Notes

The brief descriptions and digest paragraphs in this digest were prepared by the employees of the legislature as a guide to interested persons concerned with the various measures pending before the legislature. Brief descriptions and digest paragraphs are not offered in substitution of or supplementary to the official titles and official text of the legislative measures. The brief descriptions and digest paragraphs are not intended to constitute any part of the law, are not in any manner adopted or acted upon by the legislature, and are in no way evidence of the intent of the legislature.

If the only action on a bill for a session is "By resolution, reintroduced and retained in present status." and no action other than "By resolution, reintroduced and retained in present status." occurs in subsequent sessions in the two-year legislative cycle for that bill, the history for those sessions will not be printed in this publication.

Companion bills are shown for original bills only.

The brief description for each bill family shows only once on the original bill unless there is a change in the brief description for a later version of the bill.

HOW TO USE THE "LEGISLATIVE DIGEST AND HISTORY OF BILLS"

The *Legislative Digest and History of Bills* is a joint legislative publication which is published after the final legislative session each year.

During the legislative session, a daily *Legislative Digest* is available. Use the daily *Legislative Digest* to keep up with the new introductions (including substitute bills) and the amendments to the various measures in between publications of the *Legislative Digest and History of Bills*. (A "-S" or "-S2" following the bill number indicates a substitute, e.g., SB 5009-S, HB 1071-S2.) The latest legislative history on the measures is also provided in the *Legislative Digest* publication.

This publication consists of three parts:

- (1) Digest paragraphs and legislative actions on all measures (bills);
- (2) RCW - Bill Table;
- (3) Topical Index; and
- (4) Session Law Chapter to Bill Table

DIGEST PARAGRAPHS AND LEGISLATIVE ACTIONS

This portion consists of the following:

- (1) The summary digest paragraphs and legislative actions on all bills, joint memorials, joint resolutions, concurrent resolutions, and floor resolutions considered by the House or Senate during the legislative session;
- (2) Summary paragraph and legislative actions on gubernatorial appointments submitted to and being considered by the Senate;
- (3) The listing of the bills a member has sponsored along with an indication of prime sponsorship; and
- (4) The special status of legislation reports for the Senate and the House.

The bulk of the *Legislative Digest and History of Bills* is formed by an in-sequence listing of measures. In this listing are included the measure number, the legislative and "by-request" sponsors, the latest digest paragraphs, and the bill histories. This portion of the publication is divided into two sections: Senate measures and House measures. Initiatives, bills, joint memorials, joint resolutions, concurrent resolutions, floor resolutions, and gubernatorial appointments are included as measures.

Reports on the special status of legislation follow the Senate and House digest history portion of the book. The reports are listed as they become available as legislation progresses down the path toward enactment. A full listing of the reports available in a particular *Legislative Digest and History of Bills* is found on the Index Page of the *Legislative Digest and History of Bills* beginning on page one. Several examples of these reports are:

- (1) Senate Bills Introduced by Members
(Prime sponsorship is noted by a bullet (large dot) before the bill number;)
- (2) Senate Bills Introduced by Request;
- (3) Senate Bills Passed by the Senate;
- (4) Senate Bills Passed by the Senate and House;
- (5) Senate Bills Failed to Pass the House;
- (6) Senate Bills Passed Both Houses Showing Executive Action; and
- (7) Governor's Messages on Bills Vetoed or Partially Vetoed
VO - Veto overridden
PV - Partial Veto
V - Veto

Comparable reports are supplied for the House Bills. (See Table of Contents for page numbers.)

RCW - BILL TABLE

The *Legislative Digest and History of Bills* contains a table which lists the statutes being affected by the current bills. This table is widely used by legislative drafters as well as all other attorneys concerned with the legislative process. The "S" found preceding the bill numbers in this table means that the bill being referred to is the substitute version. All first substitutes are noted by an "S" preceding the bill number; second, third, etc., are noted by 2S, 3S, etc.; e.g.,

38.03.030	AMD	SHB	1301*
38.03.040	AMD	SHB	1375+
39.07.060	REP	2SSB	5111

The "RCW (Statute Number) to Bill Number Table" lists in code section number order the sections in the Revised Code of Washington (RCW) that are the subject matter of current legislation. The action the bill takes on the section is listed with the following abbreviations: ADD (adding a new section or section to a code chapter or code title), AMD (amending), DECD (decodifying), RECD (recodifying), REMD (reenacting and amending), REEN (reenacting), and REP (repealing). It is especially useful in the closing days of the session to determine whether a code section currently under consideration by the legislature may already have been repealed or amended during the session, in which event the earlier action must be taken in cognizance. In addition to being included in the *Legislative Digest and History of Bills*, an electronic version of this table is available at Washington State Legislative website. The URL to the website is <http://www.leg.wa.gov>, choose Bill Info and then RCW to Bill Table.

The symbols on the table indicate whether the amended section or the new section has passed the legislature or has been signed into law or vetoed by the Governor. A "p" following the bill number means that the legislature has passed the bill. An asterisk ("*") means that executive action or inaction has been recorded upon the bill during the first year of the two-year legislative cycle. A plus sign ("+") means that executive action or inaction has been recorded upon the bill during the second year of the two-year legislative cycle. Generally, the "*" and "+" mean that the Governor has signed the bill into law with or without a partial veto.

TOPICAL INDEX

The Topical Index is at the end of the *Legislative Digest and History of Bills*. The Topical Index entries are entered soon after the bills are introduced on the floor, so that researchers can search the text of the index for measures related to their issue. Various symbols are found in the index which aid in determining the type of measures to which the index entry refers. The table of abbreviated symbols for the Topical Index is found on the page beginning the Topical Index section.

Initiatives Introduced in the Senate

SI 940 by People of the State of Washington

(DIGEST AS ENACTED)

Establishes the law enforcement training and community safety act.

Adopts a "good faith" standard for law enforcement officer use of deadly force.

Requires law enforcement officers in the state to: (1) Receive violence de-escalation training and periodically receive continuing violence de-escalation training to practice their skills, update their knowledge and training, and learn about new legal requirements and violence de-escalation strategies; and

(2) Receive mental health training and periodically receive continuing mental health training to update their knowledge about mental health issues and associated legal requirements and to update and practice skills for interacting with people with mental health issues.

Requires the criminal justice training commission to: (1) Consult with law enforcement agencies and community stakeholders and adopt rules for carrying out the training requirements; and

(2) In consultation with the Washington state patrol, the Washington association of sheriffs and police chiefs, organizations representing state and local law enforcement officers, health providers and/or health policy organizations, tribes, and community stakeholders, develop guidelines for implementing the duty to render first aid.

Requires the initial violence de-escalation training to educate officers on the good faith standard for use of deadly force established by this act and how that standard advances violence de-escalation goals.

States that the policy of the state is that all law enforcement personnel must render first aid to save lives.

VETO MESSAGE ON SB 5037		SB 5038 by Senators Padden, Pedersen, Kuderer, Darneille, Frockt, and Angel
May 16, 2017		Companion Bill: 1390
To the Honorable President and Members, The Senate of the State of Washington		Concerning disclosures regarding incentivized evidence and testimony.
Ladies and Gentlemen:		(SUBSTITUTED FOR - SEE 1ST SUB)
I am returning herewith, without my approval as to Section 5, Senate Bill No. 5037 entitled:		Requires the state, before it introduces any testimony or statement of an informant in a trial or other criminal proceeding, to disclose to the defendant certain material and information that
"AN ACT Relating to making a fourth driving under the influence offense a felony."		
Section 5 of this bill increases the \$200 fee assessed to alcohol violators by \$50. The revenue is used to fund grants to organizations that operate programs to reduce driving under the influence of alcohol or drugs. This language is nearly identical to Section 13 of Engrossed Second Substitute House Bill 1614, which passed on April 21, 2017, and will soon be signed into law. However, Engrossed Second Substitute House Bill 1614 includes a provision that a minimum of \$300,000 of these grant funds shall support newly established pilot programs for persons with two or more prior offenses in seven years, a preferable approach.		
For these reasons I have vetoed Section 5 of Senate Bill No. 5037.		

is known by the state or reasonably available to be discovered by the state.

SB 5038-S by Senate Committee on Law & Justice (originally sponsored by Senators Padden, Pedersen, Kuderer, Darneille, Frockt, and Angel)

(AS OF SENATE 2ND READING 2/28/17)

Requires the state, before it introduces any testimony or statement of an informant in a trial or other criminal proceeding, to: (1) Request material and information from the investigative agency and the informant; and

(2) Disclose to the defendant the results of the request and other material and information that is known by the state or reasonably available to be discovered by the state.

SB 5046 by Senators Hasegawa, Chase, Darneille, and Rolfes

Companion Bill: 1540

Providing public notices of public health, safety, and welfare in a language other than English.

(SUBSTITUTED FOR - SEE 1ST SUB)

Requires state agencies, that are required by law or rule to provide public notices to a community or area to advise or inform the public about an imminent or emergent public health, safety, or welfare risk, to provide the notices in the language that diverse residents can understand when a significant segment of the community speaks a language other than English and has limited proficiency in English.

Requires each local organization or joint local organization for emergency management to maintain updated demographic data for their jurisdictions and information on the languages represented by their respective communities.

SB 5046-S by Senate Committee on Local Government (originally sponsored by Senators Hasegawa, Chase, Darneille, and Rolfes)

(DIGEST AS ENACTED)

Requires a state agency that provides life safety information in an emergency or disaster to: (1) Provide to the relevant committees of the legislature, a copy of its current communication plan for notifying significant population segments of the information, including the agency's point of contact; and

(2) Submit an annual report to the relevant committees of the legislature identifying those instances of emergency or disaster in the preceding year in which life safety information was provided and what public messaging strategies and means were used to notify citizens with limited English proficiency.

Requires each local organization or joint local organization for emergency management that produces a local comprehensive emergency management plan to: (1) Include a communication plan for notifying significant population segments of life safety information during an emergency;

(2) Submit the plans to the state military department emergency management division; and

(3) When conducting emergency or disaster after-action reviews, evaluate the effectiveness of communication of life safety information and inform the emergency management division of the state military department of technological challenges which limited communications efforts.

Requires the state military department emergency management division to: (1) Submit a report every five years to the relevant committees of the legislature containing the status of the communication plans; and

(2) Provide the legislature an annual report on instances of emergency or disaster in which communication of life safety information was technologically infeasible.

Provides that this act is null and void if appropriations are not approved.

VETO MESSAGE ON ESB 5096

May 16, 2017

To the Honorable President and Members,
The Senate of the State of Washington

Ladies and Gentlemen:

I am returning herewith, without my approval as to Sections 209(9), 215(6), 306(17), 702, 705, and 1303, Engrossed Senate Bill No. 5096 entitled:

"AN ACT Relating to transportation funding and appropriations."

Section 209(9), pages 21-22, Department of Transportation, Toll Operations and Maintenance

Section 209(9) directs the Department of Transportation's Toll Operations and Maintenance program to study and report to the legislative transportation committees on the potential of converting two staffed tollbooths on the Tacoma Narrows Bridge to unstaffed. No funding was provided for the study. For this reason, I have vetoed Section 209(9).

Section 215(6), page 27, Department of Transportation, Highway Maintenance

Section 215(6) requires the department to create and maintain a separate maintenance budget for the Hood Canal Bridge. The department is not required to maintain separate budgets for other bridges and roads, and this would limit the department's flexibility to manage its budget. For these reasons, I have vetoed Section 215(6).

Section 306(17), page 43, Department of Transportation, Improvements

Section 306(17) creates a new I-5/Exit 274 interchange project in Blaine to be funded with \$12,100,000 of Connecting Washington Account-State funds in the 2023-25 biennium. It directs the LEAP transportation document referenced in Section 306(1) to be modified accordingly. The I-5/Exit 274 interchange project in Blaine does not appear in LEAP Transportation Document 2017-1, nor is there any information about project scope. This LEAP transportation document should not be amended for a project without sufficient information about its scope and cost. For this reason, I have vetoed Section 306(17).

Section 702, pages 75-76, Settlement Funds Expenditure

Section 702 provides a legislative finding that it is appropriate to provide a framework for the administration of mitigation funds provided to the state as a beneficiary of the consent decree entered into between the United States, Volkswagen AG, and other parties that settle emission-related claims for certain models of diesel vehicles (commonly referred as the VW Settlement). Accordingly, the section provides that the omnibus capital budget for the Department of Ecology includes necessary provisions to administer the mitigation funds and development of the mitigation plan. The Legislature has not adopted an omnibus capital budget. Therefore, it is not possible to determine at this time what provisions the final capital budget may contain nor whether such provisions will be acceptable. For this reason, I have vetoed Section 702. I will continue to work with the Legislature to ensure prompt administration of the settlement funds under the terms of the consent decree. I also have directed the departments of Ecology and Transportation to jointly develop the proposed mitigation plan for public comment and submittal to the trustee.

Section 705, pages 78-79, DUI Fee

Section 705 amends RCW 46.61.5054. This same statute was amended in two other bills--Section 5 of Senate Bill 5037 and Section 13 of Engrossed Second Substitute House Bill 1614, which I will sign into law on May 16, 2017. The amendment in Engrossed Second Substitute House Bill 1614 renders moot the amendment in Section 705. For this reason, I have vetoed Section 705.

Section 1303, page 157, Effective Date of Section 705

Section 1303 enables Section 705 of the transportation budget to take effect if Senate Bill 5037 is enacted by June 30, 2017. Since I am vetoing Section 705, this section is no longer required. For this reason, I have vetoed Section 1303.

For these reasons I have vetoed Sections 209(9), 215(6), 306(17), 702, 705, and 1303 of Engrossed Senate Bill No. 5096.

With the exception of Sections 209(9), 215(6), 306(17), 702, 705, and 1303, Engrossed Senate Bill No. 5096 is approved.

Respectfully submitted,
Jay Inslee

SB 5107 by Senators Billig, Fain, Rolfes, Wellman, Walsh, Zeiger, Lias, Cleveland, Hunt, Conway, Saldaña, Kuderer, and Mullet

Creating a local pathway for local governments, school districts, and nonprofit organizations to provide more high quality early learning opportunities by reducing barriers and increasing efficiency.

(SUBSTITUTED FOR - SEE 2ND SUB)

Requires the department of early learning to create a local pathway to high quality early learning to help local governments, school districts, nonprofit organizations, and early learning providers use additional local and/or private funds to expand access, increase quality, and extend hours for existing early care and education programs.

Prohibits grants and contributions from community sources from supplanting the funding required for the full statewide implementation of the early learning program.

SB 5107-S by Senate Committee on Early Learning & K-12 Education (originally sponsored by Senators Billig, Fain, Rolfes, Wellman, Walsh, Zeiger, Lias, Cleveland, Hunt, Conway, Saldaña, Kuderer, and Mullet)

Creating a local pathway for local governments, school districts, institutions of higher education, and nonprofit organizations to provide more high quality early learning opportunities by reducing barriers and increasing efficiency.

(SUBSTITUTED FOR - SEE 2ND SUB)

Requires the department of early learning to create a local pathway to high quality early learning to help local governments, school districts, institutions of higher education, nonprofit organizations, and early learning providers use additional local or private funds, or both to expand access, increase quality, and extend hours for the early childhood education and assistance program.

Prohibits grants and contributions from community sources from supplanting the funding required for the full statewide implementation of the early learning program.

SB 5107-S2 by Senate Committee on Ways & Means (originally sponsored by Senators Billig, Fain, Rolfes, Wellman, Walsh, Zeiger, Lias, Cleveland, Hunt, Conway, Saldaña, Kuderer, and Mullet)

Facilitating local funding and involvement in expanding early childhood education and assistance program eligibility.

(DIGEST AS ENACTED)

Creates a local pathway to high quality early learning to help local governments, school districts, institutions of higher education, and nonprofit organizations understand how they can use additional local and private funds with existing funds to expand access for existing programs.

Authorizes local governments, school districts, institutions of higher education, and nonprofit organizations to contribute funds to the department of early learning for: (1) Initial investments to build capacity and quality in local early care and education programming;

(2) Reductions in copayments charged to parents or caregivers; and

(3) Expanding access and eligibility in the early childhood education and assistance program.

Requires those funds to be deposited in the early start account.

Requires the department of early learning to: (1) Reduce barriers and increase efficiency for using local or private funds, or both, to provide more high quality early learning opportunities; and

(2) Separately track funds received for each local government, school district, institution of higher education, or nonprofit organization that deposits funds into the early start account.

Prohibits grants and contributions from community sources from supplanting the funding required for the full statewide implementation of the early learning program.

SB 5128 by Senators Takko, Rivers, and Chase

Companion Bill: 1519

Allowing incremental electricity produced as a result of certain capital investment projects to qualify as an eligible renewable resource under the energy independence act.

(DIGEST AS ENACTED)

Revises the definition of "eligible renewable resource," for purposes of the energy independence act, to include incremental electricity produced as a result of a capital investment completed after January 1, 2020, that increases, relative to a baseline level of generation before the capital investment, the amount of electricity generated in a facility that generates qualified biomass energy and commenced operation before March 31, 1999.

Requires the facility to demonstrate: (1) Its baseline level of generation over a three-year period before the capital investment in order to calculate the amount of incremental electricity produced; and

(2) That the incremental electricity resulted from the capital investment, which does not include expenditures on operation and maintenance in the normal course of business, through direct or calculated measurement.

Ensuring that water is available to support development.

(SUBSTITUTED FOR - SEE 2ND SUB)

Ensures that water is available to support development by revising the law that was under review by the state supreme court in *Whatcom County v. Western Washington Growth Management Hearings Board* (No. 91475-3, October 6, 2016), also known as the Hirst opinion, to make certain that prospective application of the law is not controlled by the Hirst opinion.

SB 5239-S by Senate Committee on Agriculture, Water, Trade & Economic Development (originally sponsored by Senators Warnick, Takko, Ericksen, Becker, Walsh, Angel, Wilson, Schoesler, Honeyford, Pearson, Brown, and Padden)

(SUBSTITUTED FOR - SEE 2ND SUB)

Includes the following as an option of providing evidence of an adequate water supply when applying for a building permit: A water well report for a groundwater withdrawal exempt from permitting that is not prohibited by an applicable water resources management rule.

Authorizes a county or city to: (1) Impose conditions on building permits requiring connection to certain existing public water systems; and

(2) In providing for the protection of the quantity of groundwater used for public water supplies, rely on or refer to applicable water resources management rules.

Authorizes certain local governments, in approving a subdivision, dedication, or short subdivision, to rely on or refer to applicable water resources management rules to determine if appropriate provisions have been made for potable water supplies.

Requires a permit to make beneficial use of public waters to be conditioned to mitigate impacts to fish or aquatic resources.

Directs the department of ecology to: (1) In areas where it has adopted a rule setting minimum flows or levels, establish a program, under certain circumstances, to mitigate the cumulative impacts of withdrawals for domestic uses that are exempt from permitting; and

(2) Upon written request by a county legislative authority, allow certain counties to administer the watershed-based exempt well mitigation program for that area.

Establishes the statewide tourism marketing act.

Creates the Washington tourism marketing authority to contract for statewide tourism marketing services that promote tourism on behalf of the citizens of the state and manage the authority's financial resources.

Requires the department of commerce to provide administrative assistance to the authority and serve as the fiscal agent of the authority for money appropriated for purposes of the authority.

Requires the joint legislative audit and review committee to conduct an evaluation of the performance of the authority to determine the extent to which the authority has contributed to the growth of the tourism industry and economic development of the state.

Creates the statewide tourism marketing account.

Requires 0.2 percent of taxes collected on retail sales of lodging, car rentals, and restaurants to be deposited in the statewide tourism marketing account beginning July 1, 2018.

Companion Bill: 1292

Modifying theft of rental, leased, lease-purchased, or loaned property provisions. (REVISED FOR PASSED LEGISLATURE: Concerning theft of rental or leased property.)

(DIGEST AS PASSED LEGISLATURE)

Includes in the crime of theft of rental or leased property, when a person who has control of personal property under a written rental or lease agreement intentionally holds the property beyond the expiration of the rental or lease period without the effective consent of the owner of the property, depriving the owner of the property of its use in further rentals.

VETO MESSAGE ON ESB 5266

May 5, 2017

To the Honorable President and Members,
The Senate of the State of Washington

Ladies and Gentlemen:

I am returning herewith, without my approval, Engrossed Senate Bill No. 5266 entitled:

"AN ACT Relating to theft of rental property."

Engrossed Senate Bill No. 5266 creates a new criminal offense for a person who fails to return rental or leased property at the expiration of the rental or lease period and, after proper notice, fails to return the property within 72 hours and pay the applicable rental charges which have accrued. I have serious concerns with this approach. The bill has the effect of

criminalizing debt and would disproportionately affect low-income Washingtonians and their families. These matters could more prudently be handled in a civil setting.

For these reasons I have vetoed Engrossed Senate Bill No. 5266 in its entirety.

Respectfully submitted,
Jay Inslee
Governor

VETO MESSAGE ON SSB 5289

May 16, 2017

To the Honorable President and Members,
The Senate of the State of Washington

Ladies and Gentlemen:

I am returning herewith, without my approval as to Section 5, Substitute Senate Bill No. 5289 entitled:

"AN ACT Relating to updating the distracted driving infraction."

The bill creates a new traffic infraction that prohibits a person from using a personal electronic device while driving a motor vehicle on a public highway. Section 5 creates a delayed implementation date of January 1, 2019. I am vetoing this section because public safety is better served by implementing this bill this year.

For these reasons I have vetoed Section 5 of Substitute Senate Bill No. 5289.

With the exception of Section 5, Substitute Senate Bill No. 5289 is approved.

Respectfully submitted,
Jay Inslee
Governor

(DIGEST AS PASSED LEGISLATURE)

Addresses the promotion of attendance and the reduction of truancy using court-based and school-based efforts.

VETO MESSAGE ON ESSB 5293

May 16, 2017

To the Honorable President and Members,
The Senate of the State of Washington

Ladies and Gentlemen:

I am returning herewith, without my approval, Engrossed Substitute Senate Bill No. 5293 entitled:

"AN ACT Relating to court-based and school-based efforts to promote attendance and reduce truancy."

Engrossed Substitute Senate Bill No. 5293 makes several changes to existing truancy statutes, primarily to address issues resulting from legislative changes to the statutes in the 2015 session. Engrossed Substitute Senate Bill No. 5293 and Second Substitute House Bill No. 1170 were both passed by the Legislature this year and amend several of the same sections of law. The changes cannot all be successfully merged to result in single amendments to the statutes due to conflicting language. A veto will ensure there are not inconsistent amendments to the statutes.

For these reasons I have vetoed Engrossed Substitute Senate Bill No. 5293 in its entirety.

Respectfully submitted,
Jay Inslee
Governor

Initiating proactive steps to address elk hoof disease.

(SUBSTITUTED FOR - SEE 2ND SUB)

Requires the rules of the department of fish and wildlife to prohibit a person from translocating a live elk from an area with elk affected by hoof disease to any other location.

Prohibits the department from issuing a permit allowing that action.

Requires the department of fish and wildlife to: (1) Request recommendations from the state veterinarian and Washington State University college of veterinary medicine for department actions to prevent hoof disease from being transmitted from elk to domestic animals; and

(2) Maintain the elk hoof disease public working group as a forum to advise the department on elk hoof disease issues statewide and to discuss relevant research, management, and public outreach efforts.

Requires department of fish and wildlife staff, while on duty and in possession of a firearm, to humanely euthanize an elk that is exhibiting a severe limp and is located in an area where hoof disease is present.

SB 5474-S by Senate Committee on Natural Resources & Parks (originally sponsored by Senator Pearson)

(SUBSTITUTED FOR - SEE 2ND SUB)

Requires the rules of the department of fish and wildlife to prohibit a person from translocating a live elk from an area with elk affected by hoof disease to any other location except consistent with a process developed by the department for translocation for monitoring or hoof disease management purposes.

Designates Washington State University college of veterinary medicine as the state lead in developing a program to monitor and assess causes of and potential solutions for elk hoof disease and requires the college to establish an elk monitoring system in southwest Washington in order to carry out this mission.

SB 5474-S2 by Senate Committee on Ways & Means (originally sponsored by Senator Pearson)

(DIGEST AS ENACTED)

Requires the rules of the department of fish and wildlife to prohibit a person from translocating a live elk from an area with

(SUBSTITUTED FOR - SEE 1ST SUB)

Authorizes the legislative authority of a city or town, as an alternative to the petition method of formation for fire protection districts and subject to voter approval, to establish a fire protection district with boundaries that are the same as the corporate boundaries of the city or town for the provision of fire prevention services, fire suppression services, and emergency medical services.

Requires a city or town to reduce its general fund regular property tax levy by the total combined levy of the fire protection district.

Transfers powers, duties, and functions of a city or town fire department, pertaining to fire protection and emergency services of the city or town, to the fire protection district on its creation date.

SB 5628-S by Senate Committee on Local Government (originally sponsored by Senators Takko, Fortunato, and Sheldon)

(DIGEST AS ENACTED)

Authorizes the legislative authority of a city or town, as an alternative to the petition method of formation for fire protection districts and subject to voter approval, to establish a fire protection district with boundaries that are the same as the corporate boundaries of the city or town for the provision of fire prevention services, fire suppression services, and emergency medical services.

Requires a city or town to reduce its general fund regular property tax levy by the total combined levy of the fire protection district as proposed by the district.

Authorizes a city or town fire protection district to establish an ambulance service to be operated as a public utility, however, the fire protection district may not provide for the establishment of an ambulance service utility that would compete with an existing private ambulance service unless the fire protection district determines that the area served by the fire protection district, or a substantial portion of that area, is not adequately served by an existing private ambulance service.

Provides that, with regard to property taxation and the levy of property taxes, the boundaries of a newly established fire protection district are the established official boundaries of the district as of the date that the voter-approved proposition is certified.

Transfers powers, duties, functions, and personnel of a city or town fire department, pertaining to fire protection and emergency services of the city or town, to the fire protection district on its creation date.

Companion Bill: 1840

Establishing the Washington promise program.

Creates the Washington promise program to help make the first two years of college affordable and accessible by offering a tuition waiver for eligible students enrolled in associate degree or certificate programs offered by community and technical colleges.

Requires the office of student financial assistance to administer the program for resident students seeking an associate's degree or certificate from a community or technical college.

Requires the state board for community and technical colleges to develop a plan to provide program students who are

enrolled at a community or technical college with a quarter-long student success course, during or before their first enrollment period, that teaches essential skills for college success.

Requires the state institute for public policy to conduct a study on the effectiveness of the program.

Requires the caseload forecast council to estimate the anticipated caseload of the program and include the information in the official state caseload forecast.

Revises the definition of "caseload," for purposes of the caseload forecast council, to include the number of students who are eligible for the program and are expected to attend a community or technical college.

SB 5745 by Senators Kuderer, Keiser, Hasegawa, and Chase

Addressing contaminated drinking water stemming from the lead content in drinking water infrastructure, including pipes, connections, and fixtures.

(SEE ALSO PROPOSED 1ST SUB)

Requires public water systems to: (1) By July 1, 2020, fully replace all lead service lines to a school or an early childhood program;

(2) By July 1, 2030, fully replace all lead service lines located within its service area;

(3) Bear the cost associated with the replacement; and

(4) Perform lead service line replacements in coordination with the school district, school or early childhood program, or relevant local government, as applicable.

Requires the state board of health to consider the most current guidance from the United States environmental protection agency guidance manual for the purpose of adopting rules requiring statewide testing for lead in drinking water and

drinking water fixtures used for drinking or cooking at public schools.

Requires the department of health to, consistent with the state board rules, develop a program to coordinate local health jurisdictions and public schools to ensure testing of drinking water and drinking water fixtures in public schools.

Allows money in the public works assistance account to be used to support the required activities in (1) through (4) above.

SB 5745-S by Senate Committee on Ways & Means (originally sponsored by Senators Kuderer, Keiser, Hasegawa, and Chase)

(DIGEST OF PROPOSED 1ST SUBSTITUTE)

Requires public water systems to: (1) By July 1, 2020, fully replace all utility-owned lead service lines to a school or an early childhood program;

(2) By July 1, 2030, fully replace all utility-owned lead service lines located within its service area;

(3) Bear the cost associated with the replacement; and

(4) Perform utility-owned lead service line replacements in coordination with the school district, school or early childhood program, or relevant local government, as applicable.

Requires educational service districts to: (1) For the health and safety of educational staff and students and consistent with the United States environmental protection agency guidance manual, ensure testing of drinking water and drinking water fixtures at public schools;

(2) Prioritize schools for testing drinking water and drinking water fixtures for lead; and

(3) Make results available to the community and schools where the testing has taken place.

Requires the department of health to: (1) Develop guidance and testing protocols, consistent with the United States environmental protection agency guidance manual, for the educational service districts' testing drinking water and drinking water fixtures in public schools;

(2) Contract with qualified independent third parties to complete the testing when the educational service district is unable to do so; and

(3) Make results available to the schools and the community.

SB 5777-S by Senate Committee on Commerce, Labor & Sports (originally sponsored by Senators Brown, Carlyle, Angel, Chase, and Saldaña)

(AS OF SENATE 2ND READING 3/03/17)

Requires a city, that requires a general business license of a person that engages in business activities within that city, to partner with the department of revenue to have the license issued, and renewed if the city requires renewal, through the business licensing service.

Requires the department of revenue to phase in the issuance and renewal of general business licenses of cities that required a general business license as of July 1, 2017, and by December 31, 2022, if specific funding is appropriated by June 30, 2017, in the omnibus appropriations act.

Authorizes a city that imposes a general business license requirement and does not partner with the department of revenue as of January 1, 2018, to continue to issue and renew its general business licenses until the city partners with the department.

Authorizes the department of revenue to delay assuming the duties of issuing and renewing general business licenses beyond the dates provided if certain conditions are met.

Requires cities, working through the association of Washington cities, to form a model ordinance development committee made up of a representative sampling of cities that impose a general business license requirement.

Creates the local business and occupation tax apportionment task force to seek input or collaborate with other parties as it deems necessary.

SB 5779 by Senators Brown and O'Ban

Concerning behavioral health integration in primary care.

(SUBSTITUTED FOR - SEE 1ST SUB)

Establishes the youth behavioral health protection act.

Addresses a health care integration model in which behavioral health care is colocated, collaborative, and integrated within a primary care setting.

Requires the state health care authority to: (1) In order to increase the availability of behavioral health services to children and youth and incentivize adoption of the primary care behavioral health model, establish a methodology and rate which provides increased reimbursement to providers for behavioral health services provided to patients up to eighteen years of age in primary care settings;

(2) Complete a review of payment codes available to health plans and providers related to behavioral health;

(3) Create a matrix listing behavioral health-related codes available for provider payment through medical assistance programs; and

(4) Along with the department of social and health services, establish a performance measure to be integrated into the statewide common measure set which tracks the degree of integration of behavioral health services in primary care settings.

SB 5779-S by Senate Committee on Human Services, Mental Health & Housing (originally sponsored by Senators Brown and O'Ban)

(DIGEST AS ENACTED)

Requires the state health care authority to: (1) Complete a review of payment codes available to health plans and providers related to primary care and behavioral health;

(2) Concurrent with the review, create matrices listing the following codes available for provider payment through medical assistance programs: Behavioral health-related codes; and physical health-related codes available for payment when provided in licensed behavioral health agencies;

(3) For children who are eligible for medical assistance and who have been identified as requiring mental health treatment, oversee the coordination of resources and services through the managed health care system and tribal organizations providing health care services; and

(4) Along with the department of social and health services, establish a performance measure to be integrated into the statewide common measure set which tracks effective integration practices of behavioral health services in primary care settings.

VETO MESSAGE ON SSB 5779

May 5, 2017

To the Honorable President and Members,
The Senate of the State of Washington

Ladies and Gentlemen:

I am returning herewith, without my approval as to Section 7, Substitute Senate Bill No. 5779 entitled:

"AN ACT Relating to behavioral health integration in primary care."

Section 7 of this bill states that subject to appropriation, the Health Care Authority should implement a rate with "the intention that it will increase the availability of behavioral health services and incentivize adoption of the primary care behavioral health model." The section further states that the rate should "provide increased reimbursement to providers for behavioral health services provided to patients in primary care settings."

Section 7 is unnecessary because we do not yet know what funding may be required and no budget has identified funding that corresponds to this section of this bill. This section is therefore premature and the agency does not have the capacity to absorb any new potential costs within its current funding.

"This veto does not impact the substance of the bill. I agree that we must increase access to behavioral health services; this is a priority the state has been deeply engaged in for some time. In addition, while I am vetoing Section 7, I am directing the Health Care Authority once the payment code review is done as required in the substance of the bill, to recommend an appropriate reimbursement rate for providers for this work, and report any projected costs to the appropriate committees of the legislature and myself by October 15, 2017, and submit a decision package for consideration as part of next year's supplemental budget."

For these reasons I have vetoed Section 7 of Substitute Senate Bill No. 5779.

With the exception of Section 7, Substitute Senate Bill No. 5779 is approved.

Respectfully submitted,
Jay Inslee
Governor

(DIGEST AS ENACTED)

Establishes the economic revitalization act.
Revises growth management act provisions regarding the economic development element.

VETO MESSAGE ON SSB 5790

May 16, 2017

To the Honorable President and Members,
The Senate of the State of Washington

Ladies and Gentlemen:

I am returning herewith, without my approval as to Section 3, Substitute Senate Bill No. 5790 entitled:

"AN ACT Relating to the economic development element of the growth management act."

The Growth Management Act (GMA) provides for a balanced approach between community economic development and the conservation of resource lands, such as farms and forests. Section 3 of this bill undermines that balance by favoring, in certain counties, economic development over the protection of these resource lands.

I am committed to supporting economic development across Washington State so all areas and communities thrive. This commitment includes working with legislators and stakeholders on how we better develop the economy of rural and other underserved areas. At the same time, I remain committed to fully supporting the GMA, which has created the framework for thoughtful growth and comprehensive development plans while protecting vital resource lands.

During special session, I am willing to consider a more targeted bill that provides some additional flexibility to encourage economic development in rural communities, while maintaining the overall balanced approach within the GMA.

Over the interim, it would also be helpful to reexamine how we encourage economic development in rural areas. This would be an appropriate topic for the broader review of the GMA as proposed in the Senate and House budgets.

For these reasons I have vetoed Section 3 of Substitute Senate Bill No. 5790.

With the exception of Section 3, Substitute Senate Bill No. 5790 is approved.

Respectfully submitted,
Jay Inslee
Governor

SB 5834 by Senator Baumgartner

Concerning the licensing of bonded spirits warehouses.

(DIGEST AS ENACTED)

Establishes a bonded and nonbonded spirits warehouse license that authorizes the storage and handling of bonded bulk spirits and, to the extent allowed under federal law and under rules adopted by the state liquor and cannabis board, bottled spirits and the storage of tax-paid spirits not in bond.

Authorizes a licensee to maintain a warehouse for the storage of: (1) Federally authorized spirits off the premises of a distillery for certain qualified distillers or entities otherwise licensed and permitted in the state;

(2) Bulk spirits transferred in bond from out-of-state distilleries; and

(3) To the extent allowed by federal law and under rules adopted by the state liquor and cannabis board, bottled spirits, if the storage of the federally authorized spirits transferred into the state is for storage only and not for processing or bottling in the bonded spirits warehouse.

VETO MESSAGE ON SSB 5883

June 30, 2017

To the Honorable President and Members,
The Senate of the State of Washington

Ladies and Gentlemen:

I am returning herewith, without my approval as to Sections 103(4); 136(2); 150(8); 207(12); 213(1)(a), page 108, lines 37-39, through page 109, line 2, beginning with "The administration" and ending with "administrative costs."; 217(1); 217(2); 222(4); 302(2); 610(13); 734; 964(3); and 1213(1), page 455, lines 6-9, Substitute Senate Bill No. 5883 entitled:

"AN ACT Relating to fiscal matters."

Section 103(4), pages 4-5, Joint Legislative Audit and Review Committee, Evaluation of Market Rate Housing and Subsidized Housing Projects

This section creates an evaluation and comparison of the cost efficiency of market rate housing in Washington versus publicly subsidized housing projects intended to assist low-income households. The solution to our state's housing crisis is less a comparison between market rate and subsidized housing than it is a comprehensive set of all available options to meet a serious need. For this reason, I have vetoed Section 103(4).

Section 136(2), page 37, Department of Revenue, Contract with Sound Transit

This subsection requires the Department of Revenue to renegotiate its contract with Sound Transit for the collection of sales tax. The department is required to charge Sound Transit an administrative fee of 1 percent, which is more than is charged under the current contract. This will reduce the funding available for Sound Transit to deliver the voter-approved transit package. For these reasons, I have vetoed Section 136(2).

Section 150(8), page 48, Consolidated Technology Services Agency, Washington Business Onestop Portal

The operating budget does not provide the Consolidated Technology Services Agency with revenue for continuation of this project, and assumes the agency will spend existing fund balance. However, there is not sufficient funding available to spend on this project. For these reasons, I have vetoed Section 150(8).

Section 207(12), pages 97-99, Department of Social and Health Services, Legislative-Executive WorkFirst Poverty Reduction Oversight Task Force

Funding is provided for a legislative-executive WorkFirst poverty reduction oversight task force with the primary goal of reducing the overall percentage of families and individuals living in poverty. However, Section 207(12) provides the task force with oversight of the partner agencies' operations related to the WorkFirst and Temporary Assistance for Needy Families program. While I agree with the primary goal to reduce intergenerational poverty, this oversight is beyond the scope and authority necessary to develop a comprehensive poverty reduction plan. Therefore, I have vetoed Section 207(12), and I am directing the Department of Social and Health Services to form a workgroup that includes members of the Legislature and appropriate state agencies to develop a plan to address this important issue.

Section 213(1)(a), page 108, lines 37-39, through page 109, line 2, beginning with "The administration" and ending with "administrative costs.", Health Care Authority, Pharmacy Preferred Drug List and Pharmacy Benefit Manager

This section requires a substantive change in the administration of the prescription drug benefit by requiring the use of a single pharmacy benefits manager. The remainder of the section is an appropriation that directs the implementation of a preferred drug list and related transparency and reporting requirements. The vetoed language is a distinct, separate subject, constituting a separate section. The constitution prohibits two subjects contained in one bill, and therefore, the budget bill may not contain substantive law. Exercising my constitutional line item veto authority, I am removing this separate pharmacy benefit manager section from the budget bill. For this reason, I have vetoed Section 213(1)(a), page 108, lines 37-39, through page 109, line 2, beginning with "The administration" and ending with "administrative costs."

Section 217(1), pages 130-131, Department of Labor and Industries, Subminimum Teen Wage

This section requires the Department of Labor and Industries to engage in rule making to review the minimum wage for employees under eighteen years of age in light of the enactment of Initiative 1433. In development of the rule, the department

must consider several areas of research and have a proposed rule for consideration by December 1, 2017.

I-1433 increased Washington State's minimum wage and provided paid sick leave. Low-wage workers, including teen workers, have not been able to keep up with the cost of living even though workers are producing more. Instead of suppressing wages, I am committed to investing in job creation and job opportunities for all workers, including options that provide incentives for employers to hire teen workers and invest in pre-apprenticeship programs. Finally, the Legislature has for the past three years considered reducing wages for workers under age 18, and every effort has failed. For these reasons, I have vetoed Section 217(1).

Section 217(2), page 131, Department of Labor and Industries, Occupational Disease Study

The Department of Labor and Industries is required to conduct a study on occupational disease claims, including where employment is the proximate cause of diseases and conditions that are covered under industrial insurance.

The 2011 Legislature directed the department to contract with a research entity to study the frequency and severity of occupational disease claims. The research found that the evidence suggests little reason for concern over Washington's system. The system has adequate checks and balances which ensure that only work-related conditions are compensated. For these reasons, I have vetoed Section 217(2).

Section 222(4), page 148, Employment Security Department, Center for Workers - King County

The Employment Security Department is to contract with a center for workers in King County to provide rapid response services for dislocated workers through state funds from the Administrative Contingency Account. The department has sufficient dedicated federal funds to provide statewide rapid response services, including in King County. This proviso is unnecessary and it limits the department's ability to provide comprehensive statewide services and leverage statewide efficiencies and collaboration. For these reasons, I have vetoed section 222(4).

Section 302(2), pages 161-162, Department of Ecology, Burrowing Shrimp Control

This subsection requires the Department of Ecology to report on the status of its environmental review and possible issuance of a permit to allow use of the pesticide Imidacloprid to control burrowing shrimp. This subsection also requires Ecology to identify the steps it will take to ensure a viable and economically feasible alternative if the pesticide use is not permitted.

Burrowing shrimp is a serious problem for the shellfish industry in Willapa Bay and Grays Harbor. However, the proviso inappropriately presumes the outcome of the environmental review and permitting process.

For these reasons, I have vetoed Section 302(2). While I am vetoing this subsection, I am directing the Department of Ecology to complete the environmental review process as soon as possible and to keep the Legislature informed of its progress.

Section 610(13), page 250, The Evergreen State College, Local Government Study

This subsection requires the Washington State Institute for Public Policy (WSIPP) to study comparative constitutional and statutory obligations and revenue capacity of local governments, and provide a report of its research and findings to the Legislature by December 30, 2017. The study is outside the scope of typical research projects performed by WSIPP, and the

funding level is insufficient to contract for the work within the short timeline. For these reasons, I have vetoed Section 610(13).

Section 734, pages 288-289, Transportation, Reductions to Agency Management

This section reduces funding for management positions in agencies funded in the transportation budget. This is an unnecessary reduction in funding and would impact the ability of agencies to recruit and retain qualified staff as the state embarks on the largest transportation investment package in Washington history. For these reasons, I have vetoed Section 734.

Section 964(3), page 329, Law Enforcement Officers' and Firefighters' Retirement System, (LEOFF) Distribution

This language expresses the Legislature's intent that future distributions to the Local Law Enforcement Officers' and Firefighters' Retirement System Benefits Improvement Account may include transfers from the LEOFF 2 pension fund. I have consistently vetoed similar provisions in the past, and I remain concerned about the wisdom of such transfers from a retirement fund. For this reason, I have vetoed Section 964(3).

Section 1213(1), page 455, lines 6-9, Health Care Authority, General Fund-State and Federal Appropriations

The Legislature did not provide the Health Care Authority with sufficient funding for Healthier Washington savings restoration. Without these funds, the Health Care Authority will be unable to close the state fiscal year. For this reason, I have vetoed Section 1213(1), page 455, lines 6 through 9. Because this veto will result in more General Fund-State than is necessary to close the state fiscal year, I am directing the Health Care Authority to place the \$6.0 million GF-State appropriation into reserve.

For these reasons I have vetoed Sections 103(4); 136(2); 150(8); 207(12); 213(1)(a), page 108, lines 37-39, through page 109, line 2, beginning with "The administration" and ending with "administrative costs."; 217(1); 217(2); 222(4); 302(2); 610(13); 734; 964(3); and 1213(1), page 455, lines 6-9 of Substitute Senate Bill No. 5883.

With the exception of Sections 103(4); 136(2); 150(8); 207(12); 213(1)(a), page 108, lines 37-39, through page 109, line 2, beginning with "The administration" and ending with "administrative costs."; 217(1); 217(2); 222(4); 302(2); 610(13); 734; 964(3); and 1213(1), page 455, lines 6-9, Substitute Senate Bill No. 5883 is approved.

Respectfully submitted,
Jay Inslee

VETO MESSAGE ON 2ESSB 5890

July 6, 2017

To the Honorable President and Members,
The Senate of the State of Washington

Ladies and Gentlemen:

I am returning herewith, without my approval as to Section 13, Second Engrossed Substitute Senate Bill No. 5890 entitled:

"AN ACT Relating to [child welfare,] foster care[,] and adoption support."

Section 13 requires me to regularly acknowledge the contributions of foster parents by, at a minimum, sending them a signed letter. I am always striving to find ways to thank foster parents for what they do. I currently honor them by proclaiming the month of May as Foster Care Month and personally recognizing them at the annual foster parent application event. I will continue to identify ways to express my appreciation.

For these reasons I have vetoed Section 13 of Second Engrossed Substitute Senate Bill No. 5890.

With the exception of Section 13, Second Engrossed Substitute Senate Bill No. 5890 is approved.

Respectfully submitted,
Jay Inslee
Governor

Companion Bill: 2168

Concerning the administration of motor vehicle excise taxes by regional transit authorities.

(AS OF SENATE 2ND READING 6/13/17)

Authorizes a regional transit authority to contract with the department of licensing for the collection of a motor vehicle excise tax only if the authority has implemented a market value adjustment program.

Requires a contract entered into to provide that: (1) The department of licensing will receive amounts sufficient to fully cover the costs applicable to the tax collection and market value adjustment process, including customer service-related costs, information technology-related costs, public announcement and education costs, and liability or other related risk assessment costs; and

(2) Any unforeseen future administrative costs will be borne by the regional transit authority.

Requires the department of licensing, if it enters into a contract with a regional transit authority for the collection of a motor vehicle excise tax, and after the regional transit authority implements a market value adjustment program, to clearly indicate when collecting the tax, the amount of tax owed under current law, the amount of credit applied, and the net result, when notifying taxpayers of the expected tax due.

Requires a regional transit authority, that includes portions of a county with a population of more than 1.5 million and imposes a motor vehicle excise tax, to establish a market value adjustment program to be implemented by December 31, 2017.

SB 5924 by Senators Fain and Keiser

Exchanging charitable, educational, penal, and reformatory institutions trust lands for community and technical college forest reserve lands.

(DIGEST AS ENACTED)

Requires the department of natural resources to: (1) Exchange land within the community and technical college forest reserve for land of equal value held for the benefit of charitable, educational, penal, and reformatory institutions that is currently leased to certain community and technical colleges;

(2) Transfer the community and technical college forest reserve land that the department acquires in the exchange out of the community and technical college forest reserve; and

(3) Transfer ownership of that land to the state board for community and technical colleges to be managed for educational purposes.

VETO MESSAGE ON SB 5924

July 7, 2017

To the Honorable President and Members,
The Senate of the State of Washington

Ladies and Gentlemen:

I am returning herewith, without my approval as to Section 2, Senate Bill No. 5924 entitled:

"AN ACT Relating to exchanging charitable, educational, penal, and reformatory institutions trust lands for community and technical college forest reserve lands."

This bill requires the Department of Natural Resources (Department) to exchange community and technical college forest reserve lands for lands of equal value held for the benefit of charitable, educational, penal, and reformatory institutions that are currently leased to certain community and technical colleges. This exchange will benefit all parties, including the Department as trust manager, certain community and technical colleges, and the beneficiaries of these trust lands.

But, I am vetoing Section 2, as the emergency clause is not necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions.

For these reasons I have vetoed Section 2 of Senate Bill No. 5924.

With the exception of Section 2, Senate Bill No. 5924 is approved.

Respectfully submitted,
Jay Inslee
Governor

SB 5955 by Senators Kuderer, Wellman, Keiser, Hobbs, Palumbo, Mullet, Lias, Chase, Hasegawa, Darneille, Conway, Cleveland, Nelson, Billig, and Takko

Concerning the collection of a motor vehicle excise tax approved by voters of a regional transit authority in 2016.

(SUBSTITUTED FOR - SEE 1ST SUB)

Requires a regional transit authority that includes portions of a county with a population of more than 1.5 million and that imposes a motor vehicle excise tax to: (1) Establish a market value adjustment program to be implemented by December 31, 2017;

(2) Provide a credit against the motor vehicle excise tax due; and

(3) Allow an additional one-time credit against the motor vehicle excise tax due to a taxpayer that paid the tax in 2017.

SB 5955-S by Senate Committee on Transportation (originally sponsored by Senators Kuderer, Wellman, Keiser, Hobbs, Palumbo, Mullet, Lias, Chase, Hasegawa, Darneille, Conway, Cleveland, Nelson, Billig, and Takko)

Concerning the collection of certain taxes and fees as a result of a high capacity transit system approved by the voters of a regional transit authority in 2016.

(AS OF SENATE 2ND READING 2/28/18)

Requires a contract, entered into with a regional transit authority for the collection of a motor vehicle excise tax, to provide that the department of licensing receives full reimbursement for the administration and collection of the tax, including those costs related to customer service and information technology.

Requires the department of licensing, when issuing notices to persons renewing vehicle registration, to indicate the net result after application of the credit.

Requires a regional transit authority that includes portions of a county with a population of more than 1.5 million and imposes a motor vehicle excise tax to: (1) Establish a market value adjustment program to be implemented for vehicles with registrations that are due or become due on or after September 1, 2018;

(2) Provide a credit against the motor vehicle excise tax due; and

(3) Beginning July 1, 2019, and continuing through the end of June 2020, allow an additional one-time credit against the motor vehicle excise tax due.

Requires the department of transportation, counties, and cities to, for regional transportation authority projects approved by voters after January 1, 2016, take all reasonable, feasible, and lawful measures necessary, including code or rule amendments and other agreements, to facilitate the preparation, filing, and processing of required permits as soon as practicable, with the goal of providing land use permit decisions within one hundred twenty days of submittal and other technical permit decisions sooner.

VETO MESSAGE ON SSB 5977

July 7, 2017

To the Honorable President and Members,
 The Senate of the State of Washington

Ladies and Gentlemen:

I am returning herewith, without my approval as to Sections 201-205 and 601-606, Substitute Senate Bill No. 5977 entitled:

"AN ACT Relating to revenue."

Sections 201 to 205 reduce the general manufacturing business and occupation tax rate and the processing [for] hire rate over four years, beginning in 2019. But at a time when we are asking homeowners to pay more in property taxes to support our children's education, Sections 201 to 205 instead give a tax break to business; and, 21 percent of the revenue from this tax break goes to out-of-state oil companies. This revenue could be used for education, mental health, public safety, and a host of other important public services.

Moreover, these tax reductions should be considered in a thoughtful, transparent process that incorporates public input and business accountability.

Sections 601 to 606 make sales and use tax exemptions to encourage the conversion of power plants to natural gas or biomass from coal. These sections incentivize a company to do something that it is already required to do by law, giving it an unfair advantage over other Washington companies.

For these reasons I have vetoed Sections 201-205 and 601-606 of Substitute Senate Bill No. 5977.

With the exception of Sections 201-205 and 601-606, Substitute Senate Bill No. 5977 is approved.

Respectfully submitted,

Jay Inslee
 Governor

Companion Bill: 2455

Increasing transparency of contributions by creating the Washington state DISCLOSE act of 2018.

(SUBSTITUTED FOR - SEE 1ST SUB)

Establishes the democracy is strengthened by casting light on spending in elections act of 2018 (the Washington state DISCLOSE act of 2018).

Closes campaign finance disclosure loopholes and requires the disclosure of contributions and expenditures by nonprofit organizations that participate significantly in state elections.

SB 5991-S by Senate Committee on State Government, Tribal Relations & Elections (originally sponsored by Senators Billig, Fain, Palumbo, Miloscia, Hunt, Mullet, Carlyle, Frockt, Rolfes, Ranker, Darneille, Conway, Hasegawa, Pedersen, Nelson, McCoy, Takko, Saldaña, Cleveland, Wellman, Kuderer, Liias, Hobbs, Chase, Van De Wege, Keiser, and Dhingra)

(DIGEST AS ENACTED)

Establishes the democracy is strengthened by casting light on spending in elections act of 2018 (the Washington state DISCLOSE act of 2018).

Finds that: (1) Nonprofit organizations are increasingly engaging in campaign activities, including taking a more active role in contributing to candidate and ballot proposition campaigns and, in some cases, these activities are occurring without adequate public disclosure; and

(2) Many nonprofit organizations wish to use the provisions of current law to anonymously contribute to campaign activity.

Closes campaign finance disclosure loopholes and requires the disclosure of contributions and expenditures by nonprofit organizations that participate significantly in state elections to increase transparency and accountability, deter corruption, and strengthen confidence in the election process.

SB 6020 by Senators Van De Wege and Chase

Companion Bill: 2285

Establishing a reporting process for the department of natural resources regarding certain marbled murrelet habitat information.

Finds that protecting the habitat of the marbled murrelet is beneficial to the state and our environment, however, the protection will have impacts, specifically on timber jobs in our rural communities and lost trust revenues to our schools, counties, and junior taxing districts through reduced timber harvests.

Requires the department of natural resources to provide a report to the legislature that includes: (1) An economic analysis of certain net losses or gains of revenues; and

(2) Recommendations for consideration by the legislature: (a) To offset the potential loss of revenues to the beneficiaries and the identified loss of jobs in rural communities; (b) for policies that may be adopted before the dates that the losses are projected to occur; (c) for additional marbled murrelet conservation measures; and (d) for modifications, if any, on the definition of arrearage.

Requires the commissioner of public lands to appoint a marbled murrelet advisory committee to assist the department in developing and providing the report.

VETO MESSAGE ON ESSB 6032

March 27, 2018

To the Honorable President and Members,
The Senate of the State of Washington

Ladies and Gentlemen:

I am returning herewith, without my approval as to Sections 119(8), 129(21), 135(4), 146(10), 307 lines 14-15, 308(21), 502(1)(h), 504(2), 606(23)(b), 908(3), 103(9), 122(3), 127(56), 135(6), 140(7), 141(4), 146(7), 148(10), 205(1)(w), 206(30), and 501(51), Engrossed Substitute Senate Bill No.6032 entitled:

"AN ACT Relating to fiscal matters."

Section 119(8), page 19, Secretary of State, Automatic Voter Registration Study

This section includes funding for the Secretary of State to conduct a study related to automatic voter registration. The requirement to do this study was removed from Engrossed Second Substitute House Bill 2595 (automatic voter registration), but the funding proviso remained in the budget. Because the agency will not be doing this study, the funding is not needed. For this reason, I have vetoed Section 119(8).

Section 129(21), page 56, Office of Financial Management, 2020 Census

Funds are provided to the agency for staffing and support to prepare for the 2020 census in two identical provisos: Section 129(19) and Section 129(21). This is clearly a drafting error because funding for the double proviso is not included in the total appropriation authority. For this reason, I have vetoed Section 129(21).

Section 135(4), pages 59-60, Department of Revenue, Tax Database

The budget provides \$150,000 to the department to create a publicly available online searchable database of all taxes and tax rates in the state for each taxing district. This is the same provision that was included in Senate Bill 6590 which had a fiscal note of \$1,219,800 for creation of the database. This project cannot be done for the \$150,000 provided in the budget. For this reason, I have vetoed Section 135(4).

Section 146(10), page 74, Department of Enterprise Services, Capitol Dome Access

This section directs the Department of Enterprise Services to allow individuals to access the top of the Capitol dome "under approved supervision and guidelines developed by the department." The Olympia Fire Department has assessed this space in the past, and, among other issues, reported that it could not use a fireman's rescue technique in this space nor could it assist an injured party by using a gurney. The Department of Labor and Industries classifies the area as a "confined space" which means that it has restricted entry/exit and is not primarily designed for human occupancy. Access should be authorized only for individuals needed to do work on the dome. While the view is beautiful from the dome, there are too many risks involved with granting access to the public. For this reason, I have vetoed Section 146(10).

Section 307, page 261, lines 14-15, Department of Fish and Wildlife, FY 2018 General Fund-State Appropriation

The final budget reduces the department's FY 2018 General Fund-State appropriation by \$1,739,000. Although the final budget provides an additional \$1.5 million for Orca whale recovery efforts, it does not fully cover the costs of important work needed to begin the recovery of this iconic species. To support Orca recovery efforts, I am vetoing this reduction in appropriation and directing the department to use \$650,000 of this amount to complete fish screen inventories, conduct public outreach and education, hire a recovery coordinator position, and support facilitation of the Southern Resident Killer Whale Task Force. I also am directing the agency to place the remaining amount in unallotted status. For this reason, I have vetoed Section 307, page 261, lines 14-15.

Section 308(21), page 274, Department of Natural Resources, SAFER Grant Match

One-time funding of \$873,000 General Fund-State is provided to Kittitas County Fire District 7 for matching funds for its Staffing for Adequate Fire and Emergency Response (SAFER) grant from the Federal Emergency Management Agency. Despite the merits of the federal grant funding to provide firefighting staff to the district, the state should not provide the local match for these grants. Operational funding for fire districts is a local decision. Not only would providing the match through the state general fund set a precedent, it would be unfair to the other 19 fire districts across the state that were awarded a similar federal grant and provided their own local match. For these reasons, I have vetoed Section 308(21).

Section 502(1)(h), page 303, Office of Superintendent of Public Instruction for General Apportionment, Net Revenue Hold Harmless

Engrossed Second Substitute Senate Bill 6362 contains a more prescriptive hold harmless calculation than the language in the operating budget. The operating budget will hold districts harmless to a baseline that assumes the levy cliff would go into effect--a decision that the Legislature chose last year not to implement. We must ensure that no school district receives less funding in the 2018-19 school year. For this reason, I have vetoed Section 502(1)(h).

Section 504(2), page 318, Office of Superintendent of Public Instruction for School Employee Compensation Adjustments, Delay Professional Learning Day

The operating budget delays the implementation of state-funded professional learning days by one year. Research shows that time for job embedded professional learning and collaboration is linked to student success. Limiting practices that improve student achievement goes against our goal for a world-class education system. For these reasons, I have vetoed Section 504(2).

Section 606(23)(b), page 372, The Evergreen State College, Funding Options for the Legislature

This proviso allows the Office of Financial Management, State Board for Community and Technical Colleges, and Council of Presidents to use information from a Washington State Institute for Public Policy (WSIPP) study to present funding options to the Legislature. The WSIPP study is related to higher education funding methods in other states. This item directs two separate agencies and the Council of Presidents to perform work that does not naturally fit together with the WSIPP study. For this reason, I have vetoed Section 606(23)(b).

Section 908(3), page 417, Law Enforcement Officers' and Firefighters' Retirement System (LEOFF) Distribution

This language expresses the Legislature's intent that future distributions to the Local Law Enforcement Officers' and Firefighters' Retirement System Benefits Improvement Account may include transfers from the LEOFF 2 pension fund. I have consistently vetoed similar provisions in the past, and I remain concerned about the wisdom of such transfers from a retirement fund. For this reason, I have vetoed Section 908(3).

I am vetoing the following sections related to bills that did not pass the Legislature resulting in the lapse of funding. My veto of these sections will serve to clean up these unnecessary sections of the bill.

Section 103(9), page 5, Joint Legislative Audit & Review Committee, SHB 1154, Fishing and Seafood Processing.

Section 122(3), page 22, State Treasurer's Office, E2SHB 2718, Civil Forfeiture Proceedings.

Section 127(56), page 43, Department of Commerce, ESSB 6081, Net Metering or SHB 2995, Energy.

Section 135(6), page 61, Department of Revenue, E2SHB 2718, Civil Forfeiture Proceedings.

Section 140(7), page 64, Liquor and Cannabis Board, ESSB 6346, Sale of Wine/Microbrewery.

Section 141(4), page 66, Utilities and Transportation Commission, ESSB 6081, Distributed Generation or SHB 2995, Energy.

Section 146(7), page 73, Department of Enterprise Services, ESSB 6081, Net Metering or SHB 2995, Energy.

Section 148(10), page 77, Consolidated Technology Services, E2SSB 5935, Broadband and Telecommunication Service.

Section 205(1)(w), page 116, Department of Social and Health Services - Developmental Disabilities, SHB 1792, Residential Services and Supports.

Section 206(30), page 134, Department of Social and Health Services - Aging and Adult Services, SHB 1792, Residential Services and Supports.

Section 501(51), page 297, Office of Superintendent of Public Instruction, SHB 2748, Learning Assistance Program.

For these reasons I have vetoed Sections 119(8), 129(21), 135(4), 146(10), 307 lines 14-15, 308(21), 502(1)(h), 504(2), 606(23)(b), 908(3), 103(9), 122(3), 127(56), 135(6), 140(7), 141(4), 146(7), 148(10), 205(1)(w), 206(30), and 501(51) of Engrossed Substitute Senate Bill No. 6032.

With the exception of Sections 119(8), 129(21), 135(4), 146(10), 307 lines 14-15, 308(21), 502(1)(h), 504(2), 606(23)(b), 908(3), 103(9), 122(3), 127(56), 135(6), 140(7), 141(4), 146(7), 148(10), 205(1)(w), 206(30), and 501(51), Engrossed Substitute Senate Bill No. 6032 is approved.

Respectfully submitted,
Jay Inslee
Governor

Companion Bill: 2662

Authorizing limited retail telecommunications services for public utility districts that provide only sewer, water, and telecommunications on the effective date of this act.

(SUBSTITUTED FOR - SEE 1ST SUB)

Authorizes a public utility district that provides only water, sewer, and telecommunications services, in a county with an area less than five hundred square miles, to provide end user telecommunications services.

SB 6034-S by Senate Committee on Energy, Environment & Technology (originally sponsored by Senators Rolfes, Sheldon, Angel, Hunt, Chase, Kuderer, and Hasegawa)

(DIGEST AS ENACTED)

Authorizes a public utility district that, as of the effective date of this act, provides only water, sewer, and wholesale telecommunications services in certain counties, to provide retail internet service on the district's broadband network located within the district boundaries only when all of the existing providers of end-user internet service on the district's broadband network cease to provide end-user service or provide inadequate end-user service.

Requires a public utility district that provides cable television service to secure a cable television franchise and pay franchise fees and any applicable taxes to the local cable franchise authority.

Prohibits a public utility district from conditioning the availability or cost of other services upon the purchase or use of retail internet service.

Requires the chief administrative law judge to, when requested by the public utility district commissioners, assign an administrative law judge to conduct certain proceedings.

Subjects the property owned by a public utility district that is exempt from property tax to an annual payment in lieu of property taxes if the property consists of a broadband network used in providing retail internet service.

Requires the amount of the payment to be determined jointly between the public utility district that owns the property and the county in which the property is located.

Modifying write-in voting provisions.

(DIGEST AS ENACTED)

Modifies voting provisions regarding write-in votes, candidates, and candidacies.

VETO MESSAGE ON SB 6058

March 22, 2018

To the Honorable President and Members,
 The Senate of the State of Washington

Ladies and Gentlemen:

I am returning herewith, without my approval as to Section 4, Senate Bill No. 6058 entitled:

"AN ACT Relating to write-in voting."

Section 4 creates an unintended extra administrative burden for some counties and is not needed for implementation purposes or to meet the intent of the bill.

For these reasons I have vetoed Section 4 of Senate Bill No. 6058.

With the exception of Section 4, Senate Bill No. 6058 is approved.

Respectfully submitted,
 Jay Inslee
 Governor

VETO MESSAGE ON SSB 6090

January 19, 2018

To the Honorable President and Members,
 The Senate of the State of Washington

Ladies and Gentlemen:

I am returning herewith, without my approval as to Section 1034, Substitute Senate Bill No. 6090 entitled:

" AN ACT Relating to the capital budget."

Section 1034, pages 48-49, Office of Financial Management, Higher Education and State Facility Financing Study

This appropriation directs the Office of Financial Management (OFM) to study financing options for the construction of higher education facilities. Although there are merits to studying this topic, OFM would like to collaborate with the Legislature on developing the scope and methodology. For this reason, I have vetoed Section 1034.

For these reasons I have vetoed Section 1034 of Substitute Senate Bill No. 6090.

With the exception of Section 1034, Substitute Senate Bill No. 6090 is approved.

Respectfully submitted,
 Jay Inslee
 Governor

SB 6091-S by Senate Committee on Agriculture, Water, Natural Resources & Parks (originally sponsored by Senators Van De Wege, Rolfes, and Frockt)

(DIGEST AS ENACTED)

Addresses the availability of water to support development.

Requires the department of ecology to: (1) Establish watershed restoration and enhancement committees in certain water resource inventory areas;

(2) Prepare and adopt a watershed restoration and enhancement plan for certain watersheds in collaboration with the committee; and

(3) Initiate two pilot projects to measure water use from all new groundwater withdrawals for domestic purposes exempt from permitting.

Creates the joint legislative task force on water resource mitigation to: (1) Review the treatment of surface water and groundwater appropriations as they relate to instream flows and fish habitat;

(2) Develop and recommend a mitigation sequencing process and scoring system to address appropriations; and

(3) Review the state supreme court decision in *Foster v. Department of Ecology*.

Declares an intent to appropriate three hundred million dollars for projects to achieve the goals of this act.

Creates the watershed restoration and enhancement account, the watershed restoration and enhancement taxable bond account, and the watershed restoration and enhancement bond account.

VETO MESSAGE ON ESSB 6095

March 27, 2018

To the Honorable President and Members,
The Senate of the State of Washington

Ladies and Gentlemen:

I am returning herewith, without my approval as to Sections 3011(2), 3011(3), 3011(4), 4002, 7018, and 7019, Engrossed Substitute Senate Bill No. 6095 entitled:

"AN ACT Relating to the capital budget."

Sections 3011(2), (3) and (4), page 83, Department of Ecology, Water Availability (91000343)

I appreciate the bipartisan effort and support to pass Engrossed Substitute Senate Bill 6091 (ESSB 6091) and the accompanying appropriation of \$20 million in the enacted capital budget. Together, these measures are important in allowing appropriate development to proceed in rural areas of our state while also ensuring the protection of instream flows. Negotiations on ESSB 6091 were both substantial and difficult. Sections 3011(2), (3) and (4) single out particular projects for funding. This is a departure from the planning and implementation processes established only weeks ago in ESSB 6091, and circumvents the Department of Ecology's efforts to prioritize and approve projects. For these reasons, I have vetoed Sections 3011(2), (3) and (4).

Section 4002, pages 110-112, Aviation Revitalization Loans (92000003)

This section contains amendments identical to Substitute House Bill 1656 (SHB 1656) and reduces the amount available for loans by \$2.5 million. Because I have vetoed SHB 1656 and I support the original \$5 million appropriation, I have vetoed Section 4002.

Section 7018, page 153

Section 7018 repeals Section 13 of Substitute House Bill 1656 (SHB 1656). Because I have vetoed SHB 1656, there is no need to repeal a section in that bill. For this reason, I have vetoed Section 7018.

Section 7019, page 154

Section 7019 directs that Section 7018 takes effect when Substitute House Bill 1656 (SHB 1656) takes effect. Because I have vetoed Section 7018 and SHB 1656, this section is not necessary. For this reason, I have vetoed Section 7019.

For these reasons I have vetoed Sections 3011(2), 3011(3), 3011(4), 4002, 7018, and 7019 of Engrossed Substitute Senate Bill No. 6095.

With the exception of Sections 3011(2), 3011(3), 3011(4), 4002, 7018, and 7019, Engrossed Substitute Senate Bill No. 6095 is approved.

Respectfully submitted,
Jay Inslee

VETO MESSAGE ON ESSB 6106

March 27, 2018

To the Honorable President and Members,
The Senate of the State of Washington

Ladies and Gentlemen:

I am returning herewith, without my approval as to Sections
208(19), 207(8), 208(1), 208(22), 208(25), 208(26), 208(28),
208(29), 208(30), and 212(3), Engrossed Substitute Senate Bill
No. 6106 entitled:

"AN ACT Relating to transportation funding and
appropriations."

Section 208(19), pages 23-24, Department of Licensing, Licensing Services Work Group

Section 208(19) directs the department to convene a work group comprised of a county auditor, county licensing manager, and three subagent representatives to assess the current licensing services system and the establishment of a new licensing services partnership committee. The work group must consider and make recommendations on expanding services offered by subagents, establishing voluntary payment plans and automatic renewal options, and reviewing the current financial environment of subagents and county auditors. The department already has a specific licensing committee that meets twice a year. It also meets twice a year with the Washington Association of Vehicle Subagents. In addition, the proviso did not provide funding for this work group. While I encourage looking at ways to improve services to the public, this work group provides a forum for communication that already exists and funding is not provided to support the work group. For these reasons, I have vetoed Section 208(19).

I am vetoing the following sections related to bills that did not pass the legislature resulting in the lapse of funding. My veto of these sections will serve to clean up these unnecessary sections of the bill.

Section 207(8), page 18, Washington State Patrol, SHB 2278, Privacy Protections in Government

Section 208(1), pages 19-20, Department of Licensing, EHB 2201 or ESSB 5955, MVET Collection

Section 208(22), page 25, Department of Licensing, SHB 2278, Privacy Protections

Section 208(25), page 25, Department of Licensing, HB 2653, Alternative Fuel Vehicle Exemption or SB 6080, Electrification of Transportation

Section 208(26), page 25, Department of Licensing, SHB 2975, Snow Bikes

Section 208(28), page 26, Department of Licensing, SSB 6009, Issuance of Personalized Collector Vehicle License Plates

Section 208(29), page 26, Department of Licensing, SSB 6107, Electric Motorcycle Registration Renewal Fees

Section 208(30), page 26, Department of Licensing, 2SSB 6189, Suspended or Revoked Driver's License Provisions

Section 212(3), page 35, Department of Transportation-- Aviation ESHB 2295, Electric Aircraft

For these reasons I have vetoed Sections 208(19), 207(8), 208(1), 208(22), 208(25), 208(26), 208(28), 208(29), 208(30), and 212(3) of Engrossed Substitute Senate Bill No. 6106.

With the exception of Sections 208(19), 207(8), 208(1), 208(22), 208(25), 208(26), 208(28), 208(29), 208(30), and 212(3), Engrossed Substitute Senate Bill No. 6106 is approved.

Respectfully submitted,
Jay Inslee
Governor

Reducing the electric motorcycle registration renewal fee.
(SUBSTITUTED FOR - SEE 1ST SUB)

Requires the department of licensing, county auditors or other agents, and subagents, before accepting an application for an annual vehicle registration renewal for certain electric motorcycles, to require the applicant to pay a thirty-dollar fee in addition to any other required fees and taxes.

SB 6107-S by Senate Committee on Transportation (originally sponsored by Senators Rolfes and Mullet)

(AS OF SENATE 2ND READING 3/05/18)

Requires the department of licensing to: (1) Between the effective date of this act and March 31, 2019, before accepting an application for an annual vehicle registration renewal for certain electric motorcycles, require the applicant to pay a one hundred fifty-dollar fee, however, during that same period of

time the applicant is exempt from one hundred twenty dollars of the fee; and

(2) Beginning April 1, 2019, require the applicant to pay a thirty-dollar fee.

Requires the fees to be deposited into the motor vehicle fund.

Addresses eligibility for advanced courses in mathematics, science, or computer science and equitable access to dual credit opportunities.

SB 6135-S by Senate Committee on Early Learning & K-12 Education (originally sponsored by Senators Wellman, Zeiger, and Hasegawa; by request of Superintendent of Public Instruction)

Updating application requirements for the academic acceleration incentive program. (REVISED FOR ENGROSSED: Concerning academic programs.)

(AS OF SENATE 2ND READING 2/13/18)

Addresses eligibility for advanced courses in mathematics, science, or computer science and equitable access to dual credit opportunities.

Requires the office of the superintendent of public instruction to, in making grant awards, give priority to grants for high schools: (1) That have not previously received grant funds through the academic acceleration incentive program;

(2) With a high proportion of low-income students;

(3) Identified as having high disproportionality in their dual credit enrollment data; or

(4) Seeking to develop new capacity for dual credit courses rather than proposing marginal expansion of current capacity.

Allows a high school, in a district that has not adopted an academic acceleration policy, to apply for grants if in practice it follows the academic acceleration guidelines and meets other criteria.

Authorizes the office of the superintendent of public instruction to retain a percentage of learning assistance program allocation funds to support districts in meeting certain requirements, including data collection and reporting and providing professional development and technical assistance.

Allows a school district: (1) During the 2018-2019 and 2019-2020 school years only, to expend a portion of the district's learning assistance program allocation to develop a dropout early warning and intervention data system; and

(2) To expend a portion of the district's learning assistance program allocation on interventions for students identified as at risk of not graduating using that data system.
