Voting yea: Representatives Addison, Allen, Ballard, Barnes, Barrett, Baugher, Betrozoff, Bond, Brooks, Chandler, Dobbs, Doty, Fuhrman, Hankins, Hargrove, Hastings, Holland, Isaacson, Lewis, Long, Lundquist, Madsen, May, Miller, Nealey, Nelson G, Padden, Patrick, Prince, Sanders, Schmidt, Schoon, Silver, Smith C, Smith L, Taylor, Thomas, Tilly, van Dyke, Van Luven, Vander Sloep, Walker, West, Williams B, Williams J, Wilson S, Winsley - 47.

Voting nay: Representatives Appelwick, Armstrong, Basich, Belcher, Braddock, Brekke, Bristow, Brough, Cole, Crane, Day, Dellwo, Ebersole, Fisch, Fisher, Gallagher, Grimm, Haugen, Hine, Jacobsen, King J, King P, King R, Kremen, Leonard, Locke, Lux, McMullen, Nelson D, Niemi, Nutley, O'Brien, Peery, Rayburn, Rust, Sayan, Scott, Smitherman, Sommers, Sutherland, Tanner, Todd, Unsoeld, Valle, Vekich, Walk, Wang, Wilson K, Wineberry, Zellinsky, and Mr. Speaker - 51.

Mr. Barrett moved adoption of the following amendment:

On page 1 in the "NOW, THEREFORE BE IT RESOLVED" paragraph beginning with subsection (1), strike all material through subsection (11) on page 3.

Mr. Barrett spoke in favor of the amendment, and Ms. Leonard spoke against it.

#### POINT OF INQUIRY

Ms. Belcher yielded to question by Mr. Sanders.

Mr. Sanders: "Representative Belcher, on page 2 of this resolution, (5), it says, 'Requiring all state agencies if constructing a new public building, doing major renovation on an existing building, or leasing a building....' look for '...appropriate areas for day care facilities.' That's a quote from a bill that's before the State Government Committee. Do you plan on also studying that issue during the interim?"

Ms. Belcher: "It would not be my plan to do a separate study of the issue, no. I'm assuming the issue will be covered in this resolution. I've met with the Chair of the Social & Health Services Committee, and it was the understanding that her committee would include that as part of the study."

Mr. Sanders: "Now this bill is still before the State Government Committee, so we would have an active bill before the State Government Committee, but we would also have the same issue in front of the Social & Health Services Committee?"

Ms. Belcher: "It is my understanding that bill died because it did not move out of committee on Friday, so I don't consider that an active bill."

Mr. Sanders: "Isn't that bill active for two years? It doesn't die until it's voted down and until a new legislature is elected."

## SPEAKER'S ADMONITION (MR. O'BRIEN PRESIDING)

The Speaker (Mr. O'Brien presiding): "I don't think the question has anything to do with this resolution. If you want to talk about the amendment, go ahead. This amendment is actually out of order, but go ahead and talk about it."

## POINT OF ORDER

Mr. Barrett: "I ask the reason for your comment just now that the amendment is out of order."

The Speaker (Mr. O'Brien presiding): "Why? We didn't stop you; we didn't raise a point of order when this amendment was raised, but the House had already acted to hold this language when the amendment to strike it all failed. Under Reed's Rules we are allowing it because it wasn't timely raised. We are allowing you to discuss the amendment."

Mr. Sanders spoke in favor of the amendment.

The amendment was not adopted.

The Speaker (Mr. O'Brien presiding) stated the question before the House to be the adoption of House Resolution No. 85-34.

Representatives Fisher and Barnes spoke in favor of the resolution.

#### POINT OF INQUIRY

Mr. Fisch yielded to question by Mr. Lundquist.

Mr. Lundquist: "Representative Fisch, to clarify the situation, I would like you to respond to a two-part question. Those people who sign the petition to form a new county, are those people from the entire county or are they only the people from the county which is to be formed?"

Mr. Fisch: "Representative Lundquist, the measure provides that only the people from the area affected would sign the petition."

Mr. Lundquist: "That is only those people who reside within the county which is to be formed?"

Mr. Fisch: "That is correct. Those petitions, according to the amendment we voted on the other day, would be arranged by precincts and then it would be left to the legislature to decide what would be included in the new county. The legislature would draw the lines for the new county, taking into account, I would assume, whether or not there was much support for the new county according to the signatures."

Mr. Lundquist: "Those people who vote on the final referendum, or the final vote on the formation of the county, the people who vote would be those people who reside within the county which is to be formed?"

Mr. Fisch: "That is correct."

#### POINT OF INQUIRY

Mr. Wineberry yielded to question by Mr. Vander Stoep.

Mr. Vander Stoep: "Representative Wineberry, reading the definition of 'distressed areas' in this bill, I see that it says, distressed counties are those that have an unemployment rate which is twenty percent lower than the state average, and it says, '...an area within a county, which area is composed of contiguous census tracts, has a minimum population of five thousand persons, has at least seventy percent of its families and unrelated individuals with incomes below eighty percent of the county's median income for families and unrelated individuals, and has an unemployment rate which is at least forty percent higher than the county's unemployment rate.' I wonder if you could give some examples of where this language came from and to what areas of the state it might apply?"

Mr. Wineberry: "First of all, the language has come from an effort to define the distressed areas so that it will benefit the maximum number of poor and unemployment areas throughout the entire state without emphasizing rural areas to the exclusion of urban or vice versa. This definition would include areas in the southwest part of Washington, as well as in urban Seattle, and includes Spokane, as well as urban areas like Tacoma. It is a definition that does its best to include as many economically distressed areas with high unemployment, regardless of their population characteristics."

Mr. Vander Stoep: "The language at the beginning of the sections says, 'Unless the context clearly requires otherwise...' and then it goes on to describe the distressed areas. I'm wondering if this language is necessary, given that exemption, that allowance for the governor to define the distressed areas?"

Mr. Wineberry: "I believe it is because what we are doing is giving direction to some of the local municipalities as well as the very board that this legislation creates in terms of what areas will be earmarked for the loan."

"NEW SECTION. Sec. 1. A new section is added to chapter 43.160 RCW to read as follows:

The legislature recognizes that in order to attract new industry to the state of Washington, and to encourage significant expansion of industries already here, it is often necessary to construct or improve public works facilities. To that end, the legislature, in 1982, created the community economic revitalization board and subsequently established a program of loans and grants to political subdivisions to enable construction and improvement of such facilities. This program has made a significant contribution toward stimulating economic development within the state.

The legislature now finds that the state's economic development efforts can be further enhanced by, in certain instances, providing funds to improve state highways in the vicinity of

new industries considering locating in this state or existing industries that are considering significant expansion.

The legislature finds it desirable to provide a process whereby the need for diverse public works improvements necessitated by planned economic development can be addressed in a timely fashion and with coordination among all responsible governmental entities.

It is the intent of the legislature to create an economic development account within the motor vehicle fund from which expenditures can be made by the department of transportation for state highway improvements necessitated by planned economic development. All such improvements must first be approved by the state transportation commission and the community economic revitalization board in accordance with the procedures established by sections 5 and 6 of this act. It is further the intent of the legislature that such improvements not jeopardize any other planned highway construction projects. The improvements are intended to be of limited size and cost, and to include such items as additional turn lanes, signalization, illumination, and safety improvements.

Sec. 2. Section 3, chapter 40, Laws of 1982 1st ex. sess. as amended by section 2, chapter 60, Laws of 1983 1st ex. sess. and RCW 43.160.030 are each amended to read as follows:

Please continue, Representative Appelwick."

#### POINT OF PERSONAL PRIVILEGE

Mr. Vander Stoep: "If I read the rules right, a point of personal privilege applies to those affecting the rights of the House collectively, and its safety, dignity and integrity in proceedings. Therefore, I would like to speak on a point of personal privilege.

"I would like this House to know that I have never, in the four years that I have been here on the floor of the House, taken money from PAC, business, labor or otherwise. I, for one, deeply resent the implications that have been raised by a number of the previous speakers that those who are voting against this bill are doing so for reasons other than they don't think it's good public policy. Mr. Speaker, I think you, as a presiding officer of this body, ought to watch very carefully the implications that have been made on the floor of this House as to the motives of the members. I would hope that future speakers would refrain from impugning the integrity of this body."

#### SPEAKER'S RULING

The Speaker: "Representative Vander Stoep, under point of personal privilege, if you feel members on either side of the aisle or any member on the floor is impugning your motives, that's fine. I cannot make any judgment as Speaker whether or not it impugns others. That is an individual decision."

#### STATEMENT FOR THE JOURNAL

It was my intention to vote in favor of House Bill No. 268.

PAUL SANDERS, 48th District.

SECOND SUBSTITUTE HOUSE BILL NO. 738, by Committee on Ways & Means (originally sponsored by Representatives Vekich, J. King, McMullen, Tanner, Ebersole and Sayan)

Establishing a community revitalization team.

The bill was read the third time and placed on final passage.

Mr. Vekich spoke in favor of passage of the bill.

#### POINT OF INQUIRY

Mr. Vekich yielded to question by Ms. Silver.

Ms. Silver: "In the bill I notice that this requires a technical and business assistance, and the bill would identify emerging problems. It will also examine the health of the community; it will look at CERB promotions; it will convene meetings, conduct workshops, revitalize stagnant communities. Could you tell me, with the stature of this bill, what is in this bill that the governor cannot already do?"

Mr. Vekich: "I guess if we want to shirk our responsibilities and let the governor's office, the executive branch, do things on their own without legislative input, I guess we could let them do all these things. I don't think there's a whole lot that couldn't be done if the governor's office really wanted to do it. I think he probably does want to do it; however, I think it's our responsibility as elected representatives of the public, to put into statute and to make it a clear policy declaration that we want this sort of approach, that we want a team approach and we're going to pass this bill. I have little doubt that some of these things could not have been done by the governor's office, but I also feel that it is important for us to make this a clear statement of policy and to put this into effect."

Ms. Silver spoke against passage of the bill.

#### POINT OF INQUIRY

Mr. Vekich yielded to question by Mr. Vander Stoep.

Mr. Vander Stoep: "Representative Vekich, I listened to your answer to the learned lady from Spokane's question and you said that the governor needs a clear policy direction. In reading section 3 of this bill--and before we get into what the team will do--the team is only given charge that the team shall have the ability to do all of the following things. I'm not quite sure this is a very clear policy direction. I wonder, again, if you could explain to the body what this bill directly empowers or orders be done that the governor can't do now?"

Mr. Vekich: "One of the things that has happened is there may be a time when this bill needs an appropriation. If there is an appropriation that is directed at this program with a reference in the budget, or if there's a reference in the budget, it might help if we had a bill that could implement what is referenced in the budget."

Mr. Vander Stoep spoke against passage of the bill.

## POINT OF INQUIRY

Mr. Vekich yielded to question by Mr. Addison.

Mr. Addison: "Representative Vekich, on page 4, line 9 there is a reference to 'the agency,' and within the definition section there is not a definition for 'the agency.' I was wondering if you could, for legislative intent, help us out with that?"

Mr. Vekich: "Lead agency, insofar as sponsor intent, is supposed to be the Department of Community Development, as I mentioned in my opening remarks. That is the agency that is referred to when the bill states 'the agency.' It is identified, I believe, as the lead agency in the bill."

Mr. Addison: "In that context, subsection (4) says, 'If funds to be spent in distress areas are not used by February 1 of the second year of the biennium or not requested for use by the director, then these funds shall be released for use by the agency under the activities for which they were generally intended.' It's not clear to me. If the director is the director of the agency which is defined in the definition section, why would they need the authority to release these funds under this bill, if the agency is Community Development? It's a circulation situation."

Mr. Vekich: "I think that section is in the bill to allow some sort of accountability and basically to have reports back on the progress of this program."

Mr. Addison: "I, too, like legislative oversight and reporting, but I'm still not clear why the director would need the authority to release the funds. Why doesn't he have the authority to release funds anyway?"

Mr. Vekich: "I don't know; I'll get back to you."

Representatives Schoon, B. Williams and May spoke against passage of the bill, and Representatives J. King, McMullen and Addison spoke in favor of it.

Mr. Vekich spoke again in favor of the bill.

## ROLL CALL

The Clerk called the roll on the final passage of Second Substitute House Bill No. 738, and the bill passed the House by the following vote: Yeas, 67; nays, 29; absent, 1; excused, 1.

Voting yea: Representatives Addison, Appelwick, Armstrong, Barnes, Basich, Baugher, Belcher, Braddock, Brekke, Bristow, Brooks, Cole, Crane, Day, Dellwo, Ebersole, Fisch, Fisher, Gallagher, Grimm, Hankins, Hargrove, Haugen, Hine, Jacobsen, King J. King P, King R, Kremen, Leonard, Lewis, Locke, Long, Lundquist, Lux, Madsen, McMullen, Miller, Nelson D, Niemi, Nutley, O'Brien, Peery, Rayburn, Rust, Sayan, Schmidt, Scott, Sitherman, Sommers, Sutherland, Tanner, Taylor, Todd, Unsoeld, Valle, Vekich, Walk, Walker, Wang, West, Wilson K, Wilson S, Wineberry, Winsley, Zellinsky, and Mr. Speaker - 67.

Voting nay: Representatives Allen, Ballard, Barrett, Betzoff, Bond, Brough, Chandler, Dobbs, Doty, Fuhrman, Hastings, Holland, May, Nealey, Nelson G, Padden, Patrick, Prince, Sanders, Schoon, Silver, Smith C, Smith L, Tilly, van Dyke, Van Luven, Vander Stoep, Williams B, Williams J - 29.

Absent: Representative Isaacson - 1.

Excused: Representative Thomas - 1.

Revising provisions relating to law enforcement officers and fire fighters.

The bill was read the third time and placed on final passage.

Representatives Wang, Barrett, Sayan and Patrick spoke in favor of passage of the bill, and Representatives Silver and C. Smith spoke against it.

#### POINT OF INQUIRY

Mr. Patrick yielded to question by Mr. C. Smith.

Mr. C. Smith: "Representative Patrick, you have worked with Representative Sayan on what was called a compromise; however, many times in these compromises, the small cities are overlooked. I've had calls from such cities as Ellensburg, Moses Lake, Ephrata, Quincy, those small towns in our area. Are they ever considered in this model? They all say it's going to cost them money. Is this the fine tuning you are talking about? How are they going to get that money?"

Mr. Patrick: "Representative Smith, we did discuss the issue of small cities, but we were unable to come up with language to deal with small cities specifically. I believe, though, that the impact is minimal. We could work on this problem with the Senate and perhaps come up with some language that would meet their particular needs."

Representatives C. Smith and Silver again opposed passage of the bill, and Representative Brooks spoke in favor of it.

Mr. Sayan spoke again in favor of the bill, and Representatives L. Smith and B. Williams spoke against it.

#### POINT OF INQUIRY

Mr. Sayan yielded to question by Mr. Schoon.

Mr. Schoon: "Representative Sayan, in the event that a disabled worker does not have any sick leave to accrue and the supplemental amount that he would normally get if he had accrued--the employer then continues the payments and his amount is reduced by that portion?"

Mr. Sayan: "We did address that issue and what happened is: To augment that portion that you are anticipating is that employees give up on the front end, two more days without the city making any contribution at all. If you look at a simple model of the people involved, you will find then that out of a hundred people the

curve dropped dramatically within thirty days, so you have every one of those employees donating an additional two days. The reason they did that is that there would be, out there on the other end, possibly--not likely, but possibly--an individual whose compensation dropped by one-fourth day because his time has run out, but the city will continue his one-quarter contribution of that supplemental one-quarter day. To make a quick pro quo, all of the employees--that's ninety percent of the original body, not the ten percent that might go to six months--are contributing two additional days of sick leave on their own and the cities are not contributing."

Mr. Schoon spoke against passage of the bill.

Mr. Crane demanded the previous question and the demand was sustained.

#### MOTION

Mr. Padden moved that further consideration of Substitute House Bill No. 435 be deferred and the bill be placed at the bottom of the third reading calendar.

The Speaker (Ms. Hine presiding): "Representative Padden, the motion that you are proposing is a secondary motion. The motion to stop debate and vote on the issue had passed and we are now in the process of voting on that. A motion to defer consideration is of lower rank and, therefore, is not appropriately put."

Mr. Wang closed debate, speaking again in favor of the bill.

Mr. Dellwo yielded to question by Ms. Schmidt.

Ms. Schmidt: "Representative Dellwo, the purpose of the amendments is to take care of the situation which would prohibit the installation of logo signs at any location where there would be a conflict of existing signs?"

Mr. Dellwo: "If I understand you correctly, the purpose of the amendments would be to comply with the federal act that would require certain stations. It would require no accumulation of large numbers of signs."

Ms. Schmidt: "Does it also address, based on the current signs that are there?"

Mr. Dellwo: "Those would definitely have to be taken into consideration."

Ms. Schmidt spoke against the amendments, and Mr. Taylor spoke in favor of them.

The amendments were adopted.

Mr. Dellwo moved adoption of the following amendment by Representatives Dellwo, Barrett, Taylor and Day:

On page 3, after line 9 insert the following:

"NEW SECTION. Sec. 1. A new section is added to chapter 47.42 RCW to read as follows:

If the secretary of the United States department of transportation finds any part of this chapter to be in conflict with federal requirements that are a prescribed condition to the allocation of federal funds to the state, the conflicting part of this chapter is hereby declared to be inoperative solely to the extent of the conflict and with respect to the agencies directly affected, and such finding or determination shall not affect the operation of the remainder of this chapter in its application to the agencies concerned. The rules under this chapter shall meet federal requirements that are a necessary condition to the receipt of federal funds by the state."

Representatives Dellwo and Schmidt spoke in favor of the amendment.

#### POINT OF INQUIRY

Ms. Schmidt yielded to question by Mr. Prince.

Mr. Prince: "Representative Schmidt, what is the real intent? Would the signs go up first and be taken down if the federal government doesn't agree or would they determine whether or not they were legal before they go up?"

Ms. Schmidt: "Representative Prince, when I spoke to the Department of Transportation today, they indicated it is their intent not to put any signs up until they receive federal highway administration approval; that way we would not lose state funding and they would go along with this, so they do not intend to put the signs up first and wait to see what happens."

The amendment was adopted.

On motion of Mr. Dellwo, the following amendment to the title of the bill was adopted:

On line 2 of the title after "adding" strike "a new section" and insert "new sections"

The bill was ordered engrossed. On motion of Mr. Appelwick, the rules were suspended, the second reading considered the third, and the bill was placed on final passage.

(1) As used in this section, the following definitions shall apply:

(a) 'Manufacturing' means all activities of a commercial or industrial nature in which labor or skill is applied, by hand or machinery, to materials so that a new, different, or useful substance or article of tangible personal property is produced for sale or commercial or industrial use. The term includes the production of computer software, other computer-related services, and the activities performed by research and development laboratories and commercial testing laboratories; and

(b) 'Wetland' means that land extending landward for two hundred feet in all directions as measured on a horizontal plane from the 'ordinary high water mark,' as that term is defined in RCW 90.58.030; 'floodways,' as that term is defined in RCW 90.58.030, and the adjacent land extending landward two hundred feet from such floodways; and all marshes, bogs, swamps, and river deltas associated with streams, lakes, and tidal waters.

(2) A port district may designate, in its comprehensive scheme of harbor improvement or industrial development on property owned or controlled through a long-term lease, environmentally suitable sites for the purpose of expediting the location of manufacturing plants and facilities not having a probable significant, adverse environmental impact under chapter 43.21C RCW. The designation of any such site is subject to environmental review under chapter 43.21C RCW.

(3) An environmentally suitable site designation shall be applied only to lands meeting the following criteria:

(a) There exists an adopted comprehensive scheme of harbor improvement or industrial development that designates the land for manufacturing use; and

(b) The land is not within the jurisdiction of the Shoreline Management Act of 1971, chapter 90.58 RCW, and is not a wetland.

(4) The designation shall include performance standards or criteria specifying the nature or size of manufacturing plants, facilities, or processes that may be suitable for the site. Standards or criteria may be used to specify improvements that would be needed in connection with locating any manufacturing plant or facility.

(5) Each port district that intends to designate an environmentally suitable site shall do so in accordance with the procedures set forth in this chapter and local codes. After completing the environmental review process and making a decision on the proposed designation, the port district shall transmit notice of the proposed designation and a map of the site to the department of ecology and the department of commerce and economic development. Within sixty days after receiving this notice, the department of ecology shall review and may prohibit all or any portion of the proposed designation for failure to comply with the requirements of this section. The designation shall be final for any portion of the proposed designation not so prohibited.

(6) Any proposed action to locate a manufacturing plant or facility that meets the criteria established under subsection (4) of this section in a site designated under subsection (5) of this section shall be considered a 'qualified project.' The determination as to whether a proposed action is a qualified project shall be made by the planning director or other appropriate official or agency of the port district where the plant or facility would be located. The applicant for designation of a qualified project shall provide any information necessary to make any such determination.

(7) The port district may adopt procedures or fees to review and designate qualified projects and to coordinate this process with other local procedures. The port district may also establish a system for imposing mitigation fees and charges on such manufacturing plants and facilities to finance all or part of any public improvements as authorized by chapter 43.21C RCW and other applicable state laws or local ordinances.

(8) Nothing in this section may be construed as exempting a qualified project from the environmental review process under chapter 43.21C RCW or from any state or local planning, zoning, nuisance, permit, performance standard, or development requirement. This section

shall not restrict public or private entities from using phased review, or nonproject or other environmental documents, as directed or authorized by RCW 43.21C.110.

(9) To facilitate review and evaluation of the program authorized under this section, each application for a qualified project designation and the decision rendered on each such application shall be transmitted to the director of the department of ecology, who shall make an annual report to the legislature on the operation of the program.

(10) This section shall expire on July 1, 1988."

#### SPEAKER'S RULING

"NEW SECTION, Sec. 2. A new section is added to chapter 48.30 RCW to read as follows:

#### SPEAKER'S RULING

The Speaker: "Having reviewed Substitute House Bill 41 and the proposed amendment, the Speaker finds again that the bill deals with establishing definitions and the amendment expands that, and is outside the scope and object. Your point is well taken, Representative Barrett."

Mr. West moved adoption of the following amendment:

On page 2, after line 8, insert the following:

"NEW SECTION, Sec. 2. The definitions set forth in this section apply throughout this chapter unless the context requires otherwise.

(1) 'Supplementary rate information' includes a manual or plan of rates, classification, rating schedule, minimum premium, policy fee, rating rule, and any other similar information needed to determine the applicable rate.

(2) 'Rate service organization' means a person or organization, other than a single insurer and those entities listed in subsection (4) of this section, who assists insurers by compiling and furnishing loss or expense statistics and recommending, making, or filing rates, forms, or supplementary rate information.

(3) 'Advisory organization' means a person or organization, other than a single insurer and those entities listed in subsection (4) of this section, who assists insurers or rate service organizations in making rates by compiling and furnishing loss or expense statistics or other statistical information and data or by submitting recommendations regarding rates, forms, or supplementary rate information and who does not make rate filings under this chapter.

(4) The terms 'rate service organization' and 'advisory organization' do not include a joint underwriting association, an actuarial or legal consultant, an employee of an insurer, or insurers under common control or management or their employees or manager.

(5) 'Inland marine insurance' includes insurance defined as inland marine insurance by statute or interpretation thereof, or, if not so defined by statute, by ruling of the insurance commissioner or by general custom of the business.

(6) 'Subscriber' means any insurer who employs the services of a rate service organization for the purpose of making filings, regardless of whether the insurer is a member of the rate service organization.

This chapter does not govern or affect the membership relation between a rate service organization and insurers who are its members.

NEW SECTION, Sec. 3. (1) Except as otherwise expressly provided by subsection (2)(i) of this section, this chapter takes precedence over chapter 48.19 RCW.

(2) Except as otherwise expressly provided, the provisions of this chapter apply to all insurance upon subjects located, resident, or to be performed in this state except:

(a) Life insurance;

(b) Disability insurance;

(c) Reinsurance, except for joint reinsurance;

(d) Insurance against loss of or damage to aircraft, or aircraft hulls, accessories, or equipment, or against liability arising out of the ownership, maintenance, or use of aircraft;

(e) Insurance of vessels or craft, their cargoes, marine builders' risks, marine protection and indemnity, and such other risks commonly insured under marine, as distinguished from inland marine, insurance contracts;

(f) Title insurance;

(g) Worker's compensation and employers' liability insurance written in connection with worker's compensation;

(h) Residual markets and credit property insurance, including vendor's single interest physical damage insurance if the buyer pays a separate charge for insurance; and

(i) Any line of insurance sold in this state which the commissioner, after hearing, finds to be in a market without substantial and direct competition both in rates and in availability in such line of insurance throughout this state. Upon such a finding by the commissioner, the line of insurance shall be regulated under chapter 48.19 RCW. In addition, any insurer that intends to withdraw from the market in this state for any line of insurance shall notify the commissioner not less than six months before withdrawal, and any changes in rates made during the six-month period before withdrawal shall be regulated under chapter 48.19 RCW.

**NEW SECTION.** Sec. 4. (1) Rates shall not be excessive, inadequate, or unfairly discriminatory, nor shall an insurer charge any rate which if continued would have or tend to have the effect of destroying competition or creating a monopoly.

(2) For the purposes of this chapter, no rate shall be considered excessive or unfairly discriminatory in a competitive market if a reasonable degree of price competition exists at the consumer level in the line of business to which the rate applies. A reasonable degree of price competition in a given line of business is presumed to exist if insurers are actively engaged in that line of business in this state, insurance is available from more than three insurers to place any risk, and there are rate differentials.

Rates are excessive in a noncompetitive market that is regulated under chapter 48.19 RCW if they are likely to produce a long range underwriting profit that is unreasonably high for the class of business or if expenses are unreasonably high in relation to the services rendered.

(3) Rates are inadequate if they are clearly insufficient to sustain projected losses and expenses in the class of business to which they apply.

(4) Rates are not unfairly discriminatory in a noncompetitive market that is regulated under chapter 48.19 RCW if they equitably reflect with reasonable accuracy the differences in expected losses and expenses, produce different premiums for policyholders with like loss exposures but different expense factors or like expense factors but different loss exposures, and if they are averaged broadly among persons insured under a group, franchise, or blanket policy.

(5) The provisions of this section relating to rates that are excessive or unfairly discriminatory shall not supersede existing laws, including but not limited to, remedies available under chapter 19.86 and 48.30 RCW.

**NEW SECTION.** Sec. 5. A competitive market is presumed to exist unless the commissioner after notice and hearing determines that a reasonable degree of competition does not exist and issues a ruling to that effect. Such ruling shall expire one year after its issuance unless rescinded earlier by the commissioner. The commissioner shall consider the market share and other relevant structural factors set forth in section 4 of this act. If the commissioner determines that competition is absent, the commissioner shall order the line of insurance exempt from this chapter under section 3 (2) (1) of this act for a period of not more than one year. Any rate in effect at the time the commissioner determines that competition does not exist shall be deemed to comply with the laws of this state unless disapproved under the procedures and standards set forth in chapter 48.19 RCW.

**NEW SECTION.** Sec. 6. (1) Other than inland marine risks which generally are not written according to manual rates and rating plans, each authorized insurer or rate service organization designated by an insurer for the filing of rates under section 9(2) of this act shall file with the commissioner all rates and supplementary rate information and all changes and amendments thereto, for use in this state, on or before their effective date.

(2) Upon written consent of the insured stating the reasons therefor, a rate which exceeds that provided by an otherwise applicable filing may be used on a specific risk if the rate is filed with the commissioner under subsection (1) of this section.

**NEW SECTION.** Sec. 7. Each filing, including rates and supplementary rate information, under this chapter shall be open to public inspection at any reasonable time after filing. Copies may be obtained by any person upon request and payment of a reasonable charge.

**NEW SECTION.** Sec. 8. Upon written request of a policyholder or a prospective policyholder, an insurer or its agent or its broker shall disclose on a form developed by the commissioner its coverage and rates for private passenger automobile, residential fire, and homeowner insurance policies.

**NEW SECTION.** Sec. 9. (1) An insurer may establish rates and supplementary rate information using the recommendations of an advisory organization, if desired, or using rates and supplementary rate information prepared by a rate service organization, with average expense factors determined by the rate service organization or modified by the insurer to allow for its own expense and loss experience.

(2) An insurer may discharge its filing obligation under section 6 of this act by giving notice to the commissioner that it uses rates and supplementary rate information prepared by a designated rate service organization. The notice shall also inform the commissioner about any modifications which are made under subsection (1) of this section. The insurer's rates and supplementary rate information shall be the latest rates filed by the rate service organization and shall include any amendments which have been filed, subject, however, to the modifications filed by the insurer.

(3) Licensed rate service organizations, advisory organizations, and admitted insurers may exchange information and experience data with other rate service or advisory organizations or insurers in this or another state and may consult with them regarding rate-making.

**NEW SECTION.** Sec. 10. If the commissioner disapproves a rate, he or she shall issue an order within thirty days of the hearing specifying the manner in which the rate filings fail to meet the requirements of this chapter. The order shall state an effective date on which the use of such rates shall be discontinued which shall be as soon as practicable after entry of the

order. The order shall not affect any policy made or issued before the effective date of the order.

**NEW SECTION.** Sec. 11. If an order of disapproval is appealed, the insurer may implement or continue to use the disapproved rate upon notification to the court. Any excess of the disapproved rate over a rate previously in effect shall be put in a reserve established by the insurer. The court shall have control over the disbursement of funds from such reserve. If the court upholds the commissioner's finding that the rate charged was excessive, the funds shall be distributed as determined by the court in its final order. De minimus refunds to policyholders shall not be required.

**NEW SECTION.** Sec. 12. (1) No rate service organization may provide any service relating to the rates of any insurance subject to this chapter, and no insurer may use the service of a rate service organization for these purposes, unless the organization has obtained a license from the commissioner.

(2) No rate service organization may refuse to supply any services for which it is licensed in this state to any insurer authorized to do business in this state that offers to pay the fair and usual compensation for the services.

(3) Any person, whether domiciled within or outside this state, except as provided in this subsection, may make application to the commissioner for a license as a rate service organization for such kinds of insurance or subdivisions thereof, if for casualty or surety insurances, or for such subdivision, class of risks, or parts or combinations thereof, if for other insurances, as are specified in its application. An applicant shall file together with its application:

(a) A copy of its constitution, its articles of agreement or association, or its certificate of incorporation or trust agreement, and its bylaws, rules, and regulations governing the conduct of its business;

(b) A list of its members and a list of its subscribers;

(c) The name and address of a resident of this state upon whom notices or orders of the commissioner or process affecting such rate service organization may be served; and

(d) A statement of its qualifications as a rate service organization.

(4) Any organization proposing to act as a rate service organization for insurance under standard form fire policies shall be licensed only if the following conditions are met:

(a) The applicant and the operators of the rate service organization shall be domiciled in and shall actually reside in this state;

(b) The ownership of the rate service organization shall be vested in trustees under a trust agreement for all subscribers approved by the commissioner and the organization shall be conducted as a nonprofit public service institution; and

(c) The rate service organization shall not be connected with any insurer, except that an insurer may be a subscriber to its services.

(5) If the commissioner finds that the applicant for a license as a rate service organization is competent, trustworthy, and otherwise qualified to act as a rate service organization and that its constitution, articles of agreement or association, or certificate of incorporation or trust agreement, and its bylaws, rules, and regulations governing the conduct of its business conform to the requirements of law, the commissioner shall, upon payment of a twenty-five dollar license fee, issue a license specifying the kinds of insurance, or subdivisions, class of risk, or part or combination thereof, for which the applicant is authorized to act as a rate service organization. The commissioner shall not issue a license if the proposed activity would tend to create a monopoly or to lessen or to destroy price competition.

(6) The commissioner shall grant or deny in whole or in part every application within sixty days of its filing.

(7) A license issued under this section shall remain in effect until the licensee withdraws from the state or until the license is suspended or revoked.

(8) Every rate service organization shall promptly notify the commissioner of any change in:

(a) Its constitution, charter, articles of agreement or association, or certificate of incorporation or trust agreement, or its bylaws, rules, or regulations governing the conduct of its business;

(b) Its lists of members and subscribers; and

(c) The name and address of the resident of this state designated to receive notices or orders of the commissioner or process affecting the rate service organization.

(9) Any notice of change to a document filed under this section shall be filed promptly. Failure to file a notice of change may result in suspension of the license for the period of non-compliance. Willful or repeated failures to file the notice of change may result in revocation of the license.

(10) No provision of this chapter requires, or may be deemed to require, an insurer to subscribe with or otherwise affiliate with a rate service organization.

**NEW SECTION.** Sec. 13. (1) The commissioner may, after a hearing, suspend or revoke the license issued to a rate service organization if:

(a) The commissioner finds that the licensee no longer meets the qualifications for a license; or

(b) The rate service organization fails to comply with an order of the commissioner within the time specified in the order or an extension granted by the commissioner.

(2) The commissioner shall not suspend or revoke a license for failure to comply with an order until the time prescribed by this chapter for an appeal from such order to the superior court has expired, or if an appeal has been taken, until the order has been affirmed.

(3) The commissioner may determine when a suspension or revocation of license shall become effective. A suspension of license shall remain in effect for the period fixed by the commissioner, until the commissioner modifies or rescinds the suspension, or until the order, failure to comply with which constituted grounds for the suspension, is modified, rescinded, or reversed.

**NEW SECTION.** Sec. 14. (1) The reasonableness of any rule which applies to subscribers, or the refusal of any rate service organization or any advisory organization to admit an insurer as a subscriber, shall, at the request of a subscriber or an insurer, be reviewed by the commissioner at a hearing held upon notice to the rate service organization or the advisory organization and to the subscriber or insurer.

(2) If the commissioner finds that the rule is unreasonable in its application to subscribers, the commissioner shall order that the rule not apply to subscribers who are not members of the rate service organization or the advisory organization.

(3) If a rate service organization or an advisory organization fails to grant or reject an insurer's application for subscribership within thirty days of application, the insurer may request a review by the commissioner as if the application had been rejected. If the commissioner finds that the insurer has been refused admittance to the rate service organization or the advisory organization as a subscriber without justification, the commissioner shall order that the rate service or advisory organization admit the insurer as a subscriber. If the commissioner finds that the action of the rate service organization or the advisory organization was justified, the commissioner shall issue an order affirming the action.

(4) Notice of proposed changes in the rules of any rate service organization or advisory organization shall be given to each subscriber.

**NEW SECTION.** Sec. 15. The subscribers of any rate service organization may at any time, individually or through committees representing various subscribers, consult with the rate service organization regarding matters subject to regulation under this chapter that affect the subscribers.

**NEW SECTION.** Sec. 16. Nothing in this chapter may be construed to prohibit or regulate the payment of dividends, savings, or unabsorbed premium deposits, allowed or returned by insurers to their policyholders, members of mutual insurance companies, or subscribers of reciprocal insurance companies. A plan for the payment of dividends, savings, or unabsorbed premium deposits, allowed or returned by insurers to their policyholders, members of mutual insurance companies, or subscribers of reciprocal insurance companies shall not be deemed a rating plan or system.

**NEW SECTION.** Sec. 17. Each rate service organization shall keep accurate and complete records of all work it performs and of its receipts and disbursements. The rate service organization and its records shall be examined by the commissioner at such times and in such manner as provided under chapter 48.03 RCW, except that the examination shall relate only to the activities conducted under this chapter.

**NEW SECTION.** Sec. 18. Each rate service organization and each insurer which makes its own rates shall, within a reasonable time after receiving a written request and payment of any reasonable charge, furnish to an insured affected by a rate made by the organization or insurer, or to the authorized representative of such insured, all pertinent information regarding such rate.

**NEW SECTION.** Sec. 19. Each rate service organization and each insurer which makes its own rates shall provide reasonable means for any person aggrieved by the application of the rating system to be heard, in person or by authorized representative, upon written request to review the manner in which the rating system was applied to the insurance afforded such person. If the rate service organization or insurer fails to grant or reject the request within thirty days, the applicant may proceed in the same manner as if the application had been rejected. Any party affected by the action of the rate service organization or insurer on such request may, within thirty days after written notice of such action, appeal to the commissioner, who, after a hearing held upon notice to the appellant and to the rate service organization or insurer, may affirm or reverse such action.

**NEW SECTION.** Sec. 20. Each advisory organization, before serving as such to any rate service organization or independent insurer doing business in this state, shall file with the commissioner:

(1) A copy of its constitution, its charter, its articles of agreement or association, or its certificate of incorporation or trust agreement, and a copy of its bylaws, rules, and regulations governing the conduct of its business;

(2) A list of its members and a list of its subscribers;

(3) The name and address of a resident of this state upon whom notices or orders of the commissioner or process issued at the commissioner's direction may be served; and

(4) An agreement that the commissioner may examine the advisory organization under RCW 48.03.010, except that the examination shall only relate to the activities conducted under this chapter.

NEW SECTION. Sec. 21. If, after a hearing, the commissioner finds that the furnishing of information or assistance by an advisory organization involves any act or practice which is unfair, unreasonable, or otherwise inconsistent with the provisions of this chapter, the commissioner may issue a written order specifying the manner in which the act or practice is unfair, unreasonable, or otherwise inconsistent, and requiring that the act or practice be discontinued.

NEW SECTION. Sec. 22. No insurer that makes its own filing nor any rate service organization may support its filings by statistics or adopt rate-making recommendations furnished by an advisory organization that has not complied with this chapter or with any order of the commissioner involving the statistics or recommendations issued under section 21 of this act. If the commissioner finds that the insurer or rate service organization is in violation of this section, the commissioner may issue an order requiring that the violation be discontinued.

NEW SECTION. Sec. 23. (1) The commissioner shall adopt reasonable rules and statistical plans, reasonably adapted to each of the rating systems on file with the commissioner, which may be modified at any time and which shall be followed by each insurer to record and report its loss and nation-wide expense experience. Such reporting enables the commissioner to have access to annual data regarding the experiences of all insurers in such form and detail as is needed to assist the commissioner in determining whether rating systems comply with the standards set forth in section 4 of this act. The rules and plans may also provide for the recording and reporting of expense experience items which are specially applicable to this state and are not susceptible of determination by a prorating of nation-wide expense experience.

(2) In adopting rules and plans under subsection (1) of this section, the commissioner shall give due consideration to the rating systems on file with the commissioner and, so that rules and plans may be as uniform as is practicable among the several states, to the rules and plans used in other states.

(3) No insurer may be required to record or report its loss experience on a classification basis which is inconsistent with the rating system it has filed with the commissioner.

(4) The commissioner may designate one or more rate service organizations or other agencies to assist the commissioner in gathering data under this section and making compilations thereof. The compilations shall be made available, subject to reasonable rules adopted by the commissioner, to insurers and rate service organizations.

(5) Reasonable rules and plans may be adopted by the commissioner for any interchange of data needed for the application of rating plans.

NEW SECTION. Sec. 24. No person may willfully withhold information from, or knowingly give false or misleading information to, the commissioner, a statistical agency designated by the commissioner, a rate service organization, or an insurer, that will affect the rates or premiums chargeable under this chapter.

NEW SECTION. Sec. 25. (1) To ascertain whether lawful rates are being charged, the commissioner may permit the organization and operation of examining bureaus that examine policies, daily reports, binders, renewal certificates, endorsements, and other evidence of insurance or of the cancellation of insurance.

(2) A bureau may examine documents regarding such kinds of insurance as the issuing insurers voluntarily submit for examination.

(3) A bureau shall not operate unless licensed by the commissioner for the kinds of insurance it is permitted to examine. To qualify for a license a bureau shall:

(a) Be owned in trust for the benefit of all insurers regularly using its services, under a trust agreement approved by the commissioner;

(b) Make its services available without discrimination to all authorized insurers applying for such services, subject to reasonable rules, approved by the commissioner, for the obligations of the insurers using its services, the conduct of its affairs, and the correction of errors and omissions in documents it examines;

(c) Have no manager or other employee who is also an employee of an insurer, other than to the extent that bureaus and their employees are owned by insurers through trust agreements; and

(d) Pay to the commissioner a fee of ten dollars for the issuance of a license.

(4) A bureau license shall be of indefinite duration and shall remain in effect until revoked by the commissioner or terminated at the request of the bureau. The commissioner may revoke the license, after hearing, if the bureau:

(a) Is no longer qualified for a license;

(b) Fails to comply with a valid order of the commissioner; or

(c) Violates or knowingly participates in the violation of any provision of this chapter.

(5) Any person aggrieved by any rule, act, or omission of a bureau may appeal to the commissioner. The commissioner shall hold a hearing and issue an order upon the appeal.

(6) Each bureau operating in this state shall be subject to the supervision of the commissioner. The commissioner shall conduct examinations of bureaus as provided in chapter 48.03 RCW or this chapter.

(7) Each examining bureau shall keep adequate records of the outstanding errors and omissions found in the coverages it examines and of its receipts and disbursements and shall hold as confidential all information contained in documents submitted to it for examination.

(8) The commissioner shall not license an additional bureau for the examination of documents relating to any kind of insurance if those documents are being examined by an existing licensed bureau. Any examining bureau lawfully operating in this state immediately before the effective date of this act, shall have a prior right to apply for and secure a license under this section.

NEW SECTION. Sec. 26. Rates, supplementary rate information, and policy forms lawfully in use on the effective date of this act may be continued to be used unless subsequently disapproved after a hearing.

NEW SECTION. Sec. 27. The commissioner shall file a report to the legislature by January 31, 1988, evaluating the effect of this chapter upon insureds, insurers, the availability of insurance, insurance rates, market conduct examinations conducted by the commissioner, and any other aspect of this chapter which the commissioner deems significant.

NEW SECTION. Sec. 28. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

NEW SECTION. Sec. 29. Sections 2 through 27 of this act shall constitute a new chapter in Title 48 RCW.

NEW SECTION. Sec. 30. Sections 2 through 27 of this act shall take effect on January 1, 1986.

NEW SECTION. Sec. 31. Sections 2 through 27 of this act shall expire on January 1, 1990."

#### POINT OF ORDER

Ms. Winsley: "Mr. Speaker, Rule 12(D) says, 'Amendments to be Germane,' and goes on to say, 'No motion or proposition on a subject different from that under consideration shall be admitted under color of amendment and no bill or resolution shall at any time be amended by annexing thereto or incorporating therein any other bill or resolution pending before the house.' This amendment certainly reads the same as House Bill 1249. I challenge that."

#### SPEAKER'S RULING

The Speaker: "There is another point. The Speaker has not had an opportunity to read the amendment which is rather lengthy, and there may be a word or two changed, but the Speaker also noted as he breezed through it, that it does deal with 'file and use' and therefore, is outside the scope and object in that the bill authorizes the insurance commission to establish definitions for homeowners', vehicle and fire insurance policies and it is not consistent with that. Your point is well taken, Representative Winsley."

Substitute House Bill No. 41 was passed to Committee on Rules for third reading.

#### SUBSTITUTE HOUSE BILL NO. 524

The House resumed consideration of the bill on second reading.

The Speaker stated the question before the House to be the Point of Order raised by Representative Hastings relative to the amendment by Representative R. King.

#### SPEAKER'S RULING

Mr. Speaker: "House Bill 524 establishes, Representative Hastings, a procedure for cities and counties to designate environmentally nonsensitive areas for siting manufacturing plants. The amendment provides for designation of environmentally suitable sites by port districts. The Speaker finds that this amendment does not expand the scope and object of the bill and your point is not well taken."

The Speaker stated the question before the House to be the amendment by Representative R. King.

Mr. R. King spoke in favor of the amendment and Representatives Braddock and Lundquist spoke against it.

Mr. R. King spoke again in favor of the amendment.

## POINT OF INQUIRY

Mr. R. King yielded to question by Ms. Belcher.

Ms. Belcher: "Representative King, under a bill that we passed last year, the Aquatic Lands Management Act, we transferred management, on a long term basis, of the state's aquatic lands to port associations. Would this amendment affect the aquatic lands if they don't and leave this to the department?"

Mr. R. King: "I do not know the answer to that off the top of my head. I could add one thing which might address a concern that you have, and that would be that the same safeguard for prejudging land to be environmentally suitable for the development of industry is necessary as is in the rest of the bill. So if you were talking about an aquatic land that was used for environmental purposes, it wouldn't fall under the fast-track siting portion of it."

Ms. Belcher spoke against the amendment.

A division was called.

## ROLL CALL

The Clerk called the roll on adoption of the amendment by Representative R. King to Substitute House Bill No. 524, and the amendment was not adopted by the following vote: Yeas, 12; nays, 84; absent, 1; excused, 1.

Voting yea: Representatives Barnes, Barrett, Baugher, Brough, King P, King R, McMullen, Nelson G, Sutherland, Vekich, Wang, and Mr. Speaker - 12.

Voting nay: Representatives Addison, Allen, Appelwick, Armstrong, Ballard, Basich, Belcher, Betzoff, Bond, Braddock, Brekke, Bristow, Brooks, Chandler, Cole, Crane, Day, Dellwo, Dobbs, Doty, Ebersole, Fisch, Fisher, Fuhrman, Gallagher, Grimm, Hankins, Hargrove, Hastings, Haugen, Hine, Holland, Isaacson, Jacobsen, King J, Kremen, Leonard, Lewis, Locke, Long, Lundquist, Lux, Madsen, May, Miller, Nealey, Nelson D, Niemi, Nutley, O'Brien, Padden, Patrick, Peery, Prince, Rayburn, Rust, Sanders, Sayan, Schmidt, Schoon, Scott, Silver, Smith C, Smith L, Smitherman, Sommers, Tanner, Taylor, Thomas, Tilly, Todd, Unsoeld, Valle, Van Luven, Vander Stoep, Walk, Walker, West, Williams B, Williams J, Wilson K, Wineberry, Winsley, Zellinsky - 84.

Absent: Representative Wilson S - 1.

Excused: Representative van Dyke - 1.

Mr. Braddock moved adoption of the following amendment by Representatives Braddock and B. Williams:

Strike everything after the enacting clause and insert the following:

**"NEW SECTION, Sec. 1.** A new section is added to chapter 43.21C RCW to read as follows:

(1) As used in this section, the term 'manufacturing' means all activities of a commercial or industrial nature in which labor or skill is applied, by hand or machinery, to materials so that a new, different, or useful substance or article of tangible personal property is produced for sale or commercial or industrial use. The term includes the production of computer software, other computer-related services, and the activities performed by research and development laboratories and commercial testing laboratories.

(2) A city, town, or county may establish an area of insignificant environmental sensitivity classification for the purpose of expediting the location of manufacturing plants and facilities not having a probable significant, adverse environmental impact in accordance with the criteria contained in this section. The establishment of an area of insignificant environmental sensitivity classification is subject to full environmental review as required for other proposed actions under this chapter.

(3) The area of insignificant environmental sensitivity classification shall be applied only to lands meeting the following criteria:

(a) The lands are designated for manufacturing use under the appropriate comprehensive plan and zoning;

(b) The land is not within the jurisdiction of the Shoreline Management Act of 1971, chapter 90.58 RCW; and

(c) No probable significant, adverse environmental impact has been identified through any process required for compliance with this chapter.

(4) Manufacturing plants and facilities not having a probable significant, adverse environmental impact are those that do not generate dangerous wastes as that term is defined under RCW 70.105.010, and do not generate significant air, water, or noise pollutants or emissions. For the purposes of this section, the determination of what is 'significant' shall be made by the appropriate responsible local official or agency.

(5) Each city, town, or county that intends to establish an area of insignificant environmental sensitivity classification shall do so in accordance with the amendment procedures set forth

in the local ordinance adopted under the authority granted by RCW 43.21C.135 and shall transmit notice of any such proposed action and a map of the area to be so classified to the department of ecology and the department of commerce and economic development. Within sixty days after receiving this notice, the department of ecology shall review and may prohibit all or any portion of the proposed action for failure to comply with the requirements of this section. The classification shall be final for any portion of the proposed action not so prohibited. The responsible official or agency of the city, town, or county establishing the classification shall adopt procedures and fees for its administration.

(6) Any proposed action to locate a manufacturing plant or facility that meets the criteria established under subsection (4) of this section in an area classified as being of insignificant environmental sensitivity under subsection (5) of this section is exempt from the provisions of this chapter that require environmental review or the preparation of an environmental impact statement. For the purposes of this section, any such exempt proposed action shall be considered a 'qualified project.' A city, town, or county may establish a system for imposing mitigation fees and charges on such manufacturing plants and facilities to finance all or part of any public improvements reasonably necessitated by the siting of a manufacturing plant or facility under this section. The system of mitigation fees and charges may include any reasonable conditions and features that may be established by the city, town, or county.

(7) The determination as to whether a proposed action is a qualified project shall be made by the planning director or other responsible official or agency of the city, town, or county where the plan or facility would be located. The applicant for designation of a qualified project shall provide any information necessary to make any such determination.

(8) Nothing in this section may be construed as exempting a qualified project from any state or local planning, zoning, nuisance, permit, performance standard, or development requirement other than those specified in this section.

(9) This section shall not restrict public or private entities from using phased review, or nonproject or other environmental documents, as directed or authorized by RCW 43.21C.110.

(10) To facilitate review and evaluation of the program authorized under this section, each application for a qualified project designation and the decision rendered on each such application shall be transmitted to the director of the department of ecology, who shall make an annual report to the legislature on the operation of the program.

(11) This section shall expire on July 1, 1988."

Representatives Braddock, B. Williams, Lundquist, Schoon and Hastings spoke in favor of the amendment, and Representatives McMullen, K. Wilson, Hine and Jacobsen spoke against it.

Mr. Jacobsen again opposed the amendment.

#### POINT OF INQUIRY

Mr. Braddock yielded to question by Mr. D. Nelson.

Mr. D. Nelson: "Representative Braddock, the amendment, as I read it, under subsection (4) of section 1, would allow manufacturing plants and facilities which do not have a probable significant adverse environmental impact -- and that's defined as those that do not generate dangerous wastes and do not generate significant air, water or noise pollution emissions -- and my question is: Would this amendment allow a plant to be located that has the potential of significant environmental emissions or damage, even though, when it is designed and constructed and operating normally, it does not emit dangerous pollutants?"

Mr. Braddock: "In my opinion, it would not. If the potential were very high, it is going to be judged by the responsible official and that official will apply the standards -- all the existing state and federal standards -- regarding pollutants or dangerous emissions."

Mr. D. Nelson: "I think the question was more to the point that the specific definition says that it does not generate significant air, water and noise pollutants or emissions. Would the official read that strictly or would the official elaborate on that definition and allow and make a ruling on plants that might, if they failed, generate adverse pollutants?"

Mr. Braddock: "I think this amendment changes nothing in that regard. The existing situation they operate under is the same. When you do an environmental impact statement without this amendment you discuss the potential emission and no one knows what may happen ten or twenty years after the project is built. That is for speculation. Under existing conditions, it would be somewhat speculative with or without this amendment."

Representatives D. Nelson and Unsoeld spoke against the amendment, and Mr. Braddock spoke again in favor of it.

Mr. Kremen spoke in favor of the amendment.

Ms. Hankins demanded the previous question, and the demand was sustained.

A division was called.

#### ROLL CALL

The Clerk called the roll on adoption of the amendment by Representatives Braddock and B. Williams to Substitute House Bill No. 524, and the amendment was adopted by the following vote: Yeas, 54; nays, 43; excused, 1.

Voting yea: Representatives Addison, Ballard, Barnes, Barrett, Basich, Baugher, Betrozoff, Bond, Braddock, Bristow, Brooks, Chandler, Day, Dobbs, Doty, Fuhrman, Hankins, Hargrove, Hastings, Haugen, Holland, Isaacson, King J, Kremen, Lewis, Lundquist, Madsen, May, Nealey, Nelson G, Padden, Patrick, Peery, Prince, Rayburn, Sanders, Schmidt, Schoon, Silver, Smith C, Smith L, Smitherman, Sutherland, Taylor, Thomas, Tilly, Van Luven, Vander Stoep, Walker, West, Williams B, Williams J, Wilson S, Zellinsky - 54.

Voting nay: Representatives Allen, Appelwick, Armstrong, Belcher, Brekke, Brough, Cole, Crane, Dellwo, Ebersole, Fisch, Fisher, Gallagher, Grimm, Hine, Jacobsen, King P, King R, Leonard, Locke, Long, Lux, McMullen, Miller, Nelson D, Niemi, Nutley, O'Brien, Rust, Sayan, Scott, Sommers, Tanner, Todd, Unsoeld, Valle, Vekich, Walk, Wang, Wilson K, Wineberry, Winsley, and Mr. Speaker - 43.

Excused: Representative van Dyke - 1.

On motion of Mr. Braddock, the following amendment to the title was adopted:

On line 2 of the title after "areas;" strike everything through "section;" on line 5 and insert "adding a new section to chapter 43.21C RCW;"

The bill was ordered engrossed and passed to Committee on Rules for third reading.

#### MOTION FOR RECONSIDERATION

Ms. Brekke, having served previous notice, moved that the House reconsider the vote by which HOUSE BILL NO. 357 failed to pass the House.

Representatives Brekke and Lewis spoke in favor of the motion, and Mr. Padden spoke against it.

A division was called.

#### ROLL CALL

The Clerk called the roll on the motion that the House reconsider the vote by which House Bill No. 357 failed to pass the House, and the motion was carried by the following vote: Yeas, 58; nays, 39; excused, 1.

Voting yea: Representatives Allen, Appelwick, Armstrong, Barnes, Barrett, Basich, Baugher, Belcher, Braddock, Brekke, Brough, Cole, Crane, Day, Dellwo, Ebersole, Fisch, Fisher, Gallagher, Grimm, Hargrove, Hine, Jacobsen, King J, King P, King R, Kremen, Leonard, Lewis, Lux, Madsen, McMullen, Miller, Nelson D, Niemi, Nutley, O'Brien, Patrick, Peery, Rayburn, Rust, Sayan, Scott, Smitherman, Sommers, Sutherland, Tanner, Tilly, Todd, Unsoeld, Valle, Vekich, Walk, Wang, Wilson K, Wineberry, Winsley, and Mr. Speaker - 58.

Excused: Representative van Dyke - 1.

(4) Adequate and safe supplies of water shall be preserved and protected in potable condition to satisfy human domestic needs.

(5) Multiple-purpose impoundment structures are to be preferred over single-purpose structures. Due regard shall be given to means and methods for protection of fishery resources in the planning for and construction of water impoundment structures and other artificial obstructions.

(7) Development of water supply systems, whether publicly or privately owned, which provide water to the public generally in regional areas within the state shall be encouraged. Development of water supply systems for multiple domestic use which will not serve the public generally shall be discouraged where water supplies are available from water systems serving the public.

Ms. K. I since have been led to understand that there will be money

available this year to do the planning. Can you tell me what the real fiscal impact of this bill would be for this year?"

Mr. Grimm: "The real fiscal impact is as yet undetermined because this specific proposal changed a section which would negate, nullify and void the aptness in the proposal in the event that there was no specific reference and appropriation provided in the omnibus appropriations bill for the 1985-87 biennium prior to July 1 of this year. Having said that, it is the intent, based upon the recommendations of Governor Gardner, that the initial fiscal impact would be limited to approximately \$51,000 for planning purposes."

Ms. K. Wilson: "And then would it be necessary for us to take further action to do something else?"

Mr. Grimm: "Yes."

### POINT OF INQUIRY

Mr. Armstrong yielded to question by Mr. Zellinsky.

Mr. Zellinsky: "Representative Armstrong, if a person chose to license his car under these circumstances, would he have to transfer this into his wife's name or a friend's name and lose the ownership of his car if he had to use his car to get to work? How would that work? If a single person should happen to have a DWI (which is quite common) and he happened to have a neighbor who was going to drive him back and forth to work and this is the only car, would this neighbor have to take possession of his car before he could license his car so they could use it?"

Mr. Armstrong: "No, Representative Zellinsky, title to the automobile would not be affected in any case. The only thing that would occur is that the friend whom he wished to have drive him to work would be the person who would become the registered owner, not the legal owner of the automobile."

#### MOTION

On motion of Mr. J. King, the House advanced to the seventh order of business.

#### THIRD READING

ENGROSSED SUBSTITUTE HOUSE BILL NO. 433, by Committee on Constitution, Elections & Ethics (originally sponsored by Representatives Fisch, Miller, Fisher, Allen, J. King, Winsley, Jacobsen, Barrett, Basich, Betzoff, O'Brien, Doty, Sayan, Lewis, Lux, J. Williams, Appelwick, Silver, Vekich, Ballard, Kremen, Holland, Taylor and Hine)

Submitting establishment of a state presidential preference primary to a vote of the people.

The bill was read the third time and placed on final passage.

Representatives Fisch, Miller and Vekich spoke in favor of passage of the bill.

#### POINT OF INQUIRY

Mr. Fisch yielded to question by Mr. Padden.

Mr. Padden: "Representative Fisch, it's my understanding that people of independent persuasions would be allowed to vote in the primary, but their vote wouldn't be counted unless they specifically wanted to vote Republican or Democratic. Could you explain how that works under this bill?"

Mr. Fisch: "Any voter would step up to the election clerk and have a choice. If he wanted to sign the same kind of pledge as he would have signed at precinct conferences, then he would be given a Democratic ballot, then if he would not want to make that kind of pledge, he would be given a ballot with all the names on. A Republican would be given that same ballot. The trick is for the independent who would vote for a Democrat for the presidential nomination, it would be simply a beauty contest; that is to say, it wouldn't trigger any votes for the delegates to the national convention, so he has a choice to make. This feature, which may seem complicated but I don't think it really is, results from the rules of the National Democratic Party. Sometime ago, they threw out Wisconsin delegates because they were elected in an open primary vote. This was written with that specifically in mind so we could avoid that difficulty."

Representatives Padden and D. Nelson spoke against passage of the bill, and Mr. Lewis spoke in favor of it.

## POINT OF INQUIRY

Mr. Fisch yielded to question by Mr. Schoon.

Mr. Schoon: "Representative Fisch, can you tell me what percentage of voters we would expect to get out in the presidential primary under this plan?"

Mr. Fisch: "James W. Davies of Western Washington, who published the book, 'Presidential Primaries,' back in 1980 has said that at a minimum you would get forty percent of the people out. Recently, from the statistics from this last election, we think it would be fifty-five or sixty percent. Although you didn't ask, you might be interested also to know that the caucus convention system draws only six percent of the vote of the registered voters--six percent this time with all that excitement and all those visitors."

Representatives Schoon, Lux, Walker, Basich and Taylor spoke in favor of passage of the bill, and Representatives Barnes, Nealey, Hastings, Isaacson and van Dyke opposed it.

Mr. Crane demanded the previous question and the demand was sustained.

Mr. Fisch closed debate, speaking again in favor of the bill.

## ROLL CALL

The Clerk called the roll on the final passage of Engrossed Substitute House Bill No. 433, and the bill passed the House by the following vote: Yeas, 57; nays, 41.

Establishing a seismic safety commission.

The bill was read the third time and placed on final passage.

Representatives Valle and Fuhrman spoke in favor of passage of the bill.

## POINT OF INQUIRY

Ms. Valle yielded to question by Ms. Hankins.

Ms. Hankins: "Representative Valle, in your comments you said that there would be a commission and the members of that commission would be doing some traveling. Would you explain where they are going to travel and what the expense of that would be?"

Ms. Valle: "Representative Hankins, they would be traveling here to Olympia because they report their findings to the Office of Emergency Management. They are to meet at that particular agency, so their travels would be to Olympia."

Ms. Hankins: "What do you envision the cost of that to be?"

Ms. Valle: "It depends upon the appointments, whether they are from eastern Washington, Spokane, western Washington, Seattle or Bellingham."

Representatives Hankins and Belcher spoke in favor of the bill, and Representatives S. Wilson, J. Williams, van Dyke, C. Smith, Brooks and Isaacson spoke against it.

Authorizing petitions to the courts for disclosure of identity of adoptees and parents.

The bill was read the third time and placed on final passage.

Representatives Brekke and Patrick spoke in favor of passage of the bill and Mr. Armstrong spoke against it.

#### POINT OF INQUIRY

Ms. Brekke yielded to question by Ms. Walker.

Ms. Walker: "Representative Brekke, the age of majority in the state of Washington is constitutionally eighteen. There are some provisions in this bill that limit the rights to certain adults who are over eighteen -- one is twenty-one and one is twenty-five. Is that constitutional?"

Ms. Brekke: "Yes, Representative Walker, the courts allow the legislature to make reasonable classifications among persons of different circumstances, even when all of the persons share a common circumstance, such as having achieved the age of majority."

Representatives Dellwo, S. Wilson and Schoon spoke in favor of passage of the bill, and Mr. Padden spoke against it.

#### SPEAKER'S RULING

The Speaker: "House Bill 486 establishes user fees for solid waste facilities to be used for grants to local governments. Mr. Addison: "Representative Valle, to establish legislative intent, in some cities, for instance in Seattle, if you show your driver's license that you're from within the city limits, you don't pay a charge. I was wondering, are we going to be levying a ten cent charge on someone just bringing their car in to dump some trash?"

Ms. Valle: "Representative Addison, what we will be doing, is we will be taking into account exactly what I had spoken about in the fees. In other words, if you are practicing recycling, if there is energy recovery in that site, then there will be no charge if the user is doing this."

Representatives G. Nelson and Zellinsky spoke against the bill, and Ms. Rust spoke in favor of it.

#### POINT OF INQUIRY

Ms. Valle yielded to question by Mr. Hastings.

Mr. Hastings: "Representative Valle, there has been some talk in the press the last week or so about the governor going back to Michigan to talk to General Motors regarding the possibility of locating their plant here to build a Saturn car.

How would this affect an industry like that? Obviously, there's some waste; how would that affect them no matter where they were to site?"

Ms. Valle: "Representative Hastings, it is my impression that when industry comes into this state, they want to know exactly what is happening as far as the environment is concerned. They want to know what land use planning there is and what educational facilities we have and they want to know the tax structure. In this case, they would know exactly where their garbage can go."

Representative Hastings spoke against the bill, and Representatives Hine, Addison and Allen spoke in favor of it.

Mr. G. Nelson again opposed the bill.

Mr. Crane demanded the previous question and the demand was sustained.

The bill was read the second time. On motion of Mr. D. Nelson, Substitute House Bill No. 846 was substituted for House Bill No. 846, and the substitute bill was placed on the calendar for second reading.

#### POINT OF INQUIRY

Mr. D. Nelson yielded to question by Mr. Isaacson.

Mr. Isaacson: "Representative Nelson, would you explain to me and this body what is meant by the term 'byproduct' as it is used in this bill?"

Mr. D. Nelson: "The term 'byproduct' follows the dictionary definition, meaning that any project undertaken pursuant to the terms of this bill will be primarily municipal water supply projects, and only secondarily a hydroelectric project. To

elaborate, the dam and diversions could be sized to provide the maximum water supply envisioned at the end point of the planning horizon of the project. Whatever hydroelectric production could be realized from these facilities then, consistent with other considerations such as minimum flows, would be appropriate.

Mr. Isaacson: "On pages 3 and 4 of this bill is the phrase, 'which may produce electricity for sale in excess of present and future needs of the water system.' Is this new phrase intended only to apply to a combined facility in excess of 5 megawatts or does it also apply to a new project where ownership interest is greater than twenty-five percent?"

Mr. D. Nelson: "The answer is that there are two circumstances in the bill where submission to the voters for a new water supply project combined with an electric generation facility would be required: (a) if an entity has a greater than twenty-five percent ownership interest, regardless of the size of the project, or (b) if the project would produce electricity in excess of 5 megawatts. In both instances any electricity produced by the new project must be intended for sale outside the water system in excess of present and future needs of the water system before a vote is required."

Mr. Isaacson: "But then in both cases, a vote would be required?"

Mr. D. Nelson: "Yes."

Mr. Isaacson spoke in favor of the bill.

## SECOND READING

HOUSE BILL NO. 227, by Representatives Lux, Ballard, Jacobsen, Winsley, Leonard, Baugher, Unsoeld, Patrick, Chandler, Rayburn, Braddock, Brough, Lewis, Miller, Van Luven, May, Taylor, D. Nelson and Schoon

## POINT OF INQUIRY

Mr. Lux yielded to question by Mr. Taylor.

Mr. Taylor: "Representative Lux, if they come and say they have insurance and show it, what's the penalty if then three days later they go down and cancel that insurance?"

Mr. Lux: "Well, Representative Taylor, it's the same thing now as when you go to register to vote and you tell the person down there that you are a citizen of the United States, that you are so old, that you live in such a place and that you are this, that and the other thing, and that turns out to be untrue. That's a misdemeanor the same is here in this case. We're not going to check on these drivers; we're not going to police them, but if you are picked up for any violation whatever, and it turns out you don't have insurance, that's reason to have your license suspended. If you have insurance and you just don't happen to have proof of it, then when you go to court and you can show proof, your license is reinstated. Of course, the other penalties are still in place. If this happens twice in five years it's a gross misdemeanor, and they not only pick up your driver's license, but also your registration of your one automobile or your six automobiles."

The legislature recognizes that in an era of deregulation and increased competition, some services offered by financial institutions may no longer be provided free of charge to the public. Nevertheless, the legislature encourages financial institutions to assist in the attainment of public policy objectives involving fund transfers between the government and its citizens by providing check-cashing services at little or no cost to recipients of government checks and warrants.

The legislature further encourages financial institutions to develop checking accounts which provide basic services at minimal cost so that recipients of government checks and warrants can avoid check-cashing fees by becoming customers of the financial institution."

Mr. Lux: "Representative Prince, from the regulations that have been drafted by DOL, there are, I think, seven different types of items that are necessary to acquire an identicard. It was felt that if all that type of information had to be given in order to acquire one of these cards, this should be sufficient proof without requiring an additional driver's license or credit card or birth certificate or all the other items that are required to get the card itself. Ordinarily those people wouldn't be carrying that type of item around with them."

In case of conflict among the codes enumerated in subsections (1), (2), (3), and (4) of this section, the first named code shall govern over those following.

Sec. 2. Section 3, chapter 76, Laws of 1979 ex. sess. and RCW 19.27.075 are each amended to read as follows:

(1) The state building code advisory council shall ~~((have authority to))~~ promulgate rules, pursuant to chapter 34.04 RCW, for the purpose of adopting a ~~((state-wide thermal efficiency and lighting))~~ revised state code ~~((to the extent necessary to comply with Title 10, Code of Federal Regulations, section 420.35. Such))~~. The revised code shall be designed to achieve reductions in energy consumption relative to buildings constructed to comply with the state energy code, June 30, 1980 edition, as amended. The council shall follow the legislature's guidelines set forth in this section to design a revised code which requires new buildings to meet a certain level of energy efficiency, but allows flexibility in building design and construction within that framework. The revised code shall take into account regional climatic conditions ~~((shall take effect prior to June 30, 1980, and shall be presented to the senate and house committees on~~

energy and utilities at the time it is proposed as a draft rule)) and shall be designed according to the following guidelines:

(a) For new electrically space-heated residential buildings, the code shall be designed to achieve energy savings equivalent to savings achieved in typical buildings constructed with:

(i) Level ceilings insulated to a level of R-38 and sloped or vaulted ceilings insulated to a level of R-30;

(ii) Walls insulated to a level of R-19 in areas with more than six thousand annual heating degree days and to a level of R-17.5 in areas with six thousand or less annual heating degree days;

(iii) Floors over unheated spaces insulated to a level of R-19 for areas with less than six thousand annual heating degree days and to a level of R-25 for areas with six thousand or more annual heating degree days (R value includes insulation only);

(iv) Double glazed windows with tested R values not less than 1.85 in areas with more than six thousand annual heating degree days and 1.65 in areas with six thousand or less annual heating degree days when tested according to the procedures of the American architectural manufacturers association; and

(v) A maximum of seventeen percent of the floor area in glazing in areas with more than six thousand annual heating degree days and twenty-one percent in areas with six thousand or less annual heating degree days.

(b) For new residential buildings which are space heated with other fuels, the code shall be designed to be cost-effective to consumers.

(c) For new nonresidential buildings, the code shall be designed to achieve a ten percent reduction in energy consumption relative to buildings constructed to comply with the state energy code, June 30, 1980 edition, as amended.

(2) The council shall publish the revision as proposed rules pursuant to chapter 34.04 RCW. All cities, towns, and counties shall adopt the revised code not later than January 1, 1986. The revised state energy code shall supersede all state and local government energy codes adopted prior to January 1, 1986: PROVIDED, That cities, towns, and counties may adopt more restrictive codes for residential construction if the builder or owner of new residential construction is reimbursed by the local government adopting more restrictive codes for those additional installed costs of conservation components that are attributable to the stricter codes.

NEW SECTION. Sec. 3. A new section is added to chapter 19.27 RCW to read as follows:

There is appropriated the sum of seven hundred fifty thousand dollars, or so much thereof as may be necessary, from the general fund to the University of Washington for the biennium ending June 30, 1987, for the use of the college of architecture and department of mechanical engineering for the purpose of in situ testing of the annual thermal transmittance of individual construction components and conservation measures proposed for new residential construction by the northwest power planning council.

(1) The study shall include an analysis of the economic feasibility of adopting thermal performance standards for new residential construction as proposed by the northwest power planning council. The study of economic feasibility shall include but not necessarily be limited to factors which shall not require an amortization of the individual components exceeding a life cycle of seven years and a discount rate (interest) computed at the current conventional market rate at par.

(2) The results of the study shall be reported to the legislature, the director of the state energy office, and to the state building code advisory council no later than July 1, 1987.

(3) The study shall be funded by a surcharge on building permit fees imposed by all local governments of the state. The surcharge shall be ten dollars on all multifamily residential building permits, fifteen dollars on all single-family residential building permits, and fifteen dollars on all other building permits. The surcharge shall terminate on June 30, 1989, or at such time as the state general fund is reimbursed for the cost of the study.

Representatives Van Luven, Isaacson and D. Nelson spoke in favor of the amendment, and Representatives Miller and Todd spoke against it.

#### POINT OF INQUIRY

Mr. Todd yielded to question by Mr. Smitherman.

Mr. Smitherman: "Representative Todd, I do have some questions about this and concerns that we have discussed many hours. I'm concerned about how this would affect other types of utilities -- for example, oil and gas? This bill speaks to, I think, things we might consider as electric utilities. What would this do for people who use other types of energy sources?"

Mr. Todd: "Representative Smitherman, I would tell you that I could spend days and months talking to you about this issue. What this does as far as other utilities are concerned, the language says that the code that is cost-effective for users of other fuels shall be developed by the State Building Code Advisory Council."

Mr. Smitherman: "Because we have been, in the City of Tacoma and perhaps in some other cities, anticipating the adoption of this, what about your measurements of time? Would this amendment, for example, cause a roll-back in terms of the standards to be adopted?"

Mr. Todd: "The amendment would cause a roll-back for all jurisdictions that adopted the energy conservation standards or anything more stringent than what this code proposes, which is something just a shade over the 1980 Energy Code."

Mr. Smitherman spoke against the amendment, and Representatives Bond, J. Williams and R. King spoke in favor of it.

Mr. Crane demanded the previous question and the demand was sustained.

Mr. S. Wilson: "Mr. Speaker, in examining this particular amendment, it's covering the same section of a previous amendment which was defeated. It struck the same language. Even though the previous amendment attempted to add language, this current amendment is striking the same language and I would challenge it."

When 23 U.S.C. 154, relating to the national maximum speed limit, is repealed, the authority of the secretary to determine and declare a lower maximum speed for the purpose of aiding in the conservation of energy resources shall terminate ninety days after such repeal. Any such maximum speed limit may be declared to be effective at all times or at such times as are indicated upon the said signs; and differing limits may be established for different times of day, different types of vehicles, varying weather conditions, and other factors bearing on safe speeds, which shall be effective (a) when posted upon appropriate fixed or variable signs or (b) if a maximum limit is established for auto stages which is lower than the limit for automobiles, the auto stage speed limit shall become effective thirty days after written notice thereof is mailed in the manner provided in subsection (4) of RCW 46.61.410, as now or hereafter amended."

Therefore, it is outside the scope and object of the bill."

Mr. Fuhrman moved adoption of the following amendment:

On page 1, after line 29 insert:

"(5) The number of available safety belts shall determine the maximum number of passengers lawfully permitted in a vehicle manufactured after January 1, 1968. This subsection does not apply to police vehicles."

#### SPEAKER'S RULING

The Speaker: "Representative King, the Speaker has examined Substitute House Bill 1182, which deals with motor vehicle safety restraints, and the amendment, which deals with a contingency effective date which is tied to the national speed limit. It is the Speaker's opinion--it was the attorney's opinion--that the point is well taken. The amendment is out of order."

#### POINT OF ORDER

Mr. G. Nelson: "Mr. Speaker, I would like to speak directly to your ruling. This section is simply establishing an effective date. It is doing nothing more than that. It doesn't have anything to do with anything else at all. Any member of this body could put up a section that would have a definite date or any date that is contingent upon this body or any other body. In this case, it's the federal Congress. I think perhaps it's been read in haste and I would like to have the Speaker consult with his attorney one more time."

#### SPEAKER'S RULING

The Speaker: "It is the view of the Speaker that this is a contingency proposal which is tied to a national speed limit. It does not relate to a specific date. It refers to the action of a national speed limit which is inconsistent with Substitute House Bill 1182 and outside the scope and object."

The bill was ordered engrossed. On motion of Mr. J. King, the rules were suspended, the second reading considered the third, and the bill was placed on final passage.

Representatives J. King, R. King, S. Wilson, Brooks, K. Wilson, Van Luven, Patrick and May spoke in favor of passage of the bill, and Representative Fuhrman spoke against it.

On motion of Mr. Braddock, the following amendment by Representatives Braddock, Kremen, G. Nelson and Lundquist was adopted:

On page 12, after line 17 insert the following:

"Sec. 16. Section 4, chapter 160, Laws of 1971 ex. sess. and RCW 90.52.040 are each amended to read as follows:

In the administration of the provisions of chapter 90.48 RCW, the director of the department of ecology shall, regardless of the quality of the water of the state to which wastes are discharged or proposed for discharge, and regardless of the minimum water quality standards established by the director for said waters, require wastes to be provided with all known, available, and reasonable methods of treatment prior to their discharge or entry into waters of the state(:); PROVIDED, That the department shall have authority to concur with waivers from the uniform national requirements of secondary treatment and in making such decisions shall use the criteria specified in section 301(h) of the federal clean water act, to municipalities that discharge wastewaters into the marine waters of the state.

Sec. 17. Section 2, chapter 225, Laws of 1971 ex. sess. and RCW 90.54.020 are each amended to read as follows:

Utilization and management of the waters of the state shall be guided by the following general declaration of fundamentals:

(1) Uses of water for domestic, stock watering, industrial, commercial, agricultural, irrigation, hydroelectric power production, mining, fish and wildlife maintenance and enhancement, recreational, and thermal power production purposes, and preservation of environmental and aesthetic values, and all other uses compatible with the enjoyment of the public waters of the state, are declared to be beneficial.

(2) Allocation of waters among potential uses and users shall be based generally on the securing of the maximum net benefits for the people of the state. Maximum net benefits shall constitute total benefits less costs including opportunities lost.

(3) The quality of the natural environment shall be protected and, where possible, enhanced as follows:

(a) Perennial rivers and streams of the state shall be retained with base flows necessary to provide for preservation of wildlife, fish, scenic, aesthetic and other environmental values, and navigational values. Lakes and ponds shall be retained substantially in their natural condition. Withdrawals of water which would conflict therewith shall be authorized only in those situations where it is clear that overriding considerations of the public interest will be served.

(b) Waters of the state shall be of high quality. Regardless of the quality of the waters of the state, all wastes and other materials and substances proposed for entry into said waters shall be provided with all known, available, and reasonable methods of treatment prior to entry(:); PROVIDED, That the department shall have the authority to concur with waivers from the uniform national requirements of secondary treatment and in making such decisions shall use the criteria specified in section 301(h) of the federal clean water act, to municipalities that discharge wastewaters into the marine waters of the state. Notwithstanding that standards of quality established for the waters of the state would not be violated, wastes and other materials and substances shall not be allowed to enter such waters which will reduce the existing quality thereof, except in those situations where it is clear that overriding considerations of the public interest will be served.

(4) Adequate and safe supplies of water shall be preserved and protected in potable condition to satisfy human domestic needs.

(5) Multiple-purpose impoundment structures are to be preferred over single-purpose structures. Due regard shall be given to means and methods for protection of fishery resources in the planning for and construction of water impoundment structures and other artificial obstructions.

(6) Federal, state, and local governments, individuals, corporations, groups and other entities shall be encouraged to carry out practices of conservation as they relate to the use of the waters of the state.

(7) Development of water supply systems, whether publicly or privately owned, which provide water to the public generally in regional areas within the state shall be encouraged. Development of water supply systems for multiple domestic use which will not serve the public generally shall be discouraged where water supplies are available from water systems serving the public.

(8) Full recognition shall be given in the administration of water allocation and use programs to the natural interrelationships of surface and ground waters.

(9) Expressions of the public interest will be sought at all stages of water planning and allocation discussions.

(10) Water management programs, including but not limited to, water quality, flood control, drainage, erosion control and storm runoff are deemed to be in the public interest."

Strike everything after the enacting clause and insert the following:

\*Sec. 1. Section 11, chapter 36, Laws of 1969 ex. sess. as last amended by section 3, chapter 11, Laws of 1980 and RCW 28B.16.110 are each amended to read as follows:

The salary schedules and compensation plans, adopted and revised as provided in RCW 28B.16.100 as now or hereafter amended, shall reflect prevailing rates in other public employment and in private employment in this state or in the locality in which the institution or related board is located. For this purpose comprehensive salary and fringe benefit surveys shall be undertaken by the board with the assistance of the various personnel officers of the institutions of higher education and on a joint basis with the department of personnel, with such surveys to be conducted ~~((at least))~~ in the year prior to the convening of ~~((each))~~ every other one hundred five day regular session of the state legislature. In the year prior to the convening of each one hundred five day regular session during which a comprehensive salary and fringe benefit survey is not conducted, the board with assistance of the various personnel officers of the institutions of higher education and on a joint basis with the department of personnel, shall conduct a trend salary and fringe benefit survey. This survey shall measure average salary and fringe benefit movement for broad occupational groups which has occurred since the last comprehensive salary and fringe benefit survey was conducted. The results of ((such)) each comprehensive and trend salary and fringe benefit survey shall be completed and forwarded by September 30 with recommended salary adjustments, which recommendations shall be advisory only, to the governor and the director of financial management for their use in preparing budgets to be submitted to the succeeding legislature. A copy of the data and supporting documentation shall be furnished by the board to the standing committees for appropriations of the senate and house of representatives.

In the case of comprehensive salary and fringe benefit surveys, the board shall furnish the following supplementary data in support of its recommended salary schedule:

(1) A total dollar figure which reflects the recommended increase or decrease in state salaries as a direct result of the specific salary and fringe benefit survey that has been conducted and which is categorized to indicate what portion of the increase or decrease is represented by salary survey data and what portion is represented by fringe benefit survey data;

(2) An additional total dollar figure which reflects the impact of recommended increases or decreases to state salaries based on other factors rather than directly on prevailing rate data obtained through the survey process and which is categorized to indicate the sources of the requests for deviation from prevailing rates and the reasons for the changes;

(3) A list of class codes and titles indicating recommended monthly salary ranges for all state classes under the control of the higher education personnel board with:

(a) Those salary ranges which do not substantially conform to the prevailing rates developed from the salary and fringe benefit survey distinctly marked and an explanation of the reason for the deviation included; and

(b) Those higher education personnel board classes which are substantially the same as classes being used by the department of personnel clearly marked to show the commonality of the classes between the two jurisdictions;

(4) A supplemental salary schedule which indicates the additional salary to be paid state employees for hazardous duties or other considerations requiring extra compensation under specific circumstances. Additional compensation for these circumstances shall not be included in the basic salary schedule but shall be maintained as a separate pay schedule for purposes of full disclosure and visibility; and

(5) A supplemental salary schedule which indicates those cases where the board determines that prevailing rates do not provide similar salaries for positions that require or impose similar responsibilities, judgment, knowledge, skills, and working conditions. This supplementary salary schedule shall contain proposed salary adjustments necessary to eliminate any such dissimilarities in compensation. Additional compensation needed to eliminate such salary dissimilarities shall not be included in the basic salary schedule but shall be maintained as a separate salary schedule for purposes of full disclosure and visibility.

It is the intention of the legislature that requests for funds to support recommendations for salary deviations from the prevailing rate survey data shall be kept to a minimum, and that the requests be fully documented when forwarded by the board. Further, it is the intention of

the legislature that the department of personnel and the higher education personnel board jointly determine job classes which are substantially common to both jurisdictions and that basic salaries for these job classes shall be equal based on salary and fringe benefit survey findings.

Salary and fringe benefit survey information collected from private employers which identifies a specific employer with the salary and fringe benefit rates which that employer pays to its employees shall not be subject to public disclosure under chapter 42.17 RCW.

The first comprehensive salary and fringe benefit survey required by this section shall be completed and forwarded to the governor and the director of financial management by September 30, 1986. The first trend salary and fringe benefit survey required by this section shall be completed and forwarded to the governor and the director of financial management by September 30, 1988.

Sec. 2. Section 16, chapter 1, Laws of 1961 as last amended by section 1, chapter 11, Laws of 1980 and RCW 41.06.160 are each amended to read as follows:

In preparing classification and salary schedules as set forth in RCW 41.06.150 as now or hereafter amended the department of personnel shall give full consideration to prevailing rates in other public employment and in private employment in this state. For this purpose the department shall undertake comprehensive salary and fringe benefit surveys to be planned and conducted on a joint basis with the higher education personnel board, with such surveys to be conducted ((at least)) in the year prior to the convening of ((each)) every other one hundred five day regular session of the state legislature. In the year prior to the convening of each one hundred five day regular session during which a comprehensive salary and fringe benefit survey is not conducted, the department shall plan and conduct on a joint basis with the higher education personnel board a trend salary and fringe benefit survey. This survey shall measure average salary and fringe benefit movement for broad occupational groups which has occurred since the last comprehensive salary and fringe benefit survey was conducted. The results of each comprehensive and trend salary and fringe benefit survey shall be completed and forwarded by September 30 with a recommended state salary schedule to the governor and director of financial management for their use in preparing budgets to be submitted to the succeeding legislature. A copy of the data and supporting documentation shall be furnished by the department of personnel to the standing committees for appropriations of the senate and house of representatives.

In the case of comprehensive salary and fringe benefit surveys, the department shall furnish the following supplementary data in support of its recommended salary schedule:

(1) A total dollar figure which reflects the recommended increase or decrease in state salaries as a direct result of the specific salary and fringe benefit survey that has been conducted and which is categorized to indicate what portion of the increase or decrease is represented by salary survey data and what portion is represented by fringe benefit survey data;

(2) An additional total dollar figure which reflects the impact of recommended increases or decreases to state salaries based on other factors rather than directly on prevailing rate data obtained through the survey process and which is categorized to indicate the sources of the requests for deviation from prevailing rates and the reasons for the changes;

(3) A list of class codes and titles indicating recommended monthly salary ranges for all state classes under the control of the department of personnel with:

(a) Those salary ranges which do not substantially conform to the prevailing rates developed from the salary and fringe benefit survey distinctly marked and an explanation of the reason for the deviation included; and

(b) Those department of personnel classes which are substantially the same as classes being used by the higher education personnel board clearly marked to show the commonality of the classes between the two jurisdictions;

(4) A supplemental salary schedule which indicates the additional salary to be paid state employees for hazardous duties or other considerations requiring extra compensation under specific circumstances. Additional compensation for these circumstances shall not be included in the basic salary schedule but shall be maintained as a separate pay schedule for purposes of full disclosure and visibility; and

(5) A supplemental salary schedule which indicates those cases where the board determines that prevailing rates do not provide similar salaries for positions that require or impose similar responsibilities, judgment, knowledge, skills, and working conditions. This supplementary salary schedule shall contain proposed salary adjustments necessary to eliminate any such dissimilarities in compensation. Additional compensation needed to eliminate such salary dissimilarities shall not be included in the basic salary schedule but shall be maintained as a separate salary schedule for purposes of full disclosure and visibility.

It is the intention of the legislature that requests for funds to support recommendations for salary deviations from the prevailing rate survey data shall be kept to a minimum, and that the requests be fully documented when forwarded by the department of personnel. Further, it is the intention of the legislature that the department of personnel and the higher education

personnel board jointly determine job classes which are substantially common to both jurisdictions and that basic salaries for these job classes shall be equal based on salary and fringe benefit survey findings.

Salary and fringe benefit survey information collected from private employers which identifies a specific employer with the salary and fringe benefit rates which that employer pays to its employees shall not be subject to public disclosure under chapter 42.17 RCW.

The first comprehensive salary and fringe benefit survey required by this section shall be completed and forwarded to the governor and the director of financial management by September 30, 1986. The first trend salary and fringe benefit survey required by this section shall be completed and forwarded to the governor and the director of financial management by September 30, 1988.

Sec. 3. Section 5, chapter 152, Laws of 1977 ex. sess. as last amended by section 2, chapter 11, Laws of 1980 and RCW 41.06.167 are each amended to read as follows:

The department of personnel shall undertake comprehensive salary and fringe benefit surveys for officers of the Washington state patrol, with such surveys to be conducted ((at least)) in the year prior to the convening of ((each)) every other one hundred five day regular session of the state legislature. In the year prior to the convening of each one hundred five day regular session during which a comprehensive salary and fringe benefit survey is not conducted, the department shall conduct a trend salary and fringe benefit survey. This survey shall measure average salary and fringe benefit movement which has occurred since the last comprehensive salary and fringe benefit survey was conducted. The results of each ((such)) comprehensive and trend survey shall be completed and forwarded by September 30, after review and concurrence by the chief of the Washington state patrol, to the governor and director of financial management for their use in preparing budgets to be submitted to the succeeding legislature. A copy of the data and supporting documentation shall be furnished by the department of personnel to the legislative budget committee and the standing committees for appropriations of the senate and house of representatives. The office of financial management shall analyze the survey results and conduct investigations which may be necessary to arbitrate differences between interested parties regarding the accuracy of collected survey data and the use of such data for salary adjustment.

Surveys conducted by the department of personnel for the Washington state patrol shall be undertaken in a manner consistent with statistically accurate sampling techniques, including comparisons of weighted averages of salaries. This service performed by the department of personnel shall be on a reimbursable basis in accordance with the provisions of RCW 41.06.080 as now existing or hereafter amended.

A comprehensive salary and fringe benefits survey plan shall be submitted jointly by the department of personnel and the Washington state patrol to the director of financial management, the committee on ways and means of the senate, the committee on appropriations of the house of representatives and to the legislative budget committee six months before the beginning of each periodic survey. The legislative budget committee shall review and evaluate the survey plan before final implementation.

The first comprehensive salary and fringe benefit survey required by this section shall be completed and forwarded to the governor and the director of financial management by September 30, 1986. The first trend salary and fringe benefit survey required by this section shall be completed and forwarded to the governor and the director of financial management by September 30, 1988.\*

SSB 3438 Prime Sponsor, Committee on Energy & Utilities: Extending the governors powers to declare energy emergencies. Reported by Committee on Energy & Utilities

MAJORITY recommendation: Do pass with the following amendments:

Strike everything after the enacting clause and insert the following:

"Sec. 1. Section 18, chapter 108, Laws of 1975-'76 2nd ex. sess. as last amended by section 1, chapter 281, Laws of 1981 and RCW 43.21G.040 are each amended to read as follows:

(1) The governor may subject to the definitions and limitations provided in this chapter:

(a) Upon finding that an energy supply alert exists within this state or any part thereof, declare a condition of energy supply alert; or

(b) Upon finding that an energy emergency exists within this state or any part thereof, declare a condition of energy emergency. A condition of energy emergency shall terminate thirty consecutive days after the declaration of such condition if the legislature is not in session at the time of such declaration and if the governor fails to convene the legislature pursuant to Article III, section 7 of the Constitution of the state of Washington within thirty consecutive days of such declaration. If the legislature is in session or convened, in accordance with this subsection, the duration of the condition of energy emergency shall be limited in accordance with subsection (3) of this section.

Upon the declaration of a condition of energy supply alert or energy emergency, the governor shall present to the committee any proposed plans for programs, controls, standards, and priorities for the production, allocation, and consumption of energy during any current or anticipated condition of energy emergency, any proposed plans for the suspension or modification of existing rules of the Washington Administrative Code, and any other relevant matters the governor deems desirable. The governor shall review any recommendations of the committee concerning such plans and matters.

The governor shall review the status of such plans annually with the house of representatives and senate standing committees on energy and utilities.

Upon the declaration of a condition of energy supply alert or energy emergency, the emergency powers as set forth in this chapter shall become effective only within the area described in the declaration.

(2) A condition of energy supply alert shall terminate ninety consecutive days after the declaration of such condition unless:

(a) Extended by the governor upon issuing a finding that the energy supply alert continues to exist, and with prior approval of such an extension by the committee; or

(b) Extended by the governor based on a declaration by the president of the United States of a national state of emergency in regard to energy supply; or

(c) Upon the request of the governor, extended by declaration of the legislature by concurrent resolution of a continuing energy supply alert.

In the event any such initial extension is implemented, the condition shall terminate one hundred and fifty consecutive days after the declaration of such condition. One or more subsequent extensions may be implemented through the extension procedures set forth in this subsection. In the event any such subsequent extension is implemented, the condition shall terminate sixty consecutive days after the implementation of such extension.

(3) A condition of energy emergency shall terminate forty-five consecutive days after the declaration of such condition unless:

(a) Extended by the governor upon issuing a finding that the energy emergency continues to exist, and with prior approval of such an extension by the committee; or

(b) Extended by the governor based on a declaration by the president of the United States of a national state of emergency in regard to energy supply; or

(c) Upon the request of the governor, extended by declaration of the legislature by concurrent resolution of a continuing energy emergency.

In the event any such initial extension is implemented, the condition shall terminate ninety consecutive days after the declaration of such condition. One or more subsequent extensions may be implemented through the extension procedures set forth in this subsection. In the event any such subsequent extension is implemented, the condition shall terminate forty-five consecutive days after the implementation of such extension.

(4) A condition of energy supply alert or energy emergency shall cease to exist upon a declaration to that effect by either of the following: (a) The governor; or (b) the legislature, by concurrent resolution, if in regular or special session: PROVIDED, That the governor shall terminate a condition of energy supply alert or energy emergency when the energy supply situation upon which the declaration of a condition of energy supply alert or energy emergency was based no longer exists.

(5) In a condition of energy supply alert, the governor may, as deemed necessary to preserve and protect the public health, safety, and general welfare, and to minimize, to the fullest extent possible, the injurious economic, social, and environmental consequences of such energy supply alert, issue orders to: (a) Suspend or modify existing rules of the Washington Administrative Code of any state agency relating to the consumption of energy by such agency or to the production of energy, and (b) direct any state or local governmental agency to implement programs relating to the consumption of energy by the agency which have been developed by the governor or the agency and reviewed by the committee.

(6) In addition to the powers in subsection (5) of this section, in a condition of energy emergency, the governor may, as deemed necessary to preserve and protect the public health, safety, and general welfare, and to minimize, to the fullest extent possible, the injurious economic, social, and environmental consequences of such an emergency, issue orders to: (a) Implement programs, controls, standards, and priorities for the production, allocation, and consumption of energy; (b) suspend and modify existing pollution control standards and requirements or any other standards or requirements affecting or affected by the use of energy, including those relating to air or water quality control; and (c) establish and implement regional programs and agreements for the purposes of coordinating the energy programs and actions of the state with those of the federal government and of other states and localities.

The governor shall immediately transmit the declaration of a condition of energy supply alert or energy emergency and the findings upon which the declaration is based and any orders issued under the powers granted in this chapter to the committee.

Nothing in this chapter shall be construed to mean that any program, control, standard, priority or other policy created under the authority of the emergency powers authorized by

this chapter shall have any continuing legal effect after the cessation of the condition of energy supply alert or energy emergency.

If any provision of this chapter is in conflict with any other provision, limitation, or restriction which is now in effect under any other law of this state, including, but not limited to, chapter 34.04 RCW, this chapter shall govern and control, and such other law or rule or regulation promulgated thereunder shall be deemed superseded for the purposes of this chapter.

Except as provided in this section nothing in this chapter shall exempt a person from compliance with the provisions of any other law, rule, or directive unless specifically ordered by the governor. ~~(The emergency powers granted to the governor in this chapter shall expire on June 30, 1985;)~~

E2SSB 3828 Prime Sponsor, Committee on Ways & Means: Reestablishing the Puget Sound water quality authority. Reported by Select Committee on the Clean-up and Management of Puget Sound

MAJORITY recommendation: Do pass with the following amendment:

Strike everything after the enacting clause and insert the following:

\*NEW SECTION. Sec. 1. The legislature finds that Puget Sound and related inland marine waterways of Washington state represent a unique and unparalleled resource. A rich and varied range of marine organisms, composing an interdependent, sensitive communal ecosystem reside in these sheltered waters. Residents of this region enjoy a way of life centered around the waters of Puget Sound, featuring accessible recreational opportunities, world-class port facilities and water transportation systems, harvest of marine food resources, shoreline-oriented life styles, water-dependent industries, tourism, irreplaceable aesthetics and other activities, all of which to some degree depend upon a clean and healthy marine resource.

The legislature further finds that the consequences of careless husbanding of this resource have been dramatically illustrated in inland waterways associated with older and more

extensively developed areas of the nation. Recent reports concerning degradation of water quality within this region's urban embayments raise alarming possibilities of similar despoliation of Puget Sound and other state waterways. These examples emphasize that the costs of restoration of aquatic resources, where such restoration is possible, greatly exceed the costs of responsible preservation.

The legislature declares that utilization of the Puget Sound resource carries a custodial obligation for preserving it. The people of the state have the unique opportunity to preserve this gift of nature, an understanding of the results of inattentive stewardship, the technical knowledge needed for control of degradation, and the obligation to undertake such control.

The legislature further finds that the large number of governmental entities that now affect the water quality of Puget Sound have diverse interests and limited jurisdictions which cannot adequately address the cumulative, wide-ranging impacts which contribute to the degradation of Puget Sound. It is therefore the policy of the state of Washington to create a single entity with adequate resources to develop a comprehensive plan for water quality protection in Puget Sound to be implemented by existing state and local government agencies.

NEW SECTION. Sec. 2. Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter:

- (1) 'Authority' means the Puget Sound water quality authority.
- (2) 'Chair' means the presiding officer of the Puget Sound water quality authority.
- (3) 'Plan' means the Puget Sound water quality management plan.
- (4) 'Puget Sound' means all salt waters of the state of Washington inside the international boundary line between the state of Washington and the province of British Columbia, lying east of one hundred twenty-three degrees, twenty-four minutes west longitude.

NEW SECTION. Sec. 3. (1) There is established the Puget Sound water quality authority composed of seven members who are appointed by the governor and confirmed by the senate. The governor shall select one of the seven members to act as chair of the authority and be presiding officer of the authority. In making these appointments, the governor shall seek to include representation of the variety of interested parties concerned about Puget Sound water quality. The commissioner of public lands and the director of ecology shall serve as ex officio, nonvoting members of the authority. The six appointed members, one from each of the six congressional districts surrounding Puget Sound, shall serve four-year terms. Of the initial members appointed to the authority, two shall serve for two years, two shall serve for three years, and two shall serve for four years. Thereafter members shall be appointed to four-year terms. Vacancies shall be filled by appointment for the remainder of the unexpired term of the position being vacated. The chair of the authority shall serve at the pleasure of the governor.

(2) The voting members, exclusive of the chair, shall be compensated as provided in RCW 43.03.250. The voting members shall be reimbursed for travel expenses as provided in RCW 43.03.050 and 43.03.060.

(3) The chair of the authority shall be a full time employee responsible for the administration of all functions of the authority, including hiring and terminating staff, contracting, coordinating with the governor, the legislature, and other state and local entities, and the delegation of responsibilities as deemed appropriate. The salary of the chair shall be fixed by the governor, subject to RCW 43.03.040.

(4) The chair shall prepare a budget and a work plan which are subject to review and approval by the authority.

NEW SECTION. Sec. 4. The authority shall:

(1) Prepare and adopt a comprehensive Puget Sound water quality management plan, as defined in section 8 of this act. In preparing the plan and any substantial revisions to the plan, the authority shall consult with its advisory committee or committees and appropriate federal, state, and local agencies. The authority shall also solicit extensive participation by the public by whatever means it finds appropriate, including public hearings throughout communities bordering or near Puget Sound, dissemination of information through the news media, public notices, and mailing lists, and the organization of workshops, conferences, and seminars;

(2) During the plan's initial development and any subsequent revisions, submit quarterly progress reports to the governor and the legislature.

(3) Submit the plan to the governor and the legislature no later than January 1, 1987. The authority shall review the plan at least every two years and revise the plan, as deemed appropriate;

(4) Prepare a biennial 'state of the Sound' report and submit such report to the governor, the legislature, and the state agencies and local governments identified in the plan. Copies of the report shall be made available to the public. The report shall describe the current condition of water quality and related resources in Puget Sound and shall include:

(a) The status and condition of the resources of Puget Sound, including the results of ecological monitoring, including an assessment of the economic value of Puget Sound;

(b) Current and foreseeable trends in water quality of Puget Sound and the management of its resources;

(c) Review of significant public and private activities affecting Puget Sound and an assessment of whether such activities are consistent with the plan; and

(d) Recommendations to the governor, the legislature, and appropriate state and local agencies for actions needed to remedy any deficiencies in current policies, plans, programs, or activities relating to the water quality of Puget Sound, and recommendations concerning changes necessary to protect and improve Puget Sound water quality; and

(5) Review the budgets and regulatory and enforcement activities of state agencies with responsibilities for water quality and related resources in Puget Sound.

NEW SECTION. Sec. 5. In order to carry out its responsibilities under this chapter, the authority may:

(1) Develop interim proposals and recommendations, before the plan is adopted, concerning the elements identified in section 8 of this act;

(2) Enter into, amend, and terminate contracts with individuals, corporations, or research institutions for the purposes of this chapter;

(3) Receive such gifts, grants, and endowments, in trust or otherwise, for the use and benefit of the purposes of the authority. The authority may expend the same or any income therefrom according to the terms of the gifts, grants, or endowments;

(4) Conduct studies and research relating to Puget Sound water quality;

(5) Obtain information relating to Puget Sound from other state and local agencies;

(6) Conduct appropriate public hearings and otherwise seek to broadly disseminate information concerning Puget Sound;

(7) Receive funding from other public agencies;

(8) Prepare a biennial budget request for consideration by the governor and the legislature; and

(9) Adopt rules under chapter 34.04 RCW as it deems necessary for the purposes of this chapter.

NEW SECTION. Sec. 6. (1) The authority shall appoint one or more advisory committees to assist in the development of the plan. In making these appointments, the authority shall seek to include representation of all interested parties, including local governments, environmental and health agencies, tribal organizations, business, labor, citizens' groups such as environmental and public interest organizations, agricultural interests, recreational interests, and the fisheries and shellfish industries.

(2) The advisory committee or committees shall assist the authority to formulate policy goals and strategies, review the plan and make recommendations for its amendment to the authority, review the authority's reports, and review the authority's budget request proposals.

NEW SECTION. Sec. 7. (1) The chair shall hire staff for the authority. In so doing, the chair shall recognize the many continuing planning and research activities concerning Puget Sound water quality and shall seek to acquire competent and knowledgeable staff from state, federal, and local government agencies that are currently involved in these activities.

(2) As deemed appropriate, the chair may request the state departments of ecology, community development, fisheries, game, agriculture, natural resources, and social and health services to each assign at least one employee to the authority. The chair shall enter into an interagency agreement with agencies assigning employees to the authority. Such agreement shall provide for reimbursement, by the authority to the assigning agency, of all work-related expenditures associated with the assignment of the employees. During the term of their assignment, the chair shall have full authority and responsibility for the activities of these employees.

(3) The chair shall seek assignment of appropriate federal and local government employees under available means.

NEW SECTION. Sec. 8. The plan adopted by the authority shall be a positive document prescribing the needed actions for the maintenance and enhancement of Puget Sound water quality. The plan shall address all the waters of Puget Sound, the Strait of Juan de Fuca, and, to the extent that they affect water quality in Puget Sound, all waters flowing into Puget Sound, and adjacent lands. The authority may define specific geographic boundaries within which the plan applies. The plan shall coordinate and incorporate existing planning and research efforts of state agencies and local government related to Puget Sound, and shall avoid duplication of existing efforts. The plan shall include:

(1) A statement of the goals and objectives for long and short-term management of the water quality of Puget Sound;

(2) A resource assessment which identifies critically sensitive areas, key characteristics, and other factors which lead to an understanding of Puget Sound as an ecosystem;

(3) Demographic information and assessment as relates to future water quality impacts on Puget Sound;

(4) An identification and legal analysis of all existing laws governing actions of government entities which may affect water quality management of Puget Sound, the interrelationships of those laws, and the effect of those laws on implementation of the provisions of the plan;

(5) Review and assessment of existing criteria and guidelines for governmental activities affecting Puget Sound's resources, including shoreline resources, aquatic resources, associated watersheds, recreational resources and commercial resources;

(6) Identification of research needs and priorities;

(7) Recommendations for guidelines, standards, and timetables for protection and clean-up activities and the establishment of priorities for major clean-up investments and nonpoint source management, and the projected costs of such priorities;

(8) A procedure assuring local government initiated planning for Puget Sound water quality protection;

(9) Ways to better coordinate federal, state, and local planning and management activities affecting Puget Sound's water quality;

(10) Public involvement strategies, including household hazardous waste education, community clean-up efforts, and public participation in developing and implementing the plan;

(11) Recommendations on protecting, preserving and, where possible, restoring wetlands and wildlife habitat and shellfish beds throughout Puget Sound;

(12) Recommendations for a comprehensive water quality and sediment monitoring program;

(14) Recommendations for a program of dredge spoil disposal, including interim measures for disposal and storage of dredge spoil material from or into Puget Sound;

(15) Definition of major public actions subject to review and comment by the authority because of a significant impact on Puget Sound water quality and related resources, and development of criteria for review thereof;

(16) Recommendations for implementation mechanisms to be used by state and local government agencies;

(17) Standards and procedures for reporting progress by state and local governments in the implementation of the plan;

(18) An analysis of resource requirements and funding mechanisms for updating of the plan and plan implementation; and

(19) Legislation needed to assure plan implementation.

The authority shall circulate and receive comments on drafts of the plan mandated herein, and keep a record of all relevant comments made at public hearings and in writing. These records should be made easily available to interested persons.

NEW SECTION. Sec. 9. (1) In conducting planning, regulatory, and appeals actions, the state agencies and local governments identified in the plan must evaluate, and incorporate as applicable, the provisions of the plan, including any guidelines, standards, and timetables contained in the plan.

(2) The authority shall review the progress of state agencies and local governments regarding the timely implementation of the plan. Where prescribed actions have not been accomplished in accordance with the plan, the responsible state agencies and local governments shall, at the request of the authority, submit written explanations for the shortfalls, together with their proposed remedies, to the authority.

The results of the review and a description of the actions necessary to comply with the plan shall be included in the biennial state of the Sound report.

(3) The state agencies and local governments identified in the plan shall review their activities biennially and document their consistency with the plan. They shall submit written reports or updates of their findings to the authority.

(4) The authority shall review the major actions affected by the plan being considered by the state agencies and local governments and shall comment in a timely manner regarding consistency with the plan and may participate in administrative and subsequent judicial proceedings with respect to such actions. Any deviations from the plan, identified by the authority, shall be transmitted in writing by the authority to the responsible state agency or local government.

NEW SECTION. Sec. 10. (1) To implement this act, state agencies are authorized to adopt rules that are applicable to actions and activities on a less than state-wide geographic basis. State agencies are encouraged to adopt rules that protect Puget Sound water quality before the adoption of the plan by the authority.

(2) To implement this act, counties, cities, and towns are authorized to adopt ordinances, rules, and regulations that are applicable on less than a county-wide, city-wide, or town-wide basis. Counties, cities, and towns are encouraged to adopt ordinances, rules, and regulations that protect Puget Sound water quality before the adoption of the plan by the authority.

Sec. 11. Section 6, chapter 243, Laws of 1983 and RCW 90.70.900 are each amended to read as follows:

It shall be the duty of every applicant for registration and transfer of certificate of title who is subject to payment of tax under this section to declare upon his application the value of the vehicle for which application is made, which shall consist of the consideration paid or contracted to be paid therefor. The value of the article used for the purpose of determining the amount of use tax payable by the applicant under this chapter shall not exceed the value of the vehicle

declared by the applicant, except in the case of a motor vehicle for which no consideration is paid or contracted to be paid. Any person willfully misrepresenting, or failing or refusing to declare upon his application, such value shall be guilty of a gross misdemeanor.

Each county auditor who acts as agent of the department of revenue shall at the time of remitting license fee receipts on motor vehicles subject to the provisions of this section pay over and account to the state treasurer for all use tax revenue collected under this section, after first deducting as his collection fee the sum of two dollars for each motor vehicle upon which the tax has been collected. All revenue received by the state treasurer under this section shall be credited to the general fund. The auditor's collection fee shall be deposited in the county current expense fund. A duplicate of the county auditor's transmittal report to the state treasurer shall be forwarded forthwith to the department of revenue.

Any applicant who has paid use tax to a county auditor under this section may apply to the department of revenue for refund thereof if he has reason to believe that such tax was not legally due and owing. No refund shall be allowed unless application therefor is received by the department of revenue within two years after payment of the tax. Upon receipt of an application for refund the department of revenue shall consider the same and issue its order either granting or denying it and if refund is denied the taxpayer shall have the right of appeal as provided in RCW 82.32.170, 82.32.180 and 82.32.190.

The provisions of this section shall be construed as cumulative of other methods prescribed in chapters 82.04 to 82.32 RCW, inclusive, for the collection of the tax imposed by this chapter. The department of revenue shall have power to promulgate such rules and regulations as may be necessary to administer the provisions of this section. Any duties required by this section to be performed by the county auditor may be performed by the director of licensing but no collection fee shall be deductible by said director in remitting use tax revenue to the state treasurer.

**NEW SECTION, Sec. 6.** This act is necessary for the immediate preservation of the public peace, health, and safety, the support of the state government and its existing public institutions, and shall take effect immediately, except for section 1 of this act, which shall take effect September 1, 1985.\*

ESSB 3012 Prime Sponsor, Committee on Judiciary: Enacting penalties and procedures to prevent harassment. Reported by Committee on Judiciary

**MAJORITY recommendation:** Do pass with the following amendments:

Strike everything after the enacting clause and insert the following:

**\*NEW SECTION, Sec. 1.** The legislature finds that the prevention of serious, personal harassment is an important government objective. Toward that end, this chapter is aimed at making unlawful the repeated invasions of a person's privacy by acts and threats which show a pattern of harassment designed to coerce, intimidate, or humiliate the victim.

The legislature further finds that the protection of such persons from harassment can be accomplished without infringing on constitutionally protected speech or activity.

**NEW SECTION, Sec. 2.** (1) A person is guilty of harassment if:

- (a) Without lawful authority, the person knowingly threatens:
- (i) To cause bodily injury in the future to the person threatened or to any other person; or
  - (ii) To cause physical damage to the property of a person other than the actor; or
  - (iii) To subject the person threatened or any other person to physical confinement or restraint; or

(iv) Maliciously to do any other act which is intended to substantially harm the person threatened or another with respect to his or her physical or mental health or safety; and

(b) The person by words or conduct places the person threatened in reasonable fear that the threat will be carried out.

(2) A person who harasses another is guilty of a gross misdemeanor punishable under chapter 9A.20 RCW, unless the person has previously been convicted in this or any other state of any crime of harassment, as defined in section 6 of this act, of the same victim or members of the victim's family or household or any person specifically named in a no-contact or no-

harassment order, in which case the person is guilty of a class C felony punishable under chapter 9A.20 RCW.

(3) The penalties provided in this section for harassment do not preclude the victim from seeking any other remedy otherwise available under law.

**NEW SECTION. Sec. 3.** Any harassment offense committed as set forth in section 2 of this act may be deemed to have been committed where the conduct occurred or at the place from which the threat or threats were made or at the place where the threats were received.

**NEW SECTION. Sec. 4.** (1) Because of the likelihood of repeated harassment directed at those who have been victims of harassment in the past, when any defendant charged with a crime involving harassment is released from custody before trial on bail or personal recognizance, the court authorizing the release may require that the defendant:

(a) Stay away from the home, school, business, or place of employment of the victim or victims of the alleged offense or other location, as shall be specifically named by the court in the order;

(b) Refrain from contacting, intimidating, threatening, or otherwise interfering with the victim or victims of the alleged offense and such other persons, including but not limited to members of the family or household of the victim, as shall be specifically named by the court in the order.

(2) An intentional violation of a court order issued under this section is a gross misdemeanor. The written order releasing the defendant shall contain the court's directives and shall bear the legend: Violation of this order is a criminal offense under chapter \_\_\_ RCW (chapter \_\_\_, Laws of 1985). A certified copy of the order shall be provided to the victim by the clerk of the court.

**NEW SECTION. Sec. 5.** A defendant who is charged by citation, complaint, or information with an offense involving harassment and not arrested shall appear in court for arraignment in person as soon as practicable, but in no event later than fourteen days after the next day on which court is in session following the issuance of the citation or the filing of the complaint or information. At that appearance, the court shall determine the necessity of imposing a no-contact or no-harassment order or other conditions of pretrial release according to the procedures established by court rule for preliminary appearance or an arraignment.

**NEW SECTION. Sec. 6.** As used in this chapter, 'harassment' may include but is not limited to any of the following crimes:

- (3) Telephone harassment (RCW 9.61.230);

- (26) Statutory rape in the second degree (RCW 9A.44.080); and
- (27) Statutory rape in the third degree (RCW 9A.44.090).

**NEW SECTION. Sec. 7.** Any law enforcement agency in this state may enforce this chapter as it relates to orders restricting the defendants' ability to have contact with the victim or others.

**NEW SECTION. Sec. 8.** The victim shall be informed by local law enforcement agencies or the prosecuting attorney of the final disposition of the case in which the victim is involved. If a defendant is found guilty of a crime of harassment and a condition of the sentence restricts the defendant's ability to have contact with the victim or witnesses, the condition shall be recorded and a written certified copy of that order shall be provided to the victim or witnesses by the clerk of the court.

NEW SECTION. Sec. 9. A peace officer shall not be held liable in any civil action for an arrest based on probable cause, enforcement in good faith of a court order, or any other action or omission in good faith under this chapter arising from an alleged incident of harassment brought by any party to the incident.

NEW SECTION. Sec. 10. As used in RCW 9.61.230 or section 2 of this act, a person has been 'convicted' at such time as a plea of guilty has been accepted or a verdict of guilty has been filed, notwithstanding the pendency of any future proceedings including but not limited to sentencing, posttrial motions, and appeals.

Sec. 11. Section 1, chapter 16, Laws of 1967 and RCW 9.61.230 are each amended to read as follows:

Every person who, with intent to harass, intimidate, torment or embarrass any other person, shall make a telephone call to such other person:

(1) Using any lewd, lascivious, profane, indecent, or obscene words or language, or suggesting the commission of any lewd or lascivious act; or

(2) Anonymously or repeatedly or at an extremely inconvenient hour, whether or not conversation ensues; or

(3) Threatening to inflict injury on the person or property of the person called or any member of his or her family

~~(4) without purpose of legitimate communication) or household;~~  
shall be guilty of a ~~((misdemeanor))~~ gross misdemeanor, unless that person has previously been convicted of any crime of harassment, as defined in section 6 of this 1985 act, with the same victim or member of the victim's family or household or any person specifically named in a no-contact or no-harassment order in this or any other state, in which case the person is guilty of a class C felony punishable under chapter 9A.20 RCW.

NEW SECTION. Sec. 12. This act shall be known as the anti-harassment act of 1985.

NEW SECTION. Sec. 13. Sections 1 through 10 of this act shall constitute a new chapter in Title 9A RCW.

NEW SECTION. Sec. 14. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

Strike everything after the enacting clause and insert the following:

\*Sec. 1. Section 3, chapter 263, Laws of 1984 and RCW 26.50.020 are each amended to read as follows:

(1) Any person may seek relief under this chapter by filing a petition with a court alleging that the person has been the victim of domestic violence committed by the respondent. The person may petition for relief on behalf of himself or herself and on behalf of minor family or household members.

(2) The courts defined in RCW 26.50.010(3) have jurisdiction over proceedings under this chapter. ~~((If a proceeding under chapter 26.09, 26.12, or 26.26 RCW is commenced in a superior court before or after the filing of an action in a district or municipal court under this chapter, then the superior court shall have exclusive jurisdiction over proceedings under this chapter. Any municipal or district court order entered while that court had jurisdiction remains valid until superseded by a superior court order.))~~ The jurisdiction of district or municipal courts under this chapter shall be limited to the issuance and enforcement of temporary orders for protection provided for in RCW 26.50.070 if: (a) A superior court has exercised or is exercising jurisdiction over a proceeding under this title or chapter 13.34 RCW involving the parties; (b) the petition for relief under this chapter presents a child custody or visitation issue; or (c) the petition for relief under this chapter requests the court to exclude a party from the dwelling which the parties share. When the jurisdiction of a district or municipal court is limited to the issuance and enforcement of a temporary order, the district or municipal court shall set the full hearing provided for in RCW 26.50.050 in superior court and transfer the case. If the notice and order are not served on the respondent in time for the full hearing, the issuing court shall have concurrent jurisdiction with the superior court to extend the order for protection.

(3) An action under this chapter shall be filed in the county or the municipality where the petitioner resides, unless the petitioner has left the residence or household to avoid abuse. In that case, the petitioner may bring an action in the county or municipality of the previous or the new household or residence.

(4) A person's right to petition for relief under this chapter is not affected by the person leaving the residence or household to avoid abuse.

~~((5) If an action under this chapter is commenced in a district or municipal court and a petitioner or respondent contests custody or visitation rights, then, upon the motion of either party containing proof that the petition for relief under this chapter has been filed with the superior court, the district or municipal court shall dismiss the action:))~~

Sec. 2. Section 4, chapter 263, Laws of 1984 and RCW 26.50.030 are each amended to read as follows:

There shall exist an action known as a petition for an order for protection in cases of domestic violence.

(1) A petition for relief shall allege the existence of domestic violence, and shall be accompanied by an affidavit made under oath stating the specific facts and circumstances from which relief is sought.

(2) A petition for relief may be made regardless of whether or not there is a pending lawsuit, complaint, petition, or other action between the parties except in cases where the court realigns petitioner and respondent in accordance with RCW 26.50.060(3).

(3) All court clerk's offices shall make available simplified forms and instructional brochures. Any assistance or information provided by clerks under this section does not constitute the practice of law and clerks are not responsible for incorrect information contained in a petition.

(4) A filing fee of twenty dollars shall be charged for proceedings under this section. No filing fee may be charged for: (a) A petition filed in an existing action or under an existing

cause number brought under this chapter in the jurisdiction where the relief is sought; or (b) the transfer of a case from district or municipal court to superior court under RCW 26.50.020(2). Forms and instructional brochures shall be provided free of charge.

(5) A person is not required to post a bond to obtain relief in any proceeding under this section.

Sec. 3. Section 31, chapter 263, Laws of 1984 and RCW 26.50.035 are each amended to read as follows:

The administrator for the courts shall develop and prepare, in consultation with interested persons, the forms and instructional brochures required under RCW 26.50.030(3). ~~((These forms shall be distributed to and available for use by the court clerks before September 1, 1984.))~~ The administrator for the courts shall distribute a master copy of the forms and instructional brochures to all court clerks.

Sec. 4. Section 5, chapter 263, Laws of 1984 and RCW 26.50.040 are each amended to read as follows:

(1) Persons seeking relief under this chapter may file an application for leave to proceed in forma pauperis on forms supplied by the court. If the court determines that a petitioner lacks the funds to pay the costs of filing, the petitioner shall be granted leave to proceed in forma pauperis and no filing fee or any other court related fees shall be charged by the court to the petitioner for relief sought under this chapter. If the petitioner is granted leave to proceed in forma pauperis, then no fees for service may be charged to the petitioner.

(2) For the purpose of determining whether a petitioner has the funds available to pay the costs of filing an action under this chapter, the income of the household or family member named as the respondent is not considered.

Sec. 5. Section 7, chapter 263, Laws of 1984 and RCW 26.50.060 are each amended to read as follows:

(1) Upon notice and after hearing, the court may provide relief as follows:

~~((1))~~ (a) Restrain a party from committing acts of domestic violence;

~~((2))~~ (b) Exclude the respondent from the dwelling which the parties share or from the residence of the petitioner;

~~((3))~~ (c) On the same basis as is provided in chapter 26.09 RCW, award temporary custody and establish temporary visitation with regard to minor children of the parties, and restrain any party from interfering with the custody of the minor children;

~~((4))~~ (d) Order the respondent to participate in treatment or counseling services;

~~((5))~~ (e) Order other relief as it deems necessary for the protection of a family or household member, including orders or directives to a peace officer, as allowed under this chapter; and

~~((6))~~ (f) Require the respondent to pay the filing fee and court costs, including service fees, and to reimburse the petitioner for costs incurred in bringing the action, including a reasonable attorney's fee. If the petitioner has been granted leave to proceed in forma pauperis, the court may require the respondent to pay the filing fee and costs, including services fees, to the county or municipality incurring the expense.

(2) Any relief granted by the order for protection, other than a judgment for costs, shall be for a fixed period not to exceed one year.

(3) In providing relief under this chapter, the court may realign the designation of the parties as 'petitioner' and 'respondent' where the court finds that the original petitioner is the abuser and the original respondent is the victim of domestic violence.

Sec. 6. Section 10, chapter 263, Laws of 1984 and RCW 26.50.090 are each amended to read as follows:

(1) An order issued under this chapter shall be personally served upon the respondent, except as provided in subsection (6) of this section.

(2) The sheriff of the county or the peace officers of the municipality in which the respondent resides shall serve the respondent personally unless the petitioner elects to have the respondent served by a private party.

(3) If service by a sheriff or municipal peace officer is to be used, the clerk of the court shall have a copy of any order issued under this chapter forwarded on or before the next judicial day to the appropriate law enforcement agency specified in the order for service upon the respondent. Service of an order issued under this chapter shall take precedence over the service of other documents unless they are of a similar emergency nature.

(4) If the sheriff or municipal peace officer cannot complete service upon the respondent within ten days, the sheriff or municipal peace officer shall notify the petitioner. The petitioner shall provide information sufficient to permit notification.

(5) Returns of service under this chapter shall be made in accordance with the applicable court rules.

(6) If an order entered by the court recites that the respondent appeared in person before the court, the necessity for further service is waived and proof of service of that order is not necessary.

(7) Except in cases where the petitioner is granted leave to proceed in forma pauperis, municipal police departments serving documents as required under this chapter may collect the same fees for service and mileage authorized by RCW 36.18.040 to be collected by sheriffs.

Sec. 7. Section 15, chapter 263, Laws of 1984 and RCW 26.50.200 are each amended to read as follows:

(a) An order has been issued of which the person has knowledge under RCW 10.99.040(2), 10.99.050, 26.09.060, chapter 26.26 RCW, or chapter 26.50 RCW restraining the person and the person has violated the terms of the order restraining the person from acts or threats of violence or excluding the person from a residence; or

(b) The person is eighteen years or older and within the preceding four hours has assaulted that person's spouse, former spouse, or ((other)) a person eighteen years or older with whom the person resides or has formerly resided. An officer shall make an arrest if the officer believes: (i) A felonious assault has occurred; (ii) an assault has occurred which has resulted in bodily injury to the victim, whether the injury is observable by the responding officer or not; or (iii) that any physical action has occurred which was intended to cause another person reasonably to fear imminent serious bodily injury or death. Bodily injury means physical pain, illness, or an impairment of physical condition. When the officer has probable cause to believe that spouses, former spouses, or other persons who reside together or formerly resided together have assaulted each other, the officer is not required to arrest both persons. The officer shall arrest the person whom the officer believes to be the primary physical aggressor. In making this determination, the officer shall make every reasonable effort to consider: (i) The intent to protect victims of domestic violence under RCW 10.99.010; (ii) the comparative extent of injuries inflicted or serious threats creating fear of physical injury; and (iii) the history of domestic violence between the persons involved.

(3) Any police officer having probable cause to believe that a person has committed or is committing a violation of any of the following traffic laws shall have the authority to arrest the person:

(a) RCW 46.52.010, relating to duty on striking an unattended car or other property;

(b) RCW 46.52.020, relating to duty in case of injury to or death of a person or damage to an attended vehicle;

(c) RCW 46.61.500 or 46.61.530, relating to reckless driving or racing of vehicles;

(d) RCW 46.61.502 or 46.61.504, relating to persons under the influence of intoxicating liquor or drugs;

(e) RCW 46.20.342, relating to driving a motor vehicle while operator's license is suspended or revoked;

(f) RCW 46.61.525, relating to operating a motor vehicle in a negligent manner.

(4) A law enforcement officer investigating at the scene of a motor vehicle accident may arrest the driver of a motor vehicle involved in the accident if the officer has probable cause to believe that the driver has committed in connection with the accident a violation of any traffic law or regulation.

(5) Except as specifically provided in subsections (2), (3), and (4) of this section, nothing in this section extends or otherwise affects the powers of arrest prescribed in Title 46 RCW.

(6) No police officer may be held criminally or civilly liable for making an arrest pursuant to RCW 10.31.100(2) if the police officer acts in good faith and without malice.

Sec. 10, Section 4, chapter 105, Laws of 1979 ex. sess. as last amended by section 22, chapter 263, Laws of 1984 and RCW 10.99.040 are each amended to read as follows:

(1) Because of the serious nature of domestic violence, the court in domestic violence actions:

(a) Shall not dismiss any charge or delay disposition because of concurrent dissolution or other civil proceedings;

(b) Shall not require proof that either party is seeking a dissolution of marriage prior to instigation of criminal proceedings;

(c) Shall waive any requirement that the victim's location be disclosed to any person, other than the attorney of a criminal defendant, upon a showing that there is a possibility of further violence; PROVIDED, That the court may order a criminal defense attorney not to disclose to his client the victim's location; and

(d) Shall identify by any reasonable means on docket sheets those criminal actions arising from acts of domestic violence.

(2) Because of the likelihood of repeated violence directed at those who have been victims of domestic violence in the past, when any ((defendant)) person charged with or arrested for a crime involving domestic violence is released from custody before arraignment or trial on bail or personal recognizance, the court authorizing the release may prohibit ((the defendant)) that person from having any contact with the victim. The ((arresting)) jurisdiction authorizing the release shall determine whether ((the defendant)) that person should be prohibited from having any contact with the victim. If there is no outstanding restraining or protective order prohibiting ((the defendant)) that person from having contact with the victim, the court authorizing release may issue, by telephone, a no-contact order prohibiting the ((defendant)) person charged or arrested from having contact with the victim. The no-contact order shall also be issued in writing as soon as possible. If the court has probable cause to believe that the ((defendant)) person charged or arrested is likely to use or display or threaten to use a deadly weapon as defined in RCW 9A.04.110 in any further acts of violence, the court may also require ((the defendant)) that person to surrender any deadly weapon in ((the defendant's)) that person's immediate possession or control, or subject to ((the defendant's)) that person's immediate possession or control, to the sheriff of the county or chief of police of the municipality in which ((the defendant)) that person resides or to the defendant's counsel for safekeeping.

(3) At the time of arraignment the court shall determine whether a no-contact order shall be issued or extended.

(4) Willful violation of a court order issued under subsection (2) or (3) of this section is a misdemeanor. The written order releasing the ((defendant)) person charged or arrested shall contain the court's directives and shall bear the legend: Violation of this order is a criminal offense under chapter 10.99 RCW and will subject a violator to arrest. A certified copy of the order shall be provided to the victim. If a no-contact order has been issued prior to charging, that order shall expire at arraignment or within fifteen days if charges are not filed. Such orders need not be entered into the computer information system in this state which is used by law enforcement agencies to list outstanding warrants.

((4)) (5) Whenever an order prohibiting contact is issued, modified, or terminated under subsection (2) or (3) of this section, the clerk of the court shall forward a copy of the order on or before the next judicial day to the appropriate law enforcement agency specified in the order. Upon receipt of the copy of the order the law enforcement agency shall forthwith enter the order for one year or until the expiration date specified on the order into any ((computer-based criminal intelligence)) computer information system available in this state used by law enforcement agencies to list outstanding warrants. Entry into the law enforcement information system constitutes notice to all law enforcement agencies of the existence of the order. The order is fully enforceable in any jurisdiction in the state.

Sec. 11, Section 46.64.015, chapter 12, Laws of 1961 as last amended by section 2, chapter 28, Laws of 1979 ex. sess. and RCW 46.64.015 are each amended to read as follows:

Such spaces shall be filled with the appropriate information by the arresting officer. The arrested person, in order to secure release, and when permitted by the arresting officer, must give his written promise to appear in court as required by the citation and notice by signing in the appropriate place the written citation and notice served by the arresting officer. An officer may not serve or issue any traffic citation or notice for any offense or violation except either when the offense or violation is committed in his presence or when a person may be arrested pursuant to RCW 10.31.100, as now or hereafter amended. The detention arising from an arrest under this section may not be for a period of time longer than is reasonably necessary to issue and serve a citation and notice, except that the time limitation does not apply under any of the following circumstances:

(1) Where the arrested person refuses to sign a written promise to appear in court as required by the citation and notice provisions of this section;

(2) Where the arresting officer has probable cause to believe that the arrested person has committed any of the offenses enumerated in RCW 10.31.100((2))(3), as now or hereafter amended.

Sec. 12. Section 5, chapter 105, Laws of 1979 ex. sess. as amended by section 24, chapter 263, Laws of 1984 and RCW 10.99.050 are each amended to read as follows:

(1) When a defendant is found guilty of a crime and a condition of the sentence restricts the defendant's ability to have contact with the victim, such condition shall be recorded and a written certified copy of that order shall be provided to the victim.

(2) Willful violation of a court order issued under this section is a misdemeanor. The written order shall contain the court's directives and shall bear the legend: Violation of this order is a criminal offense under chapter 10.99 RCW and will subject a violator to arrest.

(3) Whenever an order prohibiting contact is issued pursuant to this section, the clerk of the court shall forward a copy of the order on or before the next judicial day to the appropriate law enforcement agency specified in the order. Upon receipt of the copy of the order the law enforcement agency shall forthwith enter the order for one year into any computer-based criminal intelligence information system available in this state used by law enforcement agencies to list outstanding warrants. Entry into the law enforcement information system constitutes notice to all law enforcement agencies of the existence of the order. The order is fully enforceable in any jurisdiction in the state.

((Sections 1 through 4 of this 1980 act)) RCW 82.08.0286 and 82.12.0281 shall expire December 31, ((1986)) 1992.

Sec. 2. Section 13, chapter 196, Laws of 1979 ex. sess. as amended by section 3, chapter 157, Laws of 1980 and RCW 82.04.325 are each amended to read as follows:

The tax imposed by RCW 82.04.270(1) does not apply to any person who manufactures alcohol with respect to sales of said alcohol to be used in the production of gasohol for use as motor vehicle fuel, nor with respect to sales of gasohol for use as motor vehicle fuel. As used in this section, 'motor vehicle fuel' has the meaning given in RCW 82.36.010(2), and 'gasohol' means motor vehicle fuel which contains more than nine and one-half percent alcohol by volume. This RCW section shall expire December 31, ~~((1986))~~ 1992.

Sec. 3. Section 2, chapter 157, Laws of 1980 and RCW 82.29A.135 are each amended to read as follows:

(1) For the purposes of this section, 'alcohol fuel' means any alcohol made from a product other than petroleum or natural gas, which is used alone or in combination with gasoline or other petroleum products for use as a fuel for motor vehicles, farm implements and machines or implements of husbandry.

(2) All leasehold interests in buildings, machinery, equipment, and other personal property which is used primarily for the manufacturing of alcohol fuel, the land upon which such property is located, and land that is reasonably necessary in the manufacturing of alcohol fuel, but not land necessary for growing of crops, which together comprise a new alcohol manufacturing facility or an addition to an existing alcohol manufacturing facility, are exempt from leasehold taxes for a period of six years from the date on which the facility or the addition to the existing facility becomes operational.

For alcohol manufacturing facilities which produce alcohol for use as alcohol fuel and alcohol used for other purposes, the amount of the leasehold tax exemption shall be based upon an annually determined percentage of the total gallons of alcohol produced that is sold and used as alcohol fuel.

(3) Claims for exemptions authorized by this section shall be filed with the department of revenue on forms prescribed by the department of revenue and furnished by the department of revenue. Once filed, the exemption is valid for six years and shall not be renewed. Sec. 34. Section 15, chapter 322, Laws of 1977 ex. sess. and RCW 28B.15.800 are each amended to read as follows:

Notwithstanding any other section of this 1977 amendatory act, the boards of regents and trustees of the respective institutions of higher education shall set aside from (~~general~~) tuition and fees charged in each schedule an amount heretofore pledged and necessary for the purposes of bond retirement until such time as any such debt has been satisfied.

Sec. 35. Section 9, chapter 257, Laws of 1981 as last amended by section 1, chapter 64, Laws of 1983 1st ex. sess. and RCW 28B.15.820 are each amended to read as follows:

(1) Each institution of higher education shall deposit two and one-half percent of revenues collected from tuition(~~(-operating:)~~) and services and activities fees in an institutional long-term loan fund which is hereby created and which shall be held locally. Moneys in such fund shall be used to make guaranteed loans to eligible students except as provided for in subsection (10) of this section.

(2) An 'eligible student' for the purposes of this section is a student registered for at least six credit hours or the equivalent, who is eligible for resident tuition and fee rates as defined in RCW 28B.15.012 through 28B.15.015, and who is a 'needy student' as defined in RCW 28B.10.802.

(3) The amount of the loans made under subsection (1) of this section shall not exceed the demonstrated financial need of the student. Each institution shall establish loan terms and conditions which shall be consistent with the terms of the guaranteed loan program established by 20 U.S. Code Section 1071 et(;) seq., as now or hereafter amended. All loans made shall be guaranteed by the Washington student loan guaranty association or its successor agency. Institutions are hereby granted full authority to operate as an eligible lender under the guaranteed loan program.

(4) Before approving a guaranteed loan, each institution shall analyze the ability of the student to repay the loan based on factors which include, but are not limited to, the student's accumulated total education loan burdens and the employment opportunities and average starting salary characteristics of the student's chosen fields of study. The institution shall counsel

the student on the advisability of acquiring additional debt, and on the availability of other forms of financial aid.

(5) Each institution is responsible for collection of loans made under subsection (1) of this section and shall exercise due diligence in such collection, maintaining all necessary records to insure that maximum repayments are made. Institutions shall cooperate with other lenders and the Washington student loan guaranty association, or its successor agency, in the coordinated collection of guaranteed loans, and shall assure that the guarantability of the loans is not violated. Collection and servicing of loans under subsection (1) of this section shall be performed by entities approved for such servicing by the Washington student loan guaranty association or its successor agency: PROVIDED, That institutions be permitted to perform such servicing if specifically recognized to do so by the Washington student loan guaranty association or its successor agency. Collection and servicing of loans made by community colleges under subsection (1) of this section shall be coordinated by the state board for community college education and shall be conducted under procedures adopted by such state board.

(6) Receipts from payment of interest or principal or any other subsidies to which institutions as lenders are entitled, which are paid by or on behalf of borrowers of funds under subsection (1) of this section, shall be deposited in each institution's general local fund and shall be used to cover the costs of making the loans under subsection (1) of this section and maintaining necessary records and making collections under subsection (5) of this section: PROVIDED, That such costs shall not exceed five percent of aggregate outstanding loan principle. Institutions shall maintain accurate records of such costs, and all receipts beyond those necessary to pay such costs, shall be used for the support of the institution's operating budget.

(7) The boards of regents of the state universities, the boards of trustees of the regional universities and The Evergreen State College, and the state board for community college education, on behalf of the community colleges, shall each adopt necessary rules and regulations to implement this section.

(8) Lending activities under this section shall be directed toward students who would not normally have access to educational loans from private financial institutions in Washington state, and maximum use shall be made of secondary markets in the support of loan consolidation.

(9) Short-term interim loans, not to exceed one hundred twenty days, may be made from the institutional long-term loan fund to students eligible for guaranteed student loans and whose receipt of such loans is pending. Such short-term loans shall not be subject to the guarantee restrictions or the constraints of federal law imposed by subsection (3) of this section. No such loan shall be made to any student who is known by the institution to be in default or delinquent in the payment of any outstanding student loan.

(10) Any moneys deposited in the institutional long-term loan fund which are not used in making long or short term loans or transferred to institutional operating budgets may be used by the institution for locally-administered financial aid programs for needy students, such as need-based institutional employment programs or need-based tuition and fee waiver programs. These funds shall be used in addition to and not to replace institutional funds which would otherwise support these locally-administered financial aid programs. Priority in the use of these funds shall be given to needy students who have accumulated excessive educational loan burdens. An excessive educational loan burden is a burden that will be difficult to repay given employment opportunities and average starting salaries in the student's chosen fields of study.

(3) Such additional funds as the legislature may provide.

Said bond retirement fund shall be kept segregated from all moneys in the state treasury and shall, while any of such bonds or any interest thereon remains unpaid, be available solely for the payment thereof. As a part of the contract of sale of such bonds, the board shall undertake to charge and collect ~~((general tuition))~~ building fees and to deposit the portion of such fees in the bond retirement fund in amounts which will be sufficient to pay and secure the payment of the principal of, and interest on all such bonds outstanding.

(2) To finance the same by the issuance of bonds secured by the pledge of up to one hundred percent of the ~~((general tuition))~~ building fees.

issuance, sale and delivery of the bonds or any part thereof at such time or times as it shall deem necessary and advisable. Said bonds:

- (1) Shall not constitute
  - (a) an obligation, either general or special, of the state; or
  - (b) a general obligation of the college or of the college board;

(2) Shall be

- (a) either registered or in coupon form; and
- (b) issued in denominations of not less than one hundred dollars; and
- (c) fully negotiable instruments under the laws of this state; and

(d) signed on behalf of the college board with the manual or facsimile signature of the chairman of the board, attested by the secretary of the board, have the seal of the college board impressed thereon or a facsimile of such seal printed or lithographed in the bottom border thereof, and the coupons attached thereto shall be signed with the facsimile signatures of such chairman and the secretary:

(3) Shall state

- (a) the date of issue; and
- (b) the series of the issue and be consecutively numbered within the series; and

(5) Shall be payable both principal and interest out of the bond retirement fund;

(6) Shall be payable at such times over a period of not to exceed forty years from date of issuance, at such place or places, and with such reserved rights of prior redemption, as the board may prescribe;

(7) Shall be sold in such manner and at such price as the board may prescribe;

(8) Shall be issued under and subject to such terms, conditions and covenants providing for the payment of the principal thereof and interest thereon and such other terms, conditions, covenants and protective provisions safeguarding such payment, not inconsistent with RCW 28B.50.330 through 28B.50.400, and as found to be necessary by the board for the most advantageous sale thereof, which may include but not be limited to:

(a) A covenant that a reserve account shall be created in the bond retirement fund to secure the payment of the principal of and interest on all bonds issued and a provision made that certain amounts be set aside and maintained therein;

(b) A covenant that sufficient moneys may be transferred from the capital projects account of the college board issuing the bonds to the bond retirement fund of the college board when ordered by the board in the event there is ever an insufficient amount of money in the bond retirement fund to pay any installment of interest or principal and interest coming due on the bonds or any of them;

(c) A covenant fixing conditions under which bonds on a parity with any bonds outstanding may be issued.

The proceeds of the sale of all bonds, exclusive of accrued interest which shall be deposited in the bond retirement fund, shall be deposited in the state treasury to the credit of the capital projects account of the college board and shall be used solely for paying the costs of the projects, the costs of bond counsel and professional bond consultants incurred in issuing the bonds, and for the purposes set forth in (8)(b) above:

(9) Shall constitute a prior lien and charge against ~~((all general tuition))~~ the building fees of the community colleges.

Sec. 56. Section 20, chapter 15, Laws of 1970 ex. sess. as last amended by section 4, chapter 112, Laws of 1974 ex. sess. and RCW 28B.50.360 are each amended to read as follows:

There is hereby created in the state treasury a community college bond retirement fund. Within thirty-five days from the date of start of each quarter all ~~((general tuition))~~ building fees of each such community college shall be paid into the state treasury, and shall be credited as follows:

(1) On or before June 30th of each year the college board if issuing bonds payable out of ~~((general tuition))~~ building fees shall certify to the state treasurer the amounts required in the ensuing twelve-month period to pay and secure the payment of the principal of and interest on such bonds. The state treasurer shall thereupon deposit the amounts so certified in the community college bond retirement fund which fund as required, is hereby created in the state treasury. Such amounts of the funds deposited in the bond retirement fund as are necessary to pay and secure the payment of the principal of and interest on the ~~((tuition fee))~~ building bonds issued by the college board as authorized by this chapter shall be exclusively devoted to that purpose. If in any twelve-month period it shall appear that the amount certified by the college board is insufficient to pay and secure the payment of the principal of and interest on the outstanding ~~((general tuition fee))~~ building bonds, the state treasurer shall notify the college board and such board shall adjust its certificate so that all requirements of moneys to pay and secure the payment of the principal and interest on all such bonds then outstanding shall be fully met at all times.

(2) That portion of the ((~~general tuition~~)) building fees not required for or in excess of the amounts necessary to pay and secure the payment of any of the bonds as provided in subsection (1) above shall be deposited in the community college capital projects account which account is hereby created in the general fund of the state treasury. The sums deposited in the capital projects account shall be appropriated and expended exclusively for the construction, reconstruction, erection, equipping, maintenance, demolition and major alteration of buildings and other capital assets owned by the state board for community college education in the name of the state of Washington, and the acquisition of sites, rights-of-way, easements, improvements or appurtenances in relation thereto, and for the payment of principal of and interest on any bonds issued for such purposes.

(3) Notwithstanding the provisions of subsections (1) and (2) above, at such time as all outstanding ((~~tuition fee~~)) building bonds of the college board payable from the community college bond retirement fund have been paid, redeemed, and retired, or at such time as ample provision has been made by the state for full payment, from some source other than the community college bond retirement fund, of the principal of and the interest on and call premium, if applicable, of such bonds as they mature and/or upon their call prior to their maturity, through refunding or otherwise, that portion of all ((~~general tuition~~)) building fees of the community colleges equal to the amount required to pay yearly debt service on any general obligation bonds issued by the state in accordance with Article VIII, section 1, Washington state Constitution, for community college purposes, shall be paid into the general fund of the state treasury. The state finance committee shall determine whether ample provision has been made for payment of such bonds payable from the said bond retirement fund and shall determine the amount required to pay yearly debt service on such general obligation bonds of the state. Nothing in this subsection shall be construed as obligating the legislature or the state to provide for payment of such community college ((~~tuition fee~~)) building bonds from some source other than the community college bond retirement fund or as pledging the general credit of the state to the payment of such bonds.

Sec. 57. Section 28B.50.370, chapter 223, Laws of 1969 ex. sess. as last amended by section 21, chapter 279, Laws of 1971 ex. sess. and RCW 28B.50.370 are each amended to read as follows:

For the purpose of paying and securing the payment of the principal of and interest on the bonds as the same shall become due, there shall be paid into the state treasury and credited to the bond retirement fund of the state board for community college education, the following:

(1) Amounts derived from ((~~general tuition~~)) building fees as are necessary to pay the principal of and interest on the bonds and to secure the same;

(2) Any grants which may be made, or may become available for the purpose of furthering the construction of any authorized projects, or for the repayment of the costs thereof;

(3) Such additional funds as the legislature may provide.

Said bond retirement fund shall be kept segregated from all moneys in the state treasury and shall, while any of such bonds or any interest thereon remains unpaid, be available solely for the payment thereof. As a part of the contract of sale of such bonds, the college board shall charge and collect ((~~general tuition~~)) building fees as established by this chapter and deposit such fees in the bond retirement fund in amounts which will be sufficient to pay and secure the payment of the principal of, and interest on all such bonds outstanding.

Sec. 58. Section 1, chapter 223, Laws of 1977 ex. sess. and RCW 28B.50.401 are each amended to read as follows:

The state finance committee has heretofore refunded, pursuant to RCW 28B.50.403 through 28B.50.407, all of the outstanding ((~~general tuition fee~~)) building bonds of the community college board payable from the community college bond retirement fund. By reason of such refunding said ((~~tuition fee~~)) bonds are no longer deemed to be outstanding and moneys presently on deposit in said bond retirement fund are no longer needed to pay and secure the payment of such refunded ((~~tuition fee~~)) bonds.

Sec. 59. Section 1, chapter 112, Laws of 1974 ex. sess. and RCW 28B.50.403 are each amended to read as follows:

The state of Washington is hereby authorized to issue state general obligation bonds for the purpose of refunding any outstanding ((~~general tuition fee~~)) building, limited obligation bonds of the college board issued pursuant to this chapter in an amount not exceeding 1.05 times the amount which, taking into account amounts to be earned from the investment of the proceeds of the issue, is required to pay the principal thereof, interest thereon, any premium payable with respect thereto, and the costs incurred in accomplishing such refunding: PROVIDED, That any proceeds of the refunding bonds in excess of those required to accomplish such refunding, or any obligations acquired with such excess proceeds, shall be applied exclusively for the payment of principal, interest, or call premiums with respect to such refunding obligations. In no event shall the amount of such refunding bonds authorized in this section exceed seventy-five million dollars.

Sec. 60. Section 2, chapter 112, Laws of 1974 ex. sess. and RCW 28B.50.404 are each amended to read as follows:

Subject to the specific provisions of RCW 28B.50.360 and 28B.50.403 through 28B.50.407, such general obligation refunding bonds shall be issued and the refunding of said community college (~~(tuition fee)~~ building) bonds shall be carried out pursuant to chapters 39.42 and 39.53 RCW as now or hereafter amended. The bonds shall pledge the full faith and credit of the state of Washington and contain an unconditional promise of the state to pay the principal thereof and interest thereon when due.

Sec. 61. Section 1, chapter 65, Laws of 1975 1st ex. sess. and RCW 28B.57.010 are each amended to read as follows:

The legislature has previously approved by its appropriation of funds from time to time, certain capital projects for the state community colleges, which appropriations were to be funded primarily by the issuance of (~~(general tuition fee)~~ building), limited obligation bonds by the state board for community college education (hereinafter in this chapter called the 'college board'). In order that any future appropriations for such approved capital projects may be funded on terms most advantageous to the state, it is hereby determined to be in the public interest to provide for the issuance of state general obligation bonds, in lieu of (~~(general tuition fee)~~ building), limited obligation bonds.

For purposes of this chapter, 'community college capital projects' means the construction, reconstruction, erection, equipping, maintenance, demolition and major alteration of buildings and other capital assets owned by the state board for community college education in the name of the state of Washington, and the acquisition of sites, rights of way, easements, improvements or appurtenances in relation thereto.

The bonds authorized in this chapter shall be issued only after the college board has certified to the state finance committee that its projected (~~(general tuition)~~ building) fees revenue shall be adequate, based upon reasonable projections of student enrollments, for the college board to meet the requirements of RCW 28B.57.080, during the life of the bonds proposed to be issued.

Sec. 63. Section 8, chapter 65, Laws of 1975 1st ex. sess. and RCW 28B.57.080 are each amended to read as follows:

On or before June 30 of each year, the college board shall accumulate in the community college capital projects account from (~~(general tuition)~~ building) fees and other moneys deposited therein, an amount at least equal to the amount required in the next succeeding twelve months for the payment of principal of and interest on the bonds issued pursuant to this chapter. On July 1st of each such year, the state treasurer shall withdraw said sum from the community college capital projects account and deposit said sum in the state general fund: PROVIDED, That withdrawal of (~~(general tuition)~~ building) fees from the community college capital projects account for deposit into the state general fund pursuant to the provisions of this section shall be made only after provision has first been made for the payment in full of the principal of and interest on all outstanding (~~(general tuition fee)~~ building), limited obligation bonds of the college board coming due in the twelve months next succeeding July 1 of each such year, and for any reserve account deposits necessary for such outstanding bonds in the same period.

Sec. 64. Section 1, chapter 236, Laws of 1975 1st ex. sess. and RCW 28B.58.010 are each amended to read as follows:

The legislature has approved by its appropriation of funds from time to time, capital projects for the state community colleges, which appropriations have been funded primarily by the issuance of (~~(general tuition fee)~~ building), limited obligation bonds by the state board for community college education (hereinafter in this chapter called the 'college board'). In order that any future appropriations for such approved capital projects may be funded on terms most advantageous to the state, it is hereby determined to be in the public interest to provide for the issuance of state general obligation bonds, in lieu of (~~(general tuition fee)~~ building), limited obligation bonds.

For purposes of this chapter, 'community college capital projects' means the construction, reconstruction, erection, equipping, maintenance, demolition and major alteration of buildings and other capital assets owned by the state board for community college education in the name of the state of Washington, and the acquisition of sites, rights-of-way, easements, improvements or appurtenances in relation thereto. It is the intent of the legislature that in any decision to contract for capital projects funded as the result of this chapter, full and fair consideration shall be given to minority contractors.

Sec. 65. Section 7, chapter 236, Laws of 1975 1st ex. sess. and RCW 28B.58.070 are each amended to read as follows:

On or before June 30th of each year, the college board shall accumulate in the community college capital projects account from (~~(general tuition)~~ building) fees and other moneys deposited therein, an amount at least equal to the amount required in the next succeeding twelve months for the payment of principal of and interest on the bonds issued pursuant to this chapter. On July 1st of each such year, the state treasurer shall withdraw said sum from the community college capital projects account and deposit said sum in the state general fund:

PROVIDED, That withdrawal of (~~general tuition~~) building fees from the community college capital projects account for deposit into the general fund pursuant to the provisions of this section shall be made only after provision has first been made for the payment in full of the principal of and interest on all outstanding (~~general tuition fee~~) building, limited obligation bonds of the college board coming due in the twelve months next succeeding July 1st of each such year, and for any reserve account deposits necessary for such outstanding bonds in the same period.

The bonds authorized in this chapter shall be issued only after the college board has certified to the state finance committee that its projected (~~general tuition~~) building fees revenue shall be adequate, based upon reasonable projections of student enrollments, for the college board to meet the requirements of RCW 28B.58.070, during the life of the bonds proposed to be issued.

#### SECOND READING

ENGROSSED SENATE BILL NO. 3189, by Senators Thompson, Granlund, Kreidler, McManus, DeJarnatt, Garrett and Vognild

Allowing payroll deductions for political action committees of public employee organizations.

The bill was read the second time. Committee on Constitution, Elections and Ethics recommendation: Majority, do pass as amended. (For amendments, see Journal, 66th Day, March 20, 1985.)

Ms. Fisher moved adoption of the committee amendments.

Mr. Barnes moved adoption of the following amendment to the committee amendments:

On page 1, line 11 following "committee," insert "A labor or employee organization which sponsors a political action committee shall allow its members who utilize this deduction to

either designate who will receive the political action committee contributions, or vote on who will receive the political action committee contributions."

Mr. Barnes spoke in favor of the amendment to the amendments, and Ms. Fisher spoke against it.

Mr. Padden demanded an electric roll call vote and the demand was sustained.

Mr. Sayan opposed the amendment to the amendments, and Representatives Barrett and Addison spoke in favor of it.

#### POINT OF INQUIRY

Mr. Barnes yielded to question by Mr. Sayan.

Mr. Sayan: "Representative Barnes, by your amendment, is it your intent that labor and employee organizations would be obliged by this PAC rule and not business entities of any kind?"

Mr. Barnes: "No, I think it speaks to the payroll deductions of state employees. Certainly, it is my concept that people, the individual, should make up their own minds on who they support and what candidate and what ballot issue they support. That concept, of course, would apply to people involved in business or people involved in labor. Either way, it's a very personal choice that you make when you vote for a candidate. That choice should never be turned over to an organization, be it business or labor."

Mr. Sayan: "You are suggesting that this would not apply to an organization that was an independent business group or any other political action committee, but only to employees?"

Mr. Barnes: "The bill that we are dealing with, Representative Sayan, deals with deductions from the payroll of state employees. If we could apply my concept more broadly, I would certainly like to do so."

#### ROLL CALL

The Clerk called the roll on adoption of the amendment by Representative Barnes to the committee amendments to Engrossed Senate Bill No. 3189, and the amendment to the amendments was not adopted by the following vote: Yeas, 43; nays, 53; excused, 2.

Representatives Thomas and Silver spoke in favor of the amendment to the amendments, and Ms. Belcher spoke against it.

Mr. Padden demanded an electric roll call vote and the demand was sustained.

#### POINT OF INQUIRY

Ms. Belcher yielded to question by Mr. Smitherman.

Mr. Smitherman: "Representative Belcher, in reading the bill I was sort of led to believe that this is a rather optional arrangement for people, state employees, and

that at any time they decided they wanted to drop out of making the contribution, they could do so. Is that correct?"

Ms. Belcher: "Absolutely. That's true of all deductions from payroll."

Representatives Smitherman and Sayan opposed the amendment.

#### ROLL CALL

The Clerk called the roll on adoption of the amendment by Representative Thomas to the committee amendments to Engrossed Senate Bill No. 3189, and the amendment was not adopted by the following vote: Yeas, 42; nays, 54; excused, 2.

A deduction for a political action committee is not authorized unless the committee has agreed to pay a reasonable fee. This fee shall be set by the office of financial management and shall produce sufficient revenues to pay for implementing and maintaining the program for deductions to political action committees."

Representatives Walker, Padden, Addison and C. Smith spoke in favor of the amendment to the amendments, and Representatives Sayan and Fisher opposed it.

Mr. Sayan again opposed the amendment to the amendments.

Ms. Silver demanded an electric roll call vote and the demand was sustained.

Upon approval of a bond, the department shall on the next business day deposit the fee accompanying the application in the electrical license fund and shall file the bond in the office. The department shall upon request furnish to any person, firm, partnership, corporation, or other entity a certified copy of the bond upon the payment of a fee that the department shall set by rule. The fee shall cover but not exceed the cost of furnishing the certified copy. The bond shall be conditioned that in any installation or maintenance of wires or equipment to convey electrical current, and equipment to be operated by electrical current, the principal will comply with the provisions of this chapter and with any electrical ordinance, building code, or regulation of a city ((or)), town, or county adopted pursuant to RCW 19.28.010(2) that is in effect at the time of entering into a contract. The bond shall be conditioned further that the principal will pay for all labor, including employee benefits, and material furnished or used upon the work, taxes and contributions to the state of Washington, and all damages that may be sustained by any person, firm, partnership, corporation, or other entity due to a failure of the principal to make the installation or maintenance in accordance with this chapter or any applicable ordinance, building code, or regulation of a city ((or)), town, or county adopted pursuant to RCW 19.28.010(2). In lieu of the surety bond required by this section the license applicant may file with the department a cash deposit or other negotiable security acceptable to the department. If the license applicant has filed a cash deposit, the department shall deposit the funds in a special trust savings account in a commercial bank, mutual savings bank, or savings and loan association and shall pay annually to the depositor the interest derived from the account.

(3) The department shall issue general or specialty electrical contractor licenses to applicants meeting all of the requirements of this chapter. The provisions of this chapter relating to the licensing of any person, firm, partnership, corporation, or other entity including the requirement of a bond with the state of Washington named as obligee therein and the collection of a fee therefor, are exclusive, and no political subdivision of the state of Washington may require or issue any licenses or bonds or charge any fee for the same or a similar purpose. No person, firm, partnership, corporation, or other entity holding more than one specialty contractor license under this chapter may be required to pay an annual fee for more than one such license or to post more than one three thousand dollar bond, equivalent cash deposit, or other negotiable security.

(4) To obtain a general or specialty electrical contractor license the applicant must designate an individual who currently possesses an administrator's certificate as a general electrical contractor administrator or as a specialty electrical contractor administrator in the specialty for which application has been made. Administrator certificate specialties include but are not limited to: Residential, domestic, appliance, pump and irrigation, limited energy system, signs, and nonresidential maintenance. To obtain an administrator's certificate an individual must pass an examination as set forth in RCW 19.28.123 unless the applicant was a licensed electrical contractor at any time during 1974. Applicants who were electrical contractors licensed by the state of Washington at any time during 1974 are entitled to receive a general electrical contractor administrator's certificate without examination if the applicants apply prior to January 1, 1984. The board of electrical examiners shall certify to the department the names of all persons who are entitled to either a general or specialty electrical contractor administrator's certificate.

Sec. 11. Section 6, chapter 169, Laws of 1935 and RCW 19.28.190 are each amended to read as follows:

No person, firm or corporation engaging in, conducting or carrying on the business of installing wires or equipment to convey electric current, or installing apparatus to be operated by said current, shall be entitled to commence or maintain any suit or action in any court of this state pertaining to any such work or business, without alleging and proving that such person, firm or corporation held, at the time of commencing and performing such work, an unexpired, unrevoked and unsuspended license issued under the provisions of this chapter; and no city ((or)), town, or county requiring by ordinance or regulation a permit before any such electrical work is installed, shall issue such permit to any person, firm or corporation not holding such license.

Sec. 12. Section 8, chapter 169, Laws of 1935 as last amended by section 7, chapter 206, Laws of 1983 and RCW 19.28.210 are each amended to read as follows:

The director shall cause an inspector to inspect all wiring, appliances, devices, and equipment to which this chapter applies. Nothing contained in this chapter may be construed as providing any authority for any subdivision of government to adopt by ordinance any provisions contained or provided for in this chapter except those pertaining to cities ((and)), towns, and counties pursuant to RCW 19.28.010(2). Upon request, electrical inspections will be made by the department within forty-eight hours, excluding holidays, Saturdays, and Sundays. If, upon written request, the electrical inspector fails to make an electrical inspection within twenty-four hours, the serving utility may immediately connect electrical power to the installation if the necessary electrical work permit is displayed. Whenever the installation of any wiring, device, appliance, or equipment is not in accordance with this chapter, or is in such a condition as to be dangerous to life or property, the person, firm, partnership, corporation, or other entity owning, using, or operating it shall be notified by the department and shall within fifteen days, or such further reasonable time as may upon request be granted, make such repairs and changes as are required to remove the danger to life or property and to make it conform to this chapter. The director, through the inspector, is hereby empowered to disconnect or order the discontinuance of electrical service to conductors or equipment that are found to be in a dangerous or unsafe condition and not in accordance with this chapter. Upon making a disconnection the inspector shall attach a notice stating that the conductors have been found dangerous to life or property and are not in accordance with this chapter. It is unlawful for any person to reconnect such defective conductors or equipment without the approval of the department, and until the conductors and equipment have been placed in a safe and secure condition, and in a condition that complies with this chapter. The director, through the electrical inspector, has the right during reasonable hours to enter into and upon any building or premises in the discharge of his or her official duties for the purpose of making any inspection or test of the installation of new construction or altered electrical wiring, electrical devices, equipment, or material contained in or on the buildings or premises. No electrical wiring or equipment subject to this chapter may be concealed until it has been approved by the inspector making the inspection. Persons, firms, partnerships, corporations, or other entities making electrical installations shall obtain inspection and approval from an authorized representative of the department as required by this chapter before requesting the electric utility to connect to the installations. Electric utilities may connect to the installations if approval is clearly indicated by certification of the electrical work permit required to be affixed to each installation or by equivalent means, except that increased or relocated services may be reconnected immediately at the discretion of the utility before approval if an electrical work permit is displayed. The permits shall be furnished upon payment of the fee to the department. The director, subject to the recommendations and approval of the advisory board, shall set by rule a schedule of license and electrical work permit fees that will cover the costs of administration and enforcement of this chapter. The rules shall be adopted in accordance with the administrative procedure act, chapter 34.04 RCW. No fee may be charged for plug-in mobile homes, recreational vehicles, or portable appliances.

Sec. 13. Section 3, chapter 325, Laws of 1959 as last amended by section 1, chapter 97, Laws of 1967 ex. sess. and RCW 19.28.360 are each amended to read as follows:

The provisions of RCW 19.28.210 shall not apply:

(1) Within the corporate limits of any incorporated city ((or)), town, or county which has heretofore adopted and enforced or subsequently adopts and enforces an ordinance requiring an equal, higher or better standard of construction and of materials, devices, appliances and equipment than is required by this chapter: PROVIDED, That such city ((or)), town, or county shall require that its electrical inspectors meet qualifications provided for state electrical inspectors in accordance with RCW 19.28.070.

(2) Within the service area of an electricity supply agency owned and operated by a city ((or)), town, or county, which is supplying electricity and enforcing a standard of construction and materials outside its corporate limits at the time this act takes effect: PROVIDED, That such city, town, county, or agency shall henceforth enforce by inspection within its service area outside its corporate limits the same standards of construction and of materials, devices, appliances and equipment as is enforced by the department of labor and industries under the authority of this chapter: PROVIDED FURTHER, That fees charged henceforth in connection with such enforcement shall not exceed those established in RCW 19.28.210."

Renumber the section following consecutively.

With the consent of the House, the amendment was withdrawn.

#### POINT OF ORDER

Mr. Braddock: "Mr. Speaker, I wished to offer that amendment."

#### SPEAKER'S RULING (MR. O'BRIEN PRESIDING)

The Speaker (Mr. O'Brien presiding): "Representative Braddock, we have already taken action. According to Reed's Rule 147, it states: 'Whenever a motion to strike out a paragraph is pending, it is in order for the assembly to amend the paragraph, its friends being entitled to perfect it before the vote on striking it out is taken. This is because if the motion to strike out is negative, it is equivalent to an adoption of the words of the paragraph by the assembly, and it can not then be modified....' It appears that we have already taken action and the House has adopted the motion to strike out and insert. It's too late for your amendment."

SSB 3184 Prime Sponsor, Committee on Governmental Operations: Providing state-owned housing for certain state employees. Reported by Committee on State Government

MAJORITY recommendation: Do pass with the following amendment:

Strike everything after the enacting clause and insert the following:

**NEW SECTION.** Sec. 1. The legislature recognizes that significant benefits accrue to the state and that certain types of state operations are more efficient when personnel services are available on an extended basis. Such operations include certain types of facilities managed by agencies such as the departments of natural resources, corrections, fisheries, game, social and health services, transportation, veterans affairs, and the parks and recreation commission.

The means of assuring that such personnel are available on an extended basis is through the establishment of on-site state-owned or leased living facilities. The legislature also recognizes the restrictions and hardship placed upon those personnel who are required to reside in such state-owned or leased living facilities in order to provide extended personnel services.

The legislature further recognizes that there are instances where it is to the benefit of the state to have state-owned or leased living facilities occupied even though such occupancy is not required by the agency as a condition of employment.

**NEW SECTION.** Sec. 2. (1) Whenever an agency requires that an employee reside in state-owned or leased living facilities as a condition of employment, such living facilities shall be made available to the employee under the conditions set forth in sections 3 and 4 of this act.

(2) Whenever an agency determines that (a) a living facility owned or leased by the agency is not occupied by employees under subsection (1) of this section and (b) it would be to the agency's benefit to have the facility occupied, the agency may make the facility available for occupancy to other employees of the agency or employees of other public agencies.

(3) Whenever an agency determines that (a) a living facility owned or leased by the agency is not occupied by employees under subsection (1) of this section and (b) the facility has been made available to employees under subsection (2) of this section and that no such employees have opted to reside in the facility, the agency may make the facility available for occupancy to other interested parties.

**NEW SECTION.** Sec. 3. (1) No rent may be charged to persons living in facilities provided under section 2 (1) and (2) of this act. Such employees shall pay the costs of utilities associated with the living facility.

(2) Rent and utility charges to residents of living facilities under section 2(3) of this act shall be established by the agency responsible for managing the living facility.

(3) Utility charges required by this section shall be based upon (a) the actual measured utility costs for the specific facility or (b) calculated utility costs based upon average actual costs for all living facilities available under section 2 of this act or (c) the guidelines established by the state personnel board which were in effect on July 1, 1984, whichever is less. Utility costs may be adjusted on a yearly basis. Individuals residing in living facilities available under section 2 of this act shall pay all utility costs attributable to the personal enhancements of the individual.

(4) Any person occupying state-owned or leased living facilities shall do so with the understanding that he or she assumes custodial housekeeping responsibility as directed by the agency. Such responsibility shall not include maintenance, repairs, or improvements to the facilities. An occupant of a state-owned or leased facility is liable for damages to the facility in excess of normal wear and tear.

NEW SECTION. Sec. 4. The state shall maintain living facilities occupied under section 2 of this act in a safe, healthful condition.

NEW SECTION. Sec. 5. Sections 1 through 4 of this act shall constitute a new chapter in Title 43 RCW.

NEW SECTION. Sec. 6. This act is necessary for the immediate preservation of the public peace, health, and safety, the support of the state government and its existing public institutions, and shall take effect immediately."

Signed by Representatives Belcher, Chair; Peery, Vice Chair; Baugher, Hankins, O'Brien, Todd and Walk.

MINORITY recommendation: Do not pass. Signed by Representatives Sanders and van Dyke.

Voting nay: Representatives Fuhrman, Sanders and van Dyke.

Absent: Representatives Brooks, Taylor and Vekich.

Passed to Committee on Rules for second reading.

March 27, 1985

ESSB 3228 Prime Sponsor, Committee on Human Services & Corrections: Changing language in the natural death act. Reported by Committee on Social & Health Services

MAJORITY recommendation: Do pass with the following amendment:

Strike everything after the enacting clause and insert the following:

"Sec. 1. Section 2, chapter 112, Laws of 1979 and RCW 70.122.010 are each amended to read as follows:

The legislature finds that adult persons have the fundamental right to control the decisions relating to the rendering of their own (~~(medical)~~) health care, including the decision to have life-sustaining (~~(procedures)~~) treatment withheld or withdrawn in instances of a terminal condition.

The legislature further finds that modern medical technology has made possible the artificial prolongation of human life beyond natural limits.

The legislature further finds that, in the interest of protecting individual autonomy, such (~~(prolongation of life)~~) postponement of the moment of death for persons with a terminal condition may cause loss of patient dignity, and unnecessary pain and suffering, while providing nothing medically necessary or beneficial to the patient.

The legislature further finds that there exists considerable uncertainty in the medical and legal professions as to the legality of terminating the use or application of life-sustaining (~~(procedures)~~) treatment where the patient has voluntarily and in sound mind evidenced a desire that such (~~(procedures)~~) treatment be withheld or withdrawn.

In recognition of the dignity and privacy which patients have a right to expect, the legislature hereby declares that the laws of the state of Washington shall recognize the right of an adult person to make a written directive instructing such person's physician to withhold or withdraw life-sustaining (~~(procedures)~~) treatment in the event of a terminal condition.

The legislature further recognizes that a person in a terminal condition may not have executed such a written directive and that therefore there is a need to establish a means of authorizing the withholding or withdrawing of life-sustaining treatment in the absence of a written directive.

The legislature further recognizes that in the absence of controversy, the court is normally not the proper forum in which to make decisions regarding life-sustaining treatment.

To avoid needless suffering and loss of dignity and to avoid treatment that is not desired by a person in a terminal condition, the legislature declares this chapter to be in the interest of the public health and welfare.

Sec. 2. Section 3, chapter 112, Laws of 1979 and RCW 70.122.020 are each amended to read as follows:

Unless the context clearly requires otherwise, the definitions contained in this section shall apply throughout this chapter.

(1) 'Attending physician' means the physician selected by, or assigned to, the patient who has primary responsibility for the treatment and care of the patient.

(2) 'Directive' means a written document voluntarily executed by the declarer in accordance with the requirements of RCW 70.122.030.

(3) 'Health facility' means a hospital as defined in RCW (~~(70.36.020(7))~~ or) 70.41.020(2), a nursing home as defined in RCW (~~(70.36.020(6))~~) 18.51.010, or a home health agency or hospice agency as defined in RCW 70.126.010.

(4) 'Life-sustaining (~~(procedure)~~) treatment' means any medical or surgical (~~(procedure or intervention which utilizes mechanical or other)~~) care that uses artificial means to sustain, restore, or (~~(supplant)~~) replace a vital function, which, when applied to a qualified patient,

would serve only to ~~((artificially prolong))~~ postpone the moment of death ~~((and where, in the judgment of the attending physician, death is imminent whether or not such procedures are utilized))~~. 'Life-sustaining ~~((procedure))~~ treatment' shall not include the administration of medication or the performance of any medical ~~((procedure))~~ or surgical care deemed necessary solely to alleviate pain.

(5) 'Physician' means a person licensed under chapters 18.71 or 18.57 RCW.

(6) 'Qualified patient' means a patient diagnosed and certified in writing to be afflicted with a terminal condition by ~~((two))~~ three physicians one of whom shall be the attending physician, who have personally examined the patient.

(7) 'Terminal condition' means ~~((an incurable))~~;

~~((a) A condition caused by injury, disease, or illness, ((which, regardless of the application of life-sustaining procedures, would)) that, within reasonable medical judgment, ((produce)) is incurable and will cause death, and where the application of life-sustaining ((procedures)) treatment serves only to postpone the moment of death ((of the patient)); or~~

~~((b) A condition in which the patient is medically assessed as having no reasonable probability of recovery from a comatose or persistent vegetative state.~~

(8) 'Adult person' means a person ~~((attaining))~~ who has attained the age of majority as defined in RCW 26.28.010 and 26.28.015.

Sec. 3. Section 4, chapter 112, Laws of 1979 and RCW 70.122.030 are each amended to read as follows:

(1) Any adult person may execute a directive directing the withholding or withdrawal of life-sustaining ~~((procedures))~~ treatment in a terminal condition. The directive shall be signed by the declarer in the presence of two witnesses not related to the declarer by blood or marriage and who would not be entitled to any portion of the estate of the declarer upon declarer's decease under any will of the declarer or codicil thereto then existing or, at the time of the directive, by operation of law then existing. In addition, a witness to a directive shall not be the attending physician, an employee of the attending physician or a health facility in which the declarer is a patient, or any person who has a claim against any portion of the estate of the declarer upon declarer's decease at the time of the execution of the directive. The directive, or a copy thereof, shall be made part of the patient's medical records retained by the attending physician, a copy of which shall be forwarded to the health facility upon ~~((the withdrawal of life-sustaining procedures))~~ admission. The directive shall be essentially in the following form, but in addition may include other specific directions:

#### DIRECTIVE TO PHYSICIANS

I \_\_\_\_\_, being of sound mind, wilfully, and voluntarily make known my desire that my life shall not be artificially prolonged under the circumstances set forth below, and do hereby declare that:

(a) If at any time I should have an incurable injury, disease, or illness certified to be a terminal condition by ~~((two))~~ three physicians, and where the application of life-sustaining ~~((procedures))~~ treatment would serve only to artificially ~~((prolong))~~ postpone the moment of my death ~~((and where my physician determines that my death is imminent whether or not life-sustaining procedures are utilized))~~, I direct that such ~~((procedures))~~ treatment be withheld or withdrawn, and that I be permitted to die naturally.

(b) In the absence of my ability to give directions regarding the use of such life-sustaining ~~((procedures))~~ treatment, it is my intention that this directive shall be honored by my family and physician(s) as the final expression of my legal right to refuse medical or surgical ~~((treatment))~~ care and I accept the consequences ~~((from))~~ of such refusal.

(c) If I have been diagnosed as pregnant and that diagnosis is known to my physician, this directive shall have no force or effect during the course of my pregnancy.

(d) I understand the full import of this directive and I am emotionally and mentally competent to make this directive.

Signed \_\_\_\_\_

City, County, and State of Residence

The declarer has been personally known to me and I believe him or her to be of sound mind.

Witness \_\_\_\_\_

Witness \_\_\_\_\_

(2) Prior to effectuating a directive the diagnosis of a terminal condition by ~~((two))~~ three physicians shall be verified in writing, attached to the directive, and made a permanent part of the patient's medical records.

NEW SECTION. Sec. 4. A new section is added to chapter 70.122 RCW to read as follows:

(1) Life-sustaining treatment as defined in RCW 70.122.020 that would otherwise be applied to a qualified patient may be withheld or withdrawn according to subsections (2), (3), and (4) of this section if:

(a) The qualified patient is incapable of expressing his or her wishes as to the withholding or withdrawal of life-sustaining treatment;

(b) It is determined by the attending physician that the qualified patient has a terminal condition as defined in RCW 70.122.020(7); and

(c) There is certification in writing of such qualified patient's terminal condition by at least two additional physicians with relevant qualifications, consulting specifically to assess the terminal condition after having personally examined the patient.

(2) If a qualified patient's condition has been determined to meet the conditions set forth in subsection (1) of this section and no directive has been executed according to RCW 70.122.030, life-sustaining treatment may be withheld or withdrawn upon the direction and under the supervision of the attending physician after the physician has obtained authorization from a member of one of the following classes of persons in the following order of priority:

(a) The appointed guardian of the qualified patient, if any;

(b) The individual, if any, to whom the qualified patient has given a durable power of attorney that encompasses the authority to make health care decisions pursuant to section 12 of this act;

(c) The qualified patient's spouse;

(d) Children of the qualified patient who are at least eighteen years of age;

(e) Parents of the qualified patient;

(f) Adult brother(s) and sister(s) of the qualified patient.

If the physician seeking authority to withhold or withdraw life-sustaining treatment from a qualified patient makes reasonable efforts to locate and secure authorization from a competent person in the first or succeeding class and finds no such person available, authorization may be given by any person in the next class in the order of descending priority. However, no person under this section shall have the power to authorize the withholding or withdrawal of life-sustaining treatment from a qualified patient, (i) if a person of higher priority under this section has refused to give such authorization, or (ii) if there are two or more individuals in the same class and the decision is not unanimous among all available members of that class.

(3) Before any person described in subsection (2) of this section authorizes the physician to withhold or withdraw life-sustaining treatment from a qualified patient, he or she must first determine in good faith that the qualified patient, if competent, would choose to forgo life-sustaining treatment. If such a determination cannot be made, the decision to authorize the physician to withhold or withdraw life-sustaining treatment may be made only after determining that forgoing life-sustaining treatment is in the qualified patient's best interests.

(4) If none of the persons described in subsection (2) of this section are available, then life-sustaining treatment may be withheld or withdrawn from a qualified patient upon the direction and under the supervision of the attending physician only after the attending physician determines in good faith that the conditions set forth in subsections (1) and (3) of this section have been met.

Sec. 5. Section 6, chapter 112, Laws of 1979 and RCW 70.122.050 are each amended to read as follows:

No physician or health facility (~~which~~) ~~that~~, acting in good faith in accordance with the requirements of this chapter, (~~causes the withholding or withdrawal of~~) ~~withholds or withdraws~~ life-sustaining (~~procedures~~) ~~treatment~~ from a qualified patient, shall be subject to civil liability therefrom. No (~~licensed~~) health personnel, acting under the direction of a physician, who participates in good faith in the withholding or withdrawal of life-sustaining (~~procedures~~) ~~treatment~~ in accordance with the provisions of this chapter shall be subject to any civil liability. No physician, or health facility or its agents, or (~~licensed~~) health personnel acting under the direction of a physician, who participates in good faith in the withholding or withdrawal of life-sustaining (~~procedures~~) ~~treatment~~ in accordance with the provisions of this chapter shall be guilty of any criminal act or of unprofessional conduct.

Sec. 6. Section 7, chapter 112, Laws of 1979 and RCW 70.122.060 are each amended to read as follows:

(1) Prior to (~~effectuating a~~) the withholding or withdrawal of life-sustaining (~~procedures~~) ~~treatment~~ from a qualified patient pursuant to the directive, the attending physician shall make a reasonable effort to determine that the directive complies with RCW 70.122.030 and, if the patient is mentally competent, that the directive and all steps proposed by the attending physician is to be undertaken are currently in accord with the desires of the qualified patient.

(2) The directive shall be conclusively presumed, unless revoked, to be the directions of the patient regarding the withholding or withdrawal of life-sustaining (~~procedures~~) ~~treatment~~. No physician, and no (~~licensed~~) health personnel acting in good faith under the direction of a physician, shall be criminally or civilly liable for failing to effectuate the directive of the qualified patient pursuant to this subsection. If the physician refuses to effectuate the directive, such physician shall make a good faith effort to transfer the qualified patient to another physician who will effectuate the directive of the qualified patient.

Sec. 7. Section 8, chapter 112, Laws of 1979 and RCW 70.122.070 are each amended to read as follows:

(1) The withholding or withdrawal of life-sustaining (~~procedures~~) ~~treatment~~ from a qualified patient pursuant to the patient's directive in accordance with the provisions of this chapter shall not, for any purpose, constitute a suicide.

(2) The making of a directive pursuant to RCW 70.122.030 shall not restrict, inhibit, or impair in any manner the sale, procurement, or issuance of any policy of life insurance, nor shall it be

deemed to modify the terms of an existing policy of life insurance. No policy of life insurance shall be legally impaired or invalidated in any manner by the withholding or withdrawal of life-sustaining ((procedures)) treatment from an insured qualified patient, notwithstanding any term of the policy to the contrary.

(3) No physician, health facility, or other health provider, and no health care service plan, insurer issuing disability insurance, self-insured employee welfare benefit plan, or nonprofit hospital service plan, shall require any person to execute a directive as a condition for being insured for, or receiving, health care services.

Sec. 8. Section 10, chapter 112, Laws of 1979 and RCW 70.122.080 are each amended to read as follows:

The act of withholding or withdrawing life-sustaining ((procedures)) treatment from a qualified patient, when done pursuant to a directive described in RCW 70.122.030 ((and which causes the death of the declarer)) or the procedures authorized in this chapter, shall not be construed to be an intervening force or to affect the chain of proximate cause between the conduct of ((any person)) anyone that placed the declarer in a terminal condition and the death of the declarer.

Sec. 9. Section 9, chapter 112, Laws of 1979 and RCW 70.122.090 are each amended to read as follows:

Any person who wilfully conceals, cancels, defaces, obliterates, or damages the directive of another without such declarer's consent shall be guilty of a gross misdemeanor. Any person who falsifies or forges the directive of another, or wilfully conceals or withholds personal knowledge of a revocation as provided in RCW 70.122.040 with the intent to cause a withholding or withdrawal of life-sustaining ((procedures)) treatment contrary to the wishes of the declarer, and thereby, because of any such act, directly causes life-sustaining ((procedures)) treatment to be withheld or withdrawn and death to thereby be hastened, shall be subject to prosecution for murder in the first degree as defined in RCW 9A.32.030.

NEW SECTION, Sec. 10. A new section is added to chapter 70.122 RCW to read as follows:

This chapter shall not be construed as providing the exclusive means by which individuals, their legal representatives or next of kin as identified in section 4(2) of this act, may make decisions regarding their health treatment.

NEW SECTION, Sec. 11. A new section is added to chapter 70.122 RCW to read as follows:

NEW SECTION, Sec. 12. A new section is added to chapter 11.94 RCW to read as follows:

(1) A principal may empower his or her attorney-in-fact to make health care decisions on the principal's behalf, without limiting the powers otherwise granted by this durable power of attorney, by inclusion of the following words, or of other language showing a similar intent: "This durable power of attorney includes but is not limited to authorization: (a) To consent to medical and surgical care and nontreatment; (b) to consent to the withholding or withdrawal of life-sustaining treatment; (c) to consent to the admission to a medical, nursing, residential, or a similar facility; and (d) to enter into agreements for my care."

MAJORITY recommendation: Do pass with the following amendments:

Strike everything after the enacting clause and insert the following:

\*NEW SECTION. Sec. 1. A new section is added to chapter 28A.67 RCW to read as follows:

(1) The superintendent of public instruction is hereby authorized to grant funds for selected school improvement and research projects, including improvements in curriculum, instruction, and classroom management developed by teachers.

(2) The superintendent shall appoint an advisory committee on research and development composed of certificated and noncertificated staff, administrators, curriculum specialists, parents, school directors, postsecondary educators, business persons, and others as the superintendent finds necessary. The committee shall propose criteria to the superintendent to evaluate proposed school improvement and research projects proposed by educational employees. The criteria approved by the superintendent shall: (a) Assure to the extent possible that projects will be chosen which represent the various geographical locations, school or district sizes, and grade levels existent in the state; (b) provide for evaluation of each project upon completion; and (c) include such other requirements as the superintendent finds necessary. The committee shall recommend to the superintendent of public instruction the awarding of grants to fund those proposals showing the most potential for developing knowledge which will be helpful to local districts in their efforts to enhance educational equity and excellence. Projects may involve the collaboration of personnel from higher education institutions and kindergarten through grade twelve educators.

(3) The superintendent of public instruction shall award grants to selected project participants in such amounts as determined by the superintendent of public instruction, who shall take into consideration grant amounts as recommended by the advisory committee on research and development under subsection (2) of this section. The sum of all grants awarded per year shall not exceed that amount appropriated by the legislature for such purposes. Grants may be awarded to individual teachers or teams of teachers including teacher's aides and volunteers.

(4) The superintendent of public instruction shall maintain a clearinghouse of information on these research projects for the use of local districts.

NEW SECTION. Sec. 2. A new section is added to chapter 28A.58 RCW to read as follows:

Each school district board of directors shall develop a schedule and process by which each public school within its jurisdiction shall undertake self-study procedures on a regular basis: PROVIDED, That districts may allow two or more elementary school buildings in the district to undertake jointly the self-study process. Each school may follow the accreditation process developed by the state board of education under RCW 28A.04.120(4), although no school is required to file for actual accreditation, or the school may follow a self-study process developed locally. Whatever process is used must focus upon the quality and appropriateness of the school's educational program and the results of its operational efforts.

Any self-study process must include the participation of staff, parents, members of the community, and students, where appropriate to their age.

Emphasis throughout the process shall be placed upon:

(1) Achieving educational excellence and equity;

(2) Building stronger links with the community; and

(3) Reaching consensus upon educational expectations through community involvement and corresponding school management.

The initial self-study process within each district shall begin by September 1, 1986, and should be completed for all schools within a district by the end of the 1990-91 school year.

The state board of education shall develop rules and regulations governing procedural criteria. Such rules and regulations should be flexible so as to accommodate local goals and circumstances. Rules and regulations may allow for waiver of the self-study for economic reasons and may also allow for waiver of the initial self-study if a district or its schools have participated successfully in an official accreditation process or in a similar assessment of educational programs within the last three years. The self-study process shall be conducted on a cyclical basis every seven years following the initial 1990-91 period.

The superintendent of public instruction shall provide training to assist districts in their self-studies.

Each district shall annually report to the superintendent of public instruction on the scheduling and implementation of their self-study activities.

NEW SECTION. Sec. 3. A new section is added to chapter 28A.03 RCW to read as follows:

The superintendent of public instruction is hereby authorized to grant funds to local school districts that apply for funding on a grant proposal or other basis to establish pilot projects in building-based management or district-wide building-based management: PROVIDED, That in at least one project every building in a district shall use building-based management.

The superintendent of public instruction shall develop rules pursuant to chapter 34.04 RCW, in consultation with school districts, for building-based management and district-wide management pilot projects.

The superintendent of public instruction shall submit a report to the legislature not later than January 1, 1988, on the results of the pilot projects and any recommendations.

This section shall expire January 1, 1988.

Sec. 4. Section 14, chapter 244, Laws of 1969 ex. sess. as last amended by section 1, chapter 229, Laws of 1983 and RCW 28A.41.140 are each amended to read as follows:

The basic education allocation for each annual average full time equivalent student shall be determined in accordance with the following procedures:

The governor shall and the superintendent of public instruction may recommend to the legislature a formula based on a ratio of students to staff for the distribution of a basic education allocation for each annual average full time equivalent student enrolled in a common school. The distribution formula shall have the primary objective of equalizing educational opportunities and shall provide appropriate recognition of the following costs among the various districts within the state:

(1) Certificated staff and their related costs;

(2) Classified staff and their related costs;

(3) Nonsalary costs;

(4) Extraordinary costs of remote and necessary schools and small high schools; and

(5) The attendance of students pursuant to RCW 28A.58.075 and 28A.58.245, each as now or hereafter amended, who do not reside within the servicing school district.

This formula for distribution of basic education funds shall be reviewed biennially by the superintendent and governor. The recommended formula shall be subject to approval, amendment or rejection by the legislature. Commencing with the 1980-81 school year, the formula adopted by the legislature shall reflect a ratio of not less than fifty certificated personnel to one thousand annual average full time equivalent students and one classified person to three certificated personnel. In the event the legislature rejects the distribution formula recommended by the governor, without adopting a new distribution formula, the distribution formula for the previous school year shall remain in effect: PROVIDED, That the distribution formula developed pursuant to this section shall be for state apportionment and equalization purposes only and shall not be construed as mandating specific operational functions of local school districts other than those program requirements identified in RCW 28A.58.754. The enrollment of any district shall be the annual average number of full time equivalent students and part time students as provided in RCW 28A.41.145, as now or hereafter amended, enrolled on the first school day of each month. The definition of full time equivalent student shall be determined by rules and regulations of the superintendent of public instruction: PROVIDED, That the definition shall be included as part of the superintendent's biennial budget request: PROVIDED, FURTHER, That any revision of the present definition shall not take effect until approved by the house appropriations committee and the senate ways and means committee: PROVIDED, FURTHER, That the office of financial management shall make a monthly review of the superintendent's reported full time equivalent students in the common schools in conjunction with RCW 43.62.050.

Certificated staff shall include those persons employed by a school district in a teaching, instructional, educational staff associate, learning resources specialist, administrative or supervisory capacity and who hold positions as certificated employees as defined under RCW 28A.01.130, as now or hereafter amended, and every school district superintendent, and any person hired in any manner to fill a position designated as, or which is in fact, that of deputy superintendent or assistant superintendent: PROVIDED, That in exceptional cases, people of unusual competence but without certification may teach students so long as a certificated person exercises general supervision: PROVIDED, FURTHER, That the hiring of such noncertificated people shall not occur during a labor dispute and such noncertificated people shall not be hired to replace certificated employees during a labor dispute. Each annual average full time equivalent certificated classroom teacher's direct classroom contact hours shall average at least twenty-five hours per week. Direct classroom contact hours shall be exclusive of time required to be spent for preparation, conferences, or any other nonclassroom instruction duties. Up to two hundred minutes per week may be deducted from the twenty-five contact hour requirement, at the discretion of the school district board of directors, to accommodate authorized teacher/parent-guardian conferences, recess, passing time between classes, and informal instructional activity. Implementing rules to be adopted by the state board of education pursuant to RCW 28A.58.754(6) shall provide that compliance with the direct contact hour requirement shall be based upon teachers' normally assigned weekly instructional schedules, as assigned by the district administration. Additional record-keeping by classroom teachers as a means of accounting for contact hours shall not be required. However, upon request from the

board of directors of any school district, the provisions relating to direct classroom contact hours for individual teachers in that district may be waived by the state board of education if the waiver is necessary to implement a locally approved plan for educational excellence and the waiver is limited to those individual teachers approved in the local plan for educational excellence. The state board of education shall develop criteria to evaluate the need for the waiver. Granting of the waiver shall depend upon verification that: (a) The students' classroom instructional time will not be reduced; and (b) the teacher's expertise is critical to the success of the local plan for excellence.

NEW SECTION. Sec. 5. A new section is added to chapter 28A.04 RCW to read as follows:

The state board of education may grant waivers to school districts from the provisions of RCW 28A.58.750 through 28A.58.754 on the basis that such waiver or waivers are necessary to implement successfully a local plan to provide for all students in the district an effective education system that is designed to enhance the educational program for each student. The local plan may include alternative ways to provide effective educational programs for students who experience difficulty with the regular education program.

The state board shall adopt criteria to evaluate the need for the waiver or waivers.

NEW SECTION. Sec. 6. A new section is added to chapter 28A.58 RCW to read as follows:

School boards may by separate contract with certificated instructional and classified staff provide supplemental compensation for additional days or additional duties as set forth in the bargaining agreement or agreements as negotiated between the district and the respective bargaining representatives, if the district does not incur obligations for the supplements beyond the current school year and if such supplements do not cause the state to incur any present or future funding obligations. Additional days for certificated instructional staff shall be those days beyond the one hundred and eighty day school year, and for classified staff those days beyond their respective work year. Such separate contracts shall be subject to the collective bargaining provisions of chapter RCW 41.59 and RCW 41.56. Such supplemental compensation shall not be deemed an increase in salary or compensation for purposes of RCW 28A.58.095. Separate contracts shall be subject to the provision of RCW 28A.67.074, shall not exceed one year, and if not renewed shall not constitute adverse change in accordance with RCW 28A.58.450 through RCW 28A.58.515.

NEW SECTION. Sec. 7. The legislature recognizes the important role played by education in the future well-being of the citizens of the state of Washington. The legislature further recognizes the vital and integral part teachers have in the education process. It is therefore the intent of the legislature to improve the quality of teaching in this state by establishing criteria for certification and endorsements to assure that the teachers of our children are well qualified upon entering the profession and continue to maintain and increase their competency.

NEW SECTION. Sec. 8. A new section is added to chapter 28A.70 RCW to read as follows:

The state board of education shall adopt rules for approved professional preparation programs and professional certification requirements that include but are not limited to the following:

(1) Entrance requirements to professional education programs that include but are not limited to a minimum score on the Washington pre-college test, or an equivalent test, or a college grade point average requirement;

(2) After July 1, 1987, a person shall not be eligible for certification until the person has successfully completed two full academic quarters or the equivalent of internship experience under the direction of a supervisory teacher and administrator in a teacher preparation program in a local school district; and

(3) Completion of a degree major in an academic field.

NEW SECTION. Sec. 9. A new section is added to chapter 28A.70 RCW to read as follows:

The examination shall measure professional teaching and pedagogical knowledge. The examination shall be administered to persons seeking initial certification after June 30, 1989, and passage of the examination shall be a condition for receipt of an initial professional certificate.

(2) The state board of education shall study subject area examinations and the use of subject area examinations as a condition for initial certification before the state board of education may require these examinations as a condition for initial certification.

(3) The board shall consult with state education associations and such other groups as the board may deem appropriate in the development of the examination program under this section.

(4) The board shall report on its activities and actions to the education committees of the house of representatives and the senate no later than December, 1986.

(2) Investigate the character of the work required to be performed as a condition of entrance to and graduation from any institution of higher education in this state relative to such certification as provided for in subsection (1) above, and prepare a list of accredited institutions of higher education of this and other states whose graduates may be awarded such certificates.

(3) Develop, establish, and maintain a professional certification examination program as a condition for initial certification.

((9)) (10) Carry out board powers and duties relating to the organization and reorganization of school districts under chapter 28A.57 RCW.

((10)) (11) By rule or regulation promulgated upon the advice of the state fire marshal, provide for instruction of pupils in the public and private schools carrying out a K through 12 program, or any part thereof, so that in case of sudden emergency they shall be able to leave their particular school building in the shortest possible time or take such other steps as the particular emergency demands, and without confusion or panic; such rules and regulations shall be published and distributed to certificated personnel throughout the state whose duties shall include a familiarization therewith as well as the means of implementation thereof at their particular school.

MAJORITY recommendation: Do pass with the following amendments:

Strike everything after the enacting clause and insert the following:

\*Sec. 1. Section 1, chapter 149, Laws of 1979 and RCW 28A.41.400 are each amended to read as follows:

It is the purpose of ~~((this act))~~ RCW 28A.41.402 through 28A.41.410 to create a state-wide program designed to provide remediation assistance to public school students who are deficient in basic skills achievement. The legislature intends that students' participation in the program be for the shortest period of time necessary and that a program objective be to help students attain grade-level in skills as soon as possible. The legislature intends, in establishing and continuing this ~~((new))~~ program, that the most efficient use possible be made of available testing information and of revenue for similar purposes from the federal government.

Sec. 2. Section 2, chapter 149, Laws of 1979 and RCW 28A.41.402 are each amended to read as follows:

As used in ~~((this act))~~ RCW 28A.41.400 through 28A.41.410 unless the context clearly indicates otherwise:

(2) 'Program of remediation' ~~((shall))~~ means the assistance ~~((in the remediation of basic skills deficiencies provided to five students or less per session))~~ provided to eligible students by a person certified pursuant to chapter 28A.70 RCW or by a person appropriately trained for that purpose acting under the direct supervision and control of a person certificated pursuant to chapter 28A.67 RCW. Such assistance shall be provided to ten eligible students or fewer per session. However, local school districts are encouraged to provide such assistance to five eligible students or fewer per session for students in grades two through six. Local school districts shall make every effort to provide such sessions in the regular classroom setting in grades two through six.

(3) 'Approved program' means a program of remediation which is designed by a public school district, or which is selected from the bank of nationally validated proven educational practices and is a diagnostic, prescriptive model in basic skills, and which is approved by the local school board and the superintendent of public instruction in accordance with the following criteria:

(b) The program and individual student progress shall be based on performance objectives related to educational achievement and shall be annually evaluated by the district in a manner consistent with such objectives;

(c) The program shall provide supplementary services designed to meet the ~~((special educational))~~ needs of the participating students by providing a program of remediation for such participating students of sufficient size, scope, and quality to give reasonable promise of substantial progress toward meeting the needs of such students and supportive services consisting of supervision, materials and supplies and the training of administrators, teachers, aides and tutors;

(d) ~~((Not less than fifty percent of the funds expended in the program by any school district in any fiscal year shall be expended in school attendance areas having high concentrations of students from low-income families as defined in Section 122 of Public Law 95-564))~~ The superintendent of public instruction may adopt additional program standards and procedures as necessary to combine the state program for remediation in basic skills with like federal programs in order to fulfill the state's goal of providing service to students in need of remediation;  
and

(e) The school district shall keep individual records of student progress and other such records and provide reasonable access thereto by parents and by the superintendent of public instruction as is necessary to assure compliance with the ~~((foregoing approval criteria))~~ provisions set forth in RCW 28A.41.400 through 28A.41.410.

(4) 'Basic skills tests' means tests established pursuant to RCW 28A.03.360, as now or hereafter amended.

~~((Each school district which has established an approved program)) Each school district in which students are enrolled who are eligible for remediation services under RCW 28A.41.406 shall establish an approved program. Each school district shall submit annually an application to the office of the superintendent of public instruction for program approval. Local school districts are encouraged to save time and effort by implementing those nationally validated programs identified in RCW 28A.41.402(3). Upon approval of the program, each school district shall be eligible((as determined by the superintendent of public instruction)) for state funds made available for the purposes of such program((s)). The ((number of students eligible to participate in such program in each school district)) allocation of state funds for each school district shall be calculated by the superintendent of public instruction ((through the use of data derived from the basic skills test. In making such calculations the superintendent of public instruction shall multiply the percentage of students taking the tests which scored in the lowest quartile, as compared to national norms, by the number of students enrolled in the district in grades two through six)) as follows: The sum of: (1) The number of students enrolled in grades two through six in the district multiplied by the percentage of students taking the fourth grade basic skills test in the previous year who scored in the lowest quartile as compared to national norms, and then reduced to the extent that the number of students ages seven through eleven in the district who are identified as specific learning disabled and served through programs established pursuant to chapter 28A.13 RCW exceeds four percent of the district enrollment in grades two through six; and (2) The number of students enrolled in grades seven through nine in the district multiplied by the percentage of students taking the eighth grade basic skills test in the previous year who scored in the lowest quartile as compared to national norms, and then reduced to the extent that the number of students ages twelve through fourteen in the district who are identified as specific learning disabled and served through programs established pursuant to chapter 28A.13 RCW exceeds four percent of the district enrollment in grades seven through nine: PROVIDED, That in making this calculation the superintendent of public instruction may use an average of the percentages of the students scoring in the lowest quartile over the immediately preceding five or fewer years.~~

Sec. 4. Section 4, chapter 149, Laws of 1979 and RCW 28A.41.406 are each amended to read as follows:

~~Each school district shall determine the students ((who may)) eligible to participate in an approved program of remediation ((shall be determined by each school district)) through placement testing((-PROVIDED, That only students in grades two through six who are behind grade level in one or more basic skills shall be eligible to participate: PROVIDED FURTHER, That the total number of students in a school district who may participate in an approved program of remediation may not exceed the total number of eligible students calculated in accordance with the provisions of RCW 28A.41.404)). Students enrolled in grades two through nine who score at or below the twenty-fifth percentile in one or more basic skills shall be eligible to participate. No student receiving ((educational services from the programs conducted)) special education instruction in basic skills pursuant to chapter 28A.13 RCW shall be eligible to participate in the remediation program established by ((this act)) RCW 28A.41.400 through 28A.41.410 if the student's ((program)) special education instruction is designed to address ((like needs)) the same basic skills as those addressed by the program of remediation.~~

The results of the evaluations required by RCW 28A.41.402(3)(b) shall be transmitted to the superintendent of public instruction annually. The superintendent of public instruction shall also review annually the state-wide remediation program and shall submit a report of such review to the legislature on or before January 1 of each year.

NEW SECTION, Sec. 8. In recognition of the fact that remediation assistance is necessary for some students in every grade level in the public school system in order for such students to reach a reasonable level of achievement in basic skills, it is hereby declared to be the intent of the legislature to extend the remediation assistance program to all eligible students in grades one through twelve beginning with the 1986-1987 school year. This section shall take effect only if funds are appropriated before July 1, 1987, for the purposes of this act. If such funds are not so appropriated for the purposes of this section, this section shall be null and void in its entirety.

Any person engaging in or offering to engage in the activities of a registered tow truck operator without the registration certificate required by this chapter is guilty of a gross misdemeanor.

**NEW SECTION.** Sec. 3. (b) The names and addresses of all persons having an interest in the business, or if the owner is a corporation, the names and addresses of the officers of the corporation;

(c) The names and addresses of all employees who serve as tow truck drivers;

(d) Proof of minimum insurance required by subsection (3) of this section;

(e) Any other information the department may require; and

The bond shall be approved as to form by the attorney general and conditioned that the operator shall conduct his business in conformity with the provisions of this chapter pertaining to abandoned or unauthorized vehicles, and to compensate any person, company, or the state for failure to comply with this chapter or the rules adopted hereunder, or for fraud, negligence, or misrepresentation in the handling of these vehicles. Any person injured by the tow truck operator's failure to fully perform duties imposed by this chapter and the rules adopted hereunder, or an ordinance or resolution adopted by a city, town, or county is entitled to recover actual damages, including reasonable attorney's fees against the surety and the tow truck operator. Successive recoveries against the bond shall be permitted, but the aggregate liability of the surety to all persons shall not exceed the amount of the bond. As a condition of authority to do business, the operator shall keep the bond in full force and effect. The class of the tow truck, determined according to section 5 of this act, shall be stamped on the permit. The permit shall be displayed on the passenger side of the truck's front windshield.

(3) A tow truck number from the department shall be affixed in a permanent manner to each tow truck.

(4) The Washington state patrol shall conduct annual inspections of tow truck operators' equipment and facilities. Unscheduled inspections may be conducted without notice at the operator's place of business by an inspector to determine the fitness of a tow truck or facilities.

(5) If at the time of the annual or subsequent inspections the equipment does not meet the requirements of this chapter, and the deficiency is a safety related deficiency, or the equipment is necessary to the truck's performance, the inspector shall cause the registered tow truck operator to remove that equipment from service as a tow truck until such time as the equipment has been satisfactorily repaired. (b) The vehicle shall be released upon the presentation to any person having custody of the vehicle of commercially reasonable tender sufficient to cover the costs of towing, storage, or other services rendered during the course of towing, removing, impounding, or storing any such motor vehicle. Commercially reasonable tender shall include, without limitation, cash, major bank credit cards, or personal checks drawn on in-state banks if accompanied by two pieces of valid identification, one of which may be required by the operator to have a photograph. Any person who stops payment on a personal check or does not make restitution within ten days from the date a check becomes insufficient due to lack of funds to a towing firm that has provided a service pursuant to this section or in any other manner defrauds the towing firm in connection with services rendered pursuant to this section shall be liable for damages in the amount of twice the towing and storage fees, plus costs and reasonable attorney's fees.

(2) (a) The towing company shall give to each person who seeks to redeem an impounded vehicle written notice of the right of redemption and opportunity for a hearing, which notice shall be accompanied by a form to be used for requesting a hearing, and a copy of the tow and storage receipt. The towing company shall maintain a record evidenced by the redeeming person's signature that such notification was provided.

(b) Any person seeking to redeem an impounded vehicle under this section has a right to a hearing in the district court for the jurisdiction in which the vehicle was impounded to contest the validity of the impoundment or the amount of towing and storage charges. Any request for a hearing shall be made in writing on the form provided for that purpose and must be received by the district court within ten days of the date the opportunity was provided for in subsection (2)(a) of this section. If the hearing request is not received by the district court within the ten-day period, the right to a hearing is waived and the registered owner is liable for any towing, storage, or other impoundment charges permitted under this chapter. Upon receipt of a timely hearing request, the district court shall proceed to hear and determine the validity of the impoundment.

(3)(a) The district court, within five days after the request for a hearing, shall notify the registered tow truck operator, the person requesting the hearing if not the owner, and the registered and legal owners of the motor vehicle in writing of the hearing date and time.

(b) At the hearing, the person or persons requesting the hearing may produce any relevant evidence to show that the impoundment, towing, or storage fees charged were not proper.

(c) At the conclusion of the hearing, the district court shall determine whether the impoundment was proper, whether the towing or storage fees charged were in compliance with the posted rates, and who is responsible for payment of the charges.

(d) If the impoundment is found proper, the impoundment, towing, and storage fees as permitted under this chapter together with court costs shall be assessed against the person or

persons requesting the hearing, unless the operator did not have a signed and valid impoundment authorization from a private property owner or an authorized agent.

(e) If the impoundment is determined to be invalid, then the registered and legal owners of the vehicle shall bear no impoundment, towing, or storage costs, and any bond or other security shall be returned or discharged as appropriate, and the person who authorized the impoundment shall be liable for any towing, storage, or other impoundment charges permitted under this chapter.

(4) Any impounded vehicle not redeemed within fifteen days of mailing of the notice of custody and sale as required by section 11(2) of this act shall be sold at public auction in accordance with all the provisions and subject to all the conditions of section 13 of this act. A vehicle may be redeemed any time before the start of the auction upon payment of towing and storage costs.

**NEW SECTION.** Sec. 13. (1) If, after the expiration of fifteen days from the date of mailing of notice of custody and sale required in section 11(2) of this act to the registered and legal owners, the vehicle or hulk remains unclaimed and has not been listed as a stolen vehicle, then the registered disposer having custody of the vehicle or hulk shall conduct a sale of the vehicle at public auction after having first published a notice of the date, place, and time of the auction in a newspaper of general circulation in the county in which the vehicle is located not less than three days before the date of the auction. The advertisement shall contain a description of the vehicle including the make, model, year, and license number and a notification that a three-hour public viewing period will be available before the auction. The auction shall be held during daylight hours of a normal business day.

(2) The following procedures are required in any public auction of abandoned vehicles:

(a) The auction shall be held in such a manner that all persons present are given an equal time and opportunity to bid;

(b) All bidders must be present at the time of auction unless they have submitted to the registered tow truck operator, who may or may not choose to use the preauction bid method, a written bid on a specific vehicle. Written bids may be submitted up to five days before the auction and shall clearly state which vehicle is being bid upon, the amount of the bid, and who is submitting the bid;

(c) The open bid process, including all written bids, shall be used so that everyone knows the dollar value that must be exceeded;

(d) The highest two bids received shall be recorded in written form;

(e) In case the high bidder defaults, the next bidder has the right to purchase the vehicle for the amount of his or her bid;

(f) The registered tow truck operator shall post a copy of the auction procedure at the bidding site. If the bidding site is different from the licensed office location the operator shall post a clearly visible sign at the office location that describes in detail where the auction will be held. At the bidding site a copy of the newspaper advertisement that lists the vehicles for sale shall be posted;

(g) All surplus moneys derived from the auction after satisfaction of the tow truck operator's lien shall be remitted within thirty days to the department for deposit in the state motor vehicle fund. A report identifying the vehicles resulting in any surplus shall accompany the remitted funds. If the director subsequently receives a valid claim from the registered vehicle owner of record within one year from the date of the auction, the surplus moneys shall be remitted to the registered owner;

(h) If an operator receives no bid, or if the operator is the successful bidder at auction, the operator shall, within thirty days sell the unclaimed abandoned vehicle to a licensed vehicle wrecker, hulk hauler, or scrap processor by use of the abandoned vehicle report-affidavit of sale, or the operator shall apply for title to the vehicle.

(3) (a) In no case may the accumulation of storage charges exceed fifteen days from the date of receipt of the information by the operator from the department as provided by section 11(2) of this act.

(b) The failure of the registered disposer to comply with the time limits provided in this chapter limits the accumulation of storage charges to five days except where delay is unavoidable. Providing incorrect or incomplete identifying information to the department in the abandoned vehicle report shall be considered a failure to comply with these time limits if correct information is available.

**NEW SECTION.** Sec. 14. (1) A registered tow truck operator who has a valid and signed impoundment authorization has a lien upon the vehicle for services provided in the towing and storage of the vehicle, unless the impoundment is determined to have been invalid. However, the lien does not apply to personal property in or upon the vehicle that is not permanently attached to or is not an integral part of the vehicle. The registered operator also has a deficiency claim against the last registered owner of the vehicle for services provided in the towing and storage of the vehicle not to exceed the sum of three hundred dollars less the amount bid at auction, and for vehicles of over ten thousand pounds gross vehicle weight, the operator has a deficiency claim of one thousand dollars less the amount bid at auction, unless the

impound is determined to be invalid. A registered owner who has completed the seller's report as provided for by RCW 46.12.101 is relieved of liability under this section.

(2) Any person who tows, removes, or otherwise disturbs any motor vehicle parked, stalled, or otherwise left on privately owned or controlled property, and any person owning or controlling the private property, or either of them, are liable to the owner, operator, or driver of a motor vehicle, or each of them, for consequential and incidental damages arising from any interference with the ownership or use of the motor vehicle which does not comply with the requirements of this chapter.

(3) Upon receiving information on the vehicle's owner, the landowner shall obtain a junk vehicle notification form from the department. The landowner shall send by certified mail, notification to the registered and legal owners shown on the records of the department. The notification shall describe the redemption procedure and the right to contest the sale of a junk vehicle in a district court hearing.

(4) If the vehicle remains unclaimed more than fifteen days after the landowner has mailed notification to the owner, the landowner may sign an affidavit of sale to be used as a title document.

(5) If no information on the vehicle's owner is found in the records of the department, the landowner shall place a legal notice of custody and sale in a newspaper of general circulation in the county. The newspaper notice shall include (a) the description of the vehicle; (b) the address of the location of the junk vehicle; (c) the date by which the owner must redeem the vehicle; and (d) a telephone number where the landowner can be reached. If the vehicle remains unclaimed more than twenty days after publication of the notice, the landowner may sign an affidavit of sale to be used as a title document.

(6) The landowner of the property upon which the junk vehicle is located is entitled to recover from the vehicle owner any costs incurred in the removal of the junk vehicle.

(7) For the purposes of this section, the term 'landowner' includes a legal owner of private property, a person with possession or control of private property, or a public official having jurisdiction over public property.

#### LOCAL REGULATION

**NEW SECTION.** Sec. 24. (1) A city, town, or county that adopts an ordinance or resolution concerning unauthorized, abandoned, or impounded vehicles shall include the applicable provisions of this chapter.

(a) A city, town, or county may, by ordinance, authorize other impound situations that may arise locally upon the public right-of-way or other publicly owned or controlled property.

(b) A city, town, or county may, by ordinance, provide for release of an impounded vehicle by means of a promissory note in lieu of immediate payment, if at the time of redemption the legal or registered owner requests a hearing on the validity of the impoundment. If the municipal ordinance directs the release of an impounded vehicle before the payment of the impoundment charges, the municipality is responsible for the payment of those charges to the registered tow truck operator within thirty days of the hearing date.

(c) The hearing specified in section 12(2) of this act and in this section may be conducted by an administrative hearings officer instead of in the district court. A decision made by an administrative hearing officer may be appealed to the district court for final judgment.

(2) A city, town, or county may adopt an ordinance establishing procedures for the abatement and removal as public nuisances of unauthorized junk motor vehicles or parts thereof from private property. Costs of removal may be assessed against the last registered owner of the vehicle or automobile hulk if the identity of the owner can be determined, unless the owner

in the transfer of ownership of the vehicle or automobile hulk has complied with RCW 46.12.101, or the costs may be assessed against the owner of the property on which the vehicle is stored.

(3) Ordinances pertaining to public nuisances shall contain:

(a) A provision requiring notice to the last registered owner of record and the property owner of record that a hearing may be requested and that if no hearing is requested, the vehicle or automobile hulk will be removed;

(b) A provision requiring that if a request for a hearing is received, a notice giving the time, location, and date of the hearing on the question of abatement and removal of the vehicle or part thereof as a public nuisance shall be mailed, by certified mail, with a five-day return receipt requested, to the owner of the land as shown on the last equalized assessment roll and to the last registered and legal owner of record unless the vehicle is in such condition that identification numbers are not available to determine ownership;

(c) A provision that the ordinance shall not apply to (i) a vehicle or part thereof that is completely enclosed within a building in a lawful manner where it is not visible from the street or other public or private property or (ii) a vehicle or part thereof that is stored or parked in a lawful manner on private property in connection with the business of a licensed dismantler or licensed vehicle dealer and is fenced according to RCW 46.80.130;

(d) A provision that the owner of the land on which the vehicle is located may appear in person at the hearing or present a written statement in time for consideration at the hearing, and deny responsibility for the presence of the vehicle on the land, with his reasons for the denial. If it is determined at the hearing that the vehicle was placed on the land without the consent of the landowner and that he has not subsequently acquiesced in its presence, then the local agency shall not assess costs of administration or removal of the vehicle against the property upon which the vehicle is located or otherwise attempt to collect the cost from the owner;

(e) A provision that after notice has been given of the intent of the city, town, or county to dispose of the vehicle and after a hearing, if requested, has been held, the vehicle or part thereof shall be removed at the request of a law enforcement officer with notice to the Washington state patrol and the department of licensing that the vehicle has been wrecked. The city, town, or county may operate such a disposal site when its governing body determines that commercial channels of disposition are not available or are inadequate, and it may make final disposition of such vehicles or parts, or may transfer such vehicle or parts to another governmental body provided such disposal shall be only as scrap.

(4) A registered disposer under contract to a city or county for the impounding of vehicles shall comply with any administrative regulations adopted by the city or county on the handling and disposing of vehicles.

## MESSAGE FROM THE GOVERNOR

April 2, 1985

To the Honorable,  
The House of Representatives  
State of Washington  
Ladies and Gentlemen:

I am returning herewith, without my approval as to section 502(5)(g), ENGROSSED SUBSTITUTE HOUSE BILL NO. 386, entitled:

"AN ACT Relating to state agencies."

The section I have vetoed was designed to correct a specific problem in one school district. Since legislative action on ESHB 386, it has come to my attention that the language may do more than intended.

The vetoed language involved complex contracting situations. Retaining the language could cause confusion among local bargaining units and administrators.

I believe the problem raised by this issue deserves a solution. I will work with the legislature during the interim to find an appropriate one.

Respectfully submitted,  
BOOTH GARDNER,  
Governor.

MAJORITY recommendation: Do pass with the following amendments:

Strike everything after the enacting clause and insert the following:

\*Sec. 1. Section 62, chapter 155, Laws of 1965 ex. sess. as last amended by section 328, chapter 258, Laws of 1984 and RCW 46.61.515 are each amended to read as follows:

(1) Every person who is convicted of a violation of RCW 46.61.502 or 46.61.504 shall be punished by imprisonment for not less than twenty-four consecutive hours nor more than one year, and by a fine of not more than ~~((seven hundred fifty))~~ one thousand dollars. Twenty-four consecutive hours of the jail sentence shall not be suspended or deferred unless the judge finds that the imposition of the jail sentence will pose a risk to the defendant's physical or mental well-being. Whenever the mandatory jail sentence is suspended or deferred, the judge must state, in writing, the reason for granting the suspension or deferral and the facts upon which the suspension or deferral is based. The court may impose conditions of probation that may include nonrepetition, alcohol or drug treatment, supervised probation, or other conditions that may be appropriate. The convicted person shall, in addition, be required to complete a course in an alcohol information school approved by the department of social and health services or more intensive treatment in a program approved by the department of social and health services, as determined by the court. A diagnostic evaluation and treatment recommendation shall be prepared under the direction of the court by an alcoholism agency approved by the department of social and health services or a qualified probation department approved by the department of social and health services. A copy of the report shall be forwarded to the department of licensing. Based on the diagnostic evaluation, the court shall determine whether the convicted person shall be required to complete a course in an alcohol information school approved by the department of social and health services or more intensive treatment in a program approved by the department of social and health services. Standards for approval for alcohol treatment programs shall be prescribed by rule under the administrative procedure act, chapter 34.04 RCW. The courts shall periodically review the costs of alcohol information schools and treatment programs within their jurisdictions.

(2) On a second or subsequent conviction for driving or being in physical control of a motor vehicle while under the influence of intoxicating liquor or drugs within a five-year period a person shall be punished by imprisonment for not less than seven days nor more than one year and by a fine of not more than ~~((one))~~ two thousand ~~((five hundred))~~ dollars. District courts and courts organized under chapter 35.20 RCW are authorized to impose such fine. The jail sentence shall not be suspended or deferred unless the judge finds that the imposition of the jail sentence will pose a risk to the defendant's physical or mental well-being. Whenever the

mandatory jail sentence is suspended or deferred, the judge must state, in writing, the reason for granting the suspension or deferral and the facts upon which the suspension or deferral is based. If, at the time of a second or subsequent conviction, the driver is without a license or permit because of a previous suspension or revocation, the minimum mandatory sentence shall be ninety days in jail and a two hundred dollar fine. The penalty so imposed shall not be suspended or deferred. The person shall, in addition, be required to complete a diagnostic evaluation by an alcoholism agency approved by the department of social and health services or a qualified probation department approved by the department of social and health services. The report shall be forwarded to the department of licensing. If the person is found to have an alcohol or drug problem requiring treatment, the person shall complete treatment at an approved alcoholism treatment facility or approved drug treatment center.

In addition to any nonsuspendable and nondeferable jail sentence required by this subsection, the court shall sentence a person to a term of imprisonment not exceeding one hundred eighty days and shall suspend but shall not defer the sentence for a period not exceeding two years. The suspension of the sentence may be conditioned upon nonrepetition, alcohol or drug treatment, supervised probation, or other conditions that may be appropriate. The sentence may be imposed in whole or in part upon violation of a condition of suspension during the suspension period.

(3) The license or permit to drive or any nonresident privilege of any person convicted of driving or being in physical control of a motor vehicle while under the influence of intoxicating liquor or drugs shall:

(a) On the first conviction under either offense, be suspended by the department until the person reaches age nineteen or for ninety days, whichever is longer. The department of licensing shall determine the person's eligibility for licensing based upon the reports provided by the designated alcoholism agency or probation department and shall deny reinstatement until enrollment and participation in an approved program has been established and the person is otherwise qualified;

(b) On a second conviction under either offense within a five-year period, be revoked by the department for one year. The department of licensing shall determine the person's eligibility for licensing based upon the reports provided by the designated alcoholism agency or probation department and shall deny reinstatement until satisfactory progress in an approved program has been established and the person is otherwise qualified;

(c) On a third or subsequent conviction of driving or being in physical control of a motor vehicle while under the influence of intoxicating liquor or drugs, vehicular homicide, or vehicular assault, or any combination thereof within a five-year period, be revoked by the department for two years.

(4) In any case provided for in this section, where a driver's license is to be revoked or suspended, the revocation or suspension shall be stayed and shall not take effect until after the determination of any appeal from the conviction which may lawfully be taken, but in case the conviction is sustained on appeal the revocation or suspension takes effect as of the date that the conviction becomes effective for other purposes.

Sec. 2, Section 2, chapter 219, Laws of 1984 and RCW 46.20.599 are each amended to read as follows:

(1) Whenever any person is arrested for a violation of RCW 46.61.502 or 46.61.504, the arresting officer shall, at the time of arrest, confiscate the person's Washington state license or permit to drive, if any, and issue a temporary license to replace any confiscated license or permit.

(2) Within twenty-four hours of the arrest, the arresting officer shall transmit any confiscated license or permit to the department with a report indicating the date and location of the arrest.

(3) Any temporary license issued under this section shall be dated with the same expiration date as the confiscated license or permit. A temporary license shall be valid only until the sooner of:

(a) Its expiration date; or

(b) The suspension, revocation, or denial by judicial or administrative action for any reason of the license, permit, or privilege to drive of the person holding the temporary license.

(4) The department shall return, replace, or authorize renewal of any confiscated license or permit that has not been suspended or revoked for any reason upon notification:

(a) By the law enforcement agency that made the arrest that a charge has not been filed for the offense for which the license or permit was confiscated;

(b) By the prosecuting authority of the jurisdiction in which the offense occurred that the charge has been dropped or changed to other than one for which confiscation is required under this section; or

(c) By the court in which the case has been or was to be heard that prosecution on the charge has been deferred, that the charge has been dismissed, or that the person charged has been found not guilty of the charge; or

(d) By a court that the person has been convicted of the offense for which the license or permit was confiscated, but the suspension or revocation of the license or permit has been stayed pending appeal of the conviction.

(5) If a temporary license issued under this section expires before the department receives notification under subsection (4) of this section, the department shall authorize the driver to seek renewal of the license. If the driver is qualified for renewal, the department shall issue a new temporary license with the same expiration date as the driver would have received had his or her license or permit not been confiscated.

(6) Upon receipt of a returned or replaced confiscated license from the department, the driver shall return any temporary license in his or her possession or shall sign an affidavit that the temporary license has been lost, stolen, or destroyed.

(7) No temporary license issued under this section is valid to any greater degree than the confiscated license or permit that it replaces.

(8) The department shall provide courts and law enforcement agencies with the appropriate temporary license and notice forms for use under this section.

~~((9) This section shall expire on December 31, 1985.))~~

**NEW SECTION.** Sec. 3. The legislature finds that the deferred prosecution program is an alternative to punishment for persons who will benefit from a treatment program if the treatment program is provided under circumstances that do not unreasonably endanger public safety or the traditional goals of the criminal justice system. This alternative to punishment is dependent for success upon appropriate treatment and the willingness and ability of the person receiving treatment to cooperate fully with the treatment program. The legislature finds that some persons have sought deferred prosecution but have been unable or unwilling to cooperate with treatment requirements and escaped punishment because of the difficulties in resuming prosecution after significant delay due to the absence of witnesses at a later date and the congestion in courts at a later date. The legislature further finds that the deferred prosecution statutes require clarification. The purpose of sections 4 through 19 of this act is to provide specific standards and procedures for judges and prosecutors to use in carrying out the original intent of the deferred prosecution statutes.

Sec. 4. Section 1, chapter 244, Laws of 1975 1st ex. sess. as amended by section 26, chapter 47, Laws of 1982 1st ex. sess. and RCW 10.05.010 are each amended to read as follows:

~~((Upon arraignment))~~ In a court of limited jurisdiction a person charged with a misdemeanor or gross misdemeanor may petition the court to be considered for a deferred prosecution program. The petition shall be filed with the court at least seven days before the date set for trial but, upon a written motion and affidavit establishing good cause for the delay and failure to comply with this section, the court may waive this requirement subject to the defendant's reimbursement to the court of the witness fees and expenses due for subpoenaed witnesses who have appeared on the date set for trial.

A person charged with a traffic infraction, misdemeanor, or gross misdemeanor under Title 46 RCW shall not be eligible for a deferred prosecution program unless the court makes specific findings pursuant to RCW 10.05.020. Such person shall not be eligible for a deferred prosecution program more than once in any five-year period. Separate offenses committed more than seven days apart may not be consolidated in a single program.

**NEW SECTION.** Sec. 5. A new section is added to chapter 10.05 RCW to read as follows:

At the time of arraignment a person charged with a violation of RCW 46.61.502 or 46.61.504 may be given a statement by the court that explains the availability, operation, and effects of the deferred prosecution program.

Sec. 6. Section 2, chapter 244, Laws of 1975 1st ex. sess. and RCW 10.05.020 are each amended to read as follows:

(1) The ~~((petition))~~ petitioner shall allege under oath in the petition that the wrongful conduct charged is the result of or caused by ~~((alcohol problems))~~ alcoholism, drug ~~((problems))~~ addiction, or mental problems for which the person is in need of treatment and unless treated the probability of future reoccurrence is great, along with a statement that the person agrees to pay the cost of a diagnosis and treatment of the alleged problem or problems if financially able to do so. The petition shall also contain a case history ~~((of the person supporting the allegations))~~ and written assessment prepared by an approved alcoholism treatment facility as designated in chapter 70.96A RCW if the petition alleges alcoholism, an approved drug program as designated in chapter 71.24 RCW if the petition alleges drug addiction, or by an approved mental health center if the petition alleges a mental problem.

(2) Before entry of an order deferring prosecution, a petitioner shall be advised of his rights as an accused and execute, as a condition of receiving treatment, a statement that contains: (a) An acknowledgement of his rights; (b) a stipulation to the admissibility of the facts contained in the written police report; and (c) an acknowledgement that the statement will be entered and used to support a finding of guilty if the court finds cause to revoke the order granting deferred prosecution. The petitioner shall also be advised that he may, if he proceeds to trial and is found guilty, be allowed to seek suspension of some or all of the fines and incarceration that may be ordered upon the condition that he seek treatment and, further, that he may seek treatment from public and private agencies at any time without regard to whether

or not he is found guilty of the offense charged. He shall also be advised that the court will not accept a petition for deferred prosecution from a person who sincerely believes that he is innocent of the charges or sincerely believes that he does not, in fact, suffer from alcoholism, drug addiction, or mental problems.

(3) Before entering an order deferring prosecution, the court shall make specific findings that: (a) The petitioner has stipulated to the admissibility of the facts as contained in the written police report; (b) the petitioner has acknowledged the admissibility of the stipulated facts in any criminal hearing or trial on the underlying offense or offenses held subsequent to revocation of the order granting deferred prosecution; and (c) the petitioner's statements were made knowingly and voluntarily. Such findings shall be included in the order granting deferred prosecution.

Sec. 7. Section 4, chapter 244, Laws of 1975 1st ex. sess. and RCW 10.05.040 are each amended to read as follows:

The facility ((or center)) to which such person is referred shall conduct an investigation and examination to determine:

- (1) Whether the person suffers from the problem ((alleged)) described;
- (2) Whether the problem is such that if not treated there is a probability that similar misconduct will occur in the future;
- (3) Whether extensive and long term treatment is required; ((and))
- (4) Whether effective treatment for the person's problem is available; and
- (5) Whether the person is amenable to treatment.

Sec. 8. Section 5, chapter 244, Laws of 1975 1st ex. sess. and RCW 10.05.050 are each amended to read as follows:

The facility ((or center)) shall make a written report to the court stating its findings and recommendations after the ((investigation and)) examination required by RCW 10.05.040. If its findings and recommendations support treatment, it shall also recommend a treatment plan setting out:

- (1) The type;
- (2) Nature;
- (3) Length;
- (4) A treatment time schedule; and
- (5) Approximate cost of the treatment.

The report with the treatment plan shall be filed with the court and a copy given to the ((defendant)) petitioner and ((defendant's)) petitioner's counsel. A copy of the treatment plan shall be given to the prosecutor by petitioner's counsel at the request of the prosecutor. The evaluation facility making the written report shall append to the report a commitment by the treatment facility that it will provide the treatment in accordance with this chapter. The facility shall agree to provide the court with a statement every three months for the first year and every six months for the second year regarding (a) the petitioner's cooperation with the treatment plan proposed and (b) the petitioner's progress or failure in treatment. These statements shall be made as a declaration by the person who is personally responsible for providing the treatment.

Sec. 9. Section 6, chapter 244, Laws of 1975 1st ex. sess. as amended by section 4, chapter 158, Laws of 1979 and RCW 10.05.060 are each amended to read as follows:

If the report recommends treatment, the court shall examine the treatment plan. If it approves the plan and the ((defendant)) petitioner agrees to comply with its terms and conditions and agrees to pay the cost thereof, if able to do so, or arrange for the treatment, an entry shall be made upon the person's court docket showing that the person has been accepted for deferred prosecution. A copy of the treatment plan shall be attached to the docket, which shall then be removed from the regular court dockets and filed in a special court deferred prosecution file. If the charge be one that an abstract ((is required to be sent to the department of licensing, an abstract)) of the docket showing the charge and the date of ((defendant's)) petitioner's acceptance ((for deferred prosecution shall)) is required to be sent to the department of licensing, ((which)) an abstract shall be sent, and the department of licensing shall make an entry of the charge and of the ((defendant's)) petitioner's acceptance for deferred prosecution on the department's driving record of the ((defendant)) petitioner. The department shall maintain the record for five years from date of entry of the order granting deferred prosecution.

Sec. 10. Section 7, chapter 244, Laws of 1975 1st ex. sess. and RCW 10.05.070 are each amended to read as follows:

When treatment is either not recommended or not approved by the judge, or the ((defendant)) petitioner declines to accept the treatment plan, the ((defendant)) petitioner shall be arraigned on the charge.

Sec. 11. Section 8, chapter 244, Laws of 1975 1st ex. sess. and RCW 10.05.080 are each amended to read as follows:

If the petition is not approved or is withdrawn before approval, evidence pertaining to or resulting from the petition and/or investigation is inadmissible in any trial on the charges, but shall be available for use after a conviction in determining a sentence.

Sec. 12. Section 9, chapter 244, Laws of 1975 1st ex. sess. and RCW 10.05.090 are each amended to read as follows:

The court upon receiving such a report shall hold a hearing to determine whether the ~~((defendant))~~ petitioner should be removed from the deferred prosecution program. At the hearing, evidence shall be taken of the ~~((defendant's))~~ petitioner's alleged failure to comply with the treatment plan and the ~~((defendant))~~ petitioner shall have the right to present evidence on his or her own behalf. A deferred prosecution may be considered for enhancement purposes when imposing mandatory penalties and suspensions under RCW 46.61.515 for subsequent offenses within a five-year period.

NEW SECTION. Sec. 16. A new section is added to chapter 10.05 RCW to read as follows:

As a condition of granting a deferred prosecution petition, the court shall order that the petitioner shall not operate a motor vehicle upon the public highways without a valid operator's license and proof of liability insurance. The amount of liability insurance shall be established by the court at not less than that established by RCW 46.29.490. (1) Any person who operates a motor vehicle upon the public highways of this state is deemed to have given consent, subject to the provisions of RCW 46.61.506, to a ((chemical)) test or tests of his or her breath or blood for the purpose of determining the alcoholic content of his or her blood if arrested for any offense where, at the time of the arrest, the arresting officer has reasonable grounds to believe the person had been driving or was in actual physical control of a motor vehicle while under the influence of intoxicating liquor.

The test or tests shall be administered at the direction of a law enforcement officer having reasonable grounds to believe the person to have been driving or in actual physical control of a motor vehicle upon the public highways of this state while under the influence of intoxicating liquor. The officer shall inform the person of his or her right to refuse the test, and of his or her right to have additional tests administered by any qualified person of his or her choosing as provided in RCW 46.61.506. The officer shall warn the driver that his or her privilege to drive will be revoked or denied if he or she refuses to submit to the test. The officer shall warn the driver that his refusal to take the test may be used against him in any subsequent criminal trial.

Unless the person to be tested is unconscious, the ((chemical)) test administered shall be of the breath only. If an individual is unconscious or is under arrest for the crime of vehicular homicide as provided in RCW 46.61.520 or vehicular assault as provided in RCW 46.61.522, or if an individual is under arrest for the crime of driving while under the influence of intoxicating liquor or drugs as provided in RCW 46.61.502, which arrest results from an accident in which another person has been injured and there is a reasonable likelihood that such other person may die as a result of injuries sustained in the accident, a breath or blood test may be administered without the consent of the individual so arrested. In such circumstances, the provisions of subsections (2) through (6) of this section shall not apply.

(2) Any person who is dead, unconscious, or who is otherwise in a condition rendering him incapable of refusal, shall be deemed not to have withdrawn the consent provided by subsection (1) of this section and the test or tests may be administered, subject to the provisions of RCW 46.61.506.

(3) If, following his or her arrest, the person arrested refuses upon the request of a law enforcement officer to submit to a ((chemical)) test of his or her breath, after being informed that his refusal will result in the revocation or denial of his privilege to drive, no test shall be given. The department of licensing, upon the receipt of a sworn report of the law enforcement officer that he had reasonable grounds to believe the arrested person had been driving or was

in actual physical control of a motor vehicle upon the public highways of this state while under the influence of intoxicating liquor and that the person had refused to submit to the test upon the request of the law enforcement officer after being informed that such refusal would result in the revocation or denial of his privilege to drive, shall revoke his license or permit to drive or any nonresident operating privilege. If the person is a resident without a license or permit to operate a motor vehicle in this state, the department shall deny to the person the issuance of a license or permit for a period of one year after the date of the alleged violation or for two years if it is the second such refusal in a five-year period, subject to review as hereinafter provided.

(4) Upon revoking the license or permit to drive or the nonresident operating privilege of any person, or upon determining that the issuance of a license or permit shall be denied to the person, as directed in this section, the department shall immediately notify the person involved in writing by personal service or by registered or certified mail of its decision and the grounds therefor, and of his right to a hearing, specifying the steps he must take to obtain a hearing. The person upon receiving the notice may, in writing and within ten days therefrom request a formal hearing. Upon receipt of such request, the department shall afford him an opportunity for a hearing as provided in RCW 46.20.329 and 46.20.332. The scope of the hearing for the purposes of this section shall cover the issues of whether a law enforcement officer had reasonable grounds to believe the person had been driving or was in actual physical control of a motor vehicle upon the public highways of this state while under the influence of intoxicating liquor, whether the person was placed under arrest, and whether he refused to submit to the test upon request of the officer after having been informed that such refusal would result in the revocation or denial of his privilege to drive. The department shall order that the revocation or determination that there should be a denial of issuance either be rescinded or sustained. Any decision by the department revoking a person's driving privilege shall be stayed and shall not take effect while a formal hearing is pending as provided in this section or during the pendency of a subsequent appeal to superior court so long as there is no conviction for a moving violation or no finding that the person has committed a traffic infraction that is a moving violation during pendency of the hearing and appeal.

(5) If the revocation or determination that there should be a denial of issuance is sustained after such a hearing, the person whose license, privilege, or permit is so affected has the right to file a petition in the superior court of the county in which he or she resides, or, if a nonresident of this state, where the charge arose, to review the final order of revocation or denial by the department in the manner provided in RCW 46.20.334.

(6) When it has been finally determined under the procedures of this section that a nonresident's privilege to operate a motor vehicle in this state has been revoked, the department shall give information in writing of the action taken to the motor vehicle administrator of the state of the person's residence and of any state in which he or she has a license.

Sec. 22. Section 11, chapter 260, Laws of 1981 as last amended by section 2, chapter 165, Laws of 1983 and by section 21 of this act and RCW 46.20.308 are each reenacted and amended to read as follows:

(1) Any person who operates a motor vehicle within this state is deemed to have given consent, subject to the provisions of RCW 46.61.506, to a test or tests of his or her breath or blood for the purpose of determining the alcoholic content of his or her blood if arrested for any offense where, at the time of the arrest, the arresting officer has reasonable grounds to believe the person had been driving or was in actual physical control of a motor vehicle while under the influence of intoxicating liquor.

(2) The test or tests shall be administered at the direction of a law enforcement officer having reasonable grounds to believe the person to have been driving or in actual physical control of a motor vehicle within this state while under the influence of intoxicating liquor. The officer shall inform the person of his or her right to refuse the test, and of his or her right to have additional tests administered by any qualified person of his or her choosing as provided in RCW 46.61.506. The officer shall warn the driver that (a) his or her privilege to drive will be revoked or denied if he or she refuses to submit to the test, (b) that his or her privilege to drive will be suspended, revoked, or denied if the test is administered and the test indicates a concentration of alcohol in his or her blood of 0.10 percent or more, or a concentration of the equivalent of 0.10 gram or more of alcohol per two hundred ten liters of his or her breath, and (c) that his or her refusal to take the test may be used against him or her in a subsequent criminal trial.

(3) Except as provided in this subsection and subsection (4) of this section, the test administered shall be of the breath only. If an individual is unconscious or is under arrest for the crime of vehicular homicide as provided in RCW 46.61.520 or vehicular assault as provided in RCW 46.61.522, or if an individual is under arrest for the crime of driving while under the influence of intoxicating liquor or drugs as provided in RCW 46.61.502, which arrest results from an accident in which another person has been injured and there is a reasonable likelihood that such other person may die as a result of injuries sustained in the accident, a breath or blood test may be administered without the consent of the individual so arrested.

(4) Any person who is dead, unconscious, or who is otherwise in a condition rendering him incapable of refusal, shall be deemed not to have withdrawn the consent provided by subsection (1) of this section and the test or tests may be administered, subject to the provisions of RCW 46.61.506, and the person shall be deemed to have received the warnings required under subsection (2) of this section.

(5) If, following his or her arrest and receipt of warnings under subsection (2) of this section, the person arrested refuses upon the request of a law enforcement officer to submit to a test of his or her breath, no test shall be given except as authorized under subsection (3) or (4) of this section.

Sec. 23. Section 1, chapter 176, Laws of 1979 ex. sess. and RCW 46.61.502 are each amended to read as follows:

A person is guilty of driving while under the influence of intoxicating liquor or any drug if he drives a vehicle within this state while:

(1) He has 0.10 percent or more by weight of alcohol in his blood, or the equivalent of 0.10 gram or more of alcohol per two hundred ten liters of breath, as shown by ((chemical)) analysis of his breath, blood, or other bodily substance made under RCW 46.61.506 as now or hereafter amended; or

(2) He is under the influence of or affected by intoxicating liquor or any drug; or

(3) He is under the combined influence of or affected by intoxicating liquor and any drug.

The fact that any person charged with a violation of this section is or has been entitled to use such drug under the laws of this state shall not constitute a defense against any charge of violating this section.

Sec. 24. Section 2, chapter 176, Laws of 1979 ex. sess. and RCW 46.61.504 are each amended to read as follows:

A person is guilty of being in actual physical control of a motor vehicle while under the influence of intoxicating liquor or any drug if he has actual physical control of a vehicle within this state while:

(1) He has a 0.10 percent or more by weight of alcohol in his blood, or the equivalent of 0.10 gram or more of alcohol per two hundred ten liters of breath, as shown by ((chemical)) analysis of his breath, blood, or other bodily substance made under RCW 46.61.506, as now or hereafter amended; or

(2) He is under the influence of or affected by intoxicating liquor or any drug; or

(3) He is under the combined influence of or affected by intoxicating liquor and any drug.

The fact that any person charged with a violation of this section is or has been entitled to use such drug under the laws of this state shall not constitute a defense against any charge of violating this section. No person may be convicted under this section if, prior to being pursued by a law enforcement officer, he has moved the vehicle safely off the roadway.

Sec. 25. Section 3, chapter 1, Laws of 1969 as last amended by section 5, chapter 176, Laws of 1979 ex. sess. and RCW 46.61.506 are each amended to read as follows:

(1) Upon the trial of any civil or criminal action or proceeding arising out of acts alleged to have been committed by any person while driving or in actual physical control of a vehicle while under the influence of intoxicating liquor or any drug, if the amount of alcohol in the person's blood or breath at the time alleged as shown by ((chemical)) analysis of his blood, breath, or other bodily substance is less than 0.10 percent by weight of alcohol in the person's blood, or the equivalent of 0.10 gram or more of alcohol per two hundred ten liters of breath, it is evidence that may be considered with other competent evidence in determining whether the person was under the influence of intoxicating liquor or any drug.

(2) Percent by weight of alcohol in the blood shall be based upon milligrams of alcohol per one hundred cubic centimeters of blood. The breath analysis shall be based upon grams of alcohol per two hundred ten liters of breath. The foregoing provisions of this section shall not be construed as limiting the introduction of any other competent evidence bearing upon the question whether the person was under the influence of intoxicating liquor or any drug.

(3) ((Chemical)) Tests or analysis of the person's blood or breath to be considered valid under the provisions of this section or RCW 46.61.502 or 46.61.504 shall have been performed according to methods approved by the state toxicologist and by an individual possessing a valid permit issued by the state toxicologist for this purpose. The state toxicologist is directed to approve satisfactory techniques or methods, to supervise the examination of individuals to ascertain their qualifications and competence to conduct such analyses, and to issue permits which shall be subject to termination or revocation at the discretion of the state toxicologist.

(4) When a blood test is administered under the provisions of RCW 46.20.308, the withdrawal of blood for the purpose of determining its alcoholic content may be performed only by a physician, a registered nurse, or a qualified technician. This limitation shall not apply to the taking of breath specimens.

(5) The person tested may have a physician, or a qualified technician, chemist, registered nurse, or other qualified person of his own choosing administer a ((chemical)) test or tests in addition to any administered at the direction of a law enforcement officer. The failure or inability to obtain an additional test by a person shall not preclude the admission of evidence relating to the test or tests taken at the direction of a law enforcement officer.

(6) Upon the request of the person who shall submit to a ~~((chemical))~~ test or tests at the request of a law enforcement officer, full information concerning the test or tests shall be made available to him or his attorney.

(viii) Such additional information as shall be necessary to satisfy the supervisor, in the exercise of the supervisor's discretion, that each such person and associate meets the standards of character, responsibility, and general fitness established for incorporators of a savings bank under RCW 32.08.040.

(b) Notwithstanding any other provision of this section, a bank or bank holding company which has been in operation for at least three consecutive years or a converted mutual savings bank or the holding company of a mutual savings bank need only notify the supervisor and the savings bank to be acquired of an intent to acquire control and the date of the proposed acquisition of control at least thirty days before the date of the acquisition of control.

(c) When a person, other than an individual or corporation, is required to file an application under this section, the supervisor may require that the information required by (a) (i), (ii), (vi), and (viii) of this subsection be given with respect to each person, as defined in subsection (1)(c) of this section, who has an interest in or controls a person filing an application under this subsection.

(d) When a corporation is required to file an application under this section, the supervisor may require that information required by (a) (i), (ii), (vi), and (viii) of this subsection be given for the corporation, each officer and director of the corporation, and each person who is directly or indirectly the beneficial owner of twenty-five percent or more of the outstanding voting securities of the corporation.

Sec. 77(a)), as amended, or in circumstances requiring the disclosure of similar information under the securities exchange act of 1934 (48 Stat. 881, 15 U.S.C. Sec. 78(a)), as amended, the registration statement or application may be filed with the supervisor in lieu of the requirements of this section.

(f) Any acquiring party shall also deliver a copy of any notice or application required by this section to the savings bank proposed to be acquired within two days after such notice or application is filed with the supervisor.

(g) Any acquisition of control in violation of this section shall be ineffective and void.

(h) Any person who willfully or intentionally violates this section or any rule adopted under this section is guilty of a gross misdemeanor pursuant to chapter 9A.20 RCW. Each day's violation shall be considered a separate violation, and any person shall upon conviction be fined not more than one thousand dollars for each day the violation continues.

(b) The plan or proposal of the acquiring party to liquidate the savings bank, to sell its assets, to merge it with any person, or to make any other major change in its business or corporate structure or management is not fair and reasonable to its depositors, borrowers, or stockholders or is not in public interest;

(c) The banking and business experience and integrity of any acquiring party who would control the operation of the savings bank indicates that approval would not be in the interest of the savings bank's depositors, borrowers, or shareholders;

(d) The information provided by the application is insufficient for the supervisor to make a determination or there has been insufficient time to verify the information provided and conduct an examination of the qualification of the acquiring party; or

(e) The acquisition would not be in the public interest.

(4) (a) For a period of ten years following the acquisition of control by any person, neither such acquiring party nor any associate shall receive any loan or the use of any of the funds of, nor purchase, lease, or otherwise receive any property from, nor receive any consideration from the sale, lease, or any other conveyance of property to, any savings bank in which the acquiring party has control except as provided in (b) of this subsection.

(b) Upon application by any acquiring party or associate subject to (a) of this subsection, the supervisor may approve a transaction between a converted savings bank and such acquiring party, person, or associate, upon finding that the terms and conditions of the transaction are at least as advantageous to the savings bank as the savings bank would obtain in a comparable transaction with an unaffiliated person.

(5) Except with the consent of the supervisor, no converted savings bank shall, for the purpose of enabling any person to purchase any or all shares of its capital stock, pledge or otherwise transfer any of its assets as security for a loan to such person or to any associate, or pay any dividend to any such person or associate. Nothing in this section shall prohibit a dividend of stock among shareholders in proportion to their shareholdings. In the event any clause of this section is declared to be unconstitutional or otherwise invalid, all remaining dependent and independent clauses of this section shall remain in full force and effect.

Sec. 26, Section 45, chapter 85, Laws of 1981 and RCW 32.32.230 are each amended to read as follows:

(1) No conversion may be approved by the supervisor unless the plan of conversion provides that the converted savings bank shall enter into an agreement with the supervisor, in form satisfactory to the supervisor, which shall provide that for a period of three years following the conversion any company significantly engaged in an unrelated business activity, either directly or through an affiliate thereof, shall not be permitted, regardless of the form of the transaction, to acquire control of the converted savings bank. Any acquisition of a converted savings bank shall also comply with (~~RCW 30.04.400 through 30.04.410~~) section 25 of this 1985 act.

(2) As used in this section:

(a) The term 'affiliate' means any person or company which controls, is controlled by, or is under common control with, a specified company.

(b) A person or company shall be deemed to have 'control' of:

(c) A company shall be deemed to be 'significantly engaged' in an unrelated business activity if its unrelated business activities would represent, on either an actual or a pro forma basis, more than fifteen percent of its consolidated net worth at the close of this preceding fiscal year or of its consolidated net earnings for such fiscal year.

(d) The term 'unrelated business activity' means any business activity not authorized for a savings bank or any subsidiary thereof.

Upon determination that an application for conversion is properly executed and is not materially incomplete, the supervisor shall advise the applicant, in writing, to publish notices of the filing of the application. Promptly after receipt of the advice, the applicant shall furnish a written notice of the filing to each eligible account holder and also publish a notice of the filing in a newspaper printed in the English language and having general circulation in each community in which an office of the applicant is located, as follows:

NOTICE OF FILING OF AN APPLICATION FOR  
APPROVAL TO CONVERT TO A  
STOCK SAVINGS BANK

Notice is hereby given that, pursuant to chapter 32.32 of the Revised Code of Washington

.....  
(fill in name of applicant)

has filed an application with the Supervisor of Banking for approval to convert to the stock form of organization. Copies of the application have been delivered to \_\_\_\_\_  
(address)

Written comments, including objections to the plan of conversion and materials supporting the objections, from any account holder of the applicant or aggrieved person, will be considered by the supervisor if filed within twenty business days after the date of this notice. Failure to make written comments in objection may preclude the pursuit of any administrative or judicial remedies. Three copies of the comments should be sent to the aforementioned. The proposed plan of conversion and any comments thereon will be available for inspection by any account holder of the applicant at \_\_\_\_\_ (address). A copy of the plan may also be inspected at each office of the applicant.

If a significant number of the applicant's account holders speak a language other than English and a newspaper in that language is published in the area served by the applicant, an appropriate translation of the notice shall also be published in that newspaper. A notice sent by mail may be accompanied by the statement that the converting institution will not mail a subscription offering circular to an eligible account holder or a supplemental eligible account holder unless the eligible account holder or the supplemental eligible account holder, prior to the commencement of the subscription offering, requests the subscription offering circular by returning a postcard. The issuer of stock in the conversion shall pay the postage of this postcard and shall inform the eligible account holder or supplemental eligible holder that the postage is paid.

Sec. 28. Section 97, chapter 85, Laws of 1981 and RCW 32.32.490 are each amended to read as follows:

Amendments to the articles of incorporation of the converted savings bank shall be made ~~((in accordance with the procedures specified in RCW 30.08.088 and 30.08.090, provided that the amendments are also approved by the supervisor))~~ only with the approvals of the supervisor, of two-thirds of the directors of the savings bank, and of the holders of a majority of each class of the outstanding shares of capital stock or such greater percentage of these shares as may be specified in the articles of the converted savings bank.

Sec. 29. Section 98, chapter 85, Laws of 1981 as amended by section 3, chapter 44, Laws of 1983 and RCW 32.32.495 are each amended to read as follows:

(1) Every converted savings bank shall be managed by not less than five directors, except that a bank having a capital of fifty thousand dollars or less may have only three directors. Directors shall be elected by the stockholders and hold office for one year and until their successors are elected and have qualified. In the first instance the directors shall be those named in the articles of incorporation and afterwards, those elected at the annual meeting of the stockholders to be held at least once each year on a day to be specified by the converted savings bank's bylaws but not later than May 15th of each year. If for any cause an election is not held at that time, it may be held at an adjourned meeting or at a subsequent meeting called for that purpose in the manner prescribed by the corporation's bylaws. Each director shall be a resident of a state of the United States. The directors shall meet at least ((once)) nine times each ((month)) year and whenever required by the supervisor. A majority of the board of directors shall constitute a quorum for the transaction of business. At all stockholders' meetings, each share shall be entitled to one vote, unless the articles of incorporation provide otherwise. Any stockholder may vote in person or by written proxy.

(2) If the board of directors consists of nine or more members, in lieu of electing the entire number of directors annually, the converted savings bank's articles of incorporation or bylaws may provide that the directors be divided into either two or three classes, each class to be as nearly equal in number as possible, the term of office of directors of the first class to expire at the first annual meeting of shareholders after their election, that of the second class to expire at the second annual meeting after their election, and that of the third class, if any, to expire at the third annual meeting after their election. At each annual meeting after such classification, the number of directors equal to the number of the class whose term expires at the time of such meeting shall be elected to hold office until the second succeeding annual meeting, if there are two classes, or until the third succeeding annual meeting, if there are three classes. A classification of directors shall not be effective prior to the first annual meeting of shareholders.

(3) Immediately upon election, each director shall take, subscribe, swear to, and file with the supervisor an oath that he will, so far as the duty devolves upon him, diligently and honestly administer the affairs of the corporation and will not knowingly violate or willingly permit to be violated any provision of law applicable to the corporation.

(4) A vacancy occurring in the board of directors may be filled by the affirmative vote of a majority of the remaining directors. A director elected to fill a vacancy shall be elected for the unexpired term of the director's predecessor in office. A directorship to be filled by reason of an increase in the number of directors may be filled by the board of directors for a term of office continuing only until the next election of directors by the shareholders.

NEW SECTION. Sec. 30. A new section is added to chapter 32.32 RCW to read as follows:

(1) In a conversion of an unconverted mutual savings bank that is in the process of acquisition by a savings bank holding company or in the process of merger or consolidation with a subsidiary of a savings bank holding company, the restrictions imposed by RCW 32.32.110 on resale of stock apply to shares of the holding company purchased on original issue by any director or officer of the converting savings bank that is in the process of acquisition, merger, or consolidation, and the restrictions imposed by this chapter apply to the ownership of capital stock in the holding company with the same force and effect as they would apply to the ownership of capital stock of the unconverted mutual savings bank if shares of this savings bank were offered to depositors or the public pursuant to this chapter.

(2) The tender of shares by directors and officers of a converted savings bank in exchange for shares of another converted savings bank, or for shares of a holding company, do not constitute a sale for purposes of RCW 32.32.110. However, the restrictions of RCW 32.32.110 and 32.32.115 apply to the resale of the shares they receive in such an exchange with the same force and effect as to the shares of the converted savings bank they purchased on original issue for a period of three years following the date of such purchase on original issue.

Sec. 31. Section 99, chapter 85, Laws of 1981 and RCW 32.32.500 are each amended to read as follows:

Sec. 1464 (d)(11), or (5) if the surviving institution is to be a bank holding company, the Federal Reserve Board under 12 U.S.C. Sec. 1842 (a) and (d).

In the case of a liquidation, acquisition, merger, consolidation, or conversion of a converted savings bank, chapter ~~((s 30.44 and 30.49))~~ 32.34 RCW shall apply.

Sec. 32. Section 100, chapter 85, Laws of 1981 and RCW 32.32.505 are each amended to read as follows:

(1) It is the intention of the legislature to grant, by this chapter, authority to permit conversions by mutual savings banks to capital stock form, and the rights, powers, restrictions, limitations, and requirements of Title 32 RCW shall apply to a converted mutual savings bank except that, in the event of conflict between the provisions of this chapter and other provisions of Title 32 RCW, the other provisions shall be construed in favor of the accomplishment of the purposes of this chapter.

(2) References in the Revised Code of Washington as of the most recent effective date of any amendment, to mutual savings banks shall refer also to stock savings banks converted from mutual form under this chapter. References in the Revised Code of Washington to the board of trustees of a mutual savings bank shall refer also to the board of directors of a stock savings bank converted from mutual form under this chapter. The provisions of Title 30 RCW shall not apply to a converted mutual savings bank except insofar as the provisions would apply to a mutual savings bank.

**NEW SECTION.** Sec. 33. (1) The voluntary liquidation of a mutual savings bank converted to the stock form requires the affirmative vote or written consent of two-thirds of the directors of the converted savings bank, requires the affirmative vote of two-thirds of the outstanding stock of the savings bank, shall proceed as prescribed in chapter 32.24 RCW, and shall be complete upon the payment of any surplus remaining, after satisfaction of all debts and liabilities of the savings bank, to shareholders in accordance with their legal rights to such surplus.

(2) A savings bank which has converted to the stock form may sell all its assets and transfer all its liabilities upon the affirmative vote or with the written consent of two-thirds of its directors, and upon the affirmative vote of the holders of two-thirds of the outstanding voting shares in each class entitled to vote.

(3) Any merger or consolidation involving a mutual savings bank converted to stock form requires approval by two-thirds of the directors and by the holders of a majority of the outstanding voting shares in each class except that a merger or consolidation approved by two-thirds of the outstanding voting shares in each class requires approval by only a majority of the directors of the converted savings bank, and except as provided in subsection (4) of this section.

(4) A savings bank that has converted to the stock form may engage in a consolidation and pooling of assets upon the affirmative vote of two-thirds of its directors, if (a) the total assets of the converted savings bank, immediately prior to the day of the consolidation and pooling of assets, exceed two-thirds of the assets of the institution that would result from the consolidation and pooling of assets, (b) the converted savings bank will survive the consolidation and pooling of assets, without its shareholders surrendering their shares of stock in the converted savings bank, and (c) the other institution being merged or consolidated is a savings bank or savings and loan association.

(5) Any converted savings bank may provide in its articles of incorporation for a higher percentage of affirmative shareholder votes to approve any liquidation, sale of assets, merger, or consolidation.

**NEW SECTION.** Sec. 34. (1) No savings bank having capital stock may establish a holding company to own all its stock without the approval of the supervisor. Upon tender of their shares of the converted savings bank, the shareholders of the savings bank shall receive all the shares of the holding company which are outstanding at the time of this tender.

(2) Any company owning more than twenty-five percent of the outstanding voting stock of a savings bank doing business under this Title 32 RCW shall, in addition to the restrictions of section 25 of this act, be subject to regulation as a savings bank holding company. Any savings bank holding company which is not subject to regulation by the federal reserve board or the federal home loan bank board, and all holding company subsidiaries engaging in businesses which are not subject to regulation or licensing by the federal home loan bank board, the supervisor of savings and loan associations, the commissioner of insurance, or the administrator authorized to regulate loan companies doing business under Title 31 RCW, will be subject to such regulation of accounting practices and of the qualifications of directors and officers, and such inspection and visitation by the supervisor of banking as the supervisor shall deem appropriate, subject to the limitations imposed on regulation, inspection, and visitation of a savings bank under this title. In addition, any savings bank holding company and all holding company subsidiaries will be subject to visitation by the supervisor of banking as such shall deem appropriate, subject to the limitations imposed on visitation of a savings bank under this Title 32 RCW and under the supremacy clause of the Constitution of the United States. The savings bank subsidiary of this holding corporation may engage in subsequent mergers, consolidations, acquisitions, and conversions, only to the extent authorized by RCW 32.32.500, and only upon complying with the applicable requirements in section 33 of this act and this chapter.

(3) In the event a savings bank forms a subsidiary to carry out any of the powers of savings banks under this title, any institution with which this subsidiary merges shall continue to be subject to regulation, inspection, and visitation by the supervisor of savings and loans if the subsidiary is authorized to do business by Title 33 RCW.

**NEW SECTION.** Sec. 35. A savings bank not having capital stock may establish a business trust for the benefit of its depositors, with the approval of the supervisor and subject to such

rules and regulations as the supervisor may adopt. The supervisor may permit this business trust to become a mutual holding company owning all shares of an interim stock savings bank, the sole purpose of which shall be to merge into the mutual savings bank that formed the business trust. The depositors in an unconverted savings bank which has merged with the subsidiary of such a mutual holding company, in the event of a later conversion of this mutual holding company to the stock form, shall retain all their rights to their deposits in the savings bank, and shall also receive, without payment, nontransferable rights to subscribe for the stock of the holding company, and rights to a liquidation account maintained by the holding company in proportion to their deposits in the savings bank, to the same extent that they would receive these rights in a stock conversion of the savings bank as prescribed in chapter 32.32 RCW.

**NEW SECTION.** Sec. 36. (1) Any holder of shares of a savings bank shall be entitled to receive the value of these shares, as specified in subsection (2) of this section, if (a) the savings bank is voluntarily liquidating, being acquired, merging, or consolidating, (b) the shareholder voted, in person or by proxy, against the liquidation, acquisition, merger, or consolidation, at a meeting of shareholders called for the purpose of voting on such transaction, and (c) the shareholder delivers a written demand for payment, with the stock certificates, to the savings bank within thirty days after such meeting of shareholders. The value of shares shall be paid in cash, within ten days after receipt of the written demand and stock certificates, except that if three appraisers are appointed as specified in subsection (2) of this section, the payment shall be due forty-five days after receipt of such demand and stock certificates.

(2) The value of such shares shall be the price published for shares listed on a national securities exchange, and shall be the bid price published for shares traded over the counter, at the close of business on the business day before the shareholders' meeting at which the shareholder dissented, except that if such shares are not so listed or traded, or if the value so determined differs by twenty percent or more from the average of such prices for the shares during the thirty days prior to this business day, or if a violation of RCW 32.32.225 has affected such determination, then the value of the shares shall be determined, within forty days after delivery of the stock certificates, by three appraisers appointed as provided in RCW 30.49.090.

**NEW SECTION.** Sec. 37. Sections 33 through 36 of this act are each added to chapter 32.34 RCW.

Whenever the legislative body of any city or town, shall deem it advisable that such city or town shall purchase, acquire or construct any public utility mentioned in RCW 35.67.020, or make any additions (~~(and)~~), betterments, or alterations thereto, or extensions thereof, such legislative body shall provide therefor by ordinance, which shall specify and adopt the system or plan proposed, and declare the estimated cost thereof as near as may be (~~and the same shall be submitted for ratification or rejection to the qualified voters of such city or town at a general or special election, except in the following cases where no submission shall be necessary:~~

(1) ~~When the adoption of a system of sewerage or system for collection and disposal of refuse, and the construction and operation of same, has been required and ordered by the state board of health.~~

(2) ~~When no general indebtedness is to be incurred by such city or town in the acquiring, construction, maintenance or operation of such public utility, or when the work proposed is an addition or extension thereto or betterment thereof for which no general indebtedness is to be incurred by such city or town.~~

~~If a general indebtedness is to be incurred, the amount of such indebtedness and the terms thereof shall be included in the proposition submitted to the qualified voters as aforesaid and such proposition shall be adopted and assented to by a three-fifths majority of the qualified voters of such city or town voting at said election. Ten days' notice of such election shall be given in the newspaper doing the city or town printing, by publication in each issue of said paper during said time: PROVIDED, HOWEVER, That where the proposition to be submitted includes a proposed levy of taxes in excess of the levy to which the same is or may be limited by statute or the Constitution of the state of Washington without a vote of the people, then the procedure to be followed in the holding of such election shall be as prescribed by such statutory or constitutional provision regulating the holding of special elections authorizing levies in excess of such limitation).~~

NEW SECTION. Sec. 2. A new section is added to chapter 35.67 RCW to read as follows:

General obligation bonds issued by a city or town to pay for all or part of the costs of purchasing, acquiring, or constructing any public utility mentioned in RCW 35.67.020, or the costs of making any additions, betterments, or alterations thereto, or extensions thereof, shall be issued and sold in accordance with chapter 39.46 RCW.

Sec. 3. Section 35.67.110, chapter 7, Laws of 1965 as amended by section 1, chapter 118, Laws of 1965 and RCW 35.67.110 are each amended to read as follows:

~~(There shall be levied each year upon all taxable property within the city or town a tax sufficient to pay the interest on the bonds and the principal thereof as the same matures. These taxes shall become due and collectible as other taxes, in addition thereto))~~ In addition to taxes pledged to pay the principal of and interest on general obligation bonds issued to pay for costs of purchasing, acquiring, or constructing any public utility mentioned in RCW 35.67.020, or to make any additions, betterments, or alterations thereto, or extensions thereof, the city or town legislative body, may set aside into a special fund and pledge to the payment of such principal and interest any sums or amounts which may accrue from the collection of service rates and charges for the private and public use of said sewerage system or systems for the collection and disposal of refuse, in excess of the cost of operation and maintenance thereof as constructed or added to, and the same shall be applied solely to the payment of such interest and bonds. Such pledge of revenue shall constitute a binding obligation, according to its terms, to continue the collection of such revenue so long as such bonds or any of them are outstanding. If the rates and charges are sufficient to meet the debt service requirements on such bonds no general tax need be levied.

Sec. 4. Section 35.92.010, chapter 7, Laws of 1965 and RCW 35.92.010 are each amended to read as follows:

A city or town may construct, condemn and purchase, purchase, acquire, add to, alter, maintain and operate waterworks, within or without its limits, for the purpose of furnishing the city and its inhabitants, and any other persons, with an ample supply of water for all purposes, public and private, including water power and other power derived therefrom, with full power

to regulate and control the use, distribution, and price thereof: PROVIDED, That the rates charged must be uniform for the same class of customers or service. In classifying customers served or service furnished, the city or town governing body may in its discretion consider any or all of the following factors: The difference in cost of service to the various customers; location of the various customers within and without the city or town; the difference in cost of maintenance, operation, repair, and replacement of the various parts of the system; the different character of the service furnished various customers; the quantity and quality of the water furnished; the time of its use; capital contributions made to the system including, but not limited to, assessments; and any other matters which present a reasonable difference as a ground for distinction. No rate shall be charged that is less than the cost of the water and service to the class of customers served.

For such purposes any city or town may take, condemn and purchase, purchase, acquire, and retain water from any public or navigable lake or watercourse, surface or ground, and, by means of aqueducts or pipe lines, conduct it to the city or town; and it may erect and build dams or other works across or at the outlet of any lake or watercourse in this state for the purpose of storing and retaining water therein up to and above high water mark; and for all the purposes of erecting such aqueducts, pipe lines, dams, or waterworks or other necessary structures in storing and retaining water, or for any of the purposes provided for by this chapter, the city or town may occupy and use the beds and shores up to the high water mark of any such watercourse or lake, and acquire the right by purchase, or by condemnation and purchase, or otherwise, to any water, water rights, easements or privileges named in this chapter, or necessary for any of said purposes, and the city or town may acquire by purchase or condemnation and purchase any properties or privileges necessary to be had to protect its water supply from pollution. Should private property be necessary for any such purposes or for storing water above high water mark, the city or town may condemn and purchase, or purchase and acquire such private property.

Sec. 5. Section 35.92.020, chapter 7, Laws of 1965 and RCW 35.92.020 are each amended to read as follows:

In classifying customers served or service furnished by such system of sewerage, the city or town governing body may in its discretion consider any or all of the following factors: The difference in cost of service to the various customers; the location of the various customers within and without the city or town; the difference in cost of maintenance, operation, repair, and replacement of the various parts of the system; the different character of the service furnished various customers; the quantity and quality of the sewage delivered and the time of its delivery; capital contributions made to the system, including but not limited to, assessments; and any other matters which present a reasonable difference as a ground for distinction.

Sec. 6. Section 35.92.025, chapter 7, Laws of 1965 and RCW 35.92.025 are each amended to read as follows:

Cities and towns are authorized to charge property owners seeking to connect to the water or sewerage system of the city or town as a condition to granting the right to so connect, in addition to the cost of such connection, such reasonable connection charge as the legislative body of the city or town shall determine proper in order that such property owners shall bear their equitable share of the cost of such system. The equitable share may include interest charges applied from the date of construction of the water or sewer system until the connection, or for a period not to exceed ten years, at a rate commensurate with the rate of interest applicable to the city or town at the time of construction or major rehabilitation of the water or sewer system, or at the time of installation of the water or sewer lines to which the property owner is seeking to connect but not to exceed ten percent per year: PROVIDED, That the aggregate amount of interest shall not exceed the equitable share of the cost of the system allocated to such property owners. Connection charges collected shall be considered revenue of such system.

Sec. 7. Section 2, chapter 208, Laws of 1975 1st ex. sess. as amended by section 2, chapter 164, Laws of 1977 ex. sess. and RCW 35.92.022 are each amended to read as follows:

A city or town may construct, condemn, purchase, acquire, add to, alter, and extend systems and plants for the collection and disposal of solid waste and for its processing and conversion into other valuable or useful products with full jurisdiction and authority to manage, regulate, maintain, operate and control such systems and plants, and to enter into agreements providing for the maintenance and operation of systems and plants for the processing and conversion of solid waste and for the sale of said products under such terms and conditions as may be determined by the legislative authority of said city or town: PROVIDED HOWEVER, That no such solid waste processing and conversion plant now in existence or hereafter constructed may be condemned: PROVIDED FURTHER, That agreements relating to the sale of solid materials recovered during the processing of solid waste shall take place only after the receipt of

competitive written bids by such city or town; AND PROVIDED FURTHER, That all documentary material of any nature associated with the negotiation and formulation of agreement terms and conditions shall become matters of public record as it applies to:

(a) The maintenance and operation of systems and plants for the processing and conversion of solid waste;

(b) The sale of products resulting from such processing and conversion; and

It may also fix, alter, regulate, and control the fares and rates to be charged therefor; and fares or rates may be adjusted or eliminated for any distinguishable class of users including, but not limited to, senior citizens, handicapped persons, and students. Without the payment of any license fee or tax, or the filing of a bond with, or the securing of a permit from, the state, or any department thereof, the city or town may engage in, carry on, and operate the business of transporting and carrying passengers or freight for hire by any method or combination of methods that the legislative authority of any city or town may by ordinance provide, with full authority to regulate and control the use and operation of vehicles or other agencies of transportation used for such business.

No order issued under this section shall be construed as an order within the meaning of RCW 90.48.135. Any person who violates any of the provisions of this chapter, or fails to perform any duty imposed by this chapter, or violates an order or other determination of the commission or the director made pursuant to the provisions of this chapter, including the conditions of a waste discharge permit issued pursuant to RCW 90.48.160, and in the course thereof causes the death of, or injury to, fish, animals, vegetation or other resources of the state, or otherwise causes a measurable reduction in the quality of the state's waters (~~below the standards set by the commission~~), thereby damaging the same, shall be liable to pay the state damages in an amount equal to the sum of money necessary to restock such waters, replenish such resources, and otherwise restore the stream, lake or other water source to its condition prior to the injury, as such condition is determined by the commission. Such damages shall be recoverable in an action brought by the attorney general on behalf of the people of the state of Washington in the superior court of the county in which such damages occurred: PROVIDED, That if damages occurred in more than one county the attorney general may bring action in any of the counties where the damages occurred. Any money so recovered by the attorney general shall be transferred to either the state game fund or the department of fisheries to use for food fish or shellfish management purposes and propagation, or to any other agency of the state having jurisdiction over the resource damaged and for which said moneys were recovered, as appropriate: PROVIDED, That the agency receiving such money shall utilize not less than one-half of said money on activities or projects within the county where the action was brought by the attorney general. No action shall be authorized under this section against any person operating in compliance with the conditions of a waste discharge permit issued pursuant to RCW 90.48.160.

Sec. 6, Section 7, chapter 133, Laws of 1969 ex. sess. as amended by section 9, chapter 88, Laws of 1970 ex. sess. and RCW 90.48.350 are each amended to read as follows:

Any person who (~~intentionally or negligently~~) discharges oil, or causes or permits the entry of the same, shall incur, in addition to any other penalty as provided by law, a penalty in an amount of up to twenty thousand dollars for every such violation, and for each day of a continuing violation; said amount to be determined by the director of the commission after taking into consideration the gravity of the violation, the previous record of the violator in complying, or failing to comply, with the provisions of chapter 90.48 RCW, and such other considerations as the director deems appropriate. Every act of commission or omission which procures, aids or abets in the violation shall be considered a violation under the provisions of this section and subject to the penalty herein provided for. The penalty herein provided for shall become due and payable when the person incurring the same receives a notice in writing from the director of the commission describing such violation with reasonable particularity and advising such person that the penalty is due. The director may, upon written application therefor, received within fifteen days, and when deemed in the best interest of the state in carrying out the purposes of this chapter, remit or mitigate any penalty provided for in this section or discontinue any prosecution to recover the same upon such terms as he in his discretion shall deem proper, and shall have the authority to ascertain the facts upon all such applications in such manner and under such regulations as he may deem proper. If the amount of such penalty is not paid to the commission within fifteen days after the receipt of notice imposing the same, or if an application for remission or mitigation has been made within fifteen days as herein provided and the amount provided in the order issued by the director subsequent to such application is not paid within fifteen days after the receipt thereof, the attorney general, upon the request of the director, shall bring an action in the name of the state of Washington in the superior court of Thurston county or any other county in which such violator may do business, to recover the amount specified in the final order of the director. In all such actions the procedure and rules of evidence shall be the same as an ordinary civil action except as otherwise in this chapter provided. ESB 4227 Prime Sponsor, Senator Bender: Changing provisions relating to scoliosis screening. Reported by Committee on Social & Health Services

MAJORITY recommendation: Do pass with the following amendments:

Strike everything after the enacting clause and insert the following:

\*Sec. 1. Section 1, chapter 47, Laws of 1979 and RCW 28A.31.130 are each amended to read as follows:

The legislature recognizes that the condition known as (~~(idiopathic)~~) scoliosis, a lateral curvature of the spine commonly appearing in adolescents, can develop into a permanent, crippling disability if left untreated. Early diagnosis and referral can often result in the successful treatment of this condition and greatly reduce the need for major surgery. Therefore, the purpose of RCW 28A.31.130 through 28A.31.142 is to recognize that a school screening program is an invaluable tool for detecting the number of adolescents with scoliosis. It is the intent of the legislature to insure that the superintendent of public instruction provide and require screening for the condition known as scoliosis of all children in the highest risk age group, grades 5 through ~~((8))~~ 10, to ascertain which, if any, of these children have defects requiring corrective treatment.

Sec. 2. Section 2, chapter 47, Laws of 1979 and RCW 28A.31.132 are each amended to read as follows:

As used in (~~this chapter~~) RCW 28A.31.130 through 28A.31.142, the following terms have the meanings indicated.

(1) 'Superintendent' means the superintendent of public instruction of public schools in the state, or his designee.

(2) 'Pupil' means a student enrolled in the public school system in the state.

(3) 'Scoliosis' includes idiopathic scoliosis and kyphosis.

(4) 'Screening' means an examination to be performed on all pupils in grades 5 through ~~((8))~~ 10 for the purpose of detecting the condition known as scoliosis, except as provided in section 6 of this 1985 act.

~~((4))~~ (5) 'Public schools' means the common schools referred to in Article IX of the state Constitution and those schools and institutions of learning having a curriculum below the college or university level as now or may be established by law and maintained at public expense.

Sec. 3. Section 3, chapter 47, Laws of 1979 and RCW 28A.31.134 are each amended to read as follows:

The superintendent shall provide for and require the yearly examination of all children attending public schools in grades 5 through ~~((8))~~ 10, except as provided in section 6 of this 1985 act, in accordance with procedures and standards adopted by rule of the state board of health in cooperation with the superintendent of public instruction. The examination shall be made by a school physician, school nurse, or physical education instructor or by other school personnel. Proper training of the personnel in the screening process for scoliosis shall be provided by the superintendent.

Sec. 4. Section 4, chapter 47, Laws of 1979 and RCW 28A.31.136 are each amended to read as follows:

Every person performing the screening under RCW 28A.31.134 shall promptly prepare a record of the screening of each child found to have or suspected of having scoliosis and shall send copies of the records to the parents or guardians of the children. The notification shall include an explanation of (~~(idiopathic)~~) scoliosis, the significance of treating it at an early stage, and the services generally available for the treatment after diagnosis.

Sec. 5. Section 6, chapter 47, Laws of 1979 and RCW 28A.31.140 are each amended to read as follows:

Any pupil shall be exempt from the examination upon written request of his or her parent or guardian if the parent or guardian certifies that:

(1) The screening conflicts with the philosophical or religious beliefs; or

(2) The student is presently under the care of a health care provider for spinal curvature or a related medical condition.

NEW SECTION. Sec. 6. A new section is added to chapter 28A.31 RCW to read as follows:

After July 1, 1987, the superintendent of public instruction may waive screening for scoliosis for grades 9 and/or 10, not withstanding RCW 28A.31.132(4) and 28A.31.134, after conducting a cost/benefit analysis of such screening for school years 1985-86 and 1986-87."

On page 1, line 1 of the title, after "schools;" strike the remainder of the title and insert "amending RCW 28A.31.130, 28A.31.132, 28A.31.134, 28A.31.136, and 28A.31.140; and adding a new section to chapter 28A.31 RCW."

Strike everything after the enacting clause and insert the following:

"Sec. 1. Section 1, chapter 139, Laws of 1981 as amended by section 1, chapter 207, Laws of 1984 and RCW 9.46.020 are each amended to read as follows:

(1) 'Amusement game' means a game played for entertainment in which:

(a) The contestant actively participates;

(b) The outcome depends in a material degree upon the skill of the contestant;

(c) Only merchandise prizes are awarded;

(d) The outcome is not in the control of the operator;

(e) The wagers are placed, the winners are determined, and a distribution of prizes or property is made in the presence of all persons placing wagers at such game; and

(f) Said game is conducted or operated by any agricultural fair, person, association, or organization in such manner and at such locations as may be authorized by rules and regulations adopted by the commission pursuant to this chapter as now or hereafter amended.

Cake walks as commonly known and fish ponds as commonly known shall be treated as amusement games for all purposes under this chapter.

The legislature hereby authorizes the wagering on the outcome of the roll of dice or the flipping of or matching of coins on the premises of an establishment engaged in the business of selling food or beverages for consumption on the premises to determine which of the participants will pay for certain items of food or beverages served or sold by such establishment and therein consumed. Such establishments are hereby authorized to possess dice and dice cups on their premises, but only for use in such limited wagering. Persons engaged in such limited form of wagering shall not be subject to the criminal or civil penalties otherwise provided for in this chapter: PROVIDED, That minors shall be barred from engaging in the wagering activities allowed by this chapter.

(2) 'Bingo' means a game conducted only in the county within which the organization is principally located in which prizes are awarded on the basis of designated numbers or symbols on a card conforming to numbers or symbols selected at random and in which no cards are sold except at the time and place of said game, when said game is conducted by a bona fide charitable or nonprofit organization which does not conduct or allow its premises to be used for conducting bingo on more than three occasions per week and which does not conduct bingo in any location which is used for conducting bingo on more than three occasions per week, or if an agricultural fair authorized under chapters 15.76 and 36.37 RCW, which does not conduct bingo on more than twelve consecutive days in any calendar year, and except in the case of any agricultural fair as authorized under chapters 15.76 and 36.37 RCW, no person other than a bona fide member or an employee of said organization takes any part in the management or operation of said game, and no person who takes any part in the management or operation of said game takes any part in the management or operation of any game conducted by any other organization or any other branch of the same organization, unless approved by the commission, and no part of the proceeds thereof inure to the benefit of any person other than the organization conducting said game. For the purposes of this subsection the organization shall be deemed to be principally located in the county within which it has its primary business office. If the organization has no business office, the organization shall be deemed to be located in the county of principal residence of its chief executive officer: PROVIDED, That any organization which is conducting any licensed and established bingo game in any locale as of January 1, 1981 shall be exempt from the requirement that such game be conducted in the county in which the organization is principally located.

(3) 'Bona fide charitable or nonprofit organization' means: (a) any organization duly existing under the provisions of chapters 24.12, 24.20, or 24.28 RCW, any agricultural fair authorized under the provisions of chapters 15.76 or 36.37 RCW, or any nonprofit corporation duly existing under the provisions of chapter 24.03 RCW for charitable, benevolent, eleemosynary, educational, civic, patriotic, political, social, fraternal, athletic or agricultural purposes only, or any nonprofit organization, whether incorporated or otherwise, when found by the commission to be organized and operating for one or more of the aforesaid purposes only, all of which in the opinion of the commission have been organized and are operated primarily for purposes other than the operation of gambling activities authorized under this chapter; or (b) any corporation which has been incorporated under Title 36 U.S.C. and whose principal purposes are to furnish volunteer aid to members of the armed forces of the United States and also to carry on a system of national and international relief and to apply the same in mitigating the sufferings caused by pestilence, famine, fire, floods, and other national calamities and to devise and carry on measures for preventing the same. ~~((Such))~~ Except for the purposes of conducting raffles only, for a political campaign committee which has filed with the public disclosure commission for a candidate who has filed for public office, an organization must have been organized and continuously operating for at least twelve calendar months immediately preceding making application for any license to operate a gambling activity, or the operation of any gambling activity authorized by this chapter for which no license is required. ~~((It))~~ Except for the purposes of conducting raffles only, for a political campaign committee which has filed with the public disclosure commission for a candidate who has filed for public office, the organization must have not less than fifteen bona fide active members each with the right to an equal vote in the election of the officers, or board members, if any, who determine the policies of the organization in order to receive a gambling license. An organization must demonstrate to the commission that it has made significant progress toward the accomplishment of the purposes of the organization during the twelve consecutive month period preceding the date of application for a license or license renewal. The fact that contributions to an organization do not qualify for charitable contribution deduction purposes or that the organization is not otherwise exempt from payment of federal income taxes pursuant to the Internal Revenue Code of 1954, as amended, shall constitute prima facie evidence that the organization is not a bona fide charitable or nonprofit organization for the purposes of this section.

Any person, association or organization which pays its employees, including members, compensation other than is reasonable therefor under the local prevailing wage scale shall be deemed paying compensation based in part or whole upon receipts relating to gambling activities authorized under this chapter and shall not be a bona fide charitable or nonprofit organization for the purposes of this chapter.

(4) 'Bookmaking' means accepting bets as a business, rather than in a casual or personal fashion, upon the outcome of future contingent events.

(5) 'Commercial stimulant'. An activity is operated as a commercial stimulant, for the purposes of this chapter, only when it is an incidental activity operated in connection with, and incidental to, an established business, with the primary purpose of increasing the volume of sales of food or drink for consumption on that business premises. A business holding a class B or H license issued by the Washington state liquor control board is deemed to be an established business primarily engaged in the sale of food and drink for consumption on the premises and any authorized gambling activity operated in connection with that business is deemed an incidental activity thereto. However, the commission may by rule establish guidelines and criteria for applying this definition to its applicants and licensees for gambling activities authorized by this chapter as commercial stimulants.

(6) 'Commission' means the Washington state gambling commission created in RCW 9.46.040.

(7) 'Contest of chance' means any contest, game, gaming scheme, or gaming device in which the outcome depends in a material degree upon an element of chance, notwithstanding that skill of the contestants may also be a factor therein.

(8) 'Fishing derby' means a fishing contest, with or without the payment or giving of an entry fee or other consideration by some or all of the contestants wherein prizes are awarded for the species, size, weight, or quality of fish caught in a bona fide fishing or recreational event.

(9) 'Gambling'. A person engages in gambling if he stakes or risks something of value upon the outcome of a contest of chance or a future contingent event not under his control or influence, upon an agreement or understanding that he or someone else will receive something of value in the event of a certain outcome. Gambling does not include fishing derbies as defined by this chapter, parimutuel betting as authorized by chapter 67.16 RCW, bona fide business transactions valid under the law of contracts, including, but not limited to, contracts for the purchase or sale at a future date of securities or commodities, and agreements to compensate for loss caused by the happening of chance, including, but not limited to, contracts of indemnity or guarantee and life, health or accident insurance. In addition, a contest of chance which is specifically excluded from the definition of lottery under subsection (14) of this section shall not constitute gambling.

(10) 'Gambling device' means: (a) Any device or mechanism the operation of which a right to money, credits, deposits or other things of value may be created, in return for a consideration, as the result of the operation of an element of chance; (b) any device or mechanism which, when operated for a consideration, does not return the same value or thing of value for the same consideration upon each operation thereof; (c) any device, mechanism, furniture, fixture, construction or installation designed primarily for use in connection with professional gambling; and (d) any subassembly or essential part designed or intended for use in connection with any such device, mechanism, furniture, fixture, construction or installation. But in the application of this definition, a pinball machine or similar mechanical amusement device which confers only an immediate and unrecorded right of replay on players thereof, which does not contain any mechanism which varies the chance of winning free games or the number of free games which may be won or a mechanism or a chute for dispensing coins or a facsimile thereof, and which prohibits multiple winnings depending upon the number of coins inserted and requires the playing of five balls individually upon the insertion of a nickel or dime, as the case may be, to complete any one operation thereof, shall not be deemed a gambling device: PROVIDED FURTHER, That owning, possessing, buying, selling, renting, leasing, financing, holding a security interest in, storing, repairing and transporting such pinball machines or similar mechanical amusement devices shall not be deemed engaging in professional gambling for the purposes of this chapter and shall not be a violation of this chapter: PROVIDED FURTHER, That any fee for the purchase or rental of any such pinball machines or similar amusement devices shall have no relation to the use to which such machines are put but be based only upon the market value of any such machine, regardless of the location of or type of premises where used, and any fee for the storing, repairing and transporting thereof shall have no relation to the use to which such machines are put, but be commensurate with the cost of labor and other expenses incurred in any such storing, repairing and transporting.

(11) 'Gambling information' means any wager made in the course of and any information intended to be used for professional gambling. In the application of this definition information as to wagers, betting odds and changes in betting odds shall be presumed to be intended for use in professional gambling: PROVIDED, HOWEVER, That this subsection shall not apply to newspapers of general circulation or commercial radio and television stations licensed by the federal communications commission.

(12) 'Gambling premises' means any building, room, enclosure, vehicle, vessel or other place used or intended to be used for professional gambling. In the application of this definition, any place where a gambling device is found, shall be presumed to be intended to be used for professional gambling.

(13) 'Gambling record' means any record, receipt, ticket, certificate, token, slip or notation given, made, used or intended to be used in connection with professional gambling.

(14) 'Lottery' means a scheme for the distribution of money or property by chance, among persons who have paid or agreed to pay a valuable consideration for the chance.

For the purpose of this chapter, the following activities do not constitute 'valuable consideration' as an element of a lottery:

(a) Listening to or watching a television or radio program or subscribing to a cable television service;

(b) Filling out and returning a coupon or entry blank or facsimile which is received through the mail or published in a bona fide newspaper or magazine, or in a program sold in conjunction with and at a regularly scheduled sporting event, or the purchase of such a newspaper, magazine or program;

(c) Sending a coupon or entry blank by United States mail to a designated address in connection with a promotion conducted in this state;

(d) Visitation to any business establishment to obtain a coupon, or entry blank;

(e) Mere registration without purchase of goods or services;

(f) Expenditure of time, thought, attention and energy in perusing promotional material;

(g) Placing or answering a telephone call in a prescribed manner or otherwise making a prescribed response or answer;

(h) Furnishing the container of any product as packaged by the manufacturer, or a particular portion thereof but only if furnishing a plain piece of paper or card with the name of the manufacturer or product handwritten on it is acceptable in lieu thereof: PROVIDED, That where any drawing is held by or on behalf of in-state retail outlets in connection with business promotions authorized under subsections (d) and (e) hereof, no such in-state retail outlet may conduct more than one such drawing during each calendar year and the period of the drawing and its promotion shall not extend for more than seven consecutive days: PROVIDED FURTHER, That if the sponsoring organization has more than one outlet in the state such drawings must be held in all such outlets at the same time except that a sponsoring organization with more than one outlet may conduct a separate drawing in connection with the initial opening of any such outlet; or

(i) The payment of an admission fee to gain admission to any agricultural fair authorized under chapters 15.76 or 36.37 RCW where (i) the scheme is conducted for promotional or advertising purposes, not including the promotion or advertisement of the scheme itself; and (ii) the person or organization conducting the scheme receives no portion of the admission fee either directly or indirectly and receives no other money for conducting the scheme either directly or indirectly, other than what might be received indirectly as a result of the success of the promotional or advertising aspect of the scheme.

For purposes of this chapter, radio and television broadcasting is hereby declared to be preempted by applicable federal statutes and the rules applicable thereto by the federal communications commission. Broadcast programming, including advertising and promotion, that complies with said federal statutes and regulations is hereby authorized.

(15) 'Member' and 'bona fide member'. As used in this chapter, member and bona fide member each mean a person accepted for membership in an organization eligible to be licensed by the commission under this chapter upon application, with such action being recorded in the official minutes of a regular meeting or who has held full and regular membership status in the organization for a period of not less than twelve consecutive months prior to participating in the management or operation of any gambling activity, except that such record and membership duration requirements do not apply to a political campaign committee that has filed with the public disclosure commission for a candidate who has filed for public office and seeks to conduct a raffle or raffles. Such membership must in no way be dependent upon, or in any way related to, the payment of consideration to participate in any gambling activity.

Member or bona fide member shall include only members of an organization's specific chapter or unit licensed by the commission or otherwise actively conducting the gambling activity: PROVIDED, That

(a) Members of chapters or local units of a state, regional or national organization may be considered members of the parent organization for the purpose of a gambling activity conducted by the parent organization, if the rules of the parent organization so permit;

(b) Members of a bona fide auxiliary to a principal organization may be considered members of the principal organization for the purpose of a gambling activity conducted by the principal organization. Members of the principal organization may also be considered members of its auxiliary for the purpose of a gambling activity conducted by the auxiliary; and

(c) Members of any chapter or local unit within the jurisdiction of the next higher level of the parent organization, and members of a bona fide auxiliary to that chapter or unit, may

assist any other chapter or local unit of that same organization licensed by the commission in the conduct of gambling activities.

No person shall be a member of any organization if that person's primary purpose for membership is to become, or continue to be, a participant in, or an operator or manager of, any gambling activity or activities.

A natural person who gambles at a social game of chance on equal terms with the other participants therein does not otherwise render material assistance to the establishment, conduct or operation thereof by performing, without fee or remuneration, acts directed toward the arrangement or facilitation of the game, such as inviting persons to play, permitting the use of premises therefor, and supplying cards or other equipment used therein. A person who engages in 'bookmaking' as defined in this section is not a 'player'.

If a person having substantial proprietary or other authoritative control over any premises shall permit said premises to be used with the person's knowledge for the purpose of conducting gambling activity other than gambling activities as set forth in RCW 9.46.030 as now or hereafter amended, and acting other than as a player, and said person permits such to occur or continue or makes no effort to prevent its occurrence or continuation, he shall be considered as being engaged in professional gambling: PROVIDED, That the proprietor of a bowling establishment who awards prizes obtained from player contributions, to players successfully knocking down pins upon the contingency of identifiable pins being placed in a specified position or combination of positions, as designated by the posted rules of the bowling establishment, where the proprietor does not participate in the proceeds of the 'prize fund' shall not be construed to be engaging in 'professional gambling' within the meaning of this chapter: PROVIDED, FURTHER, That the books and records of the games shall be open to public inspection.

(18) 'Punch boards' and 'pull-tabs' shall be given their usual and ordinary meaning as of July 16, 1973, except that such definition may be revised by the commission pursuant to rules and regulations promulgated pursuant to this chapter.

(b) A player's success at winning money or other thing of value by overcoming chance is in the long run largely determined by the skill of the player; and

(c) No organization, corporation or person collects or obtains or charges any percentage of or collects or obtains any portion of the money or thing of value wagered or won by any of the players: PROVIDED, That this item (c) shall not preclude a player from collecting or obtaining his winnings; and

(d) No organization or corporation, or person collects or obtains any money or thing of value from, or charges or imposes any fee upon, any person which either enables him to play or results in or from his playing in excess of ~~((one dollar))~~ two dollars per half hour of playing time by that person collected in advance: PROVIDED, That a fee may also be charged for entry into a tournament for prizes, which fee shall not exceed ~~((twenty-five))~~ fifty dollars, including all separate fees which might be paid by a player for various phases or events of the tournament: PROVIDED FURTHER, That this item (d) shall not apply to the membership fee in any bona fide charitable or nonprofit organization; and

(e) The type of card game is one specifically approved by the commission pursuant to RCW 9.46.070; and

(f) The extent of wagers, money or other thing of value which may be wagered or contributed by any player does not exceed the amount or value specified by the commission pursuant to RCW 9.46.070.

(22) 'Whoever' and 'person' include natural persons, corporations and partnerships and associations of persons; and when any corporate officer, director or stockholder or any partner authorizes, participates in, or knowingly accepts benefits from any violation of this chapter committed by his corporation or partnership, he shall be punishable for such violation as if it had been directly committed by him.

(23) 'Fund raising event' means a fund raising event conducted during any seventy-two consecutive hours but exceeding twenty-four consecutive hours and not more than once in any calendar year or a fund raising event conducted not more than twice each calendar year for not more than twenty-four consecutive hours each time by a bona fide charitable or nonprofit organization as defined in subsection (3) of this section other than any agricultural fair referred to thereunder, upon authorization therefor by the commission, which the legislature hereby authorizes to issue a license therefor, with or without fee, permitting the following activities, or any of them, during such event: Bingo, amusement games, contests of chance, lotteries and raffles: PROVIDED, That (a) gross wagers and bets received by the organization less the amount of money paid by the organization as winnings and for the purchase cost of prizes given as winnings do not exceed ten thousand dollars during the total calendar days of such fund raising event in the calendar year; (b) such activities shall not include any mechanical gambling or lottery device activated by the insertion of a coin or by the insertion of any object purchased by any person taking a chance by gambling in respect to the device; (c) only bona fide members of the organization who are not paid for such service shall participate in the management or operation of the activities, and all income therefrom, after deducting the cost of prizes and other expenses, shall be devoted solely to the lawful purposes of the organization; and (d) such organization shall notify the appropriate local law enforcement agency of the time and place where such activities shall be conducted. The commission shall require an annual information report setting forth in detail the expenses incurred and the revenue received relative to the activities permitted.

Bona fide charitable or nonprofit organizations holding a license to conduct a fund raising event may joint (join) together to jointly conduct a fund raising event if:

(i) Approval to do so is received from the commission; and

(ii) The method of dividing the income and expenditures and the method of recording and handling of funds are disclosed to the commission in the application for approval of the joint fund raising event and are approved by the commission.

The gross wagers and bets received by the organizations less the amount of money paid by the organizations as winnings and for the purchase costs of prizes given as winnings may not exceed ten thousand dollars during the total calendar days of such event. The net receipts each organization receives shall count against the organization's annual limit stated in this subsection.

A joint fund raising event shall count against only the lead organization or organizations receiving fifty percent or more of the net receipts for the purposes of the number of such events an organization may conduct each year.

The commission may issue a joint license for a joint fund raising event and charge a license fee for such license according to a schedule of fees adopted by the commission which reflects the added cost to the commission of licensing more than one licensee for the event.

Sec. 2. Section 11, chapter 218, Laws of 1973 1st ex. sess. as last amended by section 8, chapter 139, Laws of 1981 and RCW 9.46.110 are each amended to read as follows:

ESB 3067 Prime Sponsor, Senator Hansen: Modifying provisions relating to aquatic farming. Reported by Committee on Agriculture

MAJORITY recommendation: Do pass with the following amendments:

Strike everything after the enacting clause and insert the following:

\*NEW SECTION, Sec. 1. The legislature declares that aquatic farming provides a consistent source of quality food, offers opportunities of new jobs, increased farm income stability, and improves balance of trade.

The legislature finds that many areas of the state of Washington are scientifically and biologically suitable for aquaculture development, and therefore the legislature encourages promotion of aquacultural activities, programs, and development with the same status as other agricultural activities, programs, and development within the state.

The legislature finds that aquaculture should be considered a branch of the agricultural industry of the state for purposes of any laws that apply to or provide for the advancement, benefit, or protection of the agriculture industry within the state.

The legislature further finds that in order to ensure the maximum yield and quality of cultured aquatic products, the department of fisheries should provide diagnostic services that are workable and proven remedies to aquaculture disease problems.

It is therefore the policy of this state to encourage the development and expansion of aquaculture within the state. It is also the policy of this state to protect wildstock fisheries by providing an effective disease inspection and control program and prohibiting the release of salmon or steelhead trout by the private sector into the public waters of the state and the subsequent recapture of such species as in the practice commonly known as ocean ranching.

NEW SECTION, Sec. 2. Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

The department shall consult with the advisory council in developing such a program.

**NEW SECTION, Sec. 5.** The director shall establish identification requirements for private sector cultured aquatic products to the extent that identifying the source and quantity of the products is necessary to permit the departments of fisheries and game to administer and enforce Titles 75 and 77 RCW effectively. The rules shall apply only to those private sector cultured aquatic products the transportation, sale, processing, or other possession of which would otherwise be required to be licensed under Title 75 or 77 RCW if they were not cultivated by aquatic farmers. The rules shall apply to the transportation or possession of such products on land other than aquatic lands and may require that they be: (1) Placed in labeled containers or accompanied by bills of lading or sale or similar documents identifying the name and address of the producer of the products and the quantity of the products governed by the documents; or (2) both labeled and accompanied by such documents.

The director shall consult with the directors of the departments of fisheries and game to ensure that such rules enable the departments of fisheries and game to enforce the programs administered under those titles. If rules adopted under chapter 69.30 RCW satisfy the identification required under this section for shellfish, the director shall not establish different shellfish identification requirements under this section.

**NEW SECTION, Sec. 6.** (1) There is hereby created the aquaculture advisory council. The council shall consist of the following voting members appointed by the governor: One representative of private sector freshwater fin fish farmers; one representative of private sector marine fin fish farmers who does not practice ocean ranching; one representative of private sector marine shellfish farmers; one representative of marine plant farmers; one representative of farmers of oysters native to the state; and one representative of a state-wide sports fishing association or group. NEW SECTION. Sec. 7. The department shall adopt rules under chapter 34.04 RCW to implement this chapter.

NEW SECTION. Sec. 8. (1) The director of agriculture and the director of fisheries shall jointly develop, in consultation with the aquaculture advisory council, a program of disease inspection and control for aquatic farmers as defined in section 2 of this act. The program shall be administered by the department of fisheries under rules established under this section. The purpose of the program is to protect the aquaculture industry and wildstock fisheries from a loss of productivity due to aquatic diseases or maladies. As used in this section 'diseases' means, in addition to its ordinary meaning, infestations of parasites or pests. The disease program may include, but is not limited to, the following elements:

- (a) Disease diagnosis;

(2) The director of fisheries shall adopt rules implementing this section. However, such rules shall have the prior approval of the director of agriculture and shall provide therein that the director of agriculture has provided such approval. The director of agriculture or the director's designee shall attend the rule-making hearings conducted under chapter 34.04 RCW and shall assist in conducting those hearings. The authorities granted the department of fisheries by these rules and by RCW 75.08.080(1)(g), 75.24.080, 75.24.110, 75.28.125, and sections 9, 10, and 11 of this act constitute the only authorities of the department of fisheries to regulate private sector cultured aquatic products and aquatic farmers as defined in section 2 of this act. Except as provided in subsection (3) of this section, no action may be taken against any person to enforce these rules unless the department has first provided the person an opportunity for a hearing. In such a case, if the hearing is requested, no enforcement action may be taken before the conclusion of that hearing.

(3) The rules adopted under this section shall specify the emergency enforcement actions that may be taken by the department of fisheries, and the circumstances under which they may be taken, without first providing the affected party with an opportunity for a hearing. Neither the provisions of this subsection nor the provisions of subsection (2) of this section shall preclude the department of fisheries from requesting the initiation of criminal proceedings for violations of the disease inspection and control rules.

(4) It is unlawful for any person to violate the rules adopted under subsection (2) or (3) of this section or to violate section 11 of this act.

(5) In administering the program established under this section, the department of fisheries shall use the services of a pathologist licensed to practice veterinary medicine.

(6) The director in administering the program shall not place constraints on or take enforcement actions in respect to the aquaculture industry that are more rigorous than those placed on the department of fisheries, the department of game, or other fish-rearing entities.

(7) Whenever a civil action for damages is brought by an aquatic farmer as defined in section 2 of this act against the department of fisheries as a result of the department's ordering and obtaining the destruction of the farmer's private sector cultured aquatic product as defined in section 2 of this act, the court may award the farmer damages not exceeding three times the actual damages sustained if the court determines that the department was unreasonable in concluding that the risks presented by the disease or infestation warranted the destruction of the product.

NEW SECTION. Sec. 9. The directors of agriculture and fisheries shall jointly adopt by rule, in the manner prescribed in section 8(2) of this act, a schedule of user fees for the disease inspection and control program established under section 8 of this act. The fees shall be established such that the program shall be entirely funded by revenues derived from the user fees by the beginning of the 1987-89 biennium.

There is established in the state treasury an account known as the aquaculture disease control account which is subject to appropriation. Proceeds of fees charged under this section shall be deposited in the account. Moneys from the account shall be used solely for administering the disease inspection and control program established under section 8 of this act.

NEW SECTION. Sec. 10. (1) The director of fisheries shall consult regarding the disease inspection and control program established under section 8 of this act with the department of game, federal agencies, and Indian tribes to assure protection of state, federal, and tribal aquatic resources and to protect private sector cultured aquatic products from disease that could originate from waters or facilities managed by those agencies.

(2) With regard to the program, the director of fisheries may enter into contracts or interagency agreements for diagnostic field services with government agencies and institutions of higher education and private industry.

This section shall not prevent any person from rearing salmon or steelhead trout in pens or in a confined area under circumstances where the salmon or steelhead trout are confined and never permitted to swim freely in open water.

(2) A violation of this section constitutes a gross misdemeanor.

ESSB 3099 Prime Sponsor, Committee on Judiciary: Providing mental health treatment for juveniles. Reported by Committee on Social & Health Services.

MAJORITY recommendation: Do pass with the following amendment:

Strike everything after the enacting clause and insert the following:

**NEW SECTION.** Sec. 1. It is the purpose of this legislation to ensure that minors in need of mental health care and treatment receive appropriate care and treatment, and to enable treatment decisions to be made in response to clinical needs and in accordance with sound professional judgment while also recognizing parents' rights to participate in treatment decisions for their minor children, and to protect minors against needless hospitalization and deprivations of liberty.

**NEW SECTION.** Sec. 2. Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

(1) 'Child psychiatrist' means a person having a license as a physician and surgeon in this state, who has had graduate training in child psychiatry in a program approved by the American Medical Association or the American Osteopathic Association, and who is board eligible or board certified in child psychiatry.

(2) 'Children's mental health specialist' means:

(a) A mental health professional who has completed a minimum of one hundred actual hours, not quarter or semester hours, of specialized training devoted to the study of child development and the treatment of children; and

(b) A mental health professional who has the equivalent of one year of full-time experience in the treatment of children under the supervision of a children's mental health specialist.

(3) 'Commitment' means a determination by a judge or court commissioner, made after a commitment hearing, that the minor is in need of inpatient diagnosis, evaluation, or treatment or that the minor is in need of less restrictive alternative treatment.

(4) 'County-designated mental health professional' means a mental health professional designated by one or more counties to perform the functions of a county-designated mental health professional described in this chapter.

(5) 'Department' means the department of social and health services.

(6) 'Evaluation and treatment facility' means a public or private facility or unit that is certified by the department to provide emergency, inpatient, residential, or outpatient mental health evaluation and treatment services for minors. A physically separate and separately-operated portion of a state hospital may be designated as an evaluation and treatment facility for minors. A facility which is part of or operated by the department or federal agency does not require certification. No correctional institution or facility, juvenile court detention facility, or jail may be an evaluation and treatment facility within the meaning of this chapter.

(7) 'Evaluation and treatment program' means the total system of services and facilities coordinated and approved by a county or combination of counties for the evaluation and treatment of minors under this chapter.

(8) 'Gravely disabled minor' means a minor who, as a result of a mental disorder, is in danger of serious physical harm resulting from a failure to provide for his or her essential human needs of health or safety, or manifests severe deterioration in routine functioning evidenced by repeated and escalating loss of cognitive or volitional control over his or her actions and is not receiving such care as is essential for his or her health or safety.

(9) 'Inpatient treatment' means twenty-four-hour-per-day mental health care provided within a general hospital, psychiatric hospital, or residential treatment facility certified by the department as an evaluation and treatment facility for minors.

(10) 'Less restrictive alternative' or 'less restrictive setting' means outpatient treatment provided to a minor who is not residing in a facility providing inpatient treatment as defined in this chapter.

(11) 'Likelihood of serious harm' means either: (a) A substantial risk that physical harm will be inflicted by an individual upon his or her own person, as evidenced by threats or attempts to commit suicide or inflict physical harm on oneself; (b) a substantial risk that physical harm will be inflicted by an individual upon another, as evidenced by behavior which has caused such harm or which places another person or persons in reasonable fear of sustaining such harm; or (c) a substantial risk that physical harm will be inflicted by an individual upon the property of others, as evidenced by behavior which has caused substantial loss or damage to the property of others.

(12) 'Mental disorder' means any organic, mental, or emotional impairment that has substantial adverse effects on an individual's cognitive or volitional functions. The presence of alcohol abuse, drug abuse, juvenile criminal history, antisocial behavior, or mental retardation alone is insufficient to justify a finding of 'mental disorder' within the meaning of this section.

(13) 'Mental health professional' means a psychiatrist, psychologist, psychiatric nurse, or social worker, and such other mental health professionals as may be defined by rules adopted by the secretary under this chapter.

(14) 'Minor' means any person under the age of eighteen years.

(18) 'Psychiatric nurse' means a registered nurse who has a bachelor's degree from an accredited college or university, and who has had, in addition, at least two years' experience in the direct treatment of mentally ill or emotionally disturbed persons, such experience gained under the supervision of a mental health professional. 'Psychiatric nurse' shall also mean any other registered nurse who has three years of such experience.

(19) 'Psychiatrist' means a person having a license as a physician in this state who has completed residency training in psychiatry in a program approved by the American Medical Association or the American Osteopathic Association, and is board eligible or board certified in psychiatry.

(20) 'Psychologist' means a person licensed as a psychologist under chapter 18.83 RCW.

(21) 'Responsible other' means the minor, the minor's parent or estate, or any other person legally responsible for support of the minor.

(22) 'Secretary' means the secretary of the department or secretary's designee.

(23) 'Start of initial detention' means the time of arrival of the minor at the first evaluation and treatment facility offering inpatient treatment if the minor is being involuntarily detained at the time. With regard to voluntary patients, 'start of initial detention' means the time at which the minor gives notice of intent to leave under the provisions of this chapter.

NEW SECTION, Sec. 3. (1) Any minor thirteen years or older may request and receive outpatient treatment without the consent of the minor's parent. Parental authorization is required for outpatient treatment of a minor under the age of thirteen.

(2) When in the judgment of the professional person in charge of an evaluation and treatment facility there is reason to believe that a minor is in need of inpatient treatment because of a mental disorder, and the facility provides the type of evaluation and treatment needed by the minor, and it is not feasible to treat the minor in any less restrictive setting or the minor's home, the minor may be admitted to an evaluation and treatment facility in accordance with the following requirements:

(a) A minor under thirteen years of age may only be admitted on the application of the minor's parent.

(b) A minor thirteen years or older may be voluntarily admitted by application of the parent. Such application must be accompanied by the written consent, knowingly and voluntarily given, of the minor.

(c) A minor thirteen years or older may, with the concurrence of the professional person in charge of an evaluation and treatment facility, admit himself or herself without parental consent to the evaluation and treatment facility, provided that notice is given by the facility to the minor's parent in accordance with the following requirements:

(i) Notice of the minor's admission shall be in the form most likely to reach the parent within twenty-four hours of the minor's voluntary admission and shall advise the parent that the minor has been admitted to inpatient treatment; the location and telephone number of the facility providing such treatment; and the name of a professional person on the staff of the facility providing treatment who is designated to discuss the minor's need for inpatient treatment with the parent.

(ii) The minor shall be released to the parent at the parent's request for release unless the facility files a petition with the superior court of the county in which treatment is being provided setting forth the basis for the facility's belief that the minor is in need of inpatient treatment and that release would constitute a threat to the minor's health or safety.

(iii) The petition shall be signed by the professional person in charge of the facility or that person's designee.

(iv) The parent may apply to the court for separate counsel to represent the parent if the parent cannot afford counsel.

(v) There shall be a hearing on the petition, which shall be held within three judicial days from the filing of the petition.

(vi) The hearing shall be conducted by a judge, court commissioner, or licensed attorney designated by the superior court as a hearing officer for such hearing. The hearing may be held at the treatment facility.

(vii) At such hearing, the facility must demonstrate by a preponderance of the evidence presented at the hearing that the minor is in need of inpatient treatment and that release would constitute a threat to the minor's health or safety. The hearing shall not be conducted using the rules of evidence, and the admission or exclusion of evidence sought to be presented shall be within the exercise of sound discretion by the judicial officer conducting the hearing.

(d) Written renewal of voluntary consent must be obtained from the applicant and the minor thirteen years or older no less than once every twelve months.

(e) The minor's need for continued inpatient treatments shall be reviewed and documented no less than every one hundred eighty days.

(3) A notice of intent to leave shall result in the following:

(a) Any minor under the age of thirteen must be discharged immediately upon written request of the parent.

(b) Any minor thirteen years or older voluntarily admitted may give notice of intent to leave at any time. The notice need not follow any specific form so long as it is written and the intent of the minor can be discerned.

(c) The staff member receiving the notice shall date it immediately, record its existence in the minor's clinical record, and send copies of it to the minor's attorney, if any, the county-designated mental health professional, and the parent.

(d) The professional person in charge of the evaluation and treatment facility shall discharge the minor, thirteen years or older, from the facility within twenty-four hours after receipt of the minor's notice of intent to leave, unless the county-designated mental health professional files a petition for initial detention within the time prescribed by this chapter.

**NEW SECTION.** Sec. 4. If a minor, thirteen years or older, is brought to an evaluation and treatment facility or hospital emergency room for immediate mental health services, the professional person in charge of the facility shall evaluate the minor's mental condition, determine whether the minor suffers from a mental disorder, and whether the minor is in need of immediate inpatient treatment. If it is determined that the minor suffers from a mental disorder, inpatient treatment is required, the minor is unwilling to consent to voluntary admission, and the professional person believes that the minor meets the criteria for initial detention set forth herein, the facility may detain or arrange for the detention of the minor for up to twelve hours in order to enable a county-designated mental health professional to evaluate the minor and commence initial detention proceedings under the provisions of this chapter.

**NEW SECTION.** Sec. 5. (1) When a county-designated mental health professional receives information that a minor, thirteen years or older, as a result of a mental disorder presents a likelihood of serious harm or is gravely disabled, has investigated the specific facts alleged and of the credibility of the person or persons providing the information, and has determined that voluntary admission for inpatient treatment is not possible, the county-designated mental health professional may take the minor, or cause the minor to be taken, into custody and transported to an evaluation and treatment facility providing inpatient treatment.

(2) Within twelve hours of the minor's arrival at the evaluation and treatment facility, the county-designated mental health professional shall serve on the minor a copy of the petition for initial detention, notice of initial detention, and statement of rights. The county-designated

mental health professional shall file with the court on the next judicial day following the initial detention the original petition for initial detention, notice of initial detention, and statement of rights along with an affidavit of service. The county-designated mental health professional shall commence service of the petition for initial detention and notice of the initial detention on the minor's parent and the minor's attorney as soon as possible following the initial detention.

(3) At the time of initial detention, the county-designated mental health professional shall advise the minor both orally and in writing that if admitted to the evaluation and treatment facility for inpatient treatment, a commitment hearing shall be held within seventy-two hours of the minor's provisional acceptance to determine whether probable cause exists to commit the minor for further mental health treatment.

The minor shall be advised that he or she has a right to communicate immediately with an attorney and that he or she has a right to have an attorney appointed to represent him or her before and at the hearing if the minor is indigent.

(4) Whenever the county designated mental health professional petitions for detention of a minor under this chapter, an evaluation and treatment facility providing seventy-two hour evaluation and treatment must immediately accept on a provisional basis the petition and the person. Within twenty-four hours of the minor's arrival, the facility must evaluate the minor's condition and either admit or release the minor in accordance with this chapter.

(5) If a minor is not approved for admission by the inpatient evaluation and treatment facility, the facility shall make such recommendations and referrals for further care and treatment of the minor as necessary.

NEW SECTION. Sec. 6. (1) Each minor approved by the facility for inpatient admission shall be examined and evaluated by a children's mental health specialist as to the child's mental condition and by a physician as to the child's physical condition within twenty-four hours of admission. Reasonable measures shall be taken to ensure medical treatment is provided for any condition requiring immediate medical attention.

(2) The admitting facility shall take reasonable steps to notify immediately the minor's parent of the admission.

(3) During the initial seventy-two hour treatment period, the minor has a right to associate or receive communications from parents or others unless the professional person in charge determines that such communication would be seriously detrimental to the minor's condition or treatment and so indicates in the minor's clinical record, and notifies the minor's parents of this determination. In no event may the minor be denied the opportunity to consult an attorney.

(4) If the evaluation and treatment facility admits the minor, it may detain the minor for evaluation and treatment for a period not to exceed seventy-two hours from the time of provisional acceptance. The computation of such seventy-two hour period shall exclude Saturdays, Sundays, and holidays. This initial treatment period shall not exceed seventy-two hours except when an application for voluntary inpatient treatment is received or a petition for fourteen-day commitment is filed.

(5) Within twelve hours of the admission, the facility shall advise the minor of his or her rights as set forth in this chapter.

NEW SECTION. Sec. 7. (1) The professional person in charge of an evaluation and treatment facility where a minor has been admitted involuntarily for the initial seventy-two hour treatment period under this chapter may petition to have a minor committed to an evaluation and treatment facility for fourteen-day diagnosis, evaluation, and treatment.

(2) A petition for commitment of a minor under this section shall be filed with the superior court in the county where the minor is residing or being detained.

(a) A petition for a fourteen-day commitment shall be signed either by two physicians or by one physician and a mental health professional who have examined the minor and shall contain the following:

(i) The name and address of the petitioner;

(ii) The name of the minor alleged to meet the criteria for fourteen-day commitment;

(iii) The name, telephone number, and address if known of every person believed by the petitioner to be legally responsible for the minor;

(iv) A statement that the petitioner has examined the minor and finds that the minor's condition meets required criteria for fourteen-day commitment and the supporting facts therefor;

(v) A statement that the minor has been advised of the need for voluntary treatment but has been unwilling or unable to consent to necessary treatment;

(vi) A statement recommending the appropriate facility or facilities to provide the necessary treatment; and

(vii) A statement concerning whether a less restrictive alternative to inpatient treatment is in the best interests of the minor.

(b) A copy of the petition shall be personally delivered to the minor by the petitioner or petitioner's designee. A copy of the petition shall be sent to the minor's attorney and the minor's parent.

NEW SECTION. Sec. 8. (1) A commitment hearing shall be held within seventy-two hours of the minor's admission, excluding Saturday, Sunday, and holidays, unless a continuance is requested by the minor or the minor's attorney.

(2) The commitment hearing shall be conducted at the superior court or an appropriate place at the facility in which the minor is being detained.

(3) At the commitment hearing, the evidence in support of the petition shall be presented by the county prosecutor.

(4) The minor shall be present at the commitment hearing unless the minor, with the assistance of the minor's attorney, waives the right to be present at the hearing.

(5) If the parents are opposed to the petition, they may be represented at the hearing and shall be entitled to court-appointed counsel if they are indigent.

(6) At the commitment hearing, the minor shall have the following rights:

(a) To be represented by an attorney;

(b) To present evidence on his or her own behalf;

(c) To question persons testifying in support of the petition.

(7) If the minor has received medication within twenty-four hours of the hearing, the court shall be informed of that fact and of the probable effects of the medication.

(8) Rules of evidence shall not apply in fourteen-day commitment hearings;

(9) For a fourteen-day commitment, the court must find by a preponderance of the evidence that:

(a) The minor has a mental disorder and presents a 'likelihood of serious harm' or is 'gravely disabled';

(b) The minor is in need of evaluation and treatment of the type provided by the inpatient evaluation and treatment facility to which continued inpatient care is sought or is in need of less restrictive alternative treatment found to be in the best interests of the minor; and

(c) The minor is unwilling or unable in good faith to consent to voluntary treatment.

(10) If the court finds that the minor meets the criteria for a fourteen-day commitment, the court shall either authorize commitment of the minor for inpatient treatment or for less restrictive alternative treatment upon such conditions as are necessary. If the court determines that the minor does not meet the criteria for a fourteen-day commitment, the minor shall be released.

(11) Nothing in this section prohibits the professional person in charge of the evaluation and treatment facility from releasing the minor at any time, when, in the opinion of the professional person in charge of the facility, further inpatient treatment is no longer necessary. The release may be subject to reasonable conditions if appropriate.

Whenever a minor is released under this section, the professional person in charge shall within three days, notify the court in writing of the release.

(12) A minor who has been committed for fourteen days shall be released at the end of that period unless a petition for one hundred eighty-day commitment is pending before the court.

**NEW SECTION.** Sec. 9. (1) At any time during the minor's period of fourteen-day commitment, the professional person in charge may petition the court for an order requiring the minor to undergo an additional one hundred eighty-day period of treatment. The evidence in support of the petition shall be presented by the county prosecutor unless the petition is filed by the professional person in charge of a state-operated facility in which case the evidence shall be presented by the attorney general.

(2) The petition for one hundred eighty-day commitment shall contain the following:

(a) The name and address of the petitioner or petitioners;

(b) The name of the minor alleged to meet the criteria for one hundred eighty-day commitment;

(c) A statement that the petitioner is the professional person in charge of the evaluation and treatment facility responsible for the treatment of the minor;

(d) The date of the fourteen-day commitment order; and

(e) A summary of the facts supporting the petition.

(3) The petition shall be supported by accompanying affidavits signed by two examining physicians, one of whom shall be a child psychiatrist, or by one examining physician and one children's mental health specialist. The affidavits shall describe in detail the behavior of the detained minor which supports the petition and shall state whether a less restrictive alternative to inpatient treatment is in the best interests of the minor.

(4) The petition for one hundred eighty-day commitment shall be filed with the clerk of the court at least three days before the expiration of the fourteen-day commitment period. The petitioner or the petitioner's designee shall within twenty-four hours of filing serve a copy of the petition on the minor and notify the minor's attorney and the minor's parent. A copy of the petition shall be provided to such persons at least twenty-four hours prior to the hearing.

(5) At the time of filing, the court shall set a date within seven days for the hearing on the petition. The court may continue the hearing upon the written request of the minor or the minor's attorney for not more than ten days. The minor or the parents shall be afforded the same rights as in a fourteen-day commitment hearing. Treatment of the minor shall continue pending the proceeding.

(6) For one hundred eighty-day commitment, the court must find by clear, cogent, and convincing evidence that the minor:

- (a) Is suffering from a mental disorder;
- (b) Presents a likelihood of serious harm or is gravely disabled; and
- (c) Is in need of further treatment that only can be provided in a one hundred eighty-day commitment.

(7) If the court finds that the criteria for commitment are met and that less restrictive treatment in a community setting is not appropriate or available, the court shall order the minor committed for further inpatient treatment to the custody of the secretary or to a private treatment and evaluation facility if the minor's parents have assumed responsibility for payment for the treatment. If the court finds that a less restrictive alternative is in the best interest of the minor, the court shall order less restrictive alternative treatment upon such conditions as necessary.

If the court determines that the minor does not meet the criteria for one hundred eighty-day commitment, the minor shall be released.

(8) Successive one hundred eighty-day commitments are permissible on the same grounds and under the same procedures as the original one hundred eighty-day commitment. Such petitions shall be filed at least five days prior to the expiration of the previous one hundred eighty-day commitment order.

**NEW SECTION, Sec. 10.** (1) If a minor is committed for one hundred eighty-day inpatient treatment and is to be placed in a state-supported program, the secretary shall accept immediately and place the minor in a state-funded long-term evaluation and treatment facility.

(2) The secretary's placement authority shall be exercised through a designated placement committee appointed by the secretary and composed of children's mental health specialists, including at least one child psychiatrist who represents the state-funded, long-term, evaluation and treatment facility for minors. The responsibility of the placement committee will be to:

(a) Make the long-term placement of the minor in the most appropriate, available state-funded evaluation and treatment facility, having carefully considered factors including the treatment needs of the minor, the most appropriate facility able to respond to the minor's identified treatment needs, the geographic proximity of the facility to the minor's family, the immediate availability of bed space, and the probable impact of the placement on other residents of the facility;

(b) Approve or deny requests from treatment facilities for transfer of a minor to another facility;

(c) Receive and monitor reports required under this section;

(d) Receive and monitor reports of all discharges.

(3) The secretary may authorize transfer of minors among treatment facilities if the transfer is in the best interests of the minor or due to treatment priorities.

(4) The responsible state-funded evaluation and treatment facility shall submit a report to the department's designated placement committee within ninety days of admission and no less than every one hundred eighty days thereafter, setting forth such facts as the department requires, including the minor's individual treatment plan and progress, recommendations for future treatment, and possible less restrictive treatment.

**NEW SECTION, Sec. 11.** (1) If the professional person in charge of an outpatient treatment program, a county-designated mental health professional, or the secretary determines that a minor is failing to adhere to the conditions of the court order for less restrictive alternative treatment or the conditions for the conditional release, or that substantial deterioration in the minor's functioning has occurred, the county-designated mental health professional, or the secretary may order that the minor be taken into custody and transported to an inpatient evaluation and treatment facility.

(2) The county-designated mental health professional or the secretary shall file the order of apprehension and detention and serve it upon the minor and notify the minor's parent and the minor's attorney, if any, of the detention within two days of return. At the time of service the minor shall be informed of the right to a hearing and to representation by an attorney. The county-designated mental health professional or the secretary may modify or rescind the order of apprehension and detention at any time prior to the hearing.

(3) A petition for revocation of less restrictive alternative treatment shall be filed by the county-designated mental health professional or the secretary with the court in the county ordering the less restrictive alternative treatment. The court shall conduct the hearing in that county. A petition for revocation of conditional release may be filed with the court in the county ordering inpatient treatment or the county where the minor on conditional release is residing. A petition shall describe the behavior of the minor indicating violation of the conditions or deterioration of routine functioning and a dispositional recommendation. Upon motion for good cause, the hearing may be transferred to the county of the minor's residence or to the county in which the alleged violations occurred. The hearing shall be held within seven days of the minor's return. The issues to be determined are whether the minor did or did not adhere to the conditions of the less restrictive alternative treatment or conditional release, or whether the minor's routine functioning has substantially deteriorated, and, if so, whether the conditions of less restrictive alternative treatment or conditional release should be modified or whether

the minor should be returned to inpatient treatment. Pursuant to the determination of the court, the minor shall be returned to less restrictive alternative treatment or conditional release on the same or modified conditions or shall be returned to inpatient treatment. If the minor is returned to inpatient treatment, section 10 of this act regarding the secretary's placement responsibility shall apply. The hearing may be waived by the minor and the minor returned to inpatient treatment or to less restrictive alternative treatment or conditional release on the same or modified conditions.

**NEW SECTION.** Sec. 12. (1) The professional person in charge of the inpatient treatment facility may authorize release for the minor under such conditions as appropriate. Conditional release may be revoked pursuant to section 11 of this act if leave conditions are not met or the minor's functioning substantially deteriorates.

(2) Minors may be discharged prior to expiration of the commitment period if the treating physician or professional person in charge concludes that the minor no longer meets commitment criteria.

**NEW SECTION.** Sec. 13. (1) A minor receiving treatment under the provisions of this chapter and responsible others shall be liable for the costs of treatment, care, and transportation to the extent of available resources and ability to pay.

(2) The secretary shall establish rules to implement this section and to define income, resources, and exemptions to determine the responsible person's or persons' ability to pay.

**NEW SECTION.** Sec. 14. (1) The county or combination of counties is responsible for development and coordination of the evaluation and treatment program for minors, for incorporating the program into the county mental health plan, and for coordination of evaluation and treatment services and resources with the community mental health program required under chapter 71.24 RCW.

(2) The county shall be responsible for maintaining its support of involuntary treatment services for minors at its 1984 level, adjusted for inflation, with the department responsible for additional costs to the county resulting from this chapter.

**NEW SECTION.** Sec. 15. Necessary transportation for minors committed to the secretary under this chapter for one hundred eighty-day treatment shall be provided by the department in the most appropriate and cost-effective means.

**NEW SECTION.** Sec. 16. Absent a risk to self or others, minors treated under this chapter have the following rights, which shall be prominently posted in the evaluation and treatment facility:

- (8) To have the right to adequate care and individualized treatment;
- (9) Not to consent to the performance of electro-convulsive treatment or surgery, except emergency life-saving surgery, upon him or her, and not to have electro-convulsive treatment or nonemergency surgery in such circumstance unless ordered by a court pursuant to a judicial hearing in which the minor is present and represented by counsel, and the court shall appoint a psychiatrist, psychologist, or physician designated by the minor or the minor's counsel to testify on behalf of the minor. The minor's parent may exercise this right on the minor's behalf, and must be informed of any impending treatment;

(10) Not to have psychosurgery performed on him or her under any circumstances.

**NEW SECTION.** Sec. 17. (1) If a minor is not accepted for admission or is released by an inpatient evaluation and treatment facility, the facility shall release the minor to the custody of the minor's parent or other responsible person. If not otherwise available, the facility shall furnish transportation for the minor to the minor's residence or other appropriate place.

(2) If the minor is released to someone other than the minor's parent, the facility shall make every effort to notify the minor's parent of the release as soon as possible.

(3) No indigent minor may be released to less restrictive alternative treatment or setting or discharged from inpatient treatment without suitable clothing, and the department shall furnish this clothing. As funds are available, the secretary may provide necessary funds for the immediate welfare of indigent minors upon discharge or release to less restrictive alternative treatment.

**NEW SECTION.** Sec. 18. The fact of admission and all information obtained through treatment under this chapter is confidential. Confidential information may be disclosed only:

- (1) In communications between mental health professionals to meet the requirements of this chapter, in the provision of services to the minor, or in making appropriate referrals;

However, only the fact and date of admission, and the date of discharge, the name and address of the treatment provider, if any, and the last known address shall be disclosed upon request;

(9) To law enforcement officers, public health officers, relatives, and other governmental law enforcement agencies, if a minor has escaped from custody, disappeared from an evaluation and treatment facility, violated conditions of a less restrictive treatment order, or failed to return from an authorized leave, and then only such information as may be necessary to provide for public safety or to assist in the apprehension of the minor. The officers are obligated to keep the information confidential in accordance with this chapter;

(10) To the secretary for assistance in data collection and program evaluation or research, provided that the secretary adopts rules for the conduct of such evaluation and research. The rules shall include, but need not be limited to, the requirement that all evaluators and researchers sign an oath of confidentiality substantially as follows:

'As a condition of conducting evaluation or research concerning persons who have received services from (fill in the facility, agency, or person) I, ..... agree not to divulge, publish, or otherwise make known to unauthorized persons or the public any information obtained in the course of such evaluation or research regarding minors who have received services in a manner such that the minor is identifiable.

I recognize that unauthorized release of confidential information may subject me to civil liability under state law.

(13) Upon the death of a minor, to the minor's next of kin;

(14) To a facility in which the minor resides or will reside.

This section shall not be construed to prohibit the compilation and publication of statistical data for use by government or researchers under standards, including standards to assure maintenance of confidentiality, set forth by the secretary. The fact of admission and all information obtained pursuant to this chapter are not admissible as evidence in any legal proceeding outside this chapter, except guardianship or dependency, without the written consent of the minor or the minor's parent.

**NEW SECTION.** Sec. 19. When in the judgment of the department the welfare of any person committed to or confined in any state juvenile correctional institution or facility necessitates that the person be transferred or moved for observation, diagnosis, or treatment to a state-operated evaluation and treatment facility, the secretary or the secretary's designee is authorized to order and effect such move or transfer for a period of up to thirty days, provided that the secretary notifies the original committing court of the transfer. No person committed to or confined in any state juvenile correctional institution or facility may be transferred to an evaluation and treatment facility for more than thirty days unless that person has been admitted as a voluntary patient or committed for one hundred eighty-day treatment under this chapter or ninety-day treatment under chapter 71.05 RCW if eighteen years of age or older. Underlying jurisdiction of minors transferred or committed under this section remains with the state correctional institution. A voluntary admitted minor or minors committed under this section and no longer meeting the criteria for one hundred eighty-day commitment shall be returned to the state correctional institution to serve the remaining time of the underlying dispositional order or sentence. The time spent by the minor at the evaluation and treatment facility shall be credited towards the minor's juvenile court sentence.

**NEW SECTION.** Sec. 20. No minor received as a voluntary patient or committed under this chapter may be detained after his or her eighteenth birthday unless the person, upon reaching

eighteen years of age, has applied for admission to an appropriate evaluation and treatment facility or unless involuntary commitment proceedings under chapter 71.05 RCW have been initiated: PROVIDED, That a minor may be detained after his or her eighteenth birthday for purposes of completing the fourteen-day diagnosis, evaluation, and treatment.

NEW SECTION. Sec. 21. The records and files maintained in any court proceeding under this chapter are confidential and available only to the minor, the minor's parent, and the minor's attorney. In addition, the court may order the subsequent release or use of these records or files only upon good cause shown if the court finds that appropriate safeguards for strict confidentiality will be maintained.

NEW SECTION. Sec. 22. When disclosure of information or records is made, the date and circumstances under which the disclosure was made, the name or names of the persons or agencies to whom such disclosure was made and their relationship if any, to the minor, and the information disclosed shall be entered promptly in the minor's clinical record.

NEW SECTION. Sec. 23. Attorneys appointed for minors under this chapter shall be compensated for their services as follows:

(1) Responsible others shall bear the costs of such legal services if financially able according to standards set by the court of the county in which the proceeding is held.

(2) A record of all petitions and proceedings under this chapter shall be maintained by the clerk of the superior court in the county in which the petition or proceedings was initiated.

(3) Petitions for commitment shall be filed and venue for hearings under this chapter shall be in the county in which the minor is being detained. The court may, for good cause, transfer the proceeding to the county of the minor's residence, or to the county in which the alleged conduct evidencing need for commitment occurred. If the county of detention is changed, subsequent petitions may be filed in the county in which the minor is detained without the necessity of a change of venue.

NEW SECTION. Sec. 27. No public or private agency or governmental entity, nor officer of a public or private agency, nor the superintendent, or professional person in charge, his or her professional designee or attending staff of any such agency, nor any public official performing functions necessary to the administration of this chapter, nor peace officer responsible for detaining a person under this chapter, nor any county designated mental health professional, shall be civilly or criminally liable for performing his or her duties under this chapter with regard to the decision of whether to admit, release, or detain a person for evaluation and treatment: PROVIDED, That such duties were performed in good faith and without gross negligence.

ESSB 3161 Prime Sponsor, Committee on Commerce & Labor: Prescribing protective measures for purchasers of health studio services. Reported by Committee on Judiciary

MAJORITY recommendation: Do pass with the following amendment:

Strike everything after the enacting clause and insert the following:

NEW SECTION, Sec. 1. The legislature recognizes that there is an increasing interest by the citizens of this state in physical fitness and that in response to such interest a wide variety of health and conditioning services are available. Therefore, the legislature declares that it is a matter of public interest that the citizens of this state be assured of reasonable protection when contracting for health and conditioning services.

NEW SECTION, Sec. 2. (1) As used in this chapter, unless the context clearly requires otherwise:

(a) 'Contract for health and conditioning services' means: A contract which provides as one of its primary purposes services or facilities which assist the purchaser to improve physical condition or appearance through physical fitness programs, body building, exercising, reducing, weight loss, figure development, or any other similar activity;

(b) 'Initiation or membership fee' means a fee paid either in a lump sum or installments on a one-time basis when a person first joins a health and conditioning facility for the privilege of belonging to such facility;

(c) 'Use fees' means fees paid on a regular periodic basis for use of a health club. This does not preclude prepayment of use fees at the buyer's option;

(d) 'Health club' or 'club' means any individual, partnership, corporation, or other legal entity offering contracts for health and conditioning services to the public.

(2) A 'contract for health and conditioning services' does not include:

(a) Professional services within the scope of the person's license rendered or furnished by a person licensed under Title 18 RCW;

(b) Instruction at public common schools, public institutions of higher education, private schools approved under RCW 28A.02.201, and private institutions of higher education;

(c) Instruction, training, or assistance relating to diet or control of eating habits not involving physical fitness programs, body building, exercising, figure development, or any other similar activity; or

(d) Services rendered by bona fide nonprofit organizations which have been granted tax exempt status by the internal revenue service, including, but not limited to, the Young Men's Christian Association, the Young Women's Christian Association, or other similar organizations, whose functions as health studios are only incidental to their overall functions and purposes.

(3) Except for the purposes of sections 3, 8, and 9 of this act, a 'contract for health and conditioning services' does not include services rendered by bona fide nonprofit corporations organized under chapter 24.03 RCW which have members and whose members have meaningful voting rights to elect and remove a board of directors which is responsible for the operation of the health club and corporation.

NEW SECTION, Sec. 3. Contracts for health and conditioning services shall be in writing and are subject to this chapter. A copy of the written contract shall be given to the customer when the customer signs the contract.

NEW SECTION, Sec. 4. Contracts for health and conditioning services between the same buyer and the same seller which have overlapping terms are deemed to be one contract for the purpose of this chapter.

NEW SECTION, Sec. 5. If a contract exceeds three years, the buyer shall sign or initial the provision which establishes the duration of the contract.

Contracts may not be sold, advertised, or measured by the lifetime of the buyer.

NEW SECTION, Sec. 6. A contract for health and conditioning services may be sold prior to opening of the facility. Such contract shall provide that:

(1) Agreed upon services will begin within twelve months from the date the contract is signed unless the buyer signs an extension; and

(2) A five-day period for cancellation of the contract shall begin to run from the day the facility opens for use of the buyer and the seller begins to provide the agreed upon services.

NEW SECTION, Sec. 7. (1) Except as provided in subsection (2) of this section, all moneys paid to the seller by the buyer prior to the opening of the facility shall promptly be deposited

by the seller in a trust account, maintained by the seller for the purpose of holding such moneys for the buyer, in a bank, savings and loan association, mutual savings bank, or licensed escrow agent located in Washington. The seller shall within seven days of the first deposit notify the office of the attorney general, in writing, of the name, address, and location of the depository and any subsequent change thereof. Unless otherwise agreed in writing, the seller is entitled to receipt of interest paid on such trust account moneys. The seller shall provide the buyer with a written receipt for the moneys and shall provide written notice of the name and address and location of the depository and any subsequent change thereof. If prior to the opening of the facility the status of the seller is transferred to another, any sums in the trust account affected by such transfer shall simultaneously be transferred to an equivalent trust account of the successor, and the successor shall promptly notify the buyer and the office of the attorney general of the transfer and of the name, address, and location of the new depository. The buyer's claim to any moneys paid under this section is prior to that of any creditor of the seller, including a trustee in bankruptcy or receiver, even if such moneys are commingled. After receipt of the notice of cancellation of the agreement or if the seller fails to open the facility and provide the agreed upon services within twelve months of the signing of the contract, the seller shall within ten days give a full refund to the buyer. The moneys on deposit shall revert to the seller on the day the facility opens.

(2) Subsection (1) of this section does not apply to any sellers who, prior to any preopening sales, have provided a bond guaranteeing performance of all contracts for health and conditioning services sold prior to the opening of the facility. The bond shall be drawn upon a surety in an amount acceptable to the office of the attorney general, running to the state of Washington. An action on the bond may be brought by the office of the attorney general or by any buyer of a contract for health and conditioning services sold prior to the opening of the facility.

**NEW SECTION.** Sec. 8. (1) The contract for health and conditioning services shall contain:

- (a) The name and address of the health and conditioning facilities operator;
- (b) The date the buyer signed the contract;
- (c) The current fees to be paid by the buyer and, if such fees are subject to periodic adjustment, such fact shall be disclosed;
- (d) The services to be provided under the contract; and
- (e) The duration of the contract.

(2) Unless the health and conditioning facilities operator has complied with subsection (1) of this section, the buyer may cancel the contract for health and conditioning services at any time.

**NEW SECTION.** Sec. 9. Contracts for health and conditioning services shall contain clauses which notify buyers of the following rights:

(1) The buyer has the right to cancel the contract at any time prior to midnight of the third calendar day after the date the contract is signed by the buyer. Cancellation under this subsection entitles the buyer to a refund of all moneys paid and relieves the buyer from any future obligations under the contract without penalty.

(2) If by reason of death or total disability the person agreeing to receive services is unable to receive services that have been contracted for, the person or person's estate may cancel the contract.

(a) For total disability, a written confirmation of total disability shall be submitted by the person's treating physician. The health and conditioning facility may require the person to be examined by a physician of their choice if requested within sixty days after a written confirmation is submitted by the treating physician. If the two physicians disagree, they shall choose a third physician to examine the person, each party bearing half the fee. The third physician's opinion shall be binding on all parties. Total disability is a condition incurred after the person signs the contract which precludes the person from physically using the facilities for the remaining term of the contract.

(b) For death, a certified copy of the death certificate shall be sufficient evidence to cancel the contract.

(3) If the health and conditioning facilities are permanently closed and comparable facilities owned and operated by the seller are not made available within a ten-mile radius of the closed facility, the person agreeing to receive health and conditioning services may cancel the contract.

(4) If a contract for health and conditioning services extends for more than one year, the buyer has the right to cancel the contract for any reason after one year upon thirty days' written notice to the seller.

(5) Upon cancellation under subsection (2), (3), or (4) of this section, the buyer is entitled to a refund and relief from future obligations for payments of one-time only initiation and membership fees and monthly use fees as follows:

(a) The buyer is entitled to a refund of the unused portion of any prepaid monthly use fees and relief from future obligations to pay use fees concerning use after the date of cancellation;

(b) If a contract includes a one-time only initiation or membership fee and the buyer cancels under subsection (2) of this section, the buyer is entitled to a pro rata refund of such fee less a predetermined fee not to exceed one-half of the initial initiation or membership fee;

(c) If the contract includes a one-time only initiation or membership fee and the buyer cancels under subsection (3) of this section, the buyer is entitled to a pro rata refund of such fee;

(d) If the contract includes a one-time only initiation or membership fee and the buyer cancels under subsection (4) of this section, the buyer is entitled to a pro rata refund of such fee and relief from future obligations for payment under the contract unless the contract clearly states that the initiation or membership fee is nonrefundable, or states what percentage of the fee is refundable, and the clause is separately signed by the buyer;

(e) To calculate the amount of the refund and relief from future obligations for payment under the contract, the fee shall be apportioned into an equal installment amount by dividing the total fee by the number of months of use contracted for by the buyer. The buyer is entitled to relief from the obligation for payment and a refund of any moneys paid in excess of the number of months of use prior to the date of cancellation multiplied by the equal installment amount; and

(f) All refunds shall be made within thirty days of receipt of the notice of cancellation by the health and conditioning facilities operator. Notice of cancellation shall be provided to the seller by mailing or delivering a signed and dated notice, or sending a telegram which states that the buyer is canceling the contract, or words of similar effect. The seller may require the buyer to return the original copy of the contract, or any membership card, or any other materials which evidence membership in the club.

(g) For any period in which a person is precluded from physically using the facilities due to a temporary total disability, the obligation of that person to pay any monthly use fees will be suspended. For a temporary total disability, a written confirmation shall be submitted by the person's treating physician. The health and conditioning facility may require, if requested within sixty days after a written confirmation is submitted by the treating physician, the person to be examined by a physician of their choice. If the two physicians disagree, they shall choose a third physician to examine the person, each party bearing half the fee. The third physician's opinion shall be binding on all parties.

NEW SECTION. Sec. 10. The provisions of this chapter are not exclusive and do not relieve the parties from compliance with all other applicable federal, state, and local laws and rules.

NEW SECTION. Sec. 11. Any contract for health and conditioning services which does not comply with the applicable provisions of this chapter or in which the buyer waives any provision of this chapter is void and unenforceable as contrary to public policy.

NEW SECTION. Sec. 12. It shall be unlawful to sell or offer for sale any contract for health and conditioning services entered into in reliance upon any false, fraudulent, or misleading information or representations.

NEW SECTION. Sec. 13. A seller who has not furnished a bond under section 7 of this act and who receives money from a buyer under a contract for services from health and conditioning facilities sold prior to the opening of the facility and the provision of the agreed upon services and who fails to deposit such moneys in a trust account maintained by the seller for the purpose of holding such funds for the buyer in a bank, savings and loan association, mutual savings bank, or licensed escrow agent located in Washington within three business days of receipt excluding Saturday, Sunday and holidays shall be guilty of a class C felony as defined in chapter 9A.20 RCW.

NEW SECTION. Sec. 14. A violation of this chapter, for purposes of the consumer protection act, chapter 19.86 RCW, constitutes an unfair or deceptive act or practice.

NEW SECTION. Sec. 15. The provisions of this chapter shall not apply to any contracts for health and conditioning services entered into before the effective date of this act.

NEW SECTION. Sec. 16. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

NEW SECTION. Sec. 17. Sections 1 through 15 of this act shall constitute a new chapter in Title 19 RCW.\*

MAJORITY recommendation: Do pass with the following amendments:

Strike everything after the enacting clause and insert the following:

\*Sec. 1. Section 28A.57.322, chapter 223, Laws of 1969 ex. sess. and RCW 28A.57.322 are each amended to read as follows:

Every person elected or appointed to the office of school director, before entering upon the discharge of the duties thereof, shall take an oath or affirmation to support the Constitution of the United States and the state of Washington and to faithfully discharge the duties of his office according to the best of his ability. In case any official has a written appointment or commission, his oath or affirmation shall be endorsed thereon and sworn to before any officer authorized to administer oaths. School officials are hereby authorized to administer all oaths or affirmations pertaining to their respective offices without charge or fee. All oaths of office, when properly made, shall be filed with the ~~((officer with whom declarations of candidacy for such positions are filed))~~ county auditor.

Sec. 2. Section 3, chapter 107, Laws of 1980 and RCW 29.04.040 are each amended to read as follows:

(1) No paper ballot precinct ~~((shall))~~ may contain more than three hundred voters. The county legislative authority may divide, alter, or combine precincts so that, whenever practicable, over-populated precincts shall contain no more than two hundred fifty registered voters in anticipation of future growth.

(2) Precinct boundaries may be altered at any time as long as sufficient time exists prior to a given election for the necessary procedural steps to be honored ~~((PROVIDED, HOWEVER, That))~~ Except as permitted under subsection (5) of this section, no precinct boundaries ~~((shall))~~ may be changed during the period starting ~~((as of))~~ on the thirtieth day prior to the first day for candidates to file for the primary election and ending with the day of the general election.

(4) On petition of twenty-five or more voters resident more than ten miles from any place of election, the county legislative authority shall establish a separate voting precinct therefor.

(5) The county auditor shall temporarily adjust precinct boundaries when a city annexes county territory to the city. The adjustment shall be made as soon as possible after the approval of the annexation. The temporary adjustment shall be limited to the minimum changes necessary to accommodate the addition of the territory to the city and shall remain in effect only until precinct boundary modifications reflecting the annexation are adopted by the county legislative authority.

The county legislative authority may establish by ordinance a limitation on the maximum number of registered voters in each precinct within its jurisdiction. The limitation may be different for precincts based upon the method of voting used for such precincts and the number may be less than the number established by law, but in no case may the number exceed that authorized by law.

If such a limitation is established by a county legislative authority, no precinct within the jurisdiction of the county may contain more registered voters than authorized in such an ordinance.

The county legislative authority of each county in the state hereafter formed shall, at their first session, divide their respective counties into election precincts with two hundred fifty voters or less and establish the boundaries of the ~~((same))~~ precincts. Each position with the names running for that office, shall be separated from the following one by a bold line. There shall be no printing on the back of the ballot cards nor any mark thereon to distinguish an individual voter's ballot card from other ballot cards from the same precinct.

An application honored for a primary ballot shall also be honored as an application for a ballot for the following election if the voter so indicates on his application (~~(-PROVIDED FURTHER; That)~~). A voter admitted to a hospital no earlier than five days before a primary or election and confined to the hospital on election day may apply by messenger for an absentee ballot on the day of the primary or election if a signed statement from the hospital administrator, or designee, verifying the voter's date of admission and status as a patient in the hospital on the day of the primary or election is attached to the absentee ballot application.

If the jurisdiction of the office sought encompasses more than one county the declaration of candidacy must be filed with the secretary of state not later than the second Tuesday before the primary or election. No person may file as a write-in candidate where:

(1) At a general election, the person attempting to file either filed as a write-in candidate for the same office at the preceding primary or the person's name appeared on the ballot for the same office at the preceding primary;

Further, such uncounted absentee ballots shall be retained for the same length of time and in the same manner as paper ballots cast in person as provided by RCW 29.54.070.

The inspector))~~ shall ~~((then))~~ separate the slip containing the number of the ballot from the ballot and shall deposit the ballot in the ballot box. ~~((The numbers removed from the ballots shall be destroyed immediately.))~~ The inspector shall, however, permit any voter expressing a desire to separate his or her own slip or to deposit his or her own ballot, or both, to do so. Any voter detaching or separating the number slip must return that slip to the inspector.

ESSB 3333 Prime Sponsor, Committee on Commerce & Labor: Regulating motorcycle dealers' franchises. Reported by Committee on Commerce & Labor

MAJORITY recommendation: Do pass with the following amendment:

Strike everything after the enacting clause and insert the following:

NEW SECTION. Sec. 1. This chapter shall be known as the motorcycle dealers' franchise act.

NEW SECTION. Sec. 2. The legislature recognizes it is in the best public interest for manufacturers and dealers of motorcycles to conduct business with each other in a fair, efficient, and competitive manner. The legislature declares the public interest is best served by dealers being assured of the ability to manage their business enterprises under a contractual obligation with manufacturers where dealers do not experience unreasonable interference, receive adequate allocations of merchandise in a timely manner at competitive prices, and transfer ownership of their business without undue constraints. It is the intent of the legislature to impose a regulatory scheme and to regulate competition in the motorcycle industry to the extent necessary to balance fairness and efficiency. These actions will assure the public that motorcycle dealers will devote their best competitive efforts and resources to the sale and service of the manufacturer's products which the dealer has been granted the right to sell and service.

NEW SECTION. Sec. 3. As used in this chapter:

(1) 'Department' means the department of licensing.

(2) 'Designated family member' means (a) an heir as defined in RCW 11.02.005(6) if the motorcycle dealer dies intestate or (b) a legatee or devisee as used in Title 11 RCW if the deceased motorcycle dealer leaves a will. A motorcycle dealer also may name in a notarized statement any person as the designated family member for the purposes of receiving an interest in the motorcycle dealership. Title 11 RCW applies to this chapter. However, in cases of conflict, the notarized inter vivos designation prevails over testamentary and intestate succession. Notarized inter vivos designations under this subsection are not codicils to wills.

(3) 'Distributor' means a person, whether a resident or nonresident, other than a manufacturer, who sells, leases, or distributes motorcycles to motorcycle dealers, or controls any other person, other than a manufacturer, who sells, leases, or distributes motorcycles to motorcycle dealers.

(4) 'Distributor branch' means a branch office maintained by the distributor or wholesaler.

(5) 'Distributor representative' means a representative employed by a distributor or wholesaler for the purpose of selling or promoting the sale or lease of the distributor's or wholesaler's motorcycles to motorcycle dealers, or for the purpose of supervising or contacting dealers.

(6) 'Factory branch' means a branch office maintained by a manufacturer in order to direct and supervise the representatives of the manufacturer.

(7) 'Factory representative' means a person employed by a manufacturer for the purpose of making or promoting the sale or lease of the manufacturer's motorcycles to dealers, distributors, or prospective motorcycle dealers.

(8) 'Franchise' means an oral or written contract, to include a dealer agreement, either expressed or implied, between a franchisor and a motorcycle dealer which purports to fix the legal rights and liabilities between the parties and under which (a) the dealer is granted the right to purchase and resell motorcycles manufactured, distributed, or imported by the franchisor; (b) the dealer's business is associated with the trademark, trade name, commercial symbol, or advertisement designating the franchisor or the products distributed by the franchisor; and (c) the dealer's business relies on the franchisor for a continued supply of motorcycles, parts, and accessories.

(9) 'Franchisor' means any person who enters into a franchise with a motorcycle dealer.

(10) 'Manufacturer' means any person, firm, association, corporation, or trust that manufactures or provides assemblies for motorcycles.

(11) 'Motorcycle' means any motor vehicle which has an unladen weight of less than five hundred pounds, including any parts, accessories, equipment, or special tools designated or intended for use on or with those motor vehicles, and (a) which is self-propelled and capable of use and operation on the public highways and streets; or (b) which is a self-propelled, off-road vehicle, tired or nontired, capable of transporting individuals on or off public highways and streets. 'Motorcycle' excludes farm tractors, golf carts, firefighting equipment, any motor vehicle designed solely for industrial purposes, and lawnmowers.

(12) 'Motorcycle dealer' or 'dealer' means a person operating under a dealer agreement or franchise with a franchisor who is engaged regularly in the business of buying, selling, exchanging, offering, brokering, or leasing with an option to purchase new or used motorcycles in the state, with a place of business in the state.

(13) 'New motorcycle' means a motorcycle that has been sold or transferred to a motorcycle dealer and that has not been used for other than demonstration purposes, and on which the original title has not been issued from the motorcycle dealer. The term includes motorcycles not of the current model year comprising part of the dealer's inventory.

(14) 'Person' means any natural person, partnership, stock company, corporation, trust, agency, or other legal entity, as well as any individual officers, directors, or other persons in active control of the activities of the entity.

(15) 'Place of business' means a permanent, enclosed commercial building, situated within the state, and the real property on which it is located, at which the business of a motorcycle dealer, including the display and repair of motorcycles, may be lawfully conducted in accordance with the terms of all applicable laws and in the building the public may contact the motorcycle dealer or his or her employees at all reasonable times.

(16) 'Relevant market area' means a ten-mile radius around a proposed place of business.

**NEW SECTION.** Sec. 4. Acts or conduct described in this section constitute prohibited trade practices that cannot be waived. It is a prohibited trade practice for a franchisor or its manufacturers, distributors, subsidiaries, or other agents:

(1) To require, coerce or attempt to require, or coerce, either directly or indirectly, any motorcycle dealer to:

(a) Accept, buy, or order any motorcycle, part or accessory, or any other commodity or service not voluntarily ordered, or requested, or to buy, order, or pay anything of value for such items in order to obtain any motorcycle part, accessory, or other commodity which has been voluntarily ordered or requested;

(b) Order or accept delivery of any motorcycle with special features, accessories, or equipment not included in the list price of the motorcycle as advertised by the manufacturer, except items which have been voluntarily requested or ordered by the dealer, and except items required by law;

(c) Enter into any agreement or understanding resulting in a reduction of the dealer's allocation of motorcycles for reasons other than reduced production levels causing uniformly and proportionally applied reductions to all dealers;

(d) Enter into any agreement or sales promotion program by threatening to terminate the franchise of the dealer;

(e) Refrain from participation in the management, investment, acquisition, or sale of any other related product or product line of motor vehicles, parts, or accessories;

(f) Enter into any agreement violating this chapter; or

(g) Enter into an agreement by which the franchisor, manufacturer, factory branch, factory representative, distributor, distributor branch, or distributor representative can directly solicit the dealer's customers.

(2) To terminate, refuse to renew, fail to extend, or fail to renew any franchise without good cause. Good cause includes but is not limited to:

(a) The amount of business transacted by the dealer as compared to the amount of business available to the dealer;

(b) The investment necessarily made and obligations necessarily incurred by the dealer in the performance of the franchise;

(c) The degree of the dealer's investment, including but not limited to the dealer's purchase or lease of real property for the dealership, the training given to the dealer's employees, and the amount of equipment purchased for the dealership;

(d) The adequacy of the dealer's new motorcycle sales and service facilities, equipment, and parts;

(e) The qualifications and performance of the management, sales, and service personnel to provide the consumer with reasonably good service and care of new motorcycles;

(f) The failure of the dealer to substantially comply in good faith with the reasonable requirements of the franchise;

(g) The adequacy of the franchisor's actual quantities delivered of motorcycles, parts, and accessories compared to quantities promised by the franchisor;

(h) The effect on the retail motorcycle business and the consuming public in the dealer's market area;

(i) Whether the dealer has exercised prudent business judgment.

The dealer shall be notified, in writing, not less than ninety days before termination or nonrenewal with reasons for the actions. If the termination or nonrenewal is based on termination or discontinuance of the product line, the dealer shall be notified not less than one hundred eighty days prior to termination or nonrenewal. All existing franchises shall continue operation under a newly appointed distributor upon the termination of an existing distributor unless a mutual agreement of termination is filed between the new distributor and the affected dealer.

(3) To require a change in capital structure, or means of financing, if the dealer at all times meets the reasonable, written, and uniformly applied capital standards determined by the manufacturer, franchisor, or distributor;

(4) To prevent or attempt to prevent a dealer from making reasonable changes in the capital structure of a dealership or the means by which the dealership is financed if the dealer meets the reasonable, written, and uniformly applied capital requirements determined by the manufacturer, franchisor, or distributor;

(5) To unreasonably require a change in the location of the dealership or any substantial alterations to the place of business;

(6) To condition renewal or extension of the franchise on substantial renovation of the existing place of business or on the construction, purchase, acquisition, or lease of a new place of business unless written notice is first provided one hundred eighty days prior to the date of renewal or extension and the franchisor demonstrates the reasonableness of the requested actions. The franchisor shall agree to supply the dealer with an adequate quantity of motorcycles, parts, and accessories to meet the sales level necessary to support the overhead resulting from substantial renovation, construction, acquisition, or lease of a new place of business;

(7) To adopt, establish, or implement a plan or system, or to modify an existing plan or system, for the distribution or allocation of motorcycles which is arbitrary, in bad faith, or unconscionable and which damages the dealer or the dealer's customers;

(8) To fail or refuse to disclose to the dealer, after written request, the basis upon which new motorcycles of the same line are currently or will in the future be allocated or distributed to dealers;

(9) To fail or refuse to disclose to dealers, after written request, the total number of new motorcycles of a given model which the manufacturer, franchisor, or distributor has sold during the current model year within the dealer's marketing district, zone, or region;

(10) To refuse or fail to deliver any motorcycle, part, or accessory in reasonable quantities, and within a reasonable time after receipt of the order from the dealer, that is specifically advertised as being immediately available. It is not a prohibited trade practice when the failure to deliver is caused by an act of God, strike, material shortage, or other cause over which the manufacturer, distributor, or franchisor has no control;

(11) To offer a renewal, replacement, or succeeding franchise containing terms substantially modifying the sales and service obligations or capital requirements of the motorcycle dealer, other than as provided for in this chapter;

(12) To sell or lease or offer to sell or lease to a dealer a new motorcycle, including any motorcycle under a sales promotion plan, at a lower price than offered or sold to another similarly situated dealer for the same model, except where the dealer is offered, sold, or leased a new motorcycle at a discount in exchange for providing valuable services to the franchisor, manufacturer, or distributor and except in those instances where a dealer orders motorcycles in sufficient numbers to qualify for volume discounts and as long as discounts are available to all dealers;

(13) To prevent, attempt to prevent, or unreasonably disapprove any motorcycle dealer from changing executive management control of the dealer's motorcycle business, unless the change results in control by a person not of good moral character or who does not meet the manufacturer, distributor, or franchisor's existing and reasonable, written, and uniformly applied capital standards. The dealer shall be given written notice of the reasons for rejection within thirty days of receipt of notice from the dealer of a proposed change;

(14) To reject, prevent, or attempt to prevent any person from selling or transferring a controlling interest to any other person unless the buyer or transferee does not qualify under appropriate state law as a licensed dealer, is not of good moral character, does not meet the manufacturer, distributor, or franchisor's existing and reasonable, written, and uniformly applied capital standards, or does not meet the written and uniformly applied manufacturer, distributor, or franchisor business experience standards for the market area. The dealer shall be given written notice setting forth the reasons for rejection of the proposed sale or transfer within thirty days of notice by the dealer of the sale or transfer;

(15) To fail to hold harmless and indemnify any motorcycle dealer against losses, including lawsuits and court costs, arising from: (a) The manufacture or performance of any motorcycle, part, or accessory if the lawsuit involves representations by the manufacturer, distributor, or franchisor on the manufacture or performance of a motorcycle without negligence on the part of the motorcycle dealer; (b) damage to merchandise in transit where the manufacturer, distributor, or franchisor specifies the carrier; (c) the manufacturer, distributor, or franchisor's failure to jointly defend product liability suits concerning the motorcycle, part, or accessory provided to the dealer; or (d) any other act performed by the manufacturer, distributor, or franchisor;

(16) To unfairly prevent or attempt to prevent a motorcycle dealer from receiving reasonable compensation for the value of a motorcycle;

(17) To release confidential information provided by the motorcycle dealer to the manufacturer, distributor, or franchisor without the written prior consent of the dealer;

(18) To fail to pay to a motorcycle dealer, within a reasonable time following receipt of a valid claim, any payment agreed to be made by the manufacturer, distributor, or franchisor on grounds that a new motorcycle, or a prior year's model, is in the dealer's inventory at the time of introduction of new model motorcycles;

(19) To deny any dealer the right of free association with any other dealer for any lawful purpose;

(20) To artificially and intentionally create a shortage of any motorcycle make, model, or series that results in the inequitable distribution of the make, model, or series to dealers;

(21) To charge increased prices without having given written notice to the dealers at least fifteen days prior to the effective date of the price increases;

(22) To permit factory authorized warranty service to be performed upon motorcycles or accessories by persons other than their franchised motorcycle dealers;

(23) To unreasonably interfere with a dealer's performance under the franchise agreement's sale quota by withholding sufficient deliveries of motorcycles; or

(24) To own, operate, or control any motorcycle dealer or place of business selling at retail in the state.

NEW SECTION. Sec. 5. (1) The manufacturer, distributor, or franchisor shall not prevent, attempt to prevent, refuse to give effect to, attempt to refuse to give effect to, or in any way hinder the succession to the ownership, management, control, or continuance of a dealer's motorcycle business by a designated family member upon the death or incapacity of the dealer, except as otherwise provided in this chapter.

(2) A designated family member, at his or her discretion, may succeed the dealer in ownership or management control under the existing agreement. The designated family member shall provide notice to the franchisor, in writing, of the intention to succeed to the franchise within one hundred twenty days after the dealer's death or incapacity. The designated family member shall agree to be bound by the terms of the original franchise. The designated family member shall meet the reasonable, written, and uniformly applied conditions applied by the franchisor under the existing franchise.

(3) A designated family member may only be rejected for succession on reasonable grounds. The franchisor shall provide written notice to the designated family member within sixty days of receipt of notice of the intention to succeed. The notice shall state the specific grounds for refusal, termination, or nonrenewal of the franchise and shall not take effect less than ninety days after receipt of the notice by the designated family member. If notice is not served within the designated time period, the franchise shall continue in effect with the designated family member.

(4) The designated family member may appeal to the appropriate court within ninety days of receipt of notice of refusal, termination, or nonrenewal. The franchisor has the burden of proving reasonable grounds. A designated family member prevailing in such action shall recover reasonable costs and attorney's fees.

(5) A dealer may designate any person as the recipient of the franchise by making a notarized statement in accordance with section 3(2) of this act. The statement shall be filed with the franchisor. The statement shall be controlling and binding on all heirs and testamentary successors. The recipient shall agree to be bound by the terms of the original franchise. The recipient shall meet the reasonable, written, and uniformly applied conditions applied by the franchisor under the existing franchise.

NEW SECTION. Sec. 6. (1) A person desiring to enter into a franchise establishing or relocating a motorcycle dealer shall notify, in writing, each existing franchised dealer of the same

manufacturer, distributor, or franchisor, in the relevant market area of its intention to establish or relocate a dealer. Within one hundred twenty days of receiving the notice, or within one hundred twenty days after the end of any appeal period procedure provided by the person, whichever is later, any existing franchised dealer to whom the person is required to give notice under this subsection may file an action in the superior court of the county in which the existing franchise dealer's place of business is located, challenging the proposed establishment or relocation of the dealership within the relevant market area.

(2) Authority to enter into a franchise establishing or relocating a dealer shall only be granted by the manufacturer, distributor, or franchisor proving just cause. Just cause includes but is not limited to:

(a) The amount of business transacted by existing dealers when compared with the amount of business available to them;

(b) The degree of the dealer's investment, including but not limited to the dealer's purchase or lease of real property for the dealership, the training given to the dealer's employees, and the amount of equipment purchased for the dealership;

(c) The effect of the proposed franchise on the retail motorcycle business in the relevant market area;

(d) Whether it is injurious to the public welfare for the proposed dealer to be established or relocated;

(e) Whether the existing dealers are providing adequate customer care for the motorcycles sold, including the adequacy of motorcycle service facilities;

(f) Whether the existing dealers are receiving vehicles and parts in quantities promised by the manufacturer, factory branch, distributor, or franchisor, and on what volume of promised quantities existing dealers based their investment and scope of operations;

(g) The effect on the retail motorcycle business and the consuming public in the relevant market area; and

(h) Injury to the public welfare if the proposed establishment or relocation is allowed.

For the purposes of this subsection, the reopening of a dealer's place of business that has been closed for less than six months at the original location is not the establishment or relocation of a dealer.

(3) Except for test marketing, a franchisor shall offer a new motorcycle model, line, or product for resale to all dealers and require that all similarly situated dealers meet the same conditions for marketing the new model, line, or product.

(4) Each new or renewed franchise with an individual franchisor, occurring on or after the effective date of this act, shall include all motorcycle models, types, or products which are under separate franchises between that individual franchisor and dealer.

NEW SECTION. Sec. 7. (1) Upon the termination or nonrenewal of a franchise, the dealer shall be paid fair and reasonable compensation by the franchisor for:

(a) All new motorcycle inventory, including new motorcycles not of the current model year, purchased from the manufacturer, distributor, or franchisor that has not been materially altered, damaged, or driven more than fifty miles;

(b) All new, rebuilt, or used parts and accessories received from the manufacturer, distributor, or franchisor;

(c) Equipment, furnishings, and signs purchased from the manufacturer, distributor, or franchisor; and

(d) Special tools purchased from the manufacturer, distributor, or franchisor.

Compensation shall not be less than the current prices charged by the manufacturer, distributor, or franchisor for the new, rebuilt, or used items specified in (a) and (b) of this subsection or the fair market value for items specified in (c) and (d) of this subsection.

(2) In the event of termination or nonrenewal of the franchise by the franchisor without good cause, the franchisor shall pay the dealer, at the dealer's election, fair and reasonable compensation for the value of the dealership within six months of the effective date of the termination or nonrenewal. Compensation shall include, but not exclusively, all items listed in subsection (1) of this section, any real and personal property associated with the place of business, and business good will. The dealer has a responsibility to mitigate damages.

(3) Subsections (1) and (2) of this section do not apply if the dealer has acted illegally or fraudulently in the procurement of the franchise, or has acted illegally or fraudulently in the operation of the franchise.

NEW SECTION. Sec. 8. (1) The manufacturer, distributor, or franchisor shall compensate the dealer for labor, parts, and other expenses incurred to comply with the manufacturer, distributor, or franchisor's warranty agreements, and for work and services performed in connection with delivery and preparation of motorcycles received from the manufacturer, distributor, or franchisor. The compensation shall not be less than the rates reasonably charged by the dealer for like services and parts to retail customers.

(2) All claims for compensation made by the dealer shall be paid within thirty days after approval and shall be approved or disapproved within thirty days of their receipt by the manufacturer, distributor, or franchisor. Any denial of claim shall be in writing and shall set forth the specific grounds for denial.

(3) A claim that has been approved and paid shall not be charged back to the dealer unless it is established the claim was false or fraudulent, that the repairs were not properly made or were unnecessary to correct the defective condition, or the dealer failed to reasonably substantiate the claim.

**NEW SECTION.** Sec. 9. No manufacturer, distributor, or franchisor shall require or coerce any dealer to sell, assign, or transfer a retail sales installment contract, or require the dealer to act as an agent for any manufacturer, distributor, or franchisor in the securing of a promissory note, a security agreement given in connection with the sale of a motorcycle, or securing of a policy of insurance for a motorcycle. The manufacturer, distributor, or franchisor may not condition delivery of motorcycles, parts, or accessories upon the dealer's assignment, sale, or other transfer of sales installment contracts to specific finance companies.

**NEW SECTION.** Sec. 10. Any person injured by a violation of this chapter may bring a civil action in a court of competent jurisdiction to enjoin further violations or to recover damages. Injunctive relief may be granted in an action brought under this chapter without the dealer being required to post a bond if, in the opinion of the court, there exists a likelihood the dealer may prevail upon the merits.

**NEW SECTION.** Sec. 11. Except as otherwise provided in this chapter, any civil action under this chapter shall be brought within four years after discovery by the aggrieved party of the facts constituting a violation of this chapter.

Each of the following acts or practices is hereby declared unlawful:

(1) To cause or permit to be advertised, printed, displayed, published, distributed, broadcasted, televised, or disseminated in any manner whatsoever, any statement or representation with regard to the sale or financing of a vehicle which is false, deceptive, or misleading, including but not limited to the following:

(a) That no down payment is required in connection with the sale of a vehicle when a down payment is in fact required, or that a vehicle may be purchased for a smaller down payment than is actually required;

(b) That a certain percentage of the sale price of a vehicle may be financed when such financing is not offered in a single document evidencing the entire security transaction;

(c) That a certain percentage is the amount of the service charge to be charged for financing, without stating whether this percentage charge is a monthly amount or an amount to be charged per year;

(d) That a new vehicle will be sold for a certain amount above or below cost without computing cost as the exact amount of the factory invoice on the specific vehicle to be sold;

(e) That a vehicle will be sold upon a monthly payment of a certain amount, without including in the statement the number of payments of that same amount which are required to liquidate the unpaid purchase price.

(2) To incorporate within the terms of any purchase and sale agreement any statement or representation with regard to the sale or financing of a vehicle which is false, deceptive, or misleading, including but not limited to terms that include as an added cost to the selling price of a vehicle an amount for licensing or transfer of title of that vehicle which is not actually due to the state, unless such amount has in fact been paid by the dealer prior to such sale.

(3) To set up, promote, or aid in the promotion of a plan by which vehicles are to be sold to a person for a consideration and upon further consideration that the purchaser agrees to secure one or more persons to participate in the plan by respectively making a similar purchase and in turn agreeing to secure one or more persons likewise to join in said plan, each purchaser being given the right to secure money, credits, goods, or something of value, depending upon the number of persons joining the plan.

(4) To commit, allow, or ratify any act of 'bushing' which is defined as follows: Taking from a prospective buyer of a vehicle a written order or offer to purchase, or a contract document signed by the buyer, which:

(a) Is subject to the dealer's, or his authorized representative's future acceptance, and the dealer fails or refuses within forty-eight hours, exclusive of Saturday, Sunday, or legal holiday, and prior to any further negotiations with said buyer, to deliver to the buyer either the dealer's signed acceptance or all copies of the order, offer, or contract document together with any initial payment or security made or given by the buyer, including but not limited to money, check, promissory note, vehicle keys, a trade-in, or certificate of title to a trade-in; or

(b) Permits the dealer to renegotiate a dollar amount specified as trade-in allowance on a vehicle delivered or to be delivered by the buyer as part of the purchase price, for any reason except substantial physical damage or latent mechanical defect occurring before the dealer took possession of the vehicle and which could not have been reasonably discoverable at the time of the taking of the order, offer, or contract; or

(c) Fails to comply with the obligation of any written warranty or guarantee given by the dealer requiring the furnishing of services or repairs within a reasonable time.

(8) To commit any offense relating to a dealer's temporary license permit, including but not limited to failure to properly complete each such permit, or the issuance of more than one such permit on any one vehicle.

(9) For a dealer, salesman, or mobile home manufacturer, having taken an instrument or cash 'on deposit' from a purchaser prior to the delivery of the bargained-for vehicle, to commingle said 'on deposit' funds with assets of the dealer, salesman, or mobile home manufacturer instead of holding said 'on deposit' funds as trustee in a separate trust account until the purchaser has taken delivery of the bargained-for vehicle. Failure, immediately upon receipt, to endorse 'on deposit' instruments to such a trust account, or to set aside 'on deposit' cash for deposit in such trust account, and failure to deposit such instruments or cash in such trust account by the close of banking hours on the day following receipt thereof, shall be evidence of intent to commit this unlawful practice: PROVIDED, HOWEVER, That a motor vehicle dealer may keep a separate trust account which equals his customary total customer deposits for vehicles for future delivery.

(10) For a dealer or manufacturer to fail to comply with the obligations of any written warranty or guarantee given by the dealer or manufacturer requiring the furnishing of goods and services or repairs within a reasonable period of time, or to fail to furnish to a purchaser, all parts which attach to the manufactured unit including but not limited to the undercarriage, and all items specified in the terms of a sales agreement signed by the seller and buyer.

(a) Coerce or attempt to coerce any vehicle dealer to order or accept delivery of any vehicle or vehicles, parts or accessories, or any other commodities which have not been voluntarily ordered by the vehicle dealer: PROVIDED, That recommendation, endorsement, exposition, persuasion, urging, or argument are not deemed to constitute coercion;

(b) Cancel or fail to renew the franchise or selling agreement of any vehicle dealer doing business in this state without fairly compensating the dealer at a fair going business value for his capital investment which shall include but not be limited to tools, equipment, and parts inventory possessed by the dealer on the day he is notified of such cancellation or termination and which are still within the dealer's possession on the day the cancellation or termination is effective, if: (i) The capital investment has been entered into with reasonable and prudent business judgment for the purpose of fulfilling the franchise; and (ii) said cancellation or nonrenewal was not done in good faith. Good faith is defined as the duty of each party to any franchise to act in a fair and equitable manner towards each other, so as to guarantee one party freedom from coercion, intimidation, or threats of coercion or intimidation from the other party: PROVIDED, That recommendation, endorsement, exposition, persuasion, urging, or argument are not deemed to constitute a lack of good faith.

(c) Encourage, aid, abet, or teach a vehicle dealer to sell vehicles through any false, deceptive, or misleading sales or financing practices including but not limited to those practices declared unlawful in this section;

(d) Coerce or attempt to coerce a vehicle dealer to engage in any practice forbidden in this section by either threats of actual cancellation or failure to renew the dealer's franchise agreement;

(e) Refuse to deliver any vehicle publicly advertised for immediate delivery to any duly licensed vehicle dealer having a franchise or contractual agreement for the retail sale of new and unused vehicles sold or distributed by such manufacturer within sixty days after such dealer's order has been received in writing unless caused by inability to deliver because of shortage or curtailment of material, labor, transportation, or utility services, or by any labor or production difficulty, or by any cause beyond the reasonable control of the manufacturer;

(f) To provide under the terms of any warranty that a purchaser of any new or unused vehicle that has been sold, distributed for sale, or transferred into this state for resale by the vehicle manufacturer may only make any warranty claim on any item included as an integral part of the vehicle against the manufacturer of that item.

Nothing in this section may be construed to impair the obligations of a contract or to prevent a manufacturer, distributor, representative, or any other person, whether or not licensed under this chapter, from requiring performance of a written contract entered into with any licensee hereunder, nor does the requirement of such performance constitute a violation of any of the provisions of this section if any such contract or the terms thereof requiring performance, have been freely entered into and executed between the contracting parties.

NEW SECTION, Sec. 14. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

NEW SECTION, Sec. 15. Sections 1 through 11 of this act shall constitute a new chapter in Title 46 RCW.\*

In any race meet in which quarter horses, thoroughbred horses, appaloosa horses, stand-ard bred harness horses, paint horses, or arabian horses participate, only horses of the same breed shall be allowed to compete in any individual race.

Sec. 6. Section 1, chapter 16, Laws of 1980 and RCW 67.16.100 are each amended to read as follows:

In addition to the license fees required by this chapter, the licensee shall pay to the commission the percentages of the gross receipts of all parimutuel machines at each race meet in accordance with RCW 67.16.105, which sums shall be paid daily to the commission.

All sums paid to the commission, together with all sums collected for license fees under the provisions of this chapter, shall be disposed of by the commission as follows: Twenty-two percent thereof shall be retained by the commission for the payment of the salaries of its members, secretary, clerical, office, and other help and all expenses incurred in carrying out the provisions of this chapter. No salary, wages, expenses, or compensation of any kind shall be paid by the state in connection with the work of the commission. ~~((Of the remaining eighty percent, forty-seven))~~ Forty percent shall, on the next business day following the receipt thereof, be paid to the state treasurer to be deposited in the general fund, and three percent shall, on the next business day following the receipt thereof, be paid to the state treasurer, who is hereby made ex officio treasurer of a fund to be known as the 'state trade fair fund' which shall be maintained as a separate and independent fund, and made available to the director of commerce and economic development for the sole purpose of assisting state trade fairs. ~~((The remaining))~~ Thirty-five percent shall be paid to the state treasurer, who is hereby made ex officio treasurer of a fund to be known as the 'fair fund,' which shall be maintained as a separate and independent fund outside of the state treasury, and made available to the director of agriculture for the sole purpose of assisting fairs in the manner provided in Title 15 RCW. Any moneys collected or paid to the commission under the terms of this chapter and not expended at the close of the fiscal biennium shall be paid to the state treasurer and be placed in the general fund. SSB 3378 Prime Sponsor, Committee on Agriculture: Establishing a state agricultural finance commission. Reported by Committee on Agriculture

MAJORITY recommendation: Do pass with the following amendments:

Strike everything after the enacting clause and insert the following:

"NEW SECTION, Sec. 1. A new section is added to chapter 39.84 RCW to read as follows:

The legislature finds that Congress has made available a program which, if enacted by individual states, allows the issuance of tax exempt industrial development bonds for the purpose of making loans to eligible persons who engage in certain agricultural activities as provided in the federal internal revenue code.

The legislature has found and determined and does hereby declare that in this state the following conditions exist: (a) An inadequate supply of funds at interest rates sufficiently low to enable persons to engage in agriculture in this state or to expand agricultural operations from present levels; (b) that such inability to pursue agricultural operations lessens the supply of agricultural commodities available to fulfill the needs of the citizens of this state, nation, and the increasing world demand for food; (c) that such inability to continue operations decreases available employment in the agricultural sector of the state and contributes to continued unemployment and its attendant problems; (d) that such conditions prevent the acquisition of an adequate capital stock of farm equipment and machinery, therefore impairing the productivity of agricultural land; (e) that such conditions are conducive to consolidation of acreage of agricultural land resulting in fewer individuals living and farming on the traditional family farm; (f) that these conditions contribute to a continued loss in population, and movement of persons from rural to urban areas which results in increased costs to communities for creation of new public facilities and services; (g) that there have been recurrent shortages of funds from private market sources at reasonable rates of interest; (h) that these shortages have made the sale and purchase of agricultural land to family farmers a virtual impossibility in many parts of the state; (i) that the ordinary operations of private enterprise have not in the past corrected these conditions; and (j) that a stable supply of adequate funds for agricultural financing is

required to encourage family farming in an orderly and sustained manner and to reduce the problems described in this section.

Based upon the above findings it is therefore declared that conditions exist in the state that justify the use of nonrecourse revenue bonds, as authorized under Article 32 of the Washington Constitution, for loans for the acquisition and development of agricultural facilities.

It is declared to be the public policy of the state and a recognized governmental function to assist the agricultural producers of this state and by doing so contribute to the general economic welfare. A strong agricultural economy is a most important public concern. The agricultural sector in Washington both directly and indirectly is the largest employer in the state and its products compose the largest share of this state's exports. A strong agricultural sector is vital to our financial institutions, ports, transportation industry, and a wide range of other agricultural services.

Sec. 2. Section 2, chapter 300, Laws of 1981 as amended by section 1, chapter 51, Laws of 1983 1st ex. sess. and RCW 39.84.020 are each amended to read as follows:

As used in this chapter, the following terms have the meanings indicated unless the context clearly requires otherwise.

(1) 'Agricultural facility' means land, any building or other improvement thereon or thereto, and any equipment and other personal properties deemed necessary or suitable for use, whether or not now in existence, in: Farming; ranching; the production of agricultural commodities (including, without limitation, the products of aquaculture, Christmas trees, and ornamental horticulture); soil and water conservation projects; or the treating, processing, or storing of such agricultural commodities when such activities are customarily engaged in by farmers as a part of farming.

For the purposes of this chapter, 'development of land' includes the provision of water, sewage, drainage, or similar facilities, or of transportation, energy, or communication facilities, which are incidental to the use of the site as an industrial park, but does not include the provision of structures or buildings.

((8)) (9) 'Municipality' means a city, town, county, or port district of this state.

SSB 3384

Prime Sponsor, Committee on Natural Resources: Establishing a salmon and steelhead rehabilitation and enhancement policy board.  
Reported by Committee on Natural Resources

MAJORITY recommendation: Do pass with the following amendment:

Strike everything after the enacting clause and insert the following:

**\*NEW SECTION.** Sec. 1. Currently, many of the salmon stocks of Washington state are critically reduced from their sustainable level. The best interests of all fishing groups and the citizens as a whole are served by a stable and productive salmon resource. Immediate action is needed to reverse the severe decline of the resource and to insure its very survival. The legislature finds a state of emergency exists and that immediate action is required to restore its fishery.

Disagreement and strife have dominated the salmon fisheries for many years. Conflicts among the various fishing interests have only served to erode the resource. It is time for the state of Washington to make a major commitment to increasing productivity of the resource and to move forward with an effective rehabilitation and enhancement program. The department of fisheries is directed to dedicate its efforts to make increasing the productivity of the salmon resource a first priority and to seek resolution to the many conflicts that involve the resource.

Success of the enhancement program can only occur if projects efficiently produce salmon or restore habitat. The expectation of the program is to optimize the efficient use of funding on projects that will increase artificially and naturally produced salmon, restore and improve habitat, or identify ways to increase the survival of salmon. The full utilization of state resources and cooperative efforts with interested groups are essential to the success of the program.

**NEW SECTION.** Sec. 2. (1) The director shall develop long-term regional policy statements regarding the salmon fishery resources before December 1, 1985. The director shall consider the following in formulating and updating regional policy statements:

- (a) Existing resource needs;
- (b) Potential for creation of new resources;
- (c) Successful existing programs, both within and outside the state;
- (d) Balanced utilization of natural and hatchery production;
- (e) Desires of the fishing interest;
- (f) Need for additional data or research;
- (g) Federal court orders; and
- (h) Salmon advisory council recommendations.

(2) The director shall review and update each policy statement at least once each year.

**NEW SECTION.** Sec. 3. (1) The director shall develop a detailed salmon enhancement plan with proposed enhancement projects. The plan and the regional policy statements shall be submitted to the secretary of the senate and chief clerk of the house of representatives for legislative distribution by June 30, 1986. The director shall provide a maximum opportunity for the public to participate in the development of the salmon enhancement plan. To insure full participation by all interested parties, the director shall solicit and consider enhancement project proposals from Indian tribes, sports fishermen, commercial fishermen, private aquaculturists, and other interested groups or individuals for potential inclusion in the salmon enhancement plan. Joint or cooperative enhancement projects shall be considered for funding.

(2) The following criteria shall be used by the director in formulating the project proposals:

- (a) Compatibility with the long-term policy statement;
- (b) Benefit/cost analysis;
- (c) Needs of all fishing interests;
- (d) Compatibility with regional plans, including harvest management plans;
- (e) Likely increase in resource productivity;
- (f) Direct applicability of any research;
- (g) Salmon advisory council recommendations;
- (h) Compatibility with federal court orders;
- (i) Coordination with the salmon and steelhead advisory commission program;
- (j) Economic impact to the state;
- (k) Technical feasibility; and
- (l) Preservation of native salmon runs.

(3) The director shall not approve projects that serve as replacement funding for projects that exist prior to the effective date of this act, unless no other sources of funds are available.

(4) The director shall prioritize various projects and establish a recommended implementation time schedule.

**NEW SECTION.** Sec. 4. Upon approval by the legislature of funds for its implementation, the director shall monitor the progress of projects detailed in the salmon enhancement plan.

The director shall be responsible for establishing criteria which shall be used to measure the success of each project in the salmon enhancement plan.

NEW SECTION. Sec. 5. The director shall report to the legislature on or before October 30th of each year on the progress and performance of each project. The report shall contain an analysis of the successes and failures of the program to enable optimum development of the program. The report shall include estimates of funding levels necessary to operate the projects in future years.

The director shall submit the reports and any additional recommendations to the committees on ways and means and the committees on natural resources of the senate and house of representatives.

NEW SECTION. Sec. 6. As used in this chapter, 'enhancement project' means salmon propagation activities including, but not limited to, hatcheries, spawning channels, rearing ponds, egg boxes, fishways, fish screens, stream bed clearing, erosion control, habitat restoration, net pens, applied research projects, and any equipment, real property, or other interest necessary to the proper operation thereof.

Sec. 7. Section 2, chapter 327, Laws of 1977 ex. sess. as last amended by section 173, chapter 46, Laws of 1983 1st ex. sess. and RCW 75.48.120 are each amended to read as follows:

(1) The department shall not acquire, construct, or substantially improve a salmon enhancement facility unless the requirements of this section are met.

(a) The productivity of a salmon propagation facility is very dependent on water quantity and quality. Due to the limited number of water sources which meet the critical needs of a facility, it is imperative that these sources are acquired. Therefore, site acquisitions and preliminary design shall be considered by the department as generally having priority over project development.

(b) Prior to expending moneys for the construction and development of a particular salmon propagation facility, except for site acquisition and preliminary design, the department shall, with the advice of the advisory council created in subsection (2) of this section, give consideration to the following factors with respect to that facility:

(i) The department's management authority over propagated salmon;

(ii) The level of expected Canadian interception on the propagated salmon and whether this would be acceptable;

(iii) Whether an acceptable agreement has been reached on the status of treaty Indian salmon harvest: ~~((and))~~

\*PUBLIC WORKS

NEW SECTION. Sec. 1. LEGISLATIVE FINDINGS AND POLICY. The legislature finds that there exists in the state of Washington over four billion dollars worth of critical projects for the planning, acquisition, construction, repair, replacement, rehabilitation, or improvement of streets and roads, bridges, water systems, and storm and sanitary sewage systems. The December, 1983 Washington state public works report prepared by the planning and community affairs agency documented that local governments expect to be capable of financing over two billion dollars worth of the costs of those critical projects but will not be able to fund nearly half of the documented needs. It is the policy of the state of Washington to encourage self-reliance by local governments in meeting their public works needs and to assist in the financing of critical public works projects by making loans, financing guarantees, and technical assistance available to local governments for these projects.

**NEW SECTION, Sec. 2. DEFINITIONS.** Unless the context clearly requires otherwise, the definitions in this section shall apply throughout this chapter.

(1) 'Board' means the community economic revitalization board as created by chapter 43.160 RCW.

(3) 'Department' means the department of community development.

(4) 'Financing guarantees' means the pledge of money in the public works assistance account, or money to be received by the public works assistance account, to the repayment of all or a portion of the principal of or interest on obligations issued by local governments to finance public works projects.

(5) 'Local governments' means cities, towns, counties, special purpose districts, and any other municipal corporations or quasi-municipal corporations in the state excluding school districts and port districts.

(6) 'Public works project' means a project of a local government for the planning, acquisition, construction, repair, reconstruction, replacement, rehabilitation, or improvement of streets and roads, bridges, water systems, or storm and sanitary sewage systems.

(7) 'Technical assistance' means training and other services provided to local governments to (a) help such local governments plan, apply, and qualify for loans and financing guarantees from the board and (b) help local governments improve their ability to plan for, finance, acquire, construct, repair, replace, rehabilitate, and maintain public facilities.

**NEW SECTION, Sec. 3. GENERAL POWERS OF THE BOARD.** For the purpose of implementing this chapter, the board may:

(1) Accept from any state or federal agency, loans or grants for the planning or financing of any public works project and enter into agreements with any such agency concerning the loans or grants;

(2) Provide technical assistance to local governments;

(3) Accept any gifts, grants, or loans of funds, property, or financial or other aid in any form from any other source on any terms and conditions which are not in conflict with this chapter;

(4) Adopt rules under chapter 34.04 RCW as necessary to carry out the purposes of this chapter;

(5) Delegate to the public works subcommittee of the board, by rule, any of its powers under this chapter; and

(6) Do all acts and things necessary or convenient to carry out the powers expressly granted or implied under this chapter.

**NEW SECTION, Sec. 4. PUBLIC WORKS FINANCING POWERS.** In order to aid the financing of public works projects, the board may:

(1) Make low-interest loans to local governments from the public works assistance account or other funds and accounts for the purpose of assisting local governments in financing public works projects. The board may require such terms and conditions and may charge such rates of interest on its loans as it deems necessary or convenient to carry out the purposes of this chapter. Money received from local governments in repayment of loans made under this section shall be paid into the public works assistance account for uses consistent with this chapter.

(2) Pledge money in the public works assistance account, or money to be received by the public works assistance account, to the repayment of all or a portion of the principal of or interest on obligations issued by local governments to finance public works projects. The board shall not pledge any amount greater than the sum of money in the public works assistance account plus money to be received from the payment of the debt service on loans made from that account, nor shall the board pledge the faith and credit or the taxing power of the state or any agency or subdivision thereof to the repayment of obligations issued by any local government.

(3) Create such subaccounts in the public works assistance account as the board deems necessary to carry out the purposes of this chapter.

(4) Provide a method for the allocation of loans and financing guarantees and the provision of technical assistance under this chapter which shall be based on the recommendations of the public works subcommittee.

All local public works projects aided in whole or in part under the provisions of this chapter shall be put out for competitive bids. The competitive bids called for shall be administered in the same manner as all other public works projects put out for competitive bidding by the local governmental entity aided under this chapter.

**NEW SECTION, Sec. 5. PRIORITIES FOR LOANS AND PLEDGES.** The board shall set up a system of priorities it will use in making loans and providing financial guarantees and technical assistance under this chapter. Top priority will be given to (1) projects of local governments that have developed and implemented a financial plan to assure the continued funding for the repair and maintenance of existing public works; (2) projects of local governments that are contributing substantial local funds, but distressed areas with high unemployment may have a lower contribution requirement; and (3) projects that involve existing public works as defined in section 2(6) of this act. Additional factors to be considered include:

(a) The level of need of state assistance to each local government receiving such assistance;

(b) Public works projects that serve a number of communities or are funded by two or more local governments to share the costs of the assisted public works projects;

(c) The health and safety needs for particular public works projects proposed for assistance;

(d) The occurrence of natural disasters that create the need for assistance for public works projects;

(e) The existence of federal and state projects that create the need for assistance for public works projects;

(f) The need in a community to attract new employers, expand existing employers, or otherwise and the need for economic development and recognition of such need by the department of commerce and economic development which results in a community economic revitalization board allocation; and

(g) Such other criteria as the board deems appropriate.

In issuing rules setting forth the method of weighing the criteria set forth in this section, and selecting public works projects for assistance, the board shall endeavor to provide clear and understandable rules that will indicate to local governments the likelihood of receiving assistance from the board on particular public works projects. In adopting these rules the board shall consider the recommendations of the public works subcommittee.

NEW SECTION. Sec. 6. RECORDS, AUDITS, AND REPORTS. The board and the public works subcommittee shall keep proper records of accounts and shall be subject to audit by the state auditor. Annual reports on the activities of the board and the public works subcommittee in implementing this chapter shall be made by the department to the governor and the legislature at the start of each annual legislative session.

NEW SECTION. Sec. 7. REPEALER. The following acts or parts of acts are each repealed:

The board is authorized to make direct loans to political subdivisions of the state for the purposes of assisting the political subdivisions in financing the cost of public facilities, including the cost of acquisition and development of land and improvements for public facilities, as well as the acquisition, construction, rehabilitation, alteration, expansion, or improvement of the facilities. ~~((Grants)) A grant may also be authorized for purposes designated in this chapter, but only when ((grants are uniquely required)), and to the extent that, a loan is not reasonably possible, given the limited resources of the political subdivision.~~

Application for funds shall be made in the form and manner as the board may prescribe. In making grants or loans the board shall conform to the following requirements:

(1) The board shall not make a grant or loan unless the application includes convincing evidence that a specific private development or expansion is ready to occur and will only occur if the grant or loan is made.

(2) The board shall only make grants or loans for those projects which would result in specific private developments or expansions (a) in manufacturing, production, food processing, assembly, warehousing, and industrial distribution, or (b) which substantially support the trading of goods or services outside of the state's borders. In no instance may the board make a grant or loan for a project where the primary purpose is to facilitate or promote a retail shopping development or expansion.

(3) The board shall prioritize each proposed project according to the number of jobs it would create after the project is completed and according to the unemployment rate in the area in which the jobs would be located. As long as there is more demand for loans or grants than there are funds available for loans or grants, the board is instructed to fund ((those)) projects ((which will lead to the greatest employment once the initial project is completed)) in order of their priority.

(4) The board may not make a grant or loan for any project that probably would result in a development or expansion that would displace existing jobs in any other community in the state.

(5) The board may not make any grant or loan for the acquisition of real property, including buildings and other fixtures which are a part of real property.

(6) A responsible official of the political subdivision shall be present during board deliberations and provide information that the board requests.

~~((Public facilities funds shall be used for projects to))~~ (7) The board shall only make loans or grants for projects which it finds will improve the opportunities for the successful maintenance, establishment, or expansion of industrial or commercial plants or will otherwise assist in the creation or retention of long-term economic opportunities. ((The board shall determine whether or not the projects will assist in alleviating unemployment.))

(8) Before any loan or grant application is approved, the political ((subdivisions of the state)) subdivision seeking the loan or grant must demonstrate to the community economic revitalization board that no other timely source of funding is available to ((them)) it at costs reasonably similar to financing available from the community economic revitalization board.

This section applies to all financial assistance granted by the board, other than assistance granted under chapter -- RCW (sections 1 through 6 of this 1985 act).

NEW SECTION. Sec. 15. A new section is added to chapter 43.160 RCW to read as follows:

NEW SECTION. Sec. 16. A new section is added to chapter 43.160 RCW to read as follows:

In order to enhance competition for grants and loans under this chapter and the quality of projects for which loans and grants are sought, the board shall take such reasonable measures as are necessary to familiarize government officials and members of the public with the provisions of this chapter, particularly the board's authority to make grants and loans.

NEW SECTION. Sec. 17. A new section is added to chapter 43.160 RCW to read as follows:

(1) Except as authorized to the contrary under subsection (2) of this section, from all funds available under this chapter to the board for loans and grants, the board shall spend at least twenty percent for grants and loans for projects in distressed counties. For purposes of this section, the term 'distressed counties' includes any county, in which the average level of unemployment for the three years before the year in which an application for a loan or grant is filed, exceeds the average state unemployment rate for those years by twenty percent.

(2) If at any time during the last six months of a biennium the board finds that the actual and anticipated applications for qualified projects in distressed counties are clearly insufficient to use up the twenty percent allocation, then the board shall estimate the amount of the insufficiency and during the remainder of the biennium may use that amount of the allocation for loans and grants for projects not located in distressed counties.

Sec. 18. Section 8, chapter 40, Laws of 1982 1st ex. sess. as last amended by section 12, chapter 257, Laws of 1984 and RCW 43.160.080 are each amended to read as follows:

There shall be a fund known as the public facilities construction loan revolving fund (~~which shall consist of~~). This fund shall consist of the following moneys which shall be deposited into it: (1) All moneys collected under this chapter, except moneys of the board collected in connection with the issuance of industrial development revenue bonds under RCW 43.160.110 through 43.160.170 (~~and~~); (2) all principal and interest payments which are on loans made by the previously existing economic assistance authority and which are received on or after the effective date of this 1985 act; (3) any moneys appropriated or transferred to it by law (~~PROVIDED, That seventy-five percent of~~); and (4) all principal and interest payments on loans made with the proceeds deposited in the fund under section 901, chapter 57, Laws of 1983 1st ex. sess. (~~shall be deposited in the general fund as reimbursement for debt service payments on the bonds authorized in RCW 43.83.104~~.) The state treasurer shall be custodian of the revolving fund. Disbursements from the revolving fund shall be on authorization of the board. In order to maintain an effective expenditure and revenue control, the public facilities construction loan revolving fund shall be subject in all respects to chapter 43.88 RCW, but no appropriation is required to permit expenditures and payment of obligations from the fund.

Moneys in this fund not needed to meet the current expenses and obligations of the board shall be invested in the manner authorized for moneys in revolving funds. Any interest earned shall be deposited in this fund and shall be used for the purposes specified in this chapter. The state treasurer shall render reports to the board advising of the status of any funds invested, the market value of the assets as of the date the statement is rendered, and the income received from the investments during the period covered by the report.

NEW SECTION. Sec. 19. The state treasurer shall immediately transfer to the public facilities construction loan revolving fund any moneys existing in that special account containing moneys which were paid as principal and interest on loans made by the economic assistance authority or which would have been deposited under former RCW 43.31A.320 had it not been repealed.

#### PRIVATE ACTIVITY BONDS

NEW SECTION. Sec. 20. LEGISLATIVE FINDINGS AND POLICY. The federal deficit reduction act of 1984 imposes an annual ceiling on the aggregate amount of federally tax-exempt private activity bonds, including student loan bonds, industrial development bonds, and certain government activity bonds, that may be issued during any calendar year by or on behalf of states and their political subdivisions. The deficit reduction act of 1984 provides a formula for allocating the annual ceiling among various issuers of private activity bonds within a state, but permits each state to enact a different allocation method that is appropriate to that state's needs. The purpose of this chapter is to provide a flexible and efficient method of allocating the state ceiling in Washington in a manner that recognizes the need of the state and its political subdivisions to finance public improvements which are owned by those public entities and also promotes industrial and economic development, encourages private investment, and assists students seeking financial aid.

NEW SECTION. Sec. 21. DEFINITIONS. The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

(1) 'Board' means the community economic revitalization board as created by chapter 43.160 RCW.

(8) 'Director' means the director of the department or the director's designee.

(9) 'Government activity bonds' means bonds that are classified as private activity bonds under the code and that are neither student loan bonds nor revenue bonds issued under Article XXXII of the state Constitution.

(10) 'Industrial development bonds' means nonrecourse revenue bonds issued under Article XXXII of the state Constitution.

(11) 'Issuer' means the state, any agency or instrumentality of the state, any political subdivision, or any other entity authorized to issue private activity bonds in the state.

(12) 'Private activity bonds' means bonds that are private activity bonds as defined in the code.

(13) 'State' means the state of Washington.

(14) 'State ceiling' means for any calendar year the aggregate amount of private activity bonds that may be issued in the state under the code.

(15) 'Student loan bonds' means bonds issued by an issuer that are student loan bonds as defined in the code.

**NEW SECTION. Sec. 22. ALLOCATION.** (1) The state ceiling shall be allocated each year initially as follows: Forty-five percent to government activity bonds; forty-five percent to industrial development bonds; and ten percent to student loan bonds. The allocation is subject to revision by the board as provided in section 24 of this act.

(2)(a) No issuer is eligible to file a notification form or receive an allocation for the financing of an individual project of more than seven and one-half million dollars of any government activity bond or industrial development bond allocation of the state ceiling without a certificate of approval from the board.

(b) In determining whether to issue a certificate of approval, the board may consider but is not limited to the following criteria:

(i) The number of employment opportunities the project is likely to create in relation to the amount of the bond issuance;

(ii) The level of unemployment in the geographic area likely to be affected by the project;

(iii) Public health and safety benefits;

(iv) The amount of state ceiling which remains unallocated;

(v) The number of persons who will benefit from the project; and

(vi) Other such criteria the board deems appropriate.

(c) The board may condition its certificate of approval on any terms it deems appropriate.

(3) The board shall issue or deny a certificate of approval within sixty days of the filing for an application for the certificate.

(4) The board may delegate to the private activity bond subcommittee of the board, by rule, any of its powers under this chapter.

(5) Subject to the provisions of this chapter, the portion of the state ceiling allocated to a bond use category shall be allocated to an issuer of bonds in that category in the order of the date and time the issuer files a properly completed and signed notification form with the department.

**NEW SECTION. Sec. 23.** (1) The notification form filed by an issuer shall identify: (a) The amount of the state ceiling allocation that is sought; (b) the bond use category from which the allocation is to be made; (c) a certification by the issuer that a bond purchase agreement has been executed with respect to the bonds for which an allocation is sought; and (d) such other information or evidence of the issuer's intention to issue bonds as the director prescribes.

(2) If the principal amount of the bonds for which an allocation of the state ceiling is sought does not exceed the amount of the state ceiling available in the bond use category applicable to the bonds, the director shall mail a written allocation confirmation notice to the issuer within five business days after the filing of the issuer's notification form for the bonds.

(3) If the principal amount of the bonds for which an allocation of the state ceiling is sought exceeds the amount of the state ceiling available in the bond use category applicable, the director shall mail a written deficiency notice to the issuer within five business days after the filing of the issuer's notification form for such bonds and in that notice advise the issuer of the amount by which the principal amount of the bonds described in the notification form exceeds the available state ceiling. The issuer shall be entitled to an allocation of the remaining available state ceiling in the applicable bond use category upon its filing with the department

within fifteen calendar days after the date of the director's deficiency notice, a written notice of the amount of the available state ceiling it will consume.

(4) State ceiling allocation notification forms filed in any year for which a full or partial deficiency notice was given by the director shall be retained on a waiting list. When any state ceiling becomes available that year or on January 1 of the following year for the bond use category for which the notification form was filed, the following rules apply: (a) The director shall notify by mail the issuers on the waiting list; and (b) those issuers who, within five business days of receipt of such notice, certify to the director their intention to issue bonds up to the amount stated in the original notification form, shall receive an allocation of the available state ceiling in the order the original notification forms were filed.

(5) Except as provided in section 24 (2) and (3) of this act, all allocations of the state ceiling shall expire on the ninety-first day after mailing of the director's allocation confirmation or the notice of allocation, unless the bonds described in the issuer's state ceiling allocation notification form have been delivered to their original purchaser. Each issuer shall file a confirmation of delivery notice with the department within ten days after delivery of the bonds.

**NEW SECTION. Sec. 24. REALLOCATION.** (1) After June 1 of any year the board may reallocate any bond use category it determines unlikely to exceed the amount allocated in section 22(1) of this act.

(2) The board may in its discretion grant an advanced allocation of the state ceiling in any future year of a portion of the state ceiling for a bond use category, upon such conditions as the board may determine, and may waive the requirements under section 23(5) of this act that the bonds be issued within ninety days of the director's allocation confirmation and notice of allocation. Advanced allocations shall be deemed to have been received by issuers on January 1 of the year for which they are granted in each year, and in the order they were granted. Any advanced allocation shall be contingent on the existence of available state ceiling. Such advanced allocations shall be considered received before any new allocations are made in a given year.

(3) In December of any year, if the board finds that it is reasonably likely that a portion of the state ceiling otherwise would not be consumed, the board, in its discretion, may grant an allocation of the state ceiling to an issuer for financing of a specific project and waive the requirements under section 23(5) of this act that bonds be issued within ninety days after mailing of the director's allocation confirmation or notice of allocation. The issuer may then carry forward the allocation for the project for a period of time permitted by the code.

**NEW SECTION. Sec. 25. RULE-MAKING AUTHORITY.** (1) The board may adopt such rules as are necessary to carry out the purposes of this chapter.

(2) In order to permit the full use of the authorized state ceiling under the federal law, the board may adopt rules approving any amendments made to the code after the effective date of this act.

**NEW SECTION. Sec. 26. ANNUAL REPORT.** The department shall report annually at the start of each annual legislative session to the legislature and the governor on the allocations of the state ceiling made during the previous year.

**NEW SECTION. Sec. 27. TERMINATION.** The method for making new allocations of the state ceiling provided in sections 22, 23, and 24 of this act shall expire on December 31, 1988, unless extended by law for an additional fixed period of time, except that any advanced allocations granted under section 24(2) of this act and any allocations carried forward under section 24(3) of this act shall remain in full force and effect after that date.

**NEW SECTION. Sec. 28. RATIFICATION.** Any state ceiling allocations taken during 1984 or 1985 in conformance with the code and an applicable executive order of the governor are ratified and confirmed and shall remain in full force and effect notwithstanding any other provision of this act.

SSB 4308 Prime Sponsor, Committee on Parks & Ecology: Transferring certain responsibilities from the department of social and health services to the department of ecology. Reported by Committee on Environmental Affairs

MAJORITY recommendation: Do pass with the following amendments:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The departments of social and health services and ecology were created in 1970. At that time, the legislature recognized that the protection of the natural environment and the protection of the public health were closely interrelated activities. The enabling statutes, RCW 43.21A.140 and 43.20A.140, directed each agency to consult with the other in order that to the fullest extent possible, agencies concerned with the preservation of life and health, and agencies concerned with the protection of the environment may integrate their efforts and endorse policies in common."

Increasing awareness of incidents involving air, water, and land pollution resulting in health problems have caused citizens to be confused about the responsibility of the departments of ecology and social and health services.

Examples of areas in which both agencies have responsibilities include: Toxic and hazardous waste disposal; ground water contamination affecting drinking water; radioactive material handling and disposal; and pollution of Puget Sound resulting in shellfish area closures.

NEW SECTION. Sec. 2. A thorough assessment of the relationship of public health, environmental health and environmental protection in the state is commissioned. ## SENATE AMENDMENTS TO HOUSE BILL

April 3, 1985

Mr. Speaker:

The Senate has passed ENGROSSED HOUSE BILL NO. 601 with the following amendments:

Strike everything after the enacting clause and insert the following:

"Sec. 1. Section 82.08.050, chapter 15, Laws of 1961 as last amended by section 7, chapter 299, Laws of 1971 ex. sess. and RCW 82.08.050 are each amended to read as follows:

The tax hereby imposed shall be paid by the buyer to the seller, and each seller shall collect from the buyer the full amount of the tax payable in respect to each taxable sale in accordance with the schedule of collections adopted by the department pursuant to the provisions of RCW 82.08.060. The tax required by this chapter, to be collected by the seller, shall be deemed to be held in trust by the seller until paid to the department, and any seller who appropriates or converts the tax collected to his own use or to any use other than the payment of the tax to the extent that the money required to be collected is not available for payment on the due date as prescribed in this chapter shall be guilty of a gross misdemeanor.

In case any seller fails to collect the tax herein imposed or having collected the tax, fails to pay it to the department in the manner prescribed by this chapter, whether such failure is the result of his own acts or the result of acts or conditions beyond his control, he shall, nevertheless, be personally liable to the state for the amount of the tax.

The amount of tax, until paid by the buyer to the seller or to the department, shall constitute a debt from the buyer to the seller and any seller who fails or refuses to collect the tax as required with intent to violate the provisions of this chapter or to gain some advantage or benefit, either direct or indirect, and any buyer who refuses to pay any tax due under this chapter shall be guilty of a misdemeanor. The tax required by this chapter to be collected by the seller shall be stated separately from the selling price (and) in any sales invoice or other instrument of sale. For purposes of determining the tax due from the buyer to the seller and from the seller to the department it shall be conclusively presumed that the selling price quoted in any price list, sales document, contract or other agreement between the parties does not include the tax imposed by this chapter, but if the seller advertises the price as including the tax or that the seller is paying the tax, the advertised price shall not be considered the selling price.

Where a buyer has failed to pay to the seller the tax imposed by this chapter and the seller has not paid the amount of the tax to the department, the department may, in its discretion, proceed directly against the buyer for collection of the tax, in which case a penalty of ten percent may be added to the amount of the tax for failure of the buyer to pay the same to the seller, regardless of when the tax may be collected by the department; and all of the provisions of chapter 82.32 RCW, including those relative to interest and penalties, shall apply in addition; and, for the sole purpose of applying the various provisions of chapter 82.32 RCW, the fifteenth day of the month following the tax period in which the purchase was made shall be considered as the due date of the tax.

NEW SECTION. Sec. 2. A new section is added to chapter 82.08 RCW to read as follows:

A seller may advertise the price as including the tax or that the seller is paying the tax, subject to the following conditions:

(1) Unless the advertised price is one in a listed series, the words 'tax included' are stated immediately following the advertised price and in print size at least half as large as the advertised price;

(2) If the advertised prices are listed in a series, the words 'tax included in all prices' are placed conspicuously at the head of the list and in the same print size as the advertised prices;

(3) If a price is advertised as 'tax included,' the price listed on any price tag shall be shown in the same manner; and

(4) All advertised prices and the words 'tax included' are stated in the same medium, be it oral or visual, and if oral, in substantially the same inflection and volume.

Sec. 3 Section 82.08.010, chapter 15, Laws of 1961 as last amended by section 2, chapter 2, Laws of 1985 and RCW 82.08.010 are each amended to read as follows:

For the purposes of this chapter:

(1) 'Selling price' means the consideration, whether money, credits, rights, or other property except trade-in property of like kind, expressed in the terms of money paid or delivered by a buyer to a seller without any deduction on account of the cost of tangible property sold, the cost of materials used, labor costs, interest, discount, delivery costs, taxes other than taxes imposed under this chapter if the seller advertises the price as including the tax or that the seller is paying the tax, or any other expenses whatsoever paid or accrued and without any deduction on account of losses; but shall not include the amount of cash discount actually taken by a buyer; and shall be subject to modification to the extent modification is provided for in RCW 82.08.080.

When tangible personal property is rented or leased under circumstances that the consideration paid does not represent a reasonable rental for the use of the articles so rented or leased, the 'selling price' shall be determined as nearly as possible according to the value of such use at the places of use of similar products of like quality and character under such rules as the department of revenue may prescribe:

(2) 'Seller' means every person, including the state and its departments and institutions, making sales at retail or retail sales to a buyer or consumer, whether as agent, broker, or principal, except 'seller' does not mean the state and its departments and institutions when making sales to the state and its departments and institutions;

(3) 'Buyer' and 'consumer' include, without limiting the scope hereof, every individual, receiver, assignee, trustee in bankruptcy, trust, estate, firm, copartnership, joint venture, club, company, joint stock company, business trust, corporation, association, society, or any group of individuals acting as a unit, whether mutual, cooperative, fraternal, nonprofit, or otherwise, municipal corporation, quasi municipal corporation, and also the state, its departments and institutions and all political subdivisions thereof, irrespective of the nature of the activities engaged in or functions performed, and also the United States or any instrumentality thereof;

(4) The meaning attributed in chapter 82.04 RCW to the terms 'tax year,' 'taxable year,' 'person,' 'company,' 'sale,' 'sale at retail,' 'retail sale,' 'sale at wholesale,' 'wholesale,' 'business,' 'engaging in business,' 'cash discount,' 'successor,' 'consumer,' 'in this state' and 'within this state' shall apply equally to the provisions of this chapter.

Sec. 4. Section 82.08.120, chapter 15, Laws of 1961 as amended by section 51, chapter 278, Laws of 1975 1st ex. sess. and RCW 82.08.120 are each amended to read as follows:

Whoever, excepting as expressly authorized by this chapter, refunds, remits, or rebates to a buyer, either directly or indirectly and by whatever means, all or any part of the tax levied by this chapter (~~(or makes in any form of advertising, verbal or otherwise, any statements which might infer that he is absorbing the tax or paying the tax for the buyer by an adjustment of prices, or at a price including the tax, or in any other manner whatsoever)~~) shall be guilty of a misdemeanor. The violation of this section by any person holding a license granted by the state or any political subdivision thereof shall be sufficient grounds for the cancellation of the license of such person upon written notification by the department of revenue to the proper officer of the department granting the license that such person has violated the provisions of this section. Before any license shall be canceled hereunder, the licensee shall be entitled to a hearing before the department granting the license under such regulations as the department may prescribe.

**NEW SECTION.** Sec. 5. This act is necessary for the immediate preservation of the public peace, health, and safety, and the support of the state government and its existing public institutions, and shall take effect immediately."

On page 1, line 1 of the title, after "taxes;" strike the remainder of the title and insert "amending RCW 82.08.050, 82.08.010, and 82.08.120; adding a new section to chapter 82.08 RCW; and declaring an emergency."

and the same is herewith transmitted.

MAJORITY recommendation: Do pass with the following amendment:

Strike everything after the enacting clause and insert the following:

**NEW SECTION, Sec. 1.** A new section is added to chapter 70.84 RCW to read as follows:

(1) Every person, firm, partnership, association, trustee, or corporation which operates a gasoline service station, or other facility which offers gasoline or other motor vehicle fuel for

The price charged for the motor vehicle fuel in such a case shall be no greater than that which the facility otherwise would charge the public generally to purchase motor vehicle fuel without refueling service. This section does not require a facility to provide disabled drivers with services, including but not limited to checking oil or cleaning windshields, other than refueling services.

(2) This section does not apply to:

(a) Exclusive self-service gas stations which have remotely controlled gas pumps and which never provide pump island service; and

(3) Any person who, as a responsible managing individual setting service policy of a station or facility or as an employee acting independently against set service policy, acts in violation of this section is guilty of a misdemeanor. This subsection shall be enforced by the prosecuting attorney.

(4) The human rights commission shall, upon the filing of a verified written complaint by any person, investigate the actions of any person, firm, partnership, association, trustee, or corporation alleged to have violated this section. SSB 3029 Prime Sponsor, Committee on Financial Institutions: Modifying provisions relating to the cashing of government checks by financial institutions. Reported by Committee on Financial Institutions & Insurance

MAJORITY recommendation: Do pass with the following amendments:

Strike everything after the enacting clause and insert the following:

NEW SECTION, Sec. 1. The legislature finds that the fees charged by some financial institutions to cash noncustomer government checks and warrants impose a hardship on citizens who receive financial assistance from the state or federal government.

The legislature recognizes that in an era of deregulation and increased competition, some services offered by financial institutions may no longer be provided free of charge to the public. Nevertheless, the legislature encourages financial institutions to assist in the attainment of public policy objectives involving fund transfers between the government and its citizens by providing check-cashing services at little or no cost to recipients of government checks and warrants.

The legislature further encourages financial institutions to develop checking accounts which provide basic services at minimal cost so that recipients of government checks and warrants can avoid check-cashing fees by becoming customers of the financial institution.

**NEW SECTION.** Sec. 2. (1) By January 1, 1986, the supervisors of banking and savings and loan associations shall report to the legislature on efforts made by financial institutions to provide basic checking services at low cost and to remove or lower fees charged for cashing government checks for noncustomers.

(2) The report shall contain:

(a) A current list, prepared by the supervisor of banking, of the basic checking accounts offered and fees imposed for cashing government checks for noncustomers by state and federal commercial banks and savings banks doing business in Washington; and

(b) A current list, prepared by the supervisor of savings and loan associations, of the basic checking accounts offered and fees imposed for cashing government checks for noncustomers by state and federal savings and loan associations doing business in Washington.

(3) The report shall be transmitted to the governor, the speaker of the state house of representatives, the president of the senate, and the chairmen of the financial institutions committees of each house of the legislature.

**NEW SECTION.** Sec. 3. A new section is added to chapter 46.20 RCW to read as follows:

In addition to the use of identicards prescribed under RCW 46.20.185, identicards may also be used to establish proof of identity for purposes of the presentment of checks and other negotiable instruments."

On page 1, line 1 of the title, after "institutions;" strike the remainder of the title and insert "adding a new section to chapter 46.20 RCW; and creating new sections."

Signed by Representatives Lux, Chair; Zellinsky, Vice Chair; Addison, Barrett, Crane, Dellwo, Holland, P. King, Locke, Nutley, Prince, West and Winsley.

Absent: Representative Grimm.

Alternatively, when sufficient time for the issuance of a permit by the director is not available, verbal permission may be given by the appropriate game department regional administrator to owners or tenants of real property to trap or kill on that property any deer, elk, or protected wildlife which is damaging crops, domestic animals, fowl, or other property. The regional administrator may delegate, in writing, a member of the regional staff to give the required permission in these emergency situations. Nothing in this section authorizes in any situation the trapping, hunting, or killing of an endangered species.

Wildlife trapped or killed under this section remains the property of the state, and the person trapping or killing the wildlife shall notify the department immediately. The commission ~~((may specify by rule the disposition of wildlife so taken))~~ shall dispose of wildlife so taken within three working days of receiving such a notification.

If the department receives recurring complaints regarding property being damaged as described in this section from the owner or tenant of real property, or receives such complaints from several such owners or tenants in a locale, the commission shall consider conducting a special hunt or special hunts to reduce the potential for such damage.

For purposes of this section, "crop" means an agricultural or horticultural product growing or harvested and ~~((excludes))~~ includes wild shrubs and range land vegetation on privately owned cattle ranching lands. On such lands, the land owner or lessee may declare an emergency when the department of game has not responded within forty-eight hours after having been contacted by the land owner or lessee regarding crop damage by wild animals or wild birds. SSB 3125 Prime Sponsor, Committee on Transportation: Authorizing construction of the Quinault Tribal Highway. Reported by Committee on Transportation

MAJORITY recommendation: Do pass with the following amendment:

Strike everything after the enacting clause and insert the following:

NEW SECTION, Sec. 1. The department of transportation is authorized to enter into a cooperative agreement with the governing authority for the Indian peoples of the Quinault Indian Reservation and appropriate agencies of the United States for the location, design, right of way acquisition, construction, and maintenance of a highway beginning at the south boundary of the Quinault Indian reservation on state route number 109, thence northerly along the present right of way of state route number 109 to the township line, thence inland and northerly across the Raft river to an intersection with state route number 101 south of Queets. The highway shall be known as the 'Tribal Highway' and may also be designated by the department as state route number 109. It is anticipated that this highway construction will be funded from federal sources other than normal federal aid highway allocations.

NEW SECTION, Sec. 2. As a part of the agreement, the department may assume responsibility for the operation and maintenance and future improvement of the highway. The agreement may also reserve to the governing authority for the Indian peoples of the Quinault Indian Reservation authority to construct public road intersections or grade separation crossings of the highway. Existing rights of access from adjoining property to existing state route number 109 from the south reservation boundary to the township line shall not be affected by sections 1 through 6 of this act or the agreement authorized by section 1 of this act.

NEW SECTION, Sec. 3. The department is authorized to determine the location of the highway from the township line to a junction with state route number 101 after consultations with the governing authority for the Indian peoples of the Quinault Indian Reservation and the bureau of Indian affairs. The department may then proceed with the establishment of this section of the highway as a limited access facility in the manner prescribed in RCW 47.52.131 through 47.52.137 and 47.52.195 (and the administrative rules adopted by the department to implement those sections), subject, however, to the following conditions: (1) The access report required by RCW 47.52.131 shall be approved by the governing authority for the Indian peoples of the Quinault Indian Reservation before public hearings; and (2) the final limited access plan adopted pursuant to RCW 47.52.137 at the conclusion of the public hearing, or after any appeal from it has been decided, shall be approved by the governing authority for the Indian peoples of the Quinault Indian Reservation and the bureau of Indian affairs before right of way is acquired for this section of highway.

NEW SECTION, Sec. 4. The department is authorized to acquire the remaining right of way for the Tribal Highway by purchase or by condemnation under state of federal eminent domain statutes. The secretary of transportation pursuant to the agreement is authorized to convey by deed to the governing authority for the Indian peoples of the Quinault Indian Reservation the right of way to the entire highway when fully acquired in return for a conveyance by the governing authority for the Indian peoples of the Quinault Indian Reservation to the state of Washington of a perpetual easement for public travel on the through lanes and shoulders of the highway when constructed. The agreement may also authorize the governing authority for the Indian peoples of the Quinault Indian Reservation to convey to the United States an easement to construct, maintain, and repair the highway improvements if such an easement is required by regulations of the bureau of Indian affairs.

NEW SECTION, Sec. 5. Except as otherwise provided by sections 1 through 6 of this act or by the agreement authorized by section 1 of this act, the department may proceed with the location, design, acquisition of right of way, construction, and maintenance of the highway as an agent of the governing authority for the Indian peoples of the Quinault Indian Reservation in accordance with applicable state or federal law.

NEW SECTION, Sec. 6. The department is authorized to join with the governing authority for the Indian peoples of the Quinault Indian Reservation to seek federal funding for the construction of the Tribal Highway.

NEW SECTION, Sec. 7. Sections 1 through 6 of this act shall be added to chapter 47.20 RCW.

NEW SECTION, Sec. 8. This act is necessary for the immediate preservation of the public peace, health, and safety, the support of the state government and its existing public institutions, and shall take effect immediately.'

ESSB 3235 Prime Sponsor, Committee on Education: Providing programs for educational excellence. Reported by Committee on Ways & Means

MAJORITY recommendation: Do pass with the following amendments by Committee on Ways & Means to the amendments by Committee on Education:

Beginning on page 3, line 1 of the amendment, strike the remainder of the amendment and insert the following:

"Sec. 2. Section 14, chapter 244, Laws of 1969 ex. sess. as last amended by section 1, chapter 229, Laws of 1983 and RCW 28A.41.140 are each amended to read as follows:

The basic education allocation for each annual average full time equivalent student shall be determined in accordance with the following procedures:

The governor shall and the superintendent of public instruction may recommend to the legislature a formula based on a ratio of students to staff for the distribution of a basic education allocation for each annual average full time equivalent student enrolled in a common

school. The distribution formula shall have the primary objective of equalizing educational opportunities and shall provide appropriate recognition of the following costs among the various districts within the state:

- (1) Certificated staff and their related costs;
- (2) Classified staff and their related costs;
- (3) Nonsalary costs;
- (4) Extraordinary costs of remote and necessary schools and small high schools; and
- (5) The attendance of students pursuant to RCW 28A.58.075 and 28A.58.245, each as now or hereafter amended, who do not reside within the servicing school district.

This formula for distribution of basic education funds shall be reviewed biennially by the superintendent and governor. The recommended formula shall be subject to approval, amendment or rejection by the legislature. Commencing with the 1980-81 school year, the formula adopted by the legislature shall reflect a ratio of not less than fifty certificated personnel to one thousand annual average full time equivalent students and one classified person to three certificated personnel. In the event the legislature rejects the distribution formula recommended by the governor, without adopting a new distribution formula, the distribution formula for the previous school year shall remain in effect: PROVIDED, That the distribution formula developed pursuant to this section shall be for state apportionment and equalization purposes only and shall not be construed as mandating specific operational functions of local school districts other than those program requirements identified in RCW 28A.58.754. The enrollment of any district shall be the annual average number of full time equivalent students and part time students as provided in RCW 28A.41.145, as now or hereafter amended, enrolled on the first school day of each month. The definition of full time equivalent student shall be determined by rules and regulations of the superintendent of public instruction: PROVIDED, That the definition shall be included as part of the superintendent's biennial budget request: PROVIDED, FURTHER, That any revision of the present definition shall not take effect until approved by the house appropriations committee and the senate ways and means committee: PROVIDED, FURTHER, That the office of financial management shall make a monthly review of the superintendent's reported full time equivalent students in the common schools in conjunction with RCW 43.62.050.

Certificated staff shall include those persons employed by a school district in a teaching, instructional, educational staff associate, learning resources specialist, administrative or supervisory capacity and who hold positions as certificated employees as defined under RCW 28A.01.130, as now or hereafter amended, and every school district superintendent, and any person hired in any manner to fill a position designated as, or which is in fact, that of deputy superintendent or assistant superintendent: PROVIDED, That in exceptional cases, people of unusual competence but without certification may teach students so long as a certificated person exercises general supervision: PROVIDED, FURTHER, That the hiring of such noncertificated people shall not occur during a labor dispute and such noncertificated people shall not be hired to replace certificated employees during a labor dispute. Each annual average full time equivalent certificated classroom teacher's direct classroom contact hours shall average at least twenty-five hours per week. Direct classroom contact hours shall be exclusive of time required to be spent for preparation, conferences, or any other nonclassroom instruction duties. Up to two hundred minutes per week may be deducted from the twenty-five contact hour requirement, at the discretion of the school district board of directors, to accommodate authorized teacher/parent-guardian conferences, recess, passing time between classes, and informal instructional activity. Implementing rules to be adopted by the state board of education pursuant to RCW 28A.58.754(6) shall provide that compliance with the direct contact hour requirement shall be based upon teachers' normally assigned weekly instructional schedules, as assigned by the district administration. Additional record-keeping by classroom teachers as a means of accounting for contact hours shall not be required. However, upon request from the board of directors of any school district, the provisions relating to direct classroom contact hours for individual teachers in that district may be waived by the state board of education if the waiver is necessary to implement a locally approved plan for educational excellence and the waiver is limited to those individual teachers approved in the local plan for educational excellence. The state board of education shall develop criteria to evaluate the need for the waiver. Granting of the waiver shall depend upon verification that: (a) The students' classroom instructional time will not be reduced, and (b) the teacher's expertise is critical to the success of the local plan for excellence.

**NEW SECTION, Sec. 3.** A new section is added to chapter 28A.04 RCW to read as follows:

The state board of education may grant waivers to school districts from the provisions of RCW 28A.58.750 through 28A.58.754 on the basis that such waiver or waivers are necessary to implement successfully a local plan to provide for all students in the district an effective education system that is designed to enhance the educational program for each student. The local plan may include alternative ways to provide effective educational programs for students who experience difficulty with the regular education program.

The state board shall adopt criteria to evaluate the need for the waiver or waivers.

**NEW SECTION, Sec. 4.** A new section is added to chapter 28A.58 RCW to read as follows:

School boards may by separate contract with certificated instructional and classified staff provide supplemental compensation for additional days or additional duties as set forth in the bargaining agreement or agreements as negotiated between the district and the respective bargaining representatives, if the district does not incur obligations for the supplements beyond the current school year and if such supplements do not cause the state to incur any present or future funding obligations. Additional days for certificated instructional staff and classified staff shall be those days beyond their respective work year. Such separate contracts shall be subject to the collective bargaining provisions of chapters 41.59 and 41.56 RCW. Such supplemental compensation shall not be deemed an increase in salary or compensation for purposes of RCW 28A.58.095. Separate contracts shall be subject to the provision of RCW 28A.67.074, shall not exceed one year, and if not renewed shall not constitute adverse change in accordance with RCW 28A.58.450 through RCW 28A.58.515.

**NEW SECTION.** Sec. 5. A new section is added to chapter 28A.70 RCW to read as follows:

The state board of education shall adopt rules for approved professional preparation programs and professional certification requirements that include but are not limited to the following:

(1) Entrance requirements to professional education programs that include but are not limited to a minimum score on the Washington pre-college test, or an equivalent test, or a college grade point average requirement;

(3) Completion of a degree major in an academic field.

**NEW SECTION.** Sec. 6. A new section is added to chapter 28A.70 RCW to read as follows:

(1) After June 30, 1985, the superintendent of public instruction shall develop or select a prototype Washington state professional certification examination for the approval and adoption by the state board of education no later than January, 1987. The examination shall measure professional teaching and pedagogical knowledge. The examination shall be administered to persons seeking initial certification after June 30, 1989, and passage of the examination shall be a condition for receipt of an initial professional certificate.

(2) The state board of education shall study subject area examinations and the use of subject area examinations as a condition for initial certification before the state board of education may require these examinations as a condition for initial certification.

(3) The board shall consult with state education associations and such other groups as the board may deem appropriate in the development of the examination program under this section.

(4) The board shall report on its activities and actions to the education committees of the house of representatives and the senate no later than December, 1986.

((4)) (5) Accredit, subject to such accreditation standards and procedures as may be established by the state board of education, all schools that apply for accreditation, and approve, subject to the provisions of RCW 28A.02.201, private schools carrying out a program for any or all of the grades one through twelve; PROVIDED, That no public or private schools shall be placed upon the list of accredited schools so long as secret societies are knowingly allowed to exist among its students by school officials; PROVIDED FURTHER, That the state board may elect to require all or certain classifications of the public schools to conduct and participate in such pre-accreditation examination and evaluation processes as may now or hereafter be established by the board.

((11)) (12) Hear and decide appeals as otherwise provided by law.

Sec. 8. Section 28A.70.005, chapter 223, Laws of 1969 ex. sess. as amended by section 2, chapter 92, Laws of 1975-76 2nd ex. sess. and RCW 28A.70.005 are each amended to read as follows:

The number of students enrolled in grades two through six in the district multiplied by the percentage of students taking the fourth grade basic skills test in the previous year who scored in the lowest quartile as compared to national norms, and then reduced to the extent that the number of students ages seven through eleven in the district who are identified as specific learning disabled and served through programs established pursuant to chapter 28A.13 RCW exceeds four percent of the district enrollment in grades two through six: PROVIDED, That in making this calculation the superintendent of public instruction may use an average of the percentages of the students scoring in the lowest quartile over the immediately preceding five or fewer years.

Prime Sponsor, Committee on Human Services & Corrections: Changing provisions relating to nursing home licensing. Reported by Committee on Social & Health Services

MAJORITY recommendation: Do pass with the following amendment:

Strike everything after the enacting clause and insert the following:

\*NEW SECTION, Sec. 1. A new section is added to chapter 18.51 RCW to read as follows:

The department may deny a license to any applicant who has a history of significant non-compliance with federal or state regulations in providing nursing home care. In deciding whether to deny a license under this section, the factors the department considers shall include the gravity and frequency of the noncompliance.

Sec. 2. Section 38, chapter 211, Laws of 1979 ex. sess. and RCW 74.42.380 are each amended to read as follows:

(1) The facility shall have a director of nursing services. The director of nursing services shall be a registered nurse.

(2) The director of nursing services is responsible for:

(a) Coordinating the plan of care for each resident;

(b) Permitting only licensed personnel to administer medications: PROVIDED, That nothing herein shall be construed as prohibiting graduate nurses, and student nurses under the supervision of their clinical instructor, from administering medications when permitted to do so under chapter 18.88 RCW and rules promulgated pursuant thereto: PROVIDED FURTHER, That nothing herein shall be construed as prohibiting persons certified under chapter 18.135 RCW from practicing pursuant to the delegation and supervision requirements of chapter 18.135 RCW and rules promulgated pursuant thereto; and

(c) Insuring that the licensed practical nurses comply with chapter 18.78 RCW ((and)), the registered nurses comply with chapter 18.88 RCW, and persons certified under chapter 18.135 RCW comply with the provisions of that chapter and rules promulgated pursuant thereto.

NEW SECTION, Sec. 3. A new section is added to chapter 74.42 RCW to read as follows:

(1) The purpose of this section is to prohibit discrimination against medicaid recipients by nursing homes which have contracted with the department to provide skilled or intermediate nursing care services to medicaid recipients.

(2) It shall be unlawful for any nursing home which has a medicaid contract with the department:

(a) To require, as a condition of admission, assurance from the patient or any other person that the patient is not eligible for or will not apply for medicaid;

(b) To deny or delay admission or readmission of a person to a nursing home because of his or her status as a medicaid recipient;

(c) To transfer a patient, except from a private room to another room within the nursing home, because of his or her status as a medicaid recipient;

(d) To transfer a patient to another nursing home because of his or her status as a medicaid recipient;

(e) To discharge a patient from a nursing home because of his or her status as a medicaid recipient; or

(f) To charge any amounts in excess of the medicaid rate from the date of eligibility, except for any supplementation permitted by the department pursuant to RCW 18.51.070.

(3) Any nursing home which has a medicaid contract with the department shall maintain one list of names of persons seeking admission to the facility, which is ordered by the date of request for admission. This information shall be retained for one year from the month admission was requested.

(4) The department may assess monetary penalties of a civil nature, not to exceed one thousand dollars for each violation of this section.

(5) Because it is a matter of great public importance to protect senior citizens who need medicaid services from discriminatory treatment in obtaining long-term health care, any violation of this section shall be construed for purposes of the application of the consumer protection act, chapter 19.86 RCW, to constitute an unfair or deceptive act or practice or unfair method of competition in the conduct of trade or commerce.

(6) It is not an act of discrimination under this chapter to refuse to admit a patient if admitting that patient would prevent the needs of the other patients residing in that facility from being met at that facility.

Sec. 4. Section 6, chapter 117, Laws of 1951 as last amended by section 2, chapter 11, Laws of 1981 2nd ex. sess. and RCW 18.51.050 are each amended to read as follows:

Upon receipt of an application for license, the department shall issue a license if the applicant and the nursing home facilities meet the requirements established under this chapter. Prior to the issuance or renewal of the license, the licensee shall pay a license fee as established by the department. No fee shall be required of government operated institutions. All licenses issued under the provisions of this chapter shall expire on a date to be set by the department, but no license issued pursuant to this chapter shall exceed thirty-six months in

duration. When a change of ownership occurs, the entity becoming the licensed operating entity of the facility shall pay a fee established by the department at the time of application for the license. The previously determined date of license expiration shall not change.

All applications and fees for renewal of the license (~~(and for change of ownership licenses)~~) shall be submitted to the department not later than thirty days prior to the date of expiration of the license (~~(or the date of the proposed change of ownership)~~). All applications and fees for change of ownership licenses shall be submitted to the department not later than sixty days before the date of the proposed change of ownership. Each license shall be issued only to the operating entity and those persons named in the license application. The license is valid only for the operation of the facility at the location specified in the license application. Licenses are not transferable or assignable. Licenses shall be posted in a conspicuous place on the licensed premises.

A nursing home may employ a person not currently enrolled if the employer within twenty days enrolls the person in an approved training program. All persons enrolled in a training program must satisfactorily complete the program within six months from the date of initial employment.

(3) All nursing assistants who, on June 7, 1979, are employed in nursing homes shall be given the opportunity to obtain a certificate of completion by passing a written and/or practical examination developed by the board and conducted by a school or nursing home, or by providing evidence of sufficient practical experience. Prime Sponsor, Senator Goltz: Modifying terms and procedures for the delivery of mutual aid services between law enforcement agencies.  
Reported by Committee on Judiciary

MAJORITY recommendation: Do pass with the following amendments:

Strike everything after the enacting clause and insert the following:

\*NEW SECTION, Sec. 1. (1) This chapter may be known and cited as the Washington mutual aid peace officer powers act of 1985.

(2) It is the intent of the legislature that current artificial barriers to mutual aid and cooperative enforcement of the laws among general authority local, state, and federal agencies be modified pursuant to this chapter.

(3) This chapter shall be liberally construed to effectuate the intent of the legislature to modify current restrictions upon the limited territorial and enforcement authority of general authority peace officers and to effectuate mutual aid among agencies.

(4) The modification of territorial and enforcement authority of the various categories of peace officers covered by this chapter shall not create a duty to act in extraterritorial situations beyond any duty which may otherwise be imposed by law or which may be imposed by the primary commissioning agency.

**NEW SECTION.** Sec. 2. As used in this chapter, the following terms have the meanings indicated unless the context clearly requires otherwise.

(1) 'General authority Washington law enforcement agency' means any agency, department, or division of a municipal corporation, political subdivision, or other unit of local government of this state, and any agency, department, or division of state government, having as its primary function the detection and apprehension of persons committing infractions or violating the traffic or criminal laws in general, as distinguished from a limited authority Washington law enforcement agency, and any other unit of government expressly designated by statute as a general authority Washington law enforcement agency. The Washington state patrol is a general authority Washington law enforcement agency.

(2) 'Limited authority Washington law enforcement agency' means any agency, political subdivision, or unit of local government of this state, and any agency, department, or division of state government, having as one of its functions the apprehension or detection of persons committing infractions or violating the traffic or criminal laws relating to limited subject areas, including but not limited to, the state departments of natural resources, fisheries, game, and social and health services, the state gambling commission, the state lottery commission, the state utilities and transportation commission, the state liquor control board, and the state department of corrections. 'Limited authority Washington law enforcement agency' does not include any agency such as the state parks and recreation commission whose primary function is to provide recreational services and whose only law enforcement function is incidental to the provision of those services.

(3) 'General authority Washington peace officer' means any full-time, fully compensated and elected, appointed, or employed officer of a general authority Washington law enforcement agency who is commissioned to enforce the criminal laws of the state of Washington generally.

(4) 'Limited authority Washington peace officer' means any full-time, fully compensated officer of a limited authority Washington law enforcement agency empowered by that agency to detect or apprehend violators of the laws in some or all of the limited subject areas for which that agency is responsible. A limited authority Washington peace officer may be a specially commissioned Washington peace officer if otherwise qualified for such status under this chapter.

(5) 'Specially commissioned Washington peace officer', for the purposes of this act, means any officer, whether part-time or full-time, compensated or not, commissioned by a general authority Washington law enforcement agency to enforce some or all of the criminal laws of the state of Washington, who does not qualify under this chapter as a general authority Washington peace officer for that commissioning agency, specifically including reserve peace officers, and specially commissioned full-time, fully compensated peace officers duly commissioned by the states of Oregon or Idaho or any such peace officer commissioned by a unit of local government of Oregon or Idaho. A reserve peace officer is an individual who is an officer of a Washington law enforcement agency who does not serve such agency on a full-time basis but who, when called by the agency into active service, is fully commissioned on the same basis as full-time peace officers to enforce the criminal laws of the state.

(6) 'Federal peace officer' means any employee or agent of the United States government who has the authority to carry firearms and make warrantless arrests and whose duties involve the enforcement of criminal laws of the United States.

(7) 'Agency with primary territorial jurisdiction' means a city or town police agency which has responsibility for police activity within its boundaries; or a county police or sheriff's department which has responsibility with regard to police activity in the unincorporated areas within the county boundaries; or a statutorily authorized port district police agency or four-year state college or university police agency which has responsibility for police activity within the statutorily authorized enforcement boundaries of the port district, state college, or university.

(8) 'Primary commissioning agency' means (a) the employing agency in the case of a general authority Washington peace officer, a limited authority Washington peace officer, an Indian tribal peace officer, or a federal peace officer, and (b) the commissioning agency in the case of a specially commissioned Washington peace officer (i) who is performing functions within the course and scope of the special commission and (ii) who is not also a general

authority Washington peace officer, a limited authority Washington peace officer, an Indian tribal peace officer, or a federal peace officer.

(9) 'Primary function of an agency' means that function to which greater than fifty percent of the agency's resources are allocated.

(10) 'Mutual law enforcement assistance' includes, but is not limited to, one or more law enforcement agencies aiding or assisting one or more other such agencies through loans or exchanges of personnel or of material resources, for law enforcement purposes.

NEW SECTION, Sec. 3. The circumstances surrounding any actual exercise of peace officer authority under this chapter shall be timely reported, after the fact, to the Washington law enforcement agency with primary territorial jurisdiction and shall be subject to any reasonable reporting procedure which may be established by such agency.

NEW SECTION, Sec. 4. Any liability or claim of liability which arises out of the exercise or alleged exercise of authority by an officer acting within the course and scope of the officer's duties as a peace officer under this chapter is the responsibility of the primary commissioning agency unless the officer acts under the direction and control of another agency or unless the liability is otherwise allocated under a written agreement between the primary commissioning agency and another agency.

NEW SECTION, Sec. 5. All persons exercising peace officer powers under this chapter are subject to supervisory control of and limitations imposed by the primary commissioning agency, but the primary commissioning agency may, by agreement with another agency, temporarily delegate supervision over the peace officer to another agency.

NEW SECTION, Sec. 6. All of the privileges and immunities from liability, exemption from laws, ordinances, and rules, all pension, relief, disability, worker's compensation insurance, and other benefits which apply to the activity of officers, agents, or employees of any law enforcement agency when performing their respective functions within the territorial limits of their respective agencies shall apply to them and to their primary commissioning agencies to the same degree and extent while such persons are engaged in the performance of authorized functions and duties under this chapter.

NEW SECTION, Sec. 7. In addition to any other powers vested by law, a general authority Washington peace officer who possesses a certificate of basic law enforcement training or a certificate of equivalency or has been exempted from the requirement thereof by the Washington state criminal justice training commission may enforce the traffic or criminal laws of this state throughout the territorial bounds of this state, under the following enumerated circumstances:

- (1) Upon the prior written consent of the sheriff or chief of police in whose primary territorial jurisdiction the exercise of the powers occurs;
- (2) In response to an emergency involving an immediate threat to human life or property;
- (3) In response to a request for assistance pursuant to a mutual law enforcement assistance agreement with the agency of primary territorial jurisdiction or in response to the request of a peace officer with enforcement authority;
- (4) When the officer is transporting a prisoner;
- (5) When the officer is executing an arrest warrant or search warrant; or
- (6) When the officer is in fresh pursuit, as defined in section 12 of this act.

NEW SECTION, Sec. 8. A limited authority Washington peace officer shall have no additional powers by virtue of this chapter but shall be limited to those powers already vested by law or hereafter created by separate enactment.

NEW SECTION, Sec. 9. A specially commissioned Washington peace officer who has successfully completed a course of basic training prescribed or approved for such officers by the Washington state criminal justice training commission may exercise any authority which the special commission vests in the officer, throughout the territorial bounds of the state, outside of the officer's primary territorial jurisdiction under the following circumstances:

- (1) The officer is in fresh pursuit, as defined in section 12 of this act; or
- (2) The officer is acting pursuant to mutual law enforcement assistance agreement between the primary commissioning agency and the agency with primary territorial jurisdiction.

NEW SECTION, Sec. 10. Federal peace officers shall have no additional powers by virtue of this chapter but shall be limited to those powers already vested by law or hereafter created by separate enactment.

NEW SECTION, Sec. 11. The attorney general shall have no additional powers by virtue of this chapter but shall be limited to those powers already vested by law or hereafter created by separate enactment.

NEW SECTION, Sec. 12. (1) Any peace officer who has authority under Washington law to make an arrest may proceed in fresh pursuit of a person (a) who is reasonably believed to have committed a violation of traffic or criminal laws, or (b) for whom such officer holds a warrant of arrest, and such peace officer shall have the authority to arrest and to hold such person in custody anywhere in the state.

(2) The term 'fresh pursuit,' as used in this chapter, includes, without limitation, fresh pursuit as defined by the common law. Fresh pursuit does not necessarily imply immediate pursuit, but pursuit without unreasonable delay.

NEW SECTION. Sec. 13. Under the interlocal cooperation act, chapter 39.34 RCW, any law enforcement agency referred to by this chapter may contract with any other such agency and may also contract with any law enforcement agency of another state, or such state's political subdivision, to provide mutual law enforcement assistance. The agency with primary territorial jurisdiction may require that officers from participating agencies meet reasonable training or certification standards or other reasonable standards.

NEW SECTION. Sec. 14. This chapter does not limit the scope of jurisdiction and authority of the Washington state patrol as otherwise provided by law, and the Washington state patrol shall not be bound by the reporting requirements of section 3 of this act.

NEW SECTION. Sec. 15. In order to further the intent of sections 1 through 14 of this act, the Washington association of sheriffs and police chiefs is hereby directed to develop a state-wide plan for the delivery of law enforcement mutual aid services and present such a plan to the legislature by January 1, 1986.

(d) The child is fifteen years of age or older and:

(i) The school district superintendent determines that such child ((is physically or mentally unable to attend school or)) has already attained a reasonable proficiency in the branches required by law to be taught in the first nine grades of the public schools of this state(;-or the child has been temporarily excused in accordance with this section;-);

(iv) The child has received a certificate of educational competence under rules and regulations established by the state board of education under RCW 28A.04.135.

(2) A parent for the purpose of this chapter means a parent, guardian, or person having legal custody of a child.

(3) An approved private ((and/or parochial)) school for the purposes of this ((section)) chapter shall be one approved under regulations established by the state board of education pursuant to RCW 28A.04.120 as now or hereafter amended.

(4) For the purposes of this chapter, instruction shall be home-based if it consists of planned and supervised instructional and related educational activities, including a curriculum and instruction in the basic skills of occupational education, science, mathematics, language, social

studies, history, health, reading, writing, spelling, and the development of an appreciation of art and music, provided for a number of hours equivalent to the total annual program hours per grade level established for approved private schools under RCW 28A.02.201 and 28A.02-240 and if such activities are:

(a) Provided by a parent who is instructing his or her child only and are supervised by a certificated person. A certificated person for purposes of this chapter shall be a person certified under chapter 28A.70 RCW. For purposes of this section, 'supervised by a certificated person' means: The planning by the certificated person and the parent of objectives consistent with this subsection; a minimum each month of an average of one contact hour per week with the child being supervised by the certificated person; and evaluation of such child's progress by the certificated person. The number of children supervised by the certificated person shall not exceed thirty for purposes of this subsection; or

(b) Provided by a parent who is instructing his or her child only and who has either earned forty-five college level quarter credit hours or its equivalent in semester hours or has completed a course in home-based instruction at a postsecondary institution or a vocational-technical institute; or

(c) Provided by a parent who is deemed sufficiently qualified to provide home-based instruction by the superintendent of the local school district in which the child resides.

(5) The legislature recognizes that home-based instruction is less structured and more experiential than the instruction normally provided in a classroom setting. Therefore, the provisions of subsection (4) of this section relating to the nature and quantity of instructional and related educational activities shall be liberally construed.

NEW SECTION. Sec. 2. A new section is added to chapter 28A.27 RCW to read as follows:

Each parent whose child is receiving home-based instruction under RCW 28A.27.010(4) shall have the duty to:

(1) File annually a signed declaration of intent that he or she is planning to cause his or her child to receive home-based instruction. The statement shall include the name and age of the child, shall specify whether a certificated person will be supervising the instruction, and shall be written in a format prescribed by the superintendent of public instruction. Each parent shall file the statement by September 15 of the school year or within two weeks of the beginning of any public school quarter, trimester, or semester with the superintendent of the public school district within which the parent resides;

(2) Ensure that test scores or annual academic progress assessments and immunization records, together with any other records that are kept relating to the instructional and educational activities provided, are forwarded to any other public or private school to which the child transfers. At the time of a transfer to a public school, the superintendent of the local school district in which the child enrolls may require a standardized achievement test to be administered and shall have the authority to determine the appropriate grade and course level placement of the child after consultation with parents and review of the child's records; and

(3) Ensure that a standardized achievement test approved by the state board of education is administered annually to the child by a qualified individual or that an annual assessment of the student's academic progress is written by a certificated person who is currently working in the field of education. The standardized test administered or the annual academic progress assessment written shall be made a part of the child's permanent records. If, as a result of the annual test or assessment, it is determined that the child is not making reasonable progress consistent with his or her age or stage of development, the parent shall make a good faith effort to remedy any deficiency.

Failure of a parent to comply with the duties in this section shall be deemed a failure of such parent's child to attend school without valid justification under RCW 28A.27.020. Parents who do comply with the duties set forth in this section shall be presumed to be providing home-based instruction as set forth in RCW 28A.27.010(4).

NEW SECTION. Sec. 3. A new section is added to chapter 28A.27 RCW to read as follows:

The state hereby recognizes that parents who are causing their children to receive home-based instruction under RCW 28A.27.010(4) shall be subject only to those minimum state laws and regulations which are necessary to insure that a sufficient basic educational opportunity is provided to the children receiving such instruction. Therefore, all decisions relating to philosophy or doctrine, selection of books, teaching materials and curriculum, and methods, timing, and place in the provision or evaluation of home-based instruction shall be the responsibility of the parent except for matters specifically referred to in this chapter.

Sec. 4. Section 2, chapter 92, Laws of 1974 ex. sess. as last amended by section 1, chapter 56, Laws of 1983 and RCW 28A.02.201 are each amended to read as follows:

Principals of private schools or superintendents of private school districts shall file each year with the state superintendent of public instruction a statement certifying that the minimum

requirements hereinafter set forth are being met, noting any deviations. After review of the statement, the state superintendent will notify schools or school districts of those deviations which must be corrected. In case of major deviations, the school or school district may request and the state board of education may grant provisional status for one year in order that the school or school district may take action to meet the requirements. Minimum requirements shall be as follows:

(2) The length of the school day shall be the same as that required of public schools in RCW 28A.01.010 and 28A.58.754, each as now or hereafter amended, except that the percentages of total program hour offerings as prescribed in RCW 28A.58.754 for basic skills, work skills, and optional subjects and activities shall not apply to private schools or private sectarian schools.

Annual written statements shall be submitted to the office of the superintendent of public instruction reporting and explaining such circumstances.

(4) An approved private school may operate an extension program for parents, guardians, or persons having legal custody of a child to teach children in their custody. The extension program shall require at a minimum that:

(d) Each student's progress be evaluated by the certified person; and

(e) The certified employee shall not supervise more than thirty students enrolled in the approved private school's extension program.

(5) Appropriate measures shall be taken to safeguard all permanent records against loss or damage.

~~((6))~~ (6) The physical facilities of the school or district shall be adequate to meet the program offered by the school or district: PROVIDED, That each school building shall meet reasonable health and fire safety requirements. All decisions of policy, philosophy, selection of books, teaching material, curriculum, except as in subsection ~~((7))~~ (7) above provided, school rules and administration, or other matters not specifically referred to in this section, shall be the responsibility of the administration and administrators of the particular private school involved.

Sec. 5. Section 4, chapter 217, Laws of 1969 ex. sess. as last amended by section 8, chapter 359, Laws of 1977 ex. sess. and RCW 28A.41.145 are each amended to read as follows:

SSB 3283 Prime Sponsor, Committee on Parks & Ecology: Establishing procedures for declaring and preserving historic properties. Reported by Committee on State Government

MAJORITY recommendation: Do pass with the following amendment:

Strike everything after the enacting clause and insert the following:

\*NEW SECTION, Sec. 1. The legislature finds and declares that it is in the public interest of the people of the state of Washington to encourage maintenance, improvement, and preservation of privately owned historic landmarks as the state approaches its Centennial year of 1989. To achieve this purpose, this chapter provides special valuation for improvements to historic property.

NEW SECTION, Sec. 2. Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

(1) 'Historic property' means real property together with improvements thereon, except property listed in a register primarily for objects buried below ground, which is:

(a) Listed in a local register of historic places created by comprehensive ordinance, certified by the secretary of the interior as provided in P.L. 96-515; or

(b) Listed in the national register of historic places.

(2) 'Substantial improvement' means the actual cost of rehabilitation which is twenty-five percent or greater of the assessed valuation of the historic structure prior to rehabilitation.

(3) 'Special valuation' means the determination of the assessed value of the historic property at a rate that excludes, for up to ten years, the actual cost of a substantial improvement.

(4) 'State review board' means the advisory council on historic preservation established under chapter 27.34 RCW, or any successor agency designated by the state to act as the state historic preservation review board under federal law.

(5) 'Local review board' means a local body designated by the local legislative authority.

(6) 'Owner' means the owner of record.

NEW SECTION, Sec. 3. Four criteria must be met for special valuation under this chapter.

The property must:

(1) Be an historic property;

(2) Fall within a class of historic property determined eligible for special valuation by the local legislative authority;

(3) Be substantially improved within twenty-four months prior to the application for special valuation; and

(4) Be protected by a covenant between the owner and the local review board as described in section 5(2) of this act.

**NEW SECTION, Sec. 4.** An owner of property desiring special valuation under this chapter shall apply to the assessor of the county in which the property is located upon forms prescribed by the department of revenue and supplied by the county assessor. The application form shall include a statement that the applicant is aware of the potential tax liability involved when the property ceases to be eligible for special valuation. Applications shall be made no later than October 1 of the calendar year preceding the first assessment year for which classification is requested.

**NEW SECTION, Sec. 5.** (1) Within ten days after the filing of the application in the county assessor's office, the county assessor shall refer each application for classification to the local review board.

(2) The review board shall approve the application if the property meets the criterion of section 3 of this act and is not altered in a way which adversely affects those elements which qualify it as historically significant, and the owner enters into a covenant with the review board which requires the owner for the ten-year period of the classification to:

(a) Monitor the property for its continued qualification for the special valuation;

(b) Comply with rehabilitation plans and minimum standards of maintenance as defined in the agreement;

(c) Make the historic aspects of the property accessible to public view one day a year, if the property is not visible from the public right of way;

(d) Apply to the local review board for approval or denial of any demolition or alteration; and

(e) Comply with any other provisions in the original agreement as may be appropriate.

(3) Once a covenant between an owner and a review board has become effective pursuant to this chapter, there shall be no changes in standards of maintenance, public access, alteration, or report requirements, or any other provisions of the covenant, during the period of the classification without the approval of all parties to the covenant.

(4) An application for classification as an eligible historic property shall be approved or denied by the local review board before December 31 of the calendar year in which the application is made.

**NEW SECTION, Sec. 6.** (1) The review board shall notify the county assessor and the applicant of the approval or denial of the application.

(2) If the local review board determines that the property qualifies as eligible historic property, the review board shall certify the fact in writing and shall file a copy of the certificate with the county assessor within ten days. The certificate shall state the facts upon which the approval is based.

(3) The assessor shall record the certificate with the county auditor.

(4) The assessor, as to any historic property, shall value the property under section 7 of this act and, each year the historic property is classified and so valued, shall enter on the assessment list and tax roll that the property is being specially valued as historic property.

**NEW SECTION, Sec. 7.** (1) The county assessor shall, for ten consecutive assessment years following the calendar year in which application is made, value property classified as eligible historic property excluding the actual cost of the substantial improvement completed within the twenty-four months prior to the application.

(2) The entitlement of property to the special valuation provisions of this section shall be determined as of January 1. If property becomes disqualified for the special valuation for any reason, the property shall receive the special valuation for that part of any year during which it remained qualified or the owner was acting in the good faith belief that the property was qualified.

(3) At the conclusion of special valuation, the actual cost of the substantial improvement shall be considered as new construction.

**NEW SECTION, Sec. 8.** (1) When property has once been classified and valued as eligible historic property, it shall remain so classified and be granted the special valuation provided by section 7 of this act for ten years or until the property is disqualified by:

(a) Notice by the owner to the assessor to remove the special valuation;

(b) Sale or transfer to an ownership making it exempt from property taxation; or

(c) Removal of the special valuation by the assessor upon determination by the local review board that the property no longer qualifies as historic property or that the owner has failed to comply with the conditions established under section 5 of this act.

(2) The sale or transfer to a new owner or transfer by reason of death of a former owner to a new owner does not disqualify the property from the special valuation provided by section 7 of this act if:

(a) The property continues to qualify as historic property; and

(b) The new owner files a notice of compliance with the assessor of the county in which the property is located. Notice of compliance forms shall be prescribed by the state department of

revenue and supplied by the county assessor. The notice shall contain a statement that the new owner is aware of the special valuation and of the potential tax liability involved when the property ceases to be valued as historic property under this chapter. The signed notice of compliance shall be attached to the real estate excise tax affidavit provided for in RCW 82.45-.120. If the notice of compliance is not signed by the new owner and attached to the real estate excise tax affidavit, all additional taxes calculated pursuant to section 9 (1) (a) and (b) of this act shall become due and payable by the seller or transferor at time of sale. The county auditor shall not accept an instrument of conveyance of specially valued historic property for filing or recording unless the new owner has signed the notice of compliance or the additional tax has been paid.

(3) When the property ceases to qualify for the special valuation the owner shall immediately notify the state or local review board.

**NEW SECTION.** Sec. 9. (1) Except as provided in subsection (4) of this section, whenever property classified and valued as eligible historic property under section 7 of this act becomes disqualified for the valuation, there shall be added to the tax levied against the property on the next general property tax roll an additional tax equal to:

(a) The actual cost of the substantial improvement multiplied by the levy rate in each year the property was subject to special valuation; plus

(b) Interest on the amounts of the additional tax at the statutory rate charged on delinquent property taxes from the dates on which the additional tax could have been paid without penalty if the property had not been valued as historic property under this chapter; plus

(c) A penalty equal to twelve percent of the amount determined in (a) and (b) of this subsection.

(2) The additional tax and penalties, together with applicable interest thereon, shall become a lien on the property which shall have priority to and shall be fully paid and satisfied before any recognition, mortgage, judgment, debt, obligation, or responsibility to or with which the property may become charged or liable.

(3) Before the additional tax or penalty imposed by subsection (1) of this section is added to the tax levied against the property on the next general property tax roll, in the case of disqualification under section 8 of this act, the assessor shall notify the owner of the property by mail, return receipt requested, of the disqualification.

(4) The additional tax, interest, and penalty shall not be imposed if the disqualification resulted solely from:

(a) Sale or transfer of the property to an ownership making it exempt from taxation;

(b) Alteration or destruction through no fault of the owner; or

(c) A taking through the exercise of the power of eminent domain.

**NEW SECTION.** Sec. 10. The additional tax, penalties, and/or interest provided by section 9 of this act shall be payable in full thirty days after the date which the treasurer's statement therefor is rendered. Such additional tax when collected shall be distributed by the county treasurer in the same manner in which current taxes applicable to the subject land are distributed.

**NEW SECTION.** Sec. 11. The local legislative authority and the local review board may request the assistance of the state historic preservation officer in conducting special valuation activities.

**NEW SECTION.** Sec. 12. The state review board shall adopt rules necessary to carry out the purposes of this chapter. The rules shall include rehabilitation and maintenance standards for historic properties to be used as minimum requirements by local review boards to ensure that the historic property is safe and habitable, including but not limited to:

(1) Elimination of visual blight due to past neglect of maintenance and repair to the exterior of the building, including replacement of broken or missing doors and windows, repair of deteriorated architectural features, and painting of exterior surfaces;

(2) Correction of structural defects and hazards;

(3) Protection from weather damage due to defective roofing, flashings, glazing, caulking, or lack of heat; and

(4) Elimination of any condition on the premises which could cause or augment fire or explosion.

**NEW SECTION.** Sec. 13. Any decision by a local review board on an application for classification as historic property eligible for special valuation may be appealed to superior court under RCW 34.04.130 in addition to any other remedy at law. Any decision on the disqualification of historic property eligible for special valuation, or any other dispute, may be appealed to the county board of equalization.

**NEW SECTION.** Sec. 14. No application for special valuation under this chapter may be made after December 31, 1991.

**NEW SECTION.** Sec. 15. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

**NEW SECTION.** Sec. 16. Sections 1 through 14 of this act shall constitute a new chapter in Title 84 RCW.

'Local agency' includes every county, city, town, municipal corporation, quasi-municipal corporation, or special purpose district, or any office, department, division, bureau, board, commission, or agency thereof, or other local public agency.

(2) 'Ballot proposition' means any 'measure' as defined by RCW 29.01.110, or any initiative, recall, or referendum proposition proposed to be submitted to the voters of the state or any municipal corporation, political subdivision, or other voting constituency from and after the time when the proposition has been initially filed with the appropriate election officer of that constituency prior to its circulation for signatures.

(3) 'Campaign depository' means a bank designated by a candidate or political committee pursuant to RCW 42.17.050.

(4) 'Campaign treasurer' and 'deputy campaign treasurer' mean the individuals appointed by a candidate or political committee, pursuant to RCW 42.17.050, to perform the duties specified in that section.

(5) 'Candidate' means any individual who seeks election to public office. An individual shall be deemed to seek election when he first:

(6) 'Commercial advertiser' means any person who sells the service of communicating messages or producing printed material for broadcast or distribution to the general public or segments of the general public whether through the use of newspapers, magazines, television and radio stations, billboard companies, direct mail advertising companies, printing companies, or otherwise.

(7) 'Commission' means the agency established under RCW 42.17.350.

(8) 'Compensation' unless the context requires a narrower meaning, includes payment in any form for real or personal property or services of any kind: PROVIDED, That for the purpose of compliance with RCW 42.17.241, the term 'compensation' shall not include per diem allowances or other payments made by a governmental entity to reimburse a public official for

(9) 'Continuing political committee' means a political committee that is an organization of continuing existence not established in anticipation of any particular election campaign.

(10) 'Contribution' includes a loan, gift, deposit, subscription, forgiveness of indebtedness, donation, advance, pledge, payment, transfer of funds between political committees, or transfer of anything of value, including personal and professional services for less than full consideration, but does not include interest on moneys deposited in a political committee's account, ordinary home hospitality and the rendering of 'part-time' personal services of the sort commonly performed by volunteer campaign workers, or incidental expenses personally incurred by volunteer campaign workers not in excess of twenty-five dollars personally paid for by the worker. Sec. 2. Section 3, chapter 1, Laws of 1973 as amended by section 2, chapter 313, Laws of 1977 ex. sess. and RCW 42.17.030 are each amended to read as follows:

(1) The provisions of this chapter relating to the financing of election campaigns shall apply in all election campaigns other than (a) for precinct committeeman; (b) for a federal elective office; and (c) for an office (~~the constituency of which~~) of a political subdivision of the state that does not encompass a whole county and (~~which~~) that contains (~~less~~) fewer than five thousand registered voters as of the date of the most recent general election in (~~such district~~) the subdivision.

(2) The exemption in subsection (1)(c) of this section does not apply in any jurisdiction from which a 'petition for disclosure' containing the valid signatures of fifteen percent of the number of registered voters, as of the date of the most recent general election in the jurisdiction, is filed with the commission. The commission shall prescribe by rule the form of the petition. After the signatures are gathered, the petition shall be presented to the auditor or elections officer of the county, or counties, in which the jurisdiction is located. The auditor or elections officer shall verify the signatures and certify to the commission that the petition contains no fewer than the required number of valid signatures. The commission, upon receipt of a valid petition, shall order every candidate, political committee, or person making independent expenditures in election campaigns in the jurisdiction to comply with the campaign finance reporting provisions of this chapter within fourteen days of the date of the order. The order of the commission is valid for any election occurring in the jurisdiction for a two-year period following its issuance.

(3) The exemption in subsection (1)(c) of this section does not apply in any jurisdiction that by ordinance, resolution, or other official action has petitioned the commission to void the exemption with respect to election campaigns in the jurisdiction. A copy of the action shall be sent to the commission. If the commission finds the petition to be a valid action of the appropriate governing body or authority, the commission shall issue an order voiding the exemption for that jurisdiction. The commission, upon approval of the action, shall order every candidate, political committee, or person making independent expenditures in the jurisdiction to comply with the campaign finance reporting provisions of this chapter within fourteen days of the date of the order. The order applies to all elections in the jurisdiction for two years after its issuance.

(4) Any petition for disclosure, ordinance, resolution, or official action of an agency petitioning the commission to void the exemption in subsection (1)(c) of this section shall not be considered unless it has been filed with the commission:

(a) in the case of a ballot measure, at least sixty days before the date of any election in which campaign finance reporting is to be required;

(b) in the case of a candidate, at least sixty days before the first day on which a person may file a declaration of candidacy for any election in which campaign finance reporting is to be required.

(5) Any person exempted from reporting under this section may at his or her option file the statements and reports.

Sec. 3. Section 5, chapter 1, Laws of 1973 as amended by section 2, chapter 147, Laws of 1982 and RCW 42.17.050 are each amended to read as follows:

(1) Each candidate, within two weeks after becoming a candidate, and each political committee, at the time it is required to file a statement of organization, shall designate and file with the commission and the appropriate county elections officer the names and addresses of:

(a) One legally competent individual, who may be the candidate, to serve as a campaign treasurer; and

(b) A bank, mutual savings bank, savings and loan association, or credit union doing business in this state to serve as campaign depository and the name of the account or accounts therein maintained.

(2) A candidate, a political committee, or a campaign treasurer may appoint as many deputy campaign treasurers as is considered necessary and may designate not more than one additional campaign depository in each other county in which the campaign is conducted. The candidate or political committee shall file the names and addresses of the deputy campaign treasurers and additional campaign depositories with the commission and the appropriate county elections officer.

(3) A candidate may not knowingly establish, use, direct, or control more than one political committee for the purpose of supporting that candidate during a particular election campaign. This does not prohibit joint fund-raising efforts by candidates when a separate political committee is established for that purpose and all contributions are disbursed to and accounted for on a pro rata basis by the benefiting candidates.

(4) (a) A candidate or political committee may at any time remove a campaign treasurer or deputy campaign treasurer or change a designated campaign depository.

(b) In the event of the death, resignation, removal, or change of a campaign treasurer, deputy campaign treasurer, or depository, the candidate or political committee shall designate and file with the commission and the appropriate county elections officer the name and address of any successor.

~~((4))~~ (5) No campaign treasurer, deputy campaign treasurer, or campaign depository may be deemed to be in compliance with the provisions of this chapter until his name and address is filed with the commission and the appropriate county elections officer.

(1) All monetary contributions received by a candidate or political committee shall be deposited by the campaign treasurer or deputy treasurer in a campaign depository in an account established and designated for that purpose. Such deposits shall be made within five business days of receipt of the contribution.

(2) Political committees which support or oppose more than one candidate or ballot proposition, or exist for more than one purpose, may maintain multiple separate bank accounts within the same designated depository for such purpose: PROVIDED, That each such account shall bear the same name followed by an appropriate designation which accurately identifies its separate purpose: AND PROVIDED FURTHER, That transfers of funds which must be reported under RCW 42.17.090(1)(d), as now or hereafter amended, may not be made from more than one such account.

(3) Nothing in this section prohibits a candidate or political committee from investing funds on hand in a campaign depository in bonds, certificates, or savings accounts or other similar savings instruments in financial institutions other than the campaign depository: PROVIDED, That the commission and the appropriate county elections officer is notified in writing of the initiation and the termination of the investment: PROVIDED FURTHER, That the principal of such investment when terminated together with all interest, dividends, and income derived from the investment are deposited in the campaign depository in the account from which the investment was made and properly reported to the commission and the appropriate county elections officer prior to any further disposition or expenditure thereof.

(4) Accumulated unidentified contributions, other than those made by persons whose names must be maintained on a separate and private list by a political committee's campaign treasurer pursuant to RCW 42.17.090(1)(b), which total in excess of one percent of the total accumulated contributions received in the current calendar year or three hundred dollars (whichever is more), may not be deposited, used, or expended, but shall be returned to the donor, if his identity can be ascertained. If the donor cannot be ascertained, the contribution shall escheat to the state, and shall be paid to the state treasurer for deposit in the state general fund.

(5) A contribution of fifty dollars or more in currency may not be accepted unless a receipt, signed by the contributor and by the candidate, campaign treasurer, or deputy campaign treasurer, is prepared and made a part of the campaign's or political committee's financial records.

Sec. 5. Section 7, chapter 1, Laws of 1973 and RCW 42.17.070 are each amended to read as follows:

~~((6))~~ (7) Adopt and promulgate a code of fair campaign practices;

Revisions shall be adopted as rules under chapter 34.04 RCW. The first revision authorized by this subsection shall reflect economic changes from the time of the last legislative enactment affecting the respective code or threshold through December 1985.

Sec. 12. Section 12, chapter 112, Laws of 1975-76 2nd ex. sess. as amended by section 16, chapter 147, Laws of 1982 and RCW 42.17.395 are each amended to read as follows:

Any order ~~((which))~~ that the commission issues under this section shall be pursuant to such hearing.

(3) In lieu of holding a hearing or issuing an order under this section, the commission may refer the matter to the attorney general or other enforcement agency as provided in RCW 42.17.360.

(4) The person against whom an order is directed under this section shall be designated as the respondent. ~~((Such))~~ The order may require the respondent to cease and desist from the activity ~~((which))~~ that constitutes a violation and in addition, or alternatively, may impose one or more of the remedies provided in RCW 42.17.390(1) (b), (c), (d), or (e); PROVIDED, That no individual penalty assessed by the commission may exceed ~~((two hundred fifty))~~ one thousand dollars, and in any case where multiple violations are involved in a single complaint or hearing, the maximum aggregate penalty may not exceed two thousand five hundred dollars.

If the commission's order is not satisfied and no petition for review is filed within thirty days as provided in RCW 34.04.130, the commission may petition a court of competent jurisdiction of any county in which a petition for review could be filed under that section, for an order of enforcement. Proceedings in connection with the commission's petition shall be in accordance with RCW 42.17.397, as now or hereafter amended.

Sec. 13. Section 1, chapter 60, Laws of 1982 and RCW 42.17.405 are each amended to read as follows:

(1) (During the period between March 26, 1982, and January 1, 1986) Except as provided in subsections (2) and (3) of this section, the reporting provisions of this chapter ((are suspended

as they pertain)) do not apply to candidates, elected officials, and agencies in jurisdictions with less than one thousand registered voters as of the date of the most recent general election in the jurisdiction(~~The suspension also applies~~), to political committees formed to support or oppose ballot propositions in such jurisdictions, ((and)) or to persons making independent expenditures in support of or opposition to such ballot propositions.

(2) The ((suspension shall not)) reporting provisions of this chapter apply in any jurisdiction from which a 'petition for disclosure' containing the valid signatures of five percent of the number of registered voters, as of the date of the most recent general election in the jurisdiction, is filed with the commission. The commission shall by rule prescribe the form of the petition. After the signatures are gathered, the petition shall be presented to the auditor or elections officer of the county, or counties, in which the jurisdiction is located. The auditor or elections officer shall verify the signatures and certify to the commission that the petition contains no less than the required number of valid signatures. The commission, upon receipt of a valid petition, shall order every incumbent elected official and candidate in the jurisdiction to file the required statement and reports within thirty days of the date of the order.

(3) The ((suspension shall not)) reporting provisions of this chapter apply in any jurisdiction which by ordinance, resolution, or other official action has petitioned the commission to ((void the suspension with respect)) make the provisions applicable to elected officials and candidates of the jurisdiction. A copy of the action shall be sent to the commission. If the commission finds the petition to be a valid action of the appropriate governing body or authority, the commission shall issue an appropriate order ((voiding the suspension for that jurisdiction)). The commission, upon approval of the action, shall order every incumbent elected official and candidate in the jurisdiction to file the required statement and reports within thirty days of the date of the order.

(4) Any person exempted from reporting by ((the suspension under)) subsection (1) of this section may at his or her option file the statement and reports."

SSB 3390 Prime Sponsor, Committee on Ways & Means: Changing nursing home auditing standards. Reported by Committee on Ways & Means

MAJORITY recommendation: Do pass with the following amendments:

Strike everything after the enacting clause and insert the following:

\*Sec. 1. Section 18, chapter 177, Laws of 1980 as last amended by section 147, chapter 7, Laws of 1985 and RCW 74.46.180 are each amended to read as follows:

(1) The state shall make payment of any underpayments within thirty days after the date the preliminary or final settlement report is submitted to the contractor.

(2) A contractor found to have received either overpayments or erroneous payments under a preliminary or final settlement shall refund such payments to the state within thirty days after the date the preliminary or final settlement report is submitted to the contractor, subject to the provisions of subsections (3), (4), and (7) of this section.

(3) Within the cost centers of nursing services and food, all savings resulting from the respective allowable costs being lower than the respective reimbursement rate paid to the contractor during the report period shall be refunded. In computing a preliminary or final settlement, savings in a cost center may be shifted to cover a deficit in another cost center up to the amount of any savings: PROVIDED, That not more than twenty percent of the rate in a cost center may be shifted into that cost center and no shifting may be made into the property cost center.

(4) Within the cost centers of administration and operations and property, the contractor shall retain at least fifty percent, but not more than seventy-five percent, of any savings resulting from the respective audited allowable costs being lower than the respective reimbursement rates paid to the contractor during the report period multiplied by the number of authorized medical care client days in which said rates were in effect, except that no savings may be retained if reported costs in the property cost center and the administration and operations cost center exceed audited allowable costs by ten cents or more per patient day. The secretary, by rule and regulation, shall establish the basis for the specific percentages of savings to the contractors. Such rules and regulations may provide for differences in the percentages allowed for each cost center to individual facilities based on performance measures related to administrative efficiency.

(5) All allowances provided by RCW 74.46.530 shall be retained by the contractor. Any industrial insurance dividend or premium discount under RCW 51.16.035 shall be retained by the contractor to the extent that such dividend or premium discount is attributable to the contractor's private patients.

(6) In the event the contractor fails to make repayment in the time provided in subsection (2) of this section, the department shall either:

(a) Deduct the amount of refund due plus assessment of interest, as determined by the secretary, from payment amounts due the contractor; or

(b) In the instance the contract has been terminated, (i) deduct the amount of refund due plus an assessment of interest, determined by the secretary, from any payments due; or (ii) assess the amount due plus interest, as determined by the secretary, on the amount due.

(7) Where the facility is pursuing timely-filed judicial or administrative remedies in good faith regarding settlement issues, the contractor need not refund nor shall the department withhold from the facility current payment amounts the department claims to be due from the facility but which are specifically disputed by the contractor. If the judicial or administrative remedy sought by the facility is not granted after all appeals are exhausted or mutually terminated, the facility shall make payment of such amounts due plus interest accrued from the date of filing of the appeal, as payable on judgments, within sixty days of the date such decision is made.

Sec. 2. Section 68, chapter 177, Laws of 1980 and RCW 74.46.680 are each amended to read as follows:

(1) On the effective date of a change of ownership the department's contract with the old owner shall be terminated. The old owner shall give the department ~~((thirty))~~ sixty days' written notice of such termination. When certificate of need and/or section 1122 approval is required pursuant to chapter 70.38 RCW and Part 100, Title 42 CFR, for the new owner to acquire the

facility, and the new owner wishes to continue to provide service to recipients without interruption, certificate of need and/or section 1122 approval shall be obtained before the old owner submits a notice of termination.

(2) If the new owner desires to participate in the cost-related reimbursement system, it shall meet the conditions specified in RCW 74.46.660 and shall submit a projected budget in accordance with RCW 74.46.670 no later than sixty days before the date of the change of ownership. The facility contract with the new owner shall be effective as of the date of the change of ownership.

Sec. 3. Section 69, chapter 177, Laws of 1980 as amended by section 36, chapter 67, Laws of 1983 1st ex. sess. and RCW 74.46.690 are each amended to read as follows:

(1) When a facility contract is terminated for any reason, the old contractor shall submit final reports as required by RCW 74.46.040. ~~((Payment for care provided during the final thirty days of service under a contract will be held until the contractor has filed a properly completed final cost report, an audit has been completed by the department, and final settlement has been determined, such settlement not to exceed ninety days following completion of the audit process:~~

~~(2) Following final settlement, a payment withheld pursuant to subsection (1) of this section will be sent to the contractor after any overpayment determined in connection with final settlement has been deducted. If the contractor contests the settlement determination in accordance with RCW 74.46.170, the department will hold the amount in dispute pending completion of the appeal process, but will release the balance of such payment to the contractor.~~

~~(3) The department will release a payment which would be withheld pursuant to subsection (1) of this section, provided a bond issued by a bonding company acceptable to the department is filed by the contractor. The bond shall:~~

~~(a) Be in an amount equal to the released payment;~~

~~(b) Be for a term sufficient to ensure effectiveness after final settlement and the exhaustion of administrative and judicial remedies;~~

~~(c) Provide that the full amount of the bond shall be paid to the department if a properly completed final audited cost report is not filed in accordance with this chapter, or if financial records supporting this record are not preserved and made available to the auditor; and~~

~~(d) Provide that an amount equal to any recovery the department determines is due from the contractor at settlement, but not exceeding the amount of the bond, shall be paid to the department in the event the contractor does not pay the refund within sixty days following receipt of written demand or the conclusion of administrative or judicial proceedings to contest settlement issues:~~

~~(4)) (2) Upon notification of a contract termination, the department shall determine by preliminary or final settlement calculations the amount of any overpayments made to the contractor, including overpayments disputed by the contractor. If preliminary or final settlements are unavailable for any period up to the date of contract termination, the department shall make a reasonable estimate of any overpayment or underpayments for such periods. The reasonable estimate shall be based upon prior period settlements, available audit findings, the projected impact of prospective rates, and other information available to the department.~~

~~(3) The old contractor shall provide security, in a form deemed adequate by the department, in the amount of determined and estimated overpayments, whether or not the overpayments are the subject of good faith dispute. Security shall consist of:~~

~~(a) Withheld payments due the contractor; or~~

~~(b) A surety bond issued by a bonding company acceptable to the department; or~~

~~(c) An assignment of funds to the department; or~~

~~(d) Collateral acceptable to the department; or~~

~~(e) A purchaser's assumption of liability for the prior contractor's overpayment; or~~

~~(f) Any combination of (a), (b), (c), (d), or (e) of this subsection.~~

~~(4) A surety bond or assignment of funds shall:~~

~~(a) Be at least equal in amount to determined or estimated overpayments, whether or not the subject of good faith dispute, minus withheld payments;~~

~~(b) Be issued or accepted by a bonding company or financial institution licensed to transact business in Washington state;~~

~~(c) Be for a term sufficient to ensure effectiveness after final settlement and the exhaustion of administrative and judicial remedies; PROVIDED, That the bond or assignment shall initially be for a term of five years, and shall be forfeited if not renewed thereafter in an amount equal to any remaining overpayment in dispute;~~

~~(d) Provide that the full amount of the bond or assignment, or both, shall be paid to the department if a properly completed final cost report is not filed in accordance with this chapter, or if financial records supporting this report are not preserved and made available to the auditor; and~~

~~(e) Provide that an amount equal to any recovery the department determines is due from the contractor at settlement, but not exceeding the amount of the bond and assignment, shall be paid to the department if the contractor does not pay the refund within sixty days following~~

receipt of written demand or the conclusion of administrative or judicial proceedings to contest settlement issues.

(5) The department shall release any payment withheld as security if alternate security is provided under subsection (3) of this section in an amount equivalent to determined and estimated overpayments.

(6) If the total of withheld payments, bonds, and assignments is less than the total of determined and estimated overpayments, the unsecured amount of such overpayments shall be a debt due the state and shall become a lien against the real and personal property of the contractor from the time of filing by the department with the county auditor of the county where the contractor resides or owns property, and the lien claim has preference over the claims of all unsecured creditors.

(7) The contractor shall file a properly completed final cost report in accordance with the requirements of this chapter, which shall be audited by the department. A final settlement shall be determined within ninety days following completion of the audit process, including any administrative review of the audit requested by the contractor.

(8) Following determination of settlement for all periods, security held pursuant to this section shall be released to the contractor after overpayments determined in connection with final settlement have been paid by the contractor. If the contractor contests the settlement determination in accordance with RCW 74.46.170, the department shall hold the security, not to exceed the amount of estimated unrecovered overpayments being contested, pending completion of the administrative appeal process.

(9) If, after calculation of settlements for any periods, it is determined that overpayments exist in excess of the value of security held by the state, the department may seek recovery of these additional overpayments as provided by law.

(10) If a contract is terminated solely in order for the same owner to contract with the department to deliver services to another classification of medical care recipients at the same facility, the contractor is not required to submit final cost reports, and (~~payment for the final thirty days will not be withheld~~) security shall not be required.

Sec. 4. Section 4, chapter 177, Laws of 1980 as amended by section 1, chapter 67, Laws of 1983 1st ex. sess. and RCW 74.46.040 are each amended to read as follows:

(2) Not later than one hundred twenty days following the termination of a contract, the contractor shall submit to the department a cost report (~~and financial statements as are required by this chapter~~;) for the period from January 1st through the date the contract terminated.

(3) Two extensions of not more than thirty days each may be granted by the department upon receipt of a written request setting forth the circumstances which prohibit the contractor from compliance with a report due date; except, that the secretary shall establish the grounds for extension in rule and regulation. Such request must be received by the department at least ten days prior to the due date.

Sec. 5. Section 5, chapter 177, Laws of 1980 and RCW 74.46.050 are each amended to read as follows:

If (~~either~~) the cost report (~~or the financial statements are~~) is not properly completed or if (~~they are~~) it is not received by the due date, all or part of any payments due under the contract may be withheld by the department until such time as the required cost report (~~and financial statements are~~) is properly completed and received.

(1) Cost reports shall be prepared in a standard manner and form, as determined by the department, which shall provide for (~~financial statements~~;) an itemized list of allowable costs (:) and a preliminary settlement report. Costs reported shall be determined in accordance with generally accepted accounting principles, the provisions of this chapter, and such additional rules and regulations as are established by the secretary.

(2) (~~All financial statements of a contractor must be prepared in accordance with generally accepted accounting principles, the provisions of this chapter, and such additional rules and regulations as are established by the secretary.~~)

(3) The records shall be maintained on the accrual method of accounting and agree with or be reconcilable to the cost report (~~and the financial statements~~).

Sec. 7. Section 8, chapter 177, Laws of 1980 as amended by section 3, chapter 67, Laws of 1983 1st ex. sess. and RCW 74.46.080 are each amended to read as follows:

(5) The audit will result in a schedule summarizing appropriate adjustments to the contractor's cost report. (1) The department shall establish for individual facilities return on investment allowances composed of two parts: A financing allowance and a variable return allowance.

(a) The financing allowance shall be determined by multiplying the net invested funds of each facility by .11, and dividing by the contractor's total patient days. If a capitalized addition or retirement of an asset will result in a different licensed bed capacity during the ensuing period, the prior period total patient days used in computing the financing and variable return allowances shall be adjusted to the anticipated patient day level.

(b) In computing the portion of net invested funds representing the net book value of tangible fixed assets, the same assets, depreciation bases, lives, and methods referred to in RCW

74.46.330, 74.46.350, 74.46.360, and 74.46.370, including owned and leased assets, shall be utilized, except that the capitalized cost of land upon which the facility is located and such other contiguous land which is reasonable and necessary for use in the regular course of providing patient care shall also be included. In the case of leased facilities where the net invested funds are unknown or the contractor is unable to provide necessary information to determine net invested funds, the secretary shall have the authority to determine an amount for net invested funds based on an appraisal conducted according to RCW 74.46.360(1).

(c) In determining the variable return allowance:

(i) The department will first rank all facilities in numerical order from highest to lowest according to their average per diem allowable costs for the sum of the administration and operations and property cost centers for the previous cost report period.

(ii) The department shall then compute the variable return allowance by multiplying the appropriate percentage amounts, which shall not be less than one percent and not greater than four percent, by the total prospective rate for each facility, as determined in RCW 74.46.450 through 74.46.510. The percentage amounts will be based on groupings of facilities according to the rankings as established in subparagraph (2)(b)(i) of this section. Those groups of facilities with lower per diem costs shall receive higher percentage amounts than those with higher per diem costs.

(d) The sum of the financing allowance and the variable return allowance shall be the return on investment for each facility, and shall be added to the prospective rates of each contractor as determined in RCW 74.46.450 through 74.46.510.

(e) In the case of a facility which was leased by the contractor as of January 1, 1980, in an arm's-length agreement, which continues to be leased under the same lease agreement, and for which the annualized lease payment, plus any interest and depreciation expenses associated with contractor-owned assets, for the period covered by the prospective rates, divided by the contractor's total patient days, minus the property cost center determined according to RCW 74.46.510, is more than the return on investment allowance determined according to subsection (1)(d) of this section, the following shall apply:

(i) The financing allowance shall be recomputed substituting the fair market value of the assets as of January 1, 1982, as determined by the department of general administration through an appraisal procedure, less accumulated depreciation on the lessor's assets since January 1, 1982, for the net book value of the assets in determining net invested funds for the facility. A determination by the department of general administration of fair market value shall be final unless the procedure used to make such determination is shown to be arbitrary and capricious.

(ii) The sum of the financing allowance computed under subsection (1)(e)(i) of this section and the variable allowance shall be compared to the annualized lease payment, plus any interest and depreciation expenses associated with contractor-owned assets, for the period covered by the prospective rates, divided by the contractor's total patient days, minus the property cost center rate determined according to RCW 74.46.510. The lesser of the two amounts shall be called the alternate return on investment allowance.

(iii) The return on investment allowance determined according to subsection (1)(d) of this section or the alternate return on investment allowance, whichever is greater, shall be the return on investment allowance for the facility and shall be added to the prospective rates of the contractor as determined in RCW 74.46.450 through 74.46.510.

(f) In the case of a facility which was leased by the contractor as of January 1, 1980, in an arm's-length agreement, if the lease is renewed or extended pursuant to a provision of the lease, the treatment provided in subsection (1)(e) of this section shall be applied except that in the case of renewals or extensions made subsequent to April 1, 1985, reimbursement for the annualized lease payment shall be no greater than the reimbursement for the annualized lease payment for the last year prior to the renewal or extension of the lease.

(2) In the event that the department of health and human services disallows the application of the return on investment allowances to nonprofit facilities, the department shall modify the measurements of net invested funds used for computing individual facility return on investment allowances as follows: Net invested funds for each nonprofit facility shall be multiplied by one minus the ratio of equity funds to the net invested funds of all nonprofit facilities.

(3) Each biennium, beginning in 1985, the secretary shall review the adequacy of return on investment allowances in relation to anticipated requirements for maintaining, reducing, or expanding nursing care capacity. The secretary shall report the results of such review to the legislature and make recommendations for adjustments in the return on investment rates utilized in this section, if appropriate.

The following principles are inherent in RCW 74.46.430 through 74.46.590:

(1) Reimbursement rates will be set prospectively on a per patient day basis; and

(2) ~~((Rates established in accordance with this chapter shall be reasonable and adequate to meet the costs that must be incurred by economically and efficiently operated facilities to~~

~~provide services which meet the needs of a medical care recipient in compliance with applicable standards; and~~

(3)) The rates so established will be adjusted for economic conditions and trends in accordance with appropriations made by the legislature as consistent with federal requirements for the period to be covered by such rates.

\*NEW SECTION. Sec. 1. It is the intent of the legislature that state highway information and directional signs provide appropriate guidance to all motorists traveling throughout the state. Such guidance should include the identity, location, and types of recreational, cultural, educational, entertainment, or unique or unusual commercial activities whose principle source of visitation is derived from motorists not residing in the immediate locale of the activity. Such

informational and directional signs shall comply with Title 23, United States Code and the rules adopted by the department under RCW 47.42.060.

Sec. 2. Section 2, chapter 96, Laws of 1961 as last amended by section 222, chapter 7, Laws of 1984 and RCW 47.42.020 are each amended to read as follows:

(3) 'Health care service contractor' means any corporation, cooperative group, or association, which ~~((corporation, cooperative group, or association))~~ is sponsored by or otherwise intimately connected with a ~~((group of doctors licensed by the state of Washington or by a group of hospitals licensed by the state of Washington; or doctor licensed by the state of Washington; or group of doctors licensed by the state of Washington))~~ provider or group of providers, who or which not otherwise being engaged in the insurance business, accepts prepayment or contractual prearrangement for health care services from or for the benefit of persons or groups of persons as consideration for providing such persons with any health care services. ~~((The term also includes any corporation, cooperative group, or association, sponsored by or otherwise intimately connected with a group of pharmacists registered by the state of Washington; or any pharmacist or group of pharmacists, registered by the state of Washington; who or which not otherwise being engaged in the insurance business, accepts prepayment for health care services from or for the benefit of persons or groups of persons as consideration for providing such persons with any health care services.))~~

(4) 'Participant' means a ~~((doctor, hospital, or licensed pharmacy, drug store or dispensary))~~ provider, who or which has contracted in writing with a health care service contractor to accept payment from and to look solely to such contractor according to the terms of the subscriber contract for any health care services rendered to a person who has previously paid, or on whose behalf prepayment or contractual prearrangement has been made, to such contractor for such services.

Sec. 2. Section 2, chapter 268, Laws of 1947 as last amended by section 4, chapter 286, Laws of 1983 and RCW 48.44.020 are each amended to read as follows:

(1) Any health care service contractor may enter into agreements with or for the benefit of persons or groups of persons which require prepayment, or are based on contractual prearrangement, for health care services by or for such persons in consideration of such health care service contractor providing one or more health care services to such persons and such activity shall not be subject to the laws relating to insurance if the health care services are rendered by the health care service contractor or by a participant.

(2) The commissioner may ~~((require the submission of contract forms for his examination and may))~~ on examination, subject to the right of the health care service contractor to demand and receive a hearing under chapters 48.04 and 34.04 RCW, disapprove any contract form for any of the following grounds:

(a) If it contains or incorporates by reference any inconsistent, ambiguous or misleading clauses, or exceptions and conditions which unreasonably or deceptively affect the risk purported to be assumed in the general coverage of the contract; or

(b) If it has any title, heading or other indication of its provisions which is misleading; or

(c) If purchase of health care services thereunder is being solicited by deceptive advertising; or

(d) If, the benefits provided therein are unreasonable in relation to the amount charged for the contract;

(e) If it contains unreasonable restrictions on the treatment of patients;

(f) If it violates any provision of this chapter; or

(g) If it fails to conform to minimum provisions or standards required by regulation made by the commissioner pursuant to chapter 34.04 RCW.

Sec. 3. Section 3, chapter 268, Laws of 1947 as last amended by section 22, chapter 339, Laws of 1981 and RCW 48.44.030 are each amended to read as follows:

If any of the health care services which are promised in any such agreement are not to be performed by the health care service contractor, or by a participant, such activity shall not be

subject to the laws relating to insurance, ~~((but such agreement shall contain))~~ provided provision is made for reimbursement or indemnity of the persons ~~((paying))~~ who have previously paid, or on whose behalf prepayment has been made, for such services ~~((which agreement))~~; Such reimbursement or indemnity shall either be underwritten by an insurance company authorized to write accident, health and disability insurance in the state or guaranteed by a surety company authorized to do business in this state, or guaranteed by a deposit of cash or securities eligible for investment by insurers pursuant to chapter 48.13 RCW, with the insurance commissioner, as hereinafter provided. If the ~~((agreement))~~ reimbursement or indemnity is underwritten by an insurance company, the contract or policy of insurance may designate the health care service contractor as the named insured, but shall be for the benefit of the persons who have previously paid, or on whose behalf prepayment has been made, for ~~((or contracted for))~~ such health care services. If the ~~((agreement))~~ reimbursement or indemnity is guaranteed by a surety company, the surety bond shall designate the state of Washington as the named obligee, but shall be for the benefit of the persons who have previously paid, or on whose behalf prepayment has been made, for ~~((or contracted for))~~ such health care services, and shall be in such amount as the insurance commissioner shall direct, but in no event in a sum greater than the amount of one hundred fifty thousand dollars or ~~((one-twelfth of the total sum of money received by the health care service contractor during the preceding twelve months as prepayment for health care services))~~ the amount necessary to cover incurred but unpaid reimbursement or indemnity benefits as reported in the last annual statement filed with the insurance commissioner, and adjusted to reflect known or anticipated increases or decreases during the ensuing year, plus an amount of unearned prepayments applicable to reimbursement or indemnity benefits, whichever amount is greater. A copy of such insurance policy or surety bond, as the case may be, and any modification thereof, shall be filed with the insurance commissioner. If the ~~((agreement))~~ reimbursement or indemnity is guaranteed by a deposit of cash or securities, such deposit shall be in such amount as the insurance commissioner shall direct, but in no event in a sum greater than the amount of one hundred fifty thousand dollars or ~~((one-twelfth of the total sum of money received by the health care service contractor during the preceding twelve months as prepayment for health care services))~~ the amount necessary to cover incurred but unpaid reimbursement or indemnity benefits as reported in the last annual statement filed with the insurance commissioner, and adjusted to reflect known or anticipated increases or decreases during the ensuing year, plus an amount of unearned prepayments applicable to reimbursement or indemnity benefits, whichever amount is greater. Such cash or security deposit shall be held in trust by the insurance commissioner and shall be for the benefit of the persons who have previously paid ~~((for or contracted))~~, or on whose behalf prepayment has been made, for such health care services.

Sec. 4. Section 5, chapter 197, Laws of 1961 as amended by section 3, chapter 87, Laws of 1965 and RCW 48.44.080 are each amended to read as follows:

Every health care service contractor shall file with its annual statement with the insurance commissioner ~~((lists))~~ a master list of the participants with whom or with which such health care service contractor has executed contracts of participation, certifying that each such participant has executed such contract of participation. The health care service contractor shall ~~((immediately))~~ on the first day of each month notify the insurance commissioner in writing in case of the termination of any such contract, and of any participant who has entered into a participating contract during the preceding month.

Sec. 5. Section 12, chapter 115, Laws of 1969 as amended by section 1, chapter 63, Laws of 1983 and RCW 48.44.145 are each amended to read as follows:

(1) The commissioner may make an examination of the operations of any health care service contractor as often as he deems necessary in order to carry out the purposes of this chapter.

(2) Every health care service contractor shall submit its books and records relating to its operation for financial condition and market conduct examinations and in every way facilitate them. For the purpose of examinations, the commissioner may issue subpoenas, administer oaths, and examine the officers and principals of the health care service contractor.

(3) The commissioner may elect to accept and rely on audit reports made by an independent certified public accountant for the health care service contractor in the course of that part of the commissioner's examination covering the same general subject matter as the audit. The commissioner may incorporate the audit report in his report of the examination.

(4) Health care service contractors licensed in the state shall be equitably assessed to cover the cost of financial condition and market conduct examinations. The assessments shall be levied not less frequently than once every twelve months and shall be in an amount expected to fund the examinations, including a reasonable margin for cost variations. The assessments shall be established by rules promulgated by the commissioner but shall not exceed one-half cent per month per person entitled to health care services pursuant to an agreement under RCW 48.44.020(1), excluding such persons who are not residents of this state. The commissioner may assess a contractor on any basis that is applicable to all similarly situated contractors and is deemed equitable. Assessment receipts shall be deposited in the general fund, shall be accounted for separately, and shall be used for the sole purpose of funding

the examinations authorized in subsection (1) of this section. Amounts remaining in the separate account at the end of a biennium shall be applied to reduce the assessments in the succeeding biennium.

(5) Whenever any health care service contractor applies for initial admission, the commissioner may make, or cause to be made, an examination of the applicant's business and affairs. Whenever such an examination is made, all of the provisions of chapter 48.03 RCW not inconsistent with this chapter shall be applicable. In lieu of making an examination himself the commissioner may, in the case of a foreign health care service contractor, accept an examination report of the applicant by the regulatory official in its state of domicile.

Sec. 6. Section 1, chapter 175, Laws of 1981 and RCW 48.44.290 are each amended to read as follows:

Notwithstanding any provision of this chapter, for any health care service contract thereunder which is entered into or renewed after July 26, 1981, benefits shall not be denied under such contract for any health care service performed by a holder of a license issued pursuant to chapter 18.88 RCW if (1) the service performed was within the lawful scope of such person's license, and (2) such contract would have provided benefits if such service had been performed by a holder of a license issued pursuant to chapter 18.71 RCW: PROVIDED, HOWEVER, That no provision of chapter 18.71 RCW shall be asserted to deny benefits under this section: (~~AND PROVIDED FURTHER: That no part of this section shall apply to agreements entered into or renewed by a health maintenance organization which provides comprehensive health care services directly to enrolled participants of such organization on a group practice per capita prepayment basis, and which is a health maintenance organization registered under chapter 48.46 RCW or a federally qualified health maintenance organization~~)).

The provisions of this section are intended to be remedial and procedural to the extent that they do not impair the obligation of any existing contract.

Sec. 7. Section 2, chapter 154, Laws of 1983 and RCW 48.44.300 are each amended to read as follows:

Benefits shall not be denied under a contract for any health care service performed by a holder of a license issued under chapter 18.22 RCW if (1) the service performed was within the lawful scope of the person's license, and (2) the contract would have provided benefits if the service had been performed by a holder of a license issued under chapter 18.71 RCW. There shall not be imposed upon one class of doctors providing health care services as defined by this chapter any requirement that is not imposed upon all other doctors providing the same or similar health care services within the scope of their license. (~~This section does not apply to agreements entered into or renewed by a health maintenance organization which provides comprehensive health care services directly to enrolled participants of the organization on a group practice per capita prepayment basis and which is a health maintenance organization registered under chapter 48.46 RCW or a federally qualified health maintenance organization~~)).

The provisions of this section are intended to be procedural to the extent that they do not impair the obligation of any existing contract.

Sec. 8. Section 2, chapter 286, Laws of 1983 and RCW 48.44.310 are each amended to read as follows:

(1) Each group contract for comprehensive health care service which is entered into, or renewed, on or after September 8, 1983, between a health care service contractor and the person or persons to receive such care shall offer coverage for chiropractic care on the same basis as any other care.

(2) A patient of a chiropractor shall not be denied benefits under a contract because the practitioner is not licensed under chapter 18.57 or 18.71 RCW.

(3) (~~This section shall not apply to agreements entered into or renewed by a health maintenance organization as defined in RCW 48.46.020(1) or a federally qualified health maintenance organization~~).

(~~4~~) This section shall not apply to a group contract for comprehensive health care services entered into in accordance with a collective bargaining agreement between management and labor representatives. Benefits for chiropractic care shall be offered by the employer in good faith on the same basis as any other care as a subject for collective bargaining for group contracts for health care services.

Sec. 9. Section 6, chapter 202, Laws of 1983 and RCW 48.44.350 are each amended to read as follows:

(1) No person having any authority in the investment or disposition of the funds of a (~~domestic~~) health care service contractor and no officer or director of a health care service contractor shall accept, except (~~as agent~~) for the health care service contractor, or be the beneficiary of any fee, brokerage, gift, commission, or other emolument because of any sale of health care service agreements or any investment, loan, deposit, purchase, sale, payment, or exchange made by or for the health care service contractor, or be pecuniarily interested therein in any capacity; except, that such a person may procure a loan from the health care service contractor directly upon approval by two-thirds of its directors and upon the pledge of securities eligible for the investment of the health care service contractor's funds under this title.

(2) The commissioner may, by regulations, from time to time, define and permit additional exceptions to the prohibition contained in subsection (1) of this section solely to enable payment of reasonable compensation to a director who is not otherwise an officer or employee of the health care service contractor, or to a corporation or firm in which the director is interested, for necessary services performed or sales or purchases made to or for the health care service contractor in the ordinary course of the health care service contractor's business and in the usual private professional or business capacity of the director or the corporation or firm.

NEW SECTION, Sec. 10. A new section is added to chapter 48.44 RCW to read as follows:

If an individual health care service agreement is issued on any basis other than as applied for, an endorsement setting forth such modification must accompany and be attached to the agreement. No agreement shall be effective unless the endorsement is signed by the applicant, and a signed copy thereof returned to the health care service contractor.

NEW SECTION, Sec. 11. A new section is added to chapter 48.44 RCW to read as follows:

After July 1, 1986, or on the next renewal date of the agreement, whichever is later, every health care service agreement issued, amended, or renewed for an individual and his or her dependents shall contain provisions to assure that the covered spouse and/or dependents, in the event that any cease to be a qualified family member by reason of termination of marriage or death of the principal enrollee, shall have the right to continue the health care service agreement without a physical examination, statement of health, or other proof of insurability.

NEW SECTION, Sec. 12. A new section is added to chapter 48.44 RCW to read as follows:

No health care service contractor shall terminate any person covered under a health care service contract because of a change in the physical or mental condition or health of such person: PROVIDED, That, after approval of the insurance commissioner, a health care service contractor may discharge its obligation to continue coverage for such person by obtaining coverage with another health care service contractor, or with an insurer which is comparable in terms of premiums and benefits."

ESB 3627

Prime Sponsor, Senator Warnke: Modifying the unemployment compensation requirements for persons with marginal labor force attachment. Reported by Committee on Commerce & Labor

MAJORITY recommendation: Do pass with the following amendments:

Strike everything after the enacting clause and insert the following:

**\*NEW SECTION, Sec. 1.** (1) Prior to December 31, 1986, the commissioner may suspend the provisions of RCW 50.20.015(2) if the commissioner determines with respect to an individual claimant that a reasonable application of that subsection is precluded (a) by a condition of economic distress as defined in section 2 of this act; or (b) in an occupation in which governmental action prohibits the normal activities in such occupation. The commissioner shall adopt rules to implement the work search policy of the department for all claimants identified by this section. Factors to be considered in developing the policy shall include occupation of the claimant, employment conditions within the claimant's industry, labor market demand, length and frequency of unemployment of the claimant, and the potential for return to work at his or her previous employment. Claimant work search activities shall be conducted in accordance with the rules adopted under this section.

(2) The commissioner shall submit a report to the committees on commerce and labor of the senate and the house of representatives describing those conditions of economic distress identified under subsection (1) (a) or (b) of this section which preclude application of RCW 50.20.015(2). The report shall be filed within one week of the date that the suspension is made.

**NEW SECTION, Sec. 2.** For the purposes of section 1 of this act, a condition of economic distress exists when:

(1) A county has an unemployment rate that is twenty percent or more above the statewide average for the previous three years;

(2) A labor market area has experienced a sudden and severe loss of employment as defined by the commissioner;

(3) A labor market area contains a distressed industry; or

(4) The commissioner determines that the circumstances of the individual claimant meet the intent of this section.

Sec. 3. Section 9, chapter 205, Laws of 1984 and RCW 50.20.015 are each amended to read as follows:

(1) If the product of an otherwise eligible individual's weekly benefit amount multiplied by thirteen is greater than the total amount of wages earned in ~~((the state of Washington))~~ covered employment in the higher of two corresponding calendar quarters included within the individual's determination period, that individual shall be considered to have marginal labor force attachment. However, the individual shall not be considered to have marginal labor force attachment if he or she had no wages or reduced wages in either of such two corresponding calendar quarters because of illness or disability sufficient to have resulted in a finding of marginal attachment, or because such individual's first wages in covered employment were earned after the fifth completed calendar quarter of the individual's determination period. For the purposes of this subsection and RCW 50.29.020, 'determination period' means the first eight of the last nine completed calendar quarters immediately preceding the individual's current benefit year.

(2) With respect to new claims for benefits filed on or after July 1, 1985, in addition to any other requirements established under this chapter which are not inconsistent with (a) through (f) of this subsection, if a determination is made under subsection (1) of this section that an individual has marginal labor force attachment, the following provisions shall apply to benefits payable to such individuals under this chapter:

(a) Payment of benefits under this chapter shall not be made to any individual for any week of unemployment:

(i) During which he or she fails to accept any offer of suitable work, as defined in subsection (2)(c) of this section, or fails to apply for any suitable work to which he or she was referred by the department; or

(ii) During which he or she fails to actively engage in seeking work.

(b) If any individual is ineligible for benefits for any week by reason of a failure described in subsection (2)(a)(i) ~~((or (2)(a)(ii)))~~ of this section, the individual shall be ineligible to receive benefits for any week which begins during a period which:

(i) Begins with the week following the week in which such failure occurs; and

(ii) Does not end until such individual has obtained bona fide work and earned wages of not less than his or her suspended weekly benefit amount in each of five calendar weeks.

(c) For purposes of this section, the term 'suitable work' means, with respect to any individual, any work which is within such individual's capabilities and which does not involve conditions described in RCW 50.20.110.

(d) Benefits shall not be denied under subsection (2)(a)(i) of this section to any individual for any week by reason of a failure to accept an offer of, or apply for, suitable work if:

(i) The gross average weekly remuneration payable to such individual for the position does not exceed the sum of:

(A) The individual's weekly benefit amount, as determined under RCW 50.20.120, for his or her benefit year; plus

(B) The amount (if any) of supplemental unemployment compensation benefits (as defined in section 501(c)(17)(D) of the Internal Revenue Code of 1954, 26 U.S.C. Sec. 501(c)(17)(D)), payable to such individual for such week;

(ii) The position was not offered to such individual in writing and was not listed with the department;

(iii) Such failure would not result in a denial of benefits under the provisions of RCW 50.20-.080 and 50.20.100 to the extent such provisions are not inconsistent with the provisions of subsections (2)(c) and (2)(e) of this section; or

(iv) The position pays wages less than the higher of:

(A) The minimum wage provided by section (6)(a)(1) of the Fair Labor Standards Act of 1938, without regard to any exemption; or

(B) Any applicable state or local minimum wage.

(e) For purposes of this section, an individual shall be treated as actively engaged in seeking work during any week if:

(i) The individual has engaged in a systematic and sustained effort to obtain work during such week, which has included at least five employer contacts: PROVIDED, That if the department determines that economic conditions within a designated labor market area make it unlikely that individuals will be able to fulfill the requirement of five employer contacts per week, then the department shall designate an appropriate number of required contacts for individuals within such labor market area: PROVIDED FURTHER, That if the department makes such a determination, then it shall report the determination, the newly-established number of employer contacts required within the designated labor market area, and supporting documentation for these actions, to the governor and the respective chairpersons of the house committee on labor and the senate committee on commerce and labor;

(ii) The individual provides tangible evidence to the department that he or she has engaged in such an effort during such week. Such evidence shall include information supplied by the individual on forms developed by the department which also provide for employer signature to verify work search contacts and comments regarding the individual's preparedness for immediate work.

(f) The department shall refer applicants to any suitable work to which subsections (2)(d)(i) through (2)(d)(iv) of this section would not apply. To the extent possible, the department shall provide each applicant with five referrals each week. A referral shall serve as one of the employer contacts required in subsection (2)(e)(i) of this section.

(3) This section shall not apply to an individual who earned wages in covered employment in at least eighty hours in each calendar quarter of the individual's base period, nor shall it apply to an individual who during the first half of the determination period performed work and earned wages for services not considered to be covered employment in Washington.

NEW SECTION. Sec. 4. Sections 1 and 2 of this act are each added to chapter 50.20 RCW.

NEW SECTION. Sec. 5. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

NEW SECTION. Sec. 6. This act is necessary for the immediate preservation of the public peace, health, and safety, the support of the state government and its existing public institutions, and shall take effect July 1, 1985."

ESSB 3717

Prime Sponsor, Committee on Ways & Means: Modifying provisions relating to retirement systems. Reported by Committee on Ways & Means

MAJORITY recommendation: Do pass with the following amendments:

Strike everything after the enacting clause and insert the following:

NEW SECTION. Sec. 1. As expressed in RCW 41.26.270, the intent of the legislature in enacting the law enforcement officers' and fire fighters' retirement system was to provide in RCW 41.26.120 a statute in the nature of a workers' compensation act which provides compensation to employees for personal injuries or sickness incurred in the course of employment. The sole purpose of sections 2 through 6 of this act is to clarify that intent.

Sec. 2, Section 12, chapter 209, Laws of 1969 ex. sess. as last amended by section 2, chapter 294, Laws of 1981 and RCW 41.26.120 are each amended to read as follows:

Any member, regardless of his age or years of service may be retired by the disability board, subject to approval by the director as hereinafter provided, for any disability incurred in the line of duty which has been continuous since his discontinuance of service and which renders him unable to continue his service (~~(whether incurred in the line of duty or not)~~). No disability retirement allowance shall be paid until the expiration of a period of six months after the discontinuance of service during which period the member, if found to be physically or mentally unfit for duty by the disability board following receipt of his application for disability retirement, shall be granted a disability leave by the disability board and shall receive an allowance equal to his full monthly salary and shall continue to receive all other benefits provided to active employees from his employer for such period. However, if, at any time during the initial six-month period, the disability board finds the beneficiary is no longer disabled, his disability leave allowance shall be canceled and he shall be restored to duty in the same rank or position, if any, held by the beneficiary at the time he became disabled. Applications for disability retirement shall be processed in accordance with the following procedures:

(1) Any member who believes he is or is believed to be physically or mentally disabled shall be examined by such medical authority as the disability board shall employ, upon application of said member, or a person acting in his behalf, stating that said member is disabled, either physically or mentally; PROVIDED, That no such application shall be considered unless said member or someone in his behalf, in case of the incapacity of a member, shall have filed the application within a period of one year from and after the discontinuance of service of said member.

(2) If the examination shows, to the satisfaction of the disability board, that the member is physically or mentally disabled from the further performance of duty, that such disability was incurred in the line of duty, and that such disability has been continuous from the discontinuance of service, the disability board shall enter its written decision and order, accompanied by appropriate findings of fact and by conclusions evidencing compliance with this chapter as now or hereafter amended, granting the member a disability retirement allowance; otherwise, if the member is not found by the disability board to be so disabled, the application shall be denied pursuant to a similar written decision and order, subject to appeal to the director in accordance with RCW 41.26.200; PROVIDED, That in any order granting a duty disability retirement allowance, the disability board shall make a finding (~~(of whether or not)~~) that the disability was incurred in line of duty.

(3) Every order of a disability board granting a duty disability retirement allowance shall forthwith be reviewed by the director except the finding (~~(of whether)~~) that the disability was incurred in the line of duty. The director may affirm the decision of the disability board or remand the case for further proceedings if the director finds the disability board's findings, inferences, conclusions, or decisions are:

- (a) In violation of constitutional provisions; or
- (b) In excess of the statutory authority or jurisdiction of the disability board; or
- (c) Made upon unlawful procedure; or
- (d) Affected by other error of law; or
- (e) Clearly erroneous in view of the entire record as submitted and the public policy contained in this chapter; or
- (f) Arbitrary or capricious.

(4) Every member who can establish, to the disability board, that he is physically or mentally disabled from the further performance of duty, that such disability was incurred in the line of duty, and that such disability will be in existence for a period of at least six months may waive the six-month period of disability leave and be immediately granted a duty disability retirement allowance, subject to the approval of the director as provided in subsection (3) above.

NEW SECTION. Sec. 3. A new section is added to chapter 41.26 RCW to read as follows:

Any member, regardless of age or years of service, may be retired by the disability board, subject to approval by the director as provided in this section, for any disability not incurred in the line of duty which has been continuous since discontinuance of service and which renders the member unable to continue service. No disability retirement allowance may be paid until the expiration of a period of six months after the discontinuance of service during which period the member, if found to be physically or mentally unfit for duty by the disability board following receipt of the member's application for disability retirement, shall be granted a disability leave by the disability board and shall receive an allowance equal to the member's full monthly salary and shall continue to receive all other benefits provided to active employees from the member's employer for the period. However, if, at any time during the initial six-month period, the disability board finds the beneficiary is no longer disabled, the disability leave allowance shall be canceled and the member shall be restored to duty in the same rank or position, if any, held by the member at the time the member became disabled. Applications for disability retirement shall be processed in accordance with the following procedures:

(1) Any member who believes he or she is, or is believed to be, physically or mentally disabled shall be examined by such medical authority as the disability board shall employ, upon application of the member, or a person acting in the member's behalf, stating that the member is disabled, either physically or mentally: PROVIDED, That no such application shall be considered unless the member or someone acting in the member's behalf, in case of the incapacity of a member, has filed the application within a period of one year from and after the discontinuance of service of the member.

(2) If the examination shows, to the satisfaction of the disability board, that the member is physically or mentally disabled from the further performance of duty, that such disability was not incurred in the line of duty, and that such disability had been continuous from the discontinuance of service, the disability board shall enter its written decision and order, accompanied by appropriate findings of fact and by conclusions evidencing compliance with this chapter, granting the member a disability retirement allowance. Otherwise, if the member is not found by the disability board to be so disabled, the application shall be denied pursuant to a similar written decision and order, subject to appeal to the director in accordance with RCW 41.26.200: PROVIDED, That in any order granting a nonduty disability retirement allowance, the disability board shall make a finding that the disability was not incurred in the line of duty.

(3) Every order of a disability board granting a nonduty disability retirement allowance shall forthwith be reviewed by the director except the finding that the disability was not incurred in the line of duty. The director may affirm the decision of the disability board or remand the case for further proceedings if the director finds the disability board's findings, inferences, conclusions, or decisions are:

- (a) In violation of constitutional provisions; or
- (b) In excess of the statutory authority or jurisdiction of the disability board; or
- (c) Made upon unlawful procedure; or
- (d) Affected by other error of law; or
- (e) Clearly erroneous in view of the entire record as submitted and the public policy contained in this chapter; or
- (f) Arbitrary or capricious.

(4) Every member who can establish to the disability board that the member is physically or mentally disabled from the further performance of duty, that such disability was not incurred in the line of duty, and that such disability will be in existence for a period of at least six months, may waive the six-month period of disability leave and be immediately granted a nonduty disability retirement allowance, subject to the approval of the director as provided in subsection (3) of this section.

Sec. 4. Section 14, chapter 257, Laws of 1971 ex. sess. and RCW 41.26.270 are each amended to read as follows:

The legislature of the state of Washington hereby declares that the relationship between members of the law enforcement officers' and fire fighters' retirement system and their governmental employers is similar to that of workmen to their employers and that the sure and certain relief granted by this chapter is desirable, and as beneficial to such law enforcement officers and fire fighters as workmen's compensation coverage is to persons covered by Title 51 RCW. The legislature further declares that removal of law enforcement officers and fire fighters from workmen's compensation coverage under Title 51 RCW necessitates the (1) continuance of sure and certain relief for personal injuries incurred in the course of employment or occupational disease, which the legislature finds to be accomplished by the provisions of this chapter and (2) protection for the governmental employer from actions at law; and to this end the legislature further declares that the benefits and remedies conferred by this chapter upon law enforcement officers and fire fighters covered hereunder, shall be to the exclusion of any other remedy, proceeding, or compensation for personal injuries or sickness, caused by the governmental employer except as otherwise provided by this chapter; and to that end all civil actions and civil causes of actions by such law enforcement officers and fire fighters against their governmental employers for personal injuries or sickness are hereby abolished, except as otherwise provided in this chapter.

Sec. 5. Section 18, chapter 294, Laws of 1977 ex. sess. as amended by section 1, chapter 249, Laws of 1979 ex. sess. and RCW 41.26.005 are each amended to read as follows:

After receiving approval of the members of the appropriate board, such rules shall become effective as provided by the administrative procedure act, chapter 34.04 RCW.

(4) Each retirement board shall continue to perform all functions as are vested in it by law with respect to applications for benefits paid upon either temporary or permanent disability, with such staff assistance from the department as may be required. The director shall perform those functions with respect to disability benefits as are vested in him or her by RCW 41.26.120, section 3 of this 1985 act, and 41.26.200.

NEW SECTION. Sec. 7. The provisions of sections 2 through 6 of this act apply retrospectively to all disability leave and disability retirement allowances granted under chapter 41.26 RCW on or after March 1, 1970.

Sec. 8. Section 57, chapter 80, Laws of 1947 as last amended by section 5, chapter 151, Laws of 1967 and RCW 41.32.570 are each amended to read as follows:

Any retired teacher who enters service in any public educational institution in Washington state shall cease to receive pension payments while engaged in such service: PROVIDED, That service may be rendered up to seventy-five days per school year without reduction of pension.

NEW SECTION. Sec. 9. A new section is added to chapter 41.32 RCW to read as follows:

Section 8 of this act shall apply to all persons governed by the provisions of RCW 41.32.005, regardless of the date of their retirement, but shall apply only to benefits payable after the effective date of this act.

Sec. 10. Section 21, chapter 274, Laws of 1947 as last amended by section 3, chapter 18, Laws of 1982 and RCW 41.40.200 are each amended to read as follows:

(1) Subject to the provisions of RCW 41.40.310 and 41.40.320, upon application of a member, or his or her employer, a member who becomes totally incapacitated for duty as the natural and proximate result of an accident occurring in the actual performance of duty or who becomes totally incapacitated for duty and qualifies to receive benefits under Title 51 RCW as a result of an occupational disease, as now or hereafter defined in RCW 51.08.140, while in the service of an employer, without wilful negligence on his or her part, shall be retired: PROVIDED, The medical adviser after a medical examination of such member made by or under the direction of the said medical adviser shall certify in writing that such member is mentally or physically totally incapacitated for the further performance of his or her duty ((to his employer)) and that such member should be retired: PROVIDED FURTHER, That the ((retirement board)) director concurs in the recommendation of the medical adviser: AND PROVIDED FURTHER, No application shall be valid or a claim thereunder enforceable unless, in the case of an accident, filed within two years after the date upon which the injury occurred, or in the case of an occupational disease, filed within two years after the member separated from service with the employer.

(2) The retirement for disability of a judge, who is a member of the retirement system, by the supreme court under Article IV, section 31 of the Constitution of the state of Washington (House Joint Resolution No. 37, approved by the voters November 4, 1980), with the concurrence of the ((retirement board)) director, shall be considered a retirement under subsection (1) of this section.

Sec. 11. Section 38, chapter 274, Laws of 1947 as last amended by section 22, chapter 52, Laws of 1982 1st ex. sess. and RCW 41.40.370 are each amended to read as follows:

(1) The director shall ascertain and report to each employer the contribution rates necessary to meet present and future pension liabilities of the system for the ensuing biennium or fiscal year, whichever is applicable. The amount to be so provided shall be computed by applying the rates of contribution as established by RCW 41.40.361 or 41.40.650 to an estimate of the total compensation earnable of all the said employer's members during the period for which provision is to be made.

(2) Beginning April 1, 1949, or October 1, 1977, as the case may be, the amount to be collected as the employer's contribution shall be computed by applying the applicable rates established by RCW 41.40.361 or 41.40.650 to the total compensation earnable of employer's members as shown on the current payrolls of the said employer. Each said employer shall compute at the end of each month the amount due for that month and the same shall be paid as are its other obligations.

(3) In the event of failure, for any reason, of an employer other than a political subdivision of the state to have remitted amounts due for membership service of any of the employer's members rendered during a prior biennium, the director shall bill such employer ((through the director of financial management)) for such employer's contribution together with such charges as the director deems appropriate in accordance with RCW 41.50.120. Such billing

shall be paid by the employer as, and the same shall be, a proper charge against any moneys available or appropriated to such employer for payment of current biennial payrolls.

Sec. 12. Section 22, chapter 105, Laws of 1975-'76 2nd ex. sess. and RCW 44.44.040 are each amended to read as follows:

The state actuary shall have the following powers and duties:

(1) Perform all actuarial services for the department of retirement systems, including all studies required by law. Reimbursement for such services shall be made to the state actuary pursuant to the provisions of RCW 39.34.130 as now or hereafter amended.

(2) Advise the legislature and the governor regarding the benefit provisions, funding policies, and investment policies of the department of retirement systems.

(3) Consult with the legislature and the governor concerning determination of actuarial assumptions used by the department of retirement systems.

(4) Prepare a report, to be known as the actuarial fiscal note, on each pension bill introduced in the legislature which ((shall)) briefly explains the financial impact of the bill. The actuarial fiscal note shall include: (a) The statutorily required contribution for the biennium and the following twenty-five years; (b) the biennial cost of the increased benefits if these exceed the required contribution; and (c) any change in the present value of the unfunded accrued benefits. An actuarial fiscal note shall also be prepared for all amendments which are offered in committee or on the floor of the house of representatives or the senate to any pension bill.

(5) Provide such actuarial services to the legislature as may be requested from time to time.

Sec. 13. Section 6, chapter 294, Laws of 1977 ex. sess. as amended by section 10, chapter 184, Laws of 1984 and RCW 41.26.450 are each amended to read as follows:

The required contribution rates to the retirement system for members, employers, and the state of Washington shall be established by the director from time to time as may be necessary upon the advice of the state actuary.

The member, the employer and the state shall each contribute the following shares of the cost of the retirement system:

Member	50%
Employer	30%
State	20%

Effective January 1, 1986, however, no contributions are required for any calendar month in which the member is not granted service credit.

Any adjustments in contribution rates required from time to time for future costs shall likewise be shared proportionally by the members, employers, and the state: PROVIDED, That the costs of amortizing the unfunded supplemental present value of the retirement system, in existence on September 30, 1977, shall be borne in full by the state.

Any increase in the contribution rate required as the result of a failure of the state or of an employer to make any contribution required by this section shall be borne in full by the state or by that employer not making the contribution.

The director shall notify all employers of any pending adjustment in the required contribution rate and such increase shall be announced at least thirty days prior to the effective date of the change.

Members' contributions required by this section shall be deducted from the members basic salary each payroll period. The members contribution and the employers contribution shall be remitted directly to the department within fifteen days following the end of the calendar month during which the payroll period ends.

Until such time as the director shall establish other rates, members, employers of such members, and the state shall each contribute the following percentages of basic salary:

Member	8.14%
Employer	4.88%
State	3.28%

In addition, the state shall initially contribute an additional twenty percent of basic salary per member to amortize the unfunded supplemental present value of the retirement system in effect on September 30, 1977.

Sec. 14. Section 11, chapter 14, Laws of 1963 ex. sess. as last amended by section 1, chapter 236, Laws of 1984 and RCW 41.32.401 are each amended to read as follows:

(1) For the purpose of establishing and maintaining an actuarial reserve adequate to meet present and future liabilities of the system and to pay for an equitable portion of the operating expenses of the department, the director shall determine the necessary contribution rates to be made by each employer on all members' total earnable compensation on the basis of the latest valuation prepared by the state actuary, and shall include a percentage contribution of the total earnable compensation, to be known as the 'normal contribution' and an additional percentage contribution of such earnable compensation, to be known as the 'unfunded liability contribution.' The director shall notify employers of such rates at least thirty days prior to their effective date. Such determination shall provide for amortization of unfunded retirement system liabilities over a period of not more than fifty years from July 1, 1964. The legislature shall appropriate to the superintendent of public instruction the full amount recommended by the

state actuary for the employer contribution rates for state funded certificated staff. The amounts shall be deposited in the teachers' retirement fund for the payment of pensions, survivors' benefits, and the employer's share of the operating expenses for the system. However, a school district for the 1985-86 school year shall not be required to pay to the department of retirement systems for the employer contribution to the teachers' retirement system, any amount in excess of the funds received by such school district from the state through the office of the superintendent of public instruction for such purpose, and for the 1986-87 school year and thereafter, a school district shall not be required to pay at a rate exceeding the rate that the director sets for the employer contribution for each employee. Effective January 1, 1986, however, no contributions will be required for the calendar months in which the member is not granted service credit if the member or employee first established membership on or after October 1, 1977.

(2) In order to equitably reimburse the department of retirement systems expense fund, the director shall ascertain and report to each employer the contribution rate necessary to defray its proportional share of the cost of administering this chapter during either the next biennium or fiscal year, whichever is required to provide the amounts needed to defray such cost of administration. The director shall also ascertain at the beginning of either each biennium or each fiscal year, whichever is required, and request from the legislature an appropriation for the department of retirement systems expense fund sufficient to cover estimated expenses for the biennium or fiscal year.

Sec. 15. Section 6, chapter 293, Laws of 1977 ex. sess. as amended by section 11, chapter 184, Laws of 1984 and RCW 41.32.775 are each amended to read as follows:

The required contribution rates to the retirement system for both members and employers shall be established by the director from time to time as may be necessary upon the advice of the state actuary: PROVIDED, That the employer contribution shall be contributed as provided in RCW 41.32.401.

Contribution rates required to fund the costs of the retirement system shall always be equal for members and employers, except as herein provided. Effective January 1, 1986, however, no contribution is required for any calendar month in which the member is not granted service credit. Any adjustments in contribution rates required from time to time for future costs shall likewise be shared equally by the members and employers: PROVIDED, That the costs of amortizing the unfunded supplemental present value of the retirement system, in existence on September 30, 1977, shall be borne in full by the employers.

Any increase in the contribution rate required as the result of a failure of an employer to make any contribution required by this section shall be borne in full by the employer not making the contribution.

The director shall notify all employers of any pending adjustment in the required contribution rate and such increase shall be announced at least thirty days prior to the effective date of the change.

Members contributions required by this section shall be deducted from the members earnable compensation each payroll period. The members contribution shall be remitted directly to the department within fifteen days following the end of the calendar month during which the payroll period ends and the employers contribution shall be remitted as provided by law.

Until such time as the director shall establish other rates, members and employers of such members shall each contribute 5.66% of earnable compensation: PROVIDED, That employers shall initially contribute an additional 5.80% of earnable compensation per member to amortize the unfunded supplemental present value of the retirement system in effect on September 30, 1977.

Sec. 16. Section 34, chapter 274, Laws of 1947 as last amended by section 12, chapter 190, Laws of 1973 1st ex. sess. and RCW 41.40.330 are each amended to read as follows:

(1) Each employee who is a member of the retirement system shall contribute five percent of his total compensation earnable: PROVIDED, HOWEVER, That a retirement system expense fund contribution of two dollars and fifty cents per annum shall be transferred in semiannual payments of one dollar and twenty-five cents from each employee account balance in the employees' savings fund to the department of retirement systems expense fund account, as set forth in this section. On and after July 1, 1973, each employee who is a member of the retirement system shall contribute six percent of his total compensation earnable. Effective January 1, 1986, however, no contributions are required for any calendar month in which the member is not granted service credit. The officer responsible for making up the payroll shall deduct from the compensation of each member, on each and every payroll of such member for each and every payroll period subsequent to the date on which he became a member of the retirement system the contribution as provided by this section.

(2) Any member may, pursuant to regulations formulated from time to time by the board, provide for himself, by means of an increased rate of contribution to his account in the employees' savings fund, an increased prospective retirement allowance pursuant to RCW 41.40.190 and 41.40.185.

(3) The officer responsible for making up the payroll shall deduct from the compensation of each member covered by the provisions of RCW 41.40.190(5) and 41.40.185(4) on each and every payroll of such member for each and every payroll period subsequent to the date on

which he thereafter becomes a member of the retirement system, an amount equal to seven and one-half percent of such member's compensation earnable.

Sec. 17. Section 4, chapter 231, Laws of 1957 as last amended by section 13, chapter 190, Laws of 1973 1st ex. sess. and RCW 41.40.361 are each amended to read as follows:

(1) For the purpose of this section, the 'fundable employer liability' at any date shall be the present value of

(a) all future pension benefits payable in respect of all members in the retirement system at that date, and

(b) all future benefits in respect of beneficiaries then receiving retirement allowances or pensions.

(2) The contributions by the employer for benefits under the retirement system shall consist of the sum of a percentage of the compensation of members to be known as the 'normal contribution', a percentage of such compensation to be known as the 'unfunded liability contribution' and in the case of employers admitted to the retirement system after April 1, 1949, a percentage of such compensation to be known as the 'additional contribution'. The rates of such contributions shall be determined by the retirement board on the basis of assets and liabilities as shown by actuarial valuation: PROVIDED, That as to state employers effective July 1, 1973 the total combined contributions of the normal contribution and unfunded liability contribution shall not exceed a total combined percentage rate of seven percent for each employer unless authorized by the legislature.

(3) After the completion of each actuarial valuation subsequent to the first actuarial valuation of June 30, 1953, the retirement board shall determine the normal contribution rate and such contribution rate shall become effective in the ensuing biennium. In addition the board shall determine the additional employer contribution rate necessary to fund the benefits granted officials holding office pursuant to Articles II and III of the Constitution of the state of Washington and RCW 48.02.010. Said additional employer contribution rate shall be paid in the same manner as the normal contribution and the unfunded liability contribution. Until the unfunded liability contribution shall have been discontinued, such normal contribution rate shall be computed to be sufficient, when applied to the present value of the future compensation of the average new member entering the system, to provide for the payment of all prospective pension benefits in respect of such member. After the unfunded liability contributions have been discontinued, such normal contribution rate shall be determined as the uniform and constant percentage of the prospective compensation of all members of the retirement system at the date of such valuation which is equivalent to the excess of the fundable employer liability over the amount of funds currently standing to the credit of the benefit account fund.

(4) After the completion of each actuarial valuation subsequent to the first actuarial valuation of June 30, 1953, the retirement board shall determine the unfunded liability contribution, and such rate shall become effective in the ensuing biennium. The unfunded liability contribution rate shall ~~(not be less than the uniform and constant percentage of the prospective compensation of all members of the retirement system for the forty-year period following the date of such valuation which is equivalent to the unfunded liability)~~ be set at a percentage sufficient to provide for the amortization of unfunded retirement system liabilities over a period of not more than forty years from June 30, 1985. The unfunded liability shall be determined at such date as the excess of the fundable employer liability over the sum of the present value of the future normal contributions payable in respect of all members in the retirement system at that date, and the amount of all funds currently standing to the credit of the benefit account fund. The unfunded liability contributions shall continue until there remains no unfunded liability.

(5) Any employer admitted to the retirement system after April 1, 1949, shall make an additional contribution until such time as the sum of such additional contributions equals the amount of contributions which such employer and employee would have been required to contribute between April 1, 1949, and the date of such employer's admission to the retirement system: PROVIDED, That either the employee or employer may make the contributions the employee would have made during the same period of time: PROVIDED FURTHER, That all additional contributions hereunder and under the provisions of RCW 41.40.160(2) must be completed within fifteen years from the date of the employer's admission. Employee contributions for these periods must be made before the member will receive credit for those periods of service, pursuant to such regulations as the retirement board may adopt.

(6) For the biennium beginning July 1, 1971, and ending June 30, 1973, only, and notwithstanding any other provision of the chapter, the rate determined by the board for state employer contributions shall be only the percentage of compensation for members equal to the 'normal contribution' computed to be four and thirty-six one-hundredths percent of compensation.

Sec. 18. Section 38, chapter 274, Laws of 1947 as last amended by section 22, chapter 52, Laws of 1982 1st ex. sess. and RCW 41.40.370 are each amended to read as follows:

(1) The director shall ascertain and report to each employer the contribution rates necessary to meet present and future pension liabilities of the system for the ensuing biennium or fiscal year, whichever is applicable. The amount to be so provided shall be computed by

applying the rates of contribution as established by RCW 41.40.361 or 41.40.650 to an estimate of the total compensation earnable of all the said employer's members during the period for which provision is to be made.

(2) Beginning April 1, 1949, or October 1, 1977, as the case may be, the amount to be collected as the employer's contribution shall be computed by applying the applicable rates established by RCW 41.40.361 or 41.40.650 to the total compensation earnable of employer's members as shown on the current payrolls of the said employer, except no contributions are required for any calendar month in which the member is not granted service credit. Each said employer shall compute at the end of each month the amount due for that month and the same shall be paid as are its other obligations.

(3) In the event of failure, for any reason, of an employer other than a political subdivision of the state to have remitted amounts due for membership service of any of the employer's members rendered during a prior biennium, the director shall bill such employer through the director of financial management for such employer's contribution together with such charges as the director deems appropriate in accordance with RCW 41.50.120. Such billing shall be paid by the employer as, and the same shall be, a proper charge against any moneys available or appropriated to such employer for payment of current biennial payrolls.

Sec. 19. Section 6, chapter 295, Laws of 1977 ex. sess. as amended by section 12, chapter 184, Laws of 1984 and RCW 41.40.650 are each amended to read as follows:

The required contribution rates to the retirement system for both members and employers shall be established by the director from time to time as may be necessary upon the advice of the state actuary.

Contribution rates required to fund the costs of the retirement system shall always be equal for members and employers, except as herein provided. Effective January 1, 1986, however, no contribution is required for any calendar month in which the member is not granted service credit. Any adjustments in contribution rates required from time to time for future costs shall likewise be shared equally by the members and employers: PROVIDED, That the costs of amortizing the unfunded supplemental present value of the retirement system, in existence on September 30, 1977, shall be borne in full by the employers.

Any increase in the contribution rate required as the result of a failure of an employer to make any contribution required by this section shall be borne in full by the employer not making the contribution.

The director shall notify all employers of any pending adjustment in the required contribution rate and such increase shall be announced at least thirty days prior to the effective date of the change.

Members contributions required by this section shall be deducted from the members compensation earnable each payroll period. The members contribution and the employers contribution shall be remitted directly to the department within fifteen days following the end of the calendar month during which the payroll period ends.

Until such time as the director shall establish other rates, members and employers of such members shall each contribute 5.51% of compensation earnable: PROVIDED, That employers shall initially contribute an additional one and one-half percent of compensation earnable per member to amortize the unfunded supplemental present value of the retirement system in effect on September 30, 1977.

**NEW SECTION.** Sec. 20. A new section is added to chapter 41.26 RCW to read as follows:

(1) A disabled member who believes that his or her disability has ceased in accordance with RCW 41.26.130(3) may make application to the disability board which originally found the member to be disabled, for a determination that the disability has ceased.

(2) Every order of a disability board determining that a member's disability has ceased pursuant to RCW 41.26.130(3) shall forthwith be reviewed by the director. The director may affirm the decision of the disability board or remand the case for further proceedings if the director finds the disability board's findings, inferences, conclusions, or decisions are:

- (a) In violation of constitutional provisions; or
  - (b) In excess of the statutory authority or jurisdiction of the disability board; or
  - (c) Made upon unlawful procedure; or
  - (d) Affected by other error of law; or
  - (e) Clearly erroneous in view of the entire record as submitted and the public policy contained in this chapter; or
  - (f) Arbitrary or capricious.
- (3) Determinations of whether a disability has ceased under RCW 41.26.130(3) and this section shall be made in accordance with the same procedures and standards governing other cancellations of disability retirement.

Sec. 21. Section 14, chapter 209, Laws of 1969 ex. sess. as last amended by section 4, chapter 294, Laws of 1981 and RCW 41.26.140 are each amended to read as follows:

(1) Upon the basis of reexaminations of members on disability retirement as provided in RCW 41.26.130, the disability board shall determine whether such disability beneficiary is still unable to perform his duties either physically or mentally for service in the department where he was employed.

(2) If the disability board shall determine that the beneficiary is not so incapacitated his retirement allowance shall be canceled and he shall be restored to duty in the same civil service rank, if any, held by the beneficiary at the time of his retirement or if unable to perform the duties of said rank, then, at his request, in such other like or lesser rank as may be or become open and available, the duties of which he is then able to perform. (a) Any business entity, including any corporation, partnership, association, or trust, that engages in commercial activity for profit: PROVIDED, That there shall be excluded from this category any such business entity that is organized under the laws of any state or the United States, is majority-owned by United States citizens or residents, and has total assets, including assets of majority owned subsidiaries, of less than one million five hundred thousand dollars as of the date of the initial deposit;

ESSB 3798

Prime Sponsor, Committee on Ways & Means: Providing for the financing of local public works. Reported by Committee on Ways & Means

MAJORITY recommendation: Do pass with the following amendments:

Strike everything after the enacting clause and insert the following:

**\*NEW SECTION. Sec. 1. LEGISLATIVE FINDINGS AND POLICY.** The legislature finds that there exists in the state of Washington over four billion dollars worth of critical projects for the planning, acquisition, construction, repair, replacement, rehabilitation, or improvement of streets and roads, bridges, water systems, and storm and sanitary sewage systems. The December, 1983 Washington state public works report prepared by the planning and community affairs

agency documented that local governments expect to be capable of financing over two billion dollars worth of the costs of those critical projects but will not be able to fund nearly half of the documented needs. It is the policy of the state of Washington to encourage self-reliance by local governments in meeting their public works needs and to assist in the financing of critical public works projects by making loans, financing guarantees, and technical assistance available to local governments for these projects.

**NEW SECTION. Sec. 2. DEFINITIONS.** Unless the context clearly requires otherwise, the definitions in this section shall apply throughout this chapter.

(1) 'Board' means the public works board created in section 3 of this act.

(2) 'Department' means the department of community development.

(3) 'Financing guarantees' means the pledge of money in the public works assistance account, or money to be received by the public works assistance account, to the repayment of all or a portion of the principal of or interest on obligations issued by local governments to finance public works projects.

(4) 'Local governments' means cities, towns, counties, special purpose districts, and any other municipal corporations or quasi-municipal corporations in the state excluding school districts and port districts.

(5) 'Public works project' means a project of a local government for the planning, acquisition, construction, repair, reconstruction, replacement, rehabilitation, or improvement of streets and roads, bridges, water systems, or storm and sanitary sewage systems.

(6) 'Technical assistance' means training and other services provided to local governments to (a) help such local governments plan, apply, and qualify for loans and financing guarantees from the board and (b) help local governments improve their ability to plan for, finance, acquire, construct, repair, replace, rehabilitate, and maintain public facilities.

**NEW SECTION. Sec. 3. PUBLIC WORKS BOARD CREATED.** (1) The public works board is hereby created.

(2) The board shall be composed of thirteen members appointed by the governor for terms of four years, except that five members initially shall be appointed for terms of two years. The board shall include: (a) Three members, two of whom shall be elected officials and one shall be a public works manager, appointed from a list of at least six persons nominated by the association of Washington cities or its successor; (b) three members, two of whom shall be elected officials and one shall be a public works manager, appointed from a list of at least six persons nominated by the Washington state association of counties or its successor; (c) three members appointed from a list of at least six persons nominated jointly by the Washington state association of water districts, the Washington public utility districts association, and the Washington state association of sewer districts or their successors; and (d) four members appointed from the general public. In appointing the four general public members, the governor shall endeavor to balance the geographical composition of the board and to include members with special expertise in relevant fields such as public finance, architecture and civil engineering, and public works. The governor shall appoint one of the general public members of the board as chair. The term of the chair shall coincide with the term of the governor.

(3) Staff support to the board shall be provided by the department.

(4) Members of the board shall receive no compensation but shall be reimbursed for travel expenses under RCW 43.03.050 and 43.03.060.

(5) If a vacancy on the board occurs by death, resignation, or otherwise, the governor shall fill the vacant position for the unexpired term. Each vacancy in a position appointed from lists provided by the associations under subsection (2) of this section shall be filled from a list of at least three persons nominated by the relevant association or associations. Any members of the board, appointive or otherwise, may be removed by the governor for cause in accordance with RCW 43.06.070 and 43.06.080.

**NEW SECTION. Sec. 4. GENERAL POWERS OF THE BOARD.** The board may:

(1) Accept from any state or federal agency, loans or grants for the planning or financing of any public works project and enter into agreements with any such agency concerning the loans or grants;

(2) Provide technical assistance to local governments;

(3) Accept any gifts, grants, or loans of funds, property, or financial or other aid in any form from any other source on any terms and conditions which are not in conflict with this chapter;

(4) Adopt rules under chapter 34.04 RCW as necessary to carry out the purposes of this chapter;

(5) Do all acts and things necessary or convenient to carry out the powers expressly granted or implied under this chapter.

**NEW SECTION. Sec. 5. PUBLIC WORKS FINANCING POWERS.** In order to aid the financing of public works projects, the board may:

(1) Make market rate or low interest loans to local governments from the public works assistance account or other funds and accounts for the purpose of assisting local governments in financing public works projects. The board may require such terms and conditions and may charge such rates of interest on its loans as it deems necessary or convenient to carry out the

purposes of this chapter. Money received from local governments in repayment of loans made under this section shall be paid into the public works assistance account for uses consistent with this chapter.

(2) Pledge money in the public works assistance account, or money to be received by the public works assistance account, to the repayment of all or a portion of the principal of or interest on obligations issued by local governments to finance public works projects. The board shall not pledge any amount greater than the sum of money in the public works assistance account plus money to be received from the payment of the debt service on loans made from that account, nor shall the board pledge the faith and credit or the taxing power of the state or any agency or subdivision thereof to the repayment of obligations issued by any local government.

(3) Create such subaccounts in the public works assistance account as the board deems necessary to carry out the purposes of this chapter.

(4) Provide a method for the allocation of loans and financing guarantees and the provision of technical assistance under this chapter.

All local public works projects aided in whole or in part under the provisions of this chapter shall be put out for competitive bids. The competitive bids called for shall be administered in the same manner as all other public works projects put out for competitive bidding by the local governmental entity aided under this chapter.

NEW SECTION, Sec. 6. ELIGIBILITY AND PRIORITY. (1) To qualify for loans or pledges under this chapter the board must determine that a local government meets all of the following conditions:

(a) The local government must be imposing a tax under chapter 82.46 RCW at a rate of at least one-quarter of one percent;

(b) The local government must have developed a long-term plan for financing public works needs; and

(c) The local government must be using all local revenue sources which are reasonably available for funding public works, taking into consideration local employment and economic factors.

(2) The board shall develop a priority process for public works projects as provided in this section. The intent of the priority process is to maximize the value of public works projects accomplished with assistance under this chapter. The board shall attempt to assure a geographical balance in assigning priorities to projects. The board shall consider at least the following factors in assigning a priority to a project:

(a) Whether the project is located in an area of high unemployment, compared to the average state unemployment;

(b) Whether the local government receiving assistance has experienced severe fiscal distress resulting from natural disaster or emergency public works needs;

(c) Whether the project is critical in nature and would affect the health and safety of a great number of citizens;

(d) The cost of the project compared to the size of the local government and amount of loan money available;

(e) The number of communities served by or funding the project; and

(f) Other criteria that the board considers advisable.

(5) Existing debt or financial obligations of local governments shall not be refinanced under this chapter. Each local government applicant shall provide documentation of attempts to secure additional local or other sources of funding for each public works project for which financial assistance is sought under this chapter.

(6) Before November 1 of each year, the board shall develop and submit to the ways and means committees of the senate and house of representatives a prioritized list of projects which are recommended for funding by the legislature. The list shall include, but not be limited to, a description of each project and recommended financing, the terms and conditions of the loan or financial guarantee, the local government jurisdiction and unemployment rate, demonstration of the jurisdiction's critical need for the project and documentation of local funds being used to finance the public works project. The list shall also include measures of fiscal capacity for each jurisdiction recommended for financial assistance, compared to authorized limits and state averages, including local government sales taxes; real estate excise taxes; property taxes; and charges for or taxes on sewerage, water, garbage, and other utilities.

(7) The board shall not sign contracts or otherwise financially obligate funds from the public works assistance account before the legislature has appropriated funds for a specific list of public works projects. The legislature may remove projects from the list recommended by the board. The legislature shall not change the order of the priorities recommended for funding by the board.

NEW SECTION, Sec. 7. PUBLIC WORKS ASSISTANCE ACCOUNT. The public works assistance account is hereby established in the general fund. Money may be placed in the public works assistance account from the proceeds of bonds when authorized by the legislature or from any other lawful source. Money in the public works assistance account shall be used to make loans and to give financial guarantees in accordance with this chapter.

**NEW SECTION.** Sec. 8. RECORDS, AUDITS, AND REPORTS. The board shall keep proper records of accounts and shall be subject to audit by the state auditor. Biennial reports on the activities of the board shall be made by the chair to the governor and the legislature.

Prime Sponsor, Committee on Commerce & Labor: Establishing a state fire protection board. Reported by Committee on State Government

MAJORITY recommendation: Do pass with the following amendments:

Strike everything after the enacting clause and insert the following:

**NEW SECTION.** Sec. 1. The legislature finds that fire protection services have lacked a comprehensive state-level focus. This has resulted in a lack of cooperation and coordination between local and state agencies. The purpose of this chapter is to create a broadly representative state board which will: (1) Advise and assist local fire protection agencies in program development without encroaching upon their historic autonomy; (2) centralize traditional state fire protection services under the jurisdiction of a single state board; and (3) advise the governor and the legislature on fire protection matters in this state.

**NEW SECTION.** Sec. 2. There is created the state fire protection board consisting of the following ten members appointed by the governor with the advice and consent of the senate:

(1) Three representatives of fire chiefs. At least one shall be from a fire department east of the Cascade mountains and at least one shall be from a fire department west of the Cascade mountains. One shall be from a fire protection district;

- (2) One insurance industry representative;
- (3) One representative of cities and towns;
- (4) One representative of counties;
- (5) Two full-time, paid, career fire fighters;
- (6) One volunteer fire fighter; and
- (7) One representative of fire commissioners.

The commissioner of public lands, the insurance commissioner, and the chairperson of the commission for vocational education, or their designees, are nonvoting ex officio members of the state fire protection board.

In making the appointments required under subsections (1) through (7) of this section, the governor shall (a) seek the advice of and consult with organizations involved in fire protection; and (b) ensure that racial minorities, women, and persons with disabilities are represented.

**NEW SECTION.** Sec. 3. Each voting member of the state fire protection board shall be appointed to a term of three years and until a successor is appointed and qualified. However, in making the initial appointments to the board, the governor shall stagger the terms of office by appointing three members to terms of one year, three members to terms of two years, and four members to terms of three years. In the case of a vacancy, the governor shall fill the unexpired term of the member whose office has become vacant. An office shall become vacant whenever a member ceases to be employed in the occupation the member was appointed to represent.

**NEW SECTION.** Sec. 4. Members of the state fire protection board shall be compensated in accordance with RCW 43.03.240. Members of the board shall be reimbursed for travel expenses under RCW 43.03.050 and 43.03.060.

**NEW SECTION.** Sec. 5. The governor shall select one member of the board to serve as chairperson. The board shall be convened at least six times annually at the call of the chairperson or a majority of the board. A majority of the board constitutes a quorum for the transaction of business.

**NEW SECTION.** Sec. 6. The state fire protection board shall:

(1) Establish suggested minimum standards with respect to physical requirements and education and training of fire service personnel;

(2) Establish suggested minimum standards for fire apparatus and equipment;

(3) Establish suggested minimum performance standards for all grades of fire service personnel;

(4) Adopt and implement a state fire protection master plan;

(5) Monitor fire protection in the state and develop objectives and priorities to improve fire protection for the state's citizens;

(6) Review the duties, responsibilities, and authority of state agencies and departments that deal with fire and life safety and make such recommendations to the governor and the legislature that will eliminate duplication and fragmentation of fire protection services;

(7) Establish and promote state arson control programs and encourage development of local arson control programs including formation of local and regional arson task forces;

(8) Represent fire protection services in all state level fire protection planning in matters such as, but not limited to, hazardous materials;

(9) Establish and promote programs of fire safety education for school systems and the public;

(10) Coordinate interaction between state agencies, federal fire protection agencies operating within the state, and political fire protection subdivisions of the state in matters pertinent to common concerns;

(11) Seek and solicit grants, gifts, bequests, devices, and matching funds for use in furthering the objectives and duties of the board, and establish procedures for administering them;

(12) When funds are available, make grants for use in pursuing the board's objectives;

(13) Promote mutual aid and disaster planning for fire services in this state;

(14) Disseminate within the state information concerning the amount of fire damage, including that damage caused by arson, and its causes and prevention;

(15) Make studies, reports, and recommendations to the governor and the legislature when requested or warranted; and

(16) Adopt such rules as necessary for the administration of this chapter.

This section does not apply to forest fire service personnel and programs.

(5) Cooperate with the common schools, the community colleges, the institutions of higher education, and any department or division of the state or of any county or municipal corporation, in establishing and maintaining instruction in fire service training and education in accordance with any act of congress and legislation enacted by the legislature in pursuance thereof, and in establishing, building, and operating training and education facilities;

(6) Administer the funds provided by the federal government and by the state under any federal or state acts for the promotion of fire service training and education;

(7) Adopt and implement a state fire training and education master plan; and

(8) Establish certification programs for fire service personnel available to any state or local governmental agency which elects to participate.

This section does not apply to forest fire service personnel and programs. Industrial fire departments and private fire investigators may participate in training and education programs under this chapter for a reasonable fee under rules established by the board.

NEW SECTION, Sec. 8. Any person who receives an adverse decision under this chapter may appeal that decision in accordance with chapter 34.04 RCW, the administrative procedure act.

(1) Any person, who offers or sells a security in violation of any provisions of RCW 21.20.010 or 21.20.140 through 21.20.230, is liable to the person buying the security from him or her, who may sue either at law or in equity to recover the consideration paid for the security, together with interest at eight percent per annum from the date of payment, costs, and reasonable attorneys' fees, less the amount of any income received on the security, upon the tender of the security, or for damages if he or she no longer owns the security. Damages are the amount that would be recoverable upon a tender less (a) the value of the security when the buyer disposed of it and (b) interest at eight percent per annum from the date of disposition.

(2) Any person who buys a security in violation of the provisions of RCW 21.20.010 is liable to the person selling the security to him or her, who may sue either at law or in equity to recover the security, together with any income received on the security, upon tender of the consideration received, costs, and reasonable attorneys' fees, or if the security cannot be recovered, for damages. No person may sue under this section if the buyer or seller receives a written rescission offer, which has been passed upon by the director before suit and at a time when he or she owned the security, to refund the consideration paid together with interest at eight percent per annum from the date of payment, less the amount of any income received on the security in the case of a buyer, or plus the amount of income received on the security in the case of a seller.

(1) When, in the opinion of the board of directors of any school district, the cost of any furniture, supplies, equipment, building, improvements, or repairs, or other work or purchases, except books, will equal or exceed the sum of ~~((ten))~~ twenty thousand dollars, complete plans and specifications for such work or purchases shall be prepared and notice by publication given in at least one newspaper of general circulation within the district, once each week for two consecutive weeks, of the intention to receive bids therefor and that specifications and other information may be examined at the office of the board or any other officially designated location: PROVIDED, That the board without giving such notice may make improvements or repairs to the property of the district through the shop and repair department of such district when the total of such improvements or repair does not exceed the sum of ~~((forty-five))~~ seventy-five hundred dollars. The cost of any public work, improvement or repair for the purposes of this section shall be the aggregate of all amounts to be paid for labor, material, and equipment on one continuous or interrelated project where work is to be performed simultaneously or in close sequence. The bids shall be in writing and shall be opened and read in public on the date and in the place named in the notice and after being opened shall be filed for public inspection.

(2) Every purchase of furniture, equipment or supplies, except books, the cost of which is estimated to be in excess of ~~((forty-five))~~ seventy-five hundred dollars, shall be on a competitive basis. The board of directors shall establish a procedure for securing telephone and/or written quotations for such purchases. All such projects estimated to be less than ~~((ten))~~ twenty thousand dollars may be awarded to a contractor on the small works roster. The small works roster shall be comprised of all responsible contractors who have requested to be on the list. The board of directors shall establish a procedure for securing telephone and/or written quotations from the contractors on the small works roster to assure establishment of a competitive price and for

awarding contracts to the lowest responsible bidder. Such procedure shall require that a good faith effort be made to request quotations from all contractors on the small works roster who have indicated the capability of performing the kind of public works being contracted. Immediately after an award is made, the bid quotations obtained shall be recorded, open to public inspection, and available by telephone inquiry. The small works roster shall be revised at least once each year by publishing notice of such opportunity in at least one newspaper of general circulation in the district. Responsible contractors shall be added to the list at any time they submit a written request. (13) Upon every person engaging within this state in the business of disposing of low-level waste, as defined in RCW 43.145.010; as to such persons the amount of the tax with respect to such business shall be equal to the gross income of the business, excluding any fees imposed under chapter 43.21F RCW, multiplied by the rate of thirty percent.

If the gross income of the taxpayer is attributable to activities both within and without this state, the gross income attributable to this state shall be determined in accordance with the methods of apportionment required under RCW 82.04.460.

(14) Upon every person engaging within this state as an insurance agent, insurance broker, or insurance solicitor licensed under chapter 48.17 RCW; as to such persons, the amount of the tax with respect to such licensed activities shall be equal to the gross income of such business multiplied by the rate of one percent.

Sec. 2. Section 82.04.270, chapter 15, Laws of 1961 as last amended by section 4, chapter 172, Laws of 1981 and RCW 82.04.270 are each amended to read as follows:

(1) Upon every person except persons taxable under subsections (1) or (8) of RCW 82.04.260 engaging within this state in the business of making sales at wholesale; as to such persons the amount of tax with respect to such business shall be equal to the gross proceeds of sales of such business multiplied by the rate of forty-four one-hundredths of one percent.

(2) The tax imposed by this section is levied and shall be collected from every person engaged in the business of distributing in this state articles of tangible personal property, owned by them from their own warehouse or other central location in this state to two or more of their own retail stores or outlets, where no change of title or ownership occurs, the intent hereof being to impose a tax equal to the wholesaler's tax upon persons performing functions essentially comparable to those of a wholesaler, but not actually making sales: PROVIDED, That the tax designated in this section may not be assessed twice to the same person for the same article. The amount of the tax as to such persons shall be computed by multiplying forty-four one-hundredths of one percent of the value of the article so distributed as of the time of such distribution(~~;- PROVIDED- That persons engaged in the activities described in this subsection shall not be liable for the tax imposed if by proper invoice it can be shown that they have purchased such property from a wholesaler who has paid a business and occupation tax to the state upon the same articles. This proviso shall not apply to purchases from manufacturers as defined in RCW 82.04.110~~)). The department of revenue shall prescribe uniform and equitable rules for the purpose of ascertaining such value, which value shall correspond as nearly as possible to the gross proceeds from sales at wholesale in this state of similar articles of like quality and character, and in similar quantities by other taxpayers: PROVIDED FURTHER, That delivery trucks or vans will not under the purposes of this section be considered to be retail stores or outlets.

NEW SECTION. Sec. 3. A new section is added to chapter 82.04 RCW to read as follows:

(1) For purposes of this chapter, 'wholesale sale,' 'sale at wholesale,' 'retail sale,' and 'sale at retail' do not include the sale of precious metal bullion or monetized bullion.

(2) In computing tax under this chapter on the business of making sales of precious metal bullion or monetized bullion, the tax shall be imposed on the amounts received as commissions upon transactions for the accounts of customers over and above the amount paid to other dealers associated in such transactions, but no deduction or offset is allowed on account of salaries or commissions paid to salesmen or other employees.

(3) For purposes of this section, 'precious metal bullion' means any elementary precious metal which has been put through a process of smelting or refining, including, but not limited to, gold, silver, platinum, rhodium, and palladium, and which is in such state or condition that its value depends upon its contents and not upon its form. For purposes of this section, 'monetized bullion' means coins or other forms of money manufactured from gold, silver, or other metals and heretofore, now, or hereafter used as a medium of exchange under the laws of this state, the United States, or any foreign nation, but does not include coins or money sold to be manufactured into jewelry or works of art.

NEW SECTION. Sec. 4. A new section is added to chapter 82.04 RCW to read as follows:

(1) In computing tax there may be deducted from the measure of tax amounts derived from sales of fuel for consumption outside the territorial waters of the United States, by vessels used primarily in foreign commerce.

(2) Nothing in this section shall be construed to imply that amounts which may be deducted under this section were taxable under Title 82 RCW prior to the enactment of this section.

Sec. 5. SECTION 1, chapter 98, Laws of 1980 as amended by section 5, chapter 284, Laws of 1983 and by section 180, chapter 46, Laws of 1983 1st ex. sess. and RCW 82.27.010 are each reenacted and amended to read as follows:

As used in this chapter, the following terms have the meanings indicated unless the context clearly requires otherwise.

(1) ~~((“Food fish and shellfish” has the meaning ascribed to it by RCW 75.08.011 and includes byproducts and also parts of food fish and shellfish, whether fresh, frozen, canned, or otherwise.))~~ ‘Enhanced food fish’ includes all species of food fish, shellfish, and anadromous game fish originating within the territorial and adjacent waters of Washington and salmon originating from within the territorial and adjacent waters of Oregon, Washington, and British Columbia, and all troll-caught Chinook salmon originating from within the territorial and adjacent waters of southeast Alaska. As used in this subsection, ‘adjacent’ waters of Oregon, Washington, and Alaska are those comprising the United States fish conservation zone; ‘adjacent’ waters of British Columbia are those comprising the Canadian two hundred mile exclusive economic zone; and ‘southeast Alaska’ means that portion of Alaska south and east of Cape Suckling to the Canadian border. For purposes of this chapter, point of origination is established by a document which identifies the product and state or province in which it originates, including, but not limited to fish tickets, bills of lading, invoices, or other documentation required to be kept by governmental agencies.

(2) ‘Commercial’ means related to or connected with buying, selling, bartering, or processing.

(3) ‘Possession’ means the control of ~~enhanced food fish((-shellfish, and anadromous game fish))~~ by the owner and includes both actual and constructive possession. Constructive possession occurs when the person has legal ownership but not actual possession of the enhanced food fish((-shellfish, or anadromous game fish)).

(4) ‘Anadromous game fish’ means steelhead trout and anadromous cutthroat trout and Dolly Varden char and includes byproducts and also parts of anadromous game fish, whether fresh, frozen, canned, or otherwise.

(5) ‘Landed’ means the act of physically placing enhanced food fish on any land within or without the state of Washington including wharves, piers, or any such extensions therefrom.

Sec. 6, Section 2, chapter 98, Laws of 1980 as last amended by section 17, chapter 3, Laws of 1983 2nd ex. sess. and RCW 82.27.020 are each amended to read as follows:

(1) In addition to all other taxes, licenses, or fees provided by law there is established an excise tax on the commercial possession of enhanced food fish((-shellfish, and anadromous game fish)) as provided in this chapter. The tax is levied upon and shall be collected from the owner of the enhanced food fish((-shellfish, or anadromous game fish)) whose possession constitutes the taxable event. The taxable event is the first possession in Washington by an owner ~~((after the food fish, shellfish, or anadromous game fish have been landed)).~~ Processing and handling of enhanced food fish((-shellfish, and anadromous game fish)) by a person who is not the owner is not a taxable event to the processor or handler.

(2) A person in possession of enhanced food fish((-shellfish, and anadromous game fish)) and liable to this tax may deduct from the price paid to the person from which the enhanced food fish((-shellfish)) (except oysters)(~~(-or anadromous game fish)~~) are purchased an amount equal to a tax at one-half the rate levied in this section upon these products.

(3) The measure of the tax is the ~~((price paid by the first person in possession))~~ value of the enhanced food fish((-shellfish, or anadromous game fish)) at the point of landing. ((If the food fish, shellfish, or anadromous game fish are acquired other than by purchase or are purchased under conditions where the purchase price does not represent the value of the food fish, shellfish, or anadromous game fish or these products are transferred outside the state without sale, the measure of the tax shall be determined as nearly as possible according to the selling price of similar products of like quality and character under rules adopted by the department of revenue.))

(4) The tax shall be equal to the measure of the tax multiplied by the rates for enhanced food fish((-shellfish, and anadromous game fish)) as follows:

- (a) Chinook, coho, and chum salmon and anadromous game fish: Five percent.
- (b) Pink and sockeye salmon: Three percent.
- (c) Other food fish and shellfish, except oysters: Two percent.
- (d) Oysters: Seven one-hundredths of one percent.

(5) An additional tax is imposed equal to the rate specified in RCW 82.02.030 multiplied by the tax payable under subsection (4) of this section.

Sec. 7, Section 3, chapter 98, Laws of 1980 and RCW 82.27.030 are each amended to read as follows:

The tax imposed by RCW 82.27.020 shall not apply to: (1) Enhanced food fish ((or shellfish previously landed)) originating outside the state which ((is shipped into)) enters the state as (a) frozen enhanced food fish ((or frozen shellfish)) or (b) enhanced food fish ((or shellfish)) packaged for retail sales; (2) fresh net caught food fish to the extent provided under an interstate agreement entered into under RCW 82.27.080; ((and)) (3) the growing, processing, or dealing with food fish which are raised from eggs or fry and which are under the physical control of the grower at all times until being sold or harvested; and (4) food fish, shellfish, anadromous game fish, and byproducts or parts of food fish shipped from outside the state which enter the state, except as provided in RCW 82.27.010, provided the taxpayer must have documentation

showing shipping origination of fish exempt under this subsection to qualify for exemption. Such documentation includes, but is not limited to fish tickets, bills of lading, invoices, or other documentation required to be kept by governmental agencies.

Sec. 8. Section 4, chapter 98, Laws of 1980 and RCW 82.27.040 are each amended to read as follows:

A credit shall be allowed against the tax imposed by RCW 82.27.020 upon enhanced food fish ((or shellfish)) with respect to any tax ((legally imposed and)) previously paid ((to another state by the taxpayer upon the same food fish or shellfish purchased in the other state)) on that same enhanced food fish to any other legally established taxing authority. To qualify for a credit, the owner of the enhanced food fish must have documentation showing a tax was paid in another jurisdiction.

NEW SECTION. Sec. 9. A new section is added to chapter 82.04 RCW to read as follows:

(1) There is levied and shall be collected from every person for the act or privilege of engaging in business activities, as a part of the tax imposed under RCW 82.04.240 and 82.04.270, an additional tax equal to one percent multiplied by the tax payable under RCW 82.04.240 and 82.04.270.

(2) There is also levied and shall be collected from every person for the act or privilege of engaging in the business activity of making sales at retail which are exempt from the tax imposed under chapter 82.08 RCW by reason of RCW 82.08.0261 or 82.08.0262, as a part of the tax imposed under RCW 82.04.250, an additional tax equal to one percent multiplied by the tax payable on those activities under RCW 82.04.250.

(3) To facilitate collection of these additional taxes, the department of revenue is authorized to adjust the basic rates of persons to which this section applies in such manner as to reflect the amount to the nearest one-thousandth of one percent of the additional tax hereby imposed, adjusting ten-thousandths equal to or greater than five ten-thousandths to the greater thousandth.

(4) This section shall expire July 1, 1986.

NEW SECTION. Sec. 10. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

NEW SECTION. Sec. 11. This act is necessary for the immediate preservation of the public peace, health, and safety, the support of the state government and its existing public institutions, and shall take effect July 1, 1985."

ESSB 4399 Prime Sponsor, Committee on Governmental Operations: Creating a local governance study commission. Reported by Committee on Local Government

MAJORITY recommendation: Do pass with the following amendments:

Strike everything after the enacting clause and insert the following:

NEW SECTION. Sec. 1. The legislature finds state statutes allocating governmental powers, duties, and relationships were first enacted nearly a century ago and reflect ideas of their time. The legislature further finds that Washington state was a rural, agrarian society at that time, and that cities were relatively small, surrounded by rural areas, and served as a commercial and social center for those areas.

The legislature finds that the state created counties as political and administrative subdivisions of itself, and allowed for the creation of cities by the local citizenry to provide such additional municipal services as might be desired in areas of greater population density. The legislature further finds that in order to forestall imprudent or hasty creation of local governments, the process was deliberately made somewhat difficult. The legislature also finds that cities and counties were provided with differing tax structures, reflective of their differing governmental and service roles.

The legislature finds that, contrary to expectation, urban development has occurred not only within cities, but around cities and in clusters remote from any city, and that, in 1985, nearly half of the state's population lives in unincorporated, but largely urbanized areas. The legislature further finds that while this situation is the result of a number of factors, the unintended effects of the policies of various levels of government played a major role in creating it.

The legislature finds that some services are best delivered on a city-wide basis, some services are best delivered on a county-wide basis, while others might best be delivered on a greater than city, less than county-wide basis, and some might best be provided on a multi-county basis. The legislature further finds that in many cases, service needs have no relationship to political jurisdictions' boundary lines. The legislature also finds that there is uncertainty as to the proper role of some units of local government in rendering basic public services. The legislature further finds that cities, counties, and special purpose districts rendering basic municipal services spend approximately two billion dollars per year in providing such services and that there is a state interest in the efficient and effective provision of local government services.

Therefore, the legislature finds that there is a need to examine the present demographic and governmental service provision situation, in order to determine the manner in which local public services are presently delivered and funded in Washington state, the public policies which have led to the present situation, and the manner in which each contributed to it. The legislature further finds that there is a need to examine the practices of other states in such matters and in terms of allocations of responsibility, authority, and funding among various levels and agencies of government. The legislature also finds that there is a need to examine the policies and practices of other states in providing for city incorporation and annexation.

NEW SECTION. Sec. 2. For purposes of sections 3 through 6 of this act, 'commission' means the local governance study commission created in section 3 of this act.

NEW SECTION. Sec. 3. There is hereby created a local governance study commission to consist of the following:

(1) Nineteen voting members appointed by the governor consisting of:

(a) Eight members of the state legislature, four nominated by the Speaker of the House of Representatives, four nominated by the President of the Senate, two from each caucus of the respective house;

(b) Four members nominated by the association of Washington cities or its successor;

(c) Four members nominated by the Washington state association of counties or its successor;

(d) One member nominated by the Washington state association of sewer districts;

(e) One member nominated by the Washington state association of water districts; and

(f) One member nominated by the Washington association of fire districts.

(2) Three members serving in an ex officio nonvoting capacity:

(a) The executive director of the association of Washington cities or its representative;

(b) The executive director of the Washington state association of counties or its representative; and

(c) The director of the department of community development, who shall serve as chair of the commission.

(3) Commission members shall serve without pay, at the pleasure of the governor. Nonlegislative members shall be paid travel expenses incurred in their travel to and from meetings of the commission and while attending all meetings of the commission in accordance with RCW 43.03.050 and 43.03.060. Legislative members shall be paid travel expenses incurred in their travel to and from meetings of the commission and while attending all meetings of the commission in accordance with RCW 44.04.120.

NEW SECTION. Sec. 4. The commission shall:

(1) Identify and examine the present demographic and governmental service provision of cities, counties, and special purpose districts together with an examination of the present manner in which revenues are received for the provision of services by the various jurisdictions;

(2) Examine the public policies and history that led to the current situation;

(3) Analyze why policies that are identified in the study had an impact on growth and development in the state of Washington and why they contributed to the current situation;

(4) Examine the policies, practices, and experiences in other states in regard to allocating responsibility, revenue authority, and responsiveness to provide governmental services;

(5) Create advisory committees of representatives of special purpose districts, to advise the commission on issues affecting the operation of these districts, and members of the private sector;

(6) Develop recommended policy, statutory, and constitutional changes as may be determined would serve to better define the appropriate roles and activities of cities, counties, and special purpose districts and their interrelationship to one another; and

(7) Submit to the governor and the legislature a report containing the commission's findings, conclusions, and recommendations by November 1, 1986.

NEW SECTION. Sec. 5. The department shall provide the necessary support to the commission to carry out the purposes of sections 2 through 4 this act. The department may employ such staff as is necessary to carry out the purposes of sections 2 through 4 of this act. The provisions of chapter 41.06 RCW do not apply to such staff.

This section shall expire June 30, 1987.

NEW SECTION. Sec. 7. A new section is added to chapter 43.63A RCW to read as follows:

This section shall expire June 30, 1987.

NEW SECTION. Sec. 8. There is appropriated from the local government study commission account to the department of community development for the biennium ending June 30, 1987, the sum of two hundred forty-nine thousand nine hundred ninety-six dollars, or so much thereof as may be necessary, to carry out the purposes of this act.

NEW SECTION, Sec. 10. Sections 2 through 5 of this act are each added to chapter 43.63A RCW.

NEW SECTION, Sec. 11. This act is necessary for the immediate preservation of the public peace, health, and safety, the support of the state government and its existing public institutions, and shall take effect immediately.

NEW SECTION, Sec. 12. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected."
