13.04.011 Definitions. (Effective until July 1, 2019.)
For purposes of this title:

(1) "Adjudication" has the same meaning as "conviction" in RCW 9.94A.030, but only for the purposes of sentencing under chapter 9.94A RCW;

(2) Except as specifically provided in RCW 13.40.020 and chapters 13.24 and 13.34 RCW, "juvenile," "youth," and

"child" mean any individual who is under the chronological age of eighteen years;

(3) "Juvenile offender" and "juvenile offense" have the meaning ascribed in RCW 13.40.020;

(4) "Court" when used without further qualification means the juvenile court judge(s) or commissioner(s);

(5) "Parent" or "parents," except as used in chapter 13.34 RCW, means that parent or parents who have the right of legal custody of the child;

(6) "Custodian" means that person who has the legal right to custody of the child. [2017 c 276 § 1; 2011 c 330 § 2; 2010 c 150 § 4; 1997 c 338 § 6; 1992 c 205 § 119; 1979 c 155 § 1; 1977 ex.s. c 291 § 2.]

Intent—2013 c 39; 2011 c 330: "The Washington state legislature has consistently provided national leadership on safe housing and support to foster youth transitioning out of foster care. Since 2006, the legislature has addressed the needs of foster youth aging out of care with medicaid to twenty-one (2007), foster care to twenty-one (2006), the independent youth housing program (2007), and Washington's alignment with the federal fostering connections act (2009). As a result of this national leadership to provide safe and basic housing to youth aging out of foster care, the programs have demonstrated the significant cost-benefit to providing safe housing to our youth exiting foster care.

The United States congress passed the fostering connections to success and increasing adoptions act of 2008 in order to give states another financial tool to continue to provide foster care services to dependent youth who turn eighteen years old while in foster care. However, substantially declining revenues have resulted in markedly decreased funds for states to use to meet the federal requirements necessary to help these youth. Current fiscal realities require that the scope of programs must be narrowed.

The Washington state legislature intends to serve, within the resources available, the maximum number of foster youth who are legally dependent on the state and who reach the age of eighteen while still in foster care. The legislature intends to provide these youth continued foster care services to support basic and healthy transition into adulthood. The legislature recognizes the extremely poor outcomes of unsupported foster youth aging out of the foster care system and is committed to ensuring that those foster youth who engage in positive, age-appropriate activities receive support. It is the intent of the legislature to fully engage in the fostering connections act by providing support, including extended court supervision to foster youth pursuing a high school diploma or high school equivalency certificate as provided in RCW 28B.50.536 to age twenty-one with the goal of increasing support to all children up to age twenty-one who are eligible under the federal fostering connections to success act as resources become available." [2013 c 39 § 1; 2011 c 330 § 1.]

In any judicial district having a family law commissioner appointed pursuant to chapter 26.12 RCW, the family law commissioner shall have the power, authority, and jurisdiction, concurrent with a juvenile court judge, to hear cases under Title 13 RCW and chapter 28A.225 RCW as provided in RCW 26.12.010, and to enter judgment and make orders with the same power, force, and effect as any judge of the

13.04.030 Juvenile court—Exclusive original jurisdiction—Exceptions. (Effective until July 1, 2019.) (1) Except as provided in this section, the juvenile courts in this state shall have exclusive original jurisdiction over all proceedings:

(a) Under the interstate compact on placement of children as provided in chapter 26.34 RCW;

(b) Relating to children alleged or found to be dependent as provided in chapter 26.44 RCW and in RCW 13.34.030 through 13.34.161;

(c) Relating to the termination of a parent and child relationship as provided in RCW 13.34.180 through 13.34.210;

(d) To approve or disapprove out-of-home placement as provided in RCW 13.32A.170;

(e) Relating to juveniles alleged or found to have committed offenses, traffic or civil infractions, or violations as provided in RCW 13.40.020 through 13.40.230, unless:

(i) The juvenile court transfers jurisdiction of a particular juvenile to adult criminal court pursuant to RCW 13.40.110;

(ii) The statute of limitations applicable to adult prosecution for the offense, traffic or civil infraction, or violation has expired;

(iii) The alleged offense or infraction is a traffic, fish, boating, or game offense, or traffic or civil infraction committed by a juvenile sixteen years of age or older and would, if committed by an adult, be tried or heard in a court of limited jurisdiction, in which instance the appropriate court of limited jurisdiction shall have jurisdiction over the alleged offense or infraction, and no guardian ad litem is required in any such proceeding due to the juvenile's age. If such an alleged offense or infraction and an alleged offense or infraction subject to juvenile court jurisdiction arise out of the same event or incident, the juvenile court may have jurisdiction of both matters. The jurisdiction under this subsection does not constitute "transfer" or a "decline" for purposes of *RCW 13.40.110(1) or (e)(i) of this subsection. Courts of limited jurisdiction which confine juveniles for an alleged offense or infraction may place juveniles in juvenile detention facilities under an agreement with the officials responsible for the administration of the juvenile detention facility in RCW 13.04.035 and 13.20.060;

(iv) The alleged offense is a traffic or civil infraction, a violation of compulsory school attendance provisions under chapter 28A.225 RCW, or a misdemeanor, and a court of limited jurisdiction has assumed concurrent jurisdiction over those offenses as provided in **RCW 13.04.0301; or

(v) The juvenile is sixteen or seventeen years old on the date the alleged offense is committed and the alleged offense is:

(A) A serious violent offense as defined in RCW 9.94A.030;

(B) A violent offense as defined in RCW 9.94A.030 and the juvenile has a criminal history consisting of: (I) One or more prior serious violent offenses; (II) two or more prior violent offenses; or (III) three or more of any combination of the following offenses: Any class A felony, any class B felony, vehicular assault, or manslaughter in the second degree, all of which must have been committed after the juvenile's thirteenth birthday and prosecuted separately;

(C) Robbery in the first degree, rape of a child in the first degree, or drive-by shooting, committed on or after July 1, 1997;

(D) Burglary in the first degree committed on or after July 1, 1997, and the juvenile has a criminal history consisting of one or more prior felony or misdemeanor offenses; or

(E) Any violent offense as defined in RCW 9.94A.030 committed on or after July 1, 1997, and the juvenile is alleged to have been armed with a firearm.

(I) In such a case the adult criminal court shall have exclusive original jurisdiction, except as provided in (e)(v)(E)(II) and (III) of this subsection.

(II) The juvenile court shall have exclusive jurisdiction over the disposition of any remaining charges in any case in which the juvenile is found not guilty in the adult criminal court of the charge or charges for which he or she was transferred, or is convicted in the adult criminal court of a lesser included offense that is not also an offense listed in (e)(v) of this subsection. The juvenile court shall enter an order extending juvenile court jurisdiction if the juvenile has turned eighteen years of age during the adult criminal court proceedings pursuant to RCW 13.40.300. However, once the case is returned to juvenile court, the court may hold a decline hearing pursuant to RCW 13.40.110 to determine whether to retain the case in juvenile court for the purpose of disposition or return the case to adult criminal court for sentencing.

(III) The prosecutor and respondent may agree to juvenile court jurisdiction and waive application of exclusive adult criminal jurisdiction in (e)(v)(A) through (E) of this subsection and remove the proceeding back to juvenile court with the court's approval.

If the juvenile challenges the state's determination of the juvenile's criminal history under (e)(v) of this subsection, the state may establish the offender's criminal history by a preponderance of the evidence. If the criminal history consists of adjudications entered upon a plea of guilty, the state shall not bear a burden of establishing the knowing and voluntariness of the plea;

(f) Under the interstate compact on juveniles as provided in chapter 13.24 RCW;

(g) Relating to termination of a diversion agreement under RCW 13.40.080, including a proceeding in which the divertee has attained eighteen years of age;

(h) Relating to court validation of a voluntary consent to an out-of-home placement under chapter 13.34 RCW, by the parent or Indian custodian of an Indian child, except if the parent or Indian custodian and child are residents of or domiciled within the boundaries of a federally recognized Indian reservation over which the tribe exercises exclusive jurisdiction;

(i) Relating to petitions to compel disclosure of information filed by the department of social and health services pursuant to RCW 74.13.042; and

(j) Relating to judicial determinations and permanency planning hearings involving developmentally disabled children who have been placed in out-of-home care pursuant to a voluntary placement agreement between the child's parent, guardian, or legal custodian and the department of social and health services.

(2) The family court shall have concurrent original jurisdiction with the juvenile court over all proceedings under this section if the superior court judges of a county authorize concurrent jurisdiction as provided in RCW 26.12.010.

(3) The juvenile court shall have concurrent original jurisdiction with the family court over child custody proceedings under chapter 26.10 RCW and parenting plans or residential schedules under chapters 26.09 and 26.26 RCW as provided for in RCW 13.34.155.

(4) A juvenile subject to adult superior court jurisdiction under subsection (1)(e)(i) through (v) of this section, who is detained pending trial, may be detained in a detention facility as defined in RCW 13.40.020 pending sentencing or a dismissal. Reviser's note: *(1) RCW 13.40.110 was amended by 2009 c 454 § 3, changing subsection (1) to subsections (1) and (2).

** (2) RCW 13.04.0301 was decodified September 2003.

(3) This section was amended by 2009 c 454 § 1 and by 2009 c 526 § 1, each without reference to the other. Both amendments are incorporated in the publication of this section under RCW 1.12.025(2). For rule of construction, see RCW 1.12.025(1).

Finding—Intent—1997 c 341: "The legislature finds that a swift and certain response to a juvenile who begins engaging in acts of delinquency may prevent the offender from becoming a chronic or more serious offender. However, given pressing demands to address serious offenders, the system does not always respond to minor offenders expeditiously and effectively. Consequently, this act is adopted to implement an experiment to determine whether granting courts of limited jurisdiction concurrent jurisdiction over certain juvenile offenses will improve the system's effectiveness in curbing delinquency. The legislature may ascertain whether this approach might be successful on a larger scale by conducting an experiment with local governments, which are the laboratories of democracy." [1997 c 341 § 1.]

Finding—Evaluation—Report—1997 c 338: See note following RCW 13.40.0357.

Application of 1994 sp.s. c 7 amendments: "Provisions governing exceptions to juvenile court jurisdiction in the amendments to RCW 13.04.030 contained in section 519, chapter 7, Laws of 1994 sp. sess. shall apply to serious violent and violent offenses committed on or after June 13, 1994. The criminal history which may result in loss of juvenile court jurisdiction upon the alleged commission of a serious violent or violent offense may have been acquired on, before, or after June 13, 1994." Finding—Intent—1997 c 341: "The legislature finds that a swift and certain response to a juvenile who begins engaging in acts of delinquency may prevent the offender from becoming a chronic or more serious offender. However, given pressing demands to address serious offenders, the system does not always respond to minor offenders expeditiously and effectively. Consequently, this act is adopted to implement an experiment to determine whether granting courts of limited jurisdiction concurrent jurisdiction over certain juvenile offenses will improve the system's effectiveness in curbing delinquency. The legislature may ascertain whether this approach might be successful on a larger scale by conducting an experiment with local governments, which are the laboratories of democracy." 13.06.050 Conditions for receiving state funds—Criteria for distribution of funds—Annual report on programs to reduce racial disproportionality. (*Effective until*

July 1, 2019.) No county shall be entitled to receive any state funds provided by this chapter until its application and plan are approved, and unless and until the minimum standards prescribed by the department of social and health services are complied with and then only on such terms as are set forth in this section. In addition, any county making application for state funds under this chapter that also operates a juvenile detention facility must have standards of operations in place that include: Intake and admissions, medical and health care, communication, correspondence, visiting and telephone use, security and control, sanitation and hygiene, juvenile rights, rules and discipline, property, juvenile records, safety and emergency procedures, programming, release and transfer, training and staff development, and food service.

(1) The distribution of funds to a county or a group of counties shall be based on criteria including but not limited to the county's per capita income, regional or county at-risk populations, juvenile crime or arrest rates, rates of poverty, size of racial minority populations, existing programs, and the effectiveness and efficiency of consolidating local programs towards reducing commitments to state correctional facilities for offenders whose standard range disposition does not include commitment of the offender to the department and reducing reliance on other traditional departmental services.

Funds received by participating counties under this chapter shall not be used to replace local funds for existing programs.

(3) The secretary, in conjunction with the human rights commission, shall evaluate the effectiveness of programs funded under this chapter in reducing racial disproportionality. The secretary shall investigate whether implementation of such programs has reduced disproportionality in counties with initially high levels of disproportionality. The analysis shall indicate which programs are cost-effective in reducing disproportionality in such areas as alternatives to detention, intake and risk assessment standards pursuant to RCW 13.40.038, alternatives to incarceration, and in the prosecution and adjudication of juveniles. The secretary shall report his or her findings to the legislature by December 1, 1994, and December 1 of each year thereafter. EXECUTION OF THE COMPACT

The governor is hereby authorized and directed to execute a compact on behalf of this state with any other state or states legally joining therein in the form substantially as follows. No provision of this compact will interfere with this state's authority to determine policy regarding juvenile offenders and nonoffenders within this state.

THE INTERSTATE COMPACT FOR JUVENILES

ARTICLE I - Purpose

The compacting states to this interstate compact recognize that each state is responsible for the proper supervision or return of juveniles, delinquents, and status offenders who are on probation or parole and who have absconded, escaped, or run away from supervision and control and in so doing have endangered their own safety and the safety of others. The compacting states also recognize that each state is responsible for the safe return of juveniles who have run away from home and in doing so have left their state of residence. The compacting states also recognize that congress, by enacting the crime control act, 4 U.S.C. Sec. 112 (1965), has authorized and encouraged compacts for cooperative efforts and mutual assistance in the prevention of crime.

It is the purpose of this compact, through means of joint and cooperative action among the compacting states, to: (1) Ensure that the adjudicated juveniles and status offenders subject to this compact are provided adequate supervision and services in the receiving state as ordered by the adjudicating judge or parole authority in the sending state; (2) ensure that the public safety interests of the citizens, including the victims of juvenile offenders, in both the sending and receiving states are adequately protected; (3) return juveniles who have run away, absconded, or escaped from supervision or control or have been accused of an offense to the state requesting their return; (4) make contracts for the cooperative institutionalization in public facilities in member states for delinquent youth needing special services; (5) provide for the

effective tracking and supervision of juveniles; (6) equitably allocate the costs, benefits, and obligations of the compacting states; (7) establish procedures to manage the movement between states of juvenile offenders released to the community under the jurisdiction of courts, juvenile departments, or any other criminal or juvenile justice agency that has jurisdiction over juvenile offenders; (8) ensure immediate notice to jurisdictions where defined offenders may travel or relocate across state lines; (9) establish procedures to resolve pending charges (detainers) against juvenile offenders before transfer or release to the community under the terms of this compact; (10) establish a system of uniform data collection on information pertaining to juveniles subject to this compact that allows access by authorized juvenile justice and criminal justice officials, and regular reporting of compact activities to heads of state executive, judicial, and legislative branches and juvenile and criminal justice administrators; (11) monitor compliance with rules governing interstate movement of juveniles and initiate interventions to address and correct noncompliance; (12) coordinate training and education regarding the regulation of interstate movement of juveniles for officials involved in such activity; and (13) coordinate the implementation and operation of the compact with the interstate compact for the placement of children, the interstate compact for adult offender supervision, and other compacts affecting juveniles particularly in those cases where concurrent or overlapping supervision issues arise. It is the policy of the compacting states that the activities conducted by the interstate commission created in this section are the formation of public policies and therefore are public business. Furthermore, the compacting states shall cooperate and observe their individual and collective duties and responsibilities for the prompt return and acceptance of juveniles subject to the provisions of this compact. The provisions of this compact shall be reasonably and liberally construed to accomplish the purposes and policies of the compact.

(9) "Noncompacting state" means any state that has not enacted the enabling legislation for this compact.

(10) "Probation or parole" means any kind of supervision or conditional release of juveniles authorized under the laws of the compacting states.

(11) "Rule" means a written statement by the interstate commission issued under Article VI of this compact that is of general applicability, implements, interprets, or prescribes a policy or provision of the compact or an organizational, procedural, or practice requirement of the commission, and has the force and effect of statutory law in a compacting state. This includes the amendment, repeal, or suspension of an existing rule.

(12) "State" means a state of the United States, the District of Columbia (or its designee), the Commonwealth of Puerto Rico, the United States Virgin Islands, Guam, American Samoa, and the Northern Marianas Islands.

ARTICLE III - Interstate Commission for Juveniles

(1) The compacting states hereby create the "interstate commission for juveniles." The interstate commission shall be a body corporate and joint agency of the compacting states. The interstate commission shall have all the responsibilities, powers, and duties set forth in this section, and such additional powers as may be conferred upon it by subsequent action of the respective legislatures of the compacting states in accordance with the terms of this compact.

(2) The interstate commission shall consist of commissioners appointed by the appropriate appointing authority in each state under the rules and requirements of each compacting state and in consultation with the state council for interstate juvenile supervision. The commissioner shall be the compact administrator, deputy compact administrator, or designee from that state who shall serve on the interstate commission in such capacity under the applicable law of the compacting state.

(3) In addition to the commissioners who are the voting representatives of each state, the interstate commission shall include individuals who are not commissioners, but who are members of interested organizations. Such noncommissioner members must include a member of the national organizations of governors, legislators, state chief justices, attorneys general, interstate compact for adult offender supervision, interstate compact for the placement of children, juvenile justice and juvenile corrections officials, and crime victims. All noncommissioner members of the interstate commission shall be nonvoting members. The interstate commission may provide in its bylaws for such additional nonvoting members, including members of other national organizations, in such numbers as shall be determined by the commission.

(4) Each compacting state represented at any meeting of the commission is entitled to one vote. A majority of the compacting states shall constitute a quorum for the transaction of business, unless a larger quorum is required by the bylaws of the interstate commission.

(5) The interstate commission shall meet at least once each calendar year. The chair may call additional meetings and, upon the request of a simple majority of the compacting states, shall call additional meetings. Public notice shall be given of all meetings and meetings shall be open to the public.

(6) The interstate commission shall establish an executive committee, which shall include commission officers, members, and others as determined by the bylaws. The executive committee shall have the power to act on behalf of the interstate commission during periods when the interstate commission is not in session, with the exception of rule making and/or amendment to the compact. The executive committee shall oversee the day-to-day activities of the administration of the compact managed by an executive director and interstate commission staff, administer enforcement and compliance with the compact, its bylaws, and rules, and perform such other duties as directed by the interstate commission or set forth in the bylaws.

(7) Each member of the interstate commission may cast a vote to which that compacting state is entitled and to participate in the business and affairs of the interstate commission. A member shall vote in person and shall not delegate a vote to another compacting state. However, a commissioner, in consultation with the state council, shall appoint another authorized representative, in the absence of the commissioner from that state, to cast a vote on behalf of the compacting state at a specified meeting. The bylaws may provide for members' participation in meetings by telephone or other means of telecommunication or electronic communication.

(8) The interstate commission's bylaws shall establish conditions and procedures under which the interstate commission shall make its information and official records available to the public for inspection or copying. The interstate commission may exempt from disclosure any information or official records to the extent they would adversely affect personal privacy rights or proprietary interests.

(9) Public notice shall be given of all meetings and all meetings shall be open to the public, except as set forth in the rules or as otherwise provided in the compact. The interstate commission and any of its committees may close a meeting to

the public where it determines by two-thirds vote that an open meeting would be likely to:

(a) Relate solely to the interstate commission's internal personnel practices and procedures;

(b) Disclose matters specifically exempted from disclosure by statute;

(c) Disclose trade secrets or commercial or financial information that is privileged or confidential;

(d) Involve accusing any person of a crime, or formally censuring any person;

(e) Disclose information of a personal nature where disclosure would constitute a clearly unwarranted invasion of personal privacy;

(f) Disclose investigative records compiled for law enforcement purposes;

(g) Disclose information contained in or related to examination, operating, or condition reports prepared by, or on behalf of or for the use of, the interstate commission with respect to a regulated person or entity for the purpose of regulation or supervision of such person or entity;

(h) Disclose information, the premature disclosure of which would significantly endanger the stability of a regulated person or entity; or

(i) Specifically relate to the interstate commission's issuance of a subpoena, or its participation in a civil action or other legal proceeding.

(10) For every closed meeting, the interstate commission's legal counsel shall publicly certify that, in the legal counsel's opinion, the meeting may be closed to the public, and shall reference each relevant exemptive provision. The interstate commission shall keep minutes that fully and clearly describe all matters discussed in any meeting and shall provide a full and accurate summary of any actions taken, and the reasons therefore, including a description of each of the views expressed on any item and the record of any roll call vote reflected in the vote of each member on the question. All documents considered in connection with any action shall be identified in the minutes.

(11) The interstate commission shall collect standardized data concerning the interstate movement of juveniles as directed through its rules that specify the data to be collected, the means of collection and data exchange, and reporting requirements. Such methods of data collection, exchange, and reporting shall insofar as is reasonably possible conform to current technology and coordinate its information functions with the appropriate repository of records.

ARTICLE IV - Powers and Duties of the Interstate Commission

The commission has the following powers and duties:

(1) Provide for dispute resolution among compacting states;

(2) Adopt rules to effect the purposes and obligations of this compact which shall have the force and effect of statutory law and shall be binding in the compacting states to the extent and in the manner provided in this compact;

(3) Oversee, supervise, and coordinate the interstate movement of juveniles subject to this compact and any bylaws adopted and rules adopted by the interstate commission;

(9) Elect or appoint officers, attorneys, employees, agents, or consultants, and to fix their compensation, define their duties and determine their qualifications, and to establish the interstate commission's personnel policies and programs relating to inter alia, conflicts of interest, rates of compensation, and qualifications of personnel;

(10) Accept any and all donations and grants of money, equipment, supplies, materials, and services, and to receive, use, and dispose of the donations and grants;

(11) Lease, purchase, accept contributions or donations of, or otherwise to own, hold, improve, or use any property, real, personal, or mixed;

(12) Sell, convey, mortgage, pledge, lease, exchange, abandon, or otherwise dispose of any property, real, personal, or mixed;

(13) Establish a budget and make expenditures and levy dues as provided in Article VIII of this compact;

(14) Sue and be sued;

(15) Adopt a seal and bylaws governing the management and operation of the interstate commission;

(16) Perform such functions as may be necessary or appropriate to achieve the purposes of this compact;

(17) Report annually to the legislatures, governors, judiciary, and state councils of the compacting states concerning the activities of the interstate commission during the preceding year. Reports shall also include any recommendations adopted by the interstate commission;

(18) Coordinate education, training, and public awareness regarding the interstate movement of juveniles for officials involved in such activity;

(19) Establish uniform standards of the reporting, collecting, and exchanging of data; and

(20) Maintain its corporate books and records in accordance with the bylaws.

ARTICLE V - Organization and Operation of the Interstate Commission

Section A. Bylaws

The interstate commission shall, by a majority of the members present and voting, within twelve months after the first interstate commission meeting, adopt bylaws to govern its conduct as may be necessary or appropriate to carry out the purposes of the compact, including, but not limited to:

(1) Establishing the fiscal year of the interstate commission;

(2) Establishing an executive committee and such other committees as may be necessary;

(3) Providing for the establishment of committees governing any general or specific delegation of any authority or function of the interstate commission;

(4) Providing reasonable procedures for calling and conducting meetings of the interstate commission, and ensuring reasonable notice of each such meeting;

(5) Establishing the titles and responsibilities of the officers of the interstate commission;

(6) Providing a mechanism for concluding the operations of the interstate commission and the return of any surplus funds that may exist upon the termination of the compact after the payment and/or reserving of all of its debts and obligations;

(7) Providing "start-up" rules for initial administration of the compact; and

(8) Establishing standards and procedures for compliance and technical assistance in carrying out the compact.

Section B. Officers and staff

(1) The interstate commission shall, by a majority of the members, elect annually from among its members a chair and a vice chair, each of whom has the authority and duties that are specified in the bylaws. The chair or, in the chair's absence or disability, the vice chair shall preside at all meetings of the interstate commission. The officers so elected shall serve without compensation or remuneration from the interstate commission. However, subject to the availability of budgeted funds, the officers shall be reimbursed for any ordinary and necessary costs and expenses incurred by them in the performance of their duties and responsibilities as officers of the interstate commission.

(2) The interstate commission shall, through its executive committee, appoint or retain an executive director for such period, upon such terms and conditions, and for such compensation as the interstate commission deems appropriate. The executive director shall serve as secretary to the interstate commission, but shall not be a member and shall hire and supervise such other staff as authorized by the interstate commission.

Section C. Qualified immunity, defense, and indemnification

(1) The commission's executive director and employees are immune from suit and liability, either personally or in their official capacity, for any claim for damage to, loss of property, personal injury, or other civil liability caused or arising out of or relating to any actual or alleged act, error, or omission that occurred, or that such person had a reasonable basis for believing occurred within the scope of commission employment, duties, or responsibilities. However, any such person is not protected from suit or liability for any damage, loss, injury, or liability caused by the intentional or willful and wanton misconduct of any such person.

(2) The liability of any commissioner, or the employee or agent of a commissioner, acting within the scope of such person's employment or duties for acts, errors, or omissions occurring within such person's state may not exceed the limits of liability set forth under the constitution and laws of that state for state officials, employees, and agents. Nothing in this subsection shall be construed to protect any such person

from suit or liability for any damage, loss, injury, or liability caused by the intentional or willful and wanton misconduct of any such person.

(3) The interstate commission shall defend the executive director or the employees or representatives of the interstate commission and, subject to the approval of the attorney general of the state represented by any commissioner of a compacting state, shall defend such commissioner or the commissioner's representatives or employees in any civil action seeking to impose liability arising out of any actual or alleged act, error, or omission that occurred within the scope of interstate commission employment, duties, or responsibilities, or that the defendant had a reasonable basis for believing occurred within the scope of interstate commission employment, duties, or responsibilities, if the actual or alleged act, error, or omission did not result from intentional or willful and wanton misconduct on the part of such person.

(4) The interstate commission shall indemnify and hold the commissioner of a compacting state, or the commissioner's representatives or employees, or the interstate commission's representatives or employees, harmless in the amount of any settlement or judgment obtained against such persons arising out of any actual or alleged act, error, or omission that occurred within the scope of interstate commission employment, duties, or responsibilities, or that such persons had a reasonable basis for believing occurred within the scope of interstate commission employment, duties, or responsibilities, if the actual or alleged act, error, or omission did not result from intentional or willful and wanton misconduct on the part of such persons.

ARTICLE VI - Rule-making Functions of the Interstate Commission

(1) The interstate commission shall adopt and publish rules in order to effectively and efficiently achieve the purposes of the compact.

(2) Rule making shall occur pursuant to the criteria set forth in this article and the bylaws and rules adopted pursuant thereto. Such rule making shall substantially conform to the principles of the "model state administrative procedures act," 1981 Act, Uniform Laws Annotated, Vol. 15, p.1 (2000), or such other administrative procedures act, as the interstate commission deems appropriate consistent with due process requirements under the United States Constitution as now or hereafter interpreted by the United States supreme court. All rules and amendments become binding as of the date specified, as published with the final version of the rule as approved by the commission.

(3) When adopting a rule, the interstate commission shall, at a minimum:

(a) Publish the proposed rule's entire text stating the reason or reasons for that proposed rule;

(b) Allow and invite any and all persons to submit written data, facts, opinions, and arguments, which information shall be added to the record, and be made publicly available;

(c) Provide an opportunity for an informal hearing if petitioned by ten or more persons; and

(d) Adopt a final rule and its effective date, if appropriate, based on input from state or local officials, or interested parties.

(2017 Ed.)

(4) The interstate commission shall allow, not later than sixty days after a rule is adopted, any interested person to file a petition in the United States district court for the District of Columbia or in the federal district court where the interstate commission's principal office is located for judicial review of such rule. If the court finds that the interstate commission's action is not supported by substantial evidence in the rule-making record, the court shall hold the rule unlawful and set it aside. For purposes of this subsection, evidence is substantial if it would be considered substantial evidence under the model state administrative procedures act.

(5) If a majority of the legislatures of the compacting states rejects a rule, those states may, by enactment of a statute or resolution in the same manner used to adopt the compact, cause that rule to have no further force and effect in any compacting state.

(6) The existing rules governing the operation of the interstate compact on juveniles superseded by chapter 180, Laws of 2003 shall be null and void twelve months after the first meeting of the interstate commission created under this section.

(7) Upon determination by the interstate commission that a state of emergency exists, it may adopt an emergency rule that becomes effective immediately upon adoption. However, the usual rule-making procedures shall be retroactively applied to the rule as soon as reasonably possible, but no later than ninety days after the effective date of the emergency rule.

ARTICLE VII - Oversight, Enforcement, and Dispute Resolution by the Interstate Commission

Section A. Oversight

(1) The interstate commission shall oversee the administration and operations of the interstate movement of juveniles subject to this compact in the compacting states and shall monitor such activities being administered in noncompacting states that may significantly affect compacting states.

(2) The courts and executive agencies in each compacting state shall enforce this compact and shall take all actions necessary and appropriate to effectuate the compact's purposes and intent. The provisions of this compact and the rules adopted under this section shall be received by all the judges, public officers, commissions, and departments of the state government as evidence of the authorized statute and administrative rules. All courts shall take judicial notice of the compact and the rules. In any judicial or administrative proceeding in a compacting state pertaining to the subject matter of this compact which may affect the powers, responsibilities, or actions of the interstate commission, it shall be entitled to receive all service of process in any such proceeding, and shall have standing to intervene in the proceeding for all purposes.

Section B. Dispute resolution

(1) The compacting states shall report to the interstate commission on all issues and activities necessary for the administration of the compact as well as issues and activities pertaining to compliance with the compact and its bylaws and rules.

(2) The interstate commission shall attempt, upon the request of a compacting state, to resolve any disputes or other issues that are subject to the compact and that may arise among compacting states and between compacting and non-compacting states. The commission shall adopt a rule providing for both mediation and binding dispute resolution for disputes among the compacting states.

(3) The interstate commission, in the reasonable exercise of its discretion, shall enforce the provisions and rules of this compact using any or all means set forth in Article XI of this compact.

ARTICLE VIII - Finance

(1) The interstate commission shall pay or provide for the payment of the reasonable expenses of its establishment, organization, and ongoing activities.

(2) The interstate commission shall levy on and collect an annual assessment from each compacting state to cover the cost of the internal operations and activities of the interstate commission and its staff which must be in a total amount sufficient to cover the interstate commission's annual budget as approved each year. The aggregate annual assessment amount shall be allocated based upon a formula to be determined by the interstate commission, taking into consideration the population of each compacting state and the volume of interstate movement of juveniles in each compacting state and shall adopt a rule binding upon all compacting states that governs the assessment.

(3) The interstate commission shall not incur any obligations of any kind before securing the funds adequate to meet the same; nor shall the interstate commission pledge the credit of any of the compacting states, except by and with the authority of the compacting state.

(4) The interstate commission shall keep accurate accounts of all receipts and disbursements. The receipts and disbursements of the interstate commission shall be subject to the audit and accounting procedures established under its bylaws. However, all receipts and disbursements of funds handled by the interstate commission shall be audited yearly by a certified or licensed public accountant and the report of the audit shall be included in and become part of the annual report of the interstate commission.

ARTICLE IX - The State Council

Each member state shall create a state council for interstate juvenile supervision. While each state may determine the membership of its own state council, its membership must include at least one representative from the legislative, judicial, and executive branches of government, victims groups, and the compact administrator, deputy compact administrator, or designee. Each compacting state retains the right to determine the qualifications of the compact administrator or deputy compact administrator. Each state council will advise and may exercise oversight and advocacy concerning that state's participation in interstate commission activities and other duties as may be determined by that state, including but not limited to development of policy concerning operations and procedures of the compact within that state.

Pursuant to this compact, the governor shall designate an individual who shall be the compact administrator and who, acting jointly with like officers of other party states, shall

promulgate rules and regulations to carry out more effectively the terms of the compact. The governor shall designate the compact administrator from a list of six individuals, three of whom are recommended by the Washington association of juvenile court administrators and three of whom are recommended by the juvenile rehabilitation administration of the department of social and health services. The administrator shall serve subject to the pleasure of the governor. The administrator shall cooperate with all departments, agencies, and officers of and in the government of this state and its subdivisions in facilitating the proper administration of the compact or of any supplementary agreement or agreements entered into by this state.

ARTICLE X - Compacting States, Effective Date, and Amendment

(1) Any state, the District of Columbia or its designee, the Commonwealth of Puerto Rico, the United States Virgin Islands, Guam, American Samoa, and the Northern Marianas Islands as defined in Article II of this compact is eligible to become a compacting state.

(2) The compact shall become effective and binding upon legislative enactment of the compact into law by no less than thirty-five of the states. The initial effective date shall be the later of July 1, 2004, or upon enactment into law by the thirty-fifth jurisdiction. Thereafter, it shall become effective and binding as to any other compacting state upon enactment of the compact into law by that state. The governors of non-member states or their designees shall be invited to participate in the activities of the interstate commission on a non-voting basis before adoption of the compact by all states and territories of the United States.

(3) The interstate commission may propose amendments to the compact for enactment by the compacting states. No amendment shall become effective and binding upon the interstate commission and the compacting states unless and until it is enacted into law by unanimous consent of the compacting states.

ARTICLE XI - Withdrawal, Default, Termination, and Judicial Enforcement

Section A. Withdrawal

(1) Once effective, the compact shall continue in force and remain binding upon each and every compacting state. However, a compacting state may withdraw from the compact by repealing the statute that enacted the compact into law.

(2) The effective date of withdrawal is the effective date of the repeal.

(3) The withdrawing state shall immediately notify the chair of the interstate commission in writing upon the introduction of legislation repealing this compact in the withdrawing state. The interstate commission shall notify the other compacting states of the withdrawing state's intent to withdraw within sixty days of its receipt thereof.

(4) The withdrawing state is responsible for all assessments, obligations, and liabilities incurred through the effective date of withdrawal, including any obligations, the performance of which extend beyond the effective date of withdrawal.

(5) Reinstatement following withdrawal of any compacting state shall occur upon the withdrawing state reenacting the compact or upon such later date as determined by the interstate commission.

Section B. Technical Assistance, Fines, Suspension, Termination, and Default

(1) If the interstate commission determines that any compacting state has at any time defaulted in the performance of any of its obligations or responsibilities under this compact, or the bylaws or adopted rules, the interstate commission may impose any or all of the following penalties:

- (a) Remedial training and technical assistance as directed by the interstate commission;
- (b) Alternative dispute resolution;
- (c) Fines, fees, and costs in such amounts as set by the interstate commission; and

(d) Suspension or termination of membership in the compact, which shall be imposed only after all other reasonable means of securing compliance under the bylaws and rules have been exhausted and the interstate commission has determined that the offending state is in default. Immediate notice of suspension shall be given by the interstate commission to the governor, the chief justice or the chief judicial officer of the state, the majority and minority leaders of the defaulting state's legislature, and the state council. The grounds for default include, but are not limited to, failure of a compacting state to perform such obligations or responsibilities imposed upon it by this compact, the bylaws, or rules and any other grounds designated in commission bylaws and rules. The interstate commission shall immediately notify the defaulting state in writing of the penalty imposed by the interstate commission and of the default pending a cure of the default. The commission shall stipulate the conditions and the time period within which the defaulting state must cure its default. If the defaulting state fails to cure the default within the time period specified by the commission, the defaulting state shall be terminated from the compact upon an affirmative vote of a majority of the compacting states and all rights, privileges, and benefits conferred by this compact shall be terminated from the effective date of termination.

(2) Within sixty days of the effective date of termination of a defaulting state, the interstate commission shall notify the governor, the chief justice or chief judicial officer, the majority and minority leaders of the defaulting state's legislature, and the state council of such termination.

(3) The defaulting state is responsible for all assessments, obligations, and liabilities incurred through the effective date of termination including any obligations, the performance of which extends beyond the effective date of termination.

(4) The interstate commission shall not bear any costs relating to the defaulting state unless otherwise mutually agreed upon in writing between the interstate commission and the defaulting state.

(5) Reinstatement following termination of any compacting state requires both a reenactment of the compact by the defaulting state and the approval of the interstate commission pursuant to the rules.

(2017 Ed.)

Section C. Judicial enforcement

The interstate commission may, by majority vote of the members, initiate legal action in the United States district court for the District of Columbia or, at the discretion of the interstate commission, in the federal district where the interstate commission has its offices, to enforce compliance with the provisions of the compact, its rules, and bylaws against any compacting state in default. In the event judicial enforcement is necessary, the prevailing party shall be awarded all costs of such litigation including reasonable attorneys' fees.

Section D. Dissolution of compact

(1) The compact dissolves effective upon the date of the withdrawal or default of the compacting state, which reduces membership in the compact to one compacting state.

(2) Upon the dissolution of this compact, the compact becomes null and void and shall be of no further force or effect, and the business and affairs of the interstate commission shall be concluded and any surplus funds shall be distributed in accordance with the bylaws.

ARTICLE XII - Severability and Construction

(1) The provisions of this compact are severable, and if any phrase, clause, sentence, or provision is deemed unenforceable, the remaining provisions of the compact are enforceable.

(2) The provisions of this compact shall be liberally construed to effectuate its purposes.

ARTICLE XIII - Binding Effect of Compact and Other Laws

Section A. Other laws

(1) Nothing in this section prevents the enforcement of any other law of a compacting state that is consistent with this compact.

(2) All compacting states' laws other than state constitutions and other interstate compacts conflicting with this compact are superseded to the extent of the conflict.

Section B. Binding effect of the compact

(1) All lawful actions of the interstate commission, including all rules and bylaws adopted by the interstate commission, are binding upon the compacting states.

(2) All agreements between the interstate commission and the compacting states are binding in accordance with their terms.

(3) Upon the request of a party to a conflict over meaning or interpretation of interstate commission actions, and upon a majority vote of the compacting states, the interstate commission may issue advisory opinions regarding such meaning or interpretation.

(4) In the event any provision of this compact exceeds the constitutional limits imposed on the legislature of any compacting state, the obligations, duties, powers, or jurisdiction sought to be conferred by such provision upon the interstate commission shall be ineffective and such obligations, duties, powers, or jurisdiction shall remain in the compacting state and shall be exercised by the agency thereof to which such obligations, duties, powers, or jurisdiction are delegated

by law in effect at the time this compact becomes effective. [2003 c 180 § 1.]

13.32A.010 Legislative findings and intent. The legislature finds that within any group of people there exists a need for guidelines for acceptable behavior and that, presumptively, the experience and maturity of parents make them better qualified to establish guidelines beneficial to and protective of their children. The legislature further finds that it is the right and responsibility of adults to establish laws for the benefit and protection of the society; and that, in the same manner, the right and responsibility for establishing reasonable guidelines for the family unit belongs to the adults within that unit. Further, absent abuse or neglect, parents have the right to exercise control over their children. The legislature reaffirms its position stated in RCW 13.34.020 that the family unit is the fundamental resource of American life which should be nurtured and that it should remain intact in the absence of compelling evidence to the contrary.

The legislature recognizes there is a need for services and assistance for parents and children who are in conflict. These conflicts are manifested by children who exhibit various behaviors including: Running away, substance abuse, serious acting out problems, mental health needs, and other behaviors that endanger themselves or others.

The legislature finds many parents do not know their rights regarding their adolescent children and law enforcement. Parents and courts feel they have insufficient legal recourse for the chronic runaway child who is endangering himself or herself through his or her behavior. The legislature further recognizes that for chronic runaways whose behavior puts them in serious danger of harming themselves or others, secure facilities must be provided to allow opportunities for assessment, treatment, and to assist parents and protect their children. The legislature intends to give tools to parents, courts, and law enforcement to keep families together and reunite them whenever possible.

The legislature recognizes that some children run away to protect themselves from abuse or neglect in their homes. Abused and neglected children should be dealt with pursuant to chapter 13.34 RCW and it is not the intent of the legislature to handle dependency matters under this chapter.

The legislature intends services offered under this chapter be on a voluntary basis whenever possible to children and their families and that the courts be used as a last resort.

The legislature intends to increase the safety of children through the preservation of families and the provision of assessment, treatment, and placement services for children in need of services and at-risk youth including services and assessments conducted under chapter 13.32A RCW and *RCW 74.13.033. Within available funds, the legislature

intends to provide these services through crisis residential centers in which children and youth may safely reside for a limited period of time. The time in residence shall be used to conduct an assessment of the needs of the children, youth, and their families. The assessments are necessary to identify appropriate services and placement options that will reduce the likelihood that children will place themselves in dangerous or life-threatening situations.

The legislature recognizes that crisis residential centers provide an opportunity for children to receive short-term necessary support and nurturing in cases where there may be abuse or neglect. The legislature intends that center staff provide an atmosphere of concern, care, and respect for children in the center and their parents.

The legislature intends to provide for the protection of children who, through their behavior, are endangering themselves. The legislature intends to provide appropriate residential services, including secure facilities, to protect, stabilize, and treat children with serious problems. The legislature further intends to empower parents by providing them with the assistance they require to raise their children. [2000 c 123 § 1; 1995 c 312 § 1; 1979 c 155 § 15.]

13.32A.015 At-risk youth services—Intent. It is the intent of the legislature to:

- (1) Preserve, strengthen, and reconcile families experiencing problems with at-risk youth;
- (2) Provide a legal process by which parents who are experiencing problems with at-risk youth can request and receive assistance from juvenile courts in providing appropriate care, treatment, and supervision to such youth; and
- (3) Assess the effectiveness of the family reconciliation services program.

The legislature does not intend by this enactment to grant any parent the right to file an at-risk youth petition or receive juvenile court assistance in dealing with an at-risk youth. The purpose of chapter 276, Laws of 1990 is to create a process by which a parent of an at-risk youth may request and receive assistance subject to the availability of juvenile court services and resources. Recognizing that these services and resources are limited, the legislature intends that counties have the authority to impose reasonable limits on the utilization of juvenile court services and resources in matters related to at-risk youth. Any responsibilities imposed upon the department under chapter 276, Laws of 1990 shall be contingent upon the availability of funds specifically appropriated by the legislature for such purpose. [1990 c 276 § 1.]

13.32A.020 Short title. This chapter shall be known and may be cited as the family reconciliation act. [1990 c 276 § 2; 1979 c 155 § 16.]

13.32A.040 Family reconciliation services. Families who are in conflict or who are experiencing problems with at-risk youth or a child who may be in need of services may request family reconciliation services from the department. 13.32A.082 Providing shelter to minor—Requirement to notify parent, law enforcement, or department.

(1)(a) Except as provided in (b) of this subsection, any person, unlicensed youth shelter, or runaway and homeless youth program that, without legal authorization, provides shelter to a minor and that knows at the time of providing the shelter that the minor is away from a lawfully prescribed residence or home without parental permission, shall promptly report the location of the child to the parent, the law enforcement agency of the jurisdiction in which the person lives, or the department.

(b)(i) If a licensed overnight youth shelter, or another licensed organization with a stated mission to provide services to homeless or runaway youth and their families, shelters a child and knows at the time of providing the shelter that the child is away from a lawfully prescribed residence or home without parental permission, it must contact the youth's parent within seventy-two hours, but preferably within twenty-four hours, following the time that the youth is admitted to the shelter or other licensed organization's program. The notification must include the whereabouts of the youth, a description of the youth's physical and emotional condition, and the circumstances surrounding the youth's contact with the shelter or organization. If there are compelling reasons not to notify the parent, the shelter or organization must instead notify the department.

(ii) At least once every eight hours after learning that a youth receiving services or shelter under this section is away from home without permission, the shelter or organization staff must consult the information that the Washington state

patrol makes publicly available under RCW 43.43.510(2). If the youth is publicly listed as missing, the shelter or organization must immediately notify the department of its contact with the youth listed as missing. The notification must include a description of the minor's physical and emotional condition and the circumstances surrounding the youth's contact with the shelter or organization.

(c) Reports required under this section may be made by telephone or any other reasonable means.

(2) Unless the context clearly requires otherwise, the definitions in this subsection apply throughout this section.

(a) "Shelter" means the person's home or any structure over which the person has any control.

(b) "Promptly report" means to report within eight hours after the person has knowledge that the minor is away from a lawfully prescribed residence or home without parental permission.

(c) "Compelling reasons" include, but are not limited to, circumstances that indicate that notifying the parent or legal guardian will subject the minor to abuse or neglect as defined in RCW 26.44.020.

(3) When the department receives a report under subsection (1) of this section, it shall make a good faith attempt to notify the parent that a report has been received and offer services designed to resolve the conflict and accomplish a reunification of the family.

(4) Nothing in this section prohibits any person, unlicensed youth shelter, or runaway and homeless youth program from immediately reporting the identity and location of any minor who is away from a lawfully prescribed residence or home without parental permission more promptly than required under this section. [2013 c 4 § 2; 2011 c 151 § 1; 2010 c 229 § 2; 2000 c 123 § 10; 1996 c 133 § 14; 1995 c 312 § 34.]

Effective date—2011 c 151 § 1: "Section 1 of this act takes effect July 1, 2012." [2011 c 151 § 2.]

Findings—2010 c 229: "The legislature finds that youth services provide safety to youth on the streets and are a critical pathway to ensuring the youth's return home. Runaway youth are without protection, live under the threat of violence, and fall victim to predators who exploit their vulnerability. The policy of this state is to provide assistance to youth in crisis and to protect and preserve families. In order to effectively serve youth on the streets and promote their safe return home, shelters must have the time to establish and maintain an environment that facilitates open communication and trust.

The legislature also finds that parents of runaway youth have an interest in knowing their sons and daughters are safe in a shelter, rather than on the streets without protection. The legislature further finds that law enforcement and the department can notify a parent that the youth is safe, without disclosing the youth's location or compromising the ability of youth services providers to effectively assist youth in crisis." 13.32A.125 Temporary out-of-home placement in semi-secure crisis residential center. In approving a petition under this chapter, a child may be placed in a semi-secure crisis residential center as a temporary out-of-home placement under the following conditions: (1) No other suitable out-of-home placement is available; (2) space is available in the semi-secure crisis residential center; and (3) no child will be denied access for a five-day placement due to this placement.

Any child referred to a semi-secure crisis residential center by a law enforcement officer, the department, or himself or herself shall have priority over a temporary out-of-home placement in the facility. Any out-of-home placement order shall be subject to this priority, and the administrator of the semi-secure crisis residential center shall transfer the temporary out-of-home placement youth to a new out-of-home placement as necessary to ensure access for youth needing the semi-secure crisis residential center. 13.32A.150 Out-of-home placement—Child in need of services petition by child or parent. (1) Except as otherwise provided in this chapter, the juvenile court shall not accept the filing of a child in need of services petition by the child or the parents or the filing of an at-risk youth petition by the parent, unless verification is provided that the department has completed a family assessment. The family assessment shall involve the multidisciplinary team if one exists. The family assessment or plan of services developed by the multidisciplinary team shall be aimed at family reconciliation, reunification, and avoidance of the out-of-home placement of the child. If the department is unable to complete an assessment within two working days following a request for assessment the child or the parents may proceed under subsection

(2) of this section or the parent may proceed under RCW 13.32A.191.

(2) A child or a child's parent may file with the juvenile court a child in need of services petition to approve an out-of-home placement for the child. The department shall, when requested, assist either a parent or child in the filing of the petition. The petition must be filed in the county where the parent resides. The petition shall allege that the child is a child in need of services and shall ask only that the placement of a child outside the home of his or her parent be approved. The filing of a petition to approve the placement is not dependent upon the court's having obtained any prior jurisdiction over the child or his or her parent, and confers upon the court a special jurisdiction to approve or disapprove an out-of-home placement under this chapter.

(3) A petition may not be filed if the child is the subject of a proceeding under chapter 13.34 RCW. [2000 c 123 § 17; 1996 c 133 § 20; 1995 c 312 § 16; 1992 c 205 § 208; 1990 c 276 § 10; 1989 c 269 § 1; 1981 c 298 § 11; 1979 c 155 § 29.]

(1) When a proper child in need of services petition to approve an out-of-home placement is filed under RCW 13.32A.120, 13.32A.140, or 13.32A.150 the juvenile court shall: (a)(i) Schedule a fact-finding hearing to be held: (A) For a child who resides in a place other than his or her parent's home and other than an out-of-home placement, within five calendar days unless the last calendar day is a Saturday, Sunday, or holiday, in which case the hearing shall be held on the preceding judicial day; or (B) for a child living at home or in an out-of-home placement, within ten days; and (ii) notify the parent, child, and the department of such date;

(2017 Ed.)

(b) notify the parent of the right to be represented by counsel and, if indigent, to have counsel appointed for him or her by the court; (c) appoint legal counsel for the child; (d) inform the child and his or her parent of the legal consequences of the court approving or disapproving a child in need of services petition; (e) notify the parents of their rights under this chapter and chapters 11.88, 13.34, *70.96A, and 71.34 RCW, including the right to file an at-risk youth petition, the right to submit an application for admission of their child to a treatment facility for alcohol, chemical dependency, or mental health treatment, and the right to file a guardianship petition; and (f) notify all parties, including the department, of their right to present evidence at the fact-finding hearing.

(2) Upon filing of a child in need of services petition, the child may be placed, if not already placed, by the department in a crisis residential center, foster family home, group home facility licensed under chapter 74.15 RCW, or any other suitable residence other than a HOPE center to be determined by the department. The court may place a child in a crisis residential center for a temporary out-of-home placement as long as the requirements of RCW 13.32A.125 are met.

(3) If the child has been placed in a foster family home or group care facility under chapter 74.15 RCW, the child shall remain there, or in any other suitable residence as determined by the department, pending resolution of the petition by the court. Any placement may be reviewed by the court within three judicial days upon the request of the juvenile or the juvenile's parent. 13.32A.170 Out-of-home placement—Fact-finding hearing. (1) The court shall hold a fact-finding hearing to consider a proper child in need of services petition, giving due weight to the intent of the legislature that families have the right to place reasonable restrictions and rules upon their children, appropriate to the individual child's developmental level. The court may appoint legal counsel and/or a guardian ad litem to represent the child and advise parents of their right to be represented by legal counsel. At the commencement of the hearing, the court shall advise the parents of their rights as set forth in RCW 13.32A.160(1). If the court approves or denies a child in need of services petition, a written statement of the reasons must be filed.

(2) The court may approve an order stating that the child shall be placed in a residence other than the home of his or her parent only if it is established by a preponderance of the evidence, including a departmental recommendation for approval or dismissal of the petition, that:

(a) The child is a child in need of services as defined in RCW 13.32A.030(5);

(b) If the petitioner is a child, he or she has made a reasonable effort to resolve the conflict;

(c) Reasonable efforts have been made to prevent or eliminate the need for removal of the child from the child's home and to make it possible for the child to return home; and

(d) A suitable out-of-home placement resource is available.

The court may not grant a petition filed by the child or the department if it is established that the petition is based only upon a dislike of reasonable rules or reasonable discipline established by the parent.

The court may not grant the petition if the child is the subject of a proceeding under chapter 13.34 RCW.

(3) Following the fact-finding hearing the court shall: (a) Approve a child in need of services petition and, if appropriate, enter a temporary out-of-home placement for a period not to exceed fourteen days pending approval of a disposition decision to be made under RCW 13.32A.179(2); (b) approve an at-risk youth petition filed by the parents and dismiss the child in need of services petition; or (c) dismiss the petition.

At any time the court may order the department to review the case to determine whether the case is appropriate for a dependency petition under chapter 13.34 RCW. [2000 c 123 § 20; 1996 c 133 § 23; 1995 c 312 § 18; 1989 c 269 § 3; 1987 c 524 § 1; 1985 c 257 § 10; 1984 c 188 § 1; 1981 c 298 § 12; 1979 c 155 § 31.]

13.32A.175 Out-of-home placement—Contribution to child's support—Enforcement of order. In any proceeding in which the court approves an out-of-home placement, the court shall inquire into the ability of parents to contribute to the child's support. If the court finds that the parents are able to contribute to the support of the child, the court shall order them to make such support payments as the court deems equitable. The court may enforce such an order by execution or in any way in which a court of equity may enforce its orders. However, payments shall not be required of a parent who has both opposed the placement and continuously sought reconciliation with, and the return of, the child. All orders entered in a proceeding approving out-of-home placement shall be in compliance with the provisions of RCW 26.23.050. [1995 c 312 § 19; 1987 c 435 § 13; 1981 c 298 § 15.]

13.32A.179 Out-of-home placement—Disposition hearing—Court order—Dispositional plan—Child subject to contempt proceedings—Dismissal of order at request of department or parent. (1) A disposition hearing shall be held no later than fourteen days after the approval of the temporary out-of-home placement. The parents, child, and department shall be notified by the court of the time and place of the hearing.

(2) At the conclusion of the disposition hearing, the court may: (a) Reunite the family and dismiss the petition; (b) approve an at-risk youth petition filed by the parents and dismiss the child in need of services petition; (c) approve an out-of-home placement requested in the child in need of services petition by the parents; or (d) order an out-of-home placement at the request of the child or the department not to exceed ninety days.

At any time the court may order the department to review the matter for purposes of filing a dependency petition under chapter 13.34 RCW. Whether or not the court approves or orders an out-of-home placement, the court may also order any conditions of supervision as set forth in RCW 13.32A.196(3).

(3) The court may only enter an order under subsection (2)(d) of this section if it finds by clear, cogent, and convincing evidence that: (a)(i) The order is in the best interest of the family; (ii) the parents have not requested an out-of-home placement; (iii) the parents have not exercised any other right listed in RCW 13.32A.160(1)(e); (iv) the child has made reasonable efforts to resolve the problems that led to the filing of the petition; (v) the problems cannot be resolved by delivery of services to the family during continued placement of the child in the parental home; (vi) reasonable efforts have been made to prevent or eliminate the need for removal of the child from the child's home and to make it possible for the child to return home; and (vii) a suitable out-of-home placement resource is available; (b)(i) the order is in the best interest of the child; and (ii) the parents are unavailable; or (c) the parent's actions cause an imminent threat to the child's health or safety.

(4) The court may order the department to submit a dispositional plan if such a plan would assist the court in ordering a suitable disposition in the case. The plan, if ordered, shall address the needs of the child, and the perceived needs of the parents if the order was entered under subsection (2)(d) of this section or if specifically agreed to by the parents. If the

parents do not agree or the order was not entered under subsection (2)(d) of this section the plan may only make recommendations regarding services in which the parents may voluntarily participate. If the court orders the department to prepare a plan, the department shall provide copies of the plan to the parent, the child, and the court. If the parties or the court desire the department to be involved in any future proceedings or case plan development, the department shall be provided with timely notification of all court hearings.

(5) A child who fails to comply with a court order issued under this section shall be subject to contempt proceedings, as provided in this chapter, but only if the noncompliance occurs within one year after the entry of the order.

(6) After the court approves or orders an out-of-home placement, the parents or the department may request, and the court may grant, dismissal of the child in need of services proceeding when it is not feasible for the department to provide services due to one or more of the following circumstances:

(a) The child has been absent from court approved placement for thirty consecutive days or more;

(b) The parents or the child, or all of them, refuse to cooperate in available, appropriate intervention aimed at reunifying the family; or

(c) The department has exhausted all available and appropriate resources that would result in reunification.

(7) The court shall dismiss a placement made under subsection (2)(c) of this section upon the request of the parents. [2000 c 123 § 21; 1997 c 146 § 7; 1996 c 133 § 24; 1995 c 312 § 20.]

(1) If the court orders a three-month out-of-home placement for the child, the court shall specify the person or agency with whom the child shall be placed, those parental powers which will be temporarily awarded to such agency or person including but not limited to the right to authorize medical, dental, and optical treatment, and parental visitation rights. Any agency or residence at which the child is placed must, at a minimum, comply with minimum standards for licensed family foster homes.

(2) No placement made pursuant to this section may be in a secure residence as defined by the federal Juvenile Justice and Delinquency Prevention Act of 1974. [1995 c 312 § 23; 1979 c 155 § 32.]

13.32A.190 Out-of-home placement dispositional order—Review hearings—Time limitation on out-of-home placement—Termination of placement at request of parent. (1) Upon making a dispositional order under RCW 13.32A.179, the court shall schedule the matter on the calendar for review within three months, advise the parties of the date thereof, appoint legal counsel and/or a guardian ad litem to represent the child at the review hearing, advise parents of their right to be represented by legal counsel at the review hearing, and notify the parties of their rights to present evidence at the hearing. Where resources are available, the

court shall encourage the parent and child to participate in programs for reconciliation of their conflict.

(2) At the review hearing, the court shall approve or disapprove the continuation of the dispositional plan in accordance with this chapter. The court shall determine whether reasonable efforts have been made to reunify the family and make it possible for the child to return home. The court shall discontinue the placement and order that the child return home if the court has reasonable grounds to believe that the parents have made reasonable efforts to resolve the conflict and the court has reason to believe that the child's refusal to return home is capricious. If out-of-home placement is continued, the court may modify the dispositional plan.

(3) Out-of-home placement may not be continued past one hundred eighty days from the day the review hearing commenced. The court shall order the child to return to the home of the parent at the expiration of the placement. If an out-of-home placement is disapproved prior to one hundred eighty days, the court shall enter an order requiring the child to return to the home of the child's parent.

(4) The parents and the department may request, and the juvenile court may grant, dismissal of an out-of-home placement order when it is not feasible for the department to provide services due to one or more of the following circumstances:

(a) The child has been absent from court approved placement for thirty consecutive days or more;

(b) The parents or the child, or all of them, refuse to cooperate in available, appropriate intervention aimed at reunifying the family; or

(c) The department has exhausted all available and appropriate resources that would result in reunification.

(5) The court shall terminate a placement made under this section upon the request of a parent unless the placement is made pursuant to RCW 13.32A.179(3).

(6) The court may dismiss a child in need of services petition filed by a parent at any time if the court finds good cause to believe that continuation of out-of-home placement would serve no useful purpose.

(7) The court shall dismiss a child in need of services proceeding if the child is the subject of a proceeding under chapter 13.34 RCW. [1996 c 133 § 25; 1995 c 312 § 24; 1989 c 269 § 5; 1984 c 188 § 2; 1981 c 298 § 13; 1979 c 155 § 33.]

13.32A.191 At-risk youth—Petition by parent. (1) A child's parent may file with the juvenile court a petition in the interest of a child alleged to be an at-risk youth. The department shall, when requested, assist the parent in filing the petition. The petition shall be filed in the county where the petitioner resides. The petition shall set forth the name, age, and residence of the child and the names and residence of the child's parents and shall allege that:

(a) The child is an at-risk youth;

(b) The petitioner has the right to legal custody of the child;

(c) Court intervention and supervision are necessary to assist the parent to maintain the care, custody, and control of the child; and

(d) Alternatives to court intervention have been attempted or there is good cause why such alternatives have not been attempted.

(2) The petition shall set forth facts that support the allegations in this section and shall generally request relief available under this chapter. The petition need not specify any proposed disposition following adjudication of the petition. The filing of an at-risk youth petition is not dependent upon the court's having obtained any prior jurisdiction over the child or his or her parent and confers upon the court the special jurisdiction to assist the parent in maintaining parental authority and responsibility for the child.

(3) A petition may not be filed if a dependency petition is pending under chapter 13.34 RCW. [2000 c 123 § 22; 1995 c 312 § 25.]

(a)(i) Schedule a fact-finding hearing to be held: (A) For a child who resides in a place other than his or her parent's home and other than an out-of-home placement, within five calendar days unless the last calendar day is a Saturday, Sunday, or holiday, in which case the hearing shall be held on the preceding judicial day; or (B) for a child living at home or in an out-of-home placement, within ten days; and (ii) notify the parent and the child of such date;

(b) Notify the parent of the right to be represented by counsel at the parent's own expense;

(c) Appoint legal counsel for the child;

(d) Inform the child and his or her parent of the legal consequences of the court finding the child to be an at-risk youth; and

(e) Notify the parent and the child of their rights to present evidence at the fact-finding hearing.

(2) Unless out-of-home placement of the child is otherwise authorized or required by law, the child shall reside in the home of his or her parent or in an out-of-home placement requested by the parent or child and approved by the parent.

(3) If upon sworn written or oral declaration of the petitioning parent, the court has reason to believe that a child has willfully and knowingly violated a court order issued pursuant to subsection (2) of this section, the court may issue an order directing law enforcement to take the child into custody and place the child in a juvenile detention facility or in a secure facility within a crisis residential center. If the child is placed in detention, a review shall be held as provided in *RCW 13.32A.065.

(4) If both a child in need of services petition and an at-risk youth petition have been filed with regard to the same child, the petitions and proceedings shall be consolidated as an at-risk youth petition. Pending a fact-finding hearing regarding the petition, the child may be placed in the parent's home or in an out-of-home placement if not already placed in a temporary out-of-home placement pursuant to a child in need of services petition. The child or the parent may request a review of the child's placement including a review of any court order requiring the child to reside in the parent's home. 13.32A.194 At-risk youth petition—Court procedures. (1) The court shall hold a fact-finding hearing to consider a proper at-risk youth petition. The court shall grant the petition and enter an order finding the child to be an at-risk youth if the allegations in the petition are established by a preponderance of the evidence, unless the child is the subject of a proceeding under chapter 13.34 RCW. If the petition is granted, the court shall enter an order requiring the child to reside in the home of his or her parent or in an out-of-home placement as provided in RCW 13.32A.192(2).

(2) The court may order the department to submit a dispositional plan if such a plan would assist the court in ordering a suitable disposition in the case. If the court orders the department to prepare a plan, the department shall provide copies of the plan to the parent, the child, and the court. If the parties or the court desire the department to be involved in any future proceedings or case plan development, the department shall be provided timely notification of all court hearings.

(3) If the court grants or denies an at-risk youth petition, a statement of the written reasons shall be entered into the records. If the court denies an at-risk youth petition, the court shall verbally advise the parties that the child is required to remain within the care, custody, and control of his or her parent. [2000 c 123 § 23; 1996 c 133 § 27; 1995 c 312 § 27; 1990 c 276 § 13.]

13.32A.196 At-risk youth petition—Dispositional hearing. (1) A dispositional hearing shall be held no later than fourteen days after the fact-finding hearing. Each party shall be notified of the time and date of the hearing.

(2) At the dispositional hearing regarding an adjudicated at-risk youth, the court shall consider the recommendations of the parties and the recommendations of any dispositional plan submitted by the department. The court may enter a dispositional order that will assist the parent in maintaining the care, custody, and control of the child and assist the family to resolve family conflicts or problems.

(3) The court may set conditions of supervision for the child that include:

(a) Regular school attendance;

(b) Counseling;

(c) Participation in a substance abuse or mental health outpatient treatment program;

(d) Reporting on a regular basis to the department or any other designated person or agency; and

(e) Any other condition the court deems an appropriate condition of supervision including but not limited to: Employment, participation in an anger management program, and refraining from using alcohol or drugs.

(4) No dispositional order or condition of supervision ordered by a court pursuant to this section shall include involuntary commitment of a child for substance abuse or mental health treatment.

(5) The court may order the parent to participate in counseling services or any other services for the child requiring parental participation. The parent shall cooperate with the court-ordered case plan and shall take necessary steps to help implement the case plan. The parent shall be financially responsible for costs related to the court-ordered plan; however, this requirement shall not affect the eligibility of the parent or child for public assistance or other benefits to which the parent or child may otherwise be entitled.

(6) The parent may request dismissal of an at-risk youth proceeding or out-of-home placement at any time. Upon such a request, the court shall dismiss the matter and cease court supervision of the child unless: (a) A contempt action is pending in the case; (b) a petition has been filed under RCW 13.32A.150 and a hearing has not yet been held under RCW 13.32A.179; or (c) an order has been entered under RCW 13.32A.179(3) and the court retains jurisdiction under that subsection. The court may retain jurisdiction over the matter for the purpose of concluding any pending contempt proceedings, including the full satisfaction of any penalties imposed as a result of a contempt finding.

(7) The court may order the department to monitor compliance with the dispositional order, assist in coordinating the provision of court-ordered services, and submit reports at subsequent review hearings regarding the status of the case. 13.32A.197 Disposition hearing—Additional orders for specialized treatment—Review hearings—Limitation—Use of state funds. (1) In a disposition hearing, after a finding that a child is a child in need of services or an at-risk youth, the court may adopt the additional orders authorized under this section if it finds that the child involved in those proceedings is not eligible for inpatient treatment for a mental health or substance abuse condition and requires specialized treatment. The court may order that a child be placed in a staff secure facility, other than a crisis residential center, that will provide for the child's participation in a program designed to remedy his or her behavioral difficulties or needs. The court may not enter this order unless, at the disposition hearing, it finds that the placement is clearly necessary to protect the child and that a less restrictive order would be inadequate to protect the child, given the child's age, maturity, propensity to run away from home, past exposure to serious risk when the child ran away from home, and possible future exposure to serious risk should the child run away from home again.

(2) The order shall require periodic court review of the placement, with the first review hearing conducted not more than thirty days after the date of the placement. At each review hearing the court shall advise the parents of their rights under RCW 13.32A.160(1), review the progress of the

child, and determine whether the orders are still necessary for the protection of the child or a less restrictive placement would be adequate. The court shall modify its orders as it finds necessary to protect the child. Reviews of orders adopted under this section are subject to the review provisions under RCW 13.32A.190 and 13.32.198 [13.32A.198].

(3) Placements in staff secure facilities under this section shall be limited to children who meet the statutory definition of a child in need of services or an at-risk youth as defined in RCW 13.32A.030.

(4) State funds may only be used to pay for placements under this section if, and to the extent that, such funds are appropriated to expressly pay for them. [1996 c 133 § 3.]

Findings—1996 c 133: "The legislature finds that no children should be exposed to the dangers inherent in living on the streets. The legislature further finds that there are children who are not mentally ill or chemically dependent who are living on the street in dangerous situations. These children through their at-risk behavior place themselves at great personal risk and danger. The legislature further finds that these children with at-risk behaviors should receive treatment for their problems that result in excessive opposition to parental authority." [1996 c 133 § 1.]

Intent—Construction—1996 c 133: "It is the intent of the legislature that the changes in this act be construed to expedite the administrative and judicial processes provided for in the existing and amended statutes to assist in assuring that children placed in a crisis residential center have an appropriate placement available to them at the conclusion of their stay at the center." [1996 c 133 § 38.]

13.32A.198 At-risk youth—Review by court. (1)

Upon making a disposition regarding an adjudicated at-risk youth, the court shall schedule the matter on the calendar for review within three months, advise the parties of the date thereof, appoint legal counsel for the child, advise the parent of the right to be represented by legal counsel at the review hearing at the parent's own expense, and notify the parties of their rights to present evidence at the hearing.

(2) At the review hearing, the court shall approve or disapprove the continuation of court supervision in accordance with the goal of assisting the parent to maintain the care, custody, and control of the child. The court shall determine whether the parent and child are complying with the dispositional plan. If court supervision is continued, the court may modify the dispositional plan.

(3) Court supervision of the child may not be continued past one hundred eighty days from the day the review hearing commenced unless the court finds, and the parent agrees, that there are compelling reasons for an extension of supervision. Any extension granted pursuant to this subsection shall not exceed ninety days.

(4) The court may dismiss an at-risk youth proceeding at any time if the court finds good cause to believe that continuation of court supervision would serve no useful purpose or that the parent is not cooperating with the court-ordered case plan. The court shall dismiss an at-risk youth proceeding if the child is the subject of a proceeding under chapter 13.34 RCW. [1990 c 276 § 15.]

Intent—1990 c 276: See RCW 13.32A.015.

13.32A.200 Hearings under chapter—Time or place—Public excluded. (1) All hearings pursuant to this chapter may be conducted at any time or place within the county of

the residence of the parent and such cases shall be heard in conjunction with the business of any other division of the superior court, except as provided in subsections (2) and (3) of this section.

(2) The public shall be excluded from a child in need of services hearing if the judicial officer finds that it is in the best interest of the child.

(3) The public shall be excluded from an at-risk youth hearing if:

(a) The judicial officer finds that it is in the best interest of the child; or

(b) Either parent requests that the public be excluded from the hearing.

(4) At the beginning of the at-risk youth hearing, the judicial officer shall notify the parents that either parent has the right to request that the public be excluded from the at-risk youth hearing.

(5) If the public is excluded from hearings under subsection (2) or (3) of this section, only such persons who are found by the court to have a direct interest in the case or the work of the court shall be admitted to the proceedings. [2007 c 213 § 1; 2000 c 123 § 25; 1979 c 155 § 34.]

13.32A.205 Acceptance of petitions by court—Damages. No superior court may refuse to accept for filing a properly completed and presented child in need of services petition or an at-risk youth petition. To be properly presented, the petitioner shall verify that the family assessment required under RCW 13.32A.150 has been completed. In the event of an improper refusal that is appealed and reversed, the petitioner shall be awarded actual damages, costs, and attorneys' fees. [1995 c 312 § 32.]

13.32A.210 Foster home placement—Parental preferences. In an attempt to minimize the inherent intrusion in the lives of families involved in the foster care system and to maintain parental authority where appropriate, the department, absent good cause, shall follow the wishes of the natural parent regarding the placement of the child. Preferences such as family constellation, ethnicity, and religion shall be given consideration when matching children to foster homes. Parental authority is appropriate in areas that are not connected with the abuse or neglect that resulted in the dependency and should be integrated through the foster care team. [1990 c 284 § 24.]

Finding—Effective date—1990 c 284: See notes following RCW 74.13.250.

13.32A.250 Failure to comply with order as civil contempt—Motion—Penalties. (1) In all child in need of services proceedings and at-risk youth proceedings, the court shall verbally notify the parents and the child of the possibility of a finding of contempt for failure to comply with the terms of a court order entered pursuant to this chapter. Except as otherwise provided in this section, the court shall treat the parents and the child equally for the purposes of applying contempt of court processes and penalties under this section.

(2) Failure by a party to comply with an order entered under this chapter is a civil contempt of court as provided in

RCW 7.21.030(2)(e), subject to the limitations of subsection (3) of this section.

(3) The court may impose remedial sanctions including a fine of up to one hundred dollars and confinement for up to seven days, or both for contempt of court under this section.

(4) A child placed in confinement for contempt under this section shall be placed in confinement only in a secure juvenile detention facility operated by or pursuant to a contract with a county.

(5) A motion for contempt may be made by a parent, a child, juvenile court personnel, or by any public agency, organization, or person having custody of the child under a court order adopted pursuant to this chapter.

(6) Whenever the court finds probable cause to believe, based upon consideration of a motion for contempt and the information set forth in a supporting declaration, that a child has violated a placement order entered under this chapter, the court may issue an order directing law enforcement to pick up and take the child to detention. The order may be entered ex parte without prior notice to the child or other parties. Following the child's admission to detention, a detention review hearing must be held in accordance with *RCW 13.32A.065. [2000 c 162 § 14; 2000 c 162 § 4; 1998 c 296 § 37; 1996 c 133 § 28; 1995 c 312 § 29; 1990 c 276 § 16. Prior: 1989 c 373 § 16; 1989 c 269 § 4; 1981 c 298 § 14.]

13.32A.270 Youth who have been diverted—Alleged prostitution or prostitution loitering offenses—Services and treatment. Within available funding, when a youth who has been diverted under RCW 13.40.070 for an alleged offense of prostitution or prostitution loitering is referred to the department, the department shall connect that child with the services and treatment specified in RCW *74.14B.060 and 74.14B.070. 13.32A.300 No entitlement to services created by chapter. Nothing in this chapter shall be construed to create an entitlement to services nor to create judicial authority to order the provision at public expense of services to any person or family where the department has determined that such services are unavailable or unsuitable or that the child or family are not eligible for such services. 13.34.020 Legislative declaration of family unit as resource to be nurtured—Rights of child. The legislature declares that the family unit is a fundamental resource of American life which should be nurtured. Toward the continuance of this principle, the legislature declares that the family unit should remain intact unless a child's right to conditions of basic nurture, health, or safety is jeopardized. When the rights of basic nurture, physical and mental health, and safety of the child and the legal rights of the parents are in conflict, the rights and safety of the child should prevail. In making reasonable efforts under this chapter, the child's health and safety shall be the paramount concern. The right of a child to basic nurturing includes the right to a safe, stable, and permanent home and a speedy resolution of any proceeding under this chapter. [1998 c 314 § 1; 1990 c 284 § 31; 1987 c 524 § 2; 1977 ex.s. c 291 § 30.]

13.34.025 Child dependency cases—Coordination of services—Remedial services. (1) The department and supervising agencies shall develop methods for coordination of services to parents and children in child dependency cases. To the maximum extent possible under current funding levels, the department and supervising agencies must:

(a) Coordinate and integrate services to children and families, using service plans and activities that address the children's and families' multiple needs, including ensuring that siblings have regular visits with each other, as appropriate. Assessment criteria should screen for multiple needs;

(b) Develop treatment plans for the individual needs of the client in a manner that minimizes the number of contacts the client is required to make; and

(c) Access training for department and supervising agency staff to increase skills across disciplines to assess needs for mental health, substance abuse, developmental disabilities, and other areas.

(2) The department shall coordinate within the administrations of the department, and with contracted service providers including supervising agencies, to ensure that parents in dependency proceedings under this chapter receive priority access to remedial services recommended by the department or supervising agency in its social study or ordered by the court for the purpose of correcting any parental deficiencies identified in the dependency proceeding that are capable of being corrected in the foreseeable future. Services may also be provided to caregivers other than the parents as identified in RCW 13.34.138.

(a) For purposes of this chapter, remedial services are those services defined in the federal adoption and safe families act as time-limited family reunification services. Remedial services include individual, group, and family counseling; substance abuse treatment services; mental health services; assistance to address domestic violence; services designed to provide temporary child care and therapeutic services for families; and transportation to or from any of the above services and activities.

(b) The department shall provide funds for remedial services if the parent is unable to pay to the extent funding is appropriated in the operating budget or otherwise available to the department for such specific services. As a condition for receiving funded remedial services, the court may inquire into the parent's ability to pay for all or part of such services or may require that the parent make appropriate applications for funding to alternative funding sources for such services.

(c) If court-ordered remedial services are unavailable for any reason, including lack of funding, lack of services, or language barriers, the department or supervising agency shall promptly notify the court that the parent is unable to engage in the treatment due to the inability to access such services.

(d) This section does not create an entitlement to services and does not create judicial authority to order the provision of services except for the specific purpose of making reasonable efforts to remedy parental deficiencies identified in a dependency proceeding under this chapter. [2009 c 520 § 20; 2007 c 410 § 2; 2002 c 52 § 2; 2001 c 256 § 2.]

Short title—2007 c 410: See note following RCW 13.34.138.

Intent—2002 c 52: "It is the intent of the legislature to recognize that those sibling relationships a child has are an integral aspect of the family unit, which should be nurtured. The legislature presumes that nurturing the existing sibling relationships is in the best interest of a child, in particular in those situations where a child cannot be with their parents, guardians, or legal custodians as a result of court intervention." [2002 c 52 § 1.]

Finding—2001 c 256: "The department of social and health services serves parents and children with multiple needs, which cannot be resolved in isolation. Further, the complexity of service delivery systems is a barrier for families in crisis when a child is removed or a parent is removed from the home. The department must undertake efforts to streamline the delivery of services." [2001 c 256 § 1.]

Findings—2013 c 182: "The legislature believes that youth residing in foster care are capable of achieving success in school with appropriate support. Youth residing in foster care in Washington state lag behind their non-foster youth peers in educational outcomes. Reasonable efforts by the department of social and health services to monitor educational outcomes and encourage academic achievement for youth in out-of-home care should be a responsibility of the child welfare system. When a youth is removed from his or her school district, it is the expectation of the legislature that the department of social and health services recognizes [recognize] the impact this move may have on a youth's academic success and provide the youth with necessary supports to be successful in school. The legislature believes that active oversight and advocacy by an educational liaison and collaborations will encourage youth to reach their fullest academic potential." [2013 c 182 § 1.]

Legislative finding—1983 c 311: "The legislature finds that in order for the state to receive federal funds for family foster care under Title IV-B and Title IV-E of the social security act, all children in family foster care must be subjected to periodic court review. Unfortunately, this includes children who are developmentally disabled and who are placed in family foster care solely because their parents have determined that the children's service needs require out-of-home placement. Except for providing such needed services, the parents of these children are completely competent to care for the children. The legislature intends by this act to minimize the embarrassment and inconvenience of developmentally disabled persons and their families caused by complying with these federal requirements." - (b) Parents are unavailable because of incarceration or other limitations;
- (c) The court has restricted contact between the youth and parents; or
- (d) The youth is placed in a behavioral rehabilitative setting and the court has limited the educational rights of parents.

(2) If a child is placed in the custody of the department at the shelter care hearing, the department shall recommend the identified educational liaison at the shelter care hearing and all subsequent review hearings for the given case. The purpose of identifying the educational liaison at each hearing during the dependency case is to determine if the identified educational liaison remains appropriate for the case as youth change placements.

(3) It is presumed that the educational liaison is the youth's parent. If a youth's parent is not able to serve as the educational liaison, the department must identify another person to act as the educational liaison. It is preferred that the educational liaison be known to the youth and be a relative, other suitable person as described in RCW 13.34.130(1)(b), or the youth's foster parent. Birth parents with a primary plan of family reunification may serve as the educational liaison. The identified educational liaison should be a person committed to providing enduring educational support to the

youth. If the department is not able to identify an adult with an existing relationship to the youth who is able to serve as the educational liaison, the court may appoint another adult as the educational liaison, such as the court-appointed special advocate if applicable, but may not appoint the youth's caseworker. In the event that any party disagrees with the department's recommendation, the court shall determine who will serve as the educational liaison based on who is most appropriate and available to act in the youth's educational interest. [2013 c 182 § 3.]

Findings—2013 c 182: See note following RCW 13.34.030.

13.34.046 Educational liaison—Responsibilities—Background checks. (1) Unless otherwise directed by the court, the responsibilities of the educational liaison for a youth subject to a proceeding under this chapter include, but are not limited to, the following:

- (a) To attend educational meetings and dependency hearings;
- (b) To meet with local school personnel at regular intervals regarding the youth's educational performance and academic needs;
- (c) To seek to understand the youth's academic strengths, areas of concern, and future life goals;
- (d) To advocate for necessary educational services;
- (e) To join in decision-making processes regarding appropriate school placements, school coursework, personal future, and educational planning;
- (f) To explore opportunities and barriers for youth to participate in extracurricular activities;
- (g) To involve youth in educational decisions as developmentally appropriate;
- (h) To keep all information regarding the youth confidential except as required pursuant to lawful order of a court; and
- (i) To provide a written or verbal report to the court during each dependency hearing. The report must include information about the youth's educational progress, experience in school, and the educational liaison's and youth's recommendations regarding needed services in school or the community.

(2) The educational liaison may serve as the surrogate parent or educational representative under federal law.

(3) The educational liaison may have access to all educational records pertaining to the youth involved in the case, without the consent of a parent or guardian of the child, or if the child is under thirteen years of age.

(4) The educational liaison is a volunteer and not compensated for services.

(5) The educational liaison must complete background checks as required by the department. [2013 c 182 § 5.]

Findings—2013 c 182: See note following RCW 13.34.030.

13.34.050 Court order to take child into custody, when—Hearing. (1) The court may enter an order directing a law enforcement officer, probation counselor, or child protective services official to take a child into custody if:

- (a) A petition is filed with the juvenile court alleging that the child is dependent and that the child's health, safety, and welfare will be seriously endangered if not taken into custody;
- (b) an affidavit or declaration is filed by the department in support

of the petition setting forth specific factual information evidencing reasonable grounds that the child's health, safety, and welfare will be seriously endangered if not taken into custody and at least one of the grounds set forth demonstrates a risk of imminent harm to the child. "Imminent harm" for purposes of this section shall include, but not be limited to, circumstances of sexual abuse, sexual exploitation as defined in RCW 26.44.020, and a parent's failure to perform basic parental functions, obligations, and duties as the result of substance abuse; and (c) the court finds reasonable grounds to believe the child is dependent and that the child's health, safety, and welfare will be seriously endangered if not taken into custody.

(2) Any petition that does not have the necessary affidavit or declaration demonstrating a risk of imminent harm requires that the parents are provided notice and an opportunity to be heard before the order may be entered.

(3) The petition and supporting documentation must be served on the parent, and if the child is in custody at the time the child is removed, on the entity with custody other than the parent. Failure to effect service does not invalidate the petition if service was attempted and the parent could not be found. [2005 c 512 § 9; 2000 c 122 § 3; 1998 c 328 § 1; 1979 c 155 § 38; 1977 ex.s. c 291 § 33.]

13.34.055 Custody by law enforcement officer—Release from liability. (1) A law enforcement officer shall take into custody a child taken in violation of RCW 9A.40.060 or 9A.40.070. The law enforcement officer shall make every reasonable effort to avoid placing additional trauma on the child by obtaining such custody at times and in a manner least disruptive to the child. The law enforcement officer shall return the child to the person or agency having the right to physical custody unless the officer has reasonable grounds to believe the child should be taken into custody under RCW 13.34.050 or 26.44.050. If there is no person or agency having the right to physical custody available to take custody of the child, the officer may place the child in shelter care as provided in RCW 13.34.060.

(2) A law enforcement officer or public employee acting reasonably and in good faith shall not be held liable in any civil action for returning the child to a person having the apparent right to physical custody. [1984 c 95 § 4.]

13.34.060 Shelter care—Placement—Custody—Duties of parties. (1) A child taken into custody pursuant to RCW 13.34.050 or 26.44.050 shall be immediately placed in shelter care. A child taken by a relative of the child in violation of RCW 9A.40.060 or 9A.40.070 shall be placed in shelter care only when permitted under RCW 13.34.055. No child may be held longer than seventy-two hours, excluding Saturdays, Sundays, and holidays, after such child is taken into custody unless a court order has been entered for continued shelter care. In no case may a child who is taken into custody pursuant to RCW 13.34.055, 13.34.050, or 26.44.050 be detained in a secure detention facility.

(2) Unless there is reasonable cause to believe that the health, safety, or welfare of the child would be jeopardized or that the efforts to reunite the parent and child will be hindered, priority placement for a child in shelter care, pending a court hearing, shall be with any person described in RCW 74.15.020(2)(a) or 13.34.130(1)(b). The person must be willing and available to care for the child and be able to meet any special needs of the child and the court must find that such placement is in the best interests of the child. The person must be willing to facilitate the child's visitation with siblings, if such visitation is part of the supervising agency's plan or is ordered by the court. If a child is not initially placed with a relative or other suitable person requested by the parent pursuant to this section, the supervising agency shall make an effort within available resources to place the child with a relative or other suitable person requested by the parent on the next business day after the child is taken into custody. The supervising agency shall document its effort to place the child with a relative or other suitable person requested by the parent pursuant to this section. Nothing within this subsection (2) establishes an entitlement to services or a right to a particular placement.

(3) Whenever a child is taken into custody pursuant to this section, the supervising agency may authorize evaluations of the child's physical or emotional condition, routine medical and dental examination and care, and all necessary emergency care. [2007 c 413 § 3; 2002 c 52 § 4; 2000 c 122 § 4; 1999 c 17 § 2; 1998 c 328 § 2; 1990 c 246 § 1; 1987 c 524 § 4. Prior: 1984 c 188 § 3; 1984 c 95 § 5; 1983 c 246 § 1; 1982 c 129 § 5; 1979 c 155 § 39; 1977 ex.s. c 291 § 34.]

Severability—2007 c 413: See note following RCW 13.34.215.

Intent—2002 c 52: See note following RCW 13.34.025.

Finding—1999 c 17: "The legislature has found that any intervention into the life of a child is also an intervention in the life of the parent, guardian, or legal custodian, and that the bond between child and parent is a critical element of child development. The legislature now also finds that children who cannot be with their parents, guardians, or legal custodians are best cared for, whenever possible and appropriate by family members with whom they have a relationship. This is particularly important when a child cannot be in the care of a parent, guardian, or legal custodian as a result of a court intervention." [1999 c 17 § 1.]

13.34.062 Shelter care—Notice of custody and rights. (1)(a) Whenever a child is taken into custody by child protective services pursuant to a court order issued under RCW 13.34.050 or when child protective services is notified that a child has been taken into custody pursuant to RCW 26.44.050 or 26.44.056, child protective services shall make reasonable efforts to inform the parent, guardian, or legal custodian of the fact that the child has been taken into custody, the reasons why the child was taken into custody, and their legal rights under this title, including the right to a shelter care hearing, as soon as possible. Notice must be provided in an understandable manner and take into consideration the parent's, guardian's, or legal custodian's primary language, level of education, and cultural issues.

(b) In no event shall the notice required by this section be provided to the parent, guardian, or legal custodian more than twenty-four hours after the child has been taken into custody or twenty-four hours after child protective services has been notified that the child has been taken into custody.

(2)(a) The notice of custody and rights may be given by any means reasonably certain of notifying the parents including, but not limited to, written, telephone, or in person oral notification. If the initial notification is provided by a means other than writing, child protective services shall make reasonable efforts to also provide written notification.

(b) The written notice of custody and rights required by this section shall be in substantially the following form:

"NOTICE

Your child has been placed in temporary custody under the supervision of Child Protective Services (or other person or agency). You have important legal rights and you must take steps to protect your interests.

1. A court hearing will be held before a judge within 72 hours of the time your child is taken into custody excluding Saturdays, Sundays, and holidays. You should call the court at (insert appropriate phone number here) for specific information about the date, time, and location of the court hearing.

2. You have the right to have a lawyer represent you at the hearing. Your right to representation continues after the shelter care hearing. You have the right to records the department intends to rely upon. A lawyer can look at the files in your case, talk to child protective services and other agencies, tell you about the law, help you understand your rights, and help you at hearings. If you cannot afford a lawyer, the court will appoint one to represent you. To get a court-appointed lawyer you must contact: (explain local procedure).

3. At the hearing, you have the right to speak on your own behalf, to introduce evidence, to examine witnesses, and to receive a decision based solely on the evidence presented to the judge.

4. If your hearing occurs before a court commissioner, you have the right to have the decision of the court commissioner reviewed by a superior court judge. To obtain that review, you must, within ten days after the entry of the decision of the court commissioner, file with the court a motion for revision of the decision, as provided in RCW 2.24.050.

You should be present at any shelter care hearing. If you do not come, the judge will not hear what you have to say.

You may call the Child Protective Services' caseworker for more information about your child. The caseworker's name and telephone number are: (insert name and telephone number).

5. You have a right to a case conference to develop a written service agreement following the shelter care hearing. The service agreement may not conflict with the court's order of shelter care. You may request that a multidisciplinary team, family group conference, or prognostic staffing be convened for your child's case. You may participate in these processes with your counsel present.

6. If your child is placed in the custody of the department of social and health services or other supervising agency, immediately following the shelter care hearing, the court will enter an order granting the department or other supervising agency the right to inspect and copy all health, medical, mental health, and education records of the child, directing health care providers to release such information without your further consent, and granting the department or supervising

agency or its designee the authority and responsibility, where applicable, to:

- (1) Notify the child's school that the child is in out-of-home placement;
- (2) Enroll the child in school;
- (3) Request the school transfer records;
- (4) Request and authorize evaluation of special needs;
- (5) Attend parent or teacher conferences;
- (6) Excuse absences;
- (7) Grant permission for extracurricular activities;
- (8) Authorize medications which need to be administered during school hours and sign for medical needs that arise during school hours; and
- (9) Complete or update school emergency records.

7. If the court decides to place your child in the custody of the department of social and health services or other supervising agency, the department or agency will create a permanency plan for your child, including a primary placement goal and secondary placement goal. The department or agency also will recommend that the court order services for your child and for you, if needed. The department or agency is required to make reasonable efforts to provide you with services to address your parenting problems, and to provide you with visitation with your child according to court orders. Failure to promptly engage in services or to maintain contact with your child may lead to the filing of a petition to terminate your parental rights.

8. Primary and secondary permanency plans are intended to run at the same time so that your child will have a permanent home as quickly as possible. Absent good cause, and when appropriate, the department or other supervising agency must follow the wishes of a natural parent regarding placement of a child. You should tell your lawyer and the court where you wish your child placed immediately, including whether you want your child placed with you, with a relative, or with another suitable person. You also should tell your lawyer and the court what services you feel are necessary and your wishes regarding visitation with your child. Even if you want another parent or person to be the primary placement choice for your child, you should tell your lawyer, the department or other supervising agency, and the court if you want to be a secondary placement option, and you should comply with court orders for services and participate in visitation with your child. Early and consistent involvement in your child's case plan is important for the well-being of your child.

9. A dependency petition begins a judicial process, which, if the court finds your child dependent, could result in substantial restrictions including, the entry or modification of a parenting plan or residential schedule, nonparental custody order or decree, guardianship order, or permanent loss of your parental rights."

Upon receipt of the written notice, the parent, guardian, or legal custodian shall acknowledge such notice by signing a receipt prepared by child protective services. If the parent, guardian, or legal custodian does not sign the receipt, the reason for lack of a signature shall be written on the receipt. The receipt shall be made a part of the court's file in the dependency action.

If after making reasonable efforts to provide notification, child protective services is unable to determine the whereabouts of the parents, guardian, or legal custodian, the notice shall be delivered or sent to the last known address of the parent, guardian, or legal custodian.

(3) If child protective services is not required to give notice under this section, the juvenile court counselor assigned to the matter shall make all reasonable efforts to advise the parents, guardian, or legal custodian of the time and place of any shelter care hearing, request that they be present, and inform them of their basic rights as provided in RCW 13.34.090.

(4) Reasonable efforts to advise and to give notice, as required in this section, shall include, at a minimum, investigation of the whereabouts of the parent, guardian, or legal custodian. If such reasonable efforts are not successful, or the parent, guardian, or legal custodian does not appear at the shelter care hearing, the petitioner shall testify at the hearing or state in a declaration:

(a) The efforts made to investigate the whereabouts of, and to advise, the parent, guardian, or custodian; and

(b) Whether actual advice of rights was made, to whom it was made, and how it was made, including the substance of any oral communication or copies of written materials used. [2009 c 477 § 2. Prior: 2007 c 413 § 4; 2007 c 409 § 5; 2004 c 147 § 2; 2001 c 332 § 2; 2000 c 122 § 5.]

Findings—Intent—2009 c 477: "The legislature finds that when children have been found dependent and placed in out-of-home care, the likelihood of reunification with their parents diminishes significantly after fifteen months. The legislature also finds that early and consistent parental engagement in services and participation in appropriate parent-child contact and visitation increases the likelihood of successful reunifications. The legislature intends to promote greater awareness among parents in dependency cases of the importance of active participation in services, visitation, and case planning for the child, and the risks created by failure to participate in their child's case over the long term." [2009 c 477 § 1.]

Severability—2007 c 413: See note following RCW 13.34.215.

13.34.065 Shelter care—Hearing—Recommendation as to further need—Release. (1)(a) When a child is taken into custody, the court shall hold a shelter care hearing within seventy-two hours, excluding Saturdays, Sundays, and holidays. The primary purpose of the shelter care hearing is to determine whether the child can be immediately and safely returned home while the adjudication of the dependency is pending.

(b) Any parent, guardian, or legal custodian who for good cause is unable to attend the shelter care hearing may request that a subsequent shelter care hearing be scheduled. The request shall be made to the clerk of the court where the petition is filed prior to the initial shelter care hearing. Upon the request of the parent, the court shall schedule the hearing within seventy-two hours of the request, excluding Saturdays, Sundays, and holidays. The clerk shall notify all other parties of the hearing by any reasonable means.

(2)(a) If it is likely that the child will remain in shelter care longer than seventy-two hours, in those areas in which child welfare services are being provided by a supervising agency, the supervising agency shall assume case management responsibilities of the case. The department or supervis-

ing agency shall submit a recommendation to the court as to the further need for shelter care in all cases in which the child will remain in shelter care longer than the seventy-two hour period. In all other cases, the recommendation shall be submitted by the juvenile court probation counselor.

(b) All parties have the right to present testimony to the court regarding the need or lack of need for shelter care.

(c) Hearsay evidence before the court regarding the need or lack of need for shelter care must be supported by sworn testimony, affidavit, or declaration of the person offering such evidence.

(3)(a) At the commencement of the hearing, the court shall notify the parent, guardian, or custodian of the following:

(i) The parent, guardian, or custodian has the right to a shelter care hearing;

(ii) The nature of the shelter care hearing, the rights of the parents, and the proceedings that will follow; and

(iii) If the parent, guardian, or custodian is not represented by counsel, the right to be represented. If the parent, guardian, or custodian is indigent, the court shall appoint counsel as provided in RCW 13.34.090; and

(b) If a parent, guardian, or legal custodian desires to waive the shelter care hearing, the court shall determine, on the record and with the parties present, whether such waiver is knowing and voluntary. A parent may not waive his or her right to the shelter care hearing unless he or she appears in court and the court determines that the waiver is knowing and voluntary. Regardless of whether the court accepts the parental waiver of the shelter care hearing, the court must provide notice to the parents of their rights required under (a) of this subsection and make the finding required under subsection (4) of this section.

(4) At the shelter care hearing the court shall examine the need for shelter care and inquire into the status of the case. The paramount consideration for the court shall be the health, welfare, and safety of the child. At a minimum, the court shall inquire into the following:

(a) Whether the notice required under RCW 13.34.062 was given to all known parents, guardians, or legal custodians of the child. The court shall make an express finding as to whether the notice required under RCW 13.34.062 was given to the parent, guardian, or legal custodian. If actual notice was not given to the parent, guardian, or legal custodian and the whereabouts of such person is known or can be ascertained, the court shall order the department to make reasonable efforts to advise the parent, guardian, or legal custodian of the status of the case, including the date and time of any subsequent hearings, and their rights under RCW 13.34.090;

(b) Whether the child can be safely returned home while the adjudication of the dependency is pending;

(c) What efforts have been made to place the child with a relative. The court shall ask the parents whether the department discussed with them the placement of the child with a relative or other suitable person described in RCW 13.34.130(1)(b) and shall determine what efforts have been made toward such a placement;

(d) What services were provided to the family to prevent or eliminate the need for removal of the child from the child's home. If the dependency petition or other information before the court alleges that homelessness or the lack of suitable

housing was a significant factor contributing to the removal of the child, the court shall inquire as to whether housing assistance was provided to the family to prevent or eliminate the need for removal of the child or children;

(e) Is the placement proposed by the department or supervising agency the least disruptive and most family-like setting that meets the needs of the child;

(f) Whether it is in the best interest of the child to remain enrolled in the school, developmental program, or child care the child was in prior to placement and what efforts have been made to maintain the child in the school, program, or child care if it would be in the best interest of the child to remain in the same school, program, or child care;

(g) Appointment of a guardian ad litem or attorney;

(h) Whether the child is or may be an Indian child as defined in RCW 13.38.040, whether the provisions of the federal Indian child welfare act or chapter 13.38 RCW apply, and whether there is compliance with the federal Indian child welfare act and chapter 13.38 RCW, including notice to the child's tribe;

(i) Whether, as provided in RCW 26.44.063, restraining orders, or orders expelling an allegedly abusive household member from the home of a nonabusive parent, guardian, or legal custodian, will allow the child to safely remain in the home;

(j) Whether any orders for examinations, evaluations, or immediate services are needed. The court may not order a parent to undergo examinations, evaluation, or services at the shelter care hearing unless the parent agrees to the examination, evaluation, or service;

(k) The terms and conditions for parental, sibling, and family visitation.

(5)(a) The court shall release a child alleged to be dependent to the care, custody, and control of the child's parent, guardian, or legal custodian unless the court finds there is reasonable cause to believe that:

(i) After consideration of the specific services that have been provided, reasonable efforts have been made to prevent or eliminate the need for removal of the child from the child's home and to make it possible for the child to return home; and

(ii)(A) The child has no parent, guardian, or legal custodian to provide supervision and care for such child; or

(B) The release of such child would present a serious threat of substantial harm to such child, notwithstanding an order entered pursuant to RCW 26.44.063; or

(C) The parent, guardian, or custodian to whom the child could be released has been charged with violating RCW 9A.40.060 or 9A.40.070.

(b) If the court does not release the child to his or her parent, guardian, or legal custodian, the court shall order placement with a relative or other suitable person as described in RCW 13.34.130(1)(b), unless there is reasonable cause to believe the health, safety, or welfare of the child would be jeopardized or that the efforts to reunite the parent and child will be hindered. If such relative or other suitable person appears otherwise suitable and competent to provide care and treatment, the fingerprint-based background check need not be completed before placement, but as soon as possible after placement. The court must also determine whether placement with the relative or other suitable person is in the child's best

interests. The relative or other suitable person must be willing and available to:

(i) Care for the child and be able to meet any special needs of the child;

(ii) Facilitate the child's visitation with siblings, if such visitation is part of the supervising agency's plan or is ordered by the court; and

(iii) Cooperate with the department or supervising agency in providing necessary background checks and home studies.

(c) If the child was not initially placed with a relative or other suitable person, and the court does not release the child to his or her parent, guardian, or legal custodian, the supervising agency shall make reasonable efforts to locate a relative or other suitable person pursuant to RCW 13.34.060(1). In determining placement, the court shall weigh the child's length of stay and attachment to the current provider in determining what is in the best interest of the child.

(d) If a relative or other suitable person is not available, the court shall order continued shelter care and shall set forth its reasons for the order. If the court orders placement of the child with a person not related to the child and not licensed to provide foster care, the placement is subject to all terms and conditions of this section that apply to relative placements.

(e) Any placement with a relative, or other suitable person approved by the court pursuant to this section, shall be contingent upon cooperation with the department's or supervising agency's case plan and compliance with court orders related to the care and supervision of the child including, but not limited to, court orders regarding parent-child contacts, sibling contacts, and any other conditions imposed by the court. Noncompliance with the case plan or court order is grounds for removal of the child from the home of the relative or other suitable person, subject to review by the court.

(f) Uncertainty by a parent, guardian, legal custodian, relative, or other suitable person that the alleged abuser has in fact abused the child shall not, alone, be the basis upon which a child is removed from the care of a parent, guardian, or legal custodian under (a) of this subsection, nor shall it be a basis, alone, to preclude placement with a relative or other suitable person under (b) of this subsection.

(6)(a) A shelter care order issued pursuant to this section shall include the requirement for a case conference as provided in RCW 13.34.067. However, if the parent is not present at the shelter care hearing, or does not agree to the case conference, the court shall not include the requirement for the case conference in the shelter care order.

(b) If the court orders a case conference, the shelter care order shall include notice to all parties and establish the date, time, and location of the case conference which shall be no later than thirty days before the fact-finding hearing.

(c) The court may order another conference, case staffing, or hearing as an alternative to the case conference required under RCW 13.34.067 so long as the conference, case staffing, or hearing ordered by the court meets all requirements under RCW 13.34.067, including the requirement of a written agreement specifying the services to be provided to the parent.

(7)(a) A shelter care order issued pursuant to this section may be amended at any time with notice and hearing thereon. The shelter care decision of placement shall be modified only

upon a showing of change in circumstances. No child may be placed in shelter care for longer than thirty days without an order, signed by the judge, authorizing continued shelter care.

(b)(i) An order releasing the child on any conditions specified in this section may at any time be amended, with notice and hearing thereon, so as to return the child to shelter care for failure of the parties to conform to the conditions originally imposed.

(ii) The court shall consider whether nonconformance with any conditions resulted from circumstances beyond the control of the parent, guardian, or legal custodian and give weight to that fact before ordering return of the child to shelter care.

(8)(a) If a child is returned home from shelter care a second time in the case, or if the supervisor of the caseworker deems it necessary, the multidisciplinary team may be reconvened.

(b) If a child is returned home from shelter care a second time in the case a law enforcement officer must be present and file a report to the department. [2013 c 162 § 6; 2011 c 309 § 24. Prior: 2009 c 520 § 22; 2009 c 491 § 1; 2009 c 477 § 3; 2009 c 397 § 2; 2008 c 267 § 2; 2007 c 413 § 5; 2001 c 332 § 3; 2000 c 122 § 7.]

13.34.067 Shelter care—Case conference—Service agreement. (1)(a) Following shelter care and no later than thirty days prior to fact-finding, the department or supervising agency shall convene a case conference as required in the shelter care order to develop and specify in a written service agreement the expectations of both the department or supervising agency and the parent regarding voluntary services for the parent.

(b) The case conference shall include the parent, counsel for the parent, caseworker, counsel for the state, guardian ad litem, counsel for the child, and any other person agreed upon by the parties. Once the shelter care order is entered, the department or supervising agency is not required to provide additional notice of the case conference to any participants in the case conference.

(c) The written service agreement expectations must correlate with the court's findings at the shelter care hearing. The written service agreement must set forth specific services to be provided to the parent.

(d) The case conference agreement must be agreed to and signed by the parties. The court shall not consider the content of the discussions at the case conference at the time of the fact-finding hearing for the purposes of establishing that the child is a dependent child, and the court shall not consider any documents or written materials presented at the case conference but not incorporated into the case conference agreement, unless the documents or written materials were prepared for purposes other than or as a result of the case conference and are otherwise admissible under the rules of evidence.

(2) At any other stage in a dependency proceeding, the department or supervising agency, upon the parent's request, shall convene a case conference.

(1) Upon the filing of the petition, the petitioner shall issue a summons, one directed to the child, if the child is twelve or more years of age, and another to the parents, guardian, or custodian, and such other persons as appear to the court to be proper or necessary parties to the proceedings, requiring them to appear personally before the court at the time fixed to hear the petition. If the child is developmentally disabled and not living at home, the notice shall be given to the child's custo-

dian as well as to the child's parent. The developmentally disabled child shall not be required to appear unless requested by the court. When the custodian is summoned, the parent or guardian or both shall also be served with a summons. The fact-finding hearing on the petition shall be held no later than seventy-five days after the filing of the petition, unless exceptional reasons for a continuance are found. The party requesting the continuance shall have the burden of proving by a preponderance of the evidence that exceptional circumstances exist. To ensure that the hearing on the petition occurs within the seventy-five day time limit, the court shall schedule and hear the matter on an expedited basis.

(2) A copy of the petition shall be attached to each summons.

(3) The summons shall advise the parties of the right to counsel. The summons shall also inform the child's parent, guardian, or legal custodian of his or her right to appointed counsel, if indigent, and of the procedure to use to secure appointed counsel.

(4) The summons shall advise the parents that they may be held responsible for the support of the child if the child is placed in out-of-home care.

(5) The judge may endorse upon the summons an order directing any parent, guardian, or custodian having the custody or control of the child to bring the child to the hearing.

(6) If it appears from affidavit or sworn statement presented to the judge that there is probable cause for the issuance of a warrant of arrest or that the child needs to be taken into custody pursuant to RCW 13.34.050, the judge may endorse upon the summons an order that an officer serving the summons shall at once take the child into custody and take him or her to the place of shelter designated by the court.

(7) If the person summoned as provided in this section is subject to an order of the court pursuant to subsection (5) or (6) of this section, and if the person fails to abide by the order, he or she may be proceeded against as for contempt of court. The order endorsed upon the summons shall conspicuously display the following legend:

NOTICE:

FOR CONTEMPT OF COURT
PURSUANT TO RCW 13.34.070.

(8) If a party to be served with a summons can be found within the state, the summons shall be served upon the party personally as soon as possible following the filing of the petition, but in no case later than fifteen court days before the fact-finding hearing, or such time as set by the court. If the party is within the state and cannot be personally served, but the party's address is known or can with reasonable diligence be ascertained, the summons may be served upon the party by mailing a copy by certified mail as soon as possible following the filing of the petition, but in no case later than fifteen court days before the hearing, or such time as set by the court. If a party other than the child is without the state but can be found or the address is known, or can with reasonable diligence be ascertained, service of the summons may be made either by delivering a copy to the party personally or by mailing a copy thereof to the party by certified mail at least ten court days

before the fact-finding hearing, or such time as set by the court.

(9) Service of summons may be made under the direction of the court by any person eighteen years of age or older who is not a party to the proceedings or by any law enforcement officer, probation counselor, or department employee.

(10) Whenever the court or the petitioning party in a proceeding under this chapter knows or has reason to know that an Indian child as defined in RCW 13.38.040 is involved, the petitioning party shall promptly provide notice to the child's parent or Indian custodian and to the agent designated by the child's Indian tribe to receive such notices. Notice shall comply with RCW 13.38.070. (2) Publication may proceed simultaneously with efforts to provide service in person or by mail, when the court determines there is reason to believe that service in person or by mail will not be successful. Notice shall be directed to the parent, parents, or other person claiming the right to the custody of the child, if their names are known. If their names are unknown, the phrase "To whom it may concern" shall be used, apply to, and be binding upon, those persons whose names are unknown. The name of the court, the name of the child (or children if of one family), the date of the filing of the petition, the date of hearing, and the object of the proceeding in general terms shall be set forth. There shall be filed with the clerk an affidavit showing due publication of the notice. The cost of publication shall be paid by the county at a rate not greater than the rate paid for other legal notices. The publication of notice shall be deemed equivalent to personal service upon all persons, known or unknown, who have been designated as provided in this section. 13.34.100 Appointment of guardian ad litem—Background information—Rights—Notification and inquiry

—Appointment of attorney for child—Review and removal. (1) The court shall appoint a guardian ad litem for a child who is the subject of an action under this chapter, unless a court for good cause finds the appointment unnecessary. The requirement of a guardian ad litem may be deemed satisfied if the child is represented by an independent attorney in the proceedings. The court shall attempt to match a child with special needs with a guardian ad litem who has specific training or education related to the child's individual needs.

(2) If the court does not have available to it a guardian ad litem program with a sufficient number of volunteers, the court may appoint a suitable person to act as guardian ad litem for the child under this chapter. Another party to the proceeding or the party's employee or representative shall not be so appointed.

(3) Each guardian ad litem program shall maintain a background information record for each guardian ad litem in the program. The background information record shall include, but is not limited to, the following information:

- (a) Level of formal education;
- (b) General training related to the guardian ad litem's duties;
- (c) Specific training related to issues potentially faced by children in the dependency system;
- (d) Specific training or education related to child disability or developmental issues;
- (e) Number of years' experience as a guardian ad litem;
- (f) Number of appointments as a guardian ad litem and the county or counties of appointment;
- (g) The names of any counties in which the person was removed from a guardian ad litem registry pursuant to a

grievance action, and the name of the court and the cause number of any case in which the court has removed the person for cause;

(h) Founded allegations of abuse or neglect as defined in RCW 26.44.020;

(i) The results of an examination of state and national criminal identification data. The examination shall consist of a background check as allowed through the Washington state criminal records privacy act under RCW 10.97.050, the Washington state patrol criminal identification system under RCW 43.43.832 through 43.43.834, and the federal bureau of investigation. The background check shall be done through the Washington state patrol criminal identification section and must include a national check from the federal bureau of investigation based on the submission of fingerprints; and

(j) Criminal history, as defined in RCW 9.94A.030, for the period covering ten years prior to the appointment.

The background information record shall be updated annually. As a condition of appointment, the guardian ad litem's background information record shall be made available to the court. If the appointed guardian ad litem is not a member of a guardian ad litem program a suitable person appointed by the court to act as guardian ad litem shall provide the background information record to the court.

Upon appointment, the guardian ad litem, or guardian ad litem program, shall provide the parties or their attorneys with a copy of the background information record. The portion of the background information record containing the results of the criminal background check and the criminal history shall not be disclosed to the parties or their attorneys. The background information record shall not include identifying information that may be used to harm a guardian ad litem, such as home addresses and home telephone numbers, and for volunteer guardians ad litem the court may allow the use of maiden names or pseudonyms as necessary for their safety.

(4) The appointment of the guardian ad litem shall remain in effect until the court discharges the appointment or no longer has jurisdiction, whichever comes first. The guardian ad litem may also be discharged upon entry of an order of guardianship.

(5) A guardian ad litem through an attorney, or as otherwise authorized by the court, shall have the right to present evidence, examine and cross-examine witnesses, and to be present at all hearings. A guardian ad litem shall receive copies of all pleadings and other documents filed or submitted to the court, and notice of all hearings according to court rules. The guardian ad litem shall receive all notice contemplated for a parent or other party in all proceedings under this chapter.

(6)(a) The court must appoint an attorney for a child in a dependency proceeding six months after granting a petition to terminate the parent and child relationship pursuant to RCW 13.34.180 and when there is no remaining parent with parental rights.

The court must appoint an attorney for a child when there is no remaining parent with parental rights for six months or longer prior to July 1, 2014, if the child is not already represented.

The court may appoint one attorney to a group of siblings, unless there is a conflict of interest, or such representa-

tion is otherwise inconsistent with the rules of professional conduct.

(b) Legal services provided by an attorney appointed pursuant to (a) of this subsection do not include representation of the child in any appellate proceedings relative to the termination of the parent and child relationship.

(c)(i) Subject to the availability of amounts appropriated for this specific purpose, the state shall pay the costs of legal services provided by an attorney appointed pursuant to (a) of this subsection, if the legal services are provided in accordance with the standards of practice, voluntary training, and caseload limits developed and recommended by the statewide children's representation work group pursuant to section 5, chapter 180, Laws of 2010. Caseload limits must be calculated pursuant to (c)(ii) of this subsection.

(ii) Counties are encouraged to set caseloads as low as possible and to account for the individual needs of the children in care. Notwithstanding the caseload limits developed and recommended by the statewide children's representation work group pursuant to section 5, chapter 180, Laws of 2010, when one attorney represents a sibling group, the first child is counted as one case, and each child thereafter is counted as one-half case to determine compliance with the caseload standards pursuant to (c)(i) of this subsection and RCW 2.53.045.

(iii) The office of civil legal aid is responsible for implementation of (c)(i) and (ii) of this subsection as provided in RCW 2.53.045.

(7)(a) The court may appoint an attorney to represent the child's position in any dependency action on its own initiative, or upon the request of a parent, the child, a guardian ad litem, a caregiver, or the department.

(b)(i) If the court has not already appointed an attorney for a child, or the child is not represented by a privately retained attorney:

(A) The child's caregiver, or any individual, may refer the child to an attorney for the purposes of filing a motion to request appointment of an attorney at public expense; or

(B) The child or any individual may retain an attorney for the child for the purposes of filing a motion to request appointment of an attorney at public expense.

(ii) Nothing in this subsection (7)(b) shall be construed to change or alter the confidentiality provisions of RCW 13.50.100.

(c) Pursuant to this subsection, the department or supervising agency and the child's guardian ad litem shall each notify a child of his or her right to request an attorney and shall ask the child whether he or she wishes to have an attorney. The department or supervising agency and the child's guardian ad litem shall notify the child and make this inquiry immediately after:

(i) The date of the child's twelfth birthday;

(ii) Assignment of a case involving a child age twelve or older; or

(iii) July 1, 2010, for a child who turned twelve years old before July 1, 2010.

(d) The department or supervising agency and the child's guardian ad litem shall repeat the notification and inquiry at least annually and upon the filing of any motion or petition affecting the child's placement, services, or familial relationships.

(e) The notification and inquiry is not required if the child has already been appointed an attorney.

(f) The department or supervising agency shall note in the child's individual service and safety plan, and the guardian ad litem shall note in his or her report to the court, that the child was notified of the right to request an attorney and indicate the child's position regarding appointment of an attorney.

(g) At the first regularly scheduled hearing after:

(i) The date of the child's twelfth birthday;

(ii) The date that a dependency petition is filed pursuant to this chapter on a child age twelve or older; or

(iii) July 1, 2010, for a child who turned twelve years old before July 1, 2010;

the court shall inquire whether the child has received notice of his or her right to request an attorney from the department or supervising agency and the child's guardian ad litem. The court shall make an additional inquiry at the first regularly scheduled hearing after the child's fifteenth birthday. No inquiry is necessary if the child has already been appointed an attorney.

(8) For the purposes of child abuse prevention and treatment act (42 U.S.C. Secs. 5101 et seq.) grants to this state under P.L. 93-247, or any related state or federal legislation, a person appointed pursuant to this section shall be deemed a guardian ad litem.

(9) When a court-appointed special advocate or volunteer guardian ad litem is requested on a case, the program shall give the court the name of the person it recommends. The program shall attempt to match a child with special needs with a guardian ad litem who has specific training or education related to the child's individual needs. The court shall immediately appoint the person recommended by the program.

(10) If a party in a case reasonably believes the court-appointed special advocate or volunteer guardian ad litem is inappropriate or unqualified, the party may request a review of the appointment by the program. The program must complete the review within five judicial days and remove any appointee for good cause. If the party seeking the review is not satisfied with the outcome of the review, the party may file a motion with the court for the removal of the court-appointed special advocate or volunteer guardian ad litem on the grounds the advocate or volunteer is inappropriate or unqualified.

(11) The court shall remove any person from serving as a court-appointed special advocate or volunteer guardian ad litem if the court is notified that the person has been removed from another county's registry pursuant to the disposition of a grievance or if the court is otherwise made aware that the individual was found by a court to have made a materially false statement that he or she knows to be false during an official proceeding under oath. [2017 c 99 § 2; 2014 c 108 § 2; 2010 c 180 § 2; 2009 c 480 § 2; 2000 c 124 § 2; 1996 c 249 § 13; 1994 c 110 § 2; 1993 c 241 § 2; 1988 c 232 § 1; 1979 c 155 § 43; 1977 ex.s. c 291 § 38.]

Finding—Intent—2017 c 99: "The legislature finds that the integrity of court-appointed special advocates and volunteer guardians ad litem is necessary to protect the best interest of children in child welfare proceedings.

Although courts must be notified regarding the removal of a guardian ad litem from a county's registry pursuant to a grievance, there is no requirement that a county must act on that information. For that reason, the legisla-

(2017 Ed.)

ture intends to require counties to remove child welfare volunteer guardians ad litem from their registries when counties are notified that the person has been removed from another county's registry pursuant to the disposition of a grievance or if the court is otherwise made aware that a guardian ad litem has been found by a court to have made a materially false statement that he or she knows to be false during an official proceeding under oath." [2017 c 99 § 1.]

Finding—Construction—2014 c 108: "(1) The legislature recognizes that some children may remain in foster care following the termination of the parent and child relationship. These children have legal rights and no longer have a parent to advocate on their behalf, and no other party represents their legal interests. The legislature finds that providing attorneys for children following the termination of the parent and child relationship is fundamental to protecting the child's legal rights and to accelerate permanency.

(2) Although the legislature recognizes that many jurisdictions provide attorneys to children prior to termination of the parent and child relationship, nothing in this act may be construed against the parent's fundamental liberty interest in parenting the child prior to termination of the parent and child relationship as stated in *In re Dependency of K.N.J.*, 171 Wn.2d 568, 574 (2011) and *In re Welfare of Luscier*, 84 Wn.2d 135, 136-37 (1974), unless such a position would jeopardize the child's right to conditions of basic nurture, health, or safety." [2014 c 108 § 1.]

Effective date—2014 c 108: "This act takes effect July 1, 2014." [2014 c 108 § 4.]

Findings—2010 c 180: "(1) The legislature recognizes that inconsistent practices in and among counties in Washington have resulted in few children being notified of their right to request legal counsel in their dependency and termination proceedings under RCW 13.34.100.

(2) The legislature recognizes that when children are provided attorneys in their dependency and termination proceedings, it is imperative to provide them with well-trained advocates so that their legal rights around health, safety, and well-being are protected. Attorneys, who have different skills and obligations than guardians ad litem and court-appointed special advocates, especially in forming a confidential and privileged relationship with a child, should be trained in meaningful and effective child advocacy, the child welfare system and services available to a child client, child and adolescent brain development, child and adolescent mental health, and the distinct legal rights of dependent youth, among other things. Well-trained attorneys can provide legal counsel to a child on issues such as placement options, visitation rights, educational rights, access to services while in care and services available to a child upon aging out of care. Well-trained attorneys for a child can:

(a) Ensure the child's voice is considered in judicial proceedings;

(b) Engage the child in his or her legal proceedings;

(c) Explain to the child his or her legal rights;

(d) Assist the child, through the attorney's counseling role, to consider the consequences of different decisions; and

(e) Encourage accountability, when appropriate, among the different systems that provide services to children." [2010 c 180 § 1.]

13.34.102 Guardian ad litem—Training—Registry—Selection—Substitution—Exception.

(1) All guardians ad litem must comply with the training requirements established under RCW 2.56.030(15), prior to their appointment in cases under Title 13 RCW, except that volunteer guardians ad litem or court-appointed special advocates may comply with alternative training requirements approved by the administrative office of the courts that meet or exceed the statewide requirements.

(2)(a) Each guardian ad litem program for compensated guardians ad litem shall establish a rotational registry system for the appointment of guardians ad litem. If a judicial district does not have a program the court shall establish the rotational registry system. Guardians ad litem shall be selected from the registry except in exceptional circumstances as determined and documented by the court. The parties may make a joint recommendation for the appointment of a guardian ad litem from the registry.

(b) In judicial districts with a population over one hundred thousand, a list of three names shall be selected from the registry and given to the parties along with the background information as specified in RCW 13.34.100(3), including their hourly rate for services. Each party may, within three judicial days, strike one name from the list. If more than one name remains on the list, the court shall make the appointment from the names on the list. In the event all three names are stricken the person whose name appears next on the registry shall be appointed.

(c) If a party reasonably believes that the appointed guardian ad litem lacks the necessary expertise for the proceeding, charges an hourly rate higher than what is reasonable for the particular proceeding, or has a conflict of interest, the party may, within three judicial days from the appointment, move for substitution of the appointed guardian ad litem by filing a motion with the court.

(d) The superior court shall remove any person from the guardian ad litem registry who misrepresents his or her qualifications pursuant to a grievance procedure established by the court.

(3) The rotational registry system shall not apply to court-appointed special advocate programs. [2005 c 282 § 26; 2000 c 124 § 3; 1997 c 41 § 6; 1996 c 249 § 17.]

13.34.105 Guardian ad litem—Duties—Immunity—Access to information. (1) Unless otherwise directed by the court, the duties of the guardian ad litem for a child subject to a proceeding under this chapter, including an attorney specifically appointed by the court to serve as a guardian ad litem, include but are not limited to the following:

(a) To investigate, collect relevant information about the child's situation, and report to the court factual information regarding the best interests of the child;

(b) To meet with, interview, or observe the child, depending on the child's age and developmental status, and report to the court any views or positions expressed by the child on issues pending before the court;

(c) To monitor all court orders for compliance and to bring to the court's attention any change in circumstances that may require a modification of the court's order;

(d) To report to the court information on the legal status of a child's membership in any Indian tribe or band;

(e) Court-appointed special advocates and guardians ad litem may make recommendations based upon an independent investigation regarding the best interests of the child, which the court may consider and weigh in conjunction with the recommendations of all of the parties;

(f) To represent and be an advocate for the best interests of the child;

(g) To inform the child, if the child is twelve years old or older, of his or her right to request counsel and to ask the child whether he or she wishes to have counsel, pursuant to *RCW 13.34.100(6). The guardian ad litem shall report to the court that the child was notified of this right and indicate the child's position regarding appointment of counsel. The guardian ad litem shall report to the court his or her independent recommendation as to whether appointment of counsel is in the best interest of the child; and

(h) In the case of an Indian child as defined in RCW 13.38.040, know, understand, and advocate the best interests of the Indian child.

(2) A guardian ad litem shall be deemed an officer of the court for the purpose of immunity from civil liability.

(3) Except for information or records specified in RCW 13.50.100(7), the guardian ad litem shall have access to all information available to the state or agency on the case. Upon presentation of the order of appointment by the guardian ad litem, any agency, hospital, school organization, division or department of the state, doctor, nurse, or other health care provider, psychologist, psychiatrist, police department, or mental health clinic shall permit the guardian ad litem to inspect and copy any records relating to the child or children involved in the case, without the consent of the parent or guardian of the child, or of the child if the child is under the age of thirteen years, unless such access is otherwise specifically prohibited by law.

(4) A guardian ad litem may release confidential information, records, and reports to the office of the family and children's ombuds for the purposes of carrying out its duties under chapter 43.06A RCW.

(5) The guardian ad litem shall release case information in accordance with the provisions of RCW 13.50.100. [2013 c 23 § 5; 2011 c 309 § 26; 2010 c 180 § 3; 2008 c 267 § 13; 2000 c 124 § 4; 1999 c 390 § 2; 1993 c 241 § 3.]

***Reviser's note:** RCW 13.34.100 was amended by 2014 c 108 § 2, changing subsection (6) to subsection (7)(c) through (g).

13.34.107 Guardian ad litem—Ex parte communications—Removal. A guardian ad litem or court-appointed special advocate shall not engage in ex parte communications with any judicial officer involved in the matter for which he or she is appointed during the pendency of the proceeding, except as permitted by court rule or statute for ex parte motions. Ex parte motions shall be heard in open court on the record. The record may be preserved in a manner deemed appropriate by the county where the matter is heard. The court, upon its own motion, or upon the motion of a party, may consider the removal of any guardian ad litem or court-appointed special advocate who violates this section from any pending case or from any court-authorized registry, and if so removed may require forfeiture of any fees for professional services on the pending case. [2000 c 124 § 11.]

13.34.108 Guardian ad litem—Fees. The court shall specify the hourly rate the guardian ad litem may charge for his or her services, and shall specify the maximum amount the guardian ad litem may charge without additional court review and approval. The court shall specify rates and fees in the order of appointment or at the earliest date the court is able to determine the appropriate rates and fees and prior to the guardian ad litem billing for his or her services. This section shall apply except as provided by local court rule. [2000 c 124 § 14.]

13.34.110 Hearings—Fact-finding and disposition—Time and place, notice. (Effective until July 1, 2018.) (1) The court shall hold a fact-finding hearing on the petition

and, unless the court dismisses the petition, shall make written findings of fact, stating the reasons therefor. The rules of evidence shall apply at the fact-finding hearing and the parent, guardian, or legal custodian of the child shall have all of the rights provided in RCW 13.34.090(1). The petitioner shall have the burden of establishing by a preponderance of the evidence that the child is dependent within the meaning of RCW 13.34.030.

(2) The court in a fact-finding hearing may consider the history of past involvement of child protective services or law enforcement agencies with the family for the purpose of establishing a pattern of conduct, behavior, or inaction with regard to the health, safety, or welfare of the child on the part of the child's parent, guardian, or legal custodian, or for the purpose of establishing that reasonable efforts have been made by the department to prevent or eliminate the need for removal of the child from the child's home. No report of child abuse or neglect that has been destroyed or expunged under RCW 26.44.031 may be used for such purposes.

(3)(a) The parent, guardian, or legal custodian of the child may waive his or her right to a fact-finding hearing by stipulating or agreeing to the entry of an order of dependency establishing that the child is dependent within the meaning of RCW 13.34.030. The parent, guardian, or legal custodian may also stipulate or agree to an order of disposition pursuant to RCW 13.34.130 at the same time. Any stipulated or agreed order of dependency or disposition must be signed by the parent, guardian, or legal custodian and his or her attorney, unless the parent, guardian, or legal custodian has waived his or her right to an attorney in open court, and by the petitioner and the attorney, guardian ad litem, or court-appointed special advocate for the child, if any. If the department of social and health services is not the petitioner and is required by the order to supervise the placement of the child or provide services to any party, the department must also agree to and sign the order.

(b) Entry of any stipulated or agreed order of dependency or disposition is subject to approval by the court. The court shall receive and review a social study before entering a stipulated or agreed order and shall consider whether the order is consistent with the allegations of the dependency petition and the problems that necessitated the child's placement in out-of-home care. No social file or social study may be considered by the court in connection with the fact-finding hearing or prior to factual determination, except as otherwise admissible under the rules of evidence.

(c) Prior to the entry of any stipulated or agreed order of dependency, the parent, guardian, or legal custodian of the child and his or her attorney must appear before the court and the court within available resources must inquire and establish on the record that:

(i) The parent, guardian, or legal custodian understands the terms of the order or orders he or she has signed, including his or her responsibility to participate in remedial services as provided in any disposition order;

(ii) The parent, guardian, or legal custodian understands that entry of the order starts a process that could result in the filing of a petition to terminate his or her relationship with the child within the time frames required by state and federal law if he or she fails to comply with the terms of the dependency or disposition orders or fails to substantially remedy the prob-

lems that necessitated the child's placement in out-of-home care;

(iii) The parent, guardian, or legal custodian understands that the entry of the stipulated or agreed order of dependency is an admission that the child is dependent within the meaning of RCW 13.34.030 and shall have the same legal effect as a finding by the court that the child is dependent by at least a preponderance of the evidence, and that the parent, guardian, or legal custodian shall not have the right in any subsequent proceeding for termination of parental rights or dependency guardianship pursuant to this chapter or nonparental custody pursuant to chapter 26.10 RCW to challenge or dispute the fact that the child was found to be dependent; and

(iv) The parent, guardian, or legal custodian knowingly and willingly stipulated and agreed to and signed the order or orders, without duress, and without misrepresentation or fraud by any other party.

If a parent, guardian, or legal custodian fails to appear before the court after stipulating or agreeing to entry of an order of dependency, the court may enter the order upon a finding that the parent, guardian, or legal custodian had actual notice of the right to appear before the court and chose not to do so. The court may require other parties to the order, including the attorney for the parent, guardian, or legal custodian, to appear and advise the court of the parent's, guardian's, or legal custodian's notice of the right to appear and understanding of the factors specified in this subsection. A parent, guardian, or legal custodian may choose to waive his or her presence at the in-court hearing for entry of the stipulated or agreed order of dependency by submitting to the court through counsel a completed stipulated or agreed dependency fact-finding/disposition statement in a form determined by the Washington state supreme court pursuant to General Rule GR 9.

(4) Immediately after the entry of the findings of fact, the court shall hold a disposition hearing, unless there is good cause for continuing the matter for up to fourteen days. If good cause is shown, the case may be continued for longer than fourteen days. Notice of the time and place of the continued hearing may be given in open court. If notice in open court is not given to a party, that party shall be notified by certified mail of the time and place of any continued hearing. Unless there is reasonable cause to believe the health, safety, or welfare of the child would be jeopardized or efforts to reunite the parent and child would be hindered, the court shall direct the department to notify those adult persons who: (a) Are related by blood or marriage to the child in the following degrees: Parent, grandparent, brother, sister, stepparent, stepbrother, stepsister, uncle, or aunt; (b) are known to the department as having been in contact with the family or child within the past twelve months; and (c) would be an appropriate placement for the child. Reasonable cause to dispense with notification to a parent under this section must be proved by clear, cogent, and convincing evidence.

The parties need not appear at the fact-finding or dispositional hearing if the parties, their attorneys, the guardian ad litem, and court-appointed special advocates, if any, are all in agreement. 13.34.115 Hearings—Public excluded when in the best interests of the child—Notes and records—Video recordings. (1) All hearings shall be public, and conducted at any time or place within the limits of the county, except if the judge finds that excluding the public is in the best interests of the child.

(2) Either parent, or the child's attorney or guardian ad litem, may move to close a hearing at any time. If the judge finds that it is in the best interests of the child the court shall exclude the public.

(3) If the public is excluded from the hearing, the following people may attend the closed hearing unless the judge finds it is not in the best interests of the child:

- (a) The child's relatives;
 - (b) The child's foster parents if the child resides in foster care; and
 - (c) Any person requested by the parent.
- (4) Stenographic notes or any device which accurately records the proceedings may be required as provided in other civil cases pursuant to RCW 2.32.200.

(5) Any video recording of the proceedings may be released pursuant to RCW 13.50.100, however, the video recording may not be televised, broadcast, or further disseminated to the public. [2003 c 228 § 1; 2000 c 122 § 12.]

13.34.120 Social study and reports made available at disposition hearing—Contents—Notice to parents. (1) To aid the court in its decision on disposition, a social study shall be made by the person or agency filing the petition. A parent may submit a counselor's or health care provider's evaluation of the parent, which shall either be included in the social study or considered in conjunction with the social study. The study shall include all social files and may also include facts relating to the child's cultural heritage, and shall be made available to the court. The court shall consider the social file, social study, guardian ad litem report, the court-appointed special advocate's report, if any, and any reports filed by a party at the disposition hearing in addition to evidence produced at the fact-finding hearing. At least ten working days before the disposition hearing, the department shall mail to the parent and his or her attorney a copy of the agency's social study and proposed service plan, which shall be in writing or

in a form understandable to the parents or custodians. In addition, the department shall provide an opportunity for parents to review and comment on the plan at the local office closest to the parents' residence. If the parents disagree with the agency's plan or any part thereof, the parents shall submit to the court at least twenty-four hours before the hearing, in writing, or signed oral statement, an alternative plan to correct the problems which led to the finding of dependency. This section shall not interfere with the right of the parents or custodians to submit oral arguments regarding the disposition plan at the hearing.

(2)(a) The guardian ad litem or court-appointed special advocate shall file his or her report with the court and with the parties pursuant to court rule prior to a hearing for which a report is required. The report shall include a written list of persons interviewed and reports or documentation considered. If the report makes particular recommendations, the report shall include specific information on which the guardian ad litem or court-appointed special advocate relied in making each particular recommendation.

(b) The parties to the proceeding may file written responses to the guardian ad litem's or court-appointed special advocate's report with the court and deliver such responses to the other parties at a reasonable time or pursuant to court rule before the hearing. The court shall consider any written responses to the guardian ad litem's or court-appointed special advocate's report, including any factual information or recommendations provided in the report. 13.34.125 Voluntary adoption plan—Consideration of preferences for proposed placement. In those cases where an alleged father, birth parent, or parent has indicated his or her intention to make a voluntary adoption plan for the child and has agreed to the termination of his or her parental rights, the department or supervising agency shall follow the wishes of the alleged father, birth parent, or parent regarding the proposed adoptive placement of the child, if the court determines that the adoption is in the best interest of the child, and the prospective adoptive parents chosen by the alleged father, birth parent, or parent are properly qualified to adopt in compliance with the standards in this chapter and chapter 26.33 RCW. If the department or supervising agency has filed a termination petition, an alleged father's, birth parent's, or parent's preferences regarding the proposed adoptive placement of the child shall be given consideration. 13.34.130 Order of disposition for a dependent child, alternatives—Petition seeking termination of parent-child relationship—Placement with relatives, foster family home, group care facility, or other suitable persons—

Placement of an Indian child in out-of-home care—Contact with siblings. If, after a fact-finding hearing pursuant to RCW 13.34.110, it has been proven by a preponderance of the evidence that the child is dependent within the meaning of RCW 13.34.030 after consideration of the social study prepared pursuant to RCW 13.34.110 and after a disposition hearing has been held pursuant to RCW 13.34.110, the court shall enter an order of disposition pursuant to this section.

(1) The court shall order one of the following dispositions of the case:

(a) Order a disposition that maintains the child in his or her home, which shall provide a program designed to alleviate the immediate danger to the child, to mitigate or cure any damage the child has already suffered, and to aid the parents so that the child will not be endangered in the future. In determining the disposition, the court should choose services to assist the parents in maintaining the child in the home, including housing assistance, if appropriate, that least interfere with family autonomy and are adequate to protect the child.

(b)(i) Order the child to be removed from his or her home and into the custody, control, and care of a relative or other suitable person, the department, or a supervising agency for supervision of the child's placement. If the court orders that the child be placed with a caregiver over the objections of the parent or the department, the court shall articulate, on the record, his or her reasons for ordering the placement. The court may not order an Indian child, as defined in RCW 13.38.040, to be removed from his or her home unless the court finds, by clear and convincing evidence including testimony of qualified expert witnesses, that the continued custody of the child by the parent or Indian custodian is likely to result in serious emotional or physical damage to the child.

(ii) The department or supervising agency has the authority to place the child, subject to review and approval by the court (A) with a relative as defined in RCW 74.15.020(2)(a), (B) in the home of another suitable person if the child or family has a preexisting relationship with that person, and the person has completed all required criminal history background checks and otherwise appears to the department or supervising agency to be suitable and competent to provide care for the child, or (C) in a foster family home or group care facility licensed pursuant to chapter 74.15 RCW.

(iii) The department may also consider placing the child, subject to review and approval by the court, with a person with whom the child's sibling or half-sibling is residing or a person who has adopted the sibling or half-sibling of the child being placed as long as the person has completed all required criminal history background checks and otherwise appears to the department or supervising agency to be competent to provide care for the child.

(2) Absent good cause, the department or supervising agency shall follow the wishes of the natural parent regarding the placement of the child in accordance with RCW 13.34.260.

(3) The department or supervising agency may only place a child with a person not related to the child as defined in RCW 74.15.020(2)(a), including a placement provided for in subsection (1)(b)(iii) of this section, when the court finds that such placement is in the best interest of the child. Unless

there is reasonable cause to believe that the health, safety, or welfare of the child would be jeopardized or that efforts to reunite the parent and child will be hindered, the child shall be placed with a person who is willing, appropriate, and available to care for the child, and who is: (I) Related to the child as defined in RCW 74.15.020(2)(a) with whom the child has a relationship and is comfortable; or (II) a suitable person as described in subsection (1)(b) of this section. The court shall consider the child's existing relationships and attachments when determining placement.

(4) When placing an Indian child in out-of-home care, the department or supervising agency shall follow the placement preference characteristics in RCW 13.38.180.

(5) Placement of the child with a relative or other suitable person as described in subsection (1)(b) of this section shall be given preference by the court. An order for out-of-home placement may be made only if the court finds that reasonable efforts have been made to prevent or eliminate the need for removal of the child from the child's home and to make it possible for the child to return home, specifying the services, including housing assistance, that have been provided to the child and the child's parent, guardian, or legal custodian, and that preventive services have been offered or provided and have failed to prevent the need for out-of-home placement, unless the health, safety, and welfare of the child cannot be protected adequately in the home, and that:

(a) There is no parent or guardian available to care for such child;

(b) The parent, guardian, or legal custodian is not willing to take custody of the child; or

(c) The court finds, by clear, cogent, and convincing evidence, a manifest danger exists that the child will suffer serious abuse or neglect if the child is not removed from the home and an order under RCW 26.44.063 would not protect the child from danger.

(6) If the court has ordered a child removed from his or her home pursuant to subsection (1)(b) of this section, the court shall consider whether it is in a child's best interest to be placed with, have contact with, or have visits with siblings.

(a) There shall be a presumption that such placement, contact, or visits are in the best interests of the child provided that:

(i) The court has jurisdiction over all siblings subject to the order of placement, contact, or visitation pursuant to petitions filed under this chapter or the parents of a child for whom there is no jurisdiction are willing to agree; and

(ii) There is no reasonable cause to believe that the health, safety, or welfare of any child subject to the order of placement, contact, or visitation would be jeopardized or that efforts to reunite the parent and child would be hindered by such placement, contact, or visitation. In no event shall parental visitation time be reduced in order to provide sibling visitation.

(b) The court may also order placement, contact, or visitation of a child with a stepbrother or stepsister provided that in addition to the factors in (a) of this subsection, the child has a relationship and is comfortable with the stepsibling.

(7) If the court has ordered a child removed from his or her home pursuant to subsection (1)(b) of this section and placed into nonparental or nonrelative care, the court shall order a placement that allows the child to remain in the same

school he or she attended prior to the initiation of the dependency proceeding when such a placement is practical and in the child's best interest.

(8) If the court has ordered a child removed from his or her home pursuant to subsection (1)(b) of this section, the court may order that a petition seeking termination of the parent and child relationship be filed if the requirements of RCW 13.34.132 are met.

(9) If there is insufficient information at the time of the disposition hearing upon which to base a determination regarding the suitability of a proposed placement with a relative or other suitable person, the child shall remain in foster care and the court shall direct the department or supervising agency to conduct necessary background investigations as provided in chapter 74.15 RCW and report the results of such investigation to the court within thirty days. However, if such relative or other person appears otherwise suitable and competent to provide care and treatment, the criminal history background check need not be completed before placement, but as soon as possible after placement. Any placements with relatives or other suitable persons, pursuant to this section, shall be contingent upon cooperation by the relative or other suitable person with the agency case plan and compliance with court orders related to the care and supervision of the child including, but not limited to, court orders regarding parent-child contacts, sibling contacts, and any other conditions imposed by the court. Noncompliance with the case plan or court order shall be grounds for removal of the child from the relative's or other suitable person's home, subject to review by the court. [2013 c 254 § 1. Intent—2003 c 227: "It is the intent of the legislature to recognize the importance of emotional ties formed by siblings with each other, especially in those circumstances which warrant court intervention into family relationships. It is the intent of the legislature to encourage the courts and public agencies which deal with families to acknowledge and give thoughtful consideration to the quality and nature of sibling relationships when intervening in family relationships. It is not the intent of the legislature to create legal obligations or responsibilities between siblings and other family members whether by blood or marriage, step families, foster families, or adopted families that do not already exist. Neither is it the intent of the legislature to mandate sibling placement, contact, or visitation if there is reasonable cause to believe that the health, safety, or welfare of a child or siblings would be jeopardized. Finally, it is not the intent of the legislature to manufacture or anticipate family relationships which do not exist at the time of the court intervention, or to disrupt already existing positive family relationships." 13.34.132 Petition seeking termination of parent-child relationship—Requirements. A court may order that a petition seeking termination of the parent and child relationship be filed if the following requirements are met:

(1) The court has removed the child from his or her home pursuant to RCW 13.34.130;

(2) Termination is recommended by the department or the supervising agency;

(3) Termination is in the best interests of the child; and

(4) Because of the existence of aggravated circumstances, reasonable efforts to unify the family are not required. Notwithstanding the existence of aggravated circumstances, reasonable efforts may be required if the court or department determines it is in the best interests of the child. In determining whether aggravated circumstances exist by clear, cogent, and convincing evidence, the court shall consider one or more of the following:

(a) Conviction of the parent of rape of the child in the first, second, or third degree as defined in RCW 9A.44.073, 9A.44.076, and 9A.44.079;

(b) Conviction of the parent of criminal mistreatment of the child in the first or second degree as defined in RCW 9A.42.020 and 9A.42.030;

(c) Conviction of the parent of one of the following assault crimes, when the child is the victim: Assault in the first or second degree as defined in RCW 9A.36.011 and 9A.36.021 or assault of a child in the first or second degree as defined in RCW 9A.36.120 or 9A.36.130;

(d) Conviction of the parent of murder, manslaughter, or homicide by abuse of the child's other parent, sibling, or another child;

(f) Conviction of the parent of attempting, soliciting, or conspiring to commit a crime listed in (a), (b), (c), or (d) of this subsection;

(g) A finding by a court that a parent is a sexually violent predator as defined in RCW 71.09.020;

(h) Failure of the parent to complete available treatment ordered under this chapter or the equivalent laws of another state, where such failure has resulted in a prior termination of parental rights to another child and the parent has failed to effect significant change in the interim. In the case of a parent of an Indian child, as defined in RCW 13.38.040, the court shall also consider tribal efforts to assist the parent in completing treatment and make it possible for the child to return home;

(i) An infant under three years of age has been abandoned;

(j) Conviction of the parent, when a child has been born of the offense, of: (A) A sex offense under chapter 9A.44 RCW; or (B) incest under RCW 9A.64.020. [2013 c 302 § 11; 2011 c 309 § 28; 2000 c 122 § 16.]

13.34.134 Permanent placement of child. If reasonable efforts are not ordered under RCW 13.34.132, a permanency planning hearing shall be held within thirty days of the court order to file a petition to terminate parental rights. Reasonable efforts shall be made to place the child in a timely manner in accordance with the permanency plan, and to complete whatever steps are necessary to finalize the permanent placement of the child. [2000 c 122 § 17.]

13.34.136 Permanency plan of care. (Effective until July 1, 2018.) (1) Whenever a child is ordered removed from the home, a permanency plan shall be developed no later than sixty days from the time the supervising agency assumes responsibility for providing services, including placing the child, or at the time of a hearing under RCW 13.34.130, whichever occurs first. The permanency planning process continues until a permanency planning goal is achieved or dependency is dismissed. The planning process shall include reasonable efforts to return the child to the parent's home.

(2) The agency supervising the dependency shall submit a written permanency plan to all parties and the court not less than fourteen days prior to the scheduled hearing. Responsive reports of parties not in agreement with the department's or supervising agency's proposed permanency plan must be provided to the department or supervising agency, all other parties, and the court at least seven days prior to the hearing.

The permanency plan shall include:

(a) A permanency plan of care that shall identify one of the following outcomes as a primary goal and may identify additional outcomes as alternative goals: Return of the child to the home of the child's parent, guardian, or legal custodian; adoption, including a tribal customary adoption as defined in RCW 13.38.040; guardianship; permanent legal custody; long-term relative or foster care, if the child is between ages sixteen and eighteen, with a written agreement between the parties and the care provider; successful completion of a responsible living skills program; or independent living, if appropriate and if the child is age sixteen or older. Although a permanency plan of care may only identify long-term relative or foster care for children between ages sixteen and eighteen, children under sixteen may remain placed with relatives or in foster care. The department or supervising agency shall not discharge a child to an independent living situation before the child is eighteen years of age unless the child becomes emancipated pursuant to chapter 13.64 RCW;

(b) Unless the court has ordered, pursuant to RCW 13.34.130(8), that a termination petition be filed, a specific plan as to where the child will be placed, what steps will be taken to return the child home, what steps the supervising agency or the department will take to promote existing appropriate sibling relationships and/or facilitate placement together or contact in accordance with the best interests of each child, and what actions the department or supervising agency will take to maintain parent-child ties. All aspects of the plan shall include the goal of achieving permanence for the child.

(i) The department's or supervising agency's plan shall specify what services the parents will be offered to enable them to resume custody, what requirements the parents must meet to resume custody, and a time limit for each service plan and parental requirement.

(A) If the parent is incarcerated, the plan must address how the parent will participate in the case conference and permanency planning meetings and, where possible, must include treatment that reflects the resources available at the facility where the parent is confined. The plan must provide for visitation opportunities, unless visitation is not in the best interests of the child.

(B) If a parent has a developmental disability according to the definition provided in RCW 71A.10.020, and that individual is eligible for services provided by the developmental disabilities administration, the department shall make reasonable efforts to consult with the developmental disabilities administration to create an appropriate plan for services. For individuals who meet the definition of developmental disability provided in RCW 71A.10.020 and who are eligible for services through the developmental disabilities administration, the plan for services must be tailored to correct the parental deficiency taking into consideration the parent's disability and the department shall also determine an appropriate method to offer those services based on the parent's disability.

(ii)(A) Visitation is the right of the family, including the child and the parent, in cases in which visitation is in the best interest of the child. Early, consistent, and frequent visitation is crucial for maintaining parent-child relationships and making it possible for parents and children to safely reunify. The supervising agency or department shall encourage the maximum parent and child and sibling contact possible, when it is in the best interest of the child, including regular visitation and participation by the parents in the care of the child while the child is in placement.

(B) Visitation shall not be limited as a sanction for a parent's failure to comply with court orders or services where the health, safety, or welfare of the child is not at risk as a result of the visitation.

(C) Visitation may be limited or denied only if the court determines that such limitation or denial is necessary to protect the child's health, safety, or welfare. When a parent or sibling has been identified as a suspect in an active criminal investigation for a violent crime that, if the allegations are true, would impact the safety of the child, the department shall make a concerted effort to consult with the assigned law enforcement officer in the criminal case before recommending any changes in parent/child or child/sibling contact. In the event that the law enforcement officer has information pertaining to the criminal case that may have serious implications for child safety or well-being, the law enforcement officer shall provide this information to the department during the consultation. The department may only use the information provided by law enforcement during the consultation to inform family visitation plans and may not share or otherwise distribute the information to any person or entity. Any information provided to the department by law enforcement during the consultation is considered investigative information and is exempt from public inspection pursuant to RCW 42.56.240. The results of the consultation shall be communicated to the court.

(D) The court and the department or supervising agency should rely upon community resources, relatives, foster parents, and other appropriate persons to provide transportation and supervision for visitation to the extent that such resources

are available, and appropriate, and the child's safety would not be compromised.

(iii)(A) The department, court, or caregiver in the out-of-home placement may not limit visitation or contact between a child and sibling as a sanction for a child's behavior or as an incentive to the child to change his or her behavior.

(B) Any exceptions, limitation, or denial of contacts or visitation must be approved by the supervisor of the department caseworker and documented. The child, parent, department, guardian ad litem, or court-appointed special advocate may challenge the denial of visits in court.

(iv) A child shall be placed as close to the child's home as possible, preferably in the child's own neighborhood, unless the court finds that placement at a greater distance is necessary to promote the child's or parents' well-being.

(v) The plan shall state whether both in-state and, where appropriate, out-of-state placement options have been considered by the department or supervising agency.

(vi) Unless it is not in the best interests of the child, whenever practical, the plan should ensure the child remains enrolled in the school the child was attending at the time the child entered foster care.

(vii) The supervising agency or department shall provide all reasonable services that are available within the department or supervising agency, or within the community, or those services which the department has existing contracts to purchase. It shall report to the court if it is unable to provide such services; and

(c) If the court has ordered, pursuant to RCW 13.34.130(8), that a termination petition be filed, a specific plan as to where the child will be placed, what steps will be taken to achieve permanency for the child, services to be offered or provided to the child, and, if visitation would be in the best interests of the child, a recommendation to the court regarding visitation between parent and child pending a fact-finding hearing on the termination petition. The department or supervising agency shall not be required to develop a plan of services for the parents or provide services to the parents if the court orders a termination petition be filed. However, reasonable efforts to ensure visitation and contact between siblings shall be made unless there is reasonable cause to believe the best interests of the child or siblings would be jeopardized.

(3) Permanency planning goals should be achieved at the earliest possible date. If the child has been in out-of-home care for fifteen of the most recent twenty-two months, and the court has not made a good cause exception, the court shall require the department or supervising agency to file a petition seeking termination of parental rights in accordance with RCW 13.34.145(4)(b)(vi). In cases where parental rights have been terminated, the child is legally free for adoption, and adoption has been identified as the primary permanency planning goal, it shall be a goal to complete the adoption within six months following entry of the termination order.

(4) If the court determines that the continuation of reasonable efforts to prevent or eliminate the need to remove the child from his or her home or to safely return the child home should not be part of the permanency plan of care for the child, reasonable efforts shall be made to place the child in a timely manner and to complete whatever steps are necessary to finalize the permanent placement of the child.

(2017 Ed.)

(5) The identified outcomes and goals of the permanency plan may change over time based upon the circumstances of the particular case.

(6) The court shall consider the child's relationships with the child's siblings in accordance with RCW 13.34.130(6). Whenever the permanency plan for a child is adoption, the court shall encourage the prospective adoptive parents, birth parents, foster parents, kinship caregivers, and the department or other supervising agency to seriously consider the long-term benefits to the child adoptee and his or her siblings of providing for and facilitating continuing postadoption contact between the siblings. To the extent that it is feasible, and when it is in the best interests of the child adoptee and his or her siblings, contact between the siblings should be frequent and of a similar nature as that which existed prior to the adoption. If the child adoptee or his or her siblings are represented by an attorney or guardian ad litem in a proceeding under this chapter or in any other child custody proceeding, the court shall inquire of each attorney and guardian ad litem regarding the potential benefits of continuing contact between the siblings and the potential detriments of severing contact. This section does not require the department of social and health services or other supervising agency to agree to any specific provisions in an open adoption agreement and does not create a new obligation for the department to provide supervision or transportation for visits between siblings separated by adoption from foster care.

(7) For purposes related to permanency planning:

(a) "Guardianship" means a dependency guardianship or a legal guardianship pursuant to chapter 11.88 RCW or equivalent laws of another state or a federally recognized Indian tribe.

(b) "Permanent custody order" means a custody order entered pursuant to chapter 26.10 RCW.

(c) "Permanent legal custody" means legal custody pursuant to chapter 26.10 RCW or equivalent laws of another state or a federally recognized Indian tribe. [2015 c 270 § 1; 2014 c 163 § 2. Prior: 2013 c 316 § 2; 2013 c 254 § 2; 2013 c 173 § 2; 2011 c 309 § 29; prior: 2009 c 520 § 28; 2009 c 234 § 5; prior: 2008 c 267 § 3; 2008 c 152 § 2; 2007 c 413 § 7; 2004 c 146 § 1; 2003 c 227 § 4; 2002 c 52 § 6; 2000 c 122 § 18.]

Intent—Finding—2014 c 163: "The legislature intends to assure that for parents with developmental disabilities, the department of social and health services takes into consideration the parent's disability when offering services to correct parental deficiencies. To do so, the legislature finds that the department must contact the developmental disabilities administration." [2014 c 163 § 1.]

Intent—2013 c 316: "The Washington state legislature recognizes the importance of frequent and meaningful contact for siblings separated due to involvement in the foster care system. The legislature also recognizes that children and youth in foster care have not always been provided adequate opportunities for visitation with their siblings. It is the intent of the legislature to encourage appropriate facilitation of sibling visits." [2013 c 316 § 1.]

Findings—Intent—2008 c 152: "The legislature finds that meeting the needs of vulnerable children who enter the child welfare system includes protecting the child's right to a safe, stable, and permanent home where the child receives basic nurturing. The legislature also finds that according to measures of timely dependency case processing, many children's cases are not meeting the federal and state standards intended to promote child-centered decision making in dependency cases. The legislature intends to encourage a greater focus on children's developmental needs and to promote closer adherence to timeliness standards in the resolution of dependency cases." 13.34.136 Permanency plan of care. (Effective July 1, 2018.) (1) Whenever a child is ordered removed from the home, a permanency plan shall be developed no later than sixty days from the time the supervising agency assumes responsibility for providing services, including placing the child, or at the time of a hearing under RCW 13.34.130, whichever occurs first. The permanency planning process continues until a permanency planning goal is achieved or dependency is dismissed. The planning process shall include reasonable efforts to return the child to the parent's home.

(2) The agency supervising the dependency shall submit a written permanency plan to all parties and the court not less than fourteen days prior to the scheduled hearing. Responsive reports of parties not in agreement with the department's or supervising agency's proposed permanency plan must be provided to the department or supervising agency, all other parties, and the court at least seven days prior to the hearing.

The permanency plan shall include:

(a) A permanency plan of care that shall identify one of the following outcomes as a primary goal and may identify additional outcomes as alternative goals: Return of the child to the home of the child's parent, guardian, or legal custodian; adoption, including a tribal customary adoption as defined in RCW 13.38.040; guardianship; permanent legal custody; long-term relative or foster care, if the child is between ages sixteen and eighteen, with a written agreement between the parties and the care provider; successful completion of a responsible living skills program; or independent living, if appropriate and if the child is age sixteen or older. Although a permanency plan of care may only identify long-term relative or foster care for children between ages sixteen and eighteen, children under sixteen may remain placed with relatives or in foster care. The department or supervising agency shall not discharge a child to an independent living situation before the child is eighteen years of age unless the child becomes emancipated pursuant to chapter 13.64 RCW;

(b) Unless the court has ordered, pursuant to RCW 13.34.130(8), that a termination petition be filed, a specific plan as to where the child will be placed, what steps will be taken to return the child home, what steps the supervising agency or the department will take to promote existing appropriate sibling relationships and/or facilitate placement together or contact in accordance with the best interests of each child, and what actions the department or supervising agency will take to maintain parent-child ties. All aspects of the plan shall include the goal of achieving permanence for the child.

(i) The department's or supervising agency's plan shall specify what services the parents will be offered to enable them to resume custody, what requirements the parents must meet to resume custody, and a time limit for each service plan and parental requirement.

(A) If the parent is incarcerated, the plan must address how the parent will participate in the case conference and permanency planning meetings and, where possible, must include treatment that reflects the resources available at the facility where the parent is confined. The plan must provide

for visitation opportunities, unless visitation is not in the best interests of the child.

(B) If a parent has a developmental disability according to the definition provided in RCW 71A.10.020, and that individual is eligible for services provided by the department of social and health services developmental disabilities administration, the department shall make reasonable efforts to consult with the department of social and health services developmental disabilities administration to create an appropriate plan for services. For individuals who meet the definition of developmental disability provided in RCW 71A.10.020 and who are eligible for services through the developmental disabilities administration, the plan for services must be tailored to correct the parental deficiency taking into consideration the parent's disability and the department shall also determine an appropriate method to offer those services based on the parent's disability.

(ii)(A) Visitation is the right of the family, including the child and the parent, in cases in which visitation is in the best interest of the child. Early, consistent, and frequent visitation is crucial for maintaining parent-child relationships and making it possible for parents and children to safely reunify. The supervising agency or department shall encourage the maximum parent and child and sibling contact possible, when it is in the best interest of the child, including regular visitation and participation by the parents in the care of the child while the child is in placement.

(B) Visitation shall not be limited as a sanction for a parent's failure to comply with court orders or services where the health, safety, or welfare of the child is not at risk as a result of the visitation.

(C) Visitation may be limited or denied only if the court determines that such limitation or denial is necessary to protect the child's health, safety, or welfare. When a parent or sibling has been identified as a suspect in an active criminal investigation for a violent crime that, if the allegations are true, would impact the safety of the child, the department shall make a concerted effort to consult with the assigned law enforcement officer in the criminal case before recommending any changes in parent/child or child/sibling contact. In the event that the law enforcement officer has information pertaining to the criminal case that may have serious implications for child safety or well-being, the law enforcement officer shall provide this information to the department during the consultation. The department may only use the information provided by law enforcement during the consultation to inform family visitation plans and may not share or otherwise distribute the information to any person or entity. Any information provided to the department by law enforcement during the consultation is considered investigative information and is exempt from public inspection pursuant to RCW 42.56.240. The results of the consultation shall be communicated to the court.

(D) The court and the department or supervising agency should rely upon community resources, relatives, foster parents, and other appropriate persons to provide transportation and supervision for visitation to the extent that such resources are available, and appropriate, and the child's safety would not be compromised.

(iii)(A) The department, court, or caregiver in the out-of-home placement may not limit visitation or contact between a

child and sibling as a sanction for a child's behavior or as an incentive to the child to change his or her behavior.

(B) Any exceptions, limitation, or denial of contacts or visitation must be approved by the supervisor of the department caseworker and documented. The child, parent, department, guardian ad litem, or court-appointed special advocate may challenge the denial of visits in court.

(iv) A child shall be placed as close to the child's home as possible, preferably in the child's own neighborhood, unless the court finds that placement at a greater distance is necessary to promote the child's or parents' well-being.

(v) The plan shall state whether both in-state and, where appropriate, out-of-state placement options have been considered by the department or supervising agency.

(vi) Unless it is not in the best interests of the child, whenever practical, the plan should ensure the child remains enrolled in the school the child was attending at the time the child entered foster care.

(vii) The supervising agency or department shall provide all reasonable services that are available within the department or supervising agency, or within the community, or those services which the department has existing contracts to purchase. It shall report to the court if it is unable to provide such services; and

(c) If the court has ordered, pursuant to RCW 13.34.130(8), that a termination petition be filed, a specific plan as to where the child will be placed, what steps will be taken to achieve permanency for the child, services to be offered or provided to the child, and, if visitation would be in the best interests of the child, a recommendation to the court regarding visitation between parent and child pending a fact-finding hearing on the termination petition. The department or supervising agency shall not be required to develop a plan of services for the parents or provide services to the parents if the court orders a termination petition be filed. However, reasonable efforts to ensure visitation and contact between siblings shall be made unless there is reasonable cause to believe the best interests of the child or siblings would be jeopardized.

(3) Permanency planning goals should be achieved at the earliest possible date. If the child has been in out-of-home care for fifteen of the most recent twenty-two months, and the court has not made a good cause exception, the court shall require the department or supervising agency to file a petition seeking termination of parental rights in accordance with RCW 13.34.145(4)(b)(vi). In cases where parental rights have been terminated, the child is legally free for adoption, and adoption has been identified as the primary permanency planning goal, it shall be a goal to complete the adoption within six months following entry of the termination order.

(4) If the court determines that the continuation of reasonable efforts to prevent or eliminate the need to remove the child from his or her home or to safely return the child home should not be part of the permanency plan of care for the child, reasonable efforts shall be made to place the child in a timely manner and to complete whatever steps are necessary to finalize the permanent placement of the child.

(5) The identified outcomes and goals of the permanency plan may change over time based upon the circumstances of the particular case.

(2017 Ed.)

(6) The court shall consider the child's relationships with the child's siblings in accordance with RCW 13.34.130(6). Whenever the permanency plan for a child is adoption, the court shall encourage the prospective adoptive parents, birth parents, foster parents, kinship caregivers, and the department or other supervising agency to seriously consider the long-term benefits to the child adoptee and his or her siblings of providing for and facilitating continuing postadoption contact between the siblings. To the extent that it is feasible, and when it is in the best interests of the child adoptee and his or her siblings, contact between the siblings should be frequent and of a similar nature as that which existed prior to the adoption. If the child adoptee or his or her siblings are represented by an attorney or guardian ad litem in a proceeding under this chapter or in any other child custody proceeding, the court shall inquire of each attorney and guardian ad litem regarding the potential benefits of continuing contact between the siblings and the potential detriments of severing contact. This section does not require the department or other supervising agency to agree to any specific provisions in an open adoption agreement and does not create a new obligation for the department to provide supervision or transportation for visits between siblings separated by adoption from foster care.

13.34.138 Review hearings—Findings—Duties of parties involved—In-home placement requirements—Housing assistance. (1) The status of all children found to be dependent shall be reviewed by the court at least every six months from the beginning date of the placement episode or the date dependency is established, whichever is first. The purpose of the hearing shall be to review the progress of the parties and determine whether court supervision should continue.

(a) The initial review hearing shall be an in-court review and shall be set six months from the beginning date of the placement episode or no more than ninety days from the entry of the disposition order, whichever comes first. The requirements for the initial review hearing, including the in-court review requirement, shall be accomplished within existing resources.

(b) The initial review hearing may be a permanency planning hearing when necessary to meet the time frames set forth in RCW 13.34.145(1)(a) or 13.34.134.

(2)(a) A child shall not be returned home at the review hearing unless the court finds that a reason for removal as set forth in RCW 13.34.130 no longer exists. The parents, guardian, or legal custodian shall report to the court the efforts they have made to correct the conditions which led to removal. If a child is returned, casework supervision by the supervising agency or department shall continue for a period of six months, at which time there shall be a hearing on the need for continued intervention.

(b) Prior to the child returning home, the department or supervising agency must complete the following:

(i) Identify all adults residing in the home and conduct background checks on those persons;

(ii) Identify any persons who may act as a caregiver for the child in addition to the parent with whom the child is being placed and determine whether such persons are in need of any services in order to ensure the safety of the child, regardless of whether such persons are a party to the dependency. The department or supervising agency may recommend to the court and the court may order that placement of the child in the parent's home be contingent on or delayed based on the need for such persons to engage in or complete services to ensure the safety of the child prior to placement. If services are recommended for the caregiver, and the caregiver fails to engage in or follow through with the recommended services, the department or supervising agency must promptly notify the court; and

(iii) Notify the parent with whom the child is being placed that he or she has an ongoing duty to notify the department or supervising agency of all persons who reside in the home or who may act as a caregiver for the child both prior to the placement of the child in the home and subsequent to the placement of the child in the home as long as the court retains jurisdiction of the dependency proceeding or the department is providing or monitoring either remedial services to the parent or services to ensure the safety of the child to any caregivers.

Caregivers may be required to engage in services under this subsection solely for the purpose of ensuring the present and future safety of a child who is a ward of the court. This subsection does not grant party status to any individual not already a party to the dependency proceeding, create an entitlement to services or a duty on the part of the department or supervising agency to provide services, or create judicial authority to order the provision of services to any person other than for the express purposes of this section or RCW 13.34.025 or if the services are unavailable or unsuitable or the person is not eligible for such services.

(c) If the child is not returned home, the court shall establish in writing:

(i) Whether the supervising agency or the department is making reasonable efforts to provide services to the family and eliminate the need for placement of the child. If additional services, including housing assistance, are needed to facilitate the return of the child to the child's parents, the court shall order that reasonable services be offered specifying such services;

(ii) Whether there has been compliance with the case plan by the child, the child's parents, and the agency supervising the placement;

(iii) Whether progress has been made toward correcting the problems that necessitated the child's placement in out-of-home care;

(iv) Whether the services set forth in the case plan and the responsibilities of the parties need to be clarified or modified due to the availability of additional information or changed circumstances;

(v) Whether there is a continuing need for placement;

(vi) Whether a parent's homelessness or lack of suitable housing is a significant factor delaying permanency for the child by preventing the return of the child to the home of the child's parent and whether housing assistance should be provided by the department or supervising agency;

(vii) Whether the child is in an appropriate placement which adequately meets all physical, emotional, and educational needs;

(viii) Whether preference has been given to placement with the child's relatives if such placement is in the child's best interests;

(ix) Whether both in-state and, where appropriate, out-of-state placements have been considered;

(x) Whether the parents have visited the child and any reasons why visitation has not occurred or has been infrequent;

(xi) Whether terms of visitation need to be modified;

(xii) Whether the court-approved long-term permanent plan for the child remains the best plan for the child;

(xiii) Whether any additional court orders need to be made to move the case toward permanency; and

(xiv) The projected date by which the child will be returned home or other permanent plan of care will be implemented.

(d) The court at the review hearing may order that a petition seeking termination of the parent and child relationship be filed.

(3)(a) In any case in which the court orders that a dependent child may be returned to or remain in the child's home,

the in-home placement shall be contingent upon the following:

(i) The compliance of the parents with court orders related to the care and supervision of the child, including compliance with the supervising agency's case plan; and

(ii) The continued participation of the parents, if applicable, in available substance abuse or mental health treatment if substance abuse or mental illness was a contributing factor to the removal of the child.

(b) The following may be grounds for removal of the child from the home, subject to review by the court:

(i) Noncompliance by the parents with the department's or supervising agency's case plan or court order;

(ii) The parent's inability, unwillingness, or failure to participate in available services or treatment for themselves or the child, including substance abuse treatment if a parent's substance abuse was a contributing factor to the abuse or neglect; or

(iii) The failure of the parents to successfully and substantially complete available services or treatment for themselves or the child, including substance abuse treatment if a parent's substance abuse was a contributing factor to the abuse or neglect.

(c) In a pending dependency case in which the court orders that a dependent child may be returned home and that child is later removed from the home, the court shall hold a review hearing within thirty days from the date of removal to determine whether the permanency plan should be changed, a termination petition should be filed, or other action is warranted. The best interests of the child shall be the court's primary consideration in the review hearing.

(4) The court's authority to order housing assistance under this chapter is: (a) Limited to cases in which a parent's homelessness or lack of suitable housing is a significant factor delaying permanency for the child and housing assistance would aid the parent in providing an appropriate home for the child; and (b) subject to the availability of funds appropriated for this specific purpose. Nothing in this chapter shall be construed to create an entitlement to housing assistance nor to create judicial authority to order the provision of such assistance to any person or family if the assistance or funding are unavailable or the child or family are not eligible for such assistance.

(5) The court shall consider the child's relationship with siblings in accordance with *RCW 13.34.130(3). [2009 c 520 § 29; 2009 c 491 § 3; 2009 c 397 § 4; 2009 c 152 § 1. Prior: 2007 c 413 § 8; 2007 c 410 § 1; 2005 c 512 § 3; 2003 c 227 § 5; 2001 c 332 § 5; 2000 c 122 § 19.]

13.34.141 Entry, order of disposition—Parent, guardian, or custodian of child to engage in services and maintain contact with child—Notice. (Effective until July 1, 2018.) (1) After entry of a dispositional order pursuant to RCW 13.34.130 ordering placement of a child in out-of-home care, the department shall continue to encourage the parent, guardian, or custodian of the child to engage in services and maintain contact with the child, which shall be accomplished by attaching a standard notice to the services and safety plan to be provided in advance of hearings conducted pursuant to RCW 13.34.138.

(2) The notice shall be photocopied on contrasting paper to distinguish it from the services and safety plan to which it is attached, and shall be in substantially the following form:

"NOTICE

If you have not been maintaining consistent contact with your child in out-of-home care, your ability to reunify with your child may be jeopardized. If this is your situation, you need to be aware that you have important legal rights and must take steps to protect your interests.

1. The department of social and health services (or other supervising agency) and the court have created a permanency plan for your child, including a primary placement plan and a secondary placement plan, and recommending services needed before your child can be placed in the primary or secondary placement. If you want the court to order that your child be reunified with you, you should notify your lawyer and the department, and you should carefully comply with court orders for services and participate regularly in visitation with your child. Failure to promptly engage in services or to maintain contact with your child may lead to the filing of a petition to terminate your rights as a parent.

2. Primary and secondary permanency plans are intended to run at the same time so that your child will have a permanent home as quickly as possible. Even if you want another parent or person to be the primary placement choice for your child, you should tell your lawyer, the department, and the court if you want to be the secondary placement option, and you should comply with any court orders for services and participate in visitation with your child. Early and consistent involvement in your child's case plan is important for the well-being of your child.

3. Dependency review hearings, and all other dependency case hearings, are legal proceedings with potentially serious consequences. Failure to participate, respond, or comply with court orders may lead to the loss of your parental rights." [2009 c 484 § 1.]

13.34.142 Current placement episode—Calculation.

If the most recent date that a child was removed from the home of the parent, guardian, or legal custodian for purposes of placement in out-of-home care occurred prior to the filing of a dependency petition or after filing but prior to entry of a disposition order, such time periods shall be included when calculating the length of the child's current placement episode. [2000 c 122 § 14.]

13.34.145 Permanency planning hearing—Purpose—Time limits—Goals—Review hearing—Petition for termination of parental rights—Guardianship petition—Agency responsibility to provide services to parents—Due process rights.

(1) The purpose of a permanency planning hearing is to review the permanency plan for the child, inquire into the welfare of the child and progress of the case, and reach decisions regarding the permanent placement of the child.

(a) A permanency planning hearing shall be held in all cases where the child has remained in out-of-home care for at least nine months and an adoption decree, guardianship order, or permanent custody order has not previously been entered. The hearing shall take place no later than twelve months following commencement of the current placement episode.

(b) Whenever a child is removed from the home of a dependency guardian or long-term relative or foster care provider, and the child is not returned to the home of the parent, guardian, or legal custodian but is placed in out-of-home care, a permanency planning hearing shall take place no later than twelve months, as provided in this section, following the date of removal unless, prior to the hearing, the child returns to the home of the dependency guardian or long-term care provider, the child is placed in the home of the parent, guardian, or legal custodian, an adoption decree, guardianship order, or a permanent custody order is entered, or the dependency is dismissed. Every effort shall be made to provide stability in long-term placement, and to avoid disruption of placement, unless the child is being returned home or it is in the best interest of the child.

(c) Permanency planning goals should be achieved at the earliest possible date, preferably before the child has been in out-of-home care for fifteen months. In cases where parental rights have been terminated, the child is legally free for adoption, and adoption has been identified as the primary permanency planning goal, it shall be a goal to complete the adoption within six months following entry of the termination order.

(2) No later than ten working days prior to the permanency planning hearing, the agency having custody of the child shall submit a written permanency plan to the court and shall mail a copy of the plan to all parties and their legal counsel, if any.

(3) When the youth is at least age seventeen years but not older than seventeen years and six months, the department shall provide the youth with written documentation which explains the availability of extended foster care services and detailed instructions regarding how the youth may access such services after he or she reaches age eighteen years.

(4) At the permanency planning hearing, the court shall conduct the following inquiry:

(a) If a goal of long-term foster or relative care has been achieved prior to the permanency planning hearing, the court shall review the child's status to determine whether the placement and the plan for the child's care remain appropriate. The court shall find, as of the date of the hearing, that the child's placement and plan of care is the best permanency plan for the child and provide compelling reasons why it continues to not be in the child's best interest to (i) return home; (ii) be placed for adoption; (iii) be placed with a legal guardian; or (iv) be placed with a fit and willing relative. If the child is present at the hearing, the court should ask the child about his or her desired permanency outcome.

(b) In cases where the primary permanency planning goal has not been achieved, the court shall inquire regarding the reasons why the primary goal has not been achieved and determine what needs to be done to make it possible to achieve the primary goal. The court shall review the perma-

nency plan prepared by the agency and make explicit findings regarding each of the following:

(i) The continuing necessity for, and the safety and appropriateness of, the placement;

(ii) The extent of compliance with the permanency plan by the department or supervising agency and any other service providers, the child's parents, the child, and the child's guardian, if any;

(iii) The extent of any efforts to involve appropriate service providers in addition to department or supervising agency staff in planning to meet the special needs of the child and the child's parents;

(iv) The progress toward eliminating the causes for the child's placement outside of his or her home and toward returning the child safely to his or her home or obtaining a permanent placement for the child;

(v) The date by which it is likely that the child will be returned to his or her home or placed for adoption, with a guardian or in some other alternative permanent placement; and

(vi) If the child has been placed outside of his or her home for fifteen of the most recent twenty-two months, not including any period during which the child was a runaway from the out-of-home placement or the first six months of any period during which the child was returned to his or her home for a trial home visit, the appropriateness of the permanency plan, whether reasonable efforts were made by the department or supervising agency to achieve the goal of the permanency plan, and the circumstances which prevent the child from any of the following:

(A) Being returned safely to his or her home;

(B) Having a petition for the involuntary termination of parental rights filed on behalf of the child;

(C) Being placed for adoption;

(D) Being placed with a guardian;

(E) Being placed in the home of a fit and willing relative of the child; or

(F) Being placed in some other alternative permanent placement, including independent living or long-term foster care.

(5) Following this inquiry, at the permanency planning hearing, the court shall order the department or supervising agency to file a petition seeking termination of parental rights if the child has been in out-of-home care for fifteen of the last twenty-two months since the date the dependency petition was filed unless the court makes a good cause exception as to why the filing of a termination of parental rights petition is not appropriate. Any good cause finding shall be reviewed at all subsequent hearings pertaining to the child.

(a) For purposes of this subsection, "good cause exception" includes but is not limited to the following:

(i) The child is being cared for by a relative;

(ii) The department has not provided to the child's family such services as the court and the department have deemed necessary for the child's safe return home;

(iii) The department has documented in the case plan a compelling reason for determining that filing a petition to terminate parental rights would not be in the child's best interests;

(iv) The parent is incarcerated, or the parent's prior incarceration is a significant factor in why the child has been in

foster care for fifteen of the last twenty-two months, the parent maintains a meaningful role in the child's life, and the department has not documented another reason why it would be otherwise appropriate to file a petition pursuant to this section;

(v) Where a parent has been accepted into a dependency treatment court program or long-term substance abuse or dual diagnoses treatment program and is demonstrating compliance with treatment goals; or

(vi) Where a parent who has been court ordered to complete services necessary for the child's safe return home files a declaration under penalty of perjury stating the parent's financial inability to pay for the same court-ordered services, and also declares the department was unwilling or unable to pay for the same services necessary for the child's safe return home.

(b) The court's assessment of whether a parent who is incarcerated maintains a meaningful role in the child's life may include consideration of the following:

(i) The parent's expressions or acts of manifesting concern for the child, such as letters, telephone calls, visits, and other forms of communication with the child;

(ii) The parent's efforts to communicate and work with the department or supervising agency or other individuals for the purpose of complying with the service plan and repairing, maintaining, or building the parent-child relationship;

(iii) A positive response by the parent to the reasonable efforts of the department or the supervising agency;

(iv) Information provided by individuals or agencies in a reasonable position to assist the court in making this assessment, including but not limited to the parent's attorney, correctional and mental health personnel, or other individuals providing services to the parent;

(v) Limitations in the parent's access to family support programs, therapeutic services, and visiting opportunities, restrictions to telephone and mail services, inability to participate in foster care planning meetings, and difficulty accessing lawyers and participating meaningfully in court proceedings; and

(vi) Whether the continued involvement of the parent in the child's life is in the child's best interest.

(c) The constraints of a parent's current or prior incarceration and associated delays or barriers to accessing court-mandated services may be considered in rebuttal to a claim of aggravated circumstances under RCW 13.34.132(4)(h) for a parent's failure to complete available treatment.

(6)(a) If the permanency plan identifies independent living as a goal, the court at the permanency planning hearing shall make a finding that the provision of services to assist the child in making a transition from foster care to independent living will allow the child to manage his or her financial, personal, social, educational, and nonfinancial affairs prior to approving independent living as a permanency plan of care. The court will inquire whether the child has been provided information about extended foster care services.

(b) The permanency plan shall also specifically identify the services, including extended foster care services, where appropriate, that will be provided to assist the child to make a successful transition from foster care to independent living.

(c) The department or supervising agency shall not discharge a child to an independent living situation before the

child is eighteen years of age unless the child becomes emancipated pursuant to chapter 13.64 RCW.

(7) If the child has resided in the home of a foster parent or relative for more than six months prior to the permanency planning hearing, the court shall:

(a) Enter a finding regarding whether the foster parent or relative was informed of the hearing as required in RCW 74.13.280, 13.34.215(6), and 13.34.096; and

(b) If the department or supervising agency is recommending a placement other than the child's current placement with a foster parent, relative, or other suitable person, enter a finding as to the reasons for the recommendation for a change in placement.

(8) In all cases, at the permanency planning hearing, the court shall:

(a)(i) Order the permanency plan prepared by the supervising agency to be implemented; or

(ii) Modify the permanency plan, and order implementation of the modified plan; and

(b)(i) Order the child returned home only if the court finds that a reason for removal as set forth in RCW 13.34.130 no longer exists; or

(ii) Order the child to remain in out-of-home care for a limited specified time period while efforts are made to implement the permanency plan.

(9) Following the first permanency planning hearing, the court shall hold a further permanency planning hearing in accordance with this section at least once every twelve months until a permanency planning goal is achieved or the dependency is dismissed, whichever occurs first.

(10) Prior to the second permanency planning hearing, the agency that has custody of the child shall consider whether to file a petition for termination of parental rights.

(11) If the court orders the child returned home, case-work supervision by the department or supervising agency shall continue for at least six months, at which time a review hearing shall be held pursuant to RCW 13.34.138, and the court shall determine the need for continued intervention.

(12) The juvenile court may hear a petition for permanent legal custody when: (a) The court has ordered implementation of a permanency plan that includes permanent legal custody; and (b) the party pursuing the permanent legal custody is the party identified in the permanency plan as the prospective legal custodian. During the pendency of such proceeding, the court shall conduct review hearings and further permanency planning hearings as provided in this chapter. At the conclusion of the legal guardianship or permanent legal custody proceeding, a juvenile court hearing shall be held for the purpose of determining whether dependency should be dismissed. If a guardianship or permanent custody order has been entered, the dependency shall be dismissed.

(13) Continued juvenile court jurisdiction under this chapter shall not be a barrier to the entry of an order establishing a legal guardianship or permanent legal custody when the requirements of subsection (12) of this section are met.

(14) Nothing in this chapter may be construed to limit the ability of the agency that has custody of the child to file a petition for termination of parental rights or a guardianship petition at any time following the establishment of dependency. Upon the filing of such a petition, a fact-finding hearing shall be scheduled and held in accordance with this chap-

ter unless the department or supervising agency requests dismissal of the petition prior to the hearing or unless the parties enter an agreed order terminating parental rights, establishing guardianship, or otherwise resolving the matter.

(15) The approval of a permanency plan that does not contemplate return of the child to the parent does not relieve the supervising agency of its obligation to provide reasonable services, under this chapter, intended to effectuate the return of the child to the parent, including but not limited to, visitation rights. The court shall consider the child's relationships with siblings in accordance with RCW 13.34.130.

(16) Nothing in this chapter may be construed to limit the procedural due process rights of any party in a termination or guardianship proceeding filed under this chapter. 13.34.147 Case review panel—Creation—Duties. (1) Within the department's appropriations, the department shall ensure that a case review panel reviews cases involving dependent children where permanency is not achieved for children within eighteen months after being placed in out-of-home care.

(2) The case review panel shall be comprised of, at a minimum, a lead social services specialist and either the office of the family and children's ombuds or another external organization with child welfare experience.

(3) Beginning September 1, 2018, the panel shall review all cases where, after October 19, 2017, a dependent child reaches eighteen months in out-of-home placement and has not achieved permanency. This review must occur by the child's nineteenth month in out-of-home placement. At each case review, the panel must develop a plan of action, including recommended next steps for the department to take, to achieve permanency.

(4) The department is encouraged to convene the case review panel regularly to review other cases involving dependent children as needed to ensure stability and permanency is achieved and length of stay for children in out-of-home placement is reduced. [2017 3rd sp.s. c 20 § 6.]

13.34.155 Concurrent jurisdiction over nonparental actions for child custody (as amended by 2009 c 520). (1) The court hearing the dependency petition may hear and determine issues related to chapter 26.10 RCW in a dependency proceeding as necessary to facilitate a permanency plan for the child or children as part of the dependency disposition order or a dependency review order or as otherwise necessary to implement a permanency plan of care for a child. The parents, guardians, or legal custodian of the child must agree, subject to court approval, to establish a permanent custody order. This agreed order may have the concurrence of the other parties to the dependency including the supervising agency, the guardian ad litem of the child, and the child if age twelve or older, and must also be in the best interests of the child. If the petitioner for a custody order under chapter 26.10 RCW is not a party to the dependency proceeding, he or she must agree on the record or by the filing of a declaration to the entry of a custody order. Once an order is entered under chapter 26.10 RCW, and the dependency petition dismissed, the department or supervising agency shall not continue to supervise the placement.

(2) Any court order determining issues under chapter 26.10 RCW is subject to modification upon the same showing and standards as a court order determining Title 26 RCW issues.

(3) Any order entered in the dependency court establishing or modifying a permanent legal custody order under chapter 26.10 RCW shall also be filed in the chapter 26.10 RCW action by the prevailing party. Once filed, any order establishing or modifying permanent legal custody shall survive dismissal of the dependency proceeding. [2009 c 520 § 31; 2000 c 135 § 1.]

(1) The court hearing the dependency petition may hear and determine issues related to chapter 26.10 RCW in a dependency proceeding as necessary to facilitate a permanency plan for the child or children as part of the dependency disposition order or a dependency review order or as otherwise necessary to implement a permanency plan of care for a child. The parents, guardians, or legal custodian of the child must agree, subject to court approval, to establish a permanent custody order. This agreed order may have the concurrence of the other parties to the dependency including the supervising agency, the guardian ad litem of the child, and the child if age twelve or older, and must also be in the best interests of the child. If the petitioner for a custody order under chapter 26.10 RCW is not a party to the dependency proceeding, he or she must agree on the record or by the filing of a declaration to the entry of a custody order. Once an order is entered under chapter 26.10 RCW, and the dependency petition dismissed, the department shall not continue to supervise the placement.

(2)(a) The court hearing the dependency petition may establish or modify a parenting plan under chapter 26.09 or 26.26 RCW as part of a disposition order or at a review hearing when doing so will implement a permanent plan of care for the child and result in dismissal of the dependency.

(b) The dependency court shall adhere to procedural requirements under chapter 26.09 RCW and must make a written finding that the parenting plan established or modified by the dependency court under this section is in the child's best interests.

(c) Unless the whereabouts of one of the parents is unknown to either the department or the court, the parents must agree, subject to court approval, to establish the parenting plan or modify an existing parenting plan.

(2017 Ed.)

(d) Whenever the court is asked to establish or modify a parenting plan, the child's residential schedule, the allocation of decision-making authority, and dispute resolution under this section, the dependency court may:

(i) Appoint a guardian ad litem to represent the interests of the child when the court believes the appointment is necessary to protect the best interests of the child; and

(ii) Appoint an attorney to represent the interests of the child with respect to provisions for the parenting plan.

(e) The dependency court must make a written finding that the parenting plan established or modified by the dependency court under this section is in the child's best interests.

(f) The dependency court may interview the child in chambers to ascertain the child's wishes as to the child's residential schedule in a proceeding for the entry or modification of a parenting plan under this section. The court may permit counsel to be present at the interview. The court shall cause a record of the interview to be made and to become part of the court record of the dependency case and the case under chapter 26.09 or 26.26 RCW.

(g) In the absence of agreement by a parent, guardian, or legal custodian of the child to allow the juvenile court to hear and determine issues related to the establishment or modification of a parenting plan under chapter 26.09 or 26.26 RCW, a party may move the court to transfer such issues to the family law department of the superior court for further resolution. The court may only grant the motion upon entry of a written finding that it is in the best interests of the child.

(h) In any parenting plan agreed to by the parents and entered or modified in juvenile court under this section, all issues pertaining to child support and the division of marital property shall be referred to or retained by the family law department of the superior court.

(3) Any court order determining issues under chapter 26.10 RCW is subject to modification upon the same showing and standards as a court order determining Title 26 RCW issues.

~~((3))~~ (4) Any order entered in the dependency court establishing or modifying a permanent legal custody order or parenting plan, or residential schedule under chapters 26.09, 26.10, and 26.26 RCW shall also be filed in the chapter 26.09, 26.10, and 26.26 RCW action by the moving or prevailing party. If the petitioning or moving party has been found indigent and appointed counsel at public expense in the dependency proceeding, no filing fees shall be imposed by the clerk. Once filed, any order, parenting plan, or residential schedule establishing or modifying permanent legal custody of a child shall survive dismissal of the dependency proceeding. [2009 c 526 § 2; 2000 c 135 § 1.]

13.34.160 Order of support for dependent child. (1) In an action brought under this chapter, the court may inquire into the ability of the parent or parents of the child to pay child support and may enter an order of child support as set forth in chapter 26.19 RCW. The court may enforce the same by execution, or in any way in which a court of equity may enforce its decrees. All child support orders entered pursuant to this chapter shall be in compliance with the provisions of RCW 26.23.050.

(2) For purposes of this section, if a dependent child's parent is an unmarried minor parent or pregnant minor applicant, then the parent or parents of the minor shall also be deemed a parent or parents of the dependent child. However, liability for child support under this subsection only exists if the parent or parents of the unmarried minor parent or pregnant minor applicant are provided the opportunity for a hearing on their ability to provide support. Any child support order requiring such a parent or parents to provide support for the minor parent's child may be effective only until the minor parent reaches eighteen years of age.

(3) In the absence of a court order setting support, the department may establish an administrative order for support upon receipt of a referral or application for support enforce-

In any case in which the court has ordered a parent or parents, guardian, or other person having custody of a child to pay support under RCW 13.34.160 and the order has not been complied with, the court may, upon such person or persons being duly summoned or voluntarily appearing, proceed to inquire into the amount due upon the order and enter judgment for that amount against the defaulting party or parties, and the judgment shall be docketed as are other judgments for the payment of money.

In such judgments, the county in which the order is entered shall be the judgment creditor, or the state may be the judgment creditor where the child is in the custody of a state agency. (2) The maximum term of confinement that may be imposed as a remedial sanction for contempt of court under this section is confinement for up to seven days.

(3) A child held for contempt under this section shall be confined only in a secure juvenile detention facility operated by or pursuant to a contract with a county.

(4) A motion for contempt may be made by a parent, juvenile court personnel, or by any public agency, organization, or person having custody of the child under a court order entered pursuant to this chapter.

(5) Whenever the court finds probable cause to believe, based upon consideration of a motion for contempt and the information set forth in a supporting declaration, that a child has violated a placement order entered under this chapter, the court may issue an order directing law enforcement to pick up and take the child to detention. The order may be entered ex parte without prior notice to the child or other parties. Following the child's admission to detention, a detention review hearing must be held in accordance with *RCW 13.32A.065. 13.34.174 Order of alcohol or substance abuse diagnostic investigation and evaluation—Treatment plan—Breach of plan—Reports. (1) The provisions of this section shall apply when a court orders a party to undergo an alcohol or substance abuse diagnostic investigation and evaluation.

(2) The facility conducting the investigation and evaluation shall make a written report to the court stating its findings and recommendations including family-based services or treatment when appropriate. If its findings and recommendations support treatment, it shall also recommend a treatment plan setting out:

- (a) Type of treatment;
- (b) Nature of treatment;
- (c) Length of treatment;
- (d) A treatment time schedule; and
- (e) Approximate cost of the treatment.

The affected person shall be included in developing the appropriate treatment plan. The treatment plan must be signed by the treatment provider and the affected person. The initial written progress report based on the treatment plan shall be sent to the appropriate persons six weeks after initiation of treatment. Subsequent progress reports shall be provided after three months, six months, twelve months, and thereafter every six months if treatment exceeds twelve months. Reports are to be filed with the court in a timely manner. Close-out of the treatment record must include summary of pretreatment and posttreatment, with final outcome and disposition. The report shall also include recommendations for ongoing stability and decrease in destructive behavior.

Each report shall also be filed with the court and a copy given to the person evaluated and the person's counsel. A copy of the treatment plan shall also be given to the department's or supervising agency's caseworker and to the guardian ad litem. Any program for chemical dependency shall meet the program requirements contained in *chapter 70.96A RCW.

(3) If the court has ordered treatment pursuant to a dependency proceeding it shall also require the treatment program to provide, in the reports required by subsection (2) of this section, status reports to the court, the department, the supervising agency, and the person or person's counsel regarding the person's cooperation with the treatment plan proposed and the person's progress in treatment.

(4) If a person subject to this section fails or neglects to carry out and fulfill any term or condition of the treatment plan, the program or agency administering the treatment shall report such breach to the court, the department, the guardian ad litem, the supervising agency if any, and the person or person's counsel, within twenty-four hours, together with its recommendation. These reports shall be made as a declaration

by the person who is personally responsible for providing the treatment.

(5) Nothing in this chapter may be construed as allowing the court to require the department to pay for the cost of any alcohol or substance abuse evaluation or treatment program. [2009 c 520 § 32; 2000 c 122 § 23; 1993 c 412 § 5.]

*Reviser's note: Chapter 70.96A RCW was repealed and/or recodified in its entirety pursuant to 2016 sp.s. c 29 §§ 301, effective April 1, 2018, 601, and 701.

13.34.176 Violation of alcohol or substance abuse treatment conditions—Hearing—Notice—Modification of order. (1) The court, upon receiving a report under RCW 13.34.174(4) or at the department's or supervising agency's request, may schedule a show cause hearing to determine whether the person is in violation of the treatment conditions. All parties shall be given notice of the hearing. The court shall hold the hearing within ten days of the request for a hearing. At the hearing, testimony, declarations, reports, or other relevant information may be presented on the person's alleged failure to comply with the treatment plan and the person shall have the right to present similar information on his or her own behalf.

(2) If the court finds that there has been a violation of the treatment conditions it shall modify the dependency order, as necessary, to ensure the safety of the child. The modified order shall remain in effect until the party is in full compliance with the treatment requirements. [2009 c 520 § 33; 2000 c 122 § 24; 1993 c 412 § 6.]

13.34.180 Order terminating parent and child relationship—Petition—Filing—Allegations. (Effective until July 1, 2018.) (1) A petition seeking termination of a parent and child relationship may be filed in juvenile court by any party, including the supervising agency, to the dependency proceedings concerning that child. Such petition shall conform to the requirements of RCW 13.34.040, shall be served upon the parties as provided in RCW 13.34.070(8), and shall allege all of the following unless subsection (3) or (4) of this section applies:

- (a) That the child has been found to be a dependent child;
- (b) That the court has entered a dispositional order pursuant to RCW 13.34.130;
- (c) That the child has been removed or will, at the time of the hearing, have been removed from the custody of the parent for a period of at least six months pursuant to a finding of dependency;
- (d) That the services ordered under RCW 13.34.136 have been expressly and understandably offered or provided and all necessary services, reasonably available, capable of correcting the parental deficiencies within the foreseeable future have been expressly and understandably offered or provided;
- (e) That there is little likelihood that conditions will be remedied so that the child can be returned to the parent in the near future. A parent's failure to substantially improve parental deficiencies within twelve months following entry of the dispositional order shall give rise to a rebuttable presumption that there is little likelihood that conditions will be remedied so that the child can be returned to the parent in the near future. The presumption shall not arise unless the petitioner makes a showing that all necessary services reasonably capa-

ble of correcting the parental deficiencies within the foreseeable future have been clearly offered or provided. In determining whether the conditions will be remedied the court may consider, but is not limited to, the following factors:

(i) Use of intoxicating or controlled substances so as to render the parent incapable of providing proper care for the child for extended periods of time or for periods of time that present a risk of imminent harm to the child, and documented unwillingness of the parent to receive and complete treatment or documented multiple failed treatment attempts;

(ii) Psychological incapacity or mental deficiency of the parent that is so severe and chronic as to render the parent incapable of providing proper care for the child for extended periods of time or for periods of time that present a risk of imminent harm to the child, and documented unwillingness of the parent to receive and complete treatment or documentation that there is no treatment that can render the parent capable of providing proper care for the child in the near future; or

(iii) Failure of the parent to have contact with the child for an extended period of time after the filing of the dependency petition if the parent was provided an opportunity to have a relationship with the child by the department or the court and received documented notice of the potential consequences of this failure, except that the actual inability of a parent to have visitation with the child including, but not limited to, mitigating circumstances such as a parent's current or prior incarceration or service in the military does not in and of itself constitute failure to have contact with the child; and

(f) That continuation of the parent and child relationship clearly diminishes the child's prospects for early integration into a stable and permanent home. If the parent is incarcerated, the court shall consider whether a parent maintains a meaningful role in his or her child's life based on factors identified in RCW 13.34.145(5)(b); whether the department or supervising agency made reasonable efforts as defined in this chapter; and whether particular barriers existed as described in RCW 13.34.145(5)(b) including, but not limited to, delays or barriers experienced in keeping the agency apprised of his or her location and in accessing visitation or other meaningful contact with the child.

(2) As evidence of rebuttal to any presumption established pursuant to subsection (1)(e) of this section, the court may consider the particular constraints of a parent's current or prior incarceration. Such evidence may include, but is not limited to, delays or barriers a parent may experience in keeping the agency apprised of his or her location and in accessing visitation or other meaningful contact with the child.

(3) In lieu of the allegations in subsection (1) of this section, the petition may allege that the child was found under such circumstances that the whereabouts of the child's parent are unknown and no person has acknowledged paternity or maternity and requested custody of the child within two months after the child was found.

(4) In lieu of the allegations in subsection (1)(b) through (f) of this section, the petition may allege that the parent has been convicted of:

- (a) Murder in the first degree, murder in the second degree, or homicide by abuse as defined in chapter 9A.32 RCW against another child of the parent;

(b) Manslaughter in the first degree or manslaughter in the second degree, as defined in chapter 9A.32 RCW against another child of the parent;

(c) Attempting, conspiring, or soliciting another to commit one or more of the crimes listed in (a) or (b) of this subsection; or

(d) Assault in the first or second degree, as defined in chapter 9A.36 RCW, against the surviving child or another child of the parent.

(5) When a parent has been sentenced to a long-term incarceration and has maintained a meaningful role in the child's life considering the factors provided in RCW 13.34.145(5)(b), and it is in the best interest of the child, the department should consider a permanent placement that allows the parent to maintain a relationship with his or her child, such as, but not limited to, a guardianship pursuant to chapter 13.36 RCW.

(6) Notice of rights shall be served upon the parent, guardian, or legal custodian with the petition and shall be in substantially the following form:

"NOTICE

13.34.180 Order terminating parent and child relationship—Petition—Filing—Allegations. (Effective July 1, 2018.) (1) A petition seeking termination of a parent and child relationship may be filed in juvenile court by any party, including the supervising agency, to the dependency pro-

ceedings concerning that child. Such petition shall conform to the requirements of RCW 13.34.040, shall be served upon the parties as provided in RCW 13.34.070(8), and shall allege all of the following unless subsection (3) or (4) of this section applies:

(a) That the child has been found to be a dependent child;

(b) That the court has entered a dispositional order pursuant to RCW 13.34.130;

(c) That the child has been removed or will, at the time of the hearing, have been removed from the custody of the parent for a period of at least six months pursuant to a finding of dependency;

(d) That the services ordered under RCW 13.34.136 have been expressly and understandably offered or provided and all necessary services, reasonably available, capable of correcting the parental deficiencies within the foreseeable future have been expressly and understandably offered or provided;

(e) That there is little likelihood that conditions will be remedied so that the child can be returned to the parent in the near future. A parent's failure to substantially improve parental deficiencies within twelve months following entry of the dispositional order shall give rise to a rebuttable presumption that there is little likelihood that conditions will be remedied so that the child can be returned to the parent in the near future. The presumption shall not arise unless the petitioner makes a showing that all necessary services reasonably capable of correcting the parental deficiencies within the foreseeable future have been clearly offered or provided. In determining whether the conditions will be remedied the court may consider, but is not limited to, the following factors:

(i) Use of intoxicating or controlled substances so as to render the parent incapable of providing proper care for the child for extended periods of time or for periods of time that present a risk of imminent harm to the child, and documented unwillingness of the parent to receive and complete treatment or documented multiple failed treatment attempts;

(ii) Psychological incapacity or mental deficiency of the parent that is so severe and chronic as to render the parent incapable of providing proper care for the child for extended periods of time or for periods of time that present a risk of imminent harm to the child, and documented unwillingness of the parent to receive and complete treatment or documentation that there is no treatment that can render the parent capable of providing proper care for the child in the near future; or

(iii) Failure of the parent to have contact with the child for an extended period of time after the filing of the dependency petition if the parent was provided an opportunity to have a relationship with the child by the department or the court and received documented notice of the potential consequences of this failure, except that the actual inability of a parent to have visitation with the child including, but not limited to, mitigating circumstances such as a parent's current or prior incarceration or service in the military does not in and of itself constitute failure to have contact with the child; and

(f) That continuation of the parent and child relationship clearly diminishes the child's prospects for early integration into a stable and permanent home. If the parent is incarcerated, the court shall consider whether a parent maintains a meaningful role in his or her child's life based on factors identified in RCW 13.34.145(5)(b); whether the department or

supervising agency made reasonable efforts as defined in this chapter; and whether particular barriers existed as described in RCW 13.34.145(5)(b) including, but not limited to, delays or barriers experienced in keeping the agency apprised of his or her location and in accessing visitation or other meaningful contact with the child.

(2) As evidence of rebuttal to any presumption established pursuant to subsection (1)(e) of this section, the court may consider the particular constraints of a parent's current or prior incarceration. Such evidence may include, but is not limited to, delays or barriers a parent may experience in keeping the agency apprised of his or her location and in accessing visitation or other meaningful contact with the child.

(3) In lieu of the allegations in subsection (1) of this section, the petition may allege that the child was found under such circumstances that the whereabouts of the child's parent are unknown and no person has acknowledged paternity or maternity and requested custody of the child within two months after the child was found.

(4) In lieu of the allegations in subsection (1)(b) through (f) of this section, the petition may allege that the parent has been convicted of:

(a) Murder in the first degree, murder in the second degree, or homicide by abuse as defined in chapter 9A.32 RCW against another child of the parent;

(b) Manslaughter in the first degree or manslaughter in the second degree, as defined in chapter 9A.32 RCW against another child of the parent;

(c) Attempting, conspiring, or soliciting another to commit one or more of the crimes listed in (a) or (b) of this subsection; or

(d) Assault in the first or second degree, as defined in chapter 9A.36 RCW, against the surviving child or another child of the parent.

(5) When a parent has been sentenced to a long-term incarceration and has maintained a meaningful role in the child's life considering the factors provided in RCW 13.34.145(5)(b), and it is in the best interest of the child, the department should consider a permanent placement that allows the parent to maintain a relationship with his or her child, such as, but not limited to, a guardianship pursuant to chapter 13.36 RCW.

(6) Notice of rights shall be served upon the parent, guardian, or legal custodian with the petition and shall be in substantially the following form:

(a)(i) The allegations contained in the petition as provided in RCW 13.34.180(1) are established by clear, cogent, and convincing evidence; or

(ii) The provisions of RCW 13.34.180(1) (a), (b), (e), and (f) are established beyond a reasonable doubt and if so, then RCW 13.34.180(1) (c) and (d) may be waived. When an infant has been abandoned, as defined in RCW 13.34.030, and the abandonment has been proved beyond a reasonable doubt, then RCW 13.34.180(1) (c) and (d) may be waived; or

(iii) The allegation under *RCW 13.34.180(2) is established beyond a reasonable doubt. In determining whether RCW 13.34.180(1) (e) and (f) are established beyond a reasonable doubt, the court shall consider whether one or more of the aggravated circumstances listed in RCW 13.34.132 exist; or

(iv) The allegation under *RCW 13.34.180(3) is established beyond a reasonable doubt; and

(b) Such an order is in the best interests of the child.

13.34.200 Order terminating parent and child relationship—Rights of parties when granted. (1) Upon the

termination of parental rights pursuant to RCW 13.34.180, all rights, powers, privileges, immunities, duties, and obligations, including any rights to custody, control, visitation, or support existing between the child and parent shall be severed and terminated and the parent shall have no standing to appear at any further legal proceedings concerning the child, except as provided in RCW 13.34.215: PROVIDED, That any support obligation existing prior to the effective date of the order terminating parental rights shall not be severed or terminated. The rights of one parent may be terminated without affecting the rights of the other parent and the order shall so state.

(2) An order terminating the parent and child relationship shall not disentitle a child to any benefit due the child from any third person, agency, state, or the United States, nor shall any action under this chapter be deemed to affect any rights and benefits that an Indian child derives from the child's descent from a member of a federally recognized Indian tribe.

(3) An order terminating the parent-child relationship shall include a statement addressing the status of the child's sibling relationships and the nature and extent of sibling placement, contact, or visits. [2007 c 413 § 2; 2003 c 227 § 7; 2000 c 122 § 27; 1977 ex.s. c 291 § 48.]

13.34.210 Order terminating parent and child relationship—Custody where no one has parental rights. If, upon entering an order terminating the parental rights of a parent, there remains no parent having parental rights, the court shall commit the child to the custody of the department or a supervising agency willing to accept custody for the purpose of placing the child for adoption. If an adoptive home has not been identified, the department or supervising agency shall place the child in a licensed foster home, or take other suitable measures for the care and welfare of the child. The custodian shall have authority to consent to the adoption of the child consistent with chapter 26.33 RCW, the marriage of the child, the enlistment of the child in the armed forces of the United States, necessary surgical and other medical treatment for the child, and to consent to such other matters as might normally be required of the parent of the child.

If a child has not been adopted within six months after the date of the order and a guardianship of the child under chapter 13.36 RCW or chapter 11.88 RCW, or a permanent custody order under chapter 26.10 RCW, has not been entered by the court, the court shall review the case every six months until a decree of adoption is entered. The supervising agency shall take reasonable steps to ensure that the child maintains relationships with siblings as provided in *RCW 13.34.130(3) and shall report to the court the status and extent of such relationships. 13.34.215 Petition reinstating terminated parental rights—Notice—Achievement of permanency plan—Effect of granting the petition—Hearing—Child support liability—Retroactive application—Limitation on liability.

(1) A child may petition the juvenile court to reinstate the previously terminated parental rights of his or her parent under the following circumstances:

(a) The child was previously found to be a dependent child under this chapter;

(b) The child's parent's rights were terminated in a proceeding under this chapter;

(c)(i) The child has not achieved his or her permanency plan; or

(ii) While the child achieved a permanency plan, it has not since been sustained;

(d) Three years have passed since the final order of termination was entered; and

(e) The child must be at least twelve years old at the time the petition is filed. Upon the child's motion for good cause shown, or on its own motion, the court may hear a petition filed by a child younger than twelve years old.

(2) If the child is eligible to petition the juvenile court under subsection (1) of this section and a parent whose rights have been previously terminated contacts the department or supervising agency or the child's guardian ad litem regarding reinstatement, the department or supervising agency or the guardian ad litem must notify the eligible child about his or her right to petition for reinstatement of parental rights.

(3) A child seeking to petition under this section shall be provided counsel at no cost to the child.

(4) The petition must be signed by the child in the absence of a showing of good cause as to why the child could not do so.

(5) If, after a threshold hearing to consider the parent's apparent fitness and interest in reinstatement of parental rights, the court finds by a preponderance of the evidence that the best interests of the child may be served by reinstatement of parental rights, the juvenile court shall order that a hearing on the merits of the petition be held.

(6) The court shall give prior notice for any proceeding under this section, or cause prior notice to be given, to the department or the supervising agency, the child's attorney, and the child. The court shall also order the department or supervising agency to give prior notice of any hearing to the child's former parent whose parental rights are the subject of the petition, any parent whose rights have not been terminated, the child's current foster parent, relative caregiver, guardian or custodian, and the child's tribe, if applicable.

(7) The juvenile court shall conditionally grant the petition if it finds by clear and convincing evidence that the child has not achieved his or her permanency plan and is not likely to imminently achieve his or her permanency plan and that reinstatement of parental rights is in the child's best interest. In determining whether reinstatement is in the child's best interest the court shall consider, but is not limited to, the following:

(a) Whether the parent whose rights are to be reinstated is a fit parent and has remedied his or her deficits as provided

in the record of the prior termination proceedings and prior termination order;

(b) The age and maturity of the child, and the ability of the child to express his or her preference;

(c) Whether the reinstatement of parental rights will present a risk to the child's health, welfare, or safety; and

(d) Other material changes in circumstances, if any, that may have occurred which warrant the granting of the petition.

(8) In determining whether the child has or has not achieved his or her permanency plan or whether the child is likely to achieve his or her permanency plan, the department or supervising agency shall provide the court, and the court shall review, information related to any efforts to achieve the permanency plan including efforts to achieve adoption or a permanent guardianship.

(9)(a) If the court conditionally grants the petition under subsection (7) of this section, the case will be continued for six months and a temporary order of reinstatement entered. During this period, the child shall be placed in the custody of the parent. The department or supervising agency shall develop a permanency plan for the child reflecting the plan to be reunification and shall provide transition services to the family as appropriate.

(b) If the child must be removed from the parent due to abuse or neglect allegations prior to the expiration of the conditional six-month period, the court shall dismiss the petition for reinstatement of parental rights if the court finds the allegations have been proven by a preponderance of the evidence.

(c) If the child has been successfully placed with the parent for six months, the court order reinstating parental rights remains in effect and the court shall dismiss the dependency.

(10) After the child has been placed with the parent for six months, the court shall hold a hearing. If the placement with the parent has been successful, the court shall enter a final order of reinstatement of parental rights, which shall restore all rights, powers, privileges, immunities, duties, and obligations of the parent as to the child, including those relating to custody, control, and support of the child. The court shall dismiss the dependency and direct the clerk's office to provide a certified copy of the final order of reinstatement of parental rights to the parent at no cost.

(11) The granting of the petition under this section does not vacate or otherwise affect the validity of the original termination order.

(12) Any parent whose rights are reinstated under this section shall not be liable for any child support owed to the department pursuant to RCW 13.34.160 or Title 26 RCW or costs of other services provided to a child for the time period from the date of termination of parental rights to the date parental rights are reinstated.

(13) A proceeding to reinstate parental rights is a separate action from the termination of parental rights proceeding and does not vacate the original termination of parental rights. An order granted under this section reinstates the parental rights to the child. This reinstatement is a recognition that the situation of the parent and child have changed since the time of the termination of parental rights and reunification is now appropriate.

(14) This section is retroactive and applies to any child who is under the jurisdiction of the juvenile court at the time

(2017 Ed.)

of the hearing regardless of the date parental rights were terminated.

(15) The state, the department, the supervising agency, and its employees are not liable for civil damages resulting from any act or omission in the provision of services under this section, unless the act or omission constitutes gross negligence. This section does not create any duty and shall not be construed to create a duty where none exists. This section does not create a cause of action against the state, the department, the supervising agency, or its employees concerning the original termination. [2011 c 292 § 2; 2010 c 180 § 4; 2009 c 520 § 36; 2008 c 267 § 1; 2007 c 413 § 1.]

Findings—2010 c 180: See note following RCW 13.34.100.

Severability—2007 c 413: "If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected." [2007 c 413 § 13.]

13.34.232 Guardianship for dependent child—Order, contents—Rights and duties of dependency guardian. (1) An order establishing a dependency guardianship shall:

(a) Appoint a person or agency to serve as dependency guardian for the limited purpose of assisting the court to supervise the dependency;

(b) Specify the dependency guardian's rights and responsibilities concerning the care, custody, and control of the child. A dependency guardian shall not have the authority to consent to the child's adoption;

(c) Specify the dependency guardian's authority, if any, to receive, invest, and expend funds, benefits, or property belonging to the child;

(d) Specify an appropriate frequency of visitation between the parent and the child; and

(e) Specify the need for any continued involvement of the supervising agency and the nature of that involvement, if any.

(2) Unless the court specifies otherwise in the guardianship order, the dependency guardian shall maintain the physical custody of the child and have the following rights and duties:

(a) Protect, discipline, and educate the child;

(b) Provide food, clothing, shelter, education as required by law, and routine health care for the child;

(c) Consent to necessary health and surgical care and sign a release of health care information to appropriate authorities, pursuant to law;

(d) Consent to social and school activities of the child; and

(e) Provide an annual written accounting to the court regarding receipt by the dependency guardian of any funds, benefits, or property belonging to the child and expenditures made therefrom.

(3) As used in this section, the term "health care" includes, but is not limited to, medical, dental, psychological, and psychiatric care and treatment.

(4) The child shall remain dependent for the duration of the guardianship. While the guardianship remains in effect, the dependency guardian shall be a party to any dependency proceedings pertaining to the child.

(5) The guardianship shall remain in effect only until the child is eighteen years of age or until the court terminates the guardianship order, whichever occurs sooner. [2010 c 272 § 14; 1994 c 288 § 7; 1993 c 412 § 4; 1981 c 195 § 3.]

13.34.233 Guardianship for dependent child—Modification or termination of order—Hearing—Termination of guardianship. (1) Any party may request the court under RCW 13.34.150 to modify or terminate a dependency guardianship order. Notice of any motion to modify or terminate the guardianship shall be served on all other parties, including any agency that was responsible for supervising the child's placement at the time the guardianship petition was filed. Notice in all cases shall be served upon the department. If the department or supervising agency was not previously a party to the guardianship proceeding, the department or supervising agency shall nevertheless have the right to: (a) Initiate a proceeding to modify or terminate a guardianship; and (b) intervene at any stage of such a proceeding.

(2) The guardianship may be modified or terminated upon the motion of any party, the department, or the supervising agency if the court finds by a preponderance of the evidence that there has been a substantial change of circumstances subsequent to the establishment of the guardianship and that it is in the child's best interest to modify or terminate the guardianship. The court shall hold a hearing on the motion before modifying or terminating a guardianship.

(3) Upon entry of an order terminating the guardianship, the dependency guardian shall not have any rights or responsibilities with respect to the child and shall not have legal standing to participate as a party in further dependency proceedings pertaining to the child. The court may allow the child's dependency guardian to attend dependency review proceedings pertaining to the child for the sole purpose of providing information about the child to the court.

(4) Upon entry of an order terminating the guardianship, the child shall remain dependent and the court shall either return the child to the child's parent or order the child into the custody, control, and care of the department or a supervising agency for placement in a foster home or group care facility licensed pursuant to chapter 74.15 RCW or in a home not required to be licensed pursuant to such chapter. The court shall not place a child in the custody of the child's parent unless the court finds that reasons for removal as set forth in RCW 13.34.130 no longer exist and that such placement is in the child's best interest. The court shall thereafter conduct reviews as provided in RCW 13.34.138 and, where applicable, shall hold a permanency planning hearing in accordance with RCW 13.34.145. [2009 c 520 § 38; 2000 c 122 § 30; 1995 c 311 § 24; 1994 c 288 § 8; 1981 c 195 § 4.]

13.34.234 Guardianship for dependent child—Dependency guardianship subsidies. A dependency guardian who is a licensed foster parent at the time the guardianship is established under this chapter and who has been the child's foster parent for a minimum of six consecutive months preceding entry of the guardianship order may be eligible for a guardianship subsidy on behalf of the child. [2010 c 272 § 15; 2009 c 235 § 6; 1994 c 288 § 9; 1981 c 195 § 5.]

Findings—Intent—2009 c 235: See note following RCW 74.13.031.

13.34.235 Guardianship for dependent child—Review hearing requirements not applicable—Exception. A dependency guardianship is not subject to the review hearing requirements of RCW 13.34.138 unless ordered by the court under RCW 13.34.232(1)(e). [2000 c 122 § 31; 1981 c 195 § 6.]

13.34.237 Guardianship for dependent child—Subject to dependency and termination of parent-child relationship provisions—Exceptions—Request to convert dependency guardianship to guardianship—Dismissal of dependency. (1) Notwithstanding the provisions of chapter 13.36 RCW, a dependency guardianship established by court order under this chapter and in force on June 10, 2010, shall remain subject to the provisions of this chapter unless: (a) The dependency guardianship is modified or terminated under the provisions of this chapter; or (b) the dependency guardianship is converted by court order to a guardianship pursuant to a petition filed under RCW 13.36.030.

(2) A dependency guardian or the department or supervising agency may request the juvenile court to convert a dependency guardianship established under this chapter to a guardianship under chapter 13.36 RCW by filing a petition under RCW 13.36.030. If both the dependency guardian and the department or supervising agency agree that the dependency guardianship should be converted to a guardianship under this chapter, and if the court finds that such conversion is in the child's best interests, the court shall grant the petition and enter an order of guardianship in accordance with RCW 13.36.050.

(3) The court shall dismiss the dependency established under this chapter upon the entry of a guardianship order under chapter 13.36 RCW. [2010 c 272 § 11.]

13.34.240 Acts, records, and proceedings of Indian tribe or band given full faith and credit. The courts of this state shall give full faith and credit as provided for in the United States Constitution to the public acts, records, and judicial proceedings of any Indian tribe or band in any proceeding brought pursuant to this chapter to the same extent that full faith and credit is given to the public acts, records, and judicial proceedings of any other state. [1979 c 155 § 52.]

13.34.245 Voluntary consent to foster care placement for Indian child—Validation—Withdrawal of consent—Termination. (1) Where any parent or Indian custodian voluntarily consents to foster care placement of an Indian child and a petition for dependency has not been filed regarding the child, such consent shall not be valid unless executed in writing before the court and filed with the court. The consent shall be accompanied by the written certification of the court that the terms and consequences of the consent were fully explained in detail to the parent or Indian custodian during the court proceeding and were fully understood by the parent or Indian custodian. The court shall also certify in writing either that the parent or Indian custodian fully understood the explanation in English or that it was interpreted into a language that the parent or Indian custodian understood. Any

consent given prior to, or within ten days after, the birth of the Indian child shall not be valid.

(2) To obtain court validation of a voluntary consent to foster care placement, any person may file a petition for validation alleging that there is located or residing within the county an Indian child whose parent or Indian custodian wishes to voluntarily consent to foster care placement of the child and requesting that the court validate the consent as provided in this section. The petition shall contain the name, date of birth, and residence of the child, the names and residences of the consenting parent or Indian custodian, and the name and location of the Indian tribe in which the child is a member or eligible for membership. The petition shall state whether the placement preferences of 25 U.S.C. Sec. 1915 (b) or (c) will be followed. Reasonable attempts shall be made by the petitioner to ascertain and set forth in the petition the identity, location, and custodial status of any parent or Indian custodian who has not consented to foster care placement and why that parent or Indian custodian cannot assume custody of the child.

(3) Upon filing of the petition for validation, the clerk of the court shall schedule the petition for a hearing on the court validation of the voluntary consent no later than forty-eight hours after the petition has been filed, excluding Saturdays, Sundays, and holidays. Notification of time, date, location, and purpose of the validation hearing shall be provided as soon as possible to the consenting parent or Indian custodian, the department or supervising agency which is to assume responsibility for the child's placement and care pursuant to the consent to foster care placement, and the Indian tribe in which the child is enrolled or eligible for enrollment as a member. If the identity and location of any nonconsenting parent or Indian custodian is known, reasonable attempts shall be made to notify the parent or Indian custodian of the consent to placement and the validation hearing. Notification under this subsection may be given by the most expedient means, including, but not limited to, mail, personal service, telephone, and telegraph.

(4) Any parent or Indian custodian may withdraw consent to a voluntary foster care placement, made under this section, at any time. Unless the Indian child has been taken in custody pursuant to RCW 13.34.050 or 26.44.050, placed in shelter care pursuant to RCW 13.34.060, or placed in foster care pursuant to RCW 13.34.130, the Indian child shall be returned to the parent or Indian custodian upon withdrawal of consent to foster care placement of the child.

(5) Upon termination of the voluntary foster care placement and return of the child to the parent or Indian custodian, the department or supervising agency which had assumed responsibility for the child's placement and care pursuant to the consent to foster care placement shall file with the court written notification of the child's return and shall also send such notification to the Indian tribe in which the child is enrolled or eligible for enrollment as a member and to any other party to the validation proceeding including any non-custodial parent. 13.34.260 Foster home placement—Parental preferences—Foster parent contact with birth parents encour-

(2017 Ed.)

aged. (1) In an attempt to minimize the inherent intrusion in the lives of families involved in the foster care system and to maintain parental authority where appropriate, the department, absent good cause, shall follow the wishes of the natural parent regarding the placement of the child with a relative or other suitable person pursuant to RCW 13.34.130. Preferences such as family constellation, sibling relationships, ethnicity, and religion shall be considered when matching children to foster homes. Parental authority is appropriate in areas that are not connected with the abuse or neglect that resulted in the dependency and shall be integrated through the foster care team.

(2) When a child is placed in out-of-home care, relatives, other suitable persons, and foster parents are encouraged to:

(a) Provide consultation to the foster care team based upon their experience with the child placed in their care;

(b) Assist the birth parents by helping them understand their child's needs and correlating appropriate parenting responses;

(c) Participate in educational activities, and enter into community-building activities with birth families and other foster families;

(d) Transport children to family time visits with birth families and assist children and their families in maximizing the purposefulness of family time.

(3) For purposes of this section:

(a) "Foster care team" means the relative, other suitable person, or foster parent currently providing care, the currently assigned department employee, and the parent or parents; and

(b) "Birth family" means the persons described in RCW 74.15.020(2)(a). [2011 c 89 § 5; 2009 c 491 § 5; 2003 c 226 § 2; 2002 c 52 § 7; 2000 c 122 § 32; 1990 c 284 § 25.]

Effective date—2011 c 89: See note following RCW 18.320.005.

Findings—2011 c 89: See RCW 18.320.005.

Findings—Intent—2003 c 226: "The legislature finds that a large group of children spend a significant part of their lives in foster care. Each individual connected to a child in an out-of-home placement must have an abiding appreciation of the seriousness of the child's separation from his or her family and the past, whether that separation is short, long, or permanent in nature. It is the intent of the legislature to recognize and honor the history and the family connections that each child brings to an out-of-home placement.

The legislature finds that creating and sanctioning a connection between a child's birth parents and foster family, when appropriate, can result in better relationships among birth families, children, foster families, and social workers. Creating and sanctioning this connection can result in greater foster placement stability and fewer disruptions for children, as well as greater satisfaction for foster parents and social workers." [2003 c 226 § 1.]

Intent—2002 c 52: See note following RCW 13.34.025.

Finding—Effective date—1990 c 284: See notes following RCW 74.13.250.

13.34.265 Foster home placement—Considerations.

If a child has been previously placed in out-of-home care and is subsequently returned to out-of-home care, and the department cannot locate an appropriate and available relative or other suitable person, the preferred placement for the child is in a foster family home where the child previously was placed, if the following conditions are met:

(1) The foster family home is available and willing to care for the child;

(2) The foster family is appropriate and able to meet the child's needs; and

(3) The placement is in the best interest of the child. [2009 c 482 § 2.]

13.34.267 Extended foster care services—Maintenance of dependency proceeding—Placement, care of youth—Appointment of counsel—Case plan. (1) In order to facilitate the delivery of extended foster care services, the court, upon the agreement of the youth to participate in the extended foster care program, shall maintain the dependency proceeding for any youth who is dependent in foster care at the age of eighteen years and who, at the time of his or her eighteenth birthday, is:

(a) Enrolled in a secondary education program or a secondary education equivalency program;

(b) Enrolled and participating in a postsecondary academic or postsecondary vocational program, or has applied for and can demonstrate that he or she intends to timely enroll in a postsecondary academic or postsecondary vocational program;

(c) Participating in a program or activity designed to promote employment or remove barriers to employment;

(d) Engaged in employment for eighty hours or more per month; or

(e) Not able to engage in any of the activities described in (a) through (d) of this subsection due to a documented medical condition.

(2) If the court maintains the dependency proceeding of a youth pursuant to subsection (1) of this section, the youth is eligible to receive extended foster care services pursuant to RCW 74.13.031, subject to the youth's continuing eligibility and agreement to participate.

(3) A dependent youth receiving extended foster care services is a party to the dependency proceeding. The youth's parent or guardian must be dismissed from the dependency proceeding when the youth reaches the age of eighteen.

(4) The court shall dismiss the dependency proceeding for any youth who is a dependent in foster care and who, at the age of eighteen years, does not meet any of the criteria described in subsection (1)(a) through (e) of this section or does not agree to participate in the program.

(5) The court shall order a youth participating in extended foster care services to be under the placement and care authority of the department, subject to the youth's continuing agreement to participate in extended foster care services. The department may establish foster care rates appropriate to the needs of the youth participating in extended foster care services. The department's placement and care authority over a youth receiving extended foster care services is solely for the purpose of providing services and does not create a legal responsibility for the actions of the youth receiving extended foster care services.

(6) The court shall appoint counsel to represent a youth, as defined in RCW 13.34.030(2)(b), in dependency proceedings under this section.

(7) The case plan for and delivery of services to a youth receiving extended foster care services is subject to the review requirements set forth in RCW 13.34.138 and 13.34.145, and should be applied in a developmentally appropriate

manner, as they relate to youth age eighteen to twenty-one years. Additionally, the court shall consider:

(a) Whether the youth is safe in his or her placement;

(b) Whether the youth continues to be eligible for extended foster care services;

(c) Whether the current placement is developmentally appropriate for the youth;

(d) The youth's development of independent living skills; and

(e) The youth's overall progress toward transitioning to full independence and the projected date for achieving such transition.

(8) Prior to the review hearing, the youth's attorney shall indicate whether there are any contested issues and may provide additional information necessary for the court's review. [2015 c 240 § 1; 2014 c 122 § 1; 2013 c 332 § 4; 2012 c 52 § 4; 2011 c 330 § 7.]

Effective date—2015 c 240: "This act takes effect July 1, 2016." [2015 c 240 § 6.]

Effective date—2014 c 122: "This act takes effect March 1, 2015." [2014 c 122 § 3.]

Findings—2013 c 332: "(1) The legislature finds that the federal fostering connections to success and increasing adoptions act of 2008 provides important new opportunities to increase the impact of state funding through maximizing the amount of federal funding available to promote permanency and positive outcomes for dependent youth.

(2) The legislature also finds that children and adolescents who are legal dependents of Washington state have experienced significant trauma and loss, putting them at increased risk for poor life outcomes. Longitudinal research on the adult functioning of former foster youth indicates a disproportionate likelihood that youth aging out of foster care and those who spent several years in care will experience poor outcomes in a variety of areas, including limited human capital upon which to build economic security and inability to fully take advantage of secondary and postsecondary educational opportunities, untreated mental or behavioral health problems, involvement in the criminal justice and corrections systems, and early parenthood combined with second-generation child welfare involvement.

(3) The legislature further finds that research also demonstrates that access to adequate and appropriate supports during the period of transition from foster care to independence can have significant positive impacts on adult functioning and can improve outcomes relating to educational attainment and postsecondary enrollment, employment and earnings, and reduced rates of teen pregnancies." [2013 c 332 § 1.]

Recommendations—2013 c 332: "No later than September 1, 2013, the department of social and health services shall develop recommendations regarding the needs of dependent youth in juvenile rehabilitation administration institutions and report those recommendations to the governor and appropriate legislative committees. The report must include specific recommendations regarding how these youth may access services under the extended foster care program. The recommendations must be developed by the children's administration and the juvenile rehabilitation administration in consultation with youth who have been involved with the juvenile rehabilitation administration and representatives from community stakeholders and the courts." [2013 c 332 § 14.]

Application—2013 c 332: "This act applies prospectively only and not retroactively. It applies to:

(1) Dependency matters that have an open court case on July 28, 2013; and

(2) Dependency matters for which a petition is filed on or after July 28, 2013." [2013 c 332 § 15.]

Intent—2011 c 330: See note following RCW 13.04.011.

13.34.268 Extended foster care services—Voluntary placement agreement—Decline—Petition for dependency. (1)(a) If a youth prior to reaching age nineteen years requests extended foster care services from the department pursuant to RCW 74.13.336, and the department declines to

enter into a voluntary placement agreement with the youth, the department must provide written documentation to the youth which contains:

(i) The date that the youth requested extended foster care services;

(ii) The department's reasons for declining to enter into a voluntary placement agreement with the youth and the date of the department's decision; and

(iii) Information regarding the youth's right to ask the court to establish a dependency for the purpose of providing extended foster care services and his or her right to counsel to assist in making that request.

(b) The written documentation pursuant to (a) of this subsection must be provided to the youth within ten days of the department's decision not to enter into a voluntary placement agreement with the youth.

(2)(a) A youth seeking to participate in extended foster care after being declined by the department under subsection (1) of this section may file a notice of intent to file a petition for dependency, asking the court to determine his or her eligibility for extended foster care services, and to enter an order of dependency. If the youth chooses to file such notice, it must be filed within thirty days of the date of the department's decision.

(b) Upon filing the notice, the youth must be provided counsel at no cost to him or her. Upon receipt of the youth's petition, the court must set a hearing date to determine whether the petition should be granted. [2013 c 332 § 6.]

Findings—Recommendations—Application—2013 c 332: See notes following RCW 13.34.267.

13.34.270 Child with developmental disability—Out-of-home placement—Permanency planning hearing.

(1) Whenever the department places a child with a developmental disability in out-of-home care pursuant to RCW 74.13.350, the department shall obtain a judicial determination within one hundred eighty days of the placement that continued placement is in the best interests of the child. If the child's out-of-home placement ends before one hundred eighty days have elapsed, no judicial determination is required.

(2) To obtain the judicial determination, the department shall file a petition alleging that there is located or residing within the county a child who has a developmental disability and that the child has been placed in out-of-home care pursuant to RCW 74.13.350. The petition shall request that the court review the child's placement, make a determination whether continued placement is in the best interests of the child, and take other necessary action as provided in this section. The petition shall contain the name, date of birth, and residence of the child and the names and residences of the child's parent or legal guardian who has agreed to the child's placement in out-of-home care. Reasonable attempts shall be made by the department to ascertain and set forth in the petition the identity, location, and custodial status of any parent who is not a party to the placement agreement and why that parent cannot assume custody of the child.

(3) Upon filing of the petition, the clerk of the court shall schedule the petition for a hearing to be held no later than fourteen calendar days after the petition has been filed. The department shall provide notification of the time, date, and

(2017 Ed.)

purpose of the hearing to the parent or legal guardian who has agreed to the child's placement in out-of-home care. The department shall also make reasonable attempts to notify any parent who is not a party to the placement agreement, if the parent's identity and location is known. Notification under this section may be given by the most expedient means, including but not limited to, mail, personal service, and telephone.

(4) The court shall appoint a guardian ad litem for the child as provided in RCW 13.34.100, unless the court for good cause finds the appointment unnecessary.

(5) Permanency planning hearings shall be held as provided in this section. At the hearing, the court shall review whether the child's best interests are served by continued out-of-home placement and determine the future legal status of the child.

(a) For children age ten and under, a permanency planning hearing shall be held in all cases where the child has remained in out-of-home care for at least nine months and an adoption decree or guardianship order under chapter 11.88 RCW has not previously been entered. The hearing shall take place no later than twelve months following commencement of the child's current placement episode.

(b) For children over age ten, a permanency planning hearing shall be held in all cases where the child has remained in out-of-home care for at least fifteen months and an adoption decree or guardianship order under chapter 11.88 RCW has not previously been entered. The hearing shall take place no later than eighteen months following commencement of the current placement episode.

(c) No later than ten working days before the permanency planning hearing, the department shall submit a written permanency plan to the court and shall mail a copy of the plan to all parties. The plan shall be directed toward securing a safe, stable, and permanent home for the child as soon as possible. The plan shall identify one of the following outcomes as the primary goal and may also identify additional outcomes as alternative goals: Return of the child to the home of the child's parent or legal guardian; adoption; guardianship; or long-term out-of-home care, until the child is age eighteen, with a written agreement between the parties and the child's care provider.

(d) If a goal of long-term out-of-home care has been achieved before the permanency planning hearing, the court shall review the child's status to determine whether the placement and the plan for the child's care remains appropriate. In cases where the primary permanency planning goal has not been achieved, the court shall inquire regarding the reasons why the primary goal has not been achieved and determine what needs to be done to make it possible to achieve the primary goal.

(e) Following the first permanency planning hearing, the court shall hold a further permanency planning hearing in accordance with this section at least once every twelve months until a permanency planning goal is achieved or the voluntary placement agreement is terminated.

(6) Any party to the voluntary placement agreement may terminate the agreement at any time. Upon termination of the agreement, the child shall be returned to the care of the child's parent or legal guardian, unless the child has been taken into custody pursuant to RCW 13.34.050 or 26.44.050, placed in

shelter care pursuant to RCW 13.34.060, or placed in foster care pursuant to RCW 13.34.130. The department shall notify the court upon termination of the voluntary placement agreement and return of the child to the care of the child's parent or legal guardian. Whenever a voluntary placement agreement is terminated, an action under this section shall be dismissed.

(7) When state or federal funds are expended for the care and maintenance of a child with a developmental disability, placed in care as a result of an action under this chapter, the department shall refer the case to the division of child support, unless the department finds that there is good cause not to pursue collection of child support against the parent or parents of the child.

(8) This section does not prevent the department from filing a dependency petition if there is reason to believe that the child is a dependent child as defined in RCW 13.34.030. An action filed under this section shall be dismissed upon the filing of a dependency petition regarding a child who is the subject of the action under this section. [2004 c 183 § 2; 2000 c 122 § 33; 1998 c 229 § 2; 1997 c 386 § 19.]

13.34.300 Relevance of failure to cause juvenile to attend school to neglect petition. The legislature finds that it is the responsibility of the custodial parent, parents or guardian to ensure that children within the custody of such individuals attend school as provided for by law. To this end, while a parent's failure to cause a juvenile to attend school should not alone provide a basis for a neglect petition against the parent or guardian, when a neglect petition is filed on the basis of other evidence, a parent or guardian's failure to take reasonable steps to ensure that the juvenile attends school may be relevant to the question of the appropriate disposition of a neglect petition. [2000 c 122 § 34; 1979 ex.s. c 201 § 3.]

13.34.315 Health care—Evaluation and treatment. Whenever a child is ordered removed from his or her home pursuant to this chapter, the agency charged with his or her care may authorize an evaluation and treatment for the child's routine and necessary medical, dental, or mental health care, and all necessary emergency care. [2006 c 221 § 2.]

Finding—2006 c 221: "The legislature recognizes that foster children have enhanced health care needs and that it is necessary to improve the system of providing health care for foster children. The legislature further recognizes the importance of meeting the mental health needs of children in foster care, as well as their medical and dental health care needs. The legislature finds that there must be greater coordination and integration of systems, in particular coordination between children's administration and the health and recovery services administration as well as other agencies that provide or pay for health services for foster youth, to ensure that the health care needs of children in foster care are met in a timely manner." [2006 c 221 § 1.]

13.34.320 Inpatient mental health treatment—When parental consent required—Hearing. The department or supervising agency shall obtain the prior consent of a child's parent, legal guardian, or legal custodian before a dependent child is admitted into an inpatient mental health treatment facility. If the child's parent, legal guardian, or legal custodian is unavailable or does not agree with the proposed admission, the department or supervising agency shall request a hearing and provide notice to all interested parties to seek prior approval of the juvenile court before such admission. In the event that an emergent situation creating a

risk of substantial harm to the health and welfare of a child in the custody of the department or supervising agency does not allow time for the department or supervising agency to obtain prior approval or to request a court hearing before consenting to the admission of the child into an inpatient mental health hospital, the department or supervising agency shall seek court approval by requesting that a hearing be set on the first available court date. [2009 c 520 § 40; 1999 c 188 § 2.]

Intent—1999 c 188: "It is the intent of the legislature that minor children in the care and custody of the department of social and health services under chapter 13.34 RCW be provided the most appropriate possible mental health care consistent with the child's best interests, family reconciliation, the child's medical need for mental health treatment, available state and community resources, and professional standards of medical care. The legislature intends that admission of such minors for mental health hospitalization be made pursuant to the criteria and standards for mental health services for minors established in chapter 71.34 RCW, and that minor children in the care and custody of the department in need of mental health hospitalization shall retain all rights set forth therein. The legislature specifically intends that this act may not be construed to affect the standards or procedures established for the involuntary commitment of minors under chapter 71.34 RCW." [1999 c 188 § 1.]

13.34.330 Inpatient mental health treatment—Placement. A dependent child who is admitted to an inpatient mental health facility shall be placed in a facility, with available treatment space, that is closest to the family home, unless the department or supervising agency, in consultation with the admitting authority finds that admission in the facility closest to the child's home would jeopardize the health or safety of the child. [2009 c 520 § 41; 1999 c 188 § 3.]

Intent—1999 c 188: See note following RCW 13.34.320.

13.34.340 Release of records—Disclosure to treating physician. For minors who cannot consent to the release of their records with the department or supervising agency because they are not old enough to consent to treatment, or, if old enough, lack the capacity to consent, or if the minor is receiving treatment involuntarily with a provider the department or supervising agency has authorized to provide mental health treatment under RCW 13.34.320, the department or supervising agency shall disclose, upon the treating physician's request, all relevant records, including the minor's passport as established under RCW 74.13.285, in the department's or supervising agency's possession that the treating physician determines contain information required for treatment of the minor. The treating physician shall maintain all records received from the department or supervising agency in a manner that distinguishes the records from any other records in the minor's file with the treating physician and the department or supervising agency records may not be disclosed by the treating physician to any other person or entity absent a court order except that, for medical purposes only, a treating physician may disclose the department or supervising agency records to another treating physician. [2009 c 520 § 42; 2000 c 122 § 35; 1999 c 188 § 4.]

Intent—1999 c 188: See note following RCW 13.34.320.

13.34.350 Dependent children—Information sharing—Guidelines. In order to facilitate communication of information needed to serve the best interest of any child who is the subject of a dependency case filed under this chapter, the department shall, consistent with state and federal law gov-

erning the release of confidential information, establish guidelines, and shall use those guidelines for the facilitation of communication of relevant information among divisions, providers, the courts, the family, caregivers, caseworkers, and others. [2009 c 520 § 43; 2001 c 52 § 2.]

Finding—2001 c 52: "Recent analysis of the child dependency system following the death of Zy'Nyia Nobles indicated poor communication of relevant information from the courts, to the department, within programs between caseworkers, between divisions, among specialists, caregivers, and family. Appropriate service delivery necessitates communication of relevant information. Barriers to appropriate communication must be eliminated." [2001 c 52 § 1.]

(b) "Newborn" means a live human being who is less than seventy-two hours old.

(c) "Qualified person" means (i) any person that the parent transferring the newborn reasonably believes is a bona fide employee, volunteer, or medical staff member of the hospital or federally designated rural health clinic and who represents to the parent transferring the newborn that he or she can and will summon appropriate resources to meet the newborn's immediate needs; or (ii) a firefighter, volunteer, or emergency medical technician at a fire station who represents to the parent transferring the newborn that he or she can and will summon appropriate resources to meet the newborn's immediate needs.

(2) A parent of a newborn who transfers the newborn to a qualified person at an appropriate location is not subject to criminal liability under RCW 9A.42.060, 9A.42.070, 9A.42.080, 26.20.030, or 26.20.035.

(3)(a) The qualified person at an appropriate location shall not require the parent transferring the newborn to provide any identifying information in order to transfer the newborn.

(b) The qualified person at an appropriate location shall attempt to protect the anonymity of the parent who transfers the newborn, while providing an opportunity for the parent to anonymously give the qualified person such information as the parent knows about the family medical history of the parents and the newborn. The qualified person at an appropriate location shall provide referral information about adoption options, counseling, appropriate medical and emotional after-care services, domestic violence, and legal rights to the parent seeking to transfer the newborn.

(c) If a parent of a newborn transfers the newborn to a qualified person at an appropriate location pursuant to this section, the qualified person shall cause child protective services to be notified within twenty-four hours after receipt of such a newborn. Child protective services shall assume custody of the newborn within twenty-four hours after receipt of notification.

(2017 Ed.)

(d) A federally designated rural health clinic is not required to provide ongoing medical care of a transferred newborn beyond that already required by law and may transfer the newborn to a hospital licensed under chapter 70.41 RCW. The federally designated rural health clinic shall notify child protective services of the transfer of the newborn to the hospital.

(e) A hospital, federally designated rural health clinic, or fire station, its employees, volunteers, and medical staff are immune from any criminal or civil liability for accepting or receiving a newborn under this section.

(4)(a) Beginning July 1, 2011, an appropriate location shall post a sign indicating that the location is an appropriate place for the safe and legal transfer of a newborn.

(b) To cover the costs of acquiring and placing signs, appropriate locations may accept nonpublic funds and donations. [2009 c 290 § 1; 2002 c 331 § 2.]

Intent—2002 c 331: "The legislature intends to increase the likelihood that pregnant women will obtain adequate prenatal care and will provide their newborns with adequate health care during the first few days of their lives. The legislature recognizes that prenatal and postdelivery health care for newborns and their mothers is especially critical to their survival and well-being. The legislature does not intend to encourage the abandonment of newborn children nor to change existing law relating to notification to parents under chapter 13.34 RCW, but rather to assure that abandonment does not occur and that all newborns have an opportunity for adequate health care and a stable home life." [2002 c 331 § 1.]

13.34.370 Evaluation of parties—Selection of evaluators. The court may order expert evaluations of parties to obtain information regarding visitation issues or other issues in a case. These evaluations shall be performed by appointed evaluators who are mutually agreed upon by the court, the supervising agency, the department, and the parents' counsel, and, if the child is to be evaluated, by the representative for the child. If no agreement can be reached, the court shall select the expert evaluator. [2009 c 520 § 44; 2004 c 146 § 2.]

13.34.380 Visitation policies and protocols—Development—Elements. The department shall develop consistent policies and protocols, based on current relevant research, concerning visitation for dependent children to be implemented consistently throughout the state. The department shall develop the policies and protocols in consultation with researchers in the field, community-based agencies, court-appointed special advocates, parents' representatives, and court representatives. The policies and protocols shall include, but not be limited to: The structure and quality of visitations; consultation with the assigned law enforcement officer in the event the parent or sibling of the child is identified as a suspect in an active criminal investigation for a violent crime that, if the allegations are true, would impact the safety of the child; and training for department and supervising agency caseworkers, visitation supervisors, and foster parents related to visitation.

The policies and protocols shall be consistent with the provisions of this chapter and implementation of the policies and protocols shall be consistent with relevant orders of the court. [2013 c 254 § 3; 2009 c 520 § 45; 2004 c 146 § 3.]

[Title 13 RCW—page 77]

13.34.385 Petition for visitation—Relatives of dependent children—Notice—Modification of order—Effect of granting the petition—Retroactive application. (1) A relative of a dependent child may petition the juvenile court for reasonable visitation with the child if:

(a) The child has been found to be a dependent child under this chapter;

(b) The parental rights of both of the child's parents have been terminated;

(c) The child is in the custody of the department, another public agency, or a supervising agency; and

(d) The child has not been adopted and is not in a pre-adoptive home or other permanent placement at the time the petition for visitation is filed.

(2) The court shall give prior notice for any proceeding under this section, or cause prior notice to be given, to the department, other public agency, or supervising agency having custody of the child, the child's attorney or guardian ad litem if applicable, and the child. The court shall also order the custodial agency to give prior notice of any hearing to the child's current foster parent, relative caregiver, guardian or custodian, and the child's tribe, if applicable.

(3) The juvenile court may grant the petition for visitation if it finds that the requirements of subsection (1) of this section have been met, and that unsupervised visitation between the child and the relative does not present a risk to the child's safety or well-being and that the visitation is in the best interests of the child. In determining the best interests of the child the court shall consider, but is not limited to, the following:

(a) The love, affection, and strength of the relationship between the child and the relative;

(b) The length and quality of the prior relationship between the child and the relative;

(c) Any criminal convictions for or founded history of abuse or neglect of a child by the relative;

(d) Whether the visitation will present a risk to the child's health, welfare, or safety;

(e) The child's reasonable preference, if the court considers the child to be of sufficient age to express a preference;

(f) Any other factor relevant to the child's best interest.

(4) The visitation order may be modified at any time upon a showing that the visitation poses a risk to the child's safety or well-being. The visitation order shall state that visitation will automatically terminate upon the child's placement in a preadoptive home, if the child is adopted, or if there is a subsequent founded abuse or neglect allegation against the relative.

(5) The granting of the petition under this section does not grant the relative the right to participate in the dependency action and does not grant any rights to the relative not otherwise specified in the visitation order.

(6) This section is retroactive and applies to any eligible dependent child at the time of the filing of the petition for visitation, regardless of the date parental rights were terminated.

(7) For the purpose of this section, "relative" means a relative as defined in RCW 74.15.020(2)(a), except parents.

(8) This section is intended to provide an additional procedure by which a relative may request visitation with a dependent child. It is not intended to impair or alter the ability

a court currently has to order visitation with a relative under the dependency statutes. [2009 c 520 § 46; 2008 c 259 § 1.]

The project shall accept women referred to it by the department following the birth of a drug-affected or alcohol-affected infant. The model project shall be concluded by July 1, 2002. 13.34.820 Permanency for dependent children—Annual report. (Effective July 1, 2018.) (1) The administrative office of the courts, in consultation with the attorney general's office and the department, shall compile an annual report, providing information about cases that fail to meet statutory guidelines to achieve permanency for dependent children.

(2) The administrative office of the courts shall submit the annual report required by this section to appropriate committees of the legislature by December 1st of each year, beginning on December 1, 2007. The administrative office of the courts shall also submit the annual report to a representative of the foster parent association of Washington state.

(3) The annual report shall include information regarding whether foster parents received timely notification of dependency hearings as required by RCW 13.34.096 and 13.34.145 and whether caregivers submitted reports to the court. [2017 3rd sp.s. c 6 § 309; 2016 c 180 § 2; 2007 c 410 § 6.]

13.34.830 Child protection and child welfare—Racial disproportionality—Evaluation—Report. (1) Within amounts appropriated for this specific purpose, or within funding made available by private grant or contribution, the Washington state institute for public policy shall evaluate the department of social and health services' use of structured decision-making practices and implementation of the family team decision-making model to determine whether and how those child protection and child welfare efforts result in reducing disproportionate representation of African-American, Native American, and Latino children in the state's child welfare system. The institute shall analyze the points in the system at which current data reflect the greatest levels of disproportionality. The institute shall report its findings to the legislature and the department of social and health services by September 1, 2010.

(2) If adequate funding is not made available through state appropriation or through private grant or contribution to simultaneously study the impact on racial disproportionality of both the structured decision-making process and family

team decision-making model, the institute shall first study and report on the family team decision-making model. The department of social and health services and the Washington state institute for public policy jointly, shall:

(a) Promptly complete and execute a data-sharing agreement to comply with the department's confidential or records requirements and to provide the institute with data and other information necessary to conduct its evaluation; and

(b) Identify potential sources of private funding to supplement any state-appropriated amounts. [2009 c 213 § 2.]

Findings—2009 c 213: "(1) The legislature finds that research conducted by the Washington state institute for public policy released in June 2008, demonstrates that racial disproportionality exists in Washington's child welfare system and that the greatest disproportionality occurs when the initial referral to child protective services is made and when the decision is made to place a child in out-of-home care. The institute's research also demonstrates that children of African-American, Native American, and Latino families have disproportionately longer lengths of stay in foster care.

(2) The legislature finds further that the department of social and health services, in a December 2008 report issued pursuant to chapter 465, Laws of 2007, identified initial recommendations for remediation of racial disproportionality, including examining specific current child welfare practices, structured decision making and family team decision making, to determine whether and how these practices might result in reducing or eliminating racial disproportionality." [2009 c 213 § 1.]

13.34.900 Construction—Chapter applicable to state registered domestic partnerships—2009 c 521. For the purposes of this chapter, the terms spouse, marriage, marital, husband, wife, widow, widower, next of kin, and family shall be interpreted as applying equally to state registered domestic partnerships or individuals in state registered domestic partnerships as well as to marital relationships and married persons, and references to dissolution of marriage shall apply equally to state registered domestic partnerships that have been terminated, dissolved, or invalidated, to the extent that such interpretation does not conflict with federal law. Where necessary to implement chapter 521, Laws of 2009, gender-specific terms such as husband and wife used in any statute, rule, or other law shall be construed to be gender neutral, and applicable to individuals in state registered domestic partnerships. [2009 c 521 § 42.]

Chapter 13.36 RCW GUARDIANSHIP

13.36.030	Guardianship petition—Requirements—Contents—Application of Indian child welfare act, federal servicemembers civil relief act, Washington service members' civil relief act.
13.36.040	Hearing—Establishing guardianship—Exceptions—Conversion of dependency guardianship to guardianship.
13.36.050	Court order to establish guardianship—Contents—Custody, rights, and duties—Funds, benefits—Dismissal of dependency—Letter.

13.36.070	Guardianship termination—Petition, affidavit.
13.36.080	Appointment of guardian ad litem or attorney for the child.
13.36.090	Guardianship subsidies—Relative guardianship subsidy—Rules—Licensed foster parent eligibility.

13.36.010 Finding—Intent. The legislature finds that a guardianship is an appropriate permanent plan for a child who has been found to be dependent under chapter 13.34 RCW and who cannot safely be reunified with his or her par-

ents. The legislature is concerned that parents not be pressured by the department into agreeing to the entry of a guardianship when further services would increase the chances that the child could be reunified with his or her parents. The legislature intends to create a separate guardianship chapter to establish permanency for children in foster care through the appointment of a guardian and dismissal of the dependency. [2010 c 272 § 1.]

(2017 Ed.)

13.36.030 Guardianship petition—Requirements—Contents—Application of Indian child welfare act, federal servicemembers civil relief act, Washington service members' civil relief act. (1) Any party to a dependency proceeding under chapter 13.34 RCW may request a guardianship be established for a dependent child by filing a petition in juvenile court under this chapter. All parties to the dependency and the proposed guardian must receive adequate notice of all proceedings under this chapter. For purposes of this chapter, a dependent child age twelve years or older is a party to the proceedings. A proposed guardian has the right to intervene in proceedings under this chapter.

(2) To be designated as a proposed guardian in a petition under this chapter, a person must be age twenty-one or over and must meet the minimum requirements to care for children as established by the department under RCW 74.15.030, including but not limited to licensed foster parents, relatives, and suitable persons.

(3) Every petition filed in proceedings under this chapter shall contain: (a) A statement alleging whether the child is or may be an Indian child as defined in 25 U.S.C. Sec. 1903. If the child is an Indian child as defined under the Indian child welfare act, the provisions of that act shall apply; (b) a statement alleging whether the federal servicemembers civil relief act of 2003, 50 U.S.C. Sec. 501 et seq. applies to the proceeding; and (c) a statement alleging whether the Washington service members' civil relief act, chapter 38.42 RCW, applies to the proceeding.

(4) Every order or decree entered in any proceeding under this chapter shall contain: (a) A finding that the Indian child welfare act does or does not apply. Where there is a finding that the Indian child welfare act does apply, the decree or order must also contain a finding that all notice requirements and evidentiary requirements under the Indian child welfare act have been satisfied; (b) a finding that the federal servicemembers civil relief act of 2003 does or does not apply; and (c) a finding that the Washington service members' civil relief act, chapter 38.42 RCW, does or does not apply. [2010 c 272 § 3.]

13.36.040 Hearing—Establishing guardianship—Exceptions—Conversion of dependency guardianship to guardianship. (1) At the hearing on a guardianship petition, all parties have the right to present evidence and cross-examine witnesses. The rules of evidence apply to the conduct of the hearing. The hearing under this section to establish a guardianship or convert an existing dependency guardianship to a guardianship under this section is a stage of the dependency proceedings for purposes of RCW 13.34.090(2).

(2) A guardianship shall be established if:

(a) The court finds by a preponderance of the evidence that it is in the child's best interests to establish a guardianship, rather than to terminate the parent-child relationship and proceed with adoption, or to continue efforts to return custody of the child to the parent; and

(b) All parties agree to entry of the guardianship order and the proposed guardian is qualified, appropriate, and capable of performing the duties of guardian under RCW 13.36.050; or

(c)(i) The child has been found to be a dependent child under RCW 13.34.030;

(ii) A dispositional order has been entered pursuant to RCW 13.34.130;

(iii) At the time of the hearing on the guardianship petition, the child has or will have been removed from the custody of the parent for at least six consecutive months following a finding of dependency under RCW 13.34.030;

(iv) The services ordered under RCW 13.34.130 and 13.34.136 have been offered or provided and all necessary services, reasonably available, capable of correcting the parental deficiencies within the foreseeable future have been offered or provided;

(v) There is little likelihood that conditions will be remedied so that the child can be returned to the parent in the near future; and

(vi) The proposed guardian has signed a statement acknowledging the guardian's rights and responsibilities toward the child and affirming the guardian's understanding and acceptance that the guardianship is a commitment to provide care for the child until the child reaches age eighteen.

(3) The court may not establish a guardianship for a child who has no legal parent unless the court, in addition to making the required findings set forth in subsection (2) of this section, finds one or more exceptional circumstances exist and the benefits for the child of establishing the guardianship outweigh any potential disadvantage to the child of having no legal parent. Exceptional circumstances may include but are not limited to:

(a) The child has special needs and a suitable guardian is willing to accept custody and able to meet the needs of the child to an extent unlikely to be achieved through adoption; or

(b) The proposed guardian has demonstrated a commitment to provide for the long-term care of the child and: (i) Is a relative of the child; (ii) has been a long-term caregiver for the child and has acted as a parent figure to the child and is viewed by the child as a parent figure; or (iii) the child's family has identified the proposed guardian as the preferred guardian, and, if the child is age twelve years or older, the child also has identified the proposed guardian as the preferred guardian.

(4) Upon the request of a dependency guardian appointed under chapter 13.34 RCW and the department or supervising agency, the court shall convert a dependency guardianship established under chapter 13.34 RCW to a guardianship under this chapter. [2010 c 272 § 4.]

13.36.050 Court order to establish guardianship—Contents—Custody, rights, and duties—Funds, benefits—Dismissal of dependency—Letter.

(1) If the court has made the findings required under RCW 13.36.040, the court shall issue an order establishing a guardianship for the child. If the guardian has not previously intervened, the guardian shall be made a party to the guardianship proceeding upon entry of the guardianship order. The order shall:

(a) Appoint a person to be the guardian for the child;

(b) Specify the guardian's rights and responsibilities concerning the care, custody, control, and nurturing of the child;

(c) Specify the guardian's authority, if any, to receive, invest, and expend funds, benefits, or property belonging to the child;

(d) Specify an appropriate frequency and type of contact between the parent or parents and the child, if applicable, and between the child and his or her siblings, if applicable; and

(e) Specify the need for and scope of continued oversight by the court, if any.

(2) The guardian shall maintain physical and legal custody of the child and have the following rights and duties under the guardianship:

(a) Duty to protect, nurture, discipline, and educate the child;

(b) Duty to provide food, clothing, shelter, education as required by law, and health care for the child, including but not limited to, medical, dental, mental health, psychological, and psychiatric care and treatment;

(c) Right to consent to health care for the child and sign a release authorizing the sharing of health care information with appropriate authorities, in accordance with state law;

(d) Right to consent to the child's participation in social and school activities; and

(e) Duty to notify the court of a change of address of the guardian and the child. Unless specifically ordered by the court, however, the standards and requirements for relocation in chapter 26.09 RCW do not apply to guardianships established under this chapter.

(3) If the child has independent funds or other valuable property under the control of the guardian, the guardian shall provide an annual written accounting, supported with appropriate documentation, to the court regarding receipt and expenditure by the guardian of any such funds or benefits. This subsection shall not be construed to require a guardian to account for any routine funds or benefits received from a public social service agency on behalf of the child.

(4) The guardianship shall remain in effect until the child reaches the age of eighteen years or until the court terminates the guardianship, whichever occurs sooner.

(5) Once the dependency has been dismissed pursuant to RCW 13.36.070, the court shall not order the department or other supervising agency to supervise or provide case management services to the guardian or the child as part of the guardianship order.

(6) The court shall issue a letter of guardianship to the guardian upon the entry of the court order establishing the guardianship under this chapter. [2010 c 272 § 5.]

13.36.060 Guardianship modification—Attorneys' fees, court costs. (1) A guardian or a parent of the child may petition the court to modify the visitation provisions of a guardianship order by:

(a) Filing with the court a motion for modification and an affidavit setting forth facts supporting the requested modification; and

(b) Providing notice and a copy of the motion and affidavit to all other parties. The nonmoving parties may file and serve opposing affidavits.

(2) The court shall deny the motion unless it finds that adequate cause for hearing the motion is established by the affidavits, in which case it shall set a date for hearing on an order to show cause why the requested modification should not be granted.

(3) If the court finds that a motion to modify a guardianship order has been brought in bad faith, the court may assess

attorneys' fees and court costs of the nonmoving party against the moving party. [2010 c 272 § 6.]

13.36.070 Guardianship termination—Petition, affidavit. (1) Any party to a guardianship proceeding may request termination of the guardianship by filing a petition and supporting affidavit alleging a substantial change has occurred in the circumstances of the child or the guardian and that the termination is necessary to serve the best interests of the child. The petition and affidavit must be served on the department or supervising agency and all parties to the guardianship.

(2) Except as provided in subsection (3) of this section, the court shall not terminate a guardianship unless it finds, upon the basis of facts that have arisen since the guardianship was established or that were unknown to the court at the time the guardianship was established, that a substantial change has occurred in the circumstances of the child or the guardian and that termination of the guardianship is necessary to serve the best interests of the child. The effect of a guardian's duties while serving in the military potentially impacting guardianship functions shall not, by itself, be a substantial change of circumstances justifying termination of a guardianship.

(3) The court may terminate a guardianship on the agreement of the guardian, the child, if the child is age twelve years or older, and a parent seeking to regain custody of the child if the court finds by a preponderance of the evidence and on the basis of facts that have arisen since the guardianship was established that:

(a) The parent has successfully corrected the parenting deficiencies identified by the court in the dependency action, and the circumstances of the parent have changed to such a degree that returning the child to the custody of the parent no longer creates a risk of harm to the child's health, welfare, and safety;

(b) The child, if age twelve years or older, agrees to termination of the guardianship and the return of custody to the parent; and

(c) Termination of the guardianship and return of custody of the child to the parent is in the child's best interests.

(4) Upon the entry of an order terminating a guardianship, the court shall enter an order:

(a) Granting the child's parent with legal and physical custody of the child;

(b) Granting a substitute guardian with legal and physical custody of the child; or

(c) Directing the child to be temporarily placed in the custody of the department for placement with a relative or other suitable person as defined in RCW 13.34.130(1)(b), if available, or in an appropriate licensed out-of-home placement, and directing that the department file a dependency petition on behalf of the child. [2010 c 272 § 7.]

13.36.080 Appointment of guardian ad litem or attorney for the child. In all proceedings to establish, modify, or terminate a guardianship order, the court shall appoint a guardian ad litem or attorney for the child. The court may appoint a guardian ad litem or attorney who represented the child in a prior proceeding under this chapter or under chapter 13.34 RCW, or may appoint an attorney to supersede an existing guardian ad litem. [2010 c 272 § 8.]

(2017 Ed.)

13.36.090 Guardianship subsidies—Relative guardianship subsidy—Rules—Licensed foster parent eligibility. (1) A relative guardian who is a licensed foster parent at the time a guardianship is established under this chapter and who has been the child's foster parent for a minimum of six consecutive months preceding entry of the guardianship order is eligible for a relative guardianship subsidy on behalf of the child. The department may establish rules setting eligibility, application, and program standards consistent with applicable federal guidelines for expenditure of federal funds.

13.38.010 Short title. This chapter shall be known and cited as the "Washington state Indian child welfare act." [2011 c 309 § 1.]

13.38.020 Application. This chapter shall apply in all child custody proceedings as that term is defined in this chapter. Whenever there is a conflict between chapter 13.32A, 13.34, 13.36, 26.10, or 26.33 RCW, the provisions of this chapter shall apply. [2011 c 309 § 2.]

13.38.030 Findings and intent. The legislature finds that the state is committed to protecting the essential tribal relations and best interests of Indian children by promoting practices designed to prevent out-of-home placement of Indian children that is inconsistent with the rights of the parents, the health, safety, or welfare of the children, or the interests of their tribe. Whenever out-of-home placement of an Indian child is necessary in a proceeding subject to the terms of the federal Indian child welfare act and in this chapter, the best interests of the Indian child may be served by placing the Indian child in accordance with the placement priorities

expressed in this chapter. The legislature further finds that where placement away from the parent or Indian custodian is necessary for the child's safety, the state is committed to a placement that reflects and honors the unique values of the child's tribal culture and is best able to assist the Indian child in establishing, developing, and maintaining a political, cultural, social, and spiritual relationship with the child's tribe and tribal community.

It is the intent of the legislature that this chapter is a step in clarifying existing laws and codifying existing policies and practices. This chapter shall not be construed to reject or eliminate current policies and practices that are not included in its provisions.

The legislature further intends that nothing in this chapter is intended to interfere with policies and procedures that are derived from agreements entered into between the department and a tribe or tribes, as authorized by section 109 of the federal Indian child welfare act. The legislature finds that this chapter specifies the minimum requirements that must be applied in a child custody proceeding and does not prevent the department from providing a higher standard of protection to the right of any Indian child, parent, Indian custodian, or Indian child's tribe.

It is also the legislature's intent that the department's policy manual on Indian child welfare, the tribal-state agreement, and relevant local agreements between individual federally recognized tribes and the department should serve as persuasive guides in the interpretation and implementation of the federal Indian child welfare act, this chapter, and other relevant state laws. [2011 c 309 § 3.]

13.38.050 Determination of Indian status. Any party seeking the foster care placement of, termination of parental rights over, or the adoption of a child must make a good faith effort to determine whether the child is an Indian child. This shall be done by consultation with the child's parent or parents, any person who has custody of the child or with whom the child resides, and any other person that reasonably can be expected to have information regarding the child's possible membership or eligibility for membership in an Indian tribe to determine if the child is an Indian child, and by contacting any Indian tribe in which the child may be a member or may be eligible for membership. Preliminary contacts for the purpose of making a good faith effort to determine a child's possible Indian status, do not constitute legal notice as required by RCW 13.38.070. [2011 c 309 § 5.]

13.38.060 Jurisdiction. (1) An Indian tribe shall have exclusive jurisdiction over any child custody proceeding involving an Indian child who resides or is domiciled within the reservation of that tribe, unless the tribe has consented to the state's concurrent jurisdiction, the tribe has expressly declined to exercise its exclusive jurisdiction, or the state is exercising emergency jurisdiction in strict compliance with RCW 13.38.140.

(2) If an Indian child is already a ward of a tribal court at the start of the child custody proceeding, the Indian tribe may retain exclusive jurisdiction, notwithstanding the residence or domicile of the child. [2011 c 309 § 6.]

13.38.070 Notice—Procedures—Determination of Indian status. (1) In any involuntary child custody proceeding seeking the foster care placement of, or the termination of parental rights to, a child in which the petitioning party or the court knows, or has reason to know, that the child is or may be an Indian child as defined in this chapter, the petitioning party shall notify the parent or Indian custodian and the Indian child's tribe or tribes, by certified mail, return receipt requested, and by use of a mandatory Indian child welfare act notice addressed to the tribal agent designated by the Indian child's tribe or tribes for receipt of Indian child welfare act notice, as published by the bureau of Indian affairs in the federal register. If the identity or location of the parent or Indian custodian and the tribe cannot be determined, such notice shall be given to the secretary of the interior by registered mail, return receipt requested, in accordance with the regulations of the bureau of Indian affairs. The secretary of the interior has fifteen days after receipt to provide the requisite notice to the parent or Indian custodian and the tribe. No foster care placement or termination of parental rights proceeding shall be held until at least ten days after receipt of notice by the parent or Indian custodian and the tribe. The parent or Indian custodian or the tribe shall, upon request, be granted up to twenty additional days to prepare for the proceeding.

(2) The determination of the Indian status of a child shall be made as soon as practicable in order to serve the best interests of the Indian child and protect the interests of the child's tribe.

(3)(a) A written determination by an Indian tribe that a child is a member of or eligible for membership in that tribe, or testimony by the tribe attesting to such status shall be conclusive that the child is an Indian child;

(b) A written determination by an Indian tribe that a child is not a member of or eligible for membership in that tribe, or testimony by the tribe attesting to such status shall be conclusive that the child is not a member or eligible for membership in that tribe. Such determinations are presumptively those of the tribe where submitted in the form of a tribal resolution, or signed by or testified to by the person(s) authorized by the tribe's governing body to speak for the tribe, or by the tribe's agent designated to receive notice under the federal Indian child welfare act where such designation is published in the federal register;

(c) Where a tribe provides no response to notice under RCW 13.38.070, such nonresponse shall not constitute evidence that the child is not a member or eligible for membership. Provided, however, that under such circumstances the party asserting application of the federal Indian child welfare act, or this chapter, will have the burden of proving by a preponderance of the evidence that the child is an Indian child.

(4)(a) Where a child has been determined not to be an Indian child, any party to the proceeding, or an Indian tribe that subsequently determines the child is a member, may, during the pendency of any child custody proceeding to which this chapter or the federal Indian child welfare act applies, move the court for redetermination of the child's Indian status based upon new evidence, redetermination by the child's tribe, or newly conferred federal recognition of the tribe.

(b) This subsection (4) does not affect the rights afforded under 25 U.S.C. Sec. 1914. [2017 c 269 § 1; 2011 c 309 § 7.]

13.38.080 Transfer of jurisdiction. (1) In any proceeding for the foster care placement of, or termination of parental rights to, an Indian child who is not domiciled or residing within the reservation of the Indian child's tribe, the court shall, in the absence of good cause to the contrary, transfer the proceeding to the jurisdiction of the Indian child's tribe, upon the motion of any of the following persons:

- (a) Either of the child's parents;
- (b) The child's Indian custodian;
- (c) The child's tribe; or
- (d) The child, if age twelve or older.

The transfer shall be subject to declination by the tribe. The tribe shall have seventy-five days to affirmatively respond to a motion or order transferring jurisdiction to the tribal court. A failure of the tribe to respond within the seventy-five day period shall be construed as a declination to accept transfer of the case.

(2) If the child's tribe has not formally intervened, the moving party shall serve a copy of the motion and all supporting documents on the tribal court to which the moving party seeks transfer.

(3) If either of the Indian child's parents objects to transfer of the proceeding to the Indian child's tribe, the court shall not transfer the proceeding.

(4) Following entry of an order transferring jurisdiction to the Indian child's tribe:

(a) Upon receipt of an order from a tribal court accepting jurisdiction, the state court shall dismiss the child custody proceeding without prejudice.

(b) Pending receipt of such tribal court order, the state court may conduct additional hearings and enter orders which

strictly comply with the requirements of the federal Indian child welfare act and this chapter. The state court shall not enter a final order in any child custody proceeding, except an order dismissing the proceeding and returning the Indian child to the care of the parent or Indian custodian from whose care the child was removed, while awaiting receipt of a tribal court order accepting jurisdiction, or in the absence of a tribal court order or other formal written declination of jurisdiction.

(c) If the Indian child's tribe declines jurisdiction, the state court shall enter an order vacating the order transferring jurisdiction and proceed with adjudication of the child custody matter in strict compliance with the federal Indian child welfare act, this chapter, and any applicable tribal-state agreement. [2011 c 309 § 8.]

13.38.090 Right to intervene. The Indian child, the Indian child's tribe or tribes, and the Indian custodian have the right to intervene at any point in any child custody proceeding involving the Indian child. [2011 c 309 § 9.]

13.38.100 Full faith and credit. The state shall give full faith and credit to the public acts, records, judicial proceedings, and judgments of any Indian tribe applicable to Indian child custody proceedings. [2011 c 309 § 10.]

13.38.110 Right to counsel. In any child custody proceeding under this chapter in which the court determines the Indian child's parent or Indian custodian is indigent, the parent or Indian custodian shall have the right to court-appointed counsel. The court may, in its discretion, appoint counsel for the Indian child upon a finding that the appointment is in the best interests of the Indian child. [2011 c 309 § 11.]

13.38.120 Right to examine reports, other documents. Each party to a child custody proceeding involving an Indian child shall have the right to examine all reports or other documents filed with the court upon which any decision with respect to the proceeding may be based. [2011 c 309 § 12.]

13.38.130 Involuntary foster care placement, termination of parental rights—Determination—Qualified expert witness. (1) A party seeking to effect an involuntary foster care placement of or the involuntary termination of parental rights to an Indian child shall satisfy the court that active efforts have been made to provide remedial services and rehabilitative programs designed to prevent the breakup of the Indian family and that these efforts have proved unsuccessful.

(2) No involuntary foster care placement may be ordered in a child custody proceeding in the absence of a determination, supported by clear and convincing evidence, including testimony of qualified expert witnesses, that the continued custody of the child by the parent or Indian custodian is likely to result in serious emotional or physical damage to the child. For purposes of this subsection, any harm that may result from interfering with the bond or attachment between the foster parent and the child shall not be the sole basis or primary reason for continuing the child in foster care.

(3) No involuntary termination of parental rights may be ordered in a child custody proceeding in the absence of a

determination, supported by evidence beyond a reasonable doubt, including testimony of qualified expert witnesses, that the continued custody of the child by the parent or Indian custodian is likely to result in serious emotional or physical damage to the child. For the purposes of this subsection, any harm that may result from interfering with the bond or attachment that may have formed between the child and a foster care provider shall not be the sole basis or primary reason for termination of parental rights over an Indian child.

(4)(a) For purposes of this section, "qualified expert witness" means a person who provides testimony in a proceeding under this chapter to assist a court in the determination of whether the continued custody of the child by, or return of the child to, the parent, parents, or Indian custodian, is likely to result in serious emotional or physical damage to the child. In any proceeding in which the child's Indian tribe has intervened pursuant to RCW 13.38.090 or, if the department is the petitioner and the Indian child's tribe has entered into a local agreement with the department for the provision of child welfare services, the petitioner shall contact the tribe and ask the tribe to identify a tribal member or other person of the tribe's choice who is recognized by the tribe as knowledgeable regarding tribal customs as they pertain to family organization or child rearing practices. The petitioner shall notify the child's Indian tribe of the need to provide a "qualified expert witness" at least twenty days prior to any evidentiary hearing in which the testimony of the witness will be required. If the child's Indian tribe does not identify a "qualified expert witness" for the proceeding on a timely basis, the petitioner may proceed to identify such a witness pursuant to (b) of this subsection.

(b) In any proceeding in which the child's Indian tribe has not intervened or entered into a local agreement with the department for the provision of child welfare services, or a child's Indian tribe has not responded to a request to identify a "qualified expert witness" for the proceeding on a timely basis, the petitioner shall provide a "qualified expert witness" who meets one or more of the following requirements in descending order of preference:

(i) A member of the child's Indian tribe or other person of the tribe's choice who is recognized by the tribe as knowledgeable regarding tribal customs as they pertain to family organization or child rearing practices for this purpose;

(ii) Any person having substantial experience in the delivery of child and family services to Indians, and extensive knowledge of prevailing social and cultural standards and child rearing practices within the Indian child's tribe;

(iii) Any person having substantial experience in the delivery of child and family services to Indians, and knowledge of prevailing social and cultural standards and child rearing practices in Indian tribes with cultural similarities to the Indian child's tribe; or

(iv) A professional person having substantial education and experience in the area of his or her specialty.

(c) When the petitioner is the department or a supervising agency, the currently assigned department or agency caseworker or the caseworker's supervisor may not testify as a "qualified expert witness" for purposes of this section. Nothing in this section shall bar the assigned department or agency caseworker or the caseworker's supervisor from testifying as an expert witness for other purposes in a proceeding

under this chapter. Nothing in this section shall bar other department or supervising agency employees with appropriate expert qualifications or experience from testifying as a "qualified expert witness" in a proceeding under this chapter. Nothing in this section shall bar the petitioner or any other party in a proceeding under this chapter from providing additional witnesses or expert testimony, subject to the approval of the court, on any issue before the court including the determination of whether the continued custody of the child by, or return of the child to, the parent, parents, or Indian custodian, is likely to result in serious emotional or physical damage to the child. [2011 c 309 § 13.]

13.38.140 Emergency removal or placement of Indian child—Notice. (1) Notwithstanding any other provision of federal or state law, nothing shall be construed to prevent the department or law enforcement from the emergency removal of an Indian child who is a resident of or is domiciled on an Indian reservation, but is temporarily located off the reservation, from his or her parent or Indian custodian or the emergency placement of such child in a foster home, under applicable state law, to prevent imminent physical damage or harm to the child.

(2) The department or law enforcement agency shall ensure that the emergency removal or placement terminates immediately when such removal or placement is no longer necessary to prevent imminent physical damage or harm to the child and shall expeditiously initiate a child custody proceeding subject to the provisions of the federal Indian child welfare act and this chapter to transfer the child to the jurisdiction of the appropriate Indian tribe or restore the child to the child's parent or Indian custodian, if appropriate.

(3) When the nature of the emergency allows, the department must notify the child's tribe before the removal has occurred. If prior notification is not possible, the department shall notify the child's tribe by the quickest means possible. The notice must contain the basis for the Indian child's removal, the time, date, and place of the initial hearing, and the tribe's right to intervene and participate in the proceeding. This notice shall not constitute the notice required under RCW 13.38.070 for purposes of subsequent dependency, termination of parental rights, or adoption proceedings. [2011 c 309 § 14.]

13.38.150 Consent to foster care placement or termination of parental rights—Withdrawal. (1) If an Indian child's parent or Indian custodian voluntarily consents to a foster care placement of the child or to termination of parental rights, the consent is not valid unless executed in writing and recorded before a judge of a court of competent jurisdiction and accompanied by the judge's certificate that the terms and consequences of the consent were fully explained in detail and were fully understood by the parent or Indian custodian. The court must also certify that either the parent or Indian custodian fully understood the explanation in English or that it was interpreted into a language that the parent or Indian custodian understood. Any consent for release of custody given prior to, or within ten days after, the birth of the Indian child shall not be valid.

(2) An Indian child's parent or Indian custodian may withdraw consent to a voluntary foster care placement at any

(2017 Ed.)

time and, upon the withdrawal of consent, the child shall be returned to the parent or Indian custodian.

(3) In a voluntary proceeding for termination of parental rights to, or adoptive placement of, an Indian child, the consent of the parent may be withdrawn for any reason at any time prior to the entry of an order terminating parental rights or a final decree of adoption, and the child shall be returned to the parent.

(4) After the entry of a final decree of adoption of an Indian child, the parent may withdraw consent to the adoption upon the grounds that consent was obtained through fraud or duress. Upon a finding that such consent was obtained through fraud or duress the court shall vacate the decree and return the child to the parent. No adoption which has been effective for at least two years may be invalidated under this section unless otherwise allowed by state law. [2011 c 309 § 15.]

13.38.160 Improper removal of Indian child. If a petitioner in a child custody proceeding under this chapter has improperly removed the child from the custody of the parent or Indian custodian or has improperly retained custody after a visit or other temporary relinquishment of custody, the court shall decline jurisdiction over the petition and shall immediately return the child to the child's parent or Indian custodian unless returning the child to the parent or Indian custodian would subject the child to substantial and immediate danger or threat of such danger. [2011 c 309 § 16.]

13.38.170 Removal of Indian child from adoptive or foster care placement. (1) If a final decree of adoption of an Indian child has been vacated or set aside or the adoptive parents voluntarily consent to the termination of their parental rights to the child, the biological parent or prior Indian custodian may petition to have the child returned to their custody and the court shall grant the request unless there is a showing by clear and convincing evidence that return of custody to the biological parent or prior Indian custodian is not in the best interests of the Indian child.

(2) If an Indian child is removed from a foster care placement or a preadoptive or adoptive home for the purpose of further foster care, preadoptive, or adoptive placement, the placement shall be in accordance with this chapter, except when an Indian child is being returned to the parent or Indian custodian from whose custody the child was originally removed. [2011 c 309 § 17.]

13.38.180 Placement preferences. (1) When an emergency removal, foster care placement, or preadoptive placement of an Indian child is necessary, a good faith effort will be made to place the Indian child:

- (a) In the least restrictive setting;
- (b) Which most approximates a family situation;
- (c) Which is in reasonable proximity to the Indian child's home; and
- (d) In which the Indian child's special needs, if any, will be met.

(2) In any foster care or preadoptive placement, a preference shall be given, in absence of good cause to the contrary, to the child's placement with one of the following:

- (a) A member of the child's extended family;

(b) A foster home licensed, approved, or specified by the child's tribe;

(c) An Indian foster home licensed or approved by an authorized non-Indian licensing authority;

(d) A child foster care agency approved by an Indian tribe or operated by an Indian organization which has a program suitable to meet the Indian child's needs;

(e) A non-Indian child foster care agency approved by the child's tribe;

(f) A non-Indian family that is committed to:

(i) Promoting and allowing appropriate extended family visitation;

(ii) Establishing, maintaining, and strengthening the child's relationship with his or her tribe or tribes; and

(iii) Participating in the cultural and ceremonial events of the child's tribe.

(3) In the absence of good cause to the contrary, any adoptive or other permanent placement of an Indian child, preference shall be given to a placement with one of the following, in descending priority order:

(a) Extended family members;

(b) An Indian family of the same tribe as the child;

(c) An Indian family that is of a similar culture to the child's tribe;

(d) Another Indian family; or

(e) Any other family which can provide a suitable home for an Indian child, such suitability to be determined in consultation with the Indian child's tribe or, in proceedings under chapter 13.34 RCW where the Indian child is in the custody of the department or a supervising agency and the Indian child's tribe has not intervened or participated, the local Indian child welfare advisory committee.

(4) Notwithstanding the placement preferences listed in subsections (2) and (3) of this section, if a different order of placement preference is established by the child's tribe, the court or agency effecting the placement shall follow the order of preference established by the tribe so long as the placement is in the least restrictive setting appropriate to the particular needs of the child.

(5) Where appropriate, the preference of the Indian child or his or her parent shall be considered by the court. Where a consenting parent evidences a desire for anonymity, the court or agency shall give weight to such desire in applying the preferences.

(6) The standards to be applied in meeting the preference requirements of this section shall be the prevailing social and cultural standards of the Indian community in which the parent or extended family members of an Indian child reside, or with which the parent or extended family members maintain social and cultural ties.

(7) Nothing in this section shall prevent the department or the court from placing the child with a parent to effectuate a permanent plan regardless of the parent's relationship to the child's tribe. [2011 c 309 § 18.]

13.38.190 Review of cases—Standards and procedures—Compliance. (1) The department, in consultation with Indian tribes, shall establish standards and procedures for the department's review of cases subject to this chapter and methods for monitoring the department's compliance with provisions of the federal Indian child welfare act and

this chapter. These standards and procedures and the monitoring methods shall also be integrated into the department's child welfare contracting and contract monitoring process.

(2) Nothing in this chapter shall affect, impair, or limit rights or remedies provided to any party under the federal Indian child welfare act, 25 U.S.C. Sec. 1914. [2011 c 309 § 19.]

13.40.010 Short title—Intent—Purpose. (1) This chapter shall be known and cited as the Juvenile Justice Act of 1977.

(2) It is the intent of the legislature that a system capable of having primary responsibility for, being accountable for, and responding to the needs of youthful offenders and their victims, as defined by this chapter, be established. It is the further intent of the legislature that youth, in turn, be held accountable for their offenses and that communities, families, and the juvenile courts carry out their functions consistent with this intent. To effectuate these policies, the legislature declares the following to be equally important purposes of this chapter:

- (a) Protect the citizenry from criminal behavior;
- (b) Provide for determining whether accused juveniles have committed offenses as defined by this chapter;
- (c) Make the juvenile offender accountable for his or her criminal behavior;
- (d) Provide for punishment commensurate with the age, crime, and criminal history of the juvenile offender;
- (e) Provide due process for juveniles alleged to have committed an offense;
- (f) Provide for the rehabilitation and reintegration of juvenile offenders;
- (g) Provide necessary treatment, supervision, and custody for juvenile offenders;
- (h) Provide for the handling of juvenile offenders by communities whenever consistent with public safety;
- (i) Provide for restitution to victims of crime;
- (j) Develop effective standards and goals for the operation, funding, and evaluation of all components of the juvenile justice system and related services at the state and local levels;
- (k) Provide for a clear policy to determine what types of offenders shall receive punishment, treatment, or both, and to determine the jurisdictional limitations of the courts, institutions, and community services;
- (l) Provide opportunities for victim participation in juvenile justice process, including court hearings on juvenile offender matters, and ensure that Article I, section 35 of the Washington state Constitution, the victim bill of rights, is fully observed; and
- (m) Encourage the parents, guardian, or custodian of the juvenile to actively participate in the juvenile justice process. [2016 c 136 § 1; 2004 c 120 § 1; 1997 c 338 § 8; 1992 c 205 § 101; 1977 ex.s. c 291 § 55.]

D		LS	LS	LS	LS	LS
E		LS	LS	LS	LS	LS
PRIOR ADJUDICATIONS		0	1	2	3	4 or more

NOTE: References in the grid to days or weeks mean periods of confinement. "LS" means "local sanctions" as defined in RCW 13.40.020.

(1) The vertical axis of the grid is the current offense category. The current offense category is determined by the offense of adjudication.

(2) The horizontal axis of the grid is the number of prior adjudications included in the juvenile's criminal history. Each prior felony adjudication shall count as one point. Each prior

violation, misdemeanor, and gross misdemeanor adjudication shall count as 1/4 point. Fractional points shall be rounded down.

(3) The standard range disposition for each offense is determined by the intersection of the column defined by the prior adjudications and the row defined by the current offense category.

(4) RCW 13.40.180 applies if the offender is being sentenced for more than one offense.

(5) A current offense that is a violation is equivalent to an offense category of E. However, a disposition for a violation shall not include confinement.

OR

OPTION B

SUSPENDED DISPOSITION ALTERNATIVE

(1) If the offender is subject to a standard range disposition involving confinement by the department, the court may impose the standard range and suspend the disposition on condition that the offender comply with one or more local sanctions and any educational or treatment requirement. The treatment programs provided to the offender must be either research-based best practice programs as identified by the Washington state institute for public policy or the joint legislative audit and review committee, or for chemical dependency treatment programs or services, they must be evidence-based or research-based best practice programs. For the purposes of this subsection:

(a) "Evidence-based" means a program or practice that has had multiple site random controlled trials across heterogeneous populations demonstrating that the program or practice is effective for the population; and

(b) "Research-based" means a program or practice that has some research demonstrating effectiveness, but that does not yet meet the standard of evidence-based practices.

(2) If the offender fails to comply with the suspended disposition, the court may impose sanctions pursuant to RCW 13.40.200 or may revoke the suspended disposition and order the disposition's execution.

(3) An offender is ineligible for the suspended disposition option under this section if the offender is:

(a) Adjudicated of an A+ offense;

(b) Fourteen years of age or older and is adjudicated of one or more of the following offenses:

(i) A class A offense, or an attempt, conspiracy, or solicitation to commit a class A offense;

(c) Ordered to serve a disposition for a firearm violation under RCW 13.40.193; or

(d) Adjudicated of a sex offense as defined in RCW 9.94A.030.

OR

OPTION C

CHEMICAL DEPENDENCY/MENTAL HEALTH DISPOSITION ALTERNATIVE

If the juvenile offender is subject to a standard range disposition of local sanctions or 15 to 36 weeks of confinement and has not committed an A- or B+ offense, the court may impose a disposition under RCW 13.40.160(4) and 13.40.165.

OR

OPTION D

MANIFEST INJUSTICE

If the court determines that a disposition under option A, B, or C would effectuate a manifest injustice, the court shall impose a disposition outside the standard range under RCW 13.40.160(2). Finding—Evaluation—Report—1997 c 338: "The legislature finds it critical to evaluate the effectiveness of the revisions made in this act to juvenile sentencing for purposes of measuring improvements in public safety and reduction of recidivism.

To accomplish this evaluation, the Washington state institute for public policy shall conduct a study of the sentencing revisions. The study shall: (1) Be conducted starting January 1, 2001; (2) examine whether the revisions have affected the rate of initial offense commission and recidivism; (3) determine the impacts of the revisions by age, race, and gender impacts of the revisions; (4) compare the utilization and effectiveness of sentencing alternatives and manifest injustice determinations before and after the revisions; and (5) examine the impact and effectiveness of changes made in the exclusive original jurisdiction of juvenile court over juvenile offenders.

The institute shall report the results of the study to the governor and legislature not later than July 1, 2002." [1997 c 338 § 59.]

13.40.038 County juvenile detention facilities—Policy—Detention and risk assessment standards. (1) It is the policy of this state that all county juvenile detention facilities provide a humane, safe, and rehabilitative environment and that unadjudicated youth remain in the community whenever possible, consistent with public safety and the provisions of chapter 13.40 RCW.

(2) The counties shall develop and implement detention intake standards and risk assessment standards to determine whether detention is warranted, whether the juvenile is developmentally disabled, and if detention is warranted, whether

the juvenile should be placed in secure, nonsecure, or home detention to implement the goals of this section.

(3) Inability to pay for a less restrictive detention placement shall not be a basis for denying a respondent a less restrictive placement in the community.

(4) The assessment standards to determine whether a juvenile entering detention is developmentally disabled must be developed and implemented no later than December 31, 2012. [2012 c 120 § 1; 1992 c 205 § 105; 1986 c 288 § 7.]

(5) Except as provided in RCW 9.41.280, a juvenile detained under this section may be released upon posting a probation bond set by the court. 13.40.042 Detention of juvenile suffering from mental disorder or chemical dependency. (1) When a police officer has reasonable cause to believe that a juvenile has committed acts constituting a nonfelony crime that is not a serious offense as identified in RCW 10.77.092, and the officer believes that the juvenile suffers from a mental disorder, and the local prosecutor has entered into an agreement with law enforcement regarding the detention of juveniles who may have a mental disorder or may be suffering from chemical dependency, the arresting officer, instead of taking the juvenile to the local juvenile detention facility, may take the juvenile to:

(a) An evaluation and treatment facility as defined in RCW 71.34.020 if the juvenile suffers from a mental disorder and the facility has been identified as an alternative location by agreement of the prosecutor, law enforcement, and the mental health provider;

(b) A facility or program identified by agreement of the prosecutor and law enforcement; or

(c) A location already identified and in use by law enforcement for the purpose of a behavioral health diversion.

(2) For the purposes of this section, an "alternative location" means a facility or program that has the capacity to evaluate a youth and, if determined to be appropriate, develop a behavioral health intervention plan and initiate treatment.

(3) If a juvenile is taken to any location described in subsection (1)(a) or (b) of this section, the juvenile may be held for up to twelve hours and must be examined by a mental health or chemical dependency professional within three hours of arrival.

(4) The authority provided pursuant to this section is in addition to existing authority under RCW 10.31.110 and 10.31.120. [2014 c 128 § 4; 2013 c 179 § 2.]

Finding—2014 c 128: See note following RCW 10.31.120.

Finding—2013 c 179: "The legislature finds that the large number of youth involved in the juvenile justice system with mental health challenges is of significant concern. Access to effective treatment is critical to the successful treatment of youth in the early stages of their contact with the juvenile justice system. Such access may prevent further involvement in the system after an initial contact or assist a youth in avoiding any further contact with the juvenile justice system altogether. There is growing evidence that mental health diversion strategies, in particular, are effective in connecting youth with needed treatment and preventing additional offending behaviors. These strategies allow a continuum of opportunities for connecting youth who may be facing a mental illness or disorder to community mental health services at multiple decision points, such as law enforcement diversion, prosecutor diversion, court-based diversion, and court disposition. The effective use of these strategies can result not only in significant cost savings for the juvenile justice system, but can create the benefit of improved lives of the youth who face mental health challenges and barriers." [2013 c 179 § 1.]

13.40.045 Escapees—Arrest warrants. (Effective until July 1, 2019.) The secretary, assistant secretary, or the secretary's designee shall issue arrest warrants for juveniles who escape from department residential custody. The secretary, assistant secretary, or the secretary's designee may issue arrest warrants for juveniles who abscond from parole supervision or fail to meet conditions of parole. These arrest warrants shall authorize any law enforcement, probation and parole, or peace officer of this state, or any other state where the juvenile is located, to arrest the juvenile and to place the juvenile in physical custody pending the juvenile's return to confinement in a state juvenile rehabilitation facility. [1997 c 338 § 14; 1994 sp.s. c 7 § 518.]

13.40.050 Detention procedures—Notice of hearing—Conditions of release—Consultation with parent, guardian, or custodian. (1) When a juvenile taken into custody is held in detention:

(a) An information, a community supervision modification or termination of diversion petition, or a parole modification petition shall be filed within seventy-two hours, Saturdays, Sundays, and holidays excluded, or the juvenile shall be released; and

(b) A detention hearing, a community supervision modification or termination of diversion petition, or a parole modification petition shall be held within seventy-two hours, Saturdays, Sundays, and holidays excluded, from the time of filing the information or petition, to determine whether continued detention is necessary under RCW 13.40.040.

(2) Notice of the detention hearing, stating the time, place, and purpose of the hearing, stating the right to counsel, and requiring attendance shall be given to the parent, guardian, or custodian if such person can be found and shall also be given to the juvenile if over twelve years of age.

(3) At the commencement of the detention hearing, the court shall advise the parties of their rights under this chapter and shall appoint counsel as specified in this chapter.

(4) The court shall, based upon the allegations in the information, determine whether the case is properly before it or whether the case should be treated as a diversion case under RCW 13.40.080. If the case is not properly before the court the juvenile shall be ordered released.

(5) Notwithstanding a determination that the case is properly before the court and that probable cause exists, a juvenile shall at the detention hearing be ordered released on the juvenile's personal recognizance pending further hearing unless the court finds detention is necessary under RCW 13.40.040.

(6) If detention is not necessary under RCW 13.40.040, the court shall impose the most appropriate of the following conditions or, if necessary, any combination of the following conditions:

(a) Place the juvenile in the custody of a designated person agreeing to supervise such juvenile;

(b) Place restrictions on the travel of the juvenile during the period of release;

(c) Require the juvenile to report regularly to and remain under the supervision of the juvenile court;

(d) Impose any condition other than detention deemed reasonably necessary to assure appearance as required;

(e) Require that the juvenile return to detention during specified hours; or

(2017 Ed.)

(f) Require the juvenile to post a probation bond set by the court under terms and conditions as provided in *RCW 13.40.040(4).

(7) A juvenile may be released only to a responsible adult or the department.

(8) If the parent, guardian, or custodian of the juvenile in detention is available, the court shall consult with them prior to a determination to further detain or release the juvenile or treat the case as a diversion case under RCW 13.40.080.

(9) A person notified under this section who fails without reasonable cause to appear and abide by the order of the court may be proceeded against as for contempt of court. In determining whether a parent, guardian, or custodian had reasonable cause not to appear, the court may consider all factors relevant to the person's ability to appear as summoned. [1997 c 338 § 15; 1995 c 395 § 5; 1992 c 205 § 106; 1979 c 155 § 58; 1977 ex.s. c 291 § 59.]

***Reviser's note:** RCW 13.40.040 was amended by 2002 c 171 § 2, changing subsection (4) to subsection (5).

13.40.054 Probation bond or collateral—Modification or revocation of probation bond. (1) As provided in this chapter, the court may order a juvenile to post a probation bond as defined in RCW 13.40.020 or to deposit cash or post other collateral in lieu of a probation bond, to enhance public safety, increase the likelihood that a respondent will appear as required to respond to charges, and increase compliance with community supervision imposed under various alternative disposition options. The parents or guardians of the juvenile may sign for a probation bond on behalf of the juvenile or deposit cash or other collateral in lieu of a bond if approved by the court.

(2) A parent or guardian who has signed for a probation bond, deposited cash, or posted other collateral on behalf of a juvenile has the right to notify the court if the juvenile violates any of the terms and conditions of the bond. The parent or guardian who signed for a probation bond may move the court to modify the terms of the bond or revoke the bond without penalty to the surety or parent. The court shall notify the surety if a parent or guardian notifies the court that the juvenile has violated conditions of the probation bond and has requested modification or revocation of the bond. At a hearing on the motion, the court may consider the nature and seriousness of the violation or violations and may either keep the bond in effect, modify the terms of the bond with the consent of the parent or guardian and surety, or revoke the bond. If the court revokes the bond the court may require full payment of the face amount of the bond. In the alternative, the court may revoke the bond and impose a partial payment for less than the full amount of the bond or may revoke the bond without imposing any penalty. In reaching its decision, the court may consider the timeliness of the parent's or guardian's notification to the court and the efforts of the parent and surety to monitor the offender's compliance with conditions of the bond and release. A surety shall have the same obligations and rights as provided sureties in adult criminal cases. Rules of forfeiture and revocation of bonds issued in adult criminal cases shall apply to forfeiture and revocation of pro-

bation bonds issued under this chapter except as specifically provided in this subsection. [1995 c 395 § 1.]

13.40.056 Nonrefundable bail fee. When a juvenile charged with an offense posts a probation bond or deposits cash or posts other collateral in lieu of a bond, ten dollars of the total amount required to be posted as bail shall be paid in cash as a nonrefundable bail fee. The bail fee shall be distributed to the county for costs associated with implementing chapter 395, Laws of 1995. [1995 c 395 § 9.]

13.40.060 Jurisdiction of actions—Transfer of case and records, when—Change in venue, grounds. (1) All actions under this chapter shall be commenced and tried in the county where any element of the offense was committed except as otherwise specially provided by statute. In cases in which diversion is provided by statute, venue is in the county in which the juvenile resides or in the county in which any element of the offense was committed.

(2)(a) The court upon motion of any party or upon its own motion may, at any time, transfer a proceeding to another juvenile court when there is reason to believe that an impartial proceeding cannot be held in the county in which the proceeding was begun; and

(b) A court may transfer a proceeding to another juvenile court following disposition for the purposes of supervision and enforcement of the disposition order.

(3) If the court orders a transfer of the proceeding pursuant to subsection (2)(b) of this section:

(a) The case and copies of only those legal and social documents pertaining thereto shall be transferred to the county in which the juvenile resides, without regard to whether or not his or her custodial parent resides there, for supervision and enforcement of the disposition order.

(b) If any restitution is yet to be determined, the originating court shall transfer the case to the new county with the exception of the restitution. Venue over restitution shall be retained by the originating court for purposes of establishing a restitution order. Once restitution is determined, the originating county shall then transfer venue over modification and enforcement of the restitution to the new county.

(c) The court of the receiving county may modify and enforce the disposition order, including restitution.

(d) The clerk of the originating county shall maintain the account receivable in the judicial information system and all payments shall be made to the clerk of the originating county.

(e) Any collection of the offender legal financial obligation shall be managed by the juvenile probation department of the new county while the offender is under juvenile probation supervision, or by the clerk of the original county at the conclusion of supervision by juvenile probation. The probation department of the new county shall notify the clerk of the originating county when they end supervision of the offender.

(f) In cases where a civil judgment has already been established, venue may not be transferred to another county. [2005 c 165 § 1; 1997 c 338 § 16; 1989 c 71 § 1; 1981 c 299 § 6; 1979 c 155 § 59; 1977 ex.s. c 291 § 60.]

13.40.070 Complaints—Screening—Filing information—Diversion—Modification of community supervision—Notice to parent or guardian—Probation counselor acting for prosecutor—Referral to mediation or reconciliation programs. (1) Complaints referred to the juvenile court alleging the commission of an offense shall be referred directly to the prosecutor. The prosecutor, upon receipt of a complaint, shall screen the complaint to determine whether:

(a) The alleged facts bring the case within the jurisdiction of the court; and

(b) On a basis of available evidence there is probable cause to believe that the juvenile did commit the offense.

(2) If the identical alleged acts constitute an offense under both the law of this state and an ordinance of any city or county of this state, state law shall govern the prosecutor's screening and charging decision for both filed and diverted cases.

(3) If the requirements of subsections (1)(a) and (b) of this section are met, the prosecutor shall either file an information in juvenile court or divert the case, as set forth in subsections (5), (6), and (8) of this section. If the prosecutor finds that the requirements of subsection (1)(a) and (b) of this section are not met, the prosecutor shall maintain a record, for one year, of such decision and the reasons therefor. In lieu of filing an information or diverting an offense a prosecutor may file a motion to modify community supervision where such offense constitutes a violation of community supervision.

(4) An information shall be a plain, concise, and definite written statement of the essential facts constituting the offense charged. It shall be signed by the prosecuting attorney and conform to chapter 10.37 RCW.

(5) Except as provided in RCW 13.40.213 and subsection (7) of this section, where a case is legally sufficient, the prosecutor shall file an information with the juvenile court if:

(a) An alleged offender is accused of a class A felony, a class B felony, an attempt to commit a class B felony, a class C felony listed in RCW 9.94A.411(2) as a crime against persons or listed in RCW 9A.46.060 as a crime of harassment, or a class C felony that is a violation of RCW 9.41.080 or 9.41.040(2)(a)(iv); or

(b) An alleged offender is accused of a felony and has a criminal history of any felony, or at least two gross misdemeanors, or at least two misdemeanors; or

(c) An alleged offender has previously been committed to the department; or

(d) An alleged offender has been referred by a diversion unit for prosecution or desires prosecution instead of diversion; or

(e) An alleged offender has three or more diversion agreements on the alleged offender's criminal history; or

(f) A special allegation has been filed that the offender or an accomplice was armed with a firearm when the offense was committed.

(6) Where a case is legally sufficient the prosecutor shall divert the case if the alleged offense is a misdemeanor or gross misdemeanor or violation and the alleged offense is the offender's first offense or violation. If the alleged offender is charged with a related offense that must or may be filed under subsections (5) and (8) of this section, a case under this subsection may also be filed.

(7) Where a case is legally sufficient to charge an alleged offender with:

(a) Either prostitution or prostitution loitering and the alleged offense is the offender's first prostitution or prostitution loitering offense, the prosecutor shall divert the case; or

(b) Voyeurism in the second degree, the offender is under seventeen years of age, and the alleged offense is the offender's first voyeurism in the second degree offense, the prosecutor shall divert the case, unless the offender has received two diversions for any offense in the previous two years.

(8) Where a case is legally sufficient and falls into neither subsection (5) nor (6) of this section, it may be filed or diverted. In deciding whether to file or divert an offense under this section the prosecutor shall be guided only by the length, seriousness, and recency of the alleged offender's criminal history and the circumstances surrounding the commission of the alleged offense.

(9) Whenever a juvenile is placed in custody or, where not placed in custody, referred to a diversion interview, the parent or legal guardian of the juvenile shall be notified as soon as possible concerning the allegation made against the juvenile and the current status of the juvenile. Where a case involves victims of crimes against persons or victims whose property has not been recovered at the time a juvenile is referred to a diversion unit, the victim shall be notified of the referral and informed how to contact the unit.

(10) The responsibilities of the prosecutor under subsections (1) through (9) of this section may be performed by a juvenile court probation counselor for any complaint referred to the court alleging the commission of an offense which would not be a felony if committed by an adult, if the prosecutor has given sufficient written notice to the juvenile court that the prosecutor will not review such complaints.

(11) The prosecutor, juvenile court probation counselor, or diversion unit may, in exercising their authority under this section or RCW 13.40.080, refer juveniles to mediation or victim offender reconciliation programs. Such mediation or victim offender reconciliation programs shall be voluntary for victims. 13.40.077 Recommended prosecuting standards for charging and plea dispositions.

RECOMMENDED PROSECUTING STANDARDS FOR CHARGING AND PLEA DISPOSITIONS

INTRODUCTION: These standards are intended solely for the guidance of prosecutors in the state of Washington.

(2017 Ed.)

They are not intended to, do not, and may not be relied upon to create a right or benefit, substantive or procedural, enforceable at law by a party in litigation with the state.

Evidentiary sufficiency.

(1) Decision not to prosecute.

STANDARD: A prosecuting attorney may decline to prosecute, even though technically sufficient evidence to prosecute exists, in situations where prosecution would serve no public purpose, would defeat the underlying purpose of the law in question, or would result in decreased respect for the law. The decision not to prosecute or divert shall not be influenced by the race, gender, religion, or creed of the suspect.

GUIDELINES/COMMENTARY:

Examples

The following are examples of reasons not to prosecute which could satisfy the standard.

(a) Contrary to Legislative Intent - It may be proper to decline to charge where the application of criminal sanctions would be clearly contrary to the intent of the legislature in enacting the particular statute.

(b) Antiquated Statute - It may be proper to decline to charge where the statute in question is antiquated in that:

(i) It has not been enforced for many years;

(ii) Most members of society act as if it were no longer in existence;

(iii) It serves no deterrent or protective purpose in today's society; and

(iv) The statute has not been recently reconsidered by the legislature.

This reason is not to be construed as the basis for declining cases because the law in question is unpopular or because it is difficult to enforce.

(c) De Minimis Violation - It may be proper to decline to charge where the violation of law is only technical or insubstantial and where no public interest or deterrent purpose would be served by prosecution.

(d) Confinement on Other Charges - It may be proper to decline to charge because the accused has been sentenced on another charge to a lengthy period of confinement; and

(i) Conviction of the new offense would not merit any additional direct or collateral punishment;

(ii) The new offense is either a misdemeanor or a felony which is not particularly aggravated; and

(iii) Conviction of the new offense would not serve any significant deterrent purpose.

(e) Pending Conviction on Another Charge - It may be proper to decline to charge because the accused is facing a pending prosecution in the same or another county; and

(i) Conviction of the new offense would not merit any additional direct or collateral punishment;

(ii) Conviction in the pending prosecution is imminent;

(iii) The new offense is either a misdemeanor or a felony which is not particularly aggravated; and

(iv) Conviction of the new offense would not serve any significant deterrent purpose.

(f) High Disproportionate Cost of Prosecution - It may be proper to decline to charge where the cost of locating or transporting, or the burden on, prosecution witnesses is highly disproportionate to the importance of prosecuting the

offense in question. The reason should be limited to minor cases and should not be relied upon in serious cases.

(g) Improper Motives of Complainant - It may be proper to decline charges because the motives of the complainant are improper and prosecution would serve no public purpose, would defeat the underlying purpose of the law in question, or would result in decreased respect for the law.

(h) Immunity - It may be proper to decline to charge where immunity is to be given to an accused in order to prosecute another where the accused information or testimony will reasonably lead to the conviction of others who are responsible for more serious criminal conduct or who represent a greater danger to the public interest.

(i) Victim Request - It may be proper to decline to charge because the victim requests that no criminal charges be filed and the case involves the following crimes or situations:

(i) Assault cases where the victim has suffered little or no injury;

(ii) Crimes against property, not involving violence, where no major loss was suffered;

(iii) Where doing so would not jeopardize the safety of society.

Care should be taken to insure that the victim's request is freely made and is not the product of threats or pressure by the accused.

The presence of these factors may also justify the decision to dismiss a prosecution which has been commenced.

Notification

The prosecutor is encouraged to notify the victim, when practical, and the law enforcement personnel, of the decision not to prosecute.

(2) Decision to prosecute.

STANDARD:

Crimes against persons will be filed if sufficient admissible evidence exists, which, when considered with the most plausible, reasonably foreseeable defense that could be raised under the evidence, would justify conviction by a reasonable and objective fact finder. With regard to offenses prohibited by RCW 9A.44.040, 9A.44.050, 9A.44.073, 9A.44.076, 9A.44.079, 9A.44.083, 9A.44.086, 9A.44.089, and 9A.64.020 the prosecutor should avoid pre-filing agreements or diversions intended to place the accused in a program of treatment or counseling, so that treatment, if determined to be beneficial, can be proved under *RCW 13.40.160(4).

Crimes against property/other crimes will be filed if the admissible evidence is of such convincing force as to make it probable that a reasonable and objective fact finder would convict after hearing all the admissible evidence and the most plausible defense that could be raised.

The categorization of crimes for these charging standards shall be the same as found in RCW 9.94A.411(2).

The decision to prosecute or use diversion shall not be influenced by the race, gender, religion, or creed of the respondent.

(3) Selection of Charges/Degree of Charge

(a) The prosecutor should file charges which adequately describe the nature of the respondent's conduct. Other offenses may be charged only if they are necessary to ensure that the charges:

(i) Will significantly enhance the strength of the state's case at trial; or

(ii) Will result in restitution to all victims.

(b) The prosecutor should not overcharge to obtain a guilty plea. Overcharging includes:

(i) Charging a higher degree;

(ii) Charging additional counts.

This standard is intended to direct prosecutors to charge those crimes which demonstrate the nature and seriousness of a respondent's criminal conduct, but to decline to charge crimes which are not necessary to such an indication. Crimes which do not merge as a matter of law, but which arise from the same course of conduct, do not all have to be charged.

(4) Police Investigation

A prosecuting attorney is dependent upon law enforcement agencies to conduct the necessary factual investigation which must precede the decision to prosecute. The prosecuting attorney shall ensure that a thorough factual investigation has been conducted before a decision to prosecute is made. In ordinary circumstances the investigation should include the following:

(a) The interviewing of all material witnesses, together with the obtaining of written statements whenever possible;

(b) The completion of necessary laboratory tests; and

(c) The obtaining, in accordance with constitutional requirements, of the suspect's version of the events.

If the initial investigation is incomplete, a prosecuting attorney should insist upon further investigation before a decision to prosecute is made, and specify what the investigation needs to include.

(5) Exceptions

In certain situations, a prosecuting attorney may authorize filing of a criminal complaint before the investigation is complete if:

(a) Probable cause exists to believe the suspect is guilty; and

(b) The suspect presents a danger to the community or is likely to flee if not apprehended; or

(c) The arrest of the suspect is necessary to complete the investigation of the crime.

In the event that the exception to the standard is applied, the prosecuting attorney shall obtain a commitment from the law enforcement agency involved to complete the investigation in a timely manner. If the subsequent investigation does not produce sufficient evidence to meet the normal charging standard, the complaint should be dismissed.

(6) Investigation Techniques

The prosecutor should be fully advised of the investigatory techniques that were used in the case investigation including:

(a) Polygraph testing;

(b) Hypnosis;

(c) Electronic surveillance;

(d) Use of informants.

(7) Prefiling Discussions with Defendant

Discussions with the defendant or his or her representative regarding the selection or disposition of charges may occur prior to the filing of charges, and potential agreements can be reached.

(8) Plea dispositions:

STANDARD

(a) Except as provided in subsection (2) of this section, a respondent will normally be expected to plead guilty to the

charge or charges which adequately describe the nature of his or her criminal conduct or go to trial.

(b) In certain circumstances, a plea agreement with a respondent in exchange for a plea of guilty to a charge or charges that may not fully describe the nature of his or her criminal conduct may be necessary and in the public interest. Such situations may include the following:

- (i) Evidentiary problems which make conviction of the original charges doubtful;
- (ii) The respondent's willingness to cooperate in the investigation or prosecution of others whose criminal conduct is more serious or represents a greater public threat;
- (iii) A request by the victim when it is not the result of pressure from the respondent;
- (iv) The discovery of facts which mitigate the seriousness of the respondent's conduct;
- (v) The correction of errors in the initial charging decision;
- (vi) The respondent's history with respect to criminal activity;
- (vii) The nature and seriousness of the offense or offenses charged;
- (viii) The probable effect of witnesses.

(c) No plea agreement shall be influenced by the race, gender, religion, or creed of the respondent. This includes but is not limited to the prosecutor's decision to utilize such disposition alternatives as the Special Sex Offender Disposition Alternative, the Chemical Dependency Disposition Alternative, and manifest injustice.

(9) Disposition recommendations:
STANDARD

The prosecutor may reach an agreement regarding disposition recommendations.

The prosecutor shall not agree to withhold relevant information from the court concerning the plea agreement. [1997 c 338 § 18; 1996 c 9 § 1.]

**Reviser's note:* RCW 13.40.160 was amended by 1999 c 91 § 2, changing subsection (4) to subsection (3). RCW 13.40.160 was subsequently amended by 2011 c 338 § 2, deleting subsection (3).

13.40.080 Diversion agreement—Scope—Limitations—Restitution orders—Divertee's rights—Diversion unit's powers and duties—Interpreters—Modification.

(1) A diversion agreement shall be a contract between a juvenile accused of an offense and a diversion unit whereby the juvenile agrees to fulfill certain conditions in lieu of prosecution. Such agreements may be entered into only after the prosecutor, or probation counselor pursuant to this chapter, has determined that probable cause exists to believe that a crime has been committed and that the juvenile committed it. Such agreements shall be entered into as expeditiously as possible.

(2) A diversion agreement shall be limited to one or more of the following:

- (a) Community restitution not to exceed one hundred fifty hours, not to be performed during school hours if the juvenile is attending school;

- (b) Restitution limited to the amount of actual loss incurred by any victim;

(c) Attendance at up to ten hours of counseling and/or up to twenty hours of educational or informational sessions at a community agency. The educational or informational sessions may include sessions relating to respect for self, others, and authority; victim awareness; accountability; self-worth; responsibility; work ethics; good citizenship; literacy; and life skills. If an assessment identifies mental health or chemical dependency needs, a youth may access up to thirty hours of counseling. The counseling sessions may include services demonstrated to improve behavioral health and reduce recidivism. For purposes of this section, "community agency" may also mean a community-based nonprofit organization, a physician, a counselor, a school, or a treatment provider, if approved by the diversion unit. The state shall not be liable for costs resulting from the diversion unit exercising the option to permit diversion agreements to mandate attendance at up to thirty hours of counseling and/or up to twenty hours of educational or informational sessions;

(d) Requirements to remain during specified hours at home, school, or work, and restrictions on leaving or entering specified geographical areas; and

(e) Upon request of any victim or witness, requirements to refrain from any contact with victims or witnesses of offenses committed by the juvenile.

(3) Notwithstanding the provisions of subsection (2) of this section, youth courts are not limited to the conditions imposed by subsection (2) of this section in imposing sanctions on juveniles pursuant to RCW 13.40.630.

(4) In assessing periods of community restitution to be performed and restitution to be paid by a juvenile who has entered into a diversion agreement, the court officer to whom this task is assigned shall consult with the juvenile's custodial parent or parents or guardian. To the extent possible, the court officer shall advise the victims of the juvenile offender of the diversion process, offer victim impact letter forms and restitution claim forms, and involve members of the community. Such members of the community shall meet with the juvenile and advise the court officer as to the terms of the diversion agreement and shall supervise the juvenile in carrying out its terms.

(5)(a) A diversion agreement may not exceed a period of six months and may include a period extending beyond the eighteenth birthday of the divertee.

(b) If additional time is necessary for the juvenile to complete restitution to a victim, the time period limitations of this subsection may be extended by an additional six months.

(c) If the juvenile has not paid the full amount of restitution by the end of the additional six-month period, then the juvenile shall be referred to the juvenile court for entry of a civil order establishing the amount of restitution still owed to the victim. In this order, the court shall also determine the terms and conditions of the restitution, including a payment plan extending up to ten years if the court determines that the juvenile does not have the means to make full restitution over a shorter period. For the purposes of this subsection (5)(c), the juvenile shall remain under the court's jurisdiction for a maximum term of ten years after the juvenile's eighteenth birthday. Prior to the expiration of the initial ten-year period, the juvenile court may extend the judgment for restitution an

additional ten years. The court may relieve the juvenile of the requirement to pay full or partial restitution if the juvenile reasonably satisfies the court that he or she does not have the means to make full or partial restitution and could not reasonably acquire the means to pay the restitution over a ten-year period. If the court relieves the juvenile of the requirement to pay full or partial restitution, the court may order an amount of community restitution that the court deems appropriate. The county clerk shall make disbursements to victims named in the order. The restitution to victims named in the order shall be paid prior to any payment for other penalties or monetary assessments. A juvenile under obligation to pay restitution may petition the court for modification of the restitution order.

(6) The juvenile shall retain the right to be referred to the court at any time prior to the signing of the diversion agreement.

(7) Divertees and potential divertees shall be afforded due process in all contacts with a diversion unit regardless of whether the juveniles are accepted for diversion or whether the diversion program is successfully completed. Such due process shall include, but not be limited to, the following:

(a) A written diversion agreement shall be executed stating all conditions in clearly understandable language;

(b) Violation of the terms of the agreement shall be the only grounds for termination;

(c) No divertee may be terminated from a diversion program without being given a court hearing, which hearing shall be preceded by:

(i) Written notice of alleged violations of the conditions of the diversion program; and

(ii) Disclosure of all evidence to be offered against the divertee;

(d) The hearing shall be conducted by the juvenile court and shall include:

(i) Opportunity to be heard in person and to present evidence;

(ii) The right to confront and cross-examine all adverse witnesses;

(iii) A written statement by the court as to the evidence relied on and the reasons for termination, should that be the decision; and

(iv) Demonstration by evidence that the divertee has substantially violated the terms of his or her diversion agreement;

(e) The prosecutor may file an information on the offense for which the divertee was diverted:

(i) In juvenile court if the divertee is under eighteen years of age; or

(ii) In superior court or the appropriate court of limited jurisdiction if the divertee is eighteen years of age or older.

(8) The diversion unit shall, subject to available funds, be responsible for providing interpreters when juveniles need interpreters to effectively communicate during diversion unit hearings or negotiations.

(9) The diversion unit shall be responsible for advising a divertee of his or her rights as provided in this chapter.

(10) The diversion unit may refer a juvenile to a restorative justice program, community-based counseling, or treatment programs.

(11) The right to counsel shall inure prior to the initial interview for purposes of advising the juvenile as to whether he or she desires to participate in the diversion process or to appear in the juvenile court. The juvenile may be represented by counsel at any critical stage of the diversion process, including intake interviews and termination hearings. The juvenile shall be fully advised at the intake of his or her right to an attorney and of the relevant services an attorney can provide. For the purpose of this section, intake interviews mean all interviews regarding the diversion agreement process.

The juvenile shall be advised that a diversion agreement shall constitute a part of the juvenile's criminal history as defined by RCW 13.40.020(8). A signed acknowledgment of such advisement shall be obtained from the juvenile, and the document shall be maintained by the diversion unit together with the diversion agreement, and a copy of both documents shall be delivered to the prosecutor if requested by the prosecutor. The supreme court shall promulgate rules setting forth the content of such advisement in simple language.

(12) When a juvenile enters into a diversion agreement, the juvenile court may receive only the following information for dispositional purposes:

(a) The fact that a charge or charges were made;

(b) The fact that a diversion agreement was entered into;

(c) The juvenile's obligations under such agreement;

(d) Whether the alleged offender performed his or her obligations under such agreement; and

(e) The facts of the alleged offense.

(13) A diversion unit may refuse to enter into a diversion agreement with a juvenile. When a diversion unit refuses to enter a diversion agreement with a juvenile, it shall immediately refer such juvenile to the court for action and shall forward to the court the criminal complaint and a detailed statement of its reasons for refusing to enter into a diversion agreement. The diversion unit shall also immediately refer the case to the prosecuting attorney for action if such juvenile violates the terms of the diversion agreement.

(14) A diversion unit may, in instances where it determines that the act or omission of an act for which a juvenile has been referred to it involved no victim, or where it determines that the juvenile referred to it has no prior criminal history and is alleged to have committed an illegal act involving no threat of or instance of actual physical harm and involving not more than fifty dollars in property loss or damage and that there is no loss outstanding to the person or firm suffering such damage or loss, counsel and release or release such a juvenile without entering into a diversion agreement. A diversion unit's authority to counsel and release a juvenile under this subsection includes the authority to refer the juvenile to community-based counseling or treatment programs or a restorative justice program. Any juvenile released under this subsection shall be advised that the act or omission of any act for which he or she had been referred shall constitute a part of the juvenile's criminal history as defined by RCW 13.40.020(8). A signed acknowledgment of such advisement shall be obtained from the juvenile, and the document shall be maintained by the unit, and a copy of the document shall be delivered to the prosecutor if requested by the prosecutor. The supreme court shall promulgate rules setting forth the content of such advisement in simple language. A juvenile

determined to be eligible by a diversion unit for release as provided in this subsection shall retain the same right to counsel and right to have his or her case referred to the court for formal action as any other juvenile referred to the unit.

(15) A diversion unit may supervise the fulfillment of a diversion agreement entered into before the juvenile's eighteenth birthday and which includes a period extending beyond the divertee's eighteenth birthday.

(16) If restitution required by a diversion agreement cannot reasonably be paid due to a change of circumstance, the diversion agreement may be modified at the request of the divertee and with the concurrence of the diversion unit to convert unpaid restitution into community restitution. The modification of the diversion agreement shall be in writing and signed by the divertee and the diversion unit. The number of hours of community restitution in lieu of a monetary penalty shall be converted at the rate of the prevailing state minimum wage per hour. 13.40.085 Diversion services costs—Fees—Payment by parent or legal guardian. The county legislative authority may authorize juvenile court administrators to establish fees to cover the costs of the administration and operation of diversion services provided under this chapter. The parent or legal guardian of a juvenile who receives diversion services must pay for the services based on the parent's or guardian's ability to pay. The juvenile court administrators shall develop a fair and equitable payment schedule. No juvenile who is eligible for diversion as provided in this chapter may be denied diversion services based on an inability to pay for the services. [1993 c 171 § 1.]

13.40.087 Youth who have been diverted—Alleged prostitution or prostitution loitering offenses—Services and treatment. 13.40.090 Prosecuting attorney as party to juvenile court proceedings—Exception, procedure. The county prosecuting attorney shall be a party to all juvenile court proceedings involving juvenile offenders or alleged juvenile offenders.

(2017 Ed.)

The prosecuting attorney may, after giving appropriate notice to the juvenile court, decline to represent the state of Washington in juvenile court matters except felonies unless requested by the court on an individual basis to represent the state at an adjudicatory hearing in which case he or she shall participate. When the prosecutor declines to represent the state, then such function may be performed by the juvenile court probation counselor authorized by the court or local court rule to serve as the prosecuting authority.

If the prosecuting attorney elects not to participate, the prosecuting attorney shall file with the county clerk each year by the first Monday in July notice of intent not to participate. In a county wherein the prosecuting attorney has elected not to participate in juvenile court, he or she shall not thereafter until the next filing date participate in juvenile court proceedings unless so requested by the court on an individual basis, in which case the prosecuting attorney shall participate. (1) Upon the filing of an information the alleged offender shall be notified by summons, warrant, or other method approved by the court of the next required court appearance.

(2) If notice is by summons, the clerk of the court shall issue a summons directed to the juvenile, if the juvenile is twelve or more years of age, and another to the parents, guardian, or custodian, and such other persons as appear to the court to be proper or necessary parties to the proceedings, requiring them to appear personally before the court at the time fixed to hear the petition. Where the custodian is summoned, the parent or guardian or both shall also be served with a summons.

(3) A copy of the information shall be attached to each summons.

(4) The summons shall advise the parties of the right to counsel.

(5) The judge may endorse upon the summons an order directing the parents, guardian, or custodian having the custody or control of the juvenile to bring the juvenile to the hearing.

(6) If it appears from affidavit or sworn statement presented to the judge that there is probable cause for the issuance of a warrant of arrest or that the juvenile needs to be taken into custody pursuant to RCW 13.34.050, the judge may endorse upon the summons an order that an officer serving the summons shall at once take the juvenile into custody and take the juvenile to the place of detention or shelter designated by the court.

(7) Service of summons may be made under the direction of the court by any law enforcement officer or probation counselor.

(8) If the person summoned as herein provided fails without reasonable cause to appear and abide the order of the court, the person may be proceeded against as for contempt of court. In determining whether a parent, guardian, or custodian had reasonable cause not to appear, the court may consider all factors relevant to the person's ability to appear as

summoned. [1997 c 338 § 19; 1979 c 155 § 62; 1977 ex.s. c 291 § 64.]

(2) Mandatory decline hearing - Unless waived by the court, the parties, and their counsel, a decline hearing shall be held when:

(a) The respondent is sixteen or seventeen years of age and the information alleges a class A felony or an attempt, solicitation, or conspiracy to commit a class A felony;

(b) The respondent is seventeen years of age and the information alleges assault in the second degree, extortion in the first degree, indecent liberties, child molestation in the second degree, kidnapping in the second degree, or robbery in the second degree; or

(c) The information alleges an escape by the respondent and the respondent is serving a minimum juvenile sentence to age twenty-one.

(3) The court after a decline hearing may order the case transferred for adult criminal prosecution upon a finding that the declination would be in the best interest of the juvenile or the public. The court shall consider the relevant reports, facts, opinions, and arguments presented by the parties and their counsel.

(4) When the respondent is transferred for criminal prosecution or retained for prosecution in juvenile court, the court shall set forth in writing its finding which shall be supported by relevant facts and opinions produced at the hearing. 13.40.127 Deferred disposition. (1) A juvenile is eligible for deferred disposition unless he or she:

(a) Is charged with a sex or violent offense;

(b) Has a criminal history which includes any felony;

(c) Has a prior deferred disposition or deferred adjudication; or

(d) Has two or more adjudications.

(2) The juvenile court may, upon motion at least fourteen days before commencement of trial and, after consulting the juvenile's custodial parent or parents or guardian and with the

consent of the juvenile, continue the case for disposition for a period not to exceed one year from the date the juvenile is found guilty. In all cases where the juvenile is eligible for a deferred disposition, there shall be a strong presumption that the deferred disposition will be granted. The court may waive the fourteen-day period anytime before the commencement of trial for good cause.

(3) Any juvenile who agrees to a deferral of disposition shall:

(a) Stipulate to the admissibility of the facts contained in the written police report;

(b) Acknowledge that the report will be entered and used to support a finding of guilt and to impose a disposition if the juvenile fails to comply with terms of supervision;

(c) Waive the following rights to: (i) A speedy disposition; and (ii) call and confront witnesses; and

(d) Acknowledge the direct consequences of being found guilty and the direct consequences that will happen if an order of disposition is entered.

The adjudicatory hearing shall be limited to a reading of the court's record.

(4) Following the stipulation, acknowledgment, waiver, and entry of a finding or plea of guilt, the court shall defer entry of an order of disposition of the juvenile.

(5) Any juvenile granted a deferral of disposition under this section shall be placed under community supervision. The court may impose any conditions of supervision that it deems appropriate including posting a probation bond. Payment of restitution under RCW 13.40.190 shall be a condition of community supervision under this section.

The court may require a juvenile offender convicted of animal cruelty in the first degree to submit to a mental health evaluation to determine if the offender would benefit from treatment and such intervention would promote the safety of the community. After consideration of the results of the evaluation, as a condition of community supervision, the court may order the offender to attend treatment to address issues pertinent to the offense.

The court may require the juvenile to undergo a mental health or substance abuse assessment, or both. If the assessment identifies a need for treatment, conditions of supervision may include treatment for the assessed need that has been demonstrated to improve behavioral health and reduce recidivism.

The court shall require a juvenile granted a deferral of disposition for unlawful possession of a firearm in violation of RCW 9.41.040 to participate in a qualifying program as described in RCW 13.40.193(2)(b), when available, unless the court makes a written finding based on the outcome of the juvenile court risk assessment that participation in a qualifying program would not be appropriate.

(6) A parent who signed for a probation bond has the right to notify the counselor if the juvenile fails to comply with the bond or conditions of supervision. The counselor shall notify the court and surety of any failure to comply. A surety shall notify the court of the juvenile's failure to comply with the probation bond. The state shall bear the burden to prove, by a preponderance of the evidence, that the juvenile has failed to comply with the terms of community supervision.

(7)(a) Anytime prior to the conclusion of the period of supervision, the prosecutor or the juvenile's juvenile court community supervision counselor may file a motion with the court requesting the court revoke the deferred disposition based on the juvenile's lack of compliance or treat the juvenile's lack of compliance as a violation pursuant to RCW 13.40.200.

(b) If the court finds the juvenile failed to comply with the terms of the deferred disposition, the court may:

(i) Revoke the deferred disposition and enter an order of disposition; or

(ii) Impose sanctions for the violation pursuant to RCW 13.40.200.

(8) At any time following deferral of disposition the court may, following a hearing, continue supervision for an additional one-year period for good cause.

(9)(a) At the conclusion of the period of supervision, the court shall determine whether the juvenile is entitled to dismissal of the deferred disposition only when the court finds:

(i) The deferred disposition has not been previously revoked;

(ii) The juvenile has completed the terms of supervision;

(iii) There are no pending motions concerning lack of compliance pursuant to subsection (7) of this section; and

(iv) The juvenile has either paid the full amount of restitution, or, made a good faith effort to pay the full amount of restitution during the period of supervision.

(b) If the court finds the juvenile is entitled to dismissal of the deferred disposition pursuant to (a) of this subsection, the juvenile's conviction shall be vacated and the court shall dismiss the case with prejudice, except that a conviction under RCW 16.52.205 shall not be vacated. Whenever a case is dismissed with restitution still owing, the court shall enter a restitution order pursuant to RCW 7.80.130 for any unpaid restitution. Jurisdiction to enforce payment and modify terms of the restitution order shall be the same as those set forth in RCW 7.80.130.

(c) If the court finds the juvenile is not entitled to dismissal of the deferred disposition pursuant to (a) of this subsection, the court shall revoke the deferred disposition and enter an order of disposition. A deferred disposition shall remain a conviction unless the case is dismissed and the conviction is vacated pursuant to (b) of this subsection or sealed pursuant to RCW 13.50.260.

(10)(a)(i) Any time the court vacates a conviction pursuant to subsection (9) of this section, if the juvenile is eighteen years of age or older and the full amount of restitution owing to the individual victim named in the restitution order, excluding restitution owed to any insurance provider authorized under Title 48 RCW has been paid, the court shall enter a written order sealing the case.

(ii) Any time the court vacates a conviction pursuant to subsection (9) of this section, if the juvenile is not eighteen years of age or older and full restitution ordered has been paid, the court shall schedule an administrative sealing hearing to take place no later than thirty days after the respondent's eighteenth birthday, at which time the court shall enter a written order sealing the case. The respondent's presence at the administrative sealing hearing is not required.

(iii) Any deferred disposition vacated prior to June 7, 2012, is not subject to sealing under this subsection.

(2017 Ed.)

(b) Nothing in this subsection shall preclude a juvenile from petitioning the court to have the records of his or her deferred dispositions sealed under RCW 13.50.260.

(c) Records sealed under this provision shall have the same legal status as records sealed under RCW 13.50.260. [2016 c 136 § 3; 2015 c 265 § 26. Prior: 2014 c 175 § 6; 2014 c 117 § 2; 2013 c 179 § 5; 2012 c 177 § 1; 2009 c 236 § 1; 2004 c 117 § 2; 2001 c 175 § 3; 1997 c 338 § 21.]

13.40.130 Procedure upon plea of guilty or not guilty to information allegations—Notice—Adjudicatory and disposition hearing—Disposition standards used in sentencing. (1) The respondent shall be advised of the allegations in the information and shall be required to plead guilty or not guilty to the allegation(s). The state or the respondent may make preliminary motions up to the time of the plea.

(2) If the respondent pleads guilty, the court may proceed with disposition or may continue the case for a dispositional hearing. If the respondent denies guilt, an adjudicatory hearing date shall be set. The court shall notify the parent, guardian, or custodian who has custody of a juvenile described in the charging document of the dispositional or adjudicatory hearing and shall require attendance.

(3) At the adjudicatory hearing it shall be the burden of the prosecution to prove the allegations of the information beyond a reasonable doubt.

(4) The court shall record its findings of fact and shall enter its decision upon the record. Such findings shall set forth the evidence relied upon by the court in reaching its decision.

(5) If the respondent is found not guilty he or she shall be released from detention.

(6) If the respondent is found guilty the court may immediately proceed to disposition or may continue the case for a dispositional hearing. Notice of the time and place of the continued hearing may be given in open court. If notice is not given in open court to a party, the party and the parent, guardian, or custodian who has custody of the juvenile shall be notified by mail of the time and place of the continued hearing.

(7) The court following an adjudicatory hearing may request that a predisposition study be prepared to aid the court in its evaluation of the matters relevant to disposition of the case.

(8) The disposition hearing shall be held within fourteen days after the adjudicatory hearing or plea of guilty unless good cause is shown for further delay, or within twenty-one days if the juvenile is not held in a detention facility, unless good cause is shown for further delay.

(9) In sentencing an offender, the court shall use the disposition standards in effect on the date of the offense.

(10) A person notified under this section who fails without reasonable cause to appear and abide by the order of the court may be proceeded against as for contempt of court. In determining whether a parent, guardian, or custodian had rea-

sonable cause not to appear, the court may consider all factors relevant to the person's ability to appear as summoned. [1997 c 338 § 22; 1981 c 299 § 10; 1979 c 155 § 65; 1977 ex.s. c 291 § 67.]

13.40.135 Sexual motivation special allegation—Procedures. (1) The prosecuting attorney shall file a special allegation of sexual motivation in every juvenile offense other than sex offenses as defined in RCW 9.94A.030 when sufficient admissible evidence exists, which, when considered with the most plausible, reasonably consistent defense that could be raised under the evidence, would justify a finding of sexual motivation by a reasonable and objective fact finder.

(2) In a juvenile case wherein there has been a special allegation the state shall prove beyond a reasonable doubt that the juvenile committed the offense with a sexual motivation. The court shall make a finding of fact of whether or not the sexual motivation was present at the time of the commission of the offense. This finding shall not be applied to sex offenses as defined in RCW 9.94A.030.

(3) The prosecuting attorney shall not withdraw the special allegation of "sexual motivation" without approval of the court through an order of dismissal. The court shall not dismiss the special allegation unless it finds that such an order is necessary to correct an error in the initial charging decision or unless there are evidentiary problems which make proving the special allegation doubtful. 13.40.140 Juveniles entitled to usual judicial rights—Notice of—Open court—Privilege against self-incrimination—Waiver of rights, when. (1) A juvenile shall be advised of his or her rights when appearing before the court.

(2) A juvenile and his or her parent, guardian, or custodian shall be advised by the court or its representative that the juvenile has a right to be represented by counsel at all critical stages of the proceedings. Unless waived, counsel shall be provided to a juvenile who is financially unable to obtain counsel without causing substantial hardship to himself or herself or the juvenile's family, in any proceeding where the juvenile may be subject to transfer for criminal prosecution, or in any proceeding where the juvenile may be in danger of confinement. The ability to pay part of the cost of counsel does not preclude assignment. In no case may a juvenile be deprived of counsel because of a parent, guardian, or custodian refusing to pay therefor. The juvenile shall be fully advised of his or her right to an attorney and of the relevant services an attorney can provide.

(3) The right to counsel includes the right to the appointment of experts necessary, and the experts shall be required pursuant to the procedures and requirements established by the supreme court.

(4) Upon application of a party, the clerk of the court shall issue, and the court on its own motion may issue, subpoenas requiring attendance and testimony of witnesses and production of records, documents, or other tangible objects at any hearing, or such subpoenas may be issued by an attorney of record.

(5) All proceedings shall be transcribed verbatim by means which will provide an accurate record.

(6) The general public and press shall be permitted to attend any hearing unless the court, for good cause, orders a particular hearing to be closed. The presumption shall be that all such hearings will be open.

(7) In all adjudicatory proceedings before the court, all parties shall have the right to adequate notice, discovery as provided in criminal cases, opportunity to be heard, confrontation of witnesses except in such cases as this chapter expressly permits the use of hearsay testimony, findings based solely upon the evidence adduced at the hearing, and an unbiased fact finder.

(8) A juvenile shall be accorded the same privilege against self-incrimination as an adult. An extrajudicial statement which would be constitutionally inadmissible in a criminal proceeding may not be received in evidence at an adjudicatory hearing over objection. Evidence illegally seized or obtained may not be received in evidence over objection at an adjudicatory hearing to prove the allegations against the juvenile if the evidence would be inadmissible in an adult criminal proceeding. An extrajudicial admission or confession made by the juvenile out of court is insufficient to support a finding that the juvenile committed the acts alleged in the information unless evidence of a corpus delicti is first independently established in the same manner as required in an adult criminal proceeding.

(9) Statements, admissions, or confessions made by a juvenile in the course of a mental health or chemical dependency screening or assessment, whether or not the screening or assessment was ordered by the court, shall not be admissible into evidence against the juvenile on the issue of guilt in any juvenile offense matter or adult criminal proceeding, unless the juvenile has placed his or her mental health at issue. The statement is admissible for any other purpose or proceeding allowed by law. This prohibition does not apply to statements, admissions, or confessions made to law enforcement, and may not be used to argue for derivative suppression of other evidence lawfully obtained as a result of an otherwise inadmissible statement, admission, or confession.

(10) Waiver of any right which a juvenile has under this chapter must be an express waiver intelligently made by the juvenile after the juvenile has been fully informed of the right being waived.

(11) Whenever this chapter refers to waiver or objection by a juvenile, the word juvenile shall be construed to refer to a juvenile who is at least twelve years of age. If a juvenile is under twelve years of age, the juvenile's parent, guardian, or custodian shall give any waiver or offer any objection contemplated by this chapter. [2014 c 110 § 2; 1981 c 299 § 11; 1979 c 155 § 66; 1977 ex.s. c 291 § 68.]

13.40.150 Disposition hearing—Scope—Factors to be considered prior to entry of dispositional order. (1) In disposition hearings all relevant and material evidence, including oral and written reports, may be received by the court and may be relied upon to the extent of its probative value, even though such evidence may not be admissible in a hearing on the information. The youth or the youth's counsel and the prosecuting attorney shall be afforded an opportunity to examine and controvert written reports so received and to cross-examine individuals making reports when such individuals are reasonably available, but sources of confidential information need not be disclosed. The prosecutor and counsel for the juvenile may submit recommendations for disposition.

(2) For purposes of disposition:

(a) Violations which are current offenses count as misdemeanors;

(b) Violations may not count as part of the offender's criminal history;

(c) In no event may a disposition for a violation include confinement.

(3) Before entering a dispositional order as to a respondent found to have committed an offense, the court shall hold a disposition hearing, at which the court shall:

(a) Consider the facts supporting the allegations of criminal conduct by the respondent;

(b) Consider information and arguments offered by parties and their counsel;

(c) Consider any predisposition reports;

(d) Consult with the respondent's parent, guardian, or custodian on the appropriateness of dispositional options under consideration and afford the respondent and the respondent's parent, guardian, or custodian an opportunity to speak in the respondent's behalf;

(e) Allow the victim or a representative of the victim and an investigative law enforcement officer to speak;

(f) Determine the amount of restitution owing to the victim, if any, or set a hearing for a later date not to exceed one hundred eighty days from the date of the disposition hearing to determine the amount, except that the court may continue the hearing beyond the one hundred eighty days for good cause;

(g) Determine the respondent's offender score;

(h) Consider whether or not any of the following mitigating factors exist:

(i) The respondent's conduct neither caused nor threatened serious bodily injury or the respondent did not contemplate that his or her conduct would cause or threaten serious bodily injury;

(ii) The respondent acted under strong and immediate provocation;

(iii) The respondent was suffering from a mental or physical condition that significantly reduced his or her culpability for the offense though failing to establish a defense;

(iv) Prior to his or her detection, the respondent compensated or made a good faith attempt to compensate the victim for the injury or loss sustained; and

(v) There has been at least one year between the respondent's current offense and any prior criminal offense;

(i) Consider whether or not any of the following aggravating factors exist:

(i) In the commission of the offense, or in flight therefrom, the respondent inflicted or attempted to inflict serious bodily injury to another;

(ii) The offense was committed in an especially heinous, cruel, or depraved manner;

(iii) The victim or victims were particularly vulnerable;

(iv) The respondent has a recent criminal history or has failed to comply with conditions of a recent dispositional order or diversion agreement;

(v) The current offense included a finding of sexual motivation pursuant to RCW 13.40.135;

(vi) The respondent was the leader of a criminal enterprise involving several persons;

(vii) There are other complaints which have resulted in diversion or a finding or plea of guilty but which are not included as criminal history; and

(viii) The standard range disposition is clearly too lenient considering the seriousness of the juvenile's prior adjudications.

(4) The following factors may not be considered in determining the punishment to be imposed:

(a) The sex of the respondent;

(b) The race or color of the respondent or the respondent's family;

(c) The creed or religion of the respondent or the respondent's family;

(d) The economic or social class of the respondent or the respondent's family; and

(e) Factors indicating that the respondent may be or is a dependent child within the meaning of this chapter.

(5) A court may not commit a juvenile to a state institution solely because of the lack of facilities, including treatment facilities, existing in the community. [1998 c 86 § 1; 1997 c 338 § 24; 1995 c 268 § 5; 1992 c 205 § 109; 1990 c 3 § 605; 1981 c 299 § 12; 1979 c 155 § 67; 1977 ex.s. c 291 § 69.]

13.40.160 Disposition order—Court's action prescribed—Disposition outside standard range—Right of appeal—Special sex offender disposition alternative. (1) The standard range disposition for a juvenile adjudicated of an offense is determined according to RCW 13.40.0357.

(a) When the court sentences an offender to a local sanction as provided in RCW 13.40.0357 option A, the court shall impose a determinate disposition within the standard ranges, except as provided in subsection (2), (3), (4), (5), or (6) of this section. The disposition may be comprised of one or more local sanctions.

(b) When the court sentences an offender to a standard range as provided in RCW 13.40.0357 option A that includes a term of confinement exceeding thirty days, commitment shall be to the department for the standard range of confinement, except as provided in subsection (2), (3), (4), (5), or (6) of this section.

(2) If the court concludes, and enters reasons for its conclusion, that disposition within the standard range would effectuate a manifest injustice the court shall impose a dispo-

sition outside the standard range, as indicated in option D of RCW 13.40.0357. The court's finding of manifest injustice shall be supported by clear and convincing evidence.

A disposition outside the standard range shall be determinate and shall be comprised of confinement or community supervision, or a combination thereof. When a judge finds a manifest injustice and imposes a sentence of confinement exceeding thirty days, the court shall sentence the juvenile to a maximum term, and the provisions of RCW 13.40.030(2) shall be used to determine the range. A disposition outside the standard range is appealable under RCW 13.40.230 by the state or the respondent. A disposition within the standard range is not appealable under RCW 13.40.230.

(3) If a juvenile offender is found to have committed a sex offense, other than a sex offense that is also a serious violent offense as defined by RCW 9.94A.030, and has no history of a prior sex offense, the court may impose the special sex offender disposition alternative under RCW 13.40.162.

(4) If the juvenile offender is subject to a standard range disposition of local sanctions or 15 to 36 weeks of confinement and has not committed an A- or B+ offense, the court may impose the disposition alternative under RCW 13.40.165.

(5) If a juvenile is subject to a commitment of 15 to 65 weeks of confinement, the court may impose the disposition alternative under *RCW 13.40.167.

(6) When the offender is subject to a standard range commitment of 15 to 36 weeks and is ineligible for a suspended disposition alternative, a manifest injustice disposition below the standard range, special sex offender disposition alternative, chemical dependency disposition alternative, or mental health disposition alternative, the court in a county with a pilot program under **RCW 13.40.169 may impose the disposition alternative under **RCW 13.40.169.

(7) RCW 13.40.193 shall govern the disposition of any juvenile adjudicated of possessing a firearm in violation of ***RCW 9.41.040(2)(a)(iii) or any crime in which a special finding is entered that the juvenile was armed with a firearm.

(8) RCW 13.40.308 shall govern the disposition of any juvenile adjudicated of theft of a motor vehicle as defined under RCW 9A.56.065, possession of a stolen motor vehicle as defined under RCW 9A.56.068, taking a motor vehicle without permission in the first degree under RCW 9A.56.070, and taking a motor vehicle without permission in the second degree under RCW 9A.56.075.

(9) Whenever a juvenile offender is entitled to credit for time spent in detention prior to a dispositional order, the dispositional order shall specifically state the number of days of credit for time served.

(10) Except as provided under subsection (3), (4), (5), or (6) of this section, or option B of RCW 13.40.0357, or RCW 13.40.127, the court shall not suspend or defer the imposition or the execution of the disposition.

(11) In no case shall the term of confinement imposed by the court at disposition exceed that to which an adult could be subjected for the same offense. [2011 c 338 § 2; 2007 c 199 § 14. Prior: 2004 c 120 § 4; 2004 c 38 § 11; prior: 2003 c 378 § 3; 2003 c 53 § 99; 2002 c 175 § 22; 1999 c 91 § 2; prior: 1997 c 338 § 25; 1997 c 265 § 1; 1995 c 395 § 7; 1994 sp.s. c 7 § 523; 1992 c 45 § 6; 1990 c 3 § 302; 1989 c 407 § 4; 1983

(b) The examiner shall assess and report regarding the respondent's amenability to treatment and relative risk to the community. A proposed treatment plan shall be provided and shall include, at a minimum:

(i) The frequency and type of contact between the offender and therapist;

(ii) Specific issues to be addressed in the treatment and description of planned treatment modalities;

(iii) Monitoring plans, including any requirements regarding living conditions, lifestyle requirements, and monitoring by family members, legal guardians, or others;

(iv) Anticipated length of treatment; and

(v) Recommended crime-related prohibitions.

(c) The court on its own motion may order, or on a motion by the state shall order, a second examination regarding the offender's amenability to treatment. The evaluator shall be selected by the party making the motion. The defendant shall pay the cost of any second examination ordered unless the court finds the defendant to be indigent in which case the state shall pay the cost.

(3) After receipt of reports of the examination, the court shall then consider whether the offender and the community will benefit from use of this special sex offender disposition

alternative and consider the victim's opinion whether the offender should receive a treatment disposition under this section. If the court determines that this special sex offender disposition alternative is appropriate, then the court shall impose a determinate disposition within the standard range for the offense, or if the court concludes, and enters reasons for its conclusions, that such disposition would cause a manifest injustice, the court shall impose a disposition under option D, and the court may suspend the execution of the disposition and place the offender on community supervision for at least two years.

(4) As a condition of the suspended disposition, the court may impose the conditions of community supervision and other conditions, including up to thirty days of confinement and requirements that the offender do any one or more of the following:

(a) Devote time to a specific education, employment, or occupation;

(b) Undergo available outpatient sex offender treatment for up to two years, or inpatient sex offender treatment not to exceed the standard range of confinement for that offense. A community mental health center may not be used for such treatment unless it has an appropriate program designed for sex offender treatment. The respondent shall not change sex offender treatment providers or treatment conditions without first notifying the prosecutor, the probation counselor, and the court, and shall not change providers without court approval after a hearing if the prosecutor or probation counselor object to the change;

(c) Remain within prescribed geographical boundaries and notify the court or the probation counselor prior to any change in the offender's address, educational program, or employment;

(d) Report to the prosecutor and the probation counselor prior to any change in a sex offender treatment provider. This change shall have prior approval by the court;

(e) Report as directed to the court and a probation counselor;

(f) Pay all court-ordered legal financial obligations, perform community restitution, or any combination thereof;

(g) Make restitution to the victim for the cost of any counseling reasonably related to the offense; or

(h) Comply with the conditions of any court-ordered probation bond.

(5) If the court orders twenty-four hour, continuous monitoring of the offender while on probation, the court shall include the basis for this condition in its findings.

(6)(a) The court must order the offender not to attend the public or approved private elementary, middle, or high school attended by the victim or the victim's siblings.

(b) The parents or legal guardians of the offender are responsible for transportation or other costs associated with the offender's change of school that would otherwise be paid by the school district.

(c) The court shall send notice of the disposition and restriction on attending the same school as the victim or victim's siblings to the public or approved private school the juvenile will attend, if known, or if unknown, to the approved private schools and the public school district board of directors of the district in which the juvenile resides or intends to reside. This notice must be sent at the earliest possible date

but not later than ten calendar days after entry of the disposition.

(7)(a) The sex offender treatment provider shall submit quarterly reports on the respondent's progress in treatment to the court and the parties. The reports shall reference the treatment plan and include at a minimum the following: Dates of attendance, respondent's compliance with requirements, treatment activities, the respondent's relative progress in treatment, and any other material specified by the court at the time of the disposition.

(b) At the time of the disposition, the court may set treatment review hearings as the court considers appropriate.

(c) Except as provided in this subsection, examinations and treatment ordered pursuant to this subsection shall only be conducted by certified sex offender treatment providers or certified affiliate sex offender treatment providers under chapter 18.155 RCW.

(d) A sex offender therapist who examines or treats a juvenile sex offender pursuant to this subsection does not have to be certified by the department of health pursuant to chapter 18.155 RCW if the court finds that: (i) The offender has already moved to another state or plans to move to another state for reasons other than circumventing the certification requirements; (ii) no certified sex offender treatment providers or certified affiliate sex offender treatment providers are available for treatment within a reasonable geographical distance of the offender's home; and (iii) the evaluation and treatment plan comply with this subsection and the rules adopted by the department of health.

(8)(a) If the offender violates any condition of the disposition or the court finds that the respondent is failing to make satisfactory progress in treatment, the court may revoke the suspension and order execution of the disposition or the court may impose a penalty of up to thirty days confinement for violating conditions of the disposition.

(b) The court may order both execution of the disposition and up to thirty days confinement for the violation of the conditions of the disposition.

(c) The court shall give credit for any confinement time previously served if that confinement was for the offense for which the suspension is being revoked.

(9) For purposes of this section, "victim" means any person who has sustained emotional, psychological, physical, or financial injury to person or property as a direct result of the crime charged. "Victim" may also include a known parent or guardian of a victim who is a minor child unless the parent or guardian is the perpetrator of the offense.

(10) A disposition entered under this section is not appealable under RCW 13.40.230. [2011 c 338 § 3.]

13.40.165 Chemical dependency disposition alternative. (1) The purpose of this disposition alternative is to ensure that successful treatment options to reduce recidivism are available to eligible youth, pursuant to *RCW 70.96A.520. It is also the purpose of the disposition alternative to assure that minors in need of chemical dependency, mental health, and/or co-occurring disorder treatment receive an appropriate continuum of culturally relevant care and treatment, including prevention and early intervention, self-directed care, parent-directed care, and residential treatment. To facilitate the continuum of care and treatment to minors in

out-of-home placements, all divisions of the department that provide these services to minors shall jointly plan and deliver these services. It is also the purpose of the disposition alternative to protect the rights of minors against needless hospitalization and deprivations of liberty and to enable treatment decisions to be made in response to clinical needs and in accordance with sound professional judgment. The mental health, substance abuse, and co-occurring disorder treatment providers shall, to the extent possible, offer services that involve minors' parents, guardians, and family.

(2) The court must consider eligibility for the chemical dependency or mental health disposition alternative when a juvenile offender is subject to a standard range disposition of local sanctions or 15 to 36 weeks of confinement and has not committed an A- or B+ offense, other than a first time B+ offense under chapter 69.50 RCW. The court, on its own motion or the motion of the state or the respondent if the evidence shows that the offender may be chemically dependent, substance abusing, or has significant mental health or co-occurring disorders may order an examination by a chemical dependency counselor from a chemical dependency treatment facility approved under **chapter 70.96A RCW or a mental health professional as defined in chapter 71.34 RCW to determine if the youth is chemically dependent, substance abusing, or suffers from significant mental health or co-occurring disorders. The offender shall pay the cost of any examination ordered under this subsection unless the court finds that the offender is indigent and no third party insurance coverage is available, in which case the state shall pay the cost.

(3) The report of the examination shall include at a minimum the following: The respondent's version of the facts and the official version of the facts, the respondent's offense history, an assessment of drug-alcohol problems, mental health diagnoses, previous treatment attempts, the respondent's social, educational, and employment situation, and other evaluation measures used. The report shall set forth the sources of the examiner's information.

(4) The examiner shall assess and report regarding the respondent's relative risk to the community. A proposed treatment plan shall be provided and shall include, at a minimum:

- (a) Whether inpatient and/or outpatient treatment is recommended;
- (b) Availability of appropriate treatment;
- (c) Monitoring plans, including any requirements regarding living conditions, lifestyle requirements, and monitoring by family members, legal guardians, or others;
- (d) Anticipated length of treatment; and
- (e) Recommended crime-related prohibitions.

(5) The court on its own motion may order, or on a motion by the state or the respondent shall order, a second examination. The evaluator shall be selected by the party making the motion. The requesting party shall pay the cost of any examination ordered under this subsection unless the requesting party is the offender and the court finds that the offender is indigent and no third party insurance coverage is available, in which case the state shall pay the cost.

(6)(a) After receipt of reports of the examination, the court shall then consider whether the offender and the community will benefit from use of this disposition alternative

and consider the victim's opinion whether the offender should receive a treatment disposition under this section.

(b) If the court determines that this disposition alternative is appropriate, then the court shall impose the standard range for the offense, or if the court concludes, and enters reasons for its conclusion, that such disposition would effectuate a manifest injustice, the court shall impose a disposition above the standard range as indicated in option D of RCW 13.40.0357 if the disposition is an increase from the standard range and the confinement of the offender does not exceed a maximum of fifty-two weeks, suspend execution of the disposition, and place the offender on community supervision for up to one year. As a condition of the suspended disposition, the court shall require the offender to undergo available outpatient drug/alcohol, mental health, or co-occurring disorder treatment and/or inpatient mental health or drug/alcohol treatment. The court shall only order inpatient treatment under this section if a funded bed is available. If the inpatient treatment is longer than ninety days, the court shall hold a review hearing every thirty days beyond the initial ninety days. The respondent may appear telephonically at these review hearings if in compliance with treatment. As a condition of the suspended disposition, the court may impose conditions of community supervision and other sanctions, including up to thirty days of confinement, one hundred fifty hours of community restitution, and payment of legal financial obligations and restitution.

(7) The mental health/co-occurring disorder/drug/alcohol treatment provider shall submit monthly reports on the respondent's progress in treatment to the court and the parties. The reports shall reference the treatment plan and include at a minimum the following: Dates of attendance, respondent's compliance with requirements, treatment activities, the respondent's relative progress in treatment, and any other material specified by the court at the time of the disposition.

At the time of the disposition, the court may set treatment review hearings as the court considers appropriate.

If the offender violates any condition of the disposition or the court finds that the respondent is failing to make satisfactory progress in treatment, the court may impose sanctions pursuant to RCW 13.40.200 or revoke the suspension and order execution of the disposition. The court shall give credit for any confinement time previously served if that confinement was for the offense for which the suspension is being revoked.

(8) For purposes of this section, "victim" means any person who has sustained emotional, psychological, physical, or financial injury to person or property as a direct result of the offense charged. "Victim" may also include a known parent or guardian of a victim who is a minor child or is not a minor child but is incapacitated, incompetent, disabled, or deceased.

(9) Whenever a juvenile offender is entitled to credit for time spent in detention prior to a dispositional order, the dispositional order shall specifically state the number of days of credit for time served.

(10) In no case shall the term of confinement imposed by the court at disposition exceed that to which an adult could be subjected for the same offense.

(11) A disposition under this section is not appealable under RCW 13.40.230.

(12) Subject to funds appropriated for this specific purpose, the costs incurred by the juvenile courts for the mental health, chemical dependency, and/or co-occurring disorder evaluations, treatment, and costs of supervision required under this section shall be paid by the department. (a) Where the offenses were committed through a single act or omission, omission, or through an act or omission which in itself constituted one of the offenses and also was an element of the other, the aggregate of all the terms shall not exceed one hundred fifty percent of the term imposed for the most serious offense;

(b) The aggregate of all consecutive terms shall not exceed three hundred percent of the term imposed for the most serious offense; and

13.40.185 Disposition order—Confinement under departmental supervision or in juvenile facility, when. (Effective until July 1, 2019.) (1) Any term of confinement imposed for an offense which exceeds thirty days shall be served under the supervision of the department. (2) Whenever a juvenile is confined in a detention facility or is committed to the department, the court may not directly order a juvenile into a particular county or state facility. 13.40.190 Disposition order—Restitution for loss or damage—Modification of restitution order. (1)(a) In its dispositional order, the court shall require the respondent to make restitution to any persons who have suffered loss or damage as a result of the offense committed by the respondent. In addition, restitution may be ordered for loss or damage if the offender pleads guilty to a lesser offense or fewer offenses and agrees with the prosecutor's recommendation that the offender be required to pay restitution to a victim of an offense or offenses which, pursuant to a plea agreement, are not prosecuted.

(b) Restitution may include the costs of counseling reasonably related to the offense.

(c) The payment of restitution shall be in addition to any punishment which is imposed pursuant to the other provisions of this chapter.

(d) The court may determine the amount, terms, and conditions of the restitution including a payment plan extending up to ten years if the court determines that the respondent does not have the means to make full restitution over a shorter period. If the court determines that a juvenile has insufficient funds to pay and upon agreement of the victim, the court may order performance of a number of hours of community restitution in lieu of monetary penalty, at the rate of the then state minimum wage per hour. The court shall allow the victim to determine the nature of the community restitution to be completed when it is practicable and appropriate to do so. For the purposes of this section, the respon-

dent shall remain under the court's jurisdiction for a maximum term of ten years after the respondent's eighteenth birthday and, during this period, the restitution portion of the dispositional order may be modified as to amount, terms, and conditions at any time. Prior to the expiration of the ten-year period, the juvenile court may extend the judgment for the payment of restitution for an additional ten years. If the court grants a respondent's petition pursuant to RCW 13.50.260, the court's jurisdiction under this subsection shall terminate.

(e) Nothing in this section shall prevent a respondent from petitioning the court pursuant to RCW 13.50.260 if the respondent has paid the full restitution amount stated in the court's order and has met the statutory criteria.

(f) If the respondent participated in the crime with another person or other persons, the court may either order joint and several restitution or may divide restitution equally among the respondents. In determining whether restitution should be joint and several or equally divided, the court shall consider the interest and circumstances of the victim or victims, the circumstances of the respondents, and the interest of justice.

(g) At any time, the court may determine that the respondent is not required to pay, or may relieve the respondent of the requirement to pay, full or partial restitution to any insurance provider authorized under Title 48 RCW if the respondent reasonably satisfies the court that he or she does not have the means to make full or partial restitution to the insurance provider.

(2) Regardless of the provisions of subsection (1) of this section, the court shall order restitution in all cases where the victim is entitled to benefits under the crime victims' compensation act, chapter 7.68 RCW. If the court does not order restitution and the victim of the crime has been determined to be entitled to benefits under the crime victims' compensation act, the department of labor and industries, as administrator of the crime victims' compensation program, may petition the court within one year of entry of the disposition order for entry of a restitution order. Upon receipt of a petition from the department of labor and industries, the court shall hold a restitution hearing and shall enter a restitution order.

(3) If an order includes restitution as one of the monetary assessments, the county clerk shall make disbursements to victims named in the order. The restitution to victims named in the order shall be paid prior to any payment for other penalties or monetary assessments. The county clerk shall make restitution disbursements to victims prior to payments to any insurance provider under Title 48 RCW.

(4) For purposes of this section, "victim" means any person who has sustained emotional, psychological, physical, or financial injury to person or property as a direct result of the offense charged. "Victim" may also include a known parent or guardian of a victim who is a minor child or is not a minor child but is incapacitated, incompetent, disabled, or deceased.

(5) A respondent under obligation to pay restitution may petition the court for modification of the restitution order for good cause shown, including inability to pay. 13.40.192 Legal financial obligations—Enforceability—Treatment of obligations upon age of eighteen or conclusion of juvenile court jurisdiction—Extension of judgment—Petition for modification or relief. (1) If a juvenile is ordered to pay legal financial obligations, including fines, penalty assessments, attorneys' fees, court costs, and restitution, the money judgment remains enforceable for a period of ten years. When the juvenile reaches the age of eighteen years or at the conclusion of juvenile court jurisdiction, whichever occurs later, the superior court clerk must docket the remaining balance of the juvenile's legal financial obligations in the same manner as other judgments for the payment of money. The judgment remains valid and enforceable until ten years from the date of its imposition. The clerk of the superior court may seek extension of the judgment for legal financial obligations, including crime victims' assessments, in the same manner as RCW 6.17.020 for purposes of collection as allowed under RCW 36.18.190.

(2) A respondent under obligation to pay legal financial obligations other than restitution, the victim penalty assessment set forth in RCW 7.68.035, or the crime laboratory analysis fee set forth in RCW 43.43.690 may petition the court for modification or relief from those legal financial obligations and interest accrued on those obligations for good cause shown, including inability to pay. The court shall consider factors such as, but not limited to incarceration and a respondent's other debts, including restitution, when determining a respondent's ability to pay. [2015 c 265 § 7; 1997 c 121 § 7.]

Finding—Intent—2015 c 265: See note following RCW 13.50.010.

13.40.193 Firearms—Length of confinement. (1) If a respondent is found to have been in possession of a firearm in violation of *RCW 9.41.040(2)(a)(iii), the court shall impose a minimum disposition of ten days of confinement. If the offender's standard range of disposition for the offense as indicated in RCW 13.40.0357 is more than thirty days of confinement, the court shall commit the offender to the department for the standard range disposition. The offender shall not be released until the offender has served a minimum of ten days in confinement.

(2)(a) If a respondent is found to have been in possession of a firearm in violation of RCW 9.41.040, the disposition must include a requirement that the respondent participate in a qualifying program as described in (b) of this subsection, when available, unless the court makes a written finding based on the outcome of the juvenile court risk assessment that participation in a qualifying program would not be appropriate.

(b) For purposes of this section, "qualifying program" means an aggression replacement training program, a functional family therapy program, or another program applicable to the juvenile firearm offender population that has been identified as evidence-based or research-based and cost-ben-

official in the current list prepared at the direction of the legislature by the Washington state institute for public policy.

(3) If the court finds that the respondent or an accomplice was armed with a firearm, the court shall determine the standard range disposition for the offense pursuant to RCW 13.40.160. If the offender or an accomplice was armed with a firearm when the offender committed any felony other than possession of a machine gun, possession of a stolen firearm, drive-by shooting, theft of a firearm, unlawful possession of a firearm in the first and second degree, or use of a machine gun in a felony, the following periods of total confinement must be added to the sentence: For a class A felony, six months; for a class B felony, four months; and for a class C felony, two months. The additional time shall be imposed regardless of the offense's juvenile disposition offense category as designated in RCW 13.40.0357.

(4) When a disposition under this section would effectuate a manifest injustice, the court may impose another disposition. When a judge finds a manifest injustice and imposes a disposition of confinement exceeding thirty days, the court shall commit the juvenile to a maximum term, and the provisions of RCW 13.40.030(2) shall be used to determine the range. When a judge finds a manifest injustice and imposes a disposition of confinement less than thirty days, the disposition shall be comprised of confinement or community supervision or both.

(5) Any term of confinement ordered pursuant to this section shall run consecutively to any term of confinement imposed in the same disposition for other offenses. [2014 c 117 § 1; 2003 c 53 § 100; 1997 c 338 § 30; 1994 sp.s. c 7 § 525.]

13.40.196 Firearms—Special allegation. A prosecutor may file a special allegation that the offender or an accomplice was armed with a firearm when the offender committed the alleged offense. 13.40.200 Violation of order of restitution, community supervision, fines, penalty assessments, or confinement—Modification of order after hearing—Scope—Rights—Use of fines. (1) When a respondent fails to comply with an order of restitution, community supervision, penalty assessments, or confinement of less than thirty days, the court upon motion of the prosecutor or its own motion, may modify the order after a hearing on the violation.

(2) The hearing shall afford the respondent the same due process of law as would be afforded an adult probationer. The court may issue a summons or a warrant to compel the respondent's appearance. The state shall have the burden of proving by a preponderance of the evidence the fact of the violation. The respondent shall have the burden of showing that the violation was not a willful refusal to comply with the terms of the order. If a respondent has failed to pay a fine, penalty assessments, or restitution or to perform community restitution hours, as required by the court, it shall be the respondent's burden to show that he or she did not have the means and could not reasonably have acquired the means to pay the fine, penalty assessments, or restitution or perform community restitution.

(3) If the court finds that a respondent has willfully violated the terms of an order pursuant to subsections (1) and (2) of this section, it may impose a penalty of up to thirty days' confinement. Penalties for multiple violations occurring prior to the hearing shall not be aggregated to exceed thirty days' confinement. Regardless of the number of times a respondent is brought to court for violations of the terms of a single disposition order, the combined total number of days spent by the respondent in detention shall never exceed the maximum term to which an adult could be sentenced for the underlying offense.

(4) If a respondent has been ordered to pay a fine or monetary penalty and due to a change of circumstance cannot reasonably comply with the order, the court, upon motion of the respondent, may order that the unpaid fine or monetary penalty be converted to community restitution unless the monetary penalty is the crime victim penalty assessment, which cannot be converted, waived, or otherwise modified, except for schedule of payment. The number of hours of community restitution in lieu of a monetary penalty or fine shall be converted at the rate of the prevailing state minimum wage per hour. The monetary penalties or fines collected shall be deposited in the county general fund. A failure to comply with an order under this subsection shall be deemed a failure to comply with an order of community supervision and may be proceeded against as provided in this section.

(5) When a respondent has willfully violated the terms of a probation bond, the court may modify, revoke, or retain the probation bond as provided in RCW 13.40.054. [2004 c 120 § 7; 2002 c 175 § 25; 1997 c 338 § 31; 1995 c 395 § 8; 1986 c 288 § 5; 1983 c 191 § 15; 1979 c 155 § 70; 1977 ex.s. c 291 § 74.]

(a) Sixty percent of the minimum term of confinement has been served; and

(b) The purpose of the leave is to enable the juvenile:

(i) To visit the juvenile's family for the purpose of strengthening or preserving family relationships;

(ii) To make plans for parole or release which require the juvenile's personal appearance in the community and which will facilitate the juvenile's reintegration into the community; or

(iii) To make plans for a residential placement out of the juvenile's home which requires the juvenile's personal appearance in the community.

(3) No authorized leave may exceed seven consecutive days. The total of all pre-minimum term authorized leaves granted to a juvenile prior to final discharge from confinement shall not exceed thirty days.

(4) Prior to authorizing a leave, the secretary shall require a written leave plan, which shall detail the purpose of the leave and how it is to be achieved, the address at which the juvenile shall reside, the identity of the person responsible for supervising the juvenile during the leave, and a statement by such person acknowledging familiarity with the leave plan and agreeing to supervise the juvenile and to notify the secretary immediately if the juvenile violates any terms or conditions of the leave. The leave plan shall include such terms and conditions as the secretary deems appropriate and shall be signed by the juvenile.

(5) Upon authorizing a leave, the secretary shall issue to the juvenile an authorized leave order which shall contain the name of the juvenile, the fact that the juvenile is on leave from a designated facility, the time period of the leave, and the identity of an appropriate official of the department to contact when necessary. The authorized leave order shall be carried by the juvenile at all times while on leave.

(6) Prior to the commencement of any authorized leave, the secretary shall give notice of the leave to the appropriate law enforcement agency in the jurisdiction in which the juvenile will reside during the leave period. The notice shall include the identity of the juvenile, the time period of the leave, the residence of the juvenile during the leave, and the identity of the person responsible for supervising the juvenile during the leave.

(7) The secretary may authorize a leave, which shall not exceed forty-eight hours plus travel time, to meet an emergency situation such as a death or critical illness of a member of the juvenile's family. The secretary may authorize a leave, which shall not exceed the period of time medically necessary, to obtain medical care not available in a juvenile facility maintained by the department. In cases of emergency or med-

ical leave the secretary may waive all or any portions of subsections (2)(a), (3), (4), (5), and (6) of this section.

(8) If requested by the juvenile's victim or the victim's immediate family, the secretary shall give notice of any leave to the victim or the victim's immediate family.

(9) A juvenile who violates any condition of an authorized leave plan may be taken into custody and returned to the department in the same manner as an adult in identical circumstances.

(10) Notwithstanding the provisions of this section, a juvenile placed in minimum security status may participate in work, educational, community restitution, or treatment programs in the community up to twelve hours a day if approved by the secretary. Such a release shall not be deemed a leave of absence.

(11) Subsections (6), (7), and (8) of this section do not apply to juveniles covered by RCW 13.40.215. [2002 c 175 § 26; 1990 c 3 § 103; 1983 c 191 § 10.]

13.40.210 Setting of release date—Administrative release authorized, when—Parole program, revocation or modification of, scope—Intensive supervision program—Parole officer's right of arrest. (Effective until July 1, 2019.)

(1) The secretary shall set a release date for each juvenile committed to its custody. The release date shall be within the prescribed range to which a juvenile has been committed under RCW 13.40.0357 or 13.40.030 except as provided in RCW 13.40.320 concerning offenders the department determines are eligible for the juvenile offender basic training camp program. Such dates shall be determined prior to the expiration of sixty percent of a juvenile's minimum term of confinement included within the prescribed range to which the juvenile has been committed. The secretary shall release any juvenile committed to the custody of the department within four calendar days prior to the juvenile's release date or on the release date set under this chapter. Days spent in the custody of the department shall be tolled by any period of time during which a juvenile has absented himself or herself from the department's supervision without the prior approval of the secretary or the secretary's designee.

(2) The secretary shall monitor the average daily population of the state's juvenile residential facilities. When the secretary concludes that in-residence population of residential facilities exceeds one hundred five percent of the rated bed capacity specified in statute, or in absence of such specification, as specified by the department in rule, the secretary may recommend reductions to the governor. On certification by the governor that the recommended reductions are necessary, the secretary has authority to administratively release a sufficient number of offenders to reduce in-residence population to one hundred percent of rated bed capacity. The secretary shall release those offenders who have served the greatest proportion of their sentence. However, the secretary may deny release in a particular case at the request of an offender, or if the secretary finds that there is no responsible custodian, as determined by the department, to whom to release the offender, or if the release of the offender would pose a clear danger to society. The department shall notify the committing court of the release at the time of release if any such early releases have occurred as a result of excessive in-residence

population. In no event shall an offender adjudicated of a violent offense be granted release under the provisions of this subsection.

(3)(a) Following the release of any juvenile under subsection (1) of this section, the secretary may require the juvenile to comply with a program of parole to be administered by the department in his or her community which shall last no longer than eighteen months, except that in the case of a juvenile sentenced for rape in the first or second degree, rape of a child in the first or second degree, child molestation in the first degree, or indecent liberties with forcible compulsion, the period of parole shall be twenty-four months and, in the discretion of the secretary, may be up to thirty-six months when the secretary finds that an additional period of parole is necessary and appropriate in the interests of public safety or to meet the ongoing needs of the juvenile. A parole program is mandatory for offenders released under subsection (2) of this section and for offenders who receive a juvenile residential commitment sentence for theft of a motor vehicle, possession of a stolen motor vehicle, or taking a motor vehicle without permission 1. A juvenile adjudicated for unlawful possession of a firearm, possession of a stolen firearm, theft of a firearm, or drive-by shooting may participate in aggression replacement training, functional family therapy, or functional family parole aftercare if the juvenile meets eligibility requirements for these services. The decision to place an offender in an evidence-based parole program shall be based on an assessment by the department of the offender's risk for reoffending upon release and an assessment of the ongoing treatment needs of the juvenile. The department shall prioritize available parole resources to provide supervision and services to offenders at moderate to high risk for reoffending.

(b) The secretary shall, for the period of parole, facilitate the juvenile's reintegration into his or her community and to further this goal shall require the juvenile to refrain from possessing a firearm or using a deadly weapon and refrain from committing new offenses and may require the juvenile to: (i) Undergo available medical, psychiatric, drug and alcohol, sex offender, mental health, and other offense-related treatment services; (ii) report as directed to a parole officer and/or designee; (iii) pursue a course of study, vocational training, or employment; (iv) notify the parole officer of the current address where he or she resides; (v) be present at a particular address during specified hours; (vi) remain within prescribed geographical boundaries; (vii) submit to electronic monitoring; (viii) refrain from using illegal drugs and alcohol, and submit to random urinalysis when requested by the assigned parole officer; (ix) refrain from contact with specific individuals or a specified class of individuals; (x) meet other conditions determined by the parole officer to further enhance the juvenile's reintegration into the community; (xi) pay any court-ordered fines or restitution; and (xii) perform community restitution. Community restitution for the purpose of this section means compulsory service, without compensation, performed for the benefit of the community by the offender. Community restitution may be performed through public or private organizations or through work crews.

(c) The secretary may further require up to twenty-five percent of the highest risk juvenile offenders who are placed on parole to participate in an intensive supervision program. Offenders participating in an intensive supervision program

shall be required to comply with all terms and conditions listed in (b) of this subsection and shall also be required to comply with the following additional terms and conditions: (i) Obey all laws and refrain from any conduct that threatens public safety; (ii) report at least once a week to an assigned community case manager; and (iii) meet all other requirements imposed by the community case manager related to participating in the intensive supervision program. As a part of the intensive supervision program, the secretary may require day reporting.

(d) After termination of the parole period, the juvenile shall be discharged from the department's supervision.

(4)(a) The department may also modify parole for violation thereof. If, after affording a juvenile all of the due process rights to which he or she would be entitled if the juvenile were an adult, the secretary finds that a juvenile has violated a condition of his or her parole, the secretary shall order one of the following which is reasonably likely to effectuate the purpose of the parole and to protect the public: (i) Continued supervision under the same conditions previously imposed; (ii) intensified supervision with increased reporting requirements; (iii) additional conditions of supervision authorized by this chapter; (iv) except as provided in (a)(v) and (vi) of this subsection, imposition of a period of confinement not to exceed thirty days in a facility operated by or pursuant to a contract with the state of Washington or any city or county for a portion of each day or for a certain number of days each week with the balance of the days or weeks spent under supervision; (v) the secretary may order any of the conditions or may return the offender to confinement for the remainder of the sentence range if the offense for which the offender was sentenced is rape in the first or second degree, rape of a child in the first or second degree, child molestation in the first degree, indecent liberties with forcible compulsion, or a sex offense that is also a serious violent offense as defined by RCW 9.94A.030; and (vi) the secretary may order any of the conditions or may return the offender to confinement for the remainder of the sentence range if the youth has completed the basic training camp program as described in RCW 13.40.320.

(b) The secretary may modify parole and order any of the conditions or may return the offender to confinement for up to twenty-four weeks if the offender was sentenced for a sex offense as defined under *RCW 9A.44.130 and is known to have violated the terms of parole. Confinement beyond thirty days is intended to only be used for a small and limited number of sex offenders. It shall only be used when other graduated sanctions or interventions have not been effective or the behavior is so egregious it warrants the use of the higher level intervention and the violation: (i) Is a known pattern of behavior consistent with a previous sex offense that puts the youth at high risk for reoffending sexually; (ii) consists of sexual behavior that is determined to be predatory as defined in RCW 71.09.020; or (iii) requires a review under chapter 71.09 RCW, due to a recent overt act. The total number of days of confinement for violations of parole conditions during the parole period shall not exceed the number of days provided by the maximum sentence imposed by the disposition for the underlying offense pursuant to RCW 13.40.0357. The department shall not aggregate multiple parole violations that occur prior to the parole revocation hearing and impose

consecutive twenty-four week periods of confinement for each parole violation. The department is authorized to engage in rule making pursuant to chapter 34.05 RCW, to implement this subsection, including narrowly defining the behaviors that could lead to this higher level intervention.

(c) If the department finds that any juvenile in a program of parole has possessed a firearm or used a deadly weapon during the program of parole, the department shall modify the parole under (a) of this subsection and confine the juvenile for at least thirty days. Confinement shall be in a facility operated by or pursuant to a contract with the state or any county.

(5) A parole officer of the department of social and health services shall have the power to arrest a juvenile under his or her supervision on the same grounds as a law enforcement officer would be authorized to arrest the person.

(6) If so requested and approved under chapter 13.06 RCW, the secretary shall permit a county or group of counties to perform functions under subsections (3) through (5) of this section. (b) The secretary may modify parole and order any of the conditions or may return the offender to confinement for up to twenty-four weeks if the offender was sentenced for a sex offense as defined under RCW 9A.44.128 and is known to have violated the terms of parole. 13.40.212 Intensive supervision program—Elements—Report. (1) The department shall, no later than January 1, 1999, implement an intensive supervision program as a part of its parole services that includes, at a minimum, the following program elements:

(a) A process of case management involving coordinated and comprehensive planning, information exchange, continuity and consistency, service provision and referral, and monitoring. The components of the case management system shall include assessment, classification, and selection criteria; individual case planning that incorporates a family and community perspective; a mixture of intensive surveillance and services; a balance of incentives and graduated consequences coupled with the imposition of realistic, enforceable conditions; and service brokerage with community resources and linkage with social networks;

(b) Administration of transition services that transcend traditional agency boundaries and professional interests and include courts, institutions, aftercare, education, social and mental health services, substance abuse treatment, and employment and vocational training; and

(c) A plan for information management and program evaluation that maintains close oversight over implementation and quality control, and determines the effectiveness of both the processes and outcomes of the program.

(2) The department shall report annually to the legislature, beginning December 1, 1999, on the department's progress in meeting the intensive supervision program evaluation goals required under subsection (1)(c) of this section. [1997 c 338 § 34.]

Findings—Intent—1997 c 338 §§ 32 and 34: "The legislature finds the present system of transitioning youths from residential status to parole status to discharge is insufficient to provide adequate rehabilitation and public safety in many instances, particularly in cases of offenders at highest risk of reoffending. The legislature further finds that an intensive supervision program based on the following principles holds much promise for positively impacting recidivism rates for juvenile offenders: (1) Progressive increase in responsibility and freedom in the community; (2) facilitation of youths' interaction and involvement with their communities; (3) involvement of both the youth and targeted community support systems such as family, peers, schools, and employers, on the qualities needed for constructive interaction and successful adjustment with the community; (4) development of new resources, supports, and opportunities where necessary; and (5) ongoing monitoring and testing of youth on their ability to abide by community rules and standards.

The legislature intends for the department to create an intensive supervision program based on the principles stated in this section that will be available to the highest risk juvenile offenders placed on parole." [1997 c 338 § 33.]

13.40.213 Juveniles alleged to have committed offenses of prostitution or prostitution loitering—Diversion. (1) When a juvenile is alleged to have committed the offenses of prostitution or prostitution loitering, and the allegation, if proved, would not be the juvenile's first offense, a prosecutor may divert the offense if the county in which the offense is alleged to have been committed has a comprehensive program that provides:

- (a) Safe and stable housing;
- (b) Comprehensive on-site case management;
- (c) Integrated mental health and chemical dependency services, including specialized trauma recovery services;
- (d) Education and employment training delivered on-site; and
- (e) Referrals to off-site specialized services, as appropriate.

(2) A prosecutor may divert a case for prostitution or prostitution loitering into the comprehensive program described in this section, notwithstanding the filing criteria set forth in RCW 13.40.070(5).

(3) A diversion agreement under this section may extend to twelve months.

(4)(a) The administrative office of the courts shall compile data regarding:

- (i) The number of juveniles whose cases are diverted into the comprehensive program described in this section;
- (ii) Whether the juveniles complete their diversion agreements under this section; and
- (iii) Whether juveniles whose cases have been diverted under this section have been subsequently arrested or committed subsequent offenses.

(b) An annual report of the data compiled shall be provided to the governor and the appropriate committee of the legislature. The first report is due by November 1, 2010. [2010 c 289 § 8; 2009 c 252 § 2.]

Findings—2009 c 252: "The legislature finds that juveniles involved in the commercial sex trade are sexually exploited and that they face extreme threats to their physical and emotional well-being. In order to help them break out of the isolation, fear, and danger of the commercial sex trade and to assist them in their recovery from the resulting mental and physical harm and in the development of skills that will allow them to become independent and achieve long-term security, these juveniles are in critical need of comprehensive services, including housing, mental health counseling, education, employment, chemical dependency treatment, and skill building. The legislature further finds that a diversion program to provide these comprehensive services, working within existing resources in the counties which prosecute juveniles for prostitution and prostitution loitering, may be an appropriate alternative to the prosecution of juveniles involved in the commercial sex trade." [2009 c 252 § 1.]

13.40.215 Juveniles found to have committed violent or sex offense or stalking—Notification of discharge, parole, leave, release, transfer, or escape—To whom given—School attendance—Definitions. (1)(a) Except as provided in subsection (2) of this section, at the earliest possible date, and in no event later than thirty days before dis-

charge, parole, or any other authorized leave or release, or before transfer to a community residential facility, the secretary shall send written notice of the discharge, parole, authorized leave or release, or transfer of a juvenile found to have committed a violent offense, a sex offense, or stalking, to the following:

(i) The chief of police of the city, if any, in which the juvenile will reside;

(ii) The sheriff of the county in which the juvenile will reside; and

(iii) The approved private schools and the common school district board of directors of the district in which the juvenile intends to reside or the approved private school or public school district in which the juvenile last attended school, whichever is appropriate, except when it has been determined by the department that the juvenile is twenty-one years old or will be in the community for less than seven consecutive days on approved leave and will not be attending school during that time.

(b) After July 25, 1999, the department shall send a written notice to approved private and public schools under the same conditions identified in subsection (1)(a)(iii) of this section when a juvenile adjudicated of any offense is transferred to a community residential facility, discharged, paroled, released, or granted a leave. The community residential facility shall provide written notice of the offender's criminal history to any school that the offender attends while residing at the community residential facility and to any employer that employs the offender while residing at the community residential facility.

(c) The same notice as required by (a) of this subsection shall be sent to the following, if such notice has been requested in writing about a specific juvenile:

(ii) Any witnesses who testified against the juvenile in any court proceedings involving the offense; and

(iii) Any person specified in writing by the prosecuting attorney.

Information regarding victims, next of kin, or witnesses requesting the notice, information regarding any other person specified in writing by the prosecuting attorney to receive the notice, and the notice are confidential and shall not be available to the juvenile. The notice to the chief of police or the sheriff shall include the identity of the juvenile, the residence where the juvenile will reside, the identity of the person, if any, responsible for supervising the juvenile, and the time period of any authorized leave.

(d) The thirty-day notice requirements contained in this subsection shall not apply to emergency medical furloughs.

(e) The existence of the notice requirements in this subsection will not require any extension of the release date in the event the release plan changes after notification.

(2)(a) If a juvenile found to have committed a violent offense, a sex offense, or stalking escapes from a facility of the department, the secretary shall immediately notify, by the most reasonable and expedient means available, the chief of police of the city and the sheriff of the county in which the juvenile resided immediately before the juvenile's arrest. If previously requested, the secretary shall also notify the wit-

nesses and the victim of the offense which the juvenile was found to have committed or the victim's next of kin if the crime was a homicide. If the juvenile is recaptured, the secretary shall send notice to the persons designated in this subsection as soon as possible but in no event later than two working days after the department learns of such recapture.

(b) The secretary may authorize a leave, for a juvenile found to have committed a violent offense, a sex offense, or stalking, which shall not exceed forty-eight hours plus travel time, to meet an emergency situation such as a death or critical illness of a member of the juvenile's family. The secretary may authorize a leave, which shall not exceed the time medically necessary, to obtain medical care not available in a juvenile facility maintained by the department. Prior to the commencement of an emergency or medical leave, the secretary shall give notice of the leave to the appropriate law enforcement agency in the jurisdiction in which the juvenile will be during the leave period. The notice shall include the identity of the juvenile, the time period of the leave, the residence of the juvenile during the leave, and the identity of the person responsible for supervising the juvenile during the leave. If previously requested, the department shall also notify the witnesses and victim of the offense which the juvenile was found to have committed or the victim's next of kin if the offense was a homicide.

In case of an emergency or medical leave the secretary may waive all or any portion of the requirements for leaves pursuant to RCW 13.40.205 (2)(a), (3), (4), and (5).

(3) If the victim, the victim's next of kin, or any witness is under the age of sixteen, the notice required by this section shall be sent to the parents or legal guardian of the child.

(4) The secretary shall send the notices required by this chapter to the last address provided to the department by the requesting party. The requesting party shall furnish the department with a current address.

(5) Upon discharge, parole, transfer to a community residential facility, or other authorized leave or release, a convicted juvenile sex offender shall not attend a public or approved private elementary, middle, or high school that is attended by a victim or a sibling of a victim of the sex offender. The parents or legal guardians of the convicted juvenile sex offender shall be responsible for transportation or other costs associated with or required by the sex offender's change in school that otherwise would be paid by a school district. Upon discharge, parole, transfer to a community residential facility, or other authorized leave or release of a convicted juvenile sex offender, the secretary shall send written notice of the discharge, parole, or other authorized leave or release and the requirements of this subsection to the common school district board of directors of the district in which the sex offender intends to reside or the district in which the sex offender last attended school, whichever is appropriate. 13.40.220 Costs of support, treatment, and confinement—Order—Contempt of court. (Effective until July 1, 2019.) (1) Whenever legal custody of a child is vested in someone other than his or her parents, under this chapter, and not vested in the department of social and health services, after due notice to the parents or other persons legally obligated to care for and support the child, and after a hearing, the court may order and decree that the parent or other legally obligated person shall pay in such a manner as the court may direct a reasonable sum representing in whole or in part the

costs of support, treatment, and confinement of the child after the decree is entered.

(2) If the parent or other legally obligated person willfully fails or refuses to pay such sum, the court may proceed against such person for contempt.

(3) Whenever legal custody of a child is vested in the department under this chapter, the parents or other persons legally obligated to care for and support the child shall be liable for the costs of support, treatment, and confinement of the child, in accordance with the department's reimbursement of cost schedule. The department shall adopt a reimbursement of cost schedule based on the costs of providing such services, and shall determine an obligation based on the responsible parents' or other legally obligated person's ability to pay. The department is authorized to adopt additional rules as appropriate to enforce this section.

(4) To enforce subsection (3) of this section, the department shall serve on the parents or other person legally obligated to care for and support the child a notice and finding of financial responsibility requiring the parents or other legally obligated person to appear and show cause in an adjudicative proceeding why the finding of responsibility and/or the amount thereof is incorrect and should not be ordered. This notice and finding shall relate to the costs of support, treatment, and confinement of the child in accordance with the department's reimbursement of cost schedule adopted under this section, including periodic payments to be made in the future. The hearing shall be held pursuant to chapter 34.05 RCW, the Administrative Procedure Act, and the rules of the department.

(5) The notice and finding of financial responsibility shall be served in the same manner prescribed for the service of a summons in a civil action or may be served on the parent or legally obligated person by certified mail, return receipt requested. The receipt shall be prima facie evidence of service.

(6) If the parents or other legally obligated person objects to the notice and finding of financial responsibility, then an application for an adjudicative hearing may be filed within twenty days of the date of service of the notice. If an application for an adjudicative proceeding is filed, the presiding or reviewing officer shall determine the past liability and responsibility, if any, of the parents or other legally obligated person and shall also determine the amount of periodic payments to be made in the future. If the parents or other legally responsible person fails to file an application within twenty days, the notice and finding of financial responsibility shall become a final administrative order.

(7) Debts determined pursuant to this section are subject to collection action without further necessity of action by a presiding or reviewing officer. The department may collect the debt in accordance with RCW 43.20B.635, 43.20B.640, 74.20A.060, and 74.20A.070. The department shall exempt from payment parents receiving adoption support under *RCW 74.13.100 through 74.13.145, parents eligible to receive adoption support under *RCW 74.13.150, and a parent or other legally obligated person when the parent or other legally obligated person, or such person's child, spouse, or spouse's child, was the victim of the offense for which the child was committed.

(8) An administrative order entered pursuant to this section shall supersede any court order entered prior to June 13, 1994.

(9) The department shall be subrogated to the right of the child and his or her parents or other legally responsible person to receive support payments for the benefit of the child from any parent or legally obligated person pursuant to a support order established by a superior court or pursuant to RCW 74.20A.055. The department's right of subrogation under this section is limited to the liability established in accordance with its cost schedule for support, treatment, and confinement, except as addressed in subsection (10) of this section.

(10) Nothing in this section precludes the department from recouping such additional support payments from the child's parents or other legally obligated person as required to qualify for receipt of federal funds. The department may adopt such rules dealing with liability for recoupment of support, treatment, or confinement costs as may become necessary to entitle the state to participate in federal funds unless such rules would be expressly prohibited by law. If any law dealing with liability for recoupment of support, treatment, or confinement costs is ruled to be in conflict with federal requirements which are a prescribed condition of the allocation of federal funds, such conflicting law is declared to be inoperative solely to the extent of the conflict. [1995 c 300 § 1; 1994 sp.s. c 7 § 529; 1993 c 466 § 1; 1977 ex.s. c 291 § 76.]

No written briefs may be required, and the appeal shall be heard within thirty days following the date of sentencing and a decision rendered within fifteen days following the argument. The supreme court shall promulgate any necessary rules to effectuate the purposes of this section.

(2) To uphold a disposition outside the standard range, the court of appeals must find (a) that the reasons supplied by the disposition judge are supported by the record which was before the judge and that those reasons clearly and convincingly support the conclusion that a disposition within the range would constitute a manifest injustice, and (b) that the sentence imposed was neither clearly excessive nor clearly too lenient.

(3) If the court does not find subsection (2)(a) of this section it shall remand the case for disposition within the standard range.

(4) If the court finds subsection (2)(a) but not subsection (2)(b) of this section it shall remand the case with instructions for further proceedings consistent with the provisions of this chapter.

(5) The disposition court may impose conditions on release pending appeal as provided in RCW *13.40.040(4) and 13.40.050(6).

Legislative finding—1988 c 148: "The legislature finds that many persons under the age of eighteen unlawfully use intoxicating liquor and controlled substances. The use of these substances by juveniles can cause serious damage to their physical, mental, and emotional well-being, and in some instances results in lifelong disabilities.

The legislature also finds that juveniles who unlawfully use alcohol and controlled substances frequently operate motor vehicles while under the influence of and impaired by alcohol or drugs. Juveniles who use these substances often have seriously impaired judgment and motor skills and pose an unduly high risk of causing injury or death to themselves or other persons on the public highways.

The legislature also finds that juveniles will be deterred from the unlawful use of alcohol and controlled substances if their driving privileges are suspended or revoked for using illegal drugs or alcohol." [1988 c 148 § 1.]

(3) In no event may the juvenile court have authority to extend jurisdiction over any juvenile offender beyond the juvenile offender's twenty-first birthday except for the purpose of enforcing an order of restitution or penalty assessment.

13.40.310 Transitional treatment program for gang and drug-involved juvenile offenders. (Effective until July 1, 2019.) (1) The department of social and health services may contract with a community-based nonprofit organization to establish a three-step transitional treatment program for gang and drug-involved juvenile offenders committed to the custody of the department under chapter 13.40 RCW. Any such program shall provide six to twenty-four months of treatment. The program shall emphasize the principles of self-determination, unity, collective work and responsibility, cooperative economics, and creativity. The program shall be culturally relevant and appropriate and shall include:

(a) A culturally relevant and appropriate institution-based program that provides comprehensive drug and alcohol services, individual and family counseling, and a wilderness experience of constructive group living, rigorous physical exercise, and academic studies;

(b) A culturally relevant and appropriate community-based structured group living program that focuses on individual goals, positive community involvement, coordinated drug and alcohol treatment, coordinated individual and family counseling, academic and vocational training, and employment in apprenticeship, internship, and entrepreneurial programs; and

(c) A culturally relevant and appropriate transitional group living program that provides support services, aca-

demetic services, and coordinated individual and family counseling.

(2) Participation in any such program shall be on a voluntary basis.

(3) The department shall adopt rules as necessary to implement any such program. [1991 c 326 § 4.]

Finding—1991 c 326: "The legislature finds that a destructive lifestyle of drug and street gang activity is rapidly becoming prevalent among some of the state's youths. Gang and drug activity may be a culturally influenced phenomenon which the legislature intends public and private agencies to consider and address in prevention and treatment programs. Gang and drug-involved youths are more likely to become addicted to drugs or alcohol, live in poverty, experience high unemployment, be incarcerated, and die of violence than other youths." 13.40.320 Juvenile offender basic training camp program. (Effective until July 1, 2019.) (1) The department of social and health services may establish a medium security

juvenile offender basic training camp program. This program for juvenile offenders serving a term of confinement under the supervision of the department is exempt from the licensing requirements of chapter 74.15 RCW.

(2) The department may contract under this chapter with private companies, the national guard, or other federal, state, or local agencies to operate the juvenile offender basic training camp.

(3) The juvenile offender basic training camp shall be a structured and regimented model emphasizing the building up of an offender's self-esteem, confidence, and discipline. The juvenile offender basic training camp program shall provide participants with basic education, prevocational training, work-based learning, work experience, work ethic skills, conflict resolution counseling, substance abuse intervention, anger management counseling, and structured intensive physical training. The juvenile offender basic training camp program shall have a curriculum training and work schedule that incorporates a balanced assignment of these or other rehabilitation and training components for no less than sixteen hours per day, six days a week.

The department shall develop standards for the safe and effective operation of the juvenile offender basic training camp program, for an offender's successful program completion, and for the continued after-care supervision of offenders who have successfully completed the program.

(4) Offenders eligible for the juvenile offender basic training camp option shall be those with a disposition of not more than sixty-five weeks. Violent and sex offenders shall not be eligible for the juvenile offender basic training camp program.

(5) If the court determines that the offender is eligible for the juvenile offender basic training camp option, the court may recommend that the department place the offender in the program. The department shall evaluate the offender and may place the offender in the program. The evaluation shall include, at a minimum, a risk assessment developed by the department and designed to determine the offender's suitability for the program. No juvenile who is assessed as a high risk offender or suffers from any mental or physical problems that could endanger his or her health or drastically affect his or her performance in the program shall be admitted to or retained in the juvenile offender basic training camp program.

(6) All juvenile offenders eligible for the juvenile offender basic training camp sentencing option shall spend one hundred twenty days of their disposition in a juvenile offender basic training camp. This period may be extended for up to forty days by the secretary if a juvenile offender requires additional time to successfully complete the basic training camp program. If the juvenile offender's activities while in the juvenile offender basic training camp are so disruptive to the juvenile offender basic training camp program, as determined by the secretary according to standards developed by the department, as to result in the removal of the juvenile offender from the juvenile offender basic training camp program, or if the offender cannot complete the juvenile offender basic training camp program due to medical problems, the secretary shall require that the offender be committed to a juvenile institution to serve the entire remain-

(2017 Ed.)

der of his or her disposition, less the amount of time already served in the juvenile offender basic training camp program.

(7) All offenders who successfully graduate from the juvenile offender basic training camp program shall spend the remainder of their disposition on parole in a juvenile rehabilitation administration intensive aftercare program in the local community. Violation of the conditions of parole is subject to sanctions specified in RCW 13.40.210(4). The program shall provide for the needs of the offender based on his or her progress in the aftercare program as indicated by ongoing assessment of those needs and progress. The intensive aftercare program shall monitor postprogram juvenile offenders and assist them to successfully reintegrate into the community. In addition, the program shall develop a process for closely monitoring and assessing public safety risks. The intensive aftercare program shall be designed and funded by the department of social and health services.

(8) The department shall also develop and maintain a database to measure recidivism rates specific to this incarceration program. The database shall maintain data on all juvenile offenders who complete the juvenile offender basic training camp program for a period of two years after they have completed the program. The database shall also maintain data on the criminal activity, educational progress, and employment activities of all juvenile offenders who participated in the program. [2015 3rd sp.s. c 23 § 1; 2002 c 354 § 234; 2001 c 137 § 1; 1997 c 338 § 38; 1995 c 40 § 1; 1994 sp.s. c 7 § 532.]

Finding—Evaluation—Report—1997 c 338: See note following RCW 13.40.0357.

Findings and intent—Juvenile basic training camps—1994 sp.s. c 7: "The legislature finds that the number of juvenile offenders and the severity of their crimes is increasing rapidly statewide. In addition, many juvenile offenders continue to reoffend after they are released from the juvenile justice system causing disproportionately high and expensive rates of recidivism.

The legislature further finds that juvenile criminal behavior is often the result of a lack of self-discipline, the lack of systematic work habits and ethics, the inability to deal with authority figures, and an unstable or unstructured living environment. The legislature further finds that the department of social and health services currently operates an insufficient number of confinement beds to meet the rapidly growing juvenile offender population. Together these factors are combining to produce a serious public safety hazard and the need to develop more effective and stringent juvenile punishment and rehabilitation options.

The legislature intends that juvenile offenders who enter the state rehabilitation system have the opportunity and are given the responsibility to become more effective participants in society by enhancing their personal development, work ethics, and life skills. The legislature recognizes that structured incarceration programs for juvenile offenders such as juvenile offender basic training camps, can instill the self-discipline, accountability, self-esteem, and work ethic skills that could discourage many offenders from returning to the criminal justice system. Juvenile offender basic training camp incarceration programs generally emphasize life skills training, prevocational work skills training, anger management, dealing with difficult at-home family problems and/or abuses, discipline, physical training, structured and intensive work activities, and educational classes. The legislature further recognizes that juvenile offenders can benefit from a highly structured basic training camp environment and the public can also benefit through increased public protection and reduced cost due to lowered rates of recidivism." 13.40.462 Reinvesting in youth program. (Effective until July 1, 2019.) (1) The department of social and health services juvenile rehabilitation administration shall establish a reinvesting in youth program that awards grants to counties for implementing research-based early intervention services that target juvenile justice-involved youth and reduce crime, subject to the availability of amounts appropriated for this specific purpose.

(2) Effective July 1, 2007, any county or group of counties may apply for participation in the reinvesting in youth program.

(3) Counties that participate in the reinvesting in youth program shall have a portion of their costs of serving youth through the research-based intervention service models paid for with moneys from the reinvesting in youth account established pursuant to RCW 13.40.466.

(4) The department of social and health services juvenile rehabilitation administration shall review county applications for funding through the reinvesting in youth program and shall select the counties that will be awarded grants with funds appropriated to implement this program. The depart-

ment, in consultation with the Washington state institute for public policy, shall develop guidelines to determine which counties will be awarded funding in accordance with the reinvesting in youth program. At a minimum, counties must meet the following criteria in order to participate in the reinvesting in youth program:

(a) Counties must match state moneys awarded for research-based early intervention services with nonstate resources that are at least proportional to the expected local government share of state and local government cost avoidance that would result from the implementation of such services;

(b) Counties must demonstrate that state funds allocated pursuant to this section are used only for the intervention service models authorized pursuant to RCW 13.40.464;

(c) Counties must participate fully in the state quality assurance program established in RCW 13.40.468 to ensure fidelity of program implementation. If no state quality assurance program is in effect for a particular selected research-based service, the county must submit a quality assurance plan for state approval with its grant application. Failure to demonstrate continuing compliance with quality assurance plans shall be grounds for termination of state funding; and

(d) Counties that submit joint applications must submit for approval by the department of social and health services juvenile rehabilitation administration multicounty plans for efficient program delivery. [2011 1st sp.s. c 32 § 4; 2006 c 304 § 2.]

Transition plan—Report to the legislature—2011 1st sp.s. c 32: See note following RCW 70.305.005.

Finding—Intent—2006 c 304: "The legislature finds that there are youth and family-focused intervention services that have been proven through rigorous evaluation in the state of Washington and elsewhere to significantly reduce violence and crime while saving more public safety dollars than they cost. Under current state laws, no local government acting alone has the financial incentive to invest in these cost-effective services because the savings accrue to multiple levels of government with the largest savings going to the state. It is the intent of the legislature to create incentives for local government to invest in cost-effective intervention services that reduce crime by reimbursing local governments with a portion of the cost savings that accrue to the state as the result of local investments in such services." 13.40.464 Reinvesting in youth program—Guidelines. (Effective until July 1, 2019.) (1)(a) In order to receive funding through the reinvesting in youth program established pursuant to RCW 13.40.462, intervention service models must meet the following minimum criteria:

(i) There must be scientific evidence from at least one rigorous evaluation study of the specific service model that measures recidivism reduction;

(ii) There must be evidence that the specific service model's results can be replicated outside of an academic research environment;

(iii) The evaluation or evaluations of the service model must permit dollar cost estimates of both benefits and costs so that the benefit-cost ratio of the model can be calculated; and

(iv) The public taxpayer benefits to all levels of state and local government must exceed the service model costs.

(2017 Ed.)

(b) In calendar year 2006, for use beginning in fiscal year 2008, the Washington state institute for public policy shall publish a list of service models that are eligible for reimbursement through the investing in youth program. As authorized by the board of the institute and to the extent necessary to respond to new research and information, the institute shall periodically update the list of service models. The institute shall use the technical advisory committee established in *RCW 13.40.462(5) to review and provide comments on the list of service models that are eligible for reimbursement.

(2) In calendar year 2006, for use beginning in fiscal year 2008, the Washington state institute for public policy shall review and update the methodology for calculating cost savings resulting from implementation of this program. As authorized by the board of the institute and to the extent necessary to respond to new research and information, the institute shall periodically further review and update the methodology. As authorized by the board of the institute, when the institute reviews and updates the methodology for calculating cost savings, the institute shall provide an estimate of savings and avoided costs resulting from this program, along with a projection of future savings and avoided costs, to the appropriate committees of the legislature. The institute shall use the technical advisory committee established in *RCW 13.40.462(5) to review and provide comments on its methodology and cost calculations.

(3) In calendar year 2006, for use beginning in fiscal year 2008, the department of social and health services' juvenile rehabilitation administration shall establish a distribution formula to provide funding to local governments that implement research-based intervention services pursuant to this program. The department shall periodically update the distribution formula. The distribution formula shall require that the state allocation to local governments be proportional to the expected state government share of state and local government cost avoidance that would result from the implementation of such services based on the methodology maintained by the Washington state institute for public policy pursuant to subsection (2) of this section. The department shall use the technical advisory committee established in *RCW 13.40.462(5) to review and provide comments on its proposed distribution formula.

13.40.470 Vulnerable youth committed to residential facilities—Protection from sexually aggressive youth—Assessment process.

(1) The department shall implement a policy for protecting youth committed to state-operated or state-funded residential facilities under this chapter who are vulnerable to sexual victimization by other youth committed to those facilities who are sexually aggressive. The policy shall include, at a minimum, the following elements:

(a) Development and use of an assessment process for identifying youth, within thirty days of commitment to the department, who present a moderate or high risk of sexually aggressive behavior for the purposes of this section. The assessment process need not require that every youth who is adjudicated or convicted of a sex offense as defined in RCW 9.94A.030 be determined to be sexually aggressive, nor shall a sex offense adjudication or conviction be required in order to determine a youth is sexually aggressive. Instead, the assessment process shall consider the individual circumstances of the youth, including his or her age, physical size, sexual abuse history, mental and emotional condition, and other factors relevant to sexual aggressiveness. The definition of "sexually aggressive youth" in RCW 74.13.075 does not apply to this section to the extent that it conflicts with this section;

(b) Development and use of an assessment process for identifying youth, within thirty days of commitment to the department, who may be vulnerable to victimization by youth identified under (a) of this subsection as presenting a moderate or high risk of sexually aggressive behavior. The assessment process shall consider the individual circumstances of the youth, including his or her age, physical size, sexual abuse history, mental and emotional condition, and other factors relevant to vulnerability;

(c) Development and use of placement criteria to avoid assigning youth who present a moderate or high risk of sexually aggressive behavior to the same sleeping quarters as youth assessed as vulnerable to sexual victimization, except that they may be assigned to the same multiple-person sleeping quarters if those sleeping quarters are regularly monitored by visual surveillance equipment or staff checks;

(d) Development and use of procedures for minimizing, within available funds, unsupervised contact in state-operated or state-funded residential facilities between youth presenting moderate to high risk of sexually aggressive behavior and youth assessed as vulnerable to sexual victimization. The procedures shall include taking reasonable steps to prohibit any youth committed under this chapter who present a mod-

(2017 Ed.)

erate to high risk of sexually aggressive behavior from entering any sleeping quarters other than the one to which they are assigned, unless accompanied by an authorized adult.

(2) For the purposes of this section, the following terms have the following meanings:

(a) "Sleeping quarters" means the bedrooms or other rooms within a residential facility where youth are assigned to sleep.

(b) "Unsupervised contact" means contact occurring outside the sight or hearing of a responsible adult for more than a reasonable period of time under the circumstances. [1997 c 386 § 50.]

Finding—Intent—1997 c 386 §§ 50-55: "The legislature finds that the placement of children and youth in state-operated or state-funded residential facilities must be done in such a manner as to protect children who are vulnerable to sexual victimization from youth who are sexually aggressive. To achieve this purpose, the legislature intends the department of social and health services to develop a policy for assessing sexual aggressiveness and vulnerability to sexual victimization of children and youth who are placed in state-operated or state-funded residential facilities." [1997 c 386 § 49.]

13.40.480 Student records and information—Reasons for release—Who may request.

(1) Pursuant to RCW 28A.600.475, and to the extent permitted by the family educational and privacy rights act of 1974, 20 U.S.C. Sec. 1232g(b), and in order to serve the juvenile while in detention and to prepare any postconviction services, schools shall make all student records and information necessary for risk assessment, security classification, and placement available to court personnel and the department within three working days of a request under this section.

(2)(a) When a juvenile has one or more prior convictions, a request for records shall be made by the county prosecuting attorney, or probation department if available, to the school not more than ten days following the juvenile's arrest or detention, whichever occurs later, and prior to trial. The request may be made by subpoena.

(b) Where a juvenile has no prior conviction, a request to release records shall be made by subpoena upon the juvenile's conviction. When the request for a juvenile's student records and information is made by subpoena following conviction, the court or other issuing agency shall order the school on which the subpoena is served not to disclose to any person the existence or contents of the subpoena or any information furnished in response to the subpoena. When the court or issuing agency so orders, the school shall not provide notice to the juvenile or his or her parents. [1998 c 269 § 12.]

Intent—Finding—Effective date—1998 c 269: See notes following RCW 72.05.020.

13.40.500 Community juvenile accountability programs—Findings—Purpose.

The legislature finds that meaningful community involvement is vital to the juvenile justice system's ability to respond to the serious problem of juvenile crime. Citizens and crime victims need to be active partners in responding to crime, in the management of resources, and in the disposition decisions regarding juvenile offenders in their community. Involvement of citizens and crime victims increase offender accountability and build healthier communities, which will reduce recidivism and crime rates in Washington state.

The legislature also finds that local governments are in the best position to develop, coordinate, and manage local community prevention, intervention, and corrections programs for juvenile offenders, and to determine local resource priorities. Local community management will build upon local values and increase local control of resources, encourage the use of a comprehensive range of community-based intervention strategies.

The primary purpose of RCW 13.40.500 through 13.40.540, the community juvenile accountability act, is to provide a continuum of community-based programs that emphasize the juvenile offender's accountability for his or her actions while assisting him or her in the development of skills necessary to function effectively and positively in the community in a manner consistent with public safety. [1997 c 338 § 60.]

13.40.510 Community juvenile accountability programs—Establishment—Proposals—Guidelines. (Effective until July 1, 2019.) (1) In order to receive funds under RCW 13.40.500 through 13.40.540, local governments may, through their respective agencies that administer funding for consolidated juvenile services, submit proposals that establish community juvenile accountability programs within their communities. These proposals must be submitted to the juvenile rehabilitation administration of the department of social and health services for certification.

(2) The proposals must:

(a) Demonstrate that the proposals were developed with the input of the local law and justice councils established under RCW 72.09.300;

(b) Describe how local community groups or members are involved in the implementation of the programs funded under RCW 13.40.500 through 13.40.540;

(c) Include a description of how the grant funds will contribute to the expected outcomes of the program and the reduction of youth violence and juvenile crime in their community. Data approaches are not required to be replicated if the networks have information that addresses risks in the community for juvenile offenders.

(3) A local government receiving a grant under this section shall agree that any funds received must be used efficiently to encourage the use of community-based programs that reduce the reliance on secure confinement as the sole means of holding juvenile offenders accountable for their crimes. The local government shall also agree to account for the expenditure of all funds received under the grant and to submit to audits for compliance with the grant criteria developed under RCW 13.40.520.

In the event the employee of the institution or detention facility determines that extraordinary circumstances exist and restraints are used, the employee of the institution or detention facility must fully document in writing the reasons that he or she determined such extraordinary circumstances existed such that restraints were used. As part of this documentation, the employee of the institution or detention facility

must also include the kind of restraints used and the reasons those restraints were considered the least restrictive available and the most reasonable under the circumstances.

(2) While the pregnant youth is in labor or in childbirth no restraints of any kind may be used. Nothing in this section affects the use of hospital restraints requested for the medical safety of a patient by treating physicians licensed under Title 18 RCW.

(3) Anytime restraints are permitted to be used on a pregnant youth, the restraints must be the least restrictive available and the most reasonable under the circumstances, but in no case shall leg irons or waist chains be used on any youth known to be pregnant.

(4) No employee of the institution or detention facility shall be present in the room during the pregnant youth's labor or childbirth, unless specifically requested by medical personnel. If the employee's presence is requested by medical personnel, the employee should be female, if practicable.

[2010 c 181 § 12.]

For the purposes of this chapter, the terms spouse, marriage, marital, husband, wife, widow, widower, next of kin, and family shall be interpreted as applying equally to state registered domestic partnerships or individuals in state registered domestic partnerships as well as to marital relationships and married persons, and references to dissolution of marriage shall apply equally to state registered domestic partnerships that have been terminated, dissolved, or invalidated, to the extent that such interpretation does not conflict with federal law. Where necessary to implement chapter 521, Laws of 2009, gender-specific terms such as husband and wife used in any statute, rule, or other law shall be construed to be gender neutral, and applicable to individuals in state registered domestic partnerships. Intent—2016 c 71: See note following RCW 28A.300.590.

Finding—Intent—2015 c 265: "The legislature finds that requiring juvenile offenders to pay all legal financial obligations before being eligible to have a juvenile record administratively sealed disproportionately affects youth based on their socioeconomic status. Juveniles who cannot afford to pay their legal financial obligations cannot seal their juvenile records once they turn eighteen and oftentimes struggle to find employment. By eliminating most nonrestitution legal financial obligations for juveniles convicted of less serious crimes, juvenile offenders will be better able to find employment and focus on making restitution payments first to the actual victim. This legislation is intended to help juveniles understand the consequences of their actions and the harm that those actions have caused others without placing insurmountable burdens on juveniles attempting to become productive members of society. Depending on the juvenile's ability to pay, and upon the consent of the victim, courts should also strongly consider ordering community restitution in lieu of paying restitution where appropriate." [2015 c 265 § 1.]

Findings—Intent—2014 c 175: "The legislature finds that:

(1) The primary goal of the Washington state juvenile justice system is the rehabilitation and reintegration of former juvenile offenders. The public has a compelling interest in the rehabilitation of former juvenile offenders and their successful reintegration into society as active, law-abiding, and contributing members of their communities. When juvenile court records are publicly available, former juvenile offenders face substantial barriers to reintegration, as they are denied housing, employment, and education opportunities on the basis of these records.

(2) The legislature declares it is the policy of the state of Washington that the interest in juvenile rehabilitation and reintegration constitutes compelling circumstances that outweigh the public interest in continued availability of juvenile court records. The legislature intends that juvenile court proceedings be openly administered but, except in limited circumstances, the records of these proceedings be closed when the juvenile has reached the age of eighteen and completed the terms of disposition." (2) The official juvenile court file of any alleged or proven juvenile offender shall be open to public inspection, unless sealed pursuant to RCW 13.50.260.

(3) All records other than the official juvenile court file are confidential and may be released only as provided in this chapter, RCW 13.40.215 and 4.24.550.

(4) Except as otherwise provided in this chapter, records retained or produced by any juvenile justice or care agency may be released to other participants in the juvenile justice or care system only when an investigation or case involving the juvenile in question is being pursued by the other participant or when that other participant is assigned the responsibility for supervising the juvenile.

(5) Except as provided in RCW 4.24.550, information not in an official juvenile court file concerning a juvenile or a juvenile's family may be released to the public only when that information could not reasonably be expected to identify the juvenile or the juvenile's family.

(6) Notwithstanding any other provision of this chapter, the release, to the juvenile or his or her attorney, of law enforcement and prosecuting attorneys' records pertaining to investigation, diversion, and prosecution of juvenile offenses shall be governed by the rules of discovery and other rules of law applicable in adult criminal investigations and prosecutions.

(7) Upon the decision to arrest or the arrest, law enforcement and prosecuting attorneys may cooperate with schools in releasing information to a school pertaining to the investigation, diversion, and prosecution of a juvenile attending the school. Upon the decision to arrest or the arrest, incident reports may be released unless releasing the records would jeopardize the investigation or prosecution or endanger witnesses. If release of incident reports would jeopardize the investigation or prosecution or endanger witnesses, law enforcement and prosecuting attorneys may release information to the maximum extent possible to assist schools in protecting other students, staff, and school property.

(8) The juvenile court and the prosecutor may set up and maintain a central recordkeeping system which may receive information on all alleged juvenile offenders against whom a complaint has been filed pursuant to RCW 13.40.070 whether or not their cases are currently pending before the court. The central recordkeeping system may be computer-

ized. If a complaint has been referred to a diversion unit, the diversion unit shall promptly report to the juvenile court or the prosecuting attorney when the juvenile has agreed to diversion. An offense shall not be reported as criminal history in any central recordkeeping system without notification by the diversion unit of the date on which the offender agreed to diversion.

(9) Upon request of the victim of a crime or the victim's immediate family, the identity of an alleged or proven juvenile offender alleged or found to have committed a crime against the victim and the identity of the alleged or proven juvenile offender's parent, guardian, or custodian and the circumstance of the alleged or proven crime shall be released to the victim of the crime or the victim's immediate family.

(10) Subject to the rules of discovery applicable in adult criminal prosecutions, the juvenile offense records of an adult criminal defendant or witness in an adult criminal proceeding shall be released upon request to prosecution and defense counsel after a charge has actually been filed. The juvenile offense records of any adult convicted of a crime and placed under the supervision of the adult corrections system shall be released upon request to the adult corrections system.

(11) Any juvenile to whom the provisions of this section or RCW 13.50.260 or 13.50.270 may apply shall be given written notice of his or her rights under this section at the time of his or her disposition hearing or during the diversion process.

(12) Nothing in this section or RCW 13.50.260 or 13.50.270 may be construed to prevent a crime victim or a member of the victim's family from divulging the identity of the alleged or proven juvenile offender or his or her family when necessary in a civil proceeding.

(13) Except as provided in RCW 13.50.270(2), no identifying information held by the Washington state patrol in accordance with chapter 43.43 RCW is subject to destruction or sealing under this section. For the purposes of this subsection, identifying information includes photographs, fingerprints, palmprints, soleprints, toeprints and any other data that identifies a person by physical characteristics, name, birthdate or address, but does not include information regarding criminal activity, arrest, charging, diversion, conviction or other information about a person's treatment by the criminal justice system or about the person's behavior.

(14) Information identifying child victims under age eighteen who are victims of sexual assaults by juvenile offenders is confidential and not subject to release to the press or public without the permission of the child victim or the child's legal guardian. Identifying information includes the child victim's name, addresses, location, photographs, and in cases in which the child victim is a relative of the alleged perpetrator, identification of the relationship between the child and the alleged perpetrator. Information identifying a child victim of sexual assault may be released to law enforcement, prosecutors, judges, defense attorneys, or private or governmental agencies that provide services to the child victim of sexual assault. (7) A juvenile, his or her parents, the juvenile's attorney, and the juvenile's parent's attorney, shall, upon request, be given access to all records and information collected or retained by a juvenile justice or care agency which pertain to the juvenile except:

(a) If it is determined by the agency that release of this information is likely to cause severe psychological or physical harm to the juvenile or his or her parents the agency may withhold the information subject to other order of the court: PROVIDED, That if the court determines that limited release of the information is appropriate, the court may specify terms and conditions for the release of the information; or

(b) If the information or record has been obtained by a juvenile justice or care agency in connection with the provision of counseling, psychological, psychiatric, or medical services to the juvenile, when the services have been sought voluntarily by the juvenile, and the juvenile has a legal right to receive those services without the consent of any person or agency, then the information or record may not be disclosed to the juvenile's parents without the informed consent of the juvenile unless otherwise authorized by law; or

(c) That the department of social and health services may delete the name and identifying information regarding persons or organizations who have reported alleged child abuse or neglect.

(8) A juvenile or his or her parent denied access to any records following an agency determination under subsection (7) of this section may file a motion in juvenile court requesting access to the records. The court shall grant the motion unless it finds access may not be permitted according to the standards found in subsection (7)(a) and (b) of this section.

(9) The person making a motion under subsection (8) of this section shall give reasonable notice of the motion to all parties to the original action and to any agency whose records will be affected by the motion.

If the party prevails, he or she shall be awarded attorneys' fees, costs, and an amount not less than five dollars and not more than one hundred dollars for each day the records were wrongfully denied.

13.50.260 Sealing hearings—Sealing of records. (1)(a) The court shall hold regular sealing hearings. During these regular sealing hearings, the court shall administratively seal an individual's juvenile record pursuant to the requirements of this subsection unless the court receives an objection to sealing or the court notes a compelling reason not to seal, in which case, the court shall set a contested hearing to be conducted on the record to address sealing. Although the juvenile record shall be sealed, the social file may be available to any juvenile justice or care agency when an investigation or case involving the juvenile subject of the records is being prosecuted by the juvenile justice or care agency or when the juvenile justice or care agency is assigned the responsibility of supervising the juvenile. The contested hearing shall be set no sooner than eighteen days after notice of the hearing and the opportunity to object has been sent to the juvenile, the victim, and juvenile's attorney. The juvenile respondent's presence is not required at a sealing hearing pursuant to this subsection.

(b) At the disposition hearing of a juvenile offender, the court shall schedule an administrative sealing hearing to take place during the first regularly scheduled sealing hearing after the latest of the following events that apply:

(C) A drug offense, as defined in RCW 9.94A.030; and

(ii) The respondent has completed the terms and conditions of disposition, including affirmative conditions and has paid the full amount of restitution owing to the individual vic-

tim named in the restitution order, excluding restitution owed to any insurance provider authorized under Title 48 RCW.

(d) Following a contested sealing hearing on the record after an objection is made pursuant to (a) of this subsection, the court shall enter a written order sealing the juvenile court record unless the court determines that sealing is not appropriate.

(2) The court shall enter a written order immediately sealing the official juvenile court record upon the acquittal after a fact finding or upon the dismissal of charges with prejudice, subject to the state's right, if any, to appeal the dismissal.

(3) If a juvenile court record has not already been sealed pursuant to this section, in any case in which information has been filed pursuant to RCW 13.40.100 or a complaint has been filed with the prosecutor and referred for diversion pursuant to RCW 13.40.070, the person who is the subject of the information or complaint may file a motion with the court to have the court vacate its order and findings, if any, and, subject to RCW 13.50.050(13), order the sealing of the official juvenile court record, the social file, and records of the court and of any other agency in the case.

(4)(a) The court shall grant any motion to seal records for class A offenses made pursuant to subsection (3) of this section if:

(v) The person has not been convicted of rape in the first degree, rape in the second degree, or indecent liberties that was actually committed with forcible compulsion; and

(vi) The person has paid the full amount of restitution owing to the individual victim named in the restitution order, excluding restitution owed to any insurance provider authorized under Title 48 RCW.

(b) The court shall grant any motion to seal records for class B, class C, gross misdemeanor, and misdemeanor offenses and diversions made under subsection (3) of this section if:

(c) Notwithstanding the requirements in (a) or (b) of this subsection, the court shall grant any motion to seal records of any deferred disposition vacated under RCW 13.40.127(9) prior to June 7, 2012, if restitution has been paid and the person is eighteen years of age or older at the time of the motion.

(5) The person making a motion pursuant to subsection (3) of this section shall give reasonable notice of the motion to the prosecution and to any person or agency whose records are sought to be sealed.

(6)(a) If the court enters a written order sealing the juvenile court record pursuant to this section, it shall, subject to RCW 13.50.050(13), order sealed the official juvenile court record, the social file, and other records relating to the case as are named in the order. Thereafter, the proceedings in the case shall be treated as if they never occurred, and the subject of the records may reply accordingly to any inquiry about the events, records of which are sealed. Any agency shall reply to any inquiry concerning confidential or sealed records that records are confidential, and no information can be given about the existence or nonexistence of records concerning an individual.

(b) In the event the subject of the juvenile records receives a full and unconditional pardon, the proceedings in the matter upon which the pardon has been granted shall be treated as if they never occurred, and the subject of the records may reply accordingly to any inquiry about the events upon which the pardon was received. Any agency shall reply to any inquiry concerning the records pertaining to the events for which the subject received a pardon that records are confidential, and no information can be given about the existence or nonexistence of records concerning an individual.

(c) Effective July 1, 2019, the department of licensing may release information related to records the court has ordered sealed only to the extent necessary to comply with federal law and regulation.

(7) Inspection of the files and records included in the order to seal may thereafter be permitted only by order of the court upon motion made by the person who is the subject of the information or complaint, except as otherwise provided in RCW 13.50.010(8) and 13.50.050(13).

(8)(a) Any adjudication of a juvenile offense or a crime subsequent to sealing has the effect of nullifying a sealing order; however, the court may order the juvenile court record resealed upon disposition of the subsequent matter if the case meets the sealing criteria under this section and the court record has not previously been resealed.

(b) Any charging of an adult felony subsequent to the sealing has the effect of nullifying the sealing order.

(c) The administrative office of the courts shall ensure that the superior court judicial information system provides prosecutors access to information on the existence of sealed juvenile records.

(d) The Washington state patrol shall ensure that the Washington state identification system provides criminal justice agencies access to sealed juvenile records information.

(9) If the juvenile court record has been sealed pursuant to this section, the record of an employee is not admissible in an action for liability against the employer based on the former juvenile offender's conduct to show that the employer knew or should have known of the juvenile record of the employee. The record may be admissible, however, if a background check conducted or authorized by the employer contained the information in the sealed record.

(10) County clerks may interact or correspond with the respondent, his or her parents, and any holders of potential assets or wages of the respondent for the purposes of collecting an outstanding legal financial obligation after juvenile court records have been sealed pursuant to this section.

(11) Persons and agencies that obtain sealed juvenile records information pursuant to this section may communicate about this information with the respondent, but may not disseminate or be compelled to release the information to any person or agency not specifically granted access to sealed juvenile records in this section. [2015 c 265 § 3; 2014 c 175 § 4.]

The juvenile court shall verify eligibility and notify the Washington state patrol and the appropriate local law enforcement agency and prosecutor's office of the records to be destroyed. The requirement to destroy records under this subsection is not dependent on a court hearing or the issuance of a court order to destroy records.

(c) The state and local governments and their officers and employees are not liable for civil damages for the failure to destroy records pursuant to this section.

(2) All records maintained by any court or law enforcement agency, including the juvenile court, local law enforcement, the Washington state patrol, and the prosecutor's office, shall be automatically destroyed within thirty days of being notified by the governor's office that the subject of

those records received a full and unconditional pardon by the governor.

(3)(a) A person may request that the court order the records in his or her case destroyed as follows:

(i) A person eighteen years of age or older whose criminal history consists entirely of one diversion agreement or counsel and release entered prior to June 12, 2008. The request shall be granted if the court finds that two years have elapsed since completion of the agreement or counsel and release.

(ii) A person twenty-three years of age or older whose criminal history consists of only referrals for diversion. The request shall be granted if the court finds that all diversion agreements have been successfully completed and no proceeding is pending against the person seeking the conviction of a criminal offense.

(b) If the court grants the motion to destroy records made pursuant to this subsection, it shall, subject to RCW 13.50.050(13), order the official juvenile court record, the social file, and any other records named in the order to be destroyed.

(c) The person making the motion pursuant to this subsection must give reasonable notice of the motion to the prosecuting attorney and to any agency whose records are sought to be destroyed.

(4) Any juvenile justice or care agency may, subject to the limitations in RCW 13.50.050(13) and this section, develop procedures for the routine destruction of records relating to juvenile offenses and diversions.

(a) Records may be routinely destroyed only when the person the subject of the information or complaint has attained twenty-three years of age or older or pursuant to subsection (1) of this section.

(b) The court may not routinely destroy the official juvenile court record or recordings or transcripts of any proceedings. [2014 c 175 § 5.]

Findings—Intent—2014 c 175: See note following RCW 13.50.010.

13.50.280 Court and judicial agency records—Use for research or data gathering purposes. (1) Courts and judicial agencies that maintain a database of juvenile records may provide those records, whether sealed or not, to government agencies for the purpose of carrying out research or data gathering functions. This data may also be linked with records from other agencies or research organizations, provided that any agency receiving or using records under this subsection maintain strict confidentiality of the identity of the juveniles who are the subjects of such records.

(2) Juvenile records, whether sealed or not, can be provided without personal identifiers to researchers conducting legitimate research for educational, scientific, or public purposes, so long as the data is not used by the recipients of the records to identify an individual with a juvenile record. [2015 c 265 § 9.]

13.60.010 Missing children and endangered person clearinghouse—Hotline—Distribution of information—Amber alert plan, endangered missing person advisory plan, silver alert designation. (Effective until July 1, 2018.)

(1) The Washington state patrol shall establish a missing children and endangered person clearinghouse which shall include the maintenance and operation of a toll-free telephone hotline. The clearinghouse shall distribute information to local law enforcement agencies, school districts, the department of social and health services, and the general public regarding missing children and endangered persons. The information shall include pictures, bulletins, training sessions, reports, and biographical materials that will assist in local law enforcement efforts to locate missing children and endangered persons. The state patrol shall also maintain a regularly updated computerized link with national and other statewide missing person systems or clearinghouses, and within existing resources, shall develop and implement a plan, commonly known as an "amber alert plan" or an "endangered missing person advisory plan" which includes a "silver alert" designation for voluntary cooperation between local, state, tribal, and other law enforcement agencies, state government agencies, radio and television stations, cable and satellite systems, and social media pages and sites to enhance the public's ability to assist in recovering abducted children and missing endangered persons consistent with the state endangered missing person advisory plan.

(2) For the purposes of this chapter:

(a) "Child" or "children" means an individual under eighteen years of age.

(b) "Missing endangered person" means a person who is believed to be in danger because of age, health, mental or physical disability, in combination with environmental or weather conditions, or is believed to be unable to return to safety without assistance and who is:

(i) A person with a developmental disability as defined in RCW 71A.10.020(5);

(ii) A vulnerable adult as defined in *RCW 74.34.020(17); or

(iii) A person who has been diagnosed as having Alzheimer's disease or other age-related dementia.

(c) "Silver alert" means the designated title of a missing endangered person advisory that will be used on a variable message sign and text of the highway advisory radio message when used as part of an activated advisory to assist in the

(2017 Ed.)

recovery of a missing endangered person age sixty or older. [2015 1st sp.s. c 2 § 2; 2013 c 285 § 1; 2009 c 20 § 1; 1985 c 443 § 22.]

*Reviser's note: RCW 74.34.020 was amended by 2015 c 268 § 1, changing subsection (17) to subsection (21). RCW 74.34.020 was subsequently amended by 2017 c 268 § 2, changing subsection (21) to subsection (22).

Findings—2015 1st sp.s. c 2: "The legislature finds that Washington state's elderly population is growing and the number of individuals with dementia is increasing. The legislature further finds that approximately sixty percent of individuals with dementia will wander at least once and, that if not found within twenty-four hours, up to half of wandering seniors with dementia will suffer serious injury or death. The legislature further finds that the state of Washington has a compelling interest in protecting the safety of vulnerable citizens with cognitive impairments. The legislature further finds that creating a public notification system to broadcast information about missing persons with Alzheimer's disease, dementia, or other mental disabilities to aid in their safe return will help prevent unnecessary suffering and death." The information shall include pictures, bulletins, training sessions, reports, and biographical materials that will assist in local law enforcement efforts to locate missing children and endangered persons. The state patrol shall also maintain a regularly updated computerized link with national and other statewide missing person systems or clearinghouses, and within existing resources, shall develop and implement a plan, commonly known as an "amber alert plan" or an "endangered missing person advisory plan" which includes a "silver alert" designation for voluntary cooperation between local, state, tribal, and other law enforcement agencies, state government agencies, radio and television stations, cable and satellite systems, and social media pages and sites to enhance the public's ability to assist in recovering abducted children and missing endangered persons consistent with the state endangered missing person advisory plan.

(2) For the purposes of this chapter:

(a) "Child" or "children" means an individual under eighteen years of age.

(b) "Missing endangered person" means a person who is believed to be in danger because of age, health, mental or physical disability, in combination with environmental or weather conditions, or is believed to be unable to return to safety without assistance and who is:

(i) A person with a developmental disability as defined in RCW 71A.10.020(5);

(ii) A vulnerable adult as defined in RCW 74.34.020; or

(iii) A person who has been diagnosed as having Alzheimer's disease or other age-related dementia.

(c) "Silver alert" means the designated title of a missing endangered person advisory that will be used on a variable

message sign and text of the highway advisory radio message when used as part of an activated advisory to assist in the recovery of a missing endangered person age sixty or older. [2017 3rd sp.s. c 6 § 315; 2015 1st sp.s. c 2 § 2; 2013 c 285 § 1; 2009 c 20 § 1; 1985 c 443 § 22.]

Effective date—2017 3rd sp.s. c 6 §§ 102, 104-115, 201-227, 301-337, 401-419, 501-513, 801-803, and 805-822: See note following RCW 43.216.025.

Conflict with federal requirements—2017 3rd sp.s. c 6: See RCW 43.216.908.

Findings—2015 1st sp.s. c 2: "The legislature finds that Washington state's elderly population is growing and the number of individuals with dementia is increasing. The legislature further finds that approximately sixty percent of individuals with dementia will wander at least once and, that if not found within twenty-four hours, up to half of wandering seniors with dementia will suffer serious injury or death. The legislature further finds that the state of Washington has a compelling interest in protecting the safety of vulnerable citizens with cognitive impairments. The legislature further finds that creating a public notification system to broadcast information about missing persons with Alzheimer's disease, dementia, or other mental disabilities to aid in their safe return will help prevent unnecessary suffering and death." 13.60.050 Endangered missing person advisory plan. Within existing resources, the Washington state patrol shall develop and implement a plan, commonly known as an "endangered missing person advisory plan," for voluntary cooperation between local, state, tribal, and other law enforcement agencies, state government agencies, radio and television stations, and cable and satellite systems to enhance the public's ability to assist in recovering endangered missing persons who do not qualify for inclusion in an amber alert. [2009 c 20 § 2.]

13.60.100 Task force on missing and exploited children—Findings, intent. The legislature finds a compelling need to address the problem of missing children, whether those children have been abducted by a stranger, are missing due to custodial interference, or are classified as runaways. Washington state ranks twelfth in the nation for active cases of missing juveniles and, at any given time, more than one thousand eight hundred Washington children are reported as missing. The potential for physical and psychological trauma to these children is extreme. Therefore, the legislature finds that it is paramount for the safety of these children that there

be a concerted effort to resolve cases of missing and exploited children.

Due to the complexity of many child abduction cases, most law enforcement personnel are unprepared and lack adequate resources to successfully and efficiently investigate these crimes. Therefore, it is the intent of the legislature that a multiagency task force be established within the Washington state patrol, to be available to assist local jurisdictions in missing child cases through referrals, on-site assistance, case management, and training. The legislature intends that the task force will increase the effectiveness of a specific case investigation by drawing from the combined resources, knowledge, and technical expertise of the members of the task force. [1999 c 168 § 1.]

Additional notes found at www.leg.wa.gov

13.60.110 Task force on missing and exploited children—Establishment—Activities. (1) A task force on missing and exploited children is established in the Washington state patrol. The task force shall be under the direction of the chief of the state patrol.

(2) The task force is authorized to assist law enforcement agencies, upon request, in cases involving missing or exploited children by:

- (a) Direct assistance and case management;
- (b) Technical assistance;
- (c) Personnel training;
- (d) Referral for assistance from local, state, national, and international agencies; and
- (e) Coordination and information sharing among local, state, interstate, and federal law enforcement and social service agencies.

(3) To maximize the efficiency and effectiveness of state resources and to improve interagency cooperation, the task force shall, where feasible, use existing facilities, systems, and staff made available by the state patrol and other local, state, interstate, and federal law enforcement and social service agencies. The chief of the state patrol may employ such additional personnel as are necessary for the work of the task force and may share personnel costs with other agencies.

(4) The chief of the state patrol shall seek public and private grants and gifts to support the work of the task force.

(5) For the purposes of this chapter, "exploited children" means children under the age of eighteen who are employed, used, persuaded, induced, enticed, or coerced to engage in, or assist another person to engage in, sexually explicit conduct. "Exploited children" also means the rape, molestation, or use for prostitution of children under the age of eighteen. [2016 c 208 § 2; 2009 c 518 § 4; 1999 c 168 § 2.]

Finding—Intent—2016 c 208: "The legislature finds that the advisory board on missing and exploited children has successfully achieved seamless communication and coordinated efforts between Washington state agencies investigating child exploitation cases under the oversight of the Washington state patrol, thereby fully satisfying the purposes and goals of the advisory board as established in 1999 under RCW 13.60.120. The legislature therefore intends to ensure the multiagency task force on missing and exploited children continues to operate under the oversight of the Washington state patrol and continue to successfully identify and arrest individuals who exploit children." [2016 c 208 § 1.]

(4) There must be no fee associated with the filing of a vulnerable youth guardianship petition by or for a vulnerable youth under this section. [2017 c 279 § 4.]

13.90.030 Petition for guardianship—Hearing. (1)

At the hearing on a vulnerable youth guardianship petition, both parties, the vulnerable youth and the proposed guardian, have the right to present evidence and cross-examine witnesses. The rules of evidence apply to the conduct of the hearing.

(2) A vulnerable youth guardianship must be established if the court finds by a preponderance of the evidence that:

(a) The allegations in the petition are true;

(b) It is in the vulnerable youth's best interest to establish a vulnerable youth guardianship; and

(c) The vulnerable youth consents in writing to the appointment of a guardian.

(3) A guardianship established under subsection (2) of this section remains in effect as provided in RCW 13.90.060. [2017 c 279 § 5.]

13.90.040 Order establishing guardianship. (1) If the court has made the findings required under RCW 13.90.030, the court shall issue an order establishing a vulnerable youth guardianship for the vulnerable youth. The order shall:

(a) Appoint a person to be the guardian for the vulnerable youth;

(b) Provide that the guardian shall ensure that the legal rights of the vulnerable youth are not violated, and may specify the guardian's other rights and responsibilities concerning the care, custody, and nurturing of the vulnerable youth;

(c) Specify that the guardian shall not have possession of any identity documents belonging to the vulnerable youth; and

(d) Specify the need for and scope of continued oversight by the court, if any.

(2) Unless specifically ordered by the court, the standards and requirements for relocation in chapter 26.09 RCW do not apply to vulnerable youth guardianships established under this chapter.

(3) The court shall provide a certified copy of the vulnerable youth guardianship order to the vulnerable youth and the guardian.

(4) For an unrepresented vulnerable youth whose vulnerable youth guardian is a suitable person, as defined in RCW 13.90.010, the court shall provide a list of service providers

and available resources for survivors of human trafficking, such as any relevant lists or materials created by the Washington state task force against the trafficking of persons under RCW 7.68.350. [2017 c 279 § 6.]

13.90.050 Motion for modification—Motion for appointment of a new guardian. (1) The youth may move the court to modify the provisions of a vulnerable youth guardianship order at any time by: (a) Filing with the court a motion for modification and an affidavit setting forth facts supporting the requested modification; and (b) providing notice and a copy of the motion and affidavit to the other party. The nonmoving party may file and serve opposing affidavits.

(2) The youth may move the court to appoint a new guardian at any time by: (a) Filing with the court a motion for appointment of a new guardian and an affidavit setting forth facts supporting the requested appointment; and (b) providing notice and a copy of the motion and affidavit to the other party.

(3) The youth may move the court to substitute a new guardian, provided that the proposed new guardian is a suitable adult over twenty-one years old who is capable of performing the duties of a guardian as stated in RCW 13.90.040. The substitution of a new guardian must be permitted without termination of the vulnerable youth guardianship and the youth is not required to file a new vulnerable youth guardianship petition to substitute a guardian.

(4) If a party other than the youth moves the court to modify the provisions of a vulnerable youth guardianship order, the modification is subject to the youth's agreement. [2017 c 279 § 7.]

13.90.060 Termination of guardianship. (1) The vulnerable youth guardianship terminates on the vulnerable youth's twenty-first birthday.

(2) The vulnerable youth may request the termination of the vulnerable youth guardianship at any time. The court shall terminate the vulnerable youth guardianship upon the request of the vulnerable youth. The vulnerable youth may also withdraw consent to the vulnerable youth guardianship at any time.

(3) The guardian may request termination of the vulnerable youth guardianship by filing a petition and supporting affidavit alleging a substantial change has occurred in the circumstances of the vulnerable youth or the guardian and that the termination is necessary to serve the best interests of the vulnerable youth. The petition and affidavit must be served on both parties to the vulnerable youth guardianship.

(4) Except as provided in subsection (2) of this section, the court shall not terminate a vulnerable youth guardianship unless it finds, upon the basis of facts that have arisen since the vulnerable youth guardianship was established or that were unknown to the court at the time the vulnerable youth guardianship was established, that a substantial change has occurred in the circumstances of the vulnerable youth or the guardian and that termination of the vulnerable youth guardianship is necessary to serve the best interests of the vulnerable youth. The effect of a guardian's duties while serving in the military potentially impacting vulnerable youth guardianship functions is not, by itself, a substantial change of circum-

stances justifying termination of a vulnerable youth guardianship. [2017 c 279 § 8.]

13.90.070 Right to counsel. In all proceedings under this chapter to establish, modify, or terminate a vulnerable youth guardianship order, the vulnerable youth and the guardian or prospective guardian have the right to be represented by counsel of their choosing and at their own expense. [2017 c 279 § 9.]

13.90.900 Purpose. Existing federal law, 8 U.S.C. Sec. 1101(a)(27)(J), establishes a procedure for classification of abandoned, abused, or neglected youth as special immigrants who have been declared dependent on a juvenile court or legally committed to or placed in the custody of a state agency or department, or placed under the custody of an individual or entity appointed by a state or juvenile court, and authorizes those youth to apply for an adjustment of status to that of a lawful permanent resident within the United States. A youth is age-eligible if the youth is under twenty-one years old. Existing state law already provides that superior courts have jurisdiction to make judicial determinations regarding the custody and care of juveniles.

This chapter authorizes a court to appoint a guardian for a vulnerable youth from eighteen to twenty-one years old, who is not participating in extended foster care services authorized under RCW 74.13.031, and who is eligible for classification under 8 U.S.C. Sec. 1101(a)(27)(J) with the consent of the proposed ward. This chapter also provides that a vulnerable youth guardianship of the person terminates on the youth's twenty-first birthday unless the youth requests termination prior to that date. Opening court doors for the provision of a vulnerable youth guardianship serves the state's interest in eliminating human trafficking, preventing further victimization of youth, decreasing reliance on public resources, reducing youth homelessness, and offering protection for youth who may otherwise be targets for traffickers. [2017 c 279 § 1.]

13.90.901 Findings—Intent—2017 c 279. (1) The legislature finds and declares the following:

(a) Washington law grants the superior courts jurisdiction to make judicial determinations regarding the custody and care of youth within the meaning of the federal immigration and nationality act. Pursuant to 8 U.S.C. Sec. 1101(b), the term "child" means an unmarried person under twenty-one years of age. Superior courts are empowered to make the findings necessary for a youth to petition the United States citizenship and immigration services for classification under 8 U.S.C. Sec. 1101(a)(27)(J).

(b) 8 U.S.C. Sec. 1101(a)(27)(J) offers interim relief from deportation to undocumented, unmarried immigrant youth under twenty-one years old, if a state court with jurisdiction over juveniles has made specific findings.

(c) The findings necessary for a youth to petition for classification under 8 U.S.C. Sec. 1101(a)(27)(J) include, among others, a finding that reunification with one or both parents is not viable due to abuse, neglect, abandonment, or a similar basis under state law, and a finding that it is not in the youth's best interest to be returned to the youth's country of origin.

(d) Misalignment between state and federal law continues to exist. Federal law allows a person under twenty-one years old, who otherwise meets the requirements for eligibility under 8 U.S.C. Sec. 1101(a)(27)(J), to file for relief. In Washington, however, vulnerable youth who are between eighteen and twenty-one years old have largely been unable to obtain the findings from the superior court necessary to seek classification under 8 U.S.C. Sec. 1101(a)(27)(J) and the relief that it was intended to afford them, solely because superior courts cannot take jurisdiction of these vulnerable youth under current law. This is true despite the fact that many vulnerable youth between eighteen and twenty-one years old face circumstances identical to those faced by their younger counterparts.

(e) Given the recent influx of vulnerable youth arriving to the United States, many of whom have been released to family members and other adults in Washington, and who have experienced parental abuse, neglect, or abandonment, it is necessary to provide an avenue for these vulnerable youth to petition the superior courts to appoint a guardian of the person, even if the youth is over eighteen years old. This is particularly necessary in light of the vulnerability of this class of youth, and their need for a custodial relationship with a responsible adult as they adjust to a new cultural context, language, and education system, and recover from the trauma of abuse, neglect, or abandonment. These custodial arrangements promote the long-term well-being and stability of vulnerable youth present in the United States who have experienced abuse, neglect, or abandonment by one or both parents.

(f) The legislature has an interest in combating human trafficking throughout Washington state. In 2003, Washington became the first state to enact a law making human trafficking a crime and has since continued its efforts to provide support services for victims of human trafficking while also raising awareness of human trafficking. Vulnerable youth who have been subject to parental abuse, neglect, or abandonment are particularly susceptible to becoming victims of human trafficking. By creating an avenue for a vulnerable youth guardianship for certain eligible individuals between eighteen and twenty-one years old, the legislature will provide such youth with the possibility for additional support and protection that a guardian can offer, which will make these youth less likely to become targets for human traffickers. Guardians can support vulnerable youth by providing them stable housing and caring for their basic necessities, which may help alleviate many of the risk factors that make such youth prime targets for trafficking and exploitation.

(g) Vulnerable youth guardianships of the person may be necessary and appropriate for these individuals, even between eighteen and twenty-one years old, although a vulnerable youth for whom a guardian has been appointed retains the rights of an adult under Washington law.

(2) It is the intent of the legislature to give the juvenile division of superior courts jurisdiction to appoint a guardian for a consenting vulnerable youth between eighteen, up to the age of twenty-one who has been abandoned, neglected, or abused by one or both parents, or for whom the court determines that a guardian is otherwise necessary as one or both parents cannot adequately provide for the youth such that the youth risks physical or psychological harm if returned to the youth's home. The juvenile court will have jurisdiction to

make the findings necessary for a vulnerable youth to petition for classification under 8 U.S.C. Sec. 1101(a)(27)(J). It is further the intent of the legislature to provide an avenue for a person between eighteen and twenty-one years old to have a guardian of the person appointed beyond eighteen years old if the youth so requests or consents to the appointment of a guardian as provided in RCW 13.90.030. [2017 c 279 § 2.]
