Subject: Lack of PERS/TRS 1 COLA

CAUTION:External email.

Select Committee on Pension Policy,

I encourage you to move expeditiously to adopt a PERS/TRS 1 COLA. I will be contributing my input to those who are working to draft a bill for SPCP approval, but just wanted to tell you that I think that the lack of a COLA is unfair and that I think it should be fixed. It doesn't matter how many or few of us are out here living on our pensions. This should be corrected once and for all and be in effect for as long as we are eligible to collect a pension.

Thank you for your work.
