Subject: COLA for TRS Plan 1

CAUTION:External email.

I retired from elementary teaching in 2007 through Plan 1 of Washington Sate TRS. With inflation over the years, I have struggled financially without COLA help. The stress of wondering every year if the State Legislature will give a temporary COLA also has been frustrating. For the sake of us older teacher retirees who dedicated so many years to educating Washington's youth, I encourage the passage of a permanent COLA for TRS 1 and other plan 1 retirees. Thank you for considering this request.
