training—Review of program and training services—Public records request log—Agency reporting requirements—Duties of the joint legislative audit and review committee. (1) The division of archives and records management in the office of the secretary of state must establish and administer a competitive grant program for local agencies to improve technology information systems for public record retention, management, and disclosure, and any related training. The division of archives and records management may use up to six percent of amounts appropriated for the program for administration of the grant program.

(2) Any local agency may apply to the grant program. The division of archives and records management in the office of the secretary of state must award grants annually. The division of archives and records management must consult with the chief information officer to develop the criteria for grant recipient selection with a preference given to small local governmental agencies based on the applicant agency's need and ability to improve its information technology systems for public record retention, management, and disclosure. The division of archives and records management may award grants for specific hardware, software, equipment, technology services management and training needs, indexing for local records and digital data, and other resources for improving information technology systems. To the extent possible, information technology systems, processes, training, and other resources for improving information technology systems for records retention and distribution may be replicated and shared with other governmental entities. Grants are provided for one-time investments and are not an ongoing source of revenue for operation or management costs. A grantee may not supplant local funding with grant funding provided by the office of the secretary of state.

(3) The joint legislative audit and review committee must conduct a review of the attorney general's consultation program and the state archivist's training services created under section 4, chapter 303, Laws of 2017, and the local government competitive grant program created under this section. (a)(i) Information on the number of local governments served, the types of consultation and training provided, and the implementation of any practices adopted from the attorney general's consultation program and the state archivist's training services; and

(ii) The effectiveness of the consultation program and the training services in providing assistance for local governments; and

(b)(i) Information on the number of local governments that applied for and participated in the competitive grant program under this section, the amount of funding awarded through the grant program, and how such funding was used; and

(4) Each agency shall maintain a log of public records requests submitted to and processed by the agency, which shall include but not be limited to the following information for each request: The identity of the requestor if provided by the requestor, the date the request was received, the text of the original request, a description of the records produced in

response to the request, a description of the records redacted or withheld and the reasons therefor, and the date of the final disposition of the request. The log must be retained by the agency in accordance with the relevant record retention schedule established under this chapter, and shall be a public record subject to disclosure under chapter 42.56 RCW.

(5) To improve best practices for dissemination of public records, each agency with actual staff and legal costs associated with fulfilling public records requests of at least one hundred thousand dollars during the prior fiscal year must, and each agency with such estimated costs of less than one hundred thousand dollars during the prior fiscal year may, report to the joint legislative audit and review committee by July 1st of each subsequent year the following metrics, measured over the preceding year:

(a) The number of requests where the agency provided the requested records within five days of receiving the request.

(b) The number of requests where the agency provided a time estimate for providing responsive records beyond five days after receiving the request.

(c) The average and median number of days from receipt of request to the date the request is closed.

(d) The number of requests where the agency formally sought additional clarification from the requestor;

(e) The number of requests denied in full or in part and the most common reasons for denying requests;

(f) The number of requests abandoned by requestors;

(g) To the extent the information is known by the agency, requests by type of requestor, including individuals, law firms, organizations, insurers, governments, incarcerated persons, the media, anonymous requestors, current or former employees, and others;

(h) Which portion of requests were fulfilled electronically compared to requests fulfilled by physical records;

(i) The number of requests where the agency scanned physical records electronically to fulfill disclosure;

(j) The total estimated agency staff time spent on each individual request;

(k) The estimated costs incurred by the agency in fulfilling records requests, including costs for staff compensation and legal review, and a measure of the average cost per request;

(l) The number of claims filed alleging a violation of chapter 42.56 RCW or other public records statutes in the past year involving the agency, categorized by type and exemption at issue, if applicable;

(m) The costs incurred by the agency litigating claims alleging a violation of chapter 42.56 RCW or other public records statutes in the past year, including any penalties imposed on the agency;

(n) The costs incurred by the agency with managing and retaining records, including staff compensation and purchases of equipment, hardware, software, and services to manage and retain public records; and

(o) Expenses recovered by the agency from requestors for fulfilling public records requests, including any customized service charges.

(6) The joint legislative audit and review committee must consult with state and local agencies to develop a

reporting method and clearly define standardized metrics in accordance with this section.

(7) By December 1, 2019, the joint legislative audit and review committee must report to the legislature on its findings from the review, including recommendations on whether the competitive grant program, the attorney general's consultation program, and the state archivist's training services should continue or be allowed to expire. [2019 c 372 § 1; 2017 c 303 § 6.]

40.14.027 Local government archives and records management services—Judgment debtor surcharge.

State agencies shall collect a surcharge of twenty dollars from the judgment debtor upon the satisfaction of a warrant filed in superior court for unpaid taxes or liabilities. The surcharge is imposed on the judgment debtor in the form of a penalty in addition to the filing fee provided in RCW 36.18.012(10). The surcharge revenue shall be transmitted to the state treasurer for deposit in the public records efficiency, preservation, and access account.

Surcharge revenue deposited in the local government archives account under RCW 40.14.024 shall be expended by the secretary of state exclusively for disaster recovery, essential records protection services, and records management training for local government agencies by the division of archives and records management. The secretary of state shall, with local government representatives, establish a committee to advise the state archivist on the local government archives and records management program. [2011 1st sp.s. c 50 § 933; 2003 c 163 § 4; 2001 c 146 § 4; 1996 c 245 § 4; 1995 c 292 § 17; 1994 c 193 § 2.]

Effective dates—2011 1st sp.s. c 50: See note following RCW 15.76.115.

Findings—1994 c 193: "The legislature finds that: (1) Accountability for and the efficient management of local government records are in the public interest and that compliance with public records management requirements significantly affects the cost of local government administration; (2) the secretary of state is responsible for insuring the preservation of local government archives and may assist local government compliance with public records statutes; (3) as provided in RCW 40.14.025, all archives and records management services provided by the secretary of state are funded exclusively by a schedule of fees and charges established jointly by the secretary of state and the director of financial management; (4) the secretary of state's costs for preserving and providing public access to local government archives and providing records management assistance to local government agencies have been funded by fees paid by state government agencies; (5) local government agencies are responsible for costs associated with managing, protecting, and providing public access to the records in their custody; (6) local government should help fund the secretary of state's local government archives and records management services; (7) the five dollar fee collected by county clerks for processing warrants for unpaid taxes or liabilities filed by the state of Washington is not sufficient to cover processing costs and is far below filing fees commonly charged for similar types of minor civil actions; (8) a surcharge of twenty dollars would bring the filing fee for warrants for the collection of unpaid taxes and liabilities up to a level comparable to other minor civil filings and should be applied to the support of the secretary of state's local government archives and records services without placing an undue burden on local government; and (9) the process of collecting and transmitting surcharge revenue should not have an undue impact on the operations of the state agencies that file warrants for the collection of unpaid taxes and liabilities or the clerks of superior court who process them." 40.14.030 Transfer to state archives—Certified copies, cost—Public disclosure. (1) All public records, not

required in the current operation of the office where they are made or kept, and all records of every agency, commission, committee, or any other activity of state government which may be abolished or discontinued, shall be transferred to the state archives so that the valuable historical records of the state may be centralized, made more widely available, and insured permanent preservation: PROVIDED, That this section shall have no application to public records approved for destruction under the subsequent provisions of this chapter.

When so transferred, copies of the public records concerned shall be made and certified by the archivist, which certification shall have the same force and effect as though made by the officer originally in charge of them. Fees may be charged to cover the cost of reproduction. In turning over the archives of his or her office, the officer in charge thereof, or his or her successor, thereby loses none of his or her rights of access to them, without charge, whenever necessary.

(2) Records that are confidential, privileged, or exempt from public disclosure under state or federal law while in the possession of the originating agency, commission, board, committee, or other entity of state or local government retain their confidential, privileged, or exempt status after transfer to the state archives unless the archivist, with the concurrence of the originating jurisdiction, determines that the records must be made accessible to the public according to proper and reasonable rules adopted by the secretary of state, in which case the records may be open to inspection and available for copying after the expiration of seventy-five years from creation of the record. If the originating jurisdiction is no longer in existence, the archivist shall make the determination of availability according to such rules. If, while in the possession of the originating agency, commission, board, committee, or other entity, any record is determined to be confidential, privileged, or exempt from public disclosure under state or federal law for a period of less than seventy-five years, then the record, with the concurrence of the originating jurisdiction, must be made accessible to the public upon the expiration of the shorter period of time according to proper and reasonable rules adopted by the secretary of state. (3) Consult with any other personnel responsible for maintenance of specific records within his or her state orga-

(5) Approve all records inventory and destruction requests which are submitted to the state records committee.

(6) Review established records retention schedules at least annually to insure that they are complete and current.

(7) Exercise internal control over the acquisition of filming and file equipment.

Committee members shall serve without additional salary, but shall be entitled to travel expenses incurred in accordance with RCW 43.03.050 and 43.03.060 as now existing or hereafter amended. (b) The department of origin of the records has made a satisfactory showing to the state records committee that the

(2021 Ed.)

retention of the records for a minimum of six years is both unnecessary and uneconomical, particularly if lesser federal retention periods for records generated by the state under federal programs have been established; or

(c) The originals of official public records less than six years old have been copied or reproduced by any photographic or other process approved by the state archivist which accurately reproduces or forms a durable medium for so reproducing the original.

(2) Any lesser term of retention than six years must have the additional approval of the director of financial management, the state auditor and the attorney general, except when records have federal retention guidelines the state records committee may adjust the retention period accordingly. An automatic reduction of retention periods from seven to six years for official public records on record retention schedules existing on June 10, 1982, shall not be made, but the same shall be reviewed individually by the state records committee for approval or disapproval of the change to a retention period of six years.

(1)(a) Other than those records detailed in subsection (4) of this section, county, municipal, and other local government agencies may request authority to destroy noncurrent public records having no further administrative or legal value by submitting to the division of archives and records management lists of such records on forms prepared by the division. The archivist, a representative appointed by the state auditor, and a representative appointed by the attorney general shall constitute a committee, known as the local records committee, which shall review such lists and which may veto the destruction of any or all items contained therein.

(b) A local government agency, as an alternative to submitting lists, may elect to establish a records control program based on recurring disposition schedules recommended by the agency to the local records committee. The schedules are to be submitted on forms provided by the division of archives and records management to the local records committee, which may either veto, approve, or amend the schedule. Approval of such schedule or amended schedule shall be by unanimous vote of the local records committee. Upon such approval, the schedule shall constitute authority for the local government agency to destroy the records listed thereon, after the required retention period, on a recurring basis until the schedule is either amended or revised by the committee.

(2)(a) Except as otherwise provided by law, and other than the law enforcement records detailed in subsection (4) of

this section, no public records shall be destroyed until approved for destruction by the local records committee. Official public records shall not be destroyed unless:

- (i) The records are six or more years old;

- (iii) The originals of official public records less than six years old have been copied or reproduced by any photographic, photostatic, microfilm, miniature photographic, or other process approved by the state archivist which accurately reproduces or forms a durable medium for so reproducing the original.

An automatic reduction of retention periods from seven to six years for official public records on record retention schedules existing on June 10, 1982, shall not be made, but the same shall be reviewed individually by the local records committee for approval or disapproval of the change to a retention period of six years.

The state archivist may furnish appropriate information, suggestions, and guidelines to local government agencies for their assistance in the preparation of lists and schedules or any other matter relating to the retention, preservation, or destruction of records under this chapter. The local records committee may adopt appropriate regulations establishing procedures to be followed in such matters.

Records of county, municipal, or other local government agencies, designated by the archivist as of primarily historical interest, may be transferred to a recognized depository agency.

(b)(i) Records of investigative reports prepared by any state, county, municipal, or other law enforcement agency pertaining to sex offenders contained in chapter 9A.44 RCW or sexually violent offenses as defined in RCW 71.09.020 that are not required in the current operation of the law enforcement agency or for pending judicial proceedings shall, following the expiration of the applicable schedule of the law enforcement agency's retention of the records, be transferred to the Washington association of sheriffs and police chiefs for permanent electronic retention and retrieval. Upon electronic retention of any document, the association shall be permitted to destroy the paper copy of the document.

(ii) Any sealed record transferred to the Washington association of sheriffs and police chiefs for permanent electronic retention and retrieval, including records sealed after transfer, shall be electronically retained in such a way that the record is clearly marked as sealed.

(iii) The Washington association of sheriffs and police chiefs shall be permitted to destroy both the paper copy and electronic record of any offender verified as deceased.

(c) Any record transferred to the Washington association of sheriffs and police chiefs pursuant to (b) of this subsection shall be deemed to no longer constitute a public record pursuant to RCW 42.56.010 and shall be exempt from public disclosure. Such records shall be disseminated only to criminal justice agencies as defined in RCW 10.97.030 for the purpose of determining if a sex offender met the criteria of a sexually violent predator as defined in chapter 71.09 RCW and the

end-of-sentence review committee as defined by RCW 72.09.345 for the purpose of fulfilling its duties under RCW 71.09.025 and 9.95.420.

Electronic records marked as sealed shall only be accessible by criminal justice agencies as defined in RCW 10.97.030 who would otherwise have access to a sealed paper copy of the document, the end-of-sentence review committee as defined by RCW 72.09.345 for the purpose of fulfilling its duties under RCW 71.09.025 and 9.95.420, and the system administrator for the purposes of system administration and maintenance.

(3) Except as otherwise provided by law, county, municipal, and other local government agencies may, as an alternative to destroying noncurrent public records having no further administrative or legal value, donate the public records to the state library, local library, historical society, genealogical society, or similar society or organization.

Public records may not be donated under this subsection unless:

- (a) The records are seventy years old or more;
- (b) The local records committee has approved the destruction of the public records; and

Nothing in RCW 40.14.010 and 40.14.100 through 40.14.180 shall prohibit a legislator or legislative employee from contributing his or her personal papers to any private library, public library, or the state archives. The state archivist is authorized to receive papers of legislators and legislative employees and is directed to encourage the donation of such personal records to the state. The state archivist is authorized to establish such guidelines and procedures for the collection of personal papers and correspondence relating to the legislature as he or she sees fit. 40.24.010 Findings—Purpose—Intent. The legislature finds that persons attempting to escape from actual or threatened domestic violence, sexual assault, trafficking, or stalking frequently establish new addresses in order to prevent their assailants or probable assailants from finding them. The purpose of this chapter is to enable state and local agencies to respond to requests for public records without disclosing the location of a victim of domestic violence, sexual assault, trafficking, or stalking, to enable interagency cooper-

ation with the secretary of state in providing address confidentiality for victims of domestic violence, sexual assault, trafficking, or stalking, and to enable state and local agencies to accept a program participant's use of an address designated by the secretary of state as a substitute mailing address. The legislature further intends to provide assistance to program participants who own or desire to own property in the state to protect such ownership from public disclosure. [2019 c 122 § 1; 2008 c 312 § 1; 2001 c 28 § 1; 1998 c 138 § 1; 1991 c 23 § 1.]

40.24.020 Definitions. Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

(3) "Program participant" means a person certified as a program participant under RCW 40.24.030.

(4) "Stalking" means an act defined in RCW 9A.46.110 and includes a threat of such acts committed against an individual, regardless of whether these acts or threats have been reported to law enforcement officers.

Sec. 7102(8) as it existed on June 12, 2008, or such subsequent date as may be provided by the secretary of state by rule, consistent with the purposes of this subsection, regardless of whether the act has been reported to law enforcement. [2008 c 312 § 2; 2008 c 18 § 1; 1991 c 23 § 2.]

Reviser's note: This section was amended by 2008 c 18 § 1 and by 2008 c 312 § 2, each without reference to the other. Both amendments are incorporated in the publication of this section under RCW 1.12.025(2). For rule of construction, see RCW 1.12.025(1).

The secretary of state shall approve an application if it is filed in the manner and on the form prescribed by the secretary of state and if it contains:

(i) A sworn statement, under penalty of perjury, by the applicant that the applicant has good reason to believe (A) that the applicant, or the minor or incapacitated person on whose behalf the application is made, is a victim of domestic violence, sexual assault, trafficking, or stalking and that the

applicant fears for his or her safety or his or her children's safety, or the safety of the minor or incapacitated person on whose behalf the application is made; or (B) that the applicant, as a criminal justice participant as defined in RCW 9A.46.020, is a target for threats or harassment prohibited under RCW 9A.46.020(2)(b) (iii) or (iv);

(ii) If applicable, a sworn statement, under penalty of perjury, by the applicant, that the applicant has reason to believe they are a victim of (A) domestic violence, sexual assault, or stalking perpetrated by an employee of a law enforcement agency, or (B) threats or harassment prohibited under RCW 9A.46.020(2)(b) (iii) or (iv);

(v) The signature of the applicant and of any individual or representative of any office designated in writing under RCW 40.24.080 who assisted in the preparation of the application, and the date on which the applicant signed the application.

(4)(a) During the application process, the secretary of state shall provide each applicant a form to direct the department of licensing to change the address of registration for vehicles or vessels solely or jointly registered to the applicant and the address associated with the applicant's driver's license or identicard to the applicant's address as designated by the secretary of state upon certification in the program. The directive to the department of licensing is only valid if signed by the applicant. The directive may only include information required by the department of licensing to verify the applicant's identity and ownership information for vehicles and vessels. 40.24.040 Certification cancellation. (1) If the program participant obtains a legal change of identity, he or she loses certification as a program participant.

(2) The secretary of state may cancel a program participant's certification if there is a change in the residential address, unless the program participant provides the secretary of state with at least two days' prior notice in writing of the change of address.

(3) The secretary of state may cancel certification of a program participant if mail forwarded by the secretary to the program participant's address is returned as nondeliverable, refused, or unclaimed.

(4) The secretary of state shall cancel certification of a program participant who applies using false information. [2008 c 18 § 3; 1991 c 23 § 4.]

40.24.050 Agency use of designated address. (1) A program participant may request that state and local agencies use the address designated by the secretary of state as his or her address. When creating a new public record, state and local agencies shall accept the address designated by the secretary of state as a program participant's substitute address, unless the secretary of state has determined that:

(a) The agency has a bona fide statutory or administrative requirement for the use of the address which would otherwise be confidential under this chapter; and

(b) This address will be used only for those statutory and administrative purposes.

(2) A program participant may use the address designated by the secretary of state as his or her work address.

Notice to registered poll voters—Elections by mail—2011 c 10: See note following RCW 29A.04.008.

40.24.070 Disclosure of records prohibited—Exceptions. The secretary of state may not make any records in a program participant's file available for inspection or copying, other than the address designated by the secretary of state, except under the following circumstances:

(1) If requested by a law enforcement agency, to the law enforcement agency; and

(3) To the Washington state patrol solely for the use authorized in RCW 80.36.570, provided that participant information must clearly distinguish between those participants requesting disclosure to a law enforcement agency of the location of a telecommunications device and call information of the user, and those participants who request non-disclosure to a law enforcement agency of the location of a telecommunications device and call information of the user. The Washington state patrol may not use the information or make the information available for inspection and copying for any other purpose than authorized in RCW 80.36.570. The secretary of state may adopt rules to make available the information required for the purposes of this section and RCW 80.36.570. The secretary of state and the secretary of state's officers, employees, or custodian, are not liable, nor shall a cause of action exist, for any loss or damage based upon the release of information, or the nondisclosure of information, from the address confidentiality program to the Washington state patrol if the agency, officer, employee, or custodian acted in good faith in attempting to comply with the provisions of this section and RCW 80.36.570. Chapter 40.26 RCW BIOMETRIC IDENTIFIERS

Sections

- 40.26.010 Finding.
40.26.020 Biometric identifiers—Notice and consent—Agencies—Use, storage, retention—Review—Definitions—Exceptions.

40.26.010 Finding. The legislature finds that the collection and use of personal information has been a practice of virtually all state agencies and programs. Advances in technology have given rise to new forms of data, such as email and internet protocol (IP) addresses, which can be easily collected and stored along with traditional types of data such as names and dates of birth. One new form of personally identifiable information is biometric identifiers. The unique nature of this new type of personal data calls for additional guidance regarding its use by state agencies. [2017 c 306 § 1.]

40.26.020 Biometric identifiers—Notice and consent—Agencies—Use, storage, retention—Review—Definitions—Exceptions. (1) Unless authorized by law, an agency may not collect, capture, purchase, or otherwise obtain a biometric identifier without first providing notice and obtaining the individual's consent, as follows:

(a) The notice provided must clearly specify the purpose and use of the biometric identifier; and

(b) The consent obtained must be specific to the terms of the notice, and must be recorded and maintained by the agency for the duration of the retention of the biometric identifier.

(2) Any biometric identifier obtained by an agency:

(a) May not be sold;

(b) May only be used consistent with the terms of the notice and consent obtained under subsection (1) of this section, or as authorized by law; and

(c) May be shared, including with other state agencies or local governments, only:

(i) As needed to execute the purposes of the collection, consistent with the notice and consent obtained under subsection (1) of this section, or as authorized by law; or

(ii) If such sharing is specified within the original consent.

(3) An agency that collects, purchases, or otherwise obtains biometric identifiers must:

(a) Establish security policies that ensure the integrity and appropriate confidentiality of the biometric identifiers;

(b) Address biometric identifiers in the agency's privacy policies;

(c) Only retain biometric identifiers necessary to fulfill the original purpose and use, as specified in the notice and consent obtained under subsection (1) of this section, or as authorized by law;

(d) Set record retention schedules tailored to the original purpose of the collection of biometric identifiers;

(e) Otherwise minimize the review and retention of the biometric identifiers, consistent with state record retention requirements; and

(f) Design a biometric policy to ensure that the agency is minimizing the collection of biometric identifiers to the fewest number necessary to accomplish the agency mission.

(4) The use and storage of biometric identifiers obtained by an agency must comply with all other applicable state and federal laws and regulations, including the health insurance portability and accountability act (HIPAA), the family educational rights and privacy act (FERPA), regulations regarding data breach notifications and individual privacy protections, and any policies or standards published by the office of the chief information officer.

(5) Biometric identifiers may not be disclosed under the public records act, chapter 42.56 RCW.

(6) Agency policies, regulations, guidance, and retention schedules regarding biometric identifiers must be reviewed annually to incorporate any new technology, as appropriate, and respond to citizen complaints.

(7) The definitions in this subsection apply throughout this section unless the context requires otherwise.

(a) "Agency" means every state office, department, division, bureau, board, commission, or other state agency.

(b) "Biometric identifier" means any information, regardless of how it is captured, converted, stored, or shared, based on an individual's retina or iris scan, fingerprint, voiceprint, DNA, or scan of hand or face geometry, except when such information is derived from:

(i) Writing samples, written signatures, photographs, human biological samples used for valid scientific testing or screening, demographic data, tattoo descriptions, or physical descriptions such as height, weight, hair color, or eye color;

(ii) Donated organ tissues or parts, or blood or serum stored on behalf of recipients or potential recipients of living or cadaveric transplants and obtained or stored by a federally designated organ procurement agency;

(iii) Information captured from a patient in a health care setting or information collected, used, or stored for health care treatment, payment, or operations under the federal health insurance portability and accountability act of 1996; or

(iv) X-ray, roentgen process, computed tomography, magnetic resonance imaging (MRI), positron emission tomography (PET) scan, mammography, or other image or film of the human anatomy used to diagnose, develop a prognosis for, or treat an illness or other medical condition or to further validate scientific testing or screening.

(8) Subsection (1) of this section does not apply to general authority Washington law enforcement agencies, as defined under RCW 10.93.020.

(9)(a) For purposes of the restrictions and obligations in subsection (1) of this section, "biometric identifier" does not include fingerprints or DNA for the following:

(i) Limited authority Washington law enforcement agencies, as defined under RCW 10.93.020;

(ii) Agencies authorized by statute to confine a person involuntarily, or to petition for such confinement; and

(iii) The attorney general's office when obtaining or using biometric identifiers is necessary for law enforcement, legal advice, or legal representation.

(b) When an agency listed under (a) of this subsection has a need to collect, capture, purchase, or otherwise obtain a biometric identifier other than a fingerprint or DNA to fulfill a purpose authorized by law, for either an individual circumstance or a categorical circumstance, the requirements of subsection (1) of this section are waived upon such agency providing prompt written notice to the state's chief privacy offi-

cer and to the appropriate committees of the legislature, stating the type of biometric identifier at issue and the general circumstances requiring the waiver. [2017 2nd sp.s. c 1 § 1; 2017 c 306 § 2.]

Effective date—2017 2nd sp.s. c 1: "This act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and takes effect on the date that Substitute House Bill No. 1717 takes effect [July 23, 2017]." [2017 2nd sp.s. c 1 § 2.]
