Subject: PLAN 1 COLA

CAUTION:External email.

Committee members of the SCPP:

Please recommend a Plan 1 COLA that will assist retired members suffering from inflation and declining purchasing power. I retired in 2011 and my fixed expenses (utilities, insurance, taxes etc), not including variable expenses such as gas and groceries, has increased over 34%. This jeopardizes my financial security and lifestyle. After 35 years of public education service, I ask for the COLA enjoyed by other Washington State public employee pension plans.

Respectfully,

Phyllis Farrell
