(4) A certified copy of the order to show cause, with a copy of the plaintiff's affidavit or declaration attached, shall be served upon the defendant no later than five days before the hearing date.

Sec. 9. RCW 7.70.065 and 2017 c 275 s 1 are each amended to read as follows:

However, no person under this section may provide informed consent to health care:

(i) If a person of higher priority under this section has refused to give such authorization; or

(ii) If there are two or more individuals in the same class and the decision is not unanimous among all available members of that class.

If such a determination cannot be made, the decision to consent to the proposed health care may be made only after determining that the proposed health care is in the patient's best interests.

(2) Informed consent for health care, including mental health care, for a patient who is not competent, as defined in RCW 11.88.010(1)(e), because he or she is under the age of majority and who is not otherwise authorized to provide informed consent, may be obtained from a person authorized to consent on behalf of such a patient.

Such declaration shall be effective for up to six months from the date of the declaration.

(b)(i) Informed consent for health care on behalf of a patient who is incapacitated, as defined in RCW 11.88.010(1)(e), because he or she is under the age of majority and who is not otherwise authorized to provide informed consent may be obtained from a school nurse, school counselor, or homeless student liaison when:

(A) Consent is necessary for nonemergency, outpatient, primary care services, including physical examinations, vision examinations and eyeglasses, dental examinations, hearing examinations and hearing aids, immunizations, treatments for illnesses and conditions, and routine follow-up care customarily provided by a health care provider in an outpatient setting, excluding elective surgeries;

(iii) Upon request by a health care facility or a health care provider, a person authorized to consent to care under this subsection (2)(b) must provide to the person rendering care a declaration signed and dated under penalty of perjury pursuant to ~~((RCW 9A.72.085))~~ chapter 5.50 RCW stating that the person is a school nurse, school counselor, or homeless student liaison and that the minor patient meets the elements under (b)(i) of this subsection. The declaration must also include written notice of the exemption from liability under (b)(ii) of this subsection.

(c) A health care provider may, but is not required to, rely on the representations or declaration of a person claiming to be a relative responsible for the care of the minor patient, under (a)(v) of this subsection, or a person claiming to be authorized to consent to the health care of the minor patient under (b) of this subsection, if the health care provider does not have actual notice of the falsity of any of the statements made by the person claiming to be a relative responsible for the health care of the minor patient, or person

claiming to be authorized to consent to the health care of the minor patient.

However, there is no obligation to require such documentation.

(e) The health care provider or health care facility where services are rendered shall be immune from suit in any action, civil or criminal, or from professional or other disciplinary action when such reliance is based on a declaration signed under penalty of perjury pursuant to ~~((RCW 9A.72.085))~~ chapter 5.50 RCW stating that the adult person is a relative responsible for the health care of the minor patient under (a)(v) of this subsection, or a person claiming to be authorized to consent to the health care of the minor patient under (b) of this subsection.

(3) For the purposes of this section, "health care," "health care provider," and "health care facility" shall be defined as established in RCW 70.02.010.

- (d) Not be disqualified from bidding on any public works contract under RCW 39.06.010 or 39.12.065(3);
- (e) If bidding on a public works project subject to the apprenticeship utilization requirements in RCW 39.04.320, not have been found out of compliance by the Washington state apprenticeship and training council for working apprentices out of ratio, without appropriate supervision, or outside their approved work processes as outlined in their standards of apprenticeship under chapter 49.04 RCW for the one-year period immediately preceding the date of the bid solicitation;
- (f) Have received training on the requirements related to public works and prevailing wage under this chapter and chapter 39.12 RCW. The bidder must designate a person or persons to be trained on these requirements. The

training must be provided by the department of labor and industries or by a training provider whose curriculum is approved by the department. The department, in consultation with the prevailing wage advisory committee, must determine the length of the training. Bidders that have completed three or more public works projects and have had a valid business license in Washington for three or more years are exempt from this subsection. The department of labor and industries must keep records of entities that have satisfied the training requirement or are exempt and make the records available on its web site. Responsible parties may rely on the records made available by the department regarding satisfaction of the training requirement or exemption; and

(g) Within the three-year period immediately preceding the date of the bid solicitation, not have been determined by a final and binding citation and notice of assessment issued by the department of labor and industries or through a civil judgment entered by a court of limited or general jurisdiction to have willfully violated, as defined in RCW 49.48.082, any provision of chapter 49.46, 49.48, or 49.52 RCW.

(2) Before award of a public works contract, a bidder shall submit to the contracting agency a signed statement in accordance with (~~RCW 9A.72.085~~) chapter 5.50 RCW verifying under penalty of perjury that the bidder is in compliance with the responsible bidder criteria requirement of subsection (1)(g) of this section. A contracting agency may award a contract in reasonable reliance upon such a sworn statement.

(3) In addition to the bidder responsibility criteria in subsection (1) of this section, the state or municipality may adopt relevant supplemental criteria for determining bidder responsibility applicable to a particular project which the bidder must meet.

(a) Supplemental criteria for determining bidder responsibility, including the basis for evaluation and the deadline for appealing a determination that a bidder is not responsible, must be provided in the invitation to bid or bidding documents.

(b) In a timely manner before the bid submittal deadline, a potential bidder may request that the state or municipality modify the supplemental criteria. The state or municipality must evaluate the information submitted by the potential bidder and respond before the bid submittal deadline. If the evaluation results in a change of the criteria, the state or municipality must issue an addendum to the bidding documents identifying the new criteria.

(c) If the bidder fails to supply information requested concerning responsibility within the time and manner specified in the bid documents, the state or municipality may base its determination of responsibility upon any available information related to the supplemental criteria or may find the bidder not responsible.

(d) If the state or municipality determines a bidder to be not responsible, the state or municipality must provide, in writing, the reasons for the determination. The bidder may appeal the determination within the time period specified in the bidding documents by presenting additional information to the state or municipality. The state or municipality must consider the additional information before issuing its final determination. If the final determination affirms that the

bidder is not responsible, the state or municipality may not execute a contract with any other bidder until two business days after the bidder determined to be not responsible has received the final determination.

(4) The capital projects advisory review board created in RCW 39.10.220 shall develop suggested guidelines to assist the state and municipalities in developing supplemental bidder responsibility criteria. The guidelines must be posted on the board's web site.

Sec. 17. RCW 39.26.160 and 2017 c 258 s 3 are each amended to read as follows:

(1)(a) After bids that are submitted in response to a competitive solicitation process are reviewed by the awarding agency, the awarding agency may:

(i) Reject all bids and rebid or cancel the competitive solicitation;

(ii) Request best and final offers from responsive and responsible bidders; or

(iii) Award the purchase or contract to the lowest responsive and responsible bidder.

(b) The agency may award one or more contracts from a competitive solicitation.

(2) In determining whether the bidder is a responsible bidder, the agency must consider the following elements:

(a) The ability, capacity, and skill of the bidder to perform the contract or provide the service required;

(b) The character, integrity, reputation, judgment, experience, and efficiency of the bidder;

(c) Whether the bidder can perform the contract within the time specified;

(d) The quality of performance of previous contracts or services;

(e) The previous and existing compliance by the bidder with laws relating to the contract or services;

(f) Whether, within the three-year period immediately preceding the date of the bid solicitation, the bidder has been determined by a final and binding citation and notice of assessment issued by the department of labor and industries or through a civil judgment entered by a court of limited or general jurisdiction to have willfully violated, as defined in RCW 49.48.082, any provision of chapter 49.46, 49.48, or 49.52 RCW; and

(g) Such other information as may be secured having a bearing on the decision to award the contract.

(3) In determining the lowest responsive and responsible bidder, an agency may consider best value criteria, including but not limited to:

(b) Whether the bid encourages diverse contractor participation;

(c) Whether the bid provides competitive pricing, economies, and efficiencies;

(d) Whether the bid considers human health and environmental impacts;

(e) Whether the bid appropriately weighs cost and noncost considerations; and

(f) Life-cycle cost.

(4) The solicitation document must clearly set forth the requirements and criteria that the agency will apply in evaluating bid submissions. Before award of a contract, a bidder shall submit to the contracting agency a signed statement in accordance with ((RCW 9A.72.085)) chapter 5.50 RCW verifying under penalty of perjury that the bidder is in compliance with the responsible bidder criteria requirement of subsection (2)(f) of this section. A contracting agency may award a contract in reasonable reliance upon such a sworn statement.

(5) The awarding agency may at its discretion reject the bid of any contractor who has failed to perform satisfactorily on a previous contract with the state.

(6) After reviewing all bid submissions, an agency may enter into negotiations with the lowest responsive and responsible bidder in order to determine if the bid may be improved. An agency may not use this negotiation opportunity to permit a bidder to change a nonresponsive bid into a responsive bid.

(7) The procuring agency must enter into the state's enterprise vendor registration and bid notification system the name of each bidder and an indication as to the successful bidder.

Sec. 21. RCW 46.16A.435 and 2011 c 121 s 3 are each amended to read as follows:

(1) The department shall establish a declaration subject to the requirements of ~~((RCW 9A.72.085))~~ chapter 5.50 RCW, which must be submitted by an off-road motorcycle owner when applying for on-road registration of the off-road motorcycle. In order to be registered for on-road use, an off-road motorcycle must travel on two wheels with a seat designed to be straddled by the operator and with handlebar-type steering control.

(4) The department must track off-road motorcycles in a separate registration category for reporting purposes.

Sec. 22. RCW 46.20.308 and 2016 c 203 s 15 are each amended to read as follows:

(1) Any person who operates a motor vehicle within this state is deemed to have given consent, subject to the provisions of RCW 46.61.506, to a test or tests of his or her

breath for the purpose of determining the alcohol concentration in his or her breath if arrested for any offense where, at the time of the arrest, the arresting officer has reasonable grounds to believe the person had been driving or was in actual physical control of a motor vehicle while under the influence of intoxicating liquor or any drug or was in violation of RCW 46.61.503.

(2) The test or tests of breath shall be administered at the direction of a law enforcement officer having reasonable grounds to believe the person to have been driving or in actual physical control of a motor vehicle within this state while under the influence of intoxicating liquor or any drug or the person to have been driving or in actual physical control of a motor vehicle while having alcohol in a concentration in violation of RCW 46.61.503 in his or her system and being under the age of twenty-one. Prior to administering a breath test pursuant to this section, the officer shall inform the person of his or her right under this section to refuse the breath test, and of his or her right to have additional tests administered by any qualified person of his or her choosing as provided in RCW 46.61.506. The officer shall warn the driver, in substantially the following language, that:

(a) If the driver refuses to take the test, the driver's license, permit, or privilege to drive will be revoked or denied for at least one year; and

(b) If the driver refuses to take the test, the driver's refusal to take the test may be used in a criminal trial; and

(c) If the driver submits to the test and the test is administered, the driver's license, permit, or privilege to drive will be suspended, revoked, or denied for at least ninety days if:

(i) The driver is age twenty-one or over and the test indicates either that the alcohol concentration of the driver's breath is 0.08 or more; or

(ii) The driver is under age twenty-one and the test indicates either that the alcohol concentration of the driver's breath is 0.02 or more; or

(iii) The driver is under age twenty-one and the driver is in violation of RCW 46.61.502 or 46.61.504; and

(d) If the driver's license, permit, or privilege to drive is suspended, revoked, or denied the driver may be eligible to immediately apply for an ignition interlock driver's license.

(3) If, following his or her arrest and receipt of warnings under subsection (2) of this section, the person arrested exercises the right, granted herein, by refusing upon the request of a law enforcement officer to submit to a test or tests of his or her breath, no test shall be given except as otherwise authorized by law.

(4) Nothing in subsection (1), (2), or (3) of this section precludes a law enforcement officer from obtaining a person's blood to test for alcohol, marijuana, or any drug, pursuant to a search warrant, a valid waiver of the warrant requirement, when exigent circumstances exist, or under any other authority of law. Any blood drawn for the purpose of determining the person's alcohol, marijuana levels, or any drug, is drawn pursuant to this section when the officer has reasonable grounds to believe that the person is in physical control or driving a vehicle under the influence or in violation of RCW 46.61.503.

(5) If, after arrest and after any other applicable conditions and requirements of this section have been satisfied, a test or tests of the person's blood or breath is administered and the test results indicate that the alcohol concentration of the person's breath or blood is 0.08 or more, or the THC concentration of the person's blood is 5.00 or more, if the person is age twenty-one or over, or that the alcohol concentration of the person's breath or blood is 0.02 or more, or the THC concentration of the person's blood is above 0.00, if the person is under the age of twenty-one, or the person refuses to submit to a test, the arresting officer or other law enforcement officer at whose direction any test has been given, or the department, where applicable, if the arrest results in a test of the person's blood, shall:

(a) Serve notice in writing on the person on behalf of the department of its intention to suspend, revoke, or deny the person's license, permit, or privilege to drive as required by subsection (6) of this section;

(b) Serve notice in writing on the person on behalf of the department of his or her right to a hearing, specifying the steps he or she must take to obtain a hearing as provided by subsection (7) of this section;

(c) Serve notice in writing that the license or permit, if any, is a temporary license that is valid for thirty days from the date of arrest or from the date notice has been given in the event notice is given by the department following a blood test, or until the suspension, revocation, or denial of the person's license, permit, or privilege to drive is sustained at a hearing pursuant to subsection (7) of this section, whichever occurs first. No temporary license is valid to any greater degree than the license or permit that it replaces; and

(d) Immediately notify the department of the arrest and transmit to the department within seventy-two hours, except as delayed as the result of a blood test, a sworn report or report under a declaration authorized by ((RCW 9A.72.085)) chapter 5.50 RCW that states:

(i) That the officer had reasonable grounds to believe the arrested person had been driving or was in actual physical control of a motor vehicle within this state while under the influence of intoxicating liquor or drugs, or both, or was under the age of twenty-one years and had been driving or was in actual physical control of a motor vehicle while having an alcohol or THC concentration in violation of RCW 46.61.503;

(ii) That after receipt of any applicable warnings required by subsection (2) of this section the person refused to submit to a test of his or her breath, or a test was administered and the results indicated that the alcohol concentration of the person's breath or blood was 0.08 or more, or the THC concentration of the person's blood was 5.00 or more, if the person is age twenty-one or over, or that the alcohol concentration of the person's breath or blood was 0.02 or more, or the THC concentration of the person's blood was above 0.00, if the person is under the age of twenty-one; and

(iii) Any other information that the director may require by rule.

(6) The department of licensing, upon the receipt of a sworn report or report under a declaration authorized by ((RCW 9A.72.085)) chapter 5.50 RCW under subsection (5)(d) of this section, shall suspend, revoke, or deny the person's license, permit, or privilege to drive or any

nonresident operating privilege, as provided in RCW 46.20.3101, such suspension, revocation, or denial to be effective beginning thirty days from the date of arrest or from the date notice has been given in the event notice is given by the department following a blood test, or when sustained at a hearing pursuant to subsection (7) of this section, whichever occurs first.

(7) A person receiving notification under subsection (5)(b) of this section may, within seven days after the notice has been given, request in writing a formal hearing before the department. The person shall pay a fee of three hundred seventy-five dollars as part of the request. If the request is mailed, it must be postmarked within seven days after receipt of the notification. Upon timely receipt of such a request for a formal hearing, including receipt of the required three hundred seventy-five dollar fee, the department shall afford the person an opportunity for a hearing. The department may waive the required three hundred seventy-five dollar fee if the person is an indigent as defined in RCW 10.101.010. Except as otherwise provided in this section, the hearing is subject to and shall be scheduled and conducted in accordance with RCW 46.20.329 and 46.20.332. The hearing shall be conducted in the county of the arrest, except that all or part of the hearing may, at the discretion of the department, be conducted by telephone or other electronic means. The hearing shall be held within thirty days, excluding Saturdays, Sundays, and legal holidays, following the date of timely receipt of such request for a formal hearing before the department or thirty days, excluding Saturdays, Sundays, and legal holidays following the date notice has been given in the event notice is given by the department following a blood test, unless otherwise agreed to by the department and the person, in which case the action by the department shall be stayed, and any valid temporary license under subsection (5) of this section extended, if the person is otherwise eligible for licensing. Unless otherwise agreed to by the department and the person, the department must give five days notice of the hearing to the person. For the purposes of this section, the scope of the hearing shall cover the issues of whether a law enforcement officer had reasonable grounds to believe the person had been driving or was in actual physical control of a motor vehicle within this state while under the influence of intoxicating liquor or any drug or had been driving or was in actual physical control of a motor vehicle within this state while having alcohol in his or her system in a concentration of 0.02 or more, or THC in his or her system in a concentration above 0.00, if the person was under the age of twenty-one, whether the person was placed under arrest, and (a) whether the person refused to submit to the test or tests upon request of the officer after having been informed that such refusal would result in the revocation of the person's license, permit, or privilege to drive, or (b) if a test or tests were administered, whether the applicable requirements of this section were satisfied before the administration of the test or tests, whether the person submitted to the test or tests, or whether a test was administered pursuant to a search warrant, a valid waiver of the warrant requirement, when exigent circumstances exist, or under any other authority of law as permitted under this section, and whether the test or tests indicated that the alcohol concentration of the person's breath or blood was 0.08 or more, or the THC concentration of the person's blood

was 5.00 or more, if the person was age twenty-one or over at the time of the arrest, or that the alcohol concentration of the person's breath or blood was 0.02 or more, or the THC concentration of the person's blood was above 0.00, if the person was under the age of twenty-one at the time of the arrest. Where a person is found to be in actual physical control of a motor vehicle while under the influence of intoxicating liquor or any drug or was under the age of twenty-one at the time of the arrest and was in physical control of a motor vehicle while having alcohol in his or her system in a concentration of 0.02 or THC concentration above 0.00, the person may petition the hearing officer to apply the affirmative defense found in RCW 46.61.504(3) and 46.61.503(2). The driver has the burden to prove the affirmative defense by a preponderance of the evidence. The sworn report or report under a declaration authorized by ((RCW 9A.72.085)) chapter 5.50 RCW submitted by a law enforcement officer is prima facie evidence that the officer had reasonable grounds to believe the person had been driving or was in actual physical control of a motor vehicle within this state while under the influence of intoxicating liquor or drugs, or both, or the person had been driving or was in actual physical control of a motor vehicle within this state while having alcohol in his or her system in a concentration of 0.02 or more, or THC in his or her system in a concentration above 0.00, and was under the age of twenty-one and that the officer complied with the requirements of this section.

A hearing officer shall conduct the hearing, may issue subpoenas for the attendance of witnesses and the production of documents, and shall administer oaths to witnesses. The hearing officer shall not issue a subpoena for the attendance of a witness at the request of the person unless the request is accompanied by the fee required by RCW 5.56.010 for a witness in district court. The sworn report or report under a declaration authorized by ((RCW 9A.72.085)) chapter 5.50 RCW of the law enforcement officer and any other evidence accompanying the report shall be admissible without further evidentiary foundation and the certifications authorized by the criminal rules for courts of limited jurisdiction shall be admissible without further evidentiary foundation. The person may be represented by counsel, may question witnesses, may present evidence, and may testify. The department shall order that the suspension, revocation, or denial either be rescinded or sustained.

(8) If the suspension, revocation, or denial is sustained after such a hearing, the person whose license, privilege, or permit is suspended, revoked, or denied has the right to file a petition in the superior court of the county of arrest to review the final order of revocation by the department in the same manner as an appeal from a decision of a court of limited jurisdiction. Notice of appeal must be filed within thirty days after the date the final order is served or the right to appeal is waived. Notwithstanding RCW 46.20.334, RALJ 1.1, or other statutes or rules referencing de novo review, the appeal shall be limited to a review of the record of the administrative hearing. The appellant must pay the costs associated with obtaining the record of the hearing before the hearing officer. The filing of the appeal does not stay the effective date of the suspension, revocation, or denial. A petition filed under this subsection must include the petitioner's grounds for requesting review. Upon

granting petitioner's request for review, the court shall review the department's final order of suspension, revocation, or denial as expeditiously as possible. The review must be limited to a determination of whether the department has committed any errors of law. The superior court shall accept those factual determinations supported by substantial evidence in the record: (a) That were expressly made by the department; or (b) that may reasonably be inferred from the final order of the department. The superior court may reverse, affirm, or modify the decision of the department or remand the case back to the department for further proceedings. The decision of the superior court must be in writing and filed in the clerk's office with the other papers in the case. The court shall state the reasons for the decision. If judicial relief is sought for a stay or other temporary remedy from the department's action, the court shall not grant such relief unless the court finds that the appellant is likely to prevail in the appeal and that without a stay the appellant will suffer irreparable injury. If the court stays the suspension, revocation, or denial it may impose conditions on such stay.

(9)(a) If a person whose driver's license, permit, or privilege to drive has been or will be suspended, revoked, or denied under subsection (6) of this section, other than as a result of a breath test refusal, and who has not committed an offense for which he or she was granted a deferred prosecution under chapter 10.05 RCW, petitions a court for a deferred prosecution on criminal charges arising out of the arrest for which action has been or will be taken under subsection (6) of this section, or notifies the department of licensing of the intent to seek such a deferred prosecution, then the license suspension or revocation shall be stayed pending entry of the deferred prosecution. The stay shall not be longer than one hundred fifty days after the date charges are filed, or two years after the date of the arrest, whichever time period is shorter. If the court stays the suspension, revocation, or denial, it may impose conditions on such stay. If the person is otherwise eligible for licensing, the department shall issue a temporary license, or extend any valid temporary license under subsection (5) of this section, for the period of the stay. If a deferred prosecution treatment plan is not recommended in the report made under RCW 10.05.050, or if treatment is rejected by the court, or if the person declines to accept an offered treatment plan, or if the person violates any condition imposed by the court, then the court shall immediately direct the department to cancel the stay and any temporary license or extension of a temporary license issued under this subsection.

(b) A suspension, revocation, or denial imposed under this section, other than as a result of a breath test refusal, shall be stayed if the person is accepted for deferred prosecution as provided in chapter 10.05 RCW for the incident upon which the suspension, revocation, or denial is based. If the deferred prosecution is terminated, the stay shall be lifted and the suspension, revocation, or denial reinstated. If the deferred prosecution is completed, the stay shall be lifted and the suspension, revocation, or denial canceled.

(c) The provisions of (b) of this subsection relating to a stay of a suspension, revocation, or denial and the cancellation of any suspension, revocation, or denial do not apply to the suspension, revocation, denial, or

disqualification of a person's commercial driver's license or privilege to operate a commercial motor vehicle.

(10) When it has been finally determined under the procedures of this section that a nonresident's privilege to operate a motor vehicle in this state has been suspended, revoked, or denied, the department shall give information in writing of the action taken to the motor vehicle administrator of the state of the person's residence and of any state in which he or she has a license.

Sec. 23. RCW 46.20.720 and 2017 c 336 s 5 are each amended to read as follows:

(1) **Ignition interlock restriction.** The department shall require that a person may drive only a motor vehicle equipped with a functioning ignition interlock device:

(a) **Pretrial release.** Upon receipt of notice from a court that an ignition interlock device restriction has been imposed under RCW 10.21.055;

(b) **Ignition interlock driver's license.** As required for issuance of an ignition interlock driver's license under RCW 46.20.385;

(c) **Deferred prosecution.** Upon receipt of notice from a court that the person is participating in a deferred prosecution program under RCW 10.05.020 for a violation of:

(i) RCW 46.61.502 or 46.61.504 or an equivalent local ordinance; or

(ii) RCW 46.61.5249 or 46.61.500 or an equivalent local ordinance if the person would be required under RCW 46.61.5249(4) or 46.61.500(3) (a) or (b) to install an ignition interlock device on all vehicles operated by the person in the event of a conviction;

(d) **Post conviction.** After any applicable period of suspension, revocation, or denial of driving privileges:

(i) Due to a conviction of a violation of RCW 46.61.502 or 46.61.504 or an equivalent local or out-of-state statute or ordinance; or

(ii) Due to a conviction of a violation of RCW 46.61.5249 or 46.61.500 or an equivalent local ordinance if the person is required under RCW 46.61.5249(4) or 46.61.500(3) (a) or (b) to install an ignition interlock device on all vehicles operated by the person; or

(e) **Court order.** Upon receipt of an order by a court having jurisdiction that a person charged or convicted of any offense involving the use, consumption, or possession of alcohol while operating a motor vehicle may drive only a motor vehicle equipped with a functioning ignition interlock. The court shall establish a specific calibration setting at which the ignition interlock will prevent the vehicle from being started. The court shall also establish the period of time for which ignition interlock use will be required.

(2) **Calibration.** Unless otherwise specified by the court for a restriction imposed under subsection (1)(e) of this section, the ignition interlock device shall be calibrated to prevent the motor vehicle from being started when the breath sample provided has an alcohol concentration of 0.025 or more.

(3) **Duration of restriction.** A restriction imposed under:

(a) Subsection (1)(a) of this section shall remain in effect until:

(i) The court has authorized the removal of the device under RCW 10.21.055; or

(ii) The department has imposed a restriction under subsection (1)(b), (c), or (d) of this section arising out of the same incident.

(b) Subsection (1)(b) of this section remains in effect during the validity of any ignition interlock driver's license that has been issued to the person.

(c) Subsection (1)(c)(i) or (d)(i) of this section shall be for no less than:

(i) For a person who has not previously been restricted under this subsection, a period of one year;

(ii) For a person who has previously been restricted under (c)(i) of this subsection, a period of five years;

(iii) For a person who has previously been restricted under (c)(ii) of this subsection, a period of ten years.

The restriction of a person who is convicted of a violation of RCW 46.61.502 or 46.61.504 or an equivalent local ordinance and who committed the offense while a passenger under the age of sixteen was in the vehicle shall be extended for an additional six-month period as required by RCW 46.61.5055(6)(a).

(d) Subsection (1)(c)(ii) or (d)(ii) of this section shall be for a period of no less than six months.

(e) Subsection (1)(e) of this section shall remain in effect for the period of time specified by the court.

The period of restriction under (c) and (d) of this subsection based on incidents occurring on or after June 9, 2016, must be tolled for any period in which the person does not have an ignition interlock device installed on a vehicle owned or operated by the person unless the person receives a determination from the department that the person is unable to operate an ignition interlock device due to a physical disability. The department's determination that a person is unable to operate an ignition interlock device must be reasonable and be based upon good and substantial evidence. This determination is subject to review by a court of competent jurisdiction. The department may charge a person seeking a medical exemption under this subsection a reasonable fee for the assessment.

(4) Requirements for removal. A restriction imposed under subsection (1)(c) or (d) of this section shall remain in effect until the department receives a declaration from the person's ignition interlock device vendor, in a form provided or approved by the department, certifying that there have been none of the following incidents in the one hundred eighty consecutive days prior to the date of release:

(a) Any attempt to start the vehicle with a breath alcohol concentration of 0.04 or more unless a subsequent test performed within ten minutes registers a breath alcohol concentration lower than 0.04 and the digital image confirms the same person provided both samples;

(b) Failure to take any random test unless a review of the digital image confirms that the vehicle was not occupied by the driver at the time of the missed test;

(c) Failure to pass any random retest with a breath alcohol concentration of 0.025 or lower unless a subsequent test performed within ten minutes registers a breath alcohol concentration lower than 0.025, and the digital image confirms the same person provided both samples; or

(d) Failure of the person to appear at the ignition interlock device vendor when required for maintenance, repair, calibration, monitoring, inspection, or replacement of the device.

(5) Day-for-day credit. (a) The time period during which a person has an ignition interlock device installed in order to meet the requirements of subsection (1)(b) of this section shall apply on a day-for-day basis toward satisfying the period of time the ignition interlock device restriction is imposed under subsection (1)(c) or (d) of this section arising out of the same incident.

(b) The department must also give the person a day-for-day credit for any time period, beginning from the date of the incident, during which the person kept an ignition interlock device installed on all vehicles the person operates, other than those subject to the employer exemption under subsection (6) of this section.

(c) If the day-for-day credit granted under this subsection equals or exceeds the period of time the ignition interlock device restriction is imposed under subsection (1)(c) or (d) of this section arising out of the same incident, and the person has already met the requirements for removal of the device under subsection (4) of this section, the department may waive the requirement that a device be installed or that the person again meet the requirements for removal.

(6) Employer exemption. (a) Except as provided in (b) of this subsection, the installation of an ignition interlock device is not necessary on vehicles owned, leased, or rented by a person's employer and on those vehicles whose care and/or maintenance is the temporary responsibility of the employer, and driven at the direction of a person's employer as a requirement of employment during working hours. The person must provide the department with a declaration pursuant to ((RCW 9A.72.085)) chapter 5.50 RCW from his or her employer stating that the person's employment requires the person to operate a vehicle owned by the employer or other persons during working hours.

(b) The employer exemption does not apply when the employer's vehicle is assigned exclusively to the restricted driver and used solely for commuting to and from employment.

(7) Ignition interlock device revolving account. In addition to any other costs associated with the use of an ignition interlock device imposed on the person restricted under this section, the person shall pay an additional fee of twenty dollars per month. Payments must be made directly to the ignition interlock company. The company shall remit the additional fee to the department to be deposited into the ignition interlock device revolving account, except that the company may retain twenty-five cents per month of the additional fee to cover the expenses associated with administering the fee. The department may waive the monthly fee if the person is indigent under RCW 10.101.010.

(8) Foreign jurisdiction. For a person restricted under this section who is residing outside of the state of Washington, the department may accept verification of installation of an ignition interlock device by an ignition interlock company authorized to do business in the jurisdiction in which the person resides, provided the device meets any applicable requirements of that jurisdiction. The department may waive the monthly fee required by

subsection (7) of this section if collection of the fee would be impractical in the case of a person residing in another jurisdiction.
