by the department of social and health services; and (ii) the evaluation and treatment plan comply with the rules adopted by the department of social and health services.

A treatment provider approved by the department of social and health services under (b) of this subsection, who is not certified by the department of health, shall consult with a certified sex offender treatment provider during the person's period of treatment to ensure compliance with the rules adopted by the department of health. The frequency and content of the consultation shall be based on the recommendation of the certified sex offender treatment provider.

(2) A treatment provider, whether or not he or she is employed or approved by the department of social and health services under subsection (1) of this section or otherwise certified, may not perform or provide treatment of sexually violent predators under this section if the treatment provider has been:

(a) Convicted of a sex offense, as defined in RCW 9.94A.030;

(b) Convicted in any other jurisdiction of an offense that under the laws of this state would be classified as a sex offense as defined in RCW 9.94A.030; or

*Comprehensive community health centers:* Chapter 70.10 RCW.

*Funding:* RCW 43.79.201 and 79.02.410.

**71.24.011 Short title.** This chapter may be known and cited as the community mental health services act. [1982 c 204 § 1.]

**71.24.015 Legislative intent and policy.** It is the intent of the legislature to establish a community mental health pro-

gram which shall help people experiencing mental illness to retain a respected and productive position in the community. This will be accomplished through programs that focus on resilience and recovery, and practices that are evidence-based, research-based, consensus-based, or, where these do not exist, promising or emerging best practices, which provide for:

(1) Access to mental health services for adults of the state who are acutely mentally ill, chronically mentally ill, or seriously disturbed and children of the state who are acutely mentally ill, severely emotionally disturbed, or seriously disturbed, which services recognize the special needs of underserved populations, including minorities, children, the elderly, disabled, and low-income persons. Access to mental health services shall not be limited by a person's history of confinement in a state, federal, or local correctional facility. It is also the purpose of this chapter to promote the early identification of mentally ill children and to ensure that they receive the mental health care and treatment which is appropriate to their developmental level. This care should improve home, school, and community functioning, maintain children in a safe and nurturing home environment, and should enable treatment decisions to be made in response to clinical needs in accordance with sound professional judgment while also recognizing parents' rights to participate in treatment decisions for their children;

(2) The involvement of persons with mental illness, their family members, and advocates in designing and implementing mental health services that reduce unnecessary hospitalization and incarceration and promote the recovery and employment of persons with mental illness. To improve the quality of services available and promote the rehabilitation, recovery, and reintegration of persons with mental illness, consumer and advocate participation in mental health services is an integral part of the community mental health system and shall be supported;

(3) Accountability of efficient and effective services through state-of-the-art outcome and performance measures and statewide standards for monitoring client and system outcomes, performance, and reporting of client and system outcome information. These processes shall be designed so as to maximize the use of available resources for direct care of people with a mental illness and to assure uniform data collection across the state;

(4) Minimum service delivery standards;

(5) Priorities for the use of available resources for the care of the mentally ill consistent with the priorities defined in the statute;

(6) Coordination of services within the department, including those divisions within the department that provide services to children, between the department and the office of the superintendent of public instruction, and among state mental hospitals, county authorities, regional support networks, community mental health services, and other support services, which shall to the maximum extent feasible also include the families of the mentally ill, and other service providers; and

(7) Coordination of services aimed at reducing duplication in service delivery and promoting complementary services among all entities that provide mental health services to adults and children.

It is the policy of the state to encourage the provision of a full range of treatment and rehabilitation services in the state for mental disorders including services operated by consumers and advocates. The legislature intends to encourage the development of regional mental health services with adequate local flexibility to assure eligible people in need of care access to the least-restrictive treatment alternative appropriate to their needs, and the availability of treatment components to assure continuity of care. To this end, counties are encouraged to enter into joint operating agreements with other counties to form regional systems of care. Regional systems of care, whether operated by a county, group of counties, or another entity shall integrate planning, administration, and service delivery duties under chapters 71.05 and 71.24 RCW to consolidate administration, reduce administrative layering, and reduce administrative costs. The legislature hereby finds and declares that sound fiscal management requires vigilance to ensure that funds appropriated by the legislature for the provision of needed community mental health programs and services are ultimately expended solely for the purpose for which they were appropriated, and not for any other purpose.

It is further the intent of the legislature to integrate the provision of services to provide continuity of care through all phases of treatment. To this end the legislature intends to promote active engagement with mentally ill persons and collaboration between families and service providers. [2005 c 503 § 1. Prior: 2001 c 334 § 6; 2001 c 323 § 1; 1999 c 214 § 7; 1991 c 306 § 1; 1989 c 205 § 1; 1986 c 274 § 1; 1982 c 204 § 2.]

**Correction of references—2005 c 503:** "The code reviser shall replace all references to "county designated mental health professional" with "designated mental health professional" in the Revised Code of Washington." [2005 c 503 § 16.]

**Savings—2005 c 503:** "This act does not affect any existing right acquired or liability or obligation incurred under the sections amended or repealed in this act or under any rule or order adopted under those sections, nor does it affect any proceeding instituted under those sections." [2005 c 503 § 17.]

**Severability—2005 c 503:** "If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected." [2005 c 503 § 18.]

**Intent—Effective date—1999 c 214:** See notes following RCW 72.09.370.

Additional notes found at [www.leg.wa.gov](http://www.leg.wa.gov)

**71.24.016 Intent—Regional support networks programs.** (1) The legislature intends that eastern and western state hospitals shall operate as clinical centers for handling the most complicated long-term care needs of patients with a primary diagnosis of mental disorder. It is further the intent of the legislature that the community mental health service delivery system focus on maintaining mentally ill individuals in the community. The program shall be evaluated and managed through a limited number of performance measures designed to hold each regional support network accountable for program success.

(2) The legislature intends to address the needs of people with mental disorders with a targeted, coordinated, and comprehensive set of evidence-based practices that are effective in serving individuals in their community and will reduce the need for placements in state mental hospitals. The legislature

further intends to explicitly hold regional support networks accountable for serving people with mental disorders within their geographic boundaries and for not exceeding their allocation of state hospital beds. Within funds appropriated by the legislature for this purpose, regional support networks shall develop the means to serve the needs of people with mental disorders within their geographic boundaries. Elements of the program may include:

- (a) Crisis triage;
  - (b) Evaluation and treatment and community hospital beds;
  - (c) Residential beds;
  - (d) Programs for community treatment teams; and
  - (e) Outpatient services.
- (3) The regional support network shall have the flexibility, within the funds appropriated by the legislature for this purpose, to design the mix of services that will be most effective within their service area of meeting the needs of people with mental disorders and avoiding placement of such individuals at the state mental hospital. Regional support networks are encouraged to maximize the use of evidence-based practices and alternative resources with the goal of substantially reducing and potentially eliminating the use of institutions for mental diseases. [2006 c 333 § 102; 2001 c 323 § 4.]

**Finding—Purpose—Intent—2006 c 333:** "(1) The legislature finds that ambiguities have been identified regarding the appropriation and allocation of federal and state funds, and the responsibilities of the department of social and health services and the regional support networks with regard to the provision of inpatient mental health services under the community mental health services act, chapter 71.24 RCW, and the involuntary treatment act, chapter 71.05 RCW. The purpose of this 2006 act is to make retroactive, remedial, curative, and technical amendments in order to resolve such ambiguities.

(2) In enacting the community mental health services act, the legislature intended the relationship between the state and the regional support networks to be governed solely by the terms of the regional support network contracts and did not intend these relationships to create statutory causes of action not expressly provided for in the contracts. Therefore, the legislature's intent is that, except to the extent expressly provided in contracts entered after March 29, 2006, the department of social and health services and regional support networks shall resolve existing and future disagreements regarding the subject matter identified in sections 103 and 301 of this act through nonjudicial means." [2006 c 333 § 101.]

**Severability—2006 c 333:** "If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected." [2006 c 333 § 402.]

**Part headings not law—2006 c 333:** "Part headings used in this act are not part of the law." [2006 c 333 § 403.]

**Effective dates—2006 c 333:** "This act takes effect July 1, 2006, except that sections 101 through 103, 107, 202, and 301 of this act are necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and take effect immediately [March 29, 2006]." **71.24.045 Regional support network powers and duties.** The regional support network shall:

(1) Contract as needed with licensed service providers. The regional support network may, in the absence of a licensed service provider entity, become a licensed service provider entity pursuant to minimum standards required for licensing by the department for the purpose of providing services not available from licensed service providers;

(2) Operate as a licensed service provider if it deems that doing so is more efficient and cost effective than contracting for services. When doing so, the regional support network shall comply with rules promulgated by the secretary that shall provide measurements to determine when a regional support network provided service is more efficient and cost effective;

(3) Monitor and perform biennial fiscal audits of licensed service providers who have contracted with the regional support network to provide services required by this chapter. The monitoring and audits shall be performed by means of a formal process which insures that the licensed service providers and professionals designated in this subsection meet the terms of their contracts;

(4) Assure that the special needs of minorities, the elderly, disabled, children, and low-income persons are met within the priorities established in this chapter;

(5) Maintain patient tracking information in a central location as required for resource management services and the department's information system;

(6) Collaborate to ensure that policies do not result in an adverse shift of mentally ill persons into state and local correctional facilities;

(7) Work with the department to expedite the enrollment or re-enrollment of eligible persons leaving state or local correctional facilities and institutions for mental diseases;

(8) If a regional support network is not operated by the county, work closely with the county designated mental health professional or county designated crisis responder to maximize appropriate placement of persons into community services; and

(9) Coordinate services for individuals who have received services through the community mental health system and who become patients at a state mental hospital to ensure they are transitioned into the community in accordance with mutually agreed upon discharge plans and upon

determination by the medical director of the state mental hospital that they no longer need intensive inpatient care. [2006 c 333 § 105; 2005 c 503 § 8; 2001 c 323 § 12; 1992 c 230 § 5. Prior: 1991 c 363 § 147; 1991 c 306 § 5; 1991 c 29 § 2; 1989 c 205 § 4; 1986 c 274 § 5; 1982 c 204 § 5.]

**71.24.049 Identification by regional support network—Children's mental health services.** By January 1st of each odd-numbered year, the regional support network shall identify: (1) The number of children in each priority group, as defined by this chapter, who are receiving mental health services funded in part or in whole under this chapter, (2) the amount of funds under this chapter used for children's mental health services, (3) an estimate of the number of unserved children in each priority group, and (4) the estimated cost of serving these additional children and their families. [2001 c 323 § 13; 1999 c 10 § 6; 1986 c 274 § 6.]

**Purpose—Intent—1999 c 10:** See note following RCW 71.24.025.

**71.24.055 Regional support network services—Children's access to care standards and benefit package—Recommendations to legislature.** As part of the system transformation initiative, the department of social and health services shall undertake the following activities related specifically to children's mental health services:

(1) The development of recommended revisions to the access to care standards for children. The recommended revisions shall reflect the policies and principles set out in RCW 71.36.005, 71.36.010, and 71.36.025, and recognize that early identification, intervention and prevention services, and brief intervention services may be provided outside of the regional support network system. Revised access to care standards shall assess a child's need for mental health services based upon the child's diagnosis and its negative impact upon his or her persistent impaired functioning in family, school, or the community, and should not solely condition the receipt of services upon a determination that a child is engaged in high risk behavior or is in imminent need of hospitalization or out-of-home placement. Assessment and diagnosis for children under five years of age shall be determined using a nationally accepted assessment tool designed specifically for children of that age. The recommendations shall also address whether amendments to RCW \*71.24.025 (26) and (27) and 71.24.035(5) are necessary to implement revised access to care standards;

(2) Development of a revised children's mental health benefit package. The department shall ensure that services included in the children's mental health benefit package reflect the policies and principles included in RCW 71.36.005 and 71.36.025, to the extent allowable under Medicaid, Title XIX of the federal social security act. Strong consideration shall be given to developmentally appropriate evidence-based and research-based practices, family-based

interventions, the use of natural and peer supports, and community support services. This effort shall include a review of other states' efforts to fund family-centered children's mental health services through their medicaid programs;

(3) Consistent with the timeline developed for the system transformation initiative, recommendations for revisions to the children's access to care standards and the children's mental health services benefits package shall be presented to the legislature by January 1, 2009. [2007 c 359 § 4.]

**\*Reviser's note:** RCW 71.24.025 was amended by 2007 c 414 § 1, changing subsections (26) and (27) to subsections (27) and (28).

**Captions not law—2007 c 359:** See note following RCW 71.36.005.

**71.24.061 Children's mental health providers—Children's mental health evidence-based practice institute—Pilot program.** (1) The department shall provide flexibility in provider contracting to regional support networks for children's mental health services. Beginning with 2007-2009 biennium contracts, regional support network contracts shall authorize regional support networks to allow and encourage licensed community mental health centers to subcontract with individual licensed mental health professionals when necessary to meet the need for an adequate, culturally competent, and qualified children's mental health provider network.

(2) To the extent that funds are specifically appropriated for this purpose or that nonstate funds are available, a children's mental health evidence-based practice institute shall be established at the University of Washington division of public behavioral health and justice policy. The institute shall closely collaborate with entities currently engaged in evaluating and promoting the use of evidence-based, research-based, promising, or consensus-based practices in children's mental health treatment, including but not limited to the University of Washington department of psychiatry and behavioral sciences, children's hospital and regional medical center, the University of Washington school of nursing, the University of Washington school of social work, and the Washington state institute for public policy. To ensure that funds appropriated are used to the greatest extent possible for their intended purpose, the University of Washington's indirect costs of administration shall not exceed ten percent of appropriated funding. The institute shall:

(a) Improve the implementation of evidence-based and research-based practices by providing sustained and effective training and consultation to licensed children's mental health providers and child-serving agencies who are implementing evidence-based or researched-based practices for treatment of children's emotional or behavioral disorders, or who are interested in adapting these practices to better serve ethnically or culturally diverse children. Efforts under this subsection should include a focus on appropriate oversight of implementation of evidence-based practices to ensure fidelity to these practices and thereby achieve positive outcomes;

(b) Continue the successful implementation of the "partnerships for success" model by consulting with communities so they may select, implement, and continually evaluate the success of evidence-based practices that are relevant to the needs of children, youth, and families in their community;

(c) Partner with youth, family members, family advocacy, and culturally competent provider organizations to develop a series of information sessions, literature, and

online resources for families to become informed and engaged in evidence-based and research-based practices;

(d) Participate in the identification of outcome-based performance measures under RCW 71.36.025(2) and partner in a statewide effort to implement statewide outcomes monitoring and quality improvement processes; and

(e) Serve as a statewide resource to the department and other entities on child and adolescent evidence-based, research-based, promising, or consensus-based practices for children's mental health treatment, maintaining a working knowledge through ongoing review of academic and professional literature, and knowledge of other evidence-based practice implementation efforts in Washington and other states.

(3) To the extent that funds are specifically appropriated for this purpose, the department in collaboration with the evidence-based practice institute shall implement a pilot program to support primary care providers in the assessment and provision of appropriate diagnosis and treatment of children with mental and behavioral health disorders and track outcomes of this program. The program shall be designed to promote more accurate diagnoses and treatment through timely case consultation between primary care providers and child psychiatric specialists, and focused educational learning collaboratives with primary care providers. [2007 c 359 § 7.]

**Captions not law—2007 c 359:** See note following RCW 71.36.005.

**71.24.065 Wraparound model of integrated children's mental health services delivery—Contracts—Evaluation—Report.** To the extent funds are specifically appropriated for this purpose, the department of social and health services shall contract for implementation of a wraparound model of integrated children's mental health services delivery in up to four regional support network regions in Washington state in which wraparound programs are not currently operating, and in up to two regional support network regions in which wraparound programs are currently operating. Contracts in regions with existing wraparound programs shall be for the purpose of expanding the number of children served.

(1) Funding provided may be expended for: Costs associated with a request for proposal and contracting process; administrative costs associated with successful bidders' operation of the wraparound model; the evaluation under subsection (5) of this section; and funding for services needed by children enrolled in wraparound model sites that are not otherwise covered under existing state programs. The services provided through the wraparound model sites shall include, but not be limited to, services covered under the medicaid program. The department shall maximize the use of medicaid and other existing state-funded programs as a funding source. However, state funds provided may be used to develop a broader service package to meet needs identified in a child's care plan. Amounts provided shall supplement, and not supplant, state, local, or other funding for services that a child being served through a wraparound site would otherwise be eligible to receive.

(2) The wraparound model sites shall serve children with serious emotional or behavioral disturbances who are at high risk of residential or correctional placement or psychiatric

hospitalization, and who have been referred for services from the department, a county juvenile court, a tribal court, a school, or a licensed mental health provider or agency.

(3) Through a request for proposal process, the department shall contract, with regional support networks, alone or in partnership with either educational service districts or entities licensed to provide mental health services to children with serious emotional or behavioral disturbances, to operate the wraparound model sites. The contractor shall provide care coordination and facilitate the delivery of services and other supports to families using a strength-based, highly individualized wraparound process. The request for proposal shall require that:

(a) The regional support network agree to use its medic-aid revenues to fund services included in the existing regional support network's benefit package that a medicaid-eligible child participating in the wraparound model site is determined to need;

(b) The contractor provide evidence of commitments from at least the following entities to participate in wrap-around care plan development and service provision when appropriate: Community mental health agencies, schools, the department of social and health services children's administration, juvenile courts, the department of social and health services juvenile rehabilitation administration, and managed health care systems contracting with the department under RCW 74.09.522; and

(c) The contractor will operate the wraparound model site in a manner that maintains fidelity to the wraparound process as defined in RCW 71.36.010.

(4) Contracts for operation of the wraparound model sites shall be executed on or before April 1, 2008, with enrollment and service delivery beginning on or before July 1, 2008.

(5) The evidence-based practice institute established in RCW 71.24.061 shall evaluate the wraparound model sites, measuring outcomes for children served. Outcomes measured shall include, but are not limited to: Decreased out-of-home placement, including residential, group, and foster care, and increased stability of such placements, school attendance, school performance, recidivism, emergency room utilization, involvement with the juvenile justice system, decreased use of psychotropic medication, and decreased hospitalization.

(6) The evidence-based practice institute shall provide a report and recommendations to the appropriate committees of the legislature by December 1, 2010. [2007 c 359 § 10.]

**71.24.100 Joint agreements of county authorities—Required provisions.** A county authority or a group of county authorities may enter into a joint operating agreement to form a regional support network. Any agreement between two or more county authorities for the establishment of a regional support network shall provide:

(1) That each county shall bear a share of the cost of mental health services; and

(2) That the treasurer of one participating county shall be the custodian of funds made available for the purposes of such mental health services, and that the treasurer may make payments from such funds upon audit by the appropriate

auditing officer of the county for which he or she is treasurer. [2012 c 117 § 442; 2005 c 503 § 9; 1982 c 204 § 7; 1967 ex.s. c 111 § 10.]

**71.24.110 Joint agreements of county authorities—Permissive provisions.** An agreement for the establishment of a community mental health program under RCW 71.24.100 may also provide:

(1) For the joint supervision or operation of services and facilities, or for the supervision or operation of service and facilities by one participating county under contract for the other participating counties; and

(2) For such other matters as are necessary or proper to effectuate the purposes of this chapter. [1999 c 10 § 7; 1982 c 204 § 8; 1967 ex.s. c 111 § 11.]

The department may use up to forty percent of the remaining five percent to provide community demonstration projects, including early intervention or primary prevention programs for children, and the remainder shall be for emergency needs and technical assistance under this chapter. [2001 c 323 § 14; 1987 c 505 § 65; 1986 c 274 § 9; 1982 c 204 § 9.]

**71.24.160 Proof as to uses made of state funds—Use of maintenance of effort funds.** The regional support networks shall make satisfactory showing to the secretary that state funds shall in no case be used to replace local funds from any source being used to finance mental health services prior to January 1, 1990. Maintenance of effort funds devoted to judicial services related to involuntary commitment reimbursed under RCW 71.05.730 must be expended for other purposes that further treatment for mental health and chemical dependency disorders. [2011 c 343 § 6; 2001 c 323 § 15; 1989 c 205 § 7; 1982 c 204 § 10; 1967 ex.s. c 111 § 16.]

**Intent—Effective date—2011 c 343:** See notes following RCW 71.05.730.

**71.24.200 Expenditures of county funds subject to county fiscal laws.** Expenditures of county funds under this chapter shall be subject to the provisions of chapter 36.40 RCW and other statutes relating to expenditures by counties. [1967 ex.s. c 111 § 20.]

**71.24.215 Clients to be charged for services.** Clients receiving mental health services funded by available resources shall be charged a fee under sliding-scale fee schedules, based on ability to pay, approved by the department. Fees shall not exceed the actual cost of care. [1982 c 204 § 11.]

**71.24.220 Reimbursement may be withheld for non-compliance with chapter or related rules.** The secretary may withhold state grants in whole or in part for any community mental health program in the event of a failure to comply with this chapter or the related rules adopted by the department. [1999 c 10 § 8; 1982 c 204 § 12; 1967 ex.s. c 111 § 22.]

**Purpose—Intent—1999 c 10:** See note following RCW 71.24.025.

**71.24.240 County program plans to be approved by secretary prior to submittal to federal agency.** In order to establish eligibility for funding under this chapter, any regional support network seeking to obtain federal funds for the support of any aspect of a community mental health program as defined in this chapter shall submit program plans to the secretary for prior review and approval before such plans are submitted to any federal agency. [2005 c 503 § 10; 1982 c 204 § 13; 1967 ex.s. c 111 § 24.]

**Correction of references—Savings—Severability—2005 c 503:** See notes following RCW 71.24.015.

**71.24.250 Regional support network may accept and expend gifts and grants.** The regional support network may accept and expend gifts and grants received from private, county, state, and federal sources. [2001 c 323 § 16; 1982 c 204 § 14; 1967 ex.s. c 111 § 25.]

**71.24.260 Waiver of postgraduate educational requirements.** The department shall waive postgraduate educational requirements applicable to mental health professionals under this chapter for those persons who have a bachelor's degree and on June 11, 1986:

- (1) Are employed by an agency subject to licensure under this chapter, the community mental health services act, in a capacity involving the treatment of mental illness; and
- (2) Have at least ten years of full-time experience in the treatment of mental illness. [1986 c 274 § 10.]

**71.24.300 Regional support networks—Inclusion of tribal authorities—Roles and responsibilities.** (1) Upon the request of a tribal authority or authorities within a regional support network the joint operating agreement or the county authority shall allow for the inclusion of the tribal authority to be represented as a party to the regional support network.

(2) The roles and responsibilities of the county and tribal authorities shall be determined by the terms of that agreement including a determination of membership on the governing board and advisory committees, the number of tribal representatives to be party to the agreement, and the provisions of law and shall assure the provision of culturally competent services to the tribes served.

(3) The state mental health authority may not determine the roles and responsibilities of county authorities as to each other under regional support networks by rule, except to assure that all duties required of regional support networks are assigned and that counties and the regional support network do not duplicate functions and that a single authority has final responsibility for all available resources and performance under the regional support network's contract with the secretary.

(4) If a regional support network is a private entity, the department shall allow for the inclusion of the tribal authority to be represented as a party to the regional support network.

(5) The roles and responsibilities of the private entity and the tribal authorities shall be determined by the department, through negotiation with the tribal authority.

(6) Regional support networks shall submit an overall six-year operating and capital plan, timeline, and budget and submit progress reports and an updated two-year plan biennially thereafter, to assume within available resources all of the following duties:

(a) Administer and provide for the availability of all resource management services, residential services, and community support services.

(b) Administer and provide for the availability of all investigation, transportation, court-related, and other services provided by the state or counties pursuant to chapter 71.05 RCW.

(c) Provide within the boundaries of each regional support network evaluation and treatment services for at least ninety percent of persons detained or committed for periods up to seventeen days according to chapter 71.05 RCW. Regional support networks may contract to purchase evaluation and treatment services from other networks if they are unable to provide for appropriate resources within their boundaries. Insofar as the original intent of serving persons in the community is maintained, the secretary is authorized to approve exceptions on a case-by-case basis to the requirement to provide evaluation and treatment services within the boundaries of each regional support network. Such exceptions are limited to:

- (i) Contracts with neighboring or contiguous regions; or
- (ii) Individuals detained or committed for periods up to seventeen days at the state hospitals at the discretion of the secretary.

(d) Administer and provide for the availability of all other mental health services, which shall include patient counseling, day treatment, consultation, education services, employment services as defined in RCW 71.24.035, and mental health services to children.

(e) Establish standards and procedures for reviewing individual service plans and determining when that person may be discharged from resource management services.

(7) A regional support network may request that any state-owned land, building, facility, or other capital asset which was ever purchased, deeded, given, or placed in trust for the care of the persons with mental illness and which is within the boundaries of a regional support network be made available to support the operations of the regional support network. State agencies managing such capital assets shall give first priority to requests for their use pursuant to this chapter.

(8) Each regional support network shall appoint a mental health advisory board which shall review and provide comments on plans and policies developed under this chapter, provide local oversight regarding the activities of the regional support network, and work with the regional support network to resolve significant concerns regarding service delivery and outcomes. The department shall establish statewide procedures for the operation of regional advisory committees including mechanisms for advisory board feedback to the

department regarding regional support network performance. The composition of the board shall be broadly representative of the demographic character of the region and shall include, but not be limited to, representatives of consumers and families, law enforcement, and where the county is not the regional support network, county elected officials. Composition and length of terms of board members may differ between regional support networks but shall be included in each regional support network's contract and approved by the secretary.

(9) Regional support networks shall assume all duties specified in their plans and joint operating agreements through biennial contractual agreements with the secretary.

(10) Regional support networks may receive technical assistance from the housing trust fund and may identify and submit projects for housing and housing support services to the housing trust fund established under chapter 43.185 RCW. Projects identified or submitted under this subsection must be fully integrated with the regional support network six-year operating and capital plan, timeline, and budget required by subsection (6) of this section. **71.24.310 Administration of chapters 71.05 and 71.24 RCW through regional support networks—Implementation of chapter 71.05 RCW (as amended by 2009 c 564).** The legislature finds that administration of chapter 71.05 RCW and this chapter can be most efficiently and effectively implemented as part of the regional support network defined in RCW 71.24.025. For this reason, the legislature intends that the department and the regional support networks shall work together to implement chapter 71.05 RCW as follows:

(1) By June 1, 2006, regional support networks shall recommend to the department the number of state hospital beds that should be allocated for use by each regional support network. The statewide total allocation shall not exceed the number of state hospital beds offering long-term inpatient care, as defined in this chapter, for which funding is provided in the biennial appropriations act.

(2) If there is consensus among the regional support networks regarding the number of state hospital beds that should be allocated for use by each regional support network, the department shall contract with each regional support network accordingly.

(3) If there is not consensus among the regional support networks regarding the number of beds that should be allocated for use by each regional support network, the department shall establish by emergency rule the number of state hospital beds that are available for use by each regional support network. The emergency rule shall be effective September 1, 2006. The primary factor used in the allocation shall be the estimated number of (~~acutely and chronically mentally ill~~) adults with acute and chronic mental illness in each regional support network area, based upon population-adjusted incidence and utilization.

(4) The allocation formula shall be updated at least every three years to reflect demographic changes, and new evidence regarding the incidence of acute and chronic mental illness and the need for long-term inpatient care. In the updates, the statewide total allocation shall include (a) all state hospital

(2012 Ed.)

beds offering long-term inpatient care for which funding is provided in the biennial appropriations act; plus (b) the estimated equivalent number of beds or comparable diversion services contracted in accordance with subsection (5) of this section.

(5) The department is encouraged to enter performance-based contracts with regional support networks to provide some or all of the regional support network's allocated long-term inpatient treatment capacity in the community, rather than in the state hospital. The performance contracts shall specify the number of patient days of care available for use by the regional support network in the state hospital.

(6) If a regional support network uses more state hospital patient days of care than it has been allocated under subsection (3) or (4) of this section, or than it has contracted to use under subsection (5) of this section, whichever is less, it shall reimburse the department for that care. The reimbursement rate per day shall be the hospital's total annual budget for long-term inpatient care, divided by the total patient days of care assumed in development of that budget.

(7) One-half of any reimbursements received pursuant to subsection (6) of this section shall be used to support the cost of operating the state hospital and, during calendar year 2009, implementing new services that will enable a regional support network to reduce its utilization of the state hospital. The department shall distribute the remaining half of such reimbursements among regional support networks that have used less than their allocated or contracted patient days of care at that hospital, proportional to the number of patient days of care not used. [2009 c 564 § 952; 2006 c 333 § 107; 1989 c 205 § 6.]

The department shall distribute the remaining half of such reimbursements among regional support networks that have used less than their allocated or contracted patient days of care at that hospital, proportional to the number of patient days of care not used. **71.24.320 Regional support networks—Procurement process—Penalty for voluntary termination or refusal to renew contract.** (1) If an existing regional support network chooses not to respond to a request for qualifications, or is unable to substantially meet the requirements of a request for qualifications, or notifies the department of social and health services it will no longer serve as a regional support network, the department shall utilize a procurement process in which other entities recognized by the secretary may bid to serve as the regional support network.

(a) The request for proposal shall include a scoring factor for proposals that include additional financial resources beyond that provided by state appropriation or allocation.

(b) The department shall provide detailed briefings to all bidders in accordance with department and state procurement policies.

(c) The request for proposal shall also include a scoring factor for proposals submitted by nonprofit entities that include a component to maximize the utilization of state provided resources and the leverage of other funds for the support of mental health services to persons with mental illness.

(2) A regional support network that voluntarily terminates, refuses to renew, or refuses to sign a mandatory amendment to its contract to act as a regional support network is prohibited from responding to a procurement under this section or serving as a regional support network for five years from the date that the department signs a contract with the entity that will serve as the regional support network. [2008 c 261 § 5; 2006 c 333 § 202; 2005 c 503 § 4.]

**Intent—Findings—2008 c 261:** "In the event that an existing regional support network will no longer be contracting to provide services, it is the intent of the legislature to provide flexibility to the department to facilitate a stable transition which avoids disruption of services to consumers and families, maximizes efficiency and public safety, and maintains the integrity of the public mental health system. By granting this authority and flexibility, the legislature finds that the department will be able to maximize purchasing power within allocated resources and attract high quality organizations with optimal infrastructure to perform regional support network functions through competitive procurement processes. The legislature intends for the department of social and health services to partner with political subdivisions and other entities to provide quality, coordinated, and integrated services to address the needs of individuals with behavioral health needs." [2008 c 261 § 1.]

**71.24.330 Regional support networks—Contracts with department—Requirements.** (1) Contracts between a regional support network and the department shall include mechanisms for monitoring performance under the contract and remedies for failure to substantially comply with the requirements of the contract including, but not limited to, financial penalties, termination of the contract, and reprocurement of the contract.

(2) The regional support network procurement processes shall encourage the preservation of infrastructure previously purchased by the community mental health service delivery system, the maintenance of linkages between other services and delivery systems, and maximization of the use of available funds for services versus profits. However, a regional support network selected through the procurement process is not required to contract for services with any county-owned or operated facility. The regional support network procurement process shall provide that public funds appropriated by the legislature shall not be used to promote or deter, encourage, or discourage employees from exercising their rights under Title 29, chapter 7, subchapter II, United States Code or chapter 41.56 RCW.

(3) In addition to the requirements of RCW 71.24.035, contracts shall:

(a) Define administrative costs and ensure that the regional support network does not exceed an administrative cost of ten percent of available funds;

(b) Require effective collaboration with law enforcement, criminal justice agencies, and the chemical dependency treatment system;

(c) Require substantial implementation of department adopted integrated screening and assessment process and matrix of best practices;

(d) Maintain the decision-making independence of designated mental health professionals;

(e) Except at the discretion of the secretary or as specified in the biennial budget, require regional support networks to pay the state for the costs associated with individuals who are being served on the grounds of the state hospitals and who are not receiving long-term inpatient care as defined in RCW 71.24.025;

(f) Include a negotiated alternative dispute resolution clause; and

(g) Include a provision requiring either party to provide one hundred eighty days' notice of any issue that may cause either party to voluntarily terminate, refuse to renew, or refuse to sign a mandatory amendment to the contract to act as a regional support network. If either party decides to voluntarily terminate, refuse to renew, or refuse to sign a mandatory amendment to the contract to serve as a regional support network they shall provide ninety days' advance notice in writing to the other party. The ombudsman office shall maximize the use of consumer advocates. [2005 c 504 § 803.]

**71.24.360 Establishment of new regional support networks.** (1) The department may establish new regional support network boundaries in any part of the state:

(a) Where more than one network chooses not to respond to, or is unable to substantially meet the requirements of, the request for qualifications under RCW 71.24.320;

(b) Where a regional support network is subject to reprocurement under RCW 71.24.330; or

(c) Where two or more regional support networks propose to reconfigure themselves to achieve consolidation, in which case the procurement process described in RCW 71.24.320 and 71.24.330(2) does not apply.

(2) The department may establish no fewer than six and no more than fourteen regional support networks under this chapter. No entity shall be responsible for more than three regional support networks. [2012 c 91 § 1; 2005 c 504 § 805.]

(2) Except as expressly provided in contracts entered into between the department and the regional support networks after March 29, 2006, the entities identified in subsec-

tion (3) of this section shall have no claim for declaratory relief, injunctive relief, judicial review under chapter 34.05 RCW, or civil liability against the state or state agencies for actions or inactions performed pursuant to the administration of this chapter with regard to the following: (a) The allocation or payment of federal or state funds; (b) the use or allocation of state hospital beds; or (c) financial responsibility for the provision of inpatient mental health care.

(3) This section applies to counties, regional support networks, and entities which contract to provide regional support network services and their subcontractors, agents, or employees. [2006 c 333 § 103.]

**Finding—Purpose—Intent—Severability—Part headings not law—Effective dates—2006 c 333:** See notes following RCW 71.24.016.

**71.24.400 Streamlining delivery system—Finding.** The legislature finds that the current complex set of federal, state, and local rules and regulations, audited and administered at multiple levels, which affect the community mental health service delivery system, focus primarily on the process of providing mental health services and do not sufficiently address consumer and system outcomes. The legislature finds that the department and the community mental health service delivery system must make ongoing efforts to achieve the purposes set forth in RCW 71.24.015 related to reduced administrative layering, duplication, elimination of process measures not specifically required by the federal government for the receipt of federal funds, and reduced administrative costs. [2001 c 323 § 18; 1999 c 10 § 10; 1995 c 96 § 1; 1994 c 259 § 1.]

**Purpose—Intent—1999 c 10:** See note following RCW 71.24.025.

**71.24.405 Streamlining delivery system.** The department shall establish a comprehensive and collaborative effort within regional support networks and with local mental health service providers aimed at creating innovative and streamlined community mental health service delivery systems, in order to carry out the purposes set forth in RCW 71.24.400 and to capture the diversity of the community mental health service delivery system.

The department must accomplish the following:

(1) Identification, review, and cataloging of all rules, regulations, duplicative administrative and monitoring functions, and other requirements that currently lead to inefficiencies in the community mental health service delivery system and, if possible, eliminate the requirements;

(2) The systematic and incremental development of a single system of accountability for all federal, state, and local funds provided to the community mental health service delivery system. Systematic efforts should be made to include federal and local funds into the single system of accountability;

(3) The elimination of process regulations and related contract and reporting requirements. In place of the regulations and requirements, a set of outcomes for mental health adult and children clients according to chapter 71.24 RCW must be used to measure the performance of mental health service providers and regional support networks. Such outcomes shall focus on stabilizing out-of-home and hospital care, increasing stable community living, increasing age-

appropriate activities, achieving family and consumer satisfaction with services, and system efficiencies;

(4) Evaluation of the feasibility of contractual agreements between the department of social and health services and regional support networks and mental health service providers that link financial incentives to the success or failure of mental health service providers and regional support networks to meet outcomes established for mental health service clients;

(5) The involvement of mental health consumers and their representatives. Mental health consumers and their representatives will be involved in the development of outcome standards for mental health clients under \*section 5 of this act; and

(6) An independent evaluation component to measure the success of the department in fully implementing the provisions of RCW 71.24.400 and this section. [2001 c 323 § 19; 1999 c 10 § 11; 1995 c 96 § 2; 1994 c 259 § 2.]

**\*Reviser's note:** Section 5 of this act was vetoed by the governor.

**Purpose—Intent—1999 c 10:** See note following RCW 71.24.025.

**71.24.415 Streamlining delivery system—Department duties to achieve outcomes.** To carry out the purposes specified in RCW 71.24.400, the department is encouraged to utilize its authority to eliminate any unnecessary rules, regulations, standards, or contracts, to immediately eliminate duplication of audits or any other unnecessarily duplicated functions, and to seek any waivers of federal or state rules or regulations necessary to achieve the purpose of streamlining the community mental health service delivery system and infusing it with incentives that reward efficiency, positive outcomes for clients, and quality services. [1999 c 10 § 12; 1995 c 96 § 3; 1994 c 259 § 4.]

**Purpose—Intent—1999 c 10:** See note following RCW 71.24.025.

Additional notes found at [www.leg.wa.gov](http://www.leg.wa.gov)

**71.24.420 Expenditure of federal funds.** The department shall operate the community mental health service delivery system authorized under this chapter within the following constraints:

(1) The full amount of federal funds for mental health services, plus qualifying state expenditures as appropriated in the biennial operating budget, shall be appropriated to the department each year in the biennial appropriations act to carry out the provisions of the community mental health service delivery system authorized in this chapter.

(2) The department may expend funds defined in subsection (1) of this section in any manner that will effectively accomplish the outcome measures defined in \*section 5 of this act.

(3) The department shall implement strategies that accomplish the outcome measures identified in \*section 5 of this act that are within the funding constraints in this section.

(4) The department shall monitor expenditures against the appropriation levels provided for in subsection (1) of this section. [2001 c 323 § 2.]

**\*Reviser's note:** Section 5 of this act was vetoed by the governor.

**71.24.430 Collaborative service delivery.** (1) The department shall ensure the coordination of allied services for mental health clients. The department shall implement strategies for resolving organizational, regulatory, and funding issues at all levels of the system, including the state, the regional support networks, and local service providers.

(2) The department shall propose, in operating budget requests, transfers of funding among programs to support collaborative service delivery to persons who require services from multiple department programs. The department shall report annually to the appropriate committees of the senate and house of representatives on actions and projects it has taken to promote collaborative service delivery. [2001 c 323 § 3.]

**71.24.450 Offenders with mental illnesses—Findings and intent.** (1) Many acute and chronically mentally ill offenders are delayed in their release from Washington correctional facilities due to their inability to access reasonable treatment and living accommodations prior to the maximum expiration of their sentences. Often the offender reaches the end of his or her sentence and is released without any follow-up care, funds, or housing. These delays are costly to the state, often lead to psychiatric relapse, and result in unnecessary risk to the public.

These offenders rarely possess the skills or emotional stability to maintain employment or even complete applications to receive entitlement funding. Nationwide only five percent of diagnosed schizophrenics are able to maintain part-time or full-time employment. Housing and appropriate treatment are difficult to obtain.

This lack of resources, funding, treatment, and housing creates additional stress for the mentally ill offender, impairing self-control and judgment. When the mental illness is instrumental in the offender's patterns of crime, such stresses may lead to a worsening of his or her illness, reoffending, and a threat to public safety.

(2) It is the intent of the legislature to create a pilot program to provide for postrelease mental health care and housing for a select group of mentally ill offenders entering community living, in order to reduce incarceration costs, increase public safety, and enhance the offender's quality of life. [1997 c 342 § 1.]

**71.24.455 Offenders with mental illnesses—Contracts for specialized access and services.** (1) The secretary shall select and contract with a regional support network or private provider to provide specialized access and services to mentally ill offenders upon release from total confinement within the department of corrections who have been identified by the department of corrections and selected by the regional support network or private provider as high-priority clients for services and who meet service program entrance criteria. The program shall enroll no more than twenty-five offenders at any one time, or a number of offenders that can be accommodated within the appropriated funding level, and shall seek to fill any vacancies that occur.

(2) Criteria shall include a determination by department of corrections staff that:

(a) The offender suffers from a major mental illness and needs continued mental health treatment;

(b) The offender's previous crime or crimes have been determined by either the court or department of corrections staff to have been substantially influenced by the offender's mental illness;

(c) It is believed the offender will be less likely to commit further criminal acts if provided ongoing mental health care;

(d) The offender is unable or unlikely to obtain housing and/or treatment from other sources for any reason; and

(e) The offender has at least one year remaining before his or her sentence expires but is within six months of release to community housing and is currently housed within a work release facility or any department of corrections' division of prisons facility.

(3) The regional support network or private provider shall provide specialized access and services to the selected offenders. The services shall be aimed at lowering the risk of recidivism. An oversight committee composed of a representative of the department, a representative of the selected regional support network or private provider, and a representative of the department of corrections shall develop policies to guide the pilot program, provide dispute resolution including making determinations as to when entrance criteria or required services may be waived in individual cases, advise the department of corrections and the regional support network or private provider on the selection of eligible offenders, and set minimum requirements for service contracts. The selected regional support network or private provider shall implement the policies and service contracts. The following services shall be provided:

(a) Intensive case management to include a full range of intensive community support and treatment in client-to-staff ratios of not more than ten offenders per case manager including: (i) A minimum of weekly group and weekly individual counseling; (ii) home visits by the program manager at least two times per month; and (iii) counseling focusing on relapse prevention and past, current, or future behavior of the offender.

(b) The case manager shall attempt to locate and procure housing appropriate to the living and clinical needs of the offender and as needed to maintain the psychiatric stability of the offender. The entire range of emergency, transitional, and permanent housing and involuntary hospitalization must be considered as available housing options. A housing subsidy may be provided to offenders to defray housing costs up to a maximum of six thousand six hundred dollars per offender per year and be administered by the case manager. Additional funding sources may be used to offset these costs when available.

(c) The case manager shall collaborate with the assigned prison, work release, or community corrections staff during release planning, prior to discharge, and in ongoing supervision of the offender while under the authority of the department of corrections.

(d) Medications including the full range of psychotropic medications including atypical antipsychotic medications may be required as a condition of the program. Medication prescription, medication monitoring, and counseling to sup-

(2012 Ed.)

port offender understanding, acceptance, and compliance with prescribed medication regimens must be included.

(e) A systematic effort to engage offenders to continuously involve themselves in current and long-term treatment and appropriate rehabilitative activities shall be made.

(f) Classes appropriate to the clinical and living needs of the offender and appropriate to his or her level of understanding.

(g) The case manager shall assist the offender in the application and qualification for entitlement funding, including medicaid, state assistance, and other available government and private assistance at any point that the offender is qualified and resources are available.

(h) The offender shall be provided access to daily activities such as drop-in centers, prevocational and vocational training and jobs, and volunteer activities.

(4) Once an offender has been selected into the pilot program, the offender shall remain in the program until the end of his or her sentence or unless the offender is released from the pilot program earlier by the department of corrections.

(5) Specialized training in the management and supervision of high-crime risk mentally ill offenders shall be provided to all participating mental health providers by the department and the department of corrections prior to their participation in the program and as requested thereafter.

(6) The pilot program provided for in this section must be providing services by July 1, 1998. [1997 c 342 § 2.]

**71.24.460 Offenders with mental illnesses—Report to legislature—Contingent termination of program.** The department, in collaboration with the department of corrections and the oversight committee created in RCW 71.24.455, shall track outcomes and submit to the legislature annual reports regarding services and outcomes. The reports shall include the following: (1) A statistical analysis regarding the reoffense and reinstitutionalization rate by the enrollees in the program set forth in RCW 71.24.455; (2) a quantitative description of the services provided in the program set forth in RCW 71.24.455; and (3) recommendations for any needed modifications in the services and funding levels to increase the effectiveness of the program set forth in RCW 71.24.455. By December 1, 2003, the department shall certify the reoffense rate for enrollees in the program authorized by RCW 71.24.455 to the office of financial management and the appropriate legislative committees. If the reoffense rate exceeds fifteen percent, the authorization for the department to conduct the program under RCW 71.24.455 is terminated on January 1, 2004. [1999 c 10 § 13; 1997 c 342 § 4.]

**Purpose—Intent—1999 c 10:** See note following RCW 71.24.025.

**71.24.470 Offenders with mental illness who are believed to be dangerous—Contract for case management—Use of appropriated funds.** (1) The secretary shall contract, to the extent that funds are appropriated for this purpose, for case management services and such other services as the secretary deems necessary to assist offenders identified under RCW 72.09.370 for participation in the offender reentry community safety program. The contracts may be with

regional support networks or any other qualified and appropriate entities.

(2) The case manager has the authority to assist these offenders in obtaining the services, as set forth in the plan created under RCW 72.09.370(2), for up to five years. The services may include coordination of mental health services, assistance with unfunded medical expenses, obtaining chemical dependency treatment, housing, employment services, educational or vocational training, independent living skills, parenting education, anger management services, and such other services as the case manager deems necessary.

(3) The legislature intends that funds appropriated for the purposes of RCW 72.09.370, 71.05.145, and 71.05.212, and this section and distributed to the regional support networks are to supplement and not to supplant general funding. Funds appropriated to implement RCW 72.09.370, 71.05.145, and 71.05.212, and this section are not to be considered available resources as defined in RCW 71.24.025 and are not subject to the priorities, terms, or conditions in the appropriations act established pursuant to RCW 71.24.035.

(4) The offender reentry community safety program was formerly known as the community integration assistance program. [2009 c 319 § 1; 1999 c 214 § 9.]

**Intent—Effective date—1999 c 214:** See notes following RCW 72.09.370.

**71.24.480 Offenders with mental illness who are believed to be dangerous—Limitation on liability due to treatment—Reporting requirements.** (1) A licensed service provider or regional support network, acting in the course of the provider's or network's duties under this chapter, is not liable for civil damages resulting from the injury or death of another caused by a participant in the offender reentry community safety program who is a client of the provider or network, unless the act or omission of the provider or network constitutes:

- (a) Gross negligence;
- (b) Willful or wanton misconduct; or
- (c) A breach of the duty to warn of and protect from a client's threatened violent behavior if the client has communicated a serious threat of physical violence against a reasonably ascertainable victim or victims.

(2) In addition to any other requirements to report violations, the licensed service provider and regional support network shall report an offender's expressions of intent to harm or other predatory behavior, regardless of whether there is an ascertainable victim, in progress reports and other established processes that enable courts and supervising entities to assess and address the progress and appropriateness of treatment.

(3) A licensed service provider's or regional support network's mere act of treating a participant in the offender reentry community safety program is not negligence. Nothing in this subsection alters the licensed service provider's or regional support network's normal duty of care with regard to the client.

(4) The limited liability provided by this section applies only to the conduct of licensed service providers and regional support networks and does not apply to conduct of the state.

(5) For purposes of this section, "participant in the offender reentry community safety program" means a person who has been identified under RCW 72.09.370 as an offender

who: (a) Is reasonably believed to be dangerous to himself or herself or others; and (b) has a mental disorder. [2009 c 319 § 2; 2002 c 173 § 1.]

**71.24.805 Mental health system review—Performance audit recommendations affirmed.** The legislature affirms its support for those recommendations of the performance audit of the public mental health system conducted by the joint legislative audit and review committee relating to: Improving the coordination of services for clients with multiple needs; improving the consistency of client, service, and fiscal data collected by the mental health division; replacing process-oriented accountability activities with a uniform statewide outcome measurement system; and using outcome information to identify and provide incentives for best practices in the provision of public mental health services. **71.24.840 Mental health system review—Study of long-term outcomes.** The Washington institute for public policy shall conduct a longitudinal study of long-term client outcomes to assess any changes in client status at two, five, and ten years. The measures tracked shall include client change as a result of services, employment and/or education, housing stability, criminal justice involvement, and level of services needed. The institute shall report these long-term outcomes to the appropriate policy and fiscal committee of the legislature annually beginning not later than December 31, 2005. [2001 c 334 § 5.]

**71.32.010 Legislative declaration—Findings.** (1) The legislature declares that an individual with capacity has the ability to control decisions relating to his or her own mental health care. The legislature finds that:

(a) Some mental illnesses cause individuals to fluctuate between capacity and incapacity;

(b) During periods when an individual's capacity is unclear, the individual may be unable to access needed treatment because the individual may be unable to give informed consent;

(2012 Ed.)

(c) Early treatment may prevent an individual from becoming so ill that involuntary treatment is necessary; and

(d) Mentally ill individuals need some method of expressing their instructions and preferences for treatment and providing advance consent to or refusal of treatment.

The legislature recognizes that a mental health advance directive can be an essential tool for an individual to express his or her choices at a time when the effects of mental illness have not deprived him or her of the power to express his or her instructions or preferences.

(2) The legislature further finds that:

(a) A mental health advance directive must provide the individual with a full range of choices;

(b) Mentally ill individuals have varying perspectives on whether they want to be able to revoke a directive during periods of incapacity;

(c) For a mental health advance directive to be an effective tool, individuals must be able to choose how they want their directives treated during periods of incapacity; and

(d) There must be clear standards so that treatment providers can readily discern an individual's treatment choices.

Consequently, the legislature affirms that, pursuant to other provisions of law, a validly executed mental health advance directive is to be respected by agents, guardians, and other surrogate decision makers, health care providers, professional persons, and health care facilities. [2003 c 283 § 1.]

(3) Obligate any health care provider, professional person, or health care facility to be responsible for the nontreatment personal care of the principal or the principal's personal affairs outside the scope of services the facility normally provides;

(4) Replace or supersede the provisions of any will or testamentary document or supersede the provisions of intestate succession;

(5) Be revoked by an incapacitated principal unless that principal selected the option to permit revocation while incapacitated at the time his or her directive was executed; or

(6) Be used as the authority for inpatient admission for more than fourteen days in any twenty-one day period. [2003 c 283 § 7.]

**71.32.080 Revocation—Waiver.** (1)(a) A principal with capacity may, by written statement by the principal or at the principal's direction in the principal's presence, revoke a directive in whole or in part.

(b) An incapacitated principal may revoke a directive only if he or she elected at the time of executing the directive to be able to revoke when incapacitated.

(2) The revocation need not follow any specific form so long as it is written and the intent of the principal can be discerned. In the case of a directive that is stored in the health care declarations registry created by RCW 70.122.130, the revocation may be by an online method established by the department of health. Failure to use the online method of revocation for a directive that is stored in the registry does not invalidate a revocation that is made by another method described under this section.

(3) The principal shall provide a copy of his or her written statement of revocation to his or her agent, if any, and to each health care provider, professional person, or health care facility that received a copy of the directive from the principal.

(4) The written statement of revocation is effective:

(a) As to a health care provider, professional person, or health care facility, upon receipt. The professional person, health care provider, or health care facility, or persons acting under their direction shall make the statement of revocation part of the principal's medical record; and

(b) As to the principal's agent, upon receipt. The principal's agent shall notify the principal's health care provider, professional person, or health care facility of the revocation and provide them with a copy of the written statement of revocation.

(5) A directive also may:

(a) Be revoked, in whole or in part, expressly or to the extent of any inconsistency, by a subsequent directive; or

(b) Be superseded or revoked by a court order, including any order entered in a criminal matter. A directive may be superseded by a court order regardless of whether the order contains an explicit reference to the directive. To the extent a directive is not in conflict with a court order, the directive remains effective, subject to the provisions of RCW 71.32.150. A directive shall not be interpreted in a manner that interferes with: (i) Incarceration or detention by the

department of corrections, in a city or county jail, or by the department of social and health services; or (ii) treatment of a principal who is subject to involuntary treatment pursuant to chapter 10.77, 70.96A, 71.05, 71.09, or 71.34 RCW.

(6) A directive that would have otherwise expired but is effective because the principal is incapacitated remains effective until the principal is no longer incapacitated unless the principal has elected to be able to revoke while incapacitated and has revoked the directive.

(7) When a principal with capacity consents to treatment that differs from, or refuses treatment consented to in, the provisions of his or her directive, the consent or refusal constitutes a waiver of that provision and does not constitute a revocation of the provision or directive unless the principal also revokes the directive or provision. [2006 c 108 § 5; 2003 c 283 § 8.]

**Finding—Intent—2006 c 108:** See note following RCW 70.122.130.

**71.32.090 Witnesses.** A witness may not be any of the following:

(1) A person designated to make health care decisions on the principal's behalf;

(2) A health care provider or professional person directly involved with the provision of care to the principal at the time the directive is executed;

(3) An owner, operator, employee, or relative of an owner or operator of a health care facility or long-term care facility in which the principal is a patient or resident;

(4) A person who is related by blood, marriage, or adoption to the person or with whom the principal has a dating relationship, as defined in RCW 26.50.010;

(5) A person who is declared to be an incapacitated person; or

(6) A person who would benefit financially if the principal making the directive undergoes mental health treatment. [2003 c 283 § 9.]

**71.32.100 Appointment of agent.** (1) If a directive authorizes the appointment of an agent, the provisions of chapter 11.94 RCW and RCW 7.70.065 shall apply unless otherwise stated in this chapter.

(2) The principal who appoints an agent must notify the agent in writing of the appointment.

(3) An agent must act in good faith.

(4) An agent may make decisions on behalf of the principal. Unless the principal has revoked the directive, the decisions must be consistent with the instructions and preferences the principal has expressed in the directive, or if not expressed, as otherwise known to the agent. If the principal's instructions or preferences are not known, the agent shall make a decision he or she determines is in the best interest of the principal.

(5) Except to the extent the right is limited by the appointment or any federal or state law, the agent has the same right as the principal to receive, review, and authorize the use and disclosure of the principal's health care information when the agent is acting on behalf of the principal and to the extent required for the agent to carry out his or her duties. This subsection shall be construed to be consistent with chapters 70.02, 70.24, 70.96A, 71.05, and 71.34 RCW, and with federal law regarding health care information.

(6) Unless otherwise provided in the appointment and agreed to in writing by the agent, the agent is not, as a result of acting in the capacity of agent, personally liable for the cost of treatment provided to the principal.

(7) An agent may resign or withdraw at any time by giving written notice to the principal. The agent must also give written notice to any health care provider, professional person, or health care facility providing treatment to the principal. The resignation or withdrawal is effective upon receipt unless otherwise specified in the resignation or withdrawal.

(8) If the directive gives the agent authority to act while the principal has capacity, the decisions of the principal supersede those of the agent at any time the principal has capacity.

(9) Unless otherwise provided in the durable power of attorney, the principal may revoke the agent's appointment as provided under other state law. [2003 c 283 § 10.]

**71.32.110 Determination of capacity.** (1) For the purposes of this chapter, a principal, agent, professional person, or health care provider may seek a determination whether the principal is incapacitated or has regained capacity.

(2)(a) For the purposes of this chapter, no adult may be declared an incapacitated person except by:

(i) A court, if the request is made by the principal or the principal's agent;

(ii) One mental health professional and one health care provider; or

(iii) Two health care providers.

(b) One of the persons making the determination under (a)(ii) or (iii) of this subsection must be a psychiatrist, psychologist, or a psychiatric advanced registered nurse practitioner.

(3) When a professional person or health care provider requests a capacity determination, he or she shall promptly inform the principal that:

(a) A request for capacity determination has been made; and

(b) The principal may request that the determination be made by a court.

(4) At least one mental health professional or health care provider must personally examine the principal prior to making a capacity determination.

(5)(a) When a court makes a determination whether a principal has capacity, the court shall, at a minimum, be informed by the testimony of one mental health professional familiar with the principal and shall, except for good cause, give the principal an opportunity to appear in court prior to the court making its determination.

(b) To the extent that local court rules permit, any party or witness may testify telephonically.

(6) When a court has made a determination regarding a principal's capacity and there is a subsequent change in the principal's condition, subsequent determinations whether the principal is incapacitated may be made in accordance with any of the provisions of subsection (2) of this section. [2003 c 283 § 11.]

**71.32.120 Action to contest directive.** A principal may bring an action to contest the validity of his or her directive. If an action under this section is commenced while an action

to determine the principal's capacity is pending, the court shall consolidate the actions and decide the issues simultaneously. [2003 c 283 § 12.]

**71.32.130 Determination of capacity—Reevaluations of capacity.** (1) An initial determination of capacity must be completed within forty-eight hours of a request made by a person authorized in RCW 71.32.110. During the period

between the request for an initial determination of the principal's capacity and completion of that determination, the principal may not be treated unless he or she consents at the time or treatment is otherwise authorized by state or federal law.

(2)(a)(i) When an incapacitated principal is admitted to inpatient treatment pursuant to the provisions of his or her directive, his or her capacity must be reevaluated within seventy-two hours or when there has been a change in the principal's condition that indicates that he or she appears to have regained capacity, whichever occurs first.

(ii) When an incapacitated principal has been admitted to and remains in inpatient treatment for more than seventy-two hours pursuant to the provisions of his or her directive, the principal's capacity must be reevaluated when there has been a change in his or her condition that indicates that he or she appears to have regained capacity.

(iii) When a principal who is being treated on an inpatient basis and has been determined to be incapacitated requests, or his or her agent requests, a redetermination of the principal's capacity the redetermination must be made within seventy-two hours.

(b) When a principal who has been determined to be incapacitated is being treated on an outpatient basis and there is a request for a redetermination of his or her capacity, the redetermination must be made within five days of the first request following a determination.

(3)(a) When a principal who has appointed an agent for mental health treatment decisions requests a determination or redetermination of capacity, the agent must make reasonable efforts to obtain the determination or redetermination.

(b) When a principal who does not have an agent for mental health treatment decisions is being treated in an inpatient facility and requests a determination or redetermination of capacity, the mental health professional or health care provider must complete the determination or, if the principal is seeking a determination from a court, must make reasonable efforts to notify the person authorized to make decisions for the principal under RCW 7.70.065 of the principal's request.

(c) When a principal who does not have an agent for mental health treatment decisions is being treated on an outpatient basis, the person requesting a capacity determination must arrange for the determination.

(4) If no determination has been made within the time frames established in subsection (1) or (2) of this section, the principal shall be considered to have capacity.

(5) When an incapacitated principal is being treated pursuant to his or her directive, a request for a redetermination of capacity does not prevent treatment. [2003 c 283 § 13.]

**71.32.140 Refusal of admission to inpatient treatment—Effect of directive.** (1) A principal who:

(a) Chose not to be able to revoke his or her directive during any period of incapacity;

(b) Consented to voluntary admission to inpatient mental health treatment, or authorized an agent to consent on the principal's behalf; and

(c) At the time of admission to inpatient treatment, refuses to be admitted, may only be admitted into inpatient mental health treatment under subsection (2) of this section.

(2) A principal may only be admitted to inpatient mental health treatment under his or her directive if, prior to admission, a member of the treating facility's professional staff who is a physician or psychiatric advanced registered nurse practitioner:

(a) Evaluates the principal's mental condition, including a review of reasonably available psychiatric and psychological history, diagnosis, and treatment needs, and determines, in conjunction with another health care provider or mental health professional, that the principal is incapacitated;

(b) Obtains the informed consent of the agent, if any, designated in the directive;

(c) Makes a written determination that the principal needs an inpatient evaluation or is in need of inpatient treatment and that the evaluation or treatment cannot be accomplished in a less restrictive setting; and

(d) Documents in the principal's medical record a summary of the physician's or psychiatric advanced registered nurse practitioner's findings and recommendations for treatment or evaluation.

(3) In the event the admitting physician is not a psychiatrist, or the advanced registered nurse practitioner is not a psychiatric advanced registered nurse practitioner, the principal shall receive a complete psychological assessment by a mental health professional within twenty-four hours of admission to determine the continued need for inpatient evaluation or treatment.

(4)(a) If it is determined that the principal has capacity, then the principal may only be admitted to, or remain in, inpatient treatment if he or she consents at the time or is detained under the involuntary treatment provisions of chapter 70.96A, 71.05, or 71.34 RCW.

(b) If a principal who is determined by two health care providers or one mental health professional and one health care provider to be incapacitated continues to refuse inpatient treatment, the principal may immediately seek injunctive relief for release from the facility.

(5) If, at the end of the period of time that the principal or the principal's agent, if any, has consented to voluntary inpatient treatment, but no more than fourteen days after admission, the principal has not regained capacity or has regained capacity but refuses to consent to remain for additional treatment, the principal must be released during reasonable daylight hours, unless detained under chapter 70.96A, 71.05, or 71.34 RCW.

(6)(a) Except as provided in (b) of this subsection, any principal who is voluntarily admitted to inpatient mental health treatment under this chapter shall have all the rights provided to individuals who are voluntarily admitted to inpatient treatment under chapter 71.05, 71.34, or 72.23 RCW.

(b) Notwithstanding RCW 71.05.050 regarding consent to inpatient treatment for a specified length of time, the choices an incapacitated principal expressed in his or her directive shall control, provided, however, that a principal

who takes action demonstrating a desire to be discharged, in addition to making statements requesting to be discharged, shall be discharged, and no principal shall be restrained in any way in order to prevent his or her discharge. Nothing in this subsection shall be construed to prevent detention and evaluation for civil commitment under chapter 71.05 RCW.

(7) Consent to inpatient admission in a directive is effective only while the professional person, health care provider, and health care facility are in substantial compliance with the material provisions of the directive related to inpatient treatment. [2009 c 217 § 12; 2004 c 39 § 2; 2003 c 283 § 14.]

**Finding—Intent—2004 c 39:** "Questions have been raised about the intent of the legislature in cross-referencing RCW 71.05.050 without further clarification in RCW 71.32.140. The legislature finds that because RCW 71.05.050 pertains to a variety of rights as well as the procedures for detaining a voluntary patient for evaluation for civil commitment, and the legislature intended only to address the right of release upon request, there is ambiguity as to whether an incapacitated person admitted pursuant to his or her mental health advance directive and seeking release can be held for evaluation for civil commitment under chapter 71.05 RCW. The legislature therefore intends to clarify the ambiguity without making any change to its intended policy as laid out in chapter 71.32 RCW." [2004 c 39 § 1.]

**71.32.150 Compliance with directive—Conditions for noncompliance.** (1) Upon receiving a directive, a health care provider, professional person, or health care facility providing treatment to the principal, or persons acting under the direction of the health care provider, professional person, or health care facility, shall make the directive a part of the principal's medical record and shall be deemed to have actual knowledge of the directive's contents.

(2) When acting under authority of a directive, a health care provider, professional person, or health care facility shall act in accordance with the provisions of the directive to the fullest extent possible, unless in the determination of the health care provider, professional person, or health care facility:

(a) Compliance with the provision would violate the accepted standard of care established in RCW 7.70.040;

(b) The requested treatment is not available;

(c) Compliance with the provision would violate applicable law; or

(d) It is an emergency situation and compliance would endanger any person's life or health.

(3)(a) In the case of a principal committed or detained under the involuntary treatment provisions of chapter 10.77, 70.96A, 71.05, 71.09, or 71.34 RCW, those provisions of a principal's directive that, in the determination of the health care provider, professional person, or health care facility, are inconsistent with the purpose of the commitment or with any order of the court relating to the commitment are invalid during the commitment.

(b) Remaining provisions of a principal's directive are advisory while the principal is committed or detained.

The treatment provider is encouraged to follow the remaining provisions of the directive, except as provided in (a) of this subsection or subsection (2) of this section.

(4) In the case of a principal who is incarcerated or committed in a state or local correctional facility, provisions of the principal's directive that are inconsistent with reasonable penological objectives or administrative hearings regarding involuntary medication are invalid during the period of incarceration or commitment. In addition, treatment may be given

despite refusal of the principal or the provisions of the directive: (a) For any reason under subsection (2) of this section; or (b) if, without the benefit of the specific treatment measure, there is a significant possibility that the person will harm self or others before an improvement of the person's condition occurs.

(5)(a) If the health care provider, professional person, or health care facility is, at the time of receiving the directive, unable or unwilling to comply with any part or parts of the directive for any reason, the health care provider, professional person, or health care facility shall promptly notify the principal and, if applicable, his or her agent and shall document the reason in the principal's medical record.

(b) If the health care provider, professional person, or health care facility is acting under authority of a directive and is unable to comply with any part or parts of the directive for the reasons listed in subsection (2) or (3) of this section, the health care provider, professional person, or health care facility shall promptly notify the principal and if applicable, his or her agent, and shall document the reason in the principal's medical record.

(6) In the event that one or more parts of the directive are not followed because of one or more of the reasons set forth in subsection (2) or (4) of this section, all other parts of the directive shall be followed.

(7) If no provider-patient relationship has previously been established, nothing in this chapter requires the establishment of a provider-patient relationship. [2003 c 283 § 15.]

**71.32.160 Electroconvulsive therapy.** Where a principal consents in a directive to electroconvulsive therapy, the health care provider, professional person, or health care facility, or persons acting under the direction of the health care provider, professional person, or health care facility, shall document the therapy and the reason it was used in the principal's medical record. [2003 c 283 § 16.]

**71.32.170 Providers—Immunity from liability—Conditions.** (1) For the purposes of this section, "provider" means a private or public agency, government entity, health care provider, professional person, health care facility, or person acting under the direction of a health care provider or professional person, health care facility, or long-term care facility.

(2) A provider is not subject to civil liability or sanctions for unprofessional conduct under the uniform disciplinary act, chapter 18.130 RCW, when in good faith and without negligence:

(a) The provider provides treatment to a principal in the absence of actual knowledge of the existence of a directive, or provides treatment pursuant to a directive in the absence of actual knowledge of the revocation of the directive;

(b) A health care provider or mental health professional determines that the principal is or is not incapacitated for the purpose of deciding whether to proceed according to a directive, and acts upon that determination;

(c) The provider administers or does not administer mental health treatment according to the principal's directive in good faith reliance upon the validity of the directive and the directive is subsequently found to be invalid;

(d) The provider does not provide treatment according to the directive for one of the reasons authorized under RCW 71.32.150; or

(e) The provider provides treatment according to the principal's directive. [2003 c 283 § 17.]

**71.32.180 Multiple directives, agents—Effect—Disclosure of court orders.** (1) Where an incapacitated principal has executed more than one valid directive and has not revoked any of the directives:

(a) The directive most recently created shall be treated as the principal's mental health treatment preferences and instructions as to any inconsistent or conflicting provisions, unless provided otherwise in either document.

(b) Where a directive executed under this chapter is inconsistent with a directive executed under any other chapter, the most recently created directive controls as to the inconsistent provisions.

(2) Where an incapacitated principal has appointed more than one agent under chapter 11.94 RCW with authority to make mental health treatment decisions, RCW 11.94.010 controls.

(3) The treatment provider shall inquire of a principal whether the principal is subject to any court orders that would affect the implementation of his or her directive. [2003 c 283 § 18.]

**71.32.190 Preexisting, foreign directives—Validity.** (1) Directives validly executed before July 27, 2003, shall be given full force and effect until revoked, superseded, or expired.

(2) A directive validly executed in another political jurisdiction is valid to the extent permitted by Washington state law. [2003 c 283 § 19.]

**71.32.200 Fraud, duress, undue influence—Appointment of guardian.** Any person with reasonable cause to believe that a directive has been created or revoked under circumstances amounting to fraud, duress, or undue influence may petition the court for appointment of a guardian for the person or to review the actions of the agent or person alleged to be involved in improper conduct under RCW 11.94.090 or 74.34.110. [2003 c 283 § 20.]

**71.32.210 Execution of directive not evidence of mental disorder or lack of capacity.** The fact that a person has executed a directive does not constitute an indication of mental disorder or that the person is not capable of providing informed consent. [2003 c 283 § 21.]

**71.32.220 Requiring directive prohibited.** A person shall not be required to execute or to refrain from executing a directive, nor shall the existence of a directive be used as a criterion for insurance, as a condition for receiving mental or physical health services, or as a condition of admission to or discharge from a health care facility or long-term care facility. [2003 c 283 § 22.]

**71.32.230 Coercion, threats prohibited.** No person or health care facility may use or threaten abuse, neglect, financial exploitation, or abandonment of the principal, as those

terms are defined in RCW 74.34.020, to carry out the directive. [2003 c 283 § 23.]

**71.32.240 Other authority not limited.** A directive does not limit any authority otherwise provided in Title 10, 70, or 71 RCW, or any other applicable state or federal laws to detain a person, take a person into custody, or to admit, retain, or treat a person in a health care facility. [2003 c 283 § 24.]

**71.32.250 Long-term care facility residents—Readmission after inpatient mental health treatment—Evaluation, report to legislature.** (1) If a principal who is a resident of a long-term care facility is admitted to inpatient mental health treatment pursuant to his or her directive, the principal shall be allowed to be readmitted to the same long-term care facility as if his or her inpatient admission had been for a physical condition on the same basis that the principal would be readmitted under state or federal statute or rule when:

(a) The treating facility's professional staff determine that inpatient mental health treatment is no longer medically necessary for the resident. The determination shall be made in writing by a psychiatrist, psychiatric advanced registered nurse practitioner, or a mental health professional and either

(i) a physician or (ii) psychiatric advanced registered nurse practitioner; or

(b) The person's consent to admission in his or her directive has expired.

(2)(a) If the long-term care facility does not have a bed available at the time of discharge, the treating facility may discharge the resident, in consultation with the resident and agent if any, and in accordance with a medically appropriate discharge plan, to another long-term care facility.

(b) This section shall apply to inpatient mental health treatment admission of long-term care facility residents, regardless of whether the admission is directly from a facility, hospital emergency room, or other location.

(c) This section does not restrict the right of the resident to an earlier release from the inpatient treatment facility. This section does not restrict the right of a long-term care facility to initiate transfer or discharge of a resident who is readmitted pursuant to this section, provided that the facility has complied with the laws governing the transfer or discharge of a resident.

(3) The joint legislative audit and review committee shall conduct an evaluation of the operation and impact of this section. The committee shall report its findings to the appropriate committees of the legislature by December 1, 2004. [2009 c 217 § 13; 2003 c 283 § 25.]

**71.32.260 Form.** The directive shall be in substantially the following form:

Mental Health Advance Directive

**NOTICE TO PERSONS**

**CREATING A MENTAL HEALTH ADVANCE DIRECTIVE**

This is an important legal document. It creates an advance directive for mental health treatment. Before signing this document you should know these important facts:

(1) This document is called an advance directive and allows you to make decisions in advance about your mental health treatment, including medications, short-term admission to inpatient treatment and electroconvulsive therapy.

**YOU DO NOT HAVE TO FILL OUT OR SIGN THIS FORM.  
IF YOU DO NOT SIGN THIS FORM, IT WILL NOT TAKE EFFECT.**

If you choose to complete and sign this document, you may still decide to leave some items blank.

(2) You have the right to appoint a person as your agent to make treatment decisions for you. You must notify your agent that you have appointed him or her as an agent. The person you appoint has a duty to act consistently with your wishes made known by you. If your agent does not know what your wishes are, he or she has a duty to act in your best interest. Your agent has the right to withdraw from the appointment at any time.

(3) The instructions you include with this advance directive and the authority you give your agent to act will only become effective under the conditions you select in this document. You may choose to limit this directive and your agent's authority to times when you are incapacitated or to times when you are exhibiting symptoms or behavior that you specify. You may also make this directive effective immediately. No matter when you choose to make this directive effective, your treatment providers must still seek your informed consent at all times that you have capacity to give informed consent.

(4) You have the right to revoke this document in writing at any time you have capacity.

**YOU MAY NOT REVOKE THIS DIRECTIVE WHEN YOU HAVE BEEN FOUND TO BE  
INCAPACITATED UNLESS YOU HAVE SPECIFICALLY STATED IN THIS DIRECTIVE THAT  
YOU WANT IT TO BE REVOCABLE WHEN YOU ARE INCAPACITATED.**

(5) This directive will stay in effect until you revoke it unless you specify an expiration date. If you specify an expiration date and you are incapacitated at the time it expires, it will remain in effect until you have capacity to make treatment decisions again unless you chose to be able to revoke it while you are incapacitated and you revoke the directive.

(6) You cannot use your advance directive to consent to civil commitment. The procedures that apply to your advance directive are different than those provided for in the Involuntary Treatment Act. Involuntary treatment is a different process.

- (7) If there is anything in this directive that you do not understand, you should ask a lawyer to explain it to you.
- (8) You should be aware that there are some circumstances where your provider may not have to follow your directive.
- (9) You should discuss any treatment decisions in your directive with your provider.
- (10) You may ask the court to rule on the validity of your directive.

**PART I.**  
**STATEMENT OF INTENT TO CREATE A**  
**MENTAL HEALTH ADVANCE DIRECTIVE**

I, . . . . . being a person with capacity, willfully and voluntarily execute this mental health advance directive so that my choices regarding my mental health care will be carried out in circumstances when I am unable to express my instructions and preferences regarding my mental health care. If a guardian is appointed by a court to make mental health decisions for me, I intend this document to take precedence over all other means of ascertaining my intent.

The fact that I may have left blanks in this directive does not affect its validity in any way. I intend that all completed sections be followed. If I have not expressed a choice, my agent should make the decision that he or she determines is in my best interest. I intend this directive to take precedence over any other directives I have previously executed, to the extent that they are inconsistent with this document, or unless I expressly state otherwise in either document.

I understand that I may revoke this directive in whole or in part if I am a person with capacity. I understand that I cannot revoke this directive if a court, two health care providers, or one mental health professional and one health care provider find that I am an incapacitated person, unless, when I executed this directive, I chose to be able to revoke this directive while incapacitated.

I understand that, except as otherwise provided in law, revocation must be in writing. I understand that nothing in this directive, or in my refusal of treatment to which I consent in this directive, authorizes any health care provider, professional person, health care facility, or agent appointed in this directive to use or threaten to use abuse, neglect, financial exploitation, or abandonment to carry out my directive.

I understand that there are some circumstances where my provider may not have to follow my directive.

**PART II.**  
**WHEN THIS DIRECTIVE IS EFFECTIVE**

*YOU MUST COMPLETE THIS PART FOR YOUR DIRECTIVE TO BE VALID.*

I intend that this directive become effective (*YOU MUST CHOOSE ONLY ONE*):

- . . . . . Immediately upon my signing of this directive.
- . . . . . If I become incapacitated.
- . . . . . When the following circumstances, symptoms, or behaviors occur: . . . . .
- . . . . .
- . . . . .

**PART III.**  
**DURATION OF THIS DIRECTIVE**

*YOU MUST COMPLETE THIS PART FOR YOUR DIRECTIVE TO BE VALID.*

I want this directive to (*YOU MUST CHOOSE ONLY ONE*):

- . . . . . Remain valid and in effect for an indefinite period of time.
- . . . . . Automatically expire . . . . . years from the date it was created.

**PART IV.**  
**WHEN I MAY REVOKE THIS DIRECTIVE**

*YOU MUST COMPLETE THIS PART FOR THIS DIRECTIVE TO BE VALID.*

I intend that I be able to revoke this directive (*YOU MUST CHOOSE ONLY ONE*):

- . . . . . Only when I have capacity.  
 I understand that choosing this option means I may only revoke this directive if I have capacity. I further understand that if I choose this option and become incapacitated while this directive is in effect, I may receive treatment that I specify in this directive, even if I object at the time.
- . . . . . Even if I am incapacitated.  
 I understand that choosing this option means that I may revoke this directive even if I am incapacitated. I further understand that if I choose this option and revoke this directive while I am incapacitated I may not receive treatment that I specify in this directive, even if I want the treatment.

**71.34.010 Purpose—Parental participation in treatment decisions—Parental control of minor children during treatment.** It is the purpose of this chapter to assure that minors in need of mental health care and treatment receive an appropriate continuum of culturally relevant care and treatment, including prevention and early intervention, self-directed care, parent-directed care, and involuntary treatment. To facilitate the continuum of care and treatment to minors in out-of-home placements, all divisions of the

department that provide mental health services to minors shall jointly plan and deliver those services.

It is also the purpose of this chapter to protect the rights of minors against needless hospitalization and deprivations of liberty and to enable treatment decisions to be made in response to clinical needs in accordance with sound professional judgment. The mental health care and treatment providers shall encourage the use of voluntary services and, whenever clinically appropriate, the providers shall offer less restrictive alternatives to inpatient treatment. Additionally, all mental health care and treatment providers shall assure that minors' parents are given an opportunity to participate in the treatment decisions for their minor children. The mental health care and treatment providers shall, to the extent possible, offer services that involve minors' parents or family.

It is also the purpose of this chapter to assure the ability of parents to exercise reasonable, compassionate care and control of their minor children when there is a medical necessity for treatment and without the requirement of filing a petition under this chapter. [1998 c 296 § 7; 1992 c 205 § 302; 1985 c 354 § 1.]

(1) "Child psychiatrist" means a person having a license as a physician and surgeon in this state, who has had graduate training in child psychiatry in a program approved by the American Medical Association or the American Osteopathic Association, and who is board eligible or board certified in child psychiatry.

(2) "Children's mental health specialist" means:

(a) A mental health professional who has completed a minimum of one hundred actual hours, not quarter or semester hours, of specialized training devoted to the study of child development and the treatment of children; and

(b) A mental health professional who has the equivalent of one year of full-time experience in the treatment of children under the supervision of a children's mental health specialist.

(3) "Commitment" means a determination by a judge or court commissioner, made after a commitment hearing, that the minor is in need of inpatient diagnosis, evaluation, or treatment or that the minor is in need of less restrictive alternative treatment.

A physically separate and separately-operated portion of a state hospital may be designated as an evaluation and treatment facility for minors. A facility which is part of or operated by

the department or federal agency does not require certification. No correctional institution or facility, juvenile court detention facility, or jail may be an evaluation and treatment facility within the meaning of this chapter.

(7) "Evaluation and treatment program" means the total system of services and facilities coordinated and approved by a county or combination of counties for the evaluation and treatment of minors under this chapter.

(8) "Gravely disabled minor" means a minor who, as a result of a mental disorder, is in danger of serious physical harm resulting from a failure to provide for his or her essential human needs of health or safety, or manifests severe deterioration in routine functioning evidenced by repeated and escalating loss of cognitive or volitional control over his or her actions and is not receiving such care as is essential for his or her health or safety.

(9) "Inpatient treatment" means twenty-four-hour-per-day mental health care provided within a general hospital, psychiatric hospital, or residential treatment facility certified by the department as an evaluation and treatment facility for minors.

(12) "Medical necessity" for inpatient care means a requested service which is reasonably calculated to: (a) Diagnose, correct, cure, or alleviate a mental disorder; or (b) prevent the worsening of mental conditions that endanger life or cause suffering and pain, or result in illness or infirmity or threaten to cause or aggravate a handicap, or cause physical deformity or malfunction, and there is no adequate less restrictive alternative available.

(13) "Mental disorder" means any organic, mental, or emotional impairment that has substantial adverse effects on an individual's cognitive or volitional functions. The presence of alcohol abuse, drug abuse, juvenile criminal history, antisocial behavior, or intellectual disabilities alone is insufficient to justify a finding of "mental disorder" within the meaning of this section.

(14) "Mental health professional" means a psychiatrist, psychologist, psychiatric nurse, or social worker, and such other mental health professionals as may be defined by rules adopted by the secretary under this chapter.

(15) "Minor" means any person under the age of eighteen years.

"Psychiatric nurse" shall also mean any other registered nurse who has three years of such experience.

(20) "Psychiatrist" means a person having a license as a physician in this state who has completed residency training in psychiatry in a program approved by the American Medical Association or the American Osteopathic Association, and is board eligible or board certified in psychiatry.

(21) "Psychologist" means a person licensed as a psychologist under chapter 18.83 RCW.

(22) "Responsible other" means the minor, the minor's parent or estate, or any other person legally responsible for support of the minor.

**71.34.610 Review of admission and inpatient treatment of minors—Determination of medical necessity—Department review—Minor declines necessary treatment—At-risk youth petition—Costs—Public funds.** (1) The department shall assure that, for any minor admitted to inpatient treatment under RCW 71.34.600, a review is conducted by a physician or other mental health professional who is employed by the department, or an agency under contract with the department, and who neither has a financial interest in continued inpatient treatment of the minor nor is affiliated with the facility providing the treatment. The physician or other mental health professional shall conduct the review not less than seven nor more than fourteen days following the date the minor was brought to the facility under RCW 71.34.600 to determine whether it is a medical necessity to continue the minor's treatment on an inpatient basis.

(2) In making a determination under subsection (1) of this section, the department shall consider the opinion of the treatment provider, the safety of the minor, and the likelihood the minor's mental health will deteriorate if released from inpatient treatment. The department shall consult with the parent in advance of making its determination.

(3) If, after any review conducted by the department under this section, the department determines it is no longer a medical necessity for a minor to receive inpatient treatment, the department shall immediately notify the parents and the facility. The facility shall release the minor to the parents within twenty-four hours of receiving notice. If the profes-

sional person in charge and the parent believe that it is a medical necessity for the minor to remain in inpatient treatment, the minor shall be released to the parent on the second judicial day following the department's determination in order to allow the parent time to file an at-risk youth petition under chapter 13.32A RCW. If the department determines it is a medical necessity for the minor to receive outpatient treatment and the minor declines to obtain such treatment, such refusal shall be grounds for the parent to file an at-risk youth petition.

(4) If the evaluation conducted under RCW 71.34.600 is done by the department, the reviews required by subsection (1) of this section shall be done by contract with an independent agency.

(5) The department may, subject to available funds, contract with other governmental agencies to conduct the reviews under this section. The department may seek reimbursement from the parents, their insurance, or medicaid for the expense of any review conducted by an agency under contract.

(6) In addition to the review required under this section, the department may periodically determine and redetermine the medical necessity of treatment for purposes of payment with public funds. [1998 c 296 § 9; 1995 c 312 § 56. Formerly RCW 71.34.025.]

**71.34.620 Minor may petition court for release from facility.** Following the review conducted under RCW 71.34.610, a minor child may petition the superior court for his or her release from the facility. The petition may be filed not sooner than five days following the review. The court shall release the minor unless it finds, upon a preponderance of the evidence, that it is a medical necessity for the minor to remain at the facility. [1998 c 296 § 19. **71.34.640 Evaluation of treatment of minors.** The department shall randomly select and review the information on children who are admitted to inpatient treatment on appli-

cation of the child's parent regardless of the source of payment, if any. The review shall determine whether the children reviewed were appropriately admitted into treatment based on an objective evaluation of the child's condition and the outcome of the child's treatment. **71.34.650 Parent may request determination whether minor has mental disorder requiring outpatient treatment—Consent of minor not required—Discharge of minor.** (1) A parent may bring, or authorize the bringing of, his or her minor child to a provider of outpatient mental health treatment and request that an appropriately trained professional person examine the minor to determine whether the minor has a mental disorder and is in need of outpatient treatment.

(2) The consent of the minor is not required for evaluation if the parent brings the minor to the provider.

(3) The professional person may evaluate whether the minor has a mental disorder and is in need of outpatient treatment.

(4) Any minor admitted to inpatient treatment under RCW 71.34.500 or 71.34.600 shall be discharged immediately from inpatient treatment upon written request of the parent. [1998 c 296 § 18. Formerly RCW 71.34.054.]

**71.34.660 Limitation on liability for admitting or accepting minor child.** A minor child shall have no cause of action against an evaluation and treatment facility, inpatient facility, or provider of outpatient mental health treatment for admitting or accepting the minor in good faith for evaluation or treatment under RCW 71.34.600 or 71.34.650 based solely upon the fact that the minor did not consent to evaluation or treatment if the minor's parent has consented to the evaluation or treatment. [2005 c 371 § 3.]

## INVOLUNTARY COMMITMENT

**71.34.700 Evaluation of minor thirteen or older brought for immediate mental health services—Temporary detention.** If a minor, thirteen years or older, is brought to an evaluation and treatment facility or hospital emergency room for immediate mental health services, the professional person in charge of the facility shall evaluate the minor's mental condition, determine whether the minor suffers from a mental disorder, and whether the minor is in need of immediate inpatient treatment. If it is determined that the minor suffers from a mental disorder, inpatient treatment is required, the minor is unwilling to consent to voluntary admission, and the professional person believes that the minor meets the criteria for initial detention set forth herein, the facility may detain or arrange for the detention of the minor for up to twelve hours in order to enable a \*county-designated mental health professional to evaluate the minor and commence ini-

tial detention proceedings under the provisions of this chapter. [1985 c 354 § 4. Formerly RCW 71.34.040.]

**\*Reviser's note:** The term "county-designated mental health professional" as defined in RCW 71.34.020 was changed to "designated mental health professional" by 2006 c 93 § 2.

**71.34.710 Minor thirteen or older who presents likelihood of serious harm or is gravely disabled—Transport to inpatient facility—Petition for initial detention—Notice of commitment hearing—Facility to evaluate and admit or release minor.** (1) When a \*county-designated mental health professional receives information that a minor, thirteen years or older, as a result of a mental disorder presents a likelihood of serious harm or is gravely disabled, has investigated the specific facts alleged and of the credibility of the person or persons providing the information, and has determined that voluntary admission for inpatient treatment is not possible, the \*county-designated mental health professional may take the minor, or cause the minor to be taken, into custody and transported to an evaluation and treatment facility providing inpatient treatment.

If the minor is not taken into custody for evaluation and treatment, the parent who has custody of the minor may seek review of that decision made by the \*county designated mental health professional in court. The parent shall file notice with the court and provide a copy of the \*county designated mental health professional's report or notes.

(2) Within twelve hours of the minor's arrival at the evaluation and treatment facility, the \*county-designated mental health professional shall serve on the minor a copy of the petition for initial detention, notice of initial detention, and statement of rights. The \*county-designated mental health professional shall file with the court on the next judicial day following the initial detention the original petition for initial detention, notice of initial detention, and statement of rights along with an affidavit of service. The \*county-designated mental health professional shall commence service of the petition for initial detention and notice of the initial detention on the minor's parent and the minor's attorney as soon as possible following the initial detention.

(3) At the time of initial detention, the \*county-designated mental health professional shall advise the minor both orally and in writing that if admitted to the evaluation and treatment facility for inpatient treatment, a commitment hearing shall be held within seventy-two hours of the minor's provisional acceptance to determine whether probable cause exists to commit the minor for further mental health treatment.

The minor shall be advised that he or she has a right to communicate immediately with an attorney and that he or she has a right to have an attorney appointed to represent him or her before and at the hearing if the minor is indigent.

(4) Whenever the \*county designated mental health professional petitions for detention of a minor under this chapter, an evaluation and treatment facility providing seventy-two hour evaluation and treatment must immediately accept on a provisional basis the petition and the person. Within twenty-four hours of the minor's arrival, the facility must evaluate the minor's condition and either admit or release the minor in accordance with this chapter.

(5) If a minor is not approved for admission by the inpatient evaluation and treatment facility, the facility shall make such recommendations and referrals for further care and treatment of the minor as necessary. [1995 c 312 § 53; 1985 c 354 § 5. Formerly RCW 71.34.050.]

**\*Reviser's note:** The term "county-designated mental health professional" as defined in RCW 71.34.020 was changed to "designated mental health professional" by 2006 c 93 § 2.

**71.34.720 Examination and evaluation of minor approved for inpatient admission—Referral to chemical dependency treatment program—Right to communication, exception—Evaluation and treatment period.** (1)

Each minor approved by the facility for inpatient admission shall be examined and evaluated by a children's mental health specialist as to the child's mental condition and by a physician or psychiatric advanced registered nurse practitioner as to the child's physical condition within twenty-four hours of admission. Reasonable measures shall be taken to ensure medical treatment is provided for any condition requiring immediate medical attention.

(2) If, after examination and evaluation, the children's mental health specialist and the physician or psychiatric advanced registered nurse practitioner determine that the initial needs of the minor would be better served by placement in a chemical dependency treatment facility, then the minor shall be referred to an approved treatment program defined under RCW 70.96A.020.

(3) The admitting facility shall take reasonable steps to notify immediately the minor's parent of the admission.

(4) During the initial seventy-two hour treatment period, the minor has a right to associate or receive communications from parents or others unless the professional person in charge determines that such communication would be seriously detrimental to the minor's condition or treatment and so indicates in the minor's clinical record, and notifies the minor's parents of this determination. In no event may the minor be denied the opportunity to consult an attorney.

(5) If the evaluation and treatment facility admits the minor, it may detain the minor for evaluation and treatment for a period not to exceed seventy-two hours from the time of provisional acceptance. The computation of such seventy-two hour period shall exclude Saturdays, Sundays, and holidays. This initial treatment period shall not exceed seventy-two hours except when an application for voluntary inpatient treatment is received or a petition for fourteen-day commitment is filed.

(6) Within twelve hours of the admission, the facility shall advise the minor of his or her rights as set forth in this chapter. [2009 c 217 § 16; 1991 c 364 § 12; 1985 c 354 § 6. Formerly RCW 71.34.060.]

**Findings—Construction—Conflict with federal requirements—1991 c 364:** See notes following RCW 70.96A.020.

**71.34.730 Petition for fourteen-day commitment—Requirements.** (1) The professional person in charge of an evaluation and treatment facility where a minor has been admitted involuntarily for the initial seventy-two hour treatment period under this chapter may petition to have a minor

committed to an evaluation and treatment facility for fourteen-day diagnosis, evaluation, and treatment.

If the professional person in charge of the treatment and evaluation facility does not petition to have the minor committed, the parent who has custody of the minor may seek review of that decision in court. The parent shall file notice with the court and provide a copy of the treatment and evaluation facility's report.

(2) A petition for commitment of a minor under this section shall be filed with the superior court in the county where the minor is residing or being detained.

(a) A petition for a fourteen-day commitment shall be signed by (i) two physicians, (ii) two psychiatric advanced registered nurse practitioners, (iii) a mental health professional and either a physician or a psychiatric advanced registered nurse practitioner, or (iv) a physician and a psychiatric advanced registered nurse practitioner. The person signing the petition must have examined the minor, and the petition must contain the following:

(A) The name and address of the petitioner;

(B) The name of the minor alleged to meet the criteria for fourteen-day commitment;

(C) The name, telephone number, and address if known of every person believed by the petitioner to be legally responsible for the minor;

(D) A statement that the petitioner has examined the minor and finds that the minor's condition meets required criteria for fourteen-day commitment and the supporting facts therefor;

(E) A statement that the minor has been advised of the need for voluntary treatment but has been unwilling or unable to consent to necessary treatment;

(F) A statement that the minor has been advised of the loss of firearm rights if involuntarily committed;

(G) A statement recommending the appropriate facility or facilities to provide the necessary treatment; and

(H) A statement concerning whether a less restrictive alternative to inpatient treatment is in the best interests of the minor.

(b) A copy of the petition shall be personally delivered to the minor by the petitioner or petitioner's designee. A copy of the petition shall be sent to the minor's attorney and the minor's parent. [2009 c 293 § 6; 2009 c 217 § 17; 1995 c 312 § 54; 1985 c 354 § 7. Formerly RCW 71.34.070.]

**Reviser's note:** This section was amended by 2009 c 217 § 17 and by 2009 c 293 § 6, each without reference to the other. Both amendments are incorporated in the publication of this section under RCW 1.12.025(2). For rule of construction, see RCW 1.12.025(1).

**71.34.740 Commitment hearing—Requirements—Findings by court—Commitment—Release.** (1) A commitment hearing shall be held within seventy-two hours of the minor's admission, excluding Saturday, Sunday, and holidays, unless a continuance is requested by the minor or the minor's attorney.

(2) The commitment hearing shall be conducted at the superior court or an appropriate place at the facility in which the minor is being detained.

(3) At the commitment hearing, the evidence in support of the petition shall be presented by the county prosecutor.

(4) The minor shall be present at the commitment hearing unless the minor, with the assistance of the minor's attorney, waives the right to be present at the hearing.

(5) If the parents are opposed to the petition, they may be represented at the hearing and shall be entitled to court-appointed counsel if they are indigent.

(6) At the commitment hearing, the minor shall have the following rights:

- (a) To be represented by an attorney;
- (b) To present evidence on his or her own behalf;
- (c) To question persons testifying in support of the petition.

(7) The court at the time of the commitment hearing and before an order of commitment is entered shall inform the minor both orally and in writing that the failure to make a good faith effort to seek voluntary treatment as provided in RCW 71.34.730 will result in the loss of his or her firearm rights if the minor is subsequently detained for involuntary treatment under this section.

(8) If the minor has received medication within twenty-four hours of the hearing, the court shall be informed of that fact and of the probable effects of the medication.

(9) Rules of evidence shall not apply in fourteen-day commitment hearings.

(10) For a fourteen-day commitment, the court must find by a preponderance of the evidence that:

- (a) The minor has a mental disorder and presents a "likelihood of serious harm" or is "gravely disabled";
- (b) The minor is in need of evaluation and treatment of the type provided by the inpatient evaluation and treatment facility to which continued inpatient care is sought or is in need of less restrictive alternative treatment found to be in the best interests of the minor; and
- (c) The minor is unwilling or unable in good faith to consent to voluntary treatment.

(11) If the court finds that the minor meets the criteria for a fourteen-day commitment, the court shall either authorize commitment of the minor for inpatient treatment or for less restrictive alternative treatment upon such conditions as are necessary. If the court determines that the minor does not meet the criteria for a fourteen-day commitment, the minor shall be released.

(12) Nothing in this section prohibits the professional person in charge of the evaluation and treatment facility from releasing the minor at any time, when, in the opinion of the professional person in charge of the facility, further inpatient treatment is no longer necessary. The release may be subject to reasonable conditions if appropriate.

Whenever a minor is released under this section, the professional person in charge shall within three days, notify the court in writing of the release.

(13) A minor who has been committed for fourteen days shall be released at the end of that period unless a petition for one hundred eighty-day commitment is pending before the court. [2009 c 293 § 7; 1985 c 354 § 8. Formerly RCW 71.34.080.]

**71.34.750 Petition for one hundred eighty-day commitment—Hearing—Requirements—Findings by court—Commitment order—Release—Successive commitments.** (1) At any time during the minor's period of four-

teen-day commitment, the professional person in charge may petition the court for an order requiring the minor to undergo an additional one hundred eighty-day period of treatment. The evidence in support of the petition shall be presented by the county prosecutor unless the petition is filed by the professional person in charge of a state-operated facility in which case the evidence shall be presented by the attorney general.

(2) The petition for one hundred eighty-day commitment shall contain the following:

- (a) The name and address of the petitioner or petitioners;
- (b) The name of the minor alleged to meet the criteria for one hundred eighty-day commitment;
- (c) A statement that the petitioner is the professional person in charge of the evaluation and treatment facility responsible for the treatment of the minor;
- (d) The date of the fourteen-day commitment order; and
- (e) A summary of the facts supporting the petition.

(3) The petition shall be supported by accompanying affidavits signed by (a) two examining physicians, one of whom shall be a child psychiatrist, or two psychiatric advanced registered nurse practitioners, one of whom shall be a child and adolescent or family psychiatric advanced registered nurse practitioner, (b) one children's mental health specialist and either an examining physician or a psychiatric advanced registered nurse practitioner, or (c) an examining physician and a psychiatric advanced registered nurse practitioner, one of which needs to be a child psychiatrist or a child and adolescent psychiatric nurse practitioner. The affidavits shall describe in detail the behavior of the detained minor which supports the petition and shall state whether a less restrictive alternative to inpatient treatment is in the best interests of the minor.

(4) The petition for one hundred eighty-day commitment shall be filed with the clerk of the court at least three days before the expiration of the fourteen-day commitment period. The petitioner or the petitioner's designee shall within twenty-four hours of filing serve a copy of the petition on the minor and notify the minor's attorney and the minor's parent. A copy of the petition shall be provided to such persons at least twenty-four hours prior to the hearing.

(5) At the time of filing, the court shall set a date within seven days for the hearing on the petition. The court may continue the hearing upon the written request of the minor or the minor's attorney for not more than ten days. The minor or the parents shall be afforded the same rights as in a fourteen-day commitment hearing. Treatment of the minor shall continue pending the proceeding.

(6) For one hundred eighty-day commitment, the court must find by clear, cogent, and convincing evidence that the minor:

- (a) Is suffering from a mental disorder;
- (b) Presents a likelihood of serious harm or is gravely disabled; and
- (c) Is in need of further treatment that only can be provided in a one hundred eighty-day commitment.

(7) If the court finds that the criteria for commitment are met and that less restrictive treatment in a community setting is not appropriate or available, the court shall order the minor committed for further inpatient treatment to the custody of the secretary or to a private treatment and evaluation facility

if the minor's parents have assumed responsibility for payment for the treatment. If the court finds that a less restrictive alternative is in the best interest of the minor, the court shall order less restrictive alternative treatment upon such conditions as necessary.

If the court determines that the minor does not meet the criteria for one hundred eighty-day commitment, the minor shall be released.

(8) Successive one hundred eighty-day commitments are permissible on the same grounds and under the same procedures as the original one hundred eighty-day commitment. Such petitions shall be filed at least five days prior to the expiration of the previous one hundred eighty-day commitment order. [2009 c 217 § 18; 1985 c 354 § 9. Formerly RCW 71.34.090.]

**71.34.760 Placement of minor in state evaluation and treatment facility—Placement committee—Facility to report to committee.** (1) If a minor is committed for one hundred eighty-day inpatient treatment and is to be placed in a state-supported program, the secretary shall accept immediately and place the minor in a state-funded long-term evaluation and treatment facility.

(2) The secretary's placement authority shall be exercised through a designated placement committee appointed by the secretary and composed of children's mental health specialists, including at least one child psychiatrist who represents the state-funded, long-term, evaluation and treatment facility for minors. The responsibility of the placement committee will be to:

(a) Make the long-term placement of the minor in the most appropriate, available state-funded evaluation and treatment facility, having carefully considered factors including the treatment needs of the minor, the most appropriate facility able to respond to the minor's identified treatment needs, the geographic proximity of the facility to the minor's family, the immediate availability of bed space, and the probable impact of the placement on other residents of the facility;

(b) Approve or deny requests from treatment facilities for transfer of a minor to another facility;

(c) Receive and monitor reports required under this section;

(d) Receive and monitor reports of all discharges.

(3) The secretary may authorize transfer of minors among treatment facilities if the transfer is in the best interests of the minor or due to treatment priorities.

(4) The responsible state-funded evaluation and treatment facility shall submit a report to the department's designated placement committee within ninety days of admission and no less than every one hundred eighty days thereafter, setting forth such facts as the department requires, including the minor's individual treatment plan and progress, recommendations for future treatment, and possible less restrictive treatment. [1985 c 354 § 10. Formerly RCW 71.34.100.]

**71.34.770 Release of minor—Conditional release—Discharge.** (1) The professional person in charge of the inpatient treatment facility may authorize release for the minor under such conditions as appropriate. Conditional release may be revoked pursuant to RCW 71.34.780 if leave

conditions are not met or the minor's functioning substantially deteriorates.

(2) Minors may be discharged prior to expiration of the commitment period if the treating physician, psychiatric advanced registered nurse practitioner, or professional person in charge concludes that the minor no longer meets commitment criteria. [2009 c 217 § 19; 1985 c 354 § 12. Formerly RCW 71.34.120.]

**71.34.780 Minor's failure to adhere to outpatient conditions—Deterioration of minor's functioning—Transport to inpatient facility—Order of apprehension and detention—Revocation of alternative treatment or conditional release—Hearings.** (1) If the professional person in charge of an outpatient treatment program, a \*county-designated mental health professional, or the secretary determines that a minor is failing to adhere to the conditions of the court order for less restrictive alternative treatment or the conditions for the conditional release, or that substantial deterioration in the minor's functioning has occurred, the \*county-designated mental health professional, or the secretary may order that the minor be taken into custody and transported to an inpatient evaluation and treatment facility.

(2) The \*county-designated mental health professional or the secretary shall file the order of apprehension and detention and serve it upon the minor and notify the minor's parent and the minor's attorney, if any, of the detention within two days of return. At the time of service the minor shall be informed of the right to a hearing and to representation by an attorney. The \*county-designated mental health professional or the secretary may modify or rescind the order of apprehension and detention at any time prior to the hearing.

(3) A petition for revocation of less restrictive alternative treatment shall be filed by the \*county-designated mental health professional or the secretary with the court in the county ordering the less restrictive alternative treatment. The court shall conduct the hearing in that county. A petition for revocation of conditional release may be filed with the court in the county ordering inpatient treatment or the county where the minor on conditional release is residing. A petition shall describe the behavior of the minor indicating violation of the conditions or deterioration of routine functioning and a dispositional recommendation. Upon motion for good cause, the hearing may be transferred to the county of the minor's residence or to the county in which the alleged violations occurred. The hearing shall be held within seven days of the minor's return. The issues to be determined are whether the minor did or did not adhere to the conditions of the less restrictive alternative treatment or conditional release, or whether the minor's routine functioning has substantially deteriorated, and, if so, whether the conditions of less restrictive alternative treatment or conditional release should be modified or whether the minor should be returned to inpatient treatment. Pursuant to the determination of the court, the minor shall be returned to less restrictive alternative treatment or conditional release on the same or modified conditions or shall be returned to inpatient treatment. If the minor is returned to inpatient treatment, RCW 71.34.760 regarding the secretary's placement responsibility shall apply. The hearing may be waived by the minor and the minor returned to inpatient treatment or to less restrictive alternative treat-

ment or conditional release on the same or modified conditions. [1985 c 354 § 11. Formerly RCW 71.34.110.]

**\*Reviser's note:** The term "county-designated mental health professional" as defined in RCW 71.34.020 was changed to "designated mental health professional" by 2006 c 93 § 2.

**71.34.790 Transportation for minors committed to state facility for one hundred eighty-day treatment.** Necessary transportation for minors committed to the secretary under this chapter for one hundred eighty-day treatment shall be provided by the department in the most appropriate and cost-effective means. [1985 c 354 § 15. Formerly RCW 71.34.150.]

**71.34.795 Transferring or moving persons from juvenile correctional institutions or facilities to evaluation and treatment facilities.** When in the judgment of the department the welfare of any person committed to or confined in any state juvenile correctional institution or facility necessitates that the person be transferred or moved for observation, diagnosis, or treatment to an evaluation and treatment facility, the secretary or the secretary's designee is authorized to order and effect such move or transfer for a period of up to fourteen days, provided that the secretary notifies the original committing court of the transfer and the evaluation and treatment facility is in agreement with the transfer. No person committed to or confined in any state juvenile correctional institution or facility may be transferred to an evaluation and treatment facility for more than fourteen days unless that person has been admitted as a voluntary patient or committed for one hundred eighty-day treatment under this chapter or ninety-day treatment under chapter 71.05 RCW if eighteen years of age or older. Underlying jurisdiction of minors transferred or committed under this section remains with the state correctional institution. A voluntary admitted minor or minors committed under this section and no longer meeting the criteria for one hundred eighty-day commitment shall be returned to the state correctional institution to serve the remaining time of the underlying dispositional order or sentence. The time spent by the minor at the evaluation and treatment facility shall be credited towards the minor's juvenile court sentence. [1985 c 354 § 19. Formerly RCW 71.34.180.]

**71.34.900 Severability—1985 c 354.** If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected. [1985 c 354 § 37.]

**71.34.901 Effective date—1985 c 354.** This act shall take effect January 1, 1986. [1985 c 354 § 38.]

**71A.10.010 Legislative finding—Intent—1988 c 176.** The legislature finds that the statutory authority for the programs, policies, and services of the department of social and health services for persons with developmental disabilities often lack[s] clarity and contain[s] internal inconsistencies. In addition, existing authority is in several chapters of the code and frequently contains obsolete language not reflecting current use. The legislature declares that it is in the public interest to unify and update statutes for programs, policies, and services provided to persons with developmental disabilities.

The legislature intends to recodify the authority for the programs, policies, and services for persons with developmental disabilities. This recodification is not intended to affect existing programs, policies, and services, nor to establish any new program, policies, or services not otherwise authorized before June 9, 1988. The legislature intends to provide only those services authorized under state law before June 9, 1988, and only to the extent funds are provided by the legislature. [1988 c 176 § 1.]

**71A.10.011 Intent—1995 c 383.** The legislature recognizes that the emphasis of state developmental disability services is shifting from institutional-based care to community services in an effort to increase the personal and social inde-

pendence and fulfillment of persons with developmental disabilities, consistent with state policy as expressed in RCW 71A.10.015. It is the intent of the legislature that financial savings achieved from program reductions and efficiencies within the developmental disabilities program shall be redirected within the program to provide public or private community-based services for eligible persons who would otherwise be unidentified or unserved. [1995 c 383 § 1.]

**71A.10.015 Declaration of policy.** The legislature recognizes the capacity of all persons, including those with developmental disabilities, to be personally and socially productive. The legislature further recognizes the state's obligation to provide aid to persons with developmental disabilities through a uniform, coordinated system of services to enable them to achieve a greater measure of independence and fulfillment and to enjoy all rights and privileges under the Constitution and laws of the United States and the state of Washington. [1988 c 176 § 101.]

**71A.10.020 Definitions.** As used in this title, the following terms have the meanings indicated unless the context clearly requires otherwise.

(1) "Community residential support services," or "community support services," and "in-home services" means one or more of the services listed in RCW 71A.12.040.

(2) "Crisis stabilization services" means services provided to persons with developmental disabilities who are experiencing behaviors that jeopardize the safety and stability of their current living situation. Crisis stabilization services include:

(a) Temporary intensive services and supports, typically not to exceed sixty days, to prevent psychiatric hospitalization, institutional placement, or other out-of-home placement; and

(b) Services designed to stabilize the person and strengthen their current living situation so the person may continue to safely reside in the community during and beyond the crisis period.

(3) "Department" means the department of social and health services.

(4) "Developmental disability" means a disability attributable to intellectual disability, cerebral palsy, epilepsy, autism, or another neurological or other condition of an individual found by the secretary to be closely related to an intellectual disability or to require treatment similar to that required for individuals with intellectual disabilities, which disability originates before the individual attains age eighteen, which has continued or can be expected to continue indefinitely, and which constitutes a substantial limitation to the individual. By January 1, 1989, the department shall promulgate rules which define neurological or other conditions in a way that is not limited to intelligence quotient scores as

the sole determinant of these conditions, and notify the legislature of this action.

(5) "Eligible person" means a person who has been found by the secretary under RCW 71A.16.040 to be eligible for services.

(6) "Habilitative services" means those services provided by program personnel to assist persons in acquiring and maintaining life skills and to raise their levels of physical, mental, social, and vocational functioning. Habilitative services include education, training for employment, and therapy.

(7) "Legal representative" means a parent of a person who is under eighteen years of age, a person's legal guardian, a person's limited guardian when the subject matter is within the scope of the limited guardianship, a person's attorney-at-law, a person's attorney-in-fact, or any other person who is authorized by law to act for another person.

(8) "Notice" or "notification" of an action of the secretary means notice in compliance with RCW 71A.10.060.

Respite care workers provide supervision, companionship, and personal care services temporarily replacing those provided by the primary caregiver of the person with disabilities. Respite care may include other services needed by the client, including medical care which must be provided by a licensed health care practitioner.

(11) "Secretary" means the secretary of social and health services or the secretary's designee.

(13) "State-operated living alternative" means programs for community residential services which may include assistance with activities of daily living, behavioral, habilitative, interpersonal, protective, medical, nursing, and mobility supports to individuals who have been assessed by the department as meeting state and federal requirements for eligibility in home and community-based waiver programs for individuals with developmental disabilities. State-operated living alternatives are operated and staffed with state employees.

(14) "Supported living" means community residential services and housing which may include assistance with activities of daily living, behavioral, habilitative, interpersonal, protective, medical, nursing, and mobility supports provided to individuals with disabilities who have been assessed by the department as meeting state and federal requirements for eligibility in home and community-based waiver programs for individuals with developmental disabilities. Supported living services are provided under contracts with private agencies or with individuals who are not state employees.

(15) "Vacancy" means an opening at a residential habilitation center, which when filled, would not require the center to exceed its biennially budgeted capacity. [2011 1st sp.s. c 30 § 3; 2010 c 94 § 21; 1998 c 216 § 2; 1988 c 176 § 102.]

**71A.10.030 Civil and parental rights not affected.** (1)

The existence of developmental disabilities does not affect the civil rights of the person with the developmental disability except as otherwise provided by law.

(2) The secretary's determination under RCW 71A.16.040 that a person is eligible for services under this title shall not deprive the person of any civil rights or privileges. The secretary's determination alone shall not constitute cause to declare the person to be legally incompetent.

(3) This title shall not be construed to deprive the parent or parents of any parental rights with relation to a child residing in a residential habilitation center, except as provided in this title for the orderly operation of such residential habilitation centers. [1988 c 176 § 103.]

**71A.10.040 Protection from discrimination.** Persons are protected from discrimination because of a developmental disability as well as other mental or physical handicaps by the law against discrimination, chapter 49.60 RCW, by other state and federal statutes, rules, and regulations, and by local ordinances, when the persons qualify as handicapped under those statutes, rules, regulations, and ordinances. [1988 c 176 § 104.]

**71A.10.050 Appeal of department actions—Right to.**

(1) An applicant or recipient or former recipient of a developmental disabilities service under this title from the department of social and health services has the right to appeal the following department actions:

(g) A decision to change a person's placement from one category of residential services to a different category of residential services.

The adjudicative proceeding is governed by the Administrative Procedure Act, chapter 34.05 RCW.

(2) This subsection applies only to an adjudicative proceeding in which the department action appealed is a decision to return a resident of a habilitation center to the community. The resident or his or her representative may appeal on the basis of whether the specific placement decision is in the best interests of the resident. When the resident or his or her representative files an application for an adjudicative proceeding under this section the department has the burden of proving that the specific placement decision is in the best interests of the resident.

(3) When the department takes any action described in subsection (1) of this section it shall give notice as provided by RCW 71A.10.060. The notice must include a statement advising the recipient of the right to an adjudicative proceeding and the time limits for filing an application for an adjudicative proceeding. (2) Notice to a person with a developmental disability shall be given in a way that the person is best able to understand. This can include reading or explaining the materials to the person.

(3) A person with a developmental disability may in writing request the secretary to give notice only to that person. The secretary shall comply with that direction unless the secretary denies the request because the person may be at risk of losing rights if the secretary complies with the request. The secretary shall give notice as provided in subsections (1) and (2) of this section. On filing an application with the secretary within thirty days of receipt of the notice, the person who made the request has the right to an adjudicative proceeding under RCW 71A.10.050 on the secretary's decision.

**71A.12.010 State and local program—Coordination—Continuum.** It is declared to be the policy of the state to authorize the secretary to develop and coordinate state services for persons with developmental disabilities; to encourage research and staff training for state and local personnel working with persons with developmental disabilities; and to cooperate with communities to encourage the establishment and development of services to persons with developmental disabilities through locally administered and locally controlled programs.

The complexities of developmental disabilities require the services of many state departments as well as those of the community. Services should be planned and provided as a part of a continuum. A pattern of facilities and services should be established, within appropriations designated for this purpose, which is sufficiently complete to meet the needs of each person with a developmental disability regardless of age or degree of handicap, and at each stage of the person's development. [1988 c 176 § 201.]

**71A.12.020 Objectives of program.** (1) To the extent that state, federal, or other funds designated for services to persons with developmental disabilities are available, the secretary shall provide every eligible person with habilitative services suited to the person's needs, regardless of age or degree of developmental disability.

(2) The secretary shall provide persons who receive services with the opportunity for integration with nonhandicapped and less handicapped persons to the greatest extent possible.

(3) The secretary shall establish minimum standards for habilitative services. Consumers, advocates, service providers, appropriate professionals, and local government agencies shall be involved in the development of the standards. [1988 c 176 § 202.]

**71A.12.025 Persons with developmental disabilities who commit crimes—Findings.** The legislature finds that among those persons who endanger the safety of others by committing crimes are a small number of persons with developmental disabilities. While their conduct is not typical of the vast majority of persons with developmental disabilities who are responsible citizens, for their own welfare and for the safety of others the state may need to exercise control over those few dangerous individuals who are developmentally disabled, have been charged with crimes that involve a threat to public safety or security, and have been found either incompetent to stand trial or not guilty by reason of insanity.

The legislature finds, however, that the use of civil commitment procedures under chapter 71.05 RCW to effect state control over dangerous developmentally disabled persons has

resulted in their commitment to institutions for the mentally ill. The legislature finds that existing programs in mental institutions may be inappropriate for persons who are developmentally disabled because the services provided in mental institutions are oriented to persons with mental illness, a condition not necessarily associated with developmental disabilities.

Therefore, the legislature believes that, where appropriate, and subject to available funds, persons with developmental disabilities who have been charged with crimes that involve a threat to public safety or security and have been found incompetent to stand trial or not guilty by reason of insanity should receive state services addressing their needs, that such services must be provided in conformance with an individual habilitation plan, and that their initial treatment should be separate and discrete from treatment for persons involved in any other treatment or habilitation program in a manner consistent with the needs of public safety. [1998 c 297 § 5; 1989 c 420 § 2. Formerly RCW 71.05.035.]

[1988 c 176 § 206.]

**71A.12.070 Payments under RCW 71A.12.060 supplemental to payments from other resources—Direct payments.** All payments made by the secretary under RCW 71A.12.060 shall, insofar as reasonably possible, be supplementary to payments to be made for the costs of care, support, and training in a community residential program by the estate of such resident of the residential habilitation center, or from any resource which such resident may have, or become entitled to, from any public, federal, or state agency. Payments by the secretary under this title may, in the secretary's discretion, be paid directly to community residential programs, or to counties having created developmental disability boards under chapter 71A.14 RCW. [1988 c 176 § 207.]

[1988 c 176 § 209.]

**71A.12.100 Other services.** Consistent with the general powers of the secretary and whether or not a particular person with a developmental disability is involved, the secretary may:

(2) The secretary by contract or by rule may impose standards for services contracted for by the secretary. [1988 c 176 § 211.]

**71A.12.120 Authority to participate in federal programs.** (1) The governor may take whatever action is necessary to enable the state to participate in the manner set forth in this title in any programs provided by any federal law and to designate state agencies authorized to administer within this state the several federal acts providing federal moneys to assist in providing services and training at the state or local level for persons with developmental disabilities and for persons who work with persons with developmental disabilities.

(2) Designated state agencies may apply for and accept and disburse federal grants, matching funds, or other funds or gifts or donations from any source available for use by the state or by local government to provide more adequate services for and habilitation of persons with developmental disabilities. [1988 c 176 § 212.]

**71A.12.130 Gifts—Acceptance, use, record.** The secretary may receive and accept from any person, organization, or estate gifts of money or personal property on behalf of a residential habilitation center, or the residents therein, or on behalf of the entire program for persons with developmental disabilities, or any part of the program, and to use the gifts for the purposes specified by the donor where such use is consistent with law. In the absence of a specified purpose, the secretary shall use such money or personal property for the general benefit of persons with developmental disabilities. The secretary shall keep an accurate record of the amount or kind of gift, the date received, manner expended, and the name and address of the donor. Any increase resulting from such gift may be used for the same purpose as the original gift. [1988 c 176 § 213.]

**71A.12.140 Duties of state agencies generally.** Each state agency that administers federal or state funds for services to persons with developmental disabilities, or for research or staff training in the field of developmental disabilities, shall:

(1) Investigate and determine the nature and extent of services within its legal authority that are presently available to persons with developmental disabilities in this state;

(2) Develop and prepare any state plan or application which may be necessary to establish the eligibility of the state or any community to participate in any program established by the federal government relating to persons with developmental disabilities;

The contracts may provide for the separate or joint maintenance, care, treatment, training, or education of persons. The contracts shall provide that all payments due to the state of Washington from the United States, its territories, or other states for services rendered under the contracts shall be paid to the department and transmitted to the state treasurer for deposit in the general fund. [1988 c 176 § 215.]

**71A.12.161 Individual and family services program—Rules.** (1) The individual and family services program for individuals eligible to receive services under this title is established. This program replaces family support opportunities, traditional family support, and the flexible family support pilot program. The department shall transfer funding associated with these existing family support programs to the individual and family services program and shall operate the program within available funding. The services provided under the individual and family services program shall be funded by state funding without benefit of federal match.

(2) The department shall adopt rules to implement this section. The rules shall provide:

(a) That eligibility to receive services in the individual and family services program be determined solely by an assessment of individual need;

(b) For service priority levels to be developed that specify a maximum amount of dollars for each person per level per year;

(c) That the dollar caps for each service priority level be adjusted by the vendor rate increases authorized by the legislature; and

(d) That the following services be available under the program:

(a) One-time exceptional needs and emergency needs for individuals and families not receiving individual and family services annual grants to assist individuals and families who experience a short-term crisis; and

(b) Respite services based on the department's assessment for:

(i) A parent who provides personal care in the home to his or her adult son or daughter with developmental disabilities; or

(ii) A family member who replaces the parent as the primary caregiver, resides with, and provides personal care in the home for the adult with developmental disabilities.

(4) If a person has more complex needs, a family is experiencing a more prolonged crisis, or it is determined a person needs additional services, the department shall assess the individual to determine if placement in a waiver program would be appropriate. [2009 c 312 § 1; 2007 c 283 § 2.]

**Findings—Intent—2007 c 283:** "(1) The legislature finds that:

(a) A developmental disability is a natural part of human life, and the presence of a developmental disability in the life of a person does not diminish the person's rights or opportunity to participate fully in the life of the local community;

(b) Investing in family members who have children and adults living in the family home preserves a valuable natural support system for the individual with a developmental disability and is also cost-effective for the state of Washington;

(c) Providing support services to families can help maintain the well-being of the family and stabilize the family unit.

(2) It is the intent of the legislature:

(a) To partner with families as care providers for children with developmental disabilities and adults who choose to live in the family home;

(b) That individual and family services be centered on the needs of the person with a developmental disability and the family;

(c) That, to the maximum extent possible, individuals and families must be given choice of services and exercise control over the resources available to them." [2007 c 283 § 1.]

**Short title—2007 c 283:** "This act may be known and cited as the Lance Morehouse, Jr. memorial individual and family services act." [2007 c 283 § 3.]

**Construction—2007 c 283:** "Nothing in this act shall be construed to create an entitlement to services or to create judicial authority to order the provision of services to any person or family if the services are unavailable or unsuitable, the child or family is not eligible for such services, or sufficient funding has not been appropriated for this program." [2007 c 283 § 4.]

**71A.12.200 Community protection program—Legislative approval.** The department of social and health services is providing a structured, therapeutic environment for persons who are eligible for placement in the community protection program in order for them to live safely and successfully in the community while minimizing the risk to public safety.

The legislature approves of steps already taken by the department to create a community protection program within the division of developmental disabilities. [2006 c 303 § 1.]

The notice must include a statement advising the person enrolled on the community protection waiver of the right to an adjudicative proceeding and the time limits for filing an application for an adjudicative proceeding. Notice must also include a statement advising the recipient of

the right to file a petition for judicial review of a final administrative decision as provided in chapter 34.05 RCW.

The team must review all restrictions and recommend reductions if appropriate. The therapist must write a report annually evaluating the participant's risk of offense and/or risk of behaviors that are dangerous to self or others. The department shall have rules in place describing this process. If a treatment team member has reason to be concerned that circumstances have changed significantly, the team member may request that a complete reassessment be conducted at any time. [2006 c 303 § 6.]

**71A.12.260 Community protection program—Less restrictive residential placement.** A participant who demonstrates success in complying with reduced restrictions and remains free of offenses that may indicate a relapse for at least twelve months, may be considered for placement in a less restrictive community residential setting.

The process to move a participant to a less restrictive residential placement shall include, at a minimum:

(2012 Ed.)

**71A.12.270 Community protection program—Enforcement actions.** (1) The department is authorized to take one or more of the enforcement actions listed in subsection (2) of this section when the department finds that a provider of residential services and support with whom the department entered into an agreement under this chapter has:

(a) Failed or refused to comply with the requirements of this chapter or the rules adopted under it;

(b) Failed or refused to cooperate with the certification process;

(c) Prevented or interfered with a certification, inspection, or investigation by the department;

(d) Failed to comply with any applicable requirements regarding vulnerable adults under chapter 74.34 RCW; or

(e) Knowingly, or with reason to know, made a false statement of material fact related to certification or contracting with the department, or in any matter under investigation by the department.

(2) The department may:

(a) Decertify or refuse to renew the certification of a provider;

(b) Impose conditions on a provider's certification status;

(c) Suspend department referrals to the provider; or

(d) Require a provider to implement a plan of correction developed by the department and to cooperate with subsequent monitoring of the provider's progress. In the event a provider fails to implement the plan of correction or fails to cooperate with subsequent monitoring, the department may impose civil penalties of not more than one hundred fifty dollars per day per violation. Each day during which the same or similar action or inaction occurs constitutes a separate violation.

(3) When determining the appropriate enforcement action or actions under subsection (2) of this section, the department must select actions commensurate with the seriousness of the harm or threat of harm to the persons being served by the provider. Further, the department may take enforcement actions that are more severe for violations that are uncorrected, repeated, pervasive, or which present a serious threat of harm to the health, safety, or welfare of persons served by the provider. The department shall by rule develop criteria for the selection and implementation of enforcement actions authorized in subsection (2) of this section. Rules adopted under this section shall include a process for an informal review upon request by a provider.

(4) The provisions of chapter 34.05 RCW apply to enforcement actions under this section. Except for the imposition of civil penalties, the effective date of enforcement actions shall not be delayed or suspended pending any hearing or informal review.

(5) The enforcement actions and penalties authorized in this section are not exclusive or exhaustive and nothing in this section prohibits the department from taking any other action authorized in statute or rule or under the terms of a contract with the provider. [2006 c 303 § 8.]

**71A.12.280 Community protection program—Rules, guidelines, and policy manuals.** The department shall develop and maintain rules, guidelines, or policy manuals, as

appropriate, for implementing and maintaining the community protection program under this chapter. [2006 c 303 § 9.]

**71A.12.290 Transition from employment services to community access program.** (1) Clients age twenty-one and older who are receiving employment services must be offered the choice to transition to a community access program after nine months of enrollment in an employment program, and the option to transition from a community access program to an employment program at any time. Enrollment in an employment program begins at the time the client is authorized to receive employment.

(2) Prior approval by the department shall not be required to effectuate the client's choice to transition from an employment program to community access services after verifying nine months of participation in employment-related services.

(3) The department shall inform clients and their legal representatives of all available options for employment and day services, including the opportunity to request an exception from enrollment in an employment program. Information provided to the client and the client's legal representative must include the types of activities each service option provides, and the amount, scope, and duration of service for which the client would be eligible under each service option. An individual client may be authorized for only one service option, either employment services or community access services. Clients may not participate in more than one of these services at any given time.

(4) The department shall work with counties and stakeholders to strengthen and expand the existing community access program, including the consideration of options that allow for alternative service settings outside of the client's residence. The program should emphasize support for the clients so that they are able to participate in activities that integrate them into their community and support independent living and skills.

(5) The department shall develop rules to allow for an exception to the requirement that a client participate in an employment program for nine months prior to transitioning to a community access program. [2012 c 49 § 1.]

The governing authorities of more than one county by joint action may appoint a single developmental disability board. Nothing in this section shall prohibit a county or counties from combining the developmental disability board with another county board, such as a mental health board.

(2) Members appointed to the board shall include but not be limited to representatives of public, private, or voluntary agencies, representatives of local governmental units, and citizens knowledgeable about developmental disabilities or interested in services to persons with developmental disabilities in the community.

The secretary is authorized to promulgate rules establishing the eligibility of each county and the developmental disability board for state funds to be used for the work of the board in coordinating and providing services to persons with developmental disabilities and their families. An application for state funds shall be made by the board with the approval of the county governing authority, or by the county governing authority on behalf of the board. [1988 c 176 § 303.]

**71A.14.040 Applications for state funds—Review—Approval—Rules.** The secretary shall review the applications from the county governing authority made under RCW 71A.14.030. The secretary may approve an application if it meets the requirements of this chapter and the rules promulgated by the secretary. The secretary shall promulgate rules to assist in determining the amount of the grant. In promulgating the rules, the secretary shall consider the population of the area served, the needs of the area, and the ability of the community to provide funds for the developmental disability program provided in this title. [1988 c 176 § 304.]

**71A.14.050 Services to community may be required.** The department may require by rule that in order to be eligible for state funds, the county and the developmental disability

(2) Coordinate all local services for persons with developmental disabilities and their families to insure the maximum utilization of all available services;

(3) Prepare comprehensive plans for present and future development of services and for reasonable progress toward the coordination of all local services to persons with developmental disabilities. [1988 c 176 § 305.]

**71A.14.060 Local authority to provide services.** The secretary by rule may authorize the county and the developmental disability board to provide any service for persons with developmental disabilities that the department is authorized to provide, except for operating residential habilitation centers under chapter 71A.20 RCW. [1988 c 176 § 306.]

**71A.14.070 Confidentiality of information—Oath.** In order for the developmental disability board to plan, coordinate, and provide required services for persons with developmental disabilities, the county governing authority and the board shall be eligible to obtain such confidential information from public or private schools and the department as is necessary to accomplish the purposes of this chapter. Such information shall be kept in accordance with state law and rules promulgated by the secretary under chapter 34.05 RCW to permit the use of the information to coordinate and plan services. All persons permitted to have access to or to use such information shall sign an oath of confidentiality, substantially as follows:

"As a condition of obtaining information from (fill in facility, agency, or person) I, . . . ., agree not to divulge, publish, or otherwise make known to unauthorized persons or the public any information obtained in the course of using such confidential information, where release of such information may possibly make the person who received such services identifiable. I recognize that unauthorized release of confidential information may subject me to civil liability under state law."

[1988 c 176 § 307.]

**71A.14.080 Local authority to receive and spend funds.** The county governing authority and the developmental disability board created under RCW 71A.14.020 are authorized to receive and spend funds received from the state under this chapter, or any federal funds received through any state agency, or any gifts or donations received by it for the benefit of persons with developmental disabilities. [1988 c 176 § 308.]

71A.16.050	Determination of eligibility—Effect—Determination of appropriate services.

**71A.16.010 Referral for services—Admittance to residential habilitation centers—Expiration of subsections.** (1) It is the intention of the legislature in this chapter to establish a single point of referral for persons with developmental disabilities and their families so that they may have a place of entry and continuing contact for services authorized under this title to persons with developmental disabilities. Eligible persons with developmental disabilities, whether they live in the community or residential habilitation centers, should have the opportunity to choose where they live.

(2) Until June 30, 2003, and subject to subsection (3) of this section, if there is a vacancy in a residential habilitation center, the department shall offer admittance to the center to any eligible adult, or eligible adolescent on an exceptional case-by-case basis, with developmental disabilities if his or her assessed needs require the funded level of resources that are provided by the center.

(3) The department shall not offer a person admittance to a residential habilitation center under subsection (2) of this section unless the department also offers the person appropriate community support services listed in RCW 71A.12.040.

(4) Community support services offered under subsection (3) of this section may only be offered using funds specifically designated for this purpose in the state operating budget. When these funds are exhausted, the department may not offer admittance to a residential habilitation center, or community support services under this section.

(5) Nothing in this section shall be construed to create an entitlement to state services for persons with developmental disabilities.

(6) Subsections (2) through (6) of this section expire June 30, 2003. [1998 c 216 § 3; 1988 c 176 § 401.]

Additional notes found at [www.leg.wa.gov](http://www.leg.wa.gov)

**71A.16.020 Eligibility for services—Rules.** (1) A person is eligible for services under this title if the secretary finds that the person has a developmental disability as defined in \*RCW 71A.10.020(2).

(2) The secretary may adopt rules further defining and implementing the criteria in the definition of "developmental disability" under \*RCW 71A.10.020(2). [1988 c 176 § 402.]

**\*Reviser's note:** RCW 71A.10.020 was amended by 1998 c 216 § 2, changing subsection (2) to subsection (3). RCW 71A.10.020 was subsequently amended by 2011 1st sp.s. c 30 § 3, changing subsection (3) to subsection (4).

**71A.16.030 Outreach program—Determination of eligibility for services—Application.** (1) The department will develop an outreach program to ensure that any eligible person with developmental disabilities services in homes, the community, and residential habilitation centers will be made aware of these services. This subsection (1) expires June 30, 2003.

(2) The secretary shall establish a single procedure for persons to apply for a determination of eligibility for services provided to persons with developmental disabilities.

(3) Until June 30, 2003, the procedure set out under subsection (1) of this section must require that all applicants and all persons with developmental disabilities currently receiving services from the division of developmental disabilities within the department be given notice of the existence and availability of residential habilitation center and community support services. For genuine choice to exist, people must know what the options are. Available options must be clearly explained, with services customized to fit the unique needs and circumstances of developmentally disabled clients and their families. Choice of providers and design of services and supports will be determined by the individual in conjunction with the department. When the person cannot make these choices, the person's legal guardian may make them, consistent with chapter 11.88 or 11.92 RCW. This subsection expires June 30, 2003.

(4) An application may be submitted by a person with a developmental disability, by the legal representative of a person with a developmental disability, or by any other person who is authorized by rule of the secretary to submit an application. [1998 c 216 § 4; 1988 c 176 § 403.]

Additional notes found at [www.leg.wa.gov](http://www.leg.wa.gov)

**71A.16.040 Determination of eligibility—Notice—Rules for redetermination.** (1) On receipt of an application for services submitted under RCW 71A.16.030, the secretary in a timely manner shall make a written determination as to whether the applicant is eligible for services provided under this title for persons with developmental disabilities.

(2) The secretary shall give notice of the secretary's determination on eligibility to the person who submitted the application and to the applicant, if the applicant is a person other than the person who submitted the application for services. The notice shall also include a statement advising the recipient of the right to an adjudicative proceeding under RCW 71A.10.050 and the right to judicial review of the secretary's final decision.

(3) The secretary may establish rules for redetermination of eligibility for services under this title. [1989 c 175 § 141; 1988 c 176 § 404.]

Additional notes found at [www.leg.wa.gov](http://www.leg.wa.gov)

**71A.16.050 Determination of eligibility—Effect—Determination of appropriate services.** The determination made under this chapter is only as to whether a person is eligible for services. After the secretary has determined under this chapter that a person is eligible for services, the secretary shall make a determination as to what services are appropriate for the person. [1988 c 176 § 405.]

71A.18.050	Discontinuance of a service.

**71A.18.010 Individual service plans.** The secretary may produce and maintain an individual service plan for each eligible person. An individual service plan is a plan that identifies the needs of a person for services and determines what services will be in the best interests of the person and will meet the person's needs. [1988 c 176 § 501.]

**71A.18.020 Services provided if funds available.** The secretary may provide a service to a person eligible under this title if funds are available. If there is an individual service plan, the secretary shall consider the need for services as provided in that plan. [1988 c 176 § 601.]

**71A.18.030 Rejection of service.** An eligible person or the person's legal representative may reject an authorized service. Rejection of an authorized service shall not affect the person's eligibility for services and shall not eliminate the person from consideration for other services or for the same service at a different time or under different circumstances. [1988 c 176 § 602.]

**71A.18.040 Alternative service—Application—Determination—Reauthorization—Notice.** (1) A person who is receiving a service under this title or the person's legal representative may request the secretary to authorize a service that is available under this title in place of a service that the person is presently receiving.

(2) The secretary upon receiving a request for change of service shall consult in the manner provided in RCW 71A.10.070 and within ninety days shall determine whether the following criteria are met:

- The alternative plan proposes a less dependent program than the person is participating in under current service;
- The alternative service is appropriate under the goals and objectives of the person's individual service plan;
- The alternative service is not in violation of applicable state and federal law; and
- The service can reasonably be made available.

(3) If the requested alternative service meets all of the criteria of subsection (2) of this section, the service shall be authorized as soon as reasonable, but not later than one hun-

dred twenty days after completion of the determination process, unless the secretary determines that:

(a) The alternative plan is more costly than the current plan;

(b) Current appropriations are not sufficient to implement the alternative service without reducing services to existing clients; or

(c) Providing alternative service would take precedence over other priorities for delivery of service.

(4) The secretary shall give notice as provided in RCW 71A.10.060 of the grant of a request for a change of service. The secretary shall give notice as provided in RCW 71A.10.060 of denial of a request for change of service and of the right to an adjudicative proceeding.

(5)(a) When the secretary has changed service from a residential habilitation center to a setting other than a residential habilitation center, the secretary shall reauthorize service at the residential habilitation center if the secretary in reevaluating the needs of the person finds that the person needs service in a residential habilitation center.

(b) A person who has moved from a residential habilitation center that has closed to a community-based setting shall be offered a right to return to a residential habilitation center during the first year following their move to the community.

(6) If the secretary determines that current appropriations are sufficient to deliver additional services without reducing services to persons who are presently receiving services, the secretary is authorized to give persons notice under RCW 71A.10.060 that they may request the services as new services or as changes of services under this section. [2011 1st sp.s. c 30 § 9; 1989 c 175 § 142; 1988 c 176 § 603.]

Additional notes found at [www.leg.wa.gov](http://www.leg.wa.gov)

**71A.18.050 Discontinuance of a service.** (1) When considering the discontinuance of a service that is being provided to a person, the secretary shall consult as required in RCW 71A.10.070.

(2) The discontinuance of a service under this section does not affect the person's eligibility for services. Other services may be provided or the same service may be restored when it is again available or when it is again needed.

(3) Except when the service is discontinued at the request of the person receiving the service or that person's legal representative, the secretary shall give notice as required in RCW 71A.10.060. [1988 c 176 § 604.]

**71A.20.010 Scope of chapter.** (1) This chapter covers the operation of residential habilitation centers. The selection of persons to be served at the centers is governed by chapters 71A.16 and 71A.18 RCW. The purposes of this chapter are: To provide for those persons who are exceptional in their needs for care, treatment, and education by reason of developmental disabilities, residential care designed to develop their individual capacities to their optimum; to provide for admittance, withdrawal and discharge from state residential habilitation centers upon application; and to insure a comprehensive program for the education, guidance, care, treatment, and rehabilitation of all persons admitted to residential habilitation centers.

(2) Effective no later than July 1, 2012, no person under the age of sixteen years may be admitted to receive services at a residential habilitation center. Effective no later than July 1, 2012, no person under the age of twenty-one years may be admitted to receive services at a residential center, unless there are no service options available in the community to appropriately meet the needs of the individual. Such admission is limited to the provision of short-term respite or crisis stabilization services. [2011 1st sp.s. c 30 § 4; 1988 c 176 § 701.]

**Findings—2011 1st sp.s. c 30:** "The legislature finds that:

(1) A developmental disability is a natural part of human life and the presence of a developmental disability does not diminish a person's rights or the opportunity to participate in the life of the local community;

(2) The system of services for people with developmental disabilities should provide a balanced range of health, social, and supportive services at home or in other residential settings. The receipt of services should be coordinated so as to minimize administrative cost and service duplication, and eliminate unnecessarily complex system organization;

(3) The public interest would best be served by a broad array of services that would support people with developmental disabilities at home or in the community, whenever practicable, and that promote individual autonomy, dignity, and choice;

(4) In Washington state, people living in residential habilitation centers and their families are satisfied with the services they receive, and deserve to continue receiving services that meet their needs if they choose to receive those services in a community setting;

(5) As other care options for people with developmental disabilities become more available, the relative need for residential habilitation center beds is likely to decline. The legislature recognizes, however, that residential habilitation centers will continue to be a critical part of the state's long-term care options; and that such services should promote individual dignity, autonomy, and a home-like environment; and

(6) In a time of fiscal restraint, the state should consider the needs of all persons with developmental disabilities and spend its limited resources in a manner that serves more people, while not compromising the care people require." [2011 1st sp.s. c 30 § 1.]

**Intent—2011 1st sp.s. c 30:** "It is the intent of the legislature that:

(1) Community-based residential services supporting people with developmental disabilities should be available in the most integrated setting appropriate to individual needs; and

(2) An extensive transition planning and placement process should be used to ensure that people moving from a residential habilitation center to a

community setting have the services and supports needed to meet their assessed health and welfare needs." [2011 1st sp.s. c 30 § 2.]

**Conflict with federal requirements—2011 1st sp.s. c 30:** "If any part of this act is found to be in conflict with federal requirements that are a prescribed condition to the allocation of federal funds to the state, the conflicting part of this act is inoperative solely to the extent of the conflict and with respect to the agencies directly affected, and this finding does not affect the operation of the remainder of this act in its application to the agencies concerned. Rules adopted under this act must meet federal requirements that are a necessary condition to the receipt of federal funds by the state." [2011 1st sp.s. c 30 § 14.]

**71A.20.020 Residential habilitation centers.** (1) Except as provided in subsection (2) of this section, the following residential habilitation centers are permanently established to provide services to persons with developmental disabilities: Lakeland Village, located at Medical Lake, Spokane county; Rainier School, located at Buckley, Pierce county; Yakima Valley School, located at Selah, Yakima county; and Fircrest School, located at Seattle, King county.

(2) The Yakima Valley School, located at Selah, Yakima county, shall cease to operate as a residential habilitation center when the conditions in RCW 71A.20.180(2)(b) are met. [2011 1st sp.s. c 30 § 5; 1994 c 215 § 1; 1988 c 176 § 702.]

**Findings—Intent—Conflict with federal requirements—2011 1st sp.s. c 30:** See notes following RCW 71A.20.010.

Additional notes found at [www.leg.wa.gov](http://www.leg.wa.gov)

**71A.20.030 Facilities for Interlake School.** (1) The secretary may use surplus physical facilities at Eastern State Hospital as a residential habilitation center, which shall be known as the "Interlake School."

(2) The secretary may designate and select such buildings and facilities and tracts of land at Eastern State Hospital that are surplus to the needs of the department for mentally ill persons and that are reasonably necessary and adequate for services for persons with developmental disabilities. The secretary shall also designate those buildings, equipment, and facilities which are to be used jointly and mutually by both Eastern State Hospital and Interlake School. [1988 c 176 § 703.]

**71A.20.040 Use of Harrison Memorial Hospital property.** The secretary may under RCW 72.29.010 use the Harrison Memorial Hospital property at Bremerton, Kitsap county, for services to persons with developmental disabilities. [1988 c 176 § 704.]

**71A.20.050 Superintendents—Secretary's custody of residents.** (1) The secretary shall appoint a superintendent for each residential habilitation center. The superintendent of a residential habilitation center shall have a demonstrated history of knowledge, understanding, and compassion for the needs, treatment, and training of persons with developmental disabilities.

(2) The secretary shall have custody of all residents of the residential habilitation centers and control of the medical, educational, therapeutic, and dietetic treatment of all residents, except that the school district that conducts the program of education provided pursuant to RCW 28A.190.030 through 28A.190.050 shall have control of and joint custody of residents while they are participating in the program. The secretary shall cause surgery to be performed on any resident

only upon gaining the consent of a parent, guardian, or limited guardian as authorized, except, if after reasonable effort to locate the parents, guardian, or limited guardian as authorized, and the health of the resident is certified by the attending physician to be jeopardized unless such surgery is performed, the required consent shall not be necessary. [1990 c 33 § 589; 1988 c 176 § 705.]

**Purpose—Statutory references—Severability—1990 c 33:** See RCW 28A.900.100 through 28A.900.102.

**71A.20.060 Work programs for residents.** The secretary shall have authority to engage the residents of a residential habilitation center in beneficial work programs, but the secretary shall not engage residents in excessive hours of work or work for disciplinary purposes. [1988 c 176 § 706.]

**71A.20.070 Educational programs.** (1) An educational program shall be created and maintained for each residential habilitation center pursuant to RCW 28A.190.030 through 28A.190.050. The educational program shall provide a comprehensive program of academic, vocational, recreational, and other educational services best adapted to meet the needs and capabilities of each resident.

(2) The superintendent of public instruction shall assist the secretary in all feasible ways, including financial aid, so that the educational programs maintained within the residential habilitation centers are comparable to the programs advocated by the superintendent of public instruction for children with similar aptitudes in local school districts.

(3) Within available resources, the secretary shall, upon request from a local school district, provide such clinical, counseling, and evaluating services as may assist the local district lacking such professional resources in determining the needs of its exceptional children. [1990 c 33 § 590; 1988 c 176 § 707.]

**Purpose—Statutory references—Severability—1990 c 33:** See RCW 28A.900.100 through 28A.900.102.

**71A.20.080 Return of resident to community—Notice—Adjudicative proceeding—Judicial review—Effect of appeal.** (1) Whenever in the judgment of the secretary, the treatment and training of any resident of a residential habilitation center has progressed to the point that it is deemed advisable to return such resident to the community, the secretary may grant placement on such terms and conditions as the secretary may deem advisable after consultation in the manner provided in RCW 71A.10.070. The secretary shall give written notice of the decision to return a resident to the community as provided in RCW 71A.10.060. The notice must include a statement advising the recipient of the right to an adjudicative proceeding under RCW 71A.10.050 and the time limits for filing an application for an adjudicative proceeding. The notice must also include a statement advising the recipient of the right to judicial review of an adverse adjudicative order as provided in chapter 34.05 RCW.

(2) A placement decision shall not be implemented at any level during any period during which an appeal can be taken or while an appeal is pending and undecided, unless authorized by court order so long as the appeal is being diligently pursued. [2011 1st sp.s. c 30 § 10; 1989 c 175 § 143; 1988 c 176 § 708.]

**Findings—Intent—Conflict with federal requirements—2011 1st sp.s. c 30:** See notes following RCW 71A.20.010.

Additional notes found at [www.leg.wa.gov](http://www.leg.wa.gov)

**71A.20.090 Secretary to determine capacity of residential quarters.** The secretary shall determine by the application of proper criteria the maximum number of persons to reside in the residential quarters of each residential habilitation center. The secretary in authorizing service at a residential habilitation center shall not exceed the maximum population for the residential habilitation center unless the secretary makes a written finding of reasons for exceeding the rated capacity. [1988 c 176 § 709.]

**71A.20.100 Personal property of resident—Secretary as custodian—Limitations—Judicial proceedings to recover.** The secretary shall serve as custodian without compensation of personal property of a resident of a residential habilitation center that is located at the residential habilitation center, including moneys deposited with the secretary for the benefit of the resident. As custodian, the secretary shall have authority to disburse moneys from the resident's fund for the following purposes and subject to the following limitations:

(1) Subject to specific instructions by a donor of money to the secretary for the benefit of a resident, the secretary may disburse any of the funds belonging to a resident for such personal needs of the resident as the secretary may deem proper and necessary.

(2) The secretary may pay to the department as reimbursement for the costs of care, support, maintenance, treatment, hospitalization, medical care, and habilitation of a resident from the resident's fund when such fund exceeds a sum as established by rule of the department, to the extent of any notice and finding of financial responsibility served upon the secretary after such findings shall have become final. If the resident does not have a guardian, parent, spouse, or other person acting in a representative capacity, upon whom notice and findings of financial responsibility have been served, then the secretary shall not make payments to the department as provided in this subsection, until a guardian has been appointed by the court, and the time for the appeal of findings of financial responsibility as provided in RCW 43.20B.430 shall not commence to run until the appointment of such guardian and the service upon the guardian of notice and findings of financial responsibility.

(3) When services to a person are changed from a residential center to another setting, the secretary shall deliver to the person, or to the parent, guardian, or agency legally responsible for the person, all or such portion of the funds of which the secretary is custodian as defined in this section, or other property belonging to the person, as the secretary may deem necessary to the person's welfare, and the secretary may deliver to the person such additional property or funds belonging to the person as the secretary may from time to time deem proper, so long as the person continues to receive service under this title. When the resident no longer receives any services under this title, the secretary shall deliver to the person, or to the parent, person, or agency legally responsible for the person, all funds or other property belonging to the person remaining in the secretary's possession as custodian.

(4) All funds held by the secretary as custodian may be deposited in a single fund, the receipts and expenditures from the fund to be accurately accounted for by the secretary. All interest accruing from, or as a result of the deposit of such moneys in a single fund shall be credited to the personal accounts of the residents. All expenditures under this section shall be subject to the duty of accounting provided for in this section.

(5) The appointment of a guardian for the estate of a resident shall terminate the secretary's authority as custodian of any funds of the resident which may be subject to the control of the guardianship, upon receipt by the secretary of a certified copy of letters of guardianship. Upon the guardian's request, the secretary shall immediately forward to the guardian any funds subject to the control of the guardianship or other property of the resident remaining in the secretary's possession, together with a full and final accounting of all receipts and expenditures made.

(6) Upon receipt of a written request from the secretary stating that a designated individual is a resident of the residential habilitation center and that such resident has no legally appointed guardian of his or her estate, any person, bank, corporation, or agency having possession of any money, bank accounts, or choses in action owned by such resident, shall, if the amount does not exceed two hundred dollars, deliver the same to the secretary as custodian and mail written notice of the delivery to such resident at the residential habilitation center. The receipt by the secretary shall constitute full and complete acquittance for such payment and the person, bank, corporation, or agency making such payment shall not be liable to the resident or his or her legal representative. All funds so received by the secretary shall be duly deposited by the secretary as custodian in the resident's fund to the personal account of the resident. If any proceeding is brought in any court to recover property so delivered, the attorney general shall defend the lawsuit without cost to the person, bank, corporation, or agency that delivered the property to the secretary, and the state shall indemnify such person, bank, corporation, or agency against any judgment rendered as a result of such proceeding. [1988 c 176 § 710.]

**71A.20.110 Clothing for residents—Cost.** When clothing for a resident of a residential habilitation center is not otherwise provided, the secretary shall provide a resident with suitable clothing, the actual cost of which shall be a charge against the parents, guardian, or estate of the resident. If such parent or guardian is unable to provide or pay for the clothing, or the estate of the resident is insufficient to provide or pay for the clothing, the clothing shall be provided by the state. [1988 c 176 § 711.]

**71A.20.120 Financial responsibility.** The subject of financial responsibility for the provision of services to persons in residential habilitation centers is covered by RCW 43.20B.410 through 43.20B.455. [1988 c 176 § 712.]

**71A.20.130 Death of resident, payment of funeral expenses—Limitation.** Upon the death of a resident of a residential habilitation center, the secretary may supplement such funds as were in the resident's account at the time of the person's death to provide funeral and burial expense for the

deceased resident. These expenses shall not exceed funeral and burial expenses allowed under \*RCW 74.08.120. [1988 c 176 § 713.]

\*Reviser's note: RCW 74.08.120 was repealed by 1997 c 58 § 1002.

**71A.20.140 Resident desiring to leave center—Authority to hold resident limited.** (1) If a resident of a residential habilitation center desires to leave the center and the secretary believes that departures may be harmful to the resident, the secretary may hold the resident at the residential habilitation center for a period not to exceed forty-eight hours in order to consult with the person's legal representative as provided in RCW 71A.10.070 as to the best interests of the resident.

(2) The secretary shall adopt rules to provide for the application of subsection (1) of this section in a manner that protects the constitutional rights of the resident.

(3) Neither the secretary nor any person taking action under this section shall be civilly or criminally liable for performing duties under this section if such duties were performed in good faith and without gross negligence. [1988 c 176 § 714.]

**71A.20.150 Admission to residential habilitation center for observation.** Without committing the department to continued provision of service, the secretary may admit a person eligible for services under this chapter to a residential habilitation center for a period not to exceed thirty days for observation prior to determination of needed services, where such observation is necessary to determine the extent and necessity of services to be provided. [1988 c 176 § 715.]

**71A.20.170 Developmental disabilities community trust account—Creation—Required deposits—Permitted withdrawals.** (1) The developmental disabilities community trust account is created in the state treasury. All net proceeds from the use of excess property identified in the 2002 joint legislative audit and review committee capital study or other studies of the division of developmental disabilities residential habilitation centers that would not impact current residential habilitation center operations must be deposited into the account.

(2) Proceeds may come from the lease of the land, conservation easements, sale of timber, or other activities short of sale of the property, except as permitted under \*section 7 of this act.

(3) "Excess property" includes that portion of the property at Rainier school previously under the cognizance and control of Washington State University for use as a dairy/forage research facility.

(4) Only investment income from the principal of the proceeds deposited into the trust account may be spent from the account. For purposes of this section, "investment income" includes lease payments, rent payments, or other periodic payments deposited into the trust account. For purposes of this section, "principal" is the actual excess land from which proceeds are assigned to the trust account.

(5) Moneys in the account may be spent only after appropriation. Expenditures from the account shall be used exclusively to provide family support and/or employment/day services to eligible persons with developmental disabilities who

can be served by community-based developmental disability services. It is the intent of the legislature that the account should not be used to replace, supplant, or reduce existing appropriations.

(6) The account shall be known as the Dan Thompson memorial developmental disabilities community trust account. [2011 1st sp.s. c 30 § 12; 2008 c 265 § 1; 2005 c 353 § 1.]

[2005 c 353 § 7.]

**71A.20.180 Closure of center—Department duties—Continuation of services.** (1) By December 31, 2011, the department shall:

(a) Close Frances Haddon Morgan residential rehabilitation center and relocate current residents consistent with the requirements of \*section 7 of this act; and

(b) Establish at least two state operating living alternatives on the campus of the Frances Haddon Morgan center, if residents have chosen to receive care in such a setting and subject to federal requirements related to the receipt of federal medicaid matching funds.

(2)(a) Upon August 24, 2011, the department shall not permit any new admission to Yakima Valley School unless such admission is limited to the provision of short-term respite or crisis stabilization services. Except as provided in (b) of this subsection, no current permanent resident of Yakima Valley School shall be required or compelled to relocate to a different care setting as a result of chapter 30, Laws of 2011 1st sp. sess.

(b) The Yakima Valley School shall continue to operate as a residential habilitation center until such time that the census of permanent residents has reached sixteen persons. As part of the closure plan, at least two cottages will be converted to state-operated living alternatives, subject to federal requirements related to the receipt of federal medicaid matching funds.

(3) To assure the successful implementation of subsections (1) and (2) of this section, the department, within available funds:

(a) Shall establish state-operated living alternatives to provide community residential services to residential habilitation center residents transitioning to the community under chapter 30, Laws of 2011 1st sp. sess. who prefer a state-operated living alternative. The department shall offer residential habilitation center employees opportunities to work in state-operated living alternatives as they are established;

(b) May use existing supported living program capacity in the community for former residential habilitation center residents who prefer and choose a supported living program;

(c) Shall continue to staff and operate at Yakima Valley School crisis stabilization beds and respite service beds at the existing bed capacity as of June 1, 2011, for individuals with developmental disabilities requiring such services;

(d) Shall establish up to eight state-staffed crisis stabilization beds and up to eight state-staffed respite beds based upon funding provided in the appropriations act and the geographic areas with the greatest need for those services; and

(e) Shall establish regional or mobile specialty services evenly distributed throughout the state, such as dental care, physical therapy, occupational therapy, and specialized nursing care, which can be made available to former residents of residential habilitation centers and, within available funds, other individuals with developmental disabilities residing in the community. [2011 1st sp.s. c 30 § 6.]

(b) The state's long-term needs for residential habilitation center capacity, including the benefits and disadvantages of maintaining one center in eastern Washington and one center in western Washington;

(c) A plan for efficient consolidation of institutional capacity, including whether one or more centers should be downsized or closed and, if so, a time frame for closure;

(d) Mechanisms through which any savings that result from the downsizing, consolidation, or closure of residential habilitation center capacity can be used to create additional community-based capacity;

(e) Strategies for the use of surplus property that results from the closure of one or more centers;

(f) Strategies for reframing the mission of Yakima Valley School consistent with chapter 30, Laws of 2011 1st sp. sess. that consider:

**Reviser's note:** \*(1) The "secretary of the department of general administration" appears to be erroneous. The "director" was apparently intended, which was renamed the "director of the department of enterprise services" by 2011 1st sp.s. c 43.

(2) 2011 1st sp.s. c 30 directed that this section be added to chapter 70.02 RCW. This section has been codified in chapter 71A.20 RCW, which relates more directly to residential rehabilitation centers.

**71A.20.900 Construction—Chapter applicable to state registered domestic partnerships—2009 c 521.** For the purposes of this chapter, the terms spouse, marriage, marital, husband, wife, widow, widower, next of kin, and family shall be interpreted as applying equally to state registered domestic partnerships or individuals in state registered domestic partnerships as well as to marital relationships and married persons, and references to dissolution of marriage shall apply equally to state registered domestic partnerships that have been terminated, dissolved, or invalidated, to the extent that such interpretation does not conflict with federal law. Where necessary to implement chapter 521, Laws of 2009, gender-specific terms such as husband and wife used in any statute, rule, or other law shall be construed to be gender neutral, and applicable to individuals in state registered domestic partnerships. (e) The child resides in his or her family home or is temporarily in an out-of-home placement with a plan to return home;

These behaviors will better enable these men and women to fully participate in society and adhere to law-abiding behaviors, such as continuing treatment that is undertaken in prison, once the person is released in the community.

Living in an environment where foundational skills are modeled and encouraged fosters positive outcomes for people who have been convicted and sentenced for their crimes. Basic skills include positive decision making, personal responsibility, building a healthy community, religious tolerance and understanding, ethics and morality, conflict management, family life relationships, leadership, managing emotions, restorative justice, transitional issues, and spirituality. Learning and practicing how to overcome minor and significant obstacles in a positive way will prepare offenders who are returning to our communities to begin their new crime-free lives." Subsequent weekly payments shall be made to such person by the community corrections officer at the office of such officer. In addition to the initial six weekly payments provided for in this section, a community corrections officer and his or her supervisor may, at their discretion, continue such payments up to a maximum of twenty additional weeks when they are satisfied that such person is actively seeking employment and that such payments are necessary to continue the efforts of such person to gain employment: PROVIDED, That if, at the time of release or parole, in the opinion of the superintendent funds are otherwise available to such person, with the exception of earnings from labor or employment while in confinement, such

weekly sums of money or part thereof shall not be provided to such person.

(1) "Community facility" means a group care facility operated for the care of juveniles committed to the depart-

ment under RCW 13.40.185. A county detention facility that houses juveniles committed to the department under RCW 13.40.185 pursuant to a contract with the department is not a community facility.

(2) "Department" means the department of social and health services.

(3) "Juvenile" means a person under the age of twenty-one who has been sentenced to a term of confinement under the supervision of the department under RCW 13.40.185.

(4) "Labor" means the period of time before a birth during which contractions are of sufficient frequency, intensity, and duration to bring about effacement and progressive dilation of the cervix.

(5) "Physical restraint" means the use of any bodily force or physical intervention to control an offender or limit a juvenile offender's freedom of movement in a way that does not involve a mechanical restraint. Physical restraint does not include momentary periods of minimal physical restriction by direct person-to-person contact, without the aid of mechanical restraint, accomplished with limited force and designed to:

(a) Prevent a juvenile offender from completing an act that would result in potential bodily harm to self or others or damage property;

(b) Remove a disruptive juvenile offender who is unwilling to leave the area voluntarily; or

(c) Guide a juvenile offender from one location to another.

(6) "Postpartum recovery" means (a) the entire period a youth is in the hospital, birthing center, or clinic after giving birth and (b) an additional time period, if any, a treating physician determines is necessary for healing after the youth leaves the hospital, birthing center, or clinic.

(7) "Restraints" means anything used to control the movement of a person's body or limbs and includes:

(a) Physical restraint; or

(b) Mechanical device including but not limited to: Metal handcuffs, plastic ties, ankle restraints, leather cuffs, other hospital-type restraints, tasers, or batons.

(8) "Service provider" means the entity that operates a community facility.

**Intent—Finding—1998 c 269:** "It is the intent of the legislature to:

(1) Enhance public safety and maximize the rehabilitative potential of juvenile offenders through modifications to licensed community residential placements for juveniles;

(2) Ensure community support for community facilities by enabling community participation in decisions involving these facilities and assuring the safety of communities in which community facilities for juvenile offenders are located; and

(3) Improve public safety by strengthening the safeguards in placement, oversight, and monitoring of the juvenile offenders placed in the community, and by establishing minimum standards for operation of licensed

residential community facilities. The legislature finds that community support and participation is vital to the success of community programming." [1998 c 269 § 1.]

**72.09.010 Legislative intent.** It is the intent of the legislature to establish a comprehensive system of corrections for convicted law violators within the state of Washington to accomplish the following objectives.

(1) The system should ensure the public safety. The system should be designed and managed to provide the maximum feasible safety for the persons and property of the general public, the staff, and the inmates.

(2) The system should punish the offender for violating the laws of the state of Washington. This punishment should generally be limited to the denial of liberty of the offender.

(3) The system should positively impact offenders by stressing personal responsibility and accountability and by discouraging recidivism.

(4) The system should treat all offenders fairly and equitably without regard to race, religion, sex, national origin, residence, or social condition.

(5) The system, as much as possible, should reflect the values of the community including:

(a) Avoiding idleness. Idleness is not only wasteful but destructive to the individual and to the community.

(b) Adoption of the work ethic. It is the community expectation that all individuals should work and through their efforts benefit both themselves and the community.

(c) Providing opportunities for self improvement. All individuals should have opportunities to grow and expand their skills and abilities so as to fulfill their role in the community.

(d) Linking the receipt or denial of privileges to responsible behavior and accomplishments. The individual who works to improve himself or herself and the community should be rewarded for these efforts. As a corollary, there should be no rewards for no effort.

(e) Sharing in the obligations of the community. All citizens, the public and inmates alike, have a personal and fiscal obligation in the corrections system. All communities must share in the responsibility of the corrections system.

(6) The system should provide for prudent management of resources. The avoidance of unnecessary or inefficient public expenditures on the part of offenders and the department is essential. Offenders must be accountable to the department, and the department to the public and the legislature. The human and fiscal resources of the community are limited. The management and use of these resources can be enhanced by wise investment, productive programs, the reduction of duplication and waste, and the joining together

of all involved parties in a common endeavor. Since most offenders return to the community, it is wise for the state and the communities to make an investment in effective rehabilitation programs for offenders and the wise use of resources.

(7) The system should provide for restitution. Those who have damaged others, persons or property, have a responsibility to make restitution for these damages.

(8) The system should be accountable to the citizens of the state. In return, the individual citizens and local units of government must meet their responsibilities to make the corrections system effective.

(9) The system should meet those national standards which the state determines to be appropriate. [1995 1st sp.s. c 19 § 2; 1981 c 136 § 2.]

Moneys in the account may be

spent only for expenses arising in the correctional industries operations.

However, the secretary shall annually recommend that some portion of the profits from correctional industries be returned to the state general fund.

The secretary shall request appropriations or increased appropriations whenever it appears that additional money is needed to provide for the establishment and operation of a comprehensive correctional industries program. [2011 1st sp.s. c 21 § 36; 1989 c 185 § 6; 1987 c 7 § 203; 1981 c 136 § 10.]

**72.09.095 Transfer of funds to department of labor and industries for crime victims' compensation.** Each year the department shall transfer twenty-five percent of the total annual revenues and receipts received in each institutional betterment fund subaccount to the department of labor and industries for the purpose of providing direct benefits to crime victims through the crime victims' compensation program as outlined in chapter 7.68 RCW. This transfer takes priority over any expenditure of betterment funds and shall be reflected on the monthly financial statements of each institution's betterment fund subaccount.

Any funds so transferred to the department of labor and industries shall be in addition to the crime victims' compensation amount provided in an omnibus appropriation bill. It is the intent of the legislature that the funds forecasted or transferred pursuant to this section shall not reduce the funding levels provided by appropriation. [1995 c 234 § 2.]

**Finding—1995 c 234:** "The legislature finds that the responsibility for criminal activity should fall squarely on the criminal. To the greatest extent possible society should not be expected to have to pay the price for crimes twice, once for the criminal activity and again by feeding, clothing, and housing the criminal. The corrections system should be the first place criminals are given the opportunity to be responsible for paying for their criminal act, not just through the loss of their personal freedom, but by making financial contributions to alleviate the pain and suffering of victims of crime." [1995 c 234 § 1.]

**72.09.100 Inmate work program—Classes of work programs—Participation—Benefits.** It is the intent of the legislature to vest in the department the power to provide for a comprehensive inmate work program and to remove statutory and other restrictions which have limited work programs in the past. It is also the intent of the legislature to ensure that the department, in developing and selecting correctional industries work programs, does not encourage the development of, or provide for selection of or contracting for, or the significant expansion of, any new or existing class I correctional industries work programs that unfairly compete with Washington businesses. The legislature intends that the requirements relating to fair competition in the correctional industries work programs be liberally construed by the department to protect Washington businesses from unfair competition. For purposes of establishing such a comprehensive program, the legislature recommends that the depart-

ment consider adopting any or all, or any variation of, the following classes of work programs:

(1) CLASS I: FREE VENTURE INDUSTRIES.

(a) The employer model industries in this class shall be operated and managed in total or in part by any profit or non-profit organization pursuant to an agreement between the organization and the department. The organization shall produce goods or services for sale to both the public and private sector.

(b) The customer model industries in this class shall be operated and managed by the department to provide Washington state manufacturers or businesses with products or services currently produced or provided by out-of-state or foreign suppliers.

(c) The department shall review these proposed industries, including any potential new class I industries work program or the significant expansion of an existing class I industries work program, before the department contracts to provide such products or services. The review shall include the analysis required under RCW 72.09.115 to determine if the proposed correctional industries work program will compete with any Washington business. An agreement for a new class I correctional industries work program, or an agreement for a significant expansion of an existing class I correctional industries work program, that unfairly competes with any Washington business is prohibited.

(d) The department shall supply appropriate security and custody services without charge to the participating firms.

(e) Inmates who work in free venture industries shall do so at their own choice. They shall be paid a wage comparable to the wage paid for work of a similar nature in the locality in which the industry is located, as determined by the director of correctional industries. If the director cannot reasonably determine the comparable wage, then the pay shall not be less than the federal minimum wage.

(f) An inmate who is employed in the class I program of correctional industries shall not be eligible for unemployment compensation benefits pursuant to any of the provisions of Title 50 RCW until released on parole or discharged.

(2) CLASS II: TAX REDUCTION INDUSTRIES.

(a) Industries in this class shall be state-owned and operated enterprises designed primarily to reduce the costs for goods and services for tax-supported agencies and for non-profit organizations.

(b)(i) The industries selected for development within this class shall, as much as possible, match the available pool of inmate work skills and aptitudes with the work opportunities in the free community. The industries shall be closely patterned after private sector industries but with the objective of reducing public support costs rather than making a profit.

(ii) Except as provided in \*RCW 43.19.534(3) and this section, the products and services of this industry, including purchased products and services necessary for a complete product line, may be sold to the following:

(A) Public agencies;

(B) Nonprofit organizations;

(C) Private contractors when the goods purchased will be ultimately used by a public agency or a nonprofit organization;

(D) An employee and immediate family members of an employee of the department;

(E) A person under the supervision of the department and his or her immediate family members; and

(F) A licensed health professional for the sole purpose of providing eyeglasses to enrollees of the state medical program at no more than the health professional's cost of acquisition.

(iii) The department shall authorize the type and quantity of items that may be purchased and sold under (b)(ii)(D) and (E) of this subsection.

(iv) It is prohibited to purchase any item purchased under (b)(ii)(D) and (E) of this subsection for the purpose of resale.

(v) Clothing manufactured by an industry in this class may be donated to nonprofit organizations that provide clothing free of charge to low-income persons.

(c) Under no circumstance shall offenders under the custody of the department of corrections make or assemble uniforms to be worn by correctional officers employed with the department.

(d)(i) Class II correctional industries products and services shall be reviewed by the department before offering such products and services for sale to private contractors.

(ii) The secretary shall conduct a yearly marketing review of the products and services offered under this subsection. Such review shall include an analysis of the potential impact of the proposed products and services on the Washington state business community. To avoid waste or spoilage and consequent loss to the state, when there is no public sector market for such goods, by-products and surpluses of timber, agricultural, and animal husbandry enterprises may be sold to private persons, at private sale. Surplus by-products and surpluses of timber, agricultural and animal husbandry enterprises that cannot be sold to public agencies or to private persons may be donated to nonprofit organizations. All sales of surplus products shall be carried out in accordance with rules prescribed by the secretary.

(e) Security and custody services shall be provided without charge by the department.

(f) Inmates working in this class of industries shall do so at their own choice and shall be paid for their work on a gratuity scale which shall not exceed the wage paid for work of a similar nature in the locality in which the industry is located and which is approved by the director of correctional industries.

(g) Provisions of RCW 41.06.142 shall not apply to contracts with Washington state businesses entered into by the department through class II industries.

(3) CLASS III: INSTITUTIONAL SUPPORT INDUSTRIES.

(a) Industries in this class shall be operated by the department. They shall be designed and managed to accomplish the following objectives:

(i) Whenever possible, to provide basic work training and experience so that the inmate will be able to qualify for better work both within correctional industries and the free community. It is not intended that an inmate's work within this class of industries should be his or her final and total work experience as an inmate.

(ii) Whenever possible, to provide forty hours of work or work training per week.

(iii) Whenever possible, to offset tax and other public support costs.

(b) Class III correctional industries shall be reviewed by the department to set policy for work crews. The department shall prepare quarterly detail statements showing where work crews worked, what correctional industry class, and the hours worked.

(c) Supervising, management, and custody staff shall be employees of the department.

(d) All able and eligible inmates who are assigned work and who are not working in other classes of industries shall work in this class.

(e) Except for inmates who work in work training programs, inmates in this class shall be paid for their work in accordance with an inmate gratuity scale. The scale shall be adopted by the secretary of corrections.

(4) CLASS IV: COMMUNITY WORK INDUSTRIES.

(a) Industries in this class shall be operated by the department. They shall be designed and managed to provide services in the inmate's resident community at a reduced cost. The services shall be provided to public agencies, to persons who are poor or infirm, or to nonprofit organizations.

(b) Class IV correctional industries shall be reviewed by the department to set policy for work crews. The department shall prepare quarterly detail statements showing where work crews worked, what correctional industry class, and the hours worked. Class IV correctional industries operated in work camps established pursuant to RCW 72.64.050 are exempt from the requirements of this subsection (4)(b).

(c) Inmates in this program shall reside in facilities owned by, contracted for, or licensed by the department. A unit of local government shall provide work supervision services without charge to the state and shall pay the inmate's wage.

The analysis must state whether the proposed new or expanded program will impact any Washington business and must be based on information sufficient to evaluate the impact on Washington business.

(2) If the threshold analysis determines that a proposed new or expanded class I correctional industries work program will impact a Washington business, the department must complete a business impact analysis before the department enters into an agreement to provide such products or services. The business impact analysis must include:

(a) A detailed statement identifying the scope and types of impacts caused by the proposed new or expanded correctional industries work program on Washington businesses; and

(b) A detailed statement of the business costs of the proposed correctional industries work program compared to the business costs of the Washington businesses that may be impacted by the proposed class I correctional industries work program. Business costs of the proposed correctional industries

Business costs of the impacted Washington business include rent, water, sewer, electricity, disposal, property taxes, and labor costs including employee taxes, unemployment insurance, and workers' compensation.

(3) The completed threshold analysis and any completed business impact analysis with all supporting documents must be shared in a meaningful and timely manner with local chambers of commerce, trade or business associations, local and state labor union organizations, and government entities before a finding required under subsection (4) of this section is made on the proposed new or expanded class I correctional industries work program.

(4) If a business impact analysis is completed, the department must conduct a public hearing to take public testimony on the business impact analysis. The department must, at a minimum, establish a publicly accessible web site containing information reasonably calculated to provide notice to each Washington business assigned the same three-digit standard industrial classification code, or the corresponding North American industry classification system code, as the organization seeking the class I correctional industries work program agreement of the date, time, and place of the hearing. Notice of the hearing shall be posted at least thirty days prior to the hearing.

(5) Following the public hearing, the department shall adopt a finding that the proposed new or expanded class I correctional industries work program: (a) Will not compete with any Washington business; (b) will not compete unfairly with any Washington business; or (c) will compete unfairly with any Washington business and is therefore prohibited under chapter 167, Laws of 2004. The system shall include increases or decreases in the degree of liberty granted the inmate within the programs operated by the department, access to or withholding of privileges available within cor-

rectional institutions, and recommended increases or decreases in the number of earned early release days that an inmate can earn for good conduct and good performance.

(2) Earned early release days shall be recommended by the department as a reward for accomplishment. The system shall be fair, measurable, and understandable to offenders, staff, and the public. At least once in each twelve-month period, the department shall inform the offender in writing as to his or her conduct and performance. This written evaluation shall include reasons for awarding or not awarding recommended earned early release days for good conduct and good performance. An inmate is not eligible to receive earned early release days during any time in which he or she refuses to participate in an available education or work program into which he or she has been placed under RCW 72.09.460.

(3) The department shall provide each offender in its custody a written description of the system created under this section. [1995 1st sp.s. c 19 § 6; 1981 c 136 § 17.]

#### **72.09.251 Communicable disease prevention guidelines.**

(1) The department shall develop and implement policies and procedures for the uniform distribution of communicable disease prevention guidelines to all corrections staff who, in the course of their regularly assigned job responsibilities, may come within close physical proximity to offenders with communicable diseases.

(2) The guidelines shall identify special precautions necessary to reduce the risk of transmission of communicable diseases.

(3) For the purposes of this section, "communicable disease" means sexually transmitted diseases, as defined in RCW 70.24.017, diseases caused by bloodborne pathogens, or any other illness caused by an infectious agent that can be transmitted from one person, animal, or object to another person by direct or indirect means including transmission via an

intermediate host or vector, food, water, or air. [1997 c 345 § 4.]

**Findings—Intent—1997 c 345:** See note following RCW 70.24.105.

#### **72.09.260 Litter cleanup programs—Requirements.**

(1) The department shall assist local units of government in establishing community restitution programs for litter cleanup. Community restitution litter cleanup programs must include the following: (a) Procedures for documenting the number of community restitution hours worked in litter cleanup by each offender; (b) plans to coordinate litter cleanup activities with local governmental entities responsible for roadside and park maintenance; (c) insurance coverage for offenders during litter cleanup activities pursuant to RCW 51.12.045; (d) provision of adequate safety equipment and, if needed, weather protection gear; and (e) provision for including felons and misdemeanants in the program.

(2) Community restitution programs established under this section shall involve, but not be limited to, persons convicted of nonviolent, drug-related offenses.

(3) Nothing in this section shall diminish the department's authority to place offenders in community restitution programs or to determine the suitability of offenders for specific programs.

(4) As used in this section, "litter cleanup" includes cleanup and removal of solid waste that is illegally dumped. [2002 c 175 § 50; 1990 c 66 § 2.]

**Effective date—2002 c 175:** See note following RCW 7.80.130.

**Findings—Intent—1990 c 66:** "The legislature finds that the amount of litter along the state's roadways is increasing at an alarming rate and that local governments often lack the human and fiscal resources to remove litter from public roads. The legislature also finds that persons committing nonviolent, drug-related offenses can often be productively engaged through programs to remove litter from county and municipal roads. It is therefore the intent of the legislature to assist local units of government in establishing community restitution programs for litter cleanup and to establish a funding source for such programs." [2002 c 175 § 51; 1990 c 66 § 1.]

**72.09.270 Individual reentry plan.** (1) The department of corrections shall develop an individual reentry plan as defined in RCW 72.09.015 for every offender who is committed to the jurisdiction of the department except:

(a) Offenders who are sentenced to life without the possibility of release or sentenced to death under chapter 10.95 RCW; and

(b) Offenders who are subject to the provisions of 8 U.S.C. Sec. 1227.

(2) The individual reentry plan may be one document, or may be a series of individual plans that combine to meet the requirements of this section.

(3) In developing individual reentry plans, the department shall assess all offenders using standardized and comprehensive tools to identify the criminogenic risks, programmatic needs, and educational and vocational skill levels for each offender. The assessment tool should take into account demographic biases, such as culture, age, and gender, as well as the needs of the offender, including any learning disabilities, substance abuse or mental health issues, and social or behavior deficits.

(4)(a) The initial assessment shall be conducted as early as sentencing, but, whenever possible, no later than forty-five

days of being sentenced to the jurisdiction of the department of corrections.

(b) The offender's individual reentry plan shall be developed as soon as possible after the initial assessment is conducted, but, whenever possible, no later than sixty days after completion of the assessment, and shall be periodically reviewed and updated as appropriate.

(5) The individual reentry plan shall, at a minimum, include:

(a) A plan to maintain contact with the inmate's children and family, if appropriate. The plan should determine whether parenting classes, or other services, are appropriate to facilitate successful reunification with the offender's children and family;

(b) An individualized portfolio for each offender that includes the offender's education achievements, certifications, employment, work experience, skills, and any training received prior to and during incarceration; and

(c) A plan for the offender during the period of incarceration through reentry into the community that addresses the needs of the offender including education, employment, substance abuse treatment, mental health treatment, family reunification, and other areas which are needed to facilitate a successful reintegration into the community.

(6)(a) Prior to discharge of any offender, the department shall:

(i) Evaluate the offender's needs and, to the extent possible, connect the offender with existing services and resources that meet those needs; and

(ii) Connect the offender with a community justice center and/or community transition coordination network in the area in which the offender will be residing once released from the correctional system if one exists.

(b) If the department recommends partial confinement in an offender's individual reentry plan, the department shall maximize the period of partial confinement for the offender as allowed pursuant to RCW 9.94A.728 to facilitate the offender's transition to the community.

(7) The department shall establish mechanisms for sharing information from individual reentry plans to those persons involved with the offender's treatment, programming, and reentry, when deemed appropriate. When feasible, this information shall be shared electronically.

(8)(a) In determining the county of discharge for an offender released to community custody, the department may not approve a residence location that is not in the offender's county of origin unless it is determined by the department that the offender's return to his or her county of origin would be inappropriate considering any court-ordered condition of the offender's sentence, victim safety concerns, negative influences on the offender in the community, or the location of family or other sponsoring persons or organizations that will support the offender.

(b) If the offender is not returned to his or her county of origin, the department shall provide the law and justice council of the county in which the offender is placed with a written explanation.

(c) For purposes of this section, the offender's county of origin means the county of the offender's first felony conviction in Washington.

(9) Nothing in this section creates a vested right in programming, education, or other services. [2008 c 231 § 48; 2007 c 483 § 203.]

**Intent—Application—Application of repealers—Effective date—2008 c 231:** See notes following RCW 9.94A.701.

**Severability—2008 c 231:** See note following RCW 9.94A.500.

**Intent—2007 c 483:** "Individual reentry plans are intended to be a tool for the department of corrections to identify the needs of an offender. Individual reentry plans are meant to assist the department in targeting programming and services to offenders with the greatest need and to the extent that those services are funded and available. The state cannot meet every need that may have contributed to every offender's criminal proclivities. Further, an individual reentry plan, and the programming resulting from that plan, are not a guarantee that an offender will not recidivate. Rather, the legislature intends that by identifying offender needs and offering programs that have been proven to reduce the likelihood of reoffense, the state will benefit by an overall reduction in recidivism." [2007 c 483 § 201.]

**Findings—Part headings not law—Severability—2007 c 483:** See RCW 72.78.005, 72.78.900, and 72.78.901.

**72.09.280 Community justice centers.** (1) The department shall continue to establish community justice centers throughout the state for the purpose of providing comprehensive services and monitoring for offenders who are reentering the community.

(2) For the purposes of this chapter, "community justice center" is defined as a nonresidential facility staffed primarily by the department in which recently released offenders may access services necessary to improve their successful reentry into the community. Such services may include but are not limited to, those listed in the individual reentry plan, mental health, chemical dependency, sex offender treatment, anger management, parenting education, financial literacy, housing assistance, and employment assistance.

(3) At a minimum, the community justice center shall include:

(a) A violator program to allow the department to utilize a range of available sanctions for offenders who violate conditions of their supervision;

(b) An employment opportunity program to assist an offender in finding employment; and

(c) Resources for connecting offenders with services such as treatment, transportation, training, family reunification, and community services.

(4) In addition to any other programs or services offered by a community justice center, the department shall designate a transition coordinator to facilitate connections between the former offender and the community. The department may designate transition coordination services to be provided by a community transition coordination network pursuant to RCW 72.78.030 if one has been established in the community where the community justice center is located and the department has entered into a memorandum of understanding with the county to share resources.

(5) The transition coordinator shall provide information to former offenders regarding services available to them in the community regardless of the length of time since the offender's release from the correctional facility. The transition coordinator shall, at a minimum, be responsible for the following:

(a) Gathering and maintaining information regarding services currently existing within the community that are available to offenders including, but not limited to:

(i) Programs offered through the department of social and health services, the department of health, the department of licensing, housing authorities, local community and technical colleges, other state or federal entities which provide public benefits, and nonprofit entities;

(ii) Services such as housing assistance, employment assistance, education, vocational training, parent education, financial literacy, treatment for substance abuse, mental health, anger management, and any other service or program that will assist the former offender to successfully transition into the community;

(b) Coordinating access to the existing services with the community providers and provide offenders with information regarding how to access the various type of services and resources that are available in the community.

(6)(a) A minimum of six community justice centers shall be operational by December 1, 2009. The six community justice centers include those in operation on July 22, 2007.

(b) By December 1, 2011, the department shall establish a minimum of three additional community justice centers within the state.

(7) In locating new centers, the department shall:

(a) Give priority to the counties with the largest population of offenders who were under the jurisdiction of the department of corrections and that do not already have a community justice center;

(b) Ensure that at least two centers are operational in eastern Washington; and

(c) Comply with RCW 72.09.290 and all applicable zoning laws and regulations.

(8) Before beginning the siting or opening of the new community justice center, the department shall:

(a) Notify the city, if applicable, and the county within which the community justice center is proposed. Such notice shall occur at least sixty days prior to selecting a specific location to provide the services listed in this section;

(b) Consult with the community providers listed in subsection (5) of this section to determine if they have the capacity to provide services to offenders through the community justice center; and

(c) Give due consideration to all comments received in response to the notice of the start of site selection and consultation with community providers.

(9) The department shall make efforts to enter into memoranda of understanding or agreements with the local community policing and supervision programs as defined in RCW 72.78.010 in which the community justice center is located to address:

(a) Efficiencies that may be gained by sharing space or resources in the provision of reentry services to offenders, including services provided through a community transition coordination network established pursuant to RCW 72.78.030 if a network has been established in the county;

(b) Mechanisms for communication of information about offenders, including the feasibility of shared access to databases;

(c) Partnerships to establish neighborhood corrections initiatives between the department of corrections and local police to supervise offenders.

(i) A neighborhood corrections initiative includes shared mechanisms to facilitate supervision of offenders which may

(2012 Ed.)

include activities such as joint emphasis patrols to monitor high-risk offenders, service of bench and secretary warrants and detainers, joint field visits, connecting offenders with services, and, where appropriate, directing offenders into sanction alternatives in lieu of incarceration.

(ii) The agreement must address:

(A) The roles and responsibilities of police officers and corrections staff participating in the partnership; and

(B) The amount of corrections staff and police officer time that will be dedicated to partnership efforts. [2007 c 483 § 302.]

**Findings—Part headings not law—Severability—2007 c 483:** See RCW 72.78.005, 72.78.900, and 72.78.901.

**72.09.290 Correctional facility siting list.** (1) No later than July 1, 2007, and every biennium thereafter starting with the biennium beginning July 1, 2009, the department shall prepare a list of counties and rural multicounty geographic areas in which work release facilities, community justice centers and other community-based correctional facilities are anticipated to be sited during the next three fiscal years and transmit the list to the office of financial management and the counties on the list. The list may be updated as needed.

(2) In preparing the list, the department shall make substantial efforts to provide for the equitable distribution of work release, community justice centers, or other community-based correctional facilities among counties. The department shall give great weight to the following factors in determining equitable distribution:

(a) The locations of existing residential facilities owned or operated by, or operated under contract with, the department in each county;

(b) The number and proportion of adult offenders sentenced to the custody or supervision of the department by the courts of the county or rural multicounty geographic area; and

(c) The number of adult registered sex offenders classified as level II or III and adult sex offenders registered per thousand persons residing in the county.

(3) For purposes of this section, "equitable distribution" means siting or locating work release, community justice centers, or other community-based correctional facilities in a manner that reasonably reflects the proportion of offenders sentenced to the custody or supervision of the department by the courts of each county or rural multicounty geographic area designated by the department, and, to the extent practicable, the proportion of offenders residing in particular jurisdictions or communities within such counties or rural multicounty geographic areas. Equitable distribution is a policy goal, not a basis for any legal challenge to the siting, construction, occupancy, or operation of any facility anywhere in the state. [2007 c 483 § 303.]

**Findings—Part headings not law—Severability—2007 c 483:** See RCW 72.78.005, 72.78.900, and 72.78.901.

The county legislative authority shall determine the size and composition of the council, which shall include the county sheriff and a representative of the municipal police departments within the

county, the county prosecutor and a representative of the municipal prosecutors within the county, a representative of the city legislative authorities within the county, a representative of the county's superior, juvenile, district, and municipal courts, the county jail administrator, the county clerk, the county risk manager, and the secretary of corrections and his or her designees. Officials designated may appoint representatives.

(2) A combination of counties may establish a local law and justice council by intergovernmental agreement. The agreement shall comply with the requirements of this section.

(3) The local law and justice council may address issues related to:

(a) Maximizing local resources including personnel and facilities, reducing duplication of services, and sharing resources between local and state government in order to accomplish local efficiencies without diminishing effectiveness;

(b) Jail management;

(c) Mechanisms for communication of information about offenders, including the feasibility of shared access to databases; and

(d) Partnerships between the department and local community policing and supervision programs to facilitate supervision of offenders under the respective jurisdictions of each and timely response to an offender's failure to comply with the terms of supervision.

(4) The county legislative authority may request technical assistance in coordinating services with other units or agencies of state or local government, which shall include the department, the office of financial management, and the Washington association of sheriffs and police chiefs.

(5) Upon receiving a request for assistance from a county, the department may provide the requested assistance.

(6) The secretary may adopt rules for the submittal, review, and approval of all requests for assistance made to the department. [2007 c 483 § 108; 1996 c 232 § 7; 1994 sp.s. c 7 § 542; 1993 sp.s. c 21 § 8; 1991 c 363 § 148; 1987 c 312 § 3.]

**Purpose—1987 c 312 § 3:** "It is the purpose of RCW 72.09.300 to encourage local and state government to join in partnerships for the sharing of resources regarding the management of offenders in the correctional system. The formation of partnerships between local and state government is intended to reduce duplication while assuring better accountability and offender management through the most efficient use of resources at both the local and state level." class C felony under chapter 9A.20 RCW. [1992 c 75 § 6; 1988 c 153 § 6.]

**72.09.311 Confinement of community custody violators.** (1) The department of corrections shall conduct an analysis of the necessary capacity throughout the state to appropriately confine offenders who violate community custody and formulate recommendations for future capacity. In conducting its analysis, the department must consider:

(a) The need to decrease reliance on local correctional facilities to house violators; and

(b) The costs and benefits of developing a violator treatment center to provide inpatient treatment, therapies, and counseling.

(2) If the department recommends locating or colocating new violator facilities, for jurisdictions planning under RCW 36.70A.040, the department shall work within the local jurisdiction's comprehensive plan process for identifying and siting an essential public facility under RCW 36.70A.200. For jurisdictions not planning under RCW 36.70A.040, the department shall apply the local jurisdiction's zoning or applicable land use code.

(3) The department shall report the results of its analysis to the governor and the appropriate committees of the legislature by November 15, 2008.

(4) To the extent possible within existing funds, the department is authorized to proceed with the conversion of existing facilities that are appropriate to house violators. [2008 c 30 § 1.]

**72.09.315 Court-ordered treatment—Violations—Required notifications.** (1) When an offender is under court-ordered mental health or chemical dependency treatment in the community and the supervision of the department of corrections, and the community corrections officer becomes aware that the person is in violation of the terms of the court's treatment order, the community corrections officer shall notify the \*county designated mental health professional or the designated chemical dependency specialist, as appropriate, of the violation and request an evaluation for purposes of revocation of the less restrictive alternative or conditional release.

(2) When a \*county designated mental health professional or the designated chemical dependency specialist notifies the department that an offender in a state correctional facility is the subject of a petition for involuntary treatment under chapter 71.05 or 70.96A RCW, the department shall provide documentation of its risk assessment or other concerns to the petitioner and the court if the department classified the offender as a high risk or high needs offender. **72.09.340 Supervision of sex offenders—Public safety—Policy for release plan evaluation and approval—Implementation, publicizing, notice—Rejection of residence locations of felony sex offenders of minor victims—Supervised visitation considerations.** (1) In making all discretionary decisions regarding release plans for and supervision of sex offenders, the department shall set priorities and make decisions based on an assessment of public safety risks.

(2) The department shall, no later than September 1, 1996, implement a policy governing the department's evaluation and approval of release plans for sex offenders. The policy shall include, at a minimum, a formal process by which victims, witnesses, and other interested people may provide information and comments to the department on potential safety risks to specific individuals or classes of individuals posed by a specific sex offender. The department shall make all reasonable efforts to publicize the availability of this process through currently existing mechanisms and shall seek the assistance of courts, prosecutors, law enforcement, and victims' advocacy groups in doing so. Notice of an offender's proposed residence shall be provided to all people registered to receive notice of an offender's release under RCW 72.09.712(2), except that in no case may this notification requirement be construed to require an extension of an offender's release date.

(3)(a) For any offender convicted of a felony sex offense against a minor victim after June 6, 1996, the department shall not approve a residence location if the proposed residence: (i) Includes a minor victim or child of similar age or circumstance as a previous victim who the department determines may be put at substantial risk of harm by the offender's residence in the household; or (ii) is within close proximity of the current residence of a minor victim, unless the whereabouts of the minor victim cannot be determined or unless such a restriction would impede family reunification efforts ordered by the court or directed by the department of social and health services. The department is further authorized to reject a residence location if the proposed residence is within close proximity to schools, child care centers, playgrounds, or other grounds or facilities where children of similar age or circumstance as a previous victim are present who the department determines may be put at substantial risk of harm by the sex offender's residence at that location.

(b) In addition, for any offender prohibited from living in a community protection zone under RCW 9.94A.703(1)(c), the department may not approve a residence location if the proposed residence is in a community protection zone.

(4) When the department requires supervised visitation as a term or condition of a sex offender's community placement under RCW 9.94B.050(6), the department shall, prior to approving a supervisor, consider the following:

(a) The relationships between the proposed supervisor, the offender, and the minor; (b) the proposed supervisor's acknowledgment and understanding of the offender's prior criminal conduct, general knowledge of the dynamics of child sexual abuse, and willingness and ability to protect the minor from the potential risks posed by contact with the offender; and (c) recommendations made by the department of social and health services about the best interests of the child. (2) In order for public agencies to have the information necessary to notify the public as authorized in RCW 4.24.550, the secretary shall establish and administer an end-of-sentence review committee for the purposes of assigning risk levels, reviewing available release plans, and making appropriate referrals for sex offenders.

(3) The committee shall assess, on a case-by-case basis, the public risk posed by:

(4) Notwithstanding any other provision of law, the committee shall have access to all relevant records and information in the possession of public agencies relating to the offenders under review, including police reports; prosecutors' statements of probable cause; presentence investigations and reports; complete judgments and sentences; current classification referrals; criminal history summaries; violation and disciplinary reports; all psychological evaluations and psychiatric hospital reports; sex offender treatment program reports; and juvenile records. Records and information obtained under this subsection shall not be disclosed outside the committee unless otherwise authorized by law.

(5) The committee shall review each sex offender under its authority before the offender's release from confinement or start of the offender's term of community custody in order to: (a) Classify the offender into a risk level for the purposes of public notification under RCW 4.24.550; (b) where available, review the offender's proposed release plan in accordance with the requirements of RCW 72.09.340; and (c) make appropriate referrals.

(6) The committee shall classify as risk level I those sex offenders whose risk assessments indicate a low risk of reoffense within the community at large. The committee shall

classify as risk level II those offenders whose risk assessments indicate a moderate risk of reoffense within the community at large. The committee shall classify as risk level III those offenders whose risk assessments indicate a high risk of reoffense within the community at large.

(7) The committee shall issue to appropriate law enforcement agencies, for their use in making public notifications under RCW 4.24.550, narrative notices regarding the pending release of sex offenders from the department's facilities. The narrative notices shall, at a minimum, describe the identity and criminal history behavior of the offender and shall include the department's risk level classification for the offender. For sex offenders classified as either risk level II or III, the narrative notices shall also include the reasons underlying the classification. [2011 c 338 § 5; 2008 c 231 § 49; 1997 c 364 § 4.]

**72.09.350 Corrections mental health center—Collaborative arrangement with University of Washington—Services for mentally ill offenders—Annual report to the legislature.** (1) The department of corrections and the University of Washington may enter into a collaborative arrangement to provide improved services for mentally ill offenders with a focus on prevention, treatment, and reintegration into society. The participants in the collaborative arrangement may develop a strategic plan within sixty days after May 17, 1993, to address the management of mentally ill offenders within the correctional system, facilitating their reentry into the community and the mental health system, and preventing the inappropriate incarceration of mentally ill individuals. The collaborative arrangement may also specify the establishment and maintenance of a corrections mental health center located at McNeil Island corrections center. The collaborative arrangement shall require that an advisory panel of key stakeholders be established and consulted throughout the development and implementation of the center. The stakeholders advisory panel shall include a broad array of interest groups drawn from representatives of mental health, criminal justice, and correctional systems. The stakeholders advisory panel shall include, but is not limited to, membership from: The department of corrections, the department of social and health services mental health division and division of juvenile rehabilitation, regional support networks, local and regional law enforcement agencies, the sentencing guidelines commission, county and city jails, mental health advocacy groups for the mentally ill, developmentally disabled, and traumatically brain-injured, and the general public. The center established by the department of corrections and University of Washington, in consultation with the stakeholder advisory groups, shall have the authority to:

(a) Develop new and innovative treatment approaches for corrections mental health clients;

(b) Improve the quality of mental health services within the department and throughout the corrections system;

(c) Facilitate mental health staff recruitment and training to meet departmental, county, and municipal needs;

(d) Expand research activities within the department in the area of treatment services, the design of delivery systems, the development of organizational models, and training for corrections mental health care professionals;

(e) Improve the work environment for correctional employees by developing the skills, knowledge, and understanding of how to work with offenders with special chronic mental health challenges;

(f) Establish a more positive rehabilitative environment for offenders;

(g) Strengthen multidisciplinary mental health collaboration between the University of Washington, other groups committed to the intent of this section, and the department of corrections;

(l) Evaluate all current and innovative approaches developed within this center in terms of their effective and efficient achievement of improved mental health of inmates, development and utilization of personnel, the impact of these approaches on the functioning of correctional institutions, and the relationship of the corrections system to mental health and criminal justice systems. Specific attention should be paid to evaluating the effects of programs on the reintegration of mentally ill offenders into the community and the prevention of inappropriate incarceration of mentally ill persons.

(2) The corrections mental health center may conduct research, training, and treatment activities for the mentally ill offender within selected sites operated by the department. The department shall provide support services for the center such as food services, maintenance, perimeter security, classification, offender supervision, and living unit functions. The University of Washington may develop, implement, and evaluate the clinical, treatment, research, and evaluation components of the mentally ill offender center. The institute of [for] public policy and management may be consulted regarding the development of the center and in the recommendations regarding public policy. As resources permit, training within the center shall be available to state, county, and municipal agencies requiring the services. Other state colleges, state universities, and mental health providers may be involved in activities as required on a subcontract basis. Community mental health organizations, research groups, and community advocacy groups may be critical components of the center's operations and involved as appropriate to annual objectives. Mentally ill clients may be drawn from throughout the department's population and transferred to the center as clinical need, available services, and department jurisdiction permits.

(3) The department shall prepare a report of the center's progress toward the attainment of stated goals and provide the report to the legislature annually. [1993 c 459 § 1.]

**72.09.370 Offenders with mental illness who are believed to be dangerous—Plan for postrelease treatment and support services—Rules.** (1) The offender reentry community safety program is established to provide intensive services to offenders identified under this subsection and to thereby promote public safety. The secretary shall identify offenders in confinement or partial confinement who: (a) Are reasonably believed to be dangerous to themselves or others; and (b) have a mental disorder. In determining an offender's dangerousness, the secretary shall consider behavior known to the department and factors, based on research, that are linked to an increased risk for dangerousness of offenders with mental illnesses and shall include consideration of an offender's chemical dependency or abuse.

(2) Prior to release of an offender identified under this section, a team consisting of representatives of the department of corrections, the division of mental health, and, as necessary, the indeterminate sentence review board, other divisions or administrations within the department of social and health services, specifically including the division of alcohol and substance abuse and the division of developmental disabilities, the appropriate regional support network, and the providers, as appropriate, shall develop a plan, as determined necessary by the team, for delivery of treatment and support services to the offender upon release. In developing the plan, the offender shall be offered assistance in executing a mental health directive under chapter 71.32 RCW, after being fully informed of the benefits, scope, and purposes of such directive. The team may include a school district representative for offenders under the age of twenty-one. The team shall consult with the offender's counsel, if any, and, as appropriate, the offender's family and community. The team shall notify the crime victim/witness program, which shall provide notice to all people registered to receive notice under RCW 72.09.712 of the proposed release plan developed by the team. Victims, witnesses, and other interested people notified by the department may provide information and comments to the department on potential safety risk to specific individuals or classes of individuals posed by the specific offender. The team may recommend: (a) That the offender be evaluated by the designated mental health professional, as defined in chapter 71.05 RCW; (b) department-supervised community treatment; or (c) voluntary community mental health or chemical dependency or abuse treatment.

(3) Prior to release of an offender identified under this section, the team shall determine whether or not an evaluation by a designated mental health professional is needed. If an evaluation is recommended, the supporting documentation shall be immediately forwarded to the appropriate designated mental health professional. The supporting documentation shall include the offender's criminal history, history of judicially required or administratively ordered involuntary antipsychotic medication while in confinement, and any known history of involuntary civil commitment.

(4) If an evaluation by a designated mental health professional is recommended by the team, such evaluation shall occur not more than ten days, nor less than five days, prior to release.

[Title 72 RCW—page 37]

(5) A second evaluation by a designated mental health professional shall occur on the day of release if requested by the team, based upon new information or a change in the offender's mental condition, and the initial evaluation did not result in an emergency detention or a summons under chapter 71.05 RCW.

(6) If the designated mental health professional determines an emergency detention under chapter 71.05 RCW is necessary, the department shall release the offender only to a state hospital or to a consenting evaluation and treatment facility. The department shall arrange transportation of the offender to the hospital or facility.

(7) If the designated mental health professional believes that a less restrictive alternative treatment is appropriate, he or she shall seek a summons, pursuant to the provisions of chapter 71.05 RCW, to require the offender to appear at an evaluation and treatment facility. If a summons is issued, the offender shall remain within the corrections facility until completion of his or her term of confinement and be transported, by corrections personnel on the day of completion, directly to the identified evaluation and treatment facility.

(8) The secretary shall adopt rules to implement this section. [2009 c 319 § 3; 2009 c 28 § 36; 2001 2nd sp.s. c 12 § 362; 1999 c 214 § 2.]

**Reviser's note:** This section was amended by 2009 c 28 § 36 and by 2009 c 319 § 3, each without reference to the other. Both amendments are incorporated in the publication of this section under RCW 1.12.025(2). For rule of construction, see RCW 1.12.025(1).

**Effective date—2009 c 28:** See note following RCW 2.24.040.

**Intent—Severability—Effective dates—2001 2nd sp.s. c 12:** See notes following RCW 71.09.250.

**Intent—1999 c 214:** "The legislature intends to improve the process of identifying, and providing additional mental health treatment for, persons: (1) Determined to be dangerous to themselves or others as a result of a mental disorder or a combination of a mental disorder and chemical dependency or abuse; and (2) under, or being released from, confinement or partial confinement of the department of corrections.

The legislature does not create a presumption that any person subject to the provisions of this act is dangerous as a result of a mental disorder or chemical dependency or abuse. The legislature intends that every person subject to the provisions of this act retain the amount of liberty consistent with his or her condition, behavior, and legal status and that any restraint of liberty be done solely on the basis of forensic and clinical practices and standards." **72.09.380 Rule making—Medicaid—Secretary of corrections—Secretary of social and health services.** The secretaries of the department of corrections and the department of social and health services shall adopt rules and develop working agreements which will ensure that offenders identified under RCW 72.09.370(1) will be assisted in making application for medicaid to facilitate a decision regarding their eligibility for such entitlements prior to the end of their term of confinement in a correctional facility. [1999 c 214 § 3.]

**Intent—1999 c 214:** See note following RCW 72.09.370.

**72.09.381 Rule making—Chapter 214, Laws of 1999—Secretary of corrections—Secretary of social and health services.** The secretary of the department of corrections and the secretary of the department of social and health services shall, in consultation with the regional support networks and provider representatives, each adopt rules as nec-

essary to implement chapter 214, Laws of 1999. [1999 c 214 § 11.]

**Intent—1999 c 214:** See note following RCW 72.09.370.

**72.09.400 Work ethic camp program—Findings—Intent.** The legislature finds that high crime rates and a heightened sense of vulnerability have led to increased public pressure on criminal justice officials to increase offender punishment and remove the most dangerous criminals from the streets. As a result, there is unprecedented growth in the corrections populations and overcrowding of prisons and local jails. Skyrocketing costs and high rates of recidivism have become issues of major public concern. Attention must be directed towards implementing a long-range corrections strategy that focuses on inmate responsibility through intensive work ethic training.

The legislature finds that many offenders lack basic life skills and have been largely unaffected by traditional correctional philosophies and programs. In addition, many first-time offenders who enter the prison system learn more about how to be criminals than the important qualities, values, and skills needed to successfully adapt to a life without crime.

The legislature finds that opportunities for offenders to improve themselves are extremely limited and there has not been adequate emphasis on alternatives to total confinement for nonviolent offenders.

The legislature finds that the explosion of drug crimes since the inception of the sentencing reform act and the response of the criminal justice system have resulted in a much higher proportion of substance abuse-affected offenders in the state's prisons and jails. The needs of this population differ from those of other offenders and present a great challenge to the system. The problems are exacerbated by the shortage of drug treatment and counseling programs both in and outside of prisons.

The legislature finds that the concept of a work ethic camp that requires the offender to complete an appropriate and balanced combination of highly structured and goal-oriented work programs such as correctional industries based work camps and/or class I and class II work projects, drug rehabilitation, and intensive life management work ethic training, can successfully reduce offender recidivism and lower the overall cost of incarceration.

It is the purpose and intent of RCW 72.09.400 through \*72.09.420, 9.94A.690, and \*\*section 5, chapter 338, Laws of 1993 to implement a regimented work ethic camp that is designed to directly address the high rate of recidivism, reduce upwardly spiraling prison costs, preserve scarce and high cost prison space for the most dangerous offenders, and provide judges with a tough and sound alternative to traditional incarceration without compromising public safety. [1993 c 338 § 1.]

**Reviser's note:** \*(1) RCW 72.09.420 was repealed by 1998 c 273 § 1.

\*\* (2) 1993 c 338 § 5 was vetoed by the governor.

**72.09.410 Work ethic camp program—Generally.** The department of corrections shall establish one work ethic camp. The secretary shall locate the work ethic camp within an already existing department compound or facility, or in a

facility that is scheduled to come on line within the initial implementation date outlined in this section. The facility selected for the camp shall appropriately accommodate the logistical and cost-effective objectives contained in RCW 72.09.400 through \*72.09.420, 9.94A.690, and \*\*section 5, chapter 338, Laws of 1993. The department shall be ready to assign inmates to the camp one hundred twenty days after July 1, 1993. The department shall establish the work ethic camp program cycle to last from one hundred twenty to one hundred eighty days. The department shall develop all aspects of the work ethic camp program including, but not limited to, program standards, conduct standards, educational components including general education development test achievement, offender incentives, drug rehabilitation program parameters, individual and team work goals, techniques for improving the offender's self-esteem, citizenship skills for successful living in the community, measures to hold the offender accountable for his or her behavior, and the successful completion of the work ethic camp program granted to the offender based on successful attendance, participation, and performance as defined by the secretary. The work ethic camp shall be designed and implemented so that offenders are continually engaged in meaningful activities and unstructured time is kept to a minimum. In addition, the department is encouraged to explore the integration and overlay of a military style approach to the work ethic camp. [1993 c 338 § 3.]

**Reviser's note:** \*(1) RCW 72.09.420 was repealed by 1998 c 273 § 1.  
 \*\*(2) 1993 c 338 § 5 was vetoed by the governor.

**72.09.450 Limitation on denial of access to services and supplies—Recoupment of assessments—Collections.**

(1) An inmate shall not be denied access to services or supplies required by state or federal law solely on the basis of his or her inability to pay for them.

(2) The department shall record all lawfully authorized assessments for services or supplies as a debt to the department. The department shall recoup the assessments when the inmate's institutional account exceeds the indigency standard, and may pursue other remedies to recoup the assessments after the period of incarceration.

(3) The department shall record as a debt any costs assessed by a court against an inmate plaintiff where the state is providing defense pursuant to chapter 4.92 RCW. The department shall recoup the debt when the inmate's institutional account exceeds the indigency standard and may pursue other remedies to recoup the debt after the period of incarceration.

(4) In order to maximize the cost-efficient collection of unpaid offender debt existing after the period of an offender's incarceration, the department is authorized to use the following nonexclusive options: (a) Use the collection services available through the \*department of general administration, or (b) notwithstanding any provision of chapter 41.06 RCW, contract with collection agencies for collection of the debts. The costs for \*general administration or collection agency services shall be paid by the debtor. Any contract with a collection agency shall only be awarded after competitive bidding. Factors the department shall consider in awarding a collection contract include but are not limited to a collection agency's history and reputation in the community; and the

agency's access to a local database that may increase the efficiency of its collections. The servicing of an unpaid obligation to the department does not constitute assignment of a debt, and no contract with a collection agency may remove the department's control over unpaid obligations owed to the department. [1996 c 277 § 1; 1995 1st sp.s. c 19 § 4.]

**\*Reviser's note:** The "department of general administration" was renamed the "department of enterprise services" by 2011 1st sp.s. c 43 § 107.

**Findings—Purpose—1995 1st sp.s. c 19:** "The legislature finds the increasing number of inmates incarcerated in state correctional institutions, and the expenses associated with their incarceration, require expanded efforts to contain corrections costs. Cost containment requires improved planning and oversight, and increased accountability and responsibility on the part of inmates and the department.

The legislature further finds motivating inmates to participate in meaningful education and work programs in order to learn transferable skills and earn basic privileges is an effective and efficient way to meet the penological objectives of the corrections system.

The purpose of this act is to assure that the department fulfills its mission to reduce offender recidivism, to mirror the values of the community by clearly linking inmate behavior to receipt of privileges, and to prudently manage the resources it receives through tax dollars. This purpose is accomplished through the implementation of specific cost-control measures and creation of a planning and oversight process that will improve the department's effectiveness and efficiencies." **72.09.460 Inmate participation in education and work programs—Legislative intent—Priorities—Rules—**

**Payment of costs.** (1) The legislature intends that all inmates be required to participate in department-approved education programs, work programs, or both, unless exempted as specifically provided in this section. Eligible inmates who refuse to participate in available education or work programs available at no charge to the inmates shall lose privileges according to the system established under RCW 72.09.130. Eligible inmates who are required to contribute financially to an education or work program and refuse to contribute shall be placed in another work program. Refusal to contribute shall not result in a loss of privileges.

(2) The legislature recognizes more inmates may agree to participate in education and work programs than are available. The department must make every effort to achieve maximum public benefit by placing inmates in available and appropriate education and work programs.

(3)(a) The department shall, to the extent possible and considering all available funds, prioritize its resources to meet the following goals for inmates in the order listed:

(i) Achievement of basic academic skills through obtaining a high school diploma or its equivalent;

(ii) Achievement of vocational skills necessary for purposes of work programs and for an inmate to qualify for work upon release;

(iii) Additional work and education programs necessary for compliance with an offender's individual reentry plan under RCW 72.09.270 with the exception of postsecondary education degree programs as provided in RCW 72.09.465; and

(iv) Other appropriate vocational, work, or education programs that are not necessary for compliance with an offender's individual reentry plan under RCW 72.09.270 with the exception of postsecondary education degree programs as provided in RCW 72.09.465.

(b) If programming is provided pursuant to (a)(i) through (iii) of this subsection, the department shall pay the cost of such programming, including but not limited to books, materials, supplies, and postage costs related to correspondence courses.

(c) If programming is provided pursuant to (a)(iv) of this subsection, inmates shall be required to pay all or a portion of the costs, including books, fees, and tuition, for participation in any vocational, work, or education program as provided in department policies. Department policies shall include a formula for determining how much an offender shall be required to pay. The formula shall include steps which correlate to an offender average monthly income or average available balance in a personal inmate savings account and which are correlated to a prorated portion or percent of the per credit fee for tuition, books, or other ancillary costs. The formula shall be reviewed every two years. A third party may pay directly to the department all or a portion of costs and tuition for any programming provided pursuant to (a)(iv) of this subsection on behalf of an inmate. Such payments shall not be subject to any of the deductions as provided in this chapter.

(d) The department may accept any and all donations and grants of money, equipment, supplies, materials, and services from any third party, including but not limited to nonprofit entities, and may receive, utilize, and dispose of same to complete the purposes of this section.

(e) Any funds collected by the department under (c) and (d) of this subsection and subsections (8) and (9) of this section shall be used solely for the creation, maintenance, or expansion of inmate educational and vocational programs.

(4) The department shall provide access to a program of education to all offenders who are under the age of eighteen and who have not met high school graduation or general equivalency diploma requirements in accordance with chapter 28A.193 RCW. The program of education established by the department and education provider under RCW 28A.193.020 for offenders under the age of eighteen must provide each offender a choice of curriculum that will assist the inmate in achieving a high school diploma or general equivalency diploma. The program of education may include but not be limited to basic education, prevocational training, work ethic skills, conflict resolution counseling, substance abuse intervention, and anger management counseling. The curriculum may balance these and other rehabilitation, work, and training components.

(5)(a) In addition to the policies set forth in this section, the department shall consider the following factors in establishing criteria for assessing the inclusion of education and work programs in an inmate's individual reentry plan and in placing inmates in education and work programs:

(i) An inmate's release date and custody level. An inmate shall not be precluded from participating in an education or work program solely on the basis of his or her release date, except that inmates with a release date of more than one hundred twenty months in the future shall not comprise more than ten percent of inmates participating in a new class I correctional industry not in existence on June 10, 2004;

(ii) An inmate's education history and basic academic skills;

(iii) An inmate's work history and vocational or work skills;

(iv) An inmate's economic circumstances, including but not limited to an inmate's family support obligations; and

(v) Where applicable, an inmate's prior performance in department-approved education or work programs;

(b) The department shall establish, and periodically review, inmate behavior standards and program goals for all education and work programs. Inmates shall be notified of applicable behavior standards and program goals prior to placement in an education or work program and shall be removed from the education or work program if they consistently fail to meet the standards or goals.

(6) Eligible inmates who refuse to participate in available education or work programs available at no charge to the inmates shall lose privileges according to the system established under RCW 72.09.130. Eligible inmates who are required to contribute financially to an education or work program and refuse to contribute shall be placed in another work program. Refusal to contribute shall not result in a loss of privileges.

(7) The department shall establish, by rule, objective medical standards to determine when an inmate is physically or mentally unable to participate in available education or work programs. When the department determines an inmate is permanently unable to participate in any available education or work program due to a health condition, the inmate is exempt from the requirement under subsection (1) of this section. When the department determines an inmate is temporarily unable to participate in an education or work program due to a medical condition, the inmate is exempt from the requirement of subsection (1) of this section for the period of time he or she is temporarily disabled. The department shall periodically review the medical condition of all inmates with temporary disabilities to ensure the earliest possible entry or reentry by inmates into available programming.

(8) The department shall establish policies requiring an offender to pay all or a portion of the costs and tuition for any vocational training or postsecondary education program if the offender previously abandoned coursework related to education or vocational training without excuse as defined in rule by the department. Department policies shall include a formula for determining how much an offender shall be required to pay. The formula shall include steps which correlate to an offender average monthly income or average available balance in a personal inmate savings account and which are correlated to a prorated portion or percent of the per credit fee for tuition, books, or other ancillary costs. The formula shall be reviewed every two years. A third party may pay directly to the department all or a portion of costs and tuition for any program on behalf of an inmate under this subsection. Such payments shall not be subject to any of the deductions as provided in this chapter.

(9) Notwithstanding any other provision in this section, an inmate sentenced to life without the possibility of release, sentenced to death under chapter 10.95 RCW, or subject to the provisions of 8 U.S.C. Sec. 1227:

(a) Shall not be required to participate in education programming except as may be necessary for the maintenance of discipline and security;

(b) May receive not more than one postsecondary academic degree in a program offered by the department or its contracted providers;

(c) May participate in prevocational or vocational training that may be necessary to participate in a work program;

(d) Shall be subject to the applicable provisions of this chapter relating to inmate financial responsibility for programming. [2007 c 483 § 402; 2004 c 167 § 5; 1998 c 244 § 10; 1997 c 338 § 43; 1995 1st sp.s. c 19 § 5.]

**Findings—Intent—2007 c 483:** "Research and practice show that long-term success in helping offenders prepare for economic self-sufficiency requires strategies that address their education and employment needs. Recent research suggests that a solid academic foundation and employment- and career-focused programs can be cost-effective in reducing the likelihood of reoffense. To this end, the legislature intends that the state strive to provide every inmate with basic academic skills as well as educational and vocational training designed to meet the assessed needs of the offender.

Nonetheless, it is vital that offenders engaged in educational or vocational training contribute to their own success. An offender should financially contribute to his or her education, particularly postsecondary educational pursuits. The legislature intends to provide more flexibility for offenders in obtaining postsecondary education by allowing third parties to make contributions to the offender's education without mandatory deductions. In developing the loan program, the department is encouraged to adopt rules and standards similar to those that apply to students in noninstitutional settings for issues such as applying for a loan, maintaining accountability, and accruing interest on the loan obligation." **72.09.465 Postsecondary education degree programs.** (1) The department shall, if funds are appropriated for the specific purpose, implement postsecondary education degree programs within state correctional institutions, including the state correctional institution with the largest population of female inmates. The department shall consider for inclusion in any postsecondary education degree program, any postsecondary education degree program from an accredited community college, college, or university that is part of an associate of arts, baccalaureate, masters of arts, or other graduate degree program.

(2) Except as provided in subsection (3) of this section, inmates shall be required to pay the costs for participation in any postsecondary education degree programs established under this subsection [section], including books, fees, tuition, or any other appropriate ancillary costs, by one or more of the following means:

(a) The inmate who is participating in the postsecondary education degree program shall, during confinement, provide the required payment or payments to the department; or

(b) A third party shall provide the required payment or payments directly to the department on behalf of an inmate, and such payments shall not be subject to any of the deductions as provided in this chapter.

(3) The department may accept any and all donations and grants of money, equipment, supplies, materials, and services from any third party, including but not limited to nonprofit entities, and may receive, utilize, and dispose of same to provide postsecondary education to inmates.

(4) Any funds collected by the department under this section and \*RCW 72.09.450(4) shall be used solely for the

creation, maintenance, or expansion of inmate postsecondary education degree programs. [2007 c 483 § 403.]

**\*Reviser's note:** The reference to RCW 72.09.450(4) appears to be a reference to an amendment to that section contained in an early version of ESSB 6157. RCW 72.09.450 was not amended in the final version of ESSB 6157, as amended by the house.

**72.09.470 Inmate contributions for cost of privileges—Standards.** To the greatest extent practical, all inmates shall contribute to the cost of privileges. The department shall establish standards by which inmates shall contribute a portion of the department's capital costs of providing privileges, including television cable access, extended family visitation, weight lifting, and other recreational sports equipment and supplies. The standards shall also require inmates to contribute a significant portion of the department's operating costs directly associated with providing privileges, including staff and supplies. Inmate contributions may be in the form of individual user fees assessed against an inmate's institution account, deductions from an inmate's gross wages or gratuities, or inmates' collective contributions to the institutional welfare/betterment fund. The department shall make every effort to maximize individual inmate contributions to payment for privileges. The department shall not limit inmates' financial support for privileges to contributions from the institutional welfare/betterment fund. The standards shall consider the assets available to the inmates, the cost of administering compliance with the contribution requirements, and shall promote a responsible work ethic. **Findings—Purpose—Short title—Severability—Effective date—1995 1st sp.s. c 19:** See notes following RCW 72.09.450.

**72.09.480 Inmate funds subject to deductions—Definitions—Exceptions—Child support collection actions.** (1) Unless the context clearly requires otherwise, the definitions in this section apply to this section.

(a) "Cost of incarceration" means the cost of providing an inmate with shelter, food, clothing, transportation, supervision, and other services and supplies as may be necessary for the maintenance and support of the inmate while in the custody of the department, based on the average per inmate costs established by the department and the office of financial management.

(b) "Minimum term of confinement" means the minimum amount of time an inmate will be confined in the custody of the department, considering the sentence imposed and adjusted for the total potential earned early release time available to the inmate.

(c) "Program" means any series of courses or classes necessary to achieve a proficiency standard, certificate, or postsecondary degree.

(2) When an inmate, except as provided in subsections (4) and (8) of this section, receives any funds in addition to his or her wages or gratuities, except settlements or awards resulting from legal action, the additional funds shall be subject to the following deductions and the priorities established in chapter 72.11 RCW:

(a) Five percent to the crime victims' compensation account provided in RCW 7.68.045;

(b) Ten percent to a department personal inmate savings account;

(c) Twenty percent for payment of legal financial obligations for all inmates who have legal financial obligations owing in any Washington state superior court;

(d) Twenty percent for any child support owed under a support order;

(e) Twenty percent to the department to contribute to the cost of incarceration; and

(f) Twenty percent for payment of any civil judgment for assault for all inmates who are subject to a civil judgment for assault in any Washington state court or federal court.

(3) When an inmate, except as provided in subsection (8) of this section, receives any funds from a settlement or award resulting from a legal action, the additional funds shall be subject to the deductions in RCW 72.09.111(1)(a) and the priorities established in chapter 72.11 RCW.

(4) When an inmate who is subject to a child support order receives funds from an inheritance, the deduction required under subsection (2)(e) and (f) of this section shall only apply after the child support obligation has been paid in full.

**72.09.495 Incarcerated parents—Policies to encourage family contact and engagement.** (1) The secretary of corrections shall review current department policies and assess the following:

(a) The impact of existing policies on the ability of offenders to maintain familial contact and engagement between inmates and children; and

(b) The adequacy and availability of programs targeted at inmates with children.

(2) The secretary shall adopt policies that encourage familial contact and engagement between inmates and their

children with the goal of reducing recidivism and intergenerational incarceration. Programs and policies should take into consideration the children's need to maintain contact with his or her parent and the inmate's ability to develop plans to financially support their children, assist in reunification when appropriate, and encourage the improvement of parenting skills where needed.

(3) The department shall conduct the following activities to assist in implementing the requirements of subsection (1) of this section:

(a) Gather information and data on the families of inmates, particularly the children of incarcerated parents;

(b) Evaluate data to determine the impact on recidivism and intergenerational incarceration; and

(c) Participate in the children of incarcerated parents advisory committee and report information obtained under this section to the advisory committee. [2007 c 384 § 2.]

**Intent—Finding—2007 c 384:** "The legislature recognizes the significant impact on the lives and well-being of children and families when a parent is incarcerated. It is the intent of the legislature to support children and families, and maintain familial connections when appropriate, during the period a parent is incarcerated. Further, the legislature finds that there must be a greater emphasis placed on identifying state policies and programs impacting children with incarcerated parents. Additionally, greater effort must be made to ensure that the policies and programs of the state are supportive of the children, and meet their needs during the time the parent is incarcerated.

According to the final report of the children of incarcerated parents oversight committee, helping offenders build durable family relationships may reduce the likelihood that their children will go to prison later in life. Additionally, the report indicates that offenders who reconnect with their families in sustaining ways are less likely to reoffend. In all efforts to help offenders build these relationships with their children, the safety of the children will be paramount." [2007 c 384 § 1.]

**72.09.500 Prohibition on weight-lifting.** An inmate found by the superintendent in the institution in which the inmate is incarcerated to have committed an aggravated assault against another person, under rules adopted by the department, is prohibited from participating in weight lifting for a period of two years from the date the finding is made. At the conclusion of the two-year period the superintendent shall review the inmate's infraction record to determine if additional weight-lifting prohibitions are appropriate. If, based on the review, it is determined by the superintendent that the inmate poses a threat to the safety of others or the order of the facility, or otherwise does not meet requirements for the weight-lifting privilege, the superintendent may impose an additional reasonable restriction period. The rule shall protect the legitimate interests of the public and inmates in the exchange of ideas. The secretary shall establish a method of reviewing all incoming and outgoing material, consistent with constitutional constraints, for the purpose of confiscating anything determined to be contraband. The secretary shall consult regularly with the committee created under \*RCW 72.09.570 on the development of the policy and implementation of the rule. [1995 1st sp.s. c 19 § 13.]

The department shall request and the offender shall provide an authorization to release information form that meets applicable state and federal requirements and shall provide the offender with written notice that the department will request the offender's mental health and substance abuse treatment information. An offender's failure to inform the department of court-ordered treatment is a violation of the conditions of supervision if the offender is in the community and an infraction if the offender is in confinement, and the violation or infraction is subject to sanctions.

(2) When an offender discloses that he or she is subject to court-ordered mental health services or chemical dependency treatment, the department shall provide the mental health services provider or chemical dependency treatment provider with a written request for information and any necessary authorization to release information forms. The written request shall comply with rules adopted by the department of social and health services or protocols developed jointly by the department and the department of social and health services. A single request shall be valid for the duration of the offender's supervision in the community. (3) The information received by the department under RCW 71.05.445 or 71.34.345 may be released to the indeterminate sentence review board as relevant to carry out its responsibility of planning and ensuring community protection with respect to persons under its jurisdiction. Further disclosure by the indeterminate sentence review board is subject to the limitations set forth in subsections (5) and (6) of this section and must be consistent with the written policy of the indeterminate sentence review board. The decision to disclose or not shall not result in civil liability for the indeterminate sentence review board or staff assigned to perform board-related duties provided that the decision was reached in good faith and without gross negligence.

(4) The information received by the department under RCW 71.05.445 or 71.34.345 may be used to meet the statutory duties of the department to provide evidence or report to the court. Disclosure to the public of information provided to

All disclosure of information to the public must be done in a manner consistent with the written policy established by the secretary. The decision to disclose or not shall not result in civil liability for the department or its employees so long as the decision was reached in good faith and without gross negligence. Nothing in this subsection prevents any person from reporting to law enforcement or the department behavior that he or she believes creates a public safety risk. "extraordinary circumstances" exist where a corrections officer makes an individualized determination that restraints are necessary to prevent an incarcerated pregnant woman or youth from escaping, or from injuring herself, medical or correctional personnel, or others. In the event the corrections officer determines that extraordinary circumstances exist and restraints are used, the corrections officer must fully document in writing the reasons that he or she determined such extraordinary circumstances existed such that restraints were used. **72.10.005 Intent—Application.** It is the intent of the legislature that inmates in the custody of the department of corrections receive such basic medical services as may be mandated by the federal Constitution and the Constitution of the state of Washington. Notwithstanding any other laws, it is the further intent of the legislature that the department of corrections may contract directly with any persons, firms, agencies, or corporations qualified to provide such services. Nothing in this chapter is to be construed to authorize a reduction in state employment in service component areas presently rendering such services or to preclude work typically and historically performed by department employees. [1989 c 157 § 1.]

**72.10.010 Definitions.** As used in this chapter:

(1) "Department" means the department of corrections.

(2) "Health care practitioner" means an individual or firm licensed or certified to actively engage in a regulated health profession.

(3) "Health profession" means those licensed or regulated professions set forth in RCW 18.120.020(4).

(4) "Health care facility" means any hospital, hospice care center, licensed or certified health care facility, health maintenance organization regulated under chapter 48.46 RCW, federally qualified health maintenance organization, federally approved renal dialysis center or facility, or federally approved blood bank.

(5) "Health care services" means medical, dental, and mental health care services.

(6) "Secretary" means the secretary of the department.

(7) "Superintendent" means the superintendent of a correctional facility under the jurisdiction of the department, or his or her designee. [1995 1st sp.s. c 19 § 16; 1989 c 157 § 2.]

**Findings—Purpose—Short title—Severability—Effective date—1995 1st sp.s. c 19:** See notes following RCW 72.09.450.

**72.10.020 Health services delivery plan—Reports to the legislature—Policy for distribution of personal hygiene items—Expiration of subsection.** (1) Upon entry into the correctional system, offenders shall receive an initial medical examination. The department shall prepare a health profile for each offender that includes at least the following information: (a) An identification of the offender's serious medical and dental needs; (b) an evaluation of the offender's capacity for work and recreation; and (c) a financial assessment of the offender's ability to pay for all or a portion of his or her health care services from personal resources or private insurance.

(2)(a) The department may develop and implement a plan for the delivery of health care services and personal hygiene items to offenders in the department's correctional facilities, at the discretion of the secretary, and in conformity with federal law.

(b) To discourage unwarranted use of health care services caused by unnecessary visits to health care providers, offenders shall participate in the costs of their health care services by paying an amount that is commensurate with their resources as determined by the department, or a nominal amount of no less than four dollars per visit, as determined by the secretary. Under the authority granted in RCW 72.01.050(2), the secretary may authorize the superintendent

to collect this amount directly from an offender's institution account. All copayments collected from offenders' institution accounts shall be a reduction in the expenditures for offender health care at the department.

(c) Offenders are required to make copayments for initial health care visits that are offender initiated and, by rule adopted by the department, may be charged a copayment for subsequent visits related to the medical condition which caused the initial visit.

(d) No offender may be refused any health care service because of indigence.

(e) At no time shall the withdrawal of funds for the payment of a medical service copayment result in reducing an offender's institution account to an amount less than the level of indigency as defined in chapter 72.09 RCW.

(3) The department shall report annually to the legislature the following information for the fiscal year preceding the report: (a) The total number of health care visits made by offenders; (b) the total number of copayments assessed; (c) the total dollar amount of copayments collected; (d) the total number of copayments not collected due to an offender's indigency; and (e) the total number of copayments not assessed due to the serious or emergent nature of the health care treatment or because the health care visit was not offender initiated.

(4)(a) The secretary shall adopt, by rule, a uniform policy relating to the distribution and replenishment of personal hygiene items for inmates incarcerated in all department institutions. The policy shall provide for the initial distribution of adequate personal hygiene items to inmates upon their arrival at an institution.

(b) The acquisition of replenishment personal hygiene items is the responsibility of inmates, except that indigent inmates shall not be denied adequate personal hygiene items based on their inability to pay for them.

(c) The policy shall provide that the replenishment personal hygiene items be distributed to inmates only in authorized quantities and at intervals that reflect prudent use and customary wear and consumption of the items.

(5) To the extent that federal law allows and federal financial participation is available, for the limited purpose of implementing this section, the department, or the department's designee, is authorized to act on behalf of an inmate for purposes of applying for medicaid eligibility.

(6) The following become a debt and are subject to RCW 72.09.450:

(a) All copayments under subsection (2) of this section that are not collected when the visit occurs; and

(b) All charges for replenishment personal hygiene items that are not collected when the item is distributed. [2012 c 237 § 1; 1995 1st sp.s. c 19 § 17; 1989 c 157 § 3.]

**Findings—Purpose—Short title—Severability—Effective date—1995 1st sp.s. c 19:** See notes following RCW 72.09.450.

**72.10.030 Contracts for services.** (1) Notwithstanding any other provisions of law, the secretary may enter into contracts with health care practitioners, health care facilities, and other entities or agents as may be necessary to provide medical, behavioral health, and chemical dependency treatment care to inmates. The contracts shall not cause the termination

(2012 Ed.)

of classified employees of the department rendering the services at the time the contract is executed.

(2) In contracting for services, the secretary is authorized to provide for indemnification of health care practitioners who cannot obtain professional liability insurance through reasonable effort, from liability on any action, claim, or proceeding instituted against them arising out of the good faith performance or failure of performance of services on behalf of the department. The contracts may provide that for the purposes of chapter 4.92 RCW only, those health care practitioners with whom the department has contracted shall be considered state employees.

(3) Providers of hospital services that are hospitals licensed under chapter 70.41 RCW shall contract with the department for inpatient, outpatient, and ancillary services if deemed appropriate by the department. Payments to hospitals shall conform to the following requirements:

(a) The department shall pay hospitals through the provider one system operated by the Washington state health care authority;

(b) The department shall reimburse the hospitals using the reimbursement methodology in use by the state medicaid program; and

(c) The department shall only reimburse a provider of hospital services to a hospital patient at a rate no more than the amount payable under the medicaid reimbursement structure plus a percentage increase that is determined in the operating budget, regardless of whether the hospital is located within or outside of Washington. [2012 c 237 § 2; 1989 c 157 § 4.]

**72.10.040 Rules.** The secretary shall have the power to make rules necessary to carry out the intent of this chapter. [1989 c 157 § 5.]

**72.10.050 Rules to implement RCW 72.10.020.** The department shall adopt rules to implement RCW 72.10.020. [1995 1st sp.s. c 19 § 18.]

**Findings—Purpose—Short title—Severability—Effective date—1995 1st sp.s. c 19:** See notes following RCW 72.09.450.

**72.10.060 Inmates who have received mental health treatment—Notification to treatment provider at time of release.** The secretary shall, for any person committed to a state correctional facility after July 1, 1998, inquire at the time of commitment whether the person had received outpatient mental health treatment within the two years preceding confinement and the name of the person providing the treatment.

The secretary shall inquire of the treatment provider if he or she wishes to be notified of the release of the person from confinement, for purposes of offering treatment upon the inmate's release. If the treatment provider wishes to be notified of the inmate's release, the secretary shall attempt to provide such notice at least seven days prior to release.

At the time of an inmate's release if the secretary is unable to locate the treatment provider, the secretary shall notify the regional support network in the county the inmate will most likely reside following release.

If the secretary has, prior to the release from the facility, evaluated the inmate and determined he or she requires pos-

release mental health treatment, a copy of relevant records and reports relating to the inmate's mental health treatment or status shall be promptly made available to the offender's present or future treatment provider. The secretary shall determine which records and reports are relevant and may provide a summary in lieu of copies of the records. [1998 c 297 § 48.]

(3) By December 1, 2007, each hospital must establish a safe patient handling program. As part of this program, a hospital must:

(a) Implement a safe patient handling policy for all shifts and units of the hospital. Implementation of the safe patient handling policy may be phased-in with the acquisition of equipment under subsection (4) of this section;

The evaluation shall determine the extent to which implementation of the program has resulted in a reduction in musculoskeletal disorder claims and days of lost work attributable to musculoskeletal disorder caused by patient handling, and include recommendations to increase the program's effectiveness; and

(e) When developing architectural plans for constructing or remodeling a hospital or a unit of a hospital in which patient handling and movement occurs, consider the feasibility of incorporating patient handling equipment or the physical space and construction design needed to incorporate that equipment at a later date.

(4) By January 30, 2010, hospitals must complete acquisition of their choice of: (a) One readily available lift per acute care unit on the same floor, unless the safe patient handling committee determines a lift is unnecessary in the unit; (b) one lift for every ten acute care available inpatient beds; or (c) equipment for use by lift teams. Hospitals must train staff on policies, equipment, and devices at least annually.

(5) Nothing in this section precludes lift team members from performing other duties as assigned during their shift.

(6) A hospital shall develop procedures for hospital employees to refuse to perform or be involved in patient handling or movement that the hospital employee believes in good faith will expose a patient or a hospital employee to an

unacceptable risk of injury. A hospital employee who in good faith follows the procedure developed by the hospital in accordance with this subsection shall not be the subject of disciplinary action by the hospital for the refusal to perform or be involved in the patient handling or movement. [2006 c 165 § 3.]

**Findings—2006 c 165:** See note following RCW 70.41.390.

**72.23.400 Workplace safety plan.** (1) By November 1, 2000, each state hospital shall develop a plan, for implementation by January 1, 2001, to reasonably prevent and protect employees from violence at the state hospital. The plan shall be developed with input from the state hospital's safety committee, which includes representation from management, unions, nursing, psychiatry, and key function staff as appropriate. The plan shall address security considerations related to the following items, as appropriate to the particular state hospital, based upon the hazards identified in the assessment required under subsection (2) of this section:

(a) The physical attributes of the state hospital including access control, egress control, door locks, lighting, and alarm systems;

(b) Staffing, including security staffing;

(c) Personnel policies;

(d) First aid and emergency procedures;

(e) Reporting violent acts, taking appropriate action in response to violent acts, and follow-up procedures after violent acts;

(f) Development of criteria for determining and reporting verbal threats;

(g) Employee education and training; and

(h) Clinical and patient policies and procedures including those related to smoking; activity, leisure, and therapeutic programs; communication between shifts; and restraint and seclusion.

(2) Before the development of the plan required under subsection (1) of this section, each state hospital shall conduct a security and safety assessment to identify existing or potential hazards for violence and determine the appropriate preventive action to be taken. The assessment shall include, but is not limited to analysis of data on violence and worker's compensation claims during at least the preceding year, input from staff and patients such as surveys, and information relevant to subsection (1)(a) through (h) of this section.

(3) In developing the plan required by subsection (1) of this section, the state hospital may consider any guidelines on violence in the workplace or in the state hospital issued by the department of health, the department of social and health services, the department of labor and industries, the federal occupational safety and health administration, medicare, and state hospital accrediting organizations.

(4) The plan must be evaluated, reviewed, and amended as necessary, at least annually. [2000 c 22 § 3.]

**Findings—2000 c 22:** "The legislature finds that:

(1) Workplace safety is of paramount importance in state hospitals for patients and the staff that treat them;

(2) Based on an analysis of workers' compensation claims, the department of labor and industries reports that state hospital employees face high rates of workplace violence in Washington state;

(3) State hospital violence is often related to the nature of the patients served, people who are both mentally ill and too dangerous for treatment in their home community, and people whose behavior is driven by elements of

mental illness including desperation, confusion, delusion, or hallucination;

(4) Patients and employees should be assured a reasonably safe and secure environment in state hospitals;

(5) The state hospitals have undertaken efforts to assure that patients and employees are safe from violence, but additional personnel training and appropriate safeguards may be needed to prevent workplace violence and minimize the risk and dangers affecting people in state hospitals; and

(6) Duplication and redundancy should be avoided so as to maximize resources available for patient care." [2000 c 22 § 1.]

**72.23.410 Violence prevention training.** By July 1, 2001, and at least annually thereafter, as set forth in the plan developed under RCW 72.23.400, each state hospital shall provide violence prevention training to all its affected employees as determined by the plan. Initial training shall occur prior to assignment to a patient unit, and in addition to his or her ongoing training as determined by the plan. The training may vary by the plan and may include, but is not limited to, classes, videotapes, brochures, verbal training, or other verbal or written training that is determined to be appropriate under the plan. The training shall address the following topics, as appropriate to the particular setting and to the duties and responsibilities of the particular employee being trained, based upon the hazards identified in the assessment required under RCW 72.23.400:

- (1) General safety procedures;
- (2) Personal safety procedures and equipment;
- (3) The violence escalation cycle;
- (4) Violence-predicting factors;
- (5) Obtaining patient history for patients with violent behavior or a history of violent acts;
- (6) Verbal and physical techniques to de-escalate and minimize violent behavior;
- (7) Strategies to avoid physical harm;

- (9) Documenting and reporting incidents;
- (10) The process whereby employees affected by a violent act may debrief;

- (13) Use of the intershift reporting process to communicate between shifts regarding patients who are agitated; and
- (14) Use of the multidisciplinary treatment process or other methods for clinicians to communicate with staff regarding patient treatment plans and how they can collaborate to prevent violence. [2000 c 22 § 4.]

**Findings—2000 c 22:** See note following RCW 72.23.400.

**72.23.420 Record of violent acts.** Beginning no later than July 1, 2000, each state hospital shall keep a record of any violent act against an employee or a patient occurring at the state hospital. Each record shall be kept for at least five years following the act reported during which time it shall be available for inspection by the department of labor and industries upon request. At a minimum, the record shall include:

- (1) Necessary information for the state hospital to comply with the requirements of chapter 49.17 RCW related to employees that may include:
  - (a) A full description of the violent act;
  - (b) When the violent act occurred;
  - (c) Where the violent act occurred;

- (d) To whom the violent act occurred;
- (e) Who perpetrated the violent act;
- (f) The nature of the injury;

[2000 c 22 § 7.]

**Findings—2000 c 22:** See note following RCW 72.23.400.

**72.23.451 Annual report to the legislature.** By September 1st of each year, the department shall report to the house committee on commerce and labor and the senate committee on commerce and trade, or successor committees, on the department's efforts to reduce violence in the state hospitals. [2005 c 187 § 1.]

**72.27.010 Compact enacted.** The Interstate Compact on Mental Health is hereby enacted into law and entered into by this state with all other states legally joining therein in the form substantially as follows:

The contracting states solemnly agree that:

#### ARTICLE I

The party states find that the proper and expeditious treatment of the mentally ill and mentally deficient can be facilitated by cooperative action, to the benefit of the patients, their families, and society as a whole. Further, the party states find that the necessity of and desirability for furnishing such care and treatment bears no primary relation to the residence or citizenship of the patient but that, on the contrary, the controlling factors of community safety and humanitarianism require that facilities and services be made available for all who are in need of them. Consequently, it is the purpose of this compact and of the party states to provide the necessary legal basis for the institutionalization or other appropriate care and treatment of the mentally ill and mentally deficient under a system that recognizes the paramount importance of patient welfare and to establish the responsibilities of the party states in terms of such welfare.

#### ARTICLE II

As used in this compact:

(a) "Sending state" shall mean a party state from which a patient is transported pursuant to the provisions of the compact or from which it is contemplated that a patient may be so sent.

(b) "Receiving state" shall mean a party state to which a patient is transported pursuant to the provisions of the compact or to which it is contemplated that a patient may be so sent.

(c) "Institution" shall mean any hospital or other facility maintained by a party state or political subdivision thereof for the care and treatment of mental illness or mental deficiency.

(d) "Patient" shall mean any person subject to or eligible as determined by the laws of the sending state, for institutionalization or other care, treatment, or supervision pursuant to the provisions of this compact.

(e) "After-care" shall mean care, treatment and services provided a patient, as defined herein, on convalescent status or conditional release.

(f) "Mental illness" shall mean mental disease to such extent that a person so afflicted requires care and treatment for his own welfare, or the welfare of others, or of the community.

(g) "Mental deficiency" shall mean mental deficiency as defined by appropriate clinical authorities to such extent that a person so afflicted is incapable of managing himself and his affairs, but shall not include mental illness as defined herein.

(h) "State" shall mean any state, territory or possession of the United States, the District of Columbia, and the Commonwealth of Puerto Rico.

#### ARTICLE III

(a) Whenever a person physically present in any party state shall be in need of institutionalization by reason of mental illness or mental deficiency, he shall be eligible for care and treatment in an institution in that state irrespective of his residence, settlement or citizenship qualifications.

(b) The provisions of paragraph (a) of this article to the contrary notwithstanding, any patient may be transferred to an institution in another state whenever there are factors based upon clinical determinations indicating that the care and treatment of said patient would be facilitated or improved thereby. Any such institutionalization may be for the entire period of care and treatment or for any portion or portions thereof. The factors referred to in this paragraph shall include the patient's full record with due regard for the location of the patient's family, character of the illness and probable duration thereof, and such other factors as shall be considered appropriate.

(c) No state shall be obliged to receive any patient pursuant to the provisions of paragraph (b) of this article unless the sending state has given advance notice of its intention to send the patient; furnished all available medical and other pertinent records concerning the patient; given the qualified medical or other appropriate clinical authorities of the receiving state an opportunity to examine the patient if said authorities so wish; and unless the receiving state shall agree to accept the patient.

(d) In the event that the laws of the receiving state establish a system of priorities for the admission of patients, an interstate patient under this compact shall receive the same priority as a local patient and shall be taken in the same order and at the same time that he would be taken if he were a local patient.

(e) Pursuant to this compact, the determination as to the suitable place of institutionalization for a patient may be reviewed at any time and such further transfer of the patient may be made as seems likely to be in the best interest of the patient.

## ARTICLE IV

(a) Whenever, pursuant to the laws of the state in which a patient is physically present, it shall be determined that the patient should receive after-care or supervision, such care or supervision may be provided in a receiving state. If the medical or other appropriate clinical authorities having responsibility for the care and treatment of the patient in the sending state shall have reason to believe that after-care in another state would be in the best interest of the patient and would not jeopardize the public safety, they shall request the appropriate authorities in the receiving state to investigate the desirability of affording the patient such after-care in said receiving state, and such investigation shall be made with all reasonable speed. The request for investigation shall be accompanied by complete information concerning the patient's intended place of residence and the identity of the person in whose charge it is proposed to place the patient, the complete medical history of the patient, and such other documents as may be pertinent.

(b) If the medical or other appropriate clinical authorities having responsibility for the care and treatment of the patient in the sending state and the appropriate authorities in the receiving state find that the best interest of the patient would be served thereby, and if the public safety would not be jeopardized thereby, the patient may receive after-care or supervision in the receiving state.

(c) In supervising, treating, or caring for a patient on after-care pursuant to the terms of this article, a receiving state shall employ the same standards of visitation, examination, care, and treatment that it employs for similar local patients.

## ARTICLE V

Whenever a dangerous or potentially dangerous patient escapes from an institution in any party state, that state shall promptly notify all appropriate authorities within and without the jurisdiction of the escape in a manner reasonably calculated to facilitate the speedy apprehension of the escapee. Immediately upon the apprehension and identification of any such dangerous or potentially dangerous patient, he shall be detained in the state where found pending disposition in accordance with law.

## ARTICLE VI

The duly accredited officers of any state party to this compact, upon the establishment of their authority and the identity of the patient, shall be permitted to transport any patient being moved pursuant to this compact through any and all states party to this compact, without interference.

## ARTICLE VII

(a) No person shall be deemed a patient of more than one institution at any given time. Completion of transfer of any patient to an institution in a receiving state shall have the effect of making the person a patient of the institution in the receiving state.

(b) The sending state shall pay all costs of and incidental to the transportation of any patient pursuant to this compact, but any two or more party states may, by making a specific

agreement for that purpose, arrange for a different allocation of costs as among themselves.

(c) No provision of this compact shall be construed to alter or affect any internal relationships among the departments, agencies and officers of and in the government of a party state, or between a party state and its subdivisions, as to the payment of costs, or responsibilities therefor.

(d) Nothing in this compact shall be construed to prevent any party state or subdivision thereof from asserting any right against any person, agency or other entity in regard to costs for which such party state or subdivision thereof may be responsible pursuant to any provision of this compact.

(e) Nothing in this compact shall be construed to invalidate any reciprocal agreement between a party state and a nonparty state relating to institutionalization, care or treatment of the mentally ill or mentally deficient, or any statutory authority pursuant to which such agreements may be made.

## ARTICLE VIII

(a) Nothing in this compact shall be construed to abridge, diminish, or in any way impair the rights, duties, and responsibilities of any patient's guardian on his own behalf or in respect of any patient for whom he may serve, except that where the transfer of any patient to another jurisdiction makes advisable the appointment of a supplemental or substitute guardian, any court of competent jurisdiction in the receiving state may make such supplemental or substitute appointment and the court which appointed the previous guardian shall upon being duly advised of the new appointment, and upon the satisfactory completion of such accounting and other acts as such court may by law require, relieve the previous guardian of power and responsibility to whatever extent shall be appropriate in the circumstances: PROVIDED, HOWEVER, That in the case of any patient having settlement in the sending state, the court of competent jurisdiction in the sending state shall have the sole discretion to relieve a guardian appointed by it or continue his power and responsibility, whichever it shall deem advisable. The court in the receiving state may, in its discretion, confirm or reappoint the person or persons previously serving as guardian in the sending state in lieu of making a supplemental or substitute appointment.

(b) The term "guardian" as used in paragraph (a) of this article shall include any guardian, trustee, legal committee, conservator, or other person or agency however denominated who is charged by law with power to act for or responsibility for the person or property of a patient.

## ARTICLE IX

(a) No provision of this compact except Article V shall apply to any person institutionalized while under sentence in a penal or correctional institution or while subject to trial on a criminal charge, or whose institutionalization is due to the commission of an offense for which, in the absence of mental illness or mental deficiency, said person would be subject to incarceration in a penal or correctional institution.

(b) To every extent possible, it shall be the policy of states party to this compact that no patient shall be placed or detained in any prison, jail or lockup, but such patient shall, with all expedition, be taken to a suitable institutional facility for mental illness or mental deficiency.

## ARTICLE X

(a) Each party state shall appoint a "compact administrator" who, on behalf of his state, shall act as general coordinator of activities under the compact in his state and who shall receive copies of all reports, correspondence, and other documents relating to any patient processed under the compact by his state either in the capacity of sending or receiving state. The compact administrator or his duly designated representative shall be the official with whom other party states shall deal in any matter relating to the compact or any patient processed thereunder.

(b) The compact administrators of the respective party states shall have power to promulgate reasonable rules and regulations to carry out more effectively the terms and provisions of this compact.

## ARTICLE XI

The duly constituted administrative authorities of any two or more party states may enter into supplementary agreements for the provision of any service or facility or for the maintenance of any institution on a joint or cooperative basis whenever the states concerned shall find that such agreements will improve services, facilities, or institutional care and treatment in the fields of mental illness or mental deficiency. No such supplementary agreement shall be construed so as to relieve any party state of any obligation which it otherwise would have under other provisions of this compact.

## ARTICLE XII

This compact shall enter into full force and effect as to any state when enacted by it into law and such state shall thereafter be a party thereto with any and all states legally joining therein.

## ARTICLE XIII

(a) A state party to this compact may withdraw therefrom by enacting a statute repealing the same. Such withdrawal shall take effect one year after notice thereof has been communicated officially and in writing to the governors and compact administrators of all other party states. However, the withdrawal of any state shall not change the status of any patient who has been sent to said state or sent out of said state pursuant to the provisions of the compact.

(b) Withdrawal from any agreement permitted by Article VII(b) as to costs or from any supplementary agreement made pursuant to Article XI shall be in accordance with the terms of such agreement.

## ARTICLE XIV

This compact shall be liberally construed so as to effectuate the purposes thereof. The provisions of this compact shall be severable and if any phrase, clause, sentence or provision of this compact is declared to be contrary to the constitution of any party state or of the United States or the applicability thereof to any government, agency, person or circumstance is held invalid, the validity of the remainder of this compact and the applicability thereof to any government, agency, person or circumstance shall not be affected thereby. If this compact shall be held contrary to the constitution of any state party thereto, the compact shall remain in full force

and effect as to the remaining states and in full force and effect as to the state affected as to all severable matters. [1965 ex.s. c 26 § 1.]

**Chapter added:** "The foregoing provisions of this act are added to chapter 28, Laws of 1959 and to Title 72 RCW, and shall constitute a new chapter therein." [1965 ex.s. c 26 § 8.]

**72.27.050 Prerequisites for transfer of person to another party state—Release or return of residents, jurisdiction, laws applicable.** No person shall be transferred to another party state pursuant to this chapter unless the compact administrator first shall have obtained either:

(a) [(1)] The written consent to such transfer by the proposed transferee or by others on his or her behalf, which consent shall be executed in accordance with the requirements of \*RCW 72.23.070, and if such person was originally committed involuntarily, such consent also shall be approved by the committing court; or

**72.36.160 Personal needs allowance.** The legislature finds that to meet the objectives of RCW 72.36.1601, the personal needs allowance for all nursing care residents of the state veterans' homes shall be an amount approved by the federal health care financing authority, but not less than ninety dollars or more than one hundred sixty dollars per month during periods of residency. For all domiciliary residents, the personal needs allowance shall be one hundred sixty dollars per month, or a higher amount defined in rules adopted by the department. [1993 sp.s. c 3 § 9.]

**72.36.1601 Findings.** The legislature finds that continued operation of state veterans' homes is necessary to meet the needs of eligible veterans for shelter, personal and nursing care, and related services; that certain residents of veterans' homes or services provided to them may be eligible for participation in the state's medicaid reimbursement system; and that authorizing medicaid participation is appropriate to address the homes' long-term funding needs. The legislature also finds that it is important to maintain the dignity and self-respect of residents of veterans' homes, by providing for continued resident involvement in the homes' operation, and through retention of current law guaranteeing a minimum

(2012 Ed.)

amount of allowable personal income necessary to meet the greater costs for these residents of transportation, communication, and participation in family and community activities that are vitally important to their maintenance and rehabilitation. [1993 sp.s. c 3 § 1.]

**72.40.015 Center for childhood deafness and hearing loss—Functions.** (1) The Washington state center for childhood deafness and hearing loss is established to provide statewide leadership for the coordination and delivery of educational services to children who are deaf or hard of hearing. The activities of the center shall be under the authority of the director and the board of trustees. The superintendent and board of trustees of the state school for the deaf as of July 26, 2009, shall be the director and board of trustees of the center.

(2) The center's primary functions are:

(a) Managing and directing the supervision of the state school for the deaf;

(b) Providing statewide leadership and support for the coordination of regionally delivered educational services in the full range of communication modalities, for children who are deaf or hard of hearing; and

(c) Collaborating with appropriate public and private partners for the training and professional development of educators serving children who are deaf or hard of hearing. [2009 c 381 § 2.]

**Findings—Intent—2009 c 381:** "The legislature finds that the education of children who are deaf presents unique challenges because deafness is a low-incidence disability significantly impacting the child's ability to access communication at home, at school, and in the community. The legislature further finds that over the past fifty years, there have been numerous advances in technology as well as a growing awareness about the importance of delivering services to children in a variety of communication modalities to support their early and continued access to communication. The legislature intends to enhance the coordination of regionally delivered educational services and supports for children who are deaf or hard of hearing and to promote the development of communication-rich learning environments for these children." [2009 c 381 § 1.]

**Transfer of powers, duties, and property—Construction of statutory references—2009 c 381:** "(1) The state school for the deaf is hereby abolished and its powers, duties, and functions are hereby transferred to the Washington state center for childhood deafness and hearing loss. All references to the superintendent or the state school for the deaf in the Revised Code of Washington shall be construed to mean the director or the Washing-

ton state center for childhood deafness and hearing loss.

(2)(a) All reports, documents, surveys, books, records, files, papers, or written material in the possession of the state school for the deaf shall be delivered to the custody of the Washington state center for childhood deafness and hearing loss. All funds, credits, or other assets held by the state school for the deaf shall be assigned to the Washington state center for childhood deafness and hearing loss.

(b) Any appropriations made to the state school for the deaf shall, on July 26, 2009, be transferred and credited to the Washington state center for childhood deafness and hearing loss.

(c) If any question arises as to the transfer of any personnel, funds, books, documents, records, papers, files, equipment, or other tangible property used or held in the exercise of the powers and the performance of the duties and functions transferred, the director of financial management shall make a determination as to the proper allocation and certify the same to the state agencies concerned.

(3) All employees of the state school for the deaf are transferred to the jurisdiction of the Washington state center for childhood deafness and hearing loss. All employees classified under chapter 41.06 RCW, the state civil service law, are assigned to the Washington state center for childhood deafness and hearing loss to perform their usual duties upon the same terms as formerly, without any loss of rights, subject to any action that may be appropriate thereafter in accordance with the laws and rules governing state civil service.

(4) All rules and all pending business before the state school for the deaf shall be continued and acted upon by the Washington state center for childhood deafness and hearing loss. All existing contracts and obligations shall remain in full force and shall be performed by the Washington state center for childhood deafness and hearing loss.

(5) The transfer of the powers, duties, functions, and personnel of the state school for the deaf shall not affect the validity of any act performed before July 26, 2009.

(6) If apportionments of budgeted funds are required because of the transfers directed by this section, the director of financial management shall certify the apportionments to the agencies affected, the state auditor, and the state treasurer. Each of these shall make the appropriate transfer and adjustments in funds and appropriation accounts and equipment records in accordance with the certification.

(7) The existing bargaining units shall be transferred in their entirety without the merging of other bargaining units or the inclusion of employees from other bargaining units. Nothing contained in this section may be construed to alter any of the existing collective bargaining units unless the bargaining unit has been modified by action of the public employment relations commission as provided by law. Therefore, the certification of the existing bargaining units shall remain. However, the commission may, upon request, amend the certification to reflect the name of the new agency. In addition, nothing in this section may be construed to alter the provisions of any existing collective bargaining agreement until the agreement has expired." [2009 c 381 § 11.]

The policy shall include, at a minimum, the following elements:

(a) Development and use of an assessment process for identifying children, within thirty days of beginning residence at the schools, who present a moderate or high risk of sexually aggressive behavior for the purposes of this section. The assessment process need not require that every child who is adjudicated or convicted of a sex offense as defined in RCW 9.94A.030 be determined to be sexually aggressive, nor shall a sex offense adjudication or conviction be required in order to determine a child is sexually aggressive. Instead, the assessment process shall consider the individual circum-

stances of the child, including his or her age, physical size, sexual abuse history, mental and emotional condition, and other factors relevant to sexual aggressiveness. The definition of "sexually aggressive youth" in RCW 74.13.075 does not apply to this section to the extent that it conflicts with this section;

(b) Development and use of an assessment process for identifying children, within thirty days of beginning residence at the schools, who may be vulnerable to victimization by children identified under (a) of this subsection as presenting a moderate or high risk of sexually aggressive behavior. The assessment process shall consider the individual circumstances of the child, including his or her age, physical size, sexual abuse history, mental and emotional condition, and other factors relevant to vulnerability;

(c) Development and use of placement criteria to avoid assigning children who present a moderate or high risk of sexually aggressive behavior to the same sleeping quarters as children assessed as vulnerable to sexual victimization, except that they may be assigned to the same multiple-person sleeping quarters if those sleeping quarters are regularly monitored by visual surveillance equipment or staff checks;

(d) Development and use of procedures for minimizing, within available funds, unsupervised contact in the residential facilities of the schools between children presenting moderate to high risk of sexually aggressive behavior and children assessed as vulnerable to sexual victimization. The procedures shall include taking reasonable steps to prohibit any child residing at the schools who present a moderate to high risk of sexually aggressive behavior from entering any sleeping quarters other than the one to which they are assigned, unless accompanied by an authorized adult.

(2) For the purposes of this section, the following terms have the following meanings:

(a) "Sleeping quarters" means the bedrooms or other rooms within a residential facility where children are assigned to sleep.

(b) "Unsupervised contact" means contact occurring outside the sight or hearing of a responsible adult for more than a reasonable period of time under the circumstances. [2000 c 125 § 10.]

The implementation plan shall also include educational opportunities and employment, wage, and other incentives. The department shall include in the implementation plans an incentive program based on wages, and the opportunity to contribute all or a portion of their wages towards an array of incentives. The funds recovered from the sale, lease, or rental of incentives should be considered as a possible source of revenue to cover the capitalized cost of the additional space necessary to accommodate the increased class I and class II industries programs.

Only those inmates employed in class I and class II jobs may participate in the incentive program. (4) The department shall propose rules specifying that inmate wages, other than the amount an inmate owes for taxes, legal financial obligations, and to the victim restitution fund, shall be returned to the department to pay for the cost of prison operations, including room and board.

(5) The plan shall identify actual or potential legal or operational obstacles, or both, in implementing the components of the plan as specified in this section, and recommend strategies to remove the obstacles.

**72.68.010 Transfer of prisoners.** (1) Whenever in its judgment the best interests of the state or the welfare of any prisoner confined in any penal institution will be better served by his or her transfer to another institution or to a foreign country of which the prisoner is a citizen or national, the secretary may effect such transfer consistent with applicable federal laws and treaties. The secretary has the authority to transfer offenders out-of-state to private or governmental institutions if the secretary determines that transfer is in the best interest of the state or the offender. The determination of what is in the best interest of the state or offender may include but is not limited to considerations of overcrowding, emer-

gency conditions, or hardship to the offender. In determining whether the transfer will impose a hardship on the offender, the secretary shall consider: (a) The location of the offender's family and whether the offender has maintained contact with members of his or her family; (b) whether, if the offender has maintained contact, the contact will be significantly disrupted by the transfer due to the family's inability to maintain the contact as a result of the transfer; and (c) whether the offender is enrolled in a vocational or educational program that cannot reasonably be resumed if the offender is returned to the state.

(2) If directed by the governor, the secretary shall, in carrying out this section and RCW 43.06.350, adopt rules under chapter 34.05 RCW to effect the transfer of prisoners requesting transfer to foreign countries. **72.68.012 Transfer to private institutions—Intent—Authority.** The legislature has in the past allowed funding for transfer of convicted felons to a private institution in another state. It is the legislature's intent to clarify the law to reflect that the secretary of corrections has authority to contract with private corporations to house felons out-of-state and has had that authority since before February 1, 1999, when specific authority to expend funds during specified bienniums was granted under RCW 72.09.050. The secretary has the authority to expend funds between February 1, 1999, and June 30, 2001, for contracts with private corporations to house felons out-of-state. [2000 c 62 § 1.]

**72.68.031 Transfer or removal of person in correctional institution to institution for mentally ill.** When, in the judgment of the secretary, the welfare of any person committed to or confined in any state correctional institution or facility necessitates that such person be transferred or moved for observation, diagnosis, or treatment to any state institution or facility for the care of the mentally ill, the secretary, with the consent of the secretary of social and health services, is authorized to order and effect such move or transfer: PROVIDED, That the sentence of such person shall continue to run as if he or she remained confined in a correctional institution or facility, and that such person shall not continue so detained or confined beyond the maximum term to which he or she was sentenced: PROVIDED, FURTHER, That the

secretary and the indeterminate sentence review board shall adopt and implement procedures to assure that persons so transferred shall, while detained or confined at such institution or facility for the care of the mentally ill, be provided with substantially similar opportunities for parole or early release evaluation and determination as persons detained or confined in the state correctional institutions or facilities. [1972 ex.s. c 59 § 3.]

(b) "Sending state" means a state party to this compact in which conviction was had.

(c) "Receiving state" means a state party to this compact to which an inmate is sent for confinement other than a state in which conviction was had.

(d) "Inmate" means a male or female offender who is under sentence to or confined in a prison or other correctional institution.

1. Its duration.
2. Payments to be made to the receiving state by the sending state for inmate maintenance, extraordinary medical and dental expenses, and any participation in or receipt by inmates of rehabilitative or correctional services, facilities, programs or treatment not reasonably included as part of normal maintenance.
3. Participation in programs of inmate employment, if any; the disposition or crediting of any payments received by inmates on account thereof; and the crediting of proceeds from or disposal of any products resulting therefrom.
4. Delivery and retaking of inmates.
5. Such other matters as may be necessary and appropriate to fix the obligations, responsibilities and rights of the sending and receiving states.

(b) Prior to the construction or completion of construction of any institution or addition thereto by a party state, any other party state or states may contract therewith for the enlargement of the planned capacity of the institution or addition thereto, or for the inclusion therein of particular equipment or structures, and for the reservation of a specific percentage of the capacity of the institution to be kept available for use by inmates of the sending state or states so contracting. Any sending state so contracting may, to the extent that monies are legally available therefor, pay to the receiving state, a reasonable sum as consideration for such enlargement of capacity, or provision of equipment or structures, and reservation of capacity. Such payment may be in a lump sum or in installments as provided in the contract.

(c) The terms and provisions of this compact shall be a part of any contract entered into by the authority of or pursuant thereto, and nothing in any such contract shall be inconsistent therewith.

## ARTICLE IV—Procedures and Rights

(b) The appropriate officials of any state party to this compact shall have access, at all reasonable times, to any institution in which it has a contractual right to confine inmates for the purpose of inspecting the facilities thereof and visiting such of its inmates as may be confined in the institution.

(c) Inmates confined in an institution pursuant to the terms of this compact shall at all times be subject to the juris-

isdiction of the sending state and may at any time be removed therefrom for transfer to a prison or other institution within the sending state, for transfer to another institution in which the sending state may have a contractual or other right to confine inmates, for release on probation or parole, for discharge, or for any other purpose permitted by the laws of the sending state; provided that the sending state shall continue to be obligated to such payments as may be required pursuant to the terms of any contract entered into under the terms of Article III.

(d) Each receiving state shall provide regular reports to each sending state on the inmates of that sending state in institutions pursuant to this compact including a conduct record of each inmate and certify said record to the official designated by the sending state, in order that each inmate may have the benefit of his or her record in determining and altering the disposition of said inmate in accordance with the law which may obtain in the sending state and in order that the same may be a source of information for the sending state.

(e) All inmates who may be confined in an institution pursuant to the provisions of this compact shall be treated in a reasonable and humane manner and shall be cared for and treated equally with such similar inmates of the receiving state as may be confined in the same institution. The fact of confinement in a receiving state shall not deprive any inmate so confined of any legal rights which said inmate would have had if confined in an appropriate institution of the sending state.

(f) Any hearing or hearings to which an inmate confined pursuant to this compact may be entitled by the laws of the sending state may be had before the appropriate authorities of the sending state, or of the receiving state if authorized by the sending state. The receiving state shall provide adequate facilities for such hearings as may be conducted by the appropriate officials of a sending state. In the event such hearing or hearings are had before officials of the receiving state, the governing law shall be that of the sending state and a record of the hearing or hearings as prescribed by the sending state shall be made. Said record together with any recommendations of the hearing officials shall be transmitted forthwith to the official or officials before whom the hearing would have been had if it had taken place in the sending state. In any and all proceedings had pursuant to the provisions of this subdivision, the officials of the receiving state shall act solely as agents of the sending state and no final determination shall be made in any matter except by the appropriate officials of the sending state. Costs of records made pursuant to this subdivision shall be borne by the sending state.

(g) Any inmate confined pursuant to this compact shall be released within the territory of the sending state unless the inmate, and the sending and receiving states, shall agree upon release in some other place. The sending state shall bear the cost of such return to its territory.

(h) Any inmate confined pursuant to the terms of this compact shall have any and all rights to participate in and derive any benefits or incur or be relieved of any obligations or have such obligations modified or his status changed on account of any action or proceeding in which he could have participated if confined in any appropriate institution of the sending state located within such state.

#### ARTICLE V—Acts Not Reviewable In Receiving State; Extradition

(a) Any decision of the sending state in respect of any matter over which it retains jurisdiction pursuant to this compact shall be conclusive upon and not reviewable within the receiving state, but if at the time the sending state seeks to remove an inmate from an institution in the receiving state there is pending against the inmate within such state any criminal charge or if the inmate is suspected of having committed within such state a criminal offense, the inmate shall not be returned without the consent of the receiving state until discharged from prosecution or other form of proceeding, imprisonment or detention for such offense. The duly accredited officers of the sending state shall be permitted to transport inmates pursuant to this compact through any and all states party to this compact without interference.

(b) An inmate who escapes from an institution in which he is confined pursuant to this compact shall be deemed a fugitive from the sending state and from the state in which the institution is situated. In the case of an escape to a jurisdiction other than the sending or receiving state, the responsibility for institution of extradition proceedings shall be that of the sending state, but nothing contained herein shall be construed to prevent or affect the activities of officers and agencies of any jurisdiction directed toward the apprehension and return of an escapee.

An actual withdrawal shall not take effect until two years after the notices provided in said statute have been sent. Such withdrawal shall not relieve the withdrawing state from its obligations assumed hereunder prior to the effective date of withdrawal. Before the effective date of withdrawal, a withdrawing state shall remove to its territory, at its own expense, such inmates as it may have confined pursuant to the provisions of this compact.

#### ARTICLE IX—Other Arrangements Unaffected

#### ARTICLE X—Construction and Severability

(v) Such other matters as may be necessary and appropriate to fix the obligations, responsibilities and rights of the sending and receiving states.

(b) The terms and provisions of this compact shall be a part of any contract entered into by the authority of or pursuant thereto and nothing in any such contract shall be inconsistent therewith.

(4)(a) Whenever the duly constituted authorities in a state party to this compact, and which has entered into a contract pursuant to subsection (3)(a) of this section, shall decide that confinement in, or transfer of an inmate to, an institution within the territory of another party state is necessary or desirable in order to provide adequate quarters and care or an appropriate program of rehabilitation or treatment, said officials may direct that the confinement be within an institution

within the territory of said other party state, the receiving state to act in that regard solely as agent for the sending state.

(b) The appropriate officials of any state party to this compact shall have access, at all reasonable times, to any institution in which it has a contractual right to confine inmates for the purpose of inspecting the facilities thereof and visiting such of its inmates as may be confined in the institution.

(c) Inmates confined in an institution pursuant to the terms of this compact shall at all times be subject to the jurisdiction of the sending state and may at any time be removed therefrom for transfer to a prison or other institution within the sending state, for transfer to another institution in which the sending state may have a contractual or other right to confine inmates, for release on probation or parole, for discharge, or for any other purpose permitted by the laws of the sending state, provided that the sending state shall continue to be obligated to such payments as may be required pursuant to the terms of any contract entered into under the terms of subsection (3)(a) of this section.

(d) Each receiving state shall provide regular reports to each sending state on the inmates of that sending state in institutions pursuant to this compact, including a conduct record of each inmate, and certify said record to the official designated by the sending state, in order that each inmate may have official review of his or her record in determining and altering the disposition of said inmate in accordance with the law which may obtain in the sending state and in order that the same may be a source of information for the sending state.

(e) All inmates who may be confined in an institution pursuant to the provisions of this compact shall be treated in a reasonable and humane manner and shall be treated equally with such similar inmates of the receiving state as may be confined in the same institution. The fact of confinement in a receiving state shall not deprive any inmate so confined of any legal rights which said inmate would have had if confined in an appropriate institution of the sending state.

(f) Any hearing or hearings to which an inmate confined pursuant to this compact may be entitled by the laws of the sending state may be had before the appropriate authorities of the sending state, or of the receiving state if authorized by the sending state. The receiving state shall provide adequate facilities for such hearings as may be conducted by the appropriate officials of a sending state. In the event such hearing or hearings are had before officials of the receiving state, the governing law shall be that of the sending state and a record of the hearing or hearings as prescribed by the sending state shall be made. Said record, together with any recommendations of the hearing officials, shall be transmitted forthwith to the official or officials before whom the hearing would have been had if it had taken place in the sending state. In any and all proceedings had pursuant to the provisions of this subdivision, the officials of the receiving state shall act solely as agents of the sending state and no final determination shall be made in any matter except by the appropriate officials of the sending state.

(g) Any inmate confined pursuant to this compact shall be released within the territory of the sending state unless the inmate, and the sending and receiving states, shall agree upon

release in some other place. The sending state shall bear the cost of such return to its territory.

(h) Any inmate confined pursuant to the terms of this compact shall have any and all rights to participate in and derive any benefits or incur or be relieved of any obligations or have such obligations modified or his status changed on account of any action or proceeding in which he could have participated if confined in any appropriate institution of the sending state located within such state.

(i) The parents, guardian, trustee, or other person or persons entitled under the laws of the sending state to act for, advise or otherwise function with respect to any inmate shall not be deprived of or restricted in his exercise of any power in respect of any inmate confined pursuant to the terms of this compact.

(5)(a) Any decision of the sending state in respect to any matter over which it retains jurisdiction pursuant to this compact shall be conclusive upon and not reviewable within the receiving state, but if at the time the sending state seeks to remove an inmate from an institution in the receiving state there is pending against the inmate within such state any criminal charge or if the inmate is formally accused of having committed within such state a criminal offense, the inmate shall not be returned without the consent of the receiving state until discharge from prosecution or other form of proceeding, imprisonment or detention for such offense. The duly accredited officers of the sending state shall be permitted to transport inmates pursuant to this compact through any and all states party to this compact without interference.

(b) An inmate who escapes from an institution in which he is confined pursuant to this compact shall be deemed a fugitive from the sending state and from the state in which the institution is situated. In the case of an escape to a jurisdiction other than the sending or receiving state, the responsibility for institution of extradition or rendition proceedings shall be that of the sending state, but nothing contained herein shall be construed to prevent or affect the activities of officers and agencies of any jurisdiction directed toward the apprehension and return of an escapee.

(6) Any state party to this compact may accept federal aid for use in connection with any institution or program, the use of which is or may be affected by this compact or any contract pursuant hereto; and any inmate in a receiving state pursuant to this compact may participate in any such federally-aided program or activity for which the sending and receiving states have made contractual provision, provided that if such program or activity is not part of the customary correctional regimen, the express consent of the appropriate official of the sending state shall be required therefor.

(7) This compact shall enter into force and become effective and binding upon the states so acting when it has been enacted into law by any two states. Thereafter, this compact shall enter into force and become effective and binding as to any other of said states upon similar action by such state.

(8) This compact shall continue in force and remain binding upon a party state until it shall have enacted a statute repealing the same and providing for the sending of formal written notice of withdrawal from the compact to the appropriate official of all other party states. An actual withdrawal shall not take effect until one year after the notice provided in said statute has been sent. Such withdrawal shall not relieve

the withdrawing state from its obligations assumed hereunder prior to the effective date of withdrawal. Before effective date of withdrawal, a withdrawing state shall remove to its territory, at its own expense, such inmates as it may have confined pursuant to the provisions of this compact.

(9) Nothing contained in this compact shall be construed to abrogate or impair any agreement or other arrangement which a party state may have with a nonparty state for the confinement, rehabilitation or treatment of inmates nor to repeal any other laws of a party state authorizing the making of cooperative institutional arrangements.

(10) The provisions of this compact shall be liberally construed and shall be severable. If any phrase, clause, sentence or provision of this compact is declared to be contrary to the constitution of any participating state or of the United States or the applicability thereof to any government, agency, person or circumstance is held invalid, the validity of the remainder of this compact and the applicability thereof to any government, agency, person or circumstance shall not be affected thereby. If this compact shall be held contrary to the constitution of any state participating therein, the compact shall remain in full force and effect as to the remaining states and in full force and effect as to the state affected as to all severable matters. [1983 c 255 § 13.]

**72.74.030 Authority to receive or transfer inmates.** The secretary of corrections is authorized to receive or transfer an inmate as defined in the Interstate Corrections Compact to any institution as defined in the Interstate Corrections Compact within this state or without this state, if this state has entered into a contract or contracts for the confinement of inmates in such institutions pursuant to subsection (3) of the Interstate Corrections Compact. [1983 c 255 § 14.]

**72.74.040 Enforcement.** The courts, departments, agencies, and officers of this state and its subdivisions shall enforce this compact and shall do all things appropriate to the effectuation of its purposes and intent which may be within their respective jurisdictions including but not limited to the making and submission of such reports as are required by the compact. [1983 c 255 § 15.]

**72.74.050 Hearings.** The secretary is authorized and directed to hold such hearings as may be requested by any other party state pursuant to subsection (4)(f) of the Interstate Corrections Compact. Additionally, the secretary may hold out-of-state hearings in connection with the case of any inmate of this state confined in an institution of another state party to the Interstate Corrections Compact. [1983 c 255 § 16.]

**72.74.060 Contracts for implementation.** The secretary of corrections is empowered to enter into such contracts on behalf of this state as may be appropriate to implement the participation of this state in the Interstate Corrections Compact pursuant to subsection (3) of the compact. No such contract shall be of any force or effect until approved by the attorney general. [1983 c 255 § 17.]

**72.74.070 Clothing, transportation, and funds for state inmates released in other states.** If any agreement

between this state and any other state party to the Interstate Corrections Compact enables an inmate of this state confined in an institution of another state to be released in such other state in accordance with subsection (4)(g) of this compact, then the secretary is authorized to provide clothing, transportation, and funds to such inmate in accordance with RCW 72.02.100. [1983 c 255 § 18.]

**72.74.900 Severability—1983 c 255.** If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected. [1983 c 255 § 20.]

[1989 c 177 § 2.]

**72.76.010 Compact enacted—Provisions.** The Washington intrastate corrections compact is enacted and entered into on behalf of this state by the department with any and all counties of this state legally joining in a form substantially as follows:

### WASHINGTON INTRASTATE CORRECTIONS COMPACT

A compact is entered into by and among the contracting counties and the department of corrections, signatories hereto, for the purpose of maximizing the use of existing resources and to provide adequate facilities and programs for the confinement, care, treatment, and employment of offenders.

The contracting counties and the department do solemnly agree that:

(1) As used in this compact, unless the context clearly requires otherwise:

(a) "Department" means the Washington state department of corrections.

(b) "Secretary" means the secretary of the department of corrections or designee.

(c) "Compact jurisdiction" means the department of corrections or any county of the state of Washington which has executed this compact.

(d) "Sending jurisdiction" means a county party to this agreement or the department of corrections to whom the courts have committed custody of the offender.

(e) "Receiving jurisdiction" means the department of corrections or a county party to this agreement to which an offender is sent for confinement.

(f) "Offender" means a person who has been charged with and/or convicted of an offense established by applicable statute or ordinance.

(g) "Convicted felony offender" means a person who has been convicted of a felony established by state law and is eighteen years of age or older, or who is less than eighteen years of age, but whose case has been transferred by the appropriate juvenile court to a criminal court pursuant to RCW 13.40.110 or has been tried in a criminal court pursuant to \*RCW 13.04.030(1)(e)(iv).

(h) An "offender day" includes the first day an offender is delivered to the receiving jurisdiction, but ends at midnight of the day immediately preceding the day of the offender's release or return to the custody of the sending jurisdiction.

(i) "Facility" means any state correctional institution, camp, or other unit established or authorized by law under the jurisdiction of the department of corrections; any jail, holding, detention, special detention, or correctional facility operated by the county for the housing of adult offenders; or any contract facility, operated on behalf of either the county or the state for the housing of adult offenders.

(j) "Extraordinary medical expense" means any medical expense beyond that which is normally provided by contract or other health care providers at the facility of the receiving jurisdiction.

(k) "Compact" means the Washington intrastate corrections compact.

(2)(a) Any county may make one or more contracts with one or more counties, the department, or both for the exchange or transfer of offenders pursuant to this compact. Appropriate action by ordinance, resolution, or otherwise in accordance with the law of the governing bodies of the participating counties shall be necessary before the contract may take effect. The secretary is authorized and requested to execute the contracts on behalf of the department. Any such contract shall provide for:

(i) Its duration;

(ii) Payments to be made to the receiving jurisdiction by the sending jurisdiction for offender maintenance, extraordinary medical and dental expenses, and any participation in or receipt by offenders of rehabilitative or correctional services, facilities, programs, or treatment not reasonably included as part of normal maintenance;

(iii) Participation in programs of offender employment, if any; the disposition or crediting of any payments received by offenders on their accounts; and the crediting of proceeds from or the disposal of any products resulting from the employment;

(iv) Delivery and retaking of offenders;

(v) Such other matters as may be necessary and appropriate to fix the obligations, responsibilities and rights of the sending and receiving jurisdictions.

(b) The terms and provisions of this compact shall be a part of any contract entered into by the authority of or pursuant to the contract. Nothing in any contract may be inconsistent with the compact.

(3)(a) Whenever the duly constituted authorities of any compact jurisdiction decide that confinement in, or transfer

of an offender to a facility of another compact jurisdiction is necessary or desirable in order to provide adequate housing and care or an appropriate program of rehabilitation or treatment, the officials may direct that the confinement be within a facility of the other compact jurisdiction, the receiving jurisdiction to act in that regard solely as agent for the sending jurisdiction.

(b) The receiving jurisdiction shall be responsible for the supervision of all offenders which it accepts into its custody.

(c) The receiving jurisdiction shall be responsible to establish screening criteria for offenders it will accept for transfer. The sending jurisdiction shall be responsible for ensuring that all transferred offenders meet the screening criteria of the receiving jurisdiction.

(d) The sending jurisdiction shall notify the sentencing courts of the name, charges, cause numbers, date, and place of transfer of any offender, prior to the transfer, on a form to be provided by the department. A copy of this form shall accompany the offender at the time of transfer.

(e) The receiving jurisdiction shall be responsible for providing an orientation to each offender who is transferred. The orientation shall be provided to offenders upon arrival and shall address the following conditions at the facility of the receiving jurisdiction:

(i) Requirements to work;

(ii) Facility rules and disciplinary procedures;

(iii) Medical care availability; and

(iv) Visiting.

(f) Delivery and retaking of inmates shall be the responsibility of the sending jurisdiction. The sending jurisdiction shall deliver offenders to the facility of the receiving jurisdiction where the offender will be housed, at the dates and times specified by the receiving jurisdiction. The receiving jurisdiction retains the right to refuse or return any offender. The sending jurisdiction shall be responsible to retake any transferred offender who does not meet the screening criteria of the receiving jurisdiction, or who is refused by the receiving jurisdiction. If the receiving jurisdiction has notified the sending jurisdiction to retake an offender, but the sending jurisdiction does not do so within a seven-day period, the receiving jurisdiction may return the offender to the sending jurisdiction at the expense of the sending jurisdiction.

(g) Offenders confined in a facility under the terms of this compact shall at all times be subject to the jurisdiction of the sending jurisdiction and may at any time be removed from the facility for transfer to another facility within the sending jurisdiction, for transfer to another facility in which the sending jurisdiction may have a contractual or other right to confine offenders, for release or discharge, or for any other purpose permitted by the laws of the state of Washington.

(h) Unless otherwise agreed, the sending jurisdiction shall provide at least one set of the offender's personal clothing at the time of transfer. The sending jurisdiction shall be responsible for searching the clothing to ensure that it is free of contraband. The receiving jurisdiction shall be responsible for providing work clothing and equipment appropriate to the offender's assignment.

(i) The sending jurisdiction shall remain responsible for the storage of the offender's personal property, unless prior arrangements are made with the receiving jurisdiction. The

receiving jurisdiction shall provide a list of allowable items which may be transferred with the offender.

(j) Copies or summaries of records relating to medical needs, behavior, and classification of the offender shall be transferred by the sending jurisdiction to the receiving jurisdiction at the time of transfer. At a minimum, such records shall include:

(i) A copy of the commitment order or orders legally authorizing the confinement of the offender;

(ii) A copy of the form for the notification of the sentencing courts required by subsection (3)(d) of this section;

(iii) A brief summary of any known criminal history, medical needs, behavioral problems, and other information which may be relevant to the classification of the offender; and

(iv) A standard identification card which includes the fingerprints and at least one photograph of the offender.

Disclosure of public records shall be the responsibility of the sending jurisdiction, except for those documents generated by the receiving jurisdiction.

(k) The receiving jurisdiction shall be responsible for providing regular medical care, including prescription medication, but extraordinary medical expenses shall be the responsibility of the sending jurisdiction. The costs of extraordinary medical care incurred by the receiving jurisdiction for transferred offenders shall be reimbursed by the sending jurisdiction. The receiving jurisdiction shall notify the sending jurisdiction as far in advance as practicable prior to incurring such costs. In the event emergency medical care is needed, the sending jurisdiction shall be advised as soon as practicable after the offender is treated. Offenders who are required by the medical authority of the sending jurisdiction to take prescription medication at the time of the transfer shall have at least a three-day supply of the medication transferred to the receiving jurisdiction with the offender, and at the expense of the sending jurisdiction. Costs of prescription medication incurred after the use of the supply shall be borne by the receiving jurisdiction.

(l) Convicted offenders transferred under this agreement may be required by the receiving jurisdiction to work. Transferred offenders participating in programs of offender employment shall receive the same reimbursement, if any, as other offenders performing similar work. The receiving jurisdiction shall be responsible for the disposition or crediting of any payments received by offenders, and for crediting the proceeds from or disposal of any products resulting from the employment. Other programs normally provided to offenders by the receiving jurisdiction such as education, mental health, or substance abuse treatment shall also be available to transferred offenders, provided that usual program screening criteria are met. No special or additional programs will be provided except by mutual agreement of the sending and receiving jurisdiction, with additional expenses, if any, to be borne by the sending jurisdiction.

(m) The receiving jurisdiction shall notify offenders upon arrival of the rules of the jurisdiction and the specific rules of the facility. Offenders will be required to follow all rules of the receiving jurisdiction. Disciplinary detention, if necessary, shall be provided at the discretion of the receiving jurisdiction. The receiving jurisdiction may require the sending jurisdiction to retake any offender found guilty of a seri-

ous infraction; similarly, the receiving jurisdiction may require the sending jurisdiction to retake any offender whose behavior requires segregated or protective housing.

(n) Good-time calculations and notification of each offender's release date shall be the responsibility of the sending jurisdiction. The sending jurisdiction shall provide the receiving jurisdiction with a formal notice of the date upon which each offender is to be released from custody. If the receiving jurisdiction finds an offender guilty of a violation of its disciplinary rules, it shall notify the sending jurisdiction of the date and nature of the violation. If the sending jurisdiction resets the release date according to its good-time policies, it shall provide the receiving jurisdiction with notice of the new release date.

(o) The sending jurisdiction shall retake the offender at the receiving jurisdiction's facility on or before his or her release date, unless the sending and receiving jurisdictions shall agree upon release in some other place. The sending jurisdiction shall bear the transportation costs of the return.

(p) Each receiving jurisdiction shall provide monthly reports to each sending jurisdiction on the number of offenders of that sending jurisdiction in its facilities pursuant to this compact.

(q) Each party jurisdiction shall notify the others of its coordinator who is responsible for administering the jurisdiction's responsibilities under the compact. The coordinators shall arrange for alternate contact persons in the event of an extended absence of the coordinator.

(r) Upon reasonable notice, representatives of any party to this compact shall be allowed to visit any facility in which another party has agreed to house its offenders, for the purpose of inspecting the facilities and visiting its offenders that may be confined in the institution.

(4) This compact shall enter into force and become effective and binding upon the participating parties when it has been executed by two or more parties. Upon request, each party county shall provide any other compact jurisdiction with a copy of a duly enacted resolution or ordinance authorizing entry into this compact.

(5) A party participating may withdraw from the compact by formal resolution and by written notice to all other parties then participating. The withdrawal shall become effective, as it pertains to the party wishing to withdraw, thirty days after written notice to the other parties. However, such withdrawal shall not relieve the withdrawing party from its obligations assumed prior to the effective date of withdrawal. Before the effective date of withdrawal, a withdrawing participant shall notify the other parties to retake the offenders it has housed in its facilities and shall remove to its facilities, at its own expense, offenders it has confined under the provisions of this compact.

(6) Legal costs relating to defending actions brought by an offender challenging his or her transfer to another jurisdiction under this compact shall be borne by the sending jurisdiction. Legal costs relating to defending actions arising from events which occur while the offender is in the custody of a receiving jurisdiction shall be borne by the receiving jurisdiction.

(7) The receiving jurisdiction shall not be responsible to provide legal services to offenders placed under this agree-

ment. Requests for legal services shall be referred to the sending jurisdiction.

(8) The provisions of this compact shall be liberally construed and shall be severable. If any phrase, clause, sentence, or provision of this compact is declared to be contrary to the Constitution or laws of the state of Washington or is held invalid, the validity of the remainder of this compact and its applicability to any county or the department shall not be affected.

(9) Nothing contained in this compact shall be construed to abrogate or impair any agreement or other arrangement which a county or the department may have with each other or with a nonparty county for the confinement, rehabilitation, or treatment of offenders. [1994 sp.s. c 7 § 539; 1989 c 177 § 3.]

**\*Reviser's note:** RCW 13.04.030 was amended by 1997 c 341 § 3, changing subsection (1)(e)(iv) to subsection (1)(e)(v).

**Finding—Intent—Severability—1994 sp.s. c 7:** See notes following RCW 43.70.540.

**72.76.020 Costs and accounting of offender days.** (1) The costs per offender day to the sending jurisdiction for the custody of offenders transferred according to the terms of this agreement shall be at the rate set by the state of Washington, office of financial management under RCW 70.48.440, unless the parties agree to another rate in a particular transfer. The costs may not include extraordinary medical costs, which shall be billed separately. Except in the case of prisoner exchanges, as described in subsection (2) of this section, the sending jurisdiction shall be billed on a monthly basis by the receiving jurisdiction. Payment shall be made within thirty days of receipt of the invoice.

(2) When two parties to this agreement transfer offenders to each other, there shall be an accounting of the number of "offender days." If the number is exactly equal, no payment is necessary for the affected period. The payment by the jurisdiction with the higher net number of offender days may be reduced by the amount otherwise due for the number of offender days its offenders were held by the receiving jurisdiction. Billing and reimbursement shall remain on the monthly schedule, and shall be supported by the forms and procedures provided by applicable regulations. The accounting of offender days exchanged may be reconciled on a monthly basis, but shall be at least quarterly. [1989 c 177 § 4.]

**72.76.030 Contracts authorized for implementation of participation—Application of chapter.** The secretary is empowered to enter into contracts on behalf of this state on the terms and conditions as may be appropriate to implement the participation of the department in the Washington intrastate corrections compact under RCW 72.76.010(2). Nothing in this chapter is intended to create any right or entitlement in any offender transferred or housed under the authority granted in this chapter. The failure of the department or the county to comply with any provision of this chapter as to any particular offender or transfer shall not invalidate the transfer nor give rise to any right for such offender. [1989 c 177 § 5.]

**72.76.040 Fiscal management.** Notwithstanding any other provisions of law, payments received by the department

pursuant to contracts entered into under the authority of this chapter shall be treated as nonappropriated funds and shall be exempt from the allotment controls established under chapter 43.88 RCW. The secretary may use such funds, in addition to appropriated funds, to provide institutional and community corrections programs. The secretary may, in his or her discretion and in lieu of direct fiscal payment, offset the obligation of any sending jurisdiction against any obligation the department may have to the sending jurisdiction. Outstanding obligations of the sending jurisdiction may be carried forward across state fiscal periods by the department as a credit against future obligations of the department to the sending jurisdiction. [1989 c 177 § 6.]

**72.76.900 Short title.** This chapter shall be known and may be cited as the Washington Intrastate Corrections Compact. [1989 c 177 § 1.]

**72.78.005 Findings—2007 c 483.** The people of the state of Washington expect to live in safe communities in which the threat of crime is minimized. Attempting to keep communities safe by building more prisons and paying the costs of incarceration has proven to be expensive to taxpayers. Incarceration is a necessary consequence for some offenders, however, the vast majority of those offenders will eventually return to their communities. Many of these former offenders will not have had the opportunity to address the deficiencies that may have contributed to their criminal behavior. Persons who do not have basic literacy and job skills, or who are ill-equipped to make the behavioral changes necessary to successfully function in the community, have a high risk of reoffense. Recidivism represents serious costs to victims, both financial and nonmonetary in nature, and also burdens state and local governments with those offenders who recycle through the criminal justice system.

The legislature believes that recidivism can be reduced and a substantial cost savings can be realized by utilizing evidence-based, research-based, and promising programs to address offender deficits, developing and better coordinating the reentry efforts of state and local governments and local communities. Research shows that if quality assurances are adhered to, implementing an optimal portfolio of evidence-based programming options for offenders who are willing to take advantage of such programs can have a notable impact on recidivism.

While the legislature recognizes that recidivism cannot be eliminated and that a significant number of offenders are unwilling or unable to work to develop the tools necessary to successfully reintegrate into society, the interests of the public overall are better served by better preparing offenders while incarcerated, and continuing those efforts for those recently released from prison or jail, for successful, productive, and healthy transitions to their communities. Educational, employment, and treatment opportunities should be designed to address individual deficits and ideally give offenders the ability to function in society. In order to foster reintegration, chapter 483, Laws of 2007 recognizes the importance of a strong partnership between the department of corrections, local governments, law enforcement, social service providers, and interested members of communities across our state. [2007 c 483 § 1.]

**72.78.010 Definitions.** The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

(1) A "community transition coordination network" is a system of coordination that facilitates partnerships between supervision and service providers. It is anticipated that an offender who is released to the community will be able to utilize a community transition coordination network to be connected directly to the supervision and/or services needed for successful reentry.

(2) "Evidence-based" means a program or practice that has had multiple-site random controlled trials across heterogeneous populations demonstrating that the program or practice is effective in reducing recidivism for the population.

(3) An "individual reentry plan" means the plan to prepare an offender for release into the community. A reentry plan is developed collaboratively between the supervising authority and the offender and based on an assessment of the offender using a standardized and comprehensive tool to identify the offenders' risks and needs. An individual reentry plan describes actions that should occur to prepare individual offenders for release from jail or prison and specifies the supervision and/or services he or she will experience in the community, taking into account no contact provisions of the judgment and sentence. An individual reentry plan should be updated throughout the period of an offender's incarceration and supervision to be relevant to the offender's current needs and risks.

(4) "Local community policing and supervision programs" include probation, work release, jails, and other programs operated by local police, courts, or local correctional agencies.

(5) "Promising practice" means a practice that presents, based on preliminary information, potential for becoming a research-based or consensus-based practice.

(6) "Research-based" means a program or practice that has some research demonstrating effectiveness, but that does not yet meet the standard of evidence-based practices.

(7) "Supervising authority" means the agency or entity that has the responsibility for supervising an offender. [2007 c 483 § 101.]

**72.78.020 Inventory of services and resources by counties.** (1) Each county or group of counties shall conduct

an inventory of the services and resources available in the county or group of counties to assist offenders in reentering the community.

(2) In conducting its inventory, the county or group of counties should consult with the following:

(a) The department of corrections, including community corrections officers;

(b) The department of social and health services in applicable program areas;

(c) Representatives from county human services departments and, where applicable, multicounty regional support networks;

(d) Local public health jurisdictions;

(e) City and county law enforcement;

(f) Local probation/supervision programs;

(g) Local community and technical colleges;

(h) The local worksorce center operated under the state-wide workforce investment system;

(i) Faith-based and nonprofit organizations providing assistance to offenders;

(j) Housing providers;

(k) Crime victims service providers; and

(l) Other community stakeholders interested in reentry efforts.

(3) The inventory must include, but is not limited to:

(a) A list of programs available through the entities listed in subsection (2) of this section and services currently available in the community for offenders including, but not limited to, housing assistance, employment assistance, education, vocational training, parenting education, financial literacy, treatment for substance abuse, mental health, anger management, life skills training, specialized treatment programs such as batterers treatment and sex offender treatment, and any other service or program that will assist the former offender to successfully transition into the community; and

(b) An indication of the availability of community representatives or volunteers to assist the offender with his or her transition.

(4) No later than January 1, 2008, each county or group of counties shall present its inventory to the policy advisory committee convened in \*RCW 72.78.030(8). [2007 c 483 § 102.]

**\*Reviser's note:** RCW 72.78.030 was amended by 2010 1st sp.s. c 7 § 12, deleting subsection (8).

**72.78.030 Pilot program established—Participation standards—Selection criteria. (Expires June 30, 2013.)**

(1) The department of commerce shall establish a community transition coordination network pilot program for the purpose of awarding grants to counties or groups of counties for implementing coordinated reentry efforts for offenders returning to the community. Grant awards are subject to the availability of amounts appropriated for this specific purpose.

(2) By September 1, 2007, the Washington state institute for public policy shall, in consultation with the department of commerce, develop criteria for the counties in conducting its evaluation as directed by subsection (6)(c) of this section.

(3) Effective February 1, 2008, any county or group of counties may apply for participation in the community transition coordination network pilot program by submitting a proposal for a community transition coordination network.

(4) A proposal for a community transition coordination network initiated under this section must be collaborative in nature and must seek locally appropriate evidence-based or research-based solutions and promising practices utilizing the participation of public and private entities or programs to support successful, community-based offender reentry.

(5) In developing a proposal for a community transition coordination network, counties or groups of counties and the department of corrections shall collaborate in addressing:

(a) Efficiencies that may be gained by sharing space or resources in the provision of reentry services to offenders;

(b) Mechanisms for communication of information about offenders, including the feasibility of shared access to databases;

(c) Partnerships to establish neighborhood corrections initiatives as defined in RCW 72.09.280.

(6) A proposal for a community transition coordination network must include:

(a) Descriptions of collaboration and coordination between local community policing and supervision programs and those agencies and entities identified in the inventory conducted pursuant to RCW 72.78.020 to address the risks and needs of offenders under a participating county or city misdemeanor probation or other supervision program including:

(i) A proposed method of assessing offenders to identify the offenders' risks and needs. Counties and cities are encouraged, where possible, to make use of assessment tools developed by the department of corrections in this regard;

(ii) A proposal for developing and/or maintaining an individual reentry plan for offenders;

(iii) Connecting offenders to services and resources that meet the offender's needs as identified in his or her individual reentry plan including the identification of community representatives or volunteers that may assist the offender with his or her transition; and

(iv) The communication of assessment information, individual reentry plans, and service information between parties involved with the offender's reentry;

(b) Mechanisms to provide information to former offenders regarding services available to them in the community regardless of the length of time since the offender's release and regardless of whether the offender was released from prison or jail. Mechanisms shall, at a minimum, provide for:

(i) Maintenance of the information gathered in RCW 72.78.020 regarding services currently existing within the community that are available to offenders; and

(ii) Coordination of access to existing services with community providers and provision of information to offenders regarding how to access the various type of services and resources that are available in the community; and

(c) An evaluation of the county's or group of counties' readiness to implement a community transition coordination network including the social service needs of offenders in general, capacity of local facilities and resources to meet offenders' needs, and the cost to implement and maintain a community transition coordination network for the duration of the pilot project.

(7) The department of commerce shall review county applications for funding through the community transition

coordination network pilot program and, no later than April 1, 2008, shall select up to four counties or groups of counties. In selecting pilot counties or regions, the department shall consider the extent to which the proposal:

(a) Addresses the requirements set out in subsection (6) of this section;

(b) Proposes effective partnerships and coordination between local community policing and supervision programs, social service and treatment providers, and the department of corrections' community justice center, if a center is located in the county or region;

(c) Focuses on measurable outcomes such as increased employment and income, treatment objectives, maintenance of stable housing, and reduced recidivism;

(d) Contributes to the diversity of pilot programs, considering factors such as geographic location, size of county or region, and reentry services currently available. The department shall ensure that a grant is awarded to at least one rural county or group of counties and at least one county or group of counties where a community justice center operated by the department of corrections is located; and

(e) Is feasible, given the evaluation of the social service needs of offenders, the existing capacity of local facilities and resources to meet offenders' needs, and the cost to implement a community transition coordination network in the county or group of counties.
