(2) If a purchaser elects to cancel a contract pursuant to subsection (1) of this section, the purchaser may do so by hand-delivering notice thereof to the offeror or by mailing notice thereof by prepaid United States mail to the offeror or to his or her agent for service of process. Cancellation is with-

out penalty, and all payments made by the purchaser before cancellation shall be refunded promptly.

(3) If a person required to deliver a public offering statement pursuant to RCW 64.34.405(3) fails to provide a purchaser to whom a unit is conveyed with that public offering statement and all material amendments thereto as required by subsection (1) of this section, the purchaser is entitled to receive from that person an amount equal to the greater of (a) actual damages, or (b) ten percent of the sales price of the unit for a willful failure by the declarant or three percent of the sales price of the unit for any other failure. There shall be no liability for failure to deliver any amendment unless such failure would have entitled the purchaser under generally applicable legal principles to cancel the contract for the purchase of the unit had the undisclosed information been evident to the purchaser before the closing of the purchase. [1989 c 43 § 4-106.]

**64.34.425 Resale of unit.** (1) Except in the case of a sale where delivery of a public offering statement is required, or unless exempt under RCW 64.34.400(2), a unit owner shall furnish to a purchaser before execution of any contract for sale of a unit, or otherwise before conveyance, a resale certificate, signed by an officer or authorized agent of the association and based on the books and records of the association and the actual knowledge of the person signing the certificate, containing:

(a) A statement disclosing any right of first refusal or other restraint on the free alienability of the unit contained in the declaration;

(b) A statement setting forth the amount of the monthly common expense assessment and any unpaid common expense or special assessment currently due and payable from the selling unit owner and a statement of any special assessments that have been levied against the unit which have not been paid even though not yet due;

(c) A statement, which shall be current to within forty-five days, of any common expenses or special assessments against any unit in the condominium that are past due over thirty days;

(d) A statement, which shall be current to within forty-five days, of any obligation of the association which is past due over thirty days;

(e) A statement of any other fees payable by unit owners;

(f) A statement of any anticipated repair or replacement cost in excess of five percent of the annual budget of the association that has been approved by the board of directors;

(g) A statement of the amount of any reserves for repair or replacement and of any portions of those reserves currently designated by the association for any specified projects;

(h) The annual financial statement of the association, including the audit report if it has been prepared, for the year immediately preceding the current year;

(i) A balance sheet and a revenue and expense statement of the association prepared on an accrual basis, which shall be current to within one hundred twenty days;

(j) The current operating budget of the association;

(k) A statement of any unsatisfied judgments against the association and the status of any pending suits or legal proceedings in which the association is a plaintiff or defendant;

(l) A statement describing any insurance coverage provided for the benefit of unit owners;

(m) A statement as to whether there are any alterations or improvements to the unit or to the limited common elements assigned thereto that violate any provision of the declaration;

(n) A statement of the number of units, if any, still owned by the declarant, whether the declarant has transferred control of the association to the unit owners, and the date of such transfer;

(o) A statement as to whether there are any violations of the health or building codes with respect to the unit, the limited common elements assigned thereto, or any other portion of the condominium;

(p) A statement of the remaining term of any leasehold estate affecting the condominium and the provisions governing any extension or renewal thereof;

(q) A copy of the declaration, the bylaws, the rules or regulations of the association, the association's current reserve study, if any, and any other information reasonably requested by mortgagees of prospective purchasers of units. Information requested generally by the federal national mortgage association, the federal home loan bank board, the government national mortgage association, the veterans administration and the department of housing and urban development shall be deemed reasonable, provided such information is reasonably available to the association;

(r) A statement, as required by RCW 64.35.210, as to whether the units or common elements of the condominium are covered by a qualified warranty, and a history of claims under any such warranty; and

(s) If the association does not have a reserve study that has been prepared in accordance with RCW 64.34.380 and 64.34.382 or its governing documents, the following disclosure:

"This association does not have a current reserve study. The lack of a current reserve study poses certain risks to you, the purchaser. Insufficient reserves may, under some circumstances, require you to pay on demand as a special assessment your share of common expenses for the cost of major maintenance, repair, or replacement of a common element."

(2) The association, within ten days after a request by a unit owner, and subject to payment of any fee imposed pursuant to RCW 64.34.304(1)(l), shall furnish a resale certificate signed by an officer or authorized agent of the association and containing the information necessary to enable the unit owner to comply with this section. For the purposes of this chapter, a reasonable charge for the preparation of a resale certificate may not exceed two hundred seventy-five dollars. The association may charge a unit owner a nominal fee for updating a resale certificate within six months of the unit owner's request. The unit owner shall also sign the certificate but the unit owner is not liable to the purchaser for any erroneous information provided by the association and included in the certificate unless and to the extent the unit owner had actual knowledge thereof.

(3) A purchaser is not liable for any unpaid assessment or fee against the unit as of the date of the certificate greater than the amount set forth in the certificate prepared by the

association unless and to the extent such purchaser had actual knowledge thereof. A unit owner is not liable to a purchaser for the failure or delay of the association to provide the certificate in a timely manner, but the purchaser's contract is voidable by the purchaser until the certificate has been provided and for five days thereafter or until conveyance, whichever occurs first. **64.34.430 Escrow of deposits.** Any deposit made in connection with the purchase or reservation of a unit from a person required to deliver a public offering statement pursuant to RCW 64.34.405(3) shall be placed in escrow and held in this state in an escrow or trust account designated solely for that purpose by a licensed title insurance company, an attorney, a real estate broker, an independent bonded escrow company, or an institution whose accounts are insured by a governmental agency or instrumentality until: (1) Delivered to the declarant at closing; (2) delivered to the declarant because of purchaser's default under a contract to purchase the unit; (3) refunded to the purchaser; or (4) delivered to a court in connection with the filing of an interpleader action. [1992 c 220 § 24; 1989 c 43 § 4-108.]

**64.34.435 Release of liens—Conveyance.** (1) At the time of the first conveyance of each unit, every mortgage, lien, or other encumbrance affecting that unit and any other unit or units or real property, other than the percentage of undivided interest of that unit in the common elements, shall be paid and satisfied of record, or the unit being conveyed and its undivided interest in the common elements shall be released therefrom by partial release duly recorded or the purchaser of that unit shall receive title insurance from a licensed title insurance company against such mortgage, lien or other encumbrance. This subsection does not apply to any real property which a declarant has the right to withdraw.

(2) Before conveying real property to the association the declarant shall have that real property released from: (a) All liens the foreclosure of which would deprive unit owners of any right of access to or easement of support of their units; and (b) all other liens on that real property unless the public offering statement describes certain real property which may be conveyed subject to liens in specified amounts. [1989 c 43 § 4-109.]

**64.34.440 Conversion condominiums—Notice—Tenants—Relocation assistance.** (1)(a) A declarant of a conversion condominium, and any dealer who intends to offer units in such a condominium, shall give each of the residential tenants and any residential subtenant in possession of a portion of a conversion condominium notice of the conversion and provide those persons with the public offering statement no later than one hundred twenty days before the tenants and any subtenant in possession are required to vacate. The notice must:

(i) Set forth generally the rights of tenants and subtenants under this section;

(ii) Be delivered pursuant to notice requirements set forth in RCW 59.12.040; and

(iii) Expressly state whether there is a county or city relocation assistance program for tenants or subtenants of conversion condominiums in the jurisdiction in which the property is located. If the county or city does have a relocation assistance program, the following must also be included in the notice:

(A) A summary of the terms and conditions under which relocation assistance is paid; and

(B) Contact information for the city or county relocation assistance program, which must include, at a minimum, a telephone number of the city or county department that administers the relocation assistance program for conversion condominiums.

(b) No tenant or subtenant may be required to vacate upon less than one hundred twenty days' notice, except by reason of nonpayment of rent, waste, conduct that disturbs other tenants' peaceful enjoyment of the premises, or act of unlawful detainer as defined in RCW 59.12.030, and the terms of the tenancy may not be altered during that period except as provided in (c) of this subsection.

(c) At the declarant's option, the declarant may provide all tenants in a single building with an option to terminate their lease or rental agreements without cause or consequence after providing the declarant with thirty days' notice. In such case, tenants continue to have access to relocation assistance under subsection (6)(e) of this section.

(d) Nothing in this subsection shall be deemed to waive or repeal RCW 59.18.200(2). Failure to give notice as required by this section is a defense to an action for possession.

(e) The city or county in which the property is located may require the declarant to forward a copy of the conversion notice required in (a) of this subsection to the appropriately designated department or agency in the city or county for the purpose of maintaining a list of conversion condominium projects proposed in the jurisdiction.

(2) For sixty days after delivery or mailing of the notice described in subsection (1) of this section, the person required to give the notice shall offer to convey each unit or proposed unit occupied for residential use to the tenant who leases that unit. If a tenant fails to purchase the unit during that sixty-day period, the offeror may offer to dispose of an interest in that unit during the following one hundred eighty days at a price or on terms more favorable to the offeree than the price or terms offered to the tenant only if: (a) Such offeror, by written notice mailed to the tenant's last known address, offers to sell an interest in that unit at the more favorable price and terms, and (b) such tenant fails to accept such offer in writing within ten days following the mailing of the offer to the tenant. This subsection does not apply to any unit in a conversion condominium if that unit will be restricted exclusively to nonresidential use or the boundaries of the converted unit do not substantially conform to the dimensions of the residential unit before conversion.

(3) If a seller, in violation of subsection (2) of this section, conveys a unit to a purchaser for value who has no knowledge of the violation, recording of the deed conveying the unit extinguishes any right a tenant may have to purchase that unit but does not affect the right of a tenant to recover damages from the seller for a violation of subsection (2) of this section.

(4) If a notice of conversion specifies a date by which a unit or proposed unit must be vacated and otherwise complies with the provisions of this chapter and chapter 59.18 RCW, the notice also constitutes a notice to vacate specified by that statute.

(5) Nothing in this section permits termination of a lease by a declarant in violation of its terms.

(6) Notwithstanding RCW 64.34.050(1), a city or county may by appropriate ordinance require with respect to any conversion condominium within the jurisdiction of such city or county that:

(a) In addition to the statement required by RCW 64.34.415(1)(a), the public offering statement shall contain a copy of the written inspection report prepared by the appropriate department of such city or county, which report shall list any violations of the housing code or other governmental regulation, which code or regulation is applicable regardless of whether the real property is owned as a condominium or in some other form of ownership; said inspection shall be made within forty-five days of the declarant's written request therefor and said report shall be issued within fourteen days of said inspection being made. Such inspection may not be required with respect to any building for which a final certificate of occupancy has been issued by the city or county within the preceding twenty-four months; and any fee imposed for the making of such inspection may not exceed the fee that would be imposed for the making of such an inspection for a purpose other than complying with this subsection (6)(a);

(b) Prior to the conveyance of any residential unit within a conversion condominium, other than a conveyance to a declarant or affiliate of a declarant: (i) All violations disclosed in the inspection report provided for in (a) of this subsection, and not otherwise waived by such city or county, shall be repaired, and (ii) a certification shall be obtained from such city or county that such repairs have been made, which certification shall be based on a reinspection to be made within seven days of the declarant's written request therefor and which certification shall be issued within seven days of said reinspection being made;

(c) The repairs required to be made under (b) of this subsection shall be warranted by the declarant against defects due to workmanship or materials for a period of one year following the completion of such repairs;

(d) Prior to the conveyance of any residential unit within a conversion condominium, other than a conveyance to a declarant or affiliate of a declarant: (i) The declarant shall establish and maintain, during the one-year warranty period provided under (c) of this subsection, an account containing a sum equal to ten percent of the actual cost of making the repairs required under (b) of this subsection; (ii) during the one-year warranty period, the funds in such account shall be used exclusively for paying the actual cost of making repairs required, or for otherwise satisfying claims made, under such warranty; (iii) following the expiration of the one-year warranty period, any funds remaining in such account shall be immediately disbursed to the declarant; and (iv) the declarant shall notify in writing the association and such city or county as to the location of such account and any disbursements therefrom;

(e)(i) A declarant shall pay relocation assistance, in an amount to be determined by the city or county, which may

not exceed a sum equal to three months of the tenant's or subtenant's rent at the time the conversion notice required under subsection (1) of this section is received, to tenants and subtenants:

(A) Who do not elect to purchase a unit;

(B) Who are in lawful occupancy for residential purposes of a unit; and

(C) Whose annual household income from all sources, on the date of the notice described in subsection (1) of this section, was less than an amount equal to eighty percent of:

(I) The annual median income for comparably sized households in the standard metropolitan statistical area, as defined and established by the United States department of housing and urban development, in which the condominium is located; or

(II) If the condominium is not within a standard metropolitan statistical area, the annual median income for comparably sized households in the state of Washington, as defined and determined by said department.

The household size of a unit shall be based on the number of persons actually in lawful occupancy of the unit. The tenant or subtenant actually in lawful occupancy of the unit shall be entitled to the relocation assistance. Relocation assistance shall be paid on or before the date the tenant or subtenant vacates and shall be in addition to any damage deposit or other compensation or refund to which the tenant is otherwise entitled. Unpaid rent or other amounts owed by the tenant or subtenant to the landlord may be offset against the relocation assistance;

(ii) Elderly or special needs tenants who otherwise meet the requirements of (e)(i)(A) of this subsection shall receive relocation assistance, the greater of:

(A) The sum described in (e)(i) of this subsection; or

(B) The sum of actual relocation expenses of the tenant, up to a maximum of one thousand five hundred dollars in excess of the sum described in (e)(i) of this subsection, which may include costs associated with the physical move, first month's rent, and the security deposit for the dwelling unit to which the tenant is relocating, rent differentials for up to a six-month period, and any other reasonable costs or fees associated with the relocation. Receipts for relocation expenses must be provided to the declarant by eligible tenants, and declarants shall provide the relocation assistance to tenants in a timely manner. The city or county may provide additional guidelines for the relocation assistance;

(iii) For the purposes of this subsection (6)(e):

(A) "Special needs" means, but is not limited to, a chronic mental illness or physical disability, a developmental disability, or other condition affecting cognition, disease, chemical dependency, or a medical condition that is permanent, not reversible or curable, or is long lasting, and severely limits a person's mental or physical capacity for self-care; and

(B) "Elderly" means a person who is at least sixty-five years of age;

(f) Except as authorized under (g) of this subsection, a declarant and any dealer shall not begin any construction, remodeling, or repairs to any interior portion of an occupied building that is to be converted to a condominium during the one hundred twenty-day notice period provided for in subsection (1) of this section unless all residential tenants and resi-

dential subtenants who have elected not to purchase a unit and who are in lawful occupancy in the building have vacated the premises. For the purposes of this subsection:

(i) "Construction, remodeling, or repairs" means the work that is done for the purpose of converting the condominium, not work that is done to maintain the building or lot for the residential use of the existing tenants or subtenants;

(ii) "Occupied building" means a stand-alone structure occupied by tenants and does not include other stand-alone buildings located on the property or detached common area facilities; and

(g)(i) If a declarant or dealer has offered existing tenants an option to terminate an existing lease or rental agreement without cause or consequence as authorized under subsection (1)(c) of this section, a declarant and any dealer may begin construction, remodeling, or repairs to interior portions of an occupied building (A) to repair or remodel vacant units to be used as model units, if the repair or remodel is limited to one model for each unit type in the building, (B) to repair or remodel a vacant unit or common area for use as a sales office, or (C) to do both.

(ii) The work performed under this subsection (6)(g) must not violate the tenant's or subtenant's rights of quiet enjoyment during the one hundred twenty-day notice period.

(7) Violations of any city or county ordinance adopted as authorized by subsection (6) of this section shall give rise to such remedies, penalties, and causes of action which may be lawfully imposed by such city or county. Such violations shall not invalidate the creation of the condominium or the conveyance of any interest therein. [2008 c 113 § 1; 1992 c 220 § 25; 1990 c 166 § 13; 1989 c 43 § 4-110.]

**64.34.442 Conversion condominium projects—Report.** (1) All cities and counties planning under RCW 36.70A.040, which have allowed any conversion condominiums within the jurisdiction within the previous twelve-month period, must report annually to the \*department of community, trade, and economic development the following information:

(a) The total number of apartment units converted into condominiums;

(b) The total number of conversion condominium projects; and

(c) The total number of apartment tenants who receive relocation assistance.

(2) Upon completion of a conversion condominium project, a city or county may require the declarant to provide the information described in subsection (1) of this section to the appropriately designated department or agency in the city or county for the purpose of complying with subsection (1) of this section. [2008 c 113 § 3.]

**\*Reviser's note:** The "department of community, trade, and economic development" was renamed the "department of commerce" by 2009 c 565.

**Application—Effective date—2008 c 113:** See notes following RCW 64.34.440.

**64.34.443 Express warranties of quality.** (1) Express warranties made by any seller to a purchaser of a unit, if relied upon by the purchaser, are created as follows:

(a) Any written affirmation of fact or promise which relates to the unit, its use, or rights appurtenant thereto, area improvements to the condominium that would directly benefit the unit, or the right to use or have the benefit of facilities not located in the condominium creates an express warranty that the unit and related rights and uses will conform to the affirmation or promise;

(b) Any model or written description of the physical characteristics of the condominium at the time the purchase agreement is executed, including plans and specifications of or for improvements, creates an express warranty that the condominium will conform to the model or description except pursuant to \*RCW 64.34.410(1)(v);

(c) Any written description of the quantity or extent of the real property comprising the condominium, including plats or surveys, creates an express warranty that the condominium will conform to the description, subject to customary tolerances; and

(d) A written provision that a buyer may put a unit only to a specified use is an express warranty that the specified use is lawful.

(2) Neither formal words, such as "warranty" or "guarantee," nor a specific intention to make a warranty are necessary to create an express warranty of quality, but a statement purporting to be merely an opinion or commendation of the real estate or its value does not create a warranty. A purchaser may not rely on any representation or express warranty unless it is contained in the public offering statement or made in writing signed by the declarant or declarant's agent identified in the public offering statement.

(3) Any conveyance of a unit transfers to the purchaser all express warranties of quality made by previous sellers. [1989 c 428 § 2.]

**\*Reviser's note:** RCW 64.34.410 was amended by 1997 c 400 § 1, changing subsection (1)(v) to subsection (1)(w).

**\*Reviser's note:** Sections 1, 3, and 4 of this act were vetoed by the governor.

**64.34.445 Implied warranties of quality—Breach.**

(1) A declarant and any dealer warrants that a unit will be in at least as good condition at the earlier of the time of the conveyance or delivery of possession as it was at the time of contracting, reasonable wear and tear and damage by casualty or condemnation excepted.

(2) A declarant and any dealer impliedly warrants that a unit and the common elements in the condominium are suitable for the ordinary uses of real estate of its type and that any improvements made or contracted for by such declarant or dealer will be:

(a) Free from defective materials;

(b) Constructed in accordance with sound engineering and construction standards;

(c) Constructed in a workmanlike manner; and

(d) Constructed in compliance with all laws then applicable to such improvements.

(3) A declarant and any dealer warrants to a purchaser of a unit that may be used for residential use that an existing use,

(2012 Ed.)

continuation of which is contemplated by the parties, does not violate applicable law at the earlier of the time of conveyance or delivery of possession.

(4) Warranties imposed by this section may be excluded or modified as specified in RCW 64.34.450.

(5) For purposes of this section, improvements made or contracted for by an affiliate of a declarant, as defined in RCW 64.34.020(1), are made or contracted for by the declarant.

(6) Any conveyance of a unit transfers to the purchaser all of the declarant's implied warranties of quality.

(7) In a judicial proceeding for breach of any of the obligations arising under this section, the plaintiff must show that the alleged breach has adversely affected or will adversely affect the performance of that portion of the unit or common elements alleged to be in breach. As used in this subsection, an "adverse effect" must be more than technical and must be significant to a reasonable person. To establish an adverse effect, the person alleging the breach is not required to prove that the breach renders the unit or common element uninhabitable or unfit for its intended purpose.

(8) Proof of breach of any obligation arising under this section is not proof of damages. Damages awarded for a breach of an obligation arising under this section are the cost of repairs. However, if it is established that the cost of such repairs is clearly disproportionate to the loss in market value caused by the breach, then damages shall be limited to the loss in market value. [2004 c 201 § 5; 1992 c 220 § 26; 1989 c 43 § 4-112.]

**Application—2004 c 201 §§ 5 and 6:** "Sections 5 and 6 of this act apply only to condominiums created by declarations recorded on or after July 1, 2004." [2004 c 201 § 12.]

**64.34.450 Implied warranties of quality—Exclusion—Modification—Disclaimer—Express written warranty.** (1) For units intended for nonresidential use, implied warranties of quality:

(a) May be excluded or modified by written agreement of the parties; and

(b) Are excluded by written expression of disclaimer, such as "as is," "with all faults," or other language which in common understanding calls the buyer's attention to the exclusion of warranties.

(2) For units intended for residential use, no disclaimer of implied warranties of quality is effective, except that a declarant or dealer may disclaim liability in writing, in type that is bold faced, capitalized, underlined, or otherwise set out from surrounding material so as to be conspicuous, and separately signed by the purchaser, for a specified defect or specified failure to comply with applicable law, if: (a) The declarant or dealer knows or has reason to know that the specific defect or failure exists at the time of disclosure; (b) the disclaimer specifically describes the defect or failure; and (c) the disclaimer includes a statement as to the effect of the defect or failure.

(3) A declarant or dealer may offer an express written warranty of quality only if the express written warranty does not reduce protections provided to the purchaser by the implied warranty set forth in RCW 64.34.445. [2004 c 201 § 6; 1989 c 43 § 4-113.]

**Application—2004 c 201 §§ 5 and 6:** See note following RCW 64.34.445.

**64.34.452 Warranties of quality—Breach—Actions for construction defect claims.** (1) A judicial proceeding for breach of any obligations arising under RCW 64.34.443, 64.34.445, and 64.34.450 must be commenced within four years after the cause of action accrues: PROVIDED, That the period for commencing an action for a breach accruing pursuant to subsection (2)(b) of this section shall not expire prior to one year after termination of the period of declarant control, if any, under \*RCW 64.34.308(4). Such periods may not be reduced by either oral or written agreement, or through the use of contractual claims or notice procedures that require the filing or service of any claim or notice prior to the expiration of the period specified in this section.

(2) Subject to subsection (3) of this section, a cause of action or [for] breach of warranty of quality, regardless of the purchaser's lack of knowledge of the breach, accrues:

(a) As to a unit, the date the purchaser to whom the warranty is first made enters into possession if a possessory interest was conveyed or the date of acceptance of the instrument of conveyance if a nonpossessory interest was conveyed; and

(b) As to each common element, at the latest of (i) the date the first unit in the condominium was conveyed to a bona fide purchaser, (ii) the date the common element was completed, or (iii) the date the common element was added to the condominium.

(3) If a warranty of quality explicitly extends to future performance or duration of any improvement or component of the condominium, the cause of action accrues at the time the breach is discovered or at the end of the period for which the warranty explicitly extends, whichever is earlier.

(4) If a written notice of claim is served under RCW 64.50.020 within the time prescribed for the filing of an action under this chapter, the statutes of limitation in this chapter and any applicable statutes of repose for construction-related claims are tolled until sixty days after the period of time during which the filing of an action is barred under RCW 64.50.020.

(5) Nothing in this section affects the time for filing a claim under chapter 64.35 RCW. [2004 c 201 § 7; 2002 c 323 § 11; 1990 c 166 § 14.]

**\*Reviser's note:** RCW 64.34.308 was amended by 2011 c 189 § 2, changing subsection (4) to subsection (5), effective January 1, 2012.

**64.34.455 Effect of violations on rights of action—Attorney's fees.** If a declarant or any other person subject to this chapter fails to comply with any provision hereof or any provision of the declaration or bylaws, any person or class of persons adversely affected by the failure to comply has a claim for appropriate relief. The court, in an appropriate case, may award reasonable attorney's fees to the prevailing party. [1989 c 43 § 4-115.]

**64.34.460 Labeling of promotional material.** If any improvement contemplated in a condominium is labeled "NEED NOT BE BUILT" on a survey map or plan, or is to be located within a portion of the condominium with respect to which the declarant has reserved a development right, no pro-

motional material may be displayed or delivered to prospective purchasers which describes or portrays that improvement unless the description or portrayal of the improvement in the promotional material is conspicuously labeled or identified as "NEED NOT BE BUILT." [1989 c 43 § 4-116.]

**64.34.465 Improvements—Declarant's duties.** (1) The declarant shall complete all improvements labeled "MUST BE BUILT" on survey maps or plans prepared pursuant to RCW 64.34.232.

(2) The declarant is subject to liability for the prompt repair and restoration, to a condition compatible with the remainder of the condominium, of any portion of the condominium damaged by the exercise of rights reserved pursuant to or created by RCW 64.34.236, 64.34.240, 64.34.244, 64.34.248, 64.34.256, and 64.34.260. ### REMEDY, PROCEDURE, AND DISCLOSURE UNDER A QUALIFIED WARRANTY

**64.35.205 Qualified warranty—Remedy and procedure—Application of chapter 64.50 RCW.** No declarant, affiliate of a declarant, or construction professional is liable to a unit owner or an association for damages awarded for repair of construction defects and resulting physical damage, and chapter 64.50 RCW shall not apply if: (1) Every unit is the subject of a qualified warranty; and (2) the association has been issued a qualified warranty with respect to the common elements. If a construction professional agrees on terms satisfactory to the qualified insurer to partially or fully indemnify the qualified insurer with respect to a defect caused by the construction professional, the liability of the construction professional for the defect and resulting physical damage

caused by him or her shall not exceed damages recoverable under the terms of the qualified warranty for the defect. Any indemnity claim by the qualified insurer shall be by separate action or arbitration, and no unit owner or association shall be joined therein. A qualified warranty may also be provided in the case of improvements made or contracted for by a declarant as part of a conversion condominium, and in such case, declarant's liability with respect to such improvements shall be limited as set forth in this section. [2004 c 201 § 201.]

**64.35.210 Notice of qualified warranty—History of claims.** (1) Every public offering statement and resale certificate shall affirmatively state whether or not the unit and/or the common elements are covered by a qualified warranty, and shall provide to the best knowledge of the person preparing the public offering statement or resale certificate a history of claims under the warranty.

(2) Noncompliance with the building code is considered a defect covered by a qualified warranty if the noncompliance:

**64.35.310 Five-year building envelope warranty.** The minimum coverage for the building envelope warranty is five years for defects in the building envelope of a condominium, including a defect which permits unintended water penetration so that it causes, or is likely to cause, material damage to the unit or common elements. [2004 c 201 § 402.]

**64.35.315 Ten-year structural defects warranty.** The minimum coverage for the structural defects warranty is ten years for:

- (1) Any defect in materials and labor that results in the failure of a load-bearing part of the condominium; and

**64.35.325 Beginning dates for warranty coverage—Special cases—Declarant control.** (1) If an unsold unit is occupied as a rental unit, the qualified warranty beginning date for such unit is the date the unit is first occupied.

(3) If the declarant retains any declarant control over the association on the date that is fourteen full calendar months following the month in which the beginning date for common element warranty coverage commences, the declarant shall within thirty days thereafter cause an election to be held in which the declarant may not vote, for the purpose of electing one or more board members who are empowered to make warranty claims. If at such time, one or more independent board members hold office, no additional election need be held, and such independent board members are empowered to make warranty claims. The declarant shall inform all independent board members of their right to make warranty claims at no later than sixteen full calendar months following the beginning date of the common element warranty. [2004 c 201 § 405.]

**64.35.330 Living expense allowance.** (1) If repairs are required under the qualified warranty and damage to the unit, or the extent of the repairs renders the unit uninhabitable, the qualified warranty must cover reasonable living expenses incurred by the owner to live elsewhere in an amount commensurate with the nature of the unit.

(2) If a qualified insurer establishes a maximum amount per day for claims for living expenses, the limit must be the greater of one hundred dollars per day or a reasonable amount commensurate with the nature of the unit for the complete

reimbursement of the actual accommodation expenses incurred by the owner at a hotel, motel, or other rental accommodation up to the day the unit is ready for occupancy, subject to the owner receiving twenty-four hours' advance notice. [2004 c 201 § 406.]

#### **64.35.335 Warranty on repairs and replacements.**

(1) All repairs and replacements made under a qualified warranty must be warranted by the qualified warranty against defects in materials and labor until the later of:

(a) The first anniversary of the date of completion of the repair or replacement; or

(b) The expiration of the applicable qualified warranty coverage.

(2) All repairs and replacements made under a qualified warranty must be completed in a reasonable manner using materials and labor conforming to the building code and industry standards. [2004 c 201 § 407.]

ARTICLE 5

DUTIES OF PARTIES REGARDING  
COVERAGE AND CLAIMS

**64.35.505 Failure to provide information—Conditions or exclusions may not apply.**

(1) If coverage under a qualified warranty is conditional on an owner undertaking proper maintenance, or if coverage is excluded for damage caused by negligence by the owner or association with respect to maintenance or repair by the owner or association, the conditions or exclusions apply only to maintenance requirements or procedures: (a) Provided to the original owner in the case of the unit warranty, and to the association for the common element warranty with an estimation of the required cost thereof for the common element warranty provided in the budget prepared by the declarant; or (b) that would be obvious to a reasonable and prudent layperson. Recommended maintenance requirements and procedures are sufficient for purposes of this subsection if consistent with knowledge generally available in the construction industry at the time the qualified warranty is issued.

(2) If an original owner or the association has not been provided with the manufacturer's documentation or warranty information, or both, or with recommended maintenance and repair procedures for any component of a unit, the relevant exclusion does not apply. The common element warranty is included in the written warranty to be provided to the association under RCW 64.34.312. [2004 c 201 § 1001.]

**64.35.510 Schedule of expiration dates must be provided.**

(1) A qualified insurer must, as soon as reasonably possible after the beginning date for the qualified warranty, provide an owner and association with a schedule of the expiration dates for coverages under the qualified warranty as applicable to the unit and the common elements, respectively.

(2) The expiration date schedule for a unit must set out all the required dates on an adhesive label that is a minimum size of four inches by four inches and is suitable for affixing by the owner in a conspicuous location in the unit. [2004 c 201 § 1101.]

**64.35.515 Duty to mitigate may be required.** (1) The qualified insurer may require an owner or association to mit-

igate any damage to a unit or the common elements, including damage caused by defects or water penetration, as set out in the qualified warranty.

(2) Subject to subsection (3) of this section, for defects covered by the qualified warranty, the duty to mitigate is met through timely notice in writing to the qualified insurer.

(3) The owner must take all reasonable steps to restrict damage to the unit if the defect requires immediate attention.

(4) The owner's duty to mitigate survives even if:

(a) The unit is unoccupied;

(b) The unit is occupied by someone other than the owner;

(c) Water penetration does not appear to be causing damage; or

(d) The owner advises the homeowners' association corporation about the defect.

(5) If damage to a unit is caused or made worse by the failure of an owner to take reasonable steps to mitigate as set out in this section, the damage may, at the option of the qualified insurer, be excluded from qualified warranty coverage. [2004 c 201 § 1201.]

**64.35.520 Notice of claim—Reasonable timeliness and detail—Contents.** (1) Within a reasonable time after the discovery of a defect and before the expiration of the applicable qualified warranty coverage, a claimant must give to the qualified insurer and the declarant written notice in reasonable detail that provides particulars of any specific defects covered by the qualified warranty.

(2) The qualified insurer may require the notice under subsection (1) of this section to include:

(a) The qualified warranty number; and

(b) Copies of any relevant documentation and correspondence between the claimant and the declarant, to the extent any such documentation and correspondence is in the control or possession of the claimant. [2004 c 201 § 1301.]

**64.35.525 Handling of claim—Prompt response—Procedures.** A qualified insurer must, on receipt of a notice of a claim under a qualified warranty, promptly make reasonable attempts to contact the claimant to arrange an evaluation of the claim. Claims shall be handled in accordance with the claims procedures set forth in rules by the insurance commissioner, and as follows:

(1) The qualified insurer must make all reasonable efforts to avoid delays in responding to a claim under a qualified warranty, evaluating the claim, and scheduling any required repairs.

(2) If, after evaluating a claim under a qualified warranty, the qualified insurer determines that the claim is not valid, or not covered under the qualified warranty, the qualified insurer must: (a) Notify the claimant of the decision in writing; (b) set out the reasons for the decision; and (c) set out the rights of the parties under the third-party dispute resolution process for the warranty.

(3) Repairs must be undertaken in a timely manner, with reasonable consideration given to weather conditions and the availability of materials and labor.

(4) On completing any repairs, the qualified insurer must deliver a copy of the repair specifications to the claimant along with a letter confirming the date the repairs were com-

pleted and referencing the repair warranty provided for in RCW 64.35.335. [2004 c 201 § 1401.]

### MEDIATION OR ARBITRATION OF DISPUTES

**64.35.605 Disputed claim—Notice—Mediation procedures—Duties of parties.** (1) If a dispute between a qualified insurer and a claimant arising under a qualified warranty cannot be resolved by informal negotiation within a reasonable time, the claimant or qualified insurer may require that the dispute be referred to mediation by delivering written notice to the other to mediate.

(2) If a party delivers a request to mediate under subsection (1) of this section, the qualified insurer and the party must attend a mediation session in relation to the dispute and may invite to participate in the mediation any other party to the dispute who may be liable.

(3) Within twenty-one days after the party has delivered a request to mediate under subsection (1) of this section, the parties must, directly or with the assistance of an independent, neutral person or organization, jointly appoint a mutually acceptable mediator.

(4) If the parties do not jointly appoint a mutually acceptable mediator within the time required by subsection (3) of this section, the party may apply to the superior court of the county where the project is located, which must appoint a mediator taking into account:

(a) The need for the mediator to be neutral and independent;

(b) The qualifications of the mediator;

(c) The mediator's fees;

(d) The mediator's availability; and

(e) Any other consideration likely to result in the selection of an impartial, competent, and effective mediator.

(5) After selecting the mediator under subsection (4) of this section, the superior court must promptly notify the parties in writing of that selection.

(6) The mediator selected by the superior court is deemed to be appointed by the parties effective the date of the notice sent under subsection (5) of this section.

(7) The first mediation session must occur within twenty-one days of the appointment of the mediator at the date, time, and place selected by the mediator.

(8) A party may attend a mediation session by representative if:

(a) The party is under a legal disability and the representative is that party's guardian ad litem;

(b) The party is not an individual; or

(c) The party is a resident of a jurisdiction other than Washington and will not be in Washington at the time of the mediation session.

(9) A representative who attends a mediation session in the place of a party as permitted by subsection (8) of this section:

(a) Must be familiar with all relevant facts on which the party, on whose behalf the representative attends, intends to rely; and

(b) Must have full authority to settle, or have immediate access to a person who has full authority to settle, on behalf of the party on whose behalf the representative attends.

(10) A party or a representative who attends the mediation session may be accompanied by counsel.

(11) Any other person may attend a mediation session on consent of all parties or their representatives.

(12) At least seven days before the first mediation session is to be held, each party must deliver to the mediator a statement briefly setting out:

(a) The facts on which the party intends to rely; and

(b) The matters in dispute.

(13) The mediator must promptly send each party's statement to each of the other parties.

(14) Before the first mediation session, the parties must enter into a retainer agreement with the mediator which must:

(a) Disclose the cost of the mediation services; and

(b) Provide that the cost of the mediation will be paid:

(i) Equally by the parties; or

(ii) On any other specified basis agreed by the parties.

(15) The mediator may conduct the mediation in any manner he or she considers appropriate to assist the parties to reach a resolution that is timely, fair, and cost-effective.

(16) A person may not disclose, or be compelled to disclose, in any proceeding, oral or written information acquired or an opinion formed, including, without limitation, any offer or admission made in anticipation of or during a mediation session.

(17) Nothing in subsection (16) of this section precludes a party from introducing into evidence in a proceeding any information or records produced in the course of the mediation that are otherwise producible or compellable in those proceedings.

(18) A mediation session is concluded when:

(a) All issues are resolved;

(b) The mediator determines that the process will not be productive and so advises the parties or their representatives; or

(c) The mediation session is completed and there is no agreement to continue.

(19) If the mediation resolves some but not all issues, the mediator may, at the request of all parties, complete a report setting out any agreements made as a result of the mediation, including, without limitation, any agreements made by the parties on any of the following:

**64.35.610 Disputed claim—Notice—Arbitration procedures—Duties of parties.** A qualified warranty may include mandatory binding arbitration of all disputes arising out of or in connection with a qualified warranty. The provision may provide that all claims for a single condominium be heard by the same arbitrator, but shall not permit the joinder or consolidation of any other person or entity. The arbitration shall comply with the following minimum procedural standards:

(1) Any demand for arbitration shall be delivered by certified mail return receipt requested, and by ordinary first-class mail. The party initiating the arbitration shall address the notice to the address last known to the initiating party in the exercise of reasonable diligence, and also, for any entity which is required to have a registered agent in the state of

Washington, to the address of the registered agent. Demand for arbitration is deemed effective three days after the date deposited in the mail;

(2) All disputes shall be heard by one qualified arbitrator, unless the parties agree to use three arbitrators. If three arbitrators are used, one shall be appointed by each of the disputing parties and the first two arbitrators shall appoint the third, who will chair the panel. The parties shall select the identity and number of the arbitrator or arbitrators after the demand for arbitration is made. If, within thirty days after the effective date of the demand for arbitration, the parties fail to agree on an arbitrator or the agreed number of arbitrators fail to be appointed, then an arbitrator or arbitrators shall be appointed under \*RCW 7.04.050 by the presiding judge of the superior court of the county in which the condominium is located;

(3) In any arbitration, at least one arbitrator must be a lawyer or retired judge. Any additional arbitrator must be either a lawyer or retired judge or a person who has experience with construction and engineering standards and practices, written construction warranties, or construction dispute resolution. No person may serve as an arbitrator in any arbitration in which that person has any past or present financial or personal interest;

(4) The arbitration hearing must be conducted in a manner that permits full, fair, and expeditious presentation of the case by both parties. The arbitrator is bound by the law of Washington state. Parties may be, but are not required to be, represented by attorneys. The arbitrator may permit discovery to ensure a fair hearing, but may limit the scope or manner of discovery for good cause to avoid excessive delay and costs to the parties. The parties and the arbitrator shall use all reasonable efforts to complete the arbitration within six months of the effective date of the demand for arbitration or, when applicable, the service of the list of defects in accordance with RCW 64.50.030;

(5) Except as otherwise set forth in this section, arbitration shall be conducted under \*chapter 7.04 RCW, unless the parties elect to use the construction industry arbitration rules of the American arbitration association, which are permitted to the extent not inconsistent with this section. The expenses of witnesses including expert witnesses shall be paid by the party producing the witnesses. All other expenses of arbitration shall be borne equally by the parties, unless all parties agree otherwise or unless the arbitrator awards expenses or any part thereof to any specified party or parties. The parties shall pay the fees of the arbitrator as and when specified by the arbitrator;

(6) Demand for arbitration given pursuant to subsection (1) of this section commences a judicial proceeding for purposes of RCW 64.34.452;

(7) The arbitration decision shall be in writing and must set forth findings of fact and conclusions of law that support the decision. [2004 c 201 § 1601.]

\*Reviser's note: Chapter 7.04 RCW was repealed in its entirety by 2005 c 433 § 50, effective January 1, 2006.

**Intent—Effective date—2003 c 53:** See notes following RCW 2.48.180.

**64.36.025 Timeshare interest reservation—Definition—Registration required—Promoter's obligations—Deposits—Escrow—Purchaser cancellation rights—Insolvency prior to completion.** (1) For the purpose of this section, "timeshare interest reservation" means a revocable right to purchase an interest in a timeshare project for which construction has not yet been completed and an effective registration has been obtained under this chapter.

(2) An effective registration pursuant to this chapter is required for any party to offer to sell a timeshare interest reservation. Promoters offering a timeshare interest reservation under this section must provide the registered disclosure document required by RCW 64.36.140 to each prospective purchaser before he or she enters into a timeshare interest reservation. Prior to the signing of a purchase agreement, the subject property or properties must be completed, the timeshare offering registration required by RCW 64.36.020 must be amended to reflect any changes to the property and must be reapproved by the department, the disclosure document required by RCW 64.36.140 must be revised, and the new

(2012 Ed.)

version of the disclosure document must be provided to the prospective purchaser.

(3) Deposits accepted by promoters on a timeshare interest reservation may be no more than twenty percent of the total purchase price of the timeshare interest that is being purchased. Within one business day after being accepted by the promoter, any deposit on a timeshare interest reservation shall be deposited in an account in a federally insured depository located in the state of Washington. This account must be an escrow account wherein the deposited funds are held for the benefit of the purchaser. The department may request that deposits be placed in impoundment under RCW 64.36.130.

(4) In addition to the cancellation rights provided in RCW 64.36.150, the purchaser has the right to cancel the purchase at any time before the signing of a purchase agreement. If the purchaser notifies the promoter that he or she wishes to cancel the timeshare interest reservation, the promoter must refund the full amount of the deposit minus any account fees within ten days of the notice.

(5) If prior to signing a purchase agreement the purchaser learns that the promoter proposes to raise the purchase price above the price agreed to in the written reservation agreement for the timeshare interest reservation, the written reservation agreement is void and all deposit moneys including account fees shall be returned to the purchaser within ten days after the purchaser learns of the proposed price increase.

(6) If the promoter charges account fees to pay for administrative costs of holding the purchaser's funds in escrow, these fees may be no more than one percent of the total deposit paid towards the timeshare interest reservation by the purchaser.

(7) The promoter shall provide instructions to the escrow company for release of the funds to be held in escrow in compliance with this section and rules of the department.

(8) The purchaser's right to cancel and the amount of the deposit proposed to be retained for account fees in the event of cancellation must be included in the contract for the sale of a timeshare interest reservation and the contract must state:

#### PURCHASER CANCELLATION RIGHTS

As a purchaser of a timeshare interest reservation, you have the right to cancel this timeshare interest reservation and receive a refund of all consideration paid (less only those account fee deductions which were fully disclosed at the time of the agreement) by providing written notice of the cancellation to the promoter or the promoter's agent at any time prior to signing a purchase agreement. You also have a right to cancel your purchase within seven days of signing a purchase agreement.

(9) If it appears that the timeshare project will become or does become insolvent prior to completion, the promoter shall instruct the escrow company to immediately return all deposits to purchasers of timeshare interest reservations. If funds are returned under this subsection, the promoter may not retain any portion of the deposits for account fees. [2002 c 226 § 2.]

**64.36.028 Timeshare interest—Incomplete projects or facilities—Promoter's obligations—Funds—Purchaser's rights.** (1) An effective registration pursuant to this

chapter is required for any party to offer to sell a timeshare interest. A promoter who offers to sell or sells revocable timeshare interests in incomplete projects or facilities is limited by and must comply with all of the requirements of RCW 64.36.025. If a promoter seeks to enter into irrevocable purchase agreements with purchasers for timeshare interests in incomplete projects or facilities, the promoter must meet the requirements in this section in addition to RCW 64.36.020 and the following limitations and conditions apply:

(a) The promoter is limited to offering or selling only fee simple deeded timeshare interests;

(b) Construction on the project must have begun by the time the irrevocable purchase agreement is signed and the purchaser must have the right to occupy the unit and use all contracted for amenities no later than within two years of the date that the irrevocable purchase agreement is signed;

(c) The promoter must establish an independent third-party escrow account for the purpose of protecting the funds or other property paid, pledged, or deposited by purchasers;

(d) The promoter's solicitations, advertisements, and promotional materials must clearly and conspicuously disclose that "THE PROJECT IS NOT YET COMPLETED; IT IS STILL UNDER CONSTRUCTION"; and

(e) The promoter's solicitations, advertisements, and promotional materials and the timeshare interest purchase agreement must clearly and conspicuously provide for and disclose the last possible estimated date for completion of construction of any building the promoter is contractually obligated to the purchaser to complete.

(2) The timeshare interest purchase agreement must contain the following language in fourteen-point bold face type: "If the building in which the timeshare interest is located and all contracted for amenities are not completed by [estimated date of completion], the purchaser has the right to void the purchase agreement and is entitled to a full, unqualified refund of all moneys paid."

(3) One hundred percent of all funds or other property that is received from or on behalf of purchasers of timeshare interests prior to the occurrence of events required in this section must be deposited pursuant to a third-party escrow agreement approved by the director. For purposes of this section, "purchasers" includes all persons solicited, offered, or who purchased a timeshare interest by a promoter within the state of Washington. An escrow agent shall maintain the account only in such a manner as to be under the direct supervision and control of the escrow agent. The escrow agent has a fiduciary duty to each purchaser to maintain the escrow accounts in accordance with good accounting practices and to release the purchaser's funds or other property from escrow only in accordance with this chapter. If the escrow agent receives conflicting demands for funds or property held in escrow, the escrow agent shall immediately notify the department of licensing of the dispute and the department shall determine if and how the funds should be distributed. If the purchaser, promoter, or escrow agent disagrees with the department's determination, the parties have the right to request an administrative hearing under chapter 34.05 RCW. Funds may be released from the escrow account to the purchaser if the purchaser cancels within the cancellation period, or to the promoter only when all three of the following conditions occur:

- (a) The purchaser's cancellation period has expired;
- (b) Closing has occurred; and
- (c) Construction is complete and the building is ready to occupy.

(4) In lieu of depositing purchaser funds into an escrow account, the promoter may post with the department a bond in an amount equal to or greater than the amount that would otherwise be required to be placed into the escrow account.

(5) Any purchaser has the right to void the timeshare purchase agreement and request a full, unqualified refund if construction of the building in which the timeshare interest is located or all contracted for amenities are not completed within two years from the date that the irrevocable purchase agreement is signed or by the last estimated date of construction contained in the irrevocable purchase agreement, whichever is earlier.

(6) If the completed timeshare building or contracted for amenities are materially and adversely different from the building or amenities that were promised to purchasers at the time that the purchase agreements were signed, the director may declare any or all of the purchaser contracts void. Before declaring the contracts void, the director shall give the promoter the opportunity for a hearing in accordance with chapters 34.05 and 18.235 RCW.

(7) If the promoter intends to or does pledge or borrow against funds or properties, that are held in escrow or protected by a bond, to help finance in whole or in part the construction of the timeshare project or to help pay for operating costs, this must be fully, plainly, and conspicuously disclosed in all written advertising, in all written solicitations for the sale of the timeshare interests, in the registration with the director, and in the purchase agreement or contract.

(8) A promoter who obtains an effective registration for a revocable timeshare interest reservation must meet the requirements of this section in order to complete an irrevocable purchase agreement. [2003 c 348 § 1.]

#### **64.36.030 Application for registration—Contents.**

The application for registration signed by the promoter shall contain the following information on a form prescribed by the director:

(1) The following financial statements showing the financial condition of the promoter and any affiliate:

(a) A balance sheet as of a date within four months before the filing of the application for registration; and

(b) Statements of income, shareholders' equity, and material changes in financial position as of the end of the last fiscal year and for any period between the end of the last fiscal year and the date of the last balance sheet;

**64.36.035 Applications for registration, consents to service, affidavits, and permits to market—Authorized signatures required—Corporate shield disclaimer prohibited.** (1) Applications, consents to service of process, affidavits, and permits to market shall be signed by the promoter, unless a trustee or person with power of attorney is specifically authorized to make such signatures. If the signature of a person with a power of attorney or trustee is used, the filing of the signature shall include a copy of the authorizations for the signature. No promoter or other person responsible under this chapter shall disclaim responsibility because the signature of a trustee or attorney-in-fact, or other substitute was used.

(2) If the promoter is a corporation or a general partnership, each natural person therein, with a ten percent or greater interest or share in the promoter, shall, in addition to the promoter, be required to sign as required in this section, but may authorize a trustee or a person with power of attorney to make the signatures.

(3) All persons required to use or authorizing the use of their signatures in this section, individually or otherwise, shall be responsible for affidavits, applications, and permits signed, and for compliance with the provisions of this chapter. Individuals whose signatures are required under this section shall not disclaim their responsibilities because of any corporate shield. [1987 c 370 § 2.]

**64.36.040 Application for registration—When effective.** If no stop order is in effect and no proceeding is pending under RCW 64.36.100, a complete registration application becomes effective at 3:00 p.m. Pacific Standard Time on the afternoon of the thirtieth calendar day after the filing of the application or the last amendment or at such earlier time as the director determines. tion with the director no later than thirty days before the expiration of the period in subsection (1) of this section and paying the prescribed fees. A renewal application shall contain any information the director requires to indicate any material changes in the information contained in the original application.

(3) If a material change in the condition of the promoter, the promoter's affiliates, the timeshare project, or the operation or management of the timeshare project occurs during any year, an amendment to the documents filed under RCW 64.36.030 shall be filed, along with the prescribed fees, as soon as reasonably possible and before any further sales occur.

(4) The promoter shall keep the information in the written disclosures reasonably current at all times by amending the registration. If the promoter fails to amend and keep current the written disclosures or the registrations in instances of material change, the director may require compliance under RCW 64.36.100 and assess penalties. [1987 c 370 § 3; 1983 1st ex.s. c 22 § 6.]

**64.36.060 Application for registration—Acceptance of disclosure documents—Waiver of information—Additional information.** (1) In lieu of the documents required to be filed under RCW 64.36.030, the director may by rule accept:

(a) Any disclosure document filed with agencies of the United States or any other state;

(3) The director may by rule require the provision of any other information the director considers necessary to protect timeshare purchasers. [1983 1st ex.s. c 22 § 7.]

**64.36.070 Registration as timeshare salesperson required—Exemption.** Any individual offering timeshare units or timeshare interest reservations for the individual's own account or for the account of others shall be registered as a timeshare salesperson unless the timeshare offering is exempt from registration under RCW 64.36.020. Registration may be obtained by filing an application with the department of licensing on a form prescribed by the director. The assurances shall consist of a statement of the law in question and an agreement to not violate the stated provision. The applicant or registrant shall not be required to admit to any violation of the law, nor shall the assurance be construed as such an admission. The court may make any additional orders or judgments which may be necessary to restore to any person any interest in any money or property, real or personal, which may have been acquired by means of any act prohibited or declared to be unlawful under this chapter. The prevailing party may recover costs of the action, including a reasonable attorney's fee.

(2) The superior court issuing an injunction shall retain jurisdiction. Any person who violates the terms of an injunction shall pay a civil penalty of not more than twenty-five thousand dollars.

[1983 1st ex.s. c 22 § 24.]

**64.36.260 Certain acts not constituting findings or approval by the director—Certain representations unlawful.** Neither the fact that an application for registration nor a disclosure document under RCW 64.36.140 has been filed, nor the fact that a timeshare offering is effectively registered, constitutes a finding by the director that any document filed under this chapter is true, complete, and not misleading, nor does either fact mean that the director has determined in any way the merits of, qualifications of, or recommended or given approval to any person, timeshare, or transaction. It is unlawful to make, or cause to be made, to any prospective purchaser any representation inconsistent with this section. [1983 1st ex.s. c 22 § 25.]

The right to subsequently publish the advertisement is subject to the approval of the director within that seven day period.

(2) Nothing in this chapter applies to any radio or television station or any publisher, printer, or distributor of any newspaper, magazine, billboard, or other advertising medium which accepts advertising in good faith without knowledge of its violation of any provision of this chapter. This subsection does not apply, however, to any publication devoted primarily to the soliciting of resale timeshare offerings and where the publisher or owner of the publication collects advance fees for the purpose of locating or finding potential resale buyers or sellers. (4) The director may require that any fees or funds of any description collected from persons in advance, in connection with delivery by the promisor of gifts, prizes, awards, or other items of value covered under this section, be placed in

a depository in this state, where they shall remain until performance by the promisor.

(5) The director may require commercial promotional programs to be registered and require the provision of whatever information, including financial information, the department deems necessary for protection of purchasers.

(6) Persons offering commercial promotional programs shall sign and present to the department a consent to service of process, in the manner required of promoters in this chapter.

(7) Registrants or their agents or other persons shall not take possession of promotional materials covered under this section and RCW 64.36.310, from recipients who have received the materials for attending a sales presentation or touring a project, unless the permission of the recipient is received and the recipient is provided with an accurate signed copy describing such promotional materials. (4) "Common areas" means property owned, or otherwise maintained, repaired or administered by the association.

(5) "Common expense" means the costs incurred by the association to exercise any of the powers provided for in this chapter.

(6) "Contribution rate" means, in a reserve study as described in \*RCW 64.34.380, the amount contributed to the reserve account so that the association will have cash reserves to pay major maintenance, repair, or replacement costs without the need of a special assessment.

(7) "Effective age" means the difference between the estimated useful life and remaining useful life.

(8) "Full funding plan" means setting a reserve funding goal of achieving one hundred percent fully funded reserves by the end of the thirty-year study period described under RCW 64.38.065, in which the reserve account balance equals the sum of the deteriorated portion of all reserve components.

(9) "Fully funded balance" means the current value of the deteriorated portion, not the total replacement value, of all the reserve components. The fully funded balance for each reserve component is calculated by multiplying the current replacement cost of the reserve component by its effective age, then dividing the result by the reserve component's useful life. The sum total of all reserve components' fully funded balances is the association's fully funded balance.

(10) "Governing documents" means the articles of incorporation, bylaws, plat, declaration of covenants, conditions, and restrictions, rules and regulations of the association, or other written instrument by which the association has the authority to exercise any of the powers provided for in this chapter or to manage, maintain, or otherwise affect the property under its jurisdiction.

(11) "Homeowners' association" or "association" means a corporation, unincorporated association, or other legal entity, each member of which is an owner of residential real property located within the association's jurisdiction, as described in the governing documents, and by virtue of membership or ownership of property is obligated to pay real property taxes, insurance premiums, maintenance costs, or for improvement of real property other than that which is owned by the member. "Homeowners' association" does not

mean an association created under chapter 64.32 or 64.34 RCW.

(12) "Lot" means a physical portion of the real property located within an association's jurisdiction designated for separate ownership.

(13) "Owner" means the owner of a lot, but does not include a person who has an interest in a lot solely as security for an obligation. "Owner" also means the vendee, not the vendor, of a lot under a real estate contract.

(14) "Remaining useful life" means the estimated time, in years, before a reserve component will require major maintenance, repair, or replacement to perform its intended function.

(15) "Replacement cost" means the current cost of replacing, repairing, or restoring a reserve component to its original functional condition.

(16) "Reserve component" means a common element whose cost of maintenance, repair, or replacement is infrequent, significant, and impractical to include in an annual budget.

(17) "Reserve study professional" means an independent person who is suitably qualified by knowledge, skill, experience, training, or education to prepare a reserve study in accordance with \*RCW 64.34.380 and 64.34.382.

(18) "Residential real property" means any real property, the use of which is limited by law, covenant or otherwise to primarily residential or recreational purposes.

(19) "Significant assets" means that the current replacement value of the major reserve components is seventy-five percent or more of the gross budget of the association, excluding the association's reserve account funds.

(20) "Useful life" means the estimated time, between years, that major maintenance, repair, or replacement is estimated to occur. [2011 c 189 § 7; 1995 c 283 § 2.]

**64.38.015 Association membership.** The membership of an association at all times shall consist exclusively of the owners of all real property over which the association has jurisdiction, both developed and undeveloped. [1995 c 283 § 3.]

**64.38.020 Association powers.** Unless otherwise provided in the governing documents, an association may:

- (1) Adopt and amend bylaws, rules, and regulations;
- (2) Adopt and amend budgets for revenues, expenditures, and reserves, and impose and collect assessments for common expenses from owners;
- (3) Hire and discharge or contract with managing agents and other employees, agents, and independent contractors;
- (4) Institute, defend, or intervene in litigation or administrative proceedings in its own name on behalf of itself or two or more owners on matters affecting the homeowners' association, but not on behalf of owners involved in disputes that are not the responsibility of the association;
- (5) Make contracts and incur liabilities;

- (6) Regulate the use, maintenance, repair, replacement, and modification of common areas;
- (7) Cause additional improvements to be made as a part of the common areas;
- (8) Acquire, hold, encumber, and convey in its own name any right, title, or interest to real or personal property;
- (9) Grant easements, leases, licenses, and concessions through or over the common areas and petition for or consent to the vacation of streets and alleys;
- (10) Impose and collect any payments, fees, or charges for the use, rental, or operation of the common areas;
- (11) Impose and collect charges for late payments of assessments and, after notice and an opportunity to be heard by the board of directors or by the representative designated by the board of directors and in accordance with the procedures as provided in the bylaws or rules and regulations adopted by the board of directors, levy reasonable fines in accordance with a previously established schedule adopted by the board of directors and furnished to the owners for violation of the bylaws, rules, and regulations of the association;
- (12) Exercise any other powers conferred by the bylaws;
- (13) Exercise all other powers that may be exercised in this state by the same type of corporation as the association; and
- (14) Exercise any other powers necessary and proper for the governance and operation of the association. [1995 c 283 § 4.]

**64.38.025 Board of directors—Standard of care—Restrictions—Budget—Removal from board.** (1) Except as provided in the association's governing documents or this chapter, the board of directors shall act in all instances on behalf of the association. In the performance of their duties, the officers and members of the board of directors shall exercise the degree of care and loyalty required of an officer or director of a corporation organized under chapter 24.03 RCW.

(2) The board of directors shall not act on behalf of the association to amend the articles of incorporation, to take any action that requires the vote or approval of the owners, to terminate the association, to elect members of the board of directors, or to determine the qualifications, powers, and duties, or terms of office of members of the board of directors; but the board of directors may fill vacancies in its membership of the unexpired portion of any term.

(3) Within thirty days after adoption by the board of directors of any proposed regular or special budget of the association, the board shall set a date for a meeting of the owners to consider ratification of the budget not less than fourteen nor more than sixty days after mailing of the summary. Unless at that meeting the owners of a majority of the votes in the association are allocated or any larger percentage specified in the governing documents reject the budget, in person or by proxy, the budget is ratified, whether or not a quorum is present. In the event the proposed budget is rejected or the required notice is not given, the periodic budget last ratified by the owners shall be continued until such time as the owners ratify a subsequent budget proposed by the board of directors.

(4) As part of the summary of the budget provided to all owners, the board of directors shall disclose to the owners:

(a) The current amount of regular assessments budgeted for contribution to the reserve account, the recommended contribution rate from the reserve study, and the funding plan upon which the recommended contribution rate is based;

(b) If additional regular or special assessments are scheduled to be imposed, the date the assessments are due, the amount of the assessments per each owner per month or year, and the purpose of the assessments;

(c) Based upon the most recent reserve study and other information, whether currently projected reserve account balances will be sufficient at the end of each year to meet the association's obligation for major maintenance, repair, or replacement of reserve components during the next thirty years;

(d) If reserve account balances are not projected to be sufficient, what additional assessments may be necessary to ensure that sufficient reserve account funds will be available each year during the next thirty years, the approximate dates assessments may be due, and the amount of the assessments per owner per month or year;

(e) The estimated amount recommended in the reserve account at the end of the current fiscal year based on the most recent reserve study, the projected reserve account cash balance at the end of the current fiscal year, and the percent funded at the date of the latest reserve study;

(f) The estimated amount recommended in the reserve account based upon the most recent reserve study at the end of each of the next five budget years, the projected reserve account cash balance in each of those years, and the projected percent funded for each of those years; and

(g) If the funding plan approved by the association is implemented, the projected reserve account cash balance in each of the next five budget years and the percent funded for each of those years.

(5) The owners by a majority vote of the voting power in the association present, in person or by proxy, and entitled to vote at any meeting of the owners at which a quorum is present, may remove any member of the board of directors with or without cause. [2011 c 189 § 8; 1995 c 283 § 5.]

**Effective date—2011 c 189:** See note following RCW 64.38.065.

**64.38.028 Removal of discriminatory provisions in governing documents—Procedure.** (1) The association, acting through a simple majority vote of its board, may amend the association's governing documents for the purpose of removing:

(a) Every covenant, condition, or restriction that purports to forbid or restrict the conveyance, encumbrance, occupancy, or lease thereof to individuals of a specified race, creed, color, sex, or national origin; families with children status; individuals with any sensory, mental, or physical disability; or individuals who use a trained dog guide or service animal because they are blind or deaf or have a physical disability; and

(b) Every covenant, condition, restriction, or prohibition, including a right of entry or possibility of reverter, that directly or indirectly limits the use or occupancy of real property on the basis of race, creed, color, sex, national origin; families with children status; the presence of any sensory,

mental, or physical disability; or the use of a trained dog guide or service animal by a person with a physical disability or who is blind or deaf.

(2) Upon the board's receipt of a written request by a member of the association that the board exercise its amending authority granted under subsection (1) of this section, the board must, within a reasonable time, amend the governing documents, as provided under this section.

(3) Amendments under subsection (1) of this section may be executed by any board officer.

(4) Amendments made under subsection (1) of this section must be recorded in the public records and state the following:

"This amendment strikes from these covenants, conditions, and restrictions those provisions that are void under RCW 49.60.224. Specifically, this amendment strikes:

(a) Those provisions that forbid or restrict use, occupancy, conveyance, encumbrance, or lease of real property to individuals of a specified race, creed, color, sex, or national origin; families with children status; individuals with any sensory, mental, or physical disability; or individuals who use a trained dog guide or service animal because they are blind or deaf or have a physical disability; and

(b) Every covenant, condition, restriction, or prohibition, including a right of entry or possibility of reverter, that directly or indirectly limits the use or occupancy of real property on the basis of race, creed, color, sex, national origin; families with children status; the presence of any sensory, mental, or physical disability; or the use of a trained dog guide or service animal by a person with a physical disability or who is blind or deaf."

(5) Board action under this section does not require the vote or approval of the owners.

(6) As provided in RCW 49.60.227, any owner, occupant, or tenant in the association or board may bring an action in superior court to have any provision of a written instrument that is void pursuant to RCW 49.60.224 stricken from the public records.

(7) Nothing in this section prohibiting discrimination based on families with children status applies to housing for older persons as defined by the federal fair housing amendments act of 1988, 42 U.S.C. Sec. 3607(b)(1) through (3), as amended by the housing for older persons act of 1995, P.L. 104-76, as enacted on December 28, 1995. Nothing in this section authorizes requirements for housing for older persons different than the requirements in the federal fair housing amendments act of 1988, 42 U.S.C. Sec. 3607(b)(1) through (3), as amended by the housing for older persons act of 1995, P.L. 104-76, as enacted on December 28, 1995.

(8) Except as otherwise provided in subsection (2) of this section, (a) nothing in this section creates a duty on the part of owners, occupants, tenants, associations, or boards to amend the governing documents as provided in this section, or to bring an action as authorized under this section and RCW 49.60.227; and (b) an owner, occupant, tenant, association, or board is not liable for failing to amend the governing

(2012 Ed.)

documents or to pursue an action in court as authorized under this section and RCW 49.60.227. [2006 c 58 § 2.]

**Finding—Intent—2006 c 58:** "The legislature finds that some homeowners' associations have governing documents that contain discriminatory covenants, conditions, or restrictions that are void and unenforceable under both the federal fair housing amendments act of 1988 and RCW 49.60.224. The continued existence of these discriminatory covenants, conditions, or restrictions is contrary to public policy and repugnant to many property owners. It is the intent of chapter 58, Laws of 2006 to allow homeowners' associations to remove all remnants of discrimination from their governing documents." [2006 c 58 § 1.]

**64.38.030 Association bylaws.** Unless provided for in the governing documents, the bylaws of the association shall provide for:

(1) The number, qualifications, powers and duties, terms of office, and manner of electing and removing the board of directors and officers and filling vacancies;

(2) Election by the board of directors of the officers of the association as the bylaws specify;

(3) Which, if any, of its powers the board of directors or officers may delegate to other persons or to a managing agent;

(4) Which of its officers may prepare, execute, certify, and record amendments to the governing documents on behalf of the association;

(5) The method of amending the bylaws; and

(6) Subject to the provisions of the governing documents, any other matters the association deems necessary and appropriate. [1995 c 283 § 6.]

**64.38.033 Flag of the United States—Outdoor display—Governing documents.** (1) The governing documents may not prohibit the outdoor display of the flag of the United States by an owner or resident on the owner's or resident's property if the flag is displayed in a manner consistent with federal flag display law, 4 U.S.C. Sec. 1 et seq. The governing documents may include reasonable rules and regulations, consistent with 4 U.S.C. Sec. 1 et seq., regarding the placement and manner of display of the flag of the United States.

(2) The governing documents may not prohibit the installation of a flagpole for the display of the flag of the United States. The governing documents may include reasonable rules and regulations regarding the location and the size of the flagpole.

(3) For purposes of this section, "flag of the United States" means the flag of the United States as defined in federal flag display law, 4 U.S.C. Sec. 1 et seq., that is made of fabric, cloth, or paper and that is displayed from a staff or flagpole or in a window. For purposes of this section, "flag of the United States" does not mean a flag depiction or emblem made of lights, paint, roofing, siding, paving materials, flora, or balloons, or of any similar building, landscaping, or decorative component.

(4) The provisions of this section shall be construed to apply retroactively to any governing documents in effect on June 10, 2004. Any provision in a governing document in effect on June 10, 2004, that is inconsistent with this section shall be void and unenforceable. [2004 c 169 § 1.]

**64.38.034 Political yard signs—Governing documents.** (1) The governing documents may not prohibit the outdoor display of political yard signs by an owner or resident on the owner's or resident's property before any primary or general election. The governing documents may include reasonable rules and regulations regarding the placement and manner of display of political yard signs.

(2) This section applies retroactively to any governing documents in effect on July 24, 2005. Any provision in a governing document in effect on July 24, 2005, that is inconsistent with this section is void and unenforceable. [2005 c 179 § 1.]

**64.38.035 Association meetings—Notice—Board of directors.** (1) A meeting of the association must be held at least once each year. Special meetings of the association may be called by the president, a majority of the board of directors, or by owners having ten percent of the votes in the association. Not less than fourteen nor more than sixty days in advance of any meeting, the secretary or other officers specified in the bylaws shall cause notice to be hand-delivered or sent prepaid by first-class United States mail to the mailing address of each owner or to any other mailing address designated in writing by the owner. The notice of any meeting shall state the time and place of the meeting and the business to be placed on the agenda by the board of directors for a vote by the owners, including the general nature of any proposed amendment to the articles of incorporation, bylaws, any budget or changes in the previously approved budget that result in a change in assessment obligation, and any proposal to remove a director.

(2) Except as provided in this subsection, all meetings of the board of directors shall be open for observation by all owners of record and their authorized agents. The board of directors shall keep minutes of all actions taken by the board, which shall be available to all owners. Upon the affirmative vote in open meeting to assemble in closed session, the board of directors may convene in closed executive session to consider personnel matters; consult with legal counsel or consider communications with legal counsel; and discuss likely or pending litigation, matters involving possible violations of the governing documents of the association, and matters involving the possible liability of an owner to the association. The motion shall state specifically the purpose for the closed session. Reference to the motion and the stated purpose for the closed session shall be included in the minutes. The board of directors shall restrict the consideration of matters during the closed portions of meetings only to those purposes specifically exempted and stated in the motion. No motion, or other action adopted, passed, or agreed to in closed session may become effective unless the board of directors, following the closed session, reconvenes in open meeting and votes in the open meeting on such motion, or other action which is reasonably identified. The requirements of this subsection shall not require the disclosure of information in violation of law or which is otherwise exempt from disclosure. [1995 c 283 § 7.]

**64.38.040 Quorum for meeting.** Unless the governing documents specify a different percentage, a quorum is present throughout any meeting of the association if the own-

ers to which thirty-four percent of the votes of the association are allocated are present in person or by proxy at the beginning of the meeting. [1995 c 283 § 8.]

**64.38.045 Financial and other records—Property of association—Copies—Examination—Annual financial statement—Accounts.** (1) The association or its managing agent shall keep financial and other records sufficiently detailed to enable the association to fully declare to each owner the true statement of its financial status. All financial and other records of the association, including but not limited to checks, bank records, and invoices, in whatever form they are kept, are the property of the association. Each association managing agent shall turn over all original books and records to the association immediately upon termination of the management relationship with the association, or upon such other demand as is made by the board of directors. An association managing agent is entitled to keep copies of association records. All records which the managing agent has turned over to the association shall be made reasonably available for the examination and copying by the managing agent.

(2) All records of the association, including the names and addresses of owners and other occupants of the lots, shall be available for examination by all owners, holders of mortgages on the lots, and their respective authorized agents on reasonable advance notice during normal working hours at the offices of the association or its managing agent. The association shall not release the unlisted telephone number of any owner. The association may impose and collect a reasonable charge for copies and any reasonable costs incurred by the association in providing access to records.

(3) At least annually, the association shall prepare, or cause to be prepared, a financial statement of the association. The financial statements of associations with annual assessments of fifty thousand dollars or more shall be audited at least annually by an independent certified public accountant, but the audit may be waived if sixty-seven percent of the votes cast by owners, in person or by proxy, at a meeting of the association at which a quorum is present, vote each year to waive the audit.

(4) The funds of the association shall be kept in accounts in the name of the association and shall not be commingled with the funds of any other association, nor with the funds of any manager of the association or any other person responsible for the custody of such funds. [1995 c 283 § 9.]

**64.38.050 Violation—Remedy—Attorneys' fees.** Any violation of the provisions of this chapter entitles an aggrieved party to any remedy provided by law or in equity. The court, in an appropriate case, may award reasonable attorneys' fees to the prevailing party. [1995 c 283 § 10.]

**64.38.055 Governing documents—Solar panels.** (1) The governing documents may not prohibit the installation of a solar energy panel by an owner or resident on the owner's or resident's property as long as the solar energy panel:

(a) Meets applicable health and safety standards and requirements imposed by state and local permitting authorities;

(b) If used to heat water, is certified by the solar rating certification corporation or another nationally recognized

certification agency. Certification must be for the solar energy panel and for installation; and

(c) If used to produce electricity, meets all applicable safety and performance standards established by the national electric code, the institute of electrical and electronics engineers, accredited testing laboratories, such as underwriters laboratories, and, where applicable, rules of the utilities and transportation commission regarding safety and reliability.

(2) The governing documents may:

(a) Prohibit the visibility of any part of a roof-mounted solar energy panel above the roof line;

(b) Permit the attachment of a solar energy panel to the slope of a roof facing a street only if:

(i) The solar energy panel conforms to the slope of the roof; and

(ii) The top edge of the solar energy panel is parallel to the roof ridge; or

(c) Require:

(i) A solar energy panel frame, a support bracket, or any visible piping or wiring to be painted to coordinate with the roofing material;

(ii) An owner or resident to shield a ground-mounted solar energy panel if shielding the panel does not prohibit economic installation of the solar energy panel or degrade the operational performance quality of the solar energy panel by more than ten percent; or

(iii) Owners or residents who install solar energy panels to indemnify or reimburse the association or its members for loss or damage caused by the installation, maintenance, or use of a solar energy panel.

(3) The governing documents may include other reasonable rules regarding the placement and manner of a solar energy panel.

(4) For purposes of this section, "solar energy panel" means a panel device or system or combination of panel devices or systems that relies on direct sunlight as an energy source, including a panel device or system or combination of panel devices or systems that collects sunlight for use in:

(a) The heating or cooling of a structure or building;

(b) The heating or pumping of water;

(c) Industrial, commercial, or agricultural processes; or

(d) The generation of electricity.

(5) This section does not apply to common areas as defined in RCW 64.38.010.

(6) This section applies retroactively to a governing document in effect on July 26, 2009. A provision in a governing document in effect on July 26, 2009, that is inconsistent with this section is void and unenforceable. [2009 c 51 § 1.]

**64.38.060 Adult family homes.** (1) To effectuate the public policy of chapter 70.128 RCW, the governing documents may not limit, directly or indirectly:

(a) Persons with disabilities from living in an adult family home licensed under chapter 70.128 RCW; or

(b) Persons and legal entities from operating adult family homes licensed under chapter 70.128 RCW, whether for-profit or nonprofit, to provide services covered under chapter 70.128 RCW. However, this subsection does not prohibit application of reasonable nondiscriminatory regulation, including but not limited to landscaping standards or regula-

(2012 Ed.)

tion of sign location or size, that applies to all residential property subject to the governing documents.

(2) This section applies retroactively to any governing documents in effect on July 26, 2009. Any provision in a governing document in effect on or after July 26, 2009, that is inconsistent with subsection (1) of this section is unenforceable to the extent of the conflict. [2009 c 530 § 4.]

**64.38.065 Reserve account and study.** (1) An association is encouraged to establish a reserve account with a financial institution to fund major maintenance, repair, and replacement of common elements, including limited common elements that will require major maintenance, repair, or replacement within thirty years. If the association establishes a reserve account, the account must be in the name of the association. The board of directors is responsible for administering the reserve account.

(2) Unless doing so would impose an unreasonable hardship, an association with significant assets shall prepare and update a reserve study, in accordance with the association's governing documents and this chapter. The initial reserve study must be based upon a visual site inspection conducted by a reserve study professional.

(3) Unless doing so would impose an unreasonable hardship, the association shall update the reserve study annually. At least every three years, an updated reserve study must be prepared and based upon a visual site inspection conducted by a reserve study professional.

(4) The decisions relating to the preparation and updating of a reserve study must be made by the board of directors in the exercise of the reasonable discretion of the board. The decisions must include whether a reserve study will be prepared or updated, and whether the assistance of a reserve study professional will be utilized. [2011 c 189 § 9.]

**Effective date—2011 c 189:** "This act takes effect January 1, 2012." [2011 c 189 § 15.]

**64.38.070 Reserve study—Requirements.** (1) A reserve study as described in RCW 64.38.065 is supplemental to the association's operating and maintenance budget. In preparing a reserve study, the association shall estimate the anticipated major maintenance, repair, and replacement costs, whose infrequent and significant nature make them impractical to be included in an annual budget.

(2) A reserve study must include:

(a) A reserve component list, including any reserve component that would cost more than one percent of the annual budget of the association, not including the reserve account, for major maintenance, repair, or replacement. If one of these reserve components is not included in the reserve study, the study should provide commentary explaining the basis for its exclusion. The study must also include quantities and estimates for the useful life of each reserve component, remaining useful life of each reserve component, and current major maintenance, repair, or replacement cost for each reserve component;

(b) The date of the study, and a statement that the study meets the requirements of this section;

(c) The following level of reserve study performed:

(i) Level I: Full reserve study funding analysis and plan;

(ii) Level II: Update with visual site inspection; or

- (iii) Level III: Update with no visual site inspection;
- (d) The association's reserve account balance;
- (e) The percentage of the fully funded balance that the reserve account is funded;
- (f) Special assessments already implemented or planned;
- (g) Interest and inflation assumptions;
- (h) Current reserve account contribution rates for a full funding plan and baseline funding plan;
- (i) A recommended reserve account contribution rate, a contribution rate for a full funding plan to achieve one hundred percent fully funded reserves by the end of the thirty-year study period, a baseline funding plan to maintain the reserve balance above zero throughout the thirty-year study period without special assessments, and a contribution rate recommended by the reserve study professional;
- (j) A projected reserve account balance for thirty years and a funding plan to pay for projected costs from that reserve account balance without reliance on future unplanned special assessments; and
- (k) A statement on whether the reserve study was prepared with the assistance of a reserve study professional.

(3) A reserve study must also include the following disclosure: "This reserve study should be reviewed carefully. It may not include all common and limited common element components that will require major maintenance, repair, or replacement in future years, and may not include regular contributions to a reserve account for the cost of such maintenance, repair, or replacement. The failure to include a component in a reserve study, or to provide contributions to a reserve account for a component, may, under some circumstances, require you to pay on demand as a special assessment your share of common expenses for the cost of major maintenance, repair, or replacement of a reserve component." [2011 c 189 § 10.]

**Effective date—2011 c 189:** See note following RCW 64.38.065.

**64.38.075 Reserve account—Withdrawals.** An association may withdraw funds from its reserve account to pay for unforeseen or unbudgeted costs that are unrelated to maintenance, repair, or replacement of the reserve components. The board of directors shall record any such withdrawal in the minute books of the association, cause notice of any such withdrawal to be hand delivered or sent prepaid by first-class United States mail to the mailing address of each owner or to any other mailing address designated in writing by the owner, and adopt a repayment schedule not to exceed twenty-four months unless it determines that repayment within twenty-four months would impose an unreasonable burden on the owners. Payment for major maintenance, repair, or replacement of the reserve components out of cycle with the reserve study projections or not included in the reserve study may be made from the reserve account without meeting the notification or repayment requirements under this section. [2011 c 189 § 11.]

**Effective date—2011 c 189:** See note following RCW 64.38.065.

**64.38.080 Reserve study—Demand for preparation and inclusion in budget.** (1) When more than three years have passed since the date of the last reserve study prepared by a reserve study professional, the owners to which at least thirty-five percent of the votes are allocated may demand, in

writing, to the association that the cost of a reserve study be included in the next budget and that the study be prepared by the end of that budget year. The written demand must refer to this section. The board of directors shall, upon receipt of the written demand, provide the owners who make the demand reasonable assurance that the board will include a reserve study in the next budget and, if the budget is not rejected by a majority of the owners, will arrange for the completion of a reserve study.

(2) If a written demand under this section is made and a reserve study is not timely prepared, a court may order specific performance and award reasonable attorneys' fees to the prevailing party in any legal action brought to enforce this section. An association may assert unreasonable hardship as an affirmative defense in any action brought against it under this section. Without limiting this affirmative defense, an unreasonable hardship exists where the cost of preparing a reserve study would exceed five percent of the association's annual budget.

(3) An owner's duty to pay for common expenses is not excused because of the association's failure to comply with this section or this chapter. A budget ratified by the owners is not invalidated because of the association's failure to comply with this section or this chapter. [2011 c 189 § 12.]

**Effective date—2011 c 189:** See note following RCW 64.38.065.

**64.38.085 Reserve account and study—Liability.** Monetary damages or any other liability may not be awarded against or imposed upon the association, the officers or board of directors of the association, or those persons who may have provided advice or assistance to the association or its officers or directors, for failure to: Establish a reserve account; have a current reserve study prepared or updated in accordance with the requirements of this chapter; or make the reserve disclosures in accordance with this chapter. [2011 c 189 § 13.]

64.40.020	Applicant for permit—Actions for damages from governmental actions.
64.40.030	Commencement of action—Time limitation.
64.40.040	Remedies cumulative.
64.40.900	Severability—1982 c 232.

**64.40.010 Definitions—Defense in action for damages.** As used in this chapter, the terms in this section shall

have the meanings indicated unless the context clearly requires otherwise.

(1) "Agency" means the state of Washington, any of its political subdivisions, including any city, town, or county, and any other public body exercising regulatory authority or control over the use of real property in the state.

(2) "Permit" means any governmental approval required by law before an owner of a property interest may improve, sell, transfer, or otherwise put real property to use.

(3) "Property interest" means any interest or right in real property in the state.

(4) "Damages" means reasonable expenses and losses, other than speculative losses or profits, incurred between the time a cause of action arises and the time a holder of an interest in real property is granted relief as provided in RCW 64.40.020. Damages must be caused by an act, necessarily incurred, and actually suffered, realized, or expended, but are not based upon diminution in value of or damage to real property, or litigation expenses.

(5) "Regulation" means any ordinance, resolution, or other rule or regulation adopted pursuant to the authority provided by state law, which imposes or alters restrictions, limitations, or conditions on the use of real property.

(6) "Act" means a final decision by an agency which places requirements, limitations, or conditions upon the use of real property in excess of those allowed by applicable regulations in effect on the date an application for a permit is filed. "Act" also means the failure of an agency to act within time limits established by law in response to a property owner's application for a permit: PROVIDED, That there is no "act" within the meaning of this section when the owner of a property interest agrees in writing to extensions of time, or to the conditions or limitations imposed upon an application for a permit. "Act" shall not include lawful decisions of an agency which are designed to prevent a condition which would constitute a threat to the health, safety, welfare, or morals of residents in the area.

In any action brought pursuant to this chapter, a defense is available to a political subdivision of this state that its act was mandated by a change in statute or state rule or regulation and that such a change became effective subsequent to the filing of an application for a permit. [1982 c 232 § 1.]

**64.40.020 Applicant for permit—Actions for damages from governmental actions.** (1) Owners of a property interest who have filed an application for a permit have an action for damages to obtain relief from acts of an agency which are arbitrary, capricious, unlawful, or exceed lawful authority, or relief from a failure to act within time limits established by law: PROVIDED, That the action is unlawful or in excess of lawful authority only if the final decision of the agency was made with knowledge of its unlawfulness or that it was in excess of lawful authority, or it should reasonably have been known to have been unlawful or in excess of lawful authority.

(2) The prevailing party in an action brought pursuant to this chapter may be entitled to reasonable costs and attorney's fees.

(3) No cause of action is created for relief from unintentional procedural or ministerial errors of an agency.

(4) Invalidation of any regulation in effect prior to the date an application for a permit is filed with the agency shall not constitute a cause of action under this chapter. [1982 c 232 § 2.]

**Findings—Recommendations—Reports encouraged—2007 c 231:** See note following RCW 43.155.070.

**64.40.030 Commencement of action—Time limitation.** Any action to assert claims under the provisions of this chapter shall be commenced only within thirty days after all administrative remedies have been exhausted. [1982 c 232 § 3.]

**64.40.040 Remedies cumulative.** The remedies provided by this chapter are in addition to any other remedies provided by law. [1982 c 232 § 4.]

**64.40.900 Severability—1982 c 232.** If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected. [1982 c 232 § 5.]

**64.44.005 Legislative finding.** The legislature finds that some properties are being contaminated by hazardous chemicals used in unsafe or illegal ways in the manufacture of illegal drugs. Innocent members of the public may be harmed by the residue left by these chemicals when the properties are subsequently rented or sold without having been decontaminated. [1990 c 213 § 1.]

**64.44.010 Definitions.** The words and phrases defined in this section shall have the following meanings when used in this chapter unless the context clearly indicates otherwise.

(1) "Authorized contractor" means a person who decontaminates, demolishes, or disposes of contaminated property as required by this chapter who is certified by the department as provided for in RCW 64.44.060.

(2) "Contaminated" or "contamination" means polluted by hazardous chemicals so that the property is unfit for human habitation or use due to immediate or long-term hazards. Property that at one time was contaminated but has

been satisfactorily decontaminated according to procedures established by the state board of health is not "contaminated."

(3) "Department" means the department of health.

(4) "Hazardous chemicals" means the following substances associated with the illegal manufacture of controlled substances: (a) Hazardous substances as defined in RCW 70.105D.020; (b) precursor substances as defined in RCW 69.43.010 which the state board of health, in consultation with the state board of pharmacy, has determined present an immediate or long-term health hazard to humans; and (c) the controlled substance or substances being manufactured, as defined in RCW 69.50.101.

(5) "Officer" means a local health officer authorized under chapters 70.05, 70.08, and 70.46 RCW.

(6) "Property" means any real or personal property, or segregable part thereof, that is involved in or affected by the unauthorized manufacture, distribution, or storage of hazardous chemicals. This includes but is not limited to single-family residences, units of multiplexes, condominiums, apartment buildings, boats, motor vehicles, trailers, manufactured housing, any shop, booth, garden, or storage shed, and all contents of the items referenced in this subsection. [2006 c 339 § 201; 1999 c 292 § 2; 1990 c 213 § 2.]

**Intent—Part headings not law—2006 c 339:** See notes following RCW 70.96A.325.

**Finding—Intent—1999 c 292:** "The legislature finds that the contamination of properties used for illegal drug manufacturing poses a threat to public health. The toxic chemicals left behind by the illegal drug manufacturing must be cleaned up to prevent harm to subsequent occupants of the properties. It is the intent of the legislature that properties are decontaminated in a manner that is efficient, prompt, and that makes them safe to reoccupy." [1999 c 292 § 1.]

**64.44.020 Reporting—Warning—Notice—Duties of local health officer.** Whenever a law enforcement agency becomes aware that property has been contaminated by hazardous chemicals, that agency shall report the contamination to the local health officer. The local health officer shall cause a posting of a written warning on the premises within one working day of notification of the contamination and shall inspect the property within fourteen days after receiving the notice of contamination. The warning posting for any property that includes a hotel or motel holding a current license under RCW 70.62.220, shall be limited to inside the room or on the door of the contaminated room and no written warning posting shall be posted in the lobby of the facility. The warning shall inform the potential occupants that hazardous chemicals may exist on, or have been removed from, the premises and that entry is unsafe. If a property owner believes that a tenant has contaminated property that was being leased or rented, and the property is vacated or abandoned, then the property owner shall contact the local health officer about the possible contamination. Local health officers or boards may charge property owners reasonable fees for inspections of suspected contaminated property requested by property owners.

A local health officer may enter, inspect, and survey at reasonable times any properties for which there are reasonable grounds to believe that the property has become contaminated. If the property is contaminated, the local health officer shall post a written notice declaring that the officer

intends to issue an order prohibiting use of the property as long as the property is contaminated.

If access to the property is denied, a local health officer in consultation with law enforcement may seek a warrant for the purpose of conducting administrative inspections. A superior, district, or municipal court within the jurisdiction of the property may, based upon probable cause that the property is contaminated, issue warrants for the purpose of conducting administrative inspections.

Local health officers must report all cases of contaminated property to the state department of health. The department may make the list of contaminated properties available to health associations, landlord and realtor organizations, prosecutors, and other interested groups. The department shall promptly update the list of contaminated properties to remove those which have been decontaminated according to provisions of this chapter.

The local health officer may determine when the services of an authorized contractor are necessary. [2006 c 339 § 202; 1999 c 292 § 3; 1990 c 213 § 3.]

**Intent—Part headings not law—2006 c 339:** See notes following RCW 70.96A.325.

**Finding—Intent—1999 c 292:** See note following RCW 64.44.010.

**64.44.030 Order declaring property unfit and prohibiting use—Notice—Hearing—Emergency order.** (1) If after the inspection of the property, the local health officer finds that it is contaminated, then the local health officer shall issue an order declaring the property unfit and prohibiting its use. The local health officer shall cause the order to be served either personally or by certified mail, with return receipt requested, upon all occupants and persons having any interest therein as shown upon the records of the auditor's office of the county in which such property is located. The local health officer shall also cause the order to be posted in a conspicuous place on the property. If the whereabouts of such persons is unknown and the same cannot be ascertained by the local health officer in the exercise of reasonable diligence, and the health officer makes an affidavit to that effect, then the serving of the order upon such persons may be made either by personal service or by mailing a copy of the order by certified mail, postage prepaid, return receipt requested, to each person at the address appearing on the last equalized tax assessment roll of the county where the property is located or at the address known to the county assessor, and the order shall be posted conspicuously at the residence. A copy of the order shall also be mailed, addressed to each person or party having a recorded right, title, estate, lien, or interest in the property. The order shall contain a notice that a hearing before the local health board or officer shall be held upon the request of a person required to be notified of the order under this section. The request for a hearing must be made within ten days of serving the order. The hearing shall then be held within not less than twenty days nor more than thirty days after the serving of the order. The officer shall prohibit use as long as the property is found to be contaminated. A copy of the order shall also be filed with the auditor of the county in which the property is located, where the order pertains to real property, and such filing of the complaint or order shall have the same force and effect as other *lis pendens* notices provided by law. In any hearing concerning whether property is

fit for use, the property owner has the burden of showing that the property is decontaminated or fit for use. The owner or any person having an interest in the property may file an appeal on any order issued by the local health board or officer within thirty days from the date of service of the order with the appeals commission established pursuant to RCW 35.80.030. All proceedings before the appeals commission, including any subsequent appeals to superior court, shall be governed by the procedures established in chapter 35.80 RCW.

(2) If the local health officer determines immediate action is necessary to protect public health, safety, or the environment, the officer may issue or cause to be issued an emergency order, and any person to whom such an order is directed shall comply immediately. Emergency orders issued pursuant to this section shall expire no later than seventy-two hours after issuance and shall not impair the health officer from seeking an order under subsection (1) of this section. [2006 c 339 § 203; 1999 c 292 § 4; 1990 c 213 § 4.]

**Intent—Part headings not law—2006 c 339:** See notes following RCW 70.96A.325.

**Finding—Intent—1999 c 292:** See note following RCW 64.44.010.

**64.44.040 Orders declaring property unfit and prohibiting use—City, county action—Entrance upon property prohibited.** (1) Upon issuance of an order declaring property unfit and prohibiting its use, the city or county in which the contaminated property is located may take action to prohibit use, occupancy, or removal of such property; condemn, decontaminate, or demolish the property; or require that the property be vacated or the contents removed from the property. The city or county may use an authorized contractor if property is demolished, decontaminated, or removed under this section. The city, county, or contractor shall comply with all orders of the health officer during these processes. No city or county may condemn, decontaminate, or demolish property pursuant to this section until all procedures granting the right of notice and the opportunity to appeal in RCW 64.44.030 have been exhausted, but may prohibit use, occupancy, or removal of contaminated property pending appeal of the order.

(2)(a) It is unlawful for any person to enter upon any property, or to remove any property, that has been found unfit for use by a local health officer pursuant to RCW 64.44.030.

(b) This subsection does not apply to: (i) Health officials, law enforcement officials, or other government agents performing their official duties; (ii) authorized contractors or owners performing decontamination pursuant to authorization by the local health officer; and (iii) any person acting with permission of a local health officer, or of a superior court or hearing examiner following an appeal of a decision of the local health officer.

(c) Any person who violates this subsection is guilty of a misdemeanor.

(3) No provision of this section may be construed to limit the ability of the local health officer to permit occupants or owners of the property at issue to remove uncontaminated personal property from the premises. [2006 c 339 § 204; 1999 c 292 § 5; 1990 c 213 § 5.]

**Intent—Part headings not law—2006 c 339:** See notes following RCW 70.96A.325.

(2012 Ed.)

**Finding—Intent—1999 c 292:** See note following RCW 64.44.010.

**64.44.050 Decontamination, demolition, or disposal by owner—Requirements and procedure—Costs—Decontamination timeline.** (1) An owner of contaminated property who desires to have the property decontaminated, demolished, or disposed of shall use the services of an authorized contractor unless otherwise authorized by the local health officer. The contractor and property owner shall prepare and submit a written work plan for decontamination, demolition, or disposal to the local health officer. The local health officer may charge a reasonable fee for review of the work plan. If the work plan is approved and the decontamination, demolition, or disposal is completed and the property is retested according to the plan and properly documented, then the health officer shall allow reuse of the property. A release for reuse document shall be recorded in the real property records indicating the property has been decontaminated, demolished, or disposed of in accordance with rules of the state department of health. The property owner is responsible for: (a) The costs of any property testing which may be required to demonstrate the presence or absence of hazardous chemicals; and (b) the costs of the property's decontamination, demolition, and disposal expenses, as well as costs incurred by the local health officer resulting from the enforcement of this chapter.

(2)(a) In a case where the contaminated property is a motor vehicle as defined in RCW 46.04.320, a vehicle as defined in RCW 46.04.670, or a vessel as defined in RCW 88.02.310, and the local health officer has issued an order declaring the property unfit and prohibiting its use, the city or county in which the property is located shall take action to prohibit use, occupancy, or removal, and shall require demolition, disposal, or decontamination of the property. The city, county, or local law enforcement agency may impound the vehicle or vessel to enforce this chapter.

(b) The property owner shall have the property demolished, disposed of, or decontaminated by an authorized contractor, or under a written work plan approved by the local health officer, within thirty days of receiving the order declaring the property unfit and prohibited from use. After all procedures granting the right of notice and the opportunity to appeal in RCW 64.44.030 have been exhausted, if the property owner has not demolished, disposed of, or decontaminated the property using an authorized contractor, or under a written work plan approved by the local health officer within thirty days, then the local health officer or the local law enforcement agency may demolish, dispose of, or decontaminate the property. The property owner is responsible for the costs of the property's demolition, disposal, or decontamination, as well as all costs incurred by the local health officer or the local law enforcement agency resulting from the enforcement of this chapter, except as otherwise provided under this subsection.

(c) The legal owner of a motor vehicle as defined in RCW 46.04.320, a vehicle as defined in RCW 46.04.670, or a vessel as defined in RCW 88.02.310 whose sole basis of ownership is a bona fide security interest is responsible for costs under this subsection if the legal owner had knowledge of or consented to any act or omission that caused contamination of the vehicle or vessel.

(d) If the vehicle or vessel has been stolen and the property owner neither had knowledge of nor consented to any act or omission that contributed to the theft and subsequent contamination of the vehicle or vessel, the owner is not responsible for costs under this subsection. However, if the registered owner is insured, the registered owner shall, within fifteen calendar days of receiving an order declaring the property unfit and prohibiting its use, submit a claim to his or her insurer for reimbursement of costs of the property's demolition, disposal, or decontamination, as well as all costs incurred by the local health officer or the local law enforcement agency resulting from the enforcement of this chapter, and shall provide proof of claim to the local health officer or the local law enforcement agency.

(e) If the property owner has not acted to demolish, dispose of, or decontaminate as set forth in this subsection regardless of responsibility for costs, and the local health officer or local law enforcement agency has taken responsibility for demolition, disposal, or decontamination, including all associated costs, then all rights, title, and interest in the property shall be deemed forfeited to the local health jurisdiction or the local law enforcement agency.

(f) This subsection may not be construed to limit the authority of a city, county, local law enforcement agency, or local health officer to take action under this chapter to require the owner of the real property upon which the contaminated vehicle or vessel is located to comply with the requirements of this chapter, including provisions for the right of notice and opportunity to appeal as provided in RCW 64.44.030.

(3) Except as provided in subsection (2) of this section, the local health officer has thirty days from the issuance of an order declaring a property unfit and prohibiting its use to establish a reasonable timeline for decontamination. The department of health shall establish the factors to be considered by the local health officer in establishing the appropriate amount of time.

The local health officer shall notify the property owner of the proposed time frame by United States mail to the last known address. Notice shall be postmarked no later than the thirtieth day from the issuance of the order. The property owner may request a modification of the time frame by submitting a letter identifying the circumstances which justify such an extension to the local health officer within thirty-five days of the date of the postmark on the notification regardless of when received. [2011 c 171 § 106; 2008 c 201 § 1; 2006 c 339 § 205; 1999 c 292 § 6; 1990 c 213 § 6.]

**64.44.060 Certification of contractors, supervisors, or workers—Denial, suspension, revocation, or restrictions on certificate—Penalties—Fees—Decontamination account.** (1) A contractor, supervisor, or worker may not perform decontamination, demolition, or disposal work unless issued a certificate by the state department of health. The department shall establish performance standards for contractors, supervisors, and workers by rule in accordance with chapter 34.05 RCW, the administrative procedure act.

The department shall train and test, or may approve courses to train and test, contractors, supervisors, and workers on the essential elements in assessing property used as an illegal controlled substances manufacturing or storage site to determine hazard reduction measures needed, techniques for adequately reducing contaminants, use of personal protective equipment, methods for proper decontamination, demolition, removal, and disposal of contaminated property, and relevant federal and state regulations. Upon successful completion of the training, and after a background check, the contractor, supervisor, or worker shall be certified.

(2) The department may require the successful completion of annual refresher courses provided or approved by the department for the continued certification of the contractor or employee.

(3) The department shall provide for reciprocal certification of any individual trained to engage in decontamination, demolition, or disposal work in another state when the prior training is shown to be substantially similar to the training required by the department. The department may require such individuals to take an examination or refresher course before certification.

(4) The department may deny, suspend, revoke, or place restrictions on a certificate for failure to comply with the requirements of this chapter or any rule adopted pursuant to this chapter. A certificate may be denied, suspended, revoked, or have restrictions placed on it on any of the following grounds:

(i) If the person has been certified pursuant to RCW 74.20A.320 by the department of social and health services as a person who is not in compliance with a support order or a \*residential or visitation order. If the person has continued to meet all other requirements for reinstatement during the suspension, reissuance of the license or certificate shall be automatic upon the department's receipt of a release issued by the department of social and health services stating that the person is in compliance with the order.

(5) A contractor, supervisor, or worker who violates any provision of this chapter may be assessed a fine not to exceed five hundred dollars for each violation.

(6) The department of health shall prescribe fees as provided for in RCW 43.70.250 for: The issuance and renewal of certificates, conducting background checks of applicants,

## Chapter 64.50 RCW

### CONSTRUCTION DEFECT CLAIMS

#### Sections

64.50.005	Finding—Intent.
64.50.010	Definitions.
64.50.020	Construction defect action—Notice of claim—Response—Procedure for negotiations—Commencing an action.

64.50.050	Construction professional right to offer to cure defects—Notice to homeowner.
64.50.060	Interpretation of chapter regarding certain relationships and rights.

**64.50.005 Finding—Intent.** The legislature finds, declares, and determines that limited changes in the law are necessary and appropriate concerning actions claiming damages, indemnity, or contribution in connection with alleged construction defects. It is the intent of the legislature that this chapter apply to these types of civil actions while preserving adequate rights and remedies for property owners who bring and maintain such actions. [2002 c 323 § 1.]

**64.50.010 Definitions.** Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

(1) "Action" means any civil lawsuit or action in contract or tort for damages or indemnity brought against a construction professional to assert a claim, whether by complaint, counterclaim, or cross-claim, for damage or the loss of use of real or personal property caused by a defect in the construction of a residence or in the substantial remodel of a residence. "Action" does not include any civil action in tort alleging personal injury or wrongful death to a person or persons resulting from a construction defect.

(2) "Association" means an association, master association, or subassociation as defined and provided for in RCW 64.34.020(4), 64.34.276, 64.34.278, and \*64.38.010(1).

(4) "Construction professional" means an architect, builder, builder vendor, contractor, subcontractor, engineer,

or inspector, including, but not limited to, a dealer as defined in \*\*RCW 64.34.020(12) and a declarant as defined in \*\*RCW 64.34.020(13), performing or furnishing the design, supervision, inspection, construction, or observation of the construction of any improvement to real property, whether operating as a sole proprietor, partnership, corporation, or other business entity.

(6) "Residence" means a single-family house, duplex, triplex, quadraplex, or a unit in a multiunit residential structure in which title to each individual unit is transferred to the owner under a condominium or cooperative system, and shall include common elements as defined in \*\*\*RCW 64.34.020(6) and common areas as defined in RCW 64.38.010(4).

**64.50.020 Construction defect action—Notice of claim—Response—Procedure for negotiations—Commencing an action.** (1) In every construction defect action brought against a construction professional, the claimant shall, no later than forty-five days before filing an action, serve written notice of claim on the construction professional. The notice of claim shall state that the claimant asserts a construction defect claim against the construction professional and shall describe the claim in reasonable detail sufficient to determine the general nature of the defect.

(2) Within twenty-one days after service of the notice of claim, the construction professional shall serve a written response on the claimant by registered mail or personal service. The written response shall:

(a) Propose to inspect the residence that is the subject of the claim and to complete the inspection within a specified time frame. The proposal shall include the statement that the construction professional shall, based on the inspection, offer to remedy the defect, compromise by payment, or dispute the claim;

(b) Offer to compromise and settle the claim by monetary payment without inspection. A construction profes-

sional's offer under this subsection (2)(b) to compromise and settle a homeowner's claim may include, but is not limited to, an express offer to purchase the claimant's residence that is the subject of the claim, and to pay the claimant's reasonable relocation costs; or

(c) State that the construction professional disputes the claim and will neither remedy the construction defect nor compromise and settle the claim.

(3)(a) If the construction professional disputes the claim or does not respond to the claimant's notice of claim within the time stated in subsection (2) of this section, the claimant may bring an action against the construction professional for the claim described in the notice of claim without further notice.

(b) If the claimant rejects the inspection proposal or the settlement offer made by the construction professional pursuant to subsection (2) of this section, the claimant shall serve written notice of the claimant's rejection on the construction professional. After service of the rejection, the claimant may bring an action against the construction professional for the construction defect claim described in the notice of claim. If the construction professional has not received from the claimant, within thirty days after the claimant's receipt of the construction professional's response, either an acceptance or rejection of the inspection proposal or settlement offer, then at anytime thereafter the construction professional may terminate the proposal or offer by serving written notice to the claimant, and the claimant may thereafter bring an action against the construction professional for the construction defect claim described in the notice of claim.

(4)(a) If the claimant elects to allow the construction professional to inspect in accordance with the construction professional's proposal pursuant to subsection (2)(a) of this section, the claimant shall provide the construction professional and its contractors or other agents reasonable access to the claimant's residence during normal working hours to inspect the premises and the claimed defect.

(b) Within fourteen days following completion of the inspection, the construction professional shall serve on the claimant:

(i) A written offer to remedy the construction defect at no cost to the claimant, including a report of the scope of the inspection, the findings and results of the inspection, a description of the additional construction necessary to remedy the defect described in the claim, and a timetable for the completion of such construction;

(ii) A written offer to compromise and settle the claim by monetary payment pursuant to subsection (2)(b) of this section; or

(iii) A written statement that the construction professional will not proceed further to remedy the defect.

(c) If the construction professional does not proceed further to remedy the construction defect within the agreed timetable, or if the construction professional fails to comply with the provisions of (b) of this subsection, the claimant may bring an action against the construction professional for the claim described in the notice of claim without further notice.

(d) If the claimant rejects the offer made by the construction professional pursuant to (b)(i) or (ii) of this subsection to either remedy the construction defect or to compromise and settle the claim by monetary payment, the claimant shall

serve written notice of the claimant's rejection on the construction professional. After service of the rejection notice, the claimant may bring an action against the construction professional for the construction defect claim described in the notice of claim. If the construction professional has not received from the claimant, within thirty days after the claimant's receipt of the construction professional's response, either an acceptance or rejection of the offer made pursuant to (b)(i) or (ii) of this subsection, then at anytime thereafter the construction professional may terminate the offer by serving written notice to the claimant.

(5)(a) Any claimant accepting the offer of a construction professional to remedy the construction defect pursuant to subsection (4)(b)(i) of this section shall do so by serving the construction professional with a written notice of acceptance within a reasonable time period after receipt of the offer, and no later than thirty days after receipt of the offer. The claimant shall provide the construction professional and its contractors or other agents reasonable access to the claimant's residence during normal working hours to perform and complete the construction by the timetable stated in the offer.

(b) The claimant and construction professional may, by written mutual agreement, alter the extent of construction or the timetable for completion of construction stated in the offer, including, but not limited to, repair of additional defects.

(6) Any action commenced by a claimant prior to compliance with the requirements of this section shall be subject to dismissal without prejudice, and may not be recommenced until the claimant has complied with the requirements of this section.

(7) Nothing in this section may be construed to prevent a claimant from commencing an action on the construction defect claim described in the notice of claim if the construction professional fails to perform the construction agreed upon, fails to remedy the defect, or fails to perform by the timetable agreed upon pursuant to subsection (2)(a) or (5) of this section.

(8) Prior to commencing any action alleging a construction defect, or after the dismissal of any action without prejudice pursuant to subsection (6) of this section, the claimant may amend the notice of claim to include construction defects discovered after the service of the original notice of claim, and must otherwise comply with the requirements of this section for the additional claims. The service of an amended notice of claim shall relate back to the original notice of claim for purposes of tolling statutes of limitations and repose. Claims for defects discovered after the commencement or recommencement of an action may be added to such action only after providing notice to the construction professional of the defect and allowing for response under subsection (2) of this section. [2002 c 323 § 3.]

**64.50.030 List of known construction defects—Requirements—Time limits.** (1) In every action brought against a construction professional, the claimant, including a construction professional asserting a claim against another construction professional, shall file with the court and serve on the defendant a list of known construction defects in accordance with this section.

(2) The list of known construction defects shall contain a description of the construction that the claimant alleges to be defective. The list of known construction defects shall be filed with the court and served on the defendant within thirty days after the commencement of the action or within such longer period as the court in its discretion may allow.

(3) The list of known construction defects may be amended by the claimant to identify additional construction defects as they become known to the claimant.

(4) The list of known construction defects must specify, to the extent known to the claimant, the construction professional responsible for each alleged defect identified by the claimant.

(5) If a subcontractor or supplier is added as a party to an action under this section, the party making the claim against such subcontractor or supplier shall serve on the subcontractor or supplier the list of construction defects in accordance with this section within thirty days after service of the complaint against the subcontractor or supplier or within such period as the court in its discretion may allow. [2002 c 323 § 4.]

**64.50.040 Construction defect action brought by a board of directors—Notice.** (1)(a) In the event the board of directors, pursuant to RCW 64.34.304(1)(d) or 64.38.020(4), institutes an action asserting defects in the construction of two or more residences, common elements, or common areas, this section shall apply. For purposes of this section, "action" has the same meaning as set forth in RCW 64.50.010.

(b) The board of directors shall substantially comply with the provisions of this section.

(2)(a) Prior to the service of the summons and complaint on any defendant with respect to an action governed by this section, the board of directors shall mail or deliver written notice of the commencement or anticipated commencement of such action to each homeowner at the last known address described in the association's records.

(b) The notice required by (a) of this subsection shall state a general description of the following:

- (i) The nature of the action and the relief sought; and
- (ii) The expenses and fees that the board of directors anticipates will be incurred in prosecuting the action.

(3) Nothing in this section may be construed to:

(a) Require the disclosure in the notice or the disclosure to a unit owner of attorney-client communications or other privileged communications;

(b) Permit the notice to serve as a basis for any person to assert the waiver of any applicable privilege or right of confidentiality resulting from, or to claim immunity in connection with, the disclosure of information in the notice; or

(c) Limit or impair the authority of the board of directors to contract for legal services, or limit or impair the ability to enforce such a contract for legal services. [2002 c 323 § 5.]

**64.50.050 Construction professional right to offer to cure defects—Notice to homeowner.** (1) The construction professional shall provide notice to each homeowner upon entering into a contract for sale, construction, or substantial remodel of a residence, of the construction professional's right to offer to cure construction defects before a homeowner may commence litigation against the construction pro-

fessional. Such notice shall be conspicuous and may be included as part of the underlying contract signed by the homeowner. In the sale of a condominium unit, the requirement for delivery of such notice shall be deemed satisfied if contained in a public offering statement delivered in accordance with chapter 64.34 RCW.

(2) The notice required by this subsection shall be in substantially the following form:

CHAPTER 64.50 RCW CONTAINS IMPORTANT REQUIREMENTS YOU MUST FOLLOW BEFORE YOU MAY FILE A LAWSUIT FOR DEFECTIVE CONSTRUCTION AGAINST THE SELLER OR BUILDER OF YOUR HOME. FORTY-FIVE DAYS BEFORE YOU FILE YOUR LAWSUIT, YOU MUST DELIVER TO THE SELLER OR BUILDER A WRITTEN NOTICE OF ANY CONSTRUCTION CONDITIONS YOU ALLEGE ARE DEFECTIVE AND PROVIDE YOUR SELLER OR BUILDER THE OPPORTUNITY TO MAKE AN OFFER TO REPAIR OR PAY FOR THE DEFECTS. YOU ARE NOT OBLIGATED TO ACCEPT ANY OFFER MADE BY THE BUILDER OR SELLER. THERE ARE STRICT DEADLINES AND PROCEDURES UNDER STATE LAW, AND FAILURE TO FOLLOW THEM MAY AFFECT YOUR ABILITY TO FILE A LAWSUIT.

(3) This chapter shall not preclude or bar any action if notice is not given to the homeowner as required by this section. [2002 c 323 § 6.]

**64.50.060 Interpretation of chapter regarding certain relationships and rights.** Nothing in this chapter shall be construed to hinder or otherwise affect the employment, agency, or contractual relationship between and among homeowners and construction professionals during the process of construction or remodeling and does not preclude the termination of those relationships as allowed under current law. Nothing in this chapter shall negate or otherwise restrict a construction professional's right to access or inspection provided by law, covenant, easement, or contract. [2002 c 323 § 7.]

**64.55.005 Application.** (1)(a) RCW 64.55.010 through 64.55.090 apply to any multiunit residential building for which the permit for construction or rehabilitative construction of such building was issued on or after August 1, 2005.

(b) RCW 64.55.010 and 64.55.090 apply to conversion condominiums as defined in RCW 64.34.020, provided that RCW 64.55.090 shall not apply to a condominium conversion for which a public offering statement had been delivered pursuant to chapter 64.34 RCW prior to August 1, 2005.

(2) RCW 64.55.010 and 64.55.100 through 64.55.160 and 64.34.415 apply to any action that alleges breach of an implied or express warranty under chapter 64.34 RCW or that seeks relief that could be awarded for such breach, regardless of the legal theory pled, except that RCW 64.55.100 through 64.55.160 and 64.34.415 shall not apply to:

- (a) Actions filed or served prior to August 1, 2005;
- (b) Actions for which a notice of claim was served pursuant to chapter 64.50 RCW prior to August 1, 2005;
- (c) Actions asserting any claim regarding a building that is not a multiunit residential building;

(d) Actions asserting any claim regarding a multiunit residential building that was permitted on or after August 1, 2005, unless the letter required by RCW 64.55.060 has been submitted to the appropriate building department or the requirements of RCW 64.55.090 have been satisfied.

(3) Other than the requirements imposed by RCW 64.55.010 through 64.55.090, nothing in this chapter amends or modifies the provisions of RCW 64.34.050. [2005 c 456 § 1.]

**64.55.010 Definitions.** Unless the context clearly requires otherwise, the definitions in RCW 64.34.020 and in this section apply throughout this chapter.

(1) "Attached dwelling unit" means any dwelling unit that is attached to another dwelling unit by a wall, floor, or ceiling that separates heated living spaces. A garage is not a heated living space.

(2) "Building enclosure" means that part of any building, above or below grade, that physically separates the outside or exterior environment from interior environments and which weatherproofs, waterproofs, or otherwise protects the building or its components from water or moisture intrusion. Interior environments consist of both heated and unheated enclosed spaces. The building enclosure includes, but is not limited to, that portion of roofs, walls, balcony support columns, decks, windows, doors, vents, and other penetrations through exterior walls, which waterproof, weatherproof, or otherwise protect the building or its components from water or moisture intrusion.

(3) "Building enclosure design documents" means plans, details, and specifications for the building enclosure that have been stamped by a licensed engineer or architect. The building enclosure design documents shall include details and

specifications that are appropriate for the building in the professional judgment of the architect or engineer which prepared the same to waterproof, weatherproof, and otherwise protect the building or its components from water or moisture intrusion, including details of flashing, intersections at roof, eaves or parapets, means of drainage, water-resistive membrane, and details around openings.

(4) "Developer" means:

(a) With respect to a condominium or a conversion condominium, the declarant; and

(b) With respect to all other buildings, an individual, group of individuals, partnership, corporation, association, municipal corporation, state agency, or other entity or person that obtains a building permit for the construction or rehabilitative reconstruction of a multiunit residential building. If a permit is obtained by service providers such as architects, contractors, and consultants who obtain permits for others as part of services rendered for a fee, the person for whom the permit is obtained shall be the developer, not the service provider.

(5) " Dwelling unit" has the meaning given to that phrase or similar phrases in the ordinances of the jurisdiction issuing the permit for construction of the building enclosure but if such ordinances do not provide a definition, then "dwelling unit" means a residence containing living, cooking, sleeping, and sanitary facilities.

(6) "Multiunit residential building" means:

(a) A building containing more than two attached dwelling units, including a building containing nonresidential units if the building also contains more than two attached dwelling units, but excluding the following classes of buildings:

(i) Hotels and motels;

(ii) Dormitories;

(iii) Care facilities;

(iv) Floating homes;

(v) A building that contains attached dwelling units that are each located on a single platted lot, except as provided in (b) of this subsection;

(vi) A building in which all of the dwelling units are held under one ownership and is subject to a recorded irrevocable sale prohibition covenant.

(b) If the developer submits to the appropriate building department when applying for the building permit described in RCW 64.55.020 a statement that the developer elects to treat the improvement for which a permit is sought as a multiunit residential building for all purposes under this chapter, then "multiunit residential building" also means the following buildings for which such election has been made:

(i) A building containing only two attached dwelling units;

(ii) A building that does not contain attached dwelling units; and

(iii) Any building that contains attached dwelling units each of which is located on a single platted lot.

(7) "Party unit owner" means a unit owner who is a named party to an action subject to this chapter and does not include any unit owners whose involvement with the action stems solely from their membership in the association.

(8) "Qualified building inspector" means a person satisfying the requirements of RCW 64.55.040.

(9) "Rehabilitative construction" means construction work on the building enclosure of a multiunit residential building if the cost of such construction work is more than five percent of the assessed value of the building.

(10) "Sale prohibition covenant" means a recorded covenant that prohibits the sale or other disposition of individual dwelling units as or as part of a condominium for five years or more from the date of first occupancy except as otherwise provided in RCW 64.55.090, a certified copy of which the developer shall submit to the appropriate building department; provided such covenant shall not apply to sales or dispositions listed in RCW 64.34.400(2). The covenant must be recorded in the county in which the building is located and must be in substantially the following form:

This covenant has been recorded in the real property records of . . . . . County, Washington, in satisfaction of the requirements of RCW 64.55.010 through 64.55.090. The undersigned is the owner of the property described on Exhibit A (the "Property"). Until termination of this covenant, no dwelling unit in or on the Property may be sold as a condominium unit except for sales listed in RCW 64.34.400(2).

This covenant terminates on the earlier of either: (a) Compliance with the requirements of RCW 64.55.090, as certified by the owner of the Property in a recorded supplement hereto; or (b) the fifth anniversary of the date of first occupancy of a dwelling unit as certified by the Owner in a recorded supplement hereto.

All title insurance companies and persons acquiring an interest in the Property may rely on the forgoing certifications without further inquiry in issuing any policy of title insurance or in acquiring an interest in the Property.

(11) "Stamped" means bearing the stamp and signature of the responsible licensed architect or engineer on the title page, and on every sheet of the documents, drawings, or specifications, including modifications to the documents, drawings, and specifications that become part of change orders or addenda to alter those documents, drawings, or specifications. [2005 c 456 § 2.]

**64.55.020 Building permit application—Submission of design documents.** (1) Any person applying for a building permit for construction of a multiunit residential building or rehabilitative construction shall submit building enclosure design documents to the appropriate building department prior to the start of construction or rehabilitative construction of the building enclosure. If construction work on a building enclosure is not rehabilitative construction because the cost thereof is not more than five percent of the assessed value of the building, then the person applying for a building permit shall submit to the building department a letter so certifying. Any changes to the building enclosure design documents that alter the manner in which the building or its components is waterproofed, weatherproofed, and otherwise protected from water or moisture intrusion shall be stamped by the architect or engineer and shall be provided to the building department and to the person conducting the course of construction inspection in a timely manner to permit such person to

inspect for compliance therewith, and may be provided through individual updates, cumulative updates, or as-built updates.

(2) The building department shall not issue a building permit for construction of the building enclosure of a multiunit residential building or for rehabilitative construction unless the building enclosure design documents contain a stamped statement by the person stamping the building enclosure design documents in substantially the following form: "The undersigned has provided building enclosure documents that in my professional judgment are appropriate to satisfy the requirements of RCW 64.55.005 through 64.55.090."

(3) The building department is not charged with determining whether the building enclosure design documents are adequate or appropriate to satisfy the requirements of RCW 64.55.005 through 64.55.090. Nothing in RCW 64.55.005 through 64.55.090 requires a building department to review, approve, or disapprove enclosure design documents. [2005 c 456 § 3.]

**64.55.030 Inspection required.** All multiunit residential buildings shall have the building enclosure inspected by a qualified inspector during the course of initial construction and during rehabilitative construction. [2005 c 456 § 4.]

**64.55.040 Inspectors—Qualifications.** (1) A qualified building enclosure inspector:

(a) Must be a person with substantial and verifiable training and experience in building enclosure design and construction;

(b) Shall be free from improper interference or influence relating to the inspections; and

(c) May not be an employee, officer, or director of, nor have any pecuniary interest in, the declarant, developer, association, or any party providing services or materials for the project, or any of their respective affiliates, except that the qualified inspector may be the architect or engineer who approved the building enclosure design documents or the architect or engineer of record. The qualified inspector may, but is not required to, assist with the preparation of such design documents.

(2) Nothing in this section alters requirements for licensure of any architect, engineer, or other professional, or alters the jurisdiction, authority, or scope of practice of architects, engineers, other professionals, or general contractors. [2005 c 456 § 5.]

**64.55.050 Scope of inspection—Definition.** (1) Any inspection required by this chapter shall include, at a minimum, the following:

(a) Water penetration resistance testing of a representative sample of windows and window installations. Such tests shall be conducted according to industry standards. Where appropriate, tests shall be conducted with an induced air pressure difference across the window and window installation. Additional testing is not required if the same assembly has previously been tested in situ within the previous two years in the project under construction by the builder, by another member of the construction team such as an architect or engineer, or by an independent testing laboratory; and

(b) An independent periodic review of the building enclosure during the course of construction or rehabilitative construction to ascertain whether the multiunit residential building has been constructed, or the rehabilitative construction has been performed, in substantial compliance with the building enclosure design documents.

(2) Subsection (1)(a) of this section shall not apply to rehabilitative construction if the windows and adjacent cladding are not altered in the rehabilitative construction.

(3) "Project" means one or more parcels of land in a single ownership, which are under development pursuant to a single land use approval or building permit, where window installation is performed by the owner with its own forces, or by the same general contractor, or, if the owner is contracting directly with trade contractors, is performed by the same trade contractor. [2005 c 456 § 6.]

**64.55.060 Certification—Certificate of occupancy.** Upon completion of an inspection required by this chapter, the qualified inspector shall prepare and submit to the appropriate building department a signed letter certifying that the building enclosure has been inspected during the course of construction or rehabilitative construction and that it has been constructed or reconstructed in substantial compliance with the building enclosure design documents, as updated pursuant to RCW 64.55.020. The building department shall not issue a final certificate of occupancy or other equivalent final acceptance until the letter required by this section has been submitted. The building department is not charged with and has no responsibility for determining whether the building enclosure inspection is adequate or appropriate to satisfy the requirements of this chapter. [2005 c 456 § 7.]

**64.55.070 Inspector, architect, and engineer—No private right of action or basis for liability against.** (1) Nothing in this chapter and RCW 64.34.073, 64.34.100(2), 64.34.410 (1)(nn) and (2), and 64.34.415(1)(b) is intended to, or does:

(a) Create a private right of action against any inspector, architect, or engineer based upon compliance or noncompliance with its provisions; or

(b) Create any independent basis for liability against an inspector, architect, or engineer.

(2) The qualified inspector, architect, or engineer and the developer that retained the inspector, architect, or engineer may contractually agree to the amount of their liability to the developer. [2005 c 456 § 8.]

**64.55.080 Inspector's report or testimony—No evidentiary presumption—Admissibility.** A qualified inspector's report or testimony regarding an inspection conducted pursuant to this chapter is not entitled to any evidentiary presumption in any arbitration or court proceeding. Nothing in this chapter restricts the admissibility of such a report or testimony, and questions of the admissibility of such a report or testimony shall be determined under the rules of evidence. [2005 c 456 § 9.]

**64.55.090 Sale of condominium unit subject to compliance—Inspection alternative.** (1) Except for sales or other dispositions listed in RCW 64.34.400(2), no declarant

may convey a condominium unit that may be occupied for residential use in a multiunit residential building without first complying with the requirements of RCW 64.55.005 through 64.55.080 unless the building enclosure of the building in which such unit is included is inspected by a qualified building enclosure inspector, and:

(a) The inspection includes such intrusive or other testing, such as the removal of siding or other building enclosure materials, that the inspector believes, in his or her professional judgment, is necessary to ascertain the manner in which the building enclosure was constructed;

(b) The inspection evaluates, to the extent reasonably ascertainable and in the professional judgment of the inspector, the present condition of the building enclosure including whether such condition has adversely affected or will adversely affect the performance of the building enclosure to waterproof, weatherproof, or otherwise protect the building or its components from water or moisture intrusion. "Adversely affect" has the same meaning as provided in RCW 64.34.445(7);

(c) The inspection report includes recommendations for repairs to the building enclosure that, in the professional judgment of the qualified building inspector, are necessary to: (i) Repair a design or construction defect in the building enclosure that results in the failure of the building enclosure to perform its intended function and allows unintended water penetration not caused by flooding; and (ii) repair damage caused by such a defect that has an adverse effect as provided in RCW 64.34.445(7);

(d) With respect to a building that would be a multiunit residential building but for the recording of a sale prohibition covenant and unless more than five years have elapsed since the date such covenant was recorded, all repairs to the building enclosure recommended pursuant to (c) of this subsection have been made; and

(e) The declarant provides as part of the public offering statement, consistent with RCW 64.34.410 (1)(nn) and (2) and 64.34.415(1)(b), an inspection and repair report signed by the qualified building enclosure inspector that identifies:

(i) The extent of the inspection performed pursuant to this section;

(ii) The information obtained as a result of that inspection; and

(iii) The manner in which any repairs required by this section were performed, the scope of those repairs, and the names of the persons performing those repairs.

(2) Failure to deliver the inspection and repair report in violation of this section constitutes a failure to deliver a public offering statement for purposes of chapter 64.34 RCW. [2005 c 456 § 10.]

**64.55.100 Arbitration—Election—Number of arbitrators—Qualifications—Trial de novo.** (1) If the declarant, an association, or a party unit owner demands an arbitration by filing such demand with the court not less than thirty and not more than ninety days after filing or service of the complaint, whichever is later, the parties shall participate in a private arbitration hearing. The declarant, the association, and the party unit owner do not have the right to compel arbitration without giving timely notice in compliance with this subsection. Unless otherwise agreed by the parties, the

arbitration hearing shall commence no more than fourteen months from the later of the filing or service of the complaint.

(2) Unless otherwise agreed by the parties, claims that in aggregate are for less than one million dollars shall be heard by a single arbitrator and all other claims shall be heard by three arbitrators. As used in this chapter, arbitrator also means arbitrators where applicable.

(3) Unless otherwise agreed by the parties, the court shall appoint the arbitrator, who shall be a current or former attorney with experience as an attorney, judge, arbitrator, or mediator in construction defect disputes involving the application of Washington law.

(4) Upon conclusion of the arbitration hearing, the arbitrator shall file the decision and award with the clerk of the superior court, together with proof of service thereof on the parties. Within twenty days after the filing of the decision and award, any aggrieved party may file with the clerk a written notice of appeal and demand for a trial de novo in the superior court on all claims between the appealing party and an adverse party. As used in this section, "adverse party" means the party who either directly asserted or defended claims against the appealing party. The demand shall identify the adverse party or parties and all claims between those parties shall be included in the trial de novo. The right to a trial de novo includes the right to a jury, if demanded. The court shall give priority to the trial date for the trial de novo.

(5) If the judgment for damages, not including awards of fees and costs, in the trial de novo is not more favorable to the appealing party than the damages awarded by the arbitrator, not including awards of fees and costs, the appealing party shall pay the nonappealing adverse party's costs and fees incurred after the filing of the appeal, including reasonable attorneys' fees so incurred.

(6) If the judgment for damages, not including awards of fees and costs, in the trial de novo is more favorable to the appealing party than the damages awarded by the arbitrator, not including awards of fees and costs, then the court may award costs and fees, including reasonable attorneys' fees, incurred after the filing of the request for trial de novo in accordance with applicable law; provided if such a judgment is not more favorable to the appealing party than the most recent offer of judgment, if any, made pursuant to RCW 64.55.160, the court shall not make an award of fees and costs to the appealing party.

(7) If a party is entitled to an award with respect to the same fees and costs pursuant to this section and RCW 64.55.160, then the party shall only receive an award of fees and costs as provided in and limited by RCW 64.55.160. Any award of fees and costs pursuant to subsections (5) or (6) of this section is subject to review in the event of any appeal thereof otherwise permitted by applicable law or court rule. [2005 c 456 § 11.]

**64.55.110 Case schedule plan—Deadlines.** (1) Not less than sixty days after the later of filing or service of the complaint, the parties shall confer to create a proposed case schedule plan for submission to the court that includes the following deadlines:

(a) Selection of a mediator;

(b) Commencement of the mandatory mediation and submission of mediation materials required by this chapter;

- (c) Selection of the arbitrator by the parties, where applicable;
- (d) Joinder of additional parties in the action;
- (e) Completion of each party's investigation;
- (f) Disclosure of each party's proposed repair plan;
- (g) Disclosure of each party's estimated costs of repair;
- (h) Meeting of parties and experts to confer in accordance with RCW 64.55.120; and
- (i) Disclosure of each party's settlement demand or response.

(2) If the parties agree upon a proposed case schedule plan, they shall move the court for the entry of the proposed case schedule plan. If the parties cannot agree, either party may move the court for entry of a case schedule plan that includes the above deadlines. [2005 c 456 § 12.]

**64.55.120 Mandatory mediation.** (1) The parties to an action subject to this chapter and RCW 64.34.073, 64.34.100(2), 64.34.410 (1)(nn) and (2), and 64.34.415(1)(b) shall engage in mediation. Unless the parties agree otherwise, the mediation required by this section shall commence within seven months of the later of the filing or service of the complaint. If the parties cannot agree upon a mediator, the court shall appoint a mediator.

(2) Prior to the mediation required by this section, the parties and their experts shall meet and confer in good faith to attempt to resolve or narrow the scope of the disputed issues, including issues related to the parties' repair plans.

(3) Prior to the mandatory mediation, the parties or their attorneys shall file and serve a declaration that:

- (a) A decision maker with authority to settle will be available for the duration of the mandatory mediation; and
- (b) The decision maker has been provided with and has reviewed the mediation materials provided by the party to which the decision maker is affiliated as well as the materials submitted by the opposing parties.

(4) Completion of the mediation required by this section occurs upon written notice of termination by any party. The provisions of RCW 64.55.160 shall not apply to any later mediation conducted following such notice. [2005 c 456 § 13.]

**64.55.130 Appointment of neutral expert—Qualifications—Duties—Admissibility of report or testimony.**

(1) If, after meeting and conferring as required by RCW 64.55.120(2), disputed issues remain, a party may file a motion with the court, or arbitrator if an arbitrator has been appointed, requesting the appointment of a neutral expert to address any or all of the disputed issues. Unless otherwise agreed to by the parties or upon a showing of exceptional circumstances, including a material adverse change in a party's litigation risks due to a change in allegations, claims, or defenses by an adverse party following the appointment of the neutral expert, any such motion shall be filed no later than sixty days after the first day of the meeting required by RCW 64.55.120(2). Upon such a request, the court or arbitrator shall decide whether or not to appoint a neutral expert or experts. A party may only request more than one neutral expert if the particular expertise of the additional neutral expert or experts is necessary to address disputed issues.

(2) The neutral expert shall be a licensed architect or engineer, or any other person, with substantial experience relevant to the issue or issues in dispute. The neutral expert shall not have been employed as an expert by a party to the present action within three years before the commencement of the present action, unless the parties agree otherwise.

(3) All parties shall be given an opportunity to recommend neutral experts to the court or arbitrator and shall have input regarding the appointment of a neutral expert.

(4) Unless the parties agree otherwise on the following matters, the court, or arbitrator if then appointed, shall determine:

- (a) Who shall serve as the neutral expert;
- (b) Subject to the requirements of this section, the scope of the neutral expert's duties;
- (c) The number and timing of inspections of the property;
- (d) Coordination of inspection activities with the parties' experts;
- (e) The neutral expert's access to the work product of the parties' experts;
- (f) The product to be prepared by the neutral expert;
- (g) Whether the neutral expert may participate personally in the mediation required by RCW 64.55.120; and
- (h) Other matters relevant to the neutral expert's assignment.

(5) Unless the parties agree otherwise, the neutral expert shall not make findings or render opinions regarding the amount of damages to be awarded, or the cost of repairs, or absent exceptional circumstances any matters that are not in dispute as determined in the meeting described in RCW 64.55.120(2) or otherwise.

(6) A party may, by motion to the court, or to the arbitrator if then appointed, object to the individual appointed to serve as the neutral expert and to determinations regarding the neutral expert's assignment.

(7) The neutral expert shall have no liability to the parties for the performance of his or her duties as the neutral expert.

(8) Except as otherwise agreed by the parties, the parties have a right to review and comment on the neutral expert's report before it is made final.

(9) A neutral expert's report or testimony is not entitled to any evidentiary presumption in any arbitration or court proceeding. Nothing in this chapter and RCW 64.34.073, 64.34.100(2), 64.34.410 (1)(nn) and (2), and 64.34.415(1)(b) restricts the admissibility of such a report or testimony, provided it is within the scope of the neutral expert's assigned duties, and questions of the admissibility of such a report or testimony shall be determined under the rules of evidence.

(10) The court, or arbitrator if then appointed, shall determine the significance of the neutral expert's report and testimony with respect to parties joined after the neutral expert's appointment and shall determine whether additional neutral experts should be appointed or other measures should be taken to protect such joined parties from undue prejudice. [2005 c 456 § 14.]

**64.55.140 Payment of arbitrators, mediators, and neutral experts.** (1) Where the building permit that autho-

rized commencement of construction of a building was issued on or after August 1, 2005:

(a)(i) If the action is referred to arbitration under RCW 64.55.100, the party who demands arbitration shall advance the fees of any arbitrator and any mediator appointed under RCW 64.55.120; and

(ii) A party who requests the appointment of a neutral expert pursuant to RCW 64.55.130 shall advance any appointed neutral expert's fees incurred up to the issuance of a final report.

(b) If the action has not been referred to arbitration, the court shall determine liability for the fees of any mediator appointed under RCW 64.55.120, unless the parties agree otherwise.

(c) Ultimate liability for any fees or costs advanced pursuant to this subsection (1) is subject to the fee- and cost-shifting provisions of RCW 64.55.160.

(2) Where the building permit that authorized commencement of construction of a building was issued before August 1, 2005:

(a)(i) If the action is referred to arbitration under RCW 64.55.100, the party who demands arbitration is liable for and shall pay the fees of any appointed arbitrator and any mediator appointed under RCW 64.55.120; and

(ii) A party who requests the appointment of a neutral expert pursuant to RCW 64.55.130 is liable for and shall pay any appointed neutral expert's fees incurred up to the issuance of a final report.

(b) If the action has not been referred to arbitration, the court shall determine liability for the fees of any mediator appointed under RCW 64.55.120, unless the parties agree otherwise.

(c) Fees and costs paid under this subsection (2) are not subject to the fee- and cost-shifting provisions of RCW 64.55.160. [2005 c 456 § 15.]

**64.55.150 Subcontractors and suppliers—When party to arbitration.** Upon the demand of a party to an arbitration demanded under RCW 64.55.100, any subcontractor or supplier against whom such party has a legal claim and whose work or performance on the building in question becomes an issue in the arbitration may be joined in and become a party to the arbitration. However, joinder of such parties shall not be allowed if such joinder would require the arbitration hearing date to be continued beyond the date established pursuant to RCW 64.55.100, unless the existing parties to the arbitration agree otherwise. Nothing in RCW 64.55.010 through 64.55.090 shall be construed to release, modify, or otherwise alleviate the liabilities or responsibilities that any party may have towards any other party, contractor, or subcontractor. [2005 c 456 § 16.]

**64.55.160 Offers of judgment—Costs and fees.** (1) On or before the sixtieth day following completion of the mediation pursuant to RCW 64.55.120(4), the declarant, association, or party unit owner may serve on an adverse party an offer to allow judgment to be entered. The offer of judgment shall specify the amount of damages, not including costs or fees, that the declarant, association, or party unit owner is offering to pay or receive. A declarant's offer shall also include its commitment to pay costs and fees that may be

awarded as provided in this section. The declarant, association, or party unit owner may make more than one offer of judgment so long as each offer is timely made. Each subsequent offer supersedes and replaces the previous offer. Any offer not accepted within twenty-one days of the service of that offer is deemed rejected and withdrawn and evidence thereof is not admissible and may not be provided to the court or arbitrator except in a proceeding to determine costs and fees or as part of the motion identified in subsection (2) of this section.

(2) A declarant's offer must include a demonstration of ability to pay damages, costs, and fees, including reasonable attorneys' fees, within thirty days of acceptance of the offer of judgment. The demonstration of ability to pay shall include a sworn statement signed by the declarant, the attorney representing the declarant, and, if any insurance proceeds will be used to fund any portion of the offer, an authorized representative of the insurance company. If the association or party unit owner disputes the adequacy of the declarant's demonstration of ability to pay, the association or party unit owner may file a motion with the court requesting a ruling on the adequacy of the declarant's demonstration of ability to pay. Upon filing of such motion, the deadline for a response to the offer shall be tolled from the date the motion is filed until the court has ruled.

(3) An association or party unit owner that accepts the declarant's offer of judgment shall be deemed the prevailing party and, in addition to recovery of the amount of the offer, shall be entitled to a costs and fees award, including reasonable attorneys' fees, in an amount to be determined by the court in accordance with applicable law.

(4) If the amount of the final nonappealable or nonappealed judgment, exclusive of costs or fees, is not more favorable to the offeree than the offer of judgment, then the offeror is deemed the prevailing party for purposes of this section only and is entitled to an award of costs and fees, including reasonable attorneys' fees, incurred after the date the last offer of judgment was rejected and through the date of entry of a final nonappealable or nonappealed judgment, in an amount to be determined by the court in accordance with applicable law. The nonprevailing party shall not be entitled to receive any award of costs and fees.

(5) If the final nonappealable or nonappealed judgment on damages, not including costs or fees, is more favorable to the offeree than the last offer of judgment, then the court shall determine which party is the prevailing party and shall determine the amount of the costs and fees award, including reasonable attorneys' fees, in accordance with applicable law.

(6) Notwithstanding any other provision in this section, with respect to claims brought by an association or unit owner, the liability for declarant's costs and fees, including reasonable attorneys' fees, shall:

(a) With respect to claims brought by an association, not exceed five percent of the assessed value of the condominium as a whole, which is determined by the aggregate tax-assessed value of all units at the time of the award; and

(b) With respect to claims brought by a party unit owner, not exceed five percent of the assessed value of the unit at the time of the award. [2005 c 456 § 17.]

#### PRIVATE TRANSFER FEE OBLIGATION ACT

64.60.900	Short title.
64.60.901	Effective date—2011 c 36.

**64.60.005 Findings.** The legislature finds and declares that the public policy of this state favors the marketability of real property and the transferability of interests in real property free of title defects or unreasonable restraints on alienation. The legislature further finds and declares that private transfer fee obligations violate this public policy by impairing the marketability and transferability of real property and by constituting an unreasonable restraint on alienation regardless of the duration of the obligation to pay a private transfer fee, the amount of a private transfer fee, or the method by which any private transfer fee is created or imposed. Thus, the legislature finds and declares that a private transfer fee obligation may not run with the title to real property, touch or concern the real property, or otherwise bind subsequent owners of real property under any common law or equitable principle. [2011 c 36 § 1.]

**64.60.010 Definitions.** The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

(1) "Association" means: An association of apartment owners as defined in RCW 64.32.010; a unit owners' association as defined in RCW 64.34.020; a homeowners' association as defined in RCW 64.38.010; a corporation organized pursuant to chapter 24.06 RCW for the purpose of owning real estate under a cooperative ownership plan; or a nonprofit or cooperative membership organization composed exclusively of owners of mobile homes, manufactured housing, timeshares, camping resort interests, or other interests in real property that is responsible for the maintenance, improvements, services, or expenses related to real property that is owned, used, or enjoyed in common by the members.

(2) "Payee" means the person or entity who claims the right to receive or collect a private transfer fee payable under a private transfer fee obligation. A payee may or may not have a pecuniary interest in the private transfer fee obligation.

(3) "Private transfer fee" means a fee or charge payable upon the transfer of an interest in real property, or payable for the right to make or accept such transfer, regardless of whether the fee or charge is a fixed amount or is determined as a percentage of the value of the real property, the purchase price, or other consideration given for the transfer. The fol-

lowing are not private transfer fees for the purposes of this section:

(a) Any consideration payable by the grantee to the grantor for the interest in real property being transferred, including any subsequent additional consideration for the real property payable by the grantee based upon any subsequent appreciation, development, or sale of the real property, if such additional consideration is payable on a one-time basis only and the obligation to make such payment does not bind successors in title to the real property;

(b) Any commission payable to a licensed real estate broker for services rendered in connection with the transfer of real property pursuant to an agreement between the broker and the grantor or the grantee including, but not limited to, any subsequent additional commission for that transfer payable by the grantor or the grantee based upon any subsequent appreciation, development, or sale of the property;

(c) Any interest, charges, fees, or other amounts payable by a borrower to a lender pursuant to a loan secured by a mortgage against real property including, but not limited to, any fee payable to the lender for consenting to an assumption of the loan or a transfer of the real property subject to the mortgage, any fees or charges payable to the lender for estoppel letters or certificates, and any shared appreciation interest, profit participation, or other consideration, and payable to the lender in connection with the loan;

(d) Any rent, reimbursement, charge, fee, or other amount payable by a lessee or licensee to a lessor or licensor under a lease or license including, but not limited to, any fee payable to the lessor or licensor for consenting to an assignment, subletting, encumbrance, or transfer of the lease or license;

(e) Any consideration payable to the holder of an option to purchase an interest in real property or the holder of a right of first refusal or first offer to purchase an interest in real property for waiving, releasing, or not exercising the option or right upon the transfer of the real property to another person;

(f) Any tax, fee, charge, assessment, fine, or other amount payable to or imposed by a governmental authority;

(g) Any assessment, fee, charge, fine, dues, or other amount payable to an association pursuant to chapter 64.32, 64.34, or 64.38 RCW, payable by a purchaser of a camping resort contract, as defined in RCW 19.105.300, or a timeshare, as defined in RCW 64.36.010, or payable pursuant to a recorded servitude encumbering the real property being transferred, as long as no portion of the fee is required to be passed through or paid to a third party;

(h) Any fee payable, upon a transfer, to an organization qualified under section 501(c)(3) or 501(c)(4) of the internal revenue code of 1986, if the sole purpose of such organization is to support cultural, educational, charitable, recreational, conservation, or similar activities benefiting the real property being transferred and the fee is used exclusively to fund such activities;

(i) Any fee, charge, assessment, dues, fine, contribution, or other amount pertaining solely to the purchase or transfer of a club membership relating to real property owned by the member including, but not limited to, any amount determined by reference to the value, purchase price, or other consideration given for the transfer of the real property;

(j) Any fee charged by an association or an agent of an association to a transferor or transferee for a service rendered contemporaneously with the imposition of the fee, provided that the fee is not to be passed through to a third party other than an agent of the association.

(4) "Private transfer fee obligation" means an obligation arising under a declaration or covenant recorded against the title to real property, or under any other contractual agreement or promise, recorded or not, that requires or purports to require the payment of a private transfer fee upon a subsequent transfer of an interest in the real property.

(5) "Transfer" means the sale, gift, grant, conveyance, lease, license, assignment, inheritance, or other act resulting in a transfer of ownership interest in real property located in this state. [2011 c 36 § 3.]

**64.60.020 Private transfer fee obligations—Enforceability—Interpretation.** (1) A private transfer fee obligation recorded or entered into in this state on or after April 13, 2011, does not run with the title to real property and is not binding on or enforceable at law or in equity against any subsequent owner, purchaser, or mortgagee or holder of any interest in real property as an equitable servitude or otherwise. Any private transfer fee obligation that is recorded or entered into in this state on or after April 13, 2011, is void and unenforceable.

(2) A private transfer fee obligation recorded or entered into in this state before April 13, 2011, is not presumed valid and enforceable. Any such private transfer fee obligation must be interpreted and enforced according to principles of applicable real estate, servitude contract, and other law including, without limitation, restraints on alienation, the rule against perpetuities, the touch and concern doctrine, and the requirement for covenants to run with the land, as well as fraud, misrepresentation, violation of public policy, or another invalidating cause. [2011 c 36 § 4.]

**64.60.030 Liability.** Any person who records, or enters into, an agreement imposing a private transfer fee obligation in the person's favor after April 13, 2011, is liable for (1) any damages resulting from the imposition of the private transfer fee obligation on the transfer of an interest in the real property including, but not limited to, the amount of any private transfer fee paid by a party to the transfer, and (2) reasonable attorneys' fees, expenses, and costs incurred by a party to the transfer or mortgagee of the real property to recover any private transfer fee paid or in connection with an action to quiet title. If an agent acts on behalf of a principal to record or secure a private transfer fee obligation, liability must be assessed to the principal, rather than the agent. [2011 c 36 § 5.]

**64.60.040 Notice of private transfer fee obligation.**

(1) A payee of a private transfer fee obligation imposed before April 13, 2011, shall record, before December 31, 2011, against the real property subject to the private transfer fee obligation, a separate document in the county auditor's office in the county in which the real property is located that includes all of the following requirements:

(a) The title, "Notice of Private Transfer Fee Obligation";

(2012 Ed.)

(b) The amount if the private transfer fee is a flat amount, the percentage of the sales price constituting the cost of the private transfer fee, or another basis by which the private transfer fee is to be calculated;

(c) The date under which the private transfer fee obligation expires, if any;

(d) The name and address of the payee;

(e) The acknowledged signature of the payee or a representative of the payee; and

(f) The legal description of the real property purportedly burdened by the private transfer fee obligation.

(2) A payee may file an amendment to the notice of private transfer fee obligation containing new contact information. The amendment must contain the recording information of the notice of private transfer fee obligation which it amends and the legal description of the real property burdened by the private transfer fee obligation.

(3) If a payee fails to file the notice required under subsection (1) of this section before December 31, 2011, the private transfer fee obligation is not enforceable by the payee. [2011 c 36 § 6.]

**64.60.900 Short title.** This chapter may be known and cited as the private transfer fee obligation act. [2011 c 36 § 2.]

**64.60.901 Effective date—2011 c 36.** This act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and takes effect immediately [April 13, 2011]. [2011 c 36 § 7.]

**64.70.005 Findings—National uniform legislation.**

The legislature finds that the national conference of commissioners on uniform state laws has developed uniform legislation called the uniform environmental covenants act. The act ensures that environmental covenants, recorded use restrictions negotiated in connection with hazardous waste site cleanups, and other environmental response projects are legally valid and enforceable. The uniform environmental covenants act achieves this objective by providing clear statutory standards that override court-made doctrines that do not

fit such cleanup and reuse contexts. The legislature further finds that nothing in this chapter will amend or modify any local or state laws that determine when environmental covenants are required, when a particular contaminated site must be cleaned up, or the standards for a cleanup.

Adoption of the uniform environmental covenants act in Washington will provide all participants in a cleanup with greater confidence that environmental covenants and other institutional controls will be effective over the life of the cleanup. This will facilitate cleanups of many sites and assist in the recycling of urban brownfield properties into new economic uses for the benefit of the citizens of Washington.

This chapter adopts most provisions of the uniform legislation while making modifications to integrate the uniform environmental covenants act with Washington's environmental cleanup programs. [2007 c 104 § 1.]

**64.70.010 Short title.** This chapter may be cited as the uniform environmental covenants act. [2007 c 104 § 2.]

**64.70.015 Application—Construction—2007 c 104.** In applying and construing this uniform act, consideration must be given to the need to promote uniformity of the law with respect to its subject matter among states that enact it. [2007 c 104 § 14.]

**64.70.020 Definitions.** The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

(1) "Activity or use limitations" means restrictions or obligations created under this chapter with respect to real property.

(2) "Agency" means either the department of ecology or the United States environmental protection agency, whichever determines or approves the environmental response project pursuant to which the environmental covenant is created.

(3)(a) "Common interest community" means a condominium, cooperative, or other real property with respect to which a person, by virtue of the person's ownership of a parcel of real property, is obligated to pay property taxes or insurance premiums, or for maintenance, or improvement of other real property described in a recorded covenant that creates the common interest community.

(b) "Common interest community" includes but is not limited to:

(i) An association of apartment owners as defined in RCW 64.32.010;

(ii) A unit owners' association as defined in RCW 64.34.020 and organized under RCW 64.34.300;

(iii) A master association as provided in RCW 64.34.276;

(iv) A subassociation as provided in RCW 64.34.278; and

(v) A homeowners' association as defined in RCW 64.38.010.

(4) "Environmental covenant" means a servitude arising under an environmental response project that imposes activity or use limitations.

(5) "Environmental response project" means a plan or work performed for environmental remediation of real property and conducted:

(a) Under a federal or state program governing environmental remediation of real property, including chapters 43.21C, 64.44, 70.95, 70.98, 70.105, 70.105D, 90.48, and 90.52 RCW;

(b) Incident to closure of a solid or hazardous waste management unit, if the closure is conducted with approval of an agency; or

(c) Under the state voluntary clean-up program authorized under chapter 70.105D RCW.

(6) "Holder" means the grantee of an environmental covenant as specified in RCW 64.70.030(1).

(7) "Person" means an individual, corporation, business trust, estate, trust, partnership, limited liability company, association, joint venture, public corporation, government, governmental subdivision, agency, or instrumentality, or any other legal or commercial entity.

(8) "Record," used as a noun, means information that is inscribed on a tangible medium or that is stored in an electronic or other medium and is retrievable in perceivable form.

(9) "State" means a state of the United States, the District of Columbia, Puerto Rico, the United States Virgin Islands, or any territory or insular possession subject to the jurisdiction of the United States. [2007 c 104 § 3.]

**64.70.030 Interests in real property—Subordination.**

(1) Any person, including a person that owns an interest in the real property, the agency, or a municipality or other unit of local government, may be a holder. An environmental covenant may identify more than one holder. The interest of a holder is an interest in real property.

(2) A right of an agency under this chapter or under an environmental covenant, other than a right as a holder, is not an interest in real property.

(3) An agency is bound by any obligation it assumes in an environmental covenant, but an agency does not assume obligations merely by signing an environmental covenant. Any other person that signs an environmental covenant is bound by the obligations the person assumes in the covenant, but signing the covenant does not change obligations, rights, or protections granted or imposed under law other than this chapter except as provided in the covenant.

(4) The following rules apply to interests in real property in existence at the time an environmental covenant is created or amended:

(a) An interest that has priority under other law is not affected by an environmental covenant unless the person that owns the interest subordinates that interest to the covenant.

(b) This chapter does not require a person that owns a prior interest to subordinate that interest to an environmental covenant or to agree to be bound by the covenant.

(c) A subordination agreement may be contained in an environmental covenant covering real property or in a separate record. If the environmental covenant covers commonly owned property in a common interest community, the record may be signed by any person authorized by the governing board of the owners' association.

(d) An agreement by a person to subordinate a prior interest to an environmental covenant affects the priority of

that person's interest but does not by itself impose any affirmative obligation on the person with respect to the environmental covenant. [2007 c 104 § 4.]

**64.70.040 Covenants—Contents—Agency discretion—Local land use consideration.** (1) An environmental covenant must:

- (a) State that the instrument is an environmental covenant executed pursuant to this chapter;
- (b) Contain a legally sufficient description of the real property subject to the covenant;
- (c) Describe with specificity the activity or use limitations on the real property;
- (d) Identify every holder;
- (e) Be signed by the agency, every holder, and unless waived by the agency every owner of the fee simple of the real property subject to the covenant; and
- (f) Identify the name and location of any administrative record for the environmental response project reflected in the environmental covenant.

(2) In addition to the information required by subsection (1) of this section, an environmental covenant may contain other information, restrictions, and requirements agreed to by the persons who signed it, including any:

- (a) Requirements for notice following transfer of a specified interest in, or concerning proposed changes in use of, applications for building permits for, or proposals for any site work affecting the contamination on, the property subject to the covenant;
- (b) Requirements for periodic reporting describing compliance with the covenant;
- (c) Rights of access to the property granted in connection with implementation or enforcement of the covenant;
- (d) Narrative descriptions of the contamination and remedy, including the contaminants of concern, the pathways of exposure, limits on exposure, and the location and extent of the contamination;
- (e) Limitations on amendment or termination of the covenant in addition to those contained in RCW 64.70.090 and 64.70.100;
- (f) Rights of the holder in addition to its right to enforce the covenant pursuant to RCW 64.70.110;
- (g) Other information, restrictions, or requirements required by the agency, including the department of ecology under the authority of chapter 70.105D RCW.

(3) In addition to other conditions for its approval of an environmental covenant, the agency may require those persons specified by the agency who have interests in the real property to sign the covenant.

(4) The agency may also require notice and opportunity to comment upon an environmental covenant as part of public participation efforts related to the environmental response project.

(5) The agency shall consult with local land use planning authorities in the development of the land use or activity restrictions in the environmental covenant. The agency shall consider potential redevelopment and revitalization opportunities and obtain information regarding present and proposed land and resource uses, and consider comprehensive land use plan and zoning provisions applicable to the real property to be subject to the environmental covenant. [2007 c 104 § 5.]

(2012 Ed.)

**64.70.050 Covenants—Enforceability.** (1) An environmental covenant that complies with this chapter runs with the land.

(2) An environmental covenant that is otherwise effective is valid and enforceable even if:

- (a) It is not appurtenant to an interest in real property;
- (b) It can be or has been assigned to a person other than the original holder;
- (c) It is not of a character that has been recognized traditionally at common law;
- (d) It imposes a negative burden;
- (e) It imposes an affirmative obligation on a person having an interest in the real property or on the holder;
- (f) The benefit or burden does not touch or concern real property;
- (g) There is no privity of estate or contract;
- (h) The holder dies, ceases to exist, resigns, or is replaced; or
- (i) The owner of an interest subject to the environmental covenant and the holder are the same person.

(3) An instrument that creates restrictions or obligations with respect to real property that would qualify as activity or use limitations except for the fact that the instrument was recorded before July 22, 2007, is not invalid or unenforceable because of any of the limitations on enforcement of interests described in subsection (2) of this section or because it was identified as an easement, servitude, deed restriction, or other interest. This chapter does not apply in any other respect to such an instrument.

(4) This chapter does not invalidate or render unenforceable any interest, whether designated as an environmental covenant or other interest, that is otherwise enforceable under the law of this state. [2007 c 104 § 6.]

**64.70.060 Use of real property—Chapter application.** This chapter does not authorize a use of real property that is otherwise prohibited by zoning, by law other than this chapter regulating use of real property, or by a recorded instrument that has priority over the environmental covenant. An environmental covenant may prohibit or restrict uses of real property that are authorized by zoning or by law other than this chapter. [2007 c 104 § 7.]

**64.70.070 Covenants—Providing copies.** (1) A copy of an environmental covenant shall be provided by the persons and in the manner required by the agency to:

- (a) Each person that signed the covenant;
- (b) Each person holding a recorded interest in the real property subject to the covenant;
- (c) Each person in possession of the real property subject to the covenant at the time the covenant is executed;
- (d) Each municipality or other unit of local government in which real property subject to the covenant is located;
- (e) The department of ecology; and
- (f) Any other person the agency requires.

(2) The validity of an environmental covenant is not affected by failure to provide a copy of the covenant as required under this section.

(3) If the agency has not designated the persons to provide a copy of an environmental covenant, the grantor shall be responsible for providing a copy of an environmental cov-

enant as required under subsection (1) of this section. [2007 c 104 § 8.]

**64.70.080 Covenants—Recording and priority of interests.** (1) An environmental covenant and any amendment or termination of the covenant must be recorded in every county in which any portion of the real property subject to the covenant is located. For purposes of indexing, a holder shall be treated as a grantee.

(2) Except as otherwise provided in RCW 64.70.090(3), an environmental covenant is subject to the laws of this state governing recording and priority of interests in real property. [2007 c 104 § 9.]

**64.70.090 Covenant—Duration—Court action.** (1) An environmental covenant is perpetual unless it is:

- (a) By its terms limited to a specific duration or terminated by the occurrence of a specific event;
- (b) Terminated by consent pursuant to RCW 64.70.100;
- (c) Terminated pursuant to subsection (2) of this section;
- (d) Terminated by foreclosure of an interest that has priority over the environmental covenant; or
- (e) Terminated or modified in an eminent domain proceeding, but only if:
  - (i) The agency that signed the covenant is a party to the proceeding;
  - (ii) All persons identified in RCW 64.70.100 (1) and (2) are given notice of the pendency of the proceeding; and
  - (iii) The court determines, after hearing, that the termination or modification will not adversely affect human health or the environment.

(2) If the agency that signed an environmental covenant has determined that the intended benefits of the covenant can no longer be realized, a court, under the doctrine of changed circumstances, in an action in which all persons identified in RCW 64.70.100 (1) and (2) have been given notice, may terminate the covenant or reduce its burden on the real property subject to the covenant.

(3) Except as otherwise provided in subsections (1) and (2) of this section, an environmental covenant may not be extinguished, limited, or impaired through issuance of a tax deed, foreclosure of a tax lien, or application of the doctrine of adverse possession, prescription, abandonment, waiver, lack of enforcement, or acquiescence, or a similar doctrine.

(4) An environmental covenant may not be extinguished, limited, or impaired by the extinguishment of a mineral interest under chapter 78.22 RCW. [2007 c 104 § 10.]

**64.70.100 Covenant—Amendment or termination by consent.** (1) An environmental covenant may be amended or terminated by consent only if the amendment or termination is signed by:

- (a) The agency;
- (b) Unless waived by the agency, the current owner of the fee simple of the real property subject to the covenant;
- (c) Each person that originally signed the covenant, unless the person waived in a signed record the right to consent or a court finds that the person no longer exists or cannot be located or identified with the exercise of reasonable diligence; and

(d) Except as otherwise provided in subsection (4)(b) of this section, the holder.

(2) If an interest in real property is subject to an environmental covenant, the interest is not affected by an amendment of the covenant unless the current owner of the interest consents to the amendment or has waived in a signed record the right to consent to amendments.

(3) Except for an assignment undertaken pursuant to a governmental reorganization, assignment of an environmental covenant to a new holder is an amendment.

(4) Except as otherwise provided in an environmental covenant:

- (a) A holder may not assign its interest without consent of the other parties;
- (b) A holder may be removed and replaced by agreement of the other parties specified in subsection (1) of this section; and
- (c) A court of competent jurisdiction may fill a vacancy in the position of holder. [2007 c 104 § 11.]

**64.70.110 Violations—Civil actions—Regulatory authority under chapter—Liability.** (1) A civil action for injunctive or other equitable relief for violation of an environmental covenant may be maintained by:

- (a) A party to the covenant;
- (b) The agency or, if it is not the agency, the department of ecology;
- (c) Any person to whom the covenant expressly grants power to enforce;
- (d) A person whose interest in the real property or whose collateral or liability may be affected by the alleged violation of the covenant; and

(e) A municipality or other unit of local government in which the real property subject to the covenant is located.

(2) This chapter does not limit the regulatory authority of the agency or the department of ecology under law other than this chapter with respect to an environmental response project.

(3) A person is not responsible for or subject to liability for environmental remediation solely because it has the right to enforce an environmental covenant. [2007 c 104 § 12.]

**64.70.120 Covenants—Registry—Information contained.** (1) The department of ecology shall establish and maintain a registry that contains information identifying all environmental covenants established under this chapter and any amendment or termination of those covenants, including the county where the covenant is recorded and the recording number. The registry may also contain any other information concerning environmental covenants and the real property subject to them that the department of ecology considers appropriate. The registry is a public record for purposes of chapter 42.56 RCW, but the department shall maintain electronic access to the registry without requiring a public records request for any information included in the registry.

(2) Failure to include information or inclusion of inaccurate information concerning an environmental covenant in the registry does not invalidate or limit the application or enforceability of the covenant. [2007 c 104 § 13.]

**64.70.130 Electronic signatures in global and national commerce act.** This chapter modifies, limits, or supersedes the federal electronic signatures in global and national commerce act (15 U.S.C. Sec. 7001 et seq.) but does not modify, limit, or supersede section 101 of that act (15 U.S.C. Sec. 7001(a)) or authorize electronic delivery of any of the notices described in section 103 of that act (15 U.S.C. Sec. 7003(b)). [2007 c 104 § 15.]

**64.70.900 Severability—2007 c 104.** If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected. [2007 c 104 § 21.]

(2) "File," "filed," or "filing" means the act of delivering or transmitting electronically an instrument to the auditor or recording officer for recording into the official public records.

(3) "Record," "recorded," or "recording" means the process, such as electronic, mechanical, optical, magnetic, or microfilm storage used by the auditor or recording officer after filing to incorporate the instrument into the public records.

(4) "Recording number" means a unique number that identifies the storage location (book or volume and page, reel and frame, instrument number, auditor or recording officer file number, receiving number, electronic retrieval code, or other specific place) of each instrument in the public records accessible in the same recording office where the instrument containing the reference to the location is found.

(5) "Grantor/grantee" for recording purposes means the names of the parties involved in the transaction used to create the recording index. There will always be at least one grantor and one grantee for any document. In some cases, the grantor and the grantee will be the same individual(s), or one of the parties may be the public.

In addition, the county auditor or recording officer, in the exercise of the duty of recording instruments in public records, may, in lieu of transcription, record all instruments, that he or she is charged by law to record, by any electronic data transfer, photographic, photostatic, microfilm, microcard, miniature photographic or other process that actually reproduces or forms a durable medium for so reproducing the original, and which has been tested and approved for the

intended purpose by the state archivist. If the county auditor or recording officer records any instrument by a process approved by the state archivist it shall not be necessary thereafter to make any notations or marginal notes, which are otherwise required by law, thereon if, in lieu of making said notations thereon, the auditor or recording officer immediately makes a note of such in the general index in the column headed "remarks," listing the record number location of the instrument to which the current entry relates back.

**65.04.050 Index of instruments, how made and kept—Recording of plat names.** Every auditor or recording officer must keep a general index, direct and inverted. The index may be either printed on paper or produced on microfilm or microfiche, or it can be created from a computerized database and displayed on a video display terminal. Any reference to a prior \*record location number may be entered in the remarks column. Any property legal description contained in the instrument must be entered in the description of property column of the general index. The direct index shall be divided into eight columns, and with heads to the respective columns, as follows: Date of reception, grantor, grantee, nature of instrument, volume and page where recorded and/or the auditor's file number, remarks, description of property, assessor's property tax parcel or account number. The auditor or recording officer shall correctly enter in such index every instrument concerning or affecting real estate which by law is required to be recorded, the names of grantors being in alphabetical order. The inverted index shall also be divided into eight columns, precisely similar, except that "grantee" shall occupy the second column and "grantor" the third, the names of grantees being in alphabetical order. The auditor or recording officer may combine the direct and indirect indexes into a single index if it contains all the information required to be contained in the separate direct and indirect indexes and the names of all grantors and grantees can be found by a person searching the combined index. For the purposes of this chapter, the term "grantor" means any person conveying or encumbering the title to any property, or any person against whom any lis pendens, judgment, notice of lien, order of sale, execution, writ of attachment, claims of separate or community property, or notice for request of transfer or encumbrance under RCW 43.20B.750 shall be placed on record. The auditor or recording officer shall also enter in the general index, the name of the party or parties platting a town, village, or addition in the column prescribed for "grantors," describing the grantee in such case as "the public." However, the auditor or recording officer shall not receive or record any such plat or map until it has been approved by the mayor and common council of the municipality in which the property so platted is situated, or if the property be not situated within any municipal corporation, then the plat must be first approved by the county legislative authority. The auditor or recording officer shall not receive for record any plat, map, or subdivision of land bearing a name the same or similar to the name of any map or plat already on record in the office. The auditor or recording officer may establish a name reservation system to preclude the possibility of duplication of names. [2005 c 292 § 3; 1996 c 143 § 4; 1991 c 26 § 6; 1893 c 119 § 12; Code 1881 § 2728; 1869 p 314 § 24; RRS § 10603.]

\*Reviser's note: The definition "record location number" was changed to "recording number" by 1999 c 233 § 10.

Every such certified copy or partition, from the time of filing the same with the auditor for record, imparts notice to all persons of the contents thereof, and subsequent purchasers, mortgagees, and lien holders purchase and take with like notice and effect as if such copy or decree was a duly recorded deed, grant, or transfer. [2012 c 117 § 205; Code 1881 § 2730; RRS § 10605.]

**65.04.110 Liability of auditor for damages.** If any county auditor to whom an instrument, proved or acknowledged according to law, or any paper or notice which may by law be recorded is delivered or electronically transmitted for record: (1) Neglects or refuses to record such instrument, paper or notice, within a reasonable time after receiving the same; or (2) records any instruments, papers or notices untruly, or in any other manner than as directed in this chapter; or, (3) neglects or refuses to keep in his or her office such indexes as are required by \*this act, or to make the proper entries therein; or, (4) neglects or refuses to make the searches and to give the certificate required by \*this act; or if such searches or certificate are incomplete and defective in any important particular affecting the property in respect to which the search is requested; or, (5) alters, changes, or obliterates any records deposited in his or her office, or inserts any new matter therein; he or she is liable to the party aggrieved for the amount of damage which may be occasioned thereby. However, if the name or names and address hand printed, printed, or typewritten on any instrument, proved or acknowledged according to law, or on any paper or notice which may by law be filed or recorded, is or are incorrect, or misspelled or not the true name or names of the party or parties appearing thereon, the county auditor shall not, by reason of such fact, be liable for any loss or damage resulting therefrom. [2012 c 117 § 206; Code 1881 § 2735; RRS § 10610.]

**65.04.140 Auditor as custodian of records.** The county auditor in his or her capacity of recorder of deeds is sole custodian of all books in which are recorded deeds, mortgages, judgments, liens, incumbrances, and other instruments of writing, indexes thereto, maps, charts, town plats, survey and other books and papers constituting the records and files in said office of recorder of deeds, and all such records and files are, and shall be, matters of public information, free of charge to any and all persons demanding to

It is said recorder's duty to arrange in suitable places the indexes of said books of record, and when practicable, the record books themselves, to the end that the same may be accessible to the public and convenient for said public inspection, examination, and search, and not interfere with the said auditor's personal control and responsibility for the same, or prevent him or her from promptly furnishing the said records and files of his or her said office to persons demanding any information from the same. **65.08.030 Recorded irregular instrument imparts notice.** An instrument in writing purporting to convey or encumber real estate or any interest therein, which has been recorded in the auditor's office of the county in which the real estate is situated, although the instrument may not have been executed and acknowledged in accordance with the law in force at the time of its execution, shall impart the same notice to third persons, from the date of recording, as if the instrument had been executed, acknowledged, and recorded, in accordance with the laws regulating the execution, acknowledgment, and recording of the instrument then in force. [1953 c 115 § 1. Prior: 1929 c 33 § 8; RRS § 10599.]

**65.08.050 Recording land office receipts.** Every cash or final receipt from any receiver, and every cash or final certificate from any register of the United States land office, evidencing that final payment has been made to the United States as required by law, or that the person named in such certificate is entitled, on presentation thereof, to a patent from the United States for land within the state of Washington,

shall be recorded by the county auditor of the county wherein such land lies, on request of any party presenting the same, and any record heretofore made of any such cash or final receipt or certificate shall, from the date when this section becomes a law, and every record hereafter made of any such receipt or certificate shall, from the date of recording, impart to third persons and all the world, full notice of all the rights and equities of the person named in said cash or final receipt or certificate in the land described in such receipt or certificate. [1890 p 92 § 1; RRS § 10613.]

**65.08.060 Terms defined.** (1) The term "real property" as used in RCW 65.08.060 through 65.08.150 includes lands, tenements and hereditaments and chattels real and mortgage liens thereon except a leasehold for a term not exceeding two years.

(2) The term "purchaser" includes every person to whom any estate or interest in real property is conveyed for a valuable consideration and every assignee of a mortgage, lease or other conditional estate.

(3) The term "conveyance" includes every written instrument by which any estate or interest in real property is created, transferred, mortgaged or assigned or by which the title to any real property may be affected, including an instrument in execution of a power, although the power be one of revocation only, and an instrument releasing in whole or in part, postponing or subordinating a mortgage or other lien; except a will, a lease for a term of not exceeding two years, and an instrument granting a power to convey real property as the agent or attorney for the owner of the property. "To convey" is to execute a "conveyance" as defined in this subdivision.

(4) The term "recording officer" means the county auditor or, in charter counties, the county official charged with the responsibility for recording instruments in the county records. [1999 c 233 § 16; 1984 c 73 § 1; 1927 c 278 § 1; RRS § 10596-1.]

**65.08.070 Real property conveyances to be recorded.** A conveyance of real property, when acknowledged by the person executing the same (the acknowledgment being certified as required by law), may be recorded in the office of the recording officer of the county where the property is situated. Every such conveyance not so recorded is void as against any subsequent purchaser or mortgagee in good faith and for a valuable consideration from the same vendor, his or her heirs or devisees, of the same real property or any portion thereof whose conveyance is first duly recorded. An instrument is deemed recorded the minute it is filed for record. [2012 c 117 § 208; 1927 c 278 § 2; RRS § 10596-2. Prior: 1897 c 5 § 1; Code 1881 § 2314; 1877 p 312 § 4; 1873 p 465 § 4; 1863 p 430 § 4; 1860 p 299 § 4; 1858 p 28 § 1; 1854 p 403 § 4.]

**65.08.090 Letters patent.** Letters patent from the United States or the state of Washington granting real property may be recorded in the office of the recording officer of the county where such property is situated in the same manner and with like effect as a conveyance that is entitled to be recorded. [1927 c 278 § 4; RRS § 10596-4.]

**65.08.095 Conveyances of fee title by public bodies.**

Every conveyance of fee title to real property hereafter executed by the state or by any political subdivision or municipal corporation thereof shall be recorded by the grantor, after having been reviewed as to form by the grantee, at the expense of the grantee at the time of delivery to the grantee, and shall constitute legal delivery at the time of filing for record. [1963 c 49 § 1.]

**65.08.100 Certified copies.** A copy of a conveyance of or other instrument affecting real property recorded or filed in the office of the secretary of state or the commissioner of public lands, or of the record thereof, when certified in the manner required to entitle the same to be read in evidence, may be recorded with the certificate in the office of any recording officer of the state. **65.08.110 Certified copies—Effect.** A copy of a record, when certified or authenticated to entitle it to be read in evidence, may be recorded in any office where the original instrument would be entitled to be recorded. Such record has the same effect as if the original were so recorded. A copy of the record of a conveyance of or other instrument affecting separate parcels of real property situated in more than one county, when certified or authenticated to entitle it to be read in evidence may be recorded in the office of the recording officer of any county in which any such parcel is situated with the same effect as though the original instrument were so recorded. [1927 c 278 § 6; RRS § 10596-6.]

**65.08.120 Assignment of mortgage—Notice.** The recording of an assignment of a mortgage is not in itself notice to the mortgagor, his or her heirs, assigns or personal representatives, to invalidate a payment made by any of them to a prior holder of the mortgage. [2012 c 117 § 209; 1927 c 278 § 7; RRS § 10596-7.]

**65.08.130 Revocation of power of attorney.** A power of attorney or other instrument recorded pursuant to RCW 65.08.060 through 65.08.150 is not deemed revoked by any act of the party by whom it was executed unless the instrument of revocation is also recorded in the same office in which the instrument granting the power was recorded. [1927 c 278 § 8; RRS § 10596-8.]

**65.08.140 No liability for error in recording when properly indexed.** A recording officer is not liable for recording an instrument in a wrong book, volume or set of records if the instrument is properly indexed with a reference to the volume and page or recording number where the instrument is actually of record. [1999 c 233 § 17; 1927 c 278 § 9; RRS § 10596-9. Formerly RCW 65.04.120.]

**65.08.160 Recording master form instruments and mortgages or deeds of trust incorporating master form provisions.** A mortgage or deed of trust of real estate may be recorded and constructive notice of the same and the contents thereof given in the following manner:

(1) An instrument containing a form or forms of covenants, conditions, obligations, powers, and other clauses of a mortgage or deed of trust may be recorded in the office of the county auditor of any county and the auditor of such county, upon the request of any person, on tender of the lawful fees therefor, shall record the same. Every such instrument shall be entitled on the face thereof as a "Master form recorded by . . . (name of person causing the instrument to be recorded)." Such instrument need not be acknowledged to be entitled to record.

(2) When any such instrument is recorded, the county auditor shall index such instrument under the name of the person causing it to be recorded in the manner provided for miscellaneous instruments relating to real estate.

(3) Thereafter any of the provisions of such master form instrument may be incorporated by reference in any mortgage or deed of trust of real estate situated within this state, if such reference in the mortgage or deed of trust states that the master form instrument was recorded in the county in which the mortgage or deed of trust is offered for record, the date when and the book and page or pages or recording number where such master form instrument was recorded, and that a copy of such master form instrument was furnished to the person executing the mortgage or deed of trust. The recording of any mortgage or deed of trust which has so incorporated by reference therein any of the provisions of a master form instrument recorded as provided in this section shall have like effect as if such provisions of the master form so incorporated by reference had been set forth fully in the mortgage or deed of trust.

(4) Whenever a mortgage or deed of trust is presented for recording on which is set forth matter purporting to be a copy or reproduction of such master form instrument or of part thereof, identified by its title as provided in subsection (1) of this section and stating the date when it was recorded and the book and page where it was recorded, preceded by the words "do not record" or "not to be recorded," and plainly separated from the matter to be recorded as a part of the mortgage or deed of trust in such manner that it will not appear upon a photographic reproduction of any page containing any part of the mortgage or deed of trust, such matter shall not be recorded by the county auditor to whom the instrument is presented for recording; in such case the county auditor shall record only the mortgage or deed of trust apart from such matter and shall not be liable for so doing, any other provisions of law to the contrary notwithstanding. [1999 c 233 § 18; 1967 c 148 § 1.]

has levied or intends to levy a charge on property pertaining to:

(1) The amount required by the provisions of a contract pursuant to RCW 35.91.020 under which the water or sewer facilities so tapped into or used were constructed; or

(2) Any connection charges which are in fact reimbursement for the cost of facilities constructed by the sale of revenue bonds; or

(3) The additional connection charge authorized in RCW 35.92.025;

such municipality or county shall record in the office in which deeds are recorded of the county or counties in which such facility is located a notice of additional tap or connection charges. **65.12.275 Exchange of certificates—Platting land.** A registered owner holding one duplicate certificate for several distinct parcels of land may surrender it and take out several certificates for portions thereof. A registered owner holding several duplicate certificates for several distinct parcels of land may surrender them and take out a single duplicate certificate for all of said parcels, or several certificates for different portions thereof. Such exchange of certificates, however, shall only be made by the order of the court upon petition therefor duly made by the owner. An owner of registered land who shall subdivide such land into lots, blocks or acre tracts shall file with the registrar of titles a plat of said land so subdivided, in the same manner and subject to the same rules of law and restrictions as is provided for platting land that is not registered. [1907 c 250 § 39; RRS § 10668.]

**65.12.280 Effective date of certificate.** The certificate of title shall relate back to and take effect as of the date of the decree of registration. [1907 c 250 § 40; RRS § 10669.]

In case of a variance between the owner's duplicate certificate and the original certificate, the original shall prevail. [2012 c 117 § 232; 1907 c 250 § 41; RRS § 10670.]

[2012 c 117 § 233; 1907 c 250 § 42; RRS § 10671.]

**65.12.310 Tract and alphabetical indexes.** The registrar of titles shall keep tract indexes, in which shall be entered the lands registered in the numerical order of the townships, ranges, sections, and in cases of subdivisions, the blocks and lots therein, and the names of the owners, with a reference to the volume and page of the register of titles in which the lands are registered. He or she shall also keep alphabetical indexes, in which shall be entered, in alphabetical order, the names of all registered owners, and all other persons interested in, or holding charges upon, or any interest in, the registered land, with a reference to the volume and page of the register of titles in which the land is registered. [2012 c 117 § 234; 1907 c 250 § 43; RRS § 10672.]

**65.12.320 Dealings with registered land.** The owner of registered land may convey, mortgage, lease, charge, or otherwise incumber, dispose of, or deal with the same as fully as if it had not been registered. He or she may use forms of deeds, trust deeds, mortgages and leases or voluntary instruments, like those now in use, and sufficient in law for the purpose intended. But no voluntary instrument of conveyance, except a will and a lease, for a term not exceeding three years, purporting to convey or affect registered land, shall take effect as a conveyance, or bind the land; but shall operate only as a contract between the parties, and as evidence of the authority to the registrar of titles to make registration. The act of registration shall be the operative act to convey or affect the land. [2012 c 117 § 235; 1907 c 250 § 44; RRS § 10673.]

**65.12.330 Registration has effect of recording.** Every conveyance, lien, attachment, order, decree, judgment of a court of record, or instrument or entry which would, under existing law, if recorded, filed or entered in the office of the county clerk, and county auditor, of the county in which the real estate is situate, affect the said real estate to which it relates, if the title thereto were not registered, shall, if recorded, filed or entered in the office of the registrar of titles in the county where the real estate to which such instrument relates is situate, affect in like manner the title thereto if registered, and shall be notice to all persons from the time of such recording, filing or entering. [1907 c 250 § 45; RRS § 10674.]

**65.12.340 Filing—Numbering—Indexing—Public records.** The registrar of titles shall number and note in a proper book to be kept for that purpose, the year, month, day, hour and minute of reception and number of all conveyances,

orders or decrees, writs or other process, judgments, liens, or all other instruments, or papers or orders affecting the title of land, the title to which is registered. Every instrument so filed shall be retained in the office of the registrar of titles, and shall be regarded as registered from the time so noted, and the memorial of each instrument, when made on the certificate of title to which it refers, shall bear the same date. Every instrument so filed, whether voluntary or involuntary, shall be numbered and indexed, and indorsed with a reference to the proper certificate of title. All records and papers, relating to registered land, in the office of the registrar of titles shall be open to public inspection, in the same manner as are now the papers and records in the office of the county clerk and county auditor. [1907 c 250 § 46; RRS § 10675.]

**65.12.350 Duplicate of instruments certified—Fees.**

Duplicates of all instruments, voluntary or involuntary, filed and registered in the office of the registrar of titles, may be presented with the originals, and shall be attested and sealed by the registrar of titles, and indorsed with the file number and other memoranda on the originals, and may be taken away by the person presenting the same. Certified copies of all instruments filed and registered may be obtained from the registrar of titles, on the payment of a fee of the same amount as is now allowed the county clerk and county auditor, for a like certified copy. [1907 c 250 § 47; RRS § 10676.]

**65.12.360 New certificate—Register of less than fee—When form of memorial in doubt.** No new certificate shall be entered or issued upon any transfer of registered land, which does not divest the title in fee simple of said land or some part thereof, from the owner or some one of the registered owners. All interest in the registered land, less than a freehold estate, shall be registered by filing with the registrar of titles, the instruments creating, transferring, or claiming such interest, and by a brief memorandum or memorial thereof, made by a registrar of titles upon the certificate of title, and signed by him or her. A similar memorandum, or memorial, shall also be made on the owner's duplicate.

The cancellation or extinguishment of such interests shall be registered in the same manner. When any party in interest does not agree as to the proper memorial to be made upon the filing of any instrument, (voluntary or involuntary), presented for registration, or where the registrar of titles is in doubt as to the form of such memorial, the question shall be referred to the court for decision, either on the certificate of the registrar of titles, or upon the demand in writing of any party in interest.

The registrar of titles shall bring before the court all the papers and evidence which may be necessary for the determination of the question by the court. The court, after notice to all parties in interest and a hearing, shall enter an order prescribing the form of the memorial, and the registrar of titles shall make registration in accordance therewith. [2012 c 117 § 236; 1907 c 250 § 48; RRS § 10677.]

**65.12.370 Owner's certificate to be produced when new certificate issued.** No new certificates of titles shall be entered, and no memorial shall be made upon any certificate of title, in pursuance of any deed, or other voluntary instrument, unless the owner's duplicate certificate is presented

with such instrument, except in cases provided for in this chapter, or upon the order of the court for cause shown; and whenever such order is made a memorial therefor shall be entered, or a new certificate issued, as directed by said order. The production of the owner's duplicate certificate, whenever any voluntary instrument is presented for registration, shall be conclusive authority from the registered owner to the registrar of titles, to enter a new certificate, or to make a memorial of registration in accordance with such instrument; and a new certificate or memorial shall be binding upon the registered owner and upon all persons claiming under him or her in favor of every purchaser for value and in good faith. [2012 c 117 § 237; 1907 c 250 § 49; RRS § 10678.]

**65.12.375 Owner's duplicate certificate.** In the event that an owner's duplicate certificate of title shall be lost, mislaid or destroyed, the owner may make affidavit of the fact before any officer authorized to administer oaths, stating, with particularly, the facts relating to such loss, mislaying or destruction, and shall file the same in the office of the registrar of titles.

Any party in interest may thereupon apply to the court, and the court shall, upon proofs of the facts set forth in the affidavits, enter an order directing the registrar of titles to make and issue a new owner's duplicate certificate, such new owner's duplicate certificate shall be printed or marked, "Certified copy of owner's duplicate certificate", and such certified copy shall stand in the place of and have like effect as the owner's duplicate certificate. [1907 c 250 § 50; RRS § 10679.]

**65.12.380 Conveyance of registered land.** An owner of registered land, conveying the same, or any portion thereof, in fee, shall execute a deed of conveyance, which the grantor shall file with the registrar of titles in the county where the land lies. The owner's duplicate certificate shall be surrendered at the same time and shall be by the registrar marked "Canceled". The original certificate of title shall also be marked "Canceled". The registrar of titles shall thereupon entered in the register of titles, a new certificate of title to the grantee, and shall prepare and deliver to such grantee an owner's duplicate certificate. All incumbrances, claims, or interests adverse to the title of the registered owner shall be stated upon the new certificate or certificates, except insofar as they may be simultaneously released or discharged.

When only a part of the land described in a certificate is transferred, or some estate or interest in the land is to remain in the transferor, a new certificate shall be issued to him or her, for the part, estate, or interest remaining in him or her. [2012 c 117 § 238; 1907 c 250 § 51; RRS § 10680.]

**65.12.390 Certificate of tax payment.** Before any deed, plat or other instrument affecting registered land shall be filed or registered in the office of the registrar of titles, the owner shall present a certificate from the county treasurer showing that all taxes then due thereon have been paid. [1907 c 250 § 52; RRS § 10681.]

**65.12.400 Registered land charged as other land.** Registered land and ownership therein shall in all respects be subject to the same burdens and incidents which attach by

law to unregistered land. Nothing contained in this chapter shall in any way be construed to relieve registered land, or the owners thereof, from any rights incident to the relation of husband and wife, or from liability to attachment of mesne process, or levy on execution, or from liability from any lien of any description established by law on land or the improvements thereon, or the interest of the owner in such land or improvements, or to change the laws of descent, or the rights of partition between cotenants, or the right to take the same by eminent domain, or to relieve such land from liability to be recovered by an assignee in insolvency or trustee in bankruptcy, under the provisions of law relating thereto; or to change or affect in any way, any other rights or liabilities, created by law, applicable to unregistered land, except as otherwise expressly provided in this chapter, or any amendments hereof. [1907 c 250 § 53; RRS § 10682.]

**65.12.410 Conveyances by attorney-in-fact.** Any person may by attorney convey or otherwise deal with registered land, but the letters or power of attorney shall be acknowledged and filed with the registrar of titles, and registered. Any instrument revoking such letters, or power of attorney, shall be acknowledged in like manner. [1907 c 250 § 54; RRS § 10683.]

**65.12.420 Encumbrances by owner.** The owner of registered land may mortgage or encumber the same, by executing a trust deed or other instrument, sufficient in law for that purpose, and such instrument may be assigned, extended, discharged, released, in whole or in part, or otherwise dealt with by the mortgagee, by any form of instrument sufficient in law for the purpose; but such trust deed or other instrument, and all instruments assigning, extending, discharging, releasing or otherwise dealing with the encumbrance, shall be registered, and shall take effect upon the title only from the time of registration. [1907 c 250 § 55; RRS § 10684.]

**65.12.430 Registration of mortgages.** A trust deed shall be deemed to be a mortgage, and be subject to the same rules as a mortgage, excepting as to the manner of the foreclosure thereof. The registration of a mortgage shall be made in the following manner, to wit: The owner's duplicate certificate shall be presented to the registrar of titles with the mortgage deed or instrument to be registered, and the registrar shall enter upon the original certificate of title and also upon the owner's duplicate certificate, a memorial of the purport of the instrument registered, the time of filing, and the file number of the registered instrument. He or she shall also note upon the instrument registered, the time of filing, and a reference to the volume and page of the register of titles, wherein the same is registered. The registrar of titles shall also, at the request of the mortgagee, make out and deliver to him or her a duplicate certificate of title, like the owner's duplicate, except that the words, "Mortgagee's duplicate", shall be written or printed upon such certificate in large letters, diagonally across the face. A memorandum of the issuance of the mortgagee's duplicate shall be made upon the certificate of title. [2012 c 117 § 239; 1907 c 250 § 56; RRS § 10685.]

(2012 Ed.)

**65.12.435 Dealings with mortgages.** Whenever a mortgage upon which a mortgagee's duplicate has been issued is assigned, extended or otherwise dealt with, the mortgagee's duplicate shall be presented with the instrument assigning, extending, or otherwise dealing with the mortgage, and a memorial of the instrument shall be made upon the mortgagee's duplicate, and upon the original certificate of title. When the mortgage is discharged, or otherwise extinguished, the mortgagee's duplicate shall be surrendered and stamped, "Canceled". In case only a part of the charge or of the land is intended to be released, discharged, or surrendered, the entry shall be made by a memorial according in like manner as before provided for a release or discharge.

The production of the mortgagee's duplicate certificate shall be conclusive authority to register the instrument therewith presented. A mortgage on registered land may be discharged in whole or in part by the mortgagee in person on the register of titles in the same manner as a mortgage on unregistered land may be discharged by an entry on the margin of the record thereof, in the auditor's office, and such discharge shall be attested by the registrar of titles. [1907 c 250 § 57; RRS § 10686.]

**65.12.440 Foreclosures on registered land.** All charges upon registered land, or any estate or interest in the same, and any right thereunder, may be enforced as is now allowed by law, and all laws relating to the foreclosure of mortgages shall apply to mortgages upon registered land, or any estate or interest therein, except as herein otherwise provided, and except that a notice of the pendency of any suit or of any proceeding to enforce or foreclose the mortgage, or any charge, shall be filed in the office of the registrar of titles, and a memorial thereof entered on the register, at the time of, or prior to, the commencement of such suit, or the beginning of any such proceeding. A notice so filed and registered shall be notice to the registrar of titles and all persons dealing with the land or any part thereof. When a mortgagee's duplicate has been issued, such duplicate shall, at the time of the registering of the notice, be presented, and a memorial of such notice shall be entered upon the mortgagee's duplicate. [1907 c 250 § 58; RRS § 10687.]

**65.12.445 Registration of final decree—New certificate.** In any action affecting registered land a judgment or final decree shall be entitled to registration on the presentation of a certified copy of the entry thereof from the clerk of the court where the action is pending to the registrar of titles. The registrar of titles shall enter a memorial thereof upon the original certificates of title, and upon the owner's duplicate, and also upon the mortgagee's and lessee's duplicate, if any there be outstanding. When the registered owner of such land is, by such judgment or decree, divested of his or her estate in fee to the land or any part thereof, the plaintiff or defendant shall be entitled to a new certificate of title for the land, or that part thereof, designated in the judgment or decree, and the registrar of titles shall enter such new certificate of title, and issue a new owner's duplicate, in such manner as is provided in the case of voluntary conveyance: PROVIDED, HOWEVER, That no such new certificate of title shall be entered, except upon the order of the superior court of the county in which the land is situated, and upon the filing in the

office of the registrar of titles, an order of the court directing the entry of such new certificate. [2012 c 117 § 240; 1907 c 250 § 59; RRS § 10688.]

**65.12.450 Title on foreclosure—Registration.** Any person who has, by any action or proceeding to enforce or foreclose any mortgage, lien or charge upon registered land, become the owner in fee of the land, or any part thereof, shall be entitled to have his or her title registered, and the registrar of titles shall, upon application therefor, enter a new certificate of title for the land, or that part thereof, of which the applicant is the owner, and issue an owner's duplicate, in such manner as in the case of a voluntary conveyance of registered land: PROVIDED, HOWEVER, No such new certificate of title shall be entered, except after the time to redeem from such foreclosure has expired, and upon the filing in the office of the registrar of titles, an order of the superior court of the county directing the entry of such new certificates. [2012 c 117 § 241; 1907 c 250 § 60; RRS § 10689.]

**65.12.460 Petition for new certificate.** In all cases wherein, by this chapter, it is provided that a new certificate of title to registered land shall be entered by order of the court a person applying for such new certificate shall apply to the court by petition, setting forth the facts; and the court shall, after notice given to all parties in interest, as the court may direct, and upon hearing, make an order or decree for the entry of a new certificate to such person as shall appear to be entitled thereto. [1907 c 250 § 61; RRS § 10690.]

**65.12.470 Registration of leases.** Leases for registered land, for a term of three years or more, shall be registered in like manner as a mortgage, and the provisions herein relating to the registration of mortgages, shall also apply to the registration of leases. The registrar shall, at the request of the lessee, make out and deliver to him or her a duplicate of the certificate of title like the owner's duplicate, except the words, "Lessee's duplicate," shall be written or printed upon it in large letters diagonally across its face. [2012 c 117 § 242; 1907 c 250 § 62; RRS § 10691.]

**65.12.480 Instruments with conditions.** Whenever a deed, or other instrument, is filed in the office of the registrar of titles, for the purpose of effecting a transfer of or charge upon the registered land, or any estate or interest in the same, and it shall appear that the transfer or charge is to be in trust or upon condition or limitation expressed in such deed or instrument, such deed or instrument shall be registered in the usual manner, except that the particulars of the trust, condition, limitation, or other equitable interest shall not be entered upon the certificate of title by memorial, but a memorandum or memorial shall be entered by the words, "in trust," or "upon condition," or other apt words, and by reference by number to the instrument authorizing or creating the same. A similar memorial shall be made upon the owner's duplicate certificate.

No transfer of, or charge upon, or dealing with, the land, estate or interest therein, shall thereafter be registered, except upon an order of the court first filed in the office of the registrar of titles, directing such transfer, charge, or dealing, in accordance with the true intent and meaning of the trust, con-

dition, or limitation. Such registration shall be conclusive evidence in favor of the person taking such transfer, charge, or right; and those claiming under him or her, in good faith, and for a valuable consideration, that such transfer, charge, or other dealing is in accordance with the true intent and meaning of the trust, condition, or limitation. [2012 c 117 § 243; 1907 c 250 § 63; RRS § 10692.]

**65.12.490 Transfers between trustees.** When the title to registered land passes from a trustee to a new trustee, a new certificate shall be entered to him or her, and shall be registered in like manner as upon an original conveyance in trust. [2012 c 117 § 244; 1907 c 250 § 64; RRS § 10693.]

**65.12.510 Creation of lien on registered land.** In every case where writing of any description, or copy of any writ, order or decree is required by law to be filed or recorded in order to create or preserve any lien, right, or attachment upon unregistered land, such writing or copy, when intended to affect registered land, in lieu of recording, shall be filed and registered in the office of the registrar of titles, in the county in which the land lies, and, in addition to any particulars required in such papers, for the filing or recording, shall also contain a reference to the number of the certificate of title of the land to be affected, and also, if the attachment, right or lien is not claimed on all the land in any certificate of title, a description sufficiently accurate for the identification of the land intended to be affected. [1907 c 250 § 66; RRS § 10695.]

**65.12.520 Registration of liens.** All attachments, liens and rights, of every description, shall be enforced, continued, reduced, discharged and dissolved, by any proceeding or method, sufficient and proper in law to enforce, continue, reduce, discharge or dissolve, like liens or unregistered land. All certificates, writing or other instruments, permitted or required by law, to be filed or recorded, to give effect to the enforcement, continuance, reduction, discharge or dissolution of attachments, liens or other rights upon registered land, or to give notice of such enforcement, continuance, reduction, discharge or dissolution, shall in the case of like attachments, liens or other rights upon registered land, be filed with the registrar of titles, and registered in the register of titles, in lieu of filing or recording. [1907 c 250 § 67; RRS § 10696.]

[2012 c 117 § 246; 1907 c 250 § 68; RRS § 10697.]

**65.12.540 Decree.** A judgment, decree, or order of any court shall be a lien upon, or affect registered land, or any estate or interest therein, only when a certificate under the hand and official seal of the clerk of the court in which the same is of record, stating the date and purport of the judgment, decree, or order, or a certified copy of such judgment, decree, or order, or transcript of the judgment docket, is filed in the office of the registrar, and a memorial of the same is entered upon the register of the last certificate of the title to be affected. [1907 c 250 § 69; RRS § 10698.]

**65.12.550 Title acquired on execution.** Any person who has acquired any right, interest, or estate in registered land by virtue of any execution, judgment, order, or decree of the court, shall register his or her title so acquired, by filing in the office of the registrar of titles all writings or instruments permitted or required to be recorded in the case of unregistered land. If the interest or estate so acquired is the fee in the registered land, or any part thereof, the person acquiring such interest shall be entitled to have a new certificate of title, registered in him or her, in the same manner as is provided in the case of persons acquiring title by an action or proceeding in foreclosure of mortgages. [2012 c 117 § 247; 1907 c 250 § 70; RRS § 10699.]

**65.12.560 Termination of proceedings.** The certificate of the clerk of the court in which any action or proceeding shall be pending, or any judgment or decree is of record, that such action or proceeding has been dismissed or otherwise disposed of, or that the judgment, decree, or order has been satisfied, released, reversed, or overruled, or of any sheriff or any other officer that the levy of any execution, attachment, or other process, certified by him or her, has been released, discharged, or otherwise disposed of, being filed in the office of the registrar of titles and noted upon the register, shall be sufficient to authorize the registrar to cancel or otherwise treat the memorial of such action, proceeding, judgment, decree, order, or levy, according to the purport of such certificate. [2012 c 117 § 248; 1907 c 250 § 71; RRS § 10700.]

**65.12.570 Land registered only after redemption period.** Whenever registered land is sold, and the same is by law subject to redemption by the owner or any other person, the purchaser shall not be entitled to have a new certificate of title entered, until the time within which the land may be redeemed has expired. At any time after the time to redeem shall have expired, the purchaser may petition the court for an order directing the entry of a new certificate of title to him or her, and the court shall, after such notice as it may order, and hearing, grant and make an order directing the entry of such new certificate of title. [2012 c 117 § 249; 1907 c 250 § 72; RRS § 10701.]

**65.12.580 Registration on inheritance.** The heirs at law and devisees, upon the death of an owner of lands, and any estate or interest therein, registered pursuant to this chapter, on the expiration of thirty days after the entry of the decree of the superior court granting letters testamentary or of administration, or, in case of an appeal from such decree, at any time after the entry of a final decree, may file a certified copy of the final decree, of the superior court having jurisdiction,

and of the will, if any, with the clerk of the superior court, in the county in which the land lies, and make application to the court for an order for the entry of a new certificate of title. The court shall issue notice to the executor or administrator and all other persons in interest, and may also give notice by publication in such newspaper or newspapers as it may deem proper, to all whom it may concern; and after hearing, may direct the entry of a new certificate or certificates to the person or persons who appear to be entitled thereto as heirs or devisees. Any new certificate so entered before the final settlement of the estate of the deceased owner, in the superior courts, shall state expressly that it is entered by transfer from the last certificate by descent or devise, and that the estate is in process of settlement. After the final settlement of the estate in the superior court, or after the expiration of the time allowed by law for bringing an action against an executor or administrator by creditors of the deceased, the heirs at law or devisees may petition the court for an order to cancel the memorial upon their certificates, stating that the estate is in the course of settlement, and the court, after such notice as it may order, and a hearing, may grant the petition: PROVIDED, HOWEVER, That the liability of registered land to be sold for claims against the estate of the deceased, shall not in any way be diminished or changed. [1907 c 250 § 73; RRS § 10702.]

**65.12.590 Probate court may direct sale of registered land.** Nothing contained in this chapter shall include, affect, or impair the jurisdiction of the superior court to order an executor, administrator, or guardian to sell or mortgage registered land for any purpose for which such order may be granted in the case of unregistered land. The purchaser or mortgagee, taking a deed or mortgage executed in pursuance of such order of the superior court, shall be entitled to register his or her title, and to the entry of a new certificate of title or memorial of registration, upon application to the superior court, and upon filing in the office of the registrar of titles, an order of said court, directing the entry of such certificates. [2012 c 117 § 250; 1907 c 250 § 74; RRS § 10703.]

**65.12.600 Trustees and receivers.** An assignee for the benefit of creditors, receiver, trustee in bankruptcy, master in chancery, special commissioner, or other person appointed by the court, shall file in the office of the registrar of titles, the instrument or instruments by which he or she is vested with title, estate, or interest in any registered land, or a certified copy of an order of the court showing that such assignee, receiver, trustee in bankruptcy, master in chancery, special commissioner, or other person, is authorized to deal with such land, estate, or interest, and, if it is in the power of such person, he or she shall, at the same time, present to the registrar of titles, the owner's duplicate certificate of title; thereupon the registrar shall enter upon the register of titles, and the duplicate certificate, if presented, a memorial thereof, with a reference to such order or deed by its file number. Such memorial having been entered, the assignee, receiver, trustee in bankruptcy, master in chancery, special commissioner, or other person may, subject to the direction of the court, deal with or transfer such land as if he or she were a registered owner. [2012 c 117 § 251; 1907 c 250 § 75; RRS § 10704.]

**65.12.610 Eminent domain—Reversion.** Whenever registered land, or any right or interest therein, is taken by eminent domain, the state or body politic, or corporate or other authority exercising such right shall pay all fees on account of any memorial or registration or entry of new certificates, or duplicate thereof, and fees for the filing of instruments required by this chapter to be filed. When, for any reason, by operation of law, land which has been taken for public use reverts to the owner from whom it was taken, or his or her heirs or assigns, the court, upon petition of the person entitled to the benefit of the reversion, after such notice as it may order, and hearing, may order the entry of a new certificate of title to him or her. [2012 c 117 § 252; 1907 c 250 § 76; RRS § 10705.]

**65.12.620 Registration when owner's certificate withheld.** In every case where the registrar of titles enters a memorial upon a certificate of title, or enters a new certificate of title, in pursuance of any instrument executed by the registered owner, or by reason of any instrument or proceeding which affects or devises the title of the registered owner against his or her consent, if the outstanding owner's duplicate certificate is not presented, the registrar of titles shall not enter a new certificate or make a memorial, but the person claiming to be entitled thereto may apply by petition to the court. The court may order the registered owner, or any person withholding the duplicate certificate, to present or surrender the same, and direct the entry of a memorial or new certificate upon such presentation or surrender. If, in any case, the person withholding the duplicate certificate is not amenable to the process of the court, or cannot be found, or if, for any reason, the outstanding owner's duplicate certificate cannot be presented or surrendered without delay, the court may, by decree, annul the same, and order a new certificate of title to be entered. Such new certificate, and all duplicates thereof, shall contain a memorial of the annulment of the outstanding duplicate. If in any case of an outstanding mortgagee's or lessee's duplicate certificate shall be withheld or otherwise dealt with, like proceedings may be had to obtain registration as in case of the owner's withholding or refusing to deliver the duplicate receipt. [2012 c 117 § 253; 1907 c 250 § 77; RRS § 10706.]

**65.12.630 Reference to examiner of title.** In all cases where, under the provisions of this chapter, application is made to the court for an order or decree, the court may refer the matter to one of the examiners of title for hearing and report, in like manner, as is herein provided for the reference of the application for registration. **65.12.635 Examiner of titles.** Examiners of titles shall, upon the request of the registrar of titles, advise him or her upon any act or duty pertaining to the conduct of his or her office, and shall, upon request, prepare the form of any memorial to be made or entered by the registrar of titles. The examiner of titles shall have full power to administer oaths and examine witnesses involved in his or her investigation of titles. [2012 c 117 § 254; 1907 c 250 § 79; RRS § 10708.]

**65.12.640 Registered instruments to contain names and addresses—Service of notices.** Every writing and instrument required or permitted by this chapter to be filed for registration, shall contain or have endorsed upon it, the full name, place of residence, and post office address of the grantee or other person requiring or claiming any right, title, or interest under such instrument. Any change in residence or post office address of such person shall be endorsed by the registrar of titles in the original instrument, on receiving a sworn statement of such change. All names and addresses shall also be entered on all certificates. All notices required by, or given in pursuance of the provisions of this chapter by the registrar of titles or by the court, after original registration, shall be served upon the person to be notified; if a resident of the state of Washington, as summons in civil actions are served; and proof of such service shall be made as on the return of a summons. All such notices shall be sent by mail, to the person to be notified, if not a resident of the state of Washington, and his or her residence and post office address, as stated in the certificate of title, or in any registered instrument under which he or she claims an interest. The certificate of the registrar of titles, or clerk of court, that any notice has been served, by mailing the same, as aforesaid, shall be conclusive proof of such notice: PROVIDED, HOWEVER, That the court may, in any case, order different or further service by publication or otherwise. [2012 c 117 § 255; 1907 c 250 § 80; RRS § 10709.]

**65.12.650 Adverse claims—Procedure.** Any person claiming any right or interest in registered land, adverse to the registered owner, arising subsequent to the date of the original registration, may, if no other provision is made in this chapter for registering the same, make a statement in writing, setting forth fully his or her alleged right or interest and how or under whom acquired, and a reference to the volume and page of the certificate of title of the registered owner, and a description of the land to which the right or interest is claimed. The statement shall be signed and sworn to, and shall state the adverse claimant's residence, and designate a place at which all notices may be served upon him or her. This statement shall be entitled to registration, as an adverse claim; and the court, upon the petition of any party in interest, shall grant a speedy hearing upon the question of the validity of such adverse claim, and shall enter such decree thereon as equity and justice may require.

If the claim is adjudged to be invalid, its registration shall be canceled. The court may, in any case, award such costs and damages, including reasonable attorneys' fees, as it may deem just in the premises. [2012 c 117 § 256; 1907 c 250 § 81; RRS § 10710.]

**65.12.660 Assurance fund.** Upon the original registration of land under this chapter, and also upon the entry of the certificate showing title as registered owners in heirs or devisees, there shall be paid to the registrar of titles, one-fortieth of one percent of the assessed value of the real estate on the basis of the last assessment for general taxation, as an assurance fund. [1973 1st ex.s. c 195 § 75; 1907 c 250 § 82; RRS § 10711.]

**65.12.670 Investment of fund.** All sums of money received by the registrar as provided for in RCW 65.12.660, shall be forthwith paid by the registrar to the county treasurer of the county in which the land lies, for the purpose of an assurance fund, under the terms of this chapter; it shall be the duty of the county treasurer, whenever the amount on hand in said assurance fund is sufficient, to invest the same, principal and income, and report annually to the superior court of the same county the condition and income thereof; and no investment of the funds, or any part thereof, shall be made without the approval of said court, by order entered of record. Said fund shall be invested only in bonds or securities of the United States, or of one of the states of the United States, or of the counties or other municipalities of this state. [1907 c 250 § 83; RRS § 10712.]

**65.12.680 Recoveries from fund.** Any person sustaining loss or damage, through any omission, mistake, or misfeasance of the registrar of titles, or of any examiner of titles, or of any deputy, or by the mistake or misfeasance of the clerk of the court, or any deputy, in the performance of their respective duties, under the provisions of this chapter, and any person wrongfully deprived of any land or any interest therein, through the bringing of the same, under the provisions of this chapter, or by the registration of any other person as the owner of such land, or by any mistake, omission, or misdescription in any certificate or entry, or memorial, in the register of titles, or by any cancellation, and who, by the provisions of this chapter, is barred or precluded from bringing any action for the recovery of such land, or interest therein, or claim thereon, may bring an action against the treasurer of the county in which such land is situated, for the recovery of damages to be paid out of the assurance fund. [1907 c 250 § 84; RRS § 10713.]

**65.12.690 Parties defendant—Judgment—Payment—Duties of county attorney.** If such action be for recovery for loss or damage arising only through any omission, mistake, or misfeasance of the registrar of titles or his or her deputies, or of any examiner of titles, or any clerk of court or his or her deputy, in the performance of their respective duties, under the provisions of this chapter, then the county treasurer shall be the sole defendant to such action; but if such action be brought for loss or damage arising only through the fraud or wrongful act of some person or persons other than the registrar or his or her deputies, the examiners of title, the clerk of the court or his or her deputies, or arising jointly through the fraud or wrongful act of such other person or persons, and the omission, mistakes, or misfeasance of the registrar of titles or his or her deputies, the examiners of titles, the clerk of the court or his or her deputies, then such action shall be brought against both the county treasurer and such persons or persons aforesaid. In all such actions, where there are defendants other than the county treasurer, and damages shall have been recovered, no final judgment shall be entered against the county treasurer, until execution against the other defendants shall be returned unsatisfied in whole or in part, and the officer returning the execution shall certify that the amount still due upon the execution cannot be collected except by application to the indemnity assurance fund. Thereupon the court, being satisfied as to the truth of such

return, shall order final judgment against the treasurer, for the amount of the execution and costs, or so much thereof as remains unpaid. The county treasurer shall, upon such order of the court and final judgment, pay the amount of such judgment out of the assurance fund. It shall be the duty of the county attorney to appear and defend all such actions. If the funds in the assurance funds at any time are insufficient to pay any judgment in full, the balance unpaid shall draw interest at the legal rate of interest, and be paid with such interest out of the first funds coming into said fund. [2012 c 117 § 257; 1907 c 250 § 85; RRS § 10714.]

Final judgment shall not be entered against the county treasurer in any action against this chapter to recover from the assurance fund for more than a fair market value of the real estate at the time of the last payment to the assurance fund, on account of the same real estate. [1907 c 250 § 86; RRS § 10715.]

**65.12.710 Limitation of actions.** No action or proceeding for compensation for or by reason of any deprivation, loss, or damage occasioned or sustained as provided in this chapter, shall be made, brought, or taken, except within the period of six years from the time when right to bring or take such action or proceeding first accrued; except that if, at any time, when such right of action first accrues, the person entitled to bring such action, or take such proceeding, is under the age of eighteen years, or insane, imprisoned, or absent from the United States in the service of the United States, or of this state, then such person, or anyone claiming from, by, or under him or her, may bring the action, or take the proceeding, at any time within two years after such disability is removed, notwithstanding the time before limited in that behalf has expired. [2012 c 117 § 258; 1971 ex.s. c 292 § 49; 1907 c 250 § 87; RRS § 10716.]

determine the petition after such notice as it may order, to all parties in interest, and may order the entry of a new certificate, the entry or cancellation of a memorial upon a certificate, or grant any other relief upon such terms and conditions, requiring security if necessary, as it may deem proper: PROVIDED, HOWEVER, That this section shall not be construed to give the court authority to open the original decree of registration, and that nothing shall be done or ordered by the court which shall impair the title or other interest of the purchaser, holding a certificate for value and in good faith, or his or her heirs or assigns, without his or her or their written consent. *Certificates of ownership and registration: Chapter 46.12 RCW.*

**65.20.010 Purpose.** The legislature recognizes that confusion exists regarding the classification of manufactured homes as personal or real property. This confusion is increased because manufactured homes are treated as vehicles in some parts of state statutes, however these homes are often used as residences to house persons residing in the state of Washington. This results in a variety of problems, including: (1) Creating confusion as to the creation, perfection, and priority of security interests in manufactured homes; (2) making it more difficult and expensive to obtain financing and title insurance; (3) making it more difficult to utilize manufactured homes as an affordable housing option; and (4) increasing the risk of problems for and losses to the consumer. Therefore the purpose of this chapter is to clarify the type of property manufactured homes are, particularly relating to security interests, and to provide a statutory process to

(2012 Ed.)

make the manufactured home real property by eliminating the title to a manufactured home when the home is affixed to land owned by the homeowner. [1989 c 343 § 1.]

**65.20.020 Definitions.** Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

(1) "Affixed" means that the manufactured home is installed in accordance with the installation standards in state law.

(2) "Department" means the department of licensing.

(3) "Eliminating the title" means to cancel an existing certificate of title issued by this state or a foreign jurisdiction or to waive the certificate of title required in chapter 46.12 RCW and recording the appropriate documents in the county real property records pursuant to this chapter.

(4) "Homeowner" means the owner of a manufactured home.

(5) "Land" means real property excluding the manufactured home.

(6) "Manufactured home" or "mobile home" means a structure, designed and constructed to be transportable in one or more sections and is built on a permanent chassis and designed to be used as a dwelling with or without a permanent foundation when connected to the required utilities that include plumbing, heating, and electrical systems contained therein. The structure must comply with the national mobile home construction and safety standards act of 1974 as adopted by chapter 43.22 RCW if applicable. "Manufactured home" does not include a modular home. A structure which met the definition of a "manufactured home" at the time of manufacture is still considered to meet this definition notwithstanding that it is no longer transportable.

(7) "Owner" means, when referring to a manufactured home that is titled, the person who is the registered owner. When referring to a mobile home that is untitled pursuant to this chapter, the owner is the person who owns the land. When referring to land, the person may have fee simple title, have a leasehold estate of thirty-five years or more, or be purchasing the property on a real estate contract. Owners include joint tenants, tenants in common, holders of legal life estates, and holders of remainder interests.

(8) "Person" means any individual, trustee, partnership, corporation, or other legal entity. "Person" may refer to more than one individual or entity.

(9) "Secured party" means the legal owner when referring to a titled mobile home, or the lender securing a loan through a mortgage, deed of trust, or real estate contract when referring to land or land containing an untitled manufactured home pursuant to this chapter.

(10) "Security interest" means an interest in property to secure payment of a loan made by a secured party to a borrower.

(11) "Title" or "titled" means a certificate of title issued pursuant to chapter 46.12 RCW. [2010 c 161 § 1154; 1989 c 343 § 2.]

**Effective date—Intent—Legislation to reconcile chapter 161, Laws of 2010 and other amendments made during the 2010 legislative session—2010 c 161:** See notes following RCW 46.04.013.

**65.20.030 Clarification of type of property and perfection of security interests.** When a manufactured home is sold or transferred on or after March 1, 1990, and when all ownership in the manufactured home is transferred through the sale or other transfer of the manufactured home to new owners, the manufactured home shall be real property when the new owners eliminate the title pursuant to this chapter. The manufactured home shall not be real property in any form, including fixture law, unless the title is eliminated under this chapter. Where any person who owned a used manufactured home on March 1, 1990, continues to own the manufactured home on or after March 1, 1990, the interests and rights of owners, secured parties, lienholders, and others in the manufactured home shall be based on the law prior to March 1, 1990, except where the owner voluntarily eliminates the title to the manufactured home by complying with this chapter. If the title to the manufactured home is eliminated under this chapter, the manufactured home shall be treated the same as a site-built structure and ownership shall be based on ownership of the real property through real property law. If the title to the manufactured home has not been eliminated under this chapter, ownership shall be based on chapter 46.12 RCW.

For purposes of perfecting and realizing upon security interests, manufactured homes shall always be treated as follows: (1) If the title has not been eliminated under this chapter, security interests in the manufactured home shall be perfected only under chapter 62A.9A RCW in the case of a manufactured home held as inventory by a manufacturer or dealer or chapter 46.12 RCW in all other cases, and the lien shall be treated as securing personal property for purposes of realizing upon the security interest; or (2) if the title has been eliminated under this chapter, a separate security interest in the manufactured home shall not exist, and the manufactured home shall only be secured as part of the real property through a mortgage, deed of trust, or real estate contract. [2000 c 250 § 9A-836; 1989 c 343 § 3.]

**65.20.040 Elimination of title—Application.** If a manufactured home is affixed to land that is owned by the homeowner, the homeowner may apply to the department to have the title to the manufactured home eliminated. The application package shall consist of the following:

- (a) The date;

**65.20.050 Elimination of title—Approval.** The department shall approve the application for elimination of the title when all requirements listed in RCW 65.20.040 have been satisfied and the registered and legal owners of the manufactured home have consented to the elimination of the title. After approval, the department shall have the approved application recorded in the county or counties in which the land is located and on which the manufactured home is affixed.

The county auditor shall record the approved application, and any other form prescribed by the department, in the county real property records. The manufactured home shall then be treated as real property as if it were a site-built structure. Removal of the manufactured home from the land is prohibited unless the procedures set forth in RCW 65.20.070 are complied with.

The department shall cancel the title after verification that the county auditor has recorded the appropriate documents, and the department shall maintain a record of each manufactured home title eliminated under this chapter by vehicle identification number. **66.12.125 Alcohol for use as fuel—Legislative finding and declaration.** The legislature finds that the production of alcohol for use as a fuel or fuel supplement is of great importance to the state. Alcohol, when used as a fuel source, is less polluting to the atmosphere than conventional fuels and its use reduces the state's dependence on limited oil resources. Production of alcohol for use as a fuel provides a new use and market for Washington agricultural products and aids Washington farmers in producing food and fiber for the citizens of the state, nation, and world. Therefore, the legislature declares public policy to be one of encouragement toward the production and use of alcohol as a fuel or fuel supplement. [1980 c 140 § 1.]

**66.12.130 Alcohol for use as fuel in motor vehicles, farm implements, machines, etc., or in combination with other petroleum products for use as fuel.** Nothing in this title shall apply to or prevent the sale, importation, purchase, production, or blending of alcohol used solely for fuel to be used in motor vehicles, farm implements, and machines or implements of husbandry or in combination with gasoline or other petroleum products for use as such fuel. Manufacturers and distillers of such alcohol fuel are not required to obtain a license under this title. Alcohol which is produced for use as fuel shall be denatured in accordance with a formula approved by the federal bureau of alcohol, tobacco and fire-

arms prior to the removal of the alcohol from the premises as described in the approved federal permit application: PROVIDED, That alcohol which is being transferred between plants involved in the distillation or manufacture of alcohol fuel need not be denatured if it is transferred in accordance with federal bureau of alcohol, tobacco and firearms regulation 27 C.F.R. 19.996 as existing on July 26, 1981. The exemptions from the state liquor control laws provided by this section only apply to distillers and manufacturers of alcohol to be used solely for fuel as long as the manufacturers and distillers are the holders of an appropriate permit issued under federal law. [1981 c 179 § 1; 1980 c 140 § 2.]

**66.12.140 Use of alcoholic beverages in culinary, restaurant, or food fermentation courses.** (1) Nothing in this title shall prevent the use of beer, wine, and/or spirituous liquor, for cooking purposes only, in conjunction with a culinary or restaurant course offered by a college, university, community college, area vocational technical institute, or private vocational school. Further, nothing in this title shall prohibit the making of beer or wine in food fermentation courses offered by a college, university, community college, area vocational technical institute, or private vocational school.

(2) "Culinary or restaurant course" as used in this section means a course of instruction which includes practical experience in food preparation under the supervision of an instructor who is twenty-one years of age or older.

(3) Persons under twenty-one years of age participating in culinary or restaurant courses may handle beer, wine, or spirituous liquor for purposes of participating in the courses, but nothing in this section shall be construed to authorize consumption of liquor by persons under twenty-one years of age or to authorize possession of liquor by persons under twenty-one years of age at any time or place other than while preparing food under the supervision of the course instructor.

(4) Beer, wine, and/or spirituous liquor to be used in culinary or restaurant courses shall be purchased at retail from the board or a retailer licensed under this title. All such liquor shall be securely stored in the food preparation area and shall not be displayed in an area open to the general public.

(5) Colleges, universities, community colleges, area vocational technical institutes, and private vocational schools shall obtain the prior written approval of the board for use of beer, wine, and/or spirituous liquor for cooking purposes in their culinary or restaurant courses. [1982 c 85 § 8.]

**66.12.145 Persons engaged in medical or dental pursuits—Persons engaged in mechanical, manufacturing, or scientific pursuits.** (1) Any person engaged in medical or dental pursuits, any person in charge of an institution regularly conducted as a hospital or sanitarium for the care of persons in ill health, or a home devoted exclusively to the care of aged persons, may obtain alcohol in a nonbeverage form directly from a supplier under a permit issued under RCW 66.20.010(1).

(2) Any person engaged in the mechanical or manufacturing business or in scientific pursuits requiring the use of alcohol may obtain alcohol in a nonbeverage form directly from a supplier under a permit issued under RCW 66.20.010(2). [2008 c 64 § 1.]

**66.12.150 Beer or wine offered by hospital or nursing home for consumption on the premises.** Nothing in this title shall apply to or prevent a hospital, as defined in \*RCW 70.39.020, or a nursing home as defined in RCW 18.51.010, from offering or supplying without charge beer or wine by the individual glass to any patient, member of a patient's family, or patient visitor, for consumption on the premises: PROVIDED, That such patient, family member, or visitor shall be at least twenty-one years of age, and that the beer or wine shall be purchased under this title. **66.24.010 Licensure—Issuance—Conditions and restrictions—Limitations—Temporary licenses.** (1) Every license must be issued in the name of the applicant, and the holder thereof may not allow any other person to use the license.

(2) For the purpose of considering any application for a license, or the renewal of a license, the board may cause an inspection of the premises to be made, and may inquire into all matters in connection with the construction and operation of the premises. For the purpose of reviewing any application for a license and for considering the denial, suspension, revocation, or renewal or denial thereof, of any license, the liquor control board may consider any prior criminal conduct of the applicant including an administrative violation history record with the board and a criminal history record information check. The board may submit the criminal history record information check to the Washington state patrol and to the identification division of the federal bureau of investigation in order that these agencies may search their records for prior arrests and convictions of the individual or individuals who filled out the forms. The board must require fingerprinting of any applicant whose criminal history record information check is submitted to the federal bureau of investigation. The provisions of RCW 9.95.240 and of chapter 9.96A RCW do not apply to such cases. Subject to the provisions of this section, the board may, in its discretion, grant or deny the renewal or license applied for. Denial may be based on, without limitation, the existence of chronic illegal activity documented in objections submitted pursuant to subsections (8)(d) and (12) of this section. Authority to approve an uncontested or unopposed license may be granted by the board to any staff member the board designates in writing. Conditions for granting such authority must be adopted by rule. No retail license of any kind may be issued to:

(a) A person doing business as a sole proprietor who has not resided in the state for at least one month prior to receiving a license, except in cases of licenses issued to dining places on railroads, boats, or aircraft;

(b) A copartnership, unless all of the members thereof are qualified to obtain a license, as provided in this section;

(c) A person whose place of business is conducted by a manager or agent, unless such manager or agent possesses the same qualifications required of the licensee;

(d) A corporation or a limited liability company, unless it was created under the laws of the state of Washington or holds a certificate of authority to transact business in the state of Washington.

(3)(a) The board may, in its discretion, subject to the provisions of RCW 66.08.150, suspend or cancel any license; and all rights of the licensee to keep or sell liquor thereunder must be suspended or terminated, as the case may be.

(b) The board must immediately suspend the license or certificate of a person who has been certified pursuant to RCW 74.20A.320 by the department of social and health services as a person who is not in compliance with a support order. If the person has continued to meet all other requirements for reinstatement during the suspension, reissuance of the license or certificate is automatic upon the board's receipt of a release issued by the department of social and health services stating that the licensee is in compliance with the order.

(c) Upon written notification by the department of revenue in accordance with RCW 82.08.155 that a person is more than thirty days delinquent in reporting or remitting spirits taxes to the department, the board must suspend all spirits licenses held by that person. The board must also refuse to renew any existing spirits license of, or issue any new spirits license to, the person or any other applicant controlled directly or indirectly by that person. The board may not reinstate a person's spirits license or renew or issue a new spirits license to that person, or an applicant controlled directly or indirectly by that person, until such time as the department of revenue notifies the board that the person is current in reporting and remitting spirits taxes or that the department consents to the reinstatement or renewal of the person's spirits license or the issuance of a new spirits license to the person. For purposes of this section: (i) "Spirits license" means any license issued by the board under the authority of this chapter that authorizes the licensee to sell spirits; and (ii) "spirits taxes" has the same meaning as in RCW 82.08.155.

(d) The board may request the appointment of administrative law judges under chapter 34.12 RCW who must have power to administer oaths, issue subpoenas for the attendance of witnesses and the production of papers, books, accounts, documents, and testimony, examine witnesses, and to receive testimony in any inquiry, investigation, hearing, or proceeding in any part of the state, under such rules and regulations as the board may adopt.

(e) Witnesses are allowed fees and mileage each way to and from any such inquiry, investigation, hearing, or proceeding at the rate authorized by RCW 34.05.446. Fees need not be paid in advance of appearance of witnesses to testify or to produce books, records, or other legal evidence.

(f) In case of disobedience of any person to comply with the order of the board or a subpoena issued by the board, or any of its members, or administrative law judges, or on the refusal of a witness to testify to any matter regarding which he or she may be lawfully interrogated, the judge of the superior court of the county in which the person resides, on application of any member of the board or administrative law judge, must compel obedience by contempt proceedings, as in the case of disobedience of the requirements of a subpoena issued from said court or a refusal to testify therein.

(4) Upon receipt of notice of the suspension or cancellation of a license, the licensee must forthwith deliver up the license to the board. Where the license has been suspended only, the board must return the license to the licensee at the expiration or termination of the period of suspension. The board must notify all vendors in the city or place where the licensee has its premises of the suspension or cancellation of the license; and no employee may allow or cause any liquor to be delivered to or for any person at the premises of that licensee.

(5)(a) At the time of the original issuance of a spirits, beer, and wine restaurant license, the board must prorate the license fee charged to the new licensee according to the number of calendar quarters, or portion thereof, remaining until the first renewal of that license is required.

(b) Unless sooner canceled, every license issued by the board must expire at midnight of the thirtieth day of June of the fiscal year for which it was issued. However, if the board deems it feasible and desirable to do so, it may establish, by

rule pursuant to chapter 34.05 RCW, a system for staggering the annual renewal dates for any and all licenses authorized by this chapter. If such a system of staggered annual renewal dates is established by the board, the license fees provided by this chapter must be appropriately prorated during the first year that the system is in effect.

(6) Every license issued under this section is subject to all conditions and restrictions imposed by this title or by rules adopted by the board. All conditions and restrictions imposed by the board in the issuance of an individual license may be listed on the face of the individual license along with the trade name, address, and expiration date. Conditions and restrictions imposed by the board may also be included in official correspondence separate from the license. All spirits licenses are subject to the condition that the spirits license holder must report and remit to the department of revenue all spirits taxes by the date due.

(7) Every licensee must post and keep posted its license, or licenses, and any additional correspondence containing conditions and restrictions imposed by the board in a conspicuous place on the premises.

(8)(a) Unless (b) of this subsection applies, before the board issues a new or renewal license to an applicant it must give notice of such application to the chief executive officer of the incorporated city or town, if the application is for a license within an incorporated city or town, or to the county legislative authority, if the application is for a license outside the boundaries of incorporated cities or towns.

(b) If the application for a special occasion license is for an event held during a county, district, or area fair as defined by RCW 15.76.120, and the county, district, or area fair is located on property owned by the county but located within an incorporated city or town, the county legislative authority must be the entity notified by the board under (a) of this subsection. The board must send a duplicate notice to the incorporated city or town within which the fair is located.

(c) The incorporated city or town through the official or employee selected by it, or the county legislative authority or the official or employee selected by it, has the right to file with the board within twenty days after the date of transmittal of such notice for applications, or at least thirty days prior to the expiration date for renewals, written objections against the applicant or against the premises for which the new or renewal license is asked. The board may extend the time period for submitting written objections.

(d) The written objections must include a statement of all facts upon which such objections are based, and in case written objections are filed, the city or town or county legislative authority may request and the liquor control board may in its discretion hold a hearing subject to the applicable provisions of Title 34 RCW. If the board makes an initial decision to deny a license or renewal based on the written objections of an incorporated city or town or county legislative authority, the applicant may request a hearing subject to the applicable provisions of Title 34 RCW. If such a hearing is held at the request of the applicant, liquor control board representatives must present and defend the board's initial decision to deny a license or renewal.

(e) Upon the granting of a license under this title the board must send written notification to the chief executive officer of the incorporated city or town in which the license is

granted, or to the county legislative authority if the license is granted outside the boundaries of incorporated cities or towns. When the license is for a special occasion license for an event held during a county, district, or area fair as defined by RCW 15.76.120, and the county, district, or area fair is located on county-owned property but located within an incorporated city or town, the written notification must be sent to both the incorporated city or town and the county legislative authority.

(9)(a) Before the board issues any license to any applicant, it shall give (i) due consideration to the location of the business to be conducted under such license with respect to the proximity of churches, schools, and public institutions and (ii) written notice, with receipt verification, of the application to public institutions identified by the board as appropriate to receive such notice, churches, and schools within five hundred feet of the premises to be licensed. The board may not issue a liquor license for either on-premises or off-premises consumption covering any premises not now licensed, if such premises are within five hundred feet of the premises of any tax-supported public elementary or secondary school measured along the most direct route over or across established public walks, streets, or other public passageway from the main entrance of the school to the nearest public entrance of the premises proposed for license, and if, after receipt by the school of the notice as provided in this subsection, the board receives written objection, within twenty days after receiving such notice, from an official representative or representatives of the school within five hundred feet of said proposed licensed premises, indicating to the board that there is an objection to the issuance of such license because of proximity to a school. The board may extend the time period for submitting objections. For the purpose of this section, "church" means a building erected for and used exclusively for religious worship and schooling or other activity in connection therewith. For the purpose of this section, "public institution" means institutions of higher education, parks, community centers, libraries, and transit centers.

(b) No liquor license may be issued or reissued by the board to any motor sports facility or licensee operating within the motor sports facility unless the motor sports facility enforces a program reasonably calculated to prevent alcohol or alcoholic beverages not purchased within the facility from entering the facility and such program is approved by local law enforcement agencies.

(c) It is the intent under this subsection (9) that a retail license may not be issued by the board where doing so would, in the judgment of the board, adversely affect a private school meeting the requirements for private schools under Title 28A RCW, which school is within five hundred feet of the proposed licensee. The board must fully consider and give substantial weight to objections filed by private schools. If a license is issued despite the proximity of a private school, the board must state in a letter addressed to the private school the board's reasons for issuing the license.

(10) The restrictions set forth in subsection (9) of this section do not prohibit the board from authorizing the assumption of existing licenses now located within the restricted area by other persons or licenses or relocations of existing licensed premises within the restricted area. In no

case may the licensed premises be moved closer to a church or school than it was before the assumption or relocation.

(11)(a) Nothing in this section prohibits the board, in its discretion, from issuing a temporary retail or distributor license to an applicant to operate the retail or distributor premises during the period the application for the license is pending. The board may establish a fee for a temporary license by rule.

(b) A temporary license issued by the board under this section must be for a period not to exceed sixty days. A temporary license may be extended at the discretion of the board for additional periods of sixty days upon payment of an additional fee and upon compliance with all conditions required in this section.

(c) Refusal by the board to issue or extend a temporary license shall not entitle the applicant to request a hearing. A temporary license may be canceled or suspended summarily at any time if the board determines that good cause for cancellation or suspension exists. RCW 66.08.130 applies to temporary licenses.

(d) Application for a temporary license must be on such form as the board shall prescribe. If an application for a temporary license is withdrawn before issuance or is refused by the board, the fee which accompanied such application must be refunded in full.

(12) In determining whether to grant or deny a license or renewal of any license, the board must give substantial weight to objections from an incorporated city or town or county legislative authority based upon chronic illegal activity associated with the applicant's operations of the premises proposed to be licensed or the applicant's operation of any other licensed premises, or the conduct of the applicant's patrons inside or outside the licensed premises. "Chronic illegal activity" means (a) a pervasive pattern of activity that threatens the public health, safety, and welfare of the city, town, or county including, but not limited to, open container violations, assaults, disturbances, disorderly conduct, or other criminal law violations, or as documented in crime statistics, police reports, emergency medical response data, calls for service, field data, or similar records of a law enforcement agency for the city, town, county, or any other municipal corporation or any state agency; or (b) an unreasonably high number of citations for violations of RCW 46.61.502 associated with the applicant's or licensee's operation of any licensed premises as indicated by the reported statements given to law enforcement upon arrest. **66.24.025 Transfer of license—Fee—Exception—Corporate changes, approval—Fee.** (1) If the board approves, a license may be transferred, without charge, to the surviving spouse only of a deceased licensee if the parties were maintaining a marital community and the license was issued in the names of one or both of the parties. For the purpose of considering the qualifications of the surviving party or parties to receive a liquor license, the liquor control board may require a criminal history record information check. The board may submit the criminal history record information check to the Washington state patrol and to the identification division of the federal bureau of investigation in order that these agencies may search their records for prior arrests and convictions of the individual or individuals who filled out the forms. The board shall require fingerprinting of any applicant whose criminal history record information check is submitted to the federal bureau of investigation.

(2) The proposed sale of more than ten percent of the outstanding and/or issued stock of a licensed corporation or

**66.24.055 Spirits distributor license.** (1) There is a license for spirits distributors to (a) sell spirits purchased from manufacturers, distillers, or suppliers including, without limitation, licensed Washington distilleries, licensed spirits importers, other Washington spirits distributors, or suppliers of foreign spirits located outside of the United States, to spirits retailers including, without limitation, spirits retail licensees, special occasion license holders, interstate common carrier license holders, restaurant spirits retailer license holders, spirits, beer, and wine private club license holders, hotel license holders, sports entertainment facility license holders, and spirits, beer, and wine nightclub license holders, and to other spirits distributors; and (b) export the same from the state.

(2) By January 1, 2012, the board must issue spirits distributor licenses to all applicants who, upon December 8, 2011, have the right to purchase spirits from a spirits manufacturer, spirits distiller, or other spirits supplier for resale in the state, or are agents of such supplier authorized to sell to licensees in the state, unless the board determines that issuance of a license to such applicant is not in the public interest.

(3)(a) As limited by (b) of this subsection and subject to (c) of this subsection, each spirits distributor licensee must pay to the board for deposit into the liquor revolving fund, a license issuance fee calculated as follows:

(i) In each of the first two years of licensure, ten percent of the total revenue from all the licensee's sales of spirits made during the year for which the fee is due, respectively; and

(ii) In the third year of licensure and each year thereafter, five percent of the total revenue from all the licensee's sales of spirits made during the year for which the fee is due, respectively.

(b) The fee required under this subsection (3) is calculated only on sales of items which the licensee was the first spirits distributor in the state to have received:

(i) In the case of spirits manufactured in the state, from the distiller; or

(ii) In the case of spirits manufactured outside the state, from an authorized out-of-state supplier.

(c) By March 31, 2013, all persons holding spirits distributor licenses on or before March 31, 2013, must have paid collectively one hundred fifty million dollars or more in spirits distributor license fees. If the collective payment through March 31, 2013, totals less than one hundred fifty million dollars, the board must, according to rules adopted by the board for the purpose, collect by May 31, 2013, as additional spirits distributor license fees the difference between one hundred fifty million dollars and the actual receipts, allocated among persons holding spirits distributor licenses at any time on or before March 31, 2013, ratably according to their spirits

(2012 Ed.)

sales made during calendar year 2012. Any amount by which such payments exceed one hundred fifty million dollars by March 31, 2013, must be credited to future license issuance fee obligations of spirits distributor licensees according to rules adopted by the board.

(d) A retail licensee selling for resale must pay a distributor license fee under the terms and conditions in this section on resales of spirits the licensee has purchased on which no other distributor license fee has been paid. The board must establish rules setting forth the frequency and timing of such payments and reporting of sales dollar volume by the licensee, with payments due quarterly in arrears.

(e) No spirits inventory may be subject to calculation of more than a single spirits distributor license issuance fee.

(4) In addition to the payment set forth in subsection (3) of this section, each spirits distributor licensee renewing its annual license must pay an annual license renewal fee of one thousand three hundred twenty dollars for each licensed location.

(5) There is no minimum facility size or capacity for spirits distributor licenses, and no limit on the number of such licenses issued to qualified applicants. License applicants must provide physical security of the product that is substantially as effective as the physical security of the distribution facilities currently operated by the board with respect to preventing pilferage. License issuances and renewals are subject to RCW 66.24.010 and the regulations promulgated thereunder, including without limitation rights of cities, towns, county legislative authorities, the public, churches, schools, and public institutions to object to or prevent issuance of local liquor licenses. However, existing distributor premises licensed to sell beer and/or wine are deemed to be premises "now licensed" under RCW 66.24.010(9)(a) for the purpose of processing applications for spirits distributor licenses. [2012 c 2 § 105 (Initiative Measure No. 1183, approved November 8, 2011).]

An additional distribution of ten million dollars per year from the spirits license fees must be provided to border areas, counties, cities, and towns through the liquor revolving fund for the purpose of enhancing public safety programs. etary penalty in an amount then fixed by the board. [1973 1st ex.s. c 209 § 12; 1939 c 172 § 7 (adding new section 27-C to 1933 ex.s. c 62); RRS § 7306-27C.]

(1) For distillers producing sixty thousand gallons or less of spirits with at least half of the raw materials used in the production grown in Washington, the license fee shall be reduced to one hundred dollars per annum;

(2) The board shall license stills used and to be used solely and only by a commercial chemist for laboratory purposes, and not for the manufacture of liquor for sale, at a fee of twenty dollars per annum;

(3) The board shall license stills used and to be used solely and only for laboratory purposes in any school, college or educational institution in the state, without fee; and

**66.24.145 Craft distillery—Sales and samples of spirits.** (1) Any craft distillery may sell spirits of its own production for consumption off the premises, up to two liters per person per day. A craft distillery selling spirits under this subsection must comply with the applicable laws and rules relating to retailers.

(2) Any craft distillery may contract distill spirits for, and sell contract distilled spirits to, holders of distillers' or manufacturers' licenses, including licenses issued under RCW 66.24.520, or for export.

(3) Any craft distillery licensed under this section may provide, free of charge, one-half ounce or less samples of spirits of its own production to persons on the premises of the distillery. (4) The board must adopt rules to implement the alcohol server permit requirement and may adopt additional rules to implement this section.

(5) Distilling is an agricultural practice. [2012 c 2 § 205 (Initiative Measure No. 1183, approved November 8, 2011); 2010 c 290 § 2; 2008 c 94 § 2.]

**66.24.170 Domestic winery license—Winery as distributor and/or retailer of own wine—Off-premise samples—Domestic wine made into sparkling wine—Sales at qualifying farmers markets. (Effective until December 1, 2012.)** (1) There shall be a license for domestic wineries; fee to be computed only on the liters manufactured: Less than two hundred fifty thousand liters per year, one hundred dollars per year; and two hundred fifty thousand liters or more per year, four hundred dollars per year.

(2) The license allows for the manufacture of wine in Washington state from grapes or other agricultural products.

(3) Any domestic winery licensed under this section may also act as a retailer of wine of its own production. Any domestic winery licensed under this section may act as a distributor of its own production. Notwithstanding any language in this title to the contrary, a domestic winery may use a common carrier to deliver up to one hundred cases of its own production, in the aggregate, per month to licensed Washington retailers. A domestic winery may not arrange for any such common carrier shipments to licensed retailers of wine not of its own production. Except as provided in this section, any winery operating as a distributor and/or retailer under this subsection shall comply with the applicable laws and rules relating to distributors and/or retailers, except that a winery operating as a distributor may maintain a warehouse off the premises of the winery for the distribution of wine of its own production provided that: (a) The warehouse has been approved by the board under RCW 66.24.010; and (b) the number of warehouses off the premises of the winery does not exceed one.

(4) A domestic winery licensed under this section, at locations separate from any of its production or manufacturing sites, may serve samples of its own products, with or without charge, and sell wine of its own production at retail, provided that: (a) Each additional location has been

approved by the board under RCW 66.24.010; (b) the total number of additional locations does not exceed two; (c) a winery may not act as a distributor at any such additional location; and (d) any person selling or serving wine at an additional location for on-premise consumption must obtain a class 12 or class 13 alcohol server permit. Each additional location is deemed to be part of the winery license for the purpose of this title. At additional locations operated by multiple wineries under this section, if the board cannot connect a violation of RCW 66.44.200 or 66.44.270 to a single licensee, the board may hold all licensees operating the additional location jointly liable. Nothing in this subsection shall be construed to prevent a domestic winery from holding multiple domestic winery licenses.

(5)(a) A domestic winery licensed under this section may apply to the board for an endorsement to sell wine of its own production at retail for off-premises consumption at a qualifying farmers market. The annual fee for this endorsement is seventy-five dollars. An endorsement issued pursuant to this subsection does not count toward the two additional retail locations limit specified in this section.

(b) For each month during which a domestic winery will sell wine at a qualifying farmers market, the winery must provide the board or its designee a list of the dates, times, and locations at which bottled wine may be offered for sale. This list must be received by the board before the winery may offer wine for sale at a qualifying farmers market.

(c) The wine sold at qualifying farmers markets must be made entirely from grapes grown in a recognized Washington appellation or from other agricultural products grown in this state.

(d) Each approved location in a qualifying farmers market is deemed to be part of the winery license for the purpose of this title. Except as provided in section 1, chapter 62, Laws of 2011, the approved locations under an endorsement granted under this subsection do not include the tasting or sampling privilege of a winery. The winery may not store wine at a farmers market beyond the hours that the winery offers bottled wine for sale. The winery may not act as a distributor from a farmers market location.

(e) Before a winery may sell bottled wine at a qualifying farmers market, the farmers market must apply to the board for authorization for any winery with an endorsement approved under this subsection to sell bottled wine at retail at the farmers market. This application shall include, at a minimum: (i) A map of the farmers market showing all booths, stalls, or other designated locations at which an approved winery may sell bottled wine; and (ii) the name and contact information for the on-site market managers who may be contacted by the board or its designee to verify the locations at which bottled wine may be sold. Before authorizing a qualifying farmers market to allow an approved winery to sell bottled wine at retail at its farmers market location, the board shall notify the persons or entities of such application for authorization pursuant to RCW 66.24.010 (8) and (9). An authorization granted under this subsection (5)(e) may be withdrawn by the board for any violation of this title or any rules adopted under this title.

(f) The board may adopt rules establishing the application and approval process under this section and such additional rules as may be necessary to implement this section.

(g) For the purposes of this subsection:

(i) "Qualifying farmers market" means an entity that sponsors a regular assembly of vendors at a defined location for the purpose of promoting the sale of agricultural products grown or produced in this state directly to the consumer under conditions that meet the following minimum requirements:

(A) There are at least five participating vendors who are farmers selling their own agricultural products;

(B) The total combined gross annual sales of vendors who are farmers exceeds the total combined gross annual sales of vendors who are processors or resellers;

**66.24.170 Domestic winery license—Winery as distributor and/or retailer of own wine—Off-premise samples—Domestic wine made into sparkling wine—Sales at qualifying farmers markets. (Effective December 1, 2012.)**

(1) There shall be a license for domestic wineries; fee to be computed only on the liters manufactured: Less than two hundred fifty thousand liters per year, one hundred dollars per year; and two hundred fifty thousand liters or more per year, four hundred dollars per year.

(2) The license allows for the manufacture of wine in Washington state from grapes or other agricultural products.

(3) Any domestic winery licensed under this section may also act as a retailer of wine of its own production. Any domestic winery licensed under this section may act as a distributor of its own production. Notwithstanding any language in this title to the contrary, a domestic winery may use a common carrier to deliver up to one hundred cases of its own production, in the aggregate, per month to licensed Washington retailers. A domestic winery may not arrange for any such common carrier shipments to licensed retailers of wine not of its own production. Except as provided in this section, any winery operating as a distributor and/or retailer under this subsection shall comply with the applicable laws and rules relating to distributors and/or retailers, except that a winery operating as a distributor may maintain a warehouse off the premises of the winery for the distribution of wine of its own production provided that: (a) The warehouse has been approved by the board under RCW 66.24.010; and (b) the number of warehouses off the premises of the winery does not exceed one.

(4) A domestic winery licensed under this section, at locations separate from any of its production or manufacturing sites, may serve samples of its own products, with or without charge, and sell wine of its own production at retail, provided that: (a) Each additional location has been approved by the board under RCW 66.24.010; (b) the total number of additional locations does not exceed two; (c) a winery may not act as a distributor at any such additional location; and (d) any person selling or serving wine at an additional location for on-premise consumption must obtain a class 12 or class 13 alcohol server permit. Each additional location is deemed to be part of the winery license for the purpose of this title. At additional locations operated by multiple wineries under this section, if the board cannot connect a violation of RCW 66.44.200 or 66.44.270 to a single licensee, the board may hold all licensees operating the additional location jointly liable. Nothing in this subsection shall be construed to prevent a domestic winery from holding multiple domestic winery licenses.

(5)(a) A domestic winery licensed under this section may apply to the board for an endorsement to sell wine of its own production at retail for off-premises consumption at a qualifying farmers market. The annual fee for this endorsement is seventy-five dollars. An endorsement issued pursuant to this subsection does not count toward the two additional retail locations limit specified in this section.

(b) For each month during which a domestic winery will sell wine at a qualifying farmers market, the winery must provide the board or its designee a list of the dates, times, and locations at which bottled wine may be offered for sale. This list must be received by the board before the winery may offer wine for sale at a qualifying farmers market.

(c) The wine sold at qualifying farmers markets must be made entirely from grapes grown in a recognized Washington appellation or from other agricultural products grown in this state.

(d) Each approved location in a qualifying farmers market is deemed to be part of the winery license for the purpose of this title. The approved locations under an endorsement granted under this subsection do not include the tasting or sampling privilege of a winery. The winery may not store wine at a farmers market beyond the hours that the winery offers bottled wine for sale. The winery may not act as a distributor from a farmers market location.

(e) Before a winery may sell bottled wine at a qualifying farmers market, the farmers market must apply to the board for authorization for any winery with an endorsement approved under this subsection to sell bottled wine at retail at the farmers market. This application shall include, at a minimum: (i) A map of the farmers market showing all booths, stalls, or other designated locations at which an approved winery may sell bottled wine; and (ii) the name and contact information for the on-site market managers who may be contacted by the board or its designee to verify the locations at which bottled wine may be sold. Before authorizing a qualifying farmers market to allow an approved winery to sell bottled wine at retail at its farmers market location, the board shall notify the persons or entities of such application for authorization pursuant to RCW 66.24.010 (8) and (9). An authorization granted under this subsection (5)(e) may be

withdrawn by the board for any violation of this title or any rules adopted under this title.

(f) The board may adopt rules establishing the application and approval process under this section and such additional rules as may be necessary to implement this section.

(g) For the purposes of this subsection:

(i) "Qualifying farmers market" means an entity that sponsors a regular assembly of vendors at a defined location for the purpose of promoting the sale of agricultural products grown or produced in this state directly to the consumer under conditions that meet the following minimum requirements:

**66.24.360 Grocery store license—Fees—Restricted license—Determination of public interest—Inventory—Endorsements.** (1) There is a grocery store license to sell wine and/or beer, including without limitation strong beer at retail in original containers, not to be consumed upon the premises where sold.

(2) There is a wine retailer reseller endorsement of a grocery store license, to sell wine at retail in original containers to retailers licensed to sell wine for consumption on the premises, for resale at their licensed premises according to the terms of the license. However, no single sale may exceed twenty-four liters, unless the sale is made by a licensee that was a contract liquor store manager of a contract-operated liquor store at the location from which such sales are made. For the purposes of this title, a grocery store license is a retail license, and a sale by a grocery store licensee with a reseller endorsement is a retail sale only if not for resale.

(3) Licensees obtaining a written endorsement from the board may also sell malt liquor in kegs or other containers capable of holding less than five and one-half gallons of liquid.

(4) The annual fee for the grocery store license is one hundred fifty dollars for each store.

(5) The annual fee for the wine retailer reseller endorsement is one hundred sixty-six dollars for each store.

(6) The board must issue a restricted grocery store license authorizing the licensee to sell beer and only table wine, if the board finds upon issuance or renewal of the license that the sale of strong beer or fortified wine would be against the public interest. In determining the public interest, the board must consider at least the following factors:

(a) The likelihood that the applicant will sell strong beer or fortified wine to persons who are intoxicated;

(b) Law enforcement problems in the vicinity of the applicant's establishment that may arise from persons purchasing strong beer or fortified wine at the establishment; and

(c) Whether the sale of strong beer or fortified wine would be detrimental to or inconsistent with a government-operated or funded alcohol treatment or detoxification program in the area.

If the board receives no evidence or objection that the sale of strong beer or fortified wine would be against the pub-

lic interest, it must issue or renew the license without restriction, as applicable. The burden of establishing that the sale of strong beer or fortified wine by the licensee would be against the public interest is on those persons objecting.

(7) Licensees holding a grocery store license must maintain a minimum three thousand dollar inventory of food products for human consumption, not including pop, beer, strong beer, or wine.

(8) A grocery store licensee with a wine retailer reseller endorsement may accept delivery of wine at its licensed premises or at one or more warehouse facilities registered with the board, which facilities may also warehouse and distribute nonliquor items, and from which it may deliver to its own licensed premises and, pursuant to sales permitted by this title, to other licensed premises, to other registered facilities, or to lawful purchasers outside the state. Facilities may be registered and utilized by associations, cooperatives, or comparable groups of grocery store licensees.

(9) Upon approval by the board, the grocery store licensee may also receive an endorsement to permit the international export of beer, strong beer, and wine.

(a) Any beer, strong beer, or wine sold under this endorsement must have been purchased from a licensed beer or wine distributor licensed to do business within the state of Washington.

(b) Any beer, strong beer, and wine sold under this endorsement must be intended for consumption outside the state of Washington and the United States and appropriate records must be maintained by the licensee.

(c) Any beer, strong beer, or wine sold under this endorsement must be sold at a price no less than the acquisition price paid by the holder of the license.

(d) The annual cost of this endorsement is five hundred dollars and is in addition to the license fees paid by the licensee for a grocery store license.

(10) A grocery store licensee holding a snack bar license under RCW 66.24.350 may receive an endorsement to allow the sale of confections containing more than one percent but not more than ten percent alcohol by weight to persons twenty-one years of age or older. (b) No more than one sample of the same product offering of beer or wine may be provided to a customer during any one visit to the premises;

(c) The licensee must have food available for the tasting participants;

(d) Customers must remain in the service area while consuming samples; and

(e) The service area and facilities must be located within the licensee's fully enclosed retail area and must be of a size and design such that the licensee can observe and control persons in the area to ensure that persons under twenty-one years of age and apparently intoxicated persons cannot possess or consume alcohol.

(4) Employees of licensees whose duties include serving during tasting activities under this section must hold a class 12 alcohol server permit.

(5) Tasting activities under this section are subject to RCW 66.28.305 and 66.28.040 and the cost of sampling may not be borne, directly or indirectly, by any liquor manufacturer, importer, or distributor.

(6) A licensee may advertise a tasting event only within the store, on a store web site, in store newsletters and flyers, and via e-mail and mail to customers who have requested notice of events. Advertising under this subsection may not be targeted to or appeal principally to youth.

(7)(a) If a licensee is found to have committed a public safety violation in conjunction with tasting activities, the board may suspend the licensee's tasting endorsement and not reissue the endorsement for up to two years from the date of the violation. If mitigating circumstances exist, the board may offer a monetary penalty in lieu of suspension during a settlement conference.

(b) The board may revoke an endorsement granted to a licensee that is located within the boundaries of an alcohol impact area recognized by resolution of the board if the board

finds that the tasting activities by the licensee are having an adverse effect on the reduction of chronic public inebriation in the area.

(c) RCW 66.08.150 applies to the suspension or revocation of an endorsement.

(8) The board may establish additional requirements under this section to assure that persons under twenty-one years of age and apparently intoxicated persons cannot possess or consume alcohol.

(9) The annual fee for the endorsement is two hundred dollars. The board shall review the fee annually and may increase the fee by rule to a level sufficient to defray the cost of administration and enforcement of the endorsement, except that the board may not increase the fee by more than ten percent annually.

(10) The board must adopt rules to implement this section. [2010 c 141 § 1.]

**66.24.371 Beer and/or wine specialty shop license—Fee—Samples—Restricted license—Determination of public interest—Inventory.** (1) There shall be a beer and/or wine retailer's license to be designated as a beer and/or wine specialty shop license to sell beer, strong beer, and/or wine at retail in bottles, cans, and original containers, not to be consumed upon the premises where sold, at any store other than the state liquor stores. Licensees obtaining a written endorsement from the board may also sell malt liquor in kegs or other containers capable of holding four gallons or more of liquid. The annual fee for the beer and/or wine specialty shop license is one hundred dollars for each store. The sale of any container holding four gallons or more must comply with RCW 66.28.200 and 66.28.220.

(2) Licensees under this section may provide, free or for a charge, single-serving samples of two ounces or less to customers for the purpose of sales promotion. Sampling activities of licensees under this section are subject to RCW 66.28.305 and 66.28.040 and the cost of sampling under this section may not be borne, directly or indirectly, by any manufacturer, importer, or distributor of liquor.

(3) Upon approval by the board, the beer and/or wine specialty shop licensee that exceeds fifty percent beer and/or wine sales may also receive an endorsement to permit the sale of beer to a purchaser in a sanitary container brought to the premises by the purchaser, or provided by the licensee or manufacturer, and fill at the tap by the licensee at the time of sale. If the beer and/or wine specialty shop licensee does not exceed fifty percent beer and/or wine sales, the board may waive the fifty percent beer and/or wine sale criteria if the beer and/or wine specialty shop maintains alcohol inventory that exceeds fifteen thousand dollars.

(4) The board shall issue a restricted beer and/or wine specialty shop license, authorizing the licensee to sell beer and only table wine, if the board finds upon issuance or renewal of the license that the sale of strong beer or fortified wine would be against the public interest. In determining the public interest, the board shall consider at least the following factors:

(a) The likelihood that the applicant will sell strong beer or fortified wine to persons who are intoxicated;

(2012 Ed.)

(b) Law enforcement problems in the vicinity of the applicant's establishment that may arise from persons purchasing strong beer or fortified wine at the establishment; and

(c) Whether the sale of strong beer or fortified wine would be detrimental to or inconsistent with a government-operated or funded alcohol treatment or detoxification program in the area.

If the board receives no evidence or objection that the sale of strong beer or fortified wine would be against the public interest, it shall issue or renew the license without restriction, as applicable. The burden of establishing that the sale of strong beer or fortified wine by the licensee would be against the public interest is on those persons objecting.

(5) Licensees holding a beer and/or wine specialty shop license must maintain a minimum three thousand dollar wholesale inventory of beer, strong beer, and/or wine.

(6) The board may adopt rules to implement this section. [2011 c 195 § 4; 2011 c 119 § 204; (2009 c 507 § 6 expired July 1, 2011); 2009 c 373 § 6; 2003 c 167 § 9; 1997 c 321 § 23.]

**66.24.620 Sale of spirits by a holder of a spirits distributor or spirits retail license—State liquor store closure.** (1) The holder of a spirits distributor license or spirits retail license issued under this title may commence sale of spirits upon issuance thereof, but in no event earlier than March 1, 2012, for distributors, or June 1, 2012, for retailers. The board must complete application processing by those dates of all complete applications for spirits licenses on file with the board on or before sixty days from December 8, 2011.

(2) The board must effect orderly closure of all state liquor stores no later than June 1, 2012, and must thereafter refrain from purchase, sale, or distribution of liquor, except for asset sales authorized by chapter 2, Laws of 2012.

(3) The board must devote sufficient resources to planning and preparation for sale of all assets of state liquor stores and distribution centers, and all other assets of the state over which the board has power of disposition, including without limitation goodwill and location value associated with state liquor stores, with the objective of depleting all inventory of liquor by May 31, 2012, and closing all other asset sales no later than June 1, 2013. The board, in furtherance of this subsection, may sell liquor to spirits licensees.

(4)(a) Disposition of any state liquor store or distribution center assets remaining after June 1, 2013, must be managed by the department of revenue.

(b) The board must obtain the maximum reasonable value for all asset sales made under this section.

(c) The board must sell by auction open to the public the right at each state-owned store location of a spirits retail licensee to operate a liquor store upon the premises. Such right must be freely alienable and subject to all state and local zoning and land use requirements applicable to the property. Acquisition of the operating rights must be a precondition to, but does not establish eligibility for, a spirits retail license at the location of a state store and does not confer any privilege conferred by a spirits retail license. Holding the rights does not require the holder of the right to operate a liquor-licensed business or apply for a liquor license.

(5) All sales proceeds under this section, net of direct sales expenses and other transition costs authorized by this section, must be deposited into the liquor revolving fund.

(6)(a) The board must complete the orderly transition from the current state-controlled system to the private lic-

ense system of spirits retailing and distribution as required under this chapter by June 1, 2012.

(b) The transition must include, without limitation, a provision for applying operating and asset sale revenues of the board to just and reasonable measures to avert harm to interests of tribes, military buyers, and nonemployee liquor store operators under then existing contracts for supply by the board of distilled spirits, taking into account present value of issuance of a spirits retail license to the holder of such interest. The provision may extend beyond the time for completion of transition to a spirits licensee system.

(c) Purchases by the federal government from any licensee of the board of spirits for resale through commissaries at military installations are exempt from sales tax based on selling price levied by RCW 82.08.150. [2012 c 2 § 102 (Initiative Measure No. 1183, approved November 8, 2011).]

**Finding—2012 c 2 (Initiative Measure No. 1183):** "(1) The people of the state of Washington, in enacting this initiative measure, find that the state government monopoly on liquor distribution and liquor stores in Washington and the state government regulations that arbitrarily restrict the wholesale distribution and pricing of wine are outdated, inefficient, and costly to local taxpayers, consumers, distributors, and retailers. Therefore, the people wish to privatize and modernize both wholesale distribution and retail sales of liquor and remove outdated restrictions on the wholesale distribution of wine by enacting this initiative.

(2) This initiative will:

(a) Privatize and modernize wholesale distribution and retail sales of liquor in Washington state in a manner that will reduce state government costs and provide increased funding for state and local government services, while continuing to strictly regulate the distribution and sale of liquor;

(b) Get the state government out of the commercial business of distributing, selling, and promoting the sale of liquor, allowing the state to focus on the more appropriate government role of enforcing liquor laws and protecting public health and safety concerning all alcoholic beverages;

(c) Authorize the state to auction off its existing state liquor distribution and state liquor store facilities and equipment;

(d) Allow a private distributor of alcohol to get a license to distribute liquor if that distributor meets the requirements set by the Washington state liquor control board and is approved for a license by the board and create provisions to promote investments by private distributors;

(e) Require private distributors who get licenses to distribute liquor to pay ten percent of their gross spirits revenues to the state during the first two years and five percent of their gross spirits revenues to the state after the first two years;

(f) Allow for a limited number of retail stores to sell liquor if they meet public safety requirements set by this initiative and the liquor control board;

(g) Require that a retail store must have ten thousand square feet or more of fully enclosed retail space within a single structure in order to get a license to sell liquor, with limited exceptions;

(h) Require a retail store to demonstrate to state regulators that it can effectively prevent sales of alcohol to minors in order to get a license to sell liquor;

(i) Ensure that local communities have input before a liquor license can be issued to a local retailer or distributor and maintain all local zoning requirements and authority related to the location of liquor stores;

(j) Require private retailers who get licenses to sell liquor to pay seventeen percent of their gross spirits revenues to the state;

(k) Maintain the current distribution of liquor revenues to local governments and dedicate a portion of the new revenues raised from liquor license fees to increase funding for local public safety programs, including police, fire, and emergency services in communities throughout the state;

(l) Make the standard fines and license suspension penalties for selling liquor to minors twice as strong as the existing fines and penalties for selling beer or wine to minors;

(m) Make requirements for training and supervision of employees selling spirits at retail more stringent than what is now required for sales of beer and wine;

(n) Update the current law on wine distribution to allow wine distributors and wineries to give volume discounts on the wholesale price of wine to retail stores and restaurants; and

(o) Allow retailers and restaurants to distribute wine to their own stores

from a central warehouse." [2012 c 2 § 101 (Initiative Measure No. 1183, approved November 8, 2011).]

**Application—2012 c 2 (Initiative Measure No. 1183):** "This act does not increase any tax, create any new tax, or eliminate any tax. Section 106 of this act applies to spirits licensees upon December 8, 2011, but all taxes presently imposed by RCW 82.08.150 on sales of spirits by or on behalf of the liquor control board continue to apply so long as the liquor control board makes any such sales." [2012 c 2 § 301 (Initiative Measure No. 1183, approved November 8, 2011).]

**Rules—2012 c 2 (Initiative Measure No. 1183):** "The department of revenue must develop rules and procedures to address claims that this act unconstitutionally impairs any contract with the state and to provide a means for reasonable compensation of claims it finds valid, funded first from revenues based on spirits licensing and sale under this act." [2012 c 2 § 303 (Initiative Measure No. 1183, approved November 8, 2011).]

**Effective date—Contingent effective date—2012 c 2 (Initiative Measure No. 1183):** "This act takes effect upon approval by the voters. Section 216, subsections (1) and (2) of this act take effect if Engrossed Substitute House Bill No. 5942 is enacted by the legislature in 2011 and the bill, or any portion of it, becomes law. Section 216, subsection (3) of this act takes effect if any act or part of an act relating to the warehousing and distribution of liquor, including the lease of the state's liquor warehousing and distribution facilities, is adopted subsequent to May 25, 2011, in any 2011 special session." [2012 c 2 § 305 (Initiative Measure No. 1183, approved November 8, 2011).]

**66.24.630 Spirits retail license.** (1) There is a spirits retail license to: Sell spirits in original containers to consumers for consumption off the licensed premises and to permit holders; sell spirits in original containers to retailers licensed to sell spirits for consumption on the premises, for resale at their licensed premises according to the terms of their licenses, although no single sale may exceed twenty-four liters, unless the sale is by a licensee that was a contract liquor store manager of a contract liquor store at the location of its spirits retail licensed premises from which it makes such sales; and export spirits.

(2) For the purposes of this title, a spirits retail license is a retail license, and a sale by a spirits retailer is a retail sale only if not for resale. Nothing in this title authorizes sales by on-sale licensees to other retail licensees. The board must establish by rule an obligation of on-sale spirits retailers to:

(a) Maintain a schedule by stock-keeping unit of all their purchases of spirits from spirits retail licensees, indicating the identity of the seller and the quantities purchased; and

(b) Provide, not more frequently than quarterly, a report for each scheduled item containing the identity of the purchasing on-premise licensee and the quantities of that scheduled item purchased since any preceding report to:

(i) A distributor authorized by the distiller to distribute a scheduled item in the on-sale licensee's geographic area; or

(ii) A distiller acting as distributor of the scheduled item in the area.

(3)(a) Except as otherwise provided in (c) of this subsection, the board may issue spirits retail licenses only for premises comprising at least ten thousand square feet of fully enclosed retail space within a single structure, including storerooms and other interior auxiliary areas but excluding covered or fenced exterior areas, whether or not attached to the structure, and only to applicants that the board determines will maintain systems for inventory management, employee training, employee supervision, and physical security of the product substantially as effective as those of stores currently operated by the board with respect to preventing sales to or pilferage by underage or inebriated persons.

(2012 Ed.)

(b) License issuances and renewals are subject to RCW 66.24.010 and the regulations promulgated thereunder, including without limitation rights of cities, towns, county legislative authorities, the public, churches, schools, and public institutions to object to or prevent issuance of local liquor licenses. However, existing grocery premises licensed to sell beer and/or wine are deemed to be premises "now licensed" under RCW 66.24.010(9)(a) for the purpose of processing applications for spirits retail licenses.

(c) The board may not deny a spirits retail license to an otherwise qualified contract liquor store at its contract location or to the holder of former state liquor store operating rights sold at auction under RCW 66.24.620 on the grounds of location, nature, or size of the premises to be licensed. The board may not deny a spirits retail license to applicants that are not contract liquor stores or operating rights holders on the grounds of the size of the premises to be licensed, if such applicant is otherwise qualified and the board determines that:

(i) There is no retail spirits license holder in the trade area that the applicant proposes to serve;

(ii) The applicant meets, or upon licensure will meet, the operational requirements established by the board by rule; and

(iii) The licensee has not committed more than one public safety violation within the three years preceding application.

(d) A retailer authorized to sell spirits for consumption on or off the licensed premises may accept delivery of spirits at its licensed premises or at one or more warehouse facilities registered with the board, which facilities may also warehouse and distribute nonliquor items, and from which the retailer may deliver to its own licensed premises and, pursuant to sales permitted under subsection (1) of this section:

(i) To other retailer premises licensed to sell spirits for consumption on the licensed premises;

(ii) To other registered facilities; or

(iii) To lawful purchasers outside the state. The facilities may be registered and utilized by associations, cooperatives, or comparable groups of retailers, including at least one retailer licensed to sell spirits.

(4)(a) Except as otherwise provided in (b) of this subsection, each spirits retail licensee must pay to the board, for deposit into the liquor revolving fund, a license issuance fee equivalent to seventeen percent of all spirits sales revenues under the license, exclusive of taxes collected by the licensee and of sales of items on which a license fee payable under this section has otherwise been incurred. The board must establish rules setting forth the timing of such payments and reporting of sales dollar volume by the licensee, with payments required quarterly in arrears. The first payment is due October 1, 2012.

(b) This subsection (4) does not apply to craft distilleries.

(5) In addition to the payment required under subsection (4) of this section, each licensee must pay an annual license renewal fee of one hundred sixty-six dollars. The board must periodically review and adjust the renewal fee as may be required to maintain it as comparable to annual license renewal fees for licenses to sell beer and wine not for consumption on the licensed premises. If required by law at the

time, any increase of the annual renewal fee becomes effective only upon ratification by the legislature.

(6) As a condition to receiving and renewing a retail spirits license the licensee must provide training as prescribed by the board by rule for individuals who sell spirits or who manage others who sell spirits regarding compliance with laws and regulations regarding sale of spirits, including without limitation the prohibitions against sale of spirits to individuals who are underage or visibly intoxicated. The training must be provided before the individual first engages in the sale of spirits and must be renewed at least every five years. The licensee must maintain records documenting the nature and frequency of the training provided. An employee training program is presumptively sufficient if it incorporates a "responsible vendor program" promulgated by the board.

(7) The maximum penalties prescribed by the board in WAC 314-29-020 through 314-29-040 relating to fines and suspensions are doubled for violations relating to the sale of spirits by retail spirits licensees.

(8)(a) The board must promulgate regulations concerning the adoption and administration of a compliance training program for spirits retail licensees, to be known as a "responsible vendor program," to reduce underage drinking, encourage licensees to adopt specific best practices to prevent sales to minors, and provide licensees with an incentive to give their employees ongoing training in responsible alcohol sales and service.

(b) Licensees who join the responsible vendor program under this section and maintain all of the program's requirements are not subject to the doubling of penalties provided in this section for a single violation in any period of twelve calendar months.

(c) The responsible vendor program must be free, voluntary, and self-monitoring.

(d) To participate in the responsible vendor program, licensees must submit an application form to the board. If the application establishes that the licensee meets the qualifications to join the program, the board must send the licensee a membership certificate.

(e) A licensee participating in the responsible vendor program must at a minimum:

- (i) Provide ongoing training to employees;
- (ii) Accept only certain forms of identification for alcohol sales;
- (iii) Adopt policies on alcohol sales and checking identification;
- (iv) Post specific signs in the business; and
- (v) Keep records verifying compliance with the program's requirements. [2012 2nd sp.s. c 6 § 401; 2012 c 2 § 103 (Initiative Measure No. 1183, approved November 8, 2011).]

**66.24.640 Licensed distillers operating as spirits retailers/distributors.** Any distiller licensed under this title may act as a retailer and/or distributor to retailers selling for

consumption on or off the licensed premises of spirits of its own production, and any manufacturer, importer, or bottler of spirits holding a certificate of approval may act as a distributor of spirits it is entitled to import into the state under such certificate. The board must by rule provide for issuance of certificates of approval to spirits suppliers. An industry member operating as a distributor and/or retailer under this section must comply with the applicable laws and rules relating to distributors and/or retailers, except that an industry member operating as a distributor under this section may maintain a warehouse off the distillery premises for the distribution of spirits of its own production to spirits retailers within the state, if the warehouse is within the United States and has been approved by the board. **66.24.900 Construction—Chapter applicable to state registered domestic partnerships—2009 c 521.** For the purposes of this chapter, the terms spouse, marriage, marital, husband, wife, widow, widower, next of kin, and family shall be interpreted as applying equally to state registered domestic partnerships or individuals in state registered domestic partnerships as well as to marital relationships and married persons, and references to dissolution of marriage shall apply equally to state registered domestic partnerships that have been terminated, dissolved, or invalidated, to the extent that such interpretation does not conflict with federal law. Where necessary to implement chapter 521, Laws of 2009, gender-specific terms such as husband and wife used in any statute, rule, or other law shall be construed to be gender neutral, and applicable to individuals in state registered domestic partnerships. (c) No beer distributor may sell or offer to sell any package or container of beer to any retail licensee at a price differing from the price for such package or container as shown in the price list, according to rules adopted by the board.

(d) Quantity discounts of sales prices of beer are prohibited. No distributor's sale price of beer may be below the distributor's acquisition cost.

(e) Distributor prices below acquisition cost on a "close-out" item are allowed if the item to be discontinued has been listed for a period of at least six months, and upon the further condition that the distributor who offers such a close-out price may not restock the item for a period of one year following the first effective date of such close-out price.

When a brewery, microbrewery, or certificate of approval holder with a direct shipping endorsement is acting as a distributor of beer of its own production, a licensed retailer may contract with a common carrier to obtain the beer directly from the brewery, microbrewery, or certificate of approval holder with a direct shipping endorsement. A distributor's prices to retail licensees for beer must be the same at both such places of delivery. (d) Prices of a domestic brewery, microbrewery, or certificate of approval holder for beer must be uniform prices to all distributors or retailers on a statewide basis less bona fide allowances for freight differentials. Quantity discounts of suppliers' prices for beer are prohibited. No price may be below the supplier's acquisition or production cost.

(e) A domestic brewery, microbrewery, certificate of approval holder, importer, or distributor acting as a supplier to another distributor must file with the board a list of all distributor licensees of the board to which it sells or offers to sell beer.

(f) No domestic brewery, microbrewery, or certificate of approval holder may sell or offer to sell any package or container of beer to any distributor at a price differing from the price list for such package or container as shown in the price list of the domestic brewery, microbrewery, or certificate of approval holder and then in effect, according to rules adopted by the board.

**66.28.280 Finding.** The legislature recognizes that the historical total prohibition on ownership of an interest in one tier by a person with an ownership interest in another tier, as well as the historical restriction on financial incentives and business relationships between tiers, is unduly restrictive. The legislature finds the provisions of RCW 66.28.285 through 66.28.320 appropriate for all varieties of liquor, because they do not impermissibly interfere with protecting the public interest and advancing public safety by preventing the use and consumption of alcohol by minors and other abusive consumption, and promoting the efficient collection of taxes by the state. [2012 c 2 § 124 (Initiative Measure No. 1183, approved November 8, 2011); 2009 c 506 § 1.]

**Finding—Application—Rules—Effective date—Contingent effective date—2012 c 2 (Initiative Measure No. 1183):** See notes following RCW 66.24.620.

(1) Notwithstanding any prohibitions and restrictions contained in this title, it shall be lawful for an industry member or affiliate to have a direct or indirect financial interest in another industry member or a retailer, and for a retailer or affiliate to have a direct or indirect financial interest in an industry member unless such interest has resulted or is more likely than not to result in undue influence over the retailer or the industry member or has resulted or is more likely than not to result in an adverse impact on public health and safety. **Finding—Intent—2011 c 66:** "The legislature finds that some restaurants allow patrons to bring bottles of wine to the restaurant so long as restaurant personnel open and serve the beverage. In these cases, the restaurants often charge a fee known as a corkage fee. The legislature supports activities in the free market that facilitate local businesses in selling their products. One of the methods restaurants and wineries have found to be mutually beneficial is a waiver of corkage fees for local businesses. The legislature intends to allow wineries and restaurants the ability to make agreements as to whether to charge a corkage fee without restriction or regulation under the tied-house laws." [2011 c 66 § 1.]

If the majority of qualified electors voting upon said question at said election shall have voted "For sale of liquor" within the unit in which the election is held, the sale of liquor may be continued in accordance with the provisions of this title. If the majority of the qualified electors voting on such question at any such election shall vote "Against sale of liquor", then, within thirty days after such canvass no sale or purchase of liquor, save as herein provided, shall be made within such unit until such permission so to do be subsequently granted at an election held for that purpose under the provisions of this title. **67.08.180 Unprofessional conduct—Prohibited acts.** In addition to the unprofessional conduct specified in RCW 18.235.130, the following conduct, acts, or conditions constitute unprofessional conduct for which disciplinary action may be taken:

(1) Destruction of any ticket or ticket stub, whether sold or unsold, within three months after the date of any event, by any promoter or person associated with or employed by any promoter.

A person who files a complaint under this section in good faith is immune from suit in any civil action related to the filing or contents of the complaint. [1997 c 205 § 17.]

**67.08.220 Unprofessional conduct—Order upon finding—Penalties—Costs.** Upon a finding that a license holder or applicant has committed unprofessional conduct the director may issue an order providing for one or any combination of the following:

- (3) Requiring the satisfactory completion of a specific program of remedial education;
- (4) Compliance with conditions of probation for a designated period of time;
- (5) Payment of a fine not to exceed five hundred dollars for each violation of this chapter;
- (6) Denial of the license request;
- (7) Corrective action, including paying contestants the contracted purse or compensation; or

(1) Conviction of a gross misdemeanor, felony, or the commission of an act involving moral turpitude, dishonesty, or corruption whether the act constitutes a crime or not. If the act constitutes a crime, conviction in a criminal proceeding is not a condition precedent to disciplinary action. Upon such a conviction, however, the judgment and sentence is conclu-

sive evidence at the ensuing disciplinary hearing of the guilt of the license holder or applicant of the crime described in the indictment or information, and of the person's violation of the statute on which it is based. For the purposes of this section, conviction includes all instances in which a plea of guilty or nolo contendere is the basis for the conviction and all proceedings in which the sentence has been deferred or suspended. This section does not abrogate rights guaranteed under chapter 9.96 RCW;

(2) Misrepresentation or concealment of a material fact in obtaining a license or in reinstatement of a license;

(3) Advertising that is false, fraudulent, or misleading;

(4) Incompetence or negligence that results in injury to a person or that creates an unreasonable risk that a person may be harmed;

(5) Suspension, revocation, or restriction of a license to act as a professional or amateur athletic licensee by competent authority in a state, federal, or foreign jurisdiction, a certified copy of the order, stipulation, or agreement being conclusive evidence of the revocation, suspension, or restriction;

(6) Violation of a statute or administrative rule regulating professional or amateur athletics;

(7) Failure to cooperate with the department's investigations by:

(a) Not furnishing papers or documents;

(b) Not furnishing in writing a full and complete explanation regarding a matter under investigation by the department; or

(c) Not responding to subpoenas issued by the department, whether or not the recipient of the subpoena is the subject of the proceeding;

(8) Failure to comply with an order issued by the director or an assurance of discontinuance entered into by the director;

(9) Aiding or abetting an unlicensed person to act in a manner that requires a professional or amateur athletics license;

(10) Misrepresentation or fraud in any aspect of the conduct of a professional athletics or amateur event; and

(11) Interference with an investigation or disciplinary proceeding by willful misrepresentation of facts before the department or by the use of threats or harassment against any person to prevent them from providing evidence in a disciplinary proceeding or other legal action. [2012 c 99 § 9; 1997 c 205 § 21.]

[2011 c 351 § 21.]

**67.08.321 Spouses of military personnel—Licensure.** The director shall develop rules consistent with RCW 18.340.020 for the licensure of spouses of military personnel. [2011 2nd sp.s. c 5 § 8.]

**67.08.900 Severability—1933 c 184.** If any section or provision of this chapter shall be adjudged to be invalid or unconstitutional, such adjudication shall not affect the validity of this chapter as a whole, or any section, provision or part thereof not adjudged invalid or unconstitutional. **67.16.101 Legislative finding—Responsibilities of horse racing commission—Availability of interest on one percent of gross receipts to support nonprofit race meets.** The legislature finds that:

(1) A primary responsibility of the horse racing commission is the encouragement of the training and development of the equine industry in the state of Washington whether the result of this training and development results in legalized horse racing or in the recreational use of horses;

(2) The horse racing commission has a further major responsibility to assure that any facility used as a race course should be maintained and upgraded to insure the continued safety of both the public and the horse at any time the facility is used for the training or contesting of these animals;

(3) Nonprofit race meets within the state have difficulty in obtaining sufficient funds to provide the maintenance and upgrading necessary to assure this safety at these facilities, or to permit frequent use of these facilities by 4-H children or other horse owners involved in training; and

(2012 Ed.)

(4) The one percent of the parimutuel machine gross receipts used to pay a special purse to the licensed owners of Washington bred horses is available for the purpose of drawing interest, thereby obtaining funds to be disbursed to achieve the necessary support to these nonprofit race meets. All funds distributed under this subsection shall be used for the purpose of maintaining and upgrading the respective racing courses and equine quartering areas of said nonprofit meets.

(3) The commission shall not permit the licensees to take into consideration the benefits derived from this section in establishing purses.

(4) The commission is authorized to pay at the end of the calendar year one-half of the one percent collected from a new licensee under subsection (1) of this section for reimbursement of capital construction of that new licensee's new race track for a period of fifteen years. (b) Payments to nonprofit race meets under this subsection must be distributed on a per-race-day basis and used only for purses at race tracks that have been operating under RCW 67.16.130 and subsection (1) of this section in 2010 or for the five consecutive years immediately preceding the year of payment.

(c) As provided in this subsection, the commission must distribute funds up to fifteen thousand eight hundred dollars per race day from funds generated under this subsection (3).

(4) Beginning July 1, 1999, at the conclusion of each authorized race meet, the commission must calculate the mathematical average daily gross receipts of parimutuel wagering that is conducted only at the physical location of the live race meet at those race meets of licensees with gross receipts of all their in-state parimutuel machines of more than fifty million dollars. Such calculation shall include only the gross parimutuel receipts from wagering occurring on live racing dates, including live racing receipts and receipts derived from one simulcast race card that is conducted only at the physical location of the live racing meet, which, for the purposes of this subsection, is "the handle." If the calculation exceeds eight hundred eighty-six thousand dollars, the licensee must within ten days of receipt of written notification by the commission forward to the commission a sum equal to the product obtained by multiplying 0.6 percent by the handle. Sums collected by the commission under this subsection must be forwarded on the next business day following receipt thereof to the state treasurer to be deposited in the fair fund created in RCW 15.76.115. **Intent—1995 c 173:** "It is the intent of the legislature that one-half of the money being paid into the Washington thoroughbred racing fund continue to be directed to enhanced purses, and that one-half of the money being paid into the fund continue to be deposited into an escrow or trust account and used for the construction of a new thoroughbred racing facility in western Washington." [1995 c 173 § 1.]

**Intent—1994 c 159:** "It is the intent of the legislature to terminate payments into the Washington thoroughbred racing fund from licensees of nonprofit race meets from March 30, 1994, until June 1, 1995, and to provide that one-half of moneys that otherwise would have been paid into the fund be directed to enhanced purses and one-half of moneys be deposited in an escrow or trust account and used solely for construction of a new thoroughbred race track facility in western Washington." [1994 c 159 § 1.]

**Intent—1993 c 170:** "It is the intent of the legislature that one-half of those moneys that would otherwise have been paid into the Washington thoroughbred racing fund be retained for the purpose of enhancing purses, excluding stakes purses, until that time as a permanent thoroughbred racing facility is built and operating in western Washington. It is recognized by the Washington legislature that the enhancement in purses provided in this legislation will not directly benefit all race tracks in Washington. It is the legislature's intent that the horse racing commission work with the horse racing community to ensure that this opportunity for increased purses will not inadvertently injure horse racing at tracks not directly benefiting from this legislation." [1993 c 170 § 1.]

**67.16.200 Parimutuel wagering at satellite locations—Simulcasts.** (1) A class 1 racing association licensed by the commission to conduct a race meet may seek approval from the commission to conduct parimutuel wagering at a satellite location or locations within the state of Washington. In order to participate in parimutuel wagering at a satellite location or locations within the state of Washington, the holder of a class 1 racing association license must have conducted at least one full live racing season. All class 1 racing associations must hold a live race meet within each succeeding twelve-month period to maintain eligibility to continue to participate in parimutuel wagering at a satellite location or locations. The sale of parimutuel pools at satellite locations shall be conducted simultaneous to all parimutuel wagering activity conducted at the licensee's live racing facility in the state of Washington. The commission's authority to approve satellite wagering at a particular location is subject to the following limitations:

(a) The commission may approve only one satellite location in each county in the state; however, the commission may grant approval for more than one licensee to conduct wagering at each satellite location. A satellite location shall not be operated within twenty driving miles of any class 1 racing facility. For the purposes of this section, "driving miles" means miles measured by the most direct route as determined by the commission; and

(b) A licensee shall not conduct satellite wagering at any satellite location within sixty driving miles of any other racing facility conducting a live race meet.

(2) Subject to local zoning and other land use ordinances, the commission shall be the sole judge of whether approval to conduct wagering at a satellite location shall be granted.

(3) The licensee shall combine the parimutuel pools of the satellite location with those of the racing facility for the purpose of determining odds and computing payoffs. The amount wagered at the satellite location shall be combined with the amount wagered at the racing facility for the application of take out formulas and distribution as provided in RCW 67.16.102, 67.16.105, 67.16.170, and 67.16.175. A satellite extension of the licensee's racing facility shall be

subject to the same application of the rules of racing as the licensee's racing facility.

(4) Upon written application to the commission, a class 1 racing association may be authorized to transmit simulcasts of live horse races conducted at its racetrack to locations outside of the state of Washington approved by the commission and in accordance with the interstate horse racing act of 1978 (15 U.S.C. Sec. 3001 to 3007) or any other applicable laws. The commission may permit parimutuel pools on the simulcast races to be combined in a common pool. A racing association that transmits simulcasts of its races to locations outside this state shall pay at least fifty percent of the fee that it receives for sale of the simulcast signal to the horsemen's purse account for its live races after first deducting the actual cost of sending the signal out of state.

(5) Upon written application to the commission, a class 1 racing association may be authorized to transmit simulcasts of live horse races conducted at its racetrack to licensed racing associations located within the state of Washington and approved by the commission for the receipt of the simulcasts. The commission shall permit parimutuel pools on the simulcast races to be combined in a common pool. The fee for in-state, track-to-track simulcasts shall be five and one-half percent of the gross parimutuel receipts generated at the receiving location and payable to the sending racing association. A racing association that transmits simulcasts of its races to other licensed racing associations shall pay at least fifty percent of the fee that it receives for the simulcast signal to the horsemen's purse account for its live race meet after first deducting the actual cost of sending the simulcast signal. A racing association that receives races simulcast from class 1 racing associations within the state shall pay at least fifty percent of its share of the parimutuel receipts to the horsemen's purse account for its live race meet after first deducting the purchase price and the actual direct costs of importing the race.

(6) A class 1 racing association may be allowed to import simulcasts of horse races from out-of-state racing facilities. With the prior approval of the commission, the class 1 racing association may participate in a multijurisdictional common pool and may change its commission and breakage rates to achieve a common rate with other participants in the common pool.

(a) The class 1 racing association shall make written application with the commission for permission to import simulcast horse races for the purpose of parimutuel wagering. Subject to the terms of this section, the commission is the sole authority in determining whether to grant approval for an imported simulcast race.

(b) When open for parimutuel wagering, a class 1 racing association which imports simulcast races shall also conduct simulcast parimutuel wagering within its licensed racing enclosure on all races simulcast from other class 1 racing associations within the state of Washington.

(c) On any imported simulcast race, the class 1 racing association shall pay fifty percent of its share of the parimutuel receipts to the horsemen's purse account for its live race meet after first deducting the purchase price of the imported race and the actual costs of importing and offering the race.

(7) A licensed nonprofit racing association may be approved to import one simulcast race of regional or national interest on each live race day.

(8) For purposes of this section, a class 1 racing association is defined as a licensee approved by the commission to conduct during each twelve-month period at least forty days of live racing. If a live race day is canceled due to reasons directly attributable to acts of God, labor disruptions affecting live race days but not directly involving the licensee or its employees, or other circumstances that the commission decides are beyond the control of the class 1 racing association, then the canceled day counts toward the forty-day requirement. The commission may by rule increase the number of live racing days required to maintain class 1 racing association status or make other rules necessary to implement this section.

(9) This section does not establish a new form of gaming in Washington or allow expanded gaming within the state beyond what has been previously authorized. Simulcast wagering has been allowed in Washington before April 19, 1997. Therefore, this section does not allow gaming of any nature or scope that was prohibited before April 19, 1997. This section is necessary to protect the Washington equine breeding and racing industries, and in particular those sectors of these industries that are dependent upon live horse racing. The purpose of this section is to protect these industries from adverse economic impacts and to promote fan attendance at class 1 racing facilities. Therefore, a licensed class 1 racing association may be approved to disseminate imported simulcast race card programs to satellite locations approved under this section, provided that the class 1 racing association has conducted at least forty live racing days with an average on-track handle on the live racing product of a minimum of one hundred fifty thousand dollars per day during the twelve months immediately preceding the application date. However, to promote the development of a new class 1 racing association facility and to meet the best interests of the Washington equine breeding and racing industries, the commission may by rule reduce the required minimum average on-track handle on the live racing product from one hundred fifty thousand dollars per day to thirty thousand dollars per day.

(10) A licensee conducting simulcasting under this section shall place signs in the licensee's gambling establishment under RCW 9.46.071. The informational signs concerning problem and compulsive gambling must include a toll-free telephone number for problem and pathological gamblers and be developed under RCW 9.46.071.

(11) Chapter 10, Laws of 2001 1st sp. sess. does not establish a new form of gaming in Washington or allow expanded gaming within the state beyond what has been previously authorized. Simulcast wagering has been allowed in Washington before August 23, 2001. Therefore, this section does not allow gaming of any nature or scope that was prohibited before August 23, 2001. Chapter 10, Laws of 2001 1st sp. sess. is necessary to protect the Washington equine breeding and racing industries, and in particular those sectors of these industries that are dependent upon live horse racing. **Effective date—2004 c 274:** See note following RCW 67.16.260.

The Washington equine industry has incurred a financial decline coinciding with increased competition from the gaming industry in the state and from the lack of a class 1 racing facility in western Washington from 1993 through 1995. This act is necessary to preserve, restore, and revitalize the equine breeding and racing industries and to preserve in Washington the economic and social impacts associated with these industries. (3) As used in this section, "advance deposit wagering" means a form of parimutuel wagering in which an individual deposits money in an account with an entity authorized by the commission to conduct advance deposit wagering and then the account funds are used to pay for parimutuel wagers made in person, by telephone, or through communication by other electronic means.

**67.17.005 Purpose.** The purposes of the live horse racing compact are to:

(1) Establish uniform requirements among the party states for the licensing of participants in live horse racing

with pari-mutuel wagering, and ensure that all such participants who are licensed pursuant to the compact meet a uniform minimum standard of honesty and integrity;

(2) Facilitate the growth of the horse racing industry in each party state and nationwide by simplifying the process for licensing participants in live racing, and reduce the duplicative and costly process of separate licensing by the regulatory agency in each state that conducts live horse racing with pari-mutuel wagering;

(3) Authorize the Washington horse racing commission to participate in the live horse racing compact;

(4) Provide for participation in the live horse racing compact by officials of the party states, and permit those officials, through the compact committee established by this chapter, to enter into contracts with governmental agencies and non-governmental persons to carry out the purposes of the live horse racing compact; and

(5) Establish the compact committee created by this chapter as an interstate governmental entity duly authorized to request and receive criminal history record information from the federal bureau of investigation and other state and local law enforcement agencies. [2001 c 18 § 1.]

**67.17.010 Definitions.** Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

(1) "Compact committee" means the organization of officials from the party states that is authorized and empowered by the live horse racing compact to carry out the purposes of the compact.

(2) "Official" means the appointed, elected, designated, or otherwise duly selected member of a racing commission or the equivalent thereof in a party state who represents that party state as a member of the compact committee.

(3) "Participants in live racing" means participants in live horse racing with pari-mutuel wagering in the party states.

(4) "Party state" means each state that has enacted the live horse racing compact.

(5) "State" means each of the several states of the United States, the District of Columbia, the Commonwealth of Puerto Rico, and each territory or possession of the United States. [2001 c 18 § 2.]

**67.17.020 Compact effective date.** The live horse racing compact shall come into force when enacted by any four states. Thereafter, the compact shall become effective as to any other state upon: (1) That state's enactment of the compact; and (2) the affirmative vote of a majority of the officials on the compact committee as provided in RCW 67.17.070. [2001 c 18 § 3.]

**67.17.030 Eligibility to enter compact.** Any state that has adopted or authorized horse racing with pari-mutuel wagering is eligible to become party to the live horse racing compact. [2001 c 18 § 4.]

**67.17.040 Withdrawal from compact.** Any party state may withdraw from the live horse racing compact by enacting a statute repealing the compact, but no such withdrawal is effective until the head of the executive branch of the with-

drawing state has given notice in writing of such withdrawal to the head of the executive branch of all other party states. If, as a result of withdrawals, participation in the compact decreases to less than three party states, the compact no longer shall be in force and effect unless and until there are at least three or more party states again participating in the compact. [2001 c 18 § 5.]

**67.17.050 Creation of compact committee.** (1) There is created an interstate governmental entity to be known as the "compact committee" which shall be comprised of one official from the racing commission or its equivalent in each party state who shall be appointed, serve, and be subject to removal in accordance with the laws of the party state he or she represents. Under the laws of his or her party state, each official shall have the assistance of his or her state's racing commission or the equivalent thereof in considering issues related to licensing of participants in live racing and in fulfilling his or her responsibilities as the representative from his or her state to the compact committee. If an official is unable to perform any duty in connection with the powers and duties of the compact committee, the racing commission or equivalent thereof from his or her state shall designate another of its members as an alternate who shall serve in his or her place and represent the party state as its official on the compact committee until that racing commission or equivalent thereof determines that the original representative official is able once again to perform his or her duties as that party state's representative official on the compact committee. The designation of an alternate shall be communicated by the affected state's racing commission or equivalent thereof to the compact committee as the committee's bylaws may provide.

(2) The horse racing commission shall appoint the official to represent the state of Washington on the compact committee for a term of four years. No official may serve more than three consecutive terms. A vacancy shall be filled by the horse racing commission for the unexpired term. [2011 1st sp.s. c 21 § 29; 2001 c 18 § 6.]

**Effective date—2011 1st sp.s. c 21:** See note following RCW 72.23.025.

**67.17.060 Compact committee powers and duties.** In order to carry out the live horse racing compact, the compact committee is granted the power and duty to:

(1) Determine which categories of participants in live racing, including but not limited to owners, trainers, jockeys, grooms, mutuel clerks, racing officials, veterinarians, and farriers, should be licensed by the compact committee, and establish the requirements for the initial licensure of applicants in each such category, the term of the license for each category, and the requirements for renewal of licenses in each category. However, with regard to requests for criminal history record information on each applicant for a license, and with regard to the effect of a criminal record on the issuance or renewal of a license, the compact committee shall determine for each category of participants in live racing which licensure requirements for that category are, in its judgment, the most restrictive licensure requirements of any party state for that category and shall adopt licensure requirements for that category that are, in its judgment, comparable to those most restrictive requirements;

(2) Investigate applicants for a license from the compact committee and, as permitted by federal and state law, gather information on such applicants, including criminal history record information from the federal bureau of investigation and relevant state and local law enforcement agencies, and, where appropriate, from the royal Canadian mounted police and law enforcement agencies of other countries, necessary to determine whether a license should be issued under the licensure requirements established by the compact committee under subsection (1) of this section. Only officials on, and employees of, the compact committee may receive and review such criminal history record information, and those officials and employees may use that information only for the purposes of the compact. No such official or employee may disclose or disseminate such information to any person or entity other than another official on or employee of the compact committee. The fingerprints of each applicant for a license from the compact committee shall be taken by the compact committee, its employees, or its designee and shall be forwarded to a state identification bureau, or to an association of state officials regulating pari-mutuel wagering designated by the attorney general of the United States, for submission to the federal bureau of investigation for a criminal history record check. Such fingerprints may be submitted on a fingerprint card or by electronic or other means authorized by the federal bureau of investigation or other receiving law enforcement agency;

(3) Issue licenses to, and renew the licenses of, participants in live racing listed in subsection (1) of this section who are found by the compact committee to have met the licensure and renewal requirements established by the compact committee. The compact committee shall not have the power or authority to deny a license. If it determines that an applicant will not be eligible for the issuance or renewal of a compact committee license, the compact committee shall notify the applicant that it will not be able to process his or her application further. Such notification does not constitute and shall not be considered to be the denial of a license. Any such applicant has the right to present additional evidence to, and to be heard by, the compact committee, but the final decision on issuance or renewal of the license shall be made by the compact committee using the requirements established under subsection (1) of this section;

(4) Enter into contracts or agreements with governmental agencies and with nongovernmental persons to provide personal services for its activities and such other services as may be necessary to carry out the compact;

(5) Create, appoint, and abolish those offices, employments, and positions, including an executive director, as it deems necessary for the purposes of the compact, prescribe their powers, duties, and qualifications, hire persons to fill those offices, employments, and positions, and provide for the removal, term, tenure, compensation, fringe benefits, retirement benefits, and other conditions of employment of its officers, employees, and other positions;

(6) Borrow, accept, or contract for the services of personnel from any state, the United States, or any other governmental agency, or from any person, firm, association, corporation, or other entity;

(7) Acquire, hold, and dispose of real and personal property by gift, purchase, lease, license, or in other similar manner, in furtherance of the compact;

(8) Charge a fee to each applicant for an initial license or renewal of a license; and

(9) Receive other funds through gifts, grants, and appropriations. [2001 c 18 § 7.]

#### **67.17.070 Compact committee voting requirements.**

(1) Each official is entitled to one vote on the compact committee.

(2) All action taken by the compact committee with regard to the addition of party states as provided in RCW 67.17.020, the licensure of participants in live racing, and the receipt and disbursement of funds require a majority vote of the total number of officials, or their alternates, on the compact committee. All other action by the compact committee requires a majority vote of those officials, or their alternates, present and voting.

(3) No action of the compact committee may be taken unless a quorum is present. A majority of the officials, or their alternates, on the compact committee constitutes a quorum. [2001 c 18 § 8.]

**67.17.080 Compact committee governance.** (1) The compact committee shall elect annually from among its members a chair, a vice chair, and a secretary/treasurer.

(2) The compact committee shall adopt bylaws for the conduct of its business by a two-thirds vote of the total number of officials, or their alternates, on the compact committee at that time and shall have the power by the same vote to amend and rescind such bylaws. The compact committee shall publish its bylaws in convenient form and shall file a copy thereof and a copy of any amendments thereto with the secretary of state or equivalent agency of each of the party states.

(3) The compact committee may delegate the day-to-day management and administration of its duties and responsibilities to an executive director and the executive director's support staff.

(4) Employees of the compact committee are considered governmental employees. [2001 c 18 § 9.]

**67.17.090 Liability of compact committee employees or officials.** No official of a party state or employee of the compact committee shall be held personally liable for any good faith act or omission that occurs during the performance and within the scope of his or her responsibilities and duties under the live horse racing compact. [2001 c 18 § 10.]

**67.17.100 Conditions and terms for participating states.** (1) By enacting the compact, each party state:

(a) Agrees: (i) To accept the decisions of the compact committee regarding the issuance of compact committee licenses to participants in live racing under the compact committee's licensure requirements; and (ii) to reimburse or otherwise pay the expenses of its official representative on the compact committee or his or her alternate;

(b) Agrees not to treat a notification to an applicant by the compact committee under RCW 67.17.060(3) that the compact committee will not be able to process the application

further as the denial of a license, or to penalize such an applicant in any other way based solely on such a decision by the compact committee; and

(c) Reserves the right: (i) To charge a fee for the use of a compact committee license in that state; (ii) to apply its own standards in determining whether, on the facts of a particular case, a compact committee license should be suspended or revoked; (iii) to apply its own standards in determining licensure eligibility, under the laws of that party state, for categories of participants in live racing that the compact committee determines not to license and for individual participants in live racing who do not meet the licensure requirements of the compact committee; and (iv) to establish its own licensure standards for the licensure of nonracing employees at horse racetracks and employees at separate satellite wagering facilities. Any party state that suspends or revokes a compact committee license shall, through its racing commission or the equivalent thereof or otherwise, promptly notify the compact committee of that suspension or revocation.

(2) No party state shall be held liable for the debts or other financial obligations incurred by the compact committee. [2001 c 18 § 11.]

**67.17.110 Cooperation by governmental entities with compact committee.** All departments, agencies, and officers of the state of Washington and its political subdivisions are authorized to cooperate with the compact committee in furtherance of any of its activities of the live horse racing compact. [2001 c 18 § 12.]

**67.17.120 Impact on horse racing commission.** Nothing in this chapter shall be construed to diminish or limit the powers and responsibilities of the Washington horse racing commission established in chapter 67.16 RCW or to invalidate any action of the Washington horse racing commission previously taken, including without limitation any regulation issued by the commission. [2001 c 18 § 13.]

**67.17.130 Construction and severability of language.** This chapter shall be liberally construed so as to effectuate its purposes. The provisions of this chapter are severable, and, if any phrase, clause, sentence, or provision of the compact is declared to be contrary to the Constitution of the United States or of any party state, or the applicability of the live horse racing compact to any government, agency, person, or circumstance is held invalid, the validity of the remainder of the compact and the applicability thereof to any government, agency, person, or circumstance shall not be affected thereby. If all or some portion of the live horse racing compact is held to be contrary to the constitution of any party state, the compact shall remain in full force and effect as to the remaining party states and in full force and effect as to the state affected as to all severable matters. [2001 c 18 § 14.]

**67.17.900 Short title—2001 c 18.** This act may be known and cited as the live horse racing compact. [2001 c 18 § 15.]

**67.28.160 Revenue bonds—Issuance, sale, form, term, payment, reserves, actions.** (1) To carry out the purposes of this chapter the legislative body of any municipality shall have the power to issue revenue bonds without submitting the matter to the voters of the municipality: PROVIDED, That the legislative body shall create a special fund or funds for the sole purpose of paying the principal of and interest on the bonds of each such issue, into which fund or funds the legislative body may obligate the municipality to pay all or part of amounts collected from the special taxes provided for in this chapter, and/or to pay such amounts of the gross revenue of all or any part of the facilities constructed, acquired, improved, added to, repaired or replaced pursuant to this chapter, as the legislative body shall determine: PROVIDED, FURTHER, That the principal of and interest on such bonds shall be payable only out of such special fund or funds, and the owners of such bonds shall have a lien and charge against the gross revenue pledged to such fund.

Such revenue bonds and the interest thereon issued against such fund or funds shall constitute a claim of the owners thereof only as against such fund or funds and the revenue pledged therefor, and shall not constitute a general indebtedness of the municipality.

Each such revenue bond shall state upon its face that it is payable from such special fund or funds, and all revenue bonds issued under this chapter shall be negotiable securities within the provisions of the law of this state. Such revenue bonds may be registered either as to principal only or as to principal and interest as provided in RCW 39.46.030, or may be bearer bonds; shall be in such denominations as the legislative body shall deem proper; shall be payable at such time or times and at such places as shall be determined by the legislative body; shall be executed in such manner and bear interest at such rate or rates as shall be determined by the legislative body.

The legislative body may also provide that revenue bonds payable out of the same source may later be issued on a parity with revenue bonds being issued and sold.

The legislative body may include in the principal amount of any such revenue bond issue an amount for engineering, architectural, planning, financial, legal, and other services and charges incident to the acquisition or construction of public stadium facilities, convention center facilities, performing arts center facilities, and/or visual arts center facilities, an amount to establish necessary reserves, an amount for working capital and an amount necessary for interest during the period of construction of any facilities to be financed from the proceeds of such issue plus six months. The legislative body may, if it deems it in the best interest of the municipality, provide in any contract for the construction or acquisition of any facilities or additions or improvements thereto or replacements or extensions thereof that payment therefor shall be made only in such revenue bonds.

If the municipality shall fail to carry out or perform any of its obligations or covenants made in the authorization, issuance and sale of such bonds, the owner of any such bond may bring action against the municipality and compel the performance of any or all of such covenants.

(2) Notwithstanding subsection (1) of this section, such bonds may be issued and sold in accordance with chapter 39.46 RCW. [1997 c 452 § 10; 1983 c 167 § 168; 1979 ex.s. c 222 § 3; 1973 2nd ex.s. c 34 § 3; 1967 c 236 § 9.]

**67.28.180 Lodging tax authorized—Conditions.** (1) Subject to the conditions set forth in subsections (2) and (3) of this section, the legislative body of any county or any city, is authorized to levy and collect a special excise tax of not to exceed two percent on the sale of or charge made for the furnishing of lodging that is subject to tax under chapter 82.08 RCW.

(2) Any levy authorized by this section is subject to the following:

(a) Any county ordinance or resolution adopted pursuant to this section must contain, in addition to all other provisions required to conform to this chapter, a provision allowing a credit against the county tax for the full amount of any city tax imposed pursuant to this section upon the same taxable event.

(b)(i) In the event that any county has levied the tax authorized by this section and has, prior to June 26, 1975, either pledged the tax revenues for payment of principal and interest on city revenue or general obligation bonds authorized and issued pursuant to RCW 67.28.150 through 67.28.160 or has authorized and issued revenue or general obligation bonds pursuant to the provisions of RCW 67.28.150 through 67.28.160, such county is exempt from the provisions of (a) of this subsection, to the extent that the tax revenues are pledged for payment of principal and interest on bonds issued at any time pursuant to the provisions of RCW 67.28.150 through 67.28.160. However, so much of such pledged tax revenues, together with any investment earnings thereon, not immediately necessary for actual payment of principal and interest on such bonds may be used: (A) In any county with a population of one million five hundred thousand or more, for repayment either of limited tax levy general obligation bonds or of any county fund or account from which a loan was made, the proceeds from the bonds or loan being used to pay for constructing, installing, improving, and equipping stadium capital improvement projects, and to pay for any engineering, planning, financial, legal and professional services incident to the development of such stadium capital improvement projects, regardless of the date the debt for such capital improvement projects was or may be incurred; (B) in any county with a population of one million five hundred thousand or more, for repayment or refinancing of bonded indebtedness incurred prior to January 1, 1997, for any purpose authorized by this section or relating to stadium repairs or rehabilitation, including but not limited to the cost of settling legal claims, reimbursing operating funds, interest payments on short-term loans, and any other purpose for which such debt has been incurred if the county has created a public stadium authority to develop a stadium and exhibition center under RCW 36.102.030; or (C) in other counties, for county-owned facilities for agricultural promotion until January 1, 2009, and thereafter for any purpose authorized in this chapter.

(ii) A county is exempt under this subsection with respect to city revenue or general obligation bonds issued after April 1, 1991, only if such bonds mature before January 1, 2013. If any county located east of the crest of the Cascade

mountains has levied the tax authorized by this section and has, prior to June 26, 1975, pledged the tax revenue for payment of principal and interest on city revenue or general obligation bonds, the county is exempt under this subsection with respect to revenue or general obligation bonds issued after January 1, 2007, only if the bonds mature before January 1, 2035. Such a county may only use funds under this subsection (2)(b) for constructing or improving facilities authorized under this chapter, including county-owned facilities for agricultural promotion.

(ii) As used in this subsection (2)(b), "capital improvement projects" may include, but not be limited to a stadium restaurant facility, restroom facilities, artificial turf system, seating facilities, parking facilities and scoreboard and information system adjacent to or within a county owned stadium, together with equipment, utilities, accessories and appurtenances necessary thereto. The stadium restaurant authorized by this subsection (2)(b) must be operated by a private concessionaire under a contract with the county.

(c)(i) No city within a county exempt under (b) of this subsection may levy the tax authorized by this section so long as said county is so exempt.

(ii) No city within a county with a population of one million five hundred thousand or more may levy the tax authorized by this section.

(iii) However, in the event that any city in a county described in (c)(i) or (ii) of this subsection (2) has levied the tax authorized by this section and has, prior to June 26, 1975, authorized and issued revenue or general obligation bonds pursuant to the provisions of RCW 67.28.150 through 67.28.160, such city may levy the tax so long as the tax revenues are pledged for payment of principal and interest on bonds issued at any time pursuant to the provisions of RCW 67.28.150 through 67.28.160.

(3) Any levy authorized by this section by a county that has a population of one million five hundred thousand or more is subject to the following:

(a) Taxes collected under this section in any calendar year before 2013 in excess of five million three hundred thousand dollars may only be used as follows:

(i) Seventy percent from January 1, 2001, through December 31, 2012, for art museums, cultural museums, heritage museums, the arts, and the performing arts. Moneys spent under this subsection (3)(a)(i) must be used for the purposes of this subsection (3)(a)(i) in all parts of the county.

(ii) Thirty percent from January 1, 2001, through December 31, 2012, for the following purposes and in a manner reflecting the following order of priority: Stadium purposes as authorized under subsection (2)(b) of this section; acquisition of open space lands; youth sports activities; and tourism promotion. If all or part of the debt on the stadium is refinanced, all revenues under this subsection (3)(a)(ii) must be used to retire the debt.

(b) From January 1, 2013, through December 31, 2015, all revenues under this section shall be used to retire the debt on the stadium, until the debt on the stadium is retired. On and after the date the debt on the stadium is retired, and through December 31, 2015, all revenues under this section in a county of one million five hundred thousand or more must be deposited in the special account under (e) of this subsection.

(c) From January 1, 2016, through December 31, 2020, all revenues under this section must be deposited in the stadium and exhibition center account under RCW 43.99N.060.

(d) On and after January 1, 2021, the revenues under this section must be used as follows:

(i) At least thirty-seven and one-half percent of the revenues under this section must be deposited in the special account under (e) of this subsection.

(ii) At least thirty-seven and one-half percent of the revenues under this section must be used for nonprofit organizations or public housing authorities for affordable workforce housing within one-half of a mile of a transit station, as described under RCW 9.91.025 or for services for homeless youth.

(iii) The remainder must be used for capital or operating programs that promote tourism and attract tourists to the county.

(e) At least forty percent of the revenues distributed pursuant to (a)(i) of this subsection must be deposited in a special account. The account may only be used for the purposes of (a)(i) of this subsection.

(f) School districts and schools may not receive revenues distributed pursuant to (a)(i) of this subsection.

(g) Moneys distributed to art museums, cultural museums, heritage museums, the arts, and the performing arts, and moneys distributed for tourism promotion must be in addition to and may not be used to replace or supplant any other funding by the legislative body of the county.

(h) For the purposes of this section:

(i) "Affordable workforce housing" means housing for a single person, family, or unrelated persons living together whose income is between thirty percent and eighty percent of the median income, adjusted for household size, for the county where the housing is located; and

(ii) "Tourism promotion" includes activities intended to attract visitors for overnight stays, arts, heritage, and cultural events, and recreational, professional, and amateur sports events. Moneys allocated to tourism promotion in a county with a population of one million or more must be allocated to local public organizations and nonprofit organizations formed for the express purpose of tourism promotion in the county. Such organizations must use moneys from the taxes to promote events in all parts of the county.

(i) No taxes collected under this section may be used for the operation or maintenance of a public stadium that is financed directly or indirectly by bonds to which the tax is pledged. Expenditures for operation or maintenance include all expenditures other than expenditures that directly result in new fixed assets or that directly increase the capacity, life span, or operating economy of existing fixed assets.

(j) No ad valorem property taxes may be used for debt service on bonds issued for a public stadium that is financed by bonds to which the tax is pledged, unless the taxes collected under this section are or are projected to be insufficient to meet debt service requirements on such bonds.

(k) If a substantial part of the operation and management of a public stadium that is financed directly or indirectly by bonds to which the tax is pledged is performed by a nonpublic entity or if a public stadium is sold that is financed directly or indirectly by bonds to which the tax is pledged, any bonds to which the tax is pledged shall be retired. This subsection

(3)(k) does not apply in respect to a public stadium under chapter 36.102 RCW transferred to, owned by, or constructed by a public facilities district under chapter 36.100 RCW or a stadium and exhibition center.

(l) The county may not lease a public stadium that is financed directly or indirectly by bonds to which the tax is pledged to, or authorize the use of the public stadium by, a professional major league sports franchise unless the sports franchise gives the right of first refusal to purchase the sports franchise, upon its sale, to local government. This subsection (3)(l) does not apply to contracts in existence on April 1, 1986.

(4) If a court of competent jurisdiction declares any provision of subsection (3) of this section invalid, then that invalid provision is null and void and the remainder of this section is not affected. **Findings—Intent—2008 c 264:** "The legislature finds that locally funded heritage and arts programs build vital communities and preserve community history and culture. It further finds that within existing revenue sources, local jurisdictions should have the capability to preserve these programs in the future.

The locally funded heritage and arts program in the state's most populated county was established in 1989 using a portion of hotel-motel tax revenues. This program was structured to provide for inflation and an expanding population of the county.

In 1997, the legislature acted to assure the future of the heritage and arts program by creating an endowment fund using these same local funds. This funding mechanism has proved to be inadequate and unless immediately modified will result in a seventy-five percent reduction of funds for the program.

This act will provide a stable and predictable flow of funds to the program, provide for inflation and an expanding population, and assure the future viability of the program within existing revenue flows." [2008 c 264 § 1.]

The continued growth and development of this recreational industry provides for the general welfare and is an appropriate matter of concern to the people of the state of Washington. (3) Upon failure to obey a subpoena or to answer questions propounded by the administrative law judge and upon reasonable notice to all persons affected thereby, the director may apply to the superior court for an order compelling compliance.

(4) The administrative law judges appointed under chapter 34.12 RCW may conduct hearings respecting the suspension, revocation, or denial of licenses, may administer oaths, admit or deny admission of evidence, compel the attendance of witnesses, issue subpoenas, issue orders, and exercise all other powers and perform all other functions set out in chapter 34.05 RCW.

**67.70.070 Licenses for lottery sales agents—Factors—"Person" defined.** No license as an agent to sell lottery tickets or shares may be issued to any person to engage in business exclusively as a lottery sales agent. Before issu-

ing a license, the director shall consider such factors as: (1) The financial responsibility and security of the person and his or her business or activity, (2) the accessibility of his or her place of business or activity to the public, (3) the sufficiency of existing licenses to serve the public convenience, and (4) the volume of expected sales.

For purposes of this section, the term "person" means an individual, association, corporation, club, trust, estate, society, company, joint stock company, receiver, trustee, assignee, referee, or any other person acting in a fiduciary or representative capacity, whether appointed by a court or otherwise, and any combination of individuals. "Person" does not mean any department, commission, agency, or instrumentality of the state, or any county or municipality or any agency or instrumentality thereof, except for retail outlets of the state liquor control board. [2012 c 117 § 308; 1982 2nd ex.s. c 7 § 7.]

**67.70.080 License as authority to act.** Any person licensed as provided in this chapter is hereby authorized and empowered to act as a lottery sales agent. [1982 2nd ex.s. c 7 § 8.]

**67.70.090 Denial, suspension, and revocation of licenses.** The director may deny an application for, or suspend or revoke, after notice and hearing, any license issued pursuant to this chapter. Such license may, however, be temporarily suspended by the director without prior notice, pending any prosecution, investigation, or hearing. A license may be suspended or revoked or an application may be denied by the director for one or more of the following reasons:

(1) Failure to account for lottery tickets received or the proceeds of the sale of lottery tickets or to file a bond if required by the director or to comply with the instructions of the director concerning the licensed activity;

(2) For any of the reasons or grounds stated in RCW 9.46.075 or violation of this chapter or the rules of the commission;

(3) Failure to file any return or report or to keep records or to pay any tax required by this chapter;

(4) Fraud, deceit, misrepresentation, or conduct prejudicial to public confidence in the state lottery;

(5) That the number of lottery tickets sold by the lottery sales agent is insufficient to meet administrative costs, or that public convenience is adequately served by other licensees;

(6) A material change, since issuance of the license with respect to any matters required to be considered by the director under RCW 67.70.070.

For the purpose of reviewing any application for a license and for considering the denial, suspension, or revocation of any license the director may consider any prior criminal conduct of the applicant or licensee and the provisions of RCW 9.95.240 and of chapter 9.96A RCW shall not apply to such cases. [1982 2nd ex.s. c 7 § 9.]

**67.70.100 Assignment of rights prohibited—Exceptions—Notices—Assignment of payment of remainder of an annuity—Intervention—Limitation on payment by director—Rules—Recovery of costs of commission—Federal ruling required—Discharge of liability.** (1) Except under subsection (2) of this section, no right of any person to

a prize drawn is assignable, except that payment of any prize drawn may be paid to the estate of a deceased prize winner, and except that any person pursuant to an appropriate judicial order may be paid the prize to which the winner is entitled.

(2)(a) The payment of all or part of the remainder of an annuity may be assigned to another person, pursuant to a voluntary assignment of the right to receive future annual prize payments, if the assignment is made pursuant to an appropriate judicial order of the Thurston county superior court or the superior court of the county in which the prize winner resides, if the winner is a resident of Washington state. If the prize winner is not a resident of Washington state, the winner must seek an appropriate order from the Thurston county superior court.

(b) If there is a voluntary assignment under (a) of this subsection, a copy of the petition for an order under (a) of this subsection and all notices of any hearing in the matter shall be served on the attorney general no later than ten days before any hearing or entry of any order.

(c) The court receiving the petition may issue an order approving the assignment and directing the director to pay to the assignee the remainder or portion of an annuity so assigned upon finding that all of the following conditions have been met:

(i) The assignment has been memorialized in writing and executed by the assignor and is subject to Washington law;

(ii) The assignor provides a sworn declaration to the court attesting to the facts that the assignor has had the opportunity to be represented by independent legal counsel in connection with the assignment, has received independent financial and tax advice concerning the effects of the assignment, and is of sound mind and not acting under duress, and the court makes findings determining so;

(iii) The assignee has provided a one-page written disclosure statement that sets forth in bold-face type, fourteen point or larger, the payments being assigned by amount and payment dates, the purchase price, or loan amount being paid; the interest rate or rate of discount to present value, assuming monthly compounding and funding on the contract date; and the amount, if any, of any origination or closing fees that will be charged to the lottery winner. The disclosure statement must also advise the winner that the winner should consult with and rely upon the advice of his or her own independent legal or financial advisors regarding the potential federal and state tax consequences of the transaction; and

(iv) The proposed assignment does not and will not include or cover payments or portions of payments subject to offsets pursuant to RCW 67.70.255 unless appropriate provision is made in the order to satisfy the obligations giving rise to the offset.

(d) The commission may intervene as of right in any proceeding under this section but shall not be deemed an indispensable or necessary party.

(3) The director will not pay the assignee an amount in excess of the annual payment entitled to the assignor.

(4) The commission may adopt rules pertaining to the assignment of prizes under this section, including recovery of actual costs incurred by the commission. The recovery of actual costs shall be deducted from the initial annuity payment made to the assignee.

(5) No voluntary assignment under this section is effective unless and until the national office of the federal internal revenue service provides a ruling that declares that the voluntary assignment of prizes will not affect the federal income tax treatment of prize winners who do not assign their prizes. If at any time the federal internal revenue service or a court of competent jurisdiction provides a determination letter, revenue ruling, other public ruling of the internal revenue service or published decision to any state lottery or state lottery prize winner declaring that the voluntary assignment of prizes will effect the federal income tax treatment of prize winners who do not assign their prizes, the director shall immediately file a copy of that letter, ruling, or published decision with the secretary of state. No further voluntary assignments may be allowed after the date the ruling, letter, or published decision is filed.

(6) The occurrence of any event described in subsection (5) of this section does not render invalid or ineffective assignments validly made and approved pursuant to an appropriate judicial order before the occurrence of any such event.

(7) The requirement for a disclosure statement in subsection (2)(c)(iii) of this section does not apply to any assignment agreement executed before April 21, 1997.

(8) The commission and the director shall be discharged of all further liability upon payment of a prize pursuant to this section. [1997 c 111 § 1; 1996 c 228 § 2; 1982 2nd ex.s. c 7 § 10.]

**Intent—1996 c 228:** "The Washington state lottery act under chapter 7, Laws of 1982 2nd ex. sess., provides, among other things, that the right of any person to a prize shall not be assignable, except to the estate of a deceased prize winner, or to a person designated pursuant to an appropriate judicial order. Current law and practices provide that those who win lotto jackpots are paid in annual installments over a period of twenty years. The legislature recognizes that some prize winners, particularly elderly persons, those seeking to acquire a small business, and others with unique needs, may not want to wait to be paid over the course of up to twenty years. It is the intent of the legislature to provide a restrictive means to accommodate those prize winners who wish to enjoy more of their winnings currently, without impacting the current fiscal structure of the Washington state lottery commission." [1996 c 228 § 1.]

[1982 2nd ex.s. c 7 § 11.]

**67.70.120 Sale to minor prohibited—Exception—Penalties.** (1) A ticket or share shall not be sold to any person under the age of eighteen, but this shall not be deemed to prohibit the purchase of a ticket or share for the purpose of making a gift by a person eighteen years of age or older to a person less than that age.

(2) Any licensee who knowingly sells or offers to sell a lottery ticket or share to any person under the age of eighteen is guilty of a misdemeanor.

(2012 Ed.)

education system is crucial for our state's future economic success and prosperity, and for our children and their children to lead successful lives.

The purpose of this act is to improve public education and to achieve higher academic standards for all students through smaller class sizes and other improvements. A portion of the state's surplus general fund revenues is dedicated to this purpose.

In 1993, Washington state made a major commitment to improved public education by passing the Washington education reform act. This act established new, higher standards of academic achievement for all students. It also established new levels of accountability for students, teachers, schools, and school districts. However, the K-12 finance system has not been changed to respond to the new standards and individual student needs.

To make higher student achievement a reality, schools need the additional resources and flexibility to provide all students with more individualized quality instruction, more time, and the extra support that they may require. We need to ensure that curriculum, instruction methods, and assessments of student performance are aligned with the new standards and student needs. The current level of state funding does not provide adequate resources to support higher academic achievement for all students. In fact, inflation-adjusted per-student state funding has declined since the legislature adopted the 1993 education reform act.

The erosion of state funding for K-12 education is directly at odds with the state's "paramount duty to make ample provision for the education of all children...." Now is the time to invest some of our surplus state revenues in K-12 education and redirect state lottery funds to education, as was originally intended, so that we can fulfill the state's paramount duty.

Conditions and needs vary across Washington's two hundred ninety-six school districts. School boards accountable to their local communities should therefore have the flexibility to decide which of the following strategies will be most effective in increasing student performance and in helping students meet the state's new, higher academic standards:

- (1) Major reductions in K-4 class size;
- (2) Selected class size reductions in grades 5-12, such as small high school writing classes;
- (3) Extended learning opportunities for students who need or want additional time in school;
- (4) Investments in educators and their professional development;
- (5) Early assistance for children who need prekindergarten support in order to be successful in school; and
- (6) Providing improvements or additions to facilities to support class size reductions and extended learning opportunities.

#### REDUCING CLASS SIZE

Smaller classes in the early grades can significantly increase the amount of learning that takes place in the classroom. Washington state now ranks forty-eighth in the nation in its student-teacher ratio. This is unacceptable.

Significant class size reductions will provide our children with more individualized instruction and the attention they need and deserve and will reduce behavioral problems in classrooms. The state's long-term goal should be to reduce class size in grades K-4 to no more than eighteen students per teacher in a class.

The people recognize that class size reduction should be phased-in over several years. It should be accompanied by the necessary funds for school construction and modernization and for high-quality, well-trained teachers.

#### EXTENDED LEARNING OPPORTUNITIES

Student achievement will also be increased if we expand learning opportunities beyond our traditional-length school day and year. In many school districts, educators and parents want a longer school day, a longer school year, and/or all-day kindergarten to help students improve their academic performance or explore new learning opportunities. In addition, special programs such as before-and-after-school tutoring will help struggling students catch and keep up with their classmates. Extended learning opportunities will be increasingly important as attainment of a certificate of mastery becomes a high school graduation requirement.

#### TEACHER QUALITY

Key to every student's academic success is a quality teacher in every classroom. Washington state's new standards for student achievement make teacher quality more important than ever. We are asking our teachers to teach more demanding curriculum in new ways, and we are holding our educators and schools to new, higher levels of accountability for student performance. Resources are needed to give teachers the content knowledge and skills to teach to higher standards and to give school leaders the skills to improve instruction and manage organizational change.

The ability of school districts throughout the state to attract and retain

the highest quality teaching corps by offering competitive salaries and effective working conditions is an essential element of basic education. The state legislature is responsible for establishing teacher salaries. It is imperative that the legislature fund salary levels that ensure school districts' ability to recruit and retain the highest quality teachers.

#### EARLY ASSISTANCE

The importance of a child's intellectual development in the first five years has been established by widespread scientific research. This is especially true for children with disabilities and special needs. Providing assistance appropriate to children's developmental needs will enhance the academic achievement of these children in grades K-12. Early assistance will also lessen the need for more expensive remedial efforts in later years.

#### NO SUPPLANTING OF EXISTING EDUCATION FUNDS

It is the intent of the people that existing state funding for education, including all sources of such funding, shall not be reduced, supplanted, or otherwise adversely impacted by appropriations or expenditures from the \*student achievement fund created in RCW 43.135.045 or the education construction fund.

#### INVESTING SURPLUS IN SCHOOLS UNTIL GOAL MET

It is the intent of the people to invest a portion of state surplus revenues in their schools. This investment should continue until the state's contribution to funding public education achieves a reasonable goal. The goal should reflect the state's paramount duty to make ample provision for the education of all children and our citizens' desire that all students receive a quality education. The people set a goal of per-student state funding for the maintenance and operation of K-12 education being equal to at least ninety percent of the national average per-student expenditure from all sources. When this goal is met, further deposits to the \*student achievement fund shall be required only to the extent necessary to maintain the ninety-percent level." [2001 c 3 § 2 (Initiative Measure No. 728, approved November 7, 2000).]

(1) The director may enter into contracts with any financially responsible person or firm providing for the payment of such installments; or

(2) The director may establish and maintain a reserve account into which shall be placed sufficient moneys for the director to pay such installments as they become due. Such reserve account shall be maintained as a separate and independent fund outside the state treasury. [1987 c 511 § 11; 1982 2nd ex.s. c 7 § 25.]

State agencies or political subdivisions submitting debt information tapes shall provide updates on a regular basis at intervals not to exceed one month and shall be solely responsible for the accuracy of the information contained therein.

(2) The lottery shall include the debt information submitted by state agencies or political subdivisions in its validation and prize payment process. The lottery shall delay payment of a prize exceeding six hundred dollars for a period not to exceed two working days, to any person owing a debt to a state agency or political subdivision pursuant to the information submitted in subsection (1) of this section. The lottery shall contact the state agency or political subdivision that provided the information to verify the debt. (3) Prior to disbursement, any lottery prize exceeding six hundred dollars shall be set off against any debts owed by the prize winner to a state agency or political subdivision, or that the state is authorized to enforce or collect. [1986 c 83 § 2.]

[1987 c 511 § 15; 1982 2nd ex.s. c 7 § 33.]

**67.70.340 Transfer of shared game lottery proceeds.**

(1) The legislature recognizes that creating a shared game lottery could result in less revenue being raised by the existing state lottery ticket sales. The legislature further recognizes that the fund most impacted by this potential event is the Washington opportunity pathways account. Therefore, it is the intent of the legislature to use some of the proceeds from the shared game lottery to make up the difference that the potential state lottery revenue loss would have on the Washington opportunity pathways account. The legislature further intends to use some of the proceeds from the shared game lottery to fund programs and services related to problem and pathological gambling.

(2) The Washington opportunity pathways account is expected to receive one hundred two million dollars annually from state lottery games other than the shared game lottery. For fiscal year 2011 and thereafter, if the amount of lottery revenues earmarked for the Washington opportunity path-

ways account is less than one hundred two million dollars, the commission, after making the transfer required under subsection (3) of this section, must transfer sufficient moneys from revenues derived from the shared game lottery into the Washington opportunity pathways account to bring the total revenue up to one hundred two million dollars.

(3)(a) The commission shall transfer, from revenue derived from the shared game lottery, to the problem gambling account created in RCW 43.20A.892, an amount equal to the percentage specified in (b) of this subsection of net receipts. For purposes of this subsection, "net receipts" means the difference between (i) revenue received from the sale of lottery tickets or shares and revenue received from the sale of shared game lottery tickets or shares; and (ii) the sum of payments made to winners.

(b) In fiscal year 2006, the percentage to be transferred to the problem gambling account is one-tenth of one percent. In fiscal year 2007 and subsequent fiscal years, the percentage to be transferred to the problem gambling account is thirteen one-hundredths of one percent.

(4) The commission shall transfer the remaining net revenues, if any, derived from the shared game lottery "Powerball" authorized in RCW 67.70.044(1) after the transfers pursuant to this section into the state general fund for support for the program of basic education under RCW 28A.150.200.

(5) The remaining net revenues, if any, in the shared game lottery account after the transfers pursuant to this section shall be deposited into the Washington opportunity pathways account. The commission shall report to the economic development, higher education, and commerce committees of the legislature on the key messages, components, performance objectives, and anticipated revenue impacts of the strategy by September 1, 2010, and by December 1, 2010. [2010 1st sp.s. c 27 § 6.]

**67.70.500 Veteran lottery raffle—Created.** Beginning in calendar year 2011, and on an annual basis thereafter, the lottery will offer a statewide raffle to benefit veterans and

their families to be known as the veterans' raffle. [2012 c 43 § 1; 2011 c 352 § 2.]

**Intent—2011 c 352:** "In recognition of the extraordinary sacrifices made by the men and women serving in the United States armed forces, including Washington state's national guard and reserves, the legislature intends to authorize an ongoing source of funding to preserve the veterans innovations program. The inventory shall be equal or better in quality than the unconstructed crypts or niches, or undeveloped property if they were constructed or developed.

(2) If the death of a purchaser or owner of an unconstructed crypt, niche, or undeveloped property occurs before the property is constructed or developed, the cemetery authority shall provide a constructed crypt, niche, or developed property of equal or better quality without additional cost or charge.

(3) If two or more unconstructed crypts, niches, or undeveloped properties are conveyed with the intention that the crypts, niches, or properties shall be contiguous to each other or maintained together as a group and the death of any one purchaser or owner in such group occurs before the unconstructed crypts, niches, or undeveloped property is developed, the cemetery authority shall provide additional constructed crypts, niches, or developed property of equal or better quality, contiguous to each other or together as a group, as originally intended, to other purchasers or owners in the group without additional cost or charge.

**68.50.320 Procedures for investigating missing persons—Availability of files.** When a person reported missing has not been found within thirty days of the report, or at any time the investigating agency suspects criminal activity to be the basis of the victim being missing, the sheriff, chief of police, county coroner or county medical examiner, or other law enforcement authority initiating and conducting the investigation for the missing person shall: (1) File a missing person's report with the Washington state patrol missing and unidentified persons unit; (2) initiate the collection of DNA samples from the known missing person and their family members for nuclear and mitochondrial DNA testing along with the necessary consent forms; and (3) ask the missing person's family or next of kin to give written consent to contact the dentist or dentists of the missing person and request the person's dental records.

The missing person's dentist or dentists shall provide diagnostic quality copies of the missing person's dental records or original dental records to the sheriff, chief of police, county coroner or county medical examiner, or other law enforcement authority, when presented with the written consent from the missing person's family or next of kin or with a statement from the sheriff, chief of police, county coroner or county medical examiner, or other law enforcement authority that the missing person's family or next of kin could not be located in the exercise of due diligence or that the missing person's family or next of kin refuse to consent to the release of the missing person's dental records and there is reason to believe that the missing person's family or next of kin may have been involved in the missing person's disappearance.

As soon as possible after collecting the DNA samples, the sheriff, chief of police, or other law enforcement authority shall submit the DNA samples to the appropriate laboratory. Dental records shall be submitted as soon as possible to the Washington state patrol missing and unidentified persons unit.

If the county coroner or county medical examiner with the aid of the dental examination and other identifying findings is still unable to establish the identity of the body or human remains, he or she shall prepare and forward such dental examination records within thirty days of the date the body or human remains were found to the dental identification system of the state patrol identification and criminal history section on forms supplied by the state patrol for such purposes.

The dental identification system shall act as a repository or computer center or both with respect to such dental examination records. **68.50.645 Skeletal human remains—Duty to notify—Ground disturbing activities—Coroner determination—Definitions.** (1) It is the duty of every person who knows of the existence and location of skeletal human remains to notify the coroner and local law enforcement in the most expeditious manner possible, unless such person has good reason to believe that such notice has already been given. Any person knowing of the existence of skeletal human remains and not having good reason to believe that the coroner and local law enforcement has notice thereof and who fails to give notice to the coroner and local law enforcement, is guilty of a misdemeanor.

(2) Any person engaged in ground disturbing activity and who encounters or discovers skeletal human remains in or on the ground shall:

(a) Immediately cease any activity which may cause further disturbance;

(b) Make a reasonable effort to protect the area from further disturbance;

(c) Report the presence and location of the remains to the coroner and local law enforcement in the most expeditious manner possible; and

(d) Be held harmless from criminal and civil liability arising under the provisions of this section provided the following criteria are met:

(i) The finding of the remains was based on inadvertent discovery;

(ii) The requirements of the subsection are otherwise met; and

(iii) The person is otherwise in compliance with applicable law.

(3) The coroner must make a determination of whether the skeletal human remains are forensic or nonforensic within five business days of receiving notification of a finding of such human remains provided that there is sufficient evidence to make such a determination within that time period. The coroner will retain jurisdiction over forensic remains.

(a) Upon determination that the remains are nonforensic, the coroner must notify the department of archaeology and historic preservation within two business days. The department will have jurisdiction over such remains until provenance of the remains is established. A determination that remains are nonforensic does not create a presumption of removal or nonremoval.

(b) Upon receiving notice from a coroner of a finding of nonforensic skeletal human remains, the department must notify the appropriate local cemeteries, and all affected Indian tribes via certified mail to the head of the appropriate tribal government, and contact the appropriate tribal cultural resources staff within two business days of the finding. The determination of what are appropriate local cemeteries to be notified is at the discretion of the department. A notification to tribes of a finding of such nonforensic skeletal human remains does not create a presumption that the remains are Indian.

(c) The state physical anthropologist must make an initial determination of whether nonforensic skeletal human remains are Indian or non-Indian to the extent possible based on the remains within two business days of notification of a finding of nonforensic remains. If the remains are determined to be Indian, the department must notify all affected Indian tribes via certified mail to the head of the appropriate tribal government within two business days and contact the appropriate tribal cultural resources staff.

(d) The affected tribes have five business days to respond via telephone or writing to the department as to their interest in the remains.

(4) For the purposes of this section:

(a) "Affected tribes" are:

(i) Those federally recognized tribes with usual and accustomed areas in the jurisdiction where the remains were found;

(ii) Those federally recognized tribes that submit to the department maps that reflect the tribe's geographical area of cultural affiliation; and

(iii) Other tribes with historical and cultural affiliation in the jurisdiction where the remains were found.

(b) "Forensic remains" are those that come under the jurisdiction of the coroner pursuant to RCW 68.50.010.

(c) "Inadvertent discovery" has the same meaning as used in RCW 27.44.040.

(5) Nothing in this section constitutes, advocates, or otherwise grants, confers, or implies federal or state recognition of those tribes that are not federally recognized pursuant to 25 C.F.R. part 83, procedures for establishing that an American Indian group exists as an Indian tribe. [2008 c 275 § 1.]

**Reporting requirements—2008 c 275:** "The department of archaeology and historic preservation must communicate with the appropriate committees of the legislature by November 15, 2009, and biennially thereafter, regarding the numbers of inadvertent discoveries of skeletal human remains and other associated activities pursuant to this act." The office of financial management must calculate the new dollar threshold and transmit it to the office of the code reviser for publication in the Washington State Register at least one month before the new dollar threshold is to take effect.

A person holding office as commissioner for two or more special purpose districts shall receive only that per diem compensation authorized for one of his or her commissioner positions as compensation for attending an official meeting or conducting official services or duties while representing more than one of his or her districts. However, such commissioner may receive additional per diem compensation if approved by resolution of all boards of the affected commissions. **68.54.010 Annexation—Petition—Procedure.** Any territory contiguous to a cemetery district and not within the boundaries of a city or town other than as set forth in RCW 68.52.210 or other cemetery district may be annexed to such cemetery district by petition of ten percent of the registered voters residing within the territory proposed to be annexed who voted in the last general municipal election. Such petition shall be filed with the cemetery commissioners of the cemetery district and if the cemetery commissioners shall concur in the petition they shall then file such petition with the county auditor who shall within thirty days from the date of filing such petition examine the signatures thereof and certify to the sufficiency or insufficiency thereof. After the county auditor shall have certified to the sufficiency of the petition, the proceedings thereafter by the county legislative authority, and the rights and powers and duties of the county legislative authority, petitioners and objectors and the election and canvass thereof shall be the same as in the original proceedings to form a cemetery district: PROVIDED, That the county legislative authority shall have authority and it shall be its duty to determine on an equitable basis, the amount of obligation which the territory to be annexed to the district shall assume, if any, to place the taxpayers of the existing district on a fair and equitable relationship with the taxpayers of the territory to be annexed by reason of the benefits of coming into a going district previously supported by the taxpayers of the existing district, and such obligation may be paid to the district in yearly installments to be fixed by the county legislative authority if within the limits as outlined in RCW 68.52.310 and included in the annual tax levies against the property in such annexed territory until fully paid. The amount of the obligation and the plan of payment thereof filed by the county legislative authority shall be set out in

general terms in the notice of election for annexation: PROVIDED, That the special election shall be held only within the boundaries of the territory proposed to be annexed to the cemetery district. Upon the entry of the order of the county legislative authority incorporating such contiguous territory within such existing cemetery district, the territory shall become subject to the indebtedness, bonded or otherwise, of the existing district in like manner as the territory of the district. Should such petition be signed by sixty percent of the registered voters residing within the territory proposed to be annexed, and should the cemetery commissioners concur therein, an election in such territory and a hearing on such petition shall be dispensed with and the county legislative authority shall enter its order incorporating such territory within the existing cemetery district. [1990 c 259 § 35; 1987 c 331 § 74; 1969 ex.s. c 78 § 1. Formerly RCW 68.18.010.]

**68.54.020 Merger—Authorized.** A cemetery district organized under chapter 68.52 RCW may merge with another such district lying adjacent thereto, upon such terms and conditions as they agree upon, in the manner hereinafter provided. The district desiring to merge with another district shall hereinafter be called the "merging district", and the district into which the merger is to be made shall be called the "merger district". [1990 c 259 § 36; 1969 ex.s. c 78 § 2. Formerly RCW 68.18.020.]

**68.54.030 Merger—Petition—Procedure—Contents.** To effect such a merger, a petition therefor shall be filed with the board of the merger district by the commissioners of the merging district. The commissioners of the merging district may sign and file the petition upon their own initiative, and they shall file such a petition when it is signed by ten percent of the registered voters resident in the merging district who voted in the last general municipal election and presented to them. The petition shall state the reasons for the merger; give a detailed statement of the district's finances, listing its assets and liabilities; state the terms and conditions under which the merger is proposed; and pray for the merger. [1990 c 259 § 37; 1969 ex.s. c 78 § 3. Formerly RCW 68.18.030.]

**68.54.040 Merger—Petition—Rejection, concurrence, or modification—Signatures.** The board of the merger district may, by resolution, reject the petition, or it may concur therein as presented, or it may modify the terms and conditions of the proposed merger, and shall transmit the petition, together with a copy of its resolution thereon to the merging district. If the petition is concurred in as presented or as modified, the board of the merging district shall forthwith present the petition to the auditor of the county in which the merging district is situated, who shall within thirty days examine the signatures thereon and certify to the sufficiency or insufficiency thereof, and for that purpose he or she shall have access to all registration books and records in the possession of the registration officers of the election precincts included, in whole or in part, within the merging district. Such books and records shall be prima facie evidence of truth of the certificate. No signatures may be withdrawn from the petition after the filing. [2012 c 117 § 322; 1969 ex.s. c 78 § 4. Formerly RCW 68.18.040.]

**68.54.050 Merger—Petition—Special election.** If the auditor finds that the petition contains the signatures of a sufficient number of qualified electors, he or she shall return it, together with his or her certificate of sufficiency attached thereto, to the board of the merging district. Thereupon such board shall adopt a resolution, calling a special election in the merging district, at which shall be submitted to the electors thereof, the question of the merger. [2012 c 117 § 323; 1969 ex.s. c 78 § 5. Formerly RCW 68.18.050.]

**68.54.060 Merger—Petition—Election—Vote required—Merger effected.** The board of [the] merging district shall notify the board of the merger district of the results of the election. If three-fifths of the votes cast at the election favor the merger, the respective district boards shall adopt concurrent resolutions, declaring the districts merged, under the name of the merger district. Thereupon the districts are merged into one district, under the name of the merger district; the merging district is dissolved without further proceedings; and the boundaries of the merger district are thereby extended to include all the area of the merging district. Thereafter the legal existence cannot be questioned by any person by reason of any defect in the proceedings had for the merger. [1969 ex.s. c 78 § 6. Formerly RCW 68.18.060.]

**68.54.070 Merger—Petition—When election dispensed with.** If three-fifths of all the qualified electors in the merging district sign the petition to merge, no election on the question of the merger is necessary. In such case, the auditor shall return the petition, together with his or her certificate of sufficiency attached thereto, to the board of the merging district. Thereupon the boards of the respective districts shall adopt their concurrent resolutions of merger in the same manner and to the same effect as if the merger had been authorized by an election. [2012 c 117 § 324; 1969 ex.s. c 78 § 7. Formerly RCW 68.18.070.]

**68.54.080 Merger—Preexisting obligations.** None of the obligations of the merged districts or of a local improvement district therein shall be affected by the merger and dissolution, and all land liable to be assessed to pay any of such indebtedness shall remain liable to the same extent as if the merger had not been made, and any assessments theretofore levied against the land shall remain unimpaired and shall be collected in the same manner as if no merger had been made. The commissioners of the merged district shall have all the powers possessed at the time of the merger by the commissioners of the two districts, to levy, assess and cause to be collected all assessments against any land in both districts which may be necessary to provide for the payment of the indebtedness thereof, and until the assessments are collected and all indebtedness of the districts paid, separate funds shall be maintained for each district as were maintained before the merger: PROVIDED, That the board of the merged district may, with the consent of the creditors of the districts merged, cancel any or all assessments theretofore levied, in accordance with the terms and conditions of the merger, to the end that the lands in the respective districts shall bear their fair and proportionate share of such indebtedness. [1969 ex.s. c 78 § 8. Formerly RCW 68.18.080.]

**68.54.090 Merger—Transfer of all property, funds, assessments.** The commissioners of the merging district shall, forthwith upon completion of the merger, transfer, convey, and deliver to the merged district all property and funds of the merging district, together with all interest in and right to collect any assessments theretofore levied. [1969 ex.s. c 78 § 9. Formerly RCW 68.18.090.]

**68.54.100 Merger and transfer of part of one district to adjacent district—Petition—Election—Vote.** A part of one district may be transferred and merged with an adjacent district whenever such area can be better served by the merged district. To effect such a merger a petition, signed by not less than fifteen percent of the qualified electors residing in the area to be merged, shall be filed with the commissioners of the merging district. Such petition shall be promoted by one or more qualified electors within the area to be transferred. If the commissioners of the merging district act favorably upon the petition, then the petition shall be presented to the commissioners of the merger district. If the commissioners of the merger district act favorably upon the petition, an election shall be called in the area merged.

In the event that either board of cemetery commissioners should not concur with the petition, the petition may then be presented to a county review board established for such purposes, if there be no county review board for such purposes then to the state review board and if there be no state review board, then to the county commissioners of the county in which the area to be merged is situated, who shall decide if the area can be better served by such a merger; upon an affirmative decision an election shall be called in the area merged.

A majority of the votes cast shall be necessary to approve the transfer. [1969 ex.s. c 78 § 10. Formerly RCW 68.18.100.]

**68.54.110 Merger and transfer of part of one district to adjacent district—When election dispensed with.** If three-fifths of all the qualified electors in the area to be merged sign a petition to merge the districts, no election on the question of the merger is necessary, in which case the auditor shall return the petition, together with his or her certificate of sufficiency attached thereto, to the boards of the merging districts. Thereupon the boards of the respective districts shall adopt their concurrent resolutions of transfer in the same manner and to the same effect as if the same had been authorized by an election. [2012 c 117 § 325; 1969 ex.s. c 78 § 11. Formerly RCW 68.18.110.]

**68.54.120 Merger and transfer of part of one district to adjacent district—Preexisting indebtedness.** When a part of one cemetery district is transferred to another as provided by RCW 68.54.100 and 68.54.110, said part shall be relieved of all liability for any indebtedness of the district from which it is withdrawn. However, the acquiring district shall pay to the losing district that portion of the latter's indebtedness for which the transferred part was liable. This amount shall not exceed the proportion that the assessed valuation of the transferred part bears to the assessed valuation of the whole district from which said part is withdrawn. The adjustment of such indebtedness shall be based on the assessment for the year in which the transfer is made. The boards of

commissioners of the districts involved in the said transfer and merger shall enter into a contract for the payment by the acquiring district of the above-referred to indebtedness under such terms as they deem proper, provided such contract shall not impair the security of existing creditors. [1987 c 331 § 75; 1969 ex.s. c 78 § 12. Formerly RCW 68.18.120.]

**68.54.900 Effective date—1987 c 331.** See RCW 68.05.900.

**68.60.010 Definitions.** Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

(1) "Abandoned cemetery" means a burial ground of the human dead in [for] which the county assessor can find no record of an owner; or where the last known owner is deceased and lawful conveyance of the title has not been made; or in which a cemetery company, cemetery association, corporation, or other organization formed for the purposes of burying the human dead has either disbanded, been administratively dissolved by the secretary of state, or otherwise ceased to exist, and for which title has not been conveyed.

(2) "Historical cemetery" means any burial site or grounds which contain within them human remains buried prior to November 11, 1889; except that (a) cemeteries holding a valid certificate of authority to operate granted under RCW 68.05.115 and 68.05.215, (b) cemeteries owned or operated by any recognized religious denomination that qualifies for an exemption from real estate taxation under RCW 84.36.020 on any of its churches or the ground upon which any of its churches are or will be built, and (c) cemeteries controlled or operated by a coroner, county, city, town, or cemetery district shall not be considered historical cemeteries.

(3) "Historic grave" means a grave or graves that were placed outside a cemetery dedicated pursuant to this chapter and to chapter 68.24 RCW, prior to June 7, 1990, except Indian graves and burial cairns protected under chapter 27.44 RCW.

(4) "Cemetery" has the meaning provided in RCW 68.04.040(2). [1990 c 92 § 1.]

**68.60.020 Dedication.** Any cemetery, abandoned cemetery, historical cemetery, or historic grave that has not been dedicated pursuant to RCW 68.24.030 and 68.24.040 shall be considered permanently dedicated and subject to RCW 68.24.070. Removal of dedication may only be made pursuant to RCW 68.24.090 and 68.24.100. [1999 c 367 § 3; 1990 c 92 § 2.]

**68.60.030 Preservation and maintenance corporations—Authorization of other corporations to restore, maintain, and protect abandoned cemeteries.** (1)(a) The department of archaeology and historic preservation may grant by nontransferable certificate authority to maintain and protect an abandoned cemetery upon application made by a preservation organization which has been incorporated for the purpose of restoring, maintaining, and protecting an abandoned cemetery. Such authority shall be limited to the care, maintenance, restoration, protection, and historical preservation of the abandoned cemetery, and shall not include authority to make burials. In order to activate a historical cemetery for burials, an applicant must apply for a certificate of author-

ity to operate a cemetery from the funeral and cemetery board.

(b) Those preservation and maintenance corporations that are granted authority to maintain and protect an abandoned cemetery shall be entitled to hold and possess burial records, maps, and other historical documents as may exist. Maintenance and preservation corporations that are granted authority to maintain and protect an abandoned cemetery shall not be liable to those claiming burial rights, ancestral ownership, or to any other person or organization alleging to have control by any form of conveyance not previously recorded at the county auditor's office within the county in which the abandoned cemetery exists. Such organizations shall not be liable for any reasonable alterations made during restoration work on memorials, roadways, walkways, features, plantings, or any other detail of the abandoned cemetery.

(c) Should the maintenance and preservation corporation be dissolved, the department of archaeology and historic preservation shall revoke the certificate of authority.

(d) Maintenance and preservation corporations that are granted authority to maintain and protect an abandoned cemetery may establish care funds.

(2) Except as provided in subsection (1) of this section, the department of archaeology and historic preservation may, in its sole discretion, authorize any Washington nonprofit corporation that is not expressly incorporated for the purpose of restoring, maintaining, and protecting an abandoned cemetery, to restore, maintain, and protect one or more abandoned cemeteries. The authorization may include the right of access to any burial records, maps, and other historical documents, but shall not include the right to be the permanent custodian of original records, maps, or documents. This authorization shall be granted by a nontransferable certificate of authority. Any nonprofit corporation authorized and acting under this subsection is immune from liability to the same extent as if it were a preservation organization holding a certificate of authority under subsection (1) of this section.

(3) The department of archaeology and historic preservation shall establish standards and guidelines for granting certificates of authority under subsections (1) and (2) of this section to assure that any restoration, maintenance, and protection activities authorized under this subsection are conducted and supervised in an appropriate manner. [2009 c 102 § 21; 2005 c 365 § 150; 1995 c 399 § 168; 1993 c 67 § 1; 1990 c 92 § 3.]

(2) Every person who in a cemetery unlawfully or without right willfully destroys, cuts, breaks, removes, or injures any building, statuary, ornamentation, tree, shrub, flower, or

plant within the limits of a cemetery is guilty of a gross misdemeanor punishable under chapter 9A.20 RCW.

(3) Every person who in a cemetery unlawfully or without right willfully opens a grave; removes personal effects of the decedent; removes all or portions of human remains; removes or damages caskets, surrounds, outer burial containers, or any other device used in making the original burial; transports unlawfully removed human remains from the cemetery; or knowingly receives unlawfully removed human remains from the cemetery is guilty of a class C felony punishable under chapter 9A.20 RCW. [1990 c 92 § 4.]

**68.60.050 Protection of historic graves—Penalty.** (1) Any person who knowingly removes, mutilates, defaces, injures, or destroys any historic grave shall be guilty of a class C felony punishable under chapter 9A.20 RCW. Persons disturbing historic graves through inadvertence, including disturbance through construction, shall reinter the human remains under the supervision of the department of archaeology and historic preservation. Expenses to reinter such human remains are to be provided by the department of archaeology and historic preservation to the extent that funds for this purpose are appropriated by the legislature.

(2) This section does not apply to actions taken in the performance of official law enforcement duties.

(3) It shall be a complete defense in a prosecution under subsection (1) of this section if the defendant can prove by a preponderance of evidence that the alleged acts were accidental or inadvertent and that reasonable efforts were made to preserve the remains accidentally disturbed or discovered, and that the accidental discovery or disturbance was properly reported. **68.60.055 Skeletal human remains—Duty to notify—Ground disturbing activities—Coroner determination—Definitions.** (1) Any person who discovers skeletal human remains shall notify the coroner and local law enforcement in the most expeditious manner possible. Any person knowing of the existence of skeletal human remains and not having good reason to believe that the coroner and local law enforcement has notice thereof and who fails to give notice thereof is guilty of a misdemeanor.

(2) Any person engaged in ground disturbing activity and who encounters or discovers skeletal human remains in or on the ground shall:

(a) Immediately cease any activity which may cause further disturbance;

(b) Make a reasonable effort to protect the area from further disturbance;

(c) Report the presence and location of the remains to the coroner and local law enforcement in the most expeditious manner possible; and

(d) Be held harmless from criminal and civil liability arising under the provisions of this section provided the following criteria are met:

(i) The finding of the remains was based on inadvertent discovery;

(ii) The requirements of the subsection are otherwise met; and

(iii) The person is otherwise in compliance with applicable law.

(3) The coroner must make a determination whether the skeletal human remains are forensic or nonforensic within five business days of receiving notification of a finding of such remains provided that there is sufficient evidence to make such a determination within that time period. The coroner will retain jurisdiction over forensic remains.

(a) Upon determination that the remains are nonforensic, the coroner must notify the department of archaeology and historic preservation within two business days. The department will have jurisdiction over such remains until provenance of the remains is established. A determination that remains are nonforensic does not create a presumption of removal or nonremoval.

(b) Upon receiving notice from a coroner of a finding of nonforensic skeletal human remains, the department must notify the appropriate local cemeteries, and all affected Indian tribes via certified mail to the head of the appropriate tribal government, and contact the appropriate tribal cultural resources staff within two business days of the finding. The determination of what are appropriate local cemeteries to be notified is at the discretion of the department. A notification to tribes of a finding of such nonforensic skeletal human remains does not create a presumption that the remains are Indian.

(c) The state physical anthropologist must make an initial determination of whether nonforensic skeletal human remains are Indian or non-Indian to the extent possible based on the remains within two business days of notification of a finding of such nonforensic remains. If the remains are determined to be Indian, the department must notify all affected Indian tribes via certified mail to the head of the appropriate tribal government within two business days and contact the appropriate tribal cultural resources staff.

(d) The affected tribes have five business days to respond via telephone or writing to the department as to their interest in the remains.

(4) For the purposes of this section:

(a) "Affected tribes" are:

(i) Those federally recognized tribes with usual and accustomed areas in the jurisdiction where the remains were found;

(ii) Those federally recognized tribes that submit to the department maps that reflect the tribe's geographical area of cultural affiliation; and

(iii) Other tribes with historical and cultural affiliation in the jurisdiction where the remains were found.

(b) "Forensic remains" are those that come under the jurisdiction of the coroner pursuant to RCW 68.50.010.

(c) "Inadvertent discovery" has the same meaning as used in RCW 27.44.040.

(5) Nothing in this section constitutes, advocates, or otherwise grants, confers, or implies federal or state recognition of those tribes that are not federally recognized pursuant to 25 C.F.R. part 83, procedures for establishing that an American Indian group exists as an Indian tribe. [2008 c 275 § 3.]

**Reporting requirements—2008 c 275:** See note following RCW 68.50.645.

**68.60.060 Violations—Civil liability.** Any person who violates any provision of this chapter is liable in a civil action by and in the name of the department of archaeology and historic preservation to pay all damages occasioned by their unlawful acts. The sum recovered shall be applied in payment for the repair and restoration of the property injured or destroyed and to the care fund if one is established. [2009 c 102 § 23; 1990 c 92 § 5.]

**Funeral directors and embalmers account and cemetery account abolished, moneys transferred to funeral and cemetery account—2009 c 102:** See note following RCW 18.39.810.

**Effective date—Intent—Legislation to reconcile chapter 161, Laws of 2010 and other amendments made during the 2010 legislative session—2010 c 161:** See notes following RCW 46.04.013.

**68.64.020 Scope.** This chapter applies to an anatomical gift or amendment to, revocation of, or refusal to make an anatomical gift, whenever made. [2008 c 139 § 3.]

**68.64.030 Persons authorized to make an anatomical gift—During life of donor.** Subject to RCW 68.64.070, an anatomical gift of a donor's body or part may be made during the life of the donor in the manner provided in RCW 68.64.040 by:

(1) The donor, if the donor is an adult or if the donor is a minor and is:

- (a) Emancipated; or
- (b) Authorized under state law to apply for a driver's license because the donor is at least fifteen and one-half years old;

(2) An agent of the donor, unless the power of attorney for health care or other record prohibits the agent from making an anatomical gift;

(3) A parent of the donor, if the donor is an unemancipated minor; provided, however, that an anatomical gift made pursuant to this subsection shall cease to be valid once the donor becomes either an emancipated minor or an adult; or

(4) The donor's guardian. [2008 c 139 § 4.]

**68.64.040 Manner in which an anatomical gift may be made.** (1) A donor may make an anatomical gift:

(a) By authorizing a statement or symbol indicating that the donor has made an anatomical gift to be imprinted on the donor's driver's license or identification card;

If the donor or other person is physically unable to sign a record, the record may be signed by another individual at the direction of the donor or other person and must:

(b) State that it has been signed and witnessed as provided in (a) of this subsection.

(3) Revocation, suspension, expiration, or cancellation of a driver's license or identification card through which an anatomical gift has been made does not invalidate the gift.

(4) An anatomical gift made by will takes effect upon the donor's death whether or not the will is probated. Invalidation of the will after the donor's death does not invalidate the gift. [2008 c 139 § 5.]

**68.64.050 Amending or revoking an anatomical gift.**

(1) Subject to RCW 68.64.070, a donor or other person authorized to make an anatomical gift under RCW 68.64.030 may amend or revoke an anatomical gift by:

(a) A record signed by:

(i) The donor;

The donor or other person shall notify the Washington organ procurement organization of the destruction or cancellation of the document of gift for the purpose of removing the individual's name from the organ and tissue donor registry created in RCW 68.64.200. If the Washington state organ procurement organization that is notified does not maintain a registry for Washington residents, it shall notify all Washington state procurement organizations that do maintain such a registry.

(4) A donor may amend or revoke an anatomical gift that was not made in a will by any form of communication during a terminal illness or injury addressed to at least two adults, at least one of whom is a disinterested witness.

(i) The individual; or

(ii) Subject to subsection (2) of this section, another individual acting at the direction of the individual if the individual is physically unable to sign;

(2) A record signed pursuant to subsection (1)(a)(ii) of this section must:

(a) Be witnessed by at least two adults, at least one of whom is a disinterested witness, who have signed at the request of the individual; and

(b) State that it has been signed and witnessed as provided in (a) of this subsection.

(3) An individual who has made a refusal may amend or revoke the refusal:

(a) In the manner provided in subsection (1) of this section for making a refusal;

(b) By subsequently making an anatomical gift pursuant to RCW 68.64.040 that is inconsistent with the refusal; or

(c) By destroying or canceling the record evidencing the refusal, or the portion of the record used to make the refusal, with the intent to revoke the refusal.

(4) Except as otherwise provided in RCW 68.64.070(8), in the absence of an express, contrary indication by the individual set forth in the refusal, an individual's unrevoked refusal to make an anatomical gift of the individual's body or part bars all other persons from making an anatomical gift of the individual's body or part. [2008 c 139 § 7.]

**68.64.070 Making, amending, or revoking a gift by a person other than donor—Making additional gifts.** (1) Except as otherwise provided in subsection (7) of this section and subject to subsection (6) of this section, in the absence of an express, contrary indication by the donor, a person other than the donor is barred from making, amending, or revoking an anatomical gift of a donor's body or part if the donor made an anatomical gift of the donor's body or part under RCW 68.64.040 or an amendment to an anatomical gift of the donor's body or part under RCW 68.64.050.

(2) A donor's revocation of an anatomical gift of the donor's body or part under RCW 68.64.050 is not a refusal and does not bar another person specified in RCW 68.64.030 or 68.64.080 from making an anatomical gift of the donor's body or part under RCW 68.64.040 or 68.64.090.

(3) If a person other than the donor makes an unrevoked anatomical gift of the donor's body or part under RCW 68.64.040 or an amendment to an anatomical gift of the donor's body or part under RCW 68.64.050, another person may not make, amend, or revoke the gift of the donor's body or part under RCW 68.64.090.

(4) A revocation of an anatomical gift of a donor's body or part under RCW 68.64.050 by a person other than the donor does not bar another person from making an anatomical gift of the body or part under RCW 68.64.040 or 68.64.090.

(5) In the absence of an express, contrary indication by the donor or other person authorized to make an anatomical gift under RCW 68.64.030, an anatomical gift of a part is neither a refusal to give another part nor a limitation on the making of an anatomical gift of another part at a later time by the donor or another person.

(6) In the absence of an express, contrary indication by the donor or other person authorized to make an anatomical gift under RCW 68.64.030, an anatomical gift of a part for one or more of the permitted purposes is not a limitation on the making of an anatomical gift of the part for any of the other purposes by the donor or any other person under RCW 68.64.040 or 68.64.090.

(7) If a donor who is an unemancipated minor dies, a parent of the donor who is reasonably available may revoke or amend an anatomical gift of the donor's body or part.

(8) If an unemancipated minor who signed a refusal dies, a parent of the minor who is reasonably available may revoke the minor's refusal. [2008 c 139 § 8.]

**68.64.080 Persons authorized to make an anatomical gift—After donor's death.** (1) Subject to subsections (2) and (3) of this section and unless barred by RCW 68.64.060 or 68.64.070, an anatomical gift of a decedent's body or part may be made by any member of the following classes of persons who is reasonably available, in the order of priority listed:

(a) An agent of the decedent at the time of death who could have made an anatomical gift under RCW 68.64.030(2) immediately before the decedent's death;

(2) If there is more than one member of a class listed in subsection (1)(a), (c), (d), (e), (f), (g), or (h) of this section entitled to make an anatomical gift, an anatomical gift may be made by a member of the class unless that member or a person to which the gift may pass under RCW 68.64.100 knows of an objection by another member of the class. If an objection is known, the gift may be made only by a majority of the members of the class who are reasonably available.

(3) A person may not make an anatomical gift if, at the time of the decedent's death, a person in a prior class under subsection (1) of this section is reasonably available to make or to object to the making of an anatomical gift. [2008 c 139 § 9.]

**68.64.090 Manner in which an anatomical gift may be made—After donor's death.** (1) A person authorized to make an anatomical gift under RCW 68.64.080 may make an anatomical gift by a document of gift signed by the person making the gift or by that person's oral communication that is electronically recorded or is contemporaneously reduced to a record and signed by the individual receiving the oral communication.

(2) Subject to subsection (3) of this section, an anatomical gift by a person authorized under RCW 68.64.080 may be amended or revoked orally or in a record by any member of a prior class who is reasonably available. If more than one member of the prior class is reasonably available, the gift made by a person authorized under RCW 68.64.080 may be:

(a) Amended only if a majority of the reasonably available members agree to the amending of the gift; or

(b) Revoked only if a majority of the reasonably available members agree to the revoking of the gift or if they are equally divided as to whether to revoke the gift.

(3) A revocation under subsection (2) of this section is effective only if, before an incision has been made to remove a part from the donor's body or before transplant procedures have begun on the recipient, the procurement organization, transplant hospital, or physician or technician knows of the revocation. [2008 c 139 § 10.]

**68.64.100 Persons to whom an anatomical gift may be made.** (1) An anatomical gift may be made to the following persons named in the document of gift:

(a) For research or education: A hospital; an accredited medical school, dental school, college, or university; or an organ procurement organization;

(b) Subject to subsection (2) of this section, an individual designated by the person making the anatomical gift if the individual is the recipient of the part;

(c) An eye bank or tissue bank.

(2) If an anatomical gift to an individual under subsection (1)(b) of this section cannot be transplanted into the individual, the part passes in accordance with subsection (7) of this section in the absence of an express, contrary indication by the person making the anatomical gift.

(3) If an anatomical gift of one or more specific parts or of all parts is made in a document of gift that does not name a person described in subsection (1) of this section but identifies the purpose for which an anatomical gift may be used, the following rules apply:

(a) If the part is an eye and the gift is for the purpose of transplantation or therapy, the gift passes to the appropriate eye bank.

(b) If the part is tissue and the gift is for the purpose of transplantation or therapy, the gift passes to the appropriate tissue bank.

(c) If the part is an organ and the gift is for the purpose of transplantation or therapy, the gift passes to the appropriate organ procurement organization as custodian of the organ.

(d) If the part is an organ, an eye, or tissue and the gift is for the purpose of research or education, the gift passes to the appropriate procurement organization.

(4) For the purpose of subsection (3) of this section, if there is more than one purpose of an anatomical gift set forth in the document of gift but the purposes are not set forth in any priority, the gift must be used for transplantation or therapy, if suitable. If the gift cannot be used for transplantation or therapy, the gift may be used for research or education.

(5) If an anatomical gift of one or more specific parts is made in a document of gift that does not name a person described in subsection (1) of this section and does not identify the purpose of the gift, the gift may be used only for transplantation or therapy, and the gift passes in accordance with subsection (7) of this section.

(6) If a document of gift specifies only a general intent to make an anatomical gift by words such as "donor," "organ donor," or "body donor," or by a symbol or statement of similar import, the gift may be used only for transplantation or therapy, and the gift passes in accordance with subsection (7) of this section.

(7) For purposes of subsections (2), (5), and (6) of this section the following rules apply:

(a) If the part is an eye, the gift passes to the appropriate eye bank.

(b) If the part is tissue, the gift passes to the appropriate tissue bank.

(c) If the part is an organ, the gift passes to the appropriate organ procurement organization as custodian of the organ.

(8) An anatomical gift of an organ for transplantation or therapy, other than an anatomical gift under subsection (1)(b)

of this section, passes to the organ procurement organization as custodian of the organ.

(9) If an anatomical gift does not pass pursuant to subsections (1) through (8) of this section or the decedent's body or part is not used for transplantation, therapy, research, or education, custody of the body or part passes to the person under obligation to dispose of the body or part.

(10) A person may not accept an anatomical gift if the person knows that the gift was not effectively made under RCW 68.64.040 or 68.64.090 or if the person knows that the decedent made a refusal under RCW 68.64.060 that was not revoked. For purposes of this subsection (10), if a person knows that an anatomical gift was made on a document of gift, the person is deemed to know of any amendment or revocation of the gift or any refusal to make an anatomical gift on the same document of gift.

(11) Except as otherwise provided in subsection (1)(b) of this section, nothing in this chapter affects the allocation of organs for transplantation or therapy. [2008 c 139 § 11.]

**68.64.105 Document of gift—Validity requirements.**

(1) A document of gift is valid if executed in accordance with:

- (a) This chapter;
- (b) The laws of the state or country where it was executed; or
- (c) The laws of the state or country where the person making the anatomical gift was domiciled, has a place of residence, or was a national at the time the document of gift was executed.

(2) If a document of gift is valid under this section, the law of this state governs the interpretation of the document of gift.

(3) A person may presume that a document of gift or amendment of an anatomical gift is valid unless that person knows that it was not validly executed or was revoked. [2008 c 139 § 19.]

**68.64.110 Document of gift or refusal—Examination and copying.** (1) A document of gift need not be delivered during the donor's lifetime to be effective.

(2) Upon or after an individual's death, a person in possession of a document of gift or a refusal to make an anatomical gift with respect to the individual shall allow examination and copying of the document of gift or refusal by a person authorized to make or object to the making of an anatomical gift with respect to the individual or by a person to which the gift could pass under RCW 68.64.100. [2008 c 139 § 12.]

**68.64.120 Procurement organizations—Reasonable examinations—Donee's rights—Physician removal of donated part.** (1) When a hospital refers an individual at or near death to a procurement organization, the organization shall make a reasonable search of the records of the department of licensing and any donor registry that it knows exists for the geographical area in which the individual resides to ascertain whether the individual has made an anatomical gift.

(2) A procurement organization must be allowed reasonable access to information in the records of the department of

licensing to ascertain whether an individual at or near death is a donor.

(3) When a hospital refers an individual at or near death to a procurement organization, the organization may conduct any reasonable examination necessary to ensure the medical suitability of a part that is or could be the subject of an anatomical gift for transplantation, therapy, research, or education from a donor or a prospective donor. During the examination period, measures necessary to ensure the medical suitability of the part may not be withdrawn unless the hospital or procurement organization knows that the individual expressed a contrary intent.

(4) Unless prohibited by law other than this chapter, at any time after a donor's death, the person to which a part passes under RCW 68.64.100 may conduct any reasonable examination necessary to ensure the medical suitability of the body or part for its intended purpose.

(5) Unless prohibited by law other than this chapter, an examination under subsection (3) or (4) of this section may include an examination of all medical records of the donor or prospective donor.

(6) Upon the death of a minor who was a donor or had signed a refusal, unless a procurement organization knows the minor is emancipated, the procurement organization shall conduct a reasonable search for the parents of the minor and provide the parents with an opportunity to revoke or amend the anatomical gift or revoke the refusal.

(7) Upon referral by a hospital under subsection (1) of this section, a procurement organization shall make a reasonable search for any person listed in RCW 68.64.080 having priority to make an anatomical gift on behalf of a prospective donor. If a procurement organization receives information that an anatomical gift to any other person was made, amended, or revoked, it shall promptly advise the other person of all relevant information.

(8) Subject to RCW 68.64.100(9), 68.64.190, and 68.64.901, the rights of the person to which a part passes under RCW 68.64.100 are superior to the rights of all others with respect to the part. The person may accept or reject an anatomical gift in whole or in part. Subject to the terms of the document of gift and this chapter, a person that accepts an anatomical gift of an entire body may allow embalming, burial, or cremation, and use of remains in a funeral service. If the gift is of a part, the person to which the part passes under RCW 68.64.100, upon the death of the donor and before embalming, burial, or cremation, shall cause the part to be removed without unnecessary mutilation.

(9) Neither the physician who attends the decedent at death nor the physician who determines the time of the decedent's death may participate in the procedures for removing or transplanting a part from the decedent.

(10) A physician or technician may remove a donated part from the body of a donor that the physician or technician is qualified to remove. [2008 c 139 § 13.]

**68.64.130 Nonnative English speakers—Interpreter services and translations.** When English is not the first language of the person or persons making, amending, revoking, or refusing anatomical gifts as defined in chapter 139, Laws of 2008, organ procurement organizations are responsible for providing, at no cost, appropriate interpreter services or

translations to such persons for the purpose of making such decisions. [2008 c 139 § 14.]

**68.64.140 Hospitals—Agreements or affiliations with procurement organizations required.** Each hospital in this state shall enter into agreements or affiliations with procurement organizations for coordination of procurement and use of anatomical gifts. [2008 c 139 § 15.]

**68.64.150 Illegal purchases or sales—Felony.** (1) Except as otherwise provided in subsection (2) of this section, a person who, for valuable consideration, knowingly purchases or sells a part for transplantation or therapy if removal of a part from an individual is intended to occur after the individual's death is guilty of a class C felony under RCW 9A.20.010.

(2) A person may charge a reasonable amount for the removal, processing, preservation, quality control, storage, transportation, implantation, or disposal of a part. [2008 c 139 § 16.]

**68.64.160 Illegal financial gain—Altering a document, amendment, or revocation of gift—Felony.** A person who, in order to obtain financial gain, intentionally falsifies, forges, conceals, defaces, or obliterates a document of gift, an amendment or revocation of a document of gift, or a refusal is guilty of a class C felony under RCW 9A.20.010. [2008 c 139 § 17.]

**68.64.170 Liability.** (1) A person who acts in accordance with this chapter or with the applicable anatomical gift law of another state, or attempts in good faith to do so, is not liable for the act in a civil action, criminal prosecution, or administrative proceeding.

(2) Neither the person making an anatomical gift nor the donor's estate is liable for any injury or damage that results from the making or use of the gift.

(3) In determining whether an anatomical gift has been made, amended, or revoked under this chapter, a person may rely upon representations of an individual listed in RCW 68.64.080(1) (b) through (g) relating to the individual's relationship to the donor or prospective donor unless the person knows that the representation is untrue. [2008 c 139 § 18.]

**68.64.180 Declarations or advance health care directives—Conflicts with medical suitability measures.** (1) The definitions in this subsection apply throughout this section unless the context clearly requires otherwise.

(a) "Advance health care directive" means a power of attorney for health care or a "directive" as defined in RCW 70.122.020.

(b) "Declaration" means a record signed by a prospective donor specifying the circumstances under which a life support system may be withheld or withdrawn from the prospective donor.

(c) "Health care decision" means any decision made regarding the health care of the prospective donor.

(2) If a prospective donor has a declaration or advance health care directive, and the terms of the declaration or directive and the express or implied terms of a potential anatomical gift are in conflict with regard to the administration

of measures necessary to ensure the medical suitability of a part for transplantation or therapy, the prospective donor's attending physician and the prospective donor shall confer to resolve the conflict. If the prospective donor is incapable of resolving the conflict, an agent acting under the prospective donor's declaration or directive, or, if none or the agent is not reasonably available, another person authorized by law other than this chapter to make health care decisions on behalf of the prospective donor, shall act for the donor to resolve the conflict. The conflict must be resolved as expeditiously as possible. Information relevant to the resolution of the conflict may be obtained from the appropriate procurement organization and any other person authorized to make an anatomical gift for the prospective donor under RCW 68.64.080. Before resolution of the conflict, measures necessary to ensure the medical suitability of the part may not be withheld or withdrawn from the prospective donor if withholding or withdrawing the measures is not contraindicated by appropriate end-of-life care. [2008 c 139 § 20.]

**68.64.190 Coroner or medical examiner—Duties.** (1)(a) A coroner or medical examiner shall cooperate with procurement organizations, to the extent that such cooperation does not prevent, hinder, or impede the timely investigation of death, to facilitate the opportunity to recover anatomical gifts for the purpose of transplantation or therapy. However, a coroner or medical examiner may limit the number of procurement organizations with which he or she cooperates.

(b) The coroner or medical examiner may release the initial investigative information to the tissue or organ procurement organization for the purpose of determining the suitability of the potential donor by those organizations. The information released for this purpose shall remain confidential. The coroner or medical examiner is not liable for any release of confidential information by the procurement organization.

(2)(a) Procurement organizations shall cooperate with the coroner or medical examiner to ensure the preservation of and timely transfer to the coroner or medical examiner any physical or biological evidence from a prospective donor that the procurement organization may have contact with or access to that is required by the coroner or medical examiner for the investigation of death.

(b) If the coroner or medical examiner or a designee releases a part for donation under subsection (4) of this section, the procurement organization, upon request, shall cause the physician or technician who removes the part to provide the coroner or medical examiner with a record describing the condition of the part, biopsies, residual tissue, photographs, and any other information and observations requested by the coroner or medical examiner that would assist in the investigation of death.

(3) A part may not be removed from the body of a decedent under the jurisdiction of a coroner or medical examiner for transplantation, therapy, research, or education unless the part is the subject of an anatomical gift, and has been released by the coroner or medical examiner. The body of a decedent under the jurisdiction of the coroner or medical examiner may not be delivered to a person for research or education unless the body is the subject of an anatomical gift. This subsection does not preclude a coroner or medical examiner from performing the medicolegal investigation upon the body or

relevant parts of a decedent under the jurisdiction of the coroner or medical examiner.

(4) If an anatomical gift of a part from the decedent under the jurisdiction of the coroner or medical examiner has been or might be made, but the coroner or medical examiner initially believes that the recovery of the part could interfere with the postmortem investigation into the decedent's cause or manner of death, the collection of evidence, or the description, documentation, or interpretation of injuries on the body, the coroner or medical examiner may consult with the procurement organization or physician or technician designated by the procurement organization about the proposed recovery. After consultation, the coroner or medical examiner may release the part for recovery. [2008 c 139 § 21.]

**68.64.200 Organ and tissue donor registry.** (1) The department of licensing shall electronically transfer all information that appears on the front of a driver's license or identicard including the name, gender, date of birth, and most recent address of any person who obtains a driver's license or identicard and volunteers to donate organs or tissue upon death to any Washington state organ procurement organization that intends to establish a statewide organ and tissue donor registry as provided under subsection (2) of this section. All subsequent electronic transfers of donor information shall be at no charge to this Washington state organ procurement organization.

(2) Information obtained by a Washington state organ procurement organization under subsection (1) of this section shall be used for the purpose of establishing a statewide organ and tissue donor registry accessible to in-state recognized cadaveric organ and cadaveric tissue agencies for the recovery or placement of organs and tissue and to procurement agencies in another state when a Washington state resident is a donor of an anatomical gift and is not located in this state at the time of death or immediately before the death of the donor. Any registry created using information acquired under subsection (1) of this section must include all residents of Washington state regardless of their residence within the service area designated by the federal government.

(3) No organ or tissue donation organization may obtain information from the organ and tissue donor registry for the purposes of fund-raising. Organ and tissue donor registry information may not be further disseminated unless authorized in this section or by federal law. Dissemination of organ and tissue donor registry information may be made by a Washington state organ procurement organization to another Washington state organ procurement organization, a recognized in-state procurement agency for other tissue recovery, or an out-of-state federally designated organ procurement organization that has been designated by the United States department of health and human services to serve an area outside Washington.

(4) A Washington state organ procurement organization may acquire donor information from sources other than the department of licensing.

(5) All reasonable costs associated with the creation of an organ and tissue donor registry shall be paid by the Washington state organ procurement organization that has requested the information. The reasonable costs associated with the initial installation and setup for electronic transfer of

the donor information at the department of licensing shall be paid by the Washington state organ procurement organization that requested the information.

(6) An individual does not need to participate in the organ and tissue donor registry to be a donor of organs or tissue. The registry is to facilitate organ and tissue donations and not inhibit persons from being donors upon death. [2003 c 94 § 3. Formerly RCW 68.50.635.]

**Findings—2003 c 94:** "The legislature finds that the use of anatomical gifts, including the donation of organ[s] or tissue, for the purpose of transplantation is of great interest to the citizens of Washington state and may save or prolong the life or improve the health of extremely ill and dying persons.

The legislation further finds that more than eighty thousand people are currently waiting for life-saving organ transplants on the national transplant waiting list. More than one thousand two hundred of these people are listed at Washington state transplant centers. Nationally, seventeen people die each day as a result of the shortage of donated organs.

The creation of a statewide organ and tissue donor registry is crucial to facilitate timely and successful organ and tissue procurement. The legislature further finds that continuing education as to the existence and maintenance of a statewide organ and tissue donor registry is in the best interest of the people of the state of Washington." [2003 c 94 § 1.]

**68.64.210 Organ and tissue donation awareness account.** (1) The organ and tissue donation awareness account is created in the custody of the state treasurer. All receipts from donations made under RCW 46.16A.090(2), and other contributions and appropriations specifically made for the purposes of organ and tissue donor awareness, shall be deposited into the account. Except as provided in subsection (2) of this section, expenditures from the account may be authorized by the director of the department of licensing or the director's designee and do not require an appropriation.

(2) The department of licensing shall submit a funding request to the legislature covering the reasonable costs associated with the ongoing maintenance associated with the electronic transfer of the donor information to the organ and tissue donor registry and the donation program established in RCW 46.16A.090(2). The legislature shall appropriate to the department of licensing an amount it deems reasonable from the organ and tissue donation awareness account to the department of licensing for these purposes.

(3) At least quarterly, the department of licensing shall transmit any remaining moneys in the organ and tissue donation awareness account to the foundation established in RCW 46.16A.090(2) for the costs associated with educating the public about the organ and tissue donor registry and related organ and tissue donation education programs.

(4) Funding for donation awareness programs must be proportional across the state regardless of which Washington state organ procurement organization may be designated by the United States department of health and human services to serve a particular geographic area. No funds from the account may be used to fund activities outside Washington state. [2010 c 161 § 1157; 2003 c 94 § 7. Formerly RCW 68.50.640.]

**68.64.901 Applicable state laws.** This chapter is subject to the laws of this state governing the jurisdiction of the coroner or medical examiner. [2008 c 139 § 22.]

**68.64.902 Uniformity of application and construction—2008 c 139.** In applying and construing this uniform act, consideration must be given to the need to promote uniformity of the law with respect to its subject matter among states that enact it. [2008 c 139 § 23.]

**68.64.903 Supersedes, in part, the federal electronic signatures in global and national commerce act.** This chapter modifies, limits, and supersedes the federal electronic signatures in global and national commerce act (15 U.S.C. Sec. 7001 et seq.) with respect to electronic signatures and anatomical gifts, but does not modify, limit, or supersede section 101(a) of that act (15 U.S.C. Sec. 7001), or authorize electronic delivery of any of the notices described in section 103(b) of that act (15 U.S.C. Sec. 7003(b)). [2008 c 139 § 24.]

If the director has reason to believe that any packaging method, package, or container in use or proposed for use with respect to the marketing of bacon is false or misleading in any particular, or does not meet the requirements of RCW 69.04.205, he or she may

direct that such use be withheld unless the packaging method, package, or container is modified in such manner as he or [or] she may prescribe so that it will not be false or misleading. If the person, firm, or corporation using or proposing to use the packaging method, package, or container does not accept the determination of the director such person, firm, or corporation may request a hearing, but the use of the packaging method, package, or container shall, if the director so directs, be withheld pending hearing and final determination by the director. Any such determination by the director shall be conclusive unless, within thirty days after receipt of notice of such final determination, the person, firm, or corporation adversely affected thereby appeals to a court of proper jurisdiction. **69.04.210 Food—Adulteration by poisonous or deleterious substance.** A food shall be deemed to be adulterated:

(1) If it bears or contains any poisonous or deleterious substance which may render it injurious to health; but in case the substance is not an added substance such food shall not be considered adulterated under this clause if the quantity of such substance in such food does not ordinarily render it injurious to health; or

(2)(a) If it bears or contains any added poisonous or added deleterious substance (other than one which is (i) a pesticide chemical in or on a raw agricultural commodity; (ii) a food additive, or (iii) a color additive) which is unsafe within the meaning of RCW 69.04.390, or (b) if it is a raw agricultural commodity and it bears or contains a pesticide chemical which is unsafe within the meaning of RCW 69.04.392, or (c) if it is, or it bears or contains, any food additive which is unsafe within the meaning of RCW 69.04.394: PROVIDED, That where a pesticide chemical has been used in or on a raw agricultural commodity in conformity with an exemption granted or a tolerance prescribed under RCW 69.04.392 and such raw agricultural commodity has been subjected to processing such as canning, cooking, freezing, dehydrating, or milling, the residue of such pesticide chemical remaining in or on such processed food shall, notwithstanding the provisions of RCW 69.04.390 and 69.04.394, not be deemed unsafe if such residue in or on the raw agricultural commodity has been removed to the extent possible in good manufacturing practice and the concentration of such residue in the processed food when ready to eat is not greater than the tolerance prescribed for the raw agricultural commodity; or

(3) If it consists in whole or in part of any diseased, contaminated, filthy, putrid, or decomposed substance, or if it is otherwise unfit for food; or

(4) If it has been produced, prepared, packed, or held under insanitary conditions whereby it may have become contaminated with filth, or whereby it may have been rendered diseased, unwholesome, or injurious to health; or

(5) If it is in whole or in part the product of a diseased animal or of an animal which has died otherwise than by slaughter or which has been fed on the uncooked offal from a slaughterhouse; or

(2012 Ed.)

(6) If its container is composed in whole or in part of any poisonous or deleterious substance which may render the contents injurious to health; or

(7) If it has been intentionally subjected to radiation, unless the use of the radiation was in conformity with a regulation or exemption in effect pursuant to RCW 69.04.394. [1963 c 198 § 1; 1945 c 257 § 39; Rem. Supp. 1945 § 6163-88. Prior: 1923 c 36 § 1; 1907 c 211 § 3; 1901 c 94 § 3.]

**69.04.220 Food—Adulteration by abstraction, addition, substitution, etc.** A food shall be deemed to be adulterated (1) if any valuable constituent has been in whole or in part omitted or abstracted therefrom; or (2) if any substance has been substituted wholly or in part therefor; or (3) if damage or inferiority has been concealed in any manner; or (4) if any substance has been added thereto or mixed or packed therewith so as to increase its bulk or weight, or reduce its quality or strength, or make it appear better or of greater value than it is. This section shall not apply to any chewing gum by reason of its containing harmless nonnutritive masticatory substances, or to any confection permitted to be sold by an endorsement from the liquor control board under RCW 66.24.360. [2007 c 226 § 3; 1984 c 78 § 2; 1945 c 257 § 42; Rem. Supp. 1945 § 6163-91. Prior: 1923 c 36 § 1, part; 1907 c 211 § 3, part.]

**69.04.245 Poultry—Improper use of state's geographic outline.** Uncooked poultry is deemed to be misbranded if it is produced outside of this state but the label for the poultry contains the geographic outline of this state. [1989 c 257 § 2.]

**Legislative findings—1989 c 257:** "The legislature finds that: Poultry produced in this state is known throughout the state for its high quality; and one of the sources of that quality is the proximity of production centers to retail outlets in the state. The legislature also finds that labeling which misrepresents poultry produced elsewhere as being a product of this state may lead consumers to purchase products which they would not otherwise purchase. The legislature further finds that the presence of the geographic outline of this state on a label for poultry produced outside of the state misrepresents the product as having been produced in this state." [1989 c 257 § 1.]

**69.04.250 Food—Misbranding by false label, etc.** A food shall be deemed to be misbranded (1) if its labeling is false or misleading in any particular; or (2) if it is offered for sale under the name of another food; or (3) if it is an imitation of another food, unless its label bears, in type of uniform size and prominence, the word "imitation" and, immediately

thereafter, the name of the food imitated; or (4) if its container is so made, formed or filled as to be misleading. [1945 c 257 § 43; Rem. Supp. 1945 § 6163-92. Prior: 1923 c 36 § 2; 1907 c 211 § 4.]

[1945 c 257 § 45; Rem. Supp. 1945 § 6163-94.]

**69.04.280 Food—Misbranding for nonconformity with standard of identity.** If a food purports to be or is represented as a food for which a definition and standard of identity has been prescribed by regulations as provided by RCW 69.04.190, it shall be deemed to be misbranded unless (1) it conforms to such definition and standard, and (2) its label bears the name of the food specified in the definition and standard, and, insofar as may be required by such regulations, the common names of optional ingredients (other than spices, flavoring, and coloring) present in such food. [1945 c 257 § 47; Rem. Supp. 1945 § 6163-96.]

**69.04.300 Food—Misbranding for nonconformity with standard of fill.** If a food purports to be or is represented as a food for which a standard or standards of fill of container have been prescribed by regulations as provided by RCW 69.04.190, and it falls below the standard of fill of container applicable thereto, it shall be deemed to be misbranded unless its label bears, in such manner and form as such regulations specify, a statement that it falls below such standard. [1945 c 257 § 48; Rem. Supp. 1945 § 6163-97.]

provisions of RCW 69.04.280, it shall be deemed to be misbranded unless its label bears (1) the common or usual name of the food, if any there be, and (2) in case it is fabricated from two or more ingredients, the common or usual name of each such ingredient; except that spices, flavorings, and colorings, other than those sold as such, may be designated as spices, flavorings, and colorings without naming each: PROVIDED, That, to the extent that compliance with the requirements of clause (2) of this section is impracticable, or results in deception or unfair competition, exemptions shall be established by regulations promulgated by the director. [1945 c 257 § 49; Rem. Supp. 1945 § 6163-98.]

**69.04.315 Halibut—Misbranding by failure to show proper name.** No person shall label or offer for sale any food fish product designated as halibut, with or without additional descriptive words unless such food fish product is Hippoglossus Hippoglossus or Hippoglossus Stenolepsis. Any person violating the provisions of this section shall be guilty of misbranding under the provisions of this chapter. [1967 ex.s. c 79 § 1.]

**69.04.320 Food—Misbranding by failure to show dietary properties.** If a food purports to be or is represented for special dietary uses, it shall be deemed to be misbranded, unless its label bears such information concerning its vitamin, mineral and other dietary properties as is necessary in order to fully inform purchasers as to its value for such uses, as provided by regulations promulgated by the director, such regulations to conform insofar as practicable with regulations under section 403(j) of the federal act. [1945 c 257 § 50; Rem. Supp. 1945 § 6163-99.]

If the flavoring is some other product, the establishment shall also disclose the ingredients of the product.

The director of agriculture shall adopt rules prescribing the size and content of the sign upon which the disclosure is to be made. Any popcorn sold by or offered for sale by such an establishment to a consumer in violation of this section or

the rules of the director implementing this section shall be deemed to be misbranded for the purposes of this chapter.

(2) The provisions of subsection (1) of this section do not apply to packaged popcorn labeled so as to disclose ingredients as required by law for prepackaged foods.

(3) For purposes of this section, "butter" is defined as the food product usually known as butter, and which is made exclusively from milk or cream, or both, with or without common salt, and with or without additional coloring matter, and containing not less than eighty percent by weight or [of] milkfat, all tolerance having been allowed for. **69.04.340 Natural vitamin, mineral, or dietary properties need not be shown.** Nothing in this chapter shall be construed to require the labeling or advertising to indicate the natural vitamin, natural mineral, or other natural dietary properties of dairy products or other agricultural products when sold as food. [1945 c 257 § 52; Rem. Supp. 1945 § 6163-101.]

**69.04.350 Permits to manufacture or process certain foods.** Whenever the director finds after investigation that the distribution in intrastate commerce of any class of food may, by reason of contamination with micro-organisms during the manufacture, processing, or packing thereof in any locality, be injurious to health, and that such injurious nature cannot be adequately determined after such articles have

entered intrastate commerce, he or she then, and in such case only, shall promulgate regulations providing for the issuance, to manufacturers, processors, or packers of such class of food in such locality, of permits to which shall be attached such conditions governing the manufacture, processing, or packing of such class of food, for such temporary period of time, as may be necessary to protect the public health; and after the effective date of such regulations, and during such temporary period, no person shall introduce or deliver for introduction into intrastate commerce, any such food manufactured, processed, or packed by any such manufacturer, processor, or packer unless such manufacturer, processor, or packer holds a permit issued by the director as provided by such regulations. Insofar as practicable, such regulations shall conform with, shall specify the conditions prescribed by, and shall remain in effect only so long as those promulgated under section 404(a) of the federal act. [2012 c 117 § 335; 1945 c 257 § 53; Rem. Supp. 1945 § 6163-102.]

**69.04.360 Suspension of permit.** The director is authorized to suspend immediately upon notice any permit issued under authority of \*this section, if it is found that any of the conditions of the permit have been violated. The holder of a permit so suspended shall be privileged at any time to apply for the reinstatement of such permit, and the director shall, immediately after prompt hearing and an inspection of the factory or establishment, reinstate such permit, if it is found that adequate measures have been taken to comply with and maintain the conditions of the permit, as originally issued or as amended. [1945 c 257 § 54; Rem. Supp. 1945 § 6163-103.]

\*Reviser's note: The language "this section" appears in 1945 c 257 § 54 but apparently refers to 1945 c 257 § 53 codified as RCW 69.04.350.

**69.04.370 Right of access for inspection.** Any officer or employee duly designated by the director shall have access to any factory or establishment, the operator of which holds a permit from the director, for the purpose of ascertaining whether or not the conditions of the permit are being complied with, and denial of access for such inspection shall be ground for suspension of the permit until such access is freely given by the operator. [1945 c 257 § 55; Rem. Supp. 1945 § 6163-104.]

**69.04.380 Food exempt if in transit for completion purposes.** Food which is, in accordance with the practice of the trade, to be processed, labeled, or repacked in substantial quantities at an establishment other than the establishment where it was originally processed or packed, is exempted from the affirmative labeling requirements of this chapter, while it is in transit in intrastate commerce from the one establishment to the other, if such transit is made in good faith for such completion purposes only; but it is otherwise subject to all the applicable provisions of this chapter. [1945 c 257 § 56; Rem. Supp. 1945 § 6163-105.]

**69.04.390 Regulations permitting tolerance of harmful matter.** Any poisonous or deleterious substance added to any food, except where such substance is required in the production thereof or cannot be avoided by good manufacturing practice, shall be deemed unsafe for purposes of the applica-

tion of RCW 69.04.210(2)(a); but when such substance is so required or cannot be so avoided, the director shall promulgate regulations limiting the quantity therein or thereon to such extent as he or she finds necessary for the protection of public health, and any quantity exceeding the limits so fixed shall also be deemed unsafe for purposes of the application of RCW 69.04.210(2)(a). While such a regulation is in effect limiting the quantity of any such substance in the case of any food, such food shall not, by reason of bearing or containing any added amount of such substance, be considered to be adulterated within the meaning of RCW 69.04.210(1). In determining the quantity of such added substance to be tolerated in or on different articles of food, the director shall take into account the extent to which the use of such substance is required or cannot be avoided in the production of each such article, and the other ways in which the consumer may be affected by the same or other poisonous or deleterious substances. [2012 c 117 § 336; 1963 c 198 § 2; 1945 c 257 § 57; Rem. Supp. 1945 § 6163-106.]

**69.04.392 Regulations permitting tolerance of harmful matter—Pesticide chemicals in or on raw agricultural commodities.** (1) Any poisonous or deleterious pesticide chemical, or any pesticide chemical which generally is recognized among experts qualified by scientific training and experience to evaluate the safety of pesticide chemicals as unsafe for use, added to a raw agricultural commodity, shall be deemed unsafe for the purpose of the application of RCW 69.04.210(2)(a) unless:

(a) A tolerance for such pesticide chemical in or on the raw agricultural commodity has been prescribed pursuant to subsection (2) of this section and the quantity of such pesticide chemical in or on the raw agricultural commodity is within the limits of the tolerance so prescribed; or

(b) With respect to use in or on such raw agricultural commodity, the pesticide chemical has been exempted from the requirement of a tolerance pursuant to subsection (2) of this section.

While a tolerance or exemption from tolerance is in effect for a pesticide chemical with respect to any raw agricultural commodity, such raw agricultural commodity shall not, by reason of bearing or containing any added amount of such pesticide chemical, be considered to be adulterated within the meaning of RCW 69.04.210(1).

(2) The regulations promulgated under section 408 of the federal food, drug and cosmetic act, as of July 1, 1975, setting forth the tolerances for pesticide chemicals in or on any raw agricultural commodity, are hereby adopted as the regulations for tolerances applicable to this chapter: PROVIDED, That the director is hereby authorized to adopt by regulation any new or future amendments to such federal regulations for tolerances, including exemption from tolerance and zero tolerances, to the extent necessary to protect the public health. The director is also authorized to issue regulations in the absence of federal regulations and to prescribe therein tolerances for pesticides, exemptions, and zero tolerances, upon his or her own motion or upon the petition of any interested party requesting that such a regulation be established. It shall be incumbent upon such petitioner to establish, by data submitted to the director, that a necessity exists for such regulation and that the effect of such regulation will not be detri-

mental to the public health. If the data furnished by the petitioner is not sufficient to allow the director to determine whether such a regulation should be promulgated, the director may require additional data to be submitted and failure to comply with this request shall be sufficient grounds to deny the request of the petitioner for the issuance of such regulation.

(3) In adopting any new or amended tolerances by regulation issued pursuant to this section, the director shall give appropriate consideration, among other relevant factors, to the following: (a) The purpose of this chapter being to promote uniformity of state legislation with the federal act; (b) the necessity for the production of an adequate, wholesome, and economical food supply; (c) the other ways in which the consumer may be affected by the same pesticide chemical or by other related substances that are poisonous or deleterious; and (d) the opinion of experts qualified by scientific training and experience to determine the proper tolerance to be allowed for any pesticide chemical. [2012 c 117 § 337; 1975 1st ex.s. c 7 § 26; 1963 c 198 § 3.]

**Purpose of section:** See RCW 69.04.398.

**69.04.394 Regulations permitting tolerance of harmful matter—Food additives.** (1) A food additive shall, with respect to any particular use or intended use of such additives, be deemed unsafe for the purpose of the application of clause (2)(c) of RCW 69.04.210, unless:

(a) It and its use or intended use conform to the terms of an exemption granted, pursuant to a regulation under subsection (2) hereof providing for the exemption from the requirements of this section for any food additive, and any food bearing or containing such additive, intended solely for investigational use by qualified experts when in the director's opinion such exemption is consistent with the public health; or

(b) There is in effect, and it and its use or intended use are in conformity with a regulation issued or effective under subsection (2) hereof prescribing the conditions under which such additive may be safely used.

While such a regulation relating to a food additive is in effect, a food shall not, by reason of bearing or containing such an additive in accordance with the regulation, be considered adulterated within the meaning of clause (1) of RCW 69.04.210.

(2) The regulations promulgated under section 409 of the Federal Food, Drug and Cosmetic Act, as of July 1, 1975, prescribing the conditions under which such food additive may be safely used, are hereby adopted as the regulations applicable to this chapter: PROVIDED, That the director is hereby authorized to adopt by regulation any new or future amendments to the federal regulations. The director is also authorized to issue regulations in the absence of federal regulations and to prescribe the conditions under which a food additive may be safely used and exemptions where such food additive is to be used solely for investigational purposes; either upon his or her own motion or upon the petition of any interested party requesting that such a regulation be established. It shall be incumbent upon such petitioner to establish, by data submitted to the director, that a necessity exists for such regulation and that the effect of such a regulation will not be detrimental to the public health. If the data fur-

nished by the petitioner is not sufficient to allow the director to determine whether such a regulation should be promulgated, the director may require additional data to be submitted and failure to comply with this request shall be sufficient grounds to deny the request of the petitioner for the issuance of such a regulation.

(3) In adopting any new or amended regulations pursuant to this section, the director shall give appropriate consideration, among other relevant factors, to the following: (a) The purpose of this chapter being to promote uniformity of state legislation with the federal act; (b) the probable consumption of the additive and of any substance formed in or on food because of the use of the additive; (c) the cumulative effect of such additive in the diet of human beings or animals, taking into account any chemically or pharmacologically related substance or substances in such diet; and (d) safety factors which in the opinion of experts qualified by scientific training and experience to evaluate the safety of food additives are generally recognized as appropriate for the use of animal experimentation data. [2009 c 549 § 1021; 1975 1st ex.s. c 7 § 27; 1963 c 198 § 4.]

**Purpose of section:** See RCW 69.04.398.

**69.04.396 Regulations permitting tolerance of harmful matter—Color additives.** (1) A color additive shall, with respect to any particular use (for which it is being used or intended to be used or is represented as suitable) in or on food, be deemed unsafe for the purpose of the application of RCW 69.04.231, unless:

(a) There is in effect, and such color additive and such use are in conformity with, a regulation issued under this section listing such additive for such use, including any provision of such regulation prescribing the conditions under which such additive may be safely used;

(b) Such additive and such use thereof conform to the terms of an exemption for experimental use which is in effect pursuant to regulation under this section.

While there are in effect regulations under this section relating to a color additive or an exemption with respect to such additive a food shall not, by reason of bearing or containing such additive in all respects in accordance with such regulations or such exemption, be considered adulterated within the meaning of clause (1) of RCW 69.04.210.

(2) The regulations promulgated under section 706 of the Federal Food, Drug and Cosmetic Act, as of July 1, 1975, prescribing the use or limited use of such color additive, are hereby adopted as the regulations applicable to this chapter: PROVIDED, That the director is hereby authorized to adopt by regulation any new or future amendments to the federal regulations. The director is also authorized to issue regulations in the absence of federal regulations and to prescribe therein the conditions under which a color additive may be safely used including exemptions for experimental purposes. Such a regulation may be issued either upon the director's own motion or upon the petition of any interested party requesting that such a regulation be established. It shall be incumbent upon such petitioner to establish, by data submitted to the director, that a necessity exists for such regulation and that the effect of such a regulation will not be detrimental to the public health. If the data furnished by the petitioner is not sufficient to allow the director to determine whether such

a regulation should be promulgated, the director may require additional data to be submitted and failure to comply with this request shall be sufficient grounds to deny the request of the petitioner for the issuance of such a regulation.

(3) In adopting any new or amended regulations pursuant to this section, the director shall give appropriate consideration, among other relevant factors, to the following: (a) The purpose of this chapter being to promote uniformity of state legislation with the federal act; (b) the probable consumption of, or other relevant exposure from, the additive and of any substance formed in or on food because of the use of the additive; (c) the cumulative effect, if any, of such additive in the diet of human beings or animals, taking into account the same or any chemically or pharmacologically related substance or substances in such diet; (d) safety factors which, in the opinion of experts qualified by scientific training and experience to evaluate the safety of color additives for the use or uses for which the additive is proposed to be listed, are generally recognized as appropriate for the use of animal experimentation data; (e) the availability of any needed practicable methods of analysis for determining the identity and quantity of (i) the pure dye and all intermediates and other impurities contained in such color additives, (ii) such additive in or on any article of food, and (iii) any substance formed in or on such article because of the use of such additive; and (f) the conformity by the manufacturer with the established standards in the industry relating to the proper formation of such color additive so as to result in a finished product safe for use as a color additive. [2009 c 549 § 1022; 1975 1st ex.s. c 7 § 28; 1963 c 198 § 6.]

(a) A list of food compatible substances other than food that may be transported in bulk form as cargo in a vehicle or vessel that is also used, on separate occasions, to transport food in bulk form as cargo. The list shall contain those substances that the director and the secretary determine will not pose a health hazard if food in bulk form were transported in the vehicle or vessel after it transported the substance. In making this determination, the director and the secretary shall assume that some residual portion of the substance will remain in the cargo carrying portion of the vehicle or vessel when the food is transported;

(b) The procedures to be used to clean the vehicle or vessel after transporting the substance and prior to transporting the food;

(c) The form of the certificates to be used under RCW 69.04.965; and

[1990 c 202 § 3.]

**69.04.965 Transport of bulk foods—Transports not constituting violations.** Transporting food as cargo in bulk form in intrastate commerce in a vehicle or vessel that has previously been used to transport in bulk form a cargo other than food does not constitute a violation of RCW 69.04.955 if:

(1) The cargo is a food compatible substance contained on the list adopted by the director and secretary under RCW 69.04.960;

(2) The vehicle or vessel has been cleaned as required by the rules adopted under RCW 69.04.960;

(3) The vehicle or vessel is marked "Food or Food Compatible" in conformance with rules adopted under RCW 69.04.960; and

(4) A certificate accompanies the vehicle or vessel when the food is transported by other than railroad car which attests, under penalty of perjury, to the fact that the vehicle or vessel has been cleaned as required by those rules and is

dated and signed by the party responsible for that cleaning. Such certificates shall be maintained by the owner of the vehicle or vessel for not less than three years and shall be available for inspection concerning compliance with RCW 69.04.950 through 69.04.980. The director of agriculture and the secretary of health shall jointly adopt rules requiring such certificates for the transportation of food under this section by railroad car and requiring such certificates to be available for inspection concerning compliance with RCW 69.04.950 through 69.04.980. Forms for the certificates shall be provided by the department of agriculture. [1990 c 202 § 4.]

(1) A list of substances which, if transported in bulk form in the cargo carrying portion of a vehicle or vessel, render the vehicle or vessel permanently unsuitable for use in transporting food in bulk form because the prospect that any residue might be present in the vehicle or vessel when it transports food poses a hazard to the public health; and

(2) Procedures to be used to rehabilitate a vehicle or vessel that has been used to transport a substance other than a substance contained on a list adopted under RCW 69.04.960 or under subsection (1) of this section. The procedures shall ensure that transporting food in the cargo carrying portion of the vehicle or vessel after its rehabilitation will not pose a health hazard. [1990 c 202 § 5.]

**69.04.975 Transport of bulk foods—Rehabilitation of vehicles and vessels—Inspection—Certification—Marking—Costs.** A vehicle or vessel that has been used to transport a substance other than food or a substance contained on the lists adopted by the director and secretary under RCW 69.04.960 and 69.04.970, may be rehabilitated and used to transport food only if:

(1) The vehicle or vessel is rehabilitated in accordance with the procedures established by the director and secretary in RCW 69.04.970;

(2) The vehicle or vessel is inspected by the department of agriculture, and the department determines that transporting food in the cargo carrying portion of the vehicle or vessel will not pose a health hazard;

(3) A certificate accompanies the vehicle or vessel certifying that the vehicle or vessel has been rehabilitated and inspected and is authorized to transport food, and is dated and signed by the director of agriculture, or an authorized agent of the director. Such certificates shall be maintained for the life of the vehicle by the owner of the vehicle or vessel, and shall be available for inspection concerning compliance with RCW 69.04.950 through 69.04.980. Forms for the certificates shall be provided by the department of agriculture; and

No vehicle or vessel that has transported in bulk form a substance contained on the list adopted under RCW 69.04.970 qualifies for rehabilitation.

The cost of rehabilitation shall be borne by the vehicle or vessel owner. The director shall determine a reasonable fee to be imposed on the vehicle or vessel owner based on inspection, laboratory, and administrative costs incurred by the department in rehabilitating the vehicle or vessel. [1990 c 202 § 6.]

- (1) For a person’s first violation or first violation in a period of five years, not more than five thousand dollars;
- (2) For a person’s second or subsequent violation within five years of a previous violation, not more than ten thousand dollars.

The director shall impose the penalty by an order which is subject to the provisions of chapter 34.05 RCW.

The director shall, wherever practical, secure the assistance of other public agencies, including but not limited to the department of health, the utilities and transportation commission, and the state patrol, in identifying and investigating potential violations of RCW 69.04.955. Application for a license or license renewal shall be on a form prescribed by the director and accompanied by the license fee. The license fee is fifty dollars.

For a food storage warehouse that has been inspected on at least an annual basis for compliance with the provisions of the current good manufacturing practices (Title 21 C.F.R. part 110) by a federal agency or by a state agency acting on behalf of and under contract with a federal agency and that is not exempted from licensure by RCW 69.10.020, the annual license fee for the warehouse is twenty-five dollars.

The application shall include the full name of the applicant for the license and the location of the food storage warehouse he or she intends to operate. If such applicant is an individual, receiver, trustee, firm, partnership, association, or corporation, the full name of each member of the firm or partnership, or names of the officers of the association or corporation must be given on the application. The application shall further state the principal business address of the applicant in the state and elsewhere and the name of a person domiciled in this state authorized to receive and accept service of summons of legal notices of all kinds for the applicant. The director shall waive licensure under this chapter for firms that are licensed under the provisions of chapter 69.07 or 15.36 RCW. [1995 c 374 § 10.]

**69.10.020 Exemption from licensure—Independent inspection—Report to department.** A food storage warehouse that is inspected for compliance with the current good manufacturing practices (Title 21 C.F.R. part 110) on at least an annual basis by an independent sanitation consultant approved by the department shall be exempted from licensure under this chapter.

A report identifying the inspector and the inspecting entity, the date of the inspection, and any violations noted on such inspection shall be forwarded to the department by the food storage warehouse within sixty days of the completion of the inspection. An inspection shall be conducted and an inspection report for a food storage warehouse shall be filed with the department at least once every twelve months or the warehouse shall be licensed under this chapter and inspected

by the department for a period of two years. [1995 c 374 § 11.]

**69.10.025 Application for renewal of license after expiration date—Additional fee.** If the application for renewal of any license provided for under this chapter is not filed prior to the expiration date as established by rule by the director, an additional fee of ten percent of the cost of the license shall be assessed and added to the original fee and must be paid by the applicant before the renewal license is issued. [1995 c 374 § 12.]

**69.10.030 Director may deny, suspend, or revoke license—Actions by applicant—Hearing required.** The director may, subsequent to a hearing thereon, deny, suspend, or revoke any license provided for in this chapter if he or she determines that an applicant has committed any of the following acts:

The provisions of this section requiring that a hearing be conducted before an action may be taken against a license do not apply to an action taken under RCW 69.10.035. [1995 c 374 § 13.]

**69.10.035 Immediate danger to public health—Summarily suspending license—Written notification—Hearing—Reinstatement of license.** (1) Whenever the director finds a food storage warehouse operating under conditions that constitute an immediate danger to public health or whenever the licensee or any employee of the licensee actively prevents the director or the director's representative, during an on-site inspection, from determining whether such a condition exists, the director may summarily suspend, pending a hearing, a license provided for in this chapter.

(2) Whenever a license is summarily suspended, the holder of the license shall be notified in writing that the license is, upon service of the notice, immediately suspended and that prompt opportunity for a hearing will be provided.

(3) Whenever a license is summarily suspended, food distribution operations shall immediately cease. However, the director may reinstate the license if the condition that caused the suspension has been abated to the director's satisfaction. [1995 c 374 § 14.]

**69.10.040 Unlicensed food storage warehouse—Unlawful to sell, offer for sale, or distribute in intrastate commerce.** It is unlawful to sell, offer for sale, or distribute

in intrastate commerce food from or stored in a food storage warehouse that is required to be licensed under this chapter but that has not obtained a license, once notification by the director has been given to the persons selling, offering, or distributing food for sale, that the food is in or from such an unlicensed food storage warehouse. [1995 c 374 § 15.]

**69.10.045 Disposition of moneys received under this chapter.** All moneys received by the department under provisions of this chapter, except moneys collected for civil penalties levied under this chapter, shall be paid into an account created in the agricultural local fund established in RCW 43.23.230 and shall be used solely to carry out provisions of this chapter and chapter 69.04 RCW. All moneys collected for civil penalties levied under this chapter shall be deposited in the state general fund. [1995 c 374 § 16.]

**69.10.050 Civil remedies—Restrictions on civil penalties—Fee limitations for inspections and analyses.** (1) Except as provided in subsection (2) of this section, the department may use all the civil remedies provided under chapter 69.04 RCW in carrying out and enforcing the provisions of this chapter.

(2) Civil penalties are intended to be used to obtain compliance and shall not be collected if a warehouse successfully completes a mutually agreed upon compliance agreement with the department. A warehouse that enters into a compliance agreement with the department shall pay only for inspections conducted by the department and any laboratory analyses as required by the inspections as outlined and agreed to in the compliance agreement. In no event shall the fee for these inspections and analyses exceed four hundred dollars per inspection or one thousand dollars in total. [1995 c 374 § 17.]

**69.10.055 Rules.** (1) The department shall enforce and carry out the provisions of this chapter and may adopt the necessary rules to carry out its purpose.

(5) Cottage food products must be stored only in the primary domestic residence. [2011 c 281 § 2.]

**69.22.030 Permits, permit renewals.** (1) All cottage food operations must be permitted annually by the department on forms developed by the department. All permits and permit renewals must be made on forms developed by the director and be accompanied by an inspection fee as provided in RCW 69.22.040, a seventy-five dollar public health review fee, and a thirty dollar processing fee. All fees must be deposited into the food processing inspection account created in RCW 69.07.120.

(2) In addition to the provision of any information required by the director on forms developed under subsection (1) of this section and the payment of all fees, an applicant for a permit or a permit renewal as a cottage food operation must also provide documentation that all individuals to be involved in the preparation of cottage foods [cottage food products] have secured a food and beverage service worker's permit under chapter 69.06 RCW.

(3) All cottage food operations permitted under this section must include a signed document attesting, by opting to become permitted, that the permitted cottage food operation expressly grants to the director the right to enter the domestic residence housing the cottage food operation during normal business hours, or at other reasonable times, for the purposes of inspections under this chapter. [2011 c 281 § 3.]

**69.22.040 Basic hygiene inspections.** (1) The permitted area of all cottage food operations must be inspected for basic hygiene by the director both before initial permitting under RCW 69.22.030 and annually after initial permitting. In addition, the director may inspect the permitted area of a cottage food operation at any time in response to a foodborne outbreak or other public health emergency.

(2) When conducting an annual basic hygiene inspection, the director shall, at a minimum, inspect for the following:

(a) That the permitted cottage food operator understands that no person other than the permittee, or a person under the direct supervision of the permittee, may be engaged in the processing, preparing, packaging, or handling of any cottage food products or be in the home kitchen during the preparation, packaging, or handling of any cottage food products;

(b) That no cottage food preparation, packaging, or handling is occurring in the home kitchen concurrent with any other domestic activities such as family meal preparation, dishwashing, clothes washing or ironing, kitchen cleaning, or guest entertainment;

(iv) Avoid bare hand contact with ready-to-eat foods through the use of single-service gloves, bakery papers, tongs, or other utensils.

(3) The department shall charge an inspection fee of one hundred twenty-five dollars for any initial or annual basic hygiene inspection, which must be deposited into the food processing inspection account created in RCW 69.07.120. An additional inspection fee must be collected for each visit to a cottage food operation for the purposes of conducting an inspection for compliance.

(4) The director may contract with local health jurisdictions to conduct the inspections required under this section. [2011 c 281 § 4.]

**69.22.050 Annual gross sales—Department to determine annual amount.** (1) The gross sales of cottage food products may not exceed an annual amount set by the department. The determination of the maximum annual gross sales must be computed on the basis of the amount of gross sales within or at a particular domestic residence and may not be computed on a per person basis within or at an individual domestic residence.

(2) If gross sales exceed the maximum annual gross sales amount, the cottage food operation must either obtain a food processing plant license under chapter 69.07 RCW or cease operations.

(3) A cottage food operation exceeding the maximum annual gross sales amount is not entitled to a full or partial refund of any fees paid under RCW 69.22.030 or 69.22.040.

(4) The maximum annual gross sales amount must be established in rule by the department consistent with this subsection. The amount must be set at fifteen thousand dollars until December 31, 2012. Beginning January 1, 2013, the department must increase the fifteen thousand dollar annual

gross sales limit biennially to reflect inflation. The department may determine inflation-based increases in any matter it deems most efficient.

This authority includes the authority to inspect any records required to be kept under the provisions of this chapter.

(2) All inspections must be made at reasonable times and, when possible, during regular business hours.

(3) Should the director be denied access to the permitted area of a domestic residence housing a cottage food operation where access was sought for the purposes of enforcing or administering this chapter, the director may apply to any court of competent jurisdiction for a search warrant authorizing access to the permitted area of a domestic residence housing a permitted cottage food operation, upon which the court may issue a search warrant for the purposes requested.

(4) Any access under this section must be limited to the permitted area and further limited to the purpose of enforcing or administering this chapter. [2011 c 281 § 6.]

**69.22.070 Cottage foods operations permit—Denial, suspension, or revocation.** (1) After conducting a hearing, the director may deny, suspend, or revoke any permit provided for in this chapter if it is determined that a permittee has committed any of the following acts:

(a) Refused, neglected, or failed to comply with the provisions of this chapter, any rules adopted to administer this chapter, or any lawful order of the director;

(b) Refused, neglected, or failed to keep and maintain records required by this chapter, or to make the records available when requested pursuant to the provisions of this chapter;

(c) Consistent with RCW 69.22.060, refused the director access to the permitted area of a domestic residence housing a cottage food operation for the purpose of carrying out the provisions of this chapter;

(d) Consistent with RCW 69.22.060, refused the department access to any records required to be kept under the provisions of this chapter; or

(e) Exceeded the annual income limits provided in RCW 69.22.050.

(2) The director may summarily suspend a permit issued under this chapter if the director finds that a cottage food operation is operating under conditions that constitute an immediate danger to public health or if the director is denied access to the permitted area of a domestic residence housing a cottage food operation and records where the access was sought for the purposes of enforcing or administering this chapter. [2011 c 281 § 7.]

**69.22.080 Application of administrative procedure act.** The rights, remedies, and procedures respecting the

(b) A second or subsequent violation is a gross misdemeanor. Any offense committed more than five years after a previous conviction shall be considered a first offense.

(2) Whenever the director finds that a person has committed a violation of any of the provisions of this chapter, and that violation has not been punished pursuant to subsection (1) of this section, the director may impose upon and collect from the violator a civil penalty not exceeding one thousand dollars per violation per day. Each violation shall be a separate and distinct offense. [2011 c 281 § 9.]

**69.22.100 Exemption—Provisions of chapter 69.07 RCW or permitting and inspection by local health jurisdiction.** Except as otherwise provided in this chapter, cottage food operations with a valid permit under RCW 69.22.030 are not subject to the provisions of chapter 69.07 RCW or to permitting and inspection by a local health jurisdiction. [2011 c 281 § 10.]

**69.25.010 Legislative finding.** Eggs and egg products are an important source of the state's total supply of food, and are used in food in various forms. They are consumed throughout the state and the major portion thereof moves in intrastate commerce. It is essential, in the public interest, that the health and welfare of consumers be protected by the adoption of measures prescribed herein for assuring that eggs and egg products distributed to them and used in products consumed by them are wholesome, otherwise not adulterated, and properly labeled and packaged. Lack of effective regulation for the handling or disposition of unwholesome, otherwise adulterated, or improperly labeled or packaged egg products and certain qualities of eggs is injurious to the public welfare and destroys markets for wholesome, unadulterated, and properly labeled and packaged eggs and egg products and results in sundry losses to producers and processors, as well as injury to consumers. Unwholesome, otherwise adulterated, or improperly labeled or packaged products can be sold at lower prices and compete unfairly with the wholesome, unadulterated, and properly labeled and packaged products, to the detriment of consumers and the public generally. It is hereby found that all egg products and the qualities of eggs which are regulated under this chapter are either in intrastate commerce, or substantially affect such commerce, and that regulation by the director, as contemplated by this chapter, is appropriate to protect the health and welfare of consumers. [1975 1st ex. s. c 201 § 2.]

**69.25.020 Definitions.** When used in this chapter the following terms shall have the indicated meanings, unless the context otherwise requires:

(1) "Adulterated" applies to any egg or egg product under one or more of the following circumstances:

(a) If it bears or contains any poisonous or deleterious substance which may render it injurious to health; but in case the substance is not an added substance, such article shall not be considered adulterated under this clause if the quantity of such substance in or on such article does not ordinarily render it injurious to health;

(b) If it bears or contains any added poisonous or added deleterious substance (other than one which is: (i) A pesticide chemical in or on a raw agricultural commodity; (ii) a food additive; or (iii) a color additive) which may, in the judgment of the director, make such article unfit for human food;

(c) If it is, in whole or in part, a raw agricultural commodity and such commodity bears or contains a pesticide chemical which is unsafe within the meaning of RCW 69.04.392, as enacted or hereafter amended;

(d) If it bears or contains any food additive which is unsafe within the meaning of RCW 69.04.394, as enacted or hereafter amended;

(e) If it bears or contains any color additive which is unsafe within the meaning of RCW 69.04.396; however, an article which is not otherwise deemed adulterated under subsection (1)(c), (d), or (e) of this section shall nevertheless be deemed adulterated if use of the pesticide chemical, food additive, or color additive, in or on such article, is prohibited by regulations of the director in official plants;

(f) If it consists in whole or in part of any filthy, putrid, or decomposed substance, or if it is otherwise unfit for human food;

(g) If it consists in whole or in part of any damaged egg or eggs to the extent that the egg meat or white is leaking, or it has been contacted by egg meat or white leaking from other eggs;

(h) If it has been prepared, packaged, or held under insanitary conditions whereby it may have become contaminated with filth, or whereby it may have been rendered injurious to health;

(i) If it is an egg which has been subjected to incubation or the product of any egg which has been subjected to incubation;

(j) If its container is composed, in whole or in part, of any poisonous or deleterious substance which may render the contents injurious to health;

(k) If it has been intentionally subjected to radiation, unless the use of the radiation was in conformity with a regulation or exemption in effect pursuant to RCW 69.04.394; or

(l) If any valuable constituent has been in whole or in part omitted or abstracted therefrom; or if any substance has been substituted, wholly or in part therefor; or if damage or inferiority has been concealed in any manner; or if any substance has been added thereto or mixed or packed therewith so as to increase its bulk or weight, or reduce its quality or strength, or make it appear better or of greater value than it is.

(3) "At retail" means any transaction in intrastate commerce between a retailer and a consumer.

(4) "Candling" means the examination of the interior of eggs by the use of transmitted light used in a partially dark room or place.

(5) "Capable of use as human food" shall apply to any egg or egg product unless it is denatured, or otherwise identified, as required by regulations prescribed by the director, to deter its use as human food.

(6) "Check" means an egg that has a broken shell or crack in the shell but has its shell membranes intact and contents not leaking.

(7) "Clean and sound shell egg" means any egg whose shell is free of adhering dirt or foreign material and is not cracked or broken.

(8) "Consumer" means any person who purchases eggs for his or her own family use or consumption; or any restaurant, hotel, boarding house, bakery, or other institution or concern which purchases eggs for serving to guests or patrons thereof, or for its own use in cooking or baking.

(9) "Container" or "package" includes any box, can, tin, plastic, or other receptacle, wrapper, or cover.

(10) "Department" means the department of agriculture of the state of Washington.

(11) "Director" means the director of the department or his duly authorized representative.

(12) "Dirty egg" means an egg that has a shell that is unbroken and has adhering dirt or foreign material.

(13) "Egg" means the shell egg of the domesticated chicken, turkey, duck, goose, or guinea, or any other species of fowl.

(14) "Egg handler" or "dealer" means any person who produces, contracts for or obtains possession or control of any eggs or egg products for the purpose of sale to another dealer or retailer, or for processing and sale to a dealer, retailer or consumer. For the purpose of this chapter, "sell" or "sale" includes the following: Offer for sale, expose for sale, have in possession for sale, exchange, barter, trade, or as an inducement for the sale of another product.

(15)(a) "Egg product" means any dried, frozen, or liquid eggs, with or without added ingredients, excepting products which contain eggs only in a relatively small proportion, or historically have not been, in the judgment of the director, considered by consumers as products of the egg food industry, and which may be exempted by the director under such conditions as the director may prescribe to assure that the egg ingredients are not adulterated and are not represented as egg products.

If the director has reason to believe that any labeling or the size or form of any container in use or proposed for use with respect to egg products at any official plant is false or misleading in any particular, he or she may direct that such use be withheld unless the labeling or container is modified in such manner as he or she may prescribe so that it will not be false or misleading. If the person using or proposing to use the labeling or container does not accept the determination of the director, such person may request a hearing, but the use of the labeling or container shall, if the director so directs, be withheld pending hearing and final determination by the director. Failure of a shellfish grower to display a certificate of approval, or department-approved equivalent, issued under RCW 69.30.050 to an authorized representative of the department, a fish and wildlife officer, or an ex officio fish and wildlife officer subjects the grower to the penalty provisions of this chapter, as well as seizure and disposition, up to and including disposal, of the shellfish by the representative or officer.

The department may only grant a remission or mitigation that it deems to be in the best interests of carrying out the purposes of this chapter. **Findings—Intent—2000 c 8:** "The legislature finds that we have one of the finest health care systems in the world and excellent professionals to deliver that care. However, there are incidents of medication errors that are avoidable and serious mistakes that are preventable. Medical errors throughout the health care system constitute one of the nation's leading causes of death and injury resulting in over seven thousand deaths a year, according to a recent report from the institute of medicine. The majority of medical errors do not result from individual recklessness, but from basic flaws in the way the health system is organized. There is a need for a comprehensive strategy for government, industry, consumers, and health providers to reduce medical errors. The legislature declares a need to bring about greater safety for patients in this state who depend on prescription drugs.

It is the intent of the legislature to promote medical safety as a top priority for all citizens of our state." [2000 c 8 § 1.]

(1) If a juvenile thirteen years of age or older and under the age of twenty-one is found by a court to have committed any offense that is a violation of this chapter, the court shall notify

the department of licensing within twenty-four hours after entry of the judgment.

(2) Except as otherwise provided in subsection (3) of this section, upon petition of a juvenile whose privilege to drive has been revoked pursuant to RCW 46.20.265, the court may notify the department of licensing that the juvenile's privilege to drive should be reinstated.

(3) If the conviction is for the juvenile's first violation of this chapter or chapter 66.44, 69.50, or 69.52 RCW, the juvenile may not petition the court for reinstatement of the juvenile's privilege to drive revoked pursuant to RCW 46.20.265 until the later of ninety days after the date the juvenile turns sixteen or ninety days after the judgment was entered. If the conviction was for the juvenile's second or subsequent violation of this chapter or chapter 66.44, 69.50, or 69.52 RCW, the juvenile may not petition the court for reinstatement of the juvenile's privilege to drive revoked pursuant to RCW 46.20.265 until the later of the date the juvenile turns seventeen or one year after the date judgment was entered. **69.41.075 Rules—Availability of lists of drugs.** The state board of pharmacy may make such rules for the enforcement of this chapter as are deemed necessary or advisable. The board shall identify, by rule-making pursuant to chapter 34.05 RCW, those drugs which may be dispensed only on prescription or are restricted to use by practitioners, only. In so doing the board shall consider the toxicity or other potentiality for harmful effect of the drug, the method of its use, and any collateral safeguards necessary to its use. The board shall classify a drug as a legend drug where these considerations indicate the drug is not safe for use except under the supervision of a practitioner.

In identifying legend drugs the board may incorporate in its rules lists of drugs contained in commercial pharmaceutical publications by making specific reference to each such list and the date and edition of the commercial publication containing it. Any such lists so incorporated shall be available for public inspection at the headquarters of the department of health and shall be available on request from the department of health upon payment of a reasonable fee to be set by the department. **69.41.080 Animal control—Rules for possession and use of legend drugs.** Humane societies and animal control agencies registered with the state board of pharmacy under chapter 69.50 RCW and authorized to euthanize animals may purchase, possess, and administer approved legend drugs for

the sole purpose of sedating animals prior to euthanasia, when necessary, and for use in chemical capture programs. For the purposes of this section, "approved legend drugs" means those legend drugs designated by the board by rule as being approved for use by such societies and agencies for animal sedating or capture and does not include any substance regulated under chapter 69.50 RCW. Any society or agency so registered shall not permit persons to administer any legend drugs unless such person has demonstrated to the satisfaction of the board adequate knowledge of the potential hazards involved in and the proper techniques to be used in administering the drugs.

The board shall promulgate rules to regulate the purchase, possession, and administration of legend drugs by such societies and agencies and to insure strict compliance with the provisions of this section. Such rules shall require that the storage, inventory control, administration, and recordkeeping for approved legend drugs conform to the standards adopted by the board under chapter 69.50 RCW to regulate the use of controlled substances by such societies and agencies. The board may suspend or revoke a registration under chapter 69.50 RCW upon a determination by the board that the person administering legend drugs has not demonstrated adequate knowledge as herein provided. This authority is granted in addition to any other power to suspend or revoke a registration as provided by law. [1989 c 242 § 1.]

**69.41.085 Medication assistance—Community-based care setting.** Individuals residing in community-based care settings, such as adult family homes, assisted living facilities, and residential care settings for individuals with developmental disabilities, including an individual's home, may receive medication assistance. ## SUBSTITUTION OF PRESCRIPTION DRUGS

**69.41.100 Legislative recognition and declaration.** The legislature recognizes the responsibility of the state to insure that the citizens of the state are offered a choice between generic drugs and brand name drugs and the benefit of quality pharmaceutical products at competitive prices. Advances in the drug industry resulting from research and the elimination of counterfeiting of prescription drugs should benefit the users of the drugs. Pharmacy must continue to operate with accountability and effectiveness. The legislature hereby declares it to be the policy of the state that its citizens receive safe and therapeutically effective drug products at the most reasonable cost consistent with high drug quality standards. [1986 c 52 § 1; 1977 ex.s. c 352 § 1.]

Under the line at the right side shall be clearly printed the words "DISPENSE AS WRITTEN". Under the line at the left side shall be clearly printed the words "SUBSTITUTION PERMITTED". (2) A pharmacist who substitutes an equivalent drug product pursuant to RCW 69.41.100 through 69.41.180 as now or hereafter amended assumes no greater liability for selecting the dispensed drug product than would be incurred in filling a prescription for a drug product prescribed by its established name.

Such substitution, however, may only be made with the consent of your doctor. Please consult your pharmacist or physician for more information." [1979 c 110 § 6; 1977 ex.s. c 352 § 7.]

**69.41.170 Coercion of pharmacist prohibited—Penalty.** It shall be unlawful for any employer to coerce, within the meaning of RCW 9A.36.070, any pharmacist to dispense a generic drug or to substitute a generic drug for another drug. (b) When a substitution is made under (a) of this subsection, the dispensing pharmacist shall notify the prescribing practitioner of the specific drug and dose dispensed.

(2)(a) A state purchased health care program may impose limited restrictions on an endorsing practitioner's authority to write a prescription to dispense as written only under the following circumstances:

(i) There is statistical or clear data demonstrating the endorsing practitioner's frequency of prescribing dispensed as written for nonpreferred drugs varies significantly from the prescribing patterns of his or her peers;

(ii) The medical director of a state purchased health program has: (A) Presented the endorsing practitioner with data that indicates the endorsing practitioner's prescribing patterns vary significantly from his or her peers, (B) provided the endorsing practitioner an opportunity to explain the variation in his or her prescribing patterns to those of his or her peers, and (C) if the variation in prescribing patterns cannot be explained, provided the endorsing practitioner sufficient time to change his or her prescribing patterns to align with those of his or her peers; and

(iii) The restrictions imposed under (a) of this subsection (2) must be limited to the extent possible to reduce variation in prescribing patterns and shall remain in effect only until such time as the endorsing practitioner can demonstrate a reduction in variation in line with his or her peers.

(b) A state purchased health care program may immediately designate an available, less expensive, equally effective generic product in a previously reviewed drug class as a preferred drug, without first submitting the product to review by the pharmacy and therapeutics committee established pursuant to RCW 70.14.050.

(i) There is a less expensive, equally effective therapeutic alternative generic product available to treat the condition;

(ii) The drug use review board established under WAC 388-530-4000 reviews and provides recommendations as to the appropriateness of the limitation;

(iii) Notwithstanding the limitation set forth in (c)(ii) of this subsection (2), the endorsing practitioner shall have an

opportunity to request as medically necessary, that the brand name drug be prescribed as the first course of treatment;

(iv) The state purchased health care program may provide, where available, prescription, emergency room, diagnosis, and hospitalization history with the endorsing practitioner; and

(v) Specifically for antipsychotic restrictions, the state purchased health care program shall effectively guide good practice without interfering with the timeliness of clinical decision making. Health care authority prior authorization programs must provide for responses within twenty-four hours and at least a seventy-two hour emergency supply of the requested drug.

(d) If, within a therapeutic class, there is an equally effective therapeutic alternative over-the-counter drug available, a state purchased health care program may designate the over-the-counter drug as the preferred drug.

(e) A state purchased health care program may impose limited restrictions on endorsing practitioners' authority to prescribe pharmaceuticals to be dispensed as written for a purpose outside the scope of their approved labels only under the following circumstances:

(i) There is a less expensive, equally effective on-label product available to treat the condition;

(ii) The drug use review board established under WAC 388-530-4000 reviews and provides recommendations as to the appropriateness of the limitation; and

(iii) Notwithstanding the limitation set forth in (e)(ii) of this subsection (2), the endorsing practitioner shall have an opportunity to request as medically necessary, that the drug be prescribed for a covered off-label purpose.

(f) The provisions of this subsection related to the definition of medically necessary, prior authorization procedures and patient appeal rights shall be implemented in a manner consistent with applicable federal and state law.

**Intent—2001 c 96:** "Communities all over the state of Washington have experienced an increase in the illegal manufacture of methamphetamine. Illegal methamphetamine labs create a significant threat to the health and safety of the people of the state. Some of the chemicals and compounds used to make methamphetamine, and the toxic wastes the process generates, are hazards to the public health. Increases in crime, violence, and the abuse and neglect of children present at laboratory sites are also associated with the increasing number of illegal laboratory sites. The drugs ephedrine, pseudoephedrine, and phenylpropanolamine, which are used in the illegal manufacture of methamphetamine, have been identified as factors in the increase in the number of illegal methamphetamine labs. Therefore, it is the intent of the legislature to place restrictions on the sale and possession of those three drugs in order to reduce the proliferation of illegal methamphetamine laboratories and the associated threats to public health and safety." [2001 c 96 § 1.]

The record must include the name and address of the purchaser, the date and time of the sale, the name and initials of the shopkeeper, itinerant vendor, pharmacist, pharmacy tech-

nician, or employee conducting the transaction, the name of the product being sold, as well as the total quantity in grams, of ephedrine, pseudoephedrine, phenylpropanolamine, or their salts, isomers, or salts of isomers, being sold.

(7) The board of pharmacy, by rule, may exempt products containing ephedrine, pseudoephedrine, or phenylpropanolamine, or their salts, isomers, or salts of isomers, in combination with another active ingredient from the requirements of this section if they are found not to be used in the illegal manufacture of methamphetamine or other controlled dangerous substances. A manufacturer of a drug product may apply for removal of the product from the requirements of this section if the product is determined by the board to have been formulated in such a way as to effectively prevent the conversion of the active ingredient into methamphetamine. The burden of proof for exemption is upon the person requesting the exemption. The petitioner shall provide the board with evidence that the product has been formulated in such a way as to serve as an effective general deterrent to the conversion of pseudoephedrine into methamphetamine. The evidence must include the furnishing of a valid scientific study, conducted by an independent, professional laboratory and evincing professional quality chemical analysis. Factors to be considered in whether a product should be excluded from this section include but are not limited to:

(a) Ease with which the product can be converted to methamphetamine;

(b) Ease with which ephedrine, pseudoephedrine, or phenylpropanolamine is extracted from the substance and whether it forms an emulsion, salt, or other form;

(c) Whether the product contains a "molecular lock" that renders it incapable of being converted into methamphetamine;

(d) Presence of other ingredients that render the product less likely to be used in the manufacture of methamphetamine; and

(e) Any pertinent data that can be used to determine the risk of the substance being used in the illegal manufacture of methamphetamine or any other controlled substance.

(8) Nothing in this section applies:

(a) To any product containing ephedrine, pseudoephedrine, or phenylpropanolamine, or their salts, isomers, or salts of isomers that is not the only active ingredient and that is in liquid, liquid capsule, or gel capsule form;

(b) To the sale of a product that may only be sold upon the presentation of a prescription;

(c) To the sale of a product by a traditional Chinese herbal practitioner to a patient; or

(d) When the details of the transaction are recorded in a pharmacy profile individually identified with the recipient and maintained by a licensed pharmacy.

(9)(a) No pharmacy licensed by, or shopkeeper or itinerant vendor registered with, the department of health under chapter 18.64 RCW, a practitioner as defined in RCW 18.64.011, or a traditional Chinese herbal practitioner may retaliate against any employee that has made a good faith attempt to comply with the requirements of this section by requesting that a customer present photo identification, making a reasonable effort to determine the customer's age.

(b) No pharmacy licensed by, or shopkeeper or itinerant vendor registered with, the department of health under chap-

ter 18.64 RCW, a practitioner as defined in RCW 18.64.011, or a traditional Chinese herbal practitioner is subject to prosecution under subsection (10) of this section if they made a good faith attempt to comply with the requirements of this section by requesting that a customer present photo identification, making a reasonable effort to determine the customer's age.

(10) A violation of this section is a gross misdemeanor. [2010 c 182 § 1; 2005 c 388 § 2.]

**Finding—2005 c 388:** "Restricting access to certain precursor drugs used to manufacture methamphetamine to ensure that they are only sold at retail to individuals who will use them for legitimate purposes upon production of proper identification is an essential step to controlling the manufacture of methamphetamine." [2005 c 388 § 1.]

**Effective dates—2005 c 388:** "(1) Section 2 of this act takes effect October 1, 2005.

(2) Sections 1, 3 through 7, 9, and 10 of this act take effect January 1, 2006.

(3) Section 8 of this act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and takes effect immediately [May 11, 2005]."  
[2005 c 388 § 11.]

**Severability—2005 c 388:** "If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected." [2005 c 388 § 10.]

**69.43.110 Ephedrine, pseudoephedrine, phenylpropanolamine—Sales restrictions—Electronic sales tracking system—Penalty.** (1) It is unlawful for a pharmacy licensed by, or shopkeeper or itinerant vendor registered with, the department of health under chapter 18.64 RCW, or an employee thereof, or a practitioner as defined in RCW 18.64.011, knowingly to sell, transfer, or to otherwise furnish, in a single transaction a total of more than 3.6 grams of ephedrine, pseudoephedrine, or phenylpropanolamine, their salts, isomers, or salts of isomers, in any twenty-four hour period or more than a total of nine grams per purchaser in any thirty-day period.

(2) It is unlawful for a person who is not a manufacturer, wholesaler, pharmacy, practitioner, shopkeeper, or itinerant vendor licensed by or registered with the department of health under chapter 18.64 RCW to purchase or acquire more than 3.6 grams in any twenty-four hour period, or more than a total of nine grams in any thirty-day period, of the substances specified in subsection (1) of this section.

(3) It is unlawful for any person to sell or distribute any of the substances specified in subsection (1) of this section unless the person is licensed by or registered with the department of health under chapter 18.64 RCW, or is a practitioner as defined in RCW 18.64.011.

(4)(a) Beginning July 1, 2011, or the date upon which the electronic sales tracking system established under RCW 69.43.165 is available, whichever is later, a pharmacy licensed by, or shopkeeper or itinerant vendor registered with, the department of health under chapter 18.64 RCW shall, before completing a sale under this section, submit the required information to the electronic sales tracking system established under RCW 69.43.165, as long as such a system is available without cost to the pharmacy, shopkeeper, or itinerant vendor for accessing the system. The pharmacy, shopkeeper, or itinerant vendor may not complete the sale if the

(2012 Ed.)

system generates a stop sale alert, except as permitted in RCW 69.43.165.

(b) If a pharmacy, shopkeeper, or itinerant vendor selling a nonprescription drug containing ephedrine, pseudoephedrine, or phenylpropanolamine, or their salts, isomers, or salts of isomers experiences mechanical or electronic failure of the electronic sales tracking system and is unable to comply with the electronic sales tracking requirement, he or she shall maintain a written log or an alternative electronic recordkeeping mechanism until such time as he or she is able to comply with the electronic sales tracking requirement.

(c) A pharmacy, shopkeeper, or itinerant vendor selling a nonprescription drug containing ephedrine, pseudoephedrine, or phenylpropanolamine, or their salts, isomers, or salts of isomers may seek an exemption from submitting transactions to the electronic sales tracking system in writing to the board of pharmacy stating the reasons for the exemption. The board may grant an exemption for good cause shown, but in no event shall a granted exemption exceed one hundred eighty days. The board may grant multiple exemptions for any pharmacy, shopkeeper, or itinerant vendor if the good cause shown indicates significant hardship for compliance with this section. A pharmacy, shopkeeper, or itinerant vendor that receives an exemption shall maintain a logbook in hardcopy form and must require the purchaser to provide the information required under this section before the completion of any sale. The logbook shall be maintained as a record of each sale for inspection by any law enforcement officer or board inspector during normal business hours in accordance with any rules adopted pursuant to RCW 69.43.165. For purposes of this subsection (4)(c), "good cause" includes, but is not limited to, situations where the installation of the necessary equipment to access the system is unavailable or cost prohibitive to the pharmacy, shopkeeper, or itinerant vendor.

(d) A pharmacy, shopkeeper, or itinerant vendor may withdraw from participating in the electronic sales tracking system if the system is no longer being furnished without cost for accessing the system. A pharmacy, shopkeeper, or itinerant vendor who withdraws from the electronic sales tracking system is subject to the same requirements as a pharmacy, shopkeeper, or itinerant vendor who has been granted an exemption under (c) of this subsection.

(e) For the purposes of this subsection (4) and RCW 69.43.165:

(i) "Cost for accessing the system" means costs relating to:

(A) Access to the web-based electronic sales tracking software, including inputting and retrieving data;

(B) The web-based software known as software as a service;

(C) Training; and

(D) Technical support to integrate to point of sale vendors, if necessary.

(ii) "Cost for accessing the system" does not include:

(A) Costs relating to required internet access;

(B) Optional hardware that a pharmacy may choose to purchase for work flow purposes; or

(C) Other equipment.

(5) A violation of this section is a gross misdemeanor. [2010 c 182 § 2; 2005 c 388 § 4; 2004 c 52 § 5; 2001 c 96 § 9.]

**69.43.120 Ephedrine, pseudoephedrine, phenylpropanolamine—Possession of more than fifteen grams—Penalty—Exceptions.** (1) Any person who possesses more than fifteen grams of ephedrine, pseudoephedrine, or phenylpropanolamine, their salts, isomers, or salts of isomers, or a combination of any of those substances, is guilty of a gross misdemeanor.

(2) This section does not apply to any of the following:

(1) Pediatric products primarily intended for administration to children under twelve years of age, according to label instructions, either: (a) In solid dosage form whose individual dosage units do not exceed fifteen milligrams of ephedrine, pseudoephedrine, or phenylpropanolamine; or (b) in liquid form whose recommended dosage, according to label instructions, does not exceed fifteen milligrams of ephedrine, pseudoephedrine, or phenylpropanolamine per five milliliters of liquid product;

(2) Pediatric liquid products primarily intended for administration to children under two years of age for which the recommended dosage does not exceed two milliliters and the total package content does not exceed one fluid ounce;

(3) Products that the state board of pharmacy, upon application of a manufacturer, exempts by rule from RCW 69.43.110 and 69.43.120 because the product has been formulated in such a way as to effectively prevent the conver-

sion of the active ingredient into methamphetamine, or its salts or precursors; or

(4) Products, as packaged, that the board of pharmacy, upon application of a manufacturer, exempts from RCW \*69.43.110(1)(b) and 69.43.120 because:

(a) The product meets the federal definition of an ordinary over-the-counter pseudoephedrine product as defined in 21 U.S.C. 802;

(b) The product is a salt, isomer, or salts of isomers of pseudoephedrine and, as packaged, has a total weight of more than three grams but the net weight of the pseudoephedrine base is equal to or less than three grams; and

(c) The board of pharmacy determines that the value to the people of the state of having the product, as packaged, available for sale to consumers outweighs the danger, and the product, as packaged, has not been used in the illegal manufacture of methamphetamine. [2004 c 52 § 7; 2001 c 96 § 11.]

**\*Reviser's note:** RCW 69.43.110 was amended by 2010 c 182 § 2, changing subsection (1)(b) to subsection (1).

(e) A person working in a general hospital who possesses iodine in its elemental form or an iodine matrix in the regular course of employment at the hospital.

(4) Any person who purchases any quantity of iodine in its elemental form, an iodine matrix, or any quantity of methylsulfonylmethane must present an identification card or driver's license issued by any state in the United States or jurisdiction of another country before purchasing the item.

(5) The Washington state patrol shall develop a form to be used in recording transactions involving iodine in its elemental form, an iodine matrix, or methylsulfonylmethane. A person who sells or otherwise transfers any quantity of iodine in its elemental form, an iodine matrix, or any quantity of methylsulfonylmethane to a person for any purpose authorized in subsection (3) of this section must record each sale or transfer. The record must be made on the form developed by the Washington state patrol and must be retained by the person for at least three years. The Washington state patrol or any local law enforcement agency may request access to the records.

(a) Failure to make or retain a record required under this subsection is a misdemeanor.

(b) Failure to comply with a request for access to records required under this subsection to the Washington state patrol or a local law enforcement agency is a misdemeanor. [2011 c 336 § 838; 2006 c 188 § 1.]

In the case of a continuing violation, every day the violation continues shall be considered a separate violation.

(2) The state board of pharmacy may waive the suspension or revocation of a license or registration issued under chapter 18.64 RCW, or waive any civil penalty under this chapter, if the licensee or registrant establishes that he or she acted in good faith to prevent violations of this chapter, and the violation occurred despite the licensee's or registrant's exercise of due diligence. In making such a determination, the state board of pharmacy may consider evidence that an employer trained employees on how to sell, transfer, or otherwise furnish substances specified in RCW 69.43.010(1) in accordance with applicable laws. [2001 c 96 § 12.]

**Intent—Severability—2001 c 96:** See notes following RCW 69.43.010.

**69.43.150 Application of chapter to local government.** This chapter is applicable and uniform throughout this state and in all counties, cities, code cities, and towns therein.

(2012 Ed.)

A county, city, code city, or town may not adopt or enforce any ordinance, pertaining to this chapter, which prohibits conduct that is not prohibited under this chapter, or defining violations or penalties different from those provided under this chapter. However, this section does not preclude a county, city, code city, or town from revoking, canceling, suspending, or otherwise limiting a business or professional license it has issued for conduct that violates any provision of this chapter. [2001 c 96 § 13.]

**Intent—Severability—2001 c 96:** See notes following RCW 69.43.010.

**69.43.160 Ephedrine, pseudoephedrine, phenylpropanolamine—Methods to prevent sales violations—Department of health preparation of sign summarizing prohibitions.** (1) To prevent violations of RCW 69.43.110, every licensee and registrant under chapter 18.64 RCW, who sells at retail any products containing ephedrine, pseudoephedrine, or phenylpropanolamine, or their salts, isomers, or salts of isomers, shall do either or may do both of the following:

(a) Program scanners, cash registers, or other electronic devices used to record sales in a manner that will alert persons handling transactions to potential violations of RCW 69.43.110(1) and/or prevent such violations; or

(b) Place one or more signs on the premises to notify customers of the prohibitions of RCW 69.43.110. Any such sign may, but is not required to, conform to the language and format prepared by the department of health under subsection (2) of this section.

(2) The department of health shall prepare language and format for a sign summarizing the prohibitions in RCW 69.43.110 and 69.43.120 and make the language and format available to licensees and registrants under chapter 18.64 RCW, for voluntary use in their places of business to inform customers and employees of the prohibitions. Nothing in this section requires the department of health to provide licensees or registrants with copies of signs, or any licensee or registrant to use the specific language or format prepared by the department under this subsection. [2001 c 96 § 14.]

**Intent—Severability—2001 c 96:** See notes following RCW 69.43.010.

**69.43.165 Ephedrine, pseudoephedrine, phenylpropanolamine—Electronic sales tracking system—Board of pharmacy authority to adopt rules.** (1) The board of pharmacy shall implement a real-time electronic sales tracking system to monitor the nonprescription sale of products in this state containing any detectable quantity of ephedrine, pseudoephedrine, phenylpropanolamine, or their salts, isomers, or salts of isomers, provided that the system is available to the state without cost for accessing the system to the state or retailers. The board is authorized to enter into a public-private partnership, through a memorandum of understanding or similar arrangement, to make the system available.

(2) The records submitted to the tracking system are for the confidential use of the pharmacy, shopkeeper, or itinerant vendor who submitted them, except that:

(a) The records must be produced in court when lawfully required;

(b) The records must be open for inspection by the board of pharmacy; and

(c) The records must be available to any general or limited authority Washington peace officer to enforce the provisions of this chapter or to federal law enforcement officers in accordance with rules adopted by the board of pharmacy regarding the privacy of the purchaser of products covered by chapter 182, Laws of 2010 and law enforcement access to the records submitted to the tracking system as provided in this section consistent with the federal combat meth act.

(3) The electronic sales tracking system shall be capable of generating a stop sale alert, which shall be a notification that completion of the sale would result in the seller or purchaser violating the quantity limits in RCW 69.43.110 (1) and (2). The system shall contain an override function for use by a dispenser of ephedrine, pseudoephedrine, phenylpropanolamine, or their salts, isomers, or salts of isomers, who has a reasonable fear of imminent bodily harm. Each instance in which the override function is utilized shall be logged by the system.

(4) The board of pharmacy shall have the authority to adopt rules necessary to implement and enforce the provisions of this section. The board of pharmacy shall adopt rules regarding the privacy of the purchaser of products covered by chapter 182, Laws of 2010, and any public or law enforcement access to the records submitted to the tracking system as provided in subsection (2)(c) of this section consistent with the federal combat meth act.

(5) The board of pharmacy may not raise licensing or registration fees to fund the rule making or implementation of this section. [2010 c 182 § 3.]

**69.43.168 Pharmacy, shopkeeper, or itinerant vendor—Electronic sales tracking system—Liability.** A pharmacy, shopkeeper, or itinerant vendor participating in the electronic sales tracking system under RCW 69.43.110(4):

(1) Is not liable for civil damages resulting from any act or omission in carrying out the requirements of RCW 69.43.110(4), other than an act or omission constituting gross negligence or willful or wanton misconduct; and

(2) Is not liable for civil damages resulting from a data breach that was proximately caused by a failure on the part of the electronic sales tracking system to take reasonable care through the use of industry standard levels of encryption to guard against unauthorized access to account information that is in the possession or control of the system. [2010 c 182 § 4.]

**69.43.180 Expansion of log requirements—Petition by law enforcement.** (1) The Washington association of sheriffs and police chiefs or the Washington state patrol may petition the state board of pharmacy to apply the log requirements in \*RCW 69.43.170 to one or more products that contain ephedrine, pseudoephedrine, or phenylpropanolamine, or their salts, isomers, or salts of isomers, that is not the only active ingredient and that is in liquid, liquid capsule, or gel capsule form. The petition shall establish that:

(a) Ephedrine, pseudoephedrine, or phenylpropanolamine can be effectively extracted from the product and converted into methamphetamine or another controlled dangerous substance; and

(b) Law enforcement, the Washington state patrol, or the department of ecology are finding substantial evidence that the product is being used for the illegal manufacture of methamphetamine or another controlled dangerous substance.

(2) The board of pharmacy shall adopt rules when a petition establishes that requiring the application of the log requirements in \*RCW 69.43.170 to the sale of the product at retail is warranted based upon the effectiveness and extent of use of the product for the illegal manufacture of methamphetamine or other controlled dangerous substances and the extent of the burden of any restrictions upon consumers. The board of pharmacy may adopt emergency rules to apply the log requirements to the sale of a product when the petition establishes that the immediate restriction of the product is necessary in order to protect public health and safety. [2005 c 388 § 3.]

**\*Reviser's note:** RCW 69.43.170 was repealed by 2010 c 182 § 6.

**Finding—Effective dates—Severability—2005 c 388:** See notes following RCW 69.43.105.

**69.43.190 Products found at methamphetamine sites—Report.** Each county sheriff shall compile and maintain a record of commercial products containing ephedrine, pseudoephedrine, or phenylpropanolamine and packaging found at methamphetamine laboratory sites. The data shall be forwarded to the Washington association of sheriffs and police chiefs and shall be reported to the legislature by November 1, 2007, and annually thereafter. [2005 c 388 § 9.]

**Finding—Effective dates—Severability—2005 c 388:** See notes following RCW 69.43.105.

- (vii) the potential of the substance to produce psychic or physiological dependence liability; and
- (viii) whether the substance is an immediate precursor of a controlled substance.

(2) The board may consider findings of the federal Food and Drug Administration or the Drug Enforcement Administration as prima facie evidence relating to one or more of the determinative factors.

(b) After considering the factors enumerated in subsection (a) of this section, the board shall make findings with respect thereto and adopt and cause to be published a rule controlling the substance upon finding the substance has a potential for abuse.

(c) The board, without regard to the findings required by subsection (a) of this section or RCW 69.50.203, 69.50.205, 69.50.207, 69.50.209, and 69.50.211 or the procedures prescribed by subsections (a) and (b) of this section, may place an immediate precursor in the same schedule in which the controlled substance of which it is an immediate precursor is placed or in any other schedule. If the board designates a substance as an immediate precursor, substances that are precursors of the controlled precursor are not subject to control solely because they are precursors of the controlled precursor.

(d) If a substance is designated, rescheduled, or deleted as a controlled substance under federal law, the board shall similarly control the substance under this chapter after the expiration of thirty days from the date of publication in the federal register of a final order designating the substance as a controlled substance or rescheduling or deleting the substance or from the date of issuance of an order of temporary scheduling under Section 508 of the federal Dangerous Drug Diversion Control Act of 1984, 21 U.S.C. Sec. 811(h), unless within that thirty-day period, the board or an interested party objects to inclusion, rescheduling, temporary scheduling, or deletion. If no objection is made, the board shall adopt and cause to be published, without the necessity of making determinations or findings as required by subsection (a) of this section or RCW 69.50.203, 69.50.205, 69.50.207, 69.50.209, and 69.50.211, a final rule, for which notice of proposed rule making is omitted, designating, rescheduling, temporarily scheduling, or deleting the substance. If an objection is made, the board shall make a determination with respect to the designation, rescheduling, or deletion of the substance as provided by subsection (a) of this section. Upon receipt of an objection to inclusion, rescheduling, or deletion under this chapter by the board, the board shall publish notice of the

receipt of the objection, and control under this chapter is stayed until the board adopts a rule as provided by subsection (a) of this section.

(e) The board, by rule and without regard to the requirements of subsection (a) of this section, may schedule a substance in Schedule I regardless of whether the substance is substantially similar to a controlled substance in Schedule I or II if the board finds that scheduling of the substance on an emergency basis is necessary to avoid an imminent hazard to the public safety and the substance is not included in any other schedule or no exemption or approval is in effect for the substance under Section 505 of the federal Food, Drug, and Cosmetic Act, 21 U.S.C. Sec. 355. Upon receipt of notice under RCW 69.50.214, the board shall initiate scheduling of the controlled substance analog on an emergency basis pursuant to this subsection. The scheduling of a substance under this subsection expires one year after the adoption of the scheduling rule. With respect to the finding of an imminent hazard to the public safety, the board shall consider whether the substance has been scheduled on a temporary basis under federal law or factors set forth in subsection (a)(1)(iv), (v), and (vi) of this section, and may also consider clandestine importation, manufacture, or distribution, and, if available, information concerning the other factors set forth in subsection (a)(1) of this section. A rule may not be adopted under this subsection until the board initiates a rule-making proceeding under subsection (a) of this section with respect to the substance. A rule adopted under this subsection must be vacated upon the conclusion of the rule-making proceeding initiated under subsection (a) of this section with respect to the substance.

(g) [(f)] Authority to control under this section does not extend to distilled spirits, wine, malt beverages, or tobacco as those terms are defined or used in Titles 66 and 26 RCW. [1998 c 245 § 108; 1993 c 187 § 2; 1989 1st ex.s. c 9 § 430; 1986 c 124 § 2; 1971 ex.s. c 308 § 69.50.201.]
