

***Sec. 9. Section 8, chapter 155, Laws of 1971 ex. sess. as amended by section 1, chapter 52, Laws of 1981 and RCW 36.95.080 are each amended to read as follows:**

The board shall, on or before the first day of July of any given year, ascertain and prepare a list of all persons believed to own television sets within the district, other than persons using a satellite dish antenna for such television sets, and deliver a copy of such list to the county ((assessor)) treasurer.

***Sec. 9 was vetoed, see message at end of chapter.**

NEW SECTION. Sec. 10. The following acts or parts of acts are each repealed:

(1) Section 4, chapter 196, Laws of 1974 ex. sess., section 3, chapter 120, Laws of 1975 1st ex. sess., section 1, chapter 200, Laws of 1977 ex. sess., section 2, chapter 274, Laws of 1981 and RCW 84.70.020; and

(2) Section 5, chapter 196, Laws of 1974 ex. sess., section 4, chapter 120, Laws of 1975 1st ex. sess. and RCW 84.70.030.

Passed the House March 10, 1987.

Passed the Senate April 16, 1987.

Approved by the Governor May 11, 1987, with the exception of certain items which were vetoed.

Filed in Office of Secretary of State May 11, 1987.

Note: Governor's explanation of partial veto is as follows:

"I am returning herewith, without my approval as to section 9, Engrossed House Bill No. 772, entitled:

"AN ACT Relating to the administration of property tax refunds, collections and revaluation plans."

This bill makes a number of changes to update and clarify various issues related to the administration of property taxes. I support these changes.

Section 9 would exempt owners of satellite dishes from the TV improvement district levy. Apparently there are only two TV improvement districts in the state and this technical amendment is not practical for them to implement. For this reason I have vetoed this section.

With the exception of section 9, Engrossed House Bill No. 772 is approved.*

[Substitute House Bill No. 920]

MOTOR VEHICLE INSURANCE RATES BASED ON ANTI-THEFT DEVICES AND LIGHTING

AN ACT Relating to rate-making criteria for private passenger automobile insurance; adding a new section to chapter 48.19 RCW; and providing an effective date.

Be it enacted by the Legislature of the State of Washington:

***NEW SECTION.** Sec. 1. A new section is added to chapter 48.19 RCW to read as follows:

Due consideration in making rates for motor vehicle insurance shall be given to:

(1) ***Any anticipated change in losses that may be attributable to the use of seat belts, child restraints, and other lifesaving devices. An exhibit detailing these changes and any credits or discounts resulting from any such changes shall be included in each filing pertaining to private passenger automobile (or motor vehicle) insurance.***

(2) Any anticipated change in losses that may be attributable to the use of properly installed and maintained anti-theft devices in the insured private passenger automobile. An exhibit detailing these losses and any credits or discounts resulting from any such changes shall be included in each filing pertaining to private passenger automobile (or motor vehicle) insurance.

(3) Any anticipated change in losses that may be attributable to the use of lights and lighting devices that have been proven effective in increasing the visibility of motor vehicles during daytime or in poor visibility conditions and to the use of rear stop lights that have been proven effective in reducing rear-end collisions. An exhibit detailing these losses and any credits or discounts resulting from any such changes shall be included in each filing pertaining to private passenger automobile (or motor vehicle) insurance.

(4) Any anticipated change in losses per vehicle covered that may be attributable to the fact that the insured has more vehicles covered under the policy than there are insured drivers in the same household. An exhibit detailing these changes and any credits or discounts resulting from any such changes shall be included in each filing pertaining to private passenger automobile (or motor vehicle) insurance.

***Sec. 1 was partially vetoed, see message at end of chapter.**

NEW SECTION. Sec. 2. This act shall take effect on January 1, 1988.

Passed the House April 21, 1987.

Passed the Senate April 13, 1987.

Approved by the Governor May 11, 1987, with the exception of certain items which were vetoed.

Filed in Office of Secretary of State May 11, 1987.

Note: Governor's explanation of partial veto is as follows:

"I am returning herewith, without my approval as to section 1(1), Substitute House Bill No. 920, entitled:

"AN ACT Relating to rate-making criteria for private passenger automobile insurance."

Subsection 2 of this bill applies to "anti-theft devices installed in private passenger automobiles," and subsection 3 applies to "lights and lighting devices that have been proven effective in increasing the visibility of motor vehicles during daytime or in poor visibility conditions and to the use of rear stop lights that have proven effective in reducing rear end collisions." Both subsections indicate these devices should be reflected in the losses, credits or discounts charged by private passenger automobile insurance companies. I endorse these ideas.

Section 1(1) contains the identical language to section 1(2) of Substitute Senate Bill No. 5113. In order to avoid a duplication in the statute, I have vetoed this subsection.

With the exception of section 1(1), which I have vetoed, Substitute House Bill No. 920 is approved."
