(a) It has submitted at least thirty days prior to the offering of services reviewable under RCW 70.38.105(4)(d) an application for such exemption; and

(b) The application contains such information respecting the organization, combination, or facility and the proposed offering or obligation by a nursing home as the department may require to determine if the organization or combination meets the requirements of subsection (1) of this section or the facility meets or will meet such requirements; and

(c) The department approves such application. The department shall approve or disapprove an application for exemption within thirty days of receipt of a completed application. In the case of a proposed health care facility (or portion thereof) which has not begun to provide tertiary health services on the date an application is submitted under this subsection with respect to such facility (or portion), the facility (or portion) shall meet the applicable requirements of subsection (1) of this section when the facility first provides such services. The department shall approve an application submitted under this subsection if it determines that the applicable requirements of subsection (1) of this section are met.

(3) A health care facility (or any part thereof) with respect to which an exemption was granted under subsection (1) of this section may not be sold or leased and a controlling interest in such facility or in a lease of such facility may not be acquired and a health care facility described in (1)(c) which was granted an exemption under subsection (1) of this section may not be used by any person other than the lessee described in (1)(c) unless:

(a) The department issues a certificate of need approving the sale, lease, acquisition, or use; or

(b) The department determines, upon application, that (i) the entity to which the facility is proposed to be sold or leased, which intends to acquire the controlling interest, or which intends to use the facility is a health maintenance organization or a combination of health maintenance organizations which meets the requirements of (1)(a)(i), and (ii) with respect to such facility, meets the requirements of (1)(a)(ii) or (iii) or the requirements of (1)(b)(i) and (ii).

(4) In the case of a health maintenance organization, an ambulatory care facility, or a health care facility, which ambulatory or health care facility is controlled, directly or indirectly, by a health maintenance organization or a combination of health maintenance organizations, the department may under the program apply its certificate of need requirements to the offering of inpatient tertiary health services to the extent that such offering is not exempt under the provisions of this section or RCW 70.38.105(7).

(5)(a) The department shall not require a certificate of need for the construction, development, or other establishment of a nursing home, or the addition of beds to an existing nursing home, that is owned and operated by a continuing care retirement community that:

(i) Offers services only to contractual members;

(ii) Provides its members a contractually guaranteed range of services from independent living through skilled nursing, including some assistance with daily living activities;

(iii) Contractually assumes responsibility for the cost of services exceeding the member's financial responsibility under the contract, so that no third party, with the exception of insurance purchased by the retirement community or its members, but including the medicaid program, is liable for costs of care even if the member depletes his or her personal resources;

(iv) Has offered continuing care contracts and operated a nursing home continuously since January 1, 1988, or has obtained a certificate of need to establish a nursing home;

(v) Maintains a binding agreement with the state assuring that financial liability for services to members, including nursing home services, will not fall upon the state;

(vi) Does not operate, and has not undertaken a project that would result in a number of nursing home beds in excess of one for every four living units operated by the continuing care retirement community, exclusive of nursing home beds; and

(vii) Has obtained a professional review of pricing and long-term solvency within the prior five years which was fully disclosed to members.

(b) A continuing care retirement community shall not be exempt under this subsection from obtaining a certificate of need unless:

(i) It has submitted an application for exemption at least thirty days prior to commencing construction of, is submitting an application for the licensure of, or is commencing operation of a nursing home, whichever comes first; and

(ii) The application documents to the department that the continuing care retirement community qualifies for exemption.

(c) The sale, lease, acquisition, or use of part or all of a continuing care retirement community nursing home that qualifies for exemption under this subsection shall require prior certificate of need approval to qualify for licensure as a nursing home unless the department determines such sale, lease, acquisition, or use is by a continuing care retirement community that meets the conditions of (a) of this subsection.

(6) A rural hospital, as defined by the department, reducing the number of licensed beds to become a rural primary care hospital under the provisions of Part A Title XVIII of the Social Security Act Section 1820, 42 U.S.C., 1395c et seq. may, within three years of the reduction of beds licensed under chapter 70.41 RCW, increase the number of licensed beds to no more than the previously licensed number without being subject to the provisions of this chapter.

(7) A rural health care facility licensed under RCW 70.175.100 formerly licensed as a hospital under chapter 70.41 RCW may, within three years of the effective date of the rural health care facility license, apply to the department for a hospital license and not be subject to the requirements of RCW 70.38.105(4)(a) as the construction, development, or other establishment of a new hospital, provided there is no increase in the number of beds previously licensed under chapter 70.41 RCW and there is no redistribution in the number of beds used for acute care or long-term care, the rural health care facility has been in continuous operation, and the rural health care facility has not been purchased or leased.

(8)(a) A nursing home that voluntarily reduces the number of its licensed beds to provide assisted living, licensed assisted living facility care, adult day care, adult day health, respite care, hospice, outpatient therapy services, congregate meals, home health, or senior wellness clinic, or to reduce to one or two the number of beds per room or to otherwise enhance the quality of life for residents in the nursing home, may convert the original facility or portion of the facility back, and thereby increase the

number of nursing home beds to no more than the previously licensed number of nursing home beds without obtaining a certificate of need under this chapter, provided the facility has been in continuous operation and has not been purchased or leased. Any conversion to the original licensed bed capacity, or to any portion thereof, shall comply with the same life and safety code requirements as existed at the time the nursing home voluntarily reduced its licensed beds; unless waivers from such requirements were issued, in which case the converted beds shall reflect the conditions or standards that then existed pursuant to the approved waivers.

(b) To convert beds back to nursing home beds under this subsection, the nursing home must:

(i) Give notice of its intent to preserve conversion options to the department of health no later than thirty days after the effective date of the license reduction; and

(ii) Give notice to the department of health and to the department of social and health services of the intent to convert beds back. If construction is required for the conversion of beds back, the notice of intent to convert beds back must be given, at a minimum, one year prior to the effective date of license modification reflecting the restored beds; otherwise, the notice must be given a minimum of ninety days prior to the effective date of license modification reflecting the restored beds. Prior to any license modification to convert beds back to nursing home beds under this section, the licensee must demonstrate that the nursing home meets the certificate of need exemption requirements of this section.

The term "construction," as used in (b)(ii) of this subsection, is limited to those projects that are expected to equal or exceed the expenditure minimum amount, as determined under this chapter.

(c) Conversion of beds back under this subsection must be completed no later than four years after the effective date of the license reduction. However, for good cause shown, the four-year period for conversion may be extended by the department of health for one additional four-year period.

(d) Nursing home beds that have been voluntarily reduced under this section shall be counted as available nursing home beds for the purpose of evaluating need under RCW 70.38.115(2) (a) and (k) so long as the facility retains the ability to convert them back to nursing home use under the terms of this section.

(e) When a building owner has secured an interest in the nursing home beds, which are intended to be voluntarily reduced by the licensee under (a) of this subsection, the applicant shall provide the department with a written statement indicating the building owner's approval of the bed reduction.

(9)(a) The department shall not require a certificate of need for a hospice agency if:

(i) The hospice agency is designed to serve the unique religious or cultural needs of a religious group or an ethnic minority and commits to furnishing hospice services in a manner specifically aimed at meeting the unique religious or cultural needs of the religious group or ethnic minority;

(ii) The hospice agency is operated by an organization that:

(A) Operates a facility, or group of facilities, that offers a comprehensive continuum of long-term care services, including, at a minimum, a licensed, medicare-certified nursing home, assisted living, independent living, day health, and various community-based support services, designed to meet the unique social, cultural, and religious needs of a specific cultural and ethnic minority group;

(B) Has operated the facility or group of facilities for at least ten continuous years prior to the establishment of the hospice agency;

(iii) The hospice agency commits to coordinating with existing hospice programs in its community when appropriate;

(iv) The hospice agency has a census of no more than forty patients;

(v) The hospice agency commits to obtaining and maintaining medicare certification;

(vi) The hospice agency only serves patients located in the same county as the majority of the long-term care services offered by the organization that operates the agency; and

(vii) The hospice agency is not sold or transferred to another agency.

(b) The department shall include the patient census for an agency exempted under this subsection (9) in its calculations for future certificate of need applications.

(10) To alleviate the need to board psychiatric patients in emergency departments, for fiscal year 2015 the department shall suspend the certificate of need requirement for a hospital licensed under chapter 70.41 RCW that changes the use of licensed beds to increase the number of beds to provide psychiatric services, including involuntary treatment services. A certificate of need exemption under this section shall be valid for two years.

Sec. 186. RCW 18.205.040 and 2008 c 135 s 17 are each amended to read as follows:

(1) Except as provided in subsection (2) of this section, nothing in this chapter shall be construed to authorize the use of the title "certified chemical dependency professional" or "certified chemical dependency professional trainee" when treating patients in settings other than programs approved under chapter 70.96A RCW.

(2) A person who holds a credential as a "certified chemical dependency professional" or a "certified chemical dependency professional trainee" may use such title when treating patients in settings other than programs approved under chapter 70.96A RCW if the person also holds a license as: An advanced registered nurse practitioner under chapter 18.79 RCW; a marriage and family therapist, mental health counselor, advanced social worker, or independent clinical social health worker under chapter 18.225 RCW; a psychologist under chapter 18.83 RCW; an osteopathic physician under chapter 18.57 RCW; an osteopathic physician assistant under chapter 18.57A RCW; a physician under chapter 18.71 RCW; or a physician assistant under chapter 18.71A RCW.

Sec. 187. RCW 70.96A.350 and 2013 2nd sp.s. c 4 s 990 are each amended to read as follows:

(1) The criminal justice treatment account is created in the state treasury. Moneys in the account may be expended solely for: (a) Substance abuse treatment and treatment support services for offenders with an addiction or a substance abuse problem that, if not treated, would result in addiction, against whom charges are filed by a prosecuting attorney in Washington state; (b) the provision of drug and alcohol treatment services and treatment support services for nonviolent offenders within a drug court program; (c) the administrative and overhead costs associated with the operation of a drug court; and (d) during the 2011-2013 biennium, the legislature may appropriate up to three million dollars from the account in order to offset reductions in the state general fund for treatment services provided by counties. This amount is not subject to the requirements of subsections (5) through (9) of this section. During the 2013-2015 fiscal biennium, the legislature may transfer from the criminal justice treatment account to the state general fund amounts as reflect the state savings associated with the implementation of the medicaid expansion of the federal affordable care act. Moneys in the account may be spent only after appropriation.

(2) For purposes of this section:

(a) "Treatment" means services that are critical to a participant's successful completion of his or her substance abuse treatment program, but does not include the following services: Housing other than that provided as part of an inpatient substance abuse treatment program, vocational training, and mental health counseling; and

(b) "Treatment support" means transportation to or from inpatient or outpatient treatment services when no viable alternative exists, and child care services that are necessary to ensure a participant's ability to attend outpatient treatment sessions.

(3) Revenues to the criminal justice treatment account consist of: (a) Funds transferred to the account pursuant to this section; and (b) any other revenues appropriated to or deposited in the account.

(4)(a) For the fiscal biennium beginning July 1, 2003, the state treasurer shall transfer eight million nine hundred fifty thousand dollars from the general fund into the criminal justice treatment account, divided into eight equal quarterly payments. For the fiscal year beginning July 1, 2005, and each subsequent fiscal year, the state treasurer shall transfer eight million two hundred fifty thousand dollars from the general fund to the criminal justice treatment account, divided into four equal quarterly payments. For the fiscal year beginning July 1, 2006, and each subsequent fiscal year, the amount transferred shall be increased on an annual basis by the implicit price deflator as published by the federal bureau of labor statistics.

(b) In each odd-numbered year, the legislature shall appropriate the amount transferred to the criminal justice treatment account in (a) of this subsection to the division of alcohol and substance abuse for the purposes of subsection (5) of this section.

(5) Moneys appropriated to the division of alcohol and substance abuse from the criminal justice treatment account shall be distributed as specified in this subsection. The department shall serve as the fiscal agent for purposes of distribution. Until July 1, 2004, the department may not use moneys appropriated from the criminal justice treatment account for administrative expenses and shall distribute all amounts appropriated under subsection (4)(b) of this section in accordance with this subsection. Beginning in July 1, 2004, the department may retain up to three percent of the amount appropriated under subsection (4)(b) of this section for its administrative costs.

(a) Seventy percent of amounts appropriated to the division from the account shall be distributed to counties pursuant to the distribution formula adopted under this section. The division of alcohol and substance abuse, in consultation with the department of corrections, the Washington state association of counties, the Washington state association of drug court professionals, the superior court judges' association, the Washington association of prosecuting attorneys, representatives of the criminal defense bar, representatives of substance abuse treatment providers, and any other person deemed by the division to be necessary, shall establish a fair and reasonable methodology for distribution to counties of moneys in the criminal justice treatment account. County or regional plans submitted for the expenditure of formula funds must be approved by the panel established in (b) of this subsection.

(b) Thirty percent of the amounts appropriated to the division from the account shall be distributed as grants for purposes of treating offenders against whom charges are filed by a county prosecuting attorney. The division shall appoint a panel of representatives from the Washington association of prosecuting attorneys, the Washington association of sheriffs and police chiefs, the superior court judges' association, the Washington state association of counties, the Washington defender's association or the Washington association of criminal defense lawyers, the

department of corrections, the Washington state association of drug court professionals, substance abuse treatment providers, and the division. The panel shall review county or regional plans for funding under (a) of this subsection and grants approved under this subsection. The panel shall attempt to ensure that treatment as funded by the grants is available to offenders statewide.

(6) The county alcohol and drug coordinator, county prosecutor, county sheriff, county superior court, a substance abuse treatment provider appointed by the county legislative authority, a member of the criminal defense bar appointed by the county legislative authority, and, in counties with a drug court, a representative of the drug court shall jointly submit a plan, approved by the county legislative authority or authorities, to the panel established in subsection (5)(b) of this section, for disposition of all the funds provided from the criminal justice treatment account within that county. The funds shall be used solely to provide approved alcohol and substance abuse treatment pursuant to RCW 70.96A.090, treatment support services, and for the administrative and overhead costs associated with the operation of a drug court.

(a) No more than ten percent of the total moneys received under subsections (4) and (5) of this section by a county or group of counties participating in a regional agreement shall be spent on the administrative and overhead costs associated with the operation of a drug court.

(b) No more than ten percent of the total moneys received under subsections (4) and (5) of this section by a county or group of counties participating in a regional agreement shall be spent for treatment support services.

(7) Counties are encouraged to consider regional agreements and submit regional plans for the efficient delivery of treatment under this section.

(8) Moneys allocated under this section shall be used to supplement, not supplant, other federal, state, and local funds used for substance abuse treatment.

(9) Counties must meet the criteria established in RCW 2.28.170(3)(b).

(10) The authority under this section to use funds from the criminal justice treatment account for the administrative and overhead costs associated with the operation of a drug court expires June 30, 2015.

(11) Expenditures from the criminal justice treatment account may only be used for the purposes set out in this section and does not include managed care purchasing for medicaid enrollees.

"NEW SECTION. Sec. 1. In conjunction with recent findings from the Washington state auditor's office, the legislature finds that there are thousands of state citizens who have been determined eligible for services through the department of social and health services' developmental disability administration. For those who have asked for help but are waiting for services, families may experience financial or emotional hardships. The legislature intends to clarify and make transparent the process for accessing publicly funded services for individuals with developmental disabilities and their families. The legislature intends to significantly reduce the number of eligible individuals who are waiting for services by funding additional slots and by implementing new programs that better utilize federal funding partnerships.

Sec. 2. RCW 71A.10.020 and 2011 1st sp.s. c 30 s 3 are each amended to read as follows:

By January 1, 1989, the department shall promulgate rules which define neurological or other conditions in a way that is not limited to intelligence quotient scores as the sole determinant of these conditions, and notify the legislature of this action.

After the secretary has determined under this chapter that a person is eligible for services, the individual may request an assessment for eligibility for the individual and family services program, medicaid programs, or specific services administered by the developmental disabilities administration. The secretary shall make a determination as to what services are appropriate for the person. The secretary shall prioritize services to medicaid eligible clients. Services may be made available to nonmedicaid eligible clients based on available funding. Services available through the state medicaid plan must be provided to those individuals who meet the eligibility criteria. The department shall establish and maintain a service request list database for individuals who are found to be eligible and have an assessed and unmet need for programs and services offered under the individual and family services program or a home and community-based services waiver, but the provision of a specific service would exceed budgeted capacity.

ESSB 6388 Prime Sponsor, Committee on Ways & Means: Concerning pass-through wholesale food distributors. (REVISED FOR ENGROSSED: Concerning pass-through food distributors.) Reported by Committee on Appropriations Subcommittee on General Government & Information Technology

MAJORITY recommendation: Do pass as amended by Committee on Appropriations Subcommittee on General Government & Information Technology and without amendment by Committee on Agriculture & Natural Resources.

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The legislature finds that the availability of affordable, fresh, and nourishing foods is essential for individuals to maintain a healthy lifestyle. The legislature also finds that new methods of purchasing and delivering fresh, nourishing foods are emerging and lowering the costs of these foods. The legislature further finds that some of the new business models for purchasing and delivering fresh, nourishing foods are being inappropriately classified as food service establishments. Therefore, it is the intent of the legislature to establish a direct retailer license for businesses that sell and collect payment only through a web site for prepackaged foods obtained from a food processor either licensed or inspected, or both, by a state or federal regulatory agency and that deliver the food directly to consumers without any interim storage.

NEW SECTION. Sec. 2. A new section is added to chapter 69.04 RCW to read as follows:

(1) The department shall issue a license to operate as a direct retailer to any entity that:

(a) Submits a completed application on forms approved by the department;

(b) Provides the department with a list of all leased, rented, or owned vehicles, other than vehicles that are rented for less than forty-five days, used by the applicant's business to deliver food;

(c) Maintains all records of vehicles that are rented for less than forty-five days for at least twelve months following the termination of the rental period;

(d) Maintains food temperature logs or uses a device to monitor the temperature of the packages in real time for all food while in transport; and

(e) Submits all appropriate fees to the department.

(2) The department shall develop, by rule, an annual license and renewal fee to defray the costs of administering the licensing and inspection program created by this section. All moneys received by the department under the provisions of this section must be paid into the food processing inspection account

created in RCW 69.07.120 and must be used solely to carry out the provisions of this section.

(3)(a) A licensed direct retailer is required to protect food from contamination while in transport. Food must be transported under conditions that protect food against physical, chemical, and microbial contamination, as well as against deterioration of the food and its container.

(b) Compliance with this subsection (3) requires, but is not limited to, the separation of raw materials in such a fashion that they avoid cross-contamination of other food products, particularly ready-to-eat food. An example of this principle includes ensuring that, during the transport of raw fish and seafood, meat, poultry, or other food which inherently contains pathogenic and spoilage microorganisms, soil, or other foreign material, the raw materials may not come into direct contact with other food in the same container or in any other cross-contaminating circumstance.

(4) In the event of a food recall or when required by the department, a federal, state, or local health authority in response to a food borne illness outbreak, a licensed direct retailer shall use its client listserv to notify customers of the recall and any other relevant information.

(5) In the implementation of this section, the department shall:

(a) Conduct inspections of vehicles, food handling areas, refrigeration equipment, and product packaging used by a licensed direct retailer;

(b) Conduct audits of temperature logs and other food handling records as appropriate;

(c) Investigate any complaints against a licensed direct retailer for the failure to maintain food safety; and

(d) Adopt rules, in consultation with the department of health and local health jurisdictions, necessary to administer and enforce the program consistent with federal regulations.

(6) Direct retailers that have a license from the department under this section are exempt from the permitting requirements of food service rules adopted by the state board of health and any local health jurisdiction.

(7) The director may deny, suspend, or revoke any license provided under this section if the director determines that an applicant or licensee has committed any of the following:

(a) Refused, neglected, or failed to comply with the provisions of this section, the rules and regulations adopted under this section, or any order of the director;

(b) Refused, neglected, or failed to keep and maintain records required by this chapter, or refused the department access to such records;

(c) Refused the department access to any portion or area of vehicles, food handling areas, or any other areas or facilities housing equipment or product packaging used by the direct retailer in the course of performing business responsibilities; or

(d) Failed to submit an application for a license meeting the requirements of this section or failed to pay the appropriate annual license or renewal fee.

(8) The definitions in this subsection apply throughout this section unless the context clearly requires otherwise:

(a) "Department" means the department of agriculture.

(b) "Direct retailer" means an entity that receives prepackaged food from a food processor that is either licensed or inspected, or both, by a state or federal regulatory agency or the department and that delivers the food directly to consumers who only placed and paid for an order on the entity's web site, as long as:

(i) The food is delivered by the entity without opening the packaging and without dividing it into smaller packages;

"**Sec. 1.** RCW 9.94A.589 and 2002 c 175 s 7 are each amended to read as follows:

(1)(a) Except as provided in (b) (~~(c)~~) (c), or (d) of this subsection, whenever a person is to be sentenced for two or more current offenses, the sentence range for each current offense shall be determined by using all other current and prior convictions as if they were prior convictions for the purpose of the offender score: PROVIDED, That if the court enters a finding that some or all of the current offenses encompass the same criminal conduct then those current offenses shall be counted as one crime. Sentences imposed under this subsection shall be served concurrently. Consecutive sentences may only be imposed under the exceptional sentence provisions of RCW 9.94A.535. "Same criminal conduct," as used in this subsection, means two or more crimes that require the same criminal intent, are committed at the same time and place, and involve the same victim. This definition applies in cases involving vehicular assault or vehicular homicide even if the victims occupied the same vehicle.

(b) Whenever a person is convicted of two or more serious violent offenses arising from separate and distinct criminal conduct, the standard sentence range for the offense with the highest seriousness level under RCW 9.94A.515 shall be determined using the offender's prior convictions and other current convictions that are not serious violent offenses in the offender score and the standard sentence range for other serious violent offenses shall be determined by using an offender score of zero.

The standard sentence range for any offenses that are not serious violent offenses shall be determined according to (a) of this subsection. All sentences imposed under ~~((b) or (c))~~ this subsection (1)(b) shall be served consecutively to each other and concurrently with sentences imposed under (a) of this subsection.

(c) If an offender is convicted under RCW 9.41.040 for unlawful possession of a firearm in the first or second degree and for the felony crimes of theft of a firearm or possession of a stolen firearm, or both, the standard sentence range for each of these current offenses shall be determined by using all other current and prior convictions, except other current convictions for the felony crimes listed in this subsection (1)(c), as if they were prior convictions. The offender shall serve consecutive sentences for each conviction of the felony crimes listed in this subsection (1)(c), and for each firearm unlawfully possessed.

(d) All sentences imposed under RCW 46.61.502(6), 46.61.504(6), or 46.61.5055(4) shall be served consecutively with any sentences imposed under RCW 46.20.740 and 46.20.750.

(2)(a) Except as provided in (b) of this subsection, whenever a person while under sentence for conviction of a felony commits another felony and is sentenced to another term of confinement, the latter term shall not begin until expiration of all prior terms.

(b) Whenever a second or later felony conviction results in community supervision with conditions not currently in effect, under the prior sentence or sentences of community supervision the court may require that the conditions of community supervision contained in the second or later sentence begin during the immediate term of community supervision and continue throughout the duration of the consecutive term of community supervision.

(3) Subject to subsections (1) and (2) of this section, whenever a person is sentenced for a felony that was committed while the person was not under sentence for conviction of a felony, the sentence shall run concurrently with any felony sentence which has been imposed by any court in this or another state or by a federal court subsequent to the commission of the crime being sentenced unless the court pronouncing the current sentence expressly orders that they be served consecutively.

(4) Whenever any person granted probation under RCW 9.95.210 or 9.92.060, or both, has the probationary sentence revoked and a prison sentence imposed, that sentence shall run consecutively to any sentence imposed pursuant to this chapter, unless the court pronouncing the subsequent sentence expressly orders that they be served concurrently.

(5) In the case of consecutive sentences, all periods of total confinement shall be served before any partial confinement, community restitution, community supervision, or any other requirement or conditions of any of the sentences. Except for exceptional sentences as authorized under RCW 9.94A.535, if two or more sentences that run consecutively include periods of community supervision, the aggregate of the community supervision period shall not exceed twenty-four months.

Sec. 2. RCW 46.20.740 and 2010 c 269 s 8 are each amended to read as follows:

(1) The department shall attach or imprint a notation on the driving record of any person restricted under RCW 46.20.720, 46.61.5055, or 10.05.140 stating that the person may operate only a motor vehicle equipped with a functioning ignition interlock device. The department shall determine the person's eligibility for licensing based upon written verification by a company doing business in the state that it has installed the required device on a vehicle owned or operated by the person seeking reinstatement. If, based upon notification from the interlock provider or otherwise, the department determines that an ignition interlock required under this section is no longer installed or functioning as required, the

department shall suspend the person's license or privilege to drive. Whenever the license or driving privilege of any person is suspended or revoked as a result of noncompliance with an ignition interlock requirement, the suspension shall remain in effect until the person provides notice issued by a company doing business in the state that a vehicle owned or operated by the person is equipped with a functioning ignition interlock device.

(2) It is a gross misdemeanor for a person with such a notation on his or her driving record to operate a motor vehicle that is not so equipped.

(1) A person who is restricted to the use of a vehicle equipped with an ignition interlock device and who tampers with the device or directs, authorizes, or requests another to tamper with the device, in order to circumvent the device by modifying, detaching, disconnecting, or otherwise disabling it, is guilty of a gross misdemeanor.

(2) A person who knowingly assists another person who is restricted to the use of a vehicle equipped with an ignition interlock device to circumvent the device or to start and operate that vehicle in violation of a court order is guilty of a gross misdemeanor. The provisions of this subsection do not apply if the starting of a motor vehicle, or the request to start a motor vehicle, equipped with an ignition interlock device is done for the purpose of safety or mechanical repair of the device or the vehicle and the person subject to the court order does not operate the vehicle.

(3) Any sentence imposed for a violation of subsection (1) of this section shall be served consecutively with any sentence imposed under RCW 46.20.740, 46.61.502, 46.61.504, or 46.61.5055.

(a) Whether better progress on the legislative goals could be achieved through consolidation of school district health insurance purchasing through a single consolidated school employee health benefits purchasing plan;

(c) Whether certificated or classified employees, as separate groups, would be better served by purchasing health

insurance through a single consolidated school employee health benefits purchasing plan or through participation in the public employees' benefits board program(~~and~~
~~(d)~~).

(3) Analyses shall include implications of taking any of the actions described in subsection (2)(a) through (c) of this (~~subsection~~) section to include, at a minimum, the following: The costs for the state and school employees, impacts for existing purchasing programs, a proposed timeline for the implementation of any recommended actions.

E2SSB 6552 Prime Sponsor, Committee on Ways & Means: Improving student success by modifying instructional hour and graduation requirements. Reported by Committee on Appropriations

MAJORITY recommendation: Do pass as amended.

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The legislature recognizes that preparing students to be successful in postsecondary education, gainful employment, and citizenship requires increased rigor and achievement, including attaining a meaningful high school diploma with the opportunity to earn twenty-four credits. The legislature finds that an investment was made in the 2013-2015 omnibus appropriations act to implement an increase in instructional hours in the 2014-2015 school year. School districts informed the legislature that the funding as provided in the 2013-2015 omnibus appropriations act would result in only a few minutes being added onto each class period and would not result in a meaningful increase in instruction that would have the positive impact on student learning that the legislature expects. The school districts suggested that it would be a better educational policy to use the funds to implement the requirement of twenty-four credits for high school graduation, which will result in a meaningful increase of instructional hours. Based on input from school districts across the state, the legislature recognizes the need to provide flexibility for school districts to implement the increase in instructional hours while still moving towards an increase in the high school graduation requirements. Therefore, the legislature intends to shift the focus and intent of the investments from compliance with the minimum instructional hours offering to assisting school districts to provide an opportunity for students to earn twenty-four credits

for high school graduation and obtain a meaningful diploma, beginning with the graduating class of 2019.

PART I

CAREER AND TECHNICAL EQUIVALENCIES

Sec. 101. RCW 28A.700.070 and 2008 c 170 s 201 are each amended to read as follows:

(1) The office of the superintendent of public instruction shall support school district efforts under RCW 28A.230.097 to adopt course equivalencies for career and technical courses by:

(a) Recommending career and technical curriculum suitable for course equivalencies;

(b) Publicizing best practices for high schools and school districts in developing and adopting course equivalencies; and

(c) In consultation with the Washington association for career and technical education, providing professional development, technical assistance, and guidance for school districts seeking to expand their lists of equivalent courses.

(2) The office of the superintendent of public instruction shall provide professional development, technical assistance, and guidance for school districts to develop career and technical course equivalencies that also qualify as advanced placement courses.

(3) The office of the superintendent of public instruction, in consultation with one or more technical working groups convened for this purpose, shall develop curriculum frameworks for a selected list of career and technical courses that may be offered by high schools or skill centers whose content in science, technology, engineering, and mathematics is considered equivalent in full or in part to science or mathematics courses that meet high school graduation requirements. The content of the courses must be aligned with state essential academic learning requirements in mathematics as adopted by the superintendent of public instruction in July 2011 and the essential academic learning requirements in science as adopted in October 2013, and industry standards. The office shall submit the list of equivalent career and technical courses and their curriculum frameworks to the state board of education for review, an opportunity for public comment, and approval. The first list of courses under this subsection must be developed and approved before the 2015-16 school year. Thereafter, the office may periodically update or revise the list of courses using the process in this subsection.

(4) Subject to funds appropriated for this purpose, the office of the superintendent of public instruction shall allocate grant funds to school districts to increase the integration and rigor of academic instruction in career and technical courses. Grant recipients are encouraged to use grant funds to support teams of academic and technical teachers using a research-based professional development model supported by the national research center for career and technical education. The office of the superintendent of public instruction may require that grant recipients provide matching resources using federal Carl Perkins funds or other fund sources.

Sec. 102. RCW 28A.230.097 and 2013 c 241 s 2 are each amended to read as follows:

(1) Each high school or school district board of directors shall adopt course equivalencies for career and technical high school courses offered to students in high schools and skill centers. A career and technical course equivalency may be for whole or partial credit. Each school district board of directors shall develop a course equivalency approval procedure. Boards of directors must approve AP computer science courses as equivalent to high school mathematics or science, and must denote on a student's transcript that AP computer science qualifies as a math-based quantitative course for students who take the course in their senior year. In order for a board to approve AP computer science as equivalent to high school mathematics, the student must be concurrently enrolled in or have successfully completed algebra II. Beginning

no later than the 2015-16 school year, a school district board of directors must, at a minimum, grant academic course equivalency in mathematics or science for a high school career and technical course, if the course is offered, from the list of courses approved by the state board of education under RCW 28A.700.070, but is not limited to the courses on the list. If the list of courses is revised after the 2015-16 school year, the school district board of directors must grant academic course equivalency based on the revised list beginning with the school year immediately following the revision.

(2) Career and technical courses determined to be equivalent to academic core courses, in full or in part, by the high school or school district shall be accepted as meeting core requirements, including graduation requirements, if the courses are recorded on the student's transcript using the equivalent academic high school department designation and title. Full or partial credit shall be recorded as appropriate. The high school or school district shall also issue and keep record of course completion certificates that demonstrate that the career and technical courses were successfully completed as needed for industry certification, college credit, or preapprenticeship, as applicable. The certificate shall be either part of the student's high school and beyond plan or the student's culminating project, as determined by the student. The office of the superintendent of public instruction shall develop and make available electronic samples of certificates of course completion.

PART II

INSTRUCTIONAL HOURS AND HIGH SCHOOL GRADUATION CREDIT REQUIREMENTS

Sec. 201. RCW 28A.150.220 and 2013 2nd sp.s. c 9 s 2 are each amended to read as follows:

(1) In order for students to have the opportunity to develop the basic education knowledge and skills under RCW 28A.150.210, school districts must provide instruction of sufficient quantity and quality and give students the opportunity to complete graduation requirements that are intended to prepare them for postsecondary education, gainful employment, and citizenship. The program established under this section shall be the minimum instructional program of basic education offered by school districts.

(2) Each school district shall make available to students the following minimum instructional offering each school year:

(a) For students enrolled in grades one through twelve, at least a district-wide annual average of one thousand hours, which shall be increased beginning in the 2015-16 school year to at least one thousand eighty instructional hours for students enrolled in ~~((each of))~~ grades ~~((seven))~~ nine through twelve and at least one thousand instructional hours for students in ~~((each of))~~ grades one through ~~((six according to an implementation schedule adopted by the legislature, but not before the 2014-15 school year))~~ eight, all of which may be calculated by a school district using a district-wide annual average of instructional hours over grades one through twelve; and

(b) For students enrolled in kindergarten, at least four hundred fifty instructional hours, which shall be increased to at least one thousand instructional hours according to the implementation schedule under RCW 28A.150.315.

(3) The instructional program of basic education provided by each school district shall include:

(a) Instruction in the essential academic learning requirements under RCW 28A.655.070;

(b) Instruction that provides students the opportunity to complete twenty-four credits for high school graduation, ~~((subject to a phased in implementation of the twenty-four credits as established by the legislature))~~ beginning with the graduating class

of 2019. Course distribution requirements may be established by the state board of education under RCW 28A.230.090;

(c) If the essential academic learning requirements include a requirement of languages other than English, the requirement may be met by students receiving instruction in one or more American Indian languages;

(d) Supplemental instruction and services for underachieving students through the learning assistance program under RCW 28A.165.005 through 28A.165.065;

(e) Supplemental instruction and services for eligible and enrolled students and exited students whose primary language is other than English through the transitional bilingual instruction program under RCW 28A.180.010 through 28A.180.080;

(f) The opportunity for an appropriate education at public expense as defined by RCW 28A.155.020 for all eligible students with disabilities as defined in RCW 28A.155.020; and

(g) Programs for highly capable students under RCW 28A.185.010 through 28A.185.030.

(4) Nothing contained in this section shall be construed to require individual students to attend school for any particular number of hours per day or to take any particular courses.

(5)(a) Each school district's kindergarten through twelfth grade basic educational program shall be accessible to all students who are five years of age, as provided by RCW 28A.225.160, and less than twenty-one years of age and shall consist of a minimum of one hundred eighty school days per school year in such grades as are conducted by a school district, and one hundred eighty half-days of instruction, or equivalent, in kindergarten, to be increased to a minimum of one hundred eighty school days per school year according to the implementation schedule under RCW 28A.150.315. ~~((However,))~~

(b) Schools administering the Washington kindergarten inventory of developing skills may use up to three school days at the beginning of the school year to meet with parents and families as required in the parent involvement component of the inventory. ~~((In addition, effective May 1, 1979,))~~

(c) In the case of students who are graduating from high school, a school district may schedule the last five school days of the one hundred ~~((and))~~ eighty day school year for noninstructional purposes ~~((in the case of students who are graduating from high school,))~~ including, but not limited to, the observance of graduation and early release from school upon the request of a student~~((and))~~. All such students may be claimed as a full-time equivalent student to the extent they could otherwise have been so claimed for the purposes of RCW 28A.150.250 and 28A.150.260. Any hours scheduled by a school district for noninstructional purposes during the last five school days for such students shall count toward the instructional hours requirement in subsection (2)(a) of this section.

(6) Nothing in this section precludes a school district from enriching the instructional program of basic education, such as offering additional instruction or providing additional services, programs, or activities that the school district determines to be appropriate for the education of the school district's students.

(7) The state board of education shall adopt rules to implement and ensure compliance with the program requirements imposed by this section, RCW 28A.150.250 and 28A.150.260, and such related supplemental program approval requirements as the state board may establish.

Sec. 202. RCW 28A.230.090 and 2011 c 203 s 2 are each amended to read as follows:

(1) The state board of education shall establish high school graduation requirements or equivalencies for students, except as provided in RCW 28A.230.122 and except those equivalencies established by local high schools or school districts under RCW 28A.230.097. The purpose of a high school diploma

is to declare that a student is ready for success in postsecondary education, gainful employment, and citizenship, and is equipped with the skills to be a lifelong learner.

(a) Any course in Washington state history and government used to fulfill high school graduation requirements shall consider including information on the culture, history, and government of the American Indian peoples who were the first inhabitants of the state.

(b) The certificate of academic achievement requirements under RCW 28A.655.061 or the certificate of individual achievement requirements under RCW 28A.155.045 are required for graduation from a public high school but are not the only requirements for graduation.

(c) Any decision on whether a student has met the state board's high school graduation requirements for a high school and beyond plan shall remain at the local level.

(d) The state board of education shall adopt rules to implement the career and college ready graduation requirement proposal adopted under board resolution on November 10, 2010, and revised on January 9, 2014, to take effect beginning with the graduating class of 2019, which includes authorization for a school district to waive up to two credits on an individual student basis in accordance with the rules established by the state board of education.

(2)(a) In recognition of the statutory authority of the state board of education to establish and enforce minimum high school graduation requirements, the state board shall periodically reevaluate the graduation requirements and shall report such findings to the legislature in a timely manner as determined by the state board.

(b) The state board shall reevaluate the graduation requirements for students enrolled in vocationally intensive and rigorous career and technical education programs, particularly those programs that lead to a certificate or credential that is state or nationally recognized. The purpose of the evaluation is to ensure that students enrolled in these programs have sufficient opportunity to earn a certificate of academic achievement, complete the program and earn the program's certificate or credential, and complete other state and local graduation requirements.

(c) The state board shall forward any proposed changes to the high school graduation requirements to the education committees of the legislature for review and to the quality education council established under RCW 28A.290.010. The legislature shall have the opportunity to act during a regular legislative session before the changes are adopted through administrative rule by the state board. Changes that have a fiscal impact on school districts, as identified by a fiscal analysis prepared by the office of the superintendent of public instruction, shall take effect only if formally authorized and funded by the legislature through the omnibus appropriations act or other enacted legislation.

(3) Pursuant to any requirement for instruction in languages other than English established by the state board of education or a local school district, or both, for purposes of high school graduation, students who receive instruction in American sign language or one or more American Indian languages shall be considered to have satisfied the state or local school district graduation requirement for instruction in one or more languages other than English.

(4) If requested by the student and his or her family, a student who has completed high school courses before attending high school shall be given high school credit which shall be applied to fulfilling high school graduation requirements if:

(a) The course was taken with high school students, if the academic level of the course exceeds the requirements for seventh and eighth grade classes, and the student has successfully

passed by completing the same course requirements and examinations as the high school students enrolled in the class; or

(b) The academic level of the course exceeds the requirements for seventh and eighth grade classes and the course would qualify for high school credit, because the course is similar or equivalent to a course offered at a high school in the district as determined by the school district board of directors.

(5) Students who have taken and successfully completed high school courses under the circumstances in subsection (4) of this section shall not be required to take an additional competency examination or perform any other additional assignment to receive credit.

(6) At the college or university level, five quarter or three semester hours equals one high school credit.

Sec. 203. RCW 28A.150.260 and 2011 1st sp.s. c 27 s 2 are each amended to read as follows:

The purpose of this section is to provide for the allocation of state funding that the legislature deems necessary to support school districts in offering the minimum instructional program of basic education under RCW 28A.150.220. The allocation shall be determined as follows:

(1) The governor shall and the superintendent of public instruction may recommend to the legislature a formula for the distribution of a basic education instructional allocation for each common school district.

(2) The distribution formula under this section shall be for allocation purposes only. Except as may be required under chapter 28A.155, 28A.165, 28A.180, or 28A.185 RCW, or federal laws and regulations, nothing in this section requires school districts to use basic education instructional funds to implement a particular instructional approach or service. Nothing in this section requires school districts to maintain a particular classroom teacher-to-student ratio or other staff-to-student ratio or to use allocated funds to pay for particular types or classifications of staff. Nothing in this section entitles an individual teacher to a particular teacher planning period.

(3)(a) To the extent the technical details of the formula have been adopted by the legislature and except when specifically provided as a school district allocation, the distribution formula for the basic education instructional allocation shall be based on minimum staffing and nonstaff costs the legislature deems necessary to support instruction and operations in prototypical schools serving high, middle, and elementary school students as provided in this section. The use of prototypical schools for the distribution formula does not constitute legislative intent that schools should be operated or structured in a similar fashion as the prototypes. Prototypical schools illustrate the level of resources needed to operate a school of a particular size with particular types and grade levels of students using commonly understood terms and inputs, such as class size, hours of instruction, and various categories of school staff. It is the intent that the funding allocations to school districts be adjusted from the school prototypes based on the actual number of annual average full-time equivalent students in each grade level at each school in the district and not based on the grade-level configuration of the school to the extent that data is available. The allocations shall be further adjusted from the school prototypes with minimum allocations for small schools and to reflect other factors identified in the omnibus appropriations act.

(b) For the purposes of this section, prototypical schools are defined as follows:

(i) A prototypical high school has six hundred average annual full-time equivalent students in grades nine through twelve;

(ii) A prototypical middle school has four hundred thirty-two average annual full-time equivalent students in grades seven and eight; and

(iii) A prototypical elementary school has four hundred average annual full-time equivalent students in grades kindergarten through six.

(4)(a)(i) The minimum allocation for each level of prototypical school shall be based on the number of full-time equivalent classroom teachers needed to provide instruction over the minimum required annual instructional hours under RCW 28A.150.220 and provide at least one teacher planning period per school day, and based on the following general education average class size of full-time equivalent students per teacher:

General education average class size	
Grades K-3	25.23
Grade 4	27.00
Grades 5-6	27.00
Grades 7-8	28.53
Grades 9-12	28.74

(ii) The minimum class size allocation for each prototypical high school shall also provide for enhanced funding for class size reduction for two laboratory science classes within grades nine through twelve per full-time equivalent high school student multiplied by a laboratory science course factor of 0.0833, based on the number of full-time equivalent classroom teachers needed to provide instruction over the minimum required annual instructional hours in RCW 28A.150.220, and providing at least one teacher planning period per school day:

<u>Laboratory science average class size</u>	
<u>Grades 9-12</u>	<u>19.98</u>

(b) During the 2011-2013 biennium and beginning with schools with the highest percentage of students eligible for free and reduced-price meals in the prior school year, the general education average class size for grades K-3 shall be reduced until the average class size funded under this subsection (4) is no more than 17.0 full-time equivalent students per teacher beginning in the 2017-18 school year.

(c) The minimum allocation for each prototypical middle and high school shall also provide for full-time equivalent classroom teachers based on the following number of full-time equivalent students per teacher in career and technical education:

Career and technical education average class size	
Approved career and technical education offered at the middle school and high school level	26.57
Skill center programs meeting the standards established by the office of the superintendent of public instruction	22.76

(d) In addition, the omnibus appropriations act shall at a minimum specify:

(i) A high-poverty average class size in schools where more than fifty percent of the students are eligible for free and reduced-price meals; and

(ii) A specialty average class size for ~~((laboratory science,))~~ advanced placement((?)) and international baccalaureate courses.

(5) The minimum allocation for each level of prototypical school shall include allocations for the following types of staff in addition to classroom teachers:

	Elementary School	Middle School	High School
Principals, assistant principals, and other certificated building-level administrators	1.253	1.353	1.880

Classified staff providing student and staff safety	0.079	0.092	0.141
Parent involvement coordinators	0.00	0.00	0.00

(6)(a) The minimum staffing allocation for each school district to provide district-wide support services shall be allocated per one thousand annual average full-time equivalent students in grades K-12 as follows:

Staff per 1,000 K-12 students	
Technology	0.628
Facilities, maintenance, and grounds	1.813
Warehouse, laborers, and mechanics	0.332

(b) The minimum allocation of staff units for each school district to support certificated and classified staffing of central administration shall be 5.30 percent of the staff units generated under subsections (4)(a) and (b) and (5) of this section and (a) of this subsection.

(7) The distribution formula shall include staffing allocations to school districts for career and technical education and skill center administrative and other school-level certificated staff, as specified in the omnibus appropriations act.

(8)(a) Except as provided in (b) and (c) of this subsection, the minimum allocation for each school district shall include allocations per annual average full-time equivalent student for the following materials, supplies, and operating costs, to be adjusted for inflation from the 2008-09 school year:

Per annual average full-time equivalent student in grades K-12	
Technology	\$54.43
Utilities and insurance	\$147.90
Curriculum and textbooks	\$58.44
Other supplies and library materials	\$124.07
Instructional professional development for certified and classified staff	\$9.04
Facilities maintenance	\$73.27

(b) During the 2011-2013 biennium, the minimum allocation for maintenance, supplies, and operating costs shall be increased as specified in the omnibus appropriations act. The following allocations, adjusted for inflation from the 2007-08 school year, are provided in the 2015-16 school year, after which the allocations shall be adjusted annually for inflation as specified in the omnibus appropriations act:

Per annual average full-time equivalent student in grades K-12	
Technology	\$113.80
Utilities and insurance	\$309.21

Instructional professional development for certificated and classified staff	\$18.89
Facilities maintenance	\$153.18
Security and central office administration	\$106.12

(c) In addition to the amounts provided in (a) and (b) of this subsection, beginning in the 2014-15 school year, the omnibus appropriations act shall provide the following minimum allocation for each annual average full-time equivalent student in grades nine through twelve for the following materials, supplies, and operating costs, to be adjusted annually for inflation:

<u>Per annual average full-time equivalent student in grades 9-12</u>	
<u>Technology</u>	<u>\$36.35</u>
<u>Curriculum and textbooks</u>	<u>\$39.02</u>
<u>Other supplies and library materials</u>	<u>\$82.84</u>
<u>Instructional professional development for certificated and classified staff</u>	<u>\$6.04</u>

(9) In addition to the amounts provided in subsection (8) of this section, the omnibus appropriations act shall provide an amount based on full-time equivalent student enrollment in each of the following:

(a) Exploratory career and technical education courses for students in grades seven through twelve;

(b) ~~(Laboratory science courses for students in grades nine through twelve;~~

~~(c))~~ Preparatory career and technical education courses for students in grades nine through twelve offered in a high school; and

~~((d))~~ (c) Preparatory career and technical education courses for students in grades eleven and twelve offered through a skill center.

(10) In addition to the allocations otherwise provided under this section, amounts shall be provided to support the following programs and services:

(a) To provide supplemental instruction and services for underachieving students through the learning assistance program under RCW 28A.165.005 through 28A.165.065, allocations shall be based on the district percentage of students in grades K-12 who were eligible for free or reduced-price meals in the prior school year. The minimum allocation for the program shall provide for each level of prototypical school resources to provide, on a statewide average, 1.5156 hours per week in extra instruction with a class size of fifteen learning assistance program students per teacher.

(b) To provide supplemental instruction and services for students whose primary language is other than English, allocations shall be based on the head count number of students in each school who are eligible for and enrolled in the transitional bilingual instruction program under RCW 28A.180.010 through 28A.180.080. The minimum allocation for each level of prototypical school shall provide resources to provide, on a statewide average, 4.7780 hours per week in extra instruction with fifteen transitional bilingual instruction program students per teacher. Notwithstanding other provisions of this subsection (10), the actual per-student allocation may be scaled to provide a larger allocation for students needing more intensive intervention and a commensurate reduced allocation for students needing less intensive intervention, as detailed in the omnibus appropriations act.

(c) To provide additional allocations to support programs for highly capable students under RCW 28A.185.010 through 28A.185.030, allocations shall be based on two and three hundred fourteen one-thousandths percent of each school district's full-time equivalent basic education enrollment. The minimum allocation for the programs shall provide resources to provide, on a statewide average, 2.1590 hours per week in extra instruction with fifteen highly capable program students per teacher.

(11) The allocations under subsections (4)(a) and (b), (5), (6), and (8) of this section shall be enhanced as provided under RCW 28A.150.390 on an excess cost basis to provide supplemental instructional resources for students with disabilities.

(12)(a) For the purposes of allocations for prototypical high schools and middle schools under subsections (4) and (10) of this section that are based on the percent of students in the school who are eligible for free and reduced-price meals, the actual percent of such students in a school shall be adjusted by a factor identified in the omnibus appropriations act to reflect underreporting of free and reduced-price meal eligibility among middle and high school students.

(b) Allocations or enhancements provided under subsections (4), (7), and (9) of this section for exploratory and preparatory career and technical education courses shall be provided only for courses approved by the office of the superintendent of public instruction under chapter 28A.700 RCW.

(13)(a) This formula for distribution of basic education funds shall be reviewed biennially by the superintendent and governor. The recommended formula shall be subject to approval, amendment or rejection by the legislature.

(b) In the event the legislature rejects the distribution formula recommended by the governor, without adopting a new distribution formula, the distribution formula for the previous school year shall remain in effect.

(c) The enrollment of any district shall be the annual average number of full-time equivalent students and part-time

students as provided in RCW 28A.150.350, enrolled on the first school day of each month, including students who are in attendance pursuant to RCW 28A.335.160 and 28A.225.250 who do not reside within the servicing school district. The definition of full-time equivalent student shall be determined by rules of the superintendent of public instruction and shall be included as part of the superintendent's biennial budget request. The definition shall be based on the minimum instructional hour offerings required under RCW 28A.150.220. Any revision of the present definition shall not take effect until approved by the house ways and means committee and the senate ways and means committee.

(d) The office of financial management shall make a monthly review of the superintendent's reported full-time equivalent students in the common schools in conjunction with RCW 43.62.050.

FOR THE DEPARTMENT OF COMMERCE

2014 Local and Community Projects (91000593)

The appropriations in this section are subject to the following conditions and limitations:

(1) Except as directed otherwise prior to the effective date of this section, the department shall not expend the appropriations in this section unless and until the nonstate share of project costs have been either expended, or firmly committed, or both, in an amount sufficient to complete the project or a distinct phase of the project that is useable to the public for the purpose intended by the legislature.

(2) Prior to receiving funds, project recipients must demonstrate that the project site is under control for a minimum of ten years, either through ownership or a long-term lease. This requirement does not apply to appropriations for preconstruction activities or appropriations whose sole purpose is to purchase real property that does not include a construction or renovation component.

(3) Projects funded in this section may be required to comply with Washington's high performance building standards as required by chapter 39.35D RCW.

(4) Project funds are available on a reimbursement basis only, and shall not be advanced under any circumstances.

(5) Projects funded in this section must be held by the recipient for a minimum of ten years and used for the same purpose or purposes intended by the legislature as required in RCW 43.63A.125(6).

(6) Projects funded in this section, including those that are owned and operated by nonprofit organizations, are generally required to pay state prevailing wages.

(7) The appropriation from the state taxable building construction account in this section is provided solely for a historic building rehabilitation demonstration program. The purposes of the program are to: Support the public interest in preserving the state's historical heritage; protect public safety and health in and around historic buildings; and contribute to the economic stability of Washington communities by keeping historic buildings functional and economically viable.

(a) For purposes of this subsection, "historic building" means a building that is at least fifty years old and retains authentic, distinctive physical characteristics from its historic period of construction.

(b) Funds appropriated in this subsection must be used to provide gap financing for historic building rehabilitation projects that otherwise could not be completed due to the financial circumstances of their owners.

(i) Funds may be used for rehabilitation work that makes a building safe and secure, such as fire sprinkler systems and reinforcing walls. Funds may also be used for rehabilitation work that is required to make space habitable and in compliance with code requirements.

(ii) Financing shall be in the form of low-interest rate loans. Forgivable interest loans or grants may be allowed under certain circumstances, as determined by the department. Loan repayments must be deposited into the historic building rehabilitation revolving loan fund established in section 6010 of this act, to be lent to future projects.

(c) The department must issue a competitive request for qualifications and quotations and select a certified nonprofit community development financial institution to implement the demonstration program. The department and selected organization must enter into a contract and jointly develop a project solicitation, evaluation and selection process.

(d) The expectation is that at least five percent of the project cost will be contributed by the building owner in cash. The contractor must work with other public and private lenders to underwrite financing packages that leverage additional funding resources and applicable tax credits.

(e) Projects will be evaluated on criteria including but not limited to the following:

(i) Whether the project meets at least one of the public purposes stated in this subsection;

(ii) The extent to which the project has leveraged funding from public and private lenders and applicable tax credits; and

(iii) The extent to which the building owner has committed cash and in-kind resources to the project.

(f) The department must conduct due diligence activities associated with the use of public funds, including oversight of the project selection process and project monitoring.

(g) By October 1, 2015, the department must provide a report to the governor and appropriate legislative committees on the results of the demonstration program and a recommendation as to whether it should continue as a statutorily authorized program.

Sec. 6003. RCW 43.155.070 and 2013 2nd sp.s. c 19 s 7032 are each amended to read as follows:

(1) To qualify for financial assistance under this chapter the board must determine that a local government meets all of the following conditions:

(a) The city or county must be imposing a tax under chapter 82.46 RCW at a rate of at least one-quarter of one percent;

(b) The local government must have developed a capital facility plan; and

(c) The local government must be using all local revenue sources which are reasonably available for funding public works, taking into consideration local employment and economic factors.

(2) Except where necessary to address a public health need or substantial environmental degradation, a county, city, or town planning under RCW 36.70A.040 may not receive financial assistance under this chapter unless it has adopted a comprehensive plan, including a capital facilities plan element, and development regulations as required by RCW 36.70A.040. This subsection does not require any county, city, or town planning under RCW 36.70A.040 to adopt a comprehensive plan or development regulations before requesting or receiving financial assistance under this chapter if such request is made before the expiration of the time periods specified in RCW 36.70A.040. A county, city, or town planning under RCW 36.70A.040 that has not adopted a comprehensive plan and development regulations within the time periods specified in RCW 36.70A.040 may apply for and receive financial assistance under this chapter if the comprehensive plan and development regulations are adopted as required by RCW 36.70A.040 before executing a contractual agreement for financial assistance with the board.

(3) In considering awarding financial assistance for public facilities to special districts requesting funding for a proposed facility located in a county, city, or town planning under RCW 36.70A.040, the board must consider whether the county, city, or town planning under RCW 36.70A.040 in whose planning jurisdiction the proposed facility is located has adopted a comprehensive plan and development regulations as required by RCW 36.70A.040.

(4) The board must develop a priority process for public works projects as provided in this section. The intent of the priority process is to maximize the value of public works projects accomplished with assistance under this chapter. The board must attempt to assure a geographical balance in assigning priorities to projects. The board must consider at least the following factors in assigning a priority to a project:

(a) Whether the local government receiving assistance has experienced severe fiscal distress resulting from natural disaster or emergency public works needs;

(b) Except as otherwise conditioned by RCW 43.155.110, whether the entity receiving assistance is a Puget Sound partner, as defined in RCW 90.71.010;

(c) Whether the project is referenced in the action agenda developed by the Puget Sound partnership under RCW 90.71.310;

(d) Whether the project is critical in nature and would affect the health and safety of a great number of citizens;

(e) Whether the applicant's permitting process has been certified as streamlined by the office of regulatory assistance;

(f) Whether the applicant has developed and adhered to guidelines regarding its permitting process for those applying for development permits consistent with section 1(2), chapter 231, Laws of 2007;

(g) The cost of the project compared to the size of the local government and amount of loan money available;

(h) The number of communities served by or funding the project;

(i) Whether the project is located in an area of high unemployment, compared to the average state unemployment;

(j) Whether the project is the acquisition, expansion, improvement, or renovation by a local government of a public water system that is in violation of health and safety standards, including the cost of extending existing service to such a system;

(k) Except as otherwise conditioned by RCW 43.155.120, and effective one calendar year following the development of model evergreen community management plans and ordinances under RCW 35.105.050, whether the entity receiving assistance has been recognized, and what gradation of recognition was received, in the evergreen community recognition program created in RCW 35.105.030;

(l) The relative benefit of the project to the community, considering the present level of economic activity in the community and the existing local capacity to increase local economic activity in communities that have low economic growth; and

(m) Other criteria that the board considers advisable.

(5) For the 2013-2015 fiscal biennium, in place of the criteria, ranking, and submission processes for construction loan lists provided in subsections (4) and (7) of this section:

(a) The board must develop a process for numerically ranking applications for construction loans submitted by local governments. The board must consider, at a minimum and in any order, the following factors in assigning a numerical ranking to a project:

(i) Whether the project is critical in nature and would affect the health and safety of many people;

(ii) The extent to which the project leverages nonstate funds;

(iii) The extent to which the project is ready to proceed to construction;

(iv) Whether the project is located in an area of high unemployment, compared to the average state unemployment;

(v) Whether the project promotes the sustainable use of resources and environmental quality;

(vi) Whether the project consolidates or regionalizes systems;

(vii) Whether the project encourages economic development through mixed-use and mixed income development consistent with chapter 36.70A RCW;

(viii) Whether the system is being well-managed in the present and for long-term sustainability;

(ix) Achieving equitable distribution of funds by geography and population;

(x) The extent to which the project meets the following state policy objectives:

(A) Efficient use of state resources;

(B) Preservation and enhancement of health and safety;

- (C) Abatement of pollution and protection of the environment;
- (D) Creation of new, family wage jobs, and avoidance of shifting existing jobs from one Washington state community to another;
- (E) Fostering economic development consistent with chapter 36.70A RCW;
- (F) Efficiency in delivery of goods and services, public transit, and transportation;
- (G) Avoidance of additional costs to state and local governments that adversely impact local residents and small businesses; and
- (H) Reduction of the overall cost of public infrastructure; and
- (xi) Other criteria that the board considers necessary to achieve the purposes of this chapter.

(b) Before November 1, 2014, the board must develop and submit to the appropriate fiscal committees of the senate and house of representatives a ranked list of qualified public works projects which have been evaluated by the board and are recommended for funding by the legislature. The maximum amount of funding that the board may recommend for any jurisdiction is ten million dollars per biennium. For each project on the ranked list, as well as for eligible projects not recommended for funding, the board must document the numerical ranking that was assigned.

(6) Existing debt or financial obligations of local governments may not be refinanced under this chapter. Each local government applicant must provide documentation of attempts to secure additional local or other sources of funding for each public works project for which financial assistance is sought under this chapter.

(7) Before November 1st of each even-numbered year, the board must develop and submit to the appropriate fiscal committees of the senate and house of representatives a description of the loans made under RCW 43.155.065, 43.155.068, and subsection (10) of this section during the preceding fiscal year and a prioritized list of projects which are recommended for funding by the legislature, including one copy to the staff of each of the committees. The list must include, but not be limited to, a description of each project and recommended financing, the terms and conditions of the loan or financial guarantee, the local government jurisdiction and unemployment rate, demonstration of the jurisdiction's critical need for the project and documentation of local funds being used to finance the public works project. The list must also include measures of fiscal capacity for each jurisdiction recommended for financial assistance, compared to authorized limits and state averages, including local government sales taxes; real estate excise taxes; property taxes; and charges for or taxes on sewerage, water, garbage, and other utilities.

(8) The board may not sign contracts or otherwise financially obligate funds from the public works assistance account before the legislature has appropriated funds for a specific list of public works projects. The legislature may remove projects from the list recommended by the board. The legislature may not change the order of the priorities recommended for funding by the board.

(9) Subsection (8) of this section does not apply to loans made under RCW 43.155.065, 43.155.068, and subsection (10) of this section.

(10) Loans made for the purpose of capital facilities plans are exempted from subsection (8) of this section.

(11) To qualify for loans or pledges for solid waste or recycling facilities under this chapter, a city or county must demonstrate that the solid waste or recycling facility is consistent with and necessary to implement the comprehensive solid waste management plan adopted by the city or county under chapter 70.95 RCW.

(12) After January 1, 2010, any project designed to address the effects of storm water or wastewater on Puget Sound may be funded under this section only if the project is not in conflict with the action agenda developed by the Puget Sound partnership under RCW 90.71.310.

(13) During the 2013-2015 fiscal biennium, for projects involving repair, replacement, or improvement of a wastewater treatment plant or other public works facility for which an investment grade efficiency audit is obtainable, the public works board must require as a contract condition that the project sponsor undertake an investment grade efficiency audit. The project sponsor may finance the costs of the audit as part of its public works assistance account program loan.

(14)(a) For public works assistance account application rounds conducted during the 2013-2015 fiscal biennium, the board must implement policies and procedures designed to maximize local government use of federally funded drinking water and clean water state revolving funds operated by the state departments of health and ecology. The board, department of ecology, and department of health must jointly develop evaluation criteria and application procedures that will increase access of eligible drinking water and wastewater projects to the public works assistance account for short-term preconstruction financing and to the federally funded state revolving funds for construction financing. The procedures must also strengthen coordinated funding of preconstruction and construction projects.

(b) For all construction loan projects proposed to the legislature for funding during the 2013-2015 fiscal biennium, the board must ~~((base interest rates on the average daily market interest rate for tax exempt municipal bonds as published in the bond buyer's index for the period from sixty to thirty days before the start of the application cycle. For projects with a repayment period between five and twenty years, the rate must be sixty percent of the market rate. For projects with a repayment period under five years, the rate must be thirty percent of the market rate))~~ establish lending policies and procedures that are consistent with managing the public works assistance account for long-term sustainability. When determining loan terms that will be in effect for an application round, the board must take into account applicable market rates, but may, at its discretion, use additional factors to set the final loan terms. The board must also provide reduced interest rates~~((;))~~ or extended repayment periods~~((; or forgivable principal loans))~~ for projects that meet financial hardship criteria as measured by the affordability index or similar standard measure of financial hardship.

(c) By December 1, 2013, the board must recommend to the appropriate committees of the legislature statutory language to make permanent these new criteria, procedures, and financing policies.

Sec. 6004. RCW 70.105D.070 and 2013 2nd sp.s. c 19 s 7033 and 2013 2nd sp.s. c 4 s 992 are each reenacted and amended to read as follows:

 - (ii) Remedial actions, including planning for adaptive reuse of properties as provided for under ~~((e)-(e)))~~ (e)(iv) of this subsection. The department must prioritize funding of remedial actions at:
 - (A) Facilities on the department's hazardous sites list with a high hazard ranking for which there is an approved remedial action work plan or an equivalent document under federal cleanup law;
 - (B) Brownfield properties within a redevelopment opportunity zone if the local government is a prospective purchaser of the property and there is a department-approved remedial action work plan or equivalent document under the federal cleanup law;

 - (c) During the 2013-2015 fiscal biennium, the local toxics control account may also be used for local government storm water planning and implementation activities.
 - (d) During the 2013-2015 fiscal biennium, the legislature may transfer from the local toxics control account to the state general fund, such amounts as reflect the excess fund balance in the account.
 - (e) To expedite cleanups throughout the state, the department may use the following strategies when providing grants to local governments under this subsection:

(i) Enter into an extended grant agreement with a local government conducting remedial actions at a facility where those actions extend over multiple biennia and the total eligible cost of those actions exceeds twenty million dollars. The agreement is subject to the following limitations:

(A) The initial duration of such an agreement may not exceed ten years. The department may extend the duration of such an agreement upon finding substantial progress has been made on remedial actions at the facility;

(B) Extended grant agreements may not exceed fifty percent of the total eligible remedial action costs at the facility; and

(C) The department may not allocate future funding to an extended grant agreement unless the local government has demonstrated to the department that funds awarded under the agreement during the previous biennium have been substantially expended or contracts have been entered into to substantially expend the funds;

(ii) Enter into a grant agreement with a local government conducting a remedial action that provides for periodic reimbursement of remedial action costs as they are incurred as established in the agreement;

(iii) Enter into a grant agreement with a local government prior to it acquiring a property or obtaining necessary access to conduct remedial actions, provided the agreement is conditioned upon the local government acquiring the property or obtaining the access in accordance with a schedule specified in the agreement;

(iv) Provide integrated planning grants to local governments to fund studies necessary to facilitate remedial actions at brownfield properties and adaptive reuse of properties following remediation. Eligible activities include, but are not limited to: Environmental site assessments; remedial investigations; health assessments; feasibility studies; site planning; community involvement; land use and regulatory analyses; building and infrastructure assessments; economic and fiscal analyses; and any environmental analyses under chapter 43.21C RCW;

(v) Provide grants to local governments for remedial actions related to areawide groundwater contamination. To receive the funding, the local government does not need to be a potentially liable person or be required to seek reimbursement of grant funds from a potentially liable person;

(vi) The director may alter grant matching requirements to create incentives for local governments to expedite cleanups when one of the following conditions exists:

(A) Funding would prevent or mitigate unfair economic hardship imposed by the clean-up liability;

(B) Funding would create new substantial economic development, public recreational opportunities, or habitat restoration opportunities that would not otherwise occur; or

(C) Funding would create an opportunity for acquisition and redevelopment of brownfield property under RCW 70.105D.040(5) that would not otherwise occur;

(vii) When pending grant applications under ~~((e)-(f))~~ (e)(iv) and (v) of this subsection (4) exceed the amount of funds available, designated redevelopment opportunity zones must receive priority for distribution of available funds.

~~((d)-(f))~~ (f) To expedite multiparty clean-up efforts, the department may purchase remedial action cost-cap insurance. For the 2013-2015 fiscal biennium, moneys in the local toxics control account may be spent on projects in sections 3024, 3035, 3036, and 3059, chapter 19, Laws of 2013 2nd sp. sess.

(5) Except for unanticipated receipts under RCW 43.79.260 through 43.79.282, moneys in the state and local toxics control accounts may be spent only after appropriation by statute.

(6) No moneys deposited into either the state or local toxics control account may be used for: Natural disasters where there is no hazardous substance contamination; high performance buildings; solid waste incinerator facility feasibility studies, construction, maintenance, or operation; or after January 1, 2010, for projects designed to address the restoration of Puget Sound, funded in a competitive grant process, that are in conflict with the action agenda developed by the Puget Sound partnership under RCW 90.71.310. However, this subsection does not prevent an appropriation from the state toxics control account to the department of revenue to enforce compliance with the hazardous substance tax imposed in chapter 82.21 RCW.

(7) Except during the 2011-2013 fiscal biennium, one percent of the moneys collected under RCW 82.21.030 shall be allocated only for public participation grants to persons who may be adversely affected by a release or threatened release of a hazardous substance and to not-for-profit public interest organizations. The primary purpose of these grants is to facilitate the participation by persons and organizations in the investigation and remedying of releases or threatened releases of hazardous substances and to implement the state's solid and hazardous waste management priorities. No grant may exceed sixty thousand dollars. Grants may be renewed annually. Moneys appropriated for public participation that are not expended at the close of any biennium revert to the state toxics control account.

(8) The department shall adopt rules for grant or loan issuance and performance. To accelerate both remedial action and economic recovery, the department may expedite the adoption of rules necessary to implement chapter 1, Laws of 2013 2nd sp. sess. using the expedited procedures in RCW 34.05.353. The department shall initiate the award of financial assistance by August 1, 2013. To ensure the adoption of rules will not delay financial assistance, the department may administer the award of financial assistance through interpretive guidance pending the adoption of rules through July 1, 2014.

(9) Except as provided under subsection (3)(k) and (q) of this section, nothing in chapter 1, Laws of 2013 2nd sp. sess. effects [affects] the ability of a potentially liable person to receive public funding.

(10) During the 2013-2015 fiscal biennium the local toxics control account may also be used for the centennial clean water program and for storm water grants.

Sec. 6005. RCW 43.160.080 and 2010 1st sp.s. c 36 s 6011 are each amended to read as follows:

There shall be a fund in the state treasury known as the public facilities construction loan revolving account, which shall consist of all moneys collected under this chapter and any moneys appropriated to it by law. Disbursements from the revolving account shall be on authorization of the board. In order to maintain an effective expenditure and revenue control, the public facilities construction loan revolving account shall be subject in all respects to chapter 43.88 RCW. During the 2009-2011 biennium, sums in the public facilities construction loan revolving account may be used for community economic revitalization board export assistance grants and loans in section 1018, chapter 36, Laws of 2010 1st sp. sess. and for matching funds for the federal energy regional innovation cluster in section 1017, chapter 36, Laws of 2010 1st sp. sess. During the 2013-2015 biennium, sums in the public facilities construction loan revolving account may be used for the animal disease traceability project in section 3247, chapter 19, Laws of 2013 2nd sp. sess., administered by the department of agriculture.

Sec. 6006. RCW 70.148.020 and 2013 2nd sp.s. c 4 s 993 are each amended to read as follows:

(1) The pollution liability insurance program trust account is established in the custody of the state treasurer. All funds appropriated for this chapter and all premiums collected for reinsurance shall be deposited in the account. Expenditures from the account shall be used exclusively for

the purposes of this chapter including payment of costs of administering the pollution liability insurance and underground storage tank community assistance programs. Expenditures for payment of administrative and operating costs of the agency are subject to the allotment procedures under chapter 43.88 RCW and may be made only after appropriation by statute. No appropriation is required for other expenditures from the account.

(2) Each calendar quarter, the director shall report to the insurance commissioner the loss and surplus reserves required for the calendar quarter. The director shall notify the department of revenue of this amount by the fifteenth day of each calendar quarter.

(3) Each calendar quarter the director shall determine the amount of reserves necessary to fund commitments made to provide financial assistance under RCW 70.148.130 to the extent that the financial assistance reserves do not jeopardize the operations and liabilities of the pollution liability insurance program. The director shall notify the department of revenue of this amount by the fifteenth day of each calendar quarter. The director may immediately establish an initial financial assistance reserve of five million dollars from available revenues. The director may not expend more than fifteen million dollars for the financial assistance program.

(4) During the 2013-2015 fiscal biennium, the legislature may transfer from the pollution liability insurance program trust account to the state general fund such amounts as reflect the excess fund balance of the account.

(5) During the 2013-2015 fiscal biennium, the pollution liability insurance program trust account may be used for other underground storage tank cleanup projects as provided in sections 1023, 2011, and 5009, chapter . . . , Laws of 2014 (this act).

(6) This section expires July 1, 2020.

In contracts for grants authorized under this section, the society shall include provisions requiring that capital improvements be held by the grantee for a specified period of time appropriate to the amount of the grant and that facilities be used for the express purpose of the grant. If the grantee is found to be out of compliance with provisions of the contract, the grantee shall repay to the state general fund the principal amount of the grant plus interest calculated at the rate of interest on state of Washington general obligation bonds issued most closely to the date of authorization of the grant. Program administration costs retained by the society must be consistent with capital budget guidelines established by the office of financial management.

The model must include improved forecasting of the school construction assistance program through analysis of existing data including, but not limited to:

The analysis must also include a menu of city-wide revenue sources to be considered by the 2015 legislature that will increase city revenues and ultimately city expenditures by the host capital city to mitigate impacts that the city has on state government facilities and the operations of those facilities. A final report is due to the office of financial management, the house capital budget committee, and the senate ways and means committee by December 1, 2014.

Strike everything after the enacting clause and insert the following:

"PART I

INTENT

NEW SECTION. **Sec. 101.** The legislature finds that school districts are strapped for the physical space to meet education funding reforms as provided in chapter 548, Laws of 2009 (Engrossed Substitute House Bill No. 2261) and chapter 236, Laws of 2010 (Substitute House Bill No. 2776), as interpreted in *McCleary v. State*, related to all-day kindergarten and K-3 class size reduction. The legislature further finds that a program of near-term state grants without a local match requirement will assist school districts to provide these new programs by the scheduled full implementation date of the 2017-18 school year. The legislature further finds that school districts will need flexibility in determining the most appropriate construction method to accommodate the additional classroom space, including permanent construction, modular construction, or portables. The legislature further finds that the use of lottery revenues for common schools is consistent with the construction objectives of chapter 3, Laws of 2001 (Initiative Measure No. 728). Therefore, it is the intent of the legislature to authorize seven hundred million dollars in lottery revenue bonds for grants to school districts to support the physical capacity required for statewide implementation of all-day kindergarten and K-3 class size reduction beginning with the 2015-2017 fiscal biennium.

PART II

BOND AUTHORIZATION

NEW SECTION. **Sec. 201.** LOTTERY REVENUE BONDS AUTHORIZED. (1) For the purpose of providing needed construction assistance to support all-day kindergarten and K-3 class size reduction, the state finance committee is authorized to issue a total of seven hundred seven million dollars of lottery revenue bonds, or as much

thereof as may be required, payable from the Washington opportunity pathways account revenues under RCW 28B.76.526, which consist of net lottery revenues deposited in the lottery account created in RCW 67.70.230, and net shared game lottery revenues deposited in the shared game lottery account in RCW 67.70.044, as such revenues are defined in section 202 of this act, to finance these projects and all costs incidental thereto.

(2) Bonds authorized in this section may be sold at such price as the state finance committee shall determine. No bonds authorized in this section may be offered for sale without prior legislative appropriation of the net proceeds of the sale of the bonds.

(3) The state finance committee may determine and include in any resolution authorizing the issuance of any bonds authorized by this section and sections 202 through 207 of this act such terms, provisions, covenants, and conditions as it may deem appropriate in order to assist with the marketing and sale of the bonds, confer rights upon the owners of bonds, and safeguard rights of the owners of bonds, including, among other things:

(a) Provisions that the bonds shall be payable solely from and secured solely by the Washington opportunity pathways account revenues under RCW 28B.76.526, as such revenues are defined in section 202 of this act;

(b) The conditions that must be satisfied prior to the issuance of any additional bonds that are to be payable from and secured by the Washington opportunity pathways account revenues, as such revenues are defined in section 202 of this act, on equal basis with previously issued and outstanding bonds payable from the net lottery revenues and net shared game lottery revenues;

(c) Provisions regarding debt service reserves and credit enhancement; and

(d) Whether bonds may be issued as tax-exempt bonds or must be issued as taxable bonds under the applicable provisions of the federal internal revenue code.

NEW SECTION. Sec. 202. WASHINGTON OPPORTUNITY PATHWAYS ACCOUNT/LOTTERY REVENUES PLEDGED TO BONDS. (1) Each bond issued under the authority of this section and sections 201 and 203 through 207 of this act shall distinctly state that payment or redemption of the bond and payment of the interest and any premium thereon is payable solely from and secured solely by a pledge of the Washington opportunity pathways account revenues under RCW 28B.76.526, which consist of net lottery revenues received in the lottery account established in RCW 67.70.230 and net shared game lottery revenues received in the shared game lottery account in RCW 67.70.044 and is not a general obligation of the state to which the full faith and credit of the state is pledged. The legislature covenants to appropriate the Washington opportunity pathways account revenues pledged to the payment of the bonds issued under this section and sections 201 and 203 through 207 of this act. The legislature further agrees for the benefit of the owners of outstanding bonds issued by the state under this section and sections 201 and 203 through 207 of this act to continue in effect and not to impair the operation of the state lottery as authorized in chapter 67.70 RCW for the payment and security of the bonds. The state finance committee shall include this pledge and agreement of the state to owners of any bonds issued under this section and sections 201 and 203 through 207 of this act. The owner of any bond or the trustee for the owner of any of the bonds may by mandamus or other appropriate proceeding require the transfer and payment of pledged revenues as directed in this section.

(2) For purposes of this section and sections 201 and 203 through 209 of this act:

(a) "Washington opportunity pathways account revenues" means all revenues of the Washington opportunity pathways account in RCW 28B.76.526 including, but not limited to, net lottery revenues and net shared game lottery revenues;

(b) "Net lottery revenues" means all revenues deposited in the lottery account, excluding revenues used to make the following

distributions under RCW 67.70.240: Payment of prizes under RCW 67.70.240(1)(a) other than unclaimed prizes under RCW 67.70.190; deposits made by the lottery commission in the reserve account and lottery administrative account under RCW 67.70.240(1)(b); amounts obligated under RCW 67.70.240(1)(d); amounts used for the purchase and promotion of games and services under RCW 67.70.240(1)(e); and payments to agents under RCW 67.70.240(1)(f); and

(c) "Net shared game lottery revenues" means all moneys deposited in the shared game lottery account in RCW 67.70.044 excluding direct expenses of the shared game.

Sec. 203. RCW 67.70.230 and 2010 1st sp.s. c 37 s 941 are each amended to read as follows:

NET LOTTERY REVENUES PLEDGED TO BONDS. There is hereby created and established a separate account, to be known as the state lottery account. Such account shall be managed, maintained, and controlled by the commission and shall consist of all revenues received from the sale of lottery tickets or shares, and all other moneys credited or transferred thereto from any other fund or source pursuant to law. The account shall be a separate account outside the state treasury. No appropriation is required to permit expenditures and payment of obligations from the account. ~~((During the 2009-2011 fiscal biennium, the legislature may transfer from the state lottery account to the education legacy trust account such amounts as reflect the excess fund balance of the account.))~~ As set forth in section 202 of this act, net lottery revenues are pledged to principal and interest payments on bonds issued under section 201 of this act, including any required reserves as provided in the bond proceedings, and must be transferred for this purpose by the state treasurer into the Washington opportunity pathways account in RCW 28B.76.526.

Sec. 204. RCW 67.70.044 and 2010 1st sp.s. c 37 s 940 are each amended to read as follows:

NET SHARED GAME LOTTERY REVENUES PLEDGED TO BONDS. (1) Pursuant to RCW 67.70.040(1)(a), the commission may enter into the multistate agreement establishing a shared game lottery known as "The Big Game," that was entered into by party state lotteries in August 1996 and subsequently amended and a shared game lottery known as "Powerball."

(2) The shared game lottery account is created as a separate account outside the state treasury. The account is managed, maintained, and controlled by the commission and consists of all revenues received from the sale of shared game lottery tickets or shares, and all other moneys credited or transferred to it from any other fund or source under law. The account is allotted according to chapter 43.88 RCW. ~~((During the 2009-2011 fiscal biennium, the legislature may transfer from the shared game lottery account to the education legacy trust account such amounts as reflect the excess fund balance of the account.))~~

(3) As set forth in section 202 of this act, net shared game lottery revenues deposited in the shared game lottery account are pledged to principal and interest payments on bonds issued under section 201 of this act, including any required reserves as provided in the bond proceedings, and must be transferred for this purpose by the state treasurer into the Washington opportunity pathways account in RCW 28B.76.526.

NEW SECTION. Sec. 205. BOND PROCEEDS DEPOSITED INTO EDUCATION CONSTRUCTION REVENUE BOND PROCEEDS ACCOUNT. The proceeds from the sale of bonds authorized in section 201 of this act shall be deposited in the education construction revenue bond proceeds account hereby created in the state treasury. Moneys in the account may be spent only after appropriation and only for the purposes stated in section 201 of this act, for the payment of bond anticipation notes or other interim financing, if any, capitalizing interest on the bonds, and payment of expenses incurred in the sale and issuance of the bonds, including underwriter compensation. The state treasurer may establish subaccounts in the account for the purpose of segregating bond proceeds, including

separate subaccounts for segregating proceeds of tax-exempt bonds and taxable bonds.

Sec. 206. RCW 28B.76.526 and 2010 1st sp.s. c 27 s 2 are each amended to read as follows:

WASHINGTON OPPORTUNITY PATHWAYS ACCOUNT; PRIORITY PLEDGE OF REVENUES TO BONDS. (1) The Washington opportunity pathways account is created in the state treasury. Deposits to the account must include net lottery revenues as defined in section 202 of this act that are required to be deposited in the account pursuant to RCW 67.70.230, net shared game lottery revenues as defined in section 202 of this act that are required to be deposited in the account pursuant to RCW 67.70.044, and any other amounts directed by the legislature to be transferred to or deposited in the account.

(2) As set forth in sections 202, 208, and 209 of this act, net lottery revenues and net shared game lottery revenues deposited in the account are pledged to principal and interest payments on bonds issued under section 201 of this act, including any required reserves as provided in the bond proceedings. This pledge of Washington opportunity pathways account revenues to pay and secure bonds issued under section 201 of this act takes priority over the use of Washington opportunity pathways account revenues to make any other expenditures from the account for any other purpose. Before any other expenditures may be made from the account, moneys in the account must have been expended or set aside on or before the applicable payment date for debt service requirements and debt service reserve requirements of the bonds issued under section 201 of this act in the amounts certified from time to time by the state finance committee pursuant to section 207 of this act. The state finance committee in the bond proceedings may provide for the establishment of a special subaccount in the account to serve as a debt service reserve fund for bonds issued under section 201 of this act.

(3) After applicable debt service requirements and debt service reserve requirements for bonds issued under section 201 of this act have been satisfied or provided for pursuant to subsection (2) of this section, other expenditures from the account may be used only for programs in chapter 28B.12 RCW (state work-study), chapter 28B.50 RCW (opportunity grant), RCW 28B.76.660 (Washington scholars award), RCW 28B.76.670 (Washington award for vocational excellence), chapter 28B.92 RCW (state need grant program), chapter 28B.101 RCW (educational opportunity grant), chapter 28B.105 RCW (GET ready for math and science scholarship), chapter 28B.117 RCW (passport to college promise), chapter 28B.118 RCW (college bound scholarship), chapter 28B.119 RCW (Washington promise scholarship), chapter 43.215 RCW (early childhood education and assistance program), and RCW 43.330.280 (recruitment of entrepreneurial researchers, innovation partnership zones and research teams).

NEW SECTION. Sec. 207. RETIREMENT OF BONDS. (1) The nondebt- limit bond retirement account shall be used for the payment of principal of and interest on the bonds authorized in section 201 of this act.

(2) The state finance committee shall, on or before June 30th of each year, certify to the state treasurer the amount required for principal and interest payments on the bonds and the amounts, if any, required for the funding or replenishment of any debt service reserve fund for the bonds in accordance with the bond proceedings.

(3) On each date on which any principal and interest payment is due on bonds or on which any amount is required for the funding or replenishment of any debt service reserve fund for bonds issued for the purposes of section 201 of this act, the state treasurer shall withdraw from the Washington opportunity pathways account an amount equal to the amount certified by the state finance committee to be due or required on such date.

Sec. 208. RCW 67.70.240 and 2013 c 136 s 1 are each amended to read as follows:

DISTRIBUTION OF LOTTERY REVENUES. (1) The moneys in the state lottery account may be used only:

(a) For the payment of prizes to the holders of winning lottery tickets or shares;

(b) For purposes of making deposits into the reserve account created by RCW 67.70.250 and into the lottery administrative account created by RCW 67.70.260;

~~(c) (For purposes of making deposits into the Washington opportunity pathways account created in RCW 28B.76.526. Moneys in the state lottery account deposited in the Washington opportunity pathways account are included in "general state revenues" under RCW 39.42.070;))~~ For deposits in the Washington opportunity pathways account for purposes of debt service payments and any required reserve on bonds issued under section 201 of this act and for other authorized purposes of the account after such payments are made;

(d) For distribution to the stadium and exhibition center account, created in RCW 43.99N.060. Subject to the conditions of RCW 43.99N.070, six million dollars must be distributed under this subsection during the calendar year 1998. During subsequent years, such distribution must equal the prior year's distributions increased by four percent. No distribution may be made under this subsection after December 31, 1999, unless the conditions for issuance of the bonds under RCW 43.99N.020(2) are met. Distributions under this subsection must cease when the bonds are retired, but not later than December 31, 2020;

(e) For the purchase and promotion of lottery games and game-related services; and

(f) For the payment of agent compensation.

(2) The office of financial management shall require the allotment of all expenses paid from the account and shall report to the ways and means committees of the senate and house of representatives any changes in the allotments.

Sec. 209. RCW 67.70.340 and 2012 1st sp.s. c 10 s 6 are each amended to read as follows:

DISTRIBUTION OF SHARED GAME REVENUES. (1) ~~(The legislature recognizes that creating a shared game lottery could result in less revenue being raised by the existing state lottery ticket sales. The legislature further recognizes that the fund most impacted by this potential event is the Washington opportunity pathways account. Therefore, it is the intent of the legislature to use some of the proceeds from the shared game lottery to make up the difference that the potential state lottery revenue loss would have on the Washington opportunity pathways account. The legislature further intends to use some of the proceeds from the shared game lottery to fund programs and services related to problem and pathological gambling.~~

~~(2) The Washington opportunity pathways account is expected to receive one hundred two million dollars annually from state lottery games other than the shared game lottery. For fiscal year 2011 and thereafter, if the amount of lottery revenues earmarked for the Washington opportunity pathways account is less than one hundred two million dollars, the commission, after making the transfer required under subsection (3) of this section, must transfer sufficient moneys from revenues derived from the shared game lottery into the Washington opportunity pathways account to bring the total revenue up to one hundred two million dollars.~~

~~(3))~~ If at any time the amount available to be transferred from the state lottery account in RCW 67.70.240 to the Washington opportunity pathways account pursuant to section 207 of this act is insufficient to satisfy the amount certified under RCW 28B.76.526, then before the commission may make any transfers under this section the treasurer must transfer net shared game lottery revenues from the shared game lottery account to the Washington opportunity pathways account.

(a) The commission shall transfer, from revenue derived from the shared game lottery, to the problem gambling account created in RCW 43.20A.892, an amount equal to the percentage specified in (b) of this subsection of net receipts. For purposes of this subsection, "net

receipts" means the difference between (i) revenue received from the sale of lottery tickets or shares and revenue received from the sale of shared game lottery tickets or shares; and (ii) the sum of payments made to winners.

(b) In fiscal year 2006, the percentage to be transferred to the problem gambling account is one-tenth of one percent. In fiscal year 2007 and subsequent fiscal years, the percentage to be transferred to the problem gambling account is thirteen one-hundredths of one percent.

~~((4))~~ (2) The commission shall transfer the remaining net revenues, if any, derived from the shared game lottery "Powerball" authorized in RCW 67.70.044(1) after the transfers pursuant to this section into the state general fund for support for the program of basic education under RCW 28A.150.200.

~~((5))~~ (3) The remaining net revenues, if any, in the shared game lottery account after the transfers pursuant to this section shall be deposited into the Washington opportunity pathways account.

Sec. 210. RCW 67.70.040 and 2006 c 290 s 3 are each amended to read as follows:

LOTTERY COMMISSION DUTIES. The commission shall have the power, and it shall be its duty:

(1) To adopt rules governing the establishment and operation of a state lottery as it deems necessary and desirable in order that such a lottery be initiated at the earliest feasible and practicable time, and in order that such lottery produce the maximum amount of net revenues for the state consonant with the dignity of the state and the general welfare of the people. (e) The manner and time of payment of prizes to the holder of winning tickets or shares which, at the director's option, may be paid in lump sum amounts or installments over a period of years;

PART II

HUMAN SERVICES

Sec. 201. 2013 2nd sp.s. c 4 s 201 (uncodified) is amended to read as follows:

FOR THE DEPARTMENT OF SOCIAL AND HEALTH SERVICES

(1) The appropriations to the department of social and health services in this act shall be expended for the programs and in the amounts specified in this act. Appropriations made in this act to the department of social and health services shall initially be allotted as required by this act. Subsequent allotment modifications shall not include transfers of moneys between sections of this act except as expressly provided in this act, nor shall allotment modifications permit moneys that are provided solely for a specified purpose to be used for other than that purpose.

(2) The department of social and health services shall not initiate any services that require expenditure of state general fund moneys unless expressly authorized in this act or other law. The department may seek, receive, and spend, under RCW 43.79.260 through 43.79.282, federal moneys not anticipated in this act as long as the federal funding does not require expenditure of state moneys for the program in excess of amounts anticipated in this act. If the department receives unanticipated unrestricted federal moneys, those moneys shall be spent for services authorized in this act or in any other legislation providing appropriation authority, and an equal amount of appropriated state general fund moneys shall lapse. Upon the lapsing of any moneys under this subsection, the office of financial management shall notify the legislative fiscal committees. As used in this subsection, "unrestricted federal moneys" includes block grants and other funds that federal law does not require to be spent on specifically defined projects or matched on a formula basis by state funds.

(3)(a) The health care authority and the department are authorized to develop an integrated health care program designed to slow the progression of illness and disability and better manage medicaid expenditures for the aged and disabled population. Under the Washington medicaid integration partnership (WMIP) and the medicare integrated care project (MICP), the health care authority and the department may combine and transfer such medicaid funds appropriated under sections 204, 206, 208, and 213 of this act as may be necessary to finance a unified health care plan for the WMIP and the MICP program enrollment. The WMIP pilot projects shall not exceed a daily enrollment of 6,000 persons, nor expand beyond one county during the 2013-2015 fiscal biennium. The amount of funding assigned from each program may not exceed the average per capita cost assumed in this act for individuals covered by that program, actuarially adjusted for the health condition of persons enrolled, times the number of clients enrolled. In implementing the WMIP and the MICP, the health care authority and the department may: (i) Withhold from calculations of "available resources" as set forth in RCW 71.24.025 a sum equal to the capitated rate for enrolled individuals; and (ii) employ capitation financing and risk-sharing arrangements in collaboration with health care service contractors licensed by the office of the insurance commissioner and qualified to participate in both the medicaid and medicare programs.

(b) If Washington has been selected to participate in phase two of the federal demonstration project for persons dually-eligible for both medicare and medicaid, the department and the authority may initiate the MICP. Participation in the project shall be limited to persons who are eligible for both medicare and medicaid and to counties in which the county legislative authority has agreed to the terms and conditions under which it will operate. The purpose of the project shall be to demonstrate and evaluate ways to improve care while reducing state expenditures for persons enrolled both in medicare and medicaid. To that end, prior to initiating the project, the department and the authority shall assure that state expenditures shall be no greater on either a per person or total basis than the state would otherwise incur. Individuals who are solely eligible for medicaid may also participate if their participation is agreed to by the health care authority, the department, and the county legislative authority.

(4) The legislature finds that medicaid payment rates, as calculated by the department pursuant to the appropriations in this act, bear a reasonable relationship to the costs incurred by efficiently and economically operated facilities for providing quality services and will be sufficient to enlist enough providers so that care and services are available to the extent that such care and services are available to the general population in the geographic area. The legislature finds that cost reports, payment data from the federal government, historical utilization, economic data, and clinical input constitute reliable data upon which to determine the payment rates.

(5) The department shall to the maximum extent practicable use the same system for delivery of spoken-language interpreter services for social services appointments as the one established for medical appointments in section 213 of this act. When contracting directly with an individual to deliver spoken language interpreter services, the department shall only contract with language access providers who are working at a location in the state and who are state-certified or state-authorized, except that when such a provider is not available, the department may use a language access provider who meets other certifications or standards deemed to meet state standards, including interpreters in other states.

(6) The department shall facilitate enrollment under the medicaid expansion for clients applying for or receiving state funded services from the department and its contractors. Prior to open enrollment, the department shall coordinate with the health care authority to provide referrals to the Washington health benefit exchange for clients that will be ineligible for the medicaid expansion but are enrolled in coverage that will be eliminated in the transition to the medicaid expansion.

(7)(a) The appropriations to the department of social and health services in this act shall be expended for the programs and in the amounts specified in this act. However, after May 1, 2014, unless specifically prohibited by this act, the department may transfer general fund--state appropriations for fiscal year 2014 among programs after approval by the director of financial management. However, the department shall not transfer state moneys that are provided solely for a specified purpose except as expressly provided in (b) of this subsection.

(b) To the extent that transfers under (a) of this subsection are insufficient to fund actual expenditures in excess of fiscal year 2014 caseload forecasts and utilization assumptions in the long-term care, foster care, adoptions support, medicaid personal care, and child support programs, the department may transfer state moneys that are provided solely for a specified purpose. The department shall not transfer funds, and the director of financial management shall not approve the transfer, unless the transfer is consistent with the objective of conserving, to the maximum extent possible, the expenditure of state funds. The director of financial management shall notify the appropriate fiscal committees of the senate and house of representatives in writing seven days prior to approving any allotment modifications or transfers under this subsection. The written notification shall include a narrative explanation and justification of the changes, along with expenditures and allotments by budget unit and appropriation, both before and after any allotment modifications or transfers.

To achieve efficiencies and increase utilization, the department shall allow the co-location of these centers, except that a youth may not be placed in a secure facility or the secure portion of a co-located facility except as specifically authorized by chapter 13.32A RCW. The reductions to appropriations in this subsection related to semi-secure crisis residential centers reflect a reduction to the number of beds for semi-secure crisis residential centers and not a reduction in rates. Any secure crisis residential center or semi-secure crisis residential center bed reduction shall not be based solely upon bed utilization. The department is to exercise its discretion in reducing the number of beds but to do so in a manner that maintains availability and geographic representation of semi-secure and secure crisis residential centers.

TOTAL APPROPRIATION	((\$1,215,448,000))
<u>\$1,341,715,000</u>	

The appropriations in this subsection are subject to the following conditions and limitations:

(a) \$104,999,000 of the general fund--state appropriation for fiscal year 2014 and ~~((~~\$85,895,000~~))~~ \$88,895,000 of the general fund-- state appropriation for fiscal year 2015 are provided solely for persons and services not covered by the medicaid program. To the extent possible, levels of regional support network spending shall be maintained in the following priority order: Crisis and commitment services; community inpatient services; and residential care services, including personal care and emergency housing assistance. This is a reduction in flexible nonmedicaid funding of \$4,343,000 for fiscal year 2014 and ~~((~~\$23,446,000~~))~~ \$20,446,000 for fiscal year 2015. This reduction reflects offsets in state funding related to services that will now be funded with federal dollars through the affordable care act medicaid expansion. This reduction shall be distributed ~~_____~~ ((as _____ follows:

~~_____ (i) The \$4,343,000 reduction in fiscal year 2014 and \$11,723,000 of the reduction in fiscal year 2015 must be distributed))~~ among regional support networks based on a formula that equally weights each regional support networks proportion of individuals who become newly eligible and enroll in medicaid under the expansion provisions of the affordable care act ~~((in fiscal year 2014))~~ and each regional support network's spending of flexible nonmedicaid funding on services that would be reimbursable for federal medicaid matching funds if provided to medicaid enrollees in the 2011-2013 fiscal biennium.

~~((ii) The remaining \$11,723,000 reduction in fiscal year 2015 must be distributed among regional support networks based on each regional support network's proportion of individuals who become newly eligible and enroll in medicaid under the expansion provisions of the affordable care act through fiscal year 2015.))~~

(b) \$6,590,000 of the general fund--state appropriation for fiscal year 2014, \$6,590,000 of the general fund--state appropriation for fiscal year 2015, and \$7,620,000 of the general fund--federal appropriation are provided solely for the department and regional support networks to continue to contract for implementation of high- intensity programs for assertive community treatment (PACT) teams. In determining the proportion of medicaid and nonmedicaid funding provided to regional support networks with PACT teams, the department shall consider the differences between regional support networks in the percentages of services and other costs associated with the teams that are not reimbursable under medicaid. The department may allow regional support networks which have nonmedicaid reimbursable costs that are higher than the nonmedicaid allocation they receive under this section to supplement these funds with local dollars or funds received under section 204(1)(a) of this act. The department and regional support networks shall maintain consistency with all essential elements of the PACT evidence-based practice model in programs funded under this section.

(c) \$5,850,000 of the general fund--state appropriation for fiscal year 2014, \$5,850,000 of the general fund--state appropriation for fiscal year 2015, and \$1,300,000 of the general fund--federal appropriation are provided solely for the western Washington regional support networks to provide either community- or hospital campus-based services for persons who require the level of care previously provided by the program for adaptive living skills (PALS) at western state hospital.

(d) The number of nonforensic beds allocated for use by regional support networks at eastern state hospital shall be 192 per day. The number of nonforensic beds allocated for use by regional support networks at western state hospital shall be 557 per day.

(f) The department is authorized to continue to contract directly, rather than through contracts with regional support networks, for children's long-term inpatient facility services.

(g) \$750,000 of the general fund--state appropriation for fiscal year 2014 and \$750,000 of the general fund--state appropriation for fiscal year 2015 are provided solely to continue performance-based incentive contracts to provide appropriate community support services for individuals with severe mental illness who were discharged from the state hospitals as part of the expanding community services initiative. These funds will be used to enhance community residential and support services provided by regional support networks through other state and federal funding.

(h) \$1,125,000 of the general fund--state appropriation for fiscal year 2014 and \$1,125,000 of the general fund--state appropriation for fiscal year 2015 are provided solely for the Spokane regional support network to implement services to reduce utilization and the census at eastern state hospital. Such services shall include:

(i) High intensity treatment team for persons who are high utilizers of psychiatric inpatient services, including those with co-occurring disorders and other special needs;

(ii) Crisis outreach and diversion services to stabilize in the community individuals in crisis who are at risk of requiring inpatient care or jail services;

(iii) Mental health services provided in nursing facilities to individuals with dementia, and consultation to facility staff treating those individuals; and

(iv) Services at the sixteen-bed evaluation and treatment facility.

At least annually, the Spokane regional support network shall assess the effectiveness of these services in reducing utilization at eastern state hospital, identify services that are not optimally effective, and modify those services to improve their effectiveness.

(i) \$1,529,000 of the general fund--state appropriation for fiscal year 2014 and \$1,529,000 of the general fund--state appropriation for fiscal year 2015 are provided solely to reimburse Pierce and Spokane counties for the cost of conducting 180-day commitment hearings at the state psychiatric hospitals.

(j) Regional support networks may use local funds to earn additional federal medicaid match, provided the locally matched rate does not exceed the upper-bound of their federally allowable rate range, and provided that the enhanced funding is used only to provide medicaid state plan or waiver services to medicaid clients. Additionally, regional support networks may use a portion of the state funds allocated in accordance with (a) of this subsection to earn additional medicaid match, but only to the extent that the application of such funds to medicaid services does not diminish the level of crisis and commitment, community inpatient, residential care, and outpatient services presently available to persons not eligible for medicaid.

(k) \$3,436,000 of the general fund--state appropriation for fiscal year 2014 and \$2,291,000 of the general fund--state appropriation for fiscal year 2015 are provided solely for mental health services for mentally ill offenders while confined in a county or city jail and for facilitating access to programs that offer mental health services upon release from confinement.

(l) \$523,000 of the general fund--state appropriation for fiscal year 2014, \$775,000 of the general fund--state appropriation for fiscal year 2015, and \$854,000 of the general fund--federal appropriation are provided solely for implementation of sections 3 through 5 of chapter 289, Laws of 2013 (E2SHB 1114). Regional support networks must use this funding for the development of intensive community programs that allow individuals to be diverted or transitioned from the state hospitals in accordance with plans approved by the department.

(n) Due to recent approval of federal medicaid matching funds for the disability lifeline and the alcohol and drug abuse treatment support act programs, the department shall charge regional support networks for only the state share rather than the total cost of community psychiatric hospitalization for persons enrolled in those programs.

(o) The legislature finds that the circumstances of the Chelan- Douglas regional support network (CD-RSN) make it necessary for CD-RSN to undergo restructuring in order to provide mental health services essential to the health and wellness of the citizens within its service area. The legislature intends to provide additional temporary financial relief to the CD-RSN while it undergoes internal restructuring or negotiates a merger with another regional support network.

The department shall negotiate relief for outstanding fiscal year 2013 reimbursements owed by CD-RSN to the state provided that the CD-RSN has a plan in place that is approved by the department by August 1, 2013, that demonstrates how CD-RSN will maintain financial viability and stability or will merge with another regional support network.

For the period of July 1, 2013, through December 31, 2013, the department may alter collection of reimbursement from CD-RSN for overuse of state hospital beds. To receive a reduction to the required reimbursement for overuse of state hospital beds, CD-RSN must continue to prioritize services that reduce its utilization and census at eastern state hospital and be actively implementing an approved plan to maintain financial viability or pursuing a future merger with another regional support network. Up to \$298,000 of the general fund--state appropriation for fiscal year 2014 is for the department to provide payments to regional support networks in eastern Washington which have used less than their allocated or contracted patient days of care at the state hospital to replace the share of the reimbursements from CD-RSN that the regional support networks would have received under RCW 71.24.320.

(p) \$266,000 of the general fund--state appropriation for fiscal year 2014 ~~(is)~~ and \$1,500,000 of the general fund--state appropriation for fiscal year 2015 are provided solely to maintain services for the King county regional support network as it works to transition services to settings that are eligible for federal participation for individuals covered under the medicaid program.

(q) Within the amounts appropriated in this section, funding is provided for the department to develop and phase in intensive mental health services for high needs youth consistent with the settlement agreement in *T.R. v. Dreyfus and Porter*.

(r) \$7,281,000 of the general fund--state appropriation for fiscal year 2015 and \$4,589,000 of the general fund--federal appropriation are provided solely for implementation of Substitute House Bill No. 2725 (involuntary commitment) and enhancement of community mental health services. The department must contract these funds for the operation of the following community programs that allow individuals to be diverted or transitioned from the state hospitals: (i) Community hospital or free standing evaluation and treatment services providing short-term detention and commitment services under the involuntary treatment act to be located in the geographic areas of the King regional support network, the Spokane regional support network outside of Spokane county, and the Thurston Mason regional support network; (ii) one new full program of an

In contracting for community evaluation and treatment services, the department may not use these resources in facilities that meet the criteria to be classified under federal law as institutions for mental diseases. If the department is unable to come to a contract agreement with a designated regional support network for any of the services identified above, it may consider contracting for that service in another regional support network that has the need for such service.

The director is authorized to make any necessary program adjustments to comply with this requirement, including adding or adjusting premiums, modifying benefits, or reducing optional programs. To the extent a waiver is needed to accomplish this, the director shall promptly apply for such waiver. If a necessary waiver is not approved, the medicaid expansion program shall be terminated upon appropriate notification to the legislature and enrollees.

(2) The requirements of this subsection apply to the basic health plan. This subsection is null and void and has no further effect upon implementation of the medicaid expansion under subsection (1) of this section.

(a) Within amounts appropriated in this section and sections 205 and 206 of this act, the health care authority shall continue to provide an enhanced basic health plan subsidy for foster parents licensed under chapter 74.15 RCW and workers in state-funded home care programs. Under this enhanced subsidy option, foster parents eligible to participate in the basic health plan as subsidized enrollees and home care workers with family incomes below 200 percent of the federal poverty level shall be allowed to enroll in the basic health plan at the minimum premium amount charged to enrollees with incomes below sixty-five percent of the federal poverty level.

(b) The health care authority shall require organizations and individuals that are paid to deliver basic health plan services and that choose to sponsor enrollment in the subsidized basic health plan to pay 133 percent of the premium amount which would otherwise be due from the sponsored enrollees.

(c) The administrator shall take at least the following actions to assure that persons participating in the basic health plan are eligible for the level of assistance they receive: (a) Require submission of (i) income tax returns, and recent pay history, from all applicants, or (ii) other verifiable evidence of earned and unearned income from those persons not required to file income tax returns; (b) check employment security payroll records at least once every twelve months on all enrollees; (c) require enrollees whose income as indicated by payroll records exceeds that upon which their subsidy is based to document their current income as a condition of continued eligibility; (d) require enrollees for whom employment security payroll records cannot be obtained to document their current income at least once every six months; (e) not reduce gross family income for self-employed persons by noncash-flow expenses such as, but not limited to, depreciation, amortization, and home office deductions, as defined by the United States internal revenue service; and (f) pursue repayment and civil penalties from persons who have received excessive subsidies, as provided in RCW 70.47.060(9).

(d) Enrollment in the subsidized basic health plan shall be limited to only include persons who qualify as subsidized enrollees as defined in RCW 70.47.020 and who (a) qualify for services under 1115 medicaid demonstration project number 11-W-00254/10; or (b) are foster parents licensed under chapter 74.15 RCW.

(3) The legislature finds that medicaid payment rates, as calculated by the health care authority pursuant to the appropriations in this act, bear a reasonable relationship to the costs incurred by efficiently and economically operated facilities for providing quality services and will be sufficient to enlist enough providers so that care and services are available to the extent that such care and services are available to the general population in the geographic area. The legislature finds that the cost reports, payment data from the federal government, historical utilization, economic data, and clinical input constitute reliable data upon which to determine the payment rates.

(4) Based on quarterly expenditure reports and caseload forecasts, if the health care authority estimates that expenditures for the medical assistance program will exceed the appropriations, the health care authority shall take steps including but not limited to reduction of rates or elimination of optional services to reduce expenditures so that total program costs do not exceed the annual appropriation authority.

(5) In determining financial eligibility for medicaid-funded services, the health care authority is authorized to disregard recoveries by Holocaust survivors of insurance proceeds or other assets, as defined in RCW 48.104.030.

(6) The legislature affirms that it is in the state's interest for Harborview medical center to remain an economically viable component of the state's health care system.

(7) When a person is ineligible for medicaid solely by reason of residence in an institution for mental diseases, the health care authority shall provide the person with the same benefits as he or she would receive if eligible for medicaid, using state-only funds to the extent necessary.

(8) \$4,261,000 of the general fund--state appropriation for fiscal year 2014, \$4,261,000 of the general fund--state appropriation for fiscal year 2015, and \$8,522,000 of the general fund--federal appropriation are provided solely for low-income disproportionate share hospital payments.

(9) \$400,000 of the general fund--state appropriation for fiscal year 2014, ~~(\$400,000)~~ \$200,000 of the general fund--state appropriation for fiscal year 2015, and ~~(\$800,000)~~ \$600,000 of the general fund--federal appropriation are provided solely for disproportionate share hospital payments to rural hospitals certified by the centers for medicare and medicaid services as sole community hospitals as of January 1, 2013, with less than one hundred fifty acute care licensed beds in fiscal year 2011 that do not participate in the certified public expenditures program. The authority shall discontinue these payments on January 1, 2015.

(10) \$100,000 of the general fund--state appropriation for fiscal year 2014 and ~~(\$100,000)~~ \$50,000 of the general fund--state appropriation for fiscal year 2015 are provided solely for grants to rural hospitals in Clallam county that were certified by the centers for medicare and medicaid services as sole community hospitals as of January 1, 2013, with less than one hundred fifty acute care licensed beds in fiscal year 2011. The authority shall discontinue these payments on January 1, 2015.

(11) Within the amounts appropriated in this section, the health care authority shall provide disproportionate share hospital payments to hospitals that provide services to children in the children's health program who are not eligible for services under Title XIX or XXI of the federal social security act due to their citizenship status.

(12) \$6,000,000 of the general fund--federal appropriation is provided solely for supplemental payments to nursing homes operated by public hospital districts. The public hospital district shall be responsible for providing the required nonfederal match for the supplemental payment, and the payments shall not exceed the maximum allowable under federal rules. It is the legislature's intent that the payments shall be supplemental to and shall not in any way offset or reduce the payments calculated and provided in accordance with part E of chapter 74.46 RCW. It is the legislature's further intent that costs otherwise allowable for rate-setting and settlement against payments under chapter 74.46 RCW shall not be disallowed solely because such costs have been paid by revenues retained by the nursing home from these supplemental payments. The supplemental payments are subject to retrospective interim and final cost settlements based on the nursing homes' as-filed and final medicare cost reports. The timing of the interim and final cost settlements shall be at the health care authority's discretion. During either the interim cost settlement or the final cost settlement, the health care authority shall recoup from the public hospital districts the supplemental payments that exceed the medicaid cost limit and/or the medicare upper payment limit. The health care authority shall apply federal rules for identifying the eligible incurred medicaid costs and the medicare upper payment limit.

(13) The health care authority shall continue the inpatient hospital certified public expenditures program for the 2013-2015 fiscal biennium. The program shall apply to all public hospitals, including those owned or operated by the state, except those classified as critical access hospitals or state psychiatric institutions. The health care authority shall submit reports to the governor and legislature by November 1, 2013, and by November 1, 2014, that evaluate whether savings continue to exceed costs for this program. If the certified public expenditures (CPE) program in its current form is no longer cost-effective to maintain, the health care authority shall submit a report to the governor and legislature detailing cost-

effective alternative uses of local, state, and federal resources as a replacement for this program. During fiscal year 2014 and fiscal year 2015, hospitals in the program shall be paid and shall retain one hundred percent of the federal portion of the allowable hospital cost for each medicaid inpatient fee-for-service claim payable by medical assistance and one hundred percent of the federal portion of the maximum disproportionate share hospital payment allowable under federal regulations. Inpatient medicaid payments shall be established using an allowable methodology that approximates the cost of claims submitted by the hospitals. Payments made to each hospital in the program in each fiscal year of the biennium shall be compared to a baseline amount. The baseline amount will be determined by the total of (a) the inpatient claim payment amounts that would have been paid during the fiscal year had the hospital not been in the CPE program based on the reimbursement rates developed, implemented, and consistent with policies approved in the 2013-2015 biennial operating appropriations act and in effect on July 1, 2013, (b) one-half of the indigent assistance disproportionate share hospital payment amounts paid to and retained by each hospital during fiscal year 2005, and (c) all of the other disproportionate share hospital payment amounts paid to and retained by each hospital during fiscal year 2005 to the extent the same disproportionate share hospital programs exist in the 2013-2015 fiscal biennium. If payments during the fiscal year exceed the hospital's baseline amount, no additional payments will be made to the hospital except the federal portion of allowable disproportionate share hospital payments for which the hospital can certify allowable match. If payments during the fiscal year are less than the baseline amount, the hospital will be paid a state grant equal to the difference between payments during the fiscal year and the applicable baseline amount. Payment of the state grant shall be made in the applicable fiscal year and distributed in monthly payments. The grants will be recalculated and redistributed as the baseline is updated during the fiscal year. The grant payments are subject to an interim settlement within eleven months after the end of the fiscal year. A final settlement shall be performed. To the extent that either settlement determines that a hospital has received funds in excess of what it would have received as described in this subsection, the hospital must repay the excess amounts to the state when requested. (~~(\$3,860,000)~~) \$11,928,000 of the general fund--state appropriation for fiscal year 2014 and (~~(\$1,137,000)~~) \$14,821,000 of the general fund--state appropriation for fiscal year 2015 are provided solely for state grants for the participating hospitals.

The health care authority shall prioritize evidence-based practices for delivery of maternity support services. To the extent practicable, the health care authority shall develop a mechanism to increase federal funding for maternity support services by leveraging local public funding for those services.

For any services eligible for encounter payments, as defined in the medicaid state plan, managed care organizations shall be required to pay at least the full published encounter rates directly to each clinic or center, and payments will be reconciled on at least an annual basis between the managed care organization and the authority, with final review and approval by the authority. At the option of any clinic, the enhancement payment can be received from the managed care organization on a per member per month basis for all assigned managed care enrollees in an amount prescribed by the authority. Nothing in this section is intended to disrupt mutually agreeable contractual arrangements between managed care organizations and clinics that impact how the standard payment for services is paid. The authority must make arrangements for all medicaid programs offered through managed care plans or fee-for-service programs to require dispensing of contraceptive drugs with a one-year supply provided at one time unless a patient requests a smaller supply or the prescribing physician instructs that the patient must receive a smaller supply. Contracts with managed care plans must allow on-site dispensing of the prescribed contraceptive drugs at family planning clinics. coverage through the health benefit exchange and improving opportunities for families to be covered in the same health plans. The options must include the possibility of applying premiums for individuals and cost-sharing that may exceed the five percent of family income cap under federal law, and the options must include recommendations to make the targeted premium assistance program cost neutral. The authority shall submit a report on the options to the legislature and the governor by January 1, 2014. On page 1, beginning on line 3 of the striking amendment, after "Sec. 1." strike all material through "assistance." on page 2, line 5 and insert "The legislature acknowledges that paraeducators have become

a significant resource to students who need additional education assistance. The legislature further recognizes that there is significant variability in paraeducator standards, training, and opportunity for professional development. A carefully constructed paraeducator development program would place the highest qualified paraeducators working with the highest need students. Such a program when combined with a career ladder could offer paraeducators real opportunities for upward mobility. Since paraeducators more closely reflect the cultural diversity of the student population, a development program and career ladder would be likely to encourage more paraeducators to become teachers. Training teachers how to work with a paraeducator in their classrooms could increase paraeducators' ability to teach students who need additional assistance."

POINT OF PARLIAMENTARY INQUIRY

Representative Reykdal: "I own property on Lake Nahwatzel in Mason County which potentially could be affected by the provisions of the bill. Do I have a private interest in the proposed legislation which requires my recusal from voting?"

SPEAKER'S RULING

Mr. Speaker: "Thank you Representative Reykdal for bringing this question to the body. House Rule 19(D), which is based on article 2, section 30 of our state constitution, states that 'no member shall vote on any question which affects that member privately and particularly.'

The question as to whether recusal is required turns on whether a legislator is affected privately and particularly, or as a member of a class. Engrossed Senate Bill 6031, as amended by the House, authorizes the creation of lake and beach management districts for the purpose of financing the acquisition of real property. The bill is drafted to apply only to Mason County. The Speaker notes that the bill merely creates a process that could lead to the acquisition of property. Whether or not that occurs depends on action by the affected landowners, not this legislation. Moreover, the bill applies equally to other lakes where you do not own property.

Representative Reykdal, given that the question of whether you will be affected is merely theoretical, and given the size of the class of persons potentially affected, the Speaker finds that the interest you have is neither private nor particular, and does not warrant your recusal under House Rules or the State Constitution."

The Speaker (Representative Moeller presiding) stated the question before the House to be the final passage of Engrossed Senate Bill No. 6031, as amended by the House.

MESSAGE FROM THE SENATE

March 7, 2014

Mr. Speaker:

The Senate has passed SHB 2613 with the following amendment:

Strike everything after the enacting clause and insert the following:

"Sec. 1. RCW 28B.15.102 and 2013 c 23 s 53 are each amended to read as follows:

(1) Beginning with the 2011-12 academic year, any four-year institution of higher education that increases tuition beyond levels assumed in the omnibus appropriations act is subject to the financial aid requirements included in this section and shall remain subject to these requirements through the 2018-19 academic year.

(2) Beginning July 1, 2011, each four-year institution of higher education that raises tuition beyond levels assumed in the omnibus appropriations act shall, in a manner consistent with the goal of enhancing the quality of and access to their institutions, provide financial aid to offset full-time tuition fees for resident undergraduate students as follows:

(a) Subtract from the full-time tuition fees an amount that is equal to the maximum amount of a state need grant award that would be given to an eligible student with a family income at or below fifty percent of the state's median family income as determined by the student achievement council; and

(b) Offset the remainder as follows:

(i) Students with demonstrated need whose family incomes are at or below fifty percent of the state's median family income shall receive financial aid equal to one hundred percent of the remainder if an institution's full-time tuition fees for resident undergraduate students is five percent or greater of the state's median family income for a family of four as provided by the student achievement council;

(ii) Students with demonstrated need whose family incomes are greater than fifty percent and no more than seventy percent of the state's median family income shall receive financial aid equal to seventy-five percent of the remainder if an institution's full-time tuition fees for resident undergraduate students is ten percent or greater of the state's median family income for a family of four as provided by the student achievement council;

(iii) Students with demonstrated need whose family incomes exceed seventy percent and are less than one hundred percent of the state's median family income shall receive financial aid equal to fifty percent of the remainder if an institution's full-time tuition fees for resident undergraduate students is fifteen percent or greater of the state's median family income for a family of four as provided by the student achievement council; and

(iv) Students with demonstrated need whose family incomes are at or exceed one hundred percent and are no more than one hundred twenty-five percent of the state's median family income shall receive financial aid equal to twenty-five percent of the remainder if an institution's full-time tuition fees for resident undergraduate students is twenty percent or greater of the state's median family income for a family of four as provided by the student achievement council.

(3) The financial aid required in subsection (2) of this section shall:

(a) Be reduced by the amount of other financial aid awards, not including the state need grant;

(b) Be prorated based on credit load; and

(c) Only be provided to students up to demonstrated need.

(4) Financial aid sources and methods may be:

(a) Tuition revenue or locally held funds;

(b) Tuition waivers created by a four-year institution of higher education for the specific purpose of serving low and middle-income students; or

(c) Local financial aid programs.

(5) Use of tuition waivers as specified in subsection

(4)(b) of this section shall not be included in determining total state tuition waiver authority as defined in RCW 28B.15.910.

(6) By ~~((August 15, 2012, and August 15th))~~ December 31st every year ~~((hereafter))~~, four-year institutions of higher education that increase tuition beyond levels assumed in the omnibus appropriations act after January 1, 2011, shall report to the governor and relevant committees of the legislature on the effectiveness of the various sources and methods of financial aid in mitigating tuition increases. A key purpose of these reports is to provide information regarding the results of the decision to grant tuition-setting authority to the four-year institutions of higher

education and whether tuition setting authority should continue to be granted to the institutions or revert back to the legislature after consideration of the impacts on students, including educational access, affordability, and quality. These reports shall include:

(a) The amount of ~~((additional))~~ financial aid provided to middle- income and low-income resident students with demonstrated need in the aggregate and per student;

(b) An itemization of the sources and methods of financial aid provided by the four-year institution of higher education in the aggregate and per student for resident undergraduate students;

(c) An analysis of the combined impact of federal tuition tax credits and financial aid provided by the institution of higher education on the net cost to students and their families resulting from tuition increases;

(d) In cases where tuition increases are greater than those assumed in the omnibus appropriations act at any four-year institution of higher education, the institution must include an explanation in its report of why this increase was necessary and how the institution will mitigate the effects of the increase. The institution must include in this section of its report a plan and specific timelines; and

(e) An analysis of changes in resident student enrollment patterns, participation rates, graduation rates, and debt load, by race and ethnicity, gender, state and county of origin, age, and socioeconomic status, and a plan to mitigate effects of reduced diversity due to tuition increases. This analysis shall include disaggregated data for resident students in the following income brackets:

(i) Up to seventy percent of the median family income;

(ii) Between seventy-one percent and one hundred twenty-five percent of the median family income; and

(iii) Above one hundred twenty-five percent of the median family income.

(7) Beginning in the 2012-13 academic year, the University of Washington shall enroll during each academic year at least the same number of resident first-year undergraduate students at the Seattle campus, as defined in RCW 28B.15.012, as enrolled during the 2009-10 academic year. This requirement shall not apply to nonresident undergraduate and graduate and professional students.

Sec. 2. RCW 42.16.010 and 2011 1st sp.s. c 43 s 446 are each amended to read as follows:

(1) Except as provided otherwise in subsections (2) and (3) of this section, all state officers and employees shall be paid for services rendered from the first day of the month through the fifteenth day of the month and for services rendered from the sixteenth day of the month through the last calendar day of the month. Paydates for these two pay periods shall be established by the director of financial management through the administrative hearing process and the official paydates shall be established six months prior to the beginning of each subsequent calendar year. Under no circumstance shall the paydate be established more than ten days after the pay period in which the wages are earned except when the designated paydate falls on Sunday, in which case the paydate shall not be later than the following Monday. Payment shall be deemed to have been made by the established paydates if:

(a) The salary warrant is available at the geographic work location at which the warrant is normally available to the employee; or (b) the salary has been electronically transferred into the employee's account at the employee's designated financial institution; or (c) the salary warrants are mailed at least two days before the established paydate for those employees engaged in work in remote or varying locations from the geographic location at which the payroll is prepared, provided that the employee has requested payment by mail.

The office of financial management shall develop the necessary policies and operating procedures to assure that all remuneration for services rendered including basic salary, shift differential, standby pay, overtime, penalty pay, salary due based on contractual agreements, and special pay provisions, as provided for by law, agency policy or rule, or contract, shall be available to the employee on the designated paydate. Overtime, penalty pay, and special pay provisions may be paid by the next following payday if the postponement of payment is attributable to: The employee's not making a timely or accurate report of the facts which are the basis for the payment, or the employer's lack of reasonable opportunity to verify the claim.

Compensable benefits payable because of separation from state service shall be paid with the earnings for the final period worked unless the employee separating has not provided the agency with the proper notification of intent to terminate.

One-half of the employee's basic monthly salary shall be paid in each pay period. Employees paid on an hourly basis or employees who work less than a full pay period shall be paid for actual salary earned.

(2) Subsection (1) of this section shall not apply in instances where it would conflict with contractual rights or, with the approval of the office of financial management, to short-term, intermittent, noncareer state employees, to student employees of institutions of higher education, to national or state guard members participating in state active duty, and to liquor control agency managers who are paid a percentage of monthly liquor sales.

(3) When a national or state guard member is called to participate in state active duty, the paydate shall be no more than seven days following completion of duty or the end of the pay period, whichever is first. When the seventh day falls on Sunday, the paydate shall not be later than the following Monday. This subsection shall apply only to the pay a national or state guard member receives from the military department for state active duty.

(4) Notwithstanding subsections (1) and (2) of this section, a bargained contract at an institution of higher education may include a provision for paying part-time academic employees on a pay schedule that coincides with all the paydays used for full-time academic employees.

(5)(a) Notwithstanding subsections (1), (2), and (4) of this section, an institution of higher education as defined in RCW 28B.10.016 may pay its employees for services rendered biweekly, in pay periods consisting of two consecutive seven calendar-day weeks. The paydate for each pay period shall be seven calendar days after the end of the pay period. Under no circumstance may the paydate be established more than seven days after the pay period in which the wages are earned except that when the designated paydate falls on a holiday, the paydate shall not be later than the following Monday.

(b) Employees on a biweekly payroll cycle under this subsection (5) who are paid a salary may receive a prorated amount of their annualized salary each pay period. The prorated amount must be proportional to the number of pay periods worked in the calendar year. Employees on a biweekly payroll cycle under this subsection (5) who are paid hourly, or who work less than a full pay period may be paid the actual salary amount earned during the pay period.

(c) Each institution that adopts a biweekly pay schedule under this subsection (5) must establish, publish, and notify the director of the office of financial management of the official paydates six months before the beginning of each subsequent calendar year.

(6) Notwithstanding subsections (1), (2), and (4) of this section, academic employees at institutions of higher education as defined in RCW 28B.10.016 whose employment appointments are

less than twelve months may have their salaries prorated in such a way that coincides with the paydays used for full-time employees.

Sec. 3. RCW 44.28.816 and 2011 1st sp.s. c 10 s 31 are each amended to read as follows:

(1) During calendar year 2018, the joint committee shall complete a systemic performance audit of the tuition-setting authority in RCW 28B.15.067 granted to the governing boards of the state universities, regional universities, and The Evergreen State College. The audit must include a separate analysis of both the authority granted in RCW 28B.15.067(3) and the authority in RCW 28B.15.067(4). The purpose of the audit is to evaluate the impact of institutional tuition-setting authority on student access, affordability, and ~~((institutional quality))~~ completion.

(2) The audit must include an evaluation of the following outcomes for each four-year institution of higher education:

(a) Changes in undergraduate enrollment, retention, and graduation by race and ethnicity, gender, state and county of origin, age, and socioeconomic status;

(b) The impact on student transferability, particularly from Washington community and technical colleges;

(c) Changes in time and credits to degree;

(d) Changes in the number and availability of online programs and undergraduate enrollments in the programs;

(e) Changes in enrollments in the running start and other dual enrollment programs;

(f) Impacts on funding levels for state student financial aid programs;

(g) Any changes in the percent of students who apply for student financial aid using the free application for federal student aid (FAFSA);

(h) Any changes in the percent of students who apply for available tax credits;

(i) Information on the use of building fee revenue by fiscal or academic year; and

(j) Undergraduate tuition and fee rates compared to undergraduate tuition and fee rates at similar institutions in the global challenge states.

(3) The audit must include recommendations on whether to continue tuition-setting authority beyond the 2018-19 academic year.

(4) In conducting the audit, the auditor shall solicit input from key higher education stakeholders, including but not limited to students and their families, faculty, and staff. To the maximum extent possible, data for the University of Washington and Washington State University shall be disaggregated by branch campus.

(5) The auditor shall report findings and recommendations to the appropriate committees of the legislature by December 15, 2018.

(6) This section expires December 31, 2018.

Sec. 4. RCW 43.88.110 and 2009 c 518 s 3 are each amended to read as follows:

This section sets forth the expenditure programs and the allotment and reserve procedures to be followed by the executive branch for public funds.

(1) Allotments of an appropriation for any fiscal period shall conform to the terms, limits, or conditions of the appropriation.

(2) The director of financial management shall provide all agencies with a complete set of operating and capital instructions for preparing a statement of proposed expenditures at least thirty days before the beginning of a fiscal period. The set of instructions need not include specific appropriation amounts for the agency.

(3) Within forty-five days after the beginning of the fiscal period or within forty-five days after the governor signs the

omnibus biennial appropriations act, whichever is later, all agencies shall submit to the governor a statement of proposed expenditures at such times and in such form as may be required by the governor.

(4) The office of financial management shall develop a method for monitoring capital appropriations and expenditures that will capture at least the following elements:

- (a) Appropriations made for capital projects including transportation projects;
- (b) Estimates of total project costs including past, current, ensuing, and future biennial costs;
- (c) Comparisons of actual costs to estimated costs;
- (d) Comparisons of estimated construction start and completion dates with actual dates;
- (e) Documentation of fund shifts between projects.

This data may be incorporated into the existing accounting system or into a separate project management system, as deemed appropriate by the office of financial management.

(5) The office of financial management, prior to approving allotments for major capital construction projects valued over five million dollars, with the exception of projects at institutions of higher education as defined in RCW 28B.10.016, which may be valued up to ten million dollars, shall institute procedures for reviewing such projects at the predesign stage that will reduce long-term costs and increase facility efficiency. The procedures shall include, but not be limited to, the following elements:

- (a) Evaluation of facility program requirements and consistency with long-range plans;
- (b) Utilization of a system of cost, quality, and performance standards to compare major capital construction projects; and
- (c) A requirement to incorporate value-engineering analysis and constructability review into the project schedule.

(6) No expenditure may be incurred or obligation entered into for such major capital construction projects including, without exception, land acquisition, site development, predesign, design, construction, and equipment acquisition and installation, until the allotment of the funds to be expended has been approved by the office of financial management. This limitation does not prohibit the continuation of expenditures and obligations into the succeeding biennium for projects for which allotments have been approved in the immediate prior biennium.

(7) If at any time during the fiscal period the governor projects a cash deficit in a particular fund or account as defined by RCW 43.88.050, the governor shall make across-the-board reductions in allotments for that particular fund or account so as to prevent a cash deficit, unless the legislature has directed the liquidation of the cash deficit over one or more fiscal periods. Except for the legislative and judicial branches and other agencies headed by elective officials, the governor shall review the statement of proposed operating expenditures for reasonableness and conformance with legislative intent. The governor may request corrections of proposed allotments submitted by the legislative and judicial branches and agencies headed by elective officials if those proposed allotments contain significant technical errors. Once the governor approves the proposed allotments, further revisions may at the request of the office of financial management or upon the agency's initiative be made on a quarterly basis and must be accompanied by an explanation of the reasons for significant changes. However, changes in appropriation level authorized by the legislature, changes required by across-the-board reductions mandated by the governor, changes caused by executive increases to spending authority, and changes caused by executive decreases to spending authority for failure to comply with the provisions of chapter 36.70A RCW may require additional

revisions. Revisions shall not be made retroactively. However, the governor may assign to a reserve status any portion of an agency appropriation withheld as part of across-the-board reductions made by the governor and any portion of an agency appropriation conditioned on a contingent event by the appropriations act. The governor may remove these amounts from reserve status if the across-the-board reductions are subsequently modified or if the contingent event occurs. The director of financial management shall enter approved statements of proposed expenditures into the state budgeting, accounting, and reporting system within forty-five days after receipt of the proposed statements from the agencies. If an agency or the director of financial management is unable to meet these requirements, the director of financial management shall provide a timely explanation in writing to the legislative fiscal committees.

(8) It is expressly provided that all agencies shall be required to maintain accounting records and to report thereon in the manner prescribed in this chapter and under the regulations issued pursuant to this chapter. Within ninety days of the end of the fiscal year, all agencies shall submit to the director of financial management their final adjustments to close their books for the fiscal year. Prior to submitting fiscal data, written or oral, to committees of the legislature, it is the responsibility of the agency submitting the data to reconcile it with the budget and accounting data reported by the agency to the director of financial management.

(9) The director of financial management may exempt certain public funds from the allotment controls established under this chapter if it is not practical or necessary to allot the funds. Allotment control exemptions expire at the end of the fiscal biennium for which they are granted. The director of financial management shall report any exemptions granted under this subsection to the legislative fiscal committees.

Sec. 5. RCW 28B.07.050 and 2003 c 84 s 1 are each amended to read as follows:

(1) The authority may, from time to time, issue its special obligation bonds in order to carry out the purposes of this chapter and to enable the authority to exercise any of the powers granted to it in this chapter. The bonds shall be issued pursuant to a bond resolution or trust indenture and shall be payable solely out of the special fund or funds created by the authority in the bond resolution or trust indenture. The special fund or funds shall be funded in whole or in part from moneys paid by one or more participants for whose benefit such bonds were issued and from the sources, if any, described in RCW 28B.07.040(9) or from the proceeds of bonds issued by the authority for the purpose of refunding any outstanding bonds of the authority.

(2) The bonds may be secured by:

- (a) A first lien against any unexpended proceeds of the bonds;
- (b) A first lien against moneys in the special fund or funds created by the authority for their payment;
- (c) A first or subordinate lien against the revenue and receipts of the participant or participants which revenue is derived in whole or in part from the project financed by the authority;
- (d) A first or subordinate security interest against any real or personal property, tangible or intangible, of the participant or participants, including, but not limited to, the project financed by the authority;
- (e) Any other real or personal property, tangible or intangible; or
- (f) Any combination of (a) through (e) of this subsection.

Any security interest created against the unexpended bond proceeds and against the special funds created by the authority shall be immediately valid and binding against the moneys and any securities in which the moneys may be invested

without authority or trustee possession, and the security interest shall be prior to any party having any competing claim against the moneys or securities, without filing or recording under Article 9A of the Uniform Commercial Code, Title 62A RCW, and regardless of whether the party has notice of the security interest.

(3) The bonds may be issued as serial bonds or as term bonds or any such combination. The bonds shall bear such date or dates; mature at such time or times; bear interest at such rate or rates, either fixed or variable; be payable at such time or times; be in such denominations; be in such form, either coupon or registered, or both; carry such registration privileges; be made transferable, exchangeable, and interchangeable; be payable in lawful money of the United States of America at such place or places; be subject to such terms of redemption; and be sold at public or private sale, in such manner, at such time, and at such price as the authority shall determine. The bonds shall be executed by the manual or facsimile signatures of the chairperson and the authority's duly-elected secretary or its executive director, and by the trustee if the authority determines to use a trustee. At least one signature shall be manually subscribed. Coupon bonds shall have attached interest coupons bearing the facsimile signatures of the chairperson and the secretary or the executive director.

(4) Any bond resolution, trust indenture, or agreement with a participant relating to bonds issued by the authority or the financing or refinancing made available by the authority may contain provisions, which may be made a part of the contract with the holders or owners of the bonds to be issued, pertaining to the following, among other matters: (a) The security interests granted by the participant to secure repayment of any amounts financed and the performance by the participant of its other obligations in the financing; (b) the security interests granted to the holders or owners of the bonds to secure repayment of the bonds; (c) rentals, fees, and other amounts to be charged, and the sums to be raised in each year through such charges, and the use, investment, and disposition of the sums; (d) the segregation of reserves or sinking funds, and the regulation, investment, and disposition thereof; (e) limitations on the uses of the project; (f) limitations on the purposes to which, or the investments in which, the proceeds of the sale of any issue of bonds may be applied; (g) terms pertaining to the issuance of additional parity bonds; (h) terms pertaining to the incurrence of parity debt; (i) the refunding of outstanding bonds; (j) procedures, if any, by which the terms of any contract with bondholders may be amended or abrogated; (k) acts or failures to act which constitute a default by the participant or the authority in their respective obligations and the rights and remedies in the event of a default; (l) the securing of bonds by a pooling of leases whereby the authority may assign its rights, as lessor, and pledge rents under two or more leases with two or more participants, as lessees; (m) terms governing performance by the trustee of its obligation; or (n) such other additional covenants, agreements, and provisions as are deemed necessary, useful, or convenient by the authority for the security of the holders of the bonds.

(5) Bonds may be issued by the authority to refund other outstanding authority bonds, at or prior to the maturity thereof, and to pay any redemption premium with respect thereto. Bonds issued for such refunding purposes may be combined with bonds issued for the financing or refinancing of new projects. Pending the application of the proceeds of the refunding bonds to the redemption of the bonds to be redeemed, the authority may enter into an agreement or agreements with a corporate trustee under RCW 28B.07.080 with respect to the interim investment of the proceeds and the application of the proceeds and the earnings on the proceeds to the payment of the principal of and interest on, and the redemption of the bonds to be redeemed.

(6) All bonds and any interest coupons appertaining to the bonds shall be negotiable instruments under Title 62A RCW.

(7) Neither the members of the authority, nor its employees or agents, nor any person executing the bonds shall be liable personally on the bonds or be subject to any personal liability or accountability by reason of the issuance of the bonds.

(8) The authority may purchase its bonds with any of its funds available for the purchase. The authority may hold, pledge, cancel, or resell the bonds subject to and in accordance with agreements with bondholders.

(9) At no time shall the total outstanding bonded indebtedness of the authority exceed one billion five hundred million dollars."

On page 1, line 2 of the title, after "education;" strike the remainder of the title and insert "and amending RCW 28B.15.102, 42.16.010, 44.28.816, 43.88.110, and 28B.07.050."

Brad Hendrickson Deputy Secretary

SENATE AMENDMENT TO HOUSE BILL

POINT OF ORDER

Representative Bergquist requested a scope and object ruling on amendment (2613-S AMS HIE S4836.1) to Substitute House Bill No. 2613.

SPEAKER'S RULING

Mr. Speaker (Representative Moeller presiding): "Substitute House Bill 2613 is titled an act relating to 'creating efficiencies for institutions of higher education.' The bill modifies several statutory requirements for public higher education institutions.

The Senate amendment adds the text of Senate Bill 6236, which authorizes a \$500 million increase in the bonded indebtedness available for private institutions of higher education.

This increase does not 'create efficiencies' and also relates to private institutions, whereas the underlying bill is limited to public institutions.

The Speaker therefore finds that the Senate amendment is beyond the scope and object of the bill as passed the House. The point of order is well taken."

There being no objection, the House refused to concur in the Senate amendment to SHB 2613 and asked the Senate to recede therefrom.

MESSAGE FROM THE SENATE

March 4, 2014

Mr. Speaker:

The Senate has passed SUBSTITUTE HOUSE BILL NO. 1292 with the following amendment:

Strike everything after the enacting clause and insert the following:

"Sec. 1. RCW 9.96.060 and 2012 c 183 s 5 and 2012 c 142 s 2 are each reenacted and amended to read as follows:

(1) Every person convicted of a misdemeanor or gross misdemeanor offense who has completed all of the terms of the sentence for the misdemeanor or gross misdemeanor offense may apply to the sentencing court for a vacation of the applicant's record of

conviction for the offense. If the court finds the applicant meets the tests prescribed in subsection (2) of this section, the court may in its discretion vacate the record of conviction by: (a)(i) Permitting the applicant to withdraw the applicant's plea of guilty and to enter a plea of not guilty; or (ii) if the applicant has been convicted after a plea of not guilty, the court setting aside the verdict of guilty; and (b) the court dismissing the information, indictment, complaint, or citation against the applicant and vacating the judgment and sentence.

(2) An applicant may not have the record of conviction for a misdemeanor or gross misdemeanor offense vacated if any one of the following is present:

(a) There are any criminal charges against the applicant pending in any court of this state or another state, or in any federal court;

(b) The offense was a violent offense as defined in RCW 9.94A.030 or an attempt to commit a violent offense;

(c) The offense was a violation of RCW 46.61.502 (driving while under the influence), 46.61.504 (actual physical control while under the influence), 9.91.020 (operating a railroad, etc. while intoxicated), or the offense is considered a "prior offense" under RCW 46.61.5055 and the applicant has had a subsequent alcohol or drug violation within ten years of the date of arrest for the prior offense;

(d) The offense was any misdemeanor or gross misdemeanor violation, including attempt, of chapter 9.68 RCW (obscenity and pornography), chapter 9.68A RCW (sexual exploitation of children), or chapter 9A.44 RCW (sex offenses);

(e) The applicant was convicted of a misdemeanor or gross misdemeanor offense as defined in RCW 10.99.020, or the court determines after a review of the court file that the offense was committed by one family member or household member against another, or the court, after considering the damage to person or property that resulted in the conviction, any prior convictions for crimes defined in RCW 10.99.020, or for comparable offenses in another state or in federal court, and the totality of the records under review by the court regarding the conviction being considered for vacation, determines that the offense involved domestic violence, and any one of the following factors exist:

(i) The applicant has not provided written notification of the vacation petition to the prosecuting attorney's office that prosecuted the offense for which vacation is sought, or has not provided that notification to the court;

(ii) The applicant has previously had a conviction for domestic violence. For purposes of this subsection, however, if the current application is for more than one conviction that arose out of a single incident, none of those convictions counts as a previous conviction;

(iii) The applicant has signed an affidavit under penalty of perjury affirming that the applicant has not previously had a conviction for a domestic violence offense, and a criminal history check reveals that the applicant has had such a conviction; or

(iv) Less than five years have elapsed since the person completed the terms of the original conditions of the sentence, including any financial obligations and successful completion of any treatment ordered as a condition of sentencing;

(f) For any offense other than those described in (e) of this subsection, less than three years have passed since the person completed the terms of the sentence, including any financial obligations;

(g) The offender has been convicted of a new crime in this state, another state, or federal court since the date of conviction;

(h) The applicant has ever had the record of another conviction vacated; or

(i) The applicant is currently restrained, or has been restrained within five years prior to the vacation application, by a domestic violence protection order, a no-contact order, an antiharassment order, or a civil restraining order which restrains one party from contacting the other party.

(3) Subject to section 2 of this act, every person convicted of prostitution under RCW 9A.88.030 who committed the offense as a result of being a victim of trafficking, RCW 9A.40.100, promoting prostitution in the first degree, RCW 9A.88.070, promoting commercial sexual abuse of a minor, RCW 9.68A.101, or trafficking in persons under the trafficking victims protection act of 2000, 22 U.S.C. Sec. 7101 et seq. may apply to the sentencing court for vacation of the applicant's record of conviction for the prostitution offense. An applicant may not have the record of conviction for prostitution vacated if any one of the following is present:

(a) There are any criminal charges against the applicant pending in any court of this state or another state, or in any federal court, for any crime other than prostitution; or

(b) The offender has been convicted of another crime, except prostitution, in this state, another state, or federal court since the date of conviction(;~~;~~ ~~or~~ ~~of~~ ~~conviction~~);

~~(c) The applicant has ever had the record of another prostitution conviction vacated).~~

(4) Once the court vacates a record of conviction under subsection (1) of this section, the person shall be released from all penalties and disabilities resulting from the offense and the fact that the person has been convicted of the offense shall not be included in the person's criminal history for purposes of determining a sentence in any subsequent conviction. For all purposes, including responding to questions on employment or housing applications, a person whose conviction has been vacated under subsection (1) of this section may state that he or she has never been convicted of that crime. Nothing in this section affects or prevents the use of an offender's prior conviction in a later criminal prosecution.

(5) All costs incurred by the court and probation services shall be paid by the person making the motion to vacate the record unless a determination is made pursuant to chapter 10.101 RCW that the person making the motion is indigent, at the time the motion is brought.

(6) The clerk of the court in which the vacation order is entered shall immediately transmit the order vacating the conviction to the Washington state patrol identification section and to the local police agency, if any, which holds criminal history information for the person who is the subject of the conviction. The Washington state patrol and any such local police agency shall immediately update their records to reflect the vacation of the conviction, and shall transmit the order vacating the conviction to the federal bureau of investigation. A conviction that has been vacated under this section may not be disseminated or disclosed by the state patrol or local law enforcement agency to any person, except other criminal justice enforcement agencies.

NEW SECTION. Sec. 2. A new section is added to chapter 9.96 RCW to read as follows:

(b)(i) The applicant was recruited, harbored, transported, provided, obtained, bought, purchased, or received by another person;

MESSAGE FROM THE SENATE

March 6, 2014

Mr. Speaker:

The Senate has passed SUBSTITUTE HOUSE BILL NO. 2102 with the following amendment:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. A new section is added to chapter 9.94A RCW to read as follows:

(1) A person convicted and confined for any of the offenses set forth in subsection (3) of this section must, prior to commencing any civil action in state court against the victim of such offense, or the victim's family, first obtain an order authorizing such action to proceed from the sentencing judge, if available, or the presiding judge in the county of conviction.

(2) This section does not apply to an action brought under Title 26 RCW.

(3) This section applies to persons convicted and confined for any serious violent offense as defined in RCW 9.94A.030.

(4) A court may refuse to authorize an action, or a claim contained therein, to proceed if the court finds that the action, or claim, is frivolous or malicious. In determining whether an action, or a claim asserted therein, is frivolous or malicious, the court may consider, among other things, whether:

- (a) The claim's realistic chance of ultimate success is slight;
- (b) The claim has no arguable basis in law or in fact;
- (c) It is clear that the party cannot prove facts in support of the claim;
- (d) The claim has been brought with the intent to harass the opposing party; or
- (e) The claim is substantially similar to a previous claim filed by the inmate because the claim arises from the same operative facts.

(5) For purposes of this section, "victim's family" includes a victim's spouse, domestic partner, children, parents, and siblings.

(6) Failure to obtain the authorization required by this section prior to commencing an action may result in loss of early release time or other privileges, or some combination thereof. The department may exercise discretion to determine whether and how the loss may be applied, and the amount of reduction of early release time, loss of other privileges, or some combination thereof. The department shall adopt rules to implement the provisions of this subsection."

SUBSTITUTE HOUSE BILL NO. 2146, as amended by the Senate, having received the necessary constitutional majority, was declared passed.

MESSAGE FROM THE SENATE

March 6, 2014

Mr. Speaker:

The Senate has passed ENGROSSED SUBSTITUTE HOUSE BILL NO. 2164 with the following amendment:

Strike everything after the enacting clause and insert the following:

"Sec. 1. RCW 13.40.193 and 2003 c 53 s 100 are each amended to read as follows:

(1) If a respondent is found to have been in possession of a firearm in violation of RCW 9.41.040(2)(a)(iii), the court shall impose a minimum disposition of ten days of confinement. If the offender's standard range of disposition for the offense as indicated in RCW 13.40.0357 is more than thirty days of confinement, the court shall commit the offender to the department for the standard range disposition. The offender shall not be released until the offender has served a minimum of ten days in confinement.

(2)(a) If a respondent is found to have been in possession of a firearm in violation of RCW 9.41.040, the disposition must include a requirement that the respondent participate in a qualifying program as described in (b) of this subsection, when available, unless the court makes a written finding based on the outcome of the juvenile court risk assessment that participation in a qualifying program would not be appropriate.

(b) For purposes of this section, "qualifying program" means an aggression replacement training program, a functional family therapy program, or another program applicable to the juvenile firearm offender population that has been identified as evidence-based or research-based and cost-beneficial in the current list prepared at the direction of the legislature by the Washington state institute for public policy.

(3) If the court finds that the respondent or an accomplice was armed with a firearm, the court shall determine the standard range disposition for the offense pursuant to RCW 13.40.160. If the offender or an accomplice was armed with a firearm when the offender committed any felony other than possession of a machine gun, possession of a stolen firearm, drive-by shooting, theft of a firearm, unlawful possession of a firearm in the first and second degree, or use of a machine gun in a felony, the following periods of total confinement must be added to the sentence: For a class A felony, six months; for a class B felony, four months; and for a class C felony, two months. The additional time shall be imposed regardless of the offense's juvenile disposition offense category as designated in RCW 13.40.0357.

~~((3))~~ (4) When a disposition under this section would effectuate a manifest injustice, the court may impose another disposition. When a judge finds a manifest injustice and imposes a disposition of confinement exceeding thirty days, the court shall commit the juvenile to a maximum term, and the provisions of RCW 13.40.030(2) shall be used to determine the range. When a judge finds a manifest injustice and imposes a disposition of confinement less than thirty days, the disposition shall be comprised of confinement or community supervision or both.

~~((4))~~ (5) Any term of confinement ordered pursuant to this section shall run consecutively to any term of confinement imposed in the same disposition for other offenses.

Sec. 2. RCW 13.40.127 and 2013 c 179 s 5 are each amended to read as follows:

- (1) A juvenile is eligible for deferred disposition unless he or she:
- (a) Is charged with a sex or violent offense;
 - (b) Has a criminal history which includes any felony;
 - (c) Has a prior deferred disposition or deferred adjudication; or
 - (d) Has two or more adjudications.

(2) The juvenile court may, upon motion at least fourteen days before commencement of trial and, after consulting the juvenile's custodial parent or parents or guardian and with the consent of the juvenile, continue the case for disposition for a period not to exceed one year from the date the juvenile is found guilty. The court shall consider whether the offender and the community will benefit from a deferred disposition before deferring the disposition. The court may waive the fourteen-day period anytime before the commencement of trial for good cause.

(3) Any juvenile who agrees to a deferral of disposition shall:

(a) Stipulate to the admissibility of the facts contained in the written police report;

(b) Acknowledge that the report will be entered and used to support a finding of guilt and to impose a disposition if the juvenile fails to comply with terms of supervision;

(c) Waive the following rights to: (i) A speedy disposition; and (ii) call and confront witnesses; and

(d) Acknowledge the direct consequences of being found guilty and the direct consequences that will happen if an order of disposition is entered.

The adjudicatory hearing shall be limited to a reading of the court's record.

(4) Following the stipulation, acknowledgment, waiver, and entry of a finding or plea of guilt, the court shall defer entry of an order of disposition of the juvenile.

(5) Any juvenile granted a deferral of disposition under this section shall be placed under community supervision. The court may impose any conditions of supervision that it deems appropriate including posting a probation bond. Payment of restitution under RCW 13.40.190 shall be a condition of community supervision under this section.

The court may require a juvenile offender convicted of animal cruelty in the first degree to submit to a mental health evaluation to determine if the offender would benefit from treatment and such intervention would promote the safety of the community. After consideration of the results of the evaluation, as a condition of community supervision, the court may order the offender to attend treatment to address issues pertinent to the offense.

The court may require the juvenile to undergo a mental health or substance abuse assessment, or both. If the assessment identifies a need for treatment, conditions of supervision may include treatment for the assessed need that has been demonstrated to improve behavioral health and reduce recidivism.

The court shall require a juvenile granted a deferral of disposition for unlawful possession of a firearm in violation of RCW 9.41.040 to participate in a qualifying program as described in RCW 13.40.193(2)(b), when available, unless the court makes a written finding based on the outcome of the juvenile court risk assessment that participation in a qualifying program would not be appropriate.

(6) A parent who signed for a probation bond has the right to notify the counselor if the juvenile fails to comply with the bond or conditions of supervision. The counselor shall notify the court and surety of any failure to comply. A surety shall notify the court of the juvenile's failure to comply with the probation bond. The state shall bear the burden to prove, by a preponderance of the evidence, that the juvenile has failed to comply with the terms of community supervision.

(7)(a) Anytime prior to the conclusion of the period of supervision, the prosecutor or the juvenile's juvenile court community supervision counselor may file a motion with the court requesting the court revoke the deferred disposition based on the juvenile's lack of compliance or treat the juvenile's lack of compliance as a violation pursuant to RCW 13.40.200.

(b) If the court finds the juvenile failed to comply with the terms of the deferred disposition, the court may:

(i) Revoke the deferred disposition and enter an order of disposition; or

(ii) Impose sanctions for the violation pursuant to RCW 13.40.200.

(8) At any time following deferral of disposition the court may, following a hearing, continue supervision for an additional one-year period for good cause.

(9)(a) At the conclusion of the period of supervision, the court shall determine whether the juvenile is entitled to dismissal of the deferred disposition only when the court finds:

(i) The deferred disposition has not been previously revoked;

(ii) The juvenile has completed the terms of supervision;

(iii) There are no pending motions concerning lack of compliance pursuant to subsection (7) of this section; and

(iv) The juvenile has either paid the full amount of restitution, or, made a good faith effort to pay the full amount of restitution during the period of supervision.

(b) If the court finds the juvenile is entitled to dismissal of the deferred disposition pursuant to (a) of this subsection, the juvenile's conviction shall be vacated and the court shall dismiss the case with prejudice, except that a conviction under RCW 16.52.205 shall not be vacated. Whenever a case is dismissed with restitution still owing, the court shall enter a restitution order pursuant to RCW 13.40.190 for any unpaid restitution. Jurisdiction to enforce payment and modify terms of the restitution order shall be the same as those set forth in RCW 13.40.190.

(c) If the court finds the juvenile is not entitled to dismissal of the deferred disposition pursuant to (a) of this subsection, the court shall revoke the deferred disposition and enter an order of disposition. A deferred disposition shall remain a conviction unless the case is dismissed and the conviction is vacated pursuant to (b) of this subsection or sealed pursuant to RCW 13.50.050.

(10)(a)(i) Any time the court vacates a conviction pursuant to subsection (9) of this section, if the juvenile is eighteen years of age or older and the full amount of restitution ordered has been paid, the court shall enter a written order sealing the case.

(ii) Any time the court vacates a conviction pursuant to subsection (9) of this section, if the juvenile is not eighteen years of age or older and full restitution ordered has been paid, the court shall schedule an administrative sealing hearing to take place no later than thirty days after the respondent's eighteenth birthday, at which time the court shall enter a written order sealing the case. The respondent's presence at the administrative sealing hearing is not required.

(iii) Any deferred disposition vacated prior to June 7, 2012, is not subject to sealing under this subsection.

(b) Nothing in this subsection shall preclude a juvenile from petitioning the court to have the records of his or her deferred dispositions sealed under RCW 13.50.050 (11) and (12).

(c) Records sealed under this provision shall have the same legal status as records sealed under RCW 13.50.050.

Sec. 3. RCW 13.40.210 and 2009 c 187 s 1 are each amended to read as follows:

(1) The secretary shall set a release date for each juvenile committed to its custody. The release date shall be within the prescribed range to which a juvenile has been committed under RCW 13.40.0357 or 13.40.030 except as provided in RCW 13.40.320 concerning offenders the department determines are eligible for the juvenile offender basic training camp program. Such dates shall be determined prior to the expiration of sixty percent of a juvenile's minimum term of confinement included within the prescribed range to which the juvenile has been committed. The secretary shall release any juvenile committed to the custody of the department within four calendar days prior to the juvenile's release date or on the release date set under this chapter. Days spent in the custody of the department shall be tolled by any period of time during which a juvenile has absented himself or herself from the department's supervision without the prior approval of the secretary or the secretary's designee.

(2) The secretary shall monitor the average daily population of the state's juvenile residential facilities. When the secretary concludes that

in-residence population of residential facilities exceeds one hundred five percent of the rated bed capacity specified in statute, or in absence of such specification, as specified by the department in rule, the secretary may recommend reductions to the governor. On certification by the governor that the recommended reductions are necessary, the secretary has authority to administratively release a sufficient number of offenders to reduce in-residence population to one hundred percent of rated bed capacity. The secretary shall release those offenders who have served the greatest proportion of their sentence. However, the secretary may deny release in a particular case at the request of an offender, or if the secretary finds that there is no responsible custodian, as determined by the department, to whom to release the offender, or if the release of the offender would pose a clear danger to society. The department shall notify the committing court of the release at the time of release if any such early releases have occurred as a result of excessive in-residence population. In no event shall an offender adjudicated of a violent offense be granted release under the provisions of this subsection.

(3)(a) Following the release of any juvenile under subsection (1) of this section, the secretary may require the juvenile to comply with a program of parole to be administered by the department in his or her community which shall last no longer than eighteen months, except that in the case of a juvenile sentenced for rape in the first or second degree, rape of a child in the first or second degree, child molestation in the first degree, or indecent liberties with forcible compulsion, the period of parole shall be twenty-four months and, in the discretion of the secretary, may be up to thirty-six months when the secretary finds that an additional period of parole is necessary and appropriate in the interests of public safety or to meet the ongoing needs of the juvenile. A parole program is mandatory for offenders released under subsection (2) of this section and for offenders who receive a juvenile residential commitment sentence ~~((€))~~ for theft of a motor vehicle, possession of a stolen motor vehicle, or taking a motor vehicle without permission 1. A juvenile adjudicated for unlawful possession of a firearm, possession of a stolen firearm, theft of a firearm, or drive-by shooting may participate in aggression replacement training, functional family therapy, or functional family parole aftercare if the juvenile meets eligibility requirements for these services. The decision to place an offender ~~((€))~~ in an evidence-based parole program shall be based on an assessment by the department of the offender's risk for reoffending upon release and an assessment of the ongoing treatment needs of the juvenile. The department shall prioritize available parole resources to provide supervision and services to offenders at moderate to high risk for reoffending.

(b) The secretary shall, for the period of parole, facilitate the juvenile's reintegration into his or her community and to further this goal shall require the juvenile to refrain from possessing a firearm or using a deadly weapon and refrain from committing new offenses and may require the juvenile to: (i) Undergo available medical, psychiatric, drug and alcohol, sex offender, mental health, and other offense-related treatment services; (ii) report as directed to a parole officer and/or designee; (iii) pursue a course of study, vocational training, or employment; (iv) notify the parole officer of the current address where he or she resides; (v) be present at a particular address during specified hours; (vi) remain within prescribed geographical boundaries; (vii) submit to electronic monitoring; (viii) refrain from using illegal drugs and alcohol, and submit to random urinalysis when requested by the assigned parole officer; (ix) refrain from contact with specific individuals or a specified class of individuals; (x) meet other conditions determined by the parole officer to further enhance the juvenile's reintegration into the community; (xi) pay any court-ordered fines or restitution; and (xii) perform community restitution. Community restitution for the purpose of this section means compulsory service, without compensation, performed for the benefit of the community by the offender. Community restitution may be performed through public or private organizations or through work crews.

(c) The secretary may further require up to twenty-five percent of the highest risk juvenile offenders who are placed on parole to participate in an intensive supervision program. Offenders participating in an intensive supervision program shall be required to comply with all terms and conditions listed in (b) of this subsection and shall also be required to comply with the following additional terms and conditions: (i) Obey all laws and refrain from any conduct that threatens public safety; (ii) report at least once a week to an assigned community case manager; and (iii) meet all other requirements imposed by the community case manager related to participating in the intensive supervision program. As a part of the intensive supervision program, the secretary may require day reporting.

(d) After termination of the parole period, the juvenile shall be discharged from the department's supervision.

(4)(a) The department may also modify parole for violation thereof. If, after affording a juvenile all of the due process rights to which he or she would be entitled if the juvenile were an adult, the secretary finds that a juvenile has violated a condition of his or her parole, the secretary shall order one of the following which is reasonably likely to effectuate the purpose of the parole and to protect the public: (i) Continued supervision under the same conditions previously imposed; (ii) intensified supervision with increased reporting requirements; (iii) additional conditions of supervision authorized by this chapter; (iv) except as provided in (a)(v) and (vi) of this subsection, imposition of a period of confinement not to exceed thirty days in a facility operated by or pursuant to a contract with the state of Washington or any city or county for a portion of each day or for a certain number of days each week with the balance of the days or weeks spent under supervision; (v) the secretary may order any of the conditions or may return the offender to confinement for the remainder of the sentence range if the offense for which the offender was sentenced is rape in the first or second degree, rape of a child in the first or second degree, child molestation in the first degree, indecent liberties with forcible compulsion, or a sex offense that is also a serious violent offense as defined by RCW 9.94A.030; and (vi) the secretary may order any of the conditions or may return the offender to confinement for the remainder of the sentence range if the youth has completed the basic training camp program as described in RCW 13.40.320.

(b) The secretary may modify parole and order any of the conditions or may return the offender to confinement for up to twenty-four weeks if the offender was sentenced for a sex offense as defined under RCW 9A.44.130 and is known to have violated the terms of parole. Confinement beyond thirty days is intended to only be used for a small and limited number of sex offenders. It shall only be used when other graduated sanctions or interventions have not been effective or the behavior is so egregious it warrants the use of the higher level intervention and the violation: (i) Is a known pattern of behavior consistent with a previous sex offense that puts the youth at high risk for reoffending sexually; (ii) consists of sexual behavior that is determined to be predatory as defined in RCW 71.09.020; or (iii) requires a review under chapter 71.09 RCW, due to a recent overt act. The total number of days of confinement for violations of parole conditions during the parole period shall not exceed the number of days provided by the maximum sentence imposed by the disposition for the underlying offense pursuant to RCW 13.40.0357. The department shall not aggregate multiple parole violations that occur prior to the parole revocation hearing and impose consecutive twenty-four week periods of confinement for each parole violation. The department is authorized to engage in rule making pursuant to chapter 34.05 RCW, to implement this subsection, including narrowly defining the behaviors that could lead to this higher level intervention.

(c) If the department finds that any juvenile in a program of parole has possessed a firearm or used a deadly weapon during the program of parole, the department shall modify the parole under (a) of this subsection and confine the juvenile for at least thirty days.

Confinement shall be in a facility operated by or pursuant to a contract with the state or any county.

(5) A parole officer of the department of social and health services shall have the power to arrest a juvenile under his or her supervision on the same grounds as a law enforcement officer would be authorized to arrest the person.

(6) If so requested and approved under chapter 13.06 RCW, the secretary shall permit a county or group of counties to perform functions under subsections (3) through (5) of this section.

NEW SECTION. Sec. 4. A new section is added to chapter 13.40 RCW to read as follows:

(1)(a) The juvenile rehabilitation administration of the department of social and health services must compile and analyze data regarding juvenile offenders who have been found to have committed the offense of unlawful possession of a firearm under RCW 9.41.040 and made their initial contact with the criminal justice system between January 1, 2005, and December 31, 2013. Information compiled and analyzed must include:

(i) Previous and subsequent criminal offenses committed by the offenders as juveniles or adults;

(ii) Where applicable, treatment interventions provided to the offenders as juveniles, including the nature of provided interventions and whether the offenders completed the interventions, if known; and

(iii) Gang association of the offenders, if known.

(b) The department of corrections and the caseload forecast council must provide any information necessary to assist the juvenile rehabilitation administration in compiling the data required for this purpose. Information provided may include individual identifier level data, however such data must remain confidential and must not be disseminated for purposes other than as identified in this section or otherwise permitted by law.

(2) The juvenile rehabilitation administration shall report its findings to the appropriate committees of the legislature no later than October 1, 2014.

Sec. 5. RCW 13.50.010 and 2013 c 23 s 6 are each amended to read as follows:

(1) For purposes of this chapter:

(a) "Juvenile justice or care agency" means any of the following: Police, diversion units, court, prosecuting attorney, defense attorney, detention center, attorney general, the legislative children's oversight committee, the office of the family and children's ombuds, the department of social and health services and its contracting agencies, schools; persons or public or private agencies having children committed to their custody; and any placement oversight committee created under RCW 72.05.415;

HOUSE BILL NO. 2276, as amended by the Senate, having received the necessary constitutional majority, was declared passed.

MESSAGE FROM THE SENATE

March 4, 2014

Mr. Speaker:

The Senate has passed HOUSE BILL NO. 2296 with the following amendment:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. (1) The legislature finds that in *Filo Foods, LLC v. City of SeaTac*, No. 70758-2-1 (Wash. Ct. App. Div. I, Feb. 10, 2014), the Washington court of appeals ruled that RCW 35A.01.040(7), requiring local certifying officers to strike all signatures of any person signing an optional municipal code city initiative petition two or more times, was unconstitutional. The court held that the statute unduly burdened the first amendment rights of voters who expressed a view on a political matter by signing an initiative petition.

(2) The legislature intends to require local officers certifying city and town petitions to count one valid signature of a duplicate signer. This will ensure that a person inadvertently signing a city or town petition more than once will not be penalized for doing so.

Sec. 2. RCW 35.21.005 and 2008 c 196 s 1 are each amended to read as follows:

Wherever in this title petitions are required to be signed and filed, the following rules shall govern the sufficiency thereof:

(1) A petition may include any page or group of pages containing an identical text or prayer intended by the circulators, signers or sponsors to be presented and considered as one petition and containing the following essential elements when applicable, except that the elements referred to in (d) and (e) of this subsection are essential for petitions referring or initiating legislative matters to the voters, but are directory as to other petitions:

(a) The text or prayer of the petition which shall be a concise statement of the action or relief sought by petitioners and shall include a reference to the applicable state statute or city ordinance, if any;

(b) If the petition initiates or refers an ordinance, a true copy thereof;

(c) If the petition seeks the annexation, incorporation, withdrawal, or reduction of an area for any purpose, an accurate legal description of the area proposed for such action and if practical, a map of the area;

(d) Numbered lines for signatures with space provided beside each signature for the name and address of the signer and the date of signing;

(e) The warning statement prescribed in subsection (2) of this section.

(2) Petitions shall be printed or typed on single sheets of white paper of good quality and each sheet of petition paper having a space thereon for signatures shall contain the text or prayer of the petition and the following warning:

WARNING

Every person who signs this petition with any other than his or her true name, or who knowingly signs more than one of these petitions, or signs a petition seeking an election when he or she is not a legal voter, or signs a petition when he or she is otherwise not qualified to sign, or who makes herein any false statement, shall be guilty of a misdemeanor.

Each signature shall be executed in ink or indelible pencil and shall be followed by the name and address of the signer and the date of signing.

(3) The term "signer" means any person who signs his or her own name to the petition.

(4) To be sufficient a petition must contain valid signatures of qualified registered voters or property owners, as the case may be, in the number required by the applicable statute or ordinance. Within three working days after the filing of a petition, the officer with whom the petition is filed shall transmit the petition to the county auditor for petitions signed by registered voters, or to the county assessor for petitions signed by property owners for determination of sufficiency. The officer or officers whose duty it is to determine the sufficiency of the petition shall proceed to make such a determination with reasonable promptness and shall file with the officer receiving the petition for filing a certificate stating the date upon which such determination was begun, which date shall be referred to as the terminal date. Additional pages of one or more signatures may be added to the petition by filing the same with the appropriate filing officer prior to such terminal date. Any signer of a filed petition may withdraw his or her signature by a written request for withdrawal filed with the receiving officer prior to such terminal date. Such written request shall so sufficiently describe the petition as to make identification of the person and the petition certain. The name of any person seeking to withdraw shall be signed exactly the same as contained on the petition and, after the filing of such request for withdrawal, prior to the terminal date, the signature of any person seeking such withdrawal shall be deemed withdrawn.

(5) Petitions containing the required number of signatures shall be accepted as prima facie valid until their invalidity has been proved.

(6) A variation on petitions between the signatures on the petition and that on the voter's permanent registration caused by the substitution of initials instead of the first or middle names, or both, shall not invalidate the signature on the petition if the surname and handwriting are the same.

(7) ~~((Signatures, including the original, of any person who has signed a petition two or more times shall be stricken.))~~ If a person signs a petition more than once, all but the first valid signature must be rejected.

(8) Signatures followed by a date of signing which is more than six months prior to the date of filing of the petition shall be stricken.

(9) When petitions are required to be signed by the owners of property, the determination shall be made by the county assessor. Where validation of signatures to the petition is required, the following shall apply:

(a) The signature of a record owner, as determined by the records of the county auditor, shall be sufficient without the signature of his or her spouse;

(b) In the case of mortgaged property, the signature of the mortgagor shall be sufficient, without the signature of his or her spouse;

(c) In the case of property purchased on contract, the signature of the contract purchaser, as shown by the records of the county auditor, shall be deemed sufficient, without the signature of his or her spouse;

(d) Any officer of a corporation owning land within the area involved who is duly authorized to execute deeds or encumbrances on behalf of the corporation, may sign on behalf of such corporation, and shall attach to the petition a certified excerpt from the bylaws of such corporation showing such authority;

(e) When the petition seeks annexation, any officer of a corporation owning land within the area involved, who is duly authorized to execute deeds or encumbrances on behalf of the corporation, may sign under oath on behalf of such corporation. If an officer signs the petition, he or she must attach an affidavit stating that he or she is duly authorized to sign the petition on behalf of such corporation;

(f) When property stands in the name of a deceased person or any person for whom a guardian has been appointed, the signature of the executor, administrator, or guardian, as the case may be, shall be equivalent to the signature of the owner of the property; and

(g) When a parcel of property is owned by multiple owners, the signature of an owner designated by the multiple owners is sufficient.

(10) The officer or officers responsible for determining the sufficiency of the petition shall do so in writing and transmit the written certificate to the officer with whom the petition was originally filed.

Sec. 3. RCW 35A.01.040 and 2008 c 196 s 2 are each amended to read as follows:

Wherever in this title petitions are required to be signed and filed, the following rules shall govern the sufficiency thereof:

(1) A petition may include any page or group of pages containing an identical text or prayer intended by the circulators, signers or sponsors to be presented and considered as one petition and containing the following essential elements when applicable, except that the elements referred to in (d) and (e) of this subsection are essential for petitions referring or initiating legislative matters to the voters, but are directory as to other petitions:

MESSAGE FROM THE SENATE

February 26, 2014

Mr. Speaker:

The Senate has passed HOUSE BILL NO. 2555 with the following amendment:

Strike everything after the enacting clause and insert the following:

"Sec. 1. RCW 39.10.330 and 2013 c 222 s 11 are each amended to read as follows:

(1) Contracts for design-build services shall be awarded through a competitive process using public solicitation of proposals for design-build services. The public body shall publish at least once in a legal newspaper of general circulation published in, or as near as possible to, that part of the county in which the public work will be done, a notice of its request for qualifications from proposers for design-build services, and the availability and location of the request for proposal documents. The request for qualifications documents shall include:

(a) A general description of the project that provides sufficient information for proposers to submit qualifications;

(b) The reasons for using the design-build procedure;

(c) A description of the qualifications to be required of the proposer including, but not limited to, submission of the proposer's accident prevention program;

(d) A description of the process the public body will use to evaluate qualifications and finalists' proposals, including evaluation factors and the relative weight of factors and any specific forms to be used by the proposers;

(i) Evaluation factors for request for qualifications shall include, but not be limited to, technical qualifications, such as specialized experience and technical competence; capability to perform; past performance of the proposers' team, including the architect-engineer and construction members; and other appropriate factors. Evaluation factors may also include: (A) The proposer's past performance in utilization of small business entities; and (B) disadvantaged business enterprises. Cost or price-related factors are not permitted in the request for qualifications phase;

(ii) Evaluation factors for finalists' proposals shall include, but not be limited to, the factors listed in (d)(i) of this subsection, as well as technical approach design concept; ability of professional personnel; past performance on similar projects; ability to meet time and budget requirements; ability to provide a performance and payment bond for the project; recent, current, and projected workloads of the firm; location; and cost or price-related factors that may include operating costs. The public body may also consider a proposer's outreach plan to include small business entities and disadvantaged business enterprises as subcontractor and suppliers for the project. Alternatively, if the public body determines that all finalists will be capable of producing a design that adequately meets project requirements, the public body may award the contract to the firm that submits the responsive proposal with the lowest price;

(e) Protest procedures including time limits for filing a protest, which in no event may limit the time to file a protest to fewer than four business days from the date the proposer was notified of the selection decision;

(f) The form of the contract to be awarded;

(g) The honorarium to be paid to finalists submitting responsive proposals and who are not awarded a design-build contract;

(h) The schedule for the procurement process and the project; and

(i) Other information relevant to the project.

(2) The public body shall establish an evaluation committee to evaluate the responses to the request for qualifications based solely on the factors, weighting, and process identified in the request for qualifications and any addenda issued by the public body. Based on the evaluation committee's findings, the public body shall select not more than five responsive and responsible finalists to submit proposals. The public body may, in its sole discretion, reject all proposals and shall provide its reasons for rejection in writing to all proposers.

(3) The public body must notify all proposers of the finalists selected to move to the next phase of the selection process. The process may not proceed to the next phase until two business days after all proposers are notified of the committee's selection decision. At the request of a proposer not selected as a finalist, the public body must provide the requesting proposer with a scoring summary of the evaluation factors for its proposal. Proposers filing a protest on the selection of the finalists must file the protest in accordance with the published protest procedures. The selection process may not advance to the next phase of selection until two business days after the final protest decision is transmitted to the protestor.

(4) Upon selection of the finalists, the public body shall issue a request for proposals to the finalists, which shall provide the following information:

(a) A detailed description of the project including programmatic, performance, and technical requirements and specifications; functional and operational elements; building performance goals and validation requirements; minimum and maximum net and gross areas of any

building; and, at the discretion of the public body, preliminary engineering and architectural drawings; and

(b) The target budget for the design-build portion of the project.

(5) The public body shall establish an evaluation committee to evaluate the proposals submitted by the finalists. Design-build contracts shall be awarded using the procedures in (a) or (b) of this subsection. The public body must identify in the request for qualifications which procedure will be used.

(a) The finalists' proposals shall be evaluated and scored based solely on the factors, weighting, and process identified in the initial request for qualifications and in any addenda published by the public body. Public bodies may request best and final proposals from finalists. The public body may initiate negotiations with the firm submitting the highest scored proposal. If the public body is unable to execute a contract with the firm submitting the highest scored proposal, negotiations with that firm may be suspended or terminated and the public body may proceed to negotiate with the next highest scored firm. Public bodies shall continue in accordance with this procedure until a contract agreement is reached or the selection process is terminated.

(b) If the public body determines that all finalists are capable of producing a design that adequately meets project requirements, the public body may award the contract to the firm that submits the responsive proposal with the lowest price.

(6) The public body shall notify all finalists of the selection decision and make a selection summary of the final proposals available to all proposers within two business days of such notification. If the public body receives a timely written protest from a finalist firm, the public body may not execute a contract until two business days after the final protest decision is transmitted to the protestor. The protestor must submit its protest in accordance with the published protest procedures.

(7) The firm awarded the contract shall provide a performance and payment bond for the contracted amount.

(8) The public body shall provide appropriate honorarium payments to finalists submitting responsive proposals that are not awarded a design-build contract. Honorarium payments shall be sufficient to generate meaningful competition among potential proposers on design-build projects. In determining the amount of the honorarium, the public body shall consider the level of effort required to meet the selection criteria.

Sec. 2. RCW 39.10.470 and 2005 c 274 s 275 are each amended to read as follows:

(1) Except as provided in subsections (2) and (3) of this section, all proceedings, records, contracts, and other public records relating to alternative public works transactions under this chapter shall to the inspection of any interested person, firm, or corporation in accordance with chapter 42.56 RCW.

(3) Proposals submitted by design-build finalists are exempt from disclosure until the notification of the highest scoring finalist is made in accordance with RCW 39.10.330(5) or the selection process is terminated.

MESSAGE FROM THE SENATE

March 5, 2014

Mr. Speaker:

The Senate has passed SUBSTITUTE HOUSE BILL NO. 1791 with the following amendment:

On page 6, after line 13, insert the following:

"Sec. 3. RCW 9.68A.120 and 2009 c 479 s 12 are each amended to read as follows:

The following are subject to seizure and forfeiture:

(1) All visual or printed matter that depicts a minor engaged in sexually explicit conduct.

(2) All raw materials, equipment, and other tangible personal property of any kind used or intended to be used to manufacture or process any visual or printed matter that depicts a minor engaged in sexually explicit conduct, and all conveyances, including aircraft, vehicles, or vessels that are used or intended for use to transport, or in any manner to facilitate the transportation of, visual or printed matter in violation of RCW 9.68A.050 or 9.68A.060, but:

(a) No conveyance used by any person as a common carrier in the transaction of business as a common carrier is subject to forfeiture under this section unless it appears that the owner or other person in charge of the conveyance is a consenting party or privy to a violation of this chapter;

(b) No property is subject to forfeiture under this section by reason of any act or omission established by the owner of the property to have been committed or omitted without the owner's knowledge or consent;

(c) A forfeiture of property encumbered by a bona fide security interest is subject to the interest of the secured party if the secured party neither had knowledge of nor consented to the act or omission; and

(d) When the owner of a conveyance has been arrested under this chapter the conveyance may not be subject to forfeiture unless it is seized or process is issued for its seizure within ten days of the owner's arrest.

(3) All personal property, moneys, negotiable instruments, securities, or other tangible or intangible property furnished or intended to be furnished by any person in exchange for visual or printed matter depicting a minor engaged in sexually explicit conduct, or constituting proceeds traceable to any violation of this chapter.

(4) Property subject to forfeiture under this chapter may be seized by any law enforcement officer of this state upon process issued by any superior court having jurisdiction over the property. Seizure without process may be made if:

(a) The seizure is incident to an arrest or a search under a search warrant or an inspection under an administrative inspection warrant;

(b) The property subject to seizure has been the subject of a prior judgment in favor of the state in a criminal injunction or forfeiture proceeding based upon this chapter;

(c) A law enforcement officer has probable cause to believe that the property is directly or indirectly dangerous to health or safety; or

(d) The law enforcement officer has probable cause to believe that the property was used or is intended to be used in violation of this chapter.

(5) In the event of seizure under subsection (4) of this section, proceedings for forfeiture shall be deemed commenced by the seizure. The law enforcement agency under whose authority the seizure was made shall cause notice to be served within fifteen days following the seizure on the owner of the property seized and the person in charge thereof and any person having any known right or interest therein, of the seizure and intended forfeiture of the seized property. The notice may be served by any method authorized by law or court rule including but not limited to service by certified mail with return receipt requested. Service by mail shall be deemed complete upon mailing within the fifteen day period following the seizure.

(6) If no person notifies the seizing law enforcement agency in writing of the person's claim of ownership or right to possession of seized items within forty-five days of the seizure, the item seized shall be deemed forfeited.

(7) If any person notifies the seizing law enforcement agency in writing of the person's claim of ownership or right to possession of seized items within forty-five days of the seizure, the person or persons shall be afforded a reasonable opportunity to be heard as to the claim or right. The hearing shall be before an administrative law judge appointed under chapter 34.12 RCW, except that any person asserting a claim or right may remove the matter to a court of competent jurisdiction if the aggregate value of the article or articles involved is more than five hundred dollars. The hearing before an administrative law judge and any appeal therefrom shall be under Title 34 RCW. In a court hearing between two or more claimants to the article or articles involved, the prevailing party shall be entitled to a judgment for costs and reasonable attorney's fees. The burden of producing evidence shall be upon the person claiming to be the lawful owner or the person claiming to have the lawful right to possession of the seized items. The seizing law enforcement agency shall promptly return the article or articles to the claimant upon a determination by the administrative law judge or court that the claimant is lawfully entitled to possession thereof of the seized items.

(8) If property is sought to be forfeited on the ground that it constitutes proceeds traceable to a violation of this chapter, the seizing law enforcement agency must prove by a preponderance of the evidence that the property constitutes proceeds traceable to a violation of this chapter.

(9) When property is forfeited under this chapter the seizing law enforcement agency may:

(a) Retain it for official use or upon application by any law enforcement agency of this state release the property to that agency for the exclusive use of enforcing this chapter or chapter 9A.88 RCW;

(b) Sell that which is not required to be destroyed by law and which is not harmful to the public (~~The proceeds and all moneys forfeited under this chapter shall be used for payment of all proper expenses of the investigation leading to the seizure, including any money delivered to the subject of the investigation by the law enforcement agency, and of the proceedings for forfeiture and sale, including expenses of seizure, maintenance of custody, advertising, actual costs of the prosecuting or city attorney, and court costs. Fifty percent of the money remaining after payment of these expenses shall be deposited in the state general fund and fifty percent shall be deposited in the general fund of the state, county, or city of the seizing law enforcement agency~~); or

(c) Request the appropriate sheriff or director of public safety to take custody of the property and remove it for disposition in accordance with law.

(10)(a) By January 31st of each year, each seizing agency shall remit to the state treasurer an amount equal to ten percent of the net proceeds of any property forfeited during the preceding calendar year. Money remitted shall be deposited in the prostitution prevention and

intervention account under RCW 43.63A.740.

(b) The net proceeds of forfeited property is the value of the forfeitable interest in the property after deducting the cost of satisfying any bona fide security interest to which the property is subject at the time of seizure; and in the case of sold property, after deducting the cost of sale, including reasonable fees or commissions paid to an independent selling agency.

(c) The value of sold forfeited property is the sale price. The value of retained forfeited property is the fair market value of the property at the time of seizure determined when possible by reference to an applicable commonly used index. A seizing agency may use, but need not use, an independent qualified appraiser to determine the value of retained property. If an appraiser is used, the value of the property appraised is net of the cost of the appraisal. The value of destroyed property and retained firearms or illegal property is zero.

(11) Forfeited property and net proceeds not required to be paid to the state treasurer under this chapter shall be used for payment of all proper expenses of the investigation leading to the seizure, including any money delivered to the subject of the investigation by the law enforcement agency, and of the proceedings for forfeiture and sale, including expenses of seizure, maintenance of custody, advertising, actual costs of the prosecuting or city attorney, and court costs. Money remaining after payment of these expenses shall be retained by the seizing law enforcement agency for the exclusive use of enforcing the provisions of this chapter or chapter 9A.88 RCW.

(1) The following are subject to seizure and forfeiture and no property right exists in them:

(f) All moneys, negotiable instruments, securities, or other tangible or intangible property of value furnished or intended to be furnished by any person in exchange for a violation of RCW 9.68A.100, 9.68A.101, or 9A.88.070, all tangible or intangible personal property, proceeds, or assets acquired in whole or in part with proceeds traceable to an exchange or series of exchanges in violation of RCW 9.68A.100, 9.68A.101, or 9A.88.070, and all moneys, negotiable instruments, and securities used or intended to be used to facilitate any violation of RCW 9.68A.100, 9.68A.101, or 9A.88.070. A forfeiture of money, negotiable instruments, securities, or other tangible or intangible property encumbered by a bona fide security interest is subject to the interest of the secured party if, at the time the security interest was created, the secured party neither had knowledge of nor consented to the act or omission. No personal property may be forfeited under this subsection (1)(f), to the extent of the interest of an owner, by reason of any act or omission, which that owner establishes was committed or omitted without the owner's knowledge or consent; and

(g) All real property, including any right, title, and interest in the whole of any lot or tract of land, and any appurtenances or improvements which are being used with the knowledge of the owner for a violation of RCW 9.68A.100, 9.68A.101, or 9A.88.070, or which have been acquired in whole or in part with proceeds traceable to an exchange or series of exchanges in violation of RCW 9.68A.100, 9.68A.101, or 9A.88.070, if a substantial nexus exists between the violation and the real property. However:

(i) No property may be forfeited pursuant to this subsection (1)(g), to the extent of the interest of an owner, by reason of any act or omission committed or omitted without the owner's knowledge or consent;

(ii) A forfeiture of real property encumbered by a bona fide security interest is subject to the interest of the secured party if the secured party, at the time the security interest was created, neither had knowledge of nor consented to the act or omission.

(2) Real or personal property subject to forfeiture under this section may be seized by any law enforcement officer of this state upon process issued by any superior court having jurisdiction over the property. Seizure of real property shall include the filing of a *lis pendens* by the seizing agency. Real property seized under this section shall not be transferred or otherwise conveyed until ninety days after seizure or until a judgment of forfeiture is entered, whichever is later: PROVIDED, That real property seized under this section may be transferred or conveyed to any person or entity who acquires title by foreclosure or deed in lieu of foreclosure of a security interest. Seizure of personal property without process may be made if:

(a) The seizure is incident to an arrest or a search under a search warrant;

(b) The property subject to seizure has been the subject of a prior judgment in favor of the state in a criminal injunction or forfeiture proceeding; or

(c) The law enforcement officer has probable cause to believe that the property was used or is intended to be used in violation of RCW 9.68A.100, 9.68A.101, or 9A.88.070.

(3) In the event of seizure pursuant to subsection (2) of this section, proceedings for forfeiture shall be deemed commenced by the seizure. The law enforcement agency under whose authority the seizure was made shall cause notice to be served within fifteen days following the seizure on the owner of the property seized and the person in charge thereof and any person having any known right or interest therein, including any community property interest, of the seizure and intended forfeiture of the seized property. Service of notice of seizure of real property shall be made according to the rules of civil procedure. However, the state may not obtain a default

judgment with respect to real property against a party who is served by substituted service absent an affidavit stating that a good faith effort has been made to ascertain if the defaulted party is incarcerated within the state, and that there is no present basis to believe that the party is incarcerated within the state. Notice of seizure in the case of property subject to a security interest that has been perfected by filing a financing statement, or a certificate of title, shall be made by service upon the secured party or the secured party's assignee at the address shown on the financing statement or the certificate of title. The notice of seizure in other cases may be served by any method authorized by law or court rule including, but not limited to, service by certified mail with return receipt requested. Service by mail shall be deemed complete upon mailing within the fifteen day period following the seizure.

(4) If no person notifies the seizing law enforcement agency in writing of the person's claim of ownership or right to possession of items specified in subsection (1) of this section within forty-five days of the service of notice from the seizing agency in the case of personal property and ninety days in the case of real property, the item seized shall be deemed forfeited. The community property interest in real property of a person whose spouse or domestic partner committed a violation giving rise to seizure of the real property may not be forfeited if the person did not participate in the violation.

(5) If any person notifies the seizing law enforcement agency in writing of the person's claim of ownership or right to possession of items specified in subsection (1) of this section within forty-five days of the service of notice from the seizing agency in the case of personal property and ninety days in the case of real property, the person or persons shall be afforded a reasonable opportunity to be heard as to the claim or right. The notice of claim may be served by any method authorized by law or court rule including, but not limited to, service by first-class mail. Service by mail shall be deemed complete upon mailing within the forty-five day period following service of the notice of seizure in the case of personal property and within the ninety day period following service of the notice of seizure in the case of real property. The hearing shall be before the chief law enforcement officer of the seizing agency or the chief law enforcement officer's designee, except where the seizing agency is a state agency as defined in RCW 34.12.020(4), the hearing shall be before the chief law enforcement officer of the seizing agency or an administrative law judge appointed under chapter 34.12 RCW, except that any person asserting a claim or right may remove the matter to a court of competent jurisdiction. Removal of any matter involving personal property may only be accomplished according to the rules of civil procedure. The person seeking removal of the matter must serve process against the state, county, political subdivision, or municipality that operates the seizing agency, and any other party of interest, in accordance with RCW 4.28.080 or 4.92.020, within forty-five days after the person seeking removal has notified the seizing law enforcement agency of the person's claim of ownership or right to possession. The court to which the matter is to be removed shall be the district court when the aggregate value of personal property is within the jurisdictional limit set forth in RCW 3.66.020. A hearing before the seizing agency and any appeal therefrom shall be under Title 34 RCW. In all cases, the burden of proof is upon the law enforcement agency to establish, by a preponderance of the evidence, that the property is subject to forfeiture.

The seizing law enforcement agency shall promptly return the article or articles to the claimant upon a determination by the administrative law judge or court that the claimant is the present lawful owner or is lawfully entitled to possession thereof of items specified in subsection (1) of this section.

(6) In any proceeding to forfeit property under this title, where the claimant substantially prevails, the claimant is entitled to reasonable attorneys' fees reasonably incurred by the claimant. In addition, in a court hearing between two or more claimants to the article or articles

involved, the prevailing party is entitled to a judgment for costs and reasonable attorneys' fees.

(7) When property is forfeited under this chapter, the seizing law enforcement agency ~~((shall sell the property that is not required to be destroyed by law and that is not harmful to the public))~~ may:

(a) Retain it for official use or upon application by any law enforcement agency of this state release the property to that agency for the exclusive use of enforcing this chapter or chapter 9.68A RCW;

(b) Sell that which is not required to be destroyed by law and which is not harmful to the public; or

(c) Request the appropriate sheriff or director of public safety to take custody of the property and remove it for disposition in accordance with law.

(8)(a) When property is forfeited, the seizing agency shall keep a record indicating the identity of the prior owner, if known, a description of the property, the disposition of the property, the value of the property at the time of seizure, and the amount of proceeds realized from disposition of the property.

(b) Each seizing agency shall retain records of forfeited property for at least seven years.

(c) Each seizing agency shall file a report including a copy of the records of forfeited property with the state treasurer each calendar quarter.

(d) The quarterly report need not include a record of forfeited property that is still being held for use as evidence during the investigation or prosecution of a case or during the appeal from a conviction.

(9)(a) By January 31st of each year, each seizing agency shall remit to the state treasurer an amount equal to ten percent of the net proceeds of any property forfeited during the preceding calendar year. Money remitted shall be deposited in the prostitution prevention and intervention account under RCW 43.63A.740.

(b) The net proceeds of forfeited property is the value of the forfeitable interest in the property after deducting the cost of satisfying any bona fide security interest to which the property is subject at the time of seizure; and in the case of sold property, after deducting the cost of sale, including reasonable fees or commissions paid to independent selling agents, and the cost of any valid landlord's claim for damages under subsection ~~((44))~~ (12) of this section.

(c) The value of sold forfeited property is the sale price. The value of destroyed property and retained firearms or illegal property is zero.

(10) Net proceeds not required to be paid to the state treasurer shall be used for payment of all proper expenses of the investigation leading to the seizure, including any money delivered to the subject of the investigation by the law enforcement agency, and of the proceedings for forfeiture and sale, including expenses of seizure, maintenance of custody, advertising, actual costs of the prosecuting or city attorney, and court costs. Money remaining after payment of these expenses shall be retained by the seizing law enforcement agency for the exclusive use of enforcing the provisions of this chapter or chapter 9.68A RCW.

(11) Upon the entry of an order of forfeiture of real property, the court shall forward a copy of the order to the assessor of the county in which the property is located. Orders for the forfeiture of real property shall be entered by the superior court, subject to court rules. Such an order shall be filed by the seizing agency in the county auditor's records in the county in which the real property is located.

~~((44))~~ (12) A landlord may assert a claim against proceeds from the sale of assets seized and forfeited under subsection (9) of this section, only if:

(a) A law enforcement officer, while acting in his or her official capacity, directly caused damage to the complaining landlord's property while executing a search of a tenant's residence;

(b) The landlord has applied any funds remaining in the tenant's deposit, to which the landlord has a right under chapter 59.18 RCW,

to cover the damage directly caused by a law enforcement officer prior to asserting a claim under the provisions of this section:

(i) Only if the funds applied under (b) of this subsection are insufficient to satisfy the damage directly caused by a law enforcement officer, may the landlord seek compensation for the damage by filing a claim against the governmental entity under whose authority the law enforcement agency operates within thirty days after the search;

(ii) Only if the governmental entity denies or fails to respond to the landlord's claim within sixty days of the date of filing, may the landlord collect damages under this subsection by filing within thirty days of denial or the expiration of the sixty day period, whichever occurs first, a claim with the seizing law enforcement agency. The seizing law enforcement agency must notify the landlord of the status of the claim by the end of the thirty day period. Nothing in this section requires the claim to be paid by the end of the sixty day or thirty day period; and

(c) For any claim filed under (b) of this subsection, the law enforcement agency shall pay the claim unless the agency provides substantial proof that the landlord either:

(i) Knew or consented to actions of the tenant in violation of RCW 9.68A.100, 9.68A.101, or 9A.88.070; or

(ii) Failed to respond to a notification of the illegal activity, provided by a law enforcement agency under RCW 59.18.075, within seven days of receipt of notification of the illegal activity.

~~((42))~~ (13) The landlord's claim for damages under subsection ~~((44))~~ (12) of this section may not include a claim for loss of business and is limited to:

(a) Damage to tangible property and clean-up costs;

(b) The lesser of the cost of repair or fair market value of the damage directly caused by a law enforcement officer;

(c) The proceeds from the sale of the specific tenant's property seized and forfeited under subsection (9) of this section; and

(d) The proceeds available after the seizing law enforcement agency satisfies any bona fide security interest in the tenant's property and costs related to sale of the tenant's property as provided by subsection ~~((44))~~ (12) of this section.

~~((43))~~ (14) Subsections ~~((44))~~ (12) and ~~((42))~~ (13) of this section do not limit any other rights a landlord may have against a tenant to collect for damages. However, if a law enforcement agency satisfies a landlord's claim under subsection ~~((44))~~ (12) of this section, the rights the landlord has against the tenant for damages directly caused by a law enforcement officer under the terms of the landlord and tenant's contract are subrogated to the law enforcement agency."

Correct the title.

(3) A speech-language pathologist or audiologist licensed under this chapter, or a speech-language pathology assistant certified under this chapter, and not actively practicing either speech-language pathology or audiology may be placed on inactive status by the department at the written request of the license or certification holder. The board shall define by rule the conditions for inactive status licensure or certification. In addition to the requirements of RCW 43.24.086, the fee for a license or certification on inactive status shall be directly related to the cost of administering an inactive license or certification by the department. A person on inactive status may be voluntarily placed on active status by notifying the department in writing, paying the remainder of the fee for the year, and complying with subsection (4) of this section.

(4) Speech-language pathologist, speech-language pathology assistant, or audiologist inactive license or certification holders applying for active licensure or certification shall comply with requirements set forth by the board, which may include completion of continuing competency requirements and taking an examination.

Sec. 8. RCW 18.35.100 and 2002 c 310 s 10 are each amended to read as follows:

(1) Every hearing (~~(instrument fitter/dispenser)~~) aid specialist, audiologist, speech-language pathologist, or interim permit holder, who is regulated under this chapter, shall notify the department in writing of the regular address of the place or places in the state of Washington where the person practices or intends to practice more than twenty consecutive business days and of any change thereof within ten days of such change. Failure to notify the department in writing shall be grounds for suspension or revocation of the license or interim permit.

(2) The department shall keep a record of the places of business of persons who hold licenses or interim permits.

(3) Any notice required to be given by the department to a person who holds a license or interim permit may be given by mailing it to the address of the last establishment or facility of which the person has notified the department, except that notice to a licensee or interim permit holder of proceedings to deny, suspend, or revoke the license or interim permit shall be by certified or registered mail or by means authorized for service of process.

Sec. 9. RCW 18.35.105 and 2002 c 310 s 11 are each amended to read as follows:

Each licensee and interim permit holder under this chapter shall keep records of all services rendered for a minimum of three years. These records shall contain the names and addresses of all persons to whom services were provided. Hearing ~~((instrument fitter/dispensers))~~ aid specialists, audiologists, and interim permit holders shall also record the date the hearing instrument warranty expires, a description of the services and the dates the services were provided, and copies of any contracts and receipts. All records, as required pursuant to this chapter or by rule, shall be owned by the establishment or facility and shall remain with the establishment or facility in the event the licensee changes employment. If a contract between the establishment or facility and the licensee provides that the records are to remain with the licensee, copies of such records shall be provided to the establishment or facility.

Sec. 10. RCW 18.35.110 and 2002 c 310 s 12 are each amended to read as follows:

In addition to causes specified under RCW 18.130.170 and 18.130.180, any person licensed or holding an interim permit under this chapter may be subject to disciplinary action by the board for any of the following causes:

(1) For unethical conduct in dispensing hearing instruments. Unethical conduct shall include, but not be limited to:

(a) Using or causing or promoting the use of, in any advertising matter, promotional literature, testimonial, guarantee, warranty, label, brand, insignia, or any other representation, however disseminated or published, which is false, misleading or deceptive;

(b) Failing or refusing to honor or to perform as represented any representation, promise, agreement, or warranty in connection with the promotion, sale, dispensing, or fitting of the hearing instrument;

(c) Advertising a particular model, type, or kind of hearing instrument for sale which purchasers or prospective purchasers responding to the advertisement cannot purchase or are dissuaded from purchasing and where it is established that the purpose of the advertisement is to obtain prospects for the sale of a different model, type, or kind than that advertised;

(d) Falsifying hearing test or evaluation results;

(e)(i) Whenever any of the following conditions are found or should have been found to exist either from observations by the licensee or interim permit holder or on the basis of information furnished by the prospective hearing instrument user prior to fitting and dispensing a hearing instrument to any such prospective hearing instrument user, failing to advise that prospective hearing instrument user in writing that the user should first consult a licensed physician specializing in diseases of the ear or if no such licensed physician is available in the community then to any duly licensed physician:

(A) Visible congenital or traumatic deformity of the ear, including perforation of the eardrum;

(B) History of, or active drainage from the ear within the previous ninety days;

(C) History of sudden or rapidly progressive hearing loss within the previous ninety days;

(D) Acute or chronic dizziness;

(E) Any unilateral hearing loss;

(F) Significant air-bone gap when generally acceptable standards have been established as defined by the food and drug administration;

(G) Visible evidence of significant cerumen accumulation or a foreign body in the ear canal;

(H) Pain or discomfort in the ear; or

(I) Any other conditions that the board may by rule establish. It is a violation of this subsection for any licensee or that licensee's employees and putative agents upon making such required referral for medical opinion to in any manner whatsoever disparage or discourage a prospective hearing instrument user from seeking such medical opinion prior to the fitting and dispensing of a hearing instrument. No such referral for medical opinion need be made by any licensed hearing ~~((instrument fitter/dispenser))~~ aid specialist, licensed audiologist, or interim permit holder in the instance of replacement only of a hearing instrument which has been lost or damaged beyond repair within twelve months of the date of purchase. The licensed hearing ~~((instrument fitter/dispenser))~~ aid specialist, licensed audiologist, or interim permit holder or their employees or putative agents shall obtain a signed statement from the hearing instrument user documenting the waiver of medical clearance and the waiver shall inform the prospective user that signing the waiver is not in the user's best health interest: PROVIDED, That the licensed hearing ~~((instrument fitter/dispenser))~~ aid specialist, licensed audiologist, or interim permit holder shall maintain a copy of either the physician's statement showing that the prospective hearing instrument user has had a medical evaluation within the previous six months or the statement waiving medical evaluation, for a period of three years after the purchaser's receipt of a hearing instrument. Nothing in this section required to be performed by a licensee or interim permit holder shall mean that the licensee or interim permit holder is engaged in the diagnosis of illness or the practice of medicine or any other activity prohibited under the laws of this state;

(ii) Fitting and dispensing a hearing instrument to any person under eighteen years of age who has not been examined and cleared for hearing instrument use within the previous six months by a physician specializing in otolaryngology except in the case of replacement instruments or except in the case of the parents or guardian of such person refusing, for good cause, to seek medical opinion: PROVIDED, That should the parents or guardian of such person refuse, for good cause, to seek medical opinion, the licensed hearing ~~((instrument fitter/dispenser))~~ aid specialist or licensed audiologist shall obtain from such parents or guardian a certificate to that effect in a form as prescribed by the department;

(iii) Fitting and dispensing a hearing instrument to any person under eighteen years of age who has not been examined by an audiologist who holds at least a master's degree in audiology for recommendations during the previous six months, without first advising such person or his or her parents or guardian in writing that he or she should first consult an audiologist who holds at least a master's degree in audiology, except in cases of hearing instruments replaced within twelve months of their purchase;

(f) Representing that the services or advice of a person licensed to practice medicine and surgery under chapter 18.71 RCW or osteopathic medicine and surgery under chapter 18.57 RCW or of a clinical audiologist will be used or made available in the selection, fitting, adjustment, maintenance, or repair of hearing instruments when that is not true, or using the word "doctor," "clinic," or other like words, abbreviations, or symbols which tend to connote a medical or osteopathic medicine and surgery profession when such use is not accurate;

(g) Permitting another to use his or her license or interim permit;

(h) Stating or implying that the use of any hearing instrument will restore normal hearing, preserve hearing, prevent or retard progression of a hearing impairment, or any other false, misleading, or medically or audiological unsupportable claim regarding the efficiency of a hearing instrument;

(i) Representing or implying that a hearing instrument is or will be "custom-made," "made to order," "prescription made," or in any other sense specially fabricated for an individual when that is not the case; or

(j) Directly or indirectly offering, giving, permitting, or causing to be given, money or anything of value to any person who advised another in a professional capacity as an inducement to influence that person, or to have that person influence others to purchase or contract to purchase any product sold or offered for sale by the hearing ~~((instrument fitter/dispenser))~~ aid specialist, audiologist, or interim permit holder, or to influence any person to refrain from dealing in the products of competitors.

(2) Engaging in any unfair or deceptive practice or unfair method of competition in trade within the meaning of RCW 19.86.020.

(3) Aiding or abetting any violation of the rebating laws as stated in chapter 19.68 RCW.

Sec. 11. RCW 18.35.140 and 2002 c 310 s 14 are each amended to read as follows:

The powers and duties of the department, in addition to the powers and duties provided under other sections of this chapter, are as follows:

(1) To provide space necessary to carry out the examination set forth in RCW 18.35.070 of applicants for hearing ~~((instrument fitter/dispenser))~~ aid specialist licenses or audiology licenses.

(2) To authorize all disbursements necessary to carry out the provisions of this chapter.

(3) To require the periodic examination of testing equipment, as defined by the board, and to carry out the periodic inspection of facilities or establishments of persons who are licensed under this chapter, as reasonably required within the discretion of the department.

(4) To appoint advisory committees as necessary.

(5) To keep a record of proceedings under this chapter and a register of all persons licensed or holding interim permits under this chapter. The register shall show the name of every living licensee or interim permit holder for hearing ~~((instrument fitting/dispensing))~~ aid specialist, every living licensee or interim permit holder for speech-language pathology, and every living licensee or interim permit holder for audiology, with his or her last known place of residence and the date and number of his or her license or interim permit.

Sec. 12. RCW 18.35.150 and 2009 c 301 s 5 are each amended to read as follows:

(1) There is created hereby the board of hearing and speech to govern the three separate professions: Hearing ~~((instrument fitting/dispensing))~~ aid specialist, audiology, and speech-language pathology. The board shall consist of eleven members to be appointed by the governor.

(2) Members of the board shall be residents of this state. Three members shall represent the public and shall have an interest in the rights of consumers of health services, and shall not be or have been a member of, or married to a member of, another licensing board, a licensee of a health occupation board, an employee of a health facility, nor derive his or her primary livelihood from the provision of health services at any level of responsibility. Two members shall be hearing ~~((instrument fitter/dispensers))~~ aid specialists who are licensed under this chapter, have at least five years of experience in the practice of hearing instrument fitting and dispensing, and must be actively engaged in fitting and dispensing within two years of appointment. Two members of the board shall be audiologists licensed under this chapter who have at least five years of experience in the practice of audiology and must be actively engaged in practice within two years of appointment. Two members of the board shall be speech-language pathologists licensed under this chapter who have at least five years of experience in the practice of speech-language pathology and must be actively engaged in practice within two years of appointment. One advisory nonvoting member shall be a speech-language pathology assistant certified in Washington. One advisory nonvoting member shall be a medical physician licensed in the state of Washington.

(3) The term of office of a member is three years. Of the initial appointments, one hearing ~~((instrument fitter/dispenser))~~ aid specialist, one speech-language pathologist, one audiologist, and one consumer shall be appointed for a term of two years, and one hearing ~~((instrument fitter/dispenser))~~ aid specialist, one speech-language pathologist, one audiologist, and two consumers shall be appointed for a term of three years. Thereafter, all appointments shall be made for expired terms. No member shall be appointed to serve more than two consecutive terms. A member shall continue to serve until a successor has been appointed. The governor shall either reappoint the member or appoint a successor to assume the member's duties at the expiration of his or her predecessor's term. A vacancy in the office of a member shall be filled by appointment for the unexpired term.

(4) The chair shall rotate annually among the hearing ~~((instrument fitter/dispensers))~~ aid specialists, speech-language pathologists, audiologists, and public members serving on the board. In the absence of the chair, the board shall appoint an interim chair. In event of a tie vote, the issue shall be brought to a second vote and the chair shall refrain from voting.

(5) The board shall meet at least once each year, at a place, day and hour determined by the board, unless otherwise directed by a majority of board members. The board shall also meet at such other times and places as are requested by the department or by three members of the board. A quorum is a majority of the board. A hearing ~~((instrument fitter/dispenser))~~ aid specialist, speech-language pathologist, and audiologist must be represented. Meetings of the board shall be open and public, except the board may hold executive sessions to the extent permitted by chapter 42.30 RCW.

(6) Members of the board shall be compensated in accordance with RCW 43.03.240 and shall be reimbursed for their travel expenses in accordance with RCW 43.03.050 and 43.03.060.

(7) The governor may remove a member of the board for cause at the recommendation of a majority of the board.

Sec. 13. RCW 18.35.161 and 2010 c 65 s 4 are each amended to read as follows:

The board shall have the following powers and duties:

(1) To establish by rule such minimum standards and procedures in the fitting and dispensing of hearing instruments as deemed appropriate and in the public interest;

(2) To adopt any other rules necessary to implement this chapter and which are not inconsistent with it;

(3) To develop, approve, and administer or supervise the administration of examinations to applicants for licensure under this chapter;

(4) To require a licensee or interim permit holder to make restitution to any individual injured by a violation of this chapter or chapter 18.130 RCW, the uniform disciplinary act. The authority to require restitution does not limit the board's authority to take other action deemed appropriate and provided for in this chapter or chapter 18.130 RCW;

(5) To pass upon the qualifications of applicants for licensure or interim permits and to certify to the secretary;

(6) To recommend requirements for continuing education and continuing competency requirements as a prerequisite to renewing a license or certification under this chapter;

(7) To keep an official record of all its proceedings. The record is evidence of all proceedings of the board that are set forth in this record;

(8) To adopt rules, if the board finds it appropriate, in response to questions put to it by professional health associations, hearing ~~((instrument fitter/dispensers or))~~ aid specialists, audiologists, speech-language pathologists, interim permit holders, and consumers in this state; and

(9) To adopt rules relating to standards of care relating to hearing ~~((instrument fitter/dispensers))~~ aid specialists or audiologists, including the dispensing of hearing instruments, and relating to speech-language pathologists, including dispensing of communication devices.

Sec. 14. RCW 18.35.185 and 2002 c 310 s 19 are each amended to read as follows:

(1) In addition to any other rights and remedies a purchaser may have, the purchaser of a hearing instrument shall have the right to rescind the transaction for other than the licensed hearing (~~(instrument fitter/dispenser)~~) aid specialist, licensed audiologist, or interim permit holder's breach if:

(a) The purchaser, for reasonable cause, returns the hearing instrument or holds it at the licensed hearing (~~(instrument fitter/dispenser)~~) aid specialist, licensed audiologist, or interim permit holder's disposal, if the hearing instrument is in its original condition less normal wear and tear. "Reasonable cause" shall be defined by the board but shall not include a mere change of mind on the part of the purchaser or a change of mind related to cosmetic concerns of the purchaser about wearing a hearing instrument; and

(b) The purchaser sends notice of the cancellation by certified mail, return receipt requested, to the establishment employing the licensed hearing (~~(instrument fitter/dispenser)~~) aid specialist, licensed audiologist, or interim permit holder at the time the hearing instrument was originally purchased, and the notice is posted not later than thirty days following the date of delivery, but the purchaser and the licensed hearing (~~(instrument fitter/dispenser)~~) aid specialist, licensed audiologist, or interim permit holder may extend the deadline for posting of the notice of rescission by mutual, written agreement. In the event the hearing instrument develops a problem which qualifies as a reasonable cause for rescission or which prevents the purchaser from evaluating the hearing instrument, and the purchaser notifies the establishment employing the licensed hearing (~~(instrument fitter/dispenser)~~) aid specialist, licensed audiologist, or interim permit holder of the problem during the thirty days following the date of delivery and documents such notification, the deadline for posting the notice of rescission shall be extended by an equal number of days as those between the date of the notification of the problem to the date of notification of availability for redeliveries. Where the hearing instrument is returned to the licensed hearing (~~(instrument fitter/dispenser)~~) aid specialist, licensed audiologist, or interim permit holder for any inspection for modification or repair, and the licensed hearing (~~(instrument fitter/dispenser)~~) aid specialist, licensed audiologist, or interim permit holder has notified the purchaser that the hearing instrument is available for redelivery, and where the purchaser has not responded by either taking possession of the hearing instrument or instructing the licensed hearing (~~(instrument fitter/dispenser)~~) aid specialist, licensed audiologist, or interim permit holder to forward it to the purchaser, then the deadline for giving notice of the rescission shall extend no more than seven working days after this notice of availability.

(2) If the transaction is rescinded under this section or as otherwise provided by law and the hearing instrument is returned to the licensed hearing (~~(instrument fitter/dispenser)~~) aid specialist, licensed audiologist, or interim permit holder, the licensed hearing (~~(instrument fitter/dispenser)~~) aid specialist, licensed audiologist, or interim permit holder shall refund to the purchaser any payments or deposits for that hearing instrument. However, the licensed hearing (~~(instrument fitter/dispenser)~~) aid specialist, licensed audiologist, or interim permit holder may retain, for each hearing instrument, fifteen percent of the total purchase price or one hundred twenty-five dollars, whichever is less. After December 31, 1996, the rescission amount shall be determined by the board. The licensed hearing (~~(instrument fitter/dispenser)~~) aid specialist, licensed audiologist, or interim permit holder shall also return any goods traded in contemplation of the sale, less any costs incurred by the licensed hearing (~~(instrument fitter/dispenser)~~) aid specialist, licensed audiologist, or interim permit holder in making those goods ready for resale. The refund shall be made within ten business days after the rescission. The buyer shall incur no additional liability for such rescission.

(3) For the purposes of this section, the purchaser shall have recourse against the bond held by the establishment entering into a purchase agreement with the buyer, as provided by RCW 18.35.240.

Sec. 15. RCW 18.35.195 and 2006 c 263 s 802 are each amended to read as follows:

(1) This chapter shall not apply to military or federal government employees.

(2) This chapter does not prohibit or regulate:

(a) Fitting or dispensing by students enrolled in a board-approved program who are directly supervised by a licensed hearing (~~(instrument fitter/dispenser)~~) aid specialist, a licensed audiologist under the provisions of this chapter, or an instructor at a two-year hearing (~~(instrument fitter/dispenser)~~) aid specialist degree program that is approved by the board;

(b) Hearing (~~(instrument fitter/dispensers)~~) aid specialists, speech-language pathologists, or audiologists of other states, territories, or countries, or the District of Columbia while appearing as clinicians of bona fide educational seminars sponsored by speech- language pathology, audiology, hearing (~~(instrument fitter/dispenser)~~) aid specialist, medical, or other healing art professional associations so long as such activities do not go beyond the scope of practice defined by this chapter; and

(c) The practice of audiology or speech-language pathology by persons certified by the Washington professional educator standards board as educational staff associates, except for those persons electing to be licensed under this chapter. However, a person certified by the board as an educational staff associate who practices outside the school setting must be a licensed audiologist or licensed speech-language pathologist.

Sec. 16. RCW 18.35.205 and 2009 c 301 s 6 are each amended to read as follows:

The legislature finds that the public health, safety, and welfare would best be protected by uniform regulation of hearing (~~(instrument fitter/dispensers)~~) aid specialists, speech-language pathologists, speech-language pathology assistants, audiologists, and interim permit holders throughout the state. Therefore, the provisions of this chapter relating to the licensing of hearing (~~(instrument fitter/dispensers)~~) aid specialists, speech-language pathologists, and audiologists, the certification of speech-language pathology assistants, and regulation of interim permit holders and their respective establishments or facilities is exclusive. No political subdivision of the state of Washington within whose jurisdiction a hearing (~~(instrument fitter/dispenser)~~) aid specialist, audiologist, or speech-language pathologist establishment or facility is located may require any registrations, bonds, licenses, certificates, or interim permits of the establishment or facility or its employees or charge any fee for the same or similar purposes: PROVIDED, HOWEVER, That nothing herein shall limit or abridge the authority of any political subdivision to levy and collect a general and nondiscriminatory license fee levied on all businesses, or to levy a tax based upon the gross business conducted by any firm within the political subdivision.

Sec. 17. RCW 18.35.240 and 2002 c 310 s 24 are each amended to read as follows:

(1) Every individual engaged in the fitting and dispensing of hearing instruments shall be covered by a surety bond of ten thousand dollars or more, for the benefit of any person injured or damaged as a result of any violation by the licensee or permit holder, or their employees or agents, of any of the provisions of this chapter or rules adopted by the secretary.

(2) In lieu of the surety bond required by this section, the licensee or permit holder may deposit cash or other negotiable security in a banking institution as defined in chapter 30.04 RCW or a credit union as defined in chapter 31.12 RCW. All obligations and remedies relating to surety bonds shall apply to deposits and security filed in lieu of surety bonds.

(3) If a cash deposit or other negotiable security is filed, the licensee or permit holder shall maintain such cash or other negotiable security for one year after discontinuing the fitting and dispensing of hearing instruments.

(4) Each invoice for the purchase of a hearing instrument provided to a customer must clearly display on the first page the bond number covering the licensee or interim permit holder responsible for fitting/dispensing the hearing instrument.

(5) All licensed hearing (~~(instrument fitter/dispensers)~~ aid specialists, licensed audiologists, and permit holders must verify compliance with the requirement to hold a surety bond or cash or other negotiable security by submitting a signed declaration of compliance upon annual renewal of their license or permit. Up to twenty-five percent of the credential holders may be randomly audited for surety bond compliance after the credential is renewed. It is the credential holder's responsibility to submit a copy of the original surety bond or bonds, or documentation that cash or other negotiable security is held in a banking institution during the time period being audited. Failure to comply with the audit documentation request or failure to supply acceptable documentation within thirty days may result in disciplinary action.

Sec. 18. RCW 18.35.260 and 2009 c 301 s 7 are each amended to read as follows:

(1) A person who is not a licensed hearing (~~(instrument fitter/dispenser)~~ aid specialist may not represent himself or herself as being so licensed and may not use in connection with his or her name the words "licensed hearing instrument fitter/dispenser," "hearing instrument specialist," or "hearing aid fitter/dispenser," or a variation, synonym, word, sign, number, insignia, coinage, or whatever expresses, employs, or implies these terms, names, or functions of a licensed hearing (~~(instrument fitter/dispenser)~~ aid specialist.

(2) A person who is not a licensed speech-language pathologist may not represent himself or herself as being so licensed and may not use in connection with his or her name the words including "licensed speech-language pathologist" or a variation, synonym, word, sign, number, insignia, coinage, or whatever expresses, employs, or implies these terms, names, or functions as a licensed speech-language pathologist.

(3) A person who is not a certified speech-language pathology assistant may not represent himself or herself as being so certified and may not use in connection with his or her name the words including "certified speech-language pathology assistant" or a variation, synonym, word, sign, number, insignia, coinage, or whatever expresses, employs, or implies these terms, names, or functions as a certified speech-language pathology assistant.

(4) A person who is not a licensed audiologist may not represent himself or herself as being so licensed and may not use in connection with his or her name the words "licensed audiologist" or a variation, synonym, letter, word, sign, number, insignia, coinage, or whatever expresses, employs, or implies these terms, names, or functions of a licensed audiologist.

(5) Nothing in this chapter prohibits a person credentialed in this state under another act from engaging in the practice for which he or she is credentialed.

(i) An applicant for a specialty electrician certificate of competency who, after January 1, 2000, has successfully completed a two-year program in the electrical construction trade at a public community or technical college, or a not-for-profit nationally accredited technical or trade school licensed by the workforce training and education coordinating board under chapter 28C.10 RCW, may substitute up to one year of the technical or trade school program for one year of work experience under a master journey level electrician, journey level electrician, master specialty electrician working in that electrician's specialty, or specialty electrician working in that electrician's specialty. Student/instructor contact time includes lecture and in-school lab.

(iii) The department may not allow credit for a program that accepts more than one thousand hours transferred from another school's program.

(iv) Electrical specialty training school programs of less than two years will have all of the above student/instructor contact time hours proportionately reduced. Such programs may not apply to more than fifty percent of the work experience required to attain certification.

(v) Electrical training programs of less than two years may not be credited towards qualification for journey level electrician unless the training program is used to gain qualification for a four thousand hour electrical specialty.

(k) No other requirement for eligibility may be imposed.

(2) The department shall establish reasonable rules for the examinations to be given applicants for certificates of competency. In establishing the rules, the department shall consult with the board. Upon determination that the applicant is eligible to take the examination, the department shall so notify the applicant, indicating the time and place for taking the examination.

(3) No noncertified individual may work unsupervised more than one year beyond the date when the trainee would be eligible to test for a certificate of competency if working on a full-time basis after original application for the trainee certificate. For the purposes of this section, "full-time basis" means two thousand hours."

HOUSE BILL NO. 2253, as amended by the Senate, having received the necessary constitutional majority, was declared passed.

MESSAGE FROM THE SENATE

March 6, 2014

Mr. Speaker:

The Senate has passed ENGROSSED SUBSTITUTE HOUSE BILL NO. 2315 with the following amendment:

Strike everything after the enacting clause and insert the following:

"**Sec. 1.** 2012 c 181 s 1 (uncodified) is amended to read as follows:

(1) The legislature finds that:

(a) According to the centers for disease control and prevention:

(i) In 2008, more than thirty-six thousand people died by suicide in the United States, making it the tenth leading cause of death nationally.

(ii) During 2007-2008, an estimated five hundred sixty-nine thousand people visited hospital emergency departments with self-inflicted injuries in the United States, seventy percent of whom had attempted suicide.

(iii) During 2008-2009, the average percentages of adults who thought, planned, or attempted suicide in Washington were higher than the national average.

(b) According to a national study, veterans face an elevated risk of suicide as compared to the general population, more than twice the risk among male veterans. Another study has indicated a positive correlation between posttraumatic stress disorder and suicide.

(i) Washington state is home to more than sixty thousand men and women who have deployed in support of the wars in Iraq and Afghanistan.

(ii) Research continues on how the effects of wartime service and injuries, such as traumatic brain injury, posttraumatic stress disorder, or other service-related conditions, may increase the number of veterans who attempt suicide.

(iii) As more men and women separate from the military and transition back into civilian life, community mental health providers will become a vital resource to help these veterans and their families deal with issues that may arise.

(c) Suicide has an enormous impact on the family and friends of the victim as well as the community as a whole.

(d) Approximately ninety percent of people who die by suicide had a diagnosable psychiatric disorder at the time of death, such as depression. Most suicide victims exhibit warning signs or behaviors prior to an attempt.

(e) Improved training and education in suicide assessment, treatment, and management has been recommended by a variety of organizations, including the United States department of health and human services and the institute of medicine.

(2) It is therefore the intent of the legislature to help lower the suicide rate in Washington by requiring certain health professionals to complete training in suicide assessment, treatment, and management as part of their continuing education, continuing competency, or recertification requirements.

(3) The legislature does not intend to expand or limit the existing scope of practice of any health professional affected by this act.

(3) The hours spent completing training in suicide assessment, treatment, and management under this section count toward meeting any applicable continuing education or continuing competency requirements for each profession.

(4)(a) A disciplining authority may, by rule, specify minimum training and experience that is sufficient to exempt a professional from the training requirements in subsections (1) and (5) of this section.

(b) ~~((The board of occupational therapy practice))~~ A disciplining authority may exempt ~~((an occupational therapy practitioner))~~ a professional from the training requirements of subsections (1) and (5) of this section if the ~~((occupational therapy practitioner))~~ professional has only brief or limited patient contact.

(ix) A person holding a retired active license for one of the professions listed in (a)(i) through (viii) of this subsection.

(b) A professional listed in (a) of this subsection must complete the one-time training during the first full continuing education reporting period after the effective date of this section or the first full continuing education reporting period after initial licensure, whichever is later.

(c) The training required by this subsection must be at least six hours in length, unless a disciplining authority has determined, under subsection (9)(b) of this section, that training that includes only screening and referral elements is appropriate for the profession in question, in which case the training must be at least three hours in length.

(2) **Unauthorized use.** Any unauthorized use of the ~~((special))~~ parking placard, special license ~~((plate))~~ plate, special year tab, or identification card issued under this chapter is a parking infraction with a monetary penalty of two hundred fifty dollars. In addition to any penalty or fine imposed under this subsection, two hundred dollars must be assessed. For the purpose of this subsection, "unauthorized

use" includes (a) any use of a parking placard, special license plate, special year tab, or identification card that is expired, inactivated, faked, forged, or counterfeited, (b) any use of a parking placard, special license plate, special year tab, or identification card of another holder if the initial holder is no longer eligible to use or receive it, and (c) any use of a parking placard, special license plate, special year tab, or identification card of another holder even if permitted to do so by the holder.

(3) **Inaccessible access.** It is a parking infraction, with a monetary penalty of two hundred fifty dollars, for a person to stop, stand, or park in, block, or otherwise make inaccessible the access aisle located next to a space reserved for persons with physical disabilities. In addition to any penalty or fine imposed under this subsection, two hundred dollars must be assessed. The clerk of the court shall report all violations related to this subsection to the department.

(4) **Parking without placard/plate.** It is a parking infraction, with a monetary penalty of two hundred fifty dollars, for any person to park a vehicle in a parking place provided on private property without charge or on public property reserved for persons with physical disabilities without a placard or special license plate issued under this chapter. In addition to any penalty or fine imposed under this subsection, two hundred dollars must be assessed. If a person is charged with a violation, the person will not be determined to have committed an infraction if the person ~~((produces in court or before the court appearance the placard or special license plate))~~ establishes that the person operating the vehicle or being transported at the time of the infraction had a valid placard, special license plate, or special year tab issued under this chapter as required under this chapter. ~~((A local jurisdiction providing nonmetered, on-street parking places reserved for persons with physical disabilities may impose by ordinance time restrictions of no less than four hours on the use of these parking places.))~~ Such person must sign a statement under penalty of perjury that the placard, special license plate, or special year tab produced prior to the court appearance was valid at the time of infraction and issued under this chapter as required under this chapter.

(5) **Time restrictions.** A local jurisdiction may impose by ordinance time restrictions of no less than four hours on the use of nonreserved, on-street parking spaces by vehicles displaying the special parking placards or special license plates issued under this chapter. All time restrictions must be clearly posted.

~~(6)~~ **Improper display of placard/plate.** It is a parking infraction, with a monetary penalty of two hundred fifty dollars, to fail to fully display a placard or special license plate issued under this chapter while parked in a public place on private property without charge, while parked on public property reserved for persons with physical disabilities, or while parking free of charge as allowed under RCW 46.61.582. In addition to any penalty or fine imposed under this subsection, two hundred dollars must be assessed, for a total of four hundred fifty dollars. For the purpose of this subsection, "fully display" means hanging or placing the placard or special license plate so that the full face of the placard or license plate is visible, including the serial number and expiration date of the license plate or placard. If a person is charged with a violation of this subsection, that person will not be determined to have committed an infraction if the person produces in court or before the court appearance a valid identification card issued to that person under RCW 46.19.010.

~~((6))~~ ~~(7)~~ **Allocation and use of funds - reimbursement.** (a) The assessment imposed under subsections (2), (3), ~~((and))~~ (4), and (6) of this section must be allocated as follows:

(i) One hundred dollars must be deposited in the accessible communities account created in RCW 50.40.071; and

(ii) One hundred dollars must be deposited in the multimodal transportation account under RCW 47.66.070 for the sole purpose of supplementing a grant program for special needs transportation provided by transit agencies and nonprofit providers of transportation that is administered by the department of transportation.

(b) Any reduction in any penalty or fine and assessment imposed under subsections (2), (3), ~~((and))~~ (4), and (6) of this section must be applied proportionally between the penalty or fine and the assessment. When a reduced penalty is imposed under subsection (2), (3), ~~((or))~~ (4), or (6) of this section, the amount deposited in the accounts identified in (a) of this subsection must be reduced equally and proportionally.

(c) The penalty or fine amounts must be used by that local jurisdiction exclusively for law enforcement. The court may also impose an additional penalty sufficient to reimburse the local jurisdiction for any costs that it may have incurred in the removal and storage of the improperly parked vehicle.

~~((7))~~ (8) **Illegal obtainment.** Except as provided in subsection (1) of this section, it is a ~~((traffic infraction with a monetary penalty of two hundred fifty dollars))~~ misdemeanor punishable under chapter 9A.20 RCW for any person willfully to obtain a special license plate, placard, special year tab, or identification card issued under this chapter in a manner other than that established under this chapter.

~~((8))~~ (9) **Sale of a placard/plate/tab/card.** It is a misdemeanor punishable under chapter 9A.20 RCW for any person to sell a placard, special license plate, special year tab, or identification card issued under this chapter.

(10) **Volunteer appointment.** A law enforcement agency authorized to enforce parking laws may appoint volunteers, with a limited commission, to issue notices of infractions for violations of subsections (2), (3), (4), and (6) of this section or RCW ((46.19.010 and) 46.19.030 or 46.61.581. Volunteers must be at least twenty-one years of age. The law enforcement agency appointing volunteers may establish any other qualifications that the agency deems desirable.

(a) An agency appointing volunteers under this section must provide training to the volunteers before authorizing them to issue notices of infractions.

(b) A notice of infraction issued by a volunteer appointed under this subsection has the same force and effect as a notice of infraction issued by a ~~((police))~~ peace officer for the same offense.

(c) A ~~((police))~~ peace officer or a volunteer may request a person to show the person's identification card or special parking placard when investigating the possibility of a violation of this section. If the request is refused, the person in charge of the vehicle may be issued a notice of infraction for a violation of this section.

~~((9))~~ (11) **Surrender of a placard/plate/tab/card.** If a person is found to have violated the special parking privileges provided in this chapter, and unless an appeal of that finding is pending, a judge may order that the person surrender his or her placard, special license plate, special year tab, or identification card issued under this chapter.

(12) **Community restitution.** For second or subsequent violations of this section, in addition to a monetary penalty, the violator must complete a minimum of forty hours of:

(a) Community restitution for a nonprofit organization that serves persons with disabilities or disabling diseases; or

(b) Any other community restitution that may sensitize the violator to the needs and obstacles faced by persons with disabilities.

~~((10))~~ (13) **Fine suspension.** The court may not suspend more than one-half of any fine imposed under subsection (2), (3), (4), or ~~((7))~~ (6) of this section.

Sec. 7. RCW 46.61.582 and 2011 c 171 s 80 are each amended to read as follows:

(1) Any person who meets the criteria for special parking privileges under RCW 46.19.010 ((shall)) **must** be allowed free of charge to park a vehicle being used to transport ((that person)) the holder of such special parking privileges for unlimited periods of time in parking zones or areas, including zones or areas with parking meters ~~((which))~~ that are otherwise restricted as to the length of time parking is permitted, except zones in which parking is limited pursuant to RCW 46.19.050(5). ~~((This section does not apply to those zones or areas in which the stopping, parking, or standing of all vehicles is prohibited or which are reserved for special types of vehicles.))~~ The person ~~((shall))~~

must obtain and display a ~~((special))~~ parking placard or special license plate under RCW 46.19.010 and 46.19.030 to be eligible for the privileges under this section.

(2) This section does not apply to those zones or areas in which the stopping, parking, or standing of all vehicles is prohibited or that are reserved for special types of vehicles.

MESSAGE FROM THE SENATE

March 6, 2014

Mr. Speaker:

The Senate has passed ENGROSSED SECOND SUBSTITUTE HOUSE BILL NO. 2569 with the following amendment:

Strike everything after the enacting clause and insert the following:

NEW SECTION. Sec. 1. The legislature finds that investments in diesel engine idling reduction projects cost-effectively improve public health by reducing harmful diesel emissions. The legislature further finds that these investments also result in long-term savings in fuel and maintenance costs. It is therefore the intent of the legislature to establish a stable, wholly self-sustaining account for the department of ecology to use for investments in diesel idle reduction projects.

NEW SECTION. Sec. 2. The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

(1) "Account" means the diesel idle reduction account created in section 4 of this act.

(2) "Department" means the department of ecology.

(3) "Loan recipient" means a state, local, or other governmental entity that owns diesel vehicles or equipment.

NEW SECTION. Sec. 3. (1) The department shall use the moneys in the account to provide loans with low or no interest to loan recipients for the purpose of reducing exposure to diesel emissions and improving public health by investing in diesel idle emission reduction technologies and infrastructure. The department shall, to the extent practical, integrate communications, outreach, and other aspects of the administration of loans from the account with the administration of existing grant programs to reduce diesel emissions from vehicles and equipment. In selecting loan recipients, the department shall consider anticipated human health, environmental, and greenhouse gas benefits from reduced exposure to harmful air emissions associated with diesel idling.

(2) The department shall make loans in such a manner that the remittances from loan recipients are of equal value over a long-term planning horizon to the disbursements from the fund.

(3) Loan moneys may not be spent on vehicles or equipment that spend less than one-half of their operating time in Washington.

Permissible diesel idle reduction expenditures include, but are not limited to:

- (a) Electrified parking spaces and truck stops;
- (b) Shore connection systems and alternative maritime power;
- (c) Shore connection systems for locomotives;
- (d) Auxiliary power units and generator sets;
- (e) Fuel-operated heaters or direct-fired heaters, including engine fluid preheaters and cab air heaters;
- (f) Battery powered systems, including battery powered heating and air conditioning systems;
- (g) Thermal storage systems;
- (h) Automatic engine start-up and shutdown systems;
- (i) Projects to augment or replace diesel engines or power systems with engines or power systems that use liquefied or compressed natural gas; and
- (j) Other operation or maintenance efficiencies that achieve emission reduction benefits for the public.

NEW SECTION. Sec. 4. The diesel idle reduction account is created in the state treasury. All receipts from remittances made by loan recipients pursuant to section 3 of this act and any moneys appropriated to the account by law must be deposited in the account. Moneys in the account may be spent only after appropriation. Expenditures from the account may be used only for the purposes of this chapter, including the costs of program administration.

Sec. 5. RCW 43.84.092 and 2013 2nd sp.s. c 23 s 24 and 2013 2nd sp.s. c 11 s 15 are each reenacted and amended to read as follows:

(1) All earnings of investments of surplus balances in the state treasury shall be deposited to the treasury income account, which account is hereby established in the state treasury.

(2) The treasury income account shall be utilized to pay or receive funds associated with federal programs as required by the federal cash management improvement act of 1990. The treasury income account is subject in all respects to chapter 43.88 RCW, but no appropriation is required for refunds or allocations of interest earnings required by the cash management improvement act. Refunds of interest to the federal treasury required under the cash management improvement act fall under RCW 43.88.180 and shall not require appropriation. The office of financial management shall determine the amounts due to or from the federal government pursuant to the cash management improvement act. The office of financial management may direct transfers of funds between accounts as deemed necessary to implement the provisions of the cash management improvement act, and this subsection. Refunds or allocations shall occur prior to the distributions of earnings set forth in subsection (4) of this section.

(3) Except for the provisions of RCW 43.84.160, the treasury income account may be utilized for the payment of purchased banking services on behalf of treasury funds including, but not limited to, depository, safekeeping, and disbursement functions for the state treasury and affected state agencies. The treasury income account is subject in all respects to chapter 43.88 RCW, but no appropriation is required for payments to financial institutions. (2) Board members shall hold their offices for a term of four years from the first day of September and until their successors are appointed. No more than the terms of two members may expire simultaneously on the last day of August in any one year.

(3) The members of the ~~((opportunity scholarship))~~ board shall elect one of the business and industry representatives to serve as chair.

(4) ~~((Five))~~ Seven members of the board constitute a quorum for the transaction of business. In case of a vacancy, or when an appointment is made after the date of expiration of the term, the governor or the president of the senate or the speaker of the house of representatives, depending upon which made the initial appointment to that position, shall fill the vacancy for the remainder of the term of the board member whose office has become vacant or expired.

(5) The ~~((opportunity scholarship))~~ board shall be staffed by the program administrator.

(6) The purpose of the ~~((opportunity scholarship))~~ board is to provide oversight and guidance for the opportunity expansion and the opportunity scholarship programs in light of established legislative priorities and to fulfill the duties and responsibilities under this chapter, including but not limited to determining eligible education programs for purposes of the opportunity scholarship program. Duties, exercised jointly with the program administrator, include soliciting funds and setting annual fund-raising goals.

(7) The ~~((opportunity scholarship))~~ board may report to the governor and the appropriate committees of the legislature with recommendations as to:

(a) Whether some or all of the scholarships should be changed to conditional scholarships that must be repaid in the event the participant does not complete the eligible education program; and

(b) A source or sources of funds for the opportunity expansion program in addition to the voluntary contributions of the high technology research and development tax credit under RCW 82.32.800.

Sec. 3. RCW 28B.145.030 and 2011 1st sp.s. c 13 s 4 are each amended to read as follows:

(1) The program administrator, under contract with the ~~((board))~~ council, shall staff the ~~((opportunity scholarship))~~ board and shall have the duties and responsibilities provided in this chapter, including but not limited to publicizing the program, selecting participants for the opportunity scholarship award, distributing opportunity scholarship awards, and achieving the maximum possible rate of return on investment of the accounts in subsection (2) of this section, while ensuring transparency in the investment decisions and processes. Duties, exercised jointly with the ~~((opportunity scholarship))~~ board, include soliciting funds and setting annual fund-raising goals. The program administrator shall be paid an administrative fee as determined by the ~~((opportunity scholarship))~~ board.

(2) With respect to the opportunity scholarship program, the program administrator shall:

(a) Establish and manage two separate accounts into which to receive grants and contributions from private sources as well as state matching funds, and from which to disburse scholarship funds to participants;

(b) Solicit and accept grants and contributions from private sources, via direct payment, pledge agreement, or escrow account, of private sources for deposit into one or both of the two accounts created in this subsection (2)(b) in accordance with this subsection (2)(b):

(i) The "scholarship account," whose principal may be invaded, and from which scholarships must be disbursed beginning no later than December 1, 2011, if, by that date, state matching funds in the amount of five million dollars or more have been received. Thereafter, scholarships shall be disbursed on an annual basis beginning no later than May 1, 2012, and every ~~((May))~~ October 1st thereafter;

(ii) The "endowment account," from which scholarship moneys may be disbursed from earnings only in years when:

(A) The state match has been made into both the scholarship and the endowment account;

(B) The state appropriations for the state need grant under RCW 28B.92.010 meet or exceed state appropriations for the state need grant made in the 2011-2013 biennium, adjusted for inflation, and eligibility for state need grant recipients is at least seventy percent of state median family income; and

(C) The state has demonstrated progress toward the goal of total per-student funding levels, from state appropriations plus tuition and fees, of at least the sixtieth percentile of total per-student funding at similar public institutions of higher education in the global challenge states, as defined, measured, and reported in RCW 28B.15.068. In any year in which the office of financial management reports that the state has not made progress toward this goal, no new scholarships may be awarded. In any year in which the office of financial management reports that the percentile of total per-student funding is less than the sixtieth percentile and at least five percent less than the prior year, pledges of future grants and contributions may, at the request of the donor, be released and grants and contributions already received refunded to the extent that opportunity scholarship awards already made can be fulfilled from the funds remaining in the endowment account. In fulfilling the requirements of this subsection, the office of financial management shall use resources that facilitate measurement and comparisons of the most recently completed academic year. These

resources may include, but are not limited to, the data provided in a uniform dashboard format under RCW 28B.77.090 as the statewide public four-year dashboard and academic year reports prepared by the state board for community and technical colleges; ~~((and))~~

(iii) An amount equal to at least fifty percent of all grants and contributions must be deposited into the scholarship account until such time as twenty million dollars have been deposited into the account, after which time the private donors may designate whether their contributions must be deposited to the scholarship or the endowment account. The ~~((opportunity scholarship))~~ board and the program administrator must work to maximize private sector contributions to both the scholarship account and the endowment account, to maintain a robust scholarship program while simultaneously building the endowment, and to determine the division between the two accounts in the case of undesignated grants and contributions, taking into account the need for a long-term funding mechanism and the short-term needs of families and students in Washington. The first five million dollars in state match, as provided in RCW 28B.145.040, shall be deposited into the scholarship account and thereafter the state match shall be deposited into the two accounts in equal proportion to the private funds deposited in each account; and

(iv) Once moneys in the opportunity scholarship match transfer account are subject to an agreement under RCW 28B.145.050(5) and are deposited in the scholarship account or endowment account under this section, the state acts in a fiduciary rather than ownership capacity with regard to those assets. Assets in the scholarship account and endowment account are not considered state money, common cash, or revenue to the state;

(c) Provide proof of receipt of grants and contributions from private sources to the ~~((board))~~ council, identifying the amounts received by name of private source and date, and whether the amounts received were deposited into the scholarship or the endowment account;

(d) In consultation with the ~~((higher education coordinating board))~~ council and the state board for community and technical colleges, make an assessment of the reasonable annual eligible expenses associated with eligible education programs identified by the ~~((opportunity scholarship))~~ board;

(e) Determine the dollar difference between tuition fees charged by institutions of higher education in the 2008-09 academic year and the academic year for which an opportunity scholarship is being distributed;

(f) Develop and implement an application, selection, and notification process for awarding opportunity scholarships;

(g) Determine the annual amount of the opportunity scholarship for each selected participant. The annual amount shall be at least one thousand dollars or the amount determined under (e) of this subsection, but may be increased on an income-based, sliding scale basis up to the amount necessary to cover all reasonable annual eligible expenses as assessed pursuant to (d) of this subsection, or to encourage participation in baccalaureate degree programs identified by the ~~((opportunity scholarship))~~ board;

(h) Distribute scholarship funds to selected participants. Once awarded, and to the extent funds are available for distribution, an opportunity scholarship shall be automatically renewed until the participant withdraws from or is no longer attending the program, completes the program, or has taken the credit or clock hour equivalent of one hundred twenty-five percent of the published length of time of the participant's program, whichever occurs first, and as long as the participant annually submits documentation of filing both a free application for federal student aid and for available federal education tax credits, including but not limited to the American opportunity tax credit; and

(i) Notify institutions of scholarship recipients who will attend their institutions and inform them of the terms of the students' eligibility.

(3) With respect to the opportunity expansion program, the program administrator shall:

(a) Assist the ((~~opportunity scholarship~~)) board in developing and implementing an application, selection, and notification process for making opportunity expansion awards; and

(b) Solicit and accept grants and contributions from private sources for opportunity expansion awards.

NEW SECTION. Sec. 4. A new section is added to chapter 28B.145 RCW to read as follows:

(1) The board may elect to have the state investment board invest the funds in the scholarship account and endowment account described under RCW 28B.145.030(2)(b). If the board so elects, the state investment board has the full power to invest, reinvest, manage, contract, sell, or exchange investment money in the two accounts. All investment and operating costs associated with the investment of money shall be paid under RCW 43.33A.160 and 43.84.160. With the exception of these expenses, the earnings from the investment of the money shall be retained by the accounts.

(2) All investments made by the state investment board shall be made with the exercise of that degree of judgment and care under RCW 43.33A.140 and the investment policy established by the state investment board.

(3) As deemed appropriate by the state investment board, money in the scholarship and endowment accounts may be commingled for investment with other funds subject to investment by the state investment board.

(4) Members of the state investment board shall not be considered an insurer of the funds or assets and are not liable for any action or inaction.

(5) Members of the state investment board are not liable to the state, to the fund, or to any other person as a result of their activities as members, whether ministerial or discretionary, except for willful dishonesty or intentional violations of law. The state investment board in its discretion may purchase liability insurance for members.

(6) The authority to establish all policies relating to the scholarship account and the endowment account, other than the investment policies as provided in subsections (1) through (3) of this section, resides with the board and program administrator acting in accordance with the principles set forth in this chapter. With the exception of expenses of the state investment board in subsection (1) of this section, disbursements from the scholarship account and endowment account shall be made only on the authorization of the opportunity scholarship board or its designee, and moneys in the accounts may be spent only for the purposes specified in this chapter.

(7) The state investment board shall routinely consult and communicate with the board on the investment policy, earnings of the accounts, and related needs of the program.

Sec. 5. RCW 28B.145.050 and 2011 1st sp.s. c 13 s 6 are each amended to read as follows:

(1) The opportunity scholarship match transfer account is created in the custody of the state treasurer as a nonappropriated account to be used solely and exclusively for the opportunity scholarship program created in RCW 28B.145.040. The purpose of the account is to provide matching funds for the opportunity scholarship program.

(2) Revenues to the account shall consist of appropriations by the legislature into the account and any gifts, grants, or donations received by the executive director of the ((~~board~~)) council for this purpose.

(3) No expenditures from the account may be made except upon receipt of proof, by the executive director of the ((~~board~~)) council from the program administrator, of private contributions to the opportunity scholarship program. Expenditures, in the form of matching funds, may not exceed the total amount of private contributions.

(4) Only the executive director of the ((~~board~~)) council or the executive director's designee may authorize expenditures from the opportunity scholarship match transfer account. Such authorization

must be made as soon as practicable following receipt of proof as required under subsection (3) of this section.

(5) The council shall enter into an appropriate agreement with the program administrator to demonstrate exchange of consideration for the matching funds.

Sec. 6. RCW 28B.145.060 and 2013 c 39 s 14 are each amended to read as follows:

(1) The opportunity expansion program is established.

(2) The ((~~opportunity scholarship~~)) board shall select institutions of higher education to receive opportunity expansion awards. In so doing, the ((~~opportunity scholarship~~)) board must:

(a) Solicit, receive, and evaluate proposals from institutions of higher education that are designed to directly increase the number of baccalaureate degrees produced in high employer demand and other programs of study, and that include annual numerical targets for the number of such degrees, with a strong emphasis on serving students who received their high school diploma or high school equivalency certificate as provided in RCW 28B.50.536 in Washington or are adult Washington residents who are returning to school to gain a baccalaureate degree;

(b) Develop criteria for evaluating proposals and awarding funds to the proposals deemed most likely to increase the number of baccalaureate degrees and degrees produced in high employer demand and other programs of study;

(c) Give priority to proposals that include a partnership between public and private partnership entities that leverage additional private funds;

(d) Give priority to proposals that are innovative, efficient, and cost-effective, given the nature and cost of the particular program of study;

(e) Consult and operate in consultation with existing higher education stakeholders, including but not limited to: Faculty, labor, student organizations, and relevant higher education agencies; and

(f) Determine which proposals to improve and accelerate the production of baccalaureate degrees in high employer demand and other programs of study will receive opportunity expansion awards for the following state fiscal year, notify the state treasurer, and announce the awards.

(3) The state treasurer, at the direction of the ((~~opportunity scholarship~~)) board, must distribute the funds that have been awarded to the institutions of higher education from the opportunity expansion account.

(4) Institutions of higher education receiving awards under this section may not supplant existing general fund state revenues with opportunity expansion awards.

(5) Annually, the office of financial management shall report to the ((~~opportunity scholarship~~)) board, the governor, and the relevant committees of the legislature regarding the percentage of Washington households with incomes in the middle-income bracket or higher. For purposes of this section, "middle-income bracket" means household incomes between two hundred and five hundred percent of the 2010 federal poverty level, as determined by the United States department of health and human services for a family of four, adjusted annually for inflation.

(6) Annually, the ((~~student achievement~~)) council must report to the ((~~opportunity scholarship~~)) board, the governor, and the relevant committees of the legislature regarding the increase in the number of degrees in high employer demand and other programs of study awarded by institutions of higher education over the average of the preceding ten academic years.

(7) In its comprehensive plan, the workforce training and education coordinating board shall include specific strategies to reach the goal of increasing the percentage of Washington households living in the middle-income bracket or higher, as calculated by the office of financial management and developed by the agency or education institution that will lead the strategy.

ENGROSSED SECOND SUBSTITUTE HOUSE BILL NO. 1129, as amended by the Senate, having received the necessary constitutional majority, was declared passed.

MESSAGE FROM THE SENATE

March 7, 2014

Mr. Speaker:

The Senate has passed SECOND SUBSTITUTE HOUSE BILL NO. 2457 with the following amendment:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. (1) The legislature finds that section 45, chapter 291, Laws of 2013 required the department of natural resources, in consultation with the department of ecology, to evaluate potential changes to laws and rules related to derelict and abandoned vessels that increase vessel owner responsibility and address challenges associated with the economics of removing vessels from the water.

(2) The legislature further finds that, during the 2013 legislative interim, the two responsible agencies engaged in a thorough process to satisfy their legislative charge. This process involved exhausting in-state expertise on various topics and reaching out to experts in vessel deconstruction, surety bonding, letters of credit, marine insurance, taxation, federal regulation, similar programs in other states, and more. The process also involved two open invitation public meetings.

(3) The legislature further finds that a significant number of various and competing options were discussed, analyzed, and ultimately dismissed during the process undertaken by the two agencies. It is the intent of the legislature to capture the recommendations for meeting the goals of increased vessel owner responsibility and addressing the challenges associated with the economics of removing vessels from the water that rose to the top from the process undertaken by the agencies.

(4) It is the further intent of the legislature that this act serve as the final report due by the department of natural resources under section 45, chapter 291, Laws of 2013.

Part One--Vessel Owner Responsibility

NEW SECTION. Sec. 101. A new section is added to chapter 79.100 RCW to read as follows:

(1) Any individual or company that purchases or otherwise receives a used vessel greater than sixty-five feet in length and more than forty years old must, prior to or concurrent with the transfer of ownership, secure a marine insurance policy consistent with this section. Proof of the marine insurance policy must be provided to:

(a) The transferor of the vessel upon purchase or other transfer; and

(b) If applicable, the department of licensing upon registration or the department of revenue upon the payment of any taxes.

(2) The transferor of a vessel greater than sixty-five feet in length and more than forty years old has an affirmative duty to ensure that any potential transferee has secured a marine insurance policy consistent with this section prior to or concurrent with the finalization of any sale or transfer. Nothing in this section prohibits the sale or other transfer of a vessel greater than sixty-five feet in length and more than forty years old to a transferee that fails to secure a marine insurance policy. However, a transferor that chooses to finalize a sale or other transfer with a transferee not in possession of a marine insurance policy assumes secondary liability for the vessel consistent with RCW 79.100.060 if the vessel is later abandoned by the transferee or becomes derelict prior to a subsequent ownership transfer.

(3) The marine insurance policy required under this section must be secured by the transferee prior to, or concurrent with, assuming ownership of a vessel greater than sixty-five feet in length and more than forty years old. The marine insurance policy must satisfy the following conditions:

(a) Have a term of at least twelve months following the transferee's assumption of vessel ownership;

(b) Provide coverage of an amount that is, unless otherwise provided by the department by rule, at least three hundred thousand dollars;

(c) Provide, unless otherwise provided by the department by rule, coverage for the removal of the vessel if it should sink and coverage should it cause a pollution event.

(4) The purchaser of marine insurance under this section may satisfy the requirements of this section through the purchase of multiple policies as necessary.

(5) The department may, by rule, provide for a purchaser of a vessel to also satisfy the insurance requirements of this section through the posting of adequate security with a financial institution.

(6) A person required to secure marine insurance or show proof of marine insurance under this section who either: (a) Fails to secure a marine insurance policy consistent with this section prior to or concurrent with the transfer of ownership, unless the vessel was sold consistent with RCW 79.100.150(2)(b); or (b) cancels a marine insurance policy consistent with this section prior to the end of the twelfth month of vessel ownership or to a subsequent transfer of ownership, whichever occurs first, without securing another marine insurance policy consistent with this section in its place, is guilty of a misdemeanor. The department may contact any vessel owner required by this section to have a marine insurance policy to ensure compliance with this section.

Sec. 102. RCW 79.100.150 and 2013 c 291 s 38 are each amended to read as follows:

(1) A vessel owner must obtain a vessel inspection under this section prior to transferring a vessel that is:

(a) More than sixty-five feet in length and more than forty years old; and

(b) Either:

(i) Is registered or required to be registered under chapter 88.02 RCW; or

(ii) Is listed or required to be listed under chapter 84.40 RCW.

(2) If the vessel inspection determines the vessel is not seaworthy and the value of the vessel is less than the anticipated costs required to return the vessel to seaworthiness, then the vessel owner may not sell or transfer ownership of the vessel unless:

(a) The vessel is repaired to a seaworthy state prior to the transfer of ownership; or

(b) The vessel is sold for scrap, restoration, salvage, or another use that will remove the vessel from state waters to a person displaying a business license issued under RCW 19.02.070 that a reasonable person in the seller's position would believe has the capability and intent to do based on factors that may include the buyer's facilities, resources, documented intent, and relevant history.

(3) Where required under subsection (1) of this section, a vessel

owner must provide a copy of the vessel inspection documentation to the transferee and, if the department did not conduct the inspection, to the department prior to the transfer.

~~((3))~~ (4) Unless rules adopted by the department provide otherwise, the vessel inspection required under this section must be contained in a formal marine survey conducted by a third party to the transaction. The survey must include, at a minimum, a conclusion relating to the seaworthiness of the vessel, an estimate of the vessel's fair market value, and, if applicable, an estimate as to the anticipated cost of repairs necessary to return the vessel to seaworthiness.

(5) The department may, by rule, allow other forms of vessel condition determinations, such as United States coast guard certificates of inspection, to replace the requirements for a formal marine survey under this section.

~~(6) Failure to comply with the requirements of ((subsections (1) and (2) of) this section will result in the transferor having secondary liability under RCW 79.100.060 if the vessel is later abandoned by the transferee or becomes derelict prior to a subsequent ownership transfer. (7) Nothing in this section prevents a vessel owner from removing, dismantling, and lawfully disposing of any vessel lawfully under the vessel owner's control.~~

Part Two--Authorities and Requirements Applicable to

Marinas

Sec. 201. RCW 79.100.130 and 2013 c 291 s 4 are each amended to read as follows:

(1) A private moorage facility owner, as those terms are defined in RCW 88.26.010, may contract with the department or a local government for the purpose of participating in the derelict vessel removal program.

(2) If a contract is completed under this section, the department or local government shall serve as the authorized public entity for the removal of a derelict or abandoned vessel from the property of the private moorage facility owner. The contract must provide for the private moorage facility owner to be financially responsible for the removal and disposal costs that are not reimbursed by the department as provided under RCW 79.100.100, and any additional reasonable administrative costs incurred by the department or local government during the removal of the derelict or abandoned vessel.

(3) Prior to the commencement of any removal ~~((which))~~ under this section for which a local government serves as the authorized public entity and that will seek reimbursement from the derelict vessel removal program, the contract and the proposed vessel removal shall be submitted to the department for review and approval. The local government shall use the procedure specified under RCW 79.100.100~~((6))~~.

(4) If the private moorage facility owner has already seized the vessel under chapter 88.26 RCW and title has reverted to the moorage facility, the moorage facility is not considered the owner under this chapter for purposes of cost recovery for actions taken under this section.

(5)(a) The department and all local governments have discretion as to whether to enter into contracts to serve as the authorized public entity under this section for vessels located at a private moorage facility.

(b) The department may not enter into a contract to serve as the authorized public entity under this section for vessels located at a private moorage facility if the private moorage facility is not in compliance with the mandatory insurance requirements of section 202 of this act.

NEW SECTION. Sec. 202. A new section is added to chapter 88.26 RCW to read as follows:

(1) Every private moorage facility operator must:

(a) Obtain and maintain insurance coverage for the private moorage facility;

(b) Require, as a condition of moorage, all vessels other than transient vessels to provide proof of marine insurance to the moorage facility.

(2) Unless rules adopted by the department of natural resources require otherwise, insurance maintained by private moorage facility operators and required of moored vessels must:

(a) Provide coverage at liability limits of at least three hundred thousand dollars per occurrence; and

(b) Include, at a minimum, general, legal, and pollution liability coverage.

(3) The purchaser of marine insurance under this section may satisfy the requirements of this section through the purchase of multiple policies as necessary.

(4) The requirement under this section for private moorage facility operators to require proof of marine insurance from mooring vessels applies whenever a private moorage facility operator enters an initial or renewal moorage agreement after the effective date of this section. The private moorage facility operator is not required to verify independently whether a mooring vessel's insurance policy meets the requirements of this section and is not responsible for any change in insurance coverage applicable to the vessel that occurs after the initial agreement is entered into or in the time period between agreement renewals.

(5) Any private moorage facility operator who fails to satisfy the requirements of this section incurs secondary liability under RCW 79.100.060 for any vessel located at the private moorage facility that meets the definition of derelict vessel or abandoned vessel as those terms are defined in RCW 79.100.010.

NEW SECTION. Sec. 203. A new section is added to chapter 53.08 RCW to read as follows:

(1) Every moorage facility operator must:

(a) Obtain and maintain insurance coverage for the moorage facility;

(b) Require, as a condition of moorage, all vessels other than transient vessels to provide proof of marine insurance to the moorage facility.

(2) Unless rules adopted by the department of natural resources require otherwise, insurance maintained by moorage facility operators and required of moored vessels must:

(a) Provide coverage at liability limits of at least three hundred thousand dollars per occurrence; and

(b) Include, at a minimum, general, legal, and pollution liability coverage.

(3) The purchaser of marine insurance under this section may satisfy the requirements of this section through the purchase of multiple policies as necessary.

(4) The requirement under this section for moorage facility operators to require proof of marine insurance from mooring vessels applies whenever a moorage facility operator enters an initial or renewal moorage agreement after the effective date of this section. The moorage facility operator is not required to verify independently whether a mooring vessel's insurance policy meets the requirements of this section and is not responsible for any change in insurance coverage applicable to the vessel that occurs after the initial agreement is entered into or in the time period between agreement renewals.

(5) Any moorage facility operator that the department has determined has failed to satisfy the requirements of this section is not eligible for reimbursement from the derelict vessel removal account under RCW 79.100.100.

Sec. 204. RCW 88.26.010 and 1993 c 474 s 1 are each amended to read as follows:

Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

(1) "Charges" means charges of a private moorage facility operator for moorage and storage, all other charges owing to or that become owing under a contract between a vessel owner and the private moorage facility operator, or any costs of sale and related legal expenses for implementing RCW 88.26.020.

(2) "Vessel" means every watercraft used or capable of being used as a means of transportation on the water. "Vessel" includes any trailer used for the transportation of watercraft.

(3) "Private moorage facility" means any properties or facilities owned or operated by a private moorage facility operator that are capable of use for the moorage or storage of vessels.

(4) "Private moorage facility operator" means every natural person, firm, partnership, corporation, association, organization, or any other legal entity, employee, or their agent, that owns or operates a private moorage facility. (5) "Owner" means every natural person, firm, partnership, corporation, association, or organization, or their agent, with actual or apparent authority, who expressly or impliedly contracts for use of a moorage facility.

(6) "Transient vessel" means a vessel using a private moorage facility and that belongs to an owner who does not have a moorage agreement with the private moorage facility operator. Transient vessels include, but are not limited to, vessels seeking a harbor or refuge, day use, or overnight use of a private moorage facility on a space-as-available basis. Transient vessels may also include vessels taken into custody under RCW 79.100.040.

Sec. 205. RCW 53.08.310 and 1986 c 260 s 1 are each amended to read as follows:

Unless the context clearly requires otherwise, the definitions in this section apply throughout this section, section 203 of this act, and RCW 53.08.320.

(1) "Port charges" mean charges of a moorage facility operator for moorage and storage, and all other charges owing to or become owing under a contract between a vessel owner and the moorage facility operator, or under an officially adopted tariff including, but not limited to, costs of sale and related legal expenses.

(2) "Vessel" means every species of watercraft or other artificial contrivance capable of being used as a means of transportation on water and which does not exceed two hundred feet in length. "Vessel" includes any trailer used for the transportation of watercraft.

(5) "Owner" means every natural person, firm, partnership, corporation, association, or organization, or agent thereof, with actual or apparent authority, who expressly or impliedly contracts for use of a moorage facility.

(6) "Transient vessel" means a vessel using a moorage facility and which belongs to an owner who does not have a moorage agreement with the moorage facility operator. Transient vessels include, but are not limited to: Vessels seeking a harbor of refuge, day use, or overnight use of a moorage facility on a space-as-available basis. Transient vessels may also include vessels taken into custody under RCW 79.100.040.

Part Three--Encouraging Vessel Removal and Deconstruction

NEW SECTION. Sec. 301. A new section is added to chapter 82.08 RCW to read as follows:

(1) The tax levied by RCW 82.08.020 does not apply to sales of vessel deconstruction performed at:

(a) A qualified vessel deconstruction facility; or

(b) An area over water that has been permitted under section 402 of the clean water act of 1972 (33 U.S.C. Sec. 1342) for vessel deconstruction.

(2) The definitions in this subsection apply throughout this section unless the context clearly requires otherwise.

(a)(i) "Vessel deconstruction" means permanently dismantling a vessel, including: Abatement and removal of hazardous materials; the removal of mechanical, hydraulic, or electronic components or other vessel machinery and equipment; and either the cutting apart or disposal, or both, of vessel infrastructure. For the purposes of this subsection, "hazardous materials" includes fuel, lead, asbestos, polychlorinated biphenyls, and oils.

(ii) "Vessel deconstruction" does not include vessel modification or repair.

(b) "Qualified vessel deconstruction facility" means structures, including floating structures, that are permitted under section 402 of the clean water act of 1972 (33 U.S.C. Sec. 1342) for vessel deconstruction.

(3) Sellers making tax-exempt sales under this section must obtain from the purchaser an exemption certificate in a form and manner prescribed by the department. The seller must retain a copy of the certificate for the seller's files. In lieu of an exemption certificate, a seller may capture the relevant data elements as allowed under the streamlined sales and use tax agreement.

NEW SECTION. Sec. 302. A new section is added to chapter 82.12 RCW to read as follows:

(1) This chapter does not apply to the use of vessel deconstruction services performed at:

(a) A qualified vessel deconstruction facility; or

(b) An area over water that has been permitted under section 402 of the federal clean water act of 1972 (33 U.S.C. Sec. 1342) for vessel deconstruction.

(2) The definitions in section 301(2) of this act apply to this section.

NEW SECTION. Sec. 303. (1) This section is the tax preference performance statement for the tax preference contained in sections 301 and 302 of this act. This performance statement is only intended to be used for subsequent evaluation of this tax preference. It is not intended to create a private right of action by any party or be used to determine eligibility for preferential tax treatment.

(2) The legislature categorizes this tax preference as intended to induce certain designated behavior by taxpayers as indicated in RCW 82.32.808(2)(a).

(3) It is the legislature's specific public policy objective to decrease the number of abandoned and derelict vessels by providing incentives to increase vessel deconstruction in Washington by lowering the cost of deconstruction. It is the legislature's intent to provide businesses engaged in vessel deconstruction a sales and use tax exemption for sales of vessel deconstruction. This incentive will lower the costs associated with vessel deconstruction and encourage businesses to make investments in vessel deconstruction facilities. Pursuant to chapter 43.136 RCW, the joint legislative audit and review committee must review the sales tax exemptions provided under sections 301 and 302 of this act by December 1, 2018.

(4) If a review finds that the increase in available capacity to deconstruct derelict vessels or a reduction in the average cost to deconstruct vessels has resulted in an increase of the number of derelict vessels removed from Washington's waters as compared to before the effective date of this section, then the legislature intends for the legislative auditor to recommend extending the expiration date of the tax preference.

(5) In order to obtain the data necessary to perform the review in subsection (3) of this section, the joint legislative audit and review

committee should refer to data kept and maintained by the department of natural resources.

(6) This section expires January 1, 2019.

NEW SECTION. Sec. 304. Sections 301 and 302 of this act take effect October 1, 2014.

Part Four--Revenue to Support the Derelict Vessel Removal Program

NEW SECTION. Sec. 401. (1) The legislature finds that:

(a) Derelict and abandoned vessels are a threat to the safety of the public waterways, an environmental hazard for humans and marine life, and an occupational danger for persons that make their living on the waters of this state;

(b) Derelict vessel removal fees are imposed when recreational vessels are registered with the department of licensing. The accumulation of these fees is sufficient for the removal and disposal of recreational vessels that become derelict or abandoned;

(c) Derelict vessel removal fees do not apply to commercial vessels. Former commercial vessels are among the most costly to remove from Washington waters and to dispose of in an environmentally responsible manner. The costs for removing and disposing of these vessels far exceeds the funding provided by the derelict vessel removal fees paid by recreational vessels;

(d) According to the department of natural resources, as of the effective date of this section, there is a significant backlog of abandoned or derelict vessels that are former commercial vessels; and

(e) The use of general fund revenue to pay for the removal and disposal of derelict or abandoned vessels places an undue burden on the nonboating public and reduces the revenue available to pay for necessary governmental services.

(2) The legislature intends for either the owners or operators, or both, of commercial vessels to pay their fair share for the removal of abandoned or derelict vessels by imposing a per foot fee on commercial vessels.

NEW SECTION. Sec. 402. A new section is added to chapter 79.100 RCW to read as follows:

(1)(a) Except as otherwise provided in (b) of this subsection, an annual derelict vessel removal fee is imposed upon all persons required by RCW 84.40.065 to list any ship or vessel with the department of revenue for state property tax purposes.

(b) The derelict vessel removal fee imposed in (a) of this subsection does not apply in any year that a person required to list a ship or vessel does not owe the state property tax levied for collection in that year with respect to that ship or vessel.

(c) The annual derelict vessel removal fee is equal to one dollar per vessel foot measured by extreme length of the vessel, rounded up to the nearest whole foot.

(2) Each year, the department of revenue must include the amount of the derelict vessel removal fee due under this section for that calendar year in the tax statement required in RCW 84.40.065.

(3) The person listing a ship or vessel and the owner of the ship or vessel, if not the same person, are jointly and severally liable for the fee imposed in this section.

(4) The department of revenue must collect the derelict vessel removal fee imposed in this section as provided in RCW 84.56.440.

(5) All derelict vessel removal fees collected under this section must be deposited into the derelict vessel removal account created in RCW 79.100.100.

Sec. 403. RCW 84.56.440 and 2008 c 181 s 511 are each amended to read as follows:

(1) The department of revenue shall collect the derelict vessel removal fee imposed under section 402 of this act and all ad valorem

taxes upon ships and vessels listed with the department in accordance with RCW 84.40.065, and all applicable interest and penalties on such taxes and fees. The taxes and derelict vessel removal fee shall be due and payable to the department on or before the thirtieth day of April and shall be delinquent after that date.

(2) If payment of the tax, derelict vessel removal fee, or both, is not received by the department by the due date, there shall be imposed a penalty of five percent of the amount of the unpaid tax and fee; and if the tax ~~(is)~~ and fee are not received within thirty days after the due date, there shall be imposed a total penalty of ten percent of the amount of the unpaid tax and fee; and if the tax ~~(is)~~ and fee are not received within sixty days after the due date, there shall be imposed a total penalty of twenty percent of the amount of the unpaid tax and fee. No penalty so added shall be less than five dollars.

(3) Delinquent taxes under this section are subject to interest at the rate set forth in RCW 82.32.050 from the date of delinquency until paid. Delinquent derelict vessel removal fees are also subject to interest at the same rate and in the same manner as provided for delinquent taxes under RCW 82.32.050. Interest or penalties collected on delinquent taxes and derelict vessel removal fees under this section shall be paid by the department into the general fund of the state treasury.

(4) If upon information obtained by the department it appears that any ship or vessel required to be listed according to the provisions of RCW 84.40.065 is not so listed, the department shall value the ship or vessel and assess against the owner of the vessel the taxes and derelict vessel removal fees found to be due and shall add thereto interest at the rate set forth in RCW 82.32.050 from the original due date of the tax and fee until the date of payment. The department shall notify the vessel owner by mail of the amount and the same shall become due and shall be paid by the vessel owner within thirty days of the date of the notice. If payment is not received by the department by the due date specified in the notice, the department shall add a penalty of ten percent of the tax and fee found due. A person who willfully gives a false listing or willfully fails to list a ship or vessel as required by RCW 84.40.065 shall be subject to the penalty imposed by RCW 84.40.130(2), which shall be assessed and collected by the department.

(5) Delinquent taxes and fees under this section, along with all penalties and interest thereon, shall be collected by the department according to the procedures set forth in chapter 82.32 RCW for the filing and execution of tax warrants, including the imposition of warrant interest. In the event a warrant is issued by the department for the collection of taxes, derelict vessel removal fees, or both, under this section, the department shall add a penalty of five percent of the amount of the delinquent tax and fee, but not less than ten dollars.

~~(6) (The department shall also collect all delinquent taxes pertaining to ships and vessels appearing on the records of the county treasurers for each of the counties of this state as of December 31, 1993, including any applicable interest or penalties. The provisions of subsection (5) of this section shall apply to the collection of such delinquent taxes.~~

~~—(7))~~ During a state of emergency declared under RCW 43.06.010(12), the department, on its own motion or at the request of any taxpayer affected by the emergency, may grant extensions of the due date of any taxes and fees payable under this section as the department deems proper.

(7) The department of revenue must withhold the decals required under RCW 88.02.570(10) for failure to pay the state property tax or derelict vessel removal fee collectible under this section.

NEW SECTION. Sec. 404. Sections 401 through 403 of this act take effect January 1, 2015.

Part Five--Incentivizing the Registration of Moored Vessels

NEW SECTION. Sec. 501. A new section is added to chapter 88.02 RCW to read as follows:

(1) A moorage provider that provides long-term moorage must obtain the following information and documentation from persons entering into long-term moorage agreements with the moorage provider:

- (a) The name of the legal owner of the vessel;
- (b) A local contact person and that person's address and telephone number, if different than the owner;
- (c) The owner's address and telephone number;
- (d) The vessel's hull identification number;
- (e) If applicable, the vessel's coast guard registration;
- (f) The vessel's home port;
- (g) The date on which the moorage began;
- (h) The vessel's country or state of registration and registration number; and

(i) Proof of vessel registration, a written statement of the lessee's intent to register a vessel, or an affidavit in a form and manner approved by the department certifying that the vessel is exempt from state vessel registration requirements as provided by RCW 88.02.570.

(2) For moorage agreements entered into effective on or after July 1, 2014, a long-term moorage agreement for vessels not registered in this state must include, in a form and manner approved by the department and the department of revenue, notice of state vessel registration requirements as provided by this chapter and tax requirements as provided by chapters 82.08, 82.12, and 82.49 RCW and listing requirements as provided by RCW 84.40.065.

(3) A moorage provider must maintain records of the information and documents required under this section for at least two years. Upon request, a moorage provider must:

- (a) Permit any authorized agent of a requesting agency to:
 - (i) Inspect the moorage facility for vessels that are not registered as required by this chapter or listed as required under RCW 84.40.065; and
 - (ii) Inspect and copy records identified in subsection (1) of this section for vessels that the requesting agency determines are not properly registered or listed as required by law; or
- (b) Provide to the requesting agency:
 - (i) Information as provided in subsection (1)(a), (c), (d), and (e) of this section; and
 - (ii) Information as provided in subsection (1)(b), (f), (g), (h), and (i) of this section for those vessels that the requesting agency subsequently determines are not registered as required by this chapter or listed as required under RCW 84.40.065.

(4) Requesting agencies must coordinate their requests to ensure that a moorage provider does not receive more than two requests per calendar year. For the purpose of enforcing vessel registration and vessel listing requirements, requesting agencies may share the results of information requests with each other.

(5) The information required to be collected under this section must be collected at the time the long-term moorage agreement is entered into and at the time of any renewals of the agreement. The moorage provider is not responsible for updating any changes in the information that occurs after the initial agreement is entered into or in the time period between agreement renewals.

(6) The definitions in this subsection apply throughout this section unless the context clearly requires otherwise.

(a) "Long-term moorage" means moorage provided for more than thirty consecutive days, unless the moorage is for a vessel that has been taken into custody under RCW 79.100.040.

(b) "Moorage facility" means any properties or facilities located in this state that are used for the moorage of vessels and are owned or operated by a moorage provider.

(c) "Moorage facility operator" has the same meaning as defined in RCW 53.08.310.

(d) "Moorage provider" means any public or private entity that owns or operates any moorage facility, including a moorage facility operator, private moorage facility operator, the state of Washington, or any other person.

(e) "Private moorage facility operator" has the same meaning as defined in RCW 88.26.010.

(f) "Requesting agency" means the department, the department of revenue, or the department of natural resources.

NEW SECTION. Sec. 502. A new section is added to chapter 82.49 RCW to read as follows:

(1) An owner of a vessel that is not registered as required by chapter 88.02 RCW and for which watercraft excise tax is due under this chapter is liable for a penalty in the following amount:

- (a) One hundred dollars for the owner's first violation;
- (b) Two hundred dollars for the owner's second violation involving the same or any other vessel; or
- (c) Four hundred dollars for the owner's third and successive violations involving the same or any other vessel.

(2) The department of revenue may collect this penalty under the procedures established in chapter 82.32 RCW. The penalty imposed under this section is in addition to any other civil or criminal penalty imposed by law.

Sec. 503. RCW 82.49.010 and 2010 c 161 s 1044 are each amended to read as follows:

(1) An excise tax is imposed for the privilege of using a vessel upon the waters of this state, except vessels exempt under RCW 82.49.020. The annual amount of the excise tax is one-half of one percent of fair market value, as determined under this chapter, or five dollars, whichever is greater. Violation of this subsection is a misdemeanor.

(2) ~~((Persons who are))~~ A person who is required under chapter 88.02 RCW to register a vessel in this state and who fails to register the vessel in this state or registers the vessel in another state or foreign country and avoids the Washington watercraft excise tax ~~((are))~~ is guilty of a gross misdemeanor and ~~((are))~~ is liable for such unpaid excise tax. The department of revenue may assess and collect the unpaid excise tax under chapter 82.32 RCW, including the penalty imposed in section 502 of this act and penalties and interest provided in chapter 82.32 RCW.

(3) The excise tax upon a vessel registered for the first time in this state shall be imposed for a twelve-month period, including the month in which the vessel is registered, unless the director of licensing extends or diminishes vessel registration periods for the purpose of staggered renewal periods under RCW 88.02.560. A vessel is registered for the first time in this state when the vessel was not registered in this state for the immediately preceding registration year, or when the vessel was registered in another jurisdiction for the immediately preceding year.

Part Six--Miscellaneous and Technical

Sec. 601. RCW 79.100.060 and 2013 c 291 s 40 are each amended to read as follows:

(1) The owner of an abandoned or derelict vessel, or any person or entity that has incurred secondary liability ~~((under RCW 79.100.150))~~ for an abandoned or derelict vessel under this chapter or section 202 of this act, is responsible for reimbursing an authorized public entity for all reasonable and auditable costs associated with the removal or disposal of the owner's vessel under this chapter. These costs include, but are not limited to, costs incurred exercising the authority granted in RCW 79.100.030, all administrative costs incurred by the authorized public entity during the procedure set forth in RCW 79.100.040, removal and disposal costs, and costs associated with environmental damages directly or indirectly caused by the vessel. An authorized public entity that has taken temporary possession of a vessel may

require that all reasonable and auditable costs associated with the removal of the vessel be paid before the vessel is released to the owner.

(2) Reimbursement for costs may be sought from an owner, or any person or entity that has incurred secondary liability under ~~((RCW 79.100.150))~~ this chapter or section 202 of this act, who is identified subsequent to the vessel's removal and disposal.

(3) If the full amount of all costs due to the authorized public entity under this chapter is not paid to the authorized public entity within thirty days after first notifying the responsible parties of the amounts owed, the authorized public entity or the department may bring an action in any court of competent jurisdiction to recover the costs, plus reasonable attorneys' fees and costs incurred by the authorized public entity.

Sec. 602. RCW 79.100.120 and 2013 c 291 s 32 are each amended to read as follows:

(1) ~~((A person))~~ (a) An owner or lien holder seeking to contest an authorized public entity's decision to take temporary possession or custody of a vessel under this chapter, or to contest the amount of reimbursement owed to an authorized public entity under this chapter, may request a hearing in accordance with this section.

(b) A transferor or other entity with secondary liability under this chapter or section 202 of this act may commence a lawsuit in the superior court for the county in which custody of the vessel was taken to contest the transferor's or other entity's liability or the amount of reimbursement owed the authorized public entity under this chapter.

(2)(a) If the contested decision or action was undertaken by a state agency, a written request for a hearing related to the decision or action must be filed with the pollution control hearings board and served on the state agency in accordance with RCW 43.21B.230 (2) and (3) within thirty days of the date the authorized public entity acquires custody of the vessel under RCW 79.100.040, or if the vessel is redeemed before the authorized public entity acquires custody, the date of redemption, or the right to a hearing is deemed waived and the vessel's owner is liable for any costs owed the authorized public entity. In the event of litigation, the prevailing party is entitled to reasonable attorneys' fees and costs.

(b) Upon receipt of a timely hearing request, the pollution control hearings board shall proceed to hear and determine the validity of the decision to take the vessel into temporary possession or custody and the reasonableness of any towing, storage, or other charges permitted under this chapter. Within five business days after the request for a hearing is filed, the pollution control hearings board shall notify the vessel owner requesting the hearing and the authorized public entity of the date, time, and location for the hearing. Unless the vessel is redeemed before the request for hearing is filed, the pollution control hearings board shall set the hearing on a date that is within ten business days of the filing of the request for hearing. If the vessel is redeemed before the request for a hearing is filed, the pollution control hearings board shall set the hearing on a date that is within sixty days of the filing of the request for hearing.

(c) Consistent with RCW 43.21B.305, a proceeding brought under this subsection may be heard by one member of the pollution control hearings board, whose decision is the final decision of the board.

(3)(a) If the contested decision or action was undertaken by a metropolitan park district, port district, city, town, or county, which has adopted rules or procedures for contesting decisions or actions pertaining to derelict or abandoned vessels, those rules or procedures must be followed in order to contest a decision to take temporary possession or custody of a vessel, or to contest the amount of reimbursement owed.

(b) If the metropolitan park district, port district, city, town, or county has not adopted rules or procedures for contesting decisions or actions pertaining to derelict or abandoned vessels, then ~~((a person))~~ an owner or lien holder requesting a hearing under this section must follow the procedure established in subsection (2) of this section.

Sec. 603. RCW 79.100.100 and 2013 c 291 s 2 are each amended to read as follows:

(1)(a) The derelict vessel removal account is created in the state treasury. All receipts from RCW 79.100.050 and 79.100.060 and those moneys specified in RCW 88.02.640 must be deposited into the account. The account is authorized to receive fund transfers and appropriations from the general fund, deposits from the derelict vessel removal surcharge under RCW 88.02.640(4), deposits under section 402 of this act, as well as gifts, grants, and endowments from public or private sources as may be made from time to time, in trust or otherwise, for the use and benefit of the purposes of this chapter and expend the same or any income according to the terms of the gifts, grants, or endowments provided those terms do not conflict with any provisions of this section or any guidelines developed to prioritize reimbursement of removal projects associated with this chapter.

(b) Moneys in the account may only be spent after appropriation. Expenditures from the account may only be used by the department for developing and administering the vessel turn-in program created in RCW 79.100.160 and to, except as provided in RCW 79.100.130 and section 203 of this act, reimburse authorized public entities for up to ninety percent of the total reasonable and auditable administrative, removal, disposal, and environmental damage costs of abandoned or derelict vessels when the previous owner is either unknown after a reasonable search effort or insolvent. Reimbursement may not be made unless the department determines that the public entity has made reasonable efforts to identify and locate the party responsible for the vessel, or any other person or entity that has incurred secondary liability ~~((under RCW 79.100.150))~~ for the vessel under this chapter or section 202 of this act, regardless of the title of owner of the vessel.

(c) Funds in the account resulting from transfers from the general fund or from the deposit of funds from the watercraft excise tax as provided for under RCW 82.49.030 must be used to reimburse one hundred percent of costs and should be prioritized for the removal of large vessels.

(d) Costs associated with the removal and disposal of an abandoned or derelict vessel under the authority granted in RCW 53.08.320 also qualify for reimbursement from the derelict vessel removal account.

(e) In each biennium, up to twenty percent of the expenditures from the derelict vessel removal account may be used for administrative expenses of the department of licensing and department of natural resources in implementing this chapter.

(2) Priority for use of this account is for the removal of derelict and abandoned vessels that are in danger of sinking, breaking up, or blocking navigation channels, or that present environmental risks such as leaking fuel or other hazardous substances. The department must develop criteria, in the form of informal guidelines, to prioritize removal projects associated with this chapter, but may not consider whether the applicant is a state or local entity when prioritizing. The guidelines must also include guidance to the authorized public entities as to what removal activities and associated costs are reasonable and eligible for reimbursement.

(3) The department must keep all authorized public entities apprised of the balance of the derelict vessel removal account and the funds available for reimbursement. The guidelines developed by the department must also be made available to the other authorized public entities. This subsection (3) must be satisfied by utilizing the least costly method, including maintaining the information on the department's internet web site, or any other cost-effective method.

(4) An authorized public entity may contribute its ten percent of costs that are not eligible for reimbursement by using in-kind services, including the use of existing staff, equipment, and volunteers.

(5) This chapter does not guarantee reimbursement for an authorized public entity. Authorized public entities seeking certainty in reimbursement prior to taking action under this chapter may first notify the department of their proposed action and the estimated total

costs. Upon notification by an authorized public entity, the department must make the authorized public entity aware of the status of the fund and the likelihood of reimbursement being available. The department may offer technical assistance and assure reimbursement for up to two years following the removal action if an assurance is appropriate given the balance of the fund and the details of the proposed action.

Sec. 604. RCW 79.100.010 and 2007 c 342 s 1 are each amended to read as follows:

The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

(1) "Abandoned vessel" means a vessel that has been left, moored, or anchored in the same area without the express consent, or contrary to the rules of, the owner, manager, or lessee of the aquatic lands below or on which the vessel is located for either a period of more than thirty consecutive days or for more than a total of ninety days in any three hundred sixty-five-day period, and the vessel's owner is: (a) Not known or cannot be located; or (b) known and located but is unwilling to take control of the vessel. For the purposes of this subsection (1) only, "in the same area" means within a radius of five miles of any location where the vessel was previously moored or anchored on aquatic lands.

(2) "Aquatic lands" means all tidelands, shorelands, harbor areas, and the beds of navigable waters, including lands owned by and lands owned by other public or private entities.

(4) "Department" means the department of natural resources.

(5) "Derelict vessel" means the vessel's owner is known and can be located, and exerts control of a vessel that:

(a) Has been moored, anchored, or otherwise left in the waters of the state or on public property contrary to RCW 79.02.300 or rules adopted by an authorized public entity;

(b) Has been left on private property without authorization of the owner; or

(c) Has been left for a period of seven consecutive days, and:

(i) Is sunk or in danger of sinking;

(ii) Is obstructing a waterway; or

(iii) Is endangering life or property.

(6) "Owner" means any natural person, firm, partnership, corporation, association, government entity, or organization that has a lawful right to possession of a vessel by purchase, exchange, gift, lease, inheritance, or legal action whether or not the vessel is subject to a security interest.

(7) "Vessel" means every species of watercraft or other mobile artificial contrivance, powered or unpowered, intended to be used for transporting people or goods on water or for floating marine construction or repair and which does not exceed two hundred feet in length. "Vessel" includes any trailer used for the transportation of watercraft, or any attached floats or debris.

(8) "Ship" means every species of watercraft or other mobile artificial contrivance, powered or unpowered, intended to be used for transporting people or goods on water or for floating marine construction or repair and that exceeds two hundred feet in length.

Sec. 605. 2013 c 291 s 39 (uncodified) is amended to read as follows:

(1) By December 31, (~~2013~~) 2014, the department of natural resources shall adopt by rule initial procedures and standards for the vessel inspections required under (~~section 38 of this act~~) RCW 79.100.150. The procedures and standards must identify the public or private entities authorized to conduct inspections, the required elements of an inspection, and the manner in which inspection results

must be documented. The vessel inspection required under this section must be designed to:

(a) Provide the transferee with current information about the condition of the vessel, including the condition of its hull and key operating systems, prior to the transfer;

(b) Provide the department of natural resources with information under (a) of this subsection for each applicable vessel and, more broadly, to improve the department's understanding of the condition of the larger, older boats in the state's waters;

(c) Discourage the future abandonment or dereliction of the vessel; and

(d) Maximize the efficiency and effectiveness of the inspection process, including with respect to the time and resources of the transferor, transferee, and the state.

(2) The department of natural resources shall work with appropriate government agencies and stakeholders in designing the inspection process and standards under this section.

(3) This section expires July 31, (~~2014~~) 2015.

SECOND SUBSTITUTE HOUSE BILL NO. 2163, as amended by the Senate, having received the necessary constitutional majority, was declared passed.

MESSAGE FROM THE SENATE

March 7, 2014

Mr. Speaker:

The Senate has passed SECOND SUBSTITUTE HOUSE BILL NO. 2251 with the following amendment:

Strike everything after the enacting clause and insert the following:

"Sec. 1. RCW 77.55.181 and 2010 c 210 s 29 are each amended to read as follows:

(1)(a) In order to receive the permit review and approval process created in this section, a fish habitat enhancement project must meet the criteria under ~~((a) and (b) of)~~ this ~~((subsection: (a) A fish habitat enhancement project))~~ section and must be a project to accomplish one or more of the following tasks:

(i) Elimination of human-made or caused fish passage barriers, including culvert repair and replacement;

(ii) Restoration of an eroded or unstable streambank employing the principle of bioengineering, including limited use of rock as a stabilization only at the toe of the bank, and with primary emphasis on using native vegetation to control the erosive forces of flowing water; or

(iii) Placement of woody debris or other instream structures that benefit naturally reproducing fish stocks.

(b) The department shall develop size or scale threshold tests to determine if projects accomplishing any of these tasks should be evaluated under the process created in this section or under other project review and approval processes. A project proposal shall not be reviewed under the process created in this section if the department determines that the scale of the project raises concerns regarding public health and safety((, and)).

~~((b))~~ (c) A fish habitat enhancement project must be approved in one of the following ways in order to receive the permit review and approval process created in this section:

(i) By the department pursuant to chapter 77.95 or 77.100 RCW;

(ii) By the sponsor of a watershed restoration plan as provided in chapter 89.08 RCW;

(iii) By the department as a department-sponsored fish habitat enhancement or restoration project;

(iv) Through the review and approval process for the jobs for the environment program;

(v) Through the review and approval process for conservation district-sponsored projects, where the project complies with design standards established by the conservation commission through interagency agreement with the United States fish and wildlife service and the natural resource conservation service;

(vi) Through a formal grant program established by the legislature or the department for fish habitat enhancement or restoration; ~~((and))~~

(vii) Through the department of transportation's environmental retrofit program as a stand-alone fish passage barrier correction project;

(viii) Through a local, state, or federally approved fish barrier removal grant program designed to assist local governments in implementing stand-alone fish passage barrier corrections;

(ix) By a city or county for a stand-alone fish passage barrier correction project funded by the city or county; and

(x) Through other formal review and approval processes established by the legislature.

(2) Fish habitat enhancement projects meeting the criteria of subsection (1) of this section are expected to result in beneficial impacts to the environment. Decisions pertaining to fish habitat enhancement projects meeting the criteria of subsection (1) of this section and being reviewed and approved according to the provisions of this section are not subject to the requirements of RCW 43.21C.030(2)(c).

(3)(a) A permit is required for projects that meet the criteria of subsection (1) of this section and are being reviewed and approved under this section. An applicant shall use a joint aquatic resource permit application form developed by the office of regulatory assistance to apply for approval under this chapter. On the same day, the applicant shall provide copies of the completed application form to the department and to each appropriate local government.

(b) Local governments shall accept the application as notice of the proposed project. The department shall provide a fifteen-day comment period during which it will receive comments regarding environmental impacts.

(c) Within forty-five days, the department shall either issue a permit, with or without conditions, deny approval, or make a determination that the review and approval process created by this section is not appropriate for the proposed project. The department shall base this determination on identification during the comment period of adverse impacts that cannot be mitigated by the conditioning of a permit.

(d) If the department determines that the review and approval process created by this section is not appropriate for the proposed project, the department shall notify the applicant and the appropriate local governments of its determination. The applicant may reapply for approval of the project under other review and approval processes.

~~((b))~~ (e) Any person aggrieved by the approval, denial, conditioning, or modification of a permit under this section may appeal the decision as provided in RCW 77.55.021~~((4))~~ (8).

(4) No local government may require permits or charge fees for fish habitat enhancement projects that meet the criteria of subsection (1) of this section and that are reviewed and approved according to the provisions of this section.

(5) No civil liability may be imposed by any court on the state or its officers and employees for any adverse impacts resulting from a fish enhancement project permitted by the department under the criteria of this section except upon proof of gross negligence or willful or wanton misconduct.

Sec. 2. RCW 77.95.180 and 2010 1st sp.s. c 7 s 83 are each amended to read as follows:

(1)(a) To maximize available state resources, the department and the department of transportation ~~((shall))~~ must work in partnership to identify ~~((cooperative))~~ and complete projects to eliminate fish passage barriers caused by state roads and highways.

(b) The partnership between the department and the department of transportation must be based on the principle of maximizing habitat recovery through a coordinated investment strategy that, to the maximum extent practical and allowable, prioritizes opportunities: To correct multiple fish barriers in whole streams rather than through individual, isolated projects; to coordinate with other entities sponsoring barrier removals, such as regional fisheries enhancement groups incorporated under this chapter, in a manner that achieves the greatest cost savings to all parties; and to correct barriers located furthest downstream in a stream system. Examples of this principle include:

(i) Coordinating with all relevant state agencies and local governments to maximize the habitat recovery value of the investments made by the state to correct fish passage barriers;

(ii) Maximizing the habitat recovery value of investments made by public and private forest landowners through the road maintenance and abandonment planning process outlined in the forest practices rules, as that term is defined in RCW 76.09.020;

(iii) Recognizing that many of the barriers owned by the state are located in the same stream systems as barriers that are owned by cities and counties with limited financial resources for correction and that state-local partnership opportunities should be sought to address these barriers; and

(iv) Recognizing the need to continue investments in the family forest fish passage program created pursuant to RCW 76.13.150 and other efforts to address fish passage barriers owned by private parties that are in the same stream systems as barriers owned by public entities.

(2) The department ~~((of transportation))~~ shall also provide engineering and other technical services to assist ~~((regional fisheries enhancement groups))~~ nonstate barrier owners with fish passage barrier removal projects, provided that the barrier removal projects have been identified as a priority by the department ~~((of fish and wildlife))~~ and the department ~~((of transportation))~~ has received an appropriation to continue ~~((the))~~ that component of a fish barrier removal program.

(3) Nothing in this section is intended to:
(a) Alter the process and prioritization methods used in the implementation of the forest practices rules, as that term is defined in RCW 76.09.020, or the family forest fish passage program, created pursuant to RCW 76.13.150, that provides public cost assistance to small forest landowners associated with the road maintenance and abandonment processes; or

(b) Prohibit or delay fish barrier projects undertaken by the department of transportation or another state agency that are a

component of an overall transportation improvement project or that are being undertaken as a direct result of state law, federal law, or a court order. However, the department of transportation or another state agency is required to work in partnership with the fish passage barrier removal board created in RCW 77.95.160 to ensure that the scheduling, staging, and implementation of these projects are, to maximum extent practicable, consistent with the coordinated and prioritized approach adopted by the fish passage barrier removal board.

Sec. 3. RCW 77.95.170 and 1999 c 242 s 4 are each amended to read as follows:

(1) The department ~~((of transportation and the department of fish and wildlife))~~ may ~~((administer and))~~ coordinate with the recreation and conservation office in the administration of all state grant programs specifically designed to assist state agencies, ~~((local governments,))~~ private landowners, tribes, organizations, and volunteer groups in identifying and removing impediments to salmonid fish passage. The transportation improvement board may administer all grant programs specifically designed to assist cities, counties, and other units of local governments with fish passage barrier corrections associated with transportation projects. All grant programs must be administered and be consistent with the following:

(a) Salmonid-related corrective projects, inventory, assessment, and prioritization efforts;

(b) Salmonid projects subject to a competitive application process; and

(c) A minimum dollar match rate that is consistent with the funding authority's criteria. If no funding match is specified, a match amount of at least twenty-five percent per project is required. For local, private, and volunteer projects, in-kind contributions may be counted toward the match requirement.

(2) Priority shall be given to projects that ~~((immediately increase access to available and improved spawning and rearing habitat for depressed, threatened, and endangered stocks. Priority shall also be given to project applications that are coordinated with other efforts within a watershed))~~ match the principles provided in RCW 77.95.180.

(3) ~~((Except for projects administered by the transportation improvement board,))~~ All projects subject to this section shall be reviewed and approved by the fish passage barrier removal ~~((task force))~~ board created in RCW 77.95.160 or an alternative oversight committee designated by the state legislature.

(4) Other agencies that administer natural resource-based grant programs ~~((that may include fish passage barrier removal projects))~~ shall use fish passage selection criteria that are consistent with this section when those programs are addressing fish passage barrier removal projects.

(5)(a) The ~~((departments of transportation and fish and wildlife))~~ department shall establish a centralized database directory of all fish passage barrier information. The database directory must include, but is not limited to, existing fish passage inventories, fish passage projects, grant program applications, and other databases. These data must be used to coordinate and assist in habitat recovery and project mitigation projects.

(b) The department must develop a barrier inventory training program that qualifies participants to perform barrier inventories and develop data that enhance the centralized database. The department may decide the qualifications for participation. However, employees and volunteers of conservation districts and regional salmon recovery groups must be given priority consideration.

Sec. 4. RCW 77.95.160 and 2000 c 107 s 110 are each amended to read as follows:

(1) The department ~~((and the department of transportation))~~ shall ~~((convene))~~ maintain a fish passage barrier removal ~~((task force))~~ board. ~~((The task force shall consist of one representative each from the department, the department of transportation, the department of ecology, tribes, cities, counties, a business organization, an environmental organization, regional fisheries enhancement groups,~~

~~and other interested entities as deemed appropriate by the cochairs. The persons representing the department and the department of transportation shall serve as cochairs of the task force and shall appoint members to the task force. The task force shall make recommendations to expand the program in RCW 77.95.180)) The board must be composed of a representative from the department, the department of transportation, cities, counties, the governor's salmon recovery office, tribal governments, and the department of natural resources. The representative of the department must serve as chair of the board and may expand the membership of the board to representatives of other governments, stakeholders, and interested entities.~~

~~(2)(a) The duty of the board is to identify and expedite the removal of human-made or caused impediments to anadromous fish passage in the most efficient manner practical(~~Program~~) through the development of a coordinated approach and schedule that identifies and prioritizes the projects necessary to eliminate fish passage barriers caused by state and local roads and highways and barriers owned by private parties.~~

~~(b) The coordinated approach must address fish passage barrier removals in all areas of the state in a manner that is consistent with a recognition that scheduling and prioritization is necessary.~~

~~(c) The board must coordinate and mutually share information, when appropriate, with:~~

~~(i) Other fish passage correction programs, including local salmon recovery plan implementation efforts through the governor's salmon recovery office;~~

~~(ii) The applicable conservation districts when developing schedules and priorities within set geographic areas or counties; and~~

~~(iii) The recreation and conservation office to ensure that barrier removal methodologies are consistent with, and maximizing the value of, other salmon recovery efforts and habitat improvements that are not primarily based on the removal of barriers.~~

~~(d) Recommendations (~~shall~~) must include (~~and~~) proposed funding mechanisms and other necessary mechanisms and methodologies to coordinate (~~and prioritize~~) state, tribal, local, and volunteer barrier removal efforts within each water resource inventory area and satisfy the principles of RCW 77.95.180. To the degree practicable, the board must utilize the database created in RCW 77.95.170 and information on fish barriers developed by conservation districts to guide methodology development. The board may consider recommendations by interested entities from the private sector and regional fisheries enhancement groups.~~

~~(e) When developing a prioritization methodology under this section, the board shall consider:~~

~~(i) Projects benefiting depressed, threatened, and endangered stocks;~~

~~(ii) Projects providing access to available and high quality spawning and rearing habitat;~~

~~(iii) Correcting the lowest barriers within the stream first;~~

~~(iv) Whether an existing culvert is a full or partial barrier;~~

~~(v) Projects that are coordinated with other adjacent barrier removal projects; and~~

~~(vi) Projects that address replacement of infrastructure associated with flooding, erosion, or other environmental damage. (~~A priority shall be given to projects that immediately increase access to available and improved spawning and rearing habitat for depressed, threatened, and endangered stocks. The department or the department of transportation may contract with cities and counties to assist in the identification and removal of impediments to anadromous fish passage.~~)~~

~~(f) The board may not make decisions on fish passage standards or categorize as impassible culverts or other infrastructure developments that have been deemed passable by the department.~~

NEW SECTION. Sec. 5. A new section is added to chapter 77.95 RCW to read as follows:

The department must implement RCW 77.95.160 and 77.95.180 within existing funds.

Mr. Speaker:

The Senate has passed SECOND ENGROSSED SUBSTITUTE HOUSE BILL NO. 1117 with the following amendment:

Strike everything after the enacting clause and insert the following:

NEW SECTION. Sec. 1. SHORT TITLE. This chapter may be cited as the Washington uniform real property transfer on death act.

NEW SECTION. Sec. 2. DEFINITIONS. The following definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

(1) "Beneficiary" means a person that receives property under a transfer on death deed.

(2) "Designated beneficiary" means a person designated to receive property in a transfer on death deed.

(3) "Joint owner" means an individual who owns property concurrently with one or more other individuals with a right of survivorship. The term includes a joint tenant with a right to survivorship. The term does not include a tenant in common or owner of community property.

(4) "Person" means an individual, corporation, business trust, estate, trust, partnership, limited liability company, association, joint venture, public corporation, government or governmental subdivision, agency, or instrumentality, or any other legal or commercial entity.

(5) "Property" means an interest in real property located in this state which is transferable on the death of the owner.

(6) "Transfer on death deed" means a deed authorized under this chapter.

(7) "Transferor" means an individual who makes a transfer on death deed.

NEW SECTION. Sec. 3. APPLICABILITY. This chapter applies to a transfer on death deed made before, on, or after the effective date of this section by a transferor dying on or after the effective date of this section.

NEW SECTION. Sec. 4. NONEXCLUSIVITY. The chapter does not affect any method of transferring property otherwise permitted under the law of this state.

NEW SECTION. Sec. 5. TRANSFER ON DEATH DEED AUTHORIZED. An individual may transfer property to one or more beneficiaries effective at the transferor's death by a transfer on death deed. A transfer on death deed may not be used to effect a deed in lieu of foreclosure of a deed of trust.

NEW SECTION. Sec. 6. TRANSFER ON DEATH DEED REVOCABLE. A transfer on death deed is revocable even if the deed or another instrument contains a contrary provision.

NEW SECTION. Sec. 7. TRANSFER ON DEATH DEED NONTESTAMENTARY. A transfer on death deed is nontestamentary.

NEW SECTION. Sec. 8. CAPACITY OF TRANSFEROR. The capacity required to make or revoke a transfer on death deed is the same as the capacity required to make a will.

NEW SECTION. Sec. 9. REQUIREMENTS. A transfer on death deed:

(1) Except as otherwise provided in subsection (2) of this section, must contain the essential elements and formalities of a properly recordable inter vivos deed;

(2) Must state that the transfer to the designated beneficiary is to occur at the transferor's death; and

(3) Must be recorded before the transferor's death in the public records in the office of the auditor of the county where the property is located.

NEW SECTION. Sec. 10. NOTICE, DELIVERY, ACCEPTANCE, CONSIDERATION NOT REQUIRED. A transfer on death deed is effective without:

(1) Notice or delivery to or acceptance by the designated beneficiary during the transferor's life; or

(2) Consideration.

NEW SECTION. Sec. 11. REVOCATION BY INSTRUMENT AUTHORIZED; REVOCATION BY ACT NOT PERMITTED. (1)

Subject to subsection (2) of this section, an instrument is effective to revoke a recorded transfer on death deed, or any part of it, only if the instrument:

(a) Is one of the following:

(i) A transfer on death deed that revokes the deed or part of the deed expressly or by inconsistency;

(ii) An instrument of revocation that expressly revokes the deed or part of the deed; or

(iii) An inter vivos deed that expressly revokes the transfer on death deed or part of the deed; and

(b) Is acknowledged by the transferor after the acknowledgment of the deed being revoked and recorded before the transferor's death in the public records in the office of the county auditor of the county where the deed is recorded.

(2) If a transfer on death deed is made by more than one transferor:

(a) Revocation by a transferor does not affect the deed as to the interest of another transferor;

(b) A deed of joint owners is revoked only if it is revoked by all of the joint owners living at the time that the revocation is recorded; and

(c) A deed of community property by both spouses or by both domestic partners is revoked only if it is revoked by both of the spouses or domestic partners, provided that if only one of the spouses or domestic partners is then surviving, that spouse or domestic partner may revoke the deed.

(3) After a transfer on death deed is recorded, it may not be revoked by a revocatory act on the deed.

(4) This section does not limit the effect of an inter vivos transfer of the property.

NEW SECTION. Sec. 12. EFFECT OF TRANSFER ON DEATH DEED DURING TRANSFEROR'S LIFE. During a transferor's life, a transfer on death deed does not:

(1) Affect an interest or right of the transferor or any other owner, including the right to transfer or encumber the property;

(2) Affect an interest or right of a transferee, even if the transferee has actual or constructive notice of the deed;

(3) Affect an interest or right of a secured or unsecured creditor or future creditor of the transferor, even if the creditor has actual or constructive notice of the deed;

(4) Affect the transferor's or designated beneficiary's eligibility for any form of public assistance;

(5) Create a legal or equitable interest in favor of the designated beneficiary; or

(6) Subject the property to claims or process of a creditor of the designated beneficiary.

NEW SECTION. Sec. 13. EFFECT OF TRANSFER ON DEATH DEED AT TRANSFEROR'S DEATH. (1) Except as otherwise provided in this section, or in RCW 11.07.010, and 11.05A.030, on the death of the transferor, the following rules apply to property that is the subject of a transfer on death deed and owned by the transferor at death:

(a) Subject to (b) of this subsection, the interest in the property is transferred to the designated beneficiary in accordance with the deed.

(b) The interest of a designated beneficiary is contingent on the designated beneficiary surviving the transferor. The interest of a designated beneficiary that fails to survive the transferor lapses.

(c) Subject to (d) of this subsection, concurrent interests are transferred to the beneficiaries in equal and undivided shares with no right of survivorship.

(d) If the transferor has identified two or more designated beneficiaries to receive concurrent interests in the property, the share of one which lapses or fails for any reason is transferred to the other, or to the others in proportion to the interest of each in the remaining part of the property held concurrently.

(2) Subject to chapter 65.08 RCW, a beneficiary takes the property subject to all conveyances, encumbrances, assignments, contracts, mortgages, liens, and other interests to which the property is subject at

the transferor's death, including liens recorded within twenty-four months after the transferor's death under RCW 41.05A.090 and 43.20B.080. For purposes of this subsection and chapter 65.08 RCW, the recording of the transfer on death deed is deemed to have occurred at the transferor's death.

(3) If a transferor is a joint owner and is:

(a) Survived by one or more other joint owners, the property that is the subject of a transfer on death deed belongs to the surviving joint owner or owners with right of survivorship; or

(b) The last surviving joint owner, the transfer on death deed is effective.

(4) If the property that is the subject of a transfer on death deed is community property and:

(a) The transferor is married and is not joined in the deed by the transferor's spouse or is in a registered domestic partnership and is not joined in the deed by the transferor's domestic partner, the transferor's interest in the property is transferred to the designated beneficiary in accordance with the deed on the transferor's death; or

(b) The transferor is married and is joined in the deed by the transferor's spouse, or is in a registered domestic partnership and is joined in the deed by the transferor's domestic partner, and:

(i) Is survived by the transferor's spouse or domestic partner, the deed is not effective upon the transferor's death; or

(ii) Is the surviving spouse or domestic partner, the transfer on death deed is effective on the transferor's death with respect to the transferor's interest in the property as of the time of the transferor's death.

(5) A transfer on death deed transfers property without covenant or warranty of title even if the deed contains a contrary provision.

NEW SECTION. Sec. 14. DISCLAIMER. A beneficiary may disclaim all or part of the beneficiary's interest as provided by chapter 11.86 RCW.

NEW SECTION. Sec. 15. LIABILITY FOR CREDITOR CLAIMS AND STATUTORY ALLOWANCES. A beneficiary of a transfer on death deed is liable for an allowed claim against the transferor's probate estate and statutory allowances to a surviving spouse and children to the extent provided in RCW 11.18.200, 11.42.085, and chapter 11.54 RCW.

NEW SECTION. Sec. 16. UNIFORMITY OF APPLICATION AND CONSTRUCTION. In applying and construing this uniform act, consideration must be given to the need to promote uniformity of the law with respect to its subject matter among the states that enact it.

NEW SECTION. Sec. 17. RELATION TO ELECTRONIC SIGNATURES IN GLOBAL AND NATIONAL COMMERCE ACT. (8) "Issue" means all the lineal descendants of an individual. An adopted individual is a lineal descendant of each of his or her adoptive parents and of all individuals with regard to which each adoptive parent is a lineal descendant. A child conceived prior to the death of a parent but born after the death of the deceased parent is considered to be the surviving issue of the deceased parent for purposes of this title.

(9) "Net estate" refers to the real and personal property of a decedent exclusive of homestead rights, exempt property, the family allowance and enforceable claims against, and debts of, the deceased or the estate.

(10) "Nonprobate asset" means those rights and interests of a person having beneficial ownership of an asset that pass on the person's death under a written instrument or arrangement other than the person's will. "Nonprobate asset" includes, but is not limited to, a right or interest passing under a joint tenancy with right of survivorship, joint bank account with right of survivorship, transfer on death deed, payable on death or trust bank account, transfer on death security or security account, deed or conveyance if possession has been postponed until the death of the person, trust of which the person is grantor and that becomes effective or irrevocable only upon the person's death, community property agreement, individual retirement account or bond, or note or other contract the payment or performance of which is affected by the death of the person. "Nonprobate asset" does not include: A payable-on-death provision of a life insurance policy, annuity, or other similar contract, or of an employee benefit plan; a right or interest passing by descent and distribution under chapter 11.04 RCW; a right or interest if, before death, the person has irrevocably transferred the right or interest, the person has waived the power to transfer it or, in the case of contractual arrangement, the person has waived the unilateral right to rescind or modify the arrangement; or a right or interest held by the person solely in a fiduciary capacity. For the definition of "nonprobate asset" relating to revocation of a provision for a former spouse upon dissolution of marriage or declaration of invalidity of marriage, RCW 11.07.010(5) applies. For the definition of "nonprobate asset" relating to revocation of a provision for a former spouse upon dissolution of marriage or declaration of invalidity of marriage, see RCW 11.07.010(5). For the definition of "nonprobate asset" relating to testamentary disposition of nonprobate assets, see RCW 11.11.010(7).

(11) "Personal representative" includes executor, administrator, special administrator, and guardian or limited guardian and special representative.

(12) "Real estate" includes, except as otherwise specifically provided herein, all lands, tenements, and hereditaments, and all rights thereto, and all interest therein possessed and claimed in fee simple, or for the life of a third person.

(13) "Representation" refers to a method of determining distribution in which the takers are in unequal degrees of kinship with respect to a decedent, and is accomplished as follows: After first determining who, of those entitled to share in the estate, are in the nearest degree of kinship, the estate is divided into equal shares, the number of shares being the sum of the number of persons who survive the decedent who are in the nearest degree of kinship and the number of persons in the same degree of kinship who died before the decedent but who left issue surviving the decedent; each share of a deceased

person in the nearest degree (~~shall~~) must be divided among those of the deceased person's issue who survive the decedent and have no ancestor then living who is in the line of relationship between them and the decedent, those more remote in degree taking together the share which their ancestor would have taken had he or she survived the decedent.

(14) References to "section 2033A" of the internal revenue code in wills, trust agreements, powers of appointment, beneficiary designations, and other instruments governed by or subject to this title (~~shall be~~) are deemed to refer to the comparable or corresponding provisions of section 2057 of the internal revenue code, as added by section 6006(b) of the internal revenue service restructuring act of 1998 (H.R. 2676, P.L. 105-206); and references to the section 2033A "exclusion" (~~shall be~~) are deemed to mean the section 2057 deduction.

(15) "Settlor" has the same meaning as provided for "trustor" in this section.

(16) "Special administrator" means a personal representative of the estate of a decedent appointed for limited purposes and the term may be used in lieu of "personal representative" wherever required by context.

(17) "Surviving spouse" or "surviving domestic partner" does not include an individual whose marriage to or state registered domestic partnership with the decedent has been terminated, dissolved, or invalidated unless, by virtue of a subsequent marriage or state registered domestic partnership, he or she is married to or in a domestic partnership with the decedent at the time of death. A decree of separation that does not terminate the status of spouses or domestic partners is not a dissolution or invalidation for purposes of this subsection.

(18) "Trustee" means an original, added, or successor trustee and includes the state, or any agency thereof, when it is acting as the trustee of a trust to which chapter 11.98 RCW applies.

(19) "Trustor" means a person, including a testator, who creates, or contributes property to, a trust.

(20) "Will" means an instrument validly executed as required by RCW 11.12.020.

Words that import the singular number may also be applied to the plural of persons and things.

Words importing the masculine gender only may be extended to females also.

Sec. 19. RCW 11.07.010 and 2008 c 6 s 906 are each amended to read as follows:

(1) This section applies to all nonprobate assets, wherever situated, held at the time of entry of a decree of dissolution of marriage or state registered domestic partnership or a declaration of invalidity or certification of termination of a state registered domestic partnership.

(2)(a) If a marriage or state registered domestic partnership is dissolved or invalidated, or a state registered domestic partnership terminated, a provision made prior to that event that relates to the payment or transfer at death of the decedent's interest in a nonprobate asset in favor of or granting an interest or power to the decedent's former spouse or state registered domestic partner, is revoked. A provision affected by this section must be interpreted, and the nonprobate asset affected passes, as if the former spouse or former state registered domestic partner, failed to survive the decedent, having died at the time of entry of the decree of dissolution or declaration of invalidity or termination of state registered domestic partnership.

(b) This subsection does not apply if and to the extent that:

(i) The instrument governing disposition of the nonprobate asset expressly provides otherwise;

(ii) The decree of dissolution, declaration of invalidity, or other court order requires that the decedent maintain a nonprobate asset for the benefit of a former spouse or former state registered domestic partner or children of the marriage or domestic partnership, payable on the decedent's death either outright or in trust, and other nonprobate

assets of the decedent fulfilling such a requirement for the benefit of the former spouse or former state registered domestic partner or children of the marriage or domestic partnership do not exist at the decedent's death;

(iii) A court order requires that the decedent maintain a nonprobate asset for the benefit of another, payable on the decedent's death either outright or in a trust, and other nonprobate assets of the decedent fulfilling such a requirement do not exist at the decedent's death; or

(iv) If not for this subsection, the decedent could not have effected the revocation by unilateral action because of the terms of the decree, declaration, termination of state registered domestic partnership, or for any other reason, immediately after the entry of the decree of dissolution, declaration of invalidity, or termination of state registered domestic partnership.

(3)(a) A payor or other third party in possession or control of a nonprobate asset at the time of the decedent's death is not liable for making a payment or transferring an interest in a nonprobate asset to a decedent's former spouse or state registered domestic partner, whose interest in the nonprobate asset is revoked under this section, or for taking another action in reliance on the validity of the instrument governing disposition of the nonprobate asset, before the payor or other third party has actual knowledge of the dissolution or other invalidation of marriage or termination of the state registered domestic partnership. A payor or other third party is liable for a payment or transfer made or other action taken after the payor or other third party has actual knowledge of a revocation under this section.

(b) This section does not require a payor or other third party to pay or transfer a nonprobate asset to a beneficiary designated in a governing instrument affected by the dissolution or other invalidation of marriage or termination of state registered domestic partnership, or to another person claiming an interest in the nonprobate asset, if the payor or third party has actual knowledge of the existence of a dispute between the former spouse or former state registered domestic partner, and the beneficiaries or other persons concerning rights of ownership of the nonprobate asset as a result of the application of this section among the former spouse or former state registered domestic partner, and the beneficiaries or among other persons, or if the payor or third party is otherwise uncertain as to who is entitled to the nonprobate asset under this section. In such a case, the payor or third party may, without liability, notify in writing all beneficiaries or other persons claiming an interest in the nonprobate asset of either the existence of the dispute or its uncertainty as to who is entitled to payment or transfer of the nonprobate asset. The payor or third party may also, without liability, refuse to pay or transfer a nonprobate asset in such a circumstance to a beneficiary or other person claiming an interest until the time that either:

(i) All beneficiaries and other interested persons claiming an interest have consented in writing to the payment or transfer; or

(ii) The payment or transfer is authorized or directed by a court of proper jurisdiction.

(c) Notwithstanding subsections (1) and (2) of this section and (a) and (b) of this subsection, a payor or other third party having actual knowledge of the existence of a dispute between beneficiaries or other persons concerning rights to a nonprobate asset as a result of the application of this section may condition the payment or transfer of the nonprobate asset on execution, in a form and with security acceptable to the payor or other third party, of a bond in an amount that is double the fair market value of the nonprobate asset at the time of the decedent's death or the amount of an adverse claim, whichever is the lesser, or of a similar instrument to provide security to the payor or other third party, indemnifying the payor or other third party for any liability, loss, damage, costs, and expenses for and on account of payment or transfer of the nonprobate asset.

(d) As used in this subsection, "actual knowledge" means, for a payor or other third party in possession or control of the nonprobate asset at or following the decedent's death, written notice to the payor or

other third party, or to an officer of a payor or third party in the course of his or her employment, received after the decedent's death and within a time that is sufficient to afford the payor or third party a reasonable opportunity to act upon the knowledge. The notice must identify the nonprobate asset with reasonable specificity. The notice also must be sufficient to inform the payor or other third party of the revocation of the provisions in favor of the decedent's spouse or state registered domestic partner, by reason of the dissolution or invalidation of marriage or termination of state registered domestic partnership, or to inform the payor or third party of a dispute concerning rights to a nonprobate asset as a result of the application of this section. Receipt of the notice for a period of more than thirty days is presumed to be received within a time that is sufficient to afford the payor or third party a reasonable opportunity to act upon the knowledge, but receipt of the notice for a period of less than five business days is presumed not to be a sufficient time for these purposes. These presumptions may be rebutted only by clear and convincing evidence to the contrary.

(4)(a) A person who purchases a nonprobate asset from a former spouse, former state registered domestic partner, or other person, for value and without actual knowledge, or who receives from a former spouse, former state registered domestic partner, or other person payment or transfer of a nonprobate asset without actual knowledge and in partial or full satisfaction of a legally enforceable obligation, is neither obligated under this section to return the payment, property, or benefit nor is liable under this section for the amount of the payment or the value of the nonprobate asset. However, a former spouse, former state registered domestic partner, or other person who, with actual knowledge, not for value, or not in satisfaction of a legally enforceable obligation, receives payment or transfer of a nonprobate asset to which that person is not entitled under this section is obligated to return the payment or nonprobate asset, or is personally liable for the amount of the payment or value of the nonprobate asset, to the person who is entitled to it under this section.

(b) As used in this subsection, "actual knowledge" means, for a person described in (a) of this subsection who purchases or receives a nonprobate asset from a former spouse, former state registered domestic partner, or other person, personal knowledge or possession of documents relating to the revocation upon dissolution or invalidation of marriage of provisions relating to the payment or transfer at the decedent's death of the nonprobate asset, received within a time after the decedent's death and before the purchase or receipt that is sufficient to afford the person purchasing or receiving the nonprobate asset reasonable opportunity to act upon the knowledge. Receipt of the personal knowledge or possession of the documents for a period of more than thirty days is presumed to be received within a time that is sufficient to afford the payor or third party a reasonable opportunity to act upon the knowledge, but receipt of the notice for a period of less than five business days is presumed not to be a sufficient time for these purposes. These presumptions may be rebutted only by clear and convincing evidence to the contrary.

(5)(a) As used in this section, "nonprobate asset" means those rights and interests of a person having beneficial ownership of an asset that pass on the person's death under only the following written instruments or arrangements other than the decedent's will:

((a)) (i) A payable-on-death provision of a life insurance policy, employee benefit plan, annuity or similar contract, or individual retirement account, unless provided otherwise by controlling federal law;

((b)) (ii) A payable-on-death, trust, or joint with right of survivorship bank account;

((c)) (iii) A trust of which the person is a grantor and that becomes effective or irrevocable only upon the person's death;

((d)) (iv) Transfer on death beneficiary designations of a transfer on death or pay on death security, or joint tenancy or joint tenancy with right of survivorship designations of a security, if such designations are authorized under Washington law;

~~((v))~~ (v) A transfer on death, pay on death, joint tenancy, or joint tenancy with right of survivorship brokerage account;

~~((vi))~~ (vi) A transfer on death deed;

(vii) Unless otherwise specifically provided therein, a contract wherein payment or performance under that contract is affected by the death of the person; or

~~((viii))~~ (viii) Unless otherwise specifically provided therein, any other written instrument of transfer, within the meaning of RCW 11.02.091(3), containing a provision for the nonprobate transfer of an asset at death.

(b) For the general definition in this title of "nonprobate asset," see RCW 11.02.005~~((15))~~ (10) and for the definition of "nonprobate asset" relating to testamentary disposition of nonprobate assets, see RCW 11.11.010(7). For the purposes of this chapter, a "bank account" includes an account into or from which cash deposits and withdrawals can be made, and includes demand deposit accounts, time deposit accounts, money market accounts, or certificates of deposit, maintained at a bank, savings and loan association, credit union, brokerage house, or similar financial institution.

(6) This section is remedial in nature and applies as of July 25, 1993, to decrees of dissolution and declarations of invalidity entered after July 24, 1993, and this section applies as of January 1, 1995, to decrees of dissolution and declarations of invalidity entered before July 25, 1993.

Sec. 20. RCW 11.11.010 and 2008 c 6 s 909 are each amended to read as follows:

The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

(1)(a) "Actual knowledge" means:

(i) For a financial institution, whether acting as personal representative or otherwise, or other third party in possession or control of a nonprobate asset, receipt of written notice that: (A) Complies with RCW 11.11.050; (B) pertains to the testamentary disposition or ownership of a nonprobate asset in its possession or control; and (C) is received by the financial institution or third party after the death of the owner in a time sufficient to afford the financial institution or third party a reasonable opportunity to act upon the knowledge; and

(ii) For a personal representative that is not a financial institution, personal knowledge or possession of documents relating to the testamentary disposition or ownership of a nonprobate asset of the owner sufficient to afford the personal representative reasonable opportunity to act upon the knowledge, including reasonable opportunity for the personal representative to provide the written notice under RCW 11.11.050.

(b) For the purposes of (a) of this subsection, notice of more than thirty days is presumed to be notice that is sufficient to afford the party a reasonable opportunity to act upon the knowledge, but notice of less than five business days is presumed not to be a sufficient notice for these purposes. These presumptions may be rebutted only by clear and convincing evidence to the contrary.

(2) "Beneficiary" means the person designated to receive a nonprobate asset upon the death of the owner by means other than the owner's will.

(3) "Broker" means a person defined as a broker or dealer under the federal securities laws.

(4) "Date of will" means, as to any nonprobate asset, the date of signature of the will or codicil that refers to the asset and disposes of it.

(5) "Designate" means a written means by which the owner selects a beneficiary, including but not limited to instruments under contractual arrangements and registration of accounts, and "designation" means the selection.

(6) "Financial institution" means: A bank, trust company, mutual savings bank, savings and loan association, credit union, broker, or issuer of stock or its transfer agent.

(7)(a) "Nonprobate asset" means a nonprobate asset within the meaning of RCW 11.02.005, but excluding the following:

(i) A right or interest in real property passing under a joint tenancy with right of survivorship;

(ii) A deed or conveyance for which possession has been postponed until the death of the owner;

(iii) A transfer on death deed;

~~((iv))~~ (iv) A right or interest passing under a community property agreement; and

~~((v))~~ (v) An individual retirement account or bond.

(b) For the definition of "nonprobate asset" relating to revocation of a provision for a former spouse or former domestic partner upon dissolution of marriage or state registered domestic partnership or declaration of invalidity of marriage or state registered domestic partnership, see RCW 11.07.010(5).

(8) "Owner" means a person who, during life, has beneficial ownership of the nonprobate asset.

(9) "Request" means a request by the beneficiary for transfer of a nonprobate asset after the death of the owner, if it complies with all conditions of the arrangement, including reasonable special requirements concerning necessary signatures and regulations of the financial institution or other third party, or by the personal representative of the owner's estate or the testamentary beneficiary, if it complies with the owner's will and any additional conditions of the financial institution or third party for such transfer.

(10) "Testamentary beneficiary" means a person named under the owner's will to receive a nonprobate asset under this chapter, including but not limited to the trustee of a testamentary trust.

(11) "Third party" means a person, including a financial institution, having possession of or control over a nonprobate asset at the death of the owner, including the trustee of a revocable living trust and surviving joint tenant or tenants.

Sec. 21. RCW 11.18.200 and 1999 c 42 s 605 are each amended to read as follows:

(1) Unless expressly exempted by statute, a beneficiary of a nonprobate asset that was subject to satisfaction of the decedent's general liabilities immediately before the decedent's death takes the asset subject to liabilities, claims, estate taxes, and the fair share of expenses of administration reasonably incurred by the personal representative in the transfer of or administration upon the asset. The beneficiary of such an asset is liable to account to the personal representative to the extent necessary to satisfy liabilities, claims, the asset's fair share of expenses of administration, and the asset's share of any applicable estate taxes under chapter ~~((83.110))~~ 83.110A RCW. Before making demand that a beneficiary of a nonprobate asset account to the personal representative, the personal representative ~~((shall))~~ must give notice to the beneficiary, in the manner provided in chapter 11.96A RCW, that the beneficiary is liable to account under this section.

(2) The following rules govern in applying subsection (1) of this section:

(a) A beneficiary of property passing at death under a community property agreement takes the property subject to the decedent's liabilities, claims, estate taxes, and administration expenses as described in subsection (1) of this section. However, assets existing as community or separate property immediately before the decedent's death under the community property agreement are subject to the decedent's liabilities and claims to the same extent that they would have been had they been assets of the probate estate.

(b) A beneficiary of property held in joint tenancy form with right of survivorship, including without limitation United States savings bonds or similar obligations, takes the property subject to the decedent's liabilities, claims, estate taxes, and administration expenses as described in subsection (1) of this section to the extent of the decedent's beneficial ownership interest in the property immediately before death.

(c) A beneficiary of payable-on-death or trust bank accounts, bonds, securities, or similar obligations, including without limitation United States bonds or similar obligations, takes the property subject

to the decedent's liabilities, claims, estate taxes, and administration expenses as described in subsection (1) of this section, to the extent of the decedent's beneficial ownership interest in the property immediately before death.

(d) A beneficiary of a transfer on death deed or of deeds or conveyances made by the decedent if possession has been postponed until the death of the decedent takes the property subject to the decedent's liabilities, claims, estate taxes, and administration expenses as described in subsection (1) of this section, to the extent of the decedent's beneficial ownership interest in the property immediately before death.

(e) A trust for the decedent's use of which the decedent is the grantor is subject to the decedent's liabilities, claims, estate taxes, and administration expenses as described in subsection (1) of this section, to the same extent as the trust was subject to claims of the decedent's creditors immediately before death under RCW 19.36.020.

(f) A trust not for the use of the grantor but of which the decedent is the grantor and that becomes effective or irrevocable only upon the decedent's death is subject to the decedent's claims, liabilities, estate taxes, and expenses of administration as described in subsection (1) of this section.

(g) Anything in this section to the contrary notwithstanding, nonprobate assets that existed as community property immediately before the decedent's death are subject to the decedent's liabilities and claims to the same extent that they would have been had they been assets of the probate estate.

(h) The liability of a beneficiary of life insurance is governed by chapter 48.18 RCW.

(i) The liability of a beneficiary of pension or retirement employee benefits is governed by chapter 6.15 RCW.

(j) An inference may not be drawn from (a) through (i) of this subsection that a beneficiary of nonprobate assets other than those assets specifically described in (a) through (i) of this subsection does or does not take the assets subject to claims, liabilities, estate taxes, and administration expenses as described in subsection (1) of this section.

(3) Nothing in this section derogates from the rights of a person interested in the estate to recover any applicable estate tax under chapter ~~((83.110))~~ 83.110A RCW or from the liability of any beneficiary for estate tax under chapter ~~((83.110))~~ 83.110A RCW.

(4) Nonprobate assets that may be responsible for the satisfaction of the decedent's general liabilities and claims abate together with the probate assets of the estate in accord with chapter 11.10 RCW.

Sec. 22. RCW 11.86.011 and 1989 c 34 s 1 are each amended to read as follows:

Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

(1) "Beneficiary" means the person entitled, but for the person's disclaimer, to take an interest.

(2) "Interest" includes the whole of any property, real or personal, legal or equitable, or any fractional part, share, or particular portion or specific assets thereof, any vested or contingent interest in any such property, any power to appoint, consume, apply, or expend property, or any other right, power, privilege, or immunity relating to property. "Interest" includes, but is not limited to, an interest created in any of the following manners:

- (a) By intestate succession;

(3) "Creator of the interest" means a person who establishes, declares, or otherwise creates an interest.

(4) "Disclaimer" means any writing which declines, refuses, renounces, or disclaims any interest that would otherwise be taken by a beneficiary.

(5) "Disclaimant" means a beneficiary who executes a disclaimer on his or her own behalf or a person who executes a disclaimer on behalf of a beneficiary.

(6) "Person" means an individual, corporation, government, governmental subdivision or agency, business trust, estate, trust, partnership, association, or other entity.

(7)(a) "Date of the transfer" means:

~~((a))~~ (i) For an inter vivos transfer, the date of the creation of the interest; or

~~((b))~~ (ii) For a transfer upon the death of the creator of the interest, the date of the death of the creator.

~~((c))~~ (b) A joint tenancy interest of a deceased joint tenant ~~((shall be))~~ is deemed to be transferred at the death of the joint tenant rather than at the creation of the joint tenancy.

Sec. 23. RCW 11.94.050 and 2011 c 327 s 4 are each amended to read as follows:

(1) Although a designated attorney-in-fact or agent has all powers of absolute ownership of the principal, or the document has language to indicate that the attorney-in-fact or agent ~~((shall have))~~ has all the powers the principal would have if alive and competent, the attorney-in-fact or agent ~~((shall))~~ does not have the power to make, amend, alter, or revoke the principal's wills or codicils, and ~~((shall))~~ does not have the power, unless specifically provided otherwise in the document: To make, amend, alter, or revoke any of the principal's life insurance, annuity, or similar contract beneficiary designations, employee benefit plan beneficiary designations, trust agreements, registration of the principal's securities in beneficiary form, payable on death or transfer on death beneficiary designations, designation of persons as joint tenants with right of survivorship with the principal with respect to any of the principal's property, community property agreements, transfer on death deeds, or any other provisions for nonprobate transfer at death contained in nontestamentary instruments described in RCW 11.02.091; to make any gifts of property owned by the principal; to exercise the principal's rights to distribute property in trust or cause a trustee to distribute property in trust to the extent consistent with the terms of the trust agreement; to make transfers of property to any trust (whether or not created by the principal) unless the trust benefits the principal alone and does not have dispositive provisions which are different from those which would have governed the property had it not been transferred into the trust; or to disclaim property.

(2) Nothing in subsection (1) of this section prohibits an attorney-in-fact or agent from making any transfer of resources not prohibited under chapter 74.09 RCW when the transfer is for the purpose of qualifying the principal for medical assistance or the limited casualty program for the medically needy.

Sec. 24. RCW 82.45.010 and 2010 1st sp.s. c 23 s 207 are each amended to read as follows:

(1) As used in this chapter, the term "sale" has its ordinary meaning and includes any conveyance, grant, assignment, quitclaim, or transfer of the ownership of or title to real property, including standing timber, or any estate or interest therein for a valuable consideration, and any contract for such conveyance, grant, assignment, quitclaim, or transfer, and any lease with an option to purchase real property, including

standing timber, or any estate or interest therein or other contract under which possession of the property is given to the purchaser, or any other person at the purchaser's direction, and title to the property is retained by the vendor as security for the payment of the purchase price. The term also includes the grant, assignment, quitclaim, sale, or transfer of improvements constructed upon leased land.

(2)(a) The term "sale" also includes the transfer or acquisition within any twelve-month period of a controlling interest in any entity with an interest in real property located in this state for a valuable consideration.

(b) For the sole purpose of determining whether, pursuant to the exercise of an option, a controlling interest was transferred or acquired within a twelve-month period, the date that the option agreement was executed is the date on which the transfer or acquisition of the controlling interest is deemed to occur. For all other purposes under this chapter, the date upon which the option is exercised is the date of the transfer or acquisition of the controlling interest.

(c) For purposes of this subsection, all acquisitions of persons acting in concert must be aggregated for purposes of determining whether a transfer or acquisition of a controlling interest has taken place. The department must adopt standards by rule to determine when persons are acting in concert. In adopting a rule for this purpose, the department must consider the following:

(i) Persons must be treated as acting in concert when they have a relationship with each other such that one person influences or controls the actions of another through common ownership; and

(ii) When persons are not commonly owned or controlled, they must be treated as acting in concert only when the unity with which the purchasers have negotiated and will consummate the transfer of ownership interests supports a finding that they are acting as a single entity. If the acquisitions are completely independent, with each purchaser buying without regard to the identity of the other purchasers, then the acquisitions are considered separate acquisitions.

(3) The term "sale" does not include:

(a) A transfer by gift, devise, or inheritance.

(b) A transfer by transfer on death deed, to the extent that it is not in satisfaction of a contractual obligation of the decedent owed to the recipient of the property.

(c) A transfer of any leasehold interest other than of the type mentioned above.

~~((e))~~ (d) A cancellation or forfeiture of a vendee's interest in a contract for the sale of real property, whether or not such contract contains a forfeiture clause, or deed in lieu of foreclosure of a mortgage.

~~((d))~~ (e) The partition of property by tenants in common by agreement or as the result of a court decree.

~~((e))~~ (f) The assignment of property or interest in property from one spouse or one domestic partner to the other spouse or other domestic partner in accordance with the terms of a decree of dissolution of marriage or state registered domestic partnership or in fulfillment of a property settlement agreement.

~~((f))~~ (g) The assignment or other transfer of a vendor's interest in a contract for the sale of real property, even though accompanied by a conveyance of the vendor's interest in the real property involved.

~~((g))~~ (h) Transfers by appropriation or decree in condemnation proceedings brought by the United States, the state or any political subdivision thereof, or a municipal corporation.

~~((h))~~ (i) A mortgage or other transfer of an interest in real property merely to secure a debt, or the assignment thereof.

~~((i))~~ (j) Any transfer or conveyance made pursuant to a deed of trust or an order of sale by the court in any mortgage, deed of trust, or lien foreclosure proceeding or upon execution of a judgment, or deed in lieu of foreclosure to satisfy a mortgage or deed of trust.

~~((j))~~ (k) A conveyance to the federal housing administration or veterans administration by an authorized mortgagee made pursuant to a contract of insurance or guaranty with the federal housing administration or veterans administration.

~~((k))~~ (l) A transfer in compliance with the terms of any lease or contract upon which the tax as imposed by this chapter has been paid or where the lease or contract was entered into prior to the date this tax was first imposed.

~~((l))~~ (m) The sale of any grave or lot in an established cemetery.

~~((m))~~ (n) A sale by the United States, this state or any political subdivision thereof, or a municipal corporation of this state.

~~((n))~~ (o) A sale to a regional transit authority or public corporation under RCW 81.112.320 under a sale/leaseback agreement under RCW 81.112.300.

~~((o))~~ (p) A transfer of real property, however effected, if it consists of a mere change in identity or form of ownership of an entity where there is no change in the beneficial ownership. These include transfers to a corporation or partnership which is wholly owned by the transferor and/or the transferor's spouse or domestic partner or children of the transferor or the transferor's spouse or domestic partner. However, if thereafter such transferee corporation or partnership voluntarily transfers such real property, or such transferor, spouse or domestic partner, or children of the transferor or the transferor's spouse or domestic partner voluntarily transfer stock in the transferee corporation or interest in the transferee partnership capital, as the case may be, to other than (i) the transferor and/or the transferor's spouse or domestic partner or children of the transferor or the transferor's spouse or domestic partner, (ii) a trust having the transferor and/or the transferor's spouse or domestic partner or children of the transferor or the transferor's spouse or domestic partner as the only beneficiaries at the time of the transfer to the trust, or (iii) a corporation or partnership wholly owned by the original transferor and/or the transferor's spouse or domestic partner or children of the transferor or the transferor's spouse or domestic partner, within three years of the original transfer to which this exemption applies, and the tax on the subsequent transfer has not been paid within sixty days of becoming due, excise taxes become due and payable on the original transfer as otherwise provided by law.

~~((p))~~ (q)(i) A transfer that for federal income tax purposes does not involve the recognition of gain or loss for entity formation, liquidation or dissolution, and reorganization, including but not limited to nonrecognition of gain or loss because of application of 26 U.S.C. Sec. 332, 337, 351, 368(a)(1), 721, or 731 of the internal revenue code of 1986, as amended.

(ii) However, the transfer described in ~~((p))~~ (q)(i) of this subsection cannot be preceded or followed within a twelve-month period by another transfer or series of transfers, that, when combined with the otherwise exempt transfer or transfers described in ~~((p))~~ (q)(i) of this subsection, results in the transfer of a controlling interest in the entity for valuable consideration, and in which one or more persons previously holding a controlling interest in the entity receive cash or property in exchange for any interest the person or persons acting in concert hold in the entity. This subsection ~~(3)((p))~~ (q)(ii) does not apply to that part of the transfer involving property received that is the real property interest that the person or persons originally contributed to the entity or when one or more persons who did not contribute real property or belong to the entity at a time when real property was purchased receive cash or personal property in exchange for that person or persons' interest in the entity. The real estate excise tax under this subsection ~~(3)((p))~~ (q)(ii) is imposed upon the person or persons who previously held a controlling interest in the entity.

~~((q))~~ (r) A qualified sale of a manufactured/mobile home community, as defined in RCW 59.20.030, that takes place on or after June 12, 2008, but before December 31, 2018.

All of chapter 82.32 RCW, except RCW 82.32.030, 82.32.050, 82.32.140, 82.32.270, and 82.32.090 (1) and ((~~8~~)) (10), applies to the tax imposed by this chapter, in addition to any other provisions of law for the payment and enforcement of the tax imposed by this chapter. The department of revenue ((~~shall~~)) must by rule provide for the effective administration of this chapter. The rules ((~~shall~~)) must prescribe and furnish a real estate excise tax affidavit form verified by both the seller and the buyer, or agents of each, to be used by each county, or the department, as the case may be, in the collection of the tax imposed by this chapter, except that an affidavit given in connection with grant of an easement or right-of-way to a gas, electrical, or telecommunications company, as defined in RCW 80.04.010, or to a public utility district or cooperative that distributes electricity, need be verified only on behalf of the company, district, or cooperative and except that a transfer on death deed need be verified only on behalf of the transferor. Sec. 27. RCW 84.33.140 and 2013 2nd sp.s. c 11 s 13 are each amended to read as follows:

1 21

(1) When land has been designated as forest land under RCW 84.33.130, a notation of the designation must be made each year upon the assessment and tax rolls. A copy of the notice of approval together with the legal description or assessor's parcel numbers for the land must, at the expense of the applicant, be filed by the assessor in the same manner as deeds are recorded.

7 2 21
3 20
4 20

(2) In preparing the assessment roll as of January 1, 2002, for taxes payable in 2003 and each January 1st thereafter, the assessor must list each parcel of designated forest land at a value with respect to the grade and class provided in this subsection and adjusted as provided in subsection (3) of this section. The assessor must compute the assessed value of the land using the same assessment ratio applied generally in computing the assessed value of other property in the county. Values for the several grades of bare forest land are as follows:

8 1

(3) On or before December 31, 2001, the department must adjust by rule under chapter 34.05 RCW, the forest land values contained in subsection (2) of this section in accordance with this subsection, and must certify the adjusted values to the assessor who will use these values in preparing the assessment roll as of January 1, 2002. For the adjustment to be made on or before December 31, 2001, for use in the 2002 assessment year, the department must:

LAND GRADE	OPERABILITY CLASS	VALUES PER ACRE
	1	\$234

(a) Divide the aggregate value of all timber harvested within the state between July 1, 1996, and June 30, 2001, by the aggregate harvest volume for the same period, as determined from the harvester excise tax returns filed with the department under RCW 84.33.074; and

(b) Divide the aggregate value of all timber harvested within the state between July 1, 1995, and June 30, 2000, by the aggregate harvest volume for the same period, as determined from the harvester excise tax returns filed with the department under RCW 84.33.074; and

(c) Adjust the forest land values contained in subsection (2) of this section by a percentage equal to one-half of the percentage change in the average values of harvested timber reflected by comparing the resultant values calculated under (a) and (b) of this subsection.

(4) For the adjustments to be made on or before December 31, 2002, and each succeeding year thereafter, the same procedure described in subsection (3) of this section must be followed using harvester excise tax returns filed under RCW 84.33.074. However, this adjustment must be made to the prior year's adjusted value, and the five-year periods for calculating average harvested timber values must be successively one year more recent.

(5) Land graded, assessed, and valued as forest land must continue to be so graded, assessed, and valued until removal of designation by the assessor upon the occurrence of any of the following:

(a) Receipt of notice from the owner to remove the designation;

(b) Sale or transfer to an ownership making the land exempt from ad valorem taxation;

(c) Sale or transfer of all or a portion of the land to a new owner, unless the new owner has signed a notice of forest land designation continuance, except transfer to an owner who is an heir or devisee of a deceased owner or transfer by a transfer on death deed, does not, by itself, result in removal of designation. The signed notice of continuance must be attached to the real estate excise tax affidavit provided for in RCW 82.45.150. The notice of continuance must be on a form prepared by the department. If the notice of continuance is not signed by the new owner and attached to the real estate excise tax affidavit, all compensating taxes calculated under subsection (11) of this section are due and payable by the seller or transferor at time of sale. The auditor may not accept an instrument of conveyance regarding designated forest land for filing or recording unless the new owner has signed the notice of continuance or the compensating tax has been paid, as evidenced by the real estate excise tax stamp affixed thereto by the treasurer. The seller, transferor, or new owner may appeal the new assessed valuation calculated under subsection (11) of this section to the county board of equalization in accordance with the provisions of RCW 84.40.038. Jurisdiction is hereby conferred on the county board of equalization to hear these appeals;

(d) Determination by the assessor, after giving the owner written notice and an opportunity to be heard, that:

(i) The land is no longer primarily devoted to and used for growing and harvesting timber. However, land may not be removed from designation if a governmental agency, organization, or other recipient identified in subsection (13) or (14) of this section as exempt from the payment of compensating tax has manifested its intent in writing or by other official action to acquire a property interest in the designated forest land by means of a transaction that qualifies for an exemption under subsection (13) or (14) of this section. The governmental agency, organization, or recipient must annually provide the assessor of the county in which the land is located reasonable evidence in writing of the intent to acquire the designated land as long as the intent continues or within sixty days of a request by the assessor. The assessor may not request this evidence more than once in a calendar year;

(ii) The owner has failed to comply with a final administrative or judicial order with respect to a violation of the restocking, forest management, fire protection, insect and disease control, and forest debris provisions of Title 76 RCW or any applicable rules under Title 76 RCW; or

(iii) Restocking has not occurred to the extent or within the time specified in the application for designation of such land.

(6) Land may not be removed from designation if there is a governmental restriction that prohibits, in whole or in part, the owner from harvesting timber from the owner's designated forest land. If only a portion of the parcel is impacted by governmental restrictions of this nature, the restrictions cannot be used as a basis to remove the remainder of the forest land from designation under this chapter. For the purposes of this section, "governmental restrictions" includes: (a) Any law, regulation, rule, ordinance, program, or other action adopted or taken by a federal, state, county, city, or other governmental entity; or (b) the land's zoning or its presence within an urban growth area designated under RCW 36.70A.110.

(7) The assessor has the option of requiring an owner of forest land to file a timber management plan with the assessor upon the occurrence of one of the following:

(a) An application for designation as forest land is submitted; or

(b) Designated forest land is sold or transferred and a notice of continuance, described in subsection (5)(c) of this section, is signed.

(8) If land is removed from designation because of any of the circumstances listed in subsection (5)(a) through (c) of this section, the removal applies only to the land affected. If land is removed from designation because of subsection (5)(d) of this section, the removal applies only to the actual area of land that is no longer primarily devoted to the growing and harvesting of timber, without regard to any other land that may have been included in the application and approved for designation, as long as the remaining designated forest land meets the definition of forest land contained in RCW 84.33.035.

(9) Within thirty days after the removal of designation as forest land, the assessor must notify the owner in writing, setting forth the reasons for the removal. The seller, transferor, or owner may appeal the removal to the county board of equalization in accordance with the provisions of RCW 84.40.038.

(10) Unless the removal is reversed on appeal a copy of the notice of removal with a notation of the action, if any, upon appeal, together with the legal description or assessor's parcel numbers for the land removed from designation must, at the expense of the applicant, be filed by the assessor in the same manner as deeds are recorded and a notation of removal from designation must immediately be made upon the assessment and tax rolls. The assessor must revalue the land to be removed with reference to its true and fair value as of January 1st of the year of removal from designation. Both the assessed value before and after the removal of designation must be listed. Taxes based on the value of the land as forest land are assessed and payable up until the date of removal and taxes based on the true and fair value of the land are assessed and payable from the date of removal from designation.

(11) Except as provided in subsection (5)(c), (13), or (14) of this section, a compensating tax is imposed on land removed from designation as forest land. The compensating tax is due and payable to the treasurer thirty days after the owner is notified of the amount of this tax. As soon as possible after the land is removed from designation, the assessor must compute the amount of compensating tax and mail a notice to the owner of the amount of compensating tax owed and the date on which payment of this tax is due. The amount of compensating tax is equal to the difference between the amount of tax last levied on the land as designated forest land and an amount equal to the new assessed value of the land multiplied by the dollar rate of the last levy extended against the land, multiplied by a number, in no event greater than nine, equal to the number of years for which the land was designated as forest land, plus compensating taxes on the land at forest land values up until the date of removal and the prorated taxes on the land at true and fair value from the date of removal to the end of the current tax year.

(12) Compensating tax, together with applicable interest thereon, becomes a lien on the land, which attaches at the time the land is removed from designation as forest land and has priority and must be

fully paid and satisfied before any recognizance, mortgage, judgment, debt, obligation, or responsibility to or with which the land may become charged or liable. The lien may be foreclosed upon expiration of the same period after delinquency and in the same manner provided by law for foreclosure of liens for delinquent real property taxes as provided in RCW 84.64.050. Any compensating tax unpaid on its due date will thereupon become delinquent. From the date of delinquency until paid, interest is charged at the same rate applied by law to delinquent ad valorem property taxes.

(13) The compensating tax specified in subsection (11) of this section may not be imposed if the removal of designation under subsection (5) of this section resulted solely from:

(a) Transfer to a government entity in exchange for other forest land located within the state of Washington;

(b) A taking through the exercise of the power of eminent domain, or sale or transfer to an entity having the power of eminent domain in anticipation of the exercise of such power;

(c) A donation of fee title, development rights, or the right to harvest timber, to a government agency or organization qualified under RCW 84.34.210 and 64.04.130 for the purposes enumerated in those sections, or the sale or transfer of fee title to a governmental entity or a nonprofit nature conservancy corporation, as defined in RCW 64.04.130, exclusively for the protection and conservation of lands recommended for state natural area preserve purposes by the natural heritage council and natural heritage plan as defined in chapter 79.70 RCW or approved for state natural resources conservation area purposes as defined in chapter 79.71 RCW, or for acquisition and management as a community forest trust as defined in chapter 79.155 RCW. At such time as the land is not used for the purposes enumerated, the compensating tax specified in subsection (11) of this section is imposed upon the current owner;

(d) The sale or transfer of fee title to the parks and recreation commission for park and recreation purposes;

(e) Official action by an agency of the state of Washington or by the county or city within which the land is located that disallows the present use of the land;

(f) The creation, sale, or transfer of forestry riparian easements under RCW 76.13.120;

(g) The creation, sale, or transfer of a conservation easement of private forest lands within unconfined channel migration zones or containing critical habitat for threatened or endangered species under RCW 76.09.040;

(h) The sale or transfer of land within two years after the death of the owner of at least a fifty percent interest in the land if the land has been assessed and valued as classified forest land, designated as forest land under this chapter, or classified under chapter 84.34 RCW continuously since 1993. The date of death shown on a death certificate is the date used for the purposes of this subsection (13)(h); or

(i)(i) The discovery that the land was designated under this chapter in error through no fault of the owner. For purposes of this subsection (13)(i), "fault" means a knowingly false or misleading statement, or other act or omission not in good faith, that contributed to the approval of designation under this chapter or the failure of the assessor to remove the land from designation under this chapter.

(ii) For purposes of this subsection (13), the discovery that land was designated under this chapter in error through no fault of the owner is not the sole reason for removal of designation under subsection (5) of this section if an independent basis for removal exists. An example of an independent basis for removal includes the land no longer being devoted to and used for growing and harvesting timber.

(14) In a county with a population of more than six hundred thousand inhabitants or in a county with a population of at least two hundred forty-five thousand inhabitants that borders Puget Sound as defined in RCW 90.71.010, the compensating tax specified in subsection (11) of this section may not be imposed if the removal of

designation as forest land under subsection (5) of this section resulted solely from:

(a) An action described in subsection (13) of this section; or

(b) A transfer of a property interest to a government entity, or to a nonprofit historic preservation corporation or nonprofit nature conservancy corporation, as defined in RCW 64.04.130, to protect or enhance public resources, or to preserve, maintain, improve, restore, limit the future use of, or otherwise to conserve for public use or enjoyment, the property interest being transferred. At such time as the property interest is not used for the purposes enumerated, the compensating tax is imposed upon the current owner.

Sec. 28. RCW 84.34.108 and 2009 c 513 s 2, 2009 c 354 s 3, 2009 c 255 s 2, and 2009 c 246 s 3 are each reenacted and amended to read as follows:

(1) When land has once been classified under this chapter, a notation of the classification ~~((shall))~~ must be made each year upon the assessment and tax rolls and the land ~~((shall))~~ must be valued pursuant to RCW 84.34.060 or 84.34.065 until removal of all or a portion of the classification by the assessor upon occurrence of any of the following:

(a) Receipt of notice from the owner to remove all or a portion of the classification;

(b) Sale or transfer to an ownership, except a transfer that resulted from a default in loan payments made to or secured by a governmental agency that intends to or is required by law or regulation to resell the property for the same use as before, making all or a portion of the land exempt from ad valorem taxation;

(c) Sale or transfer of all or a portion of the land to a new owner, unless the new owner has signed a notice of classification continuance, except transfer to an owner who is an heir or devisee of a deceased owner ~~((shall))~~ or transfer by a transfer on death deed does not, by itself, result in removal of classification. The notice of continuance ~~((shall))~~ must be on a form prepared by the department. If the notice of continuance is not signed by the new owner and attached to the real estate excise tax affidavit, all additional taxes calculated pursuant to subsection (4) of this section ~~((shall))~~ become due and payable by the seller or transferor at time of sale. The auditor ~~((shall))~~ may not accept an instrument of conveyance regarding classified land for filing or recording unless the new owner has signed the notice of continuance or the additional tax has been paid, as evidenced by the real estate excise tax stamp affixed thereto by the treasurer. The seller, transferor, or new owner may appeal the new assessed valuation calculated under subsection (4) of this section to the county board of equalization in accordance with the provisions of RCW 84.40.038. Jurisdiction is hereby conferred on the county board of equalization to hear these appeals;

(d)(i) Determination by the assessor, after giving the owner written notice and an opportunity to be heard, that all or a portion of the land no longer meets the criteria for classification under this chapter. The criteria for classification pursuant to this chapter continue to apply after classification has been granted.

(ii) The granting authority, upon request of an assessor, ~~((shall))~~ must provide reasonable assistance to the assessor in making a determination whether the land continues to meet the qualifications of RCW 84.34.020 (1) or (3). The assistance ~~((shall))~~ must be provided within thirty days of receipt of the request.

(2) Land may not be removed from classification because of:

(a) The creation, sale, or transfer of forestry riparian easements under RCW 76.13.120; or

(b) The creation, sale, or transfer of a fee interest or a conservation easement for the riparian open space program under RCW 76.09.040.

(3) Within thirty days after the removal of all or a portion of the land from current use classification under subsection (1) of this section, the assessor ~~((shall))~~ must notify the owner in writing, setting forth the reasons for the removal. The seller, transferor, or owner may appeal the removal to the county board of equalization in accordance with the provisions of RCW 84.40.038. The removal notice must explain the

steps needed to appeal the removal decision, including when a notice of appeal must be filed, where the forms may be obtained, and how to contact the county board of equalization.

(4) Unless the removal is reversed on appeal, the assessor ~~((shall))~~ must revalue the affected land with reference to its true and fair value on January 1st of the year of removal from classification. Both the assessed valuation before and after the removal of classification ~~((shall))~~ must be listed and taxes ~~((shall))~~ must be allocated according to that part of the year to which each assessed valuation applies. Except as provided in subsection (6) of this section, an additional tax, applicable interest, and penalty ~~((shall))~~ must be imposed which ~~((shall be))~~ are due and payable to the treasurer thirty days after the owner is notified of the amount of the additional tax. As soon as possible, the assessor ~~((shall))~~ must compute the amount of additional tax, applicable interest, and penalty and the treasurer ~~((shall))~~ must mail notice to the owner of the amount thereof and the date on which payment is due. The amount of the additional tax, applicable interest, and penalty ~~((shall))~~ must be determined as follows:

(a) The amount of additional tax ~~((shall be))~~ is equal to the difference between the property tax paid as "open space land," "farm and agricultural land," or "timber land" and the amount of property tax otherwise due and payable for the seven years last past had the land not been so classified;

(b) The amount of applicable interest ~~((shall be))~~ is equal to the interest upon the amounts of the additional tax paid at the same statutory rate charged on delinquent property taxes from the dates on which the additional tax could have been paid without penalty if the land had been assessed at a value without regard to this chapter;

(c) The amount of the penalty ~~((shall be))~~ is as provided in RCW 84.34.080. The penalty ~~((shall))~~ may not be imposed if the removal satisfies the conditions of RCW 84.34.070.

(5) Additional tax, applicable interest, and penalty ~~((shall))~~ become a lien on the land ~~((which shall attach))~~ that attaches at the time the land is removed from classification under this chapter and ~~((shall))~~ have priority to and ~~((shall))~~ must be fully paid and satisfied before any recognizance, mortgage, judgment, debt, obligation or responsibility to or with which the land may become charged or liable. This lien may be foreclosed upon expiration of the same period after delinquency and in the same manner provided by law for foreclosure of liens for delinquent real property taxes as provided in RCW 84.64.050. Any additional tax unpaid on its due date ~~((shall))~~ will thereupon become delinquent. From the date of delinquency until paid, interest must be charged at the same rate applied by law to delinquent property taxes.

(6) The additional tax, applicable interest, and penalty specified in subsection (4) of this section ~~((shall))~~ may not be imposed if the removal of classification pursuant to subsection (1) of this section resulted solely from:

(a) Transfer to a government entity in exchange for other land located within the state of Washington;

(b)(i) A taking through the exercise of the power of eminent domain, or (ii) sale or transfer to an entity having the power of eminent domain in anticipation of the exercise of such power, said entity having manifested its intent in writing or by other official action;

(c) A natural disaster such as a flood, windstorm, earthquake, or other such calamity rather than by virtue of the act of the landowner changing the use of the property;

(d) Official action by an agency of the state of Washington or by the county or city within which the land is located which disallows the present use of the land;

(e) Transfer of land to a church when the land would qualify for exemption pursuant to RCW 84.36.020;

(f) Acquisition of property interests by state agencies or agencies or organizations qualified under RCW 84.34.210 and 64.04.130 for the purposes enumerated in those sections. At such time as these property interests are not used for the purposes enumerated in RCW 84.34.210

and 64.04.130 the additional tax specified in subsection (4) of this section ~~((shall))~~ must be imposed;

(g) Removal of land classified as farm and agricultural land under RCW 84.34.020(2)(f);

(h) Removal of land from classification after enactment of a statutory exemption that qualifies the land for exemption and receipt of notice to the owner to remove the land from classification;

(i) The creation, sale, or transfer of forestry riparian easements under RCW 76.13.120;

(j) The creation, sale, or transfer of a conservation easement of private forest lands within unconfined channel migration zones or containing critical habitat for threatened or endangered species under RCW 76.09.040;

(k) The sale or transfer of land within two years after the death of the owner of at least a fifty percent interest in the land if the land has been assessed and valued as classified forest land, designated as forest land under chapter 84.33 RCW, or classified under this chapter continuously since 1993. The date of death shown on a death certificate is the date used for the purposes of this subsection (6)(k); or

(l)(i) The discovery that the land was classified under this chapter in error through no fault of the owner. For purposes of this subsection (6)(l), "fault" means a knowingly false or misleading statement, or other act or omission not in good faith, that contributed to the approval of classification under this chapter or the failure of the assessor to remove the land from classification under this chapter.

(ii) For purposes of this subsection (6), the discovery that land was classified under this chapter in error through no fault of the owner is not the sole reason for removal of classification pursuant to subsection (1) of this section if an independent basis for removal exists. Examples of an independent basis for removal include the owner changing the use of the land or failing to meet any applicable income criteria required for classification under this chapter.

SECOND ENGROSSED SUBSTITUTE HOUSE BILL NO. 1117, as amended by the Senate, having received the necessary constitutional majority, was declared passed.

MESSAGE FROM THE SENATE

March 7, 2014

Mr. Speaker:

The Senate has passed SECOND SUBSTITUTE HOUSE BILL NO. 1651 with the following amendment:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The legislature finds that:

(1) The primary goal of the Washington state juvenile justice system is the rehabilitation and reintegration of former juvenile offenders. The public has a compelling interest in the rehabilitation of former juvenile offenders and their successful reintegration into society as active, law-abiding, and contributing members of their communities. When juvenile court records are publicly available, former juvenile offenders face substantial barriers to reintegration, as they are denied housing, employment, and education opportunities on the basis of these records.

(2) The legislature declares it is the policy of the state of Washington that the interest in juvenile rehabilitation and reintegration constitutes compelling circumstances that outweigh the public interest in continued availability of juvenile court records. The legislature intends that juvenile court proceedings be openly administered but, except in limited circumstances, the records of these proceedings be closed when the juvenile has reached the age of eighteen and completed the terms of disposition.

Sec. 2. RCW 13.50.010 and 2013 c 23 s 6 are each amended to read as follows:

(1) For purposes of this chapter:

(a) "Juvenile justice or care agency" means any of the following: Police, diversion units, court, prosecuting attorney, defense attorney, detention center, attorney general, the legislative children's oversight committee, the office of the family and children's ombuds, the department of social and health services and its contracting agencies, schools; persons or public or private agencies having children committed to their custody; and any placement oversight committee created under RCW 72.05.415;

(b) "Official juvenile court file" means the legal file of the juvenile court containing the petition or information, motions, memorandums, briefs, findings of the court, and court orders;

(c) "Records" means the official juvenile court file, the social file, and records of any other juvenile justice or care agency in the case;

(d) "Social file" means the juvenile court file containing the records and reports of the probation counselor.

(2) Each petition or information filed with the court may include only one juvenile and each petition or information shall be filed under a separate docket number. The social file shall be filed separately from the official juvenile court file.

(3) It is the duty of any juvenile justice or care agency to maintain accurate records. To this end:

(a) The agency may never knowingly record inaccurate information. Any information in records maintained by the department of social and health services relating to a petition filed pursuant to chapter 13.34 RCW that is found by the court to be false or inaccurate shall be corrected or expunged from such records by the agency;

(b) An agency shall take reasonable steps to assure the security of its records and prevent tampering with them; and

(c) An agency shall make reasonable efforts to insure the completeness of its records, including action taken by other agencies with respect to matters in its files.

(4) Each juvenile justice or care agency shall implement procedures consistent with the provisions of this chapter to facilitate inquiries concerning records.

(5) Any person who has reasonable cause to believe information concerning that person is included in the records of a juvenile justice or care agency and who has been denied access to those records by the agency may make a motion to the court for an order authorizing that person to inspect the juvenile justice or care agency record concerning that person. The court shall grant the motion to examine records unless it finds that in the interests of justice or in the best interests of the juvenile the records or parts of them should remain confidential.

(6) A juvenile, or his or her parents, or any person who has reasonable cause to believe information concerning that person is included in the records of a juvenile justice or care agency may make a motion to the court challenging the accuracy of any information concerning the moving party in the record or challenging the continued possession of the record by the agency. If the court grants the motion, it shall order the record or information to be corrected or destroyed.

(7) The person making a motion under subsection (5) or (6) of this section shall give reasonable notice of the motion to all parties to the original action and to any agency whose records will be affected by the motion.

(8) The court may permit inspection of records by, or release of information to, any clinic, hospital, or agency which has the subject person under care or treatment. The court may also permit inspection by or release to individuals or agencies, including juvenile justice advisory committees of county law and justice councils, engaged in legitimate research for educational, scientific, or public purposes. ~~((The court shall release to the caseload forecast council records needed for its research and data-gathering functions. Access to records or information for research purposes shall be permitted only if the anonymity of all persons mentioned in the records or information will be preserved.))~~ Each person granted permission to inspect juvenile justice or care agency records for research purposes shall present a

notarized statement to the court stating that the names of juveniles and parents will remain confidential.

(9) The court shall release to the caseload forecast council the records needed for its research and data-gathering functions. Access to caseload forecast data may be permitted by the council for research purposes only if the anonymity of all persons mentioned in the records or information will be preserved.

(10) Juvenile detention facilities shall release records to the caseload forecast council upon request. The commission shall not disclose the names of any juveniles or parents mentioned in the records without the named individual's written permission.

~~((44))~~ (11) Requirements in this chapter relating to the court's authority to compel disclosure shall not apply to the legislative children's oversight committee or the office of the family and children's ombuds.

~~((44))~~ (12) For the purpose of research only, the administrative office of the courts shall maintain an electronic research copy of all records in the judicial information system related to juveniles. Access to the research copy is restricted to the Washington state center for court research. The Washington state center for court research shall maintain the confidentiality of all confidential records and shall preserve the anonymity of all persons identified in the research copy. The research copy may not be subject to any records retention schedule and must include records destroyed or removed from the judicial information system pursuant to ~~((RCW 13.50.050 (17) and (18)))~~ section 5 of this act and RCW 13.50.100(3).

~~((42))~~ (13) The court shall release to the Washington state office of public defense records needed to implement the agency's oversight, technical assistance, and other functions as required by RCW 2.70.020. Access to the records used as a basis for oversight, technical assistance, or other agency functions is restricted to the Washington state office of public defense. The Washington state office of public defense shall maintain the confidentiality of all confidential information included in the records.

Sec. 3. RCW 13.50.050 and 2012 c 177 s 2 are each amended to read as follows:

(1) This section and sections 4 and 5 of this act govern(s) records relating to the commission of juvenile offenses, including records relating to diversions.

(2) The official juvenile court file of any alleged or proven juvenile offender shall be open to public inspection, unless sealed pursuant to ~~((subsection (12) of this))~~ section 4 of this act.

(3) All records other than the official juvenile court file are confidential and may be released only as provided in this ~~((section))~~ chapter, RCW ~~((13.50.010))~~ 13.40.215(~~(c)~~) and 4.24.550.

(4) Except as otherwise provided in this ~~((section and RCW 13.50.010))~~ chapter, records retained or produced by any juvenile justice or care agency may be released to other participants in the juvenile justice or care system only when an investigation or case involving the juvenile in question is being pursued by the other participant or when that other participant is assigned the responsibility for supervising the juvenile.

(5) Except as provided in RCW 4.24.550, information not in an official juvenile court file concerning a juvenile or a juvenile's family may be released to the public only when that information could not reasonably be expected to identify the juvenile or the juvenile's family.

(6) Notwithstanding any other provision of this chapter, the release, to the juvenile or his or her attorney, of law enforcement and prosecuting attorneys' records pertaining to investigation, diversion, and prosecution of juvenile offenses shall be governed by the rules of discovery and other rules of law applicable in adult criminal investigations and prosecutions.

(7) Upon the decision to arrest or the arrest, law enforcement and prosecuting attorneys may cooperate with schools in releasing information to a school pertaining to the investigation, diversion, and prosecution of a juvenile attending the school. Upon the decision to

arrest or the arrest, incident reports may be released unless releasing the records would jeopardize the investigation or prosecution or endanger witnesses. If release of incident reports would jeopardize the investigation or prosecution or endanger witnesses, law enforcement and prosecuting attorneys may release information to the maximum extent possible to assist schools in protecting other students, staff, and school property.

(8) The juvenile court and the prosecutor may set up and maintain a central recordkeeping system which may receive information on all alleged juvenile offenders against whom a complaint has been filed pursuant to RCW 13.40.070 whether or not their cases are currently pending before the court. The central recordkeeping system may be computerized. If a complaint has been referred to a diversion unit, the diversion unit shall promptly report to the juvenile court or the prosecuting attorney when the juvenile has agreed to diversion. An offense shall not be reported as criminal history in any central recordkeeping system without notification by the diversion unit of the date on which the offender agreed to diversion.

(9) Upon request of the victim of a crime or the victim's immediate family, the identity of an alleged or proven juvenile offender alleged or found to have committed a crime against the victim and the identity of the alleged or proven juvenile offender's parent, guardian, or custodian and the circumstance of the alleged or proven crime shall be released to the victim of the crime or the victim's immediate family.

(10) Subject to the rules of discovery applicable in adult criminal prosecutions, the juvenile offense records of an adult criminal defendant or witness in an adult criminal proceeding shall be released upon request to prosecution and defense counsel after a charge has actually been filed. The juvenile offense records of any adult convicted of a crime and placed under the supervision of the adult corrections system shall be released upon request to the adult corrections system.

(11) ~~((In any case in which an information has been filed pursuant to RCW 13.40.100 or a complaint has been filed with the prosecutor and referred for diversion pursuant to RCW 13.40.070, the person the subject of the information or complaint may file a motion with the court to have the court vacate its order and findings, if any, and, subject to subsection (23) of this section, order the sealing of the official juvenile court file, the social file, and records of the court and of any other agency in the case.~~

~~((12)(a) The court shall not grant any motion to seal records for class A offenses made pursuant to subsection (11) of this section that is filed on or after July 1, 1997, unless:~~

~~— (i) Since the last date of release from confinement, including full-time residential treatment, if any, or entry of disposition, the person has spent five consecutive years in the community without committing any offense or crime that subsequently results in an adjudication or conviction;~~

~~— (ii) No proceeding is pending against the moving party seeking the conviction of a juvenile offense or a criminal offense;~~

~~— (iii) No proceeding is pending seeking the formation of a diversion agreement with that person;~~

~~— (iv) The person is no longer required to register as a sex offender under RCW 9A.44.130 or has been relieved of the duty to register under RCW 9A.44.143 if the person was convicted of a sex offense;~~

~~— (v) The person has not been convicted of rape in the first degree, rape in the second degree, or indecent liberties that was actually committed with forcible compulsion; and~~

~~— (vi) Full restitution has been paid.~~

~~((b) The court shall not grant any motion to seal records for class B, C, gross misdemeanor and misdemeanor offenses and diversions made under subsection (11) of this section unless:~~

~~— (i) Since the date of last release from confinement, including full-time residential treatment, if any, entry of disposition, or completion of the diversion agreement, the person has spent two consecutive years in the community without being convicted of any offense or crime;~~

~~— (ii) No proceeding is pending against the moving party seeking the~~

conviction of a juvenile offense or a criminal offense;
 (iii) No proceeding is pending seeking the formation of a diversion agreement with that person;

(iv) The person is no longer required to register as a sex offender under RCW 9A.44.130 or has been relieved of the duty to register under RCW 9A.44.143 if the person was convicted of a sex offense; and

(v) Full restitution has been paid.

(c) Notwithstanding the requirements in (a) or (b) of this subsection, the court shall grant any motion to seal records of any deferred disposition vacated under RCW 13.40.127(9) prior to June 7, 2012, if restitution has been paid and the person is eighteen years of age or older at the time of the motion.

(13) The person making a motion pursuant to subsection (11) of this section shall give reasonable notice of the motion to the prosecution and to any person or agency whose files are sought to be sealed.

(14)(a) If the court grants the motion to seal made pursuant to subsection (11) of this section, it shall, subject to subsection (23) of this section, order sealed the official juvenile court file, the social file, and other records relating to the case as are named in the order. Thereafter, the proceedings in the case shall be treated as if they never occurred, and the subject of the records may reply accordingly to any inquiry about the events, records of which are sealed. Any agency shall reply to any inquiry concerning confidential or sealed records that records are confidential, and no information can be given about the existence or nonexistence of records concerning an individual.

(b) In the event the subject of the juvenile records receives a full and unconditional pardon, the proceedings in the matter upon which the pardon has been granted shall be treated as if they never occurred, and the subject of the records may reply accordingly to any inquiry about the events upon which the pardon was received. Any agency shall reply to any inquiry concerning the records pertaining to the events for which the subject received a pardon that records are confidential, and no information can be given about the existence or nonexistence of records concerning an individual.

(15) Inspection of the files and records included in the order to seal may thereafter be permitted only by order of the court upon motion made by the person who is the subject of the information or complaint, except as otherwise provided in RCW 13.50.010(8) and subsection (23) of this section.

(16) Any adjudication of a juvenile offense or a crime subsequent to sealing has the effect of nullifying the sealing order. Any charging of an adult felony subsequent to the sealing has the effect of nullifying the sealing order for the purposes of chapter 9.94A RCW. The administrative office of the courts shall ensure that the superior court judicial information system provides prosecutors access to information on the existence of sealed juvenile records.

(17)(a)(i) Subject to subsection (23) of this section, all records maintained by any court or law enforcement agency, including the juvenile court, local law enforcement, the Washington state patrol, and the prosecutor's office, shall be automatically destroyed within ninety days of becoming eligible for destruction. Juvenile records are eligible for destruction when:

(A) The person who is the subject of the information or complaint is at least eighteen years of age;

(B) His or her criminal history consists entirely of one diversion agreement or counsel and release entered on or after June 12, 2008;

(C) Two years have elapsed since completion of the agreement or counsel and release;

(E) There is no restitution owing in the case.
 (ii) No less than quarterly, the administrative office of the courts shall provide a report to the juvenile courts of those individuals whose records may be eligible for destruction. The juvenile court shall verify

eligibility and notify the Washington state patrol and the appropriate local law enforcement agency and prosecutor's office of the records to be destroyed. The requirement to destroy records under this subsection is not dependent on a court hearing or the issuance of a court order to destroy records.

(iii) The state and local governments and their officers and employees are not liable for civil damages for the failure to destroy records pursuant to this section.

(b) All records maintained by any court or law enforcement agency, including the juvenile court, local law enforcement, the Washington state patrol, and the prosecutor's office, shall be automatically destroyed within thirty days of being notified by the governor's office that the subject of those records received a full and unconditional pardon by the governor.

(c) A person eighteen years of age or older whose criminal history consists entirely of one diversion agreement or counsel and release entered prior to June 12, 2008, may request that the court order the records in his or her case destroyed. The request shall be granted, subject to subsection (23) of this section, if the court finds that two years have elapsed since completion of the agreement or counsel and release.

(d) A person twenty three years of age or older whose criminal history consists of only referrals for diversion may request that the court order the records in those cases destroyed. The request shall be granted, subject to subsection (23) of this section, if the court finds that all diversion agreements have been successfully completed and no proceeding is pending against the person seeking the conviction of a criminal offense.

(18) If the court grants the motion to destroy records made pursuant to subsection (17)(c) or (d) of this section, it shall, subject to subsection (23) of this section, order the official juvenile court file, the social file, and any other records named in the order to be destroyed.

(19) The person making the motion pursuant to subsection (17)(c) or (d) of this section shall give reasonable notice of the motion to the prosecuting attorney and to any agency whose records are sought to be destroyed.

(20) Any juvenile to whom the provisions of this section or section 4 or 5 of this act may apply shall be given written notice of his or her rights under this section at the time of his or her disposition hearing or during the diversion process.

((21)) (12) Nothing in this section or section 4 or 5 of this act may be construed to prevent a crime victim or a member of the victim's family from divulging the identity of the alleged or proven juvenile offender or his or her family when necessary in a civil proceeding.

((22)) Any juvenile justice or care agency may, subject to the limitations in subsection (23) of this section and (a) and (b) of this subsection, develop procedures for the routine destruction of records relating to juvenile offenses and diversions.

(a) Records may be routinely destroyed only when the person the subject of the information or complaint has attained twenty three years of age or older pursuant to subsection (17)(a) of this section.

(b) The court may not routinely destroy the official juvenile court file or recordings or transcripts of any proceedings.

((23)) (13) Except ((for subsection (17)(b) of this section)) as provided in section 5(2) of this act, no identifying information held by the Washington state patrol in accordance with chapter 43.43 RCW is subject to destruction or sealing under this section. For the purposes of this subsection, identifying information includes photographs, fingerprints, palmprints, soleprints, toeprints and any other data that identifies a person by physical characteristics, name, birthdate or address, but does not include information regarding criminal activity, arrest, charging, diversion, conviction or other information about a person's treatment by the criminal justice system or about the person's behavior.

((24)) (14) Information identifying child victims under age eighteen who are victims of sexual assaults by juvenile offenders is

confidential and not subject to release to the press or public without the permission of the child victim or the child's legal guardian. Identifying information includes the child victim's name, addresses, location, photographs, and in cases in which the child victim is a relative of the alleged perpetrator, identification of the relationship between the child and the alleged perpetrator. Information identifying a child victim of sexual assault may be released to law enforcement, prosecutors, judges, defense attorneys, or private or governmental agencies that provide services to the child victim of sexual assault.

NEW SECTION. Sec. 4. A new section is added to chapter 13.50 RCW to read as follows:

(1)(a) The court shall hold regular sealing hearings. During these regular sealing hearings, the court shall administratively seal an individual's juvenile court record pursuant to the requirements of this subsection unless the court receives an objection to sealing or the court notes a compelling reason not to seal, in which case, the court shall set a contested hearing to be conducted on the record to address sealing. The respondent and his or her attorney shall be given at least eighteen days' notice of any contested sealing hearing and the opportunity to respond to any objections, but the respondent's presence is not required at any sealing hearing pursuant to this subsection.

(d) Following a contested sealing hearing on the record after an objection is made pursuant to (a) of this subsection, the court shall enter a written order sealing the juvenile court record unless the court determines that sealing is not appropriate.

(2) The court shall enter a written order immediately sealing the official juvenile court record upon the acquittal after a fact finding or upon dismissal of charges.

(3) If a juvenile court record has not already been sealed pursuant to this section, in any case in which information has been filed pursuant to RCW 13.40.100 or a complaint has been filed with the prosecutor and referred for diversion pursuant to RCW 13.40.070, the person who is the subject of the information or complaint may file a motion with the court to have the court vacate its order and findings, if any, and, subject to RCW 13.50.050(13), order the sealing of the official juvenile court record, the social file, and records of the court and of any other agency in the case.

(4)(a) The court shall grant any motion to seal records for class A offenses made pursuant to subsection (3) of this section if:

(ii) No proceeding is pending against the moving party seeking the conviction of a juvenile offense or a criminal offense;

(iii) No proceeding is pending seeking the formation of a diversion agreement with that person;

(iv) The person is no longer required to register as a sex offender under RCW 9A.44.130 or has been relieved of the duty to register under RCW 9A.44.143 if the person was convicted of a sex offense; and

(v) Full restitution has been paid.

(c) Notwithstanding the requirements in (a) or (b) of this subsection, the court shall grant any motion to seal records of any deferred disposition vacated under RCW 13.40.127(9) prior to June 7, 2012, if restitution has been paid and the person is eighteen years of age or older at the time of the motion.

(5) The person making a motion pursuant to subsection (3) of this section shall give reasonable notice of the motion to the prosecution and to any person or agency whose records are sought to be sealed.

(6)(a) If the court enters a written order sealing the juvenile court record pursuant to this section, it shall, subject to RCW 13.50.050(13), order sealed the official juvenile court record, the social file, and other records relating to the case as are named in the order. Thereafter, the proceedings in the case shall be treated as if they never occurred, and the subject of the records may reply accordingly to any inquiry about the events, records of which are sealed. Any agency shall reply to any inquiry concerning confidential or sealed records that records are confidential, and no information can be given about the existence or nonexistence of records concerning an individual.

(b) In the event the subject of the juvenile records receives a full and unconditional pardon, the proceedings in the matter upon which the pardon has been granted shall be treated as if they never occurred, and the subject of the records may reply accordingly to any inquiry about the events upon which the pardon was received. (7) Inspection of the files and records included in the order to seal may thereafter be permitted only by order of the court upon motion made by the person who is the subject of the information or complaint, except as otherwise provided in RCW 13.50.010(8) and 13.50.050(13).

(8)(a) Any adjudication of a juvenile offense or a crime subsequent to sealing has the effect of nullifying a sealing order; however, the court may order the juvenile court record resealed upon disposition of the subsequent matter if the case meets the sealing criteria under this section and the court record has not previously been resealed.

(b) Any charging of an adult felony subsequent to the sealing has the effect of nullifying the sealing order.

(c) The administrative office of the courts shall ensure that the superior court judicial information system provides prosecutors access to information on the existence of sealed juvenile records.

(9) If the juvenile court record has been sealed pursuant to this section, the record of an employee is not admissible in an action for

liability against the employer based on the former juvenile offender's conduct to show that the employer knew or should have known of the juvenile record of the employee. The record may be admissible, however, if a background check conducted or authorized by the employer contained the information in the sealed record.

NEW SECTION. Sec. 5. A new section is added to chapter 13.50 RCW to read as follows:

(1)(a) Subject to RCW 13.50.050(13), all records maintained by any court or law enforcement agency, including the juvenile court, local law enforcement, the Washington state patrol, and the prosecutor's office, shall be automatically destroyed within ninety days of becoming eligible for destruction. (v) There is no restitution owing in the case.

(b) No less than quarterly, the administrative office of the courts shall provide a report to the juvenile courts of those individuals whose records may be eligible for destruction. (2) All records maintained by any court or law enforcement agency, including the juvenile court, local law enforcement, the Washington state patrol, and the prosecutor's office, shall be automatically destroyed within thirty days of being notified by the governor's office that the subject of those records received a full and unconditional pardon by the governor.

(3)(a) A person may request that the court order the records in his or her case destroyed as follows:

(i) A person eighteen years of age or older whose criminal history consists entirely of one diversion agreement or counsel and release entered prior to June 12, 2008. The request shall be granted if the court finds that two years have elapsed since completion of the agreement or counsel and release.

(c) The person making the motion pursuant to this subsection must give reasonable notice of the motion to the prosecuting attorney and to any agency whose records are sought to be destroyed.

Sec. 6. RCW 13.40.127 and 2013 c 179 s 5 are each amended to read as follows:

(1) A juvenile is eligible for deferred disposition unless he or she:

(a) Is charged with a sex or violent offense;

(b) Has a criminal history which includes any felony;

(c) Has a prior deferred disposition or deferred adjudication; or

(d) Has two or more adjudications.

(2) The juvenile court may, upon motion at least fourteen days before commencement of trial and, after consulting the juvenile's custodial parent or parents or guardian and with the consent of the juvenile, continue the case for disposition for a period not to exceed one year from the date the juvenile is found guilty. The court shall consider whether the offender and the community will benefit from a deferred disposition before deferring the disposition. The court may waive the fourteen-day period anytime before the commencement of trial for good cause.

(3) Any juvenile who agrees to a deferral of disposition shall:

(a) Stipulate to the admissibility of the facts contained in the written police report;

(b) Acknowledge that the report will be entered and used to support a finding of guilt and to impose a disposition if the juvenile fails to comply with terms of supervision;

(c) Waive the following rights to: (i) A speedy disposition; and (ii) call and confront witnesses; and

(d) Acknowledge the direct consequences of being found guilty and the direct consequences that will happen if an order of disposition is entered.

The adjudicatory hearing shall be limited to a reading of the court's record.

(4) Following the stipulation, acknowledgment, waiver, and entry of a finding or plea of guilt, the court shall defer entry of an order of disposition of the juvenile.

(5) Any juvenile granted a deferral of disposition under this section shall be placed under community supervision. The court may impose any conditions of supervision that it deems appropriate including posting a probation bond. Payment of restitution under RCW 13.40.190 shall be a condition of community supervision under this section.

The court may require a juvenile offender convicted of animal cruelty in the first degree to submit to a mental health evaluation to determine if the offender would benefit from treatment and such intervention would promote the safety of the community. After consideration of the results of the evaluation, as a condition of community supervision, the court may order the offender to attend treatment to address issues pertinent to the offense.

The court may require the juvenile to undergo a mental health or substance abuse assessment, or both. If the assessment identifies a need for treatment, conditions of supervision may include treatment for the assessed need that has been demonstrated to improve behavioral health and reduce recidivism.

(6) A parent who signed for a probation bond has the right to notify the counselor if the juvenile fails to comply with the bond or conditions of supervision. The counselor shall notify the court and surety of any failure to comply. A surety shall notify the court of the juvenile's failure to comply with the probation bond. The state shall bear the burden to prove, by a preponderance of the evidence, that the juvenile has failed to comply with the terms of community supervision.

(7)(a) Anytime prior to the conclusion of the period of supervision, the prosecutor or the juvenile's juvenile court community supervision counselor may file a motion with the court requesting the court revoke the deferred disposition based on the juvenile's lack of compliance or treat the juvenile's lack of compliance as a violation pursuant to RCW 13.40.200.

(b) If the court finds the juvenile failed to comply with the terms of the deferred disposition, the court may:

(i) Revoke the deferred disposition and enter an order of disposition; or

(ii) Impose sanctions for the violation pursuant to RCW 13.40.200.

(8) At any time following deferral of disposition the court may, following a hearing, continue supervision for an additional one-year period for good cause.

(9)(a) At the conclusion of the period of supervision, the court shall determine whether the juvenile is entitled to dismissal of the deferred disposition only when the court finds:

(i) The deferred disposition has not been previously revoked;

(ii) The juvenile has completed the terms of supervision;

(iii) There are no pending motions concerning lack of compliance pursuant to subsection (7) of this section; and

(iv) The juvenile has either paid the full amount of restitution, or, made a good faith effort to pay the full amount of restitution during the period of supervision.

(b) If the court finds the juvenile is entitled to dismissal of the deferred disposition pursuant to (a) of this subsection, the juvenile's conviction shall be vacated and the court shall dismiss the case with prejudice, except that a conviction under RCW 16.52.205 shall not be vacated. Whenever a case is dismissed with restitution still owing, the court shall enter a restitution order pursuant to RCW 13.40.190 for any unpaid restitution. Jurisdiction to enforce payment and modify terms of the restitution order shall be the same as those set forth in RCW 13.40.190.

(c) If the court finds the juvenile is not entitled to dismissal of the deferred disposition pursuant to (a) of this subsection, the court shall revoke the deferred disposition and enter an order of disposition. A deferred disposition shall remain a conviction unless the case is dismissed and the conviction is vacated pursuant to (b) of this subsection or sealed pursuant to ~~((RCW 13.50.050))~~ section 4 of this act.

(10)(a)(i) Any time the court vacates a conviction pursuant to subsection (9) of this section, if the juvenile is eighteen years of age or older and the full amount of restitution ordered has been paid, the court shall enter a written order sealing the case.

(ii) Any time the court vacates a conviction pursuant to subsection (9) of this section, if the juvenile is not eighteen years of age or older and full restitution ordered has been paid, the court shall schedule an administrative sealing hearing to take place no later than thirty days after the respondent's eighteenth birthday, at which time the court shall enter a written order sealing the case. The respondent's presence at the administrative sealing hearing is not required.

(iii) Any deferred disposition vacated prior to June 7, 2012, is not subject to sealing under this subsection.

(b) Nothing in this subsection shall preclude a juvenile from petitioning the court to have the records of his or her deferred dispositions sealed under ~~((RCW 13.50.050 (11) and (12)))~~ section 4 of this act.

(c) Records sealed under this provision shall have the same legal status as records sealed under ~~((RCW 13.50.050))~~ section 4 of this act.

Sec. 7. RCW 13.40.190 and 2010 c 134 s 1 are each amended to read as follows:

(1)(a) In its dispositional order, the court shall require the respondent to make restitution to any persons who have suffered loss or damage as a result of the offense committed by the respondent. In addition, restitution may be ordered for loss or damage if the offender pleads guilty to a lesser offense or fewer offenses and agrees with the prosecutor's recommendation that the offender be required to pay restitution to a victim of an offense or offenses which, pursuant to a plea agreement, are not prosecuted.

(b) Restitution may include the costs of counseling reasonably related to the offense.

(c) The payment of restitution shall be in addition to any punishment which is imposed pursuant to the other provisions of this chapter.

(d) The court may determine the amount, terms, and conditions of the restitution including a payment plan extending up to ten years if the court determines that the respondent does not have the means to make full restitution over a shorter period. For the purposes of this section, the respondent shall remain under the court's jurisdiction for a maximum term of ten years after the respondent's eighteenth birthday and, during this period, the restitution portion of the dispositional order may be modified as to amount, terms, and conditions at any time. Prior to the expiration of the ten-year period, the juvenile court may extend the judgment for the payment of restitution for an additional ten years. If the court grants a respondent's petition pursuant to ~~((RCW 13.50.050(11)))~~ section 4 of this act, the court's jurisdiction under this subsection shall terminate.

(e) Nothing in this section shall prevent a respondent from petitioning the court pursuant to ~~((RCW 13.50.050(11)))~~ section 4 of this act if the respondent has paid the full restitution amount stated in the court's order and has met the statutory criteria.

(f) If the respondent participated in the crime with another person or other persons, all such participants shall be jointly and severally responsible for the payment of restitution.

(g) At any time, the court may determine that the respondent is not required to pay, or may relieve the respondent of the requirement to pay, full or partial restitution to any insurance provider authorized under Title 48 RCW if the respondent reasonably satisfies the court that he or she does not have the means to make full or partial restitution to the insurance provider and could not reasonably acquire the means to pay the insurance provider the restitution over a ten-year period.

(2) Regardless of the provisions of subsection (1) of this section, the court shall order restitution in all cases where the victim is entitled to benefits under the crime victims' compensation act, chapter 7.68 RCW. If the court does not order restitution and the victim of the crime has been determined to be entitled to benefits under the crime victims' compensation act, the department of labor and industries, as administrator of the crime victims' compensation program, may petition the court within one year of entry of the disposition order for entry of a restitution order. Upon receipt of a petition from the department of labor and industries, the court shall hold a restitution hearing and shall enter a restitution order.

(3) If an order includes restitution as one of the monetary assessments, the county clerk shall make disbursements to victims named in the order. The restitution to victims named in the order shall be paid prior to any payment for other penalties or monetary assessments.

(4) For purposes of this section, "victim" means any person who has sustained emotional, psychological, physical, or financial injury to person or property as a direct result of the offense charged. "Victim" may also include a known parent or guardian of a victim who is a minor child or is not a minor child but is incapacitated, incompetent, disabled, or deceased.

(5) A respondent under obligation to pay restitution may petition the court for modification of the restitution order.

Sec. 8. RCW 13.50.100 and 2013 c 23 s 7 are each amended to read as follows:

(1) This section governs records not covered by RCW 13.50.050 and sections 4 and 5 of this act.

(2) Records covered by this section shall be confidential and shall be released only pursuant to this section and RCW 13.50.010.

(3) Records retained or produced by any juvenile justice or care agency may be released to other participants in the juvenile justice or care system only when an investigation or case involving the juvenile in question is being pursued by the other participant or when that other participant is assigned the responsibility of supervising the juvenile. Records covered under this section and maintained by the juvenile

courts which relate to the official actions of the agency may be entered in the statewide judicial information system. However, truancy records associated with a juvenile who has no other case history, and records of a juvenile's parents who have no other case history, shall be removed from the judicial information system when the juvenile is no longer subject to the compulsory attendance laws in chapter 28A.225 RCW. A county clerk is not liable for unauthorized release of this data by persons or agencies not in his or her employ or otherwise subject to his or her control, nor is the county clerk liable for inaccurate or incomplete information collected from litigants or other persons required to provide identifying data pursuant to this section.

(4) Subject to (a) of this subsection, the department of social and health services may release information retained in the course of conducting child protective services investigations to a family or juvenile court hearing a petition for custody under chapter 26.10 RCW.

(5) Any disclosure of records or information by the department of social and health services pursuant to this section shall not be deemed a waiver of any confidentiality or privilege attached to the records or information by operation of any state or federal statute or regulation, and any recipient of such records or information shall maintain it in such a manner as to comply with such state and federal statutes and regulations and to protect against unauthorized disclosure.

(6) A contracting agency or service provider of the department of social and health services that provides counseling, psychological, psychiatric, or medical services may release to the office of the family and children's ombuds information or records relating to services provided to a juvenile who is dependent under chapter 13.34 RCW without the consent of the parent or guardian of the juvenile, or of the juvenile if the juvenile is under the age of thirteen years, unless such release is otherwise specifically prohibited by law.

(7) A juvenile, his or her parents, the juvenile's attorney, and the juvenile's parent's attorney, shall, upon request, be given access to all records and information collected or retained by a juvenile justice or care agency which pertain to the juvenile except:

(a) If it is determined by the agency that release of this information is likely to cause severe psychological or physical harm to the juvenile or his or her parents the agency may withhold the information subject to other order of the court: **PROVIDED**, That if the court determines that limited release of the information is appropriate, the court may specify terms and conditions for the release of the information; or

(b) If the information or record has been obtained by a juvenile justice or care agency in connection with the provision of counseling, psychological, psychiatric, or medical services to the juvenile, when the services have been sought voluntarily by the juvenile, and the juvenile has a legal right to receive those services without the consent of any person or agency, then the information or record may not be disclosed to the juvenile's parents without the informed consent of the juvenile unless otherwise authorized by law; or

(c) That the department of social and health services may delete the name and identifying information regarding persons or organizations who have reported alleged child abuse or neglect.

(8) A juvenile or his or her parent denied access to any records following an agency determination under subsection (7) of this section may file a motion in juvenile court requesting access to the records.

The court shall grant the motion unless it finds access may not be permitted according to the standards found in subsection (7)(a) and (b) of this section.

(9) The person making a motion under subsection (8) of this section shall give reasonable notice of the motion to all parties to the original action and to any agency whose records will be affected by the motion.

(10) Subject to the rules of discovery in civil cases, any party to a proceeding seeking a declaration of dependency or a termination of the parent-child relationship and any party's counsel and the guardian ad litem of any party, shall have access to the records of any natural or adoptive child of the parent, subject to the limitations in subsection (7) of this section. A party denied access to records may request judicial review of the denial. If the party prevails, he or she shall be awarded attorneys' fees, costs, and an amount not less than five dollars and not more than one hundred dollars for each day the records were wrongfully denied.

MESSAGE FROM THE SENATE

March 7, 2014

Mr. Speaker:

The Senate has passed ENGROSSED SUBSTITUTE HOUSE BILL NO. 2626 with the following amendment:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. (1) The legislature finds that increasing educational attainment is vital to the well-being of Washingtonians and critical to the health of the state's economy. Education opens doors to gainful employment, higher wages, increased job benefits, improved physical health, and increased civic engagement. Educated workers who are capable of competing for high-demand jobs in today's global economy sustain existing employers and attract new businesses. These individuals with competitive higher education credentials directly contribute to the state's economic growth and vitality.

(2) The legislature finds that workforce and labor market projections estimate that by 2020 the vast majority of jobs in Washington will require at least a high school diploma or equivalent and seventy percent of those jobs will also require some postsecondary education.

(3) The legislature finds that current levels of educational attainment are inadequate to address the educational needs of the state. In 2013, eighty-nine percent of Washington adults ages twenty-five to forty-four had a high school diploma or equivalent, and less than fifty percent of Washington adults ages twenty-five to forty-four have a postsecondary credential.

(4) The legislature recognizes that one of the most important duties of the student achievement council is to propose educational attainment goals to the governor and legislature and develop a ten-year roadmap to achieve those goals, to be updated every two years.

NEW SECTION. Sec. 2. Acknowledging the recommendations in the higher education ten-year roadmap, the legislature is encouraged by the student achievement council's efforts to meet the following two goals in order to meet the societal and economic needs of the future:

(1) All adults in Washington ages twenty-five to forty-four will have a high school diploma or equivalent by 2023; and

(2) At least seventy percent of Washington adults ages twenty-five to forty-four will have a postsecondary credential by 2023.

NEW SECTION. Sec. 3. This act expires July 1, 2016."

On page 1, line 2 of the title, after "goals;" strike the remainder of the title and insert "creating new sections; and providing an expiration date."

and the same is herewith transmitted.

ENGROSSED SUBSTITUTE HOUSE BILL NO. 2626, as amended by the Senate, having received the necessary constitutional majority, was declared passed.

MESSAGE FROM THE SENATE

March 6, 2014

Mr. Speaker:

The Senate has passed SECOND SUBSTITUTE HOUSE BILL NO. 2627 with the following amendment:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The legislature finds that the large number of individuals involved in the juvenile justice and criminal justice systems with substance abuse challenges is of significant concern. Access to effective treatment is critical to the successful treatment of individuals in the early stages of their contact with the juvenile justice and criminal justice systems. Such access may prevent further involvement in the systems. The effective use of substance abuse treatment options can result not only in significant cost savings for the juvenile justice and criminal justice systems, but can benefit the lives of individuals who face substance abuse challenges.

NEW SECTION. Sec. 2. A new section is added to chapter 10.31 RCW to read as follows:

(1) A pilot program is established in Snohomish county for the purpose of studying the effect of chemical dependency diversions as described in this section.

(2) When a police officer has reasonable cause to believe that the individual:

(a) Has committed acts constituting a nonfelony crime that is not a serious offense as identified in RCW 9.41.010;

(b) Has not committed a possible violation of laws relating to driving or being in physical control of a vehicle while under the influence of intoxicating liquor or any drug under chapter 46.20 RCW; and

(c) Is known by history or consultation with staff designated by the county to suffer from a chemical dependency, as defined in RCW 70.96A.020, the arresting officer may:

(i) Take the individual to an approved chemical dependency treatment provider for treatment. The individual must be examined by a chemical dependency treatment provider within three hours of arrival;

(ii) Take the individual to an emergency medical service customarily used for incapacitated persons, if no approved treatment

program is readily available. The individual must be examined by a chemical dependency treatment provider within three hours of arrival;

(iii) Refer the individual to a chemical dependency professional for initial detention and proceeding under chapter 70.96A RCW; or

(iv) Release the individual upon agreement to voluntary participation in outpatient treatment.

(3) If the individual is released to the community, the chemical dependency provider shall inform the arresting officer of the release within a reasonable period of time after the release if the arresting officer has specifically requested notification and provided contact information to the provider.

(4) In deciding whether to refer the individual to treatment under this section, the police officer shall be guided by standards mutually agreed upon with the prosecuting authority, which address, at a minimum, the length, seriousness, and recency of the known criminal history of the individual, the mental health and substance abuse history of the individual, where available, and the circumstances surrounding the commission of the alleged offense.

(5) The police officer shall submit a written report to the prosecuting attorney within ten days.

(6) Any agreement to participate in treatment shall not require individuals to stipulate to any of the alleged facts regarding the criminal activity as a prerequisite to participation in a chemical dependency treatment alternative. The agreement is inadmissible in any criminal or civil proceeding. The agreement does not create immunity from prosecution for the alleged criminal activity.

(7) If an individual violates such agreement and the chemical dependency treatment alternative is no longer appropriate, the chemical dependency provider shall inform the referring law enforcement agency of the violation.

(8) Nothing in this section may be construed as barring the referral of charges to the prosecuting attorney, or the filing of criminal charges by the prosecuting attorney.

(9) The police officer, staff designated by the county, or treatment facility personnel are immune from liability for any good faith conduct under this section.

NEW SECTION. Sec. 3. Snohomish county shall evaluate the effects of the pilot program as provided in section 2 of this act. Snohomish county shall submit a report to the legislature consistent with RCW 43.01.036. The report must summarize the effectiveness of the pilot program and include: How often the chemical dependency diversion was used, the kind of treatment the person engaged in, how often treatment was completed, the number of prosecutions, any cost savings to the county or state, any cost shifting from the county or state onto other systems, and the recidivism rate of offenders involved in the pilot program. The report may include any recommendations to the legislature to improve the effectiveness of the pilot program. The report is due July 1, 2015, and every other year until July 1, 2019.

Sec. 4. RCW 13.40.042 and 2013 c 179 s 2 are each amended to read as follows:

(1) When a police officer has reasonable cause to believe that a juvenile has committed acts constituting a nonfelony crime that is not a serious offense as identified in RCW 10.77.092, and the officer believes that the juvenile suffers from a mental disorder, and the local prosecutor has entered into an agreement with law enforcement regarding the detention of juveniles who may have a mental disorder or may be suffering from chemical dependency, the arresting officer, instead of taking the juvenile to the local juvenile detention facility, may take the juvenile to:

(a) An evaluation and treatment facility as defined in RCW 71.34.020 if the juvenile suffers from a mental disorder and the facility has been identified as an alternative location by agreement of the prosecutor, law enforcement, and the mental health provider;

(b) A facility or program identified by agreement of the prosecutor and law enforcement; or

(c) A location already identified and in use by law enforcement for the purpose of ~~((mental))~~ a behavioral health diversion.

(2) For the purposes of this section, an "alternative location" means a facility or program that has the capacity to evaluate a youth and, if determined to be appropriate, develop a behavioral health intervention plan and initiate treatment.

(3) If a juvenile is taken to any location described in subsection (1)(a) or (b) of this section, the juvenile may be held for up to twelve hours and must be examined by a mental health or chemical dependency professional within three hours of arrival.

(4) The authority provided pursuant to this section is in addition to existing authority under RCW 10.31.110 and section 2 of this act.

Sec. 5. RCW 13.40.080 and 2013 c 179 s 4 are each amended to read as follows:

(1) A diversion agreement shall be a contract between a juvenile accused of an offense and a diversion unit whereby the juvenile agrees to fulfill certain conditions in lieu of prosecution. Such agreements may be entered into only after the prosecutor, or probation counselor pursuant to this chapter, has determined that probable cause exists to believe that a crime has been committed and that the juvenile committed it. Such agreements shall be entered into as expeditiously as possible.

(2) A diversion agreement shall be limited to one or more of the following:

(a) Community restitution not to exceed one hundred fifty hours, not to be performed during school hours if the juvenile is attending school;

(b) Restitution limited to the amount of actual loss incurred by any victim;

(c) Attendance at up to ten hours of counseling and/or up to twenty hours of educational or informational sessions at a community agency. The educational or informational sessions may include sessions relating to respect for self, others, and authority; victim awareness; accountability; self-worth; responsibility; work ethics; good citizenship; literacy; and life skills. If an assessment identifies mental health or chemical dependency needs, a youth may access up to thirty hours of counseling. The counseling sessions may include services demonstrated to improve behavioral health and reduce recidivism. For purposes of this section, "community agency" may also mean a community-based nonprofit organization, a physician, a counselor, a school, or a treatment provider, if approved by the diversion unit. The state shall not be liable for costs resulting from the diversion unit exercising the option to permit diversion agreements to mandate attendance at up to thirty hours of counseling and/or up to twenty hours of educational or informational sessions;

(d) A fine, not to exceed one hundred dollars;

(e) Requirements to remain during specified hours at home, school, or work, and restrictions on leaving or entering specified geographical areas; and

(f) Upon request of any victim or witness, requirements to refrain from any contact with victims or witnesses of offenses committed by the juvenile.

(3) Notwithstanding the provisions of subsection (2) of this section, youth courts are not limited to the conditions imposed by subsection (2) of this section in imposing sanctions on juveniles pursuant to RCW 13.40.630.

(4) In assessing periods of community restitution to be performed and restitution to be paid by a juvenile who has entered into a diversion agreement, the court officer to whom this task is assigned shall consult with the juvenile's custodial parent or parents or guardian. To the extent possible, the court officer shall advise the victims of the juvenile offender of the diversion process, offer victim impact letter forms and restitution claim forms, and involve members of the community. Such members of the community shall meet with the juvenile and advise the court officer as to the terms of the diversion agreement and shall supervise the juvenile in carrying out its terms.

(5)(a) A diversion agreement may not exceed a period of six months and may include a period extending beyond the eighteenth birthday of the diveree.

(b) If additional time is necessary for the juvenile to complete restitution to a victim, the time period limitations of this subsection may be extended by an additional six months.

(c) If the juvenile has not paid the full amount of restitution by the end of the additional six-month period, then the juvenile shall be referred to the juvenile court for entry of an order establishing the amount of restitution still owed to the victim. In this order, the court shall also determine the terms and conditions of the restitution, including a payment plan extending up to ten years if the court determines that the juvenile does not have the means to make full restitution over a shorter period. For the purposes of this subsection (5)(c), the juvenile shall remain under the court's jurisdiction for a maximum term of ten years after the juvenile's eighteenth birthday. Prior to the expiration of the initial ten-year period, the juvenile court may extend the judgment for restitution an additional ten years. The court may relieve the juvenile of the requirement to pay full or partial restitution if the juvenile reasonably satisfies the court that he or she does not have the means to make full or partial restitution and could not reasonably acquire the means to pay the restitution over a ten-year period. If the court relieves the juvenile of the requirement to pay full or partial restitution, the court may order an amount of community restitution that the court deems appropriate. The county clerk shall make disbursements to victims named in the order. The restitution to victims named in the order shall be paid prior to any payment for other penalties or monetary assessments. A juvenile under obligation to pay restitution may petition the court for modification of the restitution order.

(6) The juvenile shall retain the right to be referred to the court at any time prior to the signing of the diversion agreement.

(7) Divertees and potential divertees shall be afforded due process in all contacts with a diversion unit regardless of whether the juveniles are accepted for diversion or whether the diversion program is successfully completed. Such due process shall include, but not be limited to, the following:

(a) A written diversion agreement shall be executed stating all conditions in clearly understandable language;

(b) Violation of the terms of the agreement shall be the only grounds for termination;

(c) No diveree may be terminated from a diversion program without being given a court hearing, which hearing shall be preceded by:

(i) Written notice of alleged violations of the conditions of the diversion program; and

(ii) Disclosure of all evidence to be offered against the diveree;

(d) The hearing shall be conducted by the juvenile court and shall include:

(i) Opportunity to be heard in person and to present evidence;

(ii) The right to confront and cross-examine all adverse witnesses;

(iii) A written statement by the court as to the evidence relied on and the reasons for termination, should that be the decision; and

(iv) Demonstration by evidence that the diveree has substantially violated the terms of his or her diversion agreement;

(e) The prosecutor may file an information on the offense for which the diveree was diverted:

(i) In juvenile court if the diveree is under eighteen years of age; or

(ii) In superior court or the appropriate court of limited jurisdiction if the diveree is eighteen years of age or older.

(8) The diversion unit shall, subject to available funds, be responsible for providing interpreters when juveniles need interpreters to effectively communicate during diversion unit hearings or negotiations.

(9) The diversion unit shall be responsible for advising a diveree of his or her rights as provided in this chapter.

(10) The diversion unit may refer a juvenile to a restorative justice program, community-based counseling, or treatment programs.

(11) The right to counsel shall inure prior to the initial interview for purposes of advising the juvenile as to whether he or she desires to participate in the diversion process or to appear in the juvenile court. The juvenile may be represented by counsel at any critical stage of the diversion process, including intake interviews and termination hearings. The juvenile shall be fully advised at the intake of his or her right to an attorney and of the relevant services an attorney can provide. For the purpose of this section, intake interviews mean all interviews regarding the diversion agreement process.

The juvenile shall be advised that a diversion agreement shall constitute a part of the juvenile's criminal history as defined by RCW 13.40.020(7). A signed acknowledgment of such advisement shall be obtained from the juvenile, and the document shall be maintained by the diversion unit together with the diversion agreement, and a copy of both documents shall be delivered to the prosecutor if requested by the prosecutor. The supreme court shall promulgate rules setting forth the content of such advisement in simple language.

(12) When a juvenile enters into a diversion agreement, the juvenile court may receive only the following information for dispositional purposes:

(a) The fact that a charge or charges were made;

(b) The fact that a diversion agreement was entered into;

(c) The juvenile's obligations under such agreement;

(d) Whether the alleged offender performed his or her obligations under such agreement; and

(e) The facts of the alleged offense.

(13) A diversion unit may refuse to enter into a diversion agreement with a juvenile. When a diversion unit refuses to enter a diversion agreement with a juvenile, it shall immediately refer such juvenile to the court for action and shall forward to the court the criminal complaint and a detailed statement of its reasons for refusing to enter into a diversion agreement. The diversion unit shall also immediately refer the case to the prosecuting attorney for action if such juvenile violates the terms of the diversion agreement.

(14) A diversion unit may, in instances where it determines that the act or omission of an act for which a juvenile has been referred to it involved no victim, or where it determines that the juvenile referred to it has no prior criminal history and is alleged to have committed an illegal act involving no threat of or instance of actual physical harm and involving not more than fifty dollars in property loss or damage and that there is no loss outstanding to the person or firm suffering such damage or loss, counsel and release or release such a juvenile without entering into a diversion agreement. A diversion unit's authority to counsel and release a juvenile under this subsection includes the authority to refer the juvenile to community-based counseling or treatment programs or a restorative justice program. Any juvenile released under this subsection shall be advised that the act or omission of any act for which he or she had been referred shall constitute a part of the juvenile's criminal history as defined by RCW 13.40.020(7). A signed acknowledgment of such advisement shall be obtained from the juvenile, and the document shall be maintained by the unit, and a copy of the document shall be delivered to the prosecutor if requested by the prosecutor. The supreme court shall promulgate rules setting forth the content of such advisement in simple language. A juvenile determined to be eligible by a diversion unit for release as provided in this subsection shall retain the same right to counsel and right to have his or her case referred to the court for formal action as any other juvenile referred to the unit.

(15) A diversion unit may supervise the fulfillment of a diversion agreement entered into before the juvenile's eighteenth birthday and which includes a period extending beyond the diveree's eighteenth birthday.

(16) If a fine required by a diversion agreement cannot reasonably be paid due to a change of circumstance, the diversion agreement may be modified at the request of the divertee and with the concurrence of the diversion unit to convert an unpaid fine into community restitution. The modification of the diversion agreement shall be in writing and signed by the divertee and the diversion unit. The number of hours of community restitution in lieu of a monetary penalty shall be converted at the rate of the prevailing state minimum wage per hour.

(17) Fines imposed under this section shall be collected and paid into the county general fund in accordance with procedures established by the juvenile court administrator under RCW 13.04.040 and may be used only for juvenile services. In the expenditure of funds for juvenile services, there shall be a maintenance of effort whereby counties exhaust existing resources before using amounts collected under this section.

NEW SECTION. Sec. 6. Sections 2 and 3 of this act expire July 31, 2019."
