

contractors chosen by random number generated by computer from the contractors on the small works roster for the category of job type involved and shall award the work to the party with the lowest quotation or reject all quotations. If the agency is unable to solicit quotations from five qualified contractors on the small works roster for a particular project, then the project shall be advertised and competitively bid. The agency shall solicit quotations randomly from contractors on the small works roster in a manner which will equitably distribute the opportunity for these contracts among contractors on the roster: PROVIDED, That whenever possible, the agency shall invite at least one proposal from a minority contractor who shall otherwise qualify to perform such work. Immediately after an award is made, the bid quotations obtained shall be recorded, open to public inspection, and available by telephone request.

(5) The breaking down of any public work or improvement into units or accomplishing any public work or improvement by phases for the purpose of avoiding the minimum dollar amount for bidding is contrary to public policy and is prohibited.

(6) The director of general administration shall adopt by rule a procedure to prequalify contractors for inclusion on the small works roster. Each agency shall follow the procedure adopted by the director of general administration. No agency shall be required to make available for public inspection or copying under chapter 42.17 RCW financial information required to be provided by the prequalification procedure.

(7) An agency may adopt by rule procedures to implement this section which shall not be inconsistent with the procedures adopted by the director of the department of general administration pursuant to subsection (6) of this section.
