COLLOQUY

Representative Rodne: Will the member from the 43rd district yield to a question?

Representative Pedersen: I will.

Rep Rodne: This legislation adopts the 2010 changes to the text of Article 9 adopted by the National Conference of Commissioners on Uniform State Laws. Is it the intent that the 2010 revisions to the Official Comments to Article 9 be incorporated as part of the legislative history for this act?

Representative Pedersen: Yes, that is the intent. The 2010 revisions to the Official Comments include changes not only to the sections being amended by this bill, but also to the Official Comments for sections of the Article where the underlying text was not amended. It is the intent that all revisions to the Official Comments be incorporated by reference as legislative intent regarding the explanation and interpretation of Washington's Article 9.

It is important to have uniformity across the 50 states in this area of the law. In order to maintain uniformity, Article 9 must be interpreted and applied consistently by the states. The Official Comments to Article 9 explain the purposes and intent of the provisions of the Article and are a helpful aid in interpreting and applying the act so that uniformity may be maintained.
