- 44.04.280 State laws—Respectful language. (1) The legislature recognizes that language used in reference to individuals with disabilities shapes and reflects society's attitudes towards people with disabilities. Many of the terms currently used diminish the humanity and natural condition of having a disability. Certain terms are demeaning and create an invisible barrier to inclusion as equal community members. The legislature finds it necessary to clarify preferred language for new and revised laws by requiring the use of terminology that puts the person before the disability.
- (2)(a) The code reviser is directed to avoid all references to: Disabled, developmentally disabled, mentally disabled, mentally ill, mentally retarded, handicapped, cripple, and crippled, in any new statute, memorial, or resolution, and to change such references in any existing statute, memorial, or resolution as sections including these references are otherwise amended by law.
- (b) The code reviser is directed to replace terms referenced in (a) of this subsection as appropriate with the following revised terminology: "Individuals with disabilities," "individuals with developmental disabilities," "individuals with mental illness," and "individuals with intellectual disabilities."
- (3) No statute, memorial, or resolution is invalid because it does not comply with this section.
- (4) The replacement of outmoded terminology with more appropriate references may not be construed as changing the application of any provision of this code to any person. [2010 c 94 § 2; 2009 c 377 § 1; 2004 c 175 § 1.]

Purpose—2010 c 94: "The purpose of this act is to move toward fulfillment of the goals stated in RCW 44.04.280, to remove demeaning language from the Revised Code of Washington and to use respectful language when referring to individuals with disabilities. It is not the intent of the legislature to expand or contract the scope or application of any provision of this code. Nothing in this act may be construed to change the application of any provision of this code to any person." [2010 c 94 \S 1.]

No amendment by the legislature may include more than two percent of the population of any legislative or congressional district contained in the commission's modification.
- (6) The commission's modification to the redistricting plan, with any amendments approved by the legislature, shall be final upon approval of the amendments or after expiration of the time provided for legislative amendment by subsection (5) of this section, whichever occurs first.

[Title 44 RCW—page 10] (2018 Ed.)

House Concurrent Resolution 4409 under RCW 44.05.100. For United States congressional districts, see chapter 29A.76B RCW.

RESOLUTION OF REDISTRICTING CONGRESSIONAL and LEGISLATIVE DISTRICTS AS AMENDED BY EHCR 4409

WHEREAS, Article II, section 43 of the Washington state Constitution and chapter 44.05 RCW require that a commission be established in January of each year ending in one, to provide for the redistricting of state legislative and congressional districts as soon as possible following the federal decennial census, but no later than January 1st of each year ending in two; and

WHEREAS, The United States Bureau of the Census conducted a census of the United States on April 1, 2010, and reported the results of the census to the state of Washington on February 23, 2011; and

WHEREAS, The Washington State Redistricting Commission was duly constituted in January 2011, and undertook its constitutional and statutory responsibilities for preparing a redistricting plan for the state of Washington; and

WHEREAS, The Washington State Redistricting Commission held numerous public hearings throughout the state and solicited public comment and third-party plans in accordance with its rules, chapter 417-06 WAC; and

WHEREAS, The Washington State Redistricting Commission has adopted by a unanimous vote a Final Plan and Resolution of the Redistricting Commission on this date January 1, 2012, in conformity with the constitutional requirement that it do so as soon as possible following the federal decennial census, but no later than January 1st of each year ending in two;

NOW, THEREFORE, BE IT RESOLVED, THAT

FIRST, It is the intent of the Commission to redistrict the congressional and legislative districts of the state of Washington in accordance with the Constitution and laws of the United States and the state of Washington; and

SECOND, The definitions set forth in RCW 44.05.020 apply throughout this plan, unless the context requires otherwise; and

THIRD, In every case the population of the congressional and legislative districts described by this plan has been ascertained on the basis of the total number of persons found inhabiting such areas as of April 1, 2010, in accordance with the 2010 federal decennial census data submitted pursuant to P.L. 94-171; and

FOURTH, Pursuant to the most recent certificate of entitlement from the Clerk of the United States House of Representatives as required by 2 U.S.C. Sec. 2a, the territory of the state shall be divided into ten congressional districts. The congressional districts described by this plan shall be those recorded as *C-JOINTSUB_2-1, maintained in electronic files designated as *C-JOINTSUB_2-1, which are public records of the Commission. As soon as practicable after approval and submission of this plan to the Legislature, the Commission shall publish *C-JOINTSUB_2-1; and

FIFTH, The legislative districts described by this plan shall be those recorded as *L-JOINTSUB_3-2, maintained in electronic files designated as *L-JOINTSUB_3-2, which are public records of the Commission. As soon as practicable after approval and submission of this plan to the Legislature, the Commission shall publish *L-JOINTSUB_3-2; and

SIXTH, The Commission recognizes that existing state law shall continue to govern such matters as the terms and dates of election for members of the state Senate to be elected from each district, the status of "hold-over" senators, and the elections to fill vacancies, when required. Districts referred to in existing law and designated by number shall refer to districts of the same number described in this plan, beginning with the next elections in 2012; and

SEVENTH, This Commission intends that this plan supersede the district boundaries established by chapters 29A.76A and 44.07D RCW for congressional and legislative districts, respectively; and

EIGHTH, If any provision of this plan or its application to any person or circumstance is held invalid, the remainder of the plan or its application to other persons or circumstances is not affected; and

NINTH, For purposes of this plan, districts shall be described in terms of:

- (1) Official United States Census Bureau tracts, Block Groups, or blocks established by the United States Census Bureau in the 2010 federal decennial census or specifically delineated portions thereof; and
- (2) Local political subdivisions, such as counties, municipalities, school districts, voting precincts, or other political subdivisions as they existed on January 1, 2010; and
- (3) Any durable and significant natural or artificial boundaries or monuments including but not limited to rivers, streams, or lakes as they existed on January 1, 2010; and
 - (4) Roads, streets, or highways as they existed on January 1, 2010; and

- (5) Where the boundary of any Census tract, Block Group, or block listed herein is defined by a visible feature, or by the boundary of a county, voting precinct, school district, urban growth area, or incorporated city or town, the boundary of that Census tract, Block Group, or block shall be considered to follow the actual location of that feature or boundary as of January 1, 2010, should this differ from the location mapped by the United States Census Bureau; and
- (6) Where the boundary of any Census tract, Block Group, or block listed herein is defined by a roadway, and the boundary of an incorporated city or town lies along a right-of-way line of that roadway, the County Auditor may consider the boundary of that tract, Block Group, or block to follow the corporate limits of that city or town for the purpose of implementing this plan; and

TENTH, Any area not specifically included within the boundaries of any of the districts as described in this plan; any area described in this plan as specifically embraced in two or more districts; and other specified instances of omissions or errors, shall be resolved in accordance with the criteria detailed in Attachment A.

*Reviser's note: The redistricting plan filed with the Legislature was amended by House Concurrent resolution 4409. The Washington State Redistricting Commission has published updated electronic files, designated as CONG_AMEND_FINAL for the Congressional portion of the plan and LEG_AMEND_FINAL for the Legislative portion of the plan, incorporating the changes made by the Legislature. These files are maintained as public records of the commission.

ATTACHMENT A CRITERIA FOR RESOLVING ERRORS AND OMISSIONS AFTER ADOPTION OF THE 2012 PLAN

- (A) If any area is not included in any district as described herein, it shall be assigned to a district as follows:
- (1) If the area is surrounded by or adjacent to a single district, it shall be a part of that district.
 - (2) If the area is adjacent to more than one district:
- (a) The area shall be a part of the adjacent district that is not separated from the area by a county boundary;
- (b) If more than one district satisfies criterion (a), the area shall be a part of the adjacent district that is not separated from the area by a municipal boundary;
- (c) If more than one district satisfies criteria (a) and (b), the area shall be a part of the adjacent district that has the least population of all adjacent districts that satisfy criteria (a) and (b);
- (d) If more than one district satisfies criteria (a), (b), and (c), the area shall be a part of the adjacent district satisfying criteria (a), (b), and (c) with which the area shares the longest land boundary;
- (e) If all districts that satisfy criterion (a) fail to satisfy criterion (b), the area shall be a part of the adjacent district that has the least population of all adjacent districts that satisfy criterion (a);
- (f) If all districts that satisfy criterion (a) fail to satisfy criterion (b), and more than one district satisfies criteria (a) and (e), the area shall be a part of the adjacent district satisfying criteria (a) and (e) with which the area shares the longest land boundary.
- (B) If any area is included within more than one district as described herein, it shall be assigned to only one district, following the criteria in (A) above, with the additional condition that the area must be assigned to one of the districts within which it is included as described herein.
- (C) If any district described herein is found to consist of multiple nonadjacent areas, the area having the largest population shall be considered to be the district, and the area(s) with lesser population shall be assigned following the criteria in (A) above, with the following exception:

If a land area is completely separated from the remaining land area of the district to which it has been assigned solely by Census blocks consisting entirely of water, and if the intervening Census water blocks have been assigned to a different district, and the area is accessible from the remainder of its district by bridge or ferry, then the area shall remain a part of the district to which it is assigned herein, and the intervening water Census blocks shall also be reassigned to that district.

mony received, must be included in the final compliance report.

Findings and intent—1996 c 288: "The public expects the legislature to address citizens' increasing demand for the basic services of state government, while limiting the growth in spending. The public demands that public officials and state employees be accountable to provide maximum value for every dollar entrusted to state government. The public believes that it is possible to improve the responsiveness of state government and to save the tax-payers' money, and that efficiency and effectiveness should result in savings.

[Title 44 RCW—page 56] (2018 Ed.)

The legislature, public officials, state employees, and citizens need to know the extent to which state agencies, programs, and activities are achieving the purposes for which they were created. It is essential to compare the conditions, problems, and priorities that led to the creation of government programs with current conditions, problems, and priorities, and to examine the need for and performance of those programs in the current environment.

Along with examining the performance of state agencies and programs, the legislature, public officials, state employees, and citizens must also consider the effect that state government programs can reasonably expect to have on citizens' lives, how the level of programs and services of Washington state government compares with that of other states, and alternatives for service delivery, including other levels of government and the private sector including not-for-profit organizations. It is essential that the legislature, public officials, state employees, and citizens share a common understanding of the role of state government. The performance and relative priority of state agency programs and activities must be the basis for managing and allocating resources within Washington state government.

It is the intent of the legislature to strengthen the role of the current legislative budget committee so that it may more effectively examine how efficiently state agencies perform their responsibilities and whether the agencies are achieving their goals, and whether units of local government are using state funds for their intended purpose in an efficient and effective manner. It is also the intent of the legislature to enact a clear set of definitions for different types of audits in order to eliminate confusion with regard to government reviews." [1996 c 288 § 1.]

44.28.010 Committee created—Members. The joint legislative audit and review committee is created, which shall consist of eight senators and eight representatives from the legislature. The senate members of the joint committee shall be appointed by the president of the senate, and the house members of the joint committee shall be appointed by the speaker of the house. 44.28.020 Terms of members—Vacancies. The term of office of the members of the joint committee shall be two years, ending two years from the date of appointment or when a member is no longer a member of the house from which he or she was appointed, except that members shall continue to serve until a successor is appointed. Vacancies on the joint committee shall be filled from the same political party and from the same house as the member whose seat was vacated. Senate vacancies shall be filled through appointment by the president of the senate, and house vacancies shall be filled through appointment by the speaker of the house. tee shall develop and approve a performance audit work plan for the ensuing biennium. The biennial work plan may be modified, as necessary, at the conclusion of other legislative sessions to reflect actions taken by the legislature and the joint committee. The work plan shall include a description of each performance audit, and the cost of completing the audits on the work plan shall be limited to the funds appropriated to the joint committee. Approved performance audit work plans shall be transmitted to the entire legislature by July 1st following the conclusion of each regular session of an odd-numbered year and as soon as practical following other legislative sessions.

- (2) Among the factors to be considered in preparing the work plans are:

- (b) Whether implementation of an existing program has failed to meet its goals and objectives by any significant degree;
- (c) Whether a follow-up audit would help ensure that previously identified recommendations for improvements were being implemented; and
- (d) Whether an assignment for the joint committee to conduct a performance audit has been mandated in legislation.
- (3) The legislative auditor may consult with the chairs and staff of appropriate legislative committees, the state auditor, and the director of financial management in developing the performance audit work plan. [2010 c 26 § 3; 1996 c 288 § 12; 1993 c 406 § 5. Formerly RCW 44.28.180.]

Findings—Intent—Part headings—Effective dates—2005 c 319: See notes following RCW 43.17.020.

44.28.091 Compliance reports—Preliminary and

final. The agency or local government may attach its comments to the joint committee's preliminary compliance report as a separate addendum.

(2) Within three months after the issuance of the preliminary compliance report, the joint committee may hold at least one public hearing and receive public testimony regarding the findings and recommendations contained in the preliminary compliance report. The joint committee may waive the public hearing requirement if the preliminary compliance report demonstrates that the agency or local government is in compliance with the audit recommendations. The joint committee shall issue any final compliance report within four weeks after the public hearing or hearings. The legislative auditor shall transmit the final compliance report in the same manner as a final performance audit is transmitted under RCW 44.28.088. [1996 c 288 § 14.]

44.28.094 Quality control review of joint committee.

Subject to the joint committee's approval, the office of the joint committee shall undergo an external quality control review within three years of June 6, 1996, and at regular intervals thereafter. The review must be conducted by an independent organization that has experience in conducting performance audits. The quality control review must include, at a minimum, an evaluation of the quality of the audits conducted by the joint committee, an assessment of the audit procedures used by the joint committee, and an assessment of the qualifications of the joint committee staff to conduct performance audits. [1996 c 288 § 15.]

- 44.28.155 WorkFirst program evaluation. (1) The joint legislative audit and review committee shall conduct an evaluation of the effectiveness of the WorkFirst program described in chapter 58, Laws of 1997, including the job opportunities and basic skills training program and any approved private, county, or local government WorkFirst program. The evaluation shall assess the success of the program in assisting clients to become employed and to reduce their use of temporary assistance for needy families. The study shall include but not be limited to the following:
- (a) An assessment of employment outcomes, including hourly wages, hours worked, and total earnings, for clients;
- (b) A comparison of temporary assistance for needy families outcomes, including grant amounts and program exits, for clients; and
- (c) An audit of the performance-based contract for each private nonprofit contractor for job opportunities and basic skills training program services. 44.28.156 Education performance agreement pilot— Evaluation. The joint committee shall conduct an evaluation of the higher education performance agreement pilot test under *RCW 28B.10.920 through 28B.10.922 and make recommendations regarding changes to the substance or process of creating the agreements, including whether the performance agreement process should be continued and expanded to include additional higher education institutions. The evaluation shall be submitted to the governor and the higher education committees of the senate and house of representatives by November 1, 2014. [2008 c 160 § 5.]

*Reviser's note: RCW 28B.10.920 through 28B.10.922 were repealed by 2011 1st sp.s. c 10 \S 26. RCW 28B.10.922 was also repealed by 2011 1st sp.s c 21 \S 18.

Findings—Intent—2008 c 160: "(1) The legislature finds that in the last ten years, significant progress has been made to identify and monitor accountability and performance measures in higher education, both internally in institutions and externally in the legislative and state policymaking environment.

(2) However, the legislature further finds that opportunities exist to promote greater visibility of performance measures among policymakers and among the public consumers of higher education. Policy decisions, including decisions about resource allocation, should be made with greater knowledge and a shared understanding about the tradeoffs between resources, flexibility, and desired outcomes. A forum should be created to allow discussion among policymakers and institution leaders about setting outcome-oriented priorities, targeting of investments, linking operating and capital planning, and creating a longer-term view than the biennial budget cycle typically permits.

[Title 44 RCW—page 60] (2018 Ed.)

- (3) Therefore, the legislature intends to implement a process for such discussions, agreements, and planning to occur. The process of crafting higher education performance agreements will be pilot-tested over a six-year period with the public four-year institutions of higher education beginning in 2008." [2008 c 160 § 1.]
- 44.28.157 School district health benefits—Review—Recommendations—Performance grants—Report. (1) By December 31, 2015, the joint committee must review the reports on school district health benefits submitted to it by the office of the insurance commissioner and the health care authority and report to the legislature on the progress by school districts and their benefit providers in meeting the following legislative goals to:
- (a) Improve the transparency of health benefit plan claims and financial data to assure prudent and efficient use of taxpayers' funds at the state and local levels;
- (b) Create greater affordability for full family coverage and greater equity between premium costs for full family coverage and employee only coverage for the same health benefit plan;
- (c) Promote health care innovations and cost savings and significantly reduce administrative costs.
- (2) The joint committee shall also make a recommendation regarding a specific target to realize the goal in subsection (1)(b) of this section.
- (3) The joint committee shall report on the status of individual school districts' progress in achieving the goals in subsection (1) of this section.
- (4)(a) In the 2015-2016 school year, the joint committee shall determine which school districts have met the requirements of *RCW 28A.400.350 (5) and (6), and shall rank order these districts from highest to lowest in term of their performance in meeting the requirements.
- (b) The joint committee shall then allocate performance grants to the highest performing districts from a performance fund of five million dollars appropriated by the legislature for this purpose. Performance grants shall be used by school districts only to reduce employee health insurance copayments and deductibles. In determining the number of school districts to receive awards, the joint committee must consider the impact of the award on district employee copayments and deductibles in such a manner that the award amounts have a meaningful impact.
- (5) If the joint committee determines that districts and their benefit providers have not made adequate progress, in the judgment of the joint committee, in achieving one or more of the legislative goals in subsection (1) of this section, the joint committee report to the legislature must contain advantages, disadvantages, and recommendations on the following:

Reviser's note: This section was amended by 2013 c 63 § 2 and by 2013 c 327 § 2, each without reference to the other. Both amendments are incorporated in the publication of this section under RCW 1.12.025(2). For rule of construction, see RCW 1.12.025(1).

Intent—2013 c 327: "The intent of the legislature is to make state capital budget and transportation budget appropriation and expenditure data as transparent and easy to use by the public as is feasible. It is important to provide information to the public on state capital and transportation investments by legislative district and county in a format that is easy to navigate and comprehend. Providing such information contributes to governmental accountability, public participation, agency efficiency, and open government." [2013 c 327 § 1.]

Intent—2008 c 326: "The intent of the legislature is to make state revenue and expenditure data as open, transparent, and publicly accessible as is feasible. Increasing the ease of public access to state budget data, particularly where the data are currently available from disparate internal government sources but are difficult for the public to collect and efficiently aggregate, significantly contributes to governmental accountability, public participation, agency efficiency, and open government." [2008 c 326 § 1.]

Chapter 44.55 RCW JOINT LEGISLATIVE OVERSIGHT COMMITTEE ON TRADE POLICY

Sections

44.55.010 Findings—Intent.
44.55.020 Chair—Officers—Rules.
44.55.040 Powers, duties.
44.55.060 Staff support.
44.55.060 Compensation.

44.55.010 Findings—Intent. The legislature finds that international trade is an important part of Washington's economy with Washington as the fifth largest exporting state in the nation. The legislature further finds that World Trade Organization agreements and the North American Free Trade Agreement have implications for Washington state laws governing agriculture, services, environmental regulation, and economic subsidies. The legislature further finds that future trade agreements such as the proposed Free Trade Area of the Americas may also impact Washington state. Therefore, it is the intent of the legislature to create a joint legislative oversight committee on trade policy to monitor the impact of these trade agreements on Washington state laws, and to provide a mechanism for legislators and citizens to voice their opinions and concerns about the potential impacts of these trade agreements to state and federal government officials. [2003 c 404 § 1.]

44.55.020 Committee membership. A joint legislative oversight committee on trade policy is created, to consist of four senators and four representatives from the legislature and three ex officio members. The president of the senate shall appoint the senate members of the committee, and the speaker of the house shall appoint the house members of the committee. No more than two members from each house may be from the same political party. A list of appointees must be

(2018 Ed.) [Title 44 RCW—page 67]

submitted by July 1, 2003, and before the close of each regular session during an even-numbered year. Vacancies on the committee will be filled by appointment and must be filled from the same political party and from the same house as the member whose seat was vacated. The ex officio members shall be appointed by the speaker of the house and the president of the senate, and include a representative from the department of agriculture, the state trade representative, and a representative from the office of the attorney general. [2003 c 404 § 2.]

Reviser's note: Substitute House Bill No. 1059, Substitute House Bill No. 1173, and Engrossed Substitute House Bill No. 1827 were enacted during the 2003 regular session of the legislature, but were vetoed in part by the governor. A stipulated judgment, No. 03-2-01988-4 filed in the Superior Court of Thurston County, between the governor and the legislature, settled litigation over the governor's use of veto powers and declared the vetoes of SHB 1059, SHB 1173, and ESHB 1827 null and void. Consequently, the text of this section has been returned to the version passed by the legislature prior to the vetoes. For vetoed text and message, see chapter 404, Laws of 2003.

	sumption—Collection and remittance of all applicable state and local taxes—Consultation with the Washington wine
	commission.
44.73.020	Legislative gift center account.

44.73.005 Findings. The legislature finds that Washington is committed to economic development and supporting the tourism industry, and that economic development is achieved by promoting the state and the goods produced around the state. The legislature further finds that tourism is encouraged providing a memorable experience and an opportunity for visitors to take something back home with them to remind them of this experience. There are many visitors every day to the legislative building, including tourists, school children, and people from around the state visiting the state capitol. These visitors offer an opportunity for the state to showcase its products and history. Therefore, the legislature finds that a gift center in the legislative building would be an appropriate response to this opportunity, and further, that such a gift center could provide a source of revenue to help fund the oral history program and to pay for the restoration and repurchase of historical capitol furnishings. [2007] c 453 § 1.]

44.73.010 Legislative gift center—Created—Retail sale of products—Governance—Planning.
