Following death of the owner, if all remains previously placed are lawfully removed and the owner did not dispose of the plot or right of interment by specific devise or by a written declaration filed and recorded in the office of the cemetery authority, the title descends to the surviving spouse or state registered domestic partner. No vested right of interment gives any person the right to have the remains of more than one deceased person placed in a single space in violation of the rules and regulations of the cemetery in which the space is located. [2005 c 365 § 104; 1943 c 247 § 103; Rem. Supp. 1943 § 3778-103.]

The ownership or right to unoccupied cemetery space in this state shall, upon abandonment, be subject to forfeiture and sale by the person or entity having ownership or management of the cemetery. Unoccupied cemetery space is presumed to be abandoned if it has been neglected and in a state of disrepair for a period of five years. [2005 c 365 § 106; 1943 c 247 § 78; Rem. Supp. 1943 § 3778-78.]

68.36.020 Notice—Requirements—Limitation on placing. Cemetery management shall place a suitable notice on each unoccupied space, setting forth the date the notice is placed and that the unoccupied space is subject to forfeiture and sale by the cemetery. If the owner of the unoccupied space fails during the next three years following the date of the notice to maintain or care for the unoccupied space, the cemetery may reclaim the unoccupied space. However, such a notice cannot be placed on the unoccupied space in any cemetery lot until twenty years have elapsed since the last interment in any such lot of a member of the immediate family of the record owner. [2005 c 365 § 107; 1943 c 247 § 79; Rem. Supp. 1943 § 3778-79.]

In the event that the whereabouts of the owner is unknown, then the notice may be given by publishing the notice three times in a legal newspaper as required by this section. The cemetery authority may file an affidavit in the proceeding to the effect that the owner is unknown and that the cemetery exercised diligence in attempting to locate the unknown parties. If an owner fails to do so prior to the day fixed for hearing, a default shall be entered and it shall then be the duty of the superior court to immediately enter an order adjudging the unoccupied space to have been abandoned and subject to sale. In the event the owner or claimant shall appear and file his or her answer prior to the day fixed for the hearing, the presumption of abandonment shall no longer exist, and on the day fixed for the hearing of the petition or on any subsequent day to which the hearing of the cause is adjourned, the allegations and proof of the parties shall be presented to the court and if the court shall determine that there has been a continued failure to maintain or care for the unoccupied space for a period of three consecutive years preceding the filing of the petition, an order shall be entered accordingly adjudging the unoccupied space to have been abandoned and subject to sale at the expiration of one year by the person, association, corporation, or municipality having ownership of the cemetery containing the same. Upon any adjudication of abandonment, the court shall fix such sum as it shall deem reasonable as attorneys' fees for petitioner's attorney for rights of interment adjudged to have been abandoned in such proceedings. [2005 c 365 § 110; 1943 c 247 § 82; Rem. Supp. 1943 § 3778-82.]

68.36.060 Contract for care before adjudication. If at any time before the adjudication of abandonment the owner of an unoccupied space contracts with the owner or manager of the cemetery for the endowment care of the space, the court shall dismiss the proceedings as to such unoccupied space. [1953 c 290 § 1; 1943 c 247 § 83; Rem. Supp. 1943 § 3778-83.]

68.36.070 Contract for care within one year after adjudication. If at any time within one year after the adjudication of abandonment, the former owner of the unoccupied space shall contract for its endowment care, and reimburse the owner or manager of the cemetery for the expense of the proceedings, including attorney's fees, the space shall not be sold and the order adjudging it to have been abandoned shall be vacated upon petition of the former owner. [1953 c 290 § 2; 1943 c 247 § 84; Rem. Supp. 1943 § 3778-84.]

68.36.080 Sale after one year. One year after the entry of the order adjudging such lot, part of lot, lots or parts of lots to have been abandoned, the owner or manager of the cemetery in which the same is located shall have the power to sell the same, in whole or in part, at public or private sale, and convey by deed good, clear and sufficient title thereto. [1943 c 247 § 85; Rem. Supp. 1943 § 3778-85.]

68.36.100 Petition may cover several lots. The petition for abandonment shall be entitled: "In the Matter of the Abandonment, Forfeiture and Sale of Unoccupied and

Funeral directors and embalmers account and cemetery account abolished, moneys transferred to funeral and cemetery account—2009 c 102: See note following RCW 18.39.810.

68.46.020 Prearrangement trust funds—Required. Any cemetery authority selling by prearrangement contracts any merchandise or services shall establish and maintain one or more prearrangement trust funds for the benefit of beneficiaries of prearrangement contracts. [2005 c 365 § 126; 1973 1st ex.s. c 68 § 2.]

68.46.030 Prearrangement trust funds—Deposits—Bond requirements. (1) For each prearrangement contract, a cemetery authority shall deposit the greater of the following amounts in its prearrangement trust fund:

- (a) For merchandise:
 - (i) Fifty percent of the contract price; or
 - (ii) The wholesale cost of the item.
- (b) For services:
 - (i) Fifty percent of the contract price; or
 - (ii) The direct cost of providing the service.

(2) Any cemetery authority which does not file and maintain with the board a bond as provided in subsection (4) of this section shall deposit in its prearrangement trust fund an amount as determined under subsection (1) of this section, excluding sales tax and endowment care if such charge is made.

(3) Any cemetery authority which files and maintains with the board a bond as provided in subsection (4) of this section may retain the nontrustable portion of the contract before depositing the balance of payments into its prearrangement trust fund, as determined under subsection (1) of this section, excluding sales tax and endowment care, if such charge is made.

(4) Each cemetery authority electing to make payments to its prearrangement trust fund pursuant to subsection (3) of this section shall file and maintain with the board a bond, issued by a surety company authorized to do business in the state, in the amount by which the cemetery authority's contingent liability for refunds pursuant to RCW 68.46.060 exceeds the amount deposited in its prearrangement trust fund. The bond shall be conditioned that it is for the use and benefit of any person requesting a refund pursuant to RCW 68.46.060 if the cemetery authority does not promptly pay to the person the refund due pursuant to RCW 68.46.060. In addition to any other remedy, every person not promptly receiving the refund due pursuant to RCW 68.46.060 may sue the surety for the refund. Termination or cancellation shall not be effective unless notice is delivered by the surety to the board at least thirty days prior to the date of termination or cancellation. The board shall immediately notify the cemetery authority affected by the termination or cancellation by certified mail, return receipt requested. The cemetery authority shall thereupon obtain another bond or make such other arrangement as may be satisfactory to the board to ensure its ability to make refunds pursuant to RCW 68.46.060.

(5) Deposits to the prearrangement trust fund shall be made not later than the twentieth day of each month following receipt of each payment required to be deposited. If a prearrangement contract is sold, pledged, or otherwise encum-

bered as security for a loan by the cemetery authority, the cemetery authority shall pay into the prearrangement trust fund fifty percent of the total sale price of the prearrangement contract within twenty days of receipt of payment of the proceeds from the sale or loan.

(6) Any failure to fund a prearrangement contract as required by this section shall be grounds for disciplinary action against the cemetery authority and the cemetery authority's prearrangement sales license. [2005 c 365 § 127; 1984 c 53 § 3; 1979 c 21 § 24; 1973 1st ex.s. c 68 § 3.]

68.46.040 Prearrangement trust funds—Deposit of funds. (1) All prearrangement trust funds must be deposited in a commercial bank, trust company, mutual savings bank, savings and loan association, or credit union, whether state or federally chartered. (2) All prearrangement trust funds must be invested in accordance with the provisions of RCW 11.100.020 subject to the following restrictions:

(b) If the cemetery authority files a verified statement that a specific prearrangement contract has been canceled in accordance with its terms.

(2) The department of social and health services shall notify the cemetery authority maintaining a prearrangement trust fund regulated by this chapter that the department has a claim on the estate of a beneficiary for long-term care services. Such notice shall be renewed at least every three years. The cemetery authority, upon becoming aware of the death of a beneficiary, shall give notice to the department of social and health services, office of financial recovery, who shall file any claim there may be within thirty days of the notice. This section does not include retail installment sales transactions governed by chapter 63.14 RCW. [2005 c 365 § 130; 1984 c 53 § 8.]

In any case, where, under a prearrangement contract there is more than one beneficiary, no written demand as provided in this section shall be honored by any cemetery authority unless the written demand provided for in this section shall bear the signatures of all of such beneficiaries. [2005 c 365 § 132; 1987 c 331 § 51; 1984 c 53 § 4; 1979 c 21 § 25; 1973 1st ex.s. c 68 § 6.]

68.46.070 Involuntary termination of contract—Refund. Prearrangement contracts shall terminate upon demand of the purchaser of the contract if the cemetery authority shall go out of business, become insolvent or bankrupt, make an assignment for the benefit of creditors, or for any other reason be unable to fulfill the obligations under the contract. Upon demand by the purchaser or beneficiary or beneficiaries of any prearrangement contract, the cemetery authority shall refund one hundred percent of the original contract, less delivered services and merchandise, including funds held in deposit and interest earned thereon, unless otherwise ordered by a court of competent jurisdiction. [1987 c 331 § 52; 1979 c 21 § 26; 1973 1st ex.s. c 68 § 7.]

68.46.075 Inactive contracts—Funds transfer—Obligations. In the event the beneficiary of a prearrangement contract make[s] no claim within fifty years of the date of the contract for the merchandise and services provided in the prearrangement contract, the funds deposited in the prearrangement trust for that contract, plus interest, shall be transferred to the cemetery authority's endowment fund, to be used for the purposes for which the endowment fund was established. However, the cemetery authority shall remain obligated for merchandise and services, unconstructed crypts, niches, and undeveloped property under the terms of the prearrangement contract. Claims may be made for merchandise and services, unconstructed crypts, niches, and undeveloped property on a prearrangement contract after the funds have been transferred to the endowment fund. These claims shall be paid for from the endowment fund income on a contract by contract basis. [2005 c 365 § 133; 1979 c 21 § 27.]

(5) If a cemetery authority as defined in RCW 68.04.190 or a funeral establishment licensed under chapter 18.39 RCW has made a good faith effort to locate the person cited in subsection (3)(a) through (g) of this section or the legal representative of the decedent's estate, the cemetery authority or funeral establishment shall have the right to rely on an authority to bury or cremate the human remains, executed by the most responsible party available, and the cemetery authority or funeral establishment may not be held criminally or civilly liable for burying or cremating the human remains. In the event any government agency or charitable organization provides the funds for the disposition of any human remains, the cemetery authority or funeral establishment may not be held criminally or civilly liable for cremating the human remains.

The missing person's dentist or dentists shall provide diagnostic quality copies of the missing person's dental records or original dental records to the sheriff, chief of police, county coroner or county medical examiner, or other law enforcement authority, when presented with the written consent from the missing person's family or next of kin or with a statement from the sheriff, chief of police, county coroner or county medical examiner, or other law enforcement authority that the missing person's family or next of kin could not be located in the exercise of due diligence or that the missing person's family or next of kin refuse to consent to the release of the missing person's dental records and there is reason to believe that the missing person's family or next of kin

68.50.645 Skeletal human remains—Duty to notify—Ground disturbing activities—Coroner determination—Definitions.

(1) It is the duty of every person who knows of the existence and location of skeletal human remains to notify the coroner and local law enforcement in the most expeditious manner possible, unless such person has good reason to believe that such notice has already been given. Any person knowing of the existence of skeletal human remains and not having good reason to believe that the coroner and local law enforcement has notice thereof and who fails to give notice to the coroner and local law enforcement, is guilty of a misdemeanor.

(2) Any person engaged in ground disturbing activity and who encounters or discovers skeletal human remains in or on the ground shall:

(a) Immediately cease any activity which may cause further disturbance;

(b) Make a reasonable effort to protect the area from further disturbance;

(c) Report the presence and location of the remains to the coroner and local law enforcement in the most expeditious manner possible; and

(d) Be held harmless from criminal and civil liability arising under the provisions of this section provided the following criteria are met:

(i) The finding of the remains was based on inadvertent discovery;

(ii) The requirements of the subsection are otherwise met; and

(iii) The person is otherwise in compliance with applicable law.

(3) The coroner must make a determination of whether the skeletal human remains are forensic or nonforensic within five business days of receiving notification of a finding of such human remains provided that there is sufficient evidence to make such a determination within that time period. The coroner will retain jurisdiction over forensic remains.

(a) Upon determination that the remains are nonforensic, the coroner must notify the department of archaeology and historic preservation within two business days. The department will have jurisdiction over such remains until provenance of the remains is established. A determination that remains are nonforensic does not create a presumption of removal or nonremoval.

(b) Upon receiving notice from a coroner of a finding of nonforensic skeletal human remains, the department must notify the appropriate local cemeteries, and all affected Indian tribes via certified mail to the head of the appropriate tribal government, and contact the appropriate tribal cultural resources staff within two business days of the finding. The determination of what are appropriate local cemeteries to be notified is at the discretion of the department. A notification to tribes of a finding of such nonforensic skeletal human remains does not create a presumption that the remains are Indian.

(c) The state physical anthropologist must make an initial determination of whether nonforensic skeletal human

(2019 Ed.)

remains are Indian or non-Indian to the extent possible based on the remains within two business days of notification of a finding of nonforensic remains. If the remains are determined to be Indian, the department must notify all affected Indian tribes via certified mail to the head of the appropriate tribal government within two business days and contact the appropriate tribal cultural resources staff.

(d) The affected tribes have five business days to respond via telephone or writing to the department as to their interest in the remains.

(4) For the purposes of this section:

(a) "Affected tribes" are:

(i) Those federally recognized tribes with usual and accustomed areas in the jurisdiction where the remains were found;

(ii) Those federally recognized tribes that submit to the department maps that reflect the tribe's geographical area of cultural affiliation; and

(iii) Other tribes with historical and cultural affiliation in the jurisdiction where the remains were found.

(2) The petition must be signed by at least ten percent of the registered voters in the proposed district. However, in counties with only one municipality the petition must be signed by at least ten percent of the registered voters in the proposed district, based on the total vote cast in the most recent county general election.

(3) The county auditor must, within thirty days from the date of filing of the petition, examine the signatures and certify the sufficiency or insufficiency of the petition.

(4) Notwithstanding subsection (3) of this section, in counties with only one municipality the county auditor must examine the signatures and certify the sufficiency or insufficiency of the petition within fifteen days from the date of filing of the petition. If the county auditor certifies that the petition is insufficient, the county auditor must afford the person who filed the petition ten days from that certification to add additional signatures to the petition. The petition must be refiled by the end of that period. Within fifteen days from the date of refiled, the county auditor must examine the signatures and certify the sufficiency or insufficiency of the petition.

(5) The name of any person who signed a petition may not be withdrawn from the petition after it has been filed with the county auditor.

(6) If the petition is found to contain a sufficient number of valid signatures, the county auditor must transmit it, with a certificate of sufficiency attached, to the county legislative authority, which must thereupon, by resolution entered upon its minutes, receive the petition and fix a day and hour when it will publicly hear the petition.

(7) For the purposes of this section, "municipality" means a city or town. [2013 c 167 § 1; 2008 c 96 § 1; 1994 c 223 § 74; 1947 c 6 § 2; Rem. Supp. 1947 § 3778-151. Formerly RCW 68.16.020.]

68.52.110 Hearing—Place and date. The county legislative authority must conduct a hearing on the petition not less than twenty nor more than forty days from the date of receipt of the petition from the county auditor. The hearing may be completed on the day set for hearing the petition or it may be adjourned from time to time as necessary, but an adjournment may not extend the time for the county legislative authority's determination pursuant to RCW 68.52.140 more than sixty days from the date of receipt of the petition from the county auditor. [2013 c 167 § 2; 1947 c 6 § 3; Rem. Supp. 1947 § 3778-152. Formerly RCW 68.16.030.]

The text of the petition with the names of petitioners omitted and a notice signed by the clerk of the county legislative authority stating the day, hour, and place of the hearing must be published in three consecutive weekly issues of the official newspaper of the county prior to the date of the hearing. The clerk must also cause a copy of the petition with the names of petitioners omitted, with a copy of the notice attached, to be posted for not less than fifteen days before the date of the hearing in three public places in the proposed district, to be previously designated by him or her and made a matter of record in the proceedings. of the proposed cemetery district or to the inclusion or exclusion of any lands in the proposed district, but no lands not within the boundaries of the proposed district as described in the petition may be included without a written waiver describing the land, executed by all persons having any interest of record therein, having been filed in the proceedings. No land within the boundaries described in the petition may be excluded from the proposed district. [2013 c 167 § 4; 1947 c 6 § 5; Rem. Supp. 1947 § 3778-154. Formerly RCW 68.16.050.]

68.52.140 Formation of district and election of first commissioners. (1) After conducting the hearing on the petition, if the county legislative authority determines that the formation of the proposed cemetery district will be conducive to the public welfare and convenience, the county legislative authority must by resolution so declare, otherwise the county legislative authority must deny the petition.

(2) If the county legislative authority finds in favor of the formation of the proposed district, the county legislative authority must designate the name and number of the proposed district, fix the boundaries of the proposed district, and cause an election to be held in the proposed district to determine whether the proposed district will be formed under the provisions of this chapter, and to elect the first cemetery district commissioners.

(3) Three cemetery district commissioners must be elected at the election to determine whether the proposed district will be formed, but the election of the commissioners is null and void if the district is not formed. No primary will be held for the office of cemetery district commissioner. A special filing period must be opened as provided in RCW 29A.24.171 and 29A.24.181. Candidates must run for specific commissioner positions. The person receiving the greatest number of votes for each commissioner position is elected to that position. Formerly RCW 68.16.060.]

68.52.150 Election, how conducted—Notice. Except as otherwise provided in this chapter, the election must insofar as possible be called, noticed, held, conducted, and canvassed in the same manner and by the same officials as provided by law for special elections in the county. The notice of election must: State generally and briefly the purpose of the election; describe the boundaries of the proposed cemetery district; list the names of the candidates for first cemetery district commissioners; and specify the election date. [2013 c 167 § 6; 1947 c 6 § 7; Rem. Supp. 1947 § 3778-156. Formerly RCW 68.16.070.]

Elections: Title 29A RCW.

68.52.155 Conformity with election laws—Exception—Vacancies. Cemetery district elections shall conform with general election laws, except that there shall be no primary to nominate candidates. [Title 68 RCW—page 34]

A vacancy on a board of cemetery district commissioners shall occur and shall be filled as provided in chapter 42.12 RCW. [1996 c 324 § 4; 1994 c 223 § 73.]

68.52.170 Canvass of returns—Votes required for district formation. (1) The returns of the election must be canvassed following the election, but the canvass may be adjourned from time to time to await the receipt of election returns. Upon conclusion of the canvass, the canvassing officials must certify the results to the county legislative authority.

(2) The cemetery district is formed if two-thirds of all votes cast at the election were in favor of the formation of the proposed district. However, in counties with only one municipality the district is formed if a majority of all votes cast at the election were in favor of the formation of the proposed district.

(3) If the proposition to form the proposed district received the voter approval required under this section, the county legislative authority must by resolution recorded in the county legislative authority's minutes: Declare the district formed under the name and number previously designated; and declare the three candidates receiving the highest number of votes for cemetery district commissioners as the duly elected first commissioners of the district. The clerk of the county legislative authority must certify a copy of the resolution and cause it to be filed for record in the offices of the county auditor and the county assessor of the county. The certified copy may be recorded without payment of a recording fee.

(4) If the proposition to form the proposed district failed to receive the voter approval required under this section, the county legislative authority must record in the county legislative authority's minutes the failed vote, and all proceedings relating to the proposed district are null and void.

(5) For the purposes of this section, "municipality" means a city or town. [2013 c 167 § 7; 1947 c 6 § 9; Rem. Supp. 1947 § 3778-158. Formerly RCW 68.16.090.]

(2) After the expiration of five days from the date of the resolution declaring the district formed, and upon filing of certified copies of the resolution in the offices of the county auditor and county assessor, the formation of the cemetery district is complete and its legal existence may not thereafter be questioned by any person by reason of any defect in the proceedings for the formation of the cemetery district. When proposed by ordinance or resolution of the county legislative authority, a ballot proposition shall designate the boundaries of the proposed district by metes and bounds or describing the lands to be included in the proposed district by government townships, ranges, and legal subdivisions. The ballot proposition authorizing the formation of a cemetery district shall be submitted to the voters residing within the proposed district consistent with the provisions of this chapter. [2008 c 96 § 2.]

68.52.190 General powers of district. Cemetery districts created under this chapter shall be deemed to be municipal corporations within the purview of the Constitution and laws of the state of Washington. It may at its option unite in a single action proceedings to condemn property held by separate owners. Two or more condemnation suits instituted separately may also in the discretion of the court be consolidated upon motion of any interested party into a single action. In such cases the jury shall render separate verdicts for each tract of land in different ownership. No finding of the jury or decree of the court as to damages in any condemnation suit instituted by the district shall be held or construed to destroy the right of the district to levy and collect taxes for any and all district purposes against the uncondemned land situated within the district. [1947 c 6 § 12; Rem. Supp. 1947 § 3778-161. Formerly RCW 68.16.120.]

The waiver must specify the month or period of months for which it is made. The board must fix the compensation to be paid the secretary and other employees of the district. Cemetery district commissioners and candidates for cemetery district commissioner are exempt from the requirements of chapter 42.17A RCW.

(3) The initial cemetery district commissioners must assume office immediately upon their election and qualification. Staggering of terms of office must be accomplished as follows: (a) The person elected receiving the greatest number of votes is elected to a six-year term of office if the election is held in an odd-numbered year or a five-year term of office if the election is held in an even-numbered year; (b) the person who is elected receiving the next greatest number of votes is elected to a four-year term of office if the election is held in an odd-numbered year or a three-year term of office if the election is held in an even-numbered year; and (c) the other person who is elected is elected to a two-year term of office if the election is held in an odd-numbered year or a one-year term of office if the election is held in an even-numbered year. The initial commissioners must assume office immediately after they are elected and qualified but their terms of office must be calculated from the first day of January after the election.

(4) Thereafter, commissioners are elected to six-year terms of office. Commissioners must serve until their successors are elected and qualified and assume office as provided in *RCW 29A.20.040.

(5) The dollar thresholds established in this section must be adjusted for inflation by the office of financial management every five years, beginning July 1, 2008, based upon changes in the consumer price index during that time period.

"Consumer price index" means, for any calendar year, that year's annual average consumer price index, for Washington state, for wage earners and clerical workers, all items, compiled by the bureau of labor and statistics, United States department of labor. If the bureau of labor and statistics develops more than one consumer price index for areas within the state, the index covering the greatest number of people, covering areas exclusively within the boundaries of the state, and including all items must be used for the adjustments for inflation in this section. The office of financial management must calculate the new dollar threshold and transmit it to the office of the code reviser for publication in the Washington State Register at least one month before the new dollar threshold is to take effect.

(6) A person holding office as commissioner for two or more special purpose districts may receive only that per diem compensation authorized for one of his or her commissioner positions as compensation for attending an official meeting or conducting official services or duties while representing more than one of his or her districts. However, such commissioner may receive additional per diem compensation if approved by resolution of all boards of the affected commissions. 68.54.010 Annexation—Petition—Procedure. Any territory contiguous to a cemetery district and not within the boundaries of a city or town other than as set forth in RCW 68.52.210 or other cemetery district may be annexed to such cemetery district by petition of ten percent of the registered voters residing within the territory proposed to be annexed who voted in the last general municipal election. Such peti-

tion shall be filed with the cemetery commissioners of the cemetery district and if the cemetery commissioners shall concur in the petition they shall then file such petition with the county auditor who shall within thirty days from the date of filing such petition examine the signatures thereof and certify to the sufficiency or insufficiency thereof. After the county auditor shall have certified to the sufficiency of the petition, the proceedings thereafter by the county legislative authority, and the rights and powers and duties of the county legislative authority, petitioners and objectors and the election and canvass thereof shall be the same as in the original proceedings to form a cemetery district: PROVIDED, That the county legislative authority shall have authority and it shall be its duty to determine on an equitable basis, the amount of obligation which the territory to be annexed to the district shall assume, if any, to place the taxpayers of the existing district on a fair and equitable relationship with the taxpayers of the territory to be annexed by reason of the benefits of coming into a going district previously supported by the taxpayers of the existing district, and such obligation may be paid to the district in yearly installments to be fixed by the county legislative authority if within the limits as outlined in RCW 68.52.310 and included in the annual tax levies against the property in such annexed territory until fully paid. The amount of the obligation and the plan of payment thereof filed by the county legislative authority shall be set out in general terms in the notice of election for annexation: PROVIDED, That the special election shall be held only within the boundaries of the territory proposed to be annexed to the cemetery district. Upon the entry of the order of the county legislative authority incorporating such contiguous territory within such existing cemetery district, the territory shall become subject to the indebtedness, bonded or otherwise, of the existing district in like manner as the territory of the district. Should such petition be signed by sixty percent of the registered voters residing within the territory proposed to be annexed, and should the cemetery commissioners concur therein, an election in such territory and a hearing on such petition shall be dispensed with and the county legislative authority shall enter its order incorporating such territory within the existing cemetery district. [1990 c 259 § 35; 1987 c 331 § 74; 1969 ex.s. c 78 § 1. Formerly RCW 68.18.010.]

68.54.020 Merger—Authorized. A cemetery district organized under chapter 68.52 RCW may merge with another such district lying adjacent thereto, upon such terms and conditions as they agree upon, in the manner hereinafter provided. The district desiring to merge with another district shall hereinafter be called the "merging district", and the district into which the merger is to be made shall be called the "merger district". [1990 c 259 § 36; 1969 ex.s. c 78 § 2. Formerly RCW 68.18.020.]

68.54.030 Merger—Petition—Procedure—Contents. To effect such a merger, a petition therefor shall be filed with the board of the merger district by the commissioners of the merging district. The commissioners of the merging district may sign and file the petition upon their own initiative, and they shall file such a petition when it is signed by ten percent of the registered voters resident in the merging district who voted in the last general municipal election and presented to

them. The petition shall state the reasons for the merger; give a detailed statement of the district's finances, listing its assets and liabilities; state the terms and conditions under which the merger is proposed; and pray for the merger. [1990 c 259 § 37; 1969 ex.s. c 78 § 3. Formerly RCW 68.18.030.]

68.54.040 Merger—Petition—Rejection, concurrence, or modification—Signatures. The board of the merger district may, by resolution, reject the petition, or it may concur therein as presented, or it may modify the terms and conditions of the proposed merger, and shall transmit the petition, together with a copy of its resolution thereon to the merging district. If the petition is concurred in as presented or as modified, the board of the merging district shall forthwith present the petition to the auditor of the county in which the merging district is situated, who shall within thirty days examine the signatures thereon and certify to the sufficiency or insufficiency thereof, and for that purpose he or she shall have access to all registration books and records in the possession of the registration officers of the election precincts included, in whole or in part, within the merging district. Such books and records shall be prima facie evidence of truth of the certificate. No signatures may be withdrawn from the petition after the filing. [2012 c 117 § 322; 1969 ex.s. c 78 § 4. Formerly RCW 68.18.040.]

68.54.050 Merger—Petition—Special election. If the auditor finds that the petition contains the signatures of a sufficient number of qualified electors, he or she shall return it, together with his or her certificate of sufficiency attached thereto, to the board of the merging district. Thereupon such board shall adopt a resolution, calling a special election in the merging district, at which shall be submitted to the electors thereof, the question of the merger. [2012 c 117 § 323; 1969 ex.s. c 78 § 5. Formerly RCW 68.18.050.]

68.54.060 Merger—Petition—Election—Vote required—Merger effected. The board of [the] merging district shall notify the board of the merger district of the results of the election. If three-fifths of the votes cast at the election favor the merger, the respective district boards shall adopt concurrent resolutions, declaring the districts merged, under the name of the merger district. Thereupon the districts are merged into one district, under the name of the merger district; the merging district is dissolved without further proceedings; and the boundaries of the merger district are thereby extended to include all the area of the merging district. Thereafter the legal existence cannot be questioned by any person by reason of any defect in the proceedings had for the merger. [1969 ex.s. c 78 § 6. Formerly RCW 68.18.060.]

68.54.070 Merger—Petition—When election dispensed with. If three-fifths of all the qualified electors in the merging district sign the petition to merge, no election on the question of the merger is necessary. In such case, the auditor shall return the petition, together with his or her certificate of sufficiency attached thereto, to the board of the merging district. Thereupon the boards of the respective districts shall adopt their concurrent resolutions of merger in the same manner and to the same effect as if the merger had been autho-

ized by an election. [2012 c 117 § 324; 1969 ex.s. c 78 § 7. Formerly RCW 68.18.070.]

68.54.080 Merger—Preexisting obligations. None of the obligations of the merged districts or of a local improvement district therein shall be affected by the merger and dissolution, and all land liable to be assessed to pay any of such indebtedness shall remain liable to the same extent as if the merger had not been made, and any assessments theretofore levied against the land shall remain unimpaired and shall be collected in the same manner as if no merger had been made. The commissioners of the merged district shall have all the powers possessed at the time of the merger by the commissioners of the two districts, to levy, assess and cause to be collected all assessments against any land in both districts which may be necessary to provide for the payment of the indebtedness thereof, and until the assessments are collected and all indebtedness of the districts paid, separate funds shall be maintained for each district as were maintained before the merger: PROVIDED, That the board of the merged district may, with the consent of the creditors of the districts merged, cancel any or all assessments theretofore levied, in accordance with the terms and conditions of the merger, to the end that the lands in the respective districts shall bear their fair and proportionate share of such indebtedness. [1969 ex.s. c 78 § 8. Formerly RCW 68.18.080.]

68.54.090 Merger—Transfer of all property, funds, assessments. The commissioners of the merging district shall, forthwith upon completion of the merger, transfer, convey, and deliver to the merged district all property and funds of the merging district, together with all interest in and right to collect any assessments theretofore levied. [1969 ex.s. c 78 § 9. Formerly RCW 68.18.090.]

68.54.100 Merger and transfer of part of one district to adjacent district—Petition—Election—Vote. A part of one district may be transferred and merged with an adjacent district whenever such area can be better served by the merged district. To effect such a merger a petition, signed by not less than fifteen percent of the qualified electors residing in the area to be merged, shall be filed with the commissioners of the merging district. Such petition shall be promoted by one or more qualified electors within the area to be transferred. If the commissioners of the merging district act favorably upon the petition, then the petition shall be presented to the commissioners of the merger district. If the commissioners of the merger district act favorably upon the petition, an election shall be called in the area merged.

In the event that either board of cemetery commissioners should not concur with the petition, the petition may then be presented to a county review board established for such purposes, if there be no county review board for such purposes then to the state review board and if there be no state review board, then to the county commissioners of the county in which the area to be merged is situated, who shall decide if the area can be better served by such a merger; upon an affirmative decision an election shall be called in the area merged.

A majority of the votes cast shall be necessary to approve the transfer. [1969 ex.s. c 78 § 10. Formerly RCW 68.18.100.]

68.54.110 Merger and transfer of part of one district to adjacent district—When election dispensed with. If three-fifths of all the qualified electors in the area to be merged sign a petition to merge the districts, no election on the question of the merger is necessary, in which case the auditor shall return the petition, together with his or her certificate of sufficiency attached thereto, to the boards of the merging districts. Thereupon the boards of the respective districts shall adopt their concurrent resolutions of transfer in the same manner and to the same effect as if the same had been authorized by an election. [2012 c 117 § 325; 1969 ex.s. c 78 § 11. Formerly RCW 68.18.110.]

68.54.120 Merger and transfer of part of one district to adjacent district—Preexisting indebtedness. When a part of one cemetery district is transferred to another as provided by RCW 68.54.100 and 68.54.110, said part shall be relieved of all liability for any indebtedness of the district from which it is withdrawn. However, the acquiring district shall pay to the losing district that portion of the latter's indebtedness for which the transferred part was liable. This amount shall not exceed the proportion that the assessed valuation of the transferred part bears to the assessed valuation of the whole district from which said part is withdrawn. The adjustment of such indebtedness shall be based on the assessment for the year in which the transfer is made. The boards of commissioners of the districts involved in the said transfer and merger shall enter into a contract for the payment by the acquiring district of the above-referred to indebtedness under such terms as they deem proper, provided such contract shall not impair the security of existing creditors. [1987 c 331 § 75; 1969 ex.s. c 78 § 12. Formerly RCW 68.18.120.]

68.54.130 Withdrawal of territory. (1) Territory within a cemetery district may be withdrawn from the district in the same manner provided by law for withdrawal of territory from water-sewer districts, as provided by chapter 57.28 RCW, except as provided otherwise in subsections (2) and (3) of this section.

(2) If a territory has qualified voters residing within it, then the territory may not be withdrawn from the cemetery district unless a special election is held and a majority of votes cast by qualified voters residing within the district approve the withdrawal. Agreement between the district board of commissioners and the county legislative authority on the findings of fact under RCW 57.28.080 does not preclude an election under this subsection.

(3) If a territory has no qualified voters residing within it, then no special election is required as applied to procedures for withdrawal of territory under this section. However, if withdrawal of such territory is commenced by the district board of commissioners as provided under RCW 57.28.035, then the territory may not be withdrawn from the cemetery district unless written approval is attained from the owners, according to the records of the county auditor or auditors, of not less than sixty percent of the area of land included in the resolution for withdrawal. The written approval must be attained within sixty days from the date of the final hearing of any county legislative authority on the resolution for withdrawal. Agreement between the district board of commissioners and the county legislative authority on the findings of

fact under RCW 57.28.080 does not preclude the written approval requirement under this subsection. [2019 c 42 § 1; 2017 c 62 § 1.]

(1) "Abandoned cemetery" means a burial ground of the human dead:

(a) For which the county assessor can find no record of an owner;

(b) Where the last known owner is deceased and lawful conveyance of the title has not been made; or

(c) In which the cemetery company, cemetery association, corporation, or other organization that formed for the purposes of burying the human dead:

(i) Has disbanded, has been administratively dissolved by the secretary of state, or has otherwise ceased to exist, and for which title has not been conveyed; or

(ii) No longer has a valid certificate of authority as determined by the funeral and cemetery board.

(2) "Cemetery" has the same meaning as provided in RCW 68.04.040.

(3) "Historic grave" means a grave or graves that were placed outside a cemetery dedicated pursuant to this chapter and to chapter 68.24 RCW, prior to June 7, 1990, except Indian graves and burial cairns protected under chapter 27.44 RCW.

(4) "Historical cemetery" means any burial site or grounds which contain within them human remains buried prior to November 11, 1889; except that (a) cemeteries holding a valid certificate of authority to operate granted under RCW 68.05.115 and 68.05.215, (b) cemeteries owned or operated by any recognized religious denomination that qualifies for an exemption from real estate taxation under RCW 84.36.020 on any of its churches or the ground upon which any of its churches are or will be built, and (c) cemeteries controlled or operated by a coroner, county, city, town, or cemetery district shall not be considered historical cemeteries. [2017 c 208 § 1; 1990 c 92 § 1.]

Reviser's note: The definitions in this section have been alphabetized pursuant to RCW 1.08.015(2)(k).

68.60.020 Dedication. Any cemetery, abandoned cemetery, historical cemetery, or historic grave that has not been dedicated pursuant to RCW 68.24.030 and 68.24.040 shall be considered permanently dedicated and subject to RCW 68.24.070. Removal of dedication may only be made pursuant to RCW 68.24.090 and 68.24.100. [1999 c 367 § 3; 1990 c 92 § 2.]

68.60.030 Preservation and maintenance corporations—Authorization of other corporations to restore, maintain, and protect abandoned cemeteries. (1)(a) The department of archaeology and historic preservation may grant, by nontransferable certificate, the authority to maintain and protect an abandoned cemetery upon application made by a state or local governmental organization, such as a city or county, or by a preservation organization that has been incorporated for the purpose of restoring, maintaining, and

(2019 Ed.)

protecting an abandoned cemetery. Such authority is limited to the care, maintenance, restoration, protection, and historical preservation of the abandoned cemetery, and does not include authority to make burials. In order to activate a historical cemetery for burials, an applicant must apply for a certificate of authority to operate a cemetery from the funeral and cemetery board.

(b) Those organizations that are granted authority to maintain and protect an abandoned cemetery are entitled to hold and possess burial records, maps, and other historical documents as may exist. Organizations that are granted authority to maintain and protect an abandoned cemetery are not liable to those claiming burial rights, ancestral ownership, or to any other person or organization alleging to have control by any form of conveyance not previously recorded at the county auditor's office within the county in which the abandoned cemetery exists. Such organizations are not liable for any reasonable alterations made during restoration work on memorials, roadways, walkways, features, plantings, or any other detail of the abandoned cemetery.

(c) Should the maintenance and preservation corporation be dissolved, the department of archaeology and historic preservation shall revoke the certificate of authority.

(d) Maintenance and preservation corporations that are granted authority to maintain and protect an abandoned cemetery may establish care funds.

(2) Except as provided in subsection (1) of this section, the department of archaeology and historic preservation may, in its sole discretion, authorize any Washington nonprofit corporation that is not expressly incorporated for the purpose of restoring, maintaining, and protecting an abandoned cemetery, to restore, maintain, and protect one or more abandoned cemeteries. The authorization may include the right of access to any burial records, maps, and other historical documents, but may not include the right to be the permanent custodian of original records, maps, or documents. This authorization must be granted by a nontransferable certificate of authority. Any nonprofit corporation authorized and acting under this subsection is immune from liability to the same extent as if it were a preservation organization holding a certificate of authority under subsection (1) of this section.

(3) The department of archaeology and historic preservation must establish standards and guidelines for granting certificates of authority under subsections (1) and (2) of this section to assure that any restoration, maintenance, and protection activities authorized under this subsection are conducted and supervised in an appropriate manner. [2019 c 129 § 2; 2009 c 102 § 21; 2005 c 365 § 150; 1995 c 399 § 168; 1993 c 67 § 1; 1990 c 92 § 3.]

68.60.040 Protection of cemeteries—Penalties. (1) Every person who in a cemetery unlawfully or without right willfully destroys, cuts, mutilates, effaces, or otherwise injures, tears down or removes, any tomb, plot, monument, memorial, or marker in a cemetery, or any gate, door, fence, wall, post, or railing, or any enclosure for the protection of a

cemetery or any property in a cemetery is guilty of a class C felony punishable under chapter 9A.20 RCW.

(2) Every person who in a cemetery unlawfully or without right willfully destroys, cuts, breaks, removes, or injures any building, statuary, ornamentation, tree, shrub, flower, or plant within the limits of a cemetery is guilty of a gross misdemeanor punishable under chapter 9A.20 RCW.

(3) Every person who in a cemetery unlawfully or without right willfully opens a grave; removes personal effects of the decedent; removes all or portions of human remains; removes or damages caskets, surrounds, outer burial containers, or any other device used in making the original burial; transports unlawfully removed human remains from the cemetery; or knowingly receives unlawfully removed human remains from the cemetery is guilty of a class C felony punishable under chapter 9A.20 RCW. [1990 c 92 § 4.]

68.60.050 Protection of historic graves—Penalty. (1) Any person who knowingly removes, mutilates, defaces, injures, or destroys any historic grave shall be guilty of a class C felony punishable under chapter 9A.20 RCW. Persons disturbing historic graves through inadvertence, including disturbance through construction, shall reinter the human remains under the supervision of the department of archaeology and historic preservation. Expenses to reinter such human remains are to be provided by the department of archaeology and historic preservation to the extent that funds for this purpose are appropriated by the legislature.

(2) This section does not apply to actions taken in the performance of official law enforcement duties.

(3) It shall be a complete defense in a prosecution under subsection (1) of this section if the defendant can prove by a preponderance of evidence that the alleged acts were accidental or inadvertent and that reasonable efforts were made to preserve the remains accidentally disturbed or discovered, and that the accidental discovery or disturbance was properly reported. [2009 c 102 § 22; 1999 c 67 § 1; 1989 c 44 § 5. Formerly RCW 68.05.420.]

68.60.055 Skeletal human remains—Duty to notify—Ground disturbing activities—Coroner determination—Definitions. (1) Any person who discovers skeletal human remains shall notify the coroner and local law enforcement in the most expeditious manner possible. Any person knowing of the existence of skeletal human remains and not having good reason to believe that the coroner and local law enforcement has notice thereof and who fails to give notice thereof is guilty of a misdemeanor.

(2) Any person engaged in ground disturbing activity and who encounters or discovers skeletal human remains in or on the ground shall:

(a) Immediately cease any activity which may cause further disturbance;

(b) Make a reasonable effort to protect the area from further disturbance;

(c) Report the presence and location of the remains to the coroner and local law enforcement in the most expeditious manner possible; and

(d) Be held harmless from criminal and civil liability arising under the provisions of this section provided the following criteria are met:

(i) The finding of the remains was based on inadvertent discovery;

(ii) The requirements of the subsection are otherwise met; and

(iii) The person is otherwise in compliance with applicable law.

(3) The coroner must make a determination whether the skeletal human remains are forensic or nonforensic within five business days of receiving notification of a finding of such remains provided that there is sufficient evidence to make such a determination within that time period. The coroner will retain jurisdiction over forensic remains.

(a) Upon determination that the remains are nonforensic, the coroner must notify the department of archaeology and historic preservation within two business days. The department will have jurisdiction over such remains until provenance of the remains is established. A determination that remains are nonforensic does not create a presumption of removal or nonremoval.

(b) Upon receiving notice from a coroner of a finding of nonforensic skeletal human remains, the department must notify the appropriate local cemeteries, and all affected Indian tribes via certified mail to the head of the appropriate tribal government, and contact the appropriate tribal cultural resources staff within two business days of the finding. The determination of what are appropriate local cemeteries to be notified is at the discretion of the department. A notification to tribes of a finding of such nonforensic skeletal human remains does not create a presumption that the remains are Indian.

(c) The state physical anthropologist must make an initial determination of whether nonforensic skeletal human remains are Indian or non-Indian to the extent possible based on the remains within two business days of notification of a finding of such nonforensic remains. If the remains are determined to be Indian, the department must notify all affected Indian tribes via certified mail to the head of the appropriate tribal government within two business days and contact the appropriate tribal cultural resources staff.

(d) The affected tribes have five business days to respond via telephone or writing to the department as to their interest in the remains.

(4) For the purposes of this section:

(a) "Affected tribes" are:

(i) Those federally recognized tribes with usual and accustomed areas in the jurisdiction where the remains were found;

(ii) Those federally recognized tribes that submit to the department maps that reflect the tribe's geographical area of cultural affiliation; and

(iii) Other tribes with historical and cultural affiliation in the jurisdiction where the remains were found.

(b) "Forensic remains" are those that come under the jurisdiction of the coroner pursuant to RCW 68.50.010.

(c) "Inadvertent discovery" has the same meaning as used in RCW 27.44.040.

(5) Nothing in this section constitutes, advocates, or otherwise grants, confers, or implies federal or state recognition of those tribes that are not federally recognized pursuant to 25 C.F.R. part 83, procedures for establishing that an American Indian group exists as an Indian tribe. [2008 c 275 § 3.]

68.60.060 Violations—Civil liability. Any person who violates any provision of this chapter is liable in a civil action by and in the name of the department of archaeology and historic preservation to pay all damages occasioned by their unlawful acts. The sum recovered shall be applied in payment for the repair and restoration of the property injured or destroyed and to the care fund if one is established. [2009 c 102 § 23; 1990 c 92 § 5.]

Funeral directors and embalmers account and cemetery account abolished, moneys transferred to funeral and cemetery account—2009 c 102: See note following RCW 18.39.810.

68.60.070 Abandoned cemetery burials—Records—Endowment care funds. (1)(a) The funeral and cemetery board must consult with the department of archaeology and historic preservation to promulgate rules in order to allow for burials in abandoned cemeteries.

(b) The landowner of an abandoned cemetery must allow for burials in accordance with rules promulgated by the funeral and cemetery board.

(2) Any records, maps, or other documents associated with an abandoned cemetery must be transferred to the state archives at the time the cemetery becomes an abandoned cemetery.

(3) Any endowment care funds held by the cemetery authority at the time such cemetery becomes an abandoned cemetery must be transferred to the department of archaeology and historic preservation. [2017 c 208 § 2.]

68.60.080 Abandoned cemetery—Lawful entry purposes. It is lawful to enter an abandoned cemetery for purposes of:

(1) Burials pursuant to RCW 68.60.070 and associated rules;

(2) Care and maintenance activities authorized under RCW 68.60.030; and

(3) Visitation of graves. [2019 c 129 § 1.]

Effective date—2019 c 129: "This act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and takes effect immediately [April 24, 2019]." [2019 c 129 § 3.]

68.64.020 Scope. This chapter applies to an anatomical gift or amendment to, revocation of, or refusal to make an anatomical gift, whenever made. [2008 c 139 § 3.]

68.64.030 Persons authorized to make an anatomical gift—During life of donor. Subject to RCW 68.64.070, an anatomical gift of a donor's body or part may be made during the life of the donor in the manner provided in RCW 68.64.040 by:

(1) The donor, if the donor is an adult or if the donor is a minor and is:

(a) Emancipated; or

(b) Authorized under state law to apply for a driver's license because the donor is at least fifteen and one-half years old;

(2) An agent of the donor, unless the power of attorney for health care or other record prohibits the agent from making an anatomical gift;

(3) Revocation, suspension, expiration, or cancellation of a driver's license or identification card through which an anatomical gift has been made does not invalidate the gift.

(4) An anatomical gift made by will takes effect upon the donor's death whether or not the will is probated. Invalidation of the will after the donor's death does not invalidate the gift. [2008 c 139 § 5.]

68.64.050 Amending or revoking an anatomical gift.

(1) Subject to RCW 68.64.070, a donor or other person authorized to make an anatomical gift under RCW 68.64.030 may amend or revoke an anatomical gift by:

The donor or other person shall notify the Washington organ procurement organization of the destruction or cancellation of the document of gift for the purpose of removing the individual's name from the organ and tissue donor registry created in RCW 68.64.200. (2019 Ed.)

ton state procurement organizations that do maintain such a registry.

(4) A donor may amend or revoke an anatomical gift that was not made in a will by any form of communication during a terminal illness or injury addressed to at least two adults, at least one of whom is a disinterested witness.

(c) Any form of communication made by the individual during the individual's terminal illness or injury addressed to at least two adults, at least one of whom is a disinterested witness.

(2) A record signed pursuant to subsection (1)(a)(ii) of this section must:

(b) State that it has been signed and witnessed as provided in (a) of this subsection.

(3) An individual who has made a refusal may amend or revoke the refusal:

(a) In the manner provided in subsection (1) of this section for making a refusal;

(b) By subsequently making an anatomical gift pursuant to RCW 68.64.040 that is inconsistent with the refusal; or

(c) By destroying or canceling the record evidencing the refusal, or the portion of the record used to make the refusal, with the intent to revoke the refusal.

(4) Except as otherwise provided in RCW 68.64.070(8), in the absence of an express, contrary indication by the individual set forth in the refusal, an individual's unrevoked refusal to make an anatomical gift of the individual's body or part bars all other persons from making an anatomical gift of the individual's body or part. [2008 c 139 § 7.]

68.64.070 Making, amending, or revoking a gift by a person other than donor—Making additional gifts.

(1) Except as otherwise provided in subsection (7) of this section and subject to subsection (6) of this section, in the absence of an express, contrary indication by the donor, a person other than the donor is barred from making, amending, or revoking an anatomical gift of a donor's body or part if the donor made an anatomical gift of the donor's body or part under RCW 68.64.040 or an amendment to an anatomical gift of the donor's body or part under RCW 68.64.050.

(2) A donor's revocation of an anatomical gift of the donor's body or part under RCW 68.64.050 is not a refusal and does not bar another person specified in RCW 68.64.030

or 68.64.080 from making an anatomical gift of the donor's body or part under RCW 68.64.040 or 68.64.090.

(3) If a person other than the donor makes an unrevoked anatomical gift of the donor's body or part under RCW 68.64.040 or an amendment to an anatomical gift of the donor's body or part under RCW 68.64.050, another person may not make, amend, or revoke the gift of the donor's body or part under RCW 68.64.090.

(4) A revocation of an anatomical gift of a donor's body or part under RCW 68.64.050 by a person other than the donor does not bar another person from making an anatomical gift of the body or part under RCW 68.64.040 or 68.64.090.

(5) In the absence of an express, contrary indication by the donor or other person authorized to make an anatomical gift under RCW 68.64.030, an anatomical gift of a part is neither a refusal to give another part nor a limitation on the making of an anatomical gift of another part at a later time by the donor or another person.

(6) In the absence of an express, contrary indication by the donor or other person authorized to make an anatomical gift under RCW 68.64.030, an anatomical gift of a part for one or more of the permitted purposes is not a limitation on the making of an anatomical gift of the part for any of the other purposes by the donor or any other person under RCW 68.64.040 or 68.64.090.

(7) If a donor who is an unemancipated minor dies, a parent of the donor who is reasonably available may revoke or amend an anatomical gift of the donor's body or part.

(8) If an unemancipated minor who signed a refusal dies, a parent of the minor who is reasonably available may revoke the minor's refusal. [2008 c 139 § 8.]

68.64.080 Persons authorized to make an anatomical gift—After donor's death. (1) Subject to subsections (2) and (3) of this section and unless barred by RCW 68.64.060 or 68.64.070, an anatomical gift of a decedent's body or part may be made by any member of the following classes of persons who is reasonably available, in the order of priority listed:

(a) An agent of the decedent at the time of death who could have made an anatomical gift under RCW 68.64.030(2) immediately before the decedent's death;

(b) The spouse, or domestic partner registered as required by state law, of the decedent;

(c) Adult children of the decedent;

(d) Parents of the decedent;

(e) Adult siblings of the decedent;

(f) Adult grandchildren of the decedent;

(g) Grandparents of the decedent;

(h) The persons who were acting as the guardians of the person of the decedent at the time of death; and

(i) Any other person having the authority under applicable law to dispose of the decedent's body.

(2) If there is more than one member of a class listed in subsection (1)(a), (c), (d), (e), (f), (g), or (h) of this section entitled to make an anatomical gift, an anatomical gift may be made by a member of the class unless that member or a person to which the gift may pass under RCW 68.64.100 knows of an objection by another member of the class. If an objec-

tion is known, the gift may be made only by a majority of the members of the class who are reasonably available.

(3) A person may not make an anatomical gift if, at the time of the decedent's death, a person in a prior class under subsection (1) of this section is reasonably available to make or to object to the making of an anatomical gift. [2008 c 139 § 9.]

68.64.090 Manner in which an anatomical gift may be made—After donor's death. (1) A person authorized to make an anatomical gift under RCW 68.64.080 may make an anatomical gift by a document of gift signed by the person making the gift or by that person's oral communication that is electronically recorded or is contemporaneously reduced to a record and signed by the individual receiving the oral communication.

(2) Subject to subsection (3) of this section, an anatomical gift by a person authorized under RCW 68.64.080 may be amended or revoked orally or in a record by any member of a prior class who is reasonably available. If more than one member of the prior class is reasonably available, the gift made by a person authorized under RCW 68.64.080 may be:

(a) Amended only if a majority of the reasonably available members agree to the amending of the gift; or

(b) Revoked only if a majority of the reasonably available members agree to the revoking of the gift or if they are equally divided as to whether to revoke the gift.

(3) A revocation under subsection (2) of this section is effective only if, before an incision has been made to remove a part from the donor's body or before transplant procedures have begun on the recipient, the procurement organization, transplant hospital, or physician or technician knows of the revocation. [2008 c 139 § 10.]

68.64.100 Persons to whom an anatomical gift may be made. (1) An anatomical gift may be made to the following persons named in the document of gift:

(a) For research or education: A hospital; an accredited medical school, dental school, college, or university; or an organ procurement organization;

(b) Subject to subsection (2) of this section, an individual designated by the person making the anatomical gift if the individual is the recipient of the part;

(c) An eye bank or tissue bank.

(2) If an anatomical gift to an individual under subsection (1)(b) of this section cannot be transplanted into the individual, the part passes in accordance with subsection (7) of this section in the absence of an express, contrary indication by the person making the anatomical gift.

(3) If an anatomical gift of one or more specific parts or of all parts is made in a document of gift that does not name a person described in subsection (1) of this section but identifies the purpose for which an anatomical gift may be used, the following rules apply:

(a) If the part is an eye and the gift is for the purpose of transplantation or therapy, the gift passes to the appropriate eye bank.

(b) If the part is tissue and the gift is for the purpose of transplantation or therapy, the gift passes to the appropriate tissue bank.

(c) If the part is an organ and the gift is for the purpose of transplantation or therapy, the gift passes to the appropriate organ procurement organization as custodian of the organ.

(d) If the part is an organ, an eye, or tissue and the gift is for the purpose of research or education, the gift passes to the appropriate procurement organization.

(4) For the purpose of subsection (3) of this section, if there is more than one purpose of an anatomical gift set forth in the document of gift but the purposes are not set forth in any priority, the gift must be used for transplantation or therapy, if suitable. If the gift cannot be used for transplantation or therapy, the gift may be used for research or education.

(5) If an anatomical gift of one or more specific parts is made in a document of gift that does not name a person described in subsection (1) of this section and does not identify the purpose of the gift, the gift may be used only for transplantation or therapy, and the gift passes in accordance with subsection (7) of this section.

(6) If a document of gift specifies only a general intent to make an anatomical gift by words such as "donor," "organ donor," or "body donor," or by a symbol or statement of similar import, the gift may be used only for transplantation or therapy, and the gift passes in accordance with subsection (7) of this section.

(7) For purposes of subsections (2), (5), and (6) of this section the following rules apply:

(a) If the part is an eye, the gift passes to the appropriate eye bank.

(b) If the part is tissue, the gift passes to the appropriate tissue bank.

(c) If the part is an organ, the gift passes to the appropriate organ procurement organization as custodian of the organ.

(8) An anatomical gift of an organ for transplantation or therapy, other than an anatomical gift under subsection (1)(b) of this section, passes to the organ procurement organization as custodian of the organ.

(9) If an anatomical gift does not pass pursuant to subsections (1) through (8) of this section or the decedent's body or part is not used for transplantation, therapy, research, or education, custody of the body or part passes to the person under obligation to dispose of the body or part.

(10) A person may not accept an anatomical gift if the person knows that the gift was not effectively made under RCW 68.64.040 or 68.64.090 or if the person knows that the decedent made a refusal under RCW 68.64.060 that was not revoked. For purposes of this subsection (10), if a person knows that an anatomical gift was made on a document of gift, the person is deemed to know of any amendment or revocation of the gift or any refusal to make an anatomical gift on the same document of gift.

(11) Except as otherwise provided in subsection (1)(b) of this section, nothing in this chapter affects the allocation of organs for transplantation or therapy. [2008 c 139 § 11.]

68.64.105 Document of gift—Validity requirements.

(1) A document of gift is valid if executed in accordance with:

(a) This chapter;

(b) The laws of the state or country where it was executed; or

(2019 Ed.)

(c) The laws of the state or country where the person making the anatomical gift was domiciled, has a place of residence, or was a national at the time the document of gift was executed.

(2) If a document of gift is valid under this section, the law of this state governs the interpretation of the document of gift.

(3) A person may presume that a document of gift or amendment of an anatomical gift is valid unless that person knows that it was not validly executed or was revoked. [2008 c 139 § 19.]

68.64.110 Document of gift or refusal—Examination and copying. (1) A document of gift need not be delivered during the donor's lifetime to be effective.

(2) Upon or after an individual's death, a person in possession of a document of gift or a refusal to make an anatomical gift with respect to the individual shall allow examination and copying of the document of gift or refusal by a person authorized to make or object to the making of an anatomical gift with respect to the individual or by a person to which the gift could pass under RCW 68.64.100. [2008 c 139 § 12.]

68.64.120 Procurement organizations—Reasonable examinations—Donee's rights—Physician removal of donated part. (Effective until May 1, 2020.) (1) When a hospital refers an individual at or near death to a procurement organization, the organization shall make a reasonable search of the records of the department of licensing and any donor registry that it knows exists for the geographical area in which the individual resides to ascertain whether the individual has made an anatomical gift.

(2) A procurement organization must be allowed reasonable access to information in the records of the department of licensing to ascertain whether an individual at or near death is a donor.

(3) When a hospital refers an individual at or near death to a procurement organization, the organization may conduct any reasonable examination necessary to ensure the medical suitability of a part that is or could be the subject of an anatomical gift for transplantation, therapy, research, or education from a donor or a prospective donor. During the examination period, measures necessary to ensure the medical suitability of the part may not be withdrawn unless the hospital or procurement organization knows that the individual expressed a contrary intent.

(4) Unless prohibited by law other than this chapter, at any time after a donor's death, the person to which a part passes under RCW 68.64.100 may conduct any reasonable examination necessary to ensure the medical suitability of the body or part for its intended purpose.

(5) Unless prohibited by law other than this chapter, an examination under subsection (3) or (4) of this section may include an examination of all medical records of the donor or prospective donor.

(6) Upon the death of a minor who was a donor or had signed a refusal, unless a procurement organization knows the minor is emancipated, the procurement organization shall conduct a reasonable search for the parents of the minor and

provide the parents with an opportunity to revoke or amend the anatomical gift or revoke the refusal.

(7) Upon referral by a hospital under subsection (1) of this section, a procurement organization shall make a reasonable search for any person listed in RCW 68.64.080 having priority to make an anatomical gift on behalf of a prospective donor. If a procurement organization receives information that an anatomical gift to any other person was made, amended, or revoked, it shall promptly advise the other person of all relevant information.

(8) Subject to RCW 68.64.100(9), 68.64.190, and 68.64.901, the rights of the person to which a part passes under RCW 68.64.100 are superior to the rights of all others with respect to the part. The person may accept or reject an anatomical gift in whole or in part. Subject to the terms of the document of gift and this chapter, a person that accepts an anatomical gift of an entire body may allow embalming, burial, or cremation, and use of remains in a funeral service. If the gift is of a part, the person to which the part passes under RCW 68.64.100, upon the death of the donor and before embalming, burial, or cremation, shall cause the part to be removed without unnecessary mutilation.

(9) Neither the physician who attends the decedent at death nor the physician who determines the time of the decedent's death may participate in the procedures for removing or transplanting a part from the decedent.

(10) A physician or technician may remove a donated part from the body of a donor that the physician or technician is qualified to remove. [2008 c 139 § 13.]

68.64.120 Procurement organizations—Reasonable examinations—Donee's rights—Physician removal of donated part. (Effective May 1, 2020.) (1) When a hospital refers an individual at or near death to a procurement organization, the organization shall make a reasonable search of the records of the department of licensing and any donor registry that it knows exists for the geographical area in which the individual resides to ascertain whether the individual has made an anatomical gift.

(2) A procurement organization must be allowed reasonable access to information in the records of the department of licensing to ascertain whether an individual at or near death is a donor.

(3) When a hospital refers an individual at or near death to a procurement organization, the organization may conduct any reasonable examination necessary to ensure the medical suitability of a part that is or could be the subject of an anatomical gift for transplantation, therapy, research, or education from a donor or a prospective donor. During the examination period, measures necessary to ensure the medical suitability of the part may not be withdrawn unless the hospital or procurement organization knows that the individual expressed a contrary intent.

(4) Unless prohibited by law other than this chapter, at any time after a donor's death, the person to which a part passes under RCW 68.64.100 may conduct any reasonable examination necessary to ensure the medical suitability of the body or part for its intended purpose.

(5) Unless prohibited by law other than this chapter, an examination under subsection (3) or (4) of this section may

include an examination of all medical records of the donor or prospective donor.

(6) Upon the death of a minor who was a donor or had signed a refusal, unless a procurement organization knows the minor is emancipated, the procurement organization shall conduct a reasonable search for the parents of the minor and provide the parents with an opportunity to revoke or amend the anatomical gift or revoke the refusal.

(7) Upon referral by a hospital under subsection (1) of this section, a procurement organization shall make a reasonable search for any person listed in RCW 68.64.080 having priority to make an anatomical gift on behalf of a prospective donor. If a procurement organization receives information that an anatomical gift to any other person was made, amended, or revoked, it shall promptly advise the other person of all relevant information.

(8) Subject to RCW 68.64.100(9), 68.64.190, and 68.64.901, the rights of the person to which a part passes under RCW 68.64.100 are superior to the rights of all others with respect to the part. The person may accept or reject an anatomical gift in whole or in part. Subject to the terms of the document of gift and this chapter, a person that accepts an anatomical gift of an entire body may allow embalming, burial, alkaline hydrolysis, natural organic reduction, and use of remains in a funeral service. If the gift is of a part, the person to which the part passes under RCW 68.64.100, upon the death of the donor and before embalming or final disposition, must cause the part to be removed without unnecessary mutilation.

(9) Neither the physician who attends the decedent at death nor the physician who determines the time of the decedent's death may participate in the procedures for removing or transplanting a part from the decedent.

(10) A physician or technician may remove a donated part from the body of a donor that the physician or technician is qualified to remove. [2019 c 432 § 28; 2008 c 139 § 13.]

Effective date—2019 c 432: See note following RCW 68.05.175.

68.64.130 Nonnative English speakers—Interpreter services and translations. When English is not the first language of the person or persons making, amending, revoking, or refusing anatomical gifts as defined in chapter 139, Laws of 2008, organ procurement organizations are responsible for providing, at no cost, appropriate interpreter services or translations to such persons for the purpose of making such decisions. [2008 c 139 § 14.]

68.64.140 Hospitals—Agreements or affiliations with procurement organizations required. Each hospital in this state shall enter into agreements or affiliations with procurement organizations for coordination of procurement and use of anatomical gifts. [2008 c 139 § 15.]

68.64.150 Illegal purchases or sales—Felony. (1) Except as otherwise provided in subsection (2) of this section, a person who, for valuable consideration, knowingly purchases or sells a part for transplantation or therapy if removal of a part from an individual is intended to occur after the individual's death is guilty of a class C felony under RCW 9A.20.010.

(2) A person may charge a reasonable amount for the removal, processing, preservation, quality control, storage, transportation, implantation, or disposal of a part. [2008 c 139 § 16.]

68.64.160 Illegal financial gain—Altering a document, amendment, or revocation of gift—Felony. A person who, in order to obtain financial gain, intentionally falsifies, forges, conceals, defaces, or obliterates a document of gift, an amendment or revocation of a document of gift, or a refusal is guilty of a class C felony under RCW 9A.20.010. [2008 c 139 § 17.]

68.64.170 Liability. (1) A person who acts in accordance with this chapter or with the applicable anatomical gift law of another state, or attempts in good faith to do so, is not liable for the act in a civil action, criminal prosecution, or administrative proceeding.

(2) Neither the person making an anatomical gift nor the donor's estate is liable for any injury or damage that results from the making or use of the gift.

(3) In determining whether an anatomical gift has been made, amended, or revoked under this chapter, a person may rely upon representations of an individual listed in RCW 68.64.080(1) (b) through (g) relating to the individual's relationship to the donor or prospective donor unless the person knows that the representation is untrue. [2008 c 139 § 18.]

68.64.180 Declarations or advance health care directives—Conflicts with medical suitability measures. (1) The definitions in this subsection apply throughout this section unless the context clearly requires otherwise.

(a) "Advance health care directive" means a power of attorney for health care or a "directive" as defined in RCW 70.122.020.

(b) "Declaration" means a record signed by a prospective donor specifying the circumstances under which a life support system may be withheld or withdrawn from the prospective donor.

(c) "Health care decision" means any decision made regarding the health care of the prospective donor.

(2) If a prospective donor has a declaration or advance health care directive, and the terms of the declaration or directive and the express or implied terms of a potential anatomical gift are in conflict with regard to the administration of measures necessary to ensure the medical suitability of a part for transplantation or therapy, the prospective donor's attending physician and the prospective donor shall confer to resolve the conflict. If the prospective donor is incapable of resolving the conflict, an agent acting under the prospective donor's declaration or directive, or, if none or the agent is not reasonably available, another person authorized by law other than this chapter to make health care decisions on behalf of the prospective donor, shall act for the donor to resolve the conflict. The conflict must be resolved as expeditiously as possible. Information relevant to the resolution of the conflict may be obtained from the appropriate procurement organization and any other person authorized to make an anatomical gift for the prospective donor under RCW 68.64.080. Before resolution of the conflict, measures necessary to ensure the medical suitability of the part may not be withheld or with-

drawn from the prospective donor if withholding or withdrawing the measures is not contraindicated by appropriate end-of-life care. [2008 c 139 § 20.]

68.64.190 Coroner or medical examiner—Duties. (1)(a) A coroner or medical examiner shall cooperate with procurement organizations, to the extent that such cooperation does not prevent, hinder, or impede the timely investigation of death, to facilitate the opportunity to recover anatomical gifts for the purpose of transplantation or therapy. However, a coroner or medical examiner may limit the number of procurement organizations with which he or she cooperates.

(b) The coroner or medical examiner may release the initial investigative information to the tissue or organ procurement organization for the purpose of determining the suitability of the potential donor by those organizations. The information released for this purpose shall remain confidential. The coroner or medical examiner is not liable for any release of confidential information by the procurement organization.

(2)(a) Procurement organizations shall cooperate with the coroner or medical examiner to ensure the preservation of and timely transfer to the coroner or medical examiner any physical or biological evidence from a prospective donor that the procurement organization may have contact with or access to that is required by the coroner or medical examiner for the investigation of death.

(b) If the coroner or medical examiner or a designee releases a part for donation under subsection (4) of this section, the procurement organization, upon request, shall cause the physician or technician who removes the part to provide the coroner or medical examiner with a record describing the condition of the part, biopsies, residual tissue, photographs, and any other information and observations requested by the coroner or medical examiner that would assist in the investigation of death.

(3) A part may not be removed from the body of a decedent under the jurisdiction of a coroner or medical examiner for transplantation, therapy, research, or education unless the part is the subject of an anatomical gift, and has been released by the coroner or medical examiner. The body of a decedent under the jurisdiction of the coroner or medical examiner may not be delivered to a person for research or education unless the body is the subject of an anatomical gift. This subsection does not preclude a coroner or medical examiner from performing the medicolegal investigation upon the body or relevant parts of a decedent under the jurisdiction of the coroner or medical examiner.

(4) If an anatomical gift of a part from the decedent under the jurisdiction of the coroner or medical examiner has been or might be made, but the coroner or medical examiner initially believes that the recovery of the part could interfere with the postmortem investigation into the decedent's cause or manner of death, the collection of evidence, or the description, documentation, or interpretation of injuries on the body, the coroner or medical examiner may consult with the procurement organization or physician or technician designated by the procurement organization about the proposed recovery. After consultation, the coroner or medical examiner may release the part for recovery. [2008 c 139 § 21.]

68.64.200 Organ and tissue donor registry. (1) The department of licensing shall electronically transfer all information that appears on the front of a driver's license or identicard including the name, gender, date of birth, and most recent address of any person who obtains a driver's license or identicard and volunteers to donate organs or tissue upon death to any Washington state organ procurement organization that intends to establish a statewide organ and tissue donor registry as provided under subsection (2) of this section. All subsequent electronic transfers of donor information shall be at no charge to this Washington state organ procurement organization.

(2) Information obtained by a Washington state organ procurement organization under subsection (1) of this section shall be used for the purpose of establishing a statewide organ and tissue donor registry accessible to in-state recognized cadaveric organ and cadaveric tissue agencies for the recovery or placement of organs and tissue and to procurement agencies in another state when a Washington state resident is a donor of an anatomical gift and is not located in this state at the time of death or immediately before the death of the donor. Any registry created using information acquired under subsection (1) of this section must include all residents of Washington state regardless of their residence within the service area designated by the federal government.

(3) No organ or tissue donation organization may obtain information from the organ and tissue donor registry for the purposes of fund-raising. Organ and tissue donor registry information may not be further disseminated unless authorized in this section or by federal law. Dissemination of organ and tissue donor registry information may be made by a Washington state organ procurement organization to another Washington state organ procurement organization, a recognized in-state procurement agency for other tissue recovery, or an out-of-state federally designated organ procurement organization that has been designated by the United States department of health and human services to serve an area outside Washington.

(4) A Washington state organ procurement organization may acquire donor information from sources other than the department of licensing.

(5) All reasonable costs associated with the creation of an organ and tissue donor registry shall be paid by the Washington state organ procurement organization that has requested the information. The reasonable costs associated with the initial installation and setup for electronic transfer of the donor information at the department of licensing shall be paid by the Washington state organ procurement organization that requested the information.

(6) An individual does not need to participate in the organ and tissue donor registry to be a donor of organs or tissue. The registry is to facilitate organ and tissue donations and not inhibit persons from being donors upon death. [2003 c 94 § 3. Formerly RCW 68.50.635.]

Findings—2003 c 94: "The legislature finds that the use of anatomical gifts, including the donation of organ[s] or tissue, for the purpose of transplantation is of great interest to the citizens of Washington state and may save or prolong the life or improve the health of extremely ill and dying persons.

The legislation further finds that more than eighty thousand people are currently waiting for lifesaving organ transplants on the national transplant waiting list. More than one thousand two hundred of these people are listed

at Washington state transplant centers. Nationally, seventeen people die each day as a result of the shortage of donated organs.

The creation of a statewide organ and tissue donor registry is crucial to facilitate timely and successful organ and tissue procurement. The legislature further finds that continuing education as to the existence and maintenance of a statewide organ and tissue donor registry is in the best interest of the people of the state of Washington." [2003 c 94 § 1.]

68.64.210 Organ and tissue donation awareness account. (1) The organ and tissue donation awareness account is created in the custody of the state treasurer. All receipts from donations made under RCW 46.16A.090(2), and other contributions and appropriations specifically made for the purposes of organ and tissue donor awareness, shall be deposited into the account. Except as provided in subsection (2) of this section, expenditures from the account may be authorized by the director of the department of licensing or the director's designee and do not require an appropriation.

(2) The department of licensing shall submit a funding request to the legislature covering the reasonable costs associated with the ongoing maintenance associated with the electronic transfer of the donor information to the organ and tissue donor registry and the donation program established in RCW 46.16A.090(2). The legislature shall appropriate to the department of licensing an amount it deems reasonable from the organ and tissue donation awareness account to the department of licensing for these purposes.

(3) At least quarterly, the department of licensing shall transmit any remaining moneys in the organ and tissue donation awareness account to the foundation established in RCW 46.16A.090(2) for the costs associated with educating the public about the organ and tissue donor registry and related organ and tissue donation education programs.

(4) Funding for donation awareness programs must be proportional across the state regardless of which Washington state organ procurement organization may be designated by the United States department of health and human services to serve a particular geographic area. No funds from the account may be used to fund activities outside Washington state. [2010 c 161 § 1157; 2003 c 94 § 7. Formerly RCW 68.50.640.]

Effective date—Intent—Legislation to reconcile chapter 161, Laws of 2010 and other amendments made during the 2010 legislative session—2010 c 161: See notes following RCW 46.04.013.

Findings—2003 c 94: See note following RCW 68.64.200.

68.64.900 Short title. This chapter may be cited as the revised uniform anatomical gift act. [2008 c 139 § 1.]

68.64.901 Applicable state laws. This chapter is subject to the laws of this state governing the jurisdiction of the coroner or medical examiner. [2008 c 139 § 22.]

68.64.902 Uniformity of application and construction—2008 c 139. In applying and construing this uniform act, consideration must be given to the need to promote uniformity of the law with respect to its subject matter among states that enact it. [2008 c 139 § 23.]

68.64.903 Supersedes, in part, the federal electronic signatures in global and national commerce act. This chapter modifies, limits, and supersedes the federal electronic signatures in global and national commerce act (15 U.S.C.

Sec. 7001 et seq.) with respect to electronic signatures and anatomical gifts, but does not modify, limit, or supersede section 101(a) of that act (15 U.S.C. Sec. 7001), or authorize electronic delivery of any of the notices described in section 103(b) of that act (15 U.S.C. Sec. 7003(b)). [2008 c 139 § 24.]

[2019 c 315 § 2.]

Findings—2019 c 315: See note following RCW 68.70.020.

68.70.020 Prohibition of discrimination. (1) A covered entity may not, solely on the basis of a qualified individual's mental or physical disability:

(a) Deem an individual ineligible to receive an anatomical gift or organ transplant;

(b) Deny medical or related organ transplantation services, including evaluation, surgery, counseling, and postoperative treatment and care;

(c) Refuse to refer the individual to a transplant center or other related specialist for the purpose of evaluation or receipt of an organ transplant;

(d) Refuse to place an individual on an organ transplant waiting list, or placement of the individual at a lower-priority position on the list than the position at which he or she would have been placed if not for his or her disability; or

(e) Decline insurance coverage for any procedure associated with the receipt of the anatomical gift, including post-transplantation care.

(2) Notwithstanding subsection (1) of this section, a covered entity may take an individual's disability into account when making treatment and/or coverage recommendations or decisions, solely to the extent that the physical or mental disability has been found by a physician, following an individualized evaluation of the potential recipient, to be medically significant to the provision of the anatomical gift. The provisions of this section may not be deemed to require referrals or

recommendations for, or the performance of, medically inappropriate organ transplants.

(3) If an individual has the necessary support system to provide reasonable assurance that she or he will comply with posttransplant medical requirements, an individual's inability to independently comply with those requirements may not be deemed to be medically significant for the purposes of subsection (2) of this section.

(4) A covered entity must make reasonable modifications to policies, practices, or procedures, when such modifications are necessary to make services such as transplantation-related counseling, information, coverage, or treatment available to qualified individuals with disabilities, unless the entity can demonstrate that making such modifications would fundamentally alter the nature of such services.

(5) A covered entity must take such steps as may be necessary to ensure that no qualified individual with a disability is denied services such as transplantation-related counseling, information, coverage, or treatment because of the absence of auxiliary aids and services, unless the entity can demonstrate that taking such steps would fundamentally alter the nature of the services being offered or would result in an undue burden.

(6) A covered entity must otherwise comply with the requirements of Titles II and III of the Americans with disabilities act of 1990 and the Americans with disabilities act amendments act of 2008.

(7) The provisions of this section apply to each part of the organ transplant process. [2019 c 315 § 3.]

Findings—2019 c 315: "(1) The legislature finds that a mental or physical disability does not diminish a person's right to health care including organ transplantation.

(2) The legislature finds that the Americans with disabilities act of 1990 prohibits discrimination against persons with disabilities, yet many individuals with disabilities still experience discrimination in accessing critical health care services.

(3) The legislature finds that although organ transplant centers must consider medical and psychosocial criteria when determining if a patient is suitable to receive an organ transplant, transplant centers that participate in medicare, medicaid, and other federal funding programs are required to use patient selection criteria that result in a fair and nondiscriminatory distribution of organs.

(4) The legislature finds that Washington residents in need of organ transplants are entitled to assurances that they will not encounter discrimination on the basis of a disability." [2019 c 315 § 1.]

68.70.030 Enforcement. (1) Any individual who has been subjected to discrimination in violation of this chapter may initiate a civil action in a court of competent jurisdiction to enjoin further violations and recover the cost of the suit including reasonable attorneys' fees.

(2) The court must accord priority on its calendar and expeditiously proceed with an action brought under this chapter.

(3) Nothing in this section is intended to limit or replace available remedies under the Americans with disabilities act of 1990 and the Americans with disabilities act amendments act of 2008 or any other applicable law. [2019 c 315 § 4.]
