Subject: Permanent COLA for Plan 1 Retirees

CAUTION: External email.

I am encouraging you to support a permanent COLA for Plan 1 retirees. I retired in 2000 and received one full COLA before the legislature rescinded it in 2010. Since then only token increases have been approved by the state legislature but no where near increases in the cost of living. At one time I had two vehicles but had to sell one due to the increasing expenses of insurance, maintenance, fuel, etc.

Thank you,
Dean Treichel
