ENGROSSED SUBSTITUTE HOUSE BILL NO. 1362, by House Committee on State Government & Tribal Relations (originally sponsored by Stearns, Reeves, Abbarno, Gregerson, Lekanoff and Tharinger)

The bill was read the third time.

There being no objection, the rules were suspended, and ENGROSSED SUBSTITUTE HOUSE BILL NO. 1362 was returned to second reading for the purpose of amendment.

Representative Stearns moved the adoption of the striking amendment (795):

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. INTENT AND FINDINGS. (1) The legislature finds that requiring state agencies to report to the legislature is an important method of providing information and keeping the legislature informed on the implementation and impacts of legislation. Some reports provide information that is no longer relevant or useful to the legislature, which can be discerned by the lack of interest in the report. There are other reports that are redundant as the information is provided through other means. In addition, preparing reports is time consuming, and there may be better, more efficient mechanisms for sharing information with legislators as well as the public, such as posting the information on agency websites. Finally, some reports are required on a more frequent basis than is necessary, as the information does not change to an extent that merits the increased frequency.

(2) In order to improve agency efficiency and still ensure that information is publicly available and provided to the legislature as needed, it is the intent of this act to eliminate reports that no longer serve a relevant purpose, change reporting frequency where warranted, and provide alternative mechanisms in place of submitting reports where appropriate.

**PART I
MODIFICATIONS TO REPORTS**

Sec. 2. RCW 28A.180.020 and 2017 c 123 s 1 are each amended to read as follows:

The superintendent of public instruction shall review annually the transitional bilingual instruction program and shall submit a report of such review to the legislature on or before ~~((February))~~ March 1st of each year.

Sec. 3. RCW 28A.230.150 and 2018 c 109 s 3 are each amended to read as follows:

(1) On January 16th of each year or the preceding Friday when January 16th falls on a nonschool day, there shall be observed within each public school "Temperance and Good Citizenship Day." Annually the state superintendent of public instruction shall duly prepare and publish for circulation among the teachers of the state a program for use on such day embodying topics pertinent thereto and may from year to year designate particular laws for special observance.

(2) Each year on "Temperance and Good Citizenship Day," social studies teachers must, as resources allow, coordinate a voter registration event in each history or social studies class attended by high school seniors. This event is part of the future voter program. Teachers must make voter sign up and registration available to all students.

(3) County auditors may, as resources allow, help coordinate elements of the future voter program, and participate in voter registration events for students on "Temperance and Good Citizenship Day."

(4) On each temperance and good citizenship day all students who will be

eighteen years of age or older by the time of the next general election will be given the opportunity to register to vote online in the classroom. Paper registration must also be made available in the classroom. Students who do not possess a state identicard or driver's license must be provided a paper registration form. The event must include adequate time for students to complete the registration process in class.

(5) The superintendent of public instruction, in consultation with the secretary of state, must update and distribute youth voter registration materials annually, by December 1st, for eligible students to register to vote at school. Electronic notification of the availability of the materials must be distributed to high school principals and secondary social studies and history teachers.

(6) The superintendent of public instruction must consult with the secretary of state to provide registration methods that enable the electronic collection of information on the number of students who registered to vote on "Temperance and Good Citizenship Day," with the goal of achieving at least fifty thousand new voter registrations for seventeen and eighteen year olds annually, beginning in January 2020.

(7) Beginning March 1, 2020, and annually thereafter by May 1st, the superintendent of public instruction must report on yearly progress toward the goal established in subsection ~~((5))~~ (6) of this section, including the number of ~~((seventeen))~~ 17 and ~~((eighteen))~~ 18 year olds registered to vote by county and recommendations for increasing youth voter registration, to the governor and the appropriate standing committees of the legislature in accordance with RCW 43.01.036.

(8) For the purposes of this section:

(a) "Future voter program" refers to the information that may be collected by a number of processes about a future voter. Information that is otherwise disclosable under chapter 29A.08 RCW cannot be disclosed on the future voter until the person reaches age eighteen, except for the purpose of processing and delivering ballots.

(b) With respect to the health plan or plan deemed by the commissioner to have a short-term limited purpose or duration, or to be a student-only plan that is guaranteed renewable while the covered person is enrolled as a regular, full-time undergraduate student at an accredited higher education institution, discriminate on the basis of race, color, national origin, disability, age, sex, gender identity, or sexual orientation.

(2) Nothing in this section may be construed to prevent a carrier from appropriately utilizing reasonable medical management techniques.

(3) For health plans issued or renewed on or after January 1, 2022:

(a) A health carrier may not deny or limit coverage for gender-affirming treatment when that treatment is prescribed to an individual because of, related to, or consistent with a person's gender expression or identity, as defined in RCW 49.60.040, is medically necessary, and is prescribed in accordance with accepted standards of care.

(b) A health carrier may not apply categorical cosmetic or blanket exclusions to gender-affirming treatment. When prescribed as medically necessary gender-affirming treatment, a health carrier may not exclude as cosmetic services facial feminization surgeries and other facial gender-affirming treatment, such as tracheal shaves, hair electrolysis, and other care such as mastectomies, breast reductions, breast implants, or any combination of gender-affirming procedures, including revisions to prior treatment.

(6) By December 1, 2022, the commissioner, in consultation with the health care authority and the department of health, must issue a report on geographic access to gender-affirming treatment across the state. The report must include the number of gender-affirming providers offering care in each county, the carriers and medicaid managed care organizations those providers have active contracts with, and the types of services provided by each provider in each region. Sec. 12. RCW 61.24.163 and 2023 c 206 s 5 are each amended to read as follows:

(1) The foreclosure mediation program established in this section applies only to borrowers who have been referred to mediation by a housing counselor or attorney. The referral to mediation may be made any time after a notice of default has been issued but no later than 90 days prior to the date of sale listed in the notice of trustee's sale. If an amended notice of trustee's sale is recorded after the trustee sale has been stayed pursuant to RCW 61.24.130, the borrower may be referred to mediation no later than 25 days prior to the date of sale listed in the amended notice of trustee's sale. If the borrower has failed to elect to mediate within the applicable time frame, the borrower and the beneficiary may, but are under no duty to, agree in writing to enter the foreclosure mediation program. The mediation program under this section is not governed by chapter 7.07 RCW and does not preclude mediation required by a court or other provision of law.

(2) A housing counselor or attorney referring a borrower to mediation shall send a notice to the borrower and the department, stating that mediation is appropriate.

(3) Within 10 days of receiving the notice, the department shall:

(a) Send a notice to the beneficiary, the borrower, the housing counselor or attorney who referred the borrower, and the trustee stating that the parties have been referred to mediation. The notice must include the statements and list of documents and information described in subsections (4) and (5) of this section and a statement

explaining each party's responsibility to pay the mediator's fee; and

(b) Select a mediator and notify the parties of the selection.

(4) Within 23 days of the department's notice that the parties have been referred to mediation, the borrower shall transmit the documents required for mediation to the mediator and the beneficiary. The required documents include an initial homeowner financial information worksheet as required by the department. The worksheet must include, at a minimum, the following information:

(a) The borrower's current and future income;

(b) Debts and obligations;

(c) Assets;

(d) Expenses;

(e) Tax returns for the previous two years;

(f) Hardship information;

(g) Other applicable information commonly required by any applicable federal mortgage relief program.

(5) Within 20 days of the beneficiary's receipt of the borrower's documents, the beneficiary shall transmit the documents required for mediation to the mediator and the borrower. The required documents include:

(a) An accurate statement containing the balance of the loan within 30 days of the date on which the beneficiary's documents are due to the parties;

(b) Copies of the note and deed of trust;

(c) Proof that the entity claiming to be the beneficiary is the owner of any promissory note or obligation secured by the deed of trust. Sufficient proof may be a copy of the declaration described in RCW 61.24.030(7)(a);

(d) The best estimate of any arrearage and an itemized statement of the arrearages;

(e) An itemized list of the best estimate of fees and charges outstanding;

(f) The payment history and schedule for the preceding twelve months, or since default, whichever is longer, including a breakdown of all fees and charges claimed;

(g) All borrower-related and mortgage-related input data used in any net present values analysis. If no net present values analysis is required by the applicable federal mortgage relief program, then the input data required under the federal deposit insurance corporation and published in the federal deposit insurance corporation loan modification program guide, or if that calculation becomes unavailable, substantially similar input data as determined by the department;

(h) An explanation regarding any denial for a loan modification, forbearance, or other alternative to foreclosure in sufficient detail for a reasonable person to understand why the decision was made;

(i) Appraisal or other broker price opinion most recently relied upon by the beneficiary not more than 90 days old at the time of the scheduled mediation; and

(j) The portion or excerpt of the pooling and servicing agreement or other investor restriction that prohibits the beneficiary from implementing a modification, if the beneficiary claims it cannot implement a

modification due to limitations in a pooling and servicing agreement or other investor restriction, and documentation or a statement detailing the efforts of the beneficiary to obtain a waiver of the pooling and servicing agreement or other investor restriction provisions.

(6) Within 70 days of receiving the referral from the department, the mediator shall convene a mediation session in the county where the property is located, unless the parties agree on another location. The parties may agree to extend the time in which to schedule the mediation session. If the parties agree to extend the time, the beneficiary shall notify the trustee of the extension and the date the mediator is expected to issue the mediator's certification.

(7)(a) The mediator may schedule phone conferences, consultations with the parties individually, and other communications to ensure that the parties have all the necessary information and documents to engage in a productive mediation.

(b) The mediator must send written notice of the time, date, and location of the mediation session to the borrower, the beneficiary, and the department at least 30 days prior to the mediation session. At a minimum, the notice must contain:

(i) A statement that the borrower may be represented in the mediation session by an attorney or other advocate;

(ii) A statement that a person with authority to agree to a resolution, including a proposed settlement, loan modification, or dismissal or continuation of the foreclosure proceeding, must be present either in person or on the telephone or videoconference during the mediation session; and

(iii) A statement that the parties have a duty to mediate in good faith and that failure to mediate in good faith may impair the beneficiary's ability to foreclose on the property or the borrower's ability to modify the loan or take advantage of other alternatives to foreclosure.

(8)(a) The borrower, the beneficiary or authorized agent, and the mediator must meet in person for the mediation session. However, a person with authority to agree to a resolution on behalf of the beneficiary may be present over the telephone or videoconference during the mediation session.

(b) After the mediation session commences, the mediator may continue the mediation session once, and any further continuances must be with the consent of the parties.

(9) The participants in mediation must address the issues of foreclosure that may enable the borrower and the beneficiary to reach a resolution, including but not limited to reinstatement, modification of the loan, restructuring of the debt, or some other workout plan. To assist the parties in addressing issues of foreclosure, the mediator may require the participants to consider the following:

(a) The borrower's current and future economic circumstances, including the borrower's current and future income, debts, and obligations for the previous 60 days or

greater time period as determined by the mediator;

(b) The net present value of receiving payments pursuant to a modified mortgage loan as compared to the anticipated net recovery following foreclosure;

(c) Any affordable loan modification calculation and net present value calculation when required under any federal mortgage relief program and any modification program related to loans insured by the federal housing administration, the veterans administration, and the rural housing service. If such a calculation is not provided or required, then the beneficiary must provide the net present value data inputs established by the federal deposit insurance corporation and published in the federal deposit insurance corporation loan modification program guide or other net present value data inputs as designated by the department. The mediator may run the calculation in order for a productive mediation to occur and to comply with the mediator certification requirement; and

(d) Any other loss mitigation guidelines to loans insured by the federal housing administration, the veterans administration, and the rural housing service, if applicable.

(10) A violation of the duty to mediate in good faith as required under this section may include:

(a) Failure to timely participate in mediation without good cause;

(b) Failure of the borrower or the beneficiary to provide the documentation required before mediation or pursuant to the mediator's instructions;

(c) Failure of a party to designate representatives with adequate authority to fully settle, compromise, or otherwise reach resolution with the borrower in mediation; and

(d) A request by a beneficiary that the borrower waive future claims he or she may have in connection with the deed of trust, as a condition of agreeing to a modification, except for rescission claims under the federal truth in lending act. Nothing in this section precludes a beneficiary from requesting that a borrower dismiss with prejudice any pending claims against the beneficiary, its agents, loan servicer, or trustee, arising from the underlying deed of trust, as a condition of modification.

(11) If the mediator reasonably believes a borrower will not attend a mediation session based on the borrower's conduct, such as the lack of response to the mediator's communications, the mediator may cancel a scheduled mediation session and send a written cancellation to the department and the trustee and send copies to the parties. The beneficiary may proceed with the foreclosure after receipt of the mediator's written confirmation of cancellation.

(12) Within seven business days after the conclusion of the mediation session, the mediator must send a written certification to the department and the trustee and send copies to the parties of:

(a) The date, time, and location of the mediation session;

(b) The names of all persons attending in person and by telephone or videoconference, at the mediation session;

(c) Whether a resolution was reached by the parties, including whether the default was cured by reinstatement, modification, or restructuring of the debt, or some other alternative to foreclosure was agreed upon by the parties;

(d) Whether the parties participated in the mediation in good faith; and

(e) If a written agreement was not reached, a description of any net present value test used, along with a copy of the inputs, including the result of any net present value test expressed in a dollar amount.

(13) If the parties are unable to reach an agreement, the beneficiary may proceed with the foreclosure after receipt of the mediator's written certification.

(14)(a) The mediator's certification that the beneficiary failed to act in good faith in mediation constitutes a defense to the nonjudicial foreclosure action that was the basis for initiating the mediation. In any action to enjoin the foreclosure, the beneficiary is entitled to rebut the allegation that it failed to act in good faith.

(b) The mediator's certification that the beneficiary failed to act in good faith during mediation does not constitute a defense to a judicial foreclosure or a future nonjudicial foreclosure action if a modification of the loan is agreed upon and the borrower subsequently defaults.

(c) If an affordable loan modification is not offered in the mediation or a written agreement was not reached and the mediator's certification shows that the net present value of the modified loan exceeds the anticipated net recovery at foreclosure, that showing in the certification constitutes a basis for the borrower to enjoin the foreclosure.

(15) The mediator's certification that the borrower failed to act in good faith in mediation authorizes the beneficiary to proceed with the foreclosure.

(16)(a) If a borrower has been referred to mediation before a notice of trustee sale has been recorded, a trustee may not record the notice of sale until the trustee receives the mediator's certification stating that the mediation has been completed. If the trustee does not receive the mediator's certification, the trustee may record the notice of sale after 10 days from the date the certification to the trustee was due. If, after a notice of sale is recorded under this subsection (16)(a), the mediator subsequently issues a certification finding that the beneficiary violated the duty of good faith, the certification constitutes a basis for the borrower to enjoin the foreclosure.

(b) If a borrower has been referred to mediation after the notice of sale was recorded, the sale may not occur until the trustee receives the mediator's certification stating that the mediation has been completed.

(17) A mediator may charge reasonable fees as authorized by this subsection or as authorized by the department. Unless the fee

is waived, the parties agree otherwise, or the department otherwise authorizes, a foreclosure mediator's fee may not exceed \$400 for preparing, scheduling, and conducting a mediation session lasting between one hour and three hours. For a mediation session exceeding three hours, the foreclosure mediator may charge a reasonable fee, as authorized by the department. The mediator must provide an estimated fee before the mediation, and payment of the mediator's fee must be divided equally between the beneficiary and the borrower. The beneficiary and the borrower must tender the loan mediator's fee within 30 calendar days from receipt of the department's letter referring the parties to mediation or pursuant to the mediator's instructions.

(18) ~~((Beginning December 1, 2012, and every year thereafter, the))~~The department shall report annually ~~((to the legislature or))~~by posting the following information on the department's website:

(a) The performance of the program, including the numbers of borrowers who are referred to mediation by a housing counselor or attorney;

(b) The results of the mediation program, including the number of mediations requested by housing counselors and attorneys, the number of certifications of good faith issued, the number of borrowers and beneficiaries who failed to mediate in good faith, and the reasons for the failure to mediate in good faith, if known, the numbers of loans restructured or modified, the change in the borrower's monthly payment for principal and interest and the number of principal write-downs and interest rate reductions, and, to the extent practical, the number of borrowers who report a default within a year of restructuring or modification;

(c) The information received by housing counselors regarding outcomes of foreclosures; and

(d) Any recommendations for changes to the statutes regarding the mediation program.

(19) This section does not apply to certain federally insured depository institutions, as specified in RCW 61.24.166.

The board shall also determine student scores that identify levels of student performance below and beyond the standard. The board shall set such performance standards and levels in consultation with the superintendent of public instruction and after consideration of any recommendations that may be developed by any advisory committees that may be established for this purpose;

Therefore, by December 1, 2018, the state board of education, in consultation with the superintendent of public instruction, must identify and report to the governor and the education policy and fiscal committees of the legislature on the equivalent student performance standard that a tenth grade student would need to achieve on the state assessments to be on track to

(6) The council must monitor implementation of transfer associate degrees by public four-year institutions to ensure compliance with subsection (2) of this section.
