I want to thank you for the work you have done on getting a 3 percent increase for those of us in the above Plans. I worked 13 years in PERS went back to college for a teaching certificate and worked 23 years as a teacher (TRS). I also earned a masters degree during my continued education. I was given 30 years credit through a portability plan. My salary was divided between the two plans. Due to my advanced age, I have had to move to Lacey to be near my family. Retirement communities don't come cheap. I am finding my monthly salary does not cover all expenses. I would appreciate your consideration in helping us get a cost of living (now 7%)increase.

Any help you can give us will be greatly appreciated!
