(1) Taxpayers seeking a new seller's permit or to renew or reinstate a seller's permit, other than taxpayers subject to the provisions of section 202 of this act, must apply to the department in a form and manner prescribed by the department. The department must rule on applications within sixty days of receiving a complete application. An application must be denied if the department determines that, based on the nature of the applicant's business, the applicant is not entitled to make purchases at wholesale or is otherwise prohibited from using a seller's permit. The department may also deny an application if it determines that denial would be in the best interest of collecting taxes due under this title. The department's decision whether to approve or deny an application may be based on tax returns previously filed with the department by the applicant, a current or previous examination of the applicant's books and records by the department, information provided by the applicant in the master application and the seller's permit application, and other information available to the department.

(2) Notwithstanding subsection (1) of this section, the department may issue a seller's permit to a taxpayer that has not applied for the permit if it appears to the department's satisfaction, based on the nature of the taxpayer's business activities and any other information available to the department, that the taxpayer is entitled to make purchases at wholesale.

(3) Seller's permits issued by the department will be in a form prescribed by the department, which may include an electronic form, and must contain a unique identifying number assigned by the department.

(4)(a) Except as otherwise provided in this section, seller's permits issued, renewed, or reinstated under this section will be valid for a period of forty-eight months from the date of issuance, renewal, or reinstatement.

(b) A seller's permit issued to taxpayers who register with the department under RCW 82.32.030 after January 1, 2009, is valid for a period of twenty-four months and may be renewed for the period prescribed in (a) of this subsection (4).

(c) A seller's permit is no longer valid if the permit holder's certificate of registration is revoked by the department or the person otherwise ceases to engage in business.

(5)(a) The department may revoke a seller's permit of a taxpayer for any of the following reasons:

(i) The taxpayer used or allowed or caused its seller's permit to be used to purchase any item or service without payment of sales tax, but the taxpayer or other purchaser was not entitled to use the seller's permit for the purchase;

(ii) The department issued the seller's permit to the taxpayer in error;

(iii) The department determines that the taxpayer is no longer entitled to make purchases at wholesale; or

(iv) The department determines that revocation of the seller's permit would be in the best interest of collecting taxes due under this title.

2009 REGULAR SESSION

(b) The notice of revocation must be in writing and is effective on the date specified in the revocation notice. The notice must also advise the taxpayer of its right to a review by the department.

(c) The department may refuse to reinstate a seller's permit revoked under (a)(i) of this subsection until all taxes, penalties, and interest due on any improperly purchased item or service have been paid in full. In the event a taxpayer whose seller's permit has been revoked under this subsection reorganizes, the new business resulting from the reorganization is not entitled to a seller's permit until all taxes, penalties, and interest due on any improperly purchased item or service have been paid in full.

(d) For purposes of this subsection, "reorganize" or "reorganization" means: (i) The transfer, however effected, of a majority of the assets of one business to another business where any of the persons having an interest in the ownership or management in the former business maintain an ownership or management interest in the new business, either directly or indirectly; (ii) a mere change in identity or form of ownership, however effected; or (iii) the new business is a mere continuation of the former business based on significant shared features such as owners, personnel, assets, or general business activity.

(6) The department may provide lists of valid and revoked seller's permit numbers on its web site.

(7) The department must provide by rule for the review of the department's decision to deny, revoke, or refuse to reinstate a seller's permit. Such review must be consistent with the requirements of chapter 34.05 RCW.

(8) As part of its continuing efforts to educate taxpayers on their sales and use tax responsibilities, the department will educate taxpayers on the appropriate use of a seller's permit or uniform exemption certificate authorized under RCW 82.04.470 and the consequences of misusing such permits or exemption certificates.

NEW SECTION. Sec. 202. A new section is added to chapter 82.32 RCW to read as follows:

(1)(a) Contractors seeking a new seller's permit or to renew or reinstate a seller's permit must apply to the department in a form and manner prescribed by the department.

(b) As part of the application, the contractor must report the dollar amount of all purchases of materials and labor during the preceding twelve months for retail construction activity, speculative building, public road construction, and government contracting. If the contractor was not engaged in business as a contractor during the preceding twelve months, the contractor may provide an estimate of the dollar amount of purchases of materials and labor for retail construction activity, speculative building, public road construction, and government contracting during the twelve-month period for which the seller's permit will be valid.

(c) The department must rule on applications within sixty days of receiving a complete application.

(d)(i) An application must be denied if:

(A) The department determines that the applicant is not entitled to make purchases at wholesale;

(B) The application contains any material misstatement;

(C) The application is incomplete; or

(D) Less than twenty-five percent of the taxpayer's total dollar amount of actual or, if applicable, estimated material and labor purchases as reported on the application is for retail construction activity performed by the applicant. However, the department may approve an application not meeting the criteria in this subsection (1)(d)(i)(D) if the department is satisfied that approval is unlikely to jeopardize collection of the taxes due under this title.

(ii) The department may also deny an application if the department determines that denial would be in the best interest of collecting taxes due under this title.

ONE-HUNDRED FOURTH DAY, APRIL 25, 2009

2009 REGULAR SESSION

(e) Applications to renew a seller's permit may not be made more than ninety days before the expiration of the seller's permit.

(2) Sellers' permits issued by the department will be in a form prescribed by the department, which may include an electronic form, and must contain a unique identifying number assigned by the department.

(3)(a) Sellers' permits issued, renewed, or reinstated under this section will be valid for a period of twelve months from the date of issuance, renewal, or reinstatement.

(b) A seller's permit is no longer valid if the permit holder's certificate of registration is revoked by the department or the person otherwise ceases to engage in business.

(4)(a) The department may revoke a seller's permit of a contractor for any of the following reasons:

(i) The contractor used or allowed or caused its seller's permit to be used to purchase any item or service without payment of sales tax, but the contractor or other purchaser was not entitled to use the seller's permit for the purchase;

(ii) The department issued the seller's permit to the contractor in error;

(iii) The department determines that the contractor is no longer entitled to make purchases at wholesale; or

(iv) The department determines that revocation of the seller's permit would be in the best interest of collecting taxes due under this title.

(b) The notice of revocation must be in writing and is effective on the date specified in the revocation notice. The notice must also advise the contractor of its right to a review by the department.

(c) The department may refuse to reinstate a seller's permit revoked under (a)(i) of this subsection until all taxes, penalties, and interest due on any improperly purchased item or service have been paid in full. In the event a contractor whose seller's permit has been revoked under this subsection reorganizes, the new business resulting from the reorganization is not entitled to a seller's permit until all taxes, penalties, and interest due on any improperly purchased item or service have been paid in full.

(d) For purposes of this subsection, "reorganize" or "reorganization" means: (i) The transfer, however effected, of a majority of the assets of one business to another business where any of the persons having an interest in the ownership or management in the former business maintain an ownership or management interest in the new business, either directly or indirectly; (ii) a mere change in identity or form of ownership, however effected; or (iii) the new business is a mere continuation of the former business based on significant shared features such as owners, personnel, assets, or general business activity.

(5) The department may provide lists of valid and revoked sellers' permit numbers on its web site.

(6) The department must provide by rule for the review of the department's decision to deny, revoke, or refuse to reinstate a seller's permit. Such review must be consistent with the requirements of chapter 34.05 RCW.

(7) As part of its continuing efforts to educate taxpayers on their sales and use tax responsibilities, the department will educate taxpayers on the appropriate use of a seller's permit or uniform exemption certificate authorized under RCW 82.04.470 and the consequences of misusing such permits or exemption certificates.

(8) As used in this section, the following definitions apply:

(a) "Contractor" means a person who engages in any retail construction activity, or who engages in any activity that brings the person within the definition of consumer in RCW 82.04.190 (3) or (6), or who is a speculative builder as defined by rule of the department.

(b) "Government contracting" means the activity described in RCW 82.04.190(6).

(c) "Public road construction" means the activity described in RCW 82.04.190(3).

(d) "Retail construction activity" means any activity defined as a retail sale in RCW 82.04.050(2) (b) or (c).

(e) "Speculative building" means the activities of a speculative builder as the term "speculative builder" is defined by rule of the department.

NEW SECTION. Sec. 203. A new section is added to chapter 82.32 RCW to read as follows:

The department of revenue must, by January 1, 2011, develop a system, as resources permit, allowing sellers to voluntarily verify through electronic means the validity of sellers' permits presented to sellers from their customers.

NEW SECTION. Sec. 204. A new section is added to chapter 82.32 RCW to read as follows:

A person must, upon request of the department, provide the department with a copy of all sellers' permits, or uniform exemption certificates as authorized in RCW 82.04.470, accepted by that person during the period specified by the department.

Sec. 205. RCW 82.04.470 and 2007 c 6 s 1201 are each amended to read as follows:

(1) Unless a seller has taken from the buyer a ~~((resale certificate))~~ seller's permit, the burden of proving that a sale of tangible personal property, extended warranty, or of services, was not a sale at retail shall be upon the person who made it.

(2) If a seller does not receive a ~~((resale certificate))~~ seller's permit at the time of the sale, have a ~~((resale certificate))~~ seller's permit on file at the time of the sale, or obtain a ~~((resale certificate))~~ seller's permit from the buyer within a reasonable time after the sale, the seller shall remain liable for the tax as provided in RCW 82.08.050, unless the seller can demonstrate facts and circumstances according to rules adopted by the department ~~((of revenue))~~ that show the sale was properly made without payment of retail sales tax.

(3) ~~((The department may provide by rule for suggested forms for resale certificates or equivalent documents containing the information that will be accepted as resale certificates. The department shall provide by rule the categories of items or services that must be specified on resale certificates and the business classifications that may use a blanket resale certificate.~~

~~((4) As used in this section, "resale certificate" means documentation provided by a buyer to a seller stating that the purchase is for resale in the regular course of business, or that the buyer is exempt from retail sales tax, and containing the following information))~~ A seller's permit must contain such information as required by the department, which may include, but is not limited to:

(a) The name and address of the buyer;

(b) The ~~((uniform business identifier or revenue registration number of the buyer, if the buyer is required to be registered))~~ seller's permit number issued by the department;

(f) A statement that the items or services purchased either:

(i) Are purchased for resale in the regular course of business; or
(ii) are ~~((exempt from tax pursuant to statute))~~ otherwise purchased at wholesale;

(g) A statement that the buyer acknowledges that the buyer is solely responsible for purchasing within the categories specified on the ~~((certificate))~~ permit and that misuse of the resale ~~((or exemption))~~ privilege claimed on the ((certificate)) permit subjects the buyer to ~~((a penalty of fifty percent of the tax due))~~ revocation of the seller's permit, penalties as provided in RCW 82.32.290 and 82.32.291, in addition to the tax, interest, and any other penalties imposed by law;

(h) The name of the individual authorized to sign the ~~((certificate))~~ permit, printed in a legible fashion;

ONE-HUNDRED FOURTH DAY, APRIL 25, 2009

2009 REGULAR SESSION

(i) The signature of the authorized individual; ~~((and))~~

(j) The name of the seller;

(k) The date the permit was issued, renewed, or reinstated by the department;(l) The date that the permit expires;(m) Instructions for renewing the permit; and(n) A statement that the department is authorized to obtain information concerning the buyer's purchase of items or services under the permit from the seller to verify whether the buyer was authorized to purchase such items or services without payment of retail sales tax.~~((5))~~ (4) Subsection ~~((4))~~ (3)(h)(i) and ~~((and))~~ (j) of this section does not apply if the ~~((certificate))~~ permit is provided in a format other than paper. If the ~~((certificate))~~ permit is provided in a format other than paper, the name of the individual providing the ~~((certificate))~~ permit must be included in the ~~((certificate))~~ permit.(5)(a) In lieu of a seller's permit issued by the department under section 201 or 202 of this act, a seller may accept from a buyer that is not required to be registered with the department under RCW 82.32.030 a properly completed:(i) Uniform sales and use tax exemption certificate developed by the multistate tax commission; or(ii) Uniform exemption certificate approved by the streamlined sales and use tax agreement governing board.(b) A seller who accepts a properly completed exemption certificate as authorized in (a) of this subsection is relieved of the obligation to collect and remit retail sales tax.(6) In lieu of a seller's permit issued by the department under section 201 or 202 of this act, a seller may accept from a buyer that is required to be registered with the department under RCW 82.32.030 a properly completed uniform exemption certificate approved by the streamlined sales and use tax agreement governing board as long as that certificate includes the seller's permit number issued by the department to the buyer.(7) As used in this section, "seller's permit" means documentation issued by the department under section 201 or 202 of this act and provided by a buyer to a seller to substantiate a wholesale sale.**Sec. 206.** RCW 82.08.050 and 2007 c 6 s 1202 are each amended to read as follows:

(1) The tax hereby imposed shall be paid by the buyer to the seller, and each seller shall collect from the buyer the full amount of the tax payable in respect to each taxable sale in accordance with the schedule of collections adopted by the department pursuant to the provisions of RCW 82.08.060.

(2) The tax required by this chapter, to be collected by the seller, shall be deemed to be held in trust by the seller until paid to the department, and any seller who appropriates or converts the tax collected to his or her own use or to any use other than the payment of the tax to the extent that the money required to be collected is not available for payment on the due date as prescribed in this chapter is guilty of a gross misdemeanor.

(3) In case any seller fails to collect the tax herein imposed or, having collected the tax, fails to pay it to the department in the manner prescribed by this chapter, whether such failure is the result of his or her own acts or the result of acts or conditions beyond his or her control, he or she shall, nevertheless, be personally liable to the state for the amount of the tax, unless the seller has taken from the buyer a ~~((resale certificate))~~ seller's permit or uniform exemption certificate authorized under RCW 82.04.470, a copy of a direct pay permit issued under RCW 82.32.087, a direct mail form under RCW 82.32.730(5), or other information required under the streamlined sales and use tax agreement, or information required under rules adopted by the department.

(4) Sellers shall not be relieved from personal liability for the amount of the tax unless they maintain proper records of exempt transactions and provide them to the department when requested.

(5) Sellers are not relieved from personal liability for the amount of tax if they fraudulently fail to collect the tax or if they solicit purchasers to participate in an unlawful claim of exemption.

(6) Sellers are not relieved from personal liability for the amount of tax if they accept an exemption certificate from a purchaser claiming an entity-based exemption if:

(a) The subject of the transaction sought to be covered by the exemption certificate is actually received by the purchaser at a location operated by the seller in Washington; and

(b) Washington provides an exemption certificate that clearly and affirmatively indicates that the claimed exemption is not available in Washington. Graying out exemption reason types on a uniform form and posting it on the department's web site is a clear and affirmative indication that the grayed out exemptions are not available.

(7)(a) Sellers are relieved from personal liability for the amount of tax if they obtain a fully completed exemption certificate or capture the relevant data elements required under the streamlined sales and use tax agreement within ninety days, or a longer period as may be provided by rule by the department, subsequent to the date of sale.

(b) If the seller has not obtained an exemption certificate or all relevant data elements required under the streamlined sales and use tax agreement within the period allowed subsequent to the date of sale, the seller may, within one hundred twenty days, or a longer period as may be provided by rule by the department, subsequent to a request for substantiation by the department, either prove that the transaction was not subject to tax by other means or obtain a fully completed exemption certificate from the purchaser, taken in good faith.

(c) Sellers are relieved from personal liability for the amount of tax if they obtain a blanket exemption certificate for a purchaser with which the seller has a recurring business relationship. The department may not request from a seller renewal of blanket certificates or updates of exemption certificate information or data elements if there is a recurring business relationship between the buyer and seller. For purposes of this subsection (7)(c), a "recurring business relationship" means at least one sale transaction within a period of twelve consecutive months.

(8) The amount of tax, until paid by the buyer to the seller or to the department, shall constitute a debt from the buyer to the seller and any seller who fails or refuses to collect the tax as required with intent to violate the provisions of this chapter or to gain some advantage or benefit, either direct or indirect, and any buyer who refuses to pay any tax due under this chapter is guilty of a misdemeanor.

(9) The tax required by this chapter to be collected by the seller shall be stated separately from the selling price in any sales invoice or other instrument of sale. On all retail sales through vending machines, the tax need not be stated separately from the selling price or collected separately from the buyer. For purposes of determining the tax due from the buyer to the seller and from the seller to the department it shall be conclusively presumed that the selling price quoted in any price list, sales document, contract or other agreement between the parties does not include the tax imposed by this chapter, but if the seller advertises the price as including the tax or that the seller is paying the tax, the advertised price shall not be considered the selling price.

(10) Where a buyer has failed to pay to the seller the tax imposed by this chapter and the seller has not paid the amount of the tax to the department, the department may, in its discretion, proceed directly against the buyer for collection of the tax, in which case a penalty of ten percent may be added to the amount of the tax for failure of the buyer to pay the same to the seller, regardless of when the tax may be collected by the department; and all of the provisions of chapter 82.32 RCW, including those relative to interest and penalties, shall apply in addition; and, for the sole purpose of applying the various

provisions of chapter 82.32 RCW, the twenty-fifth day of the month following the tax period in which the purchase was made shall be considered as the due date of the tax.

(11) Notwithstanding subsections (1) through (10) of this section, any person making sales is not obligated to collect the tax imposed by this chapter if:

(a) The person's activities in this state, whether conducted directly or through another person, are limited to:

- (i) The storage, dissemination, or display of advertising;
- (ii) The taking of orders; or
- (iii) The processing of payments; and

(b) The activities are conducted electronically via a web site on a server or other computer equipment located in Washington that is not owned or operated by the person making sales into this state nor owned or operated by an affiliated person. "Affiliated persons" has the same meaning as provided in RCW 82.04.424.

(12) Subsection (11) of this section expires when: (a) The United States congress grants individual states the authority to impose sales and use tax collection duties on remote sellers; or (b) it is determined by a court of competent jurisdiction, in a judgment not subject to review, that a state can impose sales and use tax collection duties on remote sellers.

(13) For purposes of this section, "seller" includes a certified service provider, as defined in RCW 82.32.020, acting as agent for the seller.

Sec. 207. RCW 82.08.130 and 1993 sp.s. c 25 s 702 are each amended to read as follows:

(1) If a buyer normally is engaged in both consuming and reselling certain types of articles of tangible personal property and is not able to determine at the time of purchase whether the particular property acquired will be consumed or resold, the buyer may use a ~~((resale certificate))~~ seller's permit or, if eligible, a uniform exemption certificate authorized under RCW 82.04.470 for the entire purchase if the buyer principally resells the articles according to the general nature of the buyer's business. The buyer shall account for the value of any articles purchased with a ~~((resale certificate))~~ seller's permit or uniform exemption certificate authorized under RCW 82.04.470 that are used by the buyer and remit the deferred sales tax on the articles to the department.

(2) A buyer who pays a tax on all purchases and subsequently resells an article or service at retail, without intervening use by the buyer, shall collect the tax from the purchaser as otherwise provided by law and is entitled to a deduction or credit on the buyer's tax return equal to, in the case of a deduction, the cost to the buyer of the property or service resold upon which retail sales tax has been paid, and in the case of a credit, the amount of state and local sales taxes paid with respect to the property or service resold. The deduction or credit is allowed only if the taxpayer keeps and preserves records that show the names of the persons from whom the articles or services were purchased, the date of the purchase, the type of articles or services, the amount of the purchase, and the tax that was paid.

(3) The department ~~((shall))~~ must provide by rule for the refund or credit of retail sales tax paid by a buyer for purchases that are later ~~((sold at wholesale))~~ resold without intervening use by the buyer or for purchases that would otherwise have met the definition of wholesale sale if the buyer had provided the seller with a seller's permit or uniform exemption certificate as authorized in RCW 82.04.470.

(4) Nothing in this section may be construed to authorize a deduction or credit in respect to the purchase of services if the services are not of a type that can be sold at wholesale under the definition of wholesale sale in RCW 82.04.060.

Sec. 208. RCW 82.14B.042 and 2002 c 341 s 10 are each amended to read as follows:

(1) The state enhanced 911 excise taxes imposed by this chapter must be paid by the subscriber to the local exchange company providing the switched access line or the radio

communications service company providing the radio access line, and each local exchange company and each radio communications service company shall collect from the subscriber the full amount of the taxes payable. The state enhanced 911 excise taxes required by this chapter to be collected by the local exchange company or the radio communications service company are deemed to be held in trust by the local exchange company or the radio communications service company until paid to the department. Any local exchange company or radio communications service company that appropriates or converts the tax collected to its own use or to any use other than the payment of the tax to the extent that the money collected is not available for payment on the due date as prescribed in this chapter is guilty of a gross misdemeanor.

(2) If any local exchange company or radio communications service company fails to collect the state enhanced 911 excise tax or, after collecting the tax, fails to pay it to the department in the manner prescribed by this chapter, whether such failure is the result of its own act or the result of acts or conditions beyond its control, the local exchange company or the radio communications service company is personally liable to the state for the amount of the tax, unless the local exchange company or the radio communications service company has taken from the buyer in good faith ~~((a properly executed resale certificate under RCW 82.14B.200))~~ documentation, in a form and manner prescribed by the department, stating that the buyer is not a subscriber or is otherwise not liable for the state enhanced 911 tax.

(3) The amount of tax, until paid by the subscriber to the local exchange company, the radio communications service company, or to the department, constitutes a debt from the subscriber to the local exchange company or the radio communications service company. Any local exchange company or radio communications service company that fails or refuses to collect the tax as required with intent to violate the provisions of this chapter or to gain some advantage or benefit, either direct or indirect, and any subscriber who refuses to pay any tax due under this chapter is guilty of a misdemeanor. The state enhanced 911 excise taxes required by this chapter to be collected by the local exchange company or the radio communications service company must be stated separately on the billing statement that is sent to the subscriber.

(4) If a subscriber has failed to pay to the local exchange company or the radio communications service company the state enhanced 911 excise taxes imposed by this chapter and the local exchange company or the radio communications service company has not paid the amount of the tax to the department, the department may, in its discretion, proceed directly against the subscriber for collection of the tax, in which case a penalty of ten percent may be added to the amount of the tax for failure of the subscriber to pay the tax to the local exchange company or the radio communications service company, regardless of when the tax is collected by the department. Tax under this chapter is due as provided under RCW 82.14B.061.

Sec. 209. RCW 82.14B.200 and 2002 c 341 s 12 are each amended to read as follows:

(1) Unless a local exchange company or a radio communications service company has taken from the buyer ~~((a resale certificate or equivalent document under RCW 82.04.470))~~ documentation, in a form and manner prescribed by the department, stating that the buyer is not a subscriber or is otherwise not liable for the tax, the burden of proving that a sale of the use of a switched access line or radio access line was not a sale to a subscriber or was not otherwise subject to the tax is upon the person who made the sale.

(2) If a local exchange company or a radio communications service company does not receive ~~((a resale certificate))~~ documentation, in a form and manner prescribed by the department, stating that the buyer is not a subscriber or is otherwise not liable for the tax at the time of the sale, have ~~((a resale certificate))~~ such documentation on file at the time of the

sale, or obtain ((a resale certificate)) such documentation from the buyer within a reasonable time after the sale, the local exchange company or the radio communications service company remains liable for the tax as provided in RCW 82.14B.042, unless the local exchange company or the radio communications service company can demonstrate facts and circumstances according to rules adopted by the department of revenue that show the sale was properly made without payment of the state enhanced 911 excise tax.

(3) The penalty imposed by RCW 82.32.291 may not be assessed on state enhanced 911 excise taxes due but not paid as a result of the improper use of ((a resale certificate)) documentation stating that the buyer is not a subscriber or is otherwise not liable for the state enhanced 911 tax. This subsection does not prohibit or restrict the application of other penalties authorized by law.

Sec. 210. RCW 82.32.087 and 2001 c 188 s 2 are each amended to read as follows:

(1) The director may grant a direct pay permit to a taxpayer who demonstrates, to the satisfaction of the director, that the taxpayer meets the requirements of this section. The direct pay permit allows the taxpayer to accrue and remit directly to the department use tax on the acquisition of tangible personal property or sales tax on the sale of or charges made for labor and/or services, in accordance with all of the applicable provisions of this title. Any taxpayer that uses a direct pay permit shall remit state and local sales or use tax directly to the department. The agreement by the purchaser to remit tax directly to the department, rather than pay sales or use tax to the seller, relieves the seller of the obligation to collect sales or use tax and requires the buyer to pay use tax on the tangible personal property and sales tax on the sale of or charges made for labor and/or services.

(2)(a) A taxpayer may apply for a permit under this section if the taxpayer (i) is subject to mandatory use of electronic funds transfer under RCW 82.32.080; or (ii) makes purchases subject to the taxes imposed under chapter 82.08 or 82.12 RCW in excess of ten million dollars per calendar year.

(b) Application for a permit must be made in writing to the director in a form and manner prescribed by the department. A taxpayer who transacts business in two or more locations may submit one application to cover the multiple locations.

(c) The director shall review a direct pay permit application in a timely manner and shall notify the applicant, in writing, of the approval or denial of the application. The department shall approve or deny an application based on the applicant's ability to comply with local government use tax coding capabilities and responsibilities; requirements for vendor notification; recordkeeping obligations; electronic data capabilities; and tax reporting procedures. Additionally, an application may be denied if the director determines that denial would be in the best interest of collecting taxes due under this title. The department shall provide a direct pay permit to an approved applicant with the notice of approval. The direct pay permit shall clearly state that the holder is solely responsible for the accrual and payment of the tax imposed under chapters 82.08 and 82.12 RCW and that the seller is relieved of liability to collect tax imposed under chapters 82.08 and 82.12 RCW on all sales to the direct pay permit holder. The taxpayer may petition the director for reconsideration of a denial.

(d) A taxpayer who uses a direct pay permit must continue to maintain records that are necessary to a determination of the tax liability in accordance with this title. A direct pay permit is not transferable and the use of a direct pay permit may not be assigned to a third party.

(3) Taxes for which the direct pay permit is used are due and payable on the tax return for the reporting period in which the taxpayer (a) receives the tangible personal property purchased or in which the labor and/or services are performed or (b) receives an invoice for such property or such labor and/or services, whichever period is earlier.

(4) The holder of a direct pay permit shall furnish a copy of the direct pay permit to each vendor with whom the taxpayer has opted to use a direct pay permit. Sellers who make sales upon which the sales or use tax is not collected by reason of the provisions of this section, in addition to existing requirements under this title, shall maintain a copy of the direct pay permit and any such records or information as the department may specify.

(5) A direct pay permit is subject to revocation by the director at any time the department determines that the taxpayer has violated any provision of this section or that revocation would be in the best interests of collecting the taxes due under this title. The notice of revocation must be in writing and is effective either as of the end of the taxpayer's next normal reporting period or a date deemed appropriate by the director and identified in the revocation notice. The taxpayer may petition the director for reconsideration of a revocation and reinstatement of the permit.

(6) Any taxpayer who chooses to no longer use a direct pay permit or whose permit is revoked by the department, shall return the permit to the department and immediately make a good faith effort to notify all vendors to whom the permit was given, advising them that the permit is no longer valid.

Sec. 212. RCW 82.32.291 and 1993 sp.s. c 25 s 703 are each amended to read as follows:

Any person who uses a (~~resale certificate~~) seller's permit to purchase items or services without payment of sales tax, or who uses a uniform exemption certificate developed by the multistate tax commission or approved by the streamlined sales and use tax agreement governing board to claim a purchase for resale exemption, and who is not entitled to use the seller's permit or exemption certificate for the purchase shall be assessed a penalty of fifty percent of the tax due, in addition to all other taxes, penalties, and interest due, on the improperly purchased item or service. The department may waive the penalty imposed under this section if it finds that the use of the seller's permit or exemption certificate was due to circumstances beyond the taxpayer's control or if the seller's permit or exemption certificate was properly used for purchases for dual purposes. The department shall define by rule what circumstances are considered to be beyond the taxpayer's control.

Sec. 213. RCW 82.32.330 and 2008 c 81 s 11 are each amended to read as follows:

(c) "Tax information" means (i) a taxpayer's identity, (ii) the nature, source, or amount of the taxpayer's income, payments, receipts, deductions, exemptions, credits, assets, liabilities, net worth, tax liability deficiencies, overassessments, or tax payments, whether taken from the taxpayer's books and records or any other source, (iii) whether the taxpayer's return was, is being, or will be examined or subject to other investigation or processing, (iv) a part of a written determination that is not designated as a precedent and disclosed pursuant to RCW 82.32.410, or a background file document relating to a written determination, and (v) other data received by, recorded by, prepared by, furnished to, or collected by the department of revenue with respect to the determination of the existence, or possible existence, of liability, or the amount thereof, of a person under the laws of this state for a tax, penalty, interest, fine, forfeiture, or other imposition, or offense (~~PROVIDED, That~~). However, data, material, or documents that do not disclose information related to a specific or identifiable taxpayer do not constitute tax information under this section. Except as provided by RCW 82.32.410, nothing in this chapter shall require any person possessing data, material, or documents made confidential and privileged by this section to delete information

from such data, material, or documents so as to permit its disclosure;

(d) "State agency" means every Washington state office, department, division, bureau, board, commission, or other state agency;

(a) Disclosing such return or tax information in a civil or criminal judicial proceeding or an administrative proceeding;

(i) In respect of any tax imposed under the laws of this state if the taxpayer or its officer or other person liable under Title 82 RCW is a party in the proceeding; or

(b) Disclosing, subject to such requirements and conditions as the director (~~shall~~) prescribes by rules adopted pursuant to chapter 34.05 RCW, such return or tax information regarding a taxpayer to such taxpayer or to such person or persons as that taxpayer may designate in a request for, or consent to, such disclosure, or to any other person, at the taxpayer's request, to the extent necessary to comply with a request for information or assistance made by the taxpayer to such other person (~~PROVIDED, That~~). However, tax information not received from the taxpayer (~~shall~~) must not be so disclosed if the director determines that such disclosure would compromise any investigation or litigation by any federal, state, or local government agency in connection with the civil or criminal liability of the taxpayer or another person, or that such disclosure would identify a confidential informant, or that such disclosure is contrary to any agreement entered into by the department that provides for the reciprocal exchange of information with other government agencies which agreement requires confidentiality with respect to such information unless such information is required to be disclosed to the taxpayer by the order of any court;

(c) Disclosing the name of a taxpayer with a deficiency greater than five thousand dollars and against whom a warrant under RCW 82.32.210 has been either issued or filed and remains outstanding for a period of at least ten working days. The disclosure may be made only in response to a search warrant, subpoena, or other court order, unless the disclosure is for the purpose of criminal tax enforcement. A peace officer or county prosecuting attorney who receives the return or tax information may disclose that return or tax information only for use in the investigation and a related court proceeding, or in the court proceeding for which the return or tax information originally was sought;

(i) Disclosing any such return or tax information to the proper officer of the internal revenue service of the United States, the Canadian government or provincial governments of Canada, or to the proper officer of the tax department of any state or city or town or county, for official purposes, but only if the statutes of the United States, Canada or its provincial governments, or of such other state or city or town or county, as the case may be, grants substantially similar privileges to the proper officers of this state;

(j) Disclosing any such return or tax information to the Department of Justice, including the Bureau of Alcohol, Tobacco, Firearms and Explosives within the Department of Justice, the Department of Defense, the Immigration and Customs Enforcement and the Customs and Border Protection agencies of the United States Department of Homeland Security, the Coast Guard of the United States, and the United States Department of Transportation, or any authorized representative ~~(thereof)~~ of these federal agencies, for official purposes;

This subsection ~~((shall))~~ must not be construed as giving authority to the department to give, sell, or provide access to any list of taxpayers for any commercial purpose;

(m) Disclosing such return or tax information that is also maintained by another Washington state or local governmental agency as a public record available for inspection and copying under the provisions of chapter 42.56 RCW or is a document maintained by a court of record and is not otherwise prohibited from disclosure;

(n) Disclosing such return or tax information to the United States department of agriculture for the limited purpose of investigating food stamp fraud by retailers;

(4)(a) The department may disclose return or taxpayer information to a person under investigation or during any court or administrative proceeding against a person under investigation as provided in this subsection (4). The disclosure

must be in connection with the department's official duties relating to an audit, collection activity, or a civil or criminal investigation. The disclosure may occur only when the person under investigation and the person in possession of data, materials, or documents are parties to the return or tax information to be disclosed. The department may disclose return or tax information such as invoices, contracts, bills, statements, resale or exemption certificates, or checks. However, the department may not disclose general ledgers, sales or cash receipt journals, check registers, accounts receivable/payable ledgers, general journals, financial statements, expert's workpapers, income tax returns, state tax returns, tax return workpapers, or other similar data, materials, or documents.

(b) Before disclosure of any tax return or tax information under this subsection (4), the department ~~((shall))~~ must, through written correspondence, inform the person in possession of the data, materials, or documents to be disclosed. The correspondence ~~((shall))~~ must clearly identify the data, materials, or documents to be disclosed. The department may not disclose any tax return or tax information under this subsection (4) until the time period allowed in (c) of this subsection has expired or until the court has ruled on any challenge brought under (c) of this subsection.

(c) The person in possession of the data, materials, or documents to be disclosed by the department has twenty days from the receipt of the written request required under (b) of this subsection to petition the superior court of the county in which the petitioner resides for injunctive relief. The court shall limit or deny the request of the department if the court determines that:

(i) The data, materials, or documents sought for disclosure are cumulative or duplicative, or are obtainable from some other source that is more convenient, less burdensome, or less expensive;

(ii) The production of the data, materials, or documents sought would be unduly burdensome or expensive, taking into account the needs of the department, the amount in controversy, limitations on the petitioner's resources, and the importance of the issues at stake; or

(iii) The data, materials, or documents sought for disclosure contain trade secret information that, if disclosed, could harm the petitioner.

(d) The department ~~((shall))~~ must reimburse reasonable expenses for the production of data, materials, or documents incurred by the person in possession of the data, materials, or documents to be disclosed.

(e) Requesting information under (b) of this subsection that may indicate that a taxpayer is under investigation does not constitute a disclosure of tax return or tax information under this section.

(5) Any person acquiring knowledge of any return or tax information in the course of his or her employment with the department of revenue and any person acquiring knowledge of any return or tax information as provided under subsection (3)(f), (g), (h), (i), (j), or (n) of this section, who discloses any such return or tax information to another person not entitled to knowledge of such return or tax information under the provisions of this section, is guilty of a misdemeanor. If the person guilty of such violation is an officer or employee of the state, such person ~~((shall))~~ must forfeit such office or employment and ~~((shall be))~~ is incapable of holding any public office or employment in this state for a period of two years thereafter.

Sec. 214. RCW 82.72.040 and 2004 c 254 s 6 are each amended to read as follows:

(1) Telephone program excise taxes must be paid by the subscriber to the local exchange company providing the switched access line, and each local exchange company shall collect from the subscriber the full amount of the taxes payable. Telephone program excise taxes to be collected by the local

exchange company are deemed to be held in trust by the local exchange company until paid to the department. Any local exchange company that appropriates or converts the tax collected to its own use or to any use other than the payment of the tax to the extent that the money collected is not available for payment on the due date as prescribed in this chapter is guilty of a gross misdemeanor.

(2) If any local exchange company fails to collect telephone program excise taxes or, after collecting the tax, fails to pay it to the department in the manner prescribed by this chapter, whether such failure is the result of its own act or the result of acts or conditions beyond its control, the local exchange company is personally liable to the state for the amount of the tax, unless the local exchange company has taken from the buyer in good faith ~~((a properly executed resale certificate under RCW 82.72.070))~~ documentation, in a form and manner prescribed by the department, stating that the buyer is not a subscriber or is otherwise not liable for telephone program excise taxes.

(3) The amount of tax, until paid by the subscriber to the local exchange company or to the department, constitutes a debt from the subscriber to the local exchange company. Any local exchange company that fails or refuses to collect telephone program excise taxes as required with intent to violate the provisions of this chapter or to gain some advantage or benefit, either direct or indirect, and any subscriber who refuses to pay any telephone excise tax is guilty of a misdemeanor.

(4) If a subscriber has failed to pay to the local exchange company the telephone program excise taxes and the local exchange company has not paid the amount of the tax to the department, the department may, in its discretion, proceed directly against the subscriber for collection of the tax, in which case a penalty of ten percent may be added to the amount of the tax for failure of the subscriber to pay the tax to the local exchange company, regardless of when the tax is collected by the department. Telephone program excise taxes are due as provided under RCW 82.72.050.

Sec. 215. RCW 82.72.070 and 2004 c 254 s 9 are each amended to read as follows:

(1) Unless a local exchange company has taken from the buyer ~~((a resale certificate or equivalent document under RCW 82.04.470))~~ documentation, in a form and manner prescribed by the department, stating that the buyer is not a subscriber or is otherwise not liable for telephone program excise taxes, the burden of proving that a sale of the use of a switched access line was not a sale to a subscriber or was otherwise not subject to telephone program excise taxes is upon the person who made the sale.

(2) If a local exchange company does not receive ~~((a resale certificate))~~ documentation, in a form and manner prescribed by the department, stating that the buyer is not a subscriber or is otherwise not liable for telephone program excise taxes at the time of the sale, have ~~((a resale certificate))~~ such documentation on file at the time of the sale, or obtain ~~((a resale certificate))~~ such documentation from the buyer within a reasonable time after the sale, the local exchange company remains liable for the telephone program excise taxes as provided in RCW 82.72.040, unless the local exchange company can demonstrate facts and circumstances according to rules adopted by the department that show the sale was properly made without payment of telephone program excise taxes.

(3) The penalty imposed by RCW 82.32.291 may not be assessed on telephone program excise taxes that are due but not paid as a result of the improper use of ~~((a resale certificate))~~ documentation stating that the buyer is not a subscriber or is otherwise not liable for telephone program excise taxes. This subsection does not prohibit or restrict the application of other penalties authorized by law.

Sec. 301. RCW 82.04.050 and 2007 c 54 s 4 and 2007 c 6 s 1004 are each reenacted and amended to read as follows:

(1) "Sale at retail" or "retail sale" means every sale of tangible personal property (including articles produced, fabricated, or imprinted) to all persons irrespective of the nature of their business and including, among others, without limiting the scope hereof, persons who install, repair, clean, alter, improve, construct, or decorate real or personal property of or for consumers other than a sale to a person who presents a ~~((resale certificate under))~~ seller's permit or uniform exemption certificate in conformity with RCW 82.04.470 and who:

The term shall include every sale of tangible personal property which is used or consumed or to be used or consumed in the performance of any activity classified as a "sale at retail" or "retail sale" even though such property is resold or utilized as provided in (a), (b), (c), (d), or (e) of this subsection following such use. (d) The cleaning, fumigating, razing, or moving of existing buildings or structures, but shall not include the charge made for janitorial services; and for purposes of this section the term "janitorial services" shall mean those cleaning and caretaking services ordinarily performed by commercial janitor service businesses including, but not limited to, wall and window washing, floor cleaning and waxing, and the cleaning in place of rugs, drapes and upholstery. For the purposes of this subsection, it shall be presumed that the sale of and charge made for the furnishing of lodging for a continuous period of one month or more to a person is a rental or lease of real property and not a mere license to enjoy the same;

(g) Persons taxable under (a), (b), (c), (d), (e), and (f) of this subsection when such sales or charges are for property, labor and services which are used or consumed in whole or in part by such persons in the performance of any activity defined as a "sale at retail" or "retail sale" even though such property, labor and services may be resold after such use or consumption. Nothing contained in this subsection shall be construed to modify subsection (1) of this section and nothing contained in subsection (1) of this section shall be construed to modify this subsection.

(3) The term "sale at retail" or "retail sale" shall include the sale of or charge made for personal, business, or professional services including amounts designated as interest, rents, fees, admission, and other service emoluments however designated, received by persons engaging in the following business activities:

(b) The term shall not include the renting or leasing of tangible personal property where the lease or rental is for the purpose of sublease or subrent.

For purposes of this subsection, "sales price" has the same meaning as in RCW 82.08.010.

(8) The term shall not include the sale of or charge made for labor and services rendered in respect to the building, repairing, or improving of any street, place, road, highway, easement, right-of-way, mass public transportation terminal or parking facility, bridge, tunnel, or trestle which is owned by a municipal corporation or political subdivision of the state or by the United States and which is used or to be used primarily for foot or vehicular traffic including mass transportation vehicles of any kind.

(a) Using guidelines prepared by the superintendent of public instruction, a school district shall identify the group of students in the same school as the applicant who took the same high school courses as the applicant in the applicable content area. From the group of students identified in this manner, the district shall select the comparison cohort that shall be those students who met or slightly exceeded the state standard on the Washington assessment of student learning.

(b) The district shall compare the applicant's grades in high school courses in the applicable content area to the grades of students in the comparison cohort for the same high school courses. If the applicant's grades are equal to or above the mean

grades of the comparison cohort, the applicant shall be deemed to have met the state standard on the alternative assessment.

(c) An applicant may not use the alternative assessment under this subsection (4) if there are fewer than six students in the comparison cohort.

(5) The superintendent of public instruction shall develop an alternative assessment method that shall be an evaluation of a collection of work samples prepared and submitted by the applicant. Effective September 1, 2009, collection of work samples may be submitted only in content areas where meeting the state standard on the high school assessment is required for purposes of graduation.

(a) The superintendent of public instruction shall develop guidelines for the types and number of work samples in each content area that may be submitted as a collection of evidence that the applicant has met the state standard in that content area. Work samples may be collected from academic, career and technical, or remedial courses and may include performance tasks as well as written products. The superintendent shall submit the guidelines for approval by the state board of education.

(b) The superintendent shall develop protocols for submission of the collection of work samples that include affidavits from the applicant's teachers and school district that the samples are the work of the applicant and a requirement that a portion of the samples be prepared under the direct supervision of a classroom teacher. The superintendent shall submit the protocols for approval by the state board of education.

(c) The superintendent shall develop uniform scoring criteria for evaluating the collection of work samples and submit the scoring criteria for approval by the state board of education. Collections shall be scored at the state level or regionally by a panel of educators selected and trained by the superintendent to ensure objectivity, reliability, and rigor in the evaluation. An educator may not score work samples submitted by applicants from the educator's school district. If the panel awards an applicant's collection of work samples the minimum required score, the applicant shall be deemed to have met the state standard on the alternative assessment.

(d) Using an open and public process that includes consultation with district superintendents, school principals, and other educators, the state board of education shall consider the guidelines, protocols, scoring criteria, and other information regarding the collection of work samples submitted by the superintendent of public instruction. The collection of work samples may be implemented as an alternative assessment after the state board of education has approved the guidelines, protocols, and scoring criteria and determined that the collection of work samples: (i) Will meet professionally accepted standards for a valid and reliable measure of the grade level expectations and the essential academic learning requirements; and (ii) is comparable to or exceeds the rigor of the skills and knowledge that a student must demonstrate on the Washington assessment of student learning in the applicable content area. The state board shall make an approval decision and determination no later than December 1, 2006, and thereafter may increase the required rigor of the collection of work samples.

(e) By September of 2006, the superintendent of public instruction shall develop informational materials for parents, teachers, and students regarding the collection of work samples and the status of its development as an alternative assessment method. The materials shall provide specific guidance regarding the type and number of work samples likely to be required,

ONE-HUNDRED FOURTH DAY, APRIL 25, 2009

2009 REGULAR SESSION

include examples of work that meets the state learning standards, and describe the scoring criteria and process for the collection. The materials shall also encourage students in the graduating class of 2008 to begin creating a collection if they believe they may seek to use the collection once it is implemented as an alternative assessment.

(6)(a) For students enrolled in a career and technical education program approved under RCW 28A.700.030, the superintendent of public instruction shall develop additional guidelines for collections of work samples that are tailored to different career and technical programs. The additional guidelines shall:

(i) Provide multiple examples of work samples that are related to the particular career and technical program;

(ii) Permit work samples based on completed activities or projects where demonstration of academic knowledge is inferred; and

(iii) Provide multiple examples of work samples drawn from career and technical courses.

(b) The purpose of the additional guidelines is to provide a clear pathway toward a certificate of academic achievement for career and technical students by showing them applied and relevant opportunities to demonstrate their knowledge and skills, and to provide guidance to teachers in integrating academic and career and technical instruction and assessment and assisting career and technical students in compiling a collection. The superintendent of public instruction shall develop and disseminate additional guidelines for no fewer than ten career and technical education programs representing a variety of program offerings by no later than September 1, 2008. Guidelines for ten additional programs shall be developed and disseminated no later than June 1, 2009.

(c) The superintendent shall consult with community and technical colleges, employers, the workforce training and education coordinating board, apprenticeship programs, and other regional and national experts in career and technical education to create appropriate guidelines and examples of work samples and other evidence of a career and technical student's knowledge and skills on the state academic standards.

(7) The superintendent of public instruction shall study the feasibility of using existing mathematics assessments in languages other than English as an additional alternative assessment option. The study shall include an estimation of the cost of translating the tenth grade mathematics assessment into other languages and scoring the assessments should they be implemented.

(8) The superintendent of public instruction shall implement:

(a) By June 1, 2006, a process for students to appeal the score they received on the high school assessments; and

(b) By January 1, 2007, guidelines and appeal processes for waiving specific requirements in RCW 28A.655.061 pertaining to the certificate of academic achievement and to the certificate of individual achievement for students who: (i) Transfer to a Washington public school in their junior or senior year with the intent of obtaining a public high school diploma, or (ii) have special, unavoidable circumstances.

(9) The state board of education shall examine opportunities for additional alternative assessments, including the possible use of one or more standardized norm-referenced student achievement tests and the possible use of the reading, writing, or mathematics portions of the ACT ASSET and ACT COMPASS test instruments as objective alternative assessments for demonstrating that a student has met the state standards for the certificate of academic achievement. The state board shall

submit its findings and recommendations to the education committees of the legislature by January 10, 2008.

(10) The superintendent of public instruction shall adopt rules to implement this section.

MESSAGE FROM THE HOUSE

April 23, 2009

MR. PRESIDENT:

The House receded in its amendment to ENGROSSED SUBSTITUTE SENATE BILL NO. 5811. Under suspension of rules, the bill was returned to second reading for the purpose of an amendment. The House adopted the following amendment: 5811-S.E AMH KAGI H3432.4, and passed the bill as amended by the House.

Strike everything after the enacting clause and insert the following:

"**Sec. 1.** RCW 13.34.065 and 2008 c 267 s 2 are each amended to read as follows:

(1)(a) When a child is taken into custody, the court shall hold a shelter care hearing within seventy-two hours, excluding Saturdays, Sundays, and holidays. The primary purpose of the shelter care hearing is to determine whether the child can be immediately and safely returned home while the adjudication of the dependency is pending.

(b) Any parent, guardian, or legal custodian who for good cause is unable to attend the shelter care hearing may request that a subsequent shelter care hearing be scheduled. The request shall be made to the clerk of the court where the petition is filed prior to the initial shelter care hearing. Upon the request of the parent, the court shall schedule the hearing within seventy-two hours of the request, excluding Saturdays, Sundays, and holidays. The clerk shall notify all other parties of the hearing by any reasonable means.

(2)(a) The department of social and health services shall submit a recommendation to the court as to the further need for shelter care in all cases in which it is the petitioner. In all other cases, the recommendation shall be submitted by the juvenile court probation counselor.

(b) All parties have the right to present testimony to the court regarding the need or lack of need for shelter care.

(c) Hearsay evidence before the court regarding the need or lack of need for shelter care must be supported by sworn testimony, affidavit, or declaration of the person offering such evidence.

(3)(a) At the commencement of the hearing, the court shall notify the parent, guardian, or custodian of the following:

(i) The parent, guardian, or custodian has the right to a shelter care hearing;

(ii) The nature of the shelter care hearing, the rights of the parents, and the proceedings that will follow; and

(iii) If the parent, guardian, or custodian is not represented by counsel, the right to be represented. If the parent, guardian, or custodian is indigent, the court shall appoint counsel as provided in RCW 13.34.090; and

(b) If a parent, guardian, or legal custodian desires to waive the shelter care hearing, the court shall determine, on the record and with the parties present, whether such waiver is knowing and voluntary. A parent may not waive his or her right to the shelter care hearing unless he or she appears in court and the court determines that the waiver is knowing and voluntary. Regardless of whether the court accepts the parental waiver of the shelter care hearing, the court must provide notice to the parents of their rights required under (a) of this subsection and make the finding required under subsection (4) of this section.

(4) At the shelter care hearing the court shall examine the need for shelter care and inquire into the status of the case. The paramount consideration for the court shall be the health, welfare, and safety of the child. At a minimum, the court shall inquire into the following:

(a) Whether the notice required under RCW 13.34.062 was given to all known parents, guardians, or legal custodians of the child. The court shall make an express finding as to whether the notice required under RCW 13.34.062 was given to the parent, guardian, or legal custodian. If actual notice was not given to the parent, guardian, or legal custodian and the whereabouts of such person is known or can be ascertained, the court shall order the supervising agency or the department of social and health services to make reasonable efforts to advise the parent, guardian, or legal custodian of the status of the case, including the date and time of any subsequent hearings, and their rights under RCW 13.34.090;

(b) Whether the child can be safely returned home while the adjudication of the dependency is pending;

(c) What efforts have been made to place the child with a relative. The court shall ask the parents whether the department discussed with them the placement of the child with a relative or other suitable person described in RCW 13.34.130(1)(b) and shall determine what efforts have been made toward such a placement;

(d) What services were provided to the family to prevent or eliminate the need for removal of the child from the child's home;

(e) Is the placement proposed by the agency the least disruptive and most family-like setting that meets the needs of the child;

(f) Whether it is in the best interest of the child to remain enrolled in the school, developmental program, or child care the child was in prior to placement and what efforts have been made to maintain the child in the school, program, or child care if it would be in the best interest of the child to remain in the same school, program, or child care;

(g) Appointment of a guardian ad litem or attorney;

(h) Whether the child is or may be an Indian child as defined in 25 U.S.C. Sec. 1903, whether the provisions of the Indian child welfare act apply, and whether there is compliance with the Indian child welfare act, including notice to the child's tribe;

(i) Whether, as provided in RCW 26.44.063, restraining orders, or orders expelling an allegedly abusive household member from the home of a nonabusive parent, guardian, or legal custodian, will allow the child to safely remain in the home;

(j) Whether any orders for examinations, evaluations, or immediate services are needed. The court may not order a parent to undergo examinations, evaluation, or services at the shelter care hearing unless the parent agrees to the examination, evaluation, or service;

ONE-HUNDRED FOURTH DAY, APRIL 25, 2009

2009 REGULAR SESSION

(k) The terms and conditions for parental, sibling, and family visitation.

(5)(a) The court shall release a child alleged to be dependent to the care, custody, and control of the child's parent, guardian, or legal custodian unless the court finds there is reasonable cause to believe that:

(i) After consideration of the specific services that have been provided, reasonable efforts have been made to prevent or eliminate the need for removal of the child from the child's home and to make it possible for the child to return home; and

(ii)(A) The child has no parent, guardian, or legal custodian to provide supervision and care for such child; or

(B) The release of such child would present a serious threat of substantial harm to such child, notwithstanding an order entered pursuant to RCW 26.44.063; or

(C) The parent, guardian, or custodian to whom the child could be released has been charged with violating RCW 9A.40.060 or 9A.40.070.

(b) If the court does not release the child to his or her parent, guardian, or legal custodian, the court shall order placement with a relative or other suitable person as described in RCW 13.34.130(1)(b), unless there is reasonable cause to believe the health, safety, or welfare of the child would be jeopardized or that the efforts to reunite the parent and child will be hindered. The court must also determine whether placement with the relative or other suitable person is in the child's best interests. The relative or other suitable person must be willing and available to:

(i) Care for the child and be able to meet any special needs of the child;

(ii) Facilitate the child's visitation with siblings, if such visitation is part of the supervising agency's plan or is ordered by the court; and

(iii) Cooperate with the department in providing necessary background checks and home studies.

(c) If the child was not initially placed with a relative or other suitable person, and the court does not release the child to his or her parent, guardian, or legal custodian, the supervising agency shall make reasonable efforts to locate a relative or other suitable person pursuant to RCW 13.34.060(1).

(d) If a relative or other suitable person is not available, the court shall order continued shelter care ~~((or order placement with another suitable person, and the court))~~ and shall set forth its reasons for the order. If the court orders placement of the child with a person not related to the child and not licensed to provide foster care, the placement is subject to all terms and conditions of this section that apply to relative placements.

(e) Any placement with a relative, or other suitable person approved by the court pursuant to this section, shall be contingent upon cooperation with the agency case plan and compliance with court orders related to the care and supervision of the child including, but not limited to, court orders regarding parent-child contacts, sibling contacts, and any other conditions imposed by the court. Noncompliance with the case plan or court order is grounds for removal of the child from the home of the relative or other suitable person, subject to review by the court.

(f) Uncertainty by a parent, guardian, legal custodian, relative, or other suitable person that the alleged abuser has in fact abused the child shall not, alone, be the basis upon which a child is removed from the care of a parent, guardian, or legal custodian under (a) of this subsection, nor shall it be a basis, alone, to preclude placement with a relative or other suitable person under (b) of this subsection ~~((or with another suitable person under (d) of this subsection))~~.

(6)(a) A shelter care order issued pursuant to this section shall include the requirement for a case conference as provided in RCW 13.34.067. However, if the parent is not present at the shelter care hearing, or does not agree to the case conference, the court shall not include the requirement for the case conference in the shelter care order.

(b) If the court orders a case conference, the shelter care order shall include notice to all parties and establish the date, time, and location of the case conference which shall be no later than thirty days before the fact-finding hearing.

(c) The court may order another conference, case staffing, or hearing as an alternative to the case conference required under RCW 13.34.067 so long as the conference, case staffing, or hearing ordered by the court meets all requirements under RCW 13.34.067, including the requirement of a written agreement specifying the services to be provided to the parent.

(7)(a) A shelter care order issued pursuant to this section may be amended at any time with notice and hearing thereon. The shelter care decision of placement shall be modified only upon a showing of change in circumstances. No child may be placed in shelter care for longer than thirty days without an order, signed by the judge, authorizing continued shelter care.

(b)(i) An order releasing the child on any conditions specified in this section may at any time be amended, with notice and hearing thereon, so as to return the child to shelter care for failure of the parties to conform to the conditions originally imposed.

(ii) The court shall consider whether nonconformance with any conditions resulted from circumstances beyond the control of the parent, guardian, or legal custodian and give weight to that fact before ordering return of the child to shelter care.

(8)(a) If a child is returned home from shelter care a second time in the case, or if the supervisor of the caseworker deems it necessary, the multidisciplinary team may be reconvened.

(b) If a child is returned home from shelter care a second time in the case a law enforcement officer must be present and file a report to the department.

Sec. 2. RCW 13.34.130 and 2007 c 413 s 6 and 2007 c 412 s 2 are each reenacted and amended to read as follows:

If, after a fact-finding hearing pursuant to RCW 13.34.110, it has been proven by a preponderance of the evidence that the child is dependent within the meaning of RCW 13.34.030 after consideration of the social study prepared pursuant to RCW 13.34.110 and after a disposition hearing has been held pursuant to RCW 13.34.110, the court shall enter an order of disposition pursuant to this section.

(1) The court shall order one of the following dispositions of the case:

(a) Order a disposition other than removal of the child from his or her home, which shall provide a program designed to alleviate the immediate danger to the child, to mitigate or cure any damage the child has already suffered, and to aid the parents so that the child will not be endangered in the future. In determining the disposition, the court should choose those services, including housing assistance, that least interfere with family autonomy and are adequate to protect the child.

(b) Order the child to be removed from his or her home and into the custody, control, and care of a relative or other suitable person or the department or a licensed child placing agency for supervision of the child's placement. The department or agency supervising the child's placement has the authority to place the child, subject to review and approval by the court (i) with a relative as defined in RCW 74.15.020(2)(a), (ii) ~~((in a foster family home or group care facility licensed pursuant to chapter 74.15 RCW, or (iii)))~~ in the home of another suitable person if the child or family has a preexisting relationship with that person, and the person has completed all required criminal history background checks and otherwise appears to the department or supervising agency to be suitable and competent to provide care for the child, or (iii) in a foster family home or group care facility licensed pursuant to chapter 74.15 RCW. Absent good cause, the department or supervising agency shall follow the wishes of the natural parent regarding the placement of the child in accordance with RCW 13.34.260. The department or supervising agency may only place a child with a person not related to the child as defined in RCW 74.15.020(2)(a) when the court finds that such placement is in

ONE-HUNDRED FOURTH DAY, APRIL 25, 2009

the best interest of the child. Unless there is reasonable cause to believe that the health, safety, or welfare of the child would be jeopardized or that efforts to reunite the parent and child will be hindered, ~~((such))~~ the child shall be placed with a person who is: (A) Related to the child as defined in RCW 74.15.020(2)(a) with whom the child has a relationship and is comfortable; or (B) a suitable person as described in this subsection (1)(b); and ~~((B))~~ (C) willing, appropriate, and available to care for the child. The court shall consider the child's existing relationships and attachments when determining placement.

(2) Placement of the child with a relative ~~((under this subsection))~~ or other suitable person as described in subsection (1)(b) of this section shall be given preference by the court. An order for out-of-home placement may be made only if the court finds that reasonable efforts have been made to prevent or eliminate the need for removal of the child from the child's home and to make it possible for the child to return home, specifying the services that have been provided to the child and the child's parent, guardian, or legal custodian, and that preventive services have been offered or provided and have failed to prevent the need for out-of-home placement, unless the health, safety, and welfare of the child cannot be protected adequately in the home, and that:

(a) There is no parent or guardian available to care for such child;

(b) The parent, guardian, or legal custodian is not willing to take custody of the child; or

(c) The court finds, by clear, cogent, and convincing evidence, a manifest danger exists that the child will suffer serious abuse or neglect if the child is not removed from the home and an order under RCW 26.44.063 would not protect the child from danger.

(3) If the court has ordered a child removed from his or her home pursuant to subsection (1)(b) of this section, the court shall consider whether it is in a child's best interest to be placed with, have contact with, or have visits with siblings.

(a) There shall be a presumption that such placement, contact, or visits are in the best interests of the child provided that:

(i) The court has jurisdiction over all siblings subject to the order of placement, contact, or visitation pursuant to petitions filed under this chapter or the parents of a child for whom there is no jurisdiction are willing to agree; and

(ii) There is no reasonable cause to believe that the health, safety, or welfare of any child subject to the order of placement, contact, or visitation would be jeopardized or that efforts to reunite the parent and child would be hindered by such placement, contact, or visitation. In no event shall parental visitation time be reduced in order to provide sibling visitation.

(b) The court may also order placement, contact, or visitation of a child with a step-brother or step-sister provided that in addition to the factors in (a) of this subsection, the child has a relationship and is comfortable with the step-sibling.

(4) If the court has ordered a child removed from his or her home pursuant to subsection (1)(b) of this section and placed into nonparental or nonrelative care, the court shall order a placement that allows the child to remain in the same school he or she attended prior to the initiation of the dependency proceeding when such a placement is practical and in the child's best interest.

(5) If the court has ordered a child removed from his or her home pursuant to subsection (1)(b) of this section, the court may order that a petition seeking termination of the parent and child relationship be filed if the requirements of RCW 13.34.132 are met.

(6) If there is insufficient information at the time of the disposition hearing upon which to base a determination regarding the suitability of a proposed placement with a relative or other suitable person, the child shall remain in foster care and the court shall direct the supervising agency to conduct necessary background investigations as provided in chapter

2009 REGULAR SESSION

74.15 RCW and report the results of such investigation to the court within thirty days. However, if such relative or other person appears otherwise suitable and competent to provide care and treatment, the criminal history background check need not be completed before placement, but as soon as possible after placement. Any placements with relatives or other suitable persons, pursuant to this section, shall be contingent upon cooperation by the relative or other suitable person with the agency case plan and compliance with court orders related to the care and supervision of the child including, but not limited to, court orders regarding parent-child contacts, sibling contacts, and any other conditions imposed by the court. Noncompliance with the case plan or court order shall be grounds for removal of the child from the relative's or other suitable person's home, subject to review by the court.

Sec. 3. RCW 13.34.138 and 2007 c 413 s 8 and 2007 c 410 s 1 are each reenacted and amended to read as follows:

(1) ~~((Except for children whose cases are reviewed by a citizen review board under chapter 13.70 RCW,))~~ The status of all children found to be dependent shall be reviewed by the court at least every six months from the beginning date of the placement episode or the date dependency is established, whichever is first. The purpose of the hearing shall be to review the progress of the parties and determine whether court supervision should continue.

(a) The initial review hearing shall be an in-court review and shall be set six months from the beginning date of the placement episode or no more than ninety days from the entry of the disposition order, whichever comes first. The requirements for the initial review hearing, including the in-court review requirement, shall be accomplished within existing resources.

(b) The initial review hearing may be a permanency planning hearing when necessary to meet the time frames set forth in RCW 13.34.145 (1)(a) or 13.34.134.

(2)(a) A child shall not be returned home at the review hearing unless the court finds that a reason for removal as set forth in RCW 13.34.130 no longer exists. The parents, guardian, or legal custodian shall report to the court the efforts they have made to correct the conditions which led to removal. If a child is returned, casework supervision shall continue for a period of six months, at which time there shall be a hearing on the need for continued intervention.

(b) Prior to the child returning home, the department must complete the following:

(i) Identify all adults residing in the home and conduct background checks on those persons;

(ii) Identify any persons who may act as a caregiver for the child in addition to the parent with whom the child is being placed and determine whether such persons are in need of any services in order to ensure the safety of the child, regardless of whether such persons are a party to the dependency. The department or supervising agency may recommend to the court and the court may order that placement of the child in the parent's home be contingent on or delayed based on the need for such persons to engage in or complete services to ensure the safety of the child prior to placement. If services are recommended for the caregiver, and the caregiver fails to engage in or follow through with the recommended services, the department or supervising agency must promptly notify the court; and

(iii) Notify the parent with whom the child is being placed that he or she has an ongoing duty to notify the department or supervising agency of all persons who reside in the home or who may act as a caregiver for the child both prior to the placement of the child in the home and subsequent to the placement of the child in the home as long as the court retains jurisdiction of the dependency proceeding or the department is providing or monitoring either remedial services to the parent or services to ensure the safety of the child to any caregivers.

Caregivers may be required to engage in services under this subsection solely for the purpose of ensuring the present and

2009 REGULAR SESSION

future safety of a child who is a ward of the court. This subsection does not grant party status to any individual not already a party to the dependency proceeding, create an entitlement to services or a duty on the part of the department or supervising agency to provide services, or create judicial authority to order the provision of services to any person other than for the express purposes of this section or RCW 13.34.025 or if the services are unavailable or unsuitable or the person is not eligible for such services.

(c) If the child is not returned home, the court shall establish in writing:

(i) Whether the agency is making reasonable efforts to provide services to the family and eliminate the need for placement of the child. If additional services, including housing assistance, are needed to facilitate the return of the child to the child's parents, the court shall order that reasonable services be offered specifying such services;

(ii) Whether there has been compliance with the case plan by the child, the child's parents, and the agency supervising the placement;

(iii) Whether progress has been made toward correcting the problems that necessitated the child's placement in out-of-home care;

(iv) Whether the services set forth in the case plan and the responsibilities of the parties need to be clarified or modified due to the availability of additional information or changed circumstances;

(v) Whether there is a continuing need for placement;

(vi) Whether the child is in an appropriate placement which adequately meets all physical, emotional, and educational needs;

(vii) Whether preference has been given to placement with the child's relatives if such placement is in the child's best interests;

(viii) Whether both in-state and, where appropriate, out-of-state placements have been considered;

(ix) Whether the parents have visited the child and any reasons why visitation has not occurred or has been infrequent;

(x) Whether terms of visitation need to be modified;

(xi) Whether the court-approved long-term permanent plan for the child remains the best plan for the child;

(xii) Whether any additional court orders need to be made to move the case toward permanency; and

(xiii) The projected date by which the child will be returned home or other permanent plan of care will be implemented.

(d) The court at the review hearing may order that a petition seeking termination of the parent and child relationship be filed.

(3)(a) In any case in which the court orders that a dependent child may be returned to or remain in the child's home, the in-home placement shall be contingent upon the following:

(i) The compliance of the parents with court orders related to the care and supervision of the child, including compliance with an agency case plan; and

(ii) The continued participation of the parents, if applicable, in available substance abuse or mental health treatment if substance abuse or mental illness was a contributing factor to the removal of the child.

(b) The following may be grounds for removal of the child from the home, subject to review by the court:

(i) Noncompliance by the parents with the agency case plan or court order;

(ii) The parent's inability, unwillingness, or failure to participate in available services or treatment for themselves or the child, including substance abuse treatment if a parent's substance abuse was a contributing factor to the abuse or neglect; or

(iii) The failure of the parents to successfully and substantially complete available services or treatment for themselves or the child, including substance abuse treatment if a parent's substance abuse was a contributing factor to the abuse or neglect.

(c) In a pending dependency case in which the court orders that a dependent child may be returned home and that child is later removed from the home, the court shall hold a review hearing within thirty days from the date of removal to determine whether the permanency plan should be changed, a termination petition should be filed, or other action is warranted. The best interests of the child shall be the court's primary consideration in the review hearing.

(4) The court's ability to order housing assistance under RCW 13.34.130 and this section is: (a) Limited to cases in which homelessness or the lack of adequate and safe housing is the primary reason for an out-of-home placement; and (b) subject to the availability of funds appropriated for this specific purpose.

(5) The court shall consider the child's relationship with siblings in accordance with RCW 13.34.130(3).

Sec. 4. RCW 13.34.145 and 2008 c 152 s 3 are each amended to read as follows:

(1) The purpose of a permanency planning hearing is to review the permanency plan for the child, inquire into the welfare of the child and progress of the case, and reach decisions regarding the permanent placement of the child.

(a) A permanency planning hearing shall be held in all cases where the child has remained in out-of-home care for at least nine months and an adoption decree, guardianship order, or permanent custody order has not previously been entered. The hearing shall take place no later than twelve months following commencement of the current placement episode.

(b) Whenever a child is removed from the home of a dependency guardian or long-term relative or foster care provider, and the child is not returned to the home of the parent, guardian, or legal custodian but is placed in out-of-home care, a permanency planning hearing shall take place no later than twelve months, as provided in this section, following the date of removal unless, prior to the hearing, the child returns to the home of the dependency guardian or long-term care provider, the child is placed in the home of the parent, guardian, or legal custodian, an adoption decree, guardianship order, or a permanent custody order is entered, or the dependency is dismissed.

(c) Permanency planning goals should be achieved at the earliest possible date, preferably before the child has been in out-of-home care for fifteen months. In cases where parental rights have been terminated, the child is legally free for adoption, and adoption has been identified as the primary permanency planning goal, it shall be a goal to complete the adoption within six months following entry of the termination order.

(2) No later than ten working days prior to the permanency planning hearing, the agency having custody of the child shall submit a written permanency plan to the court and shall mail a copy of the plan to all parties and their legal counsel, if any.

(3) At the permanency planning hearing, the court shall conduct the following inquiry:

(a) If a goal of long-term foster or relative care has been achieved prior to the permanency planning hearing, the court shall review the child's status to determine whether the placement and the plan for the child's care remain appropriate.

(b) In cases where the primary permanency planning goal has not been achieved, the court shall inquire regarding the reasons why the primary goal has not been achieved and determine what needs to be done to make it possible to achieve the primary goal. The court shall review the permanency plan prepared by the agency and make explicit findings regarding each of the following:

(i) The continuing necessity for, and the safety and appropriateness of, the placement;

(ii) The extent of compliance with the permanency plan by the agency and any other service providers, the child's parents, the child, and the child's guardian, if any;

ONE-HUNDRED FOURTH DAY, APRIL 25, 2009

2009 REGULAR SESSION

(iii) The extent of any efforts to involve appropriate service providers in addition to agency staff in planning to meet the special needs of the child and the child's parents;

(iv) The progress toward eliminating the causes for the child's placement outside of his or her home and toward returning the child safely to his or her home or obtaining a permanent placement for the child;

(v) The date by which it is likely that the child will be returned to his or her home or placed for adoption, with a guardian or in some other alternative permanent placement; and

(vi) If the child has been placed outside of his or her home for fifteen of the most recent twenty-two months, not including any period during which the child was a runaway from the out-of-home placement or the first six months of any period during which the child was returned to his or her home for a trial home visit, the appropriateness of the permanency plan, whether reasonable efforts were made by the agency to achieve the goal of the permanency plan, and the circumstances which prevent the child from any of the following:

(A) Being returned safely to his or her home;

(B) Having a petition for the involuntary termination of parental rights filed on behalf of the child;

(C) Being placed for adoption;

(D) Being placed with a guardian;

(E) Being placed in the home of a fit and willing relative of the child; or

(F) Being placed in some other alternative permanent placement, including independent living or long-term foster care.

At this hearing, the court shall order the department to file a petition seeking termination of parental rights if the child has been in out-of-home care for fifteen of the last twenty-two months since the date the dependency petition was filed unless the court makes a good cause exception as to why the filing of a termination of parental rights petition is not appropriate. Any good cause finding shall be reviewed at all subsequent hearings pertaining to the child. For purposes of this section, "good cause exception" includes but is not limited to the following: The child is being cared for by a relative; the department has not provided to the child's family such services as the court and the department have deemed necessary for the child's safe return home; or the department has documented in the case plan a compelling reason for determining that filing a petition to terminate parental rights would not be in the child's best interests.

(c)(i) If the permanency plan identifies independent living as a goal, the court shall make a finding that the provision of services to assist the child in making a transition from foster care to independent living will allow the child to manage his or her financial, personal, social, educational, and nonfinancial affairs prior to approving independent living as a permanency plan of care.

(ii) The permanency plan shall also specifically identify the services that will be provided to assist the child to make a successful transition from foster care to independent living.

(iii) The department shall not discharge a child to an independent living situation before the child is eighteen years of age unless the child becomes emancipated pursuant to chapter 13.64 RCW.

(d) If the child has resided in the home of a foster parent or relative for more than six months prior to the permanency planning hearing, the court shall ~~(also)~~:

(i) Enter a finding regarding whether the foster parent or relative was informed of the hearing as required in RCW 74.13.280, 13.34.215(5), and 13.34.096; and

(ii) If the department or supervising agency is recommending a placement other than the child's current placement with a foster parent, relative, or other suitable person, enter a finding as to the reasons for the recommendation for a change in placement.

(4) In all cases, at the permanency planning hearing, the court shall:

(a)(i) Order the permanency plan prepared by the agency to be implemented; or

(ii) Modify the permanency plan, and order implementation of the modified plan; and

(b)(i) Order the child returned home only if the court finds that a reason for removal as set forth in RCW 13.34.130 no longer exists; or

(ii) Order the child to remain in out-of-home care for a limited specified time period while efforts are made to implement the permanency plan.

(5) Following the first permanency planning hearing, the court shall hold a further permanency planning hearing in accordance with this section at least once every twelve months until a permanency planning goal is achieved or the dependency is dismissed, whichever occurs first.

(6) Prior to the second permanency planning hearing, the agency that has custody of the child shall consider whether to file a petition for termination of parental rights.

(7) If the court orders the child returned home, casework supervision shall continue for at least six months, at which time a review hearing shall be held pursuant to RCW 13.34.138, and the court shall determine the need for continued intervention.

(8) The juvenile court may hear a petition for permanent legal custody when: (a) The court has ordered implementation of a permanency plan that includes permanent legal custody; and (b) the party pursuing the permanent legal custody is the party identified in the permanency plan as the prospective legal custodian. During the pendency of such proceeding, the court shall conduct review hearings and further permanency planning hearings as provided in this chapter. At the conclusion of the legal guardianship or permanent legal custody proceeding, a juvenile court hearing shall be held for the purpose of determining whether dependency should be dismissed. If a guardianship or permanent custody order has been entered, the dependency shall be dismissed.

(9) Continued juvenile court jurisdiction under this chapter shall not be a barrier to the entry of an order establishing a legal guardianship or permanent legal custody when the requirements of subsection (8) of this section are met.

(10) Nothing in this chapter may be construed to limit the ability of the agency that has custody of the child to file a petition for termination of parental rights or a guardianship petition at any time following the establishment of dependency. Upon the filing of such a petition, a fact-finding hearing shall be scheduled and held in accordance with this chapter unless the agency requests dismissal of the petition prior to the hearing or unless the parties enter an agreed order terminating parental rights, establishing guardianship, or otherwise resolving the matter.

(11) The approval of a permanency plan that does not contemplate return of the child to the parent does not relieve the supervising agency of its obligation to provide reasonable services, under this chapter, intended to effectuate the return of the child to the parent, including but not limited to, visitation rights. The court shall consider the child's relationships with siblings in accordance with RCW 13.34.130.

(12) Nothing in this chapter may be construed to limit the procedural due process rights of any party in a termination or guardianship proceeding filed under this chapter.

Sec. 5. RCW 13.34.260 and 2003 c 226 s 2 are each amended to read as follows:

(1) In an attempt to minimize the inherent intrusion in the lives of families involved in the foster care system and to maintain parental authority where appropriate, the department, absent good cause, shall follow the wishes of the natural parent regarding the placement of the child with a relative or other suitable person pursuant to RCW 13.34.130. Preferences such as family constellation, sibling relationships, ethnicity, and religion shall be considered when matching children to foster

homes. Parental authority is appropriate in areas that are not connected with the abuse or neglect that resulted in the dependency and shall be integrated through the foster care team.

(2) When a child is placed in out-of-home care, relatives, other suitable persons, and foster parents are encouraged to:

(a) Provide consultation to the foster care team based upon their experience with the child placed in their care;

(b) Assist the birth parents by helping them understand their child's needs and correlating appropriate parenting responses;

(c) Participate in educational activities, and enter into community-building activities with birth families and other foster families;

(d) Transport children to family time visits with birth families and assist children and their families in maximizing the purposefulness of family time.

(3) For purposes of this section, "foster care team" means the relative, other suitable person, or foster parent currently providing care, the currently assigned social worker, and the parent or parents; and "birth family" means the persons described in RCW 74.15.020(2)(a).

NEW SECTION. Sec. 6. A new section is added to chapter 13.34 RCW to read as follows:

(1) The administrative office of the courts shall develop standard court forms and format rules for mandatory use by parties in dependency matters commenced under this chapter or chapter 26.44 RCW. Forms shall be developed not later than November 1, 2009, and the mandatory use requirement shall be effective January 1, 2010. The administrative office of the courts has continuing responsibility to develop and revise mandatory forms and format rules as appropriate.

(2) According to rules established by the administrative office of the courts, a party may delete unnecessary portions of the forms and may supplement the mandatory forms with additional material.

(3) Failure by a party to use the mandatory forms or follow the format rules shall not be a reason to dismiss a case, refuse a filing, or strike a pleading. The court may, however, require the party to submit a corrected pleading and may impose terms payable to the opposing party or payable to the court, or both.

(4) The administrative office of the courts shall distribute a master copy of the mandatory forms to all county court clerks. Upon request, the administrative office of the courts and county clerks must distribute the forms to the public and may charge for the cost of production and distribution of the forms. Private vendors also may distribute the forms. Distribution of forms may be in printed or electronic form.

Sec. 7. RCW 74.13.031 and 2008 c 267 s 6 are each amended to read as follows:

The department shall have the duty to provide child welfare services and shall:

(1) Develop, administer, supervise, and monitor a coordinated and comprehensive plan that establishes, aids, and strengthens services for the protection and care of runaway, dependent, or neglected children.

(2) Within available resources, recruit an adequate number of prospective adoptive and foster homes, both regular and specialized, i.e. homes for children of ethnic minority, including Indian homes for Indian children, sibling groups, handicapped and emotionally disturbed, teens, pregnant and parenting teens, and annually report to the governor and the legislature concerning the department's success in: (a) Meeting the need for adoptive and foster home placements; (b) reducing the foster parent turnover rate; (c) completing home studies for legally free children; and (d) implementing and operating the passport program required by RCW 74.13.285. The report shall include a section entitled "Foster Home Turn-Over, Causes and Recommendations."

(3) Investigate complaints of any recent act or failure to act on the part of a parent or caretaker that results in death, serious physical or emotional harm, or sexual abuse or exploitation, or that presents an imminent risk of serious harm, and on the basis

of the findings of such investigation, offer child welfare services in relation to the problem to such parents, legal custodians, or persons serving in loco parentis, and/or bring the situation to the attention of an appropriate court, or another community agency. An investigation is not required of nonaccidental injuries which are clearly not the result of a lack of care or supervision by the child's parents, legal custodians, or persons serving in loco parentis. If the investigation reveals that a crime against a child may have been committed, the department shall notify the appropriate law enforcement agency.

(4) Offer, on a voluntary basis, family reconciliation services to families who are in conflict.

(5) Monitor placements of children in out-of-home care and in-home dependencies to assure the safety, well-being, and quality of care being provided is within the scope of the intent of the legislature as defined in RCW 74.13.010 and 74.15.010. The policy for monitoring placements under this section shall require that children in out-of-home care and in-home dependencies and their caregivers receive a private and individual face-to-face visit each month.

(a) The department shall conduct the monthly visits with children and caregivers required under this section unless the child's placement is being supervised under a contract between the department and a private agency accredited by a national child welfare accrediting entity, in which case the private agency shall, within existing resources, conduct the monthly visits with the child and with the child's caregiver according to the standards described in this subsection and shall provide the department with a written report of the visits within fifteen days of completing the visits.

(b) In cases where the monthly visits required under this subsection are being conducted by a private agency, the department shall conduct a face-to-face health and safety visit with the child at least once every ninety days.

(6) Have authority to accept custody of children from parents and to accept custody of children from juvenile courts, where authorized to do so under law, to provide child welfare services including placement for adoption, to provide for the routine and necessary medical, dental, and mental health care, or necessary emergency care of the children, and to provide for the physical care of such children and make payment of maintenance costs if needed. Except where required by Public Law 95-608 (25 U.S.C. Sec. 1915), no private adoption agency which receives children for adoption from the department shall discriminate on the basis of race, creed, or color when considering applications in their placement for adoption.

(7) Have authority to provide temporary shelter to children who have run away from home and who are admitted to crisis residential centers.

(8) Have authority to purchase care for children; and shall follow in general the policy of using properly approved private agency services for the actual care and supervision of such children insofar as they are available, paying for care of such children as are accepted by the department as eligible for support at reasonable rates established by the department.

(9) Establish a children's services advisory committee which shall assist the secretary in the development of a partnership plan for utilizing resources of the public and private sectors, and advise on all matters pertaining to child welfare, licensing of child care agencies, adoption, and services related thereto. At least one member shall represent the adoption community.

(10)(a) Have authority to provide continued foster care or group care as needed to participate in or complete a high school or vocational school program.

(b)(i) Beginning in 2006, the department has the authority to allow up to fifty youth reaching age eighteen to continue in foster care or group care as needed to participate in or complete a posthigh school academic or vocational program, and to receive necessary support and transition services.

(ii) In 2007 and 2008, the department has the authority to allow up to fifty additional youth per year reaching age eighteen

ONE-HUNDRED FOURTH DAY, APRIL 25, 2009

to remain in foster care or group care as provided in (b)(i) of this subsection.

(iii) A youth who remains eligible for such placement and services pursuant to department rules may continue in foster care or group care until the youth reaches his or her twenty-first birthday. Eligibility requirements shall include active enrollment in a posthigh school academic or vocational program and maintenance of a 2.0 grade point average.

(11) Refer cases to the division of child support whenever state or federal funds are expended for the care and maintenance of a child, including a child with a developmental disability who is placed as a result of an action under chapter 13.34 RCW, unless the department finds that there is good cause not to pursue collection of child support against the parent or parents of the child. Cases involving individuals age eighteen through twenty shall not be referred to the division of child support unless required by federal law.

(12) Have authority within funds appropriated for foster care services to purchase care for Indian children who are in the custody of a federally recognized Indian tribe or tribally licensed child-placing agency pursuant to parental consent, tribal court order, or state juvenile court order; and the purchase of such care shall be subject to the same eligibility standards and rates of support applicable to other children for whom the department purchases care.

Notwithstanding any other provision of RCW 13.32A.170 through 13.32A.200 and 74.13.032 through 74.13.036, or of this section all services to be provided by the department of social and health services under subsections (4), (6), and (7) of this section, subject to the limitations of these subsections, may be provided by any program offering such services funded pursuant to Titles II and III of the federal juvenile justice and delinquency prevention act of 1974.

(13) Within amounts appropriated for this specific purpose, provide preventive services to families with children that prevent or shorten the duration of an out-of-home placement.

(14) Have authority to provide independent living services to youths, including individuals who have attained eighteen years of age, and have not attained twenty-one years of age who are or have been in foster care.

(15) Consult at least quarterly with foster parents, including members of the foster parent association of Washington state, for the purpose of receiving information and comment regarding how the department is performing the duties and meeting the obligations specified in this section and RCW 74.13.250 and 74.13.320 regarding the recruitment of foster homes, reducing foster parent turnover rates, providing effective training for foster parents, and administering a coordinated and comprehensive plan that strengthens services for the protection of children. Consultation shall occur at the regional and statewide levels.

(16)(a) Within current funding levels, place on the public web site maintained by the department a document listing the duties and responsibilities the department has to a child subject to a dependency petition including, but not limited to, the following:

(i) Reasonable efforts, including the provision of services, toward reunification of the child with his or her family;

(ii) Sibling visits subject to the restrictions in RCW 13.34.136(2)(b)(ii);

(iii) Parent-child visits;

(iv) Statutory preference for placement with a relative or other suitable person, if appropriate; and

(v) Statutory preference for an out-of-home placement that allows the child to remain in the same school or school district, if practical and in the child's best interests.

(b) The document must be prepared in conjunction with a community-based organization and must be updated as needed.

NEW SECTION. Sec. 8. A new section is added to chapter 74.13 RCW to read as follows:

2009 REGULAR SESSION

Once a dependency is established under chapter 13.34 RCW, the social worker assigned to the case shall provide the dependent child age twelve years and older with a document containing the information described in RCW 74.13.031(16). The social worker shall explain the contents of the document to the child and direct the child to the department's web site for further information. The social worker shall document, in the electronic data system, that this requirement was met.

Sec. 9. RCW 74.13.109 and 1990 c 285 s 7 are each amended to read as follows:

(1) The secretary shall issue rules and regulations to assist in the administration of the program of adoption support authorized by RCW 26.33.320 and 74.13.100 through 74.13.145.

(2) Disbursements from the appropriations available from the general fund shall be made pursuant to such rules and regulations and pursuant to agreements conforming thereto to be made by the secretary with parents for the purpose of supporting the adoption of children in, or likely to be placed in, foster homes or child caring institutions who are found by the secretary to be difficult to place in adoption because of physical or other reasons; including, but not limited to, physical or mental handicap, emotional disturbance, ethnic background, language, race, color, age, or sibling grouping.

(3) Such agreements shall meet the following criteria:

~~((+))~~ (a) The child whose adoption is to be supported pursuant to such agreement shall be or have been a child hard to place in adoption.

~~((2))~~ (b) Such agreement must relate to a child who was or is residing in a foster home or child-caring institution or a child who, in the judgment of the secretary, is both eligible for, and likely to be placed in, either a foster home or a child-caring institution.

~~((3))~~ (c) Such agreement shall provide that adoption support shall not continue beyond the time that the adopted child reaches eighteen years of age, becomes emancipated, dies, or otherwise ceases to need support, provided that if the secretary shall find that continuing dependency of such child after such child reaches eighteen years of age warrants the continuation of support pursuant to RCW 26.33.320 and 74.13.100 through 74.13.145 the secretary may do so, subject to all the provisions of RCW 26.33.320 and 74.13.100 through 74.13.145, including annual review of the amount of such support.

~~((+))~~ (d) Any prospective parent who is to be a party to such agreement shall be a person who has the character, judgment, sense of responsibility, and disposition which make him or her suitable as an adoptive parent of such child.

(4) At least six months before an adoption is finalized under chapter 26.33 RCW and RCW 74.13.100 through 74.13.145, the department must provide to the prospective adoptive parent, in writing, information describing the limits of the adoption support program including the following information:

(a) The limits on monthly cash payments to adoptive families;

(b) The limits on the availability of children's mental health services and the funds with which to pay for these services;

(c) The process for accessing mental health services for children receiving adoption support services;

(d) The limits on the one-time cash payments to adoptive families for expenses related to their adopted children; and

(e) That payment for residential or group care is not available for adopted children under the adoption support program.

Sec. 10. RCW 74.13.250 and 1990 c 284 s 2 are each amended to read as follows:

(1) Preservice training is recognized as a valuable tool to reduce placement disruptions, the length of time children are in care, and foster parent turnover rates. Preservice training also assists potential foster parents in making their final decisions about foster parenting and assists social service agencies in

ONE-HUNDRED FOURTH DAY, APRIL 25, 2009

2009 REGULAR SESSION

obtaining information about whether to approve potential foster parents.

(2) Foster parent preservice training shall include information about the potential impact of placement on foster children; social service agency administrative processes; the requirements, responsibilities, expectations, and skills needed to be a foster parent; attachment, separation, and loss issues faced by birth parents, foster children, and foster parents; child management and discipline; birth family relationships; information on the limits of the adoption support program as provided in RCW 74.13.109(4); and helping children leave foster care. Preservice training shall assist applicants in making informed decisions about whether they want to be foster parents. Preservice training shall be designed to enable the agency to assess the ability, readiness, and appropriateness of families to be foster parents. As a decision tool, effective preservice training provides potential foster parents with enough information to make an appropriate decision, affords potential foster parents an opportunity to discuss their decision with others and consider its implications for their family, clarifies foster family expectations, presents a realistic picture of what foster parenting involves, and allows potential foster parents to consider and explore the different types of children they might serve.

(3) Preservice training shall be completed prior to the issuance of a foster care license, except that the department may, on a case by case basis, issue a written waiver that allows the foster parent to complete the training after licensure, so long as the training is completed within ninety days following licensure.

Sec. 11. RCW 74.13.333 and 2004 c 181 s 1 are each amended to read as follows:

(1) A foster parent who believes that a department employee has retaliated against the foster parent or in any other manner discriminated against the foster parent because:

~~((+))~~ (a) The foster parent made a complaint with the office of the family and children's ombudsman, the attorney general, law enforcement agencies, or the department, provided information, or otherwise cooperated with the investigation of such a complaint;

~~((2))~~ (b) The foster parent has caused to be instituted any proceedings under or related to Title 13 RCW;

~~((3))~~ (c) The foster parent has testified or is about to testify in any proceedings under or related to Title 13 RCW;

~~((4))~~ (d) The foster parent has advocated for services on behalf of the foster child;

~~((5))~~ (e) The foster parent has sought to adopt a foster child in the foster parent's care; or

~~((6))~~ (f) The foster parent has discussed or consulted with anyone concerning the foster parent's rights under this chapter or chapter 74.15 or 13.34 RCW, may file a complaint with the office of the family and children's ombudsman.

(2) The ombudsman may investigate the allegations of retaliation. The ombudsman shall have access to all relevant information and resources held by or within the department by which to conduct the investigation. Upon the conclusion of its investigation, the ombudsman shall provide its findings in written form to the department.

(3) The department shall notify the office of the family and children's ombudsman in writing, within thirty days of receiving the ombudsman's findings, of any personnel action taken or to be taken with regard to the department employee.

(4) The office of the family and children's ombudsman shall also include its recommendations regarding complaints filed under this section in its annual report pursuant to RCW 43.06A.030. The office of the family and children's ombudsman shall identify trends which may indicate a need to improve relations between the department and foster parents."

MR. PRESIDENT:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. **Sec. 1.** A new section is added to chapter 48.66 RCW to read as follows:

Any medicare eligible person who is rejected for medical reasons, is required to accept restrictive riders, an up-rated premium, or preexisting conditions limitations, the effect of which is to substantially reduce coverage from that received by a person considered a standard risk by at least one member as defined in RCW 48.41.030(14) shall be provided written notice from the issuer of medicare supplement coverage to whom application was made of the decision not to accept the person's application for enrollment, or to require such restrictions. The notice shall further state that the person is eligible for medicare part C coverage offered in the person's geographic area or coverage provided by the Washington state health insurance pool for Washington residents, and shall include information

about medicare part C plans offered in the person's geographic area, about the Washington state health insurance pool, and about available resources to assist the person in choosing appropriate coverage.

Sec. 2. RCW 48.41.060 and 2008 c 217 s 47 are each amended to read as follows:

(1) The board shall have the general powers and authority granted under the laws of this state to insurance companies, health care service contractors, and health maintenance organizations, licensed or registered to offer or provide the kinds of health coverage defined under this title. In addition thereto, the board shall:

(a) Designate or establish the standard health questionnaire to be used under RCW 48.41.100 and 48.43.018, including the form and content of the standard health questionnaire and the method of its application. The questionnaire must provide for an objective evaluation of an individual's health status by assigning a discreet measure, such as a system of point scoring to each individual. The questionnaire must not contain any questions related to pregnancy, and pregnancy shall not be a basis for coverage by the pool. The questionnaire shall be designed such that it is reasonably expected to identify the eight percent of persons who are the most costly to treat who are under individual coverage in health benefit plans, as defined in RCW 48.43.005, in Washington state or are covered by the pool, if applied to all such persons;

(b) Obtain from a member of the American academy of actuaries, who is independent of the board, a certification that the standard health questionnaire meets the requirements of (a) of this subsection;

(c) Approve the standard health questionnaire and any modifications needed to comply with this chapter. The standard health questionnaire shall be submitted to an actuary for certification, modified as necessary, and approved at least every ~~((eighteen))~~ thirty-six months. The designation and approval of the standard health questionnaire by the board shall not be subject to review and approval by the commissioner. The standard health questionnaire or any modification thereto shall not be used until ninety days after public notice of the approval of the questionnaire or any modification thereto, except that the initial standard health questionnaire approved for use by the board after March 23, 2000, may be used immediately following public notice of such approval;

(d) Establish appropriate rates, rate schedules, rate adjustments, expense allowances, claim reserve formulas and any other actuarial functions appropriate to the operation of the pool. Rates shall not be unreasonable in relation to the coverage provided, the risk experience, and expenses of providing the coverage. Rates and rate schedules may be adjusted for appropriate risk factors such as age and area variation in claim costs and shall take into consideration appropriate risk factors in accordance with established actuarial underwriting practices consistent with Washington state individual plan rating requirements under RCW 48.44.022 and 48.46.064;

(e)(i) Assess members of the pool in accordance with the provisions of this chapter, and make advance interim assessments as may be reasonable and necessary for the organizational or interim operating expenses. Any interim assessments will be credited as offsets against any regular assessments due following the close of the year.

(ii) Self-funded multiple employer welfare arrangements are subject to assessment under this subsection only in the event that assessments are not preempted by the employee retirement income security act of 1974, as amended, 29 U.S.C. Sec. 1001 et seq. The arrangements and the commissioner shall initially

request an advisory opinion from the United States department of labor or obtain a declaratory ruling from a federal court on the legality of imposing assessments on these arrangements before imposing the assessment. Once the legality of the assessments has been determined, the multiple employer welfare arrangement certified by the insurance commissioner must begin payment of these assessments.

(iii) If there has not been a final determination of the legality of these assessments, then beginning on the earlier of (A) the date the fourth multiple employer welfare arrangement has been certified by the insurance commissioner, or (B) April 1, 2006, the arrangement shall deposit the assessments imposed by this subsection into an interest bearing escrow account maintained by the arrangement. Upon a final determination that the assessments are not preempted by the employee retirement income security act of 1974, as amended, 29 U.S.C. Sec. 1001 et seq., all funds in the interest bearing escrow account shall be transferred to the board;

(f) Issue policies of health coverage in accordance with the requirements of this chapter;

(g) Establish procedures for the administration of the premium discount provided under RCW 48.41.200(3)(a)(iii);

(h) Contract with the Washington state health care authority for the administration of the premium discounts provided under RCW 48.41.200(3)(a) (i) and (ii);

(i) Set a reasonable fee to be paid to an insurance producer licensed in Washington state for submitting an acceptable application for enrollment in the pool; and

(j) Provide certification to the commissioner when assessments will exceed the threshold level established in RCW 48.41.037.

(2) In addition thereto, the board may:

(a) Enter into contracts as are necessary or proper to carry out the provisions and purposes of this chapter including the authority, with the approval of the commissioner, to enter into contracts with similar pools of other states for the joint performance of common administrative functions, or with persons or other organizations for the performance of administrative functions;

(b) Sue or be sued, including taking any legal action as necessary to avoid the payment of improper claims against the pool or the coverage provided by or through the pool;

(c) Appoint appropriate legal, actuarial, and other committees as necessary to provide technical assistance in the operation of the pool, policy, and other contract design, and any other function within the authority of the pool; and

(d) Conduct periodic audits to assure the general accuracy of the financial data submitted to the pool, and the board shall cause the pool to have an annual audit of its operations by an independent certified public accountant.

(3) Nothing in this section shall be construed to require or authorize the adoption of rules under chapter 34.05 RCW.

(3) "Commission" means the sentencing guidelines commission.

(4) "Community corrections officer" means an employee of the department who is responsible for carrying out specific duties in supervision of sentenced offenders and monitoring of sentence conditions.

(5) "Community custody" means that portion of an offender's sentence of confinement in lieu of earned release time or imposed ~~((pursuant to RCW 9.94A.505(2)(b), 9.94A.650 through 9.94A.670, 9.94A.690, 9.94A.700 through 9.94A.715, or 9.94A.545;))~~ as part of a sentence under this chapter and served in the community subject to controls placed on the offender's movement and activities by the department. For offenders placed on community custody for crimes committed on or after July 1, 2000, the department shall assess the offender's risk of reoffense and may establish and modify conditions of community custody, in addition to those imposed by the court, based upon the risk to community safety.

(6) "Community custody range" means the minimum and maximum period of community custody included as part of a sentence under RCW 9.94A.715, as established by the commission or the legislature under RCW 9.94A.850, for crimes committed on or after July 1, 2000.

(7) "Community placement" means that period during which the offender is subject to the conditions of community custody and/or postrelease supervision, which begins either upon completion of the term of confinement (postrelease supervision) or at such time as the offender is transferred to community custody in lieu of earned release. conditions of supervision may, subject to available resources, include treatment. However, affirmative acts necessary to monitor compliance with the order of a court may be required by the department.

(14) "Criminal history" means the list of a defendant's prior convictions and juvenile adjudications, whether in this state, in federal court, or elsewhere.

(a) The history shall include, where known, for each conviction (i) whether the defendant has been placed on probation and the length and terms thereof; and (ii) whether the defendant has been incarcerated and the length of incarceration.

(c) The determination of a defendant's criminal history is distinct from the determination of an offender score. A prior conviction that was not included in an offender score calculated pursuant to a former version of the sentencing reform act remains part of the defendant's criminal history.

(15) "Criminal street gang" means any ongoing organization, association, or group of three or more persons, whether formal or informal, having a common name or common identifying sign or symbol, having as one of its primary activities the commission of criminal acts, and whose members or associates individually or collectively engage in or have engaged in a pattern of criminal street gang activity. ~~-(b) The legislature may, by enactment of a legislative bill, adopt or modify the community custody ranges proposed by the commission. If the legislature fails to adopt or modify the initial ranges in its next regular session after they are proposed, the proposed ranges shall take effect without legislative approval for crimes committed on or after July 1, 2000.~~

~~-(c) When the commission proposes modifications to ranges pursuant to this subsection, the legislature may, by enactment of a bill, adopt or modify the ranges proposed by the commission for crimes committed on or after July 1 of the year after they were proposed. NEW SECTION. Sec. 9. The department of corrections shall recalculate the term of community custody and reset the date that community custody will end for each offender currently in confinement or serving a term of community custody for a crime specified in RCW 9.94A.701. The recalculation shall not extend a term of community custody beyond that to which an offender is currently subject.

Sec. 10. 2008 c 231 s 6 (uncodified) is amended to read as follows:

The existing sentencing reform act contains numerous provisions for supervision of different types of offenders. This duplication has caused great confusion for judges, lawyers, offenders, and the department of corrections, and often results in inaccurate sentences. The clarifications in this act are intended to support continued discussions by the sentencing guidelines commission with the courts and the criminal justice community to identify and propose policy changes that will further simplify and improve the sentencing reform act relating to the supervision of offenders. The sentencing guidelines commission shall submit policy change proposals to the legislature on or before December 1, 2008.

Sections 7 through 58 of this act are intended to simplify the supervision provisions of the sentencing reform act and increase the uniformity of its application. These sections are not intended to either increase or decrease the authority of sentencing courts or the department relating to supervision, except for those provisions instructing the court to apply the provisions of the current community custody law to offenders sentenced after July 1, 2009, but who committed their crime prior to August 1, 2009, to the extent that such application is constitutionally permissible.

This will effect a change for offenders who committed their crimes prior to the offender accountability act, chapter 196, Laws of 1999. These offenders will be ordered to a term of community custody rather than community placement or community supervision. To the extent constitutionally permissible, the terms of the offender's supervision will be as provided in current law. With the exception of this change, the legislature does not intend to make, and no provision of sections 7 through 58 of this act may be construed as making, a substantive change to the supervision provisions of the sentencing reform act.

~~((It is the intent of the legislature to reaffirm that section 3, chapter 379, Laws of 2003, expires July 1, 2010:))~~

Sec. 11. RCW 9.95.220 and 1957 c 227 s 5 are each amended to read as follows:

For this purpose any peace officer or state parole officer may rearrest any such person without warrant or other process. The court may thereupon in its discretion without notice revoke and terminate such probation. In the event the judgment has been pronounced by the court and the execution thereof suspended, the court may revoke such suspension, whereupon the judgment shall be in full force and effect, and the defendant shall be delivered to the sheriff to be transported to the penitentiary or reformatory as the case may be. If the judgment has not been pronounced, the court shall pronounce judgment after such revocation of probation and the defendant shall be delivered to the sheriff to be transported to the penitentiary or reformatory, in accordance with the sentence imposed.

(2) If a probationer is being supervised by the department of corrections pursuant to RCW 9.95.204, the department shall have authority to issue a warrant for the arrest of an offender who violates a condition of community custody, as provided in RCW 9.94A.716. Any sanctions shall be imposed by the department pursuant to RCW 9.94A.737. The department shall provide a copy of the violation hearing report to the sentencing court in a timely manner. Nothing in this subsection is intended to limit the power of the sentencing court to respond to a probationer's violation of conditions.

Sec. 12. RCW 9.94A.633 and 2009 c 28 s 7 are each amended to read as follows:

(1)(a) An offender who violates any condition or requirement of a sentence may be sanctioned with up to sixty days' confinement for each violation.

(b) In lieu of confinement, an offender may be sanctioned with work release, home detention with electronic monitoring, work crew, community restitution, inpatient treatment, daily reporting, curfew, educational or counseling sessions, supervision enhanced through electronic monitoring, or any other sanctions available in the community.

(2) If an offender was under community custody pursuant to one of the following statutes, the offender may be sanctioned as follows:

(a) If the offender was transferred to community custody in lieu of earned early release in accordance with RCW 9.94A.728(2), the offender may be transferred to a more restrictive confinement status to serve up to the remaining portion of the sentence, less credit for any period actually spent in community custody or in detention awaiting disposition of an alleged violation.

(c) If the offender was sentenced under the special sexual offender sentencing alternative set out in RCW 9.94A.670, the suspended sentence may be revoked and the offender committed to serve the original sentence of confinement.

(d) If the offender was sentenced to a work ethic camp pursuant to RCW 9.94A.690, the offender may be reclassified to serve the unexpired term of his or her sentence in total confinement.

(e) If a sex offender was sentenced pursuant to RCW 9.94A.507, the offender may be transferred to a more restrictive confinement status to serve up to the remaining portion of the sentence, less credit for any period actually spent in community custody or in detention awaiting disposition of an alleged violation.

(3) If a probationer is being supervised by the department pursuant to RCW 9.92.060, 9.95.204, or 9.95.210, the probationer may be sanctioned pursuant to subsection (1) of this section. The department shall have authority to issue a warrant for the arrest of an offender who violates a condition of community custody, as provided in RCW 9.94A.716. Any sanctions shall be imposed by the department pursuant to RCW 9.94A.737. The department shall provide a copy of the violation hearing report to the sentencing court in a timely manner. Nothing in this subsection is intended to limit the power of the sentencing court to respond to a probationer's violation of conditions.

Sec. 13. RCW 9.94A.737 and 2007 c 483 s 305 are each amended to read as follows:

(1) If an offender violates any condition or requirement of community custody, the department may transfer the offender to a more restrictive confinement status to serve up to the remaining portion of the sentence, less credit for any period actually spent in community custody or in detention awaiting disposition of an alleged violation and subject to the limitations of subsection (3) of this section.

(2) If an offender has not completed his or her maximum term of total confinement and is subject to a third violation hearing for any violation of community custody and is found to have committed the violation, the department shall return the offender to total confinement in a state correctional facility to serve up to the remaining portion of his or her sentence, unless it is determined that returning the offender to a state correctional facility would substantially interfere with the offender's ability to maintain necessary community supports or to participate in necessary treatment or programming and would substantially increase the offender's likelihood of reoffending.

(3)(a) For a sex offender sentenced to a term of community custody under RCW 9.94A.670 who violates any condition of community custody, the department may impose a sanction of up to sixty days' confinement in a local correctional facility for each violation. If the department imposes a sanction, the department shall submit within seventy-two hours a report to the court and the prosecuting attorney outlining the violation or violations and the sanctions imposed.

(b) For a sex offender sentenced to a term of community custody under RCW 9.94A.710 who violates any condition of community custody after having completed his or her maximum term of total confinement, including time served on community custody in lieu of earned release, the department may impose a sanction of up to sixty days in a local correctional facility for each violation.

(c) For an offender sentenced to a term of community custody under RCW 9.94A.505(2)(b), 9.94A.650, or 9.94A.715, or under RCW 9.94A.545, for a crime committed on or after July 1, 2000, who violates any condition of community custody after having completed his or her maximum term of total confinement, including time served on community custody in lieu of earned release, the department may impose a sanction of up to sixty days in total confinement for each violation. The department may impose sanctions such as work release, home detention with electronic monitoring, work crew, community restitution, inpatient treatment, daily reporting, curfew, educational or counseling sessions, supervision enhanced through electronic monitoring, or any other sanctions available in the community.

(d) For an offender sentenced to a term of community placement under RCW 9.94A.705 who violates any condition of community placement after having completed his or her maximum term of total confinement, including time served on community custody in lieu of earned release, the department may impose a sanction of up to sixty days in total confinement for each violation. The department may impose sanctions such as work release, home detention with electronic monitoring, work crew, community restitution, inpatient treatment, daily reporting, curfew, educational or counseling sessions,

supervision enhanced through electronic monitoring, or any other sanctions available in the community.

(e) If a probationer is being supervised by the department pursuant to RCW 9.92.060, 9.95.204, or 9.95.210, the probationer may be sanctioned by the department pursuant to (c) of this subsection. The department shall have authority to issue a warrant for the arrest of an offender who violates a condition of community custody, as provided in RCW 9.94A.740. The department shall provide a copy of the violation hearing report to the sentencing court in a timely manner. Nothing in this subsection is intended to limit the power of the sentencing court to respond to a probationer's violation of conditions.

(4) If an offender has been arrested for a new felony offense while under community supervision, community custody, or community placement, the department shall hold the offender in total confinement until a hearing before the department as provided in this section or until the offender has been formally charged for the new felony offense, whichever is earlier. Nothing in this subsection shall be construed as to permit the department to hold an offender past his or her maximum term of total confinement if the offender has not completed the maximum term of total confinement or to permit the department to hold an offender past the offender's term of community supervision, community custody, or community placement.

(5) The department shall be financially responsible for any portion of the sanctions authorized by this section that are served in a local correctional facility as the result of action by the department.

(6) If an offender is accused of violating any condition or requirement of community custody, he or she is entitled to a hearing before the department prior to the imposition of sanctions. The hearing shall be considered as offender disciplinary proceedings and shall not be subject to chapter 34.05 RCW. The department shall develop hearing procedures and a structure of graduated sanctions.

(7) The hearing procedures required under subsection (6) of this section shall be developed by rule and include the following:

(a) Hearing officers shall report through a chain of command separate from that of community corrections officers;

(b) The department shall provide the offender with written notice of the violation, the evidence relied upon, and the reasons the particular sanction was imposed. The notice shall include a statement of the rights specified in this subsection, and the offender's right to file a personal restraint petition under court rules after the final decision of the department;

(c) The hearing shall be held unless waived by the offender, and shall be electronically recorded. For offenders not in total confinement, the hearing shall be held within fifteen working days, but not less than twenty-four hours, after notice of the violation. For offenders in total confinement, the hearing shall be held within five working days, but not less than twenty-four hours, after notice of the violation;

(d) The offender shall have the right to: (i) Be present at the hearing; (ii) have the assistance of a person qualified to assist the offender in the hearing, appointed by the hearing officer if the offender has a language or communications barrier; (iii) testify or remain silent; (iv) call witnesses and present documentary evidence; and (v) question witnesses who appear and testify; and

(e) The sanction shall take effect if affirmed by the hearing officer. Within seven days after the hearing officer's decision, the offender may appeal the decision to a panel of three reviewing officers designated by the secretary or by the secretary's designee. The sanction shall be reversed or modified if a majority of the panel finds that the sanction was not reasonably related to any of the following: (i) The crime of conviction; (ii) the violation committed; (iii) the offender's risk of reoffending; or (iv) the safety of the community.

ONE-HUNDRED FOURTH DAY, APRIL 25, 2009

(8) For purposes of this section, no finding of a violation of conditions may be based on unconfirmed or unconfirmable allegations.

(9) The department shall work with the Washington association of sheriffs and police chiefs to establish and operate an electronic monitoring program for low-risk offenders who violate the terms of their community custody. Between January 1, 2006, and December 31, 2006, the department shall endeavor to place at least one hundred low-risk community custody violators on the electronic monitoring program per day if there are at least that many low-risk offenders who qualify for the electronic monitoring program.

(10) Local governments, their subdivisions and employees, the department and its employees, and the Washington association of sheriffs and police chiefs and its employees shall be immune from civil liability for damages arising from incidents involving low-risk offenders who are placed on electronic monitoring unless it is shown that an employee acted with gross negligence or bad faith.

Sec. 14. RCW 9.94A.6332 and 2009 c 28 s 8 are each amended to read as follows:

The procedure for imposing sanctions for violations of sentence conditions or requirements is as follows:

(1) If the offender was sentenced under the drug offender sentencing alternative, any sanctions shall be imposed by the department or the court pursuant to RCW 9.94A.660.

(2) If the offender was sentenced under the special sexual offender sentencing alternative, any sanctions shall be imposed by the department or the court pursuant to RCW 9.94A.670.

(3) If a sex offender was sentenced pursuant to RCW 9.94A.507, any sanctions shall be imposed by the board pursuant to RCW 9.95.435.

(4) In any other case, if the offender is being supervised by the department, any sanctions shall be imposed by the department pursuant to RCW 9.94A.737. If a probationer is being supervised by the department pursuant to RCW 9.92.060, 9.95.204, or 9.95.210, upon receipt of a violation hearing report from the department, the court retains any authority that those statutes provide to respond to a probationer's violation of conditions.

(5) If the offender is not being supervised by the department, any sanctions shall be imposed by the court pursuant to RCW 9.94A.6333.

MESSAGE FROM THE HOUSE

April 23, 2009

MR. PRESIDENT:

The House has receded in its amendment to SUBSTITUTE SENATE BILL NO. 5285. Under suspension of rules, the bill was returned to second reading for the purpose of an amendment. The House adopted the following amendment: 5285-S AMH GOOD TANG 107, and passed the bill as amended by the House.

Strike everything after the enacting clause and insert the following:

"Sec. 1. RCW 26.44.030 and 2008 c 211 s 5 are each amended to read as follows:

(1)(a) When any practitioner, county coroner or medical examiner, law enforcement officer, professional school personnel, registered or licensed nurse, social service counselor, psychologist, pharmacist, employee of the department of early learning, licensed or certified child care providers or their employees, employee of the department, juvenile probation officer, placement and liaison specialist, responsible living skills program staff, HOPE center staff, or state family and children's

ombudsman or any volunteer in the ombudsman's office has reasonable cause to believe that a child has suffered abuse or neglect, he or she shall report such incident, or cause a report to be made, to the proper law enforcement agency or to the department as provided in RCW 26.44.040.

(b) When any person, in his or her official supervisory capacity with a nonprofit or for-profit organization, has reasonable cause to believe that a child has suffered abuse or neglect caused by a person over whom he or she regularly exercises supervisory authority, he or she shall report such incident, or cause a report to be made, to the proper law enforcement agency, provided that the person alleged to have caused the abuse or neglect is employed by, contracted by, or volunteers with the organization and coaches, trains, educates, or counsels a child or children or regularly has unsupervised access to a child or children as part of the employment, contract, or voluntary service. No one shall be required to report under this section when he or she obtains the information solely as a result of a privileged communication as provided in RCW 5.60.060.

Nothing in this subsection (1)(b) shall limit a person's duty to report under (a) of this subsection.

For the purposes of this subsection, the following definitions apply:

(i) "Official supervisory capacity" means a position, status, or role created, recognized, or designated by any nonprofit or for-profit organization, either for financial gain or without financial gain, whose scope includes, but is not limited to, overseeing, directing, or managing another person who is employed by, contracted by, or volunteers with the nonprofit or for-profit organization.

(ii) "Regularly exercises supervisory authority" means to act in his or her official supervisory capacity on an ongoing or continuing basis with regards to a particular person.

(c) The reporting requirement also applies to department of corrections personnel who, in the course of their employment, observe offenders or the children with whom the offenders are in contact. If, as a result of observations or information received in the course of his or her employment, any department of corrections personnel has reasonable cause to believe that a child has suffered abuse or neglect, he or she shall report the incident, or cause a report to be made, to the proper law enforcement agency or to the department as provided in RCW 26.44.040.

(d) The reporting requirement shall also apply to any adult who has reasonable cause to believe that a child who resides with them, has suffered severe abuse, and is able or capable of making a report. For the purposes of this subsection, "severe abuse" means any of the following: Any single act of abuse that causes physical trauma of sufficient severity that, if left untreated, could cause death; any single act of sexual abuse that causes significant bleeding, deep bruising, or significant external or internal swelling; or more than one act of physical abuse, each of which causes bleeding, deep bruising, significant external or internal swelling, bone fracture, or unconsciousness.

(e) The reporting requirement also applies to guardians ad litem, including court appointed special advocates, appointed under Titles 11, 13, and 26 RCW, who in the course of their representation of children in these actions have reasonable cause to believe a child has been abused or neglected.

(f) The report must be made at the first opportunity, but in no case longer than forty-eight hours after there is reasonable cause to believe that the child has suffered abuse or neglect. The report must include the identity of the accused if known.

(2) The reporting requirement of subsection (1) of this

section does not apply to the discovery of abuse or neglect that occurred during childhood if it is discovered after the child has become an adult. However, if there is reasonable cause to believe other children are or may be at risk of abuse or neglect by the accused, the reporting requirement of subsection (1) of this section does apply.

(3) Any other person who has reasonable cause to believe that a child has suffered abuse or neglect may report such incident to the proper law enforcement agency or to the department of social and health services as provided in RCW 26.44.040.

(4) The department, upon receiving a report of an incident of alleged abuse or neglect pursuant to this chapter, involving a child who has died or has had physical injury or injuries inflicted upon him or her other than by accidental means or who has been subjected to alleged sexual abuse, shall report such incident to the proper law enforcement agency. In emergency cases, where the child's welfare is endangered, the department shall notify the proper law enforcement agency within twenty-four hours after a report is received by the department. In all other cases, the department shall notify the law enforcement agency within seventy-two hours after a report is received by the department. If the department makes an oral report, a written report must also be made to the proper law enforcement agency within five days thereafter.

(5) Any law enforcement agency receiving a report of an incident of alleged abuse or neglect pursuant to this chapter, involving a child who has died or has had physical injury or injuries inflicted upon him or her other than by accidental means, or who has been subjected to alleged sexual abuse, shall report such incident in writing as provided in RCW 26.44.040 to the proper county prosecutor or city attorney for appropriate action whenever the law enforcement agency's investigation reveals that a crime may have been committed. The law enforcement agency shall also notify the department of all reports received and the law enforcement agency's disposition of them. In emergency cases, where the child's welfare is endangered, the law enforcement agency shall notify the department within twenty-four hours. In all other cases, the law enforcement agency shall notify the department within seventy-two hours after a report is received by the law enforcement agency.

(6) Any county prosecutor or city attorney receiving a report under subsection (5) of this section shall notify the victim, any persons the victim requests, and the local office of the department, of the decision to charge or decline to charge a crime, within five days of making the decision.

(7) The department may conduct ongoing case planning and consultation with those persons or agencies required to report under this section, with consultants designated by the department, and with designated representatives of Washington Indian tribes if the client information exchanged is pertinent to cases currently receiving child protective services. Upon request, the department shall conduct such planning and consultation with those persons required to report under this section if the department determines it is in the best interests of the child. Information considered privileged by statute and not directly related to reports required by this section must not be divulged without a valid written waiver of the privilege.

(8) Any case referred to the department by a physician licensed under chapter 18.57 or 18.71 RCW on the basis of an expert medical opinion that child abuse, neglect, or sexual assault has occurred and that the child's safety will be seriously endangered if returned home, the department shall file a dependency petition unless a second licensed physician of the

parents' choice believes that such expert medical opinion is incorrect. If the parents fail to designate a second physician, the department may make the selection. If a physician finds that a child has suffered abuse or neglect but that such abuse or neglect does not constitute imminent danger to the child's health or safety, and the department agrees with the physician's assessment, the child may be left in the parents' home while the department proceeds with reasonable efforts to remedy parenting deficiencies.

(9) Persons or agencies exchanging information under subsection (7) of this section shall not further disseminate or release the information except as authorized by state or federal statute. Violation of this subsection is a misdemeanor.

(10) Upon receiving a report of alleged abuse or neglect, the department shall make reasonable efforts to learn the name, address, and telephone number of each person making a report of abuse or neglect under this section. The department shall provide assurances of appropriate confidentiality of the identification of persons reporting under this section. If the department is unable to learn the information required under this subsection, the department shall only investigate cases in which:

(a) The department believes there is a serious threat of substantial harm to the child;

(b) The report indicates conduct involving a criminal offense that has, or is about to occur, in which the child is the victim; or

(c) The department has a prior founded report of abuse or neglect with regard to a member of the household that is within three years of receipt of the referral.

(11)(a) For reports of alleged abuse or neglect that are accepted for investigation by the department, the investigation shall be conducted within time frames established by the department in rule. In no case shall the investigation extend longer than ninety days from the date the report is received, unless the investigation is being conducted under a written protocol pursuant to RCW 26.44.180 and a law enforcement agency or prosecuting attorney has determined that a longer investigation period is necessary. At the completion of the investigation, the department shall make a finding that the report of child abuse or neglect is founded or unfounded.

(b) If a court in a civil or criminal proceeding, considering the same facts or circumstances as are contained in the report being investigated by the department, makes a judicial finding by a preponderance of the evidence or higher that the subject of the pending investigation has abused or neglected the child, the department shall adopt the finding in its investigation.

(12) In conducting an investigation of alleged abuse or neglect, the department or law enforcement agency:

(a) May interview children. The interviews may be conducted on school premises, at day-care facilities, at the child's home, or at other suitable locations outside of the presence of parents. Parental notification of the interview must occur at the earliest possible point in the investigation that will not jeopardize the safety or protection of the child or the course of the investigation. Prior to commencing the interview the department or law enforcement agency shall determine whether the child wishes a third party to be present for the interview and, if so, shall make reasonable efforts to accommodate the child's wishes. Unless the child objects, the department or law enforcement agency shall make reasonable efforts to include a third party in any interview so long as the presence of the third party will not jeopardize the course of the investigation; and

(b) Shall have access to all relevant records of the child in the possession of mandated reporters and their employees.

ONE-HUNDRED FOURTH DAY, APRIL 25, 2009

2009 REGULAR SESSION

(13) If a report of alleged abuse or neglect is founded and constitutes the third founded report received by the department within the last twelve months involving the same child or family, the department shall promptly notify the office of the family and children's ombudsman of the contents of the report. The department shall also notify the ombudsman of the disposition of the report.

(14) In investigating and responding to allegations of child abuse and neglect, the department may conduct background checks as authorized by state and federal law.

(15) The department shall maintain investigation records and conduct timely and periodic reviews of all founded cases of abuse and neglect. The department shall maintain a log of screened-out nonabusive cases.

(16) The department shall use a risk assessment process when investigating alleged child abuse and neglect referrals. The department shall present the risk factors at all hearings in which the placement of a dependent child is an issue. Substance abuse must be a risk factor. The department shall, within funds appropriated for this purpose, offer enhanced community-based services to persons who are determined not to require further state intervention.

(17) Upon receipt of a report of alleged abuse or neglect the law enforcement agency may arrange to interview the person making the report and any collateral sources to determine if any malice is involved in the reporting.

(18) Upon receiving a report of alleged abuse or neglect involving a child under the court's jurisdiction under chapter 13.34 RCW, the department shall promptly notify the child's guardian ad litem of the report's contents. The court shall immediately appoint the person recommended by the program.

(5) If a party in a case reasonably believes the court-appointed special advocate or volunteer guardian ad litem is inappropriate or unqualified, the party may request a review of the appointment by the program. The program must complete the review within five judicial days and remove any appointee for good cause. If the party seeking the review is not satisfied with the outcome of the review, the party may file a motion with the court for the removal of the court-appointed special advocate or volunteer guardian ad litem on the grounds the advocate or volunteer is inappropriate or unqualified.

Sec. 4. RCW 26.12.177 and 2007 c 496 s 305 are each amended to read as follows:

(1) All guardians ad litem and investigators appointed under this title must comply with the training requirements established under RCW 2.56.030(15), prior to their appointment in cases under Title 26 RCW, except that volunteer guardians ad litem or court-appointed special advocates may comply with alternative training requirements approved by the administrative office of the courts that meet or exceed the statewide requirements. (2)(a) Each guardian ad litem program for compensated guardians ad litem shall establish a rotational registry system for the appointment of guardians ad litem and investigators under this title. If a judicial district does not have a program the court shall establish the rotational registry system. Guardians ad litem and investigators under this title shall be selected from the registry except in exceptional circumstances as determined and documented by the court. The parties may make a joint recommendation for the appointment of a guardian ad litem from the registry.

(b) In judicial districts with a population over one hundred thousand, a list of three names shall be selected from the registry and given to the parties along with the background information record as specified in RCW 26.12.175(3), including their hourly rate for services. Each party may, within three judicial days, strike one name from the list. If more than one name remains on the list, the court shall make the appointment from the names on the list. In the event all three names are stricken the person whose name appears next on the registry shall be appointed.

(c) If a party reasonably believes that the appointed guardian ad litem ~~((lacks the necessary expertise for the proceeding))~~ is inappropriate or unqualified, charges an hourly rate higher than what is reasonable for the particular proceeding, or has a conflict of interest, the party may, within three judicial days from the appointment, move for substitution of the appointed guardian ad litem by filing a motion with the court.

(d) Under this section, within either registry referred to in (a) of this subsection, a subregistry may be created that consists

of guardians ad litem under contract with the department of social and health services' division of child support. Guardians ad litem on such a subregistry shall be selected and appointed in state-initiated paternity cases only.

(e) The superior court shall remove any person from the guardian ad litem registry who ~~((misrepresents))~~ has been found to have misrepresented his or her qualifications ((pursuant to a grievance procedure established by the court)).

I know that things are going to get a little crazy as we're trying to wrap up, possibly get out of order so, I brought a little help with me today. I would like you to say hello to my little friend. Hopefully, that will help but on a serious note and it has been brought to my attention by different members and both leadership and other members. We have a lot of difficult issues to finish to get out of here by tomorrow. There's going to be a lot of passion. There's going to be a lot of emotions. There's going to be a lot of differences. I would ask, you that you respect not only the differences of each others

philosophies but also respect each other. That you avoid rancor and assaults against each other, that you recognize that we don't always agree but we have a very important job to get done. I will do my best to keep order and I will do my best to not allow personal assaults and I'd appreciate your help in that way. It's not only my request but it's a request of many of you that have come and talked to me in the last couple of days. So, if we could respect that, we can do everything that we need to do to finish this incredible job. I have been here for thirty-three session, thirty-three years. One year we didn't have a session but thirty-two sessions. I know that you have the single most difficult task of all the years that I have ever been here and so I know it's going to get very passionate. It's going to get very emotional. SUBSTITUTE HOUSE BILL NO. 2346, by House Committee on Ways & Means (originally sponsored by Representative Kagi)

Concerning crisis residential centers.

The measure was read the second time.

MOTION

Senator Prentice moved that the following committee striking amendment by the Committee on Ways & Means be not adopted.

Strike everything after the enacting clause and insert the following:

Sec. 1. RCW 13.32A.130 and 2000 c 162 s 13 are each amended to read as follows:

(1) A child admitted to a secure facility shall remain in the facility for at least twenty-four hours after admission but for not more than five consecutive days. ~~((If the child admitted under this section is transferred between secure and semi-secure facilities, the aggregate length of time spent in all such centers or facilities may not exceed five consecutive days per admission))~~ A child admitted to a semi-secure facility may remain for not more than fifteen consecutive days. If a child is transferred between a secure and semi-secure facility, the aggregate length of time a child may remain in both facilities shall not exceed fifteen consecutive days per admission and in no event can the child's length of stay in a secure facility exceed five days per admission.

(2)(a)(i) The facility administrator shall determine within twenty-four hours after a child's admission to a secure facility whether the child is likely to remain in a semi-secure facility and may transfer the child to a semi-secure facility or release the child to the department. The determination shall be based on: (A) The need for continued assessment, protection, and

treatment of the child in a secure facility; and (B) the likelihood the child would remain at a semi-secure facility until his or her parents can take the child home or a petition can be filed under this title.

(ii) In making the determination the administrator shall consider the following information if known: (A) The child's age and maturity; (B) the child's condition upon arrival at the center; (C) the circumstances that led to the child's being taken to the center; (D) whether the child's behavior endangers the health, safety, or welfare of the child or any other person; (E) the child's history of running away; and (F) the child's willingness to cooperate in the assessment.

(b) If the administrator of a secure facility determines the child is unlikely to remain in a semi-secure facility, the administrator shall keep the child in the secure facility pursuant to this chapter and in order to provide for space for the child may transfer another child who has been in the facility for at least seventy-two hours to a semi-secure facility. The administrator shall only make a transfer of a child after determining that the child who may be transferred is likely to remain at the semi-secure facility.

(c) A crisis residential center administrator is authorized to transfer a child to a crisis residential center in the area where the child's parents reside or where the child's lawfully prescribed residence is located.

(d) An administrator may transfer a child from a semi-secure facility to a secure facility whenever he or she reasonably believes that the child is likely to leave the semi-secure facility and not return and after full consideration of all factors in (a)(i) and (ii) of this subsection.

(3) If no parent is available or willing to remove the child during the first seventy-two hours following admission, the department shall consider the filing of a petition under RCW 13.32A.140.

(4) Notwithstanding the provisions of subsection (1) of this section, the parents may remove the child at any time ~~((during the five-day period))~~ unless the staff of the crisis residential center has reasonable cause to believe that the child is absent from the home because he or she is abused or neglected or if allegations of abuse or neglect have been made against the parents. The department or any agency legally charged with the supervision of a child may remove a child from a crisis residential center at any time after the first twenty-four-hour period after admission has elapsed and only after full consideration by all parties of the factors in subsection (2)(a) of this section.

(5) Crisis residential center staff shall make reasonable efforts to protect the child and achieve a reconciliation of the family. If a reconciliation and voluntary return of the child has not been achieved within forty-eight hours from the time of admission, and if the administrator of the center does not consider it likely that reconciliation will be achieved within ~~((the five-day period))~~ five days of the child's admission to the center, then the administrator shall inform the parent and child of: (a) The availability of counseling services; (b) the right to file a child in need of services petition for an out-of-home placement, the right of a parent to file an at-risk youth petition, and the right of the parent and child to obtain assistance in filing the petition; (c) the right to request the facility administrator or his or her designee to form a multidisciplinary team; (d) the right to request a review of any out-of-home placement; (e) the right to request a mental health or chemical dependency evaluation by a county-designated professional or a private treatment facility; and (f) the right to request treatment in a program to address the child's at-risk behavior under RCW

ONE-HUNDRED FOURTH DAY, APRIL 25, 2009

2009 REGULAR SESSION

13.32A.197.

(6) At no time shall information regarding a parent's or child's rights be withheld. The department shall develop and distribute to all law enforcement agencies and to each crisis residential center administrator a written statement delineating the services and rights. The administrator of the facility or his or her designee shall provide every resident and parent with a copy of the statement.

(7) A crisis residential center and any person employed at the center acting in good faith in carrying out the provisions of this section are immune from criminal or civil liability for such actions.

Sec. 2. RCW 74.13.0321 and 1995 c 312 s 61 are each amended to read as follows:

No contract may provide reimbursement or compensation to:

Sec. 3. RCW 74.13.033 and 2000 c 162 s 16 are each amended to read as follows:

(1) If a resident of a crisis residential center becomes by his or her behavior disruptive to the facility's program, such resident may be immediately removed to a separate area within the facility and counseled on an individual basis until such time as the child regains his or her composure. The department may set rules and regulations establishing additional procedures for dealing with severely disruptive children on the premises.

(2) When the juvenile resides in this facility, all services deemed necessary to the juvenile's reentry to normal family life shall be made available to the juvenile as required by chapter 13.32A RCW. In assessing the child and providing these services, the facility staff shall:

(a) Interview the juvenile as soon as possible;

(b) Contact the juvenile's parents and arrange for a counseling interview with the juvenile and his or her parents as soon as possible;

(c) Conduct counseling interviews with the juvenile and his or her parents, to the end that resolution of the child/parent conflict is attained and the child is returned home as soon as possible;

(d) Provide additional crisis counseling as needed, to the end that placement of the child in the crisis residential center will be required for the shortest time possible, but not to exceed five consecutive days if the juvenile resides in a secure crisis residential center; and

(e) Convene, when appropriate, a multidisciplinary team.

(3) Based on the assessments done under subsection (2) of this section the ~~((facility))~~ center staff may refer any child who, as the result of a mental or emotional disorder, or intoxication by alcohol or other drugs, is suicidal, seriously assaultive, or seriously destructive toward others, or otherwise similarly evidences an immediate need for emergency medical evaluation and possible care, for evaluation pursuant to chapter 71.34 RCW, to a mental health professional pursuant to chapter 71.05 RCW, or to a chemical dependency specialist pursuant to chapter 70.96A RCW whenever such action is deemed appropriate and consistent with law.

(4) A juvenile taking unauthorized leave from a facility shall be apprehended and returned to it by law enforcement officers or other persons designated as having this authority as provided in RCW 13.32A.050. If returned to the facility after having

taken unauthorized leave for a period of more than twenty-four hours a juvenile shall be supervised by such a facility for a period, pursuant to this chapter, which, unless where otherwise provided, may not exceed five consecutive days ~~((on the premises))~~ in a secure facility or fifteen days in a semi-secure facility. Costs of housing juveniles admitted to crisis residential centers shall be assumed by the department for a period not to exceed five consecutive days.

(1) A child admitted to a secure facility located in a juvenile detention center shall remain in the facility for at least twenty-four hours after admission but for not more than five consecutive days. ((If the child admitted under this section is transferred between secure and semi-secure facilities, the aggregate length of time spent in all such centers or facilities may not exceed five consecutive days per admission.)) A child admitted to a secure facility not located in a juvenile detention center or a semi-secure facility may remain for not more than fifteen consecutive days. If a child is transferred between a secure and semi-secure facility, the aggregate length of time a child may remain in both facilities shall not exceed fifteen consecutive days per admission, and in no event may a child's stay in a secure facility located in a juvenile detention center exceed five days per admission.

(2)(a)(i) The facility administrator shall determine within twenty-four hours after a child's admission to a secure facility whether the child is likely to remain in a semi-secure facility and may transfer the child to a semi-secure facility or release the child to the department. The determination shall be based on: (A) The need for continued assessment, protection, and treatment of the child in a secure facility; and (B) the likelihood the child would remain at a semi-secure facility until his or her parents can take the child home or a petition can be filed under this title.

(ii) In making the determination the administrator shall consider the following information if known: (A) The child's age and maturity; (B) the child's condition upon arrival at the center; (C) the circumstances that led to the child's being taken to the center; (D) whether the child's behavior endangers the health, safety, or welfare of the child or any other person; (E) the child's history of running away; and (F) the child's willingness to cooperate in the assessment.

(b) If the administrator of a secure facility determines the child is unlikely to remain in a semi-secure facility, the administrator shall keep the child in the secure facility pursuant to this chapter and in order to provide for space for the child

may transfer another child who has been in the facility for at least seventy-two hours to a semi-secure facility. The administrator shall only make a transfer of a child after determining that the child who may be transferred is likely to remain at the semi-secure facility.

(c) A crisis residential center administrator is authorized to transfer a child to a crisis residential center in the area where the child's parents reside or where the child's lawfully prescribed residence is located.

(d) An administrator may transfer a child from a semi-secure facility to a secure facility whenever he or she reasonably believes that the child is likely to leave the semi-secure facility and not return and after full consideration of all factors in (a)(i) and (ii) of this subsection.

(3) If no parent is available or willing to remove the child during the first seventy-two hours following admission, the department shall consider the filing of a petition under RCW 13.32A.140.

(4) Notwithstanding the provisions of subsection (1) of this section, the parents may remove the child at any time (~~during the five-day period~~) unless the staff of the crisis residential center has reasonable cause to believe that the child is absent from the home because he or she is abused or neglected or if allegations of abuse or neglect have been made against the parents. The department or any agency legally charged with the supervision of a child may remove a child from a crisis residential center at any time after the first twenty-four-hour period after admission has elapsed and only after full consideration by all parties of the factors in subsection (2)(a) of this section.

(5) Crisis residential center staff shall make reasonable efforts to protect the child and achieve a reconciliation of the family. If a reconciliation and voluntary return of the child has not been achieved within forty-eight hours from the time of admission, and if the administrator of the center does not consider it likely that reconciliation will be achieved within (~~the five-day period~~) five days of the child's admission to the center, then the administrator shall inform the parent and child of: (a) The availability of counseling services; (b) the right to file a child in need of services petition for an out-of-home placement, the right of a parent to file an at-risk youth petition, and the right of the parent and child to obtain assistance in filing the petition; (c) the right to request the facility administrator or his or her designee to form a multidisciplinary team; (d) the right to request a review of any out-of-home placement; (e) the right to request a mental health or chemical dependency evaluation by a county-designated professional or a private treatment facility; and (f) the right to request treatment in a program to address the child's at-risk behavior under RCW 13.32A.197.

(6) At no time shall information regarding a parent's or child's rights be withheld. The department shall develop and distribute to all law enforcement agencies and to each crisis residential center administrator a written statement delineating the services and rights. The administrator of the facility or his or her designee shall provide every resident and parent with a copy of the statement.

(7) A crisis residential center and any person employed at the center acting in good faith in carrying out the provisions of this section are immune from criminal or civil liability for such actions.

(b) Contact the juvenile's parents and arrange for a counseling interview with the juvenile and his or her parents as soon as possible;

(e) Convene, when appropriate, a multidisciplinary team.

(3) Based on the assessments done under subsection (2) of this section the ~~((facility))~~ center staff may refer any child who, as the result of a mental or emotional disorder, or intoxication by alcohol or other drugs, is suicidal, seriously assaultive, or seriously destructive toward others, or otherwise similarly evidences an immediate need for emergency medical evaluation and possible care, for evaluation pursuant to chapter 71.34 RCW, to a mental health professional pursuant to chapter 71.05 RCW, or to a chemical dependency specialist pursuant to chapter 70.96A RCW whenever such action is deemed appropriate and consistent with law.

RULING BY THE PRESIDENT

President Owen: "In ruling upon the point of order raised by Senator Keiser as to the scope and object of Amendment #474, by Senator Holmquist and others, to Senate Bill 6158, the President finds and rules as follows:

SB 6158 is a bill that is necessary to implement the budget. It reduces government expenditures by delaying the implementation of payment of benefits under the Family Leave Insurance Program from 2009 until 2012. Amendment #474 would address the same budget issue by repealing the Family Leave Insurance Program.

While the President finds that Amendment #474 is a more drastic approach to the problem addressed by SB 6158, he believes that it does fall within the scope and object of SB 6158.

For this reason, the President finds that Senator Keiser's point is not well-taken. Amendment #474 is properly before the body for consideration."

(2) The investigation may include an examination of state and national criminal identification data. The secretary shall use the information solely for the purpose of determining the character, suitability, and competence of these applicants.

(3) Except as provided in subsection (4) of this section, an individual provider or home care agency provider who has resided in the state less than three years before applying for employment involving unsupervised access to a vulnerable adult as defined in chapter 74.34 RCW must be fingerprinted for the purpose of investigating conviction records ((both)) through both the Washington state patrol and the federal bureau of investigation. ~~((5))~~ (6) The secretary shall provide the results of the state background check on long-term care workers, including individual providers, to the persons hiring them or to their legal guardians, if any, for their determination of the character, suitability, and competence of the applicants. If the person elects to hire or retain an individual provider after receiving notice from the department that the applicant has a conviction for an offense that would disqualify the applicant from having unsupervised access to persons with physical, mental, or developmental disabilities or mental illness, or to vulnerable adults as defined in chapter 74.34 RCW, then the secretary shall deny payment for any subsequent services rendered by the disqualified individual provider.

~~((6))~~ (7) Criminal justice agencies shall provide the secretary such information as they may have and that the secretary may require for such purpose.

The department's system of quality improvement for long-term care services shall use the following principles, consistent with applicable federal laws and regulations:

(1) The system shall be client-centered and promote privacy, independence, dignity, choice, and a home or home-like environment for consumers consistent with chapter 392, Laws of 1997.

(2) The goal of the system is continuous quality improvement with the focus on consumer satisfaction and outcomes for consumers. (5) Monitoring should be outcome based and responsive to consumer complaints and based on a clear set of health, quality of care, and safety standards that are easily understandable and have been made available to providers, residents, and other interested parties.

(6) Prompt and specific enforcement remedies shall also be implemented without delay, pursuant to RCW 74.39A.080, RCW 70.128.160, chapter 18.51 RCW, or chapter 74.42 RCW, for providers found to have delivered care or failed to deliver care resulting in problems that are serious, recurring, or uncorrected, or that create a hazard that is causing or likely to cause death or serious harm to one or more residents. These enforcement remedies may also include, when appropriate, reasonable conditions on a contract or license. In the selection of remedies, the safety, health, and well-being of residents shall be of paramount importance.

(7) All long-term care workers shall be screened through background checks in a uniform and timely manner to ensure that they do not have a criminal history that would disqualify them from working with vulnerable persons. Long-term care workers who are hired after January 1, 2012, are subject to background checks under RCW 74.39A.055. This information will be shared with the department of health in accordance with RCW 74.39A.055 to advance the purposes of chapter 2, Laws of 2009.

(8) No provider, or its staff, or long-term care worker, or prospective provider or long-term care worker, with a stipulated finding of fact, conclusion of law, an agreed order, or finding of fact, conclusion of law, or final order issued by a disciplining authority, a court of law, or entered into a state registry finding him or her guilty of abuse, neglect, exploitation, or abandonment of a minor or a vulnerable adult as defined in chapter 74.34 RCW shall be employed in the care of and have unsupervised access to vulnerable adults.

This subsection does not require completion of the nursing assistant certificate training program by providers or their staff. The long-term care teaching curriculum must consist of a fundamental module, or modules, and a range of other available relevant training modules that provide the caregiver with appropriate options that assist in meeting the resident's care needs. Some of the training modules may include, but are not limited to, specific training on the special care needs of persons with developmental disabilities, dementia, mental illness, and the care needs of the elderly. No less than one training module must be dedicated to workplace violence prevention. The nursing care quality assurance commission shall work together with the department to develop the curriculum modules. The nursing care quality assurance commission shall direct the nursing assistant training programs to accept some or all of the skills and competencies from the curriculum modules towards meeting the requirements for a nursing assistant certificate as defined in chapter 18.88A RCW. A process may be developed to test persons completing modules from a caregiver's class to verify that they have the transferable skills and competencies for entry into a nursing assistant training program. The department may review whether facilities can develop their own related long-term care training programs. The department may develop a review process for determining what previous experience and training may be used to waive some or all of the mandatory training. The department of social and health services and the nursing care quality assurance commission shall work together to develop an implementation plan by December 12, 1998.

PERSONAL PRIVILEGE

Senator Prentice: "We've all just had long debate and we spoke about a budget but I would like to particularly thank the very gifted staff-and I would like for you to come out here,-very gifted staff that takes us in and those of us who were inexperienced at writing staffs and they're kind of bashful now. How they do I don't know and I think one of the things that we forget is that, the long hours that they put in, to the extent that after we get the budget developed and they're finally working on it and proof reading it and crushing it into the proper language it's extremely difficult. They go without sleep. I don't know how they do it. Here they are. Thank you very much. All of you come out please. Come on. Ok. Now remember they have to work with, attempt to work with, folks like us who come without the kind of expertise they have. They have to deal with, believe it or not, some rather difficult characters and that's everybody in this room, and but to the extent that they do their jobs sometimes I'm of bewildered as to how they're able to do it. I just cannot express how much I truly appreciate all of your attempts at making us look good. It's genuinely appreciated. I'd also, Claire. Where are you? Claire Hesselholt. Come out here, there's someone also. What's kind of frightening is when you're working with someone and they know you better than you know yourself. Just as I'm about to ask for something, she has it in her hand already. That is truly amazing. I want you to know, I had a rather rough start of the beginning of this session and I want to thank everyone of you for having made it more easy for me. It was a little rough, rougher than I had thought it was but I also want to thank the folks that we have up here. Folks in Security. I can't describe to you how they looked after me. How they would go out of their way just making sure that I was ok and I can't tell you how grateful I am. I will always be grateful, always

remember your kindnesses this year. I couldn't have had two finer vice chairs, Senator Karen Fraser and Senator Rodney Tom. Th is was his first year and just think of how magnificantly he did it and the folks on the opposite side of the aisle, members of our committee. You know one of the best things I enjoy is the very spirited but good natured kind displays that we have. We do truly value each other. We sometimes like to act as if we don't but it's a better committee than any of you that aren't on it actually realize. There's a lot of good natured fun on it but we're here to do serious work. I just want to thank everyone of you for having made this, what could have been a very difficult year, just make it possible."

PERSONAL PRIVILEGE

Senator Hewitt: "Thank you Mr. President. I was sitting here a minute ago and my alert went off. Was sure I didn't have any more appointments tonight but I'm glad to tell you that it says, 'Mike Hewitt, this is a reminder for Sunday, April 26, 2009 Sine Die,' tomorrow."

REPLY BY THE PRESIDENT

President Owen: "Senator, I think we're all pretty much aware of that."

PERSONAL PRIVILEGE

Senator Tom: "Thank you Mr. President. First of all I just want to thank the good Chair of Ways & Means. She has a rare combination that you find in very few individuals and that is she has a passion for those less fortunate but she also has some street smarts. She has a lot of financial capability. She really understands the realities of what we were facing. The other thing that I would like to mention, Senator Zarelli. You truly have been the utmost in professionalism. He showed a lot of class. Not that I ever want to be in the minority party again but, if we ever are, I hope we treat the majority like you have treated us. You truly have been very respectful. When it comes to the Ways & Means staff. You guys still need to come back out here. We got to embarrass you a little more. Come on. Come on, But you know often what you hear is you know government needs to be more like business but I will tell you there is nineteen individuals here in our Ways & Means staff that you can put that nineteen individuals up against any business in Washington State. I always tell them this and I said again this morning, I said 'I hope their spouses aren't watching' because I dealt with some pretty high-powered attorneys and accountants and different individuals in the private sector but these individuals they can hold a candle to anyone. They can go out in the private sector and probably make two or three times of what they are making today but they have that passion for public service and we owe them a great debt of gratitude. I'd also like to thank the leader of the gang, Mike Wills. Any great organization, has a great leader and Mike is fabulous, fabulous leader. There's always unique individuals. You know, there's Steve Jones. My son is in to dinosaurs and if you've ever wanted to know what a PERSI looks like it's Steve Jones. Then you also have to thank these individuals because if you look at Richard Ramsey. This poor individual has to wake up every morning, and guess what he has to look forward too. Dealing with Senator Hargrove. So we owe these individuals a great debt of gratitude. They do an incredible job for us and they are the ultimate in professionalism. Thank you Mr. President."

PERSONAL PRIVILEGE

Senator McAuliffe: "Thank you Mr. President. You know there are many people who are our state employees who have done wonderful jobs for us and many of them you have seen in our wings tonight. They stand by us. Our Education staff helped us write a basic education bill this year that I think holds the record for the number of times that it was written. It was written over one hundred different times and they did it because they believe so strongly in what the education for our children means to all of us. In talking about education, I want to take this one second to recognize the heroes in our class rooms. The superintendents, the principals, the teachers, the para educators regardless of the cuts we make in this budget, show up every day and take care of our children and care about each and every one of them. So, thank you very much for giving me this opportunity to recognize our heroes."

MOTION

On motion of Senator Eide, the Senate reverted to the fourth order of business.

(2) The department shall request an unanticipated receipt for any federal moneys received for emergency snow and ice removal and shall place an equal amount of the motor vehicle account--state into unallotted status. This exchange shall not affect the amount of funding available for snow and ice removal.

(3) The department shall request an unanticipated receipt for any private or local funds received for reimbursements of third party damages that are in excess of the motor vehicle account--private/local appropriation.

(4) \$2,000,000 of the motor vehicle account--federal appropriation is for unanticipated federal funds that may be received during the 2009-11 fiscal biennium. Upon receipt of the funds, the department shall provide a report on the use of the funds to the transportation committees of the legislature and the office of financial management.

(5) The department may incur costs related to the maintenance of the decorative lights on the Tacoma Narrows bridge only if:

(a) The nonprofit corporation, narrows bridge lights organization, maintains an account balance sufficient to reimburse the department for all costs; and

(b) The department is reimbursed from the narrows bridge lights organization within three months from the date any maintenance work is performed. If the narrows bridge lights organization is unable to reimburse the department for any future costs incurred, the lights must be removed at the expense of the narrows bridge lights organization subject to the terms of the contract.

Motor Vehicle Account--Federal Appropriation. . .	\$2,050,000

ONE-HUNDRED FOURTH DAY, APRIL 25, 2009

2009 REGULAR SESSION

Motor Vehicle Account--Private/Local Appropriation	\$127,000
.....	
TOTAL APPROPRIATION. . . .	\$53,703,000

The appropriations in this section are subject to the following conditions and limitations:

(1) \$2,400,000 of the motor vehicle account--state appropriation is provided solely for low-cost enhancements. The department shall give priority to low-cost enhancement projects that improve safety or provide congestion relief. The department shall prioritize low-cost enhancement projects on a statewide rather than regional basis. By September 1st of each even-numbered year, the department shall provide a report to the legislature listing all low-cost enhancement projects prioritized on a statewide rather than regional basis completed in the prior year.

(2) The department, in consultation with the Washington state patrol, may continue a pilot program for the patrol to issue infractions based on information from automated traffic safety cameras in roadway construction zones on state highways. For the purpose of this pilot program, during the 2009-11 fiscal biennium, a roadway construction zone includes areas where public employees or private contractors are not present but where a driving condition exists that would make it unsafe to drive at higher speeds, such as, when the department is redirecting or realigning lanes on any public roadway pursuant to ongoing construction. The department shall use the following guidelines to administer the program:

(a) Automated traffic safety cameras may only take pictures of the vehicle and vehicle license plate and only while an infraction is occurring. The picture must not reveal the face of the driver or of passengers in the vehicle;

(b) The department shall plainly mark the locations where the automated traffic safety cameras are used by placing signs on locations that clearly indicate to a driver that he or she is entering a roadway construction zone where traffic laws are enforced by an automated traffic safety camera;

(c) Notices of infractions must be mailed to the registered owner of a vehicle within fourteen days of the infraction occurring;

(d) The owner of the vehicle is not responsible for the violation if the owner of the vehicle, within fourteen days of receiving notification of the violation, mails to the patrol, a declaration under penalty of perjury, stating that the vehicle involved was, at the time, stolen or in the care, custody, or control of some person other than the registered owner, or any other extenuating circumstances;

(e) For purposes of the 2009-11 fiscal biennium pilot program, infractions detected through the use of automated traffic safety cameras are not part of the registered owner's driving record under RCW 46.52.101 and 46.52.120. Additionally, infractions generated by the use of automated traffic safety cameras must be processed in the same manner as parking infractions for the purposes of RCW 3.50.100, 35.20.220, 46.16.216, and 46.20.270(3). However, the amount of the fine issued under this subsection (2) for an infraction generated through the use of an automated traffic safety camera is one hundred thirty-seven dollars. The court shall remit thirty-two dollars of the fine to the state treasurer for deposit into the state patrol highway account; and

(f) If a notice of infraction is sent to the registered owner and the registered owner is a rental car business, the infraction must be dismissed against the business if it mails to the patrol, within fourteen days of receiving the notice, a declaration under penalty of perjury of the name and known mailing address of the individual driving or renting the vehicle when the infraction

occurred. If the business is unable to determine who was driving or renting the vehicle at the time the infraction occurred, the business must sign a declaration under penalty of perjury to this effect. The declaration must be mailed to the patrol within fourteen days of receiving the notice of traffic infraction. Timely mailing of this declaration to the issuing agency relieves a rental car business of any liability under this section for the notice of infraction. A declaration form suitable for this purpose must be included with each automated traffic infraction notice issued, along with instructions for its completion and use.

(3) The department shall implement a pilot project to evaluate the benefits of using electronic traffic flagging devices. Electronic traffic flagging devices must be tested by the department at multiple sites and reviewed for efficiency and safety. The department shall report to the transportation committees of the legislature on the best use and practices involving electronic traffic flagging devices, including recommendations for future use, by June 30, 2010.

(4) \$173,000 of the motor vehicle account--state appropriation is provided solely for the department to continue a pilot tow truck incentive program and to expand the program to other areas of the state. The department may provide incentive payments to towing companies that meet clearance goals on accidents that involve heavy trucks. The department shall report to the office of financial management and the transportation committees of the legislature on the effectiveness of the clearance goals and submit recommendations to improve the pilot program with the department's 2010 supplemental omnibus transportation appropriations act submittal.

(4) The department shall strive to significantly reduce the number of injuries suffered by Washington state ferries employees. By December 15, 2009, the department shall submit to the office of financial management and the transportation committees of the legislature its implementation plan to reduce such injuries.

(5) The department shall continue to provide service to Sidney, British Columbia. The department may place a Sidney terminal departure surcharge on fares for out of state residents riding the Washington state ferry route that runs between Anacortes, Washington and Sidney, British Columbia, if the cost for landing/license fee, taxes, and additional amounts charged for docking are in excess of \$280,000 CDN. (11) When purchasing uniforms that are required by collective bargaining agreements, the department shall contract with the lowest cost provider.

(12) The legislature finds that measuring the performance of Washington state ferries requires the measurement of quality, timeliness, and unit cost of services delivered to customers.

Consequently, the department must develop a set of metrics that measure that performance and report to the transportation committees of the legislature and to the office of financial management on the development of these measurements along with recommendations to the 2010 legislature on which measurements must become a part of the next omnibus transportation appropriations act.

It is the intent of the legislature to enact the policies into law and to publish that law and procedures as a manual for Washington state ferries' accident/incident investigations. Until that time, the Washington state ferry system must exercise particular diligence to assure that any incident or accident investigations are conducted within the spirit of the guidelines of this act. TOTAL APPROPRIATION. . .	\$3,119,872,000

The appropriations in this section are subject to the following conditions and limitations:

(1) Except as provided otherwise in this section, the entire transportation 2003 account (nickel account) appropriation and the entire transportation partnership account appropriation are provided solely for the projects and activities as listed by fund, project, and amount in LEAP Transportation Document 2009-1 as developed April 24, 2009, Program - Highway Improvement Program (I). However, limited transfers of specific line-item project appropriations may occur between projects for those amounts listed subject to the conditions and limitations in section 603 of this act.

(2) As a result of economic changes since the initial development of the improvement program budget for the 2009-11 fiscal biennium, the department has received bids on construction contracts over the last several months that are favorable with respect to current estimates of project costs. National economic forecasts indicate that inflationary pressures are likely to remain lower than previously expected for the next several years. As a result, the nominal project cost totals shown in LEAP Transportation Document 2009-1 in aggregate for the 2009-11 fiscal biennium and the 2011-13 fiscal biennium are expected to exceed the likely amount necessary to deliver the projects listed within those biennia by \$63,500,000 in the 2009-11 fiscal biennium and \$52,700,000 in the 2011-13 fiscal biennium. The appropriations provided in this section for the projects in those biennia are therefore \$63,500,000 less in the 2009-11 fiscal biennium and \$52,700,000 less in the 2011-13 fiscal biennium than the aggregate total of project costs listed. It is the intent of the legislature that the department shall deliver the projects listed in LEAP Transportation Document 2009-1 within the time, scope, and budgets identified in that document, provided that the prices of commodities used in transportation projects do not differ significantly from those assumed for the 2009-11 and 2011-13 fiscal biennia in the March 2009 forecast of the economic and revenue forecast council.

(3) \$162,900,000 of the transportation partnership account--state appropriation and \$106,000,000 of the state route number 520 corridor account--state appropriation are provided solely for the state route number 520 bridge replacement and HOV project. The department shall submit an application for the eastside transit and HOV project to the supplemental discretionary grant program for regionally significant projects as provided in the American Recovery and Reinvestment Act of 2009. Eastside state route number 520 improvements shall be designed and constructed to accommodate a future full interchange at 124th Avenue Northeast. Concurrent with the

eastside transit and HOV project, the department shall conduct engineering design of a full interchange at 124th Avenue Northeast. The amount provided in this subsection is contingent on the enactment of (a) Engrossed Substitute House Bill No. 2211 and (b) either Engrossed Substitute House Bill No. 2326 or other legislation authorizing bonds for the state route number 520 corridor projects. If the conditions of this subsection are not satisfied, the state route number 520 corridor account--state appropriation shall lapse.

(4) As required under section 305(6), chapter 518, Laws of 2007, the department shall report by January 2010 to the transportation committees of the legislature on the findings of the King county noise reduction solutions pilot project.

(5) Funding allocated for mitigation costs is provided solely for the purpose of project impact mitigation, and shall not be used to develop or otherwise participate in the environmental assessment process.

(6) The department shall apply for surface transportation program (STP) enhancement funds to be expended in lieu of or in addition to state funds for eligible costs of projects in Programs I and P including, but not limited to, the SR 518, SR 520, Columbia river crossing, and Alaskan Way viaduct projects.

(7) The department shall, on a quarterly basis beginning July 1, 2009, provide to the office of financial management and the legislature reports providing the status on each active project funded in part or whole by the transportation 2003 account (nickel account) or the transportation partnership account. Funding provided at a programmatic level for transportation partnership account and transportation 2003 account (nickel account) projects relating to bridge rail, guard rail, fish passage barrier removal, and roadside safety projects should be reported on a programmatic basis. Projects within this programmatic level funding should be completed on a priority basis and scoped to be completed within the current programmatic budget. The department shall work with the office of financial management and the transportation committees of the legislature to agree on report formatting and elements. Elements must include, but not be limited to, project scope, schedule, and costs. For new construction contracts valued at fifteen million dollars or more, the department must also use an earned value method of project monitoring. The department shall also provide the information required under this subsection on a quarterly basis via the transportation executive information systems (TEIS).

(8) The transportation 2003 account (nickel account)--state appropriation includes up to \$628,000,000 in proceeds from the sale of bonds authorized by RCW 47.10.861.

(9) The transportation partnership account--state appropriation includes up to \$1,360,528,000 in proceeds from the sale of bonds authorized in RCW 47.10.873.

(10) The special category C account--state appropriation includes up to \$22,127,000 in proceeds from the sale of bonds authorized in RCW 47.10.812.

(11) The motor vehicle account--state appropriation includes up to \$31,500,000 in proceeds from the sale of bonds authorized in RCW 47.10.843.

(12) The department must prepare a tolling study for the Columbia river crossing project. While conducting the study, the department must coordinate with the Oregon department of transportation to perform the following activities:

(a) Evaluate the potential diversion of traffic from Interstate 5 to other parts of the transportation system when tolls are implemented on Interstate 5 in the vicinity of the Columbia river;

ONE-HUNDRED FOURTH DAY, APRIL 25, 2009

2009 REGULAR SESSION

(b) Evaluate the most advanced tolling technology to maintain travel time speed and reliability for users of the Interstate 5 bridge;

(c) Evaluate available active traffic management technology to determine the most effective options for technology that could maintain travel time speed and reliability on the Interstate 5 bridge;

(d) Confer with the project sponsor's council, as well as local and regional governing bodies adjacent to the Interstate 5 Columbia river crossing corridor and the Interstate 205 corridor regarding the implementation of tolls, the impacts that the implementation of tolls might have on the operation of the corridors, the diversion of traffic to local streets, and potential mitigation measures;

(e) Regularly report to the Washington transportation commission regarding the progress of the study for the purpose of guiding the commission's potential toll setting on the facility;

(f) Research and evaluate options for a potential toll-setting framework between the Oregon and Washington transportation commissions;

(g) Conduct public work sessions and open houses to provide information to citizens, including users of the bridge and business and freight interests, regarding implementation of tolls on the Interstate 5 and to solicit citizen views on the following items:

(i) Funding a portion of the Columbia river crossing project with tolls;

(ii) Implementing variable tolling as a way to reduce congestion on the facility; and

(iii) Tolling Interstate 205 separately as a management tool for the broader state and regional transportation system; and

(h) Provide a report to the governor and the legislature by January 2010.

(13)(a) By January 2010, the department must prepare a traffic and revenue study for Interstate 405 in King county and Snohomish county that includes funding for improvements and high occupancy toll lanes, as defined in RCW 47.56.401, for traffic management. (b) For the facility listed in (a) of this subsection, the department must:

(i) Confer with the mayors and city councils of jurisdictions in the vicinity of the project regarding the implementation of high occupancy toll lanes and the impacts that the implementation of these high occupancy toll lanes might have on the operation of the corridor and adjacent local streets;

(ii) Conduct public work sessions and open houses to provide information to citizens regarding implementation of high occupancy toll lanes and to solicit citizen views;

(iii) Regularly report to the Washington transportation commission regarding the progress of the study for the purpose of guiding the commission's toll setting on the facility; and

(iv) Provide a report to the governor and the legislature by January 2010.

(14) \$9,199,985 of the motor vehicle account--state appropriation is provided solely for project 100224I, as identified in the LEAP transportation document in subsection (1) of this section: US 2 high priority safety project. Expenditure of these funds is for safety projects on state route number 2 between Monroe and Gold Bar, which may include median rumble strips, traffic cameras, and electronic message signs.

(15) Expenditures for the state route number 99 Alaskan Way viaduct replacement project must be made in conformance with Engrossed Substitute Senate Bill No. 5768.

(16) The department shall conduct a public outreach process to identify and respond to community concerns regarding the Belfair bypass. The process must include representatives from Mason county, the legislature, area businesses, and community members. The department shall use this process to consider and develop design alternatives that alter the project's scope so that the community's needs are met within the project budget. The department shall provide a report on the process and outcomes to the legislature by June 30, 2010.

(17) The legislature is committed to the timely completion of R8A which supports the construction of sound transit's east link. Following the completion of the independent analysis of the methodologies to value the reversible lanes on Interstate 90 which may be used for high capacity transit as directed in section 204 of this act, the department shall complete the process of negotiations with sound transit. Therefore, it is the intent of the legislature that the state, city, and county departments of transportation establish a single source of accountability for integration, coordination, tracking, and information of all requisite components of the replacement project, which must include, at a minimum:

(a) A master schedule of all subprojects included in the full replacement project or program; and

(b) A single point of contact for the public, media, stakeholders, and other interested parties.

2009 REGULAR SESSION

project identified as project 330514A in LEAP Transportation Document ALL PROJECTS 2009-2, as developed April 24, 2009. The department shall evaluate whether a deep bore culvert will be a less costly alternative than a traditional culvert since a traditional culvert would require extensive road detours during construction.

(25) Project number 330215A in the LEAP transportation document described in subsection (1) of this section is expanded to include safety and congestion improvements from the Key Peninsula Highway to the vicinity of Purdy. The department shall consult with the Washington traffic safety commission to ensure that this project includes improvements at intersections and along the roadway to reduce the frequency and severity of collisions related to roadway conditions and traffic congestion.

(a) The first two Island Home class ferry vessels must be placed on the Port Townsend-Keystone route.

(b) The department may add additional passenger capacity to one of the Island Home class ferry vessels to make it more flexible within the system in the future, if doing so does not require additional staffing on the vessel.

(c) Cost savings from the following initiatives will be included in the funding of these vessels: The department's review and update of the vessel life-cycle cost model as required under this section; and the implementation of technology efficiencies as required under section 602 of this act.

(3) \$2,450,000 of the Puget Sound capital construction account--state appropriation is provided solely for contingencies associated with closing out the existing contract for the technical design of the 144-auto vessel and the storage and maintenance of vessel owner-furnished equipment already procured. The department shall use as much of the already procured equipment as is practicable on the Island Home class ferry vessel if it is likely to be obsolete before it is used in procured 144-auto vessels.

(4) \$6,300,000 of the Puget Sound capital construction account--state appropriation is provided solely for emergency capital costs.

(5) The Anacortes terminal may be replaced if additional federal funds are sought and received by the department. If federal funds received are not sufficient to replace the terminal, only usable, discrete phases of the project, up to the amount of federal funds received, may be constructed with the funds.

(6) \$3,965,000 of the Puget Sound capital construction account--state appropriation is provided solely for the following vessel projects: Waste heat recovery pilot project; steering gear ventilation pilot project; and a new propulsion system for the MV Yakima. Before beginning these projects, the Washington state ferries must ensure the vessels' out-of-service time does not negatively impact service to the system.

(7) The department shall pursue purchasing a foreign-flagged vessel for service on the Anacortes, Washington to Sidney, British Columbia ferry route.

(8) The department shall provide to the office of financial management and the legislature quarterly reports providing the status on each project listed in this section and in the project lists submitted pursuant to this act and on any additional projects for which the department has expended funds during the 2009-11 fiscal biennium. Elements must include, but not be limited to, project scope, schedule, and costs. The department shall also provide the information required under this subsection via the transportation executive information systems (TEIS). The quarterly report regarding the status of projects identified on the list referenced in subsection (1) of this section must be developed according to an earned value method of project monitoring.

(9) The department shall review and adjust its capital program staffing levels to ensure staffing is at the most efficient level necessary to implement the capital program in the omnibus transportation appropriations act. The Washington state ferries

shall report this review and adjustment to the office of financial management and the house and senate transportation committees of the legislature by July 2009.

(10) \$3,763,000 of the total appropriation is provided solely for the Washington state ferries to develop a reservation system. The department shall complete a predesign study and present the study to the joint transportation committee by November 1, 2009. This analysis must include an evaluation of the compatibility of the Washington state ferries' electronic fare system, proposed reservation system, and the implementation of smart card. The department may not implement a statewide reservation system until the department is authorized to do so in the 2010 supplemental omnibus transportation appropriations act.

(11) \$1,200,000 of the total appropriation is provided solely for improving the toll booth configuration at the Port Townsend and Keystone ferry terminals.

(12) \$3,249,915 of the total appropriation is provided solely for continued permitting and archaeological work in order to determine the feasibility of relocating the Mukilteo ferry terminal. In order to ensure that the cultural resources investigation is properly conducted in a coordinated fashion, the department shall work with the department of archaeology and historic preservation and shall conduct work with active archaeological management. The department shall seek additional federal funding for this project.

(13) The department shall develop a proposed ferry vessel maintenance, preservation, and improvement program and present it to the transportation committees of the legislature by July 1, 2010. The proposal must:

(a) Improve the basis for budgeting vessel maintenance, preservation, and improvement costs and for projecting those costs into a sixteen-year financial plan;

(b) Limit the amount of planned out-of-service time to the greatest extent possible, including options associated with department staff as well as commercial shipyards. At a minimum, the department shall consider the following:

(i) The costs compared to benefits of Eagle Harbor repair and maintenance facility operations options to include staffing costs and benefits in terms of reduced out-of-service time;

(ii) The maintenance requirements for on-vessel staff, including the benefits of a systemwide standard;

(iii) The costs compared to benefits of staff performing preservation or maintenance work, or both, while the vessel is underway, tied up between sailings, or not deployed;

(iv) A review of the department's vessel maintenance, preservation, and improvement program contracting process and contractual requirements;

(v) The costs compared to benefits of allowing for increased costs associated with expedited delivery;

(vi) A method for comparing the anticipated out-of-service time of proposed projects and other projects planned during the same construction period;

(vii) Coordination with required United States coast guard dry dockings;

(viii) A method for comparing how proposed projects relate to the service requirements of the route on which the vessel normally operates; and

(ix) A method for evaluating the ongoing maintenance and preservation costs associated with proposed improvement projects; and

(c) Be based on the service plan in the capital plan, recognizing that vessel preservation and improvement needs may vary by route.

(14) \$247,000 of the Puget Sound capital construction account--state appropriation is provided solely for the Washington state ferries to review and update its vessel life-cycle cost model and report the results to the house of representatives and senate transportation committees of the legislature by December 1, 2009. This review will evaluate the impact of the planned out-of-service periods scheduled for each vessel on the ability of the overall system to deliver uninterrupted service and will assess the risk of service disruption from unscheduled maintenance or longer than planned maintenance periods.

(15) The department shall work with the department of archaeology and historic preservation to ensure that the cultural resources investigation is properly conducted on all large ferry terminal projects. These projects must be conducted with active archaeological management. Additionally, the department shall establish a scientific peer review of independent archaeologists that are knowledgeable about the region and its cultural resources.

(16) The Puget Sound capital construction account--state appropriation includes up to \$118,000,000 in proceeds from the sale of bonds authorized in RCW 47.10.843.

(iv) The department shall issue the loans referenced in this subsection (1)(b) with a repayment period of no more than ten years, and only so much interest as is necessary to recoup the department's costs to administer the loans.

(c)(i) Within the amounts provided in this section, \$1,712,022 of the multimodal transportation account--state appropriation and \$175,000 of the essential rail assistance account--state appropriation are for statewide - emergent freight rail assistance projects as follows: Port of Ephrata/Ephrata - additional spur rehabilitation (BIN 722710A) \$362,746; Tacoma Rail/Tacoma - new refinery spur tracks (BIN 711010A) \$420,000; CW Line/Lincoln County - grade crossing rehabilitation (BIN 700610A) \$370,650; Clark County owned railroad/Vancouver - track rehabilitation (BIN 710110A) \$366,813; Tacoma Rail/Tacoma - improved locomotive facility (BIN 711010B) \$366,813.

(iii) Within the amounts provided in this section, \$337,978 of the multimodal transportation account--state appropriation is for a statewide - emergent freight rail assistance project grant for the Lincoln County PDA/Creston - new rail spur (BIN 710510A) project, provided that the grantee first documents to the satisfaction of the department sufficient commitments from the new shipper or shippers to locate in the publicly owned industrial park west of Creston to ensure that the net present value of the public benefits of the project is greater than the grant amount.

(d) Within the amounts provided in this section, \$8,100,000 of the transportation infrastructure account--state appropriation is for grants to any intergovernmental entity or local rail district to which the department of transportation assigns the management and oversight responsibility for the business and economic development elements of existing operating leases on the Palouse River and Coulee City (PCC) rail lines. The PCC rail line system is made up of the CW, P&L, and PV Hooper rail lines. Business and economic development elements include such items as levels of service and business operating plans, but must not include the state's oversight of railroad regulatory compliance, rail infrastructure condition, or real property management issues. The PCC rail system must be managed in a self-sustaining manner and best efforts must be used to ensure that it does not require state capital or operating subsidy beyond the level of state funding expended on it to date. The assignment of the stated responsibilities to an intergovernmental entity or rail district must be on terms and conditions as the department of transportation and the intergovernmental entity or rail district mutually agree. The grant funds may be used only to refurbish the rail lines. It is the intent of the legislature to make the funds appropriated in this section available as grants to an intergovernmental entity or local rail district for the purposes stated in this section at least until June 30, 2012, and to reappropriate as necessary any portion of the appropriation in this section that is not used by June 30, 2011.

(2)(a) The department shall issue a call for projects for the freight rail investment bank program and the emergent freight rail assistance program, and shall evaluate the applications according to the cost benefit methodology developed during the 2008 interim using the legislative priorities specified in (c) of this subsection. By November 1, 2010, the department shall

submit a prioritized list of recommended projects to the office of financial management and the transportation committees of the legislature.

(b) When the department identifies a prospective rail project that may have strategic significance for the state, or at the request of a proponent of a prospective rail project or a member of the legislature, the department shall evaluate the prospective project according to the cost benefit methodology developed during the 2008 interim using the legislative priorities specified in (c) of this subsection. The department shall report its cost benefit evaluation of the prospective rail project, as well as the department's best estimate of an appropriate construction schedule and total project costs, to the office of financial management and the transportation committees of the legislature.

(c) The legislative priorities to be used in the cost benefit methodology are, in order of relative importance:

(i) Economic, safety, or environmental advantages of freight movement by rail compared to alternative modes;

(ii) Self-sustaining economic development that creates family-wage jobs;

(iii) Preservation of transportation corridors that would otherwise be lost;

(iv) Increased access to efficient and cost-effective transport to market for Washington's agricultural and industrial products;

(v) Better integration and cooperation within the regional, national, and international systems of freight distribution; and

(vi) Mitigation of impacts of increased rail traffic on communities.

(3) The department is directed to seek the use of unprogrammed federal rail crossing funds to be expended in lieu of or in addition to state funds for eligible costs of projects in program Y.

(4) At the earliest possible date, the department shall apply, and assist ports and local jurisdictions in applying, for any federal funding that may be available for any projects that may qualify for such federal funding. State projects must be (a) currently identified on the project list referenced in subsection (1)(a) of this section or (b) projects for which no state match is required to complete the project. If the department receives any federal funding, the department is authorized to obligate and spend the federal funds in accordance with federal law. To the extent permissible by federal law, federal funds may be used (e) in addition to state funds appropriated for projects currently identified on the project list referenced in subsection (1)(a) of this section in order to advance funding from future biennia for such project(s) or (f) in lieu of state funds; however, the state funds must be redirected within the rail capital program to advance funding for other projects currently identified on the project list referenced in subsection (1)(a) of this section. State funds may be redirected only upon consultation with the transportation committees of the legislature and the office of financial management, and approval by the director of the office of financial management. The department shall spend the federal funds before the state funds, and shall consult the office of financial management and the transportation committees of the legislature regarding project scope changes.

(5) The department shall provide quarterly reports to the office of financial management and the transportation

IMPLEMENTING PROVISIONS

NEW SECTION. Sec. 601. INFORMATION SYSTEMS PROJECTS. Agencies shall comply with the following requirements regarding information systems projects when specifically directed to do so by this act.

(1) Agency planning and decisions concerning information technology shall be made in the context of its information

2009 REGULAR SESSION

technology portfolio. "Information technology portfolio" means a strategic management approach in which the relationships between agency missions and information technology investments can be seen and understood, such that: Technology efforts are linked to agency objectives and business plans; the impact of new investments on existing infrastructure and business functions are assessed and understood before implementation; and agency activities are consistent with the development of an integrated, nonduplicative statewide infrastructure.

(2) Agencies shall use their information technology portfolios in making decisions on matters related to the following:

(a) System refurbishment, acquisitions, and development efforts;

(b) Setting goals and objectives for using information technology in meeting legislatively-mandated missions and business needs;

(c) Assessment of overall information processing performance, resources, and capabilities;

(d) Ensuring appropriate transfer of technological expertise for the operation of any new systems developed using external resources; and

(e) Progress toward enabling electronic access to public information.

(3) Each project will be planned and designed to take optimal advantage of Internet technologies and protocols. Agencies shall ensure that the project is in compliance with the architecture, infrastructure, principles, policies, and standards of digital government as maintained by the information services board.

(4) The agency shall produce a feasibility study for information technology projects at the direction of the information services board and in accordance with published department of information services policies and guidelines. At a minimum, such studies shall include a statement of: (a) The purpose or impetus for change; (b) the business value to the agency, including an examination and evaluation of benefits, advantages, and cost; (c) a comprehensive risk assessment based on the proposed project's impact on both citizens and state operations, its visibility, and the consequences of doing nothing; (d) the impact on agency and statewide information infrastructure; and (e) the impact of the proposed enhancements to an agency's information technology capabilities on meeting service delivery demands.

(5) The agency shall produce a comprehensive management plan for each project. The plan or plans shall address all factors critical to successful completion of each project. The plan(s) shall include, but is not limited to, the following elements: A description of the problem or opportunity that the information technology project is intended to address; a statement of project objectives and assumptions; a definition and schedule of phases, tasks, and activities to be accomplished; and the estimated cost of each phase. The planning for the phased approach shall be such that the business case justification for a project needs to demonstrate how the project recovers cost or adds measurable value or positive cost benefit to the agency's business functions within each development cycle.

(6) The agency shall produce quality assurance plans for information technology projects. Consistent with the direction of the information services board and the published policies and guidelines of the department of information services, the quality assurance plan shall address all factors critical to successful completion of the project and successful integration with the agency and state information technology infrastructure. At a

minimum, quality assurance plans shall provide time and budget benchmarks against which project progress can be measured, a specification of quality assurance responsibilities, and a statement of reporting requirements. The quality assurance plans shall set out the functionality requirements for each phase of a project.

(7) A copy of each feasibility study, project management plan, and quality assurance plan shall be provided to the department of information services, the office of financial management, and legislative fiscal committees. The plans and studies shall demonstrate a sound business case that justifies the investment of taxpayer funds on any new project, an assessment of the impact of the proposed system on the existing information technology infrastructure, the disciplined use of preventative measures to mitigate risk, and the leveraging of private-sector expertise as needed. Authority to expend any funds for individual information systems projects is conditioned on the approval of the relevant feasibility study, project management plan, and quality assurance plan by the department of information services and the office of financial management.

(8) Quality assurance status reports shall be submitted to the department of information services, the office of financial management, and legislative fiscal committees at intervals specified in the project's quality assurance plan.

NEW SECTION. Sec. 602. Transportation agencies shall consider some or all of the following strategies to achieve savings on information technology expenditures: (a) Holistic virtualization strategies; (b) wide-area network optimization strategies; (c) replacement of traditional telephone communications systems with alternatives; and (d) migration of external voice mail systems to internal voice mail systems. Agencies shall select an experienced firm from the prequalified contractors on the department of information services ITPS master agreement to develop a consolidated strategy and plan to achieve these strategies. By December 1, 2009, agencies shall report findings, including anticipated savings for the 2010 supplemental omnibus transportation appropriations act, to the office of financial management and the transportation committees of the legislature.

NEW SECTION. Sec. 603. FUND TRANSFERS. (1) The transportation 2003 projects or improvements and the 2005 transportation partnership projects or improvements are listed in LEAP Transportation Document 2009-1 as developed April 24, 2009, which consists of a list of specific projects by fund source and amount over a sixteen year period. Current fiscal biennium funding for each project is a line item appropriation, while the outer year funding allocations represent a sixteen year plan. The department is expected to use the flexibility provided in this section to assist in the delivery and completion of all transportation partnership account and transportation 2003 (nickel) account projects on the LEAP lists referenced in this act. For the 2009-11 project appropriations, unless otherwise provided in this act, the director of financial management may authorize a transfer of appropriation authority between projects funded with transportation 2003 account (nickel account) appropriations, transportation partnership account appropriations, or multimodal transportation account appropriations, in order to manage project spending and efficiently deliver all projects in the respective program under the following conditions and limitations:

(a) Transfers may only be made within each specific fund source referenced on the respective project list;

(b) Transfers from a project may not be made as a result of the reduction of the scope of a project, nor shall a transfer be made to support increases in the scope of a project;

ONE-HUNDRED FOURTH DAY, APRIL 25, 2009

2009 REGULAR SESSION

(c) Each transfer between projects may only occur if the director of financial management finds that any resulting change will not hinder the completion of the projects as approved by the legislature. Until the legislature reconvenes to consider the 2010 supplemental budget, any unexpended 2007-09 appropriation balance as approved by the office of financial management, in consultation with the legislative staff of the house of representatives and senate transportation committees, may be considered when transferring funds between projects;

(d) Transfers from a project may be made if the funds appropriated to the project are in excess of the amount needed to complete the project;

(e) Transfers may not occur to projects not identified on the applicable project list, except for those projects that were expected to be completed in the 2007-09 fiscal biennium; and

(f) Transfers may not be made while the legislature is in session.

(2) At the time the department submits a request to transfer funds under this section a copy of the request shall be submitted to the transportation committees of the legislature.

(3) The office of financial management shall work with legislative staff of the house of representatives and senate transportation committees to review the requested transfers.

(4) The office of financial management shall document approved transfers and/or schedule changes in the transportation executive information system (TEIS), compare changes to the legislative baseline funding and schedules identified by project identification number identified in the LEAP lists adopted in this act, and transmit revised project lists to chairs of the transportation committees of the legislature on a quarterly basis.

NEW SECTION. Sec. 604. Executive Order number 05-05, archaeological and cultural resources, was issued effective November 10, 2005. Agencies and higher education institutions that issue grants or loans for capital projects shall comply with the requirements set forth in this executive order.

(3) Provisions outlining that unsolicited proposals are subject to a two-step process that begins with concept proposals and would only advance to the second step, which are fully detailed proposals, if the commission so directed;

(4) Provisions that require concept proposals to include at least the following information: Proposers' qualifications and experience; description of the proposed project and impact; proposed project financing; and known public benefits and opposition; and

(5) Provisions that specify the process to be followed if the commission is interested in the concept proposal, which must include provisions:

(a) Requiring that information regarding the potential project would be published for a period of not less than thirty days, during which time entities could express interest in submitting a proposal;

(b) Specifying that if letters of interest were received during the thirty days, then an additional sixty days for submission of the fully detailed proposal would be allowed; and

(c) Procedures for what will happen if there are insufficient proposals submitted or if there are no letters of interest submitted in the appropriate time frame.

Moneys in the account may be spent only after appropriation. Additionally, the moneys in this account may be used to reimburse the motor vehicle account for any appropriation made to implement the digital license plate system. During the 2007-2009 and 2009-2011 fiscal ~~((biennium))~~ biennia, the legislature may transfer from the license plate technology account to the ~~((multimodal transportation))~~ highway safety account such amounts as reflect the excess fund balance of the license plate technology account.

Sec. 706. RCW 47.01.390 and 2007 c 518 s 705 are each amended to read as follows:

(1) Prior to commencing construction on either project, the department of transportation must complete all of the following requirements for both the Alaskan Way viaduct and Seattle Seawall replacement project, and the state route number 520 bridge replacement and HOV project: (a) In accordance with the national environmental policy act, the department must designate the preferred alternative, prepare a substantial project mitigation plan, and complete a comprehensive cost estimate review using the department's cost estimate validation process, for each project; (b) in accordance with all applicable federal highway administration planning and project management requirements, the department must prepare a project finance plan for each project that clearly identifies secured and anticipated fund sources, cash flow timing requirements, and project staging and phasing plans if applicable; and (c) the department must report these results for each project to the joint transportation committee.

(2) The requirements of this section shall not apply to (a) utility relocation work, and related activities, on the Alaskan Way viaduct and Seattle Seawall replacement project and (b) off-site pontoon construction supporting the state route number 520 bridge replacement and HOV project.

(4) The requirements of subsection (1) of this section shall not apply during the 2009-2011 fiscal biennium.

Sec. 707. RCW 47.60.395 and 2007 c 512 s 15 are each amended to read as follows:

(1) The joint legislative audit and review committee shall assess and report as follows:

(a) Audit the implementation of the cost allocation methodology evaluated under [section 205,] chapter 518, Laws of 2007, as it exists on July 22, 2007, assessing whether actual costs are allocated consistently with the methodology, whether there are sufficient internal controls to ensure proper allocation, and the adequacy of staff training; and

(b) Review the assignment of preservation costs and improvement costs for fiscal year 2009 to determine whether:

(i) The costs are capital costs;

(ii) The costs meet the statutory requirements for preservation activities and for improvement activities; and

(iii) Improvement costs are within the scope of legislative appropriations.

(2) The report on the evaluations in this section is due by January 31, 2010.

(3) This section expires December 31, 2010.

(4) The requirements of this section shall not apply during the 2009-2011 fiscal biennium.

Sec. 708. RCW 88.16.090 and 2008 c 128 s 4 are each amended to read as follows:

(1) A person may pilot any vessel subject to this chapter on waters covered by this chapter only if licensed to pilot such vessels on such waters under this chapter.

(2)(a) A person is eligible to be licensed as a pilot or a pilot trainee if the person:

(i) Is a citizen of the United States;

(ii) Is over the age of twenty-five years and under the age of seventy years;

(iii)(A) Holds at the time of application, as a minimum, a United States government license as master of steam or motor vessels of not more than one thousand six hundred gross register tons (three thousand international tonnage convention tons) upon oceans, near coastal waters, or inland waters; or the then most equivalent federal license as determined by the board; any such license to have been held by the applicant for a period of at least two years before application;

(B) Holds at the time of licensure as a pilot, after successful completion of the board-required training program, a first class United States endorsement without restrictions on the United States government license for the pilotage district in which the pilot applicant desires to be licensed; however, all applicants for a pilot examination scheduled to be given before July 1, 2008, must have the United States pilotage endorsement at the time of application; and

(C) The board may require that applicants and pilots have federal licenses and endorsements as it deems appropriate; and

(iv) Successfully completes a board-specified training program.

(b) In addition to the requirements of (a) of this subsection, a pilot applicant must meet such other qualifications as may be required by the board.

(c) A person applying for a license under this section shall not have been convicted of an offense involving drugs or the personal consumption of alcohol in the twelve months prior to the date of application. This restriction does not apply to license renewals under this section.

(3) The board may establish such other training license and pilot license requirements as it deems appropriate.

(4) Pilot applicants shall be evaluated and may be ranked for entry into a board-specified training program in a manner specified by the board based on their performance on a written examination or examinations established by the board, performance on other evaluation exercises as may be required by the board, and other criteria or qualifications as may be set by the board.

When the board determines that the demand for pilots requires entry of an applicant into the training program it shall issue a training license to that applicant, but under no circumstances may an applicant be issued a training license more than four years after taking the written entry examination. The training license authorizes the trainee to do such actions as are specified in the training program.

After the completion of the training program the board shall evaluate the trainee's performance and knowledge. The board, as it deems appropriate, may then issue a pilot license, delay the issuance of the pilot license, deny the issuance of the pilot license, or require further training and evaluation.

(5) The board may (a) appoint a special independent committee or (b) contract with private or governmental entities knowledgeable and experienced in the development, administration, and grading of licensing examinations or simulator evaluations for marine pilots, or (c) do both. Active, licensed pilots designated by the board may participate in the development, administration, and grading of examinations and other evaluation exercises. If the board does appoint a special examination or evaluation development committee, it is authorized to pay the members of the committee the same compensation and travel expenses as received by members of the board. Any person who willfully gives advance knowledge of information contained on a pilot examination or other evaluation exercise is guilty of a gross misdemeanor.

qualify to be placed on a waiting list to become a pilot trainee. Failure to comply with the process set forth in this subsection renders the results of the pilot applicant's written examinations and evaluation exercises final. A pilot applicant may seek board review, administrative review, and judicial review of the results of the written examinations and evaluation exercises in the following manner:

(a) A pilot applicant who seeks a review of the results of his or her written examinations or evaluation exercises must request from the board-appointed or board-designated examination committee an administrative review of the results of his or her written examinations or evaluation exercises as set forth by board rule.

(b) The determination of the examination committee's review of a pilot applicant's examination results becomes final after thirty days from the date of service of written notification of the committee's determination unless a full adjudicative hearing before an administrative law judge has been requested by the pilot applicant before the thirty-day period has expired, as set forth by board rule.

(c) When a full adjudicative hearing has been requested by the pilot applicant, the board shall request the appointment of an administrative law judge under chapter 34.12 RCW who has sufficient experience and familiarity with pilotage matters to be able to conduct a fair and impartial hearing. The hearing shall be governed by chapter 34.05 RCW. The administrative law judge shall issue an initial order.

(d) The initial order of the administrative law judge is final unless within thirty days of the date of service of the initial order the board or pilot applicant requests review of the initial order under chapter 34.05 RCW.

(e) The board may appoint a person to review the initial order and to prepare and enter a final order as governed by chapter 34.05 RCW and as set forth by board rule. The person appointed by the board under this subsection (6)(e) is called the board reviewing officer.

(7) Pilots are licensed under this section for a term of five years from and after the date of the issuance of their respective state licenses. Licenses must thereafter be renewed as a matter of course, unless the board withholds the license for good cause. Each pilot shall pay to the state treasurer an annual license fee in an amount set by the board by rule. Pursuant to RCW 43.135.055, the fees established under this subsection may be increased ~~((in excess of the fiscal growth factor as provided in RCW 43.135.055))~~ through the fiscal year ending June 30, ~~((2009))~~ 2011. The fees must be deposited in the pilotage account. The board may assess partially active or inactive pilots a reduced fee.

(8) All pilots and pilot trainees are subject to an annual physical examination by a physician chosen by the board. The physician shall examine the pilot's or pilot trainee's heart, blood pressure, circulatory system, lungs and respiratory system, eyesight, hearing, and such other items as may be prescribed by the board. After consultation with a physician and the United States coast guard, the board shall establish minimum health standards to ensure that pilots and pilot trainees licensed by the state are able to perform their duties. Within ninety days of the date of each annual physical examination, and after review of the physician's report, the board shall make a determination of whether the pilot or pilot trainee is fully able to carry out the duties of a pilot or pilot trainee under this chapter. The board may in its discretion check with the appropriate authority for any convictions of or information regarding offenses by a licensed pilot or pilot trainee involving drugs or the personal consumption of alcohol in the prior twelve months.

(9) The board may require vessel simulator training for a pilot trainee and shall require vessel simulator training for a licensed pilot subject to RCW 88.16.105. The board shall also require vessel simulator training in the first year of active duty for a new pilot and at least once every five years for all active pilots.

(10) The board shall prescribe, pursuant to chapter 34.05 RCW, such reporting requirements and review procedures as may be necessary to assure the accuracy and validity of license and service claims. Willful misrepresentation of such required information by a pilot applicant shall result in disqualification of the pilot applicant.

Sec. 709. RCW 47.12.244 and 2007 c 518 s 707 are each amended to read as follows:

There is created the "advance right-of-way revolving fund" in the custody of the treasurer, into which the department is authorized to deposit directly and expend without appropriation:

(1) An initial deposit of ten million dollars from the motor vehicle fund included in the department of transportation's 1991-93 budget;

(2) All moneys received by the department as rental income from real properties that are not subject to federal aid reimbursement, except moneys received from rental of capital facilities properties as defined in chapter 47.13 RCW; and

(3) Any federal moneys available for acquisition of right-of-way for future construction under the provisions of section 108 of Title 23, United States Code.

~~((+))~~ During the ~~((2007-09))~~ 2007-2009 and 2009-2011 fiscal ~~((biennium))~~ biennia, the legislature may transfer from the advance right-of-way revolving fund to the motor vehicle account amounts as reflect the excess fund balance of the advance right-of-way revolving fund.

Sec. 710. RCW 46.16.725 and 2008 c 72 s 2 are each amended to read as follows:

(1) The creation of the board does not in any way preclude the authority of the legislature to independently propose and enact special license plate legislation.

(2) The board must review and either approve or reject special license plate applications submitted by sponsoring organizations.

(3) Duties of the board include but are not limited to the following:

(a) Review and approve the annual financial reports submitted by sponsoring organizations with active special license plate series and present those annual financial reports to the senate and house transportation committees;

(b) Report annually to the senate and house transportation committees on the special license plate applications that were considered by the board;

(c) Issue approval and rejection notification letters to sponsoring organizations, the department, the chairs of the senate and house of representatives transportation committees, and the legislative sponsors identified in each application. The letters must be issued within seven days of making a determination on the status of an application;

(d) Review annually the number of plates sold for each special license plate series created after January 1, 2003. The board may submit a recommendation to discontinue a special license plate series to the chairs of the senate and house of representatives transportation committees;

(e) Provide policy guidance and directions to the department concerning the adoption of rules necessary to limit the number of special license plates that an organization or a governmental entity may apply for.

(4) Except as provided in chapter 72, Laws of 2008, in order to assess the effects and impact of the proliferation of special license plates, the legislature declares a temporary moratorium on the issuance of any additional plates until July 1, ~~((2009))~~ 2011. During this period of time, the special license plate review board created in RCW 46.16.705 and the department of licensing are prohibited from accepting, reviewing, processing, or approving any applications. Additionally, no special license plate may be enacted by the legislature during the moratorium, unless the proposed license plate has been approved by the board before February 15, 2005.

Sec. 711. RCW 46.68.060 and 2007 c 518 s 714 are each amended to read as follows:

There is hereby created in the state treasury a fund to be known as the highway safety fund to the credit of which shall be deposited all moneys directed by law to be deposited therein. This fund shall be used for carrying out the provisions of law relating to driver licensing, driver improvement, financial responsibility, cost of furnishing abstracts of driving records and maintaining such case records, and to carry out the purposes set forth in RCW 43.59.010. During the ~~((2005-2007 and))~~ 2007-2009 and 2009-2011 fiscal biennia, the legislature may transfer from the highway safety fund to the motor vehicle fund and the multimodal transportation account such amounts as reflect the excess fund balance of the highway safety fund.

Sec. 712. RCW 46.68.220 and 2009 c 8 s 503 are each amended to read as follows:

The department of licensing services account is created in the motor vehicle fund. All receipts from service fees received under RCW 46.01.140(4)(b) shall be deposited into the account. Moneys in the account may be spent only after appropriation. Expenditures from the account may be used only for information and service delivery systems for the department, and for reimbursement of county licensing activities. During the 2007-2009 and 2009-2011 fiscal ~~((biennium))~~ biennia, the legislature may transfer from the department of licensing services account such amounts as reflect the excess fund balance of the account.

Sec. 713. RCW 46.61.527 and 1994 c 141 s 1 are each amended to read as follows:

(1) The secretary of transportation shall adopt standards and specifications for the use of traffic control devices in roadway construction zones on state highways. A roadway construction zone is an area where construction, repair, or maintenance work is being conducted by public employees or private contractors, on or adjacent to any public roadway. For the purpose of the pilot program referenced in section 218(2) of this act, during the 2009-2011 fiscal biennium, a roadway construction zone includes areas where public employees or private contractors are not present but where a driving condition exists that would make it unsafe to drive at higher speeds, such as, when the department is redirecting or realigning lanes on or adjacent to any public roadway pursuant to ongoing construction.

(2) No person may drive a vehicle in a roadway construction zone at a speed greater than that allowed by traffic control devices.

(3) A person found to have committed any infraction relating to speed restrictions in a roadway construction zone shall be assessed a monetary penalty equal to twice the penalty assessed under RCW 46.63.110. This penalty may not be waived, reduced, or suspended.

(4) A person who drives a vehicle in a roadway construction zone in such a manner as to endanger or be likely to endanger any persons or property, or who removes, evades, or intentionally strikes a traffic safety or control device is guilty of reckless endangerment of roadway workers. A violation of this

subsection is a gross misdemeanor punishable under chapter 9A.20 RCW.

(5) The department shall suspend for sixty days the license or permit to drive or a nonresident driving privilege of a person convicted of reckless endangerment of roadway workers.

Sec. 714. RCW 46.63.170 and 2007 c 372 s 3 are each amended to read as follows:

(1) The use of automated traffic safety cameras for issuance of notices of infraction is subject to the following requirements:

(a) The appropriate local legislative authority must first enact an ordinance allowing for their use to detect one or more of the following: Stoplight, railroad crossing, or school speed zone violations. At a minimum, the local ordinance must contain the restrictions described in this section and provisions for public notice and signage. Cities and counties using automated traffic safety cameras before July 24, 2005, are subject to the restrictions described in this section, but are not required to enact an authorizing ordinance.

(b) Use of automated traffic safety cameras is restricted to two-arterial intersections, railroad crossings, and school speed zones only.

(c) During the 2009-2011 fiscal biennium, automated traffic safety cameras may be used to detect speed violations for the purposes of section 201(2) of this act if the local legislative authority first enacts an ordinance authorizing the use of cameras to detect speed violations.

(d) Automated traffic safety cameras may only take pictures of the vehicle and vehicle license plate and only while an infraction is occurring. The picture must not reveal the face of the driver or of passengers in the vehicle.

~~((e))~~ (e) A notice of infraction must be mailed to the registered owner of the vehicle within fourteen days of the violation, or to the renter of a vehicle within fourteen days of establishing the renter's name and address under subsection (3)(a) of this section. The law enforcement officer issuing the notice of infraction shall include with it a certificate or facsimile thereof, based upon inspection of photographs, microphotographs, or electronic images produced by an automated traffic safety camera, stating the facts supporting the notice of infraction. This certificate or facsimile is prima facie evidence of the facts contained in it and is admissible in a proceeding charging a violation under this chapter. The photographs, microphotographs, or electronic images evidencing the violation must be available for inspection and admission into evidence in a proceeding to adjudicate the liability for the infraction. A person receiving a notice of infraction based on evidence detected by an automated traffic safety camera may respond to the notice by mail.

~~((f))~~ (f) The registered owner of a vehicle is responsible for an infraction under RCW 46.63.030(1)(e) unless the registered owner overcomes the presumption in RCW 46.63.075, or, in the case of a rental car business, satisfies the conditions under subsection (3) of this section. If appropriate under the circumstances, a renter identified under subsection (3)(a) of this section is responsible for an infraction.

~~((g))~~ (g) Notwithstanding any other provision of law, all photographs, microphotographs, or electronic images prepared under this section are for the exclusive use of law enforcement in the discharge of duties under this section and are not open to the public and may not be used in a court in a pending action or proceeding unless the action or proceeding relates to a violation under this section. No photograph, microphotograph, or electronic image may be used for any purpose other than enforcement of violations under this section nor retained longer than necessary to enforce this section.

2009 REGULAR SESSION

~~((g))~~ (h) All locations where an automated traffic safety camera is used must be clearly marked by placing signs in locations that clearly indicate to a driver that he or she is entering a zone where traffic laws are enforced by an automated traffic safety camera.

~~((h))~~ (i) If a county or city has established an authorized automated traffic safety camera program under this section, the compensation paid to the manufacturer or vendor of the equipment used must be based only upon the value of the equipment and services provided or rendered in support of the system, and may not be based upon a portion of the fine or civil penalty imposed or the revenue generated by the equipment.

(2) Infractions detected through the use of automated traffic safety cameras are not part of the registered owner's driving record under RCW 46.52.101 and 46.52.120. Additionally, infractions generated by the use of automated traffic safety cameras under this section shall be processed in the same manner as parking infractions, including for the purposes of RCW ~~((3.46.120))~~ 3.50.100, 35.20.220, 46.16.216, and 46.20.270(3). However, the amount of the fine issued for an infraction generated through the use of an automated traffic safety camera shall not exceed the amount of a fine issued for other parking infractions within the jurisdiction.

(3) If the registered owner of the vehicle is a rental car business, the law enforcement agency shall, before a notice of infraction being issued under this section, provide a written notice to the rental car business that a notice of infraction may be issued to the rental car business if the rental car business does not, within eighteen days of receiving the written notice, provide to the issuing agency by return mail:

(a) A statement under oath stating the name and known mailing address of the individual driving or renting the vehicle when the infraction occurred; or

(b) A statement under oath that the business is unable to determine who was driving or renting the vehicle at the time the infraction occurred because the vehicle was stolen at the time of the infraction. A statement provided under this subsection must be accompanied by a copy of a filed police report regarding the vehicle theft; or

(c) In lieu of identifying the vehicle operator, the rental car business may pay the applicable penalty.

Timely mailing of this statement to the issuing law enforcement agency relieves a rental car business of any liability under this chapter for the notice of infraction.

(4) Nothing in this section prohibits a law enforcement officer from issuing a notice of traffic infraction to a person in control of a vehicle at the time a violation occurs under RCW 46.63.030(1) (a), (b), or (c).

(5) For the purposes of this section, "automated traffic safety camera" means a device that uses a vehicle sensor installed to work in conjunction with an intersection traffic control system, a railroad grade crossing control system, or a speed measuring device, and a camera synchronized to automatically record one or more sequenced photographs, microphotographs, or electronic images of the rear of a motor vehicle at the time the vehicle fails to stop when facing a steady red traffic control signal or an activated railroad grade crossing control signal, or exceeds a speed limit in a school speed zone as detected by a speed measuring device. During the 2009-2011 fiscal biennium, an automated traffic safety camera includes a camera used to detect speed violations for the purposes of section 201(2) of this act.

(6) During the 2009-2011 fiscal biennium, this section does not apply to automated traffic safety cameras for the purposes of section 218(2) of this act.

Sec. 715. RCW 47.12.080 and 1984 c 7 s 121 are each amended to read as follows:

(1) Except as provided otherwise in this section, the secretary of transportation may transfer and convey to the United States, its agencies or instrumentalities, to any other state agency, to any county or city or port district of this state, or to any public utility company, any unused state-owned real property under the jurisdiction of the department of transportation when, in the judgment of the secretary of transportation and the attorney general, the transfer and conveyance is consistent with public interest. Whenever the secretary makes an agreement for any such transfer or conveyance, and the attorney general concurs therein, the secretary shall execute and deliver unto the grantee a deed of conveyance, easement, or other instrument, duly acknowledged, as shall be necessary to fulfill the terms of the aforesaid agreement. All moneys paid to the state of Washington under any of the provisions hereof shall be deposited in the motor vehicle fund.

(2) Through the end of the 2009-2011 fiscal biennium, the legislature may designate property under the jurisdiction of the department as unused state-owned real property and may further designate the transfer and conveyance of the property as consistent with the public interest. Once designated under this subsection, the legislature may direct the transfer and conveyance of the property to any entity described in subsection (1) of this section for adequate consideration as deemed such by the legislature, and need not require fair market value in exchange for the property.

Sec. 716. RCW 43.19.642 and 2007 c 348 s 201 are each amended to read as follows:

(1) Effective June 1, 2006, for agencies complying with the ultra-low sulfur diesel mandate of the United States environmental protection agency for on-highway diesel fuel, agencies shall use biodiesel as an additive to ultra-low sulfur diesel for lubricity, provided that the use of a lubricity additive is warranted and that the use of biodiesel is comparable in performance and cost with other available lubricity additives. The amount of biodiesel added to the ultra-low sulfur diesel fuel shall be not less than two percent.

(2) Effective June 1, 2009, state agencies are required to use a minimum of twenty percent biodiesel as compared to total volume of all diesel purchases made by the agencies for the operation of the agencies' diesel-powered vessels, vehicles, and construction equipment.

(3) All state agencies using biodiesel fuel shall, beginning on July 1, 2006, file biannual reports with the department of general administration documenting the use of the fuel and a description of how any problems encountered were resolved.

(4) For the 2009-2011 fiscal biennium, the Washington state ferries is required to use a minimum of five percent biodiesel as compared to total volume of all diesel purchases made by the Washington state ferries for the operation of the Washington state ferries diesel-powered vessels so long as the per gallon price of diesel containing a five percent biodiesel blend level does not exceed the per gallon price of diesel by more than five percent. If the per gallon price of diesel containing a five percent biodiesel blend level exceeds the per gallon price of diesel by more than five percent, the requirements of this section do not apply to vessel fuel purchases by the Washington state ferries.

(5) By December 1, 2009, the department of general administration shall:

(a) Report to the legislature on the average true price differential for biodiesel by blend and location; and

ONE-HUNDRED FOURTH DAY, APRIL 25, 2009

(b) Examine alternative fuel procurement methods that work to address potential market barriers for in-state biodiesel producers and report these findings to the legislature.

Sec. 717. RCW 43.19.534 and 1993 sp.s. c 20 s 1 are each amended to read as follows:

(1) State agencies, the legislature, and departments shall purchase for their use all goods and services required by the legislature, agencies, or departments that are produced or provided in whole or in part from class II inmate work programs operated by the department of corrections through state contract. These goods and services shall not be purchased from any other source unless, upon application by the department or agency: ~~((+))~~ (a) The department of general administration finds that the articles or products do not meet the reasonable requirements of the agency or department, ~~((2))~~ (b) are not of equal or better quality, or ~~((3))~~ (c) the price of the product or service is higher than that produced by the private sector. However, the criteria contained in ~~((+))~~ (a), ~~((2))~~ (b), and ~~((3))~~ (c) of this section for purchasing goods and services from sources other than correctional industries do not apply to goods and services produced by correctional industries that primarily replace goods manufactured or services obtained from outside the state. The department of corrections and department of general administration shall adopt administrative rules that implement this section.

(2) During the 2009-2011 fiscal biennium, and in conformance with section 223(11) of this act, this section does not apply to the purchase of uniforms by the Washington state ferries.

Sec. 718. RCW 47.68.090 and 1980 c 67 s 1 are each amended to read as follows:

The department of transportation may make available its engineering and other technical services, with or without charge, to any municipality or person desiring them in connection with the planning, acquisition, construction, improvement, maintenance or operation of airports or air navigation facilities.

The department may render financial assistance by grant or loan or both to any municipality or municipalities acting jointly in the planning, acquisition, construction, improvement, maintenance, or operation of an airport owned or controlled, or to be owned or controlled by such municipality or municipalities, or to any Indian tribe recognized as such by the federal government or such tribes acting jointly in the planning, acquisition, construction, improvement, maintenance or operation of an airport, owned or controlled, or to be owned or controlled by such tribe or tribes and to be held available for the general use of the public, out of appropriations made by the legislature for such purposes. Such financial assistance may be furnished in connection with federal or other financial aid for the same purposes: PROVIDED, That no grant or loan or both shall be in excess of two hundred fifty thousand dollars, or five hundred thousand dollars during the 2009-2011 fiscal biennium, for any one project: PROVIDED FURTHER, That no grant or loan or both shall be granted unless the municipality or municipalities acting jointly, or the tribe or tribes acting jointly shall from their own funds match any funds made available by the department upon such ratio as the department may prescribe.

The department is authorized to act as agent of any municipality or municipalities acting jointly or any tribe or tribes acting jointly, upon the request of such municipality or municipalities, or such tribe or tribes in accepting, receiving, receipting for and disbursing federal moneys, and other moneys public or private, made available to finance, in whole or in part, the planning, acquisition, construction, improvement, maintenance or operation of an airport or air navigation facility;

and if requested by such municipality or municipalities, or tribe or tribes, may act as its or their agent in contracting for and supervising such planning, acquisition, construction, improvement, maintenance, or operation; and all municipalities and tribes are authorized to designate the department as their agent for the foregoing purposes. The department, as principal on behalf of the state, and any municipality on its own behalf, may enter into any contracts, with each other or with the United States or with any person, which may be required in connection with a grant or loan of federal moneys for airport or air navigation facility purposes. All federal moneys accepted under this section shall be accepted and transferred or expended by the department upon such terms and conditions as are prescribed by the United States. All moneys received by the department pursuant to this section shall be deposited in the state treasury, and, unless otherwise prescribed by the authority from which such moneys were received, shall be kept in separate funds designated according to the purposes for which the moneys were made available, and held by the state in trust for such purposes. All such moneys are hereby appropriated for the purposes for which the same were made available, to be disbursed or expended in accordance with the terms and conditions upon which they were made available: PROVIDED, That any landing fee or charge imposed by any Indian tribe or tribes for the privilege of use of an airport facility planned, acquired, constructed, improved, maintained, or operated with financial assistance from the department pursuant to this section must apply equally to tribal and nontribal members: PROVIDED FURTHER, That in the event any municipality or municipalities or Indian tribe or tribes, or any distributor of aircraft fuel as defined by RCW 82.42.020 which operates in any airport facility which has received financial assistance pursuant to this section, fails to collect the aircraft fuel excise tax as specified in chapter 82.42 RCW, all funds or value of technical assistance given or paid to such municipality or municipalities or Indian tribe or tribes under the provisions of this section shall revert to the department, and shall be due and payable to the department immediately.

Signed by Senators Haugen, Marr and Swecker; Representatives Clibborn and Liias.

MOTION

Senator Haugen moved that the Report of the Conference Committee on Engrossed Substitute Senate Bill No. 5352 be adopted.

The President declared the question before the Senate to be the motion by Senator Haugen that the Report of the Conference Committee on Engrossed Substitute Senate Bill No. 5352 be adopted.

The motion by Senator Haugen carried and the Report of the Conference Committee was adopted by voice vote.

The President declared the question before the Senate to be the final passage of Engrossed Substitute Senate Bill No. 5352, as recommended by the Conference Committee.

Senators Haugen, Hewitt, Swecker, Jarrett and King spoke in favor of final passage of the bill.

POINT OF INQUIRY

Senator King: "Would the Senator from the Forty-First District yield to a question? The question is, if the implementation of the B-20 renewable fuel standard is delayed for Washington State Ferries as outlined in this budget, is it the intent of the Legislature to recognize that the state wide renewable fuel standard for bio diesel will also be delayed until the state fleet meets the B-20 renewable fuel standard?"

Senator Jarrett: "The intent of the Legislature concerning the delay or suspension of the two percent renewable fuel standard for bio diesel was codified after the passage Senate Bill No. 6508 in 2006. This bill added a new section to chapter 19.112 that provided with the governor the authority to issue an executive order suspending the two percent state wide fuel standard if it were determined technically or economically infeasible or pose a significant risk to public safety. Section 716 of ESSB 5352 alone does not prevent Washington from meeting the two percent renewable fuel standard for bio diesel. However, meeting the two percent goal of renewable fuel standard for bio diesel will still face significant challenges. This budget seeks to provide a practical bio diesel utilization requirement for the Washington State Ferry system in the near term so the challenges with bio diesel procurement supply and pricing can be addressed over the 09-11 biennium. Section 716 of ESSB 5352 maintains the original legislative intent concerning the delay or suspension of the two percent renewable fuel standard for bio diesel. Should the requirement be determined technically or economically infeasible or pose significant risk to the public the state wide two percent renewable fuel standard may be suspended by executive order and I would point out that the B-5 is only for two years and that we revert to the B-20 standard. Thank you Mr. President."

MOTION

On motion of Senator Eide, Senate Rule 15 was suspended to allow the Senate to adjourn later than 10:00 pm.

Senators Kilmer and Marr spoke in favor of final passage of the bill.

Senator Holmquist spoke against final passage of the bill.

PERSONAL PRIVILEGE

Senator Haugen: "Thank you Mr. President. Forty-nine years ago today I had my first baby and I can tell you it's taken, today has been worse than that day. It's been a very long day. I can't believe it's been forty-nine years but 'Happy Birthday Mary Beth.' I just want to say how much I appreciate the very fine work of my committee staff. I can tell you, we had two new coordinators this year, Kelly and David. They were so extraordinary, these young men took on this challenge in a tough time and it really has been wonderful working with them and the other members of the staff. We had actually two other new members in our staff who actually were so valuable but it wasn't only our own committee staff. One of the things we started out working with really early on is working with the House. Representative Clibborn and I worked very closely together along with her staff working with our staff, and believe me, it really does make a difference. We had our non partisan staff working with us. It really did help us I think put together a budget that's really extraordinary for not only transportation but for the working people of this state. But more than anything else, more than anything else, you know we don't realize that we all like to take a lot of credit for things but it truly is the staff. They've been here night after night early in the morning spending many hours after we all go home and I just want to say to you guys, thank you so much. Here's one for you, Kelly. You've got to delegate more next year but your really great and I don't know if any more left here just let me ask them to join me and say thank you to them."

PERSONAL PRIVILEGE

Senator Swecker: "I too would like to thank the staff. I think it's important to know that we had good leadership. We have good leadership on that team and that's what makes us all effective on it. I think the good Senator from the Tenth isn't it, yes, Senator from the Tenth, for her openness and her leadership. I know that we started this process oh back over the way, it's been a number of sessions now we worked in a bipartisan fashion and I really think it has paid off big time in the state of Washington. So, thank you Madam Chair and thank you staff."

PERSONAL PRIVILEGE

Senator Marr: "Mr. President, I don't know if any other fiscal chairs treated their committee to pull pork sandwiches and apple crisps and brownies but maybe we're just fortunate. I do want to say the Chair has certainly made us part of the family and that means once in awhile we got spanked but I think, out of it, out of this whole process came a budget that we're really proud of. I do want to say and she's the first to extend the credit to staff and reflecting on something that Senator Tom said earlier, one of my first thoughts coming to the legislature after

2009 REGULAR SESSION

thirty years in the private sector probably like Senator Tom was, boy if I had this group of people around me in the private sector I'd have a pretty successful business. I think we all share those thoughts. These are great people who are committed to public service in state government and without them we would not be able to deliver on the promise to represent the people as well as we do. I join with Senator Haugen and Senator Swecker in terms of lauding the staff with their hard work. The thing is that even as we passed this budget we all know there work will continue on for a good amount of time in terms in figuring out what the heck we actually voted for so we want to thank the good senator and staff for great work this year."

MESSAGE FROM THE HOUSE

April 25, 2009

MR. PRESIDENT:

The House has adopted the report of Conference Committee on SUBSTITUTE SENATE BILL NO. 5574, and has passed the bill as recommended by the Conference Committee.

And the same is herewith transmitted.

BARBARA BAKER, Chief Clerk

REPORT OF THE CONFERENCE COMMITTEE

Substitute Senate Bill No. 5574

April 25, 2009

MR. PRESIDENT:

MR. SPEAKER:

We of your conference committee, to whom was referred Substitute Senate Bill No. 5574, have had the same under consideration and recommend that all previous amendments not be adopted and that the following striking amendment be adopted:

Strike everything after the enacting clause and insert the following:

"**NEW SECTION. Sec. 1.** The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

(1) "Recording device" means an electronic system, and the physical device or mechanism containing the electronic system, that primarily, or incidental to its primary function, preserves or records, in electronic form, data collected by sensors or provided by other systems within a motor vehicle. "Recording device" includes event data recorders, sensing and diagnostic modules, electronic control modules, automatic crash notification systems, geographic information systems, and any other device that records and preserves data that can be accessed related to that motor vehicle. "Recording device" does not include onboard diagnostic systems whose exclusive function is to capture fault codes used to diagnose or service the motor vehicle.

(2) "Owner" means:

(a) A person having all the incidents of ownership, including legal title, of a motor vehicle, whether or not the person lends, rents, or creates a security interest in the motor vehicle;

(b) A person entitled to the possession of a motor vehicle as the purchaser under a security agreement;

(c) A person entitled to possession of a motor vehicle as a lessee pursuant to a written lease agreement for a period of more than three months; or

2009 REGULAR SESSION

(d) If a third party requests access to a recording device to investigate a collision, the owner of the motor vehicle at the time the collision occurred.

NEW SECTION. Sec. 2. (1) A manufacturer of a motor vehicle sold or leased in this state, that is equipped with one or more recording devices, shall disclose in the owner's manual that the motor vehicle is equipped with one or more recording devices and, if so, the type of data recorded and whether the recording device or devices have the ability to transmit information to a central communications system or other external device.

(2) If a recording device is used as part of a subscription service, the subscription service agreement must disclose the type of information that the device may record or transmit.

(3) A disclosure made in writing is deemed a disclosure in the owner's manual.

(4) If a recording device is to be installed in a vehicle aftermarket, the manufacturer or distributor of the device shall disclose in the product manual the type of information that the device may record and whether the recording device has the ability to transmit information to a central communications system or other external device.

(5) A disclosure made in writing is deemed a disclosure in the product manual.

NEW SECTION. Sec. 3. (1) Information recorded or transmitted by a recording device may not be retrieved, downloaded, scanned, read, or otherwise accessed by a person other than the owner of the motor vehicle in which the recording device is installed except:

(a) Upon a court order or pursuant to discovery. Any information recorded or transmitted by a recording device and obtained by a court order or pursuant to discovery is private and confidential and is not subject to public disclosure;

(b) With the consent of the owner, given for a specific instance of access, for any purpose;

(c) For improving motor vehicle safety, including medical research on the human body's reaction to motor vehicle collisions, if the identity of the motor vehicle or the owner or driver of the motor vehicle is not disclosed in connection with the retrieved information;

(d) For determining the need for or facilitating emergency medical response if a motor vehicle collision occurs, provided that the information retrieved is used solely for medical purposes; or

(e) For subscription services pursuant to an agreement in which disclosure required under section 2 of this act has been made, provided that the information retrieved is used solely for the purposes of fulfilling the subscription service.

(2) For the purposes of subsection (1)(c) of this section:

(a) The disclosure of a motor vehicle's vehicle identification number with the last six digits deleted or redacted is not a disclosure of the identity of the owner or driver; and

(b) Retrieved information may only be disclosed to a data processor.

(3) Information that can be associated with an individual and that is recorded or transmitted by a recording device may not be sold to a third party unless the owner of the information explicitly grants permission for the sale.

(4) Any person who violates this section is guilty of a misdemeanor.

NEW SECTION. Sec. 4. The legislature finds that the practices covered by this chapter are matters vitally affecting the public interest for the purpose of applying chapter 19.86 RCW. A violation of this chapter is not reasonable in relation to the development and preservation of business and is an unfair or

deceptive act in trade or commerce and an unfair method of competition for the purpose of applying chapter 19.86 RCW.

NEW SECTION. Sec. 5. A manufacturer of a motor vehicle sold or leased in this state that is equipped with a recording device shall ensure by licensing agreement or other means that a tool or tools are available that are capable of accessing and retrieving the information stored in a recording device. The tool or tools must be commercially available no later than ninety days after the effective date of this section.

The first payment is due on December 31st of the fifth calendar year after such certified date, with subsequent annual payments due on December 31st of the following nine years. BARBARA BAKER, Chief Clerk

POINT OF ORDER

Senator Haugen: "Thank you Mr. President. I would argue that the House amendments to Substitute Senate Bill No. 5795 changes the scope and object of the underlying bill as it left this body. I respectfully request you rule as such. The underlying bill as it left the Senate addressed the direct use of tolls and other revenues related to the Tacoma Narrows Bridge. The bill directs the Transportation Commission to determine the appropriateness toll revenues expenditure to avoid the types of frivolous expenditures made in recent years. However, the House amendment has nothing to do with the direct use of Tacoma Narrows Bridge toll revenue. Rather it provides the sale and use tax exemption for the working involved in building the bridge. Additionally the sales and tax used tax exemption would negatively impact the state general fund. However the title of the underlying senate bill is 'An Act relating to the Tacoma Narrows Bridge account'. There's no reference in the scope or object of this bill to the state general fund. Mr. President, because of the amendment the house amendment in no way relates to the original substance of underlying bill, I respectfully request that you find the house amendment out of order as it changes the scope and object of the bill. Thank you Mr. President."

POINT OF ORDER

Senator Kilmer: "Thank you Mr. President. I would argue that the house amendments to Substitute Senate Bill No. 5795, the house amendment is within the scope and object of the underline senate bill and if I may continue?"

REPLY BY THE PRESIDENT

President Owen: "Brief."

POINT OF ORDER

Senator Kilmer: "Thank you. It is correct that the underline bill addresses the use of funds from the Tacoma Narrows Bridge. This bill sets up a structure for determining permitted and non permitted uses of Tacoma Narrows Bridge toll revenue. The amendment that was added in the other body by exempting sales and use taxes applicable to the bridge simply describes another non permitted use of Narrows Bridge toll revenue. That is if the sales and use taxes are exempt toll revenue is no longer needed for that expenditure item and is therefore non permitted use of toll revenue. For that and other reasons which I'm sure you will find compelling I ask that you find the house amendment properly before the senate. Thank you Mr. President."

On motion of Senator Eide, further consideration of Substitute Senate Bill No. 5795 was deferred and the bill held its place on the concurrence calendar.

MESSAGE FROM THE HOUSE

April 23, 2009

MR. PRESIDENT:

The House receded in its amendment to ENGROSSED SUBSTITUTE SENATE BILL NO. 5321. Under suspension of rules, the bill was returned to second reading for the purpose of an amendment. The House adopted the following amendment: 5321-S.E AMH HUNT H3409.3 and passed the bill as amended by the House.

Strike everything after the enacting clause and insert the following:

"Sec. 1. RCW 82.14.415 and 2006 c 361 s 1 are each amended to read as follows:

(1) The legislative authority of any city ~~((with a population less than four hundred thousand and which))~~ that is located in a county with a population greater than six hundred thousand that annexes an area consistent with its comprehensive plan required by chapter 36.70A RCW, may impose a sales and use tax in accordance with the terms of this chapter. The tax is in addition to other taxes authorized by law and shall be collected from those persons who are taxable by the state under chapters 82.08 and 82.12 RCW upon the occurrence of any taxable event within the city. The tax may only be imposed by a city if:

(a) The city has commenced annexation of an area ~~((under chapter 35.13 or 35A.14 RCW))~~ having a population of at least ten thousand people, ~~or four thousand in the case of a city described under subsection (3)(a)(i) of this section,~~ prior to January 1, ~~((2010))~~ 2015; and

(b) The city legislative authority determines by resolution or ordinance that the projected cost to provide municipal services to the annexation area exceeds the projected general revenue that the city would otherwise receive from the annexation area on an annual basis.

(2) The tax authorized under this section is a credit against the state tax under chapter 82.08 or 82.12 RCW. The department of revenue shall perform the collection of such taxes on behalf of the city at no cost to the city and shall remit the tax to the city as provided in RCW 82.14.060.

~~(3)(a) Except as provided in (b) of this subsection, the maximum rate of tax any city may impose under this section ((shall be 0.2 percent for the total number of annexed areas the city may annex. The rate of the tax imposed under this section)) is:~~

~~(i) 0.1 percent for each annexed area in which the population ((that)) is greater than ten thousand and less than twenty thousand. ((The rate of the tax imposed under this section shall be)) The ten thousand population threshold in this subsection (3)(a)(i) is four thousand for a city with a population between one hundred fifteen thousand and one hundred forty thousand and located within a county with a population over one million five hundred thousand; and~~

~~(ii) 0.2 percent for an annexed area in which the population is greater than twenty thousand.~~

~~(b) Beginning July 1, 2011, the maximum rate of tax imposed under this section is 0.85 percent for an annexed area in which the population is greater than eighteen thousand if the annexed area was, prior to November 1, 2008, officially designated as a potential annexation area by more than one city, one of which has a population greater than four hundred thousand.~~

~~(4)(a) Except as provided in (b) of this subsection, the maximum cumulative rate of tax a city may impose under~~

~~subsection (3)(a) of this section is 0.2 percent for the total number of annexed areas the city may annex.~~

~~(b) The maximum cumulative rate of tax a city may impose under subsection (3)(a) of this section is 0.3 percent, beginning July 1, 2011, if the city commenced annexation of an area, prior to January 1, 2010, that would have otherwise allowed the city to increase the rate of tax imposed under this section absent the rate limit imposed in (a) of this subsection.~~

~~(c) The maximum cumulative rate of tax a city may impose under subsection (3)(b) of this section is 0.85 percent for the single annexed area the city may annex and the amount of tax distributed to a city under subsection (3)(b) of this section shall not exceed five million dollars per fiscal year.~~

~~(5) The tax imposed by this section shall only be imposed at the beginning of a fiscal year and shall continue for no more than ten years from the date that each increment of the tax is first imposed. Tax rate increases due to additional annexed areas shall be effective on July 1st of the fiscal year following the fiscal year in which the annexation occurred, provided that notice is given to the department as set forth in subsection ~~((8))~~ (9) of this section.~~

~~((5))~~ (6) All revenue collected under this section shall be used solely to provide, maintain, and operate municipal services for the annexation area.

~~((6))~~ (7) The revenues from the tax authorized in this section may not exceed that which the city deems necessary to generate revenue equal to the difference between the city's cost to provide, maintain, and operate municipal services for the annexation area and the general revenues that the cities would otherwise expect to receive from the annexation during a year. If the revenues from the tax authorized in this section and the revenues from the annexation area exceed the costs to the city to provide, maintain, and operate municipal services for the annexation area during a given year, the city shall notify the department and the tax distributions authorized in this section shall be suspended for the remainder of the year.

~~((7))~~ (8) No tax may be imposed under this section before July 1, 2007. Before imposing a tax under this section, the legislative authority of a city shall adopt an ordinance that includes the following:

(a) A certification that the amount needed to provide municipal services to the annexed area reflects the city's true and actual costs;

(b) The rate of tax under this section that shall be imposed within the city; and

~~((b))~~ (c) The threshold amount for the first fiscal year following the annexation and passage of the ordinance.

~~((8))~~ (9) The tax shall cease to be distributed to the city for the remainder of the fiscal year once the threshold amount has been reached. No later than March 1st of each year, the city shall provide the department with a certification of the city's true and actual costs to provide municipal services to the annexed area, a new threshold amount for the next fiscal year, and notice of any applicable tax rate changes. Distributions of tax under this section shall begin again on July 1st of the next fiscal year and continue until the new threshold amount has been reached or June 30th, whichever is sooner. Any revenue generated by the tax in excess of the threshold amount shall belong to the state of Washington. Any amount resulting from the threshold amount less the total fiscal year distributions, as of June 30th, shall not be carried forward to the next fiscal year.

(10) The tax shall cease to be distributed to a city imposing the tax under subsection (3)(b) of this section for the remainder of the fiscal year, if the total distributions to the city imposing the tax exceed five million dollars for the fiscal year.

~~((9))~~ (11) The following definitions apply throughout this section unless the context clearly requires otherwise:

(a) "Annexation area" means an area that has been annexed to a city under chapter 35.13 or 35A.14 RCW. "Annexation area" includes all territory described in the city resolution.

~~((e))~~ (g) "Threshold amount" means the maximum amount of tax distributions as determined by the city in accordance with subsection ~~((6))~~ (7) of this section that the department shall distribute to the city generated from the tax imposed under this section in a fiscal year.

Sec. 2. RCW 9.46.295 and 1974 ex.s. c 155 s 6 are each amended to read as follows:

(1) Any license to engage in any of the gambling activities authorized by this chapter as now exists or as hereafter amended, and issued under the authority thereof shall be legal authority to engage in the gambling activities for which issued throughout the incorporated and unincorporated area of any county, except that a city located therein with respect to that city, or a county with respect to all areas within that county except for such cities, may absolutely prohibit, but may not change the scope of license, any or all of the gambling activities for which the license was issued.

(2) A city or town with a prohibition on house-banked social card game licenses that annexes an area that is within a city, town, or county that permits house-banked social card games may allow a house-banked social card game business that was licensed by the commission as of the effective date of this act to continue operating if the city or town is authorized to impose a tax under RCW 82.14.415 and can demonstrate that the continuation of the house-banked social card game business will reduce the credit against the state sales and use tax as provided in RCW 82.14.415(7). A city or town that allows a house-banked social card game business in an annexed area to continue operating is not required to allow additional house-banked social card game businesses.

MESSAGE FROM THE HOUSE

April 24, 2009

MR. PRESIDENT:

The House receded in its amendment to SUBSTITUTE SENATE BILL NO. 5436. Under suspension of rules, the bill was returned to second reading for the purpose of an amendment. The House adopted the following amendment: 5436-S AMH CODY H3443.2 and passed the bill as amended by the House.

Strike everything after the enacting clause and insert the following:

"Sec. 1. RCW 48.150.010 and 2007 c 267 s 3 are each amended to read as follows:

The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

(a)(i) A health care provider who furnishes primary care services through a direct agreement;

(ii) A group of health care providers who furnish primary care services through a direct agreement; or

(iii) An entity that sponsors, employs, or is otherwise affiliated with a group of health care providers who furnish only primary care services through a direct agreement, which entity is wholly owned by the group of health care providers or is a nonprofit corporation exempt from taxation under section 501(c)(3) of the internal revenue code, and is not otherwise regulated as a health care service contractor, health maintenance organization, or disability insurer under Title 48 RCW. Such entity is not prohibited from sponsoring, employing, or being otherwise affiliated with other types of health care providers not engaged in a direct practice;

(b) Enters into direct agreements with direct patients or parents or legal guardians of direct patients;

(c) Does not accept payment for health care services provided to direct patients from any entity subject to regulation under Title 48 RCW((;)) or plans administered under chapter 41.05, 70.47, or 70.47A RCW((; or self-insured plans)); and

(d) Does not provide, in consideration for the direct fee, services, procedures, or supplies such as prescription drugs, hospitalization costs, major surgery, dialysis, high level radiology (CT, MRI, PET scans or invasive radiology), rehabilitation services, procedures requiring general anesthesia, or similar advanced procedures, services, or supplies.

(2) "Direct patient" means a person who is party to a direct agreement and is entitled to receive primary care services under the direct agreement from the direct practice.

(3) "Direct fee" means a fee charged by a direct practice as consideration for being available to provide and providing primary care services as specified in a direct agreement.

(4) "Direct agreement" means a written agreement entered into between a direct practice and an individual direct patient, or the parent or legal guardian of the direct patient or a family of direct patients, whereby the direct practice charges a direct fee as consideration for being available to provide and providing primary care services to the individual direct patient. A direct agreement must (a) describe the specific health care services the direct practice will provide; and (b) be terminable at will upon written notice by the direct patient.

(5) "Health care provider" or "provider" means a person regulated under Title 18 RCW or chapter 70.127 RCW to practice health or health-related services or otherwise practicing health care services in this state consistent with state law.

(6) "Health carrier" or "carrier" has the same meaning as in RCW 48.43.005.

(7) "Primary care" means routine health care services, including screening, assessment, diagnosis, and treatment for the purpose of promotion of health, and detection and management of disease or injury.

(8) "Network" means the group of participating providers and facilities providing health care services to a particular health carrier's health plan or to plans administered under chapter 41.05, 70.47, or 70.47A RCW.

(1) Direct practices may not:

(a) Enter into a participating provider contract as defined in RCW 48.44.010 or 48.46.020 with any carrier or with any carrier's contractor or subcontractor, or plans administered under chapter 41.05, 70.47, or 70.47A RCW, to provide health care services through a direct agreement except as set forth in subsection (2) of this section;

(b) Submit a claim for payment to any carrier or any carrier's contractor or subcontractor, or plans administered under chapter 41.05, 70.47, or 70.47A RCW, for health care services provided to direct patients as covered by their agreement;

(d) Pay for health care services covered by a direct agreement rendered to direct patients by providers other than the providers in the direct practice or their employees, except as described in subsection (2)(b) of this section.

(2) Direct practices and providers may:

(a) Enter into a participating provider contract as defined by RCW 48.44.010 and 48.46.020 or plans administered under chapter 41.05, 70.47, or 70.47A RCW for purposes other than payment of claims for services provided to direct patients through a direct agreement. Exceptions to this limitation may occur in the event of short-term equipment failure if such failure prevents the provision of care that should not be delayed; and

(c) Charge an additional fee to direct patients for supplies, medications, and specific vaccines provided to direct patients that are specifically excluded under the agreement, provided the direct practice notifies the direct patient of the additional charge, prior to their administration or delivery.

Sec. 3. RCW 48.150.050 and 2007 c 267 s 7 are each amended to read as follows:

(1) Direct practices may not decline to accept new direct patients or discontinue care to existing patients solely because of the patient's health status. A direct practice may decline to accept a patient if the practice has reached its maximum capacity, or if the patient's medical condition is such that the provider is unable to provide the appropriate level and type of health care services in the direct practice. So long as the direct practice provides the patient notice and opportunity to obtain care from another physician, the direct practice may discontinue care for direct patients if: (a) The patient fails to pay the direct fee under the terms required by the direct agreement; (b) the patient has performed an act that constitutes fraud; (c) the patient repeatedly fails to comply with the recommended treatment plan; (d) the patient is abusive and presents an emotional or physical danger to the staff or other patients of the direct practice; or (e) the direct practice discontinues operation as a direct practice.

(2) Subject to the restrictions established in this chapter, direct practices may accept payment of direct fees directly or indirectly from ((nonemployer)) third parties. A direct practice may accept a direct fee paid by an employer on behalf of an employee who is a direct patient. However, a direct practice shall not enter into a contract with an employer relating to direct practice agreements between the direct practice and employees of that employer, other than to establish the timing and method of the payment of the direct fee by the employer.

(2) "Collect," or any derivative thereof, "collect and remit," or "collect and deliver," when used with reference to the department, means that the department, either directly or through a collection agreement authorized by RCW 9.94A.760, is responsible for monitoring and enforcing the offender's sentence with regard to the legal financial obligation, receiving payment thereof from the offender, and, consistent with current law, delivering daily the entire payment to the superior court clerk without depositing it in a departmental account.

During that World War II tour, he served on

submarines and was responsible, their ships, the submarines, were responsible for sinking seventeen Japanese Merchant ships and military ships and also damaging eight others. After World War II was over, he got his wings Naval Aviator and served as a carrier pilot and served in Korea. And after his service in the Navy, retired to Hawaii and was one of the founders of the Submarine Memorial Association, established the museum across from the Arizona Memorial and when he came to the States he was instrumental in getting the USS Blueback, down on the Willamette River in Oregon, established as a Blueback Association to recognize and honor all the deceased Marines past, present and future. ONE-HUNDRED FIFTH DAY, APRIL 26, 2009

2009 REGULAR SESSION

The motion by Senator Keiser carried and the Senate refused to concur in the House amendment(s) to Substitute Senate Bill No. 6171 and asked the House to recede therefrom by voice vote.

RULING BY THE PRESIDENT

President Owen: "In ruling upon the point of order raised by Senator Haugen as to whether the floor amendment adopted by the House is beyond the scope and object of Substitute Senate Bill 5795, the President finds and rules as follows:

The bill as it left the Senate was fairly limited to the use of revenue deposited into the Tacoma Narrows Toll Bridge Account. Essentially, the bill has one primary purpose: it clarifies proper expenditures from the Account, and directs the Transportation Commission to further determine appropriate expenditures.

The House amendment retains this language, but it also adds a new section which converts the prior sales tax deferral related to State Route 16 improvements into an exemption. Whatever the merits of this policy, it is beyond the scope and object of the bill as passed by the Senate.

For these reasons, the President finds that Senator Haugen's point is well-taken. The House amendment is outside the scope and object of the underlying bill and not properly before the body for consideration."

MOTION

Senator Haugen moved that the Senate refuse to concur in the House amendment(s) to Substitute Senate Bill No. 5795 and ask the House to recede therefrom.

For the purpose of developing the list and identifying those persons who meet the criteria in subsection (3)(a) through (e) of this section, community shall mean the proposed geographic boundaries as set out in the proposal. The board of directors shall be elected by the constituency during a meeting convened for that purpose by the state legislative delegation.

(6) With respect to subsequent elections of an authority's board of directors: A list of candidates shall be developed by the authority's existing board of directors and the election shall be held during the annual local town hall meeting as required in RCW 43.167.030.

MR. PRESIDENT:

The House receded in its amendment to SUBSTITUTE SENATE BILL NO. 5510. Under suspension of rules, the bill was returned to second reading for the purpose of an amendment. The House adopted the following amendment: 5510-S AMH KAGI H3450.1, and passed the bill as amended by the House.

"NEW SECTION. **Sec. 1.** A new section is added to chapter 13.34 RCW to read as follows:

(1) After entry of a dispositional order pursuant to RCW 13.34.130 ordering placement of a child in out-of-home care, the department shall continue to encourage the parent, guardian, or custodian of the child to engage in services and maintain contact with the child, which shall be accomplished by attaching a standard notice to the services and safety plan to be provided in advance of hearings conducted pursuant to RCW 13.34.138.

(2) The notice shall be photocopied on contrasting paper to distinguish it from the services and safety plan to which it is attached, and shall be in substantially the following form:

"NOTICE

If you have not been maintaining consistent contact with your child in out-of-home care, your ability to reunify with your child may be jeopardized. If this is your situation, you need to be aware that you have important legal rights and must take steps to protect your interests.

1. The department of social and health services (or other supervising agency) and the court have created a permanency plan for your child, including a primary placement plan and a secondary placement plan, and recommending services needed before your child can be placed in the primary or secondary placement. If you want the court to order that your child be reunified with you, you should notify your lawyer and the department, and you should carefully comply with court orders for services and participate regularly in visitation with your child. Failure to promptly engage in services or to maintain contact with your child may lead to the filing of a petition to terminate your rights as a parent.

2. Primary and secondary permanency plans are intended to run at the same time so that your child will have a permanent home as quickly as possible. Even if you want another parent or person to be the primary placement choice for your child, you should tell your lawyer, the department, and the court if you want to be the secondary placement option, and you should comply with any court orders for services and participate in visitation with your child. Early and consistent involvement in your child's case plan is important for the well-being of your child.

3. Dependency review hearings, and all other dependency case hearings, are legal proceedings with potentially serious consequences. Failure to participate, respond, or comply with court orders may lead to the loss of your parental rights."

In 1903 when the Asian immigrants came to the Seattle area they settled into the so called downtown 'China Town' area. These are known as 'China Town.' In 1980's it changed to International District. Now we have given a special title to exercise our right and preservation of culture and ethnicity there. This means a lot to us. Also this is especially pleasing in light of all the development going on in that area. This will give us control of things in terms of development and also programs for the ethnic minority, especially Asian-Americans in that particular district. The President signed:

ENGROSSED SUBSTITUTE SENATE BILL NO. 5321,

SUBSTITUTE SENATE BILL NO. 5436,

PARLIAMENTARY INQUIRY

Senator Brandland: "Well, thank you Mr. President. It is day 105. It is four o'clock in the afternoon and my attention has been drawn to Rule 29 in the Joint Rules of the Senate and House of Representatives. I'm wondering if I could ask for a point of clarification?"

REPLY BY THE PRESIDENT

President Owen: "You may, Senator."

PARLIAMENTARY INQUIRY

Senator Brandland: "I'm looking at subsection one, it says a resolution calling for a convening of a special session, legislative session shall set forth a date and time for convening the session, the duration of the session which shall not exceed thirty days, together with the purpose or purposes. All kidding aside, I'm wondering, Mr. President, I don't know, can we call like a one day special session? Does it have to be for thirty days and can it run for any duration and how specific do we have to be as to the content of that special session? Thank you."

MOTION

On motion of Senator Eide, the Senate reverted to the first order of business.

REPLY BY THE PRESIDENT

President Owen: "Senator Brandland, on your point of inquiry, the Legislature can limit the time and the subject matter to however many days, if they call themselves back but, if the Governor calls us back she is limited to thirty days. She cannot call less than thirty days and she cannot limit the purpose."

PARLIAMENTARY INQUIRY

Senator Brandland: "So, I guess I'm wondering and I'm not trying to be antagonistic here, I'm just wondering about just how specific do we have to be on issues when you go into special session?"

REPLY BY THE PRESIDENT

President Owen: "That's up to the body."

(4) Notwithstanding subsection (2) of this section, deferred taxes on the following need not be repaid:

(a) Machinery and equipment, and sales of or charges made for labor and services, which at the time of purchase would have qualified for exemption under RCW 82.08.02565; and

NEW SECTION. Sec. 8. Chapter 82.32 RCW applies to the administration of this chapter.

NEW SECTION. Sec. 9. Applications approved by the department under this chapter are not confidential and are subject to disclosure.

Sec. 10. RCW 82.32.590 and 2008 c 81 s 13 and 2008 c 15 s 7 are each reenacted and amended to read as follows:

(1) If the department finds that the failure of a taxpayer to file an annual survey or annual report under section 6 of this act or RCW 82.04.4452, 82.32.5351, 82.32.650, 82.32.630, 82.32.610, 82.82.020, or 82.74.040 by the due date was the result of circumstances beyond the control of the taxpayer, the department shall extend the time for filing the survey or report. Such extension shall be for a period of thirty days from the date the department issues its written notification to the taxpayer that it qualifies for an extension under this section. The department may grant additional extensions as it deems proper.

(2) In making a determination whether the failure of a taxpayer to file an annual survey or annual report by the due date was the result of circumstances beyond the control of the taxpayer, the department shall be guided by rules adopted by the department for the waiver or cancellation of penalties when the underpayment or untimely payment of any tax was due to circumstances beyond the control of the taxpayer.

Sec. 11. RCW 82.32.600 and 2008 c 81 s 14 and 2008 c 15 s 8 are each reenacted and amended to read as follows:

(1) Persons required to file annual surveys or annual reports under section 6 of this act or RCW 82.04.4452, 82.32.5351, 82.32.545, 82.32.610, 82.32.630, 82.82.020, or 82.74.040 must electronically file with the department all surveys, reports, returns, and any other forms or information the department requires in an electronic format as provided or approved by the department. As used in this section, "returns" has the same meaning as "return" in RCW 82.32.050.

(2) Any survey, report, return, or any other form or information required to be filed in an electronic format under subsection (1) of this section is not filed until received by the department in an electronic format.

(3) The department may waive the electronic filing requirement in subsection (1) of this section for good cause shown.

NEW SECTION. Sec. 12. A new section is added to chapter 82.04 RCW to read as follows:

(1) In computing the tax imposed under this chapter, a renewable energy manufacturer may claim a credit for its eligible investment project expenditures occurring after the effective date of this act through June 30, 2014.

(2) Any credits earned under this section must be accrued

and carried forward and may not be used until July 1, 2011. The credit is equal to the amount of eligible investment project expenditures, multiplied by the rate of fifteen percent. Credit may be carried over and used until June 30, 2024. The credit claimed against taxes due for each calendar year must not exceed the amount of tax otherwise due under this chapter for the calendar year. Refunds may not be granted in the place of a credit.

(3) Credits are available on a first in-time basis. The department must disallow any credits, or portion thereof, that would cause the total amount of credits claimed statewide under this section in any fiscal year to exceed the following limits: Two million five hundred thousand dollars for fiscal year 2012, two million five hundred thousand dollars for fiscal year 2013, five million dollars for fiscal year 2014, and five million dollars for each fiscal year thereafter until the fiscal year ending June 30, 2024. If the fiscal year limitation is reached, the department shall provide notification to persons claiming credits that the annual statewide limit has been met. The notice must indicate the amount of tax due and shall provide that the tax be paid within thirty days from the date of such notice. The department may not assess penalties and interest as provided in chapter 82.32 RCW on the amount due in the initial notice if the amount due is paid by the due date specified in the notice, or any extension thereof. (4) The definitions in this subsection apply throughout this section unless the context clearly requires otherwise.

(a) "Eligible investment project" means an investment project that: (i) Does not qualify as an eligible investment project under chapter 82.60 RCW; and (ii) is located in a county with a population density of more than five hundred persons per square mile that does not contain a community empowerment zone designated under RCW 43.31C.020, and that is not one of the three most populous counties in this state.

(b) "Eligible investment project expenditures" means actual expenditures for an eligible investment project, including labor and services rendered in the planning, installation, and construction of the project.

(c) "Investment project" means a twenty-five million dollar investment in qualified buildings, qualified machinery and equipment, or both.

(d) "Manufacturing" has the same meaning as "to manufacture" in RCW 82.04.120 and includes the activities of processors for hire.

(e) "Person" has the meaning given in RCW 82.04.030.

(f) "Qualified buildings" means construction of new structures, and expansion or renovation of existing structures for the purpose of increasing floor space or production capacity, used for renewable energy manufacturing, research and development, or both. "Qualified buildings" include plant offices, warehouses, or other facilities for the storage of raw material or finished goods, if such facilities are an essential or an integral part of a factory, plant, or laboratory used for renewable energy manufacturing, research and development, or both.

(g) "Qualified machinery and equipment" means all industrial and research fixtures, equipment, and support facilities that are an integral and necessary part of a renewable energy manufacturing or research and development operation. "Qualified machinery and equipment" includes: Computers; software; data processing equipment; laboratory equipment; manufacturing components such as belts, pulleys, shafts, and moving parts; molds, tools, and dies; operating structures; and all equipment used to control or operate the machinery.

(h) "Renewable energy manufacturing" means the manufacturing of materials, components, or equipment for solar, wind, bioenergy, or geothermal energy systems.

(i) "Research and development" means the development, refinement, testing, marketing, and commercialization of a

product, service, or process related to renewable energy manufacturing before commercial sales have begun. As used in this subsection, "commercial sales" excludes sales of prototypes or sales for market testing if the total gross receipts from such sales of the product, service, or process do not exceed one million dollars.

(5) In addition to all other requirements under this title, a person claiming the credit under this section must file a complete annual report with the department under section 13 of this act.

(6) Credit may not be claimed for expenditures for which a credit is claimed under RCW 82.04.4452.

(7) This section expires June 30, 2024.

NEW SECTION. Sec. 13. A new section is added to chapter 82.32 RCW to read as follows:

(1)(a) Every person claiming a tax preference that requires a report under this section must file a complete annual report with the department. The report is due by April 30th of the year following any calendar year in which a person becomes eligible to claim the tax preference that requires a report under this section. The department may extend the due date for timely filing of annual reports under this section as provided in RCW 82.32.590.

(b) The report must include information detailing employment, wages, and employer-provided health and retirement benefits for employment positions in Washington for the year that the tax preference was claimed. However, persons engaged in manufacturing commercial airplanes or components of such airplanes may report employment, wage, and benefit information per job at the manufacturing site for the year that the tax preference was claimed. The report must not include names of employees. The report must also detail employment by the total number of full-time, part-time, and temporary positions for the year that the tax preference was claimed.

(c) Persons receiving the benefit of the tax preference provided by RCW 82.16.0421 or claiming any of the tax preferences provided by RCW 82.04.2909, 82.04.4481, 82.08.805, 82.12.805, or 82.12.022(5) must indicate on the annual report the quantity of product produced in this state during the time period covered by the report.

(d) If a person filing a report under this section did not file a report with the department in the previous calendar year, the report filed under this section must also include employment, wage, and benefit information for the calendar year immediately preceding the calendar year for which a tax preference was claimed.

(2) As part of the annual report, the department may request additional information necessary to measure the results of, or determine eligibility for, the tax preference.

(3) Other than information requested under subsection (2) of this section, the information contained in an annual report filed under this section is not subject to the confidentiality provisions of RCW 82.32.330 and may be disclosed to the public upon request.

(4) Except as otherwise provided by law, if a person claims a tax preference that requires an annual report under this section but fails to submit a complete report by the due date or any extension under RCW 82.32.590, the department must declare the amount of the tax preference claimed for the previous calendar year to be immediately due and payable. The department must assess interest, but not penalties, on the amounts due under this subsection. The interest must be assessed at the rate provided for delinquent taxes under this chapter, retroactively to the date the tax preference was claimed, and accrues until the taxes for which the tax preference was claimed are repaid. Amounts due under this subsection are not subject to the confidentiality provisions of RCW 82.32.330 and may be disclosed to the public upon request.

(5) The department must use the information from this

2009 REGULAR SESSION

section to prepare summary descriptive statistics by category. No fewer than three taxpayers may be included in any category. The department must report these statistics to the legislature each year by October 1st.

(6) For the purposes of this section:

(a) "Person" has the meaning provided in RCW 82.04.030 and also includes the state and its departments and institutions.

(b) "Tax preference" has the meaning provided in RCW 43.136.021 and includes only the tax preferences requiring a survey under this section.

NEW SECTION. Sec. 14. Sections 1 through 9 of this act constitute a new chapter in Title 82 RCW."

On page 1, line 2 of the title, after "facilities;" strike the remainder of the title and insert "reenacting and amending RCW 82.32.590 and 82.32.600; adding a new section to chapter 82.04 RCW; adding a new section to chapter 82.32 RCW; adding a new chapter to Title 82 RCW; and providing expiration dates."

The President declared the question before the Senate to be the motion by Senator Hobbs to not adopt the committee striking amendment by the Committee on Ways & Means to Second Substitute House Bill No. 2130.

The motion by Senator Hobbs carried and the committee striking amendment was not adopted by voice vote.

MOTION

Senator Hobbs moved that the following striking amendment by Senators Hobbs and Honeyford be adopted:

Strike everything after the enacting clause and insert the following:

"PART I Renewable Energy

(3)(a) Machinery and equipment is "used directly" in generating electricity by wind energy, solar energy, biomass energy, tidal or wave energy, geothermal resources, anaerobic digestion, technology that converts otherwise lost energy from exhaust, or landfill gas power if it provides any part of the process that captures the energy of the wind, sun, biomass energy, tidal or wave energy, geothermal resources, anaerobic digestion, technology that converts otherwise lost energy from exhaust, or landfill gas, converts that energy to electricity, and stores, transforms, or transmits that electricity for entry into or operation in parallel with electric transmission and distribution systems.

(b) Machinery and equipment is "used directly" in generating electricity by fuel cells if it provides any part of the process that captures the energy of the fuel, converts that energy to electricity, and stores, transforms, or transmits that electricity for entry into or operation in parallel with electric transmission and distribution systems.

(4)(a) A purchaser claiming an exemption in the form of a remittance under subsection (1)(c) of this section must pay the tax imposed by RCW 82.08.020 and all applicable local sales taxes imposed under the authority of chapters 82.14 and 81.104 RCW. The purchaser may then apply to the department for remittance in a form and manner prescribed by the department. A purchaser may not apply for a remittance under this section more frequently than once per quarter. The purchaser must specify the amount of exempted tax claimed and the qualifying purchases for which the exemption is claimed. The purchaser must retain, in adequate detail, records to enable the department to determine whether the purchaser is entitled to an exemption under this section, including: Invoices; proof of tax paid; and documents describing the machinery and equipment.

(b) The department must determine eligibility under this section based on the information provided by the purchaser, which is subject to audit verification by the department. The department must on a quarterly basis remit exempted amounts to qualifying purchasers who submitted applications during the previous quarter.

(5) This section expires July 1, 2013.

NEW SECTION. Sec. 102. A new section is added to chapter 82.12 RCW to read as follows:

capable of generating not less than one thousand watts of electricity.

(b) Beginning on July 1, 2009, through June 30, 2011, the provisions of this chapter do not apply in respect to the use of machinery and equipment described in (a) of this subsection that are used directly in generating electricity or to sales of or charges made for labor and services rendered in respect to installing such machinery and equipment.

(c) Beginning on July 1, 2011, through June 30, 2013, the amount of the exemption under this subsection (1) is equal to seventy-five percent of the state and local sales tax paid. The consumer is eligible for an exemption under this subsection (1)(c) in the form of a remittance.

(2)(a) A person claiming an exemption in the form of a remittance under subsection (1)(c) of this section must pay the tax imposed by RCW 82.12.020 and all applicable local use taxes imposed under the authority of chapters 82.14 and 81.104 RCW. The consumer may then apply to the department for remittance in a form and manner prescribed by the department. A consumer may not apply for a remittance under this section more frequently than once per quarter. The consumer must specify the amount of exempted tax claimed and the qualifying purchases or acquisitions for which the exemption is claimed. The consumer must retain, in adequate detail, records to enable the department to determine whether the consumer is entitled to an exemption under this section, including: Invoices; proof of tax paid; and documents describing the machinery and equipment.

(b) The department must determine eligibility under this section based on the information provided by the consumer, which is subject to audit verification by the department. The department must on a quarterly basis remit exempted amounts to qualifying consumers who submitted applications during the previous quarter.

(3) Purchases exempt under section 101 of this act are also exempt from the tax imposed under RCW 82.12.020.

(4) The definitions in section 101 of this act apply to this section.

(5) This section expires June 30, 2013.

NEW SECTION. Sec. 103. A new section is added to chapter 82.08 RCW to read as follows:

(1) The tax levied by RCW 82.08.020 does not apply to sales of machinery and equipment used directly in generating electricity using solar energy, or to sales of or charges made for labor and services rendered in respect to installing such machinery and equipment, but only if the purchaser develops with such machinery, equipment, and labor a facility capable of generating not more than ten kilowatts of electricity and provides the seller with an exemption certificate in a form and manner prescribed by the department. The seller must retain a copy of the certificate for the seller's files.

(2) For purposes of this section and section 104 of this act:

(a) "Machinery and equipment" means industrial fixtures, devices, and support facilities that are integral and necessary to the generation of electricity using solar energy;

(c) Machinery and equipment is "used directly" in generating electricity with solar energy if it provides any part of the process that captures the energy of the sun, converts that energy to electricity, and stores, transforms, or transmits that electricity for entry into or operation in parallel with electric transmission and distribution systems.

(3) This section expires June 30, 2013.

NEW SECTION. Sec. 104. A new section is added to chapter 82.12 RCW to read as follows:

(1) The provisions of this chapter do not apply with respect to machinery and equipment used directly in generating not

more than ten kilowatts of electricity using solar energy, or to the use of labor and services rendered in respect to installing such machinery and equipment.

(2) The definitions in section 103 of this act apply to this section.

(3) This section expires June 30, 2013.

NEW SECTION. Sec. 105. A new section is added to chapter 82.14 RCW to read as follows:

The exemptions in sections 101 through 104 of this act are for the state and local sales and use taxes and include the sales and use taxes imposed under the authority of this chapter.

Sec. 106. RCW 81.104.170 and 1997 c 450 s 5 are each amended to read as follows:

(1) Cities that operate transit systems, county transportation authorities, metropolitan municipal corporations, public transportation benefit areas, and regional transit authorities may submit an authorizing proposition to the voters and if approved by a majority of persons voting, fix and impose a sales and use tax in accordance with the terms of this chapter, solely for the purpose of providing high capacity transportation service.

(2) The tax authorized pursuant to this section shall be in addition to the tax authorized by RCW 82.14.030 and shall be collected from those persons who are taxable by the state pursuant to chapters 82.08 and 82.12 RCW upon the occurrence of any taxable event within the taxing district. The maximum rate of such tax shall be approved by the voters and shall not exceed one percent of the selling price (in the case of a sales tax) or value of the article used (in the case of a use tax). The maximum rate of such tax that may be imposed shall not exceed nine-tenths of one percent in any county that imposes a tax under RCW 82.14.340, or within a regional transit authority if any county within the authority imposes a tax under RCW 82.14.340.

(3)(a) The exemptions in RCW 82.08.820 and 82.12.820 are for the state portion of the sales and use tax and do not extend to the tax authorized in this section.

(b) The exemptions in sections 101 and 102 of this act are for the state and local sales and use taxes and include the tax authorized by this section.

Sec. 107. RCW 82.14.050 and 2005 c 336 s 20 are each amended to read as follows:

(1) The counties, cities, and transportation authorities under RCW 82.14.045, public facilities districts under chapters 36.100 and 35.57 RCW, public transportation benefit areas under RCW 82.14.440, regional transportation investment districts, and transportation benefit districts under chapter 36.73 RCW shall contract, prior to the effective date of a resolution or ordinance imposing a sales and use tax, the administration and collection to the state department of revenue, which shall deduct a percentage amount, as provided by contract, not to exceed two percent of the taxes collected for administration and collection expenses incurred by the department. The remainder of any portion of any tax authorized by this chapter that is collected by the department of revenue shall be deposited by the state department of revenue in the local sales and use tax account hereby created in the state treasury. Moneys in the local sales and use tax account may be ~~(spent)~~ withdrawn only for:

(a) Distribution to counties, cities, transportation authorities, public facilities districts, public transportation benefit areas, regional transportation investment districts, and transportation benefit districts imposing a sales and use tax; and

(b) Making refunds of taxes imposed under the authority of this chapter and RCW 81.104.170 and exempted under sections 101 and 102 of this act.

(2) All administrative provisions in chapters 82.03, 82.08, 82.12, and 82.32 RCW, as they now exist or may hereafter be amended, shall, insofar as they are applicable to state sales and use taxes, be applicable to taxes imposed pursuant to this chapter.

Sec. 108. RCW 82.14.060 and 2005 c 336 s 21 are each amended to read as follows:

(1)(a) Monthly, the state treasurer (~~(shall make distribution)) must distribute~~ from the local sales and use tax account to the counties, cities, transportation authorities, public facilities districts, and transportation benefit districts the amount of tax collected on behalf of each taxing authority, less;

(i) The deduction provided for in RCW 82.14.050; and

(ii) The amount of any refunds of local sales and use taxes exempted under sections 101 and 102 of this act, which must be made without appropriation.

(b) The state treasurer shall make the distribution under this section without appropriation.

(2) In the event that any ordinance or resolution imposes a sales and use tax at a rate in excess of the applicable limits contained herein, such ordinance or resolution shall not be considered void in toto, but only with respect to that portion of the rate which is in excess of the applicable limits contained herein.

NEW SECTION. Sec. 109. A new section is added to chapter 82.12 RCW to read as follows:

(1) Except as provided in subsection (2) of this section, the expiration of RCW 82.12.02567 and section 102 of this act do not require the payment of, or authorize the department to assess, use tax imposed by or under the authority of RCW 82.12.020, 81.104.170, and chapter 82.14 RCW, on the use of machinery and equipment, and labor and services rendered in respect to installing such machinery and equipment, if such use qualified for the exemption under RCW 82.12.02567 or section 102 of this act immediately preceding the expiration date of the applicable exemption under RCW 82.12.02567 or section 102 of this act.

(2) Subsection (1) of this section does not prohibit the department from assessing, subject to the limitations period in RCW 82.32.050, state and local use taxes on the use of machinery and equipment, and labor and services rendered in respect to installing such machinery and equipment, if, before the expiration of the applicable exemption provided in RCW 82.12.02567 or section 102 of this act, the machinery and equipment was put to a use that is outside of the scope of the applicable exemption in RCW 82.12.02567 or section 102 of this act.

**PART II
Radioactive Waste Cleanup**

NEW SECTION. Sec. 201. (1) The legislature finds that the cleaning up of radioactive waste at the Hanford site is crucial to the environment in this state. The legislature intends to include services supporting the cleanup within the radioactive waste clean-up business and occupation tax classification, but it is not the legislature's intent to extend the radioactive waste clean-up classification to all business activities conducted at the Hanford site or performed for persons engaged in the performance of cleanup.

(2) It is the legislature's intent in enacting this legislation to ensure that the radioactive waste clean-up business and occupation tax classification applies to all services contributing to the performance of a clean-up project at the Hanford site other than services that are routinely provided to any business, including businesses that are not engaged in clean-up activities.

Sec. 202. RCW 82.04.263 and 1996 c 112 s 3 are each amended to read as follows:

(1) Upon every person engaging within this state in the business of cleaning up for the United States, or its instrumentalities, radioactive waste and other by-products of weapons production and nuclear research and development; as to such persons the amount of the tax with respect to such business shall be equal to the (~~value of the~~) gross income of the business multiplied by the rate of 0.471 percent.

(2) For the purposes of this chapter, "cleaning up radioactive waste and other by-products of weapons production and nuclear research and development" means:

(a) The activities of handling, storing, treating, immobilizing, stabilizing, or disposing of radioactive waste, radioactive tank waste and capsules, nonradioactive hazardous solid and liquid wastes, or spent nuclear fuel;

(b) Spent nuclear fuel conditioning;

(c) Removal of contamination in soils and groundwater;

(d) Decontamination and decommissioning of facilities; and (~~activities integral and necessary to the direct performance of cleanup~~)

(e) Services supporting the performance of cleanup. For the purposes of this subsection (2)(e), a service supports the performance of cleanup if it:

(i) Is within the scope of work under a clean-up contract with the United States department of energy; or

(ii) Assists in the accomplishment of a requirement of a clean-up project undertaken by the United States department of energy under a subcontract entered into with the prime contractor or another subcontractor in furtherance of a clean-up contract between the United States department of energy and a prime contractor.

(3) A service does not assist in the accomplishment of a requirement of a clean-up project undertaken by the United States department of energy if the same services are routinely provided to businesses not engaged in clean-up activities, except that the following services are always deemed to contribute to the accomplishment of a requirement of a clean-up project undertaken by the United States department of energy:

(a) Information technology and computer support services;

(b) Services rendered in respect to infrastructure; and

(c) Security, safety, and health services.

(4) The legislature intends that the examples provided in this subsection be used as a guideline when determining whether a service is "routinely provided to businesses not engaged in clean-up activities" as that phrase is used in subsection (3) of this section.

(a) The radioactive waste clean-up classification does not apply to general accounting services but does apply to performance audits performed for persons cleaning up radioactive waste.

(b) The radioactive waste clean-up classification does not apply to general legal services but does apply to those legal services that assist in the accomplishment of a requirement of a clean-up project undertaken by the United States department of energy. Thus, legal services provided to contest any local, state, or federal tax liability or to defend a company against a workers' compensation claim arising from a worksite injury do not qualify for the radioactive waste clean-up classification. But, legal services related to the resolution of a contractual dispute between the parties to a clean-up contract between the United States department of energy and a prime contractor do qualify.

(c) General office janitorial services do not qualify for the radioactive waste clean-up classification, but the specialized cleaning of equipment exposed to radioactive waste does qualify.

**PART III
Hog Fuel Tax Relief**

NEW SECTION. Sec. 301. A new section is added to chapter 82.08 RCW to read as follows:

(1) The tax levied by RCW 82.08.020 does not apply to sales of hog fuel used to produce electricity, steam, heat, or biofuel. This exemption is available only if the buyer provides the seller with an exemption certificate in a form and manner prescribed by the department. The seller must retain a copy of the certificate for the seller's files.

(2) For the purposes of this section the following definitions apply:

(a) "Hog fuel" means wood waste and other wood residuals including forest derived biomass. "Hog fuel" does not include firewood or wood pellets; and

(b) "Biofuel" has the same meaning as provided in RCW 43.325.010.

No incentive may be paid for kilowatt-hours generated before July 1, 2005, or after June 30, ~~((2014))~~ 2020.

(2) ~~((When light and power businesses serving eighty percent of the total customer load in the state adopt uniform standards for interconnection to the electric distribution system, any individual, business, or local governmental entity, not in the light and power business or in the gas distribution business, may apply to the light and power business serving the situs of the system, each fiscal year, for an investment cost recovery incentive for each kilowatt-hour from a customer-generated electricity renewable energy system installed on its property that is not interconnected to the electric distribution system and from a customer-generated electricity renewable energy system installed on its property that is interconnected to the electric distribution system. Uniform standards for interconnection to the electric distribution system means those standards established by light and power businesses that have ninety percent of total requirements the same. No incentive may be paid for kilowatt-hours generated before July 1, 2005, or after June 30, 2014.~~

~~((3))~~(a) Before submitting for the first time the application for the incentive allowed under subsection (4) of this section, the applicant ~~((shall))~~ must submit to the department of revenue and to the climate and rural energy development center at the Washington State University, established under RCW 28B.30.642, a certification in a form and manner prescribed by the department that includes, but is not limited to, the following information:

(v) The date that the renewable energy system received its final electrical permit from the applicable local jurisdiction.

(b) Within thirty days of receipt of the certification the department of revenue ~~(shall)~~ must notify the applicant by mail, or electronically as provided in RCW 82.32.135, whether the renewable energy system qualifies for an incentive under this section. The department may consult with the climate and rural energy development center to determine eligibility for the incentive. ~~((7))~~ (6) If requests for the investment cost recovery incentive exceed the amount of funds available for credit to the participating light and power business, the incentive payments shall be reduced proportionately.

~~((8))~~ (7) The climate and rural energy development center at Washington State University energy program may establish guidelines and standards for technologies that are identified as Washington manufactured and therefore most beneficial to the state's environment.

~~((9))~~ (8) The environmental attributes of the renewable energy system belong to the applicant, and do not transfer to the state or the light and power business upon receipt of the investment cost recovery incentive.

Expenditures not used to earn a credit in one fiscal year may not be used to earn a credit in subsequent years.

(2) For any business that has claimed credit for amounts that exceed the correct amount of the incentive payable under RCW 82.16.120, the amount of tax against which credit was claimed for the excess payments shall be immediately due and payable. The department shall assess interest but not penalties on the taxes against which the credit was claimed. Interest shall be assessed at the rate provided for delinquent excise taxes under chapter 82.32 RCW, retroactively to the date the credit was claimed, and shall accrue until the taxes against which the credit was claimed are repaid.

(3) The right to earn tax credits under this section expires June 30, ~~((2015))~~ 2020. Credits may not be claimed after June 30, ~~((2016))~~ 2021.

As used in this subsection, "commercial sales" excludes sales of prototypes or sales for market testing if the total gross receipts from such sales of the product, service, or process do not exceed one million dollars.

NEW SECTION. Sec. 902. (1) The lessor or owner of a qualified building is not eligible for a deferral under this chapter unless:

(a) The underlying ownership of the buildings, machinery, and equipment vests exclusively in the same person; or

(b)(i) The lessor by written contract agrees to pass the economic benefit of the deferral to the lessee in the form of reduced rent payments; and

(ii) The lessee that receives the economic benefit of the deferral agrees in writing with the department to complete the annual survey under section 906 of this act.

(2) The economic benefit of the deferral to the lessee may be evidenced by any type of payment, credit, or any other financial arrangement between the lessor or owner of the qualified building and the lessee.

NEW SECTION. Sec. 903. If a building is used partly for renewable energy manufacturing or research and development and partly for other purposes, the applicable tax deferral must be determined by apportionment of the costs of construction under rules adopted by the department.

NEW SECTION. Sec. 904. (1) Application for deferral of taxes under this chapter must be made before initiation of construction of the investment project or acquisition of machinery and equipment. The application must be made to the department in a form and manner prescribed by the department. The application must contain information regarding the location of the investment project, estimated or actual costs of the investment project, time schedules for completion and operation, and other information required by the department.

(2) The department must rule on the application within sixty days. The department must keep a running total of the estimated tax that will be deferred under this chapter during the 2009-2011 and 2011-2013 fiscal biennia. The department must disallow any deferral application or portion of any deferral application that would cause the total estimated amount of state sales and use taxes deferred statewide under this chapter to exceed one million five hundred thousand dollars during the four-year period of the 2009-2011 and 2011-2013 fiscal biennia.

(3) The department must disallow any taxes deferred that would cause the total amount of taxes deferred under this section by all recipients to exceed one million five hundred thousand dollars during the four-year period of the 2009-2011 and 2011-2013 fiscal biennia. If this limitation is reached, the department must provide notification to all recipients that the limitation has been met. The notice must indicate the amount of tax due and must provide that the tax be paid within thirty days

ONE-HUNDRED FIFTH DAY, APRIL 26, 2009

from the date of such notice. The department may not assess penalties and interest as provided in chapter 82.32 RCW on the amount due in the initial notice if the amount due is paid by the due date specified in the notice, or any extension thereof.

NEW SECTION. Sec. 905. (1) The department must issue a sales and use tax deferral certificate for state and local sales and use taxes imposed or authorized under chapters 82.08, 82.12, 82.14, and 81.104 RCW on each eligible investment project.

(2) This section expires June 30, 2013.

NEW SECTION. Sec. 906. (1)(a) The legislature finds that accountability and effectiveness are important aspects of setting tax policy. In order to make policy choices regarding the best use of limited state resources the legislature needs information on how a tax incentive is used.

(b) Each recipient of a deferral granted under this chapter must complete an annual survey. If the economic benefits of the deferral are passed to a lessee as provided in section 902 of this act, the lessee must complete the annual survey and the applicant is not required to complete the annual survey. The survey is due by April 30th of the year following the calendar year in which the investment project is certified by the department as having been operationally complete and each of the seven succeeding calendar years. The department may extend the due date for timely filing of annual surveys under this section as provided in RCW 82.32.590. The survey must include the amount of tax deferred. The survey must also include the following information for employment positions in Washington:

- (i) The number of total employment positions;
- (ii) Full-time, part-time, and temporary employment positions as a percent of total employment;
- (iii) The number of employment positions according to the following wage bands: Less than thirty thousand dollars; thirty thousand dollars or greater, but less than sixty thousand dollars; and sixty thousand dollars or greater. A wage band containing fewer than three individuals may be combined with another wage band; and
- (iv) The number of employment positions that have employer-provided medical, dental, and retirement benefits, by each of the wage bands.

(c) As part of the annual survey, the department may request additional information necessary to measure the results of, or determine eligibility for, the deferral program.

(d) If the person filing a survey under this section did not file a survey with the department in the previous calendar year, the survey filed under this section must also include the employment, wage, and benefit information required under (b)(i) through (iv) of this subsection for the calendar year immediately preceding the preceding calendar year.

(e)(i) Except as otherwise provided, all information collected under this subsection, except the amount of the tax deferral taken, is deemed taxpayer information under RCW 82.32.330. Information on the amount of tax deferral taken is not subject to the confidentiality provisions of RCW 82.32.330 and may be disclosed to the public upon request, except as otherwise provided in this subsection.

(ii) If the amount of the tax deferral taken as reported on the survey is different than the amount actually taken or otherwise allowed by the department based on information known to the department, the amount actually taken or allowed may be disclosed.

(iii) Recipients for whom the actual amount of the tax deferral taken is less than ten thousand dollars during the period covered by the survey may request the department to treat the amount of the tax savings as confidential under RCW 82.32.330.

(f) The department must use the information from this section to prepare summary descriptive statistics by category. No fewer than three taxpayers may be included in any category. The department must report these statistics to the legislature each year by October 1st.

(2)(a) If a recipient of the deferral fails to complete the annual survey required under subsection (1) of this section by the date due or any extension under RCW 82.32.590, twelve and

one-half percent of the deferred tax is immediately due. If the economic benefits of the deferral are passed to a lessee as provided in section 902 of this act, the lessee will be responsible for payment to the extent the lessee has received the economic benefit. The department must assess interest, but not penalties, on the amounts due under this section. The interest must be assessed at the rate provided for delinquent taxes under chapter 82.32 RCW, and accrues until the amounts due are repaid.

(b) A recipient who must repay deferred taxes under section 907(2) of this act because the department has found that an investment project is used for purposes other than renewable energy manufacturing or research and development is no longer required to file annual surveys under this section beginning on the date an investment project is used for nonqualifying purposes.

NEW SECTION. Sec. 907. (1) Except as provided in subsection (2) of this section, taxes deferred under this chapter need not be repaid.

(2) If, on the basis of the survey under section 906 of this act or other information, the department finds that an investment project is used for purposes other than renewable energy manufacturing or research and development at any time during the calendar year in which the investment project is certified by the department as having been operationally completed, or at any time during any of the seven succeeding calendar years, a portion of deferred taxes are immediately due according to the following schedule:

Year in which nonqualifying use occurs	% of deferred taxes due
1	100%
2	87.5%
3	75%
4	62.5%
5	50%
6	37.5%
7	25%
8	12.5%

(3) The department must assess interest, but not penalties, on the deferred taxes under subsection (2) of this section. The interest must be assessed at the rate provided for delinquent taxes under chapter 82.32 RCW, retroactively to the date of deferral, and accrues until the deferred taxes are repaid. The debt for deferred taxes will not be extinguished by insolvency or other failure of the recipient. Transfer of ownership does not terminate the deferral. The deferral is transferred, subject to the successor meeting the eligibility requirements of this chapter, for the remaining periods of the deferral.

(4) Notwithstanding subsection (2) of this section, deferred taxes on the following need not be repaid:

- (a) Machinery and equipment, and sales of or charges made for labor and services, which at the time of purchase would have qualified for exemption under RCW 82.08.02565; and
- (b) Machinery and equipment which at the time of first use would have qualified for exemption under RCW 82.12.02565.

NEW SECTION. Sec. 908. Chapter 82.32 RCW applies to the administration of this chapter.

NEW SECTION. Sec. 909. Applications approved by the department under this chapter are not confidential and are subject to disclosure.

Sec. 910. RCW 82.32.590 and 2008 c 81 s 13 and 2008 c 15 s 7 are each reenacted and amended to read as follows:

(1) If the department finds that the failure of a taxpayer to file an annual survey or annual report under section 906 of this act or RCW 82.04.4452, 82.32.5351, 82.32.650, 82.32.630, 82.32.610, 82.82.020, or 82.74.040 by the due date was the result of circumstances beyond the control of the taxpayer, the department shall extend the time for filing the survey or report. Such extension shall be for a period of thirty days from the date the department issues its written notification to the taxpayer that it qualifies for an extension under this section. The department may grant additional extensions as it deems proper.

(2) In making a determination whether the failure of a taxpayer to file an annual survey or annual report by the due

ONE-HUNDRED FIFTH DAY, APRIL 26, 2009

2009 REGULAR SESSION

date was the result of circumstances beyond the control of the taxpayer, the department shall be guided by rules adopted by the department for the waiver or cancellation of penalties when the underpayment or untimely payment of any tax was due to circumstances beyond the control of the taxpayer.

Sec. 911. RCW 82.32.600 and 2008 c 81 s 14 and 2008 c 15 s 8 are each reenacted and amended to read as follows:

As used in this section, "returns" has the same meaning as "return" in RCW 82.32.050.

(2) Any survey, report, return, or any other form or information required to be filed in an electronic format under subsection (1) of this section is not filed until received by the department in an electronic format.

(3) The department may waive the electronic filing requirement in subsection (1) of this section for good cause shown.

NEW SECTION. Sec. 912. A new section is added to chapter 82.04 RCW to read as follows:

(1) In computing the tax imposed under this chapter, a renewable energy manufacturer may claim a credit for its eligible investment project expenditures occurring after the effective date of this act through June 30, 2014.

(2) Any credits earned under this section must be accrued and carried forward and may not be used until July 1, 2011. The credit is equal to the amount of eligible investment project expenditures, multiplied by the rate of twenty-five percent. Credit may be carried over and used until June 30, 2024. The credit claimed against taxes due for each calendar year must not exceed the amount of tax otherwise due under this chapter for the calendar year. Refunds may not be granted in the place of a credit.

(3) Credits are available on a first in-time basis. The department must disallow any credits, or portion thereof, that would cause the total amount of credits claimed statewide under this section in any fiscal year to exceed the following limits: Two million five hundred thousand dollars for fiscal year 2012, two million five hundred thousand dollars for fiscal year 2013, five million dollars for fiscal year 2014, and five million dollars for each fiscal year thereafter until the fiscal year ending June 30, 2024. If the fiscal year limitation is reached, the department shall provide notification to persons claiming credits that the annual statewide limit has been met. The notice must indicate the amount of tax due and shall provide that the tax be paid within thirty days from the date of such notice. The department may not assess penalties and interest as provided in chapter 82.32 RCW on the amount due in the initial notice if the amount due is paid by the due date specified in the notice, or any extension thereof. (4) The definitions in this subsection apply throughout this section unless the context clearly requires otherwise.

(a) "Eligible investment project" means an investment project that: (i) Does not qualify as an eligible investment project under chapter 82.60 RCW; and (ii) is located in a county with a population density of more than five hundred persons per square mile that does not contain a community empowerment zone designated under RCW 43.31C.020, and that is not one of the three most populous counties in this state.

(ii) For purposes of the twenty-five million dollar threshold in (c) of this subsection (4), "qualified buildings" includes: (A) Existing structures acquired for the purpose of renewable energy manufacturing, research and development, or both; and (B) the land upon which qualified buildings are located.

(g) "Qualified machinery and equipment" means all industrial and research fixtures, equipment, and support facilities that are an integral and necessary part of a renewable energy manufacturing or research and development operation. "Qualified machinery and equipment" includes: Computers; software; data processing equipment; laboratory equipment; manufacturing components such as belts, pulleys, shafts, and moving parts; molds, tools, and dies; operating structures; and all equipment used to control or operate the machinery.

(iv) The number of employment positions that have employer-provided medical, dental, and retirement benefits, by each of the wage bands.

(c) If the person filing a survey under this section did not file a survey with the department in the previous calendar year, the survey filed under this section must also include the employment, wage, and benefit information required under (b)(i) through (iv) of this subsection for the calendar year immediately preceding the calendar year for which a tax preference was claimed.

(3) As part of the annual survey, the department may request additional information necessary to measure the results of, or determine eligibility for, the tax preference.

(4) All information collected under this section, except the amount of the tax preference claimed, is deemed taxpayer information under RCW 82.32.330. Information on the amount of tax preference claimed is not subject to the confidentiality provisions of RCW 82.32.330 and may be disclosed to the public upon request, except as provided in subsection (5) of this section. Senator Marr: "My understanding is that this would actually rebase the increases so that, yes, they would be made up and it would be assumed that going forward those increases would of been in place in the two biennium which they were skipped."

Senator Pflug: "Is it as previously predicted inflation would be or as inflation actually turns out to be?"

Senator Marr: "Well, I have to say that the specific interpretation I don't have here. I imagine there's some degree of vagueness in this that would have to be interpreted but no more than other legislation."

RULING BY THE PRESIDENT

President Owen: “In ruling upon the point of order raised by Senator Brandland as to the application of Initiative Number 960 to Senate Bill 6096, the President finds and rules as follows:

As was the case with several other recent rulings involving I-960, this bill is argued to be a clarification of existing law, not the imposition of a new tax. The President has, over this past Session, struggled with the provisions of I-960 and noted on a number of occasions the difficulties with interpreting some of

the ambiguities and inconsistencies with its provisions. In fact, the President will use this opportunity to comment upon the fact that the range of issues brought forward for parliamentary decision have grown astronomically in complexity, often involving the interplay of court decisions, past legislative actions, contradictory agency determinations, and complicated legislative history. The President often finds that he must unwind all of these matters and arguments simply to get to the proper procedural starting point in making these I-960 rulings.

The bill before us presents exactly this sort of complicated procedural background. What should be a fairly straightforward application of the provisions of I-960 to the plain language of the bill has quickly become a review of competing Department of Revenue determinations and court filings. The President would note that the Department’s own apparent inconsistencies with interpreting a statute that has remained unchanged since 1987 clouds the issue significantly. This is every bit as troubling to the President as it must be to the individual taxpayers involved, and the President would note as an aside that this is at least the third case of which he is aware this year where an agency changing its mind after issuing an earlier determination has resulted in chaos, expense, and heartache for many members of the public. It is one thing for there to be a genuine dispute as to the meaning of a statute; it is quite another for the agency charged with implementing that statute to reverse itself. In this case, for example, we are left with little or no explanation as to why the Department of Revenue changed its original interpretation from that issued in a 1993 determination. Likewise, it is unclear as to why the Department did not seek an earlier change to the law if this was truly an issue of clarification. The President—and the public—are left to wonder as to the Department’s rationale and motivations. The President points this out to illustrate both the difficulties he faces in making a ruling now, given the past unclear history, as well as the disservice he believes is done to the general public by the Department’s reversals. The Legislature may wish to consider actions to prevent such reversals or inconsistent interpretations by agencies that have such dramatic negative consequences on our state citizens.

That said, while the President would prefer that the Department had been more consistent over the years, he does believe the Legislature nonetheless has a valid interest in stepping forward to clarify this law. As near as the President can determine from the complex history of the matter, it appears that the weight of factors present in the bill itself and the procedural history come down in favor of clarification as opposed to imposition of a new tax. Factors such as the present disposition of the court case, the tax payment history involved, and deference to the intent language and provisions of the bill favor finding this to be a proper clarification, not an action that “raises revenue” pursuant to I-960.

For these reasons, the President believes this measure will take only a simple majority vote on final passage. In ruling upon the point of order raised by Senator Brandland as to the application of Initiative Number 960 to Senate Bill 6096, the President finds and rules as follows:

PARLIAMENTARY INQUIRY

Senator Eide: “Thank you Mr. President. I just want to confirm that we are on third reading and final passage.”

President Owen: “That is correct.”

 HOUSE BILL NO. 2331,
 SUBSTITUTE HOUSE BILL NO. 2341,
 SUBSTITUTE HOUSE BILL NO. 2346,
 SUBSTITUTE HOUSE BILL NO. 2362,

REMARKS BY THE PRESIDENT

President Owen: "For the new members, the President observes throughout the session the actions of members speeches, etc and makes some minor observations on Sine Die.

Like, for instance the least worn seat in the chamber would be Senator Brown's. The most worn seat in the chamber would be Senator Morton's.

But there's others. This year the President has taken a little different angle on some. This year the President is going to give a few, 'I need a hug awards.'

The President's first 'I need a hug award' is presented to this Senator for his apparent longing to return to the House of Representatives and incredibly strong and inseparable attachment to the Speaker evidenced to his continuing references to the President as 'Mr. Speaker', that, of course, would be Senator Jarrett.

However, there are runners up. Senators Parlette and Tom. However, the President is not sure what to make of the references to him by the same two as 'Mr. Chairman' and 'Mr. Amendment.'

The President's next 'I need a hug award' is presented to this Senator because the President refuses to allow her pop wheelies on the senate floor with her new scooter, Senator Fairley. And, by the way, I noticed you're getting better at that so if you could keep it under thirty-five miles an hour I would appreciate it.

Unfortunately, this Senator isn't here but this 'I need a hug award' is presented to the Senator because nobody cares when he says, 'I'm going to vote against this bill and let me tell you why,' Senator Benton.

The next 'I need a hug award' is presented to this Senator because she moved vigorously throughout two aisles of the Senate obtaining signatures, making impassioned pleas and heartfelt explanations of her amendments to her colleagues hoping to get signatures and votes resorting to what at times appears to be even praying on her knees, working harder than anybody to, in the end, secure a rock solid four votes on an

amendment. Occasionally eighteen but never ever, ever twenty-five, Senator Holmquist. I know. 'It's the principal.'

This President's 'I need a hug award' is presented to this person because he wants to grow a beard and look cool like the President and Senator Kline but can't, Senator Hobbs.

This 'I need a hug award' is presented to this Senator because like Senator Marr, when he stands up to speak the President doesn't often notice him because the President can barely see him, particularly if he's holding the microphone in front of him, Senator Kilmer. I think he's gained five pounds though. Five pounds, all right.

This the President's 'I need a hug award' goes to the entire Rostrum staff for having no option but listen to all and I mean all of your speeches. The President would note that there is a special award for some incredible people for their stamina and incomparable physical abilities the President is calling, 'the Iron Bladder award.'

There are a few other special awards.

The 'rusty microphone award' for using the unexplainable phrase, 'At no tax to cost payers' by Senator Parlette. If you could explain that one to us we'd be greatly appreciative, 'At no tax to cost payers.'

Then I want to give the 'Praise the Lord award' for providing the Senate, with enthusiasm, the most pastors to give the opening prayer, Senator Becker. Thank you very much.

Now, this one, unfortunately the person isn't here, but it's pertinent that he's not here. The award for the most incredulous action following a speech. It is 'You have got to be kidding me award' for chastising the senators for not being in their seats and listening to him speak to wit following said speech, as soon as the next senator began to speak, immediately he left his seat for the cafeteria, Senator Benton.

And finally, every year I give this one. The of course the annual 'Senator No award,' I don't know if you know what no means but I know of no other Senator who knows how to vote no for usually no explainable reason other than to know that no is the most vote most known to her so I know that you know that the Senator 'No award' once again goes to the well-known Senator Holmquist.

Runner up, Senator Honeyford only because the President believes that he made a mistake once and voted yes. That's all.

I should note that I had others but the Attorneys advised that I couldn't use them."

MESSAGE FROM THE HOUSE

MR. PRESIDENT:

The House has adopted the report of Conference Committee on SECOND SUBSTITUTE SENATE BILL NO. 5433, and has passed the bill as recommended by the Conference Committee. and the same is herewith transmitted.

REPORT OF THE CONFERENCE COMMITTEE

Second Substitute Senate Bill No. 5433

April 26, 2009

MR. PRESIDENT:

MR. SPEAKER:

We of your conference committee, to whom was referred Second Substitute Senate Bill No. 5433, have had the same under consideration and recommend that all previous amendments not be adopted and that the following striking amendment be adopted:

Strike everything after the enacting clause and insert the following:

ONE-HUNDRED FIFTH DAY, APRIL 26, 2009

2009 REGULAR SESSION

"Sec. 1. RCW 82.14.450 and 2007 c 380 s 1 are each amended to read as follows:

(1) A county legislative authority may submit an authorizing proposition to the county voters at a primary or general election and, if the proposition is approved by a majority of persons voting, impose a sales and use tax in accordance with the terms of this chapter. The title of each ballot measure must clearly state the purposes for which the proposed sales and use tax will be used. Funds raised under this tax shall not supplant existing funds used for these purposes, except as follows: Up to one hundred percent may be used to supplant existing funding in calendar year 2010; up to eighty percent may be used to supplant existing funding in calendar year 2011; up to sixty percent may be used to supplant existing funding in calendar year 2012; up to forty percent may be used to supplant existing funding in calendar year 2013; and up to twenty percent may be used to supplant existing funding in calendar year 2014. For purposes of this subsection, existing funds means the actual operating expenditures for the calendar year in which the ballot measure is approved by voters. Actual operating expenditures excludes lost federal funds, lost or expired state grants or loans, extraordinary events not likely to reoccur, changes in contract provisions beyond the control of the county or city receiving the services, and major nonrecurring capital expenditures. The rate of tax under this section ~~((shall))~~ may not exceed three-tenths of one percent of the selling price in the case of a sales tax, or value of the article used, in the case of a use tax.

(2) The tax authorized in this section is in addition to any other taxes authorized by law and ~~((shall))~~ must be collected from those persons who are taxable by the state under chapters 82.08 and 82.12 RCW upon the occurrence of any taxable event within the county.

(3) The retail sale or use of motor vehicles, and the lease of motor vehicles for up to the first thirty-six months of the lease, are exempt from tax imposed under this section.

(4) One-third of all money received under this section ~~((shall))~~ must be used solely for criminal justice purposes, fire protection purposes, or both. For the purposes of this subsection, "criminal justice purposes" ~~((means additional police protection, mitigation of congested court systems, or relief of overcrowded jails or other local correctional facilities))~~ has the same meaning as provided in RCW 82.14.340.

(5) Money received under this section ~~((shall))~~ must be shared between the county and the cities as follows: Sixty percent ~~((shall))~~ must be retained by the county and forty percent ~~((shall))~~ must be distributed on a per capita basis to cities in the county.

Sec. 2. RCW 82.14.460 and 2008 c 157 s 2 are each amended to read as follows:

(1) A county legislative authority may authorize, fix, and impose a sales and use tax in accordance with the terms of this chapter.

(2) The tax authorized in this section shall be in addition to any other taxes authorized by law and shall be collected from those persons who are taxable by the state under chapters 82.08 and 82.12 RCW upon the occurrence of any taxable event within the county. The rate of tax shall equal one-tenth of one percent of the selling price in the case of a sales tax, or value of the article used, in the case of a use tax.

(3) Moneys collected under this section shall be used solely for the purpose of providing for the operation or delivery of ~~((new or expanded))~~ chemical dependency or mental health treatment programs and services and for the operation or delivery of ~~((new or expanded))~~ therapeutic court programs and services. For the purposes of this section, "programs and services" includes, but is not limited to, treatment services, case management, and housing that are a component of a coordinated chemical dependency or mental health treatment program or service.

(4) All moneys collected under this section must be used solely for the purpose of providing new or expanded programs and services as provided in this section, except a portion of moneys collected under this section ~~((shall not))~~ may be used to supplant existing funding for these purposes ~~((; provided that))~~ in any county as follows: Up to fifty percent may be used to supplant existing funding in calendar year 2010; up to forty percent may be used to supplant existing funding in calendar year 2011; up to thirty percent may be used to supplant existing funding in calendar year 2012; up to twenty percent may be used to supplant existing funding in calendar year 2013; and up to ten percent may be used to supplant existing funding in calendar year 2014.

(5) Nothing in this section ~~((shall))~~ may be interpreted to prohibit the use of moneys collected under this section for the replacement of lapsed federal funding previously provided for the operation or delivery of services and programs as provided in this section.

Sec. 3. RCW 84.55.050 and 2008 c 319 s 1 are each amended to read as follows:

(1) Subject to any otherwise applicable statutory dollar rate limitations, regular property taxes may be levied by or for a taxing district in an amount exceeding the limitations provided for in this chapter if such levy is authorized by a proposition approved by a majority of the voters of the taxing district voting on the proposition at a general election held within the district or at a special election within the taxing district called by the district for the purpose of submitting such proposition to the voters. Any election held pursuant to this section shall be held not more than twelve months prior to the date on which the proposed levy is to be made, except as provided in subsection (2) of this section. The ballot of the proposition shall state the dollar rate proposed and shall clearly state the conditions, if any, which are applicable under subsection (4) of this section.

(2)(a) Subject to statutory dollar limitations, a proposition placed before the voters under this section may authorize annual increases in levies for multiple consecutive years, up to six consecutive years, during which period each year's authorized maximum legal levy shall be used as the base upon which an increased levy limit for the succeeding year is computed, but the ballot proposition must state the dollar rate proposed only for the first year of the consecutive years and must state the limit factor, or a specified index to be used for determining a limit factor, such as the consumer price index, which need not be the same for all years, by which the regular tax levy for the district may be increased in each of the subsequent consecutive years. Elections for this purpose must be held at a primary or general election. The title of each ballot measure must state the limited purposes for which the proposed annual increases during the specified period of up to six consecutive years shall be used ~~((; and funds raised under the levy shall not supplant existing funds used for these purposes))~~.

(b)(i) Except as otherwise provided in this subsection (2)(b), funds raised by a levy under this subsection may not supplant existing funds used for the limited purpose specified in the ballot title. For purposes of this subsection, existing funds means the actual operating expenditures for the calendar year in which the ballot measure is approved by voters. Actual operating expenditures excludes lost federal funds, lost or expired state grants or loans, extraordinary events not likely to reoccur, changes in contract provisions beyond the control of the taxing district receiving the services, and major nonrecurring capital expenditures.

(ii) The supplanting limitations in (b)(i) of this subsection do not apply to levies approved by the voters in calendar years 2009, 2010, and 2011, in any county with a population of one million five hundred thousand or more. This subsection (2)(b)(ii) only applies to levies approved by the voters after the effective date of this act.

(iii) The supplanting limitations in (b)(i) of this subsection do not apply to levies approved by the voters in calendar year 2009 and thereafter in any county with a population less than one million five hundred thousand. This subsection (2)(b)(iii) only applies to levies approved by the voters after the effective date of this act.

(3) After a levy authorized pursuant to this section is made, the dollar amount of such levy may not be used for the purpose of computing the limitations for subsequent levies provided for in this chapter, unless the ballot proposition expressly states that the levy made under this section will be used for this purpose.

(4) If expressly stated, a proposition placed before the voters under subsection (1) or (2) of this section may:

(a) Use the dollar amount of a levy under subsection (1) of this section, or the dollar amount of the final levy under subsection (2) of this section, for the purpose of computing the limitations for subsequent levies provided for in this chapter;

(b) Limit the period for which the increased levy is to be made under (a) of this subsection;

(c) Limit the purpose for which the increased levy is to be made under (a) of this subsection, but if the limited purpose includes making redemption payments on bonds, the period for which the increased levies are made shall not exceed nine years;

(d) Set the levy or levies at a rate less than the maximum rate allowed for the district; or

(e) Include any combination of the conditions in this subsection.

(5) Except as otherwise expressly stated in an approved ballot measure under this section, subsequent levies shall be computed as if:

(a) The proposition under this section had not been approved; and

(b) The taxing district had made levies at the maximum rates which would otherwise have been allowed under this chapter during the years levies were made under the proposition.

Sec. 4. RCW 36.54.130 and 2007 c 223 s 6 are each amended to read as follows:

(1) To carry out the purposes for which ferry districts are created, the governing body of a ferry district may levy each year an ad valorem tax on all taxable property located in the district not to exceed seventy-five cents per thousand dollars of assessed value, except a ferry district in a county with a population of one million five hundred thousand or more may not levy at a rate that exceeds seven and one-half cents per thousand dollars of assessed value. The levy must be sufficient for the provision of ferry services as shown to be required by the budget prepared by the governing body of the ferry district.

(2) A tax imposed under this section may be used only for:

(a) Providing ferry services, including the purchase, lease, or rental of ferry vessels and dock facilities;

(b) The operation, maintenance, and improvement of ferry vessels and dock facilities;

(c) Providing shuttle services between the ferry terminal and passenger parking facilities, and other landside improvements directly related to the provision of passenger-only ferry service; and

~~((e))~~ (f) If the combined rate of regular property tax levies that are subject to the one percent limitation still exceeds one percent of the true and fair value of any property, then the levies imposed under RCW 84.34.230, 84.52.105, and any portion of the levy imposed under RCW 84.52.069 that is in excess of thirty cents per thousand dollars of assessed value, shall be reduced on a pro rata basis until the combined rate no longer exceeds one percent of the true and fair value of any property or shall be eliminated; and

~~((f))~~ (g) If the combined rate of regular property tax levies that are subject to the one percent limitation still exceeds one percent of the true and fair value of any property, then the thirty cents per thousand dollars of assessed value of tax levy imposed under RCW 84.52.069 shall be reduced until the combined rate no longer exceeds one percent of the true and fair value of any property or eliminated.

(2) The certified rates of tax levy subject to these limitations by all junior taxing districts imposing taxes on such property shall be reduced or eliminated as follows to bring the consolidated levy of taxes on such property within the provisions of these limitations:

(a) First, the certified property tax levy rates of those junior taxing districts authorized under RCW 36.68.525, 36.69.145,

35.95A.100, and 67.38.130 shall be reduced on a pro rata basis or eliminated;

Displaced Homemaker Program Statewide Advisory Committee

NEW SECTION. Sec. 4. RCW 28B.04.085 (Displaced homemaker program advisory committee) and 2004 c 275 s 32 & 1987 c 230 s 2 are each repealed.

MR. PRESIDENT:

The House has passed ENGROSSED SENATE BILL NO. 5995 with the following amendment: 5995.E AMH HUNS REIL 050

Adult Family Home Advisory Committee

NEW SECTION. Sec. 5. RCW 70.128.225 (Advisory committee) and 2007 c 40 s 1 & 2002 c 223 s 4 are each repealed.

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. Intent. One of the key roles of advisory boards, committees, and commissions is to provide input, advice and recommendations from stakeholders, other interested parties, and the public to state agencies. Some advisory boards, committees, and commissions may be abolished without detriment to the mission of the agency each supports. Most of the advisory functions of some boards, committees, and commissions can be performed without the administrative costs of maintaining formal organizations. In the interest of building a leaner, more efficient, and more responsible government, this vital communications conduit must be maintained for the benefit of the state and its citizens, through the use of modern communication technology. It is the intent of the legislature this interim to identify criteria to evaluate those advisory boards, committees, and commissions that may be eliminated or consolidated, and for agencies to identify new, less costly, and more effective opportunities to ensure a broad range of citizen participation is provided and that all reasonable efforts are made to ensure that channels are maintained for vital input from the citizens of Washington.

Sec. 6. RCW 70.128.163 and 2001 c 193 s 6 are each amended to read as follows:

(1) When the department has summarily suspended a license, the licensee may, subject to the department's approval, elect to participate in a temporary management program. All provisions of this section shall apply.

The purposes of a temporary management program are as follows:

(a) To mitigate dislocation and transfer trauma of residents while the department and licensee may pursue dispute resolution or appeal of a summary suspension of license;

(b) To facilitate the continuity of safe and appropriate resident care and services;

(c) To preserve a residential option that meets a specialized service need and/or is in a geographical area that has a lack of available providers; and

(d) To provide residents with the opportunity for orderly discharge.

(2) Licensee participation in the temporary management program is voluntary. The department shall have the discretion to approve any temporary manager and the temporary management arrangements. The temporary management shall assume the total responsibility for the daily operations of the home.

(3) The temporary management shall contract with the licensee as an independent contractor and is responsible for ensuring that all minimum licensing requirements are met. The temporary management shall protect the health, safety, and well-being of the residents for the duration of the temporary management and shall perform all acts reasonably necessary to ensure that residents' needs are met. The licensee is responsible for all costs related to administering the temporary management program and contracting with the temporary management. The temporary management agreement shall at a minimum address the following:

(a) Provision of liability insurance to protect residents and their property;

(b) Preservation of resident trust funds;

(c) The timely payment of past due or current accounts, operating expenses, including but not limited to staff compensation, and all debt that comes due during the period of the temporary management;

(d) The responsibilities for addressing all other financial obligations that would interfere with the ability of the temporary manager to provide adequate care and services to residents; and

Acupuncture Ad Hoc Committee

Sec. 2. RCW 18.06.080 and 1995 c 323 s 7 are each amended to read as follows:

The examination shall be a written examination and may include a practical examination.

All application papers shall be deposited with the secretary and there retained for at least one year, when they may be destroyed.

(3) If the examination is successfully passed, the secretary shall confer on such candidate the title of Licensed Acupuncturist.

~~(4) ((The secretary may appoint members of the profession to serve in an ad hoc advisory capacity to the secretary in carrying out this chapter. The members will serve for designated times and provide advice on matters specifically identified and requested by the secretary. The members shall be compensated in accordance with RCW 43.03.220 and reimbursed for travel expenses under RCW 43.03.040 and 43.03.060.~~

—(5)) The secretary, ad hoc committee members, or

(e) The authority of the temporary manager to manage the home, including the hiring, managing, and firing of employees for good cause, and to provide adequate care and services to residents.

(4) The licensee and department shall provide written notification immediately to all residents, legal representatives, interested family members, and the state long-term care ombudsman program, of the temporary management and the reasons for it. This notification shall include notice that residents may move from the home without notifying the licensee in advance, and without incurring any charges, fees, or costs otherwise available for insufficient advance notice, during the temporary management period.

(5) The temporary management period under this section concludes twenty-eight days after issuance of the formal notification of enforcement action or conclusion of administrative proceedings, whichever date is later. Nothing in this section precludes the department from revoking its approval of the temporary management and/or exercising its licensing enforcement authority under this chapter. (1) The department may exercise the following powers in addition to any other powers granted by law:

(a) Investigate, provide for investigating, or require potentially liable persons to investigate any releases or threatened releases of hazardous substances, including but not limited to inspecting, sampling, or testing to determine the nature or extent of any release or threatened release. If there is a reasonable basis to believe that a release or threatened release of a hazardous substance may exist, the department's authorized employees, agents, or contractors may enter upon any property and conduct investigations. The department shall give reasonable notice before entering property unless an emergency prevents such notice. The department may by subpoena require the attendance or testimony of witnesses and the production of documents or other information that the department deems necessary;

(b) Conduct, provide for conducting, or require potentially liable persons to conduct remedial actions (including investigations under (a) of this subsection) to remedy releases or threatened releases of hazardous substances. In carrying out such powers, the department's authorized employees, agents, or contractors may enter upon property. (f) Issue orders or enter into consent decrees or agreed orders that include, or issue written opinions under (i) of this subsection that may be conditioned upon, environmental covenants where necessary to protect human health and the environment from a release or threatened release of a hazardous substance from a facility. Prior to establishing an environmental covenant under this subsection, the department shall consult with and seek comment from a city or county department with land use planning authority for real property subject to the environmental covenant;

(g) Enforce the application of permanent and effective institutional controls that are necessary for a remedial action to be protective of human health and the environment and the notification requirements established in RCW 70.105D.110, and impose penalties for violations of that section consistent with RCW 70.105D.050;

(h) Require holders to conduct remedial actions necessary to abate an imminent or substantial endangerment pursuant to RCW 70.105D.020(17)(b)(ii)(C);

This may include site-specific advice to persons who are conducting or otherwise interested in independent remedial actions. As a part of providing this advice and assistance for independent remedial actions, the department may prepare written opinions regarding whether the independent remedial actions or proposals for those actions meet the substantive requirements of this chapter or whether the department believes further remedial action is necessary at the facility. Nothing in this chapter may be construed to preclude the department from issuing a written opinion on whether further remedial action is necessary at any portion of the real property located within a facility, even if further remedial action is still necessary elsewhere at the same facility. Such a written opinion on a portion of a facility must also provide an opinion on the status of the facility as a whole. The department may collect, from persons requesting advice and assistance, the costs incurred by the department in providing such advice and assistance; however, the department shall, where appropriate, waive collection of costs in order to provide an appropriate level of technical assistance in support of public participation. The state, the department, and officers and employees of the state are immune from all liability, and no cause of action of any nature may arise from any act or omission in providing, or failing to provide, informal advice and assistance; and

ONE-HUNDRED FIFTH DAY, APRIL 26, 2009

2009 REGULAR SESSION

(j) Take any other actions necessary to carry out the provisions of this chapter, including the power to adopt rules under chapter 34.05 RCW.

(2) The department shall immediately implement all provisions of this chapter to the maximum extent practicable, including investigative and remedial actions where appropriate. The department shall adopt, and thereafter enforce, rules under chapter 34.05 RCW to:

(a) Provide for public participation, including at least (i) public notice of the development of investigative plans or remedial plans for releases or threatened releases and (ii) concurrent public notice of all compliance orders, agreed orders, enforcement orders, or notices of violation;

(f) Apply industrial clean-up standards at industrial properties. Rules adopted under this subsection shall ensure that industrial properties cleaned up to industrial standards cannot be converted to nonindustrial uses without approval from the department. The department may require that a property cleaned up to industrial standards is cleaned up to a more stringent applicable standard as a condition of conversion to a nonindustrial use. Industrial clean-up standards may not be applied to industrial properties where hazardous substances remaining at the property after remedial action pose a threat to human health or the environment in adjacent nonindustrial areas.

(3) To achieve and protect the state's long-term ecological health, the department shall prioritize sufficient funding to clean up hazardous waste sites and prevent the creation of future hazards due to improper disposal of toxic wastes, and create financing tools to clean up large-scale hazardous waste sites requiring multiyear commitments. To effectively monitor toxic accounts expenditures, the department shall develop a comprehensive ten-year financing report that identifies long-term remedial action project costs, tracks expenses, and projects future needs.

(4) Before December 20th of each even-numbered year, the department shall:

**GOVERNOR'S MESSAGE ON PARTIAL AND FULL VETOES OF SENATE BILLS
AFTER ADJOURNMENT****MESSAGE FROM THE GOVERNOR
VETO ON SENATE BILL NO. 5542**

April 16, 2009

To the Honorable President and Members,
The Senate of the State of Washington

Ladies and Gentlemen:

I am returning, without my approval, Senate Bill 5542 entitled:

“AN ACT Relating to member of the law enforcement officers’ and
firefighters’ retirement system plan 2 who were disabled in the line of duty
before January 1, 2001.”

This bill is identical to House Bill 1678, which I signed into law on April 15, 2009.

For the reason I have vetoed Senate Bill 5542 in its entirety.

Respectfully submitted,
CHRISTINE O. GREGOIRE, Governor

**MESSAGE FROM THE GOVERNOR
VETO ON SUBSTITUTE SENATE BILL NO. 5318**

April 30, 2009

To the Honorable President and Members,
The Senate of the State of Washington

Ladies and Gentlemen:

I am returning, without my approval as to Section 2, Substitute Senate Bill 5318 entitled:

“AN ACT Relating to adding additional appropriate locations for the transfer of newborn children.”

Section 2 of this bill requires the Department of Social and Health Services to collect and compile information, and to report annually to the Legislature beginning January 1, 2011 regarding the number and medical condition of newborns transferred at appropriate locations and newborns who are abandoned.

Legislators may well wish to request ad hoc reports from the department on this topic for the next few years to monitor the implementation of this legislation, but it is likely that, over time, the data in the report will not vary much from year to year. Legislative members and staff are likely to be uninterested in reading such a report even as the department must continue to produce it. I do not believe it is necessary to require this reporting requirement in statute.

For these reasons, I have vetoed Section 2 of Substitute Senate Bill 5318.

With the exception of Section 2, Substitute Senate Bill 5318 is approved.

Respectfully submitted,
CHRISTINE O. GREGOIRE, Governor

**MESSAGE FROM THE GOVERNOR
VETO ON SUBSTITUTE SENATE BILL NO. 5360**

April 30, 2009

To the Honorable President and Members,
The Senate of the State of Washington

Ladies and Gentlemen:

I am returning herewith, without my approval as to Section 3, Substitute Senate Bill 5360 entitled:

“AN ACT Relating to community health care collaborative grants.”

Section 3 requires the administrator of the Health Care Authority to produce a report every two years. In difficult economic times, producing additional reports will only further strain limited funding and staff time. If legislators or governors require further information on the performance of the grant program, they can simply request such information from the Health Care Authority. For this reason, I have vetoed Section 3 of Substitute Senate Bill 5360.

With the exception of Section 3, Substitute Senate Bill No. 5360 is approved.

Respectfully submitted,
CHRISTINE O. GREGOIRE, Governor

MESSAGE FROM THE GOVERNOR
VETO ON ENGROSSED SUBSTITUTE SENATE BILL NO. 5414

April 30, 2009

To the Honorable President and Members,
The Senate of the State of Washington

Ladies and Gentlemen:

I am returning, without my approval as to Section 4, Engrossed Substitute Senate Bill 5414 entitled:

“AN ACT Relating to statewide assessments and curricula.”

Section 4, in part, requires the Office of the Superintendent of Public Instruction, in consultation with the State Board of Education, to develop an implementation plan, including an assessment of the feasibility of implementing the current timelines for students to demonstrate that they have met state mathematics and science standards in high school assessments. These timelines are critical components of our statewide effort to ensure that our students are ready for the 21st century. Now is not the time to indicate any lack of resolve in our commitment to our students by revisiting or adjusting those standards. For these reasons, I have vetoed Section 4 of Engrossed Substitute Senate Bill 5414.

With the exception of Section 4, Engrossed Substitute Senate Bill 5414 is approved.

Respectfully submitted,
CHRISTINE O. GREGOIRE, Governor

Ladies and Gentlemen:

I am returning, without my approval as to Section 5, Substitute Senate Bill 5608 entitled:

“AN ACT Relating to genetic counselors; amending RCW 18.130.040.”

Section 5 provides for an advisory committee on genetic counseling to be established under the Secretary of Health. In difficult economic times, we need fewer not more advisory committees, boards and commissions absorbing limited funding and staff time. For this reason, I have vetoed Section 5 of Substitute Senate Bill 5608.

With the exception of Section 5, Substitute Senate Bill 5608 is approved.

Respectfully submitted,
CHRISTINE O. GREGOIRE, Governor

VETO ON SUBSTITUTE SENATE BILL NO. 5199

May 6, 2009

To the Honorable President and Members,
The Senate of the State of Washington

Ladies and Gentlemen:

I have approved, except for Sections 1 through 7, Substitute Senate Bill 5199 entitled:

“AN ACT Relating to public water supply system operators.”

Sections 1 through 7 of Substitute Senate Bill 5199 are identical to Substitute House Bill 1283 that I signed on April 25, 2009. For this reason, I have vetoed Sections 1 through 7 of Substitute Senate Bill 5199. With the exceptions of sections 1 through 7 Substitute Senate Bill 5199 is approved.

Respectfully submitted,
CHRISTINE O. GREGOIRE, Governor

VETO ON ENGROSSED SUBSTITUTE SENATE BILL NO. 5288

May 6, 2009

To the Honorable President and Members,
The Senate of the State of Washington

Ladies and Gentlemen:

I have approved, except for Section 18, Engrossed Substitute Senate Bill 5288 entitled:

“AN ACT Relating to the supervision of offenders.”

I am vetoing the emergency clause in Section 18. I have spoken with the Department of Corrections, and have been informed that they need time to implement the changes of the bill. They have begun preparing and will be ready to implement the changes August 1, 2009, but are not able to make these changes immediately. The elimination of the emergency clause will not affect the fiscal assumptions of the bill.

For this reason, I have vetoed Section 18 of Engrossed Substitute Senate Bill 5288. With the exception of Section 18, Engrossed Substitute Senate Bill 5288 is approved.

Respectfully submitted,
CHRISTINE O. GREGOIRE, Governor

VETO ON SUBSTITUTE SENATE BILL NO. 6162

May 6, 2009

To the Honorable President and Members,
The Senate of the State of Washington

Ladies and Gentlemen:

I have approved, except for Section 3, Substitute Senate Bill 6162 entitled:

“AN ACT Relating to criminal justice: Providing for the supervision of offenders sentenced to community custody regardless of risk classification if the offender has a current conviction for a serious violent offense as defined in RCW 9.94A.030.”

Substitute Senate Bill 6162 corrects an error in Engrossed Second Substitute Senate Bill 5288 by ensuring that all serious violent offenders are sentenced to community custody regardless of risk level. I have vetoed the emergency clause in ESSB 5288, and so I am also vetoing the emergency clause in Section 3 of SSB 6162 as it is not necessary.

For this reason, I have vetoed Section 3 of Substitute Senate Bill 6162. With the exception of Section 3, Substitute Senate Bill 6162 is approved.

Respectfully submitted,
CHRISTINE O. GREGOIRE, Governor

MESSAGE FROM THE GOVERNOR
VETO ON ENGROSSED SECOND SUBSTITUTE SENATE BILL NO. 5649

May 7, 2009

To the Honorable President and Members,
The Senate of the State of Washington

Ladies and Gentlemen:

I have approved, except for Section 403, Engrossed Second Substitute Senate Bill 5649 entitled:

“AN ACT Relating to achieving greater energy efficiency in buildings.”

Section 403 of the bill requires the Governor to designate a single point of accountability for all energy and climate change initiatives within state agencies. This language duplicates the requirements contained in Substitute Senate Bill 5921, Section 4(1). I signed Substitute Senate Bill 5921 on May 4, 2009. As a result, this provision is not needed and I have vetoed Section 403 of Engrossed Second Substitute Senate Bill 5649.

Some stakeholders have expressed concerns regarding Section 202 of Engrossed Second Substitute Senate Bill 5649. Section 202 of the bill establishes new employment and reporting requirements for the state’s existing low income weatherization program. It will be important to implement these new requirements in a manner that allows the local community action agencies and their funding sponsors to comply efficiently and effectively with the new requirements. To that end, I will direct the Department of Commerce to prepare administrative rules immediately to address the interpretation of the new requirements.

With the exception of Section 403, Engrossed Second Substitute Senate Bill 5649 is approved.

Respectfully submitted,
CHRISTINE O. GREGOIRE, Governor

VETO ON ENGROSSED SENATE BILL NO. 6033

May 7, 2009

To the Honorable President and Members,
The Senate of the State of Washington

Ladies and Gentlemen:

I have approved, except for Section 4, Engrossed Senate Bill 6033 entitled:

“AN ACT Relating to creating the prevent or reduce owner-occupied foreclosure program.”

Section 4 of this bill requires the Washington State Housing Finance Commission to establish an oversight committee to prevent or reduce owner-occupied home foreclosures. The committee is tasked with developing criteria for the success of the program, periodically evaluating the effectiveness of the program, developing and maintaining an inventory of state and federal housing assistance programs directed to stabilize owner-occupied homes and coordinating all state efforts related to prevention or reduction of owner-occupied foreclosures. These tasks are all important.

The Washington State Housing Finance Commission and Department of Financial Institutions, however, already have the authority to consult with stakeholders on these topics. Therefore I am vetoing Section 4 of this bill and ask that the directors of the Washington Housing Finance Commission and the Department of Financial Institutions exercise their authority to seek input from stakeholders when establishing the program.

For this reason, I have vetoed Section 4 of Engrossed Senate Bill 6033. With the exception of Section 4, Engrossed Senate bill 6033 is approved.

Respectfully submitted,
CHRISTINE O. GREGOIRE, Governor

VETO ON SUBSTITUTE SENATE BILL NO. 6122

May 8, 2009

To the Honorable President and Members,
The Senate of the State of Washington

Ladies and Gentlemen:

I have approved, except for Section 1, Substitute Senate Bill 6122 entitled:

“AN ACT Relating to reducing costs of the elections division of the office of the secretary of state.”

Section 1 of Substitute Senate Bill 6122 exempts the Elections Division from being required to use the State Printer for printing Voter Pamphlets. The State Printer provides consolidated and centralized print services on behalf of the State. Preserving that centralized capability brings important cost savings and efficiencies to State agencies. If the State Printer is not able to meet the price available to the Office of the Secretary of State from other printers, however, I will direct the State Printer to allow the Office of the Secretary of State to print the Voter Pamphlet elsewhere.

For this reason, I have vetoed Section 1 of Substitute Senate Bill 6122. With the exception of Section 1, Substitute Senate Bill 6122 is approved.

The Senate of the State of Washington

Ladies and Gentlemen:

I am approving, except for Section 6, Engrossed Senate Bill 6166 entitled:

“AN ACT Relating to the sale of timber from state trust lands.”

Section 6 requires the Department of Natural Resources to prepare a report for which no funding was provided in the budget. In these challenging economic times, state agencies are already struggling to meet their existing obligations. This requirement places a large, unfunded burden upon the agency. For this reason, I have vetoed Section 6 of Engrossed Senate Bill 6166.

With the exception of Section 6 of Engrossed Senate Bill 6166 is approved.

The Senate of the State of Washington

Ladies and Gentlemen:

I have approved, except for Section 4, Senate Bill 5525 entitled:

“AN ACT Relating to rental vouchers to allow release from state institutions.”

This section requires a report from the Department of Corrections to the Legislature on December 1, 2009 regarding the number of rental vouchers issued to offenders and any corresponding sanction history for those offenders receiving vouchers. No funding is included in the budget for this report. I am directing the Department to keep track of information related to this bill.

For this reason, I have vetoed Section 4 of Senate Bill 5525. With the exception of Section 4, Senate Bill 5525 is approved.

MESSAGE FROM THE GOVERNOR
VETO ON ENGROSSED SUBSTITUTE SENATE BILL NO. 5352

May 13, 2009

To the Honorable President and Members,
The Senate of the State of Washington

Ladies and Gentlemen:

I am returning, without my approval as to Sections 215(2), 215(4), 217(9), 602 and 715, Engrossed Substitute Senate Bill 5352 entitled:

“AN ACT Relating to transportation funding and appropriations.”

Section 215(2), page 19, Department of Transportation

This proviso requires the Department of Transportation (Department) to offer former property owners the “right of first repurchase” if the property was acquired through condemnation or threat of condemnation, and the property is to be sold as surplus because it is no longer needed for a public purpose. This proviso may hinder the Department’s ability to utilize property it currently owns in future acquisition

negotiations. It also may have the unintended consequence of restricting the Department's ability to get the best price for surplus property by limiting competition.

Section 215(4), page 20, Department of Transportation

This proviso makes an appropriation of \$2,000,000 from the Water Pollution Account-State subject to passage of Substitute House Bill 1614. Since Substitute House Bill 1614 was not enacted, the appropriation lapses and this section is no longer required.

Section 217(9), page 22, Department of Transportation

This proviso makes an appropriation of \$12,500,000 from the Water Pollution Account-State subject to passage of Substitute House Bill 1614. Since Substitute House Bill 1614 was not enacted, the appropriation lapses and this section is no longer required.

Section 602, pages 71-72, Department of Transportation

This section would have transportation agencies hire a consultant approved by the Department of Information Services to develop a "consolidated strategy and plan" to achieve cost savings resulting from holistic virtualization, wide area network optimization, transition to alternative telecommunications systems, and migration to internal voice mail systems. A similar proviso in the omnibus operating budget (Section 143) requires the Department of Information Services to implement some or all of these strategies and to report on the savings to the Office of Financial Management and the fiscal committees of the Legislature.

The transportation budget does not contain funding to hire contractors to develop the plan. Rather than hiring a contractor, the Department can work with the Department of Information Services to learn from its experience with these strategies.

Section 715, pages 87-88, Department of Transportation

This section would give the Legislature the ability to designate property under the jurisdiction of the Department as "unused state-owned real property," and direct the transfer and conveyance of such unused property, provided it is consistent with public interest. The Legislature could then direct the transfer and conveyance of such property to entities listed in statute as eligible recipients such as ports, utilities, other state agencies, cities, or counties. The value of such properties would be determined by the Legislature for "adequate consideration," and would not require fair market value.

While the Legislature may possess the authority to direct the Department in the transfer and conveyance of unused properties, such decisions must be guided by clear criteria. This section does not set forth sufficient safeguards to determine how unused properties would be determined, how properties would be conveyed and transferred, or how values would be assigned to such properties.

For these reasons, I have vetoed Sections 215(2), 215(4), 217(9), 602 and 715.

With the exception of Sections 215(2), 215(4), 217(9), 602 and 715, Engrossed Substitute Senate Bill 5352 is approved.

Respectfully submitted,
CHRISTINE O. GREGOIRE, Governor

VETO ON SUBSTITUTE SENATE BILL NO. 5499

May 13, 2009

To the Honorable President and Members,
The Senate of the State of Washington

Ladies and Gentlemen:

I am returning, without my approval as to Section 2, Substitute Senate Bill 5499 entitled:

"AN ACT Relating to bond amounts for department of transportation highway contracts."

Section 2 of this bill requires the Governor to approve any contracts in which the Washington State Department of Transportation intends to authorize bonds in an amount less than the full contract price of the contract.

Section 1 of the bill requires the Office of Financial Management to approve risk guidelines developed by the Department of Transportation prior to authorizing bonds in an amount less than the full price of the contract. Section 1 also requires the Office of Financial Management to review and approve the decision of the Secretary of Transportation to authorize a bond in an amount less than the full price of the contract prior to proceeding with the contract. Approval from the Office of Financial Management of the risk guidelines, as well as review of pending contracts constitutes sufficient oversight by the Governor's office of highway contract decisions. Requiring subsequent approval from the Governor is redundant and is not a necessary statutory requirement.

For these reasons, I have vetoed Section 2 of Substitute Senate Bill 5499.

With the exception of Section 2, Substitute Senate Bill 5499 is approved.

Respectfully submitted,
CHRISTINE O. GREGOIRE, Governor

VETO ON ENGROSSED SECOND SUBSTITUTE SENATE BILL NO. 5850

May 14, 2009

To the Honorable President and Members,
The Senate of the State of Washington

Ladies and Gentlemen:

I have approved, except for Section 4, Engrossed Second Substitute Senate Bill 5850 entitled:

“AN ACT Relating to protecting workers from human trafficking violations.”

Section 4 applies the Consumer Protection Act, chapter 19.86 RCW, to violations of this law. The Consumer Protection Act is ill suited to responding to these types of issues. Employment activities are already well regulated by the Department of Labor and Industries. Violations of this law would be better directed to the statutes administered by that agency.

For these reasons, I have vetoed Section 4 of Engrossed Second Substitute Senate Bill 5850. With the exception of Section 4, Engrossed Second Substitute Senate Bill 5850 is approved.

Respectfully submitted,
CHRISTINE O. GREGOIRE, Governor

VETO ON SUBSTITUTE SENATE BILL NO. 5286

May 15, 2009

To the Honorable President and Members,
The Senate of the State of Washington

Ladies and Gentlemen:

I am returning herewith, without my approval, Substitute Senate Bill 5286 entitled:

“AN ACT Relating to exemptions from the WorkFirst program.”

Under current law, the state may require a WorkFirst recipient with a child under one-year of age to get mental health treatment, alcohol or drug treatment, domestic violence services or parenting education even if the parent claims an exemption from participation in other WorkFirst activities. This bill gives the state the authority to require the parent to get help if needed, but reduces the state's ability to require participation as a condition of keeping the grant. If a parent refuses to participate, the Department of Social and Health Services (Department) could seek a volunteer to serve as a protective payee. However, under the interpretation of RCW 74.08.280 to limit liability and as a best practice, the Department would use contracted protective payees resulting in additional cost to the state.

I remain concerned about limiting the Department's ability to require a parent to receive treatment during the first ninety days. When I signed Second Substitute Senate Bill 6016 in 2007 creating the infant exemption, I signed the bill to support parents. Valuable time is lost if we wait three months to get a parent help with a drug or alcohol problem or domestic violence.

For these reasons I have vetoed Substitute Senate Bill 5286 in its entirety.

Respectfully submitted,
CHRISTINE O. GREGOIRE, Governor

MESSAGE FROM THE GOVERNOR
VETO ON ENGROSSED SECOND SUBSTITUTE SENATE BILL 5560

May 15, 2009

To the Honorable President and Members,
The Senate of the State of Washington

Ladies and Gentlemen:

I have approved, except for Sections 3, 4 and 7, Engrossed Second Substitute Senate Bill 5560 entitled:

“AN ACT Relating to state agency climate leadership.”

Sections 3 and 4 require agencies to use battery operated or electric small-scale powered equipment that is not yet available for commercial or heavy duty use, although it is available for home or light duty use. I am directing the Department of General Administration to examine landscaping policies on the Capitol Campus and develop and implement a plan that will reduce the carbon footprint of landscaping within the 2009-11 biennium, including a pilot project to showcase methods for "green landscaping" of the Capitol Campus.

Section 7 addresses energy audits and high performance buildings. On May 8, 2009, I signed Engrossed Second Substitute Senate Bill 5854 which directs the Department of General Administration to conduct energy audits and assign energy benchmarks of state buildings. Engrossed Second Substitute Senate Bill 5854 provides a complete and thorough process to examine state buildings and, therefore, this additional provision is not needed at this time.

For these reason, I have vetoed Sections 3, 4 and 7 of Engrossed Second Substitute Senate Bill 5560.

With the exception of Sections 3, 4 and 7, Engrossed Second Substitute Senate Bill 5560 is hereby approved.

Respectfully submitted,
CHRISTINE O. GREGOIRE, Governor

VETO ON SECOND SUBSTITUTE SENATE BILL NO. 5945

May 18, 2009

To the Honorable President and Members,
The Senate of the State of Washington

I have approved, except for Section 3, Second Substitute Senate Bill 5945 entitled:

"AN ACT Relating to creating the Washington health partnership plan."

Section 3 creates the Washington health partnership advisory group and requires me to convene quarterly meetings of the group from October 2009 through June 2010. Creating in statute a new advisory group, even one of limited duration, is contrary to our recent effort to reduce the number of such groups across all of state government. I will emphasize to the relevant state agencies the importance of keeping all interested parties up to date on our state's health care reform efforts, and if appropriate will convene the type of meeting called for in this section without the need to create this group in statute.

With the exception of Section 3, Second Substitute Senate Bill 5945 is approved.

MESSAGE FROM THE GOVERNOR
VETO ON SECOND SUBSTITUTE SENATE BILL NO. 5433

May 19, 2009

To the Honorable President and Members,
The Senate of the State of Washington

Ladies and Gentlemen:

I have approved, except for Sections 8, 9, 10 and 11, Second Substitute Senate Bill 5433 entitled:

“AN ACT Relating to modifying provisions of local option taxes.”

This bill allows local governments flexibility to better use current revenues sources and additional options for transportation funding. Sections 8 through 11 would have given transit agencies the option of asking voters for up to \$20 per vehicle per year to expand local transit capacity and fund transit-related expenses. Local entities currently have authority under a transportation benefit district to impose a vehicle fee that can be used for transportation operating, maintenance and capital investments. In addition, the 2009-11 transportation budget appropriates funds to the Joint Transportation Committee to conduct a study of alternative revenue sources of transportation funding; so dedicating a specific revenue source now is premature and impacts future decision-making flexibility.

For these reason, I have vetoed Sections 8, 9, 10 and 11 of Second Substitute Senate Bill 5433.

With the exception of Sections 8, 9, 10 and 11, Second Substitute Senate Bill 5433 is approved.

Respectfully submitted,

VETO ON SUBSTITUTE SENATE BILL NO. 5436

May 19, 2009

To the Honorable President and Members,
The Senate of the State of Washington

Ladies and Gentlemen:

I have approved, except for Sections 4 and 5, Substitute Senate Bill 5436 entitled:

“AN ACT Relating to payment arrangements involving direct practices.”

Section 4 would subject direct patient-provider primary care practices to the assessments used to fund the Washington State Health Insurance Pool. I am concerned that this requirement would increase the cost of such practices at the very time businesses and individuals are badly in need of more affordable health care options.

Section 5 would require a direct practice to submit its advertising and marketing materials to the Insurance Commissioner for approval at least thirty days prior to use. The bill fails to indicate, however, the criteria against which these materials would be reviewed. This section also duplicates protections existing in current law, imposing needless administrative expenses on both these practices and the Commissioner's Office.

For these reasons, I have vetoed Sections 4 and 5 of Substitute Senate Bill 5436.

With the exception of Sections 4 and 5, Substitute Senate Bill 5436 is approved.

I have approved, except for Section 2, Substitute Senate Bill 5734 entitled:

“AN ACT Relating to tuition fees.”

Section 2 of Substitute Senate Bill 5734 is identical to Section 3 in Engrossed Substitute House Bill 2344 that I signed yesterday. Signing two bills with identical sections may cause confusion, so I am vetoing this iteration of the performance audit requirement.

For this reason, I have vetoed Section 2 of Substitute Senate Bill 5734.

VETO ON ENGROSSED SECOND SUBSTITUTE SENATE BILL NO. 5809

May 19, 2009

To the Honorable President and Members,
The Senate of the State of Washington

Ladies and Gentlemen:

I have approved, except for Section 4, Engrossed Second Substitute Senate Bill 5809 entitled:

“AN ACT Relating to workforce employment and training.”

I am vetoing Section 4 of this bill. The policy intent of the bill can be accomplished without the Legislature directing how the Governor’s discretionary Workforce Investment Act 10% fund is used. Although federal law does not prohibit the state Legislature from directing the Workforce Investment Act 10% funds, the approach taken by this bill would set an undesirable precedent.

For these reasons, I have vetoed Section 4 of Engrossed Second Substitute Senate bill 5809.

With the exception of Section 4, Engrossed Second Substitute Senate Bill 5809 is approved.

Respectfully submitted,
CHRISTINE O. GREGOIRE, Governor

MESSAGE FROM THE GOVERNOR
VETO ON SUBSTITUTE SENATE BILL NO. 5913

May 19, 2009

To the Honorable President and Members,
The Senate of the State of Washington

Ladies and Gentlemen:

I have approved, except for Section 1, Substitute Senate Bill 5913 entitled:

“AN ACT Relating to online access to the University of Washington health sciences library by certain health care providers; and amending RCW 43.70.110 and 43.70.112.”

I fully support the intent of this legislation, including its clarification that the existing surcharge to health care professionals should be assessed only once per year, regardless of the number of licenses a professional holds. Unfortunately, Section 1 also requires the Department of Health (Department) to create an ongoing, annual advisory group. Establishing new advisory groups in statute is contrary to our recent efforts to reduce the number of boards, commissions and advisory groups across all of state government. There are other, more efficient ways to keep interested parties informed and engaged on emerging issues.

Given the importance of this to many, I ask that Department pursue all available options to address the surcharge issue administratively. I also recommend that Department convene stakeholders to solicit feedback about the program and provide recommendations.

For these reasons, I have vetoed Section 1 of Substitute Senate Bill 5913.

With the exception of Section 1, Substitute Senate Bill 5913 is approved.

MESSAGE FROM THE GOVERNOR
VETO ON SENATE BILL NO. 6168

May 19, 2009

To the Honorable President and Members,
The Senate of the State of Washington

Ladies and Gentlemen:

I have approved, except for Sections 3, 4 and 8, Senate Bill 6168 entitled:

“AN ACT Relating to reducing costs in state elementary and secondary education programs.”

Sections 3 and 4 refer to the availability of funds as the determinate for whether these important programs are implemented. Because all programs are dependent on legislative appropriations, the addition of this language has no substantive effect. I am concerned, however, that future budget writers might erroneously conclude that these programs are in a different status than other programs and consider not funding them solely because of the addition of this new language. As a result, I have vetoed Sections 3 and 4 of Senate Bill 6168.

Section 8 of Senate Bill 6168 amends RCW 28A.625.020, Office of Superintendent of Public Instruction annual recognition program. RCW 28A.625.020 is also repealed by Section 20(6) of Senate Bill 5889 which I signed earlier today. Therefore, I am not approving Section 8 of Senate Bill 6168 to correct a potential double amendment and conflicting policy.

For these reasons, I have vetoed Sections 3, 4 and 8 of Senate Bill 6168.

With the exception of Sections 3, 4 and 8, Senate Bill 6168 is approved.

Respectfully submitted,
CHRISTINE O. GREGOIRE, Governor

VETO ON SENATE BILL 6181

May 19, 2009

To the Honorable President and Members,
The Senate of the State of Washington

Ladies and Gentlemen:

I am returning herewith, without my approval, Senate Bill 6181 entitled:

“AN ACT Relating to the intensive resource home pilot.”

This bill would extend for budget purposes the suspension of the intensive resource home pilot program created in 2008 and suspended in December of that year. However, Senate Bill 6181 amends RCW 74.13.800 which was repealed by section 97 of Second Substitute House Bill 2106 which I signed into law today. Therefore, the suspension is no longer necessary.

For this reason I have vetoed Senate Bill 6181 in its entirety.

HISTORY OF GOVERNOR'S PARDONS AND COMMUTATIONS**MESSAGE FROM THE GOVERNOR**

June 9, 2009

To the Honorable, the Senate
of the State of Washington

Ladies and Gentlemen:

In compliance with the provisions of Article III, Section 11, of the Constitution of the State of Washington, the Governor hereby submits her report for each case of reprieve, commutation or pardon that she has granted since her last report submitted on December 29, 2008, copies of which are attached.

Very truly yours,
Martin C. Loesch
Senior Advisor and General Counsel

**CONDITIONAL COMMUTATION
OF
STEVAN ARTICE DOZIER**

To All to Whom These Presents Shall Come, Greetings:

WHEREAS, Stevan A. Dozier was convicted on June 20, 1994, of robbery in the Second Degree under King County Superior Court Cause Number 94-1-01558-0 and sentenced to serve Life without the Possibility of Parole under Washington's persistent offender law, the so-called "Three Strikes" law.

WHEREAS, according to the court record, the crime leading to Mr. Dozier's third strike occurred on February 1, 1994. At the age of thirty-three, Mr. Dozier robbed sixty-nine year old Mary Bedford of her wallet. Ms. Bedford was at the door of her apartment when Mr. Dozier asked her to tell him the time. When she responded, he pushed the door open, knocked her down, punched her in the face and took her wallet. Ms. Bedford sustained swollen lips and a sore jaw that prevented her from eating solid food for several weeks.

WHEREAS, Mr. Dozier's second strike arose from two separate incidents of Robbery in the Second Degree. In March of 1988, Mr. Dozier approached Kristin Whiteaker as she waited for an elevator. He punched her in the face, took her purse and pushed her into the elevator before fleeing the scene. He later used her credit card to buy a watch, which he indicated he wanted to sell or trade for drugs. Later in the same month, Mr. Dozier approached Emily Magnuson while she sat in her car in a parking garage. He grabbed her face to physically restrain her while he reached in and stole her purse. Mr. Dozier pled guilty to both counts, receiving a 70 month prison sentence.

WHEREAS, the crime that lead to Mr. Dozier's first strike conviction occurred in August of 1986 when he approached Patricia Garcia while she was getting into her car. Mr. Dozier reached into the car to grab her purse. When Ms. Garcia tried to stop him he pushed and hit her in the face, grabbed hold of the purse and ran away. Mr. Dozier pled guilty to Robbery in the Second Degree later that year and was sentenced to 17 months in prison.

WHEREAS, according to Mr. Dozier, the common cause for all his crimes was a drive to support his addiction to cocaine. Since being in prison, Mr. Dozier has participated in Alcoholics and Narcotics Anonymous and has been drug free for 14 years.

WHEREAS, Mr. Dozier is now forty-seven years old. To date, Mr. Dozier has been incarcerated on Cause No. 94-1-01558-0 since March 7, 1994, for a total time served to date, including pre-sentencing custody, of 182 months as of May 7, 2009, and has remained infraction free since 1997.

WHEREAS, Mr. Dozier unequivocally accepted legal responsibility and expressed remorse for, not only his crimes against Ms. Bedford, Ms. Garcia, Ms. Whiteaker and Ms. Magnuson, but all of his past crimes and deeply apologized for his actions to his victims, his family and the state of Washington at his 2008 Clemency Board hearing.

WHEREAS, following Mr. Dozier's Clemency and Pardons Board hearing on December 11, 2008, the Board issued a unanimous recommendation in support of a commutation of Mr. Dozier's Life without the Possibility of Parole to time served.

WHEREAS, King County Prosecutor Daniel Satterberg reviewed Mr. Dozier's clemency request in the context of other early "Three Strikes" cases prosecuted by the King County Prosecutor's Office in 1994 and 1995, shortly after voters approved Initiative 593. In the course of that review, Mr. Satterberg observed that the King County Prosecutor's Office charged and prosecuted the lowest ranking strike eligible offenses differently than they do today.

WHEREAS, Mr. Satterberg indicates that today the King County Prosecutor's Office would seek a charge of Theft in the First Degree and an agreed sentence of ten years instead of Robbery in the Second Degree for an offender like Mr. Dozier facing a potential third strike to avoid what the Prosecutor's Office would view as a disproportionate life sentence.

WHEREAS, in 1994, but for the persistent offender statute, Prosecutor Satterberg's office would have sought a Robbery One charge for Mr. Dozier's actions resulting in a sentence between 129 and 171 months for an offender with Mr. Dozier's offender score.

WHEREAS, Mr. Dozier has now served more time in prison than either the agreed sentence that the Prosecutor's Office would have otherwise charged today or the offense they would have charged in 1994 but for the persistent offender statute.

WHEREAS, Initiative 593 Section 5 indicated that "[nothing in this act shall ever be interpreted or construed as to reduce or eliminate the power of the governor to grant a pardon or clemency to any offender on an individual case-by-case basis."

WHEREAS, Mr. Dozier has shown considerable rehabilitation during his period of incarceration through his employment by Earth Ray industries, completing an anger and stress management program and basic custodial services program through Walla Walla Community College, courses in computer basics, safety awareness, and job dynamics through Edmonds community College, as well as participating in Alcoholics and Narcotics Anonymous, the Concerned Lifers and Black Prisoners Caucus programs.

WHEREAS, Mr. Dozier has received extraordinary community support in his petition for clemency from numerous community leaders, including King County Councilman Larry Gossett; King County Prosecutor Dan Satterberg; John Carlson, co-author of the three strikes law; Judge Brian Gain, the trial judge for Mr. Dozier's third strike case as well as his wife and other family members.

WHEREAS, supporters for Mr. Dozier have indicated that he has an opportunity upon his release for employment at Hassie May Services.

WHEREAS, Stevan Dozier appears to have used his 15 years in prison to mature into an articulate, responsible and rehabilitated man. Moreover, his service and activities indicate that he appears to be someone who can make a positive and lasting impact on his community.

WHEREAS, I have reviewed all pertinent facts and circumstances surrounding this matter, the circumstances of the crime, comments favoring release of Mr. Dozier, comments opposing Mr. Dozier's release, and the favorable recommendations of the King County Prosecutor and the Washington State Clemency and Pardons Board and, in light of the foregoing, I have determined that the best interests of justice will be served by this action.

WHEREAS, the victim, detective and trial prosecutor who have spoken against Mr. Dozier's petition have done so based on their knowledge of Mr. Dozier in 1994. The record and testimony at the Clemency Board hearing, as well as other information received from Department of Corrections personnel who have interacted with Mr. Dozier over the last fifteen years, indicate that Mr. Dozier has dramatically changed his ways during the time of his incarceration and is by all accounts rehabilitated.

NOW, THEREFORE, I, Christine O. Gregoire, by virtue of the power vested in me as Governor of the state of Washington under Article III Section 9 of the Washington State Constitution, RCW 9.94A.885 and RCW 9.95.260, hereby grant to Stevan A. Dozier a Conditional Commutation of the remainder of his sentence *subject to his acceptance of a term of Community Custody of twenty-four months, ending May 7, 2011, and compliance with the following conditions during the term of his Community Custody*, all of which commence as of May 7, 2009:

Mr. Dozier shall:

1. Report regularly to a community corrections officer as directed by the Department of Corrections;
2. Pay a monthly supervision fee as directed by the community corrections officer;
3. Participate in Department of Corrections approved education, employment and/or community service;
4. Receive prior approval from the Department of Corrections for living arrangements and residence location;
5. Notify the Department of Corrections prior to any changes of address or employment;
6. Remain in the geographic area as directed by the community corrections officer;
7. Not possess, receive, ship, or transport a firearm, ammunition or explosives;
8. Not possess or use any controlled substances without a prescription;
9. Submit to regular and random urinalysis and breathalyzer testing, as directed by the community corrections officer;
10. Participate in substance abuse and/or chemical dependency evaluation as directed by the community corrections officer and complete any recommendations from such evaluation;
11. Participate in chemical dependency and substance abuse support groups, as directed by the community corrections officer;
12. Not associate with any drug users or dealers;
13. Have no direct contact with any of his victims or their families;
14. Participate in electronic monitoring, if deemed appropriate by the community corrections officer;
15. Participate in any mental health evaluation as recommended by the community corrections officer and complete any recommendations from such evaluation;
16. Participate in the Youth At Risk or other similar community service program, as directed by the community corrections officer; and
17. Comply with all standard conditions, recommendations, and instructions of community placement as directed by the community corrections officer.

PROVIDED that Mr. Dozier shall remain under the supervision of the Department of Corrections and follow explicitly conditions established by that agency during the term of his Community Custody. Violation of any of the above conditions shall result in sanctions as deemed appropriate by the Department of Corrections and may result in the termination of this Conditional Commutation as provided below. The Department may require Mr. Dozier to perform affirmative acts deemed appropriate to monitor compliance with the conditions and may issue warrants and/or detain Mr. Dozier if he violates a condition.

ADDITIONALLY PROVIDED that in the event Mr. Dozier is convicted anywhere at any time of any offense the elements of which would classify the crime as a gross misdemeanor or felony in the state of Washington or any violation of the conditions of this Conditional Commutation as determined by the Governor, this Conditional Commutation is revoked without notice and the sentence of the court reinstated, whereupon Mr. Dozier will be immediately returned to the Washington Corrections Center or any such facility as the Secretary of the Department of Corrections deems appropriate. The Department of Corrections shall provide a written report to the Clemency and Pardons Board regarding any violation of this Conditional Commutation.

IN WITNESS WHEREOF, I have hereunto set my hand and caused the seal of the State of Washington to be affixed at Olympia on this 6th day of May, A.D., two thousand and nine.

**CONDITIONAL COMMUTATION
OF
GERALD SALVENZO HANKERSON**

To All to Whom These Presents Shall Come, Greetings:

WHEREAS, Gerald S. Hankerson was convicted on April 22, 1988, of First-Degree Aggravated Murder under King County Superior Court Cause No. 87-1-05055-2 and sentenced to serve Life Without the Possibility of Parole stemming from the killing of Nai Vang Saeturn, an immigrant from Laos.

WHEREAS, according to the court record on May 18, 1987, at the age of 18, Mr. Hankerson and another man, Mr. Mitchell, observed Nai Vang Saeturn depart from a supermarket in Seattle. Mr. Hankerson and Mr. Mitchell followed Mr. Saeturn from the store. After a short distance, Mr. Hankerson blocked Mr. Saeturn's path while Mr. Mitchell grabbed Mr. Saeturn from behind and slashed his throat. Mr. Saeturn began to scream and attempted to flee from his attackers, but Mr. Hankerson and Mr. Mitchell pursued him and caught Mr. Saeturn about a half block later. Mr. Hankerson held Mr. Saeturn while Mr. Mitchell beat Mr. Saeturn with brass knuckles and stabbed him in the back before emptying Mr. Saeturn's pockets.

WHEREAS, following Mr. Hankerson's Clemency and Pardons Board hearing in June 2006, the Board issued a unanimous recommendation in support of a conditional commutation of Mr. Hankerson's Life Without the Possibility of Parole sentence once he had served additional time, which they calculated to be completed December 2008.

WHEREAS, Mr. Hankerson informed members of King County Prosecutor Satterberg's staff that he unequivocally accepted legal responsibility and expressed remorse for his role in Mr. Saeturn's murder and deeply apologized for his actions to the Saeturn family at his 2006 Clemency Board hearing.

WHEREAS, based in part on Prosecutor Satterberg's opposition to Mr. Hankerson's request for clemency in 2006, I denied Mr. Hankerson's request for clemency in 2007, but invited him to petition for clemency in 2010.

WHEREAS, Prosecutor Satterberg reconsidered his 2006 opposition and in November of 2008 recommended clemency based on Mr. Hankerson's acceptance of responsibility for his conduct, the length of time he has already served and the positive contributions he could make to society. Prosecutor Satterberg also stated in a November 2008 letter that if the case came to his office today, it is unlikely that Aggravated Murder charges would be filed against Mr. Hankerson or a life sentence sought. Under current standards, Prosecutor Satterberg indicated that a charge of Murder in the First Degree would be applied.

WHEREAS, had Mr. Hankerson been convicted of the charge of Murder in the First Degree in this case instead of Aggravated Murder in the First Degree, he would have faced a Standard Range Sentence of 261 to 347 months in prison based on an Offender Score of 2 under the 1988 Sentencing Reform Act¹ with the possibility of earned early release time for good behavior as early as 2006.

WHEREAS, pursuant to former RCW 9.94A.120(8) Mr. Hankerson would have been sentenced to Community Placement upon release from prison on a Murder in the First Degree conviction. If Mr. Hankerson had earned "good time" while serving his sentence, Mr. Hankerson's Community Placement would have been ordered in the form of Community Custody. Under former RCW 9.94A.120 Mr. Hankerson's Community Custody would have allowed him to be released to a less restrictive alternative to that of incarceration including living back in the community but would have subjected him to controls placed on an inmate by the Department of Corrections and close monitoring by Department officials.

WHEREAS, Mr. Hankerson is now forty years old. To date, Mr. Hankerson has been incarcerated on Cause No. 87-1-05055-2 since December 7, 1987, for a total time served to date of 267 total months, as of April 7, 2009 and has remained infraction free since 2002, including the period following my 2007 denial of his petition for clemency.

WHEREAS, Mr. Hankerson has shown considerable rehabilitation through his service to organizations within the Department of Corrections, including Co-founder of the At Risk Youth Program; Vice-President of the Concerned Lifers Organization (which he also integrated racially); Chairman of the Black Prisoners Caucus; Class Facilitator for the Prison Awareness Project; and Class Coordinator for

Seattle University's Campus Ministry. In addition, through his dedication to community service, Mr. Hankerson has positively influenced lives beyond prison walls; as a result, the Seattle/King County Branch of the NAACP awarded him its 2008 Community Service Award.

WHEREAS, Mr. Hankerson has received extraordinary community support in his petition for clemency from numerous community leaders, including King County Councilman Larry Gossett, the leadership of the local NAACP and several local churches and faith communities including Salishan/Eastside Lutheran Mission, Freedom Church of Seattle, New Hope Missionary Baptist Church, United Black Christian Clergy Association of Washington, and Buddhist Chaplaincy Services.

WHEREAS, supporters for Mr. Hankerson have indicated that he has an opportunity upon his release for employment at Puyallup Nissan.

WHEREAS, Hankerson appears to have used his 20 years in prison to mature into an articulate, responsible and rehabilitated man. Moreover, his service and activities indicate that he appears to be someone who can make a positive and lasting impact on his community.

WHEREAS, I have reviewed all pertinent facts and circumstances surrounding this matter, the circumstances of the crime, comments favoring release of Mr. Hankerson, comments opposing Mr. Hankerson's release, and the favorable recommendations of the King County Prosecutor and the Washington State Clemency and Pardons Board and, in light of the foregoing, I have determined that the best interests of justice will be served by this action.

NOW, THEREFORE, I, Christine O. Gregoire, by virtue of the power vested in me as Governor of the State of Washington under Article III, Section 9 of the Washington State Constitution, RCW 9.94A.885 and RCW 9.95.260, hereby grant to Gerald S. Hankerson a Conditional Commutation of the remainder of his sentence *subject to his acceptance of a term of Community Custody of eighty months, ending December 9, 2015, and compliance with the following conditions during the term of his Community Custody*, all of which commence as of April 9, 2009:

Mr. Hankerson shall:

1. Report regularly to a community corrections officer as directed by the Department of Corrections;
2. Pay a monthly supervision fee as directed by the community corrections officer;
3. Participate in Department of Corrections approved education, employment and/or community service;
4. Receive prior approval from the Department of Corrections for living arrangements and residence location;
5. Notify the Department of Corrections prior to any changes of address or employment;
6. Remain in the geographic area as directed by the community corrections officer;
7. Not possess, receive, ship, or transport a firearm, ammunition or explosives;
8. Not possess or use any controlled substances without a prescription;
9. Submit to regular and random urinalysis and breathalyzer testing, as directed by the community corrections officer;
10. Participate in substance abuse and/or chemical dependency evaluation as directed by the community corrections officer and complete any recommendations from such evaluation;
11. Participate in chemical dependency and substance abuse support groups, as directed by the community corrections officer;
12. Not associate with any drug users or dealers;
13. Have no direct contact with any members of the victim's family;
14. Participate in electronic monitoring, if deemed appropriate by the community corrections officer;
15. Participate in any mental health evaluation as recommended by the community corrections officer and complete any recommendations from such evaluation;
16. Participate in the Youth At Risk or other similar community service program, as directed by the community corrections officer;
17. Comply with all standard conditions, recommendations, and instructions of community placement as directed by the community corrections officer.

PROVIDED that Mr. Hankerson shall remain under the supervision of the Department of Corrections and follow explicitly conditions established by that agency during the term of his Community Custody. Violation of any of the above conditions shall result in sanctions as deemed appropriate by the Department of Corrections and may result in the termination of this Conditional Commutation as provided below. The Department may require Mr. Hankerson to perform affirmative acts deemed appropriate to monitor compliance with the conditions and may issue warrants and/or detain Mr. Hankerson if he violates a condition.

ADDITIONALLY PROVIDED that in the event Mr. Hankerson is convicted anywhere at any time of any offense the elements of which would classify the crime as a gross misdemeanor or felony in the state of Washington or any violation of the conditions of this Conditional Commutation as determined by the Governor, this Conditional Commutation is revoked without notice and the sentence of the court reinstated, whereupon Mr. Hankerson will be immediately returned to the Washington Corrections Center or any such facility as the Secretary of the Department of Corrections deems appropriate. The Department of Corrections shall provide a written report to the Clemency and Pardons Board regarding any violation of this Conditional Commutation.

IN WITNESS WHEREOF, I have hereunto set my hand and caused the seal of the State of Washington to be affixed at Olympia on this 9th day of April, A.D., two thousand and nine.
