Note: This table summarizes analysis presented to the SCPP—accessible from the [SCPP Recommendations](#) and [Meetings](#) pages—for more information. Please see the actuarial fiscal notes when available for the data, assumptions, and methods used to prepare the analysis, and, where applicable, a demonstration of how the results change when different assumptions are used. Totals may not agree due to rounding.

**The cost of this benefit improvement will be funded through a supplemental contribution rate collected over a 10-year period.*

***The cost of this proposal is indeterminate, but we were able to provide a possible range for the 25-year costs. This actuarial fiscal note was prepared for the 2020 Legislative Session and will be updated.*
