MESSAGE FROM THE HOUSE

April 6, 2023

MR. PRESIDENT:

The House passed SUBSTITUTE SENATE BILL NO. 5189 with the following amendment(s): 5189-S AMH APP H1838.1

Strike everything after the enacting clause and insert the following:

NEW SECTION. Sec. 1. The legislature finds that a behavioral health support specialist is a new member of the workforce in Washington state trained in the competencies developed by the University of Washington behavioral health support specialist clinical training program. The behavioral health support specialist clinical training program is characterized by brief, evidence-based interventions delivered to the intensity and expected duration of the behavioral health problem. The approach features routine outcome monitoring and regular, outcome-focused supervision. Use of behavioral health support specialists in Washington is expected to improve access to behavioral health services and ease workforce shortages while helping behavioral health professionals work at the top of their scope of practice.

NEW SECTION. Sec. 2. The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

(1) "Adult" means a person 18 years of age or older.

(2) "Applicant" means a person who completes the required application, pays the required fee, is at least 18 years of age, and meets any background check requirements and uniform disciplinary act requirements.

(3) "Behavioral health" is a term that encompasses mental health, substance use, and co-occurring disorders.

(4) "Behavioral health support specialist" means a person certified to deliver brief, evidence-based interventions with a scope of practice that includes behavioral health under the supervision of a Washington state credentialed provider who has the ability to assess, diagnose, and treat identifiable mental and behavioral health conditions as part of their scope of practice. A behavioral health support specialist does not have within their scope of practice the ability to make diagnoses but does track and monitor treatment response and outcomes using measurement-based care.

(5) "Department" means the department of health.

(6) "Registered apprenticeship" means an apprenticeship program approved by the Washington state apprenticeship and training council according to chapter 49.04 RCW.

(7) "Secretary" means the secretary of health or the secretary's designee.

NEW SECTION. Sec. 3. The department shall collaborate with the University of Washington department of psychiatry and behavioral sciences and consult with other stakeholders to develop rules to implement this chapter by January 1, 2025, which shall be consistent with the University of Washington behavioral health support specialist clinical training program guidelines, and shall include appropriate standards for approval of educational programs for behavioral health support specialists, which shall include a practicum component and may be integrated into a bachelor's degree program or structured as a postbaccalaureate continuing education program or registered

apprenticeship in combination with an approved bachelor's degree or postbaccalaureate certificate.

NEW SECTION. Sec. 4. A person may not represent themselves as a behavioral health support specialist without being certified by the department.

NEW SECTION. Sec. 5. Nothing in this chapter shall be construed to prohibit or restrict delivery of behavioral health interventions by an individual otherwise regulated under this title and performing services within their authorized scope of practice.

NEW SECTION. Sec. 6. In addition to any other authority provided by law, the secretary has the authority to:

(1) Adopt rules under chapter 34.05 RCW necessary to implement this chapter. Any rules adopted shall be in consultation with the University of Washington;

(2) Establish all certification, examination, and renewal fees in accordance with RCW 43.70.250;

(3) Establish forms and procedures necessary to administer this chapter;

(4) Issue certifications to applicants who have met the education, which may include registered apprenticeships, practicum, and examination requirements for certification and to deny a certification to applicants who do not meet the requirements;

(5) Develop, administer, and supervise the grading and taking of an examination for applicants for certification;

(6) Adopt rules requiring completion of 20 hours of continuing education every two years after initial certification for certification renewal;

(7) Maintain the official record of all applicants and certification holders; and

(8) Establish by rule the procedures for an appeal of an examination failure.

NEW SECTION. Sec. 7. The uniform disciplinary act, chapter 18.130 RCW, governs uncertified practice, the issuance and denial of certification, and the discipline of persons certified under this chapter. The secretary shall be the disciplinary authority under this chapter.

NEW SECTION. Sec. 8. The secretary shall issue a certification to any applicant who demonstrates to the satisfaction of the secretary that the applicant meets the following requirements:

(1) Graduation from a bachelor's degree program;

(2) Successful completion of a behavioral health support specialist program that is approved to meet standards consistent with the University of Washington behavioral health support specialist clinical training program guidelines, including a supervised clinical practicum with demonstrated clinical skills in core competencies; and

(3) Successful completion of an approved jurisprudential examination.

NEW SECTION. Sec. 9. (1) The date and location of examinations shall be established by the secretary. Applicants who have been found by the secretary to meet the other requirements for certification shall be scheduled for the next examination following the filing of the application. The secretary shall establish by rule the examination application deadline.

(2) The secretary or the secretary's designee shall examine each applicant, by means determined to be most effective, on subjects appropriate to the scope of practice, as applicable. Such examinations shall be limited to the purpose of determining whether the applicant possesses the minimum skill and knowledge necessary to practice competently.

(3) The examination papers, all grading of the papers, and the grading of any practical work shall be preserved for a period of not less than one year after the secretary has made and published

the decisions. All examinations shall be conducted using fair and wholly impartial methods.

(4) The secretary may approve an examination prepared or administered by a private testing agency or association of licensing agencies for use by an applicant in meeting the certification requirements.

NEW SECTION. Sec. 10. Applications for certification shall be submitted on forms provided by the secretary. The secretary may require any information and documentation which reasonably relates to the need to determine whether the applicant meets the criteria for certification provided for in this chapter and chapter 18.130 RCW. Each applicant shall pay a fee determined by the secretary under RCW 43.70.250. The fee shall accompany the application.

NEW SECTION. Sec. 11. The health care authority shall take any steps which are necessary and proper to ensure that the services of behavioral health support specialists are covered under the state medicaid program by January 1, 2025.

NEW SECTION. Sec. 12. A new section is added to chapter 48.43 RCW to read as follows:

By July 1, 2025, every carrier shall provide access to services provided by behavioral health support specialists in a manner sufficient to meet the network access standards set forth in rules established by the office of the insurance commissioner.

The cover page shall be in the following form:~~

The Law of Real Estate Agency

This pamphlet describes your legal rights in dealing with a real estate firm or broker. Please read it carefully before signing any documents.

The following is only a brief summary of the attached law:

Sec. 1. Definitions. Defines the specific terms used in the law.

Sec. 2. Relationships between Brokers and the Public. Prescribes that a broker who works with a buyer or tenant represents that buyer or tenant unless the broker is the listing agent, a seller's subagent, a dual agent, the seller personally or the parties agree otherwise. Also prescribes that in a transaction involving two different brokers licensed to the same real estate firm, the firm's designated broker and any managing broker responsible for the supervision of both brokers, are dual agents and each broker solely represents his or her client unless the parties agree in writing that both brokers are dual agents.

Sec. 3. Duties of a Broker Generally. Prescribes the duties that are owed by all brokers, regardless of who the broker represents. Requires disclosure of the broker's agency relationship in a specific transaction.

Sec. 4. Duties of a Seller's Agent. Prescribes the additional duties of a broker representing the seller or landlord only.

Sec. 5. Duties of a Buyer's Agent. Prescribes the additional duties of a broker representing the buyer or tenant only.

Sec. 6. Duties of a Dual Agent. Prescribes the additional duties of a broker representing both parties in the same

transaction, and requires the written consent of both parties to the broker acting as a dual agent.

Sec. 7. Duration of Agency Relationship. Describes when an agency relationship begins and ends. Provides that the duties of accounting and confidentiality continue after the termination of an agency relationship.

Sec. 8. Compensation. Allows real estate firms to share compensation with cooperating real estate firms. States that payment of compensation does not necessarily establish an agency relationship. Allows brokers to receive compensation from more than one party in a transaction with the parties' consent.

Sec. 9. Vicarious Liability. Eliminates the liability of a party for the conduct of the party's agent or subagent, unless the principal participated in or benefited from the conduct or the agent or subagent is insolvent. Also limits the liability of a broker for the conduct of a subagent.

Sec. 10. Imputed Knowledge and Notice. Eliminates the common law rule that notice to or knowledge of an agent constitutes notice to or knowledge of the principal.

Sec. 11. Interpretation. This law establishes statutory duties which replace common law fiduciary duties owed by an agent to a principal.

Sec. 12. Short Sale. Prescribes an additional duty of a firm representing the seller of owner-occupied real property in a short sale.

(2)(a) ~~The pamphlet required under RCW 18.86.030(1)(f) must also include the following disclosure: When the seller of owner-occupied residential real property enters into a listing agreement with a real estate firm where the proceeds from the sale may be insufficient to cover the costs at closing, it is the responsibility of the real estate firm to disclose to the seller in writing that the decision by any beneficiary or mortgagee, or its assignees, to release its interest in the real property, for less than the amount the borrower owes, does not automatically relieve the seller of the obligation to pay any debt or costs remaining at closing, including fees such as the real estate firm's commission.~~

~~(b) For the purposes of this subsection, "owner-occupied real property" means real property consisting solely of a single family residence, a residential condominium unit, or a residential cooperative unit that is the principal residence of the borrower)) be formatted so it can be easily reviewed by a buyer or seller, including a legible font and font size. The pamphlet shall be in the following form:~~

Real Estate Brokerage in Washington Introduction

~~This pamphlet provides general information about real estate brokerage and summarizes the laws related to real estate brokerage relationships. It describes a real estate broker's duties to the seller/landlord and buyer/tenant. Detailed and complete information about real estate brokerage relationships is available in chapter 18.86 RCW.~~

~~If you have any questions about the information in this pamphlet, contact your broker or the designated broker of your broker's firm.~~

Licensing and Supervision of Brokers

~~To provide real estate brokerage services in Washington, a broker must be licensed under chapter 18.85 RCW and licensed with a real estate firm, which also must be licensed. Each real estate firm has a designated broker who is responsible for supervising the brokers licensed with the firm. Some firms may have branch offices that are supervised by a branch manager and some firms may delegate certain supervisory duties to one or more managing brokers.~~

The Washington State Department of Licensing is responsible for enforcing all laws and rules relating to the conduct of real estate firms and brokers.

Agency Relationship

In an agency relationship simplicity, a broker is referred to as an "agent" and the seller/landlord and buyer/tenant is referred to as the "principal." For, in this pamphlet, seller includes landlord, and buyer includes tenant.

For Sellers

A real estate firm and broker must enter into a written services agreement with a seller to establish an agency relationship. The firm will then appoint one or more brokers to be agents of the seller. The firm's designated broker and any managing broker responsible for the supervision of those brokers are also agents of the seller.

For Buyers

A real estate firm and broker(s) who perform real estate brokerage services for a buyer establish an agency relationship by performing those services. The firm's designated broker and any managing broker responsible for the supervision of that broker are also agents of the buyer. A written services agreement between the buyer and the firm must be entered into before, or as soon as reasonably practical after, a broker begins rendering real estate brokerage services to the buyer.

For both Buyer and Seller - as a Limited Dual Agent

A limited dual agent provides limited representation to both the buyer and the seller in a transaction. Limited dual agency requires the consent of each principal in a written services agreement and may occur in two situations: (1) When the buyer and the seller are represented by the same broker, in which case the broker's designated broker and any managing broker responsible for the supervision of that broker are also limited dual agents; and (2) when the buyer and the seller are represented by different brokers in the same firm, in which case each broker solely represents the principal the broker was appointed to represent, but the broker's designated broker and any managing broker responsible for the supervision of those brokers are limited dual agents.

Duration of Agency Relationship

Once established, an agency relationship continues until the earliest of the following:

- (1) Completion of performance by the broker;
- (2) Expiration of the term agreed upon by the parties;
- (3) Termination of the relationship by mutual agreement of the parties; or
- (4) Termination of the relationship by notice from either party to the other. However, such a termination does not affect the contractual rights of either party.

Written Services Agreement

A written services agreement between the firm and principal must contain the following:

- (1) The term (duration) of the agreement;
- (2) Name of the broker(s) appointed to act as an agent for the principal;
- (3) Whether the agency relationship is exclusive (which does not allow the principal to enter into an agency relationship with another firm during the term) or nonexclusive (which allows the principal to enter into an agency relationship with multiple firms at the same time);
- (4) Whether the principal consents to limited dual agency;
- (5) The terms of compensation;
- (6) In an agreement with a buyer, whether the broker agrees to show a property when there is no agreement or offer by any party or firm to pay compensation to the broker's firm; and
- (7) Any other agreements between the parties.

A Broker's Duties to All Parties

NINETY SIXTH DAY, APRIL 14, 2023

A broker owes the following duties to all parties in a transaction:

- (1) To exercise reasonable skill and care;
- (2) To deal honestly and in good faith;
- (3) To timely present all written offers, written notices, and other written communications to and from either party;
- (4) To disclose all existing material facts known by the broker and not apparent or readily ascertainable to a party. A material fact includes information that substantially adversely affects the value of the property or a party's ability to perform its obligations in a transaction, or operates to materially impair or defeat the purpose of the transaction. However, a broker does not have any duty to investigate matters that the broker has not agreed to investigate;
- (5) To account in a timely manner for all money and property received from or on behalf of either party;
- (6) To provide this pamphlet to all parties to whom the broker renders real estate brokerage services and to any unrepresented party;
- (7) To disclose in writing who the broker represents; and
- (8) To disclose in writing any terms of compensation offered by a party or a real estate firm to a real estate firm representing another party.

A Broker's Duties to the Buyer or Seller

A broker owes the following duties to their principal (either the buyer or seller):

- (1) To be loyal to their principal by taking no action that is adverse or detrimental to their principal's interest in a transaction;
- (2) To timely disclose to their principal any conflicts of interest;
- (3) To advise their principal to seek expert advice on matters relating to the transaction that are beyond the broker's expertise;
- (4) To not disclose any confidential information from or about their principal; and
- (5) To make a good faith and continuous effort to find a property for the buyer or to find a buyer for the seller's property, until the principal has entered a contract for the purchase or sale of property or as agreed otherwise in writing.

Limited Dual Agent Duties

A limited dual agent may not advocate terms favorable to one principal to the detriment of the other principal. A broker, acting as a limited dual agent, owes the following duties to both the buyer and seller:

- (1) To take no action that is adverse or detrimental to either principal's interest in a transaction;
- (2) To timely disclose to both principals any conflicts of interest;
- (3) To advise both principals to seek expert advice on matters relating to the transaction that are beyond the limited dual agent's expertise;
- (4) To not disclose any confidential information from or about either principal; and
- (5) To make a good faith and continuous effort to find a property for the buyer and to find a buyer for the seller's property, until the principals have entered a contract for the purchase or sale of property or as agreed otherwise in writing.

Compensation

In any real estate transaction, a firm's compensation may be paid by the seller, the buyer, a third party, or by sharing the compensation between firms. To receive compensation from any party, a firm must have a written services agreement with the party the firm represents (or provide a "Compensation Disclosure" to the buyer in a transaction for commercial real estate).

A services agreement must contain the following regarding compensation:

- (1) The amount the principal agrees to compensate the firm for broker's services as an agent or limited dual agent;
- (2) The principal's consent, if any, and any terms of such consent, to compensation sharing between firms and parties; and
- (3) The principal's consent, if any, and any terms of such consent, to compensation of the firm by more than one party.

Short Sales

A "short sale" is a transaction where the seller's proceeds from the sale are insufficient to cover seller's obligations at closing (e.g., the seller's outstanding mortgage is greater than the sale price). If a sale is a short sale, the seller's real estate firm must disclose to the seller that the decision by any beneficiary or mortgagee, to release its interest in the property for less than the amount the seller owes to allow the sale to proceed, does not automatically relieve the seller of the obligation to pay any debt or costs remaining at closing, including real estate firms' compensation.

MESSAGE FROM THE HOUSE

MR. PRESIDENT:

April 7, 2023

The House passed ENGROSSED SUBSTITUTE SENATE BILL NO. 5197 with the following amendment(s): 5197-S.E AMH HOUS H1702.1

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. A new section is added to chapter 59.18 RCW to read as follows:

In any forcible or unlawful detainer proceeding before the court:

(1) Hearings may be conducted in person or remotely in order to enhance access for all parties. At the court's discretion, parties, witnesses, and others authorized by this chapter to participate in forcible or unlawful detainer proceedings may attend a hearing pursuant to this chapter, in person or remotely, including by telephone, video, or other electronic means where possible. The court shall grant any request for a remote appearance unless the court finds good cause to require in-person attendance or attendance through a specific means. Courts shall require assurances of the identity of persons who appear by telephone, video, or other electronic means. Courts may not charge fees for remote appearances. Courts shall provide instructions for remote access either on the official court website or in writing directly to the party requesting to appear remotely, or both.

(2) Any party must be permitted to make an emergency application by phone or video conference and file such documents by email, fax, or other means that can be performed remotely.

Sec. 2. RCW 59.18.410 and 2021 c 115 s 17 are each amended to read as follows:

(1) If at trial the verdict of the jury or, if the case is tried without a jury, the finding of the court is in favor of the landlord and against the tenant, judgment shall be entered for the restitution of the premises; and if the proceeding is for unlawful detainer after neglect or failure to perform any condition or covenant of a lease or agreement under which the property is held, or after default in the payment of rent, the judgment shall also declare the forfeiture of the lease, agreement, or tenancy. The jury, or the court, if the proceedings are tried without a jury, shall also assess the damages arising out of the tenancy occasioned to the landlord by any forcible entry, or by any forcible or unlawful detainer, alleged in the complaint and proved at trial, and, if the alleged unlawful detainer is based on default in the payment of rent, find the amount of any rent due, and the judgment shall be rendered against the tenant liable for the forcible entry, forcible detainer, or unlawful detainer for the amount of damages thus assessed, for the rent, if any, found due, and late fees if such fees are due under the lease and do not exceed ~~((seventy five dollars))~~ \$75 in total. The court may award statutory costs. The court may also award reasonable attorneys' fees as provided in RCW 59.18.290.

(2) When the tenant is liable for unlawful detainer after a default in the payment of rent, execution upon the judgment shall not occur until the expiration of five court days after the entry of the judgment. Before entry of a judgment or until five court days have expired after entry of the judgment, unless the tenant provides a pledge of financial assistance letter from a government or nonprofit entity, in which case the tenant has until the date of eviction, the tenant or any subtenant, or any mortgagee of the term, or other party interested in the continuance of the tenancy, may pay into court or to the landlord the amount of the rent due, any court costs incurred at the time of payment, late fees if such fees are due under the lease and do not exceed ~~((seventy five dollars))~~ \$75 in total, and attorneys' fees if awarded, in which event any judgment entered shall be satisfied and the tenant

restored to his or her tenancy. If the tenant seeks to restore his or her tenancy after entry of a judgment, the tenant may tender the amount stated within the judgment as long as that amount does not exceed the amount authorized under subsection (1) of this section. If a tenant seeks to restore his or her tenancy and pay the amount set forth in this subsection with funds acquired through an emergency rental assistance program provided by a governmental or nonprofit entity, the tenant shall provide a copy of the pledge of emergency rental assistance provided from the appropriate governmental or nonprofit entity and have an opportunity to exercise such rights under this subsection, which may include a stay of judgment and provision by the landlord of documentation necessary for processing the assistance. The landlord shall accept any pledge of emergency rental assistance funds provided to the tenant from a governmental or nonprofit entity before the expiration of any pay or vacate notice for nonpayment of rent for the full amount of the rent owing under the rental agreement. The landlord shall accept any written pledge of emergency rental assistance funds provided to the tenant from a governmental or nonprofit entity after the expiration of the pay or vacate notice if the pledge will contribute to the total payment of both the amount of rent due, including any current rent, and other amounts if required under this subsection. The landlord shall suspend any court action for ~~((seven))~~ 14 court days after providing necessary payment information to the nonprofit or governmental entity to allow for payment of the emergency rental assistance funds. By accepting such pledge of emergency rental assistance, the landlord is not required to enter into any additional conditions not related to the provision of necessary payment information and documentation. If a judgment has been satisfied, the landlord shall file a satisfaction of judgment with the court. A tenant seeking to exercise rights under this subsection shall pay an additional ~~((fifty dollars))~~ \$50 for each time the tenant was reinstated after judgment pursuant to this subsection within the previous ~~((twelve))~~ 12 months prior to payment. If payment of the amount specified in this subsection is not made within five court days after the entry of the judgment, the judgment may be enforced for its full amount and for the possession of the premises.

(3)(a) Following the entry of a judgment in favor of the landlord and against the tenant for the restitution of the premises and forfeiture of the tenancy due to nonpayment of rent, the court, at the time of the show cause hearing or trial, or upon subsequent motion of the tenant but before the execution of the writ of restitution, may stay the writ of restitution upon good cause and on such terms that the court deems fair and just for both parties. In making this decision, the court shall consider evidence of the following factors:

(i) The tenant's willful or intentional default or intentional failure to pay rent;

(ii) Whether nonpayment of the rent was caused by exigent circumstances that were beyond the tenant's control and that are not likely to recur;

(iii) The tenant's ability to timely pay the judgment;

(iv) The tenant's payment history;

(v) Whether the tenant is otherwise in substantial compliance with the rental agreement;

(vi) Hardship on the tenant if evicted; and

(vii) Conduct related to other notices served within the last six months.

(b) The burden of proof for such relief under this subsection (3) shall be on the tenant. If the tenant seeks relief pursuant to this subsection (3) at the time of the show cause hearing, the court shall hear the matter at the time of the show cause hearing or as

NINETY SIXTH DAY, APRIL 14, 2023

expeditiously as possible so as to avoid unnecessary delay or hardship on the parties.

(c) In any order issued pursuant to this subsection (3):

(i) The court shall not stay the writ of restitution more than ~~((ninety))~~ 90 days from the date of order, but may order repayment of the judgment balance within such time. If the payment plan is to exceed ~~((thirty))~~ 30 days, the total cumulative payments for each ~~((thirty-day))~~ 30-day period following the order shall be no less than one month of the tenant's share of the rent, and the total amount of the judgment and all additional rent that is due shall be paid within ~~((ninety))~~ 90 days.

(ii) Within any payment plan ordered by the court, the court shall require the tenant to pay to the landlord or to the court one month's rent within five court days of issuance of the order. If the date of the order is on or before the ~~((fifteenth))~~ 15th of the month, the tenant shall remain current with ongoing rental payments as they become due for the duration of the payment plan; if the date of the order is after the ~~((fifteenth))~~ 15th of the month, the tenant shall have the option to apportion the following month's rental payment within the payment plan, but monthly rental payments thereafter shall be paid according to the rental agreement.

(iii) The sheriff may serve the writ of restitution upon the tenant before the expiration of the five court days of issuance of the order; however, the sheriff shall not execute the writ of restitution until after expiration of the five court days in order for payment to be made of one month's rent as required by (c)(ii) of this subsection. In the event payment is made as provided in (c)(ii) of this subsection for one month's rent, the court shall stay the writ of restitution ex parte without prior notice to the landlord upon the tenant filing and presenting a motion to stay with a declaration of proof of payment demonstrating full compliance with the required payment of one month's rent. Any order staying the writ of restitution under this subsection (3)(c)(iii) shall require the tenant to serve a copy of the order on the landlord by personal delivery, first-class mail, facsimile, or email if agreed to by the parties.

(A) If the tenant has satisfied (c)(ii) of this subsection by paying one month's rent within five court days, but defaults on a subsequent payment required by the court pursuant to this subsection (3)(c), the landlord may enforce the writ of restitution after serving a notice of default in accordance with RCW 59.12.040 informing the tenant that he or she has defaulted on rent due under the lease agreement or payment plan entered by the court. Upon service of the notice of default, the tenant shall have three calendar days from the date of service to vacate the premises before the sheriff may execute the writ of restitution.

(B) If the landlord serves the notice of default described under this subsection (3)(c)(iii), an additional day is not included in calculating the time before the sheriff may execute the writ of restitution. The notice of default must be in substantially the following form:

(iv) If a tenant seeks to satisfy a condition of this subsection (3)(c) by relying on an emergency rental assistance program provided by a government or nonprofit entity and provides an offer of proof, the court shall stay the writ of restitution as necessary to afford the tenant an equal opportunity to comply.

(v) The court shall extend the writ of restitution as necessary to enforce the order issued pursuant to this subsection (3)(c) in the event of default.

(d) A tenant who has been served with three or more notices to pay or vacate for failure to pay rent as set forth in RCW 59.12.040 within twelve months prior to the notice to pay or vacate upon which the proceeding is based may not seek relief under this subsection (3), unless the court determines any of the notices served were invalid or did not otherwise comply with the requirements of this chapter.

(e)(i) In any application seeking relief pursuant to this subsection (3) by either the tenant or landlord, the court shall issue a finding as to whether the tenant is low-income, limited resourced, or experiencing hardship to determine if the parties would be eligible for disbursement through the landlord mitigation program account established within RCW 43.31.605(1)(~~((e))~~) (b). In making this finding, the court may include an inquiry regarding the tenant's income relative to area median income, household composition, any extenuating circumstances, or other factors, and may rely on written declarations or oral testimony by the parties at the hearing.

(ii) After a finding that the tenant is low-income, limited resourced, or experiencing hardship, the court may issue an order: (A) Finding that the landlord is eligible to receive on behalf of the tenant and may apply for reimbursement from the landlord mitigation program; and (B) directing the clerk to remit, without further order of the court, any future payments made by the tenant in order to reimburse the department of commerce pursuant to RCW 43.31.605(1)(~~((e))~~) (b)(iii). In accordance with RCW 43.31.605(1)(~~((e))~~) (b), such an order must be accompanied by a copy of the order staying the writ of restitution. Nothing in this subsection (3)(e) shall be deemed to obligate the department of commerce to provide assistance in claim reimbursement through the landlord mitigation program if there are not sufficient funds.

(iii) If the department of commerce fails to disburse payment to the landlord for the judgment pursuant to this subsection (3)(e) within ~~((thirty))~~ 30 days from submission of the application, the landlord may renew an application for a writ of restitution pursuant to RCW 59.18.370 and for other rent owed by the tenant

since the time of entry of the prior judgment. In such event, the tenant may exercise rights afforded under this section.

(iv) Upon payment by the department of commerce to the landlord for the remaining or total amount of the judgment, as applicable, the judgment is satisfied and the landlord shall file a satisfaction of judgment with the court.

(v) Nothing in this subsection (3)(e) prohibits the landlord from otherwise applying for reimbursement for an unpaid judgment pursuant to RCW 43.31.605(1)((e)) (b) after the tenant defaults on a payment plan ordered pursuant to (c) of this subsection.

(vi) ~~((For the period extending one year beyond the expiration of the eviction moratorium, if))~~ If a tenant demonstrates an ability to pay in order to reinstate the tenancy by means of disbursement through the landlord mitigation program account established within RCW 43.31.605(1)((e)) (b):

(A) Any restrictions imposed under (d) of this subsection do not apply in determining if a tenant is eligible for reinstatement under this subsection (3); and

(B) Reimbursement on behalf of the tenant to the landlord under RCW 43.31.605(1)((e)) (b) may include up to three months of prospective rent to stabilize the tenancy as determined by the court.

(4) If a tenant seeks to stay a writ of restitution issued pursuant to this chapter, the court may issue an ex parte stay of the writ of restitution provided the tenant or tenant's attorney submits a declaration indicating good faith efforts were made to notify the other party or, if no efforts were made, why notice could not be provided prior to the application for an ex parte stay, and describing the immediate or irreparable harm that may result if an immediate stay is not granted. The court shall require service of the order and motion to stay the writ of restitution by personal delivery, mail, facsimile, or other means most likely to afford all parties notice of the court date.

(5) In all other cases the judgment may be enforced immediately. If a writ of restitution shall have been executed prior to judgment no further writ or execution for the premises shall be required.

(6) This section also applies if the writ of restitution is issued pursuant to a final judgment entered after a show cause hearing conducted in accordance with RCW 59.18.380.

Sec. 3. RCW 59.18.057 and 2021 c 115 s 10 are each amended to read as follows:

(1) Every 14-day notice served pursuant to RCW 59.12.030(3) must be in substantially the following form:

(ii) Excludes the defendant from a residence shared with the victim, or from a workplace, school, or child care;

(iii) Prohibits the person from knowingly coming within, or knowingly remaining within, a specified distance of a location or vehicle; and

(iv) Includes other related prohibitions to reduce risk of harm.

(b) ((In issuing the order, the court shall consider the provisions of)) The court shall verify that the requirements of RCW 10.99.030(3) have been satisfied, including that a sworn statement of a peace officer has been submitted to the court, documenting that the responding peace officers separated the parties and asked the victim or victims at the scene about firearms, other dangerous weapons, and ammunition that the defendant owns or has access to, and whether the defendant has a

concealed pistol license. If the sworn statement of a peace officer or other information provided to the court indicates there may be a risk of harm if the defendant has access to firearms, dangerous weapons, or an active concealed pistol license, the court shall verify that peace officers have temporarily removed and secured all the firearms, dangerous weapons, and any concealed pistol license. The court shall then determine whether an order to surrender and prohibit weapons or an extreme risk protection order should be issued pursuant to RCW 9.41.800 or chapter 7.105 RCW, ((and shall order the defendant to surrender, and prohibit)) prohibiting the ((person)) defendant from possessing, ((all)) purchasing, receiving, having in the defendant's control or custody, accessing, or attempting to purchase or receive, any firearms, dangerous weapons, and any concealed pistol license and shall order the defendant to surrender, and prohibit the defendant from possessing, any firearms, dangerous weapons, and any concealed pistol license as required in RCW 9.41.800, or shall issue an extreme risk protection order as required by chapter 7.105 RCW. The court may make these determinations on the record or off the record with a written explanation when declining to impose the restrictions authorized in this subsection.

((c) The no-contact order shall also be issued in writing as soon as possible, and shall state that it may be extended as provided in subsection (3) of this section. By January 1, 2011, the administrative office of the courts shall develop a pattern form for all no-contact orders issued under this chapter. A no-contact order issued under this chapter must substantially comply with the pattern form developed by the administrative office of the courts.))

(3)(a) At the time of arraignment, the court shall review the defendant's firearms purchase history provided by the prosecutor pursuant to RCW 10.99.045, and any other firearms information provided by law enforcement or court or jail staff, and shall determine whether a no-contact order, an order to surrender and prohibit weapons, or an extreme risk protection order shall be issued or, if previously issued, extended.

(b) So long as the court finds probable cause, the court may issue or extend a no-contact order, an order to surrender and prohibit weapons, or an extreme risk protection order, even if the defendant fails to appear at arraignment. The no-contact order shall terminate if the defendant is acquitted or the charges are dismissed. To the extent the court is aware, the court shall advise the defendant of the ongoing requirements of any other no-contact, restraining, or protection order that remains in effect.

((b) In issuing the order, the court shall consider all information documented in the incident report concerning the person's possession of and access to firearms and whether law enforcement took temporary custody of firearms at the time of the arrest. The court may as a condition of release prohibit the defendant from possessing or accessing firearms and order the defendant to immediately surrender all firearms and any concealed pistol license to a law enforcement agency upon release.))

(c) If a no-contact order is issued or extended, the court may also include in the conditions of release a requirement that the defendant submit to electronic monitoring as defined in RCW 9.94A.030. If electronic monitoring is ordered, the court shall specify who shall provide the monitoring services, and the terms under which the monitoring shall be performed. Upon conviction, the court may require as a condition of the sentence that the defendant reimburse the providing agency for the costs of the electronic monitoring.

(4)(a) Willful violation of a court order issued under ((subsection (2), (3), or (7) of)) this section is punishable as

provided under RCW 7.105.450 or 7.105.460, or chapter 9.41 RCW.

(b) The written order releasing the person charged or arrested shall contain the court's directives and shall bear the legend: "Violation of this order is a criminal offense under chapter 7.105 RCW and will subject a violator to arrest; any assault, drive-by shooting, or reckless endangerment that is a violation of this order is a felony. You can be arrested even if any person protected by the order invites or allows you to violate the order's prohibitions. You have the sole responsibility to avoid or refrain from violating the order's provisions. Only the court can change the order."

(c) A certified copy of the order shall be provided to the victim.

(5)(a) A peace officer may request, on an ex parte basis and before criminal charges or a petition for a protection order or an extreme risk protection order have been filed, an emergency no-contact order, order to surrender and prohibit weapons, or extreme risk protection order from a judicial officer on behalf of and with the consent of the victim of an alleged act involving domestic violence if the victim is able to provide such consent. If the victim is incapacitated as a result of the alleged act of domestic violence, a peace officer may request an emergency no-contact order, order to surrender and prohibit weapons, or extreme risk protection order on his or her behalf. The request shall be made based upon the sworn statement of a peace officer and may be made in person, by telephone, or by electronic means. If the court finds probable cause to believe that the victim is in imminent danger of domestic violence based on an allegation of the recent commission of an act involving domestic violence, the court shall issue an emergency no-contact order and an order to surrender and prohibit weapons or an extreme risk protection order as required by RCW 9.41.800 or chapter 7.105 RCW. An emergency no-contact order issued by a court will remain in effect until either the court terminates the emergency no-contact order, the court finds probable cause for a referred crime, or an ex parte hearing is held on a petition for a protection order or extreme risk protection order.

(b) If the court issues an order to surrender and prohibit weapons or an extreme risk protection order, and has not verified that peace officers have temporarily removed and secured all firearms and dangerous weapons, and any concealed pistol license, all orders issued by the court must be personally served by a peace officer and the peace officer shall take possession of all firearms, dangerous weapons, and any concealed pistol license belonging to the respondent that are surrendered, in plain sight, or discovered pursuant to a lawful search, as required by RCW 9.41.801.

(c) If the court does not issue an order to surrender and prohibit weapons or an extreme risk protection order, or has verified that all firearms, dangerous weapons, and any concealed pistol license have been temporarily removed by law enforcement, service of the court's orders may be effected electronically. Electronic service must be effected by a law enforcement agency transmitting copies of the petition and any supporting materials filed with the petition, any notice of hearing, and any orders, or relevant materials for motions, to the defendant at the defendant's electronic address or the defendant's electronic account associated with email, text messaging, social media applications, or other technologies. Verification of notice is required and may be accomplished through read-receipt mechanisms, a response, a sworn statement from the person who effected service verifying transmission and any follow-up communications such as email or telephone contact used to further verify, or an appearance by the defendant at a hearing. Sworn proof of service must be filed with the court by the person who effected service.

(d) A no-contact order, order to surrender and prohibit weapons, or extreme risk protection order authorized by telephonic or electronic means shall also be issued in writing as soon as possible and shall state that it may be extended as provided in subsection (3) of this section.

(6) If a no-contact order has been issued prior to charging, that order shall expire at arraignment or within seventy-two hours if charges are not filed.

(((6))) (7) Whenever ((a no-contact)) an order is issued, modified, or terminated under ((subsection (2) or (3) of)) this section, the clerk of the court shall forward a copy of the order on or before the next judicial day to the appropriate law enforcement agency specified in the order. Upon receipt of the copy of the order the law enforcement agency shall enter the order for one year or until the expiration date specified on the order into any computer-based criminal intelligence information system available in this state used by law enforcement agencies to list outstanding warrants. Entry into the computer-based criminal intelligence information system constitutes notice to all law enforcement agencies of the existence of the order. The order is fully enforceable in any jurisdiction in the state. Upon receipt of notice that an order has been terminated under subsection (3) of this section, the law enforcement agency shall remove the order from the computer-based criminal intelligence information system.

(((7) All courts shall develop policies and procedures by January 1, 2011, to grant victims a process to modify or rescind a no-contact order issued under this chapter. The administrative office of the courts shall develop a model policy to assist the courts in implementing the requirements of this subsection.))

(8) For the purposes of this section, and unless context clearly requires otherwise, "emergency no-contact order" means a no-contact order issued by a court of competent jurisdiction before criminal charges have been filed or before a petition for a protection order or extreme risk protection order has been filed.

NEW SECTION. Sec. 2. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected."

MESSAGE FROM THE HOUSE

April 7, 2023

MR. PRESIDENT:

The House passed ENGROSSED SECOND SUBSTITUTE SENATE BILL NO. 5243 with the following amendment(s): 5243-S2.E AMH ENGR H1770.E

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. (1) The legislature recognizes that the high school and beyond plan is both a graduation requirement and a critical component in our education system. However, the practices and technologies that school districts employ for facilitating high school and beyond plans vary significantly. These variances can create inequities for students and families, and do not reflect the legislature's vision for the role of the high school and beyond plan in promoting student success in secondary and postsecondary endeavors.

(2) A universal online high school and beyond plan platform that can be readily accessed by students, parents, teachers, and others who support academic progress will alleviate equity issues and create new opportunities for students to develop and curate plans that align with their needs and interests. With the assistance of a flexible, portable, and expandable platform, all students with high school and beyond plans will be able to easily personalize and revise their plans, explore education options of relevance and interest, and receive supports that will help them make informed choices about their education and career objectives.

(3) The legislature, therefore, intends to revise and strengthen high school and beyond plan requirements and to direct the office of the superintendent of public instruction to facilitate the transition to a universal online high school and beyond plan platform to guide students' secondary education experiences and ensure preparation for their postsecondary goals.

Sec. 2. RCW 28A.230.090 and 2021 c 307 s 2 are each amended to read as follows:

(1) The state board of education shall establish high school graduation requirements or equivalencies for students, except as provided in RCW 28A.230.122 and 28A.655.250 and except those equivalencies established by local high schools or school districts under RCW 28A.230.097. The purpose of a high school diploma is to declare that a student is ready for success in

postsecondary education, gainful employment, and citizenship, and is equipped with the skills to be a lifelong learner.

(a) Any course in Washington state history and government used to fulfill high school graduation requirements shall consider including information on the culture, history, and government of the American Indian peoples who were the first inhabitants of the state.

(b) Except as provided otherwise in this subsection, the certificate of academic achievement requirements under RCW 28A.655.061 or the certificate of individual achievement requirements under RCW 28A.155.045 are required for graduation from a public high school but are not the only requirements for graduation. The requirement to earn a certificate of academic achievement to qualify for graduation from a public high school concludes with the graduating class of 2019. The obligation of qualifying students to earn a certificate of individual achievement as a prerequisite for graduation from a public high school concludes with the graduating class of 2021.

(c)((+)) Each student must have a high school and beyond plan to guide the student's high school experience and inform course taking that is aligned with the student's goals for education or training and career after high school((-

~~(ii)(A) A high school and beyond plan must be initiated for each student during the seventh or eighth grade. In preparation for initiating that plan, each student must first be administered a career interest and skills inventory.~~

~~(B) For students with an individualized education program, the high school and beyond plan must be developed in alignment with their individualized education program. The high school and beyond plan must be developed in a similar manner and with similar school personnel as for all other students.~~

~~(iii)(A) The high school and beyond plan must be updated to reflect high school assessment results in RCW 28A.655.070(3)(b) and to review transcripts, assess progress toward identified goals, and revised as necessary for changing interests, goals, and needs. The plan must identify available interventions and academic support, courses, or both, that are designed for students who are not on track to graduate, to enable them to fulfill high school graduation requirements. Each student's high school and beyond plan must be updated to inform junior year course taking.~~

~~(B) For students with an individualized education program, the high school and beyond plan must be updated in alignment with their school to postsecondary transition plan. The high school and beyond plan must be updated in a similar manner and with similar school personnel as for all other students.~~

~~(iv) School districts are encouraged to involve parents and guardians in the process of developing and updating the high school and beyond plan, and the plan must be provided to the students' parents or guardians in their native language if that language is one of the two most frequently spoken non-English languages of students in the district. Nothing in this subsection (1)(c)(iv) prevents districts from providing high school and beyond plans to parents and guardians in additional languages that are not required by this subsection.~~

~~(v) All high school and beyond plans must, at a minimum, include the following elements:~~

~~(A) Identification of career goals, aided by a skills and interest assessment;~~

~~(B) Identification of educational goals;~~

~~(C) Identification of dual credit programs and the opportunities they create for students, including eligibility for automatic enrollment in advanced classes under RCW 28A.320.195, career and technical education programs, running start programs, AP~~

courses, international baccalaureate programs, and college in the high school programs;

~~(D) Information about the college bound scholarship program established in chapter 28B.118 RCW;~~

~~(E) A four year plan for course taking that:~~

~~(I) Includes information about options for satisfying state and local graduation requirements;~~

~~(II) Satisfies state and local graduation requirements;~~

~~(III) Aligns with the student's secondary and postsecondary goals, which can include education, training, and career;~~

~~(IV) Identifies course sequences to inform academic acceleration, as described in RCW 28A.320.195 that include dual credit courses or programs and are aligned with the student's goals; and~~

~~(V) Includes information about the college bound scholarship program, the Washington college grant, and other scholarship opportunities;~~

~~(F) Evidence that the student has received the following information on federal and state financial aid programs that help pay for the costs of a postsecondary program:~~

~~(I) Information about the documentation necessary for completing the applications; application timeliness and submission deadlines; the importance of submitting applications early; information specific to students who are or have been in foster care; information specific to students who are, or are at risk of being, homeless; information specific to students whose family member or guardians will be required to provide financial and tax information necessary to complete applications; and~~

~~(II) Opportunities to participate in sessions that assist students and, when necessary, their family members or guardians, fill out financial aid applications; and~~

~~(G) By the end of the twelfth grade, a current resume or activity log that provides a written compilation of the student's education, any work experience, and any community service and how the school district has recognized the community service pursuant to RCW 28A.320.193.~~

~~(d)) as provided for under section 3 of this act and RCW 28A.230.215. Any decision on whether a student has met the state board's high school graduation requirements for a high school and beyond plan shall remain at the local level. Effective with the graduating class of 2015, the state board of education may not establish a requirement for students to complete a culminating project for graduation. A district may establish additional, local requirements for a high school and beyond plan to serve the needs and interests of its students and the purposes of this section.~~

~~((e)) (d)(i) The state board of education shall adopt rules to implement the career and college ready graduation requirement proposal adopted under board resolution on November 10, 2010, and revised on January 9, 2014, to take effect beginning with the graduating class of 2019 or as otherwise provided in this subsection (1)((e)) (d). The rules must include authorization for a school district to waive up to two credits for individual students based on a student's circumstances, provided that none of the waived credits are identified as mandatory core credits by the state board of education. School districts must adhere to written policies authorizing the waivers that must be adopted by each board of directors of a school district that grants diplomas. The rules must also provide that the content of the third credit of mathematics and the content of the third credit of science may be chosen by the student based on the student's interests and high school and beyond plan with agreement of the student's parent or guardian or agreement of the school counselor or principal, or as provided in RCW 28A.230.300(4).~~

~~(ii) School districts may apply to the state board of education for a waiver to implement the career and college ready graduation~~

requirement proposal beginning with the graduating class of 2020 or 2021 instead of the graduating class of 2019. In the application, a school district must describe why the waiver is being requested, the specific impediments preventing timely implementation, and efforts that will be taken to achieve implementation with the graduating class proposed under the waiver. The state board of education shall grant a waiver under this subsection (1)((e)) (d) to an applying school district at the next subsequent meeting of the board after receiving an application.

~~((iii) A school district must update the high school and beyond plans for each student who has not earned a score of level 3 or level 4 on the middle school mathematics assessment identified in RCW 28A.655.070 by ninth grade, to ensure that the student takes a mathematics course in both ninth and tenth grades. This course may include career and technical education equivalencies in mathematics adopted pursuant to RCW 28A.230.097.)~~

(2)(a) In recognition of the statutory authority of the state board of education to establish and enforce minimum high school graduation requirements, the state board shall periodically reevaluate the graduation requirements and shall report such findings to the legislature in a timely manner as determined by the state board.

(b) The state board shall reevaluate the graduation requirements for students enrolled in vocationally intensive and rigorous career and technical education programs, particularly those programs that lead to a certificate or credential that is state or nationally recognized. The purpose of the evaluation is to ensure that students enrolled in these programs have sufficient opportunity to ~~((earn a certificate of academic achievement,))~~ complete the program and earn the program's certificate or credential, and complete other state and local graduation requirements.

(c) The state board shall forward any proposed changes to the high school graduation requirements to the education committees of the legislature for review. The legislature shall have the opportunity to act during a regular legislative session before the changes are adopted through administrative rule by the state board. Changes that have a fiscal impact on school districts, as identified by a fiscal analysis prepared by the office of the superintendent of public instruction, shall take effect only if formally authorized and funded by the legislature through the omnibus appropriations act or other enacted legislation.

(3) Pursuant to any requirement for instruction in languages other than English established by the state board of education or a local school district, or both, for purposes of high school graduation, students who receive instruction in American sign language or one or more American Indian languages shall be considered to have satisfied the state or local school district graduation requirement for instruction in one or more languages other than English.

(4) Unless requested otherwise by the student and the student's family, a student who has completed high school courses before attending high school shall be given high school credit which shall be applied to fulfilling high school graduation requirements if:

(a) The course was taken with high school students, if the academic level of the course exceeds the requirements for seventh and eighth grade classes, and the student has successfully passed by completing the same course requirements and examinations as the high school students enrolled in the class; or

(b) The academic level of the course exceeds the requirements for seventh and eighth grade classes and the course would qualify for high school credit, because the course is similar or equivalent to a course offered at a high school in the district as determined by the school district board of directors.

(5) Students who have taken and successfully completed high school courses under the circumstances in subsection (4) of this section shall not be required to take an additional competency examination or perform any other additional assignment to receive credit.

(6) At the college or university level, five quarter or three semester hours equals one high school credit.

NEW SECTION. Sec. 3. A new section is added to chapter 28A.230 RCW to read as follows:

(1) This section establishes the school district, content, and other substantive requirements for the high school and beyond plan required by RCW 28A.230.090.

(2)(a) Beginning by the seventh grade, each student must be administered a career interest and skills inventory which is intended to be used to inform eighth grade course taking and development of an initial high school and beyond plan. No later than eighth grade, each student must have begun development of a high school and beyond plan that includes a proposed plan for first-year high school courses aligned with graduation requirements and secondary and postsecondary goals.

(b) For each student who has not earned a score of level 3 or 4 on the middle school mathematics assessment identified in RCW 28A.655.070 by ninth grade, the high school and beyond plan must be updated to ensure that the student takes a mathematics course in both ninth and 10th grades. These courses may include career and technical education equivalencies in mathematics adopted pursuant to RCW 28A.230.097.

(3) With staff support, students must update their high school and beyond plan annually, at a minimum, to review academic progress and inform future course taking.

(a) The high school and beyond plan must be updated in 10th grade to reflect high school assessment results in RCW 28A.655.061, ensure student access to advanced course options per the district's academic acceleration policy in RCW 28A.320.195, assess progress toward identified goals, and revised as necessary for changing interests, goals, and needs.

(b) Each school district shall provide students who have not met the standard on state assessments or who are behind in completion of credits or graduation pathway options with the opportunity to access interventions and academic supports, courses, or both, designed to enable students to meet all high school graduation requirements. The parents or legal guardians shall be notified about these opportunities as included in the student's high school and beyond plan, preferably through a student-led conference, including the parents or legal guardians, and at least annually until the student is on track to graduate.

(c) For students with an individualized education program, the high school and beyond plan must be developed and updated in alignment with their school to postsecondary transition plan. The high school and beyond plan must be developed and updated in a similar manner and with similar school personnel as for all other students.

(4) School districts shall involve parents and legal guardians to the greatest extent feasible in the process of developing and updating the high school and beyond plan.

(a) The plan must be provided to the student and the students' parents or legal guardians in a language the student and parents or legal guardians understand and in accordance with the school district's language access policy and procedures as required under chapter 28A.183 RCW, which may require language assistance for students and parents or legal guardians with limited English proficiency.

(b) School districts must annually provide students in grades eight through 12 and their parents or legal guardians with comprehensive information about the graduation pathway

options offered by the district and are strongly encouraged to begin providing this information beginning in sixth grade. School districts must provide this information in a manner that conforms with the school district's language access policy and procedures as required under chapter 28A.183 RCW.

(5) School districts are strongly encouraged to partner with student serving, community-based organizations that support career and college exploration and preparation for postsecondary and career pathways. Partnerships may include high school and beyond plan coordination and planning, data sharing agreements, and safe and secure access to individual student's high school and beyond plans.

(6) All high school and beyond plans must, at a minimum, include the following elements:

(a) Identification of career goals and interests, aided by a skills and interest assessment;

(b) Identification of secondary and postsecondary education and training goals;

(c) An academic plan for course taking that:

(i) Informs students about course options for satisfying state and local graduation requirements;

(viii) If applicable, identifies opportunities for credit recovery and acceleration, including partial and mastery-based credit accrual to eliminate barriers for on-time grade level progression and graduation per RCW 28A.320.192;

(d) Evidence that the student has received the following information on federal and state financial aid programs that help pay for the costs of a postsecondary program:

(i) The college bound scholarship program established in chapter 28B.118 RCW, the Washington college grant created in RCW 28B.92.200, and other scholarship opportunities;

(ii) The documentation necessary for completing state and federal financial aid applications; application timeliness and submission deadlines; and the importance of submitting applications early;

(iii) Information specific to students who are or have been the subject of a dependency proceeding pursuant to chapter 13.34 RCW, who are or are at risk of being homeless, and whose family member or legal guardian will be required to provide financial and tax information necessary to complete applications;

(iv) Opportunities to participate in advising days and seminars that assist students and, when necessary, their parents or legal guardians, with filling out financial aid applications in accordance with RCW 28A.300.815; and

(v) A sample financial aid letter and a link to the financial aid calculator created in RCW 28B.77.280; and

(8) The state board of education shall adopt rules to implement this section.

Sec. 4. RCW 28A.230.215 and 2020 c 307 s 7 are each amended to read as follows:

(1) The legislature finds that fully realizing the potential of high school and beyond plans as meaningful tools for articulating and revising pathways for graduation will require additional school counselors and family coordinators. The legislature further finds that the development and implementation of an online electronic platform for high school and beyond plans will be an appropriate and supportive action that will assist students, parents and guardians, educators, ~~(and)~~ school counselors, and other staff who support students' career and college preparation as the legislature explores options for funding additional school counselors.

~~(2) ((Subject to the availability of amounts appropriated for this specific purpose, the office of the superintendent of public instruction shall facilitate the creation of a list of available electronic platforms for the high school and beyond plan. ~~(e) Comply with state and federal requirements for student privacy;~~

~~(f) Allow for the portability between platforms so that students moving between school districts are able to easily transfer their high school and beyond plans; and~~

~~(g) To the extent possible, include platforms in use by school districts during the 2018-19 school year.~~

~~(3))~~ Beginning in the 2020-21 school year, each school district must ensure that an electronic high school and beyond plan platform is available to all students who are required to have a high school and beyond plan.

~~((4))~~ (3) The office of the superintendent of public instruction shall facilitate the transition to a universal online high school and beyond plan platform that will ensure consistent and equitable access to the needed information and support to guide students' educational experience and ensure preparation for their postsecondary plans.

(a) By January 1, 2024, the office of the superintendent of public instruction must develop a preliminary list of existing vendors who can provide or build a platform that meets the criteria outlined in subsection (4) of this section and that supports the high school and beyond plan elements identified in section 3 of this act and has the capabilities to support the new elements

identified in section 5 of this act. The office of the superintendent of public instruction must submit the list of existing vendors and estimated costs associated with statewide implementation of the universal platform to the governor and the education policy and fiscal committees of the legislature.

(b) Subject to the availability of amounts appropriated for this specific purpose, the office of the superintendent of public instruction must select the vendor that will be responsible for developing the universal platform by June 1, 2024.

(c) By October 1, 2024, the office of the superintendent of public instruction must develop an implementation plan including both an estimated timeline and updated cost estimates, including the technical assistance, technology updates, ongoing maintenance requirements, and adjustments to the technology funding formula, and statewide professional development that may be needed, for completing full statewide implementation of the universal platform in all school districts. In the implementation plan, the office of the superintendent of public instruction may include a cost alternative for educational service districts to host the universal platform for school districts of the second class when such a district does not have sufficient technology resources to implement and maintain the universal platform.

(4)(a) In addition to the requirements outlined in section 3 of this act, the universal platform must have the capability to be routinely updated and modified in order to include the following elements and capabilities to ensure equity in high school and beyond plans implementation and engagement across the state that:

(i) Enable students to create, personalize, and revise their high school and beyond plan;

(ii) Comply with all necessary state and federal requirements for student privacy and allow for students to opt in or opt out of portions of the universal platform related to third-party information sharing;

(iii) Use technology that can quickly be adapted to include future statutory changes, administrative changes, or both, as well as integrate enhancements to improve the features and functionality;

(iv) Facilitate the automatic import of academic course, credit, and grade data at a regular interval from the most commonly used district student information system platforms and manual import from less commonly used systems so that students' progress towards graduation in the high school beyond plan is accurately reflected at any given time;

(v) Allow for translation into the most common non-English languages across the state in accordance with the model language access policy and procedures as required under chapter 28A.183 RCW;

(vi) Include multiple and varied in-platform assessments with viewable results that can inform career and postsecondary goals including, but not limited to, personality, learning styles, interests, aptitudes, and skills assessments;

(vii) Include a catalog containing meaningful, high quality career exploration opportunities and resources beyond the traditional college, career, and aptitude assessments that are submitted by approved entities (community organizations, institutions of higher education that are authorized to participate in state financial aid programs under chapter 28B.92 RCW, and employers) and vetted by state-selected approvers that allow students to register for or apply to participate in the opportunities (programs, classes, internships, preapprenticeships, online courses, etc.) or access the resources. The universal platform should use completion data from these opportunities to make

recommendations to students to include in their high school beyond plans;

(viii) A dedicated space in which to build a direct connection to potential employers, including industry associations, trade associations, labor unions, service branches of the military, nonprofit organizations, and other state and local community organizations so students can learn from experts in different occupational fields about career opportunities and any necessary education and training requirements;

(ix) A secure space for staff, parents or guardians, and approved community partners who support students' academic progress and career and college preparation, to make notes that can inform staff efforts to connect students to academic and career connected learning opportunities and develop support and credit recovery plans for students, as needed;

(x) Accessibility options for students needing accommodations including, but not limited to, visual aids and voice dictation for students with limited literacy skills;

(xi) Indefinite access for students to their high school beyond plan, regardless of current school affiliation or lack thereof, in both mobile and desktop applications, that includes the capability to download and print their plan in one document, without requiring students to access multiple screens;

(xii) Inclusion of in-state labor market, apprenticeship, and postsecondary education performance data, including employment and earning outcomes, certificate and degree completion outcomes, and demographics of enrolled students or employees, to inform students' exploration and consideration of postsecondary options;

(xiii) A dedicated space where students can store additional evidence of their learning and postsecondary preparation, such as videos, essays, art, awards and recognitions, screencasts, letters of recommendation, industry certifications, microcredentials or other mastery-based learning recognitions, and work-integrated learning experiences. The universal platform should include the ability for students and staff to provide access to this portfolio in its entirety or in selected parts to relevant third parties, including institutions of higher education that are authorized to participate in state financial aid programs under chapter 28B.92 RCW, branches of the military, potential employers, or preapprenticeship opportunities;

(xiv) Access to data reporting features that allow schools, districts, and state agencies to review data stored within the universal platform, and allow data to be broken down by demographic, socioeconomic, and other identified characteristics, for the purposes of analyzing student use of the universal platform, improving student access to the information, guidance, and opportunities that can help them maximize their secondary education experience and postsecondary preparation, and informing state-level support for high school and beyond plan implementation;

(xv) A space for the student to indicate the graduation pathway option or options the student has selected to complete and how the selected option or options align with the student's career and postsecondary education goals; and

(xvi) The ability for school districts to customize or add features unique to local needs and local graduation requirements, including the capability to auto-align data with the local school districts' graduation requirements or the ability to enter those requirements manually.

(b) The office of the superintendent of public instruction must also ensure that the universal platform will permit transition plans required by RCW 28A.155.220 to be incorporated into the universal platform in a manner that eliminates the need to create

duplicate or substantially similar transition plans in other electronic or nonelectronic formats.

(5)(a) Within two years of completing the universal platform development and alignment with the requirements in this section and section 3 of this act, school districts must provide students with access to the adopted universal platform.

(b) The office of the superintendent of public instruction must develop guidance and provide technical assistance and support for the facilitation of statewide professional development for school districts and partner organizations in using the universal platform.

(6) In carrying out subsections (3)(b) and (4) of this section, the office of the superintendent of public instruction shall seek input from the state board of education, educators, school and district administrators, school counselors, career counseling specialists, families, students, the Washington student achievement council, institutions of higher education that are authorized to participate in state financial aid programs under chapter 28B.92 RCW, and community partners who support students' career and college preparation. The office of the superintendent of public instruction may partner with existing community and regional networks and organizations who support students' career and college preparation in the analysis, selection, and implementation of the universal platform.

(7) As used in this section "universal platform" means the universal online high school and beyond plan platform.

(8) The office of the superintendent of public instruction may adopt and revise rules as necessary to implement this section.

NEW SECTION. Sec. 5. (1) After selection of the vendor for the universal online high school and beyond plan platform as required in RCW 28A.230.215, the office of the superintendent of public instruction, in consultation with the state board of education, shall report to the governor and education committees of the legislature recommendations for additional policy changes related to transitioning the current high school and beyond plan and universal platform into a more robust online learning platform that can be used starting as early as fifth grade and that will provide greater student agency over student learning and provide opportunities for students to more meaningfully explore their strengths, interests, and future aspirations. In addition to the existing high school and beyond plan elements identified in RCW 28A.230.215, the recommendations should examine and incorporate the following elements:

(a) A way to begin student use of a learning plan that utilizes the universal online high school and beyond plan platform no later than the fifth grade and includes ways to introduce career awareness and exploration opportunities in elementary grades as foundational support to students;

(b) Strategies for students to share their interests and engage with peers and mentors in order to obtain ongoing feedback and access to activities and learning opportunities that connect to their goals;

(c) Recommended calendar, schedule, and delivery options to ensure dedicated classroom time so that students are supported in engaging with and updating their plans multiple times per year;

(d) Strategies that increase student and family engagement with the learning plan process and encourages students to meaningfully explore their strengths, skills, and interests on an ongoing basis;

(e) Ways the universal online high school and beyond plan platform can support implementation of recommendations developed by the state board of education under subsection (2) of this section.

(2) The state board of education shall develop recommendations on how the high school and beyond plan could

be modified to further support student choice and flexibility in meeting graduation requirements and preparing for postsecondary education and training, including increasing access to mastery-based learning and mastery-based crediting opportunities. The state board of education shall report the recommendations developed under this subsection to the governor and education committees of the legislature.

(3) The reports required under this section shall be submitted to the governor and the education committees of the legislature, in accordance with RCW 43.01.036, by August 1, 2025.

(4) This section expires July 1, 2026.

Sec. 6. RCW 28A.230.091 and 2018 c 229 s 2 are each amended to read as follows:

Subject to the availability of amounts appropriated for this specific purpose, the office of the superintendent of public instruction shall work with school districts, including teachers, principals, and school counselors, educational service districts, the Washington state school directors' association, institutions of higher education (~~(as defined in RCW 28B.10.016)~~) that are authorized to participate in state financial aid programs under chapter 28B.92 RCW, students, and parents and guardians to identify best practices for high school and beyond plans that districts and schools may employ when complying with high school and beyond plan requirements adopted in accordance with ~~((RCW 28A.230.090))~~ section 3 of this act and RCW 28A.230.215. The identified best practices, which must consider differences in enrollment and other factors that distinguish districts from one another, must be posted on the website of the office of the superintendent of public instruction by September 1, 2019, and may be revised periodically as necessary.

Sec. 7. RCW 28A.230.310 and 2020 c 307 s 4 are each amended to read as follows:

(b) Districts must provide both a financial aid advising day and notification of financial aid opportunities at the beginning of each school year to parents and guardians of any student entering the twelfth grade. The notification must include information regarding:

(i) The eligibility requirements of the Washington college grant;

(ii) The requirements of the financial aid advising day;

(iii) The process for opting out of the financial aid advising day; and

(iv) Any community-based resources available to assist parents and guardians in understanding the requirements of and how to complete the free application for federal student aid and the Washington application for state financial aid.

(2) Districts may administer the financial aid advising day, as defined in RCW 28A.300.815, in accordance with information-sharing requirements set in the high school and beyond plan in ~~((RCW 28A.230.090))~~ section 3 of this act and RCW 28A.230.215.

(3) The Washington state school directors' association, with assistance from the office of the superintendent of public instruction and the Washington student achievement council, shall develop a model policy and procedure that school district board of directors may adopt. The model policy and procedure must describe minimum standards for a financial aid advising day as defined in RCW 28A.300.815.

(4) School districts are encouraged to engage in the Washington student achievement council's financial aid advising training.

(5) The office of the superintendent of public instruction may adopt rules for the implementation of this section.

Sec. 8. RCW 28A.230.320 and 2021 c 7 s 2 are each amended to read as follows:

(1) Beginning with the class of 2020, the state board of education may authorize school districts to grant individual student emergency waivers from credit and subject area graduation requirements established in RCW 28A.230.090, the graduation pathway requirement established in RCW 28A.655.250, or both if:

(a) The student's ability to complete the requirement was impeded due to a significant disruption resulting from a local, state, or national emergency;

(b) The school district demonstrates a good faith effort to support the individual student in meeting the requirement before considering an emergency waiver;

(c) The student was reasonably expected to graduate in the school year when the emergency waiver is granted; and

(d) Report student level emergency waiver data to the office of the superintendent of public instruction in a manner determined by the superintendent of public instruction in consultation with the state board of education;

(e) Determine if there is disproportionality among student subgroups receiving emergency waivers and, if so, take appropriate corrective actions to ensure equitable administration. At a minimum, the subgroups to be examined must include those referenced in RCW 28A.300.042(3). If further disaggregation of subgroups is available, the school district shall also examine those subgroups; and

(f) Adopt by resolution a written plan that describes the school district's process for students to request or decline an emergency waiver, and a process for students to appeal within the school district a decision to not grant an emergency waiver.

(3)(a) By November 1, 2021, and annually thereafter, the office of the superintendent of public instruction shall provide the data reported under subsection (2) of this section to the state board of education.

(b) The state board of education, by December 15, 2021, and within existing resources, shall provide the education committees of the legislature with a summary of the emergency waiver data provided by the office of the superintendent of public instruction under this subsection (3) for students in the graduating classes of 2020 and 2021. The summary must include the following information:

(i) The total number of emergency waivers requested and issued, by school district, including an indication of what requirement or requirements were waived. Information provided in accordance with this subsection ~~((3))~~ (3)(b)(i) must also indicate the number of students in the school district grade cohort of each student receiving a waiver; and

(ii) An analysis of any concerns regarding school district implementation, including any concerns related to school district demonstrations of good faith efforts as required by subsection (1)(b) of this section, identified by the state board of education during its review of the data.

(4) The state board of education shall adopt and may periodically revise rules for eligibility and administration of emergency waivers under this section. The rules may include:

(a) An application and approval process that allows school districts to apply to the state board of education to receive authority to grant emergency waivers in response to an emergency;

(b) Eligibility criteria for meeting the requirements established in subsection (1) of this section;

(c) Limitations on the number and type of credits that can be waived; and

(d) Expectations of the school district regarding communication with students and their parents or guardians.

(5) For purposes of this section:

(a) "Emergency" has the same meaning as "emergency or disaster" in RCW 38.52.010. "Emergency" may also include a national declaration of emergency by an authorized federal official.

(b) "School district" means any school district, charter school established under chapter 28A.710 RCW, tribal compact school operated according to the terms of state-tribal education compacts authorized under chapter 28A.715 RCW, private school, state school established under chapter 72.40 RCW, and community and technical college granting high school diplomas.

Sec. 9. RCW 28A.300.900 and 2018 c 228 s 1 are each amended to read as follows:

(1) Subject to the availability of amounts appropriated for this specific purpose, the office of the superintendent of public instruction, in consultation with the state board for community and technical colleges and the Washington state apprenticeship and training council, shall examine opportunities for promoting recognized preapprenticeship and registered youth apprenticeship opportunities for high school students.

(2) In accordance with this section, by November 1, 2018, the office of the superintendent of public instruction shall solicit input from persons and organizations with an interest or relevant expertise in registered preapprenticeship programs, registered youth apprenticeship programs, or both, and employer-based preapprenticeship and youth apprenticeship programs, and provide a report to the governor and the education committees of the house of representatives and the senate that includes recommendations for:

(a) Improving alignment between college-level vocational courses at institutions of higher education and high school curriculum and graduation requirements, including high school and beyond plans required by RCW 28A.230.090 and in accordance with section 3 of this act and RCW 28A.230.215. Recommendations provided under this subsection may include recommendations for the development or revision of career and technical education course equivalencies established in accordance with RCW 28A.700.080(1)(b) for college-level vocational courses successfully completed by a student while in high school and taken for dual credit;

(c) Increasing awareness among teachers, counselors, students, parents, principals, school administrators, and the public about

the opportunities offered by registered preapprenticeship and registered youth apprenticeship programs.

(3) As used in this section, "institution of higher education" has the same meaning as defined in RCW 28A.600.300.

Sec. 10. RCW 28A.655.250 and 2021 c 7 s 3 are each amended to read as follows:

(1)(a) Beginning with the class of 2020, except as provided in RCW 28A.230.320, graduation from a public high school and the earning of a high school diploma must include the following:

(i) Satisfying the graduation requirements established by the state board of education under RCW 28A.230.090 and any graduation requirements established by the applicable public high school or school district;

(ii) Satisfying credit requirements for graduation;

(iii) Demonstrating career and college readiness through completion of the high school and beyond plan as required by RCW 28A.230.090 and in accordance with section 3 of this act and RCW 28A.230.215; and

(iv) Meeting the requirements of at least one graduation pathway option established in this section. The pathway options established in this section are intended to provide a student with multiple pathways to graduating with a meaningful high school diploma that are tailored to the goals of the student. A student may choose to pursue one or more of the pathway options under (b) of this subsection, but any pathway option used by a student to demonstrate career and college readiness must be in alignment with the student's high school and beyond plan.

(b) The following graduation pathway options may be used to demonstrate career and college readiness in accordance with (a)(iv) of this subsection:

(i) Meet or exceed the graduation standard established by the state board of education under RCW 28A.305.130 on the statewide high school assessments in English language arts and mathematics as provided for under RCW 28A.655.070;

(ii) Complete and qualify for college credit in dual credit courses in English language arts and mathematics. For the purposes of this subsection, "dual credit course" means a course in which a student qualifies for college and high school credit in English language arts or mathematics upon successfully completing the course;

(iii) Earn high school credit in a high school transition course in English language arts and mathematics, an example of which includes a bridge to college course. For the purposes of this subsection (1)(b)(iii), "high school transition course" means an English language arts or mathematics course offered in high school where successful completion by a high school student ensures the student college-level placement at participating institutions of higher education as defined in RCW 28B.10.016. High school transition courses must satisfy core or elective credit graduation requirements established by the state board of education. A student's successful completion of a high school transition course does not entitle the student to be admitted to an institution of higher education as defined in RCW 28B.10.016;

(iv) Earn high school credit, with a C+ grade, or receiving a three or higher on the AP exam, or equivalent, in AP, international baccalaureate, or Cambridge international courses in English language arts and mathematics; or receiving a four or higher on international baccalaureate exams. For English language arts, successfully completing any of the following courses meets the standard: AP English language and composition literature, macroeconomics, microeconomics, psychology, United States history, world history, United States government and politics, or comparative government and politics; or any of the international baccalaureate individuals and societies courses. For mathematics, successfully completing any

NINETY SIXTH DAY, APRIL 14, 2023

of the following courses meets the standard: AP statistics, computer science, computer science principles, or calculus; or any of the international baccalaureate mathematics courses;

(v) Meet or exceed the scores established by the state board of education for the mathematics portion and the reading, English, or writing portion of the SAT or ACT;

(vi) Meet any combination of at least one English language arts option and at least one mathematics option established in (b)(i) through (v) of this subsection (1);

(vii) Meet standard in the armed services vocational aptitude battery; and

(viii) Complete a sequence of career and technical education courses that are relevant to a student's postsecondary pathway, including those leading to workforce entry, state or nationally approved apprenticeships, or postsecondary education, and that meet either: The curriculum requirements of core plus programs for aerospace, maritime, health care, information technology, or construction and manufacturing; or the minimum criteria identified in RCW 28A.700.030. Nothing in this subsection (1)(b)(viii) requires a student to enroll in a preparatory course that is approved under RCW 28A.700.030 for the purposes of demonstrating career and college readiness under this section.

(2) While the legislature encourages school districts to make all pathway options established in this section available to their high school students, and to expand their pathway options until that goal is met, school districts have discretion in determining which pathway options under this section they will offer to students.

(3) The state board of education shall adopt rules to implement the graduation pathway options established in this section.

NEW SECTION. Sec. 11. RCW 28A.655.270 (Student support for graduation—Student learning plans) and 2019 c 252 s 203 are each repealed."

Whenever a national criminal record check through the federal bureau of investigation is required by state law, a person may be employed or engaged as a volunteer or independent contractor on a conditional basis pending completion of the national check. The office of financial management shall adopt rules to accomplish the purposes of this subsection as it applies to state employees. MESSAGE FROM THE HOUSE

March 20, 2023

MR. PRESIDENT:
The House passed ENGROSSED SUBSTITUTE SENATE BILL NO. 5257 with the following amendment(s): 5257-S.E AMH ED H1640.2

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. (1) The legislature recognizes that recess is an essential part of the day for elementary school students. Young students learn through play, and recess supports the mental, physical, and emotional health of students and positively impacts their learning and behavior. Given the state's youth mental health and physical inactivity crisis, as well as learning loss due to the COVID-19 pandemic, recess is vital to support student well-being and academic success.

(2) The legislature also acknowledges that the amount of time spent on recess varies throughout the state; therefore, youth do not have equitable access to opportunities for physical activity, self-directed play, and time outdoors. The legislature intends to set a minimum requirement for daily recess to ensure that all students have equal access to recess, but school districts are encouraged to exceed this requirement.

(3) Further, the legislature intends to clarify that recess should not be withheld as a disciplinary or punitive action during the school day, and that recess should not be withheld to compel students to complete academic work. The legislature believes that these clarifications and other policies will help make elementary school recess safe, inclusive, and high quality for all students.

NEW SECTION. Sec. 2. A new section is added to chapter 28A.230 RCW to read as follows:

(1)(a) Beginning with the 2024-25 school year, public schools, for each school day that exceeds five hours in duration, must provide a minimum of 30 minutes of daily recess within the school day for all students in grades kindergarten through five and students in grade six that attend an elementary school.

(b) The office of the superintendent of public instruction may waive the requirement in (a) of this subsection during the 2024-25 school year for public schools demonstrating that they are unable to comply with the requirement.

(c) Public schools may provide additional recess before or after the school day, but that time may not be used to meet the requirements of this subsection (1).

(d) Time spent changing to and from clothes for outdoor play should not be used to meet the requirements of this subsection (1).

(2)(a) Recess must be supervised and student directed and must aim to be safe, inclusive, and high quality as described in the model policy and procedure referenced in section 3 of this act. It may include organized games, but public schools should avoid including, or permitting the student use of, computers, tablets, or phones during recess.

(b) Recess should be held outside whenever possible. If recess is held indoors, public schools should use an appropriate space that promotes physical activity.

(3) The daily recess required under this section may not be used to meet the physical education requirements under RCW 28A.230.040.

(4) For the purposes of this section, "public schools" has the same meaning as in RCW 28A.150.010.

NEW SECTION. Sec. 3. A new section is added to chapter 28A.210 RCW to read as follows:

(1)(a) By April 1, 2024, the Washington state school directors' association, with the assistance of the office of the superintendent of public instruction, must review and update a model policy and procedure regarding nutrition, health, and physical education.

(b) The model policy and procedure must:

(i) Aim to make elementary school recess safe, inclusive, and high quality for all students;

(ii) Encourage physical activity breaks for middle and high school students;

(iii) Align with the requirements in section 2 of this act;

(iv) Encourage elementary school recess to be scheduled before lunch, whenever possible, to reduce food waste, maximize nutrition, and allow students to be active before eating;

(v) Discourage withholding recess as a disciplinary or punitive action except when a student's participation in recess poses an immediate threat to the safety of the student or others, and create a process to find and deploy alternatives to the withholding of recess;

(vi) Discourage the withholding of recess to have a student complete academic work;

(vii) Prohibit the use of physical activity during the school day as punishment, such as having students run laps or do push-ups as a punitive action; and

(viii) Align with corporal punishment requirements established in WAC 392-400-825.

(2) By the beginning of the 2024-25 school year, school districts must adopt or amend if necessary policies and procedures that, at a minimum, incorporate all the elements described in subsection (1) of this section."

Correct the title.

and the same are herewith transmitted.

MESSAGE FROM THE HOUSE

April 6, 2023

MR. PRESIDENT:

The House passed SECOND SUBSTITUTE SENATE BILL NO. 5269 with the following amendment(s): 5269-S2 AMH APP H1878.1

Strike everything after the enacting clause and insert the following:

"NEW SECTION. **Sec. 1.** The legislature finds and declares that:

(1) In 2021, Washington state set an aspirational goal in statute to double manufacturing jobs, firms, and the participation of women and minorities in the ownership of manufacturing firms. To create and maintain unity around the state manufacturing growth target, chapter 64, Laws of 2021 sought to foster a partnership between business and labor. It established a manufacturing council with membership that was intentionally balanced equally between business and labor and represented the geographic and demographic diversity of the state. The manufacturing council was tasked with advising the department of commerce on policy recommendations to strengthen the manufacturing sector by 2030 and submitting reports to the legislature every two years containing those recommendations.

(2) The legislature intends for an independent assessment of growth opportunities in clean manufacturing to be considered by the manufacturing council. Furthermore, the legislature intends that a state industrial strategy that incorporates any input from the independent assessment not be published in any form or considered the state strategy until there is consensus of the manufacturing council on the recommendations and policies to be included in that strategy.

(3) Washington state, with its strong climate commitments, highly skilled workforce, and existing world-class manufacturing base is well positioned to be a global leader in clean manufacturing.

(4) A strong state and domestic manufacturing sector can provide stable, high-wage jobs and is a prerequisite to achieving

NINETY SIXTH DAY, APRIL 14, 2023

Washington state's statutory commitment to net zero greenhouse gas emissions by 2050.

(5) All Washingtonians deserve the opportunity of a high-road manufacturing career. In building the Washington manufacturing workforce pipeline, the state should fully leverage the transferable skills of our existing manufacturing workforce and develop a comprehensive, in-state pipeline with wraparound services and equitable opportunities to ensure that every Washingtonian has a fair shake at a manufacturing career and intergenerational well-being and career growth opportunities.

(6) A holistic and coordinated state industrial strategy that seeks simultaneously to transform and revitalize Washington state's manufacturing base is vital to prevent the leakage of jobs and carbon pollution.

(7) Washington has demonstrated a deep commitment to growing manufacturing. In 2021, the legislature set a goal of doubling the state's manufacturing base over 10 years. In 2022, the legislature created tax incentives and updated siting and permitting practices to accelerate the in-state production of clean energy product manufacturing. Developing a statewide industrial strategy is an important complement to accelerate progress and maximize the benefit of new tax incentives and siting and permitting practices.

(8) The bipartisan infrastructure act and inflation reduction act present a once in a generation opportunity to rapidly transform and grow Washington's manufacturing base in a way that advances the state's climate goals. The state has an important role to play in ensuring that Washington fully leverages federal funding opportunities and that the benefits are shared equitably.

(9) Washington must take steps to ensure that the transformation and growth of the state's manufacturing base simultaneously addresses and does not contribute to the disproportionate burden of pollution on overburdened communities.

NEW SECTION. Sec. 2. (1) The department of commerce must perform an independent assessment of opportunities for Washington to capture new and emerging industries that align with statewide greenhouse gas reduction limits and strengthen its existing manufacturing base. By October 1, 2024, and in compliance with RCW 43.01.036, the department of commerce shall submit the independent assessment to the appropriate committees of the legislature, and shall submit the assessment to the state manufacturing council established in RCW 43.330.762.

(2) By June 1, 2025, the department of commerce must develop a proactive state industrial strategy that seeks to strengthen and transform Washington's existing manufacturing base and capture new and emerging industries. The strategy should be informed by the independent assessment required by subsection (1) of this section. The manufacturing council convened pursuant to RCW 43.330.762 shall advise and consult on the development of the strategy.

(3) The independent assessment must include, but is not limited to:

(a) Assessing how the transition to net-zero emissions by 2050 will impact the potential futures of manufacturing in Washington, including identifying specific opportunities for Washington to actively seek investment in new and emerging industries and to transform and strengthen the state's existing manufacturing base to meet the needs of a net-zero economy, taking into account the Washington's existing key sectors, job quality, and regional diversity;

(b) Assessing the needs of Washington's existing manufacturers, including supply chain challenges and resources required to meet the statutory greenhouse gas emissions reductions in RCW 70A.45.020;

(c) Identifying opportunities to build and maximize the environmental and economic benefits of a circular economy for both new and existing industries in building out and strengthening Washington's manufacturing base;

(d) Identifying what is required to attract new private investment and transform and strengthen Washington's existing manufacturing base, including needs related to:

(i) Transportation and port infrastructure;

(ii) Supply chains;

(iii) Workforce; and

(iv) Energy;

(e) Identifying opportunities to support minority and women-owned firms and small and medium-sized firms in capturing new and emerging industries;

(f) Identifying existing and potential future gaps in the state's manufacturing sector that inhibit in-state manufacturers from producing the necessary goods, services, and infrastructure to transition to the net-zero economy and attract new investment in the state to accelerate the in-state production of clean energy product manufacturing; and

(g) Evaluating opportunities for the state's use of public ownership investment in developed and emerging manufacturing industries to address the existing and potential future gaps identified in (f) of this subsection. This evaluation shall provide recommendations on the highest and best uses of public resources as part of the state industrial strategy as provided in subsection (2) of this section.

(4) The workforce assessment referenced in subsection (3)(d)(iii) of this section should: (a) Catalogue and examine how to maximize the use of the existing manufacturing workforce's transferable skills; (b) address any remaining skills gaps and identify opportunities to build a manufacturing workforce pipeline that ensures all current and future Washingtonians have fair access to a manufacturing career by sector; and (c) ensure equitable and accessible pathways and advancement opportunities in manufacturing by sector.

(5) The energy assessment referenced in subsection (3)(d)(iv) of this section should include the quantity, price, and location of electricity necessary to decarbonize and grow Washington's existing manufacturing base and capture new and emerging industries.

(6) The independent assessment will not replace but may inform the work of the manufacturing council created in RCW 43.330.762 to advise and consult on the department of commerce's recommendations to achieve the goals established in RCW 43.330.760.

NEW SECTION. Sec. 3. (1) The department of commerce must appoint an industrial policy advisor to ensure that Washington state fully leverages available federal funding for manufacturing to meet the state's economic development goals in RCW 43.330.760 and the statutory greenhouse gas emissions reductions in RCW 70A.45.020 and guide the implementation of the state industrial strategy created pursuant to section 2 of this act.

(2) The industrial policy advisor must:

(a) Track federal and other funding opportunities to transform and strengthen existing Washington manufacturers and promote the growth of new and emerging industries;

(b) Alert Washington manufacturers to relevant federal and other funding opportunities;

(c) Support Washington manufacturers in applying for federal and other funding opportunities and in completing required reporting;

ROLL CALL

(d) Work to ensure that Washington's pursuit of its goals in RCW 43.330.760 and 70A.45.020 are aligned and mutually reinforcing;

(e) Foster interagency and coordination and collaboration, including with the department of commerce sector leads, on manufacturing-related policymaking and activities, including both climate and economic development manufacturing-related policymaking;

(f) Coordinate with the workforce innovation sector lead, particularly with respect to building the manufacturing workforce pipeline; and

(g) Provide quarterly reports to the manufacturing council created in RCW 43.330.762.

(3) The industry policy advisor may also:

(a) Form expert committees with industry representatives to develop sector-specific strategies for attracting new investment and transforming and strengthening existing manufacturing consistent with the industrial strategy created pursuant to section 2 of this act;

(b) Assist local governments with economic plans to attract new investment and transform and strengthen existing manufacturing consistent with the industrial strategy created pursuant to section 2 of this act; and

(c) Support communities negatively impacted by the closure or relocation of manufacturing facilities by supporting efforts to attract new investment consistent with the industrial strategy created pursuant to section 2 of this act and facilitate the movement of existing skilled manufacturing workers into new industrial sectors.

NEW SECTION. **Sec. 4.** This act may be known and cited as the Washington clean manufacturing leadership act.

NEW SECTION. **Sec. 5.** Section 2 of this act is added to chapter 43.330 RCW and codified with the subchapter heading of "MANUFACTURING AND RESEARCH AND DEVELOPMENT SECTOR PROMOTION.""

Correct the title.

and the same are herewith transmitted.

BERNARD DEAN, Chief Clerk

MOTION

On motion of Senator Pedersen, the Senate advanced to the eighth order of business.

MOTION

Senator Nguyen moved adoption of the following resolution:

SENATE RESOLUTION
8643

By Senators Nguyen, Billig, Cleveland, Conway, Dhingra, Hasegawa, Hawkins, Hunt, Keiser, Kuderer, Liias, Lovelett, Lovick, Mullet, Nobles, Pedersen, Randall, Robinson, Rolfes, Saldaña, Salomon, Shewmake, Stanford, Torres, Trudeau, Valdez, Van De Wege, Warnick, Wellman, C. Wilson, and L. Wilson

WHEREAS, Gary Wilburn has served the Legislature with distinction for more than 35 years, providing invaluable counsel to hundreds of elected officials; and

WHEREAS, Before landing in Olympia, Gary earned his law degree from Stanford and spent time as a trial lawyer in the Natural Resources Division of the United States Justice Department; and

WHEREAS, Gary was hired by Senate Committee Services in December of 1986, just in time for the 1987 legislative session. It was Booth Gardner's first term as governor and legislators were beginning work on what would later become the Growth Management Act; and

WHEREAS, Gary spent a decade with Senate Committee Services, staffing various environmental committees tackling issues like solid waste, the transport of toxic materials, and new waste-to-energy incinerators; and

WHEREAS, Gary joined the Senate Democratic Caucus in 1996, using his skillset and knowledge of natural resource issues to help minority Democrats battle over salmon recovery, growth issues, and water resources; and

WHEREAS, Gary's brain arguably contains more obscure legislative acronyms than any other individual on the Capitol Campus, and he can rattle off water rights rulings quicker than you can spell Hirst or Foster; and

WHEREAS, Gary has seen the majority in the Senate change eight times, served under five different governors, and shared his unique institutional knowledge to the benefit of hundreds of members, staffers, and interns over the years; and

WHEREAS, Gary has been instrumental in our state's efforts to address climate change, culminating with his work on the Climate Commitment Act of 2021; and

WHEREAS, Gary has reduced his own carbon footprint over the years with thousands of bicycle commutes to and from the Capitol Campus; and

WHEREAS, Gary and his wife Jane raised their two children, Eric and Kate, while juggling busy legislative sessions and now watch with pride as they pursue careers in environmental engineering and public health; and

WHEREAS, Gary has been known to get caught looking longingly at topographical maps of the Pacific Northwest hanging

in his office, dreaming of his next adventure into our region's beautiful landscapes; and

WHEREAS, Gary has earned a permanent interim to enjoy his retirement with his family and friends, but his legislative family will miss his talent and passion for our democracy and our state's environmental health;

NOW, THEREFORE, BE IT RESOLVED, That the Senate, in recognition of his unwavering dedication to public service, honor and thank Gary Wilburn and wish him well as he retires from the Senate; and

BE IT FURTHER RESOLVED, That a copy of this resolution be immediately transmitted by the Secretary of the Senate to Gary Wilburn.

"Sec. 1. RCW 71.05.148 and 2022 c 210 s 3 are each amended to read as follows:

(1) A person is in need of assisted outpatient treatment if the court finds by clear, cogent, and convincing evidence pursuant to a petition filed under this section that:

(i) The person is unlikely to survive safely in the community without supervision and the person's condition is substantially deteriorating; or

(ii) The person is in need of assisted outpatient treatment in order to prevent a relapse or deterioration that would be likely to result in grave disability or a likelihood of serious harm to the person or to others;

(c) The person has a history of lack of compliance with treatment for his or her behavioral health disorder that has:

(i) At least twice within the 36 months prior to the filing of the petition been a significant factor in necessitating hospitalization of the person, or the person's receipt of services in a forensic or other mental health unit of a state correctional facility or local correctional facility, provided that the 36-month period shall be extended by the length of any hospitalization or incarceration of the person that occurred within the 36-month period;

(ii) At least twice within the 36 months prior to the filing of the petition been a significant factor in necessitating emergency medical care or hospitalization for behavioral health-related medical conditions including overdose, infected abscesses, sepsis, endocarditis, or other maladies, or a significant factor in behavior which resulted in the person's incarceration in a state or local correctional facility; or

(iii) Resulted in one or more violent acts, threats, or attempts to cause serious physical harm to the person or another within the 48 months prior to the filing of the petition, provided that the 48-month period shall be extended by the length of any hospitalization or incarceration of the person that occurred during the 48-month period;

(d) Participation in an assisted outpatient treatment program would be the least restrictive alternative necessary to ensure the person's recovery and stability; and

(e) The person will benefit from assisted outpatient treatment.

(2) The following individuals may directly file a petition for less restrictive alternative treatment on the basis that a person is in need of assisted outpatient treatment:

The petitioner must personally interview the person, unless the person refuses an interview, to

determine whether the person will voluntarily receive appropriate treatment.

(4) The petitioner must allege specific facts based on personal observation, evaluation, or investigation, and must consider the reliability or credibility of any person providing information material to the petition.

(5) The petition must include:

(a) A statement of the circumstances under which the person's condition was made known and the basis for the opinion, from personal observation or investigation, that the person is in need of assisted outpatient treatment. The petitioner must state which specific facts come from personal observation and specify what other sources of information the petitioner has relied upon to form this belief;

(b) A declaration from a physician, physician assistant, advanced registered nurse practitioner, ~~((or))~~ the person's treating mental health professional or substance use disorder professional, or in the case of a person enrolled in treatment in a behavioral health agency, the person's behavioral health case manager, who has examined the person no more than 10 days prior to the submission of the petition and who is willing to testify in support of the petition, or who alternatively has made appropriate attempts to examine the person within the same period but has not been successful in obtaining the person's cooperation, and who is willing to testify to the reasons they believe that the person meets the criteria for assisted outpatient treatment ~~((If the declaration is provided by the person's treating mental health professional or substance use disorder professional, it must be co-signed by a supervising physician, physician assistant, or advanced registered nurse practitioner who certifies that they have reviewed the declaration))~~);

(c) The declarations of additional witnesses, if any, supporting the petition for assisted outpatient treatment;

(d) The name of an agency, provider, or facility that agrees to provide less restrictive alternative treatment if the petition is granted by the court; and

(c) If the respondent has a surrogate decision maker or agent under chapter 71.32 RCW who wishes to provide testimony at the hearing, the court shall afford the surrogate decision maker or agent an opportunity to testify.

(e) If the respondent fails to appear at the hearing after notice, the court may conduct the hearing in the respondent's absence; provided that the respondent's counsel is present.

(f) If the respondent has refused to be examined by the qualified professional whose affidavit accompanied the petition, the court may order a mental examination of the respondent. The examination of the respondent may be performed by the qualified professional whose affidavit accompanied the petition. If the examination is performed by another qualified professional, the examining qualified professional shall be authorized to consult with the qualified professional whose affidavit accompanied the petition.

(g) If the respondent has refused to be examined by a qualified professional and the court finds reasonable grounds to believe that the allegations of the petition are true, the court may issue a written order directing a peace officer who has completed crisis intervention training to detain and transport the respondent to a provider for examination by a qualified professional. A respondent detained pursuant to this subsection shall be detained no longer than necessary to complete the examination and in no event longer than 24 hours.

(7) If the petition involves a person whom the petitioner or behavioral health administrative services organization knows, or has reason to know, is an American Indian or Alaska Native who receives medical or behavioral health services from a tribe within this state, the behavioral health administrative services organization shall notify the tribe and Indian health care provider. Notification shall be made in person or by telephonic or electronic communication to the tribal contact listed in the authority's tribal crisis coordination plan as soon as possible.

(8) A petition for assisted outpatient treatment filed under this section shall be adjudicated under RCW 71.05.240.

(9) ~~((After January 1, 2023, a))~~ A petition for assisted outpatient treatment must be filed on forms developed by the administrative office of the courts.

(2) If the petition is for mental health treatment, the court or the prosecutor at the time of the probable cause hearing and before an order of commitment is entered shall inform the person both orally and in writing that the failure to make a good faith effort to seek voluntary treatment as provided in RCW 71.05.230 will result in the loss of his or her firearm rights if the person is subsequently detained for involuntary treatment under this section.

(3) If the person or his or her attorney alleges, prior to the commencement of the hearing, that the person has in good faith volunteered for treatment, the petitioner must show, by preponderance of the evidence, that the person has not in good faith volunteered for appropriate treatment. In order to qualify as a good faith volunteer, the person must abide by procedures and a treatment plan as prescribed by a treatment facility and professional staff.

(4)(a) Subject to (b) of this subsection, at the conclusion of the probable cause hearing, if the court finds by a preponderance of the evidence that a person detained for behavioral health treatment, as the result of a behavioral health disorder, presents a likelihood of serious harm, or is gravely disabled, and, after considering less restrictive alternatives to involuntary detention and treatment, finds that no such alternatives are in the best interests of such person or others, the court shall order that such person be detained for involuntary treatment not to exceed 14

(5) An order for less restrictive alternative treatment must name the behavioral health service provider responsible for identifying the services the person will receive in accordance with RCW 71.05.585, and must include a requirement that the person cooperate with the treatment recommendations of the behavioral health service provider.

(6) The court shall notify the person orally and in writing that if involuntary treatment is sought beyond the 14-day inpatient or 90-day less restrictive treatment period, the person has the right to a full hearing or jury trial under RCW 71.05.310. (7) If the court does not issue an order to detain or commit a person under this section, the court shall issue an order to dismiss the petition.

(b) At the conclusion of the probable cause hearing, if the court finds by a preponderance of the evidence that a person detained for behavioral health treatment, as the result of a behavioral health disorder, presents a likelihood of serious harm or is gravely disabled, but that treatment in a less restrictive setting than detention is in the best interest of such person or others, the court shall order an appropriate less restrictive alternative course of treatment for up to ninety days.

(c) If the court finds by ~~((a preponderance of the))~~ clear, cogent, and convincing evidence that a person subject to a petition under RCW 71.05.148, as the result of a behavioral health disorder, is in need of assisted outpatient treatment, the court shall order an appropriate less restrictive alternative course of treatment for up to 18 months.

(5) An order for less restrictive alternative treatment must name the behavioral health service provider responsible for identifying the services the person will receive in accordance with RCW 71.05.585, and must include a requirement that the person cooperate with the treatment recommendations of the behavioral health service provider.

(6) The court shall notify the person orally and in writing that if involuntary treatment is sought beyond the 14-day inpatient or 90-day less restrictive treatment period, such person has the right to a full hearing or jury trial under RCW 71.05.310. If the commitment is for mental health treatment, the court shall also notify the person orally and in writing that the person is barred from the possession of firearms and that the prohibition remains in effect until a court restores his or her right to possess a firearm under RCW 9.41.047.

(7) If the court does not issue an order to detain or commit a person under this section, the court shall issue an order to dismiss the petition.

(8) Nothing in this section precludes the court from subsequently modifying the terms of an order for less restrictive alternative treatment under RCW 71.05.590(3).

Sec. 4. RCW 71.05.365 and 2022 c 210 s 19 are each amended to read as follows:

When a person has been involuntarily committed for treatment to a hospital for a period of 90 or 180 days, and the superintendent or professional person in charge of the hospital determines that the person no longer requires active psychiatric treatment at an inpatient level of care, the behavioral health administrative services organization, managed care organization, or agency providing oversight of long-term care or developmental disability services that is responsible for resource management services for the person must work with the hospital to develop an individualized discharge plan ~~((including whether a petition should be filed for less restrictive alternative treatment on the basis that the person is in need of assisted outpatient treatment,))~~ and arrange for a transition to the community in accordance with the person's individualized discharge plan within 14 days of the determination.

Sec. 5. RCW 71.05.590 and 2022 c 210 s 23 are each amended to read as follows:

(1) ~~((Either an))~~ An agency or facility designated to monitor or provide less restrictive alternative treatment services under a ~~((less restrictive alternative))~~ court order or conditional release, or a designated crisis responder, may take action to enforce, modify, or revoke ~~((a))~~ the less restrictive alternative treatment order or conditional release ~~((order. The))~~ if the agency, facility, or designated crisis responder ~~((must determine))~~ determines that:

(a) The person is failing to adhere to the terms and conditions of the order;

(b) Substantial deterioration in the person's functioning has occurred;

(c) There is evidence of substantial decompensation with a reasonable probability that the decompensation can be reversed by further evaluation, intervention, or treatment; or

(d) The person poses a likelihood of serious harm.

(2) Actions taken under this section must include a flexible range of responses of varying levels of intensity appropriate to the circumstances and consistent with the interests of the individual and the public in personal autonomy, safety, recovery, and compliance. Available actions may include, but are not limited to, any of the following:

(a) To counsel or advise the person as to their rights and responsibilities under the court order, and to offer incentives to motivate compliance;

(b) To increase the intensity of outpatient services provided to the person by increasing the frequency of contacts with the provider, referring the person for an assessment for assertive community services, or by other means;

(c) To request a court hearing for review and modification of the court order. The request must be directed to the court with jurisdiction over the order and specify the circumstances that give rise to the request and what modification is being sought. The county prosecutor shall assist the entity requesting the hearing and issue an appropriate summons to the person. This subsection does not limit the inherent authority of a treatment provider to alter conditions of treatment for clinical reasons, and is intended to be used only when court intervention is necessary or advisable to secure the person's compliance and prevent decompensation or deterioration;

(d) To detain the person for up to 12 hours for evaluation at an agency, facility providing services under the court order, triage facility, crisis stabilization unit, emergency department, evaluation and treatment facility, secure withdrawal management and stabilization facility with available space, or an approved substance use disorder treatment program with available space. The purpose of the evaluation is to determine whether modification, revocation, or commitment proceedings are necessary and appropriate to stabilize the person and prevent decompensation, deterioration, or physical harm. Temporary detention for evaluation under this subsection is intended to occur only following a pattern of noncompliance or the failure of reasonable attempts at outreach and engagement, and may occur only when, based on clinical judgment, temporary detention is appropriate. The agency, facility, or designated crisis responder may request assistance from a peace officer for the purposes of temporary detention under this subsection (2)(d). This subsection does not limit the ability or obligation of the agency, facility, or designated crisis responder to pursue revocation procedures under subsection (5) of this section in appropriate circumstances; and

(e) To initiate revocation procedures under subsection (5) of this section.

(3) A court may supervise a person on an order for less restrictive alternative treatment or a conditional release. While the person is under the order, the court may:

(a) Require appearance in court for periodic reviews; and

(b) Modify the order after considering input from the agency or facility designated to provide or facilitate services. The court may not remand the person into inpatient treatment except as provided under subsection (5) of this section, but may take actions under subsection (2)(a) through (d) of this section.

(4) The facility or agency designated to provide outpatient treatment shall notify the secretary of the department of social and health services or designated crisis responder when a person fails to adhere to terms and conditions of court ordered treatment or experiences substantial deterioration in his or her condition and, as a result, presents an increased likelihood of serious harm.

(5)(a) A designated crisis responder or the secretary of the department of social and health services may, upon their own motion or upon request of the facility or agency designated to provide outpatient care, cause a person to be detained in an evaluation and treatment facility, available secure withdrawal management and stabilization facility with adequate space, or available approved substance use disorder treatment program with adequate space in or near the county in which he or she is receiving outpatient treatment for the purpose of a hearing for revocation of a less restrictive alternative treatment order or conditional release order under this chapter. The designated crisis responder or secretary of the department of social and health services shall file a petition for revocation within 24 hours and serve the person, their guardian, if any, and their attorney. A hearing for revocation of a less restrictive alternative treatment order or conditional release order may be scheduled without detention of the person.

(b) A person detained under this subsection (5) must be held until such time, not exceeding five days, as a hearing can be scheduled to determine whether or not the order for less restrictive alternative treatment or conditional release should be revoked, modified, or retained. If the person is not detained, the hearing must be scheduled within five days of service on the person. The designated crisis responder or the secretary of the department of social and health services may withdraw its petition for revocation at any time before the court hearing.

(c) A person detained under this subsection (5) has the same rights with respect to notice, hearing, and counsel as in any involuntary treatment proceeding, except as specifically set forth in this section. There is no right to jury trial. The venue for proceedings is the county where the petition is filed. Notice of the filing must be provided to the court that originally ordered commitment, if different from the court where the petition for revocation is filed, within two judicial days of the person's detention.

(d) The issues for the court to determine are whether: (i) The person adhered to the terms and conditions of the order or conditional release; (ii) substantial deterioration in the person's functioning has occurred; (iii) there is evidence of substantial decompensation with a reasonable probability that the decompensation can be reversed by further inpatient treatment; or (iv) there is a likelihood of serious harm; and, if any of the above conditions apply, whether it is appropriate for the court to reinstate or modify the person's less restrictive alternative treatment order or conditional release ~~((order))~~ or order the person's detention for inpatient treatment. The person may waive the court hearing and allow the court to enter a stipulated order upon the agreement of all parties. If the court orders detention for inpatient treatment, the treatment period must be for 14 days from the revocation hearing if the less restrictive alternative treatment

order or conditional release (~~(order)~~) was based on a petition under RCW 71.05.148, 71.05.160, or 71.05.230. The person must return to less restrictive alternative treatment under the order at the end of the 14-day period unless a petition for further treatment is filed under RCW 71.05.320 or the person accepts voluntary treatment. If the court orders detention for inpatient treatment and the less restrictive alternative treatment order or conditional release (~~(order)~~) was based on a petition under RCW 71.05.290 or 71.05.320, the number of days remaining on the order must be converted to days of inpatient treatment. A court may not detain a person for inpatient treatment to a secure withdrawal management and stabilization facility or approved substance use disorder treatment program under this subsection unless there is a facility or program available with adequate space for the person.

(6) In determining whether or not to take action under this section the designated crisis responder, agency, or facility must consider the factors specified under RCW 71.05.212 and the court must consider the factors specified under RCW 71.05.245 as they apply to the question of whether to enforce, modify, or revoke a court order for involuntary treatment.

Sec. 6. RCW 71.05.590 and 2022 c 210 s 24 are each amended to read as follows:

(1) (~~(Either an)~~) An agency or facility designated to monitor or provide less restrictive alternative treatment services under a (~~(less restrictive alternative)~~) court order or conditional release, or a designated crisis responder, may take action to enforce, modify, or revoke (~~(a)~~) the less restrictive alternative treatment order or conditional release (~~(order. The)~~) if the agency, facility, or designated crisis responder (~~(must determine)~~) determines that:

(a) The person is failing to adhere to the terms and conditions of the order;

(b) Substantial deterioration in the person's functioning has occurred;

(c) There is evidence of substantial decompensation with a reasonable probability that the decompensation can be reversed by further evaluation, intervention, or treatment; or

(d) The person poses a likelihood of serious harm.

(2) Actions taken under this section must include a flexible range of responses of varying levels of intensity appropriate to the circumstances and consistent with the interests of the individual and the public in personal autonomy, safety, recovery, and compliance. Available actions may include, but are not limited to, any of the following:

(a) To counsel or advise the person as to their rights and responsibilities under the court order, and to offer incentives to motivate compliance;

(b) To increase the intensity of outpatient services provided to the person by increasing the frequency of contacts with the provider, referring the person for an assessment for assertive community services, or by other means;

(c) To request a court hearing for review and modification of the court order. The request must be directed to the court with jurisdiction over the order and specify the circumstances that give rise to the request and what modification is being sought. The county prosecutor shall assist (~~(the)~~) the entity requesting the hearing and issue an appropriate summons to the person. This subsection does not limit the inherent authority of a treatment provider to alter conditions of treatment for clinical reasons, and is intended to be used only when court intervention is necessary or advisable to secure the person's compliance and prevent decompensation or deterioration;

(d) To detain the person for up to 12 hours for evaluation at an agency, facility providing services under the court order, triage facility, crisis stabilization unit, emergency department,

evaluation and treatment facility, secure withdrawal management and stabilization facility, or an approved substance use disorder treatment program. The purpose of the evaluation is to determine whether modification, revocation, or commitment proceedings are necessary and appropriate to stabilize the person and prevent decompensation, deterioration, or physical harm. Temporary detention for evaluation under this subsection is intended to occur only following a pattern of noncompliance or the failure of reasonable attempts at outreach and engagement, and may occur only when, based on clinical judgment, temporary detention is appropriate. The agency, facility, or designated crisis responder may request assistance from a peace officer for the purposes of temporary detention under this subsection (2)(d). This subsection does not limit the ability or obligation of the agency, facility, or designated crisis responder to pursue revocation procedures under subsection (5) of this section in appropriate circumstances; and

(e) To initiate revocation procedures under subsection (5) of this section.

(3) A court may supervise a person on an order for less restrictive alternative treatment or a conditional release. While the person is under the order, the court may:

(a) Require appearance in court for periodic reviews; and

(b) Modify the order after considering input from the agency or facility designated to provide or facilitate services. The court may not remand the person into inpatient treatment except as provided under subsection (5) of this section, but may take actions under subsection (2)(a) through (d) of this section.

(4) The facility or agency designated to provide outpatient treatment shall notify the secretary of the department of social and health services or designated crisis responder when a person fails to adhere to terms and conditions of court ordered treatment or experiences substantial deterioration in his or her condition and, as a result, presents an increased likelihood of serious harm.

(5)(a) A designated crisis responder or the secretary of the department of social and health services may, upon their own motion or upon request of the facility or agency designated to provide outpatient care, cause a person to be detained in an evaluation and treatment facility, secure withdrawal management and stabilization facility, or approved substance use disorder treatment program in or near the county in which he or she is receiving outpatient treatment for the purpose of a hearing for revocation of a less restrictive alternative treatment order or conditional release (~~(order)~~) under this chapter. The designated crisis responder or secretary of the department of social and health services shall file a petition for revocation within 24 hours and serve the person, their guardian, if any, and their attorney. A hearing for revocation of a less restrictive alternative treatment order or conditional release (~~(order)~~) may be scheduled without detention of the person.

(b) A person detained under this subsection (5) must be held until such time, not exceeding five days, as a hearing can be scheduled to determine whether or not the order for less restrictive alternative treatment or conditional release should be revoked, modified, or retained. If the person is not detained, the hearing must be scheduled within five days of service on the person. The designated crisis responder or the secretary of the department of social and health services may withdraw its petition for revocation at any time before the court hearing.

(c) A person detained under this subsection (5) has the same rights with respect to notice, hearing, and counsel as in any involuntary treatment proceeding, except as specifically set forth in this section. There is no right to jury trial. The venue for proceedings is the county where the petition is filed. Notice of the filing must be provided to the court that originally ordered

commitment, if different from the court where the petition for revocation is filed, within two judicial days of the person's detention.

(d) The issues for the court to determine are whether: (i) The person adhered to the terms and conditions of the order or conditional release; (ii) substantial deterioration in the person's functioning has occurred; (iii) there is evidence of substantial decompensation with a reasonable probability that the decompensation can be reversed by further inpatient treatment; or (iv) there is a likelihood of serious harm; and, if any of the above conditions apply, whether it is appropriate for the court to reinstate or modify the person's less restrictive alternative treatment order or conditional release (~~(order)~~) or order the person's detention for inpatient treatment. The person may waive the court hearing and allow the court to enter a stipulated order upon the agreement of all parties. If the court orders detention for inpatient treatment, the treatment period must be for 14 days from the revocation hearing if the less restrictive alternative treatment order or conditional release (~~(order)~~) was based on a petition under RCW 71.05.148, 71.05.160, or 71.05.230. The person must return to less restrictive alternative treatment under the order at the end of the 14-day period unless a petition for further treatment is filed under RCW 71.05.320 or the person accepts voluntary treatment. If the court orders detention for inpatient treatment and the less restrictive alternative treatment order or conditional release (~~(order)~~) was based on a petition under RCW 71.05.290 or 71.05.320, the number of days remaining on the order must be converted to days of inpatient treatment.

(6) In determining whether or not to take action under this section the designated crisis responder, agency, or facility must consider the factors specified under RCW 71.05.212 and the court must consider the factors specified under RCW 71.05.245 as they apply to the question of whether to enforce, modify, or revoke a court order for involuntary treatment.

If the minor is ~~((returned to))~~ detained for inpatient treatment, RCW 71.34.760 regarding the director's placement responsibility shall apply. The hearing may be waived by the minor and the minor ~~((returned to))~~ detained for inpatient treatment or returned to less restrictive alternative treatment or conditional release on the same or modified conditions. If the court orders detention for inpatient treatment, the treatment period must be for 14 days from the revocation hearing if the less restrictive alternative treatment order was based on a petition under RCW 71.34.740 or 71.34.815. The minor must return to less restrictive alternative treatment under the order at the end of the 14-day period unless a petition for further treatment is filed under RCW 71.34.750 or the minor accepts voluntary treatment. If the court orders detention for inpatient treatment and the less restrictive alternative treatment order or conditional release was based on a petition under RCW 71.34.750, the number of days remaining on the less

restrictive alternative treatment order or conditional release must be converted to days of inpatient treatment.

~~((4))~~ (5) A court may not order the ~~((return))~~ placement of a minor to inpatient treatment in a secure withdrawal management and stabilization facility or approved substance use disorder treatment program unless there is a secure withdrawal management and stabilization facility or approved substance use disorder treatment program available with adequate space for the minor.

Sec. 12. RCW 71.34.780 and 2020 c 302 s 98 are each amended to read as follows:

(1) An agency or facility designated to monitor or provide less restrictive alternative treatment services to a minor under a court order or conditional release may take a range of actions to enforce the terms of the order or conditional release in the event the minor is not adhering to the terms or is experiencing substantial deterioration, decompensation, or a likelihood of serious harm. Such actions may include:

(a) Counseling the minor and offering incentives for compliance;

(b) Increasing the intensity of services;

(c) Petitioning the court to review the minor's compliance and optionally modify the terms of the order or conditional release while the minor remains in outpatient treatment;

(d) To request assistance from a peace officer for temporarily detaining the minor for up to 12 hours for evaluation at a crisis stabilization unit, evaluation and treatment facility, secure withdrawal management and stabilization facility, facility providing services under a court order, or emergency department to determine if revocation or enforcement proceedings under this section are necessary and appropriate to stabilize the minor, if there has been a pattern of noncompliance or failure of reasonable attempts at outreach and engagement; or

(e) Initiation of revocation proceedings under subsection (2) of this section.

(2) If the professional person in charge of an outpatient treatment program, a designated crisis responder, or the director or secretary, as appropriate, determines that a minor is failing to adhere to the conditions of ~~((the))~~ a court order for less restrictive alternative treatment or the conditions ~~((for the))~~ of conditional release, or that substantial deterioration in the minor's functioning has occurred, the designated crisis responder, or the director or secretary, as appropriate, may order that the minor be taken into custody and transported to an inpatient evaluation and treatment facility, a secure withdrawal management and stabilization facility, or an approved substance use disorder treatment program.

~~((2))~~ (3)(a) The designated crisis responder, director, or secretary, as appropriate, shall file the order of apprehension and detention and serve it upon the minor and notify the minor's parent and the minor's attorney, if any, of the detention within two days of return. At the time of service the minor shall be informed of the right to a hearing and to representation by an attorney. The designated crisis responder or the director or secretary, as appropriate, may modify or rescind the order of apprehension and detention at any time prior to the hearing.

(b) If the minor is involuntarily detained for revocation at an evaluation and treatment facility, secure withdrawal management and stabilization facility, or approved substance use disorder treatment program in a different county from where the minor was initially detained, the facility or program may file the order of apprehension, serve it on the minor and notify the minor's parents and the minor's attorney at the request of the designated crisis responder.

~~((3))~~ (4) A petition for revocation of less restrictive alternative treatment shall be filed by the designated crisis responder or the director, secretary, or facility, as appropriate, with the court in the county where the minor is detained. The court shall conduct the hearing in that county. A petition for revocation of conditional release must be filed in the county where the minor is detained. A petition shall describe the behavior of the minor indicating violation of the conditions or deterioration of routine functioning and a dispositional recommendation. The hearing shall be held within seven days of the minor's return. The issues to be determined are whether the minor did or did not adhere to the conditions of the less restrictive alternative treatment or conditional release, or whether the minor's routine functioning has substantially deteriorated, and, if so, whether the conditions of less restrictive alternative treatment or conditional release should be modified or whether the ~~((minor))~~ court should ~~((be returned to))~~ order the minor's detention for inpatient treatment. Pursuant to the determination of the court, the minor shall be returned to less restrictive alternative treatment or conditional release on the same or modified conditions or shall be ~~((returned to))~~ detained for inpatient treatment. If the minor is ~~((returned to))~~ detained for inpatient treatment, RCW 71.34.760 regarding the director's placement responsibility shall apply. The hearing may be waived by the minor and the minor ~~((returned to))~~ detained for inpatient treatment or returned to less restrictive alternative treatment or conditional release on the same or modified conditions. If the court orders detention for inpatient treatment, the treatment period must be for 14 days from the revocation hearing if the less restrictive alternative treatment order was based on a petition under RCW 71.34.740 or 71.34.815. The minor must return to less restrictive alternative treatment under the order at the end of the 14-day period unless a petition for further treatment is filed under RCW 71.34.750 or the minor accepts voluntary treatment. If the court orders detention for inpatient treatment and the less restrictive alternative treatment order or conditional release was based on a petition under RCW 71.34.750, the number of days remaining on the less restrictive alternative treatment order or conditional release must be converted to days of inpatient treatment.

Sec. 13. RCW 71.34.815 and 2022 c 210 s 4 are each amended to read as follows:

(1) An adolescent is in need of assisted outpatient treatment if the court finds by clear, cogent, and convincing evidence in response to a petition filed under this section that:

(a) The adolescent has a behavioral health disorder;

(b) Based on a clinical determination and in view of the adolescent's treatment history and current behavior, at least one of the following is true:

(i) The adolescent is unlikely to survive safely in the community without supervision and the adolescent's condition is substantially deteriorating; or

(ii) The adolescent is in need of assisted outpatient treatment in order to prevent a relapse or deterioration that would be likely to result in grave disability or a likelihood of serious harm to the adolescent or to others;

(c) The adolescent has a history of lack of compliance with treatment for his or her behavioral health disorder that has:

(i) At least twice within the 36 months prior to the filing of the petition been a significant factor in necessitating hospitalization of the adolescent, or the adolescent's receipt of services in a forensic or other mental health unit of a state ~~((correctional))~~ juvenile rehabilitation facility or local ~~((correctional))~~ juvenile detention facility, provided that the 36-month period shall be

NINETY NINTH DAY, APRIL 17, 2023

extended by the length of any hospitalization or incarceration of the adolescent that occurred within the 36-month period;

(ii) At least twice within the 36 months prior to the filing of the petition been a significant factor in necessitating emergency medical care or hospitalization for behavioral health-related medical conditions including overdose, infected abscesses, sepsis, endocarditis, or other maladies, or a significant factor in behavior which resulted in the adolescent's incarceration in a state or local correctional facility; or

(iii) Resulted in one or more violent acts, threats, or attempts to cause serious physical harm to the adolescent or another within the 48 months prior to the filing of the petition, provided that the 48-month period shall be extended by the length of any hospitalization or incarceration of the person that occurred during the 48-month period;

(d) Participation in an assisted outpatient treatment program would be the least restrictive alternative necessary to ensure the adolescent's recovery and stability; and

(e) The adolescent will benefit from assisted outpatient treatment.

(2) The following individuals may directly file a petition for less restrictive alternative treatment on the basis that an adolescent is in need of assisted outpatient treatment:

(a) The director of a hospital where the adolescent is hospitalized or the director's designee;

(b) The director of a behavioral health service provider providing behavioral health care or residential services to the adolescent or the director's designee;

(c) The adolescent's treating mental health professional or substance use disorder professional or one who has evaluated the person;

(d) A designated crisis responder;

(e) A release planner from a juvenile detention or rehabilitation facility; or

(f) An emergency room physician.

(3) A court order for less restrictive alternative treatment on the basis that the adolescent is in need of assisted outpatient treatment may be effective for up to 18 months, unless the adolescent is currently detained for inpatient treatment for 14 days or more under RCW 71.34.740 or 71.34.750, in which case the order may be effective for 180 days. The petitioner must personally interview the adolescent, unless the adolescent refuses an interview, to determine whether the adolescent will voluntarily receive appropriate treatment.

(4) The petitioner must allege specific facts based on personal observation, evaluation, or investigation, and must consider the reliability or credibility of any person providing information material to the petition.

(5) The petition must include:

(a) A statement of the circumstances under which the adolescent's condition was made known and the basis for the opinion, from personal observation or investigation, that the adolescent is in need of assisted outpatient treatment. The petitioner must state which specific facts come from personal observation and specify what other sources of information the petitioner has relied upon to form this belief;

(b) A declaration from a physician, physician assistant, or advanced registered nurse practitioner, ~~((or))~~ the adolescent's treating mental health professional or substance use disorder professional, or in the case of a person enrolled in treatment in a behavioral health agency, the person's behavioral health case manager, who has examined the adolescent no more than 10 days prior to the submission of the petition and who is willing to testify in support of the petition, or who alternatively has made appropriate attempts to examine the adolescent within the same

period but has not been successful in obtaining the adolescent's cooperation, and who is willing to testify to the reasons they believe that the adolescent meets the criteria for assisted outpatient treatment~~((If the declaration is provided by the adolescent's treating mental health professional or substance use disorder professional, it must be co-signed by a supervising physician, physician assistant, or advanced registered nurse practitioner who certifies that they have reviewed the declaration))~~);

(c) The declarations of additional witnesses, if any, supporting the petition for assisted outpatient treatment;

(d) The name of an agency, provider, or facility that agrees to provide less restrictive alternative treatment if the petition is granted by the court; and

(e) If the adolescent is detained in a state hospital, inpatient treatment facility, or juvenile detention or rehabilitation facility at the time the petition is filed, the anticipated release date of the adolescent and any other details needed to facilitate successful reentry and transition into the community.

(6)(a) Upon receipt of a petition meeting all requirements of this section, the court shall fix a date for a hearing:

(i) No sooner than three days or later than seven days after the date of service or as stipulated by the parties or, upon a showing of good cause, no later than 30 days after the date of service; or

(ii) If the adolescent is hospitalized at the time of filing of the petition, before discharge of the adolescent and in sufficient time to arrange for a continuous transition from inpatient treatment to assisted outpatient treatment.

(b) A copy of the petition and notice of hearing shall be served, in the same manner as a summons, on the petitioner, the adolescent, the qualified professional whose affidavit accompanied the petition, a current provider, if any, and a surrogate decision maker or agent under chapter 71.32 RCW, if any.

(c) If the adolescent has a surrogate decision maker or agent under chapter 71.32 RCW who wishes to provide testimony at the hearing, the court shall afford the surrogate decision maker or agent an opportunity to testify.

(d) The adolescent shall be represented by counsel at all stages of the proceedings.

(e) If the adolescent fails to appear at the hearing after notice, the court may conduct the hearing in the adolescent's absence; provided that the adolescent's counsel is present.

(f) If the adolescent has refused to be examined by the qualified professional whose affidavit accompanied the petition, the court may order a mental examination of the adolescent. The examination of the adolescent may be performed by the qualified professional whose affidavit accompanied the petition. If the examination is performed by another qualified professional, the examining qualified professional shall be authorized to consult with the qualified professional whose affidavit accompanied the petition.

(g) If the adolescent has refused to be examined by a qualified professional and the court finds reasonable grounds to believe that the allegations of the petition are true, the court may issue a written order directing a peace officer who has completed crisis intervention training to detain and transport the adolescent to a provider for examination by a qualified professional. An adolescent detained pursuant to this subsection shall be detained no longer than necessary to complete the examination and in no event longer than 24 hours. All papers in the court file must be provided to the adolescent's designated attorney.

(7) If the petition involves an adolescent whom the petitioner or behavioral health administrative services organization knows, or has reason to know, is an American Indian or Alaska Native

who receives medical or behavioral health services from a tribe within this state, the behavioral health administrative services organization shall notify the tribe and Indian health care provider. Notification shall be made in person or by telephonic or electronic communication to the tribal contact listed in the authority's tribal crisis coordination plan as soon as possible.

(8) A petition for assisted outpatient treatment filed under this section shall be adjudicated under RCW 71.34.740.

MESSAGE FROM THE HOUSE

April 7, 2023

MR. PRESIDENT:

The House passed ENGROSSED SECOND SUBSTITUTE SENATE BILL NO. 5278 with the following amendment(s): 5278-S2.E AMH PEW H1724.1

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. (1) Long-term care supports people who need help meeting their health or personal care needs due to age or disabling conditions. Maintaining an adequate workforce of long-term care workers is critical to the system.

(2) Current law requires that home care aides complete required training and pass a test to become certified. A 2022 performance audit found that many home care aide applicants faced barriers in scheduling the test, challenges getting to the test site, and often delays of months between completing training and taking the test. Barriers and inefficiencies in this process were

NINETY NINTH DAY, APRIL 17, 2023

cited as a primary reason for many applicants dropping out prior to becoming certified.

(3) The legislature finds that improvements in this process and the reduction of barriers are necessary to ensure an adequate home care workforce.

Sec. 2. RCW 18.88B.031 and 2012 c 164 s 304 are each amended to read as follows:

(1) Except as provided in RCW 18.88B.041 and subject to the other requirements of this chapter, to be certified as a home care aide, a long-term care worker must successfully complete the training required under RCW 74.39A.074(1) and a certification examination. Any long-term care worker failing to make the required grade for the examination may not be certified as a home care aide.

(2) The department, in consultation with consumer and worker representatives, shall develop a home care aide certification examination to evaluate whether an applicant possesses the skills and knowledge necessary to practice competently. ~~((Except as provided by RCW 18.88B.041(1)(a)(ii), only those who have completed the training requirements in RCW 74.39A.074(1) shall be eligible to sit for this examination.))~~

(3) The examination or series of examinations shall include both a skills demonstration and a written or oral knowledge test. ~~((The examination papers, all grading of the papers, and records related to the grading of skills demonstration shall be preserved for a period of not less than one year.))~~ The department shall establish rules governing the number of times and under what circumstances individuals who have failed the examination may sit for the examination, including whether any intermediate remedial steps should be required. The skills demonstration, the knowledge test, or both, may be administered throughout training, on the last day of training, or after a student's formal training. An applicant may apply to take the examination during or after training. An applicant may not sit for any part of the examination prior to completing the part of the training associated with that part of the examination. The examination or series of examinations may be conducted at local testing sites around the state. For the purpose of reducing the travel time for applicants, the department shall explore alternative testing options such as remote testing.

(4)~~(a)~~ All examinations shall be conducted by fair and wholly impartial methods. All examinations shall be available to be administered in the preferred language for the applicant taking the examination. The certification examination shall be administered and evaluated by ~~((the))~~:

~~(i) The department ((or by a));~~

~~(ii) A contractor to the department that is ((neither)) not an employer of long-term care workers ((or a private contractor providing training services under this chapter.)) unless the employer is a department of social and health services approved instructor and has met the department standards for administering the examination; or~~

~~(iii) A high school or community college that has met department standards for administering the examination.~~

(b) The department shall conduct an annual evaluation of the examination results of applicants who complete the examination in a language other than English. If the department finds that applicants taking the examination in a particular language fail at a disproportionately higher rate than other examination takers, the department shall conduct a review of the translation to ensure that it is accurate and understandable.

(5) The department shall adopt rules to implement this section.

NEW SECTION. Sec. 3. (1) The department of health, in consultation with the department of social and health services and other relevant participants, shall:

(a) Devise a system that reduces delays between training and testing for home care aides that includes the following:

(i) Developing and implementing a plan to integrate testing into training that allows applicants to test at the same location where they train;

(ii) Allowing remote testing within home care aide training programs immediately or shortly after completion of the program; and

(iii) Determining the benefits and costs of having home care aide training programs authorize applicants to test instead of the department of health;

(b) Examine existing challenges related to a lack of testing sites and develop a plan, including an estimation of costs, to expand testing sites, which shall include the following considerations:

(i) Applicant travel time and availability of testing for comparable professions;

(ii) How many test sites are needed, where these sites should be located, and the best way to establish appropriate partnerships that can lead to new test sites;

(iii) How often test sites should be available to applicants; and

(iv) Whether there are areas of the state where a stipend for travel expenses would be beneficial and appropriate protocols for travel stipends;

(c) Establish performance measures and data collection criteria to monitor the overall length of time between training and testing and the number of available test sites;

(d) Establish accountability mechanisms for the overall training to testing process; and

(e) Establish performance-based contracts for vendors who administer the tests that include the following:

(i) All key performance measures expected, including a definition of what sufficient access to test sites entails; and

(ii) Detailed vendor costs.

(2)(a) When completing the requirements of subsection (1) of this section, the department of health shall ensure that its decisions are informed by existing data on test completion, including passage and failure rates for both parts of the examination.

(b) When conducting the examination under subsection (1)(b) of this section, the department of health shall:

(i) Use various geographic measures, including by county and by zip code; and

(ii) Conduct a survey of all approved testing locations in Washington to determine their current capacity for offering tests and their potential capacity to offer tests if not for the lack of available proctors.

(3) The department of health, in consultation with the department of social and health services and other relevant participants, shall submit to the governor and the appropriate committees of the legislature a preliminary report no later than June 30, 2024, and a final report no later than December 31, 2024, that includes a summary of the work conducted in accordance with the requirements specified in subsection (1) of this section and any recommendations for improvement.

(4) This section expires July 30, 2026."

MESSAGE FROM THE HOUSE

April 11, 2023

MR. PRESIDENT:

The House passed SENATE BILL NO. 5280 with the following amendment(s): 5280 AMH HSEL H1741.1

Strike everything after the enacting clause and insert the following:

"Sec. 1. RCW 26.44.020 and 2021 c 215 s 142 and 2021 c 67 s 3 are each reenacted and amended to read as follows:

The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

(1) "Abuse or neglect" means sexual abuse, sexual exploitation, or injury of a child by any person under circumstances which cause harm to the child's health, welfare, or safety, excluding conduct permitted under RCW 9A.16.100; or the negligent treatment or maltreatment of a child by a person responsible for or providing care to the child. An abused child is a child who has been subjected to child abuse or neglect as defined in this section.

(2) "Child" or "children" means any person under the age of eighteen years of age.

(3) "Child forensic interview" means a developmentally sensitive and legally sound method of gathering factual information regarding allegations of child abuse, child neglect, or exposure to violence. This interview is conducted by a

competently trained, neutral professional utilizing techniques informed by research and best practice as part of a larger investigative process.

(4) "Child protective services" means those services provided by the department designed to protect children from child abuse and neglect and safeguard such children from future abuse and neglect, and conduct investigations of child abuse and neglect reports. Investigations may be conducted regardless of the location of the alleged abuse or neglect. Child protective services includes referral to services to ameliorate conditions that endanger the welfare of children, the coordination of necessary programs and services relevant to the prevention, intervention, and treatment of child abuse and neglect, and services to children to ensure that each child has a permanent home. In determining whether protective services should be provided, the department shall not decline to provide such services solely because of the child's unwillingness or developmental inability to describe the nature and severity of the abuse or neglect.

(5) "Child protective services section" means the child protective services section of the department.

(6) "Child who is a candidate for foster care" means a child who the department identifies as being at imminent risk of entering foster care but who can remain safely in the child's home or in a kinship placement as long as services or programs that are necessary to prevent entry of the child into foster care are provided, and includes but is not limited to a child whose adoption or guardianship arrangement is at risk of a disruption or dissolution that would result in a foster care placement. The term includes a child for whom there is reasonable cause to believe that any of the following circumstances exist:

(a) The child has been abandoned by the parent as defined in RCW 13.34.030 and the child's health, safety, and welfare is seriously endangered as a result;

(b) The child has been abused or neglected as defined in this chapter and the child's health, safety, and welfare is seriously endangered as a result;

(c) There is no parent capable of meeting the child's needs such that the child is in circumstances that constitute a serious danger to the child's development;

(d) The child is otherwise at imminent risk of harm.

(7) "Children's advocacy center" means a child-focused facility in good standing with the state chapter for children's advocacy centers and that coordinates a multidisciplinary process for the investigation, prosecution, and treatment of sexual and other types of child abuse. Children's advocacy centers provide a location for forensic interviews and coordinate access to services such as, but not limited to, medical evaluations, advocacy, therapy, and case review by multidisciplinary teams within the context of county protocols as defined in RCW 26.44.180 and 26.44.185.

(8) "~~(Clergy)~~ Member of the clergy" means any regularly licensed, accredited, or ordained minister, priest, ~~((☞))~~ rabbi, imam, elder, or similarly situated religious or spiritual leader of any church ((☞)), religious denomination, religious body, spiritual community, or sect, or person performing official duties that are recognized as the duties of a member of the clergy under the discipline, tenets, doctrine, or custom of the person's church, religious denomination, religious body, spiritual community, or sect, whether acting in an individual capacity or as an employee ~~((☞)), agent, or official~~ of any public or private organization or institution.

(9) "Court" means the superior court of the state of Washington, juvenile department.

(10) "Department" means the department of children, youth, and families.

NINETY NINTH DAY, APRIL 17, 2023

(11) "Experiencing homelessness" means lacking a fixed, regular, and adequate nighttime residence, including circumstances such as sharing the housing of other persons due to loss of housing, economic hardship, fleeing domestic violence, or a similar reason as described in the federal McKinney-Vento homeless assistance act (Title 42 U.S.C., chapter 119, subchapter I) as it existed on January 1, 2021.

(12) "Family assessment" means a comprehensive assessment of child safety, risk of subsequent child abuse or neglect, and family strengths and needs that is applied to a child abuse or neglect report. Family assessment does not include a determination as to whether child abuse or neglect occurred, but does determine the need for services to address the safety of the child and the risk of subsequent maltreatment.

(13) "Family assessment response" means a way of responding to certain reports of child abuse or neglect made under this chapter using a differential response approach to child protective services. The family assessment response shall focus on the safety of the child, the integrity and preservation of the family, and shall assess the status of the child and the family in terms of risk of abuse and neglect including the parent's or guardian's or other caretaker's capacity and willingness to protect the child and, if necessary, plan and arrange the provision of services to reduce the risk and otherwise support the family. No one is named as a perpetrator, and no investigative finding is entered in the record as a result of a family assessment.

(14) "Founded" means the determination following an investigation by the department that, based on available information, it is more likely than not that child abuse or neglect did occur.

(15) "Inconclusive" means the determination following an investigation by the department of social and health services, prior to October 1, 2008, that based on available information a decision cannot be made that more likely than not, child abuse or neglect did or did not occur.

(16) "Institution" means a private or public hospital or any other facility providing medical diagnosis, treatment, or care.

(17) "Law enforcement agency" means the police department, the prosecuting attorney, the state patrol, the director of public safety, or the office of the sheriff.

(18) "Malice" or "maliciously" means an intent, wish, or design to intimidate, annoy, or injure another person. Such malice may be inferred from an act done in willful disregard of the rights of another, or an act wrongfully done without just cause or excuse, or an act or omission of duty betraying a willful disregard of social duty.

(19) "Negligent treatment or maltreatment" means an act or a failure to act, or the cumulative effects of a pattern of conduct, behavior, or inaction, that evidences a serious disregard of consequences of such magnitude as to constitute a clear and present danger to a child's health, welfare, or safety, including but not limited to conduct prohibited under RCW 9A.42.100. When considering whether a clear and present danger exists, evidence of a parent's substance abuse as a contributing factor to negligent treatment or maltreatment shall be given great weight. The fact that siblings share a bedroom is not, in and of itself, negligent treatment or maltreatment. Poverty, experiencing homelessness, or exposure to domestic violence as defined in RCW 7.105.010 that is perpetrated against someone other than the child does not constitute negligent treatment or maltreatment in and of itself.

(20) "Pharmacist" means any registered pharmacist under chapter 18.64 RCW, whether acting in an individual capacity or as an employee or agent of any public or private organization or institution.

(21) "Practitioner of the healing arts" or "practitioner" means a person licensed by this state to practice podiatric medicine and surgery, optometry, chiropractic, nursing, dentistry, osteopathic medicine and surgery, or medicine and surgery or to provide other health services. The term "practitioner" includes a duly accredited Christian Science practitioner. A person who is being furnished Christian Science treatment by a duly accredited Christian Science practitioner will not be considered, for that reason alone, a neglected person for the purposes of this chapter.

(22) "Prevention and family services and programs" means specific mental health prevention and treatment services, substance abuse prevention and treatment services, and in-home parent skill-based programs that qualify for federal funding under the federal family first prevention services act, P.L. 115-123. For purposes of this chapter, prevention and family services and programs are not remedial services or family reunification services as described in RCW 13.34.025(2).

(23) "Professional school personnel" include, but are not limited to, teachers, counselors, administrators, child care facility personnel, and school nurses.

(24) "Psychologist" means any person licensed to practice psychology under chapter 18.83 RCW, whether acting in an individual capacity or as an employee or agent of any public or private organization or institution.

(25) "Screened-out report" means a report of alleged child abuse or neglect that the department has determined does not rise to the level of a credible report of abuse or neglect and is not referred for investigation.

(26) "Sexual exploitation" includes: (a) Allowing, permitting, or encouraging a child to engage in prostitution by any person; or (b) allowing, permitting, encouraging, or engaging in the obscene or pornographic photographing, filming, or depicting of a child by any person.

(27) "Sexually aggressive youth" means a child who is defined in RCW 74.13.075(1)(b) as being a sexually aggressive youth.

(28) "Social service counselor" means anyone engaged in a professional capacity during the regular course of employment in encouraging or promoting the health, welfare, support, or education of children, or providing social services to adults or families, including mental health, drug and alcohol treatment, and domestic violence programs, whether in an individual capacity, or as an employee or agent of any public or private organization or institution.

(29) "Unfounded" means the determination following an investigation by the department that available information indicates that, more likely than not, child abuse or neglect did not occur, or that there is insufficient evidence for the department to determine whether the alleged child abuse did or did not occur.

Sec. 2. RCW 26.44.030 and 2019 c 172 s 6 are each amended to read as follows:

(1)(a) When any practitioner, member of the clergy, county coroner or medical examiner, law enforcement officer, professional school personnel, registered or licensed nurse, social service counselor, psychologist, pharmacist, employee of the department of children, youth, and families, licensed or certified child care providers or their employees, employee of the department of social and health services, juvenile probation officer, placement and liaison specialist, responsible living skills program staff, HOPE center staff, state family and children's ombuds or any volunteer in the ombuds's office, or host home program has reasonable cause to believe that a child has suffered abuse or neglect, he or she shall report such incident, or cause a report to be made, to the proper law enforcement agency or to the department as provided in RCW 26.44.040.

(b) When any person, in his or her official supervisory capacity with a nonprofit or for-profit organization, has reasonable cause to believe that a child has suffered abuse or neglect caused by a person over whom he or she regularly exercises supervisory authority, he or she shall report such incident, or cause a report to be made, to the proper law enforcement agency, provided that the person alleged to have caused the abuse or neglect is employed by, contracted by, or volunteers with the organization and coaches, trains, educates, or counsels a child or children or regularly has unsupervised access to a child or children as part of the employment, contract, or voluntary service. No one shall be required to report under this section when he or she obtains the information solely as a result of a privileged communication as provided in RCW 5.60.060.

Nothing in this subsection (1)(b) shall limit a person's duty to report under (a) of this subsection.

For the purposes of this subsection, the following definitions apply:

(i) "Official supervisory capacity" means a position, status, or role created, recognized, or designated by any nonprofit or for-profit organization, either for financial gain or without financial gain, whose scope includes, but is not limited to, overseeing, directing, or managing another person who is employed by, contracted by, or volunteers with the nonprofit or for-profit organization.

(ii) "Organization" includes a sole proprietor, partnership, corporation, limited liability company, trust, association, financial institution, governmental entity, other than the federal government, and any other individual or group engaged in a trade, occupation, enterprise, governmental function, charitable function, or similar activity in this state whether or not the entity is operated as a nonprofit or for-profit entity.

(iii) "Reasonable cause" means a person witnesses or receives a credible written or oral report alleging abuse, including sexual contact, or neglect of a child.

(iv) "Regularly exercises supervisory authority" means to act in his or her official supervisory capacity on an ongoing or continuing basis with regards to a particular person.

(v) "Sexual contact" has the same meaning as in RCW 9A.44.010.

(c) The reporting requirement also applies to department of corrections personnel who, in the course of their employment, observe offenders or the children with whom the offenders are in contact. If, as a result of observations or information received in the course of his or her employment, any department of corrections personnel has reasonable cause to believe that a child has suffered abuse or neglect, he or she shall report the incident, or cause a report to be made, to the proper law enforcement agency or to the department as provided in RCW 26.44.040.

(d) The reporting requirement shall also apply to any adult who has reasonable cause to believe that a child who resides with them, has suffered severe abuse, and is able or capable of making a report. For the purposes of this subsection, "severe abuse" means any of the following: Any single act of abuse that causes physical trauma of sufficient severity that, if left untreated, could cause death; any single act of sexual abuse that causes significant bleeding, deep bruising, or significant external or internal swelling; or more than one act of physical abuse, each of which causes bleeding, deep bruising, significant external or internal swelling, bone fracture, or unconsciousness.

(e) The reporting requirement also applies to guardians ad litem, including court-appointed special advocates, appointed under Titles 11 and 13 RCW and this title, who in the course of their representation of children in these actions have reasonable cause to believe a child has been abused or neglected.

(f) The reporting requirement in (a) of this subsection also applies to administrative and academic or athletic department employees, including student employees, of institutions of higher education, as defined in RCW 28B.10.016, and of private institutions of higher education.

(g) The report must be made at the first opportunity, but in no case longer than forty-eight hours after there is reasonable cause to believe that the child has suffered abuse or neglect. The report must include the identity of the accused if known.

(2) The reporting requirement of subsection (1) of this section does not apply to the discovery of abuse or neglect that occurred during childhood if it is discovered after the child has become an adult. However, if there is reasonable cause to believe other children are or may be at risk of abuse or neglect by the accused, the reporting requirement of subsection (1) of this section does apply.

(3) Any other person who has reasonable cause to believe that a child has suffered abuse or neglect may report such incident to the proper law enforcement agency or to the department as provided in RCW 26.44.040.

(4) The department, upon receiving a report of an incident of alleged abuse or neglect pursuant to this chapter, involving a child who has died or has had physical injury or injuries inflicted upon him or her other than by accidental means or who has been subjected to alleged sexual abuse, shall report such incident to the proper law enforcement agency, including military law enforcement, if appropriate. In emergency cases, where the child's welfare is endangered, the department shall notify the proper law enforcement agency within twenty-four hours after a report is received by the department. In all other cases, the department shall notify the law enforcement agency within seventy-two hours after a report is received by the department. If the department makes an oral report, a written report must also be made to the proper law enforcement agency within five days thereafter.

(5) Any law enforcement agency receiving a report of an incident of alleged abuse or neglect pursuant to this chapter, involving a child who has died or has had physical injury or injuries inflicted upon him or her other than by accidental means, or who has been subjected to alleged sexual abuse, shall report such incident in writing as provided in RCW 26.44.040 to the proper county prosecutor or city attorney for appropriate action whenever the law enforcement agency's investigation reveals that a crime may have been committed. The law enforcement agency shall also notify the department of all reports received and the law enforcement agency's disposition of them. In emergency cases, where the child's welfare is endangered, the law enforcement agency shall notify the department within twenty-four hours. In all other cases, the law enforcement agency shall notify the department within seventy-two hours after a report is received by the law enforcement agency.

(6) Any county prosecutor or city attorney receiving a report under subsection (5) of this section shall notify the victim, any persons the victim requests, and the local office of the department, of the decision to charge or decline to charge a crime, within five days of making the decision.

(7) The department may conduct ongoing case planning and consultation with those persons or agencies required to report under this section, with consultants designated by the department, and with designated representatives of Washington Indian tribes if the client information exchanged is pertinent to cases currently receiving child protective services. Upon request, the department shall conduct such planning and consultation with those persons required to report under this section if the department determines it is in the best interests of the child. Information considered

NINETY NINTH DAY, APRIL 17, 2023

privileged by statute and not directly related to reports required by this section must not be divulged without a valid written waiver of the privilege.

(8) Any case referred to the department by a physician licensed under chapter 18.57 or 18.71 RCW on the basis of an expert medical opinion that child abuse, neglect, or sexual assault has occurred and that the child's safety will be seriously endangered if returned home, the department shall file a dependency petition unless a second licensed physician of the parents' choice believes that such expert medical opinion is incorrect. If the parents fail to designate a second physician, the department may make the selection. If a physician finds that a child has suffered abuse or neglect but that such abuse or neglect does not constitute imminent danger to the child's health or safety, and the department agrees with the physician's assessment, the child may be left in the parents' home while the department proceeds with reasonable efforts to remedy parenting deficiencies.

(9) Persons or agencies exchanging information under subsection (7) of this section shall not further disseminate or release the information except as authorized by state or federal statute. Violation of this subsection is a misdemeanor.

(10) Upon receiving a report that a child is a candidate for foster care as defined in RCW 26.44.020, the department may provide prevention and family services and programs to the child's parents, guardian, or caregiver. The department may not be held civilly liable for the decision regarding whether to provide prevention and family services and programs, or for the provision of those services and programs, for a child determined to be a candidate for foster care.

(11) Upon receiving a report of alleged abuse or neglect, the department shall make reasonable efforts to learn the name, address, and telephone number of each person making a report of abuse or neglect under this section. The department shall provide assurances of appropriate confidentiality of the identification of persons reporting under this section. If the department is unable to learn the information required under this subsection, the department shall only investigate cases in which:

(a) The department believes there is a serious threat of substantial harm to the child;

(b) The report indicates conduct involving a criminal offense that has, or is about to occur, in which the child is the victim; or

(c) The department has a prior founded report of abuse or neglect with regard to a member of the household that is within three years of receipt of the referral.

(12)(a) Upon receiving a report of alleged abuse or neglect, the department shall use one of the following discrete responses to reports of child abuse or neglect that are screened in and accepted for departmental response:

(i) Investigation; or

(ii) Family assessment.

(b) In making the response in (a) of this subsection the department shall:

(i) Use a method by which to assign cases to investigation or family assessment which are based on an array of factors that may include the presence of: Imminent danger, level of risk, number of previous child abuse or neglect reports, or other presenting case characteristics, such as the type of alleged maltreatment and the age of the alleged victim. Age of the alleged victim shall not be used as the sole criterion for determining case assignment;

(ii) Allow for a change in response assignment based on new information that alters risk or safety level;

(iii) Allow families assigned to family assessment to choose to receive an investigation rather than a family assessment;

(iv) Provide a full investigation if a family refuses the initial family assessment;

(v) Provide voluntary services to families based on the results of the initial family assessment. If a family refuses voluntary services, and the department cannot identify specific facts related to risk or safety that warrant assignment to investigation under this chapter, and there is not a history of reports of child abuse or neglect related to the family, then the department must close the family assessment response case. However, if at any time the department identifies risk or safety factors that warrant an investigation under this chapter, then the family assessment response case must be reassigned to investigation;

(vi) Conduct an investigation, and not a family assessment, in response to an allegation that, the department determines based on the intake assessment:

(A) Indicates a child's health, safety, and welfare will be seriously endangered if not taken into custody for reasons including, but not limited to, sexual abuse and sexual exploitation of the child as defined in this chapter;

(B) Poses a serious threat of substantial harm to a child;

(C) Constitutes conduct involving a criminal offense that has, or is about to occur, in which the child is the victim;

(D) The child is an abandoned child as defined in RCW 13.34.030;

(E) The child is an adjudicated dependent child as defined in RCW 13.34.030, or the child is in a facility that is licensed, operated, or certified for care of children by the department under chapter 74.15 RCW.

(c) In addition, the department may use a family assessment response to assess for and provide prevention and family services and programs, as defined in RCW 26.44.020, for the following children and their families, consistent with requirements under the federal family first prevention services act and this section:

(i) A child who is a candidate for foster care, as defined in RCW 26.44.020; and

(ii) A child who is in foster care and who is pregnant, parenting, or both.

(d) The department may not be held civilly liable for the decision to respond to an allegation of child abuse or neglect by using the family assessment response under this section unless the state or its officers, agents, or employees acted with reckless disregard.

(13)(a) For reports of alleged abuse or neglect that are accepted for investigation by the department, the investigation shall be conducted within time frames established by the department in rule. In no case shall the investigation extend longer than ninety days from the date the report is received, unless the investigation is being conducted under a written protocol pursuant to RCW 26.44.180 and a law enforcement agency or prosecuting attorney has determined that a longer investigation period is necessary. At the completion of the investigation, the department shall make a finding that the report of child abuse or neglect is founded or unfounded.

(b) If a court in a civil or criminal proceeding, considering the same facts or circumstances as are contained in the report being investigated by the department, makes a judicial finding by a preponderance of the evidence or higher that the subject of the pending investigation has abused or neglected the child, the department shall adopt the finding in its investigation.

(14) For reports of alleged abuse or neglect that are responded to through family assessment response, the department shall:

(a) Provide the family with a written explanation of the procedure for assessment of the child and the family and its purposes;

(b) Collaborate with the family to identify family strengths, resources, and service needs, and develop a service plan with the

goal of reducing risk of harm to the child and improving or restoring family well-being;

(c) Complete the family assessment response within forty-five days of receiving the report except as follows:

(i) Upon parental agreement, the family assessment response period may be extended up to one hundred twenty days. The department's extension of the family assessment response period must be operated within the department's appropriations;

(ii) For cases in which the department elects to use a family assessment response as authorized under subsection (12)(c) of this section, and upon agreement of the child's parent, legal guardian, legal custodian, or relative placement, the family assessment response period may be extended up to one year. The department's extension of the family assessment response must be operated within the department's appropriations.

(d) Offer services to the family in a manner that makes it clear that acceptance of the services is voluntary;

(e) Implement the family assessment response in a consistent and cooperative manner;

(f) Have the parent or guardian agree to participate in services before services are initiated. The department shall inform the parents of their rights under family assessment response, all of their options, and the options the department has if the parents do not agree to participate in services.

(15)(a) In conducting an investigation or family assessment of alleged abuse or neglect, the department or law enforcement agency:

(i) May interview children. If the department determines that the response to the allegation will be family assessment response, the preferred practice is to request a parent's, guardian's, or custodian's permission to interview the child before conducting the child interview unless doing so would compromise the safety of the child or the integrity of the assessment. The interviews may be conducted on school premises, at day-care facilities, at the child's home, or at other suitable locations outside of the presence of parents. If the allegation is investigated, parental notification of the interview must occur at the earliest possible point in the investigation that will not jeopardize the safety or protection of the child or the course of the investigation. Prior to commencing the interview the department or law enforcement agency shall determine whether the child wishes a third party to be present for the interview and, if so, shall make reasonable efforts to accommodate the child's wishes. Unless the child objects, the department or law enforcement agency shall make reasonable efforts to include a third party in any interview so long as the presence of the third party will not jeopardize the course of the investigation; and

(ii) Shall have access to all relevant records of the child in the possession of mandated reporters and their employees.

(b) The Washington state school directors' association shall adopt a model policy addressing protocols when an interview, as authorized by this subsection, is conducted on school premises. In formulating its policy, the association shall consult with the department and the Washington association of sheriffs and police chiefs.

(16) If a report of alleged abuse or neglect is founded and constitutes the third founded report received by the department within the last twelve months involving the same child or family, the department shall promptly notify the office of the family and children's ombuds of the contents of the report. The department shall also notify the ombuds of the disposition of the report.

(17) In investigating and responding to allegations of child abuse and neglect, the department may conduct background checks as authorized by state and federal law.

(18)(a) The department shall maintain investigation records and conduct timely and periodic reviews of all founded cases of abuse and neglect. The department shall maintain a log of screened-out nonabusive cases.

(b) In the family assessment response, the department shall not make a finding as to whether child abuse or neglect occurred. No one shall be named as a perpetrator and no investigative finding shall be entered in the department's child abuse or neglect database.

(19) The department shall use a risk assessment process when investigating alleged child abuse and neglect referrals. The department shall present the risk factors at all hearings in which the placement of a dependent child is an issue. Substance abuse must be a risk factor.

(20) Upon receipt of a report of alleged abuse or neglect the law enforcement agency may arrange to interview the person making the report and any collateral sources to determine if any malice is involved in the reporting.

(21) Upon receiving a report of alleged abuse or neglect involving a child under the court's jurisdiction under chapter 13.34 RCW, the department shall promptly notify the child's guardian ad litem of the report's contents. The department shall also notify the guardian ad litem of the disposition of the report. For purposes of this subsection, "guardian ad litem" has the meaning provided in RCW 13.34.030.

(22) The department shall make efforts as soon as practicable to determine the military status of parents whose children are subject to abuse or neglect allegations. If the department determines that a parent or guardian is in the military, the department shall notify a department of defense family advocacy program that there is an allegation of abuse and neglect that is screened in and open for investigation that relates to that military parent or guardian.

(23) The department shall make available on its public website a downloadable and printable poster that includes the reporting requirements included in this section. The poster must be no smaller than eight and one-half by eleven inches with all information on one side. The poster must be made available in both the English and Spanish languages. Organizations that include employees or volunteers subject to the reporting requirements of this section must clearly display this poster in a common area. At a minimum, this poster must include the following:

- (a) Who is required to report child abuse and neglect;
- (b) The standard of knowledge to justify a report;
- (c) The definition of reportable crimes;
- (d) Where to report suspected child abuse and neglect; and
- (e) What should be included in a report and the appropriate timing."

(a) The date of sale or transfer;

(b) The owner's full name and complete, current address;

(v) Send a report to the department of revenue that lists vehicles for which a report of sale has been received but no transfer of ownership has taken place. The department shall send the report once each quarter.

(b) A report of sale is not proof of a completed vehicle transfer for purposes of the collection of expenses related to towing, storage, and auction of an abandoned vehicle in situations where there is no evidence indicating the buyer knew of or was a party to acceptance of the vehicle transfer. A contract signed by the prior owner and the new owner, a certificate of title, a receipt, a purchase order or wholesale order, or other legal proof or record of acceptance of the vehicle by the new owner may be provided to establish legal responsibility for the abandoned vehicle.

(5) **Report of sale – licensed dealers.** A vehicle dealer as defined in RCW 46.70.011 may, but is not required to, file a report of sale on behalf of an owner who trades in, sells, or otherwise transfers ownership of a vehicle to the dealer. ~~(6)~~(a) **Transferring ownership.** A person who has recently acquired a vehicle by purchase, exchange, gift, lease, inheritance, or legal action shall apply to the department, county auditor or other agent, or subagent appointed by the director for a new certificate of title within ~~(fifteen)~~ 15 days of delivery of the vehicle. (b) Compliance with this subsection does not affect the rights of the secured party.

~~((6))~~ (7) **Certificate of title delivered to secured party.** The certificate of title must be kept by or delivered to the person who becomes the secured party when a security interest is reserved or created at the time of the transfer of ownership. The parties must comply with RCW 46.12.675.

It is a misdemeanor to fail or neglect to apply for a transfer of ownership within ~~(forty-five)~~ 45 days after delivery of the vehicle. The misdemeanor is a single continuing offense for each day that passes regardless of the number of days that have elapsed following the ~~(forty-five-day)~~ 45-day time period.

~~((8))~~ (9) **Penalty for late transfer - exceptions.** The penalty is not charged if the delay in application is due to at least one of the following:

(b) The department, county auditor or other agent, or subagent fails to perform or is neglectful;

(c) The owner is prevented from applying due to an illness or extended hospitalization;

MESSAGE FROM THE HOUSE

April 10, 2023

MR. PRESIDENT:

The House passed SECOND SUBSTITUTE SENATE BILL NO. 5290 with the following amendment(s): 5290-S2 AMH ENGR H1869.E

Strike everything after the enacting clause and insert the following:

"Sec. 1. RCW 36.70B.140 and 1995 c 347 s 418 are each amended to read as follows:

(1) A local government by ordinance or resolution may exclude the following project permits from the provisions of RCW 36.70B.060 through 36.70B.090 and 36.70B.110 through 36.70B.130: Landmark designations, street vacations, or other approvals relating to the use of public areas or facilities, or other project permits, whether administrative or quasi-judicial, that the local government by ordinance or resolution has determined present special circumstances that warrant a review process or time periods for approval which are different from that provided in RCW 36.70B.060 through 36.70B.090 and 36.70B.110 through 36.70B.130.

(2) A local government by ordinance or resolution also may exclude the following project permits from the provisions of RCW 36.70B.060 and 36.70B.110 through 36.70B.130: Lot line or boundary adjustments and building and other construction permits, or similar administrative approvals, categorically exempt from environmental review under chapter 43.21C RCW, or for which environmental review has been completed in connection with other project permits.

(3) A local government must exclude project permits for interior alterations from site plan review, provided that the interior alterations do not result in the following:

(a) Additional sleeping quarters or bedrooms;

(b) Nonconformity with federal emergency management agency substantial improvement thresholds; or

(c) Increase the total square footage or valuation of the structure thereby requiring upgraded fire access or fire suppression systems.

(4) Nothing in this section exempts interior alterations from otherwise applicable building, plumbing, mechanical, or electrical codes.

(5) For purposes of this section, "interior alterations" include construction activities that do not modify the existing site layout or its current use and involve no exterior work adding to the building footprint.

NEW SECTION. Sec. 2. A new section is added to chapter 36.70B RCW to read as follows:

(1) Subject to the availability of funds appropriated for this specific purpose, the department of commerce must establish a consolidated permit review grant program. The department may award grants to any local government that provides, by ordinance, resolution, or other action, a commitment to the following building permit review consolidation requirements:

(a) Issuing final decisions on residential permit applications within 45 business days or 90 calendar days.

(i) To achieve permit review within the stated time periods, a local government must provide consolidated review for building permit applications. This may include an initial technical peer review of the application for conformity with the requirements of RCW 36.70B.070 by all departments, divisions, and sections of the local government with jurisdiction over the project.

(ii) A local government may contract with a third-party business to conduct the consolidated permit review or as additional inspection staff. Any funds expended for such a contract may be eligible for reimbursement under this act.

(iii) Local governments are authorized to use grant funds to contract outside assistance to audit their development regulations to identify and correct barriers to housing development.

(b) Establishing an application fee structure that would allow the jurisdiction to continue providing consolidated permit review within 45 business days or 90 calendar days.

(i) A local government may consult with local building associations to develop a reasonable fee system.

(ii) A local government must determine, no later than July 1, 2024, the specific fee structure needed to provide permit review within the time periods specified in this subsection (1)(b).

(2) A jurisdiction that is awarded a grant under this section must provide a quarterly report to the department of commerce. The report must include the average and maximum time for permit review during the jurisdiction's participation in the grant program.

(3) If a jurisdiction is unable to successfully meet the terms and conditions of the grant, the jurisdiction must enter a 90-day probationary period. If the jurisdiction is not able to meet the requirements of this section by the end of the probationary period, the jurisdiction is no longer eligible to receive grants under this section.

(4) For the purposes of this section, "residential permit" means a permit issued by a city or county that satisfies the conditions of RCW 19.27.015(5) and is within the scope of the international residential code, as adopted in accordance with chapter 19.27 RCW.

NEW SECTION. Sec. 3. A new section is added to chapter 36.70B RCW to read as follows:

(1) Subject to the availability of funds appropriated for this specific purpose, the department of commerce must establish a grant program for local governments to update their permit review process from paper filing systems to software systems capable of processing digital permit applications, virtual inspections, electronic review, and with capacity for video storage.

(2) The department of commerce may only provide a grant under this section to a city if the city allows for the development of at least two units per lot on all lots zoned predominantly for residential use within its jurisdiction.

NEW SECTION. Sec. 4. A new section is added to chapter 36.70B RCW to read as follows:

(1) Subject to the availability of amounts appropriated for this specific purpose, the department of commerce must convene a digital permitting process work group to examine potential license and permitting software for local governments to encourage streamlined and efficient permit review.

(2) The department of commerce, in consultation with the association of Washington cities and Washington state association of counties, shall appoint members to the work group representing groups including but not limited to:

- (a) Cities and counties;
- (b) Building industries; and
- (c) Building officials.

(3) The department of commerce must convene the first meeting of the work group by August 1, 2023. The department must submit a final report to the governor and the appropriate committees of the legislature by August 1, 2024. The final report must:

- (a) Evaluate the existing need for digital permitting systems, including impacts on existing digital permitting systems that are already in place;
- (b) Review barriers preventing local jurisdictions from accessing or adopting digital permitting systems;
- (c) Evaluate the benefits and costs associated with a statewide permitting software system; and
- (d) Provide budgetary, administrative policy, and legislative recommendations to increase the adoption of or establish a statewide system of digital permit review.

Sec. 5. RCW 36.70B.020 and 1995 c 347 s 402 are each amended to read as follows:

Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

(1) "Closed record appeal" means an administrative appeal on the record to a local government body or officer, including the legislative body, following an open record hearing on a project permit application when the appeal is on the record with no or limited new evidence or information allowed to be submitted and only appeal argument allowed.

(2) "Local government" means a county, city, or town.

(3) "Open record hearing" means a hearing, conducted by a single hearing body or officer authorized by the local government to conduct such hearings, that creates the local government's record through testimony and submission of evidence and information, under procedures prescribed by the local government by ordinance or resolution. An open record hearing may be held prior to a local government's decision on a project permit to be known as an "open record predecision hearing." An open record hearing may be held on an appeal, to be known as an "open record appeal hearing," if no open record predecision hearing has been held on the project permit.

(4) "Project permit" or "project permit application" means any land use or environmental permit or license required from a local government for a project action, including but not limited to (~~building permits~~) subdivisions, binding site plans, planned unit developments, conditional uses, shoreline substantial development permits, site plan review, permits or approvals required by critical area ordinances, site-specific rezones (~~authorized by a comprehensive plan or subarea plan~~) which do not require a comprehensive plan amendment, but excluding the adoption or amendment of a comprehensive plan, subarea plan, or development regulations except as otherwise specifically included in this subsection.

(5) "Public meeting" means an informal meeting, hearing, workshop, or other public gathering of people to obtain comments from the public or other agencies on a proposed project permit prior to the local government's decision. A public meeting may include, but is not limited to, a design review or architectural control board meeting, a special review district or community council meeting, or a scoping meeting on a draft environmental impact statement. A public meeting does not include an open record hearing. The proceedings at a public meeting may be recorded and a report or recommendation may be included in the local government's project permit application file.

Sec. 6. RCW 36.70B.070 and 1995 c 347 s 408 are each amended to read as follows:

(1)(a) Within (~~twenty eight~~) 28 days after receiving a project permit application, a local government planning pursuant to RCW 36.70A.040 shall (~~mail or~~) provide (~~in person~~) a written determination to the applicant(~~, stating~~).

(b) The written determination must state either:

- (~~(a)~~) (i) That the application is complete; or
- (~~(b)~~) (ii) That the application is incomplete and that the procedural submission requirements of the local government have not been met. The determination shall outline what is necessary to make the application procedurally complete.

(c) The number of days shall be calculated by counting every calendar day.

(d) To the extent known by the local government, the local government shall identify other agencies of local, state, or federal governments that may have jurisdiction over some aspect of the application.

(2) A project permit application is complete for purposes of this section when it meets the procedural submission requirements of the local government (and is sufficient for continued processing even though additional information may be required or project modifications may be undertaken subsequently), as outlined on the project permit application.

NINETY NINTH DAY, APRIL 17, 2023

Additional information or studies may be required or project modifications may be undertaken subsequent to the procedural review of the application by the local government. The determination of completeness shall not preclude the local government from requesting additional information or studies either at the time of the notice of completeness or subsequently if new information is required or substantial changes in the proposed action occur. However, if the procedural submission requirements, as outlined on the project permit application have been provided, the need for additional information or studies may not preclude a completeness determination.

(3) The determination of completeness may include or be combined with the following ((as optional information)):

(a) A preliminary determination of those development regulations that will be used for project mitigation;

(b) A preliminary determination of consistency, as provided under RCW 36.70B.040; ~~((or))~~

(c) Other information the local government chooses to include; or

(d) The notice of application pursuant to the requirements in RCW 36.70B.110.

(4)(a) An application shall be deemed procedurally complete on the 29th day after receiving a project permit application under this section if the local government does not provide a written determination to the applicant that the application is procedurally incomplete as provided in subsection (1)(b)(ii) of this section. When the local government does not provide a written determination, they may still seek additional information or studies as provided for in subsection (2) of this section.

(b) Within ~~((fourteen))~~ 14 days after an applicant has submitted to a local government additional information identified by the local government as being necessary for a complete application, the local government shall notify the applicant whether the application is complete or what additional information is necessary.

(c) The notice of application shall be provided within 14 days after the determination of completeness pursuant to RCW 36.70B.110.

Sec. 7. RCW 36.70B.080 and 2004 c 191 s 2 are each amended to read as follows:

(1)(a) Development regulations adopted pursuant to RCW 36.70A.040 must establish and implement time periods for local government actions for each type of project permit application and provide timely and predictable procedures to determine whether a completed project permit application meets the requirements of those development regulations. The time periods for local government actions for each type of complete project permit application or project type should not exceed ~~((one hundred twenty days, unless the local government makes written findings that a specified amount of additional time is needed to process specific complete project permit applications or project types))~~ those specified in this section.

~~((The))~~ (b) For project permits submitted after January 1, 2025, the development regulations must, for each type of permit application, specify the contents of a completed project permit application necessary for the complete compliance with the time periods and procedures.

~~((2))~~ (c) A jurisdiction may exclude certain permit types and timelines for processing project permit applications as provided for in RCW 36.70B.140.

(d) The time periods for local government action to issue a final decision for each type of complete project permit application or project type subject to this chapter should not exceed the following time periods unless modified by the local government pursuant to this section or RCW 36.70B.140:

(i) For project permits which do not require public notice under RCW 36.70B.110, a local government must issue a final decision within 65 days of the determination of completeness under RCW 36.70B.070;

(ii) For project permits which require public notice under RCW 36.70B.110, a local government must issue a final decision within 100 days of the determination of completeness under RCW 36.70B.070; and

(iii) For project permits which require public notice under RCW 36.70B.110 and a public hearing, a local government must issue a final decision within 170 days of the determination of completeness under RCW 36.70B.070.

(e) A jurisdiction may modify the provisions in (d) of this subsection to add permit types not identified, change the permit names or types in each category, address how consolidated review time periods may be different than permits submitted individually, and provide for how projects of a certain size or type may be differentiated, including by differentiating between residential and nonresidential permits. Unless otherwise provided for the consolidated review of more than one permit, the time period for a final decision shall be the longest of the permit time periods identified in (d) of this subsection or as amended by a local government.

(f) If a local government does not adopt an ordinance or resolution modifying the provisions in (d) of this subsection, the time periods in (d) of this subsection apply.

(g) The number of days an application is in review with the county or city shall be calculated from the day completeness is determined under RCW 36.70B.070 to the date a final decision is issued on the project permit application. The number of days shall be calculated by counting every calendar day and excluding the following time periods:

(i) Any period between the day that the county or city has notified the applicant, in writing, that additional information is required to further process the application and the day when responsive information is resubmitted by the applicant;

(ii) Any period after an applicant informs the local government, in writing, that they would like to temporarily suspend review of the project permit application until the time that the applicant notifies the local government, in writing, that they would like to resume the application. A local government may set conditions for the temporary suspension of a permit application; and

(iii) Any period after an administrative appeal is filed until the administrative appeal is resolved and any additional time period provided by the administrative appeal has expired.

(h) The time periods for a local government to process a permit shall start over if an applicant proposes a change in use that adds or removes commercial or residential elements from the original application that would make the application fail to meet the determination of procedural completeness for the new use, as required by the local government under RCW 36.70B.070.

(i) If, at any time, an applicant informs the local government, in writing, that the applicant would like to temporarily suspend the review of the project for more than 60 days, or if an applicant is not responsive for more than 60 consecutive days after the county or city has notified the applicant, in writing, that additional information is required to further process the application, an additional 30 days may be added to the time periods for local government action to issue a final decision for each type of project permit that is subject to this chapter. Any written notice from the local government to the applicant that additional information is required to further process the application must include a notice that nonresponsiveness for 60 consecutive days may result in 30 days being added to the time for review. For the

purposes of this subsection, "nonresponsiveness" means that an applicant is not making demonstrable progress on providing additional requested information to the local government, or that there is no ongoing communication from the applicant to the local government on the applicant's ability or willingness to provide the additional information.

(j) Annual amendments to the comprehensive plan are not subject to the requirements of this section.

(k) A county's or city's adoption of a resolution or ordinance to implement this subsection shall not be subject to appeal under chapter 36.70A RCW unless the resolution or ordinance modifies the time periods provided in (d) of this subsection by providing for a review period of more than 170 days for any project permit.

(l)(i) When permit time periods provided for in (d) of this subsection, as may be amended by a local government, and as may be extended as provided for in (i) of this subsection, are not met, a portion of the permit fee must be refunded to the applicant as provided in this subsection. A local government may provide for the collection of only 80 percent of a permit fee initially, and for the collection of the remaining balance if the permitting time periods are met. The portion of the fee refunded for missing time periods shall be:

(A) 10 percent if the final decision of the project permit application was made after the applicable deadline but the period from the passage of the deadline to the time of issuance of the final decision did not exceed 20 percent of the original time period; or

(B) 20 percent if the period from the passage of the deadline to the time of the issuance of the final decision exceeded 20 percent of the original time period.

(ii) Except as provided in RCW 36.70B.160, the provisions in subsection (l)(i) of this section are not applicable to cities and counties which have implemented at least three of the options in RCW 36.70B.160(1) (a) through (j) at the time an application is deemed procedurally complete.

(2)(a) Counties subject to the requirements of RCW 36.70A.215 and the cities within those counties that have populations of at least ~~(twenty thousand)~~ 20,000 must, for each type of permit application, identify the total number of project permit applications for which decisions are issued according to the provisions of this chapter. For each type of project permit application identified, these counties and cities must establish and implement a deadline for issuing a notice of final decision as required by subsection (1) of this section and minimum requirements for applications to be deemed complete under RCW 36.70B.070 as required by subsection (1) of this section.

(b) Counties and cities subject to the requirements of this subsection also must prepare an annual performance report(s) that ~~(include, at a minimum, the following information for each type of project permit application identified in accordance with the requirements of (a) of this subsection:~~

~~(i) Total number of complete applications received during the year;~~

~~(ii) Number of complete applications received during the year for which a notice of final decision was issued before the deadline established under this subsection;~~

~~(iii) Number of applications received during the year for which a notice of final decision was issued after the deadline established under this subsection;~~

~~(iv) Number of applications received during the year for which an extension of time was mutually agreed upon by the applicant and the county or city;~~

~~(v) Variance of actual performance, excluding applications for which mutually agreed time extensions have occurred, to the deadline established under this subsection during the year; and~~

~~(vi) The mean processing time and the number standard deviation from the mean.~~

~~(c) Counties and cities subject to the requirements of this subsection must:~~

~~(i) Provide notice of and access to the annual performance reports through the county's or city's website; and~~

~~(ii) Post electronic facsimiles of the annual performance reports through the county's or city's website. Postings on a county's or city's website indicating that the reports are available by contacting the appropriate county or city department or official do not comply with the requirements of this subsection.~~

~~If a county or city subject to the requirements of this subsection does not maintain a website, notice of the reports must be given by reasonable methods, including but not limited to those methods specified in RCW 36.70B.110(4).~~

~~(3)) includes information outlining time periods for certain permit types associated with housing. The report must provide:~~

~~(i) Permit time periods for certain permit processes in the county or city in relation to those established under this section, including whether the county or city has established shorter time periods than those provided in this section;~~

~~(ii) The total number of decisions issued during the year for the following permit types: Preliminary subdivisions, final subdivisions, binding site plans, permit processes associated with the approval of multifamily housing, and construction plan review for each of these permit types when submitted separately;~~

~~(iii) The total number of decisions for each permit type which included consolidated project permit review, such as concurrent review of a rezone or construction plans;~~

~~(iv) The average number of days from a submittal to a decision being issued for the project permit types listed in subsection (2)(a)(ii) of this section. This shall be calculated from the day completeness is determined under RCW 36.70B.070 to the date a decision is issued on the application. The number of days shall be calculated by counting every calendar day;~~

~~(v) The total number of days each project permit application of a type listed in subsection (2)(a)(ii) of this section was in review with the county or city. This shall be calculated from the day completeness is determined under RCW 36.70B.070 to the date a final decision is issued on the application. The number of days shall be calculated by counting every calendar day. The days the application is in review with the county or city does not include the time periods in subsection (1)(g)(i)-(iii) of this section;~~

~~(vi) The total number of days that were excluded from the time period calculation under subsection (1)(g)(i)-(iii) of this section for each project permit application of a type listed in subsection (2)(a)(ii) of this section.~~

~~(c) Counties and cities subject to the requirements of this subsection must:~~

~~(i) Post the annual performance report through the county's or city's website; and~~

~~(ii) Submit the annual performance report to the department of commerce by March 1st each year.~~

~~(d) No later than July 1st each year, the department of commerce shall publish a report which includes the annual performance report data for each county and city subject to the requirements of this subsection and a list of those counties and cities whose time periods are shorter than those provided for in this section.~~

~~The annual report must also include key metrics and findings from the information collected.~~

~~(e) The initial annual report required under this subsection must be submitted to the department of commerce by March 1, 2025, and must include information from permitting in 2024.~~

NINETY NINTH DAY, APRIL 17, 2023

(3) Nothing in this section prohibits a county or city from extending a deadline for issuing a decision for a specific project permit application for any reasonable period of time mutually agreed upon by the applicant and the local government.

~~((4) The department of community, trade, and economic development shall work with the counties and cities to review the potential implementation costs of the requirements of subsection (2) of this section. The department, in cooperation with the local governments, shall prepare a report summarizing the projected costs, together with recommendations for state funding assistance for implementation costs, and provide the report to the governor and appropriate committees of the senate and house of representatives by January 1, 2005.))~~

Sec. 8. RCW 36.70B.160 and 1995 c 347 s 420 are each amended to read as follows:

(1) Each local government is encouraged to adopt further project review and code provisions to provide prompt, coordinated review and ensure accountability to applicants and the public ~~((including expedited review for project permit applications for projects that are consistent with adopted development regulations and within the capacity of systemwide infrastructure improvements))~~ by:

(a) Expediting review for project permit applications for projects that are consistent with adopted development regulations;

(b) Imposing reasonable fees, consistent with RCW 82.02.020, on applicants for permits or other governmental approvals to cover the cost to the city, town, county, or other municipal corporation of processing applications, inspecting and reviewing plans, or preparing detailed statements required by chapter 43.21C RCW. The fees imposed may not include a fee for the cost of processing administrative appeals. Nothing in this subsection limits the ability of a county or city to impose a fee for the processing of administrative appeals as otherwise authorized by law;

(c) Entering into an interlocal agreement with another jurisdiction to share permitting staff and resources;

(d) Maintaining and budgeting for on-call permitting assistance for when permit volumes or staffing levels change rapidly;

(e) Having new positions budgeted that are contingent on increased permit revenue;

(f) Adopting development regulations which only require public hearings for permit applications that are required to have a public hearing by statute;

(g) Adopting development regulations which make preapplication meetings optional rather than a requirement of permit application submittal;

(h) Adopting development regulations which make housing types an outright permitted use in all zones where the housing type is permitted;

(i) Adopting a program to allow for outside professionals with appropriate professional licenses to certify components of applications consistent with their license; or

(j) Meeting with the applicant to attempt to resolve outstanding issues during the review process. The meeting must be scheduled within 14 days of a second request for corrections during permit review. If the meeting cannot resolve the issues and a local government proceeds with a third request for additional information or corrections, the local government must approve or deny the application upon receiving the additional information or corrections.

(2)(a) After January 1, 2026, a county or city must adopt additional measures under subsection (1) of this section at the

time of its next comprehensive plan update under RCW 36.70A.130 if it meets the following conditions:

(i) The county or city has adopted at least three project review and code provisions under subsection (1) of this section more than five years prior; and

(ii) The county or city is not meeting the permitting deadlines established in RCW 36.70B.080 at least half of the time over the period since its most recent comprehensive plan update under RCW 36.70A.130.

(b) A city or county that is required to adopt new measures under (a) of this subsection but fails to do so becomes subject to the provisions of RCW 36.70B.080(1)(l), notwithstanding RCW 36.70B.080(1)(i)(ii).

~~((2))~~ (3) Nothing in this chapter is intended or shall be construed to prevent a local government from requiring a preapplication conference or a public meeting by rule, ordinance, or resolution.

~~((3))~~ (4) Each local government shall adopt procedures to monitor and enforce permit decisions and conditions.

~~((4))~~ (5) Nothing in this chapter modifies any independent statutory authority for a government agency to appeal a project permit issued by a local government.

NEW SECTION. Sec. 9. A new section is added to chapter 36.70B RCW to read as follows:

(1) The department of commerce shall develop and provide technical assistance and guidance to counties and cities in setting fee structures under RCW 36.70B.160(1) to ensure that the fees are reasonable and sufficient to recover true costs. The guidance must include information on how to utilize growth factors or other measures to reflect cost increases over time.

(2) When providing technical assistance under subsection (1) of this section, the department of commerce must prioritize local governments that have implemented at least three of the options in RCW 36.70B.160(1).

Sec. 10. RCW 36.70B.110 and 1997 c 429 s 48 and 1997 c 396 s 1 are each reenacted and amended to read as follows:

(1) Not later than April 1, 1996, a local government planning under RCW 36.70A.040 shall provide a notice of application to the public and the departments and agencies with jurisdiction as provided in this section. If a local government has made a threshold determination under chapter 43.21C RCW concurrently with the notice of application, the notice of application may be combined with the threshold determination and the scoping notice for a determination of significance. Nothing in this section prevents a determination of significance and scoping notice from being issued prior to the notice of application. Nothing in this section or this chapter prevents a lead agency, when it is a project proponent or is funding a project, from conducting its review under chapter 43.21C RCW or from allowing appeals of procedural determinations prior to submitting a project permit ~~((application)).~~

(2) The notice of application shall be provided within ~~((fourteen))~~ 14 days after the determination of completeness as provided in RCW 36.70B.070 and, except as limited by the provisions of subsection (4)(b) of this section, ~~((shall))~~ must include the following in whatever sequence or format the local government deems appropriate:

(a) The date of application, the date of the notice of completion for the application, and the date of the notice of application;

(b) A description of the proposed project action and a list of the project permits included in the application and, if applicable, a list of any studies requested under RCW 36.70B.070 ~~((or 36.70B.090));~~

(c) The identification of other permits not included in the application to the extent known by the local government;

(d) The identification of existing environmental documents that evaluate the proposed project, and, if not otherwise stated on the document providing the notice of application, such as a city land use bulletin, the location where the application and any studies can be reviewed;

(e) A statement of the public comment period, which shall be not less than fourteen nor more than thirty days following the date of notice of application, and statements of the right of any person to comment on the application, receive notice of and participate in any hearings, request a copy of the decision once made, and any appeal rights. A local government may accept public comments at any time prior to the closing of the record of an open record predecision hearing, if any, or, if no open record predecision hearing is provided, prior to the decision on the project permit;

(f) The date, time, place, and type of hearing, if applicable and scheduled at the date of notice of the application;

(g) A statement of the preliminary determination, if one has been made at the time of notice, of those development regulations that will be used for project mitigation and of consistency as provided in RCW 36.70B.030(2) and 36.70B.040; and

(h) Any other information determined appropriate by the local government.

(3) If an open record predecision hearing is required for the requested project permits, the notice of application shall be provided at least fifteen days prior to the open record hearing.

(4) A local government shall use reasonable methods to give the notice of application to the public and agencies with jurisdiction and may use its existing notice procedures. A local government may use different types of notice for different categories of project permits or types of project actions. If a local government by resolution or ordinance does not specify its method of public notice, the local government shall use the methods provided for in (a) and (b) of this subsection. Examples of reasonable methods to inform the public are:

(a) Posting the property for site-specific proposals;

(b) Publishing notice, including at least the project location, description, type of permit(s) required, comment period dates, and location where the notice of application required by subsection (2) of this section and the complete application may be reviewed, in the newspaper of general circulation in the general area where the proposal is located or in a local land use newsletter published by the local government;

(c) Notifying public or private groups with known interest in a certain proposal or in the type of proposal being considered;

(d) Notifying the news media;

(e) Placing notices in appropriate regional or neighborhood newspapers or trade journals;

(f) Publishing notice in agency newsletters or sending notice to agency mailing lists, either general lists or lists for specific proposals or subject areas; and

(g) Mailing to neighboring property owners.

(5) A notice of application shall not be required for project permits that are categorically exempt under chapter 43.21C RCW, unless an open record predecision hearing is required or an open record appeal hearing is allowed on the project permit decision.

(6) A local government shall integrate the permit procedures in this section with ~~((its))~~ environmental review under chapter 43.21C RCW as follows:

(a) Except for a threshold determination and except as otherwise expressly allowed in this section, the local government may not issue a decision or a recommendation on a project permit until the expiration of the public comment period on the notice of application.

(b) If an open record predecision hearing is required, the local government shall issue its threshold determination at least fifteen days prior to the open record predecision hearing.

(c) Comments shall be as specific as possible.

(d) A local government is not required to provide for administrative appeals of its threshold determination. If provided, an administrative appeal ~~((shall))~~ must be filed within fourteen days after notice that the determination has been made and is appealable. Except as otherwise expressly provided in this section, the appeal hearing on a threshold determination ~~((of nonsignificance shall))~~ must be consolidated with any open record hearing on the project permit.

(7) At the request of the applicant, a local government may combine any hearing on a project permit with any hearing that may be held by another local, state, regional, federal, or other agency, if:

(a) The hearing is held within the geographic boundary of the local government; and

~~(b) ((The joint hearing can be held within the time periods specified in RCW 36.70B.090 or the))~~ The applicant agrees to the schedule in the event that additional time is needed in order to combine the hearings. All agencies of the state of Washington, including municipal corporations and counties participating in a combined hearing, are hereby authorized to issue joint hearing notices and develop a joint format, select a mutually acceptable hearing body or officer, and take such other actions as may be necessary to hold joint hearings consistent with each of their respective statutory obligations.

(8) All state and local agencies shall cooperate to the fullest extent possible with the local government in holding a joint hearing if requested to do so, as long as:

(a) The agency is not expressly prohibited by statute from doing so;

(b) Sufficient notice of the hearing is given to meet each of the agencies' adopted notice requirements as set forth in statute, ordinance, or rule; and

(c) The agency has received the necessary information about the proposed project from the applicant to hold its hearing at the same time as the local government hearing.

(9) A local government is not required to provide for administrative appeals. If provided, an administrative appeal of the project decision and of any environmental determination issued at the same time as the project decision, shall be filed within fourteen days after the notice of the decision or after other notice that the decision has been made and is appealable. The local government shall extend the appeal period for an additional seven days, if state or local rules adopted pursuant to chapter 43.21C RCW allow public comment on a determination of nonsignificance issued as part of the appealable project permit decision.

(10) The applicant for a project permit is deemed to be a participant in any comment period, open record hearing, or closed record appeal.

(11) Each local government planning under RCW 36.70A.040 shall adopt procedures for administrative interpretation of its development regulations.

NEW SECTION. Sec. 11. The department of commerce shall develop a template for counties and cities subject to the requirements in RCW 36.70B.080, which will be utilized for reporting data.

NEW SECTION. Sec. 12. The department of commerce shall develop a plan to provide local governments with appropriately trained staff to provide temporary support or hard to find expertise for timely processing of residential housing permit applications. The plan shall include consideration of how

local governments can be provided with staff that have experience with providing substitute staff support or that possess expertise in permitting policies and regulations in the local government's geographic area or with jurisdictions of the local government's size or population. Strike everything after the enacting clause and insert the following:

"NEW SECTION. **Sec. 1.** A new section is added to chapter 48.43 RCW to read as follows:

(1) Except as provided in subsection (2) of this section, for health plans that include prescription drug coverage issued or

renewed on or after January 1, 2025, a health carrier or its health care benefit manager may not require the substitution of a nonpreferred drug with a preferred drug in a given therapeutic class, or increase an enrollee's cost-sharing obligation mid-plan year for the drug, if the prescription is for a refill of an antipsychotic, antidepressant, antiepileptic, or other drug prescribed to the enrollee to treat a serious mental illness, the enrollee is medically stable on the drug, and a participating provider continues to prescribe the drug.

(2) Nothing in this section prohibits:

(a) The carrier from requiring generic substitution during the current plan year;

(b) The carrier from adding new drugs to its formulary during the current plan year;

(c) The carrier from removing a drug from its formulary for reasons of patient safety concerns, drug recall or removal from the market, or medical evidence indicating no therapeutic effect of the drug; or

(d) A participating provider from prescribing a different drug that is covered by the plan and medically appropriate for the enrollee.

(3) For the purposes of this section:

(a) "Refill" means a second or subsequent filling of a previously issued prescription.

(b) "Serious mental illness" means a mental disorder, as defined in the most recent edition of the diagnostic and statistical manual of mental disorders published by the American psychiatric association, that results in serious functional impairment that substantially interferes with or limits one or more major life activities.

Sec. 2. RCW 69.41.190 and 2011 1st sp.s. c 15 s 80 are each amended to read as follows:

(1)(a) Except as provided in subsection (2) of this section, any pharmacist filling a prescription under a state purchased health care program as defined in RCW 41.05.011(~~(2)~~) shall substitute, where identified, a preferred drug for any nonpreferred drug in a given therapeutic class, unless the endorsing practitioner has indicated on the prescription that the nonpreferred drug must be dispensed as written, or the prescription is for a refill of an antipsychotic, antidepressant, antiepileptic, or other drug prescribed to the patient to treat a serious mental illness, chemotherapy, antiretroviral, or immunosuppressive drug, or for the refill of a immunomodulator/antiviral treatment for hepatitis C for which an established, fixed duration of therapy is prescribed for at least (~~(twenty-four)~~) 24 weeks but no more than (~~(forty-eight)~~) 48 weeks, in which case the pharmacist shall dispense the prescribed nonpreferred drug.

(b) When a substitution is made under (a) of this subsection, the dispensing pharmacist shall notify the prescribing practitioner of the specific drug and dose dispensed.

(2)(a) A state purchased health care program may impose limited restrictions on an endorsing practitioner's authority to write a prescription to dispense as written only under the following circumstances:

(i) There is statistical or clear data demonstrating the endorsing practitioner's frequency of prescribing dispensed as written for nonpreferred drugs varies significantly from the prescribing patterns of his or her peers;

(ii) The medical director of a state purchased health program has: (A) Presented the endorsing practitioner with data that indicates the endorsing practitioner's prescribing patterns vary significantly from his or her peers, (B) provided the endorsing practitioner an opportunity to explain the variation in his or her prescribing patterns to those of his or her peers, and (C) if the variation in prescribing patterns cannot be explained, provided

the endorsing practitioner sufficient time to change his or her prescribing patterns to align with those of his or her peers; and

(iii) The restrictions imposed under (a) of this subsection (2) must be limited to the extent possible to reduce variation in prescribing patterns and shall remain in effect only until such time as the endorsing practitioner can demonstrate a reduction in variation in line with his or her peers.

(b) A state purchased health care program may immediately designate an available, less expensive, equally effective generic product in a previously reviewed drug class as a preferred drug, without first submitting the product to review by the pharmacy and therapeutics committee established pursuant to RCW 70.14.050.

(c) For a patient's first course of treatment within a therapeutic class of drugs, a state purchased health care program may impose limited restrictions on endorsing practitioners' authority to write a prescription to dispense as written, only under the following circumstances:

(i) There is a less expensive, equally effective therapeutic alternative generic product available to treat the condition;

(ii) The drug use review board established under WAC 388-530-4000 reviews and provides recommendations as to the appropriateness of the limitation;

(iii) Notwithstanding the limitation set forth in (c)(ii) of this subsection (2), the endorsing practitioner shall have an opportunity to request as medically necessary, that the brand name drug be prescribed as the first course of treatment;

(iv) The state purchased health care program may provide, where available, prescription, emergency room, diagnosis, and hospitalization history with the endorsing practitioner; and

(v) Specifically for antipsychotic restrictions, the state purchased health care program shall effectively guide good practice without interfering with the timeliness of clinical decision making. Health care authority prior authorization programs must provide for responses within ~~((twenty-four))~~ 24 hours and at least a ~~((seventy-two))~~ 72 hour emergency supply of the requested drug.

(d) If, within a therapeutic class, there is an equally effective therapeutic alternative over-the-counter drug available, a state purchased health care program may designate the over-the-counter drug as the preferred drug.

(e) A state purchased health care program may impose limited restrictions on endorsing practitioners' authority to prescribe pharmaceuticals to be dispensed as written for a purpose outside the scope of their approved labels only under the following circumstances:

(i) There is a less expensive, equally effective on-label product available to treat the condition;

(ii) The drug use review board established under WAC 388-530-4000 reviews and provides recommendations as to the appropriateness of the limitation; and

(iii) Notwithstanding the limitation set forth in (e)(ii) of this subsection (2), the endorsing practitioner shall have an opportunity to request as medically necessary, that the drug be prescribed for a covered off-label purpose.

(f) The provisions of this subsection related to the definition of medically necessary, prior authorization procedures and patient appeal rights shall be implemented in a manner consistent with applicable federal and state law.

(3) Notwithstanding the limitations in subsection (2) of this section, for refills for an antipsychotic, antidepressant, antiepileptic, or other drug prescribed to the patient to treat a serious mental illness, chemotherapy, antiretroviral, or immunosuppressive drug, or for the refill of an immunomodulator antiviral treatment for hepatitis C for which an

established, fixed duration of therapy is prescribed for at least ~~((twenty-four))~~ 24 weeks by no more than ~~((forty-eight))~~ 48 weeks, the pharmacist shall dispense the prescribed nonpreferred drug.

MESSAGE FROM THE HOUSE

April 12, 2023

MR. PRESIDENT:

The House passed ENGROSSED SUBSTITUTE SENATE BILL NO. 5301 with the following amendment(s): 5301-S.E AMH CB H1656.2

Strike everything after the enacting clause and insert the following:

NINETY NINTH DAY, APRIL 17, 2023

"Sec. 1. RCW 43.185.010 and 1991 c 356 s 1 are each amended to read as follows:

The legislature finds that current economic conditions, federal housing policies and declining resources at the federal, state, and local level adversely affect the ability of low and very low-income persons to obtain safe, decent, and affordable housing.

The legislature further finds that members of over ~~((one hundred twenty thousand households live in housing units which are overcrowded, lack plumbing, are otherwise threatening to health and safety, and have rents and utility payments which exceed thirty percent of their income))~~ 150,000 households pay more than 50 percent of their income for rent and housing costs.

The legislature further finds that minorities, rural households, and migrant farmworkers require housing assistance at a rate which significantly exceeds their proportion of the general population.

The legislature further finds that one of the most dramatic housing needs is that of persons needing special housing-related services, such as ~~((the mentally ill))~~ individuals with mental illness, recovering alcoholics, frail elderly persons, families with members who have disabilities, and single parents. These services include medical assistance, counseling, chore services, and child care.

The legislature further finds that ~~((housing assistance programs in the past have often failed to help those in greatest need))~~ state investments in affordable housing, as enabled by the legislature in 1986, have exceeded \$1,800,000,000 to provide over 55,000 units of safe and affordable housing to low-income individuals.

~~((The legislature declares that it is in the public interest to establish a continuously renewable resource known as the housing trust fund and housing assistance program to assist low and very low income citizens in meeting their basic housing needs, and that the needs of very low income citizens should be given priority and that whenever feasible, assistance should be in the form of loans.))~~

Sec. 2. RCW 43.185.030 and 2016 sp.s. c 36 s 936 are each amended to read as follows:

There is hereby created in the state treasury an account to be known as the Washington housing trust fund. The housing trust fund shall include revenue from the sources established by this chapter, appropriations by the legislature, private contributions, repayment of loans, and all other sources. ~~((During the 2015-2017 fiscal biennium, the legislature may transfer from the Washington housing trust fund to the home security fund account and to the state general fund such amounts as reflect the excess balance in the fund.))~~

Sec. 3. RCW 43.185.050 and 2021 c 332 s 7032 and 2021 c 130 s 5 are each reenacted and amended to read as follows:

(1) The department must use moneys from the housing trust fund and other legislative appropriations to finance in whole or in part any loan~~(s)~~ or grant projects that will provide affordable housing for persons and families with special housing needs and ~~((with incomes at or below fifty percent of the median family income for the county or standard metropolitan statistical area where the project is located))~~ who are low-income households.

(2) At least thirty percent of these moneys used in any given funding cycle must be for the benefit of projects located in rural areas of the state as defined by the department. If the department determines that it has not received an adequate number of suitable applications for rural projects during any given funding cycle, the department may allocate unused moneys for projects in nonrural areas of the state.

~~((2))~~ (3) The department must prioritize allocating at least, but not limited to, 10 percent of these moneys used in any given

funding cycle to organizations that serve and are substantially governed by individuals disproportionately impacted by homelessness, including black, indigenous, and other people of color and, lesbian, gay, bisexual, queer, transgender, and other gender-diverse individuals.

(4) Activities eligible for assistance from the housing trust fund and other legislative appropriations include, but are not limited to:

(a) New construction, rehabilitation, or acquisition of low and very low-income housing units;

(b) ~~((Rent subsidies;~~

~~(c) Matching funds for social services directly related to providing housing for special need tenants in assisted projects;~~

~~(d) Technical))~~ Preconstruction technical assistance, design and finance services and consultation, and administrative costs for eligible nonprofit community or neighborhood-based organizations;

~~((e))~~ (c) Administrative costs for housing assistance groups or organizations when such grant or loan will substantially increase the recipient's access to housing funds other than those available under this chapter;

~~((f))~~ (d) Shelters ~~((and related services))~~ for the homeless, including emergency shelters and overnight youth shelters;

~~((g) Mortgage subsidies, including temporary rental and mortgage payment subsidies to prevent homelessness;~~

~~(h) Mortgage insurance guarantee or payments for eligible projects;~~

~~(i) Down payment or closing cost assistance for eligible first-time home buyers;~~

~~(j))~~ (e) Down payment or closing costs assistance for low-income first-time home buyers;

(f) Acquisition of housing units for the purpose of preservation as low-income ~~((or very low income))~~ housing;

~~((k))~~ (g) Projects making affordable housing projects more accessible to ~~((families))~~ low-income households with members who have disabilities; and

~~((h))~~ (h) Remodeling and improvements as required to meet building code, licensing requirements, or legal operations to residential properties owned and operated by an entity eligible under RCW 43.185A.040, which were transferred as described in RCW 82.45.010(3)(t) by the parent of a child with developmental disabilities.

~~((3))~~ (3) Preference must be given for projects that include an early learning facility, as defined in RCW 43.31.565.

~~(4))~~ (5)(a) Legislative appropriations from capital bond proceeds may be used ~~((only))~~ for the costs of projects authorized under subsection ~~((2)(a), (i), and (j)))~~ (4) of this section, ~~((and not for the administrative costs of the department,))~~ ~~((that during the 2021-2023 fiscal biennium, the))~~ for costs of subsection (4)(c) of this section.

(b) The department may use up to three percent of the appropriations from capital bond proceeds or other new appropriations for affordable housing investments for administrative costs associated with application, distribution, and project development activities of the affordable housing ~~((assistance))~~ program.

(c) Reappropriations must not be included in the calculation of the annual funds available for determining the administrative costs.

~~((5))~~ (6)(a) Moneys received from repayment of housing trust fund loans ~~((from appropriations from capital bond proceeds))~~ or other affordable housing appropriations may be used for all activities necessary for the proper functioning of the affordable housing ~~((assistance))~~ program ~~((except for activities authorized under subsection (2)(b) and (e) of this section)),~~ including, but not

limited to, providing preservation funding, as provided in section 12 of this act, and preconstruction technical assistance as provided in RCW 43.185.080 (as recodified by this act).

~~((6) Administrative costs associated with application, distribution, and project development activities of the department may not exceed three percent of the annual funds available for the housing assistance program. Reappropriations must not be included in the calculation of the annual funds available for determining the administrative costs.~~

~~(7)) (b) Administrative costs associated with compliance and monitoring activities of the department may not exceed ((one quarter)) four-tenths of one percent annually of the contracted amount of state investment in ((the housing assistance program)) affordable housing programs.~~

Sec. 4. RCW 43.185.070 and 2019 c 325 s 5013 are each amended to read as follows:

(1) During each calendar year in which funds from the housing trust fund or other legislative appropriations are available for use by the department for the affordable housing ((assistance)) program, the department must announce to all known interested parties, and ((through major media throughout the state)) on its website, a grant and loan application period of at least ((ninety)) 60 days' duration. This announcement must be made as often as the director deems appropriate for proper utilization of resources. The department must then promptly grant as many applications as will utilize available funds less appropriate administrative costs of the department as provided in RCW 43.185.050 (as recodified by this act).

(2) In awarding funds under this chapter, the department must:

(a) Provide for a geographic distribution on a statewide basis; and

~~(b) ((Until June 30, 2013, consider)) Consider~~ the total cost and per-unit cost of each project for which an application is submitted for funding ~~((under RCW 43.185.050(2) (a) and (j))),~~ as compared to similar housing projects constructed or renovated within the same geographic area.

~~(3) ((The department, with advice and input from the affordable housing advisory board established in RCW 43.185B.020, or a subcommittee of the affordable housing advisory board, must report recommendations for awarding funds in a cost effective manner. The report must include an implementation plan, timeline, and any other items the department identifies as important to consider to the legislature by December 1, 2012.~~

~~(4) The department must give first priority to applications for projects and activities which utilize existing privately owned housing stock including privately owned housing stock purchased by nonprofit public development authorities and public housing authorities as created in chapter 35.82 RCW. As used in this subsection, privately owned housing stock includes housing that is acquired by a federal agency through a default on the mortgage by the private owner. Such projects and activities must be evaluated under subsection (5) of this section. Second priority must be given to activities and projects which utilize existing publicly owned housing stock.)~~ All projects and activities must be evaluated by some or all of the criteria under subsection ~~((5)) (6)~~ of this section, and similar projects and activities shall be evaluated under the same criteria.

(4) The department must use a separate application form for applications to provide homeownership opportunities and evaluate homeownership project applications as allowed under chapter 43.185A RCW.

(m) Project location and access to available public transportation services; ~~((and))~~

(n) Projects involving collaborative partnerships between local school districts and either public housing authorities or nonprofit housing providers, that help children of low-income families succeed in school. To receive this preference, the local school district must provide an opportunity for community members to offer input on the proposed project at the first scheduled school board meeting following submission of the grant application to the department;

(o) The degree of funding that has already been committed to the project by nonstate entities;

(p) Projects that demonstrate a strong readiness to proceed to construction; and

(1) Payment of the tax imposed under this chapter is due and payable immediately at the time of sale, and if not paid within one month thereafter will bear interest from the time of sale until the date of payment.

(b) Interest imposed after December 31, 1998, is computed on a monthly basis at the rate as computed under RCW 82.32.050(2). instrument evidencing the sale is recorded in the official real property records of the county in which the property conveyed is located.

(4) If upon examination of any affidavits or from other information obtained by the department or its agents it appears that all or a portion of the tax is unpaid, the department must assess against the taxpayer the additional amount found to be due plus interest and penalties as provided in subsections (1) and (2) of this section. The department must notify the taxpayer by mail, or electronically as provided in RCW 82.32.135, of the additional amount and the same becomes due and must be paid within thirty days from the date of the notice, or within such further time as the department may provide.

(5) No assessment or refund may be made by the department more than four years after the date of sale except upon a showing of:

(a) Fraud or misrepresentation of a material fact by the taxpayer;

(vi) Projects that aid communities to replace jobs lost in the event of a reduction of the military presence; and

MESSAGE FROM THE HOUSE

April 10, 2023

MR. PRESIDENT:

The House passed ENGROSSED SENATE BILL NO. 5355 with the following amendment(s): 5355.E AMH ENGR H1809.E

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The legislature recognizes that:

(1) The United States has the second largest concentration of past and current trafficking victims, and Washington state is currently the sixth largest epicenter of sex trafficking in the United States.

(2) More than 45 percent of all sex trafficking victims are minors and attending our nation's schools every day.

(3) Currently, most trafficking avoids detection, with one study from the national institute of justice finding that "fewer than half of all suspected traffickers in the United States had been arrested." Recent national institute of justice supported research reveals that labor and sex trafficking data appearing in the federal bureau of investigation's national uniform crime reporting program may significantly understate the extent of trafficking crimes in the United States.

(4) The undefined nature of human trafficking contributes to widespread ignorance for public agencies in a position to address the crime. Sixty percent of state and local prosecutors nationwide

"do not consider trafficking a problem in their jurisdictions," and over 70 percent of local, state, and county law enforcement agencies wrongly "view human trafficking as rare or nonexistent" in their local communities.

(5) Nearly half of prosecutors and law enforcement agencies across the country are unaware of specific existing antitrafficking laws or definitions that constitute acts of human trafficking, which manifests in current ineffective mitigation strategies.

(6) Child sex trafficking survivors are disproportionately girls of color. In King county, 52 percent of all child sex trafficking victims are black and 84 percent of youth victims are female, while black girls comprise 1.1 percent of the population.

(7) Sex traffickers are not overgeneralized to any demographic but are disproportionately white men. In King county, 80 percent of sex traffickers are white men.

(8) Females of color bear the brunt of prostitution imprisonment as a result of sexual violence in sex trafficking due to mandatory arrests. For example, Latinx women account for nearly 61 percent of juvenile prostitution arrests. By contrast, sex traffickers face little to no consequences for their role in exploitation.

(9) Twenty-five service agencies participated in a 2007 survey. Nineteen of these agencies provided information that aligned with what are understood to be "red-flag" indicators of trafficking situations. Victimization and human trafficking are considerable concerns for eastern Washington, particularly Spokane, and there is a wide spectrum of trafficking activities that include sex slavery, forced prostitution, forced panhandling, farm labor, janitorial work, and domestic servitude.

(10) On any given day, between 300 and 500 people, some as young as 11 years old, are trafficked in the Puget Sound area for labor or sex.

(11) Intersectional, accurate, and actionable sex trafficking education is necessary to enable all students to break down stereotypes of affected parties in sex trafficking and provide them with tools for identifying and combatting this crime.

NEW SECTION. Sec. 2. A new section is added to chapter 28A.320 RCW to read as follows:

(1) Beginning no later than the 2025-26 school year, school districts must offer instruction in sex trafficking awareness and prevention. The instruction may be offered beginning in grade seven, but each student must be offered the instruction at least once before completing grade 12. The instruction, at the discretion of the school or school district, may be integrated into a relevant course or a course may be repurposed to include the instruction.

(2) Subject to the availability of amounts appropriated for this specific purpose, on or before June 30, 2024, the office of the superintendent of public instruction must review curricula related to the awareness and prevention of sex trafficking.

(3) To the extent practicable, the office of the superintendent of public instruction must make available in the library of openly licensed courseware under RCW 28A.300.803, curricular resources related to the awareness and prevention of sex trafficking that include:

(a) Information about the race, gender, and socioeconomic status of sex trafficking victims and perpetrators;

(b) Medically and legally accurate definitions of sex trafficking, and information about term stigmatization and how it may reduce reporting and increase the difficulty of detecting and prosecuting sex trafficking crimes;

(c) Information about reporting systems and community engagement opportunities with local, state, or national organizations against sex trafficking, and basic identification

training to determine if an individual is at risk of or has been sex trafficked; and

(d) Information to help students recognize the signs and behavior changes in others that may indicate grooming for sex trafficking or other unlawful, coercive relationships.

(4) This section governs school operation and management under RCW 28A.710.040 and 28A.715.020, and applies to charter schools established under chapter 28A.710 RCW and state-tribal education compact schools established under chapter 28A.715 RCW to the same extent as it applies to school districts.

NEW SECTION. Sec. 3. A new section is added to chapter 28A.300 RCW to read as follows:

The child sexual abuse and sex trafficking prevention and identification public-private partnership account is created in the custody of the state treasurer. All receipts from gifts, grants, or endowments from public or private sources, federal funds, and any appropriations made by the legislature or other sources must be deposited into the account. Expenditures from the account may be used only for curriculum and professional development to support instruction on child sexual abuse and sex trafficking prevention and identification. Only the superintendent of public instruction or the superintendent's designee may authorize expenditures from the account. The account is subject to allotment procedures under chapter 43.88 RCW, but an appropriation is not required for expenditures."

MESSAGE FROM THE HOUSE

April 7, 2023

MR. PRESIDENT:

The House passed ENGROSSED SUBSTITUTE SENATE BILL NO. 5365 with the following amendment(s): 5365-S.E AMH ENGR H1728.E

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. (1) The legislature finds:

(a) Prevention is the most effective tool to reduce vapor and tobacco usage by persons under the age of 21. Protection of adolescents' health and well-being requires enforcement and intervention efforts to focus upon effective vapor and tobacco control and access strategies.

(b) Retailers play a key role in ensuring that state law regarding access to vapor or tobacco is followed. However, the 2021 healthy youth survey found that 15 percent (one out of every six) retail stores illegally sold tobacco or vapor products to a minor in 2021.

(c) Vapor and tobacco product purchase, use, and possession by persons under the age of 21 is a critical public health issue. The 2021 healthy youth survey found that 16 percent of 12th graders in Washington state reported using tobacco or vapor products in the past 30 days, youth under age 18 are far more likely to start using tobacco than adults, and nearly nine out of 10 adults who smoke started by age 18. The healthy youth survey also found that 104,000 Washington youth alive today will ultimately die prematurely from smoking.

(d) With the passage of chapter 15, Laws of 2019, individuals between the ages of 18 and 21 do not face liability for purchase or possession of vapor or tobacco products but individuals under the age of 18 continue to face civil liability for purchase or possession of vapor or tobacco products, creating a disparity in the law.

(2) The legislature therefore finds that all persons under the age of 21 who purchase, use, or possess vapor or tobacco products should be offered community-based interventions that are more effective in helping them quit. The legislature further resolves to increase enforcement strategies to ensure retailer compliance with tobacco and vapor product possession laws.

Sec. 2. RCW 70.155.080 and 2002 c 175 s 47 are each amended to read as follows:

(1) A person under the age of eighteen who purchases or attempts to purchase, possesses, or obtains or attempts to obtain cigarettes or tobacco products commits a class 3 civil infraction under chapter 7.80 RCW and is subject to ((a fine as set out in chapter 7.80 RCW or)) participation in up to four hours of community ((restitution, or both. The court may also require participation in)) service and referral to a smoking cessation program at no cost. This provision does not apply if a person under the age of eighteen, with parental authorization, is participating in a controlled purchase as part of a liquor ((control)) and cannabis board, law enforcement, or local health department activity.

(2) Municipal and district courts within the state have jurisdiction for enforcement of this section.

Sec. 3. RCW 70.345.140 and 2016 sp.s. c 38 s 14 are each amended to read as follows:

(1) A person under the age of eighteen who purchases or attempts to purchase, possesses, or obtains or attempts to obtain

vapor products commits a class 3 civil infraction under chapter 7.80 RCW and is subject to ((a fine as set out in chapter 7.80 RCW or)) participation in up to four hours of community ((restitution, or both. The court may also require participation in)) service and referral to a smoking cessation program at no cost. This provision does not apply if a person under the age of eighteen, with parental authorization, is participating in a controlled purchase as part of a board, law enforcement, or local health department activity.

(2) Municipal and district courts within the state have jurisdiction for enforcement of this section.

Sec. 4. RCW 70.155.100 and 2016 sp.s. c 38 s 23 are each amended to read as follows:

(1) The liquor and cannabis board may suspend or revoke a retailer's license issued under RCW 82.24.510(1)(b) or 82.26.150(1)(b) held by a business at any location, or may impose a monetary penalty as set forth in subsection (3) of this section, if the liquor and cannabis board finds that the licensee has violated RCW 26.28.080, 70.155.020, 70.155.030, 70.155.040, 70.155.050, 70.155.070, or 70.155.090.

(2) Any retailer's licenses issued under RCW 70.345.020 to a person whose license or licenses under chapter 82.24 or 82.26 RCW have been suspended or revoked for violating RCW 26.28.080 must also be suspended or revoked during the period of suspension or revocation under this section.

(a) For violations of RCW ((26.28.080,)) 70.155.020((,)) or 21 C.F.R. Sec. 1140.14, and for violations of RCW 70.155.040 occurring on the licensed premises:

(b) For violations of RCW 26.28.080:

(i) A monetary penalty of \$1,000 for the first violation within any three-year period;

(ii) A monetary penalty of \$2,500 for the second violation within any three-year period;

(iii) A monetary penalty of \$5,000 and suspension of the license for a period of six months for the third violation within any three-year period;

(v) Revocation of the license with no possibility of reinstatement for a period of five years for the fifth or more violation within any three-year period;

(c) If the board finds that a person licensed under chapter 82.24 or 82.26 RCW and RCW 70.345.020 has violated RCW 26.28.080, each subsequent violation of either of the person's licenses counts as an additional violation within that three-year period((,));

((e)) (f) For violations of RCW 70.155.070, a monetary penalty in the amount of ((two thousand dollars)) \$2,000 for each violation.

(4) The liquor and cannabis board may impose a monetary penalty upon any person other than a licensed cigarette or tobacco product retailer if the liquor and cannabis board finds that the person has violated RCW 26.28.080, 70.155.020, 70.155.030, 70.155.040, 70.155.050, 70.155.070, or 70.155.090.

(5) The monetary penalty that the liquor and cannabis board may impose based upon one or more findings under subsection (4) of this section may not exceed the following:

(a) For violation of RCW 26.28.080 or 70.155.020, ((one hundred dollars)) \$100 for the first violation and ((two hundred dollars)) \$200 for each subsequent violation;

(b) For violations of RCW 70.155.030, ((two hundred dollars)) \$200 for each day upon which such violation occurred;

(d) For violations of RCW 70.155.050, ((six hundred dollars)) \$600 for each violation;

(e) For violations of RCW 70.155.070, ((two thousand dollars)) \$2,000 for each violation.

(6) The liquor and cannabis board may develop and offer a class for retail clerks and use this class in lieu of a monetary penalty for the clerk's first violation.

(7) The liquor and cannabis board may issue a cease and desist order to any person who is found by the liquor and cannabis board to have violated or intending to violate the provisions of this chapter, RCW 26.28.080, 82.24.500, or 82.26.190 requiring such person to cease specified conduct that is in violation. The issuance of a cease and desist order does not preclude the imposition of other sanctions authorized by this statute or any other provision of law.

(8) The liquor and cannabis board may seek injunctive relief to enforce the provisions of RCW 26.28.080, 82.24.500, 82.26.190 or this chapter. (10) The liquor and cannabis board may reduce or waive either the penalties or the suspension or revocation of a license, or both, as set forth in this chapter where the elements of proof are inadequate or where there are mitigating circumstances. Mitigating circumstances may include, but are not limited to, an exercise of due diligence by a retailer. Further, the board may exceed penalties set forth in this chapter based on aggravating circumstances.

Sec. 5. RCW 70.155.110 and 1993 c 507 s 12 are each amended to read as follows:

ENGROSSED SECOND SUBSTITUTE SENATE BILL NO. 5367, as amended by the House, having received the constitutional majority, was declared passed. There being no objection, the title of the bill was ordered to stand as the title of the act.

MESSAGE FROM THE HOUSE

April 11, 2023

MR. PRESIDENT:

The House passed ENGROSSED SUBSTITUTE SENATE BILL NO. 5371 with the following amendment(s): 5371-S.E AMH ENGR H1859.E

Strike everything after the enacting clause and insert the following:

"NEW SECTION. **Sec. 1.** (1) It is the intent of the legislature to support the recovery of endangered southern resident orcas by reducing underwater noise and disturbance from vessels, which is one of the three main threats to the population's recovery, along with availability of their preferred prey, Chinook salmon, and contaminants in their food and environment. In particular, the legislature intends to protect southern resident orcas from those boaters who intentionally harass, chase, and torment the whales.

(2) The legislature further finds that the state has a compelling interest in protecting the iconic southern resident orca from extinction by acting to implement recovery activities and adaptively managing the southern resident orca recovery effort using best available science. Studies conducted by the national oceanic and atmospheric administration have indicated that southern resident orcas significantly reduced their foraging behavior when moving vessels were observed within 1,000 yards of the whale, with females being more likely than males to reduce their foraging activities when vessels were within an average of 400 yards.

(3) In 2019, the governor's southern resident orca task force produced 49 recommendations to address the three major threats to the population's recovery. While many investments have been made and implementation is ongoing, increased and sustained efforts are needed to advance salmon recovery, address water quality and contaminants in the environment, and reduce underwater noise and physical disturbance of orcas as they attempt to forage, communicate, and rest.

(4) The legislature finds that the threats to orcas are interrelated and they are inexorably linked with salmon recovery. Salmon face a diverse array of threats throughout their life cycle including the threat posed by pinnipeds, such as seals and sea lions, which are protected under federal law, but nevertheless pose a significant threat to salmon and orca recovery through ongoing and excessive predation. Salmon also face fish passage barriers, stormwater runoff, and spills from wastewater treatment plants, among other threats. It is in the best interest of all the people of Washington, including federally recognized tribes and private landowners, to increase the population of salmon and to ensure the survivability of salmon against all threats.

(5) The legislature directed the department of fish and wildlife to produce a report on the effectiveness of regulations designed to address underwater noise and disturbance from commercial whale watching and recreational vessels. The legislature received the first of three mandated reports in November of 2022, and it contained an assessment of the most recent science demonstrating the negative impact of vessels on southern resident orca foraging behavior and foraging success.

(6) While it takes time to see results from efforts to increase prey availability and reduce contaminants, reducing noise and disturbance from vessels can provide immediate support for the southern resident orcas by increasing their likelihood of successful foraging.

Sec. 2. RCW 77.15.740 and 2019 c 291 s 1 are each amended to read as follows:

(1) (~~Except~~) Beginning January 1, 2025, except as provided in subsection (2) of this section, it is unlawful for a person to:

NINETY NINTH DAY, APRIL 17, 2023

(a) Cause a vessel or other object to approach, in any manner, within ~~((three hundred))~~ 1,000 yards of a southern resident orca ~~((whale))~~;

(b) Position a vessel to be in the path of a southern resident orca ~~((whale))~~ at any point located within ~~((four hundred))~~ 1,000 yards of the whale. This includes intercepting a southern resident orca ~~((whale))~~ by positioning a vessel so that the prevailing wind or water current carries the vessel into the path of the whale at any point located within ~~((four hundred))~~ 1,000 yards of the whale;

(c) Position a vessel behind a southern resident orca ~~((whale))~~ at any point located within ~~((four hundred))~~ 1,000 yards;

(d) Fail to disengage the transmission of a vessel that is within ~~((three hundred))~~ 400 yards of a southern resident orca ~~((whale))~~;

(e) Cause a vessel or other object to exceed a speed greater than seven knots over ground at any point located within ~~((one half nautical mile (one thousand thirteen yards)))~~ 1,000 yards of a southern resident orca ~~((whale))~~; or

(f) Feed a southern resident orca ~~((whale))~~.

(2) A person is exempt from subsection (1) of this section if that person is:

(a) Operating a federal government vessel in the course of official duties, or operating a state, tribal, or local government vessel when engaged in official duties involving law enforcement, search and rescue, or public safety;

(b) Operating a vessel in conjunction with a vessel traffic service as a vessel traffic service user established under 33 C.F.R. and following a traffic separation scheme, or complying with a vessel traffic service or captain of the port measure ~~((€))~~ or direction, or complying with the rules of the road or taking actions to ensure safety. This also includes ~~((support vessels escorting ships in the traffic lanes))~~ vessel transits departing the lanes for safety reasons or to approach or depart a dock or anchorage area, including support vessels escorting or assisting vessels, such as tug boats;

(c) Engaging in an activity, including scientific research or oil spill response, pursuant to the conditions of a permit or other authorization from the national marine fisheries service ~~((and))~~ or the department;

(d) Lawfully engaging in a treaty Indian or commercial fishery that is actively setting, retrieving, or closely tending fishing gear. Commercial fishing vessels in transit are not exempt from subsection (1) of this section;

(e) Conducting vessel operations necessary to avoid an imminent and serious threat to a person, vessel, or the environment, including when necessary for overall safety of navigation and to comply with state and federal navigation requirements; or

(f) Engaging in rescue or clean-up efforts of a beached southern resident orca ~~((whale))~~ overseen, coordinated, or authorized by a volunteer stranding network.

(3) For the purpose of this section, "vessel" includes aircraft while on the surface of the water, and every description of watercraft on the water that is used or capable of being used as a means of transportation on the water. However, "vessel" does not include inner tubes, air mattresses, sailboards, and small rafts, or flotation devices or toys customarily used by swimmers.

(4)(a) A violation of this section is a natural resource infraction punishable under chapter 7.84 RCW and carries a fine of five hundred dollars, not including statutory assessments added pursuant to RCW 3.62.090.

(b) A person who qualifies for an exemption under subsection (2) of this section may offer that exemption as an affirmative defense, which that person must prove by a preponderance of the evidence.

~~((5) The enforcement actions required of the department from this section are subject to the availability of amounts appropriated for this specific purpose))~~ (c) The department may choose to offer educational materials in lieu of issuing an infraction, at the officer's discretion.

(d) An officer may not issue an infraction to the operator of a vessel that is within 400 yards of a southern resident orca who has immediately disengaged the transmission of the vessel pursuant to subsection (1)(d) of this section and waits for the whale to leave the vicinity.

(5) The department must post signs at public boat launches and marinas that provide information regarding the vessel setbacks and speed limits required by this section. However, the requirements of this section apply whether or not a sign is present and the absence of a sign is not a defense to any violation of this section.

(6) The department shall conduct outreach and education regarding regulations and best practices for recreational boating in waters inhabited by southern resident orcas, including best practices for avoiding or minimizing encounters closer than 1,000 yards from a southern resident orca consistent with the recommendations of the work group established in section 6 of this act. This may include the advancement and proliferation of tools for notifying boaters of southern resident orca presence, identifying orca ecotypes, and estimating distance on the water.

(7) If the operator of a motorized commercial whale watching vessel enters within 1,000 yards of a group of southern resident orcas, after taking reasonable measures to determine whether the whales are southern resident orcas, and then identifies the whales as southern resident orcas, the operator must:

(a) Immediately safely reposition the vessel to be 1,000 yards or farther from the southern resident orcas; and

(b) Immediately after repositioning the vessel, report the location of the southern resident orca or orcas to the WhaleReport application for the whale report alert system, or to a successor transboundary notification system designated by the department that is adopted by the international shipping community in the Salish Sea.

(8) The operator of a motorized commercial whale watching vessel may voluntarily log the incident, including measures taken to determine whether the whales were southern resident orcas, and submit the log to the department within 24 hours of the incident.

NEW SECTION. Sec. 3. A new section is added to chapter 77.12 RCW to read as follows:

The department must coordinate with the department of licensing and the parks and recreation commission to mail information regarding the required vessel setbacks and speed limits required by RCW 77.15.740, and whale warning flags, upon issuance or renewal of a vessel registration pursuant to chapter 88.02 RCW.

NEW SECTION. Sec. 4. The department of fish and wildlife must develop a transboundary and statewide plan to implement the vessel distance regulations in RCW 77.15.740, with input from British Columbia and international whale organizations. The department of fish and wildlife must submit a report to the legislature, in accordance with RCW 43.01.036, by January 1, 2025, that includes progress on plan development and a plan for implementation.

NEW SECTION. Sec. 5. A new section is added to chapter 77.12 RCW to read as follows:

If the population of southern resident orcas reaches a threshold of 70 individuals or fewer, the department must provide a report to the legislature within one year of the threshold being met, consistent with RCW 43.01.036, that includes a study of how

mandatory 1,000-yard setbacks for all vessels has been enforced and identifies gaps and solutions to support any improvements, the use of data science with respect to southern resident orca pod health, and evidence-based plans to address southern resident orca pod health.

NEW SECTION. Sec. 6. (1) The department of fish and wildlife must convene a diverse work group including, but not limited to, representatives from nongovernmental organizations, recreational boaters, the commercial whale watching industry, commercial fishers, ports and marinas, relevant government entities, tribes, and the southern resident orca research community to inform the development of outreach and education strategies to implement RCW 77.15.740(4). A report summarizing the work of the work group and the department of fish and wildlife's outreach strategies must be included in the 2024 adaptive management report identified in RCW 77.65.620(5). The department of fish and wildlife must conduct intensive outreach and education in fiscal year 2024 and the first half of 2025 to implement the work group outreach recommendations.

(2) In coordination with the work group established in this section, the department of fish and wildlife must conduct education and outreach regarding compliance with the 1,000-yard setback from southern resident orcas established in RCW 77.15.740.

(3) The department of fish and wildlife must assess and report on the effectiveness of the mandatory 1,000-yard setback and recommendations for any further legislative action needed to protect southern resident orcas from the effects of vessels in the 2024 adaptive management report identified in RCW 77.65.620(5).

to report or provides an inadequate or incomplete report, the department must take corrective action, which may include withholding state funding for homelessness assistance to the local government to enable the department to use such funds to contract with other public or nonprofit entities to provide homelessness assistance within the jurisdiction.

Sec. 4. RCW 43.185C.060 and 2021 c 334 s 980 and 2021 c 214 s 4 are each reenacted and amended to read as follows:

(1) The home security fund account is created in the state treasury, subject to appropriation. ~~((The state's portion of the surcharge established in RCW 36.22.179 and 36.22.1791 and 36.22.176 must be deposited in the account.))~~ Expenditures from the account may be used only for ~~((homeless housing))~~ programs as described in this chapter ~~((including the eviction prevention rental assistance program established in RCW 43.185C.185)).~~

(2)(a) By December 15, 2021, the department, in consultation with stakeholder groups specified in RCW 43.185C.185(2)(c), must create a set of performance metrics for each county receiving funding under ~~((RCW 36.22.176))~~ section 1(4)(b) of this act. The metrics must target actions within a county's control that will prevent and reduce homelessness, such as increasing the number of permanent supportive housing units and increasing or maintaining an adequate number of noncongregate shelter beds.

(b)(i) Beginning July 1, 2023, and by July 1st every two years thereafter, the department must award funds ~~((for project based vouchers for nonprofit housing providers and related services, rapid rehousing, and housing acquisition under RCW 36.22.176))~~ under section 1(4)(b) of this act to eligible grantees in a manner that ~~((45))~~ 7 percent of funding is distributed as a performance-based allocation based on performance metrics created under (a) of this subsection, in addition to any base allocation of funding for the county.

(ii) Any county that demonstrates that it has met or exceeded the majority of the target actions to prevent and reduce homelessness over the previous two years must receive the remaining 15 percent performance-based allocation. Any county that fails to meet or exceed the majority of target actions to prevent and reduce homelessness must enter into a corrective action plan with the department. To receive its performance-based allocation, a county must agree to undertake the corrective actions outlined in the corrective action plan and any reporting and monitoring deemed necessary by the department. Any county that fails to meet or exceed the majority of targets for two consecutive years after entering into a corrective action plan may be subject to a reduction in the performance-based portion of the funds received in (b)(i) of this subsection, at the discretion of the department in consultation with stakeholder groups specified in RCW 43.185C.185(2)(c). Performance-based allocations unspent due to lack of compliance with a corrective action plan created under this subsection (2)(b) may be distributed to other counties that have met or exceeded their target actions.

(3) The department must distinguish allotments from the account made to carry out the activities in RCW 43.330.167, 43.330.700 through 43.330.715, 43.330.911, 43.185C.010, and 43.185C.250 through 43.185C.320 ~~((and 36.22.179(1)(b)))~~.

(4) ~~((The office of financial management must secure an independent expenditure review of state funds received under RCW 36.22.179(1)(b) on a biennial basis. The purpose of the review is to assess the consistency in achieving policy priorities within the private market rental housing segment for housing persons experiencing homelessness. The independent reviewer must notify the department and the office of financial management of its findings. The first biennial expenditure review, for the 2017-2019 fiscal biennium, is due February 1,~~

~~2020. Independent reviews conducted thereafter are due February 1st of each even numbered year.~~

~~(5))~~ During the 2019-2021 and 2021-2023 fiscal biennia, expenditures from the account may also be used for shelter capacity grants.

Sec. 5. RCW 43.185C.070 and 2005 c 484 s 11 are each amended to read as follows:

(1) During each calendar year in which moneys from the ~~((homeless housing))~~ home security fund account are available for use by the department for the homeless housing grant program, the department shall announce to all Washington counties, participating cities, and through major media throughout the state, a grant application period of at least ninety days' duration. This announcement will be made as often as the director deems appropriate for proper utilization of resources. The department shall then promptly grant as many applications as will utilize available funds, less appropriate administrative costs of the department as described in ~~((RCW 36.22.179))~~ section 1(4)(a) of this act.

(2) The department will develop, with advice and input from the affordable housing advisory board established in RCW 43.185B.020, criteria to evaluate grant applications.

(3) The department may approve applications only if they are consistent with the local and state homeless housing program strategic plans. The department may give preference to applications based on some or all of the following criteria:

(a) The total homeless population in the applicant local government service area, as reported by the most recent annual Washington homeless census;

(b) Current local expenditures to provide housing for the homeless and to address the underlying causes of homelessness as described in RCW 43.185C.005;

(c) Local government and private contributions pledged to the program in the form of matching funds, property, infrastructure improvements, and other contributions; and the degree of leveraging of other funds from local government or private sources for the program for which funds are being requested, to include recipient contributions to total project costs, including allied contributions from other sources such as professional, craft and trade services, and lender interest rate subsidies;

(d) Construction projects or rehabilitation that will serve homeless individuals or families for a period of at least twenty-five years;

(e) Projects which demonstrate serving homeless populations with the greatest needs, including projects that serve special needs populations;

(f) The degree to which the applicant project represents a collaboration between local governments, nonprofit community-based organizations, local and state agencies, and the private sector, especially through its integration with the coordinated and comprehensive plan for homeless families with children required under RCW 43.63A.650;

(g) The cooperation of the local government in the annual Washington homeless census project;

(h) The commitment of the local government and any subcontracting local governments, nonprofit organizations, and for-profit entities to employ a diverse workforce;

(i) The extent, if any, that the local homeless population is disproportionate to the revenues collected under this chapter and ~~((RCW 36.22.178 and 36.22.179))~~ section 1 of this act; and

(j) Other elements shown by the applicant to be directly related to the goal and the department's state strategic plan.

Sec. 6. RCW 43.185C.080 and 2005 c 484 s 12 are each amended to read as follows:

(1) Only a local government is eligible to receive a homeless housing grant from the ~~((homeless housing))~~ home security fund account. Any city may assert responsibility for homeless housing within its borders if it so chooses, by forwarding a resolution to the legislative authority of the county stating its intention and its commitment to operate a separate homeless housing program. The city shall then receive a percentage of the surcharge assessed under ~~((RCW 36.22.179))~~ section 1(2)(b) of this act equal to the percentage of the city's local portion of the real estate excise tax collected by the county. A participating city may also then apply separately for homeless housing program grants. A city choosing to operate a separate homeless housing program shall be responsible for complying with all of the same requirements as counties and shall adopt a local homeless housing plan meeting the requirements of this chapter for county local plans. However, the city may by resolution of its legislative authority accept the county's homeless housing task force as its own and based on that task force's recommendations adopt a homeless housing plan specific to the city.

(2) Local governments applying for homeless housing funds may subcontract with any other local government, housing authority, community action agency or other nonprofit organization for the execution of programs contributing to the overall goal of ending homelessness within a defined service area. All subcontracts shall be consistent with the local homeless housing plan adopted by the legislative authority of the local government, time limited, and filed with the department and shall have specific performance terms. While a local government has the authority to subcontract with other entities, the local government continues to maintain the ultimate responsibility for the homeless housing program within its borders.

(3) A county may decline to participate in the program authorized in this chapter by forwarding to the department a resolution adopted by the county legislative authority stating the intention not to participate. A copy of the resolution shall also be transmitted to the county auditor and treasurer. If such a resolution is adopted, all of the funds otherwise due to the county under RCW 43.185C.060 shall be remitted monthly to the state treasurer for deposit in the ~~((homeless housing))~~ home security fund account, without any reduction by the county for collecting or administering the funds. Upon receipt of the resolution, the department shall promptly begin to identify and contract with one or more entities eligible under this section to create and execute a local homeless housing plan for the county meeting the requirements of this chapter. The department shall expend all of the funds received from the county under this subsection to carry out the purposes of chapter 484, Laws of 2005 in the county, provided that the department may retain six percent of these funds to offset the cost of managing the county's program.

(4) A resolution by the county declining to participate in the program shall have no effect on the ability of each city in the county to assert its right to manage its own program under this chapter, and the county shall monthly transmit to the city the funds due under this chapter.

Sec. 7. RCW 43.185C.185 and 2021 c 214 s 2 are each amended to read as follows:

(1) The eviction prevention rental assistance program is created in the department to prevent evictions by providing resources to households most likely to become homeless or suffer severe health consequences, or both, after an eviction, while promoting equity by prioritizing households, including communities of color, disproportionately impacted by public health emergencies and by homelessness and housing instability. The department must provide grants to eligible organizations, as described in RCW 43.185.060, to provide assistance to program

participants. The eligible organizations must use grant moneys for:

(a) Rental assistance, including rental arrears and future rent if needed to stabilize the applicant's housing and prevent their eviction;

(b) Utility assistance for households if needed to prevent an eviction; and

(c) Administrative costs of the eligible organization, which must not exceed limits prescribed by the department.

(2) Households eligible to receive assistance through the eviction prevention rental assistance program are those:

(a) With incomes at or below 80 percent of the county area median income;

(b) Who are families with children, living in doubled up situations, young adults, senior citizens, and others at risk of homelessness or significant physical or behavioral health complications from homelessness; and

(c) That meet any other eligibility requirements as established by the department after consultation with stakeholder groups, including persons at risk of homelessness due to unpaid rent, representatives of communities of color, homeless service providers, landlord representatives, local governments that administer homelessness assistance, a statewide association representing cities, a statewide association representing counties, a representative of homeless youth and young adults, and affordable housing advocates.

(3) A landlord may assist an eligible household in applying for assistance through the eviction prevention rental assistance program or may apply for assistance on an eligible household's behalf.

(4)(a) Eligible grantees must actively work with organizations rooted in communities of color to assist and serve marginalized populations within their communities.

(b) At least 10 percent of the grant total must be subgranted to organizations that serve and are substantially governed by marginalized populations to pay the costs associated with program outreach, assistance completing applications for assistance, rent assistance payments, activities that directly support the goal of improving access to rent assistance for people of color, and related costs. Upon request by an eligible grantee or the county or city in which it exists, the department must provide a list of organizations that serve and are substantially governed by marginalized populations, if known.

(c) An eligible grantee may request an exemption from the department from the requirements under (b) of this subsection. The department must consult with the stakeholder group established under subsection (2)(c) of this section before granting an exemption. An eligible grantee may request an exemption only if the eligible grantee:

(i) Is unable to subgrant with an organization that serves and is substantially governed by marginalized populations; or

(ii) Provides the department with a plan to spend 10 percent of the grant total in a manner that the department determines will improve racial equity for historically underserved communities more effectively than a subgrant.

(5) The department must ensure equity by developing performance measures and benchmarks that promote both equitable program access and equitable program outcomes. Performance measures and benchmarks must be developed by the department in consultation with stakeholder groups, including persons at risk of homelessness due to unpaid rent, representatives of communities of color, homeless service providers, landlord representatives, local governments that administer homelessness assistance, a statewide association representing cities, a statewide association representing counties,

NINETY NINTH DAY, APRIL 17, 2023

a representative of homeless youth and young adults, and affordable housing advocates. Performance measures and benchmarks must also ensure that the race and ethnicity of households served under the program are proportional to the numbers of people at risk of homelessness in each county for each of the following groups:

- (a) Black or African American;
- (b) American Indian and Alaska Native;
- (c) Native Hawaiian or other Pacific Islander;
- (d) Hispanic or Latinx;
- (e) Asian;
- (f) Other multiracial.

(6) The department may develop additional rules, requirements, procedures, and guidelines as necessary to implement and operate the eviction prevention rental assistance program.

(7)(a) The department must award funds under this section to eligible grantees in a manner that is proportional to the amount of revenue collected under (~~RCW 36.22.176~~) section 1 of this act from the county being served by the grantee.

(b) The department must provide counties with the right of first refusal to receive grant funds distributed under this subsection. If a county refuses the funds or does not respond within a time frame established by the department, the department must identify an alternative grantee. The alternative grantee must distribute the funds in a manner that is in compliance with this chapter.

MESSAGE FROM THE HOUSE

April 7, 2023

MR. PRESIDENT:

The House passed SUBSTITUTE SENATE BILL NO. 5396 with the following amendment(s): 5396-S AMH APP H1839.1

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. (1) In 1989 the legislature enacted Substitute House Bill No. 1074 requiring disability insurers, group disability insurers, health care service contractors, health maintenance organizations, and plans offered to public employees that provide benefits for hospital or medical care to provide benefits for screening and diagnostic mammography services.

(2) In 2010 the United States congress enacted the patient protection and affordable care act, which required coverage of certain preventative care services including screening mammograms with no cost sharing.

(3) In 2013 the Washington state office of the insurance commissioner adopted rules establishing the essential health benefits benchmark plan, which listed diagnostic and screening mammogram services as state benefit requirements under preventative and wellness services.

(4) In 2018 the legislature enacted Senate Bill No. 5912 which directed the office of the insurance commissioner to clarify that the existing mandates for mammography included coverage for tomosynthesis, also known as three-dimensional mammography, under the same terms and conditions allowed for mammography.

(5) The legislature intends to establish that the requirements for coverage of mammography services predated the affordable care act and are already included in the state's essential health benefits benchmark plan. Furthermore, the legislature intends to prohibit cost sharing for certain types of breast examinations.

NEW SECTION. Sec. 2. A new section is added to chapter 48.43 RCW to read as follows:

(1) Except as provided in subsection (2) of this section, for nongrandfathered health plans issued or renewed on or after January 1, 2024, that include coverage of supplemental breast examinations and diagnostic breast examinations, health carriers may not impose cost sharing for such examinations.

(2) For a health plan that provides coverage of supplemental breast examinations and diagnostic breast examinations and is offered as a qualifying health plan for a health savings account, the health carrier shall establish the plan's cost sharing for the coverage of the services described in this section at the minimum level necessary to preserve the enrollee's ability to claim tax exempt contributions from their health savings account under internal revenue service laws and regulations.

ONE HUNDREDTH DAY, APRIL 18, 2023

(3) For purposes of this section:

(a) "Diagnostic breast examination" means a medically necessary and appropriate examination of the breast, including an examination using diagnostic mammography, digital breast tomosynthesis, also called three dimensional mammography, breast magnetic resonance imaging, or breast ultrasound, that is used to evaluate an abnormality:

(i) Seen or suspected from a screening examination for breast cancer; or

(ii) Detected by another means of examination.

(b) "Supplemental breast examination" means a medically necessary and appropriate examination of the breast, including an examination using breast magnetic resonance imaging or breast ultrasound, that is: (i) Used to screen for breast cancer when there is no abnormality seen or suspected; and

(ii) Based on personal or family medical history, or additional factors that may increase the individual's risk of breast cancer.

Sec. 3. RCW 48.20.393 and 1994 sp.s. c 9 s 728 are each amended to read as follows:

Each disability insurance policy issued or renewed after January 1, 1990, that provides coverage for hospital or medical expenses shall provide coverage for screening or diagnostic mammography services, provided that such services are delivered upon the recommendation of the patient's physician or advanced registered nurse practitioner as authorized by the nursing care quality assurance commission pursuant to chapter 18.79 RCW or physician assistant pursuant to chapter 18.71A RCW.

This section shall not be construed to prevent the application of standard policy provisions, other than the cost-sharing prohibition provided in section 2 of this act, that are applicable to other benefits (~~((such as deductible or copayment provisions))~~). This section does not limit the authority of an insurer to negotiate rates and contract with specific providers for the delivery of mammography services. This section shall not apply to medicare supplement policies or supplemental contracts covering a specified disease or other limited benefits.

Sec. 4. RCW 48.21.225 and 1994 sp.s. c 9 s 731 are each amended to read as follows:

Each group disability insurance policy issued or renewed after January 1, 1990, that provides coverage for hospital or medical expenses shall provide coverage for screening or diagnostic mammography services, provided that such services are delivered upon the recommendation of the patient's physician or advanced registered nurse practitioner as authorized by the nursing care quality assurance commission pursuant to chapter 18.79 RCW or physician assistant pursuant to chapter 18.71A RCW.

This section shall not be construed to prevent the application of standard policy provisions, other than the cost-sharing prohibition provided in section 2 of this act, that are applicable to other benefits (~~((such as deductible or copayment provisions))~~). This section does not limit the authority of an insurer to negotiate rates and contract with specific providers for the delivery of mammography services. This section shall not apply to medicare supplement policies or supplemental contracts covering a specified disease or other limited benefits.

Sec. 5. RCW 48.44.325 and 1994 sp.s. c 9 s 734 are each amended to read as follows:

This section shall not be construed to prevent the application of standard contract provisions, other than the cost-sharing prohibition provided in section 2 of this act, that are applicable to other benefits (~~((such as deductible or copayment provisions))~~). This section does not limit the authority of a contractor to negotiate rates and contract with specific providers for the delivery of mammography services. This section shall not apply to medicare supplement policies or supplemental contracts covering a specified disease or other limited benefits.

Sec. 6. RCW 48.46.275 and 1994 sp.s. c 9 s 735 are each amended to read as follows:

Each health maintenance agreement issued or renewed after January 1, 1990, that provides benefits for hospital or medical care shall provide benefits for screening or diagnostic mammography services, provided that such services are delivered upon the recommendation of the patient's physician or advanced registered nurse practitioner as authorized by the nursing care quality assurance commission pursuant to chapter 18.79 RCW or physician assistant pursuant to chapter 18.71A RCW.

All services must be provided by the health maintenance organization or rendered upon referral by the health maintenance organization. This section shall not be construed to prevent the application of standard agreement provisions, other than the cost-sharing prohibition provided in section 2 of this act, that are applicable to other benefits (~~((such as deductible or copayment provisions))~~). This section does not limit the authority of a health maintenance organization to negotiate rates and contract with specific providers for the delivery of mammography services. MESSAGE FROM THE HOUSE

MR. PRESIDENT:

April 7, 2023

The House passed SECOND SUBSTITUTE SENATE BILL NO. 5454 with the following amendment(s): 5454-S2 AMH APP H1896.1

Strike everything after the enacting clause and insert the following:

"**Sec. 1.** RCW 51.08.142 and 2020 c 234 s 1 are each amended to read as follows:

(1) Except as provided in ~~((subsection))~~ subsections (2) and (3) of this section, the department shall adopt a rule pursuant to chapter 34.05 RCW that claims based on mental conditions or mental disabilities caused by stress do not fall within the definition of occupational disease in RCW 51.08.140.

(2)(a) Except as provided in (b) and (c) of this subsection, the rule adopted under subsection (1) of this section shall not apply to occupational disease claims resulting from posttraumatic stress disorders of firefighters as defined in RCW 41.26.030(17) (a), (b), (c), and (h) and firefighters, including supervisors, employed on a full-time, fully compensated basis as a firefighter of a private sector employer's fire department that includes over fifty such firefighters, and law enforcement officers as defined in RCW 41.26.030(19) (b), (c), and (e), and public safety telecommunicators who receive calls for assistance and dispatch emergency services.

(b) For firefighters as defined in RCW 41.26.030(17) (a), (b), (c), and (h) and firefighters, including supervisors, employed on a full-time, fully compensated basis as a firefighter of a private sector employer's fire department that includes over fifty such firefighters, and law enforcement officers as defined in RCW 41.26.030(19) (b), (c), and (e) hired after June 7, 2018, and public safety telecommunicators hired after June 11, 2020, (a) of this subsection only applies if the firefighter or law enforcement officer or public safety telecommunicators, as a condition of employment, has submitted to a psychological examination administered by a psychiatrist licensed in the state of Washington under chapter 18.71 RCW or a psychologist licensed in the state of Washington under chapter 18.83 RCW that ruled out the presence of posttraumatic stress disorder from preemployment exposures. If the employer does not provide the psychological examination, (a) of this subsection applies.

(c) Posttraumatic stress disorder for purposes of ~~((this subsection))~~ subsections (2) and (3) of this section is not considered an occupational disease if the disorder is directly attributed to disciplinary action, work evaluation, job transfer, layoff, demotion, termination, or similar action taken in good faith by an employer.

(d) "Public safety telecommunicators" means individuals who receive and respond to telephone or other electronic requests for emergency assistance, such as law enforcement, fire, and medical services, and dispatch appropriate emergency responders.

(3)(a) Except as provided in this subsection, the rule adopted under subsection (1) of this section shall not apply to occupational disease claims resulting from posttraumatic stress disorders of direct care registered nurses as defined in section 2 of this act.

(b) The limitation in subsection (2)(c) of this section also applies to this subsection (3).

(c) This subsection (3) applies only to a direct care registered nurse who has posttraumatic stress disorder that develops or manifests itself after the individual has been employed on a fully compensated basis as a direct care registered nurse in Washington state for at least 90 consecutive days.

NEW SECTION. Sec. 2. A new section is added to chapter 51.32 RCW to read as follows:

(1) In the case of direct care registered nurses covered under this title who are employed on a fully compensated basis, there exists a prima facie presumption that posttraumatic stress disorder is an occupational disease under RCW 51.08.140. This section applies only to a direct care registered nurse who has posttraumatic stress disorder that develops or manifests itself after the individual has been employed on a fully compensated basis as a direct care registered nurse in Washington state for at least 90 consecutive days.

(2) The presumption may be rebutted by a preponderance of the evidence.

(3) The presumption extends to a claimant following termination of employment for a period of three calendar months for each year the claimant was a direct care registered nurse employed on a fully compensated basis, but may not extend more than 60 months following the last date of employment.

(4)(a) When a determination involving the presumption established under this section is appealed to the board of industrial insurance appeals and the final decision allows the claim for benefits, the board of industrial insurance appeals shall order that all reasonable costs of the appeal, including attorneys' fees and witness fees, be paid to the claimant or his or her beneficiary by the opposing party.

(b) When determination involving the presumption established under this section is appealed to any court and the final decision allows the claim for benefits, the court shall order that all reasonable costs of the appeal, including attorneys' fees and witness fees, be paid to the claimant or his or her beneficiary by the opposing party.

(c) When reasonable costs of the appeal must be paid by the department under this section in a state fund case, the costs shall be paid from the accident fund and charged to the costs of the claim.

(5) For purposes of this section, "direct care registered nurse" means an individual licensed as a nurse under chapter 18.79 RCW who provides direct care to patients.

NEW SECTION. Sec. 3. This act takes effect January 1, 2024."

MOTION

Senator Pedersen moved that the following striking amendment no. 0445 by Senator Pedersen be adopted:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. **Sec. 1.** The legislature finds and declares that gun violence is a threat to the public health and safety of Washingtonians. Assault weapons are civilian versions of weapons created for the military and are designed to kill humans quickly and efficiently. For this reason the legislature finds that assault weapons are "like" "M-16 rifles" and thus are "weapons most useful in military service." Assault weapons have been used in the deadliest mass shootings in the last decade. An assailant with an assault weapon can hurt and kill twice the number of people than an assailant with a handgun or nonassault rifle. This is because the additional features of an assault weapon are not "merely cosmetic"; rather, these are features that allow shooters to fire large numbers of rounds quickly. An analysis of mass shootings that result in four or more deaths found that 85 percent of those fatalities were caused by an assault weapon. The legislature also finds that this regulation is likely to have an impact on the number of mass shootings committed in Washington. Studies have shown that during the period the federal assault weapon ban was in effect, mass shooting fatalities were 70 percent less likely to occur. Moreover, the legislature finds that assault weapons are not suitable for self-defense and that studies show that assault weapons are statistically not used in self-defense. The legislature finds that assault weapons are not commonly used in self-defense and that any proliferation is not the result of the assault weapon being well-suited for self-defense, hunting, or sporting purposes. Rather, increased sales are the result of the gun industry's concerted efforts to sell more guns to a civilian market. The legislature finds that the gun industry has specifically marketed these weapons as "tactical,"

Sec. 4. RCW 28B.115.040 and 2019 c 302 s 4 are each amended to read as follows:

(1) The department may provide technical assistance to rural communities desiring to become sponsoring communities for the purposes of identification of prospective students for the health professional loan repayment and scholarship program, assisting prospective students to apply to an eligible education and training program, making formal agreements with prospective students to provide credentialed health care services in the community, forming agreements between rural communities in a service area to share credentialed health care professionals, and fulfilling any matching requirements.

(2) The department, in consultation with the council and other pertinent stakeholders, may provide technical assistance to counties desiring to become sponsoring communities for the purposes of identification of prospective students for the forensic pathology loan repayment program, assisting prospective students to apply to an eligible education and training program, making formal agreements with prospective students to provide services as a board-certified forensic pathologist, forming agreements between rural and underserved counties in a service area to share credentialed forensic pathology professionals, and fulfilling any matching requirements.

(3) From the amounts appropriated to the department, the department shall enter into a contract for a two-year marketing plan with the Washington association of coroners and medical examiners for the sole purpose of marketing Washington state to potential board-certified forensic pathologists. The marketing plan must include, but is not limited to, a focus on rural and underserved counties. Payment for administrative expenses may not exceed two percent of the appropriated funds.

Sec. 5. RCW 28B.115.050 and 2022 c 276 s 3 are each amended to read as follows:

The office shall establish a planning committee to assist it in developing criteria for the selection of participants for the Washington health corps program. The office shall include on the planning committee representatives of the department, the department of social and health services, appropriate representatives from health care facilities, provider groups, consumers, the state board for community and technical colleges, the superintendent of public instruction, institutions of higher education, representatives from the behavioral health and public health fields, the council, and other appropriate public and private agencies and organizations. The criteria may require that some of the participants meet the definition of financial need under RCW 28B.92.030.

Sec. 6. RCW 28B.115.070 and 2022 c 276 s 4 are each amended to read as follows:

(1) After June 1, 1992, the department, in consultation with the office and the department of social and health services, shall:

(a) Determine eligible credentialed health care professions for the purposes of the health professional loan repayment and scholarship program and the behavioral health loan repayment program authorized by this chapter. Eligibility shall be based upon an assessment that determines that there is a shortage or insufficient availability of a credentialed profession so as to jeopardize patient care and pose a threat to the public health and safety. The department shall consider the relative degree of shortages among professions when determining eligibility. The department may add or remove professions from eligibility based upon the determination that a profession is no longer in shortage. Should a profession no longer be eligible, participants or eligible students who have received scholarships shall be eligible to continue to receive scholarships or loan repayments until they are no longer eligible or until their service obligation has been completed;

(b) Determine health professional shortage areas for each of the eligible credentialed health care professions; and

(c) Determine underserved behavioral health areas for each of the eligible credentialed health care professions.

(2) The office, in consultation with the department, shall determine selection criteria for nurse educators and approved nursing programs.

(3) The office, in consultation with the department and the council, shall determine selection criteria for board-certified forensic pathologists.

Sec. 7. RCW 28B.115.080 and 2022 c 276 s 5 are each amended to read as follows:

(1) After June 1, 1992, the office, in consultation with the department and the department of social and health services, shall:

((4)) (a) Establish the annual award amount for each credentialed health care profession which shall be based upon an assessment of reasonable annual eligible expenses involved in training and education for each credentialed health care profession for both the health professional loan repayment and scholarship program and the behavioral health loan repayment program. The annual award amount may be established at a level less than annual eligible expenses. The annual award amount shall be established by the office for each eligible health profession. The awards shall not be paid for more than a maximum of five years per individual;

((2)) (b) Determine any scholarship awards for prospective physicians in such a manner to require the recipients declare an interest in serving in rural areas of the state of Washington. Preference for scholarships shall be given to students who reside in a rural physician shortage area or a nonshortage rural area of the state prior to admission to the eligible education and training program in medicine. Highest preference shall be given to students seeking admission who are recommended by sponsoring communities and who declare the intent of serving as a physician in a rural area. The office may require the sponsoring community located in a nonshortage rural area to financially contribute to the eligible expenses of a medical student if the student will serve in the nonshortage rural area;

((3)) (c) Establish the required service obligation for each credentialed health care profession, which shall be no less than three years or no more than five years, for the health professional loan repayment and scholarship program and the behavioral health loan repayment program. The required service obligation may be based upon the amount of the scholarship or loan repayment award such that higher awards involve longer service obligations on behalf of the participant;

((4)) (d) Establish the annual award amount and the required service obligation for nurse educators participating in the nurse educator loan repayment program. The annual award amount shall be based upon an assessment of reasonable annual eligible expenses involved in training and education. The awards shall not be paid for more than a maximum of five years per individual. The required service obligation shall be no less than three years or no more than five years. The required service obligation may be based upon the amount of the loan repayment award such that higher awards involve longer service obligations on behalf of the participant;

((5)) (e) Determine eligible education and training programs for purposes of the scholarship portion of the health professional loan repayment and scholarship program; and

((6)) (f) Honor loan repayment and scholarship contract terms negotiated between the office and participants prior to May 21, 1991, concerning loan repayment and scholarship award amounts and service obligations authorized under this chapter or chapter 70.180 RCW.

(2) The department and the council, with the office, shall establish the annual loan repayment amount for each eligible board-certified forensic pathologist, based upon an assessment of reasonable eligible expenses involved in training and education up to \$25,000 annually. The awards may not be paid for more than a total of four years per participant. The required service obligation must be four years. The annual award amount shall be established by the office.

Sec. 8. RCW 28B.115.110 and 2022 c 276 s 7 are each amended to read as follows:

Participants in the Washington health corps who are awarded loan repayments shall receive payment for the purpose of repaying educational loans secured while attending a program of health professional training which led to a credential as a credentialed health professional in the state of Washington.

(1) Participants shall agree to meet the required service obligation.

(2) Repayment shall be limited to eligible educational and living expenses as determined by the office and shall include principal and interest.

(3) Loans from both government and private sources may be repaid by the program. Participants shall agree to allow the office access to loan records and to acquire information from lenders necessary to verify eligibility and to determine payments. Loans may not be renegotiated with lenders to accelerate repayment.

(4) Repayment of loans established pursuant to the Washington health corps shall begin no later than ~~((ninety))~~ 90 days after the individual has become a participant. Payments shall be made quarterly, or more frequently if deemed appropriate by the office, to the participant until the loan is repaid or the participant becomes ineligible due to discontinued service in a health professional shortage area, an underserved behavioral health area, ~~((or))~~ as a nurse educator at an approved nursing program after the required service obligation when eligibility discontinues, or as a board-certified forensic pathologist in an identified shortage area, whichever comes first.

(5) Should the participant discontinue service in a health professional shortage area, an underserved behavioral health area, ~~((or))~~ as a nurse educator at an approved nursing program, or as a board-certified forensic pathologist in an identified shortage area, payments against the loans of the participants shall cease to be effective on the date that the participant discontinues service.

(6) Except for circumstances beyond their control, participants who serve less than the required service obligation shall be obligated to repay to the program an amount equal to the unsatisfied portion of the service obligation, or the total amount paid by the program on their behalf, whichever is less. This amount is due and payable immediately. Participants who are unable to pay the full amount due shall enter into a payment arrangement with the office, including an arrangement for payment of interest. The maximum period for repayment is ~~((ten))~~ 10 years. The office shall determine the applicability of this subsection. The interest rate shall be determined by the office and be established by rule.

(7) The office is responsible for the collection of payments made on behalf of participants from the participants who discontinue service before completion of the required service obligation. The office shall exercise due diligence in such collection, maintaining all necessary records to ensure that the maximum amount of payment made on behalf of the participant is recovered. Collection under this section shall be pursued using the full extent of the law, including wage garnishment if necessary.

(8) The office shall not be held responsible for any outstanding payments on principal and interest to any lenders once a participant's eligibility expires.

(9) The office shall temporarily or, in special circumstances, permanently defer the requirements of this section for eligible students as defined in RCW 28B.10.017.

(10) The office shall establish an appeal process by rule.

Sec. 9. RCW 28B.115.130 and 2022 c 276 s 8 are each amended to read as follows:

(1) Any funds appropriated by the legislature for the health professional loan repayment and scholarship program (~~(and)~~), the nurse educator loan repayment program, the forensic pathology loan repayment program, or any other public or private funds intended for loan repayments or scholarships under these programs shall be placed in the account created by this section.

(2) The health professional loan repayment and scholarship program fund is created in custody of the state treasurer. All receipts from the program shall be deposited into the fund. Only the office, or its designee, may authorize expenditures from the fund. The fund is subject to allotment procedures under chapter 43.88 RCW, but no appropriation is required for expenditures.

NEW SECTION. Sec. 10. (1) The department of health shall contract with the Washington association of coroners and medical examiners to: Conduct a study of the critical shortage of board-certified forensic pathologists and recommend to the legislature what steps the state can take to foster a robust forensic pathology community. The study must cover issues related to Conrad 30 J-1 visa waivers and measures to encourage enrollment in the University of Washington and Washington State University forensic pathology residency programs. This study must also include recommendations on how to create two new forensic pathology fellow slots, one in conjunction with the University of Washington and one in conjunction with Washington State University. The Washington association of coroners and medical examiners shall directly report its findings and recommendations to the governor and the appropriate committees of the legislature by October 1, 2024.

(2) This section expires August 1, 2025.

(b) When the county bears the cost of an autopsy of a child under the age of three whose death was sudden and unexplained, the county shall be reimbursed for the expenses of the autopsy when the death scene investigation and the autopsy have been conducted under RCW 43.103.100 (4) and (5), and the autopsy has been done at a facility designed for the performance of autopsies.

(3) Payments from the account shall be made pursuant to biennial appropriation: PROVIDED, That no county may reduce funds appropriated for this purpose below 1983 budgeted levels.

(4) Where the county coroner's office or county medical examiner's office is not accredited pursuant to RCW 36.24.210, or a coroner, medical examiner, or other medicolegal investigative employee is not certified as required by RCW 36.24.205 and 43.101.480, the state treasurer's office shall

withhold 25 percent of autopsy reimbursement funds until accreditation under RCW 36.24.210 or compliance with RCW 36.24.205 and 43.101.480 is achieved."

MESSAGE FROM THE HOUSE

April 7, 2023

MR. PRESIDENT:

The House passed ENGROSSED SUBSTITUTED SENATE BILL NO. 5528 with the following amendment(s): 5528-S.E AMH LAWS H1810.1

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. (1) An owner, contractor, or subcontractor may withhold as retainage an amount equal to not more than five percent of the contract price of the work completed for private construction projects. Partial payment allowed under this subsection is not acceptance or approval of some of the work or a waiver of defects in the work.

(2) The owner, contractor, or subcontractor shall pay interest at the rate of one percent per month on the final payment due the contractor or subcontractor. The interest shall commence 30 days after the contractor or subcontractor has completed and the owner

has accepted the work under the contract for construction for which the final payment is due. The interest shall run until the date when final payment is tendered to the contractor or subcontractor.

(3) When the contractor or subcontractor considers the work that the contractor or subcontractor is contracted to perform to be complete, the contractor or subcontractor shall notify the party to whom the contractor or subcontractor is responsible for performing the construction work under the contract.

(4) The party shall, within 15 days after receiving the notice, either accept the work or notify the contractor or subcontractor of work yet to be performed under the contract or subcontract. If the party does not accept the work or does not notify the contractor or subcontractor of work yet to be performed within the time allowed, the interest required under this subsection shall commence 30 days after the end of the 15-day period. A contractor may provide notice under this subsection to an owner or upper-tier contractor for release of retainage due to a subcontractor whose work is complete. If an owner or upper-tier contractor does not accept the subcontractor's work or does not notify the contractor of work yet to be performed by the subcontractor within 15 days after receiving the notice, the interest required under this section shall commence 30 days after the end of the 15-day period. A contractor's obligation to pay interest to a subcontractor under this section does not begin until the contractor has received payment for the subcontractor's retainage provided that the contractor has submitted the subcontractor's retainage request to the owner or upper-tier contractor within 30 days after receipt from the subcontractor.

(5) This section does not apply to single-family residential construction less than 12 units.

NEW SECTION. Sec. 2. (1) In lieu of retainage, a subcontractor or contractor may tender, and a contractor or owner must accept, a retainage bond in an amount not to exceed five percent of the moneys earned by the subcontractor or contractor.

(2) A subcontractor or contractor must provide a good and sufficient bond from an authorized surety company, conditioned that such person or persons must:

- (a) Faithfully perform all the provisions of such contract;
- (b) Pay all laborers, mechanics, and subcontractors and material suppliers, and all persons who supply such person or persons, or subcontractors, with provisions and supplies for the carrying on of such work; and
- (c) Pay the taxes, increases, and penalties incurred on the project.

(3) The contractor or owner may require that the authorized surety have a minimum A.M. Best financial strength rating so long as that minimum rating does not exceed A-. The contractor may withhold the subcontractor's portion of the bond premium, to the extent the contractor provides a retainage bond to obtain a release of the subcontractor's retainage.

(4) The contractor or owner must accept a bond meeting the requirements of this section. The subcontractor or contractor's bond and any proceeds therefrom are subject to all claims and liens and in the same manner and priority as set forth for retained percentages in the contract and other applicable provisions.

(5) Whenever an owner accepts a bond in lieu of retained funds from a contractor, the contractor must accept like bonds from any subcontractors or suppliers from which the contractor has retained funds. The contractor must then release the funds retained from the subcontractor or supplier to the subcontractor or supplier within 30 days of accepting the bond from the subcontractor or supplier.

(6) This section does not apply to single-family residential construction less than 12 units.

NEW SECTION. Sec. 3. Sections 1 and 2 of this act only apply to private construction projects and do not apply to public improvement contracts, as defined in RCW 60.28.011.

MESSAGE FROM THE HOUSE

April 10, 2023

MR. PRESIDENT:

The House passed SECOND SUBSTITUTE SENATE BILL NO. 5532 with the following amendment(s): 5532-S2 AMH APP H1884.1

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The legislature finds that promoting a financially viable health care system in all parts of the state is a critical interest. The federal centers for medicare and medicaid services has recognized the crucial role hospitals play in providing care in rural areas by creating the sole community hospital program, which allows certain small rural hospitals to receive enhanced payments for medicare services. The state of Washington has created a similar program based on the federal

ONE HUNDREDTH DAY, APRIL 18, 2023

criteria. The legislature further finds that some small, rural, low volume hospitals provide vital services to the communities they serve, but are not eligible for the federal or state programs. The legislature therefore finds that creating a similar reimbursement system for the state's medicaid program for small, rural, low volume hospitals will promote the long-term financial viability of the rural health care system in those communities.

Sec. 2. RCW 74.09.5225 and 2017 c 198 s 1 are each amended to read as follows:

(1) Payments for recipients eligible for medical assistance programs under this chapter for services provided by hospitals, regardless of the beneficiary's managed care enrollment status, shall be made based on allowable costs incurred during the year, when services are provided by a rural hospital certified by the centers for medicare and medicaid services as a critical access hospital, unless the critical access hospital is participating in the Washington rural health access preservation pilot described in subsection (2)(b) of this section. Any additional payments made by the authority for the healthy options program shall be no more than the additional amounts per service paid under this section for other medical assistance programs.

(2)(a) Beginning on July 24, 2005, except as provided in (b) of this subsection, a moratorium shall be placed on additional hospital participation in critical access hospital payments under this section. However, rural hospitals that applied for certification to the centers for medicare and medicaid services prior to January 1, 2005, but have not yet completed the process or have not yet been approved for certification, remain eligible for medical assistance payments under this section.

(b)(i) The purpose of the Washington rural health access preservation pilot is to develop an alternative service and payment system to the critical access hospital authorized under section 1820 of the social security act to sustain essential services in rural communities.

(ii) For the purposes of state law, any rural hospital approved by the department of health for participation in critical access hospital payments under this section that participates in the Washington rural health access preservation pilot identified by the state office of rural health and ceases to participate in critical access hospital payments may renew participation in critical access hospital associated payment methodologies under this section at any time.

(iii) The Washington rural health access preservation pilot is subject to the following requirements:

(A) In the pilot formation or development, the department of health, health care authority, and Washington state hospital association will identify goals for the pilot project before any hospital joins the pilot project;

(B) Participation in the pilot is optional and no hospital may be required to join the pilot;

(C) Before a hospital enters the pilot program, the health care authority must provide information to the hospital regarding how the hospital could end its participation in the pilot if the pilot is not working in its community;

(D) Payments for services delivered by public health care service districts participating in the Washington rural health access preservation pilot to recipients eligible for medical assistance programs under this chapter must be based on an alternative, value-based payment methodology established by the authority. Subject to the availability of amounts appropriated for this specific purpose, the payment methodology must provide sufficient funding to sustain essential services in the areas served, including but not limited to emergency and primary care services. The methodology must adjust payment amounts based on measures of quality and value, rather than volume. As part of the

pilot, the health care authority shall encourage additional payers to use the adopted payment methodology for services delivered by the pilot participants to individuals insured by those payers;

(E) The department of health, health care authority, and Washington state hospital association will report interim progress to the legislature no later than December 1, 2018, and will report on the results of the pilot no later than six months following the conclusion of the pilot. The reports will describe any policy changes identified during the course of the pilot that would support small critical access hospitals; and

(F) Funds appropriated for the Washington rural health access preservation pilot will be used to help participating hospitals transition to a new payment methodology and will not extend beyond the anticipated three-year pilot period.

(3)(a) Beginning January 1, 2015, payments for recipients eligible for medical assistance programs under this chapter for services provided by a hospital, regardless of the beneficiary's managed care enrollment status, shall be increased to one hundred twenty-five percent of the hospital's fee-for-service rates, when services are provided by a rural hospital that:

(i) Was certified by the centers for medicare and medicaid services as a sole community hospital as of January 1, 2013;

(ii) Had a level III adult trauma service designation from the department of health as of January 1, 2014;

(iii) Had less than one hundred fifty acute care licensed beds in fiscal year 2011; and

(iv) Is owned and operated by the state or a political subdivision.

(b) The enhanced payment rates under this subsection shall be considered the hospital's medicaid payment rate for purposes of any other state or private programs that pay hospitals according to medicaid payment rates.

(c) Hospitals participating in the certified public expenditures program may not receive the increased reimbursement rates provided in this subsection (3) for inpatient services.

(4) Beginning July 1, 2024, through December 31, 2028, payments for recipients eligible for medical assistance programs under this chapter for acute care services provided by a hospital, regardless of the beneficiary's managed care enrollment status, shall be increased to 120 percent of the hospital's fee-for-service rate for inpatient services and 200 percent of the hospital's fee-for-service rate for outpatient services, when services are provided by a hospital that:

(a) Is not currently designated as a critical access hospital, and does not meet current federal eligibility requirements for designation as a critical access hospital;

(b) Has medicaid inpatient days greater than 50 percent of all hospital inpatient days as reported on the hospital's most recently filed medicare cost report with the state; and

(c) Is located on the land of a federally recognized Indian tribe.

NEW SECTION. Sec. 3. This act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and takes effect July 1, 2023.

NEW SECTION. Sec. 4. (1) This act expires on the date that the federal centers for medicare and medicaid services approves the hospital safety net program as required by RCW 74.60.150(1)(a), including section 4(3)(e), chapter . . . (Substitute House Bill No. 1850 (hospital safety net assessment)), Laws of 2023.

(2) The health care authority must provide written notice of the expiration date of this act to affected parties, the chief clerk of the house of representatives, the secretary of the senate, the office of the code reviser, and others as deemed appropriate by the authority.

NEW SECTION. Sec. 5. If specific funding for the purposes of this act, referencing this act by bill or chapter number, is not provided by June 30, 2023, in the omnibus appropriations act, this act is null and void."

Correct the title.

SECOND SUBSTITUTE SENATE BILL NO. 5532, as amended by the House, having received the constitutional majority, was declared passed. There being no objection, the title of the bill was ordered to stand as the title of the act.

MESSAGE FROM THE HOUSE

April 12, 2023

MR. PRESIDENT:

The House passed SECOND SUBSTITUTE SENATE BILL NO. 5555 with the following amendment(s): 5555-S2 AMH APP H1886.2

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. (1) The legislature finds that peers play a critical role along the behavioral health continuum of care, from outreach to treatment to recovery support. Peers deal in the currency of hope and motivation and are incredibly adept at supporting people with behavioral health challenges on their recovery journeys. Peers represent the only segment of the behavioral health workforce where there is not a shortage, but a surplus of willing workers. Peers, however, are presently limited to serving only medicaid recipients and working only in

community behavioral health agencies. As a result, youth and adults with commercial insurance have no access to peer services. Furthermore, peers who work in other settings, such as emergency departments and behavioral health urgent care, cannot bill insurance for their services.

(2) Therefore, it is the intent of the legislature to address the behavioral health workforce crisis, expand access to peer services, eliminate financial barriers to professional licensing, and honor the contributions of the peer profession by creating the profession of certified peer specialists.

NEW SECTION. Sec. 2. The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

(1) "Advisory committee" means the Washington state certified peer specialist advisory committee established under section 4 of this act.

(2) "Approved supervisor" means:

(a) Until July 1, 2028, a behavioral health provider, as defined in RCW 71.24.025 with at least two years of experience working in a behavioral health practice that employs peer specialists as part of treatment teams; or

(b) A certified peer specialist who has completed:

(i) At least 1,500 hours of work as a fully certified peer specialist engaged in the practice of peer support services, with at least 500 hours attained through the joint supervision of peers in conjunction with another approved supervisor; and

(ii) The training developed by the health care authority under section 13 of this act.

(3) "Certified peer specialist" means a person certified under this chapter to engage in the practice of peer support services.

(4) "Certified peer specialist trainee" means an individual working toward the supervised experience and written examination requirements to become a certified peer specialist under this chapter.

(5) "Department" means the department of health.

(6) "Practice of peer support services" means the provision of interventions by either a person in recovery from a mental health condition or substance use disorder, or both, or the parent or legal guardian of a youth who is receiving or has received behavioral health services. (xvi) The board of denturists established in chapter 18.30 RCW.

(3) In addition to the authority to discipline license holders, the disciplining authority has the authority to grant or deny licenses. The disciplining authority may also grant a license subject to conditions.

(4) All disciplining authorities shall adopt procedures to ensure substantially consistent application of this chapter, the uniform disciplinary act, among the disciplining authorities listed in subsection (2) of this section.

Sec. 19. RCW 18.130.175 and 2022 c 43 s 10 are each amended to read as follows:

(1) In lieu of disciplinary action under RCW 18.130.160 and if the disciplining authority determines that the unprofessional conduct may be the result of an applicable impairing or potentially impairing health condition, the disciplining authority may refer the license holder to a physician health program or a voluntary substance use disorder monitoring program approved by the disciplining authority.

The cost of evaluation and treatment shall be the responsibility of the license holder, but the responsibility does not preclude payment by an employer, existing insurance coverage, or other sources. Evaluation and treatment shall be provided by providers approved by the entity or the commission. The disciplining authority may also approve the use of out-of-state programs. Referral of the license holder to the physician health program or voluntary substance use disorder monitoring program shall be done only with the consent of the license holder. Referral to the physician health program or voluntary substance use disorder monitoring program may also include probationary conditions for a designated period of time. If the license holder does not consent to be referred to the program or does not successfully complete the program, the disciplining authority may take appropriate action under RCW 18.130.160 which includes suspension of the license unless or until the disciplining authority, in consultation with the director of the applicable program, determines the license holder is able to practice safely. The secretary shall adopt uniform rules for the evaluation by the disciplining authority of return to substance use or program violation on the part of a license holder in the program. The evaluation shall encourage program participation with additional conditions, in lieu of disciplinary action, when the disciplining authority determines that the license holder is able to continue to practice with reasonable skill and safety.

(2) In addition to approving the physician health program or the voluntary substance use disorder monitoring program that may receive referrals from the disciplining authority, the disciplining authority may establish by rule requirements for participation of license holders who are not being investigated or monitored by the disciplining authority. License holders voluntarily participating in the approved programs without being referred by the disciplining authority shall not be subject to disciplinary action under RCW 18.130.160 for their impairing or potentially impairing health condition, and shall not have their participation made known to the disciplining authority, if they meet the requirements of this section and the program in which they are participating.

(3) The license holder shall sign a waiver allowing the program to release information to the disciplining authority if the licensee does not comply with the requirements of this section or is unable to practice with reasonable skill or safety. The physician health program or voluntary substance use disorder program shall report

to the disciplining authority any license holder who fails to comply with the requirements of this section or the program or who, in the opinion of the program, is unable to practice with reasonable skill or safety. License holders shall report to the disciplining authority if they fail to comply with this section or do not complete the program's requirements. License holders may, upon the agreement of the program and disciplining authority, reenter the program if they have previously failed to comply with this section.

(4) Program records including, but not limited to, case notes, progress notes, laboratory reports, evaluation and treatment records, electronic and written correspondence within the program, and between the program and the participant or other involved entities including, but not limited to, employers, credentialing bodies, referents, or other collateral sources, relating to license holders referred to or voluntarily participating in approved programs are confidential and exempt from disclosure under chapter 42.56 RCW and shall not be subject to discovery by subpoena or admissible as evidence except:

(a) To defend any civil action by a license holder regarding the restriction or revocation of that individual's clinical or staff privileges, or termination of a license holder's employment. In such an action, the program will, upon subpoena issued by either party to the action, and upon the requesting party seeking a protective order for the requested disclosure, provide to both parties of the action written disclosure that includes the following information:

(i) Verification of a health care professional's participation in the physician health program or voluntary substance use disorder monitoring program as it relates to aspects of program involvement at issue in the civil action;

(ii) The dates of participation;

(iii) Whether or not the program identified an impairing or potentially impairing health condition;

(iv) Whether the health care professional was compliant with the requirements of the physician health program or voluntary substance use disorder monitoring program; and

(v) Whether the health care professional successfully completed the physician health program or voluntary substance use disorder monitoring program; and

(b) Records provided to the disciplining authority for cause as described in subsection (3) of this section. Program records relating to license holders mandated to the program, through order or by stipulation, by the disciplining authority or relating to license holders reported to the disciplining authority by the program for cause, must be released to the disciplining authority at the request of the disciplining authority. Records held by the disciplining authority under this section are exempt from chapter 42.56 RCW and are not subject to discovery by subpoena except by the license holder.

(5) This section does not affect an employer's right or ability to make employment-related decisions regarding a license holder. This section does not restrict the authority of the disciplining authority to take disciplinary action for any other unprofessional conduct.

(6) A person who, in good faith, reports information or takes action in connection with this section is immune from civil liability for reporting information or taking the action.

(a) The immunity from civil liability provided by this section shall be liberally construed to accomplish the purposes of this section, and applies to both license holders and students and trainees when students and trainees of the applicable professions are served by the program. The persons entitled to immunity shall include:

(b) The courts are strongly encouraged to impose sanctions on program participants and their attorneys whose allegations under this subsection are not made in good faith and are without either reasonable objective, substantive grounds, or both.

(c) The immunity provided in this section is in addition to any other immunity provided by law.

(7) In the case of a person who is applying to be a substance use disorder professional or substance use disorder professional trainee certified under chapter 18.205 RCW, an agency affiliated counselor registered under chapter 18.19 RCW, or a peer specialist or peer specialist trainee certified under chapter 18.--- RCW (the new chapter created in section 22 of this act), if the person is:

(a) Less than one year in recovery from a substance use disorder, the duration of time that the person may be required to participate in an approved substance use disorder monitoring program may not exceed the amount of time necessary for the person to achieve one year in recovery; or

(b) At least one year in recovery from a substance use disorder, the person may not be required to participate in the approved substance use disorder monitoring program.

~~(8) ((In the case of a person who is applying to be an agency affiliated counselor registered under chapter 18.19 RCW and practices or intends to practice as a peer counselor in an agency, as defined in RCW 18.19.020, if the person is:~~

~~(a) Less than one year in recovery from a substance use disorder, the duration of time that the person may be required to participate in the approved substance use disorder monitoring program may not exceed the amount of time necessary for the person to achieve one year in recovery; or~~

~~(b) At least one year in recovery from a substance use disorder, the person may not be required to participate in the approved substance use disorder monitoring program))~~ The provisions of subsection (7) of this section apply to any person employed as a peer specialist as of July 1, 2025, participating in a program under this section as of July 1, 2025, and applying to become a certified peer specialist under section 7 of this act, regardless of when the person's participation in a program began. Sec. 20. RCW 43.43.842 and 2021 c 215 s 150 are each amended to read as follows:

(1)(a) The secretary of social and health services and the secretary of health shall adopt additional requirements for the licensure or relicensure of agencies, facilities, and licensed individuals who provide care and treatment to vulnerable adults, including nursing pools registered under chapter 18.52C RCW. These additional requirements shall ensure that any person associated with a licensed agency or facility having unsupervised access with a vulnerable adult shall not be the respondent in an active vulnerable adult protection order under chapter 7.105 RCW, nor have been: (i) Convicted of a crime against children or other persons as defined in RCW 43.43.830, except as provided in this section; (ii) convicted of crimes relating to financial exploitation as defined in RCW 43.43.830, except as provided in

(g) The otherwise disqualifying conviction or disposition has been the subject of a pardon, annulment, or other equivalent procedure.

The offenses set forth in (a) through (g) of this subsection do not automatically disqualify an applicant from employment by a licensee. Nothing in this section may be construed to require the employment of any person against a licensee's judgment.

(3) The rules adopted pursuant to subsection (2) of this section may not allow a licensee to automatically deny an applicant with a conviction for an offense set forth in subsection (2) of this section for a position as a substance use disorder professional or substance use disorder professional trainee certified under chapter 18.205 RCW, as an agency affiliated counselor registered under chapter 18.19 RCW practicing as a peer counselor in an agency or facility, or as a peer specialist or peer specialist trainee certified under chapter 18.--- RCW (the new chapter created in section 22 of this act), if:

MR. PRESIDENT:

ONE HUNDREDTH DAY, APRIL 18, 2023

The House passed SUBSTITUTE SENATE BILL NO. 5565 with the following amendment(s): 5565-S AMH FIN H1675.1

Strike everything after the enacting clause and insert the following:

"Sec. 1. RCW 19.150.060 and 2016 sp.s. c 6 s 1 are each amended to read as follows:

(1) If a notice has been sent, as required by RCW 19.150.040, and the total sum due has not been paid as of the date specified in the preliminary lien notice, the lien proposed by this notice attaches as of that date and the owner may deny an occupant access to the space, enter the space, inventory the goods therein, and remove any property found therein to a place of safe keeping. The owner must provide the occupant a notice of final lien sale or final notice of disposition by personal service, verified mail, or email to the occupant's last known address and alternative address or email address. If the owner sends notice required under this section to the occupant's last known email address and does not receive a reply or receipt of delivery, the owner must send a second notice to the occupant's last known postal address by verified mail. The notice required under this section must state all of the following:

(a) That the occupant's right to use the storage space has terminated and that the occupant no longer has access to the stored property.

(b) That the stored property is subject to a lien, and the amount of the lien accrued and to accrue prior to the date required to be specified in (c) of this subsection.

(c) That all the property, other than personal papers and personal photographs, may be sold to satisfy the lien after a specified date which is not less than ~~((fourteen))~~ 14 days from the last date of sending of the final lien sale notice, or a minimum of ~~((forty-two))~~ 42 days after the date when any part of the rent or other charges due from the occupants remain unpaid, whichever is later, unless the amount of the lien is paid. The owner is not required to sell the personal property within a maximum number of days of when the rent or other charges first became due. If the total value of property in the storage space is less than three hundred dollars, the owner may, instead of sale, dispose of the property in any reasonable manner, subject to the restrictions of RCW 19.150.080(4). After the sale or other disposition pursuant to this section has been completed, the owner shall provide an accounting of the disposition of the proceeds of the sale or other disposition to the occupant at the occupant's last known address and at the alternative address.

(d) That any stored vehicles, watercraft, trailers, recreational vehicles, or campers may be towed or removed from the self-service storage facility in lieu of sale pursuant to RCW 19.150.160.

(e) That any excess proceeds of the sale or other disposition under RCW 19.150.080(2) over the lien amount and reasonable costs of sale will be retained by the owner and may be reclaimed by the occupant, or claimed by another person, at any time for a period of six months from the sale and that thereafter the proceeds will be turned over to the state as abandoned property as provided in chapter 63.30 RCW ((63.29.165)).

(f) That any personal papers and personal photographs will be retained by the owner and may be reclaimed by the occupant at any time for a period of six months from the sale or other disposition of property and that thereafter the owner may dispose of the personal papers and photographs in a reasonable manner, subject to the restrictions of RCW 19.150.080(3).

(g) That the occupant has no right to repurchase any property sold at the lien sale.

(2) The owner may not send by email the notice required under this section to the occupant's last known address or alternative address unless:

(a) The occupant expressly agrees to notice by email;

(b) The rental agreement executed by the occupant specifies in bold type that notices will be given to the occupant by email;

(c) The owner provides the occupant with the email address from which notices will be sent and directs the occupant to modify his or her email settings to allow email from that address to avoid any filtration systems; and

(d) The owner notifies the occupant of any change in the email address from which notices will be sent prior to the address change.

Sec. 2. RCW 19.150.080 and 2007 c 113 s 5 are each amended to read as follows:

(1) After the expiration of the time given in the final notice of lien sale pursuant to RCW 19.150.060, the property, other than personal papers and personal photographs, may be sold or disposed of in a reasonable manner as provided in this section.

(2)(a) If the property has a value of ~~((three hundred dollars))~~ \$300 or more, the sale shall be conducted in a commercially reasonable manner, and, after applying the proceeds to costs of the sale and then to the amount of the lien, the owner shall retain any excess proceeds of the sale on the occupant's behalf. The occupant, or any other person having a court order or other judicial process against the property, may claim the excess proceeds, or a portion thereof sufficient to satisfy the particular claim, at any time within six months of the date of sale.

(b) If the property has a value of less than ~~((three hundred dollars))~~ \$300, the property may be disposed of in a reasonable manner.

(3) Personal papers and personal photographs that are not reclaimed by the occupant within six months of a sale under subsection (2)(a) of this section or other disposition under subsection (2)(b) of this section may be disposed of in a reasonable manner.

(4) No employee or owner, or family member of an employee or owner, may acquire, directly or indirectly, the property sold pursuant to subsection (2)(a) of this section or disposed of pursuant to subsection (2)(b) of this section, or personal papers and personal photographs disposed of under subsection (3) of this section.

(5) The owner is entitled to retain any interest earned on the excess proceeds until the excess proceeds are claimed by another person or are turned over to the state as abandoned property pursuant to chapter 63.30 RCW ((63.29.165)).

Sec. 3. RCW 19.240.080 and 2004 c 168 s 9 are each amended to read as follows:

An issuer is not required to honor a gift certificate presumed abandoned under chapter 63.30 RCW ((63.29.110,)) if it is reported((;)) and delivered to the department of revenue in the dissolution of a business association.

(b) If a city subject to (a) of this subsection (2) imposes a new general business license requirement after July 1, 2017, the department, in its sole discretion, may adjust resources to partner with the imposing city as of the date that the new general business licensing requirement takes effect. If the department cannot reallocate resources, the city may issue and renew its general business license until the department is able to partner with the city.

(3) The department may delay assuming the duties of issuing and renewing general business licenses beyond the dates provided in subsection (1)(a) of this section if:

(a) Insufficient funds are appropriated for this specific purpose;

(5) When determining the plan to partner with cities for the issuance and renewal of general business licenses as required in subsection (4) of this section, cities that notified the department of their wish to partner with the department before January 1, 2017, must be allowed to partner before other cities.

(6) A city that partners with the department for the issuance and renewal of general business licenses through the business licensing service in accordance with chapter 19.02 RCW may not issue and renew those licenses.

(7)(a) Except as provided in (b) of this subsection, a city may decline to partner with the department for the issuance and renewal of a general business license as provided in subsection (1) of this section if the city participates in the online local business license and tax filing portal known as "FileLocal" as of July 1, 2020.

(c) For the purposes of this subsection (7), a city is considered to be a FileLocal participant as of the date that a business may access FileLocal for purposes of applying for or renewing that city's general business license and reporting and paying that city's local business and occupation taxes. A city that ceases participation in FileLocal after July 1, 2020, or July 1, 2021, in the case of a city eligible for the extension under (b) of this subsection, must partner with the department for the issuance and renewal of its general business license as provided in subsection (1) of this section.

ONE HUNDREDTH DAY, APRIL 18, 2023

dispose of the property as provided under subsection (3) of this section. The landlord must store the property if the tenant serves a written request to do so on the landlord or the landlord's representative by any of the methods described in RCW 59.18.365 no later than three days after service of the writ. A landlord may elect to store the property without such a request unless the tenant or the tenant's representative objects to the storage of the property. If the tenant or the tenant's representative objects to the storage of the property or the landlord elects not to store the property because the tenant has not served a written request on the landlord to do so, the property shall be deposited upon the nearest public property and may not be stored by the landlord. If the landlord knows that the tenant is a person with a disability as defined in RCW 49.60.040 (as amended by chapter 317, Laws of 2007) and the disability impairs or prevents the tenant or the tenant's representative from making a written request for storage, it must be presumed that the tenant has requested the storage of the property as provided in this section unless the tenant objects in writing.

(2) Property stored under this section shall be returned to the tenant after the tenant has paid the actual or reasonable drayage and storage costs, whichever is less, or until it is sold or disposed of by the landlord in accordance with subsection (3) of this section.

(3) Prior to the sale of property stored pursuant to this section with a cumulative value of over ~~((two hundred fifty dollars))~~ \$250, the landlord shall notify the tenant of the pending sale. After ~~((thirty))~~ 30 days from the date the notice of the sale is mailed or personally delivered to the tenant's last known address, the landlord may sell the property, including personal papers, family pictures, and keepsakes, and dispose of any property not sold.

If the property that is being stored has a cumulative value of ~~((two hundred fifty dollars))~~ \$250 or less, then the landlord may sell or dispose of the property in the manner provided in this section, except for personal papers, family pictures, and keepsakes. Prior to the sale or disposal of property stored pursuant to this section with a cumulative value of ~~((two hundred fifty dollars))~~ \$250 or less, the landlord shall notify the tenant of the pending sale or disposal. The notice shall either be mailed to the tenant's last known address or personally delivered to the tenant. After seven days from the date the notice is mailed or delivered to the tenant, the landlord may sell or dispose of the property.

The landlord may apply any income derived from the sale of the tenant's property against moneys due the landlord for drayage and storage of the property. The amount of sale proceeds that the landlord may apply towards such costs may not exceed the actual or reasonable costs for drayage and storage of the property, whichever is less. Any excess income derived from the sale of such property shall be held by the landlord for the benefit of the tenant for a period of one year from the date of the sale. If no claim is made or action commenced by the tenant for the recovery of the excess income prior to the expiration of that period of time, then the balance shall be treated as abandoned property and deposited by the landlord with the department of revenue pursuant to chapter ~~((63.29))~~ 63.30 RCW.

(4) Nothing in this section shall be construed as creating a right of distress for rent.

(5) When serving a tenant with a writ of restitution pursuant to RCW 59.12.100 and 59.18.410, the sheriff shall provide written notice to the tenant that: (a) Upon execution of the writ, the landlord must store the tenant's property only if the tenant serves a written request on the landlord to do so no later than three days after service of the writ; (b) the notice to the landlord requesting

storage may be served by personally delivering or mailing a copy of the request to the landlord at the address identified in, or by facsimile to the facsimile number listed on, the form described under subsection (6) of this section; (c) if the tenant has not made such a written request to the landlord, the landlord may elect to either store the tenant's property or place the tenant's property on the nearest public property unless the tenant objects; (d) if the property is stored, it may not be returned to the tenant unless the tenant pays the actual or reasonable costs of drayage and storage, whichever is less, within ~~((thirty))~~ 30 days; (e) if the tenant or the tenant's representative objects to storage of the property, it will not be stored but will be placed on the nearest public property; and (f) the landlord may sell or otherwise dispose of the property as provided in subsection (3) of this section if the landlord provides written notice to the tenant first.

(6) When serving a tenant with a writ of restitution under subsection (5) of this section, the sheriff shall also serve the tenant with a form provided by the landlord that can be used to request the landlord to store the tenant's property, which must be substantially in the following form:

(1) Subject to the limitations in this section, a credit is allowed against the tax imposed under this chapter for contributions made by a person to a Washington motion picture competitiveness program.

Credits earned under this section may be claimed against taxes due for the calendar year in which the contribution is made. The amount of credit claimed for a reporting period may not exceed the tax otherwise due under this chapter for that reporting period. No person may claim more than \$1,000,000 of credit in any calendar year, including credit carried over from a previous calendar year. No refunds may be granted for any unused credits.

(3) The maximum credit that may be earned for each calendar year under this section for a person is limited to the lesser of \$1,000,000 or an amount equal to ~~((one hundred))~~ 100 percent of the contributions made by the person to a program during the calendar year.

(4) Except as provided under subsection (5) of this section, a tax credit claimed under this section may not be carried over to another year.

(5) Any amount of tax credit otherwise allowable under this section not claimed by the person in any calendar year may be carried over and claimed against the person's tax liability for the next succeeding calendar year. Any credit remaining unused in the next succeeding calendar year may be carried forward and claimed against the person's tax liability for the second succeeding calendar year; and any credit not used in that second succeeding calendar year may be carried over and claimed against the person's tax liability for the third succeeding calendar year, but may not be carried over for any calendar year thereafter.

(6) Credits are available on a first-in-time basis. The department must disallow any credits, or portion thereof, that would cause the total amount of credits claimed under this section during any calendar year to exceed \$15,000,000. If this limitation is reached, the department must notify all Washington motion picture competitiveness programs that the annual statewide limit has been met. In addition, the department must provide written notice to any person who has claimed tax credits in excess of the limitation in this subsection. The notice must indicate the amount of tax due and provide that the tax be paid within ~~((thirty))~~ 30

days from the date of the notice. The department may not assess penalties and interest as provided in chapter 82.32 RCW on the amount due in the initial notice if the amount due is paid by the due date specified in the notice, or any extension thereof.

(7) To claim a credit under this section, a person must electronically file with the department all returns, forms, and any other information required by the department, in an electronic format as provided or approved by the department. Any return, form, or information required to be filed in an electronic format under this section is not filed until received by the department in an electronic format. As used in this subsection, "returns" has the same meaning as "return" in RCW 82.32.050.

(8) No application is necessary for the tax credit. The person must keep records necessary for the department to verify eligibility under this section.

(4) The working families' tax credit shall be administered as provided in this subsection.

(a) The refund paid under this section will be paid to eligible filers who apply pursuant to this subsection.

The application must include any information and documentation as required by the department.

(ii) Application for the refund under this section must be made in the year following the year for which the federal tax return was filed, but in no case may any refund be provided for any period before January 1, 2022. The department must use the eligible person's most recent federal tax filing for the tax year for which the refund is being claimed to calculate the refund.

(iii) A person may not claim a credit on behalf of a deceased individual. No individual may claim a credit under this section for any year in a disallowance period under Title 26 U.S.C. Sec. 32(k)(1) of the internal revenue code or for any year for which the individual is ineligible to claim the credit in Title 26 U.S.C. Sec. 32 of the internal revenue code by reason of Title 26 U.S.C. Sec. 32(k)(2) of the internal revenue code.

(b) The department shall protect the privacy and confidentiality of personal data of refund recipients in accordance with chapter 82.32 RCW.

(8) If, upon review of internal revenue service data or other information obtained by the department, it appears that an individual received a refund that the individual was not entitled to, or received a larger refund than the individual was entitled to, the department may assess against the individual the overpaid amount. The department may also assess such overpaid amount against the individual's spouse if the refund in question was based on both spouses filing a joint federal income tax return for the year for which the refund was claimed.

(a) Interest as provided under RCW 82.32.050 applies to assessments authorized under this subsection (8) starting six months after the date the department issued the assessment until the amount due under this subsection (8) is paid in full to the department. Except as otherwise provided in this subsection, penalties may not be assessed on amounts due under this subsection.

(b) If an amount due under this subsection is not paid in full by the date due, or the department issues a warrant for the collection of amounts due under this subsection, the department may assess the applicable penalties under RCW 82.32.090. Penalties under

this subsection (8)(b) may not be made due until six months after the department's issuance of the assessment.

This penalty is in addition to any other applicable penalties assessed in accordance with (b) of this subsection (8).

(2) It is further the intent of this chapter that the local sales and use tax shall be imposed upon an individual taxable event simultaneously with the imposition of the state sales or use tax upon the same taxable event. The rule making powers of the state department of revenue contained in RCW 82.08.060 and 82.32.300 shall be applicable to this chapter. The department shall, as soon as practicable, and with the assistance of the appropriate associations of county prosecutors and city attorneys, draft a model resolution and ordinance.

(3) Except as otherwise provided by law, all state sales and use tax exemptions, credits, and deductions apply in an identical manner to local sales and use taxes adopted pursuant to this chapter or other provision of law.

(1) Except as otherwise provided in this chapter and subsection (6) of this section, payments of the taxes imposed under chapters 82.04, 82.08, 82.12, 82.14, ~~((and))~~ 82.16, and 82.27 RCW, along with reports and returns on forms prescribed by the department, are due monthly within ~~((twenty-five))~~ 25 days after the end of the month in which the taxable activities occur.

(2) The department of revenue may relieve any taxpayer or class of taxpayers from the obligation of remitting monthly and may require the return to cover other longer reporting periods, but in no event may returns be filed for a period greater than one year. Except as provided in subsection (3) of this section, for these taxpayers, tax payments are due on or before the last day of the month next succeeding the end of the period covered by the return.

(3) For annual filers, tax payments, along with reports and returns on forms prescribed by the department, are due on or before April 15th of the year immediately following the end of the period covered by the return.

(4) The department of revenue may also require verified annual returns from any taxpayer, setting forth such additional information as it may deem necessary to correctly determine tax liability.

(5) Notwithstanding subsections (1) and (2) of this section, the department may relieve any person of the requirement to file returns if the following conditions are met:

(a) The person's value of products, gross proceeds of sales, or gross income of the business, from all business activities taxable under chapter 82.04 RCW, is less than \$125,000 per year;

(b) The person's gross income of the business from all activities taxable under chapter 82.16 RCW is less than ~~((twenty four thousand dollars))~~ \$24,000 per year; and

(c) The person is not required to collect or pay to the department of revenue any other tax or fee which the department is authorized to collect.

(6)(a) Taxes imposed under chapter 82.08 or 82.12 RCW on taxable events that occur beginning January 1, 2019, through June 30, 2019, and payable by a consumer directly to the department are due, on returns prescribed by the department, by July 25, 2019.

(b) This subsection (6) does not apply to the reporting and payment of taxes imposed under chapters 82.08 and 82.12 RCW:

(i) On the retail sale or use of motor vehicles, vessels, or aircraft; or

(ii) By consumers who are engaged in business, unless the department has relieved the consumer of the requirement to file returns pursuant to subsection (5) of this section.

Sec. 13. RCW 82.32.105 and 2017 c 323 s 106 are each amended to read as follows:

(1) If the department finds that the payment by a taxpayer of a tax less than that properly due or the failure of a taxpayer to pay any tax by the due date was the result of circumstances beyond the control of the taxpayer, the department must waive or cancel any penalties imposed under this chapter with respect to such tax.

(2) The department must waive or cancel the penalty imposed under RCW 82.32.090(1) when the circumstances under which the delinquency occurred do not qualify for waiver or cancellation under subsection (1) of this section if:

(a) The taxpayer requests the waiver for a tax return required to be filed under RCW 54.28.040, 82.32.045, 82.14B.061, 82.23B.020, ~~((82.27.060,))~~ 82.29A.050, or 84.33.086; and

(b) The taxpayer has timely filed and remitted payment on all tax returns due for that tax program for a period of ~~((twenty four))~~ 24 months immediately preceding the period covered by the return for which the waiver is being requested.

(3) The department must waive or cancel interest imposed under this chapter if:

(a) The failure to timely pay the tax was the direct result of written instructions given the taxpayer by the department; or

(b) The extension of a due date for payment of an assessment of deficiency was not at the request of the taxpayer and was for the sole convenience of the department.

(4) The department must adopt rules for the waiver or cancellation of penalties and interest imposed by this chapter.

Sec. 14. RCW 82.60.020 and 2010 1st sp.s. c 16 s 2 are each amended to read as follows:

Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

(1) "Applicant" means a person applying for a tax deferral under this chapter.

(2) "Department" means the department of revenue.

(3) "Eligible area" means:

(a) Through June 30, 2010, a rural county as defined in RCW 82.14.370; and

(b) Beginning July 1, 2010, a qualifying county.

(4)(a) "Eligible investment project" means an investment project that is located, as of the date the deferral application ~~((required by RCW 82.60.030))~~ is received by the department, in an eligible area as defined in subsection (3) of this section.

(b) "Eligible investment project" does not include any portion of an investment project undertaken by a light and power business

as defined in RCW 82.16.010(4), other than that portion of a cogeneration project that is used to generate power for consumption within the manufacturing site of which the cogeneration project is an integral part, or investment projects that have already received deferrals under this chapter.

(5)(a) "Initiation of construction" ~~((has the same meaning as in RCW 82.63.040))~~ means the date that a building permit is issued under the building code adopted under RCW 19.27.031 for:

(i) Construction of the qualified building, if the underlying ownership of the building vests exclusively with the person receiving the economic benefit of the deferral;

(ii) Construction of the qualified building, if the economic benefits of the deferral are passed to a lessee as provided in RCW 82.60.025; or

(iii) Tenant improvements for a qualified building, if the economic benefits of the deferral are passed to a lessee as provided in RCW 82.60.025.

(b) "Initiation of construction" does not include soil testing, site clearing and grading, site preparation, or any other related activities that are initiated before the issuance of a building permit for the construction of the foundation of the building.

(c) If the investment project is a phased project, "initiation of construction" applies separately to each phase.

(6) "Investment project" means an investment in qualified buildings or qualified machinery and equipment, including labor and services rendered in the planning, installation, and construction of the project.

(7) "Manufacturing" means the same as defined in RCW 82.04.120. "Manufacturing" also includes:

(a) Before July 1, 2010: (i) Computer programming, the production of computer software, and other computer-related services, but only when the computer programming, production of computer software, or other computer-related services are performed by a manufacturer as defined in RCW 82.04.110 and contribute to the production of a new, different, or useful substance or article of tangible personal property for sale; (ii) the activities performed by research and development laboratories and commercial testing laboratories; and (iii) the conditioning of vegetable seeds; and

(9) "Qualified buildings" means construction of new structures, and expansion or renovation of existing structures for the purpose of increasing floor space or production capacity used for manufacturing or research and development activities, including plant offices and warehouses or other facilities for the storage of raw material or finished goods if such facilities are an essential or an integral part of a factory, mill, plant, or laboratory used for manufacturing or research and development. If a building is used partly for manufacturing or research and development and partly for other purposes, the applicable tax deferral must be determined by apportionment of the costs of construction under rules adopted by the department.

(10) "Qualified employment position" means a permanent full-time employee employed in the eligible investment project during the entire tax year. The term "entire tax year" means a full-time position that is filled for a period of ~~((twelve))~~ 12 consecutive months. (12) "Qualifying county" means a county that has an unemployment rate, as determined by the employment security department, which is at least ~~((twenty))~~ 20 percent above the state average for the three calendar years immediately preceding the year in which the list of qualifying counties is established or updated, as the case may be, as provided in RCW 82.60.120.

(13) "Recipient" means a person receiving a tax deferral under this chapter.

(14) "Research and development" means the development, refinement, testing, marketing, and commercialization of a product, service, or process before commercial sales have begun, but only when such activities are intended to ultimately result in the production of a new, different, or useful substance or article of tangible personal property for sale. As used in this subsection, "commercial sales" excludes sales of prototypes or sales for market testing if the total gross receipts from such sales of the product, service, or process do not exceed ~~((one million dollars))~~ \$1,000,000.

Sec. 15. RCW 82.60.049 and 2010 1st sp.s. c 16 s 7 are each amended to read as follows:

(1) For the purposes of this section:

(a) "Eligible area" also means a designated community empowerment zone approved under RCW 43.31C.020.

(b) "Eligible investment project" also means an investment project in an eligible area as defined in this section.

(2) ~~((In addition to the provisions of RCW 82.60.040, the))~~ Until July 1, 2020, the department shall issue a sales and use tax deferral certificate for state and local sales and use taxes due under chapters 82.08, 82.12, and 82.14 RCW, on each eligible investment project that is located in an eligible area, if the applicant establishes that at the time the project is operationally complete:

(a) The applicant will hire at least one qualified employment position for each ~~((seven hundred fifty thousand dollars))~~ \$750,000 of investment for which a deferral is requested; and

(b) The positions will be filled by persons who at the time of hire are residents of the community empowerment zone. As used in this subsection, "resident" means the person makes his or her home in the community empowerment zone or the county in which the zone is located. A mailing address alone is insufficient to establish that a person is a resident for the purposes of this section. The persons must be hired after the date the application is filed with the department.

(3) All other provisions and eligibility requirements of this chapter apply to applicants eligible under this section.

(4) The qualified employment position must be filled by the end of the calendar year following the year in which the project is certified as operationally complete. If a person does not meet the requirements for qualified employment positions by the end of the second calendar year following the year in which the project is certified as operationally complete, all deferred taxes are immediately due.

Sec. 16. RCW 82.60.060 and 2010 1st sp.s. c 16 s 8 are each amended to read as follows:

(1) ~~((The))~~ In the event the eligible investment project ceases to meet the requirements of this chapter, the recipient must begin paying the deferred taxes in the third year after the date certified by the department as the date on which the investment project has

been operationally completed. The first payment ~~((will be))~~ is due on December 31st of the third calendar year after such certified date, with subsequent annual payments due on December 31st of the following four years with amounts of payment scheduled as follows:

Repayment Year	% of Deferred Tax Repaid
1	10%
2	15%
3	20%
4	25%
5	30%

(2) The department may authorize an accelerated repayment schedule upon request of the recipient.

(3) Interest may not be charged on any taxes deferred under this chapter for the period of deferral, although all other penalties and interest applicable to delinquent excise taxes may be assessed and imposed for delinquent payments under this chapter. The debt for deferred taxes ~~((will))~~ may not be extinguished by insolvency or other failure of the recipient. Transfer of ownership does not terminate the deferral. The deferral is transferred, subject to the successor meeting the eligibility requirements of this chapter, for the remaining periods of the deferral.

Sec. 17. RCW 82.60.070 and 2017 c 135 s 36 are each amended to read as follows:

(1)(a) Each recipient of a deferral of taxes granted under this chapter must file a complete annual tax performance report with the department under RCW 82.32.534. If the economic benefits of the deferral are passed to a lessee as provided in RCW 82.60.025, the lessee must file a complete annual tax performance report, and the applicant is not required to file a complete annual tax performance report.

(b) The department must use the information reported on the annual tax performance report required by this section to study the tax deferral program authorized under this chapter. The department must report to the legislature by December 1, 2018. The report must measure the effect of the program on job creation, the number of jobs created for residents of eligible areas, company growth, and such other factors as the department selects.

(2) Except as provided in RCW 82.60.063, if, on the basis of a tax performance report under RCW 82.32.534 or other information, the department finds that an investment project is not eligible for tax deferral under this chapter, the amount of deferred taxes outstanding for the project, according to the repayment schedule in RCW 82.60.060, is immediately due. For purposes of this subsection (2), the repayment schedule in RCW 82.60.060 is ~~((to be))~~ suspended during the period of time that a taxpayer is receiving relief from repayment of deferred taxes under RCW 82.60.063.

(3) A recipient who must repay deferred taxes under subsection (2) of this section because the department has found that an investment project is not eligible for tax deferral under this chapter is no longer required to file annual tax performance reports under RCW 82.32.534 beginning on the date an investment project is used for nonqualifying purposes.

(4) Notwithstanding any other provision of this section or RCW 82.32.534, deferred taxes on the following need not be repaid:

(a) Machinery and equipment, and sales of or charges made for labor and services, which at the time of purchase would have qualified for exemption under RCW 82.08.02565; and

(b) Machinery and equipment which at the time of first use would have qualified for exemption under RCW 82.12.02565.

Sec. 18. RCW 82.70.900 and 2015 3rd sp.s. c 44 s 416 are each amended to read as follows:

~~((Except for RCW 82.70.050, this))~~ This chapter expires July 1, 2024.

Sec. 19. RCW 82.73.030 and 2021 c 112 s 2 are each amended to read as follows:

(1) Subject to the limitations in this chapter, a credit is allowed against the tax imposed by chapters 82.04 and 82.16 RCW for approved contributions that are made by a person to a program or the main street trust fund.

(2)(a) Except as provided in (b) of this subsection, the credit allowed under this section is limited to an amount equal to:

(i) Seventy-five percent of the approved contribution made by a person to a program; or

(ii) Fifty percent of the approved contribution made by a person to the main street trust fund.

(b) Beginning with contributions made in calendar year 2021, an additional credit is allowed equal to 25 percent of the approved contribution made by a person to the main street trust fund.

(3) The department may not approve credit with respect to a program in a city or town with a population of ~~((one hundred ninety thousand))~~ 190,000 persons or more at the time of designation under RCW 43.360.030.

(4) The department must keep a running total of all credits approved under this chapter for each calendar year. The department may not approve any credits under this section that would cause the total amount of approved credits statewide to exceed \$5,000,000 in any calendar year.

(5)(a)(i) The total credits allowed under this chapter for contributions made to each program may not exceed \$160,000 in a calendar year.

(ii) Between 8:00 a.m., Pacific standard time, on the second Monday in January and 8:00 a.m., Pacific daylight time, on April 1st of the same calendar year, the department must evenly allocate the amount of statewide credits allowed under subsection (4) of this section based on the total number of programs and the main street trust fund as of January 1st in the same calendar year. The department may not approve contributions for a program or the main street trust fund that would cause the total amount of approved credits for a program or the main street trust fund to exceed the allocated amount.

(b) The total credits allowed under this chapter for a person may not exceed ~~((two hundred fifty thousand dollars))~~ \$250,000 in a calendar year.

(6) Except as provided in subsection (8) of this section, the credit may be claimed against any tax due under chapters 82.04 and 82.16 RCW only in the calendar year immediately following the calendar year in which the credit was approved by the department and the contribution was made to the program or the main street trust fund. Credits may not be carried over to subsequent years. No refunds may be granted for credits under this chapter.

(7) The total amount of the credit claimed in any calendar year by a person may not exceed the lesser amount of:

(a) The approved credit; or

(b) Seventy-five percent of the amount of the contribution that is made by the person to a program and 75 percent of the amount of the contribution that is made by the person to the main street trust fund, in the prior calendar year.

(8) Any credits provided in accordance with this chapter for approved contributions made in calendar year 2020 may be carried over for an additional two years and must be used by December 31, 2023.

(9) No credit is allowed or may be claimed under this section on or after January 1, 2032.

Sec. 20. RCW 82.90.080 and 2022 c 161 s 8 are each amended to read as follows:

A lessor or owner of an eligible investment project is not eligible for a deferral under this chapter unless:

(1) The underlying ownership of the qualified solar canopy vests exclusively in the same person; or

(2)(a) The lessor by written contract agrees to pass the economic benefit of the deferral to the lessee;

(b) The lessee that receives the economic benefit of the deferral agrees in writing with the department to complete the annual tax performance report required under RCW ~~((82.63.020(2)))~~ 82.32.534; and

(c) The economic benefit of the deferral passed to the lessee is no less than the amount of tax deferred by the lessor and is evidenced by written documentation of any type of payment, credit, or other financial arrangement between the lessor or owner of the eligible investment project and the lessee.

Sec. 21. RCW 84.52.120 and 1995 c 99 s 1 are each amended to read as follows:

A metropolitan park district with a population of ~~((one hundred fifty thousand))~~ 150,000 or more may submit a ballot proposition to voters of the district authorizing the protection of the district's tax levy from prorationing under RCW 84.52.010~~((2))~~ (3)(b) by imposing all or any portion of the district's ~~((twenty five))~~ 25 cents per ~~((thousand dollars))~~ \$1,000 of assessed valuation tax levy outside of the ~~((five dollar and ninety cent))~~ \$5.90 per ~~((thousand dollar))~~ \$1,000 of assessed valuation limitation established under RCW 84.52.043(2), if those taxes otherwise would be prorated under RCW 84.52.010~~((2)(e))~~ (3)(b)(iv), for taxes imposed in any year on or before the first day of January six years after the ballot proposition is approved. A simple majority vote of voters voting on the proposition is required for approval.

Sec. 22. RCW 84.52.816 and 2015 c 170 s 3 are each amended to read as follows:

A flood control zone district in a county with a population of ~~((seven hundred seventy five thousand))~~ 775,000 or more, or a county within the Chehalis river basin, that is coextensive with a county may protect the levy under RCW 86.15.160 from prorationing under RCW 84.52.010(3)(b)~~((ii))~~ (iii) by imposing up to a total of ~~((twenty five))~~ 25 cents per ~~((thousand dollars))~~ \$1,000 of assessed value of the tax levy authorized under RCW 86.15.160 outside of the ~~((five dollars and ninety cents))~~ \$5.90 per ~~((thousand dollars))~~ \$1,000 of assessed value limitation under RCW 84.52.043(2), if those taxes otherwise would be prorated under RCW 84.52.010(3)(b)~~((ii))~~ (iii).

Sec. 23. RCW 88.02.620 and 2021 c 150 s 1 are each amended to read as follows:

(1) A vessel owner who is a nonresident person must obtain a nonresident vessel permit on or before the ~~((sixty first))~~ 61st day of use in Washington state if the vessel:

(a) Is currently registered or numbered under the laws of the state or ~~((county [country]))~~ country of principal operation, has been issued a valid number under federal law, or has a valid United States customs service cruising license issued under 19 C.F.R. Sec. 4.94; and

(b) Has been brought into Washington state for not more than six months in any continuous ~~((twelve))~~ 12-month period, and is used:

(i) For personal use; or

(ii) For the purposes of chartering a vessel with a captain or crew, as long as individual charters are for at least three or more consecutive days in duration. The permit also applies for the purposes of necessary transit to or from the start or end point of such a charter, but that transit time is not counted toward the duration of the charter.

(2) In addition to the requirements in subsection (1) of this section, a nonresident vessel owner that is not a natural person, or

ONE HUNDREDTH DAY, APRIL 18, 2023

a nonresident vessel owner who is a natural person who intends to charter the vessel with a captain or crew as provided in subsection (1)(b)(ii) of this section, may only obtain a nonresident vessel permit if:

(a) The vessel is at least ~~((thirty))~~ 30 feet in length, but no more than ~~((two hundred))~~ 200 feet in length;

(b) No Washington state resident owns the vessel or is a principal, as defined in RCW 82.32.865, of the nonresident person which owns the vessel; and

(c) The department of revenue has provided the nonresident vessel owner written approval authorizing the permit as provided in RCW 82.32.865.

(3) A nonresident vessel permit:

(a) May be obtained from the department, county auditor or other agent, or subagent appointed by the director;

(b) Must show the date the vessel first came into Washington state; and

(c) Is valid for two months.

(4) The department, county auditor or other agent, or subagent appointed by the director must collect the fee required in RCW 88.02.640(1)(i) when issuing nonresident vessel permits.

(5) A nonresident vessel permit is not required under this section if the vessel is used in conducting temporary business activity within Washington state.

(6) For any permits issued under this section to a nonresident vessel owner that is not a natural person, or for any permits issued to a natural person who intends to charter the vessel with a captain or crew as provided in subsection (1)(b)(ii) of this section, the department must maintain a record of the following information and provide it to the department of revenue quarterly or as otherwise mutually agreed to by the department and department of revenue:

(a) The name of the record owner of the vessel;

(b) The vessel's hull identification number;

(c) The amount of the fee paid under RCW 88.02.640(5);

(e) The expiration date for the permit; and

(f) Any other information mutually agreed to by the department and department of revenue.

(7) The department must adopt rules to implement this section, including rules on issuing and displaying the nonresident vessel permit.

Sec. 24. RCW 88.26.020 and 2013 c 291 s 41 are each amended to read as follows:

(1) Any private moorage facility operator may take reasonable measures, including the use of chains, ropes, and locks, or removal from the water, to secure vessels within the private moorage facility so that the vessels are in the possession and control of the operator and cannot be removed from the facility. These procedures may be used if an owner mooring or storing a vessel at the facility fails, after being notified that charges are owing and of the owner's right to commence legal proceedings to contest that such charges are owing, to pay charges owed or to commence legal proceedings. Notification shall be by two separate letters, one sent by first-class mail and one sent by registered mail to the owner and any lienholder of record at the last known address. In the case of a transient vessel, or where no address was furnished by the owner, the operator need not give notice prior to securing the vessel. At the time of securing the vessel, an operator shall attach to the vessel a readily visible notice. The notice shall be of a reasonable size and shall contain the following information:

(a) The date and time the notice was attached;

(b) A statement that if the account is not paid in full within ~~((ninety))~~ 90 days from the time the notice is attached the vessel may be sold at public auction to satisfy the charges; and

(c) The address and telephone number where additional information may be obtained concerning release of the vessel.

After a vessel is secured, the operator shall make a reasonable effort to notify the owner and any lienholder of record by registered mail in order to give the owner the information contained in the notice.

(2) A private moorage facility operator, at his or her discretion, may move moored vessels ashore for storage within properties under the operator's control or for storage with a private person under their control as bailees of the private moorage facility, if the vessel is, in the opinion of the operator, a nuisance, in danger of sinking or creating other damage, or is owing charges. The costs of any such procedure shall be paid by the vessel's owner.

(3) If a vessel is secured under subsection (1) of this section or moved ashore under subsection (2) of this section, the owner who is obligated to the private operator for charges may regain possession of the vessel by:

(a) Making arrangements satisfactory with the operator for the immediate removal of the vessel from the facility or for authorized moorage; and

(b) Making payment to the operator of all charges, or by posting with the operator a sufficient cash bond or other acceptable security, to be held in trust by the operator pending written agreement of the parties with respect to payment by the vessel owner of the amount owing, or pending resolution of the matter of the charges in a civil action in a court of competent jurisdiction. After entry of judgment, including any appeals, in a court of competent jurisdiction, or after the parties reach agreement with respect to payment, the trust shall terminate and the operator shall receive so much of the bond or other security as agreed, or as is necessary, to satisfy any judgment, costs, and interest as may be awarded to the operator. The balance shall be refunded immediately to the owner at the last known address.

(4) If a vessel has been secured by the operator under subsection (1) of this section and is not released to the owner under the bonding provisions of this section within ~~((ninety))~~ 90 days after notifying or attempting to notify the owner under subsection (1) of this section, the vessel is conclusively presumed to have been abandoned by the owner.

(5) If a vessel moored or stored at a private moorage facility is abandoned, the operator may authorize the public sale of the vessel by authorized personnel, consistent with this section, to the highest and best bidder for cash as follows:

(a) Before the vessel is sold, the vessel owner and any lienholder of record shall be given at least ~~((twenty))~~ 20 days' notice of the sale in the manner set forth in subsection (1) of this section if the name and address of the owner is known. The notice shall contain the time and place of the sale, a reasonable description of the vessel to be sold, and the amount of charges owed with respect to the vessel. The notice of sale shall be published at least once, more than ~~((ten))~~ 10 but not more than ~~((twenty))~~ 20 days before the sale, in a newspaper of general circulation in the county in which the facility is located. This notice shall include the name of the vessel, if any, the last known owner and address, and a reasonable description of the vessel to be sold. The operator may bid all or part of its charges at the sale and may become a purchaser at the sale.

(b) Before the vessel is sold, any person seeking to redeem an impounded vessel under this section may commence a lawsuit in the superior court for the county in which the vessel was impounded to contest the validity of the impoundment or the amount of charges owing. This lawsuit must be commenced

within ~~((sixty))~~ 60 days of the date the notification was provided under subsection (1) of this section, or the right to a hearing is deemed waived and the owner is liable for any charges owing the operator. In the event of litigation, the prevailing party is entitled to reasonable attorneys' fees and costs.

(c) The proceeds of a sale under this section shall be applied first to the payment of any liens superior to the claim for charges, then to payment of the charges, then to satisfy any other liens on the vessel in the order of their priority. The balance, if any, shall be paid to the owner. If the owner cannot in the exercise of due diligence be located by the operator within one year of the date of the sale, the excess funds from the sale shall revert to the department of revenue under chapter ~~((63.29))~~ 63.30 RCW. If the sale is for a sum less than the applicable charges, the operator is entitled to assert a claim for deficiency, however, the deficiency judgment shall not exceed the moorage fees owed for the previous six-month period.

(d) In the event no one purchases the vessel at a sale, or a vessel is not removed from the premises or other arrangements are not made within ~~((ten))~~ 10 days of sale, title to the vessel will revert to the operator.

(e) Either a minimum bid may be established or a letter of credit may be required from the buyer, or both, to discourage the future abandonment of the vessel.

(6) The rights granted to a private moorage facility operator under this section are in addition to any other legal rights an operator may have to hold and sell a vessel and in no manner does this section alter those rights, or affect the priority of other liens on a vessel.

NEW SECTION. Sec. 25. The following acts or parts of acts are each repealed:

(1) RCW 82.12.02088 (Exemptions—Digital products—Business buyers—Concurrently available for use within and outside state—Apportionment) and 2017 c 323 s 522 & 2009 c 535 s 702;

MR. PRESIDENT:

The House passed ENGROSSED SUBSTITUTE SENATE BILL NO. 5583 with the following amendment(s): 5583-S.E AMH DONA H1916.4

Strike everything after the enacting clause and insert the following:

"NEW SECTION. **Sec. 1.** The department of licensing shall develop a comprehensive implementation plan for the expansion of the current driver training education requirement to obtain a driver's license to persons between the ages of 18 and 24. The target date for implementation of the new driver training education expansion is July 1, 2026. The driver training education expansion plan must be provided to the transportation committees of the legislature by October 1, 2024, and must include, but need not be limited to, the following:

(1) Consideration of courses that could satisfy the new driver training education requirement, including a condensed course option and a self-paced, online course option, with attention to the educational value, monetary and time costs required, and possible accessibility constraints for each course option considered;

(2) An assessment of public and private resources necessary to support the new driver training education requirement to ensure sufficient course availability and accessibility. The assessment must include, but need not be limited to, an inventory of the current number, and an estimate of the increased number required to meet the anticipated need, of the following:

(a) Licensed driver training schools and traffic safety education programs in the state, by geographical region;

(b) Licensed driver training school and traffic safety education instructors;

(c) Licensed driver trainer instructors; and

(d) Driver training education course spaces available per year, by course option and for both classroom and behind-the-wheel instruction;

(3) In consultation with the office of equity, evaluation of access to driver training education courses and consideration of opportunities to improve access to driver training education for young drivers. The assessment must address, but should not be limited to, potential obstacles for young drivers for whom the cost of driver training education may pose a hardship, obstacles related to accessibility for young drivers who reside in rural areas, and obstacles for young drivers whose primary language is not English. The assessment must also include strategies that can be used to mitigate these potential obstacles, including possible exceptions to, or substitutions for, a driver training education requirement in cases where access-related obstacles cannot be overcome, such as when a behind-the-wheel driver training program may not be available within a reasonable distance of a person's residence;

(4) A plan for broad and accessible public outreach and education to communicate to Washington state residents new driver training education requirements, including a plan for the development of tools to assist residents in accessing driver training education courses that meet the new requirements;

(5) Collaboration with educational service districts to determine the extent to which educational service districts can facilitate the coordination between school districts or secondary

ONE HUNDRED FIRST DAY, APRIL 19, 2023

schools of a school district and driver training schools to increase access to driver training education courses by students who reside within the boundaries of an applicable school district;

(6) An examination of opportunities to address the financial need of persons for whom the cost of driver training education courses licensed by the department of licensing may pose a hardship, through a voucher or other financial assistance program. The examination must include quantified estimates of the extent to which the cost of driver training education could pose a significant obstacle, as well as possible approaches to help reduce or eliminate this obstacle;

(7) An examination, in consultation with the office of the superintendent of public instruction, of opportunities to address the financial need of students for whom the cost of driver training education offered as part of a traffic safety education program may pose a hardship, through a grant or other financial assistance program. The examination must include quantified estimates of the extent to which the cost of driver training education could pose a significant obstacle, as well as possible approaches to help reduce or eliminate this obstacle; and

(8) An assessment of approaches used by other states that require driver training by persons age 18 and older, including examination of how this has impacted traffic safety in the state and the extent to which the requirement may have decreased access to driver's licenses, including through examination of the rate of driver's license holders by age and other demographic characteristics compared to that of neighboring, or otherwise similarly situated, states.

(4) and (5) of this section. The delinquency notice must specify where the taxpayer can obtain information regarding:

(a) Any current tax or special assessments due as of the date of the notice;

(b) Any delinquent tax or special assessments due, including any penalties and interest, as of the date of the notice; and

(c) Where the taxpayer can pay his or her property taxes directly and contact information, including but not limited to the phone number, for the statewide foreclosure hotline recommended by the Washington state housing finance commission.

(7) Within ~~((ninety))~~ 90 days after the expiration of two years from the date of delinquency (when a taxpayer's taxes have become delinquent), the county treasurer must provide the name and property address of the delinquent taxpayer to a homeownership resource center or any other designated local or state entity recommended by the Washington state housing finance commission.

Collection of foreclosure costs.

(8)(a) When real property taxes become delinquent and prior to the filing of the certificate of delinquency, the treasurer is authorized to assess and collect tax foreclosure avoidance costs.

(b) When tax foreclosure avoidance costs are collected, such costs must be credited to the county treasurer service fund account, except as otherwise directed.

(c) For purposes of chapter 84.64 RCW, any taxes, interest, or penalties deemed delinquent under this section remain delinquent until such time as all taxes, interest, and penalties for the tax year in which the taxes were first due and payable have been paid in full.

Periods of armed conflict.

(9) Subsection (5) of this section notwithstanding, no interest or penalties may be assessed during any period of armed conflict regarding delinquent taxes imposed on the personal residences owned by active duty military personnel who are participating as part of one of the branches of the military involved in the conflict and assigned to a duty station outside the territorial boundaries of the United States.

State of emergency.

(10) During a state of emergency declared under RCW 43.06.010(12), the county treasurer, on his or her own motion or at the request of any taxpayer affected by the emergency, may grant extensions of the due date of any taxes payable under this section as the treasurer deems proper.

Retention of funds from interest.

(11) All collections of interest on delinquent taxes must be credited to the county current expense fund.

(12) For purposes of this chapter, "interest" means both interest and penalties.

Retention of funds from property foreclosures and sales.

(13) The direct cost of foreclosure and sale of real property, and the direct fees and costs of distraint and sale of personal property, for delinquent taxes, must, when collected, be credited to the operation and maintenance fund of the county treasurer prosecuting the foreclosure or distraint or sale; and must be used by the county treasurer as a revolving fund to defray the cost of further foreclosure, distraint, and sale because of delinquent taxes without regard to budget limitations and not subject to indirect costs of other charges.

Tax due dates and options for tax payment collections.

Electronic billings and payments.

(14) For purposes of this chapter, and in accordance with this section and RCW 36.29.190, the treasurer may collect taxes, assessments, fees, rates, interest, and charges by electronic billing and payment. Electronic billing and payment may be used as an

option by the taxpayer, but the treasurer may not require the use of electronic billing and payment. Electronic bill presentment and payment may be on a monthly or other periodic basis as the treasurer deems proper for:

(a) Delinquent tax year payments; and

(b) Prepayments of current tax.

Tax payments.

Prepayment for current taxes.

(15)(a) The treasurer may accept prepayments for current year taxes by any means authorized. All prepayments must be paid in full by the due date specified in subsection (16) of this section.

Payment agreements for current year taxes.

(b)(i) The treasurer may provide, by electronic means or otherwise, a payment agreement that provides for payment of current year taxes, inclusive of prepayment collection charges. The payment agreement must be signed by the taxpayer and treasurer or the treasurer's deputy prior to the sending of an electronic or alternative bill, which includes a payment plan for current year taxes.

Payment agreements for delinquent year taxes.

(ii)(A) The treasurer may provide, by electronic means or otherwise, a payment agreement for payment of past due delinquencies. The payment agreement must be signed by the taxpayer and treasurer or the treasurer's deputy prior to the sending of an electronic or alternative bill, which includes a payment plan for past due delinquent taxes and charges.

(B) Tax payments received by a treasurer for delinquent year taxes from a taxpayer participating on a payment agreement must be applied first to the oldest delinquent year unless such taxpayer requests otherwise.

Partial payments: Acceptance of partial payments for current and delinquent taxes.

(c)(i) In addition to the payment agreement program in (b) of this subsection, the treasurer may accept partial payment of any current and delinquent taxes including interest and penalties by any means authorized including electronic bill presentment and payments.

(ii) All tax payments received by a treasurer for delinquent year taxes from a taxpayer paying a partial payment must be applied first to the oldest delinquent year unless such taxpayer requests otherwise.

Payment for delinquent taxes.

(d) Payments on past due taxes must include collection of the oldest delinquent year, which includes interest, penalties, and taxes within an eighteen-month period, prior to filing a certificate of delinquency under chapter 84.64 RCW or distraint pursuant to RCW 84.56.070.

Due date for tax payments.

(16) All taxes upon real and personal property made payable by the provisions of this title are due and payable to the treasurer on or before the ~~((thirtieth))~~ 30th day of April and are delinquent after that date. The remainder of the tax is due and payable on or before the following ~~((thirty-first))~~ 31st of October and is delinquent after that date. All other assessments, fees, rates, and charges are delinquent after the due date.

Electronic funds transfers.

(17) A county treasurer may authorize payment of:

(a) Any current property taxes due under this chapter by electronic funds transfers on a monthly or other periodic basis; and

(b) Any past due property taxes, penalties, and interest under this chapter by electronic funds transfers on a monthly or other periodic basis. Delinquent taxes are subject to interest and penalties, as provided in subsection (5) of this section. All tax payments received by a treasurer from a taxpayer paying

delinquent year taxes must be applied first to the oldest delinquent year unless such taxpayer requests otherwise.

Payment for administering prepayment collections.

(18) The treasurer must pay any collection costs, investment earnings, or both on past due payments or prepayments to the credit of a county treasurer service fund account to be created and used only for the payment of expenses incurred by the treasurer, without limitation, in administering the system for collecting prepayments.

Waiver of interest and penalties for qualified taxpayers subject to foreclosure.

(19) No earlier than ~~((sixty))~~ 60 days prior to the date that is three years after the date of delinquency, the treasurer must waive all outstanding interest and penalties on delinquent taxes due from a taxpayer if the property is subject to an action for foreclosure under chapter 84.64 RCW and the following requirements are met:

(a) The taxpayer is income-qualified under RCW 84.36.381(5)(a), as verified by the county assessor;

(b) The taxpayer occupies the property as their principal place of residence; and

(c) The taxpayer has not previously received a waiver on the property as provided under this subsection.

Definitions.

(20) The definitions in this subsection apply throughout this section unless the context clearly requires otherwise.

(a) "Electronic billing and payment" means statements, invoices, or bills that are created, delivered, and paid using the internet. The term includes an automatic electronic payment from a person's checking account, debit account, or credit card.

(b) "Internet" has the same meaning as provided in RCW 19.270.010.

(c) "Tax foreclosure avoidance costs" means those direct costs associated with the administration of properties subject to and prior to foreclosure. Tax foreclosure avoidance costs include:

(i) Compensation of employees for the time devoted to administering the avoidance of property foreclosure; and

(ii) The cost of materials, services, or equipment acquired, consumed, or expended in administering tax foreclosure avoidance prior to the filing of a certificate of delinquency."

MESSAGE FROM THE HOUSE

April 14, 2023

MR. PRESIDENT:

The House receded from its amendment(s) to SENATE BILL NO. 5369. Under suspension of the rules, the bill was returned to second reading for the purposes of amendment(s). The House adopted the following amendment(s): 5369 AMH DOGL H1920.2, and passed the bill as amended by the House.

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. (1) The legislature finds that polychlorinated biphenyls, or PCBs, are a hazardous chemical class that have been identified as carcinogenic, a developmental toxicant, toxic to aquatic organisms, and persistent and bioaccumulative. According to the United States environmental protection agency, PCBs are probable human carcinogens and may have serious and potential effects on the immune system, reproductive system, nervous system, and endocrine system.

(2) Humans and other organisms can be exposed to PCBs in a number of ways. PCBs can be released into the environment from hazardous waste sites, illegal dumping, or disposal of PCB wastes or PCB-containing products in areas or landfills not designed to handle hazardous waste, leaks, or releases from electrical transformers containing PCBs, and wastewater discharges. Once PCBs are released, the chemicals do not readily break down in the environment and can cycle for long periods between air, water, and soil. PCBs can accumulate in leaves and above-ground parts of plants and food crops, and they are also taken up into the bodies of small organisms and fish, resulting in potential exposure for people and organisms that ingest the fish.

(3) In 1979, the United States banned the production of PCBs under the toxic substances control act. However, the United States environmental protection agency's regulations implementing the toxic substances control act for PCBs allow some inadvertent generation of PCBs to occur in excluded manufacturing processes. These manufacturing by-product PCBs have been identified in wastewater, sediments, and air in numerous locations and have been positively identified in the testing of new products.

(4) The legislature finds that the state has done much to address PCB contamination, including cleanup, permitting, stormwater management, and fish advisories. In addition, the United States environmental protection agency, Washington state, and the

Spokane tribe of Indians have established PCB water quality standards to protect human health and the environment. These standards are critical for addressing release and exposure from legacy and nonlegacy PCBs. However, the standards cannot be achieved with currently available water treatment technology if the waste stream continues to include new sources of PCBs allowable under the toxic substances control act at levels measured in products such as paints, inks, and pigments that are billions of times higher than applicable water quality standards. While the United States environmental protection agency has restored a human health criteria standard of seven parts per quadrillion in Washington waters, the toxic substances control act limit for PCBs in products is an annual average of 25 parts per million, with a maximum 50 parts per million adjusted total PCBs. Therefore, the legislature finds that nonlegacy PCB contamination may most effectively be managed upstream at the product and process source as opposed to downstream facilities at the end of the product life cycle. The toxic substances control act standard for inadvertent PCBs does not reflect current science on limits needed to protect human health and the environment and is overdue for revision.

(5) While previous industry analysis of toxic substances control act rule making has asserted negative impacts and infeasibility in disallowing by-product PCBs, the legislature finds that safer, feasible, and available alternatives to PCB-containing paints and printing inks now exist, as determined by the department in its June 2022 *Safer Products for Washington* report. Moreover, since safer and available products and processes to produce paints and printing inks do exist, the legislature finds that use of manufacturing processes resulting in products with PCB by-products is not inadvertent, but intentional, and constitutes a use of the chemical within the product.

(6) Therefore, the legislature intends to direct the department to petition the United States environmental protection agency to reassess its PCB regulations under the toxic substances control act and to prohibit the use of chlorine-based pigment manufacturing processes, which result in the generation of PCBs.

NEW SECTION. Sec. 2. The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

(1) "Department" means the department of ecology.

(2) "Manufacturer" means any person, firm, association, partnership, corporation, governmental entity, organization, or joint venture that produces a product or is an importer or domestic distributor of a product sold or offered for sale in or into the state.

(3) "Paint and printing ink" includes, but is not limited to, building paint for indoor and outdoor use, spray paint, children's paint, road paint, and printing inks used in paper and packaging.

(4) "PCBs" or "polychlorinated biphenyls" means chemical forms that consist of two benzene rings joined together and containing one to 10 chlorine atoms attached to the benzene rings.

(5) "Retail establishment" includes any person, corporation, partnership, business, facility, vendor, organization, or individual that sells or provides merchandise, goods, or materials directly to a customer.

NEW SECTION. Sec. 3. (1) The department must petition the United States environmental protection agency to reassess its regulations on excluded manufacturing processes from prohibitions on manufacturing, processing, distribution in commerce, and use of PCBs and PCB items under 40 C.F.R. Sec. 761.3 for the purpose of eliminating or reducing the presence of PCBs in consumer products.

(2) In petitioning the United States environmental protection agency, the department must include legislative findings under this chapter and information on:

(a) Health effects of PCBs;
 (b) Release and exposure of PCBs including, but not limited to, concentrations of PCBs measured in consumer products and in state waters, soils, and fish tissue;

(c) Safer alternatives for consumer products that contain PCBs, including the availability and feasibility of alternatives; and

(d) Other relevant data or findings as determined by the department.

(3) The department is not required to generate new data and may use previously compiled data and findings developed in the performance of duties under this chapter.

(4) The department may consult with the department of health and other relevant state agencies in developing the petition under this section.

(5) To the extent practicable, the department must seek completion of the petition review by January 1, 2025.

NEW SECTION. Sec. 4. (1)(a)(i) Beginning January 1, 2025, a manufacturer or wholesaler may not manufacture, sell, offer for sale, distribute for sale, or distribute for use in this state any paint or printing ink that contains chlorine-based pigments.

(ii) Beginning January 1, 2026, a retail establishment may not knowingly sell or knowingly offer for sale in this state any paint or printing ink that contains chlorine-based pigments.

(b)(i) Beginning no later than 12 months after the adoption of rules under subsection (3) of this section, a manufacturer or wholesaler may not manufacture, sell, offer for sale, distribute for sale, or distribute for use in this state a product identified under subsection (3) of this section that contains chlorine-based pigments.

(ii) Beginning no later than 24 months after the adoption of rules under subsection (3) of this section, a retail establishment may not knowingly sell or knowingly offer for sale any product identified under subsection (3) of this section that contains chlorine-based pigments.

(2) Upon a demand by the department, a person must demonstrate to the department that a product is in compliance with the requirements of subsection (1) of this section through the submission to the department of:

(a) Testing data indicating that a chlorine-based manufacturing process was not used in the manufacture of the pigments contained in the paint, printing ink, or other product; or

(b) Information pertaining to pigment manufacturing processes demonstrating that chlorine was not used in the manufacturing of pigments contained in the paint, printing ink, or other product.

(3) The department may, by rule, identify products that, as a result of the inclusion of pigments in the product, contain PCBs that were inadvertently generated in the making of the pigment. The department may require a demonstration for products identified under this subsection of the absence of chlorine-based pigments in a product in a manner consistent with subsection (2) of this section. The department must initiate a rule-making process under this subsection by October 1, 2023.

(4) The prohibitions in subsection (1) of this section do not apply to:

(a) Paint manufactured, reused, or recycled from paint collected under chapter 70A.515 RCW; or

(b) The sale of any previously owned products containing inadvertently generated PCBs made in casual or isolated sales as defined in RCW 82.04.040, or by a nonprofit organization.

(5)(a) The department may exempt a product or category of product from the prohibitions in subsection (1) of this section upon determining that a product or category of product is not capable of being manufactured in a manner that does not rely on the inclusion of chlorine-based pigments, and upon determining that allowing for the continued manufacture of the product or

category of product containing a chlorine-based pigment would not result in meaningful impacts to human health, the environment, or the ability of entities regulated under chapter 90.48 RCW to comply with water quality standards.

(b) The department may, in its discretion, extend the compliance deadline in subsection (1) of this section for a product or category of product for which a person annually demonstrates to the department by October 1st of a given year that the prohibition is not technically feasible for the person to comply with.

Persons who are repeat violators are subject to a civil penalty not to exceed \$10,000 for each repeat offense. The department must issue at least one notice of violation by certified mail prior to assessing a penalty and the department may only impose a penalty on a manufacturer or retail establishment that has not met the requirements of this chapter 60 days following the date the written notification of the violation was sent. The department may not collect a penalty from a retail establishment for a product that the retail establishment demonstrates to the department was in the possession of the retail establishment as of the effective date of the restrictions on manufacture, sale, and distribution under section 4(1) (a)(i) or (b)(i) of this act.

(3) Any penalty provided for in this section, and any order issued by the department under this chapter, may be appealed to the pollution control hearings board.

MESSAGE FROM THE HOUSE

April 17, 2023

MR. PRESIDENT:

The House passed SUBSTITUTE SENATE BILL NO. 5096 with the following amendment(s): 5096-S AMH ICEV H1657.1

Strike everything after the enacting clause and insert the following:

"NEW SECTION. **Sec. 1.** The legislature finds that:

Employee ownership in companies provides numerous benefits to both businesses and workers across all industries. Research from the national center for employee ownership found that one such structure, employee stock ownership plans, had better workforce retention, benefits and retirement security, and firm performance than nonemployee stock ownership plans companies in the same industry. In addition, the Rutgers school of management and labor relations found that employee-owned companies outperformed nonemployee-owned companies in job retention, pay, and workplace health safety throughout the COVID-19 pandemic. At their core, employee ownership structures allow employees to gain ownership stake in a business, increasing their personal wealth without the risks related to starting or purchasing their own company.

States throughout the nation have moved to provide support for employee ownership structures. The Colorado employee ownership office has operated since 2019 to create a network of technical support and service providers considering employee ownership structures. Recently, both California and

Massachusetts passed legislation to establish their own dedicated employee ownership support programs. Other states, such as Iowa, provide tax benefits and upfront costs to businesses interested in employee ownership.

Further, the federal government has recognized the benefit broad-based employee ownership structures provide to communities. The American rescue plan act included \$10,000,000,000 for the state small business credit initiative. Through that act congress also directed the treasury department to allow state small business credit initiative funding to be used for transitions to employee ownership, when state small business credit initiative funding has not been historically available for business transactions.

The legislature desires to provide a dedicated program to educate businesses on employee ownership, assist both owners and workers in navigating available resources, reduce barriers to transitioning to employee-owned structures, and provide tax support for businesses that transition to an employee ownership structure.

Therefore, it is the intent of the legislature to encourage the growth of employee ownership structures through this expanding employee ownership act.

NEW SECTION. Sec. 2. A new section is added to chapter 43.330 RCW to read as follows:

(1) The Washington employee ownership program is created to support the efforts of businesses considering a sale to an employee ownership structure. The Washington employee ownership program must be administered by the department and overseen by the Washington employee ownership commission established in section 3 of this act.

(2)(a) In implementing the Washington employee ownership program, the director must:

(i) Create a network of technical support and service providers for businesses considering employee ownership structures;

(ii) Work with state agencies whose regulations and programs affect employee-owned businesses, and businesses with the potential to become employee owned, to enhance opportunities and reduce barriers;

(iii) Partner with relevant private, nonprofit, and public organizations including, but not limited to, professional and trade associations, financial institutions, unions, small business development centers, economic and workforce development organizations, and nonprofit entities to promote employee ownership benefits and succession models;

(iv) Develop and make available materials regarding employee ownership benefits and succession models;

(v) Provide a referral service to help qualified business owners find appropriate legal, financial, and technical employee ownership resources and services;

(vi) Work with the department of financial institutions and appropriate state, private, and nonprofit entities to shape and implement guidance on lending to broad-based employee ownership vehicles;

(vii) Create an inventory of employee-owned businesses in the state including employee stock ownership plans, worker cooperatives, and employee ownership trusts; and

(viii) Subject to the successful award of federal funding for this purpose, establish a revolving loan program to assist existing small businesses to finance a transition to employee ownership.

(b) Loans offered by the revolving loan program must be used to help facilitate the purchase of an interest in an employee stock ownership plan or worker-owned cooperative from the owner or owners of a qualified business, provided that:

(i) The transaction results in the employee stock ownership plan or worker cooperative holding a majority interest in the business, on a fully diluted basis; and

(ii) If used to assist in the purchase of an interest in an employee stock ownership plan, the employee stock ownership plan: (A) Has appointed an independent trustee; or (B) has, as a trustee, person, or entity, completed education on best practices for employee stock ownership plans.

(c) Loans financing the sale of an interest to a worker cooperative shall be extended based on repayment ability and shall not require a personal or entity guarantee. In meeting the requirement in (b) of this subsection, lending guidelines must be established for worker cooperatives not based on any personal or entity guarantees provided by the member owners or the selling business owner. These guidelines may include but are not limited to cash flow-based underwriting, character-based lending, and reliance on business assets.

(d) In order to support the revolving loan program, the director or the director's designee must apply for federal funding opportunities that:

(i) Support capitalization of state revolving loan programs; and

(ii) Support businesses that seek to transition to employee ownership.

(e) Amounts from the repayment of loans offered by the revolving loan program must be deposited in the employee ownership revolving loan program account established in section 6 of this act.

(3) The director or the director's designee may contract with consultants, agents, or advisors necessary to further the purposes of this section.

(4) By December 1st each year, the department must submit a report to the appropriate committees of the legislature on program activities and the number of employee-owned businesses and employee-owned trusts in the state, including recommendations for improvement and barriers for businesses considering employee ownership structures in Washington state. The first report must include rules and guidelines for the administration of the program, as established by the Washington employee ownership commission.

(5) For the purposes of this section:

(a) "Employee-owned business" means:

(i) An employee cooperative established under chapter 23.78, 23.86, 23.100, or 24.06 RCW that has at least 50 percent of its board of directors consisting of, and elected by, its employees; or

(ii) An entity owned in whole or in part by employee stock ownership plans as defined in 26 U.S.C. Sec. 4975(e)(7).

(b) "Qualified business" means a person subject to tax under Title 82 RCW, including but not limited to a C corporation, S corporation, limited liability company, partnership, limited liability partnership, sole proprietorship, or other similar pass-through entity, that is not owned in whole or in part by an employee ownership trust, that does not have an employee stock ownership plan, or that is not, in whole or in part, a worker-owned cooperative.

(6) Program support shall only be made available to businesses headquartered in Washington state. For the purposes of this section, "headquartered in Washington state" means that Washington state is its principal place of business or the state where it is incorporated.

(7) The director shall adopt rules as necessary to implement this section.

NEW SECTION. Sec. 3. A new section is added to chapter 43.330 RCW to read as follows:

ONE HUNDRED FIRST DAY, APRIL 19, 2023

(1) The Washington employee ownership commission is hereby created to exercise the powers in developing and supervising the program created in section 2 of this act.

(2) The commission shall consist of:

(a) One member from each of the two major caucuses of the house of representatives to be appointed by the speaker of the house and one member from each of the two major caucuses of the senate to be appointed by the president of the senate. The initial term shall be two years; and

(b) The following members appointed by the governor:

(i) Five members who represent the private sector or professional organizations as follows:

(A) One representative of a worker cooperative business. The initial term shall be four years;

(B) One representative of an employee stock ownership plan business. The initial term shall be four years;

(C) One representative from a statewide business association. The initial term shall be two years;

(D) One economic development expert, from the private sector, with employee ownership knowledge and experience. The initial term shall be four years; and

(E) One representative from a financial institution with expertise in assisting businesses transitioning into an employee ownership structure. The initial term shall be two years; and

(ii) Two members who represent the public sector as follows:

(A) One economic development expert, from the public sector. The initial term shall be four years; and

(B) One representative from the department of commerce, who will chair the first meeting prior to the election of the chair. The initial term shall be four years.

(3) After the initial term of appointment, all members shall serve terms of four years and shall hold office until successors are appointed.

(4) The commission shall be led by a chair selected and voted on by members of the commission. The chair shall serve a one-year term but may serve more than one term if selected to do so by members of the commission.

(5) The commission shall develop, in consultation with the director, rules and guidelines to administer the program. Rules and guidelines for the administration of the program must be included in the first report to the legislature required in section 2 of this act.

(6) Before making any appointments to the commission, the governor must seek nominations from recognized organizations that represent the entities or interests identified in this section. The governor must select appointees to represent private sector industries from a list of three nominations provided by the trade associations representing the industry, unless no names are put forth by the trade associations.

(7) The commission shall conduct market research for the purposes of, or to support, a future application to the federal government for a program to assist in the purchase of an interest in an employee stock ownership plan qualifying under section 401 of the internal revenue code, worker cooperative, or related broad-based employee ownership vehicle.

(8) For purposes of this section, a "professional organization" includes an entity whose members are engaged in a particular lawful vocation, occupation, or field of activity of a specialized nature including, but not limited to, associations, boards, educational institutions, and nonprofit organizations.

NEW SECTION. Sec. 4. (1) This section is the tax preference performance statement for the tax preference contained in section 5, chapter . . . , Laws of 2023 (section 5 of this act). This performance statement is only intended to be used for subsequent evaluation of the tax preference. It is not intended to

create a private right of action by any party or be used to determine eligibility for preferential tax treatment.

(2) The legislature categorizes this tax preference as one intended to induce certain designated behavior by taxpayers, as indicated in RCW 82.32.808(2)(a).

(3) It is the legislature's specific public policy objective to encourage business owners to create an employee stock ownership plan or employee ownership trust, or to convert to a worker-owned cooperative, that allows the company to share ownership with their employees without requiring employees to invest their own money.

(4) If a review finds that the number of businesses in this state offering employee stock ownership plans, employee ownership trusts, or ones that have converted to a worker-owned cooperative, has increased because of the tax credit under this act, then the legislature intends for the legislative auditor to recommend extending the expiration date of the tax preference.

(5) In order to obtain the data necessary to perform the review in subsection (4) of this section, the joint legislative audit and review committee may access and use any relevant data collected by the state.

NEW SECTION. Sec. 5. A new section is added to chapter 82.04 RCW to read as follows:

(1) Beginning July 1, 2024, in computing the tax imposed under this chapter, a credit is allowed for costs related to converting a qualifying business to a worker-owned cooperative, employee ownership trust, or an employee stock ownership plan, as provided in this section.

(2) The credit is equal to:

(a) Up to 50 percent of the conversion costs, not to exceed \$25,000, incurred by a qualified business for converting the qualified business to a worker-owned cooperative or an employee ownership trust; or

(b) Up to 50 percent of the conversion costs, not to exceed \$100,000, incurred by a qualified business for converting the qualified business to an employee stock ownership plan.

(3)(a) Credit under this section is earned, and claimed against taxes due under this chapter, for the tax reporting period in which the conversion to a worker-owned cooperative, employee ownership trust, or an employee stock ownership plan is complete, or subsequent tax reporting periods as provided in (c) of this subsection.

(b) The credit must not exceed the tax otherwise due under this chapter for the tax reporting period.

(c) Unused credit may be carried over and used in subsequent tax reporting periods, except that no credit may be claimed more than 12 months from the end of the tax reporting period in which the credit was earned.

(d) No refunds may be granted for credits under this section.

(4)(a) The total amount of credits authorized under this section may not exceed an annual statewide limit of \$2,000,000.

(b) Credits must be authorized on a first-in-time basis.

(c) No credit may be earned, during any calendar year, on or after the last day of the calendar month immediately following the month the department has determined that \$2,000,000 in credit has been earned.

(5)(a) The department may require persons claiming a credit under this section to provide appropriate documentation, in a manner as determined by the department, for the purposes of determining eligibility under this section.

(b) Every person claiming a credit under this section must preserve, for a period of five years, any documentation to substantiate the amount of credit claimed.

(6) For the purposes of this section:

(a) "Conversion costs" means professional services, including accounting, legal, and business advisory services, as detailed in the guidelines issued by the department, for: (i) A feasibility study or other preliminary assessments regarding a transition of a business to an employee stock ownership plan, a worker-owned cooperative, or an employee ownership trust; or (ii) the transition of a business to an employee stock ownership plan, a worker-owned cooperative, or an employee ownership trust.

(b) "Employee ownership trust" means an indirect form of employee ownership in which a trust holds a controlling stake in a qualified business and benefits all employees on an equal basis.

(c) "Employee stock ownership plan" has the same meaning as set forth in 26 U.S.C. Sec. 4975(e)(7), as of the effective date of this section.

(d) "Qualified business" means a person subject to tax under this chapter, including but not limited to a C corporation, S corporation, limited liability company, partnership, limited liability partnership, sole proprietorship, or other similar pass-through entity, that is not owned in whole or in part by an employee ownership trust, that does not have an employee stock ownership plan, or that is not, in whole or in part, a worker-owned cooperative, and that is approved by the department for the tax credit in this section.

(e) "Worker-owned cooperative" has the same meaning as set forth in 26 U.S.C. Sec. 1042(c)(2), as of the effective date of this section, or such subsequent dates as may be provided by rule by the department, consistent with the purposes of this section.

(7) Credits allowed under this section can be earned for tax reporting periods starting on or before June 30, 2029. No credits can be claimed on returns filed for tax periods starting on or after July 1, 2030.

(8) This section expires July 1, 2030.

NEW SECTION. Sec. 6. A new section is added to chapter 43.330 RCW to read as follows:

The employee ownership revolving loan program account is created in the custody of the state treasury. All transfers and appropriations by the legislature, repayments of loans, private contributions, and all other sources must be deposited into the account. Expenditures from the account may be used only for the purposes of the Washington employee ownership program created in section 2 of this act. Only the director or the director's designee may authorize expenditures from the account. The account is subject to allotment procedures under chapter 43.88 RCW, but an appropriation is not required for expenditures.

NEW SECTION. Sec. 7. Sections 4 and 5 of this act take effect July 1, 2024.

NEW SECTION. Sec. 8. This act may be known and cited as the expanding employee ownership act."

MR. PRESIDENT:

The House passed ENGROSSED SUBSTITUTE SENATE BILL NO. 5447 with the following amendment(s): 5447-S.E AMH ENGR H1845.E

Strike everything after the enacting clause and insert the following:

"NEW SECTION. **Sec. 1.** The legislature intends to use funds from the climate commitment act to promote the production and use of sustainable aviation fuels, thereby growing the clean energy sector, addressing greenhouse gas emissions, and creating family wage manufacturing jobs in Washington. Sustainable aviation fuels represent the most significant near and midterm opportunity for aviation to reduce its greenhouse gas emissions. The use of sustainable aviation fuels will also improve air quality for airport workers and communities surrounding airports. While many efforts are underway to advance the use of sustainable aviation fuels, this act is intended to assist and accelerate those efforts.

ALTERNATIVE JET FUEL TAX INCENTIVES

NEW SECTION. Sec. 8. (1) This section is the tax preference performance statement for the tax preferences contained in sections 9 through 12, chapter . . . , Laws of 2023 (sections 9 through 12 of this act). This performance statement is only intended to be used for subsequent evaluation of the tax preferences. It is not intended to create a private right of action by any party or to be used to determine eligibility for preferential tax treatment.

(2) The legislature categorizes these tax preferences as ones intended to improve industry competitiveness as indicated in RCW 82.32.808(2)(b).

(3) It is the legislature's specific public policy objective to encourage the production and use of alternative jet fuels. It is also the legislature's intent to support the development of the alternative jet fuels industry in Washington by providing targeted tax relief for such businesses.

(4) The legislature intends to extend the expiration date of the tax preferences contained in this act if a review finds:

(a) An increase in the production and use of alternative jet fuels in Washington by persons claiming the tax preferences in this act;

(b) That the production and use of alternative jet fuels in this state does not result in additional pollution including, but not

limited to, pollution from per-and polyfluoroalkyl substances, noxious gases, ultrafine particles, lead, or other metals; and

(c) That the alternative jet fuel industry has created measurable economic growth in Washington.

(5) The review conducted by the joint legislative audit and review committee must include a racial equity analysis on air travel-related pollution in communities near an international airport owned by a port district in a county with a population greater than 1,500,000.

(6) In order to obtain the data necessary to perform the review in subsection (4) of this section, the joint legislative audit and review committee may access and use data from an international airport owned by a port district in a county with a population greater than 1,500,000, the University of Washington, reports compiled by the Washington State University pursuant to section 7 of this act, and any other data collected by the state as it deems necessary.

MESSAGE FROM THE HOUSE

April 17, 2023

MR. PRESIDENT:

The House passed SUBSTITUTE SENATE BILL NO. 5742 with the following amendment(s): 5742-S AMH TR H1952.1

Strike everything after the enacting clause and insert the following:

NEW SECTION. Sec. 1. A new section is added to chapter 47.66 RCW to read as follows:

(1) The department shall establish a paratransit and special needs grant program to sustain and expand transit service to people with disabilities.

(2) Of the amounts appropriated to the program, 23 percent shall be provided solely for grants to nonprofit providers of special needs transportation. Grants for nonprofit providers must be based on need, including the availability of other providers of service in the area, efforts to coordinate trips among providers and riders, and the cost-effectiveness of trips provided.

(3) The remaining 77 percent of amounts appropriated to the program shall be provided solely for grants to transit agencies to support persons with special transportation needs. To receive a grant, the transit agency must, to the greatest extent practicable, have a maintenance of effort for special needs transportation, in the latest calendar year for which the department publishes data in the most recent "Summary of Public Transportation" report, that is no less than the previous year's maintenance of effort for special needs transportation as shown in the report. Grants for transit agencies must be prorated based on the amount expended for demand response service and route deviated service for the

latest calendar year as published in the most recent "Summary of Public Transportation" report. No transit agency shall receive more than 30 percent of the distribution.

NEW SECTION. Sec. 2. A new section is added to chapter 47.66 RCW to read as follows:

(1) The department shall establish a public transit ride share program. The grant program shall provide resources for:

(a) Public transit agencies to add or replace ride share vehicles; and

(b) Incentives and outreach to increase ride share use.

(2) The grant program for public transit agencies may cover capital costs only and costs for operating vanpools at public transit agencies are not eligible for funding. Awards from the grant shall not be used to supplant transit funds currently funding ride share programs, nor be used to hire additional employees.

NEW SECTION. Sec. 3. A new section is added to chapter 47.76 RCW to read as follows:

(1) The department shall establish a freight rail investment bank program for the purpose of supporting freight rail capital needs by providing low-interest loans to entities based on the state's interests as outlined in RCW 47.76.240.

(2) The department shall issue freight rail investment bank program loans with a repayment period of no more than 15 years, and charge only so much interest as is necessary to recoup the department's costs to administer the loans.

(3) The department shall report annually to the transportation committees of the legislature and the office of financial management on all freight rail investment bank loans issued.

(4) Projects shall be evaluated using a cost-benefit methodology. The methodology must use the following legislative priorities:

(a) Economic, safety, or environmental advantages of freight movement by rail compared to alternative modes;

(b) Self-sustaining economic development that creates family-wage jobs;

(c) Preservation of transportation corridors that would otherwise be lost;

MESSAGE FROM THE HOUSE

April 18, 2023

MR. PRESIDENT:

The House passed SENATE BILL NO. 5765 with the following amendment(s): 5765 AMH MCCL MUNN 838; 5765 AMH MCCL MUNN 837

On page 3, line 19, after "section." insert "The toll rates established pursuant to the bistate agreement may not be set at a rate that exceeds the highest toll rate allowed on any of the other toll facilities in Washington, unless the legislature provides direction to do so in duly enacted legislation."

MOTION

On page 3, line 19, after "section." insert "The toll rates established pursuant to the bistate agreement may not be set to pay for all of the operational and administrative costs of Oregon's tolling system. The Washington tolling authority must require toll rates that specifically cover the Interstate 5 Columbia river bridge without subsidizing other Oregon toll facilities. Washington residents are already paying for toll system operations of the Washington department of transportation, and therefore the agreement must recognize that it would be unfair for the toll rates on the Interstate 5 Columbia river bridge to pay for administrative and program costs of the Oregon department of transportation that are created with the expectation to benefit multiple tolled facilities in Oregon."

and the same are herewith transmitted.

Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

(1) "Board" means the indeterminate sentence review board created under chapter 9.95 RCW.

(2) "Collect," or any derivative thereof, "collect and remit," or "collect and deliver," when used with reference to the department, means that the department, either directly or through a collection agreement authorized by RCW 9.94A.760, is responsible for monitoring and enforcing the offender's sentence with regard to the legal financial obligation, receiving payment thereof from the offender, and, consistent with current law, delivering daily the entire payment to the superior court clerk without depositing it in a departmental account.

(b) A conviction may be removed from a defendant's criminal history only if it is vacated pursuant to RCW 9.96.060, 9.94A.640, 9.95.240, or a similar out-of-state statute, or if the conviction has been vacated pursuant to a governor's pardon. However, when a defendant is charged with a recidivist offense, "criminal history" includes a vacated prior conviction for the sole purpose of establishing that such vacated prior conviction constitutes an element of the present recidivist offense as provided in RCW 9.94A.640(4)(b) and 9.96.060(7)(c).

(c) The determination of a defendant's criminal history is distinct from the determination of an offender score. A prior conviction that was not included in an offender score calculated pursuant to a former version of the sentencing reform act remains part of the defendant's criminal history.

(12) "Criminal street gang" means any ongoing organization, association, or group of three or more persons, whether formal or informal, having a common name or common identifying sign or symbol, having as one of its primary activities the commission of criminal acts, and whose members or associates individually or collectively engage in or have engaged in a pattern of criminal street gang activity. Sec. 6. RCW 9.94A.525 and 2021 c 215 s 100 are each amended to read as follows:

The offender score is measured on the horizontal axis of the sentencing grid. The offender score rules are as follows:

The offender score is the sum of points accrued under this section rounded down to the nearest whole number.

(1) A prior conviction is a conviction which exists before the date of sentencing for the offense for which the offender score is being computed. Convictions entered or sentenced on the same date as the conviction for which the offender score is being computed shall be deemed "other current offenses" within the meaning of RCW 9.94A.589.

(2)(a) Class A and sex prior felony convictions shall always be included in the offender score.

(b) Class B prior felony convictions other than sex offenses shall not be included in the offender score, if since the last date of release from confinement (including full-time residential treatment) pursuant to a felony conviction, if any, or entry of judgment and sentence, the offender had spent ~~((ten))~~ 10 consecutive years in the community without committing any crime that subsequently results in a conviction.

(c) Except as provided in (e) of this subsection, class C prior felony convictions other than sex offenses shall not be included in the offender score if, since the last date of release from confinement (including full-time residential treatment) pursuant to a felony conviction, if any, or entry of judgment and sentence, the offender had spent five consecutive years in the community without committing any crime that subsequently results in a conviction.

(d) Except as provided in (e) of this subsection, serious traffic convictions shall not be included in the offender score if, since the last date of release from confinement (including full-time residential treatment) pursuant to a conviction, if any, or entry of judgment and sentence, the offender spent five years in the community without committing any crime that subsequently results in a conviction.

(e) If the present conviction is felony driving while under the influence of intoxicating liquor or any drug (RCW 46.61.502(6)) or felony physical control of a vehicle while under the influence of intoxicating liquor or any drug (RCW 46.61.504(6)), all

predicate crimes for the offense as defined by RCW 46.61.5055(14) shall be included in the offender score, and prior convictions for felony driving while under the influence of intoxicating liquor or any drug (RCW 46.61.502(6)) or felony physical control of a vehicle while under the influence of intoxicating liquor or any drug (RCW 46.61.504(6)) shall always be included in the offender score. All other convictions of the defendant shall be scored according to this section.

(f) Prior convictions for a repetitive domestic violence offense, as defined in RCW 9.94A.030, shall not be included in the offender score if, since the last date of release from confinement or entry of judgment and sentence, the offender had spent ~~((ten))~~ 10 consecutive years in the community without committing any crime that subsequently results in a conviction.

(g) This subsection applies to both adult and juvenile prior convictions.

(3) Out-of-state convictions for offenses shall be classified according to the comparable offense definitions and sentences provided by Washington law. Federal convictions for offenses shall be classified according to the comparable offense definitions and sentences provided by Washington law. If there is no clearly comparable offense under Washington law or the offense is one that is usually considered subject to exclusive federal jurisdiction, the offense shall be scored as a class C felony equivalent if it was a felony under the relevant federal statute.

(4) Score prior convictions for felony anticipatory offenses (attempts, criminal solicitations, and criminal conspiracies) the same as if they were convictions for completed offenses.

(5)(a) In the case of multiple prior convictions, for the purpose of computing the offender score, count all convictions separately, except:

(i) Prior offenses which were found, under RCW 9.94A.589(1)(a), to encompass the same criminal conduct, shall be counted as one offense, the offense that yields the highest offender score. The current sentencing court shall determine with respect to other prior adult offenses for which sentences were served concurrently or prior juvenile offenses for which sentences were served consecutively, whether those offenses shall be counted as one offense or as separate offenses using the "same criminal conduct" analysis found in RCW 9.94A.589(1)(a), and if the court finds that they shall be counted as one offense, then the offense that yields the highest offender score shall be used. The current sentencing court may presume that such other prior offenses were not the same criminal conduct from sentences imposed on separate dates, or in separate counties or jurisdictions, or in separate complaints, indictments, or informations;

(ii) In the case of multiple prior convictions for offenses committed before July 1, 1986, for the purpose of computing the offender score, count all adult convictions served concurrently as one offense, and count all juvenile convictions entered on the same date as one offense. Use the conviction for the offense that yields the highest offender score.

(b) As used in this subsection (5), "served concurrently" means that: (i) The latter sentence was imposed with specific reference to the former; (ii) the concurrent relationship of the sentences was judicially imposed; and (iii) the concurrent timing of the sentences was not the result of a probation or parole revocation on the former offense.

(6) If the present conviction is one of the anticipatory offenses of criminal attempt, solicitation, or conspiracy, count each prior conviction as if the present conviction were for a completed offense. When these convictions are used as criminal history, score them the same as a completed crime.

ONE HUNDRED SECOND DAY, APRIL 20, 2023

As a condition of granting deferred prosecution, the court may order supervision of the petitioner during the period of deferral and may levy a monthly assessment upon the petitioner as provided in RCW 10.64.120. In a jurisdiction with a probation department, the court may appoint the probation department to supervise the petitioner. In a jurisdiction without a probation department, the court may appoint an appropriate person or agency to supervise the petitioner. A supervisor appointed under this section shall be required to do at least the following:

(1) If the charge for which deferral is granted relates to operation of a motor vehicle, at least once every ~~((six))~~ three months request ~~((from the department of licensing))~~ an abstract of the petitioner's driving record; ~~((and))~~

Sec. 26. RCW 46.20.355 and 2020 c 330 s 8 are each amended to read as follows:

(1) Upon receipt of an abstract indicating a deferred prosecution has been granted under RCW 10.05.060, or upon receipt of a notice of conviction of RCW 46.61.502 or 46.61.504, the department of licensing shall issue notice that 45 days after receipt, the person must apply for a probationary license, and order the person to surrender any nonprobationary Washington state driver's license that may be in his or her possession. The department shall revoke the license, permit, or privilege to drive of any person who fails to surrender it as required by this section for one year, unless the license has been previously surrendered to the department, a law enforcement officer, or a court, or the person has completed an affidavit of lost, stolen, destroyed, or previously surrendered license, such revocation to take effect ~~((thirty))~~ 30 days after notice is given of the requirement for license surrender.

(2) The department shall place a person's driving privilege in probationary status as required by RCW 10.05.060 or 46.61.5055 for a period of five years from the date the probationary status is required to go into effect.

(3) Following receipt of an abstract indicating a deferred prosecution has been granted under RCW 10.05.060, or upon reinstatement or reissuance of a driver's license suspended or revoked as the result of a conviction of RCW 46.61.502 or 46.61.504, the department shall require the person to obtain a probationary license in order to operate a motor vehicle in the state of Washington, except as otherwise exempt under RCW 46.20.025. The department shall not issue the probationary license unless the person is otherwise qualified for licensing, and the person must renew the probationary license on the same cycle as the person's regular license would have been renewed until the expiration of the five-year probationary status period imposed under subsection (2) of this section.

(4) If a person is eligible for full credit under RCW 46.61.5055(9)(b)(ii) and, by the date specified in the notice issued under RCW 46.20.245, has completed the requirements under RCW 46.20.311 and paid the fee under subsection (5) of this section, the department shall issue a probationary license on the date specified in the notice with no further action required of the person.

(5) For each original issue or renewal of a probationary license under this section, the department shall charge a fee of ~~((fifty dollars))~~ \$50 in addition to any other licensing fees required. Except for when renewing a probationary license, the department shall waive the requirement to obtain an additional probationary license and the ~~((fifty dollar))~~ \$50 fee if the person has a probationary license in his or her possession at the time a new probationary license is required.

(6) A probationary license shall enable the department and law enforcement personnel to determine that the person is on probationary status. The fact that a person's driving privilege is in probationary status or that the person has been issued a probationary license shall not be a part of the person's record that is available to insurance companies.

Sec. 27. RCW 46.20.385 and 2020 c 330 s 9 are each amended to read as follows:

(1)(a) Any person licensed under this chapter or who has a valid driver's license from another state, who is convicted of: (i) A violation of RCW 46.61.502 or 46.61.504 or an equivalent local or out-of-state statute or ordinance, or (ii) a violation of RCW 46.61.520(1)(a) or an equivalent local or out-of-state statute or ordinance, or (iii) a conviction for a violation of RCW 46.61.520(1) (b) or (c) if the conviction is the result of a charge that was originally filed as a violation of RCW 46.61.520(1)(a), or (iv) RCW 46.61.522(1)(b) or an equivalent local or out-of-state statute or ordinance, or (v) RCW 46.61.522(1) (a) or (c) if the conviction is the result of a charge that was originally filed as a violation of RCW 46.61.522(1)(b) committed while under the influence of intoxicating liquor or any drug, or (vi) who has had or will have his or her license suspended, revoked, or denied under RCW 46.20.3101, or has had his or her license suspended, revoked, or denied under RCW 46.61.5055(11)(c), or who is otherwise permitted under subsection (8) of this section, may submit to the department an application for an ignition interlock driver's license. The department, upon receipt of the prescribed fee and upon determining that the petitioner is eligible to receive the license, may issue an ignition interlock driver's license.

(b) A person may apply for an ignition interlock driver's license anytime, including immediately after receiving the notices under RCW 46.20.308 or after his or her license is suspended, revoked, or denied.

(c) An applicant under this subsection shall provide proof to the satisfaction of the department that a functioning ignition interlock device has been installed on all vehicles operated by the person.

(i) The department shall require the person to maintain the device on all vehicles operated by the person and shall restrict the person to operating only vehicles equipped with the device, for the remainder of the period of suspension, revocation, or denial, unless otherwise permitted under RCW 46.20.720(6).

(ii) Subject to any periodic renewal requirements established by the department under this section and subject to any applicable compliance requirements under this chapter or other law, an ignition interlock driver's license granted upon a suspension or revocation under RCW 46.61.5055 or 46.20.3101 extends through the remaining portion of any concurrent or consecutive suspension or revocation that may be imposed as the result of administrative action and criminal conviction arising out of the same incident.

(2) An applicant for an ignition interlock driver's license who qualifies under subsection (1) of this section is eligible to receive a license only if the applicant files satisfactory proof of financial responsibility under chapter 46.29 RCW.

(3) Upon receipt of evidence that a holder of an ignition interlock driver's license granted under this subsection no longer has a functioning ignition interlock device installed on all vehicles operated by the driver, the director shall give written notice by first-class mail to the driver that the ignition interlock driver's license shall be canceled. If at any time before the cancellation goes into effect the driver submits evidence that a functioning ignition interlock device has been installed on all vehicles operated by the driver, the cancellation shall be stayed. If the cancellation becomes effective, the driver may obtain, at no additional charge, a new ignition interlock driver's license upon submittal of evidence that a functioning ignition interlock device has been installed on all vehicles operated by the driver.

(4) A person aggrieved by the decision of the department on the application for an ignition interlock driver's license may request a hearing as provided by rule of the department.

ONE HUNDRED SECOND DAY, APRIL 20, 2023

(5) The director shall cancel an ignition interlock driver's license after receiving notice that the holder thereof has been convicted of operating a motor vehicle in violation of its restrictions, no longer meets the eligibility requirements, or has been convicted of or found to have committed a separate offense or any other act or omission that under this chapter would warrant suspension or revocation of a regular driver's license. The department must give notice of the cancellation as provided under RCW 46.20.245. A person whose ignition interlock driver's license has been canceled under this section may reapply for a new ignition interlock driver's license if he or she is otherwise qualified under this section and pays the fee required under RCW 46.20.380.

(6)(a) Unless costs are waived by the ignition interlock company or the person is indigent under RCW 10.101.010, the applicant shall pay the cost of installing, removing, and leasing the ignition interlock device and shall pay an additional fee of twenty-one dollars per month. Payments shall be made directly to the ignition interlock company. The company shall remit the additional fee to the department, except that the company may retain ~~((twenty-five))~~ 25 cents per month of the additional fee to cover the expenses associated with administering the fee.

(b) The department shall deposit the proceeds of the twenty-one dollar fee into the ignition interlock device revolving account. Expenditures from the account may be used only to administer and operate the ignition interlock device revolving account program. The department shall adopt rules to provide monetary assistance according to greatest need and when funds are available.

(7) The department shall adopt rules to implement ignition interlock licensing. The department shall consult with the administrative office of the courts, the state patrol, the Washington association of sheriffs and police chiefs, ignition interlock companies, and any other organization or entity the department deems appropriate.

(8)(a) Any person licensed under this chapter who is convicted of a violation of RCW 46.61.500 when the charge was originally filed as a violation of RCW 46.61.502 or 46.61.504, or an equivalent local ordinance, may submit to the department an application for an ignition interlock driver's license under this section.

(b) A person who does not have any driver's license under this chapter, but who would otherwise be eligible under this section to apply for an ignition interlock license, may submit to the department an application for an ignition interlock license. The department may require the person to take any driver's licensing examination under this chapter and may require the person to also apply and qualify for a temporary restricted driver's license under RCW 46.20.391.

Sec. 28. RCW 46.20.720 and 2020 c 330 s 10 are each amended to read as follows:

(1) **Ignition interlock restriction.** The department shall require that a person may drive only a motor vehicle equipped with a functioning ignition interlock device:

(a) **Pretrial release.** Upon receipt of notice from a court that an ignition interlock device restriction has been imposed under RCW 10.21.055;

(b) **Ignition interlock driver's license.** As required for issuance of an ignition interlock driver's license under RCW 46.20.385;

(c) **Deferred prosecution.** Upon receipt of notice from a court that the person is participating in a deferred prosecution program under RCW 10.05.020 for a violation of:

(i) RCW 46.61.502 or 46.61.504 or an equivalent local ordinance; or

(ii) RCW 46.61.5249 or 46.61.500 or an equivalent local ordinance if the person would be required under RCW 46.61.5249(4) or 46.61.500(3) (a) or (b) to install an ignition interlock device on all vehicles operated by the person in the event of a conviction;

(d) **Post conviction.** After any applicable period of mandatory suspension, revocation, or denial of driving privileges, or upon fulfillment of day-for-day credit under RCW 46.61.5055(9)(b)(ii) for a suspension, revocation, or denial of driving privileges:

(i) Due to a conviction of a violation of RCW 46.61.502 or 46.61.504 or an equivalent local or out-of-state statute or ordinance; or

(ii) Due to a conviction of a violation of RCW 46.61.5249 or 46.61.500 or an equivalent local ordinance if the person is required under RCW 46.61.5249(4) or 46.61.500(3) (a) or (b) to install an ignition interlock device on all vehicles operated by the person; or

(e) **Court order.** Upon receipt of an order by a court having jurisdiction that a person charged or convicted of any offense involving the use, consumption, or possession of alcohol while operating a motor vehicle may drive only a motor vehicle equipped with a functioning ignition interlock. The court shall establish a specific alcohol set point at which the ignition interlock will prevent the vehicle from being started. The court shall also establish the period of time for which ignition interlock use will be required.

(2) **Alcohol set point.** Unless otherwise specified by the court for a restriction imposed under subsection (1)(e) of this section, the ignition interlock device shall have an alcohol set point that prevents the motor vehicle from being started when the breath sample provided has an alcohol concentration of 0.020 or more.

(3) **Duration of restriction.** A restriction imposed under:

(a) Subsection (1)(a) of this section shall remain in effect until:

(i) The court has authorized the removal of the device under RCW 10.21.055; or

(ii) The department has imposed a restriction under subsection (1)(b), (c), or (d) of this section arising out of the same incident.

(b) Subsection (1)(b) of this section remains in effect during the validity of any ignition interlock driver's license that has been issued to the person.

(c) Subsection (1)(c)(i) or (d)(i) of this section shall be for no less than:

(i) For a person who has not previously been restricted under this subsection, a period of one year;

(ii) For a person who has previously been restricted under (c)(i) of this subsection, a period of five years;

(iii) For a person who has previously been restricted under (c)(ii) of this subsection, a period of ~~((ten))~~ 10 years.

The restriction of a person who is convicted of a violation of RCW 46.61.502 or 46.61.504 or an equivalent local ordinance and who committed the offense while one or more passengers under the age of ~~((sixteen))~~ 16 were in the vehicle shall be extended for an additional period as required by RCW 46.61.5055(6)(a).

For purposes of determining a period of restriction for a person restricted pursuant to a conviction under (d) of this subsection, a restriction based on a deferred prosecution under subsection (1)(c) of this section arising out of the same incident is not considered a prior restriction for purposes of this subsection.

(d) Subsection (1)(c)(ii) or (d)(ii) of this section shall be for a period of no less than six months.

(e) The period of restriction under (c) or (d) of this subsection shall be extended by ~~((one hundred eighty))~~ 180 days whenever the department receives notice that the restricted person has been convicted under RCW 46.20.740 or 46.20.750. If the period of

restriction under (c) or (d) of this subsection has been fulfilled and cannot be extended, the department must add a new (~~one hundred eighty-day~~) 180-day restriction that is imposed from the date of conviction and is subject to the requirements for removal under subsection (4) of this section.

(f) Subsection (1)(e) of this section shall remain in effect for the period of time specified by the court.

(g) The period of restriction under (c) and (d) of this subsection based on incidents occurring on or after June 9, 2016, must be tolled for any period in which the person does not have an ignition interlock device installed on a vehicle owned or operated by the person unless the person receives a determination from the department that the person is unable to operate an ignition interlock device due to a physical disability. For all drivers restricted under this section with incidents and restriction start dates prior to June 9, 2016, a driver may apply to waive the restriction by applying for a determination from the department that the person is unable to operate an ignition interlock device due to a physical disability. The department's determination that a person is unable to operate an ignition interlock device must be reasonable and be based upon good and substantial evidence. This determination is subject to review by a court of competent jurisdiction. The department may charge a person seeking a medical exemption under this subsection a reasonable fee for the assessment.

(4) **Requirements for removal.** A restriction imposed under subsection (1)(c) or (d) of this section shall remain in effect until the department receives a declaration from the person's ignition interlock device vendor, in a form provided or approved by the department, certifying the following:

(a) That there have been none of the following incidents in the (~~one hundred eighty~~) 180 consecutive days prior to the date of release:

(i) Any attempt to start the vehicle with a breath alcohol concentration of 0.04 or more unless a subsequent test performed within (~~ten~~) 10 minutes registers a breath alcohol concentration lower than 0.04 and the digital image confirms the same person provided both samples;

(ii) Failure to take any random test unless a review of the digital image confirms that the vehicle was not occupied by the driver at the time of the missed test;

(iii) Failure to pass any random retest with a breath alcohol concentration of lower than 0.020 unless a subsequent test performed within (~~ten~~) 10 minutes registers a breath alcohol concentration lower than 0.020, and the digital image confirms the same person provided both samples;

(iv) Failure of the person to appear at the ignition interlock device vendor when required for maintenance, repair, calibration, monitoring, inspection, or replacement of the device; or

(v) Removal of the ignition interlock device by a person other than an ignition interlock technician certified by the Washington state patrol; and

(b) That the ignition interlock device was inspected at the conclusion of the (~~one hundred eighty-day~~) 180-day period by an ignition interlock technician certified by the Washington state patrol and no evidence was found that the device was tampered with in the manner described in RCW 46.20.750.

(5) **Day-for-day credit.** (a) The time period during which a person has an ignition interlock device installed in order to meet the requirements of subsection (1)(b) of this section shall apply on a day-for-day basis toward satisfying the period of time the ignition interlock device restriction is imposed under subsection (1)(c) or (d) of this section arising out of the same incident.

(b) The department must also give the person a day-for-day credit for any time period, beginning from the date of the

incident, during which the person kept an ignition interlock device installed on all vehicles the person operates, other than those subject to the employer exemption under subsection (6) of this section.

(c) If the day-for-day credit granted under this subsection equals or exceeds the period of time the ignition interlock device restriction is imposed under subsection (1)(c) or (d) of this section arising out of the same incident, and the person has already met the requirements for removal of the device under subsection (4) of this section, the department may waive the requirement that a device be installed or that the person again meet the requirements for removal.

(6) **Employer exemption.** (a) Except as provided in (b) of this subsection, the installation of an ignition interlock device is not necessary on vehicles owned, leased, or rented by a person's employer and on those vehicles whose care and/or maintenance is the temporary responsibility of the employer, and driven at the direction of a person's employer as a requirement of employment during working hours. The person must provide the department with a declaration pursuant to chapter 5.50 RCW from his or her employer stating that the person's employment requires the person to operate a vehicle owned by the employer or other persons during working hours. When the department receives a declaration under this subsection, it shall attach or imprint a notation on the person's driving record stating that the employer exemption applies.

(b) The employer exemption does not apply when the employer's vehicle is assigned exclusively to the restricted driver and used solely for commuting to and from employment.

(c) The employer exemption does not apply to a person who is self-employed unless the person's vehicle is used exclusively for the person's employment.

(7) **Ignition interlock device revolving account.** In addition to any other costs associated with the use of an ignition interlock device imposed on the person restricted under this section, the person shall pay an additional fee of (~~twenty-one dollars~~) \$21 per month. Payments must be made directly to the ignition interlock company. The company shall remit the additional fee to the department to be deposited into the ignition interlock device revolving account, except that the company may retain (~~twenty-five~~) 25 cents per month of the additional fee to cover the expenses associated with administering the fee. The department may waive the monthly fee if the person is indigent under RCW 10.101.010.

(8) **Foreign jurisdiction.** For a person restricted under this section who is residing outside of the state of Washington, the department may accept verification of installation of an ignition interlock device by an ignition interlock company authorized to do business in the jurisdiction in which the person resides, provided the device meets any applicable requirements of that jurisdiction. The department may waive one or more requirements for removal under subsection (4) of this section if compliance with the requirement or requirements would be impractical in the case of a person residing in another jurisdiction, provided the person is in compliance with any equivalent requirement of that jurisdiction. The department may waive the monthly fee required by subsection (7) of this section if collection of the fee would be impractical in the case of a person residing in another jurisdiction.

Sec. 29. RCW 46.20.740 and 2020 c 330 s 11 are each amended to read as follows:

(1) The department shall attach or imprint a notation on the driving record of any person restricted under RCW 46.20.720, 46.61.5055, or 10.05.140 stating that the person may operate only a motor vehicle equipped with a functioning ignition interlock

device. The department shall determine the person's eligibility for licensing based upon written verification by a company doing business in the state that it has installed the required device on a vehicle owned or operated by the person seeking reinstatement. If, based upon notification from the interlock provider or otherwise, the department determines that an ignition interlock required under this section is no longer installed or functioning as required, the department shall suspend the person's license or privilege to drive. Whenever the license or driving privilege of any person is suspended or revoked as a result of noncompliance with an ignition interlock requirement, the suspension shall remain in effect until the person provides notice issued by a company doing business in the state that a vehicle owned or operated by the person is equipped with a functioning ignition interlock device.

(2) It is a gross misdemeanor for a person with such a notation on his or her driving record to operate a motor vehicle that is not so equipped, unless the notation resulted from a restriction imposed as a condition of release and the restriction has been released by the court prior to driving. Any time a person is convicted under this section, the court shall immediately notify the department for purposes of RCW 46.20.720(3)(e). It is an affirmative defense, which the defendant must prove by a preponderance of the evidence, that the employer exemption in RCW 46.20.720(6) applies. The court shall not admit evidence of this defense unless the defendant notifies the prosecution prior to the omnibus or pretrial hearing in the case of the defendant's intent to assert the affirmative defense.

(3) Any sentence imposed for a violation of subsection (2) of this section shall be served consecutively with any sentence imposed under RCW 46.20.750, 46.61.502, 46.61.504, or 46.61.5055.

Sec. 30. RCW 46.52.130 and 2022 c 182 s 206 are each amended to read as follows:

Upon a proper request, the department may only furnish information contained in an abstract of a person's driving record as permitted under this section.

(1) **Contents of abstract of driving record.** An abstract of a person's driving record, whenever possible, must include:

(a) An enumeration of motor vehicle accidents in which the person was driving, including:

(iii) Whether the vehicles were occupied at the time of the accident; and

(iv) Whether the accident resulted in a fatality;

(b) Any reported convictions, forfeitures of bail, or findings that an infraction was committed based upon a violation of any motor vehicle law;

(c) The status of the person's driving privilege in this state; and

(d) Any reports of failure to appear in response to a traffic citation or failure to respond to a notice of infraction served upon the named individual by an arresting officer.

(2) **Release of abstract of driving record.** Unless otherwise required in this section, the release of an abstract does not require a signed statement by the subject of the abstract. An abstract of a person's driving record may be furnished to the following persons or entities:

(a) **Named individuals.** (i) An abstract of the full driving record maintained by the department may be furnished to the individual named in the abstract.

(ii) Nothing in this section prevents a court from providing a copy of the driver's abstract to the individual named in the abstract or that named individual's attorney, provided that the named individual has a pending or open infraction or criminal

case in that court. A pending case includes criminal cases that have not reached a disposition by plea, stipulation, trial, or amended charge. An open infraction or criminal case includes cases on probation, payment agreement or subject to, or in collections. A probation clerk or probation officer employed by the court may also provide a copy of the driver's abstract to a treatment agency in accordance with (f) of this subsection. Courts may charge a reasonable fee for the production and copying of the abstract for the individual unless the person is indigent as defined in RCW 10.101.010.

(iii) An abstract of the full driving record maintained by the department may be furnished to an employer or prospective employer or the agent(s) acting on behalf of an employer or prospective employer of the named individual for purposes unrelated to driving by the individual when a driving record is required by federal or state law, or the employee or prospective employee will be handling heavy equipment or machinery.

(iv) Release of an abstract of the driving record of an employee or prospective employee requires a statement signed by: (A) The employee or prospective employee that authorizes the release of the record; and (B) the employer attesting that the information is necessary for employment purposes related to driving by the individual as a condition of employment or otherwise at the direction of the employer. If the employer or prospective employer authorizes agents to obtain this information on their behalf, this must be noted in the statement. The statement must also note that any information contained in the abstract related to an adjudication that is subject to a court order sealing the juvenile record of an employee or prospective employee may not be used by the employer or prospective employer, or an agent authorized to obtain this information on their behalf, unless required by federal regulation or law. The employer or prospective employer must afford the employee or prospective employee an opportunity to demonstrate that an adjudication contained in the abstract is subject to a court order sealing the juvenile record.

(v) Upon request of the person named in the abstract provided under this subsection, and upon that same person furnishing copies of court records ruling that the person was not at fault in a motor vehicle accident, the department must indicate on any abstract provided under this subsection that the person was not at fault in the motor vehicle accident.

(vi) No employer or prospective employer, nor any agents of an employer or prospective employer, may use information contained in the abstract related to an adjudication that is subject to a court order sealing the juvenile record of an employee or prospective employee for any purpose unless required by federal regulation or law. The employee or prospective employee must furnish a copy of the court order sealing the juvenile record to the employer or prospective employer, or the agents of the employer or prospective employer, as may be required to ensure the application of this subsection.

(ii) Release of an abstract of the driving record of a prospective volunteer requires a statement signed by: (A) The prospective volunteer that authorizes the release of the record; and (B) the volunteer organization attesting that the information is necessary for purposes related to driving by the individual at the direction of the volunteer organization. If the volunteer organization authorizes an agent to obtain this information on their behalf, this must be noted in the statement.

(iii) Any policy of insurance may not be canceled, nonrenewed, denied, or have the rate increased on the basis of information regarding an accident included in the abstract of a driving record, unless the policyholder was determined to be at fault.

(iv) Any insurance company or its agents, for underwriting purposes relating to the operation of commercial motor vehicles, may not use any information contained in the abstract relative to any person's operation of motor vehicles while not engaged in such employment. Any insurance company or its agents, for underwriting purposes relating to the operation of noncommercial motor vehicles, may not use any information contained in the abstract relative to any person's operation of commercial motor vehicles. For the purposes of this subsection, "commercial motor vehicle" has the same meaning as in RCW 46.25.010(6).

(f) **Alcohol/drug assessment or treatment agencies.** An abstract of the full driving record maintained by the department

~~((covering the period of not more than the last five years))~~ may be furnished to an alcohol/drug assessment or treatment agency approved by the department of health to which the named individual has applied or been assigned for evaluation or treatment, for purposes of assisting employees in making a determination as to what level of treatment, if any, is appropriate, ~~((except that))~~ and the abstract must:

However, the department may charge a cost-recovery fee for the actual cost of providing the data.

(3) **Reviewing of driving records.** (a) In addition to the methods described herein, the director may enter into a contractual agreement for the purpose of reviewing the driving records of existing employees for changes to the record during specified periods of time. The department shall establish a fee for this service, which must be deposited in the highway safety fund. The fee for this service must be set at a level that does not result in a net revenue loss to the state. The county or municipality in which the penalty is being imposed shall determine the cost. The court may also require the offender's electronic home monitoring device or other separate alcohol monitoring device to include an alcohol detection breathalyzer, and the court may restrict the amount of alcohol the offender may consume during the time the offender is on electronic home monitoring; and

The court may consider the offender's pretrial 24/7 sobriety program testing as fulfilling a portion of posttrial sentencing. The offender shall pay the cost of electronic home monitoring. The county or municipality in which the penalty is being imposed shall determine the cost. The court may also require the offender's electronic home monitoring device to include an alcohol detection breathalyzer or other separate alcohol monitoring device, and the court may restrict the amount of alcohol the offender may consume during the time the offender is on electronic home monitoring; and

(d) Upon its own motion or upon motion by a person, a court may find, on the record, that notice to the department under RCW 46.20.270 has been delayed for three years or more as a result of a clerical or court error. The court shall send notice of the finding and order to the department and to the person. Upon receipt of the notice from the court, the department shall not revoke, suspend, or deny the license, permit, or nonresident privilege of the person for that offense.

The sentence may be imposed in whole or in part upon violation of a condition of probation during the suspension period.

The court is not required to notify the department of the violation unless it is not cured within 30 days.

(12) **Waiver of electronic home monitoring.** A court may waive the electronic home monitoring requirements of this chapter when:

(a) The offender does not have a dwelling, telephone service, or any other necessity to operate an electronic home monitoring system. However, if a court determines that an alcohol monitoring device utilizing wireless reporting technology is reasonably available, the court may require the person to obtain such a device during the period of required electronic home monitoring;

(b) The offender does not reside in the state of Washington; or

(c) The court determines that there is reason to believe that the offender would violate the conditions of the electronic home monitoring penalty.

Whenever the mandatory minimum term of electronic home monitoring is waived, the court shall state in writing the reason for granting the waiver and the facts upon which the waiver is based, and shall impose an alternative sentence with similar punitive consequences. The alternative sentence may include, but is not limited to, use of an ignition interlock device, the 24/7 sobriety program monitoring, additional jail time, work crew, or work camp.

Whenever the combination of jail time and electronic home monitoring or alternative sentence would exceed ~~((three hundred sixty four))~~ 364 days, the offender shall serve the jail portion of the sentence first, and the electronic home monitoring or alternative portion of the sentence shall be reduced so that the combination does not exceed ~~((three hundred sixty four))~~ 364 days.

(13) **Extraordinary medical placement.** An offender serving a sentence under this section, whether or not a mandatory minimum term has expired, may be granted an extraordinary medical placement by the jail administrator subject to the standards and limitations set forth in RCW 9.94A.728(1)(c).

SECOND READING

SECOND SUBSTITUTE HOUSE BILL NO. 1559, by House Committee on Appropriations (originally sponsored by

Entenman, Fitzgibbon, Stonier, Paul, Riccelli, Bergquist, Pollet and Leavitt)

Establishing the student basic needs at public postsecondary institutions act.

The measure was read the second time.

MOTION

Senator Randall moved that the following striking amendment no. 0456 by Senator Randall be adopted:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. In 2022, students at 39 colleges and universities across Washington state participated in a survey about basic needs insecurities, including access to food, housing, child care, and more. The survey found that nearly half of all students in all regions of the state experienced some type of basic needs insecurity. One in every three students experienced either food insecurity or housing insecurity. One in every 10 students had also experienced homelessness in the previous 12 months. Some students experienced these insecurities at higher rates than others, and former foster youth had the highest rates of basic needs insecurities with 75 percent experiencing either food or housing insecurity. Addressing basic needs challenges for students contributes to their ability to remain enrolled and pursue their educational goals as evidenced by data from the two student support programs the legislature previously enacted, the student emergency assistance grant program and the supporting students experiencing homelessness pilot program. When students received this assistance, an average of 88 percent of them were able to persist in their programs.

Therefore, the legislature intends to continue to support students and help students meet their basic needs by increasing access to resources and support services.

NEW SECTION. Sec. 2. A new section is added to chapter 28B.10 RCW to read as follows:

(1) Subject to the availability of amounts appropriated for this specific purpose, each institution of higher education, the university campuses created under chapter 28B.45 RCW, and the tribal college must have a minimum of one benefits navigator employed at a minimum .75 full-time equivalent rate, not to be divided between two or more staff, to assist students in accessing public benefits, existing emergency assistance programs such as those funded by RCW 28B.50.295, and other community resources. Each benefits navigator must be stationed at a single location on campus where students are directed to receive assistance. The institutions of higher education and the tribal college, in coordination with the respective benefits navigators, must each develop a hunger-free and basic needs campus strategic plan by April 1, 2024. Each strategic plan must:

(a) Identify campus food pantry policies that, in practice, create barriers to access and reduce or remove those barriers in the implementation of this subsection;

(b) Review and update methods to identify likely low-income and food-insecure students and conduct communications and outreach methods by the institution to promote opportunities for benefits assistance (such as basic food enrollment, working connections child care enrollment, referrals to the special supplemental nutrition program for women, infants, and children, affordable housing assistance) and emergency financial resources;

(c) Assess the needs and advantages of the benefits navigators;

(d) Identify opportunities for the institution and partnerships with community-based organizations to holistically support students' basic needs, access to benefits and community resources;

(e) Facilitate discussions and generate recommendations amongst community stakeholders on the basic needs of the institution's geographic postsecondary student population; and

(f) Assess the distribution of state funds for basic needs support provided to institutions of higher education and the tribal college.

(2) By the beginning of the 2024-25 academic year, the Washington student achievement council must collect and disseminate results of a student survey developed by the student achievement council, in collaboration with the state board for community and technical colleges and an organization representing the presidents of the public four-year institutions of higher education, to assess food security, housing security, and access to basic economic supports. Results from the survey may be used by the institutions of higher education and the tribal college. Existing survey tools may be used for this purpose.

(3) Public four-year institutions of higher education and their respective university campuses shall coordinate with an organization representing the presidents of the public four-year institutions to submit a report that must include outcomes from implementation of benefits navigators and findings and activities from their respective hunger-free and basic needs campus strategic plans. The community and technical colleges shall coordinate with the state board for community and technical colleges to submit a report that must include outcomes from implementation of benefits navigators and findings and activities from their respective hunger-free and basic needs campus strategic plans. The organizations representing the presidents of the public four-year institutions and the state board for community and technical colleges must submit the reports by December 1, 2025, and every other year thereafter, to the appropriate committees of the legislature in accordance with RCW 43.01.036.

(4) The tribal college shall submit a report that must include the findings and activities from implementation of the benefits navigator and findings and activities from the hunger-free and basic needs campus strategic plan. The tribal college must submit the report by December 1, 2025, and every other year thereafter, to the appropriate committees of the legislature in accordance with RCW 43.01.036.

(5) The definitions in this subsection apply throughout this section unless the context clearly requires otherwise.

(a) "Benefits navigator" means an individual who is employed by an institution of higher education for the purpose of helping students seek, apply for, and receive assistance from benefits programs, emergency resources, and community resources.

(b) "Institutions of higher education" has the same meaning as in RCW 28B.10.016.

(c) "Student basic needs" means food, water, shelter, clothing, physical health, mental health, child care, or similar needs that students enrolled at an institution of higher education or tribal college may face difficulty with and that hinders their ability to begin or continue their enrollment.

(d) "Tribal colleges" means institutions of higher education operated by an Indian tribe as defined in RCW 43.376.010.

NEW SECTION. Sec. 3. (1) Subject to the availability of amounts appropriated for this specific purpose, a pilot program to provide free and low-cost meal plans or food vouchers to eligible low-income students is established at:

ONE HUNDRED SECOND DAY, APRIL 20, 2023

(a) Four college districts, two on each side of the crest of the Cascade mountains, selected by the state board for community and technical colleges; and

(b) Two public four-year institutions of higher education, one on each side of the crest of the Cascade mountains, selected by an organization representing the presidents of public four-year institutions.

(2) The pilot program expires July 1, 2026.

(3) This section expires January 1, 2027.

NEW SECTION. Sec. 4. If specific funding for the purposes of this act, referencing this act by bill or chapter number, is not provided by June 30, 2023, in the omnibus appropriations act, this act is null and void."

On page 1, line 2 of the title, after "act;" strike the remainder of the title and insert "adding a new section to chapter 28B.10 RCW; creating new sections; and providing an expiration date."

(1) All self-insured municipal employers and self-insured private sector firefighter employers and their third-party administrators have a duty of good faith and fair dealing to workers relating to all aspects of this title. The duty of good faith requires fair dealing and equal consideration for the worker's interests.

(2) A self-insured municipal employer or self-insured private sector firefighter employer or their third-party administrator violates its duty to the worker if it coerces a worker to accept less than the compensation due under this title, or otherwise fails to act in good faith and fair dealing regarding its obligations under this title.

(3) The department shall adopt by rule additional applications of the duty of good faith and fair dealing as well as criteria for determining appropriate penalties for violations. (5) The department shall issue an order determining whether a violation of this section has occurred, in conformance with RCW 51.52.050, within 30 calendar days of receipt of a complete complaint or its own motion. (g)(i) For a self-insured municipal employer, the self-insurer has been found to have violated the self-insurer's duty of good faith and fair dealing three times within a three-year period.

(ii) For purposes of determining whether there have been three violations within a three-year period, the director must use the date of the department's order. Any subsequent order of the department, board of industrial insurance appeals, or courts affirming a violation occurred relates back to the date of the department's order.

The measure was read the second time.

MOTION

Senator Shewmake moved that the following striking amendment no. 0459 by Senator Liias be adopted:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. During the regular legislative session of 2022, the legislature passed Engrossed Substitute Senate Bill No. 5974 (chapter 182, Laws of 2022), a significant transportation resources bill intended to provide needed transportation funding throughout the state. However, since the enactment of that act, certain drafting errors and omissions were identified within the act resulting in some provisions being enacted contrary to legislative intent. Additionally, some corrective changes were identified that would better conform certain provisions with original legislative intent. Therefore, it is the intent of the legislature to simply correct manifest drafting errors and omissions and adopt corrective changes in order to conform certain provisions with the original legislative intent of Engrossed Substitute Senate Bill No. 5974 (chapter 182, Laws of 2022). It is not the intent of the legislature to alter the intended substantive policy enacted in Engrossed Substitute Senate Bill No. 5974 (chapter 182, Laws of 2022), but rather to make certain corrective changes.

Sec. 2. RCW 46.17.015 and 2022 c 182 s 207 are each amended to read as follows:

Sec. 5. RCW 81.104.175 and 2018 c 81 s 1 are each amended to read as follows:

(1) A regional transit authority that includes a county with a population of more than ~~((one million five hundred thousand))~~ 1,500,000 may impose a regular property tax levy in an amount not to exceed ~~((twenty five))~~ 25 cents per ~~((thousand dollars))~~ \$1,000 of the assessed value of property in the regional transit authority district in accordance with the terms of this section.

Sec. 6. RCW 47.04.380 and 2022 c 182 s 417 are each amended to read as follows:

(1) The legislature finds that many communities across Washington state have not equitably benefited from investments in the active transportation network. The legislature also finds that legacy state transportation facilities designed primarily for vehicle use caused disconnections in safe routes for people who walk, bike, and roll to work and to carry out other daily activities.

(2) To address these investment gaps, and to honor the legacy of community advocacy of Sandy Williams, the Sandy Williams connecting communities program is established within the department. The purpose of the program is to improve active transportation connectivity in communities by:

(a) Providing safe, continuous routes for pedestrians, bicyclists, and other nonvehicle users carrying out their daily activities;

(b) Mitigating for the health, safety, and access impacts of transportation infrastructure that bisects communities and creates obstacles in the local active transportation network;

(c) Investing in greenways providing protected routes for a wide variety of nonvehicular users; and

(d) Facilitating the planning, development, and implementation of projects and activities that will improve the connectivity and safety of the active transportation network.

SENATE RESOLUTION 8646

By Senators Saldaña, Hasegawa, Kauffman, Kuderer, and Valdez

WHEREAS, Elijah Lee Lewis was a beloved member of the Seattle community, born and raised in the Central District, and a proud alumnus of Rainier Beach High School; and

WHEREAS, Elijah dedicated his life to serving his community and empowering those around him, creating spaces for peace, growth, and justice, and was a fierce advocate for social justice, leading movements that challenged systemic racism, gun violence, and inequality; and

WHEREAS, Elijah further exemplified his skills in entrepreneurship by owning a local cleaning business and financial group and engaging with events designed to attract further Black business owners and diversify the Seattle economy; and

WHEREAS, Through community outreach, Elijah consistently planned events throughout the Central District and Rainier Valley, working with Black vendors, artists, poets, and entertainers; and

WHEREAS, Elijah's love of community drove him to stand up tall where adults failed and in 2018, as a senior in high school, he spoke in front of thousands of people at the Seattle March for Our Lives protest to call for change in light of government inaction towards gun violence and the unregulated proliferation of firearms and assault weapons in the United States; and

WHEREAS, Elijah was a significant community leader in the Black Lives Matter Protest Movement of 2020, protesting the criminal legal system's disproportionate impact on Black and brown Americans and systemic racism within the United States following the death of George Floyd; and

MESSAGE FROM THE HOUSE

April 11, 2023

MR. PRESIDENT:

The House passed ENGROSSED SECOND SUBSTITUTE SENATE BILL NO. 5536 with the following amendment(s): 5536-S2.E AMH ENGR H1919.E

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The legislature finds that substance use disorder is a treatable brain disease from which people can and do recover. When individuals in active addiction are provided with access to quality outreach, treatment, and recovery support services, recovery is not only possible, but probable. Solutions to the addiction crisis must not only address criminal legal responses, but must be data-driven and evidence-based, and must represent public health best practices, working directly with people who use drugs to prevent overdose and infectious disease transmission, and improve the physical, mental, and social well-being of those served. The state must follow principles of harm reduction, comprising practical strategies aimed at reducing negative consequences associated with drug use, including safer use of supplies as well as care settings, staffing, and interactions that are person-centered, supportive, and welcoming.

The legislature recognizes that substance use disorder is commonly treated in a variety of settings, including primary care, addiction medicine, mental health agencies, and substance use disorder treatment providers. Because medications such as buprenorphine and methadone are the clinical best practice for the treatment of opioid use disorder, individuals seeking treatment for addiction to heroin, fentanyl, and other opioids frequently seek recovery via primary care, addiction medicine, and opioid treatment programs.

The legislature finds that the process of recovery, as described by the national substance abuse and mental health administration, is highly personal and occurs via many pathways. It may include clinical treatment, medications, faith-based approaches, peer support, family support, self-care, and other approaches. Recovery is characterized by continual growth and improvement in one's health and wellness and managing setbacks. Because setbacks are a natural part of life, resilience becomes a key component of recovery.

The legislature finds that the recommendations of the substance use recovery services advisory committee reflect diligent work by individuals with a range of professional and personal experience, who brought that experience to the committee, and whose expertise is reflected in the recommendations.

The Washington state patrol bureau of forensic laboratory services' failure to comply with this section shall not constitute grounds for dismissal of a criminal charge.

(3) Nothing in subsection (1) of this section prohibits (~~legal~~) distribution (~~of injection~~) or use of public health supplies including, but not limited to, syringe equipment or drug testing equipment, through public health (~~and~~) programs, community-based HIV prevention programs, outreach, shelter, and housing programs, and pharmacies. Public health and syringe service program staff taking samples of substances and using drug testing equipment for the purpose of analyzing the composition of the substances or detecting the presence of certain substances are acting legally and are exempt from arrest and prosecution under RCW 69.50.4011(1) (b) or (c), 69.50.4013, 69.50.4014, or 69.41.030(2) (b) or (c).

Such local ordinances must have the same penalty as provided for by state law. Local laws and ordinances that are inconsistent with, more restrictive than, or exceed the requirements of state law may not be enacted and are preempted and repealed, regardless of the nature of the code, charter, or home rule status of such city, town, county, or municipality.

Part III - Providing Opportunities for Pretrial Diversion and Vacating Convictions

NEW SECTION. Sec. 10. A new section is added to chapter 69.50 RCW to read as follows:

(1) Nothing in this section prevents the defendant, with the consent of the prosecuting attorney as required by RCW 2.30.030, from seeking to resolve charges under RCW 69.50.4011(1) (b) or (c), 69.50.4013, 69.50.4014, or 69.41.030(2) (b) or (c) through available therapeutic courts or other alternatives to prosecution. Nothing in this section prevents the defendant or the prosecuting attorney from seeking or agreeing to, or the court from ordering, any other resolution of charges or terms of supervision that suit the circumstances of the defendant's situation and advance stabilization, recovery, crime reduction, and justice.

(2) Any defendant charged with a violation of RCW 69.50.4011(1) (b) or (c), 69.50.4013, 69.50.4014, or 69.41.030(2) (b) or (c) may make a motion to participate in pretrial diversion and agree to waive his or her right to a speedy trial if the motion is granted, subject to the following:

ONE HUNDRED THIRD DAY, APRIL 21, 2023

(a) In any case where the defendant is only charged with a violation of RCW 69.50.4011(1) (b) or (c), 69.50.4013, 69.50.4014, or 69.41.030(2) (b) or (c), and the defendant has not been convicted of any offenses committed after the effective date of this section, the court shall grant the motion, continue the hearing, and refer the defendant to an applicable program.

(b) In any case where the defendant does not meet the criteria described in (a) of this subsection, the court may grant the motion, continue the hearing, and refer the defendant to an applicable program.

(c) In all cases, the court may not grant the motion unless the prosecuting attorney consents to the defendant's participation in pretrial diversion. The prosecuting attorney is strongly encouraged to agree to diversion in any case where the defendant is only charged with a violation of RCW 69.50.4011(1) (b) or (c), 69.50.4013, 69.50.4014, or 69.41.030(2) (b) or (c), and in any case where the only additional charge or charges against the defendant are for other nonfelony offenses that are not crimes against persons.

(3) Prior to granting the defendant's motion to participate in pretrial diversion under this section, the court shall provide the defendant and the defendant's counsel with the following information:

(a) A full description of the procedures for pretrial diversion;

(b) A general explanation of the roles and authorities of the probation department, the prosecuting attorney, the applicable program, and the court in the process;

(c) A clear statement that the court may grant pretrial diversion with respect to any offense under RCW 69.50.4011(1) (b) or (c), 69.50.4013, 69.50.4014, or 69.41.030(2) (b) or (c) that is charged, provided that the defendant pleads not guilty to the charge or charges and waives his or her right to a speedy trial, and that upon the defendant's successful completion of pretrial diversion, as specified in subsection (14) of this section, and motion of the defendant, prosecuting attorney, court, or probation department, the court must dismiss the charge or charges against the defendant;

(d) A clear statement that if the defendant has not made substantial progress with treatment or services provided that are appropriate to the defendant's circumstances or, if applicable, community service, the prosecuting attorney may make a motion to terminate pretrial diversion and schedule further proceedings as otherwise provided in this section;

(e) An explanation of criminal record retention and disposition resulting from participation in pretrial diversion and the defendant's rights relative to answering questions about his or her arrest and pretrial diversion following successful completion;

(f) A clear statement that under federal law it is unlawful for any person who is an unlawful user of or addicted to any controlled substance to ship or transport in interstate or foreign commerce, or possess in or affecting commerce, any firearm or ammunition, or to receive any firearm or ammunition which has been shipped or transported in interstate or foreign commerce; and

(g) A clear statement that if the defendant's biopsychosocial assessment results in a written report recommending no treatment or services, completion of pretrial diversion will instead be based on the defendant's completion of an amount of community service to be determined by the court, but not to exceed 120 hours of community service.

(4) If the court grants the defendant's motion to participate in pretrial diversion, the defendant may waive his or her right to counsel during the diversion period. A defendant who waives his or her right to counsel may request to have counsel reappointed if

the prosecuting attorney makes a motion for termination from pretrial diversion as described in subsection (13) of this section.

(5) The applicable program must make a written report to the court stating its findings and recommendations after the biopsychosocial assessment if the defendant decides to continue pursuing pretrial diversion. The report shall be filed under seal with the court, and a copy of the report shall be given to the prosecuting attorney, defendant, and defendant's counsel. The report and its copies are confidential and exempt from disclosure under chapter 42.56 RCW. The court shall endeavor to avoid public discussion of the circumstances, history, or diagnoses that could stigmatize the defendant.

(6) Subject to the availability of funds appropriated for this specific purpose, the biopsychosocial assessment and recommended services or treatment must be provided at no cost for defendants who have been found to be indigent by the court.

(7) Once the biopsychosocial assessment has been filed with the court, if the report indicates the defendant has a substance use disorder, the court shall inform the defendant that under federal law the defendant may not possess any firearm or ammunition. The court shall thereafter sign an order of ineligibility to possess firearms as required by RCW 9.41.800 and shall require the defendant to surrender all firearms in accordance with RCW 9.41.804.

(8) If the report recommends any treatment or services, the applicable program shall provide the court with regular written status updates on the defendant's progress on a schedule acceptable to the court. The updates must be provided at least monthly and filed under seal with the court, with copies given to the prosecuting attorney, defendant, and defendant's counsel. The updates and their copies are confidential and exempt from disclosure under chapter 42.56 RCW. The court shall endeavor to avoid public discussion of the circumstances, history, or diagnoses that could stigmatize the defendant.

(9) If the report does not recommend any treatment or services, the defendant must instead complete an amount of community service as determined by the court, but not to exceed 120 hours of community service, in order to complete pretrial diversion.

(10) No statement, or any information procured therefrom relating to the charge for which the defendant is receiving services, made by the defendant to any treatment or service provider, that is made during the course of any biopsychosocial assessment or services provided by the applicable program, and before the reporting of the findings and recommendations to the court, may be admissible in any action or proceeding brought subsequent to the investigation.

(11) A defendant's participation in pretrial diversion under this section does not constitute a conviction, a stipulation to facts, or an admission of guilt for any purpose.

(12) At the time that pretrial diversion is granted, any bail bond on file by or on behalf of the defendant must be exonerated, and the court must enter an order so directing.

(13)(a) If it appears to the prosecuting attorney that the defendant is not substantially complying with the recommended treatment or services as reflected by a written status update from the applicable program, or, if applicable, the defendant is not completing the community service, the prosecuting attorney may make a motion for termination from pretrial diversion.

(b) After notice to the defendant, the court must hold a hearing to determine whether pretrial diversion shall be terminated.

(c) At the hearing, the court must consider the following factors:

(i) The nature of the alleged noncompliance;

(ii) Whether the defendant received written notice of the noncompliance;

(iii) Whether the noncompliance was willful in nature; and

(iv) Any other mitigating circumstances, including, but not limited to, the defendant's efforts and due diligence, the availability of services in the geographic area, and the treatment and services offered to the defendant.

(d) The defendant shall have the right to present evidence at the hearing, including the right to present a defense, present witnesses, and cross-examine any witnesses.

(e) The prosecutor has the burden of establishing by clear and convincing evidence that the noncompliance was willful, and that the defendant should be terminated from pretrial diversion.

(f) If the court finds that the defendant is not substantially complying with the recommended treatment or services or, if applicable, the defendant is not completing the community service, the court must schedule the matter for further proceedings.

(14) If the defendant successfully completes pretrial diversion, including in one of the following ways, the charge or charges under RCW 69.50.4011(1) (b) or (c), 69.50.4013, 69.50.4014, or 69.41.030(2) (b) or (c) must be dismissed:

(a) If the written report prepared by the applicable program included recommended treatment or services, the defendant successfully completes pretrial diversion by having six months of substantial compliance with assessment and recommended treatment or services and progress toward recovery goals as reflected by a written status update from the applicable program; or

(b) If the written report prepared by the applicable program did not include recommended treatment or services, the defendant successfully completes pretrial diversion by completing the community service described under subsection (9) of this section and submitting proof of completion to the court.

(15) Beginning January 1, 2024, the prosecuting attorney shall input data and information in the statewide pretrial diversion tracking and reporting system under section 14 of this act for each case where the defendant participates in pretrial diversion under this section, including but not limited to the following:

(a) Whether the pretrial diversion was terminated, was successfully completed and resulted in a dismissal, or is still ongoing;

(b) The race, ethnicity, gender, gender expression or identity, disability status, and age of the defendant; and

(c) Any other appropriate data and information as determined by the administrative office of the courts.

(16) The definitions in this subsection apply throughout this section unless the context clearly requires otherwise.

(a) "Applicable program" means the recovery navigator program established under RCW 71.24.115, arrest and jail alternative programs established under RCW 36.28A.450, or law enforcement assisted diversion programs established under RCW 71.24.589.

(b) "Substantial compliance" means a defendant actively engaging with or making himself or herself available to treatment and services. The defendant is not in substantial compliance if he or she willfully abandons treatment and services.

NEW SECTION. Sec. 11. A new section is added to chapter 69.50 RCW to read as follows:

(1) Prior to sentencing any person convicted of violating RCW 69.50.4011(1) (b) or (c), 69.50.4013, 69.50.4014, or 69.41.030(2) (b) or (c), the court shall inform the person that under federal law it is unlawful for any person who is an unlawful user of or addicted to any controlled substance to ship or transport in interstate or foreign commerce, or possess in or affecting commerce, any firearm or ammunition, or to receive any firearm

or ammunition which has been shipped or transported in interstate or foreign commerce.

(2) In courts of limited jurisdiction, if an individual who is convicted of a violation of RCW 69.50.4011(1) (b) or (c), 69.50.4013, 69.50.4014, or 69.41.030(2) (b) or (c) agrees as a condition of probation to obtain a biopsychosocial assessment by an applicable program and participate in any recommended treatment or services, or, if the applicable program recommends no treatment or services, to complete court-ordered community service, the court shall sentence the individual to a term of confinement of up to 90 days, all of which shall be suspended for a period not to exceed two years.

(3) A biopsychosocial assessment shall be prepared by an applicable program. A copy of the assessment shall be forwarded to the court and filed under seal. Based on the assessment, the court shall determine whether the person shall be required to complete a course in an alcohol and drug information school licensed or certified by the department of health or more sustained services provided by a licensed behavioral health care provider, peer counseling program, or other case management program.

(a) Once the assessment has been filed with the court, if the report indicates the individual has a substance use disorder, the court shall inform the individual that under federal law the individual may not possess any firearm or ammunition. The court shall thereafter sign an order of ineligibility to possess firearms as required by RCW 9.41.800.

(b) Once the assessment has been filed with the court, if the report does not recommend any treatment or services, the court shall order the defendant to complete an amount of community service not to exceed 120 hours as a term of probation.

(c) The assessment shall include the following:

(i) Available background on the defendant's circumstances, barriers, and past service history, if any;

(ii) Nature of barriers and challenges;

(iii) Recommendations for services available in the individual's community that are likely to work with the individual and provide relevant support;

(iv) A statement of unavailability if there are no known suitable services presently available in the individual's community that would meaningfully assist the individual; and

(v) Approximate cost of the services if not publicly provided.

(4) A person subject to biopsychosocial assessment and treatment or services shall be required by the court to substantially comply with more sustained services provided by a licensed behavioral health care provider, peer counseling program, or other case management program, as determined by the court.

(5) If the court directs a service plan after receiving an individual's assessment, the applicable program must provide the court with regular written status updates on the individual's progress on a schedule acceptable to the court. The updates must be provided at least monthly and filed under seal with the court, with copies given to the prosecuting attorney, the individual, and the individual's counsel. The updates and their copies are confidential and exempt from disclosure under chapter 42.56 RCW. The court shall endeavor to avoid public discussion of the circumstances, history, or diagnoses that could stigmatize the individual.

(6) Subject to the availability of funds appropriated for this purpose, the recommended treatment or services as ordered by the court shall be provided at no cost for sentenced individuals who have been found to be indigent by the court.

ONE HUNDRED THIRD DAY, APRIL 21, 2023

(7) As a condition of probation, the sentenced individual must substantially comply with the treatment or services recommendations of the biopsychosocial assessment.

(8)(a) If it appears to the prosecuting attorney that the sentenced individual is not substantially complying with the recommended treatment or services as reflected by a written status update from the applicable program, or, if applicable, the individual is not completing the court-ordered community service, the prosecuting attorney shall make a motion for a hearing to consider sanctions. After notice to the sentenced individual, the court shall hold a hearing to determine if a sanction or revocation of the individual's suspended sentence, or any part thereof, is warranted under RCW 3.50.340 or 3.66.069.

(b) At the hearing, the court must consider the following factors:

- (i) The nature of the alleged noncompliance;
- (ii) Whether the individual received written notice of the noncompliance;
- (iii) Whether the noncompliance was willful in nature; and
- (iv) Any other mitigating circumstances, including, but not limited to, the individual's efforts and due diligence, the availability of services in the geographic area, and the treatment and services offered to the individual.

(c) The individual shall have the right to present evidence at the hearing, including the right to present a defense, present witnesses, and cross-examine any witnesses.

(d) The prosecutor has the burden of establishing by clear and convincing evidence that the noncompliance was willful, and that the individual should be sanctioned.

(e) The court may not sanction an individual for failing to comply with the recommended treatment or services if the court finds the sentenced individual has made reasonable efforts to comply with the recommended treatment but cannot comply either due to a lack of available treatment or services or, for sentenced individuals found to be indigent by the court, due to a lack of funding for treatment or services.

(f) At the hearing, if the court finds by clear and convincing evidence that the sentenced individual has willfully abandoned or demonstrated a consistent failure to substantially comply with the recommended treatment or services, or, if applicable, is failing to complete the court-ordered community service, the court shall use its discretion in determining an appropriate sanction.

(9) An individual sentenced under subsection (2) of this section may vacate their conviction for a violation of RCW 69.50.4011(1) (b) or (c), 69.50.4013, 69.50.4014, or 69.41.030(2) (b) or (c) as follows:

(a) If the individual has six months of substantial compliance with assessment and recommended treatment or services and progress toward recovery goals as reflected by a written status update from the applicable program, or, if applicable, the individual completes the court-ordered community service and files proof of completion with the court, the prosecutor shall make a motion to vacate the person's conviction or convictions and, upon verification of the written status update or the proof of completion of community service, the court shall terminate probation and enter an order vacating the individual's conviction; or

(b) If the individual has had no additional arrests, charges, or criminal convictions in the two years after the individual's conviction for a violation of RCW 69.50.4011(1) (b) or (c), 69.50.4013, 69.50.4014, or 69.41.030(2) (b) or (c), the prosecutor shall make a motion to the court to vacate the individual's conviction, and the court shall terminate probation and enter an order vacating the individual's conviction.

(10) The definitions in this subsection apply throughout this section unless the context clearly requires otherwise.

(a) "Applicable program" means the recovery navigator program established under RCW 71.24.115, arrest and jail alternative programs established under RCW 36.28A.450, or law enforcement assisted diversion programs established under RCW 71.24.589.

(b) "Substantial compliance" means an individual actively engaging with or making himself or herself available to treatment and services. The individual is not in substantial compliance if he or she willfully abandons treatment and services.

Sec. 12. RCW 9.96.060 and 2022 c 16 s 7 are each amended to read as follows:

(1) When vacating a conviction under this section, the court effectuates the vacation by: (a)(i) Permitting the applicant to withdraw the applicant's plea of guilty and to enter a plea of not guilty; or (ii) if the applicant has been convicted after a plea of not guilty, the court setting aside the verdict of guilty; and (b) the court dismissing the information, indictment, complaint, or citation against the applicant and vacating the judgment and sentence.

(2) Every person convicted of a misdemeanor or gross misdemeanor offense may apply to the sentencing court for a vacation of the applicant's record of conviction for the offense. If the court finds the applicant meets the requirements of this subsection, the court may in its discretion vacate the record of conviction. Except as provided in subsections (3), (4), ~~((and))~~ (5), and (6) of this section and section 11 of this act, an applicant may not have the record of conviction for a misdemeanor or gross misdemeanor offense vacated if any one of the following is present:

(a) The applicant has not completed all of the terms of the sentence for the offense;

(b) There are any criminal charges against the applicant pending in any court of this state or another state, or in any federal or tribal court, at the time of application;

(c) The offense was a violent offense as defined in RCW 9.94A.030 or an attempt to commit a violent offense;

(d) The offense was a violation of RCW 46.61.502 (driving while under the influence), 46.61.504 (actual physical control while under the influence), 9.91.020 (operating a railroad, etc. while intoxicated), or the offense is considered a "prior offense" under RCW 46.61.5055 and the applicant has had a subsequent alcohol or drug violation within ten years of the date of arrest for the prior offense or less than ten years has elapsed since the date of the arrest for the prior offense;

(e) The offense was any misdemeanor or gross misdemeanor violation, including attempt, of chapter 9.68 RCW (obscenity and pornography), chapter 9.68A RCW (sexual exploitation of children), or chapter 9A.44 RCW (sex offenses), except for failure to register as a sex offender under RCW 9A.44.132;

(f) The applicant was convicted of a misdemeanor or gross misdemeanor offense as defined in RCW 10.99.020, or the court determines after a review of the court file that the offense was committed by one family or household member against another or by one intimate partner against another, or the court, after considering the damage to person or property that resulted in the conviction, any prior convictions for crimes defined in RCW 10.99.020, or for comparable offenses in another state or in federal court, and the totality of the records under review by the court regarding the conviction being considered for vacation, determines that the offense involved domestic violence, and any one of the following factors exist:

(i) The applicant has not provided written notification of the vacation petition to the prosecuting attorney's office that

prosecuted the offense for which vacation is sought, or has not provided that notification to the court;

(ii) The applicant has two or more domestic violence convictions stemming from different incidents. For purposes of this subsection, however, if the current application is for more than one conviction that arose out of a single incident, none of those convictions counts as a previous conviction;

(iii) The applicant has signed an affidavit under penalty of perjury affirming that the applicant has not previously had a conviction for a domestic violence offense, and a criminal history check reveals that the applicant has had such a conviction; or

(iv) Less than five years have elapsed since the person completed the terms of the original conditions of the sentence, including any financial obligations and successful completion of any treatment ordered as a condition of sentencing;

(g) For any offense other than those described in (f) of this subsection, less than three years have passed since the person completed the terms of the sentence, including any financial obligations;

(h) The offender has been convicted of a new crime in this state, another state, or federal or tribal court in the three years prior to the vacation application; or

(i) The applicant is currently restrained by a domestic violence protection order, a no-contact order, an antiharassment order, or a civil restraining order which restrains one party from contacting the other party or was previously restrained by such an order and was found to have committed one or more violations of the order in the five years prior to the vacation application.

(3) If the applicant is a victim of sex trafficking, prostitution, or commercial sexual abuse of a minor; sexual assault; or domestic violence as defined in RCW 9.94A.030, or the prosecutor applies on behalf of the state, the sentencing court may vacate the record of conviction if the application satisfies the requirements of RCW 9.96.080. When preparing or filing the petition, the prosecutor is not deemed to be providing legal advice or legal assistance on behalf of the victim, but is fulfilling an administrative function on behalf of the state in order to further their responsibility to seek to reform and improve the administration of criminal justice. A record of conviction vacated using the process in RCW 9.96.080 is subject to subsections ~~((6) and)~~ (7) and (8) of this section.

(4) Every person convicted prior to January 1, 1975, of violating any statute or rule regarding the regulation of fishing activities, including, but not limited to, RCW 75.08.260, 75.12.060, 75.12.070, 75.12.160, 77.16.020, 77.16.030, 77.16.040, 77.16.060, and 77.16.240 who claimed to be exercising a treaty Indian fishing right, may apply to the sentencing court for vacation of the applicant's record of the misdemeanor, gross misdemeanor, or felony conviction for the offense. If the person is deceased, a member of the person's family or an official representative of the tribe of which the person was a member may apply to the court on behalf of the deceased person. Notwithstanding the requirements of RCW 9.94A.640, the court shall vacate the record of conviction if:

(a) The applicant is a member of a tribe that may exercise treaty Indian fishing rights at the location where the offense occurred; and

(b) The state has been enjoined from taking enforcement action of the statute or rule to the extent that it interferes with a treaty Indian fishing right as determined under *United States v. Washington*, 384 F. Supp. 312 (W.D. Wash. 1974), or *Sohappy v. Smith*, 302 F. Supp. 899 (D. Oregon 1969), and any posttrial orders of those courts, or any other state supreme court or federal court decision.

(5) Every person convicted of a misdemeanor cannabis offense, who was ~~((twenty one))~~ 21 years of age or older at the

time of the offense, may apply to the sentencing court for a vacation of the applicant's record of conviction for the offense. A misdemeanor cannabis offense includes, but is not limited to: Any offense under RCW 69.50.4014, from July 1, 2004, onward, and its predecessor statutes, including RCW 69.50.401(e), from March 21, 1979, to July 1, 2004, and RCW 69.50.401(d), from May 21, 1971, to March 21, 1979, and any offense under an equivalent municipal ordinance. If an applicant qualifies under this subsection, the court shall vacate the record of conviction.

(6) If a person convicted of violating RCW 69.50.4011(1) (b) or (c), 69.50.4013, 69.50.4014, or 69.41.030(2) (b) or (c) has had no additional criminal arrests, charges, or convictions in the two years after the person's conviction or convictions for violating RCW 69.50.4011(1) (b) or (c), 69.50.4013, 69.50.4014, or 69.41.030(2) (b) or (c), the prosecutor shall make a motion to vacate the individual's conviction or convictions, and the court shall grant the motion and enter an order vacating the individual's conviction or convictions.

(7) A person who is a family member of a homicide victim may apply to the sentencing court on the behalf of the victim for vacation of the victim's record of conviction for prostitution under RCW 9A.88.030. If an applicant qualifies under this subsection, the court shall vacate the victim's record of conviction.

~~((7))~~ (8)(a) Except as provided in (c) of this subsection, once the court vacates a record of conviction under this section, the person shall be released from all penalties and disabilities resulting from the offense and the fact that the person has been convicted of the offense shall not be included in the person's criminal history for purposes of determining a sentence in any subsequent conviction. For all purposes, including responding to questions on employment or housing applications, a person whose conviction has been vacated under this section may state that he or she has never been convicted of that crime. However, nothing in this section affects the requirements for restoring a right to possess a firearm under RCW 9.41.040. Except as provided in (b) of this subsection, nothing in this section affects or prevents the use of an offender's prior conviction in a later criminal prosecution.

(b) When a court vacates a record of domestic violence as defined in RCW 10.99.020 under this section, the state may not use the vacated conviction in a later criminal prosecution unless the conviction was for: (i) Violating the provisions of a restraining order, no-contact order, or protection order restraining or enjoining the person or restraining the person from going on to the grounds of or entering a residence, workplace, school, or day care, or prohibiting the person from knowingly coming within, or knowingly remaining within, a specified distance of a location, a protected party's person, or a protected party's vehicle (RCW 10.99.040, 10.99.050, 26.09.300, 26.26B.050, 26.44.063, 26.44.150, or 26.52.070, or any of the former RCW 26.50.060, 26.50.070, 26.50.130, and 74.34.145); (ii) stalking (RCW 9A.46.110); or (iii) a domestic violence protection order or vulnerable adult protection order entered under chapter 7.105 RCW. A vacated conviction under this section is not considered a conviction of such an offense for the purposes of 27 C.F.R. 478.11.

(c) A conviction vacated on or after July 28, 2019, qualifies as a prior conviction for the purpose of charging a present recidivist offense as defined in RCW 9.94A.030 occurring on or after July 28, 2019.

~~((8))~~ (9) The clerk of the court in which the vacation order is entered shall immediately transmit the order vacating the conviction to the Washington state patrol identification section and to the local police agency, if any, which holds criminal

history information for the person who is the subject of the conviction. The Washington state patrol and any such local police agency shall immediately update their records to reflect the vacation of the conviction, and shall transmit the order vacating the conviction to the federal bureau of investigation. A conviction that has been vacated under this section may not be disseminated or disclosed by the state patrol or local law enforcement agency to any person, except other criminal justice enforcement agencies.

~~((9))~~ (10) For the purposes of this section, "cannabis" has the meaning provided in RCW 69.50.101.

The health care authority must establish a quality assurance process for behavioral health administrative services organizations, and employ data validation for fields in the data collection workbook. Sec. 27. RCW 71.24.115 and 2021 c 311 s 2 are each amended to read as follows:

(1) Each behavioral health administrative services organization shall establish ~~((a))~~ ~~((program))~~ programs with the goal of providing law enforcement and other criminal legal system personnel with a credible alternative to further legal system involvement for criminal activity that stems from unmet behavioral health needs or poverty. The programs shall work to improve community health and safety by reducing individuals' involvement with the criminal legal system through the use of specific human services tools and in coordination with community input. Each program must include a dedicated project manager and be governed by a policy coordinating group comprised, in alignment with the core principles, of local executive and legislative officials, public safety agencies, including police and prosecutors, and civil rights, public defense, and human services organizations.

(2) The recovery navigator programs shall be organized on a scale that permits meaningful engagement, collaboration, and coordination with local law enforcement and municipal agencies through the policy coordinating groups. The ~~((program))~~ ~~programs~~ shall provide community-based outreach, intake, assessment, and connection to services and, as appropriate, long-term intensive case management and recovery coaching services, to youth and adults with substance use disorder, including for persons with co-occurring substance use disorders and mental health conditions, who are referred to the program from diverse sources and shall facilitate and coordinate connections to a broad range of community resources for youth and adults with substance use disorder, including treatment and recovery support services. Recovery navigator programs must serve and prioritize individuals who are actually or potentially exposed to the criminal legal system with respect to unlawful behavior connected to substance use or other behavioral health issues.

~~((2))~~ ~~The~~ (3) By December 31, 2023, the authority shall ~~((establish))~~ revise its uniform program standards for behavioral health administrative services organizations to follow in the design of their recovery navigator programs to achieve fidelity with the core principles. The uniform program standards must be modeled upon the components of the law enforcement assisted diversion program and address project management, field engagement, biopsychosocial assessment, intensive case management and care coordination, stabilization housing when available and appropriate, and, as necessary, legal system coordination for participants' legal cases that may precede or follow referral to the program. The uniform program standards must incorporate the law enforcement assisted diversion framework for diversion at multiple points of engagement with the criminal legal system, including prearrest, prebooking, prefiling, and for ongoing case conferencing with law enforcement, prosecutors, community stakeholders, and program case managers. The authority must adopt the uniform program standards from the components of the law enforcement assisted diversion program to accommodate an expanded population of persons with substance use disorders, including persons with co-occurring substance use disorders and mental health conditions, ~~((and allow))~~ provide for referrals from a broad range of sources, and require prioritization of those who are or likely will be exposed to the criminal legal system related to their behavioral health challenges. In addition to accepting referrals from law enforcement and courts of limited jurisdiction, the uniform program standards must provide guidance for accepting

referrals on behalf of persons with substance use disorders, including persons with co-occurring substance use disorders and mental health conditions, from various sources including, but not limited to, self-referral, family members of the individual, emergency department personnel, persons engaged with serving homeless persons, including those living unsheltered or in encampments, fire department personnel, emergency medical service personnel, community-based organizations, members of the business community, harm reduction program personnel, faith-based organization staff, and other sources within the criminal legal system, ~~((as outlined))~~ so that individuals are engaged as early as possible within the sequential intercept model. In developing response time requirements within the statewide program standards, the authority shall require, subject to the availability of amounts appropriated for this specific purpose, that responses to referrals from law enforcement occur immediately for in-custody referrals and shall strive for rapid response times to other appropriate settings such as emergency departments and courts of limited jurisdiction.

~~((3))~~ (4) Subject to the availability of amounts appropriated for this specific purpose, the authority shall provide funding to each behavioral health administrative services organization for the ~~((development of its))~~ continuation of and, as required by this section, the revisions to and reorganization of the recovery navigator ~~((program))~~ ~~programs they fund~~. Before receiving funding for implementation and ongoing administration, each behavioral health administrative services organization must submit a program plan that demonstrates the ability to fully comply with statewide program standards. The authority shall establish a schedule for the regular review of recovery navigator programs funded by behavioral health administrative services ~~((organizations' programs))~~ organizations. The authority shall arrange for technical assistance to be provided by the LEAD national support bureau to all behavioral health administrative services organizations, the authority, contracted providers, and independent stakeholders and partners, such as prosecuting attorneys and law enforcement.

~~((4))~~ (5) Each behavioral health administrative services organization must have a substance use disorder regional administrator for its recovery navigator program. The regional administrator shall be responsible for assuring compliance with program standards, including staffing standards. Each recovery navigator program must maintain a sufficient number of appropriately trained personnel for providing intake and referral services, conducting comprehensive biopsychosocial assessments, providing intensive case management services, and making warm handoffs to treatment and recovery support services along the continuum of care. Program staff must include people with lived experience with substance use disorder to the extent possible. The substance use disorder regional administrator must assure that staff who are conducting intake and referral services and field assessments are paid a livable and competitive wage and have appropriate initial training and receive continuing education.

~~((5))~~ (6) Each recovery navigator program must submit quarterly reports to the authority with information identified by the authority and the substance use recovery services advisory committee. The reports must be provided to the substance use recovery services advisory committee for discussion at meetings following the submission of the reports.

(7)(a) The criminal justice training commission, in consultation with the authority and other key stakeholders, shall conduct an assessment of the current status toward achieving the statewide implementation of recovery navigator programs in fidelity with core principles. The assessment shall consider:

(i) The results of the law enforcement assisted diversion standards fidelity index analysis, conducted by an independent research scientist with expertise in law enforcement assisted diversion evaluation, including findings with respect to each standard assessed, for each recovery navigator program, in each behavioral health administrative services organization region;

(ii) Reports on utilization of technical support from the law enforcement assisted diversion national support bureau by recovery navigator program contractors, the authority, and behavioral health administrative services organizations; and

(iii) Barriers to achieving fidelity to core principles.

(b) By December 1, 2023, the criminal justice training commission shall submit to the governor and both chambers of the legislature a report of its findings and recommendations on administrative and legislative steps that will facilitate the achievement of the statewide adoption of recovery navigator programs operating in fidelity with core principles.

PERSONAL PRIVILEGE

Senator Trudeau: "Thank you Mr. President. I just want, on behalf of the three million American Muslims, Mr. President, and almost two billion Muslims across the world to say a heartfelt 'Eid Mubarak' [Blessed Feast/Festival] to you and all of the staff and colleagues here in the Legislature. This day, Mr. President, marks the end of Ramadan and many of you were here for the resolution that I introduced which Ramadan is the time of fasting, reflection and charitable giving. We wear our finest clothes, which is why I am so shiny today, Mr. President, in case anyone was wondering. We exchange gifts. Sometimes gifts between each other but mostly for kids. And we eat. So, if you have a Muslim friend or family member Mr. President, it is a good time to hang out. I suggest you text them because their food is also wonderful. But I also wanted to point out that today 'Eid al-Fitr' [Festival of Breaking Fast] marks the tenth month in the Islamic calendar, marking the end of Ramadan for us here in the U.S. and many countries, but actually there are several other countries, like Bangladesh, my place of birth, that are celebrating Eid tomorrow on Saturday which means, for me, I get two days of celebration Mr. President. Much like having two Christmases, so you can understand the significance and my joy. And tomorrow morning thankfully we'll be starting a little bit later, so I'll also get to attend an Eid prayer with my family which is significant. So, Mr. President, no matter what country you live in, what faith you practice, today is a day of love and joy and I offer that to everyone here especially in the last few days of session where I think we really need it. And I again just wish this body a deep and meaningful Eid Mubarak! Thank you very much."

ONE HUNDRED THIRD DAY, APRIL 21, 2023

(12) "Material" means substantive, not simply formal; significant to a reasonable person; not trivial or insignificant. When used with respect to a particular construction defect, "material" does not require that the construction defect render the unit or common element unfit for its intended purpose or uninhabitable.

(13) "Mediation" means a collaborative process in which two or more parties meet and attempt, with the assistance of a mediator, to resolve issues in dispute between them.

(14) "Mediation session" means a meeting between two or more parties to a dispute during which they are engaged in mediation.

(15) "Mediator" means a neutral and impartial facilitator with no decision-making power who assists parties in negotiating a mutually acceptable settlement of issues in dispute between them.

(2) "Baseline funding plan" means establishing a reserve funding goal of maintaining a reserve account balance above ~~((zero dollars))~~ \$0 throughout the ~~((thirty-year))~~ 30-year study period described under RCW 64.38.065.

(3) "Board of directors" or "board" means the body, regardless of name, with primary authority to manage the affairs of the association.

(8) "Electronic transmission" or "electronically transmitted" means any electronic communication not directly involving the physical transfer of a writing in a tangible medium, but that may be retained, retrieved, and reviewed by the sender and the

recipient of the communication, and that may be directly reproduced in a tangible medium by a sender and recipient.

(9) "Full funding plan" means setting a reserve funding goal of achieving one hundred percent fully funded reserves by the end of the ~~((thirty-year))~~ 30-year study period described under RCW 64.38.065, in which the reserve account balance equals the sum of the deteriorated portion of all reserve components.

(10) "Fully funded balance" means the current value of the deteriorated portion, not the total replacement value, of all the reserve components. The fully funded balance for each reserve component is calculated by multiplying the current replacement cost of the reserve component by its effective age, then dividing the result by the reserve component's useful life. The sum total of all reserve components' fully funded balances is the association's fully funded balance.

(11) "Governing documents" means the articles of incorporation, bylaws, plat, declaration of covenants, conditions, and restrictions, rules and regulations of the association, or other written instrument by which the association has the authority to exercise any of the powers provided for in this chapter or to manage, maintain, or otherwise affect the property under its jurisdiction.

(15) "Remaining useful life" means the estimated time, in years, before a reserve component will require major maintenance, repair, or replacement to perform its intended function.

(16) "Replacement cost" means the current cost of replacing, repairing, or restoring a reserve component to its original functional condition.

(17) "Reserve component" means a common element whose cost of maintenance, repair, or replacement is infrequent, significant, and impractical to include in an annual budget.

(18) "Reserve study professional" means an independent person who is suitably qualified by knowledge, skill, experience, training, or education to prepare a reserve study in accordance with RCW 64.38.065 and 64.38.070.

(19) "Residential real property" means any real property, the use of which is limited by law, covenant or otherwise to primarily residential or recreational purposes.

(20) "Significant assets" means that the current replacement value of the major reserve components is ~~((seventy-five))~~ 75 percent or more of the gross budget of the association, excluding the association's reserve account funds.

(21) "Tangible medium" means a writing, copy of a writing, facsimile, or a physical reproduction, each on paper or on other tangible material.

(22) "Useful life" means the estimated time, between years, that major maintenance, repair, or replacement is estimated to occur.

The meeting shall take place within 14 days of service of the construction professional's demand or at such later date as mutually agreed to by the parties.

(3) Within 14 days after the meeting referenced in subsection (2) of this section or, in the absence of a demand for such meeting, within 21 days after service of the notice of claim, whichever is later, the construction professional shall serve a written response on the claimant by registered mail or personal service. The written response shall:

(a) Propose to inspect the residence that is the subject of the claim and to complete the inspection within a specified time frame. The proposal shall include the statement that the construction professional shall, based on the inspection, offer to remedy the defect, compromise by payment, or dispute the claim;

(b) Offer to compromise and settle the claim by monetary payment without inspection. A construction professional's offer under this subsection ~~((2))~~ (3)(b) to compromise and settle a homeowner's claim may include, but is not limited to, an express offer to purchase the claimant's residence that is the subject of the claim, and to pay the claimant's reasonable relocation costs; or

(c) State that the construction professional disputes the claim and will neither remedy the construction defect nor compromise and settle the claim.

~~((3))~~ (4)(a) If the construction professional disputes the claim or does not respond to the claimant's notice of claim within the time stated in subsection ~~((2))~~ (3) of this section, the claimant may bring an action against the construction professional for the claim described in the notice of claim without further notice.

(b) If the claimant rejects the inspection proposal or the settlement offer made by the construction professional pursuant to subsection ~~((2))~~ (3) of this section, the claimant shall serve written notice of the claimant's rejection on the construction professional. (ii) A written offer to compromise and settle the claim by monetary payment pursuant to subsection ~~((2))~~ (3)(b) of this section; or

(iii) A written statement that the construction professional will not proceed further to remedy the defect.

(c) If the construction professional does not proceed further to remedy the construction defect within the agreed timetable, or if the construction professional fails to comply with the provisions of (b) of this subsection, the claimant may bring an action against the construction professional for the claim described in the notice of claim without further notice.

(d) If the claimant rejects the offer made by the construction professional pursuant to (b)(i) or (ii) of this subsection to either remedy the construction defect or to compromise and settle the claim by monetary payment, the claimant shall serve written notice of the claimant's rejection on the construction professional. After service of the rejection notice, the claimant may bring an action against the construction professional for the construction defect claim described in the notice of claim. ~~((5))~~ (6)(a) Any claimant accepting the offer of a construction professional to remedy the construction defect pursuant to subsection ~~((4))~~ (5)(b)(i) of this section shall do so by serving the construction professional with a written notice of acceptance within a reasonable time period after receipt of the offer, and no later than ~~((thirty))~~ 30 days after receipt of the offer. The claimant shall provide the construction professional and its contractors or other agents reasonable access to the claimant's residence during normal working hours to perform and complete the construction by the timetable stated in the offer.

(b) The claimant and construction professional may, by written mutual agreement, alter the extent of construction or the timetable for completion of construction stated in the offer, including, but not limited to, repair of additional defects.

~~((6))~~ (7) Any action commenced by a claimant prior to compliance with the requirements of this section shall be subject to dismissal without prejudice, and may not be recommenced until the claimant has complied with the requirements of this section.

~~((7))~~ (8) Nothing in this section may be construed to prevent a claimant from commencing an action on the construction defect claim described in the notice of claim if the construction professional fails to perform the construction agreed upon, fails to remedy the defect, or fails to perform by the timetable agreed upon pursuant to subsection ~~((2))~~ (3)(a) or ~~((5))~~ (6) of this section.

~~((8))~~ (9) Prior to commencing any action alleging a construction defect, or after the dismissal of any action without prejudice pursuant to subsection ~~((6))~~ (7) of this section, the

claimant may amend the notice of claim to include construction defects discovered after the service of the original notice of claim, and must otherwise comply with the requirements of this section for the additional claims. The service of an amended notice of claim shall relate back to the original notice of claim for purposes of tolling statutes of limitations and repose. Claims for defects discovered after the commencement or recommencement of an action may be added to such action only after providing notice to the construction professional of the defect and allowing for response under subsection ~~((2))~~ (3) of this section.

(10) If the claimant is an association, and notwithstanding any contrary provisions in the association's governing documents, the association's board of director's ability to incur expenses to prepare and serve a notice of claim and any related reports and otherwise comply with the requirements of this chapter shall not be restricted.

Sec. 5. RCW 64.50.040 and 2002 c 323 s 5 are each amended to read as follows:

(1)(a) In the event the board of directors, pursuant to RCW 64.34.304(1)(d) or 64.38.020(4), institutes an action asserting defects in the construction of two or more residences, common elements, or common areas, this section shall apply. For purposes of this section, "action" has the same meaning as set forth in RCW 64.50.010.

(b) The board of directors shall substantially comply with the provisions of this section.

(2)(a) Prior to the service of the summons and complaint on any defendant with respect to an action governed by this section, the board of directors shall mail or deliver written notice of the commencement or anticipated commencement of such action to each homeowner at the last known address described in the association's records.

(b) The notice required by (a) of this subsection shall state a general description of the following:

(i) The nature of the action and the relief sought; ~~((and))~~

(ii) To the extent applicable, the existence of the report required in RCW 64.50.020(1)(a), which shall be made available to each homeowner upon request;

(iii) A summary of the construction professional's response pursuant to RCW 64.50.020(3), if any; and

(iv) The expenses and fees that the board of directors anticipates will be incurred in prosecuting the action.

(3) Nothing in this section may be construed to:

(a) Require the disclosure in the notice or the disclosure to a unit owner of attorney-client communications or other privileged communications;

(b) Permit the notice to serve as a basis for any person to assert the waiver of any applicable privilege or right of confidentiality resulting from, or to claim immunity in connection with, the disclosure of information in the notice; or

(c) Limit or impair the authority of the board of directors to contract for legal services, or limit or impair the ability to enforce such a contract for legal services.

Sec. 6. RCW 64.90.250 and 2018 c 277 s 211 are each amended to read as follows:

(1) To exercise any development right reserved under RCW 64.90.225(1)(~~((h))~~) (g), the declarant must prepare, execute, and record any amendments to the declaration and map in accordance with the requirements of RCW 64.90.245 and 64.90.285(3). The declarant is the unit owner of any units created. The amendment to the declaration must assign an identifying number to each new unit created and, except in the case of subdivision, combination, or conversion of units described in subsection (3) of this section, reallocate the allocated interests among all units. The amendment must describe any common elements and any limited common

elements created and, in the case of limited common elements, designate the unit to which each is allocated to the extent required under RCW 64.90.240. The amendments are effective upon recording.

(2) Development rights may be reserved within any real estate added to the common interest community if the amendment to the declaration adding that real estate includes all matters required under RCW 64.90.225 and 64.90.230 and the amendment to the map includes all matters required under RCW 64.90.245. This subsection does not extend the time limit on the exercise of development rights imposed by the declaration pursuant to RCW 64.90.225(1)(h).

(3) When a declarant exercises a development right to subdivide, combine, or convert a unit previously created into additional units or common elements, or both:

(a) If the declarant converts the unit entirely into common elements, the amendment to the declaration must reallocate all the allocated interests of that unit among the other units as if that unit had been taken by condemnation under RCW 64.90.030; or

(b) If the declarant subdivides the unit into two or more units, whether or not any part of the unit is converted into common elements, the amendment to the declaration must reallocate all the allocated interests of the unit among the units created by the subdivision in any reasonable manner prescribed by the declarant.

(4) If the declaration provides, pursuant to RCW 64.90.225(1)(h), that all or a portion of the real estate is subject to a right of withdrawal:

(a) If all the real estate is subject to withdrawal, and the declaration or map or amendment to the declaration or map does not describe separate portions of real estate subject to that right, none of the real estate may be withdrawn if a unit in that real estate has been conveyed to a purchaser; or

(b) If any portion of the real estate is subject to withdrawal as described in the declaration or map or amendment to the declaration or map, none of that portion of the real estate may be withdrawn if a unit in that portion has been conveyed to a purchaser.

(5) If the declarant combines two or more units into a lesser number of units, whether or not any part of a unit is converted into common elements or common elements are converted units, the amendment to the declaration must reallocate all of the allocated interests of the units being combined into the unit or units created by the combination in any reasonable manner prescribed by the declarant.

(6) A unit conveyed to a purchaser may not be withdrawn pursuant to subsection (4)(a) or (b) of this section without the consent of the unit owner of that unit and the holder of a security interest in the unit.

Sec. 7. RCW 64.90.605 and 2018 c 277 s 402 are each amended to read as follows:

(1) Except as provided otherwise in subsection (2) of this section, a declarant required to deliver a public offering statement pursuant to subsection (3) of this section must prepare a public offering statement conforming to the requirements of RCW 64.90.610, 64.90.615, and 64.90.620.

(2) A declarant may transfer responsibility for preparation of all or a part of the public offering statement to a successor declarant or to a dealer who intends to offer units in the ~~((condominium))~~ common interest community.

(3)(a) Any declarant or dealer who offers to convey a unit for the person's own account to a purchaser must provide the purchaser of the unit with a copy of a public offering statement and all material amendments to the public offering statement before conveyance of that unit.

(b) Any agent, attorney, or other person assisting the declarant or dealer in preparing the public offering statement may rely upon information provided by the declarant or dealer without independent investigation. The agent, attorney, or other person is not liable for any material misrepresentation in or omissions of material facts from the public offering statement unless the person had actual knowledge of the misrepresentation or omission at the time the public offering statement was prepared.

(c) The declarant or dealer is liable for any misrepresentation contained in the public offering statement or for any omission of material fact from the public offering statement if the declarant or dealer had actual knowledge of the misrepresentation or omission or, in the exercise of reasonable care, should have known of the misrepresentation or omission.

(4) If a unit is part of a common interest community and is part of any other real estate regime in connection with the sale of which the delivery of a public offering statement is required under the laws of this state, a single public offering statement conforming to the requirements of RCW 64.90.610, 64.90.615, and 64.90.620 as those requirements relate to each regime in which the unit is located, and to any other requirements imposed under the laws of this state, may be prepared and delivered in lieu of providing two or more public offering statements.

(5) A declarant is not required to prepare and deliver a public offering statement in connection with the sale of any unit owned by the declarant, or to obtain for or provide to the purchaser a report or statement required under RCW 64.90.610(1)(oo), 64.90.620(1), or 64.90.655, upon the later of:

(a) The termination or expiration of all special declarant rights;

(b) The expiration of all periods within which claims or actions for a breach of warranty arising from defects involving the common elements under RCW 64.90.680 must be filed or commenced, respectively, by the association against the declarant; or

(c) The time when the declarant ceases to meet the definition of a dealer under RCW 64.90.010.

(6) After the last to occur of any of the events described in subsection (5) of this section, a declarant must deliver to the purchaser of a unit owned by the declarant a resale certificate under RCW 64.90.640(2) together with:

(a) The identification of any real property not in the common interest community that unit owners have a right to use and a description of the terms of such use;

(b) A brief description or a copy of any express construction warranties to be provided to the purchaser;

(c) A statement of any litigation brought by an owners' association, unit owner, or governmental entity in which the declarant or any affiliate of the declarant has been a defendant arising out of the construction, sale, or administration of any common interest community within the state of Washington within the previous five years, together with the results of the litigation, if known;

(d) Whether timesharing is permitted or prohibited, and, if permitted, a statement that the purchaser of a time share unit is entitled to receive the disclosure document required under chapter 64.36 RCW; and

(e) Any other information and cross-references that the declarant believes will be helpful in describing the common interest community to the purchaser, all of which may be included or not included at the option of the declarant.

(7) A declarant is not liable to a purchaser for the failure or delay of the association to provide the resale certificate in a timely manner, but the purchase contract is voidable by the purchaser of a unit sold by the declarant until the resale certificate required under RCW 64.90.640(2) and the information required

ONE HUNDRED THIRD DAY, APRIL 21, 2023

under subsection (6) of this section have been provided and for five days thereafter or until conveyance, whichever occurs first.

Sec. 8. RCW 64.90.645 and 2021 c 260 s 2 are each amended to read as follows:

(1) Except as provided in subsection (2) of this section, any earnest money deposit, as defined in RCW 64.04.005, made in connection with the right to purchase a unit from a person required to deliver a public offering statement pursuant to RCW 64.90.605(3) must be placed in escrow and held in this state in an escrow or trust account designated solely for that purpose by a licensed title insurance company or agent, a licensed attorney, a real estate broker or independent bonded escrow company, or an institution whose accounts are insured by a governmental agency or instrumentality until: (a) Delivered to the declarant at closing, (b) delivered to the declarant because of the purchaser's default under a contract to purchase the unit, (c) refunded to the purchaser, or (d) delivered to a court in connection with the filing of an interpleader action.

(2)(a) If a purchase agreement for the sale of a unit provides that deposit funds may be used for construction costs and the declarant obtains and maintains a surety bond as required by this section, the declarant may withdraw escrow funds when construction of improvements has begun. The funds may be used only for actual building and construction costs of the project in which the unit is located.

(b) The bond must be issued by a surety insurer licensed in this state in favor of the purchaser in an amount adequate to cover the amount of the deposit to be withdrawn. The declarant may not withdraw more than the face amount of the bond. The bond must be payable to the purchaser if the purchaser obtains a final judgment against the declarant requiring the declarant to return the deposit pursuant to the purchase agreement. The bond may be either in the form of an individual bond for each deposit accepted by the declarant or in the form of a blanket bond assuring the return of all deposits received by the declarant.

(c) The party holding escrow funds who releases all or any portion of the funds to the declarant has no obligation to monitor the progress of construction or the expenditure of the funds by the declarant and is not liable to any purchaser for the release of funds pursuant to this section.

(3) ~~((A))~~ The amount of deposit (under) funds that may be used pursuant to subsection (2) of this section may not exceed five percent of the purchase price.

NEW SECTION. Sec. 9. A new section is added to chapter 82.45 RCW to read as follows:

(1) The down payment assistance account is created in the custody of the state treasurer. Receipts from the real estate excise tax on sales of condominiums or townhouses to persons using a down payment assistance program offered by the Washington state housing finance commission must be deposited in the account, as provided in subsection (2) of this section. Expenditures from the account may be used only for payment toward a person's down payment assistance loan that was used to purchase a condominium or townhouse for which the tax was collected. Only the Washington state housing finance commission or the commission's designee may authorize expenditures from the account. The account is subject to allotment procedures under chapter 43.88 RCW, but an appropriation is not required for expenditures.

(2)(a) Beginning June 15, 2024, and each June 15th thereafter, the department must notify the economic and revenue forecast council of the total amount received under RCW 82.45.060 from sales of condominiums or townhouses to persons using a down payment assistance program offered by the Washington state housing finance commission during the prior calendar year.

(b) Beginning in fiscal year 2025, and each fiscal year thereafter, the legislature must appropriate from the general fund to this account the lesser of (i) the amount received under RCW 82.45.060 on sales of condominiums or townhouses to persons using a down payment assistance program offered by the Washington state housing finance commission during the prior calendar year, as determined under (a) of this subsection, or (ii) \$250,000 per fiscal year.

(c) On or before March 1, 2024, and each March 1st thereafter, the Washington state housing finance commission must provide the department with the following information for each sale of a condominium or townhouse to a person using a down payment assistance program offered by the Washington state housing finance commission that occurred during the prior calendar year:

(i) The real estate excise tax affidavit number associated with the sale;

(ii) The date of sale;

(iii) The parcel number of the property sold;

(iv) The street address of the property sold;

(v) The county in which the property sold is located;

(vi) The full legal name of the seller, or sellers, as shown on the real estate excise tax affidavit;

(vii) The full legal name of the buyer, or buyers, as shown on the real estate excise tax affidavit; and

(viii) Any additional information the department may require to verify the property sold is a condominium or townhouse sold to persons using a down payment assistance program offered by the Washington state housing finance commission.

(d) For the purposes of this subsection, "townhouse" means dwelling units constructed in a row of two or more attached units where each dwelling unit shares at least one common wall with an adjacent unit and is accessed by a separate outdoor entrance.

(3) This section expires January 1, 2034.

Sec. 10. RCW 82.02.060 and 2021 c 72 s 1 are each amended to read as follows:

The local ordinance by which impact fees are imposed:

(1) Shall include a schedule of impact fees which shall be adopted for each type of development activity that is subject to impact fees, specifying the amount of the impact fee to be imposed for each type of system improvement. The schedule shall be based upon a formula or other method of calculating such impact fees. The schedule shall reflect the proportionate impact of new housing units, including multifamily and condominium units, based on the square footage, number of bedrooms, or trips generated, in the housing unit in order to produce a proportionally lower impact fee for smaller housing units. In determining proportionate share, the formula or other method of calculating impact fees shall incorporate, among other things, the following:

(a) The cost of public facilities necessitated by new development;

(b) An adjustment to the cost of the public facilities for past or future payments made or reasonably anticipated to be made by new development to pay for particular system improvements in the form of user fees, debt service payments, taxes, or other payments earmarked for or proratable to the particular system improvement;

(c) The availability of other means of funding public facility improvements;

(d) The cost of existing public facilities improvements; and

(e) The methods by which public facilities improvements were financed;

(2) May provide an exemption for low-income housing, and other development activities with broad public purposes, including development of an early learning facility, from these impact fees, provided that the impact fees for such development

activity shall be paid from public funds other than impact fee accounts;

(3)(a) May not impose an impact fee on development activities of an early learning facility greater than that imposed on commercial retail or commercial office development activities that generate a similar number, volume, type, and duration of vehicle trips;

(b) When a facility or development has more than one use, the limitations in this subsection (3) or the exemption applicable to an early learning facility in subsections (2) and (4) of this section only apply to that portion that is developed as an early learning facility. The impact fee assessed on an early learning facility in such a development or facility may not exceed the least of the impact fees assessed on comparable businesses in the facility or development;

(4) May provide an exemption from impact fees for low-income housing or for early learning facilities. Local governments that grant exemptions for low-income housing or for early learning facilities under this subsection (4) may either: Grant a partial exemption of not more than eighty percent of impact fees, in which case there is no explicit requirement to pay the exempted portion of the fee from public funds other than impact fee accounts; or provide a full waiver, in which case the remaining percentage of the exempted fee must be paid from public funds other than impact fee accounts, except as provided in (b) of this subsection. These exemptions are subject to the following requirements:

(a) An exemption for low-income housing granted under subsection (2) of this section or this subsection (4) must be conditioned upon requiring the developer to record a covenant that, except as provided otherwise by this subsection, prohibits using the property for any purpose other than for low-income housing. At a minimum, the covenant must address price restrictions and household income limits for the low-income housing, and that if the property is converted to a use other than for low-income housing, the property owner must pay the applicable impact fees in effect at the time of conversion;

(b) An exemption for early learning facilities granted under subsection (2) of this section or this subsection (4) may be a full waiver without an explicit requirement to pay the exempted portion of the fee from public funds other than impact fee accounts if the local government requires the developer to record a covenant that requires that at least 25 percent of the children and families using the early learning facility qualify for state subsidized child care, including early childhood education and assistance under chapter 43.216 RCW, and that provides that if the property is converted to a use other than for an early learning facility, the property owner must pay the applicable impact fees in effect at the time of conversion, and that also provides that if at no point during a calendar year does the early learning facility achieve the required percentage of children and families qualified for state subsidized child care using the early learning facility, the property owner must pay 20 percent of the impact fee that would have been imposed on the development had there not been an exemption within 90 days of the local government notifying the property owner of the breach, and any balance remaining thereafter shall be a lien on the property; and

(c) Covenants required by (a) and (b) of this subsection must be recorded with the applicable county auditor or recording officer. A local government granting an exemption under subsection (2) of this section or this subsection (4) for low-income housing or an early learning facility may not collect revenue lost through granting an exemption by increasing impact fees unrelated to the exemption. A school district who receives school impact fees

must approve any exemption under subsection (2) of this section or this subsection (4);

(5) Shall provide a credit for the value of any dedication of land for, improvement to, or new construction of any system improvements provided by the developer, to facilities that are identified in the capital facilities plan and that are required by the county, city, or town as a condition of approving the development activity;

(6) Shall allow the county, city, or town imposing the impact fees to adjust the standard impact fee at the time the fee is imposed to consider unusual circumstances in specific cases to ensure that impact fees are imposed fairly;

(7) Shall include a provision for calculating the amount of the fee to be imposed on a particular development that permits consideration of studies and data submitted by the developer to adjust the amount of the fee;

(8) Shall establish one or more reasonable service areas within which it shall calculate and impose impact fees for various land use categories per unit of development; ~~((and))~~

(9) May provide for the imposition of an impact fee for system improvement costs previously incurred by a county, city, or town to the extent that new growth and development will be served by the previously constructed improvements provided such fee shall not be imposed to make up for any system improvement deficiencies; and

(10) Must adopt or amend by ordinance, and incorporate into their development regulations, zoning regulations, and other official controls the requirements of this section to take effect six months after the jurisdiction's next periodic comprehensive plan update required under RCW 36.70A.130.

For purposes of this section, "low-income housing" means housing with a monthly housing expense, that is no greater than thirty percent of eighty percent of the median family income adjusted for family size, for the county where the project is located, as reported by the United States department of housing and urban development.

For the purposes of this section, "early learning facility" has the same meaning as in RCW 43.31.565.

Sec. 11. RCW 58.17.060 and 1990 1st ex.s. c 17 s 51 are each amended to read as follows:

(1) The legislative body of a city, town, or county shall adopt regulations and procedures, and appoint administrative personnel for the summary approval of short plats and short subdivisions or alteration or vacation thereof. When an alteration or vacation involves a public dedication, the alteration or vacation shall be processed as provided in RCW 58.17.212 or 58.17.215. Such regulations shall be adopted by ordinance and shall provide that a short plat and short subdivision may be approved only if written findings that are appropriate, as provided in RCW 58.17.110, are made by the administrative personnel, and may contain wholly different requirements than those governing the approval of preliminary and final plats of subdivisions and may require surveys and monumentations and shall require filing of a short plat, or alteration or vacation thereof, for record in the office of the county auditor: PROVIDED, That such regulations must contain a requirement that land in short subdivisions may not be further divided in any manner within a period of five years without the filing of a final plat, except that when the short plat contains fewer than four parcels, nothing in this section shall prevent the owner who filed the short plat from filing an alteration within the five-year period to create up to a total of four lots within the original short plat boundaries: PROVIDED FURTHER, That such regulations are not required to contain a penalty clause as provided in RCW 36.32.120 and may provide for wholly injunctive relief.

ONE HUNDRED THIRD DAY, APRIL 21, 2023

An ordinance requiring a survey shall require that the survey be completed and filed with the application for approval of the short subdivision.

(2) Cities, towns, and counties shall include in their short plat regulations and procedures pursuant to subsection (1) of this section provisions for considering sidewalks and other planning features that assure safe walking conditions for students who walk to and from school.

(3) All cities, towns, and counties shall include in their short plat regulations procedures for unit lot subdivisions allowing division of a parent lot into separately owned unit lots. Portions of the parent lot not subdivided for individual unit lots shall be owned in common by the owners of the individual unit lots, or by a homeowners' association comprised of the owners of the individual unit lots.

Sec. 12. RCW 64.55.160 and 2005 c 456 s 17 are each amended to read as follows:

(1) On or before the (~~sixtieth~~) 60th day following completion of the mediation pursuant to RCW 64.55.120(4) and following filing and service of the complaint, the declarant, association, or party unit owner may serve on an adverse party an offer to allow judgment to be entered. The offer of judgment shall specify the amount of damages, not including costs or fees, that the declarant, association, or party unit owner is offering to pay or receive. A declarant's offer shall also include its commitment to pay costs and fees that may be awarded as provided in this section. The declarant, association, or party unit owner may make more than one offer of judgment so long as each offer is timely made. Each subsequent offer supersedes and replaces the previous offer. Any offer not accepted within (~~twenty-one~~) 21 days of the service of that offer is deemed rejected and withdrawn and evidence thereof is not admissible and may not be provided to the court or arbitrator except in a proceeding to determine costs and fees or as part of the motion identified in subsection (2) of this section.

(2) A declarant's offer must include a demonstration of ability to pay damages, costs, and fees, including reasonable attorneys' fees, within thirty days of acceptance of the offer of judgment. The demonstration of ability to pay shall include a sworn statement signed by the declarant, the attorney representing the declarant, and, if any insurance proceeds will be used to fund any portion of the offer, an authorized representative of the insurance company. If the association or party unit owner disputes the adequacy of the declarant's demonstration of ability to pay, the association or party unit owner may file a motion with the court requesting a ruling on the adequacy of the declarant's demonstration of ability to pay. Upon filing of such motion, the deadline for a response to the offer shall be tolled from the date the motion is filed until the court has ruled.

(3) An association or party unit owner that accepts the declarant's offer of judgment shall be deemed the prevailing party and, in addition to recovery of the amount of the offer, shall be entitled to a costs and fees award, including reasonable attorneys' fees, in an amount to be determined by the court in accordance with applicable law.

(4) If the amount of the final nonappealable or nonappealed judgment, exclusive of costs or fees, is not more favorable to the offeree than the offer of judgment, then the offeror is deemed the prevailing party for purposes of this section only and is entitled to an award of costs and fees, including reasonable attorneys' fees, incurred after the date the last offer of judgment was rejected and through the date of entry of a final nonappealable or nonappealed judgment, in an amount to be determined by the court in accordance with applicable law. The nonprevailing party shall not be entitled to receive any award of costs and fees.

(5) If the final nonappealable or nonappealed judgment on damages, not including costs or fees, is more favorable to the offeree than the last offer of judgment, then the court shall determine which party is the prevailing party and shall determine the amount of the costs and fees award, including reasonable attorneys' fees, in accordance with applicable law.

(6) Notwithstanding any other provision in this section, with respect to claims brought by an association or unit owner, the liability for declarant's costs and fees, including reasonable attorneys' fees, shall:

(a) With respect to claims brought by an association, not exceed five percent of the assessed value of the condominium as a whole, which is determined by the aggregate tax-assessed value of all units at the time of the award; and

(b) With respect to claims brought by a party unit owner, not exceed five percent of the assessed value of the unit at the time of the award.

NEW SECTION. **Sec. 13.** Sections 3 through 5 of this act apply only to construction defect claims commenced after the effective date of this section.

NEW SECTION. **Sec. 14.** Section 9 of this act takes effect January 1, 2024."

MESSAGE FROM THE HOUSE

April 20, 2023

MR. PRESIDENT:

The House receded from its amendment(s) to ENGROSSED SECOND SUBSTITUTE SENATE BILL NO. 5315. Under suspension of the rules, the bill was returned to second reading for the purposes of amendment(s). The House adopted the following amendment(s): 5315-S2.E AMH SANT H2001.2, and passed the bill as amended by the House.

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. (1)(a)(i) The legislature finds that the federal individuals with disabilities education act, Title 20 U.S.C. Sec. 1400 et seq., establishes duties for the state education agency, which is the office of the superintendent of public instruction in Washington, with respect to students with disabilities who are placed in a private school or facility by a school district or other public agency as a means of providing special education and related services.

(ii) Since 2006, the federal implementing regulations of the federal individuals with disabilities education act have required that the office of the superintendent of public instruction ensure that a student with a disability who is placed in a private school or facility by a school district or other public agency:

(A) Is provided special education and related services in conformance with an individualized education program that meets the requirements of federal law and at no cost to the student's parents;

(B) Is provided an education that meets the standards that apply to education provided by a school district or other public agency; and

(C) Has all of the rights of a student with a disability who is served by a school district or other public agency.

(iii) Since 2006, the federal implementing regulations of the federal individuals with disabilities education act have required

that the office of the superintendent of public instruction, in implementing the requirements described in (a)(ii) of this subsection:

(A) Monitor compliance through procedures such as written reports, on-site visits, and parent questionnaires;

(B) Disseminate copies of applicable standards to each private school and facility to which a school district or other public agency has placed a student with a disability; and

(C) Provide an opportunity for those private schools and facilities to participate in the development and revision of state standards that apply to them.

(iv) The federal implementing regulations of the federal individuals with disabilities education act require the state to monitor implementation of the individuals with disabilities education act to improve educational results and functional outcomes for all students with disabilities. The state must use indicators to measure school district performance, identify areas of noncompliance, and use appropriate enforcement mechanisms, such as technical assistance, corrective action, or withholding funds.

(b) The legislature acknowledges that it has not codified the federal requirements. Therefore, the legislature intends to codify the duty and authority of the superintendent of public instruction to establish standards for authorizing, monitoring, and investigating private schools approved by the state board of education under RCW 28A.305.130, other private in-state entities, and any out-of-state entities, that contract with school districts to provide special education and related services to students with disabilities. The legislature also intends to codify the requirement that these standards must ensure that any students with disabilities placed in the authorized entities by school districts have the same rights, protections, and access to special education and related services that they would have if served by school districts.

(2)(a)(i) The federal implementing regulations of the federal individuals with disabilities education act specify that, when a school district or other public agency has placed a student with disabilities in a private school or facility, responsibility for compliance with the federal individuals with disabilities education act remains with the school district or other public agency and with the office of the superintendent of public instruction.

(ii) State statute permits school districts to contract with entities authorized by the office of the superintendent of public instruction to operate special education programs for students with disabilities and specifies that the approval standards must conform substantially to those of special education programs in the school districts.

(iii) Rules of the office of the superintendent of public instruction specify the minimum elements of the written contract that must be made between a school district and an authorized entity. In addition, these rules specify that the school district remains responsible for ensuring that any student placed in an authorized entity is provided a free appropriate public education in conformance with the individualized education program developed by the school district.

(b) The legislature intends to codify the responsibilities of school districts placing students with disabilities in authorized entities, including specifying minimum contract and parent notification requirements.

(3) In addition, the legislature intends to ensure accountability is properly exercised and shared by directing the state auditor to conduct a performance audit of the system for overseeing the authorized entities that provide special education services to students with disabilities, as well as requiring school districts

contracting with these authorized entities to report concerns about education overbilling to the office of the superintendent of public instruction and the office of the state auditor.

Sec. 2. RCW 28A.155.090 and 2007 c 115 s 11 are each amended to read as follows:

The superintendent of public instruction shall have the duty and authority, through the administrative section or unit for the education of children with ~~((disabling conditions))~~ disabilities, to:

(1) Assist school districts in the formation of programs to meet the needs of children with disabilities;

(2) Develop interdistrict cooperation programs for children with disabilities as authorized in RCW 28A.225.250;

(3) Provide, upon request, to parents or guardians of children with disabilities, information as to the special education programs for students with disabilities offered within the state;

(4) Assist, upon request, the parent or guardian of any child with disabilities in the placement of any child with disabilities who is eligible for but not receiving special educational services for children with disabilities;

(5) Approve school district and agency programs as being eligible for special excess cost financial aid to students with disabilities;

(6) Establish standards for authorizing, monitoring, and investigating private schools approved by the state board of education under RCW 28A.305.130, other private in-state entities, and any out-of-state entities, that contract with school districts under RCW 28A.155.060 to provide special education and related services to children with disabilities. The standards must ensure that any children with disabilities placed in authorized entities by school districts have the same rights, protections, and access to special education and related services that they would have if served by a school district;

(7) Consistent with the provisions of RCW 28A.150.390, 28A.160.030, and 28A.155.010 through 28A.155.160, and part B of the federal individuals with disabilities education improvement act, administer administrative hearings and other procedures to ensure procedural safeguards of children with disabilities; and

~~((7))~~ (8) Promulgate such rules as are necessary to implement part B of the federal individuals with disabilities education improvement act or other federal law providing for special education services for children with disabilities and the several provisions of RCW 28A.150.390, 28A.160.030, and 28A.155.010 through 28A.155.160 and to ensure appropriate access to and participation in the general education curriculum and participation in statewide assessments for all students with disabilities.

MOTION

Senator Wellman moved that the following striking amendment no. 0466 by Senator Wellman be adopted:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. **Sec. 1.** A new section is added to chapter 28A.155 RCW to read as follows:

(1) The superintendent of public instruction shall annually review data from local education agencies, including the percentage of students receiving special education services, to ensure there is not a disproportionate identification of students, as defined by the superintendent of public instruction in accordance with federal requirements of the individuals with disabilities education act, 20 U.S.C. Sec. 1400.

(2) The office of the superintendent of public instruction shall provide technical assistance to school districts experiencing issues related to disproportionality and will make available professional development opportunities statewide to support

local education agencies, schools, and community partners in promoting inclusionary teaching practices within a multitiered system of supports framework to help safeguard against over-identification and other issues related to disproportionality.

NEW SECTION. **Sec. 2.** (1)(a) It is the intent of the legislature to ensure that the state's special education funding formula does not result in a limitation on services or excess cost allocations to which students are entitled. To this end, the legislature acknowledges that a comprehensive review of the special education funding formula to examine the impacts of recent modifications and the potential need for future modifications is overdue, including the need to look at enrollment percent caps and minimum threshold values for access to the safety net.

(b) The legislature also intends to examine the current accounting and reporting methodologies to ensure that they continue to accurately serve their purpose of providing transparency and accountability and enable the legislature to oversee the state's funding of the program of special education.

(2) The joint legislative audit and review committee and the state auditor, in consultation with the office of the superintendent of public instruction, must collaborate to conduct a performance audit of the state's system of providing special education services to students with disabilities, including a review of each funding formula component used to allocate resources to school districts for the program of special education and the interplay between those different components. The joint legislative audit and review committee and the state auditor may divide responsibility for the work and reporting required in this section as appropriate, and contract with qualified third-party researchers or higher education institutions to perform any aspect of the report and audit. The report and audit must address:

(a) The prevalence of disabilities and whether the provisions and funding for evaluating students and providing services reflects the prevalence of disabilities, including whether any populations are disparately undervalued or underserved;

(b) The degree to which changes in funding formulas intended to encourage increased inclusion are successful and whether the state and school districts are utilizing best practices to improve inclusion;

(c) Whether the changes in evaluation timelines or increases in the funded enrollment limit have resulted in funding for students who do not have disabilities or in excess of districts' costs to serve students with disabilities;

(d) Whether districts are appropriately accounting for and reporting use of basic education allocations for students with disabilities, including if statutory expectations for use of funds are being met. As part of this review, the joint legislative audit and review committee shall revisit their special education excess cost accounting and reporting requirements report from February 2006 and determine if the special education excess cost accounting methodology and requirements are still functioning as intended with other changes in funding and service delivery focused on inclusion in a general education setting and if additional modifications are recommended;

(e) The amount of funding from levies or other local sources that school districts continue to utilize under current accounting methodologies in order to meet obligations to provide free and appropriate public education to students with disabilities, the degree to which funding shortfalls will continue following planned increases in multipliers, proposed changes to accounting methodologies, and the elimination of a cap on the percent of students for whom the state provides funding; and, options for additional changes to funding formulas to eliminate shortfalls in state funding for special education;

ONE HUNDRED THIRD DAY, APRIL 21, 2023

(f) How the state may improve recruitment and retention of certificated educators, instructional aides, or paraeducators and professionals serving students with disabilities;

(g) How the existing special education funding formula components used to allocate resources to school districts in Washington address the actual funding needs of school districts to fully serve all students with disabilities. This review must include an examination of each individual funding formula component including, but not limited to, the use of multiple student weights, the funded percentage cap, and safety net eligibility requirements. This review must also address how the funding formula components interplay within the overall funding model to address the diverse and variable needs of school district special education programs; and

(h) How Washington's special education funding model compares to different special education funding models used in other states. This review and comparison must identify the strengths and weaknesses of Washington's funding model as compared to other funding models and, at a minimum, review past studies and findings related to Washington's special education funding model. This review must identify which state formulas place a cap or threshold value on the number or percentage of special education students for purposes of generating funding and if those states differ in other ways from the states that do not have a limit, such as using tiered funding formulas or an average dollar allocation per special education student.

(3) To develop the appropriate scope, define study questions, and select one or more contractors to complete the performance audit and report, the joint legislative audit and review committee and state auditor shall consult with the office of the superintendent of public instruction, the office of the education ombuds, organizations representing and serving students with disabilities, the Washington state special education advisory council, and labor organizations representing educators providing educational services to students with disabilities in developing study questions and choosing appropriate contractors. To address the study questions, the joint legislative audit and review committee and the state auditor may conduct the audit at a sample of school districts as needed.

(4) The performance audit required by this section must include charter schools to the same extent as school districts.

(5) Upon request, the office of financial management and any state or local agency must provide the joint legislative audit and review committee and the state auditor with education records necessary to conduct the performance audit required under this section. The joint legislative audit and review committee and the state auditor shall be considered authorized representatives of relevant state education authorities, including the superintendent of public instruction and the department of children, youth, and families, for the purpose of accessing records for this evaluation. The office of financial management and any state or local agency must provide records within four months from the date of an initial request. The office of financial management or agencies contributing data to the education research and data center must notify the joint legislative audit and review committee and the state auditor's office in writing if they determine a request does not comply with the federal educational rights and privacy act, no later than 21 days after the initial request.

(6) Prior to the 2024 legislative session, the joint legislative audit and review committee and the state auditor must identify a lead agency for each element of the report and audit defined in subsection (2)(a) through (h) of this section and any aspects of the study that are being conducted by contractors. These designations must be provided to the governor and the committees of the

legislature with jurisdiction over fiscal matters and special education by December 31, 2023.

(7) The joint legislative audit and review committee and the state auditor must, in accordance with RCW 43.01.036, report the study's findings and recommendations to the governor and the committees of the legislature with jurisdiction over fiscal matters and special education by November 30, 2024.

(8)(a) As the joint legislative audit and review committee examines the current special education excess cost accounting and reporting methodologies, the following methodology shall be used by the superintendent of public instruction through the 2026-27 school year: If a school district's percentage used to calculate the state general apportionment revenue allocated to special education is lower than the percentage used for the 2022-23 school year, the superintendent of public instruction must allocate state general apportionment revenue to special education based on the percentage used in the 2022-23 school year, except as provided in (b) of this subsection.

(b)(i) Subsection (8)(a) of this section does not apply to school districts with a percentage used to calculate the state general apportionment revenue allocated to special education greater than 30 percent.

(ii) School districts with a percentage used to calculate the state general apportionment revenue allocated to special education less than 20 percent must be allocated at 20 percent.

(iii) If a school district's percentage of time students eligible for and receiving special education are served in a general education setting is at least five percentage points greater than its 2022-23 percentage in a school year, the school district's percentage used to calculate the state general apportionment revenue allocated to special education may be reduced by one percentage point for that school year from the 2022-23 percentage.

(iv) School districts with enrollments of less than 300 full-time equivalent students are exempt from all provisions of this subsection (8).

(9) This section expires December 31, 2026.

Sec. 3. RCW 28A.150.390 and 2020 c 90 s 3 are each amended to read as follows:

(1) The superintendent of public instruction shall submit to each regular session of the legislature during an odd-numbered year a programmed budget request for special education programs for students with disabilities. Funding for programs operated by local school districts shall be on an excess cost basis from appropriations provided by the legislature for special education programs for students with disabilities and shall take account of state funds accruing through RCW 28A.150.260 (4)(a), (5), (6), and (8) and 28A.150.415.

(2) The excess cost allocation to school districts shall be based on the following:

(a) A district's annual average headcount enrollment of students ages three and four and those five year olds not yet enrolled in kindergarten who are eligible for and receiving special education, multiplied by the district's base allocation per full-time equivalent student, multiplied by ~~((1+15))~~ 1.2;

(b)(i) Subject to the limitation in (b)(ii) of this subsection (2), a district's annual average enrollment of resident students who are eligible for and receiving special education, excluding students ages three and four and those five year olds not yet enrolled in kindergarten, multiplied by the district's base allocation per full-time equivalent student, multiplied by the special education cost multiplier rate of:

(A) ~~((In the 2019-20 school year, 0.995 for students eligible for and receiving special education.~~

~~(B)))~~ Beginning in the 2020-21 school year, either:

(I) 1.0075 for students eligible for and receiving special education and reported to be in the general education setting for ~~((eighty))~~ 80 percent or more of the school day; or

(II) 0.995 for students eligible for and receiving special education and reported to be in the general education setting for less than ~~((eighty))~~ 80 percent of the school day;

(B) Beginning in the 2023-24 school year, either:

(I) 1.12 for students eligible for and receiving special education and reported to be in the general education setting for 80 percent or more of the school day; or

(II) 1.06 for students eligible for and receiving special education and reported to be in the general education setting for less than 80 percent of the school day.

(ii) If the enrollment percent exceeds ~~((thirteen and five tenths))~~ 15 percent, the excess cost allocation calculated under (b)(i) of this subsection must be adjusted by multiplying the allocation by ~~((thirteen and five tenths))~~ 15 percent divided by the enrollment percent.

(3) As used in this section:

(a) "Base allocation" means the total state allocation to all schools in the district generated by the distribution formula under RCW 28A.150.260 (4)(a), (5), (6), and (8) and the allocation under RCW 28A.150.415, to be divided by the district's full-time equivalent enrollment.

(b) "Basic education enrollment" means enrollment of resident students including nonresident students enrolled under RCW 28A.225.225 and students from nonhigh districts enrolled under RCW 28A.225.210 and excluding students residing in another district enrolled as part of an interdistrict cooperative program under RCW 28A.225.250.

(c) "Enrollment percent" means the district's resident annual average enrollment of students who are eligible for and receiving special education, excluding students ages three and four and those five year olds not yet enrolled in kindergarten and students enrolled in institutional education programs, as a percent of the district's annual average full-time equivalent basic education enrollment.

Sec. 4. RCW 28A.150.392 and 2019 c 387 s 2 are each amended to read as follows:

(1)(a) To the extent necessary, funds shall be made available for safety net awards for districts with demonstrated needs for special education funding beyond the amounts provided through the special education funding formula under RCW 28A.150.390.

(b) If the federal safety net awards based on the federal eligibility threshold exceed the federal appropriation in any fiscal year, then the superintendent shall expend all available federal discretionary funds necessary to meet this need.

(2) Safety net funds shall be awarded by the state safety net oversight committee subject to the following conditions and limitations:

(a) The committee shall award additional funds for districts that can convincingly demonstrate that all legitimate expenditures for special education exceed all available revenues from state funding formulas.

(b) In the determination of need, the committee shall consider additional available revenues from federal sources.

(c) Differences in program costs attributable to district philosophy, service delivery choice, or accounting practices are not a legitimate basis for safety net awards.

(d) In the determination of need, the committee shall require that districts demonstrate that they are maximizing their eligibility for all state revenues related to services for students eligible for special education and all federal revenues from federal impact aid, medicaid, and the individuals with disabilities education act-Part B and appropriate special projects. Awards

associated with (e) and (f) of this subsection shall not exceed the total of a district's specific determination of need.

(e) The committee shall then consider the extraordinary high cost needs of one or more individual students eligible for and receiving special education. Differences in costs attributable to district philosophy, service delivery choice, or accounting practices are not a legitimate basis for safety net awards.

(f) Using criteria developed by the committee, the committee shall then consider extraordinary costs associated with communities that draw a larger number of families with children in need of special education services, which may include consideration of proximity to group homes, military bases, and regional hospitals. Safety net awards under this subsection (2)(f) shall be adjusted to reflect amounts awarded under (e) of this subsection.

(g) The committee shall then consider the extraordinary high cost needs of one or more individual students eligible for and receiving special education served in residential schools ~~((as defined in RCW 28A.190.020))~~, programs for juveniles under the department of corrections, and programs for juveniles operated by city and county jails to the extent they are providing a secondary program of education.

(h) The maximum allowable indirect cost for calculating safety net eligibility may not exceed the federal restricted indirect cost rate for the district plus one percent.

(i) Safety net awards shall be adjusted based on the percent of potential medicaid eligible students billed as calculated by the superintendent of public instruction in accordance with chapter 318, Laws of 1999.

(j) Safety net awards must be adjusted for any audit findings or exceptions related to special education funding.

(3) The superintendent of public instruction shall adopt such rules and procedures as are necessary to administer the special education funding and safety net award process. By December 1, 2018, the superintendent shall review and revise the rules to achieve full and complete implementation of the requirements of this subsection and subsection (4) of this section including revisions to rules that provide additional flexibility to access community impact awards. Before revising any standards, procedures, or rules, the superintendent shall consult with the office of financial management and the fiscal committees of the legislature. In adopting and revising the rules, the superintendent shall ensure the application process to access safety net funding is streamlined, timelines for submission are not in conflict, feedback to school districts is timely and provides sufficient information to allow school districts to understand how to correct any deficiencies in a safety net application, and that there is consistency between awards approved by school district and by application period. The office of the superintendent of public instruction shall also provide technical assistance to school districts in preparing and submitting special education safety net applications.

(4) On an annual basis, the superintendent shall survey districts regarding their satisfaction with the safety net process and consider feedback from districts to improve the safety net process. Each year by December 1st, the superintendent shall prepare and submit a report to the office of financial management and the appropriate policy and fiscal committees of the legislature that summarizes the survey results and those changes made to the safety net process as a result of the school district feedback.

(5) The safety net oversight committee appointed by the superintendent of public instruction shall consist of:

(a) One staff member from the office of the superintendent of public instruction;

ONE HUNDRED THIRD DAY, APRIL 21, 2023

(6)(a) Beginning in the 2019-20 school year, a high-need student is eligible for safety net awards from state funding under subsection (2)(e) and (g) of this section if the student's individualized education program costs exceed two and three-tenths times the average per-pupil expenditure as defined in Title 20 U.S.C. Sec. 7801, the every student succeeds act of 2015.

(b) Beginning in the 2023-24 school year, a high-need student is eligible for safety net awards from state funding under subsection (2)(e) and (g) of this section if the student's individualized education program costs exceed:

(i) 2 times the average per-pupil expenditure, for school districts with fewer than 1,000 full-time equivalent students;

(ii) 2.2 times the average per-pupil expenditure, for school districts with 1,000 or more full-time equivalent students.

(c) For purposes of (b) of this subsection, "average per-pupil expenditure" has the same meaning as in 20 U.S.C. Sec. 7801, the every student succeeds act of 2015, and excludes safety net funding provided in this section.

Sec. 5. RCW 43.06B.010 and 2013 c 23 s 82 are each amended to read as follows:
