(over)

5. Break for lunch with AWC Board (60 min) 12:00

6. Pedestrian and Bicycle Program and Safe Routes to School Program (30 min) 1:00
An overview of two local grant programs, and Connecting Washington projects currently underway

Kyle McKeon, Engineering Services Manager for Local Programs, WSDOT

7. How DOL’s BTM will help TBDs (30 min) 1:30

The computer system at the Department of Licensing has had challenges in the past dealing with local option motor vehicle fees charged by Transportation Benefit Districts. This work session will describe how DOL’s IT update known as the Business and Technology Modernization Initiative, or “BTM”, will address these collection issues.

Tony Sermonti, Policy and Legislative Director, Department of Licensing; Mara Tallman, IT Portfolio Manager, Department of Licensing

8. Adjourn 2:00

Please note: Topics, actions, and times are subject to change.

Next Meeting: July 21, Olympia
