Passed the House March 25, 1985.

Passed the Senate March 20, 1985.

Approved by the Governor April 2, 1985, with the exception of certain items which are vetoed.

Filed in Office of Secretary of State April 2, 1985.

Note: Governor's explanation of partial veto is as follows:

"I am returning herewith, without my approval as to section 502(5)(g), En-grossed Substitute House Bill No. 386 entitled:

"AN ACT Relating to state agencies."

The section I have vetoed was designed to correct a specific problem in one school district. Since legislative action on ESHB 386, it has come to my attention that the language may do more than intended.

The vetoed language involves complex contracting situations. Retaining the language could cause confusion among local bargaining units and administrators.

I believe the problem raised by this issue deserves a solution. I will work with the Legislature during the interim to find an appropriate one."
