The bill was read the second time.

Mr. Flanagan moved adoption of the following amendment:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Section 1. FINDING AND DECLARATION OF NECESSITY. The legislature hereby finds and declares that this state urgently needs to do the following: Promote higher employment; encourage the development of new jobs; maintain and supplement the capital investments in industry that currently exist in this state; encourage future employment by ensuring future capital investment; attract environmentally sound industry to the state; protect and enhance the quality of natural resources and the environment; and promote the production and conservation of energy.

NEW SECTION. Sec. 3. PUBLIC CORPORATIONS—CREATION, DISSOLUTION. (1) For the purpose of facilitating economic development and employment opportunities in the state of Washington through the financing of the project costs of industrial development facilities, a municipality may enact an ordinance creating a public corporation for the purposes authorized in this chapter. The ordinance creating the public corporation shall approve a charter for the public corporation containing such provisions as are authorized by and not in conflict with this chapter. Any charter issued under this chapter shall contain in substance the limitations set forth in section 6 of this act. In any suit, action, or proceeding involving the validity or enforcement of or relating to any contract of the public corporation, the public corporation is conclusively presumed to be established and authorized to transact business and exercise its powers under this chapter upon proof of the adoption of the ordinance creating the public corporation by the governing body. A copy of the ordinance duly certified by the clerk of the governing body of the municipality shall be admissible in evidence in any suit, action, or proceeding.

(2) A public corporation created by a municipality pursuant to this chapter may be dissolved by the municipality if the public corporation: (a) Has no property to administer, other than funds or property, if any, to be paid or transferred to the municipality by which it was established; and (b) all its outstanding obligations have been satisfied. Such a dissolution shall be accomplished by the governing body of the municipality adopting an ordinance providing for the dissolution.

(3) The creating municipality may, at its discretion and at any time, alter or change the structure, organizational programs, or activities of a public corporation, including termination of the public corporation if contracts entered into by the public corporation are not impaired. Any net earnings of a public corporation, beyond those necessary for retirement of indebtedness incurred by it, shall not inure to the benefit of any person other than the creating municipality. Upon dissolution of a public corporation, title to all property owned by the public corporation shall vest in the municipality.

NEW SECTION. Sec. 4. BOARD OF DIRECTORS OF PUBLIC CORPORATION. The ordinance creating a public corporation shall include provisions establishing a board of directors to govern the affairs of the public corporation, what constitutes a quorum of the board of directors, and how the public corporation shall conduct its affairs.

NEW SECTION. Sec. 5. PUBLIC CORPORATIONS—DIRECTORS. It shall be illegal for a director, officer, agent, or employee of a public corporation to have, directly or indirectly, any financial interest in any property to be included in or any contract for property, services, or materials to be furnished or used in connection with any industrial development facility financed through the public corporation. Violation of any provision of this section is a gross misdemeanor.

NEW SECTION. Sec. 6. PUBLIC CORPORATIONS—LIMITATIONS. No municipality may give or lend any money or property in aid of a public corporation. The municipality that creates a public corporation shall annually review any financial statements of the public corporation and at all times shall have access to the books and records of the public corporation. No public corporation may issue revenue obligations under this chapter except upon the approval of both the municipality under the auspices of which it was created and the county, city, or town within whose planning jurisdiction the proposed industrial development facility lies. No revenue bonds may be issued pursuant to this chapter unless the board of directors of the public corporation proposing to issue revenue bonds makes a finding that in its opinion the interest paid on the bonds will be exempt from income taxation by the federal government. Revenue bonds issued by a public corporation under this chapter shall not be considered to constitute a debt of the state, of the municipality, or of any other municipal corporation, quasi municipal corporation, subdivision, or agency of this state or to pledge any or all of the faith and credit of any of these entities. The revenue bonds shall be payable solely from both the revenues derived as a result of the industrial development facilities funded by the revenue bonds, including, without limitation, amounts received under the terms of any financing document or by reason of any additional security furnished by the user of the industrial development facility in connection with the financing thereof, and money and other property received from private sources. Each revenue bond shall contain on its face statements to the effect that: (1) Neither the state, the municipality, or any other municipal corporation, quasi municipal corporation, subdivision, or agency of the state is obligated to pay the principal or the interest thereon; (2) no tax funds or governmental revenue may be used to pay the principal or interest thereon; and (3) neither any or all of the faith and credit nor the taxing power of the state, the municipality, or any other municipal corporation, quasi municipal corporation, subdivision, or agency thereof is pledged to the payment of the principal or the interest on the revenue bond. A public corporation may incur only those financial obligations which will be paid from revenues received pursuant to financing documents, from fees or charges paid by users or prospective users of the industrial development facilities funded by the revenue bonds, or from the proceeds of revenue bonds. A public corporation established under the terms of this chapter constitutes an authority and an instrumentality (within the meaning of those terms in the regulations of the United States treasury and the rulings of the Internal Revenue Service

prescribed pursuant to section 103 of the Internal Revenue Code of 1954, as amended) and may act on behalf of the municipality under whose auspices it is created for the specific public purposes authorized by this chapter. The public corporation is not a municipal corporation within the meaning of the state Constitution and the laws of the state, or a political subdivision within the meaning of the state Constitution and the laws of the state, including without limitation, Article VIII, section 7, of the Washington state Constitution. A municipality shall not delegate to a public corporation any of the municipality's attributes of sovereignty, including, without limitation, the power to tax, the power of eminent domain, and the police power.

NEW SECTION. Sec. 7. PUBLIC CORPORATIONS—AUDIT BY STATE. The finances of any public corporation are subject to examination by the state auditor's office pursuant to RCW 43.09.260.

NEW SECTION. Sec. 8. PUBLIC CORPORATIONS—POWERS. (1) A public corporation created under this chapter has the following powers with respect to industrial development facilities together with all powers incidental thereto or necessary for the performance thereof:

- (a) To construct and maintain one or more industrial development facilities;
 - (b) To lease to a lessee all or any part of any industrial development facility for such rentals and upon such terms and conditions, including options to purchase, as its board of directors considers advisable and not in conflict with this chapter;
 - (c) To sell by installment contract or otherwise and convey all or any part of any industrial development facility for such purchase price and upon such terms and conditions as its board of directors considers advisable which are not in conflict with this chapter;
 - (d) To make secured loans for the purpose of providing temporary or permanent financing or refinancing of all or part of the project cost of any industrial development facility, including the refunding of any outstanding obligations, mortgages, or advances issued, made, or given by any person for the project costs; and to charge and collect interest on the loans for the loan payments upon such terms and conditions as its board of directors considers advisable which are not in conflict with this chapter;
 - (e) To issue revenue bonds for the purpose of financing all or part of the project cost of any industrial development facility and to secure the payment of the revenue bonds as provided in this chapter;
 - (f) As security for the payment of the principal of and interest on any revenue bonds issued and any agreements made in connection therewith, to mortgage, pledge, or otherwise encumber any or all of its industrial development facilities or any part or parts thereof, whether then owned or thereafter acquired, and to assign any mortgage and repledge any security conveyed to the public corporation, to secure any loan made by the public corporation and to pledge the revenues and receipts therefrom;
 - (g) To sue and be sued, complain, and defend in its corporate name;
 - (h) To make contracts and to execute all instruments necessary or convenient for the carrying out of its business;
 - (i) To have a corporate seal and to use the same by causing it, or a facsimile thereof, to be impressed or affixed or in any other manner reproduced;
 - (j) Subject to the limitations of section 6 of this act, to borrow money, accept grants from, or contract with any local, state, or federal governmental agency or with any financial, public, or private corporation;
 - (k) To make and alter bylaws not inconsistent with its charter for the administration and regulation of the affairs of the corporation;
 - (l) To collect fees or charges from users or prospective users of industrial development facilities to recover actual or anticipated administrative costs;
 - (m) To execute financing documents incidental to the powers enumerated in this subsection.
- (2) No public corporation created under this chapter may operate any industrial development facility as a business other than as lessor, seller, or lender. The purchase and holding of mortgages, deeds of trust, or other security interests and contracting for any servicing thereof is not considered the operation of an industrial development facility.
- (3) No public corporation may exercise any of the powers authorized in this section or issue any revenue bonds with respect to any industrial development facility unless the industrial development facility is located wholly within the boundaries of the municipality under whose auspices the public corporation is created or unless the industrial development facility comprises energy facilities or solid waste disposal facilities which provide energy for or dispose of solid waste from the municipality or the residents thereof.

NEW SECTION. Sec. 9. REPORTING TO THE DEPARTMENT OF COMMERCE AND ECONOMIC DEVELOPMENT. (1) Prior to issuance of any revenue bonds, each public corporation shall submit a copy of its enabling ordinance and charter, a description of any industrial development facility proposed to be undertaken, and the basis for its qualification as an industrial development facility to the department of commerce and economic development.

(2) If the industrial development facility is not eligible under this chapter, the department of commerce and economic development shall give notice to the public corporation, in writing and by certified mail, within twelve working days of receipt of the description.

(3) The department of commerce and economic development shall report annually to the legislature and the governor on the amount of capital investment undertaken under this chapter and the amount of permanent employment reasonably related to the existence of such industrial development facilities.

(4) The department of commerce and economic development shall provide such advice and assistance to public corporations and municipalities which have created or may wish to create public corporations as the public corporations or municipalities request and the department of commerce and economic development considers appropriate.

NEW SECTION. Sec. 10. REVENUE BONDS—PROVISIONS. (1) The principal of and the interest on any revenue bonds issued by a public corporation shall be payable solely from the funds provided for this payment from the revenues of the industrial development facilities funded by the revenue bonds. Each issue of revenue bonds shall be dated, shall bear interest at such rate or rates, and shall mature at such time or times as may be determined by the board of directors, and may be made redeemable before maturity at such price or prices and under such terms and conditions as may be fixed by the board of directors prior to the issuance of the revenue bonds or other revenue obligations.

(2) The board of directors shall determine the form and the manner of execution of the revenue bonds, including any interest coupons to be attached thereto, and shall fix the denomination or denominations of the revenue bonds and the place or places of payment of principal and interest. If any officer whose signature or a facsimile of whose signature appears on any revenue bonds or coupons ceases to be an officer before the delivery of the revenue bonds, the signature shall for all purposes have the same effect as if he had remained in office until delivery. The revenue bonds may be issued in coupon or in registered form or both as the board of directors may determine, and provisions may be made for the registration of any coupon revenue bonds as to the principal alone and also as to both principal and interest and for the reconversion into coupon bonds of any bonds registered as to both principal and interest. A public corporation may sell revenue bonds at public or private sale for such price and bearing interest at such fixed or variable rate as may be determined by the board of directors.

(3) The proceeds of the revenue bonds of each issue shall be used solely for the payment of all or part of the project cost of or for the making of a loan in the amount of all or part of the project cost of the industrial development facility for which authorized and shall be disbursed in such manner and under such restrictions, if any, provided in the resolution authorizing the issuance of the revenue bonds or in the trust agreement securing the bonds. If the proceeds of the revenue bonds of any series issued with respect to the cost of any industrial development facility exceeds the cost of the industrial development facility for which issued, the surplus shall be deposited to the credit of the debt service fund for the revenue bonds or used to purchase revenue bonds in the open market.

(4) A public corporation may issue interim notes in the manner provided for the issuance of revenue bonds to fund industrial development facilities prior to issuing other revenue bonds to fund such facilities. A public corporation may issue revenue bonds to fund industrial development facilities that are exchangeable for other revenue bonds when these other revenue bonds are executed and available for delivery.

(5) The principal of and interest on any revenue bonds issued by a public corporation shall be secured by a pledge of unexpended bond proceeds and the revenues and receipts received by the public corporation from the industrial development facilities funded by the revenue bonds pursuant to financing documents. The resolution under which the revenue bonds are authorized to be issued and any financing document may contain agreements and provisions respecting the maintenance or use of the industrial development facility covered thereby, the fixing and collection of rents, purchase price payments or loan payments, the creation and maintenance of special funds from such revenues or from revenue bond proceeds, the rights and remedies available in the event of default, and other provisions relating to the security for the bonds, all as the board of directors consider advisable which are not in conflict with this chapter.

(6) The governing body of the municipality under whose auspices the public corporation is created shall approve by resolution any agreement to issue revenue bonds adopted by a public corporation, which agreement and resolution shall set out the amount and purpose of the revenue bonds. Additionally, no issue of revenue bonds, including refunding bonds, may be sold and delivered by a public corporation without a resolution of the governing body of the municipality under whose auspices the public corporation is created, adopted no more than sixty days before the date of sale of the revenue bonds specifically, approving the resolution of the public corporation providing for the issuance of the revenue bonds.

(7) All revenue bonds issued under this chapter and all interest coupons applicable thereto are negotiable instruments within the meaning of Article 8 of the Uniform Commercial Code, Title 62A RCW, regardless of form or character.

NEW SECTION. Sec. 11. REVENUE BONDS—REFUNDING. Each public corporation may provide by resolution for the issuance of revenue refunding bonds for the purpose of refunding any revenue bonds issued for an industrial development facility under this chapter, including the payment of any redemption premium thereon and any interest accrued or to accrue to the date of redemption or maturity of the revenue bonds and, if considered advisable by the public corporation, for the additional purpose of financing improvements, extensions, or enlargements to the industrial development facility for another industrial development facility. The issuance of the revenue bonds, the maturities and other details thereof, the rights of the holders thereof, and the rights, duties, and obligations of the public corporation in respect to the same shall be governed by this chapter insofar as applicable.

NEW SECTION. Sec. 12. TRUST AGREEMENTS. Any bonds issued under this chapter may be secured by a trust agreement between the public corporation and a corporate trustee, which may be any trust company or bank having the powers of a trust company within or without the state. The trust agreement may evidence a pledge or assignment of the financing documents and lease, sale, or loan revenues to be received from a lessee or purchaser of or borrower with respect to an industrial development facility for the payment of principal of and interest and any premium on the bonds as the same shall become due and payable and may provide for creation and maintenance of reserves for these purposes. A trust agreement or resolution providing for the issuance of the revenue bonds may contain such provisions for protecting and enforcing the rights and remedies of the bondholders as may be reasonable and proper and not in violation of

law, including covenants setting forth the duties in relation to the acquisition of property and the construction, improvement, maintenance, use, repair, operation, and insurance of the industrial development facility for which the bonds are authorized, and the custody, safeguarding, and application of all money. Any bank or trust company incorporated under the laws of the state which may act as depository of the proceeds of revenue bonds or of revenues may furnish such indemnifying bonds or pledge such securities as may be required by the corporation. A trust agreement may set forth the rights and remedies of the bondholders and of the trustee and may restrict the individual right of action by bondholders as is customary in trust agreements or trust indentures securing bonds and debentures of private corporations. In addition, a trust agreement may contain such provisions as the public corporation considers reasonable and proper for the security of the bondholders which are not in conflict with this chapter.

NEW SECTION. Sec. 13. COMMINGLING OF BOND PROCEEDS OR REVENUES WITH MUNICIPAL FUNDS PROHIBITED. No part of the proceeds received from the sale of any revenue bonds under this chapter, of any revenues derived from any industrial development facility acquired or held under this chapter, or of any interest realized, on moneys received under this chapter may be commingled by the public corporation with funds of the municipality creating the public corporation.

NEW SECTION. Sec. 14. SUBLEASES AND ASSIGNMENTS. A lessee or contracting party under a sale contract or loan agreement shall not be required to be the eventual user of an industrial development facility if any sublessee or assignee assumes all of the obligations of the lessee or contracting party under the lease, sale contract, or loan agreement, but the lessee or contracting party or their successors shall remain primarily liable for all of its obligations under the lease, sale contract, or loan agreement and the use of the industrial development facility shall be consistent with the purposes of this chapter.

NEW SECTION. Sec. 15. DETERMINATION OF RENT. Before entering into a lease, sale contract, or loan agreement with respect to any industrial development facility, the public corporation shall determine that there are sufficient revenues to pay (1) the principal of and the interest on the revenue bonds proposed to be issued to finance the industrial development facility; (2) the amount necessary to be paid each year into any reserve funds which the public corporation considers advisable to establish in connection with the retirement of the proposed bonds and the maintenance of the industrial development facility; and (3) unless the terms of the lease, sale contract, or loan agreement provide that the lessee or contracting party shall maintain the industrial development facility and carry all proper insurance with respect thereto, the estimated cost of maintaining the industrial development facility in good repair and keeping it properly insured.

NEW SECTION. Sec. 16. PROCEEDINGS IN THE EVENT OF DEFAULT. The proceedings authorizing any revenue bonds under this chapter or any financing document securing the revenue bonds may provide that if there is a default in the payment of the principal of or the interest on the bonds or in the performance of any agreement contained in the proceedings or financing document, the payment and performance may be enforced by mandamus or by the appointment of a receiver in equity with power to charge and collect rents, purchase price payments, and loan repayments, and to apply the revenues from the industrial development facility in accordance with the proceedings or provisions of the financing document. Any financing document entered into under this chapter to secure revenue bonds issued under this chapter may also provide that if there is a default in the payment thereof or a violation of any agreement contained in the financing document, the industrial development facility may be foreclosed and sold under proceedings in equity or in any other manner now or hereafter permitted by law. Any financing document may also provide that any trustee under the financing document or the holder of any revenue bonds secured thereby may become the purchaser at any foreclosure sale if it is the highest bidder.

NEW SECTION. Sec. 17. CONSTRUCTION—SUPPLEMENTAL NATURE OF CHAPTER. This chapter supplements and neither restricts nor limits any powers which a municipality or presently authorized public corporation might otherwise have under any laws of this state.

NEW SECTION. Sec. 18. LEGISLATIVE DIRECTIVE. Sections 1 through 17 of this act shall constitute a new chapter in Title 39 RCW.

NEW SECTION. Sec. 19. CAPTIONS NOT PART OF LAW. As used in this chapter, captions constitute no part of the law.

NEW SECTION. Sec. 20. SEVERABILITY. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected."

ENGROSSED SUBSTITUTE SENATE BILL NO. 3554:

The House resumed consideration of the bill on second reading.

Ms. Rinehart moved adoption of the following amendment to the Flanagan amendment:

On page 6, line 32 of the amendment after "corporation." insert "The total amount of outstanding revenue bonds issued pursuant to this chapter by all public corporations to fund industrial development facilities located in a county shall not exceed the greater of one million dollars or one percent of the assessed valuation of taxable property located within the county: PROVIDED, That in no instance shall the amount of outstanding revenue bonds issued pursuant to this chapter to fund industrial development facilities located in a county exceed one hundred million dollars."

Ms. Rinehart spoke in favor of the amendment to the amendment, and Mr. Flanagan spoke against it.

The amendment to the amendment was not adopted.

Mr. Nelson (D) moved adoption of the following amendment to the Flanagan amendment:

On page 7, after line 10 add a new paragraph as follows:

In order to avoid major adverse impacts on the electrical supply of the state, no bonds issued under this act may be used for any project where the resulting electrical load exceeds ten kilowatts for each person employed as a result of the project to be financed. This restriction shall not apply to any proposed use of bonds for any project where the net electrical requirements of the state are reduced through energy conservation measures or technological innovations financed with revenue bonds."

Mr. Nelson (D) spoke in favor of the amendment to the amendment and Mr. Flanagan spoke against it.

The amendment to the amendment was not adopted.

The Clerk read the following amendment by Representative Nelson (D) to the Flanagan amendment:

On page 7, after line 10 add a new paragraph as follows:

"Such moneys may not be used to fund all or a portion of an industrial project, or facilities for an industrial project, where the projected amount of energy used in the industrial activity exceeds 2.5 billion British thermal units per employee per year."

With the consent of the House, Mr. Nelson (D) withdrew the amendment to the amendment.

The Speaker (Mr. Amen presiding) declared the question before the House to be the amendment by Representative Flanagan.

Mr. Flanagan spoke in favor of the amendment.

POINT OF INQUIRY

Mr. Flanagan yielded to question by Mr. O'Brien.

Mr. O'Brien: "Representative Flanagan, how does your proposed amendment differ from what Governor Spellman has indicated for industrial development and promotion of jobs and industry? Are you pretty well in line with the Governor's thinking on this overall economic development program?"

Mr. Flanagan: "Well, the bill that came over from the Senate, as I said before, was very broad and these revenue bonds could have been used to finance almost anything the way the Senate bill was. You could finance any kind of retail chains or retail electric change or even mix this revenue in with certain types of social programs that are fronted from grants by the state. I think the Senate bill goes far beyond what I thought the poor districts have been requesting for the last three or four years since the court decision was made that wouldn't allow them to use revenue bonds for industrial development. I think from the viewpoint we have here, it was too broad and allowed too many different kinds of financing."

Mr. O'Brien: "What do you mean by too broad? Was that Governor Spellman's proposal that came over from the Senate?"

Mr. Flanagan: "I assume it was partly from Governor Spellman, yes. I don't know whether the Senate has broadened it beyond what he requested or not."

Mr. Nelson (D) spoke against the amendment.

The amendment was adopted.

On motion of Mr. Flanagan, the following amendment to the title was adopted:

On page 1, line 1 of the title after "development;" strike the remainder of the title and insert "adding a new chapter to Title 39 RCW; creating new sections; and prescribing penalties."

Voting yea: Representatives Addison, Amen, Barnes, Barr, Barrett, Becker, Bender, Berleen, Bickham, Bond, Brown, Burns, Cantu, Chamberlain, Chandler, Clayton, Dawson, Dickie, Eberle, Ehlers, Ellis, Eng, Erak, Erickson, Fancher, Fiske, Flanagan, Gallagher, Galloway, Garrett, Garson, Granlund, Greengo, Grimm, Gruger, Hankins, Hastings, Heck, Hine, Houchen, Isaacson, James, Johnson, King J., King R., Kreidler, Lane, Leonard, Lewis, Lundquist, Martinis, Maxie, McCormick, McDonald, McGinnis, Mitchell, Monohon, Nelson G. A., Nickell, Nisbet, O'Brien, Owen, Padden, Patrick, Prince, Pruitt, Rosbach, Rust, Salatino, Sanders, Schmidt, Scott, Sherman, Smith, Sommers, Sprague, Stratton, Struthers, Taylor, Teutsch, Thompson, Tilly, Tupper, Valle, Van Dyken, Vander Stoep, Walk, Wang, Warnke, Williams, Wilson, Winsley, and Mr. Speaker.

The Speaker (Mr. Amen presiding) stated the question before the House to be the amendment by Representative Flanagan.

Mr. Flanagan moved adoption of the following amendments to the amendment:

On page 1, at the beginning of line 17 strike "purpose" and insert "purposes heretofore or hereafter"

On page 1, line 24 after "of" strike "capital facilities" and insert "projects"

Mr. Flanagan spoke in favor of the amendments to the amendment.

POINT OF INQUIRY

Mr. Flanagan yielded to question by Ms. Rinehart.

Ms. Rinehart: "Representative Flanagan, could you expand, please, on the insertion of the word 'project' in place of 'capital facilities'?"

Mr. Flanagan: "It's a broadening of the definition, not a great deal, but I believe it does broaden it."

Ms. Rinehart: "Could you give me an example of what's now included under the definition of projects that was precluded by capital facilities?"

Mr. Flanagan: "I think projects is a little broader term because it includes more than just the facilities; it includes some of the surrounding parts of the project."

Ms. Rinehart: "Could you just give me an example of what a project would be that is not a capital facility?"

Mr. Flanagan: "Maybe the land around the project or the roads or something that surrounds the project, things of that kind."

The amendments to the amendment were adopted.

On motion of Mr. Flanagan, the following amendments to the amendment were adopted: On page 2 of the amendment, beginning on line 5 after "may" strike "only be issued if the issuer" and insert "be issued only if the issuer certifies that it"

On page 2 of the amendment, line 15 after "projects" strike all material down to and including "projects" on line 17 and insert "as defined in legislation"

On page 2 of the amendment, line 18 before "Sections" insert:

"After the initial adoption of a law by the legislature authorizing the issuance of nonrecourse revenue bonds or other nonrecourse revenue obligations, no amendment to such act which expands the definition of industrial development project shall be valid unless the amendment is enacted by a favorable vote of three-fifths of the members elected to each house of the legislature and is subject to referendum petition."

On page 2 of the amendment, line 22 after "The" strike "use of the"

On page 2 of the amendment, line 29 after "audit" insert "by the state but shall not otherwise be deemed to be public money or public property for purposes of this Constitution"

The Flanagan amendment as amended was adopted.

The resolution was ordered engrossed. On motion of Mr. Hastings, the rules were suspended, the second reading considered the third, and the resolution was placed on final passage.

Representatives Flanagan, Chamberlain, Galloway, Greengo and Vander Stoep spoke in favor of the resolution, and Representatives Nelson (D), Lux and Rinehart spoke against it.

Renumber the remaining section consecutively.

*Sec. 2. Section 1, chapter 158, Laws of 1977 ex. sess. and RCW 4.24.350 are each amended to read as follows:

In any action for damages, whether based on tort or contract or otherwise, a claim or counterclaim for damages may be litigated in the principal action for malicious prosecution on the ground that the action was instituted with knowledge that the same was false, and unfounded, malicious and without probable cause in the filing of such action, or that the same was filed as a part of a conspiracy to misuse judicial process by filing an action known to be false and unfounded.

In any action for malicious prosecution, whether brought by an independent lawsuit or brought in the principal action by claim or counterclaim, if it is proven that the plaintiff instituted the principal action with knowledge that the principal action was false, unfounded, malicious, and without probable cause or as a part of a conspiracy to misuse judicial process by filing the action when it was known to be false and unfounded or if there are grounds for establishing the common law action of malicious prosecution, then the injured party may claim malicious prosecution under this section and may recover actual damages or liquidated damages of five hundred dollars, a reasonable attorney's fee, and other costs of litigation. In an action for malicious prosecution an arrest or seizure of property need not be an element of the claim nor do special damages need to be proved; and the elimination of these requirements and permitting the recovery of actual damages or liquidated damages, a reasonable attorney's fee, and other costs of litigation is intended to be in derogation of the common law.

POINT OF ORDER

Mr. Wang: "I would like a ruling as to scope and object on this amendment. I believe the amendment deals with malicious prosecution and the bill deals with malicious harassment."

SPEAKER'S RULING (MR. AMEN PRESIDING)

The Speaker (Mr. Amen presiding): "Representative Wang, the bill pertains to the civil action of malicious harassment and the amendment pertains to malicious prosecution, which is a form of harassment. It is within the scope and object."

 SUBSTITUTE SENATE BILL NO. 3187,
 SENATE BILL NO. 3196,
 SENATE BILL NO. 3238,
 SENATE BILL NO. 3239,
 SENATE BILL NO. 3250.

MOTION

On motion of Mr. Nelson (G), the House reverted to the fourth order of business.

INTRODUCTION AND FIRST READING

HOUSE CONCURRENT RESOLUTION NO. 26, by Representative Wilson:

Authorizing studies by the legislative transportation committee and the standing committees on transportation.

To Committee on Transportation.

MOTION

Mr. Nelson (G) moved that HOUSE BILL NO. 124 be rereferred from Committee on State Government to Committee on Ways and Means.

POINT OF ORDER

Mr. King (R): "I believe it's after 5 o'clock and this is a bill dealing with public employment, not relating to revenue. I don't believe the bill is still alive to be acted upon by this body."

The Speaker: "Representative King, Senate Concurrent Resolution No. 113 was passed by this body less than two hours ago which extended the deadline until tomorrow at 5 o'clock."

Mr. King (R): "The point is that it does not come under the original cutoff since it is not an act relating to revenue or involving a direct appropriation or any of the other things which are in that cutoff resolution."

The Speaker: "I don't understand your point of order, Representative King, I don't appreciate the point of order you have raised. The legislation is not being brought to the floor, it's being moved to a different committee to start with. Secondly, any bill that is alive currently before 5 o'clock today is still alive until 5 o'clock tomorrow."

Mr. King (R): "Mr. Speaker, my point is that it wasn't alive under the previous cutoff. If it is there's a question of whether or not the Senate has passed the resolution."

The Speaker: "There's no question about the second point, Representative King, because it was just read in that they had done that. Without examining the bill to decide whether it's alive or not, the motion to merely move the bill from one committee to another does not constitute anything the Speaker would like to rule on at this time."

POINT OF ORDER

Mr. O'Brien: "There's nothing in our rules to provide moving the bill. Rule 29 sets forth the provision that three-fifths of the members of the House are required for a committee to report a bill back to the House during the order of business at which it may be considered. What you are doing is moving a bill from one committee to another, and it seems to me that it would require some sort of recommendation by that committee to have that bill reported out. Unless you suspend the rules, you would be in violation of the House rules."

The Speaker: "Representative O'Brien, we don't have that problem yet. As far as I know, it will pass unanimously. Are you opposing the motion?"

Mr. O'Brien: "I'm opposing it on the basis that it's in violation of our rules for a motion of this nature to be made."

The Speaker: "Representative O'Brien, if I understand the point you are raising, this would require a suspension of the rules. That was your point, that the motion was placed incorrectly? Representative Nelson, I will accept that motion from you."

MOTION

Mr. Nelson (G) moved that the rules be suspended, and House Bill No. 124 be rereferred from Committee on State Government to Committee on Ways and Means."

POINT OF INQUIRY

Mr. Nelson (G) yielded to question by Mr. O'Brien.

Mr. O'Brien: "I would like to have you explain what House Bill 124 pertains to."

Mr. Nelson (G): "Representative O'Brien, the bill itself right now deals with temporary employment, but by the time we get done with it in Ways and Means, it may not look that way. We need the title in order to implement part of the budget that is being proposed in this House. It's as simple as that; we need a nice vehicle and that is the one that fits."

Mr. Ehlers spoke against the motion.

POINT OF INQUIRY

Mr. Nelson (G) yielded to question by Mr. Grimm.

Mr. Grimm: "Representative Nelson, what's in the trailer?"

Mr. Nelson (G): "Representative Chandler says that if we're to get out of here in 105 days, he needs that trailer. I am not on the Ways and Means Committee; you'll have to ask him. I understand he has quite a cargo."

The motion was lost.

MOTION

On motion of Mr. Nelson (G), the House adjourned until 9:30 a.m., Wednesday, April 22, 1981.

VITO T. CHIECHI, Chief Clerk

This contingency plan shall include necessary program changes and a redefinition of services or eligibility criteria which will not require expenditures in excess of any appropriation provided in this act. SECOND READING

SUBSTITUTE SENATE BILL NO. 3360, by Committee on Parks and Ecology (originally sponsored by Senators Patterson, Charnley and Zimmerman):

Providing for park and recreation service areas.

The bill was read the second time.

On motion of Mr. Nickell, the following amendment by Representatives Nickell, Isaacson and Erickson was adopted:

On page 2, line 11 after "park" insert ", senior citizen activities centers"

Mr. Greengo moved adoption of the following amendment:

On page 12, beginning on line 1 strike all of section 18 and renumber the remaining sections consecutively.

Representatives Greengo, Flanagan, Addison and Taylor spoke in favor of the amendment, and Representatives Dawson, Sherman and Granlund spoke against it.

POINT OF INQUIRY

Mr. Greengo yielded to question by Ms. Sommers.

Ms. Sommers: "Representative Greengo, will this levy compete with all the other statutory levies, county and city, special districts? If we find that a particular taxing district is in violation of the one percent constitutional limit, whose levy will be cut back?"

Mr. Greengo: "I'm not sure I can really answer your question, but it's my belief that there has to be a rateable reduction to stay within the total of one percent. In talking to staff, it is my understanding that this forty-five cents per thousand comes outside the statutory limit of the \$9.15. This is what I have been advised, so it is circumventing the 106% and the limitation in two ways. It's outside the one percent and it's allowing a vote of fifty percent, so to me it matters very, very much what means you go by to accomplish something and I think this is the wrong means."

POINT OF PARLIAMENTARY INQUIRY

Ms. Sommers: "This allows a new tax levy; was this bill referred to the Revenue Committee? If not, why not?"

The Speaker (Mr. Amen presiding): "Representative Sommers, it was not."

Mr. Greengo spoke again in favor of the amendment.

MOTION

On motion of Mr. Nelson (G), further consideration of Substitute Senate Bill No. 3360 was deferred, and the bill was ordered placed on the second reading calendar following Substitute Senate Bill No. 4131.

ENGROSSED SUBSTITUTE SENATE BILL NO. 3945, by Committee on Natural Resources (originally sponsored by Senators Zimmerman, Bauer, Benitz and Talley):

Authorizing the establishment of an Oregon-Washington bi-state Columbia River Gorge agreement.

The bill was read the second time.

Mr. Chamberlain moved adoption of the following amendment by Representatives Chamberlain and Heck:

Strike everything after the enacting clause and insert the following:

NEW SECTION. Section 1. The legislature finds that the Columbia River Gorge area provides the citizens of this state with unique aesthetic, recreational, and historic benefits through the area's diversity of scenic beauty, variety of life-forms, and significant role in the history of the nation, this region, and this state. The legislature, therefore, declares that the preservation of special characteristics of the Columbia River Gorge beginning at the western-most boundary of the Columbia River Gorge as described in RCW 43.97.090 and extending easterly to include all of Section 17 and the west halves of Sections 9 and 4 in Township 2 North, Range 13 East, and any other area designated by law is a public purpose.

It is the intent of the legislature to authorize the establishment of a select committee to examine, in detail, the unique characteristics contributing to the scenic, natural, and historical value of the area. It is further the intent of the legislature that the committee herein established explore the range of uses of the area that are consistent with preserving the sensitive characteristics of the Columbia River Gorge area. The legislature also recognizes the importance of preserving the property interests of area residents, maintaining decision-making at the local level to the maximum extent possible, and supporting economic development activities compatible with the objectives of preservation of the unique values of the Gorge.

NEW SECTION. Sec. 2. There is hereby created a Governor's Select Committee on the Columbia River Gorge to thoroughly examine the need to protect and preserve the special and unique scenic, natural, and historic features of the Gorge area and to make specific recommendations to the governor and the legislature as to how such preservation can be carried out most effectively, expeditiously, and with the maximum local involvement and decision-making consistent with agreed objectives.

NEW SECTION. Sec. 3. The Governor's Select Committee shall be composed of the following:

- (1) Two members from the Washington Columbia River Gorge Commission including the chairman, appointed by the governor;
- (2) One county commissioner from each of the counties in the Columbia River Gorge area appointed by the respective county commissioners;
- (3) One member representing the governor, appointed by the governor, who shall be the chairman of the committee;
- (4) One member from the state senate who shall be a nonvoting member, appointed by the president of the senate, serving from a district in which the Gorge is located;
- (5) Two members from the house of representatives who shall be nonvoting members appointed by the speaker of the house of representatives, serving from a district in which the Gorge is located; and
- (6) One member from the public at large appointed by the governor.

NEW SECTION. Sec. 4. The select committee on the Columbia River Gorge shall have the following responsibilities to:

- (1) Undertake a comprehensive analysis of the management alternatives available to the states of Washington and Oregon regarding the preservation of the Columbia River Gorge;
- (2) Elicit the views of all interested parties and individuals during the analysis of management options;
- (3) Prepare an inventory of sensitive lands which contain intrinsic value and develop a classification system for such lands;
- (4) Coordinate with the Columbia River Gorge Commission in the carrying out of the committee's responsibilities under this section, including the identification of sensitive lands indicated in subsection (3) of this section;
- (5) Coordinate the committee's study with affected and interested federal agencies, state agencies, local government agencies, other public entities, and private groups and individuals; and
- (6) The committee shall report its findings and recommendations including findings and recommendations about a preferred alternative approach to the management and protection of the Gorge area to the governor and the legislature no later than December 1, 1981.

NEW SECTION. Sec. 5. The committee is authorized to work with any similar committee established by the Oregon legislature or executive action by the governor which has similar responsibilities and duties. Cooperation and coordination between the Governor's Select Committee on the Columbia River Gorge and any similar committee established in Oregon shall be maximized in order to determine how a unified approach to carrying out gorge preservation objectives can be achieved."

Representatives Chamberlain and Heck spoke in favor of the amendment, and it was adopted.

On motion of Mr. Chamberlain, the following amendment to the title was adopted:

On page 1, line 1 of the title after "Relating to" strike the remainder of the title and insert "the Columbia River Gorge; creating new sections"

There being no objection, the rules were suspended, the second reading considered the third, and the bill was placed on final passage.

Representatives Chamberlain and Heck spoke in favor of passage of the bill.

POINT OF INQUIRY

Mr. Chamberlain yielded to question by Mr. Sanders.

Mr. Sanders: "Representative Chamberlain, there's a plan for the development of a new shipping facility at Kalama. Does this affect that at all?"

Mr. Chamberlain: "Representative Sanders, no, Kalama is considerably downstream from this. The Gorge is roughly from The Dalles to East Vancouver, so this bill would not affect that."

The Clerk called the roll on the final passage of Engrossed Substitute Senate Bill No. 3945 as amended by the House, and the bill passed the House by the following vote: Yeas, 98; nays, 0; not voting, 0.

Mr. Struthers spoke in favor of passage of the bill.

POINT OF INQUIRY

Mr. Struthers yielded to question by Ms. Becker.

Ms. Becker: "Representative Struthers, on page 1, starting on line 23, it reads as follows: 'The commission shall grant variances from custodial care standards to governing units which operate jails with physical deficiencies which directly affect their ability to comply with these standards...' Does this mean that a city or county can receive exemptions on demand from the Commission?"

Mr. Struthers: "Representative Becker, no, it would be up to the Jail Commission to review the physical condition of a jail and make findings that a governing unit, a city or county, could not comply with some of the custodial care standards due to physical aspects of the old jail. The Jail Commission would be required to find which of the jail conditions merited temporary variances from the custodial care standards. The city or county could only request; the Jail Commission will decide. I might add that this section is merely designed to give the cities and counties some breathing room and not to require major expenditures on old jails while new or remodeled jails are being constructed with state funds."

Representatives Becker and Maxie spoke in favor of passage of the bill.

The amendment was adopted.

Mr. McDonald moved adoption of the following amendment by Representatives McDonald, Greengo, Kreidler and Pruitt:

On page 14, section 1, line 22 after "conducted" insert "PROVIDED FURTHER, That no fund raising event may be held in any building, or portion thereof, or at any other specific location or portion

thereof, within thirty-two days following any other fund raising event held in that building or at that specific location*

Mr. McDonald spoke in favor of the amendment.

POINT OF INQUIRY

Mr. McDonald yielded to question by Mr. Nisbet.

Mr. Nisbet: "Does this mean that if you have a single community center in a location, but a number of organizations, that the building would be the determinate? In other words, no building, even though it was the only facility for miles around, could be used more than once every thirty-two days?"

Mr. McDonald: "Yes, Representative Nisbet, essentially what we are doing here is saying the building will have once-a-month fund raisers. There are probably some locations which would run into some problems, but basically, we have a major problem and I think it's a problem this state has to take a look at, and that is, do we want to have wide open casino gambling and that's exactly the road we are going on."

Representatives Nisbet and Struthers spoke against the amendment, and Mr. Greengo spoke in favor of it.

POINT OF INQUIRY

Mr. McDonald yielded to question by Mr. Hastings.

Mr. Hastings: "Representative McDonald, this is a rather large bill and I haven't had an opportunity to go through the whole thing. I just wonder if this has any effect on bingo at all?"

Mr. McDonald: "Representative Hastings, it does not have an effect on bingo. The section covering bingo is on page 3 of the bill and the section we would amend is on page 13. The bingo section covers totally how that would be held, how many events can be held in any one single night, and this does not affect it."

POINT OF INQUIRY

Mr. Struthers yielded to question by Mr. Williams.

Mr. Williams: "Representative Struthers, are you an ex-official member of the Gambling Commission?"

Mr. Struthers: "Yes, I am, Representative Williams."

Mr. Williams: "Has the Gambling Commission, in their legislation, recommended a similar amendment to Representative McDonald's?"

Mr. Struthers: "Representative Williams, I can't answer that question."

Mr. Williams spoke in favor of the amendment, and Mr. Barr spoke against it.

POINT OF INQUIRY

Mr. McDonald yielded to question by Mr. Ehlers.

Mr. Ehlers: "I have the same question someone had a few minutes ago about whether or not it applies to bingo, because I had a concern that it did. You said it doesn't, but if you will look on line 6, one of these events that's being covered under this section, it seems to me, with the proviso on line 22, that you are, in fact, affecting bingo."

Mr. McDonald: "Representative Ehlers, bingo can be one of the games played at a fund raising event, however, the section you should refer to is on page 3. It says on lines 15 and 16, '...does not hold bingo on more than twelve consecutive days in any calendar year.' So that section is the one that covers bingo; this section is the one that covers fund raising events. Those fund raising events can, as part of the activity, have bingo in them."

Mr. Van Dyken spoke in favor of the amendment, and Ms. Monohon spoke against it.

Mr. Nelson (G) demanded the previous question and the demand was sustained.

The amendment was not adopted.

Mr. Patrick moved adoption of the following amendment by Representatives Patrick and Williams:

on page 36, line 18 strike "commission shall have the power to enforce" and insert "primary responsibility of the commission shall ((have the power to enforce)) be the enforcement of"

Mr. Patrick spoke in favor of the amendment.

POINT OF INQUIRY

Mr. Patrick yielded to question by Mr. Sanders.

Mr. Sanders: "Representative Patrick, would this negate local sheriffs from enforcing gambling laws?"

Mr. Patrick: "Representative Sanders, no it does not. They also can conduct their own investigations. What I am saying is that local police departments do not have the capabilities, but it does not take away that right of investigation."

POINT OF INQUIRY

Mr. Patrick yielded to question by Mr. Ehlers.

Mr. Ehlers: "Representative Patrick, a few minutes ago, in the committee amendment we dealt with, giving up to twenty percent to local governments to levy taxes, and so forth, I assume the moneys raised were to somehow regulate and control gambling locally. Is that correct?"

Mr. Patrick: "That's partly correct; it's also to pay for some enforcement duties in those cities who can afford to have a large enough police department."

Mr. Ehlers: "We're giving them the resources to tax. If we don't leave that primary responsibility to local governments that now have the taxing capacity, essentially, it's giving them more money, and the state, with your amendment, would have the primary responsibility. Wouldn't that have a fiscal impact to the state coupled with the other committee amendment and provide extra moneys to local government?"

Mr. Patrick: "That's true, but I think the thing you should think about, and I'll give a warning—I give very few warnings—but I give you warning now, that if we don't control this, someday you are going to be very sorry and I'll be the one to tell you so."

Representatives Ehlers and Struthers spoke against the amendment, and Mr. Williams spoke in favor of it.

ROLL CALL

The Clerk called the roll on adoption of the amendment by Representatives Patrick and Williams to Engrossed Substitute Senate Bill No. 3307, and the amendment was not adopted by the following vote: Yeas, 47; nays, 51; not voting, 0.

*Sec. 2. Section 7, chapter 169, Laws of 1963 as amended by section 1, chapter 78, Laws of 1979 and RCW 46.29.070 are each amended to read as follows:

(1) The department, not less than twenty days after receipt of a report of an accident as described in the preceding section, shall determine the amount of security which shall be sufficient in its judgment to satisfy any judgment or judgments for damages resulting from such accident as may be recovered against each driver or owner. Such determination shall not be made with respect to drivers or owners who are exempt under succeeding sections of this chapter from the requirements as to security and suspension.

(2) The department shall determine the amount of security deposit required of any person upon the basis of the reports or other information submitted. In the event a person involved in an accident as described in this chapter fails to make a report or submit information indicating the extent of his injuries or the damage to his property within ~~((fifty))~~ one hundred eighty days after the accident and the department does not have sufficient information on which to base an evaluation of such injuries or damage, then the department after reasonable notice to such person, if it is possible to give such notice, otherwise without such notice, shall not require any deposit of security for the benefit or protection of such person.

(3) The department after receipt of report of any accident referred to herein and upon determining the amount of security to be required of any person involved in such accident or to be required of the owner of any vehicle involved in such accident shall give written notice to every such person of the amount of security required to be deposited by him and that an order of suspension will be made as hereinafter provided not less than twenty days and not more than sixty days after the sending of such notice unless within said time security be deposited as required by said notice.

(1) Any two or more of the persons involved in or affected by an accident as described in RCW 46.29.060 may at any time enter into a written agreement for the payment of an agreed amount with respect to all claims of any of such persons because of bodily injury to or death or property damage arising from such accident, which agreement may provide for payment in installments, and may file a signed copy thereof with the department.

(2) The department, to the extent provided by any such written agreement filed with it, shall not require the deposit of security and shall terminate any prior order of suspension, or, if security has previously been deposited, the department shall immediately return such security to the depositor or his personal representative.

(3) In the event of a default in any payment under such agreement and upon notice of such default the department shall take action suspending the license of such person in default as would be appropriate in the event of failure of such person to deposit security when required under this chapter.

(4) Such suspension shall remain in effect and such license shall not be restored unless and until:

(a) Security is deposited as required under this chapter in such amount as the department may then determine,

(b) When, following any such default and suspension, the person in default has paid the balance of the agreed amount, ~~((or))~~

(c) When, following any such default and suspension, the person in default has resumed installment payments under an agreement acceptable to the creditor, or

(d) ~~((One-year has))~~ Three years have elapsed following the ~~((effective date of such suspension))~~ accident and evidence satisfactory to the department has been filed with it that during such period no action at law upon such agreement has been instituted and is pending.

Sec. 4. Section 17, chapter 169, Laws of 1963 and RCW 46.29.170 are each amended to read as follows:

Unless a suspension is terminated under other provisions of this chapter, any order of suspension by the department under this chapter shall remain in effect and no license shall be renewed for or issued to any person whose license is so suspended until:

(1) Such person shall deposit or there shall be deposited on his behalf the security required under this chapter, or

(2) ~~((One-year shall))~~ Three years have elapsed following the date of the accident resulting in such suspension and evidence satisfactory to the department has been filed with it that during such period no action for damages arising out of the accident resulting in such suspension has been instituted.

An affidavit of the applicant that no action at law for damages arising out of the accident has been filed against him or, if filed, that it is not still pending shall be prima facie evidence of that fact. The department may take whatever steps are necessary to verify the statement set forth in any said affidavit.

Sec. 5. Section 22, chapter 169, laws of 1963 and RCW 46.29.220 are each amended to read as follows:

(1) Such security shall be applicable and available only:

(a) For the payment of any settlement agreement covering any claim arising out of the accident upon instruction of the person who made the deposit, or

(b) For the payment of a judgment or judgments, rendered against the person required to make the deposit, for damages arising out of the accident in an action at law begun not later than ~~((one))~~ three years after the ~~((deposit of such security, or within one year after the date of deposit of any security following failure to make payments under an agreement to pay))~~ date of the accident.

(2) Every distribution of funds from the security deposits shall be subject to the limits of the department's evaluation on behalf of a claimant.

Sec. 6. Section 23, chapter 169, Laws of 1963 and RCW 46.29.230 are each amended to read as follows:

Upon the expiration of ~~((one))~~ three years from the date of ~~((any deposit of security))~~ the accident resulting in the security requirement, any security remaining on deposit shall be returned to the person who made such deposit or to his personal representative if an affidavit or other evidence satisfactory to the department has been filed with it:

(1) That no action for damages arising out of the accident for which deposit was made is pending against any person on whose behalf the deposit was made, and

(2) That there does not exist any unpaid judgment rendered against any such person in such an action.

The foregoing provisions of this section shall not be construed to limit the return of any deposit of security under any other provision of this chapter authorizing such return.

NEW SECTION. Sec. 7. There is added to chapter 46.29 RCW a new section to read as follows:

(1) Whenever the involvement in a motor vehicle accident in this state results in the driving privilege of a person being suspended for failure to pay a judgment or deposit security, the department shall suspend the Washington registration of the motor vehicle which the person was driving at the time of the accident.

(2) A notice of suspension shall be mailed by first class mail to the person's last known address of record in the department and shall be effective notwithstanding the person's failure to receive the notice. If the driver of the vehicle involved in the accident is not the registered owner, a copy of the notice of suspension shall be mailed to the registered owner.

(3) Upon suspension of the registration of a motor vehicle, the registered owner shall surrender all vehicle license plates registered to the vehicle. The department shall destroy the license plates and, upon reinstatement of the registration, shall issue new vehicle license plates as provided in RCW 46.16.270.

(4) Failure to surrender license plates under subsection (3) of this section is a misdemeanor punishable by imprisonment for not less than one day nor more than five days and by a fine of not less than fifty dollars nor more than two hundred fifty dollars.

(5) No vehicle license plates or certificate of ownership or registration for a motor vehicle may be issued and no vehicle license may be renewed during the time the registration of the motor vehicle is suspended.

(6) Any person who operates a vehicle in this state while the registration of the vehicle is suspended is guilty of a gross misdemeanor and upon conviction thereof shall be imprisoned for not less than two days nor more than five days and fined not less than one hundred dollars nor more than five hundred dollars.

NEW SECTION. Sec. 8. There is appropriated from the highway safety fund to the department of licensing for the biennium ending June 30, 1983, the sum of one hundred four thousand dollars to carry out this act."

On page 1, line 1 of the title after "vehicles;" insert "amending section 7, chapter 169, Laws of 1963 as amended by section 1, chapter 78, Laws of 1979 and RCW 46.29.070; amending section 14, chapter 169, Laws of 1963 and RCW 46.29.140; amending section 17, chapter 169, Laws of 1963 and RCW 46.29.170; amending section 22, chapter 169, laws of 1963 and RCW 46.29.220; amending section 23, chapter 169, Laws of 1963 and RCW 46.29.230; adding a new section to chapter 46.29 RCW; making an appropriation; prescribing penalties;"

There being no objection, the rules were suspended, the second reading considered the third, and the bill was placed on final passage.

The test or tests shall be administered at the direction of a law enforcement officer having reasonable grounds to believe the person to have been driving or in actual physical control of a motor vehicle upon the public highways of this state while under the influence of intoxicating liquor. Such officer shall inform the person of his right to refuse the test, and of his right to have additional tests administered by any qualified person of his choosing as provided in RCW 46.61.506. The officer shall warn the driver that his privilege to drive will be revoked or denied if he refuses to submit to the test. Unless the person to be tested is unconscious, the chemical test administered shall be of his breath only: PROVIDED, That if an individual is under arrest for the crime of negligent homicide by motor vehicle as provided in RCW 46.61.520, or if an individual is under arrest for the crime of driving while under the influence of intoxicating liquor or drugs as provided in RCW 46.61.502, which arrest results from an accident in which another person has been injured and there is a reasonable likelihood that such other person may die as a result of injuries sustained in the accident, a breath or blood test may be administered without the consent of the individual so arrested. In such circumstances, the provisions of subsections (2) through (6) of this section shall not apply.

(2) Any person who is dead, unconscious, or who is otherwise in a condition rendering him incapable of refusal, shall be deemed not to have withdrawn the consent provided by subsection (1) of this section and the test or tests may be administered, subject to the provisions of RCW 46.61.506.

(3) If, following his arrest, the person arrested refuses upon the request of a law enforcement officer to submit to a chemical test of his breath, after being informed that his refusal will result in the revocation or denial of his privilege to drive, no test shall be given. The department of licensing, upon the receipt of a sworn report of the law enforcement officer that he had reasonable grounds to believe the arrested person had been driving or was in actual physical control of a motor vehicle upon the public highways of this state while under the influence of intoxicating liquor and that the person had refused to submit to the test upon the request of the law enforcement officer after being informed that such refusal would result in the revocation or denial of his privilege to drive, shall revoke his license or permit to drive or any nonresident operating privilege. If the person is a resident without a license or permit to operate a motor vehicle in this state, the department shall deny to the person the issuance of a license or permit for a period of six months after the date of the alleged violation, subject to review as hereinafter provided.

Upon receipt of such request, the department shall afford him an opportunity for a hearing as provided in RCW 46.20.329 and 46.20.332. The department shall order that the revocation or determination that there should be a denial of issuance either be rescinded or sustained. Any decision by the department revoking a person's driving privilege shall be stayed and shall not take effect while a formal hearing is pending as herein provided or during the pendency of a subsequent appeal to superior court: PROVIDED, That this stay shall be effective only so long as there is no conviction for a moving violation or no finding that the person has committed a traffic infraction which is a moving violation during pendency of the hearing and appeal.

(5) If the revocation or determination that there should be a denial of issuance is sustained after such a hearing, the person whose license, privilege, or permit is so affected shall have the right to file a petition in the superior court of the county wherein he resides, or, if a nonresident of this state, where the charge arose, to review the final order of revocation or denial by the department in the manner provided in RCW 46.20.334.

(6) When it has been finally determined under the procedures of this section that a nonresident's privilege to operate a motor vehicle in this state has been revoked, the department shall give information in writing of the action taken to the motor vehicle administrator of the state of the person's residence and of any state in which he has a license.

SPECIAL ORDER OF BUSINESS

The hour of 4:52 p.m. having arrived, the Speaker stated the question before the House to be Substitute Senate Bill No. 3844 on second reading.

SUBSTITUTE SENATE BILL NO. 3844, by Committee on Constitution and Elections (originally sponsored by Senators Craswell, Goltz and Metcalf):

Prohibiting legislators from accepting campaign contributions during the legislative session.

The bill was read the second time.

The Speaker declared the House to be at ease.

POINT OF ORDER

Mr. O'Brien: "It appears to me, according to our resolution, that all you can do now is consider the bill. There is no provision here for caucuses or the House to be at ease. If you do, it seems to me you are in violation of the intent of the resolution which was approved by both the House and the Senate, which states that after 5 p.m. the House will consider only bills such as omnibus appropriation bills, and other bills of this nature. I would think there is nothing in the resolution which permits the House to go at ease at this time for the purpose of caucusing on a bill which is before us. You can act on a bill, and that's questionable, too, because there is no provision here that permits you to even act on a bill after 5 o'clock, but precedent has been established where in the past we have worked on bills that were under consideration at the time of the 5 o'clock cutoff, but in this instance, I just think you are in violation of House Concurrent Resolution No. 3 by putting the House at ease and holding a caucus on the bill. It appears to me the House should stay in session and finish this bill and that would be the end."

SPEAKER'S RULING

The Speaker: "Representative O'Brien, you are right, it has been a long-standing tradition that we do continue working on the bill before us at the time the cutoff comes. In my view the House has been at ease for the past five minutes for passing out amendments, and we will continue to be at ease so the members can take a stretch. The House is at ease."

The Speaker called the House to order.

The House resumed consideration of Substitute Senate Bill No. 3844.

Committee on Ethics, Law and Justice recommendation: Majority, do pass as amended. (For amendments, see Journal, 95th Day, April 16, 1981.)

Mr. Ellis moved adoption of the committee amendment, striking everything after the enacting clause and inserting new material.

Mr. Tupper moved adoption of the following amendment to the committee amendment: On page 1, line 11 after "legislator" strike ", political committee,"

Mr. Tupper spoke in favor of the amendment to the amendment.

POINT OF INQUIRY

Mr. Tupper yielded to question by Mr. Nelson (D).

Mr. Nelson (D): "Representative Tupper, if we strike 'political committee,' does that mean that a political committee acting on behalf of a legislator could continue to solicit campaign contributions for that legislator?"

Mr. Tupper: "No, Representative Nelson, it's my understanding that when a political committee has been formed on behalf of a legislator, that qualifies under the definition of a legislator, which would not be stricken by this. The intent of this amendment is only aimed at protecting the Democratic and Republican State Central Committees."

Representatives Salatino and Sommers spoke against the amendment to the amendment.

Mr. Heck demanded an electric roll call vote, and the demand was sustained.

ROLL CALL

The Clerk called the roll on the amendment by Representative Tupper to the committee amendment to Substitute Senate Bill No. 3844, and the amendment was not adopted by the following vote: Yeas, 0; nays, 96; not voting, 2.

Voting nay: Representatives Addison, Amen, Barnes, Barr, Barrett, Becker, Bender, Berleen, Bickham, Bond, Brekke, Brown, Burns, Cantu, Chamberlain, Chandler, Clayton, Dawson, Dickie, Eberle, Ehlers, Ellis, Eng, Erak, Erickson, Fancher, Fiske, Flanagan, Galloway, Garrett, Garson, Granlund, Greengo, Grimm, Gruger, Hankins, Hastings, Heck, Hine, Houchen, Isaacson, James, Johnson, King J., King R., Kreidler, Lane, Leonard, Lewis, Lundquist, Lux, Martinis, Maxie, McCormick, McDonald, McGinnis, Mitchell, Monohon, Nelson D., Nelson G. A., Nickell, Nisbet, North, O'Brien, Owen, Padden, Patrick, Prince, Pruitt, Rinehart, Rosbach, Rust, Salatino, Sanders, Schmidt, Scott, Sherman, Smith, Sommers, Sprague, Stratton, Struthers, Taylor, Teutsch, Thompson, Tilly, Tupper, Valle, Van Dyken, Vander Stoep, Walk, Wang, Warnke, Williams, Winsley, and Mr. Speaker.

Not voting: Representatives Gallagher, Wilson.

Mr. Van Dyken moved adoption of the following amendment to the committee amendment:

On page 1, beginning on line 8 strike all of section 1 and renumber the remaining sections consecutively.

Representatives Van Dyken and Patrick spoke in favor of the amendment to the amendment, and Representatives Salatino and King (R) spoke against it.

POINT OF INQUIRY

Mr. Salatino yielded to question by Mr. Bond.

Mr. Bond: "Representative Salatino, you made a speech just a moment ago against the amendment that would strike section 1 of this bill. If that section were not struck, it would prevent any campaign contributions while the session was in progress. You held such a campaign fund raiser very early in the session, and I wonder why now you wish to do away with it, now that you've had yours?"

Mr. Salatino: "Representative Bond, I think that's one of the problems that—"

POINT OF ORDER

Mr. O'Brien: "It appears to me that Representative Bond is impugning the motives of Representative Salatino and it is a question of ethics. He is completely out of order."

The Speaker: "I could rule it so. Representative Salatino, do you wish to reply to the question?"

Mr. Salatino: "I think that's the particular problem, Representative Bond, that we run into is that you look at what everyone is doing. No one is attempting in this particular piece of legislation, to ride in here on a white horse and state that everything that is taking place is wrong, is illegal, that it deals with extortion or blackmail, or that everyone who has had a fund raiser during this legislative session is involved in illegal activities. Yes, I did have a fund raiser in January, and I think the common process down here has been for a number of people to have fund raisers during the session, but I do think when you take a look at an omnibus ethics bill, and an attempt to make changes in how all of us are going to operate in this legislative body, I think we're not pointing fingers at any particular person and saying what you did was wrong. I have filed the proper forms with the Public Disclosure Commission, everyone knew that I was having a fund raiser, but I believe strongly if we are going to eliminate the problems we see right now, that we are attempting to address, that we must eliminate and deal with fund raisers during legislative sessions."

Representatives Bond, Van Dyken and Barrett spoke in favor of the amendment to the amendment, and Representatives Becker, Pruitt, Granlund and Nelson (D) spoke against it.

ROLL CALL

The Clerk called the roll on adoption of the amendment by Representative Van Dyken to the committee amendment to Substitute Senate Bill No. 3844, and the amendment to the amendment was not adopted by the following vote: Yeas, 26; nays, 68; not voting, 4.

Voting yea: Representatives Addison, Amen, Barr, Barrett, Bond, Chamberlain, Clayton, Ellis, Fancher, Flanagan, Greengo, Houchen, Isaacson, James, McDonald, Nickell, Nisbet, Padden, Patrick, Prince, Rosbach, Schmidt, Tilly, Van Dyken, Vander Stoep, Williams.

Voting nay: Representatives Barnes, Becker, Bender, Berleen, Bickham, Brekke, Brown, Burns, Cantu, Chandler, Dawson, Dickie, Ehlers, Eng, Erak, Erickson, Fiske, Gallagher, Galloway, Garrett, Garson,

A., North, O'Brien, Owen, Pruitt, Rinehart, Rust, Salatino, Scott, Sherman, Smith, Sommers, Sprague, Stratton, Struthers, Taylor, Teutsch, Thompson, Tupper, Valle, Walk, Wang, Warnke, Winsley, and Mr. Speaker.

Not voting: Representatives Eberle, Mitchell, Sanders, Wilson.

Ms. Berleen moved adoption of the following amendment to the committee amendment:

On page 3, after line 3 insert:

"(3) This section shall not apply if the name of the legislator for whom the contributions are solicited appears on a ballot for a primary, general, or special election that will be held during the legislative session or within thirty days following its adjournment."

Ms. Berleen spoke in favor of the amendment to the amendment.

POINT OF INQUIRY

Ms. Berleen yielded to question by Ms. Brekke.

Ms. Brekke: "Representative Berleen, are most elections not in September and November?"

Ms. Berleen: "I think they are."

Ms. Brekke: "How many sessions have gone into September or November?"

Ms. Berleen: "What happened in the past is not always what is going to happen in the future."

Mr. Barnes spoke in favor of the amendment to the amendment.

POINT OF INQUIRY

Ms. Berleen yielded to question by Mr. King (R).

Mr. King (R): "Would this language apply to recall elections?"

Ms. Berleen: "Representative King, I'm not sure. This says 'special elections' and whether that would apply, I do not know."

Representatives King (R), Van Dyken, Winsley and Wang spoke against the amendment to the amendment.

POINT OF INQUIRY

Mr. Van Dyken yielded to question by Ms. Sommers.

Ms. Sommers: "Representative Van Dyken, I heard your comments about applying only to campaign for a legislative office, but if you will look on page 2, section 4(1)(a), it says, '...or to be conducted by any incumbent legislator.' So I believe that unless we adopt the Berleen amendment, those of our members who might be running for local government positions and who would want to have a campaign fund raiser, would be prohibited from doing that. It's my understanding that the thrust of this is to stop contributions to legislators because of the possible implications to a vote in the legislative session. It was not my understanding that you wanted to prohibit raising funds for a local government campaign, but unless Representative Berleen's amendment is adopted, I think we have done just that. Do you agree?"

Mr. Van Dyken: "Representative Sommers, I disagree. I direct your attention to subsection (a) of part 1 of section 4. It says this section applies to, 'Any campaign for a legislative office conducted or to be conducted by any incumbent legislator.'"

POINT OF INQUIRY

Mr. Van Dyken yielded to question by Ms. Rust.

Ms. Rust: "When you speak of 'legislative office' with a small 'l' what are we considering? Some people do call city and town councils legislative bodies. What is your interpretation?"

Mr. Van Dyken: "Representative Rust, I asked this very question of the legal counsel who drafted this, and it applies to state legislative office by the context in which it appears."

Ms. Leonard demanded the previous question, and it was not sustained.

Ms. Berleen spoke again in favor of the amendment to the amendment.

ROLL CALL

The Clerk called the roll on the adoption of the amendment by Representative Berleen to the committee amendment to Substitute Senate Bill No. 3844, and the amendment to the amendment was not adopted by the following vote: Yeas, 29; nays, 66; not voting, 3.

No candidate for public office may directly or indirectly solicit or receive campaign contributions from any group, or organization which raised the funds to be contributed, in whole or in part, through a system of payroll deductions."

Renumber the remaining sections consecutively.

Representatives Nelson (G) and Lundquist spoke in favor of the amendment to the amendment, and Representatives King (R), Patrick and Owen spoke against it.

Mr. Nelson (G) spoke again in favor of the amendment to the committee amendment, and Mr. King (R) spoke again in opposition to it.

Ms. Stratton spoke against the amendment to the amendment.

POINT OF INQUIRY

Mr. Nelson (D) asked Mr. Nelson (G) to yield to question and he refused to yield.

Mr. Nelson (D) spoke against the amendment to the amendment.

ROLL CALL

The Clerk called the roll on adoption of the amendment by Representative Nelson (G) to the committee amendment to Substitute Senate Bill No. 3844, and the amendment to the amendment was adopted by the following vote: Yeas, 50; nays, 45; not voting, 3.

Voting yea: Representatives Addison, Amen, Barnes, Barr, Berleen, Bickham, Bond, Cantu, Chamberlain, Clayton, Dawson, Dickie, Eberle, Ellis, Fancher, Fiske, Flanagan, Garson, Granlund, Greengo, Hastings, Houchen, Isaacson, James, Johnson, Lane, Leonard, Lewis, Lundquist, McDonald, McGinnis, Nelson G. A., Nickell, Nisbet, Padden, Prince, Rosbach, Sanders, Schmidt, Smith, Sprague, Struthers, Taylor, Teutsch, Tilly, Tupper, Van Dyken, Vander Stoep, Williams, and Mr. Speaker.

Voting nay: Representatives Becker, Bender, Brekke, Brown, Burns, Ehlers, Eng, Erak, Erickson, Gallagher, Galloway, Garrett, Grimm, Gruger, Hankins, Heck, Hinc, King J., King R., Kreidler, Lux, Martinis, Maxie, McCormick, Mitchell, Monohon, Nelson D., North, O'Brien, Owen, Patrick, Pruitt, Rinehart, Rust, Salatino, Scott, Sherman, Sommers, Stratton, Thompson, Valle, Walk, Wang, Warnke, Winsley.

Not voting: Representatives Barrett, Chandler, Wilson.

Mr. King (R) moved adoption of the following amendment to the committee amendment:

On page 4 of the committee amendment, after line 22 add a new section as follows:

***NEW SECTION:** Sec. 8. There is added to chapter 42.17 RCW a new section to read as follows:

No candidate for public office may directly or indirectly solicit or receive campaign contributions from any corporation, sole proprietorship, partnership, limited partnership, joint venture, or any other business entity, or any political action committee which is primarily funded by a business entity listed above.*

Re number the remaining section consecutively.

Mr. King (R) spoke in favor of the amendment to the committee amendment, and Mr. Patrick spoke against it.

POINT OF INQUIRY

Mr. King (R) yielded to question by Mr. Flanagan.

Mr. Flanagan: "Representative King, is a farmer a businessman?"

Mr. King (R): "If he were to use corporate funds or proprietorship funds, partnership funds or limited partnership funds or joint venture funds, that is actually money that had been placed in those accounts, he would be prohibited from it. A farmer has an occupation, on the other hand, using his own money, from his own bank account, would certainly be legal under this amendment."

Mr. Flanagan: "You are saying that the farm has to be incorporated to be considered a business?"

Mr. King (R): "It would have to come out of the actual corporate bank account. It would not be individual money or the kind of money paid on individual income tax."

Mr. Flanagan: "What about all the businesses that are not incorporated?"

Mr. King (R): "I think the other things are pretty well covered—sole proprietorship, partnership, limited partnership, joint ventures, or any other business entity or political action committee, which is primarily funded by a business entity listed above. If I've missed something it's not because I didn't think about it."

POINT OF INQUIRY

Mr. King (R) yielded to question by Mr. Sprague.

Mr. Sprague: "Representative King, would this amendment conflict with federal laws now that say that businesses can deduct state campaign funds?"

Mr. King (R): "No, it would not. This is a state law and federal law would supersede it in regard to federal elections. According to our caucus attorney, it would not impact federal law."

Mr. Lundquist spoke against the amendment to the amendment.

Mr. Tilly demanded the previous question, and the demand was sustained.

ROLL CALL

The Clerk called the roll on adoption of the amendment by Representative King (R) to the committee amendment to Substitute Senate Bill No. 3844, and the amendment to the amendment was adopted by the following vote: Yeas, 53; nays, 40; not voting, 5.

Voting yea: Representatives Addison, Barnes, Bickham, Brekke, Brown, Burns, Chamberlain, Dawson, Dickie, Eberle, Ehlers, Eng, Erickson, Fiske, Gallagher, Garson, Granlund, Grimm, Gruger, Hastings, Heck, Hine, James, Johnson, King J., King R., Kreidler, Lewis, Lux, Mitchell, Nelson D., Nelson G. On page 4, after line 33 add a new section as follows:

***NEW SECTION.** Sec. 8. There is added to chapter 42.17 RCW a new section to read as follows:

No candidate for public office may directly or indirectly solicit or receive any campaign contribution from any labor union, association or organization, or political action committee which is primarily funded by a labor union, association or organization."

With the consent of the House, Mr. Bond withdrew the amendment to the amendment.

Mr. Nelson (D) moved adoption of the following amendment to the committee amendment:

On page 4, line 22 after "office" insert ": PROVIDED, That nothing in this section shall prohibit the rendering of 'part-time' personal services as authorized in RCW 42.17.020(10)."

Representatives Nelson (D) and Van Dyken spoke in favor of the amendment to the amendment.

ROLL CALL

The Clerk called the roll on adoption of the amendment by Representative Nelson (D) to the committee amendment to Substitute Senate Bill No. 3844, and the amendment to the amendment was adopted by the following vote: Yeas 73; nays, 22; not voting, 3.

Voting yea: Representatives Addison, Amen, Barnes, Barr, Becker, Berleen, Bickham, Brekke, Brown, Burns, Cantu, Chamberlain, Chandler, Dawson, Dickie, Ehlers, Ellis, Eng, Erak, Fiske, Gallagher, Galloway, Garrett, Garson, Granlund, Grimm, Heck, Hine, Houchen, Johnson, King J., King R., Kreidler, Lane, Leonard, Lux, Martinis, Maxie, McCormick, McDonald, McGinnis, Mitchell, Monohon, Nelson D., Nisbet, North, O'Brien, Owen, Padden, Patrick, Pruitt, Rinehart, Rosbach, Rust, Salatino, Schmidt, Scott, Sherman, Sommers, Taylor, Teutsch, Thompson, Tilly, Tupper, Valle, Van Dyken, Vander Stoep, Walk, Wang, Warnke, Williams, Winsley, and Mr. Speaker.

The Speaker declared the House to be at ease.

The Speaker called the House to order.

The Clerk read the following amendment by Representative Nelson (D):

On page 4, following section 8 insert a new section as follows:

***NEW SECTION.** Sec. 9. There is added to chapter 42.17 RCW a new section to read as follows:

Any person or entity outside the state representing a national political party or a political action committee which contributes to any political candidate or person or entity representing or supporting a candidate or in support or opposition of a ballot measure in this state must report to the commission all contributions to such person or entity in excess of one thousand dollars as if that contributor were a political committee reporting expenditures under this chapter."

With the consent of the House, Mr. Nelson (D) withdrew the amendment to the committee amendment.

Mr. King (R) moved adoption of the following amendment to the committee amendment:

On page 4, after line 33 add a new section as follows:

***NEW SECTION.** Sec. 9. There is added to chapter 42.17 RCW a new section to read as follows:

Any legislator who participates in any form of continuing compensation arrangement with any employer, other than compensation paid by the state for public office, shall, within thirty days of the date of

the receipt thereof, submit a report to the commission specifying the amount, reason for which paid, and identify the participating parties."

Mr. King (R) spoke in favor of the amendment to the amendment.

POINT OF INQUIRY

Mr. King (R) yielded to question by Mr. Smith.

Mr. Smith: "You mean to tell me that I have to disclose everything I do on my farm because of this amendment?"

Mr. King (R): "No, unless you are employing yourself and paying yourself compensation during the session."

Mr. Smith: "I'm receiving money from my own operation on my own farm and you're saying that I have to disclose this every—how often do I have to do this?"

Mr. King (R): "It says within thirty days of the receipt thereof."

Mr. Smith spoke against the amendment to the amendment.

POINT OF INQUIRY

Mr. King (R) yielded to question by Mr. Hastings.

Mr. Hastings: "Representative King, in that phrase, 'other than compensation paid by the state for public office,' and you exempt that, how would this effect an appointed office or something to that effect?"

Mr. King (R): "I'm not sure what you mean by an appointed office of the state. Public office, I believe, is elective."

Mr. Hastings: "It says he doesn't have to report compensation paid by the state for public office. I just wondered how that would be for a person appointed to a public office. You don't define public office so I wonder, if you were appointed, what effect that would have?"

Mr. King (R): "I assume you would not have to report it."

Mr. Hastings: "Why would that be exempt when in the private sector you have to do that?"

Mr. King (R): "Public office is an office to which you are elected or appointed; this language is so that you wouldn't have to report your legislative salary on a monthly basis. People know what that is. Public office salaries are matters of public record."

Mr. Hastings: "I'm just confused because it sounds to me as if you are exempting those that are in public office from reporting their compensation and I just wanted a clarification."

Mr. King (R): "If you are talking about public employees who are receiving money during a legislative session, they would have to report that. If that's what you are getting at, but an office holder in a public office, which is one that is elected or appointed, wouldn't have to report."

POINT OF INQUIRY

Mr. King (R) yielded to question by Mr. Greengo.

Mr. Greengo: "Representative King, I work for an employer who pays me an actual salary, and I report that on my public disclosure form. What effect would this have on me? I get an annual salary that's paid on an increment and I report that. Am I, every time I get a paycheck, going to have to report it?"

Mr. King (R): "That's right, yes."

Mr. Greengo: "What does that do for public knowledge other than the fact that we know that I'm still reporting it? I can't figure out what it's trying to get at."

Mr. King (R): "What we're saying is that you are being paid during the legislative session by two employers. You are being paid by the state of Washington and you are being paid by your private employer and you are simply reporting that. It does not prohibit that. The way the public disclosure forms are listed now you are not, you are just simply recording annual income and you are not recording on whether or not you had a reduction in income as a result of your service in the legislature."

POINT OF INQUIRY

Mr. King (R) yielded to question by Mr. Garson.

Mr. Garson: "Representative King, I would like you to define compensation for me."

Mr. King (R): I'm sure there's a legal definition for compensation. I assume it means the money or things of value that you are given on a regular basis from an employer."

Representatives Garson, Barnes, Lundquist and Owen spoke against the amendment to the amendment, and Representatives King (R) and Nelson (D) spoke in favor of it.

Mr. Clayton demanded the previous question and the demand was sustained.

ROLL CALL

The Clerk called the roll on adoption of the amendment by Representative King (R) to the committee amendment to Substitute Senate Bill No. 3844, and the amendment to the amendment was not adopted by the following vote: Yes, 44; nays, 50; not voting, 4.

Voting yea: Representatives Addison, Becker, Bender, Berleen, Bickham, Brekke, Brown, Burns, Chamberlain, Dickie, Ehlers, Eng, Erickson, Gallagher, Galloway, Garson, Granlund, Grimm, Gruger, Heck, Hine, James, King J., King R., Kreidler, Lewis, Lux, Maxie, McGinnis, Monohon, Nelson D., Nelson G. A., North, Pruitt, Rinehart, Rust, Sherman, Sommers, Thompson, Tupper, Valle, Van Dyken, Walk, Wang.

Voting nay: Representatives Amen, Barnes, Barr, Bond, Cantu, Clayton, Dawson, Eberle, Ellis, Erak, Fancher, Fiske, Flanagan, Garrett, Greengo, Hankins, Hastings, Houchen, Isaacson, Johnson, Lane, Leonard, Lundquist, Martinis, McCormick, McDonald, Mitchell, Nickell, Nisbet, O'Brien, Owen, Padden, Patrick, Prince, Rosbach, Salatino, Schmidt, Scott, Smith, Sprague, Stratton, Struthers, Taylor, Teutsch, Tilly, Vander Stoep, Warnke, Williams, Winsley, and Mr. Speaker.

Not voting: Representatives Barrett, Chandler, Sanders, Wilson.

Such investigation shall be initiated by a resolution of the board and shall state the nature and purpose of the investigation and the actions or activities to be investigated. No investigation of any person may be commenced until it has been authorized by the board and until the person who is the subject of the investigation has been notified of the investigation pursuant to subsection (4) of this section. If the complaint is so amended by the board, a copy of the amendment shall be sent to the person complained against within forty-eight hours.

(4) As soon as it becomes apparent to the executive director that there exists probable cause for the belief that a particular person has committed a violation of the code of ethics, the executive director shall apply to the board for a resolution authorizing the investigation and, if secured, shall forward a copy of the resolution to the alleged violator together with a notice informing the alleged violator that such person is the subject of the investigation authorized by such resolution and a general statement of the applicable statutes with respect to such investigation.

NEW SECTION. Sec. 21. Pursuant to any investigation or hearing conducted under this chapter, the board has the power:

(4) To pay witnesses the same fees and mileage as are paid in like circumstances by the courts of this state.

NEW SECTION. Sec. 22. (1) At the conclusion of its investigation, the board shall, in preliminary written findings of fact and conclusions based thereon, make a determination of whether or not probable cause exists to believe that a violation of the code of ethics has occurred. If the board determines that no probable cause exists, it shall immediately send written notice of such determination to the accused and to the party who made the complaint. If the board determines that there is probable cause for believing that a violation of the code of ethics has been committed, its preliminary findings of fact and conclusions may contain:

(a) A recommendation for criminal prosecution which shall be referred to the prosecuting attorney in whose jurisdiction the alleged violation occurred, and, if the prosecuting attorney fails to commence a prosecution within thirty days, to the attorney general, who may then commence a prosecution; or

(b) An order setting a date for hearing before the board to determine whether a violation of code of ethics has occurred. Such order shall be served upon the accused. A hearing ordered under this subsection (b) shall be commenced within thirty days of the date it is ordered unless the accused petitions for and the board consents to a later date. Prior to any hearing ordered under this subsection (b), the accused is entitled to full discovery rights, including adverse examination of witnesses who will testify at the hearing at a reasonable time before the date of the hearing.

(2) The board shall inform the accused or his or her counsel of exculpatory evidence in its possession.

(3) If the board makes a recommendation for criminal prosecution under subsection (1) of this section, the prosecuting attorney to whom the recommendation is made shall, within thirty days of receipt of such recommendation, make a decision whether to prosecute the party charged. The board shall give written notice of any referral under this subsection to the accused. The prosecuting attorney shall give written notice of the decision to the accused, the complainant, and the board.

NEW SECTION. Sec. 23. (1) During any investigation and during any hearing which is conducted to determine whether a violation of the code of ethics has occurred, the person under investigation or the accused may be represented by counsel of his or her own choosing. The accused or his or her representative, if any, shall have an opportunity to challenge the sufficiency of any complaint which has been filed against him or her, to examine all documents and records obtained or prepared by the board in connection with the matter heard, to bring witnesses, to establish all pertinent facts and circumstances, to question or refute testimony or evidence including the opportunity to confront and cross-examine adverse witnesses, and shall otherwise be able to exercise fully any pretrial discovery procedure usually available in civil actions. During any hearing conducted by the board to determine whether a violation of the code of ethics has occurred, all evidence including certified copies of records which the board considers shall be fully offered and made a part of the record in the proceedings. The accused or any other person under investigation shall be afforded adequate opportunity to rebut or offer countervailing evidence. Upon request of the accused, the board shall issue subpoenas to compel the attendance of necessary witnesses.

(2) Any person whose name is mentioned or who is otherwise identified during a hearing being conducted by the board and who, in the opinion of the board, may be adversely affected thereby, may, upon his or her request or upon the request of any member, appear personally before the board and testify on his or her own behalf, and the board may permit any other person to appear and to testify at a hearing.

(3) The standards of evidence and the burden of proof applicable to criminal proceedings shall apply to hearings under this section.

(4) After the conclusion of its hearing, the board shall as soon as practicable begin deliberations on the evidence presented at such hearing and shall then proceed to determine whether the accused has violated the code of ethics.

NEW SECTION. Sec. 24. At the conclusion of a hearing, the board shall issue findings of fact and conclusions, orders, and recommendations. If the board determines that no violation of the code of ethics has occurred, it shall immediately send written notice of such determination to the accused and to the party who made the complaint. If the board determines that a violation of the code of ethics has occurred, its findings of fact and conclusions may contain one or more of the following orders or recommendations:

(1) In the case of a public official or state employee, a recommendation that the public official be censured, suspended, or removed from office or employment. Such recommendation shall be made to the appropriate appointing authority who may censure, suspend, or take action to remove the official from office or employment.

(2) In the case of a legislator, a recommendation that the person be censured, suspended, or removed from office. Such recommendation shall be made to the appropriate house of the legislature.

(3) An order requiring the accused to conform his or her conduct to the code of ethics.

(4) Such other recommendation or order as may be necessary and appropriate and is consistent with the intent and purposes of this chapter and the code of ethics.

NEW SECTION. Sec. 25. The following acts or parts of acts are each repealed:

Mr. Ellis spoke in favor of the amendment to the committee amendment.

POINT OF ORDER

Mr. Pruitt: "Mr. Speaker, I'm raising a point of order as I believe this amendment is out of scope and object. This is a bill relating to campaign financing. I do not believe that this deals with the same thing. It deals with a different kind of system with the Board of Ethics."

SPEAKER'S RULING

The Speaker: "Representative Pruitt, for a point of order to be raised it must be made in a timely fashion before debate has ensued. Your point of order is not well taken."

Mr. Ellis continued his remarks in favor of the amendment to the amendment, and Representatives Pruitt and Van Dyken spoke against it.

POINT OF INQUIRY

Mr. Ellis yielded to question by Ms. Rust.

Ms. Rust: "Representative Ellis, this is not the first time you have introduced what looks like a whole bill as an amendment to a bill. Some of these other bills are ones that we had and they failed to pass in the Senate, but if you have followed this from months ago as chairman of the committee that dealt with the subject, why haven't you had a hearing on it earlier?"

Mr. Ellis: "Representative Rust, thank you for asking me that question. We appointed Representative Tupper as Chairman of a Subcommittee on Ethics, and he had a full committee there and I thought they were going to have a meeting on it. I waited. This bill has been around for two months, and I have been waiting for a meeting."

Representatives Barnes and King (R) spoke against the amendment to the amendment, and Mr. Ellis spoke again in favor of it.

Ms. Rosbach demanded the previous question and the demand was sustained.

ROLL CALL

The Clerk called the roll on adoption of the amendment by Representative Ellis to the committee amendment to Substitute Senate Bill No. 3844, and the amendment to the amendment was not adopted by the following vote: Yeas, 16; nays, 72; not voting, 10.

NEW SECTION. Sec. 9. The fair campaign practices code for candidates and ballot issues is as follows:

(1) I shall conduct my campaign, and to the extent reasonably possible shall insist that my supporters conduct themselves, in a manner consistent with the best American tradition, discussing the issues and presenting my record and policies with sincerity and candor.

(2) I shall uphold the right of every qualified voter to free and equal participation in the election process.

(3) I shall not participate in, and I shall condemn, personal vilification, defamation, and other attacks on any opposing candidate or party which I do not believe to be truthful, provable, and relevant to my campaign.

(4) I shall not use or authorize, and I shall condemn material relating to my campaign, which falsifies, misrepresents, or distorts the facts, including but not limited to malicious or unfounded accusations creating or exploiting doubts as to the morality, patriotism, or motivations of any party or candidate.

(8) I shall refrain from any misuse of the Public Disclosure Law, chapter 42.17 RCW, to gain political advantage for myself or any other candidate.

NEW SECTION. Sec. 10. (1) A copy of the code provided in section 9 of this 1981 act shall be printed in appropriate campaign reporting instructions made available to candidates and political committees.

(2) The registration statement for candidates shall contain a section wherein the candidate shall indicate that he or she has read the code and agrees to comply with all provisions on that code.

(3) Any complaint concerning the code shall be filed with the legislative ethics board of the appropriate house of the legislature.

(4) Upon receipt and acceptance of a complaint, the appropriate legislative ethics board shall hire a person outside the legislative staff to advise the board during its review of the complaint. The appropriate legislative ethics board shall submit a report of its findings to the full body on the first day of the next regular session of the legislature.

(5) Failure to subscribe to the code or to complete that section of the registration statement pertaining to the code shall constitute a violation of chapter 42.17 RCW.

(6) Any vacancy in the legislature that occurs due to an action brought under this 1981 act shall be filled by the party of last duly elected candidate in accordance with Article II, section 15 of the state Constitution."

ROLL CALL

The Clerk called the roll on adoption of the amendment by Representative Van Dyken to the committee amendment to Substitute Senate Bill No. 3844, and the amendment to the amendment was adopted by the following vote: Yeas, 85; nays, 9; not voting, 4.

Voting yea: Representatives Addison, Amen, Barnes, Barr, Becker, Bender, Berleen, Bickham, Brekke, Brown, Burns, Cantu, Chamberlain, Dawson, Dickie, Eberle, Ehlers, Ellis, Eng, Erak, Erickson, Fiske, Flanagan, Gallagher, Galloway, Garrett, Garson, Granlund, Greengo, Grimm, Gruger, Heck, Hine, Houchen, James, Johnson, King J., King R., Kreidler, Lane, Leonard, Lewis, Lux, Martinis, Maxie, McCormick, McDonald, Mitchell, Monohon, Nelson D., Nelson G. Voting nay: Representatives Bond, Clayton, Fancher, Hankins, Hastings, Lundquist, McGinnis, Smith, Struthers.

Not voting: Representatives Barrett, Chandler, Isaacson, Wilson.

SPEAKER'S EXPLANATION

The Speaker: "There is a new amendment on your desks by Representative Nisbet. It is, in fact, an amendment to Substitute Senate Bill No 3844. We have before us at this point a committee amendment to the bill. Both of these amendments strike everything after the enacting clause. Procedurally, we should take up the committee amendment as it has been amended here on the floor tonight and vote on that issue first and the second issue to be considered following that would be the Nisbet amendment, which also seeks to strike everything after the enacting clause and insert. The question now before the House is the adoption of the committee amendment as amended."

POINT OF PARLIAMENTARY PROCEDURE

Mr. Williams: "Mr. Speaker, am I to understand then that if we all vote yes on the committee amendment, we also would have the opportunity to vote on the floor amendment by Representative Nisbet?"

The Speaker: "Yes, that is correct."

POINT OF ORDER

Mr. King (R): "I don't believe we would be able to vote twice on the motion to strike."

SPEAKER'S RULING

The Speaker: "Representative King, your point of order is, would the Nisbet amendment be allowed to be offered if the committee amendment is adopted. Your point of order is well taken. The procedural situation we now find ourselves in is that if your intention is to get to the Nisbet amendment, the committee amendment would have to fail, thereby placing the original bill before this body. If, however, you favor the committee amendment as has been amended by this body, and you do not wish to get to the Nisbet amendment, then you vote for the committee amendment, and if that is passed the Nisbet amendment cannot be offered. Part of the rationale behind that ruling is that the body has adopted a number of amendments and you cannot come back and strike those amendments without a member who has voted on the prevailing side on each of those amendments moving to reconsider those amendments."

POINT OF PARLIAMENTARY PROCEDURE

Mr. Nelson (G): "Mr. Speaker, if we were to defeat the perfected committee amendment on this floor and the Nisbet amendment were then offered, striking the bill and inserting new material, would it be possible for members of this body to then add amendments to the Nisbet amendment?"

The Speaker: "Yes, it would. The Nisbet amendment would be open for amendment. In fact, we would be right back in the same position starting as we were four hours ago with the committee amendment."

POINT OF PARLIAMENTARY PROCEDURE

Mr. Van Dyken: "If Representative Nisbet's amendment read, 'House amendment to the committee amendment,' instead of 'House amendment to Substitute Senate Bill No. 3844,' would that be a valid amendment to the amendment?"

The Speaker: "The amendment, if it were drafted as an add-on amendment to add more paragraphs to the committee amendment, could be offered, but it cannot be offered in such a manner as to strike the thing this body has already acted on tonight."

The Speaker stated the question before the House to be the committee amendment as amended.

Representatives Salatino, Patrick, Pruitt, Becker, Van Dyken, Grimm, Heck, Sommers, Tupper and Nelson (D) spoke in favor of the amendment as amended, and Representatives Amen, Struthers, Nisbet and Barnes spoke against it.

Mr. Warnke demanded the previous question, and the demand was sustained.

POINT OF PERSONAL PRIVILEGE

Mr. Van Dyken: "Mr. Speaker, I think that it is important to note a mention in the talk about the cartoons about railroading, that it takes a leadership of confidence; it takes a leadership of openness and it takes a leadership of candor to allow a bill such as this to come to the floor of the House of Representatives for as thorough a debate as we have had tonight, which has not occurred in this body for years."

ROLL CALL

The Clerk called the roll on adoption of the committee amendment as amended to Substitute Senate Bill No. 3844, and the amendment was adopted by the following vote: Yeas, 81; nays, 15; not voting, 2.

Voting yea: Representatives Addison, Barr, Becker, Bender, Berleen, Bickham, Bond, Brekke, Brown, Burns, Cantu, Chamberlain, Chandler, Dawson, Dickie, Eberle, Ehlers, Eng, Erak, Erickson, Fancher, Fiske, Flanagan, Gallagher, Galloway, Garrett, Garson, Granlund, Greengo, Grimm, Gruger, Hankins, Hastings, Heck, Hine, Houchen, Isaacson, James, Johnson, King J., King R., Kreidler, Lane, Leonard, Lewis, Lundquist, Lux, Martinis, Maxie, McCormick, McDonald, McGinnis, Mitchell, Nelson D., Nelson G. A., Nickell, North, O'Brien, Padden, Pruitt, Rinehart, Rust, Salatino, Sanders, Scott, Sherman, Sommers, Sprague, Stratton, Struthers, Taylor, Teutsch, Thompson, Tupper, Valle, Van Dyken, Walk, Wang, Warnke, Winsley, and Mr. Speaker.

Voting nay: Representatives Amen, Barnes, Clayton, Ellis, Monohon, Nisbet, Owen, Patrick, Prince, Rosbach, Schmidt, Smith, Tilly, Vander Stoep, Williams.

Not voting: Representatives Barrett, Wilson.

Mr. Ellis moved adoption of the committee amendment to the title of the bill.

On motion of Mr. Van Dyken, the following amendment to the title amendment was adopted:

On page 5, line 11 of the title after "RCW;" strike "and" and on line 13 after "RCW" insert "; and declaring an emergency"

The committee amendment to the title as amended was adopted.

MOTION

On motion of Mr. Nelson (G), the rules were suspended, the second reading considered the third, and the bill was placed on final passage.

Mr. Nisbet spoke against final passage of the bill.

ROLL CALL

The Clerk called the roll on the final passage of Substitute Senate Bill No. 3844 as amended by the House, and the bill passed the House by the following vote: Yeas, 87; nays, 10; not voting, 1.

Voting yea: Representatives Addison, Amen, Barnes, Barr, Becker, Bender, Berleen, Bickham, Bond, Brekke, Brown, Burns, Cantu, Chamberlain, Chandler, Clayton, Dawson, Dickie, Eberle, Ehlers, Ellis, Eng, Erak, Erickson, Fancher, Fiske, Flanagan, Gallagher, Galloway, Garrett, Garson, Granlund, Greengo, Grimm, Gruger, Hankins, Hastings, Heck, Hine, Houchen, Isaacson, James, Johnson, King J., King R., Kreidler, Lane, Leonard, Lewis, Lux, Martinis, Maxie, McCormick, McDonald, McGinnis, Mitchell, Nelson D., Nelson G. A., Nickell, North, O'Brien, Padden, Pruitt, Rinehart, Rust, Salatino, Sanders, Schmidt, Scott, Sherman, Sommers, Sprague, Stratton, Struthers, Taylor, Teutsch, Thompson, Tilly, Tupper, Valle, Van Dyken, Walk, Wang, Warnke, Wilson, Winsley, and Mr. Speaker.

Voting nay: Representatives Lundquist, Monohon, Nisbet, Owen, Patrick, Prince, Rosbach, Smith, Vander Stoep, Williams.

Not voting: Representative Barrett.

Substitute Senate Bill No. 3844 as amended by the House, having received the constitutional majority, was declared passed. There being no objection, the title of the bill was ordered to stand as the title of the act.

ENGROSSED HOUSE BILL NO. 719, Prime Sponsor: Committee on Education, providing for a citizens study commission on school finance. Reported by Committee on Education.

MAJORITY recommendation: Do pass with the following amendment:

Strike everything after the enacting clause and insert the following:

NEW SECTION. Section 1. The state of Washington has enacted major school finance reform legislation during recent legislative sessions. These laws represent an appropriate and necessary response to the state's constitutional requirement to make ample provision for the education of all children and to do so on a general and uniform basis.

New issues have arisen, however, that must be addressed in order to ensure that the present school funding system operates effectively and results in a quality system of public education that promotes high standards of academic excellence for all children. Problems that have been or must soon be examined by the legislature include: How to ensure that limited resources are provided at levels and in ways that are both fair to children and fair to taxpayers; how to maintain local control and choice within a system of state funding; and how to encourage excellence within Washington's public educational system.

Any needed changes in the school finance laws should not be made, however, without the benefit of a careful, in-depth study of the current laws, their effects on local districts, and alternative solutions to current and emerging problems. It is also important that there be broad public discussion of school finance issues, and that the knowledge and experiences of many individuals be drawn upon systematically.

NEW SECTION. Sec. 2. There is hereby created a Citizens Study Commission on School Finance. The purpose of the commission shall be two-fold: To study school finance and quality education issues and make recommendations to the governor, the legislature, state agencies, and the citizens of this state; and to provide a forum for public discussion of those issues.

Generally, the commission members shall consider how to maintain an excellent, locally directed system of public education within the adopted system of state funding and with limited resources. More specifically, the commission shall address the following issues:

(1) Ample and equitable state funding of the educational needs of all children, with minimum regulation over program and reasonable control over costs.

(2) The state's responsibility to fully fund adequate staff salaries, and the impact of various alternative funding methods on staff quality and salary negotiations.

(3) Alternative approaches to the levy lid that might be appropriate, including increasing or removing the lid.

(4) Encouragement of more effective, more responsive and responsible decision making at the local level, including a review of community-based models enacted in other states, such as school-site planning, that might be suitable in Washington.

(5) Financial and nonfinancial incentives that might be appropriate in order to stimulate more effective use of limited resources, and encourage utilization of the ideas, talents, and best efforts of teachers, administrators, and citizens.

(6) The roles of the state and local districts in providing and funding incentives to excellence.

NEW SECTION. Sec. 3. The commission shall consist of nineteen members, each of whom shall apply for membership and demonstrate his or her concern and interest in the education of all children. Furthermore, all members will serve as individuals rather than as representatives of organizations or institutions. Total membership will reflect a racial and geographic balance and will include some citizens who are professionals in the fields of education, law, finance, and administration.

Fifteen members shall be appointed by the governor, following an open application process. Two members shall be appointed by the speaker of the house, one from each political party; and two members shall be appointed by the majority leader of the senate, one from each political party. The chairman of the commission shall be elected by the commission members.

The commission shall be constituted and ready to hire staff and begin work by October 1, 1981. Draft recommendations shall be proposed by October 1, 1982, and after extensive state-wide public discussion of those recommendations, final recommendations for appropriate action shall be completed and presented to the governor by December 1, 1982. Members of the commission shall present those recommendations to the legislature, to state agencies, and to the public as soon as possible after the 1983 legislature convenes, and the commission shall cease to function by the end of the 1983 legislative session.

NEW SECTION. Sec. 4. The commission may establish advisory committees and task forces and may employ such staff or consultants as it may deem necessary to fulfill its duties."

Signed by Representatives Taylor, Chairman; Johnson, Vice Chairman; Bender, Cantu, Ellis, Galloway, Hine, Lewis, Maxie, Vander Stoep.

Voting nay: Representatives Valle, Ranking Minority Member; Dickie, Ehlers, James.

Not signing: Representative Eng.

Not attending: Representatives Lane, McDonald, Warnke.

Mr. Nelson (D): "Representative Isaacson, you mentioned that this might place the new members of the corporate board that we have put in place under Senate Bill No. 3797 in jeopardy. My understanding is that those people will be members of the executive board whereas this speaks to the 'board' which is another body. Isn't that correct?"

Mr. Isaacson: "I believe that the amendment that is placed by the Senate merely says 'board.' It does not define board in the statutes. Therefore, the subject is open to question and for that reason it should be voted against, because that does stop the entire issue."

The motion failed.

Before any general obligation bonds issued by any county, city, town, school district, port district, or metropolitan park district shall be offered for sale the governing body issuing such bonds shall designate the maximum effective rate of interest said bonds shall bear, which shall not be in excess of that allowed by law. SENATE AMENDMENTS TO HOUSE BILL

April 20, 1981

Mr. Speaker:

The Senate has passed SECOND SUBSTITUTE HOUSE BILL NO. 338 with the following amendments:

Strike everything after the enacting clause and insert the following:

*Section 1. Section 2, chapter 28, Laws of 1977 ex. sess. and RCW 43.52.490 are each amended to read as follows:

An operating agency shall have the power to ~~((make any amendment to))~~ amend a contract previously let for the construction of ~~((the project))~~ a nuclear generating project and associated facilities, by change order or other writing, if ~~((it finds))~~ the managing director certifies to the executive board or executive committee and the executive board or executive committee finds in an open public meeting that:

(1) Such amendment is necessary to comply with applicable regulations or standards of any state or federal governmental agency, or with any change in plans or specifications recommended by the architect-engineer in charge of the project or under his (its) direction or by the managing director for the purpose of improving the safety or feasibility of the project or expediting completion of the project on the most advantageous terms in the public interest~~((PROVIDED, That))~~;

(2) Such amendment does not provide for a type of construction ~~((of a project))~~ basically different from that provided for in such contract;

(3) The plans and specifications for work to be performed under the contract amendment are at least fifty percent complete; and

(4) Such amendment specifies that the contractor will be compensated for actual work performed valued at its contracted cost.

Nothing in this 1981 act may be construed to bear on the validity of any contract amendment executed under the law as it existed prior to the effective date of this 1981 act or to affect any judicial proceeding arising from actions taken under such law.

This section shall expire on December 31, 1987, or on the date that construction is completed on those nuclear generating projects which are under construction by any joint operating agency on the effective date of this act, whichever is sooner.

NEW SECTION, Sec. 2. There is added to chapter 43.52 RCW a new section to read as follows:

It is the long-established policy of the state of Washington that competitive bidding for construction and procurement contracts for public improvements is the best practice and is in the public interest in assuring the citizens of the state the lowest cost in obtaining these improvements. However, the legislature declares that for certain work during the final stages of construction and startup of a nuclear generating project and associated facilities it will permit award of contracts through competitive negotiation when competitive bidding is not practicable or not advantageous.

The legislature intends that negotiated contracts be limited to the final stages of construction and startup of a nuclear generating project and associated facilities.

NEW SECTION, Sec. 3. There is added to chapter 43.52 RCW a new section to read as follows:

In addition to the powers of an operating agency under other provisions of law, an operating agency may enter into a contract for work to be performed during the final stages of construction and startup through negotiation without competitive bids only if all the following conditions are first satisfied:

(1) The executive board or executive committee of the operating agency has adopted a procedure to determine when a project has reached the final stages of construction and startup. A project shall not be considered to have reached the final stages of completion and startup unless the managing director certifies that the project is approximately eighty percent or more complete calculated by the method used to determine this percentage for the purpose of disclosing relevant information under 15 U.S.C. Sec. 77 et seq. as existing on the effective date of this act.

(2) The managing director certifies in writing to the executive board or executive committee and the executive board or executive committee finds that executing a negotiated contract will accomplish completion and startup more economically, expeditiously, or safely than executing a competitively bid contract.

(3) The selection of a contractor was made in accordance with procedures adopted by the executive board or executive committee requiring competitive proposals, the request for which states the relative importance of the various evaluation factors, including professional competence of offerors, the technical merits of offers, and the price.

(4) The joint operating agency retains authority and responsibility for inspection, testing, and compliance with applicable regulations or standards of any state or federal governmental agency.

(5) The operating agency has defined in writing the roles, responsibilities, and obligations of the new contractor and any contractor who commenced any work to be reworked, performed by, or completed by the new contractor.

NEW SECTION, Sec. 4. There is added to chapter 43.52 RCW a new section to read as follows:

An operating agency may provide in any negotiated contract for payment of cost and compensation in the form of reimbursement of actual contractor's costs recognized as allowable under the contract, plus a profit or fee as set forth in the contract, only if there is compliance with the following requirements:

(1) The managing director certifies to the executive board or executive committee that it is not feasible to determine in advance what a fixed or unit contract price should be for the work, materials, or equipment

to be covered by the proposed contract, either because of difficulty in defining and detailing the scope of the work to be performed, the materials, or equipment required;

(2) The executive board or executive committee finds in an open public meeting held under chapter 42.30 RCW that the contract is likely to be less costly than contracts of other types or that it is impracticable to obtain the work, materials, or equipment required except under the contract;

(3) The contract provides that:

(a) The contractor shall submit cost or pricing data and shall certify that, to the best of its knowledge and belief, the cost and pricing data submitted were accurate, complete, and current as of a mutually agreed upon date which is prior to the pricing of the negotiated contract;

(b) The operating agency and the state auditor shall audit the books and records of the contractor, its subcontractors under the contract, or any person who has submitted cost or pricing data in connection with the obtaining of the contract or the performance of the contract as necessary to determine compliance with relevant provisions of law;

(c) The contract price or compensation, including any profit or fee, shall be adjusted to exclude any significant sum by which the price was increased because contractor-furnished cost or pricing data was inaccurate, incomplete, or not current as of the date agreed upon between the parties; and

(d) Notice is given to the contractor that the provisions of chapters 42.20 and 42.23 RCW apply to employees and officers of the operating agency; and

(4) Standards or guidelines are set forth in the contract for the determination of what the compensation payable to the contractor shall be, which shall not be based upon cost-plus-a-percentage-of-cost.

NEW SECTION, Sec. 5. There is added to chapter 43.52 RCW a new section to read as follows:

The administrative auditor shall file with the executive board or executive committee of the operating agency a quarterly report relating to compliance by the operating agency with sections 1 through 4 of this act. The administrative auditor shall file copies of the report with the legislative budget committee, which shall file a copy of each report with the respective chairpersons of the energy and utilities committees of the senate and house of representatives under RCW 43.52.378.

NEW SECTION, Sec. 6. There is added to chapter 43.52 RCW a new section to read as follows:

All of the provisions of Titles 9 and 9A RCW apply to actions of a joint operating agency.

NEW SECTION, Sec. 7. Section 1, chapter 28, Laws of 1977 ex. sess. and RCW 43.52.480 are each repealed.

NEW SECTION, Sec. 8. Sections 2 through 5 of this act shall expire on December 31, 1987, or on the date that construction is completed on those nuclear generating projects which are under construction by any joint operating agency on the effective date of this act, whichever is sooner.

NEW SECTION, Sec. 9. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

NEW SECTION, Sec. 10. This act is necessary for the immediate preservation of the public peace, health, and safety, the support of the state government and its existing public institutions, and shall take effect immediately."

On page 1, line 1 of the title, after "Relating to operating agencies;" strike the remainder of the title and insert "amending section 2, chapter 28, Laws of 1977 ex. sess. and RCW 43.52.490; adding new sections to chapter 43.52 RCW; repealing section 1, chapter 28, Laws of 1977 ex. sess. and RCW 43.52.480; prescribing penalties; providing expiration dates; and declaring an emergency." and the same is herewith transmitted.

Mr. Speaker:

The Senate has passed ENGROSSED HOUSE BILL NO. 427 with the following amendment:

Strike everything after the enacting clause and insert the following:

*Section 1. Section 1, chapter 303, Laws of 1977 ex. sess. and RCW 28A.02.110 are each amended to read as follows:

Notwithstanding any other provision of law, school districts, educational service districts, or any other state or local governmental agency concerned with education, when declaring texts and other books, equipment, (~~instructional~~) materials or relocatable facilities as surplus, shall, prior to other disposal thereof, serve notice in writing to the office of the state superintendent of public instruction and to any public school district or private school in Washington state annually requesting such a notice, that the same is available for sale, rent, or lease to public school districts or private schools, at depreciated cost or fair market value, whichever is greater: PROVIDED, That students wishing to purchase texts pursuant to RCW 28A.58.103(2) shall have priority as to such texts. Such districts or agencies shall not otherwise sell, rent or lease such surplus property to any person, firm, organization, or nongovernmental agency for at least forty-five days following the date notification is mailed to the state superintendent of public instruction.

Sec. 2. Section 2, chapter 115, Laws of 1980 and RCW 28A.58.033 are each amended to read as follows:

(1) Every school district board of directors is authorized to permit the rental, lease, or occasional use of all or any portion of any surplus real property owned or lawfully held by the district to any person, corporation, or government entity for profit or nonprofit, commercial or noncommercial purposes: PROVIDED, That the leasing or renting or use of such property is for a lawful purpose, is in the best interest of the district, and does not interfere with conduct of the district's educational program and related activities: PROVIDED FURTHER, That the lease or rental agreement entered into shall include provisions which permit the recapture of the leased or rented surplus property of the district should such property be needed for school purposes in the future.

(2) Authorization to rent, lease or permit the occasional use of surplus school property under this section, RCW 28A.58.034 and 28A.58.040, each as now or hereafter amended, is conditioned on the establishment by each school district board of directors of a policy governing the use of surplus school property.

(3) The board of directors of any school district desiring to rent or lease any surplus real property owned by the school district shall send written notice to the office of the state superintendent of public instruction. School districts shall not rent or lease the property for at least forty-five days following the date notification is mailed to the state superintendent of public instruction.

(4) Private schools shall have the same rights as any other person or entity to submit bids for the rental or lease of surplus real property and to have such bids considered along with all other bids: PROVIDED, That the school board may establish reasonable conditions for the use of such real property to assure the safe and proper operation of the property in a manner consistent with board policies.

Sec. 3. Section 28A.58.040, chapter 223, Laws of 1969 ex. sess. as amended by section 1, chapter 115, Laws of 1980 and RCW 28A.58.040 are each amended to read as follows:

The board of directors of each school district shall have exclusive control of all school property, real or personal, belonging to the district; said board shall have power, subject to RCW 28A.58.045, as now or hereafter amended, in the name of the district, to convey by deed all the interest of their district in or to any real property of the district which is no longer required for school purposes. Except as otherwise specially provided by law, and RCW 28A.58.045, as now or hereafter amended, the board of directors of each school district may purchase, lease, receive and hold real and personal property in the name of the district, and rent, lease or sell the same, and all conveyances of real estate made to the district shall vest title in the district.

Sec. 4. Section 28A.58.045, chapter 223, Laws of 1969 ex. sess. as last amended by section 1, chapter 16, Laws of 1979 ex. sess. and RCW 28A.58.045 are each amended to read as follows:

(b) Purchase real property for the purpose of locating thereon and affixing thereto any house or houses and appurtenant buildings removed from school sites owned by the district and sell for cash, at public or private sale, and convey by deed all interest of the district in or to such acquired and improved real property.

(2) When the board of directors of any school district proposes a sale of school district real property pursuant to this section and the value of the property exceeds seventy thousand dollars, the board shall publish a notice of its intention to sell the property. The notice shall be published at least once each week during two consecutive weeks in a legal newspaper with a general circulation in the area in which the school district is located. The notice shall describe the property to be sold and designate the place where and the day and hour when a hearing will be held. The board shall hold a public hearing upon the proposal to dispose of the school district property at the place and the day and hour fixed in the notice and admit evidence offered for and against the propriety and advisability of the proposed sale.

(3) The board of directors of any school district desiring to sell surplus real property shall send written notice of that intent to the office of the state superintendent of public instruction. School districts shall not

sell the property for at least forty-five days following the date notification is mailed to the state superintendent of public instruction.

(4) Private schools shall have the same rights as any other person or entity to submit bids for the purchase of surplus real property and to have such bids considered along with all other bids.

(5) Any sale of school district real property authorized pursuant to this section shall be preceded by a market value appraisal by three licensed real estate brokers selected by the board of directors and no sale shall take place if the sale price would be less than ninety percent of ((such appraised market value)) the average of the three appraisals made by the brokers: PROVIDED, That if the property has been on the market for ((three)) one year((s)) or more the property may be reappraised and sold for not less than seventy-five percent of the ((appraised)) average reappraised value with the unanimous consent of the board.

((4)) (6) If in the judgment of the board of directors of any district the sale of real property of the district not needed for school purposes would be facilitated and greater value realized through use of the services of licensed real estate brokers, a contract for such services may be negotiated and concluded: PROVIDED, That the use of a licensed real estate broker will not eliminate the obligation of the board of directors to provide the notice described in this section: PROVIDED FURTHER, That the fee or commissions charged for any broker services shall not exceed seven percent of the resulting sale value for a single parcel: PROVIDED FURTHER, That any licensed real estate broker selected by the board to appraise the market value of a parcel of property to be sold may not be a party to any contract with the school district to sell such parcel of property for a period of three years after the appraisal.

((5)) (7) If in the judgment of the board of directors of any district the sale of real property of the district not needed for school purposes would be facilitated and greater value realized through sale on contract terms, a real estate sales contract may be executed between the district and buyer: PROVIDED, That the terms and conditions of any such sales contract must comply with rules and regulations of the state board of education, herein authorized, governing school district real property contract sales.

NEW SECTION. Sec. 5. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.*

and the same is herewith transmitted.

Sidney R. Snyder, Secretary.

SENATE AMENDMENTS TO HOUSE BILL

April 20, 1981

Mr. Speaker:

The Senate has passed ENGROSSED SECOND SUBSTITUTE HOUSE BILL NO. 440 with the following amendments:

On page 1, line 4 of the title after "9A.20.020;" insert "amending section 4, chapter 14, Laws of 1975 as last amended by section 1, chapter 244, Laws of 1979 and RCW 9A.44.040"

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Section 1. The purpose of this chapter is to make the criminal justice system accountable to the public by developing a system for the sentencing of felony offenders which structures, but does not eliminate, discretionary decisions affecting sentences, and to add a new chapter to Title 9 RCW designed to:

(1) Ensure that the punishment for a criminal offense is proportionate to the seriousness of the offense and the offender's criminal history;

(2) Promote respect for the law by providing punishment which is just;

(3) Be commensurate with the punishment imposed on others committing similar offenses;

(4) Protect the public;

(5) Offer the offender an opportunity to improve him or herself; and

(6) Make frugal use of the state's resources.

NEW SECTION. Sec. 2. This chapter may be known and cited as the sentencing reform act of 1981.

NEW SECTION. Sec. 3. Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

(1) 'Commission' means the sentencing guidelines commission.

(2) 'Community supervision' means a period of time during which a convicted offender is subject to crime-related prohibitions and other sentence conditions imposed pursuant to this chapter by a court. For first-time offenders, the supervision may include crime-related prohibitions and other conditions imposed pursuant to section 12(4) of this act.

(3) 'Confinement' means total or partial confinement as defined in this section.

(4) 'Conviction' means an adjudication of guilt pursuant to Titles 10 or 13 RCW.

(5) 'Crime-related prohibition' means an order of a court prohibiting conduct which directly relates to the circumstances of the crime for which the offender has been convicted, and shall not be construed to mean orders directing an offender affirmatively to participate in rehabilitative programs or to otherwise perform affirmative conduct.

(6)(a) 'Criminal history' means the list of a defendant's prior convictions, whether in this state, in federal court, or elsewhere. The history shall include, where known, for each conviction (i) whether the defendant has been placed on probation and the length and terms thereof; and (ii) whether the defendant has been incarcerated and the length of incarceration.

(b) 'Criminal history' includes a defendant's convictions or pleas of guilty in juvenile court if: (i) The guilty plea or conviction was for an offense which is a felony and is criminal history as defined in RCW 13.40.020(6)(a); and (ii) the defendant was fifteen years of age or older at the time the offense was committed; and (iii) the defendant was twenty-three years of age or less at the time the offense for which he or she is being sentenced was committed.

(7) 'Department' means the department of social and health services.

(8) 'Determinate sentence' means a sentence which states with exactitude the number of actual years, months, or days of total confinement, of partial confinement, of community supervision, the number of actual hours or days of community service work, or dollars or terms of a fine or restitution. The fact that an offender through 'earned early release' can reduce the actual period of confinement shall not affect the classification of the sentence as a determinate sentence.

(9) 'Fines' means the requirement that the offender pay a specific sum of money over a specific period of time to the court.

(10) 'First-time offender' means any person convicted of a felony not classified as a violent offense under this chapter, who previously has never been convicted of a felony in this state, federal court, or another state, and who has never participated in a program of deferred prosecution for a felony offense.

(11) 'Offender' means a person who has committed a felony established by state law and is eighteen years of age or older or is less than eighteen years of age but whose case has been transferred by the appropriate juvenile court to a criminal court pursuant to RCW 13.40.110. Throughout this chapter, the terms 'offender' and 'defendant' are used interchangeably.

(12) 'Partial confinement' means confinement for no more than one year in a facility or institution operated or utilized under contract by the state or any other unit of government, for a substantial portion of each day with the balance of the day spent in the community.

(13) 'Restitution' means the requirement that the offender pay a specific sum of money over a specific period of time to the court as payment of damages. The sum may include both public and private costs. The imposition of a restitution order does not preclude civil redress.

(14) 'Sentence range' means the sentencing court's discretionary range in imposing a nonappealable sentence.

(15) 'Total confinement' means confinement inside the physical boundaries of a facility or institution operated or utilized under contract by the state or any other unit of government for twenty-four hours a day, or pursuant to RCW 72.64.050 and 72.64.060.

(16) 'Violent offense' means:

(a) Any of the following felonies, as now existing or hereafter amended: Any felony defined under any law as a class A felony or an attempt to commit a class A felony, criminal solicitation of or criminal conspiracy to commit a class A felony, manslaughter in the first degree, manslaughter in the second degree, indecent liberties if committed by forcible compulsion, rape in the second degree, kidnapping in the second degree, arson in the second degree, assault in the second degree, extortion in the first degree, and robbery in the second degree;

(b) Any conviction for a felony offense in effect at any time prior to July 1, 1976, which is comparable to a felony classified as a violent offense in subsection (16)(a) of this section; and

(c) Any federal or out-of-state conviction for an offense comparable to a felony classified as a violent offense under subsection (16)(a) or (b) of this section.

NEW SECTION. Sec. 4. (1) A sentencing guidelines commission is established as an agency of state government.

(2) The commission shall, following a public hearing or hearings:

(a) Devise a series of recommended standard sentence ranges for all felony offenses and a system for determining which range of punishment applies to each offender based on the extent and nature of the offender's criminal history, if any;

(b) Devise recommended prosecuting standards in respect to charging of offenses and plea agreements; and

(c) Devise recommended standards to govern whether sentences are to be served consecutively or concurrently.

(3) Each of the commission's recommended standard sentence ranges shall include one or more of the following: Total confinement, partial confinement, community supervision, community service, and a fine.

(4) In devising the standard sentence ranges of total and partial confinement under this section, the commission is subject to the following limitations:

(a) If the maximum term in the range is one year or less, the minimum term in the range shall be no less than one-third of the maximum term in the range;

(b) If the maximum term in the range is greater than one year, the minimum term in the range shall be no less than seventy-five percent of the maximum term in the range; and

(c) The maximum term of confinement in a range may not exceed the statutory maximum for the crime as provided in RCW 9A.20.020.

(5) In carrying out its duties under subsection (2) of this section, the commission shall give consideration to the existing guidelines adopted by the association of superior court judges and the Washington association of prosecuting attorneys and the experience gained through use of those guidelines. The commission shall emphasize confinement for the violent offender and alternatives to total confinement for the nonviolent offender.

(6) This commission shall conduct a study to determine the capacity of correctional facilities and programs which are or will be available. While the commission need not consider such capacity in arriving at its recommendations, the commission shall project whether the implementation of its recommendations would result in exceeding such capacity. If the commission finds that this result would probably occur, then the commission shall prepare an additional list of standard sentences which shall be consistent with such capacity.

(7) By September 1, 1982, the commission shall recommend its standard sentence ranges and standards to the legislature by providing the recommendations to the chief clerk of the house of representatives and secretary of the senate. If the commission has prepared an additional list of standard sentence ranges, as provided under subsection (6) of this section, then the commission shall include such list along with its recommendations.

(8) Every two years, the commission may recommend to the legislature revisions or modifications to the standard sentence ranges and other standards. If implementation of the revisions or modifications would result in exceeding the capacity of correctional facilities, then the commission shall accompany its recommendation with an additional list of standard sentence ranges which are consistent with correction capacity.

(9) The commission shall study the existing criminal code and from time to time make recommendations to the legislature for modification.

(10) The commission shall exercise its duties under this section in conformity with chapter 34.04 RCW, as now existing or hereafter amended.

NEW SECTION. Sec. 5. The commission shall appoint a research staff of sufficient size and with sufficient resources to accomplish its duties. The commission may request from the office of financial management, the board of prison terms and paroles, administrator for the courts, and the department of social and health services such data, information, and data processing assistance as it may need to accomplish its duties, and such services shall be provided without cost to the commission. The commission shall adopt its own bylaws.

The salary for a full-time executive officer, if any, shall be fixed by the governor pursuant to RCW 43.03.040.

NEW SECTION. Sec. 6. (1) The commission consists of fifteen voting members, one of whom the governor shall designate as chairperson. With the exception of ex officio voting members, the voting members of the commission shall be appointed by the governor, subject to confirmation by the senate.

(2) The voting membership consists of the following:

(a) The head of the state agency having general responsibility for adult correction programs, as an ex officio member;

(b) The director of financial management, as an ex officio member;

(c) Until July 1, 1988, the chairman of the board of prison terms and paroles, as an ex officio member, and thereafter the chairman of the clemency and pardons board, as an ex officio member;

(d) Two prosecuting attorneys;

(e) Two attorneys with particular expertise in defense work;

(f) Four persons who are superior court judges;

(g) One person who is the chief law enforcement officer of a county or city;

(h) Three members of the public who are not and have never been prosecutors, attorneys, judges, or law enforcement officers.

In making the appointments, the governor shall seek the recommendations of Washington prosecutors in respect to the prosecuting attorney members, of the Washington state bar association in respect to the attorney members, of the association of superior court judges in respect to the members who are judges, and of the Washington association of sheriffs and police chiefs in respect to the member who is a law enforcement officer.

(3) All voting members of the commission, except ex officio voting members, shall serve terms of three years and until their successors are appointed and confirmed. However, the governor shall stagger the terms by appointing four of the initial members for terms of one year, four for terms of two years, and four for terms of three years.

(4) The speaker of the house of representatives and the president of the senate may each appoint two nonvoting members to the commission, one from each of the two largest caucuses in each house. The members so appointed shall serve two-year terms, or until they cease to be members of the house from which they were appointed, whichever occurs first.

(5) The members of the commission shall be reimbursed for travel expenses as provided in RCW 43.03.050 and 43.03.060 as now existing or hereafter amended. Legislative members shall be reimbursed by their respective houses as provided under RCW 44.04.120, as now existing or hereafter amended.

NEW SECTION. Sec. 7. (1) At its regular session convening in 1983, the legislature shall enact laws approving or modifying either the standards recommended by the commission, or the additional list of standard sentence ranges consistent with prison capacity in the event an additional list has been submitted pursuant to section 4(6) of this act. The standards so adopted shall take effect on July 1, 1984.

(2) Revisions or modifications of standard sentence ranges or other standards, together with any additional list of standard sentence ranges, shall be submitted to the legislature every two years and shall become effective as provided under subsection (1) of this section on July first of the year in which they are submitted.

NEW SECTION. Sec. 8. The prosecutor and the attorney for the defendant, or the defendant when acting pro se, may engage in discussions with a view toward reaching an agreement that, upon the entering of a plea to a charged offense or to a lesser or related offense, the prosecutor will do any of the following:

- (1) Move for dismissal of other charges or counts;
- (2) Recommend a particular sentence within the sentence range applicable to the offense or offenses to which the offender pled guilty;
- (3) Recommend a particular sentence outside of the sentence range;
- (4) Agree to file a particular charge or count;
- (5) Agree not to file other charges or counts; or
- (6) Make any other promise to the defendant, except that in no instance may the prosecutor agree not to allege prior convictions.

The court shall not participate in any discussions under this section.

NEW SECTION. Sec. 9. (1) If a plea agreement has been reached by the prosecutor and the defendant pursuant to section 8 of this act, they shall at the time of the defendant's plea state to the court, on the record, the nature of the agreement and the reasons for the agreement. The court, at the time of the plea, shall determine if the agreement is consistent with the interests of justice and with the prosecuting standards. If the court determines it is not consistent with the interests of justice and with the prosecuting standards, the court shall order that neither the defendant nor the prosecutor is bound by the agreement and that the defendant may withdraw the defendant's plea of guilty if one has been made and enter a plea of not guilty.

(2) The sentencing judge is not bound by any recommendations contained in an allowed plea agreement and the defendant shall be so informed at the time of plea.

NEW SECTION. Sec. 10. The prosecuting attorney and the defendant shall each provide the court with their understanding of what the defendant's criminal history is prior to a plea of guilty pursuant to a plea agreement. All disputed issues as to criminal history shall be decided at the sentencing hearing.

NEW SECTION. Sec. 11. Before imposing a sentence upon a defendant, the court shall conduct a sentencing hearing. The sentencing hearing shall be held within forty court days following conviction. Upon the motion of either party for good cause shown, or on its own motion, the court may extend the time period for conducting the sentencing hearing. The court shall consider the presentence reports and criminal history, and allow arguments from the prosecutor, the defense counsel, the offender, the victim or a representative of the victim, and an investigative law enforcement officer as to the sentence to be imposed. If the court is satisfied by a preponderance of the evidence that the defendant has a criminal history, the court shall specify the convictions it has found to exist. All of this information shall be part of the record. All presentence reports presented to the sentencing court and all written findings of facts and conclusions of law entered by the court shall accompany the offender if the offender is committed to the custody of the department.

NEW SECTION. Sec. 12. When a person is convicted of a felony, the court shall impose punishment as provided in this section.

(1) Except as authorized in subsections (2) and (4) of this section, the court shall impose a sentence within the sentence range for the offense.

(2) The court may impose a sentence outside the standard sentence range for that offense if it finds that imposition of a sentence within the standard range would impose an excessive punishment on the defendant or would pose an unacceptable threat to community safety.

(3) Whenever a sentence outside the standard range is imposed, the court shall set forth the reasons for its decision in written findings of fact and conclusions of law. A sentence outside the standard range shall be a determinate sentence.

(4) An offender convicted of the crime of murder in the first degree shall be sentenced to a term of total confinement not less than twenty years. An offender convicted of the crime of assault in the first degree where the offender used force or means likely to result in death or intended to kill the victim shall be sentenced to a term of total confinement not less than five years. An offender convicted of the crime of rape in the first degree shall be sentenced to a term of total confinement not less than three years, and shall not be eligible for furlough, work release or other authorized leave of absence from the correctional facility during such minimum three year term except for the purpose of commitment to an inpatient treatment facility. The foregoing minimum terms of total confinement are mandatory and shall not be varied or modified as provided in subsection (2) of this section.

(5) In sentencing a first-time offender, the court may waive the imposition of a sentence within the sentence range and impose a sentence which may include up to ninety days of confinement in a facility

operated or utilized under contract by the county and a requirement that the offender refrain from committing new offenses. The sentence may also include up to two years of community supervision, which, in addition to crime-related prohibitions, may include requirements that the offender:

- (a) Devote time to a specific employment or occupation;
 - (b) Undergo available outpatient treatment or inpatient treatment not to exceed the standard range of confinement for that offense;
 - (c) Pursue a prescribed, secular course of study or vocational training;
 - (d) Remain within prescribed geographical boundaries and notify the court or the probation officer of any change in the offender's address or employment;
 - (e) Report as directed to the court and a probation officer; or
 - (f) Pay a fine, make restitution, and/or accomplish some community service work.
- (6) If a sentence range has not been established for the defendant's crime, the court shall impose a determinate sentence which may include not more than one year of confinement, community service work, restitution, a term of community supervision not to exceed one year, and/or a fine. The court may impose a sentence which provides more than one year of confinement if the court finds that the sentence otherwise authorized by this subsection would pose an unacceptable threat to community safety.

(7) If the court imposes a sentence requiring confinement of sixty days or less, the court may, in its discretion, specify that the sentence be served on consecutive or intermittent days. A sentence requiring more than sixty days of confinement shall be served on consecutive days.

(8) If a sentence imposed includes a fine or restitution, the sentence shall specify a reasonable manner and time in which the fine or restitution shall be paid. No such period of time may exceed ten years subsequent to the entering of the judgment of conviction.

(9) A court may not impose a sentence which exceeds the statutory maximum for the crime as provided in RCW 9A.20.020.

NEW SECTION. Sec. 13. The power to defer or suspend the imposition or execution of sentence is hereby abolished in respect to sentences prescribed for felonies committed after June 30, 1984.

NEW SECTION. Sec. 14. (1) If restitution is ordered, the court shall determine the amount of restitution due at the sentencing hearing and may set the terms and conditions under which the defendant shall make restitution. Restitution ordered by a court pursuant to a criminal conviction shall be limited to easily ascertainable damages for injury to or loss of property, actual expenses incurred for medical treatment for physical injury to persons, and lost wages resulting from physical injury. Restitution shall not include reimbursement for damages for mental anguish, pain and suffering, or other intangible losses. The amount of restitution shall not exceed double the amount of the offender's gain or the victim's loss from the commission of the crime. For the purposes of this section, the offender shall remain under the court's jurisdiction for a maximum term of ten years subsequent to the imposition of sentence.

(2) Restitution may be ordered whenever the offender is convicted of an offense which results in injury to any person or damage to or loss of property. In addition, restitution may be ordered to pay for an injury, loss, or damage if the offender pleads guilty to a lesser offense or fewer offenses and agrees with the prosecutor's recommendation that the offender be required to pay restitution to a victim of an offense or offenses which are not prosecuted pursuant to a plea agreement.

(3) In addition to any sentence that may be imposed, a defendant who has been found guilty of an offense involving fraud or other deceptive practice or an organization which has been found guilty of any such offense may be ordered by the sentencing court to give notice of the conviction to the class of persons or to the sector of the public affected by the conviction or financially interested in the subject matter of the offense by mail, by advertising in designated areas or through designated media, or by other appropriate means.

(4) This section does not limit civil remedies or defenses available to the victim or defendant.

NEW SECTION. Sec. 15. No person serving a sentence imposed pursuant to this chapter shall leave the confines of the correctional facility or be released prior to the expiration of the sentence except as follows:

(1) The terms of the sentence may be reduced by earned early release time in accordance with procedures developed and promulgated by the department. The earned early release time shall be for good behavior and good performance, as determined by the department. In no case shall the aggregate earned early release time exceed one-third of the sentence;

(2) An offender may leave a correctional facility pursuant to an authorized furlough or leave of absence. In addition, offenders may leave a correctional facility when in the custody of a corrections officer or officers;

(3) The governor, upon recommendation from the clemency and pardons board, may grant an extraordinary release for reasons of serious health problems, senility, advanced age, extraordinary meritorious acts, or other extraordinary circumstances;

(4) If the sentence of confinement is in excess of eighteen months but not in excess of three years, the final three months of the sentence shall be served in partial confinement designed to aid the offender in finding work and reestablishing him or herself in the community. If the sentence of confinement is in excess of three years, the final six months of the sentence shall be served in such partial confinement;

(5) The governor may pardon any offender; and

(6) The department of social and health services may release an offender from total confinement any time within ten days before a release date calculated under this section.

(7) An offender may leave a correctional facility prior to completion of his sentence if the sentence has been reduced as provided in section 16 of this act.

NEW SECTION. Sec. 16. If the governor finds that an emergency exists in that the population of a state residential correctional facility exceeds its reasonable, maximum capacity, then the governor may do any one or more of the following:

(1) Call the sentencing guidelines commission into an emergency meeting for the purpose of evaluating its standard ranges and other standards. The commission may adopt any revision or amendment to its standard ranges or other standards that it believes appropriate to deal with the emergency situation. The revision or amendment shall be adopted in conformity with chapter 34.04 RCW, as now existing or hereafter amended, and shall take effect on the date prescribed by the commission. Unless the commission provides to the contrary, section 7 of this act does not apply to such revision or amendments;

(2) If the emergency occurs prior to July 1, 1988, call the board of prison terms and paroles into an emergency meeting for the purpose of evaluating its guidelines and procedures for release of prisoners. The board may take any action authorized by law to modify the terms of prisoners under its jurisdiction;

(3) Call the clemency and pardons board into an emergency meeting for the purpose of recommending whether the governor's commutation or pardon power should be exercised to meet the present emergency.

NEW SECTION. Sec. 17. A term of confinement ordered in a sentence pursuant to this chapter shall be tolled by any period of time during which the offender has absented him or herself from supervision without the prior approval of the entity in whose custody the offender has been placed.

NEW SECTION. Sec. 18. An offender sentenced to a term of partial confinement shall be confined in the facility for at least eight hours per day. The offender shall be required as a condition of partial confinement to report to the facility at designated times. An offender may be required to comply with crime-related prohibitions during the period of partial confinement.

NEW SECTION. Sec. 19. A sentence which includes a term or terms of confinement totaling more than one year shall be served in a facility or institution operated, or utilized under contract, by the state. A sentence of not more than one year of confinement shall be served in a facility operated, or utilized under contract, by the county.

NEW SECTION. Sec. 20. (1) If an offender violates any condition or requirement of a sentence, the offender may receive further punishment in accordance with this section.

(2) If a defendant fails to comply with any of the requirements or conditions of a sentence the following provisions apply:

(a) The court, upon the motion of the state, or upon its own motion, shall require the defendant to show cause why the defendant should not be confined for the noncompliance. The court may issue a summons or a warrant of arrest for the defendant's appearance;

(b) The state has the burden of showing noncompliance by a preponderance of the evidence. The defendant has the burden of showing by a preponderance of the evidence that the noncompliance was not a wilful refusal. If the court finds that the violation was wilful, it shall order the defendant confined for a period not to exceed sixty days for each violation; and

(c) If the court finds that the violation was not wilful, the court may reduce or extend the payment period or eliminate the fine or reduce or relieve the defendant of the obligation of community service work or of making restitution.

(3) Nothing in this section prohibits the filing of escape charges if appropriate.

NEW SECTION. Sec. 21. (1) A sentence within the standard range for the offense shall not be appealed. For purposes of this section, a sentence imposed on a first offender under section 12(4) of this act shall also be deemed to be within the standard range for the offense and shall not be appealed.

(2) If a sentence is outside of the sentence range for the offense, the defendant or prosecutor may seek review of the sentence before the court of appeals in accordance with rules adopted by the supreme court.

(3) Pending review of the sentence, the sentencing court or the court of appeals may order the defendant confined or placed on conditional release, including bond.

(4) To reverse a sentence which is outside the sentence range, the reviewing court must find: (a) Either that the reasons supplied by the sentencing judge are not supported by the record which was before the judge or that those reasons do not justify a sentence outside the standard range for that offense; or (b) that the sentence imposed was clearly excessive or clearly too lenient.

(5) A review under this section shall be made solely upon the record that was before the sentencing court. Written briefs shall not be required and the review shall be heard within thirty days following the date of sentencing and a decision shall be rendered within fifteen days following the oral argument.

(6) The court of appeals shall issue a written opinion in support of its decision whenever the judgment of the sentencing court is reversed and may issue written opinions in any other case where the court believes that a written opinion would provide guidance to sentencing judges and others in implementing this chapter and in developing a common law of sentencing within the state.

NEW SECTION. Sec. 22. When an offender has completed the requirements of the offender's sentence, the sentencing court shall discharge the offender and provide the offender with a certificate of discharge. The discharge shall have the effect of restoring all civil rights lost by operation of law upon conviction, and the certificate of discharge shall so state. Nothing in this section prohibits the use of an offender's prior record for purposes of determining sentences for later offenses as provided in this chapter. Nothing in this section affects or prevents use of the offender's prior conviction in a later criminal prosecution either as an element of an offense or for impeachment purposes. A certificate of discharge is not based on a finding of rehabilitation.

Upon release from custody, the offender may apply to the department for counseling and help in adjusting to the community. This voluntary help may be provided for up to one year following the release from custody.

NEW SECTION. Sec. 23. (1) Every offender who has been discharged under section 22 of this act may apply to the sentencing court for a vacation of the offender's record of conviction. If the court finds the offender meets the tests prescribed in subsection (2) of this section, the court may clear the record of conviction by: (a) Permitting the offender to withdraw the offender's plea of guilty and to enter a plea of not guilty; or (b) if the offender has been convicted after a plea of not guilty, by the court setting aside the verdict of guilty; and (c) by the court dismissing the information or indictment against the offender.

(2) An offender may not have the record of conviction cleared if: (a) There are any criminal charges against the offender pending in any court of this state or another state, or in any federal court; (b) the offense was a violent offense as defined in section 3 of this act; (c) the offender has been convicted of a new crime in this state, another state, or federal court since the date of the offender's discharge under section 22 of this act; (d) the offense is a class B felony and less than ten years have passed since the date the applicant was discharged under section 22 of this act; and (e) the offense was a class C felony and less than five years have passed since the date the applicant was discharged under section 22 of this act.

(3) Once the court vacates a record of conviction under subsection (1) of this section, the fact that the offender has been convicted of the offense shall not be included in the offender's criminal history for purposes of determining a sentence in any subsequent conviction, and the offender shall be released from all penalties and disabilities resulting from the offense. For all purposes, including responding to questions on employment applications, an offender whose conviction has been vacated may state that the offender has never been convicted of that crime. Nothing in this section affects or prevents the use of an offender's prior conviction in a later criminal prosecution.

NEW SECTION. Sec. 24. There is added to chapter 9.95 RCW a new section to read as follows:

(1) On July 1, 1988, the board of prison terms and paroles shall cease to exist. Prior to that time, the board's membership shall be reduced as follows: (a) On July 1, 1985, the board shall be reduced to five members. This reduction shall take place by the expiration, on that date, of the two terms having the least time left to serve. (b) On July 1, 1986, the board shall be reduced to three members. This reduction shall take place by the expiration, on that date, of the two terms having the least time left to serve.

(2) Prior to its expiration and after July 1, 1984, the board shall continue its functions with respect to persons incarcerated for crimes committed prior to July 1, 1984. The board shall consider the standard ranges and standards adopted pursuant to section 4 of this act, and shall attempt to make decisions reasonably consistent with those ranges and standards.

(3) On July 1, 1988, all documents, records, files, equipment, and other tangible property of the board of prison terms and paroles shall be delivered to the custody of the department of social and health services.

NEW SECTION. Sec. 25. (1) The clemency and pardons board is established as a board within the office of the governor. The board consists of five members appointed by the governor, subject to confirmation by the senate.

(2) Members of the board shall serve terms of four years and until their successors are appointed and confirmed. However, the governor shall stagger the terms by appointing one of the initial members for a term of one year, one for a term of two years, one for a term of three years, and two for terms of four years.

(3) The board shall elect a chairman from among its members and shall adopt bylaws governing the operation of the board.

(4) Members of the board shall receive no compensation but shall be reimbursed for travel expenses as provided in RCW 43.03.050 and 43.03.060 as now existing or hereafter amended.

(5) The attorney general shall provide a staff as needed for the operation of the board.

(2) If such objections be filed the court shall, notwithstanding, allow the order confirming the sale, unless on the hearing of the motion, it shall satisfactorily appear that there were substantial irregularities in the proceedings concerning the sale, to the probable loss or injury of the party objecting. In the latter case, the court shall disallow the motion and direct that the property be resold, in whole or in part, as the case may be as upon an execution received of that date.

(3) Upon the return of the execution, the sheriff shall pay the proceeds of sale to the clerk, who shall then apply the same, or so much thereof as may be necessary, in satisfaction of the judgment. If an order of

resale be afterwards made, and the property sell for a greater amount to any person other than the former purchaser, the clerk shall first repay to such purchaser the amount of his bid out of the proceeds of the latter sale.

(4) Upon a resale, the bid of the purchaser at the former sale shall be deemed to be renewed and continue in force, and no bid shall be taken, except for a greater amount. An order confirming a sale shall be a conclusive determination of the regularity of the proceedings concerning such sale as to all persons in any other action, suit or proceeding whatever.

(5) If, after the satisfaction of the judgment, there be any proceeds of the sale remaining, the clerk shall pay such proceeds to the judgment debtor, or his representative, as the case may be, at any time before the order is made upon the motion to confirm the sale: PROVIDED, Such party file with the clerk a waiver of all objections made or to be made to the proceedings concerning the sale; but if the sale be confirmed, such proceeds shall be paid to said party of course; otherwise they shall remain in the custody of the clerk until the sale of the property has been disposed of.

NEW SECTION. 4. There is added to chapter 6.04 RCW a new section to read as follows:

(1) Before a writ of execution may issue on any real property, the judgment creditor must file an affidavit with the court stating:

(a) That the judgment creditor has exercised due diligence to ascertain if the judgment debtor has sufficient nonexempt personal property to satisfy the judgment with interest; a list of the personal property so located and whether the judgment creditor believes the items to be exempt; and a statement that, after diligent search, there is not sufficient nonexempt personal property belonging to the judgment debtor to satisfy the judgment;

(b) That the judgment creditor has exercised due diligence in ascertaining whether the property is occupied or claimed as a homestead by the judgment debtor, as defined in chapter 6.12 RCW;

(c) Whether or not the judgment debtor is currently occupying the property as the judgment debtor's permanent residence and whether there is a declaration of homestead or nonabandonment of record. If the affidavit alleges that the property is not occupied or claimed as a homestead, the creditor must list the facts relied upon to reach that conclusion; and

(d) If the judgment debtor is not occupying the property and there is no declaration of nonabandonment of record, that the judgment debtor has been absent for a period of at least six months and the judgment debtor's current address if known.

(2) The term 'due diligence,' as used in this section, includes but is not limited to the creditor or the creditor's representative personally visiting the premises, contacting the occupants and inquiring about their relationship to the judgment debtor, contacting immediate neighbors of the premises, and searching the records of the auditor of the county in which the property is located to determine if a declaration of homestead or nonabandonment has been filed by the judgment debtor.

A copy of the affidavit must be mailed to the judgment debtor at the debtor's last known address.

If the affidavit attests that the premises are occupied or claimed as a homestead by the judgment debtor, the execution for the enforcement of a judgment obtained in a case not within the classes enumerated in RCW 6.12.100 must comply with RCW 6.12.140 through 6.12.250.

Sec. 5. Section 4, chapter 25, Laws of 1929 and RCW 6.04.040 are each amended to read as follows:

NEW SECTION. Sec. 2. POINT OF PERSONAL PRIVILEGE

Mr. Owen: "As many of you know, tonight was a benefit for Gerri Rainwater, and I thought you might be interested in a little information on it. First of all, it appears at this point, we have raised well over \$4,000 and probably somewhere around \$5,000, so the benefit was a success even though, unfortunately, none of us was able to attend the function.

I would like to speak of other things if I may, though, relative to that. One of the reasons that we had to hold this function is because of what I feel is the grossly inadequate way we treat our so-called temporary employees. Unfortunately, Gerri Rainwater was one of those that was subjected to this type of failure for us to recognize the value in these people. I know that many of you put a great deal of value in your secretaries, and you wouldn't even be here if it wasn't for a lot of them. I know that several of you bring your own secretaries from where you work down here because of the job they do for you, but when they come down here we really treat them very poorly when it comes to benefits. Therefore, the benefit was needed to

help Gerri, and there was an understanding and there was knowledge of this benefit for well over a month—or at least for a month. We were not provided the opportunity to go and express our concern over a super-fine lady who has worked for this House since 1975.

Why was it important that we do this? We have worked many, many hours in the House and we needed a break, just like anybody else does, that we guarantee good working conditions, too, in this House of Representatives. At this time of the session, toward the end of the session, we needed a chance to get away once in awhile. Let me point out to you the hours that you've worked in the House of Representatives this week. Today, if we would have gone for two hours at 8 o'clock, we would have worked for eleven hours minimum; yesterday, twelve hours; the day before, depending on if you had committee hearings or not, between nine and eleven hours minimum, the day before, fifteen hours minimum, that you worked and all we asked for was an opportunity to go and show our appreciation to those people who spent their money and expected us to put on a show and express our appreciation to them and to Gerri, and to express our concern over the turmoil that she's going through right now, and we were not provided that opportunity.

I believe that it's sad that we neglect our staff the way we do. I'm not surprised the way the budget came out and I'm not please with the budget; I'm not pleased with the way we've treated the elderly, the handicapped and the people who are going to school, but I'm not surprised. What do we do for our staff? Nothing. We pay them a salary that they could make on the outside with no overtime benefits, but they must be here if we are here. That's why we had to have a benefit for Gerri Rainwater even though she's worked for the House of Representatives since 1975.

I'm sorry that this had to take place because we have three days here in which we could complete the work of the state. The State of Washington expects a lot out of us and they get a hell of a lot out of us, everyone of us. Every one of us works very hard, not only during session, but also after session. The state of Washington could provide us the opportunity to go to a benefit and express our concern for a situation like that. If the state of Washington can't understand that, I don't want to be a member of the House of Representatives, representing those people. I believe very strongly that they would have understood. I believe equally as strong that we could have finished our work as well, if not better, had we not had to go on a marathon session of the legislature to complete that work tonight. I believe the people and the press would understand if we had taken that time. Unfortunately, even though this benefit was known about for a month, we were not provided that opportunity. However, I am happy to say Gerri Rainwater will be taken very good care of for the next six months due to the generosity of you, the Third House, and the friends of Gerri Rainwater."

MOTION

On motion of Mr. Nelson (G), the House adjourned until 9:30 a.m., Friday, April 24, 1981.

WILLIAM M. POLK, Speaker

VITO T. CHIECHI, Chief Clerk

ONE HUNDRED THIRD DAY
MORNING SESSION

House Chamber, Olympia, Wash., Friday, April 24, 1981

The House was called to order at 9:30 a.m. by the Speaker. The Clerk called the roll and all members were present.

The flag was escorted to the rostrum by a Sergeant at Arms Color Guard, Pages Susan Doyle and Jackie Devish. Prayer was offered by The Reverend Paul Jensen of the United Presbyterian Church of Mt. Vernon.

Reading of the Journal of the previous day was dispensed with and it was ordered to stand approved.

NEW SECTION. Sec. 25. The legislature recognizes the economic importance to the state of attracting new environmentally suitable high-technology industrial development, and that the availability of transportation services is a significant factor in locating such industries. In furtherance of the provisions and objectives of House Concurrent Resolution No. 17, passed by the 1981 regular session of the legislature, the transportation commission and department of transportation shall, therefore, lend their cooperation, and allocate so much of the funds provided by sections 17 through 19 of this act as are reasonably necessary, to fund the state's fair share of the improvements contemplated by House Concurrent Resolution No. 17.

NEW SECTION. Sec. 26. No appropriation shall be necessary to effect such repayment.

NEW SECTION. Sec. 27. NEW SECTION. Sec. 30. The motor vehicle fund revenues, including revenues from staggered licensing, are received at a relatively even flow throughout the year. Expenditures exceed the revenue during the accelerated summer and fall highway construction season, creating a negative cash balance during the heavy construction season. The legislature recognizes that the department of transportation may require interfund loans or other short-term financing to meet temporary seasonal cash requirements.

NEW SECTION. Sec. 31. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

POINT OF INQUIRY

Mr. Heck: "That's a good question, Representative Grimm. It is, in fact, a referendum on the issue and some very popular, respected, esteemed—not only colleagues of ours, but also leaders throughout this state—have endorsed this concept and I think lending their support in the past to this concept is worth sharing with the body the names of these people. They include such distinguished leaders as Representative Taylor, Representative Bond, Representatives Scott, Barr, Gene Prince, Sim Wilson, Joan Houchen, Mike Patrick, Earl Tilly, Sid Flanagan, Curt Smith, Jim Lewis, Harold Clayton, Gene Struthers, Bob Williams—"

POINT OF ORDER

Mr. Nelson (G): "Mr. Speaker, I object to the reading of papers on the House floor."

The Speaker: "Representative Heck, the rules prohibit you from reading from papers that are on everyone's desks anyway."

Mr. Heck: "I won't read from papers anymore. I think I have the names memorized. The list continues with the name of Representative Gary Nelson, Jim Lewis, Bill Garson, Helen Fancher, Stan Johnson, Shirley Winsley—"

The Speaker: "Representative Grimm, your three minutes are up."

POINT OF ORDER

Mr. Heck: "The three minutes does not apply to the question and answer period."

SPEAKER'S RULING

The Speaker: "Representative Heck, under the House rules you have three minutes when a member is recognized. Representative Grimm was recognized for a three minute floor speech; he yielded part of his time to you by way of asking you a question, but it is Representative Grimm's time that was being used."

POINT OF PARLIAMENTARY INQUIRY

Mr. Ehlers: "Did you just instruct the keeper of the Journal not to enter those remarks in the Journal?"

The Speaker: "No."

Mr. Bond spoke against the amendment.

POINT OF ORDER

POINT OF ORDER

Mr. Barrett: "Mr. Speaker, I've lost track of the speaker's comments toward the subject in question which is section 87. I can't seem to relate his comments to that section."

The Speaker: "I couldn't either, Representative Barrett. Representative Bender, you have a great speech for final passage, but we're now working on the amendment by Representative Grimm to page 72, line 25 striking the emergency clause. Could you confine your remarks to that question."

Mr. Bender continued his remarks in favor of the amendment, and Mr. Ehlers also spoke in favor of it.

MOTION

On motion of Mr. Hastings, the rules were suspended, the second reading considered the third, and Engrossed Substitute Senate Bill No. 3655 was placed on final passage.

Representatives Eberle and Hastings spoke in favor of the bill, and Ms. Stratton spoke against it.

POINT OF INQUIRY

Mr. Eberle yielded to question by Ms. Gruger.

Ms. Gruger: "Representative Eberle, in the first legislative district, on page 5 of the bill, lines 20 and 21, there is a three-block piece of a district which is in Snohomish County. The remainder of the district is in King County. Could you tell me the reason you drew the district this way? Is it because Senator Kiskaddon lives in that particular piece of the area?"

Mr. Eberle: "Representative Gruger, it's for another reason. It turns out that Senator Kiskaddon lives in that area, the Lake Ballinger area. The country club is there; he goes to church down in that area; shops in that area; the entire community interests are in that area, and the people you represent live in that area. The two former districts which would make up the new district were the First and the Forty-fourth. Most of the First and most of the Forty-fourth are both in that district; it could go either way. It turns out that Senator Kiskaddon has a sincere belief that he can represent the people in that area for the good of the state of Washington and I believe and agree with him."

Representatives Gruger and Erak spoke against passage of the bill.

MOTION

Mr. O'Brien moved that Representative Erak be granted an additional three minutes to speak, and the motion was lost.

Representatives Monohon and Tupper spoke against passage of the bill.

POINT OF INQUIRY

Mr. Bender yielded to question by Ms. Sherman.

Ms. Sherman: "Representative Bender, the courts in the past have been in favor of uniform single member districts throughout the United States. This particular redistricting bill creates two legislative districts which each contain two single-member districts, but the remaining ones are regular two-member districts—it's even difficult to explain. Can you tell me why the committee chose to do this?"

Mr. Bender: "Representative Sherman, I can't really tell you why the committee did this because the committee never had this piece of legislation before it. I can only comment as to why I think they did it. My comment would be very simply that the two A and B districts are for one purpose and that's to protect two incumbent legislators from the majority side. It's a flagrant example of gerrymandering."

Ms. Sherman: "This is to protect the two incumbent legislators, is that what you're saying?"

Mr. Bender: "Exactly."

POINT OF INQUIRY

Mr. Eberle yielded to question by Mr. Hastings.

Mr. Hastings: "Representative Eberle, could you tell me why the two districts were divided into A and B districts and what the criteria was for that?"

Mr. Eberle: "Certainly, Representative Hastings. First to the question of the Thirty-ninth District: It has in it a large diverse area, but one concentrated area of population that, in fact, makes up roughly half a legislative district. This is precisely the criteria that the courts have recognized as appropriate for redistricting. The same thing is true for the Ninth District where you have some other area in the Longview area which, again, has a localized community of interest which is precisely the criteria established by the federal courts."

POINT OF INFORMATION

Ms. Sommers: "If this bill passes, will any member of the House be permitted to mail to a newly drawn district prior to being elected to that district and make that mailing at taxpayers' expense?"

The Speaker: "I guess, Representative Sommers, that will be up to the decisions that haven't been made yet by the Rules Committee."

Ms. Sommers: "Will you make that decision available to each member and to the press?"

The Speaker: "The decisions on mailing privileges have always been made public to the press and to all the members, Representative Sommers."

Ms. Sommers: "When can we expect to have that decision?"

The Speaker: "I don't know."

Ms. Sommers: "When do you think you'll know?"

The Speaker: "Sometime soon when we have to get down to concerning ourselves with it. The bill hasn't passed yet."

Ms. Sommers: "You expect it to fail?"

The Speaker: "Representative Sommers, I'm just a technician with a gavel in my hand; I can't respond to that kind of question."

POINT OF INQUIRY

Mr. Owen asked Mr. Eberle to yield to question and Mr. Eberle refused to yield.

Mr. Taylor spoke in favor of the bill, and Mr. Gallagher spoke against it.

POINT OF INQUIRY

Mr. Pruitt asked Mr. Eberle to yield to question, and Mr. Eberle refused to yield.

POINT OF INQUIRY

Mr. Ehlers yielded to question by Mr. Pruitt.

Mr. Pruitt: "Representative Ehlers, could you, in this question, so I won't have to change the wording, pretend that you are Representative Eberle?"

Mr. Ehlers: "I'm afraid I don't know anything if that's the case."

Mr. Pruitt: "Throughout this plan, it's apparent you have many longstanding communities. This has to do with the community of interest, one of the criteria, and these involve moving Western Washington University, a portion of Bellingham, into the Fortieth District; splitting the city of Bremerton between the Twenty-third and the Thirty-fifth; splitting Aberdeen and Hoquiam between the Twenty-fourth and the Thirty-fifth and the Nineteenth, which has been alluded to; Longview and Kelso, between the Nineteenth and the Eighteenth; Olympia and Tumwater between the Twenty-second and the Twentieth Districts; and then in the Congressional plan, splitting Spokane between the Fourth and Fifth and splitting Seattle into three congressional districts, the First, the Sixth and the Seventeenth. In the light of your position, Representative Eberle, of being strongly in favor of community of interest, could you explain why you have divided these obvious communities of interest?"

Mr. Ehlers: "If I am responding for the floor, I don't know; if I'm responding the way Representative Eberle would, I would say for blatant political advantage."

Representatives Flanagan and Bond spoke in favor of passage of the bill, and Representatives North, Rinehart, Lux and Eng spoke against it.

POINT OF INQUIRY

Ms. Hine asked Mr. Eberle to yield to question and he refused to yield.

POINT OF INQUIRY

Mr. Ehlers yielded to question by Ms. Hine.

Ms. Hine: "My question is, how is the military population counted for this redistricting bill and the nonresidential military? How were they counted and how was it decided that, in fact, there were nonresident military?"

Mr. Ehlers: "That's a good question. I don't think anyone knows the answer. The census takers—and there are people at McChord and Fort Lewis who are on a temporary basis, just passing through—they are there for basic training. Those people apparently were counted, but there are other nonresidential military who apparently were not counted. I really don't know. I suppose that perhaps Representative Eberle was out there one day and counted all those with uniforms and they were military and those who didn't have uniforms were nonmilitary. That's the only solution I can think of."

Ms. Hine spoke against passage of the bill.

POINT OF INQUIRY

Mr. Walk asked Mr. Eberle to yield to question and he refused to yield.

POINT OF INQUIRY

Mr. Bender yielded to question by Mr. Walk.

Mr. Walk: "Representative Bender, I'm sorry none of the majority members of the committee would yield; perhaps you can help me. It's my understanding that there is a long standing theory that in drawing redistricting boundaries, you start from a central core and spread outward, and another principle is that you do not cross natural boundaries such as large bodies of water. I'm curious if you know what the committee's rationale was in looking at the First and Second Congressional Districts, one of which crosses Puget Sound at its widest point and the other which seems to have an ocean separating the two parts of the district?"

Mr. Bender: "Representative Walk, I really can't tell you why the select committee did this because the select committee never had a hearing on this piece of legislation. My only response to you would be that this was done in the back room without public hearing, and the select committee has never responded to this piece of legislation, so I really can't tell you why they did it."

POINT OF INQUIRY

Ms. Becker yielded to question by Mr. Burns.

Mr. Burns: "Representative Becker, section 62 in this bill provides for election this year in some of the new districts, if the bill passes. The result would be that a group of voters will be represented by one member of the House of Representatives and another group of voters will be represented by three members of the House of Representatives. Is this, in your opinion, a disparity of representation? Is it a violation of our equal protection of our Constitution and the violation of the one-man one-vote rule?"

Ms. Becker: "Representative Burns, in law school one of the first things they teach you to be suspicious of after they've taught you to be suspicious of legislators and doctors, is to be suspicious of people who claim to know for sure how a court will cite. I would certainly say, in answer to your question, that there would be strong ground for arguing the violation of the one-man one-vote decision. Given that the result will certainly be in the next session of the legislature, when important decisions bearing on the future of the state will be made here in this body, exactly the result you mentioned will be obtained. Some people will be represented by one member and others will have three."

POINT OF INQUIRY

Mr. King (J) asked Mr. Eberle to yield to question, and he refused to yield.

POINT OF INQUIRY

Mr. Ehlers yielded to question by Mr. King (J).

Mr. King (J): "Representative Ehlers, could you give to us the maximum population and the minimum population of all the legislative districts in the state of Washington?"

Mr. Ehlers: "I really don't know. We weren't supplied with that data. The response I made earlier about the military population is, I guess, part of that. If you count the military population as transient, for example, the Second Legislative District is about 83,000, but the fact is that most of those people are phantom people who are no longer there, so I would say two or three thousand are there. So in that case, I would say the district might be in the neighborhood of 50,000 or some. I know in other districts, where there appears to be double counting of some populations, there may be, in fact, 90,000 to 100,000, so I would say the range is somewhere between 55,000 and 100,000 instead of the 83,000 approximate population."

Mr. King (J) spoke against passage of the bill.

POINT OF INQUIRY

Mr. Eberle yielded to question by Mr. Bond.

Mr. Bond: "Representative Eberle, would you give us the numbers of voters, numbers of citizens living in the legislative districts?"

Mr. Eberle: "Yes, Representative Bond, I would be delighted. As a matter of fact, Dean Foster, the Democratic staff director, asked for this information yesterday and I gave him a copy. Actually there are 49 districts, and I would like to tell you that the average absolute deviation from absolute nominal is 565 persons and the average—"

POINT OF ORDER

Mr. King (R): "My point of order is that you should get somebody else to answer the questions. Based on your earlier rulings, Representative Eberle's time is up."

SPEAKER'S RULING

The Speaker: "Your objection is not timely made, Representative King."

POINT OF INQUIRY

Mr. Eberle yielded to question by Mr. Padden.

Mr. Padden: "Representative Eberle, could you answer the question regarding the median population for the legislative districts and the congressional districts?"

Mr. Eberle: "Of course, Representative Padden. I would like to point out that the exact number for a legislative district is 84,289 persons and the districts which we—"

POINT OF ORDER

Mr. Ehlers: "We have a rule that calls for a member not to read something."

SPEAKER'S RULING

The Speaker: "He's using notes, I believe, Representative Ehlers, to give exact figures so you won't be confused since you were unable to answer the question before."

Mr. Eberle: "The average deviation in our plan is 565 people. That is an average percent deviation of .0067%. That's for legislative districts. For congressional districts, the maximum number is 516,270 persons. With permission, I would like to read the populations of the eight congressional districts: District 1: 516,514 persons; District 2: 514,045 persons; District 3: 519,160 persons; District 4: 515,547 persons; District 5: 515,376 persons; District 6: 516,247 persons; District 7: 516,351 persons; District 8: 516,923 persons. The maximum deviation is .0056%."

POINT OF INQUIRY

Mr. Wang asked Mr. Eberle to yield to question and he refused to yield.

POINT OF INQUIRY

Mr. Eng yielded to question by Mr. Wang.

Mr. Wang: "Representative Eng, while drawing the lines for the new districts in this bill, was consideration given to the racial makeup of the areas and did this consideration include the location of Indian reservations and concentrations of blacks, Caucasians, Asians, and other groups?"

Mr. Eng: "Representative Wang, I really can't answer specifically your question. The only thing I can tell you about is in relation to my own district. In my district, the Forty-Third District, which is the new one I'm going to be in, there is going to be a ten percent Asian population, where in my old one I have a sixteen percent Asian population. In my old District Thirty-seven, I have a thirty-five percent black population whereas now the black population is split between the new Thirty-seventh and the new Forty-third with twenty-two percent in each."

Mr. Wang spoke against passage of the bill.

POINT OF INQUIRY

Mr. Bender yielded to question by Mr. Nelson (D).

Mr. Nelson (D): "Representative Bender, in your opinion, when the Thirteenth, Fourteenth and Fifteenth Districts in the Yakima Valley area were relocated, were the native American and Mexican-American populations in those areas considered?"

Mr. Bender: "Representative Nelson, in my opinion, I would have to say 'no,' because the select committee never considered any legislation, nor did it ever consider this bill itself, so I

can't tell you what was considered. Again, it was done not by the select committee but by some individuals in the back room."

Mr. Nelson (D) spoke against passage of the bill.

POINT OF INQUIRY

Ms. Rinehart asked Mr. Prince to yield to question, and he refused to yield.

POINT OF INQUIRY

Mr. Bender yielded to question by Ms. Rinehart.

Ms. Rinehart: "Representative Bender, my question concerns an Indian reservation which previously was in two districts. They are located on the Olympic Peninsula and the Eberle plan now lumps all of these into one district. Could you tell me the purpose of changing the boundary of the Twenty-fourth District?"

Mr. Bender: "Representative Rinehart, again let me emphasize that I can't respond as to why Representative Eberle drew the lines the way he did. I can only respond that the select committee never met on this piece of legislation; there was no public input; we never had any information or any opportunity to ask these kinds of questions."

Representatives Rinehart, King (R) and Grimm spoke against passage of the bill, and Mr. Tilly spoke in favor of it.

ROLL CALL

The Clerk called the roll on the final passage of Engrossed Substitute Senate Bill No. 3655, and the bill passed the House by the following vote: Yeas, 57; nays, 41; not voting, 0.

On motion of Mr. Nelson (G), Engrossed Substitute Senate Bill No. 3655 was ordered immediately transmitted to the Senate.

The Speaker declared the House to be at ease until 9:00 o'clock p.m.

The Speaker called the House to order at 9:00 p.m.

MOTION

On motion of Mr. Nelson (G), the House reverted to the fourth order of business.

INTRODUCTION AND FIRST READING

SUBSTITUTE SENATE JOINT RESOLUTION NO. 108, by Committee on Constitution and Elections (originally sponsored by Senators Haley, Scott, Gould, Woody, Fuller, Lee and Charnley):

Amending the Constitution to establish a redistricting commission.

MOTION

Mr. King (R) moved that the rules be suspended and Substitute Senate Joint Resolution No. 108 be advanced to second reading and read the second time in full.

Representatives King (R) and Rinehart spoke in favor of the motion, and Mr. Hastings spoke against it.

Mr. Heck demanded an electric roll call vote on the motion, and the demand was sustained.

ROLL CALL

The Clerk called the roll on the motion to suspend the rules and place Substitute Senate Joint Resolution No. 108 on second reading, and the motion was lost by the following vote: Yeas, 45; nays, 51; not voting, 2.

Voting yea: Representatives Becker, Bender, Brekke, Brown, Burns, Ehlers, Eng, Erak, Erickson, Gallagher, Galloway, Garrett, Granlund, Grimm, Gruger, Heck, Hine, King J., King R., Kreidler, Lux, Martinis, Maxie, McCormick, Monohon, Nelson D., North, O'Brien, Owen, Pruitt, Rinehart, Rust, Salatino, Scott, Sherman, Sommers, Stratton, Thompson, Tupper, Valle, Van Dyken, Walk, Wang, Warnke, Winsley.

A., Nickell, Padden, Patrick, Prince, Rosbach, Sanders, Schmidt, Smith, Sprague, Struthers, Teutsch, Tilly, Vander Stoep, Williams, Wilson, and Mr. Speaker.

Not voting: Representatives Nisbet, Taylor.

MOTIONS

On motion of Mr. Nelson (G), introduction of Substitute Senate Joint Resolution No. 108 was considered first reading, and the resolution was referred to Committee on Ways and Means.

On motion of Mr. Nelson (G), the House advanced to the sixth order of business.

SECOND READING

SUBSTITUTE SENATE BILL NO. 3360, by Committee on Parks and Ecology (originally sponsored by Senators Patterson, Charnley and Zimmerman):

Providing for park and recreation service areas.

The House resumed consideration of the bill on second reading. (For previous action, see Journal, 101st Day, April 22, 1981.)

The Speaker stated the question before the House to be the amendment by Representative Greengo.

With the consent of the House, Mr. Greengo withdrew the amendment.

On motion of Mr. Greengo, the following amendment was adopted:

On page 12, line 4 beginning with "forty-five" strike all the matter down to and including "84.57.043" on line 9 and insert "fifteen cents or less per thousand dollars of assessed value of property in the district in each year for five consecutive years when specifically authorized so to do by a majority of at least three-fifths of the voters thereof voting on the proposition to levy such additional tax submitted not more than twelve months prior to the date on which the proposed levy is to be made and not oftener than twice in such twelve month period, either at a special election or at the regular election of the district, at which election the number of persons voting 'yes' on the proposition shall constitute three-fifths of a number equal to forty per centum of the total votes cast in such district at the last preceding general election when the number of electors voting on the proposition does not exceed forty per centum of the total votes cast in such taxing district in the last preceding general election. In the event park and recreation districts are levying property taxes, which in combination with property taxes levied by other taxing district result in taxes in excess of the one percent limitation provided for in Article VII, section 1, of our state Constitution, the park and recreation district property tax levy shall be reduced or eliminated before the property tax levies of other taxing districts are reduced."

On motion of Mr. Isaacson, the following amendment by Representatives Isaacson and Dawson was adopted:

On page 12, line 25 beginning with "and" strike all the matter down to and including "when" on line 33 and insert ")). A park and recreation district may additionally issue bonds equal to one and one-fourth percent of the value of the taxable property within the district, as the term 'value of the taxable property' is defined in RCW 39.36.015, when such bonds are approved by three-fifths of the voters of the district at a general or special election called for that purpose and may provide for the retirement thereof by levies in excess of dollar rate limitations in accordance with the provisions of RCW 84.52.056 ((-PROVIDED; That)). When"

Mr. Amen moved adoption of the following amendments:

On page 13, line 13 after "hospital district," insert "road district,"

On page 13, line 15 after "city" insert " ; "

On page 13, line 22 after "hospital district," insert "road district,"

On page 13, line 24 after "city" insert " ; "

On page 13, line 30 after "the" strike "board of county commissioners or other" and insert "(~~board of county commissioners or other~~)"

On page 13, line 31 after "commissioners" insert ", 1"

On page 14 at the beginning of line 1, after "district," and before "rural" insert "road district,"

Mr. Amen spoke in favor of the amendments.

POINT OF ORDER

Mr. Dawson: "Mr. Speaker, it appears to me that the amendments that are being offered are beyond the scope and object of this bill, which is about park and recreation service areas."

SPEAKER'S RULING

The Speaker: "Representative Dawson, the portion of the bill that is being amended deals with excess levies with special taxing districts. I find the amendments are adding additional taxing districts to that section and, therefore, I would find it within the scope and object of the bill. Your point of order is not well taken."

POINT OF ORDER

Mr. Isaacson: "Mr. Speaker, what is the title of the bill, the first line?"

SPEAKER'S RULING

The Speaker: "Representative Isaacson, the title of the bill states, 'AN ACT Relating to parks and recreation...' and goes on from there. In making the ruling, the speaker looks to the title of the bill, looks to the subject matter of the bill and the intent of the various sections within the bill. All of these things are taken into account in making a ruling as to whether or not an amendment can fit within the scope and object of the bill."

Mr. Isaacson spoke against the amendments, and Mr. Addison spoke in favor of them.

ROLL CALL

The Clerk called the roll on adoption of the amendments by Representative Amen to Substitute Senate Bill No. 3360, and the amendments were adopted by the following vote: Yeas, 71; nays, 20; not voting, 7.

Voting yea: Representatives Addison, Amen, Barnes, Barr, Barrett, Berleen, Bickham, Bond, Burns, Cantu, Chamberlain, Chandler, Clayton, Dawson, Dickie, Ellis, Erak, Fancher, Fiske, Flanagan, Galloway, Garrett, Garson, Granlund, Greengo, Gruger, Hankins, Hastings, Hine, Houchen, James, Johnson, King J., Lane, Leonard, Lundquist, Martinis, McCormick, McDonald, McGinnis, Mitchell, Monohon, Nelson G. A., Nisbet, O'Brien, Owen, Padden, Patrick, Prince, Pruitt, Rosbach, Rust, Salatino, Sanders, Schmidt, Scott, Smith, Sprague, Stratton, Struthers, Taylor, Teutsch, Thompson, Tupper, Van Dyken, Vander Stoep, Warnke, Williams, Winsley, and Mr. Speaker.

Voting nay: Representatives Becker, Brekke, Brown, Ehlers, Eng, Erickson, Grimm, Heck, King R., Kreidler, Lewis, Lux, Maxie, Nelson D., Nickell, North, Rinehart, Sherman, Valle, Walk.

Not voting: Representatives Eberle, Gallagher, Isaacson, Sommers, Tilly, Wang, Wilson.

On motion of Mr. Nelson (G), the rules were suspended, the second reading considered the third, and the bill was placed on final passage.

ROLL CALL

The Clerk called the roll on the final passage of Substitute Senate Bill No. 3360 as amended by the House, and the bill passed the House by the following vote: Yeas, 73; nays, 24; not voting, 1.

Voting yea: Representatives Amen, Barnes, Barr, Barrett, Berleen, Bickham, Bond, Brown, Chamberlain, Chandler, Clayton, Dawson, Ellis, Erak, Erickson, Fancher, Fiske, Flanagan, Gallagher, Galloway, Garrett, Garson, Granlund, Greengo, Hankins, Hastings, Heck, Hine, Houchen, Isaacson, Johnson, King J., King R., Lane, Leonard, Lewis, Lundquist, Martinis, McCormick, McDonald, McGinnis, Mitchell, Monohon, Nelson G. A., Nickell, Nisbet, North, O'Brien, Padden, Patrick, Prince, Rosbach, Rust, Sanders, Schmidt, Scott, Sherman, Smith, Sprague, Stratton, Struthers, Taylor, Teutsch, Thompson, Tilly, Tupper, Van Dyken, Vander Stoep, Wang, Warnke, Wilson, Winsley, and Mr. Speaker.

Voting nay: Representatives Addison, Becker, Bender, Brekke, Burns, Cantu, Dickie, Ehlers, Eng, Grimm, Gruger, James, Kreidler, Lux, Maxie, Nelson D., Owen, Pruitt, Rinehart, Salatino, Sommers, Valle, Walk, Williams.

Not voting: Representative Eberle.

Substitute Senate Bill No. 3360 as amended by the House, having received the constitutional majority, was declared passed. There being no objection, the title of the bill was ordered to stand as the title of the act.

ENGROSSED SENATE BILL NO. 3458, by Senators Shinpoch, Jones, McDermott and Deccio:

Authorizing the retention of an additional two percent of wagers on exotic races.

The bill was read the second time. On motion of Mr. Hastings, the rules were suspended, the second reading considered the third, and the bill was placed on final passage.

Mr. Greengo spoke in favor of passage of the bill.

POINT OF INQUIRY

Mr. Greengo yielded to question by Mr. Ehlers.

Mr. Ehlers: "From what I understand from this bill, if I do understand correctly, in addition to the revenue raised there is a movement of some money from a dedicated fund into the general fund. Is that correct?"

Mr. Greengo: "Representative Ehlers, my understanding is that one percent of this fee on wagering will go to the general fund and that's all that I'm aware of."

Mr. Ehlers: "According to the fiscal note that many of us have, there is an indication that certain earmarked funds—fair funds, trade fair funds, horse racing commission—that is a revenue loss to those and an increase in the general fund part of parimutuel tax. From that it would appear that there is going to be a loss of funds for each of those three other accounts. Would you explain that to me and to the body?"

Mr. Greengo: "Representative Ehlers, to the best of my understanding those funds are a wash. That's what we're talking about. The funds there, the trade to the horse racing commission, those are the moneys from the two percent as I understand it, and they will go into improving the racetrack, to improving the barns and to give a little more money to the horse breeders to improve the quality of these races. That becomes a wash. Apparently the one percent was added after in the Senate and is not included in the fiscal note that was written on the bill before the Senate added the extra one percent. It originally came out as eighteen percent."

Mr. Ehlers spoke against passage of the bill, and Representatives Scott, Patrick and Fancher spoke in favor of it.

Mr. Ehlers now spoke in favor of the bill, and Mr. Struthers also spoke in favor of it.

ROLL CALL

The Clerk called the roll on the final passage of Engrossed Senate Bill No. 3458, and the bill passed the House by the following vote: Yeas, 96; nays, 1; not voting, 1.

Voting yea: Representatives Addison, Amen, Barnes, Barr, Barrett, Becker, Bender, Berleen, Bickham, Bond, Brekke, Brown, Burns, Cantu, Chamberlain, Chandler, Clayton, Dawson, Dickie, Ehlers, Ellis, Eng, Erak, Erickson, Fancher, Fiske, Flanagan, Gallagher, Galloway, Garrett, Garson, Granlund, Greengo, Grimm, Gruger, Hankins, Hastings, Heck, Hine, Houchen, Isaacson, James, Johnson, King J., King R., Lane, Leonard, Lewis, Lundquist, Lux, Martinis, Maxie, McCormick, McDonald, McGinnis, Mitchell, Monohon, Nelson D., Nelson G. A., Nickell, Nisbet, North, O'Brien, Owen, Padden, Patrick, Prince, Pruitt, Rinehart, Rosbach, Rust, Salatino, Sanders, Schmidt, Scott, Sherman, Smith, Sommers, Sprague, Stratton, Struthers, Taylor, Teutsch, Thompson, Tilly, Tupper, Valle, Van Dyken, Vander Stoep, Walk, Wang, Warnke, Williams, Wilson, Winsley, and Mr. Speaker.

Voting nay: Representative Kreidler.

Not voting: Representative Eberle.

Engrossed Senate Bill No. 3458, having received the constitutional majority, was declared passed. There being no objection, the title of the bill was ordered to stand as the title of the act.

APPOINTMENT OF CONFEREES

The Speaker appointed Representatives Flanagan, Greengo and Rinehart as conferees on Engrossed Substitute Senate Bill No. 3554.

The Speaker declared the House to be at ease.

The Speaker called the House to order.

MESSAGES FROM THE SENATE

April 24, 1981

Mr. Speaker:

The Senate has granted the request of the House for a conference on ENGROSSED SUBSTITUTE SENATE BILL NO. 3554, and the President has appointed as members of said conference committee: Senators Bluechel, Williams, Sellar.

Sidney R. Snyder, Secretary.

April 24, 1981

Mr. Speaker:

The Senate refuses to recede from its amendments to SUBSTITUTE HOUSE BILL NO. 601, and asks the House for a conference thereon, and the President has appointed as members of said conference committee: Senators Hemstad, Talmadge, Newhouse.

Sidney R. Snyder, Secretary.

MOTION

On motion of Mr. Nelson (G), the House granted the request of the Senate for a conference on Substitute House Bill No. 601.

APPOINTMENT OF CONFEREES

The Speaker appointed Representatives Ellis, Padden and Salatino as conferees on Substitute House Bill No. 601.

MOTION

On motion of Mr. Nelson (G), the House reverted to the fourth order of business.

INTRODUCTION AND FIRST READING

HOUSE CONCURRENT RESOLUTION NO. 27, by Representative Nelson (G):

Suspending the cutoff as to certain House and Senate bills.

MOTION

On motion of Mr. Nelson (G), the rules were suspended, and House Concurrent Resolution No. 27 was advanced to second reading and read the second time in full.

Mr. Scott moved adoption of the following amendment:

On page 1, line 8 after "ESB 3007" strike "ESHB 31"

Representatives Scott, Lux, Heck, King (R) and Salatino spoke in favor of the amendment, and Mr. Amen spoke against it.

Mr. Scott spoke again in favor of the amendment.

POINT OF PARLIAMENTARY INQUIRY

Ms. Rinehart: "Mr. Speaker, I'm looking at HCR 27 and I'm trying to determine the rationale for the list of bills. I have a printout from the digest and I find no consistent rationale. Could you give me that rationale please?"

The Speaker: "It's not the place of the Speaker to tell you of the rationale about any legislation, Representative Rinehart."

MOTION

Mr. O'Brien moved that House Concurrent Resolution No. 27 be made a Special Order of Business for 10:00 p.m. today.

Mr. O'Brien spoke in favor of the motion, and the motion was lost.

The Speaker stated the question before the House to be the amendment by Representative Scott.

POINT OF INQUIRY

Mr. Scott yielded to question by Mr. Wang.

Mr. Wang: "Representative Scott, in your remarks earlier you were stating that House Bill 31 might be used for political purposes. Would you explain that further?"

Mr. Scott: "I'll tell you a little brief history about what worked up to this thing. We started out with a 67-page bill; we ad 113 pages of amendments, not 113 amendments, but 113 pages of amendments. I would guess there were probably three or four hundred amendments. We had kind of a conference committee, with representatives of all interested parties, and we sat in the majority caucus room. It was kind of a free poll, with everybody having an amendment and a few were passed and so on. That's not what I would call a real legislative process on a very, very complex piece of legislation. Then Representative Lux got his engineer's hat on and I think that kind of typifies the process. I think if the public really knew how little time was spent and how screwed up this bill was when it left here, they would be awed at the process. When the bill left the House, as complex as it was, it wasn't even capable of working. It went over to the Senate and I expect we probably have some people recovering from broken arms and legs and it's come back here and section 1 is the only thing left out of a 109-page bill that left the House. Really why I don't want this thing passed, and if it is going to pass, I like to have it passed next session, is because I'm afraid some people may forget what House Bill 31 tried to do to them. If they are going to pass this, have them pass it next session. That way it will be fresh in everybody's mind what we really tried to do to them and maybe they'll become angry enough to vote for us Democrats. Does that answer your question, Representative Wang?"

SENATE AMENDMENTS TO HOUSE BILL

April 23, 1981

Mr. Speaker:

The Senate has passed ENGROSSED HOUSE BILL NO. 214 with the following amendments:

On page 2, following line 6 insert:

*NEW SECTION. Sec. 2. There is added to chapter 84.36 RCW a new section to read as follows:

Real or personal property owned by a nonprofit organization, association, or corporation in connection with the operation of a public assembly hall or meeting place is exempt from taxation. The area exempt under this section includes the building or buildings, the land under the buildings, and an additional area necessary for parking, not exceeding a total of one acre: PROVIDED, That for property essentially unimproved except for restroom facilities and structures on such property which has been used primarily for annual community celebration events for at least ten years, such exempt property shall not exceed twenty-nine acres.

To qualify for this exemption the property must be used exclusively for public gatherings and be available to all organizations or persons desiring to use the property, but the owner may impose conditions and restrictions which are necessary for the safekeeping of the property and promote the purposes of this exemption. Membership shall not be a prerequisite for the use of the property.

The use of the property for pecuniary gain or to promote business activities, except fund raising activities conducted by a nonprofit organization, nullifies the exemption otherwise available for the property for the assessment year. The exemption is not nullified by the collection of rent or donations if the amount is reasonable and does not exceed maintenance and operation expenses created by the user.

The department of revenue shall narrowly construe this exemption and shall annually report to the legislature the names of organizations receiving such property tax exemptions.

Sec. 3. Section 6, chapter 40, Laws of 1973 2nd ex. sess. and RCW 84.36.800 are each amended to read as follows:

(3) 'Hospital' means any portion of a hospital building, or other buildings in connection therewith, used as a residence for persons engaged or employed in the operation of a hospital, or operated as a portion of the hospital unit;

(4) 'Nonprofit' means an organization, association or corporation no part of the income of which is paid directly or indirectly to its members, stockholders, officers, directors or trustees except in the form of services rendered by the organization, association, or corporation in accordance with its purposes and bylaws and the salary or compensation paid to officers of such organization, association or corporation is for actual services rendered and compares to the salary or compensation of like positions within the public services of the state;

(5) 'Parsonage' means a residence occupied by a clergyman who is designated for a particular congregation and who holds regular services therefor.

Sec. 4. Section 7, chapter 40, Laws of 1973 2nd ex. sess. and RCW 84.36.805 are each amended to read as follows:

In order to be exempt pursuant to RCW 84.36.030, 84.36.040, 84.36.050 (~~and~~), 84.36.060, and section 1 of this 1981 act, said nonprofit organizations, associations or corporations shall satisfy the following conditions:

(a) The property is used for the actual operation of the activity for which exemption is granted and does not exceed an amount reasonably necessary for that purpose;

(b) The property is irrevocably dedicated to the purpose for which exemption has been granted, and on the liquidation, dissolution, or abandonment by said organization, association, or corporation, said property will not inure directly or indirectly to the benefit of any shareholder or individual, except a nonprofit organization, association, or corporation which too would be entitled to property tax exemption: PROVIDED, That the provision of this subsection shall not apply to those qualified for exemption pursuant to RCW 84.36.040 if the property used for the purpose stated is either leased or rented;

(c) The facilities and services are available to all regardless of race, color, national origin or ancestry;

(d) The organization, association, or corporation is duly licensed or certified where such licensing or certification is required by law or regulation;

(e) Property sold to organizations, associations, or corporations with an option to be repurchased by the seller shall not qualify for exempt status;

(f) The director of the department of revenue shall have access to its books in order to determine whether such organization, association, or corporation is exempt from taxes within the intent of RCW 84.36.030, 84.36.040, 84.36.050 ((and)), 84.36.060, and section 1 of this 1981 act.

Sec. 5. Section 8, chapter 40, Laws of 1973 2nd ex. sess. as amended by section 1, chapter 209, Laws of 1977 ex. sess. and RCW 84.36.810 are each amended to read as follows:

(2) Upon cessation of a use under which an exemption has been granted pursuant to RCW 84.36.050 to a school or college, the county treasurer shall collect all taxes which would have been paid had the property not been exempt during the three years preceding, or the life of such exemption, if such be less, together with the interest at the same rate and computed in the same way as that upon delinquent property taxes, plus a tax, at the same rate as the property tax rate for that year, on the amount of profit from the sale of property (the difference between the sales price and the purchase price plus improvements): PROVIDED, That where the school or college has operated for more than ten years, no penalty shall be assessed.

(3) If the cessation of use under subsections (1) or (2) of this section involves a portion of the total property exemptions the provisions of those subsections shall apply only to that portion: PROVIDED FURTHER, That such additional tax shall not be imposed if the cessation of use resulted solely from:

(a) Transfer to an organization, association, or corporation for a use which also qualifies and is granted exemption under the provisions of chapter 84.36 RCW;

(b) A taking through the exercise of the power of eminent domain, or sale or transfer to an entity having the power of eminent domain in anticipation of the exercise of such power;

(c) Official action by an agency of the state of Washington or by the county or city within which the property is located which disallows the present use of such property;

(d) A natural disaster such as a flood, windstorm, earthquake, or other such calamity rather than by virtue of the act of the organization, association, or corporation changing the use of such property;

(e) Relocation of the activity and use of another location or site except for undeveloped properties of camp facilities exempted under RCW 84.36.030."

Renumber remaining section accordingly.

Sidney R. Snyder, Secretary.

MOTION

Mr. Greengo moved that the House do concur in the Senate amendments to Engrossed House Bill No. 214.

Mr. Greengo spoke in favor of the motion.

POINT OF INQUIRY

Mr. Greengo yielded to question by Mr. Warnke.

Mr. Warnke: "Representative Greengo, this bill just sort of ticked something in my mind that I read about a year ago regarding some community swimming pools. Would they fall under this as being tax exempt?"

Mr. Greengo: "No, Representative Warnke, they would not. If they are all unimproved property—it it's an unimproved park and has restroom facilities on it, but a bunch of open acreage—it's very narrowly written. It has to have been in existence for ten years."

The motion to concur was carried.

FINAL PASSAGE OF HOUSE BILL AS AMENDED BY SENATE

The Speaker stated the question before the House to be the final passage of Engrossed House Bill No. 214 as amended by the Senate.

SENATE AMENDMENTS TO HOUSE BILL

April 21, 1981

Mr. Speaker:

The Senate has passed SUBSTITUTE HOUSE BILL NO. 339 with the following amendments:

Strike everything after the enacting clause and insert the following:

"Section 1. Section 43.52.250, chapter 8, Laws of 1965 as amended by section 1, chapter 184, Laws of 1977 ex. sess. and RCW 43.52.250 are each amended to read as follows:

As used in this chapter and unless the context indicates otherwise, words and phrases shall mean:

'District' means a public utility district as created under the laws of the state of Washington authorized to engage in the business of generating and/or distributing electricity.

'City' means any city or town in the state of Washington authorized to engage in the business of generating and/or distributing electricity.

'Canada' means Canada or any province thereof.

'Operating agency' or 'joint operating agency' means a municipal corporation created pursuant to RCW 43.52.360, as now or hereafter amended.

'Public utility' means any person, firm or corporation, political subdivision or governmental subdivision including cities, towns and public utility districts engaged in or authorized to engage in the business of generating, transmitting or distributing electric energy.

'Revenue bonds or warrants' means bonds, notes, bond anticipation notes, warrants, certificates of indebtedness, commercial paper, refunding or renewal obligations, payable from a special fund or revenues of the utility properties operated by the joint operating agency.

Sec. 2. Section 43.52.3411, chapter 8, Laws of 1965 and RCW 43.52.3411 are each amended to read as follows:

For the purposes provided for in this chapter, an operating agency shall have power to issue revenue bonds or warrants payable from the revenues of the utility properties operated by it. Whenever the board of a joint operating agency shall deem it advisable to issue bonds or warrants to construct or acquire any public utility or any works, plants or facilities or any additions or betterments thereto or extensions thereof it shall provide therefor by resolution, which shall specify and adopt the system or plan proposed and declare the estimated cost thereof as near as may be. Such cost may include funds for working capital, for payment of expenses incurred in the acquisition or construction of the utility and for the repayment of advances made to the operating agency by any public utility district or city. Except as otherwise provided in RCW 43.52.343, all the provisions of law as now or hereafter in effect relating to revenue bonds or warrants of public utility districts shall apply to revenue bonds or warrants issued by the joint operating agency including, without limitation, provisions relating to: The creation of special funds and the pledging of revenues thereto; the time and place of payment of such bonds or warrants and the interest rate or rates thereon; the covenants that may be contained therein and the effect thereof; the execution, issuance, sale, funding, or refunding, redemption and registration of such bonds or warrants; and the status thereof as negotiable instruments, as legal securities for deposits of public moneys and as legal investments for trustees and other fiduciaries and for savings and loan associations, banks and insurance companies doing business in this state. However, for revenue bonds or warrants issued by an operating agency, the provisions under RCW 54.24.030 relating to additional or alternate methods for payment may be made a part of the contract with the holders of revenue bonds or warrants of an operating agency maturing in not less than six years from the date of issuance. The board may authorize the managing director or the treasurer of the operating agency to sell revenue bonds or warrants maturing one year or less from the date of issuance, and to fix the interest rate or rates on such revenue bonds or warrants with such restrictions as the board shall prescribe.

NEW SECTION. Sec. 3. The legislature believes that the new authority granted in the 1981 amendment of RCW 43.52.250 and 43.52.3411 requires a prudent review of the status of those nuclear projects which are in the early stages of construction and financing on the effective date of this act. Therefore, the study prescribed in sections 4 through 8 of this act is authorized, to examine project financing, estimate the amount necessary to finance, assess the need for financing the projects, as compared to cost-effective alternatives, and determine the electric rate impacts of the projects to be financed. The legislature directs that an independent study shall be made of the feasibility of completion and operation of the Washington Public Power Supply System (WPPSS) Nuclear Projects Nos. Four and Five, which are the least advanced in construction of the five WPPSS projects.

NEW SECTION. Sec. 4. The study shall include, but not be limited to the following:

(1) The probability of successful financing of plant construction, including analysis of inflation effects, probable interest rates, future monetary policy, market reaction to financing arrangements, and risks associated with such financing arrangements;

(2) The probable ultimate costs and schedule for completing each plant assuming that: (a) Construction continues without a deferral, and (b) construction is completed after a deferral lasting as long as ten years;

(3) The probable cost of power produced by each plant throughout the period of plant operation;

(4) The electric rates that are to be expected assuming that each plant is completed according to the determinations under subsection (2) of this section, including costs of substitutes for the outputs of each plant if the plant's completion is subject to a deferral, the plant is not completed, or the plant ceases operation before the plant is finally amortized;

(5) The need for projected output of each plant considering projected demand for electricity, other supply or conservation programs that will be initiated during the period before each plant would be on line, and the availability of and potential for using alternative resources and conservation in new programs which could be undertaken;

(6) The market for and probable rate at which surplus electricity, if any, could be sold outside the Pacific Northwest region; and

(7) The cost-effectiveness of available energy alternatives as compared to continued investment in each plant, considering among other factors life cycle costs, time of availability, and options for the disposition of uncompleted plants.

NEW SECTION. Sec. 5. The legislature intends that the study described in section 4 of this act shall be managed and conducted by an independent research unit, recognized both for expertise in the investigation of electric energy supply and demand in the Pacific Northwest, particularly the process of electric generation by nuclear fission, and for objectivity in past research. The joint Washington energy research center of the University of Washington and Washington State University shall conduct this study through its affiliate office of applied energy studies of Washington State University. A study director shall be appointed by Washington State University. The study director shall contract with nationally recognized experts and disinterested consultants as needed for expeditious completion of the study. WPPSS shall provide unrestricted access to its personnel and records to the persons, including consultants, conducting the study.

The legislative budget committee shall monitor the fiscal administration of the study described in section 4 of this act and may require adherence to such fiscal practices as are appropriate to the needs of the state and the intent of this section and section 3 of this act.

The study director shall assemble an advisory panel which shall provide technical advice and support for the study. Experts from the private sector in the fields of public works construction and finance shall be included on the panel.

NEW SECTION. Sec. 6. The study required by section 4 of this act is needed as expeditiously as possible and shall be completed by March 15, 1982. The study director shall report periodically upon the concurrent request of the chairman of the energy and utility committees of the senate and the house of representatives regarding study progress and preliminary findings and shall provide a draft report to the Washington state legislature by January 31, 1982.

A full report of the findings and recommendations in the study shall be submitted by the office of applied energy studies of the Washington energy research center to the governor, the speaker of the house of representatives, the president of the senate, the chairmen of the energy and utilities committees of the senate and house of representatives, the managing director and the president of the board of directors of the Washington Public Power Supply System, and the governing body of each participant in the projects.

NEW SECTION. Sec. 7. There is hereby appropriated to Washington State University the sum of one million five hundred thousand dollars or so much thereof as is necessary for the 1981-1983 biennium from the state general fund to be used for the sole purpose of paying the costs of conducting the study under section 4 of this act.

NEW SECTION. Sec. 8. The Washington Public Power Supply System shall reimburse the state general fund in the amount of one million five hundred thousand dollars or so much thereof as is paid from the state general fund to Washington State University for the sole purpose of conducting the study which is the subject of section 4 of this act and such reimbursement shall be made to the state general fund upon completion of the study, but in no event later than June 30, 1982. The moneys reimbursed shall be considered part of the cost of construction of WPPSS Projects Nos. Four and Five.

Sec. 9. Section 43.52.343, chapter 8, Laws of 1965 and RCW 43.52.343 are each amended to read as follows:

All bonds issued by an operating agency shall be sold and delivered in such manner, at such rate or rates of interest and for such price or prices and at such time or times as the board shall deem in the best interests of the operating agency, whether by negotiation or to the highest and best bidder after such advertising for bids as the board of the operating agency may deem proper: PROVIDED, That the board may reject any and all bids so submitted and thereafter sell such bonds so advertised under such terms and conditions as it may deem most advantageous to its own interests.

NEW SECTION. Sec. 10. There is added to chapter 43.52 RCW a new section to read as follows:

Any municipal corporation, cooperative or mutual which has entered into a contract with an operating agency to participate in the construction or acquisition of an energy plant as defined in chapter 80.50 RCW shall annually adopt a plan for the repayment of its contractual share of any operating agency obligation

which matures prior to the planned operation of the plant. The manner of adoption of the plan shall be subject to the laws regarding approval of rates of the municipal corporation, cooperative or mutual.

The plan shall include the effect of the means of repayment on its financial condition, its customers' rates, its other contractual rights and obligations, and any other matter deemed useful by the participant.

Each such participating municipal corporation, cooperative or mutual shall include a statement of the extent of its contractual obligation to any operating agency in an annual financial report.

NEW SECTION. Sec. 11. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

NEW SECTION. Sec. 12. This act is necessary for the immediate preservation of the public peace, health, and safety, the support of the state government and its existing public institutions, and shall take effect immediately."

On page 1, line 6 of the title after "43.52.343;" insert "creating new sections; making an appropriation;"

The board of trustees shall charge such fees for ungraded courses, noncredit courses, community services courses, and short courses as it, in its discretion, may determine, not inconsistent with the rules and regulations of the state board for community college education.

NEW SECTION. Sec. 9. There is added to chapter 223, Laws of 1969 ex. sess. and to chapter 28B.15 RCW a new section to read as follows:

(1) Each institution of higher education shall deposit two and one-half percent of revenues collected from tuition, operating, and services and activities fees in an institutional long-term loan fund which is hereby created and which shall be held locally. Moneys in such fund shall be used to make guaranteed loans to eligible students.

(2) An 'eligible student' for the purposes of this section is a student registered for at least six credit hours or the equivalent, who is a 'resident student' as defined in RCW 28B.15.012, and who is a 'needy student' as defined in RCW 28B.10.802.

(3) The amount of the loans made under subsection (1) of this section shall not exceed the demonstrated financial need of the student. Each institution shall establish loan terms and conditions which shall be consistent with the terms of the guaranteed loan program established by 20 U.S. Code Section 1071 et. seq., as now or hereafter amended. All loans made shall be guaranteed by the Washington student loan guaranty association or its successor agency. Institutions are hereby granted full authority to operate as an eligible lender under the guaranteed loan program.

(4) Each institution is responsible for collection of loans made under subsection (1) of this section and shall exercise due diligence in such collection, maintaining all necessary records to insure that maximum repayments are made. Collection and servicing of loans under subsection (1) of this section shall be performed by entities approved for such servicing by the Washington student loan guaranty association or its successor agency: PROVIDED, That institutions be permitted to perform such servicing if specifically recognized to do so by the Washington student loan guaranty association or its successor agency. Collection and servicing of loans made by community colleges under subsection (1) of this section shall be coordinated by the state board for community college education and shall be conducted under procedures adopted by such state board.

(5) Receipts from payment of interest or principle or any other subsidies to which institutions as lenders are entitled, which are paid by or on behalf of borrowers of funds under subsection (1) of this section, shall be deposited in each institution's general local fund and shall be used to cover the costs of making the loans under subsection (1) of this section and maintaining necessary records and making collections under subsection (4) of this section: PROVIDED, That such costs shall not exceed five percent of aggregate outstanding loan principle. Institutions shall maintain accurate records of such costs, and all receipts beyond those necessary to pay such costs, shall be used for the support of the institution's operating budget.

(6) The boards of regents of the state universities, the boards of trustees of the regional universities and The Evergreen State College, and the state board for community college education, on behalf of the community colleges, shall each adopt necessary rules and regulations to implement this section.

(7) Lending activities under this section shall be directed toward students who would not normally have access to educational loans from private financial institutions in Washington state, and maximum use shall be made of secondary markets in the support of loan consolidation.

NEW SECTION. Sec. 10. Notwithstanding any other provision of this amendatory act, the boards of regents and trustees of the respective institutions of higher education shall set aside from tuition and fees charged in each schedule an amount heretofore pledged and necessary for the purposes of bond retirement until such time as any such debt has been satisfied.

NEW SECTION. Sec. 11. The following acts or parts hereof are each hereby repealed:

- (1) Section 1, chapter 322, Laws of 1977 ex. sess. and RCW 28B.15.060;
- (2) Section 8, chapter 322, Laws of 1977 ex. sess. and RCW 28B.15.075;

NEW SECTION. Sec. 12. This amendatory act is necessary for the immediate preservation of the public peace, health, and safety, the support of the state government and its existing public institutions, and shall take effect immediately.

NEW SECTION. Sec. 13. If any provision of this amendatory act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected."

MOTIONS

On motion of Mr. Nelson (G), the rules were suspended, and the bills listed on standing committee reports were advanced to second reading.

On motion of Mr. Nelson (G), further consideration of the bills was deferred, and they were ordered placed at the bottom of today's second reading calendar.

The Speaker (Mr. Amen presiding) declared the House to be recessed until 1:30 p.m.

AFTERNOON SESSION

The House was called to order at 1:30 p.m. by the Speaker. The Clerk called the roll and all members were present.

MESSAGE FROM THE SENATE

April 24, 1981

Mr. Speaker:

The Senate has passed:

ENGROSSED HOUSE CONCURRENT RESOLUTION NO. 27,

and the same is herewith transmitted.

Sidney R. Snyder, Secretary.

MOTION

On motion of Mr. Nelson (G), the House advanced to the sixth order of business.

SECOND READING

ENGROSSED SUBSTITUTE SENATE BILL NO. 3698:

The House resumed consideration of the bill on second reading.

The Clerk read the following amendment by Representatives Pruitt and Addison to the committee amendment:

On page 6, line 2 strike "133,450,900" and insert "131,560,900"

On page 6, line 27 after "improvements." insert "None of the funds appropriated in this section from the Puget Sound capital construction account shall be expended for any of the following projects at the Fautleroy ferry terminal: Construction of a second slip, construction of a bus/high occupancy vehicle lane and sheltered bus area, widening of sidewalks, intersection and signal modifications, or construction of a passenger pick-up area and second tollbooth."

With the consent of the House, Mr. Pruitt withdrew the amendment.

Ms. Granlund moved adoption of the following amendment by Representatives Granlund and Owen to the committee amendment:

On page 7, following line 9 insert a new subsection as follows:

"(7) The ferry operations account appropriation provided by this section is contingent upon providing discounted fares at the rates and on the terms and conditions in effect for ferry system patrons on December 31, 1980. In restoring the rates and policies regarding discounted fares in effect on that date, the commission may provide for such additional discounts as it deems warranted, but in no case shall any of the discounts which were provided on December 31, 1980, be reduced or eliminated during the remainder of this biennium."

Ms. Granlund spoke in favor of the amendment.

POINT OF INQUIRY

Ms. Granlund yielded to question by Mr. Nisbet.

Mr. Nisbet: "What will the impact be on the noncommuter commutation bookholders with the passage of this amendment? Will it raise the fares they must pay or what will its fiscal impact be on those persons?"

Ms. Granlund: "Representative Nisbet, the impact has been mostly on those commuters. We hear a lot about a twenty-seven percent increase in fares and that isn't even telling the whole story. Those people who commute and do have this kind of book would have to pay around fifty-seven percent. I say that the burden is on those who commute."

Mr. Nisbet: "I'm not concerned about the context of commutation, but I'm concerned about the rollback of the discount rate, and as I read your amendment, the price for that is at the 1980 level. You are correct. Many of the people in my district utilize the ferries, but only to go to Seattle for their hospital treatments and things of that nature, and I'm concerned if we are creating a disadvantage for those people who must use the ferry systems, but not as regularly as those in your district, by rolling this back to that point in time—1980?"

Ms. Granlund: "Actually, those commuters do subsidize the walk-on ferry users. I think I did answer your question."

Representatives Nisbet and Wilson spoke against the amendment to the committee amendment, and Representatives Owen and Dawson spoke in favor of it.

POINT OF INQUIRY

Ms. Granlund yielded to question by Mr. Nisbet.

Mr. Nisbet: "My concern, Representative Granlund, is in the total words put together in here. I receive the impression that what you are attempting to do here is not what you would be doing with the words contained herein. Is it your intention by this amendment to roll back the amount that would be paid or the amount of the discount allowed for commutation tickets?"

Ms. Granlund: "What we are attempting to do with this amendment is to make sure that the same percentage of discounts count apply as in December 31, 1980."

Mr. Nisbet now spoke in favor of the amendment, and Representatives Schmidt and Granlund also spoke in favor of it.

The amendment to the committee amendment was adopted.

Ms. Schmidt moved adoption of the following amendment by Representatives Schmidt, Wilson, Granlund and Owen to the committee amendment:

On page 6, line 23 after "are" strike the material down to and including "improvements" on line 27 and insert "provided for and shall be limited to completing work in progress and effecting emergency for the Washington state ferry system, and no new capital projects are authorized during the 1981-83 biennium."

Representatives Schmidt, Wilson and Addison spoke in favor of the amendment to the committee amendment, and Representatives Martinis and Lundquist spoke against it.

POINT OF INQUIRY

Ms. Schmidt yielded to question by Mr. Walk.

Mr. Walk: "Representative Schmidt, my question refers to whether or not your amendment would also affect subsection (5) of this section? Your amendment would limit the money that would be spent from the capital construction account, however, in subsection (5) it declares that if the Department of Transportation found a surplus, that surplus could be diverted. I wonder if you could tell me if your amendment affects that?"

Ms. Schmidt: "I believe that it would not affect this section. I believe that is still the right of the Transportation Commission. All we are asking is that they not work on any new projects, begin any new projects, or spend any more money. We don't want any more bonds sold because we're going to have to pay for them down the line. We are not asking them to slide any more money out of that account; we're asking them to just freeze the account and not begin any new projects."

Mr. James spoke in favor of the amendment to the amendment, and Mr. Garson spoke against it.

Mr. Wilson spoke again in favor of the amendment, and Mr. Martinis again opposed it.

ROLL CALL

The Clerk called the roll on adoption of the amendment by Representative Schmidt and others to the committee amendment to Engrossed Substitute Senate Bill No. 3698, and the

amendment to the amendment was not adopted by the following vote: Yeas, 43; nays, 50; not voting, 5.

Voting yea: Representatives Addison, Barnes, Barrett, Bender, Berleen, Bond, Brown, Cantu, Chamberlain, Dawson, Dickie, Eberle, Ellis, Fancher, Fiske, Granlund, Gruger, Hankins, Hastings, Houchen, Isaacson, James, Kreidler, Leonard, McGinnis, Nisbet, Owen, Padden, Patrick, Prince, Pruitt, Rosbach, Rust, Salatino, Sanders, Schmidt, Struthers, Taylor, Tupper, Van Dyken, Wang, Wilson, and Mr. Speaker.

Voting nay: Representatives Amen, Barr, Becker, Bickham, Brekke, Burns, Clayton, Ehlers, Eng, Erak, Erickson, Flanagan, Gallagher, Galloway, Garson, Grimm, Hine, Johnson, King J., Lane, Lewis, Lundquist, Lux, Martinis, Maxie, McCormick, McDonald, Mitchell, Monohon, Nelson D., Nelson G. A., Nickell, North, O'Brien, Scott, Sherman, Smith, Sommers, Sprague, Stratton, Teutsch, Thompson, Tilly, Valle, Vander Stoep, Walk, Warnke, Williams, Winsley.

Not voting: Representatives Chandler, Greengo, Heck, King R., Rinehart.

Ms. Schmidt moved adoption of the following amendment by Representatives Schmidt, Wilson, Granlund and Owen to the committee amendment:

On page 7, following line 9 insert a new subsection as follows:

"(7) The transportation commission shall not adopt fare increases to be effective on May 1 of each year, pursuant to RCW 47.62.325, which are in excess of 16%."

Representatives Schmidt, Granlund, James and Owen spoke in favor of the amendment to the committee amendment, and Mr. Martinis spoke against it.

POINT OF INQUIRY

Mr. Martinis yielded to question by Mr. Flanagan.

Mr. Flanagan: "Representative Martinis, I'd like to ask you what percent of the operating cost of these ferries is now being paid by other taxes and taxpayers?"

Mr. Martinis: "Well, Representative Flanagan, those are figures in this budget that are extremely difficult to get. There are figures floating around through this legislature all the way from twenty-five percent to thirty-eight percent. As far as what this is doing here now, I believe the budget, as we're looking at it here, is something in the order of twenty-seven percent. If this type of thing was in there, you could figure the twenty-seven percent down to sixteen percent, will bring it up to in the neighborhood of thirty-seven to thirty-eight percent. What has happened over in the Commission is they have taken the political or the gutless way of saying they would give a forty percent subsidy if the legislature will give it to them. They've taken the monkey completely off their backs and they've put in on this body."

Representatives Flanagan and Garson spoke against the amendment to the amendment, and Mr. Wilson spoke in favor of it.

Mr. Nelson (G) demanded the previous question, and the demand was sustained.

The amendment to the committee amendment was not adopted.

The committee amendment as amended was adopted.

On motion of Mr. Wilson, the committee amendment to the title of the bill was adopted.

On motion of Mr. Nelson (G), the rules were suspended, the second reading considered the third, and the bill was placed on final passage.

Representatives Wilson, Martinis, Owen, Garson and Lundquist spoke in favor of passage of the bill.

ROLL CALL

The Clerk called the roll on the final passage of Engrossed Substitute Senate Bill No. 3698 as amended by the House, and the bill passed the House by the following vote: Yeas, 79; nays, 19; not voting, 0.

Voting yea: Representatives Addison, Amen, Barnes, Barr, Barrett, Becker, Bender, Berleen, Bickham, Bond, Brown, Cantu, Chamberlain, Clayton, Dawson, Dickie, Eberle, Ellis, Erak, Fancher, Fiske, Flanagan, Gallagher, Galloway, Garson, Granlund, Greengo, Grimm, Hankins, Hastings, Heck, Hine, Houchen, Isaacson, James, Johnson, King J., King R., Kreidler, Lane, Leonard, Lewis, Lundquist, Martinis, Maxie, McCormick, McGinnis, Mitchell, Monohon, Nelson G. A., Nickell, North, O'Brien, Owen, Padden, Prince, Pruitt, Rosbach, Salatino, Sanders, Scott, Sherman, Smith, Sprague, Stratton, Struthers, Taylor, Teutsch, Tilly, Tupper, Valle, Van Dyken, Vander Stoep, Walk, Wang, Warnke, Wilson, Winsley, and Mr. Speaker.

Voting nay: Representatives Brekke, Burns, Chandler, Ehlers, Eng, Erickson, Garrett, Gruger, Lux, McDonald, Nelson D., Nisbet, Patrick, Rinehart, Rust, Schmidt, Sommers, Thompson, Williams.

Engrossed Substitute Senate Bill No. 3698 as amended by the House, having received the constitutional majority, was declared passed. There being no objection, the title of the bill was ordered to stand as the title of the act.

MOTION

On motion of Mr. Nelson (G), Engrossed Substitute Senate Bill No. 3698 as amended by the House was ordered immediately transmitted to the Senate.

The Speaker called on Mr. Amen to preside.

HOUSE BILL NO. 648, by Committee on Revenue and Representative Greengo (by Department of Revenue request):

Modifying provisions on real estate excise taxation.

The bill was read the second time. On motion of Mr. Greengo, Substitute House Bill No. 648 was substituted for House Bill No. 648, and the substitute bill was placed on the calendar for second reading.

Substitute House Bill No. 648 was read the second time.

Mr. Tilly moved adoption of the following amendment by Representatives Tilly, Ellis, Barr and Fancher:

On page 1, line 18 after "seller." strike "The rules shall also include a manual which defines transactions which are taxable under this chapter." and insert "~~(The rules shall also include a manual which defines transactions which are taxable under this chapter.)~~"

Mr. Tilly spoke in favor of the amendment, and Ms. Sommers spoke against it.

POINT OF INQUIRY

Mr. Greengo yielded to question by Mr. Ehlers.

Mr. Ehlers: "Representative Greengo, in this amendment and in the bill, I notice there is a fiscal note on this item, but the fiscal item is not in our bill report. What is the revenue fiscal note on this?"

Mr. Greengo: "I'm afraid I can't tell you, Representative Ehlers."

POINT OF INQUIRY

Mr. Sanders yielded to question by Mr. Ehlers.

Mr. Ehlers: "Representative Sanders, would you answer the question please?"

Mr. Sanders: "There is no fiscal impact; there is just a form change."

POINT OF PARLIAMENTARY INQUIRY

Mr. Ehlers: "It's my understanding that in the cutoff resolution unless an item has either a revenue generator or a decrease in revenue, that it should not be considered at this time. We've been informed by a member of the Revenue Committee that it is not a revenue generator and therefore should not be considered."

SPEAKER'S RULING (MR. AMEN PRESIDING)

The Speaker (Mr. Amen presiding): "Representative Ehlers, the bill has a revenue impact on it so it is alive. It doesn't matter whether the amendment has an impact or not. There is a revenue impact on the bill."

POINT OF INQUIRY

Mr. Sanders yielded to question by Mr. Ehlers.

Mr. Ehlers: "Representative Sanders, so we're real clear on what we're talking about, my question to you dealt with the bill and not the amendment. Would you clarify that for us please?"

Mr. Sanders: "Representative Ehlers, since the amendment was before us I thought your question was regarding the amendment. The amendment does not have a fiscal impact, but the bill, of course, does have a fiscal impact."

Mr. Ehlers: "Could you tell us how much that is?"

Mr. Sanders: "\$17.21 million."

POINT OF ORDER

Mr. Greengo: "Mr. Speaker, could I ask for a ruling on scope and object on this amendment?"

SPEAKER'S RULING (MR. AMEN PRESIDING)

The Speaker (Mr. Amen presiding): "Representative Greengo, we are already in the process of debate so it is too late for your point of order."

POINT OF PARLIAMENTARY INQUIRY

Mr. Ehlers: "On a previous ruling by Speaker Polk on another measure I was concerned with, I did not raise a point of order, but I raised a point of parliamentary inquiry after an amendment had been offered, and at that point he ruled that, in fact, discussion had begun and as long as I had asked for a point of parliamentary inquiry, the Speaker ruled that the amendment was outside the scope and object and is not subject to the ruling you indicated."

The Speaker resumed the Chair.

The Speaker: "Representative Ehlers, the situation that you described was one that was entirely different from this one. It was one where the question brought up was really a point of privilege where a House rule was asked to be enforced and that was entirely different from this. In this case, Speaker Amen ruled correctly, in my judgment, that we had already proceeded past this point."

Mr. Padden demanded the previous question and the demand was sustained.

ROLL CALL

The Clerk called the roll on adoption of the amendment by Representative Tilly and others to Substitute House Bill No. 648, and the amendment was not adopted by the following vote: Yeas, 43; nays, 55; not voting, 0.

Voting yea: Representatives Addison, Amen, Barnes, Barrett, Berleen, Bickham, Bond, Chamberlain, Clayton, Dawson, Dickie, Eberle, Ellis, Fancher, Fiske, Flanagan, Hankins, Hastings, Isaacson, James, Johnson, Lane, Leonard, Lundquist, McGinnis, Nickell, Nisbet, Padden, Patrick, Prince, Rosbach, Sanders, Schmidt, Smith, Sprague, Taylor, Teutsch, Tilly, Tupper, Van Dyken, Wilson, Winsley, and Mr. Speaker.

Voting nay: Representatives Barr, Becker, Bender, Brekke, Brown, Burns, Cantu, Chandler, Ehlers, Eng, Erak, Erickson, Gallagher, Galloway, Garrett, Garson, Granlund, Greengo, Grimm, Gruger, Heck, Hine, Houchen, King J., King R., Kreidler, Lewis, Lux, Martinis, Maxie, McCormick, McDonald, Mitchell, Monohon, Nelson D., Nelson G. A., North, O'Brien, Owen, Pruitt, Rinehart, Rust, Salatino, Scott, Sherman, Sommers, Stratton, Struthers, Thompson, Valle, Vander Stoep, Walk, Wang, Warnke, Williams.

Mr. Tilly moved adoption of the following amendment:

On page 2, after line 24 insert:

Representatives Tilly and Becker spoke in favor of the amendment, and Representatives Sommers and Greengo spoke against it.

POINT OF INQUIRY

Mr. Greengo yielded to question by Mr. Ellis.

Mr. Ellis: "Representative Greengo, will you answer all of my mail and the realtors and homeowners and everybody out there who have to go ahead now and sign two signatures for the next month until we get this thing straightened up? You know it has been a unanimous agreement by the industry, the county auditors and the Department of Revenue, and you are the sponsor of the bill."

Mr. Greengo: "Well, Representative Ellis, I guess my mail has run as heavy as yours, so we'll each have to answer our own because the bill isn't going to pass if we do what we're doing here."

The amendment was adopted.

On motion of Mr. Tilly, the following amendments to the title were adopted:

~~((2))~~ (3) An actual demonstration of his ability to operate a motor vehicle in such a manner as not to jeopardize the safety of persons or property; and

~~((3))~~ (4) Such further examination as the director deems necessary (a) to determine whether any facts exist which would bar the issuance of a vehicle operator's license under chapters 46.20, 46.21 and 46.29 RCW, and (b) to determine the applicant's fitness to operate a motor vehicle safely on the highways; and

Remember the following section consecutively.

On page 1, line 8 of the title after "46.68.041;" insert "amending section 46.20.130, chapter 12, Laws of 1961 as last amended by section 2, chapter 232, Laws of 1967 and RCW 46.20.130;"

On motion of Mr. Nelson (G), the rules were suspended, the second reading considered the third, and the bill was placed on final passage.

Representatives Wilson and Martinis spoke in favor of passage of the bill, and Mr. Patrick spoke against it.

POINT OF INQUIRY

Mr. Nelson (D) asked Mr. Wilson to yield to question, and Mr. Wilson refused to yield.

POINT OF INQUIRY

Mr. Garrett yielded to question by Mr. Nelson (D).

Mr. Nelson (D): "Representative Garrett, the concern I have is that there is a fiscal impact. It produces revenue, but it says it decreases expenditures. I'm wondering if the increase in fees is offset by the expenditures, so that it doesn't amount to a tax increase on the motorist?"

Mr. Garrett: "Representative Nelson, I don't know whether you would call it a tax increase or a user fee increase, but you are paying two dollars for your picture. Of course, the picture will last you four years and you are getting one picture for two dollars now instead of under the two-year system you got two pictures for two dollars. You can interpret that any way you want."

Mr. Nelson (D): "In other words, the fees are the same then? The basic fee is the same?"

Mr. Garrett: "It's my understanding the fee is seven dollars for two years and it will go to fourteen dollars for four years, but there would be one dollar that would go for the picture and I don't know where the other dollar would go. Of course, the savings we are talking about are in the reduction of time of issuing the licenses. This will be staggered so that if your birthday is on an odd-numbered year or an even-numbered year, one or the other, you will get two years and the other person will get four years and then that way the department will have something to do all the time."

ROLL CALL

The Clerk called the roll on the final passage of Senate Bill No. 3375 as amended by the House, and the bill passed the House by the following vote: Yeas, 81; nays, 17; not voting, 0.

POINT OF INQUIRY

Ms. Rinehart yielded to question by Mr. Tupper.

Mr. Tupper: "Representative Rinehart, I'm concerned about the use of 'automatic escalators' as a phrase. I don't see a lot of difference between fixing a percentage for the costs that a student must pay as a percent of the cost of instruction and the difference between a fixed percentage on sales tax, which obviously escalates as the price of goods goes up, or a fixed percentage on property tax lid, which is 106%, which escalates as the price of property goes up."

Ms. Rinehart: "The difference is our sales taxes apply to the general population and this is one specific tax increase that pertains to one particular set of people."

All taxes upon real and personal property made payable by the provisions of this title shall be due and payable to the treasurer as aforesaid on or before the thirtieth day of April ~~((in each year, after which date they shall become delinquent, and interest at the rate of eight percent per annum shall be charged upon such unpaid taxes and upon unpaid personal property taxes from the date of delinquency until paid))~~ and shall be delinquent after that date: PROVIDED, That when the total amount of tax on personal property or on any lot, block or tract of real property payable by one person is ten dollars or more, and if one-half of such tax be paid on or before the said thirtieth day of April, ~~((then the time for payment of the remainder thereof shall be extended and said remainder shall be due and payable on or before the thirty-first day of October following, after which date such remaining one-half shall become delinquent, and interest at the rate of eight percent per annum shall be charged upon said remainder from the date of delinquency until paid: PROVIDED, FURTHER, That when the total amount of personal property taxes falling due in any year, payable by one person, is ten dollars or more, and if one-half of such taxes be paid on or before said thirtieth day of April then the time for payment of the remainder thereof shall be extended and said remainder shall be due and payable on or before the thirty-first day of October following, after which date such remaining one-half shall become delinquent, and interest at the rate of eight percent per annum shall be charged upon said remainder from the date of delinquency until paid))~~ the remainder shall be due and payable on or before the thirty-first day of October following and shall be delinquent after that date.

Delinquent taxes under this section are subject to interest at the rate of twelve percent per annum computed on a monthly basis from the date of delinquency until paid. In addition, delinquent taxes under this section are subject to penalties as follows:

(2) An additional penalty of eight percent shall be assessed on the total amount of tax delinquent on November 30th of the year in which the tax is due.

For purposes of this chapter, 'interest' means both interest and penalties.

All collections of interest on delinquent taxes shall be credited to the county current expense fund; but the cost of foreclosure and sale of real property, and the fees and costs of distraint and sale of personal property, for delinquent taxes, shall, when collected, be credited to the operation and maintenance fund of the county treasurer prosecuting the foreclosure or distraint or sale; and shall be used by the county treasurer as a revolving fund to defray the cost of further foreclosure, distraint and sale for delinquent taxes without regard to budget limitations.

Sec. 3. Section 84.64.030, chapter 15, Laws of 1961 as amended by section 1, chapter 84, Laws of 1972 ex. sess. and RCW 84.64.030 are each amended to read as follows:

Any time after the expiration of three years from the original date of delinquency of any tax included in a certificate of delinquency, the holder of any certificate of delinquency may give notice and summons to the owner of the property described in such certificate that he or she will apply to the superior court of the county in which such property is situated for a judgment foreclosing the lien against the property mentioned therein. Such notice and summons shall contain:

(1) The title of the court, the description of the property and the name of the owner thereof, if known, the name of the holder of the certificate, the date thereof, and the amount for which it was issued, the year or years for the delinquent taxes for which it was issued, the amount of all taxes paid for prior or subsequent years, and the rate of interest on said amount.

(2) A direction to the owner summoning him or her to appear within sixty days after service of the notice and summons, exclusive of the day of service, and defend the action or pay the amount due, and when service is made by publication a direction to the owner, summoning him or her to appear within sixty days after the date of the first publication of the notice and summons, exclusive of the day of said first publication, and defend the action or pay the amount due.

(3) A notice that, in case of failure so to do, judgment will be rendered foreclosing the lien of such taxes and costs against the land and premises named.

The notice and summons shall be subscribed by the holder of the certificate of delinquency, or by someone in his or her behalf, and residing within the state of Washington, and upon whom all process may be served.

A copy of said notice and summons shall be delivered to the county treasurer. Thereafter when any owner of real property or person interested therein seeks to redeem as provided in RCW 84.64.070, the treasurer shall ascertain the amount of costs accrued in foreclosing said certificate and include said costs as a part of the redemption required to be paid. Cost incurred for a title search required by RCW 84.64.050 shall be included.

The notice and summons shall be served in the same manner as a summons in a civil action is served in the superior court.

The county treasurer shall not issue certificates of delinquency upon property owned and occupied as a principal place of residence by a person sixty-two years of age or older.

Sec. 4. Section 84.64.050, chapter 15, Laws of 1961 as amended by section 2, chapter 84, Laws of 1972 ex. sess. and RCW 84.64.050 are each amended to read as follows:

After the expiration of ~~(five)~~ three years from the date of delinquency, when any property remains on the tax rolls for which no certificate of delinquency has been issued, the county treasurer shall proceed to issue certificates of delinquency on said property to the county ~~(-and)~~ for all years' taxes, interest, and costs: PROVIDED, That the county treasurer, with the consent of the county legislative authority, may elect to issue a certificate for fewer than all years' taxes, interest, and costs to a minimum of the taxes, interest, and costs for the earliest year.

The change to a three-year grace period shall first be effective on May 1, 1983. Prior to that date, the county treasurer shall send a notice to all taxpayers with taxes delinquent for two years or more, notifying them of the change in the grace period. The treasurer shall file said certificates when completed with the clerk of the court, and the treasurer shall thereupon, with such legal assistance as the county ((commissioners) legislative authority shall provide in counties having a population of thirty thousand or more, and with the assistance of the county prosecuting attorney in counties having a population of less than thirty thousand, proceed to foreclose in the name of the county, the tax liens embraced in such certificates, and the same proceedings shall be had as when held by an individual: PROVIDED, That notice and summons must be served or notice given in a manner reasonably calculated to inform the owner or owners of the foreclosure action. Either (1) personal service upon the owner or owners or (2) publication once in a newspaper of general circulation, which is circulated in the area of the property and mailing of notice by certified mail to the owner or owners or, if a mailing address is unavailable, personal service upon the occupant of the property, if any, is sufficient. In addition to describing the property as the same is described on the tax rolls, the notice must include the local street address, if any. It shall be the duty of the county treasurer to mail a copy of the published summons, within fifteen days after the first publication thereof, to the treasurer of each city or town within which any property involved in a tax foreclosure is situated, but the treasurer's failure to do so shall not affect the jurisdiction of the court nor the priority of any tax sought to be foreclosed. Said certificates of delinquency issued to the county may be issued in one general certificate in book form including all property, and the proceedings to foreclose the liens against said property may be brought in one action and all persons interested in any of the property involved in said proceedings may be made codefendants in said action, and if unknown may be therein named as unknown owners, and the publication of such notice shall be sufficient service thereof on all persons interested in the property described therein, except as provided above. The person or persons whose name or names appear on the treasurer's rolls as the owner or owners of said property shall be considered and treated as the owner or owners of said property for the purpose of this

section, and if upon said treasurer's rolls it appears that the owner or owners of said property are unknown, then said property shall be proceeded against, as belonging to an unknown owner or owners, as the case may be, and all persons owning or claiming to own, or having or claiming to have an interest therein, are hereby required to take notice of said proceedings and of any and all steps thereunder: PROVIDED, That, at least thirty days prior to the sale of the property, if such property is shown on the tax rolls under unknown owners or as having an assessed value of three thousand dollars or more, the treasurer shall order or conduct a title search of the property to be sold to determine the legal description of the property to be sold and the record title holder, and if the record title holder or holders differ from the person or persons whose name or names appear on the treasurer's rolls as the owner or owners, the record title holder or holders shall be considered and treated as the owner or owners of said property for the purpose of this section, and shall be entitled to the notice provided for in this section.

The county treasurer shall not issue certificates of delinquency upon property owned and occupied as a principal place of residence by a person sixty-two years of age or older.

NEW SECTION. Sec. 28. FOR THE ARTS COMMISSION—ART WORK ALLOWANCE

In accordance with RCW 43.17.200, all state agencies or departments shall expend, as a nondeductible item, out of any moneys appropriated for the original construction of any state building, an amount of one-half of one percent of the appropriation for the acquisition of works of art which may be an integral part of the structure, attached to the structure, detached within or outside of the structure, or can be exhibited by the agency in other public facilities. If the amount is not required in toto or in part for any project, the unrequired amounts may be accumulated and expended for art in other projects of the agency. For the purpose of this section, "building" does not include highway construction sheds, warehouses, or other buildings of a temporary nature.

NEW SECTION. Sec. 29. To effectively, efficiently, and economically carry out the provisions of this act, each agency shall establish a start date and completion date on each project which has an estimated total cost which exceeds two hundred thousand dollars and for which a start or completion date is not specified in this act. This information shall be furnished to the office of financial management and the legislative auditor no later than the date the allotment request is filed with the office of financial management. If a project cannot start on or before the indicated start date or be completed by the indicated completion date, the director of the agency shall document and file with the office of financial management and the legislative budget committee the reason for the delay and indicate the new start and/or completion date(s). The legislative auditor shall review these filings and report thereon to the legislative budget committee and the appropriate standing committees of the senate and house of representatives.

As a result of these filings, agency directors may be required to appear before the legislative budget committee for further explanation of a project delay.

NEW SECTION. Sec. 30. To effectively carry out the provisions of this act, the governor may assign responsibility for planning, engineering, construction, and other related activities to any appropriate agency.

NEW SECTION. Sec. 31. Reappropriations shall be limited to the unexpended balances remaining June 30, 1981, in the current appropriation for each project.

NEW SECTION. Sec. 32. Notwithstanding any other provisions of law, for the 1981-83 biennium, state treasurer transfers of reimbursement to the general fund from the community college capital projects account for debt service payments made under the provisions of Title 28B RCW shall occur only after such debt service payment has been made and only to the extent that funds are actually available in the account. Any unpaid reimbursements shall be a continuing obligation against the community college capital projects account until paid. The state board for community college education need not accumulate any specific balance in the community college capital projects account in anticipation of transfers to reimburse the general fund.

NEW SECTION. Sec. 33. Any capital improvements or capital project involving construction or major expansion of a state office facility, including district headquarters, detachment offices, and off-campus faculty offices, shall be reviewed by the department of general administration for possible consolidation and compliance with state office standards prior to allotment of funds. The intent of the requirement imposed by this section is to eliminate duplication and reduce total office space requirements where feasible, while ensuring proper service to the public.

NEW SECTION. Sec. 34. The governor, through the director of financial management, may authorize a transfer of appropriation authority provided for a capital project which is in excess of the amount required for the completion of such project to another capital project for which the appropriation is insufficient. No such transfer shall be used to expand the capacity of any facility beyond that intended by the legislature in making the appropriation. Such transfers may be effected only between capital appropriations to a specific department, commission, agency, or institution of higher education and only between capital projects which are funded from the same fund or account.

A report of any transfer effected under this section shall be filed with the legislative auditor by the director of financial management within thirty days of the date the transfer is effected. The legislative auditor shall review and compile these filings and periodically report thereon to the legislative budget committee and the appropriate standing committees of the senate and house of representatives.

NEW SECTION. Sec. 35. If any federal moneys appropriated by this act for capital projects are not received by the state, the department or agency to which the moneys were appropriated may replace the federal moneys with any moneys available from private or local sources. No replacement may occur under this section without the prior approval of the director of financial management in consultation with the committees on ways and means of the senate and house of representatives.

NEW SECTION. Sec. 36. Each agency receiving appropriations or reappropriations from the general fund—outdoor recreation account shall provide a master list of all incomplete projects funded in full or in part from the outdoor recreation account. Projects shall be considered incomplete if the project is not completed before November 1, 1981.

The master list shall include but is not limited to the following:

- (1) A list of projects in order of priority as determined by the agency;
- (2) A brief description of the project;

(3) A complete explanation of the status of each project; and

(4) A reconciliation of moneys, by subsource of funds, available to the agency to fund the projects.

Each agency shall submit its master list to the office of financial management. The office financial management shall forward each agency's master list of projects, along with any recommendations, to the committees on ways and means of the house of representatives and senate by December 1, 1981.

NEW SECTION. Sec. 37. State agencies shall not receive or make a contractual agreement to receive any donation of real property or an interest therein which commits the agency to assume on a current basis or request at a future time appropriated funds for operating, development, or acquisition costs without prior approval of the legislative budget committee or the committees on ways and means of the senate and house of representatives if the legislature is in session.

NEW SECTION. Sec. 38. Expenditure of moneys appropriated by section 3 of this act shall be made in consultation and with the prior approval of the state capitol committee in accordance with chapter 79.24 RCW. In addition, the department of general administration shall consult with and obtain the approval of the joint legislative committee on capitol facilities prior to expenditure of moneys appropriated by section 3 of this act on projects involving capitol buildings occupied wholly or in part by the legislature.

NEW SECTION. Sec. 39. As the principal and interest requirements of outstanding state bonds, notes, or other evidences of indebtedness and all such indebtedness as is hereafter issued approaches the statutory debt limitation provided for in RCW 39.42.060, the state finance committee shall notify the director of financial management. It is the responsibility of the director to establish priorities for capital projects according to the following order:

(1) Projects requiring reappropriations to fulfill any existing contractual obligations of the state;

(2) Projects which address critical and emergent needs of the state;

(3) Projects which are necessary to prevent the deterioration and structural damage to existing buildings and structures;

(4) All other projects for which funds have been appropriated.

The director of financial management shall notify the state finance committee and the committees on ways and means of the senate and house of representatives of the list of projects, by priority, as soon as possible. The state finance committee shall utilize the lists with respect to the issuance of bonds, notes, or other evidences of indebtedness of the state.

NEW SECTION. Sec. 40. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

NEW SECTION. Sec. 41. This act is necessary for the immediate preservation of the public peace, health, and safety, the support of the state government and its existing public institutions, and shall take effect July 1, 1981, with the exception of section 7(10) of this act, which shall take effect immediately."

On page 1, line 1 of the title, after "capital budget" strike the remainder of the title and insert "making appropriations and authorizing expenditures for capital improvements; authorizing certain projects; providing an effective date; and declaring an emergency."

MESSAGE FROM THE SENATE

April 25, 1981

Mr. Speaker:

The Senate has adopted the report of the Conference Committee on SUBSTITUTE HOUSE BILL NO. 601, and has passed the bill as amended by the Conference Committee, and the same is herewith transmitted.

Sidney R. Snyder, Secretary.

REPORT OF CONFERENCE COMMITTEE

April 25, 1981

Mr. Speaker:

Mr. President:

We, of your Conference Committee, to whom was referred SUBSTITUTE HOUSE BILL NO. 601, enacting the court congestion reduction act, have had the same under consideration and we recommend that the Senate Judiciary Committee amendments be adopted, except for sections 2 through 10 and section 16, and that the following language be stricken from section 22: On lines 9 and 10 and on lines 20 and 21, page 18, strike "or similarly trained person" and the title be changed to conform with the above recommendation.

Signed by Senators Hemstad, Talmadge, Newhouse; Representatives Ellis, Padden.

MOTION

Mr. Ellis moved that the House adopt the recommendations of the Conference Committee.

Mr. Ellis spoke in favor of the motion.

POINT OF INQUIRY

Mr. Ellis yielded to question by Mr. Wang.

Mr. Wang: "Representative Ellis, are all the bonds out of here at this point?"

Mr. Ellis: "That's correct."

Mr. Wang: "Could you explain the effect of the amendment to strike the phrase 'or similarly trained persons'?"

Mr. Ellis: "That was the amendment which would require, in small claims court, that corporate plaintiffs could not use attorneys, paraprofessionals and, as the original Senate amendment read, or similarly trained persons. If the defendant objected to such representation in the small claims court it would then be put up in the justice court. During the conference and discussion with Senator Talmadge, whose amendment this was, he agreed that this is vague language and so we simply agreed to strike it out, so now the section still reads that a corporation cannot use an attorney or a legal paraprofessional in a small claims court if the defendant objects."

Mr. Wang: "Could you explain the relationship between lines 9 and 10 and then on lines 20 and 21?"

Mr. Ellis: "The first part is any person cannot use a lawyer or a legal paraprofessional. That phrase was used twice in that section, once relating to any parties and once relating to corporations."

The motion was carried.

Renumber the remaining subsections consecutively.

POINT OF ORDER

Mr. O'Brien: "Mr. Speaker, the amendment proposed on page 8, line 39 subsection (24) is not germane and irrelevant to the subject matter of Reengrossed Substitute Senate Bill No. 3843. It changes the scope and object of the capital budget. It states the Department of General Administration shall not expend any further capital or operating funds to the legislative art work project. The amount appropriated for the legislative art work project was made in the capital budget in the 1979 Legislative Session for the biennium of July 1, 1979 to June 30, 1981, and this capital budget appropriates several dollar amounts hereinafter specified or so much thereof as is sufficient to accomplish the purposes designated and appropriated and

authorized to be dispersed to the capital project for the period ending July 30, 1983. Further the operating funds for the Department of General Administration are made in the general operating fund and not in the capital budget. No motion or proposition or subject different from that under consideration shall be admitted under color of amendment. This is House Rule 14(D) and Reed's Rule 160. I submit to you, Mr. Speaker, that this proposed amendment is not germane to the subject matter of the bill."

SPEAKER'S RULING

The Speaker: "Representative O'Brien, as to your question of scope and object, I find that subsection (24) would restrict the expenditure of both capital and operational funds of the Department of General Administration. The capital budget is not the appropriate place to restrict the operating budget of a department. Your point is well taken.

"The effect of ruling subsection (24) beyond the scope and object of the bill would stop all consideration of the entire amendment if subsection (24) was not divisible from the capital budget amendment. I have researched prior rulings of this House and have found that a portion of an amendment may be declared beyond the scope and object of the bill and be divided from the amendment if it encompasses separate and distinct subjects. I find that the subsection is divisible and in accordance with House Rule 22(E), hereby declare the question divided."

Mr. Smith moved adoption of the following amendment by Representatives Smith, Flanagan, Tilly, Amen, Prince and Taylor to the committee amendment:

On page 55, beginning on line 40 strike all of subsection (22).

Representatives Smith and Flanagan spoke in favor of the amendment, and Mr. Scott spoke against it.

POINT OF INQUIRY

Mr. Scott yielded to question by Mr. Amen.

Mr. Amen: "Representative Scott, I was confused by your remarks. You said if we do not buy the railroad we are going to have to take out the bridges. Why do we have to take out the bridges when the state doesn't own it?"

Mr. Scott: Representative Amen, Sam Guess called a federal judge in Spokane who handles all the railroad bankruptcy laws, and it appears that something in the federal law says that if the railroad declares bankruptcy then the state is liable regardless of whether it had anything to do with it or not. He also told us that if we do not purchase that right-of-way—and his words are, 'estimates that the state would only cover five or ten percent of the dollar on the lienholder in the bankruptcy if we don't purchase this.' So we'd lose all those back taxes. The federal judge handles this every day, and Senator Guess called him and this is what he was told. I might add that in the county, they leave the rails in and don't take the rails out on road crossings. The reason they do that is so they don't have to come in when they blacktop and pull the rails up. That leaves the responsibility to the county."

Representatives Amen and Prince spoke in favor of the amendment, and Representatives Scott and King (R) spoke against it.

Representatives Smith and Flanagan spoke again in favor of the amendment.

ROLL CALL

The Clerk called the roll on adoption of the amendment by Representative Smith and others to the committee amendment to Reengrossed Substitute Senate Bill No. 3843, and the amendment to the amendment was not adopted by the following vote: Yeas, 47; nays, 47; not voting, 4.

Voting yea: Representatives Amen, Barnes, Barr, Barrett, Berleen, Bickham, Bond, Cantu, Chamberlain, Chandler, Clayton, Dawson, Dickie, Ellis, Fancher, Fiske, Flanagan, Garrett, Greengo, Hankins, Hastings, Houchen, Isaacson, James, Johnson, Lane, Lundquist, Lux, Maxie, McGinnis, Monohon, Nickell, Nisbet, North, Padden, Prince, Pruitt, Rosbach, Smith, Struthers, Taylor, Tilly, Tupper, Van Dyken, Vander Stoep, Winsley, and Mr. Speaker.

Voting nay: Representatives Addison, Becker, Bender, Brekke, Brown, Burns, Eberle, Ehlers, Eng, Erak, Erickson, Gallagher, Galloway, Garson, Grimm, Gruger, Heck, Hinc, King J., King R., Kridler, Leonard, Lewis, Martinis, McCormick, McDonald, Mitchell, Nelson D., O'Brien, Owen, Patrick, Rinehart, Rust, Salatino, Sanders, Scott, Sherman, Sommers, Sprague, Stratton, Teutsch, Thompson, Valle, Walk, Wang, Warnke, Williams.

Not voting: Representatives Granlund, Nelson G. A., Schmidt, Wilson.

Mr. Williams moved adoption of the following amendment by Representatives Williams and Becker to the committee amendment:

On page 8, line 39 add a new subsection (24) as follows:

"(24) The department of general administration shall not expend any capital funds appropriated herein for the legislative art work project."

POINT OF ORDER

Mr. O'Brien: "Mr Speaker, this proposed amendment isn't germane to Reengrossed Substitute Senate Bill No. 3843. Part of the preamble to the bill states, 'A capital budget ... the several dollar amounts hereinafter specified, or so much thereof as shall be sufficient to accomplish the purposes designated, are appropriated and authorized to be disbursed for capital projects during the period ending June 30, 1983...' I submit to you that there is nothing in this budget that pertains to capital funds appropriated for legislative art work. The amendment is redundant and not germane to the bill because there is nothing here in the ensuing biennium for legislative art work. I don't understand the purpose of the amendment. It certainly is in violation of our House rules."

SPEAKER'S RULING

The Speaker: "Representative O'Brien, in the budget bills that we have passed, the operating budget as well as our capital budget, there are often provisos of various sorts that prohibit one thing or another that the money can be spent for or should not be spent for. I would find that this amendment would be of the same general nature as the proviso restricting the use of money that would be appropriated to the Department of General Administration. As you say, it may be a redundancy, but I would not find it beyond the scope and object of the bill."

Representatives Williams, Taylor and Sanders spoke in favor of the amendment to the amendment, and Representatives O'Brien, Kreidler and Rinehart spoke against it.

Mr. Hastings demanded the previous question, and the demand was sustained.

ROLL CALL

The Clerk called the roll on adoption of the amendment by Representatives Williams and Becker to the committee amendment to Reengrossed Substitute Senate Bill No. 3843, and the amendment to the amendment was adopted by the following vote: Yeas, 58; nays, 37; not voting, 3.

Voting yea: Representatives Addison, Barnes, Barr, Barrett, Becker, Bender, Berleen, Bickham, Bond, Cantu, Chamberlain, Clayton, Dawson, Dickie, Eberle, Ellis, Fancher, Fiske, Gallagher, Garson, Granlund, Greengo, Grimm, Hankins, Hastings, Heck, Houchen, Isaacson, James, Leonard, Lewis, McDonald, Mitchell, Monohon, Nelson G. A., Nickell, Nisbet, O'Brien, Owen, Patrick, Prince, Pruitt, Rosbach, Sanders, Schmidt, Smith, Sommers, Sprague, Taylor, Teutsch, Thompson, Tilly, Tupper, Valle, Van Dyken, Vander Stoep, Walk, Williams.

Voting nay: Representatives Amen, Brekke, Brown, Burns, Chandler, Eng, Erak, Erickson, Flanagan, Galloway, Garrett, Gruger, Hine, Johnson, King J., King R., Kreidler, Lane, Lundquist, Lux, Martinis, Maxie, McCormick, McGinnis, Nelson D., North, Padden, Rinehart, Rust, Salatino, Scott, Sherman, Stratton, Struthers, Warnke, Winsley, and Mr. Speaker.

Not voting: Representatives Ehlers, Wang, Wilson.

MOTION FOR RECONSIDERATION

Having voted on the prevailing side, Mr. O'Brien moved that the House now reconsider the vote by which the Williams/Becker amendment to the committee amendment was adopted.

Mr. O'Brien spoke in favor of the motion, and Mr. Tupper spoke against it.

ROLL CALL

The Clerk called the roll on the motion that the House reconsider the vote by which the amendment by Representatives Williams and Becker to the committee amendment to Reengrossed Substitute Senate Bill No. 3843 was adopted, and the motion was lost by the following vote: Yeas, 48; nays, 48; not voting, 2.

Voting yea: Representatives Barr, Bender, Brekke, Brown, Burns, Eberle, Ellis, Eng, Erak, Erickson, Fiske, Flanagan, Gallagher, Galloway, Garrett, Granlund, Gruger, Hine, Johnson, King J., King R., Kreidler, Lane, Lundquist, Lux, Martinis, Maxie, McCormick, McGinnis, Mitchell, Monohon, Nelson D., Nelson G. A., North, O'Brien, Padden, Rinehart, Rust, Salatino, Scott, Sherman, Sprague, Stratton, Struthers, Walk, Warnke, Winsley, and Mr. Speaker.

Voting nay: Representatives Addison, Amen, Barnes, Barrett, Becker, Berleen, Bickham, Bond, Cantu, Chamberlain, Chandler, Clayton, Dawson, Dickie, Fancher, Garson, Greengo, Grimm, Hankins, Hastings, Heck, Houchen, Isaacson, James, Leonard, Lewis, McDonald, Nickell, Nisbet, Owen, Patrick, Prince,

Pruitt, Rosbach, Sanders, Schmidt, Smith, Sommers, Taylor, Teutsch, Thompson, Tilly, Tupper, Valle, Van Dyken, Vander Stoep, Williams, Wilson.

Not voting: Representatives Ehlers, Wang.

The Speaker stated the question before the House to be the committee amendment as amended.

The committee amendment as amended was adopted.

On motion of Mr. Nelson (G), the rules were suspended, the second reading considered the third, and the bill was placed on final passage.

POINT OF INQUIRY

Mr. Williams yielded to question by Ms. Rosbach.

Ms. Rosbach: "I'd like to inquire about the budget on page 5, item 11, 'To purchase land adjacent to Olympia Technical Community College, \$500,000...' I realize that it's adjacent to the Olympia Technical Community College and there was a request from the State Board of Community Colleges to do two things. First, to purchase that acreage for \$500,000 for future plans and development, and also they had asked to add an academic program at Olympia Tech. Is it correct that your committee made the purchase, recommending the approval of the appropriation to acquire the land, but did not grant approval of academic courses at the Olympia site at this time?"

Mr. Williams: "This approval is in the General Administration budget, so your answer is correct. Should it be used for educational purposes, we would have to transfer it, and that would be another appropriation or transfer which would then go through Representative McDonald's committee."

Representatives Chandler, Williams, Smith and Stratton spoke in favor of passage of the bill, and Representatives Sommers and Becker spoke against it.

ROLL CALL

The Clerk called the roll on the final passage of Reengrossed Substitute Senate Bill No. 3843 as amended by the House, and the bill passed the House by the following vote: Yeas, 71; nays, 27; not voting, 0.

Voting yea: Representatives Amen, Barnes, Barr, Barrett, Bender, Berleen, Bickham, Bond, Burns, Cantu, Chamberlain, Chandler, Dawson, Dickie, Eberle, Ellis, Erak, Fancher, Fiske, Flanagan, Garrett, Garson, Greengo, Grimm, Gruger, Hankins, Hastings, Houchen, Isaacson, James, Johnson, King R., Kreidler, Lane, Leonard, Lewis, Lundquist, McDonald, McGinnis, Mitchell, Nickell, Nisbet, Padden, Patrick, Prince, Rinehart, Rosbach, Rust, Salatino, Sanders, Schmidt, Scott, Smith, Sprague, Stratton, Struthers, Taylor, Teutsch, Thompson, Tilly, Tupper, Valle, Van Dyken, Vander Stoep, Walk, Wang, Warnke, Williams, Wilson, Winsley, and Mr. Speaker.

Voting nay: Representatives Addison, Becker, Brekke, Brown, Clayton, Ehlers, Eng, Erickson, Gallagher, Galloway, Granlund, Heck, Hinc, King J., Lux, Martinis, Maxie, McCormick, Monohon, Nelson D., Nelson G. A., North, O'Brien, Owen, Pruitt, Sherman, Sommers.

Reengrossed Substitute Senate Bill No. 3843 as amended by the House, having received the constitutional majority, was declared passed. There being no objection, the title of the bill was ordered to stand as the title of the act.

SENATE AMENDMENTS TO HOUSE BILL

April 14, 1981

Mr. Speaker:

The Senate has passed SUBSTITUTE HOUSE BILL NO. 128 with the following amendments:

On page 3, after line 16 insert new sections as follows:

*Sec. 5. Section 3, chapter 105, Laws of 1979 ex. sess. and RCW 10.99.030 are each amended to read as follows:

(1) All training relating to the handling of domestic violence complaints by law enforcement officers shall stress enforcement of criminal laws in domestic situations, availability of community resources, and protection of the victim. Law enforcement agencies and community organizations with expertise in the issue of domestic violence shall cooperate in all aspects of such training.

(2) The primary duty of peace officers, when responding to a domestic violence situation, is to enforce the laws allegedly violated and to protect the complaining party.

(3)(a) When a peace officer responds to a domestic violence call and has probable cause to believe that a crime has been committed, the peace officer may exercise arrest powers with reference to the criteria in RCW 10.31.100. The officer shall notify the victim of the victim's right to initiate a criminal proceeding in all cases where the officer has not exercised arrest powers or decided to initiate criminal proceedings by citation or otherwise. The parties in such cases shall also be advised of the importance of preserving evidence.

(b) A peace officer responding to a domestic violence call shall take a complete offense report including the officer's disposition of the case.

(4) The peace officer may offer, arrange, or facilitate transportation for the victim to a hospital for treatment of injuries or to a place of safety or shelter.

(5) The law enforcement agency shall forward the offense report to the appropriate prosecutor (~~as soon as practicable;~~) within ten days of making such report if there is probable cause to believe that an offense has been committed, unless the case is under active investigation.

(6) Each law enforcement agency shall make as soon as practicable a written record and shall maintain records of all incidents of domestic violence reported to it.

(7) Records kept pursuant to subsections (3) and (6) of this section shall be made identifiable by means of a departmental code for domestic violence.

Sec. 6. Section 4, chapter 105, Laws of 1979 ex. sess. and RCW 10.99.040 are each amended to read as follows:

(1) Because of the serious nature of domestic violence, the court in domestic violence actions:

(a) Shall not dismiss any charge or delay disposition because of concurrent dissolution or other civil proceedings;

(b) Shall not require proof that either party is seeking a dissolution of marriage prior to instigation of criminal proceedings;

(c) Shall waive any requirement that the victim's location be disclosed to any person, other than the attorney of a criminal defendant, upon a showing that there is a possibility of further violence: PROVIDED, That the court may order a criminal defense attorney not to disclose to his client the victim's location; and

(d) Shall identify by any reasonable means on docket sheets those criminal actions arising from acts of domestic violence.

(2) Because of the likelihood of repeated violence directed at those who have been victims of domestic violence in the past, when any defendant charged with a crime involving domestic violence is released from custody before trial on bail or personal recognizance, the court authorizing the release may prohibit the defendant from having any contact with the victim. Wilful violation of a court order issued under this section is a misdemeanor. The written order releasing the defendant shall contain the court's directives and shall bear the legend: Violation of this order is a criminal offense under chapter ((9A)) 10.99 RCW ((and is also subject to civil contempt proceedings)). A certified copy of such order shall be provided to the victim.

NEW SECTION. Sec. 7. There is added to chapter 10.99 RCW a new section to read as follows:

(1) A defendant arrested for an offense involving domestic violence as defined by RCW 10.99.020(2) shall be required to appear in person before a magistrate within one judicial day after the arrest; or

(2) A defendant who is charged by citation, complaint, or information with an offense involving domestic violence as defined by RCW 10.99.020(2) and not arrested shall appear in court for arraignment in person as soon as practicable, but in no event later than fourteen days after the next day on which court is in session following the issuance of the citation or the filing of the complaint or information.

At the time of the appearances provided in subsection (1) or (2) of this section, the court shall determine the necessity of imposing a no contact order or other conditions of pretrial release according to the procedures established by court rule for a preliminary appearance or an arraignment. The decision of the judge and findings of fact in support thereof shall be in writing.

Appearances required pursuant to this section are mandatory and cannot be waived.

NEW SECTION. Sec. 8. There is added to chapter 10.99 RCW a new section to read as follows:

Any law enforcement agency in this state may enforce this chapter as it relates to orders restricting the defendants' ability to have contact with the victim.

NEW SECTION. Sec. 9. There is added to chapter 70.125 RCW a new section to read as follows:

Records maintained by rape crisis centers shall not be made available to any defense attorney as part of discovery in a sexual assault case unless:

(1) A written pretrial motion is made by the defendant to the court stating that the defendant is requesting discovery of the rape crisis center's records;

(2) The written motion is accompanied by an affidavit or affidavits setting forth specifically the reasons why the defendant is requesting discovery of the rape crisis center's records;

(3) The court reviews the rape crisis center's records in camera to determine whether the rape crisis center's records are relevant and whether the probative value of the records is outweighed by the victim's privacy interest in the confidentiality of such records taking into account the further trauma that may be inflicted upon the victim by the disclosure of the records to the defendant; and

(4) The court enters an order stating whether the records or any part of the records are discoverable and setting forth the basis for the court's findings."

On page 3, after line 16 following the committee amendment insert the following:

NEW SECTION. Sec. 10. The focus of the criminal justice system is offense-oriented which involves the apprehension, incarceration, adjudication, and sentencing of those who violate the law. Victims and witnesses of crime are the silent partners in the process. They continue to cooperate with the system although it represents the likely possibility of continued trauma, financial inconvenience, time lost from work, child care costs, the long-term holding of personal property used as evidence, and restitution ordered by the court but not recovered. Even in light of these realities, there is an inherent belief in the system.

Victims and witnesses are further frustrated by the complexity of the criminal justice process, very limited understanding of that process, and the resulting inability to successfully obtain basic case update information from an already overburdened system. County-wide victim and witness programs work to lessen the difficulties of being a victim or witness by providing a link into the criminal justice system. This link creates a more informed public, reassured that they as taxpaying citizens are involved in a criminal justice system that represents them, the people of the state of Washington.

NEW SECTION. Sec. 11. (1) Upon a person pleading guilty to or being convicted of a crime against another person or property in the state, in addition to any other fine or penalty, the court shall levy an assessment of twenty-four dollars for each felony and twelve dollars for each misdemeanor or gross misdemeanor.

(2) When any full deposit of bail is made by a person who is not in custody and who is charged with a misdemeanor or gross misdemeanor, the person making the deposit shall also deposit a sufficient amount to include the assessment required by this section. A person upon whom an assessment has been levied is entitled to a refund of the assessment if the person is acquitted or the charges are withdrawn.

(3) The assessment imposed under this section shall be divided in the following manner:

(a) One-half shall be deposited in the crime victim compensation fund and shall be allocated to the payment of claims made under chapter 7.68 RCW;

(b) One-half shall be deposited in the county victims assistance fund hereby created in the state treasury. Moneys deposited in the fund shall be administered by the department of labor and industries for allocation exclusively to comprehensive county programs for crime victims and witnesses.

NEW SECTION. Sec. 12. (1) The department of labor and industries shall establish fiscal guidelines for the distribution of moneys designated in section 11 of this act for use by the prosecuting attorney or the prosecuting attorney's designee to provide comprehensive services to victims and witnesses of all types of crimes. The Washington victim/witness coordinating council shall provide consultation and assistance to prosecuting attorneys or their designees in designing and implementing programs pursuant to this chapter.

(2) It is the intent of the legislature that funds distributed under this section to comprehensive county programs shall be supplementary to established funding by local governments and that this local funding shall not be supplanted.

(3) Funds distributed under this section shall be made available to those public agencies for the assistance of victims and witnesses which:

(a) Provide comprehensive services to victims and witnesses of all types of crime with particular emphasis on serious crimes against persons and property. It is the intent of the legislature to make funds available only to programs which do not restrict services to victims or witnesses of a particular type or types of crime;

(b) Are administered by the county prosecuting attorney;

(c) Assist victims in the restitution and adjudication process; and

(d) Assist victims of violent crimes in the preparation and presentation of their claims to the department of labor and industries under chapter 7.68 RCW.

NEW SECTION. Sec. 13. Moneys held by the county clerk which have been paid by defendants for restitution to victims of crime shall be returned to the local county program for victims and witnesses if the victim cannot be located. These moneys shall be used to assist other victims of crime and shall not revert to the general fund.

NEW SECTION. Sec. 14. Sections 10 through 13 of this act shall constitute a new chapter in Title 7 RCW.*

On page 1, line 2 of the title, after "witnesses;" strike "and" and insert "amending section 3, chapter 105, Laws of 1979 ex. sess. and RCW 10.99.030; amending section 4, chapter 105, Laws of 1979 ex. sess. and RCW 10.99.040;"

*Sec. 29. Section 15.66.150, chapter 11, Laws of 1961 as amended by section 1, chapter 93, Laws of 1979 ex. sess. and RCW 15.66.150 are each amended to read as follows:

There is hereby levied, and there shall be collected by each commission, upon each and every unit of any agricultural commodity specified in any marketing order an annual assessment which shall be paid by the producer thereof upon each and every such unit sold, processed, stored or delivered for sale, processing or storage by him. Such assessments shall be expressed as a stated amount of money per unit or as a percentage of the net unit price at the time of sale. The total amount of such annual assessment to be paid by all affected producers of such commodity shall not exceed three percent of the total market value of all affected units sold, processed, stored or delivered for sale, processing or storage by all affected producers of such units during the year to which the assessment applies.

Every marketing order shall prescribe the per unit or percentage rate of such assessment. Such rate may be at the full amount of, or at any lesser amount than the amount hereinabove limited and may be altered from time to time by amendment of such order. In every such marketing order and amendment the determination of such rate shall be based upon the volume and price of sales of affected units during a period which the director determines to be a representative period. The per unit or percentage rate of assessment prescribed in any such order or amendment shall for all purposes and times be deemed to be within the limits of assessment above provided until such time as such order is amended as to such rate. However, at the end of any year, any affected producer may obtain a refund from the commission of any assessment payments made which exceed three percent of the total market value of all of the affected commodity sold, processed, stored or delivered for sale, processing or storage by such producer during the year. Such refund shall be made only upon satisfactory proof given by such producer in accordance with reasonable rules and regulations prescribed by the director. Such market value shall be based upon the average sales price received by

such producer during the year from all his bona fide sales or, if such producer did not sell twenty-five percent or more of all of the affected commodity produced by him during the year, such market value shall be determined by the director upon other sales of the affected commodity determined by the director to be representative and comparable. ((No assessment or rate or amendment thereof shall apply in any order unless and until confirmed by a majority of affected producers participating in a vote taken in the manner by this chapter providing for the election of commission members.))

To collect such assessment each order may require:

(1) Stamps to be purchased from the affected commodity commission or other authority stated in such order and attached to the containers, invoices, shipping documents, inspection certificates, releases, or receiving receipts or tickets (said stamps to be canceled immediately upon being attached and the date of cancellation placed thereon).

(2) Payment of producer assessments before the affected units are shipped off the farm or payment of assessments at different or later times, and in such event the order may require any person subject to the assessment to give adequate assurance or security for its payment.

(3) Every affected producer subject to assessment under such order to deposit with the commission in advance an amount based on the estimated number of affected units upon which such person will be subject to such assessment in any one year during which such marketing order is in force, or upon any other basis which the director determines to be reasonable and equitable and specifies in such order, but in no event shall such deposit exceed twenty-five percent of the estimated total annual assessment payable by such person. At the close of such marketing year the sums so deposited shall be adjusted to the total of such assessments payable by such person.

(4) Handlers receiving the affected commodity from the producer, including warehousemen and processors, to collect producer assessments from producers whose production they handle and remit the same to the affected commission. The lending agency for a commodity credit corporation loan to producers shall be deemed a handler for the purpose of this subsection. No affected units shall be transported, carried, shipped, sold, stored or otherwise handled or disposed of until every due and payable assessment herein provided for has been paid and the receipt issued, but no liability hereunder shall attach to common carriers in the regular course of their business."

Remember the sections consecutively.

A person is not entitled to claim exemption under both this section and RCW 82.04.300.

NEW SECTION. Sec. 3. The following acts or parts of acts are each repealed:

(1) Section 82.04.410, chapter 15, Laws of 1961, section 15, chapter 149, Laws of 1967 ex. sess. and RCW 82.04.410; and

MESSAGES FROM THE GOVERNOR

April 25, 1981

To the Honorable,
The House of Representatives
of the State of Washington
Ladies and Gentlemen:

I am returning herewith without my approval as to one section, **SUBSTITUTE HOUSE BILL NO. 467**, entitled:

AN ACT Relating to review of energy facilities certification decisions.

Most of Section 1 is a reiteration of intent language found in Chapter 80.50 RCW. The last sentence, however, is an ambiguous statement that seems to imply a further restriction of the kinds of state concerns and issues that EFSEC can share with federal authorities. Since this language would only serve to cloud the authority of EFSEC, I have vetoed Section 1.

With the exception of Section 1, which I have vetoed, the remainder of Substitute House Bill No. 467 is approved.

Respectfully submitted,
JOHN SPELLMAN, Governor.

WAYNE EHLERS, 2nd District.

ENGROSSED SUBSTITUTE SENATE BILL NO. 4283, by Committee on Transportation (originally sponsored by Senators Guess, Quigg and Benitz):

Modifying taxes and fees pertaining to motor vehicles.

The bill was read the second time.

Mr. Martinis moved adoption of the following amendment:

On page 12, line 2 following "state patrol" strike ", and shall be the only source for expenditure"

Representatives Martinis and Wilson spoke in favor of the amendment, and it was adopted.

Mr. Wilson moved adoption of the following amendment:

On page 14, beginning on line 1 after "1981." strike all of the material down through "entirety." on line 5.

Mr. Wilson spoke in favor of the amendment, and Mr. Martinis spoke against it.

Mr. Wilson spoke again in favor of the amendment.

POINT OF INQUIRY

Mr. Wilson yielded to question by Mr. McGinnis.

Mr. McGinnis: "Representative Wilson, for a number of us, would you go through again exactly what this amendment is going to do?"

Mr. Wilson: "Yes, Representative McGinnis, this amendment would strike lines 1 through 5 on page 14, which says, 'This act shall only take effect upon the passage of Senate Bill No. 3669 and 3699, and if Senate Bills 3669 and 3699 are not both enacted by the 1981 regular session of the legislature this amendatory act shall be null and void in its entirety.' In other words, there will be no gas tax increase if the bond bills are not passed. They are both bond bills; they are the category B and category C bond bills—\$225 million. I'm not sure about the level; it would have to be adjusted because in the arrangements on setting a lid on the gas tax asked for in this measure, it reduced the amount of revenue that was originally worked on for six months during the last year."

POINT OF INQUIRY

Mr. Wilson yielded to question by Ms. Sommers.

Ms. Sommers: "Representative Wilson, from your last statement, I thought you were trying to clarify for the body that the imposition of the gas tax rests on the passage of certain bond bills, but if I read your amendment correctly, you would strike that material and so if your amendment passes, the gas tax would be imposed even though the bond bills were not approved. Is that correct?"

Mr. Wilson: "That is correct."

Ms. Sommers: "Would you want to give the rationale for that?"

Mr. Wilson: "In truth, the gas tax issue is to raise money basically for the primary purpose of maintaining the highway transportation system in the state. That is what is called category A—maintenance and reconstruction of the existing highways system. Category B, for which one bond issue is planned, is for interstate match—I-90, parts of I-5, I-82 and the remainder of the state system that's to be constructed in this state providing federal funds are available. The other bond issue—Category C—is for new state highway projects. Actually, it would help provide some money to help finish current projects such as the Campbell Road interchange that Representative Scott is going to put in, but without the bond issue, there is just so much flowing down. It's enough to service the bond issue and without that you have just a straight amount of money and it wouldn't do much good in either category B or C. The bulk of the gas tax money, will obviously go into category A, maintenance of our highway system."

Mr. Martinis again opposed the amendment.

The amendment was not adopted.

On motion of Mr. Hastings, the rules were suspended, the second reading considered the third, and the bill was placed on final passage.

Mr. Wilson spoke in favor of passage of the bill, and Representatives Martinis and Heck spoke against it.

Mr. Brown demanded an oral roll call vote and the demand was sustained.

Mr. Martinis again opposed passage of the bill.

Mr. Lundquist spoke in favor of the bill, and Mr. Grimm spoke against it.

POINT OF INQUIRY

Mr. Wilson yielded to question by Mr. Flanagan.

Mr. Flanagan: "Representative Wilson, you made some remarks that I didn't exactly understand about some relationship between the Seattle cost-of-living index and the ferry system. Would you repeat that?"

Mr. Wilson: "There is a section of the bill which requires that the Transportation Commission set fare increases in the future at no less than the Seattle cost-of-living index. At no less than—in other words, it sets a floor so that it will help cover future operating costs of the ferry system. It doesn't prevent, in fact, it allows them to raise rates higher than that to cover costs."

Mr. Flanagan: "Then that really doesn't put any limitations? It seems it ought to be 'not more than.'"

Mr. Wilson: "Representative Flanagan, if it said not more than, then they would be back here beating on your backs for more money for the ferry system, and I think this is one method of seeing that they will not come here so often."

Representatives Dawson, Garson and Fiske spoke in favor of the bill, and Representatives Sommers, Rinehart, Nelson (D), Rust and King (R) spoke against it.

POINT OF PARLIAMENTARY INQUIRY

Mr. Martinis: "Since in this bill, and in the bond bill, it's a round-robin effect, where the bonds are no good without passage of this bill, and this bill is no good without passage of the bond bills, what is the percentage that it takes to pass this bill?"

The Speaker: "Fifty votes, Representative Martinis."

ROLL CALL

The Clerk called the roll on the final passage of Engrossed Substitute Senate Bill No. 4283 as amended by the House, and the bill failed to pass the House by the following vote: Yeas, 42; nays, 56; not voting, 0.

Voting yea: Representatives Amen, Barnes, Barrett, Bickham, Cantu, Chamberlain, Chandler, Clayton, Dawson, Dickie, Eberle, Ellis, Fiske, Flanagan, Garson, Granlund, Greengo, Hankins, Hastings, Houchen, Isaacson, James, Johnson, Lewis, Lundquist, McDonald, Nelson G. A., Nickell, Nisbet, Padden, Prince, Rosbach, Schmidt, Smith, Sprague, Struthers, Teutsch, Tilly, Tupper, Van Dyken, Wilson, and Mr. Speaker.

Voting nay: Representatives Addison, Barr, Becker, Bender, Berleen, Bond, Brekke, Brown, Burns, Ehlers, Eng, Erak, Erickson, Fancher, Gallagher, Galloway, Garrett, Grimm, Gruger, Heck, Hine, King J., King R., Kreidler, Lane, Leonard, Lux, Martinis, Maxie, McCormick, McGinnis, Mitchell, Monohon, Nelson D., North, O'Brien, Owen, Patrick, Pruitt, Rinehart, Rust, Salatino, Sanders, Scott, Sherman, Sommers, Stratton, Taylor, Thompson, Valle, Vander Stoep, Walk, Wang, Warnke, Williams, Winsley.

Engrossed Substitute Senate Bill No. 4283, having failed to receive the constitutional majority, was declared lost.

No appropriation shall be necessary to effect such repayment.

NEW SECTION. Sec. 27. The bill was ordered engrossed. On motion of Mr. Hastings, the rules were suspended, the second reading considered the third, and the bill was placed on final passage.

Mr. Ehlers demanded an oral roll call vote and the demand was sustained.

Mr. Greengo spoke in favor of passage of the bill.

POINT OF INQUIRY

Mr. Chandler yielded to question by Mr. Heck.

Mr. Heck: "Representative Chandler, the amendment to this bill earlier was adopted lowering the revenue generated by this bill by about \$6.54 million. What does that leave the ending fund balance for the operating budget? Is it in the red or is it still in the black?"

Mr. Chandler: "Well, Representative Heck, as you know that's a very difficult question to answer because it involves a number of things. A revenue estimate was made in December by the Department of Revenue and forwarded to us, which was estimated as being within a band of some \$60 million either way. We're looking now, without the passage of a couple of bills still pending, at probably about \$15 million on the plus side of the revenue. My personal view is that when you get that close you are in balance anyway, but we wanted these bills to pass to make sure we have all the expenditures covered."

Representatives Stratton, Lux, King (R) and Rinehart spoke against passage of the bill, and Representatives Chandler and Greengo spoke in favor of it.

ROLL CALL

The Clerk called the roll on the final passage of Engrossed Substitute House Bill No. 753, and the bill passed the House by the following vote: Yeas, 54; nays, 42; not voting, 2.

Voting yea: Representatives Addison, Amen, Barnes, Barr, Barrett, Berleen, Bickham, Chamberlain, Chandler, Clayton, Dawson, Dickie, Eberle, Ellis, Fancher, Fiske, Flanagan, Garson, Greengo, Hankins, Hastings, Houchen, Isaacson, James, Johnson, Lane, Leonard, Lewis, Lundquist, McDonald, McGinnis, Mitchell, Nelson G. A., Nickell, Nisbet, Padden, Patrick, Prince, Rosbach, Sanders, Schmidt, Smith, Sprague, Struthers, Taylor, Teutsch, Tilly, Tupper, Van Dyken, Vander Stoep, Williams, Wilson, Winsley, and Mr. Speaker.

Voting nay: Representatives Becker, Bender, Brekke, Brown, Burns, Ehlers, Eng, Erak, Erickson, Gallagher, Galloway, Garrett, Granlund, Grimm, Gruger, Heck, Hine, King J., King R., Kreidler, Lux, Martinis, Maxie, McCormick, Monohon, Nelson D., North, O'Brien, Owen, Pruitt, Rinehart, Rust, Salatino, Scott, Sherman, Sommers, Stratton, Thompson, Valle, Walk, Wang, Warnke.

Not voting: Representatives Bond, Cantu.

Engrossed Substitute House Bill No. 753, having received the constitutional majority, was declared passed. There being no objection, the title of the bill was ordered to stand as the title of the act.

SUBSTITUTE SENATE BILL NO. 3989, by Committee on Education (originally sponsored by Senators Lee and Fuller):

Adjusting the school district apportionment schedule for general fund moneys.

The bill was read the second time. On motion of Mr. Hastings, the rules were suspended, the second reading considered the third, and the bill was placed on final passage.

Representatives Sommers and Heck spoke against passage of the bill, and Mr. Chandler spoke in favor of it.

POINT OF INQUIRY

Mr. Chandler yielded to question by Mr. Warnke.

Mr. Warnke: "Representative Chandler, during the supplemental budget process, we shifted about \$70 million into the next biennium and, from your comments, we're shifting another \$32 million in from this. Is this portion part of that July and August payment that we are adding to, or is this included in that \$70 million?"

Mr. Chandler: "The statutes call for nine percent of the apportionment to be sent out to the schools in the month of June. In the supplemental budget we shifted four percent of that—two in July and two in August—and we've left June with five percent. For this biennium, we are actually shifting back two percent of the four, so this is roughly half of that amount. It's going from the two, one to July and one to August."

ROLL CALL

The Clerk called the roll on the final passage of Substitute Senate Bill No. 3989, and the bill passed the House by the following vote: Yeas, 55; nays, 43; not voting, 0.

Voting yea: Representatives Addison, Barnes, Barr, Barrett, Berleen, Bickham, Bond, Cantu, Chamberlain, Chandler, Clayton, Dawson, Dickie, Eberle, Ellis, Fancher, Fiske, Flanagan, Galloway, Garson, Greengo, Hankins, Hastings, Houchen, Isaacson, James, Johnson, Lane, Leonard, Lewis, Lundquist, McDonald, McGinnis, Mitchell, Nelson G. A., Nickell, Nisbet, Padden, Patrick, Prince, Pruitt, Rosbach, Sanders, Schmidt, Smith, Sprague, Struthers, Taylor, Tilly, Tupper, Van Dyken, Vander Stoep, Williams, Wilson, and Mr. Speaker.

Voting nay: Representatives Amen, Becker, Bender, Brekke, Brown, Burns, Ehlers, Eng, Erak, Erickson, Gallagher, Garrett, Granlund, Grimm, Gruger, Heck, Hine, King J., King R., Kreidler, Lux, Martinis, Maxie, McCormick, Monohon, Nelson D., North, O'Brien, Owen, Rinehart, Rust, Salatino, Scott, Sherman, Sommers, Stratton, Teutsch, Thompson, Valle, Walk, Wang, Warnke, Winsley.

Substitute Senate Bill No. 3989, having received the constitutional majority, was declared passed. There being no objection, the title of the bill was ordered to stand as the title of the act.

SUBSTITUTE SENATE BILL NO. 4095, by Committee on Ways and Means (originally sponsored by Senator Metcalf - by Secretary of State request):

Relating to corporate license fees.

The bill was read the second time. On motion of Mr. Hastings, the rules were suspended, the second reading considered the third, and the bill was placed on final passage.

Ms. Sommers spoke against passage of the bill, and Mr. Chandler spoke in favor of it.

POINT OF INQUIRY

Mr. Chandler yielded to question by Mr. King (R).

Mr. King (R): "Representative Chandler, I notice that insurance corporations are not exempt in this bill. Would the increase in fees trigger the reciprocal increases in fees for domestic insurance companies?"

Mr. Chandler: "It would not."

POINT OF INQUIRY

Mr. Ellis yielded to question by Mr. Ehlers.

Mr. Ehlers: "Representative Ellis, I don't see anything here that exempts nonprofit corporations?"

Mr. Ellis: "Representative Ehlers, nonprofit corporations are incorporated under Title 24 and the fee is twenty dollars. There is a separate fee schedule in Title 24. This is profit corporations, Title 23."

Mr. Ehlers: "If this only includes Title 23, why, in my copy of the substitute bill, in the title it makes reference to RCW 24?"

Mr. Ellis: "You will notice that these sections have no change on the filing of corporations. It remains at twenty dollars and in subparagraph (5), it eliminates the fee for filing articles of dissolution and doesn't increase the fee for incorporation. Line 11, section 4, says, 'Filing articles of incorporation...\$20.00.' That section is not changed and that's in Title 24. The only change is to eliminate the five dollars on dissolution and reducing from five to two dollars in (10) for withdrawal of foreign corporations initiating certificate of withdrawal."

POINT OF INQUIRY

Mr. Ellis yielded to question by Mr. Wang.

Mr. Wang: "Representative Ellis, could you explain section 4? The rest of this is amendatory and is quite plain, but section 4 is new language."

Mr. Ellis: "Representative Wang, it would be my understanding that the Secretary of State is trying to get additional powers in order to take care of the automatic dissolution of corporations where they don't pay their annual license fee. Right now they are automatically dissolved, most people think after three years, and as I would understand this, once they are dissolved, there's no way to resurrect them even if you pay a filing fee. Sometimes this is done by inadvertence, but I think this is simply to indicate to the Secretary of State, in mitigating

circumstances, when corporations demonstrate good faith and a reasonable attempt to comply with the corporate license statute—it's trying to straighten out a practical situation."

Mr. Nelson (G) demanded the previous question, and the demand was sustained.

ROLL CALL

The Clerk called the roll on the final passage of Substitute Senate Bill No. 4095, and the bill passed the House by the following vote: Yeas, 60; nays, 37; not voting, 1.

Voting yea: Representatives Addison, Amen, Barnes, Barr, Barrett, Berleen, Bickham, Bond, Cantu, Chamberlain, Chandler, Clayton, Dawson, Dickie, Eberle, Ellis, Fancher, Fiske, Flanagan, Garson, Granlund, Greengo, Hankins, Hastings, Houchen, Isaacson, James, Johnson, Lane, Leonard, Lewis, Lundquist, McDonald, McGinnis, Mitchell, Nelson G. A., Nickell, Nisbet, Owen, Padden, Patrick, Prince, Pruitt, Rosbach, Sanders, Schmidt, Smith, Sommers, Sprague, Struthers, Taylor, Teutsch, Tilly, Tupper, Van Dyke, Vander Stoep, Williams, Wilson, Winsley, and Mr. Speaker.

Voting nay: Representatives Becker, Bender, Brekke, Brown, Burns, Ehlers, Eng, Erak, Erickson, Gallagher, Galloway, Garrett, Grimm, Gruger, Heck, Hine, King J., King R., Kreidler, Lux, Martinis, Maxie, McCormick, Monohon, Nelson D., North, O'Brien, Rinehart, Rust, Salatino, Scott, Sherman, Stratton, Thompson, Valle, Walk, Wang.

Not voting: Representative Warnke.

Substitute Senate Bill No. 4095, having received the constitutional majority, was declared passed. There being no objection, the title of the bill was ordered to stand as the title of the act.

The Speaker called on Mr. Amen to preside.

Applications for disability retirement shall be processed in accordance with the following procedures:

(3) Every order of a disability board granting a disability retirement allowance shall forthwith be reviewed by the (~~(retirement board for the purposes of determining (a) whether the facts as found by the disability board are supported by substantial evidence in the record, except the finding of whether or not the disability was incurred in line of duty, and (b) whether the order is in accordance with law on the basis of such facts. If an affirmative determination is made by the retirement board on both of the aspects of the decision and order, it shall be affirmed; otherwise, it shall be reversed and remanded to the disability board for such further proceedings as the retirement board may direct~~) director except the finding of whether the disability was incurred in the line of duty. Except only as expressly provided in RCW 67.28.180 and 67.28.190 and the provisions of chapter 82.14 RCW, the state preempts the field of imposing taxes upon retail sales of tangible personal property, the use of tangible personal property, parimutuel wagering authorized pursuant to RCW 67.16.060, conveyances,

and cigarettes, and no county, town, or other municipal subdivision shall have the right to impose taxes of that nature.

Without explicit authorization from the legislature, a county, city, or town shall not impose taxes, either direct or indirect, whether under the name of a tax, excise, fee, or other description, on the construction or reconstruction of residential buildings, commercial buildings, industrial buildings, or any other building or building space or appurtenances thereto, or the development or subdivision of land. The legislature finds that dedication of land constitutes a tax for purposes of this section: PROVIDED, That this section shall not preclude dedications of land or easements for roads, streets, sidewalks, rights of way, and utilities, including surface water drainage facilities, which are reasonably necessary as a direct result of the proposed development to which the dedication requirement is to apply.

Nothing in this section precludes the imposition of business and occupation taxes measured by gross income or of sales and use taxes under chapter 82.14 RCW.

Nothing in this section prohibits cities, towns, or counties from collecting reasonable fees from an applicant for a permit or other governmental approval to cover the cost to the city, town, or county of processing applications, inspecting and reviewing plans, or preparing detailed statements required by chapter 43.21C RCW.

This section does not limit the existing authority of any city, town, or county to impose special assessments on property specially benefited thereby in the manner prescribed by law.

Nothing in this section prohibits cities, towns, or counties from imposing utility late-comer charges, utility system connection charges, or other charges reasonably related to the capital costs of the utility system. Any such charge whether termed a facilities charge, capital cost recovery charge, system development charge, or otherwise, shall relate to utility system construction costs, and utility construction needs. Any funds so collected shall be placed in a utility fund and used exclusively for utility purposes: PROVIDED HOWEVER, That no such charge shall exceed the proportionate share of utility system costs attributable to the property being charged.

This section does not apply to any county, city, or town which is not imposing a tax under RCW 82.14.030(2) unless the tax under RCW 82.14.030(2) is not being imposed because the legislative body of the county, city, or town removed the tax without passing an ordinance containing a three-year notice of the removal.

Sec. 2. Section 4, chapter 94, Laws of 1970 ex. sess. and RCW 82.14.030 are each amended to read as follows:

(1) The governing body of any county or city while not required by legislative mandate to do so, may, by resolution or ordinance for the purposes authorized by this chapter, fix and impose a sales and use tax in accordance with the terms of this chapter. Such tax shall be collected from those persons who are taxable by the state pursuant to chapters 82.08 and 82.12 RCW, upon the occurrence of any taxable event within the county or city as the case may be. The rate of such tax imposed by a county shall be five-tenths of one percent of the selling price (in the case of a sales tax) or value of the article used (in the case of a use tax). The rate of such tax imposed by a city shall not exceed five-tenths of one percent of the selling price (in the case of a sales tax) or value of the article used (in the case of a use tax): PROVIDED, HOWEVER, That in the event a county shall impose a sales and use tax under this subsection, the rate of such tax imposed under this subsection by any city therein shall not exceed four hundred and twenty-five one-thousandths of one percent.

(2) In addition to the tax authorized in subsection (1) of this section, the governing body of any county or city may by resolution or ordinance impose an additional sales and use tax in accordance with the terms of this chapter. The additional tax shall be collected upon the same taxable events upon which the tax imposed under subsection (1) of this section is levied. The rate of the additional tax imposed by a county shall be five-tenths of one percent of the selling price (in the case of a sales tax) or value of the article used (in the case of a use tax). The rate of the additional tax imposed by a city shall be five-tenths of one percent of the selling price (in the case of a sales tax) or value of the article used (in the case of a use tax): PROVIDED HOWEVER, That in the event a county shall impose a sales and use tax under this subsection, the rate of the tax imposed under this subsection by any city therein shall be four hundred and twenty-five one-thousandths of one percent: PROVIDED FURTHER, That the tax authorized in this subsection shall be in lieu of any charges, fees, or taxes or dedication prohibited by RCW 82.02.020.

Sec. 3. Section 5, chapter 94, Laws of 1970 ex. sess. and RCW 82.14.040 are each amended to read as follows:

(1) Any county ordinance adopted ((pursuant to this chapter)) under RCW 82.14.030(1) shall contain, in addition to all other provisions required to conform to this chapter, a provision allowing a credit against the county tax imposed under RCW 82.14.030(1) for the full amount of any city sales or use tax imposed under RCW 82.14.030(1) upon the same taxable event.

(2) Any county ordinance adopted under RCW 82.14.030(2) shall contain, in addition to all other provisions required to conform to this chapter, a provision allowing a credit against the county tax imposed under RCW 82.14.030(2) for the full amount of any city sales or use tax imposed under RCW 82.14.030(2) upon the same taxable event.

NEW SECTION. Sec. 4. There is added to chapter 82.14 RCW a new section to read as follows:

Every county, city, or town establishing a business and occupation tax after October 1, 1980, for the privilege of engaging in business which is calculated as a percentage of gross income, or a tax imposed under RCW 82.14.030(2), shall provide a process which may be used by the citizens of the county, city, or town to

repeal the tax imposed after October 1, 1980. The process shall not contain requirements which are more stringent than the requirements for state referenda under chapter 29.79 RCW.

Sec. 5. Section 6, chapter 94, Laws of 1970 ex. sess. as amended by section 3, chapter 296, Laws of 1971 ex. sess. and RCW 82.14.050 are each amended to read as follows:

The counties, metropolitan municipal corporations and cities shall contract, prior to the effective date of a resolution or ordinance imposing a sales and use tax, the administration and collection to the state department of revenue, which shall deduct a percentage amount, as provided by contract, not to exceed ~~((two))~~ one percent of the taxes collected for administration and collection expenses incurred by the department. The remainder of any portion of any tax authorized by this chapter which is collected by the department of revenue shall be deposited by the state department of revenue in a special fund under the custody of the state treasurer to be known as the local sales and use tax revolving fund. All administrative provisions in chapters 82.03, 82.08, 82.12, and 82.32 RCW, as they now exist or may hereafter be amended, shall, insofar as they are applicable to state sales and use taxes, be applicable to taxes imposed pursuant to this chapter.

Sec. 6. Section 1, chapter 87, Laws of 1972 ex. sess. as last amended by section 4, chapter 175, Laws of 1979 ex. sess. and RCW 82.44.150 are each amended to read as follows:

(1) The director of licensing shall on the twenty-fifth day of February, May, August and November of each year, commencing with November, 1971, advise the state treasurer of the total amount of motor vehicle excise taxes remitted to the department of licensing during the preceding calendar quarter ending on the last day of March, June, September and December, respectively, except for those payable under RCW 82.44.030 and 82.44.070, from motor vehicle owners residing within each municipality which has levied a tax under RCW 35.58.273, which amount of excise taxes shall be determined by the director as follows:

The total amount of motor vehicle excise taxes remitted to the department, except those payable under RCW 82.44.030 and 82.44.070, from each county shall be multiplied by a fraction, the numerator of which is the population of the municipality residing in such county, and the denominator of which is the total population of the county in which such municipality or portion thereof is located. The product of this computation shall be the amount of excise taxes from motor vehicle owners residing within such municipality or portion thereof. Where the municipality levying a tax under RCW 35.58.273 is located in more than one county, the above computation shall be made by county, and the combined products shall provide the total amount of motor vehicle excise taxes from motor vehicle owners residing in the municipality as a whole. Population figures required for these computations shall be supplied to the director by the office of financial management, who shall adjust the fraction annually.

(2) On the first day of the months of January, April, July, and October of each year, the state treasurer based upon information provided by the department of licensing shall make the following apportionment and distribution of motor vehicle excise taxes deposited in the general fund. A sum equal to seventeen percent thereof shall be paid to cities and towns in the proportions and for the purposes hereinafter set forth; a sum equal to seventy percent of all motor vehicle excise tax receipts shall be allocable to the state school equalization fund and credited and transferred each year in the following order of priority:

(a) The amount required and certified by the state finance committee each year as being necessary for payment of principal of and interest on bonds authorized by ~~((chapter 26, Laws of 1963 extraordinary session))~~ RCW 28A.47.760 through 28A.47.774 in the ensuing twelve months and any additional amounts required by the covenants of such bonds shall be transferred from the state school equalization fund to the 1963 public school building bond retirement fund.

(b) Any remaining amounts in the state school equalization fund from the motor vehicle excise taxes not required for debt service on the above bond issues shall be transferred and credited to the general fund.

(3) The amount payable to cities and towns shall be apportioned among the several cities and towns within the state ~~((ratably, on the basis of the population as last determined by the office of financial management))~~ according to the following formula:

(a) Sixty-five percent of the sum specified in subsection (2) of this section to be paid to cities and towns shall be apportioned ratably on the basis of population as last determined by the office of financial management.

(b) Thirty-five percent of the sum specified in subsection (2) of this section to be paid to cities and towns shall be apportioned to cities and towns under section 7 of this 1981 act.

(4) When so apportioned, the amount payable to each such city and town shall be transmitted to the city treasurer thereof, and shall be utilized by such city or town for the purposes of police and fire protection and the preservation of the public health therein, and not otherwise. In case it be adjudged that revenue derived from the excise tax imposed by this chapter cannot lawfully be apportioned or distributed to cities or towns, all moneys directed by this section to be apportioned and distributed to cities and towns shall be credited and transferred to the state general fund.

(5) On the first day of the months of January, April, July, and October of each year, the state treasurer, based upon information provided by the department of licensing, shall remit motor vehicle excise tax revenues imposed and collected under RCW 35.58.273 as follows:

(a) The amount required to be remitted by the state treasurer to the treasurer of any municipality levying the tax shall not exceed in any calendar year the amount of locally-generated tax revenues, excluding the excise tax imposed under RCW 35.58.273 for the purposes of this section, which shall have been budgeted by the municipality to be collected in such calendar year for any public transportation purposes including but not limited to operating costs, capital costs, and debt service on general obligation or revenue bonds issued for these purposes; and

(b) In no event may the amount remitted in a single calendar quarter exceed the amount collected on behalf of the municipality under RCW 35.58.273 during the calendar quarter next preceding the immediately preceding quarter.

(6) At the close of each calendar year accounting period, but not later than April 1, each municipality that has received motor vehicle excise taxes under subsection (5) of this section shall transmit to the director of licensing and the state auditor a written report showing by source the previous year's budgeted tax revenues for public transportation purposes as compared to actual collections. Any municipality that has not submitted the report by April 1 shall cease to be eligible to receive motor vehicle excise taxes under subsection (5) of this section until the report is received by the director of licensing. If a municipality has received more or less money under subsection (5) of this section for the period covered by the report than it is entitled to receive by reason of its locally-generated collected tax revenues, the director of licensing shall, during the next ensuing quarter that the municipality is eligible to receive motor vehicle excise tax funds, increase or decrease the amount to be remitted in an amount equal to the difference between the locally-generated budgeted tax revenues and the locally-generated collected tax revenues. In no event may the amount remitted for a calendar year exceed the amount collected on behalf of the municipality under RCW 35.58.273 during that same calendar year. At the time of the next fiscal audit of each municipality, the state auditor shall verify the accuracy of the report submitted and notify the director of licensing of any discrepancies.

(7) The motor vehicle excise taxes imposed under RCW 35.58.273 and required to be remitted under this section shall be remitted without legislative appropriation.

(8) Any municipality levying and collecting a tax under RCW 35.58.273 which does not have an operating, public transit system or a contract for public transportation services in effect within one year from the initial effective date of the tax shall return to the state treasurer all motor vehicle excise taxes received under subsection (5) of this section.

NEW SECTION, Sec. 7. There is added to chapter 82.14 RCW a new section to read as follows:

There is created in the state general fund a special account to be known as the "municipal sales and use tax equalization account." Into this account shall be placed such revenues as are provided under RCW 82.44.150(3)(b). Funds in this account shall be allocated by the state treasurer according to the following procedure:

(1) Prior to April 1st of each year the director of revenue shall inform the state treasurer of the total and the per capita levels of revenues for each city and the state-wide weighted average per capita level of revenues for all cities imposing the sales and use tax authorized under RCW 82.14.030(1) for the previous calendar year.

(2) At such times as distributions are made under RCW 82.44.150, as now or hereafter amended, the state treasurer shall apportion to each city not imposing the sales and use tax under RCW 82.14.030(2) an amount from the municipal sales and use tax equalization account equal to the amount distributed to the city under RCW 82.44.150(3)(a) multiplied by thirty-five sixty-fifths.

(3) Subsequent to the distributions under subsection (2) of this section, and at such times as distributions are made under RCW 82.44.150, as now or hereafter amended, the state treasurer shall apportion to each city imposing the sales and use tax under RCW 82.14.030(1) at the maximum rate and receiving less than seventy percent of the state-wide average per capita level of revenues for all cities as determined by the department of revenue under subsection (1) of this section, an amount from the municipal sales and use tax equalization account sufficient, when added to the per capita level of revenues received the previous calendar year by the city, to equal seventy percent of the state-wide weighted average per capita level of revenues for all cities determined under subsection (1) of this section, subject to reduction under subsection (5) of this section.

(4) Subsequent to the distributions under subsection (3) of this section, and at such times as distributions are made under RCW 82.44.150, as now or hereafter amended, the state treasurer shall apportion to each city imposing the sales and use tax under RCW 82.14.030(2) and receiving a distribution under subsection (3) of this section, a third distribution from the municipal sales and use tax equalization account. The distribution to each qualifying city shall be equal to the distribution to the city under subsection (3) of this section, subject to the reduction under subsection (5) of this section. To qualify for the distributions under this subsection, the city must impose the tax under RCW 82.14.030(2) for the entire year. Cities imposing the tax for less than the full year shall qualify for prorated allocations under this subsection proportionate to the number of months of the year during which the tax is imposed.

(5) If inadequate revenues exist in the municipal sales and use tax equalization account to make the distributions under subsection (3) or (4) of this section, then the distributions under subsection (3) or (4) of this section shall be reduced ratably among the qualifying cities. At such time during the year as additional funds accrue to the municipal sales and use tax equalization account, additional distributions shall be made under subsections (3) and (4) of this section to the cities.

(6) If the level of revenues in the municipal sales and use tax equalization account exceeds the amount necessary to make the distributions under subsections (2) through (4) of this section, then the additional revenues shall be apportioned among the several cities within the state ratably on the basis of population as last determined by the office of financial management.

NEW SECTION, Sec. 8. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

NEW SECTION. Sec. 9. This act is necessary for the immediate preservation of the public peace, health and safety, the support of local government and their existing public institutions, and shall take effect on July 1, 1981. If section 1 of this act does not take effect, section 2 of this act is void and of no force."

Mr. Nelson (G) spoke in favor of the amendment, and Ms. Sommers spoke against it.

POINT OF INQUIRY

Mr. Nelson (G) yielded to question by Ms. Rust.

Ms. Rust: "Since we didn't go over this in the committee, I want to make sure that I understand it right. You said it was going to equalize both the cities and the counties, and I don't see that in the bill."

Mr. Nelson (G): "Representative Rust, I did not say that. It's cities only."

Ms. Rust: "On page 3, where it says, 'This section does not apply to any county, city or town which is not imposing a tax under RCW 82.14.030(2) unless the tax...is not being imposed because the legislative body of the county, city or town removed the tax without passing an ordinance containing a three-year notice of the removal.' I want to understand what that means."

Mr. Nelson (G): "In the beginning we thought it would be necessary to prepare for the reimposition of the gross management fees, such that if the legislative body voluntarily removed this second one-half cent local option sales tax, they could give warning by ordinance that they were going to do that and to provide a three-year provision. That's what that intends to do. One might also point out that because of the initiative-referendum procedure that I described earlier, if that were to occur you could have a situation where you would get a yo-yo effect—back and forth—imposing, taking off, imposing, and there needs to be some stability in the cities and counties with reference, not only to that half-cent sales tax, but also to the gross management fees."

Ms. Hine spoke against the amendment.

POINT OF INQUIRY

Mr. Nelson (G) yielded to question by Ms. Rinehart.

Ms. Rinehart: "Representative Nelson, could you explain what you mean by an initiative-referendum process, and when you do that please explain at what point the vote is taken, whether it's before or after the imposition of the tax."

Mr. Nelson (G): "What we've done here is to try to provide an option on the referendum procedure which is in RCW 29.79. I did give a wrong percentage figure awhile ago, and I would like to clear that up. It is eight percent rather than fifteen percent which makes it much easier for citizens of the city or county to express the fact that they may not be in support of the city council or the commissioners in voting for the one-half cent sales tax. What normally happens is that they will adopt an ordinance and at that time, they may have a time certain on when the tax could be imposed, but that does not preclude the citizens from beginning the initiative right then and there, before the sales tax is really being collected. At least, it provides that within ninety days after the effectiveness of the ordinance they could then have the petitions presented to the city council or the commissioners, and at that time they could outright repeal it if they wished or put it on the next ballot, whether it be a general or special election, whatever is available to them, for the repeal of that one-half cent sales tax."

Ms. Rinehart: "So the first thing that happens is that a citizen gets wind of the tax increase and at that point, an initiative process could begin? They could take action to preclude the tax from being imposed?"

Mr. Nelson (G): "Representative Rinehart, once there's an indication that an action has been taken with an ordinance to impose the one-half cent sales tax, they can begin the petition. That's an official action by that legislative body. Many cities have often passed an ordinance with the collection of the one-half cent sales tax at a time certain, but let's assume that we were a council here and we decided that we wanted to option this one-half cent sales tax and have been given the authority to do so. We would write in our ordinance that we want the tax to begin collection through this equalization process, to take advantage of it, on say, January 1, 1982. You could have people collecting signatures to repeal that at any point of time."

Ms. Rinehart: "Then there's a ninety-day period?"

Mr. Nelson (G): "Then ninety days after the time it's begun collection."

Ms. Rinehart: "After ninety days, it's in effect and can't be repealed?"

Mr. Nelson (G): "No, it could be repealed after that time."

Ms. Rinehart spoke against the amendment, and Mr. Barrett spoke in favor of it.

POINT OF INQUIRY

Mr. Nelson (G) yielded to question by Ms. Rust.

Ms. Rust: "Representative Nelson, I'm still trying to read through this amendment. Could you please tell me just where it says, if local option fails, the development fees can still be there?"

Mr. Nelson (G): "On page 3, lines 7 through 21."

Mr. Flanagan spoke in favor of the amendment.

On motion of Mr. Sanders, the following amendments to the Nelson (G) amendment were adopted:

On page 6, line 9 after "establishing" insert "or increasing an existing"

On page 6, line 17 after "tax" insert "or increased tax"

The amendment by Representative Nelson (G) as amended was adopted.

On motion of Mr. Nelson (G), the following amendment to the title was adopted:

On page 1, line 11 of the title after "82.44.150;" strike all material down through "35A.82 RCW;" on line 15.

The bill was ordered reengrossed. On motion of Mr. Hastings, the rules were suspended, the second reading considered the third, and the bill was placed on final passage.

POINT OF INQUIRY

Mr. Nelson (G) yielded to question by Mr. Prince.

Mr. Prince: "Representative Nelson, there's a little bit of concern among some of us about just what is redistributed. Is the sales tax of the cities redistributed?"

Mr. Nelson (G): No. The thing that's being redistributed now is thirty-five percent of the motor vehicle excise tax which is collected in every city that is taken into a pool. That's the easiest thing to get a handle on for the purpose of equalizing the revenue to these cities.

Representatives Kreidler and Heck spoke against passage of the bill, and Representatives Greengo and Nelson (G) spoke in favor of it.

POINT OF INQUIRY

Mr. Nelson (G) yielded to question by Ms. Rinehart.

Ms. Rinehart: "On page 3, the last paragraph of section 1, is the three-year notice in the language, notice of the removal of the tax or the removal of the development fees?"

Mr. Nelson (G): "This is when you want to reimpose the development fees after removal of the one-half cent sales tax."

Ms. Rinehart: "So, if a city were to remove the tax, they are required at that time to pass an ordinance including a three-year notice of intention to reimpose the development fees?"

Mr. Nelson (G): "Yes, Representative Rinehart. Let's put it into perspective. If they wanted to repeal the one-half cent sales tax, let's say on January 1, 1982, they could, at that time, pass an ordinance and say that three years down the line, they are going to reimpose the development fees."

Ms. Rinehart: "In the first bill we had a permanent prohibition on the development fees, and as I read this as a practical matter, it's also a permanent prohibition because how can a city be without a tax and have to give a three-year notice of intent to reimpose development fees?"

Mr. Nelson (G): "Representative Rinehart, this is an either/or. This does not prohibit the reinstatement of the development fees."

Ms. Hine spoke in favor of passage of the bill.

Representatives Greengo and Hastings spoke in favor of the motion, and Representatives Grimm, Williams, Barrett and Galloway spoke against it.

MOTION FOR RECONSIDERATION

Mr. Chamberlain, having voted on the prevailing side, moved that the House now reconsider the vote by which the House refused to concur in the Senate amendments to Substitute House Bill No. 581.

POINT OF ORDER

Mr. O'Brien: "I raise a question of whether or not you can reconsider a motion that relates to agreement or disagreement between two houses. You set forth a procedure with your ruling and the decision was well put originally on a tie vote, and I don't understand how you can make a motion to reconsider that action. According to Reed's Rule 248 which spells out the results of a motion to concur, and also Reed's Rule 249 to nonconcur, and the reverse action that occurs when either one of them is defeated."

SPEAKER'S RULING

The Speaker: "Representative O'Brien, the motion before the House was placed as to whether the House wanted to concur or not with the Senate amendment. The House did not concur with the Senate amendment, and it is a matter for this House to decide and not a matter of dispute between the House and Senate at that point. It is perfectly in order for this House to reconsider the question as to whether or not we are going to concur."

Mr. Chandler spoke in favor of the motion to reconsider, and Representatives Rinehart and Grimm spoke against it.

ROLL CALL

The Clerk called the roll on the motion to reconsider the vote by which the House failed to concur in the Senate amendments to Substitute House Bill No. 581, and the motion was carried by the following vote: Yeas, 55; nays, 43; not voting, 0.

NEW SECTION. Sec. 16. There is added to chapter 74.08 RCW a new section to read as follows:

It is the intent of the legislature that chore services be provided to eligible persons within the limits of funds appropriated for that purpose. Therefore, the department shall provide services only to those persons identified as at risk of being placed in a residential care facility in the absence of such services. In determining an individual's eligibility for chore services, the department shall consider the following:

Individuals determined by the department to be eligible for adult protective services are eligible to receive emergency chore services without regard to income if the services are essential to, and a subordinate part of, the adult protective services plan. Emergency chore services under adult protective services shall be provided only until the emergent situation has stabilized, not to exceed ninety days.

Those persons whose income is between thirty and forty percent of the state median income and whose level of need for chore services and risk of being placed in a residential care facility has been determined by the department are eligible for a reduced level of service based on their ability to purchase the services. The department shall develop a scale of reduced hours of service based on need and income level to be applied in these cases. Persons whose resources exceed the level determined by the department are not eligible for any reduced level service.

The department is authorized to provide chore services on a case-by-case basis to severely handicapped persons in need of attendant care whose income exceeds the criteria established in this section. Services may be provided for this purpose only to the extent necessary to allow the individual to remain in his or her own home, and no services may be authorized for more than ninety days at any one time: **PROVIDED**, That the department may not extend authorization for chore services to more than thirty persons at any one time whose income exceeds fifty-seven percent of the state median income.

For clients whose chore services are authorized on an hourly basis, the department shall establish a monthly lid on chore service hours, which shall be allocated to the department's community service offices. This lid shall be established at a level set by the department. The department shall also establish a monthly rate lid to apply to clients whose chore services are authorized on a monthly rate basis.

NEW SECTION. Sec. 28. There is added to chapter 74.09 RCW a new section to read as follows:

(1) The nursing home auditing and cost reimbursement system of the department of social and health services shall be governed by this section until implementation of chapter 74.46 RCW. The department shall reimburse nursing homes on the basis of the following cost centers: Patient care, food, administration and operations, and property.

(2) The department shall reimburse the patient care cost center at the January 1, 1981, reimbursement rate, as adjusted for inflation.

(a) In addition, the reimbursement shall be enhanced by three million dollars for the first year of the biennium and by five million dollars for the second year of the biennium. These enhancements shall be apportioned among the nursing homes proportionately based on the patient care cost center for each nursing home.

(b) For the purpose of nursing assistant certification, the department shall reimburse at a rate of thirty cents for each medicaid patient day for the first year of the biennium and at a rate of thirty-three cents, as adjusted for inflation, for each medicaid patient day for the second year of the biennium. This is in addition to the January 1, 1981, reimbursement rate.

(3) Reimbursement for the food cost center shall be at the January 1, 1981, reimbursement rate, adjusted for inflation.

(4) The administration and operations cost center consists of two components:

(a) The wages for all employees, other than nursing service personnel and administrators and assistant administrators, shall be reimbursed at the January 1, 1981, rate as adjusted for inflation.

(b) Reimbursement for administration and operations, including all items not specified in subsections (2), (3), (4)(a), and (5) of this section, shall not exceed the eighty-fifth percentile of the costs of all reporting facilities, not including any funds shifted pursuant to subsection (7) of this section, as adjusted for inflation, except that the nursing home facilities may be grouped by factors, other than ownership or legal organizational characteristics, which could reasonably influence cost requirements for administration and operations.

(5) Property cost center reimbursement for both leased and owner-operated facilities shall not exceed the predicted cost plus one standard deviation of the necessary and ordinary costs of depreciation, and interest, of owner-operated facilities utilizing a multiple regression formula developed by the department of social and health services, recognizing factors which may be significant, including location, age, and type of facility. Rental costs of leased facilities other than those operating as intermediate care facilities for the mentally retarded, and depreciation and interest costs of owner-operated facilities, for leases or mortgages entered into prior to July 1, 1979, shall be reimbursed to the extent they do not exceed the reimbursement rate payable for the property cost center as of June 30, 1979, or July 1, 1979, whichever is higher, adjusted to meet any discrepancies as determined by the federal government between the reimbursements made and the approved state medicaid plan, and adjusted for any approved capitalized additions or replacements, except that any leased facility which has operated as an intermediate care facility for the mentally retarded prior to July 1, 1979, shall be reimbursed to the extent that the property costs exceed the upper limit of the multiple regression formula.

(6) The patient personal needs allowance limitation shall be thirty-two dollars and fifty cents.

(7) For settlement purposes only, for calendar years 1981, 1982, and 1983, a nursing home may shift among cost centers an amount not greater than twenty percent of the reimbursement rate of the cost center into which the shift is being made. Shifts may be made among the cost centers. However, shifts may not be made into the property cost center.

(8) Audits shall be conducted by the department and settlements shall be calculated by cost center only.

(9) The department may adjust reimbursement rates to reflect required increases in staffing levels and capital improvements.

(10) Any reference in this section to a January 1, 1981, reimbursement rate includes any adjustment resulting from a rate appeal and its final resolution, but shall not include any adjustment resulting from litigation on reimbursement rates prior to June 30, 1981, or the procedures by which they were established.

(11) References in this section to adjustments for inflation mean adjustments of 4.9 percent for rates effective July 1, 1981, through December 31, 1981; 4.9 percent for rates effective January 1, 1982, through June 30, 1982; 4.35 percent for rates effective July 1, 1982, through December 31, 1982; and 4.35 percent for rates effective January 1, 1983, through June 30, 1983.

(1)(a) Beginning with the settlements for calendar year 1981, the nursing home shall submit a preliminary settlement report simultaneously with the annual cost report.

(b) Within ninety days after receipt of the reports by the secretary, the department shall submit a proposed settlement report by cost center to the nursing home which fully substantiates disallowed costs, refunds, underpayments, and/or adjustments to the preliminary settlement report.

(c) The proposed settlement shall provide the basis for a schedule to correct overpayments and underpayments.

(2) Operators of nursing homes shall refund all portions of payments received which exceed actual audited costs and all portions of payments received which are attributable to unreasonable or nonallowable costs as determined by federal or state regulations.

Sec. 30. Section 7, chapter 177, Laws of 1980 and RCW 74.46.070 are each amended to read as follows:

(3) Such consultant shall provide ongoing financial consulting assistance to the patient task force created in section 86 of this act. The patient classification system and standard hours for each classification established by the task force must tie to the uniform chart of accounts, standard cost reports, and financial statements to allow the independent certified public accountant to express an opinion on the statement of expenditures presented in the annual cost report.

(4) Such consultant will complete the development of the items specified in subsection (1) of this section not later than October 1, 1980. The secretary will adopt rules and regulations necessary to implement the consultant's product not later than December 31, 1980, for use in the ~~(1981))~~ 1983 reporting year.

Certified audits of the cost reports and patient trust accounts shall be conducted in accordance with the provisions of this chapter, as follows:

(1) The annual cost report of each contractor and the patient trust accounts under his control will be audited prior to submission to the department by an independent certified public accountant, licensed according to the provisions of chapter 18.04 RCW, who shall be engaged by the office of financial management through competitive bids. The office of financial management shall cause to be published a request for qualifications from independent certified public accountants. The office of financial management shall then select those independent certified public accountant firms which have qualified to participate in the competitive bid process through a request for proposals: PROVIDED, That during fiscal year ~~((1982))~~ 1984, for one hundred percent of the contractors, cost reports and patient trust accounts shall be audited: PROVIDED FURTHER, That during fiscal year ~~((1983))~~ 1985, for up to one hundred percent of the contractors, cost reports and patient trust accounts shall be audited. The requirements contained in this subsection shall not be required after June 30, ~~((1983))~~ 1985;

(2) Upon request of the secretary; and

(3) Upon termination of a contract.

Sec. 32. Section 46, chapter 177, Laws of 1980 and RCW 74.46.460 are each amended to read as follows:

(1) Each contractor's reimbursement rates will be determined prospectively at least once each calendar year, to be effective July 1st.

(2) Rates may be adjusted as determined by the department to take into account variations of more than ten percent in the distribution of patient classifications from the prior reporting year, program changes, economic trends and conditions, and/or administrative review provided by RCW 74.46.780 and shall be adjusted for any capitalized additions or replacements made as a condition for licensure or certification.

(3) Where the contractor participated in the provisions of prospective cost-related reimbursement in effect prior to July 1, ((1982)) 1984, such contractor's prospective rate effective July 1, ((1982)) 1984, will be determined utilizing his reported allowable costs for calendar year ((1981)) 1983.

(4) All prospective reimbursement rates for ((1983)) 1985 and thereafter shall be determined utilizing the prior year's audited cost reports.

Sec. 33. Section 49, chapter 177, Laws of 1980 and RCW 74.46.490 are each amended to read as follows:

(1) The food cost center shall include all costs for bulk and raw food and beverages purchased for the dietary needs of medical care recipients.

(2) The food cost reimbursement rate for each facility shall be computed as follows:

$FR = (TFC/TPD) 1.15$, where

FR = the facility food cost center reimbursement rate;

TFC = the total of all reporting facilities' food cost center costs; and

TPD = the total patient days for the prior year of all reporting facilities.

(3) Unless extended by law for an additional period of time, on and after July 1, ((1984)) 1986, the food cost reimbursement rate for each facility shall be computed as follows:

$FR = (TFC/TPD)$, where

FR = the facility food cost center reimbursement rate;

TFC = the total of all reporting facilities' food cost center costs; and

TPD = the total patient days for the prior year of all reporting facilities.

Sec. 34. Section 53, chapter 177, Laws of 1980 and RCW 74.46.530 are each amended to read as follows:

(1) The department shall first establish a total state-wide return on investment pool for use in determining individual facility return on investment allowances.

(a) In establishing the total state-wide return on investment pool the department shall determine the sum of net invested funds as of the end of the most recent reporting period of all facilities participating in the medical care program.

(b) In computing the portion of net invested funds representing the net book value of tangible fixed assets, the same assets, depreciation bases, lives, and methods referred to in RCW 74.46.330, 74.46.350, 74.46.360, and 74.46.370, including owned and leased assets, shall be utilized, except that the capitalized cost of land upon which the facility is located and such other contiguous land which is reasonable and necessary for use in the regular course of providing patient care shall also be included. In the case of leased facilities where the net invested funds are unknown or the contractor is unable to provide necessary information to determine net invested funds, the secretary shall have the authority to determine an amount for net invested funds based on an appraisal conducted according to RCW 74.46.360(1).

(c) The sum of net invested funds shall then be multiplied by 1.4 times the average of the rates of interest on special issues of public debt obligations issued to the federal hospital insurance trust fund for the last completed calendar quarter prior to rate-setting to establish the total state-wide return on investment pool.

(2) The department shall establish for individual facilities return on investment allowances composed of two parts: A financing allowance and a variable return allowance.

(a) The financing allowance shall be determined by multiplying the net invested funds of each facility by 1.07 times the average of the rates of interest on special issues of public debt obligations issued to the federal hospital insurance trust fund for the last completed quarter prior to rate-setting, and dividing by the contractor's total patient days. If a capitalized addition or retirement of an asset will result in a different licensed bed capacity during the ensuing period, the prior period total patient days used in computing the financing and variable return allowances shall be adjusted to the anticipated patient day level.

(b) In determining the variable return allowance:

(i) The department will first rank all facilities in numerical order from highest to lowest according to their average per diem allowable costs for the sum of the administration and operations and property cost centers for the previous reimbursement period.

(ii) The department shall then compute the variable return allowance by multiplying the appropriate percentage amounts, which shall not be less than one percent and not greater than five percent, by the total prospective rate for each facility, as determined in RCW 74.46.450 through 74.46.510. The percentage amounts will be based on groupings of facilities according to the rankings as established in subparagraph (2)(b)(i) of this section. Those groups of facilities with lower per diem costs shall receive higher percentage amounts than those with higher per diem costs.

(iii) Such percentage amounts shall be calculated so that the variable return allowance plus the financing allowance times the total patient days for each facility, when summed for all facilities, shall be as close

in amount to the total state-wide return on investment pool as is practical; except that, such percentage amounts for equivalent groups of facilities as determined in subparagraph (2)(b)(ii) of this section shall be no less than the percentage amounts as calculated pursuant to this subsection on July 1, ((+1982)) 1984.

(c) The sum of the financing allowance and the variable return allowance shall be the return on investment for each facility, and shall be added to the prospective rates of each contractor as determined in RCW 74.46.450 through 74.46.510.

(d) In the case of a facility which was leased by the contractor as of January 1, 1980, in an arm's-length agreement, which continues to be leased under the same lease agreement, and for which the annualized lease payment, plus any interest and depreciation expenses associated with contractor-owned assets, for the period covered by the prospective rates, divided by the contractor's total patient days, minus the property cost center determined according to RCW 74.46.510, is more than the return on investment allowance determined according to RCW 74.46.530(2)(c), the following shall apply:

(i) The financing allowance shall be recomputed substituting the fair market value of the assets as of January 1, ((+1980)) 1982, as determined by the department of general administration through an appraisal procedure, for the net book value of the assets in determining net invested funds for the facility. A determination by the department of general administration of fair market value shall be final unless the procedure used to make such determination is shown to be arbitrary and capricious.

(ii) The sum of the financing allowance computed under subparagraph (2)(d)(i) of this section and the variable allowance shall be compared to the annualized lease payment, plus any interest and depreciation expenses associated with contractor-owned assets, for the period covered by the prospective rates, divided by the contractor's total patient days, minus the property cost center rate determined according to RCW 74.46.510. The lesser of the two amounts shall be called the alternate return on investment allowance.

(3) In the event that the department of health, education and welfare disallows the application of the return on investment allowances to nonprofit facilities, the department shall modify the measurements of net invested funds used for computing both total state-wide return on investment pool and individual facility return on investment allowances as follows: Net invested funds for each nonprofit facility shall be multiplied by one minus the ratio of equity funds to the net invested funds of all nonprofit facilities.

(4) Each biennium, beginning in ((+1983)) 1984, the secretary shall review the adequacy of return on investment allowances in relation to anticipated requirements for maintaining, reducing, or expanding nursing care capacity. The secretary shall report the results of such review to the legislature and make recommendations for adjustments in the return on investment rates utilized in this section, if appropriate.

On page 11, line 1 strike all of section 10 and insert the following:

"**NEW SECTION.** Sec. 10. There is added to chapter 74.08 RCW a new section to read as follows:

(1) Grants shall be awarded on a state-wide basis in accordance with standards of assistance established by the department. The standards of assistance for any family size shall be adjusted on July 1, of each year. Except in the consolidated emergency assistance program, the standards shall be equal to the community services administration, nonfarm poverty-level income, in effect on April 1, 1981, adjusted for family size for the continental United States. The department shall update the standards to take inflation into

account. The cash payment to recipients of aid to families with dependent children and the general assistance-unemployable shall not be reduced below the level in effect on July 1, 1981.

(2) The standards of assistance shall take into account the economy of joint living arrangements. The standards of assistance may vary by geographical areas. The department may adjust the standards of assistance for shelter provided at no cost and for supplied shelter under the supplemental security program.

(3) Nothing in this section shall prohibit the department from complying with minimum payment requirements of the supplemental security-income program."

With the consent of the House, Ms. Becker withdrew the amendment to the amendment.

POINT OF INQUIRY

Mr. Nisbet yielded to question by Ms. Becker.

Ms. Becker: "Representative Nisbet, with respect to the new formula for determining standards of assistance that is provided in your amendment, could you please explain how the specific multipliers were arrived at?"

Mr. Nisbet: "These were based or developed on the basis of two and one-half times the thrifty food plan which is a federal plan as it applies in the state of Washington adjusted for family size. This works out approximately two-fifths for food and three-fifths for shelter and other costs."

Ms. Becker: "In other words, they were not based on cost of living studies?"

Mr. Nisbet: "Not on a specific cost of living study, but on the thrifty food plan as it applies in Washington State."

On page 21, line 10, after "institutionalized" and before the period insert ": PROVIDED, HOWEVER, That nothing in this section shall be construed to permit the granting of medical care services where the purpose of such services is to obtain an abortion, induced miscarriage, or induced premature birth, except where such procedure is necessary for the preservation of the life of the woman seeking such treatment, or except an induced premature birth intended to produce a live, viable child and such procedure is necessary for the health of the mother or her unborn child, and except for victims of rape reported within thirty days of such incident to a federal, state, or county law enforcement agency or the department of social and health services, and except for victims of incest when a report is made to a federal, state, or county law enforcement agency or the department of social and health services"

Ms. Stratton spoke in favor of the amendment to the amendment.

MOTION

Ms. Lane moved that the amendment by Representative Stratton and others to the Nisbet amendment be tabled.

POINT OF ORDER

Mr. Van Dyken: "Mr. Speaker, Reed's Rule 114 specifically states that if a motion to lay on the table be moved on an amendment, then the main question goes on the table also."

SPEAKER'S RULING

The Speaker: "Representative Van Dyken, I will have to draw your attention to the House Rules. Rule 20(F): 'A motion to lay an amendment on the table shall not carry the main question with it unless so specified in the motion to table.'"

POINT OF PARLIAMENTARY PROCEDURE

Mr. Owen: "Is the motion to table debatable?"

The Speaker: "It is not debatable."

POINT OF INFORMATION

Mr. Walk: "Will you explain to the House exactly what will happen if the motion to table is successful?"

The Speaker: "Yes, if the motion to lay the amendment on the table is successful, the amendment will be dead as of that moment, the same as if you had a 'no' motion on the amendment."

POINT OF PERSONAL PRIVILEGE

Mr. Owen: "In the legislative process we are all faced with having to address a lot of hard issues. It's our responsibility as representatives of the people out there to come here and face those issues. Somehow, some people don't want to face those issues, but it is our responsibility. Motions are often made that would prevent us from addressing those issues such as is being done right now—"

The Speaker: "Representative Owen, this is not a point of personal privilege. You are getting into addressing the question before us."

POINT OF PARLIAMENTARY INQUIRY

Mr. Van Dyken: "Could you clarify for me the purpose of the motion to lay on the table? Is this to preclude you from debating on the issue?"

The Speaker: "It is to dispose of the issue before us."

*Sec. 53. Section 15, chapter 117, Laws of 1973 1st ex. sess. as amended by section 13, chapter 198, Laws of 1974 ex. sess. and RCW 10.77.150 are each amended to read as follows:

(1) Persons examined pursuant to RCW 10.77.140, as now or hereafter amended, may make application to the secretary for conditional release. The secretary shall, after considering the reports of experts or professional persons conducting the examination pursuant to RCW 10.77.140, forward to the court of the county which ordered his commitment the person's application for conditional release as well as his recommendations concerning the application and any proposed terms and conditions upon which he reasonably believes the person can be conditionally released. Conditional release may also contemplate partial release for work, training, or educational purposes.

(2) The court of the county which ordered his commitment, upon receipt of an application for conditional release with the secretary's recommendation for conditional release, shall within thirty days schedule a hearing. The court may schedule a hearing on applications recommended for disapproval by the secretary. The prosecuting attorney shall represent the state at such hearings and shall have the right to have the patient examined by an expert or professional person of his choice. If the committed person is indigent, and he so requests, the court shall appoint a qualified expert or professional person to examine him on his behalf. The issue to be determined at such a hearing is whether or not the person may be released conditionally without substantial danger to other persons, or substantial likelihood of committing felonious acts jeopardizing public safety or security. The court, after the hearing, shall rule on the secretary's recommendations, and if it disapproves of conditional release, may do so only on the basis of substantial evidence. The court may modify the suggested terms and conditions on which the person is to be conditionally released. Pursuant to the determination of the court after hearing, the committed person shall thereupon be released on such conditions as the court determines to be necessary, or shall be remitted to the custody of the secretary.

(3) If the court determines that receiving regular or periodic medication or other medical treatment shall be a condition of the committed person's release, then the court shall require him to report to a physician or other person for the medication or treatment. In addition to submitting any report required by RCW 10.77.160, the physician or other person shall immediately upon the released person's failure to appear for the medication or treatment report the failure to the court and to the prosecuting attorney of the county in which the released person was committed.

(4) Any person, whose application for conditional release has been denied, may reapply after a period of six months from the date of denial.

Sec. 54. Section 19, chapter 117, Laws of 1973 1st ex. sess. as amended by section 15, chapter 198, Laws of 1974 ex. sess. and RCW 10.77.190 are each amended to read as follows:

(1) Any person submitting reports pursuant to RCW 10.77.160, the secretary, or the prosecuting attorney may petition the court to, or the court on its own motion may schedule an immediate hearing for the purpose of modifying the terms of conditional release if the petitioner or the court believes the released person is failing to adhere to the terms and conditions of his conditional release or is in need of additional care and treatment.

(2) If the prosecuting attorney, the secretary, or the court, after examining the report filed with them pursuant to RCW 10.77.160, or based on other information received by them, reasonably believes that a conditionally released person is failing to adhere to the terms and conditions of his conditional release ~~(and because of that failure he has become a substantial danger to other persons, or presents a substantial likelihood of committing felonious acts jeopardizing public safety or security.)~~ the court or secretary may order that the conditionally released person be apprehended and taken into custody until such time as a hearing can be scheduled to determine the facts and whether or not the person's conditional release should be revoked or modified. The court shall be notified before the close of the next judicial day of the apprehension. Both the prosecuting attorney and the conditionally released person shall have the right to request an immediate mental examination of the conditionally released person. If the conditionally released person is indigent, the court or secretary shall, upon request, assist him in obtaining a qualified expert or professional person to conduct the examination.

(3) The court, upon receiving notification of the apprehension, shall promptly schedule a hearing. The issue to be determined is whether the conditionally released person did or did not adhere to the terms and conditions of his release ~~(and is a substantial danger to other persons, or presents a substantial likelihood of committing felonious acts jeopardizing public safety or security)~~. Pursuant to the determination of the court upon such hearing, the conditionally released person shall either continue to be conditionally released on the same or modified conditions or his conditional release shall be revoked and he shall be committed subject to release only in accordance with provisions of this chapter.

Sec. 55. Section 22, chapter 117, Laws of 1973 1st ex. sess. as amended by section 17, chapter 198, Laws of 1974 ex. sess. and RCW 10.77.220 are each amended to read as follows:

No person confined pursuant to this chapter shall be incarcerated in a state correctional institution or facility: PROVIDED, That nothing herein shall prohibit confinement in a mental health facility located wholly within a correctional institution nor in a county jail or other local facility while awaiting either placement in a treatment program or a court hearing pursuant to this chapter."

Sec. 56. Section 11, chapter 117, Laws of 1973 1st ex. sess. as last amended by section 4, chapter 215, Laws of 1979 ex. sess. and RCW 10.77.110 are each amended to read as follows:

If a defendant is acquitted of a felony by reason of insanity, and it is found that he is not a substantial danger to other persons, or does not present a substantial likelihood of committing felonious acts jeopardizing public safety or security, unless kept under further control by the court or other persons or institutions, the court shall direct his final discharge. If it is found that such defendant is a substantial danger to ~~((himself or others and in need of))~~ other persons, or presents a substantial likelihood of committing felonious acts jeopardizing public safety or security, unless kept under further control by the court or other persons or institutions, the court shall order his hospitalization, or any appropriate alternative treatment less restrictive than detention in a state mental hospital, pursuant to the terms of this chapter. If it is found that such defendant is not a substantial danger to other persons, or does not present a substantial likelihood of committing felonious acts jeopardizing public safety or security, but that he is in need of control by the court or other persons or institutions, the court shall direct his conditional release. If the defendant is acquitted by reason of insanity of a crime which is not a felony, the court shall order the defendant's release or order the defendant's continued custody only for a reasonable time to allow the county-designated mental-health professional to evaluate the individual and to proceed with civil commitment pursuant to chapter 71.05 RCW, if considered appropriate."

General Fund Appropriation \$ 7,095,000

The appropriation contained in this section shall be subject to the following condition or limitation: \$500,000 of this appropriation shall be contingent upon prior approval of the director of the office of financial management and shall be used exclusively to accommodate population increases above projected institutional bed space capacity and community caseload capacity or to continue contracted community programs through the 1979-1981 biennium.

General Fund Appropriation \$ 1,200,000

The appropriation contained in this section shall be subject to the following conditions:

SENATE AMENDMENTS TO HOUSE BILL

April 26, 1981

Mr. Speaker:

The Senate has passed ENGROSSED SUBSTITUTE HOUSE BILL NO. 397 with the following amendments:

Starting on page 1 of the bill, strike everything after line 7 through all of page 32 and insert:

*Section 1. Section 2409, Code of 1881 as amended by section 3, chapter 108, Laws of 1972 ex. sess. and RCW 26.16.030 are each amended to read as follows:

Property not acquired or owned, as prescribed in RCW 26.16.010 and 26.16.020, acquired after marriage by either husband or wife or both, is community property. Either spouse, acting alone, may manage and control community property, with a like power of disposition as the acting spouse has over his or her separate property, except:

(1) Neither spouse shall devise or bequeath by will more than one-half of the community property.

(2) Neither spouse shall give community property without the express or implied consent of the other.

(3) Neither spouse shall sell, convey, or encumber the community real property without the other spouse joining in the execution of the deed or other instrument by which the real estate is sold, conveyed, or encumbered, and such deed or other instrument must be acknowledged by both spouses.

(4) Neither spouse shall purchase or contract to purchase community real property without the other spouse joining in the transaction of purchase or in the execution of the contract to purchase.

(5) Neither spouse shall create a security interest other than a purchase money security interest as defined in RCW 62A.9-107 in, or sell, community household goods, furnishings, or appliances, or a community mobile home unless the other spouse joins in executing the security agreement or bill of sale, if any.

(6) Neither spouse shall acquire, purchase, sell, convey, or encumber the assets, including real estate, or the good will of a business where both spouses participate in its management without the consent of the other: PROVIDED, That where only one spouse participates in such management the participating spouse may, in the ordinary course of such business, acquire, purchase, sell, convey or encumber the assets, including real estate, or the good will of the business without the consent of the nonparticipating spouse.

Sec. 2. Section 14, chapter 231, Laws of 1971 ex. sess. as amended by section 137, chapter 158, Laws of 1979 and RCW 46.12.290 are each amended to read as follows:

The provisions of chapter 46.12 RCW insofar as they are not inconsistent with the provisions of this 1971 amendatory act shall apply to mobile homes regulated by this 1971 amendatory act: PROVIDED, That RCW 46.12.080((-46.12.090;)) and 46.12.250 through 46.12.270 shall not apply to mobile homes: PROVIDED FURTHER, That in order to lawfully transfer ownership of a community mobile home, both spouses must sign the title certificate. In addition, the director of licensing shall have the power to adopt such rules and regulations as he deems necessary to implement the provisions of chapter 46.12 RCW as they relate to mobile homes.

Sec. 3. Section 2, chapter 22, Laws of 1977 ex. sess. as amended by section 1, chapter 152, Laws of 1980 and RCW 46.44.170 are each amended to read as follows:

(1) Any person moving a mobile home as defined in RCW 46.04.302 upon public highways of the state must obtain a special permit from the department of transportation and local authorities pursuant to RCW 46.44.090 and 46.44.093 and shall pay the proper fee as prescribed by RCW 46.44.0941 and 46.44.096.

(2) A special permit issued as provided in subsection (1) of this section for the movement of any mobile home shall not be valid until the county treasurer of the county in which the mobile home is located shall endorse or attach thereto his certificate that all property taxes due upon the mobile home being moved have been satisfied: PROVIDED, That endorsement or certification by the county treasurer is not required when a mobile home is to enter the state, is being moved to safe storage under the provisions of section 7 of this 1981 act, or is being moved from a manufacturer or distributor to a retail sales outlet or directly to the purchaser's designated location or between retail and sales outlets. It shall be the responsibility of the owner of the mobile home or his agent to obtain such endorsement from the county treasurer.

(3) Nothing herein should be construed as prohibiting the issuance of vehicle license plates for a mobile home, but no such plates shall be issued unless the mobile home for which such plates are sought has been

listed for property tax purposes in the county in which it is principally located and the appropriate fee for such license has been paid.

(4) The department of transportation and local authorities are authorized to adopt reasonable rules for implementing the provisions of this section.

Sec. 4. Section 3, chapter 279, Laws of 1977 ex. sess. as last amended by section 3, chapter 152, Laws of 1980 and RCW 59.20.030 are each amended to read as follows:

For purposes of this chapter:

(1) 'Abandoned' as it relates to a mobile home owned by a tenant in a mobile home park, mobile home park cooperative, or mobile home park subdivision or tenancy in a mobile home lot means the tenant has defaulted in rent and by absence and by words or actions reasonably indicates the intention not to continue tenancy;

(2) 'Landlord' means the owner of a mobile home park and includes the agents of a landlord;

((2)) (3) 'Mobile home lot' means a portion of a mobile home park designated as the location of one mobile home and its accessory buildings, and intended for the exclusive use as a primary residence by the occupants of that mobile home;

((3)) (4) 'Mobile home park' means any real property which is rented or held out for rent to others for the placement of two or more mobile homes for the primary purpose of production of income, except where such real property is rented or held out for rent for seasonal recreational purpose only and is not intended for year-round occupancy;

(5) 'Mobile home park cooperative' means real property consisting of common areas and two or more lots held out for placement of mobile homes in which both the individual lots and the common areas are owned by an association of shareholders which leases or otherwise extends the right to occupy individual lots to its own members;

(6) 'Mobile home park subdivision' means real property, whether it is called a subdivision, condominium, or planned unit development, consisting of common areas and two or more lots held for placement of mobile homes in which there is private ownership of the individual lots and common, undivided ownership of the common areas by owners of the individual lots;

((4)) (7) 'Tenant' means any person, except a transient, who rents a mobile home lot; and

((5)) (8) 'Transient' means a person who rents a mobile home lot for a period of less than one month for purposes other than as a primary residence.

Sec. 5. Section 4, chapter 279, Laws of 1977 ex. sess. as amended by section 2, chapter 186, Laws of 1979 ex. sess. and RCW 59.20.040 are each amended to read as follows:

This chapter shall regulate and determine legal rights, remedies, and obligations arising from any rental agreement between a landlord and a tenant regarding a mobile home lot and including specified amenities within the mobile home park, mobile home park cooperative, or mobile home park subdivision, where the tenant has no ownership interest in the property or in the association which owns the property, whose uses are referred to as a part of the rent structure paid by the tenant. All such rental agreements shall be unenforceable to the extent of any conflict with any provision of this chapter. Chapter 59.12 RCW shall be applicable only in implementation of the provisions of this chapter and not as an alternative remedy to this chapter which shall be exclusive where applicable: PROVIDED, That the provision of RCW 59.12.090, 59.12.100, and 59.12.170 shall not apply to any rental agreement included under the provisions of this chapter. RCW 59.18.370 through 59.18.410 shall be applicable to any action of forcible entry or detainer or unlawful detainer arising from a tenancy under the provisions of this chapter, except when a mobile home or a tenancy in a mobile home lot is abandoned. Rentals of mobile homes themselves are governed by the Residential Landlord-Tenant Act, chapter 59.18 RCW.

NEW SECTION. Sec. 6. There is added to chapter 59.20 RCW a new section to read as follows:

SAFE ASSUMPTION OF ABANDONMENT. (1) If a tenant defaults in rent but the landlord is not certain whether the tenant intends to continue tenancy, the landlord may safely assume the tenancy is abandoned if both of the following are done subsequent to default:

(a) The landlord gives written notice to a law enforcement officer that the landlord believes a mobile home is abandoned, stating the reasons for that belief. The law enforcement officer shall obtain the last known names and addresses of registered and legal owners of the mobile home as the names and addresses appear on the records of the department of licensing, and shall supply the information to the landlord without charge; and

(b) The landlord sends by first class and certified mail, return receipt requested, a notice of intent to declare the abandonment to the last known address of the tenant, and registered owner of the mobile home, if different, and no reply is received within four weeks of the mailing of the notice. This notice shall state that if no reply is received within four weeks that the landlord shall determine the tenancy, mobile home, or any other property of the tenant abandoned and subject to sale.

(2) Removal of the mobile home by the tenant, along with default in rent, shall be sufficient to indicate a tenant's intention not to continue tenancy, unless the landlord has actual knowledge of the tenant's contrary intention.

(3) This section is intended to provide landlords assurance that a determination of abandonment is proper in the circumstances, and is not intended to be exclusive or in any way limit the circumstances which may reasonably indicate a tenant's intention not to continue tenancy.

NEW SECTION. Sec. 7. There is added to chapter 59.20 RCW a new section to read as follows:

TAKING POSSESSION. Upon abandonment, the landlord may immediately enter and take possession of any property of the tenant found on the premises and remove the same to and store the same in a reasonably secure place.

NEW SECTION, Sec. 8. There is added to chapter 59.20 RCW a new section to read as follows:

LABOR AND MATERIALMAN'S LIEN GRANTED. Every person performing labor, furnishing material, or renting, leasing, or otherwise supplying equipment to take possession of, move, store and safeguard property which has been abandoned by a tenant has a lien upon the same for the labor performed, material furnished, or equipment furnished. No notice of such lien is required. Foreclosure shall be by the sale provisions of sections 9 through 13 of this act.

NEW SECTION, Sec. 9. There is added to chapter 59.20 RCW a new section to read as follows:

NOTICE. (1) A notice must be mailed by the landlord by first class and certified mail, return receipt requested, within three days after taking possession of the tenant's property to the last known address of the tenant and to the last known addresses of the registered and legal owners supplied to the landlord by the law enforcement officer, if different.

(2) The notice shall state:

- (a) The tenant's name and owner's name if different;
- (b) That the landlord is holding in safe storage property of the tenant;
- (c) A description of the property;
- (d) The location of the property;
- (e) The name and address of the landlord;

(f) That, if the tenant does not reclaim the tenant's property within sixty days after the specified date of default in rent or thirty days after the date this notice is sent, whichever is later, the landlord intends to sell the property stored and apply the proceeds as specified in section 11 of this act; and

(g) The conditions on which the tenant or secured party could reclaim the property as specified in section 13 of this act, with the amounts set out as much as is reasonably practical.

NEW SECTION, Sec. 10. There is added to chapter 59.20 RCW a new section to read as follows:

SALE. (1) The landlord may sell or otherwise dispose of any or all of the property taken possession of and stored by the landlord after the latest of the following:

- (a) Sixty days from the default in rent;
- (b) Thirty days after mailing of the notice prescribed in section 14 of this act;
- (c) After reasonable efforts to locate the absent tenants; and
- (d) Ten days' notice to any secured creditors of the tenant known to the landlord to have security interests in the tenant's property stored by the landlord or discoverable by an information request under RCW 62A.9-407 sent to the department of licensing.

(2) Reasonable efforts to locate the tenants may include, but are not required to include nor limited to including, requesting the whereabouts of the tenants from the tenant's neighbors, known friends, known relatives, and secured creditors known to the landlord or discoverable by an information request under RCW 62A.9-407 sent to the department of licensing.

(3) The property may be sold in its condition 'as is' or following any commercially reasonable preparation for sale. Disposition of the property may be by public or private proceedings and may be as a unit or in parcels and at any time and place and on any terms, but every aspect of the disposition including the method, manner, time, place and terms must be commercially reasonable. Unless the property is a type customarily sold in a recognized market, reasonable notification of the time and place of any public sale or of the time after which any private sale or other intended disposition is to be made shall be sent by the landlord to the tenant if the tenant has replied to the notice sent required in section 6 of this act, and to any person who has a security interest in the property and who has duly filed a financial statement indexed in the name of the tenant in this state, or who is known by the landlord to have a security interest in the tenant's property stored by the landlord. The landlord may buy at any public sale and, if the property is of a type customarily sold in a recognized market or is of a type which is the subject of widely distributed standard price quotations, he may buy at private sale.

(4) The fact that a better price could have been obtained by a sale at a different time or in a different method from that selected by the landlord is not of itself sufficient to establish that the sale was not made in a commercially reasonable manner. If the landlord either sells the property in the usual manner in any recognized market therefor or if he sells at the price current in such market at the time of his sale or if he has otherwise sold in conformity with reasonable commercial practices among dealers in the type of property sold, he has sold in a commercially reasonable manner. The principles stated in the two preceding sentences with respect to sales also apply as may be appropriate to other types of disposition.

NEW SECTION, Sec. 11. There is added to chapter 59.20 RCW a new section to read as follows:

APPLICATION OF PROCEEDS. Any proceeds from the sale may be applied in the following order:

- (1) To any reasonable costs of moving, storing, safeguarding, and selling the property;
- (2) Any taxes due on the sale of the mobile home under chapter 28A.45 RCW, or the successor thereto, and any other taxes due under chapter 84.52 RCW;
- (3) To any secured creditors of the tenant of which the landlord has notice or is discoverable by an information request under RCW 62A.9-407 sent to the department of licensing; and
- (4) To any moneys due the landlord as specified in section 14 of this act.

Any excess proceeds from the sale of the property shall be paid to the county treasurer of the county in which the property was abandoned to be credited to the county current expense fund, subject to a claim by the tenant within one year of sale.

NEW SECTION. Sec. 12. There is added to chapter 59.20 RCW a new section to read as follows:

EFFECT OF SALE. When property is disposed of by a landlord under this chapter, the disposition transfers to a purchaser for value all of the tenant's rights therein and discharges any security interest in or lien upon the property. The purchaser takes free of any such rights and interests even if the landlord fails to comply with the requirements of this chapter or of any judicial proceedings (1) in the case of a public sale, if the purchaser has no knowledge of any defects in the sale and if he does not buy in collusion with the landlord, other bidders, or the person conducting the sale; or (2) in any other case, if the purchaser acts in good faith as defined in RCW 62A.1-201(19).

The director of licensing shall promulgate rules pursuant to chapter 34.04 RCW for the application for and the reissuance of the certificate of title showing ownership of any mobile home sold or otherwise disposed of under the provisions of this chapter.

NEW SECTION. Sec. 13. There is added to chapter 59.20 RCW a new section to read as follows:

REDEMPTION. (1) At any time before the landlord has disposed of property or entered into a contract for its disposition under this chapter, the tenant, unless otherwise agreed in writing, may redeem the property by tendering to the landlord fulfillment of all obligations owed by the tenant to the landlord as set out in section 14 of this act which have accrued up to the date of redemption.

(2) At any time before the landlord has disposed of property or entered into a contract for disposition under this chapter, any person who has a security interest in the property may, unless otherwise agreed in writing, redeem the property by tendering to the landlord:

(a) Any unpaid rent or charges specified in the rental agreement accrued up to the date of redemption; and

(b) The reasonable costs of taking possession, moving, storing, safeguarding, preparing the property for sale, the costs of arranging the sale and selling the tenant's property plus reasonable attorneys' fees and legal expenses incurred taking such actions.

NEW SECTION. Sec. 14. There is added to chapter 59.20 RCW a new section to read as follows:

TENANT'S LIABILITY TO LANDLORD UPON ABANDONMENT. If a tenant abandons a tenancy, the landlord shall make a reasonable effort to mitigate the damages resulting from the abandonment and if such reasonable effort is made, is entitled to the following from the tenant:

(1) When the tenancy is month-to-month, the rent for the thirty days following the earlier of the date the landlord learns of the abandonment or the date the regular monthly rental payment was due, but was unpaid;

(2) When the tenancy is for a term longer than month-to-month, the rent for the remainder of the term, minus all rent received from the re-rental of the lot at a fair rental if there were no other comparable lots vacant elsewhere in the mobile home park, plus all actual costs reasonably incurred by the landlord in re-renting the premises;

(3) For any length term, the reasonable costs of taking possession, moving, storing, safeguarding, preparing the property for sale, the costs of arranging the sale, plus reasonable attorneys' fees and legal expenses incurred taking such actions if not otherwise reimbursed by the provisions of section 11 of this act;

(4) Any other unpaid rent or charges specified in the rental agreement; and

(5) Any damages to the landlord's property caused by the tenant.

NEW SECTION. Sec. 15. There is added to chapter 59.20 RCW a new section to read as follows:

REMEDIES NOT EXCLUSIVE. The remedies specified in sections 6 through 14 of this act are not exclusive and the parties retain the rights to all other actions or remedies otherwise specified in this chapter. If a mobile home park landlord sells a tenant's property as permitted by this chapter and the proceeds from the sale of those goods are insufficient to pay the landlord all that the tenant owes to the landlord, the tenant shall remain liable for the remainder owed.

NEW SECTION. Sec. 16. There is added to chapter 59.20 RCW a new section to read as follows:

REMEDIES FOR NONCOMPLIANCE. If it is established that the landlord is not proceeding in accordance with the provisions of sections 7 through 13 of this act, disposition may be ordered or restrained on appropriate terms and conditions. If the disposition has occurred in violation of this chapter, the tenant or any person entitled to notice has a right to recover from the landlord any loss caused by a failure to comply with the provisions of this chapter.

Sec. 17. Section 5, chapter 64, Laws of 1895 as amended by section 1, chapter 44, Laws of 1909 and RCW 6.12.100 are each amended to read as follows:

Whenever an application is made to the department of licensing or its agents for a license for a travel trailer or camper there shall be collected, in addition to the amount of the license fee or renewal license fee, the amount of the excise tax imposed by this chapter prorated to comply with the effective date of the annual schedule prepared pursuant to RCW 82.44.040, and no dealer's license or license plates, and no license or license plates for a travel trailer or camper may be issued unless such tax is paid in full. ((A travel trailer or camper shall be deemed licensed for the first time in this state when such vehicle was not previously licensed by this state for the registration year or any part thereof immediately preceding the registration year in which application for license is made or when it has been registered in another jurisdiction subsequent to any prior registration in this state.))

Sec. 25. Section 61, chapter 299, Laws of 1971 ex. sess. as last amended by section 3, chapter 123, Laws of 1979 and RCW 82.50.460 are each amended to read as follows:

NEW SECTION. Sec. 27. There is added to chapter 82.50 RCW a new section to read as follows:

If any excise tax due under this chapter is not paid when due and payable, the unpaid tax shall bear interest at the rate of twelve percent per annum from the time the tax is due and payable. The interest charge on the unpaid excise tax is waived when the interest is less than five dollars. The director may waive the interest on the unpaid excise tax when the interest exceeds five dollars and the department of licensing determines that the cost of processing the collection of the interest exceeds the amount of interest due.

The tax and all charges authorized under this chapter are a specific lien on the travel trailer or camper from the date it first becomes due under this chapter and shall have priority to and be fully paid and satisfied before any recognizance, mortgage, judgment, debt, obligation, or responsibility to or with which the travel trailer or camper may become charged or liable after the effective date of this act. Thereafter, the sheriff may, without further demand or notice, distraint the travel trailer or camper for the payment of tax, together with the penalty and accrued interest, and the costs and fees.

If he determines that it is reasonably impracticable to take manual possession of the trailer or camper, it shall be deemed to have been distrained and taken into possession when the sheriff posts thereon in a conspicuous place, a notice in writing reciting that he has distrained the travel trailer or camper, describing it and giving the name of the owner or reputed owner, if known, the amount of the tax due, together with the penalty, accrued interest, costs and fees, and the time when and the place where the sale shall be made.

The director shall forward by registered or certified mail a copy of the notice of delinquency to the legal owner recorded with the director under chapter 46.12 RCW.

NEW SECTION. Sec. 30. There is added to chapter 82.50 RCW a new section to read as follows:

If the tax is not paid immediately after distraint, the sheriff shall advertise the sale of the travel trailer or camper by posting written notices in three public places in the county in which the travel trailer or camper is located, one of which shall be at the county court house of the county, and by posting a written notice on the travel trailer or camper in a conspicuous place, if he has not taken manual possession of it. The

notices shall state the time when and the place where the travel trailer or camper will be sold. He shall tax the same fees for making the distraint and sale of the travel trailer or camper for the payment of taxes as are allowed him by law for making levy and sale of property on execution, traveling fees to be computed from the county seat of the county to the place of making distraint. If the taxes for which the travel trailer or camper is distrained, together with the penalty, accrued interest, and costs and fees accruing thereon, are not paid before the date appointed for the sale, which shall be not less than ten days after the distraint and taking of the travel trailer or camper and posting of the notices, the sheriff shall proceed to sell the travel trailer or camper at public auction. After deducting the costs and fees, he shall pay to the county auditor the amount to pay the taxes, the penalty, and accrued interest to the date of sale, if there is sufficient to do so, and, if there is any excess of money arising from the sale, he shall pay the excess to the owner of the travel trailer or camper so sold or to his legal representative, who shall be deemed to be the county treasurer if the owner or other legal representative cannot be determined or found.

Sec. 31. Section 67, chapter 299, Laws of 1971 ex. sess. as amended by section 4, chapter 123, Laws of 1979 and RCW 82.50.520 are each amended to read as follows:

(4) Travel trailers eligible to be used under a dealer's license plate, and taxed under RCW 82.44.030 while so eligible.

(5) A travel trailer or camper that is not used on the highways of this state and is not used for residential purposes. If a travel trailer or camper has been previously licensed by this state and is used on the highways of this state or is used for residential purposes for any part of a registration year, then exemption under this subsection shall not be allowed for that registration year.

Sec. 32. Section 68, chapter 299, Laws of 1971 ex. sess. and RCW 82.50.530 are each amended to read as follows:

No mobile home, travel trailer, or camper which is a part of the inventory of mobile homes, travel trailers, or campers held for sale by a dealer in the course of his business and no travel trailer or camper ((with respect to which the excise tax imposed by this chapter is payable)) as defined in RCW 82.50.010 shall be listed and assessed for ad valorem taxation.

Sec. 37. Section 5, chapter 279, Laws of 1977 ex. sess. as last amended by section 4, chapter 152, Laws of 1980 and RCW 59.20.050 are each amended to read as follows:

(1) No landlord may offer a mobile home lot for rent to anyone without offering a written rental agreement for a term of one year or more. No landlord may offer to anyone any rental agreement for a term of one year or more for which the monthly rental is greater, or the terms of payment or other material conditions more burdensome to the tenant, than any month-to-month rental agreement also offered to such tenant or prospective tenant. Anyone who desires to occupy a mobile home lot for other than a term of one year or more may have the option to be on a month-to-month basis but must waive, in writing, the right to such one year or more term: PROVIDED, That ((no waiver shall be valid for a period of more than one year and upon the expiration of any waiver the landlord shall again offer the tenant a term of one year or more)) annually, at any anniversary date of the tenancy the tenant may require that the landlord provide a written rental agreement for a term of one year. No landlord shall allow a mobile home to be moved into a mobile home park in this state until a written rental agreement has been signed by and is in the possession of the parties: PROVIDED, That if the landlord allows the tenant to move a mobile home into a mobile home park without obtaining a written rental agreement for a term of one year or more, or a written waiver of the right to a one-year term or more, the term of the tenancy shall be deemed to be for one year from the date of occupancy of the mobile home lot;

(2) The requirements of subsection (1) of this section shall not apply if:

(a) The mobile home park or part thereof has been acquired or is under imminent threat of condemnation for a public works project, or

(b) An employer-employee relationship exists between a landlord and tenant;

(3) The provisions of this section shall apply to any tenancy upon expiration of the term of any oral or written rental agreement governing such tenancy.

NEW SECTION. Sec. 38. (1) The legislature finds that:

(a) A serious and chronic shortage exists of decent, safe and sanitary housing which can be obtained within the financial means of most moderate and low income households in the state; and

(b) A shortage of land zoned for the location of manufactured housing exists which interferes with the residential choices available to purchasers and renters of housing.

(2) The legislature recognizes that:

(a) Manufactured housing represents an economical alternative which satisfies the residential needs of a growing number of households;

(b) Manufactured housing constructed, transported, and installed in compliance with applicable government statutes, regulations, standards, and procedures can qualify as decent, safe, and sanitary housing with residential characteristics comparable with other forms of housing;

(c) Differences in appearance, size, and other aspects nevertheless remain between manufactured and site built housing; and

(d) Cities and counties have a legal role in regulating the placement of manufactured and site built housing in a manner which is in accordance with community appearance, standards, and well-being.

(3) The legislature declares that:

(a) A need exists for adequate land which is zoned for the siting of manufactured housing on individual lots and in mobile home parks and which is consistent with prevailing local market demand and sensible community standards; and

(b) It shall be the policy of the state to encourage cities and counties to meet the need for adequate land zoned within their jurisdictions for the siting of manufactured housing.

NEW SECTION. Sec. 39. Nothing in this act may be construed to inhibit a city or county from: (1) Providing reasonable requirements for regulating the characteristics and siting of manufactured homes sited on real estate within such city or county, including size, site preparation, accessory structures, siding and roofing characteristics and materials, and foundation systems, provided that such requirements are not more stringent for manufactured homes than for other single family residences; or (2) requiring that a manufactured home be placed in an approved mobile home subdivision, mobile home park, or cooperative.

On or before December 1, 1981, the task force shall prepare a report containing model ordinances on the siting of manufactured housing, standards for manufactured housing zoning regulations and recommendations for the characteristics and siting of manufactured homes. The planning and community affairs agency shall publish the report and distribute it to the members of the local government committees of the senate and house of representatives of the state of Washington and all cities and counties.

The planning and community affairs agency shall, upon request, assist any city or county with the development of comprehensive plans, ordinances, and standards which relate to zoning sites for manufactured housing.

NEW SECTION. Sec. 41. Before January 1, 1983, the planning and community affairs agency shall determine the extent to which cities and counties have responded to the need to provide adequate land zoned for manufactured housing and report its findings to the members of the local government committees of the senate and the house of representatives of the state of Washington.

NEW SECTION. Sec. 42. The advisory task force on manufactured housing established in section 40 of this act shall cease to exist on January 1, 1982.

NEW SECTION. Sec. 43. There is appropriated from the general fund for the biennium ending June 30, 1983, to the planning and community affairs agency the sum of ten thousand dollars, or so much thereof as may be necessary, to carry out the purposes of this act.

NEW SECTION. Sec. 45. Sections 38 through 41 of this act shall expire on January 1, 1983.

Mr. Nelson (G) moved adoption of the resolution and spoke in favor of it.

POINT OF INQUIRY

Mr. Nelson (G) yielded to question by Ms. Rinehart.

Ms. Rinehart: "Representative Nelson, on page 2, the second paragraph of the second resolve, when it speaks of attaining such additional employees as may be necessary to continue the interim work of the legislature, is there any implied assumption there of whether or not that's partisan or nonpartisan staff?"

Mr. Nelson (G): "Representative Rinehart, the Joint Employment Committee does take part in establishing the number of people that will be required for the involvement during the interim."

Ms. Rinehart: "On the fourth resolve then, it says, 'Be it further resolved, that neither the Speaker nor the Chief Clerk shall approve or sign any personal service contract without the express approval of the Executive Rules Committee.' By what vote is that personal service contract approved?"

Mr. Nelson (G): "All committee of the legislature require a majority vote."

Ms. Rinehart: "A majority of the members or a majority of those present?"

Mr. Nelson (G): "A majority of the members."

Ms. Rinehart: "On page 3, 'Now therefore, be it resolved, that the Speaker may authorize the attendance of members and staff members at such courses or meetings as may be deemed pertinent...' Is there an assumed criteria for that decision?"

Mr. Nelson (G): "Yes."

Ms. Rinehart: "What is the criteria?"

Mr. Nelson (G): "The staff that we have go to seminars that may be local or someplace else, and it may be on behalf of work that is going to be done in the legislature. They are hired for those particular jobs and then, in fact, the Executive Rules Committee will review any such expenditure that is needed to have them attend any seminars or conventions or something in that order. The criteria is that they have a job description and they have to have the talents and skills and disciplines to fulfill that job description."

Ms. Rinehart: "On page 4, the middle section, which says, '...to hire any necessary employees, to order necessary supplies, equipment....' Again, what is the criteria for those decisions?"

Mr. Nelson (G): "The Chief Clerk in this case, in conjunction with the Employment Committee, establishes those criteria."

Ms. Rinehart: "The Chief Clerk and the Joint Employment Committee?"

Mr. Nelson (G): "Yes, the Joint Employment Committee gives direction to the Chief Clerk that it has overseen the ability of the Speaker."

Ms. Rinehart: "But the first decision comes from the Joint Employment Committee?"

Mr. Nelson (G): "Yes."

House Resolution No. 81-81 was adopted.

HOUSE RESOLUTION NO. 81-82, by Representative Nelson (G):

BE IT RESOLVED, That a committee of three members be appointed by the Speaker to notify the Senate that the House is ready to adjourn *sine die*.

MESSAGE FROM THE SENATE

April 28, 1981

Mr. Speaker:

The Senate has passed:
ENGROSSED SUBSTITUTE SENATE BILL NO. 3972,
and the same is herewith transmitted.

Sidney R. Snyder, Secretary

MOTION

On motion of Mr. Nelson (G), the House reverted to the fourth order of business.

INTRODUCTION AND FIRST READING

ENGROSSED SUBSTITUTE SENATE BILL NO. 3972, by Committee on Energy and Utilities (originally sponsored by Senators Williams, Gould, McDermott, Ridder, Bottiger, Lysen, Talmadge, Moore, Charnley and Hurley):

Providing for a study on the feasibility of completing nuclear power plants.

MOTIONS

On motion of Mr. Nelson (G), the rules were suspended, and Engrossed Substitute Senate Bill No. 3972 was advanced to second reading and read the second time in full.

On motion of Mr. Hastings, the rules were suspended, the second reading considered the third, and the bill was placed on final passage.

Representatives Barnes, Nelson (D), King (R) and Cantu spoke in favor of passage of the bill, and Mr. Isaacson spoke against it.

POINT OF INQUIRY

Mr. Nelson (D) yielded to question by Ms. Hine.

Ms. Hine: "Representative Nelson, does the definition of cost-effectiveness in this bill coincide with the one that we have in the Regional Power Act?"

Mr. Nelson (D): "Yes, Representative Hine, in my opinion, the Regional Power Act, Public Law 96-501, does provide the definition of cost-effective that fits that term as it is used in Substitute House Bill 339. Under that definition, cost-effective means that an energy resource or measure is forecast to be either reliable and available within the time it is needed and to meet or reduce the electrical power demands at an estimated incremental cost no greater than that of the least costly, similarly reliable and available alternative measure of resource. That definition is in that federal act and I believe it fits very well as the definition of the term in this bill."

Ms. Hine spoke in favor of passage of the bill.

POINT OF INQUIRY

Mr. Barnes yielded to question by Mr. Scott.

Mr. Scott: "Representative Barnes, how is the cost-effectiveness supposed to be determined?"

Mr. Barnes: "The question and answer which occurred between Representative Hine and Representative Nelson is all correct. She had asked if the definition of cost-effectiveness was the same as that in the Northwest Regional Power Bill—the federal bill—and I believe Representative Nelson that he assumed it to be the same. It is in words practically the same, but the federal law involves some requirements of judgment by BPA and the administrator of the Northwest Power Bill. I think we can assume the definition, should there be any conflict, will be resolved by the legislative committee and the steering committee and the director of the study."

Mr. Scott demanded the previous question, and the demand was sustained.

ROLL CALL

The Clerk called the roll on the final passage of Engrossed Substitute Senate Bill No. 3972, and the bill passed the House by the following vote: Yeas, 80; nays, 18; not voting, 0.

Voting yea: Representatives Addison, Amen, Barnes, Barrett, Becker, Bender, Berleen, Bickham, Brekke, Brown, Burns, Cantu, Chamberlain, Chandler, Dawson, Ehlers, Ellis, Eng, Erak, Erickson, Fiske, Flanagan, Gallagher, Galloway, Garrett, Garson, Granlund, Greengo, Grimm, Gruger, Heck, Hine, Houchen, James, Johnson, King J., King R., Kreidler, Lane, Lewis, Lundquist, Lux, Martinis, Maxie, McDonald, Mitchell, Monohon, Nelson D., Nelson G. A., Nickell, Nisbet, North, O'Brien, Owen, Padden, Patrick, Prince, Pruitt, Rinehart, Rosbach, Rust, Salatino, Scott, Sherman, Smith, Sommers, Taylor, Teutsch, Thompson, Tilly, Tupper, Valle, Van Dyken, Vander Stoep, Walk, Wang, Warnke, Williams, Winsley, and Mr. Speaker.

Voting nay: Representatives Barr, Bond, Clayton, Dickie, Eberle, Fancher, Hankins, Hastings, Isaacson, Leonard, McCormick, McGinnis, Sanders, Schmidt, Sprague, Stratton, Struthers, Wilson.

As used in this chapter and unless the context indicates otherwise, words and phrases shall mean:

'District' means a public utility district as created under the laws of the state of Washington authorized to engage in the business of generating and/or distributing electricity.

'City' means any city or town in the state of Washington authorized to engage in the business of generating and/or distributing electricity.

'Canada' means Canada or any province thereof.

For the purposes provided for in this chapter, an operating agency shall have power to issue revenue bonds or warrants payable from the revenues of the utility properties operated by it. Whenever the board of a joint operating agency shall deem it advisable to issue bonds or warrants to construct or acquire any public utility or any works, plants or facilities or any additions or betterments thereto or extensions thereof it shall provide therefor by resolution, which shall specify and adopt the system or plan proposed and declare the

estimated cost thereof as near as may be. Such cost may include funds for working capital, for payment of expenses incurred in the acquisition or construction of the utility and for the repayment of advances made to the operating agency by any public utility district or city. Except as otherwise provided in RCW 43.52.343, all the provisions of law as now or hereafter in effect relating to revenue bonds or warrants of public utility districts shall apply to revenue bonds or warrants issued by the joint operating agency including, without limitation, provisions relating to: The creation of special funds and the pledging of revenues thereto; the time and place of payment of such bonds or warrants and the interest rate or rates thereon; the covenants that may be contained therein and the effect thereof; the execution, issuance, sale, funding, or refunding, redemption and registration of such bonds or warrants; and the status thereof as negotiable instruments, as legal securities for deposits of public moneys and as legal investments for trustees and other fiduciaries and for savings and loan associations, banks and insurance companies doing business in this state. However, for revenue bonds or warrants issued by an operating agency, the provisions under RCW 54.24.030 relating to additional or alternate methods for payment may be made a part of the contract with the holders of any revenue bonds or warrants of an operating agency. The board may authorize the managing director or the treasurer of the operating agency to sell revenue bonds or warrants maturing one year or less from the date of issuance, and to fix the interest rate or rates on such revenue bonds or warrants with such restrictions as the board shall prescribe.

Sec. 3. Section 43.52.343, chapter 8, Laws of 1965 and RCW 43.52.343 are each amended to read as follows:

All bonds issued by an operating agency shall be sold and delivered in such manner, at such rate or rates of interest and for such price or prices and at such time or times as the board shall deem in the best interests of the operating agency, whether by negotiation or to the highest and best bidder after such advertising for bids as the board of the operating agency may deem proper: PROVIDED, That the board may reject any and all bids so submitted and thereafter sell such bonds so advertised under such terms and conditions as it may deem most advantageous to its own interests.

NEW SECTION. Sec. 4. There is added to chapter 43.52 RCW a new section to read as follows:

Any municipal corporation, cooperative or mutual which has entered into a contract with an operating agency to participate in the construction or acquisition of an energy plant as defined in chapter 80.50 RCW shall annually adopt a plan for the repayment of its contractual share of any operating agency obligation which matures prior to the planned operation of the plant. The manner of adoption of the plan shall be subject to the laws regarding approval of rates of the municipal corporation, cooperative or mutual.

The plan shall include the effect of the means of repayment on its financial condition, its customers' rates, its other contractual rights and obligations, and any other matter deemed useful by the participant.

Each such participating municipal corporation, cooperative or mutual shall include a statement of the extent of its contractual obligation to any operating agency in an annual financial report.

NEW SECTION. Sec. 5. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

NEW SECTION. Sec. 6. This act is necessary for the immediate preservation of the public peace, health, and safety, the support of the state government and its existing public institutions, and shall take effect immediately."

On page 1, line 5 of the title after "43.52.3411;" strike "repealing" and insert "amending"

On page 1, line 6 of the title after "43.52.343;" insert "adding a new section to chapter 43.52 RCW;"

Representatives Barnes, Nelson (D) and Scott spoke in favor of the amendments, and they were adopted.

1981 Regular and First Special Session

For Veto Message on SUBSTITUTE HOUSE BILL NO. 49, see page 998.

May 8, 1981

To the Honorable,
The House of Representatives
of the State of Washington
Ladies and Gentlemen:

I am returning herewith without my approval as to three sections, HOUSE BILL NO. 137, entitled:

AN ACT Relating to usury.

Sections 4, 5 and 6 of this bill duplicate the substance of three sections contained in House Bill No. 160, but use slightly different wording. I have determined to veto these sections in order to avoid difficulties in codification and future interpretation of these sections.

With the exception of sections 4, 5 and 6, which I have vetoed, House Bill No. 137 is approved.

Respectfully submitted,
JOHN SPELLMAN, Governor.

May 18, 1981

To the Honorable,
The House of Representatives
of the State of Washington
Ladies and Gentlemen:

I am returning herewith without my approval as to three sections, SUBSTITUTE HOUSE BILL NO. 138, entitled:

AN ACT Relating to public retirement.

Current statutes provide for members of the Teachers' Retirement System and the Public Employees' Retirement Systems to establish credit for service previously rendered within five years of reentering service. This is an inopportune time to extend the credit buy-back beyond the current five-year provision. It would result in an unwarranted and substantial increase in retirement costs to the state over the next 25 years at a time when we are encountering extreme difficulty in funding basic programs.

For the foregoing reasons, I have vetoed sections 10, 11 and 15 of Substitute House Bill No. 138. The remainder of the bill is approved.

Respectfully submitted,
JOHN SPELLMAN, Governor.

May 19, 1981

To the Honorable,
The House of Representatives
of the State of Washington
Ladies and Gentlemen:

I am returning herewith without my approval as to seven sections, SUBSTITUTE HOUSE BILL NO. 144, entitled:

AN ACT Relating to insurance.

This bill contains three bills in their entirety which I have already signed:

Sections 7, 11 and 12 — SB 3383

Section 8 — SB 3250

Sections 23 and 24 — SB 3834

I have vetoed the duplicative sections in order to avoid codification problems and difficulties for future users of the affected sections of the Revised Code of Washington.

Section 25 of this bill would prohibit an agent from replacing an existing life insurance policy, excepting a policy issued by his own company, during the first two years that the agent is licensed. This provision would be strongly anti-competitive, exacerbating the already very difficult problems that face new agents. While I appreciate the problem being addressed, this is not the remedy.

I feel that the Insurance Commissioner has mechanisms in place (replacement disclosure forms and the law prohibiting "twisting") which, if enforced, can prevent policy replacements detrimental to the insured parties.

With the exception of the aforementioned sections, I have approved Substitute House Bill No. 144.

Respectfully submitted,
JOHN SPELLMAN, Governor.

May 8, 1981

To the Honorable,
The House of Representatives
of the State of Washington
Ladies and Gentlemen:

I am returning herewith without my approval as to one section, HOUSE BILL NO. 160, entitled:

AN ACT Relating to retail installment sales.

Section 6 of this bill duplicates the substance of a section contained in House Bill No. 137, but uses slightly different wording. I have determined to veto this section in order to avoid difficulties in codification and future interpretation of the section.

With the exception of Section 6, which I have vetoed, House Bill No. 160 is approved.

Respectfully submitted,
JOHN SPELLMAN, Governor.

April 23, 1981

To the Honorable,
The House of Representatives
of the State of Washington
Ladies and Gentlemen:

I am returning herewith without my approval, HOUSE BILL NO. 171. I have taken this action because I believe the formula set forth in the bill does not reasonably take into account the variations of costs in different areas of the state, and because of a strong presumption in favor of local government control of issues such as this.

I would be receptive to a review of this matter in order to assure that local governments in terms of such fees receive only the remuneration necessary to totally reimburse their actual costs of such services.

Sincerely,
JOHN SPELLMAN, Governor.

For Veto Message on SUBSTITUTE HOUSE BILL NO. 208, see page 249.

May 14, 1981

To the Honorable,
The House of Representatives
of the State of Washington
Ladies and Gentlemen:

I am returning herewith without my approval as to lines 22 through 28, Section 123, SECOND SUBSTITUTE HOUSE BILL NO. 235, entitled:

AN ACT Relating to corrections.

The above-referenced paragraph of Section 123 frustrates the directive of the bill — to create a separate, well-managed Department of Corrections. Inherent in the legislation is the assumption that several improvements in management may be required. I have, therefore, vetoed lines 22 through 28 in Section 123.

With the exception of lines 22 through 28 of Section 123, which I have vetoed, the remainder of Second Substitute House Bill No. 235 is approved.

Respectfully submitted,
JOHN SPELLMAN, Governor.

May 14, 1981

To the Honorable,
The House of Representatives
of the State of Washington
Ladies and Gentlemen:

I am returning herewith without my approval as to one section, HOUSE BILL NO. 254, entitled:

AN ACT Relating to casualty insurance.

Section 2 of this bill would require that auto insurance policies providing comprehensive or collision coverage would also have to provide liability coverage.

Since this bill passed the legislature, information has come to light that calls into question the potential effectiveness of this bill in preventing driving by underinsured motorists and also raises the question of unintended economic impacts on both the auto industry and financial institutions. I feel that the most prudent course of action at this time would be to veto Section 2, so that the legislature can more thoroughly study this issue.

With the exception of Section 2, which I have vetoed, the remainder of House Bill No. 254 is approved.

Respectfully submitted,
JOHN SPELLMAN, Governor.

May 18, 1981

To the Honorable,
The House of Representatives
of the State of Washington
Ladies and Gentlemen:

I am returning herewith without my approval as to Sections 2(15), 3(4) and 3(7), and 11, SUBSTITUTE HOUSE BILL NO. 320, entitled:

AN ACT Relating to land use.

The first three provisions conflict with similar provisions in Substitute House Bill No. 323, which I have signed today.

Section 11 would limit court review to final plats. The more timely stage for review—the preliminary plat stage—has been eliminated by Section 11. To preserve this option I have vetoed Section 11.

With the exception of Sections 2(15), 3(4), 3(7) and 11, Substitute House Bill No. 320 is approved.

Respectfully submitted,
JOHN SPELLMAN, Governor.

April 30, 1981

To the Honorable,
The House of Representatives
of the State of Washington
Ladies and Gentlemen:

I am returning herewith without my approval as to the proviso in Section 7, SUBSTITUTE HOUSE BILL NO. 335, entitled:

AN ACT Relating to community college districts.

Section 7 of this bill delineates certain requirements of the State Board of Community College Education. A proviso, however, added to this section, restricts the use of instructional funds at Everett and Edmonds Community College. This proviso is inconsistent with the intent of the 1981–83 appropriations act. In addition, the provision, which does not apply to other community colleges, is unnecessarily restrictive on the effective management of the first new community college district since the creation of the community college system.

Consequently, I have vetoed the proviso beginning after the colon on line 12 down through and including the word "positions" on line 14.

With the exception of the proviso in Section 7, which I have vetoed, the remainder of Substitute House Bill No. 335 is approved.

Respectfully submitted,
JOHN SPELLMAN, Governor.

May 18, 1981

To the Honorable,
The House of Representatives
of the State of Washington
Ladies and Gentlemen:

I am returning herewith without my approval, HOUSE BILL NO. 371, entitled:

AN ACT Relating to shoreline management policy as applied to forest practices.

The state's Forest Practices Act was enacted in 1974. That act recognized the power of local governments to regulate forest practices in shoreline areas under the authority of the Shoreline Management Act of 1971. Then, in 1975, by amendments to the Forest Practices Act, the power of local governments to regulate forest practices in shoreline areas was eliminated, and their power to control logging road construction was significantly reduced. Thereafter, however, the State Supreme Court invalidated the 1975 amendments because the form of their enactment was unconstitutional. House Bill No. 371 is a reenactment of the substance of the amendments.

I have evaluated the relationship of local governments and the Forest Practices Board to the control of forest practices in shoreline areas under both the 1974 act and the 1975 amendatory version. I have concluded that the 1974 version strikes the better balance in terms of both the allocation of governmental powers between the Forest Practices Board and local governments, and the achievement of the objectives of the Shoreline Management Act. I have, therefore, vetoed House Bill No. 371.

Respectfully submitted,
JOHN SPELLMAN, Governor.

may 19, 1981

To the Honorable,
The House of Representatives
of the State of Washington
Ladies and Gentlemen:

I am returning herewith without my approval as to part, SUBSTITUTE HOUSE BILL NO. 397, entitled:

AN ACT Relating to property.

This is a comprehensive and laudable effort to define the relationship between landlords and mobile home tenants. There are two topics, however, that cause me some concern.

Section 3 and Sections 6 through 16 establish new and significantly different procedures for declaring mobile homes abandoned and for disposing of them. While we may need new abandonment procedures, I feel these provisions need more study; existing law is sufficient in the meantime.

Sections 23 through 31 would require the Department of Licensing to impose and collect an annual excise tax on certain travel trailers and/or campers. This includes the collection of back taxes even if a vehicle has not been in use on the highways of the state and ownership has changed. This imposes an unfair obligation on the purchaser of such vehicle in that he/she might not be aware of such obligation until after the change in ownership has taken place. Further, the manpower required to enforce these changes exceeds the revenue gained from enforcement.

With the exception of Sections 3, 6 through 16, and 23 through 31, House Bill No. 397 is approved.

Respectfully submitted,
JOHN SPELLMAN, Governor.

For Veto Message on SUBSTITUTE HOUSE BILL NO. 467, see page 1434.

To the Honorable,
The House of Representatives
of the State of Washington
Ladies and Gentlemen:

I am returning herewith without my approval as to Section 2 and Section 4, HOUSE BILL NO. 493, entitled:

AN ACT Relating to real property and deeds of trust.

Section 2 restates verbatim the current statute (RCW 62.24.020) and is therefore superfluous.

Section 4 strikes the following sentence from law: "The trustee may not bid at the trustee's sale." Striking this sentence is inconsistent with keeping RCW 62.24.010. I have therefore vetoed Section 4.

With the exception of Sections 2 and 4, which I have vetoed, the remainder of House Bill No. 493 is approved.

Respectfully submitted,
JOHN SPELLMAN, Governor.

To the Honorable,
The House of Representatives
of the State of Washington
Ladies and Gentlemen:

I am returning herewith without my approval, HOUSE BILL NO. 537, entitled:

AN ACT Relating to occupational drivers licenses.

The Implied Consent Law, passed by the voters of this state in 1969, provides that a person's privilege to drive is conditioned on a promise to take a breathalyzer test when suspected of driving under the influence of alcohol. Failure to take the test results in a six-month loss of license.

House Bill No. 537 would undermine the Implied Consent Law. It would permit persons who refuse the breathalyzer and who subsequently are found guilty of DWI to apply for an occupational driver's license. Ironically, those who were acquitted of the charges could not apply for the occupational permit.

If we are to have an Implied Consent Law—and I believe we should—we must enforce it. There must be a clear consequence to refusing the breathalyzer or the Implied Consent Law will be intolerably weakened.

I have, therefore, vetoed House Bill No. 537.

Respectfully submitted,
JOHN SPELLMAN, Governor.

May 14, 1981

To the Honorable,
The House of Representatives
of the State of Washington
Ladies and Gentlemen:

I am returning herewith without my approval as to Section 1 (1), and Section 3, SECOND SUBSTITUTE HOUSE BILL NO. 628, entitled:

AN ACT Relating to residential schools.

This bill would establish a special procedure for deinstitutionalizing mentally retarded residents of the state residential schools for the next two years.

I am very sensitive to the concerns of the parents who advocated the passage of this bill. The changes that have come about in recent years in the treatment of the mentally retarded have been controversial and often upsetting to those most closely involved, both lay and professional.

I am not convinced, however, that the procedure for decision-making and appeal outlined in Section 1(1) is going to solve the problem—and it may raise other problems. I am willing, though, to ask for a "trial run." I have therefore directed Alan J. Gibbs, Secretary of the Department of Social and Health Services, to freeze disputed placements for a period of six

months. I have also directed him to examine placement practices during this period and report to me prior to the next legislative session.

For the reasons outlined above, I have vetoed Section 1(1) and Section 3. The remainder of Second Substitute House Bill No. 628 is approved.

Respectfully submitted,
JOHN SPELLMAN, Governor.

May 18, 1981

To the Honorable,
The House of Representatives
of the State of Washington
Ladies and Gentlemen:

I am returning herewith without my approval as to Section 1, SUBSTITUTE HOUSE BILL NO. 650, entitled:

AN ACT Relating to school districts.

Section 1 of the bill removes the phrase "necessary or proper to carry out the functions of a school district." As a result, school districts could not use funds to finance any school facility for which there is not specific authority in law. Surprisingly, without this phrase there is no other law that gives school districts definite authority to acquire and construct the broad range of facilities required to carry out many essential school district functions. Without the authority of the "necessary and proper" phrase, school districts may not be able to finance construction of school buildings through the issuance of bonds.

With the exception of Section 1, which I have vetoed, the remainder of Substitute House Bill No. 650 is approved.

Respectfully submitted,
JOHN SPELLMAN, Governor.

April 23, 1981

To the Honorable,
The House of Representatives
of the State of Washington
Ladies and Gentlemen:

I am returning herewith without my approval as to one section, HOUSE BILL NO. 681, entitled:

AN ACT Relating to medical devices and equipment.

I am vetoing Section 2 in order to allow the normal rules of statutory construction to apply.

With the exception of Section 2, which I have vetoed, the remainder of House Bill No. 681 is approved.

Respectfully submitted,
JOHN SPELLMAN, Governor.

May 14, 1981

To the Honorable,
The House of Representatives
of the State of Washington
Ladies and Gentlemen:

I am returning herewith without my approval, HOUSE BILL NO. 697, entitled:

AN ACT Relating to petitioning local government officials.

This bill would eliminate, for all practical purposes, the "appearance of fairness doctrine" with respect to deliberations of local legislative bodies. This doctrine has served a useful purpose in this state and has helped establish public confidence in the actions of local officials.

While some modifications of the doctrine may be needed, elimination of such a basic concept as appearance of fairness is not in the public interest. I have, therefore, vetoed House Bill No. 697.

Respectfully submitted,
JOHN SPELLMAN, Governor.

To the Honorable,
The House of Representatives
of the State of Washington
Ladies and Gentlemen:

I am returning herewith without my approval, HOUSE BILL NO. 705, entitled:
AN ACT Relating to local government.

House Bill No. 705 would prohibit code cities from owning, operating or controlling cable television systems under certain circumstances. In my view, this would unwisely hamper the ability of local governments to ensure quality cable service to their communities. For that reason, I have vetoed House Bill No. 705.

Respectfully submitted,
JOHN SPELLMAN, Governor.
