BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

Section 1. Section 35.22.280, chapter 7, Laws of 1965 as amended by section 2, chapter 116, Laws of 1965 ex. sess. and RCW 35.22.280 are each amended to read as follows:

Any city of the first class shall have power:

(1) To provide for general and special elections, for questions to be voted upon, and for the election of officers;

(2) To provide for levying and collecting taxes on real and personal property for its corporate uses and purposes, and to provide for the payment of the debts and expenses of the corporation;

(3) To control the finances and property of the corporation, and to acquire, by purchase or otherwise, such lands and other property as may be necessary for any part of the corporate uses provided for by its charter, and to dispose of any such property as the interests of the corporation may, from time to time, require;

(4) To borrow money for corporate purposes on the credit of the corporation, and to issue negotiable bonds therefor, on such conditions and in such manner as shall be prescribed in its charter; but no city shall, in any manner or for any purpose, become indebted to an amount in the aggregate to exceed the limitation of indebtedness prescribed by chapter 39.36 RCW as now or hereafter amended;

(5) To issue bonds in place of or to supply means to meet maturing bonds or other indebtedness, or for the consolidation or funding of the same;

(6) To purchase or appropriate private property within or without its corporate limits, for its corporate uses, upon making just compensation to the owners thereof, and to institute and maintain such proceedings as may be authorized by the general laws of the state for the appropriation of private property for public use;

(7) To lay out, establish, open, alter, widen, extend, grade, pave, plank, establish grades, or otherwise improve streets, alleys, avenues, sidewalks, wharves, parks, and other public grounds, and to

regulate and control the use thereof, and to vacate the same, and to authorize or prohibit the use of electricity at, in, or upon any of said streets, or for other purposes, and to prescribe the terms and conditions upon which the same may be so used, and to regulate the use thereof;

(8) To change the grade of any street, highway, or alley within its corporate limits, and to provide for the payment of damages to any abutting owner or owners who shall have built or made other improvements upon such street, highway, or alley at any point opposite to the point where such change shall be made with reference to the grade of such street, highway, or alley as the same existed prior to such change;

(9) To authorize or prohibit the locating and constructing of any railroad or street railroad in any street, alley, or public place in such city, and to prescribe the terms and conditions upon which any such railroad or street railroad shall be located or constructed; to provide for the alteration, change of grade, or removal thereof; to regulate the moving and operation of railroad and street railroad trains, cars, and locomotives within the corporate limits of said city; and to provide by ordinance for the protection of all persons and property against injury in the use of such railroads or street railroads;

(11) To acquire, by purchase or otherwise, lands for public parks within or without the limits of such city, and to improve the same. When the language of any instrument by which any property is so acquired limits the use of said property to park purposes and contains a reservation of interest in favor of the grantor or any other person, and where it is found that the property so acquired is not needed for park purposes and that an exchange thereof for other property to be dedicated for park purposes is in the public interest, the city may, with the consent of the grantor or such other person, his heirs, successors, or assigns, exchange such property for other property to be dedicated for park purposes, and may make, execute, and deliver proper conveyances to effect the exchange. In any case where, owing to death or lapse of time, there is neither donor, heir, successor, or assignee to give consent, this consent may be executed by the city and filed for record with an affidavit setting forth all efforts made to locate people entitled to give such consent together with the facts which establish that no consent by such persons is attainable. Title to property so conveyed by the city shall vest in the grantee free and clear of any trust in favor of the public arising out of any prior dedication for park purposes, but the right

of the public shall be transferred and preserved with like force and effect to the property received by the city in such exchange;

(12) To construct and keep in repair bridges, viaducts, and tunnels, and to regulate the use thereof;

(13) To determine what work shall be done or improvements made at the expense, in whole or in part, of the owners of the adjoining contiguous, or proximate property, or others specially benefited thereby; and to provide for the manner of making and collecting assessments therefor;

(14) To provide for erecting, purchasing, or otherwise acquiring waterworks, within or without the corporate limits of said city, to supply said city and its inhabitants with water, or authorize the construction of same by others when deemed for the best interests of such city and its inhabitants, and to regulate and control the use and price of the water so supplied;

(15) To provide for lighting the streets and all public places, and for furnishing the inhabitants thereof with gas or other lights, and to erect, or otherwise acquire, and to maintain the same, or to authorize the erection and maintenance of such works as may be necessary and convenient therefor, and to regulate and control the use thereof;

(16) To establish and regulate markets, and to provide for the weighing, measuring, and inspection of all articles of food and drink offered for sale thereat, or at any other place within its limits, by proper penalties, and to enforce the keeping of proper legal weights and measures by all vendors in such city, and to provide for the inspection thereof;

(17) To erect and establish hospitals and pesthouses, and to control and regulate the same;

(18) To erect and establish work houses and jails, and to control and regulate the same, and to provide for the working of prisoners confined therein;

(21) To regulate the burial of the dead, and to establish and regulate cemeteries within or without the corporate limits, and to acquire land therefor by purchase or otherwise; to cause cemeteries to be removed beyond the limits of the corporation, and to prohibit their establishment within two miles of the boundaries thereof;
