(3) An employer or licensing agency shall not request or require an applicant for employment or licensing to undergo drug or alcohol testing or a preemployment or prelicensing physical examination that includes drug or alcohol testing unless the same test or examination is requested or required of all applicants who are finalists for employment in the same position. The employer or licensing agency shall provide at least twenty-four hours' notice prior to the drug or alcohol test or physical examination that a test or examination is required. Disclosure of the test or examination requirement shall be included in any notice or advertisement soliciting applicants for employment or licensing or in the application for employment or licensing.

(4) Random or mandatory drug or alcohol testing of employees or licensees is prohibited except for employees or licensees who refuse rehabilitation or who are found fit to return to work as provided in (a) of this subsection, for employees or licensees who are undergoing rehabilitation as provided in (b) of this subsection, as part of a routine annual physical examination as provided in (c) of this subsection, or in conjunction with a work-related accident as provided in (d) of this subsection.

(a) An employer or licensing agency may require an employee or licensee who has received a positive test result to submit to up to six subsequent drug or alcohol tests performed at randomly selected times over a one-year period as a condition of continued employment:

(i) If the employee or licensee chooses not to undergo rehabilitation or fails to complete successfully rehabilitation determined appropriate by the employee assistance program; or (ii) after the employee assistance program or rehabilitation program determines that the employee or licensee is fit to return to work.

(b) While the employee or licensee is participating in a rehabilitation program either as a result of voluntary contact with or mandatory referral to the employee assistance program or after a positive test result, drug or alcohol testing may be conducted by the rehabilitation or treatment provider as required, requested, or suggested by that provider.

(i) Drug or alcohol testing conducted as part of such a rehabilitation or treatment program is not subject to the provisions of this chapter regulating drug and alcohol testing, except for section 18 of this act.

(ii) An employer or licensing agency shall not request or require that any drug or alcohol test be administered to an employee or licensee while the employee or licensee is undergoing such rehabilitation or treatment, except as provided in subsection (2) or (4)(a) of this section.

(iii) The results of a drug or alcohol test administered to an employee or licensee as part of such a rehabilitation or treatment program shall not be released to the employer or licensing agency.

(c) An employer or licensing agency shall not request or require an employee or licensee to undergo drug or alcohol testing as part of a routine physical examination unless: (i) The examination is required for all employees or licensees within the employee's or licensee's class; (ii) the examination is a comprehensive health evaluation including a review of systems and laboratory tests as indicated by symptoms or required by chapter 49.17 RCW; (iii) the conditions under which the testing is conducted are not more intrusive than those required for the physical examination; and (iv) the results of the examination, including any drug or alcohol testing, are evaluated by the examining health professional. The drug or alcohol test shall not be requested or required more than once annually and the employee or licensee shall be given at least forty-eight hours' written notice of the examination date, including notice that a drug or alcohol test may be requested or required as part of the physical examination.

(d) An employer or licensing agency may require an employee or licensee to undergo drug or alcohol testing if the employee or licensee is directly involved in a significant work-related accident. Any testing under this subsection (d) shall be reported to the department of labor and industries pursuant to section 24 of this act. For the purposes of this subsection (d), 'significant work-related accident' means an accident involving property damage of more than one thousand dollars or personal injury, including fatality, that requires reporting and investigation or recording under chapter 49.17 RCW, but the application of this definition is not limited by the employer's size. However, employers and licensing agencies are prohibited from using drug or alcohol testing to deter the filing of an industrial accident or injury report.

NEW SECTION, Sec. 4. EXCLUSIONS. (1) This chapter does not apply to:

(a) Drug or alcohol testing of health care professionals when testing is conducted pursuant to a substance abuse monitoring program approved by the disciplining authority as authorized by law;

(b) Drug or alcohol testing required as a condition of probation, court-ordered rehabilitation or other court order; or

(c) Drug or alcohol testing of law enforcement personnel whose job assignment specifically requires the enforcement of the uniform controlled substances act or laboratory examination and analysis of controlled substances.

(2) Except as provided under subsection (3) of this section, the protections provided under this chapter do not apply to employees, licensees, and applicants where the specific work performed requires those employees, licensees, or applicants to be subject to drug or alcohol testing pursuant to:

(a) Federal regulations that specifically preempt state regulation of drug or alcohol testing with respect to those employees, licensees, or applicants;

(b) Federal regulations or requirements necessary to operate federally regulated facilities;

(c) Criteria established by United States nuclear regulatory commission regulations, policy statements, or other official commission action; or

(d) Federal contracts that require drug or alcohol testing to be conducted for security, safety, or protection of sensitive or proprietary data.

(3) Employers, licensing agencies, and testing laboratories shall comply with the protections provided in this chapter with respect to employees, licensees, or applicants otherwise excluded under subsection (2) of this section to the extent that the provisions of this chapter are not inconsistent with or specifically preempted by the federal regulations, contract, or requirements applicable to drug or alcohol testing.

NEW SECTION, Sec. 5. TESTING TO BE PERFORMED DURING WORK TIME—COSTS. (1) Any drug or alcohol testing by an employer shall occur during or immediately after the regular work period of current employees and shall be deemed work time for purposes of compensation and benefits.

(2) An employer or licensing agency shall pay all costs of testing for drugs or alcohol required by the employer or agency, including the cost of the employee's or licensee's transportation to the testing site if other than the work site.

(3) For testing of employment or licensing applicants, the employer or licensing agency shall pay the costs of drug or alcohol tests required by the employer or agency.

NEW SECTION, Sec. 6. WRITTEN POLICY OF EMPLOYER OR LICENSING AGENCY. Before establishing any drug or alcohol testing program, an employer or licensing agency shall develop a written policy in compliance with this chapter providing for:

(1) The procedure and consequences of an employee's or licensee's voluntary admission of a substance abuse problem and any available assistance, including the availability and procedure of the employee assistance program;

(2) The employees, licensees, or applicants subject to testing under the policy;

(3) The circumstances under which drug or alcohol testing may be requested or required;

(4) The right of an employee, licensee, or applicant to refuse to undergo drug or alcohol testing and the consequences of failing to undergo testing;

(5) Any disciplinary or other adverse personnel action that may be taken based on a positive test result;

(6) The right of an employee, licensee, or applicant to explain a positive test result or to request and pay for a confirmatory retest;

(7) Requirements for the collection of samples, including:

(a) The collection of any sample for use in a drug or alcohol test shall be conducted in a medical facility, which may include a temporary or permanent work-site medical facility, or a facility approved under chapter 69.54 or 70.96A RCW to provide drug or alcohol treatment, and shall be supervised by trained medical personnel or trained personnel approved under chapter 69.54 or 70.96A RCW to provide drug or alcohol treatment;

(b) The collection of a urine sample shall not be observed, directly or indirectly, except by medical personnel of the respective sex of the person being tested;

(c) Samples shall be stored before testing under conditions sufficient to avoid deterioration of the sample; and

(d) Chain of custody procedures shall be established sufficient to protect the samples from tampering and to verify the identity of each sample and test results;

(8) The drugs or metabolites for which tests may be conducted;

(9) The threshold levels for both screening and confirmation tests at which the presence of a drug or metabolite in a sample is considered a positive test result;

(10) Opportunities and procedures for rehabilitation following a positive test result;

(11) A procedure under which an employee, licensee, or applicant who receives a positive test result may appeal and contest the accuracy of that result; and

(12) Any other appeal procedures available.

An employer must consult with his or her employees, or an employee representative authorized by the employees, while developing, after the effective date of this section, a drug or alcohol testing policy under this section or any changes in an existing drug or alcohol testing policy. An employer with a drug or alcohol testing policy in existence on the effective date of this section must inform its employees and the employee representatives, if any, before effecting any changes that are designed to bring the policy into compliance with this chapter. Such changes must be posted pursuant to section 8 of this act.

NEW SECTION, Sec. 7. EMPLOYEE ASSISTANCE PROGRAM. Before establishing a drug or alcohol testing program for employees or licensees, an employer shall have or provide access to a functioning employee assistance program and a licensing agency shall adopt rules providing for referral to an assistance program meeting the standards of an employee assistance program. Employers or licensing agencies may meet the requirements of this section by participating in a cooperative assistance program that serves the employees or licensees of more than one employer or agency. The employee assistance program shall provide services with the highest possible degree of confidentiality, which shall, at a minimum, comply with section 18 of this act.

NEW SECTION, Sec. 8. NOTICE. An employer or licensing agency shall provide notice of its drug or alcohol testing policy to all affected employees and licensees upon adoption of the policy, to a previously unaffected employee or licensee upon transfer to an affected position under the policy, and to an applicant as required in section 3 of this act. An employer or licensing agency shall also post written notice in an appropriate and conspicuous location on the employer's or agency's premises that a drug and alcohol testing policy has been adopted and that copies of the policy are available for inspection in an identified and suitable location during regular business hours.

NEW SECTION, Sec. 9. WAIVER PROHIBITED. (1) No employer or licensing agency may request or require that any employee, licensee, or applicant sign or agree to any form or agreement that:

(a) Attempts to absolve the employer or agency from any potential liability arising out of the imposition of the drug or alcohol test; or

(b) Attempts to waive an employee's, licensee's, or applicant's rights or eliminate or diminish an employer's or agency's obligations under this chapter.

(2) A form or agreement prohibited by this section is void.

(3) This section does not apply to a release under a judicially approved settlement or under a negotiated settlement when the employee, licensee, or applicant is represented by legal counsel.

NEW SECTION. Sec. 10. TESTING LABORATORIES. A drug or alcohol test administered under this chapter shall be performed in a testing laboratory that complies with this section. The testing laboratory shall have the minimum qualifications specified in this section.

(1) The director of the laboratory or the director of the toxicology department:

(a) Possesses a doctoral degree in pharmacology, toxicology, or chemistry, is a physician certified by the American board of pathology, or is certified by the state in which the laboratory is located as a laboratory director in forensic or toxicological analysis;

(b) Has at least two years' experience in an analytical toxicology laboratory; and

(c) Is certified by the American board of forensic toxicology, the American board of clinical chemistry in toxicological chemistry, the American board of pathology in clinical pathology, or other comparable national accrediting board in one of the laboratory specialties.

(2) The laboratory has written testing procedures and procedures that ensure a clear chain of custody.

(3) The laboratory is certified or accredited by the national institute on drug abuse, the college of American pathology (forensic urine drug testing program), or other comparable nationally recognized accrediting program for forensic toxicology.

(4) The laboratory follows quality control procedures, including, but not limited to:

(a) The use of internal quality controls during drug and alcohol testing, including the use of blind samples and samples of known concentrations that are used to check the performance and calibration of testing equipment;

(b) Procedures for internal review and certification of test results; and

(c) Implementation of adequate sample storage and security measures by the testing laboratory.

NEW SECTION. Sec. 11. TRANSITIONAL LABORATORY PROVISIONS. (1) A drug or alcohol test administered under this chapter shall be performed in a qualified testing laboratory. A laboratory shall be qualified under this section if the laboratory meets all federal requirements and is certified for medicare reimbursement.

(2) This section shall expire on December 31, 1990.

NEW SECTION. Sec. 12. CONSTRUCTION—LABORATORY REQUIREMENTS. Sections 10 and 11 of this act shall not be construed to preclude employees, licensees, or applicants from challenging the accuracy or reliability of drug or alcohol test results or create a presumption with regard to the accuracy or reliability of test results.

NEW SECTION. Sec. 13. LABORATORY REPORTS. (1) A laboratory may report that a test sample is positive only if both the initial screening test and confirmation test are positive for the particular substance being tested. The detection of the substance being tested below the established threshold level shall be reported as a negative test result. The laboratory's report shall not contain any information indicating the presence of the substance being tested below the threshold level.

(2) The laboratory shall provide the employer or licensing agency with a written report of the drug or alcohol test result that includes the following information:

(a) The substances for which testing was conducted;

(b) The type of test conducted;

(c) The results of the screening test if the screening test is negative or, if the screening test is positive, the results of the confirmatory test;

(d) The threshold level established for both the initial screening and confirmation procedures; and

(e) The name and address of the laboratory.

(3) The laboratory shall preserve a portion of any positive sample in a condition that will permit retesting for a period of not less than ninety days after the person tested receives the result.

NEW SECTION. Sec. 14. RIGHTS OF EMPLOYEES, LICENSEES, AND APPLICANTS. (1) Before requesting or requiring an employee, licensee, or applicant to undergo drug or alcohol testing, an employer or licensing agency shall provide the employee, licensee, or applicant with a form, developed by the employer or agency, on which to acknowledge that the employee, licensee, or applicant has seen the employer's or agency's drug or alcohol testing policy. Prior to or at the time of the test, the employee, licensee, or applicant shall be given an opportunity to indicate any over-the-counter or prescription medications that the individual is currently taking or has recently taken and any other information relevant to the reliability of, or explanation for, a positive test result. The information shall be sealed and may be revealed to the laboratory or other medical professional evaluating the test results only if the drug or alcohol test result of the individual providing the information is positive. The information shall not be revealed to the employer or licensing agency.

(2) Within five working days after receipt of a test result report from the testing laboratory, an employer or licensing agency shall inform in writing the employee, licensee, or applicant who has undergone drug or alcohol testing of a positive test result and, upon request, the absence of a positive test result. In the case of a positive test result, the employer or licensing agency shall also, at the time of this notice, inform the employee, licensee, or applicant in writing of the right to submit further information relative to the positive test result or to have a confirmatory retest.

(3) Within five working days after notice from the employer or licensing agency of a positive test result, the employee, licensee, or applicant may submit information to the employer or agency, in addition to any information already submitted under subsection (1) of this section, to explain that result, or may request a confirmatory retest of the original sample at the employee's, licensee's, or applicant's own expense.

(4) Within five working days after notice of the positive test result, the employee, licensee, or applicant shall notify the employer or licensing agency in writing of the employee's, licensee's, or applicant's intent to obtain a confirmatory retest. Within three working days after receipt of the notice, the employer or agency shall notify the original testing laboratory that the employee, licensee, or applicant has requested the laboratory to conduct the confirmatory retest or transfer the sample to another laboratory meeting the requirements of this chapter to conduct the confirmatory retest. The original testing laboratory shall ensure that the chain-of-custody procedures are followed during transfer of the sample to the other laboratory. The confirmatory retest shall use the same drug or alcohol threshold detection levels used in the original confirmatory test and shall otherwise meet the requirements of this chapter that apply to the confirmatory test. All costs related to conducting the confirmatory retest are at the employee's, licensee's, or applicant's own expense. If the confirmatory retest does not confirm the original positive test result, no disciplinary action based on the original confirmatory test may be taken against the employee, licensee, or applicant and the results of the original confirmatory test shall not be placed or maintained in the employee's personnel file.

(5) An employer or licensing agency shall provide an employee, licensee, or applicant who has a positive test result an opportunity for an informal meeting to explain the results and explain why the result may not be accurate.

(6) An employee, licensee, or applicant has the right to request and receive from the employer or licensing agency a copy of a positive test result report on any drug or alcohol test or, if the employer or agency preserves a copy, of a negative test result report on any such test.

(7) Delay in reporting of drug or alcohol test results by a laboratory shall not be interpreted as a positive or negative test by the employer or licensing agency.

NEW SECTION. Sec. 15. ADVERSE PERSONNEL ACTIONS. (1) (a) An employer shall not discharge, discipline, discriminate against, or request or require rehabilitation of an employee nor may a licensing agency deny or withdraw a license on the basis of an initial screening test that has not been verified by a confirmatory test.

(b) If an applicant has received an employment offer made contingent on the applicant passing a drug or alcohol test, the employer shall not withdraw the offer based on an initial screening test that has not been verified by a confirmatory test.

(2) Except as provided in subsection (4) of this section, an employer or licensing agency shall not take disciplinary action against an employee or licensee solely on the basis of a positive test result if the positive result was the first such result on a drug or alcohol test requested by the employer or agency unless:

(a) The employee or licensee is given an opportunity to participate in a drug or alcohol counseling or rehabilitation program or other program, as determined appropriate by the employee assistance program; and

(b) The employee or licensee has either refused to participate in the program recommended by the employee assistance program or has failed to successfully complete the program.

(3) An employer or licensing agency may temporarily suspend the tested employee or licensee or transfer an employee to another position at the same rate of pay pending the outcome of the drug or alcohol test and, if requested, the confirmatory retest, if the employer or agency believes that it is reasonably necessary to protect the health or safety of the employee, coemployees, colicensees, or the public. An employee who has been suspended without pay must be reinstated with back pay if the outcome of the drug or alcohol test or requested confirmatory retest is negative.

(4) An employer or licensing agency may suspend an employee or licensee on the basis of a positive test result, but only for the period that the employee or licensee is participating in an employee assistance program or rehabilitation program and is determined by the program to be unfit to return to his or her regular employment.

(5) An employer or licensing agency shall not take disciplinary action against an employee or licensee on the basis of medical history information revealed to the employer or agency under section 14 of this act unless disclosure is required by state or federal law.

(6) An employee shall be given access to information in the employee's personnel file relating to positive test result reports and other information acquired in the drug and alcohol testing process, and conclusions drawn from and actions taken based on the reports or other acquired information.

NEW SECTION, Sec. 16. OTHER DISCIPLINARY ACTION. (1) Except as expressly provided, nothing in this chapter shall add to or detract from: (a) An employer's ability to establish job performance standards or to condition employment or continued employment on satisfactory job performance; or (b) the authority conferred on licensing agencies by law to establish licensing standards or to issue, renew, suspend, or revoke licenses.

(2) Nothing in this chapter prevents an employer or licensing agency from establishing written rules related to employees' or licensees' possession or use of drugs or alcohol, including convictions for drug-related offenses, and taking disciplinary action based on a violation of any of those rules, but any drug or alcohol test that is requested, required, or used as a basis for disciplinary action shall conform to the provisions of this chapter.

(3) Nothing in this chapter prevents an employer or licensing agency from disciplinary action based on an employee's or licensee's impairment as a result of drugs or alcohol.

NEW SECTION, Sec. 17. MEDICAL EXAMINATIONS. This chapter does not prevent an employer from requiring or performing medical examinations of employees or applicants or from conducting medical screenings to monitor exposure to toxic or other harmful substances in the workplace if the screenings are limited to the specific substances reasonably believed to be present. The examinations shall not be used to avoid the restrictions of this chapter.

NEW SECTION, Sec. 18. CONFIDENTIALITY. (1) The use of information acquired by an employer, licensing agency, laboratory, or rehabilitation provider in the drug or alcohol testing process shall comply with this section.

(2) In conducting drug or alcohol testing under this chapter, the employer or licensing agency shall ensure to the extent feasible that the tests only measure and that the records of the tests only show or make use of information regarding drugs or alcohol in the body that are likely to affect the ability of the employee or licensee to perform safely his or her duties while on the job.

(3) A laboratory may only disclose to the employer or licensing agency test result data regarding the presence or absence of drugs, alcohol, or their metabolites in a sample tested at or above the specified threshold level.

(4) Test result reports and other information acquired in the drug or alcohol testing process are, with respect to private sector employees and applicants, private and confidential information and, with respect to public sector employees, licensees, and applicants, personal information as that term is used in RCW 42.17.310 and shall not be disclosed by an employer, licensing agency, or laboratory to another employer or to a third-party individual, governmental agency, or private organization without the written consent of the employee, licensee, or applicant. However, test results may be released to an employee assistance program or a substance abuse rehabilitation program for the purpose of the evaluation or treatment of the employee or licensee.

(5) All information, interviews, reports, statements, memoranda, or test results received by the employer or licensing agency through a drug or alcohol testing program are confidential communications and shall not be used or received in evidence, obtained in discovery, or disclosed in any public or private proceeding, except that evidence of a positive test result may be: (a) Used in an arbitration proceeding pursuant to a collective bargaining agreement, an administrative hearing under chapter 34.04 RCW or other applicable state or local law, or a judicial proceeding, if the information is relevant to the hearing or proceeding; (b) disclosed to any federal agency or other unit of the United States government as required under federal law, regulation, or order, or in accordance with compliance requirements of a federal government contract; and (c) disclosed to an employee assistance program or a substance abuse rehabilitation program for the purpose of the evaluation or treatment of the employee or licensee.

(6) The results of a drug or alcohol test may be recorded in the employee's personnel records. However, if an employee with a positive test result has undergone substance abuse evaluation and, when treatment is indicated under the evaluation, has successfully completed treatment for substance abuse, the employee's personnel records shall be expunged of any reference to the test or its results when the employee leaves employment. This subsection does not prevent retention of drug or alcohol test results in an employee's medical records.

NEW SECTION, Sec. 19. REMEDIES. (1) In a civil action alleging a violation of this chapter, the court may award, in addition to actual special and general damages:

(a) Reinstatement of the employee or licensee to his or her position of employment or licensure with full benefits; and

(b) Reasonable attorneys' fees and costs to the prevailing employee, licensee, or applicant.

(2) In addition to an award of actual damages, the court shall award a penalty in the amount of two times any lost wages or five hundred dollars, whichever is greater, to a prevailing employee, licensee, or applicant upon final judgment and written findings of the trial

judge that the employer or licensing agency intentionally or recklessly committed a violation of this chapter.

(3) Pursuant to RCW 4.84.185, the court shall award a prevailing party against whom an action has been brought for a violation of this chapter reasonable expenses and attorneys' fees upon final judgment and written findings by the trial judge that the action was frivolous and advanced without reasonable cause.

(4) In a civil action brought against an employer or licensing agency to enforce this chapter, the plaintiff has the burden of making a prima facie showing that a violation of this chapter has occurred. The employer or licensing agency has the burden of proving that the requirements of this chapter have been met. The plaintiff has the ultimate burden of proving a violation of this chapter.

(5) (a) No cause of action arises in favor of any person based on the failure of an employer or licensing agency to establish a program or policy of drug or alcohol testing.

(b) No cause of action arises in favor of any person against an employer or licensing agency who has established a policy and initiated a drug or alcohol testing program in accordance with this chapter, for any of the following:

(i) Failure to test for drugs or alcohol, or failure to test for a specific drug or other substance;

(ii) Failure to test for or, if tested for, failure to detect, any specific drug or other substance, disease, infectious agent, virus, or other physical abnormality, problem, or defect of any kind;

(iii) Failure to take disciplinary action against an employee or licensee or increase supervision of the employee or licensee on the basis of either a positive test result or knowledge of the employee's or licensee's participation in an employee assistance program or rehabilitation program. However, a cause of action shall not be barred for failure to take disciplinary action based on an act that is independent of the test result or the employer's or agency's knowledge of employee assistance program or rehabilitation program participation; or

(iv) Termination or suspension of any drug or alcohol testing program or policy.

(6) Any complaint filed pursuant to this section shall be filed within six months after the act that is alleged to have violated this chapter.

NEW SECTION. Sec. 20. COLLECTIVE BARGAINING. (1) This chapter shall not be construed to limit the parties to a collective bargaining agreement from bargaining and agreeing with respect to a drug or alcohol testing policy that meets or exceeds, and does not otherwise conflict with, the minimum standards and requirements for employee protection provided in this chapter.

(2) This chapter shall not be construed to interfere with or diminish any employee protections relating to drug or alcohol testing provided under collective bargaining agreements in effect on the effective date of this section that exceed the minimum standards and requirements for employee protection provided in this chapter.

NEW SECTION. Sec. 21. DRUG AND ALCOHOL TESTING NOT MANDATORY. This chapter does not require or encourage employers or licensing agencies to conduct drug or alcohol testing of their employees, licensees, or applicants. An employer or licensing agency that chooses to conduct such testing is limited by this chapter and by applicable constitutional constraints, but may establish policies that are supplemental to and not inconsistent with this chapter or that exceed the minimum standards for employee protection provided in this chapter.

NEW SECTION. Sec. 22. HANDICAP NOT DETERMINED SOLELY BY TEST OR PARTICIPATION IN REHABILITATION. An employee, licensee, or applicant with a positive test result on a drug or alcohol test shall not, solely on the basis of the test results or participation in an employee assistance program or rehabilitation program, be defined as a person with a 'handicap' for purposes of chapter 49.60 RCW.

NEW SECTION. Sec. 23. RETALIATION PROHIBITED. An employee or licensee shall not be discharged, disciplined, or discriminated against in any manner for filing a complaint or testifying in any proceeding or action involving violations of this chapter. An employee or licensee discharged, disciplined, or otherwise discriminated against in violation of this chapter may be awarded the amount of any lost wages and benefits arising out of the discrimination and may be reinstated to his or her previous position of employment or licensure.

NEW SECTION. Sec. 24. ACCIDENT TESTING—STUDY. All drug or alcohol testing required by an employer or licensing agency under section 3(4)(d) of this act shall be reported to the department of labor and industries under rules adopted by the department. The department's rules shall include:

(1) Requirements providing for confidentiality of drug or alcohol testing information with respect to any specific person or employer. Information obtained from the employer or licensing agency shall be private and confidential and shall not be subject to public disclosure under chapter 42.17 RCW, except that statistical information, not descriptive of any readily identifiable person or persons, business, or businesses, may be disclosed;

(2) Procedures and forms for reporting. To the extent practical, the reporting requirements shall be in conjunction with existing reports or records required by law; and

(3) Information to be reported, including but not limited to a description of the accident, the number of persons or the amount of property damage involved in the accident, the kind of

injury, the results of any drug or alcohol test or other medical or environmental testing conducted as a result of the accident and other relevant factors.

The department shall report on the information collected pursuant to this section, including other relevant accident statistics for comparison purposes, to the law and justice committee of the senate and the commerce and labor committee of the house of representatives, or the appropriate successor committees, at the beginning of the 1992 legislative session.

NEW SECTION, Sec. 25. SEVERABILITY. If any provision of this chapter or its application to any person or circumstance is held invalid, the remainder of the chapter or the application of the provision to other persons or circumstances is not affected.

NEW SECTION, Sec. 26. SECTION CAPTIONS. Section captions as used in this chapter constitute no part of the law.

NEW SECTION, Sec. 27. (1) Sections 1 through 9 and 11 through 26 of this act shall take effect January 1, 1989.

(2) Section 10 of this act shall take effect January 1, 1991.

NEW SECTION, Sec. 28. This chapter shall expire January 1, 1993.

REMARKS BY REPRESENTATIVE SCHOON

Mr. Schoon: Thank you, Mr. Speaker. I have spoken with the Speaker's attorney regarding the possible conflict of interest, and the attorney has advised me, since I don't have any personal gain coming out of this bill, that I have to vote on the piece of legislation as an elected legislator.

I serve on the Revenue Committee and, as we heard this testimony, some of the information that came up was very interesting. We're taxing a single entity. It is a single piece legislation that taxes only one company and one transaction. However, the explanation from the company I thought was very valid. They are in a joint operation with Jujo Paper of Japan on the NORPAC operation. Jujo requires very strict accounting for its transactions. As Weyerhaeuser supplies paper to NORPAC, it was necessary for them, as they sold the power, to identify it as a sole separate institution. I feel the other problem that occurs with this, as we look at it, is the very possible fact that this will impact major power sales by other PUD's from Grant, Douglas and other counties. So I am opposed to this legislation, because it does identify one company that is seeking to buy power from Cowlitz County, their PUD, and sell a portion of it to a partially owned subsidiary, NORPAC. I would urge your opposition to House Bill No. 1881.

Mr. Holland spoke against passage of the bill.

(1) When the person in charge of a treatment facility, or his or her designee, receives information alleging that a person is incapacitated as a result of alcoholism, the person in charge, or his or her designee, after investigation and evaluation of the specific facts alleged and of the reliability and credibility of the information, may file a petition for commitment of such person with the superior court or district court. If the person in charge, or his or her designee, finds that the initial needs of such person would be better served by placement within the mental health system, the person shall be referred to an evaluation and treatment facility as defined in RCW 71.05.020. If placement in an alcohol treatment facility is deemed appropriate, the petition shall allege that: The person is an alcoholic who is incapacitated by alcohol, or that the person has twice before in the preceding twelve months been admitted for ~~((the voluntary))~~ detoxification or treatment for alcoholism pursuant to RCW 70.96A.110 and is in need of a more sustained treatment program, or that the person is an alcoholic who has threatened, attempted, or inflicted physical harm on another and is likely to inflict physical harm on another unless committed. The petition shall be accompanied by a certificate of a licensed physician who has examined the person within ~~((two))~~ five days before submission of the petition, unless the person whose commitment is sought has refused to submit to a medical examination, in which case the fact of refusal shall be alleged in the petition. The certificate shall set forth the licensed physician's findings in support of the allegations of the petition. A physician employed by the petitioning facility or the department is ~~((not))~~ eligible to be the certifying physician.

(2) Upon filing the petition, the court shall fix a date for a hearing no less than ~~((three))~~ two and no more than seven days after the date the petition was filed unless the person petitioned against is presently being detained ~~((by the))~~ in a facility, pursuant to RCW 70.96A.120 or 71.05.210, as now or hereafter amended, in which case the hearing shall be held within seventy-two hours of the filing of the petition: PROVIDED, HOWEVER, That the above specified seventy-two hours shall be computed by excluding Saturdays, Sundays, and holidays: PROVIDED FURTHER, That, the court may, upon motion of the person whose commitment is sought, or upon motion of petitioner with written permission of the person whose commitment is sought, or his or her counsel and, upon good cause shown, extend the date for the hearing. A copy of the petition and of the notice of the hearing, including the date fixed by the court, shall be served by the treatment facility on the person whose commitment is sought, his or her next of kin, a parent or his or her legal guardian if he or she is a minor, and any other person the court believes advisable. A copy of the petition and certificate shall be delivered to each person notified.

(3) At the hearing the court shall hear all relevant testimony, including, if possible, the testimony, which may be telephonic, of at least one licensed physician who has examined the person whose commitment is sought. The person shall be present unless the court believes that his or her presence is likely to be injurious to him or her; in this event the court may deem it appropriate to appoint a guardian ad litem to represent him or her throughout the proceeding. If deemed advisable, the court may examine the person out of courtroom. If the person has refused to be examined by a licensed physician, he or she shall be given an opportunity to be examined by a court appointed licensed physician. If he or she refuses and there is sufficient evidence to believe that the allegations of the petition are true, or if the court believes that more medical evidence is necessary, the court may make a temporary order committing him or her to the department for a period of not more than five days for purposes of a diagnostic examination.

(4) If after hearing all relevant evidence, including the results of any diagnostic examination, the court finds that grounds for involuntary commitment have been established by clear, cogent, and convincing proof, it shall make an order of commitment to an approved treatment facility. It shall not order commitment of a person unless it determines that an approved treatment facility is able to provide adequate and appropriate treatment for him or her ~~((and the treatment is likely to be beneficial))~~.

(5) A person committed under this section shall remain in the facility for treatment for a period of ~~((thirty))~~ sixty days unless sooner discharged. At the end of the ~~((thirty))~~ sixty-day period, he or she shall be discharged automatically unless the facility, before expiration of the period, files a petition for his or her recommitment upon the grounds set forth in subsection (1) of this section for a further period of ninety days unless sooner discharged. If a person has been committed because he or she is an alcoholic likely to inflict physical harm on another, the facility shall apply for recommitment if after examination it is determined that the likelihood still exists.

(6) ~~((A person recommitted under subsection (5) of this section who has not been discharged by the facility before the end of the ninety day period shall be discharged at the expiration of that period unless the facility, before expiration of the period, obtains a court order on the grounds set forth in subsection (1) of this section for recommitment for a further period not to exceed ninety days. If a person has been committed because he or she is an alcoholic likely to inflict physical harm on another, the facility shall apply for recommitment if after examination it is determined that the likelihood still exists. Only two recommitment orders under subsections (5) and (6) of this section are permitted.~~

(7)) Upon the filing of a petition for recommitment under subsection((s)) (5) ((or((6))) of this section, the court shall fix a date for hearing no less than ((three)) two and no more than seven days after the date the petition was filed: PROVIDED, That, the court may, upon motion of the person whose commitment is sought and upon good cause shown, extend the date for the hearing. A copy of the petition and of the notice of hearing, including the date fixed by the court, shall be served by the treatment facility on the person whose commitment is sought, his or her next of kin, the original petitioner under subsection (1) of this section if different from the petitioner for recommitment, one of his or her parents or his or her legal guardian if he or she is a minor, and his or her attorney and any other person the court believes advisable. At the hearing the court shall proceed as provided in subsection (3) of this section.

((6)) (7) The approved treatment facility shall provide for adequate and appropriate treatment of a person committed to its custody. A person committed under this section may be transferred from one approved public treatment facility to another if transfer is medically advisable.

((9)) (8) A person committed to the custody of a facility for treatment shall be discharged at any time before the end of the period for which he or she has been committed and he or she shall be discharged by order of the court if either of the following conditions are met:

(a) In case of an alcoholic committed on the grounds of likelihood of infliction of physical harm upon himself, herself, or another, ((that he or she is no longer an alcoholic or)) the likelihood no longer exists; or further treatment will not be likely to bring about significant improvement in the person's condition, or treatment is no longer adequate or appropriate.

(b) In case of an alcoholic committed on the grounds of the need of treatment and incapacity, that the incapacity no longer exists.

((8)) (9) The court shall inform the person whose commitment or recommitment is sought of his or her right to contest the application, be represented by counsel at every stage of any proceedings relating to his or her commitment and recommitment, and have counsel appointed by the court or provided by the court, if he or she wants the assistance of counsel and is unable to obtain counsel. If the court believes that the person needs the assistance of counsel, the court shall require, by appointment if necessary, counsel for him or her regardless of his or her wishes. The person shall, if he or she is financially able, bear the costs of such legal service; otherwise such legal service shall be at public expense. The person whose commitment or recommitment is sought shall be informed of his or her right to be examined by a licensed physician of his or her choice. If the person is unable to obtain a licensed physician and requests examination by a physician, the court shall employ a licensed physician.

((11)) (10) A person committed under this chapter may at any time seek to be discharged from commitment by writ of habeas corpus in a court of competent jurisdiction.

((12)) (11) The venue for proceedings under this section is the county in which person to be committed resides or is present.

(12) When in the opinion of the professional person in charge of the facility providing involuntary treatment under this chapter, the committed patient can be appropriately served by less restrictive treatment before expiration of the period of commitment, then the less restrictive care may be required as a condition for early release for a period which, when added to the initial treatment period, does not exceed the period of commitment. If the facility designated to provide the less restrictive treatment is other than the facility providing the initial involuntary treatment, the facility so designated must agree in writing to assume such responsibility. A copy of the conditions for early release shall be given to the patient, the designated county alcoholism specialist, and the court of original commitment. The facility designated to provide less restrictive care may modify the conditions for continued release when the modifications are in the best interests of the patient. If the facility providing less restrictive care and the designated county alcoholism specialist determine that a conditionally released patient is failing to adhere to the terms and conditions of his or her release, or that substantial deterioration in the patient's functioning has occurred, then the designated county alcoholism specialist shall notify the court of original commitment and request a hearing to be held no less than two and no more than seven days after the date of the request to determine whether or not the person should be returned to more restrictive care. The designated alcoholism specialist shall file a petition with the court stating the facts substantiating the need for the hearing along with the treatment recommendations. The patient shall have the same rights with respect to notice, hearing, and counsel as for the original involuntary treatment proceedings. The issues to be determined at the hearing are whether the conditionally released patient did or did not adhere to the terms and conditions of his or her release to less restrictive care or that substantial deterioration of the patient's functioning has occurred and whether the conditions of release should be modified or the person should be returned to a more restrictive facility. The hearing may be waived by the patient and his or her counsel and his or her guardian or conservator, if any, but may not be waived unless all such persons agree to the waiver. Upon waiver, the person may be returned for involuntary treatment or continued on conditional release on the same or modified conditions.*

SUBSTITUTE HOUSE BILL NO. 1450, by Committee on Trade & Economic Development (originally sponsored by Representatives Vekich, Schoon, Fox, Hargrove, Wineberry, B. Williams, Peery, Betzoff, P. King, Sayan, McLean, May, Fuhrman, Doty, Sutherland, D. Sommers, Walker, Sanders, Rayburn, Moyer, Cooper, O'Brien, Spanel and Day; by request of Governor Gardner)

Extending the excise tax deferral and credit programs for manufacturing and research and development activities.

The Speaker stated the question before the House to be the point of order by Mr. Vekich regarding the amendment by Mr. Holland and others.

SPEAKER'S RULING

The Speaker: Representative Vekich, the Speaker has examined Substitute House Bill No. 1450 and finds that the bill extends into the future three different programs, the sales tax deferral program, the business and occupation tax credit and the sales tax deferral program in economically distressed areas. This bill simply extends the life of those programs to July 1, 1994. I find that the amendment in all three cases expands the scope of those current programs. It just doesn't extend them into the future; it expands the scope of the programs. Representative Vekich, I find that your point is well taken and that the amendment is outside the scope and object of the bill.

Mr. Holland moved adoption of the following amendment:

On page 4, after line 26, insert:

***NEW SECTION.** Sec. 6. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected."

Mr. Holland spoke in favor of adoption of the amendment, and it was adopted.

The bill was ordered engrossed. There being no objection, the rules were suspended, the second reading consider the third, and the bill was placed on final passage.

Representatives Vekich and Schoon spoke in favor of passage of the bill.

POINT OF INQUIRY

Mr. Vekich yielded to question by Ms. Hankins.

Ms. Hankins: Representative Vekich, how would this help a distressed county that isn't on the list at this time?

Mr. Vekich: Thank you, Representative Hankins. There is a definition of distressed of twenty percent above the state average unemployment level. I represent a county, Mason County, and when we first enacted this bill in the legislature, Mason County was distressed. By the time the bill was implemented and became law it fell out of the terms of distressed. No matter how much we wiggled or how much we tried to deal with it through the bureaucratic maze there was no way a county, that is not distressed under the definition, could come under the effect of this legislation. That is the answer. I think the problem we have with specific outlying counties is the point that you are really concerned about. We had a bill here before us, the border county tax bill, which gave a tax exemption to specific counties and was ruled unconstitutional. The difference between that bill and this bill is that there is a certain level of distress and the counties can change all the time. There are not seven special counties, there is not one special county, but it is the standard or test of distress that triggers the whole bill.

Mr. Hargrove spoke in favor of passage of the bill.

The Clerk called the roll on the final passage of Engrossed Substitute House Bill No. 1450, and the bill passed the House by the following vote: Yeas, 84; nays, 12; excused, 2.

Voting yea: Representatives Amondson, Anderson, Appelwick, Armstrong, Ballard, Barnes, Basich, Baugher, Beck, Betzoff, Bristow, Brooks, Brough, Bumgarner, Butterfield, Cantwell, Chandler, Cooper, Crane, Day, Dellwo, Dorn, Doty, Ebersole, Ferguson, Fox, Fuhrman,

Gallagher, Grant, Hankins, Hargrove, Haugen, Hearvey, Hine, Holland, Holm, Jacobsen, Jesernig, Jones, King P, King R, Kremen, Leonard, Lewis, Lux, May, McLean, Meyers, Miller, Moyer, Nealey, Nutley, O'Brien, Padden, Patrick, Peery, Prince, Pruitt, Rasmussen, Rayburn, Sanders, Sryan, Schmidt, Schoon, Scott, Silver, Sommers D, Spanel, Sprenkle, Sutherland, Taylor, Todd, Unsoeld, Valle, Vekich, Walk, Walker, Williams B, Williams J, Wilson K, Wilson S, Wineberry, Zellinsky, and Mr. Speaker - 84.

JOSEPH E. KING, Speaker

ALAN THOMPSON, Chief Clerk

THIRTY-SEVENTH DAY

MORNING SESSION

The House was called to order at 10:00 a.m. by the Speaker (Mr. O'Brien presiding). The Clerk called the roll and all members were present except Representatives Sayan, Schoon, Smith and Unsoeld. Representatives Sayan, Schoon and Smith were excused.

There being no objection, the House advanced to the sixth order of business.

SECOND READING

The Speaker assumed the Chair.

MOTION

Mr. Ebersole moved that the House immediately resume consideration of Substitute House Bill No. 1383 on second reading from the previous day. (See Journal, 36th Day, February 15, 1988.) The motion was carried.

SUBSTITUTE HOUSE BILL NO. 1383, by Committee on Human Services (originally sponsored by Representatives Leonard and Lux)

Changing provisions relating to alcoholism treatment programs.

The Speaker stated the question before the House to be the point of order by Mr. Heavey regarding the amendment by Ms. Brekke and others.

SPEAKER'S RULING

The Speaker: Representative Heavey, the Speaker has examined Substitute House Bill No. 1383 and the floor amendment. Substitute House Bill No. 1383 gives DSHS the authority to conduct training and competency evaluations for drug counselors. The amendment amends the involuntary treatment act to change the commitment period and change certain definitions in the act. I find that your point is well taken and that the amendment is outside the scope and object of the original bill.

The Speaker would remind the members of what floor amendments are designed to do and that is to perfect the bill, not to broaden the scope of the bill, but to perfect the bill, to bring matters underneath the broad umbrella of the purpose of the bill.

The Clerk read the following amendment by Representatives Brekke, H. Sommers and Winsley:

On page 2, after line 28, insert the following:

"Sec. 3. Section 294, page 187, Laws of 1854 as last amended by section 1501, chapter 212, Laws of 1987 and by section 11, chapter 439, Laws of 1987 and RCW 5.60.060 are each reenacted and amended to read as follows:

(1) A husband shall not be examined for or against his wife, without the consent of the wife, nor a wife for or against her husband without the consent of the husband; nor can either during marriage or afterward, be without the consent of the other, examined as to any communication made by one to the other during marriage. But this exception shall not apply to a civil action or proceeding by one against the other, nor to a criminal action or proceeding for a crime committed by one against the other, nor to a criminal action or proceeding against a

spouse if the marriage occurred subsequent to the filing of formal charges against the defendant, nor to a criminal action or proceeding for a crime committed by said husband or wife against any child of whom said husband or wife is the parent or guardian, nor to a proceeding under chapter 70.96A or 71.05 RCW: PROVIDED, That the spouse of a person sought to be detained under chapter 70.96A or 71.05 RCW may not be compelled to testify and shall be so informed by the court prior to being called as a witness.

(2) An attorney or counselor shall not, without the consent of his or her client, be examined as to any communication made by the client to him or her, or his or her advice given thereon in the course of professional employment.

(3) A member of the clergy or a priest shall not, without the consent of a person making the confession, be examined as to any confession made to him or her in his or her professional character, in the course of discipline enjoined by the church to which he or she belongs.

(4) Subject to the limitations under section 6 of this 1988 act or RCW 71.05.250, a physician or surgeon or osteopathic physician or surgeon shall not, without the consent of his or her patient, be examined in a civil action as to any information acquired in attending such patient, which was necessary to enable him or her to prescribe or act for the patient, except as follows:

(a) In any judicial proceedings regarding a child's injury, neglect, or sexual abuse or the cause thereof; and

(b) Ninety days after filing an action for personal injuries or wrongful death, the claimant shall be deemed to waive the physician-patient privilege. Waiver of the physician-patient privilege for any one physician or condition constitutes a waiver of the privilege as to all physicians or conditions, subject to such limitations as a court may impose pursuant to court rules.

(5) A public officer shall not be examined as a witness as to communications made to him or her in official confidence, when the public interest would suffer by the disclosure.

Sec. 4. Section 2, chapter 447, Laws of 1985 as amended by section 1, chapter 212, Laws of 1986 and RCW 5.62.020 are each amended to read as follows:

Non-registered nurse providing primary care or practicing under protocols, whether or not the physical presence or direct supervision of a physician is required, may be examined in a civil or criminal action as to any information acquired in attending a patient in the registered nurse's professional capacity, if the information was necessary to enable the registered nurse to act in that capacity for the patient, unless:

(1) The patient consents to disclosure or, in the event of death or disability of the patient, his or her personal representative, heir, beneficiary, or devisee consents to disclosure; or

(2) The information relates to the contemplation or execution of a crime in the future, or relates to the neglect or the sexual or physical abuse of a child, or of a vulnerable adult as defined in RCW 74.34.020, or to a person subject to proceedings under chapter 70.96A, 71.05, or 71.34 RCW.

Sec. 5. Section 11, chapter 305, Laws of 1955 as last amended by section 12, chapter 439, Laws of 1987 and RCW 18.83.110 are each amended to read as follows:

Confidential communications between a client and a psychologist shall be privileged against compulsory disclosure to the same extent and subject to the same conditions as confidential communications between attorney and client, but this exception is subject to the limitations under section 6 of this 1988 act and RCW 71.05.250.

NEW SECTION. Sec. 6. A new section is added to chapter 70.96A RCW to read as follows:

Communications otherwise deemed privileged under the laws of this state are deemed to be waived in proceedings under this chapter when a court of competent jurisdiction in its discretion determines that the waiver is necessary to protect either the detained person or the public. The waiver of a privilege under this section is limited to records or testimony relevant to evaluation of the detained person for purposes of a proceeding under this chapter. Upon motion by the detained person, or on its own motion, the court shall examine a record or testimony sought by a petitioner to determine whether it is within the scope of the waiver.

The record maker shall not be required to testify in order to introduce medical, nursing, or psychological records of detained persons so long as the requirements of RCW 5.45.020 are met, except that portions of the record that contain opinions as to whether the detained person is an alcoholic must be deleted from the records unless the person offering the opinions is available for cross-examination."

With consent of the House, Ms. Brekke withdrew the amendment.

On motion of Mr. Ebersole, the rules were suspended, the second reading considered the third, and the bill was placed on final passage.

Representatives Leonard, Winsley and Moyer spoke in favor of passage of the bill.

Mr. Wang moved adoption of the following amendment by Representatives Wang, Sayan, Heavey and Jesernig:

Strike everything after the enacting clause and insert the following:

***NEW SECTION, Sec. 1.** The legislature finds that:

(1) Employment is vitally important to an individual's economic well-being and self-respect. The employees of a business invest their skills and efforts into a business and have a vital stake in its continued operation and their continued employment. When their employment with a business is terminated due to the closure, transfer of ownership, or relocation of the business, they suffer a heavy economic and personal loss.

(2) When an employer closes or relocates, particularly in cases in which the employer employs a large number of employees in a locality or within an industry, it is difficult, and sometimes impossible, for the former employees to find comparable employment with another employer.

(3) When an employer closes or relocates or when employees are terminated as the result of a transfer of ownership of the business, long-time employees lose the seniority, benefits, and

unaccrued pension credits they have earned during their many years of service. Employment offering comparable wages and benefits is unavailable to many. Some older employees will be unable to find alternative employment.

(4) The potentially disastrous effects of the sudden elimination of an employee's employment, through no fault of the employee, should be shared by the employer, who has made the decision that closure, sale, or relocation of the business is an economic advantage. Moreover, continuity of employment is a desirable goal, which vitally affects the well-being of thousands of individuals and the public as a whole, and should be encouraged.

NEW SECTION. Sec. 2. Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

(1) 'Employer' includes any individual, partnership, association, corporation, business trust, or other entity which employs eight or more persons.

(2) 'Employee' includes any individual employed by an employer.

(3) 'Relocation' of a business or part of a business means removal of all or substantially all operations of the business, a separate facility or branch, or a distinct division or department of a business to a location at least sixty miles away from their original location.

(4) 'Termination' of a business or part of a business means cessation of all or substantially all operations of the business, a separate facility or branch, or a distinct division or department of a business and the business or part of the business is permanently closed.

(5) 'Transfer of ownership' of a business or part of a business includes any transfer of ownership in a business, a separate facility or branch, or a distinct division or department of a business, including sale of stock, a sale of assets, a foreclosure or other form of repossession by creditors, a gift, a devise, or any other means of transfer of ownership.

(6) 'One month's pay' means the average monthly compensation paid to an employee by an employer based on the amount of compensation received by the employee during the preceding twelve months.

(7) 'Years of service' shall include all years during which the employee was employed by the employer, or any owner, subsidiary, division, or entity otherwise related to the employer, or during which the employee was employed in the same operation or facility while it was owned by a predecessor to the employer.

(8) 'Successor employer' means an employer to whom the ownership of a business or a part of a business has been transferred.

(9) 'Predecessor employer' means an employer who has transferred the ownership of a business or a part of a business to another.

(10) 'Comparable position' means a position that requires comparable education, skills, experience, and effort and is performed under similar working conditions.

NEW SECTION. Sec. 3. Any employer that relocates, terminates, or transfers the ownership in a business or any part of a business shall be liable to the employees for severance pay at the rate of one month's pay for each year of service by the employee, not to exceed twelve months' pay. The employer is liable to employees who have been employed by the employer for at least one pay period but less than one year for severance pay in the amount of one month's pay. The severance pay owing shall be in addition to any final wage payment to the employee and shall be paid within one regular pay period after the employee's last day of work. An employer's liability for severance pay under this section shall be limited to the value of the business at the time of the relocation, termination, or transfer of the ownership of the business or any part of the business.

NEW SECTION. Sec. 4. An employer shall not be liable for severance pay under this chapter to an employee if:

(1) The employee is covered by an express contract providing for severance pay; or

(2) The employee accepts employment with the new owner of the business or with the predecessor employer at a different facility or location that provides the same wages and benefits as the employee received prior to the relocation, termination, or transfer of ownership of the business.

NEW SECTION. Sec. 5. A successor employer has an obligation to offer a position to each employee who was employed by the predecessor employer during the twelve months preceding the transfer of ownership. The employee shall be offered the position that employee held for the predecessor employer prior to the transfer of ownership if a substantial portion of the work performed by that employee continues to be performed by the business. If the work performed by an employee is no longer performed by the business, the employer must offer the employee a comparable position or, if no comparable position is available, any available position for which the employee is qualified. The wages, benefits, and other conditions of employment offered or provided to the former employees of the predecessor employer may not be inferior to the wages, benefits, and other conditions of employment provided to new employees filling the same or comparable positions with the successor employer.

A former employee of a predecessor employer who accepts a job with a successor employer may not be discharged, except for misconduct connected with the employee's work, for one year after the employee's date of hire by the successor employer.

NEW SECTION. Sec. 6. Section 5 of this act does not apply to a former employee of a predecessor employer if:

(1) There is no work available which the employee is qualified to perform: PROVIDED, That all employees of a predecessor employer shall be offered employment before new employees are hired; or

(2) The former employee held a managerial position with the predecessor employer in which the employee was responsible for setting fundamental company policy, and it is necessary for the successor employer to replace the employee in order to implement its management plan: PROVIDED, That the employee shall be offered an alternative position for which the employee is qualified.

NEW SECTION. Sec. 7. An employer may not avoid the obligation under section 3 of this act by discharging or laying off employees prior to the relocation, termination, or transfer of ownership of the business or any part of the business. A successor employer's obligation under section 5 of this act is not affected if the predecessor employer discharges or lays off employees prior to the relocation, termination, or transfer of ownership of the business or any part of the business. An employer or a successor employer is relieved of obligations to an employee employed during the twelve months prior to the relocation, termination, or transfer of ownership only if the employer or successor employer proves by clear and convincing evidence that the employee's discharge or layoff was not a result of the expected relocation, termination, or transfer of ownership of the business or any part of the business.

NEW SECTION. Sec. 8. Any employee may bring suit in superior court to enforce the employee's rights under this chapter. The courts are authorized to direct specific performance of the successor employer's obligation under section 5 of this act to offer employment to an employee of its predecessor.

NEW SECTION. Sec. 9. The director of labor and industries is authorized to take assignments of claims for severance pay under section 3 of this act and prosecute actions for the collection of severance pay under the same conditions provided for the assignment and prosecution of claims for unpaid wages under RCW 49.48.040.

NEW SECTION. Sec. 10. Any individual who successfully prosecutes a claim for severance pay or a claim to enforce the successor employer's duty to offer employment to the predecessor's employees shall be awarded costs and attorney's fees, including costs and attorney's fees necessary to collect a judgment.

NEW SECTION. Sec. 11. (1) A person with a claim for severance pay against an employer or a claim for an offer of employment from a successor employer shall have a lien for moneys owing under this chapter on: (a) All of the property used in the operation of the business or part of the business that has been relocated, terminated, or transferred creating an obligation under this chapter, and (b) all proceeds of the sale or transfer of ownership of the property.

(2) A notice of the claim shall be filed within sixty days of the employee's termination of employment with the auditor of the county in which the affected business or part of the business is or was located. The notice of claim shall contain a statement of the employee's demands, the name and address of the employer, the name and address of the successor employer (if applicable), and the date of the employee's last service. A copy of this notice shall be served or mailed to the employer and, if applicable, to the successor employer at the time it is filed.

(3) The lien may be enforced within the same time and in the same manner as mechanics' liens are enforced when the lien is upon real property, or in the same manner as chattel liens are enforced when the lien is upon personal property.

(4) This lien shall be preferred to any encumbrance that may attach after the relocation, termination, or transfer of ownership that created the obligation under this chapter and to any encumbrance that may have attached prior to that time but was not filed or recorded so as to create constructive notice of the encumbrance.

NEW SECTION. Sec. 12. This chapter does not apply to an employee who is terminated:

(1) Following a determination by the department of employment security that the employer has undergone a bona fide restructuring of the employer's business for the purposes of efficiency and improvements in the productivity of the business;

(2) Because the employer has gone into receivership or bankruptcy;

(3) Because of the employer's termination of a business due to death, serious illness, or an act of God;

(4) Because the employer's business is not profitable. To qualify for this exemption, an employer must provide the employee with written notice of the expected termination, relocation, or transfer of the ownership of the business due to loss of profits at least six months prior to termination of the employee, and shall make the books of the employer open for inspection by the employee for the purpose of verifying the loss of profits; or

(5) If the employer had provided the employee with twelve months' written notice of the intent to terminate the business.

NEW SECTION. Sec. 13. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

NEW SECTION. Sec. 14. Sections 2 through 13 of this act shall constitute a new chapter in Title 49 RCW."

Representatives Wang and Patrick spoke in favor of adoption of the amendment, and Representatives B. Williams and Schoon opposed it.

POINT OF INQUIRY

Mr. Wang yielded to question by Mr. Sanders.

Mr. Sanders: Representative Wang, during public testimony we received letters from the Washington State Labor Council on the original bill and also the Association of Washington Business. I have them here in my files which I brought down from the hearing room. Do these letters still apply? Since there has not been a public hearing on this amendment, do these letters still apply?

Mr. Wang: The Labor Council still supports the bill. As you may recall, there was no public testimony in opposition to the bill.

Mr. Sanders: How about the letter from the Association of Washington Business dated January 25, where they had some problems with the bill? Have these all been resolved, or do we still have the same problems?

Mr. Wang: Although I have no direct evidence, I would certainly conjecture that the Association of Washington Business may still have problems with the bill.

Mr. Sanders: In other words where it says that AWB strongly opposes both of these bills, it still applies to this amendment. Thank you very much.

ESSB 6591

Prime Sponsor, Committee on Higher Education: Establishing a college savings bond program. Reported by Committee on Higher Education

MAJORITY recommendation: Do pass with the following amendments:

Strike everything after the enacting clause and insert the following:

NEW SECTION, Sec. 1. The legislature declares that for the benefit of the people of the state of Washington, the conduct and increase of their commerce, the protection and enhancement of their welfare, the development of continued prosperity and the improvement of their health and living conditions, it is essential that this and future generations of youth be given the fullest opportunity to learn and to develop their intellectual and mental capacities and skills. The legislature further finds that to achieve these ends it is of the utmost importance that Washington residents be provided with investment alternatives to enhance their financial access to higher education in this state. The purpose of this chapter is to encourage parents and other persons to save so that future generations may attend higher education institutions and to provide an alternative low-cost method of borrowing to benefit public higher education institutions in this state.

NEW SECTION, Sec. 2. Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

(1) 'Bonds' means general obligation bonds of the state of Washington issued under the authority of this chapter.

(2) 'Board' means the higher education coordinating board.

NEW SECTION, Sec. 3. For the purpose of providing needed capital improvements consisting of the acquisition, construction, remodeling, furnishing and equipping of state buildings and facilities for the state institutions of higher education, including facilities for the community college system, the state finance committee is authorized to issue general obligation bonds of the state of Washington in the sum of fifty million dollars, or so much thereof as may be required, to finance these projects, and all costs incidental thereto.

No bonds may be offered for sale without prior legislative appropriation of the net proceeds of the bonds to be sold.

The bonds shall pledge the full faith and credit of the state of Washington and shall contain an unconditional promise to pay the principal thereof and interest thereon when due.

NEW SECTION, Sec. 4. The state finance committee is authorized to prescribe the form, terms, conditions, and covenants of the bonds, the time or times of sale of all or any portion of them, and the manner of their sale and issuance. However, if and to the extent that the state finance committee determines it is economically feasible and in the best interest of the state to do so, the bonds shall be sold at a 'deep discount' from their par value.

NEW SECTION, Sec. 5. The proceeds from the sale of the bonds, together with all grants, donations, transferred funds, and all other moneys which the state finance committee may direct the state treasurer to deposit therein, shall be deposited in the state building construction account of the general fund in the state treasury. All such proceeds shall be used exclusively for the purposes specified in section 3 of this act and for incidental costs and costs relating to the payment of the expenses incurred in connection with the sale and issuance of the bonds.

NEW SECTION, Sec. 6. The state higher education bond retirement fund of 1988 is hereby created in the state treasury and shall be used for the purpose of the payment of principal of and interest on the bonds.

The state finance committee, on or before June 30th of each year, shall certify to the state treasurer the amount required in the next succeeding twelve months for the payment of the principal of and the interest coming due on the bonds and any amounts required to be set

aside in the state higher education bond retirement fund of 1988 pursuant to the bond resolution. Not less than thirty days prior to the date on which any interest or principal and interest payment is due, or any date on which any funds are required by the bond resolution to be transferred to the state higher education bond retirement fund of 1988, the state treasurer shall withdraw from any general state revenues received in the state treasury and deposit in the state higher education bond retirement fund of 1988 an amount equal to the amount certified by the state finance committee to be due on the payment date or required to be set aside in the state higher education bond retirement fund of 1988.

The owner and holder of each of the bonds or the trustee for the owner and holder of any of the bonds may by mandamus or other appropriate proceeding require the transfer and payment of funds as directed in this section.

NEW SECTION. Sec. 7. The bonds shall constitute a legal investment for all state funds or for funds under state control and all funds of municipal corporations.

NEW SECTION. Sec. 8. In marketing the bonds and consistent with other provisions of law, the state finance committee shall consider methods for encouraging purchase of the bonds as a means of college savings.

NEW SECTION. Sec. 9. The state finance committee and the board shall evaluate the effectiveness of the college savings bond program created by this chapter, and report to the governor and the appropriate committees of the house and the senate about the program and any changes recommended by December 1, 1991. The board and the state finance committee shall specifically consider the advisability of offering incentives to parents to purchase college savings bonds.

NEW SECTION. Sec. 10. The board shall develop and implement an educational program and marketing strategies designed to inform parents about the options available for financing a college education, including college savings bonds, and the need to accumulate the financial resources necessary to pay for a college education.

NEW SECTION. Sec. 11. This act may be known and cited as the college savings bond act.

NEW SECTION. Sec. 12. Sections 1 through 11 of this act shall constitute a new chapter in Title 28B RCW.

NEW SECTION. Sec. 13. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected."

Costs on appeal shall be awarded to the prevailing party as in actions commenced in the superior court, but no costs shall be awarded against the state, the board, or the commissioner. Should judgment be rendered against the appellant, the costs shall be taxed against him and his sureties on the appeal bond, except when the state is the only adverse party, and shall be included in the judgment, upon which execution may issue as in other cases. Any party feeling himself aggrieved by the judgment of the superior court may ~~((appeal therefrom to the supreme court or the court of appeals of the state, in the manner, and within the time, for appealing from judgments in actions at law))~~ seek appellate review as in other civil cases. Sec. 60. Section 80.04.190, chapter 14, Laws of 1961 as amended by section 4, chapter 107, Laws of 1971 ex. sess. and RCW 80.04.190 are each amended to read as follows:

The commission, any public service company or any complainant may, after the entry of judgment in the superior court in any action of review, ~~((prosecute an appeal to the supreme court or the court of appeals of the state of Washington))~~ seek appellate review as in other cases.

Whenever the commission shall be of opinion that any public service company is failing or omitting, or about to fail or omit, to do anything required of it by law, or by order, direction or requirement of the commission, or is doing anything, or about to do anything, or permitting anything, or about to permit anything to be done contrary to or in violation of law or of any order, direction or requirement of the commission authorized by this title, it shall direct the attorney general to commence an action or proceeding in the superior court of the state of Washington for Thurston county, or in the superior court of any county in which such company may do business, in the name of the state of Washington on the relation of the commission, for the purpose of having such violations or threatened violations stopped and prevented, either by mandamus or injunction. The attorney general shall thereupon begin such action or proceeding by petition to such superior court, alleging the violation complained of, and praying for the appropriate relief by way of mandamus or injunction. It shall thereupon be the duty of the court to specify a time, not exceeding twenty days after the service of the copy of the petition, within which the public service company complained of must answer the petition. In case of default in answer or after answer, the court shall immediately inquire into the facts and circumstances in such manner as the court shall direct, without other or formal pleadings, and without respect to any technical requirement. Such persons or corporations as the court may deem necessary or proper to be joined as parties, in order to make its judgment, order or writ effective, may be joined as parties. The final judgment in any such action or proceeding shall either dismiss the action or proceeding or direct that the writ of mandamus or injunction, or both, issue as prayed for in the petition, or in such other modified form as the court may determine will afford appropriate relief. ~~((An appeal may be taken to the supreme court or the court of appeals from such))~~ Appellate review of the final judgment may be sought in the same manner and with the same effect as ~~((appeals from))~~ review of judgments of the superior court in actions to review orders of the commission. All provisions of this chapter relating to the time of ~~((appeal))~~ review, the manner of perfecting the same, the filing of briefs, hearings and supersedeas, shall apply to appeals to the supreme court or the court of appeals under the provisions of this section.

(1) A final decision pursuant to RCW 80.50.100 on an application for certification shall be subject to judicial review pursuant to provisions of chapter 34.04 RCW and this section. Petitions for review of such a decision shall be filed in the Thurston county superior court. All petitions for review of a decision under RCW 80.50.100 shall be consolidated into a single proceeding before the Thurston county superior court. The Thurston county superior court shall certify the petition for review to the supreme court upon the following conditions:

(a) Review can be made on the administrative record;

(b) Fundamental and urgent interests affecting the public interest and development of energy facilities are involved which require a prompt determination;

(c) ~~((An appeal to))~~ Review by the supreme court would likely be ((made)) sought regardless of the determination of the Thurston county superior court; and

(d) The record is complete for review.

The Thurston county superior court shall assign a petition for review of a decision under RCW 80.50.100 for hearing at the earliest possible date and shall expedite such petition in every way possible. If the court finds that review cannot be limited to the administrative record as set forth in subparagraph (a) of this subsection because there are alleged irregularities in the procedure before the council not found in the record, but finds that the standards set forth in subparagraphs (b), (c), and (d) of this subsection are met, the court shall proceed to take testimony and determine such factual issues raised by the alleged irregularities and certify the petition and its determination of such factual issues to the supreme court. Upon certification, the supreme court shall assign the petition for hearing at the earliest possible date, and it shall expedite its review and decision in every way possible.

(2) Objections raised by any party in interest concerning procedural error by the council shall be filed with the council within sixty days of the commission of such error, or within thirty days of the first public hearing or meeting of the council at which the general subject matter to which the error is related is discussed, whichever comes later, or such objection shall be deemed waived for purposes of judicial review as provided in this section.

(3) The rules and regulations adopted by the council shall be subject to judicial review pursuant to the provisions of chapter 34.04 RCW.

Sec. 63. Section 81.04.190, chapter 14, Laws of 1961 as amended by section 5, chapter 107, Laws of 1971 ex. sess. and RCW 81.04.190 are each amended to read as follows:

The commission, any public service company or any complainant may, after the entry of judgment in the superior court in any action of review, ~~((prosecute an appeal to the supreme court or the court of appeals of the state of Washington))~~ seek appellate review as in other cases.

Sec. 64. Section 81.04.260, chapter 14, Laws of 1961 as amended by section 143, chapter 81, Laws of 1971 and RCW 81.04.260 are each amended to read as follows:

Whenever the commission shall be of opinion that any public service company is failing or omitting, or about to fail or omit, to do anything required of it by law, or by order, direction or requirement of the commission, or is doing anything, or about to do anything, or permitting anything, or about to permit anything to be done contrary to or in violation of law or of any order, direction or requirement of the commission authorized by this title, it shall direct the attorney general to commence an action or proceeding in the superior court of the state of Washington for Thurston county, or in the superior court of any county in which such company may do business, in the name of the state of Washington on the relation of the commission, for the purpose of having such violations or threatened violations stopped and prevented, either by mandamus or injunction. The attorney general shall thereupon begin such action or proceeding by petition to such superior court, alleging the violation complained of, and praying for appropriate relief by way of mandamus or injunction. It shall thereupon be the duty of the court to specify a time, not exceeding twenty days after the service of the copy of the petition, within which the public service company complained of must answer the petition. In case of default in answer or after answer, the court shall immediately inquire into the facts and circumstances in such manner as the court shall direct, without other or formal pleadings, and without respect to any technical requirement. Such persons or corporations as the court may deem necessary or proper to be joined as parties, in order to make its judgment, order or writ effective, may be joined as parties. The final judgment in any such action or proceeding shall either dismiss the action or proceeding or direct that the writ of mandamus or injunction, or both, issue as prayed for in the petition, or in such other modified form as the court may determine will afford appropriate relief. ~~((An appeal may be taken to the supreme court or the court of appeals from such))~~ Appellate review of the final judgment may be sought in the same manner and with the same effect as ~~((appeals from))~~ review of judgments of the superior court in actions to review orders of the commission. All provisions of this chapter relating to the time of ~~((appeal))~~ review, the manner of perfecting the same, the filing of briefs, hearings and supersedeas, shall apply to appeals to the supreme court or the court of appeals under the provisions of this section.

Sec. 65. Section 81.53.130, chapter 14, Laws of 1961 as amended by section 144, chapter 81, Laws of 1971 and RCW 81.53.130 are each amended to read as follows:

In the construction of new railroads across existing highways, the railroads shall do or cause to be done all the work of constructing the crossings and road changes that may be required, and shall acquire and furnish whatever property or easements may be necessary, and shall pay, as provided in RCW 81.53.100 through 81.53.120, the entire expense of such work including all compensation or damages for property or property rights taken, damaged or injuriously affected. In all other cases the construction work may be apportioned by the commission between the parties who may be required to contribute to the cost thereof as the parties may agree, or as the commission may consider advisable. All work within the limits of railroad rights of way shall in every case be done by the railroad company owning or operating the same. The cost of acquiring additional lands, rights or easements to provide for the

change of existing crossings shall, unless the parties otherwise agree, in the first instance be paid by the municipality or county within which the crossing is located; or in the case of a state road or parkway, shall be paid in the manner provided by law for paying the cost of acquiring lands, rights or easements for the construction of state roads or parkways. The expense accruing on account of property taken or damaged shall be divided and paid in the manner provided for dividing and paying other costs of construction. Upon the completion of the work and its approval by the commission, an accounting shall be had, and if it shall appear that any party has expended more than its proportion of the total cost, a settlement shall be forthwith made. If the parties shall be unable to agree upon a settlement, the commission shall arbitrate, adjust and settle the account after notice to the parties. In the event of failure and refusal of any party to pay its proportion of the expense, the sum with interest from the date of the settlement may be recovered in a civil action by the party entitled thereto. In cases where the commission has settled the account, the finding of the commission as to the amount due shall be conclusive in any civil action brought to recover the same if such finding has not been reviewed or appealed from as herein provided, and the time for review or appeal has expired. If any party shall seek review ((or appeal from)) of any finding or order of the commission apportioning the cost between the parties liable therefor, the superior court, the court of appeals, or the supreme court, as the case may be, shall cause judgment to be entered in such review proceedings for such sum or sums as may be found lawfully or justly due by one party to another.

Sec. 66. Section 81.53.170, chapter 14, Laws of 1961 as amended by section 145, chapter 81, Laws of 1971 and RCW 81.53.170 are each amended to read as follows:

Upon the petition of any party to a proceeding before the commission, any finding or findings, or order or orders of the commission, made under color of authority of this chapter, except as otherwise provided, may be reviewed in the superior court of the county wherein the crossing is situated, and the reasonableness and lawfulness of such finding or findings, order or orders inquired into and determined, as provided in this title for the review of the commission's orders generally. ~~((An appeal may be taken to the supreme court or the court of appeals from))~~ Appellate review of the judgment of the superior court may be sought in like manner as provided in said utilities and transportation commission law for ((appeals to)) review by the supreme court or the court of appeals.

Sec. 67. Section 82.32.180, chapter 15, Laws of 1961 as last amended by section 148, chapter 81, Laws of 1971 and RCW 82.32.180 are each amended to read as follows:

Any person, except one who has failed to keep and preserve books, records, and invoices as required in this chapter and chapter 82.24 RCW, having paid any tax as required and feeling aggrieved by the amount of the tax may appeal to the superior court of Thurston county, within the time limitation for a refund provided in chapter 82.32 RCW. In the appeal the taxpayer shall set forth the amount of the tax imposed upon him which he concedes to be the correct tax and the reason why the tax should be reduced or abated. The appeal shall be perfected by serving a copy of the notice of appeal upon the department within the time herein specified and by filing the original thereof with proof of service with the clerk of the superior court of Thurston county. Within ten days after filing notice of appeal, the taxpayer shall file with the clerk of the superior court a good and sufficient surety bond payable to the state in the sum of two hundred dollars, conditioned to diligently prosecute the appeal and pay the state all costs that may be awarded if the appeal of the taxpayer is not sustained.

The trial in the superior court on appeal shall be de novo and without the necessity of any pleadings other than the notice of appeal. The burden shall rest upon the taxpayer to prove that the tax as paid by him is incorrect, either in whole or in part, and to establish the correct amount of the tax. In such proceeding the taxpayer shall be deemed the plaintiff, and the state, the defendant; and both parties shall be entitled to subpoena the attendance of witnesses as in other civil actions and to produce evidence that is competent, relevant, and material to determine the correct amount of the tax that should be paid by the taxpayer. Either party ~~((shall be allowed to appeal to the supreme court or the court of appeals))~~ may seek appellate review in the same manner as other civil actions are appealed to those courts.

It shall not be necessary for the taxpayer to protest against the payment of any tax or to make any demand to have the same refunded or to petition the director for a hearing in order to appeal to the superior court, but no court action or proceeding of any kind shall be maintained by the taxpayer to recover any tax paid, or any part thereof, except as herein provided.

The provisions of this section shall not apply to any tax payment which has been the subject of an appeal to the board of tax appeals with respect to which appeal a formal hearing has been elected.

Sec. 68. Section 84.28.080, chapter 15, Laws of 1961 as last amended by section 152, chapter 81, Laws of 1971 and RCW 84.28.080 are each amended to read as follows:

Whenever the department or the department of revenue shall enter an order or decision with respect to classification or declassification of forest lands under this chapter, the owner of such lands, the department, the county assessor of the county in which such lands are located, or the taxpayers in a case arising under RCW 84.28.060, may, within thirty days following the

entry of such order or decision, appeal to the superior court of the county within which such lands are situated for a review of the order or decision of the department or of the department of revenue. The appeal shall be perfected in the same manner as is provided by law for appeals from decisions of the department of revenue. Upon such appeal, the superior court shall sit without a jury, shall receive evidence de novo and shall determine the correct classification of the lands involved in accordance with the requirements of this chapter. The decision of the superior court shall be subject to ~~((appeal and)) appellate review ((in the supreme court or the court of appeals))~~ in the same manner ~~((and by the same procedure))~~ as appeals are taken and perfected in civil actions at law. Upon ~~((appeal from))~~ review of any order or decisions of the department or the department of revenue and pending the dismissal or final determination of such ~~((appeal))~~ review, the lands involved shall be assessed and taxed in the same manner as they were assessed and taxed prior to the effective date of such order or decision.

Sec. 69. Section 84.28.110, chapter 15, Laws of 1961 as last amended by section 153, chapter 81, Laws of 1971 and RCW 84.28.110 are each amended to read as follows:

Whenever the whole or any part of the forest crop shall be cut upon any lands classified and assessed as reforestation lands under the provisions of this chapter, the owner of such lands shall, on or before the fifteenth day of February of each year, report under oath to the assessor of the county in which such lands are located, the amount of such timber or other forest crop cut during the preceding twelve months, in units of measure in conformity with the usage for which the cutting was made, together with a description, by government legal subdivisions, of the lands upon which the same were cut. If no such report of cutting is made, or if the assessor shall believe the report to be inaccurate, incorrect or mistaken, the assessor may by such methods as shall be deemed advisable, determine the amount of timber or other forest product cut during such period. As soon as the report is filed, if the assessor is satisfied with the accuracy of the report, or if dissatisfied, as soon as the assessor shall have determined the amount of timber or forest crop cut as herein provided, the assessor shall determine the full current stumpage rates for the timber or forest crop cut and shall thereupon compute, and there shall become due and payable from the owner, a yield tax equal to twelve and one-half percent of the market value of the timber or forest crop so cut, based upon the full current stumpage rates so fixed by the assessor: PROVIDED, Whenever within the period of twelve years following the classification of any lands as reforestation lands, any forest material shall be cut on such lands, the owner thereof shall be required to pay a yield tax of one percent for each year that has expired from the date of such classification until such cutting: PROVIDED, FURTHER, That no yield tax need be paid on any forest material cut for domestic use of the owner of such lands, or on materials necessarily used in harvesting the forest crop.

Whenever the owner is dissatisfied with the determination of the amount cut as made by the assessor, or with the full current stumpage rates as fixed by the assessor, and shall pay the tax based thereon under protest, such owner may maintain an action in the superior court of the county in which the lands are located for recovery of the amount of the tax paid in excess of what the owner alleges the tax would be if based upon a cutting or stumpage rate which the owner alleges to be correct. In any such action the county involved and the county assessor of the county, shall be joined as parties defendant, but in case a recovery is allowed, judgment shall be entered against the county only, to be charged against the funds to which the collected tax was paid. In such action the court shall determine, in accordance with the issues, the true and correct amount of timber and forest crop which has been cut, and if an issue in the case, the true and correct full current stumpage rates, and shall enter judgment accordingly, either dismissing the action, or allowing recovery based upon its determination of the amount of timber or forest crop cut and if in issue, the full current stumpage rate. The judgment of the superior court shall be subject to ~~((appeal to the supreme court or the court of appeals))~~ appellate review in the same manner and by the same procedure as appeals are taken and perfected in civil actions at law.

Sec. 70. Section 84.64.120, chapter 15, Laws of 1961 as amended by section 154, chapter 81, Laws of 1971 and RCW 84.64.120 are each amended to read as follows:

~~((Appeals from))~~ Appellate review of the judgment of the superior court may be ~~((taken to the supreme court or the court of appeals at any time))~~ sought as in other civil cases. However, review must be sought within thirty days after the ~~((rendition of said))~~ entry of the judgment ~~((by giving notice thereof orally in open court at the time of the rendition of the judgment, or by giving written notice thereof at any time thereafter, and within thirty days from the date of the rendition of such judgment))~~ and the party taking such appeal shall execute, serve and file a bond payable to the state of Washington, with two or more sureties, to be approved by the court, in an amount to be fixed by the court, conditioned that the appellant shall prosecute his said appeal with effect, and will pay the amount of any taxes, interest and costs which may be finally adjudged against the real property involved in the appeal by any court having jurisdiction of the cause, which bond shall be so served and filed at the time of the service of said notice of appeal, and the respondent may, within five days after the service of such bond, object to the sureties thereon, or to the form and substance of such bond, in the court in which the action is pending, and if, upon hearing of such objections to said bond, it is determined by the court that the sureties thereon are insufficient for any reason, or that the bond is defective

for any other reason, the court shall direct a new bond to be executed with sureties thereon, to be justified as provided by law, but no appeal shall be allowed from any judgment for the sale of land or lot for taxes, and no bond given on appeal as herein provided shall operate as a supersedeas, unless the party taking such appeal shall before the time of giving notice of such appeal, and within thirty days herein allowed within which to appeal, deposit with the county treasurer of the county in which the land or lots are situated, an amount of money equal to the amount of the judgment and costs rendered in such cause by the trial court. If, in case of an appeal, the judgment of the lower court shall be affirmed, in whole or in part, the supreme court or the court of appeals shall enter judgment for the amount of taxes, interest and costs, with damages not to exceed twenty percent, and shall order that the amount deposited with the treasurer as aforesaid, or so much thereof as may be necessary, be credited upon the judgment so rendered, and execution shall issue for the balance of said judgment, damages and costs. The clerk of the supreme court or the clerk of the division of the court of appeals in which the appeal is pending shall transmit to the county treasurer of the county in which the land or lots are situated a certified copy of the order of affirmance, and it shall be the duty of such county treasurer upon receiving the same to apply so much of the amount deposited with him, as aforesaid, as shall be necessary to satisfy the amount of the judgment of the supreme court, and to account for the same as collected taxes. If the judgment of the superior court shall be reversed and the cause remanded for a rehearing, and if, upon a rehearing, judgment shall be rendered for the sale of the land or lots for taxes, or any part thereof, and such judgment be not appealed from, as herein provided, the clerk of such superior court shall certify to the county treasurer the amount of such judgment, and thereupon it shall be the duty of the county treasurer to certify to the county clerk the amount deposited with him, as aforesaid, and the county clerk shall credit such judgment with the amount of such deposit, or so much thereof as will satisfy the judgment, and the county treasurer shall be chargeable and accountable for the amount so credited as collected taxes. Nothing herein shall be construed as requiring an additional deposit in case of more than one appeal being prosecuted in said proceeding. If, upon a final hearing, judgment shall be refused for the sale of the land or lots for the taxes, penalties, interest and costs, or any part thereof, in said proceedings, the county treasurer shall pay over to the party who shall have made such deposit, or his legally authorized agent or representative, the amount of the deposit, or so much thereof as shall remain after the satisfaction of the judgment against the land or lots in respect to which such deposit shall have been made.

In any such action so brought, the order of the board shall be conclusive of the regularity and propriety of the proceedings, and all other matters, except it shall be open to attack upon the ground of fraud, unfair dealing, arbitrary or unreasonable action of the board.

Sec. 74. Section 9, chapter 67, Laws of 1903 and RCW 85.06.630 are each amended to read as follows:

The resolution shall set a date upon which the board shall meet to determine whether such work shall be done.

Thereafter a copy of such declaratory resolution and a notice of hearing shall be posted by the secretary or member of the board, in three public places in such district at least ten days before the date of hearing. The notice shall state the time and place of hearing and that plans therefor are on file with the secretary of the board subject to inspection by any party interested.

Any property owner affected by such proposed improvement, or any property owner within such district, may appear at said hearing and object to said proposed improvement by filing a written protest against the proposed action of the board. The protest shall clearly state the basis thereof. At such hearing, which shall be public, the board shall give full consideration to the proposed project and all protests filed, and on said date or any adjourned date, take final action thereon. If protests be filed before said hearing by owners of more than forty percent of the property in said district, the board shall not have power to make the proposed improvement nor again initiate the same for one year. If the board determines to proceed with such project in its original or modified form, it shall thereupon adopt a resolution so declaring and adopt general plans therefor, which resolution may authorize the acquisition by condemnation, or otherwise, of the necessary rights and properties to complete the same. Any protestant who filed a written protest prior to said hearing may appeal from the order of the board, but to do so must, within ten days from the date of entering of such order, bring direct action in the superior court of the state of Washington in the county wherein such district is situated, against such board of directors in their official capacity, which action shall be prosecuted under the procedure for civil actions, with the right of (~~appeal to the supreme court or the court of appeals~~) appellate review, as provided in other civil actions. In any action so brought, the order of the board shall be conclusive of the regularity and propriety of the proceedings and all other matters except it shall be open to attack upon the ground of fraud, unfair dealing, arbitrary, or unreasonable action of the board.

Upon the return of the verdict of the jury as provided in the preceding section, if it shall appear to the court that the total benefits found by the jury to have accrued to the lands of the district is equal to or exceeds the actual cost of the improvement including the increased cost of completing the same, the court shall enter its judgment in accordance therewith, as supplemental to and in lieu of the original decree fixing the benefits to the respective tracts of land, and thereafter the assessment and levy for the original cost of the construction of the improvement, including the indebtedness incurred for completing the improvement together with interest at the legal rate on the warrants issued therefor, and all assessments and levies if any, for the future maintenance of the drainage system described in the judgment shall be based upon the respective benefits determined and assessed against the respective tracts of land as specified in the judgment. Every person or corporation feeling himself or itself aggrieved by any such judgment may (~~appeal therefrom to the supreme court or the court of appeals~~) seek appellate review within thirty days after the entry thereof, and such (~~appeal~~) review shall bring before the (~~supreme court or the court of appeals~~) appellate court the propriety and justness of the verdict of the jury in respect to the parties to the (~~appeal~~) proceeding.

The time for filing such record and serving and filing of briefs in this section prescribed may be extended by order of the superior court, or by stipulation of the parties concerned. MAJORITY recommendation: Do pass with the following amendment:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The legislature finds that the sport of skiing is practiced by a large number of Washington residents and attracts a large number of nonresidents to the state, thereby significantly contributing to the economy of Washington. It further finds that there are inherent risks in the sport of skiing, which should be understood by each skier. It is the intent of the legislature to clarify the law in relation to skiing injuries and the risks inherent in the sport of skiing and to establish that certain risks are inherent in that sport.

NEW SECTION. Sec. 2. A new section is added to chapter 70.117 RCW to read as follows:

As used in this chapter, the following terms have the meanings indicated unless the context clearly requires otherwise.

(1) 'Trails' or 'runs' means those trails or runs that have been marked, signed, or designated by the ski area operator as ski trails or ski runs within the area.

(2) 'Inherent risks of skiing' means those dangers or conditions that are an integral part of the sport of skiing, including: Changing weather conditions; variations or steepness in terrain; snow or ice conditions; surface or subsurface conditions, such as bare spots, forest growth, rocks, and stumps; collisions with lift towers, utility poles, or other structures which are clearly marked or visible with the use of reasonable attention or care; collisions with snowmaking or snowgrooming equipment which is clearly marked in accordance with RCW 70.117.010(9) or visible with the use of reasonable attention or care; collisions with other skiers; and a skier's failure to ski within his or her ability. 'Inherent risks of skiing' do not include: Dangerous latent conditions created by the operator or of which the operator knew or reasonably should have known, and which are not clearly marked or visible with the use of reasonable attention or care; the notice and sign requirements of RCW 70.117.010; or the operation, loading, or maintenance of ski lifts, lift equipment, or similar devices.

Sec. 3. Section 1, chapter 139, Laws of 1977 ex. sess. and RCW 70.117.010 are each amended to read as follows:

SB 6271 Prime Sponsor, Senator Deccio: Regulating care provided in the home to ill, disabled, or infirm persons. Reported by Committee on Health Care

MAJORITY recommendation: Do pass with the following amendment:

Strike everything after the enacting clause and insert the following:

"NEW SECTION, Sec. 1. The legislature finds that the availability of home health, hospice, and home care services has improved the quality of life for Washington's citizens. However, the delivery of these services bring risks because the in-home location of services makes their actual delivery virtually invisible. Also, the complexity of products, services, and delivery systems in today's health care delivery system challenges even informed and healthy individuals. The fact that these services are delivered to the state's most vulnerable population, the ill or disabled who are frequently also elderly, adds to these risks.

It is the intent of the legislature to protect the citizens of Washington state by licensing home health, hospice, and home care agencies. This legislation is not intended to unreasonably restrict entry into the in-home service marketplace. Standards established are intended to be the minimum necessary to ensure safe and competent care, and should be demonstrably related to patient safety and welfare.

NEW SECTION. Sec. 7. If a notice has been sent, as required by section 5 of this act, and the total sum due has not been paid as of the date specified in the preliminary lien notice, the lien proposed by this notice attaches as of that date and the owner may deny an occupant access to the space, enter the space, inventory the goods therein, and remove any property found therein to a place of safe keeping. The owner shall then send to the occupant, addressed to the occupant's last known address and to the alternative address specified in section 13(2) of this act by certified mail, postage prepaid, a notice of lien sale or notice of disposal which shall state all of the following:

(1) That the occupant's right to use the storage space has terminated and that the occupant no longer has access to the stored property.

(2) That the stored property is subject to a lien, and the amount of the lien accrued and to accrue prior to the date required to be specified in subsection (3) of this section.

(3) That the property may be sold to satisfy the lien after a specified date which is not less than fourteen days from the date of mailing the lien sale notice, or a minimum of forty-two days after the date when any part of the rent or other charges due from the occupants remain unpaid, whichever is later, unless the amount of the lien is paid.

NEW SECTION. Sec. 8. The owner may, subject to sections 10 and 11 of this act, sell the property upon complying with the requirements set forth in section 9 of this act.

NEW SECTION. Sec. 9. After the date of lien sale specified in section 7(3) of this act, and after prior notice of the sale is mailed to the last known address of the occupant, or the alternative address, the owner may sell the property and may apply any income derived from the sale against the rent due the owner, including actual costs of storage of the property. Any excess income derived from the sale of the property under this section shall be held by the owner for the benefit of the occupant for a period of one year from the date of sale, and if no claim is made or action commenced by the occupant for the recovery of the proceeds prior to the expiration of that period of time, the balance shall be turned over to the state as abandoned property. No employee or owner, or family member or agent of an employee or owner, may bid on the property sold at a lien sale authorized under sections 1 through 18 of this act.

NEW SECTION. Sec. 10. Any person who has a perfected security interest under Article 62A.9 RCW of the uniform commercial code may claim any personal property subject to the security interest and subject to a lien pursuant to this chapter by paying the total amount due, as specified in the lien notices, for the storage of the property. Upon payment of the total amount due, the owner shall deliver possession of the particular property subject to the security interest to the person who paid the total amount due. The owner shall not be liable to any person for any action taken pursuant to this section if the owner has fully complied with sections 6 and 7 of this act.

NEW SECTION. Sec. 11. Prior to any sale pursuant to section 8 of this act, any person not the occupant claiming a right to the goods may pay the amount necessary to satisfy the lien and the reasonable expenses incurred for particular actions taken pursuant to this chapter. In that event, the goods shall not be sold, but shall be retained by the owner subject to rent and the terms of this chapter pending a court order directing a particular disposition of the property.

NEW SECTION. Sec. 12. A purchaser in good faith of goods sold to enforce a lien or judgment entered on the lien in favor of the owner on goods stored at a self-service storage facility takes the goods free of any rights of persons against whom the lien was claimed, despite non-compliance by the owner of the storage facility with this chapter.

NEW SECTION. Sec. 13. (1) Each contract for the rental or lease of individual storage space in a self-service storage facility shall be in writing and shall contain, in addition to the provisions otherwise required or permitted by law to be included, a statement requiring the occupant to disclose any lienholders or secured parties who have an interest in the property that is or will be stored in the self-service storage facility, a statement that the occupant's property will be subject to a claim of lien and may even be sold to satisfy the lien if the rent or other charges due remain unpaid for fourteen consecutive days, and that such actions are authorized by this chapter.

(2) This chapter shall not apply, and the lien authorized by this chapter shall not attach, unless the rental agreement requests, and provides space for, the occupant to give the name and address of another person to whom the preliminary lien notice and subsequent notices required to be given under this chapter may be sent. Notices sent pursuant to section 7 of this act shall be sent to the occupant's address and the alternative address, if both addresses are

provided by the occupant. Failure of an occupant to provide an alternative address shall not affect an owner's remedies under this chapter or under any other provision of law.

NEW SECTION. Sec. 14. Any insurance protecting the personal property stored within the storage space against fire, theft, or damage must be provided by the occupant and shall not be the responsibility of the owner.

NEW SECTION. Sec. 15. Nothing in this chapter may be construed to impair or affect the right of the parties to create additional rights, duties, and obligations in and by virtue of the rental agreement. The rights provided by this chapter shall be in addition to all other rights provided by law to a creditor against his or her debtor.

NEW SECTION. Sec. 16. This chapter shall only apply to rental agreements entered into, extended, or renewed after the effective date of this section. Rental agreements entered into before the effective date of this section which provide for monthly rental payments but providing no specific termination date shall be subject to this chapter on the first monthly rental payment date next succeeding the effective date of this section.

NEW SECTION. Sec. 17. All rental agreements entered into before the effective date of this section, and not extended or renewed after that date, or otherwise made subject to this chapter pursuant to section 16 of this act, and the rights, duties, and interests flowing from them, shall remain valid, and may be enforced or terminated in accordance with their terms or as permitted by any other statute or law of this state.

NEW SECTION. Sec. 18. If an owner issues any warehouse receipt, bill of lading, or other document of title for the personal property stored, the owner and the occupant are subject to Article 62A.7 RCW (commencing with RCW 62A.7-101) of the uniform commercial code and this chapter does not apply.

Sec. 19. Section 3, chapter 252, Laws of 1941 as last amended by section 9, chapter 370, Laws of 1977 ex. sess. and RCW 18.85.110 are each amended to read as follows:

This chapter shall not apply to (1) any person who purchases property and/or a business opportunity for his own account, or that of a group of which he is a member, or who, as the owner or part owner of property, and/or a business opportunity, in any way disposes of the same; nor, (2) any duly authorized attorney in fact, or an attorney at law in the performance of his duties; nor, (3) any receiver, trustee in bankruptcy, executor, administrator, guardian, or any person acting under the order of any court, or selling under a deed of trust; nor, (4) any secretary, bookkeeper, accountant, or other office personnel who does not engage in any conduct or activity specified in any of the definitions under RCW 18.85.010; nor, (5) any owner of rental or lease property, members of the owner's family whether or not residing on such property, or a resident manager of a complex of residential dwelling units wherein such manager resides; nor, (6) any person who manages residential dwelling units on an incidental basis and not as his principal source of income so long as that person does not advertise or hold himself out to the public by any oral or printed solicitation or representation that he is so engaged; nor, (7) only with respect to the rental or lease of individual storage space, any person who owns or manages a self-service storage facility as defined under chapter 19.-- RCW (sections 1 through 18 of this 1988 act).

NEW SECTION. Sec. 20. A new section is added to chapter 63.29 RCW to read as follows:

The excess proceeds of a sale conducted pursuant to section 9 of this act by an owner of a self-storage facility to satisfy the lien and costs of storage which are not claimed by the occupant of the storage space or any other person which remains unclaimed for more than one year is presumed abandoned.

NEW SECTION. Sec. 21. Sections 1 through 18 of this act shall constitute a new chapter in Title 19 RCW.

NEW SECTION. Sec. 22. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected."

SB 6117 Prime Sponsor, Senator Kiskaddon: Creating a pilot program of volunteer support for families with a developmentally disabled child. Reported by Committee on Human Services

MAJORITY recommendation: Do pass with the following amendments:

Strike everything after the enacting clause and insert the following:

***NEW SECTION, Sec. 1.** The legislature recognizes that families who care for their child with a developmental disability at home often experience difficulty providing for that person's twenty-four hour care. The legislature further recognizes that to assist children to become as independent as possible and remain within the family unit, parents need assistance to work effectively with their child. This can be accomplished in part through parent participation in volunteer parent-to-parent support programs and in the provision of in-home family support services.

NEW SECTION, Sec. 2. (1) The developmental disabilities planning council shall contract with local nonprofit organizations for volunteer parent-to-parent support programs that will provide access to such programs to parents in all areas of the state.

(2) Each volunteer parent-to-parent support program shall have the following components: (a) Matching volunteer experienced families who have a child with a developmental

disability with parents of a newly diagnosed child with a developmental disability or parents in need of assistance related to caring for their developmentally disabled child and (b) education and training to assist families to cope with the special needs associated with raising and caring for a child with a developmental disability and in understanding the services and supports that can be available to them through specialized programs and generic services and support systems.

(3) In each location, the project contractor shall hire paid coordinators to establish, implement, and maintain the volunteer parent-to-parent programs. In addition, the coordinators shall work with local community organizations, groups, clubs, religious institutions, service groups, education entities, and other appropriate organizations and service groups to build community understanding and to explore community receptivity to establishing other methods of volunteer support for children with disabilities and their families.

(4) The volunteer parent-to-parent support programs shall be implemented in consultation with county developmental disabilities boards.

NEW SECTION, Sec. 3. The council shall prepare a report on the project to the legislature by January 1, 1990. The report shall include an evaluation of the effects of the project as well as the numbers of families needing family support services who have been formally denied assistance and those who are in need of assistance but who have not requested assistance."

SSB 6118 Prime Sponsor, Committee on Children & Family Services: Providing for the establishment of state child care policy. Reported by Committee on Human Services

MAJORITY recommendation: Do pass with the following amendment:

Strike everything after the enacting clause and insert the following:

NEW SECTION, Sec. 1. It shall be the policy of the state of Washington to:

(1) Recognize the family as the most important social and economic unit of society and support the central role parents play in child rearing. All parents are encouraged to participate fully in the effort to improve the quality of child care services.

(2) Promote a variety of culturally and developmentally appropriate child care settings and services of the highest possible quality in accordance with the basic principle of continuity of care. These settings shall include, but not be limited to, family day care homes, mini-centers, centers and schools.

(3) Promote the growth, development and safety of children by working with community groups including providers and parents to establish standards for quality service, training of child care providers, fair and equitable monitoring, and salary levels commensurate with provider responsibilities and support services.

(4) Promote equal access to quality, affordable, socio-economically integrated child care for all children and families.

(5) Facilitate broad community and private sector involvement in the provision of quality child care services to foster economic development and assist industry.

NEW SECTION, Sec. 2. (1) There is established a child care coordinating committee to provide coordination and communication between state agencies responsible for child care and early childhood education services. The child care coordinating committee shall be composed of not less than seventeen nor more than thirty members who shall include:

(a) One representative each from the department of social and health services, the department of community development, the office of the superintendent of public instruction, and any other agency having responsibility for regulation, provision, or funding of child care services in the state;

(b) One representative from the governor's commission on children;

(c) One representative from the department of trade and economic development;

(d) At least one representative of family home child care providers and one representative of center care providers;

(e) At least one representative of early childhood development experts;

(f) At least one representative of school districts and teachers involved in the provision of child care and preschool programs;

(g) At least one parent education specialist;

(h) At least one representative of resource and referral programs;

(i) One pediatric or other health professional;

(j) At least one representative of college or university child care providers;

(n) At least one employer who provides child care assistance to employees;

(o) Parents of children receiving, or in need of, child care, half of whom shall be parents needing or receiving subsidized child care and half of whom shall be parents who are able to pay for child care.

The named state agencies shall select their representative to the child care coordinating committee. The department of social and health services shall select the remaining members, considering recommendations from lists submitted by professional associations and other interest groups until such time as the committee adopts a member selection process. Staff support for the child care coordinating committee shall be provided by the department of social and health services on an ongoing basis.

The committee shall elect officers from among its membership and shall adopt policies and procedures specifying the lengths of terms, methods for filling vacancies, and other matters necessary to the ongoing functioning of the committee. The secretary of social and health services shall appoint a temporary chair until the committee has adopted policies and elected a chair accordingly. Child care coordinating committee members shall be reimbursed for travel expenses as provided in RCW 43.03.050 and 43.03.060.

(2) The child care coordinating committee shall:

(a) Serve as an advisory coordinator for all state agencies responsible for early childhood or child care programs for the purpose of improving communication and interagency coordination, but not to review the substance of programs. The committee shall annually review state programs and make recommendations to the agencies and the legislature which will maximize funding and promote furtherance of the policies set forth in section 1 of this act;

(b) Review and propose changes to the child care subsidy system by December 1, 1989;

(c) Review agency administration of the child care expansion grant program described in section 3 of this act;

(d) Review alternative models for child care service systems, in the context of the policies set forth in section 1 of this act, and recommend to the legislature a new child care service structure;

(e) Perform other functions to improve the quantity and quality of child care in the state, including compliance with existing and future prerequisites for federal funding.

NEW SECTION. Sec. 3. (1) The legislature recognizes that a severe shortage of child care exists to the detriment of all families and employers throughout the state. Many workers are unable to enter or remain in the work force due to a shortage of child care resources. The high costs of starting a child care business create a barrier to the creation of new slots, especially for children with special needs.

(2) A child care expansion grant fund is created in the custody of the secretary of the department of social and health services. Grants shall be awarded on a one-time only basis to persons, organizations, or schools needing assistance to start a child care center or mini-center as defined by the department by rule, or to existing licensed child care providers, including family home providers, for the purpose of making capital improvements in order to accommodate handicapped children as defined under chapter 72.40 RCW, sick children, or infant care, or children needing night time care. No grant may exceed ten thousand dollars. Start-up costs shall not include operational costs after the first three months of business.

(3) Child care expansion grants shall be awarded on the basis of need for the proposed services in the community, within appropriated funds.

(4) The department shall adopt rules under chapter 34.04 RCW setting forth criteria, application procedures, and methods to assure compliance with the purposes described in this section.

NEW SECTION. Sec. 4. A new section is added to chapter 82.04 RCW to read as follows:

In computing tax there may be deducted from the measure of tax amounts expended for the capital and operation expenses to provide child care in an on-site facility for employees or to directly purchase child care services for employees.

This section shall not apply to expenditures for services provided out-of-state and shall not apply to any type of salary reduction plan.

Taxpayers who take advantage of the tax deduction allowed under this section who cease utilizing their capital investment for child care purposes within five years shall be obligated to pay tax on that portion not taxed in proportion to the amount the investment represents relative to the total tax liability of the taxpayer.

NEW SECTION. Sec. 5. Sections 1 through 3 of this act are each added to chapter 74.13 RCW.

NEW SECTION. Sec. 6. (1) The sum of two hundred thousand dollars, or so much thereof as may be necessary, is appropriated from the general fund to the department of social and health services for the biennium ending June 30, 1989, for the purposes of section 3 of this act.

(2) The sum of two hundred thousand dollars, or so much thereof as may be necessary, is appropriated from the general fund to the department of social and health services for the

biennium ending June 30, 1989, for the purpose of increasing the subsidy rates for regular day care, seasonal day care, and reservation day care programs.

NEW SECTION. Sec. 7. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

NEW SECTION. Sec. 8. This act is necessary for the immediate preservation of the public peace, health, and safety, the support of the state government and its existing public institutions, and shall take effect immediately."

ESSB 6124 Prime Sponsor, Committee on Health Care & Corrections: Providing technical and financial assistance to assist in the delivery of rural health care systems. Reported by Committee on Health Care

MAJORITY recommendation: Do pass with the following amendments:

Strike everything after the enacting clause and insert the following:

***NEW SECTION.** Sec. 1. (1) The legislature finds and declares that the social and economic well-being of the people of rural areas of Washington is closely related to the state's rural health care delivery system. Demographic, economic, and financial changes have greatly affected the viability of rural health care providers. These providers include, but are not limited to, hospitals, health clinics, community clinics, nursing homes, home health providers, and individual providers. The problems faced by rural health care providers include erratic fluctuations or general decline in rural economies, the aging of the rural population, older physical plants, lack of health care professionals, and inappropriate or burdensome regulations, facility standards, and licensure requirements.

(2) Rural health providers help ensure access to and the availability of preventive, primary, and emergency health care services to rural residents and tourist populations in rural areas. A large percentage of rural health resources are used to provide services to government-sponsored patients. The availability of health care services in rural areas is essential to the integrity of the medicare and medicaid programs:

(3) Rural health providers affect the economic well-being of rural areas. Not only are these facilities a source of employment for rural residents, but also the existence of health care services in a rural community is important to its economic development and ability to attract businesses;

(4) Government regulations and standards for facility and professional licensure and certification are typically appropriate to urban facilities and are, in some cases, inordinately burdensome for rural health care facilities. Such regulations and standards can create barriers to the delivery of innovative, efficient, and cost-effective health care services to better meet the health needs of the rural communities; and

(5) The changing environment in health care delivery has changed how and where health care is provided and includes an increased emphasis on outpatient services, preventive care, home health care, and community-based care. Rural communities need to consider restructuring the delivery of health care services to insure continued availability of adequate community-based health care. Coordination among providers is essential to facilitate the planning necessary to maintain a viable health care delivery system within rural areas of the state.

NEW SECTION. Sec. 2. (1) There is created the Washington rural health care commission composed of eleven members; two members shall be the chair and ranking minority member from the senate health care and corrections committee and two members shall be the chair and ranking minority member from the house of representatives health care committee.

(2) The legislative members of the commission shall select seven public members, to serve on the commission, that are representative of rural health care professionals, rural health care

providers, those directly involved in the purchase, provision, or delivery of rural health care services, industry, consumers, and those knowledgeable of the ethical issues involved with rural health care public policy. The chairs of the senate health care and corrections committee and the house of representatives health care committee shall jointly chair the commission. The ranking minority members of these committees shall jointly vice-chair the commission. The legislative members shall serve as the executive committee.

(3) The commission may hire staff or contract for professional assistance with funds made available for their activities. To the extent possible, the department of social and health services, the department of community development, the house of representatives, and the senate shall provide staff support. The commission may apply for and receive and accept grants, gifts, and other payments, including property and services, from any governmental or other public or private entity or person, and may make arrangements as to the use of these receipts, including the undertaking of special studies and other projects relating to health care costs or access to health care.

(4) The public members of the commission shall receive no compensation for their service as members, but shall be reimbursed for their expenses while attending any meetings of the commission in the same manner as legislators engaged in interim committee business as specified in RCW 44.04.120.

(5) The commission may establish ad hoc technical advisory committees to assist it with any particular matters deemed necessary and any person serving in such capacity may be reimbursed for their expenses while attending any meetings of such committee or the commission in the same manner as public members of the commission. To the extent possible, the department of social and health services, the department of community development, the department of trade and economic development, the department of employment security, the state health coordinating council, and other state agencies shall assist the commission in performing its responsibilities.

(6) The commission shall:

(a) Review current statutes and regulations governing the provision of rural health services, including the licensure, certification, and operation of rural health providers, including hospitals, health districts, rural health clinics, rural community health centers, and rural ambulatory surgical centers. The purpose of the review shall be to identify barriers to cost-effective and efficient health care delivery that are created by statute or regulation. The review shall include, but not be limited to:

(i) Licensure and certification survey processes conducted by both federal and state agencies;

(ii) Processes for review and approval of proposed facility construction or remodeling or establishing new services;

(iii) Mandated personnel requirements; and

(iv) Mandatory information gathering and reporting requirements;

(b) Review issues that affect the current delivery of rural health care. This review shall include, but not be limited to:

(i) Determination of basic health care services to be available to rural residents;

(ii) The need for and availability of emergency and nonemergency transportation to medical care facilities;

(iii) The need for and availability of appropriate health care providers;

(iv) Health care financing;

(v) Coordination among private and public health care providers on a local, regional, and state-wide basis; and

(vi) Use of modern telecommunications between rural and regional and urban medical care centers to facilitate better diagnosis and treatment of patients in rural facilities and for use in training rural health care providers;

(c) Establish operational guidelines or standards for a model alternative rural health facility. The standards shall include, but are not limited to:

(i) The basic array of health services that is appropriate in rural areas;

(ii) Minimum staffing requirements for safe, efficient, and effective operation of these services, commensurate with community practice standards; and

(iii) Other such requirements for operation as the commission deems appropriate to establish minimum standards for licensure;

(d) Develop measurements of the economic impact of rural health care facilities on the communities that they serve. The purpose of the study shall be to establish the role health facilities play in determining the economic viability and development of rural communities;

(e) Review the impact of existing government payment policies and methods on rural health facilities. The purpose of the review shall be to identify current payment practices or standards, make recommendations for change as appropriate, and establish guidelines for payment to model rural health facilities as described in this section; and

(f) Recommend, as deemed appropriate by the commission, that the department of social and health services convey to the federal health care financing administration interest in testing new models of institutional health care delivery in rural areas, and seek such waivers as may be necessary and appropriate to such demonstrations.

(7) The commission shall coordinate its activities with the study of trauma care services authorized by Second Substitute House Bill No. 1713 and other health care policy studies conducted during the commission's term.

(8) The commission shall submit a report to the appropriate committees of the legislature by December 1, 1988. The report shall include such findings of the commission as are related to the responsibilities identified in this section. The report shall make recommendations to the legislature regarding changes to licensure, certification, and payment systems that will enhance the likelihood that high quality rural health care delivery occurs in a cost-effective and efficient manner.

NEW SECTION, Sec. 3. A new section is added to chapter 70.14 RCW to read as follows:

The department of social and health services shall compile and make available to the public information regarding medicare health care facility certification options available to hospitals licensed under this title that desire to convert to nonhospital health care facilities. The information provided shall include standards and requirements for certification and procedures for acquiring certification.

NEW SECTION, Sec. 4. The department of community development, department of trade and economic development, department of employment security, and department of social and health services are expected to use their present resources and staffing to carry out the requirements of this act.

NEW SECTION, Sec. 5. Sections 1 and 2 of this act shall expire on December 31, 1988.

NEW SECTION, Sec. 6. The sum of ten thousand dollars, or as much thereof as may be necessary, is appropriated for the biennium ending June 30, 1989, from the general fund to the Washington rural health care commission for the purposes identified in this act. The senate facilities and operations committee may authorize expenditures for necessary expenses directly related to commission activities.

NEW SECTION, Sec. 7. Sections 1 and 2 of this act are necessary for the immediate preservation of the public peace, health, and safety, the support of the state government and its existing public institutions, and shall take effect immediately."

On page 1, line 1 of the title, after "health care;" strike the remainder of the title and insert "adding a new section to chapter 70.14 RCW; creating new sections; making an appropriation; providing an expiration date; and declaring an emergency."

Signed by Representatives Braddock, Chair; Day, Vice Chair; Bristow, Brooks, Bumgarner, Cantwell, Lewis, Lux, D. Sommers, Sprinkle and Vekich.

Absent: Representative Day, Vice Chair.

(d) Seed stored or transported by the grower of the seed.

(2) No person may be subject to the penalties of this chapter for having sold or offered for sale seeds subject to this chapter that were incorrectly labeled or represented as to kind, species, variety, or type, which seeds cannot be identified by examination or testing laboratory analysis thereof, unless he or she has failed to obtain an invoice, genuine grower's declaration or other labeling information and to take such other precautions as may be reasonable to ensure the identity to be that stated. A genuine grower's declaration of variety shall affirm that the grower holds records of proof concerning parent seed, such as invoice and labels.

NEW SECTION. Sec. 13. (1) When a buyer is damaged by the failure of any agricultural, vegetable, or flower seed to produce or perform as represented by the required label, by warranty, or as a result of negligence, the buyer, as a prerequisite to maintaining a legal action against the dealer of such seed, shall have first provided for the arbitration of the claim. Any statutory period of limitations with respect to such claim shall be tolled from the date arbitration proceedings are instituted until ten days after the date on which the arbitration award becomes final.

(2) Similarly, no such claim may be asserted as a counterclaim or defense in any action brought by a dealer against a buyer until the buyer has first provided for arbitration of the claim. Upon the buyer's filing of a written notice of intention to assert such a claim as a counterclaim or defense in the action accompanied by a copy of the buyer's complaint in arbitration filed as provided in this chapter, the action shall be stayed, and any applicable statute of limitations shall be tolled with respect to such claim from the date arbitration proceedings are instituted until ten days after the arbitration award becomes final.

(3) If the parties agree to submit the claim to arbitration and to be bound by the arbitration award, then the arbitration shall be subject to chapter 7.04 RCW and the provisions of sections 14, 15, 16, and 17 of this act will not apply to the arbitration. If the parties do not so agree, then the buyer may provide for mandatory arbitration by the arbitration committee under the provisions of sections 14, 15, 16, and 17 of this act. An award rendered in such mandatory arbitration shall not be binding upon the parties and any trial on any claim so arbitrated shall be de novo.

(4) This section applies only to claims, or counterclaims, where the relief sought is, or includes, a monetary amount in excess of ten thousand dollars.

NEW SECTION. Sec. 14. The director shall adopt rules, in conformance with chapter 34.04 RCW, providing for mandatory arbitration under this chapter and governing the proceedings of the arbitration committee. The decisions and proceedings of the arbitration committee shall not be subject to chapter 34.04 RCW.

NEW SECTION. Sec. 15. (1) To submit a claim to mandatory arbitration, the buyer shall make and file with the department a sworn complaint against the dealer alleging the damages sustained. The buyer shall send a copy of the complaint to the dealer by United States registered mail. A filing fee of ten dollars shall be submitted to the department with each complaint filed and may be recovered from the dealer or other seller upon recommendations of the arbitration committee.

(2) Within twenty days after receipt of a copy of the complaint, the dealer shall file with the department, by United States registered mail, the answer to the complaint. Failure of a dealer to file a timely answer to the complaint shall be so documented for the record.

(3) The director shall, upon receipt of the answer, refer the complaint and answer to the arbitration committee for investigation, findings, and recommendations.

(4) Any dealer may request an investigation by the arbitration committee for any dispute involving seed which may not otherwise be before the arbitration committee.

NEW SECTION. Sec. 16. (1) Upon referral of a complaint for investigation, the arbitration committee shall make a prompt and full investigation of the matters complained of and report its award to the director within sixty days of such referral or such later date as parties may determine or as may be required in subsection (3) of this section.

(2) The report of the arbitration committee shall include, in addition to its award, recommendations as to costs, if any.

(3) In the course of its investigation, the arbitration committee may examine the buyer and the dealer on all matters that the arbitration committee may consider relevant; may grow a representative sample of the seed referred to in the complaint if considered necessary; and may hold informal hearings at such time and place as the committee chairman may direct upon reasonable notice to all parties. If the committee decides to grow a representative sample of the seed, the sixty-day period identified in this section shall be extended an additional thirty days.

(4) After the committee has made its award, the director shall promptly transmit the report by certified mail to all parties.

NEW SECTION. Sec. 17. (1) The director shall create an arbitration committee composed of five members, including the director, or a department employee designated by the director, and four members appointed by the director. The director shall make appointments so that the committee is balanced and does not favor the interests of either buyers or dealers. The director also shall appoint four alternates to the committee. In making appointments the director, to the extent practical, shall seek the recommendations of each of the following:

(a) The dean of the college of agriculture and home economics at Washington State University;

(b) The chief officer of an organization in this state representing the interests of seed dealers;

(c) The chief officer of an agriculture organization in this state as the director may determine to be appropriate; and

(d) The president of an agricultural organization representing persons who purchase seed.

(2) Each alternate member shall serve only in the absence of the member for whom the person is an alternate.

(3) The committee shall elect a chairman and a secretary from its membership. The chairman shall conduct meetings and deliberations of the committee and direct all of its other activities. The secretary shall keep accurate records of all such meetings and deliberations and perform such other duties for the commission as the chairman may direct.

(4) The purpose of the committee is to conduct arbitration as provided in this chapter. The committee may be called into session by or at the direction of the director or upon direction of its chairman to consider matters referred to it by the director in accordance with this chapter.

(5) The members of the committee shall receive no compensation for performing their duties but shall be reimbursed for travel expenses; expense reimbursement shall be borne equally by the parties to the arbitration.

(6) For purposes of this chapter, a quorum of four members or their alternates is necessary to conduct an arbitration investigation or to make an award. If a quorum is present, a simple majority of members present shall be sufficient to make a decision. Any member disagreeing with the award may prepare a dissenting opinion and such opinion also will be included in the committee's report.

(7) The director shall make provisions for staff support, including legal advice, as the committee finds necessary.

NEW SECTION. Sec. 18. The director shall have the authority under this chapter to issue and enforce civil infractions according to chapter 7.80 RCW.

PART IV

AIDS EDUCATION IN THE COMMON SCHOOLS

NEW SECTION. Sec. 401. The legislature finds that the public schools provide a unique and appropriate setting for educating young people about the pathology and prevention of acquired immunodeficiency syndrome (AIDS). The legislature recognizes that schools and communities vary throughout the state and that locally elected school directors should have a significant role in establishing a program of AIDS education in their districts.

NEW SECTION. Sec. 402. A new section is added to chapter 28A.05 RCW to read as follows:

(1) The life-threatening dangers of acquired immunodeficiency syndrome (AIDS) and its prevention shall be taught in the public schools of this state. AIDS prevention education shall be limited to the discussion of the life-threatening dangers of the disease, its spread, and prevention. Students shall receive such education at least once each school year beginning no later than the fifth grade.

(2) Each district board of directors shall adopt an AIDS prevention education program which is developed in consultation with teachers, administrators, parents, and other community members including, but not limited to, persons from medical, public health, and mental health organizations and agencies so long as the curricula and materials developed for use in the AIDS education program either (a) are the model curricula and resources under subsection (3) of this section, or (b) are developed by the school district and approved for medical accuracy by the office on AIDS established in section 602 of this act.

(3) Model curricula and other resources available from the superintendent of public instruction through the state clearinghouse for educational information may be reviewed by the school district board of directors, in addition to materials designed locally, in developing the district's AIDS education program. The model curricula shall be reviewed for medical accuracy by the office on AIDS established in section 602 of this act within the department of social and health services.

(4) Each school district shall, at least one month before teaching AIDS prevention education in any classroom, conduct at least one presentation during weekend and evening hours for the parents and guardians of students concerning the curricula and materials that will be used for such education. The parents and guardians shall be notified by the school district of the presentation and that the curricula and materials are available for inspection. No student may be required to participate in AIDS prevention education if the student's parent or guardian, having attended one of the district presentations, objects in writing to the participation.

(5) The office of the superintendent of public instruction with the assistance of the office on AIDS shall update AIDS education curriculum material as newly discovered medical facts make it necessary.

(6) The curriculum for AIDS prevention education shall be designed to teach students which behaviors place a person dangerously at risk of infection with the human immunodeficiency virus (HIV) and methods to avoid such risk including, at least:

(a) The dangers of drug abuse, especially that involving the use of hypodermic needles; and

(b) The dangers of sexual intercourse, with or without condoms.

(7) The program of AIDS prevention education shall stress the life-threatening dangers of contracting AIDS and shall stress that abstinence from sexual activity is the only certain means for the prevention of the spread or contraction of the AIDS virus through sexual contact. It shall also teach that condoms and other artificial means of birth control are not a certain means of preventing the spread of the AIDS virus and reliance on condoms puts a person at risk for exposure to the disease.

Sec. 403. Section 28A.05.010, chapter 223, Laws of 1969 ex. sess. as last amended by section 1, chapter 232, Laws of 1987 and RCW 28A.05.010 are each amended to read as follows:

All common schools shall give instruction in reading, penmanship, orthography, written and mental arithmetic, geography, the history of the United States, English grammar, physiology and hygiene with special reference to the effects of alcoholic stimulants and narcotics on the human system, science with special reference to the environment, and such other studies as may be prescribed by rule or regulation of the state board of education. All teachers shall stress the importance of the cultivation of manners, the fundamental principles of honesty, honor, industry and economy, the minimum requisites for good health including the beneficial effect of physical exercise and methods to prevent exposure to and transmission of sexually transmitted diseases, and the worth of kindness to all living creatures and the land. The prevention of child abuse may be offered as part of the curriculum in the common schools.

NEW SECTION. Sec. 404. Sections 402 and 403 of this act shall take effect July 1, 1988.

PART V

The curricula and materials shall be reviewed for medical accuracy by the office on AIDS in coordination with the appropriate regional AIDS service network.

PART VI
AIDS TRAINING FOR EMPLOYEES

NEW SECTION. Sec. 601. The number of acquired immunodeficiency syndrome (AIDS) cases in the state may reach five thousand by 1991. This makes it necessary to provide our state's workforce with the resources and knowledge to deal with the epidemic. To ensure that accurate information is available to the state's work force, a clearinghouse for all technically correct educational materials related to AIDS should be created.

NEW SECTION. Sec. 602. There is established in the department an office on AIDS. If a department of health is created, the office on AIDS shall be transferred to the department of health, and its chief shall report directly to the secretary of health. The office on AIDS shall have as its chief a physician licensed under chapter 18.57 or 18.71 RCW or a person experienced in public health who shall report directly to the assistant secretary for health. This office shall be the repository and clearinghouse for all education and training material related to the treatment, transmission, and prevention of AIDS. The office on AIDS shall have the responsibility for coordinating all publicly funded education and service activities related to AIDS. The University of Washington shall provide the office on AIDS with appropriate training and educational materials necessary to carry out its duties. The office on AIDS shall assist state agencies with information necessary to carry out the purposes of this chapter. The department shall work with state and county agencies and specific employee and professional groups to provide information appropriate to their needs, and shall make educational materials available to private employers and encourage them to distribute this information to their employees.

NEW SECTION. Sec. 603. The department shall adopt rules that recommend appropriate education and training for licensed and certified emergency medical personnel under chapter 18.73 RCW on the prevention, transmission, and treatment of AIDS. The department shall require appropriate education or training as a condition of certification or license issuance or renewal.

NEW SECTION. Sec. 604. Each disciplining authority under chapter 18.130 RCW shall adopt rules that require appropriate education and training for licensees on the prevention, transmission, and treatment of AIDS. The disciplining authorities shall work with the office on AIDS under section 602 of this act to develop the training and educational material necessary for health professionals.

NEW SECTION. Sec. 605. The state board of pharmacy shall adopt rules that require appropriate education and training for licensees on the prevention, transmission, and treatment of AIDS. The board shall work with the office on AIDS under section 602 of this act to develop the training and educational material necessary for health professionals.

NEW SECTION. Sec. 606. The superintendent of public instruction shall adopt rules that require appropriate education and training, to be included as part of their present continuing education requirements, for public school employees on the prevention, transmission, and treatment of AIDS. The superintendent of public instruction shall work with the office on AIDS under section 602 of this act to develop the educational and training material necessary for school employees.

NEW SECTION. Sec. 607. The state personnel board, the higher education personnel board, and each unit of local government shall determine whether any employees under their jurisdiction have a substantial likelihood of exposure in the course of their employment to the human immunodeficiency virus. If so, the agency or unit of government shall adopt rules requiring appropriate training and education for the employees on the prevention, transmission, and treatment of AIDS. The rules shall specifically provide for such training and education for law enforcement, correctional, and health care workers. The state personnel board, the higher education personnel board, and each unit of local government shall work with the office on AIDS under section 602 of this act to develop the educational and training material necessary for employees.

NEW SECTION. Sec. 608. The department shall adopt rules requiring appropriate education and training of employees of state licensed or certified health care facilities. The education and training shall be on the prevention, transmission, and treatment of AIDS and shall not be required for employees who are covered by comparable rules adopted under other sections of this chapter. In adopting rules under this section, the department shall consider infection control standards and educational materials available from appropriate professional associations and professionally prepared publications.

NEW SECTION. Sec. 609. Sections 602 through 608 of this act are each added to chapter 70.24 RCW.

PART VII
COUNSELING AND TESTING

NEW SECTION. Sec. 701. Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

(1) 'Pretest counseling' means counseling aimed at helping the individual understand ways to reduce the risk of HIV infection, the nature and purpose of the tests, the significance of the results, and the potential dangers of the disease, and to assess the individual's ability to cope with the results.

(2) 'Posttest counseling' means further counseling following testing usually directed toward increasing the individual's understanding of the human immunodeficiency virus infection, changing the individual's behavior, and, if necessary, encouraging the individual to notify persons with whom there has been contact capable of spreading HIV.

(3) 'AIDS counseling' means counseling directed toward increasing the individual's understanding of acquired immunodeficiency syndrome and changing the individual's behavior.

(4) 'HIV testing' means a test indicative of infection with the human immunodeficiency virus as specified by the board of health by rule.

NEW SECTION. Sec. 702. No person may undergo HIV testing without the person's consent except:

(1) Pursuant to RCW 7.70.065 for incompetent persons;

(2) In seroprevalence studies where neither the persons whose blood is being tested know the test results nor the persons conducting the tests know who is undergoing testing;

(3) If the department of labor and industries determines that it is relevant, in which case payments made under Title 51 RCW may be conditioned on the taking of an HIV antibody test; or

(4) As otherwise expressly authorized by this chapter.

NEW SECTION. Sec. 703. (1) Local health departments authorized under this chapter shall conduct or cause to be conducted pretest counseling, HIV testing, and posttest counseling of all persons:

(a) Convicted of a sexual offense under chapter 9A.44 RCW;

(b) Convicted of prostitution or offenses relating to prostitution under chapter 9A.88 RCW; or

(c) Convicted of drug offenses under chapter 69.50 RCW if the court determines at the time of conviction that the related drug offense is one associated with the use of hypodermic needles.

(2) Such testing shall be conducted as soon as possible after sentencing and shall be so ordered by the sentencing judge.

(3) This section applies only to offenses committed after the effective date of this section.

(4) A law enforcement officer, fire fighter, health care provider, or health care facility staff person, who has experienced a substantial exposure to another person's bodily fluids in the course of his or her employment, may request a state or local public health officer to order pretest counseling, HIV testing, and posttest counseling for the person whose bodily fluids he or she has been exposed to. The person who is subject to the order shall be given written notice of the order promptly, personally, and confidentially, stating the grounds and provisions of the order, including the factual basis therefor. If the person who is subject to the order refuses to comply, the state or local public health officer may petition the superior court for a hearing. The standard of review for the order is whether substantial exposure occurred and whether that exposure presents a possible risk of transmission of the HIV virus as defined by the board by rule. Upon conclusion of the hearing, the court shall issue the appropriate order. The state or local public health officer shall perform counseling and testing under this subsection if he or she finds that the exposure was substantial and presents a possible risk as defined by the board of health by rule.

NEW SECTION. Sec. 704. Local health departments, in cooperation with the regional AIDS services networks, shall make available voluntary testing and counseling services to all persons arrested for prostitution offenses under chapter 9A.88 RCW and drug offenses under chapter 69.50 RCW. Services shall include educational materials that outline the seriousness of AIDS and encourage voluntary participation.

NEW SECTION. Sec. 705. (1) Every health care practitioner attending a pregnant woman or a person seeking treatment of a sexually transmitted disease shall insure that AIDS counseling of the patient is conducted.

(2) AIDS counseling shall be provided to each person in a drug treatment program under chapter 69.54 RCW.

NEW SECTION. Sec. 706. Jail administrators, with the approval of the local public health officer, may order pretest counseling, HIV testing, and posttest counseling for persons detained in the jail if the local public health officer determines that actual or threatened behavior presents a possible risk to the staff, general public, or other persons. Approval of the local public health officer shall be based on section 909(3) of this act and may be contested through section 909(4) of this act. The administrator shall establish, pursuant to RCW 70.48.071, a procedure to document the possible risk which is the basis for the HIV testing. 'Possible risk,' as used in this section, shall be defined by the board in rule. Documentation of the behavior, or threat thereof, shall be reviewed with the person to try to assure that the person understands the basis for testing.

NEW SECTION. Sec. 707. (1) Department of corrections facility administrators may order pretest counseling, HIV testing, and posttest counseling for inmates if the secretary of corrections or the secretary's designee determines that actual or threatened behavior presents a possible risk to the staff, general public, or other inmates. The department of corrections shall

establish a procedure to document the possible risk which is the basis for the HIV testing. 'Possible risk,' as used in this section, shall be defined by the department of corrections after consultation with the board. Possible risk, as used in the documentation of the behavior, or threat thereof, shall be reviewed with the inmate.

(2) Department of corrections administrators and superintendents who are authorized to make decisions about testing and dissemination of test information shall, at least annually, participate in training seminars on public health considerations conducted by the assistant secretary for public health or her or his designee.

(3) Administrative hearing requirements set forth in chapter 34.04 RCW do not apply to the procedure developed by the department of corrections pursuant to this section. This section shall not be construed as requiring any hearing process except as may be required under existing federal constitutional law.

(4) Section 703 of this act does not apply to the department of corrections or to inmates in its custody or subject to its jurisdiction.

NEW SECTION, Sec. 708. By January 1, 1989, the secretary of corrections shall report to the legislature on the necessity of an AIDS-related segregation policy for all facilities under the director of the secretary.

NEW SECTION, Sec. 709. The board of health shall adopt rules establishing minimum standards for pretest counseling, HIV testing, posttest counseling, and AIDS counseling.

NEW SECTION, Sec. 710. Sections 701 through 707 and 709 of this act are each added to chapter 70.24 RCW.

PART VIII

REGIONAL AIDS SERVICE NETWORKS

NEW SECTION, Sec. 801. A new section is added to chapter 70.24 RCW to read as follows:

The department shall establish a state-wide system of regional acquired immunodeficiency syndrome (AIDS) service networks as follows:

(1) The secretary of social and health services shall direct that all state or federal funds, excluding those from federal Title XIX for services or other activities authorized in this chapter, shall be allocated to the office on AIDS established in section 602 of this act. The secretary shall further direct that all funds for services and activities specified in subsection (3) of this section shall be provided to lead counties through contractual agreements based on plans developed as provided in subsection (2) of this section, unless direction of such funds is explicitly prohibited by federal law, federal regulation, or federal policy. The department shall deny funding allocations to lead counties only if the denial is based upon documented incidents of nonfeasance, misfeasance, or malfeasance. However, the department shall give written notice and thirty days for corrective action in incidents of misfeasance or nonfeasance before funding may be denied. The department shall designate six AIDS service network regions encompassing the state. In doing so, the department shall use the boundaries of the regional structures in place for the community services administration on January 1, 1988.

(2) The department shall request that a lead county within each region, which shall be the county with the largest population, prepare, through a cooperative effort of local health departments within the region, a regional organizational and service plan, which meets the requirements set forth in subsection (3) of this section. Efforts should be made to use existing plans, where appropriate. The plan should place emphasis on contracting with existing hospitals, major voluntary organizations, or health care organizations within a region that have in the past provided quality services similar to those mentioned in subsection (3) of this section and that have demonstrated an interest in providing any of the components listed in subsection (3) of this section. If any of the counties within a region do not participate, it shall be the lead county's responsibility to develop the part of the plan for the nonparticipating county or counties. If all of the counties within a region do not participate, the department shall assume the responsibility.

(3) The regional AIDS service network plan shall include the following components:

- (a) A designated single administrative or coordinating agency;
- (b) A complement of services to include:
 - (i) Voluntary and anonymous counseling and testing;
 - (ii) Mandatory testing and/or counseling services for certain individuals, as required by law;
 - (iii) Notification of sexual partners of infected persons, as required by law;
 - (iv) Education for the general public, health professionals, and high-risk groups;
 - (v) Intervention strategies to reduce the incidence of HIV infection among high-risk groups, possibly including needle sterilization and methadone maintenance;
 - (vi) Related community outreach services for runaway youth;
 - (vii) Case management;
 - (viii) Strategies for the development of volunteer networks;
 - (ix) Strategies for the coordination of related agencies within the network; and
 - (x) Other necessary information, including needs particular to the region;
- (c) A service delivery model that includes:
 - (i) Case management services; and

(li) A community-based continuum-of-care model encompassing both medical, mental health, and social services with the goal of maintaining persons with AIDS in a home-like setting, to the extent possible, in the least-expensive manner; and

(d) Budget, caseload, and staffing projections.

(4) Efforts shall be made by both the counties and the department to use existing service delivery systems, where possible, in developing the networks.

(5) The University of Washington health science program, in cooperation with the office on AIDS may, within available resources, establish a center for AIDS education, which shall be linked to the networks. The center for AIDS education is not intended to engage in state-funded research related to HIV infection, AIDS, or HIV-related conditions. Its duties shall include providing the office on AIDS with the appropriate educational materials necessary to carry out that office's duties.

(6) The department shall implement this section, consistent with available funds, by October 1, 1988, by establishing six regional AIDS service networks whose combined jurisdictions shall include the entire state.

(a) Until June 30, 1991, available funding for each regional AIDS service network shall be allocated as follows:

(i) Seventy-five percent of the amount provided for regional AIDS service networks shall be allocated per capita based on the number of persons residing within each region, but in no case less than one hundred fifty thousand dollars for each regional AIDS service network per fiscal year. This amount shall be expended for testing, counseling, education, case management, notification of sexual partners of infected persons, planning, coordination, and other services required by law, except for those enumerated in (ii) of this subsection.

(ii) Twenty-five percent of the amount provided for regional AIDS service networks shall be allocated for intervention strategies specifically addressing groups that are at a high risk of being infected with the human immunodeficiency virus. The allocation shall be made by the office on AIDS based on documented need as specified in regional AIDS network plans.

(b) After June 30, 1991, the funding shall be allocated as provided by law. By December 15, 1990, the department shall report to the appropriate committees of the legislature on proposed methods of funding regional AIDS service networks.

(7) The regional AIDS service networks shall be the official state regional agencies for AIDS information education and coordination of services. The state public health officer, as designated by the secretary of social and health services, shall make adequate efforts to publicize the existence and functions of the networks.

(8) If the department is not able to establish a network by an agreement solely with counties, it may contract with nonprofit agencies for any or all of the designated network responsibilities.

(9) The department, in establishing the networks, shall study mechanisms that could lead to reduced costs and/or increased access to services. The methods shall include capitation.

(10) The department shall reflect in its departmental biennial budget request the funds necessary to implement this section.

(11) The department shall submit an implementation plan to the appropriate committees of the legislature by July 1, 1988.

(12) The use of appropriate materials as authorized by regional AIDS service networks in the prevention or control of HIV infection shall not be deemed a violation of RCW 69.50.412.

NEW SECTION. Sec. 802. The department shall study the need for community residential care for persons with AIDS, including facility size, staffing, and related community health and social services, and report its finding to the appropriate committees of the legislature by December 15, 1988.

NEW SECTION. Sec. 803. To assist the secretary of social and health services in the development and implementation of AIDS programs, the governor shall appoint an AIDS advisory committee. Among its duties shall be a review of insurance problems as related to persons with AIDS. The committee shall terminate on June 30, 1991.

PART IX

CONTROL OF SEXUALLY TRANSMITTED DISEASES

NEW SECTION. Sec. 901. A new section is added to chapter 70.24 RCW to read as follows:

The legislature declares that sexually transmitted diseases constitute a serious and sometimes fatal threat to the public and individual health and welfare of the people of the state. The legislature finds that the incidence of sexually transmitted diseases is rising at an alarming rate and that these diseases result in significant social, health, and economic costs, including infant and maternal mortality, temporary and lifelong disability, and premature death. The legislature further finds that sexually transmitted diseases, by their nature, involve sensitive issues of privacy, and it is the intent of the legislature that all programs designed to deal with these diseases afford patients privacy, confidentiality, and dignity. The legislature also finds that medical knowledge and information about sexually transmitted diseases are rapidly changing. It is therefore the intent of the legislature to provide a program that is sufficiently flexible to meet emerging needs, deals efficiently and effectively with reducing the incidence of sexually

transmitted diseases, and provides patients with a secure knowledge that information they provide will remain private and confidential.

NEW SECTION. Sec. 902. A new section is added to chapter 49.60 RCW to read as follows:

(1) Sensory, mental, or physical handicap shall include actual or perceived HIV infection status of an individual.

(2) Subsection (1) of this section shall not apply to transactions with insurance entities, health service contractors, or health maintenance organizations subject to RCW 49.60.030 (1)(e) or 49.60.178 to prohibit fair discrimination on the basis of actual HIV infection status when bona fide statistical differences in risk or exposure have been substantiated.

(3) For the purposes of this chapter, 'HIV' means the human immunodeficiency virus, and includes all HIV and HIV-related viruses which damage the cellular branch of the human immune system and leave the infected person immunodeficient.

NEW SECTION. Sec. 903. A new section is added to chapter 49.60 RCW to read as follows:

(1) No person may require an individual to take an HIV test, as defined in chapter 70.24 RCW, as a condition of hiring, promotion, or continued employment unless the absence of HIV infection is a bona fide occupational qualification for the job in question.

(2) No person may discharge or fail or refuse to hire any individual, or segregate or classify any individual in any way which would deprive or tend to deprive that individual of employment opportunities or adversely affect his or her status as an employee, or otherwise discriminate against any individual with respect to compensation, terms, conditions, or privileges of employment on the basis of the results of an HIV test unless the absence of HIV infection is a bona fide occupational qualification of the job in question.

(3) The absence of HIV infection as a bona fide occupational qualification exists when performance of a particular job can be shown to present a significant risk, as defined by the human rights commission in consultation with the board of health, of transmitting HIV infection to other persons, and there exists no means of eliminating the risk by restructuring the job.

(4) Employers are immune from civil action for damages arising out of transmission of HIV to employees or to members of the public unless such transmission occurs as a result of the employer's gross negligence.

NEW SECTION. Sec. 904. A new section is added to chapter 70.24 RCW to read as follows:

(1) No person may disclose or be compelled to disclose the identity of any person who has investigated, considered, or requested a test or treatment for a sexually transmitted disease, except as authorized by this chapter.

(2) No person may disclose or be compelled to disclose the identity of any person upon whom a test for a sexually transmitted disease is performed, or the results of such a test or any information relating to diagnosis of or treatment for a sexually transmitted disease in a manner which permits identification of the subject of the test, diagnosis, or treatment except to the following persons:

(a) The subject of the test or the subject's legal representative for health care decisions in accordance with RCW 7.70.065, with the exception of such a representative of a minor child over fourteen years of age and otherwise competent;

(b) Any person who secures a specific release of test results executed by the subject of the test or the subject's legal representative for health care decisions in accordance with RCW 7.70.065, with the exception of such a representative of a minor child over fourteen years of age and otherwise competent;

(c) The state public health officer, a local public health officer, or the centers for disease control of the United States public health service in accordance with reporting requirements for a diagnosed case of a sexually transmitted disease;

(d) A health facility or health care provider that procures, processes, distributes, or uses: (i) A human body part, tissue, or blood from a deceased person with respect to medical information regarding that person; (ii) semen, including that provided prior to the effective date of this section, for the purpose of artificial insemination; or (iii) blood specimens;

(e) Any state or local public health officer conducting an investigation pursuant to section 909 of this act, provided that such record was obtained by means of court ordered HIV testing pursuant to section 703 or 909 of this act;

(f) A person allowed access to the record by a court order granted after application showing good cause therefor. In assessing good cause, the court shall weigh the public interest and the need for disclosure against the injury to the patient, to the physician-patient relationship, and to the treatment services. Upon the granting of the order, the court, in determining the extent to which any disclosure of all or any part of the record of any such test is necessary, shall impose appropriate safeguards against unauthorized disclosure. An order authorizing disclosure shall: (i) Limit disclosure to those parts of the patient's record deemed essential to fulfill the objective for which the order was granted; (ii) limit disclosure to those persons whose need for information is the basis for the order; and (iii) include any other appropriate measures to keep disclosure to a minimum for the protection of the patient, the physician-patient relationship, and the treatment services, including but not limited to the written statement set forth in subsection (5) of this section;

(g) Persons who, because of their behavioral interaction with the infected individual, have been placed at risk for acquisition of a sexually transmitted disease, as provided in section 906 of this act, if the health officer or authorized representative believes that the exposed person was unaware that a risk of disease exposure existed and that the disclosure of the identity of the infected person is necessary;

(h) A law enforcement officer, fire fighter, health care provider, or health care facility staff person, who has requested a test of a person whose bodily fluids he or she has been substantially exposed to, pursuant to section 703(4) of this act, if a state or local public health officer performs the test; and

(i) Claims management personnel employed by or associated with an insurer, health care service contractor, health maintenance organization, self-funded health plan, state-administered health care claims payer, or any other payer of health care claims where such disclosure is to be used solely for the prompt and accurate evaluation and payment of medical or related claims. Information released under this subsection shall be confidential and shall not be released or available to persons who are not involved in handling or determining medical claims payment.

The information may be submitted to transporting officers and receiving facilities, including facilities that are not under the department of correction's jurisdiction.

(b) The sexually transmitted disease status of a person detained in a jail shall be made available by the local public health officer to a jail administrator as necessary for disease prevention or control and for protection of the safety and security of the staff, offenders, and the public. The information may be submitted to transporting officers and receiving facilities.

(c) Information regarding a department of corrections offender's sexually transmitted disease status is confidential and may be disclosed by a correctional superintendent or administrator or local jail administrator only as necessary for disease prevention or control and for protection of the safety and security of the staff, offenders, and the public. Laboratories testing for HIV shall report anonymous HIV prevalence results to the department, for health statistics purposes, in a manner established by the board.

Sec. 908. Section 8, chapter 114, Laws of 1919 and RCW 70.24.070 are each amended to read as follows:

For the purpose of carrying out ((the provisions of)) this ((act)) chapter, the ((state)) board ((of health)) shall have the power and authority((- from time to time, to divide the state into such number of quarantine districts consisting of one or more counties or parts of counties or municipalities as it shall deem expedient, and to establish at such place or places as it shall deem necessary quarantine stations and clinics)) to designate facilities for the detention and treatment of persons found to be infected with a sexually transmitted disease and to ((establish)) designate any such ((quarantine station and clinic in connection with any county or city jail, or)) facility in any hospital or other public or private institution, other than a jail or correctional facility, having, or which may be provided with, such necessary detention, segregation, isolation, clinic and hospital facilities as may be required and prescribed by the board, and to enter into arrangements for the conduct of such ((quarantine stations and clinics)) facilities with the public officials or persons, associations, or corporations in charge of or maintaining and operating such institutions.

NEW SECTION. Sec. 909. A new section is added to chapter 70.24 RCW to read as follows:

(1) Subject to the provisions of this chapter, the state and local public health officers or their authorized representatives may examine and counsel or cause to be examined and counseled persons reasonably believed to be infected with or to have been exposed to a sexually transmitted disease.

(2) Orders or restrictive measures directed to persons with a sexually transmitted disease shall be used as the last resort when other measures to protect the public health have failed, including reasonable efforts, which shall be documented, to obtain the voluntary cooperation of the person who may be subject to such an order. The orders and measures shall be applied serially with the least intrusive measures used first. The burden of proof shall be on the state or local public health officer to show that specified grounds exist for the issuance of the orders or restrictive measures and that the terms and conditions imposed are no more restrictive than necessary to protect the public health.

(3) When the state or local public health officer within his or her respective jurisdiction knows or has reason to believe, because of direct medical knowledge or reliable testimony of others in a position to have direct knowledge of a person's behavior, that a person has a sexually transmitted disease and is engaging in specified conduct, as determined by the board by rule based upon generally accepted standards of medical and public health science, that endangers the public health, he or she shall conduct an investigation in accordance with procedures prescribed by the board to evaluate the specific facts alleged, if any, and the reliability and credibility of the person or persons providing such information and, if satisfied that the allegations are true, he or she may issue an order according to the following priority to:

(a) Order a person to submit to a medical examination or testing, seek counseling, or obtain medical treatment for curable diseases, or any combination of these, within a period of time determined by the public health officer, not to exceed fourteen days.

(b) Order a person to immediately cease and desist from specified conduct which endangers the health of others by imposing such restrictions upon the person as are necessary to prevent the specified conduct that endangers the health of others only if the public health officer has determined that clear and convincing evidence exists to believe that such person has been ordered to report for counseling as provided in (a) of this subsection and continues to demonstrate behavior which endangers the health of others. Any restriction shall be in writing, setting forth the name of the person to be restricted and the initial period of time, not to exceed three months, during which the order shall remain effective, the terms of the restrictions, and such other conditions as may be necessary to protect the public health. Restrictions shall be imposed in the least-restrictive manner necessary to protect the public health.

(4) (a) Upon the issuance of any order by the state or local public health officer or an authorized representative pursuant to subsection (3) of this section or section 703(4) of this act, such public health officer shall give written notice promptly, personally, and confidentially to the person who is the subject of the order stating the grounds and provisions of the order, including the factual bases therefor, the evidence relied upon for proof of infection and dangerous behavior, and the likelihood of repetition of such behaviors in the absence of such an order, and notifying the person who is the subject of the order that, if he or she contests the order, he or she may appear at a judicial hearing on the enforceability of the order, to be held in superior court. He or she may have an attorney appear on his or her behalf in the hearing

at public expense, if necessary. The hearing shall be held within seventy-two hours of receipt of the notice, unless the person subject to the order agrees to comply. If the person contests the order, no invasive medical procedures shall be carried out prior to a hearing being held pursuant to this subsection. If the person does not contest the order within seventy-two hours of receiving it, and the person does not comply with the order within the time period specified for compliance with the order, the state or local public health officer may request a warrant be issued by the superior court to insure appearance at the hearing. The hearing shall be within seventy-two hours of the expiration date of the time specified for compliance with the original order. The burden of proof shall be on the public health officer to show by clear and convincing evidence that the specified grounds exist for the issuance of the order and for the need for compliance and that the terms and conditions imposed therein are no more restrictive than necessary to protect the public health. Upon conclusion of the hearing, the court shall issue appropriate orders affirming, modifying, or dismissing the order.

(b) If the superior court dismisses the order of the public health officer, the fact that the order was issued shall be expunged from the records of the department or local department of health.

(5) Any hearing conducted pursuant to this section shall be closed and confidential unless a public hearing is requested by the person who is the subject of the order, in which case the hearing will be conducted in open court. Unless in open hearing, any transcripts or records relating thereto shall also be confidential and may be sealed by the order of the court.

NEW SECTION, Sec. 910. A new section is added to chapter 70.24 RCW to read as follows:

(1) When the procedures of section 909 of this act have been exhausted and the state or local public health officer, within his or her respective jurisdiction, knows or has reason to believe, because of medical information, that a person has a sexually transmitted disease and that the person continues to engage in behaviors that present an imminent danger to the public health as defined by the board by rule based upon generally accepted standards of medical and public health science, the public health officer may bring an action in superior court to detain the person in a facility designated by the board for a period of time necessary to accomplish a program of counseling and education, excluding any coercive techniques or procedures, designed to get the person to adopt nondangerous behavior. In no case may the period exceed ninety days under each order. The board shall establish, by rule, standards for counseling and education under this subsection. The public health officer shall request the prosecuting attorney to file such action in superior court. During that period, reasonable efforts will be made in a noncoercive manner to get the person to adopt nondangerous behavior.

(2) If an action is filed as outlined in subsection (1) of this section, the superior court, upon the petition of the prosecuting attorney, shall issue other appropriate court orders including, but not limited to, an order to take the person into custody immediately, for a period not to exceed seventy-two hours, and place him or her in a facility designated or approved by the board. The person who is the subject of the order shall be given written notice of the order promptly, personally, and confidentially, stating the grounds and provisions of the order, including the factual bases therefor, the evidence relied upon for proof of infection and dangerous behavior, and the likelihood of repetition of such behaviors in the absence of such an order, and notifying the person that if he or she refuses to comply with the order he or she may appear at a hearing to review the order and that he or she may have an attorney appear on his or her behalf in the hearing at public expense, if necessary. If the person contests testing or treatment, no invasive medical procedures shall be carried out prior to a hearing being held pursuant to subsection (3) of this section.

(3) The hearing shall be conducted no later than forty-eight hours after the receipt of the order. The person who is subject to the order has a right to be present at the hearing and may have an attorney appear on his or her behalf in the hearing, at public expense if necessary. If the order being contested includes detention for a period of fourteen days or longer, the person shall also have the right to a trial by jury upon request. Upon conclusion of the hearing or trial by jury, the court shall issue appropriate orders.

The court may continue the hearing upon the request of the person who is subject to the order for good cause shown for no more than five additional judicial days. If a trial by jury is requested, the court, upon motion, may continue the hearing for no more than ten additional judicial days. During the pendency of the continuance, the court may order that the person contesting the order remain in detention or may place terms and conditions upon the person which the court deems appropriate to protect public health.

(4) The burden of proof shall be on the state or local public health officer to show by clear and convincing evidence that grounds exist for the issuance of any court order pursuant to subsection (2) or (3) of this section. If the superior court dismisses the order, the fact that the order was issued shall be expunged from the records of the state or local department of health.

(5) Any hearing conducted by the superior court pursuant to subsection (2) or (3) of this section shall be closed and confidential unless a public hearing is requested by the person who is the subject of the order, in which case the hearing will be conducted in open court. Unless in open hearing, any transcripts or records relating thereto shall also be confidential and may be sealed by order of the court.

(6) Any order entered by the superior court pursuant to subsection (1) or (2) of this section shall impose terms and conditions no more restrictive than necessary to protect the public health.

E2SSB 6277 Prime Sponsor, Committee on Ways & Means: Establishing the business and job retention program. Reported by Committee on Trade & Economic Development

MAJORITY recommendation: Do pass with the following amendments:

Strike everything after the enacting clause and insert the following:

NEW SECTION. Sec. 1. The legislature finds that the Washington state economy has suffered as a result of plant closures, business failures, and mass layoffs. The state has experienced substantial increases in unemployment compensation and public assistance expenditures, decreases in taxes paid by workers and businesses, and increases in social and health program costs due to high levels of unemployment.

The legislature further finds that the state has a substantial and continuing interest in assuring the survival of firms currently operating in the state by assisting them in adjusting to changing economic conditions.

State agencies have recognized the importance of interagency cooperation in business and job retention efforts. It is the purpose of this chapter to further these agency efforts by authorizing and funding locally based business and job retention efforts to assist businesses which are likely to close, fail, or experience a permanent mass layoff. The legislature's primary objective is to coordinate, assist, augment, and improve existing business and job retention efforts and provide continuing financial and technical assistance and training to such efforts.

NEW SECTION. Sec. 2. Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter:

(1) 'Department' means the department of trade and economic development.

(2) 'Director' means the director of trade and economic development.

NEW SECTION. Sec. 3. There is established within the department of trade and economic development the business and job retention program. An exempt position is hereby created for the assistant director level within the department of trade and economic development for the director of the business and job retention program. The director shall be appointed by the governor and shall serve under the direction of the director of trade and economic development at the governor's pleasure. In carrying out the purposes of this chapter, the director shall solicit volunteer assistance, work with the business assistance center, the small business development center, the department of community development's employee ownership program, local early warning programs, local reemployment centers, labor representatives, and other appropriate public and private agencies and organizations and, when appropriate, contract with private consultants.

NEW SECTION. Sec. 4. By July 1, 1988, the director shall appoint no more than six people to an advisory committee. The committee shall include one representative from state-wide business organizations, one from state-wide labor organizations, and one from government. The remaining members shall be chosen from representatives of higher education, community colleges, vocational technical institutes, associate development organizations, community based economic development organizations, private industry councils, local early warning programs, local reemployment centers, and other advocates for dislocated and unemployed workers. The director shall consult with the advisory committee in developing implementation plans for carrying out this chapter and shall monitor implementation and operations of the state and regional components of the program. Staff assistance shall be provided to the committee by the department. Members of the advisory committee shall receive no compensation but shall be reimbursed for travel expenses under RCW 43.03.050 and 43.03.060.

NEW SECTION. Sec. 5. The director, after consultation with the advisory committee, shall:

(1) Designate service delivery regions in the state, each of which shall have no less than one county and no more than six counties.

(2) Designate an associate development organization or other appropriate locally based organization to coordinate business and job retention efforts in each region. The regional coordinating organization shall solicit the active involvement of all affected local groups. Special emphasis shall be placed on the involvement of local businesses, local governments, and local labor organizations. Other groups whose involvement should be sought include local associate development organizations, local reemployment centers, local educational institutions, community based organizations, advocates for the dislocated and unemployed workers, and local private industry councils. The regional coordinating organization shall coordinate efforts with the Washington ambassadors program and select appropriate marketing, management, training, and technical specialists to assist with efforts on any given project or group of projects. The department may subcontract with existing early warning or job retention programs to avoid duplication of effort in any region. The regional coordinating organization shall be responsible for soliciting assistance from within the region from local chambers of commerce, private industry councils, colleges, universities, local early warning programs, local reemployment centers, and any other private, public, or nonprofit group with appropriate expertise.

(3) Develop model local business surveys and assist with regional business and job retention efforts to administer in each region surveys of businesses, utilities, labor unions, employees, financial institutions, and community organizations in cooperation with any existing business retention programs, reemployment centers, and associate development organizations. The surveys will gather information about business needs, expansion plans, relocation decisions, training needs, potential layoffs, financing needs, the availability of financing, and other appropriate information.

(4) Designate criteria for receipt of services offered to businesses, labor unions, employee groups, community groups, local governments, and port districts. Such criteria shall include the number of employees affected, the type of business involved, reemployment potential of employees, severity of problems affecting the business or workforce, skill level of workforce, availability of financing, and the social and economic costs of layoffs or closure.

(5) Be responsible for the development and implementation of training programs for regional business and job retention regional coordinating organizations and involved community participants. The training programs shall be designed to assist regional efforts to develop and coordinate local resources, assess the need for outside resources, and locate other public and private resources needed to assist firms and workers.

(6) Provide or coordinate the delivery of technical and managerial assistance upon request from local business and job retention coordinating groups. Such assistance shall include financial management, marketing, product development, production process analysis, training, and other business services.

NEW SECTION. Sec. 6. Business and job retention regional coordinating organizations in service delivery regions with seventy thousand residents or above shall administer local business surveys. Regional coordinating organizations in service delivery regions with less than seventy thousand residents are encouraged to administer local business surveys. Regional

coordinating organizations may not require local businesses to fill out the surveys. Regional coordinating organizations in all regions shall provide marketing, technical, managerial, regulatory, and training assistance appropriate to client businesses, unions, employee groups, and workforces.

(1) Regional coordinating organizations shall initiate contact with those firms or employees indicating by their response to the business surveys the potential for imminent closure, mass layoff, or relocation. For firms or employees not indicating such potential, the provision of services by the regional coordinating organization will be in response to direct requests from firms, labor unions, employee groups, community groups, local governments, or port districts.

(2) The regional coordinating organization shall be responsible for conducting an initial assessment of firms or work forces to determine viability, problems, and skill levels, in cooperation with any early warning programs, reemployment centers, and associate development organizations. The assessment shall include but not be limited to the public and private costs of any potential closure or layoff, the role of governmental policies or regulations in contributing to closures or layoffs, the potential for preventing a closure, business failure, business relocation, or mass layoff, the potential for a change in ownership, including worker and community buy-outs of the firm, and the costs of keeping the facility in operation.

(3) After the initial assessment, the regional coordinating organization shall coordinate the delivery of technical, managerial, financial, training, and other assistance. If the initial assessment indicates the need for a more thorough study of the feasibility of various options for retaining a firm, the director shall be so notified.

(4) The regional coordinating organization shall work with the employment security department and local reemployment centers to assess the need for and to ensure the provision of training services to client businesses, prelayoff services, and the establishment of programs for dislocated workers such as job clubs, retraining counseling, and the referral and delivery of social services.

NEW SECTION, Sec. 7. The director shall develop and administer a business and job retention feasibility fund. Under this program, money shall be made available to study the feasibility of various options for continuing or renewing the operation of industrial facilities which are threatened with closure or which have already closed. Such money shall be made available as follows:

(1) Local governments, ports, local associate development organizations, or local nonprofit community organizations shall be eligible for the money.

(2) The department may require that money be matched dollar for dollar with local private or public money.

(3) A maximum of fifty thousand dollars shall be made available for each study.

(4) Only one study may be funded per industrial facility.

(5) Priority in availability of money shall be given to:

(a) Industrial facilities in distressed areas as defined under RCW 43.165.010;

(b) Industrial facilities with large numbers of employees;

(c) Employee buyouts; and

(d) Industrial facilities in mature industries.

NEW SECTION, Sec. 8. In addition to the responsibilities set forth in sections 2 through 7 of this act, the department shall draw upon its existing resources, employment and economic data from the employment security department, and data from the department of licensing and the department of revenue and other sources, to do nonduplicative analyses of trends in the state's industries and workforces. The department shall make such analyses available to relevant businesses, labor organizations or workforces, local governments, economic development organizations, early warning programs, and business and job retention regional coordinating organizations, and shall work with them to develop long-term strategies for economic growth and revitalization.

NEW SECTION, Sec. 9. The employment security department shall:

(1) Monitor industries, occupations, and substate labor markets by employment levels, and hourly wage and annual wage rates.

(2) Track numbers of dislocated workers and part-time workers in the state.

(3) Supply the director with data which will allow the state and local components of the program to prioritize delivery of service to distressed, mature, and cyclical industries.

(5) Provide information and assistance to the program on training resources available through the department.

(6) Offer any businesses assisted by the program its first source hiring services.

(7) Work with the department of social and health services to track dislocated workers who exhaust their unemployment compensation benefits and begin collecting public assistance.

NEW SECTION, Sec. 10. The department of community development shall provide resources to regional business and job retention efforts through its various programs, such as the community development finance unit, the employee ownership program, the community revitalization team, the local development matching fund, and the development loan fund.

NEW SECTION, Sec. 11. The state board for community college education and superintendent of public instruction shall provide coordination between the business and job retention program and the educational institutions providing the necessary academic, occupational and basic skills programs which are designated to train, upgrade, and retrain employees. These two state agencies will assist the business and job retention program in expanding partnerships between local educational institutions and the businesses and other employer groups who can benefit from the instructional programs and activities.

NEW SECTION, Sec. 12. The department of revenue in consultation with the department of trade and economic development shall ensure that taxpayers eligible for assistance under the business and job retention program receive information concerning the availability of services under the program.

NEW SECTION, Sec. 13. The director shall publish an annual report which shall be made available to the senate and house ways and means committees, the senate economic development and labor committee, and the house committee on trade and economic development. The report shall be issued in conjunction with the annual state economic report prepared by the department of employment security. The report shall include a description of the progress of the program to date and the following:

- (1) The number of businesses, labor unions, employee groups, local governments, and port districts assisted under this chapter;
- (2) The types of assistance provided; and
- (3) The number of businesses and jobs retained through assistance rendered under this chapter.

These reporting requirements shall be disaggregated by county, standard industrial classification, and size of firm.

NEW SECTION, Sec. 14. A new section is added to chapter 42.17 RCW to read as follows:

Notwithstanding the provisions of RCW 42.17.260 through 42.17.340, no financial or proprietary information supplied by businesses to the department of trade and economic development may be made available to the public.

NEW SECTION, Sec. 15. A new section is added to chapter 50.13 RCW to read as follows:

(1) If information provided to the department by another governmental agency is held private and confidential by state or federal law, the department may not release such information.

(2) Information provided to the department by another governmental entity conditioned upon privacy and confidentiality is to be held private and confidential according to the agreement between the department and other governmental agency.

(3) The department may hold private and confidential information obtained for statistical analysis, research, or study purposes if the information was supplied voluntarily, conditioned upon maintaining confidentiality of the information.

(4) Persons requesting disclosure of information held by the department under subsection (1) or (2) of this section shall request such disclosure from the providing agency rather than from the department.

Sec. 16. Section 7, chapter 13, Laws of 1983 1st ex. sess. and RCW 50.16.070 are each amended to read as follows:

The federal interest payment fund shall consist of contributions payable by each employer (except employers as described in RCW 50.44.010 and 50.44.030 who have properly elected to make payments in lieu of contributions, employers who are required to make payments in lieu of contributions, and employers paying contributions under RCW 50.44.035) for any calendar quarter which begins on or after January 1, 1984, and for which the commissioner determines that the department will have an outstanding balance of accruing federal interest at the end of the calendar quarter. The amount of wages subject to tax shall be determined according to RCW 50.24.010. The tax rate applicable to wages paid during the calendar quarter shall be determined by the commissioner and shall not exceed fifteen one-hundredths of one percent. In determining whether to require contributions as authorized by this section, the commissioner shall consider the current balance in the federal interest payment fund and the projected amount of interest which will be due and payable as of the following September 30. Except as provided in section 19 of this 1988 act, any excess moneys in the federal interest payment fund shall be retained in the fund for future interest payments.

Any deduction in violation of this section is unlawful.

In the payment of any contributions under this section, a fractional part of a cent shall be disregarded unless it amounts to one-half cent or more, in which case it shall be increased to one cent.

NEW SECTION, Sec. 17. Sections 1 through 13 of this act shall constitute a new chapter in Title 43 RCW.

NEW SECTION. Sec. 18. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

The payment shall consist of a fixed payment in an amount to be determined according to criteria established by the lead agency, except that the payment shall be not less than one thousand dollars nor more than twenty thousand dollars. A person whose sole business at the displacement dwelling is the rental of that property to others does not qualify for a payment under this subsection.

NEW SECTION. Sec. 4. REPLACEMENT HOUSING FOR HOMEOWNERS. (1) In addition to payments otherwise authorized by this chapter, the displacing agency shall make an additional payment, not in excess of twenty-two thousand five hundred dollars, to any displaced person who is displaced from a dwelling actually owned and occupied by the displaced person for not less than one hundred and eighty days immediately before the initiation of negotiations for the acquisition of the property. The additional payment shall include the following elements:

(a) The amount, if any, that when added to the acquisition cost of the dwelling acquired by the displacing agency, equals the reasonable and necessary cost of a comparable replacement dwelling;

(b) The amount, if any, that will compensate the displaced person for any increased mortgage interest costs and other debt service costs that the person is required to pay for financing the acquisition of any such comparable replacement dwelling. This amount shall be paid only

if the dwelling acquired by the displacing agency was encumbered by a bona fide mortgage that was a valid lien on the dwelling for not less than one hundred and eighty days immediately before the initiation of negotiations for the acquisition of the dwelling;

(c) Reasonable expenses incurred by the displaced person for evidence of title, recording fees, and other closing costs incident to the purchase of the replacement dwelling, but not including prepaid expenses.

(2) The additional payment authorized by this section shall be made only to a displaced person who purchases and occupies a decent, safe, and sanitary replacement dwelling within one year after the date on which the person receives final payment from the displacing agency for the acquired dwelling or the date on which the obligation of the displacing agency under section 7 of this act is met, whichever date is later, except that the displacing agency may extend the period for good cause. If the period is extended, the payment under this section shall be based on the costs of relocating the person to a comparable replacement dwelling within one year of that date.

NEW SECTION, Sec. 5. REPLACEMENT HOUSING FOR TENANTS AND CERTAIN OTHERS. (1) In addition to amounts otherwise authorized by this chapter, a displacing agency shall make a payment to or for a displaced person displaced from a dwelling not eligible to receive a payment under section 4 of this act if the dwelling was actually and lawfully occupied by the displaced person for not less than ninety days immediately before (a) the initiation of negotiations for acquisition of the dwelling, or (b) in any case in which displacement is not a direct result of acquisition, such other event as the lead agency prescribes. The payment shall consist of the amount necessary to enable the person to lease or rent for a period not to exceed forty-two months, a comparable replacement dwelling, but not to exceed five thousand two hundred fifty dollars. At the discretion of the displacing agency, a payment under this subsection may be made in periodic installments. Computation of a payment under this subsection to a low-income displaced person for a comparable replacement dwelling shall take into account the person's income.

(2) A person eligible for a payment under subsection (1) of this section may elect to apply the payment to a down payment on, and other incidental expenses pursuant to, the purchase of a decent, safe, and sanitary replacement dwelling. The person may, at the discretion of the displacing agency, be eligible under this subsection for the maximum payment allowed under subsection (1) of this section, except that, in the case of a displaced homeowner who has owned and occupied the displacement dwelling for at least ninety days but not more than one hundred eighty days immediately before the initiation of negotiations for the acquisition of the dwelling, the payment shall not exceed the payment the person would otherwise have received under section 4(1) of this act had the person owned and occupied the displacement dwelling one hundred eighty days immediately before the initiation of the negotiations.

NEW SECTION, Sec. 6. RELOCATION ASSISTANCE ADVISORY SERVICES. (1) Programs or projects undertaken by a displacing agency shall be planned in a manner that (a) recognizes, at an early stage in the planning of the programs or projects and before the commencement of any actions that will cause displacements, the problems associated with the displacement of individuals, families, businesses, and farm operations, and (b) provides for the resolution of the problems in order to minimize adverse impacts on displaced persons and to expedite program or project advancement and completion.

(2) Displacing agencies shall ensure that the relocation assistance advisory services described in subsection (3) of this section are made available to all persons displaced by the agency. If the agency determines that any person occupying property immediately adjacent to the property where the displacing activity occurs is caused substantial economic injury as a result thereof, the agency may make available to the person the advisory services.

(3) Each relocation assistance advisory program required by subsection (2) of this section shall include such measures, facilities, or services as may be necessary or appropriate in order to:

(a) Determine, and make timely recommendations on, the needs and preferences, if any, of displaced persons for relocation assistance;

(b) Provide current and continuing information on the availability, sales prices, and rental charges of comparable replacement dwellings for displaced homeowners and tenants and suitable locations for businesses and farm operations;

(c) Assist a person displaced from a business or farm operation in obtaining and becoming established in a suitable replacement location;

(d) Supply (i) information concerning federal, state, and local programs that may be of assistance to displaced persons, and (ii) technical assistance to the persons in applying for assistance under those programs;

(e) Provide other advisory services to displaced persons in order to minimize hardships to them in adjusting to relocation; and

(f) Coordinate relocation activities performed by the agency with other federal, state, or local governmental actions in the community that could affect the efficient and effective delivery of relocation assistance and related services.

(4) Notwithstanding RCW 8.26.020(4)(b), in any case in which a displacing agency acquires property for a program or project, a person who occupies the property on a rental basis for a short term or a period subject to termination when the property is needed for the program or project is eligible for advisory services to the extent determined by the displacing agency.

NEW SECTION. Sec. 7. ASSURANCE OF AVAILABILITY OF HOUSING. (1) If a program or project undertaken by a displacing agency cannot proceed on a timely basis because comparable replacement dwellings are not available, and the head of the displacing agency determines that the dwellings cannot otherwise be made available, the head of the displacing agency may take such action as is necessary or appropriate to provide the dwellings by use of funds authorized for the project. The displacing agency may use this section to exceed the maximum amounts that may be paid under sections 4 and 5 of this act on a case-by-case basis for good cause as determined in accordance with rules adopted by the lead agency.

(2) No person may be required to move from a dwelling on account of any program or project undertaken by a displacing agency unless the displacing agency is satisfied that comparable replacement housing is available to the person.

(3) The displacing agency shall assure that a person shall not be required to move from a dwelling unless the person has had a reasonable opportunity to relocate to a comparable replacement dwelling, except in the case of the following:

(a) A major disaster as defined in section 102(2) of the Federal Disaster Relief Act of 1974;

(b) A national emergency declared by the president; or

(c) Any other emergency that requires the person to move immediately from the dwelling because continued occupancy of the dwelling by the person constitutes a substantial danger to the health or safety of the person.

NEW SECTION. Sec. 8. AUTHORITY OF THE LEAD AGENCY. (1) The lead agency, after full consultation with the department of general administration, shall adopt rules and establish such procedures as the lead agency may determine to be necessary to assure:

(a) That the payments and assistance authorized by this chapter are administered in a manner that is fair and reasonable and as uniform as practicable;

(b) That a displaced person who makes proper application for a payment authorized for that person by this chapter is paid promptly after a move or, in hardship cases, is paid in advance; and

(c) That a displaced person who is aggrieved by a program or project that is under the authority of a state agency or local public agency may have his application reviewed by the state agency or local public agency.

(2) The lead agency, after full consultation with the department of general administration, may adopt such other rules and procedures, consistent with the provisions of this chapter, as the lead agency deems necessary or appropriate to carry out this chapter.

(3) State agencies and local public agencies shall comply with the rules adopted pursuant to this section by April 2, 1989.

NEW SECTION. Sec. 9. ADMINISTRATION. In order to prevent unnecessary expenses and duplication of functions, and to promote uniform and effective administration of relocation assistance programs for displaced persons, a state agency or local public agency may enter into contracts with any individual, firm, association, or corporation for services in connection with this chapter or may carry out its functions under this chapter through any federal or state agency or local public agency having an established organization for conducting relocation assistance programs. The state agency or local public agency shall, in carrying out relocation activities described in section 7 of this act, whenever practicable, use the services of state or local housing agencies, or other agencies having experience in the administration or conduct of similar housing assistance activities.

NEW SECTION. Sec. 10. FUND AVAILABILITY. (1) Funds appropriated or otherwise available to a state agency or local public agency for the acquisition of real property or an interest therein for a particular program or project shall also be available to carry out the provisions of this chapter as applied to that program or project.

(2) No payment or assistance under this chapter may be required to be made to any person or included as a program or project cost under this section, if the person receives a payment required by federal, state, or local law that is determined by the head of the displacing agency to have substantially the same purpose and effect as that payment under this chapter.

NEW SECTION. Sec. 11. RELOCATION ASSISTANCE PAYMENTS NOT INCOME OR RESOURCES. No payment received by a displaced person under sections 3 through 10 of this act may be considered as income for the purpose of determining the eligibility or extent of eligibility of any person for assistance under any state law or for the purposes of any income tax or any tax imposed under Title 82 RCW, and the payments shall not be deducted from any amount to which any recipient would otherwise be entitled under Title 74 RCW.

PART III

UNIFORM REAL PROPERTY ACQUISITION POLICY

Sec. 12. Section 18, chapter 240, Laws of 1971 ex. sess. and RCW 8.26.180 are each amended to read as follows:

ACQUISITION PROCEDURES. Every ~~((state))~~ acquiring agency ~~((and local public body acquiring real property in connection with any program or project))~~ shall, to the greatest extent practicable, be guided by the following policies:

(1) Every reasonable effort shall be made to acquire expeditiously real property by negotiation.

(2) Real property shall be appraised before the initiation of negotiations, and the owner or his designated representative shall be given an opportunity to accompany at least one appraiser of the acquiring agency during his inspection of the property, except that the lead agency may prescribe a procedure to waive the appraisal in cases involving the acquisition of property with a low fair market value.

(3) Before the initiation of negotiations for real property, the acquiring agency shall establish an amount which it believes to be just compensation therefor, and shall make a prompt offer to acquire the property for the full amount so established. In no event shall such amount be less than the agency's approved appraisal of the fair market value of such property. Any decrease or increase in the fair market value of the real property to be acquired prior to the date of valuation caused by the public improvement for which such property is acquired, or by the likelihood that the property would be acquired for such improvement, other than that due to physical deterioration within the reasonable control of the owner, will be disregarded in determining the compensation for the property. The acquiring agency shall provide the owner of real property to be acquired with a written statement of, and summary of the basis for, the amount it established as just compensation. Where appropriate the just compensation for the real property acquired, for damages to remaining real property, and for benefits to remaining real property shall be separately stated.

(4) No owner shall be required to surrender possession of real property before the agreed purchase price is paid or deposited with a court having jurisdiction of condemnation of such property, in accordance with applicable law, for the benefit of the owner an amount not less than the acquiring agency's approved appraisal of the fair market value of such property, or the amount of the award of compensation in the condemnation proceeding of such property.

(5) The construction or development of a public improvement shall be so scheduled that, to the greatest extent practicable, no person lawfully occupying real property shall be required to move from a dwelling or to move his business or farm operation without at least ninety days written notice of the date by which such move is required.

(6) If an owner or tenant is permitted to occupy the real property acquired on a rental basis for a short term or for a period subject to termination on short notice, the amount of rent required shall not exceed the fair rental value of the property to a short-term occupier.

(7) In no event shall the time of condemnation be advanced, on negotiations or condemnation and the deposit of funds in court for the use of the owner be deferred, or any other coercive action be taken to compel an agreement on the price to be paid for the property.

(8) If an interest in real property is to be acquired by exercise of the power of eminent domain, formal condemnation proceedings shall be instituted. The acquiring agency shall not intentionally make it necessary for an owner to institute legal proceedings to prove the fact of the taking of his real property.

(9) If the acquisition of only ~~((part))~~ a portion of a property would leave ~~((its))~~ the owner with an uneconomic remnant, the ~~((acquiring))~~ head of the agency concerned shall offer to acquire ~~((the entire property))~~ that remnant. For the purposes of this chapter, an uneconomic remnant is a parcel of real property in which the owner is left with an interest after the partial acquisition of the owner's property and that the head of the agency concerned has determined has little or no value or utility.

(10) A person whose real property is being acquired in accordance with this chapter may, after the person has been fully informed of his right to receive just compensation for the property, donate the property, any part thereof, any interest therein, or any compensation paid for it to any agency as the person may determine.

Sec. 13. Section 19, chapter 240, Laws of 1971 ex. sess. and RCW 8.26.190 are each amended to read as follows:

BUILDINGS, STRUCTURES, AND IMPROVEMENTS. (1) Where any interest in real property is acquired, the acquiring agency shall acquire an equal interest in all buildings, structures, or other improvements located upon the real property so acquired and which is required to be removed from such real property or which is determined to be adversely affected by the use to which such real property will be put ~~((shall be acquired))~~.

(2) For the purpose of determining the just compensation to be paid for any building, structure, or other improvement required to be acquired ~~((as above set forth))~~ under subsection (1) of this section, such building, structure, or other improvement shall be deemed to be a part of the real property to be acquired notwithstanding the right or obligation of a tenant of the lands, as against the owner of any other interest in the real property, to remove such building, structure, or improvement at the expiration of his term, and the fair market value which such building, structure, or improvement contributes to the fair market value of the real property to be acquired, or the fair market value of such building, structure, or improvement for removal

from the real property, whichever is the greater, shall be paid to the ~~((tenant therefor))~~ owner of such building, structure, or improvement.

(3) ~~Payment for such building((s)), structure((s)), or improvement((s as set forth above)) under subsection (1) of this section shall not result in duplication of any payments otherwise authorized by state law. No such payment shall be made unless the owner of the land involved disclaims all interest in the improvements of the tenant. In consideration for any such payment, the tenant shall assign, transfer, and release all his right, title, and interest in and to such improvements. Nothing with regard to the above-mentioned acquisition of buildings, structures, or other improvements shall be construed to deprive the tenant of any rights to reject payment and to obtain payment for such property interests in accordance with other laws of this state.~~

Sec. 14. Section 20, chapter 240, Laws of 1971 ex. sess. and RCW 8.26.200 are each amended to read as follows:

EXPENSES INCIDENTAL TO TRANSFER OF RIGHT, TITLE, OR INTEREST TO THE ACQUIRING AGENCY. ~~((A state agency or a local public body acquiring real property.))~~ As soon as practicable after the date of payment of the purchase price or the date ~~((or))~~ of deposit in court of funds to satisfy the award of compensation in a condemnation proceeding to acquire real property, whichever is the earlier, the acquiring agency shall reimburse the owner, to the extent the acquiring agency deems fair and reasonable, for expenses the owner necessarily incurred ~~((---))~~:

(1) Recording fees, transfer taxes, and similar expenses incidental to conveying such real property to the acquiring agency;

(2) Penalty costs for full or partial prepayment of any preexisting recorded mortgage entered into in good faith encumbering such real property; and

(3) ~~The~~ pro rata portion of real property taxes paid which are allocable to a period subsequent to the date of vesting title in the acquiring agency, or the effective date of possession of such real property by the acquiring agency, whichever is the earlier.

NEW SECTION. Sec. 15. EFFECT ON PROPERTY ACQUISITIONS. The provisions of RCW 8.26.180, 8.26.190, and 8.26.200 create no rights or liabilities and do not affect the validity of any property acquisitions by purchase or condemnation.

PART IV SEVERABILITY, REPEALS, ETC.

NEW SECTION. Sec. 16. (1) If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

(2) If any part of this chapter is found to be in conflict with federal requirements that are a prescribed condition to the allocation of federal funds to the state, the conflicting part of this chapter is declared to be inoperative solely to the extent of the conflict and with respect to the agencies directly affected, and that finding or determination shall not affect the operation of the remainder of this chapter in its application to the agencies concerned. The rules under this chapter shall meet federal requirements that are a necessary condition to the receipt of federal funds by the state.

February 25, 1988

SSB 6294 Prime Sponsor, Committee on Economic Development & Labor: Providing funding for special employer services provided by the employment security department. Reported by Committee on Commerce & Labor

MAJORITY recommendation: Do pass with the following amendments:

Strike everything after the enacting clause and insert the following:

NEW SECTION, Sec. 1. Because of the significant impacts that the Immigration Reform and Control Act of 1986 has on Washington employers and employees, the legislature finds it necessary and in the public interest to establish a job service program with an interim emergency funding mechanism to provide certification that workers are legally entitled to work in the United States, to maintain such records as required by law, and to make such records available for inspection by the United States immigration and naturalization service and the United States department of labor. The legislature finds and declares that:

(1) National immigration reform and control legislation mandates added documentation requirements for new workers under the threat of increased employer sanctions. The Washington state department of employment security is authorized to certify worker documentation, and can thereby alleviate the burdens placed on employers when hiring new workers through the department's agencies.

(2) Employment services provided by the department to the state's agricultural employers and workers need to be increased in view of the fluctuations in agricultural labor supply and demand experienced during the state's 1987 harvest season. It is the intent of the legislature that these services emphasize recruitment of Washington workers.

(3) Information on the labor market, particularly agricultural worker supply and demand, needs to be improved to support employer decision making.

NEW SECTION, Sec. 2. For the purposes of section 1 of this act, 'to certify' and 'certification' refer to the act of verifying that an applicant is authorized to work in the United States by examining documentation as prescribed in the federal immigration reform and control act of 1986.

Sec. 3. Section 8, chapter 35, Laws of 1945 as last amended by section 4, chapter 5, Laws of 1985 ex. sess. and RCW 50.04.070 are each amended to read as follows:

'Contributions' means the money payments due to the state unemployment compensation fund as provided in RCW 50.24.010, to the federal interest payment fund under RCW 50.16.070, ~~((or))~~ to the special account in the administrative contingency fund under RCW 50.24.014, or to the special employer services account in the administrative contingency fund under section 7 of this 1988 act.

Sec. 4. Section 8, chapter 266, Laws of 1959 as last amended by section 5, chapter 5, Laws of 1985 ex. sess. and RCW 50.04.072 are each amended to read as follows:

The terms 'contributions' and 'payments in lieu of contributions' used in this title, whether singular or plural, designate the money payments to be made to the state unemployment compensation fund, to the federal interest payment fund under RCW 50.16.070, ~~((or))~~ to the special account in the administrative contingency fund under RCW 50.24.014 ~~((and))~~, or to the special employer services account in the administrative contingency fund under section 7 of this 1988 act. Such contributions and payments are deemed to be taxes due to the state of Washington.

Sec. 5. Section 60, chapter 35, Laws of 1945 as last amended by section 218, chapter 202, Laws of 1987 and RCW 50.16.010 are each amended to read as follows:

There shall be maintained as special funds, separate and apart from all public moneys or funds of this state an unemployment compensation fund, an administrative contingency fund, and a federal interest payment fund, which shall be administered by the commissioner exclusively for the purposes of this title, and to which RCW 43.01.050 shall not be applicable. The unemployment compensation fund shall consist of

- (1) all contributions and payments in lieu of contributions collected pursuant to the provisions of this title,
- (2) interest earned upon any moneys in the fund,
- (3) any property or securities acquired through the use of moneys belonging to the fund,
- (4) all earnings of such property or securities,
- (5) any moneys received from the federal unemployment account in the unemployment trust fund in accordance with Title XII of the social security act, as amended,
- (6) all money recovered on official bonds for losses sustained by the fund.

(7) all money credited to this state's account in the unemployment trust fund pursuant to section 903 of the social security act, as amended.

(8) all money received from the federal government as reimbursement pursuant to section 204 of the federal-state extended compensation act of 1970 (84 Stat. 708-712; 26 U.S.C. Sec. 3304), and

(9) all moneys received for the fund from any other source.

All moneys in the unemployment compensation fund shall be commingled and undivided.

The administrative contingency fund shall consist of all interest on delinquent contributions collected pursuant to this title after June 20, 1953, all fines and penalties collected pursuant to the provisions of this title, all sums recovered on official bonds for losses sustained by the fund, and revenue received under RCW 50.24.014 and section 7 of this 1988 act; PROVIDED, That all fees, fines, forfeitures and penalties collected or assessed by a district court because of the violation of a state law shall be remitted as provided in chapter 3.62 RCW as now exists or is later amended. Moneys available in the administrative contingency fund, other than money in the special account created under RCW 50.24.014, or the special employer services account created under section 7 of this 1988 act, shall be expended upon the direction of the commissioner, with the approval of the governor, whenever it appears to him or her that such expenditure is necessary for:

(a) The proper administration of this title and no federal funds are available for the specific purpose to which such expenditure is to be made, provided, the moneys are not substituted for appropriations from federal funds which, in the absence of such moneys, would be made available.

(b) The proper administration of this title for which purpose appropriations from federal funds have been requested but not yet received, provided, the administrative contingency fund will be reimbursed upon receipt of the requested federal appropriation.

Money in the special account created under RCW 50.24.014 may only be expended, after appropriation, for the purposes specified in this 1985 act. Money in the special employer services account created under section 7 of this 1988 act may only be expended, after appropriation, for services described in that section.

Sec. 6. Section 5, chapter 205, Laws of 1984 as last amended by section 3, chapter 171, Laws of 1987 and RCW 50.29.025 are each amended to read as follows:

The contribution rate for each employer shall be determined under this section.

(1) A fund balance ratio shall be determined by dividing the balance in the unemployment compensation fund as of the June 30th immediately preceding the rate year by the total remuneration paid by all employers subject to contributions during the second calendar year preceding the rate year and reported to the department by the following March 31st. The division shall be carried to the fourth decimal place with the remaining fraction, if any, disregarded. The fund balance ratio shall be expressed as a percentage.

(2) The interval of the fund balance ratio, expressed as a percentage, shall determine which tax schedule in subsection (5) of this section shall be in effect for assigning tax rates for the rate year. The intervals for determining the effective tax schedule shall be:

Interval of the Fund Balance Ratio Expressed as a Percentage	Effective Tax Schedule
3.40 and above	A
2.90 to 3.39	B
2.40 to 2.89	C
1.90 to 2.39	D
1.40 to 1.89	E
Less than 1.40	F

(3) An array shall be prepared, listing all qualified employers in ascending order of their benefit ratios. The array shall show for each qualified employer: (a) Identification number; (b) benefit ratio; (c) taxable payrolls for the four calendar quarters immediately preceding the computation date and reported to the department by the cut-off date; (d) a cumulative total of taxable payrolls consisting of the employer's taxable payroll plus the taxable payrolls of all other employers preceding him or her in the array; and (e) the percentage equivalent of the cumulative total of taxable payrolls.

(4) Each employer in the array shall be assigned to one of twenty rate classes according to the percentage intervals of cumulative taxable payrolls set forth in subsection (5) of this section: PROVIDED, That if an employer's taxable payroll falls within two or more rate classes, the employer and any other employer with the same benefit ratio shall be assigned to the lowest rate class which includes any portion of the employer's taxable payroll.

(5) (a) Except as provided in (b) of this subsection, the contribution rate for each employer in the array shall be the rate specified in the following table for the rate class to which he or she has been assigned, as determined under subsection (4) of this section, within the tax schedule which is to be in effect during the rate year:

(6) The contribution rate for each employer not qualified to be in the array shall be a rate equal to the average industry tax rate as determined by the commissioner; however, the rate may not be less than one percent; PROVIDED, That employers who do not meet the definition of 'qualified employer' by reason of failure to pay contributions when due shall be assigned the contribution rate of five and four-tenths percent. Assignment of employers by the commissioner to industrial classification, for purposes of this subsection, shall be in accordance with established classification practices found in the 'Standard Industrial Classification Manual' issued by the federal office of management and budget to the third digit provided in the Standard Industrial Classification code.

NEW SECTION. Sec. 7. A new section is added to chapter 50.24 RCW to read as follows:

A separate and identifiable account to provide for the financing of special employer services provided by the department is established in the administrative contingency fund. The special employer services shall consist of:

- (1) Certification of workers as defined in section 2 of this act;

(2) Working closely with employers, employer organizations, agricultural workers, and worker organizations to predict agricultural employment supply and demand and to ensure agricultural workers are provided the full range of employment services available; and

(3) Collection from agricultural workers, growers, worker and grower organizations, and other appropriate sources, and analysis, and dissemination, as needed, of agricultural labor market information for the decision-making process used by employers to hire agricultural workers.

Contributions to this account shall accrue and become payable by each employer, except employers as described in RCW 50.44.010 and 50.44.030 who have properly elected to make payments in lieu of contributions, taxable local government employers as described in RCW 50.44.035, and those employers who are required to make payments in lieu of contributions, at the rate of two one-hundredths of one percent. The amount of wages subject to tax shall be determined under RCW 50.24.010.

Contributions under this section shall become due and be paid by each employer under rules as the commissioner may prescribe, and shall not be deducted, in whole or in part, from the remuneration of individuals in the employ of the employer. Any deduction in violation of this section is unlawful.

In the payment of any contribution under this section, a fractional part of a cent shall be disregarded unless it amounts to one-half cent or more, in which case it shall be increased to one cent.

If the commissioner determines that federal funding has been increased to provide financing for the services described in this section and sections 1 and 2 of this act, or that state funds have been appropriated for such services in the 1988 omnibus appropriations act adopted prior to July 1, 1988, the commissioner shall direct that collection of contributions under this section be decreased or terminated.

NEW SECTION. Sec. 8. The sum of three million five hundred thousand dollars, or so much thereof as may be necessary, is appropriated for the biennium ending June 30, 1989, from the special employer service account of the administrative contingency fund to the employment security department for the purposes of the special employer services account under section 7 of this act. However, if federal funding is provided or increased to provide for the financing of the services specified in this act, or if the legislature appropriates funds for such services in the 1988 omnibus appropriations act adopted prior to July 1, 1988, the appropriation under this section shall be reduced by the amount that federal funding is increased specifically for such services, or by the amount of such appropriation in the 1988 omnibus appropriations act. This portion of the state appropriation under this section shall be deposited in the unemployment compensation fund.

NEW SECTION. Sec. 9. If any part of this act shall be found to be in conflict with federal requirements which are a prescribed condition to the allocation of federal funds to the state, such conflicting part of this act is hereby declared to be inoperative solely to the extent of such conflict, and such finding or determination shall not affect the operation of the remainder of this act.

NEW SECTION. Sec. 10. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

NEW SECTION. Sec. 11. Sections 1 and 2 of this act are each added to chapter 50.12 RCW.

NEW SECTION. Sec. 12. The employment security department shall report on the special employer services described under sections 1, 2 and 7 of this act to the senate economic development and labor committee and the house of representatives commerce and labor committee, or appropriate successor committees, by December 1, 1988. The report shall include a discussion of alternative funding mechanisms.

NEW SECTION. Sec. 13. This act is necessary for the immediate preservation of the public peace, health, and safety, the support of the state government and its existing public institutions, and shall take effect immediately, except that sections 6 and 7 of this act shall be effective for the rate year beginning January 1, 1988."

SSB 6298 Prime Sponsor, Committee on Governmental Operations: Revising provisions on abandoned property with historical value. Reported by Committee on Natural Resources

MAJORITY recommendation: Do pass with the following amendments:

Strike everything after the enacting clause and insert the following:

*NEW SECTION. Sec. 1. It is the intent of the legislature that those historic archaeological resources located on state-owned aquatic lands that are of importance to the history of our state, or its communities, be protected for the people of the state. At the same time, the legislature also recognizes that divers have long enjoyed the recreation of diving near shipwrecks and picking up artifacts from the state-owned aquatic lands, and it is not the intent of the legislature to regulate these occasional, recreational activities except in areas where necessary to protect underwater historic archaeological sites. The legislature also recognizes that salvors who invest in a project to salvage underwater archaeological resources on state-owned aquatic lands should be required to obtain a state permit for their operation in order to protect the interest of the people of the state, as well as to protect the interest of the salvors who have invested considerable time and money in the salvage expedition.

Sec. 2. Section 3, chapter 134, Laws of 1975 1st ex. sess. as last amended by section 17, chapter 266, Laws of 1986 and RCW 27.53.030 are each amended to read as follows:

Unless the context clearly requires otherwise, the definitions contained in this section shall apply throughout this chapter.

(2) 'Department' means the department of community development.

(3) 'Director' means the director of community development or the director's designee.

(4) 'Historic' means peoples and cultures who are known through written documents in their own or other languages. As applied to underwater archaeological resources, the term historic shall include only those properties which are listed in or eligible for listing in the

Washington State Register of Historic Places (RCW 27.34.220) or the National Register of Historic Places as defined in the National Historic Preservation Act of 1966 (Title 1, Sec. 101, Public Law 89-665; 80 Stat. 915; 16 U.S.C. Sec. 470) as now or hereafter amended.

(5) 'Prehistoric' means peoples and cultures who are unknown through contemporaneous written documents in any language.

(6) 'Professional archaeologist' means a person who has met the educational, training, and experience requirements of the society of professional archaeologists.

(7) 'Qualified archaeologist' means a person who has had formal training and/or experience in archaeology over a period of at least three years, and has been certified in writing to be a qualified archaeologist by two professional archaeologists.

(8) 'Amateur society' means any organization composed primarily of persons who are not professional archaeologists, whose primary interest is in the archaeological resources of the state, and which has been certified in writing by two professional archaeologists.

(9) 'Historic archaeological resources' means those properties which are listed in or eligible for listing in the Washington State Register of Historic Places (RCW 27.34.220) or the National Register of Historic Places as defined in the National Historic Preservation Act of 1966 (Title 1, Sec. 101, Public Law 89-665; 80 Stat. 915; 16 U.S.C. Sec. 470) as now or hereafter amended.

NEW SECTION, Sec. 3. All historic archaeological resources abandoned for thirty years or more in, on, or under the surface of any public lands or waters owned by or under the possession, custody, or control of the state of Washington, including, but not limited to all ships, or aircraft, and any part or the contents thereof, and all treasure trove is hereby declared to be the property of the state of Washington.

Sec. 4. Section 6, chapter 134, Laws of 1975 1st ex. sess. as last amended by section 18, chapter 266, Laws of 1986 and RCW 27.53.060 are each amended to read as follows:

On the private and public lands of this state it shall be unlawful for any person, firm, corporation, or any agency or institution of the state or a political subdivision thereof to knowingly remove, alter, dig into, or excavate by use of any mechanical, hydraulic, or other means, or to damage, deface, or destroy any historic or prehistoric archaeological resource or site, including, but not limited to, American Indian or aboriginal camp site, dwelling site, rock shelter, cave dwelling site, storage site, grave, burial site, or skeletal remains and grave goods, cairn, or tool making site, or to remove from any such land, site, or area, grave, burial site, cave, rock shelter, or cairn, any skeletal remains, artifact or implement of stone, bone, wood, or any other material, including, but not limited to, projectile points, arrowheads, knives, awls, scrapers, beads or ornaments, basketry, matting, mauls, pestles, grinding stones, rock carvings or paintings, or any other artifacts or implements, or portions or fragments thereof without having obtained a written ((permission)) permit from the director for such activities on public property or written permission from the private landowner for such activities on private land. A private landowner may request the director to assume the duty of issuing such permits. The director must obtain the consent of the public property owner or agency responsible for the management thereof, prior to issuance of the permit. The public property landowner or agency responsible for the management of such land may condition its consent on the execution of a separate agreement, lease, or other real property conveyance with the applicant as may be necessary to carry out the legal rights or duties of the public property landowner or agency. The director, in consultation with the Washington state archaeological research center, shall develop guidelines for the issuance and processing of ((such)) permits. Such written ((permission)) permit and any agreement or lease or other conveyance required by any public property owner or agency responsible for management of such land shall be physically present while any such activity is being conducted. The provisions of this section shall not apply to the removal of artifacts found exposed on the surface of the ground ((nor to the excavation and removal of artifacts from state-owned shorelands below the line of ordinary high water or within the intertidal zone)) which are not historic archaeological resources.

NEW SECTION, Sec. 5. Persons, firms, corporations, institutions, or agencies which discover a previously unreported historic archaeological resource on state-owned aquatic lands and report the site or location of such resource to the department shall have a right of first refusal to future salvage permits granted for the recovery of that resource, subject to the provisions of section 6 of this act. Such right of first refusal shall exist for five years from the date of the report. Should another person, firm, corporation, institution, or agency apply for a permit to salvage that resource, the reporting entity shall have sixty days to submit its own permit application and exercise its first refusal right, or the right shall be extinguished.

NEW SECTION, Sec. 6. The director is hereby authorized to enter into contracts with other state agencies or institutions and with qualified private institutions, persons, firms, or corporations for the discovery and salvage of state-owned historic archaeological resources. Such contracts shall include but are not limited to the following terms and conditions:

(1) Historic shipwrecks:

(a) The contract shall provide for fair compensation to a salvor. 'Fair compensation' means an amount not less than ninety percent of the appraised value of the objects recovered following successful completion of the contract.

(b) The salvor may retain objects with a value of up to ninety percent of the appraised value of the total objects recovered, or cash, or a combination of objects and cash. In no event may the total of objects and cash exceed ninety percent of the total appraised value of the objects recovered. A salvor shall not be entitled to further compensation from any state sources.

(c) The contract shall provide that the state will be given first choice of which objects it may wish to retain for display purposes for the people of the state from among all the objects recovered. The state may retain objects with a value of up to ten percent of the appraised value of the total objects recovered. If the state chooses not to retain recovered objects with a value of up to ten percent of the appraised value, the state shall be entitled to receive its share in cash or a combination of recovered objects and cash so long as the state's total share does not exceed ten percent of the appraised value of the objects recovered. Fees assessed by the department of natural resources for the issuance of leases, agreements, or other real property conveyances shall be deducted from the state's ten percent share of the appraised value of the total objects recovered.

(d) The contract shall provide that both the state and the salvor shall have the right to select a single appraiser or joint appraisers.

(e) The contract shall also provide that title to the objects shall pass to the salvor when the permit is issued. However, should the salvor fail to fully perform under the terms of the contract, title to all objects recovered shall revert to the state.

(2) Historic aircraft:

(a) The contract shall provide that historic aircraft belonging to the state of Washington may only be recovered if the purpose of that salvage operation is to recover the aircraft for a museum, historical society, nonprofit organization, or governmental entity.

(b) Title to the aircraft may only be passed by the state to one of the entities listed in (a) of this subsection.

(c) Compensation to the salvor shall only be derived from the sale or exchange of the aircraft to one of the entities listed in (a) of this subsection or such other compensation as one of the entities listed in (a) of this subsection and the salvor may arrange. The salvor shall not have a claim to compensation from state funds.

(3) Other historic archaeological resources: The director, in his or her discretion, may negotiate the terms of such contracts.

NEW SECTION. Sec. 7. The salvor shall agree to mitigate any archaeological damage which occurs during the salvage operation. The department shall have access to all property recovered from historic archaeological sites for purposes of scholarly research and photographic documentation for a period to be agreed upon by the parties following completion of the salvage operation. The department shall also have the right to publish scientific papers concerning the results of all research conducted as project mitigation.

The director has the right to refuse to issue a permit for salvaging an historic archaeological resource if that resource would be destroyed beyond mitigation by the proposed salvage operation. Any agency, institution, person, firm, or corporation which has been denied a permit because the resource would be destroyed beyond mitigation by their method of salvage shall have a right of first refusal for that permit at a future date should technology be found which would make salvage possible without destroying the resource. Such right of first refusal shall be in effect for sixty days after the director has determined that salvage can be accomplished by a subsequent applicant without destroying the resource.

No person, firm, or corporation may conduct such salvage or recovery operation herein described without first obtaining such contract.

Sec. 8. Section 43.19.1919, chapter 8, Laws of 1965 as amended by section 11, chapter 21, Laws of 1975-'76 2nd ex. sess. and RCW 43.19.1919 are each amended to read as follows:

The division of purchasing shall sell or exchange personal property belonging to the state for which the agency, office, department, or educational institution having custody thereof has no further use, at public or private sale, and cause the moneys realized from the sale of any such property to be paid into the fund from which such property was purchased or, if such fund no longer exists, into the state general fund: PROVIDED, Sales of capital assets may be made by the division of purchasing and a credit established in central stores for future purchases of capital items as provided for in RCW 43.19.190 through 43.19.1939, as now or hereafter amended: PROVIDED FURTHER, That personal property, excess to a state agency, including educational institutions, shall not be sold or disposed of prior to reasonable efforts by the division of purchasing to determine if other state agencies have a requirement for such personal property. Such determination shall follow sufficient notice to all state agencies to allow adequate time for them to make their needs known: PROVIDED, FURTHER, That this section shall not apply to personal property acquired by a state organization under federal grants and contracts if in conflict with special title provisions contained in such grants or contracts.

This section does not apply to property under section 3 of this 1988 act.

NEW SECTION. Sec. 9. A new section is added to chapter 79.90 RCW to read as follows:

After consultation with the director of community development, the department of natural resources may enter into agreements, leases, or other conveyances for archaeological activities on state-owned aquatic lands. Such agreements, leases, or other conveyances may contain such conditions as are required for the department of natural resources to comply with its legal rights and duties. All such agreements, leases, or other conveyances, shall be issued in accordance with the terms of chapters 79.90 through 79.96 RCW.

NEW SECTION, Sec. 10. The department of community development shall publish annually and update as necessary a list of those areas where permits are required to protect historic archaeological sites on aquatic lands.

NEW SECTION, Sec. 11. The department of community development shall have such rule-making authority as is necessary to carry out the provisions of this chapter.

NEW SECTION, Sec. 12. Any proceeds from the state's share of property under this chapter shall be transmitted to the state treasurer for deposit in the general fund to be used only for the purposes of historic preservation and underwater archaeology.

NEW SECTION, Sec. 13. This act shall not affect any ongoing salvage effort in which the state has entered into separate contracts or agreements prior to the effective date of this act.

NEW SECTION, Sec. 14. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

NEW SECTION, Sec. 15. Sections 3, 5 through 7, and 10 through 12 of this act are each added to chapter 27.53 RCW.

NEW SECTION, Sec. 16. This act is necessary for the immediate preservation of the public peace, health, and safety, the support of the state government and its existing public institutions, and shall take effect immediately."

SSB 6309 Prime Sponsor, Committee on Children & Family Services: Revising rules for dependency proceedings. Reported by Committee on Human Services

MAJORITY recommendation: Do pass with the following amendment:

Strike everything after the enacting clause and insert the following:

"Sec. 1, Section 4, chapter 188, Laws of 1984 and RCW 13.34.130 are each amended to read as follows:

If, after a fact-finding hearing pursuant to RCW 13.34.110, as now or hereafter amended, it has been proven by a preponderance of the evidence that the child is dependent within the meaning of RCW 13.34.030(2); after consideration of the predisposition report prepared pursuant to RCW 13.34.110 and after a disposition hearing has been held pursuant to RCW 13.34.110, the court shall enter an order of disposition pursuant to this section.

(1) The court shall order one of the following dispositions of the case:

(a) Order a disposition other than removal of the child from his or her home, which shall provide a program designed to alleviate the immediate danger to the child, to mitigate or cure any damage the child has already suffered, and to aid the parents so that the child will not be endangered in the future. In selecting a program, the court should choose those services that least interfere with family autonomy, provided that the services are adequate to protect the child.

(b) Order that the child be removed from his or her home and ordered into the custody, control, and care of a relative or the department of social and health services or a licensed child placing agency for placement in a foster family home or group care facility licensed pursuant to chapter 74.15 RCW or in a home not required to be licensed pursuant to chapter 74.15 RCW. Such an order may be made only if the court finds that reasonable efforts have been made to prevent or eliminate the need for removal of the child from the child's home and to make it possible for the child to return home and that:

(i) There is no parent or guardian available to care for such child;

(ii) The child is unwilling to reside in the custody of the child's parent, guardian, or legal custodian;

(iii) The parent, guardian, or legal custodian is not willing to take custody of the child;

(iv) A manifest danger exists that the child will suffer serious abuse or neglect if the child is not removed from the home; or

(v) The extent of the child's disability is such that the parent, guardian, or legal custodian is unable to provide the necessary care for the child and the parent, guardian, or legal custodian has determined that the child would benefit from placement outside of the home.

(2) Whenever a child is ordered removed from the child's home, the agency charged with his or her care shall provide the court with a specific plan as to where the child will be placed, what steps will be taken to return the child home, and what actions the agency will take to maintain parent-child ties. All aspects of the plan shall be consistent with the best interests of the child, including the goal of achieving permanence for the child.

(a) The agency plan shall specify what services the parents will be offered in order to enable them to resume custody ~~((and))~~, what requirements the parents must meet in order to resume custody, and a time limit for each service plan and parental requirement.

(b) The agency shall be required to encourage the maximum parent-child contact possible, including regular visitation and participation by the parents in the care of the child while the child is in placement.

(c) A child shall be placed as close to the child's home as possible, preferably in the child's own neighborhood, unless the court finds that placement at a greater distance is necessary to promote the child's or parents' well-being.

(d) The agency charged with supervising a child in placement shall provide all reasonable services that are available within the agency, or within the community, or those services which the department of social and health services has existing contracts to purchase. It shall report to the court if it is unable to provide such services.

(3) The status of all children found to be dependent shall be reviewed by the court at least every six months at a hearing in which it shall be determined whether court supervision should continue. The review shall include findings regarding the agency and parental completion of disposition plan requirements, and if necessary, revised permanency time limits.

(a) A child shall not be returned home at the review hearing unless the court finds that a reason for removal as set forth in this section no longer exists. The parents, guardian, or legal custodian shall report to the court the efforts they have made to correct the conditions which led to removal. If a child is returned, casework supervision shall continue for a period of six months, at which time there shall be a hearing on the need for continued intervention.

(b) If the child is not returned home, the court shall establish in writing:

(i) Whether reasonable services have been provided to or offered to the parties to facilitate reunion;

(ii) The extent to which the parents have visited the child and any reasons why visitation has not occurred or has been infrequent;

(iii) Whether the agency is satisfied with the cooperation given to it by the parents;

(iv) Whether additional services are needed to facilitate the return of the child to the child's parents; if so, the court shall order that reasonable services be offered; and

(v) When return of the child can be expected.

(c) The court at the review hearing may order that a petition seeking termination of the parent and child relationship be filed.

Sec. 2. Section 6, chapter 160, Laws of 1913 as last amended by section 3, chapter 311, Laws of 1983 and RCW 13.34.070 are each amended to read as follows:

(1) Upon the filing of the petition, the clerk of the court shall issue a summons, one directed to the child, if the child is twelve or more years of age, and another to the parents, guardian, or custodian, and such other persons as appear to the court to be proper or necessary parties to the proceedings, requiring them to appear personally before the court at the time fixed to hear the petition. If the child is developmentally disabled and not living at home, the notice shall be given to the child's custodian as well as to the child's parent. The developmentally disabled child shall not be required to appear unless requested by the court. Where the custodian is summoned, the parent or guardian or both shall also be served with a summons. ~~((The hearing on the petition shall be set for a time no later than forty-five days after the filing of the petition and shall be held at such time, unless for good cause the hearing is continued to a later time at the request of either party.))~~ The hearing on the petition shall be held no later than seventy-five days after the filing of the petition, unless exceptional reasons for a continuance are found. The party requesting the continuance shall have the burden of proving by a preponderance of the evidence that exceptional circumstances do exist. To ensure that the hearing on the petition occurs within the seventy-five day time limit, the court shall schedule and hear the matter on an expedited basis.

(2) A copy of the petition shall be attached to each summons.

(3) The summons shall advise the parties of the right to counsel.

(4) The judge may endorse upon the summons an order directing any parent, guardian, or custodian having the custody or control of the child to bring the child to the hearing.

officer serving the summons shall at once take the child into custody and take him to the place of shelter designated by the court.

(6) If the person summoned as provided in this section is subject to an order of the court pursuant to subsection (4) or (5) of this section, and if the person fails to abide by the order, he may be proceeded against as for contempt of court. If the party is within the state and cannot be personally served, but the party's address is known or can with reasonable diligence be ascertained, the summons may be served upon the party by mailing a copy thereof by certified mail at least ten court days before the hearing, or such time as set by the court. If a party other than the child is without the state but can be found or the address is known, or can with reasonable diligence be ascertained, service of the summons may be made either by delivering a copy thereof to the party personally or by mailing a copy thereof to the party by certified mail at least ten court days before the fact-finding hearing, or such time as set by the court.

(8) Service of summons may be made under the direction of the court by any person eighteen years of age or older who is not a party to the proceedings or by any law enforcement officer, probation counselor, or department of social and health services social worker.

(9) In any proceeding brought under this chapter where the court knows or has reason to know that the child involved is a member of an Indian tribe, notice of the pendency of the proceeding shall also be sent by registered mail, return receipt requested, to the child's tribe. If the identity or location of the tribe cannot be determined, such notice shall be transmitted to the secretary of the interior of the United States.

Extensions may only be granted in increments of six months or less unless a juvenile court guardianship is in effect."

ESSB 6316 Prime Sponsor, Committee on Law & Justice: Providing for the seizure of assets in drug cases. Reported by Committee on Judiciary

MAJORITY recommendation: Do pass with the following amendment:

Strike everything after the enacting clause and insert the following:

NEW SECTION. Sec. 1. The legislature finds that: Drug offenses and crimes resulting from illegal drug use are destructive to society; the nature of drug trafficking results in many property crimes and crimes of violence; state and local governmental agencies incur immense expenses in the investigation, prosecution, adjudication, incarceration, and treatment of drug-related offenders and the compensation of their victims; drug-related offenses are difficult to eradicate because of the profits derived from the criminal activities, which can be invested in legitimate assets and later used for further criminal activities; and the forfeiture of real assets where a substantial nexus exists between the commercial production or sale of the substances and the real property will provide a significant deterrent to crime by removing the profit incentive of drug trafficking, and will provide a revenue source that will partially defray the large costs incurred by government as a result of these crimes. The legislature recognizes that seizure of real property is a very powerful tool and should not be applied in cases in which a manifest injustice would occur as a result of forfeiture of an innocent spouse's community property interest.

Sec. 2. Section 15, chapter 2, Laws of 1983 as last amended by section 9, chapter 124, Laws of 1986 and RCW 69.50.505 are each amended to read as follows:

(a) The following are subject to seizure and forfeiture and no property right exists in them:

(1) All controlled substances which have been manufactured, distributed, dispensed, ~~((or))~~ acquired, or possessed in violation of this chapter or chapter 69.41 or 69.52 RCW;

(2) All raw materials, products, and equipment of any kind which are used, or intended for use, in manufacturing, compounding, processing, delivering, importing, or exporting any controlled substance in violation of this chapter or chapter 69.41 or 69.52 RCW;

(3) All property which is used, or intended for use, as a container for property described in paragraphs (1) or (2);

(4) All conveyances, including aircraft, vehicles, or vessels, which are used to transport, or are used, or intended for use, in any manner to facilitate the sale, transfer, or receipt of property described in paragraphs (1) or (2). ~~((but))~~ except that:

(i) No conveyance used by any person as a common carrier in the transaction of business as a common carrier is subject to forfeiture under this section unless it appears that the owner or other person in charge of the conveyance is a consenting party or privy to a violation of this chapter or chapter 69.41 or 69.52 RCW;

(ii) No conveyance is subject to forfeiture under this section by reason of any act or omission ~~((established by the owner thereof to have been))~~ committed or omitted without ~~((his))~~ the owner's knowledge or consent;

(iii) A forfeiture of a conveyance encumbered by a bona fide security interest is subject to the interest of the secured party if the secured party neither had knowledge of nor consented to the act or omission; and

(iv) When the owner of a conveyance has been arrested under this chapter or chapter 69.41 or 69.52 RCW, the conveyance in which the person is arrested may not be subject to forfeiture unless it is seized or process is issued for its seizure within ten days of the owner's arrest;

(5) All books, records, and research products and materials, including formulas, microfilm, tapes, and data which are used, or intended for use, in violation of this chapter or chapter 69.41 or 69.52 RCW;

(6) All drug paraphernalia; ~~((and))~~

(7) All moneys, negotiable instruments, securities, or other tangible or intangible property of value furnished or intended to be furnished by any person in exchange for a controlled substance in violation of this chapter or chapter 69.41 or 69.52 RCW, all tangible property, intangible property, proceeds, or assets acquired in whole or in part with proceeds traceable to (such) an exchange or series of exchanges in violation of this chapter or chapter 69.41 or 69.52 RCW, and all moneys, negotiable instruments, and securities used or intended to be used to facilitate any violation of this chapter or chapter 69.41 or 69.52 RCW: PROVIDED, That no property may be forfeited under this paragraph, to the extent of the interest of an owner, by reason of any act or omission ~~((which that owner establishes was))~~ committed or omitted without the owner's knowledge or consent; and

(8) All real property, including any right, title, and interest in the whole of any lot or tract of land, and any appurtenances or improvements which are being used with the knowledge of the owner for the manufacturing, compounding, processing, delivery, importing, or exporting of any controlled substance, or which have been acquired in whole or in part with proceeds traceable to an exchange or series of exchanges in violation of this chapter or chapter 69.41 or

69.52 RCW. If such activity is not less than a class C felony and a substantial nexus exists between the commercial production or sale of the controlled substance and the real property. However:

(ii) The bona fide gift of a controlled substance, legend drug, or imitation controlled substance shall not result in the forfeiture of real property;

(iii) The possession of marijuana shall not result in the forfeiture of real property unless the marijuana is possessed for commercial purposes, the amount possessed is five or more plants or one pound or more of marijuana, and a substantial nexus exists between the possession of marijuana and the real property. In such a case, the intent of the offender shall be determined by the preponderance of the evidence, including the offender's prior criminal history, the amount of marijuana possessed by the offender, the sophistication of the activity or equipment used by the offender, and other evidence which demonstrates the offender's intent to engage in commercial activity;

(iv) The unlawful sale of marijuana or a legend drug shall not result in the forfeiture of real property unless the sale was forty grams or more in the case of marijuana or one hundred dollars or more in the case of a legend drug, and a substantial nexus exists between the unlawful sale and the real property; and

(v) A forfeiture of real property encumbered by a bona fide security interest is subject to the interest of the secured party if the secured party neither had knowledge of nor consented to the act or omission.

(b) Real or personal property subject to forfeiture under this chapter may be seized by any board inspector or law enforcement officer of this state upon process issued by any superior court having jurisdiction over the property. Real property seized under this section shall not be transferred or otherwise conveyed until ninety days after seizure or until the hearing on the forfeiture is held, whichever is later. Seizure of personal property without process may be made if:

(1) The seizure is incident to an arrest or a search under a search warrant or an inspection under an administrative inspection warrant;

(2) The property subject to seizure has been the subject of a prior judgment in favor of the state in a criminal injunction or forfeiture proceeding based upon this chapter;

(3) A board inspector or law enforcement officer has probable cause to believe that the property is directly or indirectly dangerous to health or safety; or

(4) The board inspector or law enforcement officer has probable cause to believe that the property was used or is intended to be used in violation of this chapter.

(c) In the event of seizure pursuant to subsection (b), proceedings for forfeiture shall be deemed commenced by the seizure. The law enforcement agency under whose authority the seizure was made shall cause notice to be served within fifteen days following the seizure on the owner of the property seized and the person in charge thereof and any person having any known right or interest therein, including any community property interest, of the seizure and intended forfeiture of the seized property. Notice of seizure of real property or of personal property of a value of ten thousand dollars or more shall be by personal service upon the owner. The notice of seizure in other cases may be served by any method authorized by law or court rule including but not limited to service by certified mail with return receipt requested. Service by mail shall be deemed complete upon mailing within the fifteen day period following the seizure.

(d) If no person notifies the seizing law enforcement agency in writing of the person's claim of ownership or right to possession of items specified in subsection (a)(4) ((or)), (a)(7), or (a)(8) of this section within forty-five days of the seizure in the case of personal property and ninety days in the case of real property, the item seized shall be deemed forfeited. However, no real property may be forfeited pursuant to this section, to the extent of a person's community property interest in the real property, by reason of any act or omission committed or omitted without the person's knowledge or consent.

(e) If any person notifies the seizing law enforcement agency in writing of the person's claim of ownership or right to possession of items specified in subsection (a)(4) ((or)), (a)(7), or (a)(8) of this section within forty-five days of the seizure in the case of personal property and ninety days in the case of real property, the person or persons shall be afforded a reasonable opportunity to be heard as to the claim or right. The hearing shall be before the chief law enforcement officer of the seizing agency or the chief law enforcement officer's designee, except where the seizing agency is a state agency as defined in RCW 34.12.020(4), the hearing shall be before the chief law enforcement officer of the seizing agency or an administrative law judge appointed under chapter 34.12 RCW, except that any person asserting a claim or right may remove the matter to a court of competent jurisdiction if the aggregate value of the article or articles involved is more than five hundred dollars. The court to which the matter is to be removed shall be the district court when such aggregate value is ten thousand dollars or less. A hearing before the seizing agency and any appeal therefrom shall be under Title 34

RCW. In a court hearing between two or more claimants to the article or articles involved, the prevailing party shall be entitled to a judgment for costs and reasonable attorney's fees. The burden of producing evidence shall be upon the ~~((person claiming to be the lawful owner or the person claiming to have the lawful right to possession of items specified in subsection (a)(4) or (a)(7) of this section))~~ law enforcement agency. The seizing law enforcement agency shall promptly return the article or articles to the claimant upon a determination by the administrative law judge or court that the claimant is the present lawful owner or is lawfully entitled to possession thereof of items specified in subsection (a)(4) ~~((or)), (a)(7), or (a)(8)~~ of this section.

(f) When property is forfeited under this chapter the board or seizing law enforcement agency may:

(1) Retain it for official use or upon application by any law enforcement agency of this state release such property to such agency for the exclusive use of enforcing the provisions of this chapter;

(2) (i) Sell that which is not required to be destroyed by law and which is not harmful to the public. The proceeds and all moneys forfeited under this title shall be used for payment of all proper expenses of the investigation leading to the seizure, including any money delivered to the subject of the investigation by the law enforcement agency, and of the proceedings for forfeiture and sale, including expenses of seizure, maintenance of custody, advertising, actual costs of the prosecuting or city attorney, and court costs. Money remaining after the payment of all expenses shall be distributed as follows:

(A) Fifty percent of the money ((remaining after payment of such expenses)) shall be deposited in the general fund of the state, county, and/or city of the seizing law enforcement agency(;) and shall be used exclusively for the expansion or improvement of law enforcement services. Such moneys shall not supplant preexisting funding sources; and

(B) Fifty percent shall be remitted to the state treasurer for deposit in the public safety and education account established in RCW 43.08.250;

(C) If an investigation involves a seizure of moneys and proceeds having an aggregate value of less than five thousand dollars, the moneys and proceeds may be deposited in total in the general fund of the governmental unit of the seizing law enforcement agency and shall be appropriated exclusively for the expansion of narcotics enforcement services. Such moneys shall not supplant preexisting funding sources.

Controlled substances listed in Schedule I, II, III, IV, and V, which are seized or come into the possession of the board, the owners of which are unknown, are contraband and shall be summarily forfeited to the board.

(h) Species of plants from which controlled substances in Schedules I and II may be derived which have been planted or cultivated in violation of this chapter, or of which the owners or cultivators are unknown, or which are wild growths, may be seized and summarily forfeited to the board.

(i) The failure, upon demand by a board inspector or law enforcement officer, of the person in occupancy or in control of land or premises upon which the species of plants are growing or being stored to produce an appropriate registration or proof that he is the holder thereof constitutes authority for the seizure and forfeiture of the plants.

(j) Upon the entry of an order of forfeiture of real property, the court shall forward a copy of the order to the assessor of the county in which the property is located. Orders for the forfeiture of real property shall be entered by the superior court, subject to court rules. Such an order shall be entered by the seizing agency in the county auditor's records in the county in which the real property is located.

These sale agreements shall contain such provisions as are necessary to effectually permit the ~~((state forest board and the commissioner of public lands))~~ department to carry out the purpose of this section and in other ways afford adequate protection to the public interests involved.

Sec. 72. Section 5, chapter 130, Laws of 1939 and RCW 79.60.060 are each amended to read as follows:

The sale of timber upon state forest board land and state granted land within such sustained yield unit or units shall be made for not less than the appraised value thereof as heretofore provided for the sale of timber on state lands: PROVIDED, That, if in the judgment of the ~~((state forest board or the commissioner of public lands))~~ department, it is to the best interests of the state to do so, said timber or any such sustained yield unit or units may be sold on a stumpage or scale basis for a price per thousand not less than the appraised value thereof. The ~~((state forest board and the commissioner of public lands))~~ department shall reserve the right to reject any and all bids if the intent of this chapter will not be carried out. E2SSB 6380 Prime Sponsor, Committee on Ways & Means: Providing for a water use efficiency study. Reported by Committee on Agriculture & Rural Development

MAJORITY recommendation: Do pass with the following amendments:

Strike everything after the enacting clause and insert the following:

"Sec. 1. Section 1, chapter 1, Laws of 1977 ex. sess. as last amended by section 1, chapter 343, Laws of 1987 and RCW 43.83B.300 are each amended to read as follows:

The legislature finds that it is necessary to provide the department of ecology with emergency powers to authorize withdrawals of public surface and ground waters, including dead storage within reservoirs, on a temporary basis, and construction of facilities in relation thereto, in order to alleviate emergency water supply conditions arising from the drought forecast for the state of Washington during 1977 and during 1987.

The legislature further finds that: There is a continuing agricultural water supply shortage in many areas of the state and that, in relation to the lessening of that unsatisfactory condition, there is an urgent need to both improve water supply facilities and replace other such facilities; and improved efficiency of water use could provide an important new supply of water in many parts of the state with which to meet future water needs and that improved efficiency of water use should receive greater emphasis in the management of the state's water resources.

In order to provide needed capital for the planning, acquisition, construction, and improvement of water supply facilities to withdraw and distribute water to alleviate unsatisfactory water supply conditions arising from droughts occurring from time to time in the state of Washington, and for the water research center at Washington State University to carry out a comprehensive water use efficiency study for the state of Washington, the state finance committee is authorized to issue general obligation bonds of the state of Washington in the sum of eighteen million dollars, or so much thereof as may be required to finance such projects, and all costs incidental thereto. No bonds authorized by this section and RCW 43.83B.360 through 43.83B.375 shall be offered for sale without prior legislative appropriation, and these bonds shall be paid and discharged within thirty years of the date of issuance in accordance with Article VIII, section 1 of the state Constitution.

NEW SECTION, Sec. 2. The water research center at Washington State University shall carry out a comprehensive study of water use efficiency in this state. The center, in consultation with other interested agencies, organizations, and the public, shall investigate and evaluate opportunities and means for achieving water use efficiency improvements. The evaluation shall include but not be limited to the following:

- (1) Review and analysis of water use efficiency initiatives in other states;
- (2) Review of the water use efficiency recommendations of the western governors association;
- (3) Identification of existing institutional and economic disincentives to efficient water use;
- (4) Identification of existing and potential incentives that could bring about improved efficiency of use;
- (5) Identification of alternatives for improving efficiency of use;
- (6) Estimation of potential water savings and public and private costs from implementing alternatives;
- (7) Identification of a recommended approach for improving water use efficiency; and
- (8) Development of recommendations for any needed changes in laws, rules, policies, procedures, and programs to facilitate improved water use efficiency.

NEW SECTION, Sec. 3. (1) A water use efficiency policy advisory committee is hereby created to assist the water research center in completing the investigations in section 2 of this act.

(2) One representative from each of the following categories shall be a voting member of the advisory committee:

- (a) The office of the governor;
 - (b) Indian tribes;
 - (c) Environmental organizations;
 - (d) Municipalities in heavily populated areas;
 - (e) Municipalities in rural agricultural areas;
 - (f) A state-wide water resources association created under chapter 87.76 RCW;
 - (g) Water utilities;
 - (h) Manufacturing industry;
 - (i) Producers of irrigated agricultural products; and
 - (j) Owners and operators of cattle farms.
- (3) Eight members of the legislature shall be voting members of the advisory committee:
- (a) Four members of the House of Representatives, appointed by the Speaker, two from each major political party of which one member from each major political party shall be a member of the agriculture and rural development committee; and
 - (b) Four members of the Senate, appointed by the President of the Senate, two from each major political party of which one member from each major political party shall be a member of the agriculture committee.
- (4) Representatives of the appropriate state and federal agencies shall serve as nonvoting members of the advisory committee.

The governor shall appoint the members of the advisory committee listed in subsections (2) and (4) of this section. Any nominations for appointments to fill positions on the advisory committee which may be submitted to the governor for the governor's consideration shall be submitted not later than ten business days after the effective date of this section. Wherever possible, the various interest groups within a category listed in subsection (2) of this section shall attempt to identify one nominee in common for the category.

- (5) The advisory committee shall expire December 31, 1988.
- (6) The center shall consult on a regular and frequent basis with interested organizations and individuals. The center shall hold public meetings to inform the public about the study, and to receive public comments on a draft report of its study findings, its recommendations, and those of the advisory committee. Before conducting these meetings on such a draft report

or recommendations, the center shall present them at a meeting of the house of representatives and senate agriculture committees, meeting jointly or separately, to receive the comments of committee members. The center shall also present the results of the public meetings on such a draft report or recommendations to the house of representatives and senate agriculture committees as well as the center's proposed response to the comments received at those public meetings before preparing its final report and recommendations.

The center shall document public comments, the advisory committee's recommendations, and those of the center, if they differ, in a final water use efficiency report. The final report shall also include an estimate of staffing and funding needed to carry out the recommended approach. The center shall provide the final report to the house of representatives and senate agriculture committees no later than December 30, 1988.

NEW SECTION. Sec. 4. No aspect of the study authorized by sections 1 through 3 of this act may authorize any interference whatsoever with existing water rights. The study shall in all respects be subject to the provisions of RCW 43.83B.325 to the same extent as any provision of RCW 43.83B.300 through 43.83B.345.

SB 6397 Prime Sponsor, Senator Barr: Revising provisions relating to forest fires. Reported by Committee on Natural Resources

MAJORITY recommendation: Do pass with the following amendments:
Strike everything after the enacting clause and insert the following:

NEW SECTION. Sec. 1. A new section is added to chapter 76.04 RCW to read as follows:

Upon arriving at the scene of a forest fire, the first priority of the employees or agents of the department shall be to attempt to extinguish the fire, and attempts to conduct a survey of contiguous property to ascertain the necessity to remove individuals or property from the area of the fire shall be secondary to that responsibility. This section shall not be construed as preventing assistance to individuals in immediate danger from the fire.

NEW SECTION. Sec. 2. A new section is added to chapter 76.04 RCW to read as follows:

(1) The legislature finds and declares that forest lands within the state are increasingly being used for residential purposes; that the risk to life and property is increasing from forest fires which may destroy developed property; that the department's primary mission is to protect forest land and suppress forest fires; that a primary mission of the rural fire districts and municipal fire departments is to protect improved property and suppress structural fires; that adjustment of the geographic areas of responsibility for the respective fire control agencies has not kept pace with the increasing use of forest lands for residential purposes; and that the department should work with the state's other fire control agencies to define geographic areas of responsibility that are more consistent with their respective primary missions.

(2) To accomplish the purposes of subsection (1) of this section, the department shall establish a procedure to clarify its geographic areas of responsibility. The areas of department protection shall be called forest protection zones. The forest protection zones shall include all forest land which the department is obligated to protect but shall not include forest land within rural fire districts or municipal fire districts which affected local fire control agencies agree, by mutual consent with the department, is not appropriate for department protection. Forest land not included within a forest protection zone shall not be assessed under RCW 76.04.610 or 76.04.630.

(3) After the department and any affected local fire protection agencies have agreed on the boundary of a forest protection zone, the department shall establish the boundary by rule under chapter 34.04 RCW.

(4) Except by agreement of the affected parties, the establishment of forest protection zones shall not alter any mutual aid agreement.

Sec. 3. Section 35, chapter 100, Laws of 1986 and RCW 76.04.610 for each amended to read as follows:

(1) If any owner of forest land within a forest protection zone, or any owner of forest land where no zone is established, neglects or fails to provide adequate fire protection as required by RCW 76.04.600, the department shall provide such protection, notwithstanding the provisions of RCW 76.04.630, at a cost to the owner of not to exceed twenty-one cents an acre per year on lands west of the summit of the Cascade mountains and seventeen cents an acre per year on lands east of the summit of the Cascade mountains: PROVIDED, That ((+)) (a) there shall be no assessment on ((each)) any parcel of privately owned lands of less than two acres or on ((each)) any parcel of tax-exempt lands of less than ten acres; ((-)) (b) for lands not exempt under ((+)) (a) of this proviso, the cost for any ownership parcel containing less than thirty acres shall not be less than five dollars and ten cents east of the Cascade mountains and six dollars and thirty cents west of the Cascade mountains; and ((-)) (c) an owner of two or more

parcels per county, each containing less than thirty acres, may obtain a refund of the assessments paid on all such parcels over one by applying therefor within the year the assessment was due to the department ~~((of natural resources))~~, in such form as the department may require ~~((upon showing to the satisfaction of the department))~~. Verification that all assessments and property taxes on the property have been paid ~~((but))~~ shall be provided to the department by the owner. If the total acreage of the parcels exceeds thirty acres, the per-acre rate shall apply and the refund shall be computed accordingly. Application for the refund may be made by mail.

(2) For the purpose of this chapter, the supervisor may divide the forest lands of the state, or any part thereof, into districts, for fire protection and assessment purposes, may classify lands according to the character of timber prevailing, and the fire hazard existing, and place unprotected lands under the administration of the proper district. Any amounts paid or contracted to be paid by the supervisor of the department of natural resources for protection of these lands from any funds at the supervisor's disposal shall be a lien upon the property protected, and unless reimbursed by the owner within ten days after October 1st of the year in which they were incurred, on which date the supervisor of the department of natural resources shall be prepared to make statement thereof upon request to any forest owner whose own protection has not been previously approved by the supervisor as adequate, shall be reported by the supervisor of the department of natural resources to the assessor of the county in which the property is situated who shall extend the amounts upon the tax rolls covering the property, or the county assessor shall upon authorization from the supervisor of the department of natural resources levy the forest ~~((fire))~~ protection assessment against the amounts of unimproved land as shown in each ownership on the county assessor's records and the assessor may then segregate on his or her records to provide that the improved land and improvements thereon carry the millage levy designed to support the rural fire protection districts as provided for in RCW 52.16.170.

(3) The amounts assessed shall be collected at the time, in the same manner, by the same procedure, and with the same penalties attached that general state and county taxes on the same property are collected, except that errors in assessments may be corrected at any time by the ~~((supervisor of the))~~ department ~~((of natural resources))~~ certifying them to the treasurer of the county in which the land involved is situated. Assessments shall be known and designated as assessments of the year in which the amounts became reimbursable. Upon the collection of such assessments the county treasurer shall transmit them to the ~~((supervisor of the))~~ department ~~((of natural resources to))~~. Collections shall be applied against expenses incurred in carrying out the provisions of this section, including necessary and reasonable administrative costs incurred by the department in the enforcement of these provisions. The department may also expend any sums collected from owners of forest lands or received from any other source for necessary administrative costs in connection with the enforcement of RCW 76.04.660.

(4) When land against which forest ~~((fire))~~ protection assessments are outstanding is acquired for delinquent taxes and sold at public auction, the state shall have a prior lien on the proceeds of sale over and above the amount necessary to satisfy the county's delinquent tax judgment ~~((and))~~. The county treasurer, in case the proceeds of sale exceed the amount of the delinquent tax judgment, shall forthwith remit to the ~~((supervisor of the))~~ department ~~((of natural resources))~~ the amount of the outstanding forest ~~((fire))~~ protection assessments.

(5) All nonfederal public bodies owning or administering forest land(s) included in a forest protection zone shall pay the forest ~~((fire))~~ protection assessments provided in this section and the special forest fire suppression account assessments under RCW 76.04.630. The forest ~~((fire))~~ protection assessments and special forest fire suppression account assessments shall be payable by nonfederal public bodies from any available funds within thirty days following receipt of the written notice from the department which is given after October 1st of the year in which the protection was provided. Unpaid assessments shall not be a lien against the nonfederal publicly owned land but shall constitute a debt by the nonfederal public body to the department and shall be subject to interest charges ~~((in the same amount as other unpaid forest fire protection assessments))~~ at the legal rate.

(6) A public body, having failed to properly pay the forest ~~((fire))~~ protection assessments required of it by this section, which fails to suppress a fire on or originating from forest lands owned or administered by it, shall be liable for the costs of suppression incurred by the department or its agent and shall not be entitled to reimbursement of any costs incurred by the public body in the suppression activities.

(7) The supervisor of the department of natural resources shall furnish the surety company bond under RCW 43.30.170(6), conditioned for the faithful performance of his duties and for a faithful accounting for all sums received and expended thereunder, which bond shall be approved by the attorney general.

(8) The ~~((supervisor of the))~~ department ~~((of natural resources))~~ may adopt rules to implement this section, including, but not limited to, rules on ~~((the))~~ levying and collecting ~~((of))~~ forest ~~((fire))~~ protection assessments.

Sec. 4. Section 45, chapter 100, Laws of 1986 and RCW 76.04.750 are each amended to read as follows:

Any fire on or threatening any forest land burning uncontrolled and without proper action being taken to prevent its spread, notwithstanding the origin of the fire, is a public nuisance by reason of its menace to life and property. Any person engaged in any activity on such lands, having knowledge of the fire, notwithstanding the origin or subsequent spread thereof on his or her own or other forest lands, and the landowner, shall make every reasonable effort to suppress the fire. If the person has not suppressed the fire and the fire is on or threatening forest land within a forest protection zone, the department shall summarily suppress the fire. If the owner, lessee, other possessor of such land, or an agent or contractor of the owner, lessee, or possessor, having knowledge of the fire, has not made a reasonable effort to suppress the fire, the cost thereof may be recovered from the owner, lessee, or other possessor of the land and the cost of the work shall also constitute a lien upon the real property or chattels under the person's ownership. The lien may be filed by the department in the office of the county auditor and foreclosed in the same manner provided by law for the foreclosure of mechanics' liens. The prosecuting attorney shall bring the action to recover the cost or foreclose the lien, upon the request of the department. In the absence of negligence, no costs, other than those provided in RCW 76.04.475, shall be recovered from any landowner for lands subject to the forest ((fire)) protection assessment with respect to the land on which the fire burns.

When a fire occurs in a land clearing, right of way clearing, or landowner operation it shall be fought to the full limit of the available employees and equipment, and the fire fighting shall be continued with the necessary crews and equipment in such numbers as are, in the opinion of the department, sufficient to suppress the fire. The fire shall not be left without a fire fighting crew or fire patrol until authority has been granted in writing by the department.

Sec. 5. Section 36.70.330, chapter 4, Laws of 1963 as last amended by section 3, chapter 126, Laws of 1985 and RCW 36.70.330 are each amended to read as follows:

The comprehensive plan shall consist of a map or maps, and descriptive text covering objectives, principles and standards used to develop it, and shall include each of the following elements:

(1) (a) A land use element which designates the proposed general distribution and general location and extent of the uses of land for agriculture, housing, commerce, industry, recreation, education, public buildings and lands, and other categories of public and private use of land, including a statement of the standards of population density and building intensity recommended for the various areas in the jurisdiction and estimates of future population growth in the area covered by the comprehensive plan, all correlated with the land use element of the comprehensive plan.

(b) The land use element shall also provide for protection of the quality and quantity of ground water used for public water supplies and shall review drainage, flooding, and storm water run-off in the area and nearby jurisdictions and provide guidance for corrective actions to mitigate or cleanse those discharges that pollute Puget Sound or waters entering Puget Sound.

(c) In any comprehensive plan adopted or amended after the effective date of this 1988 act, the land use element shall also consider the degree of fire hazard in high fire-risk forested areas in providing for the location and extent of allowable residential uses and for necessary road and water system standards for residential uses:

(2) A circulation element consisting of the general location, alignment and extent of major thoroughfares, major transportation routes, trunk utility lines, and major terminal facilities, all of which shall be correlated with the land use element of the comprehensive plan:

(3) Any supporting maps, diagrams, charts, descriptive material and reports necessary to explain and supplement the above elements."

On page 1, line 1 of the title, after "fires," strike the remainder of the title and insert "amending RCW 76.04.610, 76.04.750, and 36.70.330; and adding new sections to chapter 76.04 RCW."

SB 6408 Prime Sponsor, Senator Benitz: Revising provisions on the state energy code. Reported by Committee on Energy & Utilities

MAJORITY recommendation: Do pass with the following amendment:
Strike everything after the enacting clause and insert the following:

*Sec. 1. Section 3, chapter 144, Laws of 1985 and RCW 19.27A.030 are each amended to read as follows:

(1) The revised state energy code shall supersede all local government residential energy codes except as provided in subsections (2) and (3) of this section: PROVIDED, That cities, towns, and counties may adopt more energy efficient codes for residential construction if the builder or owner of new residential construction is reimbursed by an authorized federal agency program or authorized local utility, or both, for those additional costs to the consumer of conservation components that are attributable to the more energy efficient codes. This subsection shall not apply after January 1, ~~((1989))~~ 1990. In establishing this date it is not the legislature's intent to discourage any city, town, or county from adopting a more energy efficient code so long as the consumer is adequately reimbursed.

(2) The revised state energy code shall not preempt energy codes, adopted by a city, town, or county of the state prior to ~~((April 24, 1985))~~ January 15, 1988, or first class cities with a population over three hundred thousand which operate electrical utilities, that are designed to achieve reduction in energy consumption relative to the revised state energy code.

(3) The revised state energy code shall not preempt a less energy efficient energy code adopted by a county, city, or town if it can be shown that the revised state energy code is not cost-effective for that county, city, or town.

Sec. 2. Section 4, chapter 144, Laws of 1985 and RCW 19.27A.040 are each amended to read as follows:

(1) The University of Washington college of architecture and department of mechanical engineering shall conduct in situ testing of the annual thermal transmittance of individual construction components and conservation measures proposed for new residential construction by the northwest power planning council.

(2) There shall be a committee to oversee the study. The committee shall include the director of the state energy office as chair; two members recommended by the home building industry chosen by the governor; and two members nationally renowned as experts in building energy performance chosen by the governor.

(3) The study shall include an analysis of the economic feasibility of adopting thermal performance standards for new residential construction as proposed by the northwest power planning council. The study of economic feasibility shall include but not necessarily be limited to factors which shall not require an amortization of the individual components exceeding a life cycle of seven years and a discount rate (interest) computed at the current conventional market rate of home mortgages at par.

(4) The director of the state energy office shall ((make recommendations, based on the results of the study and the residential standards demonstration program, to the legislature and the state building code advisory council regarding the cost effectiveness of the revised state energy code developed pursuant to RCW 19.27.075 no later than January 15, 1988)) establish a scientific peer review panel to assess the validity of the results of the study, the results of the residential standards demonstration program and other relevant data sources, and any proposed recommendations based on those results. NEW SECTION. Sec. 8. The committee shall study the possibility of establishing a surcharge on hunting licenses and tags and shall include recommendations in the report required by section 7 of this act.

NEW SECTION. Sec. 9. A new section is added to chapter 77.32 RCW to read as follows:

However, if the applicant does not have a valid permanent Washington driver's license or Washington state identification card or has not been a resident of the state for the previous consecutive ninety days, the issuing authority shall have up to sixty days after the filing of the application to issue a license. The license application shall contain a warning substantially as follows:

CAUTION: Although state and local laws do not differ, federal law and state law on the possession of firearms differ. If you are prohibited by federal law from possessing a firearm, you may be prosecuted in federal court. A state permit is not a defense to a federal prosecution.

The license application shall contain a description of the major differences between state and federal law and an explanation of the fact that local laws and ordinances on firearms are preempted by state law and must be consistent with state law.

The original thereof shall be delivered to the licensee, the duplicate shall within seven days be sent by registered mail to the director of licensing and the triplicate shall be preserved for six years, by the authority issuing said license.

(2) The fee for the original issuance of a four-year license shall be twenty-three dollars: PROVIDED, That no other additional charges by any branch or unit of government shall be borne by the applicant for the issuance of the license: PROVIDED FURTHER, That the fee shall be distributed as follows:

(4) A licensee may renew a license if the licensee applies for renewal within ninety days before or after the expiration date of the license. A license so renewed shall take effect on the expiration date of the prior license. A licensee renewing after the expiration date of the license must pay a late renewal penalty of ten dollars in addition to the renewal fee specified in subsection (3) of this section. The fee shall be distributed as follows:

- (a) Three dollars shall be deposited in the state game fund and used exclusively for the printing and distribution of a pamphlet on the legal limits of the use of firearms, firearms safety, and the preemptive nature of state law. The pamphlet shall be given to each applicant for a license; and
- (b) Seven dollars shall be paid to the issuing authority for the purpose of enforcing this chapter.

(5) Notwithstanding the requirements of subsections (1) through (4) of this section, the chief of police of the municipality or the sheriff of the county of the applicant's residence may issue a

temporary emergency license for good cause pending review under subsection (1) of this section.

(6) A political subdivision of the state shall not modify the requirements of this section or chapter, nor may a political subdivision ask the applicant to voluntarily submit any information not required by this section. MAJORITY recommendation: Do pass with the following amendment:

Strike everything after the enacting clause and insert the following:

"Sec. 1. Section 3, chapter 295, Laws of 1975 1st ex. sess. as last amended by section 4, chapter 343, Laws of 1987 and RCW 43.83B.210 are each amended to read as follows:

The department of ecology is authorized to make loans or grants or combinations thereof: (1) From funds under RCW 43.83B.010 through 43.83B.110 to eligible public bodies as defined in RCW 43.83B.050 for rehabilitation or betterment of agricultural water supply facilities, and/or construction of agricultural water supply facilities required to develop new irrigated lands; or((:)) (2) from emergency agricultural water supply funds under RCW 43.83B.300 when required ((because of emergency drought conditions;)) to provide water ((to previously irrigated lands)) to alleviate emergency drought conditions to assure the survival of irrigated crops and the state's fisheries. The department of ecology may make such loans or grants or combinations thereof as matching funds in any case where federal, local, or other funds have been made available on a matching basis. A loan or combination loan and grant shall not exceed fifty percent of the approved eligible project costs for any single proposed project: PROVIDED, That for purposes authorized by RCW 43.83B.300, 43.83B.310, and 43.83B.385 the department of ecology may make a loan up to ninety percent of the total eligible project cost or combination loan and grant up to one hundred percent of the total single project cost and the grant portion for any single project shall not exceed ~~((fifteen))~~ twenty percent of the total ~~((single))~~ project cost except that, for activities forecast to have fifty percent or less of normal seasonal water supplies, the grant portion for any single project or entity shall not exceed forty percent of the total project cost. No single entity shall receive more than ten percent of the total funds available for drought relief. These funds shall not be used for nonagricultural drought relief purposes unless there are no other capital budget funds available for these purposes. The total expenditures for nonagricultural drought relief purposes shall not exceed five percent of the total funds available for drought relief purposes on the effective date of this 1988 act. Any grant or grant portion of a combination loan and grant from funds under RCW 43.83B.010 through 43.83B.110 for any single proposed project shall not exceed fifteen percent of the eligible project costs: PROVIDED, That the fifteen percent limitation established herein shall not be applicable to project commitments which the director or deputy director of the state department of ecology made to the bureau of reclamation of the United States department of interior for providing state funding at thirty-five percent of project costs during the period between August 1, 1974, and June 30, 1975.

The department of social and health services is authorized to make grants of up to forty percent of the cost of construction of any eligible project necessitated by the 1977 drought conditions. Such grants may be made only to public bodies as defined in RCW 43.83B.050 for municipal and industrial water supply and distribution facilities.

Sec. 2. Section 1, chapter 1, Laws of 1977 ex. sess. as last amended by section 1, chapter 343, Laws of 1987 and RCW 43.83B.300 are each amended to read as follows:

The legislature finds that it is necessary to provide the department of ecology with emergency powers to authorize withdrawals of public surface and ground waters, including dead storage within reservoirs, on a temporary basis, and construction of facilities in relation thereto, in order to alleviate emergency water supply conditions arising from the drought forecast for the state of Washington during 1977 and during 1987 through 1989.

The legislature further finds that there is a continuing ((agricultural)) water supply shortage in many areas of the state and that ((-in relation to the lessening of that unsatisfactory condition; there is an urgent need to both improve water supply facilities and replace other such facilities)) there is an urgent need to assure the survival of irrigated crops and of the state's fisheries.

In order to provide needed ((capital)) moneys for the planning, acquisition, construction, and improvement of water supply facilities ((to withdraw and distribute water)) and for other appropriate measures to assure the survival of irrigated crops and/or the state's fisheries to alleviate ((unsatisfactory)) emergency water supply conditions arising from droughts occurring from time to time in the state of Washington, the state finance committee is authorized to issue general obligation bonds of the state of Washington in the sum of eighteen million dollars, or so much thereof as may be required to finance such projects, and all costs incidental thereto. No bonds authorized by this section and RCW 43.83B.360 through 43.83B.375 shall be offered for sale without prior legislative appropriation, and these bonds shall be paid and discharged within thirty years of the date of issuance in accordance with Article VIII, section 1 of the state Constitution.

Sec. 3. Section 3, chapter 1, Laws of 1977 ex. sess. as amended by section 2, chapter 343, Laws of 1987 and RCW 43.83B.310 are each amended to read as follows:

In addition to the powers previously vested in the department of ecology to permit the withdrawal of public surface and ground waters by chapters 90.03 and 90.44 RCW, the department of ecology is authorized to permit withdrawals of public surface and ground waters, including dead storage within reservoirs, on a temporary basis, for any period ending not later than ((October 31, 1987)) April 30, 1989, for any beneficial use. The department may issue such emergency permits if, after investigation and after providing appropriate federal, state, and local governmental bodies an opportunity to comment, the following are found:

(1) The waters proposed for withdrawal are to be used in relation to beneficial use involving a previously established activity or purpose; and

(2) The previously established activity or purpose was furnished water through rights applicable to the use of a public water body which are not exercisable due to the lack of water arising from natural drought conditions; and

(3) The proposed withdrawal will not reduce flows or levels below essential minimums necessary (a) to assure the maintenance of fisheries requirements, and (b) to protect federal and state interests including, among others, power generation, navigation, and existing water rights.

All permits issued hereunder shall contain provisions which allow for termination of authorized withdrawals, in whole or in part, whenever withdrawals will conflict with flows and levels as provided in subsection (3) of this section.

Sec. 4. Section 8, chapter 343, Laws of 1987 and RCW 43.83B.342 are each amended to read as follows:

The department of ecology is authorized to expend funds from the emergency water supply appropriations for necessary drought-related equipment and to employ a maximum of ((two and one-half)) four full-time equivalent staff positions until ((October 31, 1987)) April 30, 1989, for the purpose of planning and administering drought relief activities, including the development of a state drought contingency plan for responding to future drought conditions.

Sec. 5. Section 9, chapter 343, Laws of 1987 and RCW 43.83B.344 are each amended to read as follows:

For a limited period of time ending ((October 31, 1987)) April 30, 1989, a water right may be temporarily changed in purpose or place of use or point of diversion consistent with existing state policy allowing transfer or lease of waters between willing parties as provided for in RCW 90.03.380, 90.03.390, and 90.44.100 without complying with any requirements of (1) notice of newspaper publication or (2) the state environmental policy act, chapter 43.21C RCW, when such changes are necessary to respond to emergency water supply conditions as determined by the department of ecology. The temporary changing of a water right as authorized under this section shall not be admissible as evidence in either the supporting or the contesting of the validity of water claims in State of Washington, Department of Ecology v. Acquavella, or any similar proceeding where the existence of a water right is at issue.

NEW SECTION, Sec. 6. This act is necessary for the immediate preservation of the public peace, health, and safety, the support of the state government and its existing public institutions, and shall take effect immediately.

NEW SECTION. Sec. 3. A new section is added to chapter 70.74 RCW to read as follows:

(1) The director of labor and industries shall require, as a condition precedent to the original issuance or renewal of any explosive license, fingerprinting and criminal history record information checks of every applicant. In the case of a corporation, fingerprinting and criminal history record information checks shall be required for the management officials directly responsible for the operations where explosives are used if such persons have not previously had their fingerprints recorded with the department of labor and industries. In the case of a partnership, fingerprinting and criminal history record information checks shall be required of all general partners. Such fingerprints as are required by the department of labor and industries shall be submitted on forms provided by the department to the identification section of the Washington state patrol and to the identification division of the federal bureau of investigation in order that these agencies may search their records for prior convictions of the individuals fingerprinted. The Washington state patrol shall provide to the director of labor and industries such criminal record information as the director may request. The applicant shall give full cooperation to the department of labor and industries and shall assist the department of labor and industries in all aspects of the fingerprinting and criminal history record information check. The applicant may be required to pay a fee not to exceed twenty dollars to the agency that performs the fingerprinting and criminal history process.

(2) The director of labor and industries shall not issue a license to manufacture, purchase, store, use, or deal with explosives to:

(a) Any person under twenty-one years of age;

(b) Any person whose license is suspended or whose license has been revoked, except as provided in section 4 of this act;

(c) Any person who has been convicted in this state or elsewhere of a violent offense as defined in RCW 9.94A.030, perjury, false swearing, or bomb threats or a crime involving a schedule I or II controlled substance, or any other drug or alcohol related offense, unless such other drug or alcohol related offense does not reflect a drug or alcohol dependency. However, the director of labor and industries may issue a license if the person suffering a drug or alcohol related dependency is participating in or has completed an alcohol or drug recovery program acceptable to the department of labor and industries and has established control of their alcohol or drug dependency. The director of labor and industries shall require the applicant to provide proof of such participation and control; or

(d) Any person who has previously been adjudged to be mentally ill or insane, or to be incompetent due to any mental disability or disease and who has not at the time of application been restored to competency.

(3) The director of labor and industries may establish reasonable licensing fees for the manufacture, dealing, purchase, use, and storage of explosives.

NEW SECTION, Sec. 4. A new section is added to chapter 70.74 RCW to read as follows:

(1) The department of labor and industries shall revoke and not renew the license of any person holding a manufacturer, dealer, purchaser, user, or storage license upon conviction of any of the following offenses, which conviction has become final:

(a) A violent offense as defined in RCW 9.94A.030;

(b) A crime involving perjury or false swearing, including the making of a false affidavit or statement under oath to the department of labor and industries in an application or report made pursuant to this title;

(c) A crime involving bomb threats;

(d) A crime involving a schedule I or II controlled substance, or any other drug or alcohol related offense, unless such other drug or alcohol related offense does not reflect a drug or alcohol dependency. However, the department of labor and industries may condition renewal of the license to any convicted person suffering a drug or alcohol dependency who is participating in an alcoholism or drug recovery program acceptable to the department of labor and industries and has established control of their alcohol or drug dependency. The department of labor and industries shall require the licensee to provide proof of such participation and control;

(e) A crime relating to possession, use, transfer, or sale of explosives under this chapter or any other chapter of the Revised Code of Washington.

(2) The department of labor and industries shall revoke the license of any person adjudged to be mentally ill or insane, or to be incompetent due to any mental disability or disease. The director shall not renew the license until the person has been restored to competency.

(3) The department of labor and industries is authorized to suspend, for a period of time not to exceed six months, the license of any person who has violated this chapter or the rules promulgated pursuant to this chapter.

(4) The department of labor and industries may revoke the license of any person who has repeatedly violated this chapter or the rules promulgated pursuant to this chapter, or who has twice had his or her license suspended under this chapter.

(5) Upon receipt of notification by the department of labor and industries of revocation or suspension, a licensee must surrender immediately to the department any or all such licenses revoked or suspended.

(1) The location of the magazine, if any, if then existing, or in case of a new magazine, the proposed location of such magazine;

(2) The kind of explosives that are kept or stored or possessed or intended to be kept or stored or possessed and the maximum quantity that is intended to be kept or stored or possessed thereat;

(3) The distance that such magazine is located or intended to be located from other magazines, inhabited buildings, explosives manufacturing buildings, railroads, highways and public utility transmission systems;

(4) The name and address of the applicant;

(8) If the applicant is an association or corporation, the names and addresses of the officers and directors thereof and their citizenship;

(9) And such other pertinent information as the director of the department of labor and industries shall require to effectuate the purpose of this chapter.

The department of labor and industries shall, as soon as may be after receiving such application, cause an inspection to be made of the magazine, if then constructed, and, in the case of a new magazine, as soon as may be after same is found to be constructed in accordance with the specification provided in RCW 70.74.025, such department shall determine the amount of explosives that may be kept and stored in such magazine by reference to the quantity and distance tables ~~(set forth in RCW 70.74.030, 70.74.050 and 70.74.061;)~~ specified in or adopted under this chapter and shall issue a license to the person applying thereof ~~(-unless the department shall find that such applicant is not sufficiently experienced in the handling of explosives, lacks suitable facilities therefor, has been convicted of a crime involving moral turpitude, or is disloyal to the United States)~~ if the applicant demonstrates that either the applicant or the officers, agents, or employees of the applicant are sufficiently experienced in the handling of explosives and possess suitable storage facilities therefor, and that the applicant meets the qualifications for a license under section 3 of this 1988 act. Said license shall set forth the maximum quantity of explosives that may be had, kept or stored by said person. Such license shall be valid until canceled for one or more of the causes hereinafter provided.

Whenever by reason of change in the physical conditions surrounding said magazine at the time of the issuance of the license therefor, such as:

Whenever a license is canceled by the department for any cause herein specified, the department shall notify the person to whom such license is issued of the fact of such cancellation and shall in said notice direct the removal of all explosives stored in said magazine within ten days from the giving of said notice, or, if the cause of cancellation be the failure to pay the annual license fee, or the fact that explosives are kept for an unlawful purpose, ~~((or the applicant is disloyal to the United States.))~~ the department of labor and industries shall order such person to dispossess himself of said explosives within ten days from the giving of said notice. Failure to remove the explosives stored in said magazine or to dispossess oneself of the explosives as herein provided within the time specified in said notice shall constitute a violation of this chapter.

Sec. 7. Section 3, chapter 101, Laws of 1941 as amended by section 16, chapter 137, Laws of 1969 ex. sess. and RCW 70.74.130 are each amended to read as follows:

- (3) Citizenship, if an individual applicant;
- (4) If a partnership, the names and addresses of the partners and their citizenship;
- (5) If an association or corporation, the names and addresses of the officers and directors thereof and their citizenship; and
- (6) Such other pertinent information as the director of labor and industries shall require to effectuate the purpose of this chapter.

The department of labor and industries shall issue the license ~~((applied for unless the department finds that either the applicant or any of the officers, agents or employees of the applicant are not sufficiently experienced in the business of dealing in explosives, lack suitable facilities therefor, have been convicted of a crime involving moral turpitude, or are disloyal to the United States. Said license may be canceled for any cause that would prevent the initial issuance thereof))~~ if the applicant demonstrates that either the applicant or the principal officers, agents, or employees of the applicant are experienced in the business of dealing in explosives, possess suitable facilities therefor, have not been convicted of any crime that would warrant revocation or nonrenewal of a license under this chapter, and have never had an explosives-related license revoked under this chapter or under similar provisions of any other state.

Sec. 8. Section 18, chapter 137, Laws of 1969 ex. sess. as last amended by section 7, chapter 302, Laws of 1971 ex. sess. and RCW 70.74.135 are each amended to read as follows:

All persons desiring to purchase explosives except handloader components shall apply to the department of labor and industries for a license. Said application shall state, among other things:

Said license may be canceled for any cause that would prevent the initial issuance thereof; or for any violation of this chapter))~~ to authorize a purchase license. However, no purchaser's license may be issued to any person who cannot document proof of possession or right to use approved and licensed storage facilities unless the person signs a statement certifying that explosives will not be stored.

NEW SECTION. Sec. 9. A new section is added to chapter 70.74 RCW to read as follows:

With the exception of storage licenses for permanent facilities, every license issued under the authority of this chapter shall expire after one year from the date issued unless suspended or revoked. The director of labor and industries may extend the duration of storage licenses for permanent facilities to two years provided the location, distances, and use of the facilities remain unchanged. The fee for the two-year storage license shall be twice the annual fee.

NEW SECTION. Sec. 10. A new section is added to chapter 70.74 RCW to read as follows:

SSB 6603 Prime Sponsor, Committee on Environment & Natural Resources: Revising air quality opacity limitations. Reported by Committee on Environmental Affairs

MAJORITY recommendation: Do pass with the following amendment:

Strike everything after the enacting clause and insert the following:

*Sec. 1. Section 46, chapter 238, Laws of 1967 as last amended by section 39, chapter 109, Laws of 1987 and by section 13, chapter 405, Laws of 1987 and RCW 70.94.331 are each reenacted and amended to read as follows:

- (1) The department shall have all the powers as provided in RCW 70.94.141.
- (2) The department, in addition to any other powers vested in it by law after consideration at a public hearing held in accordance with chapter 42.30 RCW and chapter 34.04 RCW shall:
 - (a) Adopt rules and regulations establishing air quality objectives and air quality standards;
 - (b) Adopt emission standards which shall constitute minimum emission standards throughout the state. An authority may enact more stringent emission standards, except for emission performance standards for new wood stoves and opacity levels for residential solid fuel burning devices which shall be state-wide, but in no event may less stringent standards be enacted by an authority without the prior approval of the department after public hearing and due notice to interested parties;
 - (c) Adopt by rule and regulation air quality standards and emission standards for the control or prohibition of emissions to the outdoor atmosphere of radionuclides, dust, fumes, mist, smoke, other particulate matter, vapor, gas, odorous substances, or any combination thereof. Such requirements may be based upon a system of classification by types of emissions or types of sources of emissions, or combinations thereof, which it determines most feasible for the purposes of this chapter. However, an industry, or the air pollution control authority having jurisdiction, can choose, subject to the submittal of appropriate data that the industry has quantified, to have any limit on the opacity of emissions from a source whose emission standard is stated in terms of a weight of particulate per unit volume of air (e.g., grains per dry standard cubic foot) be based on the applicable particulate emission standard for that source, such that any violation of the opacity limit accurately indicates a violation of the applicable particulate emission standard. A reasonable fee may be assessed to the industry to which the alternate opacity standard would apply. The fee shall cover only those costs to the air pollution control authority which are directly related to the determination on the acceptability of the alternate opacity standard, including testing, oversight and review of data.
- (3) The air quality standards and emission standards may be for the state as a whole or may vary from area to area, except that emission performance standards for new wood stoves and opacity levels for residential solid fuel burning devices shall be state-wide, as may be appropriate to facilitate the accomplishment of the objectives of this chapter and to take necessary or desirable account of varying local conditions of population concentration, the existence of actual or reasonable foreseeable air pollution, topographic and meteorologic conditions and other pertinent variables.
- (4) The department is directed to cooperate with the appropriate agencies of the United States or other states or any interstate agencies or international agencies with respect to the control of air pollution and air contamination, or for the formulation for the submission to the legislature of interstate air pollution control compacts or agreements.
- (5) The department is directed to conduct or cause to be conducted a continuous surveillance program to monitor the quality of the ambient atmosphere as to concentrations and movements of air contaminants.
- (6) The department shall enforce the air quality standards and emission standards throughout the state except where a local authority is enforcing the state regulations or its own regulations which are more stringent than those of the state.
- (7) The department shall encourage local units of government to handle air pollution problems within their respective jurisdictions; and, on a cooperative basis provide technical and consultative assistance therefor.
- (8) The department shall have the power to require the addition to or deletion of a county from an existing authority in order to carry out the purposes of this chapter: PROVIDED, HOWEVER, That no such addition or deletion shall be made without the concurrence of any existing authority involved. Such action shall only be taken after a public hearing held pursuant to the provisions of chapter 34.04 RCW."

SB 6638 Prime Sponsor, Senator Niemi: Providing conditional scholarships for nursing students. Reported by Committee on Health Care

MAJORITY recommendation: Do pass with the following amendments:

Strike everything after the enacting clause and insert the following:

***NEW SECTION.** Sec. 1. The legislature finds that significant changes occurring simultaneously in the health care delivery system and the demography of the national population are resulting in a shortage of qualified nursing personnel which has the potential of dramatically reducing the quality of health care in the state of Washington, particularly in long-term care and critical emergent care. One of the more important contributors to this shortage is the fall in enrollment of students wishing to pursue nursing as a career. In today's complex health care environment, a more integrated approach to the delivery of nursing care may provide comprehensive answers to the problem. The legislature finds that encouraging qualified individuals to enter the nursing profession is of paramount importance to the state in reducing this shortage. The legislature urges the health professions, industry, and philanthropic community organizations to join with state government in assuring the success of this program.

NEW SECTION. Sec. 2. Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

(1) 'Conditional scholarship' means a loan that is forgiven in whole or in part if the recipient renders nursing service as a nurse serving in a nurse shortage area, as defined by the state health coordinating council.

(2) 'Institution of higher education' or 'institution' means a community college, vocational-technical school, or university in the state of Washington which is accredited by an accrediting association recognized as such by rule of the higher education coordinating board.

(3) 'Board' means the higher education coordinating board.

(4) 'Eligible student' means a student who has been accepted into a program leading to eligibility for licensure as a licensed practical nurse, or to a program leading to an associate, baccalaureate, or higher degree in nursing or continues satisfactory progress within the program; and has a declared intention to serve in a nurse shortage area upon completion of the educational program.

(5) 'Nurse shortage area' means those areas where nurses are in short supply as a result of geographic maldistribution; or speciality areas of nursing, such as geriatrics or critical care, where vacancies exist in serious numbers that jeopardize patient care and pose a threat to the public health and safety. The state health coordinating council shall determine nurse shortage areas in the state guided by federal standards of 'health manpower shortage areas.'

(6) 'Forgiven' or 'to forgive' or 'forgiveness' means to render nursing service in a nurse shortage area in the state of Washington in lieu of monetary repayment.

(7) 'Satisfied' means paid-in-full.

(8) 'Participant' means an eligible student who has received a conditional scholarship under this chapter.

NEW SECTION. Sec. 3. The nurses conditional scholarship program is established. The program shall be administered by the higher education coordinating board in consultation with the state board for community college education. In administering the program, the board shall have the following powers and duties:

(1) Select students to receive conditional scholarships to attend institutions of higher education, with the assistance of a screening committee;

(2) Adopt rules and guidelines to implement this chapter;

(3) Publicize the program;

(4) Collect and manage repayments from students who do not meet their services obligations under this chapter;

(5) Solicit and accept grants and donations from public and private sources for the program; and

(6) Develop criteria for a contract for service in lieu of the five-year service in a nurse shortage area where appropriate, that may be a combination of service and payment.

NEW SECTION. Sec. 4. The higher education coordinating board shall establish a planning committee to develop criteria for the screening and selection of recipients of the conditional scholarships. These criteria also may include, for approximately half of the recipients, requirements that those recipients meet the definition of 'needy student' under RCW 28B.10.802.

NEW SECTION. Sec. 5. The board may award conditional scholarships to eligible students from the funds appropriated to the board for this purpose, or from any private donations, or any other funds given to the board for this program. The amount of the conditional scholarship awarded an individual shall not exceed three thousand dollars per academic year. Students are eligible to receive conditional scholarships for a maximum of five years while continually enrolled in an approved program.

NEW SECTION. Sec. 6. (1) Participants in the conditional scholarship program incur an obligation to repay the conditional scholarship, with interest, unless they serve for five years in nurse shortage areas of the state of Washington. Nurse shortage areas may include geographical areas as a result of maldistribution, or speciality areas of nursing such as gerontology, critical care, or coronary care.

(2) The terms of the repayment, including deferral of the interest, shall be consistent with the terms of the federal guaranteed loan program.

(3) The period for repayment shall be five years, with payments accruing quarterly commencing nine months from the date the participant completes or discontinues the course of study.

(4) The entire principal and interest of each payment shall be forgiven for each payment period in which the participant serves in a nurse shortage area, as determined by the state health coordinating council, until the entire repayment obligation is satisfied or the borrower ceases to so serve. Should the participant cease to serve in this state before the participant's repayment obligation is completed, payments on the unsatisfied portion of the principal and interest shall begin the next payment period and continue until the remainder of the participant's repayment obligation is satisfied.

(5) The board is responsible for collection of repayments made under this section and shall exercise due diligence in such collection, maintaining all necessary records to ensure that maximum repayments are made. Collection and servicing of repayments under this section shall be pursued using the full extent of the law, including wage garnishment if necessary, and shall be performed by entities approved for such servicing by the Washington student loan

guaranty association or its successor agency. The board is responsible to forgive all or parts of such repayments under the criteria established in this section and shall maintain all necessary records of forgiven payments.

(6) Receipts from the payment of principal or interest or any other subsidies to which the board as administrator is entitled, which are paid by or on behalf of participants under this section, shall be deposited with the higher education coordinating board and shall be used to cover the costs of granting the conditional scholarships, maintaining necessary records, and making collections under subsection (5) of this section. The board shall maintain accurate records of these costs, and all receipts beyond those necessary to pay such costs shall be used to grant conditional scholarships to eligible students.

NEW SECTION, Sec. 7. After consulting with the higher education coordinating board, the governor may transfer the administration of this program to another agency with an appropriate educational mission.

NEW SECTION, Sec. 8. Sections 1 through 7 of this act shall constitute a new chapter in Title 28B RCW.

NEW SECTION, Sec. 9. No conditional scholarships may be granted after June 30, 1994."

SB 6675

Prime Sponsor, Senator Kiskaddon: Modifying provisions relating to the family independence program. Reported by Committee on Human Services

MAJORITY recommendation: Do pass with the following amendment:

Strike everything after the enacting clause and insert the following:

"NEW SECTION, Sec. 1. A new section is added to chapter 74.21 RCW to read as follows:

The family independence program implementation plan submitted to the legislature pursuant to RCW 74.21.140 and 74.21.200 is approved. The governor or the governor's designee is authorized to sign and complete all necessary agreements with the federal government, provided that nothing in the agreements is inconsistent with chapter 74.21 RCW.

Sec. 2. Section 2, chapter 434, Laws of 1987 and RCW 74.21.020 are each amended to read as follows:

The legislature hereby establishes as state policy the goal of economic independence for employable adults receiving public assistance, through employment, training, and education. The legislature finds that children living in families with incomes below the needs standard have reduced opportunities for physical and intellectual development. A family's economic future is frequently not improved by the current program.

Therefore, in order to break the cycle of poverty and dependence, a family independence program is established. Participating families are to receive benefits under this program at no less than they would otherwise have been entitled to receive.

The legislature finds that the state has a vital interest in ensuring that citizens who are in economic need are provided appropriate financial assistance. It is the intent of the legislature to maintain the existing partnership between state and federal government and that this program remain part of the federal welfare entitlement program. The legislature seeks federal authority for a five-year demonstration project and recognizes that waivers and congressional action may be required to achieve our purpose. The legislature does not seek a block grant approach to welfare.

The legislature recognizes that any program intended to assist new and current public assistance recipients will be more likely to succeed when the state, private sector, and recipients work together.

The legislature also recognizes the value of building on successful programs that utilize the development of networking and mentoring strategies to assist public assistance recipients to gain self-sufficiency. The legislature further encourages public-private cooperation in the areas of job readiness training, education, job training, and work opportunities, including community-based organizations as service providers in these areas through contractual relationships.

The legislature finds that the goal of economic independence requires increased efforts to assist parents in exercising their children's right to economic support from absent parents.

The legislature recognizes the substantial participation in the workforce of women with preschool children, and the difficulty in reentering employment after long absences.

The legislature further recognizes that public assistance recipients can play a major role in setting their own goals.

The objectives of this chapter are to assure that: The maximum number of recipients of public assistance become independent and self-sufficient through employment, training, and education; caseloads be correspondingly reduced on a long-term basis; financial incentives be available to recipients participating in job readiness, education, training, and work programs; the number of children growing up in poverty be substantially reduced; and unemployable recipients be afforded a basic level of financial and medical assistance consistent with the state's financial capabilities.

Sec. 3. Section 6, chapter 434, Laws of 1987 and RCW 74.21.060 are each amended to read as follows:

(1) The executive committee shall establish a family opportunity advisory council in each of the department's regions to make recommendations on the social services, procedures, and income maintenance operations used in the family independence program. The councils shall also assist in providing mentors, mutual self-help, and information on alternatives to welfare dependency. The councils shall include: (a) individuals currently receiving assistance; (b) individuals who have received public assistance in the past but have subsequently achieved economic independence; and (c) persons who are board members or employees of nonprofit organizations providing services of the types offered to family independence program recipients, including those with experience in developing self-esteem and individual motivation. A regional advisory council may establish panels representing specific geographic areas within the region.

(2) Each advisory council shall nominate three persons from which the executive committee shall elect one person from each region to be a member of the advisory committee authorized by RCW 74.21.050. Appointments shall be for a term of two years. Terms may be renewed for one additional two-year term. Three regional appointments shall initially be for a

term of one year. The regional representatives shall constitute the consumer and enrollee representatives required by 74.21.050.

(3) Recipients and former recipients may be paid a per diem rate established by the executive committee. Members may be reimbursed for travel expenses as provided in RCW 43.03.050 and 43.03.060. Recipients and former recipients may also be reimbursed for dependent care expenses required to permit their participation in the family opportunity advisory councils, the executive committee, and the family independence program advisory committee.

(4) The department may, within available funds, provide grants to each family opportunity council to assist and support their activities and to assist in the recruitment and training of volunteer mentors.

Sec. 4. Section 14, chapter 434, Laws of 1987 and RCW 74.21.140 are each amended to read as follows:

(1) By January 1, 1988, the executive committee shall submit to the legislature:

(a) A child-care plan, which may include creative solutions to assist enrollees in making child-care arrangements;

(b) In consultation with the superintendent of public instruction, a plan for assisting high school students who are parents or pregnant to remain in school or complete their high school education;

(c) A plan for motivating those who are discouraged to seek self-sufficiency through work, education, or training;

(d) An employment plan for enrollees; and

(e) A plan for phased-in implementation of the family independence program.

(2) By January 1, 1988, the legislative budget committee, after consultation with the executive committee, shall submit to the legislature:

(a) An evaluation plan satisfactory to the federal government, including a plan for analysis, within available funds, of:

(i) The costs and effectiveness of the family independence program;

(ii) The extent to which education and training opportunities have led to employment and economic independence;

(iii) The extent to which support services have been provided for such education and training opportunities;

(iv) The impact of support services, training opportunities, and employment on the well-being of the children and families of enrollees;

~~(v) ((The impact of the family independence program on the labor market opportunities available to nonenrollees:~~

~~(v*)))~~ The impact of the family independence program on the early childhood education assistance program;

~~((v*)))~~ (vi) A comparison of the family independence program enrollees with a sample of aid to families with dependent children recipients entering assistance between July 1, 1987, through June 30, 1988, to determine the characteristics of the caseloads of the family independence program and the aid to families with dependent children program, including demographic characteristics, employment, training, and educational histories, spells on assistance, and reasons for entry onto and exit from assistance;

~~((v*)))~~ (vii) Such administrative and operational factors as may be requested by the executive committee;

~~((v*)))~~ (viii) A longitudinal study over time of a sample of public assistance recipients or persons at risk of becoming eligible for assistance, to determine the causes of public dependency and the impact of changes in the economy or of public programs on dependency, work, or other relevant behaviors of the sample population.

(3) The legislative budget committee shall cause the evaluation plan to be implemented ~~((subject to legislative approval))~~ as approved by the legislative budget committee in a manner that will insure the independence of the evaluation through appropriate arrangements, which may include contracts, with objective evaluators. The evaluation plan and all evaluation products shall receive the review and comment of evaluation advisory groups to be convened by the Washington institute of public policy and which include representatives of the executive committee, appropriate legislative committee staffs, persons from the state's higher education institutions, staff members of the department and the employment security department, recipients, and former recipients. The reviews shall consider relevance to state policy and budget concerns, methodological procedure, implementation, and results.

(4) The first report of this evaluation shall be submitted to the legislature no later than ~~((November 16, 1988))~~ December 1, 1982, and annually thereafter, with a final report due no later than November 15, 1993.

Sec. 5. Section 25, chapter 434, Laws of 1987 and RCW 74.21.904 are each amended to read as follows:

This chapter shall expire on June 30, ~~((1989))~~ 1993, unless extended by law.

NEW SECTION. Sec. 6. This act is necessary for the immediate preservation of the public peace, health, and safety, the support of the state government and its existing public institutions, and shall take effect immediately."

MAJORITY recommendation: Do pass with the following amendments:

Strike everything after the enacting clause and insert the following:

*Sec. 1. Section 1, chapter 66, Laws of 1987, section 1, chapter 154, Laws of 1987, section 2, chapter 277, Laws of 1987, section 20, chapter 280, Laws of 1987 and RCW 10.31.100 are each reenacted and amended to read as follows:

A police officer having probable cause to believe that a person has committed or is committing a felony shall have the authority to arrest the person without a warrant. A police officer may arrest a person without a warrant for committing a misdemeanor or gross misdemeanor only when the offense is committed in the presence of the officer, except as provided in subsections (1) through (8) of this section.

(1) Any police officer having probable cause to believe that a person has committed or is committing a misdemeanor or gross misdemeanor, involving physical harm or threats of harm to any person or property or the unlawful taking of property or involving the use or possession of cannabis, or involving the acquisition, possession, or consumption of alcohol by a person under the age of twenty-one years under RCW 66.44.270 shall have the authority to arrest the person.

(2) A police officer shall arrest and take into custody, pending release on bail, personal recognizance, or court order, a person without a warrant when the officer has probable cause to believe that:

(a) An order has been issued of which the person has knowledge under RCW 10.99.040(2), 10.99.050, 26.09.060, 26.44.063, chapter 26.26 RCW, or chapter 26.50 RCW restraining the person and the person has violated the terms of the order restraining the person from acts or threats of violence or excluding the person from a residence or, in the case of an order issued under RCW 26.44.063, imposing any other restrictions or conditions upon the person; or

(b) The person is eighteen years or older and within the preceding four hours has assaulted that person's spouse, former spouse, or a person eighteen years or older with whom the person resides or has formerly resided and the officer believes: (i) A felonious assault has occurred; (ii) an assault has occurred which has resulted in bodily injury to the victim, whether the injury is observable by the responding officer or not; or (iii) that any physical action has occurred which was intended to cause another person reasonably to fear imminent serious bodily injury or death. Bodily injury means physical pain, illness, or an impairment of physical condition. When the officer has probable cause to believe that spouses, former spouses, or other persons who reside together or formerly resided together have assaulted each other, the officer is not required to arrest both persons. The officer shall arrest the person whom the officer believes to be the primary physical aggressor. In making this determination, the officer shall make every reasonable effort to consider: (i) The intent to protect victims of domestic violence under RCW 10.99.010; (ii) the comparative extent of injuries inflicted or serious threats creating fear of physical injury; and (iii) the history of domestic violence between the persons involved.

(3) Any police officer having probable cause to believe that a person has committed or is committing a violation of any of the following traffic laws shall have the authority to arrest the person:

(a) RCW 46.52.010, relating to duty on striking an unattended car or other property;

(b) RCW 46.52.020, relating to duty in case of injury to or death of a person or damage to an attended vehicle;

(c) RCW 46.61.500 or 46.61.530, relating to reckless driving or racing of vehicles;

(d) RCW 46.61.502 or 46.61.504, relating to persons under the influence of intoxicating liquor or drugs;

(e) RCW 46.20.342, relating to driving a motor vehicle while operator's license is suspended or revoked;

(f) RCW 46.61.525, relating to operating a motor vehicle in a negligent manner.

(4) A law enforcement officer investigating at the scene of a motor vehicle accident may arrest the driver of a motor vehicle involved in the accident if the officer has probable cause to believe that the driver has committed in connection with the accident a violation of any traffic law or regulation.

(5) Any police officer having probable cause to believe that a person has committed or is committing a violation of RCW 88.02.095 shall have the authority to arrest the person.

(6) An officer may act upon the request of a law enforcement officer in whose presence a traffic infraction was committed, to stop, detain, arrest, or issue a notice of traffic infraction to the driver who is believed to have committed the infraction. The request by the witnessing officer shall give an officer the authority to take appropriate action under the laws of the state of Washington.

((f)) (7) Any police officer having probable cause to believe that a person has committed or is committing any act of indecent exposure, as defined in RCW 9A.88.010, may arrest the person.

((f)) (8) A police officer may arrest and take into custody, pending release on bail, personal recognizance, or court order, a person without a warrant when the officer has probable cause to believe that an order has been issued of which the person has knowledge under chapter 10.14 RCW and the person has violated the terms of that order.

((f)) (9) Except as specifically provided in subsections (2), (3), (4), and (6) of this section, nothing in this section extends or otherwise affects the powers of arrest prescribed in Title 46 RCW.

((f)) (10) No police officer may be held criminally or civilly liable for making an arrest pursuant to RCW 10.31.100(2) or ((f)) (8) if the police officer acts in good faith and without malice.

Sec. 2. Section 4, chapter 188, Laws of 1984 and RCW 13.34.130 are each amended to read as follows:

If, after a fact-finding hearing pursuant to RCW 13.34.110, as now or hereafter amended, it has been proven by a preponderance of the evidence that the child is dependent within the meaning of RCW 13.34.030(2); after consideration of the predisposition report prepared pursuant to RCW 13.34.110 and after a disposition hearing has been held pursuant to RCW 13.34.110, the court shall enter an order of disposition pursuant to this section.

(1) The court shall order one of the following dispositions of the case:

(a) Order a disposition other than removal of the child from his or her home, which shall provide a program designed to alleviate the immediate danger to the child, to mitigate or cure any damage the child has already suffered, and to aid the parents so that the child will not be endangered in the future. In selecting a program, the court should choose those services that least interfere with family autonomy, provided that the services are adequate to protect the child.

(b) Order that the child be removed from his or her home and ordered into the custody, control, and care of a relative or the department of social and health services or a licensed child placing agency for placement in a foster family home or group care facility licensed pursuant to chapter 74.15 RCW or in a home not required to be licensed pursuant to chapter 74.15 RCW. Such an order may be made only if the court finds that reasonable efforts have been made to prevent or eliminate the need for removal of the child from the child's home and to make it possible for the child to return home and that:

(i) There is no parent or guardian available to care for such child;

(ii) The child is unwilling to reside in the custody of the child's parent, guardian, or legal custodian;

(iii) The parent, guardian, or legal custodian is not willing to take custody of the child;

(iv) A manifest danger exists that the child will suffer serious abuse or neglect if the child is not removed from the home and an order under RCW 26.44.063 would not protect the child from danger; or

(v) The extent of the child's disability is such that the parent, guardian, or legal custodian is unable to provide the necessary care for the child and the parent, guardian, or legal custodian has determined that the child would benefit from placement outside of the home.

(2) Whenever a child is ordered removed from the child's home, the agency charged with his or her care shall provide the court with a specific plan as to where the child will be placed, what steps will be taken to return the child home, and what actions the agency will take to maintain parent-child ties.

(a) The agency plan shall specify what services the parents will be offered in order to enable them to resume custody and what requirements the parents must meet in order to resume custody.

(b) The agency shall be required to encourage the maximum parent-child contact possible, including regular visitation and participation by the parents in the care of the child while the child is in placement.

(c) A child shall be placed as close to the child's home as possible, preferably in the child's own neighborhood, unless the court finds that placement at a greater distance is necessary to promote the child's or parents' well-being.

(d) The agency charged with supervising a child in placement shall provide all reasonable services that are available within the agency, or within the community, or those services which the department of social and health services has existing contracts to purchase. It shall report to the court if it is unable to provide such services.

(3) The status of all children found to be dependent shall be reviewed by the court at least every six months at a hearing in which it shall be determined whether court supervision should continue.

(a) A child shall not be returned home at the review hearing unless the court finds that a reason for removal as set forth in this section no longer exists. The parents, guardian, or legal custodian shall report to the court the efforts they have made to correct the conditions which led to removal. If a child is returned, casework supervision shall continue for a period of six months, at which time there shall be a hearing on the need for continued intervention.

(b) If the child is not returned home, the court shall establish in writing:

(i) Whether reasonable services have been provided to or offered to the parties to facilitate reunion;

(ii) The extent to which the parents have visited the child and any reasons why visitation has not occurred or has been infrequent;

(iii) Whether the agency is satisfied with the cooperation given to it by the parents;

(iv) Whether additional services are needed to facilitate the return of the child to the child's parents; if so, the court shall order that reasonable services be offered; and

(v) When return of the child can be expected.

(c) The court at the review hearing may order that a petition seeking termination of the parent and child relationship be filed.

Sec. 3. Section 1, chapter 35, Laws of 1985 and RCW 26.44.063 are each amended to read as follows:

(1) It is the intent of the legislature to minimize trauma to a child involved in an allegation of sexual or physical abuse. The legislature declares that removing the child from the home often has the effect of further traumatizing the child. It is, therefore, the legislature's intent that the alleged offender, rather than the child, shall be removed from the home and that this should be done at the earliest possible point of intervention in accordance with RCW 10.31.100, 13.34.130, this section, and section 4 of this 1988 act.

(2) In any judicial proceeding in which it is alleged that a child has been subjected to sexual or physical abuse, if the court finds reasonable grounds to believe that an incident of sexual or physical abuse has occurred, the court may, on its own motion, or the motion of the guardian ad litem or other parties, issue a temporary restraining order or preliminary injunction restraining or enjoining the person accused of committing the abuse from:

(a) Molesting or disturbing the peace of the alleged victim;

(b) Entering the family home of the alleged victim except as specifically authorized by the court; or

(c) Having any contact with the alleged victim, except as specifically authorized by the court.

~~((2))~~ (3) In issuing a temporary restraining order or preliminary injunction, the court may impose any additional restrictions that the court in its discretion determines are necessary to protect the child from further abuse or emotional trauma pending final resolution of the abuse allegations.

~~((3))~~ (4) The court shall issue a temporary restraining order prohibiting a person from entering the family home if the court finds that the order would eliminate the need for an out-of-home placement to protect the child's right to nurturance, health, and safety and is sufficient to protect the child from further sexual or physical abuse or coercion.

(5) The court may issue a temporary restraining order without requiring notice to the party to be restrained or other parties only if it finds on the basis of the moving affidavit or other evidence that irreparable injury could result if an order is not issued until the time for responding has elapsed.

~~((4))~~ (6) A temporary restraining order or preliminary injunction:

(a) Does not prejudice the rights of a party or any child which are to be adjudicated at subsequent hearings in the proceeding; and

(b) May be revoked or modified.

~~((5))~~ (7) The person having physical custody of the child shall have an affirmative duty to assist in the enforcement of the restraining order including but not limited to a duty to notify the

court as soon as practicable of any violation of the order, a duty to request the assistance of law enforcement officers to enforce the order, and a duty to notify the department of social and health services of any violation of the order as soon as practicable if the department is a party to the action. Failure by the custodial party to discharge these affirmative duties shall be subject to contempt proceedings.

(8) Willful violation of a court order entered under this section is a misdemeanor. A written order shall contain the court's directive and shall bear the legend: 'Violation of this order is a criminal offense under chapter 26.44 RCW and will subject a violator to arrest.'

NEW SECTION. Sec. 4. A new section is added to chapter 26.44 RCW to read as follows:

When a peace officer responds to a call alleging that a child has been subjected to sexual or physical abuse and has probable cause to believe that a crime has been committed or responds to a call alleging that a temporary restraining order or preliminary injunction has been violated, the peace officer has the authority to arrest the person without a warrant pursuant to RCW 10.31.100."

On page 1, line 1 of the title, after "children;" strike the remainder of the title and insert "amending RCW 13.34.130 and 26.44.063; reenacting and amending RCW 10.31.100; adding a new section to chapter 26.44 RCW; and prescribing penalties."

Signed by Representatives Brekke, Chair; Scott, Vice Chair; Anderson, Leonard, Moyer, H. Sommers, Sutherland and Winsley.

Absent: Representative Padden.

SB 6717 Prime Sponsor, Senator Lee: Revising provisions on the housing trust fund. Reported by Committee on Housing

MAJORITY recommendation: Do pass with the following amendments:

Strike everything after the enacting clause and insert the following:

"Sec. 1. Section 19, chapter 222, Laws of 1951 as last amended by section 1, chapter 513, Laws of 1987 and RCW 18.85.310 are each amended to read as follows:

(1) Every licensed real estate broker shall keep adequate records of all real estate transactions handled by or through him. The records shall include, but are not limited to, a copy of the earnest money receipt, and an itemization of the broker's receipts and disbursements with each transaction. These records and all other records hereinafter specified shall be open to inspection by the director or his authorized representatives.

(2) Every real estate broker shall also deliver or cause to be delivered to all parties signing the same, at the time of signing, conformed copies of all earnest money receipts, listing agreements and all other like or similar instruments signed by the parties, including the closing statement.

(3) Every real estate broker shall also keep separate real estate fund accounts in a recognized Washington state depository authorized to receive funds in which shall be kept separate and apart and physically segregated from licensee broker's own funds, all funds or moneys of clients which are being held by such licensee broker pending the closing of a real estate sale or transaction, or which have been collected for said client and are being held for disbursement for or to said client and such funds shall be deposited not later than the first banking day following receipt thereof.

(4) Separate accounts comprised of clients' funds required to be maintained under this section, with the exception of property management trust accounts, shall be interest-bearing accounts from which withdrawals or transfers can be made without delay, subject only to the notice period which the depository institution is required to reserve by law or regulation.

(5) Every real estate broker shall maintain a pooled interest-bearing escrow account for deposit of client funds, with the exception of property management trust accounts, which are nominal ((or short-term)). As used in this section, a 'nominal ((or short-term))' deposit is a deposit ((which, if placed in a separate account, would not produce positive net interest income after payment of bank fees, or other institution fees, and other administrative expenses)) of not more than five thousand dollars.

The interest accruing on this account, net of any reasonable ((~~transaction costs~~)) and appropriate financial institution service charges or fees, shall be paid to the state treasurer for deposit in the Washington housing trust fund created in RCW 43.185.030. Appropriate service charges or fees are those charges made by financial institutions on other demand deposit or 'now' accounts. An agent may, but shall not be required to, notify the client of the intended use of such funds.

(6) All client funds not required to be deposited in the account specified in subsection (5) of this section shall be deposited in:

(a) A separate interest-bearing trust account for the particular client or client's matter on which the interest will be paid to the client; or

~~(b) ((A pooled interest-bearing trust account with subaccounting that will provide for computation of interest earned by each client's funds and the payment thereof to the client))~~
The pooled interest-bearing trust account specified in subsection (5) of this section if the parties to the transaction agree.

The department of licensing shall promulgate regulations which will serve as guidelines in the choice of an account specified in subsection (5) of this section or an account specified in this subsection.

(7) For an account created under subsection (5) of this section, an agent shall direct the depository institution to:

(a) Remit interest or dividends, net of any reasonable and appropriate service charges or fees, on the average monthly balance in the account, or as otherwise computed in accordance with an institution's standard accounting practice, at least quarterly, to the state treasurer for deposit in the housing trust fund created by RCW 43.185.030 and the real estate commission account created by RCW 18.85.220 as directed by RCW 18.85.315; and

(b) Transmit to the director of community development a statement showing the name of the person or entity for whom the remittance is spent, the rate of interest applied, and the amount of service charges deducted, if any, and the account balance(s) of the period in which the report is made, with a copy of such statement to be transmitted to the depositing person or firm.

(8) The director shall forward a copy of the reports required by subsection (7) of this section to the department of licensing to aid in the enforcement of the requirements of this section consistent with the normal enforcement and auditing practices of the department of licensing.

(9) This section does not relieve any real estate broker from any obligation with respect to the safekeeping of clients' funds.

(10) Any violation by a real estate broker of any of the provisions of this section, or RCW 18.85.230, shall be grounds for revocation of the licenses issued to the broker.

Sec. 2. Section 10, chapter 513, Laws of 1987 and RCW 18.85.510 are each amended to read as follows:

The broker's trust account board shall review grant and loan applications placed before it by the director for final approval pursuant to RCW 43.185.--- (RCW 18.85.505 as recodified by section 3 of this 1988 act).

The decisions of the board shall be subject to the provisions of RCW 43.185.050, 43.185.060, and 43.185.070 with regard to eligible activities, eligible recipients, and criteria for evaluation.

The broker's trust account board shall serve in an advisory capacity to the real estate commission with regard to licensee education programs established pursuant to RCW 18.85.040 and 18.85.220.

NEW SECTION. Sec. 3. RCW 18.85.505 and 18.85.510 are each recodified in chapter 43.185 RCW.

Sec. 4. Section 2, chapter 167, Laws of 1981 as amended by section 1, chapter 176, Laws of 1982 and RCW 82.45.100 are each amended to read as follows:

(1) The tax imposed under this chapter is due and payable immediately at the time of sale, and if not paid within thirty days thereafter shall bear interest at the rate of one percent per month from the time of sale until the date of payment.

(2) In addition to the interest described in subsection (1) of this section, if the payment of any tax is not received by the county treasurer within thirty days of the date due, there shall be assessed a penalty of five percent of the amount of the tax; if the tax is not received within sixty days of the date due, there shall be assessed a total penalty of ten percent of the amount of the tax; and if the tax is not received within ninety days of the date due, there shall be assessed a total penalty of twenty percent of the amount of the tax. The payment of the penalty described in this subsection shall be collectible from the seller only, and RCW 82.45.070 does not apply to the penalties described in this subsection.

(3) If upon examination of any affidavits or from other information obtained by the department or its agents it appears that all or a portion of the tax is unpaid, the department shall assess against the taxpayer the additional amount found to be due plus interest and penalties as provided in subsections (1) and (2) of this section. If the department finds that all or any part of the deficiency resulted from an intent to evade the tax payable under this chapter, ((α)) an additional penalty of fifty percent of the additional tax found to be due shall be added.

((β)) (4) No assessment or refund may be made by the department more than four years after the date of sale except upon a showing of fraud or of misrepresentation of a material fact by the taxpayer or a failure by the taxpayer to record documentation of a sale or otherwise report the sale to the county treasurer.

(5) Penalties collected pursuant to subsection (2) of this section shall be deposited in the housing trust fund as described in chapter 43.185 RCW.

NEW SECTION. Sec. 5. This act is necessary for the immediate preservation of the public peace, health, and safety, the support of the state government and its existing public institutions, and shall take effect immediately."

E2SSB 6724 Prime Sponsor, Committee on Ways & Means: Revising provisions on water resources. Reported by Committee on Natural Resources

MAJORITY recommendation: Do pass with the following amendments:

Strike everything after the enacting clause and insert the following:

"Sec. 1. Section 1, chapter 1, Laws of 1977 ex. sess. as last amended by section 1, chapter 343, Laws of 1987 and RCW 43.83B.300 are each amended to read as follows:

The legislature finds that the fundamentals of water resource policy in this state must be determined and established by the legislature to ensure that the water resources of the state are protected and fully utilized for the greatest benefit to the people of the state of Washington.

The legislature further finds that it is necessary to provide the department of ecology with emergency powers to authorize withdrawals of public surface and ground waters, including dead storage within reservoirs, on a temporary basis, and construction of facilities in relation thereto, in order to alleviate emergency water supply conditions arising from the drought forecast for the state of Washington during 1977 and during 1987.

The legislature further finds that there is a continuing agricultural water supply shortage in many areas of the state and that, in relation to the lessening of that unsatisfactory condition, there is an urgent need to both improve water supply facilities and replace other such facilities.

In order to study the fundamentals of water resource policy of the state and to provide needed capital for the planning, acquisition, construction, and improvement of water supply facilities to withdraw and distribute water to alleviate unsatisfactory water supply conditions arising from droughts occurring from time to time in the state of Washington, the state finance committee is authorized to issue general obligation bonds of the state of Washington in the sum of eighteen million dollars, or so much thereof as may be required to finance such projects, and all costs incidental thereto. No bonds authorized by this section and RCW 43.83B.360 through 43.83B.375 shall be offered for sale without prior legislative appropriation, and these bonds shall be paid and discharged within thirty years of the date of issuance in accordance with Article VIII, section 1 of the state Constitution.

Sec. 2. Section 1, chapter 225, Laws of 1971 ex. sess. and RCW 90.54.010 are each amended to read as follows:

The legislature finds that proper utilization of the water resources of this state is necessary to the promotion of public health and the economic well-being of the state and the preservation of its natural resources and aesthetic values. The legislature further finds that the availability of waters of the state is being evaluated by interests who desire to remove portions thereof from the state in a manner inconsistent with the public interest of the people of the state. It is the purpose of this chapter to set forth fundamentals of water resource policy for the state as established by the legislature to insure that waters of the state are protected and fully utilized for the greatest benefit to the people of the state of Washington and, in relation thereto, to provide direction to the department of ecology and other state agencies and officials, in carrying out water and related resources programs. It is the purpose of this chapter to provide a process for the fundamental water resource policies, as established by the legislature, to be implemented by the department of ecology and other state agencies and officials.

NEW SECTION. Sec. 3. A new section is added to chapter 90.54 RCW to read as follows:

(1) The director of ecology shall contract with an independent mediation, conciliation, or fact-finding service for the purpose of facilitating mediations among all user groups and parties interested in Washington's water resource policy. The parties to the mediations shall represent, but not be limited to:

(a) Members from the state legislature, consisting of one member from each caucus of the house of representatives and the senate;

(b) The departments of ecology, agriculture, social and health services, fisheries, wildlife, and natural resources;

(c) Municipal users of water;

(d) Agricultural interests;

(e) The governor's office;

(f) Environmental interests;

(g) Interests of industrial users of water;

- (h) Indian tribes;
- (i) Interests of public water utilities;
- (j) Interests of recreational uses other than fishing;
- (k) Public and private hydropower generating utilities;
- (l) Interests of sport and commercial fishing; and
- (m) Interests of the forest products industry.

Parties to the mediations shall be determined by the director except for representatives from the governor's office, the state agencies, who shall be appointed by the agency director, and representatives of the legislature, who shall be appointed by the speaker of the house of representatives and the president of the senate. Representatives of any interested group not referenced in subsection (1) of this section that wishes to participate in the mediation process shall ask to be included prior to the commencement of the process. Any interest group that wishes to participate in the mediation after mediation commences may be included with the approval of the director, after the director seeks and receives advice from the mediators. The department shall make a reasonable attempt to have all parties with an interest in Washington's water resource policy included in the mediation process.

(2) The members of the committee shall not be compensated but nonlegislative and non-public officials or representatives shall be reimbursed for travel expenses in accordance with RCW 43.03.050 and 43.03.060.

(3) The purpose of the mediations shall be to address the fundamentals of water resource policy for the state of Washington. The mediation process shall evaluate and recommend the procedures for allocating the water resources of the state considering the present and future demands on the use of those water resources. The mediation may further evaluate and recommend the public need to prioritize the use of the water resources of the state considering the existing rights to the water resources.

The mediation shall consider the reports and recommendations of state and federal studies pertaining to allocation, augmentation, conservation, and efficient use of the water resources of this state. By considering these studies, the parties to the mediation shall not duplicate the work already completed in such studies.

(4) The parties who participate in the mediation process are urged to reach a mutual agreement on or before December 1, 1988. The agreement may include recommendations for revisions to existing laws to set forth the water policies of the state and may also recommend revisions to existing law to give direction to the department of ecology and other agencies and officials in carrying out the fundamental water policies of the state as adopted by the legislature.

(5) The department of ecology shall submit a report of the recommendations and agreements reached by the mediation group. The report shall be submitted on or before December 15, 1988, to the joint select committee established pursuant to section 8 of this act.

(6) Until July 1, 1989, or until the legislature has passed legislation based on recommendations from the mediation process, whichever comes first, the department of ecology shall not:

(a) Amend or alter the current guidelines, standards, or criteria governing the instream flow and water allocation elements of the state water resources program established pursuant to chapters 90.22 and 90.54 RCW and set forth in chapters 173-500 to 173-596 WAC;

(b) Adopt any water reservation under RCW 90.54.050 and set forth in chapters 173-500 to 173-596 WAC or the preferred alternative in the instream resources and water allocation environmental impact statement; or

(c) Issue any permanent appropriation permits for surface water in an amount greater than one-half cubic foot per second or one-half of one percent of the mean annual flow, whichever is less, on streams without established minimum flows, or establish any new minimum stream flows pursuant to chapters 90.03, 90.22, and 90.54 RCW and chapter 508-12 WAC.

This subsection does not apply to any emergency water permits or transfers authorized under RCW 43.83B.300 through 43.83B.344.

(7) The department of ecology shall provide staff support in the mediation process.

Sec. 4. Section 3, chapter 225, Laws of 1971 ex. sess. and RCW 90.54.030 are each amended to read as follows:

For the purpose of insuring that the department is fully advised in relation to the performance of the water resources program provided in RCW 90.54.040, and to provide information and support to the mediation process established in section 3 of this 1988 act, the department is directed to become informed with regard to all phases of water and related resources of the state. To accomplish this objective the department shall:

(1) Collect, organize and catalog existing information and studies available to it from all sources, both public and private, pertaining to water and related resources of the state;

(2) Develop such additional data and studies pertaining to water and related resources as are necessary to accomplish the objectives of this chapter;

(3) Determine existing and foreseeable uses of, and needs for, such waters and related resources;

(4) Develop alternate courses of action to solve existing and foreseeable problems of water and related resources and include therein, to the extent feasible, the economic and social consequences of each such course, and the impact on the natural environment.

All the foregoing shall be included in a 'water resources archive' established and maintained by the department. The department shall develop a system of cataloging, storing and retrieving the information and studies of the archive so that they may be made readily available to and effectively used not only by the department but by the public generally.

Sec. 5. Section 4, chapter 225, Laws of 1971 ex. sess. and RCW 90.54.040 are each amended to read as follows:

(1) The department, through the adoption of appropriate rules, is directed, as a matter of high priority to insure that the waters of the state are utilized for the best interests of the people, to develop and implement in accordance with the policies of this chapter a comprehensive state water resources program which will provide a process for making decisions on future water resource allocation and use. The department may develop the program in segments so that immediate attention may be given to waters of a given physioeconomic region of the state or to specific critical problems of water allocation and use.

The current guidelines, standards, or criteria governing the elements of the water resource program established pursuant to this subsection shall not be altered or amended after the effective date of this 1988 section, in accordance with section 3(6) of this 1988 act.

(2) In relation to the management and regulatory programs relating to water resources vested in it, the department is further directed to modify existing regulations and adopt new regulations, when needed and possible, to insure that existing regulatory programs are in accord with the water resource policy of this chapter and the program established in subsection (1) of this section. The current guidelines, standards, or criteria governing the department's implementation of this subsection shall not be altered or amended after the effective date of this 1988 section, in accordance with subsection (1) of this section.

(3) The department is directed to review all statutes relating to water resources which it is responsible for implementing. When any of the same appear to the department to be ambiguous, unclear, unworkable, unnecessary, or otherwise deficient, it shall make recommendations to the legislature including appropriate proposals for statutory modifications or additions. Whenever it appears that the policies of any such statutes are in conflict with the policies of this chapter, and the department is unable to fully perform as provided in subsection (2) of this section, the department is directed to submit statutory modifications to the legislature which, if enacted, would allow the department to carry out such statutes in harmony with this chapter.

Sec. 6. Section 3, chapter 284, Laws of 1969 ex. sess. as amended by section 103, chapter 109, Laws of 1987 and by section 96, chapter 506, Laws of 1987 and RCW 90.22.010 are each reenacted and amended to read as follows:

The department of ecology may establish minimum water flows or levels for streams, lakes or other public waters for the purposes of protecting fish, game, birds or other wildlife resources, or recreational or aesthetic values of said public waters whenever it appears to be in the public interest to establish the same. In addition, the department of ecology shall, when requested by the department of fisheries or the department of wildlife to protect fish, game or other wildlife resources under the jurisdiction of the requesting state agency, or if the department of ecology finds it necessary to preserve water quality, establish such minimum flows or levels as are required to protect the resource or preserve the water quality described in the request or determination. Any request submitted by the department of fisheries or department of wildlife shall include a statement setting forth the need for establishing a minimum flow or level. When the department acts to preserve water quality, it shall include a similar statement with the proposed rule filed with the code reviser. This section shall not apply to waters artificially stored in reservoirs, provided that in the granting of storage permits by the department of ecology in the future, full recognition shall be given to downstream minimum flows, if any there may be, which have theretofore been established hereunder.

The current guidelines, standards, or criteria governing the instream flow programs established pursuant to this chapter shall not be altered or amended after the effective date of this 1988 section, in accordance with section 3(6) of this 1988 act.

Sec. 7. Section 5, chapter 225, Laws of 1971 ex. sess. and RCW 90.54.050 are each amended to read as follows:

In conjunction with the programs provided for in RCW 90.54.040(1), whenever it appears necessary to the director in carrying out the policy of this chapter, the department may by rule adopted pursuant to chapter 34.04 RCW:

(1) Reserve and set aside waters for beneficial utilization in the future, and

(2) When sufficient information and data are lacking to allow for the making of sound decisions, withdraw various waters of the state from additional appropriations until such data and information are available.

Prior to the adoption of a rule under this section, the department shall conduct a public hearing in each county in which waters relating to the rule are located. The public hearing shall be preceded by a notice placed in a newspaper of general circulation published within

each of said counties. Rules adopted hereunder shall be subject to review in accordance with the provisions of RCW 34.04.070 or 34.04.080.

No new rules or changes to existing rules to reserve or set aside water may be adopted pursuant to this section, as provided in section 3(6) of this 1988 act.

NEW SECTION. Sec. 8. A new section is added to chapter 90.54 RCW to read as follows:

(1) There is hereby created a joint select committee on water resource policy to address the recommendations reached by the mediation process pursuant to section 3 of this act. The committee shall consist of twelve members appointed jointly by the speaker of the house of representatives and the president of the senate. The membership shall be equally divided from each major political caucus and shall, to the extent possible, represent all major water interests including, but not limited to, agriculture, fisheries, municipal, environmental, and hydroelectric.

(2) The staff support shall be provided by the senate committee services and the office of program research as mutually agreed by the cochairmen of the joint select committee. The cochairmen shall be designated by the speaker of the house of representatives and the president of the senate.

(3) This section shall expire June 30, 1989.

NEW SECTION. Sec. 9. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

NEW SECTION. Sec. 10. This act is necessary for the immediate preservation of the public peace, health, and safety, the support of the state government and its existing public institutions, and shall take effect immediately."

ESSB 6741 Prime Sponsor, Committee on Environment & Natural Resources: Relating to storage tanks. Reported by Committee on Environmental Affairs

MAJORITY recommendation: Do pass with the following amendments:

Strike everything after the enacting clause and insert the following:

NEW SECTION. Sec. 1. The legislature finds that the planning and development of regulatory programs for storage tanks containing petroleum and regulated substances must begin as soon as possible in order to meet the requirements of federal and state laws and address public health and safety concerns. The legislature further finds that a state regulatory program for underground storage tanks needs to be developed that is at least as stringent as the minimum requirements under 42 U.S.C. Sec. 6991 et seq.

In addition, the legislature finds that affordable private methods of ensuring financial responsibility as required under 42 U.S.C. Sec. 6991b(d) may not be available. Thus, it is necessary to study the possibility of developing risk retention pools to aid underground storage tank owners and operators in meeting federal financial responsibility requirements. The legislature further finds that the economic well-being of small businesses in the state that own or operate underground storage tanks depends on a clear state policy and adequate state regulatory programs.

Since additional information is needed to develop specific tank construction, installation, operational, monitoring, reporting, closure, and financial responsibility requirements, the legislature establishes the joint select committee on storage tanks to make recommendations on program elements and to develop legislation to establish these programs by June 1, 1989.

NEW SECTION, Sec. 2. (1) The joint select committee on storage tanks is created. The committee shall consist of six members from the senate appointed by the president of the senate and six members from the house of representatives appointed by the speaker of the house of representatives. The committee shall include equal numbers of members from the majority and minority parties of each house. The joint select committee chair and vice-chair shall be chosen by the majority vote of committee members and shall serve for the duration of the committee.

(2) The committee shall seek input from persons and organizations representing major petroleum companies, agriculture, environmental protection, petroleum jobbing, vehicle sales firms, vehicle repair firms, insurance underwriting, gasoline retailing, cities, counties, other units of local government, fuel oil retailing, the general business community, and the public.

(3) The committee shall be staffed from the senate committees on environment and natural resources, financial institutions and insurance, and ways and means and the house of representatives committees on environmental affairs, financial institutions and insurance, and ways and means. The department of ecology, department of general administration, and the insurance commissioner shall provide necessary staff and resources to assist the committee in carrying out its purpose and preparing legislation to establish the recommended programs by June 1, 1989.

(4) The committee shall report its findings and recommendations to the senate committees on environment and natural resources, financial institutions and insurance, and ways and means and the house of representatives committees on environmental affairs, financial institutions and insurance, and ways and means by December 10, 1988.

NEW SECTION, Sec. 3. The committee shall make recommendations on topics including, but not limited to, the following:

(1) Elements of an underground storage tank regulatory program necessary to meet the requirements of 42 U.S.C. Sec. 6991 et seq. and to allow full delegation of the federal program to the state. The committee shall specify circumstances under which it may be advisable to develop standards and requirements more stringent than those provided in federal regulations.

(2) Provisions necessary to implement a state-wide underground storage tank program, including:

(a) Whether state laws should generally preempt local laws governing the regulation of underground storage tanks but also allow for local programs that address environmentally sensitive areas; and

(b) Methods by which implementation and operation of underground storage tank programs will be coordinated between state and local governments.

(3) The cost of administering a state underground storage tank program and the methods of funding program administration, including:

(a) The need for limitations on fees charged by local governments; and

(b) Revenue sharing by the department of ecology with local governments to fund local program administration.

(4) Financial responsibility requirements for the owners and operators of underground petroleum storage tanks that meet the minimum federal financial responsibility requirements under 42 U.S.C. Sec. 6991b(d) and the advisability of and methods for establishing an owner and operator funded program that assures compliance with the federal requirements and which limits the state's liability, including the advisability of state administration of risk retention pools designed to provide financial responsibility for owners and operators who cannot obtain adequate and reasonably priced private insurance. If the determination is made that a state-administered risk retention pool is necessary, the committee shall develop methods for implementation, including information on:

(a) Estimates of the costs of administering risk retention pools;

(b) Adequate means of ensuring that the state will have the necessary resources to address the obligation of the risk retention pools in the event that regular contributions are insufficient, including but not limited to a petroleum products tax;

(c) Adequate yet reasonable contributions from the owner or operator;

(d) Ways to ensure that owners and operators of tanks eligible to obtain funds from the risk retention pools will comply with the applicable state storage tank regulations; and

(e) A timetable for implementation of the risk retention pools by June 1, 1989.

(5) A timetable for implementing a state underground storage tank regulatory program.

NEW SECTION, Sec. 4. (1) By December 10, 1988, the department of ecology shall provide a report to the legislature on the following:

(a) An inventory of above-ground tanks containing petroleum in existence in this state, including their sizes, location, types, and products stored therein;

(b) An analysis of the current practices and requirements applicable to above-ground storage tanks containing petroleum, including an examination of any causes of releases from such tanks and appropriate responses;

(c) Recommendations for a state program, if necessary for the installation, operation, and closure of above-ground storage tanks.

(2) For the purposes of this study and notwithstanding the provisions of chapter 34.04 RCW, the department, with the advice of the joint select committee established in section 2 of this act, shall develop a definition of above-ground petroleum storage tanks except that the definition shall not include farm or residential tanks of one thousand one hundred gallons or less capacity used for storing motor fuel for noncommercial purposes, tanks used for storing heating oil for consumptive use on the premises where stored, or barrels or drums commonly used for the transportation and temporary storage of petroleum products.

(3) In carrying out the study, the department may require a person, firm, corporation, or government entity other than a federal government entity, to respond to requests for information necessary to meet the requirements of this study.

NEW SECTION, Sec. 5. This act shall expire July 1, 1989.

NEW SECTION, Sec. 6. This act is necessary for the immediate preservation of the public peace, health, and safety, the support of the state government and its existing public institutions, and shall take effect immediately."

Strike everything after line 7 and insert the following:

"WHEREAS, Congress passed the Columbia River Gorge National Scenic Area Act to protect the resources and support the economy of the Columbia River Gorge; and

WHEREAS, Congress authorized construction of a new navigation lock at Bonneville Lock and Dam within the Scenic Area; and

WHEREAS, Construction of the new navigation lock will produce 4.7 million cubic yards of spoil material; and

WHEREAS, Congress failed to provide for recreational development on the Bonneville Pool at the time of construction of the dam, as was provided at other Columbia and Snake River dam projects; and

WHEREAS, Public access to the Columbia River in the Scenic Area is severely limited by highway and rail line and by the topography of the Gorge; and

WHEREAS, The five port districts on the Bonneville Pool and other agencies have proposed uses for all 4.7 million cubic yards of material produced by construction of the new lock; and

WHEREAS, The proposed uses would improve public access to the Columbia River and enhance the economy of the Gorge;

NOW, THEREFORE, Your Memorialists respectfully pray that: (1) Congress and the Army Corps of Engineers designate sites in the National Scenic Area as the sole eligible recipients of remaining spoil material from construction of the new navigation lock and of spoil material from other Corps projects on the Bonneville Pool;

(2) Congress and the Army Corps of Engineers assign highest priority to sites identified by the port districts on the Bonneville Pool and to sites where deposition would improve recreational access or wildlife habitat so long as those sites are found by the Columbia Gorge Commission and the Secretary of Agriculture to be consistent with the purposes of the Columbia River Gorge National Scenic Area Act, P.L. 99-663; and

(3) The spoils be delivered to the designated sites at no cost to agencies which own or manage the sites.

BE IT RESOLVED, That copies of this Memorial be immediately transmitted to the Honorable Ronald Reagan, President of the United States, the President of the United States Senate, the Speaker of the House of Representatives, and each member of Congress from the State of Washington.*

SJM 8029 Prime Sponsor, Senator Benitz: Requesting enactment of a Hanford Federal and State Plant Closing Disaster Program. Reported by Committee on Energy & Utilities

MAJORITY recommendation: Do pass with the following amendment:

On page 1, after line 7, strike the remainder of the memorial and insert the following:

*WHEREAS, The United States government has announced the closure of the Hanford N-Reactor and associated plutonium production facilities; and

WHEREAS, This closure will cause the loss of 6,000 to 12,000 skilled jobs and family wages as well as an average of 400 megawatts of electric energy from the N-Reactor no longer being available to supply steam to the Hanford Generating Plant; and

WHEREAS, The communities of the Tri-Cities and the state of Washington will suffer from these job losses economic losses totaling sixty to one hundred twenty million dollars in annual lost revenues resulting from increased unemployment compensation, public assistance costs, and lost wage tax revenues, in addition to hundreds of millions in lost revenues due to lost wages and the secondary impact of business failures; and

WHEREAS, The state government on its own cannot provide sufficient reemployment or training opportunities given the immensity of this closure, nor can it solely mitigate the loss of economic activity this great; and

WHEREAS, The Tri-Cities communities have been dependent on federal government-related business and employment for decades and without major federal assistance will experience a grave economic downturn under this government shut down; and

WHEREAS, The federal government, in passing the Redwood National Park Expansion Act (P.L. 95-250) in 1978, recognized its responsibilities in actions which caused the loss of five thousand plus lumber-dependent jobs and enacted both the Redwood Employees Protection Program for these five thousand plus workers totaling over fifty million dollars in direct payments to the affected workers and a community economic development mitigation program totaling over thirty million dollars, as well as five hundred million dollars compensation to affected lumber companies; and

WHEREAS, Your Memorialists recognize that a program for the Tri-Cities proportionate to that of P.L. 95-250 would involve a much greater level of assistance than that given in 1978 and thereby is, for Congress today, simply not affordable, but yet the severity and suddenness of the economic dislocation imposed by the federal government on the Tri-Cities should impel Congress toward what for today would be a singular level of effort to mitigate the inflicted economic devastation;

NOW, THEREFORE, Your Memorialists respectfully pray that the federal government, as the principal employer in the Tri-Cities for over four decades, take the primary and leading role in mitigating the effects of the closing of government facilities with a comprehensive program that accelerates Hanford defense waste cleanup, promotes economic diversification, and minimizes economic dislocations.

BE IT RESOLVED, That defense waste cleanup include early construction of a waste vitrification plant, a transportable grout facility, and a waste receiving and processing facility, and that diversification include establishment of a national research center comprising at least a molecular science research center, a hazardous waste technology center, a national center for advanced materials, and a major university presence, and possibly also include reinstated fusion research and a national center for energy research and development, and that diversification programs also include studies of agricultural and other business opportunities, nuclear energy waste heat utilization, and continuation of seismic and ground water studies, and that

transition assistance include funds or programs from the Department of Defense Office of Economic Adjustment, Nuclear Waste Policy Act moneys, and the Department of Housing and Urban Development; and

BE IT FURTHER RESOLVED, That workers receive transition assistance in job counseling, retraining, securing new employment, mortgage foreclosure prevention, and prevention of eviction from rentals; and

BE IT FURTHER RESOLVED, That copies of this Memorial be immediately transmitted to the Honorable Ronald Reagan, President of the United States, the President of the United States Senate, the Speaker of the House of Representatives, and each member of Congress from the State of Washington."

E2SSB 6220 Prime Sponsor, Committee on Ways & Means: Changing provisions relating to business and industrial development corporations. Reported by Committee on Ways & Means

MAJORITY recommendation: Do pass with the following amendments by Committee on Ways & Means without amendments by Committee on Trade & Economic Development:

Strike everything after the enacting clause and insert the following:

NEW SECTION, Sec. 1. The legislature finds that the unavailability of capital to viable firms that do not meet current commercial bank or venture capital criteria for loans or equity investments can have a devastating impact on the state's economic development efforts. Without reasonable access to financing, talented and aggressive entrepreneurs are cut out of the economic system and the overall economy of the state suffers.

The process of job creation and economic development requires readily available capital for small and young companies that are the major source of innovations and new jobs. To ensure the availability of capital to entrepreneurs in Washington state, the legislature hereby eliminates unnecessary restrictions which have discouraged the formation of business and industrial development corporations under current law.

Sec. 2. Section 1, chapter 162, Laws of 1963 and RCW 31.24.010 are each amended to read as follows:

~~((As used in this chapter, the following words and phrases, unless differently defined or described, shall have the meanings and references as follows)) Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter:~~

(1) Corporation means a Washington business and industrial development corporation created under this chapter.

(2) Financial institution means any banking corporation or trust company, national banking association, savings and loan association, insurance company or related corporation, partnership, foundation, or other institution engaged primarily in lending or investing funds.

~~(3) (Member means any financial institution authorized to do business within this state which shall undertake to lend money to a corporation created under this chapter, upon its call; and in accordance with the provisions of this chapter:~~

~~(4)) Board of directors means the board of directors of the corporation created under this chapter.~~

~~((5) Loan limit means for any member, the maximum amount permitted to be outstanding at one time on loans made by such member to the corporation, as determined under the provisions of this chapter.))~~

~~(4) Business means an individual, proprietorship, joint venture, partnership, trust, business trust, syndicate, association, joint stock company, cooperative, corporation, or any other organization operating in this state, and paying more than fifty percent of its contributions or payments for the purposes of unemployment insurance to this state.~~

~~(5) Associate means, if used with respect to a corporation:~~

~~(a) A controlling person, director, officer, agent, or advisor of that corporation.~~

~~(b) A director, officer, or partner of a person referred to in (a) of this subsection.~~

~~(c) A person who controls, is controlled by, or is under common control with a person referred to in (a) of this subsection directly or indirectly through one or more intermediaries.~~

~~(d) Any close relative of any person referred to in (a) of this subsection.~~

~~(e) A person of which a person referred to in (a) through (d) of this subsection is a director or officer.~~

~~(f) A person in which a person referred to in (a) through (d) of this subsection, or any combination of those persons acting in concert, owns or controls, directly or indirectly, a twenty percent or greater equity interest.~~

~~For the purposes of this subsection (5)(f), a person who is in a relationship referred to in this subsection within six months before or after a corporation provides financing assistance shall be considered to be in that relationship as of the date that corporation provides that financing assistance.~~

~~If a corporation, in order to protect its interests, designates a person to serve as a director of, officer of, or in any capacity in the management of a business to which that corporation provides financing assistance, that person shall not, on that account, be considered to have a relationship with that business. This exception does not apply if the person has, directly or indirectly, any other financial interest in the business or if the person, at any time before the corporation provides the financing assistance, served as a director of, officer of, or in any other capacity in the management of the business for a period of thirty days or more.~~

~~(6) Close relative means a parent, child, sibling, spouse, father-in-law, mother-in-law, son-in-law, brother-in-law, daughter-in-law, sister-in-law, grandparent, or grandchild.~~

~~(7) Supervisor means the state supervisor of banking.~~

~~Sec. 3. Section 2, chapter 162, Laws of 1963 as amended by section 1, chapter 16, Laws of 1974 ex. sess. and RCW 31.24.020 are each amended to read as follows:~~

~~((Fifteen or more)) At least seven but not more than twenty-one persons, a majority of whom shall be residents of this state, who may desire to create ((am)) a business and industrial development corporation under the provisions of this chapter, for the purpose of promoting, developing and advancing the prosperity and economic welfare of the state and, to that end, to exercise the powers and privileges hereinafter provided, may be incorporated by filing in the office of the secretary of state, as hereinafter provided, articles of incorporation. ~~(3) The purposes for which the corporation is founded, which shall be to ((promote, stimulate, develop and advance the business prosperity and economic welfare of Washington and its citizens; to encourage and assist through loans, investments or other business transactions in the location of new business and industry in this state and to rehabilitate and assist existing business and industry; to stimulate and assist in the expansion of all kinds of business activity which will tend to promote the business development and maintain the economic stability of this state; provide maximum opportunities for employment; encourage thrift; and improve the standard of living of citizens of this state; similarly, to cooperate and act in conjunction with other organizations, public or private, in the promotion and advancement of industrial, commercial, agricultural and recreational developments in this state; and to provide financing for~~

(4) The names and post office addresses of the members of the first board of directors, who, unless otherwise provided by the articles of incorporation or the bylaws, shall hold office for the first year of existence of the corporation or until their successors are elected and have qualified.

(5) Any provision which the incorporators may choose to insert for the regulation of the business and for the conduct of the affairs of the corporation and any provision creating, dividing, limiting and regulating the powers of the corporation, the directors, stockholders or any class of the stockholders, including, but not limited to a list of the officers, and provisions governing the issuance of stock certificates to replace lost or destroyed certificates.

(6) The amount of authorized capital stock and the number of shares into which it is divided, the par value of each share and the amount of capital with which it will commence business and, if there is more than one class of stock, a description of the different classes; the names and post office addresses of the subscribers of stock and the number of shares subscribed by each. The aggregate of the subscription shall be the minimum amount of capital with which the corporation shall commence business which shall not be less than ~~((fifty thousand))~~ one million dollars, except as otherwise provided in this chapter. The articles of incorporation may also contain any provision consistent with the laws of this state for the regulation of the affairs of the corporation.

(7) The articles of incorporation shall be in writing, subscribed by not less than five natural persons competent to contract and acknowledged by each of the subscribers before an officer authorized to take acknowledgments and filed in the office of the secretary of state for approval. A duplicate copy so subscribed and acknowledged may also be filed.

(8) The articles of incorporation shall recite that the corporation is organized under the provisions of this chapter.

~~The secretary of state shall not approve articles of incorporation for a corporation organized under this chapter until ((a total of at least ten national banks, state banks, savings banks, industrial savings banks, federal savings and loan associations, domestic building and loan associations, or insurance companies authorized to do business within this state, or any combination thereof, have agreed in writing to become members of said corporation; and said written agreement shall be filed with the secretary of state with the articles of incorporation and the filing of same shall be a condition precedent to the approval of the articles of incorporation by the secretary of state)) the state supervisor of banking has certified the corporation as eligible to operate as a business and industrial development corporation under this chapter.~~

A person transacting business in this state shall not use a name or title which indicates that the person is a business and industrial development corporation including, but not limited to, use of the term 'BIDCO,' and a person shall not otherwise represent that the person is a business and industrial development corporation until the person has been certified as a business and industrial development corporation.

A corporation shall be certified by the supervisor of banking as eligible to operate under this chapter upon meeting the following conditions:

(a) The corporation has paid a three thousand dollar certification fee to the state supervisor of banking and such other fees or costs as the supervisor establishes by rule;

(b) The corporation has submitted a business plan which includes at least three years of detailed financial projections and other relevant information;

(c) The corporation has provided information about the character and competence of each director and officer of the corporation; and

(d) The supervisor finds that the corporation's officers and directors are capable of running the corporation competently, has a net worth and lendable funds sufficient to provide financing assistance, and that the directors and officers of the corporation have agreed to comply with the terms of this chapter and its intent to facilitate the availability of moderate risk financing to firms in Washington. In making the finding under this subsection, the supervisor of banking shall:

(i) Consult with the director of trade and economic development and the director of community development; and

(ii) Require a minimum net worth of one million dollars and an additional one million dollars in lendable funds or an enforceable pledge for one million dollars in lendable funds, unless the supervisor finds that special circumstances render lesser amounts of net worth or lendable funds adequate for the corporation to meet the intent of this chapter and operate according to its business plan.

Whenever the articles of incorporation shall have been filed in the office of the secretary of state and approved by ~~((him))~~ the secretary and all taxes, fees and charges, have been paid, as required by law, the subscribers, their successors and assigns shall constitute a corporation, and said corporation shall then be authorized to commence business, and stock thereof to the extent herein or hereafter duly authorized may from time to time be issued.

(4) To purchase, receive, hold, lease, or otherwise acquire, and to sell, convey, transfer, lease or otherwise dispose of real and personal property, together with such rights and privileges as may be incidental and appurtenant thereto and the use thereof, ~~((including, but not restricted to, any))~~ if the real or personal property is for the corporation's use in operating its business, or if the real or personal property is acquired by the corporation from time to time in the satisfaction of debts or enforcement of obligations.

POINT OF INQUIRY

Mr. Holland yielded to question by Mr. Lewis.

Mr. Lewis: Representative Holland, it was my understanding that the advocates for the homeless were looking at trying to tap the unclaimed prizes up to a million dollars to begin a process to deal with the homeless crisis that we have in this state. What is your understanding of the action to this bill?

Mr. Holland: Thank you, Representative Lewis. My understanding is that rather than taking the million dollars of unclaimed prizes and allocating it directly into the housing trust fund, we are putting it into the general fund and then taking money from the general fund and putting it into the trust fund, so that the housing problem is addressed under either approach. The approach we have in the bill before us is a continuing kind of thing so that the unclaimed moneys would continue to flow into the state general fund should there be an excess.

Mr. Sanders: Representative Grimm, could you tell me the total cost of one hundred and twenty-three million dollars when you include the interest?

Mr. Grimm: Thank you. The total cost of the project for authorization is one hundred and twenty-three million dollars. The interest on twenty-five year bonds is one hundred sixty million dollars. So in today's dollars over the twenty five years, not discounted for inflation, the total is two hundred eighty-three million dollars, but I want to emphasize that that is not discounted for inflation.

HOUSE BILL NO. 1270,
HOUSE BILL NO. 1306,
HOUSE BILL NO. 1318.

MOTION

Mr. Appelwick moved that the House immediately consider House Bill No. 2052 on second reading. The motion was carried.

MOTION

On motion of Ms. Miller, Representative Allen was excused from further proceedings under the Call of the House.

HOUSE BILL NO. 2052, by Representatives Locke, Grimm, Holland and Ferguson

Relating to public facilities supported by excise taxes imposed by the state in class AA counties and imposed by local governments in all counties. (t.o.)

The bill was read the second time. On motion of Mr. Locke, Substitute House Bill No. 2052 was substituted for House Bill No. 2052, and the substitute bill was placed on the second reading calendar.

Substitute House Bill No. 2052 was read the second time.

Mr. Locke moved adoption of the following amendment:

On page 11, line 35 after "purpose," strike all material through "act" on line 36, and insert "A class A county, east of the cascade ridge of 300,000 population or more, acquiring and constructing a convention and coliseum facility"

Mr. Locke spoke in favor of adoption of the amendment.

POINT OF INQUIRY

Mr. Locke yielded to question by Ms. Silver.

Ms. Silver: Representative Locke, is this for or against Spokane.

Mr. Locke: This is for Spokane.

Ms. Silver: As I understand it, it limits the increase in maximum councilmanic indebtedness to Spokane County, but the limits are in order with our fifteen million. Is that correct?

Mr. Locke: I believe that this would limit the councilmanic indebtedness for Spokane County, so that if they wanted to, they could handle the entire thirty million. The legislation before us reads to allow all counties throughout the state to lift their councilmanic indebtedness limits, and since the issue is really providing enough room for Spokane, it was thought that it was not necessary to lift the councilmanic indebtedness limits for all counties throughout the state, but just to restrict it to Spokane. No one else is asking for it, in other words.

Ms. Silver: If we had only the fifteen million, would we need to be lifted? In as much as I have just seen this amendment—it is brand new to me—I am a little bit unaware of exactly what it says.

Mr. Locke: If you are only planning on doing fifteen million, you certainly don't have to exercise the discretion that is being granted to Spokane County, but in case Spokane wanted to do other facilities, then this would allow that.

Representatives Silver and Taylor spoke against the amendment, and Mr. Dellwo spoke in favor of it.

The amendment was adopted.

Mr. Locke moved adoption of the following amendment:

On page 13, line 5, after "RCW 67.40.100," insert "or a city subject to a tax of five percent or more under RCW 67.40.090"

Representatives Locke and Holland spoke in favor of adoption of the amendment.

POINT OF INQUIRY

Mr. Locke yielded to question by Ms. Brough.

Ms. Brough: Representative Locke, could you explain to me, if one city in a county is currently imposing a three percent hotel/motel tax and the county determines that they would like this available option, then is that county tax not county-wide? A city would be excused from that three percent additional tax under this amendment, so the end result would be unequal taxation throughout the county. A city that already has it, will they be excused from the county that comes along later to impose it?

Mr. Locke: Yes.

Ms. Brough: There is not a concern about the inequitableness or unconstitutionality of a tax that would be applied county-wide with the exception of a particular city?

Mr. Locke: We have that already occurring, for instance with the example of a sales tax, where the City of Seattle imposed a sales tax and then the county imposed an increase in the sales tax and that there could not be a double accumulation of sales tax, but a credit by the city against the county portion. That's already occurring throughout our jurisdictions. This amendment does not affect that.

Ms. Brough spoke against adoption of the amendment.

The amendment was adopted.

Mr. Locke moved adoption of the following amendments:

On page 13, line 4, strike "or town"

On page 13, line 11, strike "or town"

On page 17, line 7, after "act" insert ": PROVIDED, That such revenues shall not be used for maintenance and operation of a public facility constructed prior to the effective date of this act"

Mr. Locke spoke in favor of adoption of the amendment, and it was adopted.

Mr. Schoon moved adoption of the following amendment:

On page 13, after line 36 insert:

"(6) Taxes levied and collected under this act shall not be used for a zero grade beach or other components of a wave pool or water slide constructed or acquired as a part of an indoor aquatic swimming facility in Pierce County."

***NEW SECTION.** Sec. 18. A new section is added to chapter 36.32 RCW to read as follows:

The legislative authority of any county may, by resolution or ordinance for the purposes authorized by section 10(5) of this act, fix and impose a countywide sales and use tax in accordance with the terms of this chapter. Such tax shall be collected from those persons who are taxable by the state pursuant to chapter 82.08 and 82.12 RCW, upon the occurrence of any taxable event within the county. Strike everything after the enacting clause and insert the following:

*NEW SECTION. Sec. 1. It shall be the policy of the state of Washington to:

(1) Recognize the family as the most important social and economic unit of society and support the central role parents play in child rearing. All parents are encouraged to participate fully in the effort to improve the quality of child care services.

(2) Promote a variety of culturally and developmentally appropriate child care settings and services of the highest possible quality in accordance with the basic principle of continuity

of care. These settings shall include, but not be limited to, family day care homes, mini-centers, centers and schools.

(3) Promote the growth, development and safety of children by working with community groups including providers and parents to establish standards for quality service, training of child care providers, fair and equitable monitoring, and salary levels commensurate with provider responsibilities and support services.

(4) Promote equal access to quality, affordable, socio-economically integrated child care for all children and families.

(5) Facilitate broad community and private sector involvement in the provision of quality child care services to foster economic development and assist industry.

NEW SECTION, Sec. 2. (1) There is established a child care coordinating committee to provide coordination and communication between state agencies responsible for child care and early childhood education services. The child care coordinating committee shall be composed of not less than seventeen nor more than thirty members who shall include:

(a) One representative each from the department of social and health services, the department of community development, the office of the superintendent of public instruction, and any other agency having responsibility for regulation, provision, or funding of child care services in the state;

(b) One representative from the governor's commission on children;

(c) One representative from the department of trade and economic development;

(d) At least one representative of family home child care providers and one representative of center care providers;

(m) At least one representative of a head start - early childhood education assistance program agency;

(n) At least one employer who provides child care assistance to employees;

(o) Parents of children receiving, or in need of, child care, half of whom shall be parents needing or receiving subsidized child care and half of whom shall be parents who are able to pay for child care.

The named state agencies shall select their representative to the child care coordinating committee. The department of social and health services shall select the remaining members, considering recommendations from lists submitted by professional associations and other interest groups until such time as the committee adopts a member selection process. Staff support for the child care coordinating committee shall be provided within available resources by the department of social and health services on an ongoing basis. The department shall use any federal funds which may become available to accomplish the purposes of sections 1 through 3 of this act.

The committee shall elect officers from among its membership and shall adopt policies and procedures specifying the lengths of terms, methods for filling vacancies, and other matters necessary to the ongoing functioning of the committee. The secretary of social and health services shall appoint a temporary chair until the committee has adopted policies and elected a chair accordingly. Child care coordinating committee members shall be reimbursed for travel expenses as provided in RCW 43.03.050 and 43.03.060.

(2) To the extent possible within available funds, the child care coordinating committee shall:

(a) Serve as an advisory coordinator for all state agencies responsible for early childhood or child care programs for the purpose of improving communication and interagency coordination, but not to review the substance of programs. The committee shall annually review state programs and make recommendations to the agencies and the legislature which will maximize funding and promote furtherance of the policies set forth in section 1 of this act;

(b) Review and propose changes to the child care subsidy system by December 1, 1989;

(c) Review agency administration of the child care expansion grant program described in section 3 of this act;

(d) Review alternative models for child care service systems, in the context of the policies set forth in section 1 of this act, and recommend to the legislature a new child care service structure;

(e) Review options and make recommendations on the feasibility of establishing an allocation for day care facilities when constructing state buildings; and

(f) Perform other functions to improve the quantity and quality of child care in the state, including compliance with existing and future prerequisites for federal funding.

NEW SECTION. Sec. 3. (1) The legislature recognizes that a severe shortage of child care exists to the detriment of all families and employers throughout the state. Many workers are unable to enter or remain in the work force due to a shortage of child care resources. The high costs of starting a child care business create a barrier to the creation of new slots, especially for children with special needs.

(2) A child care expansion grant fund is created in the custody of the secretary of the department of social and health services. Grants shall be awarded on a one-time only basis to persons, organizations, or schools needing assistance to start a child care center or mini-center as defined by the department by rule, or to existing licensed child care providers, including family home providers, for the purpose of making capital improvements in order to accommodate handicapped children as defined under chapter 72.40 RCW, sick children, or infant care, or children needing night time care. No grant may exceed ten thousand dollars. Start-up costs shall not include operational costs after the first three months of business.

(3) Child care expansion grants shall be awarded on the basis of need for the proposed services in the community, within appropriated funds.

Renumber the sections consecutively and correct internal references accordingly.

POINT OF ORDER

Mr. Braddock: Thank you, Mr. Speaker. I would like a ruling on scope and object on amendment number 287.

SPEAKER'S RULING

The Speaker: Representative Braddock, the Speaker has examined both Engrossed Second Substitute Senate Bill No. 6221 and the amendment offered by Representative Vekich. The bill very clearly is an act relating to sexually transmitted diseases. The amendment appears to broaden the scope and intention of the original bill by referring to "or contagious disease" which is plainly labelled. The Speaker rules that the amendment is outside the scope of the bill. Your point, Representative Braddock, is well taken.

POINT OF PERSONAL PRIVILEGE

Mr. Vekich: Mr. Speaker, with all respect to your ruling I would like to say that I think we have now ignored the workers' safety issue in this bill. In my opinion it was clearly within the scope of the bill. We are now saying that we do not care about hazardous wastes that the workers are handling and that the lab technicians, lab technologists and nurses do not deserve to be warned when they are handling infectious matters. I disagree with your ruling. I respect it, but I think we are really missing an opportunity here to provide for workers' safety and deal with the hazardous wastes.

The Speaker declared the House to be at ease.

The Speaker called the House to order.

The Speaker stated the question before the House to be the adoption of the committee amendment as amended.

Representatives Braddock, Brooks, Sprengle and Moyer spoke in favor of the committee amendment as amended, and Mr. Fuhrman opposed it.

The committee amendment as amended was adopted.

There being no objection, the committee amendment to the title was adopted.

On motion of Mr. Ebersole, the rules were suspended, the second reading considered the third, and the bill was placed on final passage.

POINT OF INQUIRY

Mr. Braddock yielded to question by Mr. Hargrove.

Mr. Hargrove: Thank you, Mr. Speaker. Representative Braddock, our current anti-discrimination laws do not prohibit discrimination based on sexual orientation or perceived sexual orientation. Does the language in Section 902 of this bill prohibit discrimination based on sexual orientation or perceived sexual orientation?

Mr. Braddock: I don't believe I understand how Section 902 relates to the sexual orientation. I believe Section 902 relates to HIV status. HIV status can be discriminated against. If you have the AIDS virus and you are in a job or a position where that virus could be transmitted and you can establish that that virus can be transmitted--that is, if a public health officer would come to the conclusion that the position of employment would, for example, place the community at risk because of potential transmission of the virus and that is the blood-to-blood contact--then you could certainly discriminate against that person having that job and that employment.

Mr. Hargrove: If I may continue then, just to make this clear. If the HIV virus is not present, then this does not now prohibit discrimination on the basis of sexual orientation?

Mr. Braddock: I believe you are correct.

Mr. Hargrove: Thank you.

Representatives B. Williams and Fuhrman spoke against passage of the bill, and Representatives Sutherland, Anderson, Wineberry, Locke and Braddock spoke in favor of it.

The lien may be enforced consistent with this chapter. However, any lien on a motor vehicle or boat which has attached and

is set forth in the documents of title to the motor vehicle or boat shall have priority over any lien created pursuant to this chapter.

NEW SECTION. Sec. 4. When any part of the rent or other charges due from an occupant remains unpaid for six consecutive days, and the rental agreement so provides, an owner may deny the occupant access to the storage space at a self-service storage facility.

NEW SECTION. Sec. 5. When any part of the rent or other charges due from an occupant remains unpaid for fourteen consecutive days, an owner may terminate the right of the occupant to the use of the storage space at a self-service storage facility by sending a notice to the occupant's last known address, and to the alternative address specified in section 15(2) of this act, by first class mail, postage prepaid, containing all of the following:

(3) A notice that the occupant may be denied or continue to be denied, as the case may be, access to the storage space after the termination date if the sums are not paid, and that an owner's lien, as provided for in section 3 of this act may be imposed thereafter.

(4) The name, street address, and telephone number of the owner, or his or her designated agent, whom the occupant may contact to respond to the notice.

NEW SECTION. Sec. 7. If a notice has been sent, as required by section 5 of this act, and the total sum due has not been paid as of the date specified in the preliminary lien notice, the lien imposed by this chapter attaches as of that date and the owner may deny an occupant access to the space, enter the space, and remove any property found therein to a place of safe keeping. The owner shall then send to the occupant, addressed to the occupant's last known address and to the alternative address specified in section 15(2) of this act by certified mail, postage prepaid, all of the following:

(d) That any excess proceeds of the sale over the lien amount and costs of sale and any personal papers and personal effects will be retained by the owner and may be reclaimed by the occupant, or claimed by another person, at any time for a period of one year from the sale and that thereafter the proceeds and personal papers and effects will be turned over to the state as abandoned property.

(e) That the occupant within one year after the date of the sale may repurchase from any purchaser any of the occupant's property sold pursuant to section 10 of this act at the price paid by the purchaser.

I declare under penalty of perjury that the foregoing is true and correct, and that this declaration was signed by me on _____ (date) at _____ (place).

_____ (signature of occupant)

NEW SECTION, Sec. 8. If a declaration in opposition to the lien sale, executed under penalty of perjury, is not received prior to the date of sale set forth in the notice of lien sale, and if the reasonable aggregate value of the property is less than one hundred dollars, the owner may donate the property to a charitable organization exempt from federal income tax under the federal internal revenue code.

NEW SECTION, Sec. 9. If a declaration in opposition to the lien sale, executed under penalty of perjury, is not received prior to the date of sale set forth in the notice of lien sale, the owner may, subject to sections 11 and 12 of this act, sell the property upon complying with the requirements set forth in section 10 of this act.

NEW SECTION, Sec. 10. (1) After the expiration of the time given in the notice of lien sale pursuant to section 7 of this act, an advertisement of the sale shall be published once a week for two weeks consecutively in a newspaper of general circulation in the county, city, or town where the self-service storage facility is located and the sale is to be held. The advertisement shall include a general description of the goods, the name of the person on whose account they are being stored, the space number of the occupant, and the name and the location of the storage facility. If there is no newspaper of general circulation in the county, city, or town where the self-service storage facility is located and where the sale is to be held, the advertisement shall be posted at least ten days before the sale in not less than six conspicuous places in the neighborhood of the proposed sale.

(2) The sale shall be conducted in a commercially reasonable manner, and, after deducting the amount of the lien and costs of sale, the owner shall retain any excess proceeds of the sale on the occupant's behalf. The occupant, or any other person having a court order or other judicial process against the property, may claim the excess proceeds, or a portion thereof sufficient to satisfy the particular claim, at any time within one year of the date of sale.

(3) No employee or owner, or family member of an employee or owner, may acquire, directly or indirectly, the property sold at a lien sale authorized under this chapter.

(4) After the sale has been completed, the owner shall provide an accounting of the disposition of the proceeds of the sale to the occupant at the occupant's last known address and at the alternative address.

NEW SECTION, Sec. 11. Any person who has a perfected security interest under Article 62A.9 RCW of the uniform commercial code may claim any personal property subject to the security interest and subject to a lien pursuant to this chapter by paying the total amount due, as specified in the lien notices, for the storage of the property, if no declaration of opposition to the lien sale is executed and returned by the occupant. Upon payment of the total amount due, the owner shall deliver possession of the particular property subject to the security interest to the person who paid the total amount due. The owner shall not be liable to any person for any action taken pursuant to this section if the owner has fully complied with sections 6 and 7 of this act.

NEW SECTION, Sec. 12. Prior to any sale pursuant to section 9 of this act, any person claiming a right to the goods may pay the amount necessary to satisfy the lien and the reasonable expenses incurred for particular actions taken pursuant to this chapter. In that event, the goods shall not be sold, but shall be retained by the owner subject to the terms of this chapter pending a court order directing a particular disposition of the property.

NEW SECTION, Sec. 13. If a declaration in opposition to the lien sale is received prior to the date set forth in the notice of lien sale, the owner may enforce the lien as follows:

(1) A civil action to enforce the owner's lien shall be commenced by the filing of a verified complaint setting forth the facts upon which the claim of lien is based. The summons and complaint shall be served in the manner provided for by court rule.

(2) If the occupant has not responded to the complaint by answer within the time allowed after service is completed, the court, upon application of the owner, shall enter the default of the occupant, and thereafter, the owner may apply to the court for judgment in the amount of the lien, including costs.

(3) Any judgment entered on the action on the lien in favor of the owner may be enforced by sale of the property by the owner. The sale shall be conducted in a commercially reasonable manner, and shall take place ten days or more from the entry of judgment, unless within

that time period, or at any time prior to the sale, the occupant pays to the owner the full amount of the judgment.

(4) Enforcement of the judgment may be stayed, pending appeal, by the posting of a bond by the occupant in an amount one and one-half times the amount of the judgment, in which case the property may be released to the occupant.

NEW SECTION. Sec. 14. A purchaser in good faith of goods sold to enforce a lien or judgment entered on the lien in favor of the owner on goods stored at a self-service storage facility takes the goods free of any rights of persons against whom the lien was claimed, despite non-compliance by the owner of the storage facility with this chapter. However, the purchaser shall return the goods to the owner of the property if the owner tenders the purchase price plus any costs incurred by the purchaser within one year of the date of the purchase.

NEW SECTION. Sec. 15. (1) Each contract for the rental or lease of individual storage space in a self-service storage facility shall be in writing and shall contain, in addition to the provisions otherwise required or permitted by law to be included, a statement requiring the occupant to disclose any lienholders or secured parties who have an interest in the property that is or will be stored in the self-service storage facility, a statement that the occupant's property will be subject to a claim of lien and may even be sold to satisfy the lien if the rent or other charges due remain unpaid for fourteen consecutive days, and that such actions are authorized by this chapter.

(2) This chapter shall not apply, and the lien authorized by this chapter shall not attach, unless the rental agreement requests, and provides space for, the occupant to give the name and address of another person to whom the preliminary lien notice and subsequent notices required to be given under this chapter may be sent. Notices sent pursuant to section 5 or 7 of this act shall be sent to the occupant's address and the alternative address, if both addresses are provided by the occupant. Failure of an occupant to provide an alternative address shall not affect an owner's remedies under this chapter or under any other provision of law.

NEW SECTION. Sec. 16. Any insurance protecting the personal property stored within the storage space against fire, theft, or damage must be provided by the occupant and shall not be the responsibility of the owner.

NEW SECTION. Sec. 17. Nothing in this chapter may be construed to impair or affect the right of the parties to create additional rights, duties, and obligations in and by virtue of the rental agreement. The rights provided by this chapter shall be in addition to all other rights provided by law to a creditor against his or her debtor.

NEW SECTION. Sec. 18. This chapter shall only apply to rental agreements entered into, extended, or renewed after the effective date of this section. Rental agreements entered into before the effective date of this section which provide for monthly rental payments but providing no specific termination date shall be subject to this chapter on the first monthly rental payment date next succeeding the effective date of this section.

NEW SECTION. Sec. 19. All rental agreements entered into before the effective date of this section, and not extended or renewed after that date, or otherwise made subject to this chapter pursuant to section 18 of this act, and the rights, duties, and interests flowing from them, shall remain valid, and may be enforced or terminated in accordance with their terms or as permitted by any other statute or law of this state.

NEW SECTION. Sec. 20. If an owner issues any warehouse receipt, bill of lading, or other document of title for the personal property stored, the owner and the occupant are subject to Article 62A.7 RCW (commencing with RCW 62A.7-101) of the uniform commercial code and this chapter does not apply.

There is created a Washington state support registry within the office of support enforcement as the agency designated in Washington state to administer the child support program under Title IV-D of the federal social security act. The registry shall:

- (2) Maintain the necessary records including, but not limited to, information on support orders, support debts, the date and amount of support due; the date and amount of payments; and the names, social security numbers, and addresses of the parties;
- (3) Develop procedures for providing information to the parties regarding action taken by, and support payments collected and distributed by the registry;
- (4) The secretary of social and health services shall adopt rules for the maintenance and retention of records of support payments and for the archiving and destruction of such records when the support obligation terminates or is satisfied. When a support obligation established under court order entered in a superior court of this state has been satisfied, a satisfaction of judgment form shall be prepared by the registry and filed with the clerk of the court in which the order was entered.

The child support registry shall distribute all moneys received in compliance with 42 U.S.C. Sec. 657. Support received by the office of support enforcement shall be distributed promptly but not later than eight days from the date of receipt unless circumstances exist which make such distribution impossible. Such circumstances include when: (1) The location of the custodial parent is unknown; (2) the child support debt is in litigation; or (3) the responsible parent or custodial parent cannot be identified. When, following termination of public assistance, the office of support enforcement collects support, all moneys collected up to the maximum of the support due for the period following termination from public assistance shall, to the extent permitted by federal law, be paid to the custodial parent before any distribution to the office of support enforcement under 42 U.S.C. When a responsible parent has more than one support obligation, or a support debt is owed to more than one party, moneys received will be distributed between the parties proportionally, based upon the amount of the support obligation and/or support debt owed.

If the Washington state support registry distributes a support payment to a person in error, the registry may obtain restitution by means of a set-off against future payments received on behalf of the person receiving the erroneous payment, or may act according to RCW 74.20A-.270 as deemed appropriate. Any set-off against future support payments shall be limited to amounts collected on the support debt and up to ten percent of amounts collected as current support.

Payment of public assistance under this title operates as an assignment by operation of law.

(2) Upon the recipient's request, the department ((may, and under appropriate circumstances)) shall(;) continue to establish the support obligation and to enforce and collect the support debt ((for a period not to exceed three months from the month following the month in which such family ceased)) after the family ceases to receive public assistance, and thereafter if a nonassistance request for support enforcement services has been made under RCW 74.20-.040 (2) and (3). The department shall distribute all amounts collected in accordance with 42 U.S.C. Sec. 657 and RCW 26.23.030.

Sec. 8. Section 3, chapter 164, Laws of 1971 ex. sess. as last amended by section 31, chapter 435, Laws of 1987 and RCW 74.20A.030 are each amended to read as follows:

The department shall be subrogated to the right of any dependent child or children or person having the care, custody, and control of said child or children, if public assistance money is paid to or for the benefit of the child, to prosecute or maintain any support action or execute any administrative remedy existing under the laws of the state of Washington to obtain reimbursement of moneys expended, based on the support obligation of the responsible parent established by a superior court order or RCW 74.20A.055. Distribution of any support moneys shall be made in accordance with 42 U.S.C. Sec. 657.

Public assistance moneys shall be exempt from collection action under this chapter except as provided in RCW 74.20A.270.

No collection action shall be taken against parents of children eligible for admission to, or children who have been released from, a state school for the developmentally disabled as defined by chapter 72.33 RCW.

The legislature finds that the fundamentals of water resource policy in this state must be reviewed by the legislature to ensure that the water resources of the state are protected and fully utilized for the greatest benefit to the people of the state of Washington. The legislature

further finds that it is necessary to provide the department of ecology with emergency powers to authorize withdrawals of public surface and ground waters, including dead storage within reservoirs, on a temporary basis, and construction of facilities in relation thereto, in order to alleviate emergency water supply conditions arising from the drought forecast for the state of Washington during 1977 and during 1987.

The legislature further finds that there is a continuing agricultural water supply shortage in many areas of the state and that, in relation to the lessening of that unsatisfactory condition, there is an urgent need to both improve water supply facilities and replace other such facilities.

In order to study the fundamentals of water resource policy of the state and to provide needed capital for the planning, acquisition, construction, and improvement of water supply facilities to withdraw and distribute water to alleviate unsatisfactory water supply conditions arising from droughts occurring from time to time in the state of Washington, the state finance committee is authorized to issue general obligation bonds of the state of Washington in the sum of eighteen million dollars, or so much thereof as may be required to finance such projects, and all costs incidental thereto. No bonds authorized by this section and RCW 43.83B.360 through 43.83B.375 shall be offered for sale without prior legislative appropriation, and these bonds shall be paid and discharged within thirty years of the date of issuance in accordance with Article VIII, section 1 of the state Constitution.

NEW SECTION. Sec. 2. A new section is added to chapter 90.54 RCW to read as follows:

(1) The director of ecology shall contract with an independent fact-finding service for the purpose of consulting with all user groups and parties interested in Washington's water resource policy, including but not limited to:

(c) Agricultural interests;

(d) The governor's office;

(e) Environmental interests;

(f) Interests of industrial users of water;

(g) Indian tribes;

(h) Interests of public water utilities;

(i) Interests of recreational uses other than fishing;

(j) Public and private hydropower generating utilities;

(k) Interests of sport and commercial fishing; and

(l) Interests of the forest products industry.

(2) The fact-finding service shall consult with, obtain, and document the opinions of the interested parties, and may facilitate discussions between them on the fundamentals of water resource policy and the need, if any, to change or clarify the current policy for the state. The fact-finding service shall also identify and evaluate the clarity and consistency of state water allocation laws with the current policy based on those laws.

(3) The fact-finding service shall report its findings in a written report to the joint select committee established pursuant to section 3 of this act. The report shall be submitted to the joint select committee by June 30, 1988, unless the committee provides for an extension of the due date.

(4) The fact-finding service and the joint select committee shall consider the reports and recommendations of state and federal studies pertaining to allocation, augmentation, conservation, and efficient use of the water resources of this state, including but not limited to the department of ecology's instream resources and water allocation program review. By considering these studies, the fact-finding service and the joint select committee shall not duplicate the work already completed in such studies.

(5) Until July 1, 1989, or until the legislature has passed legislation based on recommendations from the joint select committee, whichever comes first, the department of ecology:

(a) Shall not amend or alter the current guidelines, standards, or criteria governing the instream flow and water allocation elements of the state water resources program established pursuant to chapters 90.22 and 90.54 RCW and set forth in chapters 173-500 to 173-596 WAC;

(b) Shall not adopt any water reservation under RCW 90.54.050, set forth in chapters 173-500 to 173-596 WAC, or the preferred alternative in the instream resources and water allocation environmental impact statement; and

(c) For any new application for surface water received under chapter 90.03 RCW after the effective date of this act, shall not issue any permanent appropriation permits and may only issue new temporary appropriation permits on streams by utilizing (i) the existing minimum or base flows adopted pursuant to chapters 90.54 and 90.22 RCW or (ii) the case-by-case process to maintain food fish and game fish populations as provided in RCW 75.20.050. These water appropriations shall not reduce flows necessary to provide for preservation of wildlife, fish, scenic, aesthetic, recreational, water quality, other environmental values, and navigational values, as provided in RCW 90.54.020 and chapters 90.03 and 90.22 RCW. These temporary

permits shall be conditioned so that the appropriation may be altered based upon the enactment of legislation or adoption of regulations resulting from recommendations made pursuant to section 3 (3) and (4) of this act.

This subsection does not apply to any emergency water permits or transfers authorized under RCW 43.83B.300 through 43.83B.344, and shall not affect any existing water rights established pursuant to law.

The joint select committee shall further evaluate the need to prioritize the use of the water resources of this state.

(4) The joint select committee may include in its report recommendations for revisions to existing laws to set forth the water policies of the state and may also recommend revisions to existing law to give direction to the department of ecology and other agencies and officials in carrying out the fundamental water policies of the state as adopted by the legislature.

(5) The joint select committee shall submit its written report of findings and recommendations to the 1989 legislature. A draft report shall be completed by December 1, 1988, and distributed to interested parties. Sec. 4. Section 3, chapter 225, Laws of 1971 ex. sess. and RCW 90.54.030 are each amended to read as follows:

For the purpose of insuring that the department is fully advised in relation to the performance of the water resources program provided in RCW 90.54.040, and to provide information and support to the fact-finding service and the joint select committee established in sections 2 and 3 of this 1988 act, the department is directed to become informed with regard to all phases of water and related resources of the state. To accomplish this objective the department shall:

(1) Collect, organize and catalog existing information and studies available to it from all sources, both public and private, pertaining to water and related resources of the state;

(2) Develop such additional data and studies pertaining to water and related resources as are necessary to accomplish the objectives of this chapter;

(3) Determine existing and foreseeable uses of, and needs for, such waters and related resources;

(4) Develop alternate courses of action to solve existing and foreseeable problems of water and related resources and include therein, to the extent feasible, the economic and social consequences of each such course, and the impact on the natural environment.

All the foregoing shall be included in a 'water resources archive' established and maintained by the department. The department shall develop a system of cataloging, storing and retrieving the information and studies of the archive so that they may be made readily available to and effectively used not only by the department but by the public generally.

Sec. 5. Section 4, chapter 225, Laws of 1971 ex. sess. and RCW 90.54.040 are each amended to read as follows:

(1) The department, through the adoption of appropriate rules, is directed, as a matter of high priority to insure that the waters of the state are utilized for the best interests of the people, to develop and implement in accordance with the policies of this chapter a comprehensive state water resources program which will provide a process for making decisions on future water resource allocation and use. The department may develop the program in segments so that immediate attention may be given to waters of a given physioeconomic region of the state or to specific critical problems of water allocation and use.

The current guidelines, standards, or criteria governing the elements of the water resource program established pursuant to this subsection shall not be altered or amended after the effective date of this 1988 section, in accordance with section 2(5) of this 1988 act.

(2) In relation to the management and regulatory programs relating to water resources vested in it, the department is further directed to modify existing regulations and adopt new regulations, when needed and possible, to insure that existing regulatory programs are in accord with the water resource policy of this chapter and the program established in subsection (1) of this section. The current guidelines, standards, or criteria governing the department's implementation of this subsection shall not be altered or amended after the effective date of this 1988 section, in accordance with subsection (1) of this section.

(3) The department is directed to review all statutes relating to water resources which it is responsible for implementing. When any of the same appear to the department to be ambiguous, unclear, unworkable, unnecessary, or otherwise deficient, it shall make recommendations to the legislature including appropriate proposals for statutory modifications or additions. Whenever it appears that the policies of any such statutes are in conflict with the policies of this chapter, and the department is unable to fully perform as provided in subsection (2) of this section, the department is directed to submit statutory modifications to the legislature which, if enacted, would allow the department to carry out such statutes in harmony with this chapter.

Sec. 6. Section 3, chapter 284, Laws of 1969 ex. sess. as amended by section 103, chapter 109, Laws of 1987 and by section 96, chapter 506, Laws of 1987 and RCW 90.22.010 are each reenacted and amended to read as follows:

The department of ecology may establish minimum water flows or levels for streams, lakes or other public waters for the purposes of protecting fish, game, birds or other wildlife resources, or recreational or aesthetic values of said public waters whenever it appears to be in the public interest to establish the same. In addition, the department of ecology shall, when requested by the department of fisheries or the department of wildlife to protect fish, game or other wildlife resources under the jurisdiction of the requesting state agency, or if the department of ecology finds it necessary to preserve water quality, establish such minimum flows or levels as are required to protect the resource or preserve the water quality described in the request or determination. Any request submitted by the department of fisheries or department of wildlife shall include a statement setting forth the need for establishing a minimum flow or level. When the department acts to preserve water quality, it shall include a similar statement with the proposed rule filed with the code reviser. This section shall not apply to waters artificially stored in reservoirs, provided that in the granting of storage permits by the department of ecology in the future, full recognition shall be given to downstream minimum flows, if any there may be, which have heretofore been established hereunder.

The current guidelines, standards, or criteria governing the instream flow programs established pursuant to this chapter shall not be altered or amended after the effective date of this 1988 section, in accordance with section 2(5) of this 1988 act.

(1) Reserve and set aside waters for beneficial utilization in the future, and

(2) When sufficient information and data are lacking to allow for the making of sound decisions, withdraw various waters of the state from additional appropriations until such data and information are available.

Prior to the adoption of a rule under this section, the department shall conduct a public hearing in each county in which waters relating to the rule are located. The public hearing shall be preceded by a notice placed in a newspaper of general circulation published within each of said counties. Rules adopted hereunder shall be subject to review in accordance with the provisions of RCW 34.04.070 or 34.04.080.

No new rules or changes to existing rules to reserve or set aside water may be adopted pursuant to this section, as provided in section 2(5) of this 1988 act.

NEW SECTION. Sec. 8. Nothing in this act shall apply to or interfere with the processing or issuance of water rights in connection with the Yakima River Basin Water Enhancement Project.

NEW SECTION. Sec. 9. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

(1) The director of licensing shall on the twenty-fifth day of February, May, August, and November of each year, commencing with November, 1971, advise the state treasurer of the total amount of motor vehicle excise taxes remitted to the department of licensing during the preceding calendar quarter ending on the last day of March, June, September, and December, respectively, except for those payable under RCW 82.44.020~~((6))~~(7) and 82.44.030, from motor vehicle owners residing within each municipality which has levied a tax under RCW 35.58.273, which amount of excise taxes shall be determined by the director as follows:

The total amount of motor vehicle excise taxes remitted to the department, except those payable under RCW 82.44.020~~((6))~~(7) and 82.44.030, from each county shall be multiplied by a fraction, the numerator of which is the population of the municipality residing in such county, and the denominator of which is the total population of the county in which such municipality or portion thereof is located. The product of this computation shall be the amount of excise taxes from motor vehicle owners residing within such municipality or portion thereof. Where the municipality levying a tax under RCW 35.58.273 is located in more than one county, the above computation shall be made by county, and the combined products shall provide the total amount of motor vehicle excise taxes from motor vehicle owners residing in the municipality as a whole. Population figures required for these computations shall be supplied to the director by the office of financial management, who shall adjust the fraction annually.

(2) On the first day of the months of January, April, July, and October of each year, the state treasurer based upon information provided by the department of licensing shall make the following apportionment and distribution of motor vehicle excise taxes deposited in the general fund except taxes collected under RCW 82.44.020~~((6))~~(7). A sum equal to seventeen percent thereof shall be paid to cities and towns in the proportions and for the purposes hereinafter set forth: ~~((and))~~ a sum equal to two percent thereof shall be allocable to the county sales and use tax equalization account under RCW 82.14.200; and a sum equal to four and two-tenths percent of the special excise tax levied under RCW 35.58.273 by those municipalities authorized to levy a special excise tax at a rate not exceeding ninety-six one-hundredths of one percent on the fair market value of every motor vehicle owned by a resident of such municipality shall be deposited in the rail development account established in RCW 47.78.010.

(3) The amount payable to cities and towns shall be apportioned among the several cities and towns within the state according to the following formula:

(a) Sixty-five percent of the sum specified in subsection (2) of this section to be paid to cities and towns shall be apportioned ratably on the basis of population as last determined by the office of financial management.

(b) Thirty-five percent of the sum specified in subsection (2) of this section to be paid to cities and towns shall be apportioned to cities and towns under RCW 82.14.210.

(4) When so apportioned, the amount payable to each such city and town shall be transmitted to the city treasurer thereof, and shall be utilized by such city or town for the purposes of police and fire protection and the preservation of the public health therein, and not otherwise. In case it be adjudged that revenue derived from the excise tax imposed by this chapter cannot lawfully be apportioned or distributed to cities or towns, all moneys directed by this section to be apportioned and distributed to cities and towns shall be credited and transferred to the state general fund.

(5) On the first day of the months of January, April, July, and October of each year, the state treasurer, based upon information provided by the department of licensing, shall remit motor vehicle excise tax revenues imposed and collected under RCW 35.58.273 as follows:

(a) The amount required to be remitted by the state treasurer to the treasurer of any municipality levying the tax shall not exceed in any calendar year the amount of locally-generated tax revenues, excluding the excise tax imposed under RCW 35.58.273 for the purposes of this section, which shall have been budgeted by the municipality to be collected in such calendar year for any public transportation purposes including but not limited to operating costs, capital costs, and debt service on general obligation or revenue bonds issued for these purposes; and

(b) In no event may the amount remitted in a single calendar quarter exceed the amount collected on behalf of the municipality under RCW 35.58.273 during the calendar quarter next preceding the immediately preceding quarter.

(6) At the close of each calendar year accounting period, but not later than April 1, each municipality that has received motor vehicle excise taxes under subsection (5) of this section shall transmit to the director of licensing and the state auditor a written report showing by source the previous year's budgeted tax revenues for public transportation purposes as compared to actual collections. Any municipality that has not submitted the report by April 1 shall cease to be eligible to receive motor vehicle excise taxes under subsection (5) of this section until the report is received by the director of licensing. If a municipality has received more or less money under subsection (5) of this section for the period covered by the report than it is entitled to receive by reason of its locally-generated collected tax revenues, the director of licensing shall, during the next ensuing quarter that the municipality is eligible to receive motor vehicle excise tax funds, increase or decrease the amount to be remitted in an amount equal to the difference between the locally-generated budgeted tax revenues and the locally-generated collected tax revenues. In no event may the amount remitted for a calendar year exceed the amount collected on behalf of the municipality under RCW 35.58.273 during that same calendar year. At the time of the next fiscal audit of each municipality, the state auditor shall verify the accuracy of the report submitted and notify the director of licensing of any discrepancies.

(7) The motor vehicle excise taxes imposed under RCW 35.58.273 and required to be remitted under this section shall be remitted without legislative appropriation.

(8) Any municipality levying and collecting a tax under RCW 35.58.273 which does not have an operating, public transit system or a contract for public transportation services in effect within one year from the initial effective date of the tax shall return to the state treasurer all motor vehicle excise taxes received under subsection (5) of this section."

Renumber the sections consecutively.

Representatives Heavey and K. Wilson spoke in favor of adoption of the amendment, and Mr. Meyers opposed it.

POINT OF INQUIRY

Mr. Heavey yielded to question by Ms. Brough.

Ms. Brough: Representative Heavey, on page 4 of this amendment, reading the language that is written here, it says "right of way acquisition, and construction of the parallel First Avenue South Bridge." My question is: Is this the First Avenue South Bridge in the unincorporated area of Federal Way? Is this the First Avenue South Bridge perhaps in the city of Seattle? Is this the First Avenue South Bridge that is plunked in the middle of the Burien area? I assume that there are other First Avenues South in this state, but those are the three that I am most familiar with.

Mr. Heavey: Representative Brough, thank you for that astute and insightful question. It is the First Avenue South Bridge that crosses the Duwamish River.

Mr. Barnes spoke in favor of adoption of the amendment.

POINT OF INQUIRY

Mr. Heavey yielded to question by Mr. Sanders.

Mr. Sanders: Representative Heavey, this is a pretty good amendment, but I notice that the two high occupancy vehicle lanes on the Evergreen Point Bridge were omitted from this list. Was that an inadvertent oversight on your part?

Mr. Heavey: Thank you, Representative Sanders. That was not an inadvertent oversight.

Mr. D. Sommers spoke in favor of adoption of the amendment, and Representatives Walk and Chandler opposed it.

The amendment was not adopted.

There being no objection, the rules were suspended, the second reading considered the third, and the bill was placed on final passage.

Representatives Walk, Schmidt, Vekich and Zellinsky spoke in favor of passage of the bill.

There being no objection, the rules were suspended, the second reading considered the third, and the bill was placed on final passage.

POINT OF INQUIRY

Mr. Braddock yielded to question by Mr. Locke.

Mr. Locke: Representative Braddock, you were the author of the amendment that was adopted by the House on page 1, line 12. What was the rationale for that amendment?

Mr. Braddock: Thank you, Representative Locke. The rationale is that the amendment is intended to clarify the original intent of this section of the nursing home reimbursement statute. Some confusion has been created by recent decisions of an administrative law judge in reviewing this language. The amendment clarifies the total amount of depreciation to be applied to a leased facility. The depreciation accumulated by the lessor, since the lessor purchased the facility, is to be included in the total depreciation used in calculating the lessee's reimbursement rate.

POINT OF INQUIRY

Mr. Braddock yielded to question by Ms. Silver.

Ms. Silver: In committee we understood that the reimbursement, if they owned a facility, would be the same as their leasing reimbursement. Does your amendment change that at all?

Mr. Braddock: No, it does not.

***NEW SECTION, Sec. 1.** A new section is added to chapter 4.16 RCW to read as follows:

(1) All claims or causes of action based on intentional conduct brought by any person for recovery of damages for injury suffered as a result of childhood sexual abuse shall be commenced within three years of the act alleged to have caused the injury or condition, or three years of the time the victim discovered or reasonably should have discovered that the injury or condition was caused by said act, whichever period expires later.

(2) The victim need not establish which act in a series of continuing sexual abuse or exploitation incidents caused the injury complained of, but may compute the date of discovery from the date of discovery of the last act by the same perpetrator which is part of a common scheme or plan of sexual abuse or exploitation.

(3) The knowledge of a custodial parent or guardian shall not be imputed to a person under the age of eighteen years.

(4) For purposes of this section, 'child' means a person under the age of eighteen years.

(5) As used in this section, 'childhood sexual abuse' means any act committed by the defendant against a complainant who was less than eighteen years of age at the time of the act and which act would have been a violation of chapter 9A.44 RCW or RCW 9.68A.040 or prior laws of similar effect at the time the act was committed.

Sec. 2. Section 1, chapter 80, Laws of 1971 as last amended by section 1401, chapter 212, Laws of 1987 and RCW 4.16.350 are each amended to read as follows:

Any civil action for damages for injury occurring as a result of health care which is provided after June 25, 1976 against:

(1) A person licensed by this state to provide health care or related services, including, but not limited to, a physician, osteopathic physician, dentist, nurse, optometrist, podiatrist, chiropractor, physical therapist, psychologist, pharmacist, optician, physician's assistant, osteopathic physician's assistant, nurse practitioner, or physician's trained mobile intensive care paramedic, including, in the event such person is deceased, his estate or personal representative;

(2) An employee or agent of a person described in subsection (1) of this section, acting in the course and scope of his employment, including, in the event such employee or agent is deceased, his estate or personal representative; or

(3) An entity, whether or not incorporated, facility, or institution employing one or more persons described in subsection (1) of this section, including, but not limited to, a hospital, clinic, health maintenance organization, or nursing home; or an officer, director, employee, or agent thereof acting in the course and scope of his employment, including, in the event such officer, director, employee, or agent is deceased, his estate or personal representative;

based upon alleged professional negligence shall be commenced within three years of the act or omission alleged to have caused the injury or condition, or one year of the time the patient or his representative discovered or reasonably should have discovered that the injury or condition was caused by said act or omission, whichever period expires later, except that in no event shall an action be commenced more than eight years after said act or omission: PROVIDED, That the time for commencement of an action is tolled upon proof of fraud, intentional concealment, or the presence of a foreign body not intended to have a therapeutic or diagnostic purpose or effect.

For purposes of this section, notwithstanding RCW 4.16.190, the knowledge of a custodial parent or guardian shall be imputed to a person under the age of eighteen years, and such imputed knowledge shall operate to bar the claim of such minor to the same extent that the claim of an adult would be barred under this section. Any action not commenced in accordance with this section shall be barred.

For purposes of this section, with respect to care provided after June 25, 1976, and before August 1, 1986, the knowledge of a custodial parent or guardian shall be imputed as of April 29, 1987, to persons under the age of eighteen years.

This section does not apply to a civil action based on intentional conduct brought against those individuals or entities specified in this section by a person for recovery of damages for injury occurring as a result of childhood sexual abuse as defined in section 1(5) of this act.

NEW SECTION. Sec. 3. Sections 1 and 2 of this act apply to all causes of action commenced on or after the effective date of this act, regardless of when the cause of action may have arisen. To this extent, sections 1 and 2 of this act apply retrospectively."

(ii) The employer requests relief of charges in writing within thirty days following mailing to the last known address of the notification of the initial determination of such a claim, stating the date and reason for the last leaving; and

(iii) Upon investigation of the separation, the commissioner rules that the relief should be granted.

(ii) The commissioner approves granting relief of charges.

Sec. 2, Section 5, chapter 205, Laws of 1984 as last amended by section 3, chapter 171, Laws of 1987 and RCW 50.29.025 are each amended to read as follows:

The contribution rate for each employer shall be determined under this section.

The division shall be carried to the fourth decimal place with the remaining fraction, if any, disregarded. The fund balance ratio shall be expressed as a percentage.

(2) The interval of the fund balance ratio, expressed as a percentage, shall determine which tax schedule in subsection (5) of this section shall be in effect for assigning tax rates for the rate year. The intervals for determining the effective tax schedule shall be:

1.90 to 2.39	D
1.40 to 1.89	E
Less than 1.40	F

(3) An array shall be prepared, listing all qualified employers in ascending order of their benefit ratios. The array shall show for each qualified employer: (a) Identification number; (b) benefit ratio; (c) taxable payrolls for the four calendar quarters immediately preceding the computation date and reported to the department by the cut-off date; (d) a cumulative total of taxable payrolls consisting of the employer's taxable payroll plus the taxable payrolls of all other employers preceding him or her in the array; and (e) the percentage equivalent of the cumulative total of taxable payrolls.

(4) Each employer in the array shall be assigned to one of twenty rate classes according to the percentage intervals of cumulative taxable payrolls set forth in subsection (5) of this section: PROVIDED, That if an employer's taxable payroll falls within two or more rate classes, the

employer and any other employer with the same benefit ratio shall be assigned to the lowest rate class which includes any portion of the employer's taxable payroll.

(5) The contribution rate for each employer in the array shall be the rate specified in the following table for the rate class to which he or she has been assigned, as determined under subsection (4) of this section, within the tax schedule which is to be in effect during the rate year:

The term 'employment' shall not include service performed by individuals under eighteen years of age in agricultural labor except as otherwise provided in RCW 50.04.155.

Agricultural labor is defined as services performed:

(1) On a farm, in the employ of any person, in connection with the cultivation of the soil, or in connection with raising or harvesting any agricultural or horticultural commodity, including raising, shearing, feeding, caring for, training, and management of livestock, bees, poultry, and furbearing animals and wild life, or in the employ of the owner or tenant or other operator of a farm in connection with the operation, management, conservation, improvement, or maintenance of such farm and its tools and equipment; or

The exclusions from the term 'employment' provided in this paragraph shall not be deemed to be applicable with respect to commercial packing houses, commercial storage establishments, commercial canning, commercial freezing, or any other commercial processing or with respect to services performed in connection with the cultivation, raising, harvesting and processing of oysters or raising and harvesting of mushrooms or in connection with any agricultural or horticultural commodity after its delivery to a terminal market for distribution for consumption.

NEW SECTION. Sec. 4. If any part of this act is found to be in conflict with federal requirements which are a prescribed condition to the allocation of federal funds to the state, the conflicting part of this act is hereby declared to be inoperative solely to the extent of the conflict, and such finding or determination shall not affect the operation of the remainder of this act. The rules under this act shall meet federal requirements which are a necessary condition to the receipt of federal funds by the state.

NEW SECTION. Sec. 5. Sections 2 and 3 of this act shall take effect January 1, 1989."

POINT OF ORDER

Mr. Patrick: I request a ruling on scope and object.

SPEAKER'S RULING

The Speaker: Representative Patrick, the Speaker has examined Substitute Senate Bill No. 6536 and finds that it amends the employer experience rating chapter of the unemployment compensation laws, by adding benefits paid because of a natural disaster to the list of those items which will not be charged to the employer's experience rating account. It is a bill about how we rate employer experience rating--what is included and what is not. Amendment 270, offered by Representatives Wang and R. King, amends the definition of "employment" for unemployment compensation and the exclusion for agricultural labor to persons under eighteen years of age. I find that your point is well taken, that the amendment is outside the original scope and object of the bill.

On motion of Mr. Ebersole, the rules were suspended, the second reading considered the third, and the bill was placed on final passage.

Representatives Wang and Patrick spoke in favor of passage of the bill.

ROLL CALL

The Clerk called the roll on the final passage of Substitute Senate Bill No. 6536, and the bill passed the House by the following vote: Yeas, 94; absent, 2; excused, 2.

Voting yea: Representatives Amondson, Anderson, Appelwick, Armstrong, Ballard, Barnes, Basich, Baugher, Beck, Belcher, Betrozoff, Braddock, Brekke, Brooks, Brough, Bumgarner, Butterfield, Cantwell, Chandler, Cole, Cooper, Crane, Day, Dellwo, Dorn, Doty, Ebersole, Ferguson, Fisher, Fox, Fuhrman, Gallagher, Grant, Hankins, Hargrove, Haugen, Heavey, Hine, Holland, Holm, Jacobsen, Jesernig, Jones, King P, King R, Kremen, Leonard, Lewis, Locke, Lux, May, Meyers, Miller, Moyer, Nealey, Nelson, Nutley, O'Brien, Padden, Patrick, Peery, Prince, Pruitt, Rasmussen, Rayburn, Rust, Sanders, Sayan, Schmidt, Schoon, Scott, Silver, Smith C, Sommers D, Sommers H, Spanel, Sprengle, Sutherland, Taylor, Todd, Unsoeld, Valle, Vekich, Walk, Walker, Wang, Williams B, Williams J, Wilson K, Wilson S, Wineberry, Winsley, Zellinsky, and Mr. Speaker - 94.

Absent: Representatives Bristow, Grimm - 2.

Excused: Representatives Allen, McLean - 2.

Substitute Senate Bill No. 6536, having received the constitutional majority, was declared passed. There being no objection, the title of the bill was ordered to stand as the title of the act.

SENATE BILL NO. 6537, by Senators West, Smitherman, Lee and Anderson; by request of Employment Security Department

NEW SECTION. Sec. 5. Sections 2 and 3 of this act shall take effect January 1, 1989."

POINT OF ORDER

Mr. Patrick: I request a ruling on scope and object.

SPEAKER'S RULING

The Speaker: Representative Patrick, the Speaker has examined Senate Bill No. 6537 and finds that it has to do with the admissibility of evidence in employment security hearings. Representative Wang's amendment, on the other hand, looks similar and appears to deal with the definition of employment for unemployment compensation. I find that your point is well taken, Representative Patrick, and that the amendment is outside the original scope and object of the bill.

There being no objection, the rules were suspended, the second reading considered the third, and the bill was placed on final passage.

Representatives Wang and Patrick spoke in favor of passage of the bill.

ROLL CALL

The Clerk called the roll on the final passage of Senate Bill No. 6537, and the bill passed the House by the following vote: Yeas, 96; excused, 2.

Voting yea: Representatives Amondson, Anderson, Appelwick, Armstrong, Ballard, Barnes, Basich, Baugher, Beck, Belcher, Betzoff, Braddock, Brekke, Bristow, Brooks, Brough, Bumgarner, Butterfield, Cantwell, Chandler, Cole, Cooper, Crane, Day, Deliwo, Dorn, Doty, Ebersole, Ferguson, Fisher, Fox, Fuhrman, Gallagher, Grant, Grimm, Hankins, Hargrove, Haugen, Heavey, Hine, Holland, Holm, Jacobsen, Jesernig, Jones, King P, King R, Kremen, Leonard, Lewis, Locke, Lux, May, Meyers, Miller, Moyer, Nealey, Nelson, Nutley, O'Brien, Padden, Patrick, Peery, Prince, Pruitt, Rasmussen, Rayburn, Rust, Sanders, Sayan, Schmidt, Schoon, Scott, Silver, Smith C, Sommers D, Sommers H, Spanel, Sprengle, Sutherland, Taylor,

Senate Bill No. 6537, having received the constitutional majority, was declared passed. There being no objection, the title of the bill was ordered to stand as the title of the act.

SUBSTITUTE SENATE BILL NO. 5586, by Committee on Economic Development & Labor (originally sponsored by Senators Lee, Tanner, West and Bauer; by request of Department of Labor and Industries)

Changing provisions relating to hours of labor.

The bill was read the second time. Committee on Commerce & Labor recommendation: Majority, do pass as amended. (For committee amendment, see Journal, 39th Day, February 18, 1988.)

Mr. Wang moved adoption of the committee amendment and spoke in favor of it. The committee amendment was adopted.

Mr. Wang moved adoption of the following amendment by Representatives Wang, Cole and Winsley:

Strike everything after the enacting clause and insert the following:

***NEW SECTION. Sec. 1.** The legislature finds that flexible work schedules, when developed under agreements between employers and employees, are able to provide working conditions that are advantageous to both employers and employees. However, some working conditions, such as evening hours of work, expose employees to substantial danger of injury and may result in an economic burden for both employers and employees because of lost work time, wage loss, medical expenses, and payment of industrial insurance benefits. Therefore, the purpose of this act is to allow employers and employees to enter into agreements providing for hours of labor in certain employments, but to establish security requirements in employments where needed to ensure so far as possible safe working conditions for employees.

NEW SECTION. Sec. 2. A new section is added to chapter 49.28 RCW to read as follows:

Notwithstanding the provisions of RCW 49.28.010 through 49.28.060, a contractor or subcontractor in any public works contract subject to those provisions may enter into an agreement with his or her employees in which the employees work up to ten hours in a calendar day. No such agreement may provide that the employees work ten-hour days for more than four calendar days a week. Any such agreement is subject to approval by the employees. The overtime provisions of RCW 49.28.020 shall not apply to the hours, up to forty hours per week, worked pursuant to agreements entered into under this section.

NEW SECTION. Sec. 3. Any employer whose industry is defined by the United States office of management and budget in the 1972 standard industrial classification code manual as number 5411 or 5541, and who remains open for twenty-four hours per day is required to provide the following at the workplace:

(1) Equip the workplace with sound alarm equipment that signals the police or sheriff of the jurisdiction within which the workplace is located that a robbery is taking place; and

(2) Provide training for employees in robbery and violence prevention and procedures in case of robbery or other violence.

Franchisors who require franchisees to remain open twenty-four hours per day shall be liable for any costs associated with the franchisee's compliance with this section.

NEW SECTION. Sec. 4. This chapter shall be implemented and enforced by the department of labor and industries pursuant to the Washington industrial safety and health act, chapter 49.17 RCW. Any violation of this chapter or of any rule adopted under this chapter shall subject the employer to assessment of a civil penalty under chapter 49.17 RCW. For purposes of this section, each day of a continuing violation constitutes a separate violation.

NEW SECTION. Sec. 5. An employer who refuses or fails to provide the employee training required under section 3 of this act shall be liable to the employee who is not trained for a civil penalty of one hundred dollars and for costs and such reasonable attorneys' fees as may be allowed by the court.

NEW SECTION. Sec. 6. Each employer shall make, keep, preserve, and make available to the director of labor and industries such records regarding the employer's activities relating to this chapter as the director may prescribe by rule as necessary or appropriate for the enforcement of this chapter.

NEW SECTION. Sec. 7. Sections 3 through 6 of this act shall constitute a new chapter in Title 49 RCW.

POINT OF ORDER

Mr. Patrick: I request a ruling on scope and object.

SPEAKER'S RULING

The Speaker: Representative Patrick, Substitute Senate Bill No. 5586 appears to amend the law on public works contracts to authorize contractors to enter agreements with their employees for flexible work schedules up to ten hours a day. The amendment, offered by Representative Wang and others, requires certain businesses who remain open for twenty-four hours to provide worker safety equipment and training. Once again, we find that the amendment is not within the original scope and object of the bill. Your point is well taken; the amendment is out of scope and object.

There being no objection, the rules were suspended, the second reading considered the third, and the bill was placed on final passage.

Representatives Wang and Patrick spoke in favor of passage of the bill.

ROLL CALL

The Clerk called the roll on the final passage of Substitute Senate Bill No. 5586 as amended by the House, and the bill passed the House by the following vote: Yeas, 96; excused, 2.

Voting yea: Representatives Amondson, Anderson, Appelwick, Armstrong, Ballard, Barnes, Basich, Baugher, Beck, Belcher, Betzoff, Braddock, Brekke, Bristow, Brooks, Brough, Bumgarner, Butterfield, Cantwell, Chandler, Cole, Cooper, Crane, Day, Dellwo, Dorn, Doty, Ebersole, Ferguson, Fisher, Fox, Fuhrman, Gallagher, Grant, Grimm, Hankins, Hargrove, Haugen, Heavey, Hine, Holland, Holm, Jacobsen, Jesernig, Jones, King P, King R, Kremen, Leonard, Lewis, Locke, Lux, May, Meyers, Miller, Moyer, Nealey, Nelson, Nutley, O'Brien, Padden, Patrick, Peery, Prince, Pruitt, Rasmussen, Rayburn, Rust, Sanders, Sayan, Schmidt, Schoon, Scott, Silver, Smith C, Sommers D, Sommers H, Spanel, Sprengle, Sutherland, Taylor, Todd, Unsoeld, Valle, Vekich, Walk, Walker, Wang, Williams B, Williams J, Wilson K, Wilson S, Wineberry, Winsley, Zellinsky, and Mr. Speaker - 96.

Excused: Representatives Allen, McLean - 2.

Substitute Senate Bill No. 5586 as amended by the House, having received the constitutional majority, was declared passed. There being no objection, the title of the bill was ordered to stand as the title of the act.

MOTION

SUBSTITUTE SENATE BILL NO. 6024, by Committee on Agriculture (originally sponsored by Senators Halsan, Barr, Benitz and Hansen)

Prohibiting restriction or denial of certain agriculturally related hydraulic project permits.

Mr. Sutherland moved adoption of the following amendment by Representatives Kremen and Chandler:

On page 8, after line 2, insert the following:

***NEW SECTION.** Sec. 4. In certain agricultural areas of the state the composition of the soil and the topography combine to create flood-prone conditions. Unless accumulated sand and gravel are removed from these rivers and streams on a regular basis a heavy rainstorm may cause a disastrous flood. The practices of the department of natural resources in establishing

rates charged to commercial sand and gravel businesses cause the businesses to obtain their product from upland sources rather than from rivers and streams. As a consequence, sand and gravel accumulate in the streams and many communities are threatened with periodic, severe floods. These floods are more frequent and severe because of the accumulation of material in the rivers.

NEW SECTION. Sec. 5. The department of natural resources and the department of ecology shall study methods of diminishing flood risks by encouraging sand and gravel businesses to remove excess accumulation of materials from the beds of rivers and streams in agricultural areas. By December 1, 1989, the department of natural resources and the department of ecology shall report the results of this study to the appropriate legislative committees. In preparing the study and report, the departments shall work with the Washington association of conservation districts, the conservation commission, representation from the private sand and gravel industry, the department of fisheries, and the department of wildlife to identify alternative aquatic land management policies to diminish the risks of flooding and identify methods of adjusting sand and gravel prices annually to reflect local market conditions."

Renumber the sections consecutively and correct any internal references accordingly.

Representatives Sutherland, Kremen and Chandler spoke in favor of adoption of the amendment, and it was adopted.

On motion of Mr. Sutherland, the following amendments to the title were adopted:

On page 1, line 1 of the title, after "areas;" strike "and"

On page 1, line 2 of the title, after "75.20.130" insert "; and creating new sections"

There being no objection, the rules were suspended, the second reading considered the third, and the bill was placed on final passage.

Representatives Rayburn, Rasmussen, Nealey, Baugher and Kremen spoke in favor of passage of the bill.

POINT OF INQUIRY

Ms. Rayburn yielded to question by Ms. Miller.

Ms. Miller: Representative Rayburn, I would like a further definition of how the perpetual permit would work. My concern is the ability to get into the stream outside of spawning time. Would the perpetual permit explain that at certain times in the season, when we do have spawning activity going on, you would not be able to work in the streams?

Ms. Rayburn: Thank you, I will try to answer that question. It is a very complicated piece of legislation, but the permitting process is not being usurped at all. There still will be a review, but by the consideration of this legislation they will look at seasonal needs such as high water and trees washing down the rivers. I would imagine that fish would be a part of that consideration. It does look at seasonal needs.

Representatives Miller and Sutherland spoke in favor of passage of the bill.

However, if federal funding is provided or increased to provide for the financing of the services specified in this act, or if the legislature appropriates funds for such services in the 1988 omnibus appropriations act adopted prior to July 1, 1988, the appropriation under this section shall be reduced by the amount that federal funding is increased specifically for such services, or by the amount of such appropriation in the 1988 omnibus appropriations act. This portion of the state appropriation under this section shall be deposited in the unemployment compensation fund.

NEW SECTION. Sec. 10. If any part of this act shall be found to be in conflict with federal requirements which are a prescribed condition to the allocation of federal funds to the state, such conflicting part of this act is hereby declared to be inoperative solely to the extent of such conflict, and such finding or determination shall not affect the operation of the remainder of this act. The rules under this act shall meet federal requirements which are a necessary condition to the receipt of federal funds by the state.

Renumber the remaining sections accordingly.

POINT OF ORDER

Ms. Rust: I would like to ask the Speaker to give us a scope and object ruling on this amendment.

With consent of the House, Mr. Hargrove withdrew the amendment.

POINT OF PERSONAL PRIVILEGE

Mr. Hargrove: Thank you, Mr. Speaker. The reason I introduced this amendment, that has now been withdrawn, is to bring to your attention an action that our forest board has currently taken. Recently we have decided to delay selling thirty-eight sales of old growth timber on the Olympic Peninsula. These particular sales are worth close to sixty million dollars at a time....

POINT OF ORDER

Mr. Sayan: I don't believe we are interested in a third reading speech on a withdrawn amendment.

The Speaker (Mr. Locke presiding): Representative Hargrove, the Speaker will allow a great deal of latitude on expressing a point of personal privilege, but you began your remarks by indicating the reasons for withdrawing your amendment and I ask that you confine your remarks to that point with some latitude.

POINT OF PERSONAL PRIVILEGE

Mr. Hargrove: Thank you, Mr. Speaker. I withdrew my amendment because I didn't feel that we ought to throw the Governor and the SPI and those people in jail. However, I am still concerned with the fact that sixty million dollars worth of timber will not be cut now, and we have a three hundred million dollar shortfall in the public school construction account.

The Speaker (Mr. Locke presiding): Excuse me, Representative Hargrove. The Speaker has allowed you a great deal of latitude and the Speaker finds that you are now exceeding that latitude and that this is no longer a point of personal privilege.

POINT OF PERSONAL PRIVILEGE

Mr. Amondson: Mr. Speaker, if I may, I would like to comment on the amendment that was withdrawn.

The Speaker (Mr. Locke presiding): Representative Amondson, since the amendment has been withdrawn, the Speaker finds that there is no further discussion of that amendment and that a point of personal privilege would not be in order nor any further comments.

POINT OF INFORMATION

Mr. Padden: I am trying to understand the Speaker's ruling. On one hand he allowed the gentleman from the 24th district to speak on a point of personal privilege regarding the amendment—in fact, indicated that he should restrict his remarks to why the amendment was withdrawn—and yet when the gentleman from the 20th district rose on a point of personal privilege on the same matter, the Speaker did not allow it. It would appear that the Speaker's ruling could be arbitrary and capricious. I want to inquire further as to what the rationale was and see if the Speaker would reconsider that ruling, since the gentleman from the 24th district was granted some latitude.

The Speaker (Mr. Locke presiding): Representative Padden, Representative Hargrove rose to make a point of personal privilege to explain why he was withdrawing the amendment. Since he was withdrawing the amendment, the Speaker allowed him limited latitude. When he began to exceed that latitude, Representative Hargrove was found to be out of order and no further discussion was allowed. I think the Speaker has ruled consistently and is not arbitrary and capricious.

With consent of the House, the committee amendment to the title was adopted.

There being no objection, the rules were suspended, the second reading considered the third, and the bill was placed on final passage.

Representatives Amondson, Hargrove and Schoon spoke in favor of passage of the bill.

The Speaker (Mr. Locke presiding) called on Representative O'Brien to preside.

On page 3, line 5, after "Requiring a" insert "written"

Ms. Walker spoke in favor of adoption of the amendment, and it was adopted.

Mr. Pruitt moved adoption of the following amendment by Representatives Pruitt and Walker:

On page 3, line 7, after "range" strike "shall" and insert "may"

Mr. Pruitt spoke in favor of adoption of the amendment.

POINT OF INQUIRY

Mr. Pruitt yielded to question by Mr. Schoon.

Mr. Schoon: Representative Pruitt, in the event that the range may be stated in fifteen percent increments--fifteen percent is a substantial amount. If we put it in variable, will GSA then in their responses receive from people bidding very vague quantities? In other words, with the language in the bill as it is, that it shall be stated in fifteen percent increments, we know that it will be 0-15, 15-30, 30-45. How do you envision changing it to "may"--what kind of increments would GSA then come up with?

Mr. Pruitt: Representative Schoon, the intent of the amendment is really to give GSA the authority to be flexible in what range they do set up relating to any given product.

The amendment was adopted.

There being no objection, the rules were suspended, the second reading considered the third, and the bill was placed on final passage.

Representatives Pruitt, Schoon, Walker and Ferguson spoke in favor of passage of the bill.

For a revocation under section 7 of this act, the department shall not issue a new license unless it is satisfied after investigation of the driving ability of the person that it will be safe to grant that person the privilege of driving a motor vehicle on the public highways. A resident without a license or permit whose license or permit was revoked under RCW 46.20.308(6) shall give and thereafter maintain proof of financial responsibility for the future as provided in chapter 46.29 RCW.

(3) Whenever the driver's license of any person is suspended pursuant to Article IV of the nonresident violators compact or RCW 46.23.020, the suspension shall remain in effect and the department shall not issue to the person any new or renewal license until the person pays a reinstatement fee of twenty dollars. If placement in an alcohol treatment facility is deemed appropriate, the petition shall allege that: The person is an alcoholic who is incapacitated by alcohol, or that the person has twice before in the preceding twelve months been admitted for (the voluntary) detoxification or treatment for alcoholism pursuant to RCW 70.96A.110 and is in need of a more sustained treatment program, or that the person is an alcoholic who has threatened, attempted, or inflicted physical harm on another and is likely to inflict physical harm on another unless committed. A refusal to undergo treatment, by itself, does not constitute evidence of lack of judgment as to the need for treatment. The petition shall be accompanied by a certificate of a licensed physician who has examined the person within ((two)) five days before submission of the petition, unless the person whose commitment is sought has refused to submit to a medical examination, in which case the fact of refusal shall be alleged in the petition. The certificate shall set forth the licensed physician's findings in support of the allegations of the petition. A physician employed by the petitioning facility or the department is ((not)) eligible to be the certifying physician.

(2) Upon filing the petition, the court shall fix a date for a hearing no less than ~~((three))~~ two and no more than seven days after the date the petition was filed unless the person petitioned against is presently being detained ~~((by the))~~ in a facility, pursuant to RCW 70.96A.120 or 71.05.210, as now or hereafter amended, in which case the hearing shall be held within seventy-two hours of the filing of the petition: PROVIDED, HOWEVER, That the above specified seventy-two hours shall be computed by excluding Saturdays, Sundays, and holidays: PROVIDED FURTHER, That, the court may, upon motion of the person whose commitment is sought, or upon motion of petitioner with written permission of the person whose commitment is sought, or his or her counsel and, upon good cause shown, extend the date for the hearing. A copy of the petition and certificate shall be delivered to each person notified.

(3) At the hearing the court shall hear all relevant testimony, including, if possible, the testimony, which may be telephonic, of at least one licensed physician who has examined the person whose commitment is sought. The person shall be present unless the court believes that his or her presence is likely to be injurious to him or her; in this event the court may deem it appropriate to appoint a guardian ad litem to represent him or her throughout the proceeding. If deemed advisable, the court may examine the person out of courtroom. If the person has refused to be examined by a licensed physician, he or she shall be given an opportunity to be examined by a court appointed licensed physician. If he or she refuses and there is sufficient evidence to believe that the allegations of the petition are true, or if the court believes that more medical evidence is necessary, the court may make a temporary order committing him or her to the department for a period of not more than five days for purposes of a diagnostic examination.

(4) If after hearing all relevant evidence, including the results of any diagnostic examination, the court finds that grounds for involuntary commitment have been established by clear, cogent, and convincing proof, it shall make an order of commitment to an approved treatment facility. It shall not order commitment of a person unless it determines that an approved treatment facility is able to provide adequate and appropriate treatment for him or her ~~((and the treatment is likely to be beneficial))~~.

(5) A person committed under this section shall remain in the facility for treatment for a period of ~~((thirty))~~ sixty days unless sooner discharged. At the end of the ~~((thirty))~~ sixty-day period, he or she shall be discharged automatically unless the facility, before expiration of the period, files a petition for his or her recommitment upon the grounds set forth in subsection (1) of this section for a further period of ninety days unless sooner discharged. If a person has been committed because he or she is an alcoholic likely to inflict physical harm on another, the facility shall apply for recommitment if after examination it is determined that the likelihood still exists.

~~(6) (A person recommitted under subsection (5) of this section who has not been discharged by the facility before the end of the ninety day period shall be discharged at the expiration of that period unless the facility, before expiration of the period, obtains a court order on the grounds set forth in subsection (1) of this section for recommitment for a further period not to exceed ninety days. If a person has been committed because he or she is an alcoholic likely to inflict physical harm on another, the facility shall apply for recommitment if after examination it is determined that the likelihood still exists. Only two recommitment orders under subsections (5) and (6) of this section are permitted.~~

~~(7))~~ Upon the filing of a petition for recommitment under subsection ~~((s))~~ (5) ~~((or (6)))~~ of this section, the court shall fix a date for hearing no less than ~~((three))~~ two and no more than seven days after the date the petition was filed: PROVIDED, That, the court may, upon motion of the person whose commitment is sought and upon good cause shown, extend the date for the hearing. A copy of the petition and of the notice of hearing, including the date fixed by the court, shall be served by the treatment facility on the person whose commitment is sought, his or her next of kin, the original petitioner under subsection (1) of this section if different from the petitioner for recommitment, one of his or her parents or his or her legal guardian if he or she is a minor, and his or her attorney and any other person the court believes advisable. At the hearing the court shall proceed as provided in subsection (3) of this section.

~~((#))~~ (7) The approved treatment facility shall provide for adequate and appropriate treatment of a person committed to its custody. A person committed under this section may be transferred from one approved public treatment facility to another if transfer is medically advisable.

~~((#))~~ (8) A person committed to the custody of a facility for treatment shall be discharged at any time before the end of the period for which he or she has been committed and he or she shall be discharged by order of the court if either of the following conditions are met:

(a) In case of an alcoholic committed on the grounds of likelihood of infliction of physical harm upon himself, herself, or another, ~~((that he or she is no longer an alcoholic or))~~ the likelihood no longer exists; or further treatment will not be likely to bring about significant improvement in the person's condition, or treatment is no longer adequate or appropriate.

(b) In case of an alcoholic committed on the grounds of the need of treatment and incapacity, that the incapacity no longer exists.

((+0)) (9) The court shall inform the person whose commitment or recommitment is sought of his or her right to contest the application, be represented by counsel at every stage of any proceedings relating to his or her commitment and recommitment, and have counsel appointed by the court or provided by the court, if he or she wants the assistance of counsel and is unable to obtain counsel. If the court believes that the person needs the assistance of counsel, the court shall require, by appointment if necessary, counsel for him or her regardless of his or her wishes. The person shall, if he or she is financially able, bear the costs of such legal service; otherwise such legal service shall be at public expense. The person whose commitment or recommitment is sought shall be informed of his or her right to be examined by a licensed physician of his or her choice. If the person is unable to obtain a licensed physician and requests examination by a physician, the court shall employ a licensed physician.

((+1)) (10) A person committed under this chapter may at any time seek to be discharged from commitment by writ of habeas corpus in a court of competent jurisdiction.

((+2)) (11) The venue for proceedings under this section is the county in which person to be committed resides or is present.

(12) When in the opinion of the professional person in charge of the facility providing involuntary treatment under this chapter, the committed patient can be appropriately served by less restrictive treatment before expiration of the period of commitment, then the less restrictive care may be required as a condition for early release for a period which, when added to the initial treatment period, does not exceed the period of commitment. If the facility designated to provide the less restrictive treatment is other than the facility providing the initial involuntary treatment, the facility so designated must agree in writing to assume such responsibility. A copy of the conditions for early release shall be given to the patient, the designated county alcoholism specialist, and the court of original commitment. The facility designated to provide less restrictive care may modify the conditions for continued release when the modifications are in the best interests of the patient. If the facility providing less restrictive care and the designated county alcoholism specialist determine that a conditionally released patient is failing to adhere to the terms and conditions of his or her release, or that substantial deterioration in the patient's functioning has occurred, then the designated county alcoholism specialist shall notify the court of original commitment and request a hearing to be held no less than two and no more than seven days after the date of the request to determine whether or not the person should be returned to more restrictive care. The designated alcoholism specialist shall file a petition with the court stating the facts substantiating the need for the hearing along with the treatment recommendations. The patient shall have the same rights with respect to notice, hearing, and counsel as for the original involuntary treatment proceedings. The issues to be determined at the hearing are whether the conditionally released patient did or did not adhere to the terms and conditions of his or her release to less restrictive care or that substantial deterioration of the patient's functioning has occurred and whether the conditions of release should be modified or the person should be returned to a more restrictive facility. The hearing may be waived by the patient and his or her counsel and his or her guardian or conservator, if any, but may not be waived unless all such persons agree to the waiver. Upon waiver, the person may be returned for involuntary treatment or continued on conditional release on the same or modified conditions."

Providing funding for special employer services provided by the employment security department.

The Speaker stated the question before the House to be the point of order by Representative Patrick regarding the scope and object of the amendment by Representatives Wang and R. King to the committee amendment.

SPEAKER'S RULING

The Speaker: Representative Patrick, Substitute Senate Bill No. 6294 amends state unemployment compensation laws to establish a special job services program funded through a surcharge on employer rates. The program covers several areas including certification services relating to the Federal Immigration and Control Act of 1986, improved data collection and analysis of employment in the agricultural industry, and funds to increase employment services for agricultural workers "to ensure farmworkers are provided the full range of employment services available." Amendment 346 strikes and reinserts several sections of the Senate bill. In addition, it changes the definition of "employment" within the unemployment compensation law for persons employed in the agricultural industry. The Speaker finds that the scope of Substitute Senate Bill No. 6294 covers a broad range of issues on unemployment laws, especially in the area of services to farmworkers. Therefore, the Speaker finds that amendment 346 is within the scope and object of the bill. The point of order is not well taken.

MESSAGE FROM THE SENATE

March 4, 1988

Mr. Speaker:

The Senate has passed:

HOUSE CONCURRENT RESOLUTION NO. 4446,

and the same is herewith transmitted.

W. D. Naismith, Assistant Secretary.

There being no objection, the House advanced to the sixth order of business.

SECOND READING

MOTION

Mr. Meyers moved that the House immediately consider Substitute Senate Bill No. 6512 on second reading. The motion was carried.

SUBSTITUTE SENATE BILL NO. 6512, by Committee on Agriculture (originally sponsored by Senators Hansen, Barr, Halsan, Bailey and Rinehart)

Exempting land enrolled in the federal conservation reserve program from state property and excise taxes.

The bill was read the second time. There being no objection, the rules were suspended, the second reading considered the third, and the bill was placed on final passage.

Representatives Grant, Schoon and Rayburn spoke in favor of passage of the bill, and Ms. Rust opposed it.

POINT OF ORDER

Mr. Schoon: Would you please have the Representative from the 1st District address this bill and not other bills that we have had before us?

The Speaker (Mr. O'Brien presiding): Representative Rust, could you hold your remarks to the subject matter and then perhaps talk about the effects of tax exemption relative to the state revenues? I would like you to hold your remarks generally to the subject matter of the bill.

Ms. Rust continued her remarks in opposition to passage of the bill.

POINT OF ORDER

Ms. Brough: Mr. Speaker, I would suggest that it would be appropriate to remind the speaker before she is allowed to go on and on regarding a subject that has nothing to do with the bill before us, especially after it has been pointed out once before.

The Speaker (Mr. O'Brien presiding): Representative Rust has finished her remarks.

Representatives Baugher and Nealey spoke in favor of passage of the bill, and Ms. H. Sommers opposed it.

POINT OF INQUIRY

Ms. H. Sommers yielded to question by Mr. Sanders.

Mr. Sanders: Can you tell me what the amount of this tax exemption is?

Ms. H. Sommers: No, I cannot. I think that is indicative of the kind of thing that we are dealing with. We do not have before us exactly what this is costing us.

Mr. Bumgarner spoke in favor of passage of the bill.

POINT OF INQUIRY

Mr. Grimm yielded to question by Mr. Sanders.

Mr. Sanders: Representative Grimm, can you tell us the fiscal impact of this tax exemption?

Mr. Grimm: In response to the question from the gentleman from the 48th Legislative District, the answer is that Substitute Senate Bill No. 6512 puts into statute what is currently in rule and regulation of the Department of Revenue relative to sales, business and occupation, and property taxation under the Open Space Act provisions. As a result, there is no fiscal impact that can be identified solely from this change, because the rules and regulations are, of course, promulgated under the authority of statute.

Mr. Sanders: Thank you, Representative Grimm. Is there any estimate of what this would be as a fiscal impact if we actually applied it?

Mr. Grimm: In response to your second question, the answer is I don't know.

Mr. Sanders spoke against passage of the bill, and Representatives Baugher and Nealey again spoke in favor of it.

An agency's, the department's, or a legal guardian's consent to adoption may be dispensed with if the court determines by clear, cogent and convincing evidence that the proposed adoption is in the best interests of the adoptee ~~((and that the refusal to consent to adoption is arbitrary and capricious))~~.

Sec. 2. Section 49, chapter 291, Laws of 1977 ex. sess. as amended by section 49, chapter 155, Laws of 1979 and RCW 13.34.210 are each amended to read as follows:

If, upon entering an order terminating the parental rights of a parent, there remains no parent having parental rights, the court shall commit the child to the custody of the department of social and health services or to a licensed child-placing agency willing to accept custody for the purpose of placing the child for adoption, or in the absence thereof in a licensed foster home, or take other suitable measures for the care and welfare of the child. The custodian shall have authority to consent to the adoption of the child consistent with chapter 26.33 RCW, the marriage of the child, the enlistment of the child in the armed forces of the United States, necessary surgical and other medical treatment for the child, and to consent to such other matters as might normally be required of the parent of the child.

If a child has not been adopted within six months after the date of the order and a general guardian of the child has not been appointed by the court, the child shall be returned to the court for entry of further orders for his or her care, custody, and control, and the court shall review the case every six months thereafter until a decree of adoption is entered.

NEW SECTION. Sec. 3. A new section is added to chapter 26.33 RCW to read as follows:

The legislature declares that its intent is to allow for an open adoption process when extraordinary circumstances demonstrate that some parent-child contact will best serve the child's interest and will not jeopardize the parent-child relationship established between the child and adoptive parents in the adoptive placement.

Sec. 4. Section 6, chapter 155, Laws of 1984 and RCW 26.33.060 are each amended to read as follows:

All hearings under this chapter shall be heard by the court without a jury. Unless the parties and the court agree otherwise, proceedings of contested hearings shall be recorded. The

general public shall be excluded and only those persons shall be admitted whose presence is requested by any person entitled to notice under this chapter or whom the judge finds to have a direct interest in the case or in the work of the court. Persons so admitted shall not disclose any information obtained at the hearing which would identify the individual adoptee or parent involved except in accordance with an adoption contract issued in open adoptions under section 6 of this act. The court may require the presence of witnesses deemed necessary to the disposition of the petition, including persons making any report, study, or examination which is before the court if those persons are reasonably available. A person who has executed a valid waiver need not appear at the hearing. If the court finds that it is in the child's best interest, the child may be excluded from the hearing.

Sec. 5. Section 33, chapter 155, Laws of 1984 and RCW 26.33.330 are each amended to read as follows:

(1) 'Open adoption' means a written and mutually agreed upon plan for written or oral communication between an adoptive family and birth parents or between an adopted child and birth parents. The written plan may also specify a schedule of in-person visitation.

(2) In an original adoption proceeding, the court may order that an adoption be declared 'open' if the court finds that:

(a) All parties to the proceeding, including the birth parents, agree that the adoption should be declared 'open';

(b) It is in the child's best interest to have access to information about the natural parents; and

(c) The child's best interests will be served by allowing information about the child to be known by the natural parents.

(3) Any party to the proceeding may file a proposed adoption contract that shall be reviewed by the court and included in the adoption order in the discretion of the court. The adoption contract shall include:

(a) A method of initiating contact between the child and the natural parents, if such contact is agreed to;

(b) The nature of any visitation schedule or agreement between the parties, if visitation is agreed to;

(c) A statement of the child's right to refuse contact with the natural parents at any time;

(d) A method for dispute resolution in the event of difficulties in implementing the adoption contract; and
