Thank you, SPCP Committee Chair and Members, for your consideration and actions taken during your October meeting regarding the TRS 1 & PERS 1 COLA. As a member of TRS 1 I look forward to seeing which option you choose to move forward and, hopefully, continue to support during the legislative session.

As you may have noticed in my previous correspondence, I am one of those who apparently are the exception and never received the UCOLA nor any gain sharing even though my retirement was six years prior to often-used 2011. Obviously Option A would be preferable.

Again, thank you for your actions taken in support of the oldest retirees in TRS and PERS.
