(1) Upon an order of a disciplining authority to summarily suspend a license, or restrict or limit a license holder's practice pursuant to RCW 18.130.050 or section 5 of this act, the license holder is entitled to a show cause hearing before a panel or the secretary as identified in subsection (2) of this section within fourteen days of requesting a show cause hearing. The license holder must request the show cause hearing within twenty days of the issuance of the order. At the show cause hearing, the disciplining authority has the burden of demonstrating that more probable than not, the license holder poses an immediate threat to the public health and safety. The license holder must request a hearing regarding the statement of charges in accordance with RCW 18.130.090.

(2)(a) In the case of a license holder who is regulated by a board or commission identified in RCW 18.130.040(2)(b), the show cause hearing must be held by a panel of the appropriate board or commission.

(b) In the case of a license holder who is regulated by the secretary under RCW 18.130.040(2)(a), the show cause hearing must be held by the secretary.

(3) At the show cause hearing, the show cause hearing panel or the secretary may consider the statement of charges, the motion, and documents supporting the request for summary action, the respondent's answer to the statement of charges, and shall provide the license holder with an opportunity to provide documentary evidence and written testimony, and be represented by counsel. Prior to the show cause hearing, the disciplining authority shall provide the license holder with all documentation in support of the charges against the license holder.

(4)(a) If the show cause hearing panel or secretary determines that the license holder does not pose an immediate threat to the public health and safety, the panel or secretary may overturn the summary suspension or restriction order.

(b) If the show cause hearing panel or secretary determines that the license holder poses an immediate threat to the public health and safety, the summary suspension or restriction order shall remain in effect. The show cause hearing panel or secretary may amend the order as long as the amended order ensures that the license holder will no longer pose an immediate threat to the public health and safety.

(5) Within forty-five days of the show cause hearing panel's or secretary's determination to sustain the summary suspension or place restrictions on the license, the license holder may request a full hearing on the merits of the disciplining authority's decision to suspend or restrict the license. A full hearing must be provided within forty-five days of receipt of the request for a hearing, unless stipulated otherwise.

**NEW SECTION. Sec. 7.** A new section is added to chapter 18.130 RCW to read as follows:

(1)(a) The secretary is authorized to receive criminal history record information that includes nonconviction data for any purpose associated with investigation or licensing and investigate the complete criminal history and pending charges of all applicants and license holders.

(b) Dissemination or use of nonconviction data for purposes other than that authorized in this section is prohibited. Disciplining authorities shall restrict the use of background check results in determining the individual's suitability for a license and in conducting disciplinary functions.

(2)(a) The secretary shall establish requirements for each applicant for an initial license to obtain a state background check through the state patrol prior to the issuance of any license. The background check may be fingerprint-based at the discretion of the department.

(b) The secretary shall specify those situations where a background check under (a) of this subsection is inadequate and an applicant for an initial license must obtain an electronic fingerprint-based national background check through the state patrol and federal

bureau of investigation. Situations where a background check is inadequate may include instances where an applicant has recently lived out of state or where the applicant has a criminal record in Washington. The secretary shall issue a temporary practice permit to an applicant who must have a national background check conducted if the background check conducted under (a) of this subsection does not reveal a criminal record in Washington, and if the applicant meets the provisions of RCW 18.130.075.

(3) In addition to the background check required in subsection (2) of this section, an investigation may include an examination of state and national criminal identification data. The disciplining authority shall use the information for determining eligibility for licensure or renewal. The disciplining authority may also use the information when determining whether to proceed with an investigation of a report under RCW 18.130.080. For a national criminal history records check, the department shall require fingerprints be submitted to and searched through the Washington state patrol identification and criminal history section. The Washington state patrol shall forward the fingerprints to the federal bureau of investigation.

(4) The secretary shall adopt rules to require license holders to report to the disciplining authority any arrests, convictions, or other determinations or findings by a law enforcement agency occurring after the effective date of this section for a criminal offense. The report must be made within fourteen days of the conviction.

(5) The secretary shall conduct an annual review of a representative sample of all license holders who have previously obtained a background check through the department. The selection of the license holders to be reviewed must be representative of all categories of license holders and geographic locations.

(6)(a) When deciding whether or not to issue an initial license, the disciplining authority shall consider the results of any background check conducted under subsection (2) of this section that reveals a conviction for any criminal offense that constitutes unprofessional conduct under this chapter or the chapters specified in RCW 18.130.040(2) or a series of arrests that when considered together demonstrate a pattern of behavior that, without investigation, may pose a risk to the safety of the license holder's patients.

(b) If the background check conducted under subsection (2) of this section reveals any information related to unprofessional conduct that has not been previously disclosed to the disciplining authority, the disciplining authority shall take appropriate disciplinary action against the license holder.

(7) The department shall:

(a) Require the applicant or license holder to submit full sets of fingerprints if necessary to complete the background check;

(b) Require the applicant to submit any information required by the state patrol; and

(c) Notify the applicant if their background check reveals a criminal record. Only when the background check reveals a criminal record will an applicant receive a notice. Upon receiving such a notice, the applicant may request and the department shall provide a copy of the record to the extent permitted under RCW 10.97.050, including making accessible to the applicant for their personal use and information any records of arrest, charges, or allegations of criminal conduct or other nonconviction data pursuant to RCW 10.97.050(4).

(8) Criminal justice agencies shall provide the secretary with both conviction and nonconviction information that the secretary requests for investigations under this chapter.

(9) There is established a unit within the department for the purpose of detection, investigation, and prosecution of any act prohibited or declared unlawful under this chapter. The secretary will employ supervisory, legal, and investigative personnel for the unit who must be qualified by training and experience.

**Sec. 8.** RCW 18.130.080 and 2006 c 99 s 5 are each amended to read as follows:

(1) ~~(A person, including but not limited to consumers, licensees, corporations, organizations, healthcare facilities, impaired practitioner programs, or voluntary substance abuse monitoring programs approved by disciplining authorities, and state and local~~

governmental agencies,)) (a) An individual, an impaired practitioner program, or a voluntary substance abuse monitoring program approved by a disciplining authority, may submit a written complaint to the disciplining authority charging a license holder or applicant with unprofessional conduct and specifying the grounds therefor or to report information to the disciplining authority, or voluntary substance abuse monitoring program, or an impaired practitioner program approved by the disciplining authority, which indicates that the license holder may not be able to practice his or her profession with reasonable skill and safety to consumers as a result of a mental or physical condition.

(b)(i) Every license holder, corporation, organization, health care facility, and state and local governmental agency that employs a license holder shall report to the disciplining authority when the employed license holder's services have been terminated or restricted based upon a final determination that the license holder has either committed an act or acts that may constitute unprofessional conduct or that the license holder may not be able to practice his or her profession with reasonable skill and safety to consumers as a result of a mental or physical condition.

(ii) All reports required by (b)(i) of this subsection must be submitted to the disciplining authority as soon as possible, but no later than twenty days after a determination has been made. A report should contain the following information, if known:

(A) The name, address, and telephone number of the person making the report;

(B) The name, address, and telephone number of the license holder being reported;

(C) The case number of any patient whose treatment is the subject of the report;

(D) A brief description or summary of the facts that gave rise to the issuance of the report, including dates of occurrences;

(E) If court action is involved, the name of the court in which the action is filed, the date of filing, and the docket number; and

(F) Any further information that would aid in the evaluation of the report.

(iii) Mandatory reports required by (b)(i) of this subsection are exempt from public inspection and copying to the extent permitted under chapter 42.56 RCW or to the extent that public inspection or copying of the report would invade or violate a person's right to privacy as set forth in RCW 42.56.050.

(2) If the disciplining authority determines that ~~((the))~~ a complaint submitted under subsection (1) of this section merits investigation, or if the disciplining authority has reason to believe, without a formal complaint, that a license holder or applicant may have engaged in unprofessional conduct, the disciplining authority shall investigate to determine whether there has been unprofessional conduct. In determining whether or not to investigate, the disciplining authority shall consider any prior complaints received by the disciplining authority, any prior findings of fact under RCW 18.130.110, any stipulations to informal disposition under RCW 18.130.172, and any comparable action taken by other state disciplining authorities.

~~((2))~~ (3) Notwithstanding subsection ~~((+))~~ (2) of this section, the disciplining authority shall initiate an investigation in every instance where:

(a) The disciplining authority receives information that a health care provider has been disqualified from participating in the federal medicare program, under Title XVIII of the federal social security act, or the federal medicaid program, under Title XIX of the federal social security act; or

(b) There is a pattern of complaints, arrests, or other actions that may not have resulted in a formal adjudication of wrongdoing, but when considered together demonstrate a pattern of similar conduct that, without investigation, likely poses a risk to the safety of the license holder's patients.

(4) Failure of a license holder to submit a mandatory report to the disciplining authority under subsection (1)(b) of this section is punishable by a civil penalty not to exceed five hundred dollars and constitutes unprofessional conduct.

(5) If a report has been made by a hospital to the department under RCW 70.41.210 or an ambulatory surgical facility under RCW 70.230.120, a report to the disciplining authority under subsection (1)(b) of this section is not required.

~~((3) A person who files a complaint or reports information under this section in good faith is immune from suit in any civil action related to the filing or contents of the complaint.))~~

(6) A person is immune from civil liability, whether direct or derivative, for providing information in good faith to the disciplining authority under this section.

(7)(a) The secretary is authorized to receive criminal history record information that includes nonconviction data for any purpose associated with the investigation or licensing of persons under this chapter.

(b) Dissemination or use of nonconviction data for purposes other than that authorized in this section is prohibited.

**Sec. 9.** RCW 18.130.095 and 2005 c 274 s 231 are each amended to read as follows:

(1)(a) The secretary, in consultation with the disciplining authorities, shall develop uniform procedural rules to respond to public inquiries concerning complaints and their disposition, active investigations, statement of charges, findings of fact, and final orders involving a ~~((licensee))~~ license holder, applicant, or unlicensed person. The uniform procedural rules adopted under this subsection apply to all adjudicative proceedings conducted under this chapter and shall include provisions for establishing time periods for initial assessment, investigation, charging, discovery, settlement, and adjudication of complaints, and shall include enforcement provisions for violations of the specific time periods by the department, the disciplining authority, and the respondent. A ~~((licensee))~~ license holder must be notified upon receipt of a complaint, except when the notification would impede an effective investigation. At the earliest point of time the ~~((licensee))~~ license holder must be allowed to submit a written statement about that complaint, which statement must be included in the file. Complaints filed after July 27, 1997, are exempt from public disclosure under chapter 42.56 RCW until the complaint has been initially assessed and determined to warrant an investigation by the disciplining authority. Complaints determined not to warrant an investigation by the disciplining authority are no longer considered complaints, but must remain in the records and tracking system of the department. Information about complaints that did not warrant an investigation, including the existence of the complaint, may be released only upon receipt of a written public disclosure request or pursuant to an interagency agreement as provided in (b) of this subsection. Complaints determined to warrant no cause for action after investigation are subject to public disclosure, must include an explanation of the determination to close the complaint, and must remain in the records and tracking system of the department.

(b) The secretary, on behalf of the disciplining authorities, shall enter into interagency agreements for the exchange of records, which may include complaints filed but not yet assessed, with other state agencies if access to the records will assist those agencies in meeting their federal or state statutory responsibilities. Records obtained by state agencies under the interagency agreements are subject to the limitations on disclosure contained in (a) of this subsection.

(2) The uniform procedures for conducting investigations shall provide that prior to taking a written statement:

(a) For violation of this chapter, the investigator shall inform such person, in writing of: (i) The nature of the complaint; (ii) that the person may consult with legal counsel at his or her expense prior to making a statement; and (iii) that any statement that the person makes may be used in an adjudicative proceeding conducted under this chapter; and

(b) From a witness or potential witness in an investigation under this chapter, the investigator shall inform the person, in writing, that the statement may be released to the ~~((licensee))~~ license holder, applicant, or unlicensed person under investigation if a statement of charges is issued.

(3) Only upon the authorization of a disciplining authority identified in RCW 18.130.040(2)(b), the secretary, or his or her designee, may serve as the presiding officer for any disciplinary proceedings of the disciplining authority authorized under this chapter. ~~((Except as provided in RCW 18.130.050(8);))~~ The presiding officer shall not vote on or make any final decision in cases pertaining to standards of practice or where clinical expertise is

necessary. All functions performed by the presiding officer shall be subject to chapter 34.05 RCW. The secretary, in consultation with the disciplining authorities, shall adopt procedures for implementing this subsection.

(4) The uniform procedural rules shall be adopted by all disciplining authorities listed in RCW 18.130.040(2), and shall be used for all adjudicative proceedings conducted under this chapter, as defined by chapter 34.05 RCW. The uniform procedural rules shall address the use of a presiding officer authorized in subsection (3) of this section to determine and issue decisions on all legal issues and motions arising during adjudicative proceedings.

**Sec. 10.** RCW 18.130.160 and 2006 c 99 s 6 and 2006 c 8 s 104 are each reenacted and amended to read as follows:

Upon a finding, after hearing, that a license holder (~~(or applicant)~~) has committed unprofessional conduct or is unable to practice with reasonable skill and safety due to a physical or mental condition, the disciplining authority (~~(may consider the imposition of sanctions, taking into account)~~) shall issue an order including sanctions adopted in accordance with the schedule adopted under section 12 of this act giving proper consideration to any prior findings of fact under RCW 18.130.110, any stipulations to informal disposition under RCW 18.130.172, and any action taken by other in-state or out-of-state disciplining authorities (and issue an). The order (~~(providing)~~) must provide for one or any combination of the following, as directed by the schedule:

- (1) Revocation of the license;
- (2) Suspension of the license for a fixed or indefinite term;
- (3) Restriction or limitation of the practice;
- (4) Requiring the satisfactory completion of a specific program of remedial education or treatment;
- (5) The monitoring of the practice by a supervisor approved by the disciplining authority;
- (6) Censure or reprimand;
- (7) Compliance with conditions of probation for a designated period of time;
- (8) Payment of a fine for each violation of this chapter, not to exceed five thousand dollars per violation. Funds received shall be placed in the health professions account;
- (9) Denial of the license request;
- (10) Corrective action;
- (11) Refund of fees billed to and collected from the consumer;
- (12) A surrender of the practitioner's license in lieu of other sanctions, which must be reported to the federal data bank.

Any of the actions under this section may be totally or partly stayed by the disciplining authority. Safeguarding the public's health and safety is the paramount responsibility of every disciplining authority (~~(and)~~). In determining what action is appropriate, the disciplining authority must consider the schedule adopted under section 12 of this act. Where the schedule allows flexibility in determining the appropriate sanction, the disciplining authority must first consider what sanctions are necessary to protect or compensate the public. Only after such provisions have been made may the disciplining authority consider and include in the order requirements designed to rehabilitate the license holder (~~(or applicant)~~). All costs associated with compliance with orders issued under this section are the obligation of the license holder (~~(or applicant)~~). The disciplining authority may order permanent revocation of a license if it finds that the license holder can never be rehabilitated or can never regain the ability to practice with reasonable skill and safety.

Surrender or permanent revocation of a license under this section is not subject to a petition for reinstatement under RCW 18.130.150.

The disciplining authority may determine that a case presents unique circumstances that the schedule adopted under section 12 of this act does not adequately address. The disciplining authority may deviate from the schedule adopted under section 12 of this act when selecting appropriate sanctions, but the disciplining authority must issue a written explanation of the basis for not following the schedule.

The (~~(licensee or applicant)~~) license holder may enter into a stipulated disposition of charges that includes one or more of the sanctions of this section, but only after a statement of charges has

been issued and the (~~(licensee)~~) license holder has been afforded the opportunity for a hearing and has elected on the record to forego such a hearing. The stipulation shall either contain one or more specific findings of unprofessional conduct or inability to practice, or a statement by the (~~(licensee)~~) license holder acknowledging that evidence is sufficient to justify one or more specified findings of unprofessional conduct or inability to practice. The stipulation entered into pursuant to this subsection shall be considered formal disciplinary action for all purposes.

**Sec. 11.** RCW 18.130.170 and 1995 c 336 s 8 are each amended to read as follows:

(1) If the disciplining authority believes a license holder (~~(or applicant)~~) may be unable to practice with reasonable skill and safety to consumers by reason of any mental or physical condition, a statement of charges in the name of the disciplining authority shall be served on the license holder (~~(or applicant)~~) and notice shall also be issued providing an opportunity for a hearing. The hearing shall be limited to the sole issue of the capacity of the license holder (~~(or applicant)~~) to practice with reasonable skill and safety. If the disciplining authority determines that the license holder (~~(or applicant)~~) is unable to practice with reasonable skill and safety for one of the reasons stated in this subsection, the disciplining authority shall impose such sanctions under RCW 18.130.160 as is deemed necessary to protect the public.

(2)(a) In investigating or adjudicating a complaint or report that a license holder (~~(or applicant)~~) may be unable to practice with reasonable skill or safety by reason of any mental or physical condition, the disciplining authority may require a license holder (~~(or applicant)~~) to submit to a mental or physical examination by one or more licensed or certified health professionals designated by the disciplining authority. The license holder (~~(or applicant)~~) shall be provided written notice of the disciplining authority's intent to order a mental or physical examination, which notice shall include: (i) A statement of the specific conduct, event, or circumstances justifying an examination; (ii) a summary of the evidence supporting the disciplining authority's concern that the license holder (~~(or applicant)~~) may be unable to practice with reasonable skill and safety by reason of a mental or physical condition, and the grounds for believing such evidence to be credible and reliable; (iii) a statement of the nature, purpose, scope, and content of the intended examination; (iv) a statement that the license holder (~~(or applicant)~~) has the right to respond in writing within twenty days to challenge the disciplining authority's grounds for ordering an examination or to challenge the manner or form of the examination; and (v) a statement that if the license holder (~~(or applicant)~~) timely responds to the notice of intent, then the license holder (~~(or applicant)~~) will not be required to submit to the examination while the response is under consideration.

(b) Upon submission of a timely response to the notice of intent to order a mental or physical examination, the license holder (~~(or applicant)~~) shall have an opportunity to respond to or refute such an order by submission of evidence or written argument or both. The evidence and written argument supporting and opposing the mental or physical examination shall be reviewed by either a panel of the disciplining authority members who have not been involved with the allegations against the license holder (~~(or applicant)~~) or a neutral decision maker approved by the disciplining authority. The reviewing panel of the disciplining authority or the approved neutral decision maker may, in its discretion, ask for oral argument from the parties. The reviewing panel of the disciplining authority or the approved neutral decision maker shall prepare a written decision as to whether: There is reasonable cause to believe that the license holder (~~(or applicant)~~) may be unable to practice with reasonable skill and safety by reason of a mental or physical condition, or the manner or form of the mental or physical examination is appropriate, or both.

(c) Upon receipt by the disciplining authority of the written decision, or upon the failure of the license holder (~~(or applicant)~~) to timely respond to the notice of intent, the disciplining authority may issue an order requiring the license holder (~~(or applicant)~~) to undergo a mental or physical examination. All such mental or physical examinations shall be narrowly tailored to address only the alleged

mental or physical condition and the ability of the license holder (~~(or applicant)~~) to practice with reasonable skill and safety. An order of the disciplining authority requiring the license holder (~~(or applicant)~~) to undergo a mental or physical examination is not a final order for purposes of appeal. The cost of the examinations ordered by the disciplining authority shall be paid out of the health professions account. In addition to any examinations ordered by the disciplining authority, the (~~(licensee)~~) license holder may submit physical or mental examination reports from licensed or certified health professionals of the license holder's (~~(or applicant's)~~) choosing and expense.

(d) If the disciplining authority finds that a license holder (~~(or applicant)~~) has failed to submit to a properly ordered mental or physical examination, then the disciplining authority may order appropriate action or discipline under RCW 18.130.180(9), unless the failure was due to circumstances beyond the person's control. However, no such action or discipline may be imposed unless the license holder (~~(or applicant)~~) has had the notice and opportunity to challenge the disciplining authority's grounds for ordering the examination, to challenge the manner and form, to assert any other defenses, and to have such challenges or defenses considered by either a panel of the disciplining authority members who have not been involved with the allegations against the license holder (~~(or applicant)~~) or a neutral decision maker approved by the disciplining authority, as previously set forth in this section. Further, the action or discipline ordered by the disciplining authority shall not be more severe than a suspension of the license, certification, registration, or application until such time as the license holder (~~(or applicant)~~) complies with the properly ordered mental or physical examination.

(e) Nothing in this section shall restrict the power of a disciplining authority to act in an emergency under RCW 34.05.422(4), 34.05.479, and 18.130.050(~~((7))~~) (8).

(f) A determination by a court of competent jurisdiction that a license holder (~~(or applicant)~~) is mentally incompetent or (~~(mentally ill)~~) an individual with mental illness is presumptive evidence of the license holder's (~~(or applicant's)~~) inability to practice with reasonable skill and safety. An individual affected under this section shall at reasonable intervals be afforded an opportunity, at his or her expense, to demonstrate that the individual can resume competent practice with reasonable skill and safety to the consumer.

(3) For the purpose of subsection (2) of this section, (~~(an applicant or)~~) a license holder governed by this chapter, by making application, practicing, or filing a license renewal, is deemed to have given consent to submit to a mental, physical, or psychological examination when directed in writing by the disciplining authority and further to have waived all objections to the admissibility or use of the examining health professional's testimony or examination reports by the disciplining authority on the ground that the testimony or reports constitute privileged communications.

**NEW SECTION. Sec. 12.** A new section is added to chapter 18.130 RCW to read as follows:

(1) Each of the disciplining authorities identified in RCW 18.130.040(2)(b) shall appoint a representative to review the secretary's sanctioning guidelines, as well as guidelines adopted by any of the boards and commissions, and collaborate to develop a schedule that defines appropriate ranges of sanctions that are applicable upon a determination that a license holder has committed unprofessional conduct as defined in this chapter or the chapters specified in RCW 18.130.040(2). The schedule must identify aggravating and mitigating circumstances that may enhance or reduce the sanction imposed by the disciplining authority for unprofessional conduct. The schedule must apply to all disciplining authorities. In addition, the disciplining authorities shall make provisions for instances in which there are multiple findings of unprofessional conduct. When establishing the proposed schedule, the disciplining authorities shall consider maintaining consistent sanction determinations that maximize the protection of the public's health and while maintaining the rights of health care providers of the different health professions. The disciplining authorities shall submit the proposed schedule and recommendations to modify or adopt the secretary's guidelines to the secretary no later than November 15, 2008.

(2) The secretary shall adopt rules establishing a uniform sanctioning schedule that is consistent with the proposed schedule developed under subsection (1) of this section. The schedule shall be applied to all disciplinary actions commenced under this chapter after January 1, 2009. The secretary shall use his or her emergency rule-making authority pursuant to the procedures under chapter 34.05 RCW, to adopt rules that take effect no later than January 1, 2009, to implement the schedule.

(3) The disciplining authority may determine that a case presents unique circumstances that the schedule adopted under this section does not adequately address. The disciplining authority may deviate from the schedule adopted under this section when selecting appropriate sanctions, but the disciplining authority must issue a written explanation in the order of the basis for not following the schedule.

(4) The secretary shall report to the legislature by January 15, 2009, on the adoption of the sanctioning schedule.

**Sec. 13.** RCW 18.130.310 and 1989 1st ex.s. c 9 s 313 are each amended to read as follows:

(1) Subject to RCW 40.07.040, the disciplinary authority shall submit (~~(a biennial)~~) an annual report to the legislature on its proceedings during the (~~(biennium)~~) year, detailing the number of complaints made, investigated, and adjudicated and manner of disposition. In addition, the report must provide data on the department's background check activities conducted under section 7 of this act and the effectiveness of those activities in identifying potential license holders who may not be qualified to practice safely. The report must summarize the distribution of the number of cases assigned to each attorney and investigator for each profession. The identity of the attorney and investigator must remain anonymous. The report may include recommendations for improving the disciplinary process, including proposed legislation. The department shall develop a uniform report format.

(2) Each disciplining authority identified in RCW 18.130.040(2)(b) may submit an annual report to complement the report required under subsection (1) of this section. Each report may provide additional information about the disciplinary activities, rule-making and policy activities, and receipts and expenditures for the individual disciplining authority.

**Sec. 14.** RCW 70.41.210 and 2005 c 470 s 1 are each amended to read as follows:

(1) The chief administrator or executive officer of a hospital shall report to the department when the practice of a health care practitioner as defined in subsection (2) of this section is restricted, suspended, limited, or terminated based upon a conviction, determination, or finding by the hospital that the health care practitioner has committed an action defined as unprofessional conduct under RCW 18.130.180. The chief administrator or executive officer shall also report any voluntary restriction or termination of the practice of a health care practitioner as defined in subsection (2) of this section while the practitioner is under investigation or the subject of a proceeding by the hospital regarding unprofessional conduct, or in return for the hospital not conducting such an investigation or proceeding or not taking action. The department will forward the report to the appropriate disciplining authority.

(2) The reporting requirements apply to the following health care practitioners: Pharmacists as defined in chapter 18.64 RCW; advanced registered nurse practitioners as defined in chapter 18.79 RCW; dentists as defined in chapter 18.32 RCW; naturopaths as defined in chapter 18.36A RCW; optometrists as defined in chapter 18.53 RCW; osteopathic physicians and surgeons as defined in chapter 18.57 RCW; osteopathic (~~(physician [physicians])~~) physicians assistants as defined in chapter 18.57A RCW; physicians as defined in chapter 18.71 RCW; physician assistants as defined in chapter 18.71A RCW; podiatric physicians and surgeons as defined in chapter 18.22 RCW; and psychologists as defined in chapter 18.83 RCW.

(3) Reports made under subsection (1) of this section shall be made within fifteen days of the date: (a) A conviction, determination, or finding is made by the hospital that the health care

practitioner has committed an action defined as unprofessional conduct under RCW 18.130.180; or (b) the voluntary restriction or termination of the practice of a health care practitioner, including his or her voluntary resignation, while under investigation or the subject of proceedings regarding unprofessional conduct under RCW 18.130.180 is accepted by the hospital.

(4) Failure of a hospital to comply with this section is punishable by a civil penalty not to exceed ~~((two))~~ five hundred ~~((fifty))~~ dollars.

(5) A hospital, its chief administrator, or its executive officer who files a report under this section is immune from suit, whether direct or derivative, in any civil action related to the filing or contents of the report, unless the conviction, determination, or finding on which the report and its content are based is proven to not have been made in good faith. The prevailing party in any action brought alleging the conviction, determination, finding, or report was not made in good faith, shall be entitled to recover the costs of litigation, including reasonable attorneys' fees.

(6) The department shall forward reports made under subsection (1) of this section to the appropriate disciplining authority designated under Title 18 RCW within fifteen days of the date the report is received by the department. The department shall notify a hospital that has made a report under subsection (1) of this section of the results of the disciplining authority's case disposition decision within fifteen days after the case disposition. Case disposition is the decision whether to issue a statement of charges, take informal action, or close the complaint without action against a practitioner. In its biennial report to the legislature under RCW 18.130.310, the department shall specifically identify the case dispositions of reports made by hospitals under subsection (1) of this section.

(7) The department shall not increase hospital license fees to carry out this section before July 1, ~~((2007))~~ 2008.

**NEW SECTION. Sec. 15.** A new section is added to chapter 42.52 RCW to read as follows:

Members of a health profession board or commission as identified in RCW 18.130.040(2)(b) may express their professional opinions to an elected official about the work of the board or commission on which the member serves, even if those opinions differ from the department of health's official position. Such communication shall be to inform the elected official and not to lobby in support or opposition to any initiative to the legislature.

**Sec. 16.** RCW 43.70.320 and 1993 c 492 s 411 are each amended to read as follows:

(1) There is created in the state treasury an account to be known as the health professions account. All fees received by the department for health professions licenses, registration, certifications, renewals, or examinations and the civil penalties assessed and collected by the department under RCW 18.130.190 shall be forwarded to the state treasurer who shall credit such moneys to the health professions account.

**NEW SECTION. Sec. 19.** A new section is added to chapter 18.130 RCW to read as follows:

(1) The disciplining authority may deny an application for licensure or grant a license with conditions if the applicant:

(a) Has had his or her license to practice any health care profession suspended, revoked, or restricted, by competent authority in any state, federal, or foreign jurisdiction;

(b) Has committed any act defined as unprofessional conduct for a license holder under RCW 18.130.180;

(c) Has been convicted or is subject to current prosecution or pending charges of a crime involving moral turpitude or a crime identified in RCW 43.43.830. For purposes of this section, conviction includes all instances in which a plea of guilty or nolo contendere is the basis for the conviction and all proceedings in which the prosecution or sentence has been deferred or suspended. At the request of an applicant for an original license whose conviction is under appeal, the disciplining authority may defer decision upon the application during the pendency of such a prosecution or appeal;

(d) Fails to prove that he or she is qualified in accordance with the provisions of this chapter, the chapters identified in RCW 18.130.040(2), or the rules adopted by the disciplining authority; or

(e) Is not able to practice with reasonable skill and safety to consumers by reason of any mental or physical condition.

(i) The disciplining authority may require the applicant, at his or her own expense, to submit to a mental, physical, or psychological examination by one or more licensed health professionals designated by the disciplining authority. The disciplining authority shall provide written notice of its requirement for a mental or physical examination that includes a statement of the specific conduct, event, or circumstances justifying an examination and a statement of the nature, purpose, scope, and content of the intended examination. If the applicant fails to submit to the examination or provide the results of the examination or any required waivers, the disciplining authority may deny the application.

(ii) An applicant governed by this chapter is deemed to have given consent to submit to a mental, physical, or psychological examination when directed in writing by the disciplining authority and further to have waived all objections to the admissibility or use of the examining health professional's testimony or examination reports by the disciplining authority on the grounds that the testimony or reports constitute privileged communications.

(2) The provisions of RCW 9.95.240 and chapter 9.96A RCW do not apply to a decision to deny a license under this section.

(3) The disciplining authority shall give written notice to the applicant of the decision to deny a license or grant a license with conditions in response to an application for a license. The notice must state the grounds and factual basis for the action and be served upon the applicant.

(4) A license applicant who is aggrieved by the decision to deny the license or grant the license with conditions has the right to an adjudicative proceeding. The application for adjudicative proceeding must be in writing, state the basis for contesting the adverse action, include a copy of the adverse notice, and be served on and received by the department within twenty-eight days of the decision. The license applicant has the burden to establish, by a preponderance of evidence, that the license applicant is qualified in accordance with the provisions of this chapter, the chapters identified in RCW 18.130.040(2), and the rules adopted by the disciplining authority.

**NEW SECTION. Sec. 20.** A new section is added to chapter 18.130 RCW to read as follows:

(1)(a) A licensee must produce documents, records, or other items that are within his or her possession or control within twenty-one calendar days of service of a request by a disciplining authority. If the twenty-one calendar day limit results in a hardship upon the licensee, he or she may request, for good cause, an extension not to exceed thirty additional calendar days.

(b) In the event the licensee fails to produce the documents, records, or other items as requested by the disciplining authority or fails to obtain an extension of the time for response, the disciplining authority may issue a written citation and assess a fine of up to one hundred dollars per day for each day after the issuance of the citation until the documents, records, or other items are produced.

(c) In no event may the administrative fine assessed by the disciplining authority exceed five thousand dollars for each investigation made with respect to the violation.

(2) Citations issued under this section must include the following:

(a) A statement that the citation represents a determination that the person named has failed to produce documents, records, or other items as required by this section and that the determination is final unless contested as provided in this section;

(b) A statement of the specific circumstances;

(c) A statement of the monetary fine, which is up to one hundred dollars per day for each day after the issuance of the citation;

(d) A statement informing the licensee that if the licensee desires a hearing to contest the finding of a violation, the hearing must be requested by written notice to the disciplining authority within twenty days of the date of issuance of the citation. The hearing is limited to the issue of whether the licensee timely produced the requested documents, records, or other items or had good cause for failure to do so; and

(e) A statement that in the event a licensee fails to pay a fine within thirty days of the date of assessment, the full amount of the assessed fine must be added to the fee for renewal of the license unless the citation is being appealed.

(3) RCW 18.130.165 governs proof and enforcement of the fine.

(4) Administrative fines collected under this section must be deposited in the health professions account created in RCW 43.70.320.

(5) Issuance of a citation under this section does not preclude the disciplining authority from pursuing other action under this chapter.

(6) The disciplining authority shall establish and make available to licensees the maximum daily monetary fine that may be issued under subsection (2)(c) of this section. The disciplining authority shall review the maximum fine on a regular basis, but at a minimum, each biennium.

**Sec. 21.** RCW 18.130.140 and 1984 c 279 s 14 are each amended to read as follows:

An individual who has been disciplined (~~(or)~~), whose license has been denied, or whose license has been granted with conditions by a disciplining authority may appeal the decision as provided in chapter 34.05 RCW.

**Sec. 22.** RCW 18.130.150 and 1997 c 58 s 831 are each amended to read as follows:

A person whose license has been suspended (~~(or revoked)~~) under this chapter may petition the disciplining authority for reinstatement after an interval as determined by the disciplining authority in the order unless the disciplining authority has found, pursuant to RCW 18.130.160, that the licensee can never be rehabilitated or can never regain the ability to practice with reasonable skill and safety. The disciplining authority shall hold hearings on the petition and may deny the petition or may order reinstatement and impose terms and conditions as provided in RCW 18.130.160 and issue an order of reinstatement. The disciplining authority may require successful completion of an examination as a condition of reinstatement.

A person whose license has been suspended for noncompliance with a support order or (~~(a residential or)~~) visitation order under RCW 74.20A.320 may petition for reinstatement at any time by providing the secretary a release issued by the department of social and health services stating that the person is in compliance with the order. If the person has continued to meet all other requirements for reinstatement during the suspension, the secretary shall automatically reissue the person's license upon receipt of the release, and payment of a reinstatement fee, if any.

**Sec. 23.** RCW 18.130.165 and 1993 c 367 s 20 are each amended to read as follows:

Where an order for payment of a fine is made as a result of a citation under section 20 of this act or a hearing under RCW 18.130.100 or 18.130.190 and timely payment is not made as directed in the final order, the disciplining authority may enforce the order for payment in the superior court in the county in which the hearing was held. This right of enforcement shall be in addition to any other rights the disciplining authority may have as to any licensee ordered to pay a fine but shall not be construed to limit a licensee's ability to seek judicial review under RCW 18.130.140.

In any action for enforcement of an order of payment of a fine, the disciplining authority's order is conclusive proof of the validity of the order of payment of a fine and the terms of payment.

**Sec. 24.** RCW 18.130.172 and 2000 c 171 s 29 are each amended to read as follows:

(1) Prior to serving a statement of charges under RCW 18.130.090 or 18.130.170, the disciplinary authority may furnish a statement of allegations to the licensee (~~(or applicant)~~) along with a detailed summary of the evidence relied upon to establish the allegations and a proposed stipulation for informal resolution of the allegations. These documents shall be exempt from public

disclosure until such time as the allegations are resolved either by stipulation or otherwise.

(2) The disciplinary authority and the (~~applicant or~~) licensee may stipulate that the allegations may be disposed of informally in accordance with this subsection. The stipulation shall contain a statement of the facts leading to the filing of the complaint; the act or acts of unprofessional conduct alleged to have been committed or the alleged basis for determining that the (~~applicant or~~) licensee is unable to practice with reasonable skill and safety; a statement that the stipulation is not to be construed as a finding of either unprofessional conduct or inability to practice; an acknowledgment that a finding of unprofessional conduct or inability to practice, if proven, constitutes grounds for discipline under this chapter; and an agreement on the part of the licensee (~~or applicant~~) that the sanctions set forth in RCW 18.130.160, except RCW 18.130.160(1), (2), (6), and (8), may be imposed as part of the stipulation, except that no fine may be imposed but the licensee (~~or applicant~~) may agree to reimburse the disciplinary authority the costs of investigation and processing the complaint up to an amount not exceeding one thousand dollars per allegation; and an agreement on the part of the disciplinary authority to forego further disciplinary proceedings concerning the allegations. A stipulation entered into pursuant to this subsection shall not be considered formal disciplinary action.

(3) If the licensee (~~or applicant~~) declines to agree to disposition of the charges by means of a stipulation pursuant to subsection (2) of this section, the disciplinary authority may proceed to formal disciplinary action pursuant to RCW 18.130.090 or 18.130.170.

(4) Upon execution of a stipulation under subsection (2) of this section by both the licensee (~~or applicant~~) and the disciplinary authority, the complaint is deemed disposed of and shall become subject to public disclosure on the same basis and to the same extent as other records of the disciplinary authority. Should the licensee (~~or applicant~~) fail to pay any agreed reimbursement within thirty days of the date specified in the stipulation for payment, the disciplinary authority may seek collection of the amount agreed to be paid in the same manner as enforcement of a fine under RCW 18.130.165.

**Sec. 25.** RCW 18.130.180 and 1995 c 336 s 9 are each amended to read as follows:

The following conduct, acts, or conditions constitute unprofessional conduct for any license holder (~~or applicant~~) under the jurisdiction of this chapter:

(1) The commission of any act involving moral turpitude, dishonesty, or corruption relating to the practice of the person's profession, whether the act constitutes a crime or not. If the act constitutes a crime, conviction in a criminal proceeding is not a condition precedent to disciplinary action. Upon such a conviction, however, the judgment and sentence is conclusive evidence at the ensuing disciplinary hearing of the guilt of the license holder (~~or applicant~~) of the crime described in the indictment or information, and of the person's violation of the statute on which it is based. For the purposes of this section, conviction includes all instances in which a plea of guilty or nolo contendere is the basis for the conviction and all proceedings in which the sentence has been deferred or suspended. Nothing in this section abrogates rights guaranteed under chapter 9.96A RCW;

(2) Misrepresentation or concealment of a material fact in obtaining a license or in reinstatement thereof;

(3) All advertising which is false, fraudulent, or misleading;

(4) Incompetence, negligence, or malpractice which results in injury to a patient or which creates an unreasonable risk that a patient may be harmed. The use of a nontraditional treatment by itself shall not constitute unprofessional conduct, provided that it does not result in injury to a patient or create an unreasonable risk that a patient may be harmed;

(5) Suspension, revocation, or restriction of the individual's license to practice any health care profession by competent authority in any state, federal, or foreign jurisdiction, a certified copy of the order, stipulation, or agreement being conclusive evidence of the revocation, suspension, or restriction;

(6) The possession, use, prescription for use, or distribution of controlled substances or legend drugs in any way other than for legitimate or therapeutic purposes, diversion of controlled substances or legend drugs, the violation of any drug law, or prescribing controlled substances for oneself;

(7) Violation of any state or federal statute or administrative rule regulating the profession in question, including any statute or rule defining or establishing standards of patient care or professional conduct or practice;

(8) Failure to cooperate with the disciplining authority by:

(a) Not furnishing any papers (~~or~~), documents, records, or other items;

(b) Not furnishing in writing a full and complete explanation covering the matter contained in the complaint filed with the disciplining authority;

(c) Not responding to subpoenas issued by the disciplining authority, whether or not the recipient of the subpoena is the accused in the proceeding; or

(d) Not providing reasonable and timely access for authorized representatives of the disciplining authority seeking to perform practice reviews at facilities utilized by the license holder;

(9) Failure to comply with an order issued by the disciplining authority or a stipulation for informal disposition entered into with the disciplining authority;

(10) Aiding or abetting an unlicensed person to practice when a license is required;

(11) Violations of rules established by any health agency;

(12) Practice beyond the scope of practice as defined by law or rule;

(13) Misrepresentation or fraud in any aspect of the conduct of the business or profession;

(14) Failure to adequately supervise auxiliary staff to the extent that the consumer's health or safety is at risk;

(15) Engaging in a profession involving contact with the public while suffering from a contagious or infectious disease involving serious risk to public health;

(16) Promotion for personal gain of any unnecessary or inefficient drug, device, treatment, procedure, or service;

(17) Conviction of any gross misdemeanor or felony relating to the practice of the person's profession. For the purposes of this subsection, conviction includes all instances in which a plea of guilty or nolo contendere is the basis for conviction and all proceedings in which the sentence has been deferred or suspended. Nothing in this section abrogates rights guaranteed under chapter 9.96A RCW;

(18) The procuring, or aiding or abetting in procuring, a criminal abortion;

(19) The offering, undertaking, or agreeing to cure or treat disease by a secret method, procedure, treatment, or medicine, or the treating, operating, or prescribing for any health condition by a method, means, or procedure which the licensee refuses to divulge upon demand of the disciplining authority;

(20) The willful betrayal of a practitioner-patient privilege as recognized by law;

(21) Violation of chapter 19.68 RCW;

(22) Interference with an investigation or disciplinary proceeding by willful misrepresentation of facts before the disciplining authority or its authorized representative, or by the use of threats or harassment against any patient or witness to prevent them from providing evidence in a disciplinary proceeding or any other legal action, or by the use of financial inducements to any patient or witness to prevent or attempt to prevent him or her from providing evidence in a disciplinary proceeding;

(23) Current misuse of:

(a) Alcohol;

(b) Controlled substances; or

(c) Legend drugs;

(24) Abuse of a client or patient or sexual contact with a client or patient;

(25) Acceptance of more than a nominal gratuity, hospitality, or subsidy offered by a representative or vendor of medical or health-related products or services intended for patients, in contemplation of a sale or for use in research publishable in professional journals, where a conflict of interest is presented, as defined by rules of the

disciplining authority, in consultation with the department, based on recognized professional ethical standards.

**Sec. 26.** RCW 9.96A.020 and 1999 c 16 s 1 are each amended to read as follows:

(1) Subject to the exceptions in subsections (3) ~~((and (4)))~~ through (5) of this section, and unless there is another provision of law to the contrary, a person is not disqualified from employment by the state of Washington or any of its counties, cities, towns, municipal corporations, or quasi-municipal corporations, nor is a person disqualified to practice, pursue or engage in any occupation, trade, vocation, or business for which a license, permit, certificate or registration is required to be issued by the state of Washington or any of its counties, cities, towns, municipal corporations, or quasi-municipal corporations solely because of a prior conviction of a felony. However, this section does not preclude the fact of any prior conviction of a crime from being considered.

(2) A person may be denied employment by the state of Washington or any of its counties, cities, towns, municipal corporations, or quasi-municipal corporations, or a person may be denied a license, permit, certificate or registration to pursue, practice or engage in an occupation, trade, vocation, or business by reason of the prior conviction of a felony if the felony for which he or she was convicted directly relates to the position of employment sought or to the specific occupation, trade, vocation, or business for which the license, permit, certificate or registration is sought, and the time elapsed since the conviction is less than ten years. However, for positions in the county treasurer's office, a person may be disqualified from employment because of a prior guilty plea or conviction of a felony involving embezzlement or theft, even if the time elapsed since the guilty plea or conviction is ten years or more.

(3) A person is disqualified for any certificate required or authorized under chapters 28A.405 or 28A.410 RCW, because of a prior guilty plea or the conviction of a felony involving sexual exploitation of a child under chapter 9.68A RCW, sexual offenses under chapter 9A.44 RCW where a minor is the victim, promoting prostitution of a minor under chapter 9A.88 RCW, or a violation of similar laws of another jurisdiction, even if the time elapsed since the guilty plea or conviction is ten years or more.

(4) A person is disqualified from employment by school districts, educational service districts, and their contractors hiring employees who will have regularly scheduled unsupervised access to children, because of a prior guilty plea or conviction of a felony involving sexual exploitation of a child under chapter 9.68A RCW, sexual offenses under chapter 9A.44 RCW where a minor is the victim, promoting prostitution of a minor under chapter 9A.88 RCW, or a violation of similar laws of another jurisdiction, even if the time elapsed since the guilty plea or conviction is ten years or more.

(5) The provisions of this chapter do not apply to issuance of licenses or credentials for professions regulated under chapter 18.130 RCW.

(6) Subsections (3) and (4) of this section only apply to a person applying for a certificate or for employment on or after July 25, 1993. Subsection (5) of this section only applies to a person applying for a license or credential on or after the effective date of this section.

**Sec. 27.** RCW 9.95.240 and 2003 c 66 s 1 are each amended to read as follows:

(1) Every defendant who has fulfilled the conditions of his or her probation for the entire period thereof, or who shall have been discharged from probation prior to the termination of the period thereof, may at any time prior to the expiration of the maximum period of punishment for the offense for which he or she has been convicted be permitted in the discretion of the court to withdraw his or her plea of guilty and enter a plea of not guilty, or if he or she has been convicted after a plea of not guilty, the court may in its discretion set aside the verdict of guilty; and in either case, the court may thereupon dismiss the information or indictment against such defendant, who shall thereafter be released from all penalties and disabilities resulting from the offense or crime of which he or she has been convicted. The probationer shall be informed of this right in his or her probation papers: PROVIDED, That in any subsequent

prosecution, for any other offense, such prior conviction may be pleaded and proved, and shall have the same effect as if probation had not been granted, or the information or indictment dismissed.

(2)(a) After the period of probation has expired, the defendant may apply to the sentencing court for a vacation of the defendant's record of conviction under RCW 9.94A.640. The court may, in its discretion, clear the record of conviction if it finds the defendant has met the equivalent of the tests in RCW 9.94A.640(2) as those tests would be applied to a person convicted of a crime committed before July 1, 1984.

(b) The clerk of the court in which the vacation order is entered shall immediately transmit the order vacating the conviction to the Washington state patrol identification section and to the local police agency, if any, which holds criminal history information for the person who is the subject of the conviction. The Washington state patrol and any such local police agency shall immediately update their records to reflect the vacation of the conviction, and shall transmit the order vacating the conviction to the federal bureau of investigation. **MESSAGE FROM THE SENATE**

March 5, 2008

Mr. Speaker:

The Senate has passed ENGROSSED SECOND SUBSTITUTE HOUSE BILL NO. 1773 with the following amendment:

Strike everything after the enacting clause and insert the following:

**"NEW SECTION. Sec. 1.** The legislature finds and declares that it is the policy of the state of Washington to use tolling to provide a source of transportation funding and to encourage effective use of the transportation system.

The legislature intends that the policy framework created by this act will guide subsequent legislation and decisions regarding the tolling of specific facilities and corridors. For each state-owned facility or corridor, the legislature intends that it will authorize the budget and finance plan. Specific issues that may be addressed in the finance plan and budget authorization legislation include the amount of financing required for a facility or corridor, the budget for any construction and operations financed by tolling, whether and how variable pricing will be applied, and the timing of tolling.

The legislature also intends that while the transportation commission, as the toll-setting authority, may set toll rates for facilities, corridors, or systems thereof, the legislature reserves the authority to impose tolls on any state transportation route or facility. Similarly, local or quasi-local entities that retain the power to impose

tolls may do so as long as the effect of those tolls on the state highway system is consistent with the policy guidelines detailed in this act. If the imposition of tolls could have an impact on state facilities, the state tolling authority must review and approve such tolls.

**NEW SECTION. Sec. 2.** This subchapter applies only to all state toll bridges and other state toll facilities, excluding the Washington state ferries, first authorized within this state after July 1, 2008.

**NEW SECTION. Sec. 3.** The definitions in this section apply throughout this subchapter unless the context clearly requires otherwise:

(1) "Tolling authority" means the governing body that is legally empowered to review and adjust toll rates. Unless otherwise delegated, the transportation commission is the tolling authority for all state highways.

(2) "Eligible toll facility" or "eligible toll facilities" means portions of the state highway system specifically identified by the legislature including, but not limited to, transportation corridors, bridges, crossings, interchanges, on-ramps, off-ramps, approaches, bistate facilities, and interconnections between highways.

(3) "Toll revenue" or "revenue from an eligible toll facility" means toll receipts, all interest income derived from the investment of toll receipts, and any gifts, grants, or other funds received for the benefit of the eligible toll facility.

**NEW SECTION. Sec. 4.** (1) Unless otherwise delegated, only the legislature may authorize the imposition of tolls on eligible toll facilities.

(2) All revenue from an eligible toll facility must be used only to construct, improve, preserve, maintain, manage, or operate the eligible toll facility on or in which the revenue is collected. Expenditures of toll revenues are subject to appropriation and must be made only:

(a) To cover the operating costs of the eligible toll facility, including necessary maintenance, preservation, administration, and toll enforcement by public law enforcement within the boundaries of the facility;

(b) To meet obligations for the repayment of debt and interest on the eligible toll facilities, and any other associated financing costs including, but not limited to, required reserves and insurance;

(c) To meet any other obligations to provide funding contributions for any projects or operations on the eligible toll facilities;

(d) To provide for the operations of conveyances of people or goods; or

(e) For any other improvements to the eligible toll facilities.

**NEW SECTION. Sec. 5.** Any proposal for the establishment of eligible toll facilities shall consider the following policy guidelines:

(1) Overall direction. Washington should use tolling to encourage effective use of the transportation system and provide a source of transportation funding.

(2) When to use tolling. Tolling should be used when it can be demonstrated to contribute a significant portion of the cost of a project that cannot be funded solely with existing sources or optimize the performance of the transportation system. Such tolling should, in all cases, be fairly and equitably applied in the context of the statewide transportation system and not have significant adverse impacts through the diversion of traffic to other routes that cannot otherwise be reasonably mitigated. Such tolling should also consider relevant social equity, environmental, and economic issues, and should be directed at making progress toward the state's greenhouse gas reduction goals.

(3) Use of toll revenue. All revenue from an eligible toll facility must be used only to improve, preserve, manage, or operate the eligible toll facility on or in which the revenue is collected. Additionally, toll revenue should provide for and encourage the inclusion of recycled and reclaimed construction materials.

(4) Setting toll rates. Toll rates, which may include variable pricing, must be set to meet anticipated funding obligations. To the extent possible, the toll rates should be set to optimize system performance, recognizing necessary trade-offs to generate revenue.

(5) Duration of toll collection. Because transportation infrastructure projects have costs and benefits that extend well beyond those paid for by initial construction funding, tolls on future toll facilities may remain in place to fund additional capacity, capital rehabilitation, maintenance, management, and operations, and to optimize performance of the system.

**NEW SECTION. Sec. 6.** (1) A tolling advisory committee may be created at the direction of the tolling authority for any eligible toll facilities. The tolling authority shall appoint nine members to the committee, all of whom must be permanent residents of the affected project area as defined for each project. Members of the committee shall serve without receiving compensation.

(2) The tolling advisory committee shall serve in an advisory capacity to the tolling authority on all matters related to the imposition of tolls including, but not limited to: (a) The feasibility of providing discounts; (b) the trade-off of lower tolls versus the early retirement of debt; and (c) consideration of variable or time of day pricing.

(3) In setting toll rates, the tolling authority shall consider recommendations of the tolling advisory committee.

**NEW SECTION. Sec. 7.** (1) Unless these powers are otherwise delegated by the legislature, the transportation commission is the tolling authority for the state. The tolling authority shall:

(a) Set toll rates, establish appropriate exemptions, if any, and make adjustments as conditions warrant on eligible toll facilities;

(b) Review toll collection policies, toll operations policies, and toll revenue expenditures on the eligible toll facilities and report annually on this review to the legislature.

(2) The tolling authority, in determining toll rates, shall consider the policy guidelines established in section 5 of this act.

(3) Unless otherwise directed by the legislature, in setting and periodically adjusting toll rates, the tolling authority must ensure that toll rates will generate revenue sufficient to:

(a) Meet the operating costs of the eligible toll facilities, including necessary maintenance, preservation, administration, and toll enforcement by public law enforcement;

(b) Meet obligations for the repayment of debt and interest on the eligible toll facilities, and any other associated financing costs including, but not limited to, required reserves, minimum debt coverage or other appropriate contingency funding, and insurance; and

(c) Meet any other obligations of the tolling authority to provide its proportionate share of funding contributions for any projects or operations of the eligible toll facilities.

(4) The established toll rates may include variable pricing, and should be set to optimize system performance, recognizing necessary trade-offs to generate revenue for the purposes specified in subsection (3) of this section. Toll rates may vary for type of vehicle, time of day, traffic conditions, or other factors designed to improve performance of the system.

**Sec. 8.** RCW 47.56.030 and 2002 c 114 s 19 are each amended to read as follows:

(1) Except as permitted under chapter 47.29 or 47.46 RCW:

(a) Unless otherwise delegated, and subject to section 4 of this act, the department of transportation shall have full charge of the planning, analysis, and construction of all toll bridges and other toll facilities including the Washington state ferries, and the operation and maintenance thereof.

(b) The transportation commission shall determine and establish the tolls and charges thereon (~~and shall perform all duties and exercise all powers relating to the financing, refinancing, and fiscal management of all toll bridges and other toll facilities including the Washington state ferries, and bonded indebtedness in the manner provided by law~~).

(c) Unless otherwise delegated, and subject to section 4 of this act, the department shall have full charge of planning, analysis, and

design of all toll facilities. The department may conduct the planning, analysis, and design of toll facilities as necessary to support the legislature's consideration of toll authorization.

(d) The department shall utilize and administer toll collection systems that are simple, unified, and interoperable. To the extent practicable, the department shall avoid the use of toll booths. The department shall set the statewide standards and protocols for all toll facilities within the state, including those authorized by local authorities.

(e) Except as provided in this section, the department shall proceed with the construction of such toll bridges and other facilities and the approaches thereto by contract in the manner of state highway construction immediately upon there being made available funds for such work and shall prosecute such work to completion as rapidly as practicable. The department is authorized to negotiate contracts for any amount without bid under ~~((d)(i))~~ (e)(i) and (ii) of this subsection:

(i) Emergency contracts, in order to make repairs to ferries or ferry terminal facilities or removal of such facilities whenever continued use of ferries or ferry terminal facilities constitutes a real or immediate danger to the traveling public or precludes prudent use of such ferries or facilities; and

(ii) Single source contracts for vessel dry dockings, when there is clearly and legitimately only one available bidder to conduct dry dock-related work for a specific class or classes of vessels. The contracts may be entered into for a single vessel dry docking or for multiple vessel dry dockings for a period not to exceed two years.

(2) The department shall proceed with the procurement of materials, supplies, services, and equipment needed for the support, maintenance, and use of a ferry, ferry terminal, or other facility operated by Washington state ferries, in accordance with chapter 43.19 RCW except as follows:

(a) ~~(Except as provided in (d) of this subsection,)~~ When the secretary of the department of transportation determines in writing that the use of invitation for bid is either not practicable or not advantageous to the state and it may be necessary to make competitive evaluations, including technical or performance evaluations among acceptable proposals to complete the contract award, a contract may be entered into by use of a competitive sealed proposals method, and a formal request for proposals solicitation. Such formal request for proposals solicitation shall include a functional description of the needs and requirements of the state and the significant factors.

(b) When purchases are made through a formal request for proposals solicitation the contract shall be awarded to the responsible proposer whose competitive sealed proposal is determined in writing to be the most advantageous to the state taking into consideration price and other evaluation factors set forth in the request for proposals. No significant factors may be used in evaluating a proposal that are not specified in the request for proposals. Factors that may be considered in evaluating proposals include but are not limited to: Price; maintainability; reliability; commonality; performance levels; life cycle cost if applicable under this section; cost of transportation or delivery; delivery schedule offered; installation cost; cost of spare parts; availability of parts and service offered; and the following:

(i) The ability, capacity, and skill of the proposer to perform the contract or provide the service required;

(ii) The character, integrity, reputation, judgment, experience, and efficiency of the proposer;

(iii) Whether the proposer can perform the contract within the time specified;

(iv) The quality of performance of previous contracts or services;

(v) The previous and existing compliance by the proposer with laws relating to the contract or services;

(vi) Objective, measurable criteria defined in the request for proposal. These criteria may include but are not limited to items such as discounts, delivery costs, maintenance services costs, installation costs, and transportation costs; and

(vii) Such other information as may be secured having a bearing on the decision to award the contract.

(c) When purchases are made through a request for proposal process, proposals received shall be evaluated based on the

evaluation factors set forth in the request for proposal. When issuing a request for proposal for the procurement of propulsion equipment or systems that include an engine, the request for proposal must specify the use of a life cycle cost analysis that includes an evaluation of fuel efficiency. When a life cycle cost analysis is used, the life cycle cost of a proposal shall be given at least the same relative importance as the initial price element specified in the request of proposal documents. The department may reject any and all proposals received. If the proposals are not rejected, the award shall be made to the proposer whose proposal is most advantageous to the department, considering price and the other evaluation factors set forth in the request for proposal.

~~((d) If the department is procuring large equipment or systems (e.g., electrical, propulsion) needed for the support, maintenance, and use of a ferry operated by Washington state ferries, the department shall proceed with a formal request for proposal solicitation under this subsection (2) without a determination of necessity by the secretary.))~~

**Sec. 9.** RCW 47.56.040 and 1984 c 7 s 248 are each amended to read as follows:

The department is empowered, in accordance with the provisions of this chapter, to provide for the establishment and construction of toll bridges upon any public highways of this state together with approaches thereto wherever it is considered necessary or advantageous and practicable for crossing any stream, body of water, gulch, navigable water, swamp, or other topographical formation whether that formation is within this state or constitutes a boundary between this state and an adjoining state or country. ~~((The necessity or advantage and practicability of any such toll bridge shall be determined by the department, and the feasibility of financing any toll bridge in the manner provided by this chapter shall be a primary consideration and determined according to the best judgment of the department.))~~ For the purpose of obtaining information for the consideration of the department upon the construction of any toll bridge or any other matters pertaining thereto, any cognizant officer or employee of the state shall, upon the request of the department, make reasonable examination, investigation, survey, or reconnaissance for the determination of material facts pertaining thereto and report this to the department. The cost of any such examination, investigation, survey, or reconnaissance shall be borne by the department or office conducting these activities from the funds provided for that department or office for its usual functions.

**Sec. 10.** RCW 47.56.070 and 1977 ex.s. c 151 s 67 are each amended to read as follows:

The department of transportation may, ~~((with the approval of the transportation commission))~~ in accordance with this chapter, provide for the ~~((establishment,))~~ construction~~(s)~~ and operation of toll tunnels, toll roads, and other facilities necessary for their construction and connection with public highways of the state. It may cause surveys to be made to determine the propriety of their ~~((establishment,))~~ construction~~(s)~~ and operation, and may acquire rights-of-way and other facilities necessary to carry out the provisions hereof; and may issue, sell, and redeem bonds, and deposit and expend them; secure and remit financial and other assistance in the construction thereof; carry insurance thereon; and handle any other matters pertaining thereto, all of which shall be conducted in the same manner and under the same procedure as provided for the ~~((establishing,))~~ constructing, operating, and maintaining of toll bridges by the department, insofar as reasonably consistent and applicable. ~~((No toll facility, toll bridge, toll road, or toll tunnel, shall be combined with any other toll facility for the purpose of financing unless such facilities form a continuous project, to the end that each such facility or project be self-liquidating and self-sustaining.))~~

**Sec. 11.** RCW 47.56.076 and 2006 c 311 s 19 are each amended to read as follows:

(1) Upon approval of a majority of the voters within its boundaries voting on the ballot proposition, ~~((and with the approval of the state transportation commission or its successor statewide tolling authority,))~~ a regional transportation investment district may

authorize vehicle tolls on a local or regional arterial or a state or federal highway within the boundaries of the district. The department shall administer the collection of vehicle tolls authorized on designated facilities unless otherwise specified in law or by contract, and the commission or its successor statewide tolling authority shall set and impose the tolls in amounts sufficient to implement the regional transportation investment plan under RCW 36.120.020.

(2) Consistent with section 4 of this act, vehicle tolls must first be authorized by the legislature if the tolls are imposed on a state route.

(3) Consistent with section 7 of this act, vehicle tolls, including any change in an existing toll rate, must first be reviewed and approved by the tolling authority designated in section 7 of this act if the tolls, or change in toll rate, would have a significant impact, as determined by the tolling authority, on the operation of any state facility.

**Sec. 12.** RCW 47.56.078 and 2005 c 336 s 25 are each amended to read as follows:

(1) Subject to the provisions under chapter 36.73 RCW, a transportation benefit district may authorize vehicle tolls on state routes or federal highways, city streets, or county roads, within the boundaries of the district, unless otherwise prohibited by law. The department of transportation shall administer the collection of vehicle tolls authorized on state routes or federal highways, unless otherwise specified in law or by contract, and the state transportation commission, or its successor, may approve, set, and impose the tolls in amounts sufficient to implement the district's transportation improvement finance plan. The district shall administer the collection of vehicle tolls authorized on city streets or county roads, and shall set and impose the tolls, only with approval of the transportation commission, in amounts sufficient to implement the district's transportation improvement plan. Tolls may vary for type of vehicle, for time of day, for traffic conditions, and/or other factors designed to improve performance of the facility or the transportation network.

(2) Consistent with section 4 of this act, vehicle tolls must first be authorized by the legislature if the tolls are imposed on a state route.

(3) Consistent with section 7 of this act, vehicle tolls, including any change in an existing toll rate, must first be reviewed and approved by the tolling authority designated in section 7 of this act if the tolls, or change in toll rate, would have a significant impact, as determined by the tolling authority, on the operation of any state facility.

**Sec. 13.** RCW 47.56.120 and 1977 ex.s. c 151 s 70 are each amended to read as follows:

In the event that ~~((the transportation commission should determine that))~~ any toll bridge should be constructed, all cost thereof including right-of-way, survey, and engineering shall be paid out of any funds available for payment of the cost of such toll bridge under this chapter.

**Sec. 14.** RCW 47.56.240 and 1984 c 7 s 265 are each amended to read as follows:

Except as otherwise provided in section 7 of this act, the commission is hereby empowered to fix the rates of toll and other charges for all toll bridges built under the terms of this chapter. Toll charges so fixed may be changed from time to time as conditions warrant. The commission, in establishing toll charges, shall give due consideration to the cost of operating and maintaining such toll bridge or toll bridges including the cost of insurance, and to the amount required annually to meet the redemption of bonds and interest payments on them. The tolls and charges shall be at all times fixed at rates to yield annual revenue equal to annual operating and maintenance expenses including insurance costs and all redemption payments and interest charges of the bonds issued for any particular toll bridge or toll bridges as the bonds become due. The bond redemption and interest payments constitute a first direct ~~((and exclusive))~~ charge and lien on all such tolls and other revenues and interest thereon. Sinking funds created therefrom received from the

use and operation of the toll bridge or toll bridges, and such tolls and revenues together with the interest earned thereon shall constitute a trust fund for the security and payment of such bonds and shall not be used or pledged for any other purpose as long as any of these bonds are outstanding and unpaid.

**Sec. 15.** RCW 35.74.050 and 1965 c 7 s 35.74.050 are each amended to read as follows:

A city or town may build and maintain toll bridges and charge and collect tolls thereon, and to that end may provide a system and elect or appoint persons to operate the same, or the said bridges may be made free, as it may elect.

Consistent with section 7 of this act, any toll proposed under this section, including any change in an existing toll rate, must first be reviewed and approved by the tolling authority designated in section 7 of this act if the toll, or change in toll rate, would have a significant impact, as determined by the tolling authority, on the operation of any state facility.

**Sec. 16.** RCW 36.120.050 and 2006 c 311 s 13 are each amended to read as follows:

(1) A regional transportation investment district planning committee may, as part of a regional transportation investment plan, recommend the imposition or authorization of some or all of the following revenue sources, which a regional transportation investment district may impose or authorize upon approval of the voters as provided in this chapter:

(a) A regional sales and use tax, as specified in RCW 82.14.430, of up to 0.1 percent of the selling price, in the case of a sales tax, or value of the article used, in the case of a use tax, upon the occurrence of any taxable event in the regional transportation investment district;

(b) A local option vehicle license fee, as specified under RCW 82.80.100, of up to one hundred dollars per vehicle registered in the district. As used in this subsection, "vehicle" means motor vehicle as defined in RCW 46.04.320. Certain classes of vehicles, as defined under chapter 46.04 RCW, may be exempted from this fee;

(c) A parking tax under RCW 82.80.030;

(d) A local motor vehicle excise tax under RCW 81.100.060;

(e) A local option fuel tax under RCW 82.80.120;

(f) An employer excise tax under RCW 81.100.030; and

(g) Vehicle tolls on new or reconstructed local or regional arterials or state ~~(or federal highways)~~ routes within the boundaries of the district, if the following conditions are met:

(i) ~~(Any such toll must be approved by the state transportation commission or its successor statewide tolling authority;~~

~~(ii))~~ Consistent with section 4 of this act, the vehicle toll must first be authorized by the legislature if the toll is imposed on a state route;

(ii) Consistent with section 7 of this act, the vehicle toll, including any change in an existing toll rate, must first be reviewed and approved by the tolling authority designated in section 7 of this act if the toll, or change in toll rate, would have a significant impact, as determined by the tolling authority, on the operation of any state facility;

(iii) The regional transportation investment plan must identify the facilities that may be tolled; and

~~((iii))~~ (iv) Unless otherwise specified by law, the department shall administer the collection of vehicle tolls on designated facilities, and the state transportation commission, or its successor, shall be the tolling authority, and shall act in accordance with section 7 of this act.

(2) Taxes, fees, and tolls may not be imposed or authorized without an affirmative vote of the majority of the voters within the boundaries of the district voting on a ballot proposition as set forth in RCW 36.120.070. Revenues from these taxes and fees may be used only to implement the plan as set forth in this chapter. A district may contract with the state department of revenue or other appropriate entities for administration and collection of any of the taxes or fees authorized in this section.

(3) Existing statewide motor vehicle fuel and special fuel taxes, at the distribution rates in effect on January 1, 2001, are not intended to be altered by this chapter.

**Sec. 17.** RCW 36.73.040 and 2005 c 336 s 4 are each amended to read as follows:

(2) A transportation benefit district constitutes a body corporate and possesses all the usual powers of a corporation for public purposes as well as all other powers that may now or hereafter be specifically conferred by statute, including, but not limited to, the authority to hire employees, staff, and services, to enter into contracts, to acquire, hold, and dispose of real and personal property, and to sue and be sued. Public works contract limits applicable to the jurisdiction that established the district apply to the district.

(3) To carry out the purposes of this chapter, and subject to the provisions of RCW 36.73.065, a district is authorized to impose the following taxes, fees, charges, and tolls:

(a) A sales and use tax in accordance with RCW 82.14.0455;

(b) A vehicle fee in accordance with RCW 82.80.140;

(c) A fee or charge in accordance with RCW 36.73.120.

However, if a county or city within the district area is levying a fee or charge for a transportation improvement, the fee or charge shall be credited against the amount of the fee or charge imposed by the district. Developments consisting of less than twenty residences are exempt from the fee or charge under RCW 36.73.120; and

(d) Vehicle tolls on state routes ~~(or federal highways)~~, city streets, or county roads, within the boundaries of the district, unless otherwise prohibited by law. However, consistent with section 4 of this act, the vehicle toll must first be authorized by the legislature if the toll is imposed on a state route. The department of transportation shall administer the collection of vehicle tolls authorized on state routes ~~(or federal highways)~~, unless otherwise specified in law or by contract, and the state transportation commission, or its successor, may approve, set, and impose the tolls in amounts sufficient to implement the district's transportation improvement finance plan. The district shall administer the collection of vehicle tolls authorized on city streets or county roads, and shall set and impose ~~(, only with approval of the transportation commission, or its successor;)~~ the tolls in amounts sufficient to implement the district's transportation improvement plan. However, consistent with section 7 of this act, the vehicle toll, including any change in an existing toll rate, must first be reviewed and approved by the tolling authority designated in section 7 of this act if the toll, or change in toll rate, would have a significant impact, as determined by the tolling authority, on the operation of any state facility.

**Sec. 18.** RCW 47.29.060 and 2005 c 317 s 6 are each amended to read as follows:

(1) Subject to the limitations in this section, the department may, in connection with the evaluation of eligible projects, consider any financing mechanisms identified under subsections (3) through (5) of this section or any other lawful source, either integrated as part of a project proposal or as a separate, stand-alone proposal to finance a project. Financing may be considered for all or part of a proposed project. A project may be financed in whole or in part with:

(a) The proceeds of grant anticipation revenue bonds authorized by 23 U.S.C. Sec. 122 and applicable state law. Legislative authorization and appropriation is required in order to use this source of financing;

(b) Grants, loans, loan guarantees, lines of credit, revolving lines of credit, or other financing arrangements available under the Transportation Infrastructure Finance and Innovation Act under 23 U.S.C. Sec. 181 et seq., or any other applicable federal law;

(c) Infrastructure loans or assistance from the state infrastructure bank established by RCW 82.44.195;

(d) Federal, state, or local revenues, subject to appropriation by the applicable legislative authority;

(e) User fees, tolls, fares, lease proceeds, rents, gross or net receipts from sales, proceeds from the sale of development rights, franchise fees, or any other lawful form of consideration. However, projects financed by tolls or equivalent funding sources must first be authorized by the legislature under section 4 of this act.

(2) As security for the payment of financing described in this section, the revenues from the project may be pledged, but no such pledge of revenues constitutes in any manner or to any extent a general obligation of the state. Any financing described in this section may be structured on a senior, parity, or subordinate basis to any other financing.

(3) For any transportation project developed under this chapter that is owned, leased, used, or operated by the state, as a public facility, if indebtedness is issued, it must be issued by the state treasurer for the transportation project.

(4) For other public projects defined in RCW 47.29.050(2) that are developed in conjunction with a transportation project, financing necessary to develop, construct, or operate the public project must be approved by the state finance committee or by the governing board of a public benefit corporation as provided in the federal Internal Revenue Code section 63-20;

(5) For projects that are developed in conjunction with a transportation project but are not themselves a public facility or public project, any lawful means of financing may be used.

**Sec. 19.** RCW 47.58.030 and 1984 c 7 s 290 are each amended to read as follows:

Except as otherwise provided in section 7 of this act, the secretary shall have full charge of the construction of all such improvements and reconstruction work and the construction of any additional bridge, including approaches and connecting highways, that may be authorized under this chapter and the operation of such bridge or bridges, as well as the collection of tolls and other charges for services and facilities thereby afforded. The schedule of charges for the services and facilities shall be fixed and revised from time to time by the commission so that the tolls and revenues collected will yield annual revenue and income sufficient, after payment or allowance for all operating, maintenance, and repair expenses, to pay the interest on all revenue bonds outstanding under the provisions of this chapter for account of the project and to create a sinking fund for the retirement of the revenue bonds at or prior to maturity. The charges shall be continued until all such bonds and interest thereon and unpaid advancements, if any, have been paid.

**Sec. 20.** RCW 47.60.010 and 1984 c 18 s 1 are each amended to read as follows:

The department is authorized to acquire by lease, charter, contract, purchase, condemnation, or construction, and partly by any or all of such means, and to thereafter operate, improve, and extend, a system of ferries on and crossing Puget Sound and any of its tributary waters and connections thereof, and connecting with the public streets and highways in the state. The system of ferries shall include such boats, vessels, wharves, docks, approaches, landings, franchises, licenses, and appurtenances as shall be determined by the department to be necessary or desirable for efficient operation of the ferry system and best serve the public. Subject to section 4 of this act, the department may in like manner acquire by purchase, condemnation, or construction and include in the ferry system such toll bridges, approaches, and connecting roadways as may be deemed by the department advantageous in channeling traffic to points served by the ferry system. In addition to the powers of acquisition granted by this section, the department is empowered to enter into any contracts, agreements, or leases with any person, firm, or corporation and to thereby provide, on such terms and conditions as it shall determine, for the operation of any ferry or ferries or system thereof, whether acquired by the department or not.

The authority of the department to sell and lease back any state ferry, for federal tax purposes only, as authorized by 26 U.S.C., Sec. 168(f)(8) is confirmed. Legal title and all incidents of legal title to any ferry sold and leased back (except for the federal tax benefits attributable to the ownership thereof) shall remain in the state of Washington.

**Sec. 21.** RCW 53.34.010 and 1984 c 7 s 365 are each amended to read as follows:

In addition to all other powers granted to port districts, any such district may with the consent of the department of transportation, acquire by condemnation, purchase, lease, or gift, and may construct,

reconstruct, maintain, operate, furnish, equip, improve, better, add to, extend, and lease to others in whole or in part and sell in whole or in part any one or more of the following port projects, within or without or partially within and partially without the corporate limits of the district whenever the commission of the district determines that any one or more of such projects are necessary for or convenient to the movement of commercial freight and passenger traffic a part of which traffic moves to, from, or through the territory of the district:

(1) Toll bridges;

(2) Tunnels under or upon the beds of any river, stream, or other body of water, or through mountain ranges.

In connection with the acquisition or construction of any one or more of such projects the port districts may with the consent of the state department of transportation, further acquire or construct, maintain, operate, or improve limited or unlimited access highway approaches of such length as the commission of such district deems advisable to provide means of interconnection of the facilities with public highways and of ingress and egress to any such project, including plazas and toll booths, and to construct and maintain under, along, over, or across any such project telephone, telegraph, or electric transmission wires and cables, fuel lines, gas transmission lines or mains, water transmission lines or mains, and other mechanical equipment not inconsistent with the appropriate use of the project, all for the purpose of obtaining revenues for the payment of the cost of the project.

Consistent with section 7 of this act, any toll, including any change in an existing toll rate, proposed under this section must first be reviewed and approved by the tolling authority designated in section 7 of this act if the toll, or change in toll rate, would have a significant impact, as determined by the tolling authority, on the operation of any state facility.

**NEW SECTION. Sec. 22.** The following acts or parts of acts are each repealed:

· RCW 47.56.0761 (Regional transportation investment district--Tolls on Lake Washington bridges) and 2006 c 311 s 20; and

· RCW 47.56.080 (Construction of toll bridges and issuance of bonds authorized) and 1977 ex.s. c 151 s 68 & 1961 c 13 s 47.56.080.

**NEW SECTION. Sec. 23.** A new section is added to chapter 47.56 RCW to read as follows:

The toll collection account is created in the custody of the state treasurer. All receipts from prepaid customer tolls must be deposited into the account. Distributions from the account may be used only to refund customers' prepaid tolls or for distributions into the appropriate toll facility account. Distributions into the appropriate toll facility account shall be based on charges incurred at each toll facility and shall include a proportionate share of interest earned from amounts deposited into the account. For purposes of accounting, distributions from the account constitute earned toll revenues in the receiving toll facility account at the time of distribution. Only the secretary of transportation or the secretary's designee may authorize distributions from the account. Distributions of revenue and refunds from this account are not subject to the allotment procedures under chapter 43.88 RCW and an appropriation is not required.

**Sec. 24.** RCW 43.79A.040 and 2007 c 523 s 5, 2007 c 357 s 21, and 2007 c 214 s 14 are each reenacted and amended to read as follows:

(1) Money in the treasurer's trust fund may be deposited, invested, and reinvested by the state treasurer in accordance with RCW 43.84.080 in the same manner and to the same extent as if the money were in the state treasury.

(2) All income received from investment of the treasurer's trust fund shall be set aside in an account in the treasury trust fund to be known as the investment income account.

(3) The investment income account may be utilized for the payment of purchased banking services on behalf of treasurer's trust funds including, but not limited to, depository, safekeeping, and

disbursement functions for the state treasurer or affected state agencies. The investment income account is subject in all respects to chapter 43.88 RCW, but no appropriation is required for payments to financial institutions. Payments shall occur prior to distribution of earnings set forth in subsection (4) of this section.

(4)(a) Monthly, the state treasurer shall distribute the earnings credited to the investment income account to the state general fund except under (b) and (c) of this subsection.

(b) The following accounts and funds shall receive their proportionate share of earnings based upon each account's or fund's average daily balance for the period: The Washington promise scholarship account, the college savings program account, the Washington advanced college tuition payment program account, the agricultural local fund, the American Indian scholarship endowment fund, the foster care scholarship endowment fund, the foster care endowed scholarship trust fund, the students with dependents grant account, the basic health plan self-insurance reserve account, the contract harvesting revolving account, the Washington state combined fund drive account, the commemorative works account, the Washington international exchange scholarship endowment fund, the toll collection account, the developmental disabilities endowment trust fund, the energy account, the fair fund, the family leave insurance account, the fruit and vegetable inspection account, the future teachers conditional scholarship account, the game farm alternative account, the GET ready for math and science scholarship account, the grain inspection revolving fund, the juvenile accountability incentive account, the law enforcement officers' and firefighters' plan 2 expense fund, the local tourism promotion account, the produce railcar pool account, the regional transportation investment district account, the rural rehabilitation account, the stadium and exhibition center account, the youth athletic facility account, the self-insurance revolving fund, the sulfur dioxide abatement account, the children's trust fund, the Washington horse racing commission Washington bred owners' bonus fund account, the Washington horse racing commission class C purse fund account, the individual development account program account, the Washington horse racing commission operating account (earnings from the Washington horse racing commission operating account must be credited to the Washington horse racing commission class C purse fund account), the life sciences discovery fund, the Washington state heritage center account, and the reading achievement account. However, the earnings to be distributed shall first be reduced by the allocation to the state treasurer's service fund pursuant to RCW 43.08.190.

(c) The following accounts and funds shall receive eighty percent of their proportionate share of earnings based upon each account's or fund's average daily balance for the period: The advanced right-of-way revolving fund, the advanced environmental mitigation revolving account, the city and county advance right-of-way revolving fund, the federal narcotics asset forfeitures account, the high occupancy vehicle account, the local rail service assistance account, and the miscellaneous transportation programs account.

(5) In conformance with Article II, section 37 of the state Constitution, no trust accounts or funds shall be allocated earnings without the specific affirmative directive of this section.

**NEW SECTION. Sec. 25.** Sections 1 through 7 of this act are each added to chapter 47.56 RCW under the subchapter heading "toll facilities created after July 1, 2008."

#### MESSAGE FROM THE SENATE

March 6, 2008

Mr. Speaker:

The Senate has passed SUBSTITUTE HOUSE BILL NO. 2014 with the following amendment:

Strike everything after the enacting clause and insert the following:

"Sec. 1. RCW 64.34.440 and 1992 c 220 s 25 are each amended to read as follows:

(1)(a) A declarant of a conversion condominium, and any dealer who intends to offer units in such a condominium, shall give each of the residential tenants and any residential subtenant in possession of a portion of a conversion condominium notice of the conversion and provide those persons with the public offering statement no later than ~~((ninety))~~ one hundred twenty days before the tenants and any subtenant in possession are required to vacate. The notice must:

(i) Set forth generally the rights of tenants and subtenants under this section ~~((and shall));~~

(ii) Be delivered pursuant to notice requirements set forth in RCW 59.12.040; and

(iii) Expressly state whether there is a county or city relocation assistance program for tenants or subtenants of conversion condominiums in the jurisdiction in which the property is located. If the county or city does have a relocation assistance program, the following must also be included in the notice:

(A) A summary of the terms and conditions under which relocation assistance is paid; and

(B) Contact information for the city or county relocation assistance program, which must include, at a minimum, a telephone number of the city or county department that administers the relocation assistance program for conversion condominiums.

(b) No tenant or subtenant may be required to vacate upon less than ~~((ninety))~~ one hundred twenty days' notice, except by reason of nonpayment of rent, waste, conduct that disturbs other tenants' peaceful enjoyment of the premises, or act of unlawful detainer as defined in RCW 59.12.030, and the terms of the tenancy may not be altered during that period except as provided in (c) of this subsection.

(c) At the declarant's option, the declarant may provide all tenants in a single building with an option to terminate their lease or rental agreements without cause or consequence after providing the declarant with thirty days' notice. In such case, tenants continue to have access to relocation assistance under subsection (6)(e) of this section.

(d) Nothing in this subsection shall be deemed to waive or repeal RCW 59.18.200(2). Failure to give notice as required by this section is a defense to an action for possession.

(e) The city or county in which the property is located may require the declarant to forward a copy of the conversion notice required in (a) of this subsection to the appropriately designated department or agency in the city or county for the purpose of maintaining a list of conversion condominium projects proposed in the jurisdiction.

(2) For sixty days after delivery or mailing of the notice described in subsection (1) of this section, the person required to give the notice shall offer to convey each unit or proposed unit occupied for residential use to the tenant who leases that unit. If a tenant fails to purchase the unit during that sixty-day period, the offeror may offer to dispose of an interest in that unit during the following one hundred eighty days at a price or on terms more favorable to the offeree than the price or terms offered to the tenant only if: (a) Such offeror, by written notice mailed to the tenant's last known address, offers to sell an interest in that unit at the more favorable price and terms, and (b) such tenant fails to accept such offer in writing within ten days following the mailing of the offer to the tenant. This subsection does not apply to any unit in a conversion condominium if that unit will be restricted exclusively to nonresidential use or the boundaries of the converted unit do not substantially conform to the dimensions of the residential unit before conversion.

(3) If a seller, in violation of subsection (2) of this section, conveys a unit to a purchaser for value who has no knowledge of the violation, recording of the deed conveying the unit extinguishes any right a tenant may have to purchase that unit but does not affect the right of a tenant to recover damages from the seller for a violation of subsection (2) of this section.

(4) If a notice of conversion specifies a date by which a unit or proposed unit must be vacated and otherwise complies with the provisions of this chapter and chapter 59.18 RCW, the notice also constitutes a notice to vacate specified by that statute.

(5) Nothing in this section permits termination of a lease by a declarant in violation of its terms.

(6) Notwithstanding RCW 64.34.050(1), a city or county may by appropriate ordinance require with respect to any conversion condominium within the jurisdiction of such city or county that:

(a) In addition to the statement required by RCW 64.34.415(1)(a), the public offering statement shall contain a copy of the written inspection report prepared by the appropriate department of such city or county, which report shall list any violations of the housing code or other governmental regulation, which code or regulation is applicable regardless of whether the real property is owned as a condominium or in some other form of ownership; said inspection shall be made within forty-five days of the declarant's written request therefor and said report shall be issued within fourteen days of said inspection being made. Such inspection may not be required with respect to any building for which a final certificate of occupancy has been issued by the city or county within the preceding twenty-four months; and any fee imposed for the making of such inspection may not exceed the fee that would be imposed for the making of such an inspection for a purpose other than complying with this subsection (6)(a);

(b) Prior to the conveyance of any residential unit within a conversion condominium, other than a conveyance to a declarant or affiliate of a declarant: (i) All violations disclosed in the inspection report provided for in (a) of this subsection, and not otherwise waived by such city or county, shall be repaired, and (ii) a certification shall be obtained from such city or county that such repairs have been made, which certification shall be based on a reinspection to be made within seven days of the declarant's written request therefor and which certification shall be issued within seven days of said reinspection being made;

(c) The repairs required to be made under (b) of this subsection shall be warranted by the declarant against defects due to workmanship or materials for a period of one year following the completion of such repairs;

(d) Prior to the conveyance of any residential unit within a conversion condominium, other than a conveyance to a declarant or affiliate of a declarant: (i) The declarant shall establish and maintain, during the one-year warranty period provided under (c) of this subsection, an account containing a sum equal to ten percent of the actual cost of making the repairs required under (b) of this subsection; (ii) during the one-year warranty period, the funds in such account shall be used exclusively for paying the actual cost of making repairs required, or for otherwise satisfying claims made, under such warranty; (iii) following the expiration of the one-year warranty period, any funds remaining in such account shall be immediately disbursed to the declarant; and (iv) the declarant shall notify in writing the association and such city or county as to the location of such account and any disbursements therefrom; ~~((and))~~

(e)(i) A declarant shall pay relocation assistance ~~((not to exceed five hundred dollars per unit shall be paid)), in an amount to be determined by the city or county, which may not exceed a sum equal to three months of the tenant's or subtenant's rent at the time the conversion notice required under subsection (1) of this section is received, to tenants and subtenants;~~

(A) Who do not elect ~~((not))~~ to purchase a unit ~~((and));~~

(B) Who are in lawful occupancy for residential purposes of a unit; and

(C) Whose ~~((monthly))~~ annual household income from all sources, on the date of the notice described in subsection (1) of this section, was less than an amount equal to eighty percent of ~~((the))~~;

(I) The ~~((monthly))~~ annual median income for comparably sized households in the standard metropolitan statistical area, as defined and established by the United States department of housing and urban development, in which the condominium is located ~~((;))~~; or ~~((the))~~

(II) If the condominium is not within a standard metropolitan statistical area, the ~~((monthly))~~ annual median income for comparably sized households in the state of Washington, as defined and determined by said department.

The household size of a unit shall be based on the number of persons actually in lawful occupancy of the unit. The tenant or subtenant actually in lawful occupancy of the unit shall be entitled to the relocation assistance. Relocation assistance shall be paid on or before the date the tenant or subtenant vacates and shall be in addition to any damage deposit or other compensation or refund to

which the tenant is otherwise entitled. Unpaid rent or other amounts owed by the tenant or subtenant to the landlord may be offset against the relocation assistance;

(ii) Elderly or special needs tenants who otherwise meet the requirements of (e)(i)(A) of this subsection shall receive relocation assistance, the greater of:

(A) The sum described in (e)(i) of this subsection; or

(B) The sum of actual relocation expenses of the tenant, up to a maximum of one thousand five hundred dollars in excess of the sum described in (e)(i) of this subsection, which may include costs associated with the physical move, first month's rent, and the security deposit for the dwelling unit to which the tenant is relocating, rent differentials for up to a six-month period, and any other reasonable costs or fees associated with the relocation. Receipts for relocation expenses must be provided to the declarant by eligible tenants, and declarants shall provide the relocation assistance to tenants in a timely manner. The city or county may provide additional guidelines for the relocation assistance;

(iii) For the purposes of this subsection (6)(e):

(A) "Special needs" means, but is not limited to, a chronic mental illness or physical disability, a developmental disability, or other condition affecting cognition, disease, chemical dependency, or a medical condition that is permanent, not reversible or curable, or is long lasting, and severely limits a person's mental or physical capacity for self-care; and

(B) "Elderly" means a person who is at least sixty-five years of age;

(f) Except as authorized under (g) of this subsection, a declarant and any dealer shall not begin any construction, remodeling, or repairs to any interior portion of an occupied building that is to be converted to a condominium during the one hundred twenty-day notice period provided for in subsection (1) of this section unless all residential tenants and residential subtenants who have elected not to purchase a unit and who are in lawful occupancy in the building have vacated the premises. For the purposes of this subsection:

(i) "Construction, remodeling, or repairs" means the work that is done for the purpose of converting the condominium, not work that is done to maintain the building or lot for the residential use of the existing tenants or subtenants;

(ii) "Occupied building" means a stand-alone structure occupied by tenants and does not include other stand-alone buildings located on the property or detached common area facilities; and

(g)(i) If a declarant or dealer has offered existing tenants an option to terminate an existing lease or rental agreement without cause or consequence as authorized under subsection (1)(c) of this section, a declarant and any dealer may begin construction, remodeling, or repairs to interior portions of an occupied building (A) to repair or remodel vacant units to be used as model units, if the repair or remodel is limited to one model for each unit type in the building, (B) to repair or remodel a vacant unit or common area for use as a sales office, or (C) to do both.

(ii) The work performed under this subsection (6)(g) must not violate the tenant's or subtenant's rights of quiet enjoyment during the one hundred twenty-day notice period.

(7) Violations of any city or county ordinance adopted as authorized by subsection (6) of this section shall give rise to such remedies, penalties, and causes of action which may be lawfully imposed by such city or county. Such violations shall not invalidate the creation of the condominium or the conveyance of any interest therein.

**Sec. 2.** RCW 82.02.020 and 2006 c 149 s 3 are each amended to read as follows:

Except only as expressly provided in chapters 67.28 and 82.14 RCW, the state preempts the field of imposing taxes upon retail sales of tangible personal property, the use of tangible personal property, parimutuel wagering authorized pursuant to RCW 67.16.060, conveyances, and cigarettes, and no county, town, or other municipal subdivision shall have the right to impose taxes of that nature. Except as provided in RCW 64.34.440 and 82.02.050 through 82.02.090, no county, city, town, or other municipal corporation shall impose any tax, fee, or charge, either direct or indirect, on the construction or reconstruction of residential buildings, commercial

buildings, industrial buildings, or on any other building or building space or appurtenance thereto, or on the development, subdivision, classification, or reclassification of land. However, this section does not preclude dedications of land or easements within the proposed development or plat which the county, city, town, or other municipal corporation can demonstrate are reasonably necessary as a direct result of the proposed development or plat to which the dedication of land or easement is to apply.

This section does not prohibit voluntary agreements with counties, cities, towns, or other municipal corporations that allow a payment in lieu of a dedication of land or to mitigate a direct impact that has been identified as a consequence of a proposed development, subdivision, or plat. A local government shall not use such voluntary agreements for local off-site transportation improvements within the geographic boundaries of the area or areas covered by an adopted transportation program authorized by chapter 39.92 RCW. Any such voluntary agreement is subject to the following provisions:

(1) The payment shall be held in a reserve account and may only be expended to fund a capital improvement agreed upon by the parties to mitigate the identified, direct impact;

(2) The payment shall be expended in all cases within five years of collection; and

(3) Any payment not so expended shall be refunded with interest to be calculated from the original date the deposit was received by the county and at the same rate applied to tax refunds pursuant to RCW 84.69.100; however, if the payment is not expended within five years due to delay attributable to the developer, the payment shall be refunded without interest.

No county, city, town, or other municipal corporation shall require any payment as part of such a voluntary agreement which the county, city, town, or other municipal corporation cannot establish is reasonably necessary as a direct result of the proposed development or plat.

Nothing in this section prohibits cities, towns, counties, or other municipal corporations from collecting reasonable fees from an applicant for a permit or other governmental approval to cover the cost to the city, town, county, or other municipal corporation of processing applications, inspecting and reviewing plans, or preparing detailed statements required by chapter 43.21C RCW.

This section does not limit the existing authority of any county, city, town, or other municipal corporation to impose special assessments on property specifically benefitted thereby in the manner prescribed by law.

Nothing in this section prohibits counties, cities, or towns from imposing or permits counties, cities, or towns to impose water, sewer, natural gas, drainage utility, and drainage system charges: PROVIDED, That no such charge shall exceed the proportionate share of such utility or system's capital costs which the county, city, or town can demonstrate are attributable to the property being charged: PROVIDED FURTHER, That these provisions shall not be interpreted to expand or contract any existing authority of counties, cities, or towns to impose such charges.

Nothing in this section prohibits a transportation benefit district from imposing fees or charges authorized in RCW 36.73.120 nor prohibits the legislative authority of a county, city, or town from approving the imposition of such fees within a transportation benefit district.

Nothing in this section prohibits counties, cities, or towns from imposing transportation impact fees authorized pursuant to chapter 39.92 RCW.

Nothing in this section prohibits counties, cities, or towns from requiring property owners to provide relocation assistance to tenants under RCW 59.18.440 and 59.18.450.

Nothing in this section limits the authority of counties, cities, or towns to implement programs consistent with RCW 36.70A.540, nor to enforce agreements made pursuant to such programs.

This section does not apply to special purpose districts formed and acting pursuant to Titles 54, 57, or 87 RCW, nor is the authority conferred by these titles affected.

NEW SECTION. **Sec. 3.** A new section is added to chapter 64.34 RCW to read as follows:

(1) All cities and counties planning under RCW 36.70A.040, which have allowed any conversion condominiums within the jurisdiction within the previous twelve-month period, must report annually to the department of community, trade, and economic development the following information:

(a) The total number of apartment units converted into condominiums;

(b) The total number of conversion condominium projects; and

(c) The total number of apartment tenants who receive relocation assistance.

Mr. Speaker:

The Senate has passed SECOND ENGROSSED SECOND SUBSTITUTE HOUSE BILL NO. 2176 with the following amendment:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. A new section is added to chapter 2.43 RCW to read as follows:

(1) Each trial court organized under this title and Titles 3 and 35 RCW must develop a written language assistance plan to provide a framework for the provision of interpreter services for non-English-speaking persons accessing the court system in both civil and criminal legal matters. The language assistance plan must include, at a minimum, provisions addressing the following:

(a) Procedures to identify and assess the language needs of non-English-speaking persons using the court system;

(b) Procedures for the appointment of interpreters as required under RCW 2.43.030. Such procedures shall not require the non-English-speaking person to make the arrangements for the interpreter to appear in court;

(c) Procedures for notifying court users of the right to and availability of interpreter services. Such information shall be

prominently displayed in the courthouse in the five foreign languages that census data indicates are predominate in the jurisdiction;

(d) A process for providing timely communication with non-English speakers by all court employees who have regular contact with the public and meaningful access to court services, including access to services provided by the clerk's office;

(e) Procedures for evaluating the need for translation of written materials, prioritizing those translation needs, and translating the highest priority materials. These procedures should take into account the frequency of use of forms by the language group, and the cost of orally interpreting the forms;

(f) A process for requiring and providing training to judges, court clerks, and other court staff on the requirements of the language assistance plan and how to effectively access and work with interpreters; and

(g) A process for ongoing evaluation of the language assistance plan and monitoring of the implementation of the language assistance plan.

(2) Each court, when developing its language assistance plan, must consult with judges, court administrators and court clerks, interpreters, and members of the community, such as domestic violence organizations, pro bono programs, courthouse facilitators, legal services programs, and/or other community groups whose members speak a language other than English.

(3) Each court must provide a copy of its language assistance plan to the interpreter commission established by supreme court rule for approval prior to receiving state reimbursement for interpreter costs under this chapter.

(4) Each court receiving reimbursement for interpreter costs under RCW 2.42.120 or 2.43.040 must provide to the administrative office of the courts by November 15, 2009, a report detailing an assessment of the need for interpreter services for non-English speakers in court-mandated classes or programs, the extent to which interpreter services are currently available for court-mandated classes or programs, and the resources that would be required to ensure that interpreters are provided to non-English speakers in court-mandated classes or programs. The report shall also include the amounts spent annually on interpreter services for fiscal years 2005, 2006, 2007, 2008, and 2009. The administrative office of the courts shall compile these reports and provide them along with the specific reimbursements provided, by court and fiscal year, to the appropriate committees of the legislature by December 15, 2009.

(4) If a law enforcement agency conducts a criminal investigation involving the interviewing of a hearing impaired person, whether as a victim, witness, or suspect, the appointing authority shall appoint and pay for a qualified interpreter throughout the investigation. Whenever a law enforcement agency conducts a criminal investigation involving the interviewing of a minor child whose parent, guardian, or custodian is hearing impaired, whether as a victim, witness, or suspect, the appointing authority shall appoint

(5) If a hearing impaired person is arrested for an alleged violation of a criminal law the arresting officer or the officer's supervisor shall, at the earliest possible time, procure and arrange payment for a qualified interpreter for any notification of rights, warning, interrogation, or taking of a statement. (6) Where it is the policy and practice of a court of this state or of a political subdivision to appoint and pay counsel for persons who are indigent, the appointing authority shall appoint and pay for a qualified interpreter for hearing impaired persons to facilitate communication with counsel in all phases of the preparation and presentation of the case.

### MESSAGE FROM THE SENATE

March 6, 2008

Mr. Speaker:

The Senate has passed SUBSTITUTE HOUSE BILL NO. 2472 with the following amendment:

Strike everything after the enacting clause and insert the following:

**"NEW SECTION. Sec. 1.** (1) The legislature finds that recreational opportunities are instrumental in promoting human health and well-being and are part of the heritage of Washington state. State trust lands, aquatic lands, and other state-owned lands managed by the department of natural resources provide significant recreational opportunities, along with other social, economic, and environmental benefits. Lands managed by the department of natural resources provide, among other values:

- (a) Renewable energy resources;
- (b) Sustainable revenue for school construction, local governments, and other state institutions;
- (c) Recreational and educational opportunities;
- (d) Habitat for fish and wildlife;
- (e) Clean air and water; and
- (f) Funding for restoration and public access to state-owned aquatic lands.

(2) The legislature further finds that the state's population has nearly doubled from three million four hundred thousand to six million five hundred thousand since the multiple use concept was adopted under chapter 79.10 RCW, and is projected to increase by another two million two hundred thousand by 2030. Population growth has increased demand for recreational access and presents current and future challenges that must be addressed, such as: Increasing potential for conflict with adjacent and nearby land uses, including residential land uses; new forms of trail-based recreation that compete with traditional uses; the rapid increase of motorized and mechanized recreation; changes in ownership patterns of large land holdings across the state; the incompatibility of certain human activities with environmental protections for endangered species, clean water, clean air, climate impacting emissions, and habitat; and increased competition for funding.

(3) The legislature further finds that efforts by the department of natural resources to consolidate state trust lands will provide more opportunities for citizens to access larger blocks of state-owned lands. Therefore, it is prudent to reexamine the policies for recreational access on state-owned lands and establish a vision for the future with recommended policy improvements that are:

- (a) Environmentally responsible;
- (b) Sustainably funded; and
- (c) Compatible with trust land and state land management obligations.

**NEW SECTION. Sec. 2.** (1) A work group is established to make recommendations to improve recreation on state trust lands, aquatic lands, and other state-owned lands managed by the department of natural resources.

(2) The work group's recommendations to improve recreation on state-owned lands must be compatible with adjacent and nearby

land uses, including residential land uses. The work group shall examine relevant existing laws and rules and recommend policy changes and funding alternatives for consideration by the legislature to ensure safe, sustainable, and enjoyable recreational access. In conducting this work, the work group must consider: The legal obligations for trusts, aquatic lands, and natural areas; consistency with environmental standards needed to protect lands and natural systems; and related work group recommendations such as the Puget Sound action agenda defined in chapter 90.71 RCW, the Washington biodiversity strategy created in executive order 04-02, and the invasive species council recommendations defined in chapter 79A.25 RCW. The work group must provide recommendations on ways to coordinate trail maintenance work with volunteer organizations on state-owned lands.

(3) The work group is comprised of a balanced representation of individuals with recreational interests and knowledge regarding specific regions of the state. The work group must consist of no more than twenty-eight members appointed by the commissioner of public lands in consultation with the following entities:

- (a) Recreational associations and organizations;
- (b) Environmental protection associations and organizations;
- (c) Corporate and community leaders;
- (d) Major landowners;
- (e) Local governments;
- (f) Tribal governments;
- (g) The United States forest service;
- (h) The parks and recreation commission;
- (i) The recreation and conservation office;
- (j) The department of fish and wildlife;
- (k) State trust land beneficiaries;
- (l) State land leaseholders and contractors;
- (m) A representative of the governor, appointed by the governor; and

(n) Members of the senate appointed by the president of the senate and members of the house of representatives appointed by the speaker of the house of representatives.

(4) The commissioner of public lands, or the commissioner's designee, shall serve as chair, and the department of natural resources shall provide technical and staff support for the work group created by this section.

(5) Work group members that are not employees of state or federal agencies shall be compensated as provided in RCW 43.03.250 and shall receive reimbursement for travel expenses as provided by RCW 43.03.050 and 43.03.060. Costs associated with the work group must be paid by the department of natural resources from the appropriation made available to the department of natural resources for the purpose of this study.

(6) The work group shall conduct a minimum of two open public workshops to solicit input from key stakeholders, citizens, and local jurisdictions, at least one of which must be conducted in a location east of the crest of the Cascade mountain range.

(7) The work group shall hold meetings, at diverse locations throughout the state, to gather input from key stakeholders, citizens, and local jurisdictions regarding the group's proposed recommendations.

(8) The work group shall coordinate with the stakeholder recreational advisory committees appointed or established by the commissioner of public lands.

(9) The commissioner of public lands shall submit to the appropriate standing committees of the legislature, no later than December 1, 2008, a progress report with preliminary findings and recommendations. The commissioner of public lands must submit a final report by December 1, 2009, with findings and recommendations for legislation that is necessary to implement the work group's findings.

(a) The reports must include an assessment of how various kinds of recreation affect the costs and risks to:

- (i) The interests of beneficiaries of state lands;
- (ii) Private landowners, federal landowners, and state government due to increased wildfire risks;
- (iii) Local and state government due to personal injury and property damage;
- (iv) Natural habitat, water quality, and air quality; and

(v) The land uses and management plans of adjacent landowners.

(b) The reports must include recommendations for appropriate fund sources to mitigate these identified risks."

On page 1, line 4 of the title, after "resources;" strike the remainder of the title and insert "and creating new sections."

and the same is herewith transmitted.

(h) Law enforcement officers and firefighters of each political subdivision of this state who are covered by the Washington law enforcement officers' and firefighters' retirement system act (~~(chapter 209, Laws of 1969 ex. sess.) as now in existence or hereafter amended~~), chapter 41.26 RCW, shall constitute a separate "coverage group" for purposes of the agreement entered into under this section and for purposes of section 218 of the social security act. (~~To the extent that the agreement between this state and the federal secretary of health, education, and welfare in existence on the date of the adoption of this subsection is inconsistent with this subsection, the governor shall seek to modify the inconsistency.~~)

(2) Any instrumentality jointly created by this state and any other state or states is hereby authorized, upon the granting of like authority by such other state or states, (a) to enter into an agreement with the secretary of health(~~(; education, and welfare)~~) and human services whereby the benefits of the federal old-age and survivors

insurance system shall be extended to employees of such instrumentality, (b) to require its employees to pay (and for that purpose to deduct from their wages) contributions equal to the amounts which they would be required to pay under RCW 41.48.040(1) if they were covered by an agreement made pursuant to subsection (1) of this section, and (c) to make payments to the secretary of the treasury in accordance with such agreement, including payments from its own funds, and otherwise to comply with such agreements. Such agreement shall, to the extent practicable, be consistent with the terms and provisions of subsection (1) of this section and other provisions of this chapter.

(3) The governor is empowered to authorize a referendum, and to designate an agency or individual to supervise its conduct, in accordance with the requirements of section 218(d)(3) of the social security act, and subsection (4) of this section on the question of whether service in all positions covered by a retirement system established by the state or by a political subdivision thereof should be excluded from or included under an agreement under this chapter. If a retirement system covers positions of employees of the state of Washington, of the institutions of higher learning, and positions of employees of one or more of the political subdivisions of the state, then for the purpose of the referendum as provided ~~((herein))~~ in this section, there may be deemed to be a separate retirement system with respect to employees of the state, or any one or more of the political subdivisions, or institutions of higher learning and the governor shall authorize a referendum upon request of the subdivisions' or institutions' of higher learning governing body: PROVIDED HOWEVER, That if a referendum of state employees generally fails to produce a favorable majority vote then the governor may authorize a referendum covering positions of employees in any state department who are compensated in whole or in part from grants made to this state under Title III of the federal social security act: PROVIDED, That any city or town affiliated with the statewide city employees retirement system organized under chapter 41.44 RCW may at its option agree to a plan submitted by the board of trustees of ~~((said))~~ that statewide city employees retirement system for inclusion under an agreement under this chapter if the referendum to be held as provided ~~((herein))~~ in this section indicates a favorable result: PROVIDED FURTHER, That the teachers' retirement system be considered one system for the purpose of the referendum except as applied to the several colleges of education. The notice of referendum required by section 218(d)(3)(C) of the social security act to be given to employees shall contain or shall be accompanied by a statement, in such form and such detail as the agency or individual designated to supervise the referendum shall deem necessary and sufficient, to inform the employees of the rights which will accrue to them and their dependents and survivors, and the liabilities to which they will be subject, if their services are included under an agreement under this chapter.

(4) The governor, before authorizing a referendum, shall require the following conditions to be met:

(a) The referendum shall be by secret written ballot on the question of whether service in positions covered by such retirement system shall be excluded from or included under the agreement between the governor and the secretary of health ~~((education, and welfare))~~ and human services provided for in ~~((RCW 41.48.030(1)))~~ subsection (1) of this section;

(b) An opportunity to vote in such referendum shall be given and shall be limited to eligible employees;

(c) Not less than ninety days' notice of such referendum shall be given to all such employees;

(d) Such referendum shall be conducted under the supervision ~~((f))~~ of the governor or (g)) of an agency or individual designated by the governor;

~~((e))~~ (i) The proposal for coverage shall be approved only if a majority of the eligible employees vote in favor of including services in such positions under the agreement;

(ii) Coverage obtained through a divided referendum process shall extend coverage to law enforcement officers, firefighters, and employees of political subdivisions of this state, who have membership in a qualified retirement system, allowing them to obtain medicare coverage only (HI-only). In such a divided referendum process, those members voting in favor of medicare coverage constitute a separate coverage group;

(f) The state legislature, in the case of a referendum affecting the rights and liabilities of state employees covered under the state employees' retirement system and employees under the teachers' retirement system, and in all other cases the local legislative authority or governing body, shall have specifically approved the proposed plan and approved any necessary structural adjustment to the existing system to conform with the proposed plan;

(g) In the case of a referendum authorized under section 218(d)(6) of the social security act and (e)(ii) of this subsection, the retirement system will be divided into two parts or divisions. One part or division of the retirement system shall be composed of positions of those members of the system who desire coverage under the agreement as permitted by this section. The remaining part or division of the retirement system shall be composed of positions of those members who do not desire coverage under such an agreement. Each part or division is a separate retirement system for the purposes of section 218(d) of the social security act. The positions of individuals who become members of the system after the coverage is extended shall be included in the part or division of the system composed of members desiring the coverage with the exception of positions that are excluded in the agreement.

(5) Upon receiving satisfactory evidence that with respect to any such referendum the conditions specified in subsection (4) of this section and section 218(d)(3) of the social security act have been met, the governor shall so certify to the secretary of health ~~((education, and welfare))~~ and human services.

(6) If the legislative body of any political subdivision of this state certifies to the governor that a referendum has been held under the terms of RCW 41.48.050(1)(i) and gives notice to the governor of termination of social security for any coverage group of the political subdivision, the governor shall give two years advance notice in writing to the federal department of health ~~((education, and welfare))~~ and human services of ~~((such))~~ the termination of the agreement entered into under this section with respect to ~~((said))~~ that coverage group."

### MESSAGE FROM THE SENATE

March 6, 2008

Mr. Speaker:

The Senate has passed SECOND SUBSTITUTE HOUSE BILL NO. 2514 with the following amendment:

Strike everything after the enacting clause and insert the following:

**NEW SECTION. Sec. 1.** The legislature finds that the resident population of orca whales in Washington waters (*Orcinus orca*), commonly referred to as the southern residents, are enormously significant to the state. These highly social, intelligent, and playful marine mammals, which the legislature designated as the official marine mammal of the state of Washington, serve as a symbol of the Pacific Northwest and illustrate the biological diversity and rich natural heritage that all Washington citizens and its visitors enjoy.

However, the legislature also finds that the southern resident orcas are currently in a serious decline. Southern residents experienced an almost twenty percent decline between 1996 and 2001. The federal government listed this orca population as depleted in 2003, and as an endangered species in 2005. The federal government has identified impacts from vessels as a significant threat to these marine mammals.

In 2006, after listing the southern resident orcas as endangered, the federal government designated critical orca habitat and released a proposed recovery plan for the southern resident orcas. The federal government has initiated the process to adopt orca conservation rules, but this process may be lengthy. Additionally, although existing whale and wildlife viewing guidelines are an excellent educational resource, these guidelines are voluntary measures that cannot be enforced.

Therefore, the legislature intends to protect southern resident orca whales from impacts from vessels, and to educate the public on how to reduce the risk of disturbing these important marine mammals.

**NEW SECTION. Sec. 2.** A new section is added to chapter 77.15 RCW to read as follows:

(1) Except as provided in subsection (2) of this section, it is unlawful to:

(a) Approach, by any means, within three hundred feet of a southern resident orca whale (*Orcinus orca*);

(b) Cause a vessel or other object to approach within three hundred feet of a southern resident orca whale;

(c) Intercept a southern resident orca whale. A person intercepts a southern resident orca whale when that person places a vessel or allows a vessel to remain in the path of a whale and the whale approaches within three hundred feet of that vessel;

(d) Fail to disengage the transmission of a vessel that is within three hundred feet of a southern resident orca whale, for which the vessel operator is strictly liable; or

(e) Feed a southern resident orca whale, for which any person feeding a southern resident orca whale is strictly liable.

(2) A person is exempt from subsection (1) of this section where:

(a) A reasonably prudent person in that person's position would determine that compliance with the requirements of subsection (1) of this section will threaten the safety of the vessel, the vessel's crew or passengers, or is not feasible due to vessel design limitations, or because the vessel is restricted in its ability to maneuver due to wind, current, tide, or weather;

(b) That person is lawfully participating in a commercial fishery and is engaged in actively setting, retrieving, or closely tending commercial fishing gear;

(c) That person is acting in the course of official duty for a state, federal, tribal, or local government agency; or

(d) That person is acting pursuant to and consistent with authorization from a state or federal government agency.

(3) Nothing in this section is intended to conflict with existing rules regarding safe operation of a vessel or vessel navigation rules.

(4) For the purpose of this section, "vessel" includes aircraft, canoes, fishing vessels, kayaks, personal watercraft, rafts, recreational vessels, tour boats, whale watching boats, vessels engaged in whale watching activities, or other small craft including power boats and sail boats.

(5) A violation of this section is a natural resource infraction punishable under chapter 7.84 RCW.

**NEW SECTION. Sec. 3.** The legislature encourages the state's law enforcement agencies to utilize existing statutes and regulations to protect southern resident orca whales from impacts from vessels, including the vessel operation and enforcement standards contained in chapter 79A.60 RCW.

**NEW SECTION. Sec. 4.** A new section is added to chapter 77.12 RCW to read as follows:

The department and the state parks and recreation commission shall disseminate information about section 2 of this act, whale and wildlife viewing guidelines, and other responsible wildlife viewing messages to educate Washington's citizens on how to reduce the risk of disturbing southern resident orca whales. The department and the state parks and recreation commission must, at minimum, disseminate this information on their internet sites and through appropriate agency publications, brochures, and other information sources. The department and the state parks and recreation commission shall also attempt to reach the state's boating community by coordinating with appropriate state and nongovernmental entities to provide this information at marinas, boat shows, boat dealers, during boating safety training courses, and in conjunction with vessel registration or licensing.

**NEW SECTION. Sec. 5.** If specific funding for the purposes of this act, referencing this act by bill or chapter number, is not provided by June 30, 2008, in the omnibus appropriations act, this act is null and void."

On page 1, line 2 of the title, after "vessels;" strike the remainder of the title and insert "adding a new section to chapter 77.15 RCW; adding a new section to chapter 77.12 RCW; creating new sections; and prescribing penalties."

and the same is herewith transmitted.

### MESSAGE FROM THE SENATE

March 6, 2008

Mr. Speaker:

The Senate has passed ENGROSSED SECOND SUBSTITUTE HOUSE BILL NO. 2533 with the following amendment:

Strike everything after the enacting clause and insert the following:

**"NEW SECTION. Sec. 1.** It is the policy of the state to encourage the joint use of utility poles, to promote competition for the provision of telecommunications and information services, and to recognize the value of the infrastructure of locally regulated utilities. To achieve these objectives, the legislature intends to establish a consistent cost-based formula for calculating pole attachment rates, which will ensure greater predictability and consistency in pole attachment rates statewide, as well as ensure that locally regulated utility customers do not subsidize licensees. The legislature further intends to continue working through issues related to pole attachments with interested parties in an open and collaborative process in order to minimize the potential for disputes going forward.

**Sec. 2.** RCW 54.04.045 and 1996 c 32 s 5 are each amended to read as follows:

(1) As used in this section:

(a) "Attachment" means the affixation or installation of any wire, cable, or other physical material capable of carrying electronic impulses or light waves for the carrying of intelligence for telecommunications or television, including, but not limited to cable, and any related device, apparatus, or auxiliary equipment upon any pole owned or controlled in whole or in part by one or more locally regulated utilities where the installation has been made with the necessary consent.

(b) "Licensee" means any person, firm, corporation, partnership, company, association, joint stock association, or cooperatively organized association, which is authorized to construct attachments upon, along, under, or across public ways.

(c) "Locally regulated utility" means a public utility district not subject to rate or service regulation by the utilities and transportation commission.

~~((c))~~ (d) "Nondiscriminatory" means that pole owners may not arbitrarily differentiate among or between similar classes of ~~(persons)~~ licensees approved for attachments.

(2) All rates, terms, and conditions made, demanded, or received by a locally regulated utility for attachments to its poles must be just, reasonable, nondiscriminatory, and sufficient. A locally regulated utility shall levy attachment space rental rates that are uniform for the same class of service within the locally regulated utility service area.

(3) A just and reasonable rate must be calculated as follows:

(a) One component of the rate shall consist of the additional costs of procuring and maintaining pole attachments, but may not exceed the actual capital and operating expenses of the locally regulated utility attributable to that portion of the pole, duct, or conduit used for the pole attachment, including a share of the required support and clearance space, in proportion to the space used for the pole attachment, as compared to all other uses made of the subject facilities and uses that remain available to the owner or owners of the subject facilities;

(b) The other component of the rate shall consist of the additional costs of procuring and maintaining pole attachments, but may not exceed the actual capital and operating expenses of the locally regulated utility attributable to the share, expressed in feet, of the required support and clearance space, divided equally among the locally regulated utility and all attaching licensees, in addition to the space used for the pole attachment, which sum is divided by the height of the pole; and

(c) The just and reasonable rate shall be computed by adding one-half of the rate component resulting from (a) of this subsection to one-half of the rate component resulting from (b) of this subsection.

(4) For the purpose of establishing a rate under subsection (3)(a) of this section, the locally regulated utility may establish a rate according to the calculation set forth in subsection (3)(a) of this section or it may establish a rate according to the cable formula set forth by the federal communications commission by rule as it existed on the effective date of this section, or such subsequent date as may be provided by the federal communications commission by rule, consistent with the purposes of this section.

(5) Except in extraordinary circumstances, a locally regulated utility must respond to a licensee's application to enter into a new pole attachment contract or renew an existing pole attachment contract within forty-five days of receipt, stating either:

(a) The application is complete; or

(b) The application is incomplete, including a statement of what information is needed to make the application complete.

(6) Within sixty days of an application being deemed complete, the locally regulated utility shall notify the applicant as to whether the application has been accepted for licensing or rejected. In extraordinary circumstances, and with the approval of the applicant, the locally regulated utility may extend the sixty-day timeline under this subsection. If the application is rejected, the locally regulated utility must provide reasons for the rejection. A request to attach may only be denied on a nondiscriminatory basis (a) where there is insufficient capacity; or (b) for reasons of safety, reliability, or the inability to meet generally applicable engineering standards and practices.

\_\_\_\_(7) Nothing in this section shall be construed or is intended to confer upon the utilities and transportation commission any authority to exercise jurisdiction over locally regulated utilities."

On page 1, line 2 of the title, after "utilities;" strike the remainder of the title and insert "amending RCW 54.04.045; and creating a new section."

and the same is herewith transmitted.

ENGROSSED SECOND SUBSTITUTE HOUSE BILL NO. 2533, as amended by the Senate, having received the necessary constitutional majority, was declared passed.

### MESSAGE FROM THE SENATE

March 5, 2008

Mr. Speaker:

The Senate has passed ENGROSSED SECOND SUBSTITUTE HOUSE BILL NO. 2549 with the following amendment:

Strike everything after the enacting clause and insert the following:

**"NEW SECTION. Sec. 1.** The legislature finds that our primary care system is severely faltering and the number of people choosing primary care as a profession is decreasing dramatically. Primary care providers include family medicine and general internal medicine physicians, pediatricians, naturopathic physicians, advanced registered nurse practitioners, and physician assistants. A strong primary care system has been shown to improve health outcomes and quality and to reduce overall health system costs. To improve the health and well-being of the people in the state of Washington; enhance the recruitment, retention, performance, and satisfaction of primary providers; and control costs, our statewide system of primary care providers needs to be rapidly expanded, improved, and supported, in line with current research and professional innovations.

The legislature further finds that a medical home can best deliver the patient-centered approach that can manage chronic diseases, address acute illnesses, and provide effective prevention. A medical home is a place where health care is accessible and compassionate. It is built on evidence-based strategies with a team approach. Each patient receives medically necessary acute, chronic, prevention, and wellness services, as well as other medically appropriate dental and behavioral services, and community support services, all which are tailored to the individual needs of the patient. Development and maintenance of medical homes require changes in the reimbursement of primary care providers in medical home practices. There is a critical need to identify reimbursement strategies to appropriately finance this model of delivering medical care.

**NEW SECTION. Sec. 2.** (1) Within funds appropriated for this purpose, and with the goal of catalyzing and providing financial incentives for the rapid expansion of primary care practices that use the medical home model, the department of health shall offer primary care practices an opportunity to participate in a medical home collaborative program, as authorized under RCW 43.70.533. Qualifying primary care practices must be willing and able to adopt and maintain medical home models, as defined by the department of social and health services in its November 2007 report to the legislature concerning implementation of chapter 5, Laws of 2007.

(2) The collaborative program shall be structured to promote adoption of medical homes in a variety of primary care practice settings throughout the state and consider different populations, geographic locations, including at least one location that would agree to operate extended hours, which could include nights or weekends, and other factors to allow a broad application of medical home adoption, including rural communities and areas that are medically underserved. The collaborative program shall assist primary care practices to implement the medical home requirements and provide the full complement of primary care services as established by the medical home definition in this section. Key goals of the collaborative program are to:

- (a) Develop common and minimal core components to promote a reasonable level of consistency among medical homes in the state;
- (b) Allow for standard measurement of outcomes; and
- (c) Promote adoption, and use of the latest techniques in effective and cost-efficient patient-centered integrated health care.

Medical home collaborative participants must agree to provide data on patients' experience with the program and health outcome measures. The department of health shall consult with the Puget Sound health alliance and other interested organizations when selecting specific measures to be used by primary care providers participating in the medical home collaborative.

(3) The medical home collaborative shall be coordinated with the Washington health information collaborative, the health information infrastructure advisory board, and other efforts directed by RCW 41.05.035. If the health care authority makes grants to primary care practices for implementation of health information technology during state fiscal year 2009, it shall make an effort to make these grants to primary care providers participating in the medical home collaborative.

(4) The department of health shall issue an annual report to the health care committees of the legislature on the progress and outcome of the medical home collaborative. The reports shall include:

(a) Effectiveness of the collaborative in promoting medical homes and associated health information technology, including an assessment of the rate at which the medical home model is being adopted throughout the state;

(b) Identification of best practices; an assessment of how the collaborative participants have affected health outcomes, quality of care, utilization of services, cost-efficiencies, and patient satisfaction;

(c) An assessment of how the pilots improve primary care provider satisfaction and retention; and

(d) Any additional legislative action that would promote further medical home adoption in primary care settings.

The first annual report shall be submitted to the legislature by January 1, 2009 with the final report due to the legislature by December 31, 2011.

**NEW SECTION. Sec. 3.** (1) As part of the five-year plan to change reimbursement required under section 1, chapter 259, Laws of 2007, the health care authority and department of social and health services must expand their assessment on changing reimbursement for primary care to support adoption of medical homes to include medicare, other federal and state payors, and third-party payors, including health carriers under Title 48 RCW and other self-funded payors.

(2) The health care authority shall also collaborate with the Puget Sound health alliance, if that organization pursues a project on medical home reimbursement. The goal of the collaboration is to identify appropriate medical home reimbursement strategies and provider performance measurements for all payors, such as providing greater reimbursement rates for primary care physicians, and to garner support among payors and providers to adopt payment strategies that support medical home adoption and use.

(3) The health care authority shall work with providers to develop reimbursement mechanisms that would reward primary care providers participating in the medical home collaborative program that demonstrate improved patient outcomes and provide activities including, but not limited to, the following:

(a) Ensuring that all patients have access to and know how to use a nurse consultant;

(b) Encouraging female patients to have a mammogram on the evidence-based recommended schedule;

(c) Effectively implementing strategies designed to reduce patients' use of emergency room care in cases that are not emergencies;

(d) Communicating with patients through electronic means; and

(e) Effectively managing blood sugar levels of patients with diabetes.

(4) The health care authority and the department of social and health services shall report their findings to the health care committees of the legislature by January 1, 2009, with a recommended timeline for adoption of payment and provider performance strategies and recommended legislative changes should legislative action be necessary.

**NEW SECTION. Sec. 4.** This act expires December 31, 2011.

**NEW SECTION. Sec. 5.** If specific funding for the purposes of this act, referencing this act by bill or chapter number, is not provided by June 30, 2008, in the omnibus appropriations act, this act is null and void."

On page 1, line 2 of the title, after "projects;" strike the remainder of the title and insert "creating new sections; and providing an expiration date."

and the same is herewith transmitted.

### MESSAGE FROM THE SENATE

March 6, 2008

Mr. Speaker:

The Senate has passed SUBSTITUTE HOUSE BILL NO. 2582 with the following amendment:

Strike everything after the enacting clause and insert the following:

**"NEW SECTION. Sec. 1.** It is the intent of the legislature to improve access to higher education for all residents and ensure that students have the necessary resources and support services to attain their educational goals while keeping families strong. For many students, the lack of affordable, accessible, quality child care on or in close proximity to colleges and universities is a barrier to completion of their higher education goals. Further, it is the intent of the legislature to adopt policies that, to the extent possible, leverage existing resources and maximize educational outcomes by supporting affordable, accessible, and quality child care programs.

**Sec. 2.** RCW 28B.135.010 and 1999 c 375 s 1 are each amended to read as follows:

Two Washington accounts for student child care in higher education are established. The higher education coordinating board shall administer the program for the four-year institutions of higher education and the state board for community and technical colleges shall administer the program for the two-year institutions of higher education. Through these programs the boards ~~((may))~~ shall award ~~((on a competitive basis))~~ either competitive or matching child care grants to state institutions of higher education to encourage programs to address the need for high quality, accessible, and affordable child care for students at higher education institutions. The grants shall be used exclusively for the provision of quality child care services for students at institutions of higher education. **MESSAGE FROM THE SENATE**

March 6, 2008

Mr. Speaker:

The Senate has passed SUBSTITUTE HOUSE BILL NO. 2639 with the following amendment:

Strike everything after the enacting clause and insert the following:

**"NEW SECTION. Sec. 1.** The legislature finds that it is in the public interest for public utility districts to develop renewable energy projects to meet requirements enacted by the people in Initiative Measure No. 937 and goals of diversifying energy resource portfolios. By developing more efficient and cost-effective renewable energy projects, public utility districts will keep power costs as low as possible for their customers. Consolidating and clarifying statutory provisions governing various aspects of public utility district renewable energy project development will reduce planning time and expense to meet these objectives.

**Sec. 2.** RCW 39.34.030 and 2004 c 190 s 1 are each amended to read as follows:

(1) Any power or powers, privileges or authority exercised or capable of exercise by a public agency of this state may be exercised and enjoyed jointly with any other public agency of this state having the power or powers, privilege or authority, and jointly with any public agency of any other state or of the United States to the extent that laws of such other state or of the United States permit such joint exercise or enjoyment. Any agency of the state government when acting jointly with any public agency may exercise and enjoy all of the powers, privileges and authority conferred by this chapter upon a public agency.

(2) Any two or more public agencies may enter into agreements with one another for joint or cooperative action pursuant to the provisions of this chapter (~~(-PROVIDED)~~), except that any such joint or cooperative action by public agencies which are educational service districts and/or school districts shall comply with the provisions of RCW 28A.320.080. Appropriate action by ordinance, resolution or otherwise pursuant to law of the governing bodies of the participating public agencies shall be necessary before any such agreement may enter into force.

(3) Any such agreement shall specify the following:

(a) Its duration;

(b) The precise organization, composition and nature of any separate legal or administrative entity created thereby together with the powers delegated thereto, provided such entity may be legally created. Such entity may include a nonprofit corporation organized pursuant to chapter 24.03 or 24.06 RCW whose membership is limited solely to the participating public agencies or a partnership organized pursuant to chapter 25.04 or 25.05 RCW whose partners are limited solely to participating public agencies, or a limited liability company organized under chapter 25.15 RCW whose membership is limited solely to participating public agencies, and the funds of any such corporation (~~(or)~~), partnership, or limited liability company shall be subject to audit in the manner provided by law for the auditing of public funds;

(c) Its purpose or purposes;

(d) The manner of financing the joint or cooperative undertaking and of establishing and maintaining a budget therefor;

(e) The permissible method or methods to be employed in accomplishing the partial or complete termination of the agreement and for disposing of property upon such partial or complete termination; and

(f) Any other necessary and proper matters.

(4) In the event that the agreement does not establish a separate legal entity to conduct the joint or cooperative undertaking, the agreement shall contain, in addition to (~~(items)~~) provisions specified in subsection (3)(a), (c), (d), (e), and (f) ((enumerated in subdivision (3) hereof) of this section, ((contain)) the following:

(a) Provision for an administrator or a joint board responsible for administering the joint or cooperative undertaking. In the case of a joint board, public agencies that are party to the agreement shall be represented; and

(b) The manner of acquiring, holding and disposing of real and personal property used in the joint or cooperative undertaking. Any joint board is authorized to establish a special fund with a state, county, city, or district treasurer servicing an involved public agency designated "Operating fund of . . . . joint board".

(5) No agreement made pursuant to this chapter relieves any public agency of any obligation or responsibility imposed upon it by law except that:

(a) To the extent of actual and timely performance thereof by a joint board or other legal or administrative entity created by an agreement made (~~(hereunder)~~) pursuant to this chapter, the performance may be offered in satisfaction of the obligation or responsibility; and

(b) With respect to one or more public agencies purchasing or otherwise contracting through a bid, proposal, or contract awarded by another public agency or by a group of public agencies, any statutory obligation to provide notice for bids or proposals that applies to the public agencies involved is satisfied if the public agency or group of public agencies that awarded the bid, proposal, or contract complied with its own statutory requirements and either (i) posted the bid or solicitation notice on a web site established and maintained by a public agency, purchasing cooperative, or similar service provider, for purposes of posting public notice of bid or proposal solicitations, or (ii) provided an access link on the state's web portal to the notice.

(6) Financing of joint projects by agreement shall be as provided by law.

**Sec. 3.** RCW 54.44.020 and 1997 c 230 s 2 are each amended to read as follows:

### MESSAGE FROM THE SENATE

March 6, 2008

Mr. Speaker:

The Senate has passed ENGROSSED HOUSE BILL NO. 2641 with the following amendment:

Strike everything after the enacting clause and insert the following:

**"NEW SECTION. Sec. 1.** (1) The legislature finds that in the last ten years, significant progress has been made to identify and monitor accountability and performance measures in higher education, both internally in institutions and externally in the legislative and state policymaking environment.

(2) However, the legislature further finds that opportunities exist to promote greater visibility of performance measures among policymakers and among the public consumers of higher education. Policy decisions, including decisions about resource allocation, should be made with greater knowledge and a shared understanding about the tradeoffs between resources, flexibility, and desired outcomes. A forum should be created to allow discussion among policymakers and institution leaders about setting outcome-oriented priorities, targeting of investments, linking operating and capital planning, and creating a longer-term view than the biennial budget cycle typically permits.

(3) Therefore, the legislature intends to implement a process for such discussions, agreements, and planning to occur. The process of crafting higher education performance agreements will be pilot-tested over a six-year period with the public four-year institutions of higher education beginning in 2008.

**NEW SECTION. Sec. 2.** A new section is added to chapter 28B.10 RCW to read as follows:

(1) As used in this section and sections 3 and 4 of this act, a performance agreement is an agreement reached between the state and the governing board of an institution of higher education and approved by the legislature using the process provided in section 4 of this act.

(2) The purpose of a performance agreement is to develop and communicate a six-year plan developed jointly by state policymakers and an institution of higher education that aligns goals, priorities, desired outcomes, flexibility, institutional mission, accountability, and levels of resources.

(3) Beginning in 2008, performance agreements shall be pilot-tested with the public four-year institutions of higher education.

**NEW SECTION. Sec. 3.** A new section is added to chapter 28B.10 RCW to read as follows:

(1) Performance agreements shall address but not be limited to the following issues:

(a) Indicators that measure outcomes concerning cost, quality, timeliness of student progress toward degrees and certifications, and articulation between and within the K-12 and higher education systems;

(b) Benchmarks and goals for long-term degree production, including discrete benchmarks and goals in particular fields of study;

(c) The level of resources necessary to meet the performance outcomes, benchmarks, and goals, subject to legislative appropriation;

(d) The prioritization of four-year institution capital budget projects by the office of financial management; and

(e) Indicators that measure outcomes concerning recruitment, retention, and success of students, faculty, and staff from diverse, underrepresented communities.

(2) The goals and outcomes identified in a performance agreement shall be linked to the role, mission, and strategic plan of the institution of higher education and aligned with the statewide strategic master plan for higher education.

(3) Performance agreements may also include grants to an institution, under the terms of the agreement, of flexibility or waivers from state controls or rules. The agreement may identify areas where statutory change is necessary to grant an institution flexibility or waivers of state agency rules.

(4) The following areas may not be included in a performance agreement:

(a) Flexibility or waivers of requirements in a collective bargaining agreement negotiated under chapter 28B.52, 41.56, 41.59, 41.76, or 41.80 RCW;

If the legislature affirms, through a proviso in the 2009-2011 omnibus appropriations act or through inaction, that the omnibus appropriations act and/or the 2009 capital budget act are not aligned with the proposed performance agreements, the state committee and institution representatives shall redraft the agreements to align with the enacted budgets, and the redrafted agreements shall take effect beginning September 1, 2009, through June 30, 2015.

(7) The legislature, the state committee, and the institution representatives shall repeat the process described in subsection (6) of this section for each subsequent omnibus appropriations and capital budget act enacted between the 2010 and 2014 legislative sessions to ensure that the performance agreements are updated as necessary to align with enacted omnibus appropriations and capital budget acts.

#### MESSAGE FROM THE SENATE

March 4, 2008

Mr. Speaker:

The Senate has passed SUBSTITUTE HOUSE BILL NO. 2666 with the following amendment:

Strike everything after the enacting clause and insert the following:

**"NEW SECTION. Sec. 1.** The intent of this chapter is to promote the public interest, support the availability of long-term care coverage, establish standards for long-term care coverage, facilitate public understanding and comparison of long-term care contract benefits, protect persons insured under long-term care insurance policies and certificates, protect applicants for long-term care policies from unfair or deceptive sales or enrollment practices, and provide for flexibility and innovation in the development of long-term care insurance coverage.

**NEW SECTION. Sec. 2.** This chapter applies to all long-term care insurance policies, contracts, or riders delivered or issued for delivery in this state on or after January 1, 2009. This chapter does

not supersede the obligations of entities subject to this chapter to comply with other applicable laws to the extent that they do not conflict with this chapter, except that laws and regulations designed and intended to apply to medicare supplement insurance policies shall not be applied to long-term care insurance.

(1) Coverage advertised, marketed, or offered as long-term care insurance shall comply with the provisions of this chapter. Any coverage, policy, or rider advertised, marketed, or offered as long-term care or nursing home insurance shall comply with the provisions of this chapter.

(2) Individual and group long-term care contracts issued prior to January 1, 2009, remain governed by chapter 48.84 RCW and rules adopted thereunder.

(3) This chapter is not intended to prohibit approval of long-term care funded through life insurance.

**NEW SECTION. Sec. 3.** The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

(1) "Applicant" means: (a) In the case of an individual long-term care insurance policy, the person who seeks to contract for benefits; and (b) in the case of a group long-term care insurance policy, the proposed certificate holder.

(2) "Certificate" includes any certificate issued under a group long-term care insurance policy that has been delivered or issued for delivery in this state.

(3) "Commissioner" means the insurance commissioner of Washington state.

(4) "Issuer" includes insurance companies, fraternal benefit societies, health care service contractors, health maintenance organizations, or other entity delivering or issuing for delivery any long-term care insurance policy, contract, or rider.

(5) "Long-term care insurance" means an insurance policy, contract, or rider that is advertised, marketed, offered, or designed to provide coverage for at least twelve consecutive months for a covered person. Long-term care insurance may be on an expense incurred, indemnity, prepaid, or other basis, for one or more necessary or medically necessary diagnostic, preventive, therapeutic, rehabilitative, maintenance, or personal care services, provided in a setting other than an acute care unit of a hospital. Long-term care insurance includes any policy, contract, or rider that provides for payment of benefits based upon cognitive impairment or the loss of functional capacity.

(a) Long-term care insurance includes group and individual annuities and life insurance policies or riders that provide directly or supplement long-term care insurance. However, long-term care insurance does not include life insurance policies that: (i) Accelerate the death benefit specifically for one or more of the qualifying events of terminal illness, medical conditions requiring extraordinary medical intervention, or permanent institutional confinement; (ii) provide the option of a lump-sum payment for those benefits; and (iii) do not condition the benefits or the eligibility for the benefits upon the receipt of long-term care.

(b) Long-term care insurance also includes qualified long-term care insurance contracts.

(c) Long-term care insurance does not include any insurance policy, contract, or rider that is offered primarily to provide coverage for basic medicare supplement, basic hospital expense, basic medical-surgical expense, hospital confinement indemnity, major medical expense, disability income, related income, asset protection, accident only, specified disease, specified accident, or limited benefit health.

(6) "Group long-term care insurance" means a long-term care insurance policy or contract that is delivered or issued for delivery in this state and is issued to:

(a) One or more employers; one or more labor organizations; or a trust or the trustees of a fund established by one or more employers or labor organizations for current or former employees, current or former members of the labor organizations, or a combination of current and former employees or members, or a combination of such employers, labor organizations, trusts, or trustees; or

(b) A professional, trade, or occupational association for its members or former or retired members, if the association:

(i) Is composed of persons who are or were all actively engaged in the same profession, trade, or occupation; and

(ii) Has been maintained in good faith for purposes other than obtaining insurance; or

(c)(i) An association, trust, or the trustees of a fund established, created, or maintained for the benefit of members of one or more associations. Before advertising, marketing, or offering long-term care coverage in this state, the association or associations, or the insurer of the association or associations, must file evidence with the commissioner that the association or associations have at the time of such filing at least one hundred persons who are members and that the association or associations have been organized and maintained in good faith for purposes other than that of obtaining insurance; have been in active existence for at least one year; and have a constitution and bylaws that provide that:

(A) The association or associations hold regular meetings at least annually to further the purposes of the members;

(B) Except for credit unions, the association or associations collect dues or solicit contributions from members; and

(C) The members have voting privileges and representation on the governing board and committees of the association.

(ii) Thirty days after filing the evidence in accordance with this section, the association or associations will be deemed to have satisfied the organizational requirements, unless the commissioner makes a finding that the association or associations do not satisfy those organizational requirements.

(d) A group other than as described in (a), (b), or (c) of this subsection subject to a finding by the commissioner that:

(i) The issuance of the group policy is not contrary to the best interest of the public;

(ii) The issuance of the group policy would result in economies of acquisition or administration; and

(iii) The benefits are reasonable in relation to the premiums charged.

(7) "Policy" includes a document such as an insurance policy, contract, subscriber agreement, rider, or endorsement delivered or issued for delivery in this state by an insurer, fraternal benefit society, health care service contractor, health maintenance organization, or any similar entity authorized by the insurance commissioner to transact the business of long-term care insurance.

(8) "Qualified long-term care insurance contract" or "federally tax-qualified long-term care insurance contract" means:

(a) An individual or group insurance contract that meets the requirements of section 7702B(b) of the internal revenue code of 1986, as amended; or

(b) The portion of a life insurance contract that provides long-term care insurance coverage by rider or as part of the contract and that satisfies the requirements of sections 7702B(b) and (e) of the internal revenue code of 1986, as amended.

**NEW SECTION. Sec. 4.** A group long-term care insurance policy may not be offered to a resident of this state under a group policy issued in another state to a group described in section 3(6)(d) of this act, unless this state or another state having statutory and regulatory long-term care insurance requirements substantially similar to those adopted in this state has made a determination that such requirements have been met.

**NEW SECTION. Sec. 5.** (1) A long-term care insurance policy or certificate may not define "preexisting condition" more restrictively than as a condition for which medical advice or treatment was recommended by or received from a provider of health care services, within six months preceding the effective date of coverage of an insured person, unless the policy or certificate applies to group long-term care insurance under section 3(6) (a), (b), or (c) of this act.

(2) A long-term care insurance policy or certificate may not exclude coverage for a loss or confinement that is the result of a preexisting condition unless the loss or confinement begins within six months following the effective date of coverage of an insured person, unless the policy or certificate applies to a group as defined in section 3(6)(a) of this act.

(3) The commissioner may extend the limitation periods for specific age group categories in specific policy forms upon finding that the extension is in the best interest of the public.

(4) An issuer may use an application form designed to elicit the complete health history of an applicant and underwrite in accordance with that issuer's established underwriting standards, based on the answers on that application. Unless otherwise provided in the policy or certificate and regardless of whether it is disclosed on the application, a preexisting condition need not be covered until the waiting period expires.

(5) A long-term care insurance policy or certificate may not exclude or use waivers or riders to exclude, limit, or reduce coverage or benefits for specifically named or described preexisting diseases or physical conditions beyond the waiting period.

**NEW SECTION. Sec. 6.** No long-term care insurance policy may:

(1) Be canceled, nonrenewed, or otherwise terminated on the grounds of the age or the deterioration of the mental or physical health of the insured individual or certificate holder;

(2) Contain a provision establishing a new waiting period in the event existing coverage is converted to or replaced by a new or other form within the same company, except with respect to an increase in benefits voluntarily selected by the insured individual or group policyholder;

(3) Provide coverage for skilled nursing care only or provide significantly more coverage for skilled care in a facility than coverage for lower levels of care;

(4) Condition eligibility for any benefits on a prior hospitalization requirement;

(5) Condition eligibility for benefits provided in an institutional care setting on the receipt of a higher level of institutional care;

(6) Condition eligibility for any benefits other than waiver of premium, postconfinement, postacute care, or recuperative benefits on a prior institutionalization requirement;

(7) Include a postconfinement, postacute care, or recuperative benefit unless:

(a) Such requirement is clearly labeled in a separate paragraph of the policy or certificate entitled "Limitations or Conditions on Eligibility for Benefits;" and

(b) Such limitations or conditions specify any required number of days of preconfinement or postconfinement;

(8) Condition eligibility for noninstitutional benefits on the prior receipt of institutional care;

(9) A long-term care insurance policy or certificate may be field-issued if the compensation to the field issuer is not based on the number of policies or certificates issued. For purposes of this section, "field-issued" means a policy or certificate issued by a producer or a third-party administrator of the policy pursuant to the underwriting authority by an issuer and using the issuer's underwriting guidelines.

**NEW SECTION. Sec. 7.** (1) Long-term care insurance applicants may return a policy or certificate for any reason within thirty days after its delivery and to have the premium refunded.

(2) All long-term care insurance policies and certificates shall have a notice prominently printed on or attached to the first page of the policy stating that the applicant may return the policy or certificate within thirty days after its delivery and to have the premium refunded.

(3) Refunds or denials of applications must be made within thirty days of the return or denial.

(4) This section shall not apply to certificates issued pursuant to a policy issued to a group defined in section 3(6)(a) of this act.

**NEW SECTION. Sec. 8.** (1) An outline of coverage must be delivered to a prospective applicant for long-term care insurance at the time of initial solicitation through means that prominently direct the attention of the recipient to the document and its purpose.

(a) The commissioner must prescribe a standard format, including style, arrangement, overall appearance, and the content of an outline of coverage.

(b) When an insurance producer makes a solicitation in person, he or she must deliver an outline of coverage before presenting an application or enrollment form.

(c) In a direct response solicitation, the outline of coverage must be presented with an application or enrollment form.

(d) If a policy is issued to a group as defined in section 3(6)(a) of this act, an outline of coverage is not required to be delivered, if the information that the commissioner requires to be included in the outline of coverage is in other materials relating to enrollment. Upon request, any such materials must be made available to the commissioner.

(2) If an issuer approves an application for a long-term care insurance contract or certificate, the issuer must deliver the contract or certificate of insurance to the applicant within thirty days after the date of approval. A policy summary must be delivered with an individual life insurance policy that provides long-term care benefits within the policy or by rider. In a direct response solicitation, the issuer must deliver the policy summary, upon request, before delivery of the policy, if the applicant requests a summary.

(a) The policy summary shall include:

(i) An explanation of how the long-term care benefit interacts with other components of the policy, including deductions from any applicable death benefits;

(ii) An illustration of the amount of benefits, the length of benefits, and the guaranteed lifetime benefits if any, for each covered person;

(iii) Any exclusions, reductions, and limitations on benefits of long-term care;

(iv) A statement that any long-term care inflation protection option required by section 12 of this act is not available under this policy; and

(v) If applicable to the policy type, the summary must also include:

(A) A disclosure of the effects of exercising other rights under the policy;

(B) A disclosure of guarantees related to long-term care costs of insurance charges; and

(C) Current and projected maximum lifetime benefits.

(b) The provisions of the policy summary may be incorporated into a basic illustration required under chapter 48.23A RCW, or into the policy summary which is required under rules adopted by the commissioner.

**NEW SECTION. Sec. 9.** If a long-term care benefit funded through a life insurance policy by the acceleration of the death benefit is in benefit payment status, a monthly report must be provided to the policyholder. The report must include:

(1) A record of all long-term care benefits paid out during the month;

(2) An explanation of any changes in the policy resulting from paying the long-term care benefits, such as a change in the death benefit or cash values; and

(3) The amount of long-term care benefits that remain to be paid.

**NEW SECTION. Sec. 10.** All long-term care denials must be made within sixty days after receipt of a written request made by a policyholder or certificate holder, or his or her representative. All denials of long-term care claims by the issuer must provide a written explanation of the reasons for the denial and make available to the policyholder or certificate holder all information directly related to the denial.

**NEW SECTION. Sec. 11.** (1) An issuer may rescind a long-term care insurance policy or certificate or deny an otherwise valid long-term care insurance claim if:

(a) A policy or certificate has been in force for less than six months and upon a showing of misrepresentation that is material to the acceptance for coverage; or

(b) A policy or certificate that has been in force for at least six months but less than two years, upon a showing of misrepresentation that is both material to the acceptance for coverage and that pertains to the condition for which benefits are sought.

(2) After a policy or certificate has been in force for two years it is not contestable upon the grounds of misrepresentation alone. Such a policy or certificate may be contested only upon a showing that the insured knowingly and intentionally misrepresented relevant facts relating to the insured's health.

(3) An issuer's payments for benefits under a long-term care insurance policy or certificate may not be recovered by the issuer if the policy or certificate is rescinded.

(4) This section does not apply to the remaining death benefit of a life insurance policy that accelerates benefits for long-term care that are governed by RCW 48.23.050 the state's life insurance incontestability clause. In all other situations, this section shall apply to life insurance policies that accelerate benefits for long-term care.

**NEW SECTION. Sec. 12.** (1) The commissioner must establish minimum standards for inflation protection features.

(2) An issuer must comply with the rules adopted by the commissioner that establish minimum standards for inflation protection features.

**NEW SECTION. Sec. 13.** (1) Except as provided by this section, a long-term care insurance policy may not be delivered or issued for delivery in this state unless the policyholder or certificate holder has been offered the option of purchasing a policy or certificate that includes a nonforfeiture benefit. The offer of a nonforfeiture benefit may be in the form of a rider that is attached to the policy. If a policyholder or certificate holder declines the nonforfeiture benefit, the issuer must provide a contingent benefit upon lapse that is available for a specified period of time following a substantial increase in premium rates.

(2) If a group long-term care insurance policy is issued, the offer required in subsection (1) of this section must be made to the group policyholder. However, if the policy is issued as group long-term care insurance as defined in section 3(6)(d) of this act other than to a continuing care retirement community or other similar entity, the offering shall be made to each proposed certificate holder.

(3) The commissioner must adopt rules specifying the type or types of nonforfeiture benefits to be offered as part of long-term care insurance policies and certificates, the standards for nonforfeiture benefits, and the rules regarding contingent benefit upon lapse, including a determination of the specified period of time during which a contingent benefit upon lapse will be available and the substantial premium rate increase that triggers a contingent benefit upon lapse.

**NEW SECTION. Sec. 14.** A person may not sell, solicit, or negotiate long-term care insurance unless he or she is appropriately licensed as an insurance producer and has successfully completed long-term care coverage education that meets the requirements of this section.

(1) All long-term care education required by this chapter must meet the requirements of chapter 48.17 RCW and rules adopted by the commissioner.

(2)(a)(i) After January 1, 2009, prior to soliciting, selling, or negotiating long-term care insurance coverage, an insurance producer must successfully complete a one-time education course consisting of no fewer than eight hours on long-term care coverage, long-term care services, state and federal regulations and requirements for long-term care and qualified long-term care insurance coverage, changes or improvements in long-term care services or providers, alternatives to the purchase of long-term care insurance coverage, the effect of inflation on benefits and the importance of inflation protection, and consumer suitability standards and guidelines.

(ii) In order to continue soliciting, selling, or negotiating long-term care coverage in this state, all insurance producers selling, soliciting, or negotiating long-term care insurance coverage prior to the effective date of this act must successfully complete the eight-hour, one-time long-term care education and training course no later than July 1, 2009.

(b) In addition to the one-time education and training requirement set forth in (a) of this subsection, insurance producers who engage in the solicitation, sale, or negotiation of long-term care

insurance coverage must successfully complete no fewer than four hours every twenty-four months of continuing education specific to long-term care insurance coverage and issues. Long-term care insurance coverage continuing education shall consist of topics related to long-term care insurance, long-term care services, and, if applicable, qualified state long-term care insurance partnership programs, including, but not limited to, the following:

(i) State and federal regulations and requirements and the relationship between qualified state long-term care insurance partnership programs and other public and private coverage of long-term care services, including medicaid;

(iv) Alternatives to the purchase of private long-term care insurance;

(v) The effect of inflation on benefits and the importance of inflation protection;

(vi) This chapter and chapters 48.84 and 48.85 RCW; and

(3) The insurance producer education required by this section shall not include training that is issuer or company product-specific or that includes any sales or marketing information, materials, or training, other than those required by state or federal law.

(4) Issuers shall obtain verification that an insurance producer receives training required by this section before that producer is permitted to sell, solicit, or otherwise negotiate the issuer's long-term care insurance products.

(5) Issuers shall maintain records subject to the state's record retention requirements and shall make evidence of that verification available to the commissioner upon request.

(6)(a) Issuers shall maintain records with respect to the training of its producers concerning the distribution of its long-term care partnership policies that will allow the commissioner to provide assurance to the state department of social and health services, medicaid division, that insurance producers engaged in the sale of long-term care insurance contracts have received the training required by this section and any rules adopted by the commissioner, and that producers have demonstrated an understanding of the partnership policies and their relationship to public and private coverage of long-term care, including medicaid, in this state.

(b) These records shall be maintained in accordance with the state's record retention requirements and shall be made available to the commissioner upon request.

(7) The satisfaction of these training requirements for any state shall be deemed to satisfy the training requirements of this state.

**NEW SECTION. Sec. 15.** Issuers and their agents, if any, must determine whether issuing long-term care insurance coverage to a particular person is appropriate, except in the case of a life insurance policy that accelerates benefits for long-term care.

(1) An issuer must:

(a) Develop and use suitability standards to determine whether the purchase or replacement of long-term care coverage is appropriate for the needs of the applicant or insured;

(b) Train its agents in the use of the issuer's suitability standards; and

(c) Maintain a copy of its suitability standards and make the standards available for inspection, upon request.

(b) The applicant's goals and needs with respect to long-term care and the advantages and disadvantages of long-term care coverage to meet those goals or needs; and

(3) The sale or transfer of any suitability information provided to the issuer or agent by the applicant to any other person or business entity is prohibited.

(4)(a) The commissioner shall adopt, by rule, forms of consumer-friendly personal worksheets that issuers and their agents must use for applications for long-term care coverage.

(b) The commissioner may require each issuer to file its current forms of suitability standards and personal worksheets with the commissioner.

**NEW SECTION. Sec. 16.** A person engaged in the issuance or solicitation of long-term care coverage shall not engage in unfair methods of competition or unfair or deceptive acts or practices, as such methods, acts, or practices are defined in chapter 48.30 RCW, or as defined by the commissioner.

**NEW SECTION. Sec. 17.** An issuer or an insurance producer who violates a law or rule relating to the regulation of long-term care insurance or its marketing shall be subject to a fine of up to three times the amount of the commission paid for each policy involved in the violation or up to ten thousand dollars, whichever is greater.

The commissioner must adopt rules to promote premium adequacy and to protect policyholders in the event of proposed substantial rate increases, and to establish minimum standards for producer education, marketing practices, producer compensation, producer testing, penalties, and reporting practices for long-term care insurance.

(2) The commissioner shall adopt rules establishing standards protecting patient privacy rights, rights to receive confidential health care services, and standards for an issuer's timely review of a claim denial upon request of a covered person.

(3) The commissioner may adopt reasonable rules to effectuate any provision of this chapter in accordance with the requirements of chapter 34.05 RCW.

**Sec. 19.** RCW 48.84.010 and 1986 c 170 s 1 are each amended to read as follows:

This chapter may be known and cited as the "long-term care insurance act" and is intended to govern the content and sale of long-term care insurance and long-term care benefit contracts issued before January 1, 2009, as defined in this chapter. This chapter shall be liberally construed to promote the public interest in protecting purchasers of long-term care insurance from unfair or deceptive sales, marketing, and advertising practices. The provisions of this chapter shall apply in addition to other requirements of Title 48 RCW.

**MESSAGE FROM THE SENATE**

March 5, 2008

Mr. Speaker:

The Senate has passed ENGROSSED SUBSTITUTE HOUSE BILL NO. 3096 with the following amendment:

Strike everything after the enacting clause and insert the following:

**"NEW SECTION. Sec. 1.** The legislature finds that the replacement of the vulnerable state route number 520 bridge is a matter of urgency for the safety of Washington's traveling public and the needs of the transportation system in central Puget Sound. The state route number 520 bridge is forty-four years old and has a useful remaining life of between thirteen and eighteen years. While one hundred fifteen thousand vehicles travel on the bridge each day, there is an ever present likelihood that wind or an earthquake could suddenly destroy the bridge or render it unusable. Therefore, the state must develop a comprehensive approach to fund a state route number 520 bridge replacement to be constructed by 2018.

**NEW SECTION. Sec. 2.** A new section is added to chapter 47.01 RCW to read as follows:

(1) The state route number 520 bridge replacement and HOV project shall be designed to provide six total lanes, with two lanes that are for transit and high-occupancy vehicle travel, and four general purpose lanes.

(2) The state route number 520 bridge replacement and HOV project shall be designed to accommodate effective connections for transit, including high capacity transit, to the light rail station at the University of Washington.

**NEW SECTION. Sec. 3.** A new section is added to chapter 47.56 RCW to read as follows:

The state route number 520 bridge replacement and HOV project finance plan must include:

(1) Recognition of revenue sources that include: One billion seven hundred million dollars in state and federal funds allocated to the project; one billion five hundred million dollars to two billion dollars in tolling revenue, including early tolls that could begin in late 2009; eighty-five million dollars in federal urban partnership grant funds; and other contributions from private and other government sources; and

(2) Recognition of savings to be realized from:

(a) Potential early construction of traffic improvements from the eastern Lake Washington shoreline to 108th Avenue Northeast in Bellevue;

(b) Early construction of a single string of pontoons to support two lanes that are for transit and high-occupancy vehicle travel and four general purpose lanes;

(c) Preconstruction tolling to reduce total financing costs; and

(d) A deferral of the sales taxes paid on construction costs.

**NEW SECTION. Sec. 4.** A new section is added to chapter 47.56 RCW to read as follows:

(1) Following the submission of the report required in section 6 of this act, the department may seek authorization from the legislature to collect tolls on the existing state route number 520 bridge or on a replacement state route number 520 bridge.

(2) The schedule of toll charges must be established by the transportation commission and collected in a manner determined by the department.

**NEW SECTION. Sec. 5.** A new section is added to chapter 47.56 RCW to read as follows:

The department shall work with the federal highways administration to determine the necessary actions for receiving federal authorization to toll the Interstate 90 floating bridge. The department must periodically report the status of those discussions to the governor and the joint transportation committee.

**NEW SECTION. Sec. 6.** (1) The executive director of the Puget Sound regional council, the secretary of the department of transportation or his or her designee, and a member of the state transportation commission from King county shall form a state route number 520 tolling implementation committee.

(2) The committee must:

(a) Evaluate the potential diversion of traffic from state route number 520 to other parts of the transportation system, including state route number 522 and local roadways, when tolls are implemented on state route number 520 or other corridors, and recommend mitigation measures to address the diversion;

(b) Evaluate the most advanced tolling technology to ensure an efficient and timely trip for users of the state route number 520 bridge;

(c) Evaluate available active traffic management technology to determine the most effective options for technology that could manage congestion on the state route number 520 bridge and other impacted facilities;

(d) Explore opportunities to partner with the business community to reduce congestion and financially contribute to the state route number 520 bridge replacement project;

(e) Confer with the mayors and city councils of jurisdictions adjacent to the state route number 520 corridor, the state route number 522 corridor, and the Interstate 90 corridor regarding the implementation of tolls, the impacts that the implementation of tolls might have on the operation of the corridors, the diversion of traffic to local streets, and potential mitigation measures;

(f) Conduct public work sessions and open houses to provide information to citizens, including users of the bridge and business and freight interests, regarding implementation of tolls on the state route number 520 bridge and solicit citizen views on the following items:

(i) Funding a portion of the state route number 520 bridge replacement project with tolls on the existing bridge;

(ii) Funding the state route number 520 bridge replacement project and improvements on the Interstate 90 bridge with a toll paid by drivers on both bridges;

(iii) Providing incentives and choices for users of the state route number 520 bridge replacement project to use transit and to carpool; and

(iv) Implementing variable tolling as a way to reduce congestion on the facility; and

(g) Provide a report to the governor and the legislature by January 2009.

(3) The department of transportation shall provide staff support to the committee.

**NEW SECTION. Sec. 7.** A new section is added to chapter 47.01 RCW to read as follows:

(1)(a) Any person involved in the construction of the state route number 520 bridge replacement and HOV project may apply for deferral of state and local sales and use taxes on the site preparation for, the construction of, the acquisition of any related machinery and equipment that will become a part of, and the rental of equipment for use in, the project.

(b) Application shall be made to the department of revenue in a form and manner prescribed by the department of revenue. The application must contain information regarding estimated or actual costs, time schedules for completion and operation, and other information required by the department of revenue. The department

of revenue shall approve the application within sixty days if it meets the requirements of this section.

(2) The department of revenue shall issue a sales and use tax deferral certificate for state and local sales and use taxes imposed or authorized under chapters 82.08, 82.12, and 82.14 RCW and RCW 81.104.170 on the project.

(3) A person granted a tax deferral under this section shall begin paying the deferred taxes in the fifth year after the date certified by the department of revenue as the date on which the project is operationally complete. The project is operationally complete under this section when the replacement bridge is constructed and opened to traffic. The first payment is due on December 31st of the fifth calendar year after the certified date, with subsequent annual payments due on December 31st of the following nine years. Each payment shall equal ten percent of the deferred tax.

(4) The department of revenue may authorize an accelerated repayment schedule upon request of a person granted a deferral under this section.

(5) Interest shall not be charged on any taxes deferred under this section for the period of deferral, although all other penalties and interest applicable to delinquent excise taxes may be assessed and imposed for delinquent payments under this section. The debt for deferred taxes is not extinguished by insolvency or other failure of any private entity granted a deferral under this section.

(6) Applications and any other information received by the department of revenue under this section are not confidential and are subject to disclosure. Chapter 82.32 RCW applies to the administration of this section.

(7) For purposes of this section, "person" has the same meaning as in RCW 82.04.030 and also includes the department of transportation.

**NEW SECTION. Sec. 8.** Section 6 of this act expires February 1, 2009."

On page 1, line 2 of the title, after "project;" strike the remainder of the title and insert "adding new sections to chapter 47.01 RCW; adding new sections to chapter 47.56 RCW; creating new sections; and providing an expiration date."

and the same is herewith transmitted.

**MESSAGE FROM THE SENATE**

March 6, 2008

Mr. Speaker:

The Senate has passed SECOND SUBSTITUTE HOUSE BILL NO. 3129 with the following amendment:

Strike everything after the enacting clause and insert the following:

**"NEW SECTION. Sec. 1.** The legislature finds that student interest and participation in online learning continues to grow. At the same time, the legislature, business community, and public are encouraging additional programs for high school students to earn college credits. Fortunately for students attending schools in rural areas, the two trends can be combined to provide learning opportunities that are both rigorous and accessible, and in some cases available free to the student. In 2006-07, more than four thousand five hundred students were able to take an online college course through the running start program, which the community and technical college system makes accessible statewide through its WashingtonOnline consortium. A more concerted effort is needed to make schools and students aware of these opportunities.

**NEW SECTION. Sec. 2.** A new section is added to chapter 28A.300 RCW to read as follows:

(1) The office of the superintendent of public instruction shall compile information about online learning programs for high school students to earn college credit and place the information on its web site. Examples of information to be compiled and placed on the web site include links to purveyors of online learning programs, comparisons among various types of programs regarding costs or awarding of credit, advantages and disadvantages of online learning programs, and other general assistance and guidance for students, teachers, and counselors in selecting and considering online learning programs. The office shall use the expertise of the digital learning commons and WashingtonOnline to provide assistance and suggest resources.

(2) High schools shall ensure that teachers and counselors have information about online learning programs for high school students to earn college credit and are able to assist parents and students in accessing the information. High schools shall ensure that parents and students have opportunities to learn about online learning programs under this section.

(3) For the purposes of this section, online learning programs for high school students to earn college credit include such programs as the running start program under RCW 28A.600.300 through 28A.600.400, advanced placement courses authorized by the college board, the digital learning commons, University of Washington extension, WashingtonOnline, and other programs and providers that meet qualifications under current laws and rules to offer courses that high schools may accept for credit toward graduation requirements or that offer courses generally accepted for credit by public institutions of higher education in Washington.

**Sec. 3.** RCW 28A.600.320 and 1994 c 205 s 3 are each amended to read as follows:

A school district shall provide general information about the program to all pupils in grades ten, eleven, and twelve and the parents and guardians of those pupils, including information about the opportunity to enroll in the program through online courses available at community and technical colleges and other state institutions of higher education. To assist the district in planning, a pupil shall inform the district of the pupil's intent to enroll in courses at an institution of higher education for credit. Students are responsible for applying for admission to the institution of higher education.

**NEW SECTION. Sec. 4.** If specific funding for the purposes of this act, referencing this act by bill or chapter number, is not provided by June 30, 2008, in the omnibus appropriations act, this act is null and void."

On page 1, line 2 of the title, after "credit;" strike the remainder of the title and insert "amending RCW 28A.600.320; adding a new section to chapter 28A.300 RCW; and creating new sections."

and the same is herewith transmitted.

SECOND SUBSTITUTE HOUSE BILL NO. 3129, as amended by the Senate, having received the necessary constitutional majority, was declared passed.

**MESSAGE FROM THE SENATE**

March 6, 2008

Mr. Speaker:

The Senate has passed ENGROSSED HOUSE BILL NO. 3142 with the following amendment:

Strike everything after the enacting clause and insert the following:

"Sec. 1. RCW 43.185A.110 and 2007 c 428 s 2 are each amended to read as follows:

(1) The affordable housing land acquisition revolving loan fund program is created in the department to assist eligible organizations, described under RCW 43.185A.040, to purchase land for affordable housing development. The department shall contract with the Washington state housing finance commission to administer the affordable housing land acquisition revolving loan fund program. Within this program, the Washington state housing finance commission shall establish and administer the Washington state housing finance commission land acquisition revolving loan fund.

(2) As used in this chapter, "market rate" means the current average market interest rate that is determined at the time any individual loan is closed upon using a widely recognized current market interest rate measurement to be selected for use by the Washington state housing finance commission with the department's approval. This interest rate must be noted in an attachment to the closing documents for each loan.

(3) Under the affordable housing land acquisition revolving loan fund program:

(a) Loans may be made to purchase land on which to develop affordable housing. In addition to affordable housing, facilities intended to provide supportive services to affordable housing residents and low-income households in the nearby community may be developed on the land.

(b) Eligible organizations applying for a loan must include in the loan application a proposed affordable housing development plan indicating the number of affordable housing units planned, a description of any other facilities being considered for the property, and an estimated timeline for completion of the development. The Washington state housing finance commission may require additional information from loan applicants and may consider the efficient use of land, project readiness, organizational capacity, and other factors as criteria in awarding loans.

(c) Forty percent of the loans shall go to eligible applicants operating homeownership programs for low-income households in which the households participate in the construction of their homes. Sixty percent of loans shall go to other eligible organizations. If the entire forty percent for applicants operating self-help homeownership programs cannot be lent to these types of applicants, the remainder shall be lent to other eligible organizations.

(d) Within five years of receiving a loan, a loan recipient must present the Washington state housing finance commission with an updated development plan, including a proposed development design, committed and anticipated additional financial resources to be dedicated to the development, and an estimated development schedule, which indicates completion of the development within eight years of loan receipt. This updated development plan must be substantially consistent with the development plan submitted as part of the original loan application as required in (b) of this subsection.

(e) Within eight years of receiving a loan, a loan recipient must develop affordable housing on the property for which the loan was made and place the affordable housing into service.

(f) A loan recipient must preserve the affordable rental housing developed on the property acquired under this section as affordable housing for a minimum of thirty years.

(4) If a loan recipient does not place affordable housing into service on a property for which a loan has been received under this section within the eight-year period specified in subsection (3)(e) of this section, or if a loan recipient fails to use the property for the intended affordable housing purpose consistent with the loan recipient's original affordable housing development plan, then the loan recipient must pay to the Washington state housing finance commission an amount consisting of the principal of the original loan plus compounded interest calculated at the current market rate. The Washington state housing finance commission shall develop guidelines for the time period in which this repayment must take place, which must be noted in the original loan agreement. The Washington state housing finance commission may grant a partial or total exemption from this repayment requirement if it determines that a development is substantially complete or that the property has been substantially used in keeping with the original affordable housing purpose of the loan. Any repayment funds received as a result of

noncompliance with loan requirements shall be deposited into the Washington state housing finance commission land acquisition revolving loan fund for the purposes of the affordable housing land acquisition revolving loan fund program.

(5) The Washington state housing finance commission, with approval from the department, may adopt guidelines and requirements that are necessary to administer the affordable housing land acquisition revolving loan fund program.

(6) Interest rates on property loans granted under this section may not exceed one percent. All loan repayment moneys received shall be deposited into the Washington state housing finance commission affordable housing land acquisition revolving loan fund for the purposes of the affordable housing land acquisition revolving loan fund program.

(7) The Washington state housing finance commission must develop performance measures for the program, which must be approved by the department, including, at a minimum, measures related to:

(a) The ability of eligible organizations to access land for affordable housing development;

(b) The total number of dwelling units by housing type and the total number of ~~(very)~~ low-income households and persons served; and

(c) The financial efficiency of the program as demonstrated by factors, including the cost per unit developed for affordable housing units in different areas of the state and a measure of the effective use of funds to produce the greatest number of units for low-income households.

(8) By December 1st of each year, beginning in 2007, the Washington state housing finance commission shall report to the department and the appropriate committees of the legislature using, at a minimum, the performance measures developed under subsection (7) of this section.

NEW SECTION. Sec. 2. A new section is added to chapter 43.185A RCW to read as follows:

(1) The affordable housing and community facilities rapid response loan program is created in the department to assist eligible organizations, described under RCW 43.185A.040, to purchase land or real property for affordable housing and community facilities preservation or development in rapidly gentrifying neighborhoods or communities with a significant low-income population that is threatened with displacement by such gentrification. The department shall contract with the Washington state housing finance commission to establish and administer the program.

(2) Loans or grants may be made through the affordable housing and community facilities rapid response loan program to purchase land or real property for the preservation or development of affordable housing or community facilities, including reasonable costs and fees.

(3) The Washington state housing finance commission, with approval from the department, may adopt guidelines and requirements that are necessary to administer the affordable housing and community facilities rapid response loan program.

(4) A loan or grant recipient must preserve affordable rental housing acquired or developed under this section as affordable housing for a minimum of thirty years.

(5) Interest rates on loans made under this section may be as low as zero percent but may not exceed three percent. All loan repayment moneys received must be deposited into a program account established by the Washington state housing finance commission for the purpose of making new loans and grants under this section.

(6) By December 1st of each year, beginning in 2008, the Washington state housing finance commission shall report to the department and the appropriate committees of the legislature: The number of loans and grants that were made in the program; for what purposes the loans and grants were made; to whom the loans and grants were made; and when the loans are expected to be paid back."

On page 1, line 1 of the title, after "programs;" strike the remainder of the title and insert "amending RCW 43.185A.110; and adding a new section to chapter 43.185A RCW."

and the same is herewith transmitted.

### MESSAGE FROM THE SENATE

March 6, 2008

Mr. Speaker:

The Senate has passed SECOND SUBSTITUTE HOUSE BILL NO. 3274 with the following amendment:

Strike everything after the enacting clause and insert the following:

"**Sec. 1.** RCW 53.08.120 and 2000 c 138 s 210 are each amended to read as follows:

(1) All material and work required by a port district not meeting the definition of public work in RCW 39.04.010(4) may be procured in the open market or by contract and all work ordered may be done by contract or day labor.

(2)(a) All such contracts for work meeting the definition of "public work" in RCW 39.04.010(4), the estimated cost of which exceeds two hundred thousand dollars, shall be awarded using a

competitive bid process. The contract must be ((tet)) awarded at public bidding upon notice published in a newspaper of general circulation in the district at least thirteen days before the last date upon which bids will be received, calling for ((seated)) bids upon the work, plans and specifications for which shall then be on file in the office of the commission for public inspection. The same notice may call for bids on such work or material based upon plans and specifications submitted by the bidder. The competitive bidding requirements for purchases or public works may be waived pursuant to RCW 39.04.280 if an exemption contained within that section applies to the purchase or public work.

((However)) (b) For all contracts related to work meeting the definition of "public work" in RCW 39.04.010(4) that are estimated at two hundred thousand dollars or less, a port district may let contracts using the small works roster process under RCW 39.04.155 in lieu of ((calling)) advertising for ((seated)) bids. Whenever possible, the managing official shall invite at least one proposal from a minority contractor who shall otherwise qualify under this section.

When awarding such a contract for work, when utilizing proposals from the small works roster, the managing official shall give weight to the contractor submitting the lowest and best proposal, and whenever it would not violate the public interest, such contracts shall be distributed equally among contractors, including minority contractors, on the small works roster.

**Sec. 2.** RCW 39.30.020 and 1974 ex.s. c 74 s 1 are each amended to read as follows:

In addition to any other remedies or penalties contained in any law, municipal charter, ordinance, resolution or other enactment, any municipal officer by or through whom or under whose supervision, in whole or in part, any contract is made in ((willful)) willful and intentional violation of any law, municipal charter, ordinance, resolution or other enactment requiring competitive bidding or procurement procedures for consulting, architectural, engineering, or other services, upon such contract shall be held liable to a civil penalty of not less than three hundred dollars and may be held liable, jointly and severally with any other such municipal officer, for all consequential damages to the municipal corporation. If, as a result of a criminal action, the violation is found to have been intentional, the municipal officer shall immediately forfeit his or her office. For purposes of this section, "municipal officer" ((shall)) means an "officer" or "municipal officer" as those terms are defined in RCW 42.23.020(2).

**NEW SECTION. Sec. 3.** A new section is added to chapter 53.08 RCW to read as follows:

By January 1, 2010, each port with more than ten million dollars in annual gross revenues, excluding grant and loan funds, shall maintain a database on a public web site of all contracts, including public works and personal services. At a minimum, the database shall identify the contractor, the purpose of the contract, effective dates and periods of performance, the cost of the contract and funding source, any modifications to the contract, and whether the contract was competitively procured or awarded on a sole source basis.

**NEW SECTION. Sec. 4.** A new section is added to chapter 53.08 RCW to read as follows:

(1) If a port district purchases property for a facility outside the port's jurisdiction, the port district or districts with responsibility for the future property development and use must prepare and implement a communication plan within sixty days after contracting with a site planning consultant. The communication plan must be reasonably calculated to provide property owners and other affected and interested individuals information for review and comment. The plan shall be made available through the planning and predesign phase. The communication plan shall include information about:

- (a) The type and scale of proposed uses on the site;
- (b) The type and scale of business and industrial activities that the development is likely to later attract to the site and to the nearby area;
- (c) The general character and scope of potential impacts on air and water quality, noise, and local and state transportation

infrastructure, including state highways, local roads, rail, and shipping.

(2) Information included in the communication plan under subsection (1) of this section may be made available by means of web pages, office inspection and copying of materials, one or more property tours, and public meetings that allow interested citizens to comment to port officials on several occasions over time as the development plans evolve.

(3) Environmental mitigation, habitat restoration, and dredged material disposal projects are exempt from the requirements of this section.

**NEW SECTION. Sec. 5.** The legislature hereby establishes a policy of open competition for all personal service contracts entered into by port districts unless specifically exempted under this chapter. It is further the intent to provide differentiation between the competitive procurement procedures for personal and professional services contracts.

**NEW SECTION. Sec. 6.** The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

(1) "Commission" means the elected oversight body of an individual port.

(2) "Competitive solicitation" means a documented formal process providing an equal and open opportunity to qualified parties and culminating in a selection based on criteria, in which criteria other than price may be the primary basis for consideration. The criteria may include such factors as the consultant's fees or costs, ability, capacity, experience, reputation, responsiveness to time limitations, responsiveness to solicitation requirements, quality of previous performance, and compliance with statutes and rules relating to contracts or services.

(3) "Consultant" means an independent individual or firm contracting with a port to perform a service or render an opinion or recommendation according to the consultant's methods and without being subject to the control of the port except as to the result of the work. The port monitors progress under the contract and authorizes payment.

(4) "Emergency" means a set of unforeseen circumstances beyond the control of the port that either:

(a) Present a real, immediate threat to the proper performance of essential functions; or

(b) May result in material loss or damage to property, bodily injury, or loss of life if immediate action is not taken.

(5) "Evidence of competition" means documentation demonstrating that the port has solicited responses from multiple firms in selecting a consultant.

(6) "Personal service" means professional or technical expertise provided by a consultant to accomplish a specific study, project, task, or other work statement which may not reasonably be required in connection with a public works project meeting the definition in RCW 39.04.010(4). "Personal service" does not include purchased services as defined under subsection (8) of this section or professional services procured using the competitive selection requirements in chapter 39.80 RCW.

(7) "Personal service contract" means an agreement, or any amendment thereto, with a consultant for the rendering of personal services to the port.

(8) "Purchased services" means services provided by a vendor to accomplish routine, continuing, and necessary functions. "Purchased services" includes, but is not limited to, services for equipment maintenance and repair; operation of a physical plant; security; computer hardware and software maintenance; data entry; key punch services; and computer time-sharing, contract programming, and analysis.

(9) "Sole source" means a consultant providing professional or technical expertise of such a unique nature that the consultant is clearly and justifiably the only practicable source to provide the service. The justification shall be based on the uniqueness of the service, sole availability at the location required, or warranty or defect correction service obligations of the consultant.

**NEW SECTION. Sec. 7.** All personal service contracts shall be entered into pursuant to competitive solicitation, except for:

(1) Emergency contracts;

(2) Sole source contracts;

(3) Contract amendments;

(4) Contracts between a consultant and a port of less than fifty thousand dollars. However, contracts of fifty thousand dollars or greater but less than two hundred thousand dollars shall have documented evidence of competition. Ports shall not structure contracts to evade these requirements; and

(5) Other specific contracts or classes or groups of contracts exempted from the competitive solicitation process by the commission when it has been determined that a competitive solicitation process is not appropriate or cost-effective.

**NEW SECTION. Sec. 8.** Emergency contracts shall be filed with the commission and made available for public inspection within seven working days following the commencement of work or execution of the contract, whichever occurs first. Documented justification for emergency contracts shall be provided to the commission when the contract is filed.

**NEW SECTION. Sec. 9.** (1) Sole source contracts shall be filed with the commission and made available for public inspection prior to the proposed starting date of the contract. Documented justification for sole source contracts shall be provided to the commission when the contract is filed. For sole source contracts of fifty thousand dollars or more, documented justification shall include evidence that the port attempted to identify potential consultants.

(2) The commission shall ensure that the costs, fees, or rates negotiated in filed sole source contracts of fifty thousand dollars or more are reasonable.

**NEW SECTION. Sec. 10.** A port commissioner or employee shall not expend any funds for personal service contracts subject to this chapter unless the port has complied with the competitive procurement and other requirements of this chapter. The port commissioner or employee executing the personal service contracts is responsible for compliance with the requirements of this chapter. Willful and intentional failure to comply with the requirements of this chapter subjects the port commissioner or employee to a civil penalty in the amount of three hundred dollars. A consultant who knowingly violates this chapter in seeking or performing work under a personal services contract is subject to a civil penalty of three hundred dollars or twenty-five percent of the amount of the contract, whichever is greater. The state auditor is responsible for auditing violations of this chapter through its regular financial and accountability audits. The attorney general is responsible for prosecuting violations of this chapter.

**NEW SECTION. Sec. 11.** (1) Substantial changes in the scope of work specified in the contract or which are substantial additions to the scope of work specified in the formal solicitation document shall be submitted to the commission for a determination as to whether the change warrants the work to be awarded as a new contract.

(2) An amendment or amendments to personal service contracts, if the value of the amendment or amendments, whether singly or cumulatively, exceeds fifty percent of the value of the original contract must be filed with the commission and made available for public inspection prior to the proposed starting date of services under the amendments.

**NEW SECTION. Sec. 12.** This chapter does not apply to:

(1) Contracts specifying a fee of less than fifty thousand dollars;

(2) Contracts awarded to companies that furnish a service where the tariff is established by the utilities and transportation commission or other public entity;

(3) Intergovernmental agreements awarded to any governmental entity, whether federal, state, or local and any department, division, or subdivision thereof;

(4) Contracts awarded for services to be performed for a standard fee, when the standard fee is established by the contracting

agency or any other governmental entity and a like contract is available to all qualified applicants;

(5) Contracts for services that are necessary to the conduct of collaborative research if prior approval is granted by the funding source;

(6) Contracts for professional services which are entered into under chapter 39.80 RCW; and

(7) Contracts for the employment of expert witnesses for the purposes of litigation or legal services to supplement the expertise of port staff.

**NEW SECTION. Sec. 13.** (1) The municipal research services center, in cooperation with the Washington public ports association, shall develop guidelines for the effective and efficient management of personal service contracts by all ports. The guidelines must, at a minimum, include:

(a) Accounting methods, systems, measures, and principles to be used by ports and consultants;

(b) Precontract procedures for selecting potential consultants based on their qualifications and ability to perform;

(c) Incorporation of performance measures and measurable benchmarks in contracts, and the use of performance audits;

(d) Uniform contract terms to ensure contract performance and compliance with port, state, and federal standards;

(e) Proper payment and reimbursement methods to ensure that the port receives full value for taxpayer moneys, including cost settlements and cost allowance;

(f) Postcontract procedures, including methods for recovering improperly spent or overspent moneys for disallowance and adjustment;

(g) Adequate contract remedies and sanctions to ensure compliance;

(h) Monitoring, fund tracking, risk assessment, and auditing procedures and requirements;

(i) Financial reporting, record retention, and record access procedures and requirements;

(j) Procedures and criteria for terminating contracts for cause or otherwise; and

(k) Any other subject related to effective and efficient contract management.

(2) The municipal research services center shall submit a status report on the guidelines required by subsection (1) of this section to the governor and the appropriate standing committees of the legislature no later than December 1, 2008.

(3) The Washington public ports association shall publish a guidebook for use by ports containing the guidelines developed under subsection (1) of this section.

(4) The municipal research services center and the Washington public ports association shall each make the guidelines available on their web sites.

**NEW SECTION. Sec. 14.** (1) A port entering into or amending personal service contracts shall follow the policies adopted by the commission, which shall be based on guidelines developed pursuant to section 13 of this act.

(2) This section applies to ports entering into or renewing contracts after January 1, 2010.

**NEW SECTION. Sec. 15.** The Washington public ports association shall provide a training course for port personnel responsible for executing and managing personal service contracts. The course must contain training on effective and efficient contract management under the guidelines established under section 13 of this act. Port districts shall require port employees responsible for executing or managing personal service contracts to complete the training course to the satisfaction of the commission.

**Sec. 16.** RCW 39.04.010 and 2007 c 133 s 1 are each amended to read as follows:

The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

(1) "Award" means the formal decision by the state or municipality notifying a responsible bidder with the lowest

responsive bid of the ((state)) state's or municipality's acceptance of the bid and intent to enter into a contract with the bidder.

(2) "Contract" means a contract in writing for the execution of public work for a fixed or determinable amount duly awarded after advertisement and competitive bid, or a contract awarded under the small works roster process in RCW 39.04.155.

(3) "Municipality" means every city, county, town, port district, district, or other public agency authorized by law to require the execution of public work, except drainage districts, diking districts, diking and drainage improvement districts, drainage improvement districts, diking improvement districts, consolidated diking and drainage improvement districts, consolidated drainage improvement districts, consolidated diking improvement districts, irrigation districts, or other districts authorized by law for the reclamation or development of waste or undeveloped lands.

(4) "Public work" means all work, construction, alteration, repair, or improvement other than ordinary maintenance, executed at the cost of the state or of any municipality, or which is by law a lien or charge on any property therein. All public works, including maintenance when performed by contract shall comply with chapter 39.12 RCW. "Public work" does not include work, construction, alteration, repair, or improvement performed under contracts entered into under RCW 36.102.060(4) or under development agreements entered into under RCW 36.102.060(7) or leases entered into under RCW 36.102.060(8).

(5) "Responsible bidder" means a contractor who meets the criteria in RCW 39.04.350.

(6) "State" means the state of Washington and all departments, supervisors, commissioners, and agencies of the state.

**Sec. 17.** RCW 39.04.155 and 2007 c 218 s 87, 2007 c 210 s 1, and 2007 c 133 s 4 are each reenacted and amended to read as follows:

(1) This section provides uniform small works roster provisions to award contracts for construction, building, renovation, remodeling, alteration, repair, or improvement of real property that may be used by state agencies and by any local government that is expressly authorized to use these provisions. These provisions may be used in lieu of other procedures to award contracts for such work with an estimated cost of two hundred thousand dollars or less. The small works roster process includes the limited public works process authorized under subsection (3) of this section and any local government authorized to award contracts using the small works roster process under this section may award contracts using the limited public works process under subsection (3) of this section.

(2)(a) A state agency or authorized local government may create a single general small works roster, or may create a small works roster for different specialties or categories of anticipated work. Where applicable, small works rosters may make distinctions between contractors based upon different geographic areas served by the contractor. The small works roster or rosters shall consist of all responsible contractors who have requested to be on the list, and where required by law are properly licensed or registered to perform such work in this state. A state agency or local government establishing a small works roster or rosters may require eligible contractors desiring to be placed on a roster or rosters to keep current records of any applicable licenses, certifications, registrations, bonding, insurance, or other appropriate matters on file with the state agency or local government as a condition of being placed on a roster or rosters. At least once a year, the state agency or local government shall publish in a newspaper of general circulation within the jurisdiction a notice of the existence of the roster or rosters and solicit the names of contractors for such roster or rosters. In addition, responsible contractors shall be added to an appropriate roster or rosters at any time they submit a written request and necessary records. Master contracts may be required to be signed that become effective when a specific award is made using a small works roster.

(b) A state agency establishing a small works roster or rosters shall adopt rules implementing this subsection. A local government establishing a small works roster or rosters shall adopt an ordinance or resolution implementing this subsection. Procedures included in rules adopted by the department of general administration in

implementing this subsection must be included in any rules providing for a small works roster or rosters that is adopted by another state agency, if the authority for that state agency to engage in these activities has been delegated to it by the department of general administration under chapter 43.19 RCW. An interlocal contract or agreement between two or more state agencies or local governments establishing a small works roster or rosters to be used by the parties to the agreement or contract must clearly identify the lead entity that is responsible for implementing the provisions of this subsection.

(c) Procedures shall be established for securing telephone, written, or electronic quotations from contractors on the appropriate small works roster to assure that a competitive price is established and to award contracts to the lowest responsible bidder, as defined in RCW 39.04.010. Invitations for quotations shall include an estimate of the scope and nature of the work to be performed as well as materials and equipment to be furnished. However, detailed plans and specifications need not be included in the invitation. This subsection does not eliminate other requirements for architectural or engineering approvals as to quality and compliance with building codes. Quotations may be invited from all appropriate contractors on the appropriate small works roster. As an alternative, quotations may be invited from at least five contractors on the appropriate small works roster who have indicated the capability of performing the kind of work being contracted, in a manner that will equitably distribute the opportunity among the contractors on the appropriate roster. However, if the estimated cost of the work is from one hundred thousand dollars to two hundred thousand dollars, a state agency or local government (~~(other than a port district)~~) that chooses to solicit bids from less than all the appropriate contractors on the appropriate small works roster must also notify the remaining contractors on the appropriate small works roster that quotations on the work are being sought. The government has the sole option of determining whether this notice to the remaining contractors is made by: (i) Publishing notice in a legal newspaper in general circulation in the area where the work is to be done; (ii) mailing a notice to these contractors; or (iii) sending a notice to these contractors by facsimile or other electronic means. For purposes of this subsection (2)(c), "equitably distribute" means that a state agency or local government soliciting bids may not favor certain contractors on the appropriate small works roster over other contractors on the appropriate small works roster who perform similar services.

(d) A contract awarded from a small works roster under this section need not be advertised.

(e) Immediately after an award is made, the bid quotations obtained shall be recorded, open to public inspection, and available by telephone inquiry.

(3) In lieu of awarding contracts under subsection (2) of this section, a state agency or authorized local government may award a contract for work, construction, alteration, repair, or improvement projects estimated to cost less than thirty-five thousand dollars using the limited public works process provided under this subsection. Public works projects awarded under this subsection are exempt from the other requirements of the small works roster process provided under subsection (2) of this section and are exempt from the requirement that contracts be awarded after advertisement as provided under RCW 39.04.010.

For limited public works projects, a state agency or authorized local government shall solicit electronic or written quotations from a minimum of three contractors from the appropriate small works roster and shall award the contract to the lowest responsible bidder as defined under RCW 39.04.010. After an award is made, the quotations shall be open to public inspection and available by electronic request. A state agency or authorized local government shall attempt to distribute opportunities for limited public works projects equitably among contractors willing to perform in the geographic area of the work. A state agency or authorized local government shall maintain a list of the contractors contacted and the contracts awarded during the previous twenty-four months under the limited public works process, including the name of the contractor, the contractor's registration number, the amount of the contract, a brief description of the type of work performed, and the date the contract was awarded. For limited public works projects, a state agency or authorized local government may waive the payment and

performance bond requirements of chapter 39.08 RCW and the retainage requirements of chapter 60.28 RCW, thereby assuming the liability for the contractor's nonpayment of laborers, mechanics, subcontractors, material persons, suppliers, and taxes imposed under Title 82 RCW that may be due from the contractor for the limited public works project, however the state agency or authorized local government shall have the right of recovery against the contractor for any payments made on the contractor's behalf.

(4) The breaking of any project into units or accomplishing any projects by phases is prohibited if it is done for the purpose of avoiding the maximum dollar amount of a contract that may be let using the small works roster process or limited public works process.

(5)(a) A state agency or authorized local government may use the limited public works process of subsection (3) of this section to solicit and award small works roster contracts to small businesses that are registered contractors with gross revenues under one million dollars annually as reported on their federal tax return.

(b) A state agency or authorized local government may adopt additional procedures to encourage small businesses that are registered contractors with gross revenues under two hundred fifty thousand dollars annually as reported on their federal tax returns to submit quotations or bids on small works roster contracts.

(6) As used in this section, "state agency" means the department of general administration, the state parks and recreation commission, the department of natural resources, the department of fish and wildlife, the department of transportation, any institution of higher education as defined under RCW 28B.10.016, and any other state agency delegated authority by the department of general administration to engage in construction, building, renovation, remodeling, alteration, improvement, or repair activities.

**Sec. 18.** RCW 53.12.270 and 1975 1st ex.s. c 12 s 1 are each amended to read as follows:

(1) The commission may delegate to the managing official of a port district such administrative powers and duties of the commission as it may deem proper for the efficient and proper management of port district operations. Any such delegation shall be authorized by appropriate resolution of the commission, which resolution must also establish guidelines and procedures for the managing official to follow.

(2) The commission shall establish, by resolution, policies to comply with RCW 39.04.280 that set forth the conditions by which competitive bidding requirements for public works contracts may be waived.

**NEW SECTION. Sec. 19.** Sections 5 through 15 of this act constitute a new chapter in Title 53 RCW.

**NEW SECTION. Sec. 20.** If specific funding for the purposes of this act, referencing this act by bill or chapter number, is not provided by June 30, 2008, in the omnibus appropriations act, this act is null and void."

On page 1, line 2 of the title, after "districts;" strike the remainder of the title and insert "amending RCW 53.08.120, 39.30.020, 39.04.010, and 53.12.270; reenacting and amending RCW 39.04.155; adding new sections to chapter 53.08 RCW; adding a new chapter to Title 53 RCW; creating a new section; prescribing penalties; and providing an expiration date."

and the same is herewith transmitted.

**NEW SECTION. Sec. 3.** This chapter applies to an anatomical gift or amendment to, revocation of, or refusal to make an anatomical gift, whenever made.

**NEW SECTION. Sec. 4.** Subject to section 8 of this act, an anatomical gift of a donor's body or part may be made during the life of the donor in the manner provided in section 5 of this act by:

(1) The donor, if the donor is an adult or if the donor is a minor and is:

(a) Emancipated; or

(b) Authorized under state law to apply for a driver's license because the donor is at least fifteen and one-half years old;

(2) An agent of the donor, unless the power of attorney for health care or other record prohibits the agent from making an anatomical gift;

(3) A parent of the donor, if the donor is an unemancipated minor; provided, however, that an anatomical gift made pursuant to this subsection shall cease to be valid once the donor becomes either an emancipated minor or an adult; or

(4) The donor's guardian.

**NEW SECTION. Sec. 5.** (1) A donor may make an anatomical gift:

(a) By authorizing a statement or symbol indicating that the donor has made an anatomical gift to be imprinted on the donor's driver's license or identification card;

(b) In a will;

(c) During a terminal illness or injury of the donor, by any form of communication addressed to at least two adults, at least one of whom is a disinterested witness; or

(d) As provided in subsection (2) of this section.

(2) A donor or other person authorized to make an anatomical gift under section 4 of this act may make a gift by a donor card or other record signed by the donor or other person making the gift or by authorizing that a statement or symbol indicating that the donor has made an anatomical gift be included on a donor registry. If the donor or other person is physically unable to sign a record, the record may be signed by another individual at the direction of the donor or other person and must:

(a) Be witnessed by at least two adults, at least one of whom is a disinterested witness, who have signed at the request of the donor or the other person; and

(b) State that it has been signed and witnessed as provided in (a) of this subsection.

(3) Revocation, suspension, expiration, or cancellation of a driver's license or identification card through which an anatomical gift has been made does not invalidate the gift.

(4) An anatomical gift made by will takes effect upon the donor's death whether or not the will is probated. Invalidation of the will after the donor's death does not invalidate the gift.

**NEW SECTION. Sec. 6.** (1) Subject to section 8 of this act, a donor or other person authorized to make an anatomical gift under section 4 of this act may amend or revoke an anatomical gift by:

(a) A record signed by:

(i) The donor;

(ii) The other person; or

(iii) Subject to subsection (2) of this section, another individual acting at the direction of the donor or the other person if the donor or other person is physically unable to sign; or

The donor or other person shall notify the Washington organ procurement organization of the destruction or cancellation of the document of gift for the purpose of removing the individual's name from the organ and tissue donor registry created in RCW 68.50.635 (as recodified by this act). If the Washington state organ procurement organization that is notified does not maintain a registry for Washington residents, it shall notify all Washington state procurement organizations that do maintain such a registry.

(2) A record signed pursuant to subsection (1)(a)(ii) of this section must:

(a) Be witnessed by at least two adults, at least one of whom is a disinterested witness, who have signed at the request of the individual; and

(b) State that it has been signed and witnessed as provided in (a) of this subsection.

(3) An individual who has made a refusal may amend or revoke the refusal:

(a) In the manner provided in subsection (1) of this section for making a refusal;

(c) By destroying or canceling the record evidencing the refusal, or the portion of the record used to make the refusal, with the intent to revoke the refusal.

(4) Except as otherwise provided in section 8(8) of this act, in the absence of an express, contrary indication by the individual set forth in the refusal, an individual's unrevoked refusal to make an anatomical gift of the individual's body or part bars all other persons from making an anatomical gift of the individual's body or part.

**NEW SECTION. Sec. 8.** (1) Except as otherwise provided in subsection (7) of this section and subject to subsection (6) of this section, in the absence of an express, contrary indication by the donor, a person other than the donor is barred from making, amending, or revoking an anatomical gift of a donor's body or part if the donor made an anatomical gift of the donor's body or part under section 5 of this act or an amendment to an anatomical gift of the donor's body or part under section 6 of this act.

(2) A donor's revocation of an anatomical gift of the donor's body or part under section 6 of this act is not a refusal and does not bar another person specified in section 4 or 9 of this act from making an anatomical gift of the donor's body or part under section 5 or 10 of this act.

(3) If a person other than the donor makes an unrevoked anatomical gift of the donor's body or part under section 5 of this act or an amendment to an anatomical gift of the donor's body or part under section 6 of this act, another person may not make, amend, or revoke the gift of the donor's body or part under section 10 of this act.

(4) A revocation of an anatomical gift of a donor's body or part under section 6 of this act by a person other than the donor does not

bar another person from making an anatomical gift of the body or part under section 5 or 10 of this act.

(5) In the absence of an express, contrary indication by the donor or other person authorized to make an anatomical gift under section 4 of this act, an anatomical gift of a part is neither a refusal to give another part nor a limitation on the making of an anatomical gift of another part at a later time by the donor or another person.

(6) In the absence of an express, contrary indication by the donor or other person authorized to make an anatomical gift under section 4 of this act, an anatomical gift of a part for one or more of the permitted purposes is not a limitation on the making of an anatomical gift of the part for any of the other purposes by the donor or any other person under section 5 or 10 of this act.

(7) If a donor who is an unemancipated minor dies, a parent of the donor who is reasonably available may revoke or amend an anatomical gift of the donor's body or part.

(8) If an unemancipated minor who signed a refusal dies, a parent of the minor who is reasonably available may revoke the minor's refusal.

**NEW SECTION. Sec. 9.** (1) Subject to subsections (2) and (3) of this section and unless barred by section 7 or 8 of this act, an anatomical gift of a decedent's body or part may be made by any member of the following classes of persons who is reasonably available, in the order of priority listed:

(a) An agent of the decedent at the time of death who could have made an anatomical gift under section 4(2) of this act immediately before the decedent's death;

(c) Adult children of the decedent;

(d) Parents of the decedent;

(e) Adult siblings of the decedent;

(f) Adult grandchildren of the decedent;

(g) Grandparents of the decedent;

(h) The persons who were acting as the guardians of the person of the decedent at the time of death; and

(i) Any other person having the authority under applicable law to dispose of the decedent's body.

(2) If there is more than one member of a class listed in subsection (1)(a), (c), (d), (e), (f), (g), or (h) of this section entitled to make an anatomical gift, an anatomical gift may be made by a member of the class unless that member or a person to which the gift may pass under section 11 of this act knows of an objection by another member of the class. If an objection is known, the gift may be made only by a majority of the members of the class who are reasonably available.

(3) A person may not make an anatomical gift if, at the time of the decedent's death, a person in a prior class under subsection (1) of this section is reasonably available to make or to object to the making of an anatomical gift.

**NEW SECTION. Sec. 10.** (1) A person authorized to make an anatomical gift under section 9 of this act may make an anatomical gift by a document of gift signed by the person making the gift or by that person's oral communication that is electronically recorded or is contemporaneously reduced to a record and signed by the individual receiving the oral communication.

(2) Subject to subsection (3) of this section, an anatomical gift by a person authorized under section 9 of this act may be amended or revoked orally or in a record by any member of a prior class who is reasonably available. If more than one member of the prior class is reasonably available, the gift made by a person authorized under section 9 of this act may be:

(a) Amended only if a majority of the reasonably available members agree to the amending of the gift; or

(b) Revoked only if a majority of the reasonably available members agree to the revoking of the gift or if they are equally divided as to whether to revoke the gift.

(3) A revocation under subsection (2) of this section is effective only if, before an incision has been made to remove a part from the donor's body or before transplant procedures have begun on the

recipient, the procurement organization, transplant hospital, or physician or technician knows of the revocation.

**NEW SECTION. Sec. 11.** (1) An anatomical gift may be made to the following persons named in the document of gift:

(a) For research or education: A hospital; an accredited medical school, dental school, college, or university; or an organ procurement organization;

(b) Subject to subsection (2) of this section, an individual designated by the person making the anatomical gift if the individual is the recipient of the part;

(c) An eye bank or tissue bank.

(2) If an anatomical gift to an individual under subsection (1)(b) of this section cannot be transplanted into the individual, the part passes in accordance with subsection (7) of this section in the absence of an express, contrary indication by the person making the anatomical gift.

(3) If an anatomical gift of one or more specific parts or of all parts is made in a document of gift that does not name a person described in subsection (1) of this section but identifies the purpose for which an anatomical gift may be used, the following rules apply:

(a) If the part is an eye and the gift is for the purpose of transplantation or therapy, the gift passes to the appropriate eye bank.

(b) If the part is tissue and the gift is for the purpose of transplantation or therapy, the gift passes to the appropriate tissue bank.

(c) If the part is an organ and the gift is for the purpose of transplantation or therapy, the gift passes to the appropriate organ procurement organization as custodian of the organ.

(d) If the part is an organ, an eye, or tissue and the gift is for the purpose of research or education, the gift passes to the appropriate procurement organization.

(4) For the purpose of subsection (3) of this section, if there is more than one purpose of an anatomical gift set forth in the document of gift but the purposes are not set forth in any priority, the gift must be used for transplantation or therapy, if suitable. If the gift cannot be used for transplantation or therapy, the gift may be used for research or education.

(5) If an anatomical gift of one or more specific parts is made in a document of gift that does not name a person described in subsection (1) of this section and does not identify the purpose of the gift, the gift may be used only for transplantation or therapy, and the gift passes in accordance with subsection (7) of this section.

(6) If a document of gift specifies only a general intent to make an anatomical gift by words such as "donor," "organ donor," or "body donor," or by a symbol or statement of similar import, the gift may be used only for transplantation or therapy, and the gift passes in accordance with subsection (7) of this section.

(7) For purposes of subsections (2), (5), and (6) of this section the following rules apply:

(a) If the part is an eye, the gift passes to the appropriate eye bank.

(b) If the part is tissue, the gift passes to the appropriate tissue bank.

(c) If the part is an organ, the gift passes to the appropriate organ procurement organization as custodian of the organ.

(8) An anatomical gift of an organ for transplantation or therapy, other than an anatomical gift under subsection (1)(b) of this section, passes to the organ procurement organization as custodian of the organ.

(9) If an anatomical gift does not pass pursuant to subsections (1) through (8) of this section or the decedent's body or part is not used for transplantation, therapy, research, or education, custody of the body or part passes to the person under obligation to dispose of the body or part.

(10) A person may not accept an anatomical gift if the person knows that the gift was not effectively made under section 5 or 10 of this act or if the person knows that the decedent made a refusal under section 7 of this act that was not revoked. For purposes of this subsection (10), if a person knows that an anatomical gift was made on a document of gift, the person is deemed to know of any

amendment or revocation of the gift or any refusal to make an anatomical gift on the same document of gift.

(11) Except as otherwise provided in subsection (1)(b) of this section, nothing in this chapter affects the allocation of organs for transplantation or therapy.

**NEW SECTION. Sec. 12.** (1) A document of gift need not be delivered during the donor's lifetime to be effective.

(2) Upon or after an individual's death, a person in possession of a document of gift or a refusal to make an anatomical gift with respect to the individual shall allow examination and copying of the document of gift or refusal by a person authorized to make or object to the making of an anatomical gift with respect to the individual or by a person to which the gift could pass under section 11 of this act.

**NEW SECTION. Sec. 13.** (1) When a hospital refers an individual at or near death to a procurement organization, the organization shall make a reasonable search of the records of the department of licensing and any donor registry that it knows exists for the geographical area in which the individual resides to ascertain whether the individual has made an anatomical gift.

(2) A procurement organization must be allowed reasonable access to information in the records of the department of licensing to ascertain whether an individual at or near death is a donor.

(3) When a hospital refers an individual at or near death to a procurement organization, the organization may conduct any reasonable examination necessary to ensure the medical suitability of a part that is or could be the subject of an anatomical gift for transplantation, therapy, research, or education from a donor or a prospective donor. During the examination period, measures necessary to ensure the medical suitability of the part may not be withdrawn unless the hospital or procurement organization knows that the individual expressed a contrary intent.

(4) Unless prohibited by law other than this chapter, at any time after a donor's death, the person to which a part passes under section 11 of this act may conduct any reasonable examination necessary to ensure the medical suitability of the body or part for its intended purpose.

(5) Unless prohibited by law other than this chapter, an examination under subsection (3) or (4) of this section may include an examination of all medical records of the donor or prospective donor.

(6) Upon the death of a minor who was a donor or had signed a refusal, unless a procurement organization knows the minor is emancipated, the procurement organization shall conduct a reasonable search for the parents of the minor and provide the parents with an opportunity to revoke or amend the anatomical gift or revoke the refusal.

(7) Upon referral by a hospital under subsection (1) of this section, a procurement organization shall make a reasonable search for any person listed in section 9 of this act having priority to make an anatomical gift on behalf of a prospective donor. If a procurement organization receives information that an anatomical gift to any other person was made, amended, or revoked, it shall promptly advise the other person of all relevant information.

(8) Subject to sections 11(9), 21, and 22 of this act, the rights of the person to which a part passes under section 11 of this act are superior to the rights of all others with respect to the part. The person may accept or reject an anatomical gift in whole or in part. Subject to the terms of the document of gift and this chapter, a person that accepts an anatomical gift of an entire body may allow embalming, burial, or cremation, and use of remains in a funeral service. If the gift is of a part, the person to which the part passes under section 11 of this act, upon the death of the donor and before embalming, burial, or cremation, shall cause the part to be removed without unnecessary mutilation.

(9) Neither the physician who attends the decedent at death nor the physician who determines the time of the decedent's death may participate in the procedures for removing or transplanting a part from the decedent.

(10) A physician or technician may remove a donated part from the body of a donor that the physician or technician is qualified to remove.

**NEW SECTION. Sec. 14.** When English is not the first language of the person or persons making, amending, revoking, or refusing anatomical gifts as defined in this act, organ procurement organizations are responsible for providing, at no cost, appropriate interpreter services or translations to such persons for the purpose of making such decisions.

**NEW SECTION. Sec. 15.** Each hospital in this state shall enter into agreements or affiliations with procurement organizations for coordination of procurement and use of anatomical gifts.

**NEW SECTION. Sec. 16.** (1) Except as otherwise provided in subsection (2) of this section, a person who, for valuable consideration, knowingly purchases or sells a part for transplantation or therapy if removal of a part from an individual is intended to occur after the individual's death is guilty of a class C felony under RCW 9A.20.010.

(2) A person may charge a reasonable amount for the removal, processing, preservation, quality control, storage, transportation, implantation, or disposal of a part.

**NEW SECTION. Sec. 17.** A person who, in order to obtain financial gain, intentionally falsifies, forges, conceals, defaces, or obliterates a document of gift, an amendment or revocation of a document of gift, or a refusal is guilty of a class C felony under RCW 9A.20.010.

**NEW SECTION. Sec. 18.** (1) A person who acts in accordance with this chapter or with the applicable anatomical gift law of another state, or attempts in good faith to do so, is not liable for the act in a civil action, criminal prosecution, or administrative proceeding.

(2) Neither the person making an anatomical gift nor the donor's estate is liable for any injury or damage that results from the making or use of the gift.

(3) In determining whether an anatomical gift has been made, amended, or revoked under this chapter, a person may rely upon representations of an individual listed in section 9(1)(b) through (g) of this act relating to the individual's relationship to the donor or prospective donor unless the person knows that the representation is untrue.

**NEW SECTION. Sec. 19.** (1) A document of gift is valid if executed in accordance with:

- (a) This chapter;
- (b) The laws of the state or country where it was executed; or
- (c) The laws of the state or country where the person making the anatomical gift was domiciled, has a place of residence, or was a national at the time the document of gift was executed.

(2) If a document of gift is valid under this section, the law of this state governs the interpretation of the document of gift.

(3) A person may presume that a document of gift or amendment of an anatomical gift is valid unless that person knows that it was not validly executed or was revoked.

**NEW SECTION. Sec. 20.** (1) The definitions in this subsection apply throughout this section unless the context clearly requires otherwise.

(a) "Advance health care directive" means a power of attorney for health care or a "directive" as defined in RCW 70.122.020.

(b) "Declaration" means a record signed by a prospective donor specifying the circumstances under which a life support system may be withheld or withdrawn from the prospective donor.

(c) "Health care decision" means any decision made regarding the health care of the prospective donor.

(2) If a prospective donor has a declaration or advance health care directive, and the terms of the declaration or directive and the express or implied terms of a potential anatomical gift are in conflict with regard to the administration of measures necessary to ensure the medical suitability of a part for transplantation or therapy, the prospective donor's attending physician and the prospective donor shall confer to resolve the conflict. If the prospective donor is incapable of resolving the conflict, an agent acting under the

prospective donor's declaration or directive, or, if none or the agent is not reasonably available, another person authorized by law other than this chapter to make health care decisions on behalf of the prospective donor, shall act for the donor to resolve the conflict. The conflict must be resolved as expeditiously as possible. Information relevant to the resolution of the conflict may be obtained from the appropriate procurement organization and any other person authorized to make an anatomical gift for the prospective donor under section 9 of this act. Before resolution of the conflict, measures necessary to ensure the medical suitability of the part may not be withheld or withdrawn from the prospective donor if withholding or withdrawing the measures is not contraindicated by appropriate end-of-life care.

**NEW SECTION. Sec. 21.** (1)(a) A coroner or medical examiner shall cooperate with procurement organizations, to the extent that such cooperation does not prevent, hinder, or impede the timely investigation of death, to facilitate the opportunity to recover anatomical gifts for the purpose of transplantation or therapy. However, a coroner or medical examiner may limit the number of procurement organizations with which he or she cooperates.

(b) The coroner or medical examiner may release the initial investigative information to the tissue or organ procurement organization for the purpose of determining the suitability of the potential donor by those organizations. The information released for this purpose shall remain confidential. The coroner or medical examiner is not liable for any release of confidential information by the procurement organization.

(2)(a) Procurement organizations shall cooperate with the coroner or medical examiner to ensure the preservation of and timely transfer to the coroner or medical examiner any physical or biological evidence from a prospective donor that the procurement organization may have contact with or access to that is required by the coroner or medical examiner for the investigation of death.

(b) If the coroner or medical examiner or a designee releases a part for donation under subsection (4) of this section, the procurement organization, upon request, shall cause the physician or technician who removes the part to provide the coroner or medical examiner with a record describing the condition of the part, biopsies, residual tissue, photographs, and any other information and observations requested by the coroner or medical examiner that would assist in the investigation of death.

(3) A part may not be removed from the body of a decedent under the jurisdiction of a coroner or medical examiner for transplantation, therapy, research, or education unless the part is the subject of an anatomical gift, and has been released by the coroner or medical examiner. The body of a decedent under the jurisdiction of the coroner or medical examiner may not be delivered to a person for research or education unless the body is the subject of an anatomical gift. This subsection does not preclude a coroner or medical examiner from performing the medicolegal investigation upon the body or relevant parts of a decedent under the jurisdiction of the coroner or medical examiner.

(4) If an anatomical gift of a part from the decedent under the jurisdiction of the coroner or medical examiner has been or might be made, but the coroner or medical examiner initially believes that the recovery of the part could interfere with the postmortem investigation into the decedent's cause or manner of death, the collection of evidence, or the description, documentation, or interpretation of injuries on the body, the coroner or medical examiner may consult with the procurement organization or physician or technician designated by the procurement organization about the proposed recovery. After consultation, the coroner or medical examiner may release the part for recovery.

**NEW SECTION. Sec. 22.** This chapter is subject to the laws of this state governing the jurisdiction of the coroner or medical examiner.

**NEW SECTION. Sec. 23.** In applying and construing this uniform act, consideration must be given to the need to promote uniformity of the law with respect to its subject matter among states that enact it.

**NEW SECTION. Sec. 24.** This chapter modifies, limits, and supersedes the federal electronic signatures in global and national commerce act (15 U.S.C. Sec. 7001 et seq.) with respect to electronic signatures and anatomical gifts, but does not modify, limit, or supersede section 101(a) of that act (15 U.S.C. Sec. 7001), or authorize electronic delivery of any of the notices described in section 103(b) of that act (15 U.S.C. Sec. 7003(b)).

**Sec. 25.** RCW 1.50.010 and 1998 c 59 s 2 are each amended to read as follows:

Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

(1) "Organ donor" means an individual who makes an anatomical gift as specified in (~~RCW 68.50.530(+)~~) chapter 68.-- RCW (sections 1 through 24 of this act).

At least quarterly, the department shall transmit donations made to the organ and tissue donation awareness account to the foundation established for organ and tissue donation awareness purposes by the Washington state organ procurement organizations. All Washington state organ procurement organizations will have proportional access to these funds to conduct public education in their service areas. The donation of one or more dollars is voluntary and may be refused by the applicant. The department shall make available informational booklets or other informational sources on the importance of organ and tissue donations to applicants.

The department shall inquire of each applicant at the time the completed application is presented whether the applicant is interested in making a donation of one dollar or more and shall also specifically inform the applicant of the option for organ and tissue donations as required by RCW 46.20.113. The department shall also provide written information to each applicant volunteering to become an organ and tissue donor. The written information shall disclose that the applicant's name shall be transmitted to the organ and tissue donor registry created in RCW 68.50.635 (as recodified by this act), and that the applicant shall notify a Washington state organ procurement organization of any changes to the applicant's donor status.

All reasonable costs associated with the creation of the donation program created under this section must be paid proportionally or by other agreement by a Washington state organ procurement organization.

For the purposes of this section, "reasonable costs" and "Washington state organ procurement organization" have the same meaning as defined in (~~RCW 68.50.530~~) section 2 of this act.

**NEW SECTION. Sec. 29.** Sections 1 through 24 of this act constitute a new chapter in Title 68 RCW.

**NEW SECTION. Sec. 30.** RCW 68.50.635 and 68.50.640 are each recodified as sections in the new chapter created in section 29 of this act.

Sec. 1167), for enrollees in the plan~~) to purchase health benefits through the partnership. To participate in the partnership, an employer must attest to the fact that (a) the employer does not currently offer health insurance to its employees, and (b) at least fifty percent of the employer's employees are low-wage workers.

(6) "Partnership" means the health insurance partnership established in RCW 70.47A.030.

(7) "Partnership participant" means (~~an employee~~) a participating small employer and employees of a participating small employer, (~~or~~) and, except to the extent provided otherwise in RCW 70.47A.110(1)(e), a former employee of a participating small

(8) "Small employer" has the same meaning as defined in RCW 48.43.005.

(9) "Subsidy" or "premium subsidy" means payment or reimbursement to an eligible partnership participant toward the purchase of a health benefit plan, and may include a net billing arrangement with insurance carriers or a prospective or retrospective payment for health benefit plan premiums.

**Sec. 2.** RCW 70.47A.030 and 2007 c 259 s 58 are each amended to read as follows:

(1) To the extent funding is appropriated in the operating budget for this purpose, the health insurance partnership is established. The administrator shall be responsible for the implementation and operation of the health insurance partnership, directly or by contract. The administrator shall offer premium subsidies to eligible partnership participants under RCW 70.47A.040. The partnership shall begin to offer coverage no later than March 1, 2009.

(2) Consistent with policies adopted by the board under ~~(section 59 of this act)~~ RCW 70.47A.110, the administrator shall, directly or by contract:

(a) Establish and administer procedures for enrolling small employers in the partnership, including publicizing the existence of the partnership and disseminating information on enrollment, and establishing rules related to minimum participation of employees in small groups purchasing health insurance through the partnership. Opportunities to publicize the program for outreach and education of small employers on the value of insurance shall explore the use of online employer guides. As a condition of participating in the partnership, a small employer must agree to establish a cafeteria plan under section 125 of the federal internal revenue code that will enable employees to use pretax dollars to pay their share of their health benefit plan premium. The partnership shall provide technical assistance to small employers for this purpose;

(b) Establish and administer procedures for health benefit plan enrollment by employees of small employers during open enrollment periods and outside of open enrollment periods upon the occurrence of any qualifying event specified in the federal health insurance portability and accountability act of 1996 or applicable state law. ~~(Neither)~~ Except to the extent authorized in RCW 70.47A.110(1)(e), neither the employer nor the partnership shall limit an employee's choice of coverage from among ~~(aH)~~ the health benefit plans offered through the partnership;

~~(c) ((Establish and manage a system for the partnership to be designated as the sponsor or administrator of a participating small employer health benefit plan and to undertake the obligations required of a plan administrator under federal law;~~

~~(d))~~ Establish and manage a system of collecting and transmitting to the applicable carriers all premium payments or contributions made by or on behalf of partnership participants, including employer contributions, automatic payroll deductions for partnership participants, premium subsidy payments, and contributions from philanthropies;

~~((e))~~ (d) Establish and manage a system for determining eligibility for and making premium subsidy payments under chapter 259, Laws of 2007;

~~((f))~~ (e) Establish a mechanism to apply a surcharge to ~~(aH)~~ each health benefit plan ~~(s)~~ purchased through the partnership, which shall be used only to pay for administrative and operational expenses of the partnership. The surcharge must be applied uniformly to all health benefit plans ~~(offered)~~ purchased through the partnership ~~(and must be included in the premium for each health benefit plan)~~. Any surcharge amount may be added to the premium, but shall not be considered part of the small group community rate, and shall be applied only to the coverage purchased through the partnership. Surcharges may not be used to pay any premium assistance payments under this chapter. The surcharge shall reflect administrative and operational expenses remaining after any appropriation provided by the legislature to support administrative or operational expenses of the partnership during the year the surcharge is assessed;

~~((g))~~ (f) Design a schedule of premium subsidies that is based upon gross family income, giving appropriate consideration to family size and the ages of all family members based on a benchmark health benefit plan designated by the board. The amount of an eligible partnership participant's premium subsidy shall be determined by applying a sliding scale subsidy schedule with the percentage of premium similar to that developed for subsidized basic health plan enrollees under RCW 70.47.060. The subsidy shall be applied to the employee's premium obligation for his or her health benefit plan, so that employees benefit financially from any employer contribution to the cost of their coverage through the partnership.

(3) The administrator may enter into interdepartmental agreements with the office of the insurance commissioner, the department of social and health services, and any other state agencies necessary to implement this chapter.

**Sec. 3.** RCW 70.47A.040 and 2007 c 260 s 6 are each amended to read as follows:

Beginning ~~((September 1, 2008))~~ January 1, 2009, the administrator shall accept applications from eligible partnership participants, on behalf of themselves, their spouses, and their dependent children, to receive premium subsidies through the health insurance partnership. Every effort shall be made to coordinate premium subsidies for dependent children with federal funding available under Title XIX and Title XXI of the federal social security act, consistent with the requirements established in RCW 74.09.470(4) for the employer-sponsored insurance program at the department of social and health services.

**Sec. 4.** RCW 70.47A.070 and 2006 c 255 s 7 are each amended to read as follows:

The administrator shall report biennially, beginning November 1, 2010, to the relevant policy and fiscal committees of the legislature on the effectiveness and efficiency of the ~~((small employer))~~ health insurance partnership program, including enrollment trends, the services and benefits covered under the purchased health benefit plans, consumer satisfaction, and other program operational issues.

**Sec. 5.** RCW 70.47A.110 and 2007 c 260 s 5 are each amended to read as follows:

(1) The health insurance partnership board shall:

(a) Develop policies for enrollment of small employers in the partnership, including minimum participation rules for small employer groups. The small employer shall determine the criteria for eligibility and enrollment in his or her plan and the terms and amounts of the employer's contributions to that plan, consistent with any minimum employer premium contribution level established by the board under (d) of this subsection;

(b) Designate health benefit plans that are currently offered in the small group market that will be offered to participating small employers through the health insurance partnership and those plans that will qualify for premium subsidy payments. ~~((At least four))~~ Up to five health benefit plans shall be chosen, with multiple deductible and point-of-service cost-sharing options. The health benefit plans shall range from catastrophic to comprehensive coverage, and one health benefit plan shall be a high deductible health plan accompanied by a health savings account. Every effort shall be made to include health benefit plans that include components to maximize the quality of care provided and result in improved health outcomes, such as preventive care, wellness incentives, chronic care management services, and provider network development and payment policies related to quality of care;

(c) Approve a mid-range benefit plan from those selected to be used as a benchmark plan for calculating premium subsidies;

(d) Determine whether there should be a minimum employer premium contribution on behalf of employees, and if so, how much;

(e) Develop policies related to partnership participant enrollment in health benefit plans. The board may focus its initial efforts on access to coverage and affordability of coverage for participating small employers and their employees. To the extent necessary for successful implementation of the partnership, during a start-up phase of partnership operation, the board may:

(i) Limit partnership participant health benefit plan choice; and  
(ii) Offer former employees of participating small employers the opportunity to continue coverage after separation from employment to the extent that a former employee is eligible for continuation coverage under 29 U.S.C. Sec. 1161 et seq.

The start-up phase may not exceed two years from the date the partnership begins to offer coverage;

(f) Determine appropriate health benefit plan rating methodologies. The methodologies shall be based on the small group adjusted community rate as defined in Title 48 RCW. The board shall evaluate the impact of applying the small group adjusted community rating ((with) methodology to health benefit plans purchased through the partnership on the ((partnership) principle of allowing each ((employee) partnership participant to choose ((their) his or her health benefit plan, and ((consider options)) may implement one or more risk adjustment or reinsurance mechanisms to reduce uncertainty for carriers and provide for efficient risk management of high-cost enrollees ((through risk adjustment, reinsurance, or other mechanisms));

((f)) (g) Determine whether the partnership should be designated as the administrator of a participating small employer health benefit plan and undertake the obligations required of a plan administrator under federal law in order to minimize administrative burdens on participating small employers;

(h) Conduct analyses and provide recommendations as requested by the legislature and the governor, with the assistance of staff from the health care authority and the office of the insurance commissioner.

(2) The board may authorize one or more limited health care service plans for dental care services to be offered by limited health care service contractors under RCW 48.44.035. However, such plan shall not qualify for subsidy payments.

(3) In fulfilling the requirements of this section, the board shall consult with small employers, the office of the insurance commissioner, members in good standing of the American academy of actuaries, health carriers, agents and brokers, and employees of small business.

**Sec. 6.** RCW 48.21.045 and 2007 c 260 s 7 are each amended to read as follows:

(1)(a) An insurer offering any health benefit plan to a small employer, either directly or through an association or member-governed group formed specifically for the purpose of purchasing health care, may offer and actively market to the small employer a health benefit plan featuring a limited schedule of covered health care services. Nothing in this subsection shall preclude an insurer from offering, or a small employer from purchasing, other health benefit plans that may have more comprehensive benefits than those included in the product offered under this subsection. An insurer offering a health benefit plan under this subsection shall clearly disclose all covered benefits to the small employer in a brochure filed with the commissioner.

(b) A health benefit plan offered under this subsection shall provide coverage for hospital expenses and services rendered by a physician licensed under chapter 18.57 or 18.71 RCW but is not subject to the requirements of RCW 48.21.130, 48.21.140, 48.21.141, 48.21.142, 48.21.144, 48.21.146, 48.21.160 through 48.21.197, 48.21.200, 48.21.220, 48.21.225, 48.21.230, 48.21.235, ~~((48.21.240-))~~ 48.21.244, 48.21.250, 48.21.300, 48.21.310, or 48.21.320.

(2) Nothing in this section shall prohibit an insurer from offering, or a purchaser from seeking, health benefit plans with benefits in excess of the health benefit plan offered under subsection (1) of this section. All forms, policies, and contracts shall be submitted for approval to the commissioner, and the rates of any plan offered under this section shall be reasonable in relation to the benefits thereto.

(3) Premium rates for health benefit plans for small employers as defined in this section shall be subject to the following provisions:

(a) The insurer shall develop its rates based on an adjusted community rate and may only vary the adjusted community rate for:

- (i) Geographic area;
- (ii) Family size;

(iii) Age; and

(iv) Wellness activities.

(b) The adjustment for age in (a)(iii) of this subsection may not use age brackets smaller than five-year increments, which shall begin with age twenty and end with age sixty-five. Employees under the age of twenty shall be treated as those age twenty.

(c) The insurer shall be permitted to develop separate rates for individuals age sixty-five or older for coverage for which medicare is the primary payer and coverage for which medicare is not the primary payer. Both rates shall be subject to the requirements of this subsection (3).

(d) The permitted rates for any age group shall be no more than four hundred twenty-five percent of the lowest rate for all age groups on January 1, 1996, four hundred percent on January 1, 1997, and three hundred seventy-five percent on January 1, 2000, and thereafter.

(e) A discount for wellness activities shall be permitted to reflect actuarially justified differences in utilization or cost attributed to such programs.

(f) The rate charged for a health benefit plan offered under this section may not be adjusted more frequently than annually except that the premium may be changed to reflect:

(i) Changes to the enrollment of the small employer;

(ii) Changes to the family composition of the employee;

(iii) Changes to the health benefit plan requested by the small employer; or

(iv) Changes in government requirements affecting the health benefit plan.

(g) Rating factors shall produce premiums for identical groups that differ only by the amounts attributable to plan design, with the exception of discounts for health improvement programs.

(h) For the purposes of this section, a health benefit plan that contains a restricted network provision shall not be considered similar coverage to a health benefit plan that does not contain such a provision, provided that the restrictions of benefits to network providers result in substantial differences in claims costs. A carrier may develop its rates based on claims costs due to network provider reimbursement schedules or type of network. This subsection does not restrict or enhance the portability of benefits as provided in RCW 48.43.015.

(i) Adjusted community rates established under this section shall pool the medical experience of all small groups purchasing coverage, including the small group participants in the health insurance partnership established in RCW 70.47A.030. However, annual rate adjustments for each small group health benefit plan may vary by up to plus or minus four percentage points from the overall adjustment of a carrier's entire small group pool, such overall adjustment to be approved by the commissioner, upon a showing by the carrier, certified by a member of the American academy of actuaries that: (i) The variation is a result of deductible leverage, benefit design, or provider network characteristics; and (ii) for a rate renewal period, the projected weighted average of all small group benefit plans will have a revenue neutral effect on the carrier's small group pool. Variations of greater than four percentage points are subject to review by the commissioner, and must be approved or denied within sixty days of submittal. A variation that is not denied within sixty days shall be deemed approved. The commissioner must provide to the carrier a detailed actuarial justification for any denial within thirty days of the denial.

(j) For health benefit plans purchased through the health insurance partnership established in chapter 70.47A RCW:

(i) Any surcharge established pursuant to RCW 70.47A.030(2)(e) shall be applied only to health benefit plans purchased through the health insurance partnership; and

(ii) Risk adjustment or reinsurance mechanisms may be used by the health insurance partnership program to redistribute funds to carriers participating in the health insurance partnership based on differences in risk attributable to individual choice of health plans or other factors unique to health insurance partnership participation. Use of such mechanisms shall be limited to the partnership program and will not affect small group health plans offered outside the partnership.

(4) Nothing in this section shall restrict the right of employees to collectively bargain for insurance providing benefits in excess of those provided herein.

(5)(a) Except as provided in this subsection, requirements used by an insurer in determining whether to provide coverage to a small employer shall be applied uniformly among all small employers applying for coverage or receiving coverage from the carrier.

(b) An insurer shall not require a minimum participation level greater than:

(i) One hundred percent of eligible employees working for groups with three or less employees; and

(ii) Seventy-five percent of eligible employees working for groups with more than three employees.

(c) In applying minimum participation requirements with respect to a small employer, a small employer shall not consider employees or dependents who have similar existing coverage in determining whether the applicable percentage of participation is met.

(d) An insurer may not increase any requirement for minimum employee participation or modify any requirement for minimum employer contribution applicable to a small employer at any time after the small employer has been accepted for coverage.

(e) Minimum participation requirements and employer premium contribution requirements adopted by the health insurance partnership board under RCW 70.47A.110 shall apply only to the employers and employees who purchase health benefit plans through the health insurance partnership.

(6) An insurer must offer coverage to all eligible employees of a small employer and their dependents. An insurer may not offer coverage to only certain individuals or dependents in a small employer group or to only part of the group. An insurer may not modify a health plan with respect to a small employer or any eligible employee or dependent, through riders, endorsements or otherwise, to restrict or exclude coverage or benefits for specific diseases, medical conditions, or services otherwise covered by the plan.

(7) As used in this section, "health benefit plan," "small employer," "adjusted community rate," and "wellness activities" mean the same as defined in RCW 48.43.005.

**Sec. 7.** RCW 48.44.023 and 2007 c 260 s 8 are each amended to read as follows:

(1)(a) A health care services contractor offering any health benefit plan to a small employer, either directly or through an association or member-governed group formed specifically for the purpose of purchasing health care, may offer and actively market to the small employer a health benefit plan featuring a limited schedule of covered health care services. Nothing in this subsection shall preclude a contractor from offering, or a small employer from purchasing, other health benefit plans that may have more comprehensive benefits than those included in the product offered under this subsection. A contractor offering a health benefit plan under this subsection shall clearly disclose all covered benefits to the small employer in a brochure filed with the commissioner.

(b) A health benefit plan offered under this subsection shall provide coverage for hospital expenses and services rendered by a physician licensed under chapter 18.57 or 18.71 RCW but is not subject to the requirements of RCW 48.44.225, 48.44.240, 48.44.245, 48.44.290, 48.44.300, 48.44.310, 48.44.320, 48.44.325, 48.44.330, 48.44.335, ~~((48.44.340;))~~ 48.44.344, 48.44.360, 48.44.400, 48.44.440, 48.44.450, and 48.44.460.

(2) Nothing in this section shall prohibit a health care service contractor from offering, or a purchaser from seeking, health benefit plans with benefits in excess of the health benefit plan offered under subsection (1) of this section. All forms, policies, and contracts shall be submitted for approval to the commissioner, and the rates of any plan offered under this section shall be reasonable in relation to the benefits thereto.

(3) Premium rates for health benefit plans for small employers as defined in this section shall be subject to the following provisions:

(a) The contractor shall develop its rates based on an adjusted community rate and may only vary the adjusted community rate for:

- (i) Geographic area;
- (ii) Family size;

(b) The adjustment for age in (a)(iii) of this subsection may not use age brackets smaller than five-year increments, which shall begin with age twenty and end with age sixty-five. Employees under the age of twenty shall be treated as those age twenty.

(c) The contractor shall be permitted to develop separate rates for individuals age sixty-five or older for coverage for which medicare is the primary payer and coverage for which medicare is not the primary payer. Both rates shall be subject to the requirements of this subsection (3).

(d) The permitted rates for any age group shall be no more than four hundred twenty-five percent of the lowest rate for all age groups on January 1, 1996, four hundred percent on January 1, 1997, and three hundred seventy-five percent on January 1, 2000, and thereafter.

(e) A discount for wellness activities shall be permitted to reflect actuarially justified differences in utilization or cost attributed to such programs.

(f) The rate charged for a health benefit plan offered under this section may not be adjusted more frequently than annually except that the premium may be changed to reflect:

(i) Changes to the enrollment of the small employer;

(h) For the purposes of this section, a health benefit plan that contains a restricted network provision shall not be considered similar coverage to a health benefit plan that does not contain such a provision, provided that the restrictions of benefits to network providers result in substantial differences in claims costs. A carrier may develop its rates based on claims costs due to network provider reimbursement schedules or type of network. This subsection does not restrict or enhance the portability of benefits as provided in RCW 48.43.015.

(i) Adjusted community rates established under this section shall pool the medical experience of all groups purchasing coverage, including the small group participants in the health insurance partnership established in RCW 70.47A.030. However, annual rate adjustments for each small group health benefit plan may vary by up to plus or minus four percentage points from the overall adjustment of a carrier's entire small group pool, such overall adjustment to be approved by the commissioner, upon a showing by the carrier, certified by a member of the American academy of actuaries that:

The commissioner must provide to the carrier a detailed actuarial justification for any denial within thirty days of the denial.

(j) For health benefit plans purchased through the health insurance partnership established in chapter 70.47A RCW:

(i) Any surcharge established pursuant to RCW 70.47A.030(2)(c) shall be applied only to health benefit plans purchased through the health insurance partnership; and

(ii) Risk adjustment or reinsurance mechanisms may be used by the health insurance partnership program to redistribute funds to carriers participating in the health insurance partnership based on differences in risk attributable to individual choice of health plans or other factors unique to health insurance partnership participation. (b) A contractor shall not require a minimum participation level greater than:

(i) One hundred percent of eligible employees working for groups with three or less employees; and

(e) Minimum participation requirements and employer premium contribution requirements adopted by the health insurance partnership board under RCW 70.47A.110 shall apply only to the employers and employees who purchase health benefit plans through the health insurance partnership.

(6) A contractor must offer coverage to all eligible employees of a small employer and their dependents. A contractor may not offer coverage to only certain individuals or dependents in a small employer group or to only part of the group. A contractor may not modify a health plan with respect to a small employer or any eligible employee or dependent, through riders, endorsements or otherwise, to restrict or exclude coverage or benefits for specific diseases, medical conditions, or services otherwise covered by the plan.

(b) A health benefit plan offered under this subsection shall provide coverage for hospital expenses and services rendered by a physician licensed under chapter 18.57 or 18.71 RCW but is not subject to the requirements of RCW 48.46.275, 48.46.280, 48.46.285, ~~((48.46.290,))~~ 48.46.350, 48.46.355, 48.46.375, 48.46.440, 48.46.480, 48.46.510, 48.46.520, and 48.46.530.

This subsection does not restrict or enhance the portability of benefits as provided in RCW 48.43.015.

(i) Adjusted community rates established under this section shall pool the medical experience of all groups purchasing coverage, including the small group participants in the health insurance partnership established in RCW 70.47A.030. However, annual rate adjustments for each small group health benefit plan may vary by up to plus or minus four percentage points from the overall adjustment of a carrier's entire small group pool, such overall adjustment to be approved by the commissioner, upon a showing by the carrier, certified by a member of the American academy of actuaries that:

(i) The variation is a result of deductible leverage, benefit design, or provider network characteristics; and (ii) for a rate renewal period, the projected weighted average of all small group benefit plans will have a revenue neutral effect on the carrier's small group pool. Variations of greater than four percentage points are subject to review by the commissioner, and must be approved or denied within sixty days of submittal. A variation that is not denied within sixty days shall be deemed approved. The commissioner must provide to the carrier a detailed actuarial justification for any denial within thirty days of the denial.

(j) For health benefit plans purchased through the health insurance partnership established in chapter 70.47A RCW:

(i) Any surcharge established pursuant to RCW 70.47A.030(2)(e) shall be applied only to health benefit plans purchased through the health insurance partnership; and

(ii) Risk adjustment or reinsurance mechanisms may be used by the health insurance partnership program to redistribute funds to carriers participating in the health insurance partnership based on differences in risk attributable to individual choice of health plans or other factors unique to health insurance partnership participation. Use of such mechanisms shall be limited to the partnership program and will not affect small group health plans offered outside the partnership.

(4) Nothing in this section shall restrict the right of employees to collectively bargain for insurance providing benefits in excess of those provided herein.

(5)(a) Except as provided in this subsection, requirements used by a health maintenance organization in determining whether to provide coverage to a small employer shall be applied uniformly among all small employers applying for coverage or receiving coverage from the carrier.

(b) A health maintenance organization shall not require a minimum participation level greater than:

(i) One hundred percent of eligible employees working for groups with three or less employees; and

(ii) Seventy-five percent of eligible employees working for groups with more than three employees.

(c) In applying minimum participation requirements with respect to a small employer, a small employer shall not consider employees or dependents who have similar existing coverage in determining whether the applicable percentage of participation is met.

(d) A health maintenance organization may not increase any requirement for minimum employee participation or modify any requirement for minimum employer contribution applicable to a small employer at any time after the small employer has been accepted for coverage.

(e) Minimum participation requirements and employer premium contribution requirements adopted by the health insurance partnership board under RCW 70.47A.110 shall apply only to the employers and employees who purchase health benefit plans through the health insurance partnership.

(6) A health maintenance organization must offer coverage to all eligible employees of a small employer and their dependents. A health maintenance organization may not offer coverage to only certain individuals or dependents in a small employer group or to only part of the group. A health maintenance organization may not modify a health plan with respect to a small employer or any eligible employee or dependent, through riders, endorsements or otherwise, to restrict or exclude coverage or benefits for specific diseases, medical conditions, or services otherwise covered by the plan.

#### MESSAGE FROM THE SENATE

March 7, 2008

Mr. Speaker:

The Senate has passed SECOND SUBSTITUTE HOUSE BILL NO. 2713 with the following amendment:

Strike everything after the enacting clause and insert the following:

"**Sec. 1.** RCW 43.43.753 and 2002 c 289 s 1 are each amended to read as follows:

The legislature finds that recent developments in molecular biology and genetics have important applications for forensic science. It has been scientifically established that there is a unique pattern to the chemical structure of the deoxyribonucleic acid (DNA) contained in each cell of the human body. The process for identifying this pattern is called "DNA identification."

The legislature further finds that DNA databases are important tools in criminal investigations, in the exclusion of individuals who are the subject of investigations or prosecutions, and in detecting recidivist acts. It is the policy of this state to assist federal, state, and local criminal justice and law enforcement agencies in both the identification and detection of individuals in criminal investigations and the identification and location of missing and unidentified persons. Therefore, it is in the best interest of the state to establish a DNA database and DNA data bank containing DNA samples submitted by persons convicted of felony offenses and other crimes as specified in RCW 43.43.754. DNA samples necessary for the identification of missing persons and unidentified human remains shall also be included in the DNA database.

The legislature further finds that the DNA identification system used by the federal bureau of investigation and the Washington state patrol has no ability to predict genetic disease or predisposal to illness. Nonetheless, the legislature intends that biological samples

collected under RCW 43.43.754, and DNA identification data obtained from the samples, be used only for purposes related to criminal investigation, identification of human remains or missing persons, or improving the operation of the system authorized under RCW 43.43.752 through 43.43.758.

**Sec. 2.** RCW 43.43.754 and 2002 c 289 s 2 are each amended to read as follows:

(1) A biological sample must be collected for purposes of DNA identification analysis from:

(a) Every adult or juvenile individual convicted of a felony (~~stalking under RCW 9A.46.110, harassment under RCW 9A.46.020, communicating with a minor for immoral purposes under RCW 9.68A.090, or adjudicated guilty of an equivalent juvenile offense must have a biological sample collected for purposes of DNA identification analysis in the following manner~~), or any of the following crimes (or equivalent juvenile offenses):

Assault in the fourth degree with sexual motivation (RCW 9A.36.041, 9.94A.835)

Communication with a minor for immoral purposes (RCW 9.68A.090)

(i) Persons convicted of ~~(such offenses)~~ any offense listed in subsection (1)(a) of this section or adjudicated guilty of an equivalent juvenile offense who do not serve a term of confinement in a department of corrections facility, and do not serve a term of confinement in a city or county jail facility ~~(the local police department or sheriff's office is responsible for obtaining the biological samples after sentencing on or after July 1, 2002)~~; and

#### MESSAGE FROM THE SENATE

March 7, 2008

Mr. Speaker:

The Senate has passed HOUSE BILL NO. 2786 with the following amendment:

Strike everything after the enacting clause and insert the following:

"**Sec. 1.** RCW 4.24.550 and 2005 c 380 s 2, 2005 c 228 s 1, and 2005 c 99 s 1 are each reenacted and amended to read as follows:

(1) In addition to the disclosure under subsection (5) of this section, public agencies are authorized to release information to the public regarding sex offenders and kidnapping offenders when the agency determines that disclosure of the information is relevant and necessary to protect the public and counteract the danger created by the particular offender. This authorization applies to information regarding: (a) Any person adjudicated or convicted of a sex offense as defined in RCW 9A.44.130 or a kidnapping offense as defined by RCW 9A.44.130; (b) any person under the jurisdiction of the indeterminate sentence review board as the result of a sex offense or kidnapping offense; (c) any person committed as a sexually violent predator under chapter 71.09 RCW or as a sexual psychopath under chapter 71.06 RCW; (d) any person found not guilty of a sex offense or kidnapping offense by reason of insanity under chapter 10.77 RCW; and (e) any person found incompetent to stand trial for a sex offense or kidnapping offense and subsequently committed under chapter 71.05 or 71.34 RCW.

(2) Except for the information specifically required under subsection (5) of this section, the extent of the public disclosure of relevant and necessary information shall be rationally related to: (a) The level of risk posed by the offender to the community; (b) the locations where the offender resides, expects to reside, or is regularly found; and (c) the needs of the affected community members for information to enhance their individual and collective safety.

(3) Except for the information specifically required under subsection (5) of this section, local law enforcement agencies shall consider the following guidelines in determining the extent of a public disclosure made under this section: (a) For offenders classified as risk level I, the agency shall share information with other appropriate law enforcement agencies and, if the offender is a student, the public or private school regulated under Title 28A RCW or chapter 72.40 RCW which the offender is attending, or planning to attend. The agency may disclose, upon request, relevant, necessary, and accurate information to any victim or witness to the offense and to any individual community member who lives near the residence where the offender resides, expects to reside, or is regularly found; (b) for offenders classified as risk level II, the agency may also disclose relevant, necessary, and accurate information to public and private schools, child day care centers, family day care providers, public libraries, businesses and organizations that serve primarily children, women, or vulnerable adults, and neighbors and community groups near the residence where the offender resides, expects to reside, or is regularly found; (c) for offenders classified as risk level III, the agency may also disclose relevant, necessary, and accurate information to the public at large; and (d) because more localized notification is not feasible and homeless and transient offenders may present unique risks to the community, the agency may also disclose relevant, necessary, and

accurate information to the public at large for offenders registered as homeless or transient.

(4) The county sheriff with whom an offender classified as risk level III is registered shall cause to be published by legal notice, advertising, or news release a sex offender community notification that conforms to the guidelines established under RCW 4.24.5501 in at least one legal newspaper with general circulation in the area of the sex offender's registered address or location. The county sheriff shall also cause to be published consistent with this subsection a current list of level III registered sex offenders, twice yearly. Unless the information is posted on the web site described in subsection (5) of this section, this list shall be maintained by the county sheriff on a publicly accessible web site and shall be updated at least once per month.

(5)(a) When funded by federal grants or other sources, the Washington association of sheriffs and police chiefs shall create and maintain a statewide registered kidnapping and sex offender web site, which shall be available to the public. The web site shall post all level III and level II registered sex offenders, level I registered sex offenders during the time they are out of compliance with registration requirements under RCW 9A.44.130, and all registered kidnapping offenders in the state of Washington.

(i) For level III offenders, the web site shall contain, but is not limited to, the registered sex offender's name, relevant criminal convictions, address by hundred block, physical description, and photograph. The web site shall provide mapping capabilities that display the sex offender's address by hundred block on a map. The web site shall allow citizens to search for registered sex offenders within the state of Washington by county, city, zip code, last name, type of conviction, and address by hundred block.

(ii) For level II offenders, and level I sex offenders during the time they are out of compliance with registration requirements under RCW 9A.44.130, the web site shall contain, but is not limited to, the same information and functionality as described in (a)(i) of this subsection, provided that it is permissible under state and federal law. If it is not permissible, the web site shall be limited to the information and functionality that is permissible under state and federal law.

(iii) For kidnapping offenders, the web site shall contain, but is not limited to, the same information and functionality as described in (a)(i) of this subsection, provided that it is permissible under state and federal law. If it is not permissible, the web site shall be limited to the information and functionality that is permissible under state and federal law.

(b) Until the implementation of (a) of this subsection, the Washington association of sheriffs and police chiefs shall create a web site available to the public that provides electronic links to county-operated web sites that offer sex offender registration information.

(6) Local law enforcement agencies that disseminate information pursuant to this section shall: (a) Review available risk level classifications made by the department of corrections, the department of social and health services, and the indeterminate sentence review board; (b) assign risk level classifications to all offenders about whom information will be disseminated; and (c) make a good faith effort to notify the public and residents at least fourteen days before the offender is released from confinement or, where an offender moves from another jurisdiction, as soon as possible after the agency learns of the offender's move, except that in no case may this notification provision be construed to require an extension of an offender's release date. The juvenile court shall provide local law enforcement officials with all relevant information on offenders allowed to remain in the community in a timely manner.

(7) An appointed or elected public official, public employee, or public agency as defined in RCW 4.24.470, or units of local government and its employees, as provided in RCW 36.28A.010, are immune from civil liability for damages for any discretionary risk level classification decisions or release of relevant and necessary information, unless it is shown that the official, employee, or agency acted with gross negligence or in bad faith. The immunity in this section applies to risk level classification decisions and the release of relevant and necessary information regarding any individual for whom disclosure is authorized. The decision of a local law

enforcement agency or official to classify an offender to a risk level other than the one assigned by the department of corrections, the department of social and health services, or the indeterminate sentence review board, or the release of any relevant and necessary information based on that different classification shall not, by itself, be considered gross negligence or bad faith. The immunity provided under this section applies to the release of relevant and necessary information to other public officials, public employees, or public agencies, and to the general public.

(8) Except as may otherwise be provided by law, nothing in this section shall impose any liability upon a public official, public employee, or public agency for failing to release information authorized under this section.

(9) Nothing in this section implies that information regarding persons designated in subsection (1) of this section is confidential except as may otherwise be provided by law.

(10) When a local law enforcement agency or official classifies an offender differently than the offender is classified by the end of sentence review committee or the department of social and health services at the time of the offender's release from confinement, the law enforcement agency or official shall notify the end of sentence review committee or the department of social and health services and submit its reasons supporting the change in classification. Upon implementation of subsection (5)(a) of this section, notification of the change shall also be sent to the Washington association of sheriffs and police chiefs."

On page 1, line 3 of the title, after "site," strike the remainder of the title and insert "and reenacting and amending RCW 4.24.550."

and the same is herewith transmitted.

#### MESSAGE FROM THE SENATE

March 7, 2008

Mr. Speaker:

The Senate has passed HOUSE BILL NO. 2835 with the following amendment:

Strike everything after the enacting clause and insert the following:

**"NEW SECTION. Sec. 1.** The legislature finds that the safety of children in foster care depends upon receipt of comprehensive, accurate, and timely information about the background of prospective foster parents. It is vital to ensure that all relevant information about prospective foster parents is received and carefully reviewed. The legislature believes that some foster parents may have previously resided in other countries and that it is important to determine whether those countries have background information on the prospective foster parents that might impact the safety of children in their care.

**NEW SECTION. Sec. 2.** A new section is added to chapter 26.44 RCW to read as follows:

(1) During an emergency situation when a child must be placed in out-of-home care due to the absence of appropriate parents or custodians, the department shall request a federal name-based criminal history record check of each adult residing in the home of the potential placement resource. Upon receipt of the results of the name-based check, the department shall provide a complete set of each adult resident's fingerprints to the Washington state patrol for submission to the federal bureau of investigation within fourteen calendar days from the date the name search was conducted. The child shall be removed from the home immediately if any adult resident fails to provide fingerprints and written permission to perform a federal criminal history record check when requested.

(2) When placement of a child in a home is denied as a result of a name-based criminal history record check of a resident, and the resident contests that denial, the resident shall, within fifteen calendar days, submit to the department a complete set of the resident's fingerprints with written permission allowing the department to forward the fingerprints to the Washington state patrol for submission to the federal bureau of investigation.

(3) The Washington state patrol and the federal bureau of investigation may each charge a reasonable fee for processing a fingerprint-based criminal history record check.

(4) As used in this section, "emergency placement" refers to those limited instances when the department is placing a child in the home of private individuals, including neighbors, friends, or relatives, as a result of a sudden unavailability of the child's primary caretaker.

**Sec. 3.** RCW 74.15.040 and 1982 c 118 s 7 are each amended to read as follows:

An agency seeking to accept and serve children, developmentally disabled persons, or expectant mothers as a foster-family home shall make application for license in such form and substance as required by the department. The department shall maintain a list of applicants through which placement may be undertaken. However, agencies and the department shall not place a child, developmentally disabled person, or expectant mother in a home until the home is licensed. The department shall inquire whether an applicant has previously resided in any other state or foreign country and shall check databases available to it through the

Washington state patrol and federal bureau of investigation to ascertain whether the applicant has ever been the subject of a conviction or civil finding outside of the state of Washington that bears upon the fitness of the applicant to serve as a foster-family home. Foster-family homes shall be inspected prior to licensure, except that inspection by the department is not required if the foster-family home is under the supervision of a licensed agency upon certification to the department by the licensed agency that such homes meet the requirements for foster homes as adopted pursuant to chapter 74.15 RCW and RCW 74.13.031.

**NEW SECTION. Sec. 4.** This act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and takes effect immediately."

On page 1, line 3 of the title, after "situation;" strike the remainder of the title and insert "amending RCW 74.15.040; adding a new section to chapter 26.44 RCW; creating a new section; and declaring an emergency."

As part of its budget submittal for the 2009-2011 biennium, the department of transportation shall prepare information regarding the nickel and transportation partnership funded projects for consideration by the office of financial management and the legislative transportation committees that:

- (1) Compares the original project cost estimates approved in the 2003 and 2005 project list to the completed cost of the project, or the most recent legislatively approved budget and total project costs for projects not yet completed;

**MESSAGE FROM THE SENATE**

March 7, 2008

Mr. Speaker:

The Senate has passed ENGROSSED SECOND SUBSTITUTE HOUSE BILL NO. 2624 with the following amendment:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. **Sec. 1.** A new section is added to chapter 68.50 RCW to read as follows:

(1) It is the duty of every person who knows of the existence and location of skeletal human remains to notify the coroner and local law enforcement in the most expeditious manner possible, unless such person has good reason to believe that such notice has already been given. Any person knowing of the existence of skeletal human remains and not having good reason to believe that the coroner and local law enforcement has notice thereof and who fails to give notice to the coroner and local law enforcement, is guilty of a misdemeanor.

(2) Any person engaged in ground disturbing activity and who encounters or discovers skeletal human remains in or on the ground shall:

(a) Immediately cease any activity which may cause further disturbance;

(b) Make a reasonable effort to protect the area from further disturbance;

(c) Report the presence and location of the remains to the coroner and local law enforcement in the most expeditious manner possible; and

(d) Be held harmless from criminal and civil liability arising under the provisions of this section provided the following criteria are met:

(i) The finding of the remains was based on inadvertent discovery;

(ii) The requirements of the subsection are otherwise met; and

(iii) The person is otherwise in compliance with applicable law.

(3) The coroner must make a determination of whether the skeletal human remains are forensic or nonforensic within five business days of receiving notification of a finding of such human remains provided that there is sufficient evidence to make such a determination within that time period. The coroner will retain jurisdiction over forensic remains.

(a) Upon determination that the remains are nonforensic, the coroner must notify the department of archaeology and historic preservation within two business days. The department will have jurisdiction over such remains until provenance of the remains is established. A determination that remains are nonforensic does not create a presumption of removal or nonremoval.

(b) Upon receiving notice from a coroner of a finding of nonforensic skeletal human remains, the department must notify the appropriate local cemeteries, and all affected tribes via certified mail to the head of the appropriate tribal government, and contact the appropriate tribal cultural resources staff within two business days of the finding. The determination of what are appropriate local cemeteries to be notified is at the discretion of the department. A notification to tribes of a finding of such nonforensic skeletal human remains does not create a presumption that the remains are Indian.

(c) The state physical anthropologist must make an initial determination of whether nonforensic skeletal human remains are Indian or non-Indian to the extent possible based on the remains within two business days of notification of a finding of nonforensic remains. If the remains are determined to be Indian, the department must notify all affected tribes via certified mail to the head of the appropriate tribal government within two business days and contact the appropriate tribal cultural resources staff.

(d) The affected tribes have five business days to respond via telephone or writing to the department as to their interest in the remains.

(4) For the purposes of this section:

(a) "Affected tribes" are those tribes with usual and accustomed areas in the jurisdiction where the remains were found, or those tribes that submit to the department maps that reflect the tribe's geographical area of cultural affiliation.

(b) "Forensic remains" are those that come under the jurisdiction of the coroner pursuant to RCW 68.50.010.

(c) "Inadvertent discovery" has the same meaning as used in RCW 27.44.040.

**NEW SECTION. Sec. 2.** A new section is added to chapter 27.44 RCW to read as follows:

(1) Any person who discovers skeletal human remains must notify the coroner and local law enforcement in the most expeditious manner possible. Any person knowing of the existence of human remains and not having good reason to believe that the coroner and local law enforcement has notice thereof and who fails to give notice thereof is guilty of a misdemeanor.

(2) Any person engaged in ground disturbing activity and who encounters or discovers skeletal human remains in or on the ground shall:

(a) Immediately cease any activity which may cause further disturbance;

(b) Make a reasonable effort to protect the area from further disturbance;

(c) Report the presence and location of the remains to the coroner and local law enforcement in the most expeditious manner possible; and

(d) Be held harmless from criminal and civil liability arising under the provisions of this section provided the following criteria are met:

(i) The finding of the remains was based on inadvertent discovery;

(ii) The requirements of the subsection are otherwise met; and

(iii) The person is otherwise in compliance with applicable law.

(3) The coroner must make a determination whether the skeletal human remains are forensic or nonforensic within five business days of receiving notification of a finding of such remains provided that there is sufficient evidence to make such a determination within that time period. The coroner will retain jurisdiction over forensic remains.

(a) Upon determination that the remains are nonforensic, the coroner must notify the department of archaeology and historic preservation within two business days. The department will have jurisdiction over such remains until provenance of the remains is established. A determination that remains are nonforensic does not create a presumption of removal or nonremoval.

(b) Upon receiving notice from a coroner of a finding of nonforensic skeletal human remains, the department must notify the appropriate local cemeteries, and all affected tribes via certified mail to the head of the appropriate tribal government, and contact the appropriate tribal cultural resources staff within two business days of the finding. The determination of what are appropriate local cemeteries to be notified is at the discretion of the department. A notification to tribes of a finding of nonforensic skeletal human remains does not create a presumption that the remains are Indian.

(c) The state physical anthropologist must make an initial determination of whether nonforensic skeletal human remains are Indian or non-Indian to the extent possible based on the remains within two business days of notification of a finding of such nonforensic remains. If the remains are determined to be Indian, the department must notify all affected tribes via certified mail to the head of the appropriate tribal government within two business days and contact the appropriate tribal cultural resources staff.

(d) The affected tribes have five business days to respond via telephone or writing to the department as to their interest in the remains.

(4) For the purposes of this section:

(a) "Affected tribes" are those tribes with usual and accustomed areas in the jurisdiction where the remains were found, or those tribes that submit to the department maps that reflect the tribe's geographical area of cultural affiliation.

(b) "Forensic remains" are those that come under the jurisdiction of the coroner pursuant to RCW 68.50.010.

(c) "Inadvertent discovery" has the same meaning as used in RCW 27.44.040.

**NEW SECTION. Sec. 3.** A new section is added to chapter 68.60 RCW to read as follows:

(1) Any person who discovers skeletal human remains shall notify the coroner and local law enforcement in the most expeditious manner possible. Any person knowing of the existence of skeletal human remains and not having good reason to believe that the coroner and local law enforcement has notice thereof and who fails to give notice thereof is guilty of a misdemeanor.

(2) Any person engaged in ground disturbing activity and who encounters or discovers skeletal human remains in or on the ground shall:

(a) Immediately cease any activity which may cause further disturbance;

(b) Make a reasonable effort to protect the area from further disturbance;

(c) Report the presence and location of the remains to the coroner and local law enforcement in the most expeditious manner possible; and

(d) Be held harmless from criminal and civil liability arising under the provisions of this section provided the following criteria are met:

(i) The finding of the remains was based on inadvertent discovery;

(ii) The requirements of the subsection are otherwise met; and

(iii) The person is otherwise in compliance with applicable law.

(3) The coroner must make a determination whether the skeletal human remains are forensic or nonforensic within five business days of receiving notification of a finding of such remains provided that there is sufficient evidence to make such a determination within that time period. The coroner will retain jurisdiction over forensic remains.

(a) Upon determination that the remains are nonforensic, the coroner must notify the department of archaeology and historic preservation within two business days. The department will have jurisdiction over such remains until provenance of the remains is established. A determination that remains are nonforensic does not create a presumption of removal or nonremoval.

(b) Upon receiving notice from a coroner of a finding of nonforensic skeletal human remains, the department must notify the appropriate local cemeteries, and all affected tribes via certified mail to the head of the appropriate tribal government, and contact the appropriate tribal cultural resources staff within two business days of the finding. The determination of what are appropriate local cemeteries to be notified is at the discretion of the department. A notification to tribes of a finding of such nonforensic skeletal human remains does not create a presumption that the remains are Indian.

(c) The state physical anthropologist must make an initial determination of whether nonforensic skeletal human remains are Indian or non-Indian to the extent possible based on the remains within two business days of notification of a finding of such nonforensic remains. (d) The affected tribes have five business days to respond via telephone or writing to the department as to their interest in the remains.

(4) For the purposes of this section:

(a) "Affected tribes" are those tribes with usual and accustomed areas in the jurisdiction where the remains were found, or those tribes that submit to the department maps that reflect the tribe's geographical area of cultural affiliation.

(b) "Forensic remains" are those that come under the jurisdiction of the coroner pursuant to RCW 68.50.010.

(c) "Inadvertent discovery" has the same meaning as used in RCW 27.44.040.

**NEW SECTION. Sec. 4.** A new section is added to chapter 43.334 RCW to read as follows:

(1) The director shall appoint a state physical anthropologist. At a minimum, the state physical anthropologist must have a doctorate in either archaeology or anthropology and have experience in forensic osteology or other relevant aspects of physical

anthropology and must have at least one year of experience in laboratory reconstruction and analysis. A medical degree with archaeological experience in addition to the experience required may substitute for a doctorate in archaeology or anthropology.

(2) The state physical anthropologist has the primary responsibility of investigating, preserving, and, when necessary, removing and reintering discoveries of nonforensic skeletal human remains. The state physical anthropologist is available to any local governments or any tribal government within the boundaries of Washington to assist in determining whether discovered skeletal human remains are forensic or nonforensic.

(3) The director shall hire staff as necessary to support the state physical anthropologist to meet the objectives of this section.

(4) For the purposes of this section, "forensic remains" are those that come under the jurisdiction of the coroner pursuant to RCW 68.50.010.

### MESSAGE FROM THE SENATE

March 6, 2008

Mr. Speaker:

The Senate has passed ENGROSSED SECOND SUBSTITUTE HOUSE BILL NO. 3145 with the following amendment:

Strike everything after the enacting clause and insert the following:

**NEW SECTION. Sec. 1.** The legislature recognizes that the work done by the work group convened under chapter 413, Laws of 2007 was an initial step in developing a specialized foster home program. The legislature finds that the department should build upon this initial work and continue to work with stakeholders to put together specific recommendations on the qualifications and training specialized foster parents will need, the criteria by which eligible high/special needs foster children will be selected and the cost of implementing this program statewide. The legislature also finds that the department should consider whether it is more appropriate that this specialized group of providers be designated as something other than foster parents. The legislature intends that the department, in developing this plan, consider that the specialized foster home program is a potential collective bargaining unit.

**NEW SECTION. Sec. 2.** (1) The department shall develop a specific plan to create a specialized foster home program.

(2) In developing this plan, the department shall use the information gathered by the work group convened under chapter 413, Laws of 2007, and shall actively:

(a) Seek recommendations from foster parents and other out-of-home service providers across the state regarding the qualifications and requirements of specialized foster home providers, the needs of the children to be served, and the desired outcomes to be measured or monitored; and

(b) Consult with experts in child welfare, children's mental health, and children's health care to identify the evidence-based or promising practice models to be employed in the program and the appropriate supports to ensure program fidelity, including, but not limited to, the necessary training and clinical consultation and oversight to be provided to specialized foster homes.

(3) The plan developed by the department under this section shall include:

(a) The criteria by which specialized foster home providers shall be chosen. The criteria shall include at a minimum that the foster parent be licensed by the department as a foster parent, and shall meet additional requirements relating to relevant experience, education, training, and professional expertise necessary to meet the high/special needs of children identified as eligible for this program;

(b) The criteria by which children with high/special needs are deemed eligible for placement with a specialized foster home provider. Such criteria shall be based on the best interests of the child and shall include an assessment of the child's past and current level of functioning, including exposure to parental substance abuse, as well as a determination that the child's treatment plan and developmental needs are consistent with the placement plan;

(c) A policy for the placement of children with high/special needs in specialized foster homes, including a process for matching the child's needs with the foster parent's skills and expertise;

(d) A limit on the number and ages of children with high/special needs that may be placed in each specialized foster home;

(e) The identification of one or more approved models of skill building for use by specialized foster home providers;

(f) The specific training and consultation requirements that support the models of skill building;

(g) The development of a system of supports, including clinical consultation and oversight for specialized foster homes;

(h) The development of a level of stipend payments to specialized foster home providers that is not tied to deficits in the child's level of functioning;

(i) The development of clearly defined responsibilities of specialized foster home providers to include responsibilities to promote permanence and connections with birth parents; and

(j) The development of a process for annual performance reviews of specialized foster home providers.

(4) In creating the plan required under subsection (2) of this section, the department shall give consideration to the fact that this group of providers may create a potential future collective bargaining unit, if authorized in the future.

(5) The department shall include in the plan cost estimates for implementation of the specialized foster home program on a statewide basis.

(6) In developing the plan, the department is directed to consider and discuss with stakeholders whether the providers identified in the plan as meeting the requirements for dealing with high/special needs foster children should be referred to or classified as other than foster parents.

**NEW SECTION. Sec. 3.** The department shall submit its plan to the appropriate legislative committees no later than November 15, 2008. Until such time as the legislature approves a specialized foster home program, the department shall not take steps to implement such a program."

On page 1, line 2 of the title, after "licensing," strike the remainder of the title and insert "and creating new sections."

and the same is herewith transmitted.

The House refused to concur in the Senate amendment to ENGROSSED SECOND SUBSTITUTE HOUSE BILL NO. 3145 and asked the Senate to recede therefrom.

### MESSAGE FROM THE SENATE

March 7, 2008

Mr. Speaker:

The Senate has passed SUBSTITUTE HOUSE BILL NO. 1141 with the following amendment:

Strike everything after the enacting clause and insert the following:

"**Sec. 1.** RCW 13.50.050 and 2004 c 42 s 1 are each amended to read as follows:

(1) This section governs records relating to the commission of juvenile offenses, including records relating to diversions.

(2) The official juvenile court file of any alleged or proven juvenile offender shall be open to public inspection, unless sealed pursuant to subsection (12) of this section.

(3) All records other than the official juvenile court file are confidential and may be released only as provided in this section, RCW 13.50.010, 13.40.215, and 4.24.550.

(4) Except as otherwise provided in this section and RCW 13.50.010, records retained or produced by any juvenile justice or care agency may be released to other participants in the juvenile justice or care system only when an investigation or case involving the juvenile in question is being pursued by the other participant or when that other participant is assigned the responsibility for supervising the juvenile.

(5) Except as provided in RCW 4.24.550, information not in an official juvenile court file concerning a juvenile or a juvenile's family may be released to the public only when that information could not reasonably be expected to identify the juvenile or the juvenile's family.

(6) Notwithstanding any other provision of this chapter, the release, to the juvenile or his or her attorney, of law enforcement and prosecuting attorneys' records pertaining to investigation, diversion, and prosecution of juvenile offenses shall be governed by the rules of discovery and other rules of law applicable in adult criminal investigations and prosecutions.

(7) Upon the decision to arrest or the arrest, law enforcement and prosecuting attorneys may cooperate with schools in releasing information to a school pertaining to the investigation, diversion, and prosecution of a juvenile attending the school. Upon the decision to arrest or the arrest, incident reports may be released unless releasing the records would jeopardize the investigation or prosecution or endanger witnesses. If release of incident reports would jeopardize the investigation or prosecution or endanger witnesses, law enforcement and prosecuting attorneys may release information to the maximum extent possible to assist schools in protecting other students, staff, and school property.

(8) The juvenile court and the prosecutor may set up and maintain a central record-keeping system which may receive information on all alleged juvenile offenders against whom a complaint has been filed pursuant to RCW 13.40.070 whether or not their cases are currently pending before the court. The central record-keeping system may be computerized. If a complaint has been referred to a diversion unit, the diversion unit shall promptly report to the juvenile court or the prosecuting attorney when the juvenile has agreed to diversion. An offense shall not be reported as criminal history in any central record-keeping system without notification by the diversion unit of the date on which the offender agreed to diversion.

(9) Upon request of the victim of a crime or the victim's immediate family, the identity of an alleged or proven juvenile offender alleged or found to have committed a crime against the victim and the identity of the alleged or proven juvenile offender's parent, guardian, or custodian and the circumstance of the alleged or proven crime shall be released to the victim of the crime or the victim's immediate family.

(10) Subject to the rules of discovery applicable in adult criminal prosecutions, the juvenile offense records of an adult criminal defendant or witness in an adult criminal proceeding shall be released upon request to prosecution and defense counsel after a charge has actually been filed. The juvenile offense records of any adult convicted of a crime and placed under the supervision of the adult corrections system shall be released upon request to the adult corrections system.

(11) In any case in which an information has been filed pursuant to RCW 13.40.100 or a complaint has been filed with the prosecutor and referred for diversion pursuant to RCW 13.40.070, the person the subject of the information or complaint may file a motion with

the court to have the court vacate its order and findings, if any, and, subject to subsection (23) of this section, order the sealing of the official juvenile court file, the social file, and records of the court and of any other agency in the case.

(12) The court shall not grant any motion to seal records made pursuant to subsection (11) of this section that is filed on or after July 1, 1997, unless it finds that:

(a) For class B offenses other than sex offenses, since the last date of release from confinement, including full-time residential treatment, if any, or entry of disposition, the person has spent five consecutive years in the community without committing any offense or crime that subsequently results in conviction. For class C offenses other than sex offenses, since the last date of release from confinement, including full-time residential treatment, if any, or entry of disposition, the person has spent two consecutive years in the community without committing any offense or crime that subsequently results in conviction. For gross misdemeanors and misdemeanors, since the last date of release from confinement, including full-time residential treatment, if any, or entry of disposition, the person has spent two consecutive years in the community without committing any offense or crime that subsequently results in conviction. For diversions, since completion of the diversion agreement, the person has spent two consecutive years in the community without committing any offense or crime that subsequently results in conviction or diversion;

(b) No proceeding is pending against the moving party seeking the conviction of a juvenile offense or a criminal offense;

(c) No proceeding is pending seeking the formation of a diversion agreement with that person;

(d) The person has not been convicted of a class A or sex offense; and

(e) Full restitution has been paid.

(13) The person making a motion pursuant to subsection (11) of this section shall give reasonable notice of the motion to the prosecution and to any person or agency whose files are sought to be sealed.

(14) If the court grants the motion to seal made pursuant to subsection (11) of this section, it shall, subject to subsection (23) of this section, order sealed the official juvenile court file, the social file, and other records relating to the case as are named in the order. Thereafter, the proceedings in the case shall be treated as if they never occurred, and the subject of the records may reply accordingly to any inquiry about the events, records of which are sealed. Any agency shall reply to any inquiry concerning confidential or sealed records that records are confidential, and no information can be given about the existence or nonexistence of records concerning an individual.

(15) Inspection of the files and records included in the order to seal may thereafter be permitted only by order of the court upon motion made by the person who is the subject of the information or complaint, except as otherwise provided in RCW 13.50.010(8) and subsection (23) of this section.

(16) Any adjudication of a juvenile offense or a crime subsequent to sealing has the effect of nullifying the sealing order. Any charging of an adult felony subsequent to the sealing has the effect of nullifying the sealing order for the purposes of chapter 9.94A RCW. The administrative office of the courts shall ensure that the superior court judicial information system provides prosecutors access to information on the existence of sealed juvenile records.

~~(17)(a) ((A person eighteen years of age or older whose criminal history consists of only one referral for diversion may request that the court order the records in that case destroyed. The request shall be granted, subject to subsection (23) of this section, if the court finds that two years have elapsed since completion of the diversion agreement.))~~ (i) Subject to subsection (23) of this section, all records maintained by any court or law enforcement agency, including the juvenile court, local law enforcement, the Washington state patrol, and the prosecutor's office, shall be automatically destroyed within ninety days of becoming eligible for destruction. Juvenile records are eligible for destruction when:

(A) The person who is the subject of the information or complaint is at least eighteen years of age;

(B) His or her criminal history consists entirely of one diversion agreement or counsel and release entered on or after the effective date of this act;

(C) Two years have elapsed since completion of the agreement or counsel and release;

(D) No proceeding is pending against the person seeking the conviction of a criminal offense; and

(E) There is no restitution owing in the case.

(ii) No less than quarterly, the administrative office of the courts shall provide a report to the juvenile courts of those individuals whose records may be eligible for destruction. The juvenile court shall verify eligibility and notify the Washington state patrol and the appropriate local law enforcement agency and prosecutor's office of the records to be destroyed. The requirement to destroy records under this subsection is not dependent on a court hearing or the issuance of a court order to destroy records.

(iii) The state and local governments and their officers and employees are not liable for civil damages for the failure to destroy records pursuant to this section.

(b) A person eighteen years of age or older whose criminal history consists entirely of one diversion agreement or counsel and release entered prior to the effective date of this act, may request that the court order the records in his or her case destroyed. The request shall be granted, subject to subsection (23) of this section, if the court finds that two years have elapsed since completion of the agreement or counsel and release.

(c) A person twenty-three years of age or older whose criminal history consists of only referrals for diversion may request that the court order the records in those cases destroyed. The request shall be granted, subject to subsection (23) of this section, if the court finds that all diversion agreements have been successfully completed and no proceeding is pending against the person seeking the conviction of a criminal offense.

(18) If the court grants the motion to destroy records made pursuant to subsection (17)(b) or (c) of this section, it shall, subject to subsection (23) of this section, order the official juvenile court file, the social file, and any other records named in the order to be destroyed.

(19) The person making the motion pursuant to subsection (17)(b) or (c) of this section shall give reasonable notice of the motion to the prosecuting attorney and to any agency whose records are sought to be destroyed.

(20) Any juvenile to whom the provisions of this section may apply shall be given written notice of his or her rights under this section at the time of his or her disposition hearing or during the diversion process.

(21) Nothing in this section may be construed to prevent a crime victim or a member of the victim's family from divulging the identity of the alleged or proven juvenile offender or his or her family when necessary in a civil proceeding.

(22) Any juvenile justice or care agency may, subject to the limitations in subsection (23) of this section and (a) and (b) of this subsection, develop procedures for the routine destruction of records relating to juvenile offenses and diversions.

(a) Records may be routinely destroyed only when the person the subject of the information or complaint has attained twenty-three years of age or older ~~(or is eighteen years of age or older and his or her criminal history consists entirely of one diversion agreement and two years have passed since completion of the agreement))~~ or pursuant to subsection (17)(a) of this section.

(b) The court may not routinely destroy the official juvenile court file or recordings or transcripts of any proceedings.

(23) No identifying information held by the Washington state patrol in accordance with chapter 43.43 RCW is subject to destruction or sealing under this section. For the purposes of this subsection, identifying information includes photographs, fingerprints, palmprints, soleprints, toeprints and any other data that identifies a person by physical characteristics, name, birthdate or address, but does not include information regarding criminal activity, arrest, charging, diversion, conviction or other information about a person's treatment by the criminal justice system or about the person's behavior.

(24) Information identifying child victims under age eighteen who are victims of sexual assaults by juvenile offenders is

Information identifying a child victim of sexual assault may be released to law enforcement, prosecutors, judges, defense attorneys, or private or governmental agencies that provide services to the child victim of sexual assault."

On page 1, line 1 of the title, after "records;" strike the remainder of the title and insert "and amending RCW 13.50.050."

**MESSAGE FROM THE SENATE**

March 7, 2008

Mr. Speaker:

The Senate has passed ENGROSSED HOUSE BILL NO. 2476 with the following amendment:

Strike everything after the enacting clause and insert the following:

**"NEW SECTION. Sec. 1.** The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

(1) "General authority Washington peace officer" means an officer authorized to enforce the criminal and traffic laws of the state of Washington generally.

(2) "Tribal police officer" means any person in the employ of one of the federally recognized sovereign tribal governments, whose traditional lands and territories lie within the borders of the state of Washington, to enforce the criminal laws of that government.

**NEW SECTION. Sec. 2.** (1) Tribal police officers under subsection (2) of this section shall be recognized and authorized to act as general authority Washington peace officers. A tribal police officer recognized and authorized to act as a general authority Washington peace officer under this section has the same powers as any other general authority Washington peace officer to enforce state laws in Washington, including the power to make arrests for violations of state laws.

(2) A tribal police officer may exercise the powers of law enforcement of a general authority Washington peace officer under this section, subject to the following:

(a) The appropriate sovereign tribal nation shall submit to the office of financial management proof of public liability and property damage insurance for vehicles operated by the peace officers and police professional liability insurance from a company licensed to sell insurance in the state. For purposes of determining adequacy of insurance liability, the sovereign tribal government must submit with the proof of liability insurance a copy of the interlocal agreement between the sovereign tribal government and the local governments that have shared jurisdiction under this chapter where such an agreement has been reached pursuant to subsection (10) of this section.

(i) Within the thirty days of receipt of the information from the sovereign tribal nation, the office of financial management shall either approve or reject the adequacy of insurance, giving consideration to the scope of the interlocal agreement. The adequacy of insurance under this chapter shall be subject to annual review by the state office of financial management.

(ii) Each policy of insurance issued under this chapter must include a provision that the insurance shall be available to satisfy settlements or judgments arising from the tortious conduct of tribal police officers when acting in the capacity of a general authority Washington peace officer, and that to the extent of policy coverage neither the sovereign tribal nation nor the insurance carrier will raise a defense of sovereign immunity to preclude an action for damages under state or federal law, the determination of fault in a civil action, or the payment of a settlement or judgment arising from the tortious conduct.

(b) The appropriate sovereign tribal nation shall submit to the office of financial management proof of training requirements for each tribal police officer. To be authorized as a general authority Washington peace officer, a tribal police officer must successfully complete the requirements set forth under RCW 43.101.157. Any applicant not meeting the requirements for certification as a tribal police officer may not act as a general authority Washington peace officer under this chapter. The criminal justice training commission shall notify the office of financial management if:

(i) A tribal police officer authorized under this chapter as a general authority Washington state peace officer has been decertified pursuant to RCW 43.101.157; or

(ii) An appropriate sovereign tribal government is otherwise in noncompliance with RCW 43.101.157.

(3) A copy of any citation or notice of infraction issued, or any incident report taken, by a tribal police officer acting in the capacity of a general authority Washington peace officer as authorized by this chapter must be submitted within three days to the police chief or sheriff within whose jurisdiction the action was taken. Any citation issued under this chapter shall be to a Washington court, except that any citation issued to Indians within the exterior boundaries of an Indian reservation may be cited to a tribal court. Any arrest made or citation issued not in compliance with this chapter is not enforceable.

(4) Any authorization granted under this chapter shall not in any way expand the jurisdiction of any tribal court or other tribal authority.

(5) The authority granted under this chapter shall be coextensive with the exterior boundaries of the reservation, except that an officer commissioned under this section may act as authorized under RCW 10.93.070 beyond the exterior boundaries of the reservation.

(6) For purposes of civil liability under this chapter, a tribal police officer shall not be considered an employee of the state of Washington or any local government except where a state or local government has deputized a tribal police officer as a specially commissioned officer. Neither the state of Washington and its

individual employees nor any local government and its individual employees shall be liable for the authorization of tribal police officers under this chapter, nor for the negligence or other misconduct of tribal officers. The authorization of tribal police officers under this chapter shall not be deemed to have been a nondelegable duty of the state of Washington or any local government.

(7) Nothing in this chapter impairs or affects the existing status and sovereignty of those sovereign tribal governments whose traditional lands and territories lie within the borders of the state of Washington as established under the laws of the United States.

(8) Nothing in this chapter limits, impairs, or nullifies the authority of a county sheriff to appoint duly commissioned state or federally certified tribal police officers as deputy sheriffs authorized to enforce the criminal and traffic laws of the state of Washington.

(9) Nothing in this act limits, impairs, or otherwise affects the existing authority under state or federal law of state or local law enforcement officers to enforce state law within the exterior boundaries of an Indian reservation or to enter Indian country in fresh pursuit, as defined in RCW 10.93.120, of a person suspected of violating state law, where the officer would otherwise not have jurisdiction.

(10) An interlocal agreement pursuant to chapter 39.34 RCW is required between the sovereign tribal government and all local government law enforcement agencies that will have shared jurisdiction under this chapter prior to authorization taking effect under this chapter. Nothing in this act shall limit, impair, or otherwise affect the implementation of an interlocal agreement completed pursuant to chapter 39.34 RCW by the effective date of this act, between a sovereign tribal government and a local government law enforcement agency for cooperative law enforcement.

(a) Sovereign tribal governments that meet all of the requirements of subsection (2) of this section, but do not have an interlocal agreement pursuant to chapter 39.34 RCW and seek authorization under this chapter, may submit proof of liability insurance and training certification to the office of financial management. Upon confirmation of receipt of the information from the office of financial management, the sovereign tribal government and the local government law enforcement agencies that will have shared jurisdiction under this chapter have one year to enter into an interlocal agreement pursuant to chapter 39.34 RCW. If the sovereign tribal government and the local government law enforcement agencies that will have shared jurisdiction under this chapter are not able to reach agreement after one year, the sovereign tribal governments and the local government law enforcement agencies shall submit to binding arbitration pursuant to chapter 7.04A RCW with the American arbitration association or successor agency for purposes of completing an agreement prior to authorization going into effect.

(b) For the purposes of (a) of this subsection, those sovereign tribal government and local government law enforcement agencies that must enter into binding arbitration shall submit to last best offer arbitration. For purposes of accepting a last best offer, the arbitrator must consider other interlocal agreements between sovereign tribal governments and local law enforcement agencies in Washington state, any model policy developed by the Washington association of sheriffs and police chiefs or successor agency, and national best practices.

**NEW SECTION. Sec. 3.** Sections 1 and 2 of this act constitute a new chapter in Title 10 RCW.

**NEW SECTION. Sec. 4.** This act takes effect July 1, 2008."

On page 1, line 2 of the title, after "officers;" strike the remainder of the title and insert "adding a new chapter to Title 10 RCW; and providing an effective date."

and the same is herewith transmitted.

**MESSAGE FROM THE SENATE**

March 7, 2008

Mr. Speaker:

The Senate has passed SUBSTITUTE HOUSE BILL NO. 2482 with the following amendment:

Strike everything after the enacting clause and insert the following:

"**Sec. 1.** RCW 35.21.005 and 2003 c 331 s 8 are each amended to read as follows:

Wherever in this title petitions are required to be signed and filed, the following rules shall govern the sufficiency thereof:

(1) A petition may include any page or group of pages containing an identical text or prayer intended by the circulators, signers or sponsors to be presented and considered as one petition and containing the following essential elements when applicable, except that the elements referred to in (d) and (e) of this subsection are essential for petitions referring or initiating legislative matters to the voters, but are directory as to other petitions:

(a) The text or prayer of the petition which shall be a concise statement of the action or relief sought by petitioners and shall include a reference to the applicable state statute or city ordinance, if any;

(b) If the petition initiates or refers an ordinance, a true copy thereof;

(c) If the petition seeks the annexation, incorporation, withdrawal, or reduction of an area for any purpose, an accurate legal description of the area proposed for such action and if practical, a map of the area;

(d) Numbered lines for signatures with space provided beside each signature for the name and address of the signer and the date of signing;

(e) The warning statement prescribed in subsection (2) of this section.

(2) Petitions shall be printed or typed on single sheets of white paper of good quality and each sheet of petition paper having a space thereon for signatures shall contain the text or prayer of the petition and the following warning:

**WARNING**

Every person who signs this petition with any other than his or her true name, or who knowingly signs more than one of these petitions, or signs a petition seeking an election when he or she is not a legal voter, or signs a petition when he or she is otherwise not qualified to sign, or who makes herein any false statement, shall be guilty of a misdemeanor.

Each signature shall be executed in ink or indelible pencil and shall be followed by the name and address of the signer and the date of signing.

(3) The term "signer" means any person who signs his or her own name to the petition.

(4) To be sufficient a petition must contain valid signatures of qualified registered voters or property owners, as the case may be, in

the number required by the applicable statute or ordinance. Within three working days after the filing of a petition, the officer with whom the petition is filed shall transmit the petition to the county auditor for petitions signed by registered voters, or to the county assessor for petitions signed by property owners for determination of sufficiency. The officer or officers whose duty it is to determine the sufficiency of the petition shall proceed to make such a determination with reasonable promptness and shall file with the officer receiving the petition for filing a certificate stating the date upon which such determination was begun, which date shall be referred to as the terminal date. Additional pages of one or more signatures may be added to the petition by filing the same with the appropriate filing officer prior to such terminal date. Any signer of a filed petition may withdraw his or her signature by a written request for withdrawal filed with the receiving officer prior to such terminal date. Such written request shall so sufficiently describe the petition as to make identification of the person and the petition certain. The name of any person seeking to withdraw shall be signed exactly the same as contained on the petition and, after the filing of such request for withdrawal, prior to the terminal date, the signature of any person seeking such withdrawal shall be deemed withdrawn.

(5) Petitions containing the required number of signatures shall be accepted as prima facie valid until their invalidity has been proved.

(6) A variation on petitions between the signatures on the petition and that on the voter's permanent registration caused by the substitution of initials instead of the first or middle names, or both, shall not invalidate the signature on the petition if the surname and handwriting are the same.

(7) Signatures, including the original, of any person who has signed a petition two or more times shall be stricken.

(8) Signatures followed by a date of signing which is more than six months prior to the date of filing of the petition shall be stricken.

(9) When petitions are required to be signed by the owners of property, the determination shall be made by the county assessor. Where validation of signatures to the petition is required, the following shall apply:

(a) The signature of a record owner, as determined by the records of the county auditor, shall be sufficient without the signature of his or her spouse;

(b) In the case of mortgaged property, the signature of the mortgagor shall be sufficient, without the signature of his or her spouse;

(c) In the case of property purchased on contract, the signature of the contract purchaser, as shown by the records of the county auditor, shall be deemed sufficient, without the signature of his or her spouse;

(d) Any officer of a corporation owning land within the area involved who is duly authorized to execute deeds or encumbrances on behalf of the corporation, may sign on behalf of such corporation, and shall attach to the petition a certified excerpt from the bylaws of such corporation showing such authority;

(e) When the petition seeks annexation, any officer of a corporation owning land within the area involved, who is duly authorized to execute deeds or encumbrances on behalf of the corporation, may sign under oath on behalf of such corporation. If an officer signs the petition, he or she must attach an affidavit stating that he or she is duly authorized to sign the petition on behalf of such corporation;

(f) When property stands in the name of a deceased person or any person for whom a guardian has been appointed, the signature of the executor, administrator, or guardian, as the case may be, shall be equivalent to the signature of the owner of the property; and

~~((f))~~ (g) When a parcel of property is owned by multiple owners, the signature of an owner designated by the multiple owners is sufficient.

(10) The officer or officers responsible for determining the sufficiency of the petition shall do so in writing and transmit the written certificate to the officer with whom the petition was originally filed.

**Sec. 2.** RCW 35A.01.040 and 2003 c 331 s 9 are each amended to read as follows:

Wherever in this title petitions are required to be signed and filed, the following rules shall govern the sufficiency thereof:

(1) A petition may include any page or group of pages containing an identical text or prayer intended by the circulators, signers or sponsors to be presented and considered as one petition and containing the following essential elements when applicable, except that the elements referred to in (d) and (e) of this subsection are essential for petitions referring or initiating legislative matters to the voters, but are directory as to other petitions:

Strike everything after the enacting clause and insert the following:

"Sec. 1. RCW 28A.315.195 and 2006 c 263 s 502 are each amended to read as follows:

(1) A proposed change in school district organization by transfer of territory from one school district to another may be initiated by a petition in writing presented to the educational service district superintendent:

(a) Signed by at least fifty percent plus one of the active registered voters residing in the territory proposed to be transferred; or

(b) Signed by a majority of the members of the board of directors of one of the districts affected by a proposed transfer of territory and providing documentation that, before signing the petition, the board of directors took the following actions:

(i) Communicated the proposed transfer to the board of directors of the affected district or districts and provided an opportunity for the board of the affected district or districts to respond; and

(ii) Communicated the proposed transfer to the registered voters residing in the territory proposed to be transferred, provided notice of a public hearing regarding the proposal, and provided the voters an opportunity to comment on the proposal at the public hearing.

(2) The petition shall state the name and number of each district affected, describe the boundaries of the territory proposed to be transferred, and state the reasons for desiring the change and the number of children of school age, if any, residing in the territory.

(3) The educational service district superintendent shall not complete any transfer of territory under this section that involves ten percent or more of the common school student population of the entire district from which the transfer is proposed, unless the educational service district superintendent has first called and held a special election of the voters of the entire school district from which the transfer of territory is proposed. The purpose of the election is to afford those voters an opportunity to approve or reject the proposed transfer. A simple majority shall determine approval or rejection.

(4) The superintendent of public instruction may establish rules limiting the frequency of petitions that may be filed pertaining to territory included in whole or in part in a previous petition.

(5) Upon receipt of the petition, the educational service district superintendent shall notify in writing the affected districts that:

(a) Each school district board of directors, whether or not initiating a proposed transfer of territory, is required to enter into negotiations with the affected district or districts;

(b) In the case of a citizen-initiated petition, the affected districts must negotiate on the entire proposed transfer of territory;

(c) The districts have ninety calendar days in which to agree to the proposed transfer of territory;

(d) The districts may request and shall be granted by the educational service district superintendent one thirty-day extension to try to reach agreement; and

(e) Any district involved in the negotiations may at any time during the ninety-day period notify the educational service district superintendent in writing that agreement will not be possible.

(6) If the negotiating school boards cannot come to agreement about the proposed transfer of territory, the educational service district superintendent, if requested by the affected districts, shall appoint a mediator. The mediator has thirty days to work with the affected school districts to see if an agreement can be reached on the proposed transfer of territory.

(7) If the affected school districts cannot come to agreement about the proposed transfer of territory, and the districts do not request the services of a mediator or the mediator was unable to bring the districts to agreement, either district may file with the educational service district superintendent a written request for a hearing by the regional committee.

(8) If the affected school districts cannot come to agreement about the proposed transfer of territory initiated by citizen petition, and the districts do not request the services of a mediator or the mediator was unable to bring the districts to agreement, the district in which the citizens who filed the petition reside shall file with the educational service district superintendent a written request for a hearing by the regional committee, unless a majority of the citizen petitioners request otherwise.

(9) Upon receipt of a notice under subsection (7) or (8) of this section, the educational service district superintendent shall notify the chair of the regional committee in writing within ten days.

The educational service district superintendent shall transmit a copy of the committee's decision to the superintendents of the affected school districts within ten calendar days.

(3) In carrying out the purposes of RCW 28A.315.015 and in making decisions as authorized under RCW 28A.315.095(1), the regional committee shall base its judgment upon whether and to the extent the proposed change in school district organization complies with RCW 28A.315.015(2) and rules adopted by the superintendent of public instruction under chapter 34.05 RCW.

(4) The rules under subsection (3) of this section shall provide for giving consideration to all of the following:

(a) Student educational opportunities as measured by the percentage of students performing at each level of the statewide mandated assessments and data regarding student attendance, graduation, and dropout rates;

(b) The safety and welfare of pupils. For the purposes of this subsection, "safety" means freedom or protection from danger, injury, or damage and "welfare" means a positive condition or influence regarding health, character, and well-being;

(c) The history and relationship of the property affected to the students and communities affected, including, for example, ~~((inclusion within a single school district, for school attendance and corresponding tax support purposes, of entire master planned communities that were or are to be developed pursuant to an integrated commercial and residential development plan with over one thousand dwelling units))~~ the impact of the growth management act and current or proposed urban growth areas, city boundaries, and master planned communities;

(d) Whether or not geographic accessibility warrants a favorable consideration of a recommended change in school district organization, including remoteness or isolation of places of residence and time required to travel to and from school; and

(e) All funding sources of the affected districts, equalization among school districts of the tax burden for general fund and capital purposes through a reduction in disparities in per pupil valuation when all funding sources are considered, improvement in the economies in the administration and operation of schools, and the extent the proposed change would potentially reduce or increase the individual and aggregate transportation costs of the affected school districts.

(5)(a)(i) A petitioner or school district may appeal a decision by the regional committee to the superintendent of public instruction based on the claim that the regional committee failed to follow the applicable statutory and regulatory procedures or acted in an arbitrary and capricious manner. Any such appeal shall be based on the record and the appeal must be filed within thirty days of the final decision of the regional committee. The appeal shall be heard and determined by an administrative law judge in the office of administrative hearings, based on the standards in (a)(ii) of this subsection.

(ii) If the administrative law judge finds that all applicable procedures were not followed or that the regional committee acted in an arbitrary and capricious manner, the administrative law judge shall refer the matter back to the regional committee with an explanation of his or her findings. The regional committee shall rehear the proposal.

(iii) If the administrative law judge finds that all applicable procedures were followed or that the regional committee did not act in an arbitrary and capricious manner, depending on the appeal, the educational service district shall be notified and directed to implement the changes.

(b) Any school district or citizen petitioner affected by a final decision of the regional committee may seek judicial review of the committee's decision in accordance with RCW 34.05.570.

### MESSAGE FROM THE SENATE

March 7, 2008

Mr. Speaker:

The Senate has passed ENGROSSED SECOND SUBSTITUTE HOUSE BILL NO. 2647 with the following amendment:

Strike everything after the enacting clause and insert the following:

**"NEW SECTION. Sec. 1.** Research shows that many toys and other children's products contain toxic chemicals, such as lead, cadmium, and phthalates that have been shown to cause harm to children's health and the environment. These chemicals have been linked to long-term health impacts, such as birth defects, reproductive harm, impaired learning, liver toxicity, and cancer. Because children's bodies are growing and developing, they are especially vulnerable to the effects of toxic chemicals. Regulation of toxic chemicals in children's toys and other products is woefully inadequate. To protect children's health, it is important to phase out the use of lead, cadmium, and phthalates in children's toys and other products and to begin collecting information on other chemicals that are present in toys and other products to determine whether further action is required.

**NEW SECTION. Sec. 2.** The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

### MESSAGE FROM THE SENATE

March 7, 2008

Mr. Speaker:

The Senate has passed ENGROSSED SECOND SUBSTITUTE HOUSE BILL NO. 2668 with the following amendment:

Strike everything after the enacting clause and insert the following:

**"NEW SECTION. Sec. 1.** The legislature finds that Washingtonians sixty-five years of age and older will nearly double in the next twenty years, from eleven percent of our population today to almost twenty percent of our population in 2025. Younger people with disabilities will also require supportive long-term care services. Nationally, young people with a disability account for thirty seven percent of the total number of people who need long-term care.

The legislature further finds that to address this increasing need, the long-term care system should support autonomy and self-determination, and support the role of informal caregivers and families. It should promote personal planning and savings combined with public support, when needed. It should also include culturally appropriate, high quality information, services, and supports delivered in a cost-effective and efficient manner.

The legislature further finds that more than fifteen percent of adults over age sixty-five in Washington state have diabetes. Current nurse delegation statutes limit the ability of elderly and disabled persons with diabetes to remain in their own homes or in other home-like long-term care settings. It is the intent of the legislature to modify nurse delegation statutes to enable elderly persons and persons with disabilities who have diabetes to continue to reside in their own home or other home-like settings.

The legislature further finds that the long-term care system should utilize evidence-based practices for the prevention and management of chronic disease to improve the general health of Washingtonians over their lifetime and reduce health care and long-term care costs related to ineffective chronic care management.

**Sec. 2.** RCW 74.41.040 and 1987 c 409 s 3 are each amended to read as follows:

The department shall administer this chapter and shall establish such rules and standards as the department deems necessary in carrying out this chapter. The department shall not require the development of plans of care or discharge plans by nursing homes or adult family homes providing respite care service under this chapter. Boarding homes providing respite care services shall comply with the assessment and plan of care provisions of RCW 18.20.350.

The department shall develop standards for the respite program in conjunction with the selected area agencies on aging. The program standards shall serve as the basis for soliciting bids, entering into subcontracts, and developing sliding fee scales to be used in determining the ability of eligible participants to participate in paying for respite care.

**Sec. 3.** RCW 18.20.350 and 2004 c 142 s 7 are each amended to read as follows:

(1) The boarding home licensee shall conduct a preadmission assessment for each resident applicant. The preadmission assessment shall include the following information, unless unavailable despite the best efforts of the licensee:

- (a) Medical history;
- (b) Necessary and contraindicated medications;
- (c) A licensed medical or health professional's diagnosis, unless the individual objects for religious reasons;
- (d) Significant known behaviors or symptoms that may cause concern or require special care;
- (e) Mental illness diagnosis, except where protected by confidentiality laws;

(2) The boarding home licensee shall complete the preadmission assessment before admission unless there is an emergency. If there is an emergency admission, the preadmission assessment shall be completed within five days of the date of admission. For purposes of this section, "emergency" includes, but is not limited to: Evening, weekend, or Friday afternoon admissions if the resident applicant would otherwise need to remain in an unsafe setting or be without adequate and safe housing.

(3) The boarding home licensee shall complete an initial resident service plan upon move-in to identify the resident's immediate needs and to provide direction to staff and caregivers relating to the resident's immediate needs. The initial resident service plan shall include as much information as can be obtained, under subsection (1) of this section.

(4) When a facility provides respite care, before or at the time of admission, the facility must obtain sufficient information to meet the individual's anticipated needs. At a minimum, such information must include:

- (a) The name, address, and telephone number of the individual's attending physician, and alternate physician if any;
- (b) Medical and social history, which may be obtained from a respite care assessment and service plan performed by a case manager designated by an area agency on aging under contract with the department, and mental and physical assessment data;
- (c) Physician's orders for diet, medication, and routine care consistent with the individual's status on admission;
- (d) Ensure the individuals have assessments performed, where needed, and where the assessment of the individual reveals symptoms of tuberculosis, follow required tuberculosis testing requirements; and
- (e) With the participation of the individual and, where appropriate, their representative, develop a plan of care to maintain or improve their health and functional status during their stay in the facility.

**Sec. 4.** RCW 74.41.050 and 2000 c 207 s 4 are each amended to read as follows:

The department shall contract with area agencies on aging or other appropriate agencies to conduct family caregiver long-term care information and support services to the extent of available funding. The responsibilities of the agencies shall include but not be

limited to: (1) Administering a program of family caregiver long-term care information and support services; ~~((and))~~ (2) negotiating rates of payment, administering sliding-fee scales to enable eligible participants to participate in paying for respite care, and arranging for respite care information, training, and other support services; and (3) developing an evidence-based tailored caregiver assessment and referral tool. In evaluating the need for respite services, consideration shall be given to the mental and physical ability of the caregiver to perform necessary caregiver functions.

**Sec. 5.** RCW 74.38.030 and 1975-'76 2nd ex.s. c 131 s 3 are each amended to read as follows:

(1) The program of community based services authorized under this chapter shall be administered by the department. Such services may be provided by the department or through purchase of service contracts, vendor payments or direct client grants.

The department shall, under stipend or grant programs provided under RCW 74.38.060, utilize, to the maximum staffing level possible, eligible persons in its administration, supervision, and operation.

They shall also submit, in the manner prescribed by the department, such other program or fiscal data as may be required.

However, if the determination is that such eligible person is nonlow income, the provision of RCW 74.38.050 shall be applied as of the date of such determination.

Such direction must be for acts which are within the scope of registered nursing practice.

(3) A registered nurse may delegate tasks of nursing care to other individuals where the registered nurse determines that it is in the best interest of the patient.

(a) The delegating nurse shall:

Except as authorized in (e) of this subsection, a registered nurse may not delegate acts requiring substantial skill, and may not delegate piercing or severing of tissues. Acts that require nursing judgment shall not be delegated.

(d) No person may coerce a nurse into compromising patient safety by requiring the nurse to delegate if the nurse determines that it is inappropriate to do so. Nurses shall not be subject to any employer reprisal or disciplinary action by the nursing care quality assurance commission for refusing to delegate tasks or refusing to provide the required training for delegation if the nurse determines delegation may compromise patient safety.

(e) For delegation in community-based care settings or in-home care settings, a registered nurse may delegate nursing care tasks only to registered or certified nursing assistants. Simple care tasks such as blood pressure monitoring, personal care service, diabetic insulin device set up, verbal verification of insulin dosage for sight-impaired individuals, or other tasks as defined by the nursing care quality assurance commission are exempted from this requirement.

(i) "Community-based care settings" includes: Community residential programs for ~~(the developmentally disabled)~~ people with developmental disabilities, certified by the department of social

(iv) The determination of the appropriateness of delegation of a nursing task is at the discretion of the registered nurse. ~~((However))~~ Other than delegation of the administration of insulin by injection for the purpose of caring for individuals with diabetes, the administration of medications by injection, sterile procedures, and central line maintenance may never be delegated.

(v) When delegating insulin injections under this section, the registered nurse delegator must instruct the individual regarding proper injection procedures and the use of insulin, demonstrate proper injection procedures, and must supervise and evaluate the individual performing the delegated task weekly during the first four weeks of delegation of insulin injections. ~~((viii))~~ (viii) Nursing task delegation protocols are not intended to regulate the settings in which delegation may occur, but are intended to ensure that nursing care services have a consistent standard of practice upon which the public and the profession may rely, and to safeguard the authority of the nurse to make independent professional decisions regarding the delegation of a task.

(f) The nursing care quality assurance commission may adopt rules to implement this section.

(2) For the purposes of this section, "nursing assistant" means a nursing assistant-registered or a nursing assistant-certified. (3)(a) Before commencing any specific nursing care tasks authorized under this chapter, the nursing assistant must ~~((a))~~ (i) provide to the delegating nurse a certificate of completion issued by the department of social and health services indicating the completion of basic core nurse delegation training, ~~((b))~~ (ii) be regulated by the department of health pursuant to this chapter, subject to the uniform disciplinary act under chapter 18.130 RCW, and ~~((c))~~ (iii) meet any additional training requirements identified by the nursing care quality assurance commission. ## PART II STATEWIDE GANG INFORMATION DATABASE

**NEW SECTION. Sec. 201.** A new section is added to chapter 43.43 RCW to read as follows:

The Washington association of sheriffs and police chiefs shall work with the Washington state patrol to coordinate, designate, and recommend the use of a statewide database accessible by law enforcement agencies that utilizes existing resources, networks, or structures for assessing and addressing the problems associated with criminal street gangs.

(1) The gang database shall comply with federal regulations for state law enforcement databases shared with other law enforcement agencies, including auditing and access to data.

(2) The Washington state patrol, in consultation with the Washington state association of sheriffs and police chiefs, shall adopt uniform state criteria for entering gangs, gang members, and gang associates into the database. Data on individuals may be entered only based on reasonable suspicion of criminal activity or actual criminal activity and must be supported by documentation, where documentation is available.

The mere existence of information relating to an individual within the database does not by itself justify a stop or arrest.

(6) Access to the database shall be determined by the chief executive officer of each participating agency. Information about specific individuals in the database shall be automatically expunged if: (a) No new or updated information has been entered into the database within the previous five years; (b) there are no pending criminal charges against such person in any court in this state or another state or in any federal court; (c) the person has not been

convicted of a new crime in this state, another state, or federal court within the last five years; and (d) it has been five years since the person completed his or her term of total confinement.

(7) Each law enforcement and criminal justice agency using the database is required to:

(a) Identify a system administrator that is responsible for annually auditing the use of the system within his or her respective agency to ensure agency compliance with policies established for the use of the database;

(b) Ensure that all users of the database receive training on the use of the database before granting the users access to the database;

(c) Ensure that any information entered into the database relates to a criminal street gang associate or gang member who is twelve years old or older;

(d) Annually produce a gang threat assessment report including available data sources such as uniform crime reports, record management systems, and entries into the statewide gang database. Local public schools shall also be encouraged to provide data to the local gang threat assessment report.

(8) The database and all contents in the database are confidential and exempt from public disclosure under chapter 42.56 RCW.

(9) Any public employee or public agency as defined in RCW 4.24.470, or units of local government and its employees, as provided in RCW 36.28A.010, and the Washington association of sheriffs and police chiefs and its employees are immune from civil liability for damages arising from incidents involving a person who has been included in the database, unless it is shown that an employee acted with gross negligence or bad faith.

**Sec. 202.** RCW 42.56.240 and 2005 c 274 s 404 are each amended to read as follows:

The following investigative, law enforcement, and crime victim information is exempt from public inspection and copying under this chapter:

(1) Specific intelligence information and specific investigative records compiled by investigative, law enforcement, and penology agencies, and state agencies vested with the responsibility to discipline members of any profession, the nondisclosure of which is essential to effective law enforcement or for the protection of any person's right to privacy;

(2) Information revealing the identity of persons who are witnesses to or victims of crime or who file complaints with investigative, law enforcement, or penology agencies, other than the commission, if disclosure would endanger any person's life, physical safety, or property. If at the time a complaint is filed the complainant, victim, or witness indicates a desire for disclosure or nondisclosure, such desire shall govern. However, all complaints filed with the commission about any elected official or candidate for public office must be made in writing and signed by the complainant under oath;

Identifying information means the child victim's name, address, location, photograph, and in cases in which the child victim is a relative or stepchild of the alleged perpetrator, identification of the relationship between the child and the alleged perpetrator; and

(b) This subsection does not apply to any criminal street gang-related felony offense for which involving a minor in the commission of the felony offense is an element of the offense.

(c) The increased penalty specified in (a) of this subsection is unavailable in the event that the prosecution gives notice that it will seek an exceptional sentence based on an aggravating factor under RCW 9.94A.535.

**NEW SECTION. Sec. 302.** A new section is added to chapter 9.94A RCW to read as follows:

(1) In a prosecution of a criminal street gang-related felony offense, the prosecution may file a special allegation that the felony offense involved the compensation, threatening, or solicitation of a minor in order to involve that minor in the commission of the felony offense, as described under RCW 9.94A.533(10)(a).

(2) The state has the burden of proving a special allegation made under this section beyond a reasonable doubt. If a jury is had, the jury shall, if it finds the defendant guilty, also find a special verdict as to whether the criminal street gang-related felony offense involved the compensation, threatening, or solicitation of a minor in order to involve that minor in the commission of the felony offense. If no jury is had, the court shall make a finding of fact as to whether the criminal street gang-related felony offense involved the compensation, threatening, or solicitation of a minor in order to involve that minor in the commission of the felony offense.

#### **Expansion Of The List Of Aggravating Factors**

**Sec. 303.** RCW 9.94A.535 and 2007 c 377 s 10 are each amended to read as follows:

The court may impose a sentence outside the standard sentence range for an offense if it finds, considering the purpose of this chapter, that there are substantial and compelling reasons justifying an exceptional sentence. Facts supporting aggravated sentences, other than the fact of a prior conviction, shall be determined pursuant to the provisions of RCW 9.94A.537.

Whenever a sentence outside the standard sentence range is imposed, the court shall set forth the reasons for its decision in written findings of fact and conclusions of law. A sentence outside the standard sentence range shall be a determinate sentence.

If the sentencing court finds that an exceptional sentence outside the standard sentence range should be imposed, the sentence is subject to review only as provided for in RCW 9.94A.585(4).

A departure from the standards in RCW 9.94A.589 (1) and (2) governing whether sentences are to be served consecutively or concurrently is an exceptional sentence subject to the limitations in this section, and may be appealed by the offender or the state as set forth in RCW 9.94A.585 (2) through (6).

#### **(1) Mitigating Circumstances - Court to Consider**

The court may impose an exceptional sentence below the standard range if it finds that mitigating circumstances are established by a preponderance of the evidence. The following are illustrative only and are not intended to be exclusive reasons for exceptional sentences.

(a) To a significant degree, the victim was an initiator, willing participant, aggressor, or provoker of the incident.

(b) Before detection, the defendant compensated, or made a good faith effort to compensate, the victim of the criminal conduct for any damage or injury sustained.

(c) The defendant committed the crime under duress, coercion, threat, or compulsion insufficient to constitute a complete defense but which significantly affected his or her conduct.

(d) The defendant, with no apparent predisposition to do so, was induced by others to participate in the crime.

(e) The defendant's capacity to appreciate the wrongfulness of his or her conduct, or to conform his or her conduct to the requirements of the law, was significantly impaired. Voluntary use of drugs or alcohol is excluded.

(f) The offense was principally accomplished by another person and the defendant manifested extreme caution or sincere concern for the safety or well-being of the victim.

(g) The operation of the multiple offense policy of RCW 9.94A.589 results in a presumptive sentence that is clearly excessive in light of the purpose of this chapter, as expressed in RCW 9.94A.010.

(h) The defendant or the defendant's children suffered a continuing pattern of physical or sexual abuse by the victim of the offense and the offense is a response to that abuse.

#### (2) Aggravating Circumstances - Considered and Imposed by the Court

The trial court may impose an aggravated exceptional sentence without a finding of fact by a jury under the following circumstances:

(a) The defendant and the state both stipulate that justice is best served by the imposition of an exceptional sentence outside the standard range, and the court finds the exceptional sentence to be consistent with and in furtherance of the interests of justice and the purposes of the sentencing reform act.

(b) The defendant's prior unscored misdemeanor or prior unscored foreign criminal history results in a presumptive sentence that is clearly too lenient in light of the purpose of this chapter, as expressed in RCW 9.94A.010.

(c) The defendant has committed multiple current offenses and the defendant's high offender score results in some of the current offenses going unpunished.

(d) The failure to consider the defendant's prior criminal history which was omitted from the offender score calculation pursuant to RCW 9.94A.525 results in a presumptive sentence that is clearly too lenient.

#### (3) Aggravating Circumstances - Considered by a Jury - Imposed by the Court

Except for circumstances listed in subsection (2) of this section, the following circumstances are an exclusive list of factors that can support a sentence above the standard range. Such facts should be determined by procedures specified in RCW 9.94A.537.

(a) The defendant's conduct during the commission of the current offense manifested deliberate cruelty to the victim.

(b) The defendant knew or should have known that the victim of the current offense was particularly vulnerable or incapable of resistance.

(c) The current offense was a violent offense, and the defendant knew that the victim of the current offense was pregnant.

(d) The current offense was a major economic offense or series of offenses, so identified by a consideration of any of the following factors:

(i) The current offense involved multiple victims or multiple incidents per victim;

(ii) The current offense involved attempted or actual monetary loss substantially greater than typical for the offense;

(iii) The current offense involved a high degree of sophistication or planning or occurred over a lengthy period of time; or

(iv) The defendant used his or her position of trust, confidence, or fiduciary responsibility to facilitate the commission of the current offense.

(e) The current offense was a major violation of the Uniform Controlled Substances Act, chapter 69.50 RCW (VUCSA), related to trafficking in controlled substances, which was more onerous than the typical offense of its statutory definition: The presence of ANY of the following may identify a current offense as a major VUCSA:

(i) The current offense involved at least three separate transactions in which controlled substances were sold, transferred, or possessed with intent to do so;

(ii) The current offense involved an attempted or actual sale or transfer of controlled substances in quantities substantially larger than for personal use;

(iii) The current offense involved the manufacture of controlled substances for use by other parties;

(iv) The circumstances of the current offense reveal the offender to have occupied a high position in the drug distribution hierarchy;

(v) The current offense involved a high degree of sophistication or planning, occurred over a lengthy period of time, or involved a broad geographic area of disbursement; or

(vi) The offender used his or her position or status to facilitate the commission of the current offense, including positions of trust, confidence or fiduciary responsibility (e.g., pharmacist, physician, or other medical professional).

(f) The current offense included a finding of sexual motivation pursuant to RCW 9.94A.835.

(g) The offense was part of an ongoing pattern of sexual abuse of the same victim under the age of eighteen years manifested by multiple incidents over a prolonged period of time.

(h) The current offense involved domestic violence, as defined in RCW 10.99.020, and one or more of the following was present:

(i) The offense was part of an ongoing pattern of psychological, physical, or sexual abuse of the victim manifested by multiple incidents over a prolonged period of time;

(ii) The offense occurred within sight or sound of the victim's or the offender's minor children under the age of eighteen years; or

(iii) The offender's conduct during the commission of the current offense manifested deliberate cruelty or intimidation of the victim.

(i) The offense resulted in the pregnancy of a child victim of rape.

(j) The defendant knew that the victim of the current offense was a youth who was not residing with a legal custodian and the defendant established or promoted the relationship for the primary purpose of victimization.

(k) The offense was committed with the intent to obstruct or impair human or animal health care or agricultural or forestry research or commercial production.

(l) The current offense is trafficking in the first degree or trafficking in the second degree and any victim was a minor at the time of the offense.

(m) The offense involved a high degree of sophistication or planning.

(n) The defendant used his or her position of trust, confidence, or fiduciary responsibility to facilitate the commission of the current offense.

(o) The defendant committed a current sex offense, has a history of sex offenses, and is not amenable to treatment.

(p) The offense involved an invasion of the victim's privacy.

(q) The defendant demonstrated or displayed an egregious lack of remorse.

(r) The offense involved a destructive and foreseeable impact on persons other than the victim.

(s) The defendant committed the offense to obtain or maintain his or her membership or to advance his or her position in the hierarchy of an organization, association, or identifiable group.

(t) The defendant committed the current offense shortly after being released from incarceration.

(u) The current offense is a burglary and the victim of the burglary was present in the building or residence when the crime was committed.

(v) The offense was committed against a law enforcement officer who was performing his or her official duties at the time of the offense, the offender knew that the victim was a law enforcement officer, and the victim's status as a law enforcement officer is not an element of the offense.

(w) The defendant committed the offense against a victim who was acting as a good samaritan.

(x) The defendant committed the offense against a public official or officer of the court in retaliation of the public official's performance of his or her duty to the criminal justice system.

(y) The victim's injuries substantially exceed the level of bodily harm necessary to satisfy the elements of the offense. This aggravator is not an exception to RCW 9.94A.530(2).

(z)(i)(A) The current offense is theft in the first degree, theft in the second degree, possession of stolen property in the first degree, or possession of stolen property in the second degree; (B) the stolen property involved is metal property; and (C) the property damage to the victim caused in the course of the theft of metal property is more than three times the value of the stolen metal property, or the theft of the metal property creates a public hazard.

(ii) For purposes of this subsection, "metal property" means commercial metal property or nonferrous metal property, as defined in RCW 19.290.010.

(aa) The defendant committed the offense with the intent to directly or indirectly cause any benefit, aggrandizement, gain, profit, or other advantage to or for a criminal street gang as defined in RCW 9.94A.030, its reputation, influence, or membership.

### **Requiring Community Custody For Unlawful Possession Of A Firearm**

**Sec. 304.** RCW 9.94A.545 and 2006 c 128 s 4 are each amended to read as follows:

(1) Except as provided in RCW 9.94A.650 and in subsection (2) of this section, on all sentences of confinement for one year or less, in which the offender is convicted of a sex offense, a violent offense, a crime against a person under RCW 9.94A.411, or felony violation of chapter 69.50 or 69.52 RCW or an attempt, conspiracy, or solicitation to commit such a crime, the court may impose up to one year of community custody, subject to conditions and sanctions as authorized in RCW 9.94A.715 and 9.94A.720. An offender shall be on community custody as of the date of sentencing. However, during the time for which the offender is in total or partial confinement pursuant to the sentence or a violation of the sentence, the period of community custody shall toll.

(2)(a) If the offender is guilty of failure to register under RCW 9A.44.130(~~((+))~~) (11)(a), the court shall impose a term of community custody under RCW 9.94A.715.

(b) If the offender is a criminal street gang associate or member and is found guilty of unlawful possession of a firearm under RCW 9.41.040, the court shall impose a term of community custody under RCW 9.94A.715.

(c) In a criminal case in which there has been a special allegation, the state shall prove by a preponderance of the evidence that the accused is a criminal street gang member or associate as defined in RCW 9.94A.030 and has committed the crime of unlawful possession of a firearm. The court shall make a finding of fact of whether or not the accused was a criminal street gang member or associate at the time of the commission of the crime, or if a jury trial is had, the jury shall, if it finds the defendant guilty, also find a special verdict as to whether or not the accused was a criminal street gang member or associate during the commission of the crime.

**Sec. 305.** RCW 9.94A.715 and 2006 c 130 s 2 and 2006 c 128 s 5 are each reenacted and amended to read as follows:

(1) When a court sentences a person to the custody of the department for a sex offense not sentenced under RCW 9.94A.712, a violent offense, any crime against persons under RCW 9.94A.411(2), an offense involving the unlawful possession of a firearm under RCW 9.41.040, where the offender is a criminal street gang member or associate, or a felony offense under chapter 69.50 or 69.52 RCW, committed on or after July 1, 2000, or when a court sentences a person to a term of confinement of one year or less for a violation of RCW 9A.44.130(~~((+))~~) (11)(a) committed on or after June 7, 2006, the court shall in addition to the other terms of the sentence, sentence the offender to community custody for the community custody range established under RCW 9.94A.850 or up to the period of earned release awarded pursuant to RCW 9.94A.728 (1) and (2), whichever is longer. The community custody shall begin: (a) Upon completion of the term of confinement; (b) at such time as the offender is transferred to community custody in lieu of earned release in accordance with RCW 9.94A.728 (1) and (2); or (c) with regard to offenders sentenced under RCW 9.94A.660, upon failure to complete or administrative termination from the special drug offender sentencing alternative program. Except as provided in

RCW 9.94A.501, the department shall supervise any sentence of community custody imposed under this section.

(2)(a) Unless a condition is waived by the court, the conditions of community custody shall include those provided for in RCW 9.94A.700(4). The conditions may also include those provided for in RCW 9.94A.700(5). The court may also order the offender to participate in rehabilitative programs or otherwise perform affirmative conduct reasonably related to the circumstances of the offense, the offender's risk of reoffending, or the safety of the community, and the department shall enforce such conditions pursuant to subsection (6) of this section.

(b) As part of any sentence that includes a term of community custody imposed under this subsection, the court shall also require the offender to comply with any conditions imposed by the department under RCW 9.94A.720. The department shall assess the offender's risk of reoffense and may establish and modify additional conditions of the offender's community custody based upon the risk to community safety. In addition, the department may require the offender to participate in rehabilitative programs, or otherwise perform affirmative conduct, and to obey all laws. The department may impose electronic monitoring as a condition of community custody for an offender sentenced to a term of community custody under this section pursuant to a conviction for a sex offense. Within the resources made available by the department for this purpose, the department shall carry out any electronic monitoring imposed under this section using the most appropriate technology given the individual circumstances of the offender. As used in this section, "electronic monitoring" means the monitoring of an offender using an electronic offender tracking system including, but not limited to, a system using radio frequency or active or passive global positioning system technology.

(c) The department may not impose conditions that are contrary to those ordered by the court and may not contravene or decrease court imposed conditions. The department shall notify the offender in writing of any such conditions or modifications. In setting, modifying, and enforcing conditions of community custody, the department shall be deemed to be performing a quasi-judicial function.

(3) If an offender violates conditions imposed by the court or the department pursuant to this section during community custody, the department may transfer the offender to a more restrictive confinement status and impose other available sanctions as provided in RCW 9.94A.737 and 9.94A.740.

(4) Except for terms of community custody under RCW 9.94A.670, the department shall discharge the offender from community custody on a date determined by the department, which the department may modify, based on risk and performance of the offender, within the range or at the end of the period of earned release, whichever is later.

(5) At any time prior to the completion or termination of a sex offender's term of community custody, if the court finds that public safety would be enhanced, the court may impose and enforce an order extending any or all of the conditions imposed pursuant to this section for a period up to the maximum allowable sentence for the crime as it is classified in chapter 9A.20 RCW, regardless of the expiration of the offender's term of community custody. If a violation of a condition extended under this subsection occurs after the expiration of the offender's term of community custody, it shall be deemed a violation of the sentence for the purposes of RCW 9.94A.631 and may be punishable as contempt of court as provided for in RCW 7.21.040. If the court extends a condition beyond the expiration of the term of community custody, the department is not responsible for supervision of the offender's compliance with the condition.

(6) Within the funds available for community custody, the department shall determine conditions and duration of community custody on the basis of risk to community safety, and shall supervise offenders during community custody on the basis of risk to community safety and conditions imposed by the court. The secretary shall adopt rules to implement the provisions of this subsection.

(7) By the close of the next business day after receiving notice of a condition imposed or modified by the department, an offender may request an administrative review under rules adopted by the

department. The condition shall remain in effect unless the reviewing officer finds that it is not reasonably related to any of the following: (a) The crime of conviction; (b) the offender's risk of reoffending; or (c) the safety of the community.

**Making Subsequent Convictions Of  
Malicious Mischief 3 A Gross  
Misdemeanor Offense**

**NEW SECTION. Sec. 306.** A new section is added to chapter 9A.48 RCW to read as follows:

(1) A person is guilty of criminal street gang tagging and graffiti if he or she commits malicious mischief in the third degree under RCW 9A.48.090(1)(b) and he or she:

(a) Has multiple current convictions for malicious mischief in the third degree offenses under RCW 9A.48.090(1)(b); or

(b) Has previously been convicted for a malicious mischief in the third degree offense under RCW 9A.48.090(1)(b) or a comparable offense under a municipal code provision of any city or town; and

(c) The current offense or one of the current offenses is a "criminal street gang-related offense" as defined in RCW 9.94A.030.

(2) Criminal street gang tagging and graffiti is a gross misdemeanor offense.

**Civil Cause Of Action For Graffiti And Tagging**

**NEW SECTION. Sec. 307.** A new section is added to chapter 4.24 RCW to read as follows:

(1) An adult or emancipated minor who commits criminal street gang tagging and graffiti under section 306 of this act by causing physical damage to the property of another is liable in addition to actual damages, for a penalty to the owner in the amount of the value of the damaged property not to exceed one thousand dollars, plus an additional penalty of not less than one hundred dollars nor more than two hundred dollars, plus all reasonable attorneys' fees and court costs expended by the owner.

(2) A conviction for violation of section 306 of this act is not a condition precedent to maintenance of a civil action authorized by this section.

(3) An owner demanding payment of a penalty under subsection (1) of this section shall give written notice to the person or persons from whom the penalty is sought.

**Sec. 308.** RCW 10.22.010 and 1999 c 143 s 45 are each amended to read as follows:

When a defendant is prosecuted in a criminal action for a misdemeanor, other than a violation of section 306 of this act, for which the person injured by the act constituting the offense has a remedy by a civil action, the offense may be compromised as provided in RCW 10.22.020, except when it was committed:

(1) By or upon an officer while in the execution of the duties of his office(-);

(2) Riotously;

(3) With an intent to commit a felony; or

(4) By one family or household member against another as defined in RCW 10.99.020 and was a crime of domestic violence as defined in RCW 10.99.020.

**Criminal Street Gang Definition**

**Sec. 309.** RCW 9.94A.030 and 2006 c 139 s 5, 2006 c 124 s 1, 2006 c 122 s 7, 2006 c 73 s 5, and 2005 c 436 s 1 are each reenacted and amended to read as follows:

Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

(1) "Board" means the indeterminate sentence review board created under chapter 9.95 RCW.

(2) "Collect," or any derivative thereof, "collect and remit," or "collect and deliver," when used with reference to the department, means that the department, either directly or through a collection agreement authorized by RCW 9.94A.760, is responsible for monitoring and enforcing the offender's sentence with regard to the

legal financial obligation, receiving payment thereof from the offender, and, consistent with current law, delivering daily the entire payment to the superior court clerk without depositing it in a departmental account.

(3) "Commission" means the sentencing guidelines commission.

(4) "Community corrections officer" means an employee of the department who is responsible for carrying out specific duties in supervision of sentenced offenders and monitoring of sentence conditions.

(5) "Community custody" means that portion of an offender's sentence of confinement in lieu of earned release time or imposed pursuant to RCW 9.94A.505(2)(b), 9.94A.650 through 9.94A.670, 9.94A.690, 9.94A.700 through 9.94A.715, or 9.94A.545, served in the community subject to controls placed on the offender's movement and activities by the department. For offenders placed on community custody for crimes committed on or after July 1, 2000, the department shall assess the offender's risk of reoffense and may establish and modify conditions of community custody, in addition to those imposed by the court, based upon the risk to community safety.

(6) "Community custody range" means the minimum and maximum period of community custody included as part of a sentence under RCW 9.94A.715, as established by the commission or the legislature under RCW 9.94A.850, for crimes committed on or after July 1, 2000.

(7) "Community placement" means that period during which the offender is subject to the conditions of community custody and/or postrelease supervision, which begins either upon completion of the term of confinement (postrelease supervision) or at such time as the offender is transferred to community custody in lieu of earned release. Community placement may consist of entirely community custody, entirely postrelease supervision, or a combination of the two.

(8) "Community protection zone" means the area within eight hundred eighty feet of the facilities and grounds of a public or private school.

(9) "Community restitution" means compulsory service, without compensation, performed for the benefit of the community by the offender.

(10) "Community supervision" means a period of time during which a convicted offender is subject to crime-related prohibitions and other sentence conditions imposed by a court pursuant to this chapter or RCW 16.52.200(6) or 46.61.524. Where the court finds that any offender has a chemical dependency that has contributed to his or her offense, the conditions of supervision may, subject to available resources, include treatment. For purposes of the interstate compact for out-of-state supervision of parolees and probationers, RCW 9.95.270, community supervision is the functional equivalent of probation and should be considered the same as probation by other states.

(11) "Confinement" means total or partial confinement.

(12) "Conviction" means an adjudication of guilt pursuant to Titles 10 or 13 RCW and includes a verdict of guilty, a finding of guilty, and acceptance of a plea of guilty.

(13) "Crime-related prohibition" means an order of a court prohibiting conduct that directly relates to the circumstances of the crime for which the offender has been convicted, and shall not be construed to mean orders directing an offender affirmatively to participate in rehabilitative programs or to otherwise perform affirmative conduct. However, affirmative acts necessary to monitor compliance with the order of a court may be required by the department.

(14) "Criminal history" means the list of a defendant's prior convictions and juvenile adjudications, whether in this state, in federal court, or elsewhere.

(a) The history shall include, where known, for each conviction (i) whether the defendant has been placed on probation and the length and terms thereof; and (ii) whether the defendant has been incarcerated and the length of incarceration.

(b) A conviction may be removed from a defendant's criminal history only if it is vacated pursuant to RCW 9.96.060, 9.94A.640, 9.95.240, or a similar out-of-state statute, or if the conviction has been vacated pursuant to a governor's pardon.

(c) The determination of a defendant's criminal history is distinct from the determination of an offender score. A prior conviction that was not included in an offender score calculated pursuant to a former version of the sentencing reform act remains part of the defendant's criminal history.

(15) "Criminal street gang" means any ongoing organization, association, or group of three or more persons, whether formal or informal, having a common name or common identifying sign or symbol, having as one of its primary activities the commission of criminal acts, and whose members or associates individually or collectively engage in or have engaged in a pattern of criminal street gang activity. This definition does not apply to employees engaged in concerted activities for their mutual aid and protection, or to the activities of labor and bona fide nonprofit organizations or their members or agents.

(16) "Criminal street gang associate or member" means any person who actively participates in any criminal street gang and who intentionally promotes, furthers, or assists in any criminal act by the criminal street gang.

(17) "Criminal street gang-related offense" means any felony or misdemeanor offense, whether in this state or elsewhere, that is committed for the benefit of, at the direction of, or in association with any criminal street gang, or is committed with the intent to promote, further, or assist in any criminal conduct by the gang, or is committed for one or more of the following reasons:

(a) To gain admission, prestige, or promotion within the gang;

(b) To increase or maintain the gang's size, membership, prestige, dominance, or control in any geographical area;

(c) To exact revenge or retribution for the gang or any member of the gang;

(d) To obstruct justice, or intimidate or eliminate any witness against the gang or any member of the gang;

(e) To directly or indirectly cause any benefit, aggrandizement, gain, profit, or other advantage for the gang, its reputation, influence, or membership; or

(f) To provide the gang with any advantage in, or any control or dominance over any criminal market sector, including, but not limited to, manufacturing, delivering, or selling any controlled substance (chapter 69.50 RCW); arson (chapter 9A.48 RCW); trafficking in stolen property (chapter 9A.82 RCW); promoting prostitution (chapter 9A.88 RCW); human trafficking (RCW 9A.40.100); or promoting pornography (chapter 9.68 RCW).

(18) "Day fine" means a fine imposed by the sentencing court that equals the difference between the offender's net daily income and the reasonable obligations that the offender has for the support of the offender and any dependents.

((+6)) (19) "Day reporting" means a program of enhanced supervision designed to monitor the offender's daily activities and compliance with sentence conditions, and in which the offender is required to report daily to a specific location designated by the department or the sentencing court.

((+7)) (20) "Department" means the department of corrections.

((+8)) (21) "Determinate sentence" means a sentence that states with exactitude the number of actual years, months, or days of total confinement, of partial confinement, of community supervision, the number of actual hours or days of community restitution work, or dollars or terms of a legal financial obligation. The fact that an offender through earned release can reduce the actual period of confinement shall not affect the classification of the sentence as a determinate sentence.

((+9)) (22) "Disposable earnings" means that part of the earnings of an offender remaining after the deduction from those earnings of any amount required by law to be withheld. For the purposes of this definition, "earnings" means compensation paid or payable for personal services, whether denominated as wages, salary, commission, bonuses, or otherwise, and, notwithstanding any other provision of law making the payments exempt from garnishment, attachment, or other process to satisfy a court-ordered legal financial obligation, specifically includes periodic payments pursuant to pension or retirement programs, or insurance policies of any type, but does not include payments made under Title 50 RCW, except as provided in RCW 50.40.020 and 50.40.050, or Title 74 RCW.

((+0)) (23) "Drug offender sentencing alternative" is a sentencing option available to persons convicted of a felony offense

other than a violent offense or a sex offense and who are eligible for the option under RCW 9.94A.660.

((+1)) (24) "Drug offense" means:

(a) Any felony violation of chapter 69.50 RCW except possession of a controlled substance (RCW 69.50.4013) or forged prescription for a controlled substance (RCW 69.50.403);

(b) Any offense defined as a felony under federal law that relates to the possession, manufacture, distribution, or transportation of a controlled substance; or

(c) Any out-of-state conviction for an offense that under the laws of this state would be a felony classified as a drug offense under (a) of this subsection.

((+2)) (25) "Earned release" means earned release from confinement as provided in RCW 9.94A.728.

((+3)) (26) "Escape" means:

(a) Sexually violent predator escape (RCW 9A.76.115), escape in the first degree (RCW 9A.76.110), escape in the second degree (RCW 9A.76.120), willful failure to return from furlough (RCW 72.66.060), willful failure to return from work release (RCW 72.65.070), or willful failure to be available for supervision by the department while in community custody (RCW 72.09.310); or

(b) Any federal or out-of-state conviction for an offense that under the laws of this state would be a felony classified as an escape under (a) of this subsection.

((+4)) (27) "Felony traffic offense" means:

(a) Vehicular homicide (RCW 46.61.520), vehicular assault (RCW 46.61.522), eluding a police officer (RCW 46.61.024), felony hit-and-run injury-accident (RCW 46.52.020(4)), felony driving while under the influence of intoxicating liquor or any drug (RCW 46.61.502(6)), or felony physical control of a vehicle while under the influence of intoxicating liquor or any drug (RCW 46.61.504(6)); or

These definitions of "criminal street gang," "criminal street gang associate or member," "criminal street gang-related offense," and "pattern of criminal street gang activity" contained in RCW 9.94A.030 expressly preempt any conflicting city or county codes or ordinances. Cities, towns, counties, or other municipalities may

enact laws and ordinances relating to criminal street gangs that contain definitions that are consistent with definitions pursuant to RCW 9.94A.030. Local laws and ordinances that are inconsistent with the definitions shall not be enacted and are preempted and repealed, regardless of the nature of the code, charter, or home rule status of such city, town, county, or municipality.

(2) The preemption provided in this chapter does not apply to "gang" as defined in RCW 28A.600.455 under the common school provisions act or "gang" as defined in RCW 59.18.030 under the landlord-tenant act.

(1) Subject to available funds, the department of community, trade, and economic development shall establish a temporary witness assistance grant program for witnesses of felony criminal street gang-related offenses. (2) As part of the temporary witness assistance grant program, the department of community, trade, and economic development shall work in collaboration with each local prosecuting attorney to determine how and how much grant funding shall be distributed in order to reimburse county prosecutors in assisting witnesses of felony gang-related offenses with temporary assistance, relocation, and shelter.

(3) Each temporary witness assistance grant awarded shall be limited to a maximum of five thousand dollars per witness of a felony criminal street gang-related offense or for a period of no more than three months.

(4) Based upon the prior approval of the department of community, trade, and economic development, approved county prosecutor costs incurred for providing temporary witness assistance shall be reimbursed to the respective county prosecutor's office on a quarterly basis.

(5) An appointed or elected public official, public employee, or public agency as defined in RCW 4.24.470 is immune from civil liability for damages resulting from the temporary witness assistance program, unless it is shown that the official, employee, or agency acted with gross negligence or in bad faith.

**NEW SECTION. Sec. 503.** If specific funding for purposes of section 502 of this act, referencing section 502 of this act by bill or chapter and section number, is not provided by June 30, 2008, in the omnibus operating appropriations act, section 502 of this act is null and void.

### MESSAGE FROM THE SENATE

March 7, 2008

Mr. Speaker:

The Senate has passed ENGROSSED SECOND SUBSTITUTE HOUSE BILL NO. 2783 with the following amendment:

Strike everything after the enacting clause and insert the following:

**"NEW SECTION. Sec. 1.** The legislature finds that students are accessing higher education differently than they have in previous years. Rather than attending a single institution and attaining their degree, many students now attend multiple institutions, sometimes simultaneously.

The legislature also finds that learning occurs throughout a person's lifetime. Whether citizens need different training to change careers or need further education for career advancement, people exit and reenter institutions of higher education multiple times and for various reasons.

The legislature also finds that current policies and practices do not provide clear, consistent, easily accessible information to ease transition in and among the state's colleges and universities. Often, courses taken at some career and technical schools as well as private for-profit institutions are not accepted in transfer because these schools are not accredited by a regional accrediting body. Students often do not understand that these courses are not transferrable. Students must retake courses once they have transferred into a regionally accredited institution, costing the student additional time and money.

Therefore, it is the legislature's intent to improve statewide communication and coordination of transfer and articulation policies and practices. Students should be provided clear, consistent information regarding the courses required for their degrees and how those courses will be treated when a student moves between colleges and universities. This information should be communicated to students and their families in one easily accessible place in a format that is common among all colleges and universities in the state.

**NEW SECTION. Sec. 2.** A new section is added to chapter 28B.10 RCW to read as follows:

(1) The higher education coordinating board shall convene a work group of representatives from the state board for community and technical colleges, the office of the superintendent of public instruction, the council of presidents, and two-year and four-year institutions of higher education including students, to develop a list of rights guaranteed to students who have earned a transfer associate

degree under the direct transfer agreement. The work group may be an existing work group that addresses policy issues related to transitions among public and private institutions of higher education and may also include representatives from the independent colleges of Washington, as well as the career and tribal colleges.

(2) The list in subsection (1) of this section shall be known as the transfer student bill of rights and shall include statements of institutional policy regarding transfer and articulation to assist students who have earned a transfer associate degree in their academic planning. The list shall include but is not limited to:

(a) Admission to each public and private two-year and four-year institution of higher education that participates in the direct transfer agreement;

(b) The number of credits that will transfer;

(c) Academic requirements fulfilled by the degree at the receiving institution;

(d) Acceptance of credit earned in dual enrollment and accelerated programs such as advanced placement, running start, and international baccalaureate;

(e) Acceptance of credits earned at nonregionally accredited institutions; and

(f) Advance knowledge of selection criteria for limited access programs.

(3) The work group shall determine which elements in this section are guaranteed to students entering a four-year institution of higher education and which elements differ based on admission requirements at a specific institution or program. The work group must determine the clearest manner in which to communicate this information to students and their families as part of the transfer student bill of rights.

(4) The transfer student bill of rights shall be displayed prominently in a user-friendly area of each institution's web site. Admissions offices, transfer planning offices, recruiting offices and other relevant offices at public and private institutions of higher education shall also make the transfer student bill of rights available to prospective and enrolled students. Public institutions of higher education shall make the bill of rights available by September 2009. The transfer student bill of rights may also be used by private institutions of higher education participating in direct transfer agreements.

(5) For purposes of this section, "nonregionally accredited institutions" means only those institutions that are fully accredited by a national accrediting agency recognized by the United States department of education.

**NEW SECTION. Sec. 3.** A new section is added to chapter 28B.76 RCW to read as follows:

(1) The higher education coordinating board must convene a work group including representatives from the state board for community and technical colleges, the workforce training and education coordinating board, the council of presidents, two-year institutions of higher education, and four-year institutions of higher education to develop a plan to monitor the progress and success of transfer students. The workgroup may be an existing work group that addresses policy issues related to transitions across institutions of higher education.

(2) The plan shall contain data that measures student progress through the higher education system that can be monitored over time. This information shall include, but not be limited to:

(a) The number of students who indicate their intent to transfer at the time of enrollment and the percentage of those students who actually transfer or earn an associate degree within three years;

(b) Educational outcomes for students who declare their intent to transfer, earn at least fifteen academic credits, and transfer within three years;

(c) The percentage of students who earn their four-year degree within three years of earning their associate degree;

(d) The average time and credits to completion of an academic transfer degree including the direct transfer agreement, the associate of science-transfer, and all major related programs; and

(e) The average grade point average for students who attain their transfer associate degrees.

(3) The plan shall also include analysis regarding the barriers that transfer students face in pursuit of their four-year degree and recommendations to address those barriers.

(4) The higher education coordinating board, in collaboration with the work group and the state board for community and technical colleges, shall report to the appropriate committees of the legislature by January 2009, and thereafter on a time schedule consistent with reporting related to monitoring progress toward the higher education coordinating board master plan goals.

**NEW SECTION. Sec. 4.** A new section is added to chapter 28B.10 RCW to read as follows:

(1) Consistent with the statewide strategic master plan for higher education, the higher education coordinating board shall convene a work group identified in section 2(1) of this act that shall recommend the best means to identify, at the time of registration, the transferability and applicability of community and technical college courses to students' baccalaureate degree goals.

(2) Whether and to what extent each course published in an institutional catalog is transferrable must be identified in a manner mutually agreed upon by the two-year institutions of higher education and four-year institutions of higher education.

(3) Institutions of higher education must publish this information either on the internet, in physical course catalogs, or by another means identified by the work group that addresses the needs of students without access to the internet.

(4) The system of identification in this section shall be implemented by September 2009.

**NEW SECTION. Sec. 5.** (1) Consistent with the schedule and work plans for implementation of the strategic master plan for higher education, the higher education coordinating board shall convene a work group or assign an existing work group that includes broad representation from the workforce training and education coordinating board, the state board for community and technical colleges, institutions of higher education, the independent colleges of Washington, the career and tribal colleges, the center for information services, student representatives from two-year and four-year institutions of higher education, and the office of the superintendent of public instruction to create a detailed plan for developing and implementing a statewide web-based academic planning tool. The web-based academic planning tool would be used by current, prospective, and returning students to plan their path from high school through the attainment of their higher education goals.

(2) The plan shall contain information including, but not limited to:

(a) Functions that will be included in the web site;

(b) Options for development including, but not limited to: Purchasing the entire system from a vendor; purchasing parts of the system from a private vendor; building parts of the system with Washington informational technology resources; and building the entire system with Washington information technology resources; and

(c) Costs associated with each of the options in this subsection.

(3) The higher education coordinating board shall report to the appropriate committees of the legislature by December 15, 2008. The report shall include recommendations on the most robust yet cost-effective options for the web-based academic planning tool.

**NEW SECTION. Sec. 6.** If specific funding for the purposes of this act, referencing this act by bill or chapter number, is not provided by June 30, 2008, in the omnibus appropriations act, this act is null and void."

On page 1, line 2 of the title, after "education;" strike the remainder of the title and insert "adding new sections to chapter 28B.10 RCW; adding a new section to chapter 28B.76 RCW; and creating new sections."

and the same is herewith transmitted.

## MESSAGE FROM THE SENATE

March 7, 2008

Mr. Speaker:

The Senate has passed ENGROSSED SECOND SUBSTITUTE HOUSE BILL NO. 2817 with the following amendment:

Strike everything after the enacting clause and insert the following:

"**Sec. 1.** RCW 64.44.050 and 2006 c 339 s 205 are each amended to read as follows:

(1) An owner of contaminated property who desires to have the property decontaminated, demolished, or disposed of shall use the services of an authorized contractor unless otherwise authorized by the local health officer. The contractor and property owner shall prepare and submit a written work plan for decontamination, demolition, or disposal to the local health officer. The local health officer may charge a reasonable fee for review of the work plan. If the work plan is approved and the decontamination, demolition, or disposal is completed and the property is retested according to the

plan and properly documented, then the health officer shall allow reuse of the property. A release for reuse document shall be recorded in the real property records indicating the property has been decontaminated, demolished, or disposed of in accordance with rules of the state department of health. The property owner is responsible for: (a) The costs of any property testing which may be required to demonstrate the presence or absence of hazardous chemicals; and (b) the costs of the property's decontamination, demolition, and disposal expenses, as well as costs incurred by the local health officer resulting from the enforcement of this chapter.

(2)(a) In a case where the contaminated property is a motor vehicle as defined in RCW 46.04.320, a vehicle as defined in RCW 46.04.670, or a vessel as defined in RCW 88.02.010, and the local health officer has issued an order declaring the property unfit and prohibiting its use, the city or county in which the property is located shall take action to prohibit use, occupancy, or removal, and shall require demolition, disposal, or decontamination of the property. The city, county, or local law enforcement agency may impound the vehicle or vessel to enforce this chapter.

(b) The property owner shall have the property demolished, disposed of, or decontaminated by an authorized contractor, or under a written work plan approved by the local health officer, within thirty days of receiving the order declaring the property unfit and prohibited from use. After all procedures granting the right of notice and the opportunity to appeal in RCW 64.44.030 have been exhausted, if the property owner has not demolished, disposed of, or decontaminated the property using an authorized contractor, or under a written work plan approved by the local health officer within thirty days, then the local health officer or the local law enforcement agency may demolish, dispose of, or decontaminate the property. The property owner is responsible for the costs of the property's demolition, disposal, or decontamination, as well as all costs incurred by the local health officer or the local law enforcement agency resulting from the enforcement of this chapter, except as otherwise provided under this subsection.

(c) The legal owner of a motor vehicle as defined in RCW 46.04.320, a vehicle as defined in RCW 46.04.670, or a vessel as defined in RCW 88.02.010 whose sole basis of ownership is a bona fide security interest is responsible for costs under this subsection if the legal owner had knowledge of or consented to any act or omission that caused contamination of the vehicle or vessel.

(d) If the vehicle or vessel has been stolen and the property owner neither had knowledge of nor consented to any act or omission that contributed to the theft and subsequent contamination of the vehicle or vessel, the owner is not responsible for costs under this subsection. However, if the registered owner is insured, the registered owner shall, within fifteen calendar days of receiving an order declaring the property unfit and prohibiting its use, submit a claim to his or her insurer for reimbursement of costs of the property's demolition, disposal, or decontamination, as well as all costs incurred by the local health officer or the local law enforcement agency resulting from the enforcement of this chapter, and shall provide proof of claim to the local health officer or the local law enforcement agency.

(e) If the property owner has not acted to demolish, dispose of, or decontaminate as set forth in this subsection regardless of responsibility for costs, and the local health officer or local law enforcement agency has taken responsibility for demolition, disposal, or decontamination, including all associated costs, then all rights, title, and interest in the property shall be deemed forfeited to the local health jurisdiction or the local law enforcement agency.

(f) This subsection may not be construed to limit the authority of a city, county, local law enforcement agency, or local health officer to take action under this chapter to require the owner of the real property upon which the contaminated vehicle or vessel is located to comply with the requirements of this chapter, including provisions for the right of notice and opportunity to appeal as provided in RCW 64.44.030.

(3) Except as provided in subsection (2) of this section, the local health officer has thirty days from the issuance of an order declaring a property unfit and prohibiting its use to establish a reasonable timeline for decontamination. The department of health shall establish the factors to be considered by the local health officer in establishing the appropriate amount of time.

The local health officer shall notify the property owner of the proposed time frame by United States mail to the last known address. Notice shall be postmarked no later than the thirtieth day from the issuance of the order. The property owner may request a modification of the time frame by submitting a letter identifying the circumstances which justify such an extension to the local health officer within thirty-five days of the date of the postmark on the notification regardless of when received.

**NEW SECTION. Sec. 2.** A new section is added to chapter 64.44 RCW to read as follows:

(1) The Washington state department of licensing shall take action to place notification on the title of any motor vehicle as defined in RCW 46.04.320, a vehicle as defined in RCW 46.04.670, or a vessel as defined in RCW 88.02.010, that the vehicle or vessel has been declared unfit and prohibited from use by order of the local health officer under this chapter. When satisfactory decontamination has been completed and the contaminated property has been retested according to the written work plan approved by the local health officer, a release for reuse document shall be issued by the local health officer, and the department of licensing shall place notification on the title of that vehicle or vessel as having been decontaminated and released for reuse.

(2)(a) A person is guilty of a gross misdemeanor if he or she advertises for sale or sells a motor vehicle as defined in RCW 46.04.320, a vehicle as defined in RCW 46.04.670, or a vessel as defined in RCW 88.02.010, that has been declared unfit and prohibited from use by the local health officer under this chapter when:

(i) The person has knowledge that the local health officer has issued an order declaring the vehicle or vessel unfit and prohibiting its use; or

(ii) A notification has been placed on the title under subsection (1) of this section that the vehicle or vessel has been declared unfit and prohibited from use.

(b) A person may advertise or sell a vehicle or vessel when a release for reuse document has been issued by the local health officer under this chapter or a notification has been placed on the title under subsection (1) of this section that the vehicle or vessel has been decontaminated and released for reuse.

**NEW SECTION. Sec. 3.** A new section is added to chapter 46.55 RCW to read as follows:

An impound under RCW 64.44.050 shall not be considered an impound under this chapter. A tow operator who contracts with a law enforcement agency for transporting a vehicle impounded under RCW 64.44.050 shall only remove the vehicle to a secure public facility, and is not required to store or dispose of the vehicle. The vehicle shall remain in the care, custody, and control of the law enforcement agency to be demolished, disposed of, or decontaminated as provided under RCW 64.44.050. The law enforcement agency shall pay for all costs incurred as a result of the towing if the vehicle owner does not pay within thirty days. The law enforcement agency may seek reimbursement from the owner.

**NEW SECTION. Sec. 4.** If specific funding for the purposes of this act, referencing this act by bill or chapter number, is not provided by June 30, 2008, in the omnibus transportation appropriations act, this act is null and void."

On page 1, line 1 of the title, after "Relating to" strike the remainder of the title and insert "contaminated motor vehicles, vehicles, and vessels; amending RCW 64.44.050; adding a new section to chapter 64.44 RCW; adding a new section to chapter 46.55 RCW; and creating a new section."

and the same is herewith transmitted.

ENGROSSED SECOND SUBSTITUTE HOUSE BILL NO. 2817, as amended by the Senate, having received the necessary constitutional majority, was declared passed.

**MESSAGE FROM THE SENATE**

March 7, 2008

Mr. Speaker:

The Senate has passed SUBSTITUTE HOUSE BILL NO. 3120 with the following amendment:

Strike everything after the enacting clause and insert the following:

**"NEW SECTION. Sec. 1.** (1)(a) The legislature finds that green building, also called "sustainable" or "high-performance" building, has significant environmental benefits. Buildings consume thirty-six percent of the energy used in the United States, more than factories and automobiles, and they generate thirty percent of the nation's greenhouse gas emissions. The construction of commercial, residential, public, or institutional buildings using energy-efficient techniques and environmentally sustainable products also connects to the state's climate change goals.

(b) The legislature further finds that standards for green building provide an effective framework for green building practices. Some techniques have been shown to reduce building energy costs by twenty to fifty percent and water usage by at least fifty percent outdoors and thirty percent indoors. It is in the interest of the state to encourage the best green building practices through targeted incentives and policies.

(c) The legislature intends to establish a connection between green construction and the need for local governments to adopt "green" land use provisions, permitting standards, and building codes that allow green building, in order to achieve the most effective climate change policies.

(2) The department of community, trade, and economic development shall conduct a study to determine the potential feasibility and effectiveness of providing tax incentives to encourage green building in commercial, residential, and public buildings. The department of revenue shall provide any tax-related data necessary for the department of community, trade, and economic development to perform the study.

(3) In conducting the study, the department of community, trade, and economic development shall:

(a) Identify existing tax incentives with the primary purpose of encouraging green building;

(b) Propose tax incentives that would encourage green building, with special emphasis on sales and use tax exemptions on green building construction activities and business and occupation tax incentives for contractors or architects that build or design green buildings;

(c) Provide an estimate on the fiscal cost for each tax incentive identified under (b) of this subsection;

(d) Provide an estimate of cost savings and emission reductions for the estimated number of buildings that would qualify for a tax incentive identified under (b) of this subsection;

(e) Recommend other tax and programmatic policy changes that would encourage green building;

(f) Evaluate whether tax incentives should target communities that encourage green building; and

(g) Evaluate current trends in green building and whether tax incentives would support these trends.

(4) The department of community, trade, and economic development may include any other information in the study that it deems necessary for the legislative evaluation of potential tax incentives to encourage green building.

(5) By December 1, 2008, the department of community, trade, and economic development shall report its findings and recommendations to the appropriate committees of the legislature."

On page 1, line 2 of the title, after "construction;" strike the remainder of the title and insert "and creating a new section."

and the same is herewith transmitted.

#### MESSAGE FROM THE SENATE

March 7, 2008

Mr. Speaker:

The Senate has passed SUBSTITUTE HOUSE BILL NO. 3144 with the following amendment:

Strike everything after the enacting clause and insert the following:

**"NEW SECTION. Sec. 1.** The legislature finds that in an era of consumer product recalls, increasing state emphasis on quality ratings and accountability, and decreasing resources at the federal level for consumer protection, there may be a gap in outreach to consumers in the state. The legislature further finds that many state agencies provide helpful information to consumers, but consumers may not always know where to look to find such information. To remedy this potential information gap, the legislature declares that a "one-stop" consumer protection web site should be created so that consumers in Washington state have access to clear and appropriate information regarding consumer services that are available to them across state government.

**NEW SECTION. Sec. 2.** A new section is added to chapter 43.105 RCW to read as follows:

(1) The department shall coordinate among state agencies to develop a consumer protection web site. The web site shall serve as a one-stop web site for consumer information. At a minimum, the web site must provide links to information on:

(a) Insurance information provided by the office of the insurance commissioner, including information on how to file consumer complaints against insurance companies, how to look up authorized insurers, and how to learn more about health insurance benefits;

(b) Child care information provided by the department of early learning, including how to select a child care provider, how child care providers are rated, and information about product recalls;

(c) Financial information provided by the department of financial institutions, including consumer information on financial fraud, investing, credit, and enforcement actions;

(d) Health care information provided by the department of health, including health care provider listings and quality assurance information;

(e) Home care information provided by the home care quality authority, including information to assist consumers in finding an in-home provider;

(f) Licensing information provided by the department of licensing, including information regarding business, vehicle, and professional licensing; and

(g) Other information available on existing state agency web sites that could be a helpful resource for consumers.

(2) By July 1, 2008, state agencies shall report to the department on whether they maintain resources for consumers that could be made available through the consumer protection web site.

(3) By September 1, 2008, the department shall make the consumer protection web site available to the public.

(4) After September 1, 2008, the department, in coordination with other state agencies, shall develop a plan on how to build upon the consumer protection web site to create a consumer protection portal. The plan must also include an examination of the feasibility of developing a toll-free information line to support the consumer protection portal. The plan must be submitted to the governor and the appropriate committees of the legislature by December 1, 2008.

**NEW SECTION. Sec. 3.** (1) Within existing funds, the attorney general shall conduct a study to:

(a) Determine the percentage of consumer complaints of possible consumer protection act violations received by its consumer resource centers that are resolved to the consumer's satisfaction; and

(b) Develop possible sanctions that the attorney general may use if it determines that a consumer's complaint is legitimate and the business fails to provide the consumer with an adequate remedy or response.

(2) The attorney general shall report its findings to the legislature by December 1, 2008.

**NEW SECTION. Sec. 4.** Section 3 of this act expires December 31, 2008."

On page 1, line 2 of the title, after "line;" strike the remainder of the title and insert "adding a new section to chapter 43.105 RCW; creating new sections; and providing an expiration date."

and the same is herewith transmitted.

#### MESSAGE FROM THE SENATE

March 6, 2008

Mr. Speaker:

The Senate has passed ENGROSSED SECOND SUBSTITUTE HOUSE BILL NO. 3205 with the following amendment:

Strike everything after the enacting clause and insert the following:

**"NEW SECTION. Sec. 1.** The legislature finds that meeting the needs of vulnerable children who enter the child welfare system includes protecting the child's right to a safe, stable, and permanent home where the child receives basic nurturing. The legislature also finds that according to measures of timely dependency case processing, many children's cases are not meeting the federal and state standards intended to promote child-centered decision making in dependency cases. The legislature intends to encourage a greater focus on children's developmental needs and to promote closer adherence to timeliness standards in the resolution of dependency cases.

**Sec. 2.** RCW 13.34.136 and 2007 c 413 s 7 are each amended to read as follows:

(1) A permanency plan shall be developed no later than sixty days from the time the supervising agency assumes responsibility for providing services, including placing the child, or at the time of a hearing under RCW 13.34.130, whichever occurs first. The permanency planning process continues until a permanency planning goal is achieved or dependency is dismissed. The planning process shall include reasonable efforts to return the child to the parent's home.

(2) The agency supervising the dependency shall submit a written permanency plan to all parties and the court not less than fourteen days prior to the scheduled hearing. Responsive reports of parties not in agreement with the supervising agency's proposed permanency plan must be provided to the supervising agency, all other parties, and the court at least seven days prior to the hearing.

The permanency plan shall include:

(a) A permanency plan of care that shall identify one of the following outcomes as a primary goal and may identify additional outcomes as alternative goals: Return of the child to the home of the child's parent, guardian, or legal custodian; adoption; guardianship; permanent legal custody; long-term relative or foster care, until the child is age eighteen, with a written agreement between the parties and the care provider; successful completion of a responsible living skills program; or independent living, if appropriate and if the child is age sixteen or older. The department shall not discharge a child to an independent living situation before the child is eighteen years of age unless the child becomes emancipated pursuant to chapter 13.64 RCW;

(b) Unless the court has ordered, pursuant to RCW 13.34.130((4)) (5), that a termination petition be filed, a specific plan as to where the child will be placed, what steps will be taken to return the child home, what steps the agency will take to promote

existing appropriate sibling relationships and/or facilitate placement together or contact in accordance with the best interests of each child, and what actions the agency will take to maintain parent-child ties. All aspects of the plan shall include the goal of achieving permanence for the child.

(i) The agency plan shall specify what services the parents will be offered to enable them to resume custody, what requirements the parents must meet to resume custody, and a time limit for each service plan and parental requirement.

(ii) Visitation is the right of the family, including the child and the parent, in cases in which visitation is in the best interest of the child. Early, consistent, and frequent visitation is crucial for maintaining parent-child relationships and making it possible for parents and children to safely reunify. The agency shall encourage the maximum parent and child and sibling contact possible, when it is in the best interest of the child, including regular visitation and participation by the parents in the care of the child while the child is in placement. Visitation shall not be limited as a sanction for a parent's failure to comply with court orders or services where the health, safety, or welfare of the child is not at risk as a result of the visitation. Visitation may be limited or denied only if the court determines that such limitation or denial is necessary to protect the child's health, safety, or welfare. The court and the agency should rely upon community resources, relatives, foster parents, and other appropriate persons to provide transportation and supervision for visitation to the extent that such resources are available, and appropriate, and the child's safety would not be compromised.

(iii) A child shall be placed as close to the child's home as possible, preferably in the child's own neighborhood, unless the court finds that placement at a greater distance is necessary to promote the child's or parents' well-being.

(iv) The plan shall state whether both in-state and, where appropriate, out-of-state placement options have been considered by the department.

(v) Unless it is not in the best interests of the child, whenever practical, the plan should ensure the child remains enrolled in the school the child was attending at the time the child entered foster care.

(vi) The agency charged with supervising a child in placement shall provide all reasonable services that are available within the agency, or within the community, or those services which the department has existing contracts to purchase. It shall report to the court if it is unable to provide such services; and

(c) If the court has ordered, pursuant to RCW 13.34.130((4)) (5), that a termination petition be filed, a specific plan as to where the child will be placed, what steps will be taken to achieve permanency for the child, services to be offered or provided to the child, and, if visitation would be in the best interests of the child, a recommendation to the court regarding visitation between parent and child pending a fact-finding hearing on the termination petition. The agency shall not be required to develop a plan of services for the parents or provide services to the parents if the court orders a termination petition be filed. However, reasonable efforts to ensure visitation and contact between siblings shall be made unless there is reasonable cause to believe the best interests of the child or siblings would be jeopardized.

(3) Permanency planning goals should be achieved at the earliest possible date, (~~preferably before~~). If the child has been in out-of-home care for fifteen of the most recent twenty-two months, the court shall require the department to file a petition seeking termination of parental rights in accordance with RCW 13.34.145(3)(b)(vi). In cases where parental rights have been terminated, the child is legally free for adoption, and adoption has been identified as the primary permanency planning goal, it shall be a goal to complete the adoption within six months following entry of the termination order.

(4) If the court determines that the continuation of reasonable efforts to prevent or eliminate the need to remove the child from his or her home or to safely return the child home should not be part of the permanency plan of care for the child, reasonable efforts shall be made to place the child in a timely manner and to complete whatever steps are necessary to finalize the permanent placement of the child.

(5) The identified outcomes and goals of the permanency plan may change over time based upon the circumstances of the particular case.

(6) The court shall consider the child's relationships with the child's siblings in accordance with RCW 13.34.130(3).

(7) For purposes related to permanency planning:

(a) "Guardianship" means a dependency guardianship or a legal guardianship pursuant to chapter 11.88 RCW or equivalent laws of another state or a federally recognized Indian tribe.

(b) "Permanent custody order" means a custody order entered pursuant to chapter 26.10 RCW.

(c) "Permanent legal custody" means legal custody pursuant to chapter 26.10 RCW or equivalent laws of another state or a federally recognized Indian tribe.

**Sec. 3.** RCW 13.34.145 and 2007 c 413 s 9 are each amended to read as follows:

(1) The purpose of a permanency planning hearing is to review the permanency plan for the child, inquire into the welfare of the child and progress of the case, and reach decisions regarding the permanent placement of the child.

(a) A permanency planning hearing shall be held in all cases where the child has remained in out-of-home care for at least nine months and an adoption decree, guardianship order, or permanent custody order has not previously been entered. The hearing shall take place no later than twelve months following commencement of the current placement episode.

(b) Whenever a child is removed from the home of a dependency guardian or long-term relative or foster care provider, and the child is not returned to the home of the parent, guardian, or legal custodian but is placed in out-of-home care, a permanency planning hearing shall take place no later than twelve months, as provided in this section, following the date of removal unless, prior to the hearing, the child returns to the home of the dependency guardian or long-term care provider, the child is placed in the home of the parent, guardian, or legal custodian, an adoption decree, guardianship order, or a permanent custody order is entered, or the dependency is dismissed.

(c) Permanency planning goals should be achieved at the earliest possible date, preferably before the child has been in out-of-home care for fifteen months. In cases where parental rights have been terminated, the child is legally free for adoption, and adoption has been identified as the primary permanency planning goal, it shall be a goal to complete the adoption within six months following entry of the termination order.

(2) No later than ten working days prior to the permanency planning hearing, the agency having custody of the child shall submit a written permanency plan to the court and shall mail a copy of the plan to all parties and their legal counsel, if any.

(3) At the permanency planning hearing, the court shall conduct the following inquiry:

(a) If a goal of long-term foster or relative care has been achieved prior to the permanency planning hearing, the court shall review the child's status to determine whether the placement and the plan for the child's care remain appropriate.

(b) In cases where the primary permanency planning goal has not been achieved, the court shall inquire regarding the reasons why the primary goal has not been achieved and determine what needs to be done to make it possible to achieve the primary goal. The court shall review the permanency plan prepared by the agency and make explicit findings regarding each of the following:

(i) The continuing necessity for, and the safety and appropriateness of, the placement;

(ii) The extent of compliance with the permanency plan by the agency and any other service providers, the child's parents, the child, and the child's guardian, if any;

(iii) The extent of any efforts to involve appropriate service providers in addition to agency staff in planning to meet the special needs of the child and the child's parents;

(iv) The progress toward eliminating the causes for the child's placement outside of his or her home and toward returning the child safely to his or her home or obtaining a permanent placement for the child;

(v) The date by which it is likely that the child will be returned to his or her home or placed for adoption, with a guardian or in some other alternative permanent placement; and

(vi) If the child has been placed outside of his or her home for fifteen of the most recent twenty-two months, not including any period during which the child was a runaway from the out-of-home placement or the first six months of any period during which the child was returned to his or her home for a trial home visit, the appropriateness of the permanency plan, whether reasonable efforts were made by the agency to achieve the goal of the permanency plan, and the circumstances which prevent the child from any of the following:

(A) Being returned safely to his or her home;

(B) Having a petition for the involuntary termination of parental rights filed on behalf of the child;

(C) Being placed for adoption;

(D) Being placed with a guardian;

(E) Being placed in the home of a fit and willing relative of the child; or

(F) Being placed in some other alternative permanent placement, including independent living or long-term foster care.

At this hearing, the court shall order the department to file a petition seeking termination of parental rights if the child has been in out-of-home care for fifteen of the last twenty-two months since the date the dependency petition was filed unless the court makes a good cause exception as to why the filing of a termination of parental rights petition is not appropriate. Any good cause finding shall be reviewed at all subsequent hearings pertaining to the child. For purposes of this section, "good cause exception" includes but is not limited to the following: The child is being cared for by a relative; the department has not provided to the child's family such services as the court and the department have deemed necessary for the child's safe return home; or the department has documented in the case plan a compelling reason for determining that filing a petition to terminate parental rights would not be in the child's best interests.

(c)(i) If the permanency plan identifies independent living as a goal, the court shall make a finding that the provision of services to assist the child in making a transition from foster care to independent living will allow the child to manage his or her financial, personal, social, educational, and nonfinancial affairs prior to approving independent living as a permanency plan of care.

(ii) The permanency plan shall also specifically identify the services that will be provided to assist the child to make a successful transition from foster care to independent living.

(iii) The department shall not discharge a child to an independent living situation before the child is eighteen years of age unless the child becomes emancipated pursuant to chapter 13.64 RCW.

(d) If the child has resided in the home of a foster parent or relative for more than six months prior to the permanency planning hearing, the court shall also enter a finding regarding whether the foster parent or relative was informed of the hearing as required in RCW 74.13.280 (~~and 13.34.138~~), 13.34.215(5), and 13.34.096.

(4) In all cases, at the permanency planning hearing, the court shall:

(a)(i) Order the permanency plan prepared by the agency to be implemented; or

(ii) Modify the permanency plan, and order implementation of the modified plan; and

(b)(i) Order the child returned home only if the court finds that a reason for removal as set forth in RCW 13.34.130 no longer exists; or

(ii) Order the child to remain in out-of-home care for a limited specified time period while efforts are made to implement the permanency plan.

(5) Following the first permanency planning hearing, the court shall hold a further permanency planning hearing in accordance with this section at least once every twelve months until a permanency planning goal is achieved or the dependency is dismissed, whichever occurs first.

(6) Prior to the second permanency planning hearing, the agency that has custody of the child shall consider whether to file a petition for termination of parental rights.

(7) If the court orders the child returned home, casework supervision shall continue for at least six months, at which time a review hearing shall be held pursuant to RCW 13.34.138, and the court shall determine the need for continued intervention.

(8) The juvenile court may hear a petition for permanent legal custody when: (a) The court has ordered implementation of a permanency plan that includes permanent legal custody; and (b) the party pursuing the permanent legal custody is the party identified in the permanency plan as the prospective legal custodian. During the pendency of such proceeding, the court shall conduct review hearings and further permanency planning hearings as provided in this chapter. At the conclusion of the legal guardianship or permanent legal custody proceeding, a juvenile court hearing shall be held for the purpose of determining whether dependency should be dismissed. If a guardianship or permanent custody order has been entered, the dependency shall be dismissed.

(9) Continued juvenile court jurisdiction under this chapter shall not be a barrier to the entry of an order establishing a legal guardianship or permanent legal custody when the requirements of subsection (8) of this section are met.

(10) Nothing in this chapter may be construed to limit the ability of the agency that has custody of the child to file a petition for termination of parental rights or a guardianship petition at any time following the establishment of dependency. Upon the filing of such a petition, a fact-finding hearing shall be scheduled and held in accordance with this chapter unless the agency requests dismissal of the petition prior to the hearing or unless the parties enter an agreed order terminating parental rights, establishing guardianship, or otherwise resolving the matter.

(11) The approval of a permanency plan that does not contemplate return of the child to the parent does not relieve the supervising agency of its obligation to provide reasonable services, under this chapter, intended to effectuate the return of the child to the parent, including but not limited to, visitation rights. The court shall consider the child's relationships with siblings in accordance with RCW 13.34.130.

(12) Nothing in this chapter may be construed to limit the procedural due process rights of any party in a termination or guardianship proceeding filed under this chapter.

**NEW SECTION. Sec. 4.** If specific funding for the purposes of sections 2 and 3 of this act, referencing sections 2 and 3 of this act by bill or chapter number and section number, is not provided by June 30, 2008, in the omnibus appropriations act, sections 2 and 3 of this act are null and void.

**Sec. 5.** RCW 43.121.185 and 2007 c 466 s 4 are each amended to read as follows:

(1) Within available funds, the ~~((children's trust of Washington))~~ council for children and families shall fund evidence-based and research-based home visitation programs for improving parenting skills and outcomes for children. Home visitation programs must be voluntary and must address the needs of families to alleviate the effect on child development of factors such as poverty, single parenthood, parental unemployment or underemployment, parental disability, or parental lack of high school diploma, which research shows are risk factors for child abuse and neglect and poor educational outcomes.

(2) The ~~((children's trust of Washington))~~ council for children and families shall develop a plan with the department of social and health services, the department of health, the department of early learning, and the family policy council to coordinate or consolidate home visitation services for children and families and report to the

appropriate committees of the legislature by December 1, 2007, with their recommendations for implementation of the plan.

**Sec. 7.** RCW 43.121.020 and 2007 c 144 s 1 are each amended to read as follows:

(2) The council shall be composed of the chairperson and fourteen other members as follows:

(a) The chairperson and six other members shall be appointed by the governor and shall be selected for their interest and expertise in the prevention of child abuse. A minimum of four designees by the governor shall not be affiliated with governmental agencies. The appointments shall be made on a geographic basis to assure statewide representation. (b) The secretary of social and health services or the secretary's designee, the superintendent of public instruction or the superintendent's designee, the director of the department of early learning or the director's designee, and the secretary of the department of health or the secretary's designee shall serve as voting members of the council.

(c) In addition to the members of the council, four members of the legislature shall serve as nonvoting, ex officio members of the council, one from each political caucus of the house of representatives to be appointed by the speaker of the house of representatives and one from each political caucus of the senate to be appointed by the president of the senate.

**Sec. 8.** RCW 43.121.015 and 1988 c 278 s 4 are each amended to read as follows:

As used in this chapter, the following terms have the meanings indicated unless the context clearly requires otherwise.

(1) "Child" means an unmarried person who is under eighteen years of age.

(2) "Council" means the ~~((Washington council for the prevention of child abuse and neglect))~~ council for children and families.

**MESSAGE FROM THE SENATE**

March 7, 2008

Mr. Speaker:

The Senate has passed ENGROSSED SECOND SUBSTITUTE HOUSE BILL NO. 3254 with the following amendment:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. **Sec. 1.** A new section is added to chapter 46.04 RCW to read as follows:

"Ignition interlock driver's license" means a permit issued to a person by the department that allows the person to operate a noncommercial motor vehicle with an ignition interlock device while the person's regular driver's license is suspended, revoked, or denied.

**Sec. 2.** RCW 46.20.308 and 2005 c 314 s 307 and 2005 c 269 s 1 are each reenacted and amended to read as follows:

(1) Any person who operates a motor vehicle within this state is deemed to have given consent, subject to the provisions of RCW

46.61.506, to a test or tests of his or her breath or blood for the purpose of determining the alcohol concentration or presence of any drug in his or her breath or blood if arrested for any offense where, at the time of the arrest, the arresting officer has reasonable grounds to believe the person had been driving or was in actual physical control of a motor vehicle while under the influence of intoxicating liquor or any drug or was in violation of RCW 46.61.503. Neither consent nor this section precludes a police officer from obtaining a search warrant for a person's breath or blood.

(2) The test or tests of breath shall be administered at the direction of a law enforcement officer having reasonable grounds to believe the person to have been driving or in actual physical control of a motor vehicle within this state while under the influence of intoxicating liquor or any drug or the person to have been driving or in actual physical control of a motor vehicle while having alcohol in a concentration in violation of RCW 46.61.503 in his or her system and being under the age of twenty-one. However, in those instances where the person is incapable due to physical injury, physical incapacity, or other physical limitation, of providing a breath sample or where the person is being treated in a hospital, clinic, doctor's office, emergency medical vehicle, ambulance, or other similar facility or where the officer has reasonable grounds to believe that the person is under the influence of a drug, a blood test shall be administered by a qualified person as provided in RCW 46.61.506(5). The officer shall inform the person of his or her right to refuse the breath or blood test, and of his or her right to have additional tests administered by any qualified person of his or her choosing as provided in RCW 46.61.506. The officer shall warn the driver, in substantially the following language, that:

(a) If the driver refuses to take the test, the driver's license, permit, or privilege to drive will be revoked or denied for at least one year; and

(b) If the driver refuses to take the test, the driver's refusal to take the test may be used in a criminal trial; and

(c) If the driver submits to the test and the test is administered, the driver's license, permit, or privilege to drive will be suspended, revoked, or denied for at least ninety days if the driver is age twenty-one or over and the test indicates the alcohol concentration of the driver's breath or blood is 0.08 or more, or if the driver is under age twenty-one and the test indicates the alcohol concentration of the driver's breath or blood is 0.02 or more, or if the driver is under age twenty-one and the driver is in violation of RCW 46.61.502 or 46.61.504; and

(d) If the driver's license, permit, or privilege to drive is suspended, revoked, or denied the driver may be eligible to immediately apply for an ignition interlock driver's license.

(3) Except as provided in this section, the test administered shall be of the breath only. If an individual is unconscious or is under arrest for the crime of vehicular homicide as provided in RCW 46.61.520 or vehicular assault as provided in RCW 46.61.522, or if an individual is under arrest for the crime of driving while under the influence of intoxicating liquor or drugs as provided in RCW 46.61.502, which arrest results from an accident in which there has been serious bodily injury to another person, a breath or blood test may be administered without the consent of the individual so arrested.

(4) Any person who is dead, unconscious, or who is otherwise in a condition rendering him or her incapable of refusal, shall be deemed not to have withdrawn the consent provided by subsection (1) of this section and the test or tests may be administered, subject to the provisions of RCW 46.61.506, and the person shall be deemed to have received the warnings required under subsection (2) of this section.

(5) If, following his or her arrest and receipt of warnings under subsection (2) of this section, the person arrested refuses upon the request of a law enforcement officer to submit to a test or tests of his or her breath or blood, no test shall be given except as authorized under subsection (3) or (4) of this section.

(6) If, after arrest and after the other applicable conditions and requirements of this section have been satisfied, a test or tests of the person's blood or breath is administered and the test results indicate that the alcohol concentration of the person's breath or blood is 0.08 or more if the person is age twenty-one or over, or 0.02 or more if the person is under the age of twenty-one, or the person refuses to

submit to a test, the arresting officer or other law enforcement officer at whose direction any test has been given, or the department, where applicable, if the arrest results in a test of the person's blood, shall:

(a) Serve notice in writing on the person on behalf of the department of its intention to suspend, revoke, or deny the person's license, permit, or privilege to drive as required by subsection (7) of this section;

(b) Serve notice in writing on the person on behalf of the department of his or her right to a hearing, specifying the steps he or she must take to obtain a hearing as provided by subsection (8) of this section and that the person waives the right to a hearing if he or she receives an ignition interlock driver's license;

(c) Mark the person's Washington state driver's license or permit to drive, if any, in a manner authorized by the department;

(d) Serve notice in writing that the marked license or permit, if any, is a temporary license that is valid for sixty days from the date of arrest or from the date notice has been given in the event notice is given by the department following a blood test, or until the suspension, revocation, or denial of the person's license, permit, or privilege to drive is sustained at a hearing pursuant to subsection (8) of this section, whichever occurs first. No temporary license is valid to any greater degree than the license or permit that it replaces; and

(e) Immediately notify the department of the arrest and transmit to the department within seventy-two hours, except as delayed as the result of a blood test, a sworn report or report under a declaration authorized by RCW 9A.72.085 that states:

(i) That the officer had reasonable grounds to believe the arrested person had been driving or was in actual physical control of a motor vehicle within this state while under the influence of intoxicating liquor or drugs, or both, or was under the age of twenty-one years and had been driving or was in actual physical control of a motor vehicle while having an alcohol concentration in violation of RCW 46.61.503;

(ii) That after receipt of the warnings required by subsection (2) of this section the person refused to submit to a test of his or her blood or breath, or a test was administered and the results indicated that the alcohol concentration of the person's breath or blood was 0.08 or more if the person is age twenty-one or over, or was 0.02 or more if the person is under the age of twenty-one; and

(iii) Any other information that the director may require by rule.

(7) The department of licensing, upon the receipt of a sworn report or report under a declaration authorized by RCW 9A.72.085 under subsection (6)(e) of this section, shall suspend, revoke, or deny the person's license, permit, or privilege to drive or any nonresident operating privilege, as provided in RCW 46.20.3101, such suspension, revocation, or denial to be effective beginning sixty days from the date of arrest or from the date notice has been given in the event notice is given by the department following a blood test, or when sustained at a hearing pursuant to subsection (8) of this section, whichever occurs first.

(8) A person receiving notification under subsection (6)(b) of this section may, within ~~((thirty))~~ twenty days after the notice has been given, request in writing a formal hearing before the department. The person shall pay a fee of two hundred dollars as part of the request. If the request is mailed, it must be postmarked within ~~((thirty))~~ twenty days after receipt of the notification. Upon timely receipt of such a request for a formal hearing, including receipt of the required two hundred dollar fee, the department shall afford the person an opportunity for a hearing. The department may waive the required two hundred dollar fee if the person is an indigent as defined in RCW 10.101.010. Except as otherwise provided in this section, the hearing is subject to and shall be scheduled and conducted in accordance with RCW 46.20.329 and 46.20.332. The hearing shall be conducted in the county of the arrest, except that all or part of the hearing may, at the discretion of the department, be conducted by telephone or other electronic means. The hearing shall be held within sixty days following the arrest or following the date notice has been given in the event notice is given by the department following a blood test, unless otherwise agreed to by the department and the person, in which case the action by the department shall be stayed, and any valid temporary license marked under subsection (6)(c) of this section extended, if the person is otherwise eligible for licensing. For the purposes of this section, the scope of the hearing shall cover the issues of whether a law enforcement officer had

reasonable grounds to believe the person had been driving or was in actual physical control of a motor vehicle within this state while under the influence of intoxicating liquor or any drug or had been driving or was in actual physical control of a motor vehicle within this state while having alcohol in his or her system in a concentration of 0.02 or more if the person was under the age of twenty-one, whether the person was placed under arrest, and (a) whether the person refused to submit to the test or tests upon request of the officer after having been informed that such refusal would result in the revocation of the person's license, permit, or privilege to drive, or (b) if a test or tests were administered, whether the applicable requirements of this section were satisfied before the administration of the test or tests, whether the person submitted to the test or tests, or whether a test was administered without express consent as permitted under this section, and whether the test or tests indicated that the alcohol concentration of the person's breath or blood was 0.08 or more if the person was age twenty-one or over at the time of the arrest, or 0.02 or more if the person was under the age of twenty-one at the time of the arrest. The sworn report or report under a declaration authorized by RCW 9A.72.085 submitted by a law enforcement officer is prima facie evidence that the officer had reasonable grounds to believe the person had been driving or was in actual physical control of a motor vehicle within this state while under the influence of intoxicating liquor or drugs, or both, or the person had been driving or was in actual physical control of a motor vehicle within this state while having alcohol in his or her system in a concentration of 0.02 or more and was under the age of twenty-one and that the officer complied with the requirements of this section.

A hearing officer shall conduct the hearing, may issue subpoenas for the attendance of witnesses and the production of documents, and shall administer oaths to witnesses. The hearing officer shall not issue a subpoena for the attendance of a witness at the request of the person unless the request is accompanied by the fee required by RCW 5.56.010 for a witness in district court. The sworn report or report under a declaration authorized by RCW 9A.72.085 of the law enforcement officer and any other evidence accompanying the report shall be admissible without further evidentiary foundation and the certifications authorized by the criminal rules for courts of limited jurisdiction shall be admissible without further evidentiary foundation. The person may be represented by counsel, may question witnesses, may present evidence, and may testify. The department shall order that the suspension, revocation, or denial either be rescinded or sustained.

(9) If the suspension, revocation, or denial is sustained after such a hearing, the person whose license, privilege, or permit is suspended, revoked, or denied has the right to file a petition in the superior court of the county of arrest to review the final order of revocation by the department in the same manner as an appeal from a decision of a court of limited jurisdiction. Notice of appeal must be filed within thirty days after the date the final order is served or the right to appeal is waived. Notwithstanding RCW 46.20.334, RALJ 1.1, or other statutes or rules referencing de novo review, the appeal shall be limited to a review of the record of the administrative hearing. The appellant must pay the costs associated with obtaining the record of the hearing before the hearing officer. The filing of the appeal does not stay the effective date of the suspension, revocation, or denial. A petition filed under this subsection must include the petitioner's grounds for requesting review. Upon granting petitioner's request for review, the court shall review the department's final order of suspension, revocation, or denial as expeditiously as possible. The review must be limited to a determination of whether the department has committed any errors of law. The superior court shall accept those factual determinations supported by substantial evidence in the record: (a) That were expressly made by the department; or (b) that may reasonably be inferred from the final order of the department. The superior court may reverse, affirm, or modify the decision of the department or remand the case back to the department for further proceedings. The decision of the superior court must be in writing and filed in the clerk's office with the other papers in the case. The court shall state the reasons for the decision. If judicial relief is sought for a stay or other temporary remedy from the department's action, the court shall not grant such relief unless the court finds that the appellant is likely to prevail in the appeal and that without a stay the appellant will

suffer irreparable injury. If the court stays the suspension, revocation, or denial it may impose conditions on such stay.

(10)(a) If a person whose driver's license, permit, or privilege to drive has been or will be suspended, revoked, or denied under subsection (7) of this section, other than as a result of a breath or blood test refusal, and who has not committed an offense for which he or she was granted a deferred prosecution under chapter 10.05 RCW, petitions a court for a deferred prosecution on criminal charges arising out of the arrest for which action has been or will be taken under subsection (7) of this section, or notifies the department of licensing of the intent to seek such a deferred prosecution, then the license suspension or revocation shall be stayed pending entry of the deferred prosecution. The stay shall not be longer than one hundred fifty days after the date charges are filed, or two years after the date of the arrest, whichever time period is shorter. If the court stays the suspension, revocation, or denial, it may impose conditions on such stay. If the person is otherwise eligible for licensing, the department shall issue a temporary license, or extend any valid temporary license marked under subsection (6) of this section, for the period of the stay. If a deferred prosecution treatment plan is not recommended in the report made under RCW 10.05.050, or if treatment is rejected by the court, or if the person declines to accept an offered treatment plan, or if the person violates any condition imposed by the court, then the court shall immediately direct the department to cancel the stay and any temporary marked license or extension of a temporary license issued under this subsection.

(b) A suspension, revocation, or denial imposed under this section, other than as a result of a breath or blood test refusal, shall be stayed if the person is accepted for deferred prosecution as provided in chapter 10.05 RCW for the incident upon which the suspension, revocation, or denial is based. If the deferred prosecution is terminated, the stay shall be lifted and the suspension, revocation, or denial reinstated. If the deferred prosecution is completed, the stay shall be lifted and the suspension, revocation, or denial canceled.

(c) The provisions of (b) of this subsection relating to a stay of a suspension, revocation, or denial and the cancellation of any suspension, revocation, or denial do not apply to the suspension, revocation, denial, or disqualification of a person's commercial driver's license or privilege to operate a commercial motor vehicle.

(11) When it has been finally determined under the procedures of this section that a nonresident's privilege to operate a motor vehicle in this state has been suspended, revoked, or denied, the department shall give information in writing of the action taken to the motor vehicle administrator of the state of the person's residence and of any state in which he or she has a license.

**NEW SECTION. Sec. 3.** A new section is added to chapter 46.68 RCW to read as follows:

The ignition interlock device revolving account is created in the state treasury. All receipts from the fee assessed under section 9(6) of this act must be deposited into the account. Moneys in the account may be spent only after appropriation. Expenditures from the account may be used only for administering and operating the ignition interlock device revolving account program.

**Sec. 4.** RCW 46.20.342 and 2004 c 9 s 5 are each amended to read as follows:

(1) It is unlawful for any person to drive a motor vehicle in this state while that person is in a suspended or revoked status or when his or her privilege to drive is suspended or revoked in this or any other state. Any person who has a valid Washington driver's license is not guilty of a violation of this section.

(a) A person found to be an habitual offender under chapter 46.65 RCW, who violates this section while an order of revocation issued under chapter 46.65 RCW prohibiting such operation is in effect, is guilty of driving while license suspended or revoked in the first degree, a gross misdemeanor. Upon the first such conviction, the person shall be punished by imprisonment for not less than ten days. Upon the second conviction, the person shall be punished by imprisonment for not less than ninety days. Upon the third or subsequent conviction, the person shall be punished by imprisonment for not less than one hundred eighty days. If the person is also

convicted of the offense defined in RCW 46.61.502 or 46.61.504, when both convictions arise from the same event, the minimum sentence of confinement shall be not less than ninety days. The minimum sentence of confinement required shall not be suspended or deferred. A conviction under this subsection does not prevent a person from petitioning for reinstatement as provided by RCW 46.65.080.

(b) A person who violates this section while an order of suspension or revocation prohibiting such operation is in effect and while the person is not eligible to reinstate his or her driver's license or driving privilege, other than for a suspension for the reasons described in (c) of this subsection, is guilty of driving while license suspended or revoked in the second degree, a gross misdemeanor. This subsection applies when a person's driver's license or driving privilege has been suspended or revoked by reason of:

(i) A conviction of a felony in the commission of which a motor vehicle was used;

(ii) A previous conviction under this section;

(iii) A notice received by the department from a court or diversion unit as provided by RCW 46.20.265, relating to a minor who has committed, or who has entered a diversion unit concerning an offense relating to alcohol, legend drugs, controlled substances, or imitation controlled substances;

(x) A conviction of RCW 46.61.520, relating to vehicular homicide;

(xi) A conviction of RCW 46.61.522, relating to vehicular assault;

(xii) A conviction of RCW 46.61.527(4), relating to reckless endangerment of roadway workers;

(xiii) A conviction of RCW 46.61.530, relating to racing of vehicles on highways;

(xv) A conviction of RCW 46.61.740, relating to theft of motor vehicle fuel;

(xvi) A conviction of RCW 46.64.048, relating to attempting, aiding, abetting, coercing, and committing crimes;

(xviii) A conviction of a local law, ordinance, regulation, or resolution of a political subdivision of this state, the federal government, or any other state, of an offense substantially similar to a violation included in this subsection.

(c) A person who violates this section when his or her driver's license or driving privilege is, at the time of the violation, suspended or revoked solely because (i) the person must furnish proof of satisfactory progress in a required alcoholism or drug treatment program, (ii) the person must furnish proof of financial responsibility for the future as provided by chapter 46.29 RCW, (iii) the person has failed to comply with the provisions of chapter 46.29 RCW relating to uninsured accidents, (iv) the person has failed to respond to a notice of traffic infraction, failed to appear at a requested hearing, violated a written promise to appear in court, or has failed to comply with the terms of a notice of traffic infraction or citation, as provided in RCW 46.20.289, (v) the person has committed an offense in another state that, if committed in this state, would not be grounds for the suspension or revocation of the person's driver's license, (vi) the person has been suspended or revoked by reason of one or more of the items listed in (b) of this subsection, but was eligible to reinstate his or her driver's license or driving privilege at the time of the violation, or (vii) the person has received traffic citations or

notices of traffic infraction that have resulted in a suspension under RCW 46.20.267 relating to intermediate drivers' licenses, or any combination of (i) through (vii), is guilty of driving while license suspended or revoked in the third degree, a misdemeanor.

(2) Upon receiving a record of conviction of any person or upon receiving an order by any juvenile court or any duly authorized court officer of the conviction of any juvenile under this section, the department shall:

(a) For a conviction of driving while suspended or revoked in the first degree, as provided by subsection (1)(a) of this section, extend the period of administrative revocation imposed under chapter 46.65 RCW for an additional period of one year from and after the date the person would otherwise have been entitled to apply for a new license or have his or her driving privilege restored; or

(b) For a conviction of driving while suspended or revoked in the second degree, as provided by subsection (1)(b) of this section, not issue a new license or restore the driving privilege for an additional period of one year from and after the date the person would otherwise have been entitled to apply for a new license or have his or her driving privilege restored; or

(c) Not extend the period of suspension or revocation if the conviction was under subsection (1)(c) of this section. If the conviction was under subsection (1)(a) or (b) of this section and the court recommends against the extension and the convicted person has obtained a valid driver's license, the period of suspension or revocation shall not be extended.

**Sec. 5.** RCW 46.20.380 and 2004 c 95 s 6 are each amended to read as follows:

No person may file an application for an occupational ~~(or)~~ driver's license, a temporary restricted driver's license, or an ignition interlock driver's license as provided in RCW 46.20.391 and section 9 of this act unless he or she first pays to the director or other person authorized to accept applications and fees for driver's licenses a fee of one hundred dollars. The applicant shall receive upon payment an official receipt for the payment of such fee. All such fees shall be forwarded to the director who shall transmit such fees to the state treasurer in the same manner as other driver's license fees.

**Sec. 6.** RCW 46.20.391 and 2004 c 95 s 7 are each amended to read as follows:

(1)~~((or))~~ Any person licensed under this chapter who is convicted of an offense relating to motor vehicles for which suspension or revocation of the driver's license is mandatory, other than vehicular homicide ~~(or)~~, vehicular assault, ~~(or who has had his or her license suspended, revoked, or denied under RCW 46.20.310)~~ driving while under the influence of intoxicating liquor or any drug, or being in actual physical control of a motor vehicle while under the influence of intoxicating liquor or any drug, may submit to the department an application for a temporary restricted driver's license. The department, upon receipt of the prescribed fee and upon determining that the petitioner is eligible to receive the license, may issue a temporary restricted driver's license and may set definite restrictions as provided in RCW 46.20.394. ~~(No person may petition for, and the department shall not issue, a temporary restricted driver's license that is effective during the first thirty days of any suspension or revocation imposed for a violation of RCW 46.61.502 or 46.61.504 or, for a suspension, revocation, or denial imposed under RCW 46.20.310, during the required minimum portion of the periods of suspension, revocation, or denial established under (c) of this subsection.~~

~~—(b) An applicant under this subsection whose driver's license is suspended or revoked for an alcohol-related offense shall provide proof to the satisfaction of the department that a functioning ignition interlock device has been installed on a vehicle owned or operated by the person.~~

~~—(i) The department shall require the person to maintain such a device on a vehicle owned or operated by the person and shall restrict the person to operating only vehicles equipped with such a device, for the remainder of the period of suspension, revocation, or denial.~~

~~—(ii) Subject to any periodic renewal requirements established by the department pursuant to this section and subject to any applicable~~

~~compliance requirements under this chapter or other law, a temporary restricted driver's license granted after a suspension or revocation under RCW 46.61.5055 or 46.20.3101 extends through the remaining portion of any concurrent or consecutive suspension or revocation that may be imposed as the result of administrative action and criminal conviction arising out of the same incident.~~

~~(iii) The time period during which the person is licensed under this section shall apply on a day-for-day basis toward satisfying the period of time the ignition interlock device restriction is required under RCW 46.20.720 (1) and (2) (a), (b), and (c).~~

~~(c) The department shall provide by rule the minimum portions of the periods of suspension, revocation, or denial set forth in RCW 46.20.3101 after which a person may apply for a temporary restricted driver's license under this section. In establishing the minimum portions of the periods of suspension, revocation, or denial, the department shall consider the requirements of federal law regarding state eligibility for grants or other funding, and shall establish such periods so as to ensure that the state will maintain its eligibility, or establish eligibility, to obtain incentive grants or any other federal funding.)~~

(2)(a) A person licensed under this chapter whose driver's license is suspended administratively due to failure to appear or pay a traffic ticket under RCW 46.20.289; a violation of the financial responsibility laws under chapter 46.29 RCW; or for multiple violations within a specified period of time under RCW 46.20.291, may apply to the department for an occupational driver's license.

(b) If the suspension is for failure to respond, pay, or comply with a notice of traffic infraction or conviction, the applicant must enter into a payment plan with the court.

(c) An occupational driver's license issued to an applicant described in (a) of this subsection shall be valid for the period of the suspension or revocation.

(3) An applicant for an occupational or temporary restricted driver's license who qualifies under subsection (1) or (2) of this section is eligible to receive such license only if:

(b) The applicant demonstrates that it is necessary for him or her to operate a motor vehicle because he or she:

(c) The applicant files satisfactory proof of financial responsibility under chapter 46.29 RCW; and

(d) Upon receipt of evidence that a holder of an occupational driver's license granted under this subsection is no longer enrolled in an apprenticeship or on-the-job training program, the director shall give written notice by first-class mail to the driver that the occupational driver's license shall be canceled. The effective date of cancellation shall be fifteen days from the date of mailing the notice. If at any time before the cancellation goes into effect the driver submits evidence of continued enrollment in the program, the

cancellation shall be stayed. If the cancellation becomes effective, the driver may obtain, at no additional charge, a new occupational driver's license upon submittal of evidence of enrollment in another program that meets the criteria set forth in this subsection; and

(e) The department shall not issue an occupational driver's license under (b)(iv) of this subsection if the applicant is able to receive transit services sufficient to allow for the applicant's participation in the programs referenced under (b)(iv) of this subsection.

(4) A person aggrieved by the decision of the department on the application for an occupational or temporary restricted driver's license may request a hearing as provided by rule of the department.

(5) The director shall cancel an occupational or temporary restricted driver's license upon receipt of notice that the holder thereof has been convicted of operating a motor vehicle in violation of its restrictions, or of a separate offense that under chapter 46.20 RCW would warrant suspension or revocation of a regular driver's license. The cancellation is effective as of the date of the conviction, and continues with the same force and effect as any suspension or revocation under this title.

**Sec. 7.** RCW 46.20.400 and 2004 c 95 s 9 are each amended to read as follows:

If an occupational ~~(or) driver's license~~, a temporary restricted driver's license, or an ignition interlock driver's license is issued and is not revoked during the period for which issued the licensee may obtain a new driver's license at the end of such period, but no new driver's license may be issued to such person until he or she surrenders his or her occupational ~~(or) driver's license~~, temporary restricted driver's license, or ignition interlock driver's license and his or her copy of the order, and the director is satisfied that the person complies with all other provisions of law relative to the issuance of a driver's license.

**Sec. 8.** RCW 46.20.410 and 2004 c 95 s 10 are each amended to read as follows:

Any person convicted for violation of any restriction of an occupational ~~(or) driver's license~~, a temporary restricted driver's license, or an ignition interlock driver's license shall in addition to the immediate revocation of such license and any other penalties provided by law be fined not less than fifty nor more than two hundred dollars or imprisoned for not more than six months or both such fine and imprisonment.

**NEW SECTION. Sec. 9.** A new section is added to chapter 46.20 RCW to read as follows:

(1)(a) Beginning January 1, 2009, any person licensed under this chapter who is convicted of any offense involving the use, consumption, or possession of alcohol while operating a motor vehicle in violation of RCW 46.61.502 or 46.61.504, other than vehicular homicide or vehicular assault, or who has had or will have his or her license suspended, revoked, or denied under RCW 46.20.3101, may submit to the department an application for an ignition interlock driver's license. The department, upon receipt of the prescribed fee and upon determining that the petitioner is eligible to receive the license, may issue an ignition interlock driver's license.

(b) A person may apply for an ignition interlock driver's license anytime, including immediately after receiving the notices under RCW 46.20.308 or after his or her license is suspended, revoked, or denied. A person receiving an ignition interlock driver's license waives his or her right to a hearing or appeal under RCW 46.20.308.

(c) An applicant under this subsection shall provide proof to the satisfaction of the department that a functioning ignition interlock device has been installed on all vehicles operated by the person.

(i) The department shall require the person to maintain the device on all vehicles operated by the person and shall restrict the person to operating only vehicles equipped with the device, for the remainder of the period of suspension, revocation, or denial. The installation of an ignition interlock device is not necessary on vehicles owned by a person's employer and driven as a requirement of employment during working hours. The person must provide the department with a declaration pursuant to RCW 9A.72.085 from his

or her employer stating that the person's employment requires the person to operate a vehicle owned by the employer during working hours.

(ii) Subject to any periodic renewal requirements established by the department under this section and subject to any applicable compliance requirements under this chapter or other law, an ignition interlock driver's license granted upon a suspension or revocation under RCW 46.61.5055 or 46.20.3101 extends through the remaining portion of any concurrent or consecutive suspension or revocation that may be imposed as the result of administrative action and criminal conviction arising out of the same incident.

(iii) The time period during which the person is licensed under this section shall apply on a day-for-day basis toward satisfying the period of time the ignition interlock device restriction is required under RCW 46.20.720 and 46.61.5055.

(2) An applicant for an ignition interlock driver's license who qualifies under subsection (1) of this section is eligible to receive a license only if:

(a) Within seven years immediately preceding the date of the offense that gave rise to the present conviction or incident, the applicant has not committed vehicular homicide under RCW 46.61.520 or vehicular assault under RCW 46.61.522; and

(b) The applicant files satisfactory proof of financial responsibility under chapter 46.29 RCW.

(3) Upon receipt of evidence that a holder of an ignition interlock driver's license granted under this subsection no longer has a functioning ignition interlock device installed on all vehicles operated by the driver, the director shall give written notice by first-class mail to the driver that the ignition interlock driver's license shall be canceled. The effective date of cancellation shall be fifteen days from the date of mailing the notice. If at any time before the cancellation goes into effect the driver submits evidence that a functioning ignition interlock device has been installed on all vehicles operated by the driver, the cancellation shall be stayed. If the cancellation becomes effective, the driver may obtain, at no additional charge, a new ignition interlock driver's license upon submittal of evidence that a functioning ignition interlock device has been installed on all vehicles operated by the driver.

(4) A person aggrieved by the decision of the department on the application for an ignition interlock driver's license may request a hearing as provided by rule of the department.

(5) The director shall cancel an ignition interlock driver's license upon receipt of notice that the holder thereof has been convicted of operating a motor vehicle in violation of its restrictions, or of a separate offense that under this chapter would warrant suspension or revocation of a regular driver's license. The cancellation is effective as of the date of the conviction, and continues with the same force and effect as any suspension or revocation under this title.

(6)(a) Unless costs are waived by the ignition interlock company or the person is indigent under RCW 10.101.010, the applicant shall pay the cost of installing, removing, and leasing the ignition interlock device and shall pay an additional fee of twenty dollars per month. Payments shall be made directly to the ignition interlock company. The company shall remit the additional twenty-dollar fee to the department. (b) The department shall deposit the proceeds of the twenty-dollar fee into the ignition interlock device revolving account. Expenditures from the account may be used only to administer and operate the ignition interlock device revolving account program. The department shall adopt rules to provide monetary assistance according to greatest need and when funds are available.

(7) The department shall adopt rules to implement ignition interlock licensing. The department shall consult with the administrative office of the courts, the state patrol, the Washington association of sheriffs and police chiefs, ignition interlock companies, and any other organization or entity the department deems appropriate.

**NEW SECTION. Sec. 10.** A new section is added to chapter 46.20 RCW to read as follows:

(1) The ignition interlock device revolving account program is created within the department to assist in covering the monetary

costs of installing, removing, and leasing an ignition interlock device, and applicable licensing, for indigent persons who are required under section 9 of this act and RCW 46.61.5055 to install an ignition interlock device in all vehicles owned or operated by the person. For purposes of this subsection, "indigent" has the same meaning as in RCW 10.101.010, as determined by the department.

(2) A pilot program is created within the ignition interlock device revolving account program for the purpose of monitoring compliance by persons required to use ignition interlock devices and by ignition interlock companies and vendors.

(3) The department, the state patrol, and the Washington traffic safety commission shall coordinate to establish a compliance pilot program that will target at least one county from eastern Washington and one county from western Washington, as determined by the department, state patrol, and Washington traffic safety commission.

(4) At a minimum, the compliance pilot program shall:

(a) Review the number of ignition interlock devices that are required to be installed in the targeted county and the number of ignition interlock devices actually installed;

(b) Work to identify those persons who are not complying with ignition interlock requirements or are repeatedly violating ignition interlock requirements; and

(c) Identify ways to track compliance and reduce noncompliance.

(5) As part of monitoring compliance, the Washington traffic safety commission shall also track recidivism for violations of RCW 46.61.502 and 46.61.504 by persons required to have an ignition interlock driver's license under section 9 of this act.

**Sec. 11.** RCW 46.63.020 and 2005 c 431 s 2, 2005 c 323 s 3, and 2005 c 183 s 10 are each reenacted and amended to read as follows:

**Sec. 12.** RCW 46.20.720 and 2004 c 95 s 11 are each amended to read as follows:

(1) The court may order that after a period of suspension, revocation, or denial of driving privileges, and for up to as long as the court has jurisdiction, any person convicted of any offense involving the use, consumption, or possession of alcohol while operating a motor vehicle may drive only a motor vehicle equipped with a functioning ignition interlock. The court shall establish a specific calibration setting at which the interlock will prevent the vehicle from being started. The court shall also establish the period of time for which interlock use will be required.

(2) Under RCW 46.61.5055, 10.05.020, or section 18 of this act, the court shall order any person convicted of an alcohol-related violation of RCW 46.61.502 or 46.61.504 or an equivalent local ordinance or participating in a deferred prosecution program under RCW 10.05.020 or section 18 of this act for an alcohol-related violation of RCW 46.61.502 or 46.61.504 or an equivalent local ordinance to apply for an ignition interlock driver's license from the department under section 9 of this act and to have a functioning ignition interlock device installed on all motor vehicles operated by the person.

(3) The department shall require that, after any applicable period of suspension, revocation, or denial of driving privileges, a person may drive only a motor vehicle equipped with a functioning ignition interlock device if the person is convicted of an alcohol-related violation of RCW 46.61.502 or 46.61.504 or an equivalent local ordinance.

The department may waive the requirement for the use of such a device if it concludes that such devices are not reasonably available in the local area. The device is not necessary on vehicles owned by a person's employer and driven as a requirement of employment during working hours. The person must provide the department with a declaration pursuant to RCW 9A.72.085 from his or her employer stating that the person's employment requires the person to operate a vehicle owned by the employer during working hours.

The ignition interlock device shall be calibrated to prevent the motor vehicle from being started when the breath sample provided has an alcohol concentration of 0.025 or more. The period of time of the restriction will be as follows:

(a) For a person who has not previously been restricted under this section, a period of one year;

(b) For a person who has previously been restricted under (a) of this subsection, a period of five years;

(c) For a person who has previously been restricted under (b) of this subsection, a period of ten years.

**Sec. 13.** RCW 46.20.740 and 2004 c 95 s 12 are each amended to read as follows:

(1) The department shall attach or imprint a notation on the driving record of any person restricted under RCW 46.20.720 or

46.61.5055 stating that the person may operate only a motor vehicle equipped with a functioning ignition interlock device. The department shall determine the person's eligibility for licensing based upon written verification by a company doing business in the state that it has installed the required device on a vehicle owned or operated by the person seeking reinstatement. If, based upon notification from the interlock provider or otherwise, the department determines that an ignition interlock required under this section is no longer installed or functioning as required, the department shall suspend the person's license or privilege to drive. Whenever the license or driving privilege of any person is suspended or revoked as a result of noncompliance with an ignition interlock requirement, the suspension shall remain in effect until the person provides notice issued by a company doing business in the state that a vehicle owned or operated by the person is equipped with a functioning ignition interlock device.

(2) It is a misdemeanor for a person with such a notation on his or her driving record to operate a motor vehicle that is not so equipped.

**Sec. 14.** RCW 46.61.5055 and 2007 c 474 s 1 are each amended to read as follows:

(5)(a) The court shall require any person convicted of an alcohol-related violation of RCW 46.61.502 or 46.61.504 to apply for an ignition interlock driver's license from the department under section 9 of this act and to have a functioning ignition interlock device installed on all motor vehicles operated by the person.

(b) The installation of an ignition interlock device is not necessary on vehicles owned by a person's employer and driven as a requirement of employment during working hours. The person must provide the department with a declaration pursuant to RCW 9A.72.085 from his or her employer stating that the person's employment requires the person to operate a vehicle owned by the employer during working hours.

(c) An ignition interlock device imposed under this section shall be calibrated to prevent a motor vehicle from being started when the breath sample provided has an alcohol concentration of 0.025 or more.

(d) The court may waive the requirement that a person obtain an ignition interlock driver's license and operate only vehicles equipped with a functioning ignition interlock device if the court makes a specific finding in writing that the devices are not reasonably available in the local area, that the person does not operate a vehicle, or the person is not eligible to receive an ignition interlock driver's license under section 9 of this act.

(e) When the requirement that a person obtain an ignition interlock driver's license and operate only vehicles equipped with a functioning ignition interlock device is waived by the court, the court shall order the person to submit to alcohol monitoring through an alcohol detection breathalyzer device, transdermal sensor device, or other technology designed to detect alcohol in a person's system.

The person shall pay for the cost of the monitoring. The county or municipality where the penalty is being imposed shall determine the cost.

(f) The period of time for which ignition interlock use or alcohol monitoring is required will be as follows:

(ii) For a person who has previously been restricted under (f)(i) of this subsection, a period of five years;

(iii) For a person who has previously been restricted under (f)(ii) of this subsection, a period of ten years.

(6) If a person who is convicted of a violation of RCW 46.61.502 or 46.61.504 committed the offense while a passenger under the age of sixteen was in the vehicle, the court shall:

(a) In any case in which the installation and use of an interlock or other device is not mandatory under RCW 46.20.720 or other law, order the use of such a device for not less than sixty days following the restoration of the person's license, permit, or nonresident driving privileges; and

(b) In any case in which the installation and use of such a device is otherwise mandatory, order the use of such a device for an additional sixty days.

~~((6))~~ (7) In exercising its discretion in setting penalties within the limits allowed by this section, the court shall particularly consider the following:

(a) Whether the person's driving at the time of the offense was responsible for injury or damage to another or another's property; and

(b) Whether at the time of the offense the person was driving or in physical control of a vehicle with one or more passengers.

~~((7))~~ (8) An offender punishable under this section is subject to the alcohol assessment and treatment provisions of RCW 46.61.5056.

~~((8))~~ (9) The license, permit, or nonresident privilege of a person convicted of driving or being in physical control of a motor vehicle while under the influence of intoxicating liquor or drugs must:

(a) If the person's alcohol concentration was less than 0.15, or if for reasons other than the person's refusal to take a test offered under RCW 46.20.308 there is no test result indicating the person's alcohol concentration:

(i) Where there has been no prior offense within seven years, be suspended or denied by the department for ninety days;

(ii) Where there has been one prior offense within seven years, be revoked or denied by the department for two years; or

(iii) Where there have been two or more prior offenses within seven years, be revoked or denied by the department for three years;

(b) If the person's alcohol concentration was at least 0.15:

(i) Where there has been no prior offense within seven years, be revoked or denied by the department for one year;

(ii) Where there has been one prior offense within seven years, be revoked or denied by the department for nine hundred days; or

(iii) Where there have been two or more prior offenses within seven years, be revoked or denied by the department for four years; or

(c) If by reason of the person's refusal to take a test offered under RCW 46.20.308, there is no test result indicating the person's alcohol concentration:

(i) Where there have been no prior offenses within seven years, be revoked or denied by the department for two years;

(ii) Where there has been one prior offense within seven years, be revoked or denied by the department for three years; or

(iii) Where there have been two or more previous offenses within seven years, be revoked or denied by the department for four years.

The department shall grant credit on a day-for-day basis for any portion of a suspension, revocation, or denial already served under this subsection for a suspension, revocation, or denial imposed under RCW 46.20.3101 arising out of the same incident.

For purposes of this subsection ~~((8))~~ (9), the department shall refer to the driver's record maintained under RCW 46.52.120 when determining the existence of prior offenses.

~~((9))~~ (10) After expiration of any period of suspension, revocation, or denial of the offender's license, permit, or privilege to

drive required by this section, the department shall place the offender's driving privilege in probationary status pursuant to RCW 46.20.355.

~~((+0))~~ **(11)**(a) In addition to any nonsuspendable and nondeferable jail sentence required by this section, whenever the court imposes less than one year in jail, the court shall also suspend but shall not defer a period of confinement for a period not exceeding five years. The court shall impose conditions of probation that include: (i) Not driving a motor vehicle within this state without a valid license to drive and proof of financial responsibility for the future; (ii) not driving a motor vehicle within this state while having an alcohol concentration of 0.08 or more within two hours after driving; and (iii) not refusing to submit to a test of his or her breath or blood to determine alcohol concentration upon request of a law enforcement officer who has reasonable grounds to believe the person was driving or was in actual physical control of a motor vehicle within this state while under the influence of intoxicating liquor. The court may impose conditions of probation that include nonrepetition, installation of an ignition interlock device on the probationer's motor vehicle, alcohol or drug treatment, supervised probation, or other conditions that may be appropriate. The sentence may be imposed in whole or in part upon violation of a condition of probation during the suspension period.

(b) For each violation of mandatory conditions of probation under (a)(i), (ii), or (iii) of this subsection, the court shall order the convicted person to be confined for thirty days, which shall not be suspended or deferred.

(c) For each incident involving a violation of a mandatory condition of probation imposed under this subsection, the license, permit, or privilege to drive of the person shall be suspended by the court for thirty days or, if such license, permit, or privilege to drive already is suspended, revoked, or denied at the time the finding of probation violation is made, the suspension, revocation, or denial then in effect shall be extended by thirty days. The court shall notify the department of any suspension, revocation, or denial or any extension of a suspension, revocation, or denial imposed under this subsection.

~~((+H))~~ **(12)** A court may waive the electronic home monitoring requirements of this chapter when:

(a) The offender does not have a dwelling, telephone service, or any other necessity to operate an electronic home monitoring system;

(b) The offender does not reside in the state of Washington; or

(c) The court determines that there is reason to believe that the offender would violate the conditions of the electronic home monitoring penalty.

Whenever the mandatory minimum term of electronic home monitoring is waived, the court shall state in writing the reason for granting the waiver and the facts upon which the waiver is based, and shall impose an alternative sentence with similar punitive consequences. The alternative sentence may include, but is not limited to, additional jail time, work crew, or work camp.

Whenever the combination of jail time and electronic home monitoring or alternative sentence would exceed three hundred sixty-five days, the offender shall serve the jail portion of the sentence first, and the electronic home monitoring or alternative portion of the sentence shall be reduced so that the combination does not exceed three hundred sixty-five days.

~~((+2))~~ **(13)** An offender serving a sentence under this section, whether or not a mandatory minimum term has expired, may be granted an extraordinary medical placement by the jail administrator subject to the standards and limitations set forth in RCW 9.94A.728(4).

(1) In a court of limited jurisdiction a person charged with a misdemeanor or gross misdemeanor may petition the court to be considered for a deferred prosecution program. The petition shall be filed with the court at least seven days before the date set for trial but, upon a written motion and affidavit establishing good cause for the delay and failure to comply with this section, the court may waive this requirement subject to the defendant's reimbursement to the court of the witness fees and expenses due for subpoenaed witnesses who have appeared on the date set for trial.

(2) A person charged with a traffic infraction, misdemeanor, or gross misdemeanor under Title 46 RCW shall not be eligible for a deferred prosecution program unless the court makes specific findings pursuant to RCW 10.05.020 or section 18 of this act. Such person shall not be eligible for a deferred prosecution program more than once; and cannot receive a deferred prosecution under both RCW 10.05.020 and section 18 of this act. Separate offenses committed more than seven days apart may not be consolidated in a single program.

(3) A person charged with a misdemeanor or a gross misdemeanor under chapter 9A.42 RCW shall not be eligible for a deferred prosecution program unless the court makes specific findings pursuant to RCW 10.05.020. Such person shall not be eligible for a deferred prosecution program more than once.

**Sec. 16.** RCW 10.05.020 and 2002 c 219 s 7 are each amended to read as follows:

(1) Except as provided in subsection (2) of this section or section 18 of this act, the petitioner shall allege under oath in the petition that the wrongful conduct charged is the result of or caused by alcoholism, drug addiction, or mental problems for which the person is in need of treatment and unless treated the probability of future recurrence is great, along with a statement that the person agrees to pay the cost of a diagnosis and treatment of the alleged problem or problems if financially able to do so. The petition shall also contain a case history and written assessment prepared by an approved alcoholism treatment program as designated in chapter 70.96A RCW if the petition alleges alcoholism, an approved drug program as designated in chapter 71.24 RCW if the petition alleges drug addiction, or by an approved mental health center if the petition alleges a mental problem.

(2) In the case of a petitioner charged with a misdemeanor or gross misdemeanor under chapter 9A.42 RCW, the petitioner shall allege under oath in the petition that the petitioner is the natural or adoptive parent of the alleged victim; that the wrongful conduct charged is the result of parenting problems for which the petitioner is in need of services; that the petitioner is in need of child welfare services under chapter 74.13 RCW to improve his or her parenting skills in order to better provide his or her child or children with the

basic necessities of life; that the petitioner wants to correct his or her conduct to reduce the likelihood of harm to his or her minor children; that in the absence of child welfare services the petitioner may be unable to reduce the likelihood of harm to his or her minor children; and that the petitioner has cooperated with the department of social and health services to develop a plan to receive appropriate child welfare services; along with a statement that the person agrees to pay the cost of the services if he or she is financially able to do so. The petition shall also contain a case history and a written service plan from the department of social and health services.

(3) Before entry of an order deferring prosecution, a petitioner shall be advised of his or her rights as an accused and execute, as a condition of receiving treatment, a statement that contains: (a) An acknowledgment of his or her rights; (b) an acknowledgment and waiver of the right to testify, the right to a speedy trial, the right to call witnesses to testify, the right to present evidence in his or her defense, and the right to a jury trial; (c) a stipulation to the admissibility and sufficiency of the facts contained in the written police report; and (d) an acknowledgment that the statement will be entered and used to support a finding of guilty if the court finds cause to revoke the order granting deferred prosecution. The petitioner shall also be advised that he or she may, if he or she proceeds to trial and is found guilty, be allowed to seek suspension of some or all of the fines and incarceration that may be ordered upon the condition that he or she seek treatment and, further, that he or she may seek treatment from public and private agencies at any time without regard to whether or not he or she is found guilty of the offense charged. He or she shall also be advised that the court will not accept a petition for deferred prosecution from a person who: (i) Sincerely believes that he or she is innocent of the charges ((~~or~~)); (ii) Sincerely believes that he or she does not, in fact, suffer from alcoholism, drug addiction, or mental problems, unless the petition for deferred prosecution is under section 18 of this act; or (iii) in the case of a petitioner charged under chapter 9A.42 RCW, sincerely believes that he or she does not need child welfare services.

(4) Before entering an order deferring prosecution, the court shall make specific findings that: (a) The petitioner has stipulated to the admissibility and sufficiency of the facts as contained in the written police report; (b) the petitioner has acknowledged the admissibility of the stipulated facts in any criminal hearing on the underlying offense or offenses held subsequent to revocation of the order granting deferred prosecution; (c) the petitioner has acknowledged and waived the right to testify, the right to a speedy trial, the right to call witnesses to testify, the right to present evidence in his or her defense, and the right to a jury trial; and (d) the petitioner's statements were made knowingly and voluntarily. Such findings shall be included in the order granting deferred prosecution.

**Sec. 17.** RCW 10.05.090 and 1997 c 229 s 1 are each amended to read as follows:

If a petitioner, who has been accepted for a deferred prosecution, fails or neglects to carry out and fulfill any term or condition of the petitioner's treatment plan or any term or condition imposed in connection with the installation of an interlock or other device under RCW 46.20.720 or section 9 of this act, the facility, center, institution, or agency administering the treatment or the entity administering the use of the device, shall immediately report such breach to the court, the prosecutor, and the petitioner or petitioner's attorney of record, together with its recommendation. The court upon receiving such a report shall hold a hearing to determine whether the petitioner should be removed from the deferred prosecution program. At the hearing, evidence shall be taken of the petitioner's alleged failure to comply with the treatment plan or device installation and the petitioner shall have the right to present evidence on his or her own behalf. The court shall either order that the petitioner continue on the treatment plan or be removed from deferred prosecution. If the petitioner's noncompliance is based on a violation of a term or condition imposed in connection with the installation of an ignition interlock device under section 9 of this act, the court shall either order that the petitioner comply with the term or condition or be removed from deferred prosecution. If removed from deferred prosecution, the court shall enter judgment pursuant to RCW 10.05.020 and, if the charge for which the deferred

prosecution was granted was a misdemeanor or gross misdemeanor under Title 46 RCW, shall notify the department of licensing of the removal and entry of judgment.

**NEW SECTION. Sec. 18.** A new section is added to chapter 10.05 RCW to read as follows:

(1) A person charged with a misdemeanor or gross misdemeanor under RCW 46.61.502 or 46.61.504 who has had no prior offenses as defined in RCW 46.61.5055 and has been assessed pursuant to subsection (3) of this section shall be eligible for a one-time deferred prosecution program.

(2) Before entering an order deferring prosecution under this section, the court shall make a specific finding that the petitioner has no prior offenses as defined in RCW 46.61.5055 and has been assessed by a certified chemical dependency counselor and a licensed mental health professional, and found not to need treatment for alcoholism, drug addiction, or mental problems. As a condition of granting a deferral prosecution petition, the court shall order the petitioner to satisfy the conditions in RCW 10.05.140 and shall order the petitioner to apply for an ignition interlock driver's license from the department of licensing and have a functioning ignition interlock device installed on all motor vehicles operated by the person. The required period of use of the ignition interlock device shall be one year. The court may order supervision of the petitioner during the period of deferral pursuant to RCW 10.05.170.

(3) A petitioner seeking a deferral of prosecution under this section shall undergo an assessment by a certified chemical dependency counselor and a licensed mental health professional to determine whether the petitioner is or is not in need of treatment for alcoholism, drug addiction, or mental problems.

**Sec. 19.** RCW 10.05.160 and 1999 c 143 s 44 are each amended to read as follows:

(4) Failure of the evaluation facility to provide the information required in RCW 10.05.040 and 10.05.050, if the defendant has been referred to the facility for treatment. If an appeal on such basis is successful, the trial court may consider the use of another treatment program;

(5) Failure of the court to order the installation of an ignition interlock or other device under RCW 46.20.720 or section 9 of this act.

**Sec. 20.** RCW 46.61.502 and 2006 c 73 s 1 are each amended to read as follows:

(2) The fact that a person charged with a violation of this section is or has been entitled to use a drug under the laws of this state shall not constitute a defense against a charge of violating this section.

(3) It is an affirmative defense to a violation of subsection (1)(a) of this section which the defendant must prove by a preponderance of the evidence that the defendant consumed a sufficient quantity of alcohol after the time of driving and before the administration of an analysis of the person's breath or blood to cause the defendant's alcohol concentration to be 0.08 or more within two hours after driving. The court shall not admit evidence of this defense unless

the defendant notifies the prosecution prior to the omnibus or pretrial hearing in the case of the defendant's intent to assert the affirmative defense.

(5) Except as provided in subsection (6) of this section, a violation of this section is a gross misdemeanor.

(6) It is a class C felony punishable under chapter 9.94A RCW, or chapter 13.40 RCW if the person is a juvenile, if: (a) The person has four or more prior offenses within ten years as defined in RCW 46.61.5055; or (b) the person has ever previously been convicted of (i) vehicular homicide while under the influence of intoxicating liquor or any drug, RCW 46.61.520(1)(a), ~~((or))~~ (ii) vehicular assault while under the influence of intoxicating liquor or any drug, RCW 46.61.522(1)(b), or (iii) an out-of-state offense comparable to the offense specified in (b)(i) or (ii) of this subsection.

(b) While the person is under the influence of or affected by intoxicating liquor or any drug; or

(c) While the person is under the combined influence of or affected by intoxicating liquor and any drug.

No person may be convicted under this section if, prior to being pursued by a law enforcement officer, the person has moved the vehicle safely off the roadway.

(3) It is an affirmative defense to a violation of subsection (1)(a) of this section which the defendant must prove by a preponderance of the evidence that the defendant consumed a sufficient quantity of alcohol after the time of being in actual physical control of the vehicle and before the administration of an analysis of the person's breath or blood to cause the defendant's alcohol concentration to be 0.08 or more within two hours after being in such control. The court shall not admit evidence of this defense unless the defendant notifies the prosecution prior to the omnibus or pretrial hearing in the case of the defendant's intent to assert the affirmative defense.

(4) Analyses of blood or breath samples obtained more than two hours after the alleged being in actual physical control of a vehicle may be used as evidence that within two hours of the alleged being in such control, a person had an alcohol concentration of 0.08 or more in violation of subsection (1)(a) of this section, and in any case in which the analysis shows an alcohol concentration above 0.00 may be used as evidence that a person was under the influence of or affected by intoxicating liquor or any drug in violation of subsection (1)(b) or (c) of this section.

(5) Except as provided in subsection (6) of this section, a violation of this section is a gross misdemeanor.

**HOUSE BILL NO. 3381, By Representative Sommers**

**Relating to fees to implement programs that protect and improve Washington's health, safety, education, employees, and consumers.**

The bill was read the second time. There being no objection, Substitute House Bill No. 3381 was not substituted for House Bill No. 3381.

Representative Kessler moved the adoption of amendment (1541):

Strike everything after the enacting clause and insert the following:

**"NEW SECTION. Sec. 1.** To protect taxpayers, many state programs require the costs of licensing, registration, certification, and related government services to be borne by the profession or

industry that uses the services, rather than by the taxpaying public as a whole. State standards that govern the professional duties of these industries are intended to protect the general public by safeguarding health, safety, employees, and consumers. The legislative approval of the fees and fee increases in this act is intended to ensure that the general public is not assessed these costs while also providing adequate funding to statutory programs that safeguard and improve Washington's health, safety, employees, and consumers.

**Sec. 2.** RCW 39.12.070 and 2006 c 230 s 1 are each amended to read as follows:

**DEPARTMENT OF LABOR AND INDUSTRIES--PREVAILING WAGE--CERTIFICATION OF AFFIDAVITS.** The department of labor and industries may charge fees to awarding agencies on public works for the approval of statements of intent to pay prevailing wages and the certification of affidavits of wages paid. The department may also charge fees to persons or organizations requesting the arbitration of disputes under RCW 39.12.060. The amount of the fees shall be established by rules adopted by the department under the procedures in the administrative procedure act, chapter 34.05 RCW. The fees shall apply to all approvals, certifications, and arbitration requests made after the effective date of the rules. All fees shall be deposited in the public works administration account. The department may refuse to arbitrate for contractors, subcontractors, persons, or organizations which have not paid the proper fees. The department may, if necessary, request the attorney general to take legal action to collect delinquent fees.

The department shall set the fees permitted by this section at a level that generates revenue that is as near as practicable to the amount of the appropriation to administer this chapter, including, but not limited to, the performance of adequate wage surveys, and to investigate and enforce all alleged violations of this chapter, including, but not limited to, incorrect statements of intent to pay prevailing wage, incorrect certificates of affidavits of wages paid, and wage claims, as provided for in this chapter and chapters 49.48 and 49.52 RCW. However, the fees charged for the approval of statements of intent to pay prevailing wages and the certification of affidavits of wages paid shall be ~~((no greater than twenty-five))~~ forty dollars.

The department shall adopt rules implementing the auditing procedures. Information obtained from a contractor through an audit authorized by this subsection is confidential and not open to public inspection under chapter 42.56 RCW.

The department may seek, receive, and spend, under RCW 43.79.260 through 43.79.282, federal moneys not anticipated in this act as long as the federal funding does not require expenditure of state moneys for the program in excess of

amounts anticipated in this act. If the department receives unanticipated unrestricted federal moneys, those moneys shall be spent for services authorized in this act or in any other legislation providing appropriation authority, and an equal amount of appropriated state general fund moneys shall lapse. Upon the lapsing of any moneys under this subsection, the office of financial management shall notify the legislative fiscal committees. As used in this subsection, "unrestricted federal moneys" includes block grants and other funds that federal law does not require to be spent on specifically defined projects or matched on a formula basis by state funds.

(3) The appropriations to the department of social and health services in this act shall be expended for the programs and in the amounts specified in this act.

(4) The department is authorized to develop an integrated health care program designed to slow the progression of illness and disability and better manage medicaid expenditures for the aged and disabled population. Under this Washington medicaid integration partnership (WMIP), the department may combine and transfer such medicaid funds appropriated under sections 204, 206, 208, and 209 of this act as may be necessary to finance a unified health care plan for the WMIP program enrollment. The WMIP pilot projects shall not exceed a daily enrollment of ~~((13,000))~~ 6,000 persons, nor expand beyond one county, during the 2007-2009 biennium. The amount of funding assigned to the pilot projects from each program may not exceed the average per capita cost assumed in this act for individuals covered by that program, actuarially adjusted for the health condition of persons enrolled in the pilot project, times the number of clients enrolled in the pilot project. In implementing the WMIP pilot projects, the department may: (a) Withhold from calculations of "available resources" as set forth in RCW 71.24.025 a sum equal to the capitated rate for individuals enrolled in the pilots; and (b) employ capitation financing and risk-sharing arrangements in collaboration with health care service contractors licensed by the office of the insurance commissioner and qualified to participate in both the medicaid and medicare programs. The department shall conduct an evaluation of the WMIP, measuring changes in participant health outcomes, changes in patterns of service utilization, participant satisfaction, participant access to services, and the state fiscal impact.

(5)(a) The appropriations to the department of social and health services in this act shall be expended for the programs and in the amounts specified in this act. However, after May 1, 2008, unless specifically prohibited by this act, the department may transfer general fund--state appropriations for fiscal year 2008 among programs after approval by the director of financial management. However, the department shall not transfer state moneys that are provided solely for a specified purpose except as expressly provided in (b) of this subsection.

(b) To the extent that transfers under (a) of this subsection are insufficient to fund actual expenditures in excess of fiscal year 2008 caseload forecasts and utilization assumptions in the medical assistance, long-term care, foster care, adoption support, and child support programs, the department may transfer state moneys that are provided solely for a specified purpose. The department shall not transfer funds, and the director of financial management shall not approve the transfer, unless the transfer is consistent with the objective of conserving, to the maximum extent possible, the expenditure of state funds. The director of financial management shall notify the appropriate fiscal committees of the senate and house of representatives in writing seven days prior to approving any allotment modifications or transfers under this subsection. The written notification shall include a narrative explanation and justification of the changes, along with expenditures and allotments by budget unit and appropriation, both before and after any allotment modifications or transfers.

Beginning that month, the department shall separately charge regional support networks for persons served in the PALS program (~~and for use of state hospital beds for short-term commitments~~).

(d) From the general fund--state appropriations in this subsection, the secretary of social and health services shall assure that regional support networks reimburse the aging and disability services administration for the general fund--state cost of medicaid personal care services that enrolled regional support network consumers use because of their psychiatric disability.

(e) ~~(Within amounts appropriated in this subsection, the department shall contract with the Clark county regional support network for development and operation of a project demonstrating collaborative methods for providing intensive mental health services in the school setting for severely emotionally disturbed children who are medicaid eligible. The department shall increase medicaid payments to the regional support network by the amount necessary to cover the necessary and allowable costs of the demonstration, not to exceed the upper payment limit specified for the regional support network in the department's medicaid waiver agreement with the federal government after meeting all other medicaid spending requirements assumed in this subsection. The regional support network shall provide the required nonfederal share of the increased medicaid payment provided for operation of this project.~~

~~(f)~~ At least \$902,000 of the federal block grant funding appropriated in this subsection shall be used for the continued operation of the mentally ill offender pilot program.

~~(g)~~ (f) \$5,000,000 of the general fund--state appropriation for fiscal year 2008 and \$5,000,000 of the general fund--state appropriation for fiscal year 2009 are provided solely for mental health services for mentally ill offenders while confined in a county or city jail and for facilitating access to programs that offer mental health services upon release from confinement. The department is authorized to transfer up to \$418,000 of these amounts each fiscal year to the economic services program for purposes of facilitating prompt access after their release from confinement to medical and income assistance services for which defendants and offenders may be eligible.

~~(k)~~ (j) \$2,250,000 of the general fund--state appropriation for fiscal year 2008, \$2,250,000 of the general fund--state appropriation for fiscal year 2009, and \$4,500,000 of the general fund--federal appropriation are provided solely for the continued operation of community residential and support services for persons who are older adults or who have co-occurring medical and behavioral disorders and who have been discharged or diverted from a state psychiatric hospital. These funds shall be used to serve individuals whose treatment needs constitute substantial barriers to community placement, who no longer require active psychiatric treatment at an inpatient hospital level of care, and who no longer meet the criteria for inpatient involuntary commitment. Coordination of these services will be done in partnership between the mental health program and the aging and disability services administration.

~~(l)~~ (k) \$750,000 of the general fund--state appropriation for fiscal year 2008 and \$750,000 of the general fund--state appropriation for fiscal year 2009 are provided solely to continue performance-based incentive contracts to provide appropriate community support services for individuals with severe mental illness who were discharged from the state hospitals as part of the expanding community services initiative. Under the department's proposed rate system, effective August 1, 2007, each hospital's inpatient psychiatric payment rate would have been set at a percentage of that hospital's estimated per diem cost for psychiatric inpatient care during the most recent rebasing year. Within the amount provided in this subsection (1)(m), beginning August 1, 2007, each hospital's inpatient psychiatric payment rate shall instead be set at the greater of a percentage of: (i) The hospital's estimated per diem cost for psychiatric inpatient care during the most recent rebasing year; or (ii) the statewide average per diem cost for psychiatric inpatient care during the most recent rebasing year, adjusted for regional wage differences and for differences in medical education costs. At least thirty days prior to implementing adjustments to regional support network medicaid capitation rates and nonmedicaid allocations to account for changes in psychiatric inpatient payment rates, the department shall report on the proposed adjustments to the appropriations committee of the house of representatives and the ways and means committee of the senate.

~~(n)~~ (m) \$6,267,000 of the general fund--state appropriation for fiscal year 2008 and \$6,462,000 of the general fund--~~(federal)~~ state appropriation for fiscal year 2009 are provided solely to increase nonmedicaid psychiatric inpatient payment rates over fiscal year 2005 levels. It is expected that nonmedicaid rates will be set at approximately 85 percent of each hospital's medicaid psychiatric inpatient rate. At least thirty days prior to implementing adjustments to regional support network medicaid capitation rates and nonmedicaid allocations to account for changes in psychiatric inpatient payment rates, the department shall report on the proposed adjustments to the appropriations committee of the house of representatives and the ways and means committee of the senate.

~~(o)~~ ~~\$7,363,000~~ (n) \$7,396,000 of the general fund--state appropriation for fiscal year 2008, ~~(\$15,028,000)~~ \$15,146,000 of the general fund--state appropriation for fiscal year 2009, and \$13,927,000 of the general fund--federal appropriation are provided solely to increase regional support network medicaid capitation rates, or fee-for-service rates paid instead of those capitation rates, and nonmedicaid allocations by 3.0 percent effective July 1, 2007, and by an additional 3.0 percent effective July 1, 2008. The federal portion of these rate increases is contingent upon federal approval. (i) The legislature intends and expects that regional support networks and community mental health agencies will use at least 67 percent of the amounts provided in this subsection (1)(o) to increase compensation for direct care personnel above and beyond usual and customary wage increases. To this end, regional support networks shall report to the department by October 15, 2007, on planned uses of the rate increases within their network area. The report shall describe the direct care job classifications to which increases are to be provided; the number of full-time equivalent personnel employed in each classification; the annualized dollar and percentage increases to be provided each classification; the annualized dollar value of the direct care compensation increases provided, in total and as a percentage of the total rate increase; and the number of personnel in each job classification covered by a collective bargaining agreement. The department shall summarize and analyze the regional plans, and report findings, options, and recommendations to the legislature by December 1, 2007. (ii) Regional support networks shall maintain documentation of how the rate increases have been applied. Such documentation shall be subject to audit by the department. (iii) For purposes of this subsection (1)(o), "direct care staff" means persons employed by community mental health

agencies whose primary responsibility is providing direct treatment and support to people with mental illness, or whose primary responsibility is providing direct support to such staff in areas such as client scheduling, client intake, client reception, client records-keeping, and facilities maintenance. In agencies that provide both mental health and chemical dependency services, nonmedicaid funds may also be used for compensation increases for direct care staff whose primary responsibility is direct care and treatment for people with chemical dependency problems.

The department is authorized to reserve \$402,000 general fund--state and \$201,000 general fund--local of these amounts for reasonable costs incurred by Pierce county for the provision of mental health crisis and related services that exceed reimbursement levels contracted by the department. In order to receive these funds, Pierce county must demonstrate to the department that the total cost of mental health services provided by the county in accordance with formal agreements has exceeded the revenues received from the department and third-party payers for these services. The department shall determine the documentation that is required.

(q) \$504,000 of the general fund--state appropriation for fiscal year 2008 and \$1,529,000 of the general fund--state appropriation for fiscal year 2009 are provided solely to reimburse Pierce and Spokane counties for the cost of conducting 180-day commitment hearings at the state psychiatric hospitals.

(r) \$750,000 of the general fund--state appropriation for fiscal year 2008 and \$1,500,000 of the general fund--state appropriation for fiscal year 2009 are provided solely for the Spokane regional support network to implement a comprehensive plan for reducing its utilization of eastern state hospital. Key elements of the plan, which shall be developed and implemented in consultation with and with the assistance of the department, may include but shall not be limited to development of additional crisis triage, crisis stabilization, and evaluation and treatment beds; provision of housing assistance for high-utilizers of hospital and jail services who are at risk of homelessness; implementation of an intensive outpatient treatment team for persons with co-occurring disorders and other special needs; and delivery of respite care to assist elderly individuals avoid or return home after hospitalization.

TOTAL APPROPRIATION .....	(( <del>\$1,354,538,000</del> ))
	<u>\$1,371,846,000</u>

The appropriations in this subsection are subject to the following conditions and limitations:

(a) The entire health services account appropriation, \$615,000 of the general fund--state appropriation for fiscal year 2008, \$892,000 of the general fund--state appropriation for fiscal year 2009, and \$2,546,011 of the general fund--federal appropriation are provided solely for health care benefits for agency home care workers who are employed through state contracts for at least twenty hours a week. (b) Individuals receiving family support or high school transition payments as supplemental security income (SSI) state supplemental payments shall not become eligible for medical assistance under RCW 74.09.510 due solely to the receipt of SSI state supplemental payments.

(c) \$4,903,000 of the general fund--state appropriation for fiscal year 2008, \$9,295,000 of the general fund--state appropriation for fiscal year 2009, and \$15,016,000 of the general fund--federal appropriation are provided solely for community residential and support services.

First priority shall be given to children who are at risk of institutionalization. The department shall ensure that the average cost per day for all program services other than start-up costs shall not exceed \$300. In order to maximize the number of clients served and ensure the cost-effectiveness of the waiver programs, the department will strive to limit new client placement expenditures to 90 percent of the budgeted daily rate. If this can be accomplished, additional clients may be served with excess funds, provided the total projected carry-forward expenditures do not exceed the amounts estimated. The department shall electronically report to the appropriate committees of the legislature, within 45 days following each fiscal year quarter, the number of persons served with these additional community services, where they were residing, what kinds of services they were receiving prior to placement, and the actual expenditures for all community services to support these clients.

(d) \$2,799,000 of the general fund--state appropriation for fiscal year 2008, \$5,961,000 of the general fund--state appropriation for fiscal year 2009, and \$9,268,000 of the general fund--federal appropriation are provided solely for expanded community services for persons with developmental disabilities who also have community protection issues. In order to maximize the number of clients served and ensure the cost-effectiveness of the waiver programs, the department will strive to limit new client placement expenditures to 90 percent of the budgeted daily rate. If this can be accomplished, additional clients may be served with excess funds if the total projected carry-forward expenditures do not exceed the amounts estimated. The department shall implement the four new waiver programs such that decisions about enrollment levels and the amount, duration, and scope of services maintain expenditures within appropriations. The department shall electronically report to the appropriate committees of the legislature, within 45 days following each fiscal year quarter, the number of persons served with these additional community services, where they were residing, what kinds of services they were receiving prior to placement, and the actual expenditures for all community services to support these clients.

The expenditure of this appropriation is contingent on the release of all claims in this case, and total settlement costs shall not exceed the appropriation in this subsection (i). If settlement is not executed by June 30, 2008, the appropriation in this subsection (i) shall lapse.

(k) Within the amounts appropriated in this section, the department shall review current infant-toddler early intervention services statewide and report to the office of financial management by November 1, 2008, and the appropriate committees of the legislature on a recommended consistent funding approach per child for the 2009-11 biennium, recognizing the new level of funding anticipated by school district participation. By September 30, 2007, the department shall submit an expenditure and program report relating to the patients receiving treatment and other services pursuant to the funding provided in this subsection (2), as well as to other patients receiving treatment funded by the department. The report shall be submitted to the office of financial management and the appropriate policy and fiscal committees of the legislature. The appropriations in this section are subject to the following conditions and limitations:

(1) Based on quarterly expenditure reports and caseload forecasts, if the department estimates that expenditures for the medical assistance program will exceed the appropriations, the department shall take steps including but not limited to reduction of rates or elimination of optional services to reduce expenditures so that total program costs do not exceed the annual appropriation authority.

(2) In determining financial eligibility for medicaid-funded services, the department is authorized to disregard recoveries by Holocaust survivors of insurance proceeds or other assets, as defined in RCW 48.104.030.

(3) Sufficient amounts are appropriated in this section for the department to continue podiatry services for medicaid-eligible adults.

(4) Sufficient amounts are appropriated in this section for the department to provide an adult dental benefit that is at least equivalent to the benefit provided in the 2003-05 biennium.

(5) In accordance with RCW 74.46.625, \$6,000,000 of the general fund--federal appropriation is provided solely for supplemental payments to nursing homes operated by public hospital districts. The public hospital district shall be responsible for providing the required nonfederal match for the supplemental payment, and the payments shall not exceed the maximum allowable under federal rules. It is the legislature's intent that the payments shall be supplemental to and shall not in any way offset or reduce the payments calculated and provided in accordance with part E of chapter 74.46 RCW. It is the legislature's further intent that costs otherwise allowable for rate-setting and settlement against payments under chapter 74.46 RCW shall not be disallowed solely because such costs have been paid by revenues retained by the nursing home from these supplemental payments. The supplemental payments are subject to retrospective interim and final cost settlements based on the nursing homes' as-filed and final medicare cost reports. The timing of the interim and final cost settlements shall be at the department's discretion. During either the interim cost settlement or the final cost settlement, the department shall recoup from the public hospital districts the supplemental payments that exceed the medicaid cost limit and/or the medicare upper payment limit. The department shall apply federal rules for identifying the eligible incurred medicaid costs and the medicare upper payment limit.

(6) \$1,111,000 of the health services account appropriation for fiscal year 2008, \$1,110,000 of the health services account appropriation for fiscal year 2009, \$5,402,000 of the general fund--federal appropriation, \$1,590,000 of the general fund--state appropriation for fiscal year 2008, and \$1,591,000 of the general fund--state appropriation for fiscal year 2009 are provided solely for grants to rural hospitals. The department shall distribute the funds under a formula that provides a relatively larger share of the available funding to hospitals that (a) serve a disproportionate share of low-income and medically indigent patients and (b) have relatively smaller net financial margins, to the extent allowed by the federal medicaid program.

(7) \$10,546,000 of the health services account appropriation for fiscal year 2008, \$10,546,000 of the health services account--state appropriation for fiscal year 2009, and \$19,725,000 of the general fund--federal appropriation are provided solely for grants to nonrural hospitals. The department shall distribute the funds under a formula that provides a relatively larger share of the available funding to hospitals that (a) serve a disproportionate share of low-income and medically indigent patients and (b) have relatively smaller net financial margins, to the extent allowed by the federal medicaid program.

(8) The department shall continue the inpatient hospital certified public expenditures program for the 2007-2009 biennium. The program shall apply to all public hospitals, including those owned or operated by the state, except those classified as critical access hospitals or state psychiatric institutions. The department shall submit ~~(a)~~ reports to the governor and legislature by November 1, 2007, and by November 1, 2008, that evaluate ~~(s)~~ whether savings continue to exceed costs for this program. If the certified public expenditures (CPE) program in its current form is no longer cost-effective to maintain, the department shall submit a report to the governor and legislature detailing cost-effective alternative uses of local, state, and federal resources as a replacement for this program. During fiscal year 2008 and fiscal year 2009, hospitals in the program shall be paid and shall retain (a) one hundred percent of the federal portion of the allowable hospital cost for each medicaid inpatient fee-for-service claim payable by medical assistance; and (b) one hundred percent of the federal portion of the maximum disproportionate share hospital payment allowable under federal regulations. Inpatient medicaid payments shall be established using an allowable methodology that approximates the cost of claims submitted by the hospitals. Payments made to each hospital in the program in each fiscal year of the biennium shall be compared to a baseline amount ~~((that is the total of (a) the total payment for claims for services rendered during the fiscal year calculated according to the methodology employed by the legislature in the omnibus appropriations act for implementation in fiscal year 2008)).~~ The baseline amount will be determined by the total of (a) the inpatient claim payment amounts that would have been paid during the fiscal year had the hospital not been in the CPE program, and (b) disproportionate share hospital payment amounts paid to and retained by each hospital during fiscal year 2005 that pertain to fiscal year 2005. If payments during the fiscal year exceed the hospital's baseline amount, no additional payments will be made to the hospital except the federal portion of allowable disproportionate share hospital payments for which the hospital can certify allowable match. If payments during the fiscal year are less than the baseline amount, the hospital will be paid a state grant equal to the difference between payments during the fiscal year and the applicable baseline amount. Payment of the state grant shall be made in the applicable fiscal year and ~~((s))~~ distributed in monthly payments. The grants will be recalculated and redistributed as the baseline is updated during the fiscal year. The grant payments are subject to an interim ((cost)) settlement within eleven months after the end of the fiscal year. A final ((cost)) settlement shall be performed within two years after the end of the related fiscal year. To the extent that ((a final cost)) either settlement determines that a hospital has received funds in excess of what it would have received ((under the methodology in place in fiscal year 2008)) as described in this subsection, the hospital must repay ((these)) the excess amounts to the state when requested. (((\$74,066,000)) \$61,728,000 of the general fund--state appropriation for fiscal year 2008, of which \$6,570,000 is appropriated in section 204(1) of this act and the balance in this section, and (((\$59,776,000)) \$57,894,000 of the general fund--state appropriation for fiscal year 2009, of which \$6,570,000 is appropriated in section 204(1) of this act and the balance in this section, are provided solely for state grants for the participating hospitals.

(9) ~~(((\$7,314,000)) \$5,087,000 of the general fund--state appropriation for fiscal year 2008, (((\$7,800,000)) \$9,100,000 of the general fund--state appropriation for fiscal year 2009, and (((\$48,995,000)) \$65,577,000 of the general fund--federal appropriation are provided solely for development and implementation of a replacement system for the existing medicaid management information system. The amounts are conditioned on the department satisfying the requirements of section 902 of this act.~~

(10) When a person is ineligible for medicaid solely by reason of residence in an institution for mental diseases, the department shall provide the person with the same benefits as he or she would receive if eligible for medicaid, using state-only funds to the extent necessary.

(11) The department is authorized to use funds appropriated in this section to purchase goods and supplies through direct contracting with vendors when the department determines it is cost-effective to do so.

(12) The legislature affirms that it is in the state's interest for Harborview medical center to remain an economically viable component of the state's health care system.

(13) The department shall, within available resources, continue operation of the medical care services care management pilot project for clients receiving general assistance benefits in King and Pierce counties. The project may use a full or partial capitation model that includes a mechanism for shared savings.

(14) \$1,688,000 of the general fund--state appropriation for fiscal year 2008 and \$1,689,000 of the general fund--state appropriation for fiscal year 2009 are provided solely to incorporate a mental health service component to the pilot project established pursuant to subsection (13) of this section. Addition of the mental health service component authorized in this subsection is contingent upon the managed care contractor or the participating counties providing, alone or in combination, matching funds in cash or in kind, in an amount equal to one-ninth of the amounts appropriated in this subsection. The mental health service component may include care coordination, mental health services, and integrated medical and mental health service delivery for general assistance clients with mental health disorders, as well as primary care provider training and education. The department shall provide a report to the appropriate committees of the legislature by January 1, 2009, on costs, savings, and any outcomes or quality measures associated with the pilot projects during calendar year 2007 and 2008. To the extent possible, the report shall address any impact that the mental health services component has had upon clients' use of medical services, including but not limited to primary care physician's visits, emergency room utilization, and prescription drug utilization.

(15) \$341,000 of the health services account appropriation for fiscal year 2008, \$1,054,000 of the health services account appropriation for fiscal year 2009, and \$1,461,000 of the general fund--federal appropriation are provided solely to implement Second Substitute House Bill No. 1201 (foster care youth medical). If the bill is not enacted by June 30, 2007, the amounts provided in this subsection shall lapse.

(17) The department shall conduct a study to determine the financial impact associated with continuing to cover brand name medications versus the same medication in its generic form. The study shall account for all rebates paid to the state on each product studied up until the point where the generic form is less expensive, net of federally required rebates. The department shall submit its report to the legislative fiscal committees by December 1, 2007.

(18) \$198,000 of the general fund--state appropriation for fiscal year 2008 and \$268,000 of the general fund--state appropriation for fiscal year 2009 are provided solely for the first two years of a four-year project by the Seattle-King county health department to improve management of symptoms and reduce complications related to asthma among medicaid eligible children. The department shall contract with the Seattle-King county health department to have trained community health workers visit medicaid eligible children in their homes to identify and reduce exposure to asthma triggers, improve clients' self-management skills, and coordinate clients' care with their primary care and specialty providers. The contract shall include an evaluation of the impact of the services provided under the contract on urgent physician's visits, emergency room utilization, and inpatient hospitalization.

(19) ~~(\$2,450,000)~~ \$1,529,000 of the general fund--state appropriation for fiscal year 2008 and \$1,950,000 of the general fund--state appropriation for fiscal year 2009 are provided solely for development and implementation of an outreach program as provided in chapter 5, Laws of 2007 (Second Substitute Senate Bill No. 5093, health services for children). (a) Pay the premiums associated with enrollment in a medicare advantage plan for those full benefit dual eligible beneficiaries, as defined in RCW 74.09.010, who were enrolled on or before November 14, 2006 in a medicare advantage plan sponsored by an entity accredited by the national committee for quality assurance and for whom the department had been paying Part C premium as of November 2006; and

(b) Undertake, directly or by contract, a study to determine the cost-effectiveness of paying premiums for enrollment of full benefit dual eligible beneficiaries in medicare advantage plans in lieu of paying full benefit dual eligible beneficiaries' medicare cost-sharing. The study shall compare the cost and health outcomes experience, including rates of nursing home placement and costs for groups of full benefit dual eligible beneficiaries who are enrolled in medicare advantage plans, in medicare special needs plan or in medicare fee-for-service. The study shall compare the health status and utilization of health and long-term care services for the three groups, and the impact of access to a medical home and specialty care, over a period of two years to determine any differences in health status, health outcomes, and state expenditures that result. The department shall submit the results of the study to the governor and the legislature by June 30, 2009. The department is authorized to accept private cash and in-kind donations and grants to support the study and evaluation.

(b) As used in this subsection, the column headings "BA+(N)" refer to the number of credits earned since receiving the baccalaureate degree.

(c) For credits earned after the baccalaureate degree but before the masters degree, any credits in excess of forty-five credits may be counted after the masters degree. Thus, as used in this subsection, the column headings "MA+(N)" refer to the total of:

- (i) Credits earned since receiving the masters degree; and
- (ii) Any credits in excess of forty-five credits that were earned after the baccalaureate degree but before the masters degree.

(5) For the purposes of this section:

- (a) "BA" means a baccalaureate degree.
- (b) "MA" means a masters degree.
- (c) "PHD" means a doctorate degree.
- (d) "Years of service" shall be calculated under the same rules adopted by the superintendent of public instruction.

(e) "Credits" means college quarter hour credits and equivalent in-service credits computed in accordance with RCW 28A.415.020 and 28A.415.023.

(6) No more than ninety college quarter-hour credits received by any employee after the baccalaureate degree may be used to determine compensation allocations under the state salary allocation schedule and LEAP documents referenced in this act, or any replacement schedules and documents, unless:

- (a) The employee has a masters degree; or
- (b) The credits were used in generating state salary allocations before January 1, 1992.

(7) The certificated instructional staff base salary specified for each district in LEAP Document 2 and the salary schedules in subsection (4)(a) of this section include two learning improvement days. A school district is eligible for the learning improvement day funds only if the learning improvement days have been added to the 180- day contract year. If fewer days are added, the additional learning improvement allocation shall be adjusted accordingly. The additional days shall be limited to specific activities identified in the state required school improvement plan related to improving student learning that are consistent with education reform implementation, and shall not be considered part of basic education. The principal in each school shall assure that the days are used to provide the necessary school- wide, all staff professional development that is tied directly to the school improvement plan. The school principal and the district superintendent shall maintain documentation as to their approval of these activities. The length of a learning improvement day shall not be less than the length of a full day under the base contract. The superintendent of public instruction shall ensure that school districts adhere to the intent and purposes of this subsection.

(8) The salary allocation schedules established in this section are for allocation purposes only except as provided in RCW 28A.400.200(2) and subsection (7) of this section.

**Sec. 504.** 2007 c 522 s 504 (uncodified) is amended to read as follows:

	\$266,000
<b>TOTAL APPROPRIATION .....</b>	<del>(\$510,779,000)</del>
	\$551,900,000

The appropriations in this section are subject to the following conditions and limitations:

(1) ~~(\$444,366,000)~~ \$485,043,000 is provided solely for the following:

(a) A cost of living adjustment of 3.7 percent effective September 1, 2007, and another ~~((2-8))~~ 3.9 percent effective September 1, 2008, pursuant to Initiative Measure No. 732.

(b) Additional salary increases as necessary to fund the base salaries for certificated instructional staff as listed for each district in LEAP Document 2, defined in section 503(2)(b) of this act. Allocations for these salary increases shall be provided to all 262 districts that are not grandfathered to receive salary allocations above the statewide salary allocation schedule, and to certain grandfathered districts to the extent necessary to ensure that salary allocations for districts that are currently grandfathered do not fall below the statewide salary allocation schedule. These additional salary increases will result in a decrease in the number of grandfathered districts from the current thirty-four to twenty-four in the 2007-08 school year and to ~~((thirteen))~~ twelve in the 2008-09 school year.

(c) Additional salary increases to certain districts as necessary to fund the per full-time-equivalent salary allocations for certificated administrative staff as listed for each district in LEAP Document 2, defined in section 503(2)(b) of this act. These additional salary increases shall ensure a minimum salary allocation for certificated administrative staff of \$54,405 in the 2007-08 school year and ~~(\$57,097)~~ \$57,709 in the 2008-09 school year.

(d) Additional salary increases to certain districts as necessary to fund the per full-time-equivalent salary allocations for classified staff as listed for each district in LEAP Document 2, defined in section 503(2)(b) of this act. For the 2008-09

school year, funds provided in this subsection shall be used exclusively for additional salary increases for classified staff and shall not be used to supplant any other state or local funding for compensation of these staff. By December 1, 2008, the office of the superintendent of public instruction shall provide a report to the appropriate policy and fiscal committees of the legislature and the office of financial management on the compliance with the requirements in this subsection.

(e) The appropriations in this subsection (1) include associated incremental fringe benefit allocations at rates (~~(13.49)~~) 13.47 percent for the 2007-08 school year and (~~(16.05)~~) 16.03 percent for the 2008-09 school year for certificated staff and (~~(13.56)~~) 13.54 percent for the 2007-08 school year and (~~(15.24)~~) 15.22 percent for the 2008-09 school year for classified staff.

(f) The appropriations in this section include the increased portion of salaries and incremental fringe benefits for all relevant state-funded school programs in part V of this act. Increases for general apportionment (basic education) are based on the salary allocation schedules and methodology in sections 502 and 503 of this act. Increases for special education result from increases in each district's basic education allocation per student. Increases for educational service districts and institutional education programs are determined by the superintendent of public instruction using the methodology for general apportionment salaries and benefits in sections 502 and 503 of this act.

(g) The appropriations in this section provide cost of living and incremental fringe benefit allocations based on formula adjustments as follows:

**Sec. 505.** 2007 c 522 s 505 (uncodified) is amended to read as follows:

**FOR THE SUPERINTENDENT OF PUBLIC INSTRUCTION--FOR PUPIL TRANSPORTATION**

General Fund--State Appropriation (FY 2008) .....	<del>(\$262,728,000)</del> \$273,409,000
General Fund--State Appropriation (FY 2009) .....	<del>(\$264,700,000)</del> \$276,510,000
Education Legacy Trust Account--State Appropriation .....	\$25,000,000
TOTAL APPROPRIATION .....	<del>(\$552,428,000)</del> <u>\$574,919,000</u>

The appropriations in this section are subject to the following conditions and limitations:

(1) Each general fund fiscal year appropriation includes such funds as are necessary to complete the school year ending in the fiscal year and for prior fiscal year adjustments.

(2) A maximum of \$848,000 of this fiscal year 2008 appropriation and a maximum of (~~(\$866,000)~~) \$878,000 of the fiscal year 2009 appropriation may be expended for regional transportation coordinators and related activities. The transportation coordinators shall ensure that data submitted by school districts for state transportation funding shall, to the greatest extent practical, reflect the actual transportation activity of each district.

(3) \$5,000 of the fiscal year 2008 appropriation and \$5,000 of the fiscal year 2009 appropriation are provided solely for the transportation of students enrolled in "choice" programs. Transportation shall be limited to low-income students who are transferring to "choice" programs solely for educational reasons.

(4) Allocations for transportation of students shall be based on reimbursement rates of \$44.84 per weighted mile in the 2007-08 school year and (~~(\$45.48)~~) \$45.68 per weighted mile in the 2008-09 school year exclusive of salary and benefit adjustments provided in section 504 of this act. Allocations for transportation of students transported more than one radius mile shall be based on weighted miles as determined by superintendent of public instruction multiplied by the per mile reimbursement rates for the school year pursuant to the formulas adopted by the superintendent of public instruction. Allocations for transportation of students living within one radius mile shall be based on the number of enrolled students in grades kindergarten through five living within one radius mile of their assigned school multiplied by the per mile reimbursement rate for the school year multiplied by 1.29.

(5) \$25,000,000 of the education legacy trust account--state appropriation is provided solely for temporary assistance to school districts for pupil transportation programs. The office of the superintendent of public instruction, in consultation with the joint legislative audit and

review committee, will develop a method of allocating these funds to school districts. The allocation method shall be based primarily on the findings and analysis from the joint legislative and audit review committee's K-12 pupil transportation study completed in December 2006.

(6) The office of the superintendent of public instruction shall provide reimbursement funding to a school district only after the superintendent of public instruction determines that the school bus was purchased from the list established pursuant to RCW 28A.160.195(2) or a comparable competitive bid process based on the lowest price quote based on similar bus categories to those used to establish the list pursuant to RCW 28A.160.195.

(7) The superintendent of public instruction shall base depreciation payments for school district buses on the five-year average of lowest bids in the appropriate category of bus. In the final year on the depreciation schedule, the depreciation payment shall be based on the lowest bid in the appropriate bus category for that school year.

**Sec. 506.** 2007 c 522 s 507 (uncodified) is amended to read as follows:

**FOR THE SUPERINTENDENT OF PUBLIC INSTRUCTION--FOR SPECIAL EDUCATION PROGRAMS**

General Fund--State Appropriation (FY 2008)	(( <del>\$532,192,000</del> ))
	<u>\$543,469,000</u>
General Fund--State Appropriation (FY 2009)	(( <del>\$566,174,000</del> ))
	<u>\$582,053,000</u>
General Fund--Federal Appropriation	(( <del>\$435,735,000</del> ))
	<u>\$435,692,000</u>
Education Legacy Trust Account--State Appropriation	\$14,561,000
<b>TOTAL APPROPRIATION</b>	<b>((<del>\$1,548,662,000</del>))</b>
	<b><u>\$1,575,775,000</u></b>

The appropriations in this section are subject to the following conditions and limitations:

(1) Funding for special education programs is provided on an excess cost basis, pursuant to RCW 28A.150.390. School districts shall ensure that special education students as a class receive their full share of the general apportionment allocation accruing through sections 502 and 504 of this act. To the extent a school district cannot provide an appropriate education for special education students under chapter 28A.155 RCW through the general apportionment allocation, it shall provide services through the special education excess cost allocation funded in this section.

(2)(a) The superintendent of public instruction shall ensure that:

- (i) Special education students are basic education students first;
- (ii) As a class, special education students are entitled to the full basic education allocation; and
- (iii) Special education students are basic education students for the entire school day.

(b) The superintendent of public instruction shall adopt the full cost method of excess cost accounting, as designed by the committee and recommended by the superintendent, pursuant to section 501(1)(k), chapter 372, Laws of 2006, and ensure that all school districts adopt the method beginning in the 2007-08 school year.

(3) Each fiscal year appropriation includes such funds as are necessary to complete the school year ending in the fiscal year and for prior fiscal year adjustments.

(4) The superintendent of public instruction shall distribute state funds to school districts based on two categories: (a) The first category includes (i) children birth through age two who are eligible for the optional program for special education eligible developmentally delayed infants and toddlers, and (ii) students eligible for the mandatory special education program and who are age three or four, or five and not yet enrolled in kindergarten; and (b) the second category includes students who are eligible for the mandatory special education program and who are age five and enrolled in kindergarten and students age six through 21.

(5)(a) For the 2007-08 and 2008-09 school years, the superintendent shall make allocations to each district based on the sum of:

(i) A district's annual average headcount enrollment of students ages birth through four and those five year olds not yet enrolled in kindergarten, as defined in subsection (4) of this section, multiplied by the district's average basic education allocation per full-time equivalent student, multiplied by 1.15; and

(ii) A district's annual average full-time equivalent basic education enrollment multiplied by the funded enrollment percent determined pursuant to subsection (6)(b) of this section, multiplied by the district's average basic education allocation per full-time equivalent student multiplied by 0.9309.

(b) For purposes of this subsection, "average basic education allocation per full-time equivalent student" for a district shall be based on the staffing ratios required by RCW 28A.150.260 and shall not include enhancements, secondary vocational education, or small schools.

(6) The definitions in this subsection apply throughout this section.

(a) "Annual average full-time equivalent basic education enrollment" means the resident enrollment including students enrolled through choice (RCW 28A.225.225) and students from nonhigh districts (RCW 28A.225.210) and excluding students residing in another district enrolled as part of an interdistrict cooperative program (RCW 28A.225.250).

(b) "Enrollment percent" means the district's resident special education annual average enrollment, excluding the birth through age four enrollment and those five year olds not yet enrolled in kindergarten, as a percent of the district's annual average full-time equivalent basic education enrollment.

Each district's general fund--state funded special education enrollment shall be the lesser of the district's actual enrollment percent or 12.7 percent.

(7) At the request of any interdistrict cooperative of at least 15 districts in which all excess cost services for special education students of the districts are provided by the cooperative, the maximum enrollment percent shall be calculated in accordance with subsection (6)(b) of this section, and shall be calculated in the aggregate rather than individual district units. For purposes of this subsection, the average basic education allocation per full-time equivalent student shall be calculated in the aggregate rather than individual district units.

(8) To the extent necessary, ~~((~~\$30,690,000~~))~~ \$53,926,000 of the general fund--state appropriation and \$29,574,000 of the general fund--federal appropriation are provided for safety net awards for districts with demonstrated needs for special education funding beyond the amounts provided in subsection (5) of this section. If the federal safety net awards based on the federal eligibility threshold exceed the (amount appropriated) federal appropriation in this subsection (8) in any fiscal year, the superintendent shall expend all available federal discretionary funds necessary to meet this need. Safety net funds shall be awarded by the state safety net oversight committee subject to the following conditions and limitations:

(a) The committee shall consider unmet needs for districts that can convincingly demonstrate that all legitimate expenditures for special education exceed all available revenues from state funding formulas. In the determination of need, the committee shall also consider additional

available revenues from federal sources. Differences in program costs attributable to district philosophy, service delivery choice, or accounting practices are not a legitimate basis for safety net awards.

(b) The committee shall then consider the extraordinary high cost needs of one or more individual special education students. Differences in costs attributable to district philosophy, service delivery choice, or accounting practices are not a legitimate basis for safety net awards.

The appropriations in sections 603 through 609 of this act are subject to the following conditions and limitations:

(1) "Institutions" means the institutions of higher education receiving appropriations under sections 603 through 609 of this act.

(2)(a) The salary increases provided or referenced in this subsection and described in section 603 and part IX of this act shall be the only allowable salary increases provided at institutions of higher education, excluding increases associated with normally occurring promotions and increases related to faculty and professional staff retention, and excluding increases associated with employees under the jurisdiction of chapter 41.56 RCW.

(b) For employees under the jurisdiction of chapter 41.56 RCW, salary increases will be in accordance with the applicable collective bargaining agreement. However, an increase shall not be provided to any classified employee whose salary is above the approved salary range maximum for the class to which the employee's position is allocated.

(c) Each institution of higher education receiving appropriations for salary increases under sections 604 through 609 of this act may provide additional salary increases from other sources to instructional and research faculty, exempt professional staff, teaching and research assistants, as classified by the office of financial management, and all other nonclassified staff, but not including employees under (~~RCW 28B.16.015~~) chapter 41.80 RCW. Any additional salary increase granted under the authority of this subsection (2)(c) shall not be included in an institution's salary base for future state funding. It is the intent of the legislature that general fund--state support for an institution shall not increase during the current or any future biennium as a result of any salary increases authorized under this subsection (2)(c).

(d) The legislature, the office of financial management, and other state agencies need consistent and accurate personnel data from institutions of higher education for policy planning purposes. Institutions of higher education shall report personnel data to the department of personnel for inclusion in the department's data warehouse. Uniform reporting procedures shall be established by the department of personnel for use by the reporting institutions, including provisions for common job classifications and common definitions of full-time equivalent staff. Annual contract amounts, number of contract months, and funding sources shall be consistently reported for employees under contract.

(e) By January 1, 2008, the office of financial management shall work with the institutions of higher education, and with staff from the legislative fiscal committees and the legislative evaluation and accountability program, to identify ways in which the office's "compensation impact model" should be revised or replaced to make the system less costly for institutions to maintain, and more transparent, informative, and useful to the legislature and institutions, while providing information needed to accurately and efficiently negotiate and budget employee compensation changes.

(3) The technical colleges may increase tuition and fees in excess of the fiscal growth factor to conform with the percentage increase in community college operating fees.

(4) The tuition fees, as defined in chapter 28B.15 RCW, charged to full-time students at the state's institutions of higher education for the 2007-08 and 2008-09 academic years, other than the summer term, shall be adjusted by the governing boards of the state universities, regional universities, The Evergreen State College, and the state board for community and technical colleges. Tuition fees may be increased in excess of the fiscal growth factor under RCW 43.135.055.

In addition to the tuition authorization provided under this subsection, amounts appropriated in this budget provide an amount approximately equal to a one percent tuition increase per academic year for the state board for community and technical colleges.

(5) For the 2007-09 biennium, the governing boards and the state board may adjust full-time operating fees for factors that may include time of day and day of week, as well as delivery method and campus, to encourage full use of the state's educational facilities and resources.

(6) Technical colleges may increase their building fee in excess of the fiscal growth factor until parity is reached with the community colleges.

(7) In addition to waivers granted under the authority of RCW 28B.15.910, the governing boards and the state board may waive all or a portion of operating fees for any student. State general fund appropriations shall not be provided to replace tuition and fee revenue foregone as a result of waivers granted under this subsection.

(8) Pursuant to RCW 43.135.055, institutions of higher education receiving appropriations under sections 603 through 609 of this act are authorized to increase summer term tuition in excess of the fiscal growth factor during the 2007-09 biennium.
