Notes

The brief descriptions and digest paragraphs in this digest were prepared by the employees of the legislature as a guide to interested persons concerned with the various measures pending before the legislature. Brief descriptions and digest paragraphs are not offered in substitution of or supplementary to the official titles and official text of the legislative measures. The brief descriptions and digest paragraphs are not intended to constitute any part of the law, are not in any manner adopted or acted upon by the legislature, and are in no way evidence of the intent of the legislature.

If the only action on a bill for a session is "By resolution, reintroduced and retained in present status." and no action other than "By resolution, reintroduced and retained in present status." occurs in subsequent sessions in the two-year legislative cycle for that bill, the history for those sessions will not be printed in this publication.

Companion bills are shown for original bills only.

The brief description for each bill family shows only once on the original bill unless there is a change in the brief description for a later version of the bill.

RCW - BILL TABLE

The *Legislative Digest and History of Bills* contains a table which lists the statutes being affected by the current bills. This table is widely used by legislative drafters as well as all other attorneys concerned with the legislative process. The "S" found preceding the bill numbers in this table means that the bill being referred to is the substitute version. All first substitutes are noted by an "S" preceding the bill number; second, third, etc., are noted by 2S, 3S, etc.; e.g.,

38.03.030	AMD	SHB	1301*
38.03.040	AMD	SHB	1375+
39.07.060	REP	2SSB	5111

The "RCW (Statute Number) to Bill Number Table" lists in code section number order the sections in the Revised Code of Washington (RCW) that are the subject matter of current legislation. The action the bill takes on the section is listed with the following abbreviations: ADD (adding a new section or section to a code chapter or code title), AMD (amending), DECD (decodifying), RECD (recodifying), REMD (reenacting and amending), REEN (reenacting), and REP (repealing). It is especially useful in the closing days of the session to determine whether a code section currently under consideration by the legislature may already have been repealed or amended during the session, in which event the earlier action must be taken in cognizance. In addition to being included in the *Legislative Digest and History of Bills*, an electronic version of this table is available at Washington State Legislative website. The URL to the website is <http://www.leg.wa.gov>, choose Bill Info and then RCW to Bill Table.

The symbols on the table indicate whether the amended section or the new section has passed the legislature or has been signed into law or vetoed by the Governor. A "p" following the bill number means that the legislature has passed the bill. An asterisk ("*") means that executive action or inaction has been recorded upon the bill during the first year of the two-year legislative cycle. A plus sign ("+") means that executive action or inaction has been recorded upon the bill during the second year of the two-year legislative cycle. Generally, the "*" and "+" mean that the Governor has signed the bill into law with or without a partial veto.

TOPICAL INDEX

The Topical Index is at the end of the *Legislative Digest and History of Bills*. The Topical Index entries are entered soon after the bills are introduced on the floor, so that researchers can search the text of the index for measures related to their issue. Various symbols are found in the index which aid in determining the type of measures to which the index entry refers. The table of abbreviated symbols for the Topical Index is found on the page beginning the Topical Index section.

SESSION LAW CHAPTER TO BILL TABLE 1 - 4

Initiatives Introduced in the House

HI 940 by People of the State of Washington

(DIGEST AS ENACTED)

Establishes the law enforcement training and community safety act.

Adopts a "good faith" standard for law enforcement officer use of deadly force.

Requires law enforcement officers in the state to: (1) Receive violence de-escalation training and periodically receive continuing violence de-escalation training to practice their skills, update their knowledge and training, and learn about new legal requirements and violence de-escalation strategies; and

(2) Receive mental health training and periodically receive continuing mental health training to update their knowledge about mental health issues and associated legal requirements and to update and practice skills for interacting with people with mental health issues.

Requires the criminal justice training commission to: (1) Consult with law enforcement agencies and community stakeholders and adopt rules for carrying out the training requirements; and

(2) In consultation with the Washington state patrol, the Washington association of sheriffs and police chiefs, organizations representing state and local law enforcement officers, health providers and/or health policy organizations, tribes, and community stakeholders, develop guidelines for implementing the duty to render first aid.

Requires the initial violence de-escalation training to educate officers on the good faith standard for use of deadly force established by this act and how that standard advances violence de-escalation goals.

States that the policy of the state is that all law enforcement personnel must render first aid to save lives.

(DIGEST AS ENACTED)

Allows a county to authorize the siting, in a rural area, of a school that serves students from an urban area under certain circumstances.

Requires a school district within a county that chooses to site schools to participate in the county's periodic updates required by RCW 36.70A.130(1)(b).

VETO MESSAGE ON ESHB 1017

April 26, 2017

To the Honorable Speaker and Members,
The House of Representatives of the State of Washington

Ladies and Gentlemen:

I am returning herewith, without my approval as to Section 1, Engrossed Substitute House Bill No. 1017 entitled:

"AN ACT Relating to the siting of schools and school facilities."

Engrossed Substitute House Bill 1017 seeks to address the important and complicated subject of siting schools outside of Urban Growth Areas. While this bill adequately addresses many aspects of the issue, I remained concerned about three items that I would like to resolve with the legislature during the special session.

First, any extension of urban services to serve a rural school must be limited to the size and scale needed to support the long-term needs of the school. Second, the land surrounding a new rural school must maintain its rural character and housing density as specified in RCW 36.70A.070(5). Finally, in order for schools to be sited outside the Urban Growth Boundary Line, school districts must demonstrate that there is no suitable land available within the Urban Growth Area.

For these reasons I have vetoed Section 1 of Engrossed Substitute House Bill No. 1017.

With the exception of Section 1, Engrossed Substitute House Bill No. 1017 is approved.

Respectfully submitted,
Jay Inslee
Governor

Concerning financing essential public infrastructure.

Improves access and reliability to low-cost financing for
local government infrastructure projects by authorizing public
works bonds when local governments can demonstrate: (1) The
importance of the project;

(2) Their difficulties accessing existing private credit markets for borrowings at reasonable interest rates; and
 (3) The ability to reliably repay their share of the state's total cost of retiring the public works bonds.

Makes changes to the existing public works program and creates the public works financing assistance program.

Creates the public works financing assistance account and the public works financing assistance bond repayment account.

Takes effect January 1, 2018, if the proposed amendment to Article VIII, section 1 of the state Constitution, contained in House Joint Resolution No. (H-0423/17), is approved by voters at the next general election.

Makes an appropriation from the public works assistance account to the department of commerce for the purpose of providing loans to local governments for infrastructure projects.

HB 1085 by Representatives Blake, Vick, Walsh, Chapman, Buys, and McBride

Regulating the minimum dimensions of habitable spaces in single-family residential areas.

(DIGEST AS ENACTED)

Authorizes amendments to the uniform building code that:
(1) Eliminate any minimum gross floor area requirement for single-family detached dwellings; or

(2) Provide a minimum gross floor area requirement below the minimum performance standards and objectives contained in the state building code.

VETO MESSAGE ON HB 1085

March 28, 2018

To the Honorable Speaker and Members,
The House of Representatives of the State of Washington

Ladies and Gentlemen:

I am returning herewith, without my approval as to Section 1, House Bill No. 1085 entitled:

"AN ACT Relating to regulation of the minimum dimensions of habitable spaces in single-family residential buildings."

House Bill 1085 authorizes the governing body of a city or county to adopt ordinances eliminating floor space requirements for single-family dwellings or reduce the requirements for floor space below the minimum gross floor area standards of the state building code. Currently, the state building code requires that habitable rooms have a minimum floor area of at least 70 square feet and must be at least seven feet wide. While I support the broader intent of this legislation, which allows for ecologically sustainable and affordable small home construction, I am concerned that Section 1 establishes legislative intent and precedent to create exemptions to the building code standards, without considering how these exemptions will be implemented consistently by local governments.

The Washington State Building Codes [Code] Council adopts statewide residential construction standards in consultation with technical experts, after rigorous review of international best practices. Smaller sleeping and living spaces should only be allowed after a rigorous review to ensure safety and health of occupants. I am asking the Council to develop, through a technical advisory group or other such means, appropriate guidance for consideration by local jurisdictions in implementation of this statute so that life, health and safety considerations are properly addressed when square footage of habitable space is reduced.

I encourage the local jurisdictions to request opinions from the State Building Codes [Code] Council with respect to reducing gross floor area requirements as they relate to other performance standards and objectives. This guidance will be beneficial to local officials in determining how best to adopt any proposed reduction to minimum gross floor area requirements while ensuring occupant health, safety and quality of life.

For these reasons I have vetoed Section 1 of House Bill No. 1085.

With the exception of Section 1, House Bill No. 1085 is approved.

Respectfully submitted,
Jay Inslee
Governor

Concerning paraeducators.

(SUBSTITUTED FOR - SEE 1ST SUB)

Provides the minimum employment standards for a paraeducator who works in the special education program, the basic education program, the learning assistance program, the

federal disadvantaged program, and English language learner programs.

Requires school districts to begin implementing the paraeducator certification for paraeducators working in the programs.

Requires the professional educator standards board to design and implement a training program for teachers and principals as it relates to their role working with paraeducators.

Requires the state institute for public policy to conduct a study on the effectiveness of paraeducators in improving student outcomes.

Requires the office of the superintendent of public instruction and the education data center to provide the data necessary to conduct an analysis.

HB 1115-S by House Committee on Education (originally sponsored by Representatives Bergquist, Muri, Ortiz-Self, Harris, Stanford, Stambaugh, Gregerson, and Kilduff)
(DIGEST AS ENACTED)

Creates the paraeducator board and requires the board to: (1) Adopt minimum employment requirements for paraeducators and paraeducator standards of practice;

(2) Establish requirements and policies for general paraeducator certificates, subject matter certificates in English language learner and special education, and advanced educator certificates;

(3) Approve, and develop if necessary, courses required to meet certain provisions of this act, where the courses are offered in a variety of means that will limit cost and improve access;

(4) Make policy recommendations, as necessary, for a paraeducator career ladder that will increase opportunities for paraeducator advancement through advanced education, professional learning, and increased instructional responsibility;

(5) Collaborate with the office of the superintendent of public instruction to adapt the electronic educator certification process to include paraeducator certificates; and

(6) Distribute grants to a diverse set of school districts that volunteer to pilot the state paraeducator standards of practice, the paraeducator certificates, and certain courses.

Requires school districts to provide a four-day fundamental course of study on the state standards of practice to paraeducators who have not completed the course.

Requires the superintendent of public instruction, in consultation with the paraeducator board and the professional educator standards board, to design a training program for teachers and administrators as it relates to their role working with paraeducators.

Requires the professional educator standards board, in consultation with the paraeducator board and the office of the superintendent of public instruction, to incorporate the following into the content required to complete a professional educator standards board-approved teacher or administrator preparation program: (1) For teachers, information on how to direct a paraeducator working with students in the paraeducators' classroom; and

(2) For administrators, information on how to supervise and evaluate paraeducators.

Requires the state institute for public policy to conduct a study on the effectiveness of paraeducators in improving student outcomes.

Repeals the paraprofessional training program.

VETO MESSAGE ON ESHB 1115

May 8, 2017

To the Honorable Speaker and Members,
The House of Representatives of the State of Washington

Ladies and Gentlemen:

I am returning herewith, without my approval as to Section 18, Engrossed Substitute House Bill No. 1115 entitled:

"AN ACT Relating to paraeducators."

This measure is an outgrowth of nearly five years of discussion and consideration of the Paraeducator Work Group.

It is also one of the late Senator Andy Hill's many legacies.

The bill creates the nine-member Paraeducator Board to provide professional development for this group of education employees who assist teachers in the classroom. It requires paraeducators to meet certain minimum employment standards, among other things. This will provide an opportunity for the state's 36,000 paraeducators to develop in their profession and become a teacher through alternative routes, if they so choose.

However, I am vetoing Section 18, which modifies a section of statute that was repealed by another bill this session.

Thanks to the sponsor, Representative Bergquist, and the members of the work group whose great work led to this legislation.

For these reasons I have vetoed Section 18 of Engrossed Substitute House Bill No. 1115.

With the exception of Section 18, Engrossed Substitute House Bill No. 1115 is approved.

Respectfully submitted,
Jay Inslee
Governor

HB 1150 by Representatives DeBolt and Blake; by request of Department of Ecology

Companion Bill: 5097

Clarifying procedures for appointment to the Chehalis board created by chapter 194, Laws of 2016.

(DIGEST AS PASSED LEGISLATURE)

Clarifies procedures for appointment to the Chehalis board.

VETO MESSAGE ON HB 1150

May 5, 2017

To the Honorable Speaker and Members,
 The House of Representatives of the State of Washington

Ladies and Gentlemen:

I am returning herewith, without my approval, House Bill No. 1150 entitled:

"AN ACT Relating to clarifying procedures for appointment to the Chehalis board created by chapter 194, Laws of 2016."

House Bill No. 1150 removes the requirement that tribal appointments to the Chehalis Board be confirmed by the Senate and clarifies the terms of initial appointments to that Board. This new Board and the Office of Chehalis Basin represent another example of citizens, governments and tribal nations coming together to solve problems that benefit both people and fish.

However, House Bill No. 1150 is identical to Engrossed Senate Bill No. 5097 that was presented to me as a five-day bill, and I signed into law on April 17, 2017. It is not necessary to enact duplicate legislation.

For these reasons I have vetoed House Bill No. 1150 in its entirety.

Respectfully submitted,
 Jay Inslee
 Governor

HB 1163	by Representatives Goodman, Hayes, Orwall, Appleton, Klippert, Pellicciotti, Pettigrew, Chapman, Kilduff, Bergquist, Stanford, and Kloba Concerning domestic violence. <u>(SUBSTITUTED FOR - SEE 2ND SUB)</u>		

Modifies domestic violence provisions relating to: (1) Offender scores for assault of a child and criminal mistreatment; and

(2) Revising the crime of fourth degree assault.

Requires a biological sample to be collected for purposes of DNA identification analysis from an adult or juvenile convicted of assault in the fourth degree, where domestic violence was pleaded and proven.

Authorizes a sheriff to waive fees associated with service of a writ of habeas corpus that was issued for the return of a child when the person who was granted the writ is, by reason of poverty, unable to pay the cost of service.

Requires the administrative office of the courts, through the Washington state gender and justice commission of the supreme court, to convene a work group to address the issue of domestic violence perpetrator treatment and the role of certified perpetrator treatment programs in holding domestic violence perpetrators accountable.

Creates the Washington domestic violence risk assessment work group to study how and when risk assessment can best be used to improve the response to domestic violence offenders and victims and find effective strategies to reduce domestic violence homicides, serious injuries, and recidivism that are a result of domestic violence incidents in the state.

HB 1163-S by House Committee on Public Safety (originally sponsored by Representatives Goodman, Hayes, Orwall, Appleton, Klippert, Pellicciotti, Pettigrew, Chapman, Kilduff, Bergquist, Stanford, and Kloba)

HB 1233 by Representatives Morris, Tarleton, and Hudgins
 Enabling electric utilities to prepare for the distributed energy future.

(SUBSTITUTED FOR - SEE 1ST SUB)

Establishes pathways by which the state's existing and future electric utilities can accommodate a wide range of new resources being brought to the retail electric distribution system by customer investment.

HB 1233-S by House Committee on Technology & Economic Development (originally sponsored by Representatives Morris, Tarleton, and Hudgins)

(AS OF HOUSE 2ND READING 2/08/18)

Declares it is the policy of the state that a distributed energy resources planning process engaged in by an electric utility in the state should accomplish certain goals.

Provides an explanation for the goals and requires the legislature to: (1) By January 1, 2023, conduct an initial review of the state's policy pertaining to distributed energy resources planning under chapter 19.280 RCW relating to electric utility resource plans; and

(2) By January 1, 2026, and every four years thereafter, conduct a full review of the policy and determine: (a) How many electric utilities in the state have engaged in or are engaging in a planning process; (b) whether the process has met the specified goals; and (c) whether the goals need to be expanded or amended.

HB 1237 by Representatives Sells, Haler, Pollet, Appleton, Bergquist, Cody, Farrell, Riccelli, Lovick, Johnson, Ormsby, Springer, Gregerson, Ryu, Wylie, Sawyer, Santos, Senn, Goodman, Fey, and Stanford

Modifying collective bargaining law to authorize providing additional compensation to academic employees at community and technical colleges.

(DIGEST AS ENACTED)

Authorizes a board of trustees to provide additional compensation to academic employees at community and technical colleges that exceeds that provided by the legislature.

VETO MESSAGE ON EHB 1237

March 27, 2018

To the Honorable Speaker and Members,
 The House of Representatives of the State of Washington

Ladies and Gentlemen:

I am returning herewith, without my approval as to Section 1, Engrossed House Bill No. 1237 entitled:

"AN ACT Relating to modifying collective bargaining law to authorize providing additional compensation to academic employees at community and technical colleges."

Engrossed House Bill 1237 authorizes boards of trustees of community and technical colleges to use local funds, such as tuition, to provide salary increases that exceed the amount established by the Legislature. This is an important step in ensuring that faculty and staff at community and technical colleges are fairly compensated. Section 1 of this bill is an intent section, but addresses decisions that are budgetary in nature and should be dealt with in future budget processes. For this reason, I have vetoed section 1 of this bill.

For these reasons I have vetoed Section 1 of Engrossed House Bill No. 1237.

With the exception of Section 1, Engrossed House Bill No. 1237 is approved.

Respectfully submitted,
 Jay Inslee
 Governor

HB 1341	by Representatives Bergquist, McCaslin, Stonier, Muri, and Pollet		
Concerning professional certification for teachers and school administrators.			
(SUBSTITUTED FOR - SEE 2ND SUB)			
Changes the duties of the professional educator standards board with regard to professional certification for teachers and school administrators.			
Prohibits the board from requiring professional certification for school administrators.			
HB 1341-S	by House Committee on Education (originally sponsored by Representatives Bergquist, McCaslin, Stonier, Muri, and Pollet)		
(SUBSTITUTED FOR - SEE 2ND SUB)			
Requires the professional educator standards board to adopt rules: (1) For professional administrator certification that are substantially similar to the professional development credit option for professional teacher certification; and			
(2) That provide three options for professional certification for teachers that meet certain requirements.			
Creates the professional educator collaborative to: (1) Review the integration of, and smooth the transitions between, educator certificates; and			
(2) Make recommendations on how to improve and strengthen the pathways that lead to highly effective educators at each level of the public school system.			
		HB 1341-S2	by House Committee on Appropriations (originally sponsored by Representatives Bergquist, McCaslin, Stonier, Muri, and Pollet)
		(DIGEST AS ENACTED)	
		Requires the professional educator standards board to adopt rules allowing certain teachers and principals to renew their residency certificate in five-year intervals based on completion of ten credits or one hundred clock hours.	
		VETO MESSAGE ON E2SHB 1341	
		July 7, 2017	
		To the Honorable Speaker and Members, The House of Representatives of the State of Washington	
		Ladies and Gentlemen:	
		I am returning herewith, without my approval as to Section 5, Engrossed Second Substitute House Bill No. 1341 entitled:	
		"AN ACT Relating to professional certification for teachers and school administrators."	
		Section 5 requires the formation of a collaborative of at least 12 members, monthly meetings, and an extensive contracted study. But the 2017-19 omnibus appropriations act does not provide funding for the Professional Educator Standards Board to contract for this work.	
		For these reasons I have vetoed Section 5 of Engrossed Second Substitute House Bill No. 1341.	
		With the exception of Section 5, Engrossed Second Substitute House Bill No. 1341 is approved.	
		Respectfully submitted, Jay Inslee Governor

students from unfair business practices.

(SUBSTITUTED FOR - SEE 2ND SUB)

Protects students from unfair business practices by
regulating the institutions of higher education, including for-
profit institutions and private vocational schools.

Creates the office of the ombuds serving students of for-
profit degree granting institutions and private vocational schools
within the student achievement council to provide assistance to
students of for-profit postsecondary institutions and private
vocational schools.

Expands the duties of the council.

HB 1439-S by House Committee on Higher Education
(originally sponsored by Representatives Pollet,
Haler, Tarleton, Fey, Sells, Orwall, Ryu, Stanford, and Dolan)

(SUBSTITUTED FOR - SEE 2ND SUB)

Protects students from unfair business practices by
regulating the institutions of higher education, including for-
profit institutions and private vocational schools.

Requires the student achievement council to: (1) Continue
administering the two-part study of for-profit degree-granting
institutions and private vocational schools, including findings
and recommendations regarding the creation of an ombuds to
serve students of degree-granting institutions and private
vocational schools; and

(2) Deny, revoke, or suspend the authorization of a degree-
granting institution found to be in violation of chapter 28B.85
RCW, including having engaged in a significant number of
unfair business practices.

Prohibits a degree-granting institution, an agent of the
institution, and certain private vocational schools from engaging
in a practice regarding the sale of, or inducing of students to
obtain, specific consumer student loan products to fund
education that financially benefits a person or entity that has an
ownership interest in the institution.

HB 1439-S2 by House Committee on Appropriations
(originally sponsored by Representatives Pollet,
Haler, Tarleton, Fey, Sells, Orwall, Ryu, Stanford, and Dolan)

(DIGEST AS ENACTED)

Protects students from unfair business practices by
regulating the institutions of higher education, including for-
profit institutions and private vocational schools.

Provides information on unfair practices for certain schools
and institutions, including providing misleading endorsements,
using the United States military logo on advertising, and selling
consumer student loan products that financially benefit the
school or institution.

Requires the student achievement council to: (1) Continue
administering the two-part study of for-profit degree-granting
institutions and private vocational schools, including findings
and recommendations regarding the creation of an ombuds to
serve students of degree-granting institutions and private
vocational schools, and recommendations on strengthening
agencies' abilities to respond to, and protect student consumers
from, school closures;

(2) Deny, revoke, or suspend the authorization of a degree-
granting institution found to be in violation of chapter 28B.85
RCW;

(3) Establish, maintain, and administer a student
achievement council tuition recovery trust fund, to provide relief
to students impacted by the voluntary or involuntary closure of
schools; and

(4) Along with the workforce training and education
coordinating board and the department of licensing, create a
single portal for student complaints regarding consumer
protection, disclosure, school or program closures, or other
violations.

Creates the department of licensing tuition recovery trust
fund and requires the director of licensing to maintain and
administer the fund to provide relief to students impacted by the
voluntary or involuntary closure of schools.

HB 1504-S by House Committee on Environment (originally sponsored by Representatives Pike, Blake, Wylie, Peterson, Harris, Vick, Manweller, Tarleton, Orcutt, Farrell, Haler, Dent, Fey, Sells, Kraft, Johnson, MacEwen, Chandler, Stambaugh, Van Werven, Dye, Doglio, and Springer)

(DIGEST AS PASSED LEGISLATURE)

Authorizes the following counties and each of the cities in the counties to adopt development regulations to assure that agriculture, forest, and mineral resource lands adjacent to short line railroads may be developed for freight rail dependent uses: (1) Counties located to the east of the crest of the Cascade mountains; and

(2) Counties located to the west of the crest of the Cascade mountains that have a population of at least two hundred forty thousand and a border that touches another state.

Requires development regulations related to the development of agriculture, forest, and mineral resource lands adjacent to short line railroads for freight rail dependent uses to require buffers sufficient to prevent encroachment on or impacts to the adjacent resource lands.

Authorizes the transportation element, for the following counties and each of the cities in the counties, to include development of freight rail dependent uses on land adjacent to a short line railroad: (1) Counties located to the east of the crest of the Cascade mountains; and

(2) Counties located to the west of the crest of the Cascade mountains that have a population of at least two hundred forty thousand and a border that touches another state.

Authorizes development regulations to be modified to include development of freight rail dependent uses that do not require urban government services in rural lands.

VETO MESSAGE ON ESHB 1504

May 16, 2017

To the Honorable Speaker and Members,
The House of Representatives of the State of Washington

Ladies and Gentlemen:

I am returning herewith, without my approval, Engrossed Substitute House Bill No. 1504 entitled:

"AN ACT Relating to rail dependent uses for purposes of the growth management act and related development regulations."

I am committed to supporting economic development across Washington State so all areas and communities thrive. This commitment includes working with legislators and stakeholders on how we better develop rural and other underserved areas.

At the same time, I remain committed to fully supporting the Growth Management Act, which has created the framework for thoughtful growth and comprehensive development plans while protecting vital resource lands.

While this bill might help rural counties to develop adjacent to short line railroads in designated counties, it would undermine our longstanding commitment to preserve working farms and promote our agricultural economy.

The Growth Management Act provides for a process to redesignate resource lands and convert the use of those lands. As part of a broader review of the Growth Management Act, it

would be appropriate to reexamine how we provide additional flexibility for encouraging economic development in rural areas. It is my understanding that such a review is proposed in the Senate and House budgets, and I would support that review.

For these reasons I have vetoed Engrossed Substitute House Bill No. 1504 in its entirety.

Respectfully submitted,
Jay Inslee
Governor

Companion Bill: 5046

Providing public notices of public health, safety, and welfare in a language other than English.

(SUBSTITUTED FOR - SEE 2ND SUB)

Requires state agencies, that are required by law or rule to provide public notices to a community or area to advise or inform the public about an imminent or emergent public health, safety, or welfare risk, to provide the notices in the language that diverse residents can understand when a significant segment of the community speaks a language other than English and has limited proficiency in English.

Requires each local organization or joint local organization for emergency management to maintain updated demographic data for their jurisdictions and information on the languages represented by their respective communities.

HB 1540-S by House Committee on Public Safety (originally sponsored by Representatives Santos, Pollet, Appleton, Fitzgibbon, Hudgins, Gregerson, Stanford, Macri, Fey, Pettigrew, and Slatter)

(SUBSTITUTED FOR - SEE 2ND SUB)

Requires state agencies, that are required by law or rule to provide public notices to a community or area to advise or inform the public about an imminent or emergent public health, safety, or welfare risk, to provide the notices in the language or in a manner that diverse residents can understand when a significant segment of the community speaks a language other than English and has limited proficiency in English.

Applies this requirement to notices that include proposed locations for criminal facilities or facilities that would house sex offenders.

Requires each local organization or joint local organization for emergency management that: (1) Produces a comprehensive emergency management plan, to include in the plan a communication plan for notifying significant segments of limited English speaking persons of an imminent or emergent public health, safety, or welfare risk; and

(2) Does not produce a comprehensive emergency management plan, to produce a separate communication plan for the notification.

HB 1540-S2 by House Committee on Appropriations (originally sponsored by Representatives Santos, Pollet, Appleton, Fitzgibbon, Hudgins, Gregerson, Stanford, Macri, Fey, Pettigrew, and Slatter)

(AS OF HOUSE 2ND READING 3/01/17)

Requires state agencies, that are required by law or rule to provide public notices to a community or area to advise or inform the public about an imminent or emergent public health, safety, or welfare risk, to provide the notices in the language or in a manner that diverse residents can understand when a significant segment of the community speaks a language other than English and has limited proficiency in English.

VETO MESSAGE ON E2SHB 1561

March 27, 2018

To the Honorable Speaker and Members,
The House of Representatives of the State of Washington

Ladies and Gentlemen:

I am returning herewith, without my approval as to Section 3, Engrossed Second Substitute House Bill No. 1561 entitled:

"AN ACT Relating to open educational resources."

Engrossed Second Substitute House Bill 1561 will help expand the use of Open Educational Resources at public higher education institutions. It also intended to make the Open Educational Resources project at the Office of the Superintendent for [of] Public Instruction permanent. I agree with the intended purpose of the bill to increase access to free educational resources to more students. The final budget provided funding to support some of the goals of this bill, including funding for the Washington Student Achievement Council and Washington State Institute for Public Policy; however, funding to continue the Open Educational Resources project at the Office of the Superintendent for [of] Public Instruction in fiscal year 2019 was unintentionally omitted from the final budget. The Office of the Superintendent of Public Instruction is committed to continuing this project and will request the funding for the 2019 supplemental budget. Section 3 is a funding null and void clause that would impact the entire bill.

For these reasons I have vetoed Section 3 of Engrossed Second Substitute House Bill No. 1561.

With the exception of Section 3, Engrossed Second Substitute House Bill No. 1561 is approved.

Respectfully submitted,
Jay Inslee
Governor

Concerning irrigation district authority.

(DIGEST AS PASSED LEGISLATURE)

Modifies provisions relating to the authority of an irrigation district.

VETO MESSAGE ON HB 1578

May 16, 2017

To the Honorable Speaker and Members,
The House of Representatives of the State of Washington

Ladies and Gentlemen:

I am returning herewith, without my approval, House Bill No. 1578 entitled:

"AN ACT Relating to irrigation district authority."

This bill provides new opportunities to develop infrastructure projects that support the economy in Eastern Washington and encourages investments in hydroelectric facilities. However, this bill is identical to Senate Bill 5261, which I signed into law on April 19, 2017. This duplicate bill is therefore unnecessary.

For these reasons I have vetoed House Bill No. 1578 in its entirety.

Respectfully submitted,
Jay Inslee
Governor

VETO MESSAGE ON E2SHB 1612

May 10, 2017

To the Honorable Speaker and Members,
The House of Representatives of the State of Washington

Ladies and Gentlemen:

I am returning herewith, without my approval as to Section 6, Engrossed Second Substitute House Bill No. 1612 entitled:

"AN ACT Relating to a public health educational platform for suicide prevention and strategies to reduce access to lethal means."

This section is the same as the language in Section 2 of Engrossed Substitute Senate Bill 5552. Because SB 5552 also includes a couple of additional changes unrelated to the language in this bill, the Code Reviser advises this action so the RCW is clear. I support the policy and am glad that is fully contained in the other bill.

For these reasons I have vetoed Section 6 of Engrossed Second Substitute House Bill No. 1612.

With the exception of Section 6, Engrossed Second Substitute House Bill No. 1612 is approved.

Respectfully submitted,
Jay Inslee
Governor

HB 1655 by Representatives Lovick, Holy, Griffey, Hayes, Sells, Doglio, Stokesbary, Frame, Irwin, Fitzgibbon, Pike, Fey, Goodman, Pollet, and Stanford

Providing industrial insurance coverage for stress-caused mental disorders and disabilities of members of the law enforcement officers' and firefighters' retirement system.

(SUBSTITUTED FOR - SEE 1ST SUB)

States that claims made by a member of the law enforcement officers' and firefighters' retirement system, based on mental conditions or mental disabilities caused by stress, fall within the definition of "occupational disease."

States that there is a prima facie presumption, in the case of firefighters and law enforcement officers who are covered under the state industrial insurance act, that posttraumatic stress disorder is an occupational disease.

HB 1655-S by House Committee on Appropriations (originally sponsored by Representatives Lovick, Holy, Griffey, Hayes, Sells, Doglio, Stokesbary, Frame, Irwin, Fitzgibbon, Pike, Fey, Goodman, Pollet, and Stanford)

Allowing industrial insurance coverage for stress-caused mental disorders and disabilities of members of the law enforcement officers' and firefighters' retirement system.

(AS OF HOUSE 2ND READING 1/18/18)

States that claims made by a member of the law enforcement officers' and firefighters' retirement system, based on mental conditions or mental disabilities caused by stress, fall within the definition of "occupational disease."

HB 1656 by Representatives Dent, Gregerson, Hargrove, Tarleton, Klippert, and Clibborn

Establishing a community aviation revitalization loan program.

(SUBSTITUTED FOR - SEE 1ST SUB)

Creates an airport infrastructure loan program, to be known as the community aviation revitalization loan program, for political subdivisions of the state that own or manage airports to acquire loans to fund capital projects.

Requires the aviation division of the department of transportation to administer the loan program.

Creates the community aviation revitalization loan oversight task force to oversee and provide consultation to the department of transportation in relation to the loan program.

Exempts the following from disclosure under the public records act: Financial and commercial information and records supplied by businesses or individuals during application for loans or program services provided by the loan program.

Creates the community aviation revitalization revolving loan account.

HB 1656-S by House Committee on Transportation (originally sponsored by Representatives Dent, Gregerson, Hargrove, Tarleton, Klippert, and Clibborn)

Concerning a community aviation revitalization loan program.

(DIGEST AS PASSED LEGISLATURE)

Requires the department of transportation to: (1) Convene a community aviation revitalization board;

(2) Provide management services, including fiscal and contract services, and staff support, to assist the board in implementing this act;

(3) Make direct loans, if certain conditions are met, to airport sponsors of public use airports in the state for the purpose of airport improvements that primarily support general aviation activities; and

(4) Take reasonable measures as are necessary to familiarize government officials and members of the public with this act, particularly the board's authority to make loans.

VETO MESSAGE ON SHB 1656

March 27, 2018

To the Honorable Speaker and Members,
The House of Representatives of the State of Washington

Ladies and Gentlemen:

I am returning herewith, without my approval, Substitute House Bill No. 1656 entitled:

"AN ACT Relating to a community aviation revitalization loan program."

Substitute House Bill 1656 creates a program that is substantially similar to that in the enacted capital budget, which appropriates \$5 million to that program. Substitute House Bill 1656 creates a Community Aviation Revitalization Board and an associated revolving loan program for small airports to help address their capital and preservation needs. The Board includes four legislators as voting members. I support the original appropriation of \$5 million in the enacted capital budget for these loans to revitalize small airports across Washington.

Although I appreciate the Legislature's work on this program I am vetoing this bill. The Legislature, in its vital role of passing law and appropriating funds, should not place its members in the position to also implement the law, which is in within [which is within] the powers of the executive branch. I would like to work with the Legislature on a permanent committee structure that resolves this conflict. For this reason, I have vetoed Substitute House Bill 1656, but I will support the original appropriation of \$5 million to the substantially similar program in the enacted capital budget.

For these reasons I have vetoed Substitute House Bill No. 1656 in its entirety.

Respectfully submitted,
Jay Inslee
Governor

HB 1677-S by House Committee on Capital Budget (originally sponsored by Representatives Peterson, Pike, Senn, McBride, DeBolt, Macri, Stonier, Riccelli, and Fey)

(DIGEST AS ENACTED)

Modifies public works projects provisions with regard to local government infrastructure funding.

VETO MESSAGE ON ESHB 1677

July 6, 2017

To the Honorable Speaker and Members,
 The House of Representatives of the State of Washington

Ladies and Gentlemen:

I am returning herewith, without my approval as to Section 3, Engrossed Substitute House Bill No. 1677 entitled:

"AN ACT Relating to local government infrastructure funding."

This bill provides targeted reforms to the Public Works Assistance Account and directs the Public Works Board (Board) to study new and innovative financing tools. This bill will help local governments in need of financial support and provide additional tools to pay for basic infrastructure needs.

I am, however, vetoing Section 3, which modifies the composition of the Board. Section 3 adds four legislators. Changes to the Board's composition should be based on a member's skill set, rather than organizational representation. I would support the addition of legislators to the Board as ex-officio [ex-officio] and non-voting members.

For these reasons I have vetoed Section 3 of Engrossed Substitute House Bill No. 1677.

With the exception of Section 3, Engrossed Substitute House Bill No. 1677 is approved.

Respectfully submitted,
 Jay Inslee
 Governor

HB 1729 by Representatives Manweller, McCabe, Condotta, and Pike

Improving workers' compensation system costs and administration and worker outcomes through modification of procedures for claims to self-insureds, clarification of recovery in third-party legal actions, clarification of occupational disease claims, and lowering age barriers for structured settlements.

Revises the state industrial insurance act.

Adopts a series of targeted reforms to address the costs and administration of workers' compensation.

Clarifies the standards for occupational disease coverage and provides injured workers with a clear time period in which an occupational disease claim must be filed.

Reduces the age restriction originally placed upon eligibility for the program.

States that in light of certain developments and to align with past recommendations of the joint legislative audit and review committee, the legislature intends that the department of labor and industries' role in the management of claims by self-insured employers transition from readjudication to accountability oversight, first with respect to the allowance and denial of claims and by January 1, 2019, with respect to all claims management decisions.

HB 1793 by Representatives Senn, Taylor, Pettigrew, Rodne, Gregerson, and Ormsby

Increasing academic rigor and streamlining assessment requirements for high school students.

Eliminates the tenth grade assessments in reading, writing, and mathematics and alternative assessment options that students may currently use to obtain a certificate of academic achievement.

Requires students to meet the standard on the smarter balanced English language arts and mathematics assessments administered in high school, or demonstrate by the beginning of their senior year that they have met state standards using the SAT or ACT.

Intends for students who fail to meet the standard to take and pass locally determined courses in their senior year that align with their college or career goals and college and career standards including, when available, high school transition courses and dual credit courses.

Declares it is the intent of the legislature for Washington to administer only the following for high school graduation: The assessment developed with a multistate consortium in English language arts; the assessment developed with a multistate consortium in mathematics; and the statewide assessment in

science including, when operational, the comprehensive next generation science standards assessment.

HB 1877 by Representative Stanford

Concerning the release of driving record abstract information affecting registered tow truck operators.

(SUBSTITUTED FOR - SEE 1ST SUB)

Prohibits the following information on an abstract driving record from being provided to an insurance company or an agent of the company: Actions committed by registered tow truck operators in the performance of their occupational duties while at the scene of a roadside impound or recovery.

HB 1877-S by House Committee on Transportation (originally sponsored by Representative Stanford)

(DIGEST AS PASSED LEGISLATURE)

Prohibits an abstract driving record furnished to an insurance company from containing information related to actions by registered tow truck operators in the performance of their occupational duties while at the scene of a roadside impound or recovery as long as they are not issued a citation.

VETO MESSAGE ON SHB 1877

April 25, 2017

To the Honorable Speaker and Members,
The House of Representatives of the State of Washington

Ladies and Gentlemen:

I am returning herewith, without my approval, Substitute House Bill No. 1877 entitled:

"AN ACT Relating to the release of driving record abstract information affecting registered tow truck operators."

This bill prohibits actions committed by registered tow truck operators while fulfilling their occupational duties from being included in the driver record abstract requested by and submitted to insurance carriers, provided the operator has not been issued a citation. The intent and policy of this bill is identical to Section 2 of Substitute Senate Bill 5343, which I previously signed into law on April 17, 2017. This bill creates a duplication in the law and is therefore unnecessary.

For these reasons I have vetoed Substitute House Bill No. 1877 in its entirety.

Respectfully submitted,
Jay Inslee
Governor

Expanding civics education in public school.

(SUBSTITUTED FOR - SEE 2ND SUB)

Creates the expanded civics education teacher training program within the office of the superintendent of public instruction to provide for the selection of a team of qualified social studies teachers, and when appropriate, civics education specialists, from across the state.

Requires each school district to offer a one-half credit stand-alone course in civics as an elective course to high school students in the district.

Requires the office of the superintendent of public instruction to select two school districts to serve as demonstration sites for enhanced civics education.

HB 1896-S2 by House Committee on Appropriations (originally sponsored by Representatives Dolan, Stonier, Lovick, Springer, Appleton, Bergquist, Manweller, Tarleton, Frame, Goodman, and Ormsby)

(DIGEST AS ENACTED)

Creates the expanded civics education teacher training program, within the office of the superintendent of public instruction, to provide for the selection of a team of qualified social studies teachers, and when appropriate, civics education specialists, from across the state who will: (1) Develop teacher training materials that include civics information on national, state, tribal, and local government and the civics component of the federally administered naturalization test required to become naturalized United States citizens;

(2) Provide teacher training including the college, career, and civic life framework and the six proven instructional practices for enhancing civic education; and

(3) Provide professional learning opportunities.

Requires each school district that operates a high school to provide a mandatory one-half credit stand-alone course in civics for each high school student. However, civics content and instruction may be embedded in social studies courses that offer students the opportunity to earn high school and postsecondary credit.

Requires the office of the superintendent of public instruction to select two school districts, that are diverse in size and in geographic and demographic makeup, to serve as demonstration sites for enhanced civics education.

Transfers responsibility for administering the Washington history day program from the Washington state historical society to the office of the superintendent of public instruction.

Requires the Washington history day program to be operated as a partnership between the office, the Washington state historical society, and private parties interested in providing funding and in-kind support for the program.

Requires the Washington state historical society to, in coordination with the office, promote the program and provide access and support for students who are conducting primary and secondary research of historical state documents and commentary.

Creates the Washington history day account.

(DIGEST AS PASSED LEGISLATURE)

Authorizes the board of pilotage commissioners to grant an exemption, from certain provisions of the pilotage act, to certain yachts and small passenger vessels if certain conditions are met.

VETO MESSAGE ON SHB 1905

May 16, 2017

To the Honorable Speaker and Members,
The House of Representatives of the State of Washington

Ladies and Gentlemen:

I am returning herewith, without my approval, Substitute House Bill No. 1905 entitled:

"AN ACT Relating to the volume limitation for certain vessels exempt from the pilotage act."

Substitute House Bill 1905 increases the maximum vessel volume that can be exempt from the mandatory use of licensed pilotage within most of the Puget Sound and Grays Harbor. This measure would allow more modern and fuel-efficient passenger vessels to enjoy Washington's waterways. However, Substitute House Bill 1905 is identical to Substitute Senate Bill 5262, which I signed into law on April 20, 2017. It is not necessary to enact duplicate legislation.

For these reasons I have vetoed Substitute House Bill No. 1905 in its entirety.

Respectfully submitted,
Jay Inslee
Governor

Addressing the budgeting process for core state services for children.

(DIGEST AS ENACTED)

Requires the children and families services program of the department of social and health services and of the department of children, youth, and families, as applicable, to facilitate a stakeholder work group in a collaborative effort to design a behavioral rehabilitation services rate payment methodology that is based on actual provider costs of care.

Provides a December 31, 2018, expiration date for the work group.

Requires the office of innovation, alignment, and accountability to develop a single validated tool to assess the care needs of foster children, and once the validated tool is available for use on a statewide basis, the department of children, youth, and families must use the tool for assessing the care needs of foster children, including whether the department should provide foster children with behavioral rehabilitation services, and notify the caseload forecast council, the office of financial management, and the legislature when it begins statewide use of the validated tool.

Requires the caseload forecast council to forecast the number of youth expected to receive behavioral rehabilitation services while involved in the foster care system and the number of screened-in reports of child abuse or neglect.

Requires certain expenditures for foster care, adoption support and related services, and child protective services to be forecasted and budgeted as maintenance level costs.

Requires the department of children, youth, and families, as part of its budget request submittal for the 2019-2021 biennial operating budget, to conduct a review of the most recent caseload forecast of children in foster care and the availability and capacity of licensed foster homes.

Provides an October 1, 2018, expiration date for the review.

VETO MESSAGE ON EHB 2008

March 22, 2018

To the Honorable Speaker and Members,
The House of Representatives of the State of Washington

Ladies and Gentlemen:

I am returning herewith, without my approval as to Section 1, Engrossed House Bill No. 2008 entitled:

"AN ACT Relating to the budgeting process for core state services for children."

Section 1 is a legislative intent section that also makes certain findings. Statements in this section assume that this bill can ensure predictable future funding levels for several child welfare programs and services. As much as I might want that to be true, no bill can guarantee that adequate funding will always be available for a specific purpose or can prevent a future Legislature from changing policies by amending statutes.

For these reasons I have vetoed Section 1 of Engrossed House Bill No. 2008.

With the exception of Section 1, Engrossed House Bill No. 2008 is approved.

Respectfully submitted,
Jay Inslee
Governor

HB 2010 by Representatives Maycumber, Dent, Blake,
 Kretz, Dye, and Manweller

Addressing homelessness in wildfire areas. (REVISED FOR
 PASSED LEGISLATURE: Concerning the prevention of
 homelessness in wildfire areas.)

(SUBSTITUTED FOR - SEE 1ST SUB)

Requires certain funds from the surcharge for local homeless
 housing and assistance, for a county located east of the crest of the
 Cascade mountain range with a population of one hundred
 thousand or less, to be used to educate homeowners about
 wildfire risk and prevention measures and for wildfire
 prevention and response activities.

HB 2010-S by House Committee on Community
 Development, Housing & Tribal Affairs
 (originally sponsored by Representatives Maycumber, Dent,
 Blake, Kretz, Dye, and Manweller)

Addressing homelessness in wildfire areas.

(DIGEST AS ENACTED)

Requires the department of natural resources, in order to
 prevent homelessness in a county located east of the crest of the
 Cascade mountain range that shares a common border with
 Canada and has a population of one hundred thousand or less
 and to strengthen the local capacity for controlling risk to life
 and property that may result from wildfires, administer funding
 to these counties for: (1) Radio communication equipment; and

(2) Fire protection service providers within these counties to
 provide residential wildfire risk reduction activities.

Authorizes the department of natural resources to transfer
 ownership of depreciated firefighting vehicles and related
 equipment to local fire districts in wildfire prone areas in the
 state and where the median household income is below the state
 average.
