ALCOHOLISM

AN ACT Relating to alcoholism; and adding new sections to chapter 70.96 RCW.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

NEW SECTION. Section 1. There is added to chapter 70.96 RCW a new section to read as follows:

All facilities, plans, or programs receiving financial assistance under RCW 70.96.085 shall be approved by the department of social and health services before any state funds are used to provide such financial assistance. Whenever such facilities, plans, or programs have not been approved as required or do not receive the required approval, the funds set aside for such facility, plan, or program shall be made available for allocation to facilities, plans,

or programs which have received the required approval of the department. In addition, whenever there is an excess of funds set aside for a particular approved facility, plan or program, the excess shall be made available for allocation to other approved facilities, plans, or programs.

NEW SECTION. Sec. 2. There is added to chapter 70.96 RCW a new section to read as follows:

Except as hereinafter provided, the secretary of social and health services shall not approve any facility, plan, or program for financial assistance under RCW 70.96.085 unless at least ten percent of the amount expended for such facility, plan or program is provided from local public or private sources. When deemed necessary to maintain public standards of care in the facility, plan, or program, the secretary may require such facility, plan, or program to provide up to fifty percent of the total expended for such program through fees, gifts, contributions or volunteer services, the value of such gifts, contributions and volunteer services to be determined by the secretary.

NEW SECTION. Sec. 3. There is added to chapter 70.96 RCW a new section to read as follows:

A city or county alcoholism program shall not be approved by the secretary of the department of social and health services unless such city or county has allotted no less than two percent of its share of liquor taxes and profits to the support of such program.

NEW SECTION. Sec. 4. There is added to chapter 70.96 RCW a new section to read as follows:

Any city, town or county not having a facility, plan or program for the rehabilitation of alcoholics may share in the use of a facility, plan or program maintained by another city, town or county so long as it contributes no less than two percent of its share of liquor taxes and profits to the support of the same.

Passed the Senate May 10, 1971.

Passed the House May 9, 1971.

Approved by the Governor May 19, 1971, with the exception of Sections 3 and 4 which are vetoed.

Filed in Office of Secretary of State May 20, 1971.

Note: Governor's explanation of partial veto is as follows:

"...This bill was intended to strengthen alcoholism programs in the state, and to assure local financial participation in such programs. These are purposes with which I agree. Sections one and two are appropriate to the intentions of the bill.

However, sections three and four, because of the manner in which they are drafted, instead of assuring expanded alcoholism programs with local participation, provide a substantial potential for harming the effort against alcoholism by giving cities, towns and counties the ability to prevent an alcoholism control program from being initiated or continued even without city, town or county liquor tax or profit money. These sections essentially give cities, towns or counties a veto power over the initiation or continuation of alcoholism programs. I have therefore vetoed sections three and four with the hope that a statute with the language more appropriate will be enacted at the next session."
