SUBSTITUTE HOUSE BILL NO. 2753 was read the second time.

With the consent of the House, amendments (792), (793) and (1022) were withdrawn.

Representative Orcutt moved the adoption of amendment (905):

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The legislature finds that the department of natural resources manages state forests consistent with the forest practices rules, habitat conservation plans, and under a sustained yield harvest plan. The forest management required by these constraints necessarily means that wood products originating from state forests are managed consistent with advanced principles of sustainable forestry stewardship that meet or exceed the environmental and social standards of most public and private timber growing operations in both the nation and the world. As such, the state of Washington should aggressively market its wood products to end consumers and product manufacturers that are concerned with the forest practices used to grow the timber they are choosing to purchase.

NEW SECTION. Sec. 2. The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

- (1) "Board" means the board of natural resources.
- (2) "Council" means the evergreen sustainable forestry council created in section 3 of this act.
- (3) "Department" means the department of natural resources.
- (4) "Small forest landowner" has the same meaning as defined in RCW 76.09.450.

NEW SECTION. Sec. 3. (1) The evergreen sustainable forestry council is created.

- (2) The council is comprised of:
 - (a) The commissioner of public lands, or the commissioner's designee;
 - (b) The governor, or the governor's designee;
 - (c) The superintendent of public instruction, or the superintendent's designee;
 - (d) A designee representing the state university system, appointed by the governor;
 - (e) A designee representing those counties that contain state forest lands, appointed by the governor;
 - (f) Two owners or operators of private commercial timberland, appointed by the governor, one being a small forest landowner;
 - (g) Two members of the house of representatives from different political parties, appointed by the speaker of the house of representatives; and
 - (h) Two members of the senate from different political parties, appointed by the president of the senate.
- (3) Staff to the council shall be provided by the department.

NEW SECTION. Sec. 4. (1) The council shall designate timber that satisfies the standards of this chapter as "evergreen certified."

(2) The council shall develop and implement a marketing plan for evergreen certified wood products. The goal of this plan is to:

- (a) Educate wood purchasers about the environmental stewardship and sustainable forest practices involved in the planting, growing, and harvesting of evergreen certified wood;
- (b) Promote evergreen certified wood in the marketplace as an alternative to the recognition of other third-party sustainable forestry certification organizations; and
- (c) Develop a niche market for evergreen certified wood that will bring a premium price to the producers of evergreen certified wood.

NEW SECTION. Sec. 5. (1) Timber produced on public lands in Washington shall be designated as "evergreen certified" by the council if the timber satisfies the following criteria:

- (a) The timber was managed in compliance with the forest practices rules adopted under chapter 76.09 RCW;
- (b) The timber was managed in compliance with any habitat conservation plan agreed to by the department and the federal government; and
- (c) The timber was harvested pursuant to a sustainable harvest plan adopted by the board under RCW 79.10.320.

(2) Timber produced on private lands in Washington must be designated as "evergreen certified" by the council if the timber was managed under the forest practices rules adopted under chapter 76.09 RCW.

NEW SECTION. Sec. 6. Sections 1 through 5 of this act constitute a new chapter in Title 76 RCW."

Correct the title.

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The legislature finds that trust beneficiaries, rural communities, and sustainable forest harvest management may benefit if wood produced on state-owned forests can be certified as sustainable and marketed as such. It is the intent of this legislation to provide the legislature, the board of natural resources, and other interested parties with the information that will allow for an informed decision on this policy question prior to the final adoption of a sustainable harvest calculation by the board of natural resources.

NEW SECTION. Sec. 2. (1) The department of natural resources shall prepare a report for the legislature and the board of natural resources that identifies:

(a) What changes to the current state forest management practices, including the provisions of any applicable habitat conservation plans, need to be implemented for state-managed forests to achieve third-party sustainable forestry certification under the standards of major sustainable forestry certification organizations;

(b) What added changes in operational costs would be associated with the changes in management practices necessary to achieve certifications;

(c) Whether and how the preferred sustainable harvest level alternative identified by the board of natural resources would satisfy the state's responsibilities under any applicable habitat conservation plans; and

(d) How the preferred sustainable harvest level calculation identified by the board of natural resources increases or decreases the cost of compliance with the standards of major sustainable forestry certification organizations.

(2) The department of natural resources shall complete its report and submit it to the board of natural resources and the appropriate standing committees of the legislature no later than September 14, 2004. The department shall include in its report sufficient detail on its calculations to facilitate the review and comment process established in subsection (3) of this section.

(3) The department of natural resources shall make copies of the report available to any interested party who wishes to review and comment on the report. Comments should be addressed to the chairs of the appropriate standing committees of the legislature.

Sec. I. RCW 79.10.320 and 2003 c 334 s 538 are each amended to read as follows:

(1) The department shall manage the state-owned lands under its jurisdiction which are primarily valuable for the purpose of growing forest crops on a sustained yield basis insofar as compatible with other statutory directives. To this end, the department shall periodically adjust the acreages designated for inclusion in the sustained yield management program and calculate a sustainable harvest level.

(2) For the final sustainable harvest level intended to be adopted by the board during calendar year 2004, the board may identify a single preferred harvest level alternative, and may only adopt a sustainable harvest level after:

(a) The report required in section 2 of this act has been produced and delivered to the appropriate standing committees of the legislature;

(b) A legislative review of the report has been conducted by the appropriate standing committees of the legislature; and

(c) At least one hearing has been held by the board of natural resources on the findings in the report and the results of the legislative review.

NEW SECTION. Sec. 3. This act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and takes effect immediately.

NEW SECTION. **Sec. 4.** This act expires on July 1, 2005."

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The legislature finds that advances in technology have created a significant number of obsolete electronic products. The legislature also finds the challenge of providing electronic product management and recycling opportunities for Washington residents can be effectively addressed through partnerships with electronic product manufacturers, retailers, consumers, local governments, waste haulers, recyclers, nonprofit organizations, and other stakeholders. Therefore, the legislature finds that the department of ecology shall work with electronic product stakeholders to evaluate existing projects, encourage new pilot projects as needed, and develop recommendations for implementing and financing the collection, recycling, and reuse of electronic products throughout the state.

NEW SECTION. Sec. 2. The definitions in this section apply throughout sections 1 through 3 of this act unless the context clearly requires otherwise.

(1) "Covered electronic product" means all computer monitors, personal computers, and televisions. Covered electronic product does not include medical devices and products, including materials intended for use as ingredients in such products, as such terms are defined in the federal food, drug, and cosmetic act (21 U.S.C. Sec. 301 et seq.) or the virus-serum-toxin act of 1913 (21 U.S.C. Sec. 151 et seq.), and regulations issued under those acts.

(2) "Department" means the department of ecology.

(3) "Electronic waste" means a covered electronic product that has been discarded by its owner, or that has entered the solid waste stream.

(4) "Historic waste" means discarded covered electronic products that were produced before June 30, 2006.

(5) "Manufacturer" means any person who, as of the effective date of this act: (a) Manufactures and sells covered electronic equipment under its own brand; (b) manufactures and sells covered electronic equipment without affixing a brand; or (c) resells covered electronic products produced by other suppliers under its own brand and label. The term "manufacturer" applies regardless of the selling technique used, including distance communication.

(6) "Orphan waste" means electronic waste that was manufactured by, or bears the brand of, a manufacturer that is no longer in business.

(7) "Recycling" means the use of previously manufactured materials including metals, glass, and plastics, as feedstock in the manufacturing of new products. "Recycling" does not include energy recovery or energy generation by means of combusting electronic waste with or without other waste.

(8) "Reuse" means any operation by which electronic waste or components of electronic waste are used for the same purposes for which they were originally created, including the continued use of the equipment or components of the equipment that are returned to collection points, recyclers, or manufacturers.

NEW SECTION. Sec. 3. (1) The department, in consultation with the solid waste advisory committee created under RCW 70.95.040, shall conduct research and develop recommendations for implementing and financing an electronic product collection, recycling, and reuse program. The department and the solid waste advisory committee shall consult with stakeholders including persons who represent covered electronic product manufacturers, covered electronic product retailers, waste haulers, electronics recyclers, charities, cities, counties, environmental organizations, public interest organizations, and other interested parties that have a role or interest in the collection, reuse, and recycling of electronic waste.

(2) The department shall identify and evaluate existing projects and encourage new pilot projects for electronic product collection, recycling, and reuse that allow for new information to be obtained. In evaluating new and existing projects, factors to be considered include:

- (a) Urban versus rural recycling challenges and issues;
- (b) The involvement of electronic product manufacturers;
- (c) Different methods of financing the collection, reuse, and recycling programs for electronic products;
- (d) The impact of the approach on local governments, nonprofit organizations, waste haulers, and other stakeholders;
- (e) How to address historic and orphan waste; and
- (f) The effect of landfill bans on collection and recovery of electronic products.

(3) The department shall also:

- (a) Examine existing programs and infrastructure for reuse and recycling of electronic waste;
 - (b) Compile information on electronic product manufacturers' electronic product collection, recycling, and reuse programs;
 - (c) Review existing data on the costs to collect, transport, and recycle electronic waste;
 - (d) Develop possible performance measures to assess the effectiveness of collection, reuse, and recycling of covered electronic products;
 - (e) Develop a description of what could be accomplished voluntarily and what would require regulation or legislation if needed to implement the recommended statewide collection, recycling, and reuse program for covered electronic products;
 - (f) Research the potential impacts of recycling or reusing electronic waste on jobs, recycling infrastructure, and economic development;
 - (g) Evaluate the suitability of lined and unlined facilities for the disposal of covered electronic products;
 - (h) Explore state financial incentives for developing business opportunities and jobs in the area of electronic product recycling and reuse infrastructure;
 - (i) Develop and assess ways to establish and finance a statewide collection, reuse, and recycling program for covered electronic products; and
 - (j) Work with the federal environmental protection agency, other federal agencies, and interested stakeholders to:
 - (i) Determine the amount of electronic waste exported from Washington that is subject to reporting under 40 C.F.R. part 262;
 - (ii) Determine the amount of electronic waste exported from Washington that is not subject to reporting under 40 C.F.R. part 262, including electronic waste from households, small quantity generators, regulated generators, and other sources; and
 - (iii) Identify methods to determine if exports of electronic waste from Washington are in compliance with national laws in destination countries.

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. It is the intent of the legislature to relieve businesses from the obligation of reporting gift certificates as unclaimed property. In order to protect consumers, the legislature intends to prohibit acts and practices of retailers that deprive consumers of the full value of gift certificates, such as expiration dates, service fees, and dormancy and inactivity charges, on gift certificates. The legislature does not intend that this act be construed to apply to cards or other payment instruments issued for payment of wages or other intangible property. To that end, the legislature intends that this act should be liberally construed to benefit consumers and that any ambiguities should be resolved by applying the uniform unclaimed property act to the intangible property in question.

NEW SECTION. Sec. 2. The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

- (1) "Artistic and cultural organization" has the same meaning as in RCW 82.04.4328.

- (7) "Issue" means to sell or otherwise provide a gift certificate to any person, and includes reloading or adding value to an existing gift certificate.
- (8) "Stored value" has the same meaning as in RCW 19.230.010.

- (2) If a gift certificate is issued with the sale of tangible personal property or services, the gift certificate is subject to subsection (1) of this section.

If after the purchase the remaining value of the gift certificate is less than five dollars, the gift certificate must be redeemable in cash for its remaining value on demand of the bearer. A gift certificate is valid until redeemed or replaced.
- (4) This section does not require, unless otherwise required by law, the issuer of a gift certificate to replace a lost or stolen gift certificate.

NEW SECTION. Sec. 4. (1) It is lawful to issue, and to enforce against the bearer, a gift certificate containing an expiration date if:

- (a) The gift certificate is issued pursuant to an awards or loyalty program or in other instances where no money or other thing of value is given in exchange for the gift certificate.
 - (b) The gift certificate is donated to a charitable organization without any money or other thing of value being given in exchange for the gift certificate if the gift certificate is used by a charitable organization solely to provide charitable services.
- (2) The expiration date must be disclosed clearly and legibly on any gift certificate described in subsection (1) of this section.

NEW SECTION. Sec. 5. It is lawful to issue, and to enforce against the bearer, a gift card containing a dormancy or inactivity charge if:

- (1) A statement is printed on the gift card in at least six-point font stating the amount of the charge, how often the charge will occur, and that the charge is triggered by inactivity of the gift card. The statement may

appear on the front or back of the gift card, but shall appear in a location where it is visible to any purchaser before the purchase of the gift card;

- (2) The remaining value of the gift card is five dollars or less each time the charge is assessed;
- (3) The charge does not exceed one dollar per month;
- (4) The charge can only be assessed when there has been no activity on the gift card for twenty-four consecutive months, including but not limited to, purchases, the adding of value, or balance inquiries;
- (5) The bearer may reload or add value to the gift card; and
- (6) After a dormancy or inactivity charge is assessed, the remaining value of the gift certificate is redeemable in cash on demand.

- (3) The expiration date is at least three years from the date the gift certificate is issued by the artistic and cultural organizations; and
- (4) The unused value of the gift certificate at the time of expiration accrues solely to the benefit of artistic and cultural organizations.

NEW SECTION. Sec. 8. A requirement under sections 4 through 7 of this act that a statement or expiration date be printed on a gift certificate is satisfied if the statement appears as otherwise required on a sticker permanently affixed to the gift certificate.

NEW SECTION. Sec. 9. An issuer is not required to honor a gift certificate presumed abandoned under RCW 63.29.110, reported, and delivered to the department of revenue in the dissolution of a business association.

NEW SECTION. Sec. 10. (1) A gift certificate constitutes value held in trust by the issuer of the gift certificate on behalf of the beneficiary of the gift certificate. The value represented by the gift certificate belongs to the beneficiary, or to the legal representative of the beneficiary to the extent provided by law, and not to the issuer.

(2) An issuer of a gift certificate who is in bankruptcy shall continue to honor a gift certificate issued before the date of the bankruptcy filing on the grounds that the value of the gift certificate constitutes trust property of the beneficiary.

(3) The terms of a gift certificate may not make its redemption or other use invalid in the event of a bankruptcy.

(4) This section does not require, unless otherwise required by law, the issuer of a gift certificate to:

- (a) Redeem a gift certificate for cash;
- (b) Replace a lost or stolen gift certificate; or

NEW SECTION. Sec. 12. An agreement made in violation of the provisions of this chapter is contrary to public policy and is void and unenforceable against the bearer.

Strike everything after the enacting clause and insert the following:

"**Sec. 1.** RCW 48.18.480 and 1957 c 193 s 12 are each amended to read as follows:

~~((No))~~ An insurer shall not make or permit any unfair discrimination between insureds or subjects of insurance having substantially like insuring, risk, and exposure factors, and expense elements, in the terms or conditions of any insurance contract, or in the rate or amount of premium charged therefor, or in the benefits payable or in any other rights or privileges accruing thereunder. This ~~((provision shall))~~ section does not prohibit fair discrimination by a life insurer as between individuals having unequal expectation of life, except that insurers may not require a person to undergo a genetic test or provide the results of a previous genetic test as a condition of offering or renewing insurance. If an insurer has information from a genetic test, the insurer may only use that information if it demonstrates the active presence of disease or illness. An insurer may not use information from a genetic test if the information only demonstrates a propensity for a condition or illness and not the active presence of disease or illness.

(1) "Genetic information" means written or recorded information about genes, gene products, or genetic characteristics derived from an individual or a family member of the individual. "Gene product" is a scientific term that means messenger RNA and translated protein. For purposes of this chapter, "genetic information" shall not include routine physical measurements: Chemical, blood, and urine analysis, unless conducted purposely to diagnose a genetic characteristic; tests for the abuse of drugs; tests for cholesterol; and tests for the presence of HIV. Family histories do not constitute genetic information.

(2) "Genetic test" means a test of human DNA, RNA, mitochondrial DNA, chromosomes, or other material for the purpose of identifying genes, inherited or acquired genetic abnormalities, or the presence or absence of inherited or acquired characteristics in the genetic material. For the purposes of this section, "genetic test" does not include tests given for cholesterol or HIV. Employers may test for the presence of drugs or alcohol, but may not use the results of these tests to gain genetic information.

NEW SECTION. Sec. 2. A new section is added to chapter 49.44 RCW to read as follows:

It is unlawful for any person, firm, corporation, or the state of Washington, its political subdivisions, or municipal corporations to require, directly or indirectly, that any employee or prospective employee submit genetic information or submit to screening for genetic information as a condition of employment or continued employment. On the effective date of this section, if an employer possesses genetic information about an employee, it is unlawful for the employer to disclose the genetic information without the employee's informed consent.

(1) "Genetic information" means written or recorded information about genes, gene products, or genetic characteristics derived from an individual or a family member of the individual. "Gene product" is a scientific term that means messenger RNA and translated protein. For purposes of this chapter, "genetic information" shall not include routine physical measurements: Chemical, blood, and urine analysis, unless conducted purposely to diagnose a genetic characteristic; tests for the abuse of drugs; tests for cholesterol; and tests for the presence of HIV. Family histories do not constitute genetic information.

(2) "Genetic test" means a test of human DNA, RNA, mitochondrial DNA, chromosomes, or other material for the purpose of identifying genes, inherited or acquired genetic abnormalities, or the presence or absence of inherited or acquired characteristics in the genetic material. For the purposes of this section, "genetic test" does not include tests given for cholesterol or HIV. Employers may test for the presence of drugs or alcohol, but may not use the results of these tests to gain genetic information.

Representative Linville moved the adoption of amendment (976):

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. A new section is added to chapter 43.88 RCW to read as follows:

The legislature finds that agency missions, goals, and objectives should focus on statewide results. It is the intent of the legislature to focus the biennial budget on how state agencies produce real results that reflect the goals of statutory programs. Specifically, budget managers and the legislature must have the data to move toward better statewide results that produce the intended public benefit. This data must be supplied in an impartial, quantifiable form, and demonstrate progress toward statewide results. With a renewed focus on achieving true results, state agencies, the office of financial management, and the legislature will be able to prioritize state resources.

Sec. 2. RCW 43.88.090 and 1997 c 372 s 1 are each amended to read as follows:

(1) For purposes of developing budget proposals to the legislature, the governor shall have the power, and it shall be the governor's duty, to require from proper agency officials such detailed estimates and other information in such form and at such times as the governor shall direct. The governor shall communicate statewide priorities to agencies for use in developing biennial budget recommendations for their agency and shall seek public involvement and input on these priorities. The estimates for the legislature and the judiciary shall be transmitted to the governor and shall be included in the budget without revision. The estimates for state pension contributions shall be based on the rates provided in chapter 41.45 RCW. Copies of all such estimates shall be transmitted to the standing committees on ways and means of the house and senate at the same time as they are filed with the governor and the office of financial management.

The estimates shall include statements or tables which indicate, by agency, the state funds which are required for the receipt of federal matching revenues. The estimates shall be revised as necessary to reflect legislative enactments and adopted appropriations and shall be included with the initial biennial allotment submitted under RCW 43.88.110. The estimates must reflect that the agency considered any alternatives to reduce costs or improve service delivery identified in the findings of a performance audit of the agency by the joint legislative audit and review committee. Nothing in this subsection requires performance audit findings to be published as part of the budget.

(2) Each state agency shall define its mission and establish measurable goals for achieving desirable results for those who receive its services and the taxpayers who pay for those services. Each agency shall also develop clear strategies and timelines to achieve its goals. This section does not require an agency to develop a new mission or goals in place of identifiable missions or goals that meet the intent of this section. The mission and goals of each agency must conform to statutory direction and limitations.

(3) For the purpose of assessing program performance, each state agency shall establish program, quality, and productivity objectives for each major program in its budget. The objectives must be consistent with the missions and goals developed under this section. The objectives must be expressed to the extent practicable in outcome-based, objective, and measurable form unless an exception to adopt a different standard is granted by the office of financial management and approved by the legislative committee on performance review. Objectives must specifically address the statutory purpose of the program and shall focus on data that measure whether the agency is achieving or making progress toward the purpose of the program and toward statewide priorities. The office of financial management shall provide necessary professional and technical assistance to assist state agencies in the development of strategic plans that include the mission of the agency and its programs, measurable goals, strategies, and performance measurement systems.

(4) Each state agency shall adopt procedures for and perform continuous self-assessment of each program and activity, using the mission, goals, objectives, and measurements required under subsections (2) and (3) of this section. Agencies' progress toward the mission, goals, objectives, and measurements required by subsections (2) and (3) of this section is subject to review as set forth in this subsection.

(a) The office of financial management shall regularly conduct reviews of selected programs to analyze whether the objectives and measurements submitted by agencies demonstrate progress toward statewide results.

(b) The office of financial management shall consult with the higher education coordinating board, and the state board for community and technical colleges in those reviews that involve institutions of higher education.

(c) The goal is for all programs to receive at least one review each biennium.

(5) It is the policy of the legislature that each agency's budget (~~proposals~~) recommendations must be directly linked to the agency's stated mission and program, quality, and productivity goals and objectives. Consistent with this policy, agency budget proposals must include integration of performance measures that allow objective determination of a program's success in achieving its goals. When a review under subsection (4) of this section or other analysis determines that the agency's objectives demonstrate that the agency is making insufficient progress toward the goals of any particular program or is otherwise underachieving or inefficient, the agency's budget request shall contain proposals to remedy or improve the selected programs. The office of financial management shall develop a plan to merge the budget development process with agency performance assessment procedures. The plan must include a schedule to integrate agency strategic plans and performance

measures into agency budget requests and the governor's budget proposal over three fiscal biennia. The plan must identify those agencies that will implement the revised budget process in the 1997-1999 biennium, the 1999-2001 biennium, and the 2001-2003 biennium. In consultation with the legislative fiscal committees, the office of financial management shall recommend statutory and procedural modifications to the state's budget, accounting, and reporting systems to facilitate the performance assessment procedures and the merger of those procedures with the state budget process. The plan and recommended statutory and procedural modifications must be submitted to the legislative fiscal committees by September 30, 1996.

(6) In reviewing agency budget requests in order to prepare the governor's biennial budget request, the office of financial management shall consider the extent to which the agency's programs demonstrate progress toward the statewide priorities, identified by the governor and the legislature, along with any specific review conducted under subsection (4) of this section.

(7) In the year of the gubernatorial election, the governor shall invite the governor-elect or the governor-elect's designee to attend all hearings provided in RCW 43.88.100; and the governor shall furnish the governor-elect or the governor-elect's designee with such information as will enable the governor-elect or the governor-elect's designee to gain an understanding of the state's budget requirements. The governor-elect or the governor-elect's designee may ask such questions during the hearings and require such information as the governor-elect or the governor-elect's designee deems necessary and may make recommendations in connection with any item of the budget which, with the governor-elect's reasons therefor, shall be presented to the legislature in writing with the budget document. Copies of all such estimates and other required information shall also be submitted to the standing committees on ways and means of the house and senate.

Sec. 3. RCW 43.88.030 and 2002 c 371 s 911 are each amended to read as follows:

(1) The director of financial management shall provide all agencies with a complete set of instructions for submitting biennial budget requests to the director at least three months before agency budget documents are due into the office of financial management. The director shall provide agencies and committees that are required under RCW 44.40.070 to develop comprehensive six-year program and financial plans with a complete set of instructions for submitting these program and financial plans at the same time that instructions for submitting other budget requests are provided. Attached to the budget message shall be such supporting schedules, exhibits and other explanatory material in respect to both current operations and capital improvements as the governor shall deem to be useful to the legislature. In estimating revenues to support financial plans under RCW 44.40.070, the office of financial management shall rely on information and advice from the transportation revenue forecast council. Revenues shall be estimated for such fiscal period from the source and at the rates existing by law at the time of submission of the budget document, including the supplemental budgets submitted in the even-numbered years of a biennium. However, the estimated revenues and caseloads for use in the governor's budget document may be adjusted to reflect budgetary revenue transfers and revenue and caseload estimates dependent upon budgetary assumptions of enrollments, workloads, and caseloads. All adjustments to the approved estimated revenues and caseloads must be set forth in the budget document. "Sec. 1. RCW 48.21.045 and 1995 c 265 s 14 are each amended to read as follows:

(1)(a) An insurer offering any health benefit plan to a small employer ~~((shall))~~ may offer and actively market to the small employer a health benefit plan ~~((providing benefits identical to the schedule of covered health services that are required to be delivered to an individual enrolled in the basic health plan))~~ featuring a limited schedule of covered health care services. Nothing in this subsection shall preclude an insurer from offering, or a small employer from purchasing, other health benefit plans that may have more ~~((or less))~~ comprehensive benefits than ~~((the basic health plan, provided such plans are in accordance with this chapter))~~ those included in the product offered under this subsection. An insurer offering a health benefit plan ~~((that does not include benefits in the basic health plan))~~ under this subsection shall clearly disclose ~~((these differences))~~ all covered benefits to the small employer in a brochure ~~((approved by))~~ filed with the commissioner.

(b) A health benefit plan offered under this subsection shall provide coverage for hospital expenses and services rendered by a physician licensed under chapter 18.57 or 18.71 RCW but is not subject to the requirements of RCW ~~((48.21.130,))~~ 48.21.140, ~~((48.21.141,))~~ 48.21.142, 48.21.144, 48.21.146, 48.21.160 through 48.21.197, 48.21.200, 48.21.220, ~~((48.21.225, 48.21.230, 48.21.235,))~~ 48.21.240, 48.21.244, 48.21.250, 48.21.300, 48.21.310, or 48.21.320 ~~((if: (i) The health benefit plan is the mandatory offering under (a) of this subsection that provides benefits identical to the basic health plan, to the extent these requirements differ from the basic health plan; or (ii) the health benefit plan is offered to))~~ for employers with not more than ~~((twenty five))~~ fifty employees.

(2) Nothing in this section shall prohibit an insurer from offering, or a purchaser from seeking, health benefit plans with benefits in excess of the ~~((basic health plan services))~~ health benefit plan offered under subsection (1) of this section. All forms, policies, and contracts shall be submitted for approval to the commissioner, and the rates of any plan offered under this section shall be reasonable in relation to the benefits thereto.

(3) Premium rates for health benefit plans for small employers as defined in this section shall be subject to the following provisions:

(a) The insurer shall develop its rates based on an adjusted community rate and may only vary the adjusted community rate for:

- (i) Geographic area;
- (ii) Family size;
- (iii) Age; and
- (iv) Wellness activities.

(b) The adjustment for age in (a)(iii) of this subsection may not use age brackets smaller than five-year increments, which shall begin with age twenty and end with age sixty-five. Employees under the age of twenty shall be treated as those age twenty.

(c) The insurer shall be permitted to develop separate rates for individuals age sixty-five or older for coverage for which medicare is the primary payer and coverage for which medicare is not the primary payer. Both rates shall be subject to the requirements of this subsection (3).

(d) The permitted rates for any age group shall be no more than four hundred twenty-five percent of the lowest rate for all age groups on January 1, 1996, four hundred percent on January 1, 1997, and three hundred seventy-five percent on January 1, 2000, and thereafter.

(e) A discount for wellness activities shall be permitted to reflect actuarially justified differences in utilization or cost attributed to such programs ~~((not to exceed twenty percent)).~~

(f) The rate charged for a health benefit plan offered under this section may not be adjusted more frequently than annually except that the premium may be changed to reflect:

- (i) Changes to the enrollment of the small employer;
- (ii) Changes to the family composition of the employee;
- (iii) Changes to the health benefit plan requested by the small employer; or
- (iv) Changes in government requirements affecting the health benefit plan.

(g) Rating factors shall produce premiums for identical groups that differ only by the amounts attributable to plan design, with the exception of discounts for health improvement programs.

(h) For the purposes of this section, a health benefit plan that contains a restricted network provision shall not be considered similar coverage to a health benefit plan that does not contain such a provision, provided that the restrictions of benefits to network providers result in substantial differences in claims costs. A carrier may develop its rates based on claims costs due to network provider reimbursement schedules or type of network. This subsection does not restrict or enhance the portability of benefits as provided in RCW 48.43.015.

(i) Adjusted community rates established under this section shall pool the medical experience of all small groups purchasing coverage including the development of allowable factors under (a) and (h) of this subsection. The development of these factors or benefit relativities must be based on the carrier's company-wide credible study or a large study developed by an actuarial consultant or other method accepted by the commissioner.

(4) ~~((The health benefit plans authorized by this section that are lower than the required offering shall not supplant or supersede any existing policy for the benefit of employees in this state.))~~ Nothing in this section shall restrict the right of employees to collectively bargain for insurance providing benefits in excess of those provided herein.

(5)(a) Except as provided in this subsection, requirements used by an insurer in determining whether to provide coverage to a small employer shall be applied uniformly among all small employers applying for coverage or receiving coverage from the carrier.

(b) An insurer shall not require a minimum participation level greater than:

(i) One hundred percent of eligible employees working for groups with three or less employees; and

(ii) Seventy-five percent of eligible employees working for groups with more than three employees.

(c) In applying minimum participation requirements with respect to a small employer, a small employer shall not consider employees or dependents who have similar existing coverage in determining whether the applicable percentage of participation is met.

(d) An insurer may not increase any requirement for minimum employee participation or modify any requirement for minimum employer contribution applicable to a small employer at any time after the small employer has been accepted for coverage.

(6) An insurer must offer coverage to all eligible employees of a small employer and their dependents. An insurer may not offer coverage to only certain individuals or dependents in a small employer group or to only part of the group. An insurer may not modify a health plan with respect to a small employer or any eligible employee or dependent, through riders, endorsements or otherwise, to restrict or exclude coverage or benefits for specific diseases, medical conditions, or services otherwise covered by the plan.

(7) As used in this section, "health benefit plan," "small employer," (~~"basic health plan,"~~) "adjusted community rate," and "wellness activities" mean the same as defined in RCW 48.43.005.

(1) Except as provided in (a) through ~~((e))~~ (d) of this subsection, a health carrier may require any person applying for an individual health benefit plan to complete the standard health questionnaire designated under chapter 48.41 RCW.

(a) If a person is seeking an individual health benefit plan due to his or her change of residence from one geographic area in Washington state to another geographic area in Washington state where his or her current health plan is not offered, completion of the standard health questionnaire shall not be a condition of coverage if application for coverage is made within ninety days of relocation.

(b) If a person is seeking an individual health benefit plan:

(i) Because a health care provider with whom he or she has an established care relationship and from whom he or she has received treatment within the past twelve months is no longer part of the carrier's provider network under his or her existing Washington individual health benefit plan; and

(ii) His or her health care provider is part of another carrier's provider network; and

(iii) Application for a health benefit plan under that carrier's provider network individual coverage is made within ninety days of his or her provider leaving the previous carrier's provider network; then completion of the standard health questionnaire shall not be a condition of coverage.

(c) If a person is seeking an individual health benefit plan due to his or her having exhausted continuation coverage provided under 29 U.S.C. Sec. 1161 et seq., or is part of a small employer group of less than twenty employees, and meets the federal standards of eligibility for continuation coverage, completion of the standard health questionnaire shall not be a condition of coverage if application for coverage is made within ninety days of exhaustion of continuation coverage. A health carrier shall accept an application without a standard health questionnaire from a person currently covered by such continuation coverage if application is made within ninety days prior to the date the continuation coverage would be exhausted and the effective date of the individual coverage applied for is the date the continuation coverage would be exhausted, or within ninety days thereafter.

(d) If a person is seeking an individual health benefit plan due to his or her receiving notice that his or her coverage under a conversion contract is discontinued, completion of the standard health questionnaire shall not be a condition of coverage if application for coverage is made within ninety days of discontinuation of eligibility under the conversion contract. A health carrier shall accept an application without a standard health questionnaire from a person currently covered by such conversion contract if application is made within ninety days prior to the date eligibility under the conversion contract would be discontinued and the effective date of the individual coverage applied for is the date eligibility under the conversion contract would be discontinued, or within ninety days thereafter.

(2) If, based upon the results of the standard health questionnaire, the person qualifies for coverage under the Washington state health insurance pool, the following shall apply:

(a) The carrier may decide not to accept the person's application for enrollment in its individual health benefit plan; and

(b) Within fifteen business days of receipt of a completed application, the carrier shall provide written notice of the decision not to accept the person's application for enrollment to both the person and the administrator of the Washington state health insurance pool. The notice to the person shall state that the person is eligible for health insurance provided by the Washington state health insurance pool, and shall include information about the Washington state health insurance pool and an application for such coverage. If the carrier does not provide or postmark such notice within fifteen business days, the application is deemed approved.

(3) If the person applying for an individual health benefit plan: (a) Does not qualify for coverage under the Washington state health insurance pool based upon the results of the standard health questionnaire; (b) does qualify for coverage under the Washington state health insurance pool based upon the results of the standard health questionnaire and the carrier elects to accept the person for enrollment; or (c) is not required to complete the standard health questionnaire designated under this chapter under subsection (1)(a) or (b) of this section, the carrier shall accept the person for enrollment if he or she resides within the carrier's service area and provide or assure the provision of all covered services regardless of age, sex, family structure, ethnicity, race, health condition, geographic location, employment status, socioeconomic status, other condition or situation, or the provisions of RCW 49.60.174(2). The commissioner may grant a temporary exemption from this subsection if, upon application by a health carrier, the commissioner finds that the clinical, financial, or administrative capacity to serve existing enrollees will be impaired if a health carrier is required to continue enrollment of additional eligible individuals.

Sec. 4. RCW 48.43.035 and 2000 c 79 s 24 are each amended to read as follows:

For group health benefit plans, the following shall apply:

(1) All health carriers shall accept for enrollment any state resident within the group to whom the plan is offered and within the carrier's service area and provide or assure the provision of all covered services regardless of age, sex, family structure, ethnicity, race, health condition, geographic location, employment status, socioeconomic status, other condition or situation, or the provisions of RCW 49.60.174(2). The insurance commissioner may grant a temporary exemption from this subsection, if, upon application by a health carrier the commissioner finds that the clinical, financial, or administrative capacity to serve existing enrollees will be impaired if a health carrier is required to continue enrollment of additional eligible individuals.

(2) Except as provided in subsection (5) of this section, all health plans shall contain or incorporate by endorsement a guarantee of the continuity of coverage of the plan. For the purposes of this section, a plan is "renewed" when it is continued beyond the earliest date upon which, at the carrier's sole option, the plan could have been terminated for other than nonpayment of premium. The carrier may consider the group's anniversary date as the renewal date for purposes of complying with the provisions of this section.

(3) The guarantee of continuity of coverage required in health plans shall not prevent a carrier from canceling or nonrenewing a health plan for:

(a) Nonpayment of premium;

(b) Violation of published policies of the carrier approved by the insurance commissioner;

(c) Covered persons entitled to become eligible for medicare benefits by reason of age who fail to apply for a medicare supplement plan or medicare cost, risk, or other plan offered by the carrier pursuant to federal laws and regulations;

(d) Covered persons who fail to pay any deductible or copayment amount owed to the carrier and not the provider of health care services;

(e) Covered persons committing fraudulent acts as to the carrier;

(f) Covered persons who materially breach the health plan; or

(g) Change or implementation of federal or state laws that no longer permit the continued offering of such coverage.

(4) The provisions of this section do not apply in the following cases:

(a) A carrier has zero enrollment on a product; ((~~or~~))

(b) A carrier replaces a product and the replacement product is provided to all covered persons within that class or line of business, includes all of the services covered under the replaced product, and does not significantly limit access to the kind of services covered under the replaced product. The health plan may also allow unrestricted conversion to a fully comparable product; ((~~or~~))

(c) No sooner than January 1, 2005, a carrier discontinues offering a particular type of health benefit plan offered for groups of up to two hundred if: (i) The carrier provides notice to each group of the discontinuation at least ninety days prior to the date of the discontinuation; (ii) the carrier offers to each group provided coverage of this type the option to enroll, with regard to small employer groups, in any other small employer group plan, or with regard to groups of up to two hundred, in any other applicable group plan, currently being offered by the carrier in the applicable group market; and (iii) in exercising the option to discontinue coverage of this type and in offering the option of coverage under (c)(ii) of this subsection, the carrier

acts uniformly without regard to any health status-related factor of enrolled individuals or individuals who may become eligible for this coverage;

(d) A carrier discontinues offering all health coverage in the small group market or for groups of up to two hundred, or both markets, in the state and discontinues coverage under all existing group health benefit plans in the applicable market involved if: (i) The carrier provides notice to the commissioner of its intent to discontinue offering all such coverage in the state and its intent to discontinue coverage under all such existing health benefit plans at least one hundred eighty days prior to the date of the discontinuation of coverage under all such existing health benefit plans; and (ii) the carrier provides notice to each covered group of the intent to discontinue the existing health benefit plan at least one hundred eighty days prior to the date of discontinuation. In the case of discontinuation under this subsection, the carrier may not issue any group health coverage in this state in the applicable group market involved for a five-year period beginning on the date of the discontinuation of the last health benefit plan not so renewed. This subsection (4) does not require a carrier to provide notice to the commissioner of its intent to discontinue offering a health benefit plan to new applicants when the carrier does not discontinue coverage of existing enrollees under that health benefit plan; or

(e) A carrier is withdrawing from a service area or from a segment of its service area because the carrier has demonstrated to the insurance commissioner that the carrier's clinical, financial, or administrative capacity to serve enrollees would be exceeded.

(5) The provisions of this section do not apply to health plans deemed by the insurance commissioner to be unique or limited or have a short-term purpose, after a written request for such classification by the carrier and subsequent written approval by the insurance commissioner.

(6) Notwithstanding any other provision of this section, the guarantee of continuity of coverage applies to a group of one only if: (a) The carrier continues to offer any other small employer group plan in which the group of one was eligible to enroll on the day prior to the effective date of this section; and (b) the person continues to qualify as a group of one under the criteria in place on the day prior to the effective date of this section.

Sec. 5. RCW 48.43.038 and 2000 c 79 s 25 are each amended to read as follows:

(1) Except as provided in subsection (4) of this section, all individual health plans shall contain or incorporate by endorsement a guarantee of the continuity of coverage of the plan. For the purposes of this section, a plan is "renewed" when it is continued beyond the earliest date upon which, at the carrier's sole option, the plan could have been terminated for other than nonpayment of premium.

(2) The guarantee of continuity of coverage required in individual health plans shall not prevent a carrier from canceling or nonrenewing a health plan for:

(a) Nonpayment of premium;

(b) Violation of published policies of the carrier approved by the commissioner;

(c) Covered persons entitled to become eligible for medicare benefits by reason of age who fail to apply for a medicare supplement plan or medicare cost, risk, or other plan offered by the carrier pursuant to federal laws and regulations;

(d) Covered persons who fail to pay any deductible or copayment amount owed to the carrier and not the provider of health care services;

(e) Covered persons committing fraudulent acts as to the carrier;

(f) Covered persons who materially breach the health plan; or

(g) Change or implementation of federal or state laws that no longer permit the continued offering of such coverage.

(3) This section does not apply in the following cases:

(a) A carrier has zero enrollment on a product;

(b) A carrier is withdrawing from a service area or from a segment of its service area because the carrier has demonstrated to the commissioner that the carrier's clinical, financial, or administrative capacity to serve enrollees would be exceeded;

(c) No sooner than the first day of the month following the expiration of a one hundred eighty-day period beginning on March 23, 2000, a carrier discontinues offering a particular type of health benefit plan offered in the individual market, including conversion contracts, if: (i) The carrier provides notice to each covered individual provided coverage of this type of such discontinuation at least ninety days prior to the date of the discontinuation; (ii) the carrier offers to each individual provided coverage of this type the option, without being subject to the standard health questionnaire, to enroll in any other individual health benefit plan currently being offered by the carrier; and (iii) in exercising the option to discontinue coverage of this type and in offering the option of coverage under (c)(ii) of this subsection, the carrier acts uniformly without regard to any health status-related factor of enrolled individuals or individuals who may become eligible for such coverage; or

(d) A carrier discontinues offering all individual health coverage in the state and discontinues coverage under all existing individual health benefit plans if: (i) The carrier provides notice to the commissioner of its intent to discontinue offering all individual health coverage in the state and its intent to discontinue coverage under all existing health benefit plans at least one hundred eighty days prior to the date of the discontinuation of coverage under all existing health benefit plans; and (ii) the carrier provides notice to each covered individual of the intent to discontinue his or her existing health benefit plan at least one hundred eighty days prior to the date of

such discontinuation. In the case of discontinuation under this subsection, the carrier may not issue any individual health coverage in this state for a five-year period beginning on the date of the discontinuation of the last health plan not so renewed. Nothing in this subsection (3) shall be construed to require a carrier to provide notice to the commissioner of its intent to discontinue offering a health benefit plan to new applicants where the carrier does not discontinue coverage of existing enrollees under that health benefit plan.

(4) The provisions of this section do not apply to health plans deemed by the commissioner to be unique or limited or have a short-term purpose, after a written request for such classification by the carrier and subsequent written approval by the commissioner.

Sec. 6. RCW 48.44.022 and 2000 c 79 s 30 are each amended to read as follows:

(1) Premium rates for health benefit plans for individuals shall be subject to the following provisions:

(a) The health care service contractor shall develop its rates based on an adjusted community rate and may only vary the adjusted community rate for:

- (i) Geographic area;
- (ii) Family size;
- (iii) Age;
- (iv) Tenure discounts; and
- (v) Wellness activities.

The legislature intends to examine the school finance system to determine whether it is appropriately linked to the demands of education reform and to the goal of providing all children in the state the opportunity to meet standards.

NEW SECTION. Sec. 2. (1) The joint task force on K-12 finance is created to study the common school finance system and to develop alternative funding models for that finance system. The alternatives shall include one or more models that can be fully funded within the existing total federal, state, and local capital and operating expenditures for public schools and may include alternatives that require new or additional funding.

(2) The task force shall, at a minimum:

(ii) Funds should be distributed equitably so that all children have the opportunity to meet the state's academic standards and become prepared for postsecondary education, including career and technical education;

(iii) Staffing should be recognized as a key component of school district costs, including the number of and compensation for certificated instructional staff, certificated administrative staff, and classified staff;

(iv) Stable and predictable basic education funding should be provided by the state to school districts;

(v) Local flexibility and choice in program delivery at the district and school levels should be enhanced; and

(vi) Accountability for taxpayers that focuses on levels of student achievement should be provided;

(d) Design one or more alternative compensation models that attract and retain high performing teachers in all Washington schools and in all academic subject areas and, in addition, may do one or more of the following:

(i) Reward teachers for improving their skills and knowledge in a manner that translates into improved student learning; and

(ii) Recognize regional cost-of-living differences as well as recruitment challenges facing rural schools and schools with large numbers of educationally disadvantaged students; and

(e) Review the role of noncertificated staff and the appropriate types of compensation for these staff.

(3) The task force shall consist of the following members:

(5) The chair shall be appointed by the governor.

(6) The task force shall select the persons or entities to conduct various components of the study and shall approve the expenditure of funds.

(7) Appointments to the task force shall be completed within thirty days of the effective date of this section.

RESOLUTION

HOUSE RESOLUTION NO. 2004-4699, By Representatives Lovick, Pettigrew and D. Simpson

WHEREAS, The strength of America is embodied in its guarantee of life, liberty, equality, justice, and the right to pursue happiness for all its people; a guarantee that is predicated, in part, upon universal education for all children, the right to vote, and the right to fully participate in the civic life of the American community; and

WHEREAS, During the early years of America's history, under state and local laws in parts of the country, African-American children were enslaved and denied the right to any education, and when those laws were overturned at the end of the civil war, African-American and Caucasian children, through local segregation laws, were denied the right to learn together in the same schools and colleges; and

WHEREAS, 2004 is the fiftieth anniversary of *Brown v. Board of Education*, a landmark decision in which the Supreme Court unanimously declared that separate was inherently unequal, segregation was illegal, and all American children, regardless of the colors of their skins, had the right to study and learn together in the same schools and colleges; and

WHEREAS, *Brown v. Board of Education* began to break down the legal structures that denied African-Americans the right to fully participate in the country's educational system, and paved the way for the African-Americans and other Americans to work together to fulfill the dream so eloquently articulated by Dr. Martin Luther King Jr., that all people would be judged on the content of their characters instead of the color of their skins; and

WHEREAS, *Brown v. Board of Education* was the first legal victory in almost one hundred years for a civic structure that was based on "One America," a victory that helped inspire African-Americans and other Americans to work together for equality in other aspects of American life, leading to freedom marches, the Civil Rights Law of 1965, and the Voting Rights Act of 1965; and

WHEREAS, While African-Americans and other Americans have made honorable attempts to provide educational equality for all children, an achievement gap in education and higher education is delaying the fulfillment of the dream of "One America" for many children, including children from African-American, Hispanic-American, and American Indian heritages, children from low-income backgrounds, children with disabilities, and immigrant children for whom English is not their families' first language; and

WHEREAS, The achievement gap, which includes lower academic achievement levels, higher school and college dropout rates, lower school and college graduation rates, lower levels of college and graduate school admissions for children from different ethnic, racial, and socio-economic backgrounds, impedes the abilities of these children to fully participate in the economic and civic lives of their communities;

NOW, THEREFORE, BE IT RESOLVED, That the House of Representatives, on behalf of the people of our state, remember with regret the years when the promises of the Declaration of Independence and the Constitution did not apply equally to all Americans and celebrate the fiftieth anniversary of *Brown v. Board of Education* when the Supreme Court declared that the guarantees of equality in our foundational documents applied equally to all of America's children; and

BE IT FURTHER RESOLVED, That as a state and nation, we continue to work together to fulfil the dream of "One America," a land in which all children have equal opportunities to become well educated, to pursue their lives unimpeded by discrimination, and to be judged by the content of their characters instead of the socio-economic circumstances of their families, or the lands of their birth, or the color of their skins; and

BE IT FURTHER RESOLVED, That a copy of this resolution be immediately transmitted by the Chief Clerk of the House of Representatives to the Governor, the Superintendent of Public Instruction, the members of the superintendent's multi-ethnic think tank, and the Commission on African-American Affairs.

HOUSE RESOLUTION NO. 4699 was adopted.

"**Sec. 1.** RCW 66.24.010 and 2002 c 119 s 3 are each amended to read as follows:

(1) Every license shall be issued in the name of the applicant, and the holder thereof shall not allow any other person to use the license.

(2) For the purpose of considering any application for a license, the board may cause an inspection of the premises to be made, and may inquire into all matters in connection with the construction and operation of the premises. For the purpose of reviewing any application for a license and for considering the denial, suspension or revocation of any license, the liquor control board may consider any prior criminal conduct of the applicant including a criminal history record information check. The board may submit the criminal history record information check to the Washington state patrol and to the identification division of the federal bureau of investigation in order that these agencies may search their records for prior arrests and convictions of the individual or individuals who filled out the forms. The board shall require fingerprinting of any applicant whose criminal history record information check is submitted to the federal bureau of investigation. The provisions of RCW 9.95.240 and of chapter 9.96A RCW shall not apply to such cases. The board may, in its discretion, grant or refuse the license applied for. Authority to approve an uncontested or unopposed license may be granted by the board to any staff member the board designates in writing. Conditions for granting such authority shall be adopted by rule. No retail license of any kind may be issued to:

(a) A person who has not resided in the state for at least one month prior to making application, except in cases of licenses issued to dining places on railroads, boats, or aircraft;

(b) A copartnership, unless all of the members thereof are qualified to obtain a license, as provided in this section;

(c) A person whose place of business is conducted by a manager or agent, unless such manager or agent possesses the same qualifications required of the licensee;

(d) A corporation or a limited liability company, unless it was created under the laws of the state of Washington or holds a certificate of authority to transact business in the state of Washington.

(3)(a) The board may, in its discretion, subject to the provisions of RCW 66.08.150, suspend or cancel any license; and all rights of the licensee to keep or sell liquor thereunder shall be suspended or terminated, as the case may be.

(b) The board shall immediately suspend the license or certificate of a person who has been certified pursuant to RCW 74.20A.320 by the department of social and health services as a person who is not in compliance with a support order. If the person has continued to meet all other requirements for reinstatement during the suspension, reissuance of the license or certificate shall be automatic upon the board's receipt of a release issued by the department of social and health services stating that the licensee is in compliance with the order.

(c) The board may request the appointment of administrative law judges under chapter 34.12 RCW who shall have power to administer oaths, issue subpoenas for the attendance of witnesses and the production of papers, books, accounts, documents, and testimony, examine witnesses, and to receive testimony in any inquiry, investigation, hearing, or proceeding in any part of the state, under such rules and regulations as the board may adopt.

(d) Witnesses shall be allowed fees and mileage each way to and from any such inquiry, investigation, hearing, or proceeding at the rate authorized by RCW 34.05.446, as now or hereafter amended. Fees need not be paid in advance of appearance of witnesses to testify or to produce books, records, or other legal evidence.

(e) In case of disobedience of any person to comply with the order of the board or a subpoena issued by the board, or any of its members, or administrative law judges, or on the refusal of a witness to testify to any matter regarding which he or she may be lawfully interrogated, the judge of the superior court of the county in which the person resides, on application of any member of the board or administrative law judge, shall compel obedience by contempt proceedings, as in the case of disobedience of the requirements of a subpoena issued from said court or a refusal to testify therein.

(4) Upon receipt of notice of the suspension or cancellation of a license, the licensee shall forthwith deliver up the license to the board. Where the license has been suspended only, the board shall return the license to the licensee at the expiration or termination of the period of suspension. The board shall notify all vendors in the city or place where the licensee has its premises of the suspension or cancellation of the license; and no employee may allow or cause any liquor to be delivered to or for any person at the premises of that licensee.

(5)(a) At the time of the original issuance of a spirits, beer, and wine restaurant license, the board shall prorate the license fee charged to the new licensee according to the number of calendar quarters, or portion thereof, remaining until the first renewal of that license is required.

(b) Unless sooner canceled, every license issued by the board shall expire at midnight of the thirtieth day of June of the fiscal year for which it was issued. However, if the board deems it feasible and desirable to do so, it may establish, by rule pursuant to chapter 34.05 RCW, a system for staggering the annual renewal dates for any and all licenses authorized by this chapter. If such a system of staggered annual renewal dates is established by the board, the license fees provided by this chapter shall be appropriately prorated during the first year that the system is in effect.

(6) Every license issued under this section shall be subject to all conditions and restrictions imposed by this title or by the regulations in force from time to time. All conditions and restrictions imposed by the board in the issuance of an individual license shall be listed on the face of the individual license along with the trade name, address, and expiration date.

(7) Every licensee shall post and keep posted its license, or licenses, in a conspicuous place on the premises.

(8)(a) Unless (b) of this subsection applies, before the board (~~shall~~) issues a license to an applicant it shall give notice of such application to the chief executive officer of the incorporated city or town, if the application (~~be~~) is for a license within an incorporated city or town, or to the county legislative authority, if the application (~~be~~) is for a license outside the boundaries of incorporated cities or towns(~~and such~~).

(b) If the application for a special occasion license is for an event held during a county, district, or area fair as defined by RCW 15.76.120, and the county, district, or area fair is located on property owned by the county but located within an incorporated city or town, the county legislative authority shall be the entity notified by the board under (a) of this subsection. The board shall send a duplicate notice to the incorporated city or town within which the fair is located.

(c) The incorporated city or town(~~or~~) through the official or employee selected by it, or the county legislative authority or the official or employee selected by it, shall have the right to file with the board within twenty days after date of transmittal of such notice, written objections against the applicant or against the premises for which the license is asked(~~and~~).

(d) The written objections shall include (~~(with such objections)~~) a statement of all facts upon which such objections are based, and in case written objections are filed, may request and the liquor control board may in its discretion hold a formal hearing subject to the applicable provisions of Title 34 RCW.

(e) Upon the granting of a license under this title the board shall send a duplicate of the license or written notification to the chief executive officer of the incorporated city or town in which the license is granted, or to the county legislative authority if the license is granted outside the boundaries of incorporated cities or towns. When the license is for a special occasion license for an event held during a county, district, or area fair as defined by RCW 15.76.120, and the county, district, or area fair is located on county-owned property but located within an incorporated city or town, the duplicate shall be sent to both the incorporated city or town and the county legislative authority.

(9) Before the board issues any license to any applicant, it shall give (a) due consideration to the location of the business to be conducted under such license with respect to the proximity of churches, schools, and public institutions and (b) written notice by certified mail of the application to churches, schools, and public institutions within five hundred feet of the premises to be licensed. The board shall issue no beer retailer license for either on-premises or off-premises consumption or wine retailer license for either on-premises or off-premises consumption or spirits, beer, and wine restaurant license covering any premises not now licensed, if such premises are within five hundred feet of the premises of any tax-supported public elementary or secondary school measured along the most direct route over or across established public walks, streets, or other public passageway from the outer property line of the school grounds to the nearest public entrance of the premises proposed for license, and if, after receipt by the school or public institution of the notice as provided in this subsection, the board receives written notice, within twenty days after posting such notice, from an official representative or representatives of the school within five hundred feet of said proposed licensed premises, indicating to the board that there is an objection to the issuance of such license because of proximity to a school. For the purpose of this section, church shall mean a building erected for and used exclusively for religious worship and schooling or other activity in connection therewith. No liquor license may be issued or reissued by the board to any motor sports facility or licensee operating within the motor sports facility unless the motor sports facility enforces a program reasonably calculated to prevent alcohol or alcoholic beverages not purchased within the facility from entering the facility and such program is approved by local law enforcement agencies. It is the intent under this subsection that a retail license shall not be issued by the board where doing so would, in the judgment of the board, adversely affect a private school meeting the requirements for private schools under Title 28A RCW, which school is within five hundred feet of the proposed licensee. The board shall fully consider and give substantial weight to objections filed by private schools. If a license is issued despite the proximity of a private school, the board shall state in a letter addressed to the private school the board's reasons for issuing the license.

(10) The restrictions set forth in subsection (9) of this section shall not prohibit the board from authorizing the assumption of existing licenses now located within the restricted area by other persons or licenses or relocations of existing licensed premises within the restricted area. In no case may the licensed premises be moved closer to a church or school than it was before the assumption or relocation.

(11) Nothing in this section prohibits the board, in its discretion, from issuing a temporary retail or distributor license to an applicant assuming an existing retail or distributor license to continue the operation of the retail or distributor premises during the period the application for the license is pending and when the following conditions exist:

(a) The licensed premises has been operated under a retail or distributor license within ninety days of the date of filing the application for a temporary license;

(b) The retail or distributor license for the premises has been surrendered pursuant to issuance of a temporary operating license;

(c) The applicant for the temporary license has filed with the board an application to assume the retail or distributor license at such premises to himself or herself; and

(d) The application for a temporary license is accompanied by a temporary license fee established by the board by rule.

A temporary license issued by the board under this section shall be for a period not to exceed sixty days. A temporary license may be extended at the discretion of the board for an additional sixty-day period upon payment of an additional fee and upon compliance with all conditions required in this section.

Refusal by the board to issue or extend a temporary license shall not entitle the applicant to request a hearing. A temporary license may be canceled or suspended summarily at any time if the board determines that good cause for cancellation or suspension exists. RCW 66.08.130 and chapter 34.05 RCW shall apply to temporary licenses.

Application for a temporary license shall be on such form as the board shall prescribe. If an application for a temporary license is withdrawn before issuance or is refused by the board, the fee which accompanied such application shall be refunded in full.

Sec. 2. RCW 66.24.380 and 1997 c 321 s 24 are each amended to read as follows:

There shall be a retailer's license to be designated as a special occasion license to be issued to a not-for-profit society or organization to sell spirits, beer, and wine by the individual serving for on-premises consumption

at a specified event, such as at picnics or other special occasions, at a specified date and place; fee sixty dollars per day.

(1) The not-for-profit society or organization is limited to sales of no more than twelve calendar days per year. For the purposes of this subsection, special occasion licensees that are "agricultural area fairs" or "agricultural county, district, and area fairs," as defined by RCW 15.76.120, that receive a special occasion license may, once per calendar year, count as one event fairs that last multiple days, so long as alcohol sales are at set dates, times, and locations, and the board receives prior notification of the dates, times, and locations. The special occasion license applicant will pay the sixty dollars per day for this event.

(2) The licensee may sell beer and/or wine in original, unopened containers for off-premises consumption if permission is obtained from the board prior to the event.

(3) Sale, service, and consumption of spirits, beer, and wine is to be confined to specified premises or designated areas only.

(4) Spiritous liquor sold under this special occasion license must be purchased at a state liquor store or agency without discount at retail prices, including all taxes.

(5) Any violation of this section is a class 1 civil infraction having a maximum penalty of two hundred fifty dollars as provided for in chapter 7.80 RCW."

SSB 6384 Prime Sponsor, Senate Committee On Judiciary: Imposing penalties against convicted domestic violence offenders to pay for domestic violence programs. Reported by Committee on Juvenile Justice & Family Law

MAJORITY recommendation: Do pass as amended.

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The legislature recognizes that domestic violence is a growing and more visible public safety problem in Washington state than ever before, and that domestic violence-related incidents have a significant bearing on overall law enforcement and court caseloads. The legislature further recognizes the growing costs associated with domestic violence prevention and advocacy programs established by local governments and by community-based organizations.

It is the legislature's intent to establish a penalty in law that will hold convicted domestic violence offenders accountable while requiring them to pay penalties to offset the costs of domestic violence advocacy and prevention programs. It is the legislature's intent that the penalties imposed against convicted domestic violence offenders under section 2 of this act be used for established domestic violence prevention and prosecution programs. It is the legislature's intent that the revenue from the penalty assessment shall be in addition to existing sources of funding to enhance or help prevent the reduction and elimination of domestic violence prevention and prosecution programs.

NEW SECTION. Sec. 2. A new section is added to chapter 10.99 RCW to read as follows:

(1) All superior courts, and courts organized under Title 3 or 35 RCW, may impose a penalty assessment not to exceed one hundred dollars on any person convicted of a crime involving domestic violence. The assessment shall be in addition to, and shall not supersede, any other penalty, restitution, fines, or costs provided by law.

(2) Revenue from the assessment shall be used solely for the purposes of establishing and funding domestic violence advocacy and domestic violence prevention and prosecution programs in the city or county of the court imposing the assessment. Revenue from the assessment shall not be used for indigent criminal defense. If the city or county does not have domestic violence advocacy or domestic violence prevention and prosecution programs, cities and counties may use the revenue collected from the assessment to contract with recognized community-based domestic violence program providers.

(3) The assessment imposed under this section shall not be subject to any state or local remittance requirements under chapter 3.46, 3.50, 3.62, 7.68, 10.82, or 35.20 RCW.

(4) For the purposes of this section, "convicted" includes a plea of guilty, a finding of guilt regardless of whether the imposition of the sentence is deferred or any part of the penalty is suspended, or the levying of a fine. For the purposes of this section, "domestic violence" has the same meaning as that term is defined under RCW 10.99.020 and includes violations of equivalent local ordinances.

(5) When determining whether to impose a penalty assessment under this section, judges are encouraged to solicit input from the victim or representatives for the victim in assessing the ability of the convicted offender to pay the penalty, including information regarding current financial obligations, family circumstances, and ongoing restitution.

Sec. 3. RCW 3.50.100 and 1995 c 291 s 3 are each amended to read as follows:

Money remitted under this subsection to the state treasurer shall be deposited as provided in RCW 43.08.250.

(3) The balance of the noninterest money received under this section shall be retained by the city and deposited as provided by law.

(4) Penalties, fines, bail forfeitures, fees, and costs may accrue interest at the rate of twelve percent per annum, upon assignment to a collection agency. Interest may accrue only while the case is in collection status.

HOUSE RESOLUTION NO. 4701 was adopted.

SPEAKER'S PRIVILEGE

Mr. Speaker (Representative Lovick presiding): "One hundred and fifty years ago today, the Washington State Territorial Legislature convened for the very first time a few blocks from where we sit today. The first official law passed by the nine members of the "council" and 17 members of the House of Representatives concerned elections -- defining procedures, precinct boundaries, and who could vote. At that time, suffrage was limited to "white male inhabitants over the age of twenty-one years." Very shortly after that, they passed "An Act to Establish a System of Common Schools" making public education available to children aged four through twenty-one.

Here we are today, 150 years later, forty nine members of the Senate and ninety-eight members of the House of Representatives, again working to define election procedures and improve public education.

Seems those visionaries identified right away the most enduring issues of our state. Please join me in honoring our first state lawmakers."

"NEW SECTION. Sec. 1. A new section is added to chapter 4.24 RCW to read as follows:

(1) No action may lie in a court of this state seeking a ruling on the constitutional validity of an initiative to the people, initiative to the legislature, referendum bill, referendum measure, constitutional amendment, city measure, county measure, charter amendment, county initiative, or city initiative before the certification of the election at which the voters enact, reject or approve the measure.

(2) An action will lie in a court of competent jurisdiction seeking review of a proposed measure described in subsection (1) of this section to determine whether a measure is beyond the scope of the initiative or referendum power or otherwise beyond the scope of authority for placing a measure onto the ballot except that no

action under this subsection may be commenced during the election period in order to provide for the orderly conduct of elections. The election period begins at the close of business of the fifth business day after the deadline for the filing of signature petitions and ends when the election results are certified under RCW 29A.60.260. A court may decline to hear such an action before the certification of the election based upon sound prudential concerns. (3) Nothing in this section limits the jurisdiction of a court to resolve an error in election procedure that could only be corrected before the election. This section does not apply to an appeal of the language or content of a ballot title, summary, or explanatory statement as otherwise provided by law, nor to the procedure to appeal the secretary of state's decision to reject a petition under RCW 29A.72.180 and 29A.72.190, nor to the appeal process contained in RCW 29A.72.240."

NEW SECTION. Sec. 1. The legislature finds that quality assurance efforts will promote compliance with regulations by providers and achieve the goal of providing high quality of care to citizens residing in licensed boarding homes, and may reduce property and liability insurance premium costs for such facilities.

NEW SECTION. Sec. 2. A new section is added to chapter 18.20 RCW to read as follows:

(1) To ensure the proper delivery of services and the maintenance and improvement in quality of care through self-review, any boarding home licensed under this chapter may maintain a quality assurance committee that, at a minimum, includes:

- (a) A licensed registered nurse under chapter 18.79 RCW;
- (b) The administrator; and
- (c) Three other members from the staff of the boarding home.

(2) When established, the quality assurance committee shall meet at least quarterly to identify issues that may adversely affect quality of care and services to residents and to develop and implement plans of action to correct identified quality concerns or deficiencies in the quality of care provided to residents.

(3) To promote quality of care through self-review without the fear of reprisal, and to enhance the objectivity of the review process, the department shall not require, and the long-term care ombudsman program shall not request, disclosure of any quality assurance committee records or reports, unless the disclosure is related to the committee's compliance with this section, if:

- (a) The records or reports are not maintained pursuant to statutory or regulatory mandate; and

(b) The records or reports are created for and collected and maintained by the committee.

(4) If the boarding home refuses to release records or reports that would otherwise be protected under this section, the department may then request only that information that is necessary to determine whether the boarding home has a quality assurance committee and to determine that it is operating in compliance with this section. However, if the boarding home offers the department documents generated by, or for, the quality assurance committee as evidence of compliance with boarding home requirements, the documents are not protected as quality assurance committee documents when in the possession of the department.

(5) Good faith attempts by the committee to identify and correct quality deficiencies shall not be used as a basis for sanctions.

(6) Any records that are created for and collected and maintained by the quality assurance committee shall not be discoverable or admitted into evidence in a civil action brought against a boarding home.

(7) Notwithstanding any records created for the quality assurance committee, the facility shall fully set forth in the resident's records, available to the resident, the department, and others as permitted by law, the facts concerning any incident of injury or loss to the resident, the steps taken by the facility to address the resident's needs, and the resident outcome.

Sec. 3. RCW 18.20.110 and 2003 c 280 s 1 are each amended to read as follows:

The department shall make or cause to be made, at least every eighteen months with an annual average of fifteen months, an inspection and investigation of all boarding homes. However, the department may delay an inspection to twenty-four months if the boarding home has had three consecutive inspections with no written notice of violations and has received no written notice of violations resulting from complaint investigation during that same time period. The department may at anytime make an unannounced inspection of a licensed home to assure that the licensee is in compliance with this chapter and the rules adopted under this chapter. Every inspection shall focus primarily on actual or potential resident outcomes, and may include an inspection of every part of the premises and an examination of all records (~~((other than financial records))~~), methods of administration, the general and special dietary, and the stores and methods of supply; however, the department shall not have access to financial records or to other records or reports described in section 2 of this act. Financial records of the boarding home may be examined when the department has reasonable cause to believe that a financial obligation related to resident care or services will not be met, such as a complaint that staff wages or utility costs have not been paid, or when necessary for the department to investigate alleged financial exploitation of a resident. Following such an inspection or inspections, written notice of any violation of this law or the rules adopted hereunder shall be given to the applicant or licensee and the department. The department may prescribe by rule that any licensee or applicant desiring to make specified types of alterations or additions to its facilities or to construct new facilities shall, before commencing such alteration, addition, or new construction, submit plans and specifications therefor to the agencies responsible for plan reviews for preliminary inspection and approval or recommendations with respect to compliance with the rules and standards herein authorized.

NEW SECTION. Sec. 4. A new section is added to chapter 18.20 RCW to read as follows:

If during an inspection, reinspection, or complaint investigation by the department, a boarding home corrects a violation or deficiency that the department discovers, the department shall record and consider such violation or deficiency for purposes of the facility's compliance history, however the licensor or complaint investigator shall not include in the facility report the violation or deficiency if the violation or deficiency:

- (1) Is corrected to the satisfaction of the department prior to the exit conference;
- (2) Is not recurring; and
- (3) Did not pose a significant risk of harm or actual harm to a resident.

For the purposes of this section, "recurring" means that the violation or deficiency was found under the same regulation or statute in one of the two most recent preceding inspections, reinspections, or complaint investigations.

NEW SECTION. Sec. 5. This act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and takes effect immediately."

The rate for the eighth through the twentieth day a bed is held shall be established in rule, but shall be no lower than ten dollars per day the bed or unit is held.

(3) The boarding home may seek third-party payment to hold a bed or unit for twenty-one days or longer. The third-party payment shall not exceed ~~((eighty five percent of))~~ ~~((average))~~ medicaid daily rate paid to the facility for the resident. Sec. 3. RCW 43.160.060 and 2002 c 242 s 4 and 2002 c 239 s 1 are each reenacted and amended to read as follows:

The board is authorized to make direct loans to political subdivisions of the state and to federally recognized Indian tribes for the purposes of assisting the political subdivisions and federally recognized Indian tribes in financing the cost of public facilities, including development of land and improvements for public facilities, project-specific environmental, capital facilities, land use, permitting, feasibility, and marketing studies and plans; project design, site planning, and analysis; project debt and revenue impact analysis; as well as the construction, rehabilitation, alteration, expansion, or improvement of the facilities. A grant may also be authorized for purposes designated in this chapter, but only when, and to the extent that, a loan is not reasonably possible, given the limited resources of the political subdivision or the federally recognized Indian tribe and the finding by the board that financial circumstances require grant assistance to enable the project to move forward. However, at least ten percent of all financial assistance provided by the board in any biennium shall consist of grants to political subdivisions and federally recognized Indian tribes.

Application for funds shall be made in the form and manner as the board may prescribe. In making grants or loans the board shall conform to the following requirements:

(1) The board shall not provide financial assistance:

(a) For a project the primary purpose of which is to facilitate or promote a retail shopping development or expansion.

(b) For any project that evidence exists would result in a development or expansion that would displace existing jobs in any other community in the state.

(c) For the acquisition of real property, including buildings and other fixtures which are a part of real property.

(d) For a project the primary purpose of which is to facilitate or promote gambling.

(2) The board shall only provide financial assistance:

(a) For those projects which would result in specific private developments or expansions (i) in manufacturing, production, food processing, assembly, warehousing, advanced technology, research and development, and industrial distribution; (ii) for processing recyclable materials or for facilities that support

recycling, including processes not currently provided in the state, including but not limited to, de-inking facilities, mixed waste paper, plastics, yard waste, and problem-waste processing; (iii) for manufacturing facilities that rely significantly on recyclable materials, including but not limited to waste tires and mixed waste paper; (iv) which support the relocation of businesses from nondistressed urban areas to rural counties or rural natural resources impact areas; or (v) which substantially support the trading of goods or services outside of the state's borders.

(b) For projects which it finds will improve the opportunities for the successful maintenance, establishment, or expansion of industrial or commercial plants or will otherwise assist in the creation or retention of long-term economic opportunities.

(c) When the application includes convincing evidence that a specific private development or expansion is ready to occur and will occur only if the public facility improvement is made.

(3) The board shall prioritize each proposed project according to:

(a) The relative benefits provided to the community by the jobs the project would create, not just the total number of jobs it would create after the project is completed and according to the unemployment rate in the area in which the jobs would be located; and

(b) The rate of return of the state's investment, that includes the expected increase in state and local tax revenues associated with the project.

(4) A responsible official of the political subdivision or the federally recognized Indian tribe shall be present during board deliberations and provide information that the board requests.

Before any financial assistance application is approved, the political subdivision or the federally recognized Indian tribe seeking the assistance must demonstrate to the community economic revitalization board that no other timely source of funding is available to it at costs reasonably similar to financing available from the community economic revitalization board.

Sec. 4. RCW 43.160.200 and 1999 c 164 s 107 are each amended to read as follows:

(1) The economic development account is created within the public facilities construction loan revolving fund under RCW 43.160.080. Moneys in the account may be spent only after appropriation. Expenditures from the account may be used only for the purposes of RCW 43.160.010(5) and this section. The account is subject to allotment procedures under chapter 43.88 RCW.

(2) Applications under this section for assistance from the economic development account are subject to all of the applicable criteria set forth under this chapter, as well as procedures and criteria established by the board, except as otherwise provided.

(3) Eligible applicants under this section are limited to political subdivisions of the state and federally recognized Indian tribes in rural natural resources impact areas and rural counties.

(4) Applicants must demonstrate that their request is part of an economic development plan consistent with applicable state planning requirements. Applicants must demonstrate that tourism projects have been approved by the local government or federally recognized Indian tribe. Industrial projects must be approved by the local government and the associate development organization, or by the federally recognized Indian tribe.

(5) Publicly owned projects may be financed under this section upon proof by the applicant that the public project is a necessary component of, or constitutes in whole, a tourism project.

(6) Applications must demonstrate local match and participation. Such match may include: Land donation, other public or private funds or both, or other means of local commitment to the project.

(7) Board financing for project-specific environmental, capital facilities, land use, permitting, feasibility(~~(f-f)~~), and marketing studies and plans; project engineering, design, and site planning and analysis; and project debt and revenue impact analysis shall not exceed fifty thousand dollars per study. Board funds for these purposes may be provided as a grant and require a match.

(8) Board financing for tourism projects shall not exceed two hundred fifty thousand dollars. Other public facility construction projects under this section shall not exceed one million dollars. Loans with flexible terms and conditions to meet the needs of the applicants shall be provided. Grants may also be authorized, but only when, and to the extent that, a loan is not reasonably possible, given the limited resources of the political subdivision or the federally recognized Indian tribe.

(9) The board shall develop guidelines for allowable local match and planning and predevelopment activities.

(10) The board may allow de minimis general system improvements to be funded if they are critically linked to the viability of the economic development project assisted under this section.

(11) Applications under this section need not demonstrate evidence that specific private development or expansion is ready to occur or will occur if funds are provided.

(12) The board shall establish guidelines for providing financial assistance under this section to ensure that the requirements of this chapter are complied with. The guidelines shall include:

(a) A process to equitably compare and evaluate applications from competing communities.

(b) Criteria to ensure that approved projects will have a high probability of success and are likely to provide long-term economic benefits to the community. The criteria shall include: (i) A minimum amount of local participation, determined by the board per application, to verify community support for the project; (ii) an

analysis that establishes the project is feasible using standard economic principles; and (iii) an explanation from the applicant regarding how the project is consistent with the communities' economic strategy and goals.

(c) A method of evaluating the impact of the financial assistance on the economy of the community and whether the financial assistance achieved its purpose."

**"PART I
STATEWIDE VOTER REGISTRATION DATA BASE**

NEW SECTION. Sec. 101. (1) The office of the secretary of state shall create and maintain a statewide voter registration data base. This data base must be a single, uniform, official, centralized, interactive computerized statewide voter registration list defined, maintained, and administered at the state level that contains the name and registration information of every legally registered voter in the state and assigns a unique identifier to each legally registered voter in the state.

(2) The computerized list must serve as the single system for storing and maintaining the official list of registered voters throughout the state.

(3) The computerized list must contain the name and registration information of every legally registered voter in the state.

(4) Under the computerized list, a unique identifier is assigned to each legally registered voter in the state.

(5) The computerized list must be coordinated with other agency data bases within the state, including but not limited to the department of corrections, the department of licensing, and the department of health.

(6) Any election officer in the state, including any local election officer, may obtain immediate electronic access to the information contained in the computerized list.

(7) All voter registration information obtained by any local election officer in the state must be electronically entered into the computerized list on an expedited basis at the time the information is provided to the local officer.

(8) The chief state election officer shall provide support, as may be required, so that local election officers are able to enter information as described in subsection (3) of this section.

(9) The computerized list serves as the official voter registration list for the conduct of all elections.

(10) The secretary of state has data authority on all voter registration data.

(11) The voter registration data base must be designed to accomplish at a minimum, the following:

(a) Comply with the Help America Vote Act of 2002 (P.L. 107-252);

(b) Identify duplicate voter registrations;

(c) Identify suspected duplicate voters;

(d) Screen against the department of corrections data base to aid in the cancellation of voter registration of felons;

(e) Provide up-to-date signatures of voters for the purposes of initiative signature checking;

(f) Provide for a comparison between the voter registration data base and the department of licensing change of address data base;

(g) Provide online access for county auditors with the goal of real time duplicate checking and update capabilities; and

(h) Provide for the cancellation of voter registration for persons who have moved to other states and surrendered their Washington state drivers' licenses.

Sec. 102. RCW 29A.08.010 and 2003 c 111 s 201 are each amended to read as follows:

As used in this chapter: "Information required for voter registration" means the minimum information provided on a voter registration application that is required by the county auditor in order to place a voter registration applicant on the voter registration rolls. This information includes the applicant's name, complete residence address, date of birth, ~~((and))~~ Washington state driver's license number, Washington state identification card, or the last four digits of the applicant's social security number, a signature attesting to the truth of the information provided on the application, and a check or indication in the box confirming the individual is a United States citizen. If the individual does not have a driver's license or social security number the registrant must be issued a unique voter registration number and placed on the voter registration rolls. All other information supplied is ancillary and not to be used as grounds for not registering an applicant to vote. Modification of the language of the official Washington state voter registration form by the voter will not be accepted and will cause the rejection of the registrant's application.

Sec. 103. RCW 29A.08.020 and 2003 c 111 s 204 are each amended to read as follows:

The definitions set forth in this section apply throughout this chapter, unless the context clearly requires otherwise.

(1) "By mail" means delivery of a completed original voter registration application by mail ~~((or by personal delivery))~~ to the office of the secretary of state.

(2) For voter registration applicants, "date of mailing" means the date of the postal cancellation on the voter registration application. This date will also be used as the date of application for the purpose of meeting the registration cutoff deadline. If the postal cancellation date is illegible then the date of receipt by the elections official is considered the date of application. If an application is received by the elections official by the close of business on the fifth day after the cutoff date for voter registration and the postal cancellation date is illegible, the application will be considered to have arrived by the cutoff date for voter registration.

Sec. 104. RCW 29A.08.030 and 2003 c 111 s 203 are each amended to read as follows:

The definitions set forth in this section apply throughout this chapter, unless the context clearly requires otherwise.

(1) "Verification notice" means a notice sent by the county auditor or secretary of state to a voter registration applicant and is used to verify or collect information about the applicant in order to complete the registration.

(2) "Acknowledgement notice" means a notice sent by nonforwardable mail by the county auditor or secretary of state to a registered voter to acknowledge a voter registration transaction, which can include initial registration, transfer, or reactivation of an inactive registration. An acknowledgement notice may be a voter registration card.

(3) "Confirmation notice" means a notice sent to a registered voter by first class forwardable mail at the address indicated on the voter's permanent registration record and to any other address at which the county auditor or secretary of state could reasonably expect mail to be received by the voter in order to confirm the voter's residence address. The confirmation notice must be designed so that the voter may update his or her current residence address.

Sec. 105. RCW 29A.08.105 and 2003 c 111 s 205 are each amended to read as follows:

(1) In compliance with the Help America Vote Act (P.L. 107-252), the centralized statewide voter registration list maintained by the secretary of state is the official list of eligible voters for all elections.

(2) In all counties, the county auditor shall be the chief registrar of voters for every precinct within the county. The auditor may appoint registration assistants to assist in registering persons residing in the county. Each registration assistant holds office at the pleasure of the county auditor and must be a registered voter.

~~((2) The county auditor shall be the custodian of the official registration records of the county.))~~

(3) The county auditor shall ensure that mail-in voter registration application forms are readily available to the public at locations to include but not limited to the elections office, and all common schools, fire stations, and public libraries.

NEW SECTION. Sec. 106. (1) The secretary of state must review the information provided by each voter registration applicant to ensure that either the driver's license number or the last four digits of the social security number match the information maintained by the Washington department of licensing or the social security administration. If a match cannot be made the secretary of state must correspond with the applicant to resolve the discrepancy.

(2) If the applicant fails to respond to any correspondence required in this section to confirm information provided on a voter registration application, within thirty days the secretary of state shall forward the application to the appropriate county auditor for document storage.

(3) Only after the secretary of state has confirmed that an applicant's driver's license number or the last four digits of the applicant's social security number match existing records with the Washington department of licensing or the social security administration or determined that the applicant does not have either a driver's license number or social security number may the applicant be placed on the official list of registered voters.

Sec. 107. RCW 29A.08.110 and 2003 c 111 s 206 are each amended to read as follows:

(1) On receipt of an application for voter registration (~~under this chapter~~), the county auditor shall review the application to determine whether the information supplied is complete. An application (~~that~~) is considered complete only if it contains the applicant's name, complete valid residence address, date of birth, and signature attesting to the truth of the information provided (~~on the application is complete~~) and an indication the license information or social security number has been confirmed by the secretary of state. If it is not complete, the auditor shall promptly mail a verification notice of the deficiency to the applicant. This verification notice shall require the applicant to provide the missing information. If the verification notice is not returned by the applicant or is returned as undeliverable the auditor shall not place the name of the applicant on the county voter list. If the applicant provides the required verified information, the applicant shall be registered to vote as of the date of mailing of the original voter registration application.

(2) In order to prevent duplicate registration records, all complete voter registration applications must be screened against existing voter registration records in the official statewide voter registration list. If a match of an existing record is found in the official list the record must be updated with the new information provided on the application. If the new information indicates that the voter has changed his or her county of residence, the application must be forwarded to the voter's new county of residence for processing. If the new information indicates that the voter remains in the same county of residence or if the applicant is a new voter the application must be processed by the county of residence.

(3) If the information required in subsection (1) of this section is complete, the applicant is considered to be registered to vote as of the date of mailing. The auditor shall record the appropriate precinct identification, taxing district identification, and date of registration on the voter's record in the state voter registration list. Within forty-five days after the receipt of an application but no later than seven days before the next primary, special election, or general election, the auditor shall send to the applicant, by first class mail, an acknowledgement notice identifying the registrant's precinct and containing such other information as may be required by the secretary of state. The postal service shall be instructed not to forward a voter registration card to any other address and to return to the auditor any card which is not deliverable. (~~If the applicant has indicated that he or she is registered to vote in another county in Washington but has also provided an address within the auditor's county that is for voter registration purposes, the auditor shall send, on behalf of the registrant, a registration cancellation notice to the auditor of that other county and the auditor receiving the notice shall cancel the registrant's voter registration in that other county.))~~ If the registrant has indicated on the form that he or she is registered to vote within the county but has provided a new address within the county that is for voter registration purposes, the auditor shall transfer the voter's registration.

~~((3))~~ (4) If an acknowledgement notice card is properly mailed as required by this section to the address listed by the voter as being the voter's mailing address and the notice is subsequently returned to the auditor by the postal service as being undeliverable to the voter at that address, the auditor shall promptly send the voter a confirmation notice. The auditor shall place the voter's registration on inactive status pending a response from the voter to the confirmation notice.

Sec. 108. RCW 29A.08.115 and 2003 c 111 s 207 are each amended to read as follows:

~~((Every registration assistant shall keep registration supplies at his or her usual place of residence or usual place of business.))~~ A person or organization collecting voter registration application forms must transmit the forms to the secretary of state or a designee at least once weekly.

Sec. 109. RCW 29A.08.120 and 2003 c 111 s 208 are each amended to read as follows:
Any elector of this state may register to vote by mail under this ~~((chapter))~~ title.

Sec. 110. RCW 29A.08.125 and 2003 c 111 s 209 are each amended to read as follows:
Each county auditor shall maintain a computer file containing ~~((the records))~~ a copy of each record of all registered voters within the county contained on the official statewide voter registration list for that county. ~~((The auditor may provide for the establishment and maintenance of such files by private contract or through interlocal agreement as provided by chapter 39.34 RCW.))~~ The computer file must include, but not be limited to, each voter's last name, first name, middle initial, date of birth, residence address, gender, date of registration, applicable taxing district and precinct codes, and the last date on which the individual voted. The county auditor shall subsequently record each consecutive date upon which the individual has voted and retain ~~((at least the last five))~~ all such consecutive dates. ~~((If the voter has not voted at least five times since establishing his or her current registration record, only the available dates will be included.))~~

Sec. 111. RCW 29A.08.135 and 2003 c 111 s 211 are each amended to read as follows:
The county auditor shall acknowledge each new voter registration or transfer by providing or sending the voter a card identifying his or her current precinct and containing such other information as may be prescribed by the secretary of state. When a person who has previously registered to vote in ~~((a jurisdiction))~~ another state applies for voter registration ~~((in a new jurisdiction))~~, the person shall provide on the registration form, all information needed to cancel any previous registration. ~~((The county auditor shall forward any information pertaining to the voter's prior voter registration to the county where the voter was previously registered, so that registration may be canceled. If the prior voter registration is in another state, the))~~ Notification must be made to the state elections office of ((that)) the applicant's previous state of registration. A county auditor receiving official information that a voter has registered to vote in another ~~((jurisdiction))~~ state shall immediately cancel that voter's registration on the official state voter registration list.

Sec. 112. RCW 29A.08.140 and 2003 c 111 s 212 are each amended to read as follows:
The registration files of all precincts shall be closed against original registration or transfers for thirty days immediately preceding every primary, special election, and general election to be held in such precincts.
The county auditor shall give notice of the closing of the precinct files for original registration and transfer and notice of the special registration and voting procedure provided by RCW 29A.08.145 by one publication in a newspaper of general circulation in the county at least five days before the closing of the precinct files.

No person may vote at any primary, special election, or general election in a precinct polling place unless he or she has registered to vote at least thirty days before that primary or election and appears on the official statewide voter registration list. If a person, otherwise qualified to vote in the state, county, and precinct in which he or she applies for registration, does not register at least thirty days before any primary, special election, or general election, he or she may register and vote by absentee ballot for that primary or election under RCW 29A.08.145.

Sec. 113. RCW 29A.08.145 and 2003 c 111 s 213 are each amended to read as follows:
This section establishes a special procedure which an elector may use to register to vote or transfer a voter registration by changing his or her address during the period beginning after the closing of registration for voting at the polls under RCW 29A.08.140 and ending on the fifteenth day before a primary, special election, or general election. A qualified elector in the ~~((county))~~ state may register to vote or change his or her registration address in person in the office of the county auditor or at a voter registration location specifically designated for this purpose by the county auditor of the county in which the applicant resides, and apply for an absentee ballot for that primary or election. The auditor or registration assistant shall register that individual in the manner provided in this chapter. The application for an absentee ballot executed by the newly registered or transferred voter for the primary or election that follows the execution of the registration shall be promptly transmitted to the auditor with the completed voter registration form.

Sec. 114. RCW 29A.08.155 and 2003 c 111 s 215 are each amended to read as follows:
To compensate counties with fewer than ten thousand registered voters at the time of the most recent state general election for unrecoverable costs incident to the maintenance of voter registration records on electronic data processing systems, the secretary of state shall, in June of each year, pay such counties an amount equal to ~~((thirty cents))~~ one dollar for each registered voter in the county at the time of the most recent state

general election, as long as funds provided for elections by the Help America Vote Act of 2002 (P.L. 107-252) are available.

Sec. 115. RCW 29A.08.220 and 2003 c 111 s 217 are each amended to read as follows:

(1) The secretary of state shall specify by rule the format of all voter registration applications. These applications shall be compatible with existing voter registration records. An applicant for voter registration shall be required to complete only one application and to provide the required information other than his or her signature no more than one time. The county auditor shall provide voter registration forms to city and town clerks, state offices, schools, fire stations, and any other locations considered appropriate by the auditor or secretary of state for extending registration opportunities to all areas of the county. After the initial distribution of voter registration forms to a given location, a representative designated by the official in charge of that location shall notify the county auditor of the need for additional voter registration supplies.

Sec. 139. RCW 11.88.010 and 1991 c 289 s 1 are each amended to read as follows:

(1) The superior court of each county shall have power to appoint guardians for the persons and/or estates of incapacitated persons, and guardians for the estates of nonresidents of the state who have property in the county needing care and attention.

(a) For purposes of this chapter, a person may be deemed incapacitated as to person when the superior court determines the individual has a significant risk of personal harm based upon a demonstrated inability to adequately provide for nutrition, health, housing, or physical safety.

(b) For purposes of this chapter, a person may be deemed incapacitated as to the person's estate when the superior court determines the individual is at significant risk of financial harm based upon a demonstrated inability to adequately manage property or financial affairs.

(c) A determination of incapacity is a legal not a medical decision, based upon a demonstration of management insufficiencies over time in the area of person or estate. Age, eccentricity, poverty, or medical diagnosis alone shall not be sufficient to justify a finding of incapacity.

(d) A person may also be determined incapacitated if he or she is under the age of majority as defined in RCW 26.28.010.

(e) For purposes of giving informed consent for health care pursuant to RCW 7.70.050 and 7.70.065, an "incompetent" person is any person who is (i) incompetent by reason of mental illness, developmental disability, senility, habitual drunkenness, excessive use of drugs, or other mental incapacity, of either managing his or her property or caring for himself or herself, or both, or (ii) incapacitated as defined in (a), (b), or (d) of this subsection.

(f) For purposes of the terms "incompetent," "disabled," or "not legally competent," as those terms are used in the Revised Code of Washington to apply to persons incapacitated under this chapter, those terms shall be interpreted to mean "incapacitated" persons for purposes of this chapter.

(2) The superior court for each county shall have power to appoint limited guardians for the persons and estates, or either thereof, of incapacitated persons, who by reason of their incapacity have need for protection and assistance, but who are capable of managing some of their personal and financial affairs. After considering all evidence presented as a result of such investigation, the court shall impose, by order, only such specific limitations and restrictions on an incapacitated person to be placed under a limited guardianship as the court finds necessary for such person's protection and assistance. A person shall not be presumed to be incapacitated nor shall a person lose any legal rights or suffer any legal disabilities as the result of being placed under a limited guardianship, except as to those rights and disabilities specifically set forth in the court order establishing such a limited guardianship. In addition, the court order shall state the period of time for which it shall be applicable.

(3) Venue for petitions for guardianship or limited guardianship shall lie in the county wherein the alleged incapacitated person is domiciled, or if such person resides in a facility supported in whole or in part by local, state, or federal funding sources, in either the county where the facility is located, the county of domicile prior to residence in the supported facility, or the county where a parent or spouse of the alleged incapacitated person is domiciled.

If the alleged incapacitated person's residency has changed within one year of the filing of the petition, any interested person may move for a change of venue for any proceedings seeking the appointment of a guardian or a limited guardian under this chapter to the county of the alleged incapacitated person's last place of residence of one year or more. The motion shall be granted when it appears to the court that such venue would be in the best interests of the alleged incapacitated person and would promote more complete consideration of all relevant matters.

(4) Under RCW 11.94.010, a principal may nominate, by a durable power of attorney, the guardian or limited guardian of his or her estate or person for consideration by the court if guardianship proceedings for the principal's person or estate are thereafter commenced. The court shall make its appointment in accordance with the principal's most recent nomination in a durable power of attorney except for good cause or disqualification.

(5) When a court imposes a full guardianship for an incapacitated person, the person shall be considered incompetent for purposes of rationally exercising the right to vote and shall lose the right to vote, unless the court specifically finds that the person is rationally capable of exercising the franchise. Imposition of a limited guardianship for an incapacitated person shall not result in the loss of the right to vote unless the court determines that the person is incompetent for purposes of rationally exercising the franchise. When a court determines that the person is incompetent for the purpose of rationally exercising the right to vote, the court shall notify the appropriate county auditor.

NEW SECTION. Sec. 140. In developing the technical standards of data formats for transferring voter registration data, the secretary shall consult with the information services board. The board shall review and make recommendations regarding proposed technical standards prior to implementation.

PART II LOCAL GOVERNMENT GRANT PROGRAM

NEW SECTION. Sec. 201. The secretary of state shall establish a competitive local government grant program to solicit and prioritize project proposals from county election offices. Potential projects proposals must be new projects designed to help the county election office comply with the requirements of the Help America Vote Act (P.L. 107-252). Grant funds will not be allocated to fund existing statutory functions of local elections offices, and in order to be eligible for a grant, local election offices must maintain an elections budget at or above the local elections budget by the effective date of this section.

The secretary of state shall adopt any rules necessary to facilitate this section.

NEW SECTION. Sec. 203. (1) The secretary of state shall create an advisory committee and adopt rules governing project eligibility, evaluation, awarding of grants, and other criteria for administering the local government grant program, which may include a preference for grants that include a match of local funds.

(2) The advisory committee shall review grant proposals and establish a prioritized list of projects to be considered for funding by the third Tuesday in May of each year beginning in 2004 and continuing as long as funds in the election account established by chapter 48, Laws of 2003 are available. The grant award may have an effective date other than the date the project is placed on the prioritized list, including money spent previously by the county that would qualify for reimbursement under the Help America Vote Act (P.L. 107-252).

(3) Examples of projects that would be eligible for local government grant funding include, but are not limited to the following:

(a) Replacement or upgrade of voting equipment, including the replacement of punchcard voting systems;

(b) Purchase of additional voting equipment, including the purchase of equipment to meet the disability requirements of the Help America Vote Act (P.L. 107-252);

NEW SECTION. Sec. 306. In-person disability access voting must be conducted using disability access voting devices at locations that are acceptable and comply with federal and state access requirements.

NEW SECTION. Sec. 309. A disability access voting election officer who does any electioneering during the voting period is guilty of a misdemeanor, and upon conviction must be fined a sum not exceeding one hundred dollars and pay the costs of prosecution.

NEW SECTION. Sec. 310. A voter desiring to vote at a disability access voting site shall give his or her name to the voting election officer who has the precinct list of registered voters. This officer shall announce the name to the election officer who has the copy of the list of voters. If the right of this voter to participate in the primary or election is not challenged, the voter must be issued a ballot or permitted to enter a voting booth and operate a voting device. Sec. 315. RCW 29A.16.010 and 2003 c 111 s 401 are each amended to read as follows:

The intent of this chapter is to require state and local election officials to designate and use polling places and disability access voting locations in all elections and permanent registration locations which are accessible to elderly and disabled persons. County auditors shall:

(1) Make modifications such as installation of temporary ramps or relocation of polling places within buildings, where appropriate;

(2) Designate new, accessible polling places to replace those that are inaccessible; and

(3) Continue to use polling places and voter registration locations which are accessible to elderly and disabled persons.

Sec. 316. RCW 29A.16.130 and 2003 c 111 s 409 are each amended to read as follows:

Each state agency and entity of local government shall permit the use of any of its buildings and the most suitable locations therein as polling places or disability access voting locations when required by a county auditor to provide accessible places in each precinct.

No ballots may be used in any polling place or disability access voting location other than those prepared by the county auditor. No voter is entitled to vote more than once at a primary or a general or special election, except that if a voter incorrectly marks a ballot, he or she may return it and be issued a new ballot. The precinct election officers shall void the incorrectly marked ballot and return it to the county auditor.

When county election procedures so provide, the election officers may tear off and retain the numbered stub from the ballot before delivering the ballot to the voter. If an election officer has not already done so, when the voter has finished, he or she shall either (1) remove the numbered stub from the ballot, place the ballot in the ballot box, and return the number to the ((precinct)) election officers, or (2) deliver the entire ballot to the ((precinct)) election officers, who shall remove the numbered stub from the ballot and place the ballot in the ballot box. If poll-site ballot counting devices are used, the voter shall put the ballot in the device.

Sec. 320. RCW 29A.44.350 and 2003 c 111 s 1133 are each amended to read as follows:

This system must be in place and operational by January 1, 2005, and must be used to produce all license plates issued by the department by no later than January 1, 2008. The department must phase in the production of flat, digitally printed license plates by first issuing special and personalized plates using this system. Before January 1, 2008, the department may issue all license plates as flat, digitally printed license plates, if the department determines that production of all license plates by the digital printing system is economically viable.

"Sec. 1. RCW 36.120.010 and 2002 c 56 s 101 are each amended to read as follows:

The legislature finds that:

(1) The capacity of many of Washington state's transportation facilities have failed to keep up with the state's growth, particularly in major urban regions;

(2) The state cannot by itself fund, in a timely way, many of the major capacity and other improvements required on highways of statewide significance (~~(in the state's largest urbanized area)~~) and facilities that are an identified risk for failure;

(3) Providing a transportation system that provides efficient mobility for persons and freight requires a shared partnership and responsibility between the state, local, and regional governments and the private sector; and

(4) Timely construction and development of significant transportation improvement projects can best be achieved through enhanced funding options for governments at the county and regional levels, using already existing tax authority to address roadway and multimodal needs and new authority for regions to address critical transportation projects (~~(of statewide significance)~~).

Sec. 2. RCW 36.120.020 and 2002 c 56 s 102 are each amended to read as follows:

The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

(1) "Board" means the governing body of a regional transportation investment district.

(2) "Department" means the Washington state department of transportation.

(3) "Highway of statewide significance" means an existing or proposed state route or federal interstate designated as a highway of statewide significance by the transportation commission, its successor entity, or the legislature.

(4) "Lead agency" means a public agency that by law can plan, design, and build a transportation project and has been so designated by the district.

(5) "Regional transportation investment district" or "district" means a municipal corporation (~~whose boundaries are coextensive with two or more contiguous counties and~~) that has been created by a county legislative authority or authorities and a vote of the people under this chapter to implement a regional transportation investment plan. For counties specified under RCW 36.120.030(1), the boundaries must be coextensive with two or more contiguous counties, and for counties specified under RCW 36.120.030(2), the boundaries may be multicounty, county-wide, or less than county-wide; however, a city must be wholly inside or outside the boundaries of the district.

(6) "Regional transportation investment district planning committee" or "planning committee" means the advisory committee created under RCW 36.120.030 to create and propose to county legislative authorities a regional transportation investment plan to develop, finance, and construct transportation projects.

(7) "Regional transportation investment plan" or "plan" means a plan to develop, construct, and finance a transportation project or projects.

(8)(a) "Transportation project" means(~~:-~~

~~(a) A capital improvement or improvements to a highway that has been designated, in whole or in part, as a highway of statewide significance, including an extension, that-~~

~~(i) Adds a lane or new lanes to an existing state or federal highway; or~~

~~(ii) Repairs or replaces a lane or lanes damaged by an event declared an emergency by the governor before January 1, 2002.-~~

~~(b) A capital improvement or improvements to all or a portion of a highway of statewide significance, including an extension, and may include the following associated multimodal capital improvements:-~~

- ~~(i) The project is included in a plan that makes highway improvement projects that add capacity to a highway or highways of statewide significance;~~
 - ~~(ii) The secretary of transportation determines that the project would better relieve traffic congestion than investing that same money in adding capacity to a highway of statewide significance;~~
 - ~~(iii) Matching money equal to one third of the total cost of the project is provided by local entities, including but not limited to a metropolitan planning organization, county, city, port, or private entity in which a county participating in a plan is located. Local entities may use federal grants to meet this matching requirement;~~
 - ~~(iv) In no case may the cumulative regional transportation investment district contribution to all projects constructed under this subsection (8)(c) exceed ten percent of the revenues generated by the district;~~

- (9) "Weighted vote" means a vote that reflects the population each board or planning committee member represents relative to the population represented by the total membership of the board or planning committee. Population will be determined using the federal 2000 census or subsequent federal census data.

Sec. 3. RCW 36.120.030 and 2002 c 56 s 103 are each amended to read as follows:

Regional transportation investment district planning committees are advisory entities that are created, convened, and empowered as follows:

(1) A county with a population over one million five hundred thousand persons and any adjoining counties with a population over five hundred thousand persons may create a regional transportation investment district and shall convene a regional transportation investment district planning committee. To proceed with developing a plan, including submission of a plan to county legislative authorities for placement on a ballot, at least two contiguous counties must be included in the plan.

(2) For counties other than those counties specified in subsection (1) of this section, the county legislative authority may create a regional transportation investment district and shall convene a regional transportation investment planning committee. Counties may by resolution of each county's legislative authority create a district to include more than one county.

(3) The members of the legislative authorities participating in planning under this chapter shall serve as the district planning committee. In addition, for counties planning under subsection (2) of this section, the planning committee must also include mayors or city council members of cities within the district so that the proportional membership on the planning committee in terms of members with weighted votes reflects the relative population of persons living within the respective jurisdictions. Members of the planning committee receive no compensation, but may be reimbursed for travel and incidental expenses as the planning committee deems appropriate.

The secretary of transportation, or the appropriate regional administrator of the department, as named by the secretary, shall serve on the committee as a nonvoting member.

~~((3))~~ (4) A regional transportation investment district planning committee may be entitled to state funding, as appropriated by the legislature, for start-up funding to pay for salaries, expenses, overhead, supplies, and similar expenses ordinarily and necessarily incurred in selecting transportation projects and funding for those transportation projects under this chapter. Upon creation of a regional transportation investment district, the district shall within one year reimburse the state for any sums advanced for these start-up costs from the state.

~~((4))~~ (5) The planning committee shall conduct its affairs and formulate a regional transportation investment plan as provided under RCW 36.120.040, except that ((#)) planning committees for counties under subsection (1) of this section shall elect an executive board of seven members to discharge the duties of the

planning committee and formulate a regional transportation investment plan, subject to the approval of the full committee.

~~((5))~~ (6) At its first meeting, a regional transportation investment district planning committee may elect officers and provide for the adoption of rules and other operating procedures.

~~((6))~~ (7) Governance of and decisions by a regional transportation investment district planning committee must be by a sixty-percent weighted majority vote of the total membership.

~~((7))~~ (8) The planning committee may dissolve itself at any time by a two-thirds weighted majority vote of the total membership of the planning committee.

Sec. 4. RCW 36.120.040 and 2003 c 194 s 1 are each amended to read as follows:

(1) A regional transportation investment district planning committee shall adopt a regional transportation investment plan providing for the development, construction, and financing of transportation projects. The planning committee may consider the following factors in formulating its plan:

(a) Land use planning criteria;

(b) The input of cities located within a participating county; and

(c) The input of regional transportation planning organizations in which a participating county is located. A regional transportation planning organization in which a participating county is located shall review its adopted regional transportation plan and submit, for the planning committee's consideration, its list of transportation improvement priorities.

(2) The planning committee may coordinate its activities with the department, which shall provide services, data, and personnel to assist in this planning as desired by the planning committee. In addition, the planning committee may coordinate with affected cities, towns, and other local governments that engage in transportation planning.

(3) The planning committee shall:

(a) Conduct public meetings that are needed to assure active public participation in the development of the plan;

(b) Adopt a plan proposing the:

(i) Creation of a regional transportation investment district; and

(ii) Construction of transportation projects to improve or maintain mobility within each county (~~Operations, maintenance, and preservation of facilities or systems may not be part of the plan~~);

~~((e))~~ (d) Recommend sources of revenue authorized by RCW 36.120.050 and a financing plan to fund selected transportation projects. The overall plan of the district must leverage the district's financial contributions so that the federal, state, local, and other revenue sources continue to fund major congestion relief and ~~(transportation capacity)~~ mobility improvement projects in each county and the district. A combination of local, state, and federal revenues may be necessary to pay for transportation projects, and the planning committee shall consider all of these revenue sources in developing a plan.

(4) For counties under RCW 36.120.030(1), the plan must use tax revenues and related debt for projects that generally benefit a participating county in proportion to the general level of tax revenues generated within that participating county. This equity principle applies to all modifications to the plan, appropriation of contingency funds not identified within the project estimate, and future phases of the plan. During implementation of the plan, the board shall retain the flexibility to manage distribution of revenues, debt, and project schedules so that the district may effectively implement the plan. Nothing in this section should be interpreted to prevent the district from pledging district-wide tax revenues for payment of any contract or debt entered into under RCW 36.120.130.

(5) Before adopting the plan, the planning committee, with assistance from the department, shall work with the lead agency to develop accurate cost forecasts for transportation projects. This project costing methodology must be integrated with revenue forecasts in developing the plan and must at a minimum include estimated project costs in constant dollars as well as year of expenditure dollars, the range of project costs reflected by the level of project design, project contingencies, identification of mitigation costs, the range of revenue forecasts, and project and plan cash flow and bond analysis. The plan submitted to the voters must provide cost estimates for each project, including reasonable contingency costs. Plans submitted to the voters must provide that the maximum amount possible of the funds raised will be used to fund projects in the plan, including environmental improvements and mitigation, and that administrative costs be minimized. If actual revenue exceeds actual plan costs, the excess revenues must be used to retire any outstanding debt associated with the plan.

(6) For counties under RCW 36.120.030(1), if a county opts not to adopt the plan or participate in the regional transportation investment district, but two or more contiguous counties do choose to continue to participate, then the planning committee may, within ninety days, redefine the regional transportation investment plan and the ballot measure to be submitted to the people to reflect elimination of the county, and submit the redefined plan to the legislative authorities of the remaining counties for their decision as to whether to continue to adopt the redefined plan and participate. This action must be completed within sixty days after receipt of the redefined plan.

(7) Once adopted, the plan must be forwarded to the participating county legislative authority or authorities to initiate the election process under RCW 36.120.070. The planning committee shall at the same time provide notice to each city and town within the district, the governor, the chairs of the transportation committees of the legislature, the secretary of transportation, and each legislator whose legislative district is partially or wholly within the boundaries of the district.

(8) If the ballot measure is not approved, the planning committee may redefine the selected transportation projects, financing plan, and the ballot measure. The county legislative authority or authorities may approve the new plan and ballot measure, and may then submit the revised proposition to the voters at the next election or a special election. If no ballot measure is approved by the voters by the third vote, the planning committee is dissolved.

Sec. 5. RCW 36.120.050 and 2003 c 350 s 4 are each amended to read as follows:

(1) A regional transportation investment district planning committee may, as part of a regional transportation investment plan, recommend the imposition of some or all of the following revenue sources, which a regional transportation investment district may impose upon approval of the voters as provided in this chapter:

(a) A regional sales and use tax, as specified in RCW 82.14.430, of up to ~~((0-5))~~ 0.2 percent of the selling price, in the case of a sales tax, or value of the article used, in the case of a use tax, upon the occurrence of any taxable event in the regional transportation investment district. The proceeds of this tax may be spent only as follows:

(i) 0.1 percent only for high-priority projects;

(ii) 0.1 percent only for public transportation purposes, commute trip reduction programs, or high-priority projects, or a combination thereof;

(b) A local option vehicle license fee, as specified under RCW 82.80.100, of up to one hundred dollars per vehicle registered in the district. As used in this subsection, "vehicle" means motor vehicle as defined in RCW 46.04.320. Certain classes of vehicles, as defined under chapter 46.04 RCW, may be exempted from this fee;

(c) A parking tax under RCW 82.80.030;

(d) A local motor vehicle excise tax under RCW 81.100.060 and chapter 81.104 RCW;

(e) A local option fuel tax under RCW 82.80.120;

(f) A mileage charge under section 16 of this act;

(g) An employer excise tax under RCW 81.100.030; and

~~((g))~~ (h) With the approval of the transportation commission, or its successor, vehicle tolls on ~~((new or reconstructed facilities))~~ a local or regional arterial or state or federal highway within the boundaries of the district. The plan must identify the facilities to be tolled and the purpose of the toll. Unless otherwise specified by law or contract, the department shall administer the collection of vehicle tolls on designated facilities, and the state transportation commission, or its successor, shall be the tolling authority.

(2) Taxes, fees, and tolls may not be imposed without an affirmative vote of the majority of the voters within the boundaries of the district voting on a ballot proposition as set forth in RCW 36.120.070. Revenues from these taxes and fees may be used only to implement the plan as set forth in this chapter. A district may contract with the state department of revenue or other appropriate entities for administration and collection of any of the taxes or fees authorized in this section. In authorizing these revenue sources, it is the intent of the legislature to provide a range of options that can be tailored to meet the transportation needs identified by local elected officials, with voter approval. The legislature does not intend that all local option tax sources will be used by a single district, nor that each revenue source will necessarily be imposed to its maximum limit.

(3) Existing statewide motor vehicle fuel and special fuel taxes, at the distribution rates in effect on January 1, 2001, are not intended to be altered by this chapter.

Sec. 6. RCW 36.120.060 and 2002 c 56 s 106 are each amended to read as follows:

(1) The planning committee shall consider the following criteria for selecting transportation projects to improve corridor performance:

(a) Reduced level of congestion and improved safety;

(b) Improved travel time;

(c) Improved air quality;

(d) Increases in daily and peak period person and vehicle trip capacity;

(e) Reductions in person and vehicle delay;

(f) Improved personal mobility;

(g) Improved freight mobility; and

~~((g))~~ (h) Cost-effectiveness of the investment.

(2) The planning committee shall develop and weight other criteria as necessary to ensure that high-priority projects are accomplished.

(3) These criteria represent only minimum standards that must be considered in selecting transportation improvement projects. The board shall also consider rules and standards for benchmarks adopted by the transportation commission or its successor.

Sec. 7. RCW 36.120.070 and 2002 c 56 s 107 are each amended to read as follows:

Two or more contiguous county legislative authorities under RCW 36.120.030(1) and a county or county legislative authorities under RCW 36.120.030(2), upon receipt of the regional transportation investment plan under RCW 36.120.040, may ~~((certify the plan to the ballot, including identification of the tax options))~~ submit to the voters of the proposed district a single ballot measure that approves formation of the district, approves the regional transportation investment plan, and approves the revenue sources necessary to ~~((fund))~~ finance the plan. ~~((County legislative authorities))~~ The planning committee may draft ~~((a ballot title,))~~ the ballot measure on behalf of the county legislative authorities, and the county legislative authorities may give notice as required by law for ballot measures, and perform other duties as required to ~~((put the plan before))~~ submit the measure to the voters of the proposed district for their approval or rejection ~~((as a single ballot measure that both approves formation of the district and approves the plan))~~. Counties may negotiate interlocal agreements necessary to implement the plan. The electorate will be the voters voting within the boundaries of the participating counties. A simple majority of the total persons voting on the single ballot measure ~~((to approve the plan, establish the district, and approve the taxes and fees))~~ is required for approval of the measure.

Sec. 8. RCW 36.120.090 and 2002 c 56 s 109 are each amended to read as follows:

(1) The governing board of a district consists of the members of the legislative authority of each member county, acting ex officio and independently. The secretary of transportation or the appropriate regional administrator of the department, as named by the secretary, shall also serve as a nonvoting member of the board. For districts in counties under RCW 36.120.030(1), the governing board may elect an executive board of seven members to discharge the duties of the governing board subject to the approval of the full governing board.

(2) A sixty-percent majority of the weighted votes of the total board membership is required to submit to the county or counties a modified plan under RCW 36.120.140 or any other proposal to be submitted to the voters. The county or counties may, with majority vote of each county legislative authority, submit a modified plan or proposal to the voters.

Sec. 9. RCW 36.120.140 and 2003 c 194 s 2 are each amended to read as follows:

(1) The board may modify the plan to change transportation projects or revenue sources if:

(a) For districts in counties under RCW 36.120.030(1), two or more participating counties adopt a resolution to modify the plan~~((;))~~ and ~~((b))~~ the counties submit to the voters in the district a ballot measure that redefines the scope of the plan, its projects, its schedule, its costs, or the revenue sources;

(b) For districts in counties under RCW 36.120.030(2), the board adopts a resolution to modify the plan and the county or counties submit to the voters in the district a ballot measure that redefines the scope of the plan, its projects, its schedule, its costs, or the revenue sources.

If the voters of either type of district fail to approve the redefined plan, the district shall continue to work on and complete the plan, and the projects in it, that was originally approved by the voters. If the voters approve the redefined plan, the district shall work on and complete the projects under the redefined plan.

(2) The board may modify the plan to change transportation projects within a participating county if:

(a) A majority of the board approves the change;

(b) The modifications are limited to projects within the county;

(c) The county submits to the voters in the county a ballot measure that redefines:

(i) Projects;

(ii) Scopes of projects; or

(iii) Costs; and

(iv) The financial plan for the county;

(d) The proposed modifications maintain the equity of the plan and ~~((does [do]))~~ do not increase the total level of plan expenditure for the county.

If the voters fail to approve the modified plan, the district shall continue to work on and complete the plan, and the projects in it, that was originally approved by the voters. If the voters approve the redefined plan, the district shall work on and complete the projects under the redefined plan.

(3) If a transportation project cost exceeds its original cost by more than twenty percent as identified in the plan:

(a) The board shall, in coordination with the county legislative authorities, submit to the voters in the district or county a ballot measure that redefines the scope of the transportation project, its schedule, or its costs. If the voters fail to approve the redefined transportation project, the district shall terminate work on that transportation project, except that the district may take reasonable steps to use, preserve, or connect any improvement already constructed. The remainder of any funds that would otherwise have been expended on the terminated transportation project must first be used to retire any outstanding debt attributable to the plan and then may be used to implement the remainder of the plan.

(b) Alternatively for districts in counties under RCW 36.120.030(1), upon adoption of a resolution by two or more participating counties:

(i) The counties shall submit to the voters in the district a ballot measure that redefines the scope of the plan, its transportation projects, its schedule, or its costs. If the voters fail to approve the redefined plan, the district shall terminate work on that plan, except that the district may take reasonable steps to use, preserve, or connect any improvement already constructed. The remainder of any funds must be used to retire any outstanding debt attributable to the plan; or

(ii) The counties may elect to have the district continue the transportation project without submitting an additional ballot proposal to the voters.

(4) To assure accountability to the public for the timely construction of the transportation improvement project or projects within cost projections, the district shall issue a report, at least annually, to the public and copies of the report to newspapers of record in the district. In the report, the district shall indicate the status of transportation project costs, transportation project expenditures, revenues, and construction schedules. The report may also include progress towards meeting the performance criteria provided under this chapter.

Sec. 10. RCW 36.120.190 and 2002 c 56 s 201 are each amended to read as follows:

For districts in counties under RCW 36.120.030(1), at the option of the planning committee, and with the explicit approval of the regional transit authority, the participating counties may choose to impose any remaining high capacity transportation taxes under chapter 81.104 RCW that have not otherwise been used by a regional transit authority and submit to the voters a common ballot measure that creates the district, approves the regional transportation investment plan, implements the taxes, and implements any remaining high capacity transportation taxes within the boundaries of the regional transportation investment district. Collection and expenditures of any high capacity transportation taxes implemented under this section must be determined by agreement between the participating counties or district and the regional transit authority electing to submit high capacity transportation taxes to the voters under a common ballot measure as provided in this section. If the measure fails, all such unused high capacity transportation taxes revert back to and remain with the regional transit authority. A project constructed with this funding is not considered a "transportation project" under RCW 36.120.020.

Sec. 11. RCW 36.120.200 and 2002 c 56 s 401 are each amended to read as follows:

The purpose of this account is to act as an account into which may be deposited state money, if any, that may be used in conjunction with district money to fund transportation projects. Additionally, ~~((the))~~ districts may deposit funds into this account for disbursement, as appropriate, on transportation projects. Nothing in this section requires any state matching money. All money deposited in the regional transportation investment district account will be used for design, right of way acquisition, capital acquisition, and construction, or for the payment of debt service associated with these activities, for regionally funded transportation projects developed under this chapter. Only the district may authorize expenditures from the account. The account is subject to allotment procedures under chapter 43.88 RCW. An appropriation is not required for expenditures from this account.

NEW SECTION. Sec. 12. A new section is added to chapter 36.120 RCW to read as follows:

Notwithstanding any provision to the contrary in this chapter, a regional transportation investment district may impose vehicle tolls on local and regional arterials with the approval of the transportation commission, or its successor, and upon approval of a majority of the voters voting on a regional transportation investment plan ballot measure within its boundaries as authorized in this chapter. These tolls may be imposed to generate revenue to fund the regional transportation investment plan.

Sec. 13. RCW 47.56.076 and 2002 c 56 s 403 are each amended to read as follows:

With the approval of the transportation commission, or its successor, and upon approval of a majority of the voters within its boundaries voting on the ballot proposition, and only for the purposes authorized in RCW 36.120.050(1)(~~((f))~~) (h), a regional transportation investment district may impose vehicle tolls on a state (~~((routes where improvements financed in whole or in part by a regional transportation investment district add additional lanes to, or reconstruct lanes on, a highway of statewide significance))~~) or federal highway within the boundaries of the district. The department shall administer the collection of vehicle tolls on designated facilities unless otherwise specified in law or by contract, and the state transportation commission, or its successor, shall (~~((be the tolling authority))~~) set and impose the tolls in amounts sufficient to implement the regional transportation investment plan.

NEW SECTION. Sec. 14. A new section is added to chapter 47.56 RCW to read as follows:

The tax authorized by this section is in addition to the tax authorized by RCW 82.14.030 and must be collected from those persons who are taxable by the state under chapters 82.08 and 82.12 RCW upon the occurrence of any taxable event within the taxing district. Motor vehicles are exempt from the sales and use tax imposed under this subsection.

(2) If approved by the majority of the voters within its boundaries voting on the ballot proposition, a regional transportation investment district may impose a tax on the use of a motor vehicle within a regional transportation investment district. The tax applies to those persons who reside within the regional transportation investment district. The rate of the tax may not exceed ~~((0.5))~~ 0.2 percent of the value of the motor vehicle. The tax authorized by this subsection is in addition to the tax authorized under RCW 82.14.030 and must be imposed and collected at the time a taxable event under RCW 82.08.020(1) or 82.12.020 takes place. All revenue received under this subsection must be deposited in the local sales and use tax account and distributed to the regional transportation investment district according to RCW 82.14.050. (b) Where persons are taxable under chapter 82.12 RCW, the use tax must be collected using the provisions of RCW 82.12.045.

(d) "Person" has the meaning given in RCW 82.04.030.

(e) The value of a motor vehicle must be determined under RCW 82.12.010.

(f) Except as specifically stated in this subsection (2), chapters 82.12 and 82.32 RCW apply to the use tax. The use tax is a local tax imposed under the authority of chapter 82.14 RCW, and chapter 82.14 RCW applies fully to the use tax.

NEW SECTION. Sec. 16. A new section is added to chapter 82.80 RCW to read as follows:

(1) The legislative authority of a regional transportation investment district may impose a charge based upon vehicle miles traveled. This charge may be, but is not limited to, a charge upon the vehicle miles traveled within the district by a vehicle, upon vehicle miles traveled within certain corridors in the district, or upon total vehicle miles traveled by a vehicle registered to a person whose legal residence is within the district.

(2) Charges imposed may be collected either periodically in a manner prescribed by the district or annually by the department of licensing upon renewal of the vehicle license. The district may identify categories of miles driven that are subject to or exempt from the charge, including but not limited to, travel outside the district, travel in specified corridors, or exempt or maximum mileage charges.

(3) The mileage charge under this section is subject to the approval of the transportation commission or its statutory successor and of a majority of the voters within the district boundaries voting on formation of the district. The mileage charge must be part of the investment plan of the district.

MAJORITY recommendation: Do pass as amended:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The legislature finds that little progress has been made in reducing the proportion of recent high school graduates who must enroll in remedial or precollege classes at Washington's public colleges and universities before they proceed with college-level courses. The legislature also finds that more than seventeen million dollars in state and tuition resources is being spent each year to provide these students with the basic skills in reading, writing, and mathematics they should have gained before graduating from high school. It is the intent of the legislature that state education agencies place a higher priority on their work to address the issue of remediation to make measurable progress by the end of 2004.

NEW SECTION. Sec. 2. (1) Within current budgets, the higher education coordinating board, the office of the superintendent of public instruction, and the state board for community and technical colleges shall:

(a) Adopt standards and expectations for the knowledge and skills high school graduates need to ensure they are ready for college-level work, which may be based on existing standards developed in Washington, in other states, or by national organizations; and

(b) Develop strategies for implementing and communicating the standards in all Washington high schools.

(2) To accomplish the tasks under this section, the boards and the office shall convene a college preparation work group that includes representatives of two and four-year institutions of higher education and school districts. By January 1, 2005, the work group must submit a progress report to the education and higher education committees of the senate and the house of representatives.

NEW SECTION. Sec. 3. A new section is added to chapter 28B.10 RCW to read as follows:

Except for the reports required by RCW 28B.10.685, institutions of higher education shall not include in official enrollment reports any student who graduated from a Washington high school within the previous three years and is enrolled in a precollege course as defined by RCW 28B.10.682, nor shall such a student be considered in any enrollment statistics that would affect budgetary determinations. The restriction under this section applies only to the proportion of such a student's total enrollment that is in precollege courses.

Sec. 4. RCW 28B.10.685 and 1995 c 310 s 3 are each amended to read as follows:

Beginning in 1997, by September 30th of each year, each state university, regional university, state college, and, for community colleges and technical colleges, the state board for community and technical colleges shall provide a report to the office of the superintendent of public instruction, the state board of education, and the commission on student learning under RCW ((~~28A.630.885~~) 28A.655.060). The report shall contain the following information on students who, within three years of graduating from a Washington high school, enrolled the prior year in a ((~~state supported~~) precollege level class at the institution: (1) The number of such students enrolled in a precollege level class in mathematics, reading, grammar, spelling, writing, or English; (2) the types of precollege classes in which each student was enrolled; and (3) the name of the Washington high school from which each student graduated.

For students who enrolled in a precollege class within three years of graduating from a Washington high school, each institution of higher education shall also report to the Washington high school from which the student graduated. The annual report shall include information on the number of students from that high school enrolled in precollege classes, and the types of classes taken by the students.

NEW SECTION. Sec. 5. A new section is added to chapter 28B.15 RCW to read as follows:

Institutions of higher education shall not provide state-supported tuition waivers to any student who graduated from a Washington high school within the previous three years and is enrolled in a precollege course as defined by RCW 28B.10.682. The restriction under this section applies only to the proportion of such a student's total enrollment that is in precollege courses.

Sec. 6. RCW 28B.119.010 and 2003 c 233 s 5 are each amended to read as follows:

The higher education coordinating board shall design the Washington promise scholarship program based on the following parameters:

(1) Scholarships shall be awarded to students graduating from public and approved private high schools under chapter 28A.195 RCW, students participating in home-based instruction as provided in chapter 28A.200 RCW, and persons twenty-one years of age or younger receiving a GED certificate, who meet both an academic and a financial eligibility criteria.

(a) Academic eligibility criteria shall be defined as follows:

(i) Beginning with the graduating class of 2002, students graduating from public and approved private high schools under chapter 28A.195 RCW must be in the top fifteen percent of their graduating class, as identified by each respective high school at the completion of the first term of the student's senior year; or

(ii) Students graduating from public high schools, approved private high schools under chapter 28A.195 RCW, students participating in home-based instruction as provided in chapter 28A.200 RCW, and persons twenty-one years of age or younger receiving a GED certificate, must equal or exceed a cumulative scholastic

assessment test I score of twelve hundred on their first attempt or must equal or exceed a composite American college test score of twenty-seven on their first attempt.

(b) To meet the financial eligibility criteria, a student's family income shall not exceed one hundred thirty-five percent of the state median family income adjusted for family size, as determined by the higher education coordinating board for each graduating class. Students not meeting the eligibility requirements for the first year of scholarship benefits may reapply for the second year of benefits, but must still meet the income standard set by the board for the student's graduating class.

(2) Promise scholarships are not intended to supplant any grant, scholarship, or tax program related to postsecondary education. If the board finds that promise scholarships supplant or reduce any grant, scholarship, or tax program for categories of students, then the board shall adjust the financial eligibility criteria or the amount of scholarship to the level necessary to avoid supplanting.

(3) Within available funds, each qualifying student shall receive two consecutive annual awards, the value of each not to exceed the full-time annual resident tuition rates charged by Washington's community colleges. The higher education coordinating board shall award scholarships to as many students as possible from among those qualifying under this section.

(4) By October 15th of each year, the board shall determine the award amount of the scholarships, after taking into consideration the availability of funds.

(5) The scholarships may only be used for undergraduate coursework at accredited institutions of higher education in the state of Washington.

(6) The scholarships may be used for undergraduate coursework at Oregon institutions of higher education that are part of the border county higher education opportunity project in RCW 28B.80.806 when those institutions offer programs not available at accredited institutions of higher education in Washington state.

(7) The scholarships may be used for college-related expenses, including but not limited to, tuition, room and board, books, and materials, except that a recipient who graduated from a Washington high school within the previous three years may not apply the scholarship toward the cost of tuition at a public institution of higher education for enrollment in precollege courses, as defined by RCW 28B.10.682. The restriction under this subsection applies only to the proportion of a recipient's total enrollment that is in precollege courses.

(8) The scholarships may not be awarded to any student who is pursuing a degree in theology.

(9) The higher education coordinating board may establish satisfactory progress standards for the continued receipt of the promise scholarship.

(10) The higher education coordinating board shall establish the time frame within which the student must use the scholarship.

SSB 5168 Prime Sponsor, Senate Committee on Children & Family Services & Corrections:
Authorizing reduction of interest on legal financial obligations. Reported by Committee on Judiciary

MAJORITY recommendation: Do pass as amended:

On page 2, after line 20, insert the following:

"**Sec. 2.** RCW 9.94A.637 and 2003 c 379 s 19 are each amended to read as follows:

(1)(a) When an offender has completed all requirements of the sentence, including any and all legal financial obligations, and while under the custody and supervision of the department, the secretary or the secretary's designee shall notify the sentencing court, which shall discharge the offender and provide the offender with a certificate of discharge by issuing the certificate to the offender in person or by mailing the certificate to the offender's last known address.

(b)(i) When an offender has reached the end of his or her supervision with the department and has completed all the requirements of the sentence except his or her legal financial obligations, the secretary's designee shall provide the county clerk with a notice that the offender has completed all nonfinancial requirements of the sentence.

(ii) When the department has provided the county clerk with notice that an offender has completed all the requirements of the sentence and the offender subsequently satisfies all legal financial obligations under the

sentence, the county clerk shall notify the sentencing court, including the notice from the department, which shall discharge the offender and provide the offender with a certificate of discharge by issuing the certificate to the offender in person or by mailing the certificate to the offender's last known address.

(c) When an offender who is subject to requirements of the sentence in addition to the payment of legal financial obligations either is not subject to supervision by the department or does not complete the requirements while under supervision of the department, it is the offender's responsibility to provide the court with verification of the completion of the sentence conditions other than the payment of legal financial obligations. When the offender satisfies all legal financial obligations under the sentence, the county clerk shall notify the sentencing court that the legal financial obligations have been satisfied. When the court has received both notification from the clerk and adequate verification from the offender that the sentence requirements have been completed, the court shall discharge the offender and provide the offender with a certificate of discharge by issuing the certificate to the offender in person or by mailing the certificate to the offender's last known address.

(2) The court shall send a copy of every signed certificate of discharge to the auditor for the county in which the court resides and to the department. The department shall create and maintain a data base containing the names of all felons who have been issued certificates of discharge, the date of discharge, and the date of conviction and offense.

(3) An offender who is not convicted of a violent offense or a sex offense and is sentenced to a term involving community supervision may be considered for a discharge of sentence by the sentencing court prior to the completion of community supervision, provided that the offender has completed at least one-half of the term of community supervision and has met all other sentence requirements.

(4) Except as provided in subsection (5) of this section, the discharge shall have the effect of restoring all civil rights lost by operation of law upon conviction, and the certificate of discharge shall so state. Nothing in this section prohibits the use of an offender's prior record for purposes of determining sentences for later offenses as provided in this chapter. Nothing in this section affects or prevents use of the offender's prior conviction in a later criminal prosecution either as an element of an offense or for impeachment purposes. A certificate of discharge is not based on a finding of rehabilitation.

(5) Unless otherwise ordered by the sentencing court, a certificate of discharge shall not terminate the offender's obligation to comply with an order issued under chapter 10.99 RCW that excludes or prohibits the offender from having contact with a specified person or coming within a set distance of any specified location that was contained in the judgment and sentence. An offender who violates such an order after a certificate of discharge has been issued shall be subject to prosecution according to the chapter under which the order was originally issued.

(6) Upon release from custody, the offender may apply to the department for counseling and help in adjusting to the community. This voluntary help may be provided for up to one year following the release from custody.

Sec. 3. RCW 9.94A.760 and 2003 c 379 s 14 are each amended to read as follows:

(1) Whenever a person is convicted (~~(of a felony)~~) in superior court, the court may order the payment of a legal financial obligation as part of the sentence. The court must on either the judgment and sentence or on a subsequent order to pay, designate the total amount of a legal financial obligation and segregate this amount among the separate assessments made for restitution, costs, fines, and other assessments required by law. On the same order, the court is also to set a sum that the offender is required to pay on a monthly basis towards satisfying the legal financial obligation. If the court fails to set the offender monthly payment amount, the department shall set the amount if the department has active supervision of the offender, otherwise the county clerk shall set the amount. Upon receipt of an offender's monthly payment, restitution shall be paid prior to any payments of other monetary obligations. After restitution is satisfied, the county clerk shall distribute the payment proportionally among all other fines, costs, and assessments imposed, unless otherwise ordered by the court.

(2) If the court determines that the offender, at the time of sentencing, has the means to pay for the cost of incarceration, the court may require the offender to pay for the cost of incarceration at a rate of fifty dollars per day of incarceration. Payment of other court-ordered financial obligations, including all legal financial obligations and costs of supervision shall take precedence over the payment of the cost of incarceration ordered by the court. All funds recovered from offenders for the cost of incarceration in the county jail shall be remitted to the county and the costs of incarceration in a prison shall be remitted to the department.

(3) The court may add to the judgment and sentence or subsequent order to pay a statement that a notice of payroll deduction is to be issued immediately. If the court chooses not to order the immediate issuance of a notice of payroll deduction at sentencing, the court shall add to the judgment and sentence or subsequent order to pay a statement that a notice of payroll deduction may be issued or other income-withholding action may be taken, without further notice to the offender if a monthly court-ordered legal financial obligation payment is not paid when due, and an amount equal to or greater than the amount payable for one month is owed.

If a judgment and sentence or subsequent order to pay does not include the statement that a notice of payroll deduction may be issued or other income-withholding action may be taken if a monthly legal financial obligation payment is past due, the department or the county clerk may serve a notice on the offender stating such

requirements and authorizations. Service shall be by personal service or any form of mail requiring a return receipt.

(4) Independent of the department or the county clerk, the party or entity to whom the legal financial obligation is owed shall have the authority to use any other remedies available to the party or entity to collect the legal financial obligation. These remedies include enforcement in the same manner as a judgment in a civil action by the party or entity to whom the legal financial obligation is owed. Restitution collected through civil enforcement must be paid through the registry of the court and must be distributed proportionately according to each victim's loss when there is more than one victim. The judgment and sentence shall identify the party or entity to whom restitution is owed so that the state, party, or entity may enforce the judgment. If restitution is ordered pursuant to RCW 9.94A.750(6) or 9.94A.753(6) to a victim of rape of a child or a victim's child born from the rape, the Washington state child support registry shall be identified as the party to whom payments must be made. Restitution obligations arising from the rape of a child in the first, second, or third degree that result in the pregnancy of the victim may be enforced for the time periods provided under RCW 9.94A.750(6) and 9.94A.753(6). All other legal financial obligations for an offense committed prior to July 1, 2000, may be enforced at any time during the ten-year period following the offender's release from total confinement or within ten years of entry of the judgment and sentence, whichever period ends later. Prior to the expiration of the initial ten-year period, the superior court may extend the criminal judgment an additional ten years for payment of legal financial obligations including crime victims' assessments. All other legal financial obligations for an offense committed on or after July 1, 2000, may be enforced at any time the offender remains under the court's jurisdiction. For an offense committed on or after July 1, 2000, the court shall retain jurisdiction over the offender, for purposes of the offender's compliance with payment of the legal financial obligations, until the obligation is completely satisfied, regardless of the statutory maximum for the crime. The department may only supervise the offender's compliance with payment of the legal financial obligations during any period in which the department is authorized to supervise the offender in the community under RCW 9.94A.728, 9.94A.501, or in which the offender is confined in a state correctional institution or a correctional facility pursuant to a transfer agreement with the department, and the department shall supervise the offender's compliance during any such period. The department is not responsible for supervision of the offender during any subsequent period of time the offender remains under the court's jurisdiction. The county clerk is authorized to collect unpaid legal financial obligations at any time the offender remains under the jurisdiction of the court for purposes of his or her legal financial obligations.

(5) In order to assist the court in setting a monthly sum that the offender must pay during the period of supervision, the offender is required to report to the department for purposes of preparing a recommendation to the court. When reporting, the offender is required, under oath, to respond truthfully and honestly to all questions concerning present, past, and future earning capabilities and the location and nature of all property or financial assets. The offender is further required to bring all documents requested by the department.

(6) After completing the investigation, the department shall make a report to the court on the amount of the monthly payment that the offender should be required to make towards a satisfied legal financial obligation.

(7)(a) During the period of supervision, the department may make a recommendation to the court that the offender's monthly payment schedule be modified so as to reflect a change in financial circumstances. If the department sets the monthly payment amount, the department may modify the monthly payment amount without the matter being returned to the court. During the period of supervision, the department may require the offender to report to the department for the purposes of reviewing the appropriateness of the collection schedule for the legal financial obligation. During this reporting, the offender is required under oath to respond truthfully and honestly to all questions concerning earning capabilities and the location and nature of all property or financial assets. The offender shall bring all documents requested by the department in order to prepare the collection schedule.

(b) Subsequent to any period of supervision, or if the department is not authorized to supervise the offender in the community, the county clerk may make a recommendation to the court that the offender's monthly payment schedule be modified so as to reflect a change in financial circumstances. If the county clerk sets the monthly payment amount, or if the department set the monthly payment amount and the department has subsequently turned the collection of the legal financial obligation over to the county clerk, the clerk may modify the monthly payment amount without the matter being returned to the court. During the period of repayment, the county clerk may require the offender to report to the clerk for the purpose of reviewing the appropriateness of the collection schedule for the legal financial obligation. During this reporting, the offender is required under oath to respond truthfully and honestly to all questions concerning earning capabilities and the location and nature of all property or financial assets. The offender shall bring all documents requested by the county clerk in order to prepare the collection schedule.

(8) After the judgment and sentence or payment order is entered, the department is authorized, for any period of supervision, to collect the legal financial obligation from the offender. Subsequent to any period of supervision or, if the department is not authorized to supervise the offender in the community, the county clerk is authorized to collect unpaid legal financial obligations from the offender. Any amount collected by the department shall be remitted daily to the county clerk for the purpose of disbursements. The department and the

county clerks are authorized, but not required, to accept credit cards as payment for a legal financial obligation, and any costs incurred related to accepting credit card payments shall be the responsibility of the offender.

(9) The department or any obligee of the legal financial obligation may seek a mandatory wage assignment for the purposes of obtaining satisfaction for the legal financial obligation pursuant to RCW 9.94A.7701. Any party obtaining a wage assignment shall notify the county clerk. The county clerks shall notify the department, or the administrative office of the courts, whichever is providing the monthly billing for the offender.

(10) The requirement that the offender pay a monthly sum towards a legal financial obligation constitutes a condition or requirement of a sentence and the offender is subject to the penalties for noncompliance as provided in RCW 9.94A.634, 9.94A.737, or 9.94A.740.

(11)(a) Until January 1, 2004, the department shall mail individualized monthly billings to the address known by the department for each offender with an unsatisfied legal financial obligation.

(b) Beginning January 1, 2004, the administrative office of the courts shall mail individualized monthly billings to the address known by the office for each offender with an unsatisfied legal financial obligation.

(c) The billing shall direct payments, other than outstanding cost of supervision assessments under RCW 9.94A.780, parole assessments under RCW 72.04A.120, and cost of probation assessments under RCW 9.95.214, to the county clerk, and cost of supervision, parole, or probation assessments to the department.

(d) The county clerk shall provide the administrative office of the courts with notice of payments by such offenders no less frequently than weekly.

(e) The county clerks, the administrative office of the courts, and the department shall maintain agreements to implement this subsection.

(12) The department shall arrange for the collection of unpaid legal financial obligations during any period of supervision in the community through the county clerk. The department shall either collect unpaid legal financial obligations or arrange for collections through another entity if the clerk does not assume responsibility or is unable to continue to assume responsibility for collection pursuant to subsection (4) of this section. The costs for collection services shall be paid by the offender.

(13) The county clerk may access the records of the employment security department for the purposes of verifying employment or income, seeking any assignment of wages, or performing other duties necessary to the collection of an offender's legal financial obligations.

(14) Nothing in this chapter makes the department, the state, the counties, or any state or county employees, agents, or other persons acting on their behalf liable under any circumstances for the payment of these legal financial obligations or for the acts of any offender who is no longer, or was not, subject to supervision by the department for a term of community custody, community placement, or community supervision, and who remains under the jurisdiction of the court for payment of legal financial obligations.

Sec. 4. RCW 9.94A.772 and 2003 c 379 s 22 are each amended to read as follows:

Notwithstanding any other provision of state law, monthly payment or starting dates set by the court, the county clerk, or the department before or after October 1, 2003, shall not be construed as a limitation on the due date or amount of legal financial obligations, which may be immediately collected by civil means and shall not be construed as a limitation for purposes of credit reporting. Monthly payments and commencement dates are to be construed to be applicable solely as a limitation upon the deprivation of an offender's liberty for nonpayment.

Sec. 5. RCW 50.13.020 and 1981 c 35 s 2 are each amended to read as follows:

Any information or records concerning an individual or employing unit obtained by the department of employment security pursuant to the administration of this title or other programs for which the department has responsibility shall be private and confidential, except as otherwise provided in this chapter. This chapter does not create a rule of evidence. Information or records may be released by the department of employment security when the release is:

(1) Required by the federal government in connection with, or as a condition of funding for, a program being administered by the department; or

(2) Requested by a county clerk for the purposes of RCW 9.94A.760.

The provisions of RCW 50.13.060 (1) (a), (b) and (c) will not apply to such release."

SSB 5436 Prime Sponsor, Senate Committee on Education: Regarding foods and beverages sold at public schools. Reported by Committee on Education

MAJORITY recommendation: Do pass as amended:

Strike everything after the enacting clause and insert the following:

"**NEW SECTION. Sec. 1.** (1) The legislature finds:

(a) Childhood obesity has reached epidemic levels in Washington and throughout the nation. Nearly one in five Washington adolescents in grades nine through twelve were recently found to be either overweight or at risk of being overweight;

(b) Overweight and obese children are at higher risk for developing severe long-term health problems, including but not limited to Type 2 diabetes, cardiovascular disease, high blood pressure, and certain cancers;

(c) Overweight youth also are often affected by discrimination, psychological stress, and low self-esteem;

(d) Obesity and subsequent diseases are largely preventable through diet and regular physical activity;

(e) A child who has eaten a well-balanced meal and is healthy is more likely to be prepared to learn in the classroom;

(f) Encouraging adolescents to adopt healthy lifelong eating habits can increase their productivity and reduce their risk of dying prematurely;

(g) Frequent eating of carbohydrate-rich foods or drinking sweet liquids throughout the day increases a child's risk for dental decay, the most common chronic childhood disease;

(h) Schools are a logical place to address the issue of obesity in children and adolescents; and

(i) Increased emphasis on physical activity at all grade levels is essential to enhancing the well-being of Washington's youth.

(2) While the United States department of agriculture regulates the nutritional content of meals sold in schools under its school breakfast and lunch program, limited standards are in place to regulate "competitive foods," which may be high in added sugars, sodium, and saturated fat content. However, the United States department of agriculture does call for states and local entities to add restrictions on competitive foods, as necessary.

NEW SECTION. Sec. 2. (1) Consistent with the essential academic learning requirements for health and fitness, including nutrition, the Washington state school directors association, with the assistance of the office

of the superintendent of public instruction, the department of health, and the Washington alliance for health, physical education, recreation and dance, shall convene an advisory committee to develop a model policy regarding access to nutritious foods, opportunities for developmentally appropriate exercise, and accurate information related to these topics. The policy shall address the nutritional content of foods and beverages, including fluoridated bottled water, sold or provided throughout the school day or sold in competition with the federal school breakfast and lunch program and the availability and quality of health, nutrition, and physical education and fitness curriculum. The model policy should include the development of a physical education and fitness curriculum for students. For middle school students, physical education and fitness curriculum means a daily period of physical activity, a minimum of twenty minutes of which is aerobic activity in the student's target heart rate zone, which includes instruction and practice in basic movement and fine motor skills, progressive physical fitness, athletic conditioning, and nutrition and wellness instruction through age-appropriate activities.

(2) The school directors association shall submit the model policy and recommendations on the related issues, along with a recommendation for local adoption, to the governor and the legislature and shall post the model policy on its web site by January 1, 2005.

(3) Each district's board of directors shall establish its own policy by August 1, 2005."

E2SSB 5533 Prime Sponsor, Senate Committee on Education: Providing increased access to information on disciplinary actions taken against school employees. Reported by Committee on Education

MAJORITY recommendation: Do pass as amended:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The legislature recognizes that state law requires criminal background checks of applicants for school district employment. However, the legislature finds that, because they generally are limited to criminal conviction histories, results of background checks are more complete when supplemented by an applicant's history of past sexual misconduct. Therefore, the legislature finds that additional safeguards are necessary in the hiring of school district employees to ensure the safety of Washington's school children. In order to provide the safest educational environment for children, school districts must provide known information regarding employees' sexual misconduct when those employees attempt to transfer to different school districts.

NEW SECTION. Sec. 2. A new section is added to chapter 28A.400 RCW to read as follows:

(1) The definitions in this subsection apply throughout this section unless the context clearly requires otherwise.

(a) "Applicant" means an applicant for employment in a certificated or classified position who is currently or was previously employed by a school district.

(b) "Employer" means a school district employer.

(2) Before hiring an applicant, a school district shall request the applicant to sign a statement:

(a) Authorizing the applicant's current and past employers to disclose to the hiring school district sexual misconduct, if any, by the applicant and making available to the hiring school district copies of all documents in the previous employer's personnel, investigative, or other files relating to sexual misconduct by the applicant; and

(b) Releasing the applicant's current and past employers, and employees acting on behalf of that employer, from any liability for providing information described in (a) of this subsection, as provided in subsection (4) of this section.

(3) Before hiring an applicant, a school district shall request in writing, electronic or otherwise, the applicant's current and past employers to provide the information described in subsection (2)(a) of this section, if any. The request shall include a copy of the statement signed by the applicant under subsection (2) of this section.

(4) Not later than twenty business days after receiving a request under subsection (3) of this section, a school district shall provide the information requested and make available to the requesting school district copies of all documents in the applicant's personnel record relating to the sexual misconduct. The school district, or an

employee acting on behalf of the school district, who in good faith discloses information under this section is immune from civil liability for the disclosure.

(5) A hiring district shall request from the office of the superintendent of public instruction verification of certification status, including information relating to sexual misconduct as established by the provisions of subsection (11) of this section, if any, for applicants for certificated employment.

(6) A school district shall not hire an applicant who does not sign the statement described in subsection (2) of this section.

(7) School districts may employ applicants on a conditional basis pending the district's review of information obtained under this section.

(8) Information received under this section shall be used by a school district only for the purpose of evaluating an applicant's qualifications for employment in the position for which he or she has applied. Except as otherwise provided by law, a board member or employee of a school district shall not disclose the information to any person, other than the applicant, who is not directly involved in the process of evaluating the applicant's qualifications for employment. A person who violates this subsection is guilty of a misdemeanor.

(9) Beginning September 1, 2004, the board or an official of a school district shall not enter into a collective bargaining agreement, individual employment contract, resignation agreement, severance agreement, or any other contract or agreement that has the effect of suppressing information about verbal or physical abuse or sexual misconduct by a present or former employee or of expunging information about that abuse or sexual misconduct from any documents in the previous employer's personnel, investigative, or other files relating to verbal or physical abuse or sexual misconduct by the applicant. Any provision of a contract or agreement that is contrary to this subsection is void and unenforceable, and may not be withheld from disclosure by the entry of any administrative or court order. This subsection does not restrict the expungement from a personnel file of information about alleged verbal or physical abuse or sexual misconduct that has not been substantiated.

(10) This section does not prevent a school district from requesting or requiring an applicant to provide information other than that described in this section.

(11) By September 1, 2004, the state board of education has the authority to and shall adopt rules defining "verbal abuse," "physical abuse," and "sexual misconduct" as used in this section for application to all classified and certificated employees. The definitions of verbal and physical abuse and sexual misconduct adopted by the state board of education must include the requirement that the school district has made a determination that there is sufficient information to conclude that the abuse or misconduct occurred and that the abuse or misconduct resulted in the employee's leaving his or her position at the school district.

(12) Except as limited by chapter 49.12 RCW, at the conclusion of a school district's investigation, a school employee has the right to review his or her entire personnel file, investigative file, or other file maintained by the school district relating to sexual misconduct as addressed in this section and to attach rebuttals to any documents as the employee deems necessary. Rebuttal documents shall be disclosed in the same manner as the documents to which they are attached. The provisions of this subsection do not supercede the protections provided individuals under the state whistleblower laws in chapter 42.41 RCW.

NEW SECTION. Sec. 3. A new section is added to chapter 28A.320 RCW to read as follows:

School districts must, at the first opportunity but in all cases within forty-eight hours of receiving a report alleging sexual misconduct by a school employee, notify the parents of a student alleged to be the victim, target, or recipient of the misconduct. School districts shall provide parents with information regarding their rights under the Washington public disclosure act, chapter 42.17 RCW, to request the public records regarding school employee discipline. This information shall be provided to all parents on an annual basis.

NEW SECTION. Sec. 4. A new section is added to chapter 28A.410 RCW to read as follows:

For the purposes of reporting disciplinary actions taken against certificated staff to other states via a national data base used by the office of the superintendent of public instruction, the following actions shall be reported: Suspension, surrender, revocation, denial, stayed suspension, reinstatement, and any written reprimand related to abuse and sexual misconduct. These actions will only be reported to the extent that they are accepted by the national clearinghouse, but if there are categories not included, the office of the superintendent of public instruction shall seek modification to the national clearinghouse format."

On page 1, line 2 of the title, after "employees;" strike the remainder of the title and insert "adding a new section to chapter 28A.400 RCW; adding a new section to chapter 28A.320 RCW; adding a new section to chapter 28A.410 RCW; creating a new section; and prescribing penalties."

2ESSB 5536 Prime Sponsor, Senate Committee on Judiciary: Resolving claims relating to condominium construction. Reported by Committee on Judiciary

MAJORITY recommendation: Do pass as amended:

Strike everything after the enacting clause and insert the following:

"**NEW SECTION. Sec. 1.** A new section is added to chapter 64.34 RCW to read as follows:

(1) The legislature finds, declares, and determines that:

(a) Washington's cities and counties under the growth management act are required to encourage urban growth in urban growth areas at densities that accommodate twenty-year growth projections;

(b) One of the growth management act's planning goals is to encourage the availability of affordable housing for all residents of the state and promote a variety of housing types;

(c) Quality condominium construction needs to be encouraged to achieve growth management act mandated urban densities and ensure that residents of the state, particularly in urban growth areas, have a broad range of ownership choices.

(2) It is the intent of the legislature that this act implement changes in the condominium act that encourage insurance carriers to provide liability insurance for condominium builders by: Providing for arbitration of disputes; ensuring that material facts and claims are presented as fully as possible in arbitration proceedings; confining judicial review of arbitration decisions to the arbitration record, except in very limited circumstances; requiring mandatory arbitration of disputes involving construction defects; and eliminating litigation over minor or insignificant problems, while continuing to protect consumers' legitimate claims regarding condominium construction.

(3) It is the further intent of the legislature that these changes in the condominium act ensure that a broad range of affordable homeownership opportunities continue to be available to the residents of the state and also assist cities' and counties' efforts to achieve the density mandates of the growth management act.

Sec. 2. RCW 64.34.100 and 1989 c 43 s 1-113 are each amended to read as follows:

(1) The remedies provided by this chapter shall be liberally administered to the end that the aggrieved party is put in as good a position as if the other party had fully performed. However, consequential, special, or punitive damages may not be awarded except as specifically provided in this chapter or by other rule of law.

(2) Any right or obligation declared by this chapter is enforceable by arbitration or judicial proceeding. Arbitration may be provided for in the declaration or by agreement of the parties. However, claims under RCW 64.34.443, 64.34.445, or 64.34.450 shall be subject to mandatory arbitration as set forth in this section. In any arbitration of claims under RCW 64.34.443, 64.34.445, or 64.34.450, the arbitrator may award reasonable attorneys' fees to the substantially prevailing party as set forth in this section.

(3) Mandatory arbitration for claims under RCW 64.34.443, 64.34.445, or 64.34.450 shall comply with the following minimum standards:

(a) All disputes shall be heard by one qualified arbitrator, unless the parties agree that three arbitrators shall be used. When three arbitrators are used, one shall be appointed by each of the disputing parties and the first two arbitrators shall appoint the third, who will chair the panel. If, within thirty days, the parties fail to agree on an arbitrator or the required number of arbitrators fail to be appointed, then an arbitrator shall be appointed by the presiding judge of the superior court of the county in which the condominium is located under RCW 7.04.050;

(b) An arbitrator must be a lawyer, retired judge, or have experience with construction and engineering standards and practices, written construction warranties, or construction dispute resolution and a person shall not serve as an arbitrator in any arbitration in which that person has any financial or personal interest;

(c) The arbitration hearing must be conducted in a manner that permits full, fair, and expeditious presentation of the case by both parties. The arbitrator shall be bound by the law of Washington state. Parties may be, but are not required to be, represented by attorneys. The arbitrator may permit discovery to ensure a fair hearing but may limit the scope or manner of discovery for good cause to avoid excessive delay and costs to the parties. Unless the parties agree otherwise or the arbitrator grants an extension for good cause, the arbitration hearing shall be completed within six months of the service of the list of defects in accordance with RCW 64.50.030;

(d) Except as otherwise set forth in this section, arbitration shall be conducted under chapter 7.04 RCW, unless the parties elect to use the condominium or construction dispute resolution rules of the American arbitration association, which are permitted to the extent not inconsistent with this section. The expenses of witnesses including expert witnesses shall be paid by the party producing the witnesses. Each party shall pay its own reasonable attorneys' fees unless the parties agree otherwise or unless the arbitrator awards reasonable attorneys' fees or any part thereof to any specified party or parties. All other expenses of arbitration shall be

borne equally by the parties, unless they agree otherwise or unless the arbitrator awards such expenses or any part thereof to any specified party or parties; and

(e) Filing of a demand for arbitration commences an arbitration for purposes of RCW 64.34.452.

(4) Within twenty days after the arbitration decision and award is served on the parties, any aggrieved party may file with the clerk of the superior court in which the condominium is located a written notice of appeal and request for a trial in the superior court. Such a trial shall thereupon be held and shall include a right to a jury, if demanded. Such a trial shall be commenced on an expedited schedule within ninety days of the filing of the notice of appeal.

(a) Judicial review of an arbitration decision and award shall be confined to the record created by the arbitrator, except that, upon order of the court, the record may be supplemented by additional evidence or claim only if the additional evidence or claim relates to:

(i) Claims for disqualification of an arbitrator, when such claims were unknown to the appealing party at the time of arbitration;

(ii) Claims regarding matters that were improperly excluded from the arbitration record after being offered by the appealing party;

(iii) Claims regarding matters that were outside the jurisdiction of the arbitrator; or

(iv) Material facts regarding claims that have been arbitrated and that: (A) Were unknown at the time of the arbitration hearing by the party proposing their introduction where such a lack of knowledge was not the result of the party's prior refusal or failure to exercise reasonable diligence in the investigation of its claims or defenses; and (B) could not have been reasonably discovered at the time of arbitration where the failure to discover was not intentional or due to inexcusable neglect.

(b) Except when the court has authorized the record to be supplemented under this subsection (4), the parties may not conduct pretrial discovery. When pretrial discovery is permitted, the court shall, in its order regarding supplementing the record, establish the scope, timing, and extent of permissible discovery and shall require the moving party to disclose before trial the specific additional evidence they intend to offer.

(c) Offers of compromise and the assessment of costs and reasonable attorneys' fees shall be governed by RCW 7.06.050 and 7.06.060.

(d) The arbitration decision shall be in writing and must set forth findings of fact and conclusions of law that support the decision.

(e) Unless the parties agree otherwise, a complete verbatim record of the arbitration hearing shall be maintained that includes all exhibits offered by the parties. Video recording of the arbitration hearing is permissible only with the consent of the parties.

(f) Within forty-five days after entry of an order to submit the record, or within such other time as the court allows or as the parties agree, the arbitrator shall submit to the court a certified copy of the record for judicial review of the decision, except that the petitioner shall prepare at the petitioner's expense and submit the verbatim hearing record required under (e) of this subsection. If the parties agree, or upon order of the court, the record shall be shortened or summarized to avoid reproduction and transcription of portions of the record that are duplicative or not relevant to the issues to be reviewed by the court. The petitioner shall pay the arbitrator the cost of preparing the record before the arbitrator submits the record to the court. Failure by the petitioner to timely pay the arbitrator relieves the arbitrator of responsibility to submit the record and is grounds for dismissal of the petition. If the relief sought by the petitioner is granted in whole or in part, the court shall equitably assess the costs of preparing the record among the parties. In assessing costs, the court shall take into account the extent to which each party prevailed and the reasonableness of the parties' conduct in agreeing or not agreeing to shorten or summarize the record under this subsection (4)(f).

(g) Unless the parties agree otherwise, an appeal of an arbitrator's decision is an appeal of the full and complete decision.

SSB 5733 Prime Sponsor, Senate Committee on Health & Long-Term Care: Improving fairness and protection in boarding homes and adult family homes. Reported by Committee on Health Care

MAJORITY recommendation: Do pass as amended:

Strike everything after the enacting clause and insert the following:

"**Sec. 1.** RCW 18.20.050 and 2003 c 231 s 4 are each amended to read as follows:

Upon receipt of an application for license, if the applicant and the boarding home facilities meet the requirements established under this chapter, the department shall issue a license. If there is a failure to comply with the provisions of this chapter or the standards and rules adopted pursuant thereto, the department may in its discretion issue to an applicant for a license, or for the renewal of a license, a provisional license which will permit the operation of the boarding home for a period to be determined by the department, but not to exceed twelve months, which provisional license shall not be subject to renewal. The department may also place conditions on the license under RCW 18.20.190. At the time of the application for or renewal of a license or provisional license the licensee shall pay a license fee as established by the department under RCW 43.20B.110. All licenses issued under the provisions of this chapter shall expire on a date to be set by the department, but no license issued pursuant to this chapter shall exceed twelve months in duration. However, when the annual license renewal date of a previously licensed boarding home is set by the department on a date less than twelve months prior to the expiration date of a license in effect at the time of reissuance, the license fee shall be prorated on a monthly basis and a credit be allowed at the first renewal of a license for any period of one month or more covered by the previous license. All applications for renewal of a license shall be made not later than thirty days prior to the date of expiration of the license. Each license shall be issued only for the premises and persons named in the application, and no license shall be transferable or assignable. Licenses shall be posted in a conspicuous place on the licensed premises.

A licensee who receives notification of the department's initiation of a denial, suspension, nonrenewal, or revocation of a boarding home license may, in lieu of appealing the department's action, surrender or relinquish the license. The department shall not issue a new license to or contract with the licensee, for the purposes of providing care to vulnerable adults or children, for a period of twenty years following the surrendering or relinquishment of the former license. The licensing record shall indicate that the licensee relinquished or surrendered the license, without admitting the violations, after receiving notice of the department's initiation of a denial, suspension, nonrenewal, or revocation of a license.

The department shall establish, by rule, the circumstances requiring a change in licensee, which include, but are not limited to, a change in ownership or control of the boarding home or licensee, a change in the licensee's form of legal organization, such as from sole proprietorship to partnership or corporation, and a dissolution or merger of the licensed entity with another legal organization. The new licensee is subject to the provisions of this chapter, the rules adopted under this chapter, and other applicable law. In order to ensure that the safety of residents is not compromised by a change in licensee, the new licensee is responsible for correction of all violations that may exist at the time of the new license, including compliance with any plan of correction in effect immediately prior to the change in licensee. If any person affiliated with the new licensee was affiliated with a prior licensee at the same boarding home, then the prior licensee's compliance and enforcement record becomes part of the new licensee's record at the boarding home. A person is considered affiliated with a licensee if the person is an applicant for the boarding home license, or is listed on the license application as a partner, officer, director, managerial employee, or majority owner of the applying entity.

Sec. 2. RCW 18.20.110 and 2003 c 280 s 1 are each amended to read as follows:

The department shall make or cause to be made, at least every eighteen months with an annual average of fifteen months, an inspection and investigation of all boarding homes. However, the department may delay an inspection to twenty-four months if the boarding home has had three consecutive inspections with no written notice of violations and has received no written notice of violations resulting from complaint investigation during that same time period. The department may at anytime make an unannounced inspection of a licensed home to

assure that the licensee is in compliance with this chapter and the rules adopted under this chapter. Every inspection shall focus primarily on actual or potential resident outcomes, and may include an inspection of every part of the premises and an examination of all records (other than financial records, which may be examined when the department has reasonable cause to believe financial obligations related to resident care or services will not be met, or to investigate an allegation of financial exploitation of a resident), methods of administration, the general and special dietary, and the stores and methods of supply. Following such an inspection or inspections, written notice of any violation of this law or the rules adopted hereunder shall be given to the applicant or licensee and the department. The department may prescribe by rule that any licensee or applicant desiring to make specified types of alterations or additions to its facilities or to construct new facilities shall, before commencing such alteration, addition, or new construction, submit plans and specifications (~~therefor~~) to the agencies responsible for plan reviews for preliminary inspection and approval or recommendations with respect to compliance with the rules and standards herein authorized.

Sec. 3. RCW 70.128.060 and 2001 c 193 s 9 are each amended to read as follows:

(1) An application for license shall be made to the department upon forms provided by it and shall contain such information as the department reasonably requires.

(2) Subject to the provisions of this section, the department shall issue a license to an adult family home if the department finds that the applicant and the home are in compliance with this chapter and the rules adopted under this chapter, unless (a) the applicant or a person affiliated with the applicant has prior violations of this chapter relating to the adult family home subject to the application or any other adult family home, or of any other law regulating residential care facilities within the past five years that resulted in revocation, suspension, or nonrenewal of a license or contract with the department; or (b) the applicant or a person affiliated with the applicant has a history of significant noncompliance with federal, state, or local laws, rules, or regulations relating to the provision of care or services to vulnerable adults or to children. A person is considered affiliated with an applicant if the person is listed on the license application as a partner, officer, director, resident manager, or majority owner of the applying entity.

(3) The license fee shall be submitted with the application.

(4) The department shall serve upon the applicant a copy of the decision granting or denying an application for a license. An applicant shall have the right to contest denial of his or her application for a license as provided in chapter 34.05 RCW by requesting a hearing in writing within twenty-eight days after receipt of the notice of denial.

(5) The department shall not issue a license to a provider if the department finds that the provider or any partner, officer, director, managerial employee, or majority owner (~~of five percent or more~~) if the provider has a history of significant noncompliance with federal or state regulations, rules, or laws in providing care or services to vulnerable adults or to children.

(6) The department shall license an adult family home for the maximum level of care that the adult family home may provide. The department shall define, in rule, license levels based upon the education, training, and caregiving experience of the licensed provider or staff.

(7) The department shall establish, by rule, standards used to license nonresident providers and multiple facility operators.

(8) The department shall establish, by rule, for multiple facility operators educational standards substantially equivalent to recognized national certification standards for residential care administrators.

(9) The license fee shall be set at fifty dollars per year for each home. A fifty dollar processing fee shall also be charged each home when the home is initially licensed.

(10) A provider who receives notification of the department's initiation of a denial, suspension, nonrenewal, or revocation of an adult family home license may, in lieu of appealing the department's action, surrender or relinquish the license. The department shall not issue a new license to or contract with the provider, for the purposes of providing care to vulnerable adults or children, for a period of twenty years following the surrendering or relinquishment of the former license. The licensing record shall indicate that the provider relinquished or surrendered the license, without admitting the violations, after receiving notice of the department's initiation of a denial, suspension, nonrenewal, or revocation of a license.

(11) The department shall establish, by rule, the circumstances requiring a change in the licensed provider, which include, but are not limited to, a change in ownership or control of the adult family home or provider, a change in the provider's form of legal organization, such as from sole proprietorship to partnership or corporation, and a dissolution or merger of the licensed entity with another legal organization. The new provider is subject to the provisions of this chapter, the rules adopted under this chapter, and other applicable law. In order to ensure that the safety of residents is not compromised by a change in provider, the new provider is responsible for correction of all violations that may exist at the time of the new license, including compliance with any plan of correction in effect immediately prior to the change in provider. If any person affiliated with the new provider was affiliated with a prior provider at the same adult family home, then the prior provider's compliance and enforcement record becomes part of the new provider's record at the adult family home.

Sec. 4. RCW 18.20.120 and 2000 c 47 s 5 are each amended to read as follows:

All information received by the department through filed reports, inspections, or as otherwise authorized under this chapter (~~(shall not be disclosed publicly in any manner as to identify individuals or boarding homes, except at the specific request of a member of the public and disclosure is)~~), or used by the department in connection with this chapter, is subject to public records disclosure consistent with RCW 42.17.260(1).

Sec. 5. RCW 18.20.125 and 2003 c 231 s 5 are each amended to read as follows:

(1) Inspections must be outcome based and responsive to resident complaints and based on a clear set of health, quality of care, and safety standards that are easily understandable and have been made available to facilities, residents, and other interested parties. This includes that when conducting licensing inspections, the department shall interview an appropriate percentage of residents, family members, and advocates in addition to interviewing appropriate staff. At the conclusion of the on-site license inspection, the department shall conduct an exit meeting at the facility to explain the department's preliminary findings and to provide the facility and the resident council, or other representatives of the residents, the opportunity to provide clarifying information.

(2) Prompt and specific enforcement remedies shall also be implemented without delay, consistent with RCW 18.20.190, for facilities found to have delivered care or failed to deliver care resulting in problems that are serious, recurring, or uncorrected, or that create a hazard that is causing or likely to cause death or serious harm to one or more residents. These enforcement remedies may also include, when appropriate, reasonable conditions on a license. In the selection of remedies, the safety, health, and well-being of residents shall be of paramount importance.

(3) To the extent funding is available, the licensee, administrator, and their staff should be screened through background checks in a uniform and timely manner to ensure that they do not have a criminal history that would disqualify them from working with vulnerable adults. Employees may be provisionally hired pending the results of the background check if they have been given three positive references.

(4) No licensee, administrator, or staff, or prospective licensee, administrator, or staff, with a stipulated finding of fact, conclusion of law, and agreed order, or finding of fact, conclusion of law, or final order issued by a disciplining authority, a court of law, or entered into the state registry finding him or her guilty of abuse, neglect, exploitation, or abandonment of a minor or a vulnerable adult as defined in chapter 74.34 RCW shall be employed in the care of and have unsupervised access to vulnerable adults.

Sec. 6. RCW 18.20.195 and 2001 c 193 s 7 are each amended to read as follows:

(1) The licensee or its designee has the right to an informal dispute resolution process to dispute any violation found or enforcement remedy imposed by the department during a licensing inspection or complaint investigation. The purpose of the informal dispute resolution process is to provide an opportunity for an exchange of information that may lead to the modification, deletion, or removal of a violation, or parts of a violation, or enforcement remedy imposed by the department. If the dispute concerns a complaint investigation, the complainant shall be given the opportunity to provide the department with clarifying information before the department reaches a decision. If the dispute concerns a licensing inspection, the resident council or other representatives of the residents shall be given the opportunity to provide the department with clarifying information before the department reaches a decision.

(2) The informal dispute resolution process provided by the department shall include, but is not necessarily limited to, an opportunity for review by a department employee who did not participate in, or oversee, the determination of the violation or enforcement remedy under dispute. The department shall develop, or further develop, an informal dispute resolution process consistent with this section.

(3) A request for an informal dispute resolution shall be made to the department within ten working days from the receipt of a written finding of a violation or enforcement remedy. The request shall identify the violation or violations and enforcement remedy or remedies being disputed. The department shall convene a meeting, when possible, within ten working days of receipt of the request for informal dispute resolution, unless by mutual agreement a later date is agreed upon.

(4) If the department determines that a violation or enforcement remedy should not be cited or imposed, the department shall delete the violation or immediately rescind or modify the enforcement remedy. If the department determines that a violation should have been cited or an enforcement remedy imposed, the department shall add the citation and enforcement remedy. Upon request, the department shall issue a clean copy of the revised report, statement of deficiencies, or notice of enforcement action.

(5) The request for informal dispute resolution does not delay the effective date of any enforcement remedy imposed by the department, except that civil monetary fines are not payable until the exhaustion of any formal hearing and appeal rights provided under this chapter. The licensee shall submit to the department, within the time period prescribed by the department, a plan of correction to address any undisputed violations, and including any violations that still remain following the informal dispute resolution.

Sec. 7. RCW 74.39A.050 and 2000 c 121 s 10 are each amended to read as follows:

The department's system of quality improvement for long-term care services shall use the following principles, consistent with applicable federal laws and regulations:

(1) The system shall be client-centered and promote privacy, independence, dignity, choice, and a home or home-like environment for consumers consistent with chapter 392, Laws of 1997.

(2) The goal of the system is continuous quality improvement with the focus on consumer satisfaction and outcomes for consumers. This includes that when conducting licensing or contract inspections, the department shall interview an appropriate percentage of residents, family members, resident case managers, and advocates in addition to interviewing providers and staff. At the conclusion of the on-site license or contract inspection, the department shall conduct an exit conference at the facility to explain the department's preliminary findings and to provide the facility and residents or their representatives the opportunity to provide clarifying information.

(3) Providers should be supported in their efforts to improve quality and address identified problems initially through training, consultation, technical assistance, and case management.

(4) The emphasis should be on problem prevention both in monitoring and in screening potential providers of service.

(5) Monitoring should be outcome based and responsive to consumer complaints and based on a clear set of health, quality of care, and safety standards that are easily understandable and have been made available to providers, residents, and other interested parties.

(6) Prompt and specific enforcement remedies shall also be implemented without delay, pursuant to RCW 74.39A.080, RCW 70.128.160, chapter 18.51 RCW, or chapter 74.42 RCW, for providers found to have delivered care or failed to deliver care resulting in problems that are serious, recurring, or uncorrected, or that create a hazard that is causing or likely to cause death or serious harm to one or more residents. These enforcement remedies may also include, when appropriate, reasonable conditions on a contract or license. In the selection of remedies, the safety, health, and well-being of residents shall be of paramount importance.

(7) To the extent funding is available, all long-term care staff directly responsible for the care, supervision, or treatment of vulnerable persons should be screened through background checks in a uniform and timely manner to ensure that they do not have a criminal history that would disqualify them from working with vulnerable persons. Whenever a state conviction record check is required by state law, persons may be employed or engaged as volunteers or independent contractors on a conditional basis according to law and rules adopted by the department.

(8) No provider or staff, or prospective provider or staff, with a stipulated finding of fact, conclusion of law, an agreed order, or finding of fact, conclusion of law, or final order issued by a disciplining authority, a court of law, or entered into a state registry finding him or her guilty of abuse, neglect, exploitation, or abandonment of a minor or a vulnerable adult as defined in chapter 74.34 RCW shall be employed in the care of and have unsupervised access to vulnerable adults.

(9) The department shall establish, by rule, a state registry which contains identifying information about personal care aides identified under this chapter who have substantiated findings of abuse, neglect, financial exploitation, or abandonment of a vulnerable adult as defined in RCW 74.34.020. The rule must include disclosure, disposition of findings, notification, findings of fact, appeal rights, and fair hearing requirements. The department shall disclose, upon request, substantiated findings of abuse, neglect, financial exploitation, or abandonment to any person so requesting this information.

(10) The department shall by rule develop training requirements for individual providers and home care agency providers. Effective March 1, 2002, individual providers and home care agency providers must satisfactorily complete department-approved orientation, basic training, and continuing education within the time period specified by the department in rule. The department shall adopt rules by March 1, 2002, for the implementation of this section based on the recommendations of the community long-term care training and education steering committee established in RCW 74.39A.190. The department shall deny payment to an individual provider or a home care provider who does not complete the training requirements within the time limit specified by the department by rule.

(11) In an effort to improve access to training and education and reduce costs, especially for rural communities, the coordinated system of long-term care training and education must include the use of innovative types of learning strategies such as internet resources, videotapes, and distance learning using satellite technology coordinated through community colleges or other entities, as defined by the department.

(12) The department shall create an approval system by March 1, 2002, for those seeking to conduct department-approved training. In the rule-making process, the department shall adopt rules based on the recommendations of the community long-term care training and education steering committee established in RCW 74.39A.190.

(13) The department shall establish, by rule, training, background checks, and other quality assurance requirements for personal aides who provide in-home services funded by medicaid personal care as described in RCW 74.09.520, community options program entry system waiver services as described in RCW 74.39A.030, or chore services as described in RCW 74.39A.110 that are equivalent to requirements for individual providers.

(14) Under existing funds the department shall establish internally a quality improvement standards committee to monitor the development of standards and to suggest modifications.

(15) Within existing funds, the department shall design, develop, and implement a long-term care training program that is flexible, relevant, and qualifies towards the requirements for a nursing assistant

certificate as established under chapter 18.88A RCW. This subsection does not require completion of the nursing assistant certificate training program by providers or their staff. The long-term care teaching curriculum must consist of a fundamental module, or modules, and a range of other available relevant training modules that provide the caregiver with appropriate options that assist in meeting the resident's care needs. Some of the training modules may include, but are not limited to, specific training on the special care needs of persons with developmental disabilities, dementia, mental illness, and the care needs of the elderly. No less than one training module must be dedicated to workplace violence prevention. The nursing care quality assurance commission shall work together with the department to develop the curriculum modules. The nursing care quality assurance commission shall direct the nursing assistant training programs to accept some or all of the skills and competencies from the curriculum modules towards meeting the requirements for a nursing assistant certificate as defined in chapter 18.88A RCW. A process may be developed to test persons completing modules from a caregiver's class to verify that they have the transferable skills and competencies for entry into a nursing assistant training program. The department may review whether facilities can develop their own related long-term care training programs. The department may develop a review process for determining what previous experience and training may be used to waive some or all of the mandatory training. The department of social and health services and the nursing care quality assurance commission shall work together to develop an implementation plan by December 12, 1998."

SB 5869 Prime Sponsor, Senator T. Sheldon: Authorizing nonprofit corporations to participate in self-insurance risk pools. Reported by Committee on Financial Institutions & Insurance

MAJORITY recommendation: Do pass as amended:

Strike everything after the enacting clause and insert the following:

"**NEW SECTION. Sec. 1.** The legislature finds that recent increases in property and liability insurance premiums experienced by some nonprofit organizations have the potential to negatively impact the ability of these organizations to continue to offer the level of service they provide in our communities. The legislature finds that nonprofit organizations are distinct from private for-profit businesses. By their very nature, nonprofit organizations are formed for purposes other than generating a profit, and are restricted from distributing any part of the organization's income to its directors or officers. Because of these characteristics, nonprofit organizations provide a unique public good to the residents in our state.

The legislature finds that in order to sustain the financial viability of nonprofit organizations, they should be provided with alternative options for insuring against risks. The legislature further finds that local government entities and nonprofit organizations share the common goal of providing services beneficial to the public interest. The legislature finds that allowing nonprofit organizations and local government entities to pool risk in self-insurance risk pools may be of mutual benefit for both types of entities. Therefore, it is the intent of the legislature to allow nonprofit organizations to form or participate in self-insurance risk pools with other nonprofit organizations or with local government entities where authority for such risk pooling arrangements does not currently exist in state or federal law.

Sec. 2. RCW 48.62.021 and 2002 c 332 s 24 are each amended to read as follows:

Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

(1) "Local government entity" or "entity" means every unit of local government, both general purpose and special purpose, and includes, but is not limited to, counties, cities, towns, port districts, public utility districts, water-sewer districts, school districts, fire protection districts, irrigation districts, metropolitan municipal corporations, conservation districts, and other political subdivisions, governmental subdivisions, municipal corporations, and quasi-municipal corporations.

(2) "Risk assumption" means a decision to absorb the entity's financial exposure to a risk of loss without the creation of a formal program of advance funding of anticipated losses.

(3) "Self-insurance" means a formal program of advance funding and management of entity financial exposure to a risk of loss that is not transferred through the purchase of an insurance policy or contract.

(4) "Health and welfare benefits" means a plan or program established by a local government entity or entities for the purpose of providing its employees and their dependents, and in the case of school districts, its district employees, students, directors, or any of their dependents, with health care, accident, disability, death, and salary protection benefits.

(5) "Property and liability risks" includes the risk of property damage or loss sustained by a local government entity and the risk of claims arising from the tortious or negligent conduct or any error or omission of the local government entity, its officers, employees, agents, or volunteers as a result of which a claim may be made against the local government entity.

(6) "State risk manager" means the risk manager of the risk management division within the office of financial management.

(7) "Nonprofit corporation" or "corporation" has the same meaning as defined in RCW 24.03.005(3).

NEW SECTION. Sec. 3. A new section is added to chapter 48.62 RCW to read as follows:

(1) A nonprofit corporation may form or join a self-insurance risk pool with one or more nonprofit corporations or with a local government entity or entities for property and liability risks.

(2) A nonprofit corporation that participates in or forms a self-insurance risk pool with one or more nonprofit corporations or with a local government entity or entities, as provided in subsection (1) of this section, is subject to the same rules and regulations that apply to a local government entity or entities under this chapter.

(3) This section does not apply to a nonprofit corporation that:

(a) Individually self-insures for property and liability risks;

(b) Participates in a risk pooling arrangement, including a risk retention group or a risk purchasing group, regulated under chapter 48.92 RCW, or is a captive insurer authorized in its state of domicile; or

(c) Is a hospital licensed under chapter 70.41 RCW or an entity owned, operated, controlled by, or affiliated with such a hospital that participates in a self-insurance risk pool or other risk pooling arrangement, unless the self-insurance pool or other risk pooling arrangement for property and liability risks includes a local government entity."

2SSB 5914 Prime Sponsor, Senate Committee on Ways & Means: Studying potential higher education opportunities in Vancouver. Reported by Committee on Higher Education

MAJORITY recommendation: Do pass as amended:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The legislature recognizes that southwest Washington continues to be the fastest-growing region in the state and is successfully attracting a wide array of corporations and businesses vital to the future expansion of the economy of the region and the entire state. The legislature also recognizes that southwest Washington is the largest urban area in the state without access to an in-state, public four-year institution of higher education. However, the legislature finds that other areas of the state could also potentially benefit educationally and economically from expanded baccalaureate and graduate education opportunities. With increased demand and limited resources to provide such expansion, the legislature finds it necessary to examine thoroughly and objectively the prospect of creating additional educational opportunities not only in southwest Washington but also in other underserved areas of the state.

NEW SECTION. Sec. 2. (1) The Washington state institute for public policy shall develop evaluation criteria and identify data necessary to study the feasibility of creating additional public baccalaureate and graduate education opportunities in underserved areas of the state. The criteria must be rigorous, objective, and applicable to various regions of the state. The study methodology must include consultation with community leaders. The criteria must include but not be limited to the following:

- (a) A detailed regional analysis of student demand and supply of degree programs from existing higher education institutions;
 - (b) Population and demographic projections for a region;
 - (c) Potential regional economic development, including types of businesses and employers and their educational and work force training needs;
 - (d) Evaluation of alternative models of providing baccalaureate and professional graduate education in a region, including expanding existing partnerships between community and technical colleges and four-year institutions;
 - (e) Examination of the possible role and mission of new or modified higher education institutions in a region, including the possibility of an innovative combination of instruction and research suitable for meeting a region's needs for access as well as support the expansion of a region's economic viability;
 - (f) Analysis of short and long-term operating and capital costs; and
 - (g) A balance between local or regional interests and statewide needs.
- (2) Once the evaluation criteria, data, and methodology have been developed, the institute shall conduct the first feasibility study in southwest Washington.
- (3) The institute shall submit its findings from the first feasibility study to the higher education and fiscal committees of the senate and house of representatives by December 15, 2004.

NEW SECTION. Sec. 3. If specific funding for the purposes of this act, referencing this act by bill or chapter number, is not provided by June 30, 2004, in the omnibus appropriations act, this act is null and void."

MAJORITY recommendation: Do pass as amended:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. (1) The legislature finds that:

(a) The proper collection and review of credible water quality data is necessary to ensure compliance with the requirements of the federal clean water act (33 U.S.C. Sec. 1251 et seq.);

(b) The state needs to assemble and evaluate all existing and readily available water quality-related data and information from sources other than the state water quality agency, such as federal agencies, tribes, universities, and volunteer monitoring groups, if the data meets the state's requirements for data quality; and

(c) Developing and implementing water quality protection measures based on credible water quality data ensures that the financial resources of state and local governments and regulated entities are prioritized to address our state's most important water quality issues.

(2) The legislature intends to ensure that credible water quality data is used as the basis for the assessment of the status of a water body relative to the surface water quality standards.

(3) It is the intent of the legislature that a water body in which pollutant loadings from naturally occurring conditions are the sole cause of a violation of applicable surface water quality standards not be listed as impaired.

NEW SECTION. Sec. 2. The definitions in this section apply to sections 3 and 4 of this act unless the context clearly requires otherwise.

(1) "Credible data" means data meeting the requirements of section 4 of this act.

(2) "Department" means the Washington state department of ecology.

(3) "Impaired water" means a water body or segment for which credible data exists that: (a) Satisfies the requirements of sections 3 and 4 of this act; and (b) demonstrates the water body should be identified pursuant to 33 U.S.C. Sec. 1313(d).

(4) "Naturally occurring condition" means any condition affecting water quality that is not caused by human influence.

(5) "Section 303(d)" has the same meaning as in the federal clean water act (33 U.S.C. Sec. 1313(d)).

(6) "Total maximum daily load" has the same meaning as in the federal clean water act (33 U.S.C. Sec. 1313(d)).

NEW SECTION. Sec. 3. (1) The department shall use credible information and literature for developing and reviewing a surface water quality standard or technical model used to establish a total maximum daily load for any surface water of the state.

(2) The department shall use credible data for the following actions after the effective date of this section:

(a) Determining whether any water of the state is to be placed on or removed from any section 303(d) list;

(b) Establishing a total maximum daily load for any surface water of the state; or

(c) Determining whether any surface water of the state is supporting its designated use or other classification.

(3) The department shall respond to questions regarding the data, literature, and other information it uses under this section. The department shall reply to requests within five business days acknowledging that the department has received the request and provide a reasonable estimate of the time the department will require to respond to the request.

NEW SECTION. Sec. 4. (1) In collecting and analyzing water quality data for any purpose identified in section 3(2) of this act, data is considered credible data if:

(a) Appropriate quality assurance and quality control procedures were followed and documented in collecting and analyzing water quality samples;

(b) The samples or measurements are representative of water quality conditions at the time the data was collected;

(c) The data consists of an adequate number of samples based on the objectives of the sampling, the nature of the water in question, and the parameters being analyzed; and

(d) Sampling and laboratory analysis conform to methods and protocols generally acceptable in the scientific community as appropriate for use in assessing the condition of the water.

(2) Data interpretation, statistical, and modeling methods shall be those methods generally acceptable in the scientific community as appropriate for use in assessing the condition of the water.

(3) The department shall develop policy:

(a) Explaining how it uses scientific research and literature for developing and reviewing any water quality standard or technical model used to establish a total maximum daily load for any water of the state;

(b) Describing the specific criteria that determine data credibility; and

(c) Defining the appropriate training and experience in order to collect credible data.

NEW SECTION. Sec. 5. Any person who knowingly falsifies data is guilty of a gross misdemeanor.

NEW SECTION. **Sec. 6.** Sections 1 through 5 of this act are each added to chapter 90.48 RCW.

NEW SECTION. **Sec. 7.** By December 31, 2005, the department of ecology shall report to the appropriate committees of the senate and the house of representatives concerning the status of activities undertaken to comply with the provisions of this act, and shall report by December 31, 2006 any rule-making or policy development required to implement this act, including changes in listings resulting from the use of credible data."

2SSB 6144 Prime Sponsor, Senate Committee on Ways & Means: Developing a statewide plan to address forest health. Reported by Committee on Agriculture & Natural Resources

MAJORITY recommendation: Do pass as amended:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. (1) The legislature finds that Washington faces serious forest health problems where forests are overcrowded or trees are infested with or susceptible to insects, diseases, wind, ice storms, and fire. The causes and contributions to these susceptible conditions include fire suppression, past timber harvesting and silvicultural practices, and the amplified risks that occur when the urban interface penetrates forest land.

(2) The legislature further finds that forest health problems may exist on forest land regardless of ownership, and the state should explore all possible avenues for working in collaboration with the federal government to address common health deficiencies.

(3) The legislature further finds that healthy forests benefit not only the economic interests that rely on forest products but also provide environmental benefits, such as improved water quality and habitat for fish and wildlife.

NEW SECTION. Sec. 2. A new section is added to chapter 76.06 RCW to read as follows:

(1) The commissioner of public lands is designated as the state of Washington's lead for all forest health issues.

(2) The commissioner of public lands shall strive to promote communications between the state and the federal government regarding forest land management decisions that potentially affect the health of forests in Washington and will allow the state to have an influence on the management of federally owned land in Washington. Such government-to-government cooperation is vital if the condition of the state's public and private forest lands are to be protected. These activities may include, when deemed by the commissioner to be in the best interest of the state:

(a) Representing the state's interest before all appropriate local, state, and federal agencies;

(b) Assuming the lead state role for developing formal comments on federal forest management plans that may have an impact on the health of forests in Washington; and

(c) Pursuing in an expedited manner any available and appropriate cooperative agreements, including cooperating agency status designation, with the United States forest service and the United States bureau of land management that allow for meaningful participation in any federal land management plans that could affect the department's strategic plan for healthy forests and effective fire prevention and suppression, including the pursuit of any options available for giving effect to the cooperative philosophy contained within the national environmental policy act of 1969 (42 U.S.C. Sec. 4331).

(3) The commissioner of public lands shall report to the chairs of the appropriate standing committees of the legislature every year on progress under this section, including the identification, if deemed appropriate by the commissioner, of any needed statutory changes, policy issues, or funding needs.

NEW SECTION. Sec. 3. The commissioner of public lands shall develop a statewide plan for increasing forest resistance and resilience to forest insects, disease, wind, and fire in Washington by December 30, 2004. In developing the statewide plan, the commissioner shall work with and consult the work group created in section 4 of this act.

NEW SECTION. Sec. 4. (1) A work group is created to study opportunities to improve the forest health issues enumerated in section 1 of this act that are facing forest land in Washington and to help the commissioner of public lands develop a strategic plan under section 3 of this act. The work group may, if deemed necessary, identify and focus on regions of the state where forest health issues enumerated in section 1 of this act are the most critical.

(2)(a) The work group is comprised of individuals selected on the basis of their knowledge of forests, forest ecology, or forest health issues and, if determined by the commissioner of public lands to be necessary, should represent a mix of individuals with knowledge regarding specific regions of the state. Members of the work group shall be appointed by the commissioner of public lands, unless otherwise specified, and shall include:

(i) The commissioner of public lands or the commissioner's designee, who shall serve as chair;

(ii) A representative of a statewide industrial timber landowner's group;

(iii) A landowner representative from the small forest landowner advisory committee established in RCW 76.13.110;

(iv) A representative of a college within a state university that specializes in forestry or natural resources science;

- (v) A representative of an environmental organization;
 - (vi) A representative of a county that has within its borders state-owned forest lands that are known to suffer from the forest health deficiencies enumerated in section 1 of this act;
 - (vii) A representative of the Washington state department of fish and wildlife;
 - (viii) A forest hydrologist, an entomologist, and a fire ecologist, if available;
 - (ix) A representative of the governor appointed by the governor; and
 - (x) A representative of a professional forestry organization.
- (b) In addition to the membership of the work group outlined in this section, the commissioner of public lands shall also invite the full and equal participation of:
- (i) A representative of a tribal government located in a region of the state where the forest health issues enumerated in section 1 of this act are present; and
 - (ii) A representative of both the United States forest service and the United States fish and wildlife service stationed to work primarily in Washington.
- (3) The work group shall:
- (a) Determine whether the goals and requirements of chapter 76.06 RCW are being met with regard to the identification, designation, and reduction of significant forest insect and disease threats to public and private forest resources, and whether the provisions of chapter 76.06 RCW are the most effective and appropriate way to address forest health issues;
 - (b) Study what incentives could be used to assist landowners with the costs of creating and maintaining forest health;
 - (c) Identify opportunities and barriers for improved prevention of losses of public and private resources to forest insects, diseases, wind, and fire;
 - (d) Assist the commissioner in developing a strategic plan under section 3 of this act for increasing forest resistance and resilience to forest insects, disease, wind, and fire in Washington;
 - (e) Develop funding alternatives for consideration by the legislature;
 - (f) Explore possible opportunities for the state to enter into cooperative agreements with the federal government, or other avenues for the state to provide input on the management of federally owned land in Washington;
 - (g) Develop recommendations for the proper treatment of infested and fire and wind damaged forests on public and private lands within the context of working with interdisciplinary teams under the forest practices act to ensure that forest health is achieved with the protection of fish, wildlife, and other public resources;
 - (h) Analyze the state noxious weed control statutes and procedures (chapter 17.10 RCW) and the extreme hazard regulations adopted under the forest protection laws, to determine if the policies and procedures of these laws are applicable, or could serve as a model to support improved forest health; and
 - (i) Recommend whether the work group should be extended beyond the time that the required report has been submitted.
- (4) The work group shall submit to the department of natural resources and the appropriate standing committees of the legislature, no later than December 30, 2004, its findings and recommendations for legislation that is necessary to implement the findings.
- (5) The department of natural resources shall provide technical and staff support from existing staff for the work group created by this section.
- (6) This section expires June 30, 2005.

NEW SECTION. Sec. 5. A new section is added to chapter 79.15 RCW to read as follows:

- (1) The legislature intends to ensure, to the extent feasible given all applicable trust responsibilities, that trust beneficiaries receive long-term income from timber lands through improved forest conditions and by reducing the threat of forest fire to state trust forest lands.
- (2) In order to implement the intent of subsection (1) of this section, the department may initiate contract harvesting timber sales, or other silvicultural treatments when appropriate, in specific areas of state trust forest land where the department has identified forest health deficiencies caused by disease or pests. All harvesting or silvicultural treatments applied under this section must be tailored to improve the health of the specific stand, must be consistent with any applicable state forest plans and other management agreements, and must comply with all applicable state and federal laws and regulations regarding the harvest of timber by the department of natural resources.
- (3) In utilizing contract harvesting to address forest health issues as outlined in this section, the department shall give priority to silvicultural treatments that assist the department in meeting targets included in any management or landscape plans that exist for individual state forests.

Sec. 6. RCW 79.15.510 and 2003 c 313 s 3 are each amended to read as follows:

- (1) The department may establish a contract harvesting program ~~((by))~~ for directly contracting for the removal of timber and other valuable materials from state lands and for conducting silvicultural treatments consistent with section 5 of this act.

(2) The contract requirements must be compatible with the office of financial management's guide to public service contracts.

(3) The department may not use contract harvesting for more than ten percent of the total annual volume of timber offered for sale. However, volume removed primarily to address an identified forest health issue under section 5 of this act may not be included in calculating the ten percent annual limit of contract harvesting sales.

Sec. 7. RCW 79.15.520 and 2003 c 313 s 4 are each amended to read as follows:

(1) The contract harvesting revolving account is created in the custody of the state treasurer. All receipts from the gross proceeds of the sale of logs from a contract harvesting sale must be deposited into the account. Expenditures from the account may be used only for the payment of harvesting costs incurred on contract harvesting sales and for payment of costs incurred from silvicultural treatments necessary to improve forest health conducted under section 5 of this act. Only the commissioner or the commissioner's designee may authorize expenditures from the account. The board of natural resources has oversight of the account, and the commissioner must periodically report to the board of natural resources as to the status of the account, its disbursement, and receipts. The account is subject to allotment procedures under chapter 43.88 RCW, but an appropriation is not required for expenditures.

(2) When the logs from a contract harvesting sale are sold, the gross proceeds must be deposited into the contract harvesting revolving account. Moneys equal to the harvesting costs must be retained in the account and be deducted from the gross proceeds to determine the net proceeds. The net proceeds from the sale of the logs must be distributed in accordance with RCW ~~((43.85.130))~~ 43.30.325(1)(b). The final receipt of gross proceeds on a contract harvesting sale must be retained in the contract harvesting revolving account until all required costs for that sale have been paid. The contract harvesting revolving account is an interest-bearing account and the interest must be credited to the account. The account balance may not exceed one million dollars at the end of each fiscal year. Moneys in excess of one million dollars must be disbursed according to RCW ~~((76.12.030, 76.12.120))~~ 79.22.040, 79.22.050, and 79.64.040. If the department permanently discontinues the use of contract harvesting sales, any sums remaining in the contract harvesting revolving account must be returned to the resource management cost account and the forest development account in proportion to each account's contribution to the initial balance of the contract harvesting revolving account.

Sec. 8. RCW 79.15.500 and 2003 c 313 s 2 are each amended to read as follows:

The definitions in this section apply throughout ~~((this chapter))~~ RCW 79.15.500 through 79.15.530 and section 5 of this act unless the context clearly requires otherwise.

(1) "Commissioner" means the commissioner of public lands.

(2) "Contract harvesting" means a timber operation occurring on state forest lands, in which the department contracts with a firm or individual to perform all the necessary harvesting work to process trees into logs sorted by department specifications. The department then sells the individual log sorts.

(3) "Department" means the department of natural resources.

(4) "Harvesting costs" are those expenses related to the production of log sorts from a stand of timber. These expenses typically involve road building, labor for felling, bucking, and yarding, as well as the transporting of sorted logs to the forest product purchasers.

(5) "Net proceeds" means gross proceeds from a contract harvesting sale less harvesting costs.

(6) "Silvicultural treatment" means any vegetative or other treatment applied to a managed forest to improve the conditions of the stand, and may include harvesting, thinning, prescribed burning, and pruning.

Sec. 9. 2003 c 313 s 13 (uncodified) is amended to read as follows:

By December 31, 2006, the department of natural resources must provide a report to the appropriate committees of the legislature ~~((concerning))~~ that provides:

(1) An accounting of the costs and effectiveness of the contract harvesting program; and

(2) A summary of sales carried out under the contract harvesting program primarily for silvicultural treatments that are permitted under section 5 of this act. ~~((The report must be submitted by December 31, 2006.))~~

NEW SECTION. Sec. 10. Sections 5 through 8 of this act are intended to provide interim tools to the department of natural resources to address forest health issues on state land prior to the completion of the assignment given to the work group in section 4 of this act. As such, sections 5 through 8 of this act expire December 31, 2007.

NEW SECTION. Sec. 11. This act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and takes effect immediately."

"**Sec. 1.** RCW 28A.410.095 and 1992 c 159 s 5 are each amended to read as follows:

(1) The superintendent of public instruction may initiate and conduct investigations as may be reasonably necessary to establish the existence of any alleged violations of or noncompliance with this chapter or any rules adopted under it. For the purpose of any investigation or proceeding under this chapter, the superintendent or any officer designated by the superintendent may administer oaths and affirmations, subpoena witnesses and compel their attendance, take evidence, and require the production of any books, papers, correspondence, memoranda, agreements, or other documents or records that the superintendent deems relevant and material to the inquiry.

(2) Investigations conducted by the superintendent of public instruction concerning alleged sexual misconduct towards a child shall be completed within one year of the initiation of the investigation or within thirty days of the completion of all proceedings, including court proceedings, resulting from an investigation conducted by law enforcement or child protective services if there is such an investigation. The superintendent of public instruction may take, for reasonable cause, additional time for completion of the investigation after informing the victim, the individual being investigated, and the school district that employs the individual being investigated of the reasons additional time is needed and the amount of additional time needed. Written notification must be provided to each of the parties who must be informed. The sole remedy for a failure to complete an investigation of sexual misconduct within the time allowed by this subsection is a civil penalty of fifty dollars per day for each day beyond the allowed time.

(3) If any person fails to obey a subpoena or obeys a subpoena but refuses to give evidence, any court of competent jurisdiction, upon application by the superintendent, may issue to that person an order requiring him or her to appear before the court and to show cause why he or she should not be compelled to obey the subpoena, and give evidence material to the matter under investigation. The failure to obey an order of the court may be punishable as contempt.

(4) Once an investigation has been initiated by the superintendent of public instruction, the investigation shall be completed regardless of whether the individual being investigated has resigned his or her position or allowed his or her teaching certificate to lapse. The superintendent shall make a written finding regarding each investigation indicating the actions taken, including a statement of the reasons why a complaint was dismissed or did not warrant further investigation or action by the superintendent, and shall provide such notice to each person

who filed the complaint. Written findings under this section are subject to public disclosure under chapter 42.17 RCW.

(5) An investigation into sexual or physical abuse of a student by a school employee shall only be initiated by the superintendent of public instruction after the superintendent of public instruction verifies that the incident has been reported to the proper law enforcement agency or the department of social and health services as required under RCW 26.44.030.

If the superintendent of public instruction has reasonable cause to believe that an alleged violation of this chapter or rules adopted under it has occurred based on a written complaint filed by a parent or another person, but no complaint has been ~~((filed pursuant to this chapter))~~ forwarded to the superintendent by a school district superintendent, educational service district superintendent, or private school administrator, and that a school district superintendent, educational service district superintendent, or private school administrator has sufficient notice of the alleged violation and opportunity to file a complaint, the superintendent of public instruction may cause an investigation to be made of the alleged violation, together with such other matters that may be disclosed in the course of the investigation related to certificated personnel.

(2) A parent or another person may file a written complaint with the superintendent of public instruction alleging that a certificated school employee has committed a violation of this chapter or rules adopted under it if:

(a) The parent or other person has already filed a written complaint with the educational service district superintendent concerning that employee;

(b) The educational service district superintendent has not caused an investigation of the allegations and has not forwarded the complaint to the superintendent of public instruction for investigation; and

(c) The written complaint states the grounds and factual basis upon which the parent or other person believes an investigation should be conducted.

(3) Any such certificate or permit authorized under this chapter or chapter 28A.405 RCW shall be revoked by the authority authorized to grant the certificate upon a guilty plea or the conviction of any felony crime involving the physical neglect of a child under chapter 9A.42 RCW, the physical injury or death of a child under chapter 9A.32 or 9A.36 RCW (excepting motor vehicle violations under chapter 46.61 RCW), sexual exploitation of a child under chapter 9.68A RCW, sexual offenses under chapter 9A.44 RCW where a minor is the victim, promoting prostitution of a minor under chapter 9A.88 RCW, the sale or purchase of a minor child under RCW 9A.64.030, or violation of similar laws of another jurisdiction. The person whose certificate is in question shall be given an opportunity to be heard. Mandatory permanent revocation upon a guilty plea or the conviction of felony crimes specified under this subsection shall apply to such convictions or guilty pleas which occur after July 23, 1989. Neither the business to be transacted at, nor the purpose of, any regular or special meeting of the board of directors or any committee designated by the board of directors need be specified in the notice or waiver of notice of such meeting unless required by the bylaws. If notice of regular or special meetings is provided by electronic transmission, it must satisfy the requirements of section 4 of this act.

"NEW SECTION. Sec. 1. PURPOSE. The purpose of this act is to create more comprehensive, streamlined, and cost-effective procedures applicable to proceedings in which property of a person is administered by the courts of this state for the benefit of creditors and other persons having an interest therein.

NEW SECTION. Sec. 2. A new section is added to chapter 7.60 RCW to read as follows:
DEFINITIONS. The definitions in this section apply throughout this chapter unless the context requires otherwise.

- (1) "Court" means the superior court of this state in which the receivership is pending.
- (2) "Entity" means a person other than a natural person.
- (3) "Estate" means the entirety of the property with respect to which a receiver's appointment applies, but does not include trust fund taxes or property of an individual person exempt from execution under the laws of this state. Estate property includes any nonexempt interest in property that is partially exempt, including fee title to property subject to a homestead exemption under chapter 6.13 RCW.
- (4) "Executory contract" means a contract where the obligation of both the person over whose property the receiver is appointed and the other party to the contract are so far unperformed that the failure of either party to the contract to complete performance would constitute a material breach of the contract, thereby excusing the other party's performance of the contract.
- (5) "Insolvent" or "insolvency" means a financial condition of a person such that the sum of the person's debts and other obligations is greater than all of that person's property, at a fair valuation, exclusive of (a) property transferred, concealed, or removed with intent to hinder, delay, or defraud any creditors of the person, and (b) any property exempt from execution under any statutes of this state.
- (6) "Lien" means a charge against or interest in property to secure payment of a debt or the performance of an obligation.
- (7) "Notice and a hearing" or any similar phrase means notice and opportunity for a hearing.
- (8) "Person" means an individual, corporation, limited liability company, general partnership, limited partnership, limited liability partnership, association, governmental entity, or other entity, of any kind or nature.
- (9) "Property" includes all right, title, and interests, both legal and equitable, and including any community property interest, in or with respect to any property of a person with respect to which a receiver is appointed, regardless of the manner by which the property has been or is acquired. "Property" includes any proceeds, products, offspring, rents, or profits of or from property in the estate. "Property" does not include any power that a person may exercise solely for the benefit of another person or trust fund taxes.
- (10) "Receiver" means a person appointed by the court as the court's agent, and subject to the court's direction, to take possession of, manage, or dispose of property of a person.
- (11) "Receivership" means the case in which the receiver is appointed. "General receivership" means a receivership in which a general receiver is appointed. "Custodial receivership" means a receivership in which a custodial receiver is appointed.
- (12) "Security interest" means a lien created by an agreement.
- (13) "State agent" and "state agency" means any office, department, division, bureau, board, commission, or other agency of the state of Washington or of any subdivision thereof, or any individual acting in an official capacity on behalf of any state agent or state agency.
- (14) "Utility" means a person providing any service regulated by the utilities and transportation commission.

NEW SECTION. Sec. 3. A new section is added to chapter 7.60 RCW to read as follows:
TYPES OF RECEIVERS. A receiver must be either a general receiver or a custodial receiver. A receiver must be a general receiver if the receiver is appointed to take possession and control of all or substantially all of a person's property with authority to liquidate that property and, in the case of a business over which the receiver is appointed, wind up affairs. A receiver must be a custodial receiver if the receiver is

appointed to take charge of limited or specific property of a person or is not given authority to liquidate property. The court shall specify in the order appointing a receiver whether the receiver is appointed as a general receiver or as a custodial receiver. When the sole basis for the appointment is the pendency of an action to foreclose upon a lien against real property, or the giving of a notice of a trustee's sale under RCW 61.24.040 or a notice of forfeiture under RCW 61.30.040, the court shall appoint the receiver as a custodial receiver. The court by order may convert either a general receivership or a custodial receivership into the other.

NEW SECTION. Sec. 4. A new section is added to chapter 7.60 RCW to read as follows:

APPOINTMENT OF RECEIVER. (1) A receiver may be appointed by the superior court of this state in the following instances, but except in any case in which a receiver's appointment is expressly required by statute, or any case in which a receiver's appointment is sought by a state agent whose authority to seek the appointment of a receiver is expressly conferred by statute, or any case in which a receiver's appointment with respect to real property is sought under (b)(ii) of this subsection, a receiver shall be appointed only if the court additionally determines that the appointment of a receiver is reasonably necessary and that other available remedies either are not available or are inadequate:

(a) On application of any party, when the party is determined to have a probable right to or interest in property that is a subject of the action and in the possession of an adverse party, or when the property or its revenue-producing potential is in danger of being lost or materially injured or impaired. A receiver may be appointed under this subsection (1)(a) whether or not the application for appointment of a receiver is combined with, or is ancillary to, an action seeking a money judgment or other relief;

(b) Provisionally, during the pendency of any action to foreclose upon any lien against or for forfeiture of any interest in real or personal property, or after notice of a trustee's sale has been given under RCW 61.24.040, or after notice of forfeiture has been given under RCW 61.30.040, on application of any person, when the interest in the property that is the subject of foreclosure or forfeiture of the person seeking the receiver's appointment is determined to be probable and either:

(i) The property or its revenue-producing potential is in danger of being lost or materially injured or impaired; or

(ii) The appointment of a receiver with respect to the real or personal property that is the subject of the action, the notice of trustee's sale or notice of forfeiture is provided for by agreement or is reasonably necessary to effectuate or enforce an assignment of rents or other revenues from the property;

(f) If and to the extent that property is subject to execution to satisfy a judgment, to preserve the property during the pendency of an appeal, or when an execution has been returned unsatisfied, or when an order requiring a judgment debtor to appear for proceedings supplemental to judgment has been issued and the judgment debtor fails to submit to examination as ordered;

(g) Upon an attachment of real or personal property when the property attached is of a perishable nature or is otherwise in danger of waste, impairment, or destruction, or where the abandoned property's owner has absconded with, secreted, or abandoned the property, and it is necessary to collect, conserve, manage, control, or protect it, or to dispose of it promptly, or when the court determines that the nature of the property or the exigency of the case otherwise provides cause for the appointment of a receiver;

(h) In an action by a transferor of real or personal property to avoid or rescind the transfer on the basis of fraud, or in an action to subject property or a fund to the payment of a debt;

(i) In an action against any person who is not an individual if the object of the action is the dissolution of that person, or if that person has been dissolved, or if that person is insolvent or is not generally paying the person's debts as those debts become due unless they are the subject of bona fide dispute, or if that person is in imminent danger of insolvency;

(j) In accordance with RCW 7.08.030 (4) and (6), in cases in which a general assignment for the benefit of creditors has been made;

(hh) Under RCW 70.95A.050(3), in aid of the enforcement of payment or performance of municipal bonds issued with respect to facilities used to abate, control, or prevent pollution;

(ii) Upon the application of the department of social and health services under RCW 74.42.580, in cases involving nursing homes;

(jj) Upon the application of the utilities and transportation commission under RCW 80.28.040, with respect to a water company that has failed to comply with an order of such commission within the time deadline specified therein;

(kk) Under RCW 87.56.065, in connection with the dissolution of an irrigation district;

(ll) Upon application of the attorney general or the department of licensing, in any proceeding that either of them are authorized by statute to bring to enforce Title 18 or 19 RCW; the securities act of Washington, chapter 21.20 RCW; the Washington commodities act, chapter 21.30 RCW; the land development act, chapter 58.19 RCW; or under chapter 64.36 RCW relating to the regulation of timeshares;

(mm) Upon application of the director of financial institutions in any proceeding that the director of financial institutions is authorized to bring to enforce chapters 31.35, 31.40, and 31.45 RCW; or

(nn) In such other cases as may be provided for by law, or when, in the discretion of the court, it may be necessary to secure ample justice to the parties.

(2) The superior courts of this state shall appoint as receiver of property located in this state a person who has been appointed by a federal or state court located elsewhere as receiver with respect to the property specifically or with respect to the owner's property generally, upon the application of the person or of any party to that foreign proceeding, and following the appointment shall give effect to orders, judgments, and decrees of

the foreign court affecting the property in this state held by the receiver, unless the court determines that to do so would be manifestly unjust or inequitable. The venue of such a proceeding may be any county in which the person resides or maintains any office, or any county in which any property over which the receiver is to be appointed is located at the time the proceeding is commenced.

(3) At least seven days' notice of any application for the appointment of a receiver shall be given to the owner of property to be subject thereto and to all other parties in the action, and to other parties in interest as the court may require. If any execution by a judgment creditor under Title 6 RCW or any application by a judgment creditor for the appointment of a receiver, with respect to property over which the receiver's appointment is sought, is pending in any other action at the time the application is made, then notice of the application for the receiver's appointment also shall be given to the judgment creditor in the other action. The court may shorten or expand the period for notice of an application for the appointment of a receiver upon good cause shown.

(4) The order appointing a receiver in all cases shall reasonably describe the property over which the receiver is to take charge, by category, individual items, or both if the receiver is to take charge of less than all of the owner's property. If the order appointing a receiver does not expressly limit the receiver's authority to designated property or categories of property of the owner, the receiver is a general receiver with the authority to take charge over all of the owner's property, wherever located.

(5) The court may condition the appointment of a receiver upon the giving of security by the person seeking the receiver's appointment, in such amount as the court may specify, for the payment of costs and damages incurred or suffered by any person should it later be determined that the appointment of the receiver was wrongfully obtained.

NEW SECTION. Sec. 5. A new section is added to chapter 7.60 RCW to read as follows:

ELIGIBILITY TO SERVE AS RECEIVER. Except as provided in this chapter or otherwise by statute, any person, whether or not a resident of this state, may serve as a receiver, with the exception that a person may not be appointed as a receiver, and shall be replaced as receiver if already appointed, if it should appear to the court that the person:

(1) Has been convicted of a felony or other crime involving moral turpitude or is controlled by a person who has been convicted of a felony or other crime involving moral turpitude;

(2) Is a party to the action, or is a parent, grandparent, child, grandchild, sibling, partner, director, officer, agent, attorney, employee, secured or unsecured creditor or lienor of, or holder of any equity interest in, or controls or is controlled by, the person whose property is to be held by the receiver, or who is the agent or attorney of any disqualified person;

(3) Has an interest materially adverse to the interest of persons to be affected by the receivership generally; or

(4) Is the sheriff of any county.

NEW SECTION. Sec. 6. A new section is added to chapter 7.60 RCW to read as follows:

RECEIVER'S BOND. Except as otherwise provided for by statute or court rule, before entering upon duties of receiver, a receiver shall execute a bond with one or more sureties approved by the court, in the amount the court specifies, conditioned that the receiver will faithfully discharge the duties of receiver in accordance with orders of the court and state law. Unless otherwise ordered by the court, the receiver's bond runs in favor of all persons having an interest in the receivership proceeding or property held by the receiver and in favor of state agencies. The receiver's bond must provide substantially as follows:

[Case Caption]

RECEIVER'S BOND

TO WHOM IT MAY CONCERN:

KNOW ALL BY THESE PRESENTS, that, as Principal, and, as Surety, are held and firmly bound in the amount of Dollars (\$) for the faithful performance by Principal of the Principal's duties as receiver with respect to property of in accordance with order(s) of such court previously or hereafter entered in the above-captioned proceeding and state law. If the Principal faithfully discharges the duties of receiver in accordance with such orders, this obligation shall be void, but otherwise it will remain in full force and effect.

The court, in lieu of a bond, may approve the posting of alternative security, such as a letter of credit or a deposit of funds with the clerk of the court, to be held by the clerk to secure the receiver's faithful performance of the receiver's duties in accordance with orders of the court and state law until the court authorizes the release or return of the deposited sums. No part of the property over which the receiver is appointed may be used in making the deposit; however, any interest that may accrue on a deposit ordered by the court shall be remitted to the receiver upon the receiver's discharge. A claim against the bond shall be made within one year from the date the receiver is discharged. Claims by state agencies against the bond shall have priority.

NEW SECTION. Sec. 7. A new section is added to chapter 7.60 RCW to read as follows:

POWERS OF THE COURT. Except as otherwise provided for by this chapter, the court in all cases has exclusive authority over the receiver, and the exclusive possession and right of control with respect to all real property and all tangible and intangible personal property with respect to which the receiver is appointed, wherever located, and the exclusive jurisdiction to determine all controversies relating to the collection, preservation, application, and distribution of all the property, and all claims against the receiver arising out of the exercise of the receiver's powers or the performance of the receiver's duties. However, the court does not have exclusive jurisdiction over actions in which a state agency is a party and in which a statute expressly vests jurisdiction or venue elsewhere.

NEW SECTION. Sec. 8. A new section is added to chapter 7.60 RCW to read as follows:

POWERS AND DUTIES OF RECEIVER GENERALLY. (1) A receiver has the following powers and authority in addition to those specifically conferred by this chapter or otherwise by statute, court rule, or court order:

(a) The power to incur or pay expenses incidental to the receiver's preservation and use of the property with respect to which the appointment applies, and otherwise in the performance of the receiver's duties, including the power to pay obligations incurred prior to the receiver's appointment if and to the extent that payment is determined by the receiver to be prudent in order to preserve the value of property in the receiver's possession and the funds used for this purpose are not subject to any lien or right of setoff in favor of a creditor who has not consented to the payment and whose interest is not otherwise adequately protected;

(b) If the appointment applies to all or substantially all of the property of an operating business or any revenue-producing property of any person, to do all things which the owner of the business or property might do in the ordinary course of the operation of the business as a going concern or use of the property including, but not limited to, the purchase and sale of goods or services in the ordinary course of such business, and the incurring and payment of expenses of the business or property in the ordinary course;

(c) The power to assert any rights, claims, or choses in action of the person over whose property the receiver is appointed relating thereto, if and to the extent that the claims are themselves property within the scope of the appointment or relate to any property, to maintain in the receiver's name or in the name of such a person any action to enforce any right, claim, or chose in action, and to intervene in actions in which the person over whose property the receiver is appointed is a party for the purpose of exercising the powers under this subsection (1)(c);

(d) The power to intervene in any action in which a claim is asserted against the person over whose property the receiver is appointed relating thereto, for the purpose of prosecuting or defending the claim and requesting the transfer of venue of the action to the court. However, the court shall not transfer actions in which both a state agency is a party and as to which a statute expressly vests jurisdiction or venue elsewhere. This power is exercisable with court approval in the case of a liquidating receiver, and with or without court approval in the case of a general receiver;

(e) The power to assert rights, claims, or choses in action of the receiver arising out of transactions in which the receiver is a participant;

(f) The power to pursue in the name of the receiver any claim under chapter 19.40 RCW assertable by any creditor of the person over whose property the receiver is appointed, if pursuit of the claim is determined by the receiver to be appropriate;

(g) The power to seek and obtain advice or instruction from the court with respect to any course of action with respect to which the receiver is uncertain in the exercise of the receiver's powers or the discharge of the receiver's duties;

(h) The power to obtain appraisals with respect to property in the hands of the receiver;

(i) The power by subpoena to compel any person to submit to an examination under oath, in the manner of a deposition in a civil case, with respect to estate property or any other matter that may affect the administration of the receivership; and

(j) Other powers as may be conferred upon the receiver by the court or otherwise by statute or rule.

(2) A receiver has the following duties in addition to those specifically conferred by this chapter or otherwise by statute or court rule:

(a) The duty to notify all federal and state taxing and applicable regulatory agencies of the receiver's appointment in accordance with any applicable laws imposing this duty, including but not limited to 26 U.S.C. Sec. 6036 and RCW 51.14.073, 51.16.160, and 82.32.240, or any successor statutes;

(b) The duty to comply with state law;

(c) If the receiver is appointed with respect to any real property, the duty to file with the auditor of the county in which the real property is located, or the registrar of lands in accordance with RCW 65.12.600 in the case of registered lands, a certified copy of the order of appointment, together with a legal description of the real property if one is not included in that order; and

(d) Other duties as the receiver may be directed to perform by the court or as may be provided for by statute or rule.

(3) The various powers and duties of a receiver provided for by this chapter may be expanded, modified, or limited by order of the court for good cause shown.

NEW SECTION. Sec. 9. A new section is added to chapter 7.60 RCW to read as follows:

TURNOVER OF PROPERTY. Upon demand by a receiver appointed under this chapter, any person shall turn over any property over which the receiver has been appointed that is within the possession or control of that person unless otherwise ordered by the court for good cause shown. A receiver by motion may seek to compel turnover of estate property unless there exists a bona fide dispute with respect to the existence or nature of the receiver's interest in the property, in which case turnover shall be sought by means of an action under section 18 of this act. In the absence of a bona fide dispute with respect to the receiver's right to possession of estate property, the failure to relinquish possession and control to the receiver shall be punishable as a contempt of the court.

NEW SECTION. Sec. 10. A new section is added to chapter 7.60 RCW to read as follows:

DUTIES OF PERSON OVER WHOSE PROPERTY THE RECEIVER IS APPOINTED. The person over whose property the receiver is appointed shall:

(1) Assist and cooperate fully with the receiver in the administration of the estate and the discharge of the receiver's duties, and comply with all orders of the court;

(2) Supply to the receiver information necessary to enable the receiver to complete any schedules that the receiver may be required to file under section 11 of this act, and otherwise assist the receiver in the completion of the schedules;

(3) Upon the receiver's appointment, deliver into the receiver's possession all of the property of the estate in the person's possession, custody, or control, including, but not limited to, all accounts, books, papers, records, and other documents; and

(4) Following the receiver's appointment, submit to examination by the receiver, or by any other person upon order of the court, under oath, concerning the acts, conduct, property, liabilities, and financial condition of that person or any matter relating to the receiver's administration of the estate.

When the person over whose property the receiver is appointed is an entity, each of the officers, directors, managers, members, partners, or other individuals exercising or having the power to exercise control over the affairs of the entity are subject to the requirements of this section.

NEW SECTION. Sec. 11. A new section is added to chapter 7.60 RCW to read as follows:

SCHEDULES OF PROPERTY AND LIABILITIES--INVENTORY OF PROPERTY--APPRAISALS.

(1) In the event of a general assignment of property for the benefit of creditors under chapter 7.08 RCW, the assignment shall have annexed as schedule A a true list of all of the person's known creditors, their mailing addresses, the amount and nature of their claims, and whether their claims are disputed; and as schedule B a true list of all property of the estate, including the estimated liquidation value and location of the property and, if real property, a legal description thereof, as of the date of the assignment.

(2) In all other cases, within twenty days after the date of appointment of a general receiver, the receiver shall file as schedule A a true list of all of the known creditors and applicable regulatory and taxing agencies of the person over whose assets the receiver is appointed, their mailing addresses, the amount and nature of their claims, and whether their claims are disputed; and as schedule B a true list of all property of the estate identifiable by the receiver, including the estimated liquidation value and location of the property and, if real property, a legal description thereof, as of the date of appointment of the receiver.

- (4) When schedules are filed by a person making a general assignment of property for the benefit of creditors under chapter 7.08 RCW, the schedules shall be duly verified upon oath by such person.
- (5) The receiver shall obtain an appraisal or other independent valuation of the property in the receiver's possession if ordered by the court.
- (6) The receiver shall file a complete inventory of the property in the receiver's possession if ordered by the court.

NEW SECTION. Sec. 12. A new section is added to chapter 7.60 RCW to read as follows:
RECEIVER'S REPORTS. A general receiver shall file with the court a monthly report of the receiver's operations and financial affairs unless otherwise ordered by the court. Except as otherwise ordered by the court, each report of a general receiver shall be due by the last day of the subsequent month and shall include the following:

- (1) A balance sheet;
- (2) A statement of income and expenses;
- (3) A statement of cash receipts and disbursements;
- (4) A statement of accrued accounts receivable of the receiver. The statement shall disclose amounts considered to be uncollectable;
- (5) A statement of accounts payable of the receiver, including professional fees. The statement shall list the name of each creditor and the amounts owing and remaining unpaid over thirty days; and
- (6) A tax disclosure statement, which shall list postfiling taxes due or tax deposits required, the name of the taxing agency, the amount due, the date due, and an explanation for any failure to make payments or deposits. A custodial receiver shall file with the court all such reports the court may require.

NEW SECTION. Sec. 13. A new section is added to chapter 7.60 RCW to read as follows:
AUTOMATIC STAY OF CERTAIN PROCEEDINGS. (1) Except as otherwise ordered by the court, the entry of an order appointing a general receiver or a custodial receiver with respect to all of a person's property shall operate as a stay, applicable to all persons, of:

- (a) The commencement or continuation, including the issuance or employment of process, of a judicial, administrative, or other action or proceeding against the person over whose property the receiver is appointed that was or could have been commenced before the entry of the order of appointment, or to recover a claim against the person that arose before the entry of the order of appointment;
- (b) The enforcement, against the person over whose property the receiver is appointed or any estate property, of a judgment obtained before the order of appointment;
- (c) Any act to obtain possession of estate property from the receiver, or to interfere with, or exercise control over, estate property;

(d) Any act to create, perfect, or enforce any lien or claim against estate property except by exercise of a right of setoff, to the extent that the lien secures a claim against the person that arose before the entry of the order of appointment; or

(e) Any act to collect, assess, or recover a claim against the person that arose before the entry of the order of appointment.

(2) The stay shall automatically expire as to the acts specified in subsection (1)(a), (b), and (e) of this section sixty days after the entry of the order of appointment unless before the expiration of the sixty-day period the receiver, for good cause shown, obtains an order of the court extending the stay, after notice and a hearing. A person whose action or proceeding is stayed by motion to the court may seek relief from the stay for good cause shown. Any judgment obtained against the person over whose property the receiver is appointed or estate property following the entry of the order of appointment is not a lien against estate property unless the receivership is terminated prior to a conveyance of the property against which the judgment would otherwise constitute a lien.

(3) The entry of an order appointing a receiver does not operate as a stay of:

(a) The commencement or continuation of a criminal proceeding against the person over whose property the receiver is appointed;

(b) The commencement or continuation of an action or proceeding to establish paternity, or to establish or modify an order for alimony, maintenance, or support, or to collect alimony, maintenance, or support under any order of a court;

(c) Any act to perfect, or to maintain or continue the perfection of, an interest in estate property if the interest perfected would be effective against a creditor of the person over whose property the receiver is appointed holding at the time of the entry of the order of appointment either a perfected nonpurchase money security interest under chapter 62A.9A RCW against the property involved, or a lien by attachment, levy, or the like, whether or not such a creditor exists. If perfection of an interest would require seizure of the property involved or the commencement of an action, the perfection shall instead be accomplished by filing, and by serving upon the receiver, or receiver's counsel, if any, notice of the interest within the time fixed by law for seizure or commencement;

(d) The commencement or continuation of an action or proceeding by a governmental unit to enforce its police or regulatory power;

(e) The enforcement of a judgment, other than a money judgment, obtained in an action or proceeding by a governmental unit to enforce its police or regulatory power, or with respect to any licensure of the person over whose property the receiver is appointed;

(f) The exercise of a right of setoff, including but not limited to (i) any right of a commodity broker, forward contract merchant, stockbroker, financial institution, or securities clearing agency to set off a claim for a margin payment or settlement payment arising out of a commodity contract, forward contract, or securities contract against cash, securities, or other property held or due from the commodity broker, forward contract merchant, stockbroker, financial institution, or securities clearing agency to margin, guarantee, secure, or settle the commodity contract, forward contract, or securities contract, and (ii) any right of a swap participant to set off a claim for a payment due to the swap participant under or in connection with a swap agreement against any payment due from the swap participant under or in connection with the swap agreement or against cash, securities, or other property of the debtor held by or due from the swap participant to guarantee, secure, or settle the swap agreement; or

(g) The establishment by a governmental unit of any tax liability and any appeal thereof.

NEW SECTION. Sec. 14. A new section is added to chapter 7.60 RCW to read as follows:

UTILITY SERVICE. A utility providing service to estate property may not alter, refuse, or discontinue service to the property without first giving the receiver fifteen days' notice of any default or intention to alter, refuse, or discontinue service to estate property. This section does not prohibit the court, upon motion by the receiver, to prohibit the alteration or cessation of utility service if the receiver can furnish adequate assurance of payment, in the form of deposit or other security, for service to be provided after entry of the order appointing the receiver.

NEW SECTION. Sec. 15. A new section is added to chapter 7.60 RCW to read as follows:

EXECUTORY CONTRACTS AND UNEXPIRED LEASES. (1) A general receiver may assume or reject any executory contract or unexpired lease of the person over whose property the receiver is appointed upon order of the court following notice to the other party to the contract or lease upon notice and a hearing. The court may condition assumption or rejection of any executory contract or unexpired lease on the terms and conditions the court believes are just and proper under the particular circumstances of the case. A general receiver's performance of an executory contract or unexpired lease prior to the court's authorization of its assumption or rejection shall not constitute an assumption of the contract or lease, or an agreement by the receiver to assume it, nor otherwise preclude the receiver thereafter from seeking the court's authority to reject it.

(2) Any obligation or liability incurred by a general receiver on account of the receiver's assumption of an executory contract or unexpired lease shall be treated as an expense of the receivership. A general receiver's

rejection of an executory contract or unexpired lease shall be treated as a breach of the contract or lease occurring immediately prior to the receiver's appointment; and the receiver's right to possess or use property pursuant to any executory contract or lease shall terminate upon rejection of the contract or lease. The other party to an executory contract or unexpired lease that is rejected by a general receiver may take such steps as may be necessary under applicable law to terminate or cancel the contract or lease. The claim of a party to an executory contract or unexpired lease resulting from a general receiver's rejection of it shall be served upon the receiver in the manner provided for by section 23 of this act within thirty days following the rejection.

(3) A general receiver's power under this section to assume an executory contract or unexpired lease shall not be affected by any provision in the contract or lease that would effect or permit a forfeiture, modification, or termination of it on account of either the receiver's appointment, the financial condition of the person over whose property the receiver is appointed, or an assignment for the benefit of creditors by that person.

(4) A general receiver may not assume an executory contract or unexpired lease of the person over whose property the receiver is appointed without the consent of the other party to the contract or lease if:

(a) Applicable law would excuse a party, other than the person over whose property the receiver is appointed, from accepting performance from or rendering performance to anyone other than the person even in the absence of any provisions in the contract or lease expressly restricting or prohibiting an assignment of the person's rights or the performance of the person's duties;

(b) The contract or lease is a contract to make a loan or extend credit or financial accommodations to or for the benefit of the person over whose property the receiver is appointed, or to issue a security of the person; or

(c) The executory contract or lease expires by its own terms, or under applicable law prior to the receiver's assumption thereof.

(5) A receiver may not assign an executory contract or unexpired lease without assuming it, absent the consent of the other parties to the contract or lease.

(6) If the receiver rejects an executory contract or unexpired lease for:

(a) The sale of real property under which the person over whose property the receiver is appointed is the seller and the purchaser is in possession of the real property;

(b) The sale of a real property timeshare interest under which the person over whose property the receiver is appointed is the seller;

(c) The license of intellectual property rights under which the person over whose property the receiver is appointed is the licensor; or

(d) The lease of real property in which the person over whose property the receiver is appointed is the lessor;

then the purchaser, licensee, or lessee may treat the rejection as a termination of the contract, license agreement, or lease, or alternatively, the purchaser, licensee, or lessee may remain in possession in which case the purchaser, licensee, or lessee shall continue to perform all obligations arising thereunder as and when they may fall due, but may offset against any payments any damages occurring on account of the rejection after it occurs. The purchaser of real property in such a case is entitled to receive from the receiver any deed or any other instrument of conveyance which the person over whose property the receiver is appointed is obligated to deliver under the executory contract when the purchaser becomes entitled to receive it, and the deed or instrument has the same force and effect as if given by the person. A purchaser, licensee, or lessee who elects to remain in possession under the terms of this subsection has no rights against the receiver on account of any damages arising from the receiver's rejection except as expressly provided for by this subsection. A purchaser of real property who elects to treat rejection of an executory contract as a termination has a lien against the interest in that real property of the person over whose property the receiver is appointed for the recovery of any portion of the purchase price that the purchaser has paid.

(7) Any contract with the state shall be deemed rejected if not assumed within sixty days of appointment of a general receiver unless the receiver and state agency agree to its assumption.

(8) Nothing in this chapter affects the enforceability of antiassignment prohibitions provided under contract or applicable law.

NEW SECTION. Sec. 16. A new section is added to chapter 7.60 RCW to read as follows:

RECEIVERSHIP FINANCING. (1) If a receiver is authorized to operate the business of a person or manage a person's property, the receiver may obtain unsecured credit and incur unsecured debt in the ordinary course of business allowable under section 25(1)(a) of this act as an administrative expense of the receiver without order of the court.

(2) The court, after notice and a hearing, may authorize a receiver to obtain credit or incur indebtedness other than in the ordinary course of business. The court may allow the receiver to mortgage, pledge, hypothecate, or otherwise encumber estate property as security for repayment of any indebtedness that the receiver may incur.

NEW SECTION. Sec. 17. A new section is added to chapter 7.60 RCW to read as follows:

ABANDONMENT OF PROPERTY. The receiver, or any party in interest, upon order of the court following notice and a hearing, and upon the conditions or terms the court considers just and proper, may

abandon any estate property that is burdensome to the receiver or is of inconsequential value or benefit. However, a receiver may not abandon property that is a hazard or potential hazard to the public in contravention of a state statute or rule that is reasonably designed to protect the public health or safety from identified hazards, including but not limited to chapters 70.105 and 70.105D RCW. Property that is abandoned no longer constitutes estate property.

NEW SECTION. Sec. 18. A new section is added to chapter 7.60 RCW to read as follows:

ACTIONS BY AND AGAINST THE RECEIVER OR AFFECTING PROPERTY HELD BY RECEIVER. (1) The receiver has the right to sue and be sued in the receiver's capacity as such, without leave of court, in all cases necessary or proper for the conduct of the receivership. However, action seeking to dispossess the receiver of any estate property or otherwise to interfere with the receiver's management or control of any estate property may not be maintained or continued unless permitted by order of the court obtained upon notice and a hearing.

(2) Litigation by or against a receiver is adjunct to the receivership case. The clerk of the court shall assign a cause number that reflects the relationship of any litigation to the receivership case. All pleadings in adjunct litigation shall include the cause number of the receivership case as well as the adjunct litigation number assigned by the clerk of the court. All adjunct litigation shall be referred to the judge, if any, assigned to the receivership case.

(3) The receiver may be joined or substituted as a party in any suit or proceeding that was pending at the time of the receiver's appointment and in which the person over whose property the receiver is appointed is a party, upon application by the receiver to the court or agency before which the action is pending.

(4) Venue for adjunct litigation by or against the receiver shall lie in the court in which the receivership is pending, if the courts of this state have jurisdiction over the cause. Actions in other courts in this state shall be transferred to the court upon the receiver's filing of a motion for change of venue, provided that the receiver files the motion within thirty days following service of original process upon the receiver. However, actions in other courts or forums in which a state agency is a party shall not be transferred on request of the receiver absent consent of the affected state agency or grounds provided under other applicable law.

(5) Action by or against a receiver does not abate by reason of death or resignation of the receiver, but continues against the successor receiver or against the entity in receivership, if a successor receiver is not appointed.

(6) Whenever the assets of any domestic or foreign corporation, that has been doing business in this state, has been placed in the hands of any general receiver and the receiver is in possession of its assets, service of all process upon the corporation may be made upon the receiver.

(7) A judgment against a general receiver is not a lien on the property or funds of the receivership, nor shall any execution issue thereon, but upon entry of the judgment in the court in which a general receivership is pending, or upon filing in a general receivership of a certified copy of the judgment from another jurisdiction, the judgment shall be treated as an allowed claim in the receivership. A judgment against a custodial receiver shall be treated and has the same effect as a judgment against the person over whose property the receiver is appointed, except that the judgment is not enforceable against estate property unless otherwise ordered by the court upon notice and a hearing.

NEW SECTION. Sec. 19. A new section is added to chapter 7.60 RCW to read as follows:

PERSONAL LIABILITY OF RECEIVER. NEW SECTION. Sec. 23. A new section is added to chapter 7.60 RCW to read as follows:

SUBMISSION OF CLAIMS IN GENERAL RECEIVERSHIPS. (1) All claims, whether contingent, liquidated, unliquidated, or disputed, other than claims of creditors with security interests in or other liens against property of the estate, arising prior to the receiver's appointment, must be served in accordance with this chapter, and any claim not so filed is barred from participating in any distribution to creditors in any general receivership.

(2) Claims must be served by delivering the claim to the general receiver within thirty days from the date notice is given by mail under this section, unless the court reduces or extends the period for cause shown, except that a claim arising from the rejection of an executory contract or an unexpired lease of the person over whose property the receiver is appointed may be filed within thirty days after the rejection. Claims need not be filed. Claims must be served by state agencies on the general receiver within one hundred eighty days from the date notice is given by mail under this section.

(3) Claims must be in written form entitled "Proof of Claim," setting forth the name and address of the creditor and the nature and amount of the claim, and executed by the creditor or the creditor's authorized agent. When a claim, or an interest in estate property of securing the claim, is based on a writing, the original or a copy of the writing must be included as a part of the proof of claim, together with evidence of perfection of any security interest or other lien asserted by the claimant.

(4) A claim, executed and served in accordance with this section, constitutes prima facie evidence of the validity and amount of the claim.

NEW SECTION. Sec. 24. A new section is added to chapter 7.60 RCW to read as follows:

OBJECTION TO AND ALLOWANCE OF CLAIMS. (1) At any time prior to the entry of an order approving the general receiver's final report, the general receiver or any party in interest may file with the court an objection to a claim, which objection must be in writing and must set forth the grounds for the objection. A copy of the objection, together with notice of hearing, must be mailed to the creditor at least thirty days prior to the hearing. Claims properly served upon the general receiver and not disallowed by the court are entitled to share in distributions from the estate in accordance with the priorities provided for by this chapter or otherwise by law.

(2) Upon the request of a creditor, the general receiver, or any party in interest objecting to the creditor's claim, or upon order of the court, an objection is subject to mediation prior to adjudication of the objection, under the rules or orders adopted or issued with respect to mediations. However, state claims are not subject to mediation absent agreement of the state.

(3) Upon motion of the general receiver or other party in interest, the following claims may be estimated for purpose of allowance under this section under the rules or orders applicable to the estimation of claims under this subsection:

(a) Any contingent or unliquidated claim, the fixing or liquidation of which, as the case may be, would unduly delay the administration of the case; or

(b) Any right to payment arising from a right to an equitable remedy for breach of performance.

Claims subject to this subsection shall be allowed in the estimated amount thereof.

NEW SECTION. Sec. 25. A new section is added to chapter 7.60 RCW to read as follows:

PRIORITIES. (1) Allowed claims in a general receivership shall receive distribution under this chapter in the order of priority under (a) through (h) of this subsection and, with the exception of (a) and (c) of this subsection, on a pro rata basis.

(a) Creditors with liens on property of the estate, which liens are duly perfected under applicable law, shall receive the proceeds from the disposition of their collateral. However, the receiver may recover from property securing an allowed secured claim the reasonable, necessary expenses of preserving, protecting, or disposing of the property to the extent of any benefit to the creditors. If and to the extent that the proceeds are less than the amount of a creditor's allowed claim or a creditor's lien is avoided on any basis, the creditor is an unsecured claim under (h) of this subsection. Secured claims shall be paid from the proceeds in accordance with their respective priorities under otherwise applicable law.

(b) Actual, necessary costs and expenses incurred during the administration of the estate, other than those expenses allowable under (a) of this subsection, including allowed fees and reimbursement of reasonable charges and expenses of the receiver and professional persons employed by the receiver under section 20 of this act. Notwithstanding (a) of this subsection, expenses incurred during the administration of the estate have priority over the secured claim of any creditor obtaining or consenting to the appointment of the receiver.

(c) Creditors with liens on property of the estate, which liens have not been duly perfected under applicable law, shall receive the proceeds from the disposition of their collateral if and to the extent that unsecured claims are made subject to those liens under applicable law.

(d) Claims for wages, salaries, or commissions, including vacation, severance, and sick leave pay, or contributions to an employee benefit plan, earned by the claimant within ninety days of the date of appointment of the receiver or the cessation of the estate's business, whichever occurs first, but only to the extent of two thousand dollars.

(e) Allowed unsecured claims, to the extent of nine hundred dollars for each individual, arising from the deposit with the person over whose property the receiver is appointed before the date of appointment of the receiver of money in connection with the purchase, lease, or rental of property or the purchase of services for personal, family, or household use by individuals that were not delivered or provided.

(f) Claims for a support debt as defined in RCW 74.20A.020(10), but not to the extent that the debt (i) is assigned to another entity, voluntarily, by operation of law, or otherwise; or (ii) includes a liability designated as a support obligation unless that liability is actually in the nature of a support obligation.

(g) Unsecured claims of governmental units for taxes which accrued prior to the date of appointment of the receiver.

(h) Other unsecured claims.

(2) If all of the classes under subsection (1) of this section have been paid in full, any residue shall be paid to the person over whose property the receiver is appointed.

NEW SECTION. Sec. 26. A new section is added to chapter 7.60 RCW to read as follows:
SECURED CLAIMS AGAINST AFTER-ACQUIRED PROPERTY. Except as otherwise provided for by statute, property acquired by the estate or by the person over whose property the receiver is appointed after the date of appointment of the receiver is subject to an allowed secured claim to the same extent as would be the case in the absence of a receivership.

NEW SECTION. Sec. 27. A new section is added to chapter 7.60 RCW to read as follows:
INTEREST ON CLAIMS. To the extent that funds are available in the estate for distribution to creditors in a general receivership, the holder of an allowed noncontingent, liquidated claim is entitled to receive interest at the legal rate or other applicable rate from the date of appointment of the receiver or the date on which the claim became a noncontingent, liquidated claim. If there are sufficient funds in the estate to fully pay all interest owing to all members of the class, then interest shall be paid proportionately to each member of the class.

NEW SECTION. Sec. 28. A new section is added to chapter 7.60 RCW to read as follows:
RECEIVER'S DISPOSITION OF PROPERTY--SALES FREE AND CLEAR. (1) The receiver, with the court's approval after notice and a hearing, may use, sell, or lease estate property other than in the ordinary course of business. Except in the case of a leasehold estate with a remaining term of less than two years or a vendor's interest in a real estate contract, estate property consisting of real property may not be sold by a custodial receiver other than in the ordinary course of business.
(2) The court may order that a general receiver's sale of estate property under subsection (1) of this section be effected free and clear of liens and of all rights of redemption, whether or not the sale will generate proceeds sufficient to fully satisfy all claims secured by the property, unless either:
(a) The property is real property used principally in the production of crops, livestock, or aquaculture, or the property is a homestead under RCW 6.13.010(1), and the owner of the property has not consented to the sale following the appointment of the receiver; or
(b) The owner of the property or a creditor with an interest in the property serves and files a timely opposition to the receiver's sale, and the court determines that the amount likely to be realized by the objecting person from the receiver's sale is less than the person would realize within a reasonable time in the absence of the receiver's sale.

Upon any sale free and clear of liens authorized by this section, all security interests and other liens encumbering the property conveyed transfer and attach to the proceeds of the sale, net of reasonable expenses incurred in the disposition of the property, in the same order, priority, and validity as the liens had with respect to the property immediately before the conveyance. The court may authorize the receiver at the time of sale to satisfy, in whole or in part, any allowed claim secured by the property out of the proceeds of its sale if the interest of any other creditor having a lien against the proceeds of the sale would not thereby be impaired.

(3) At a public sale of property under subsection (1) of this section, a creditor with an allowed claim secured by a lien against the property to be sold may bid at the sale of the property. A secured creditor who purchases the property from a receiver may offset against the purchase price its allowed secured claim against the

property, provided that the secured creditor tenders cash sufficient to satisfy in full all secured claims payable out of the proceeds of sale having priority over the secured creditor's secured claim. If the lien or the claim it secures is the subject of a bona fide dispute, the court may order the holder of the claim to provide the receiver with adequate security to assure full payment of the purchase price in the event the lien, the claim, or any part thereof is determined to be invalid or unenforceable.

(4) If estate property includes an interest as a coowner of property, the receiver shall have the rights and powers of a coowner afforded by applicable state or federal law, including but not limited to any rights of partition.

(5) The reversal or modification on appeal of an authorization to sell or lease estate property under this section does not affect the validity of a sale or lease under that authorization to an entity that purchased or leased the property in good faith, whether or not the entity knew of the pendency of the appeal, unless the authorization and sale or lease were stayed pending the appeal.

NEW SECTION. Sec. 29. A new section is added to chapter 7.60 RCW to read as follows:

ANCILLARY RECEIVERSHIPS. (1) A receiver appointed in any action pending in the courts of this state, without first seeking approval of the court, may apply to any court outside of this state for appointment as receiver with respect to any property or business of the person over whose property the receiver is appointed constituting estate property which is located in any other jurisdiction, if the appointment is necessary to the receiver's possession, control, management, or disposition of property in accordance with orders of the court.

(2) A receiver appointed by a court of another state, or by a federal court in any district outside of this state, or any other person having an interest in that proceeding, may obtain appointment by a superior court of this state of that same receiver with respect to any property or business of the person over whose property the receiver is appointed constituting property of the foreign receivership that is located in this jurisdiction, if the person is eligible under section 5 of this act to serve as receiver, and if the appointment is necessary to the receiver's possession, control, or disposition of the property in accordance with orders of the court in the foreign proceeding. The superior court upon the receiver's request shall enter the orders, not offensive to the laws and public policy of this state, necessary to effectuate orders entered by the court in the foreign receivership proceeding. A receiver appointed in an ancillary receivership in this state is required to comply with this chapter requiring notice to creditors or other parties in interest only as may be required by the superior court in the ancillary receivership.

NEW SECTION. Sec. 30. A new section is added to chapter 7.60 RCW to read as follows:

RESIGNATION OR REMOVAL OF RECEIVER. (1) The court shall remove or replace the receiver on application of the person over whose property the receiver is appointed, the receiver, or any creditor, or on the court's own motion, if the receiver fails to execute and file the bond required by section 6 of this act, or if the receiver resigns or refuses or fails to serve for any reason, or for other good cause.

(2) Upon removal, resignation, or death of the receiver, the court shall appoint a successor receiver if the court determines that further administration of the estate is required. Upon executing and filing a bond under section 6 of this act, the successor receiver shall immediately take possession of the estate and assume the duties of receiver.

(3) Whenever the court is satisfied that the receiver so removed or replaced has fully accounted for and turned over to the successor receiver appointed by the court all of the property of the estate and has filed a report of all receipts and disbursements during the person's tenure as receiver, the court shall enter an order discharging that person from all further duties and responsibilities as receiver after notice and a hearing.

NEW SECTION. Sec. 31. A new section is added to chapter 7.60 RCW to read as follows:

TERMINATION OF RECEIVERSHIP. (1) Upon distribution or disposition of all property of the estate, or the completion of the receiver's duties with respect to estate property, the receiver shall move the court to be discharged upon notice and a hearing.

(2) The receiver's final report and accounting setting forth all receipts and disbursements of the estate shall be annexed to the petition for discharge and filed with the court.

(3) Upon approval of the final report, the court shall discharge the receiver.

(4) The receiver's discharge releases the receiver from any further duties and responsibilities as receiver under this chapter.

(5) Upon motion of any party in interest, or upon the court's own motion, the court has the power to discharge the receiver and terminate the court's administration of the property over which the receiver was appointed. If the court determines that the appointment of the receiver was wrongfully procured or procured in bad faith, the court may assess against the person who procured the receiver's appointment (a) all of the receiver's fees and other costs of the receivership and (b) any other sanctions the court determines to be appropriate.

NEW SECTION. Sec. 32. A new section is added to chapter 7.60 RCW to read as follows:

APPLICABILITY. This chapter applies to receivers and receiverships otherwise provided for by the laws of this state except as otherwise expressly provided for by statute or as necessary to give effect to the laws of this state. This chapter does not apply to any proceeding authorized by or commenced under Title 48 RCW.

Sec. 33. RCW 4.28.320 and 1999 c 233 s 1 are each amended to read as follows:

From the time of the filing only shall the pendency of the action be constructive notice to a purchaser or encumbrancer of the property affected thereby, and every person whose conveyance or encumbrance is subsequently executed or subsequently recorded shall be deemed a subsequent purchaser or encumbrancer, and shall be bound by all proceedings taken after the filing of such notice to the same extent as if he or she were a party to the action. For the purpose of this section an action shall be deemed to be pending from the time of filing such notice: PROVIDED, HOWEVER, That such notice shall be of no avail unless it shall be followed by the first publication of the summons, or by the personal service thereof on a defendant within sixty days after such filing. And the court in which the said action was commenced may, at its discretion, at any time after the action shall be settled, discontinued or abated, on application of any person aggrieved and on good cause shown and on such notice as shall be directed or approved by the court, order the notice authorized in this section to be canceled of record, in whole or in part, by the county auditor of any county in whose office the same may have been filed or recorded, and such cancellation shall be evidenced by the recording of the court order.

Sec. 34. RCW 6.32.100 and 1893 c 133 s 10 are each amended to read as follows:

~~((After a receiver has been appointed or a receivership has been extended to the special proceedings, the judge must, by order, direct the sheriff to pay the money, or the proceeds of the property, deducting his fees, to the receiver; or if the case so requires to deliver to the receiver the property in his hands. But if it appears to the satisfaction of the judge that an order appointing a receiver or extending a receivership is not necessary, he may, by an order reciting that fact,))~~ Unless a receiver has been appointed or extended with respect to money or property in the hands of the sheriff, the judge may direct the sheriff to apply the money ~~((so paid)),~~ the property, or the proceeds of the property ~~((so delivered)),~~ upon an execution in favor of the judgment creditor issued either before or after the payment or delivery to the sheriff.

Sec. 35. RCW 6.32.150 and 1893 c 133 s 15 are each amended to read as follows:

A special proceeding instituted as prescribed in this chapter may be discontinued at any time upon such terms as justice requires, by an order of the judge made upon the application of the judgment creditor. Where the judgment creditor unreasonably delays or neglects to proceed, or where it appears that ~~((his))~~ the judgment has been satisfied, ~~((his))~~ the special proceedings may be dismissed upon like terms by a like order made upon the application of the judgment debtor, or of plaintiff in a judgment creditor's action against the debtor, or of a judgment creditor who has instituted either of the special proceedings authorized by this chapter. ~~((Where an order appointing a receiver or extending a receivership has been made in the course of the special proceeding, notice of the application for an order specified in this section must be given in such manner as the judge deems proper, to all persons interested in the receivership as far as they can conveniently be ascertained.))~~

Sec. 37. RCW 7.08.030 and 1890 p 83 s 3 are each amended to read as follows:

~~((The debtor shall annex to such assignment an inventory, under oath, of all his estate, real and personal, according to the best of his knowledge, and also a list of his creditors, with their post office address and a list of the amount of their respective demands, but such inventory shall not be conclusive as to the amount of the debtor's estate. Every assignment shall be in writing, and duly acknowledged in the same manner as conveyances of real estate, and recorded in the record of deeds of the county where the person making the same resides, or where the business in respect to which the same is made has been carried on.))~~

A petition shall set forth the name and address of the assignor and the name and address of the assignee, and shall include a copy of the assignment and the schedules affixed thereto, and a request that the court fix the amount of the receiver's bond to be filed with the clerk of the court.

(4) A person to whom a general assignment of property for the benefit of creditors has been made shall be appointed as general receiver with respect to the assignor's property by the superior court upon the filing of a petition under subsection (3) of this section. Except as provided for by subsection (5) of this section, following the assignee's appointment as general receiver, all proceedings involving the administration of the assignor's property and the claims of the assignee's creditors shall be governed by the provisions of chapter 7.60 RCW applicable to general receiverships and court rules applicable thereto.

(5) Upon ~~(the application)~~ motion of two or more creditors of ~~((said debtor therefor, by petition to the judge of the superior court of the county in which such assignment is or should be recorded,))~~ the assignor served and filed at any time within thirty days ~~((from the making or recording of such assignment))~~ following the date upon which notice is mailed to all known creditors under section 22 of this act, it shall be the duty of ~~((said superior judge))~~ the court to direct the clerk of ~~((said superior))~~ the court to order a meeting of the creditors of ~~((said debtors))~~ the assignor, to ~~((choose an assignee of the estate of said debtor in lieu of))~~ determine whether a person other than the assignee named ~~((by the debtor in his))~~ in the assignment should be appointed as general receiver with respect to the property of the assignor; and thereupon the clerk of ~~((said))~~ the court shall ~~((forthwith))~~ immediately give notice to all the creditors ~~((of said debtor))~~ identified in the schedules affixed to the assignment to meet at ~~((his))~~ the clerk's office or at such other location within the county as the clerk may specify, at a time stated ~~((;))~~ not to exceed fifteen days from the date of such notice, to ~~((select one or more assignees in the place of the assignee named by the debtor in his assignment))~~ determine whether a person other than the assignee named in the assignment should be appointed as general receiver with respect to the property of the assignor. ~~((Such))~~ The assignor's creditors may appear in person or by proxy at the meeting, and a majority in both number and value of ~~((said))~~ claims of the creditors attending ~~((such))~~ or represented at the meeting ~~((shall))~~ may select ~~((one or more assignees; and in the event that no one shall receive a majority vote of said creditors who represent at least one half in amount of all claims represented at such meeting, then, and in that event, said clerk shall certify that fact to the judge of the superior court aforesaid, and thereupon said superior judge shall select and appoint an assignee.~~

When such assignee shall have been selected by such creditors, or appointed by the superior judge as herein provided, then the assignee named in the debtor's assignment shall forthwith make to the assignee elected by the creditors or appointed by the superior judge, an assignment and conveyance of all the estate, real and personal, that has been assigned or conveyed to him by said debtor; and such assignee so elected by the creditors or appointed by the superior judge, upon giving the bond required of an assignee by RCW 7.08.010 through 7.08.170, shall possess all the powers, and be subject to all the duties imposed by RCW 7.08.010 through 7.08.170, as fully to all intents and purposes as though named in the debtor's assignment.) a person other than the assignee named in the assignment to serve as general receiver with respect to the assignor's property, whereupon the court shall appoint the selected person as receiver under subsection (4) of this section if a receiver has not already been appointed, and shall appoint the person to replace the original assignee as receiver if the appointment already has been made, unless the court determines upon good cause shown that the appointment as receiver of the person selected by the creditors would not be in the best interests of creditors in general, in which event the court shall appoint or substitute as the receiver a person selected by the court other than the original assignee. If at least one-third of the number or amount of claims represented in person or by proxy at the meeting of creditors vote for the appointment as receiver of a person or persons other than the assignee named in

the assignment, then the court upon motion of any creditor served and filed within ten days following the meeting shall appoint as receiver a person selected by the court other than the original assignee, discharging the original assignee if the person previously was appointed as receiver. A creditor may not vote at any meeting of creditors called for the purpose of determining whether a person other than the assignee named in the assignment should be appointed as receiver, until the creditor has presented to the clerk, who presides at the meeting, a proof of claim in accordance with section 23 of this act.

(6) From the time ~~((of the pending of an application to elect an assignee by the creditors, and until the time shall be terminated by an election or appointment as herein provided))~~ a motion is made to elect a new assignee in accordance with subsection (5) of this section, and until either the meeting of creditors occurs without a selection of a new assignee, or until the court enters an order appointing as receiver a person other than the original assignee if the creditors vote to select a new assignee at that meeting, no property of the ~~((debtor))~~ assignor, except perishable property, ~~((shall))~~ may be sold or disposed of by ~~((any))~~ the assignee, whether or not the assignee has been appointed as receiver; but the same shall be safely and securely kept until ~~((the election or appointment of an assignee as herein provided. No creditor shall be entitled to vote at any such meeting called for the purpose of electing an assignee, until he shall have presented to the clerk of the superior court, who shall preside at such meeting, a verified statement of his claim against the debtor))~~ then.

SSB 6208 Prime Sponsor, Senate Committee on Government Operations & Elections: Regarding temporary water-sewer connections. Reported by Committee on Local Government

MAJORITY recommendation: Do pass as amended:

Strike everything after the enacting clause and insert the following:

"**Sec. 1.** RCW 57.08.005 and 2003 c 394 s 5 are each amended to read as follows:

A district shall have the following powers:

(1) To acquire by purchase or condemnation, or both, all lands, property and property rights, and all water and water rights, both within and without the district, necessary for its purposes. The right of eminent domain shall be exercised in the same manner and by the same procedure as provided for cities and towns, insofar as consistent with this title, except that all assessment or reassessment rolls to be prepared and filed by eminent domain commissioners or commissioners appointed by the court shall be prepared and filed by the district, and the duties devolving upon the city treasurer are imposed upon the county treasurer;

(2) To lease real or personal property necessary for its purposes for a term of years for which that leased property may reasonably be needed;

(3) To construct, condemn and purchase, add to, maintain, and supply waterworks to furnish the district and inhabitants thereof and any other persons, both within and without the district, with an ample supply of water for all uses and purposes public and private with full authority to regulate and control the use, content, distribution, and price thereof in such a manner as is not in conflict with general law and may construct, acquire, or own buildings and other necessary district facilities. Where a customer connected to the district's system uses the water on an intermittent or transient basis, a district may charge for providing water service to such a customer, regardless of the amount of water, if any, used by the customer. District waterworks may include facilities which result in combined water supply and electric generation, if the electricity generated thereby is a byproduct of the water supply system. That electricity may be used by the district or sold to any entity authorized by law to use or distribute electricity. Electricity is deemed a byproduct when the electrical generation is subordinate to the primary purpose of water supply. For such purposes, a district may take, condemn and purchase, acquire, and retain water from any public or navigable lake, river or watercourse, or any underflowing water, and by means of aqueducts or pipeline conduct the same throughout the district and any city or town therein and carry it along and upon public highways, roads, and streets, within and without such district. For the purpose of constructing or laying aqueducts or pipelines, dams, or waterworks or other necessary structures in storing and retaining water or for any other lawful purpose such district may occupy the beds and shores up to the high water mark of any such lake, river, or other watercourse, and may acquire by purchase or condemnation such property or property rights or privileges as may be necessary to protect its water supply from pollution. For the purposes of waterworks which include facilities for the generation of electricity as a byproduct, nothing in this section may be construed to authorize a district to condemn electric generating, transmission, or distribution

rights or facilities of entities authorized by law to distribute electricity, or to acquire such rights or facilities without the consent of the owner;

(4) To purchase and take water from any municipal corporation, private person, or entity. A district contiguous to Canada may contract with a Canadian corporation for the purchase of water and for the construction, purchase, maintenance, and supply of waterworks to furnish the district and inhabitants thereof and residents of Canada with an ample supply of water under the terms approved by the board of commissioners;

(5) To construct, condemn and purchase, add to, maintain, and operate systems of sewers for the purpose of furnishing the district, the inhabitants thereof, and persons outside the district with an adequate system of sewers for all uses and purposes, public and private, including but not limited to on-site sewage disposal facilities, approved septic tanks or approved septic tank systems, on-site sanitary sewerage systems, inspection services and maintenance services for private and public on-site systems, point and nonpoint water pollution monitoring programs that are directly related to the sewerage facilities and programs operated by a district, other facilities, programs, and systems for the collection, interception, treatment, and disposal of wastewater, and for the control of pollution from wastewater with full authority to regulate the use and operation thereof and the service rates to be charged. Under this chapter, after July 1, 1998, any requirements for pumping the septic tank of an on-site sewage system should be based, among other things, on actual measurement of accumulation of sludge and scum by a trained inspector, trained owner's agent, or trained owner. Training must occur in a program approved by the state board of health or by a local health officer. Sewage facilities may include facilities which result in combined sewage disposal or treatment and electric generation, except that the electricity generated thereby is a byproduct of the system of sewers. Such electricity may be used by the district or sold to any entity authorized by law to distribute electricity. Electricity is deemed a byproduct when the electrical generation is subordinate to the primary purpose of sewage disposal or treatment. For such purposes a district may conduct sewage throughout the district and throughout other political subdivisions within the district, and construct and lay sewer pipe along and upon public highways, roads, and streets, within and without the district, and condemn and purchase or acquire land and rights of way necessary for such sewer pipe. A district may erect sewage treatment plants within or without the district, and may acquire, by purchase or condemnation, properties or privileges necessary to be had to protect any lakes, rivers, or watercourses and also other areas of land from pollution from its sewers or its sewage treatment plant. For the purposes of sewage facilities which include facilities that result in combined sewage disposal or treatment and electric generation where the electric generation is a byproduct, nothing in this section may be construed to authorize a district to condemn electric generating, transmission, or distribution rights or facilities of entities authorized by law to distribute electricity, or to acquire such rights or facilities without the consent of the owners;

(6)(a) To construct, condemn and purchase, add to, maintain, and operate systems of drainage for the benefit and use of the district, the inhabitants thereof, and persons outside the district with an adequate system of drainage, including but not limited to facilities and systems for the collection, interception, treatment, and disposal of storm or surface waters, and for the protection, preservation, and rehabilitation of surface and underground waters, and drainage facilities for public highways, streets, and roads, with full authority to regulate the use and operation thereof and, except as provided in (b) of this subsection, the service rates to be charged.

(b) The rate a district may charge under this section for storm or surface water sewer systems or the portion of the rate allocable to the storm or surface water sewer system of combined sanitary sewage and storm or surface water sewer systems shall be reduced by a minimum of ten percent for any new or remodeled commercial building that utilizes a permissive rainwater harvesting system. Rainwater harvesting systems shall be properly sized to utilize the available roof surface of the building. The jurisdiction shall consider rate reductions in excess of ten percent dependent upon the amount of rainwater harvested.

(c) Drainage facilities may include natural systems. Drainage facilities may include facilities which result in combined drainage facilities and electric generation, except that the electricity generated thereby is a byproduct of the drainage system. Such electricity may be used by the district or sold to any entity authorized by law to distribute electricity. Electricity is deemed a byproduct when the electrical generation is subordinate to the primary purpose of drainage collection, disposal, and treatment. For such purposes, a district may conduct storm or surface water throughout the district and throughout other political subdivisions within the district, construct and lay drainage pipe and culverts along and upon public highways, roads, and streets, within and without the district, and condemn and purchase or acquire land and rights of way necessary for such drainage systems. A district may provide or erect facilities and improvements for the treatment and disposal of storm or surface water within or without the district, and may acquire, by purchase or condemnation, properties or privileges necessary to be had to protect any lakes, rivers, or watercourses and also other areas of land from pollution from storm or surface waters. For the purposes of drainage facilities which include facilities that also generate electricity as a byproduct, nothing in this section may be construed to authorize a district to condemn electric generating, transmission, or distribution rights or facilities of entities authorized by law to distribute electricity, or to acquire such rights or facilities without the consent of the owners;

(7) To construct, condemn, acquire, and own buildings and other necessary district facilities;

(8) To compel all property owners within the district located within an area served by the district's system of sewers to connect their private drain and sewer systems with the district's system under such penalty as the commissioners shall prescribe by resolution. The district may for such purpose enter upon private property

and connect the private drains or sewers with the district system and the cost thereof shall be charged against the property owner and shall be a lien upon property served;

(9) Where a district contains within its borders, abuts, or is located adjacent to any lake, stream, ground water as defined by RCW 90.44.035, or other waterway within the state of Washington, to provide for the reduction, minimization, or elimination of pollutants from those waters in accordance with the district's comprehensive plan, and to issue general obligation bonds, revenue bonds, local improvement district bonds, or utility local improvement bonds for the purpose of paying all or any part of the cost of reducing, minimizing, or eliminating the pollutants from these waters;

(10) Subject to subsection (6) of this section, to fix rates and charges for water, sewer, and drain service supplied and to charge property owners seeking to connect to the district's systems, as a condition to granting the right to so connect, in addition to the cost of the connection, such reasonable connection charge as the board of commissioners shall determine to be proper in order that those property owners shall bear their equitable share of the cost of the system. For the purposes of calculating a connection charge, the board of commissioners shall determine the pro rata share of the cost of existing facilities and facilities planned for construction within the next ten years and contained in an adopted comprehensive plan and other costs borne by the district which are directly attributable to the improvements required by property owners seeking to connect to the system. The cost of existing facilities shall not include those portions of the system which have been donated or which have been paid for by grants. The connection charge may include interest charges applied from the date of construction of the system until the connection, or for a period not to exceed ten years, whichever is shorter, at a rate commensurate with the rate of interest applicable to the district at the time of construction or major rehabilitation of the system, or at the time of installation of the lines to which the property owner is seeking to connect. In lieu of requiring the installation of permanent local facilities not planned for construction by the district, a district may permit connection to the water and/or sewer systems through temporary facilities installed at the property owner's expense, provided the property owner pays a connection charge consistent with the provisions of this chapter and agrees, in the future, to connect to permanent facilities when they are installed; or a district may permit connection to the water and/or sewer systems through temporary facilities and collect from property owners so connecting a proportionate share of the estimated cost of future local facilities needed to serve the property, as determined by the district. The amount collected, including interest at a rate commensurate with the rate of interest applicable to the district at the time of construction of the temporary facilities, shall be held for contribution to the construction of the permanent local facilities by other developers or the district. The amount collected shall be deemed full satisfaction of the proportionate share of the actual cost of construction of the permanent local facilities. If the permanent local facilities are not constructed within fifteen years of the date of payment, the amount collected, including any accrued interest, shall be returned to the property owner, according to the records of the county auditor on the date of return. If the amount collected is returned to the property owner, and permanent local facilities capable of serving the property are constructed thereafter, the property owner at the time of construction of such permanent local facilities shall pay a proportionate share of the cost of such permanent local facilities, in addition to reasonable connection charges and other charges authorized by this section. A district may permit payment of the cost of connection and the reasonable connection charge to be paid with interest in installments over a period not exceeding fifteen years. The county treasurer may charge and collect a fee of three dollars for each year for the treasurer's services. Those fees shall be a charge to be included as part of each annual installment, and shall be credited to the county current expense fund by the county treasurer. Revenues from connection charges excluding permit fees are to be considered payments in aid of construction as defined by department of revenue rule. Rates or charges for on-site inspection and maintenance services may not be imposed under this chapter on the development, construction, or reconstruction of property.

Before adopting on-site inspection and maintenance utility services, or incorporating residences into an on-site inspection and maintenance or sewer utility under this chapter, notification must be provided, prior to the applicable public hearing, to all residences within the proposed service area that have on-site systems permitted by the local health officer. The notice must clearly state that the residence is within the proposed service area and must provide information on estimated rates or charges that may be imposed for the service.

A water-sewer district shall not provide on-site sewage system inspection, pumping services, or other maintenance or repair services under this section using water-sewer district employees unless the on-site system is connected by a publicly owned collection system to the water-sewer district's sewerage system, and the on-site system represents the first step in the sewage disposal process.

Except as otherwise provided in RCW 90.03.525, any public entity and public property, including the state of Washington and state property, shall be subject to rates and charges for sewer, water, storm water control, drainage, and street lighting facilities to the same extent private persons and private property are subject to those rates and charges that are imposed by districts. In setting those rates and charges, consideration may be made of in-kind services, such as stream improvements or donation of property;

(11) To contract with individuals, associations and corporations, the state of Washington, and the United States;

(12) To employ such persons as are needed to carry out the district's purposes and fix salaries and any bond requirements for those employees;

- (13) To contract for the provision of engineering, legal, and other professional services as in the board of commissioner's discretion is necessary in carrying out their duties;
- (14) To sue and be sued;
- (15) To loan and borrow funds and to issue bonds and instruments evidencing indebtedness under chapter 57.20 RCW and other applicable laws;
- (16) To transfer funds, real or personal property, property interests, or services subject to RCW 57.08.015;
- (17) To levy taxes in accordance with this chapter and chapters 57.04 and 57.20 RCW;
- (18) To provide for making local improvements and to levy and collect special assessments on property benefitted thereby, and for paying for the same or any portion thereof in accordance with chapter 57.16 RCW;
- (19) To establish street lighting systems under RCW 57.08.060;
- (20) To exercise such other powers as are granted to water-sewer districts by this title or other applicable laws; and
- (21) To exercise any of the powers granted to cities and counties with respect to the acquisition, construction, maintenance, operation of, and fixing rates and charges for waterworks and systems of sewerage and drainage."

NEW SECTION. Sec. 2. A new section is added to chapter 35.13A RCW to read as follows:

(1) A city having a population of less than five thousand residents may not assume, under this chapter, the jurisdiction of all or part of a water-sewer district serving a population greater than one thousand residents and containing, within its boundaries, the territory of two or more cities, or one city and unincorporated territory, unless voters of the entire water-sewer district approve a ballot proposition authorizing the assumption under general election law. The cost of the election shall be borne by the city seeking approval to assume jurisdiction of a water-sewer district.

(2) A city or town may assume jurisdiction over a water-sewer district located within its boundaries without seeking approval of the voters, as required under subsection (1) of this section, if the board of commissioners of the water-sewer district consent to the assumption of jurisdiction by the city or town. The feasibility study required under subsection (3) of this section is not required if the board of commissioners of the water-sewer district consents to the assumption of jurisdiction by the city or town.

(3) Following the passage of a resolution by a city or town to assume all or part of a special purpose water-sewer district under this chapter, a feasibility study of such assumption shall be conducted, unless the board of commissioners of the water-sewer district consent to the assumption of jurisdiction by the city or town as provided under subsection (2) of this section. The study will be jointly and equally funded by the city and the district through a mutually agreed contract with a qualified independent consultant with professional expertise involving public water and sewer systems. The study shall address the impact of the proposed assumption on both the city and district. Issues to be considered shall be mutually agreed to by the city and the district and shall include, but not be limited to, engineering and operational impacts, costs of the assumption to the city and the district including potential impacts on future water-sewer rates, bond ratings and future borrowing costs, status of existing water rights, and other issues jointly agreed to. The findings of the joint study shall be presented as a public record that is available to the registered voters of the district, both within and without the boundary of the city conducting the assumption, prior to a vote on the proposed assumption by all the voters in the district. The study shall be completed within six months of the passage of the resolution to assume the district. No vote shall take place until such study has been completed and the results have been made available to the registered voters of the district.

(4) This section is applicable to assumptions of jurisdiction of water-sewer districts by cities or towns that have been initiated prior to the effective date of this act and which are pending as of that date, as well as those assumptions of jurisdiction that are initiated on or after the effective date of this act.

(5) Once the voters in a water-sewer district have made the decision to approve or disapprove an assumption through the ballot proposition process required under subsection (1) of this section, a boundary review board does not have jurisdiction, under chapter 36.93 RCW, to conduct a review of such assumption where the attempted or completed assumption involves not more than one city.

NEW SECTION. Sec. 3. This act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and takes effect immediately."

MAJORITY recommendation: Do pass as amended:

Strike everything after the enacting clause and insert the following:

"**Sec. 1.** RCW 28A.500.020 and 1999 c 317 s 2 are each amended to read as follows:

(1) Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

(a) "Prior tax collection year" means the year immediately preceding the year in which the local effort assistance shall be allocated.

(b) "Statewide average twelve percent levy rate" means twelve percent of the total levy bases as defined in RCW 84.52.0531(3) and (4) summed for all school districts, and divided by the total assessed valuation for excess levy purposes in the prior tax collection year for all districts as adjusted to one hundred percent by the county indicated ratio established in RCW 84.48.075.

(c) The "district's twelve percent levy amount" means the school district's maximum levy authority after transfers determined under RCW 84.52.0531(2) (a) through (c) divided by the district's maximum levy percentage determined under RCW 84.52.0531(~~((4))~~) (5) multiplied by twelve percent.

(d) The "district's twelve percent levy rate" means the district's twelve percent levy amount divided by the district's assessed valuation for excess levy purposes for the prior tax collection year as adjusted to one hundred percent by the county indicated ratio.

(e) "Districts eligible for local effort assistance" means those districts with a twelve percent levy rate that exceeds the statewide average twelve percent levy rate.

(2) Unless otherwise stated all rates, percents, and amounts are for the calendar year for which local effort assistance is being calculated under this chapter.

Sec. 2. RCW 84.52.0531 and 1997 c 259 s 2 are each amended to read as follows:

The maximum dollar amount which may be levied by or for any school district for maintenance and operation support under the provisions of RCW 84.52.053 shall be determined as follows:

(1) For excess levies for collection in calendar year 1997, the maximum dollar amount shall be calculated pursuant to the laws and rules in effect in November 1996.

(2) For excess levies for collection in calendar year 1998 and thereafter, the maximum dollar amount shall be the sum of (a) plus or minus (b) and (c) of this subsection minus (d) of this subsection:

(a) The district's levy base as defined in subsections (3) and (4) of this section multiplied by the district's maximum levy percentage as defined in subsection (~~((4))~~) (5) of this section;

(b) For districts in a high/nonhigh relationship, the high school district's maximum levy amount shall be reduced and the nonhigh school district's maximum levy amount shall be increased by an amount equal to the estimated amount of the nonhigh payment due to the high school district under RCW 28A.545.030(3) and 28A.545.050 for the school year commencing the year of the levy;

(c) For districts in an interdistrict cooperative agreement, the nonresident school district's maximum levy amount shall be reduced and the resident school district's maximum levy amount shall be increased by an amount equal to the per pupil basic education allocation included in the nonresident district's levy base under subsection (3) of this section multiplied by:

(i) The number of full-time equivalent students served from the resident district in the prior school year; multiplied by:

(ii) The serving district's maximum levy percentage determined under subsection ~~((4))~~ (5) of this section; increased by:

(iii) The percent increase per full-time equivalent student as stated in the state basic education appropriation section of the biennial budget between the prior school year and the current school year divided by fifty-five percent;

(d) The district's maximum levy amount shall be reduced by the maximum amount of state matching funds for which the district is eligible under RCW 28A.500.010.

(3) For excess levies for collection in calendar year 1998 and thereafter, a district's levy base shall be the sum of allocations in (a) through (c) of this subsection received by the district for the prior school year, including allocations for compensation increases, plus the sum of such allocations multiplied by the percent increase per full time equivalent student as stated in the state basic education appropriation section of the biennial budget between the prior school year and the current school year and divided by fifty-five percent. A district's levy base shall not include local school district property tax levies or other local revenues, or state and federal allocations not identified in (a) through (c) of this subsection.

(a) The district's basic education allocation as determined pursuant to RCW 28A.150.250, 28A.150.260, and 28A.150.350;

(b) State and federal categorical allocations for the following programs:

(iii) Education of highly capable students;

(iv) Compensatory education, including but not limited to learning assistance, migrant education, Indian education, refugee programs, and bilingual education;

(v) Food services; and

(vi) Statewide block grant programs; and

(c) Any other federal allocations for elementary and secondary school programs, including direct grants, other than federal impact aid funds and allocations in lieu of taxes.

(4) For excess levies for collection in calendar years 2005 through 2008, in addition to the allocations included under subsection (3)(a) through (c) of this section, a district's levy base shall also include the difference between the state allocations under subsection (3)(a) and (b) of this section and the allocations the district would have received if: (a) The district's base salary for certificated instructional staff for purposes of determining state basic education allocations had been the same as the highest base salary for that school year on the supporting LEAP salary document referenced in the omnibus appropriations act; and (b) the district's salaries for certificated administrators and classified staff for purposes of determining state basic education allocations had been the same as the highest certificated administrator and classified staff salaries for that school year on the supporting LEAP salary document referenced in the omnibus appropriations act. For calendar year 2005, the additional amounts provided under this subsection shall not be used in the calculation of levy base for the purpose of determining local effort assistance allocations under chapter 28A.500 RCW.

(5) A district's maximum levy percentage shall be twenty-two percent in 1998 and twenty-four percent in 1999 and every year thereafter; plus, for qualifying districts, the grandfathered percentage determined as follows:

(a) For 1997, the difference between the district's 1993 maximum levy percentage and twenty percent; and

(b) For 1998 and thereafter, the percentage calculated as follows:

(i) Multiply the grandfathered percentage for the prior year times the district's levy base determined under subsection (3) of this section;

~~((5))~~ (ii) Reduce the result of (b)(i) of this subsection by any levy reduction funds as defined in subsection ~~((5))~~ (6) of this section that are to be allocated to the district for the current school year;

(iii) Divide the result of (b)(ii) of this subsection by the district's levy base; and

(iv) Take the greater of zero or the percentage calculated in (b)(iii) of this subsection.

~~((5))~~ (6) "Levy reduction funds" shall mean increases in state funds from the prior school year for programs included under subsections (3) and 4 of this section: (a) That are not attributable to enrollment changes, compensation increases, or inflationary adjustments; and (b) that are or were specifically identified as levy reduction funds in the appropriations act. If levy reduction funds are dependent on formula factors which would not be finalized until after the start of the current school year, the superintendent of public instruction shall

estimate the total amount of levy reduction funds by using prior school year data in place of current school year data. Levy reduction funds shall not include moneys received by school districts from cities or counties.

~~((6))~~ (7) For the purposes of this section, "prior school year" means the most recent school year completed prior to the year in which the levies are to be collected.

~~((7))~~ (8) For the purposes of this section, "current school year" means the year immediately following the prior school year.

~~((8))~~ (9) Funds collected from transportation vehicle fund tax levies shall not be subject to the levy limitations in this section.

~~((9))~~ (10) The superintendent of public instruction shall develop rules and regulations and inform school districts of the pertinent data necessary to carry out the provisions of this section.

The alternative route conditional scholarship program is created under the following guidelines:

- (1) The program shall be administered by the higher education coordinating board. In administering the program, the higher education coordinating board has the following powers and duties:
 - (a) To adopt necessary rules and develop guidelines to administer the program;
 - (b) To collect and manage repayments from participants who do not meet their service obligations; and
 - (c) To accept grants and donations from public and private sources for the program.
- (2) Participation in the alternative route conditional scholarship program is limited to interns of the partnership grant programs under RCW 28A.660.040. The Washington professional educator standards board shall select interns to receive conditional scholarships.
- (3) In order to receive conditional scholarship awards, recipients shall be accepted and maintain enrollment in alternative certification routes through the partnership grant program, as provided in RCW 28A.660.040. Recipients must continue to make satisfactory progress towards completion of the alternative route certification program and receipt of a residency teaching certificate.

The state shall forgive one year of loan obligation for every two years a recipient teaches in a public school. Recipients that fail to continue a course of study leading to residency teacher certification or cease to teach in a public school in the state of Washington in their endorsement area are required to repay the remaining loan principal with interest.

SSB 6255 Prime Sponsor, Senate Committee on Children & Family Services & Corrections: Studying criminal background check processes. Reported by Committee on Criminal Justice & Corrections

MAJORITY recommendation: Do pass as amended:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The legislature finds that criminal history record information background checks for employment purposes are rapidly increasing in Washington state. While the demand for criminal history record information background checks is growing, the existing criminal history record information background check data transmission infrastructure and processes are not adequate to keep pace with the growing demand. Furthermore, employers are concerned with the current system's ability to quickly secure results. Without adequate data transmission infrastructure and processes to encourage efficient criminal history record information background checks and to receive results quickly, a public safety risk is created. This is especially true when new or prospective employees will be working with children.

The legislature has learned that some states have recently developed comprehensive criminal history record information background check programs. These programs focus on making criminal history record information background checks easily accessible to employers and prospective employees and have eliminated long response times.

NEW SECTION. Sec. 2. (1) A joint task force on criminal background check processes is established. The joint task force shall consist of the following members:

(a) Two members from each of the two largest caucuses of the senate, appointed by the president of the senate; at least one member from each caucus shall be a member of the senate children and family services and corrections committee;

(b) Two members from each of the two largest caucuses of the house of representatives, appointed by the speaker of the house of representatives; at least one member from each caucus shall be a member of the house criminal justice and corrections committee;

(c) The chief of the Washington state patrol, or the chief's designee;

(d) The secretary of the department of social and health services, or the secretary's designee;

(e) The state superintendent of public instruction, or the superintendent's designee;

(f) An elected sheriff or police chief, selected by the Washington association of sheriffs and police chiefs; and

(g) The following seven members, jointly appointed by the speaker of the house of representatives and the president of the senate:

(i) A representative from a nonprofit service organization that serves primarily children under sixteen years of age;

(3) The findings and recommendations from the Washington association of sheriffs and police chiefs shall be presented to the joint task force on criminal background check processes no later than November 30, 2004.

(4) The requirement to perform the study under this section and to make findings and recommendations is subject to availability of funds appropriated for this specific purpose.

SSB 6302 Prime Sponsor, Senate Committee on Government Operations & Elections: Establishing additional protections for persons ordered to active military service. Reported by Committee on Higher Education

MAJORITY recommendation: Do pass as amended:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. A new section is added to chapter 28B.10 RCW to read as follows:

(1) A member of the Washington national guard or any other military reserve component who is a student at an institution of higher education and who is ordered for a period exceeding thirty days to either active state service, as defined in RCW 38.04.010, or to federal active military service has the following rights:

(a) With regard to courses in which the person is enrolled, the person may:

(i) Withdraw from one or more courses for which tuition and fees have been paid that are attributable to the courses. The tuition and fees must be credited to the person's account at the institution. Any refunds are subject to the requirements of the state or federal financial aid programs of origination. In such a case, the student shall not receive credit for the courses and shall not receive a failing grade, an incomplete, or other negative annotation on the student's record, and the student's grade point average shall not be altered or affected in any manner because of action under this item;

(ii) Be given a grade of incomplete and be allowed to complete the course upon release from active duty under the institution's standard practice for completion of incompletes; or

(iii) Continue and complete the course for full credit. Class sessions the student misses due to performance of state or federal active military service must be counted as excused absences and must not be used in any way to adversely impact the student's grade or standing in the class. Any student who selects this option is not, however, automatically excused from completing assignments due during the period the student is performing state or federal active military service. A letter grade or a grade of pass must only be awarded if, in the opinion of the faculty member teaching the course, the student has completed sufficient work and has demonstrated sufficient progress toward meeting course requirements to justify the grade;

(b) To receive a refund of amounts paid for room, board, and fees attributable to the time period during which the student was serving in state or federal active military service and did not use the facilities or services

for which the amounts were paid. Any refund of room, board, and fees is subject to the requirements of the state or federal financial aid programs of origination; and

(c) If the student chooses to withdraw, the student has the right to be readmitted and enrolled as a student at the institution, without penalty or redetermination of admission eligibility, within one year following release from the state or federal active military service.

(2) The protections in this section may be invoked as follows:

(a) The person, or an appropriate officer from the military organization in which the person will be serving, must give written notice that the person is being, or has been, ordered to qualifying service; and

(b) Upon written request from the institution, the person shall provide written verification of service.

(3) This section provides minimum protections for students. Nothing in this section prevents institutions of higher education from providing additional options or protections to students who are ordered to state or federal active military service.

Sec. 2. RCW 28B.15.600 and 2003 c 319 s 1 are each amended to read as follows:

(1) The governing boards of the state universities, the regional universities, and The Evergreen State College may refund or cancel in full the tuition and services and activities fees if the student withdraws from a university or college course or program prior to the sixth day of instruction of the quarter or semester for which the fees have been paid or are due. If the student withdraws on or after the sixth day of instruction, the governing boards may refund or cancel up to one-half of the fees, provided such withdrawal occurs within the first thirty calendar days following the beginning of instruction. However, if a different policy is required by federal law in order for the institution of higher education to maintain eligibility for federal funding of programs, the governing board may adopt a refund policy that meets the minimum requirements of the federal law, and the policy may treat all students attending the institution in the same manner. Additionally, if federal law provides that students who receive federal financial aid must return a larger amount to the federal government than that refunded by the institution, the governing board may adopt a refund policy that uses the formula used to calculate the amount returned to the federal government, and the policy may treat all students attending the institution in the same manner.

(2) The governing boards of the respective universities and college may adopt rules for the refund of tuition and fees for courses or programs that begin after the start of the regular quarter or semester.

(3) The governing boards may extend the refund or cancellation period for students who withdraw for medical reasons ~~((or))~~, shall adopt policies that comply with section 1 of this act for students who are called into the military service of the United States, and may refund other fees pursuant to such rules as they may prescribe.

Sec. 3. RCW 28B.15.605 and 1995 c 36 s 2 are each amended to read as follows:

(1) The governing boards of the community colleges and technical colleges shall refund or cancel up to one hundred percent but no less than eighty percent of the tuition and services and activities fees if the student withdraws from a college course or program before the sixth day of instruction of the regular quarter for which the fees have been paid or are due. If the student withdraws on or after the sixth day of instruction, the governing boards shall refund or cancel up to fifty percent but no less than forty percent of the fees provided such withdrawal occurs within the first twenty calendar days following the beginning of instruction. However, if a different policy is required by federal law in order for the college to maintain eligibility for federal funding of programs, the governing board may adopt a refund policy that meets the minimum requirements of the federal law and the policy may treat all students attending the institution in the same manner.

(2) The governing boards of the respective community college or technical college shall adopt rules consistent with subsection (1) of this section for the refund of tuition and fees for the summer quarter and for courses or programs that begin after the start of the regular quarter.

(3) The governing boards of community colleges and technical colleges ~~((may adopt rules to comply with RCW 28B.15.623 and))~~ may extend the refund or cancellation period for students who withdraw for medical reasons ~~((or))~~ and shall adopt policies that comply with section 1 of this act for students who are called into the military service of the United States.

Sec. 4. RCW 28B.15.625 and 1991 c 164 s 10 are each amended to read as follows:

Private vocational schools and private higher education institutions are encouraged to provide students ~~((deployed either to the Persian Gulf combat zone, as designated by the president of the United States through executive order, or in another location in support of the Persian Gulf combat zone, with the choice of tuition refunds or one free term, as provided under RCW 28B.10.017 and 28B.15.623 for))~~ who are members of the Washington national guard or any other military reserve component and who are ordered for a period exceeding thirty days into active state service or federal active military service the same rights and opportunities provided under section 1 of this act by public higher education institutions.

SSB 6329 Prime Sponsor, Senate Committee on Parks, Fish & Wildlife: Extending the date for
implementation of ballast water discharge requirements. Reported by Committee on
Fisheries, Ecology & Parks

MAJORITY recommendation: Do pass as amended:

Strike everything after the enacting clause and insert the following:

"**Sec. 1.** RCW 77.120.005 and 2000 c 108 s 1 are each amended to read as follows:

The legislature finds that some nonindigenous species have the potential to cause economic and environmental damage to the state and that current efforts to stop the introduction of nonindigenous species from shipping vessels do not adequately reduce the risk of new introductions into Washington waters.

The legislature recognizes the international ramifications and the rapidly changing dimensions of this issue, the lack of currently available treatment technologies, and the difficulty that any one state has in either legally or practically managing this issue. Recognizing the possible limits of state jurisdiction over international issues, the state declares its support for the international maritime organization and United States coast guard efforts, and the state intends to complement, to the extent its powers allow it, the United States coast guard's ballast water management program.

Sec. 2. 2002 c 282 s 1 (uncodified) is amended to read as follows:

- (1) The director of the department of fish and wildlife must establish the ballast water work group.
- (2) The ballast water work group consists of the following individuals:
 - (a) One staff person from the governor's executive policy office. This person must act as chair of the ballast water work group;
 - (b) Two representatives from the Puget Sound steamship operators;
 - (c) Two representatives from the Columbia river steamship operators;
 - (d) Three representatives from the Washington public ports, one of whom must be a marine engineer;
 - (e) Two representatives from the petroleum transportation industry;
 - (f) One representative from the Puget Sound water quality action team; ~~((and))~~
 - (g) Two representatives from the environmental community;
 - (h) One representative of the shellfish industry;
 - (i) One representative of the tribes;
 - (j) One representative of maritime labor; and
 - (k) One representative from the department of fish and wildlife.
- (3) ~~((2003))~~ 2006, the ballast water work group must study, and provide a report to the legislature by December 15, 2006, the following issues:
 - (a) All issues relating to ballast water technology, including exchange and treatment methods ~~((and))~~, management plans, the associated costs, and the availability of feasible and proven ballast water treatment technologies that could be cost-effectively installed on vessels that typically call on Washington ports;
 - (b) The services needed by the industry and the state to protect the marine environment, including penalties and enforcement; ~~((and))~~
 - (c) The costs associated with, and possible funding methods for, implementing the ballast water program;
 - (d) Consistency with federal and international standards, and identification of gaps between those standards, and the need for additional measures, if any, to meet the goals of this chapter;
 - (e) Describe how the costs of treatment required as of July 1, 2007, will be substantially equivalent among ports where treatment is required;
 - (f) Describe how the states of Washington and Oregon are coordinating their efforts for ballast water management in the Columbia river system; and
 - (g) Describe how the states of Washington, Oregon, and California and the province of British Columbia are coordinating their efforts for ballast water management on the west coast.
- (4) The ballast water work group must begin operation immediately upon the effective date of this section. The ~~((department of fish and wildlife))~~ Puget Sound water quality action team must provide staff for the

ballast water work group. The staff must come from existing personnel within the ~~((department of fish and wildlife)) team.~~

(5) The director must also monitor the activities of the task force created by the state of Oregon in 2001 Or. Laws 722, concerning ballast water management. The director shall provide the ballast water work group with periodic updates of the Oregon task force's efforts at developing a ballast water management system.

(6)(a) The ballast water work group expires June 30, ~~((2004))~~ 2007.

(b) This section expires June 30, ~~((2004))~~ 2007.

Sec. 3. RCW 77.120.030 and 2002 c 282 s 2 are each amended to read as follows:

The owner or operator in charge of any vessel covered by this chapter is required to ensure that the vessel under their ownership or control does not discharge ballast water into the waters of the state except as authorized by this section.

(1) Discharge into waters of the state is authorized if the vessel has conducted an open sea exchange of ballast water. A vessel is exempt from this requirement if the vessel's master reasonably determines that such a ballast water exchange operation will threaten the safety of the vessel or the vessel's crew, or is not feasible due to vessel design limitations or equipment failure. If a vessel relies on this exemption, then it may discharge ballast water into waters of the state, subject to any requirements of treatment under subsection (2) of this section and subject to RCW 77.120.040.

(2) After July 1, ~~((2004))~~ 2007, discharge of ballast water into waters of the state is authorized only if there has been an open sea exchange or if the vessel has treated its ballast water to meet standards set by the department consistent with applicable state and federal laws. When weather or extraordinary circumstances make access to treatment unsafe to the vessel or crew, the master of a vessel may delay compliance with any treatment required under this subsection until it is safe to complete the treatment.

(3) Masters, owners, operators, or persons-in-charge shall submit to the department an interim ballast water management report by July 1, 2006, in the form and manner prescribed by the department. The report shall describe actions needed to implement the ballast water requirements in subsection (2) of this section, including treatment methods applicable to the class of the vessel. Reports may include a statement that there are no treatment methods applicable to the vessel for which the report is being submitted.

(4) The ballast water work group created in section 1, chapter 282, Laws of 2002 shall develop recommendations for the interim ballast water management report. The recommendations must include, but are not limited to:

(a) Actions that the vessel owner or operator will take to implement the ballast water requirements in subsection (2) of this section, including treatment methods applicable to the class of the vessel;

(b) Necessary plan elements when there are not treatment methods applicable to the vessel for which the report is being submitted, or which would meet the requirements of this chapter; and

(c) The method, form, and content of reporting to be used for such reports.

(5) For treatment technologies requiring shipyard modification that cannot reasonably be performed prior to July 1, 2007, the department shall provide the vessel owner or operator with an extension to the first scheduled drydock or shipyard period following July 1, 2007.

(6) The department shall make every effort to align ballast water standards with adopted international and federal standards while ensuring that the goals of this chapter are met.

(7) The requirements of this section do not apply to a vessel discharging ballast water or sediments that originated solely within the waters of Washington state, the Columbia river system, or the internal waters of British Columbia south of latitude fifty degrees north, including the waters of the Straits of Georgia and Juan de Fuca.

~~((4))~~ (8) Open sea exchange is an exchange that occurs fifty or more nautical miles offshore. If the United States coast guard requires a vessel to conduct an exchange further offshore, then that distance is the required distance for purposes of compliance with this chapter."

(1) It is unlawful for any person to engage in a practice listed in subsection (2) of this section unless the person has a license in good standing as required by this chapter. A license issued under this chapter shall be considered to be "in good standing" except when: (a) The license has expired or has been canceled and has not been renewed in accordance with RCW 18.16.110; (b) the license has been denied, revoked, or suspended under RCW 18.16.210, 18.16.230, or 18.16.240, and has not been reinstated; (c) the license is held by a person who has not fully complied with an order of the director issued under RCW 18.16.210 requiring the licensee to pay restitution or a fine, or to acquire additional training; or (d) the license has been placed on inactive status at the request of the licensee, and has not been reinstated in accordance with RCW 18.16.110(3).

NEW SECTION. Sec. 2. A new section is added to chapter 18.16 RCW to read as follows:

(1) If the holder of an individual license in good standing submits a written and notarized request that the licensee's cosmetology, barber, manicurist, esthetician, or instructor license be placed on inactive status, together with a fee equivalent to that established by rule for a duplicate license, the department shall place the license on inactive status until the expiration date of the license. If the date of the request is no more than six months before the expiration date of the license, a request for a two-year extension of the inactive status, as provided under subsection (2) of this section, may be submitted at the same time as the request under this subsection.

(2) If the holder of a license placed on inactive status under this section submits, by the expiration date of the license, a written and notarized request to extend that status for an additional two years, the department shall, without additional fee, extend the expiration date of: (a) The licensee's individual license; and (b) the inactive status for two years from the expiration date of the license.

(3) A license placed on inactive status under this section may not be extended more frequently than once in any twenty-four month period or for more than six consecutive years.

Sec. 3. RCW 18.16.110 and 2002 c 111 s 8 are each amended to read as follows:

(1) The director shall issue the appropriate license to any applicant who meets the requirements as outlined in this chapter.

(2) Except as provided in RCW 18.16.260:

(a) Failure to renew a license (~~before~~) by its expiration date subjects the holder to a penalty fee and payment of each year's renewal fee, at the current rate~~(-)~~; and

(b) A person whose license has not been renewed within one year after its expiration date shall have the license canceled and shall be required to submit an application, pay the license fee, meet current licensing requirements, and pass any applicable examination or examinations, in addition to the other requirements of this chapter, before the license may be reinstated.

(3) In lieu of the requirements of subsection (2)(a) of this section, a license placed on inactive status under section 2 of this act may be reinstated to good standing upon receipt by the department of: (a) Payment of a renewal fee, without penalty, for a two-year license commencing on the date the license is reinstated; and (b) if the license was on inactive status during any time that the board finds that a health or other requirement applicable to the license has changed, evidence showing that the holder of the license has successfully completed, from a school licensed under RCW 18.16.140, at least the number of curriculum clock hours of instruction that the board deems necessary for a licensee to be brought current with respect to such changes, but in no case may the number of hours required under this subsection exceed four hours per year that the license was on inactive status.

(4) Nothing in this section authorizes a person whose license has expired or is on inactive status to engage in a practice prohibited under RCW 18.16.060 until the license is renewed or reinstated.

E2SSB 6358 Prime Sponsor, Senate Committee on Ways & Means: Improving collaboration regarding offenders with treatment orders. Reported by Committee on Criminal Justice & Corrections

MAJORITY recommendation: Do pass as amended:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The legislature makes the following findings:

- (1) In some cases, there is confusion over whether the cause of a person's mental disorder can make that person ineligible for involuntary treatment;
- (2) Some offenders under supervision in the community are concurrently subject to court-ordered mental health or chemical dependency treatment;
- (3) Some offenders under supervision in the community are subject to department of corrections-ordered mental health or substance abuse treatment;
- (4) The department of corrections frequently does not know that an offender is subject to court-ordered treatment;
- (5) Treatment providers frequently do not know that a client is subject to department of corrections supervision;
- (6) There is confusion about the extent to which information about an offender subject to both treatment orders and supervision by the department of corrections may be shared;
- (7) When information is not shared, the lack of information creates gaps in enforcement both of the court order and the offender's conditions of supervision; and
- (8) When there are gaps in enforcement, there is an increased risk to public safety.

Consequently, the legislature intends to clarify the standards for commitment and improve the coordination between the department of corrections and mental health and chemical dependency treatment providers to enhance public safety by improving compliance with treatment and supervision orders and by providing both treatment providers and the department of corrections with more current, complete information about the offender's status.

Sec. 2. RCW 71.05.040 and 1997 c 112 s 4 are each amended to read as follows:

Persons who are developmentally disabled, impaired by chronic alcoholism or drug abuse, or suffering from dementia shall not be detained for evaluation and treatment or judicially committed solely by reason of that condition unless such condition causes a person to be gravely disabled or as a result of a mental disorder such condition exists that constitutes a likelihood of serious harm: Provided however, That persons who are developmentally disabled, impaired by chronic alcoholism or drug abuse, or suffering from dementia and who otherwise meet the criteria for detention or judicial commitment are not ineligible for detention or commitment based on this condition alone.

NEW SECTION. Sec. 3. A new section is added to chapter 10.77 RCW to read as follows:

When a county designated mental health professional or a professional person has determined that a person has a mental disorder, and is otherwise committable, the cause of the person's mental disorder shall not make the person ineligible for commitment under chapter 71.05 RCW.

Sec. 4. RCW 71.05.445 and 2002 c 39 s 2 are each amended to read as follows:

(1) The definitions in this subsection apply throughout this section unless the context clearly requires otherwise.

(a) "Information related to mental health services" means all information and records compiled, obtained, or maintained in the course of providing services to either voluntary or involuntary recipients of services by a mental health service provider. This may include documents of legal proceedings under this chapter or chapter 71.34 or 10.77 RCW, or somatic health care information.

(b) "Mental health service provider" means a public or private agency that provides services to persons with mental disorders as defined under RCW 71.05.020 and receives funding from public sources. This includes evaluation and treatment facilities as defined in RCW 71.05.020, community mental health service delivery systems, or community mental health programs as defined in RCW 71.24.025, and facilities conducting competency evaluations and restoration under chapter 10.77 RCW.

(2)(a) Information related to mental health services delivered to a person subject to chapter 9.94A or 9.95 RCW shall be released, upon request, by a mental health service provider to department of corrections personnel for whom the information is necessary to carry out the responsibilities of their office. The information must be provided only for the purposes of completing presentence investigations or risk assessment reports, supervision of an incarcerated (~~person~~) offender or offender under supervision in the community, planning for and provision of supervision of (~~a person~~) an offender, or assessment of (~~a person's~~) an offender's risk to the community. The request shall be in writing and shall not require the consent of the subject of the records.

(b) If an offender subject to chapter 9.94A or 9.95 RCW has failed to report for department of corrections supervision or in the event of an emergent situation that poses a significant risk to the public or the offender, information related to mental health services delivered to the offender and, if known, information regarding where the offender is likely to be found shall be released by the mental health services provider to the department of corrections upon request. The initial request may be written or oral. All oral requests must be subsequently confirmed in writing. Information released in response to an oral request is limited to a statement as to whether the offender is or is not being treated by the mental health services provider and the address or information about the location or whereabouts of the offender. Information released in response to a written request may include information identified by rule as provided in subsections (4) and (5) of this section. For purposes of this subsection a written request includes requests made by e-mail or facsimile so long as the requesting person at the department of corrections is clearly identified. The request must specify the information being requested. Disclosure of the information requested does not require the consent of the subject of the records unless the offender has received relief from disclosure under section 11, 12, or 13 of this act.

(3)(a) When a mental health service provider conducts its initial assessment for a person receiving court-ordered treatment, the service provider shall inquire and shall be told by the offender whether he or she is subject to supervision by the department of corrections.

(b) When a person receiving court-ordered treatment or treatment ordered by the department of corrections discloses to his or her mental health service provider that he or she is subject to supervision by the department of corrections, the mental health services provider shall notify the department of corrections that he or she is treating the offender and shall notify the offender that his or her community corrections officer will be notified of the treatment, provided that if the offender has received relief from disclosure pursuant to section 11, 12, or 13 of this act and the offender has provided the mental health services provider with a copy of the order granting relief from disclosure pursuant to section 11, 12, or 13 of this act, the mental health services provider is not required to notify the department of corrections that the mental health services provider is treating the offender. The notification may be written or oral and shall not require the consent of the offender. If an oral notification is made, it must be confirmed by a written notification. For purposes of this section, a written notification includes notification by e-mail or facsimile, so long as the notifying mental health service provider is clearly identified.

(4) The information to be released to the department of corrections shall include all relevant records and reports, as defined by rule, necessary for the department of corrections to carry out its duties, including those records and reports identified in subsection (2) of this section.

~~((4))~~ (5) The department and the department of corrections, in consultation with regional support networks, mental health service providers as defined in subsection (1) of this section, mental health consumers, and advocates for persons with mental illness, shall adopt rules to implement the provisions of this section related to the type and scope of information to be released. These rules shall:

(a) Enhance and facilitate the ability of the department of corrections to carry out its responsibility of planning and ensuring community protection with respect to persons subject to sentencing under chapter 9.94A or 9.95 RCW, including accessing and releasing or disclosing information of persons who received mental health services as a minor; and

(b) Establish requirements for the notification of persons under the supervision of the department of corrections regarding the provisions of this section.

~~((5))~~ (6) The information received by the department of corrections under this section shall remain confidential and subject to the limitations on disclosure outlined in chapter 71.05 RCW, except as provided in RCW 72.09.585.

~~((6))~~ (7) No mental health service provider or individual employed by a mental health service provider shall be held responsible for information released to or used by the department of corrections under the provisions of this section or rules adopted under this section except under RCW 71.05.670 and 71.05.440.

~~((7))~~ (8) Whenever federal law or federal regulations restrict the release of information contained in the treatment records of any patient who receives treatment for alcoholism or drug dependency, the release of the information may be restricted as necessary to comply with federal law and regulations.

~~((8))~~ (9) This section does not modify the terms and conditions of disclosure of information related to sexually transmitted diseases under chapter 70.24 RCW.

(10) The department shall, subject to available resources, electronically, or by the most cost-effective means available, provide the department of corrections with the names, last dates of services, and addresses of specific regional support networks and mental health service providers that delivered mental health services to a person subject to chapter 9.94A or 9.95 RCW pursuant to an agreement between the departments.

Sec. 5. RCW 72.09.585 and 2000 c 75 s 4 are each amended to read as follows:

(1) When the department is determining an offender's risk management level, the department shall inquire of the offender and shall be told whether the offender is subject to court-ordered treatment for mental health services or chemical dependency services. The department shall request and the offender shall provide an authorization to release information form that meets applicable state and federal requirements and shall provide the offender with written notice that the department will request the offender's mental health and substance abuse treatment information. An offender's failure to inform the department of court-ordered treatment is a violation of the conditions of supervision if the offender is in the community and an infraction if the offender is in confinement, and the violation or infraction is subject to sanctions.

(2) When an offender discloses that he or she is subject to court-ordered mental health services or chemical dependency treatment, the department shall provide the mental health services provider or chemical dependency treatment provider with a written request for information and any necessary authorization to release information forms. The written request shall comply with rules adopted by the department of social and health services or protocols developed jointly by the department and the department of social and health services. A single request shall be valid for the duration of the offender's supervision in the community. Disclosures of information related to mental health services made pursuant to a department request shall not require consent of the offender.

(3) The information received by the department under RCW 71.05.445 or 71.34.225 may be released to the indeterminate sentence review board as relevant to carry out its responsibility of planning and ensuring community protection with respect to persons under its jurisdiction. Further disclosure by the indeterminate sentence review board is subject to the limitations set forth in subsections ~~((3))~~ (5) and ~~((4))~~ (6) of this section and must be consistent with the written policy of the indeterminate sentence review board. The decision to disclose or not shall not result in civil liability for the indeterminate sentence review board or its employees provided that the decision was reached in good faith and without gross negligence.

~~((2))~~ (4) The information received by the department under RCW 71.05.445 or 71.34.225 may be used to meet the statutory duties of the department to provide evidence or report to the court. Disclosure to the public of information provided to the court by the department related to mental health services shall be limited in accordance with RCW 9.94A.500 or this section.

~~((3))~~ (5) The information received by the department under RCW 71.05.445 or 71.34.225 may be disclosed by the department to other state and local agencies as relevant to plan for and provide offenders transition, treatment, and supervision services, or as relevant and necessary to protect the public and counteract the danger created by a particular offender, and in a manner consistent with the written policy established by the secretary. The decision to disclose or not shall not result in civil liability for the department or its employees so long as the decision was reached in good faith and without gross negligence. The information received by a state or local agency from the department shall remain confidential and subject to the limitations on disclosure set forth in chapters 70.02, 71.05, and 71.34 RCW and, subject to these limitations, may be released only as relevant and necessary to counteract the danger created by a particular offender.

~~((4))~~ (6) The information received by the department under RCW 71.05.445 or 71.34.225 may be disclosed by the department to individuals only with respect to offenders who have been determined by the department to have a high risk of reoffending by a risk assessment, as defined in RCW 9.94A.030, only as relevant and necessary for those individuals to take reasonable steps for the purpose of self-protection, or as provided in RCW 72.09.370(2). The information may not be disclosed for the purpose of engaging the public in a system of supervision, monitoring, and reporting offender behavior to the department. The department must limit the disclosure of information related to mental health services to the public to descriptions of an offender's behavior, risk he or she may present to the community, and need for mental health treatment, including

medications, and shall not disclose or release to the public copies of treatment documents or records, except as otherwise provided by law. All disclosure of information to the public must be done in a manner consistent with the written policy established by the secretary. The decision to disclose or not shall not result in civil liability for the department or its employees so long as the decision was reached in good faith and without gross negligence. Nothing in this subsection prevents any person from reporting to law enforcement or the department behavior that he or she believes creates a public safety risk.

Sec. 6. RCW 71.05.390 and 2000 c 94 s 9, 2000 c 75 s 6, and 2000 c 74 s 7 are each reenacted and amended to read as follows:

Upon a petition by a person who does not have a history of one or more violent acts, as defined in RCW 71.05.020, the court may, for good cause, find that public safety would not be enhanced by the sharing of this person's information.

NEW SECTION. Sec. 14. A new section is added to chapter 70.48 RCW to read as follows:

(1) A person having charge of a jail, or that person's designee, shall notify the county designated mental health professional or the designated chemical dependency specialist seventy-two hours prior to the release to the community of an offender or defendant who was subject to a discharge review under section 18 of this act. If the person having charge of the jail does not receive seventy-two hours notice of the release, the notification to the county designated mental health professional or the designated chemical dependency specialist shall be made as soon as reasonably possible, but not later than the actual release to the community of the defendant or offender.

(2) When a person having charge of a jail, or that person's designee, releases an offender or defendant who was the subject of a discharge review under section 18 of this act, the person having charge of a jail, or that person's designee, shall notify the state hospital from which the offender or defendant was released.

NEW SECTION. Sec. 15. A new section is added to chapter 70.96A RCW to read as follows:

(1) When a designated chemical dependency specialist is notified by a jail that a defendant or offender who was subject to a discharge review under section 18 of this act is to be released to the community, the designated chemical dependency specialist shall evaluate the person within seventy-two hours of release, if the person's treatment information indicates that he or she may need chemical dependency treatment.

(2) When an offender is under court-ordered treatment in the community and the supervision of the department of corrections, and the treatment provider becomes aware that the person is in violation of the terms of the court order, the treatment provider shall notify the designated chemical dependency specialist of the violation and request an evaluation for purposes of revocation of the conditional release.

(3) When a designated chemical dependency specialist becomes aware that an offender who is under court-ordered treatment in the community and the supervision of the department of corrections is in violation of a treatment order or a condition of supervision that relates to public safety, or the designated chemical dependency specialist detains a person under this chapter, the designated chemical dependency specialist shall notify the person's treatment provider and the department of corrections.

(4) When an offender who is confined in a state correctional facility or is under supervision of the department of corrections in the community is subject to a petition for involuntary treatment under this chapter, the petitioner shall notify the department of corrections and the department of corrections shall provide documentation of its risk assessment or other concerns to the petitioner and the court if the department of corrections classified the offender as a high risk or high needs offender.

(5) Nothing in this section creates a duty on any treatment provider or designated chemical dependency specialist to provide offender supervision.

NEW SECTION. Sec. 16. A new section is added to chapter 71.05 RCW to read as follows:

(1) When a county designated mental health professional is notified by a jail that a defendant or offender who was subject to a discharge review under section 18 of this act is to be released to the community, the county designated mental health professional shall evaluate the person within seventy-two hours of release.

(2) When an offender is under court-ordered treatment in the community and the supervision of the department of corrections, and the treatment provider becomes aware that the person is in violation of the terms of the court order, the treatment provider shall notify the county designated mental health professional of the violation and request an evaluation for purposes of revocation of the less restrictive alternative.

(3) When a county designated mental health professional becomes aware that an offender who is under court-ordered treatment in the community and the supervision of the department of corrections is in violation of a treatment order or a condition of supervision, or the county designated mental health professional detains a person under this chapter, the county designated mental health professional shall notify the person's treatment provider and the department of corrections.

(4) When an offender who is confined in a state correctional facility or is under supervision of the department of corrections in the community is subject to a petition for involuntary treatment under this chapter, the petitioner shall notify the department of corrections and the department of corrections shall provide documentation of its risk assessment or other concerns to the petitioner and the court if the department of corrections classified the offender as a high risk or high needs offender.

(5) Nothing in this section creates a duty on any treatment provider or county designated mental health professional to provide offender supervision.

NEW SECTION. Sec. 17. A new section is added to chapter 72.09 RCW to read as follows:

(1) When an offender is under court-ordered mental health or chemical dependency treatment in the community and the supervision of the department of corrections, and the community corrections officer becomes aware that the person is in violation of the terms of the court's treatment order, the community corrections officer shall notify the county designated mental health professional or the designated chemical dependency specialist, as appropriate, of the violation and request an evaluation for purposes of revocation of the less restrictive alternative or conditional release.

(2) When a county designated mental health professional or the designated chemical dependency specialist notifies the department that an offender in a state correctional facility is the subject of a petition for involuntary treatment under chapter 71.05 or 70.96A RCW, the department shall provide documentation of its risk assessment or other concerns to the petitioner and the court if the department classified the offender as a high risk or high needs offender.

NEW SECTION. Sec. 18. A new section is added to chapter 71.05 RCW to read as follows:

(1) When a state hospital admits a person for evaluation or treatment under this chapter who has a history of one or more violent acts and:

(a) Has been transferred from a correctional facility; or

(b) Is or has been under the authority of the department of corrections or the indeterminate sentence review board,

the state hospital shall consult with the appropriate corrections and chemical dependency personnel and the appropriate forensic staff at the state hospital to conduct a discharge review to determine whether the person presents a likelihood of serious harm and whether the person is appropriate for release to a less restrictive alternative.

(2) When a state hospital returns a person who was reviewed under subsection (1) of this section to a correctional facility, the hospital shall notify the correctional facility that the person was subject to a discharge review pursuant to this section.

Sec. 19. RCW 70.02.030 and 1994 sp.s. c 9 s 741 are each amended to read as follows:

(1) A patient may authorize a health care provider to disclose the patient's health care information. A health care provider shall honor an authorization and, if requested, provide a copy of the recorded health care information unless the health care provider denies the patient access to health care information under RCW 70.02.090.

(2) A health care provider may charge a reasonable fee for providing the health care information and is not required to honor an authorization until the fee is paid.

(3) To be valid, a disclosure authorization to a health care provider shall:

(a) Be in writing, dated, and signed by the patient;

(b) Identify the nature of the information to be disclosed;

(c) Identify the name, address, and institutional affiliation of the person to whom the information is to be disclosed;

(d) Except for third-party payors, identify the provider who is to make the disclosure; and

(e) Identify the patient.

(4) Except as provided by this chapter, the signing of an authorization by a patient is not a waiver of any rights a patient has under other statutes, the rules of evidence, or common law.

(5) A health care provider shall retain each authorization or revocation in conjunction with any health care information from which disclosures are made. This requirement shall not apply to disclosures to third-party payors.

(6) Except for authorizations given pursuant to an agreement with a treatment or monitoring program or disciplinary authority under chapter 18.71 or 18.130 RCW, when the patient is under the supervision of the department of corrections, or to provide information to third-party payors, an authorization may not permit the release of health care information relating to future health care that the patient receives more than ninety days after the authorization was signed. Patients shall be advised of the period of validity of their authorization on the disclosure authorization form. If the authorization does not contain an expiration date and the patient is not under the supervision of the department of corrections, it expires ninety days after it is signed.

(7) Where the patient is under the supervision of the department of corrections, an authorization signed pursuant to this section for health care information related to mental health or drug or alcohol treatment expires at the end of the term of supervision.

NEW SECTION. Sec. 20. NEW SECTION. Sec. 21. A new section is added to chapter 4.24 RCW to read as follows:
Information shared and actions taken without gross negligence and in good faith compliance with RCW 71.05.445, 72.09.585, or sections 15 through 17 of this act are not a basis for any private civil cause of action.

NEW SECTION. Sec. 22. The department of social and health services, in consultation with the appropriate committees of the legislature, shall assess the current and needed residential capacity for crisis response and ongoing treatment services for persons in need of treatment for mental disorders and chemical dependency. In addition to considering the demand for persons with either a mental disorder or chemical dependency, the assessment shall consider the demand for services for mentally ill offenders, and persons with co-occurring disorders, mental disorders caused by traumatic brain injury or dementia, and drug induced psychosis. An initial report assessing the types, number, and location of needed mental health crisis response and emergency treatment beds, both in community hospital-based and in other settings, shall be submitted to appropriate committees of the legislature by November 1, 2004. A final report assessing the types, number, and location of beds needed for mental health and chemical dependency emergency, transitional, and ongoing treatment shall be submitted to appropriate committees of the legislature by December 1, 2005. Both reports shall set forth the projected costs and benefits of alternative strategies and timelines for addressing identified needs.

Legislative staff shall review and analyze the use of mental health resources in other state programs for providing community based and hospital based care for persons with mental illness, including information available through the council of state governments and the national conference of state legislatures.

(1) It is unlawful for any person to enter the following places when he or she knowingly possesses or knowingly has under his or her control a weapon:

(a) The restricted access areas of a jail, or of a law enforcement facility, or any place used for the confinement of a person (i) arrested for, charged with, or convicted of an offense, (ii) held for extradition or as a material witness, or (iii) otherwise confined pursuant to an order of a court, except an order under chapter 13.32A or 13.34 RCW. Restricted access areas do not include common areas of egress or ingress open to the general public;

(b) Those areas in any building which are used in connection with court proceedings, including courtrooms, jury rooms, judge's chambers, offices and areas used to conduct court business, waiting areas, and corridors adjacent to areas used in connection with court proceedings. The restricted areas do not include common areas of ingress and egress to the building that is used in connection with court proceedings, when it is

possible to protect court areas without restricting ingress and egress to the building. The restricted areas shall be the minimum necessary to fulfill the objective of this subsection (1)(b).

In addition, the local legislative authority shall provide either a stationary locked box sufficient in size for pistols and key to a weapon owner for weapon storage, or shall designate an official to receive weapons for safekeeping, during the owner's visit to restricted areas of the building. The locked box or designated official shall be located within the same building used in connection with court proceedings. The local legislative authority shall be liable for any negligence causing damage to or loss of a weapon either placed in a locked box or left with an official during the owner's visit to restricted areas of the building.

The local judicial authority shall designate and clearly mark those areas where weapons are prohibited, and shall post notices at each entrance to the building of the prohibition against weapons in the restricted areas;

(c) The restricted access areas of a public mental health facility certified by the department of social and health services for inpatient hospital care and state institutions for the care of the mentally ill, excluding those facilities solely for evaluation and treatment. Any restricted access area shall be clearly indicated by prominent signs indicating that firearms and other weapons are prohibited in the area.

(2) Cities, towns, counties, and other municipalities may enact laws and ordinances:

(a) Restricting the discharge of firearms in any portion of their respective jurisdictions where there is a reasonable likelihood that humans, domestic animals, or property will be jeopardized. An ordinance requiring the cessation of business within a zone shall not have a shorter grandfather period for businesses selling firearms than for any other businesses within the zone.

(b) Cities, towns, and counties may restrict the location of a business selling firearms to not less than five hundred feet from primary or secondary school grounds, if the business has a storefront, has hours during which it is open for business, and posts advertisements or signs observable to passersby that firearms are available for sale. A business selling firearms that exists as of the date a restriction is enacted under this subsection (3)(b) shall be grandfathered according to existing law.

(4) Violations of local ordinances adopted under subsection (2) of this section must have the same penalty as provided for by state law.

(1) No voting device or machine may be used ~~((in a county with a population of seventy thousand or more))~~ to conduct a primary or general or special election in this state unless it correctly records on a separate ballot the votes cast by each elector for any person and for or against any measure and such separate ballots are

available for audit purposes after such a primary or election. After January 1, 2006, no voting device or machine may be used to conduct a primary or general or special election that uses punched holes to record the voter's choices.

(2) The secretary of state shall not certify under this title any voting device or machine for use in conducting a primary or general or special election in this state unless the device or machine correctly records on a separate ballot the votes cast by each elector for any person and for or against any measure and such separate ballots are available for audit purposes after such a primary or election. The secretary of state may not certify under this title any voting device or machine for use in conducting a primary or general or special election that uses punched holes to record the voter's choices.

NEW SECTION. Sec. 13. A new section is added to chapter 29A.12 RCW to read as follows:

The secretary of state may withdraw the certification of any voting system hardware, software, or system component for cause. Before withdrawing a certification the secretary of state shall conduct a public hearing intended to document and allow input from affected system users and vendors before rendering a decision. The secretary of state shall post the report of withdrawal of certification to a publicly available electronic medium and transmit notice of withdrawal of certification under this section to each county auditor within five days after completing the examination.

Sec. 14. RCW 29A.44.320 and 2003 c 111 s 1130 are each amended to read as follows:

Whenever poll-site ballot counting devices or poll-site based electronic voting devices are used, the devices may either be included with the supplies required in RCW 29A.44.110 or they may be delivered to the polling place separately. ~~((AH))~~ Each poll-site ballot counting device(s) and poll-site based electronic voting device must be physically sealed with a unique numbered seal at the time of final preparation and logic and accuracy testing. The seal must secure against unauthorized access. A log must be made of all seal numbers and device numbers used.

NEW SECTION. Sec. 15. A new section is added to chapter 29A.44 RCW to read as follows:

Before each state primary or general election logic and accuracy testing of poll-site based systems or electronic voting devices must be performed by the county under the observation of the office of the secretary of state during the process of final preparation before system distribution to each poll site. For all other elections the logic and accuracy test must be performed by the county auditor before system distribution. As each ballot counter or electronic voting system is programmed and set up for distribution a logic and accuracy test must be performed. These tests must establish that each system is functioning within system standards. All ballot styles programmed for each machine must be processed by each machine in order to ensure that the machine is correctly counting and accumulating votes for every office. After all tests are performed and the machine is ready for distribution, the machine must be sealed and the seal number recorded. The procedure described in this section will serve as the official logic and accuracy test of these devices.

NEW SECTION. Sec. 16. A new section is added to chapter 29A.44 RCW to read as follows:

A log must be created during the testing of poll-site based ballot counters and electronic voting devices. The log must record the time and place of each test, the precinct number, seal number, and machine number of each ballot counter or voting device, and the initials of each person testing and observing the test for each machine. This log must be included in the official logic and accuracy test materials. The processes described in section 15 of this act must be open to observation and subject to all notices and observers under rules adopted by the secretary of state.

NEW SECTION. Sec. 17. A new section is added to chapter 29A.44 RCW to read as follows:

(1) The secretary of state shall empanel a task force of elections and computer security experts to be known as the "Washington Voting Systems Board" to study and determine the potential for election fraud as follows:

(a) At least five county auditors, or their designees, with five years or more of elections experience chosen by the Washington Association of County Auditors;

(b) At least two information technology professionals with five years or more experience in enterprise class computing systems chosen from a list provided by the director of the state department of information services;

(c) The director of the state department of information services or a designee;

(d) A representative of the Washington disability access group;

(e) The state director of elections or a designee;

(f) The secretary of state, or a designee, who shall chair the task force;

(g) A member of each of the four caucuses of the state legislature;

(h) A statistician provided by one of the four-year universities in the state of Washington; and

(i) A cryptographer chosen from a list provided by the director of the department of information services.

The Washington voting systems board may consult with other experts as necessary, such as forensic accounting specialists, computer forensic experts, and law enforcement agencies.

(2) The secretary of state shall provide reports to the legislature before the beginning of the 2005 and 2006 legislative sessions detailing:

(a) The progress of the federal election assistance commission in developing standards for the testing, certification, decertification, and recertification of voting system hardware and software, including electronic voting systems;

(b) The progress of the federal election assistance commission in conducting a thorough study of the issues and challenges, specifically to the potential for election fraud;

(c) The findings of the secretary of state and the Washington voting systems board on the comparative security of various voting systems technologies, including alternate but secure and accurate methods for a voter using a poll-site based electronic voting device to verify his or her vote in a technology distinct from the poll-site based electronic voting device;

(d) The findings of the secretary of state as to any potential or known risks of voting fraud, or actual instance of voting fraud during the previous year;

(e) A list of the voting system technologies certified for use in this state.

(3) Subsection (2) of this section expires July 1, 2006.

NEW SECTION. Sec. 18. A new section is added to chapter 29A.44 RCW to read as follows:

(1) If a poll-site based electronic voting device produces an individual paper record at the time of voting, the device must allow the paper record to be reviewed by the voter before finalizing his or her vote. The paper record must be machine readable for purposes of counting the votes cast using a technology distinct from the poll-site based electronic voting device. If the device is programmed to display the ballot in multiple languages, the paper record produced must be printed in the language used by each voter. The device must allow the voter the option of spoiling the paper record and repeating the voting process if, after examining the paper record but before finalizing and casting his or her vote, the voter determines that the record does not reflect his or her vote. The spoiled record must either be destroyed or marked in order to clearly identify the record as spoiled. Paper records may not be removed from the polling place.

(2)(a) If a poll-site based electronic voting device provides an alternative method for the voter to verify his or her vote, the alternative method must maintain privacy in the act of voting while allowing a voter to verify that his or her votes were cast and recorded as intended, in a technology separate and distinct from the poll-site based electronic voting device. The alternative method must allow the voter an opportunity to repeat the voting process if the voter determines that the verification process does not reflect his or her vote.

(b) An alternative method for voters to verify votes cast on a poll-site based electronic voting device must be approved by the Washington voting systems board before it may be certified for use in Washington by the secretary of state. If the Washington voting systems board approves an alternative method, the board must report its findings and approval to the appropriate standing committees of the legislature by December 1st the same year. At least one regular legislative session must pass between the date that the alternative method is approved by the Washington voting systems board and the date that the alternative method is certified for use by the secretary of state.

NEW SECTION. Sec. 19. A new section is added to chapter 29A.44 RCW to read as follows:

Any paper records produced by poll-site based electronic voting devices are subject to all of the requirements of this chapter and chapter 29A.60 RCW for ballot handling, preservation, reconciliation, transit to the counting center, and storage. The paper records must be preserved in the same manner and for the same period of time as ballots.

NEW SECTION. Sec. 20. A new section is added to chapter 29A.44 RCW to read as follows:

The electronic record produced and counted by poll-site electronic voting devices is the official record of each vote for election purposes. However, any paper records produced under section 18 of this act must be stored and used as the official record of each vote for election purposes in the following specified circumstances only:

- (1) In the event of a mandatory manual recount of votes under RCW 29A.64.020;
- (2) In the event of a requested recount under RCW 29A.64.010;
- (3) By order of the county canvassing board;
- (4) By order of the superior court of a county; or
- (5) For use in the eight percent random audit of results required by section 25 of this act.

NEW SECTION. Sec. 21. A new section is added to chapter 29A.44 RCW to read as follows:

A voter voting on a poll-site based electronic voting system may not leave the device during the voting process except to verify his or her ballot, or to request assistance from the precinct election officers, until the voting process is completed.

NEW SECTION. Sec. 22. A new section is added to chapter 29A.60 RCW to read as follows:

Ballot counting systems must be secured physically and electronically against unauthorized access. Ballot counting systems must not be connected to, or operated on, any electronic network including internal office networks, the Internet, or the World Wide Web. No wireless communications or unauthorized devices or software may be used in any way in a voting system. A network may be used as an internal, integral part of the ballot counting system, but that network must not be connected to any other network, the Internet, or the World Wide Web. All elements of the ballot counting system must be observable and secured. Transfer of information from the ballot counting system to another system for network connection or broadcast must be made via disk, tape, or other physical means of communication other than direct electronic connection.

NEW SECTION. Sec. 23. A new section is added to chapter 29A.60 RCW to read as follows:

Before the first ballot counting session in each election, a report must be produced demonstrating that the system contains no vote data before commencement of counting ballots. At the completion of each ballot counting session, the ballot counting system must produce a report of the results compiled that includes date and time information. Before commencing any additional ballot counting session, a report of the results contained in the system must be produced that includes date and time information. This report must be compared with the report produced at the end of the previous ballot counting session to ensure that no changes have been made to the vote data in the interim period. This comparison must be performed in the presence of political party observers if representatives have been appointed by their respective political parties and are present at the time of comparison. This procedure must be employed for subsequent counting sessions. Nothing in this section precludes the county auditor from zeroing individual devices in subsequent counting sessions if a report is created after each session and before the next, with the results being merged into the total.

Sec. 24. RCW 29A.60.060 and 2003 c 111 s 1506 are each amended to read as follows:

After the close of the polls, counties employing poll-site ballot counting devices or a remote counting location may telephonically or electronically transmit the accumulated tally for each device to a central reporting location. Before making a telephonic or electronic transmission the precinct election officer must create a printed record of the results of the election for that poll site. During the canvassing period the results transmitted telephonically or electronically must be considered unofficial until a complete reconciliation of the results has been performed. This reconciliation may be accomplished by a direct loading of the results from the memory pack into the central accumulator, or a comparison of the report produced at the poll site on election night with the results received by the central accumulating device. The device or devices used to receive the transmission may not be directly connected to the voting system. Transfer of the information received must be made via disk, tape, or other physical means of communication other than direct electronic connection.

NEW SECTION. Sec. 25. A new section is added to chapter 29A.60 RCW to read as follows:

Before the close of business on the day after election day, the county auditor shall conduct an audit of results of votes cast on the poll-site based electronic voting devices used in the county. This audit must be conducted by randomly selecting eight percent of the poll-site based electronic voting devices and comparing the results recorded by each device with those recorded on either the paper records or alternative voter-verified technology for six randomly selected races or issues on each device. This audit procedure must be subject to observation by political party representatives if representatives have been appointed and are present at the time of the audit.

NEW SECTION. Sec. 26. A new section is added to chapter 29A.84 RCW to read as follows:

Anyone who removes a paper record or alternative voter-verified technology produced by a poll-site based electronic voting device from a polling place without authorization is guilty of a class C felony punishable under RCW 9A.20.021.

Sec. 27. RCW 29A.04.610 and 2003 c 111 s 161 are each amended to read as follows:

(b) Restitution limited to the amount of actual loss incurred by any victim;

(c) Attendance at up to ten hours of counseling and/or up to twenty hours of educational or informational sessions at a community agency. The educational or informational sessions may include sessions relating to respect for self, others, and authority; victim awareness; accountability; self-worth; responsibility; work ethics; good citizenship; literacy; and life skills. For purposes of this section, "community agency" may also mean a community-based nonprofit organization, if approved by the diversion unit. The state shall not be liable for costs resulting from the diversion unit exercising the option to permit diversion agreements to mandate attendance at up to ten hours of counseling and/or up to twenty hours of educational or informational sessions;

(d) A fine, not to exceed one hundred dollars;

(e) Requirements to remain during specified hours at home, school, or work, and restrictions on leaving or entering specified geographical areas; and

(f) Upon request of any victim or witness, requirements to refrain from any contact with victims or witnesses of offenses committed by the juvenile.

(3) Notwithstanding the provisions of subsection (2) of this section, youth courts are not limited to the conditions imposed by subsection (2) of this section in imposing sanctions on juveniles pursuant to RCW 13.40.630.

(4) In assessing periods of community restitution to be performed and restitution to be paid by a juvenile who has entered into a diversion agreement, the court officer to whom this task is assigned shall consult with the juvenile's custodial parent or parents or guardian. To the extent possible, the court officer shall advise the victims ~~((who have contacted the diversion unit))~~ of the juvenile offender of the diversion process, offer victim impact letter forms and restitution claim forms, and ~~((to the extent possible,))~~ involve members of the community. Such members of the community shall meet with the juvenile and advise the court officer as to the terms of the diversion agreement and shall supervise the juvenile in carrying out its terms.

(5)(a) A diversion agreement may not exceed a period of six months and may include a period extending beyond the eighteenth birthday of the divertee.

(b) If additional time is necessary for the juvenile to complete restitution to a victim, the time period limitations of this subsection may be extended by an additional six months.

(c) If the juvenile has not paid the full amount of restitution by the end of the additional six-month period, then the juvenile shall be referred to the juvenile court for entry of an order establishing the amount of restitution still owed to the victim. In this order, the court shall also determine the terms and conditions of the restitution, including a payment plan extending up to ten years if the court determines that the juvenile does not have the means to make full restitution over a shorter period. For the purposes of this subsection (5)(c), the juvenile shall remain under the court's jurisdiction for a maximum term of ten years after the juvenile's eighteenth birthday. Prior to the expiration of the initial ten-year period, the juvenile court may extend the judgment for restitution an additional ten years. The court may ~~((not require the juvenile))~~ relieve the juvenile of the requirement to pay full or partial restitution if the juvenile reasonably satisfies the court that he or she does not have the means to make full or partial restitution and could not reasonably acquire the means to pay the restitution over a ten-year period. If the court relieves the juvenile of the requirement to pay full or partial restitution, the court may order an amount of community restitution that the court deems appropriate. The county clerk shall make disbursements to victims named in the order. The restitution to victims named in the order shall be paid prior to any payment for other penalties or monetary assessments. A juvenile under obligation to pay restitution may petition the court for modification of the restitution order.

(6) The juvenile shall retain the right to be referred to the court at any time prior to the signing of the diversion agreement.

(7) Divertees and potential divertees shall be afforded due process in all contacts with a diversion unit regardless of whether the juveniles are accepted for diversion or whether the diversion program is successfully completed. Such due process shall include, but not be limited to, the following:

(a) A written diversion agreement shall be executed stating all conditions in clearly understandable language;

(b) Violation of the terms of the agreement shall be the only grounds for termination;

(c) No divertee may be terminated from a diversion program without being given a court hearing, which hearing shall be preceded by:

(i) Written notice of alleged violations of the conditions of the diversion program; and

(ii) Disclosure of all evidence to be offered against the divertee;

(d) The hearing shall be conducted by the juvenile court and shall include:

(i) Opportunity to be heard in person and to present evidence;

(ii) The right to confront and cross-examine all adverse witnesses;

(iii) A written statement by the court as to the evidence relied on and the reasons for termination, should that be the decision; and

(iv) Demonstration by evidence that the divertee has substantially violated the terms of his or her diversion agreement.

(e) The prosecutor may file an information on the offense for which the divertee was diverted:

(i) In juvenile court if the divertee is under eighteen years of age; or

(ii) In superior court or the appropriate court of limited jurisdiction if the divertee is eighteen years of age or older.

(8) The diversion unit shall, subject to available funds, be responsible for providing interpreters when juveniles need interpreters to effectively communicate during diversion unit hearings or negotiations.

(9) The diversion unit shall be responsible for advising a divertee of his or her rights as provided in this chapter.

(10) The diversion unit may refer a juvenile to community-based counseling or treatment programs.

(11) The right to counsel shall inure prior to the initial interview for purposes of advising the juvenile as to whether he or she desires to participate in the diversion process or to appear in the juvenile court. The juvenile may be represented by counsel at any critical stage of the diversion process, including intake interviews and termination hearings. The juvenile shall be fully advised at the intake of his or her right to an attorney and of the relevant services an attorney can provide. For the purpose of this section, intake interviews mean all interviews regarding the diversion agreement process.

The juvenile shall be advised that a diversion agreement shall constitute a part of the juvenile's criminal history as defined by RCW 13.40.020(7). A signed acknowledgment of such advisement shall be obtained from the juvenile, and the document shall be maintained by the diversion unit together with the diversion agreement, and a copy of both documents shall be delivered to the prosecutor if requested by the prosecutor. The supreme court shall promulgate rules setting forth the content of such advisement in simple language.

(12) When a juvenile enters into a diversion agreement, the juvenile court may receive only the following information for dispositional purposes:

(a) The fact that a charge or charges were made;

(b) The fact that a diversion agreement was entered into;

(c) The juvenile's obligations under such agreement;

(d) Whether the alleged offender performed his or her obligations under such agreement; and

(e) The facts of the alleged offense.

(13) A diversion unit may refuse to enter into a diversion agreement with a juvenile. When a diversion unit refuses to enter a diversion agreement with a juvenile, it shall immediately refer such juvenile to the court for

action and shall forward to the court the criminal complaint and a detailed statement of its reasons for refusing to enter into a diversion agreement. The diversion unit shall also immediately refer the case to the prosecuting attorney for action if such juvenile violates the terms of the diversion agreement.

(14) A diversion unit may, in instances where it determines that the act or omission of an act for which a juvenile has been referred to it involved no victim, or where it determines that the juvenile referred to it has no prior criminal history and is alleged to have committed an illegal act involving no threat of or instance of actual physical harm and involving not more than fifty dollars in property loss or damage and that there is no loss outstanding to the person or firm suffering such damage or loss, counsel and release or release such a juvenile without entering into a diversion agreement. A diversion unit's authority to counsel and release a juvenile under this subsection includes the authority to refer the juvenile to community- based counseling or treatment programs. Any juvenile released under this subsection shall be advised that the act or omission of any act for which he or she had been referred shall constitute a part of the juvenile's criminal history as defined by RCW 13.40.020(7). A signed acknowledgment of such advisement shall be obtained from the juvenile, and the document shall be maintained by the unit, and a copy of the document shall be delivered to the prosecutor if requested by the prosecutor. The supreme court shall promulgate rules setting forth the content of such advisement in simple language. A juvenile determined to be eligible by a diversion unit for release as provided in this subsection shall retain the same right to counsel and right to have his or her case referred to the court for formal action as any other juvenile referred to the unit.

(15) A diversion unit may supervise the fulfillment of a diversion agreement entered into before the juvenile's eighteenth birthday and which includes a period extending beyond the diverttee's eighteenth birthday.

(16) If a fine required by a diversion agreement cannot reasonably be paid due to a change of circumstance, the diversion agreement may be modified at the request of the diverttee and with the concurrence of the diversion unit to convert an unpaid fine into community restitution. The modification of the diversion agreement shall be in writing and signed by the diverttee and the diversion unit. The number of hours of community restitution in lieu of a monetary penalty shall be converted at the rate of the prevailing state minimum wage per hour.

(17) Fines imposed under this section shall be collected and paid into the county general fund in accordance with procedures established by the juvenile court administrator under RCW 13.04.040 and may be used only for juvenile services. In the expenditure of funds for juvenile services, there shall be a maintenance of effort whereby counties exhaust existing resources before using amounts collected under this section.

Sec. 4. RCW 13.40.160 and 2003 c 378 s 3 and 2003 c 53 s 99 are each reenacted and amended to read as follows:

(1) The standard range disposition for a juvenile adjudicated of an offense is determined according to RCW 13.40.0357.

(a) When the court sentences an offender to a local sanction as provided in RCW 13.40.0357 option A, the court shall impose a determinate disposition within the standard ranges, except as provided in subsection (2), (3), (4), (5), or (6) of this section. The disposition may be comprised of one or more local sanctions.

(b) When the court sentences an offender to a standard range as provided in RCW 13.40.0357 option A that includes a term of confinement exceeding thirty days, commitment shall be to the department for the standard range of confinement, except as provided in subsection (2), (3), (4), (5), or (6) of this section.

(2) If the court concludes, and enters reasons for its conclusion, that disposition within the standard range would effectuate a manifest injustice the court shall impose a disposition outside the standard range, as indicated in option D of RCW 13.40.0357. The court's finding of manifest injustice shall be supported by clear and convincing evidence.

A disposition outside the standard range shall be determinate and shall be comprised of confinement or community supervision, or a combination thereof. When a judge finds a manifest injustice and imposes a sentence of confinement exceeding thirty days, the court shall sentence the juvenile to a maximum term, and the provisions of RCW 13.40.030(2) shall be used to determine the range. A disposition outside the standard range is appealable under RCW 13.40.230 by the state or the respondent. A disposition within the standard range is not appealable under RCW 13.40.230.

(3) When a juvenile offender is found to have committed a sex offense, other than a sex offense that is also a serious violent offense as defined by RCW 9.94A.030, and has no history of a prior sex offense, the court, on its own motion or the motion of the state or the respondent, may order an examination to determine whether the respondent is amenable to treatment.

The report of the examination shall include at a minimum the following: The respondent's version of the facts and the official version of the facts, the respondent's offense history, an assessment of problems in addition to alleged deviant behaviors, the respondent's social, educational, and employment situation, and other evaluation measures used. The report shall set forth the sources of the evaluator's information.

The examiner shall assess and report regarding the respondent's amenability to treatment and relative risk to the community. A proposed treatment plan shall be provided and shall include, at a minimum:

- (a)(i) Frequency and type of contact between the offender and therapist;
- (ii) Specific issues to be addressed in the treatment and description of planned treatment modalities;

- (iii) Monitoring plans, including any requirements regarding living conditions, lifestyle requirements, and monitoring by family members, legal guardians, or others;
- (iv) Anticipated length of treatment; and
- (v) Recommended crime-related prohibitions.

The court on its own motion may order, or on a motion by the state shall order, a second examination regarding the offender's amenability to treatment. The evaluator shall be selected by the party making the motion. The defendant shall pay the cost of any second examination ordered unless the court finds the defendant to be indigent in which case the state shall pay the cost.

After receipt of reports of the examination, the court shall then consider whether the offender and the community will benefit from use of this special sex offender disposition alternative and consider the victim's opinion whether the offender should receive a treatment disposition under this section. If the court determines that this special sex offender disposition alternative is appropriate, then the court shall impose a determinate disposition within the standard range for the offense, or if the court concludes, and enters reasons for its conclusions, that such disposition would cause a manifest injustice, the court shall impose a disposition under option D, and the court may suspend the execution of the disposition and place the offender on community supervision for at least two years. As a condition of the suspended disposition, the court may impose the conditions of community supervision and other conditions, including up to thirty days of confinement and requirements that the offender do any one or more of the following:

- (b)(i) Devote time to a specific education, employment, or occupation;
- (ii) Undergo available outpatient sex offender treatment for up to two years, or inpatient sex offender treatment not to exceed the standard range of confinement for that offense. A community mental health center may not be used for such treatment unless it has an appropriate program designed for sex offender treatment. The respondent shall not change sex offender treatment providers or treatment conditions without first notifying the prosecutor, the probation counselor, and the court, and shall not change providers without court approval after a hearing if the prosecutor or probation counselor object to the change;
- (iii) Remain within prescribed geographical boundaries and notify the court or the probation counselor prior to any change in the offender's address, educational program, or employment;
- (iv) Report to the prosecutor and the probation counselor prior to any change in a sex offender treatment provider. This change shall have prior approval by the court;
- (v) Report as directed to the court and a probation counselor;
- (vi) Pay all court-ordered legal financial obligations, perform community restitution, or any combination thereof;
- (vii) Make restitution to the victim for the cost of any counseling reasonably related to the offense;
- (viii) Comply with the conditions of any court-ordered probation bond; or
- (ix) The court shall order that the offender ~~(may)~~ shall not attend the public or approved private elementary, middle, or high school attended by the victim or the victim's siblings. The parents or legal guardians of the offender are responsible for transportation or other costs associated with the offender's change of school that would otherwise be paid by the school district. The court shall send notice of the disposition and restriction on attending the same school as the victim or victim's siblings to the public or approved private school the juvenile will attend, if known, or if unknown, to the approved private schools and the public school district board of directors of the district in which the juvenile resides or intends to reside. This notice must be sent at the earliest possible date but not later than ten calendar days after entry of the disposition.

The sex offender treatment provider shall submit quarterly reports on the respondent's progress in treatment to the court and the parties. The reports shall reference the treatment plan and include at a minimum the following: Dates of attendance, respondent's compliance with requirements, treatment activities, the respondent's relative progress in treatment, and any other material specified by the court at the time of the disposition.

At the time of the disposition, the court may set treatment review hearings as the court considers appropriate.

Except as provided in this subsection (3), after July 1, 1991, examinations and treatment ordered pursuant to this subsection shall only be conducted by sex offender treatment providers certified by the department of health pursuant to chapter 18.155 RCW. A sex offender therapist who examines or treats a juvenile sex offender pursuant to this subsection does not have to be certified by the department of health pursuant to chapter 18.155 RCW if the court finds that: (A) The offender has already moved to another state or plans to move to another state for reasons other than circumventing the certification requirements; (B) no certified providers are available for treatment within a reasonable geographical distance of the offender's home; and (C) the evaluation and treatment plan comply with this subsection (3) and the rules adopted by the department of health.

If the offender violates any condition of the disposition or the court finds that the respondent is failing to make satisfactory progress in treatment, the court may revoke the suspension and order execution of the disposition or the court may impose a penalty of up to thirty days' confinement for violating conditions of the disposition. The court may order both execution of the disposition and up to thirty days' confinement for the

violation of the conditions of the disposition. The court shall give credit for any confinement time previously served if that confinement was for the offense for which the suspension is being revoked.

For purposes of this section, "victim" means any person who has sustained emotional, psychological, physical, or financial injury to person or property as a direct result of the crime charged. "Victim" may also include a known parent or guardian of a victim who is a minor child unless the parent or guardian is the perpetrator of the offense.

A disposition entered under this subsection (3) is not appealable under RCW 13.40.230.

(4) If the juvenile offender is subject to a standard range disposition of local sanctions or 15 to 36 weeks of confinement and has not committed an A- or B+ offense, the court may impose the disposition alternative under RCW 13.40.165.

(5) If a juvenile is subject to a commitment of 15 to 65 weeks of confinement, the court may impose the disposition alternative under RCW 13.40.--- (section 4, chapter 378, Laws of 2003).

(6) When the offender is subject to a standard range commitment of 15 to 36 weeks and is ineligible for a suspended disposition alternative, a manifest injustice disposition below the standard range, special sex offender disposition alternative, chemical dependency disposition alternative, or mental health disposition alternative, the court in a county with a pilot program under RCW 13.40.--- (section 5, chapter 378, Laws of 2003) may impose the disposition alternative under RCW 13.40.--- (section 5, chapter 378, Laws of 2003).

(7) RCW 13.40.193 shall govern the disposition of any juvenile adjudicated of possessing a firearm in violation of RCW 9.41.040(2)(a)(iii) or any crime in which a special finding is entered that the juvenile was armed with a firearm.

(8) Whenever a juvenile offender is entitled to credit for time spent in detention prior to a dispositional order, the dispositional order shall specifically state the number of days of credit for time served.

(9) Except as provided under subsection (3), (4), (5), or (6) of this section, or option B of RCW 13.40.0357, or RCW 13.40.127, the court shall not suspend or defer the imposition or the execution of the disposition.

(10) In no case shall the term of confinement imposed by the court at disposition exceed that to which an adult could be subjected for the same offense.

Sec. 5. RCW 13.40.165 and 2003 c 378 s 6 are each amended to read as follows:

(1) The purpose of this disposition alternative is to ensure that successful treatment options to reduce recidivism are available to eligible youth, pursuant to RCW 70.96A.520. The court must consider eligibility for the chemical dependency disposition alternative when a juvenile offender is subject to a standard range disposition of local sanctions or 15 to 36 weeks of confinement and has not committed an A- or B+ offense, other than a first time B+ offense under chapter 69.50 RCW. The court, on its own motion or the motion of the state or the respondent if the evidence shows that the offender may be chemically dependent or substance abusing, may order an examination by a chemical dependency counselor from a chemical dependency treatment facility approved under chapter 70.96A RCW to determine if the youth is chemically dependent or substance abusing. The offender shall pay the cost of any examination ordered under this subsection unless the court finds that the offender is indigent and no third party insurance coverage is available, in which case the state shall pay the cost.

(2) The report of the examination shall include at a minimum the following: The respondent's version of the facts and the official version of the facts, the respondent's offense history, an assessment of drug-alcohol problems and previous treatment attempts, the respondent's social, educational, and employment situation, and other evaluation measures used. The report shall set forth the sources of the examiner's information.

(3) The examiner shall assess and report regarding the respondent's relative risk to the community. A proposed treatment plan shall be provided and shall include, at a minimum:

- (a) Whether inpatient and/or outpatient treatment is recommended;
- (b) Availability of appropriate treatment;
- (c) Monitoring plans, including any requirements regarding living conditions, lifestyle requirements, and monitoring by family members, legal guardians, or others;
- (d) Anticipated length of treatment; and
- (e) Recommended crime-related prohibitions.

(4) The court on its own motion may order, or on a motion by the state or the respondent shall order, a second examination. The evaluator shall be selected by the party making the motion. The requesting party shall pay the cost of any examination ordered under this subsection unless the requesting party is the offender and the court finds that the offender is indigent and no third party insurance coverage is available, in which case the state shall pay the cost.

(5)(a) After receipt of reports of the examination, the court shall then consider whether the offender and the community will benefit from use of this chemical dependency disposition alternative and consider the victim's opinion whether the offender should receive a treatment disposition under this section.

(b) If the court determines that this chemical dependency disposition alternative is appropriate, then the court shall impose the standard range for the offense, or if the court concludes, and enters reasons for its conclusion, that such disposition would effectuate a manifest injustice, the court shall impose a disposition above the standard range as indicated in option D of RCW 13.40.0357 if the disposition is an increase from the standard

range and the confinement of the offender does not exceed a maximum of fifty-two weeks, suspend execution of the disposition, and place the offender on community supervision for up to one year. As a condition of the suspended disposition, the court shall require the offender to undergo available outpatient drug/alcohol treatment and/or inpatient drug/alcohol treatment. For purposes of this section, inpatient treatment may not exceed ninety days. As a condition of the suspended disposition, the court may impose conditions of community supervision and other sanctions, including up to thirty days of confinement, one hundred fifty hours of community restitution, and payment of legal financial obligations and restitution.

(6) The drug/alcohol treatment provider shall submit monthly reports on the respondent's progress in treatment to the court and the parties. The reports shall reference the treatment plan and include at a minimum the following: Dates of attendance, respondent's compliance with requirements, treatment activities, the respondent's relative progress in treatment, and any other material specified by the court at the time of the disposition.

At the time of the disposition, the court may set treatment review hearings as the court considers appropriate.

If the offender violates any condition of the disposition or the court finds that the respondent is failing to make satisfactory progress in treatment, the court may impose sanctions pursuant to RCW 13.40.200 or revoke the suspension and order execution of the disposition. The court shall give credit for any confinement time previously served if that confinement was for the offense for which the suspension is being revoked.

(7) For purposes of this section, "victim" means any person who has sustained emotional, psychological, physical, or financial injury to person or property as a direct result of the offense charged. "Victim" may also include a known parent or guardian of a victim who is a minor child or is not a minor child but is incapacitated, incompetent, disabled, or deceased.

(8) Whenever a juvenile offender is entitled to credit for time spent in detention prior to a dispositional order, the dispositional order shall specifically state the number of days of credit for time served.

(9) In no case shall the term of confinement imposed by the court at disposition exceed that to which an adult could be subjected for the same offense.

(10) A disposition under this section is not appealable under RCW 13.40.230.

Sec. 6. RCW 13.40.190 and 1997 c 338 s 29 and 1997 c 121 s 9 are each reenacted and amended to read as follows:

(1) In its dispositional order, the court shall require the respondent to make restitution to any persons who have suffered loss or damage as a result of the offense committed by the respondent. In addition, restitution may be ordered for loss or damage if the offender pleads guilty to a lesser offense or fewer offenses and agrees with the prosecutor's recommendation that the offender be required to pay restitution to a victim of an offense or offenses which, pursuant to a plea agreement, are not prosecuted. The payment of restitution shall be in addition to any punishment which is imposed pursuant to the other provisions of this chapter. The court may determine the amount, terms, and conditions of the restitution including a payment plan extending up to ten years if the court determines that the respondent does not have the means to make full restitution over a shorter period. Restitution may include the costs of counseling reasonably related to the offense. If the respondent participated in the crime with another person or other persons, all such participants shall be jointly and severally responsible for the payment of restitution. For the purposes of this section, the respondent shall remain under the court's jurisdiction for a maximum term of ten years after the respondent's eighteenth birthday. Prior to the expiration of the ten-year period, the juvenile court may extend the judgment for the payment of restitution for an additional ten years. At any time, the court may determine that the respondent is not required to pay, or may relieve the respondent of the requirement to pay, full or partial restitution to any insurance provider authorized under Title 48 RCW if the respondent reasonably satisfies the court that he or she does not have the means to make full or partial restitution to the insurance provider and could not reasonably acquire the means to pay the insurance provider the restitution over a ten-year period.

(2) Regardless of the provisions of subsection (1) of this section, the court shall order restitution in all cases where the victim is entitled to benefits under the crime victims' compensation act, chapter 7.68 RCW. If the court does not order restitution and the victim of the crime has been determined to be entitled to benefits under the crime victims' compensation act, the department of labor and industries, as administrator of the crime victims' compensation program, may petition the court within one year of entry of the disposition order for entry of a restitution order. Upon receipt of a petition from the department of labor and industries, the court shall hold a restitution hearing and shall enter a restitution order.

(3) If an order includes restitution as one of the monetary assessments, the county clerk shall make disbursements to victims named in the order. The restitution to victims named in the order shall be paid prior to any payment for other penalties or monetary assessments.

(4) For purposes of this section, "victim" means any person who has sustained emotional, psychological, physical, or financial injury to person or property as a direct result of the offense charged. "Victim" may also include a known parent or guardian of a victim who is a minor child or is not a minor child but is incapacitated, incompetent, disabled, or deceased.

(5) A respondent under obligation to pay restitution may petition the court for modification of the restitution order.

Sec. 7. RCW 13.40.200 and 2002 c 175 s 25 are each amended to read as follows:

(1) When a respondent fails to comply with an order of restitution, community supervision, penalty assessments, or confinement of less than thirty days, the court upon motion of the prosecutor or its own motion, may modify the order after a hearing on the violation.

(2) The hearing shall afford the respondent the same due process of law as would be afforded an adult probationer. The court may issue a summons or a warrant to compel the respondent's appearance. The state shall have the burden of proving by a preponderance of the evidence the fact of the violation. The respondent shall have the burden of showing that the violation was not a willful refusal to comply with the terms of the order. If a respondent has failed to pay a fine, penalty assessments, or restitution or to perform community restitution hours, as required by the court, it shall be the respondent's burden to show that he or she did not have the means and could not reasonably have acquired the means to pay the fine, penalty assessments, or restitution or perform community restitution.

(3) If the court finds that a respondent has willfully violated the terms of an order pursuant to subsections (1) and (2) of this section, it may impose a penalty of up to thirty days' confinement. Penalties for multiple violations occurring prior to the hearing shall not be aggregated to exceed thirty days' confinement. Regardless of the number of times a respondent is brought to court for violations of the terms of a single disposition order, the combined total number of days spent by the respondent in detention shall never exceed the maximum term to which an adult could be sentenced for the underlying offense.

(4) If a respondent has been ordered to pay a fine or monetary penalty and due to a change of circumstance cannot reasonably comply with the order, the court, upon motion of the respondent, may order that the unpaid fine or monetary penalty be converted to community restitution unless the monetary penalty is the crime victim penalty assessment, which cannot be converted, waived, or otherwise modified, except for schedule of payment. The number of hours of community restitution in lieu of a monetary penalty or fine shall be converted at the rate of the prevailing state minimum wage per hour. The monetary penalties or fines collected shall be deposited in the county general fund. A failure to comply with an order under this subsection shall be deemed a failure to comply with an order of community supervision and may be proceeded against as provided in this section.

(5) When a respondent has willfully violated the terms of a probation bond, the court may modify, revoke, or retain the probation bond as provided in RCW 13.40.054.

Sec. 8. RCW 7.69.030 and 1999 c 323 s 2 are each amended to read as follows:

There shall be a reasonable effort made to ensure that victims, survivors of victims, and witnesses of crimes have the following rights, which apply to any criminal court and/or juvenile court proceeding:

(1) With respect to victims of violent or sex crimes, to receive, at the time of reporting the crime to law enforcement officials, a written statement of the rights of crime victims as provided in this chapter. The written statement shall include the name, address, and telephone number of a county or local crime victim/witness program, if such a crime victim/witness program exists in the county;

(2) To be informed by local law enforcement agencies or the prosecuting attorney of the final disposition of the case in which the victim, survivor, or witness is involved;

(3) To be notified by the party who issued the subpoena that a court proceeding to which they have been subpoenaed will not occur as scheduled, in order to save the person an unnecessary trip to court;

(4) To receive protection from harm and threats of harm arising out of cooperation with law enforcement and prosecution efforts, and to be provided with information as to the level of protection available;

(5) To be informed of the procedure to be followed to apply for and receive any witness fees to which they are entitled;

(6) To be provided, whenever practical, a secure waiting area during court proceedings that does not require them to be in close proximity to defendants and families or friends of defendants;

(7) To have any stolen or other personal property expeditiously returned by law enforcement agencies or the superior court when no longer needed as evidence. When feasible, all such property, except weapons, currency, contraband, property subject to evidentiary analysis, and property of which ownership is disputed, shall be photographed and returned to the owner within ten days of being taken;

(8) To be provided with appropriate employer intercession services to ensure that employers of victims, survivors of victims, and witnesses of crime will cooperate with the criminal justice process in order to minimize an employee's loss of pay and other benefits resulting from court appearance;

(9) To access to immediate medical assistance and not to be detained for an unreasonable length of time by a law enforcement agency before having such assistance administered. However, an employee of the law enforcement agency may, if necessary, accompany the person to a medical facility to question the person about the criminal incident if the questioning does not hinder the administration of medical assistance;

(10) With respect to victims of violent and sex crimes, to have a crime victim advocate from a crime victim/witness program, or any other support person of the victim's choosing, present at any prosecutorial or

defense interviews with the victim, and at any judicial proceedings related to criminal acts committed against the victim. This subsection applies if practical and if the presence of the crime victim advocate or support person does not cause any unnecessary delay in the investigation or prosecution of the case. The role of the crime victim advocate is to provide emotional support to the crime victim;

(11) With respect to victims and survivors of victims, to be physically present in court during trial, or if subpoenaed to testify, to be scheduled as early as practical in the proceedings in order to be physically present during trial after testifying and not to be excluded solely because they have testified;

(12) With respect to victims and survivors of victims, to be informed by the prosecuting attorney of the date, time, and place of the trial and of the sentencing hearing for felony convictions upon request by a victim or survivor;

(13) To submit a victim impact statement or report to the court, with the assistance of the prosecuting attorney if requested, which shall be included in all presentence reports and permanently included in the files and records accompanying the offender committed to the custody of a state agency or institution;

(14) With respect to victims and survivors of victims, to present a statement personally or by representation, at the sentencing hearing for felony convictions;

(15) With respect to victims and survivors of victims, to entry of an order of restitution by the court in all felony cases, even when the offender is sentenced to confinement, unless extraordinary circumstances exist which make restitution inappropriate in the court's judgment; and

(16) With respect to victims and survivors of victims, to present a statement in person, via audio or videotape, in writing or by representation at any hearing conducted regarding an application for pardon or commutation of sentence.

Sec. 9. RCW 7.69A.030 and 1997 c 283 s 2 are each amended to read as follows:

In addition to the rights of victims and witnesses provided for in RCW 7.69.030, there shall be every reasonable effort made by law enforcement agencies, prosecutors, and judges to assure that child victims and witnesses are afforded the rights enumerated in this section. Except as provided in RCW 7.69A.050 regarding child victims or child witnesses of violent crimes, sex crimes, or child abuse, the enumeration of rights shall not be construed to create substantive rights and duties, and the application of an enumerated right in an individual case is subject to the discretion of the law enforcement agency, prosecutor, or judge. Child victims and witnesses have the following rights, which apply to any criminal court and/or juvenile court proceeding:

(1) To have explained in language easily understood by the child, all legal proceedings and/or police investigations in which the child may be involved.

(2) With respect to child victims of sex or violent crimes or child abuse, to have a crime victim advocate from a crime victim/witness program, or any other support person of the victim's choosing, present at any prosecutorial or defense interviews with the child victim. This subsection applies if practical and if the presence of the crime victim advocate or support person does not cause any unnecessary delay in the investigation or prosecution of the case. The role of the crime victim advocate is to provide emotional support to the child victim and to promote the child's feelings of security and safety.

(3) To be provided, whenever possible, a secure waiting area during court proceedings and to have an advocate or support person remain with the child prior to and during any court proceedings.

(4) To not have the names, addresses, nor photographs of the living child victim or witness disclosed by any law enforcement agency, prosecutor's office, or state agency without the permission of the child victim, child witness, parents, or legal guardians to anyone except another law enforcement agency, prosecutor, defense counsel, or private or governmental agency that provides services to the child victim or witness.

(5) To allow an advocate to make recommendations to the prosecuting attorney about the ability of the child to cooperate with prosecution and the potential effect of the proceedings on the child.

(6) To allow an advocate to provide information to the court concerning the child's ability to understand the nature of the proceedings.

(7) To be provided information or appropriate referrals to social service agencies to assist the child and/or the child's family with the emotional impact of the crime, the subsequent investigation, and judicial proceedings in which the child is involved.

(8) To allow an advocate to be present in court while the child testifies in order to provide emotional support to the child.

(9) To provide information to the court as to the need for the presence of other supportive persons at the court proceedings while the child testifies in order to promote the child's feelings of security and safety.

(10) To allow law enforcement agencies the opportunity to enlist the assistance of other professional personnel such as child protection services, victim advocates or prosecutorial staff trained in the interviewing of the child victim.

(11) With respect to child victims of violent or sex crimes or child abuse, to receive either directly or through the child's parent or guardian if appropriate, at the time of reporting the crime to law enforcement officials, a written statement of the rights of child victims as provided in this chapter. The written statement shall include the name, address, and telephone number of a county or local crime victim/witness program, if such a crime victim/witness program exists in the county.

Sec. 10. RCW 13.04.040 and 1995 c 312 s 40 are each amended to read as follows:

(2) Make recommendations to the court regarding the need for continued detention or shelter care of a child unless otherwise provided in this title;

(3) Arrange and supervise diversion agreements as provided in RCW 13.40.080, and ensure that the requirements of such agreements are met except as otherwise provided in this title;

(4) Prepare predisposition studies as required in RCW (~~13.34.120 and~~) 13.40.130, and be present at the disposition hearing to respond to questions regarding the predisposition study: PROVIDED, That such duties shall be performed by the department for cases relating to dependency or to the termination of a parent and child relationship which is filed by the department unless otherwise ordered by the court; and

(5) Supervise court orders of disposition to ensure that all requirements of the order are met.

All probation counselors shall possess all the powers conferred upon sheriffs and police officers to serve process and make arrests of juveniles under their supervision for the violation of any state law or county or city ordinance.

The administrator may, in any county or judicial district in the state, appoint one or more persons who shall have charge of detention rooms or houses of detention.

The probation counselors and persons appointed to have charge of detention facilities shall each receive compensation which shall be fixed by the legislative authority of the county, or in cases of joint counties, judicial districts of more than one county, or joint judicial districts such sums as shall be agreed upon by the legislative authorities of the counties affected, and such persons shall be paid as other county officers are paid.

The administrator is hereby authorized, and to the extent possible is encouraged to, contract with private agencies existing within the community for the provision of services to youthful offenders and youth who have entered into diversion agreements pursuant to RCW 13.40.080.

ESSB 6481 Prime Sponsor, Senate Committee on Commerce & Trade: Governing class 1 racing associations' authority to participate in parimutuel wagering. Reported by Committee on Commerce & Labor

MAJORITY recommendation: Do pass as amended:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. **Sec. 1.** A new section is added to chapter 67.16 RCW to read as follows:

(1) The horse racing commission may authorize advance deposit wagering to be conducted by:

(a) A licensed class 1 racing association operating a live horse racing facility; or

(b) The operator of an advance deposit wagering system accepting wagers pursuant to an agreement with a licensed class 1 racing association. The agreement between the operator and the class 1 racing association must be approved by the commission.

(2) No system of advance deposit wagering located outside of or within the state of Washington may accept wagers from residents or other persons located within this state, nor shall residents or other persons located within this state place wagers through advance deposit wagering systems, except with a licensed class 1 racing association authorized to conduct advance deposit wagering, or an operator of an advance deposit wagering system under an agreement approved by the commission with a licensed class 1 racing association. Advance deposit wagering may be accepted for races conducted in the state of Washington under a class 1 license or races not conducted within the state of Washington on a schedule approved by the class 1 licensee.

(3) As used in this section, "advance deposit wagering" means a form of parimutuel wagering in which an individual deposits money in an account with an entity authorized by the commission to conduct advance deposit wagering and then the account funds are used to pay for parimutuel wagers made in person, by telephone, or through communication by other electronic means.

(4) In order to participate in advance deposit wagering, the holder of a class 1 racing association license must have conducted at least one full live racing season. All class 1 racing associations must complete a live race meet within each succeeding twelve-month period to maintain eligibility to continue participating in advance deposit wagering.

(5) When more than one class 1 racing association is participating in advance deposit wagering the moneys paid to the racing associations shall be allocated proportionate to the gross amount of all sources of parimutuel wagering during each twelve-month period derived from the associations' live race meets. This percentage must be calculated annually. Revenue derived from advance deposit wagers placed on races conducted by the class 1 racing association shall all be allocated to that association.

(6) The commission shall adopt rules regulating advance deposit wagering.

(7) This section expires October 1, 2007.

Sec. 2. RCW 67.16.200 and 2001 1st sp.s. c 10 s 2 are each amended to read as follows:

(1) A class 1 racing association licensed by the commission to conduct a race meet may seek approval from the commission to conduct parimutuel wagering (~~on its program~~) at a satellite location or locations within the state of Washington. In order to participate in parimutuel wagering at a satellite location or locations within the state of Washington, the holder of a class 1 racing association license must have conducted at least one full live racing season. All class 1 racing associations must hold a live race meet within each succeeding twelve-month period to maintain eligibility to continue to participate in parimutuel wagering at a satellite location or locations. The sale of parimutuel pools at satellite locations shall be conducted (~~only during the licensee's race meet and~~) simultaneous to all parimutuel wagering activity conducted at the licensee's live racing facility in the state of Washington. The commission's authority to approve satellite wagering at a particular location is subject to the following limitations:

(a) The commission may approve only one satellite location in each county in the state; however, the commission may grant approval for more than one licensee to conduct wagering at each satellite location. A satellite location shall not be operated within twenty driving miles of any class 1 racing facility. For the purposes of this section, "driving miles" means miles measured by the most direct route as determined by the commission; and

(b) A licensee shall not conduct satellite wagering at any satellite location within sixty driving miles of any other racing facility conducting a live race meet.

(2) Subject to local zoning and other land use ordinances, the commission shall be the sole judge of whether approval to conduct wagering at a satellite location shall be granted.

(3) The licensee shall combine the parimutuel pools of the satellite location with those of the racing facility for the purpose of determining odds and computing payoffs. The amount wagered at the satellite location shall be combined with the amount wagered at the racing facility for the application of take out formulas and distribution as provided in RCW 67.16.102, 67.16.105, 67.16.170, and 67.16.175. A satellite extension of the licensee's racing facility shall be subject to the same application of the rules of racing as the licensee's racing facility.

(4) Upon written application to the commission, a class 1 racing association may be authorized to transmit simulcasts of live horse races conducted at its racetrack to locations outside of the state of Washington approved by the commission and in accordance with the interstate horse racing act of 1978 (15 U.S.C. Sec. 3001 to 3007) or any other applicable laws. The commission may permit parimutuel pools on the simulcast races to be combined in a common pool. A racing association that transmits simulcasts of its races to locations outside this state shall pay at least fifty percent of the fee that it receives for sale of the simulcast signal to the horsemen's purse account for its live races after first deducting the actual cost of sending the signal out of state.

(5) Upon written application to the commission, a class 1 racing association may be authorized to transmit simulcasts of live horse races conducted at its racetrack to licensed racing associations located within the state of Washington and approved by the commission for the receipt of the simulcasts. The commission shall permit parimutuel pools on the simulcast races to be combined in a common pool. The fee for in-state, track-to-

track simulcasts shall be five and one-half percent of the gross parimutuel receipts generated at the receiving location and payable to the sending racing association. A racing association that transmits simulcasts of its races to other licensed racing associations shall pay at least fifty percent of the fee that it receives for the simulcast signal to the horsemen's purse account for its live race meet after first deducting the actual cost of sending the simulcast signal. A racing association that receives races simulcast from class 1 racing associations within the state shall pay at least fifty percent of its share of the parimutuel receipts to the horsemen's purse account for its live race meet after first deducting the purchase price and the actual direct costs of importing the race.

(6) A class 1 racing association may be allowed to import simulcasts of horse races from out-of-state racing facilities. With the prior approval of the commission, the class 1 racing association may participate in ~~((an interstate))~~ a multijurisdictional common pool and may change its commission and breakage rates to achieve a common rate with other participants in the common pool.

(a) The class 1 racing association shall make written application with the commission for permission to import simulcast horse races for the purpose of parimutuel wagering. Subject to the terms of this section, the commission is the sole authority in determining whether to grant approval for an imported simulcast race.

(b) ~~((A licensed racing association may also be approved to import one simulcast race of regional or national interest on each live race day.~~

~~(c) The commission may allow simulcast races of regional or national interest to be sent to satellite locations. The simulcasts shall be limited to one per day except for Breeder's Cup special events day.~~

~~(d))~~ When open for parimutuel wagering, a class 1 racing association which imports simulcast races shall also conduct simulcast parimutuel wagering within its licensed racing enclosure on all races simulcast from other class 1 racing associations within the state of Washington.

~~((e) The conduct of parimutuel wagering on imported simulcast races shall be for not more than fourteen hours during any twenty four hour period, for not more than five days per week and only at the live racing facility of a class 1 racing association.~~

~~(f))~~ (c) On any imported simulcast race, the class 1 racing association shall pay fifty percent of its share of the parimutuel receipts to the horsemen's purse account for its live race meet after first deducting the purchase price of the imported race and the actual costs of importing and offering the race.

(7) For purposes of this section, a class 1 racing association is defined as a licensee approved by the commission to conduct during each twelve-month period at least forty days of live racing. If a live race day is canceled due to reasons directly attributable to acts of God, labor disruptions affecting live race days but not directly involving the licensee or its employees, or other circumstances that the commission decides are beyond the control of the class 1 racing association, then the canceled day counts toward the forty-day requirement. The commission may by rule increase the number of live racing days required to maintain class 1 racing association status or make other rules necessary to implement this section.

(8) This section does not establish a new form of gaming in Washington or allow expanded gaming within the state beyond what has been previously authorized. Simulcast wagering has been allowed in Washington before April 19, 1997. Therefore, this section does not allow gaming of any nature or scope that was prohibited before April 19, 1997. This section is necessary to protect the Washington equine breeding and racing industries, and in particular those sectors of these industries that are dependent upon live horse racing. The purpose of this section is to protect these industries from adverse economic impacts and to promote fan attendance at class 1 racing facilities. ~~((Therefore, imported simulcast race card programs shall not be disseminated to any location outside the live racing facility of the class 1 racing association and a class 1 racing association is strictly prohibited from simulcasting imported race card programs to any location outside its live racing facility.))~~ Therefore, a licensed class 1 racing association may be approved to disseminate imported simulcast race card programs to satellite locations approved under this section, provided that the class 1 racing association has conducted at least forty live racing days with an average on-track handle on the live racing product of a minimum of one hundred fifty thousand dollars per day during the twelve months immediately preceding the application date. However, to promote the development of a new class 1 racing association facility and to meet the best interests of the Washington equine breeding and racing industries, the commission may by rule reduce the required minimum average on-track handle on the live racing product from one hundred fifty thousand dollars per day to thirty thousand dollars per day.

(9) A licensee conducting simulcasting under this section shall place signs in the licensee's gambling establishment under RCW 9.46.071. The informational signs concerning problem and compulsive gambling must include a toll-free telephone number for problem and compulsive gamblers and be developed under RCW 9.46.071.

(10) Chapter 10, Laws of 2001 1st sp. sess. does not establish a new form of gaming in Washington or allow expanded gaming within the state beyond what has been previously authorized. Simulcast wagering has been allowed in Washington before August 23, 2001. Therefore, this section does not allow gaming of any nature or scope that was prohibited before August 23, 2001. Chapter 10, Laws of 2001 1st sp. sess. is necessary to protect the Washington equine breeding and racing industries, and in particular those sectors of these industries that are dependent upon live horse racing. The purpose of chapter 10, Laws of 2001 1st sp. sess. is to protect these industries from adverse economic impacts and to promote fan attendance at class 1 racing facilities. ~~((Therefore, imported simulcast race card programs shall not be disseminated to any location outside the live~~

racetrack facility of the class 1 racing association and a class 1 racing association is strictly prohibited from simulcasting imported race card programs to any location outside its live racing facility.

~~(11) If a state or federal court makes a finding that the increase in the number of imported simulcast races that may be authorized under chapter 10, Laws of 2001 1st sp. sess. is an expansion of gaming beyond that which is now allowed, chapter 10, Laws of 2001 1st sp. sess. is null and void.~~

~~(12) If any provision of chapter 10, Laws of 2001 1st sp. sess. or its application to any person or circumstance is held invalid, the remainder of chapter 10, Laws of 2001 1st sp. sess. or the application of the provision to other persons or circumstances is also invalid.)~~

Sec. 3. RCW 67.16.160 and 1994 c 154 s 314 are each amended to read as follows:

No later than ninety days after July 16, 1973, the horse racing commission shall ~~((promulgate))~~ adopt, pursuant to chapter 34.05 RCW, reasonable rules implementing to the extent applicable to the circumstances of the horse racing commission the conflict of interest laws of the state of Washington as set forth in ~~((chapters 42.21 and))~~ chapter 42.52 RCW. In no case may a commissioner make any wager on the outcome of a horse race at a race meet conducted under the authority of the commission.

E2SSB 6489 Prime Sponsor, Senate Committee on Ways & Means: Revising provisions relating to correctional industries. Reported by Committee on Criminal Justice & Corrections

MAJORITY recommendation: Do pass as amended:

Strike everything after the enacting clause and insert the following:

"**Sec. 1.** RCW 72.09.070 and 1994 sp.s. c 7 s 535 are each amended to read as follows:

(1) There is created a correctional industries board of directors which shall have the composition provided in RCW 72.09.080.

(2) Consistent with general department of corrections policies and procedures pertaining to the general administration of correctional facilities, the board shall establish and implement policy for correctional industries programs designed to:

(a) Offer inmates meaningful employment, work experience, and training in vocations that are specifically designed to reduce recidivism and thereby enhance public safety by providing opportunities for legitimate means of livelihood upon their release from custody;

(b) Provide industries which will reduce the tax burden of corrections and save taxpayers money through production of goods and services for sale and use;

(c) Operate correctional work programs in an effective and efficient manner which are as similar as possible to those provided by the private sector;

(d) Encourage the development of and provide for selection of, contracting for, and supervision of work programs with participating private enterprise firms;

(e) Develop and (~~design~~) select correctional industries work programs that do not unfairly compete with Washington businesses;

(f) Invest available funds in correctional industries enterprises and meaningful work programs that minimize the impact on in-state jobs and businesses.

(3) The board of directors shall at least annually review the work performance of the director of correctional industries division with the secretary.

(4) The director of correctional industries division shall review and evaluate the productivity, funding, and appropriateness of all correctional work programs and report on their effectiveness to the board and to the secretary.

(5) The board of directors shall have the authority to identify and establish trade advisory or apprenticeship committees to advise them on correctional industries work programs. The secretary shall appoint the members of the committees.

Where a labor management trade advisory and apprenticeship committee has already been established by the department pursuant to RCW 72.62.050 the existing committee shall also advise the board of directors.

(6) The board shall develop a strategic yearly marketing plan that shall be consistent with and work towards achieving the goals established in the six-year phased expansion of class I and class II correctional industries established in RCW 72.09.111. This marketing plan shall be presented to the appropriate committees of the legislature by January 17 of each calendar year until the goals set forth in RCW 72.09.111 are achieved.

Sec. 2. RCW 72.09.100 and 2002 c 175 s 49 are each amended to read as follows:

It is the intent of the legislature to vest in the department the power to provide for a comprehensive inmate work program and to remove statutory and other restrictions which have limited work programs in the past. It is also the intent of the legislature to ensure that the correctional industries board of directors, in developing and selecting correctional industries work programs, does not encourage the development of, or provide for selection of or contracting for, or the significant expansion of, any new or existing class I correctional industries work programs that unfairly compete with Washington businesses. The legislature intends that the requirements relating to fair competition in the correctional industries work programs be liberally construed by the correctional industries board of directors to protect Washington businesses from unfair competition.

For purposes of establishing such a comprehensive program, the legislature recommends that the department consider adopting any or all, or any variation of, the following classes of work programs:

(1) CLASS I: FREE VENTURE INDUSTRIES.

(a) The employer model industries in this class shall be operated and managed in total or in part by any profit or nonprofit organization pursuant to an agreement between the organization and the department. The organization shall produce goods or services for sale to both the public and private sector.

(b) The customer model industries in this class shall be operated and managed by the department to provide Washington state manufacturers or businesses with products or services currently produced or provided by out-of-state or foreign suppliers.

(c) The correctional industries board of directors shall review these proposed industries, including any potential new class I industries work program or the significant expansion of an existing class I industries work

program, before the department contracts to provide such products or services. The review shall include ~~((an))~~ the analysis ~~((of the potential impact of the proposed products and services on the Washington state business community and labor market))~~ required under section 4 of this act to determine if the proposed correctional industries work program will compete with any Washington business. An agreement for a new class I correctional industries work program, or an agreement for a significant expansion of an existing class I correctional industries work program, that unfairly competes with any Washington business is prohibited.

(d) The department of corrections shall supply appropriate security and custody services without charge to the participating firms.

(e) Inmates who work in free venture industries shall do so at their own choice. They shall be paid a wage comparable to the wage paid for work of a similar nature in the locality in which the industry is located, as determined by the director of correctional industries. If the director cannot reasonably determine the comparable wage, then the pay shall not be less than the federal minimum wage.

(f) An inmate who is employed in the class I program of correctional industries shall not be eligible for unemployment compensation benefits pursuant to any of the provisions of Title 50 RCW until released on parole or discharged.

(2) CLASS II: TAX REDUCTION INDUSTRIES.

(a) Industries in this class shall be state-owned and operated enterprises designed to reduce the costs for goods and services for tax-supported agencies and for nonprofit organizations.

(b) The industries selected for development within this class shall, as much as possible, match the available pool of inmate work skills and aptitudes with the work opportunities in the free community. The industries shall be closely patterned after private sector industries but with the objective of reducing public support costs rather than making a profit. The products and services of this industry, including purchased products and services necessary for a complete product line, may be sold to public agencies, to nonprofit organizations, and to private contractors when the goods purchased will be ultimately used by a public agency or a nonprofit organization. Clothing manufactured by an industry in this class may be donated to nonprofit organizations that provide clothing free of charge to low-income persons.

(c)(i) Class II correctional industries products and services shall be reviewed by the correctional industries board of directors before offering such products and services for sale to private contractors.

(ii) The board of directors shall conduct a yearly marketing review of the products and services offered under this subsection. Such review shall include an analysis of the potential impact of the proposed products and services on the Washington state business community. To avoid waste or spoilage and consequent loss to the state~~((,))~~ when there is no public sector market for such goods, byproducts and surpluses of timber, agricultural, and animal husbandry enterprises may be sold to private persons, at private sale. Surplus byproducts and surpluses of timber, agricultural and animal husbandry enterprises that cannot be sold to public agencies or to private persons may be donated to nonprofit organizations. All sales of surplus products shall be carried out in accordance with rules prescribed by the secretary.

(d) Security and custody services shall be provided without charge by the department of corrections.

(e) Inmates working in this class of industries shall do so at their own choice and shall be paid for their work on a gratuity scale which shall not exceed the wage paid for work of a similar nature in the locality in which the industry is located and which is approved by the director of correctional industries.

(f) Subject to approval of the correctional industries board, provisions of RCW 41.06.380 prohibiting contracting out work performed by classified employees shall not apply to contracts with Washington state businesses entered into by the department of corrections through class II industries.

(3) CLASS III: INSTITUTIONAL SUPPORT INDUSTRIES.

(a) Industries in this class shall be operated by the department of corrections. They shall be designed and managed to accomplish the following objectives:

~~((a))~~ (i) Whenever possible, to provide basic work training and experience so that the inmate will be able to qualify for better work both within correctional industries and the free community. It is not intended that an inmate's work within this class of industries should be his or her final and total work experience as an inmate.

~~((b))~~ (ii) Whenever possible, to provide forty hours of work or work training per week.

~~((c))~~ (iii) Whenever possible, to offset tax and other public support costs.

(b) Class III correctional industries shall be reviewed by the correctional industries board of directors to set policy for work crews. The department shall present to the board of directors quarterly detail statements showing where work crews worked, what correctional industry class, and the hours worked. The board of directors may review any class III program at its discretion.

(c) Supervising, management, and custody staff shall be employees of the department.

(d) All able and eligible inmates who are assigned work and who are not working in other classes of industries shall work in this class.

(e) Except for inmates who work in work training programs, inmates in this class shall be paid for their work in accordance with an inmate gratuity scale. The scale shall be adopted by the secretary of corrections.

(4) CLASS IV: COMMUNITY WORK INDUSTRIES.

(a) Industries in this class shall be operated by the department of corrections. They shall be designed and managed to provide services in the inmate's resident community at a reduced cost. The services shall be provided to public agencies, to persons who are poor or infirm, or to nonprofit organizations.

(b) Class IV correctional industries shall be reviewed by the correctional industries board of directors to set policy for work crews. The department shall present to the board of directors quarterly detail statements showing where work crews worked, what correctional industry class, and the hours worked. The board of directors may review any class IV program at its discretion. Class IV correctional industries operated in work camps established pursuant to RCW 72.64.050 are exempt from the requirements of this subsection (4)(b).

(c) Inmates in this program shall reside in facilities owned by, contracted for, or licensed by the department of corrections. A unit of local government shall provide work supervision services without charge to the state and shall pay the inmate's wage.

(d) The department of corrections shall reimburse participating units of local government for liability and workers compensation insurance costs.

(e) Inmates who work in this class of industries shall do so at their own choice and shall receive a gratuity which shall not exceed the wage paid for work of a similar nature in the locality in which the industry is located.

(5) CLASS V: COMMUNITY RESTITUTION PROGRAMS.

(a) Programs in this class shall be subject to supervision by the department of corrections. The purpose of this class of industries is to enable an inmate, placed on community supervision, to work off all or part of a community restitution order as ordered by the sentencing court.

(b) Employment shall be in a community restitution program operated by the state, local units of government, or a nonprofit agency.

(c) To the extent that funds are specifically made available for such purposes, the department of corrections shall reimburse nonprofit agencies for workers compensation insurance costs.

Sec. 3. RCW 72.09.100 and 2002 c 354 s 238 and 2002 c 175 s 49 are each reenacted and amended to read as follows:

It is the intent of the legislature to vest in the department the power to provide for a comprehensive inmate work program and to remove statutory and other restrictions which have limited work programs in the past. It is also the intent of the legislature to ensure that the correctional industries board of directors, in developing and selecting correctional industries work programs, does not encourage the development of, or provide for selection of or contracting for, or the significant expansion of, any new or existing class I correctional industries work programs that unfairly compete with Washington businesses. The legislature intends that the requirements relating to fair competition in the correctional industries work programs be liberally construed by the correctional industries board of directors to protect Washington businesses from unfair competition. For purposes of establishing such a comprehensive program, the legislature recommends that the department consider adopting any or all, or any variation of, the following classes of work programs:

(1) CLASS I: FREE VENTURE INDUSTRIES.

(a) The employer model industries in this class shall be operated and managed in total or in part by any profit or nonprofit organization pursuant to an agreement between the organization and the department. The organization shall produce goods or services for sale to both the public and private sector.

(b) The customer model industries in this class shall be operated and managed by the department to provide Washington state manufacturers or businesses with products or services currently produced or provided by out-of-state or foreign suppliers.

(c) The correctional industries board of directors shall review these proposed industries, including any potential new class I industries work program or the significant expansion of an existing class I industries work program, before the department contracts to provide such products or services. The review shall include ((an)) the analysis ((of the potential impact of the proposed products and services on the Washington state business community and labor market)) required under section 4 of this act to determine if the proposed correctional industries work program will compete with any Washington business. An agreement for a new class I correctional industries work program, or an agreement for a significant expansion of an existing class I correctional industries work program, that unfairly competes with any Washington business is prohibited.

(d) The department of corrections shall supply appropriate security and custody services without charge to the participating firms.

(e) Inmates who work in free venture industries shall do so at their own choice. They shall be paid a wage comparable to the wage paid for work of a similar nature in the locality in which the industry is located, as determined by the director of correctional industries. If the director cannot reasonably determine the comparable wage, then the pay shall not be less than the federal minimum wage.

(f) An inmate who is employed in the class I program of correctional industries shall not be eligible for unemployment compensation benefits pursuant to any of the provisions of Title 50 RCW until released on parole or discharged.

(2) CLASS II: TAX REDUCTION INDUSTRIES.

(a) Industries in this class shall be state-owned and operated enterprises designed to reduce the costs for goods and services for tax-supported agencies and for nonprofit organizations.

(b) The industries selected for development within this class shall, as much as possible, match the available pool of inmate work skills and aptitudes with the work opportunities in the free community. The industries shall be closely patterned after private sector industries but with the objective of reducing public support costs rather than making a profit. The products and services of this industry, including purchased products and services necessary for a complete product line, may be sold to public agencies, to nonprofit organizations, and to private contractors when the goods purchased will be ultimately used by a public agency or a nonprofit organization. Clothing manufactured by an industry in this class may be donated to nonprofit organizations that provide clothing free of charge to low-income persons.

(c)(i) Class II correctional industries products and services shall be reviewed by the correctional industries board of directors before offering such products and services for sale to private contractors.

(ii) The board of directors shall conduct a yearly marketing review of the products and services offered under this subsection. Such review shall include an analysis of the potential impact of the proposed products and services on the Washington state business community. To avoid waste or spoilage and consequent loss to the state, when there is no public sector market for such goods, byproducts and surpluses of timber, agricultural, and animal husbandry enterprises may be sold to private persons, at private sale. Surplus byproducts and surpluses of timber, agricultural and animal husbandry enterprises that cannot be sold to public agencies or to private persons may be donated to nonprofit organizations. All sales of surplus products shall be carried out in accordance with rules prescribed by the secretary.

(d) Security and custody services shall be provided without charge by the department of corrections.

(e) Inmates working in this class of industries shall do so at their own choice and shall be paid for their work on a gratuity scale which shall not exceed the wage paid for work of a similar nature in the locality in which the industry is located and which is approved by the director of correctional industries.

(f) Subject to approval of the correctional industries board, provisions of RCW 41.06.142 shall not apply to contracts with Washington state businesses entered into by the department of corrections through class II industries.

(3) CLASS III: INSTITUTIONAL SUPPORT INDUSTRIES.

(a) Industries in this class shall be operated by the department of corrections. They shall be designed and managed to accomplish the following objectives:

~~((a))~~ (i) Whenever possible, to provide basic work training and experience so that the inmate will be able to qualify for better work both within correctional industries and the free community. It is not intended that an inmate's work within this class of industries should be his or her final and total work experience as an inmate.

~~((b))~~ (ii) Whenever possible, to provide forty hours of work or work training per week.

~~((c))~~ (iii) Whenever possible, to offset tax and other public support costs.

(b) Class III correctional industries shall be reviewed by the correctional industries board of directors to set policy for work crews. The department shall present to the board of directors quarterly detail statements showing where work crews worked, what correctional industry class, and the hours worked. The board of directors may review any class III program at its discretion.

(c) Supervising, management, and custody staff shall be employees of the department.

(d) All able and eligible inmates who are assigned work and who are not working in other classes of industries shall work in this class.

(e) Except for inmates who work in work training programs, inmates in this class shall be paid for their work in accordance with an inmate gratuity scale. The scale shall be adopted by the secretary of corrections.

(4) CLASS IV: COMMUNITY WORK INDUSTRIES.

(a) Industries in this class shall be operated by the department of corrections. They shall be designed and managed to provide services in the inmate's resident community at a reduced cost. The services shall be provided to public agencies, to persons who are poor or infirm, or to nonprofit organizations.

(b) Class IV correctional industries shall be reviewed by the correctional industries board of directors to set policy for work crews. The department shall present to the board of directors quarterly detail statements showing where work crews worked, what correctional industry class, and the hours worked. The board of directors may review any class IV program at its discretion. Class IV correctional industries operated in work camps established pursuant to RCW 72.64.050 are exempt from the requirements of this subsection (4)(b).

(c) Inmates in this program shall reside in facilities owned by, contracted for, or licensed by the department of corrections. A unit of local government shall provide work supervision services without charge to the state and shall pay the inmate's wage.

(d) The department of corrections shall reimburse participating units of local government for liability and workers compensation insurance costs.

(e) Inmates who work in this class of industries shall do so at their own choice and shall receive a gratuity which shall not exceed the wage paid for work of a similar nature in the locality in which the industry is located.

(5) CLASS V: COMMUNITY RESTITUTION PROGRAMS.

(a) Programs in this class shall be subject to supervision by the department of corrections. The purpose of this class of industries is to enable an inmate, placed on community supervision, to work off all or part of a community restitution order as ordered by the sentencing court.

(b) Employment shall be in a community restitution program operated by the state, local units of government, or a nonprofit agency.

(c) To the extent that funds are specifically made available for such purposes, the department of corrections shall reimburse nonprofit agencies for workers compensation insurance costs.

NEW SECTION. Sec. 4. A new section is added to chapter 72.09 RCW to read as follows:

(1) The department must prepare a threshold analysis for any proposed new class I correctional industries work program or the significant expansion of an existing class I correctional industries work program before the department enters into an agreement to provide such products or services. The analysis must state whether the proposed new or expanded program will impact any Washington business and must be based on information sufficient to evaluate the impact on Washington business.

(2) If the threshold analysis determines that a proposed new or expanded class I correctional industries work program will impact a Washington business, the department must complete a business impact analysis before the department enters into an agreement to provide such products or services. The business impact analysis must include:

(a) A detailed statement identifying the scope and types of impacts caused by the proposed new or expanded correctional industries work program on Washington businesses; and

(b) A detailed statement of the business costs of the proposed correctional industries work program compared to the business costs of the Washington businesses that may be impacted by the proposed class I correctional industries work program. Business costs of the proposed correctional industries work program include rent, water, sewer, electricity, disposal, labor costs, and any other quantifiable expense unique to operating in a prison. Business costs of the impacted Washington business include rent, water, sewer, electricity, disposal, property taxes, and labor costs including employee taxes, unemployment insurance, and workers' compensation.

(3) The completed threshold analysis and any completed business impact analysis with all supporting documents must be shared in a meaningful and timely manner with local chambers of commerce, trade or business associations, local and state labor union organizations, and government entities before a finding required under subsection (4) of this section is made on the proposed new or expanded class I correctional industries work program.

(4) If a business impact analysis is completed, the department must conduct a public hearing to take public testimony on the business impact analysis. The department must, at a minimum, establish a publicly accessible web site containing information reasonably calculated to provide notice to each Washington business assigned the same three-digit standard industrial classification code, or the corresponding North American industry classification system code, as the organization seeking the class I correctional industries work program agreement of the date, time, and place of the hearing. Notice of the hearing shall be posted at least thirty days prior to the hearing.

(5) Following the public hearing, the department shall adopt a finding that the proposed new or expanded class I correctional industries work program: (a) Will not compete with any Washington business; (b) will not compete unfairly with any Washington business; or (c) will compete unfairly with any Washington business and is therefore prohibited under this act.

Sec. 5. RCW 72.09.460 and 1998 c 244 s 10 are each amended to read as follows:

(1) The legislature intends that all inmates be required to participate in department-approved education programs, work programs, or both, unless exempted under subsection (4) of this section. Eligible inmates who refuse to participate in available education or work programs available at no charge to the inmates shall lose privileges according to the system established under RCW 72.09.130. Eligible inmates who are required to contribute financially to an education or work program and refuse to contribute shall be placed in another work program. Refusal to contribute shall not result in a loss of privileges. The legislature recognizes more inmates may agree to participate in education and work programs than are available. The department must make every effort to achieve maximum public benefit by placing inmates in available and appropriate education and work programs.

(2) The department shall provide access to a program of education to all offenders who are under the age of eighteen and who have not met high school graduation or general equivalency diploma requirements in accordance with chapter 28A.193 RCW. The program of education established by the department and education provider under RCW 28A.193.020 for offenders under the age of eighteen must provide each offender a choice of curriculum that will assist the inmate in achieving a high school diploma or general equivalency diploma. The program of education may include but not be limited to basic education, prevocational training, work ethic skills, conflict resolution counseling, substance abuse intervention, and anger management counseling. The curriculum may balance these and other rehabilitation, work, and training components.

(3) The department shall, to the extent possible and considering all available funds, prioritize its resources to meet the following goals for inmates in the order listed:

(a) Achievement of basic academic skills through obtaining a high school diploma or its equivalent and achievement of vocational skills necessary for purposes of work programs and for an inmate to qualify for work upon release;

(b) Additional work and education programs based on assessments and placements under subsection (5) of this section; and

(c) Other work and education programs as appropriate.

(4) The department shall establish, by rule, objective medical standards to determine when an inmate is physically or mentally unable to participate in available education or work programs. When the department determines an inmate is permanently unable to participate in any available education or work program due to a medical condition, the inmate is exempt from the requirement under subsection (1) of this section. When the department determines an inmate is temporarily unable to participate in an education or work program due to a medical condition, the inmate is exempt from the requirement of subsection (1) of this section for the period of time he or she is temporarily disabled. The department shall periodically review the medical condition of all temporarily disabled inmates to ensure the earliest possible entry or reentry by inmates into available programming.

(5) The department shall establish, by rule, standards for participation in department-approved education and work programs. The standards shall address the following areas:

(a) Assessment. The department shall assess all inmates for their basic academic skill levels using a professionally accepted method of scoring reading, math, and language skills as grade level equivalents. The department shall determine an inmate's education history, work history, and vocational or work skills. The initial assessment shall be conducted, whenever possible, within the first thirty days of an inmate's entry into the correctional system, except that initial assessments are not required for inmates who are sentenced to life without the possibility of release, assigned to an intensive management unit within the first thirty days after entry into the correctional system, are returning to the correctional system within one year of a prior release, or whose physical or mental condition renders them unable to complete the assessment process. The department shall track and record changes in the basic academic skill levels of all inmates reflected in any testing or assessment performed as part of their education programming;

(b) Placement. The department shall follow the policies set forth in subsection (1) of this section in establishing criteria for placing inmates in education and work programs. The department shall, to the extent possible, place all inmates whose composite grade level score for basic academic skills is below the eighth grade level in a combined education and work program. The placement criteria shall include at least the following factors:

(i) An inmate's release date and custody level(~~(, except)~~). An inmate shall not be precluded from participating in an education or work program solely on the basis of his or her release date, except that inmates with a release date of more than one hundred twenty months in the future shall not comprise more than ten percent of inmates participating in a new class I correctional industry not in existence on the effective date of this section;

(ii) An inmate's education history and basic academic skills;

(iii) An inmate's work history and vocational or work skills;

(iv) An inmate's economic circumstances, including but not limited to an inmate's family support obligations; and

(v) Where applicable, an inmate's prior performance in department- approved education or work programs;

(c) Performance and goals. The department shall establish, and periodically review, inmate behavior standards and program goals for all education and work programs. Inmates shall be notified of applicable behavior standards and program goals prior to placement in an education or work program and shall be removed from the education or work program if they consistently fail to meet the standards or goals;

(d) Financial responsibility. (i) The department shall establish a formula by which inmates, based on their ability to pay, shall pay all or a portion of the costs or tuition of certain programs. Inmates shall, based on the formula, pay a portion of the costs or tuition of participation in:

(A) Second and subsequent vocational programs associated with an inmate's work programs; and

(B) An associate of arts or baccalaureate degree program when placement in a degree program is the result of a placement made under this subsection;

(ii) Inmates shall pay all costs and tuition for participation in:

(A) Any postsecondary academic degree program which is entered independently of a placement decision made under this subsection; and

(B) Second and subsequent vocational programs not associated with an inmate's work program.

Enrollment in any program specified in (d)(ii) of this subsection shall only be allowed by correspondence or if there is an opening in an education or work program at the institution where an inmate is incarcerated and no other inmate who is placed in a program under this subsection will be displaced; and

(e) Notwithstanding any other provision in this section, an inmate sentenced to life without the possibility of release:

(i) Shall not be required to participate in education programming; and

(ii) May receive not more than one postsecondary academic degree in a program offered by the department or its contracted providers.

If an inmate sentenced to life without the possibility of release requires prevocational or vocational training for a work program, he or she may participate in the training subject to this section.

(6) The department shall coordinate education and work programs among its institutions, to the greatest extent possible, to facilitate continuity of programming among inmates transferred between institutions. Before transferring an inmate enrolled in a program, the department shall consider the effect the transfer will have on the inmate's ability to continue or complete a program. This subsection shall not be used to delay or prohibit a transfer necessary for legitimate safety or security concerns.

(7) Before construction of a new correctional institution or expansion of an existing correctional institution, the department shall adopt a plan demonstrating how cable, closed-circuit, and satellite television will be used for education and training purposes in the institution. The plan shall specify how the use of television in the education and training programs will improve inmates' preparedness for available work programs and job opportunities for which inmates may qualify upon release.

(8) The department shall adopt a plan to reduce the per-pupil cost of instruction by, among other methods, increasing the use of volunteer instructors and implementing technological efficiencies. The plan shall be adopted by December 1996 and shall be transmitted to the legislature upon adoption. The department shall, in adoption of the plan, consider distance learning, satellite instruction, video tape usage, computer-aided instruction, and flexible scheduling of offender instruction.

(9) Following completion of the review required by section 27(3), chapter 19, Laws of 1995 1st sp. sess. the department shall take all necessary steps to assure the vocation and education programs are relevant to work programs and skills necessary to enhance the employability of inmates upon release.

MAJORITY recommendation: Do pass as amended:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The legislature finds that: Congress has preempted the regulation by the states of manufactured housing construction standards through adoption of construction standards for manufactured housing (42 U.S.C. Sec. 5401-5403); and this federal regulation is equivalent to the state's uniform building code. The legislature also finds that congress has declared that: (1) Manufactured housing plays a vital role in meeting the housing needs of the nation; and (2) manufactured homes provide a significant resource for affordable homeownership and rental housing accessible to all Americans (42 U.S.C. Sec. 5401-5403). The legislature intends to protect the consumers' rights to choose among a number of housing construction alternatives without restraint of trade or discrimination by local governments.

NEW SECTION. Sec. 2. A new section is added to chapter 35.21 RCW to read as follows:

(1) A city or town may not enact any statute or ordinance that has the effect, directly or indirectly, of discriminating against consumers' choices in the placement or use of a home in such a manner that is not equally applicable to all homes. Homes built to 42 U.S.C. Sec. 5401- 5403 standards (as amended in 2000) must be regulated in the same manner as site built homes, factory built homes, or homes built to any other state construction or local design standard. However, any city or town may require that (1) a manufactured home be a new manufactured home, (2) the manufactured home be set upon a permanent foundation, as specified by the manufacturer, and that the space from the bottom of the home to the ground be enclosed by concrete or an

approved concrete product which can be either load bearing or decorative,(3) the manufactured home comply with all local design standards applicable to all other homes within the neighborhood in which the manufactured home is to be located,(4) the home is thermally equivalent to the state energy code, and(5)the manufactured home otherwise meets all other requirements for a designated manufactured home as defined in RCW 35.63.160. A city with a population of one hundred thirty-five thousand or more may choose to designate its building official as the person responsible for issuing all permits for alterations, remodeling, or expansion of manufactured housing located within the city limits under this section.

(2) Nothing in this section shall override any legally recorded covenants, or deed restrictions of record.

NEW SECTION. Sec. 3. A new section is added to chapter 35A.21 RCW to read as follows:

(1) A code city may not enact any statute or ordinance that has the effect, directly or indirectly, of discriminating against consumers' choices in the placement or use of a home in such a manner that is not equally applicable to all homes. Sec. 5401- 5403 standards (as amended in 2000) must be regulated in the same manner as site built homes, factory built homes, or homes built to any other state construction or local design standard. A code city with a population of one hundred thirty-five thousand or more may choose to designate its building official as the person responsible for issuing all permits for alterations, remodeling, or expansion of manufactured housing located within the city limits under this section.

(2)Nothing in this section shall override any legally recorded covenants, or deed restrictions of record.

NEW SECTION. Sec. 4. A new section is added to chapter 36.01 RCW to read as follows:

(1) A county may not enact any statute or ordinance that has the effect, directly or indirectly, of discriminating against consumers' choices in the placement or use of a home in such a manner that is not equally applicable to all homes. Homes built to 42 U.S.C. Sec. 5401- 5403 standards (as amended in 2000) must be regulated in the same manner as site built homes, factory built homes, or homes built to any other state construction or local design standard. (2) Nothing in this section shall override any legally recorded covenants, or deed restrictions of record.

(c) Has exterior siding similar in appearance to siding materials commonly used on conventional site-built uniform building code single- family residences.

(2) "New manufactured home" means any manufactured home required to be titled under Title 46 RCW, which has not been previously titled to a retail purchaser, and is not a "used mobile home" as defined in RCW 82.45.032(2).

(3) Nothing in this section precludes cities from allowing any manufactured home from being sited on individual lots through local standards which differ from the designated manufactured home or new manufactured home as described in this section, except that the term "designated manufactured home" and "new manufactured home" shall not be used except as defined in subsections (1) and (2) of this section.

SB 6643 Prime Sponsor, Senator Stevens: Providing guidelines for family visitation for dependent children. Reported by Committee on Children & Family Services

MAJORITY recommendation: Do pass as amended:

Strike everything after the enacting clause and insert the following:

"Sec. 1. RCW 13.34.136 and 2003 c 227 s 4 are each amended to read as follows:

(1) Whenever a child is ordered removed from the child's home, the agency charged with his or her care shall provide the court with:

(a) A permanency plan of care that shall identify one of the following outcomes as a primary goal and may identify additional outcomes as alternative goals: Return of the child to the home of the child's parent, guardian, or legal custodian; adoption; guardianship; permanent legal custody; long-term relative or foster care, until the child is age eighteen, with a written agreement between the parties and the care provider; successful completion of a responsible living skills program; or independent living, if appropriate and if the child is age sixteen or older. The department shall not discharge a child to an independent living situation before the child is eighteen years of age unless the child becomes emancipated pursuant to chapter 13.64 RCW;

(b) Unless the court has ordered, pursuant to RCW 13.34.130(4), that a termination petition be filed, a specific plan as to where the child will be placed, what steps will be taken to return the child home, what steps the agency will take to promote existing appropriate sibling relationships and/or facilitate placement together or contact in accordance with the best interests of each child, and what actions the agency will take to maintain parent-child ties. All aspects of the plan shall include the goal of achieving permanence for the child.

(i) The agency plan shall specify what services the parents will be offered to enable them to resume custody, what requirements the parents must meet to resume custody, and a time limit for each service plan and parental requirement.

(ii) Visitation is the right of the family, including the child and the parent, in cases in which visitation is in the best interest of the child. Early, consistent, and frequent visitation is crucial for maintaining parent-child relationships and making it possible for parents and children to safely reunify. The agency shall encourage the maximum parent and child and sibling contact possible, when it is in the best interest of the child, including regular visitation and participation by the parents in the care of the child while the child is in placement.

Visitation shall not be limited as a sanction for a parent's failure to comply with court orders or services where the health, safety, or welfare of the child is not at risk as a result of the visitation. Visitation may be limited or denied only if the court determines that such limitation or denial is necessary to protect the child's health, safety, or welfare. The court and the agency should rely upon community resources, relatives, foster parents, and other appropriate persons to provide transportation and supervision for visitation to the extent that such resources are available, and appropriate, and the child's safety would not be compromised.

(iii) A child shall be placed as close to the child's home as possible, preferably in the child's own neighborhood, unless the court finds that placement at a greater distance is necessary to promote the child's or parents' well-being.

(iv) The agency charged with supervising a child in placement shall provide all reasonable services that are available within the agency, or within the community, or those services which the department has existing contracts to purchase. It shall report to the court if it is unable to provide such services; and

(c) If the court has ordered, pursuant to RCW 13.34.130(4), that a termination petition be filed, a specific plan as to where the child will be placed, what steps will be taken to achieve permanency for the child, services to be offered or provided to the child, and, if visitation would be in the best interests of the child, a recommendation to the court regarding visitation between parent and child pending a fact-finding hearing on the termination petition. The agency shall not be required to develop a plan of services for the parents or provide services to the parents if the court orders a termination petition be filed. However, reasonable efforts to ensure visitation and contact between siblings shall be made unless there is reasonable cause to believe the best interests of the child or siblings would be jeopardized.

(2) If the court determines that the continuation of reasonable efforts to prevent or eliminate the need to remove the child from his or her home or to safely return the child home should not be part of the permanency plan of care for the child, reasonable efforts shall be made to place the child in a timely manner and to complete whatever steps are necessary to finalize the permanent placement of the child.

(3) The court shall consider the child's relationships with the child's siblings in accordance with RCW 13.34.130(3).

NEW SECTION. Sec. 2. A new section is added to chapter 13.34 RCW to read as follows:

The court may order expert evaluations of parties to obtain information regarding visitation issues or other issues in a case. These evaluations shall be performed by appointed evaluators who are mutually agreed upon by the court, the state, and the parents' counsel, and, if the child is to be evaluated, by the representative for the child. If no agreement can be reached, the court shall select the expert evaluator.

NEW SECTION. Sec. 3. A new section is added to chapter 13.34 RCW to read as follows:

The department of social and health services shall develop consistent policies and protocols, based on current relevant research, concerning visitation for dependent children to be implemented consistently throughout the state. The department shall develop the policies and protocols in consultation with researchers in the field, community-based agencies, court-appointed special advocates, parents' representatives, and court representatives. The policies and protocols shall include, but not be limited to: The structure and quality of visitations; and training for caseworkers, visitation supervisors, and foster parents related to visitation.

The policies and protocols shall be consistent with the provisions of this chapter and implementation of the policies and protocols shall be consistent with relevant orders of the court.

NEW SECTION. Sec. 4. The department of social and health services shall report on the policies and protocols required under section 3 of this act to the appropriate committees of the legislature by January 1, 2005."

SB 5034 Prime Sponsor, Senator Zarelli: Providing property tax relief for senior citizens and persons retired because of physical disability. Reported by Committee on Finance

MAJORITY recommendation: Do pass as amended:

Strike everything after the enacting clause and insert the following:

"Sec. 1. RCW 84.36.381 and 1998 c 333 s 1 are each amended to read as follows:

A person shall be exempt from any legal obligation to pay all or a portion of the amount of excess and regular real property taxes due and payable in the year following the year in which a claim is filed, and thereafter, in accordance with the following:

(1) The property taxes must have been imposed upon a residence which was occupied by the person claiming the exemption as a principal place of residence as of the time of filing: PROVIDED, That any person who sells, transfers, or is displaced from his or her residence may transfer his or her exemption status to a replacement residence, but no claimant shall receive an exemption on more than one residence in any year: PROVIDED FURTHER, That confinement of the person to a hospital ((~~or~~), nursing home, boarding home, or adult family home shall not disqualify the claim of exemption if:

(a) The residence is temporarily unoccupied;

(b) The residence is occupied by a spouse and/or a person financially dependent on the claimant for support; or

(c) The residence is rented for the purpose of paying nursing home ((~~or~~), hospital, boarding home, or adult family home costs;

(2) The person claiming the exemption must have owned, at the time of filing, in fee, as a life estate, or by contract purchase, the residence on which the property taxes have been imposed or if the person claiming the exemption lives in a cooperative housing association, corporation, or partnership, such person must own a share therein representing the unit or portion of the structure in which he or she resides. For purposes of this subsection, a residence owned by a marital community or owned by cotenants shall be deemed to be owned by each spouse or cotenant, and any lease for life shall be deemed a life estate;

(3) The person claiming the exemption must be sixty-one years of age or older on December 31st of the year in which the exemption claim is filed, or must have been, at the time of filing, retired from regular gainful employment by reason of (~~physical~~) disability: PROVIDED, That any surviving spouse of a person who was receiving an exemption at the time of the person's death shall qualify if the surviving spouse is fifty-seven years of age or older and otherwise meets the requirements of this section;

(4) The amount that the person shall be exempt from an obligation to pay shall be calculated on the basis of combined disposable income, as defined in RCW 84.36.383. If the person claiming the exemption was retired for two months or more of the assessment year, the combined disposable income of such person shall be calculated by multiplying the average monthly combined disposable income of such person during the months such person was retired by twelve. If the income of the person claiming exemption is reduced for two or more

months of the assessment year by reason of the death of the person's spouse, or when other substantial changes occur in disposable income that are likely to continue for an indefinite period of time, the combined disposable income of such person shall be calculated by multiplying the average monthly combined disposable income of such person after such occurrences by twelve. If it is necessary to estimate income to comply with this subsection, the assessor may require confirming documentation of such income prior to May 31 of the year following application;

(5)(a) A person who otherwise qualifies under this section and has a combined disposable income of thirty-five thousand dollars or less shall be exempt from all excess property taxes; and

(b)(i) A person who otherwise qualifies under this section and has a combined disposable income of ~~((twenty-four))~~ thirty thousand dollars or less but greater than ~~((eighteen))~~ twenty-five thousand dollars shall be exempt from all regular property taxes on the greater of ~~((forty))~~ fifty thousand dollars or thirty-five percent of the valuation of his or her residence, but not to exceed ~~((sixty))~~ seventy thousand dollars of the valuation of his or her residence; or

(ii) A person who otherwise qualifies under this section and has a combined disposable income of ~~((eighteen))~~ twenty-five thousand dollars or less shall be exempt from all regular property taxes on the greater of ~~((fifty))~~ sixty thousand dollars or sixty percent of the valuation of his or her residence; ~~((and))~~

(6) For a person who otherwise qualifies under this section and has a combined disposable income of thirty-five thousand dollars or less, the valuation of the residence shall be the assessed value of the residence on the later of January 1, 1995, or January 1st of the assessment year the person first qualifies under this section. If the person subsequently fails to qualify under this section only for one year because of high income, this same valuation shall be used upon requalification. If the person fails to qualify for more than one year in succession because of high income or fails to qualify for any other reason, the valuation upon requalification shall be the assessed value on January 1st of the assessment year in which the person requalifies. If the person transfers the exemption under this section to a different residence, the valuation of the different residence shall be the assessed value of the different residence on January 1st of the assessment year in which the person transfers the exemption.

In no event may the valuation under this subsection be greater than the true and fair value of the residence on January 1st of the assessment year.

This subsection does not apply to subsequent improvements to the property in the year in which the improvements are made. Subsequent improvements to the property shall be added to the value otherwise determined under this subsection at their true and fair value in the year in which they are made.

Sec. 2. RCW 84.36.383 and 1999 c 358 s 18 are each amended to read as follows:

The term shall also include a single family dwelling situated upon lands the fee of which is vested in the United States or any instrumentality thereof including an Indian tribe or in the state of Washington, and notwithstanding the provisions of RCW 84.04.080 and 84.04.090, such a residence shall be deemed real property.

(2) The term "real property" shall also include a mobile home which has substantially lost its identity as a mobile unit by virtue of its being fixed in location upon land owned or leased by the owner of the mobile home and placed on a foundation (posts or blocks) with fixed pipe, connections with sewer, water, or other utilities. A mobile home located on land leased by the owner of the mobile home is subject, for tax billing, payment, and collection purposes, only to the personal property provisions of chapter 84.56 RCW and RCW 84.60.040.

(3) "Department" means the state department of revenue.

(4) "Combined disposable income" means the disposable income of the person claiming the exemption, plus the disposable income of his or her spouse, and the disposable income of each cotenant occupying the residence for the assessment year, less amounts paid by the person claiming the exemption or his or her spouse during the assessment year for:

 - (h) Dividend receipts; and
 - (i) Interest received on state and municipal bonds.
- (6) "Cotenant" means a person who resides with the person claiming the exemption and who has an ownership interest in the residence.
- (7) "Disability" has the same meaning as provided in 42 U.S.C. Sec. 423(d)(1)(A) as amended prior to January 1, 2004, or such subsequent date as the director may provide by rule consistent with the purpose of this section.

Sec. 3. RCW 84.38.030 and 1995 c 329 s 2 are each amended to read as follows:

A claimant may defer payment of special assessments and/or real property taxes on up to eighty percent of the amount of the claimant's equity value in the claimant's residence if the following conditions are met:

(1) The claimant must meet all requirements for an exemption for the residence under RCW 84.36.381, other than the age and income limits under RCW 84.36.381 and the parcel size limit under RCW 84.36.383.

(3) The claimant must have a combined disposable income, as defined in RCW 84.36.383, of ~~((thirty-four))~~ forty thousand dollars or less.

(4) The claimant must have owned, at the time of filing, the residence on which the special assessment and/or real property taxes have been imposed. For purposes of this subsection, a residence owned by a marital community or owned by cotenants shall be deemed to be owned by each spouse or cotenant. A claimant who has only a share ownership in cooperative housing, a life estate, a lease for life, or a revocable trust does not satisfy the ownership requirement.

(5) The claimant must have and keep in force fire and casualty insurance in sufficient amount to protect the interest of the state in the claimant's equity value: PROVIDED, That if the claimant fails to keep fire and casualty insurance in force to the extent of the state's interest in the claimant's equity value, the amount deferred shall not exceed one hundred percent of the claimant's equity value in the land or lot only.

(6) In the case of special assessment deferral, the claimant must have opted for payment of such special assessments on the installment method if such method was available."

MAJORITY recommendation: Do pass as amended:

Strike everything after the enacting clause and insert the following:

- (1) The ability to respond to emergency situations by many of Washington state's fire protection jurisdictions has not kept up with the state's needs, particularly in urban regions;
- (2) Providing a fire protection service system requires a shared partnership and responsibility among the federal, state, local, and regional governments and the private sector;
- (3) There are efficiencies to be gained by regional fire protection service delivery while retaining local control; and
- (4) Timely development of significant projects can best be achieved through enhanced funding options for regional fire protection service agencies, using already existing taxing authority to address fire protection emergency service needs and new authority to address critical fire protection projects and emergency services.

NEW SECTION. Sec. 2. DEFINITIONS. The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

- (1) "Board" means the governing body of a regional fire protection service authority.
- (2) "Regional fire protection service authority" or "authority" means a municipal corporation, an independent taxing authority within the meaning of Article VII, section 1 of the state Constitution, and a taxing district within the meaning of Article VII, section 2 of the state Constitution, whose boundaries are coextensive with two or more adjacent fire protection jurisdictions and that has been created by a vote of the people under this chapter to implement a regional fire protection service authority plan.
- (3) "Regional fire protection service authority planning committee" or "planning committee" means the advisory committee created under section 3 of this act to create and propose to fire protection jurisdictions a regional fire protection service authority plan to design, finance, and develop fire protection service projects.
- (4) "Regional fire protection service authority plan" or "plan" means a plan to develop and finance a fire protection service authority project or projects, including, but not limited to, specific capital projects, fire operations and emergency service operations pursuant to section 4(3)(b) of this act, and preservation and maintenance of existing or future facilities.
- (5) "Fire protection jurisdiction" means a fire district, city, town, port district, or Indian tribe.
- (6) "Regular property taxes" has the same meaning as in RCW 84.04.140.

NEW SECTION. Sec. 3. PLANNING COMMITTEE FORMATION. Regional fire protection service authority planning committees are advisory entities that are created, convened, and empowered as follows:

- (1) Any two or more adjacent fire protection jurisdictions may create a regional fire protection service authority and convene a regional fire protection service authority planning committee. No fire protection jurisdiction may participate in more than one authority.
- (2) Each governing body of the fire protection jurisdictions participating in planning under this chapter shall appoint three elected officials to the authority planning committee. Members of the planning committee may receive compensation of seventy dollars per day, or portion thereof, not to exceed seven hundred dollars per year, for attendance at planning committee meetings and for performance of other services in behalf of the authority, and may be reimbursed for travel and incidental expenses at the discretion of their respective governing body.
- (3) A regional fire protection service authority planning committee may receive state funding, as appropriated by the legislature, or county funding provided by the affected counties for start-up funding to pay for salaries, expenses, overhead, supplies, and similar expenses ordinarily and necessarily incurred. Upon creation of a regional fire protection service authority, the authority shall within one year reimburse the state or county for any sums advanced for these start-up costs from the state or county.
- (4) The planning committee shall conduct its affairs and formulate a regional fire protection service authority plan as provided under section 4 of this act.
- (5) At its first meeting, a regional fire protection service authority planning committee may elect officers and provide for the adoption of rules and other operating procedures.
- (6) The planning committee may dissolve itself at any time by a majority vote of the total membership of the planning committee. Any participating fire protection jurisdiction may withdraw upon thirty calendar days' written notice to the other jurisdictions.

NEW SECTION. Sec. 4. PLANNING COMMITTEE DUTIES. (1) A regional fire protection service authority planning committee shall adopt a regional fire protection service authority plan providing for the design, financing, and development of fire protection services. The planning committee may consider the following factors in formulating its plan:

- (a) Land use planning criteria; and
 - (b) The input of cities and counties located within, or partially within, a participating fire protection jurisdiction.
- (2) The planning committee may coordinate its activities with neighboring cities, towns, and other local governments that engage in fire protection planning.
- (3) The planning committee shall:
- (a) Create opportunities for public input in the development of the plan;
 - (b) Adopt a plan proposing the creation of a regional fire protection service authority and recommending design, financing, and development of fire protection and emergency service facilities and operations, including maintenance and preservation of facilities or systems, except that no ambulance service may be recommended unless the regional fire protection service authority determines that the fire protection jurisdictions that are members of the authority are not adequately served by existing private ambulance service in which case the authority may provide for the establishment of a system of ambulance service to be operated by the authority or operated by contract after a call for bids; and
 - (c) Recommend sources of revenue authorized by section 5 of this act and a financing plan to fund selected fire protection service projects.
- (4) Once adopted, the plan must be forwarded to the participating fire protection jurisdictions' governing bodies to initiate the election process under section 6 of this act.
- (5) If the ballot measure is not approved, the planning committee may redefine the selected regional fire protection service authority projects, financing plan, and the ballot measure. The fire protection jurisdictions' governing bodies may approve the new plan and ballot measure, and may then submit the revised proposition to the voters at a subsequent election or a special election. If a ballot measure is not approved by the voters by the third vote, the planning committee is dissolved.

NEW SECTION. Sec. 5. TAXES AND FEES. (1) A regional fire protection service authority planning committee may, as part of a regional fire protection service authority plan, recommend the imposition of some or all of the following revenue sources, which a regional fire protection service authority may impose upon approval of the voters as provided in this chapter:

- (a) Benefit charges under sections 24 through 33 of this act;
 - (b) Property taxes under sections 15 through 18 and 20 of this act and RCW 84.09.030, 84.52.010, 84.52.052, and 84.52.069; or
 - (c) Both (a) and (b) of this subsection.
- (2) Taxes and benefit charges may not be imposed unless they are identified in the regional fire protection service authority plan and the plan is approved by an affirmative vote of the majority of the voters within the boundaries of the authority voting on a ballot proposition as set forth in section 6 of this act. The voter approval requirement provided in this section is in addition to any other voter approval requirement under law for the levying of property taxes or the imposition of benefit charges. Revenues from these taxes and benefit charges may be used only to implement the plan as set forth in this chapter.

NEW SECTION. Sec. 6. SUBMISSION OF PLAN TO THE VOTERS. The governing bodies of two or more adjacent fire protection jurisdictions, upon receipt of the regional fire protection service authority plan under section 4 of this act, may certify the plan to the ballot, including identification of the tax options necessary to fund the plan. The governing bodies of the fire protection jurisdictions may draft a ballot title, give notice as required by law for ballot measures, and perform other duties as required to put the plan before the voters of the proposed authority for their approval or rejection as a single ballot measure that both approves formation of the authority and approves the plan. Authorities may negotiate interlocal agreements necessary to implement the plan. The electorate is the voters voting within the boundaries of the proposed regional fire protection service authority. A simple majority of the total persons voting on the single ballot measure to approve the plan, establish the authority, and approve the taxes is required for approval. The authority must act in accordance with the general election laws of the state. The authority is liable for its proportionate share of the costs when the elections are held under RCW 29A.04.320 and 29A.04.330.

NEW SECTION. Sec. 7. CERTIFICATION OF FORMATION. If the voters approve the plan, including creation of a regional fire protection service authority and imposition of taxes, if any, the authority is formed. The appropriate county election officials shall, within fifteen days of the final certification of the election results, publish a notice in a newspaper or newspapers of general circulation in the authority declaring the authority formed. A party challenging the procedure or the formation of a voter-approved authority must file the challenge in writing by serving the prosecuting attorney of each county within, or partially within, the regional fire protection service authority and the attorney general within thirty days after the final certification

of the election. Failure to challenge within that time forever bars further challenge of the authority's valid formation.

NEW SECTION. Sec. 8. BOARD ORGANIZATION AND COMPOSITION. (1) The board shall adopt rules for the conduct of business. The board shall adopt bylaws to govern authority affairs, which may include:

- (a) The time and place of regular meetings;
 - (b) Rules for calling special meetings;
 - (c) The method of keeping records of proceedings and official acts;
 - (d) Procedures for the safekeeping and disbursement of funds; and
 - (e) Any other provisions the board finds necessary to include.
- (2) The governing board shall be determined by the plan and consist solely of elected officials.

NEW SECTION. Sec. 9. BOARD'S POWERS AND DUTIES. (1) The governing board of the authority is responsible for the execution of the voter-approved plan. Participating jurisdictions shall review the plan every ten years. The board shall:

- (a) Levy and impose taxes as authorized in the plan and approved by authority voters;
 - (b) Enter into agreements with federal, state, local, and regional entities and departments as necessary to accomplish authority purposes and protect the authority's investments;
 - (c) Accept gifts, grants, or other contributions of funds that will support the purposes and programs of the authority;
 - (d) Monitor and audit the progress and execution of fire protection service projects to protect the investment of the public and annually make public its findings;
 - (e) Pay for services and enter into leases and contracts, including professional service contracts;
 - (f) Hire, manage, and terminate employees; and
 - (g) Exercise other powers and duties as may be reasonable to carry out the purposes of the authority.
- (2) An authority may acquire, hold, or dispose of real property.
(3) An authority may exercise the powers of eminent domain.
(4) An authority may enforce fire codes as provided under chapter 19.27 RCW.

NEW SECTION. Sec. 10. TRANSFER OF RESPONSIBILITIES. (1) All powers, duties, and functions of a participating fire protection jurisdiction pertaining to providing fire protection services may be transferred, by resolution, to the regional fire protection service authority.

(2)(a) All reports, documents, surveys, books, records, files, papers, or written material in the possession of the participating fire protection jurisdiction pertaining to the powers, functions, and duties transferred shall be delivered to the custody of the regional fire protection service authority. All real property and personal property including cabinets, furniture, office equipment, motor vehicles, and other tangible property employed by the participating fire protection jurisdiction in carrying out the powers, functions, and duties transferred shall be made available to the regional fire protection service authority. All funds, credits, or other assets held in connection with the powers, functions, and duties transferred shall be assigned to the regional fire protection service authority.

(b) Any appropriations made to the participating fire protection jurisdiction for carrying out the powers, functions, and duties transferred shall, on the effective date of the resolution, be transferred and credited to the regional fire protection service authority.

(c) Whenever any question arises as to the transfer of any personnel, funds, books, documents, records, papers, files, equipment, or other tangible property used or held in the exercise of the powers and the performance of the duties and functions transferred, the governing body of the participating fire protection jurisdiction shall make a determination as to the proper allocation.

(3) All rules and all pending business before the participating fire protection jurisdiction pertaining to the powers, functions, and duties transferred shall be continued and acted upon by the regional fire protection service authority. All existing contracts and obligations shall remain in full force and shall be performed by the regional fire protection service authority.

(4) The transfer of the powers, duties, functions, and personnel of the participating fire protection jurisdiction shall not affect the validity of any act performed before the effective date of the resolution.

(5) If apportionments of budgeted funds are required because of the transfers directed by the resolution, the treasurer under section 18 of this act shall certify the apportionments.

(6) Nothing contained in this section may be construed to alter any existing collective bargaining unit or the provisions of any existing collective bargaining agreement until the agreement has expired or until the bargaining unit has been modified as provided by law. RCW 35.13.215 through 35.13.235 apply to the transfer of employees under this section.

NEW SECTION. Sec. 11. WITHDRAWAL OR REANNEXATION OF AREAS. (1) As provided in this section, a regional fire protection service authority may withdraw areas from its boundaries or reannex into the authority areas that previously had been withdrawn from the authority under this section.

(2)(a) The withdrawal of an area is authorized upon: (i) Adoption of a resolution by the board approving the withdrawal and finding that, in the opinion of the board, inclusion of this area within the regional fire protection service authority will result in a reduction of the authority's tax levy rate under the provisions of RCW 84.52.010; or (ii) adoption of a resolution by the city or town council approving the withdrawal, if the area is located within the city or town, or adoption of a resolution by the governing body of the fire protection district within which the area is located approving the withdrawal, if the area is located outside of a city or town, but within a fire protection district.

(b) A withdrawal under this section is effective at the end of the day on the thirty-first day of December in the year in which the resolution under (a)(i) or (ii) of this subsection is adopted, but for purposes of establishing boundaries for property tax purposes, the boundaries shall be established immediately upon the adoption of the resolution.

(c) The withdrawal of an area from the boundaries of an authority does not exempt any property therein from taxation for the purpose of paying the costs of redeeming any indebtedness of the authority existing at the time of withdrawal.

(3)(a) An area that has been withdrawn from the boundaries of a regional fire protection service authority under this section may be reannexed into the authority upon: (i) Adoption of a resolution by the board proposing the reannexation; and (ii) adoption of a resolution by the city or town council approving the reannexation, if the area is located within the city or town, or adoption of a resolution by the governing body of the fire protection district within which the area is located approving the reannexation, if the area is located outside of a city or town but within a fire protection district.

(b) A reannexation under this section shall be effective at the end of the day on the thirty-first day of December in the year in which the adoption of the resolution under (a)(ii) of this subsection occurs, but for purposes of establishing boundaries for property tax purposes, the boundaries shall be established immediately upon the adoption of the resolution.

(c)(i) Referendum action on the proposed reannexation under this section may be taken by the voters of the area proposed to be reannexed if a petition calling for a referendum is filed with the city or town council, or governing body of the fire protection district, within a thirty-day period after the adoption of the resolution under (a)(ii) of this subsection, which petition has been signed by registered voters of the area proposed to be reannexed equal in number to ten percent of the total number of the registered voters residing in that area.

(ii) If a valid petition signed by the requisite number of registered voters has been so filed, the effect of the resolutions shall be held in abeyance and a ballot proposition to authorize the reannexation shall be submitted to the voters of the area at the next special election date specified in RCW 29A.04.330 that occurs forty-five or more days after the petitions have been validated. Approval of the ballot proposition authorizing the reannexation by a simple majority vote shall authorize the reannexation.

NEW SECTION. Sec. 12. DISSOLUTION--ELECTION. Any fire protection district within the authority may be dissolved by a majority vote of the registered electors of the district at an election conducted by the election officials of the county or counties in which the district is located in accordance with the general election laws of the state. The proceedings for dissolution may be initiated by the adoption of a resolution by the board. The dissolution of the district shall not cancel outstanding obligations of the district or of a local improvement district within the district, and the county legislative authority or authorities of the county or counties in which the district was located may make annual levies against the lands within the district until the obligations of the districts are paid. All powers, duties, and functions of a dissolved fire protection jurisdiction within the authority boundaries, pertaining to providing fire protection services may be transferred, by resolution, to the regional fire protection service authority.

Sec. 13. RCW 57.90.010 and 1999 c 153 s 24 are each amended to read as follows:

Water-sewer, park and recreation, metropolitan park, county rural library, cemetery, flood control, mosquito control, diking and drainage, irrigation or reclamation, weed, health, or fire protection districts, and any air pollution control authority or regional fire protection service authority, hereinafter referred to as "special districts," which are located wholly or in part within a county with a population of two hundred ten thousand or more may be disincorporated when the district has not actively carried out any of the special purposes or functions for which it was formed within the preceding consecutive five-year period.

NEW SECTION. Sec. 14. DEBT AND BONDING. Unless contrary to this section, chapter 39.42 RCW applies to debt and bonding under this section. The authority may borrow money, but may not issue any debt of its own for more than ten years' duration. An authority may issue notes or other evidences of indebtedness with a maturity of not more than twenty years. An authority may, when authorized by the plan, enter into agreements with the state to pledge taxes or other revenues of the authority for the purpose of paying

in part or whole principal and interest on bonds issued by the authority. The contracts pledging revenues and taxes are binding for the term of the agreement, but not to exceed twenty-five years, and no tax pledged by an agreement may be eliminated or modified if it would impair the pledge of the agreement.

NEW SECTION. Sec. 15. (1) To carry out the purposes for which a regional fire protection service authority is created, as authorized in the plan and approved by the voters, the governing board of an authority may annually levy the following taxes:

(a) An ad valorem tax on all taxable property located within the authority not to exceed fifty cents per thousand dollars of assessed value;

(b) An ad valorem tax on all property located within the authority not to exceed fifty cents per thousand dollars of assessed value and which will not cause the combined levies to exceed the constitutional or statutory limitations. This levy, or any portion of this levy, may also be made when dollar rates of other taxing units are released by agreement with the other taxing units from their authorized levies; and

(c) An ad valorem tax on all taxable property located within the authority not to exceed fifty cents per thousand dollars of assessed value if the authority has at least one full-time, paid employee, or contracts with another municipal corporation for the services of at least one full-time, paid employee. This levy may be made only if it will not affect dollar rates which other taxing districts may lawfully claim nor cause the combined levies to exceed the constitutional or statutory limitations or both.

(2) Levies in excess of the amounts provided in subsection (1) of this section or in excess of the aggregate dollar rate limitations or both may be made for any authority purpose when so authorized at a special election under RCW 84.52.052. Any such tax when levied must be certified to the proper county officials for the collection of the tax as for other general taxes. The taxes when collected shall be placed in the appropriate authority fund or funds as provided by law, and must be paid out on warrants of the auditor of the county in which all, or the largest portion of, the authority is located, upon authorization of the governing board of the authority.

(3) Authorities are additionally authorized to incur general indebtedness and to issue general obligation bonds for capital purposes as provided in section 14 of this act. Authorities may provide for the retirement of general indebtedness by excess property tax levies, when the voters of the authority have approved a proposition authorizing such indebtedness and levies by an affirmative vote of three-fifths of those voting on the proposition at such an election, at which election the total number of persons voting shall constitute not less than forty percent of the voters in the authority who voted at the last preceding state general election. Elections must be held as provided in RCW 39.36.050. The maximum term of any bonds issued under the authority of this section may not exceed ten years and must be issued and sold in accordance with chapter 39.46 RCW.

(4) For purposes of this section, the term "value of the taxable property" has the same meaning as in RCW 39.36.015.

NEW SECTION. Sec. 16. At the time of making general tax levies in each year, the county legislative authority or authorities of the county or counties in which a regional fire protection service authority is located shall make the required levies for authority purposes against the real and personal property in the authority in accordance with the equalized valuations of the property for general tax purposes and as a part of the general taxes. The tax levies are part of the general tax roll and must be collected as a part of the general taxes against the property in the authority.

NEW SECTION. Sec. 17. In the event that lands lie within both a regional fire protection service authority and a forest protection assessment area they shall be taxed and assessed as follows:

(1) If the lands are wholly unimproved, they are subject to forest protection assessments but not to authority levies;

(2) If the lands are wholly improved, they are subject to authority levies but not to forest protection assessments; and

(3) If the lands are partly improved and partly unimproved, they are subject both to authority levies and to forest protection assessments. However, upon request, accompanied by appropriate legal descriptions, the county assessor shall segregate any unimproved portions which each consist of twenty or more acres, and thereafter the unimproved portion or portions are subject only to forest protection assessments.

NEW SECTION. Sec. 18. It is the duty of the county treasurer of the county in which the regional fire protection service authority created under this chapter is located to collect taxes authorized and levied under this chapter. However, when a regional fire protection service authority is located in more than one county, the county treasurer of each county in which the authority is located shall collect the regional fire protection service authority's taxes that are imposed on property located within the county and transfer these funds to the treasurer of the county in which the majority of the authority lies.

Sec. 19. RCW 84.09.030 and 1996 c 230 s 1613 are each amended to read as follows:

Except as follows, the boundaries of counties, cities and all other taxing districts, for purposes of property taxation and the levy of property taxes, shall be the established official boundaries of such districts existing on the first day of March of the year in which the property tax levy is made.

The official boundaries of a newly incorporated taxing district shall be established at a different date in the year in which the incorporation occurred as follows:

(1) Boundaries for a newly incorporated city shall be established on the last day of March of the year in which the initial property tax levy is made, and the boundaries of a road district, library district, or fire protection district or districts, that include any portion of the area that was incorporated within its boundaries shall be altered as of this date to exclude this area, if the budget for the newly incorporated city is filed pursuant to RCW 84.52.020 and the levy request of the newly incorporated city is made pursuant to RCW 84.52.070. Whenever a proposed city incorporation is on the March special election ballot, the county auditor shall submit the legal description of the proposed city to the department of revenue on or before the first day of March;

(2) Boundaries for a newly incorporated port district or regional fire protection service authority shall be established on the first day of October if the boundaries of the newly incorporated port district or regional fire protection service authority are coterminous with the boundaries of another taxing district or districts, as they existed on the first day of March of that year;

(3) Boundaries of any other newly incorporated taxing district shall be established on the first day of June of the year in which the property tax levy is made if the taxing district has boundaries coterminous with the boundaries of another taxing district, as they existed on the first day of March of that year;

(4) Boundaries for a newly incorporated water-sewer district shall be established on the fifteenth of June of the year in which the proposition under RCW 57.04.050 authorizing a water district excess levy is approved.

The boundaries of a taxing district shall be established on the first day of June if territory has been added to, or removed from, the taxing district after the first day of March of that year with boundaries coterminous with the boundaries of another taxing district as they existed on the first day of March of that year. However, the boundaries of a road district, library district, or fire protection district or districts, that include any portion of the area that was annexed to a city or town within its boundaries shall be altered as of this date to exclude this area. In any case where any instrument setting forth the official boundaries of any newly established taxing district, or setting forth any change in such boundaries, is required by law to be filed in the office of the county auditor or other county official, said instrument shall be filed in triplicate. The officer with whom such instrument is filed shall transmit two copies to the county assessor.

No property tax levy shall be made for any taxing district whose boundaries are not established as of the dates provided in this section.

NEW SECTION. Sec. 20. A new section is added to chapter 84.52 RCW to read as follows:

(1) If a fire protection district is a participating fire protection jurisdiction in a regional fire protection service authority, the regular property tax levies of the fire protection district are limited as follows:

(a) The regular levy of the district under RCW 52.16.130 shall not exceed fifty cents per thousand dollars of assessed value of taxable property in the district less the amount of any levy imposed by the authority under section 15(1)(a) of this act;

(b) The levy of the district under RCW 52.16.140 shall not exceed fifty cents per thousand dollars of assessed value of taxable property in the district less the amount of any levy imposed by the authority under section 15(1)(b) of this act; and

(c) The levy of the district under RCW 52.16.160 shall not exceed fifty cents per thousand dollars of assessed value of taxable property in the district less the amount of any levy imposed by the authority under section 15(1)(c) of this act.

(2) If a city or town is a participating fire protection jurisdiction in a regional fire protection service authority, the regular levies of the city or town shall not exceed the applicable rates provided in RCW 27.12.390, 52.04.081, and 84.52.043(1) less the aggregate rates of any regular levies made by the authority under section 15(1) of this act.

(3) If a port district is a participating fire protection jurisdiction in a regional fire protection service authority, the regular levy of the port district under RCW 53.36.020 shall not exceed forty-five cents per thousand dollars of assessed value of taxable property in the district less the aggregate rates of any regular levies imposed by the authority under section 15(1) of this act.

(4) For purposes of this section, the following definitions apply:

(a) "Fire protection jurisdiction" means a fire protection district, city, town, Indian tribe, or port district; and

(b) "Participating fire protection jurisdiction" means a fire protection district, city, town, Indian tribe, or port district that is represented on the governing board of a regional fire protection service authority.

Sec. 21. RCW 84.52.010 and 2003 c 83 s 310 are each amended to read as follows:

Except as is permitted under RCW 84.55.050, all taxes shall be levied or voted in specific amounts.

The rate percent of all taxes for state and county purposes, and purposes of taxing districts coextensive with the county, shall be determined, calculated and fixed by the county assessors of the respective counties, within the limitations provided by law, upon the assessed valuation of the property of the county, as shown by the completed tax rolls of the county, and the rate percent of all taxes levied for purposes of taxing districts within any county shall be determined, calculated and fixed by the county assessors of the respective counties, within the limitations provided by law, upon the assessed valuation of the property of the taxing districts respectively.

When a county assessor finds that the aggregate rate of tax levy on any property, that is subject to the limitations set forth in RCW 84.52.043 or 84.52.050, exceeds the limitations provided in either of these sections, the assessor shall recompute and establish a consolidated levy in the following manner:

(1) The full certified rates of tax levy for state, county, county road district, and city or town purposes shall be extended on the tax rolls in amounts not exceeding the limitations established by law; however any state levy shall take precedence over all other levies and shall not be reduced for any purpose other than that required by RCW 84.55.010. If, as a result of the levies imposed under RCW 36.54.130, 84.52.069, 84.34.230, the portion of the levy by a metropolitan park district that was protected under RCW 84.52.120, and 84.52.105, the combined rate of regular property tax levies that are subject to the one percent limitation exceeds one percent of the true and fair value of any property, then these levies shall be reduced as follows: (a) The levy imposed by a ferry district under RCW 36.54.130 must be reduced until the combined rate no longer exceeds one percent of the true and fair value of any property or must be eliminated; (b) if the combined rate of regular property tax levies that are subject to the one percent limitation still exceeds one percent of the true and fair value of any property, the portion of the levy by a metropolitan park district that is protected under RCW 84.52.120 shall be reduced until the combined rate no longer exceeds one percent of the true and fair value of any property or shall be eliminated; (c) if the combined rate of regular property tax levies that are subject to the one percent limitation still exceeds one percent of the true and fair value of any property, then the levies imposed under RCW 84.34.230, 84.52.105, and any portion of the levy imposed under RCW 84.52.069 that is in excess of thirty cents per thousand dollars of assessed value, shall be reduced on a pro rata basis until the combined rate no longer exceeds one percent of the true and fair value of any property or shall be eliminated; and (d) if the combined rate of regular property tax levies that are subject to the one percent limitation still exceeds one percent of the true and fair value of any property, then the thirty cents per thousand dollars of assessed value of tax levy imposed under RCW 84.52.069 shall be reduced until the combined rate no longer exceeds one percent of the true and fair value of any property or eliminated.

(2) The certified rates of tax levy subject to these limitations by all junior taxing districts imposing taxes on such property shall be reduced or eliminated as follows to bring the consolidated levy of taxes on such property within the provisions of these limitations:

(a) First, the certified property tax levy rates of those junior taxing districts authorized under RCW 36.68.525, 36.69.145, 35.95A.100, and 67.38.130 shall be reduced on a pro rata basis or eliminated;

(b) Second, if the consolidated tax levy rate still exceeds these limitations, the certified property tax levy rates of flood control zone districts shall be reduced on a pro rata basis or eliminated;

(c) Third, if the consolidated tax levy rate still exceeds these limitations, the certified property tax levy rates of all other junior taxing districts, other than fire protection districts, regional fire protection service authorities, library districts, the first fifty cent per thousand dollars of assessed valuation levies for metropolitan park districts, and the first fifty cent per thousand dollars of assessed valuation levies for public hospital districts, shall be reduced on a pro rata basis or eliminated;

(d) Fourth, if the consolidated tax levy rate still exceeds these limitations, the first fifty cent per thousand dollars of assessed valuation levies for metropolitan park districts created on or after January 1, 2002, shall be reduced on a pro rata basis or eliminated;

(e) Fifth, if the consolidated tax levy rate still exceeds these limitations, the certified property tax levy rates authorized to regional fire protection service authorities under section 15(1) (b) and (c) of this act and fire protection districts under RCW 52.16.140 and 52.16.160 shall be reduced on a pro rata basis or eliminated; and

(f) Sixth, if the consolidated tax levy rate still exceeds these limitations, the certified property tax levy rates authorized for regional fire protection service authorities under section 15(1)(a) of this act, fire protection districts under RCW 52.16.130, library districts, metropolitan park districts created before January 1, 2002, under their first fifty cent per thousand dollars of assessed valuation levy, and public hospital districts under their first fifty cent per thousand dollars of assessed valuation levy, shall be reduced on a pro rata basis or eliminated.

In determining whether the aggregate rate of tax levy on any property, that is subject to the limitations set forth in RCW 84.52.050, exceeds the limitations provided in that section, the assessor shall use the hypothetical state levy, as apportioned to the county under RCW 84.48.080, that was computed under RCW 84.48.080 without regard to the reduction under RCW 84.55.012.

Sec. 22. RCW 84.52.052 and 2003 c 83 s 312 are each amended to read as follows:

The limitations imposed by RCW 84.52.050 through 84.52.056, and RCW 84.52.043 shall not prevent the levy of additional taxes by any taxing district, except school districts and fire protection districts, in which a larger levy is necessary in order to prevent the impairment of the obligation of contracts. As used in this section, the term "taxing district" means any county, metropolitan park district, park and recreation service area, park and recreation district, water-sewer district, solid waste disposal district, public facilities district, flood control zone district, county rail district, service district, public hospital district, road district, rural county library district, island library district, rural partial-county library district, intercounty rural library district, cemetery district, city, town, transportation benefit district, emergency medical service district with a population density of less than one thousand per square mile, cultural arts, stadium, and convention district, ferry district, ~~((or))~~ city transportation authority, or regional fire protection service authority.

Any such taxing district may levy taxes at a rate in excess of the rate specified in RCW 84.52.050 through 84.52.056 and 84.52.043, or 84.55.010 through 84.55.050, when authorized so to do by the voters of such taxing district in the manner set forth in Article VII, section 2(a) of the Constitution of this state at a special or general election to be held in the year in which the levy is made.

A special election may be called and the time therefor fixed by the county legislative authority, or council, board of commissioners, or other governing body of any such taxing district, by giving notice thereof by publication in the manner provided by law for giving notices of general elections, at which special election the proposition authorizing such excess levy shall be submitted in such form as to enable the voters favoring the proposition to vote "yes" and those opposed thereto to vote "no."

Sec. 23. RCW 84.52.069 and 1999 c 224 s 1 are each amended to read as follows:

(1) As used in this section, "taxing district" means a county, emergency medical service district, city or town, public hospital district, urban emergency medical service district, regional fire protection service authority, or fire protection district.

(2) A taxing district may impose additional regular property tax levies in an amount equal to fifty cents or less per thousand dollars of the assessed value of property in the taxing district. The tax shall be imposed (a) each year for six consecutive years, (b) each year for ten consecutive years, or (c) permanently. A tax levy under this section must be specifically authorized by a majority of at least three-fifths of the registered voters thereof approving a proposition authorizing the levies submitted at a general or special election, at which election the number of persons voting "yes" on the proposition shall constitute three-fifths of a number equal to forty percent of the total number of voters voting in such taxing district at the last preceding general election when the number of registered voters voting on the proposition does not exceed forty percent of the total number of voters voting in such taxing district in the last preceding general election; or by a majority of at least three-fifths of the registered voters thereof voting on the proposition when the number of registered voters voting on the proposition exceeds forty percent of the total number of voters voting in such taxing district in the last preceding general election. Ballot propositions shall conform with RCW ~~((29.30.111))~~ 29A.36.210. A taxing district shall not submit to the voters at the same election multiple propositions to impose a levy under this section.

(3) A taxing district imposing a permanent levy under this section shall provide for separate accounting of expenditures of the revenues generated by the levy. The taxing district shall maintain a statement of the accounting which shall be updated at least every two years and shall be available to the public upon request at no charge.

(4) A taxing district imposing a permanent levy under this section shall provide for a referendum procedure to apply to the ordinance or resolution imposing the tax. This referendum procedure shall specify that a referendum petition may be filed at any time with a filing officer, as identified in the ordinance or resolution. Within ten days, the filing officer shall confer with the petitioner concerning form and style of the petition, issue the petition an identification number, and secure an accurate, concise, and positive ballot title from the designated local official. The petitioner shall have thirty days in which to secure the signatures of not less than fifteen percent of the registered voters of the taxing district, as of the last general election, upon petition forms which contain the ballot title and the full text of the measure to be referred. The filing officer shall verify the sufficiency of the signatures on the petition and, if sufficient valid signatures are properly submitted, shall certify the referendum measure to the next election within the taxing district if one is to be held within one hundred eighty days from the date of filing of the referendum petition, or at a special election to be called for that purpose in accordance with RCW ~~((29.13.020))~~ 29A.04.330.

The referendum procedure provided in this subsection shall be exclusive in all instances for any taxing district imposing the tax under this section and shall supersede the procedures provided under all other statutory or charter provisions for initiative or referendum which might otherwise apply.

(5) Any tax imposed under this section shall be used only for the provision of emergency medical care or emergency medical services, including related personnel costs, training for such personnel, and related equipment, supplies, vehicles and structures needed for the provision of emergency medical care or emergency medical services.

(6) If a county levies a tax under this section, no taxing district within the county may levy a tax under this section. If a regional fire protection service authority imposes a tax under this section, no other taxing

district that is a participating fire protection jurisdiction in the regional fire protection service authority may levy a tax under this section. No other taxing district may levy a tax under this section if another taxing district has levied a tax under this section within its boundaries: PROVIDED, That if a county levies less than fifty cents per thousand dollars of the assessed value of property, then any other taxing district may levy a tax under this section equal to the difference between the rate of the levy by the county and fifty cents: PROVIDED FURTHER, That if a taxing district within a county levies this tax, and the voters of the county subsequently approve a levying of this tax, then the amount of the taxing district levy within the county shall be reduced, when the combined levies exceed fifty cents. Whenever a tax is levied county-wide, the service shall, insofar as is feasible, be provided throughout the county: PROVIDED FURTHER, That no county-wide levy proposal may be placed on the ballot without the approval of the legislative authority of each city exceeding fifty thousand population within the county: AND PROVIDED FURTHER, That this section and RCW 36.32.480 shall not prohibit any city or town from levying an annual excess levy to fund emergency medical services: AND PROVIDED, FURTHER, That if a county proposes to impose tax levies under this section, no other ballot proposition authorizing tax levies under this section by another taxing district in the county may be placed before the voters at the same election at which the county ballot proposition is placed: AND PROVIDED FURTHER, That any taxing district emergency medical service levy that is limited in duration and that is authorized subsequent to a county emergency medical service levy that is limited in duration, shall expire concurrently with the county emergency medical service levy.

(7) The limitations in RCW 84.52.043 shall not apply to the tax levy authorized in this section.

(8) If a ballot proposition approved under subsection (2) of this section did not impose the maximum allowable levy amount authorized for the taxing district under this section, any future increase up to the maximum allowable levy amount must be specifically authorized by the voters in accordance with subsection (2) of this section at a general or special election.

(9) The limitation in RCW 84.55.010 shall not apply to the first levy imposed pursuant to this section following the approval of such levy by the voters pursuant to subsection (2) of this section.

(10) For purposes of this section, the following definitions apply:

(a) "Fire protection jurisdiction" means a fire protection district, city, town, Indian tribe, or port district; and

(b) "Participating fire protection jurisdiction" means a fire protection district, city, town, Indian tribe, or port district that is represented on the governing board of a regional fire protection service authority.

NEW SECTION. Sec. 24. (1) The governing board of a regional fire protection service authority may by resolution, as authorized in the plan and approved by the voters, for authority purposes authorized by law, fix and impose a benefit charge on personal property and improvements to real property which are located within the authority on the date specified and which have received or will receive the benefits provided by the authority, to be paid by the owners of the properties. A benefit charge does not apply to personal property and improvements to real property owned or used by any recognized religious denomination or religious organization as, or including, a sanctuary or for purposes related to the bona fide religious ministries of the denomination or religious organization, including schools and educational facilities used for kindergarten, primary, or secondary educational purposes or for institutions of higher education and all grounds and buildings related thereto. However, a benefit charge does apply to personal property and improvements to real property owned or used by any recognized religious denomination or religious organization for business operations, profit-making enterprises, or activities not including use of a sanctuary or related to kindergarten, primary, or secondary educational purposes or for institutions of higher education. The aggregate amount of these benefit charges in any one year may not exceed an amount equal to sixty percent of the operating budget for the year in which the benefit charge is to be collected. It is the duty of the county legislative authority or authorities of the county or counties in which the regional fire protection service authority is located to make any necessary adjustments to assure compliance with this limitation and to immediately notify the governing board of an authority of any changes thereof.

(2) A benefit charge imposed must be reasonably proportioned to the measurable benefits to property resulting from the services afforded by the authority. It is acceptable to apportion the benefit charge to the values of the properties as found by the county assessor or assessors modified generally in the proportion that fire insurance rates are reduced or entitled to be reduced as the result of providing the services. Any other method that reasonably apportions the benefit charges to the actual benefits resulting from the degree of protection, which may include but is not limited to the distance from regularly maintained fire protection equipment, the level of fire prevention services provided to the properties, or the need of the properties for specialized services, may be specified in the resolution and is subject to contest on the grounds of unreasonable or capricious action or action in excess of the measurable benefits to the property resulting from services afforded by the authority. The governing board of an authority may determine that certain properties or types or classes of properties are not receiving measurable benefits based on criteria they establish by resolution. A benefit charge authorized by this chapter is not applicable to the personal property or improvements to real property of any individual, corporation, partnership, firm, organization, or association maintaining a fire department and whose fire protection and training system has been accepted by a fire insurance underwriter

maintaining a fire protection engineering and inspection service authorized by the state insurance commissioner to do business in this state, but the property may be protected by the authority under a contractual agreement.

(3) For administrative purposes, the benefit charge imposed on any individual property may be compiled into a single charge, provided that the authority, upon request of the property owner, provide an itemized list of charges for each measurable benefit included in the charge.

(4) For the purposes of this section and sections 25 through 33 of this act, the following definitions apply:

(a)(i) "Personal property" includes every form of tangible personal property including, but not limited to, all goods, chattels, stock in trade, estates, or crops.

(ii) "Personal property" does not include any personal property used for farming, field crops, farm equipment, or livestock.

(b) "Improvements to real property" does not include permanent growing crops, field improvements installed for the purpose of aiding the growth of permanent crops, or other field improvements normally not subject to damage by fire.

NEW SECTION. Sec. 25. All personal property not assessed and subjected to ad valorem taxation under Title 84 RCW, all property under contract or for which the regional fire protection service authority is receiving payment for as authorized by law, all property subject to chapter 54.28 RCW, and all property that is subject to a contract for services with an authority, is exempt from the benefit charge imposed under this chapter.

NEW SECTION. Sec. 26. (1) The resolution establishing benefit charges as specified in section 24 of this act must specify, by legal geographical areas or other specific designations, the charge to apply to each property by location, type, or other designation, or other information that is necessary to the proper computation of the benefit charge to be charged to each property owner subject to the resolution.

(2) The county assessor of each county in which the regional fire protection service authority is located shall determine and identify the personal properties and improvements to real property that are subject to a benefit charge in each authority and shall furnish and deliver to the county treasurer of that county a listing of the properties with information describing the location, legal description, and address of the person to whom the statement of benefit charges is to be mailed, the name of the owner, and the value of the property and improvements, together with the benefit charge to apply to each. These benefit charges must be certified to the county treasurer for collection in the same manner that is used for the collection of fire protection charges for forest lands protected by the department of natural resources under RCW 76.04.610 and the same penalties and provisions for collection apply.

NEW SECTION. Sec. 27. Each regional fire protection service authority shall contract, prior to the imposition of a benefit charge, for the administration and collection of the benefit charge by each county treasurer, who shall deduct a percentage, as provided by contract to reimburse the county for expenses incurred by the county assessor and county treasurer in the administration of the resolution and this chapter. The county treasurer shall make distributions each year, as the charges are collected, in the amount of the benefit charges imposed on behalf of each authority, less the deduction provided for in the contract.

NEW SECTION. Sec. 28. (1) Notwithstanding any other provision in this chapter to the contrary, any benefit charge authorized by this chapter is not effective unless a proposition to impose the benefit charge is approved by a sixty percent majority of the voters of the regional fire protection service authority voting at a general election or at a special election called by the authority for that purpose, held within the authority. An election held under this section must be held not more than twelve months prior to the date on which the first charge is to be assessed. A benefit charge approved at an election expires in six years or fewer as authorized by the voters, unless subsequently reapproved by the voters.

(2) The ballot must be submitted so as to enable the voters favoring the authorization of a regional fire protection service authority benefit charge to vote "Yes" and those opposed to vote "No." The ballot question is as follows:

"Shall the regional fire protection service authority composed of (insert the participating fire protection jurisdictions) be authorized to impose benefit charges each year for (insert number of years not to exceed six) years, not to exceed an amount equal to sixty percent of its operating budget, and be prohibited from imposing an additional property tax under RCW . . . (section 15(1)(c) of this act)?

YES NO

(3) Authorities renewing the benefit charge may elect to use the following alternative ballot:

"Shall the regional fire protection service authority composed of (insert the participating fire protection jurisdictions) be authorized to continue voter-authorized benefit charges each year for . . . (insert number of years not to exceed six) years, not to exceed an amount equal to sixty percent of its operating budget, and be prohibited from imposing an additional property tax under RCW . . . (section 15(1)(c) of this act)?

YES NO

NEW SECTION. Sec. 29. (1) Not fewer than ten days nor more than six months before the election at which the proposition to impose the benefit charge is submitted as provided in this chapter, the governing board of the regional fire protection service authority shall hold a public hearing specifically setting forth its proposal to impose benefit charges for the support of its legally authorized activities that will maintain or improve the services afforded in the authority. A report of the public hearing shall be filed with the county treasurer of each county in which the property is located and be available for public inspection.

(2) Prior to November 15th of each year the governing board of the authority shall hold a public hearing to review and establish the regional fire protection service authority benefit charges for the subsequent year.

(3) All resolutions imposing or changing the benefit charges must be filed with the county treasurer or treasurers of each county in which the property is located, together with the record of each public hearing, before November 30th immediately preceding the year in which the benefit charges are to be collected on behalf of the authority.

(4) After the benefit charges have been established, the owners of the property subject to the charge must be notified of the amount of the charge.

NEW SECTION. Sec. 30. A regional fire protection service authority that imposes a benefit charge under this chapter shall not impose all or part of the property tax authorized under section 15(1)(c) of this act.

NEW SECTION. Sec. 31. After notice has been given to the property owners of the amount of the charge, the governing board of a regional fire protection service authority imposing a benefit charge under this chapter shall form a review board for at least a two-week period and shall, upon complaint in writing of an aggrieved party owning property in the authority, reduce the charge of a person who, in their opinion, has been charged too large a sum, to a sum or amount as they believe to be the true, fair, and just amount.

NEW SECTION. Sec. 32. The Washington fire commissioners association, as soon as practicable, shall draft a model resolution to impose the regional fire protection service authority benefit charge authorized by this chapter and may provide assistance to authorities in the establishment of a program to develop benefit charges.

NEW SECTION. Sec. 33. A person who is receiving the exemption contained in RCW 84.36.381 through 84.36.389 is exempt from any legal obligation to pay a portion of the benefit charge imposed under this chapter as follows:

(1) A person who meets the income limitation contained in RCW 84.36.381(5)(a) and does not meet the income limitation contained in RCW 84.36.381(5)(b) (i) or (ii) is exempt from twenty-five percent of the charge;

(2) A person who meets the income limitation contained in RCW 84.36.381(5)(b)(i) is exempt from fifty percent of the charge; and

(3) A person who meets the income limitation contained in RCW 84.36.381(5)(b)(ii) shall be exempt from seventy-five percent of the charge.

Sec. 34. RCW 35.21.766 and 1975 1st ex.s. c 24 s 1 are each amended to read as follows:

Whenever a regional fire protection service authority or the legislative authority of any city or town determines that the fire protection jurisdictions that are members of the authority or the city or town or a substantial portion of the city or town is not adequately served by existing private ambulance service, the governing board of the authority may by resolution, or the legislative authority of the city or town may by appropriate legislation, provide for the establishment of a system of ambulance service to be operated by the authority as a public utility of the city or town, or operated by contract after a call for bids.

NEW SECTION. Sec. 35. CAPTIONS. Captions used in this act are not any part of the law.

NEW SECTION. Sec. 36. CODIFICATION. Sections 1 through 12, 14 through 18, and 24 through 33 of this act constitute a new chapter in Title 52 RCW.

NEW SECTION. Sec. 37. SEVERABILITY. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected."

MAJORITY recommendation: Do pass as amended by Committee on Appropriations and without amendment by Committee on Higher Education.

Strike everything after the enacting clause and insert the following:

"NEW SECTION. **Sec. 1.** The legislature recognizes that over the next decade, large numbers of Washington students will graduate from high school and seek access to higher education. Washington's new knowledge-based economy demands ever-increasing levels of education and training from our work force. The legislature also recognizes that there is insufficient access in some urban areas of the state with greatest population density. These areas could benefit educationally and economically from expanded baccalaureate and graduate education opportunities. With increased demand and limited resources to provide such expansion, the legislature finds it necessary to examine thoroughly and objectively the prospect of creating additional educational opportunities in underserved areas such as southwest Washington and the central Puget Sound region.

NEW SECTION. **Sec. 2.** (1) The Washington state institute for public policy shall develop evaluation criteria and identify data necessary to study the feasibility of creating additional public baccalaureate and graduate education opportunities in underserved areas of the state. The criteria must be rigorous, objective, and applicable to various regions of the state. The study methodology must include consultation with community leaders. The criteria must include but not be limited to the following:

- (a) A detailed regional analysis of student demand and supply of degree programs from existing higher education institutions;
 - (b) Population and demographic projections for a region;
 - (c) Potential regional economic development, including types of businesses and employers and their educational and work force training needs;
 - (d) Evaluation of alternative models of providing baccalaureate and professional graduate education in a region, including expanding existing partnerships between community and technical colleges and four-year institutions;
 - (e) Examination of the possible role and mission of new or modified higher education institutions in a region, including the possibility of an innovative combination of instruction and research suitable for meeting a region's needs for access as well as support the expansion of a region's economic viability;
 - (f) Analysis of short and long-term operating and capital costs; and
 - (g) A balance between local or regional interests and statewide needs.
- (2) Once the evaluation criteria, data, and methodology have been developed, the institute shall conduct the first feasibility study in southwest Washington.
- (3) The institute shall submit its findings from the first feasibility study to the higher education and fiscal committees of the senate and house of representatives by December 15, 2004.

MAJORITY recommendation: Do pass as amended by Committee on Appropriations and without amendment by Committee on Higher Education.

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. (1) The legislature finds that:

- (a) The proper collection and review of credible water quality data is necessary to ensure compliance with the requirements of the federal clean water act (33 U.S.C. Sec. 1251 et seq.);
 - (b) The state needs to assemble and evaluate all existing and readily available water quality-related data and information from sources other than the state water quality agency, such as federal agencies, tribes, universities, and volunteer monitoring groups, if the data meets the state's requirements for data quality; and
 - (c) Developing and implementing water quality protection measures based on credible water quality data ensures that the financial resources of state and local governments and regulated entities are prioritized to address our state's most important water quality issues.
- (2) The legislature intends to ensure that credible water quality data is used as the basis for the assessment of the status of a water body relative to the surface water quality standards.
- (3) It is the intent of the legislature that a water body in which pollutant loadings from naturally occurring conditions are the sole cause of a violation of applicable surface water quality standards not be listed as impaired.

NEW SECTION. Sec. 2. The definitions in this section apply to sections 3 and 4 of this act unless the context clearly requires otherwise.

- (1) "Credible data" means data meeting the requirements of section 4 of this act.
- (2) "Department" means the Washington state department of ecology.
- (3) "Impaired water" means a water body or segment for which credible data exists that: (a) Satisfies the requirements of sections 3 and 4 of this act; and (b) demonstrates the water body should be identified pursuant to 33 U.S.C. Sec. 1313(d).

(4) "Naturally occurring condition" means any condition affecting water quality that is not caused by human influence.

(5) "Section 303(d)" has the same meaning as in the federal clean water act (33 U.S.C. Sec. 1313(d)).

(6) "Total maximum daily load" has the same meaning as in the federal clean water act (33 U.S.C. Sec. 1313(d)).

NEW SECTION. Sec. 3. (1) The department shall use credible information and literature for developing and reviewing a surface water quality standard or technical model used to establish a total maximum daily load for any surface water of the state.

(2) The department shall use credible data for the following actions after the effective date of this section:

(a) Determining whether any water of the state is to be placed on or removed from any section 303(d) list;

(b) Establishing a total maximum daily load for any surface water of the state; or

(c) Determining whether any surface water of the state is supporting its designated use or other classification.

(3) The department shall respond to questions regarding the data, literature, and other information it uses under this section. The department shall reply to requests within five business days acknowledging that the department has received the request and provide a reasonable estimate of the time the department will require to respond to the request.

NEW SECTION. Sec. 4. (1) In collecting and analyzing water quality data for any purpose identified in section 3(2) of this act, data is considered credible data if:

(a) Appropriate quality assurance and quality control procedures were followed and documented in collecting and analyzing water quality samples;

(b) The samples or measurements are representative of water quality conditions at the time the data was collected;

(c) The data consists of an adequate number of samples based on the objectives of the sampling, the nature of the water in question, and the parameters being analyzed; and

(d) Sampling and laboratory analysis conform to methods and protocols generally acceptable in the scientific community as appropriate for use in assessing the condition of the water.

(2) Data interpretation, statistical, and modeling methods shall be those methods generally acceptable in the scientific community as appropriate for use in assessing the condition of the water.

(3) The department shall develop policy:

(a) Explaining how it uses scientific research and literature for developing and reviewing any water quality standard or technical model used to establish a total maximum daily load for any water of the state;

(b) Describing the specific criteria that determine data credibility; and

(c) Defining the appropriate training and experience in order to collect credible data.

NEW SECTION. Sec. 5. Any person who knowingly falsifies data is guilty of a gross misdemeanor.

NEW SECTION. Sec. 6. Sections 1 through 5 of this act are each added to chapter 90.48 RCW.

NEW SECTION. Sec. 7. By December 31, 2005, the department of ecology shall report to the appropriate committees of the senate and the house of representatives concerning the status of activities undertaken to comply with the provisions of this act, and shall report by December 31, 2006 any rule-making or policy development required to implement this act, including changes in listings resulting from the use of credible data."

NEW SECTION. **Sec. 5.** A new section is added to chapter 79A.15 RCW to read as follows:

(1) The riparian protection account is established in the state treasury. The committee must administer the account in accordance with chapter 79A.25 RCW and this chapter, and hold it separate and apart from all other money, funds, and accounts of the committee.

(2) Moneys appropriated for this chapter to the riparian protection account must be distributed for the acquisition and enhancement or restoration of riparian habitat. All enhancement or restoration projects, except those qualifying under subsection (9)(a) of this section, must include the acquisition of a real property interest in order to be eligible. At least fifty percent of riparian protection account funds must be used for the acquisition of real property interests.

(3) State and local agencies and lead entities under chapter 77.85 RCW may apply for acquisition and enhancement or restoration funds for riparian habitat projects under subsection (1) of this section. Other state agencies not defined in RCW 79A.15.010, such as the department of transportation and the department of corrections, may enter into interagency agreements with state agencies to apply in partnership for funds under this section.

(4) The committee may adopt rules establishing acquisition policies and priorities for distributions from the riparian protection account.

(5) Except as provided in RCW 79A.15.030(7), moneys appropriated for this section may not be used by the committee to fund staff positions or other overhead expenses, or by a state, regional, or local agency to fund operation or maintenance of areas acquired under this chapter.

(6) Moneys appropriated for this section may be used by grant recipients for costs incidental to restoration and acquisition, including, but not limited to, surveying expenses, fencing, and signing.

(7) The committee may not approve a local project where the local agency share is less than the amount to be awarded from the riparian protection account. In-kind contributions, including contributions of a real property interest in land may be used to satisfy the local agency's share.

(8) State agencies receiving grants for acquisition of land under this section must pay an amount in lieu of real property taxes equal to the amount of tax that would be due if the land were taxable as open space land under chapter 84.34 RCW, plus an additional amount for control of noxious weeds equal to that which would be paid if such lands were privately owned. The county assessor and county legislative authority shall assist in determining the appropriate calculation of the amount of tax that would be due under chapter 84.34 RCW.

(9) In determining acquisition priorities with respect to the riparian protection account, the committee must consider, at a minimum, the following criteria:

(a) Whether the project continues the conservation reserve enhancement program. Applications that extend the duration of leases of riparian areas that are currently enrolled in the conservation reserve enhancement program shall be highly considered in the process. Such applications are also eligible for an additional conservation lease of at least twenty-five years of duration;

(b) Whether the projects are identified or recommended in a watershed planning process under chapter 247, Laws of 1998, salmon recovery planning under chapter 77.85 RCW, or other local plans, such as habitat conservation plans, and these must be highly considered in the process;

(c) Whether there is community support for the project;

(d) Whether there is an immediate threat to the site;

(e) Whether the quality of the habitat is improved or, for projects including restoration or enhancement, the potential for restoring quality habitat including linkage of the site to other high quality habitat;

(f) Whether the project is consistent with a local land use plan, or a regional or statewide recreational or resource plan. The projects that assist in the implementation of local shoreline master plans updated according to RCW 90.58.080 or local comprehensive plans updated according to RCW 36.70A.130 must be highly considered in the process; and

(g) Whether the site has educational or scientific value.

(10) Before November 1st of each even-numbered year, the committee will recommend to the governor a prioritized list of projects to be funded under this section. The governor may remove projects from the list recommended by the committee and will submit this amended list in the capital budget request to the legislature. The list must include, but not be limited to, a description of each project and any particular match requirement.

Sec. 6. RCW 79A.15.060 and 2000 c 11 s 67 are each amended to read as follows:

~~(x))~~ (xi) Educational and scientific value of the site;

(xii) Integration with recovery efforts for endangered, threatened, or sensitive species;

NEW SECTION. Sec. 9. A new section is added to chapter 79.70 RCW to read as follows:

The state treasurer, on behalf of the department, must distribute to counties for all lands acquired for the purposes of this chapter an amount in lieu of real property taxes equal to the amount of tax that would be due if the land were taxable as open space land under chapter 84.34 RCW, plus an additional amount equal to the amount of weed control assessment that would be due if such lands were privately owned. The county assessor and county legislative authority shall assist in determining the appropriate calculation of the amount of tax that would be due under chapter 84.34 RCW. The county shall distribute the amount received under this section in lieu of real property taxes to all property taxing districts except the state in appropriate tax code areas the same way it would distribute local property taxes from private property. The county shall distribute the amount received under this section for weed control to the appropriate weed district.

NEW SECTION. Sec. 10. A new section is added to chapter 79.71 RCW to read as follows:

The state treasurer, on behalf of the department, must distribute to counties for all lands acquired for the purposes of this chapter an amount in lieu of real property taxes equal to the amount of tax that would be due if the land were taxable as open space land under chapter 84.34 RCW, plus an additional amount equal to the amount of weed control assessment that would be due if such lands were privately owned. The county assessor and county legislative authority shall assist in determining the appropriate calculation of the amount of tax that would be due under chapter 84.34 RCW. The county shall distribute the amount received under this section in lieu of real property taxes to all property taxing districts except the state in appropriate tax code areas the same way it would distribute local property taxes from private property. The county shall distribute the amount received under this section for weed control to the appropriate weed district.

Sec. 11. RCW 84.33.140 and 2003 c 170 s 5 are each amended to read as follows:

(1) When land has been designated as forest land under RCW 84.33.130, a notation of the designation shall be made each year upon the assessment and tax rolls. A copy of the notice of approval together with the legal description or assessor's parcel numbers for the land shall, at the expense of the applicant, be filed by the assessor in the same manner as deeds are recorded.

(2) In preparing the assessment roll as of January 1, 2002, for taxes payable in 2003 and each January 1st thereafter, the assessor shall list each parcel of designated forest land at a value with respect to the grade and class provided in this subsection and adjusted as provided in subsection (3) of this section. The assessor shall compute the assessed value of the land using the same assessment ratio applied generally in computing the assessed value of other property in the county. Values for the several grades of bare forest land shall be as follows:

(3) On or before December 31, 2001, the department shall adjust by rule under chapter 34.05 RCW, the forest land values contained in subsection (2) of this section in accordance with this subsection, and shall certify the adjusted values to the assessor who will use these values in preparing the assessment roll as of January 1, 2002. For the adjustment to be made on or before December 31, 2001, for use in the 2002 assessment year, the department shall:

(a) Divide the aggregate value of all timber harvested within the state between July 1, 1996, and June 30, 2001, by the aggregate harvest volume for the same period, as determined from the harvester excise tax returns filed with the department under RCW 84.33.074; and

(b) Divide the aggregate value of all timber harvested within the state between July 1, 1995, and June 30, 2000, by the aggregate harvest volume for the same period, as determined from the harvester excise tax returns filed with the department under RCW 84.33.074; and

(c) Adjust the forest land values contained in subsection (2) of this section by a percentage equal to one-half of the percentage change in the average values of harvested timber reflected by comparing the resultant values calculated under (a) and (b) of this subsection.

(4) For the adjustments to be made on or before December 31, 2002, and each succeeding year thereafter, the same procedure described in subsection (3) of this section shall be followed using harvester excise tax returns filed under RCW 84.33.074. However, this adjustment shall be made to the prior year's adjusted value, and the five-year periods for calculating average harvested timber values shall be successively one year more recent.

(5) Land graded, assessed, and valued as forest land shall continue to be so graded, assessed, and valued until removal of designation by the assessor upon the occurrence of any of the following:

(a) Receipt of notice from the owner to remove the designation;

(b) Sale or transfer to an ownership making the land exempt from ad valorem taxation;

(c) Sale or transfer of all or a portion of the land to a new owner, unless the new owner has signed a notice of forest land designation continuance, except transfer to an owner who is an heir or devisee of a deceased owner, shall not, by itself, result in removal of designation. The signed notice of continuance shall be attached to the real estate excise tax affidavit provided for in RCW 82.45.150. The notice of continuance shall be on a form prepared by the department. If the notice of continuance is not signed by the new owner and attached to the real estate excise tax affidavit, all compensating taxes calculated under subsection (11) of this section shall become due and payable by the seller or transferor at time of sale. The auditor shall not accept an instrument of conveyance regarding designated forest land for filing or recording unless the new owner has signed the notice of continuance or the compensating tax has been paid, as evidenced by the real estate excise tax stamp affixed thereto by the treasurer. The seller, transferor, or new owner may appeal the new assessed valuation calculated under subsection (11) of this section to the county board of equalization in accordance with the provisions of RCW 84.40.038. Jurisdiction is hereby conferred on the county board of equalization to hear these appeals;

(d) Determination by the assessor, after giving the owner written notice and an opportunity to be heard, that:

(i) The land is no longer primarily devoted to and used for growing and harvesting timber. However, land shall not be removed from designation if a governmental agency, organization, or other recipient identified in subsection (13) or (14) of this section as exempt from the payment of compensating tax has manifested its intent in writing or by other official action to acquire a property interest in the designated forest land by means of a transaction that qualifies for an exemption under subsection (13) or (14) of this section. The governmental agency, organization, or recipient shall annually provide the assessor of the county in which the land is located reasonable evidence in writing of the intent to acquire the designated land as long as the intent continues or within sixty days of a request by the assessor. The assessor may not request this evidence more than once in a calendar year;

(ii) The owner has failed to comply with a final administrative or judicial order with respect to a violation of the restocking, forest management, fire protection, insect and disease control, and forest debris provisions of Title 76 RCW or any applicable rules under Title 76 RCW; or

(iii) Restocking has not occurred to the extent or within the time specified in the application for designation of such land.

(6) Land shall not be removed from designation if there is a governmental restriction that prohibits, in whole or in part, the owner from harvesting timber from the owner's designated forest land. If only a portion of the parcel is impacted by governmental restrictions of this nature, the restrictions cannot be used as a basis to remove the remainder of the forest land from designation under this chapter. For the purposes of this section, "governmental restrictions" includes: (a) Any law, regulation, rule, ordinance, program, or other action adopted or taken by a federal, state, county, city, or other governmental entity; or (b) the land's zoning or its presence within an urban growth area designated under RCW 36.70A.110.

(7) The assessor shall have the option of requiring an owner of forest land to file a timber management plan with the assessor upon the occurrence of one of the following:

(a) An application for designation as forest land is submitted; or

(b) Designated forest land is sold or transferred and a notice of continuance, described in subsection (5)(c) of this section, is signed.

(8) If land is removed from designation because of any of the circumstances listed in subsection (5)(a) through (c) of this section, the removal shall apply only to the land affected. If land is removed from designation because of subsection (5)(d) of this section, the removal shall apply only to the actual area of land that is no longer primarily devoted to the growing and harvesting of timber, without regard to any other land that may have been included in the application and approved for designation, as long as the remaining designated forest land meets the definition of forest land contained in RCW 84.33.035.

(9) Within thirty days after the removal of designation as forest land, the assessor shall notify the owner in writing, setting forth the reasons for the removal. The seller, transferor, or owner may appeal the removal to the county board of equalization in accordance with the provisions of RCW 84.40.038.

(10) Unless the removal is reversed on appeal a copy of the notice of removal with a notation of the action, if any, upon appeal, together with the legal description or assessor's parcel numbers for the land removed from designation shall, at the expense of the applicant, be filed by the assessor in the same manner as deeds are recorded and a notation of removal from designation shall immediately be made upon the assessment and tax rolls. The assessor shall revalue the land to be removed with reference to its true and fair value as of January 1st of the year of removal from designation. Both the assessed value before and after the removal of designation shall be listed. Taxes based on the value of the land as forest land shall be assessed and payable up until the date of removal and taxes based on the true and fair value of the land shall be assessed and payable from the date of removal from designation.

(11) Except as provided in subsection (5)(c), (13), or (14) of this section, a compensating tax shall be imposed on land removed from designation as forest land. The compensating tax shall be due and payable to the treasurer thirty days after the owner is notified of the amount of this tax. As soon as possible after the land is removed from designation, the assessor shall compute the amount of compensating tax and mail a notice to the owner of the amount of compensating tax owed and the date on which payment of this tax is due. The amount of compensating tax shall be equal to the difference between the amount of tax last levied on the land as designated forest land and an amount equal to the new assessed value of the land multiplied by the dollar rate of the last levy extended against the land, multiplied by a number, in no event greater than nine, equal to the number of years for which the land was designated as forest land, plus compensating taxes on the land at forest land values up until the date of removal and the prorated taxes on the land at true and fair value from the date of removal to the end of the current tax year.

(12) Compensating tax, together with applicable interest thereon, shall become a lien on the land which shall attach at the time the land is removed from designation as forest land and shall have priority to and shall be fully paid and satisfied before any recognizance, mortgage, judgment, debt, obligation, or responsibility to or with which the land may become charged or liable. The lien may be foreclosed upon expiration of the same period after delinquency and in the same manner provided by law for foreclosure of liens for delinquent real property taxes as provided in RCW 84.64.050. Any compensating tax unpaid on its due date shall thereupon become delinquent. From the date of delinquency until paid, interest shall be charged at the same rate applied by law to delinquent ad valorem property taxes.

(13) The compensating tax specified in subsection (11) of this section shall not be imposed if the removal of designation under subsection (5) of this section resulted solely from:

(a) Transfer to a government entity in exchange for other forest land located within the state of Washington;

The special license plate may be used in lieu of regular or personalized license plates for vehicles required to display one or two vehicle license plates, excluding vehicles registered under chapter 46.87 RCW, upon the terms and conditions established by the department.

NEW SECTION. Sec. 2. A new section is added to chapter 46.16 RCW to read as follows:

Until December 31, 1997, the fee shall not exceed thirty-five dollars, but effective with vehicle registrations due or to become due on January 1, 1998, the department may adjust the fee to no more than forty dollars. This fee is in addition to all other fees required to register and license the vehicle for which the plates have been requested. All such additional special license plate fees collected by the department shall be deposited in the state treasury and credited to the motor vehicle fund.

(2) Until December 31, 1997, in addition to all fees and taxes required to be paid upon application, registration, and renewal registration of a motor vehicle, the holder of a collegiate license plate shall pay a fee of thirty dollars. The department shall deduct an amount not to exceed two dollars of each fee collected under this subsection for administration and collection expenses incurred by it. The remaining proceeds, minus the cost of plate production, shall be remitted to the custody of the state treasurer with a proper identifying detailed report. The state treasurer shall credit the funds to the appropriate collegiate license plate fund as provided in RCW 28B.10.890.

(3) Effective with vehicle registrations due or to become due on January 1, 1998, in addition to all fees and taxes required to be paid upon application and registration of a motor vehicle, the holder of a collegiate license plate shall pay an initial fee of forty dollars. The department shall deduct an amount not to exceed twelve dollars of each fee collected under this subsection for administration and collection expenses incurred by it. The remaining proceeds, minus the cost of plate

production, shall be distributed to a county for the purpose of paying the principal and interest payments on bonds issued by the county to construct a baseball stadium, as defined in RCW 82.14.0485, including reasonably necessary preconstruction costs, while the taxes are being collected under RCW 82.14.360. After this date, the state treasurer shall credit the funds to the state general fund.

(8) Effective with annual renewals due or to become due on January 1, 2006, in addition to all fees and taxes required to be paid upon renewal of a vehicle registration, the holder of a "law enforcement memorial" license plate shall, upon application, pay a fee of thirty dollars. If a person applies for a transfer of the plate or plates to another eligible vehicle, a transfer fee of five dollars shall be charged in addition to all

other applicable fees. Such transfer fees shall be deposited in the motor vehicle fund. Failure to surrender the plates when required is a traffic infraction.

SSB 6240 Prime Sponsor, Senate Committee on Ways & Means: Modifying tax incentive provisions for rural counties. Reported by Committee on Finance

MAJORITY recommendation: Do pass as amended:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. A new section is added to chapter 82.04 RCW to read as follows:

(1) Subject to the limits and provisions of this section, a credit is authorized against the tax otherwise due under this chapter for persons engaged in a rural county in the business of manufacturing computer software or programming, as those terms are defined in this section.

(2) A person who partially or totally relocates a business from one rural county to another rural county is eligible for any new qualifying employment positions created as a result of the relocation but is not eligible to receive credit for the jobs moved from one county to the other.

(3)(a) To qualify for the credit, the qualifying activity of the person must be conducted in a rural county and the new qualified employment position must be located in the rural county.

(b) If an activity is conducted both from a rural county and outside of a rural county, the credit is available if at least ninety percent of the qualifying activity is conducted within a rural county. If the qualifying activity is a service taxable activity, the place where the work is performed is the place at which the activity is conducted.

(4)(a) The credit under this section shall equal one thousand dollars for each new qualified employment position created after January 1, 2004, in an eligible area. A credit is earned for the calendar year the person is hired to fill the position. Additionally a credit is earned for each year the position is maintained over the subsequent consecutive years, up to four years. The county must meet the definition of a rural county at the time the position is filled. If the county does not have a rural county status the following year or years, the position is still eligible for the remaining years if all other conditions are met.

(b) Participants who claimed credit under RCW 82.04.4456 for qualified employment positions created before December 31, 2003, are eligible to earn credit for each year the position is maintained over the subsequent consecutive years, for up to four years, which four years include any years claimed under RCW 82.04.4456. Those persons who did not receive a credit under RCW 82.04.4456 before December 31, 2003, are not eligible to earn credit for qualified employment positions created before December 31, 2003.

(c) Credit is authorized for new employees hired for new qualified employment positions created on or after January 1, 2004. New qualified employment positions filled by existing employees are eligible for the credit under this section only if the position vacated by the existing employee is filled by a new hire. A business that is a sole proprietorship without any employees is equivalent to one employee position and this type of business is eligible to receive credit for one position.

(d) If a position is filled before July 1st, the position is eligible for the full yearly credit for that calendar year. If it is filled after June 30th, the position is eligible for half of the credit for that calendar year.

(5) No application is necessary for the tax credit. The person must keep records necessary for the department to verify eligibility under this section. This information includes information relating to description of qualifying activity conducted in the rural county and outside the rural county by the person as well as detailed records on positions and employees.

(6) If at any time the department finds that a person is not eligible for tax credit under this section, the amount of taxes for which a credit has been claimed shall be immediately due. The department shall assess interest, but not penalties, on the taxes for which the person is not eligible. The interest shall be assessed at the rate provided for delinquent excise taxes under chapter 82.32 RCW, shall be assessed retroactively to the date the tax credit was taken, and shall accrue until the taxes for which a credit has been used are repaid.

(7) The credit under this section may be used against any tax due under this chapter, but in no case may a credit earned during one calendar year be carried over to be credited against taxes incurred in a subsequent calendar year. A person is not eligible to receive a credit under this section if the person is receiving credit for the same position under chapter 82.62 RCW or RCW 82.04.44525 or is taking a credit under this chapter for information technology help desk services conducted from a rural county. No refunds may be granted for credits under this section.

(8) Transfer of ownership does not affect credit eligibility. However, the successive credits are available to the successor for remaining periods in the five years only if the eligibility conditions of this section are met.

(9) A person taking tax credits under this section shall make an annual report to the department. The report shall be in a letter form and shall include the following information: Number of positions for which credit is being claimed, type of position for which credit is being claimed, type of activity in which the person is engaged in the county, how long the person has been located in the county, and taxpayer name and registration number. The report must be filed by January 30th of each year for which credit was claimed during the previous year. Failure to file a report will not result in the loss of eligibility under this section. However, the department, through its research division, shall contact taxpayers who have not filed the report and obtain the data from the taxpayer or assist the taxpayer in the filing of the report, so that the data and information necessary to measure the program's effectiveness is maintained.

(d) "Qualifying activity" means manufacturing of computer software or programming.

(e) "Qualified employment position" means a permanent full-time position doing programming of computer software or manufacturing of computer software. Full-time means a position for at least thirty-five hours a week.

(f) "Rural county" means the same as in RCW 82.14.370.

(1) Subject to the limits and provisions of this section, a credit is authorized against the tax otherwise due under this chapter for persons engaged in a rural county in the business of providing information technology help desk services to third parties.

(2) To qualify for the credit, the help desk services must be conducted from a rural county.

(3) The amount of the tax credit for persons engaged in the activity of providing information technology help desk services in rural counties shall be equal to one hundred percent of the amount of tax due under this chapter that is attributable to providing the services from the rural county. In order to qualify for the credit under this subsection, the county must meet the definition of rural county at the time the person begins to conduct qualifying business in the county.

(4) No application is necessary for the tax credit. The person must keep records necessary for the department to verify eligibility under this section. These records include information relating to description of activity engaged in a rural county by the person.

(5) If at any time the department finds that a person is not eligible for tax credit under this section, the amount of taxes for which a credit has been used is immediately due. The department shall assess interest, but not penalties, on the credited taxes for which the person is not eligible. The interest shall be assessed at the rate provided for delinquent excise taxes under chapter 82.32 RCW, shall be assessed retroactively to the date the tax credit was taken, and shall accrue until the taxes for which a credit has been used are repaid.

(6) The credit under this section may be used against any tax due under this chapter, but in no case may a credit earned during one calendar year be carried over to be credited against taxes incurred in a subsequent calendar year. No refunds may be granted for credits under this section.

(7) Transfer of ownership does not affect credit eligibility. However, the credit is available to the successor only if the eligibility conditions of this section are met.

(8) A person taking tax credits under this section shall make an annual report to the department. The report shall be in a letter form and shall include the following information: Type of activity in which the person is engaged in the county, number of employees in the rural county, how long the person has been located in the county, and taxpayer name and registration number. The report must be filed by January 30th of each year for which credit was claimed during the previous year. Failure to file a report will not result in the loss of eligibility under this section. However, the department, through its research division, shall contact taxpayers who have not filed the report and obtain the data from the taxpayer or assist the taxpayer in the filing of the report, so that the data and information necessary to measure the program's effectiveness is maintained.

(9) As used in this section:

(a) The applicant will hire at least one qualified employment position for each seven hundred fifty thousand dollars of investment ~~((or))~~ for which a deferral is requested; and

(b) The positions will be filled by persons who at the time of hire are residents of the community empowerment zone. As used in this subsection, "resident" means the person makes his or her home in the community empowerment zone. A mailing address alone is insufficient to establish that a person is a resident for the purposes of this section. The persons must be hired after the date the application is filed with the department.

(3) All other provisions and eligibility requirements of this chapter apply to applicants eligible under this section.

(4) The qualified employment position must be filled by the end of the calendar year following the year in which the project is certified as operationally complete. If a person does not meet the requirements for qualified employment positions by the end of the second calendar year following the year in which the project is certified as operationally complete, all deferred taxes are immediately due.

If the recipient fails to submit a report or submits an inadequate report, the department may declare the amount of deferred taxes outstanding to be immediately assessed and payable))~~ complete an annual survey. If the economic benefits of the deferral are passed to a lessee as provided in RCW 82.60.020(4), the lessee shall agree to complete the annual survey and the applicant is not required to complete the annual survey. The survey is due by March 31st of the year following the calendar year in which the investment project is certified by the department as having been operationally complete and the seven succeeding calendar years. The survey shall include the amount of tax deferred, the number of new products or research projects by general classification, and the number of trademarks, patents, and copyrights associated with activities at the investment project. The survey shall also include the following information for employment positions in Washington:

(i) The number of total employment positions;

(ii) Full-time, part-time, and temporary employment positions as a percent of total employment;

(iii) The number of employment positions according to the following wage bands: Less than thirty thousand dollars; thirty thousand dollars or greater, but less than sixty thousand dollars; and sixty thousand dollars or greater. (c) The department may request additional information necessary to measure the results of the deferral program, to be submitted at the same time as the survey.

Information on the amount of tax deferral taken is not subject to the confidentiality provisions of RCW 82.32.330 and may be disclosed to the public upon request.

(e) The department shall use the information from this section to prepare summary descriptive statistics by category. No fewer than three taxpayers shall be included in any category. The department shall report these statistics to the legislature each year by September 1st.

(f) The department shall also use the information to study the tax deferral program authorized under this chapter. The department shall report to the legislature by December 1, 2009. The report shall measure the effect of the program on job creation, the number of jobs created for residents of eligible areas, company

growth, the introduction of new products, the diversification of the state's economy, growth in research and development investment, the movement of firms or the consolidation of firms' operations into the state, and such other factors as the department selects.

(2)(a) If, on the basis of a (~~report~~) survey under this section or other information, the department finds that an investment project is not eligible for tax deferral under this chapter, the amount of deferred taxes outstanding for the project shall be immediately due.

(b) If a recipient of the deferral fails to complete the annual survey required under subsection (1) of this section by the date due, twelve and one-half percent of the deferred tax shall be immediately due. If the economic benefits of the deferral are passed to a lessee as provided in RCW 82.60.020(4), the lessee shall be responsible for payment to the extent the lessee has received the economic benefit.

(3) Notwithstanding any other subsection of this section, deferred taxes need not be repaid on machinery and equipment for lumber and wood products industries, and sales of or charges made for labor and services, of the type which qualifies for exemption under RCW 82.08.02565 or 82.12.02565 to the extent the taxes have not been repaid before July 1, 1995.

(4) Notwithstanding any other subsection of this section, deferred taxes on the following need not be repaid:

(a) Machinery and equipment, and sales of or charges made for labor and services, which at the time of purchase would have qualified for exemption under RCW 82.08.02565; and

(b) Machinery and equipment which at the time of first use would have qualified for exemption under RCW 82.12.02565.

SSB 6242 Prime Sponsor, Senate Committee on Natural Resources, Energy & Water: Establishing a statewide strategy for land acquisitions and disposal. Reported by Committee on Capital Budget

MAJORITY recommendation: Do pass as amended:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. (1)(a) The legislature finds that the 1999 public and tribal lands inventory provides a base of information to begin the development of a statewide coordinated strategy for acquisition of lands for recreation and habitat preservation and enhancement. However, updated information is needed on the amount of recent acquisitions, how they were funded, how those acquisitions could be compatible with a coordinated strategy, and how they pursue the goals of single agencies.

(b) The legislature further finds that land acquisition decisions have long-term implications, often in perpetuity, and that some acquisitions occur outside the oversight of the legislature.

(c) The legislature intends to establish a statewide strategy for coordination of acquisition, exchange or disposal of state agency lands for recreation and habitat preservation and enhancement, and to clarify authority for an interagency planning and coordination of that strategy.

(2) The interagency committee for outdoor recreation shall submit a report to the appropriate policy and fiscal committees of the legislature and to the governor by June 30, 2005. The report shall include an inventory of recent habitat and recreational land acquisitions and a recommended statewide strategy for coordination of future acquisitions.

(a) The inventory shall include habitat and recreational land acquisitions and disposals since 1980 by state agencies. For the purpose of this inventory, "land acquisition" means fee simple acquisition or less than a fee simple interest if that interest is for more than fifty years. Land acquisitions by state agencies include those funded by state agencies but owned by local governments. The inventory shall:

(i) Include information about land acquisitions and disposals that involved land trading or swapping between public and private entities, and land acquisitions that were gifts;

(ii) Specify principal use of the acquired parcels and other data compatible with the 1999 inventory;
(iii) Specify the agency or local government acquiring or disposing of the property, the costs of the land acquisition or receipts from the disposal, the funding sources, and whether the land acquisition was funded under a legislative appropriation, an unanticipated receipt, and/or exchange of land parcels; and

(iv) Include any additional information local governments may provide to the inventory about habitat and recreational land acquisitions by land trusts, conservancies, port districts, public utility districts, and other parties that result in the property's change to a tax exempt status.

(b) The recommended statewide strategy for coordination of habitat and recreation acquisitions by state agencies, regardless of fund source, should be consistent with the priorities, policies and criteria of chapter 79A.15 RCW and, if not, identify what priorities, policies and goals should apply. The recommended statewide coordinated strategy should:

(i) Ensure that land acquisition and disposal decisions are based on a determination of need for recreational and habitat lands compared to existing public lands serving those purposes in various areas of the state;

(ii) Specify how to provide a central, interagency point of coordination to ensure that land acquisitions by state agencies, including land acquisitions funded through unanticipated receipts, are consistent with statewide priorities, policies and goals;

(iii) Examine alternative ways to compensate local governments by spreading statewide the impact of lost tax revenues from acquisitions of property for habitat and recreation;

(iv) Consider options for a no net gain policy in counties with large portions of existing public habitat and recreational land; and

(v) Consider what policies, priorities, and goals may apply to the statewide coordinated strategy. The report may consider population based goals for recreation needs, changes in use of public lands, provisions for scenic areas and green ways, wildlife corridors, forest buffers, designated critical areas, local, state and federal wildlife protection plans, and multi-use functions of existing publicly owned lands."

SSB 6255 Prime Sponsor, Senate Committee on Children & Family Services & Corrections:
Studying criminal background check processes. Reported by Committee on
Appropriations

MAJORITY recommendation: Do pass as amended by Committee on Appropriations and without amendment by Committee on Criminal Justice & Corrections.

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The legislature finds that criminal history record information background checks for employment purposes are rapidly increasing in Washington state. While the demand for criminal history record information background checks is growing, the existing criminal history record information background check data transmission infrastructure and processes are not adequate to keep pace with the growing demand. Furthermore, employers are concerned with the current system's ability to quickly secure results. Without adequate data transmission infrastructure and processes to encourage efficient criminal history record information background checks and to receive results quickly, a public safety risk is created. This is especially true when new or prospective employees will be working with children.

The legislature has learned that some states have recently developed comprehensive criminal history record information background check programs. These programs focus on making criminal history record information background checks easily accessible to employers and prospective employees and have eliminated long response times.

NEW SECTION. Sec. 2. (1) A joint task force on criminal background check processes is established. The joint task force shall consist of the following members:

(a) Two members from each of the two largest caucuses of the senate, appointed by the president of the senate; at least one member from each caucus shall be a member of the senate children and family services and corrections committee;

(b) Two members from each of the two largest caucuses of the house of representatives, appointed by the speaker of the house of representatives; at least one member from each caucus shall be a member of the house criminal justice and corrections committee;

(c) The chief of the Washington state patrol, or the chief's designee;

(d) The secretary of the department of social and health services, or the secretary's designee;

(e) The state superintendent of public instruction, or the superintendent's designee;

(f) An elected sheriff or police chief, selected by the Washington association of sheriffs and police chiefs; and

(g) The following seven members, jointly appointed by the speaker of the house of representatives and the president of the senate:

(i) A representative from a nonprofit service organization that serves primarily children under sixteen years of age;

(ii) A health care provider as defined in RCW 7.70.020;

(iii) A representative from a business or organization that serves primarily developmentally disabled persons or vulnerable adults;

(iv) A representative from a local youth athletic association;

(v) A representative from the insurance industry; and

(vi) Two representatives from a local parks and recreation program; one member shall be selected by the association of Washington cities and one member shall be selected by the Washington association of counties.

(2) The task force shall choose two cochairs from among its membership.

(3) The task force shall review and make recommendations to the legislature and the governor regarding criminal background check policy in Washington state. In preparing the recommendations, the committee shall, at a minimum, review the following issues:

(a) What state and federal statutes require regarding criminal background checks, and determine whether any changes should be made;

(b) What criminal offenses are currently reportable through the criminal background check program, and determine whether any changes should be made;

(c) What information is available through the Washington state patrol and the federal bureau of investigation criminal background check systems, and determine whether any changes should be made;

(d) What are the best practices among organizations for obtaining criminal background checks on their employees and volunteers;

(e) What is the feasibility and costs for businesses and organizations to do periodic background checks;

(f) What is the feasibility of requiring all businesses and organizations, including nonprofit entities, to conduct criminal background checks for all employees, contractors, agents, and volunteers who have regularly scheduled supervised or unsupervised access to children, developmentally disabled persons, or vulnerable adults; and

(g) A review of the benefits and obstacles of implementing a criminal history record information background check program created by the national child protection act of 1993. The national child protection act of 1993 increases the availability of criminal history record information background checks for employers who have employees or volunteers who work with children, elderly persons, or persons with disabilities.

(4) The task force, where feasible, may consult with individuals from the public and private sector.

(5) The task force shall use legislative facilities and staff from senate committee services and the house office of program research.

(6) The task force shall report its findings and recommendations to the legislature by December 31, 2004.

NEW SECTION. Sec. 3. (1) In consultation with the Washington state patrol, the Washington association of sheriffs and police chiefs shall conduct a study on criminal history record information background check technology and systems. The study shall focus on how, through the use of modern technology, Washington state can reduce delays in the criminal history record information background check processing time and how Washington state can make criminal history record information background checks more accessible and efficient.

(2) The study shall include, but is not limited to:

(a) A review and analysis of the criminal history record information background check technology systems in states that have recently implemented or are soon to implement comprehensive criminal history record information background check programs;

(b) Recommendations on how a comprehensive criminal history record information background check program should be designed in Washington state, and how much a comprehensive program would cost to implement in Washington state;

(c) A review of how a comprehensive criminal history record information background check program could be paid for in Washington state, which includes a determination on whether the program could be funded solely by user fees.

(3) The findings and recommendations from the Washington association of sheriffs and police chiefs shall be presented to the joint task force on criminal background check processes no later than November 30, 2004.

(4) The requirement to perform the study under this section and to make findings and recommendations is subject to availability of funds appropriated for this specific purpose.

"**Sec. 1.** RCW 18.16.060 and 2002 c 111 s 5 and 2002 c 86 s 214 are each reenacted and amended to read as follows:

(1) It is unlawful for any person to engage in a practice listed in subsection (2) of this section unless the person has a license in good standing as required by this chapter. A license issued under this chapter shall be considered to be "in good standing" except when: (a) The license has expired or has been canceled and has not been renewed in accordance with RCW 18.16.110; (b) the license has been denied, revoked, or suspended under RCW 18.16.210, 18.16.230, or 18.16.240, and has not been reinstated; (c) the license is held by a person who has not fully complied with an order of the director issued under RCW 18.16.210 requiring the licensee to pay restitution or a fine, or to acquire additional training; or (d) the license has been placed on inactive status at the request of the licensee, and has not been reinstated in accordance with RCW 18.16.110(3).

(2) The director may take action under RCW 18.235.150 and 18.235.160 against any person who does any of the following without first obtaining, and maintaining in good standing, the license required by this chapter:

(a) Except as provided in subsection ~~((2))~~ (3) of this section, engages in the commercial practice of cosmetology, barbering, esthetics, or manicuring~~((, or instructing))~~;

(b) Instructs in a school;

(c) Operates a school; or

(d) Operates a salon/shop, personal services, or mobile unit.

~~((2))~~ (3) A person who receives a license as an instructor may engage in the commercial practice for which he or she held a license when applying for the instructor license without also renewing the previously held license. However, a person licensed as an instructor whose license to engage in a commercial practice is not or at any time was not renewed ~~((cannot))~~ may not engage in the commercial practice previously permitted under that license unless that person renews the previously held license.

NEW SECTION. **Sec. 2.** A new section is added to chapter 18.16 RCW to read as follows:

(1) If the holder of an individual license in good standing submits a written and notarized request that the licensee's cosmetology, barber, manicurist, esthetician, or instructor license be placed on inactive status, together with a fee equivalent to that established by rule for a duplicate license, the department shall place the license on inactive status until the expiration date of the license. If the date of the request is no more than six months before the expiration date of the license, a request for a two-year extension of the inactive status, as provided under subsection (2) of this section, may be submitted at the same time as the request under this subsection.

(2) If the holder of a license placed on inactive status under this section submits, by the expiration date of the license, a written and notarized request to extend that status for an additional two years, the department shall, without additional fee, extend the expiration date of: (a) The licensee's individual license; and (b) the inactive status for two years from the expiration date of the license.

(3) A license placed on inactive status under this section may not be extended more frequently than once in any twenty-four month period or for more than six consecutive years.

(1) The director shall issue the appropriate license to any applicant who meets the requirements as outlined in this chapter.

(2) Except as provided in RCW 18.16.260:

(a) Failure to renew a license ((before)) by its expiration date subjects the holder to a penalty fee and payment of each year's renewal fee, at the current rate((-)); and

(b) A person whose license has not been renewed within one year after its expiration date shall have the license canceled and shall be required to submit an application, pay the license fee, meet current licensing requirements, and pass any applicable examination or examinations, in addition to the other requirements of this chapter, before the license may be reinstated.

(3) In lieu of the requirements of subsection (2)(a) of this section, a license placed on inactive status under section 2 of this act may be reinstated to good standing upon receipt by the department of: (a) Payment of a renewal fee, without penalty, for a two-year license commencing on the date the license is reinstated; and (b) if the license was on inactive status during any time that the board finds that a health or other requirement applicable to the license has changed, evidence showing that the holder of the license has successfully completed, from a school licensed under RCW 18.16.140, at least the number of curriculum clock hours of instruction that the board deems necessary for a licensee to be brought current with respect to such changes, but in no case may the number of hours required under this subsection exceed four hours per year that the license was on inactive status.

(4) Nothing in this section authorizes a person whose license has expired or is on inactive status to engage in a practice prohibited under RCW 18.16.060 until the license is renewed or reinstated.

E2SSB 6358 Prime Sponsor, Senate Committee on Ways & Means: Improving collaboration regarding offenders with treatment orders. Reported by Committee on Appropriations

MAJORITY recommendation: Do pass as amended by Committee on Appropriations and without amendment by Committee on Criminal Justice & Corrections.

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The legislature makes the following findings:

- (1) In some cases, there is confusion over whether the cause of a person's mental disorder can make that person ineligible for involuntary treatment;
- (2) Some offenders under supervision in the community are concurrently subject to court-ordered mental health or chemical dependency treatment;
- (3) Some offenders under supervision in the community are subject to department of corrections-ordered mental health or substance abuse treatment;
- (4) The department of corrections frequently does not know that an offender is subject to court-ordered treatment;
- (5) Treatment providers frequently do not know that a client is subject to department of corrections supervision;
- (6) There is confusion about the extent to which information about an offender subject to both treatment orders and supervision by the department of corrections may be shared;
- (7) When information is not shared, the lack of information creates gaps in enforcement both of the court order and the offender's conditions of supervision; and
- (8) When there are gaps in enforcement, there is an increased risk to public safety.

Consequently, the legislature intends to clarify the standards for commitment and improve the coordination between the department of corrections and mental health and chemical dependency treatment providers to enhance public safety by improving compliance with treatment and supervision orders and by providing both treatment providers and the department of corrections with more current, complete information about the offender's status.

Sec. 2. RCW 71.05.040 and 1997 c 112 s 4 are each amended to read as follows:

Persons who are developmentally disabled, impaired by chronic alcoholism or drug abuse, or suffering from dementia shall not be detained for evaluation and treatment or judicially committed solely by reason of that condition unless such condition causes a person to be gravely disabled or as a result of a mental disorder such condition exists that constitutes a likelihood of serious harm: Provided however, That persons who are developmentally disabled, impaired by chronic alcoholism or drug abuse, or suffering from dementia and who otherwise meet the criteria for detention or judicial commitment are not ineligible for detention or commitment based on this condition alone.

NEW SECTION. Sec. 3. A new section is added to chapter 10.77 RCW to read as follows:

When a county designated mental health professional or a professional person has determined that a person has a mental disorder, and is otherwise committable, the cause of the person's mental disorder shall not make the person ineligible for commitment under chapter 71.05 RCW.

Sec. 4. RCW 71.05.445 and 2002 c 39 s 2 are each amended to read as follows:

(1) The definitions in this subsection apply throughout this section unless the context clearly requires otherwise.

(a) "Information related to mental health services" means all information and records compiled, obtained, or maintained in the course of providing services to either voluntary or involuntary recipients of services by a mental health service provider. This may include documents of legal proceedings under this chapter or chapter 71.34 or 10.77 RCW, or somatic health care information.

(b) "Mental health service provider" means a public or private agency that provides services to persons with mental disorders as defined under RCW 71.05.020 and receives funding from public sources. This includes evaluation and treatment facilities as defined in RCW 71.05.020, community mental health service delivery systems, or community mental health programs as defined in RCW 71.24.025, and facilities conducting competency evaluations and restoration under chapter 10.77 RCW.

(2)(a) Information related to mental health services delivered to a person subject to chapter 9.94A or 9.95 RCW shall be released, upon request, by a mental health service provider to department of corrections personnel for whom the information is necessary to carry out the responsibilities of their office. The information must be provided only for the purposes of completing presentence investigations or risk assessment reports, supervision of an incarcerated (~~(person))~~ offender or offender under supervision in the community,

planning for and provision of supervision of ~~((a person))~~ an offender, or assessment of ~~((a person's))~~ an offender's risk to the community. The request shall be in writing and shall not require the consent of the subject of the records.

(b) If an offender subject to chapter 9.94A or 9.95 RCW has failed to report for department of corrections supervision or in the event of an emergent situation that poses a significant risk to the public or the offender, information related to mental health services delivered to the offender and, if known, information regarding where the offender is likely to be found shall be released by the mental health services provider to the department of corrections upon request. The initial request may be written or oral. All oral requests must be subsequently confirmed in writing. Information released in response to an oral request is limited to a statement as to whether the offender is or is not being treated by the mental health services provider and the address or information about the location or whereabouts of the offender. Information released in response to a written request may include information identified by rule as provided in subsections (4) and (5) of this section. For purposes of this subsection a written request includes requests made by e-mail or facsimile so long as the requesting person at the department of corrections is clearly identified. The request must specify the information being requested. Disclosure of the information requested does not require the consent of the subject of the records unless the offender has received relief from disclosure under section 11, 12, or 13 of this act.

(3)(a) When a mental health service provider conducts its initial assessment for a person receiving court-ordered treatment, the service provider shall inquire and shall be told by the offender whether he or she is subject to supervision by the department of corrections.

(b) When a person receiving court-ordered treatment or treatment ordered by the department of corrections discloses to his or her mental health service provider that he or she is subject to supervision by the department of corrections, the mental health services provider shall notify the department of corrections that he or she is treating the offender and shall notify the offender that his or her community corrections officer will be notified of the treatment, provided that if the offender has received relief from disclosure pursuant to section 11, 12, or 13 of this act and the offender has provided the mental health services provider with a copy of the order granting relief from disclosure pursuant to section 11, 12, or 13 of this act, the mental health services provider is not required to notify the department of corrections that the mental health services provider is treating the offender. The notification may be written or oral and shall not require the consent of the offender. If an oral notification is made, it must be confirmed by a written notification. For purposes of this section, a written notification includes notification by e-mail or facsimile, so long as the notifying mental health service provider is clearly identified.

(4) The information to be released to the department of corrections shall include all relevant records and reports, as defined by rule, necessary for the department of corrections to carry out its duties, including those records and reports identified in subsection (2) of this section.

~~((4))~~ (5) The department and the department of corrections, in consultation with regional support networks, mental health service providers as defined in subsection (1) of this section, mental health consumers, and advocates for persons with mental illness, shall adopt rules to implement the provisions of this section related to the type and scope of information to be released. These rules shall:

(a) Enhance and facilitate the ability of the department of corrections to carry out its responsibility of planning and ensuring community protection with respect to persons subject to sentencing under chapter 9.94A or 9.95 RCW, including accessing and releasing or disclosing information of persons who received mental health services as a minor; and

(b) Establish requirements for the notification of persons under the supervision of the department of corrections regarding the provisions of this section.

~~((5))~~ (6) The information received by the department of corrections under this section shall remain confidential and subject to the limitations on disclosure outlined in chapter 71.05 RCW, except as provided in RCW 72.09.585.

~~((6))~~ (7) No mental health service provider or individual employed by a mental health service provider shall be held responsible for information released to or used by the department of corrections under the provisions of this section or rules adopted under this section except under RCW 71.05.670 and 71.05.440.

~~((7))~~ (8) Whenever federal law or federal regulations restrict the release of information contained in the treatment records of any patient who receives treatment for alcoholism or drug dependency, the release of the information may be restricted as necessary to comply with federal law and regulations.

~~((8))~~ (9) This section does not modify the terms and conditions of disclosure of information related to sexually transmitted diseases under chapter 70.24 RCW.

(10) The department shall, subject to available resources, electronically, or by the most cost-effective means available, provide the department of corrections with the names, last dates of services, and addresses of specific regional support networks and mental health service providers that delivered mental health services to a person subject to chapter 9.94A or 9.95 RCW pursuant to an agreement between the departments.

Sec. 5. RCW 72.09.585 and 2000 c 75 s 4 are each amended to read as follows:

(1) When the department is determining an offender's risk management level, the department shall inquire of the offender and shall be told whether the offender is subject to court-ordered treatment for mental health services or chemical dependency services. The department shall request and the offender shall provide an authorization to release information form that meets applicable state and federal requirements and shall provide the offender with written notice that the department will request the offender's mental health and substance abuse treatment information. An offender's failure to inform the department of court-ordered treatment is a violation of the conditions of supervision if the offender is in the community and an infraction if the offender is in confinement, and the violation or infraction is subject to sanctions.

(2) When an offender discloses that he or she is subject to court-ordered mental health services or chemical dependency treatment, the department shall provide the mental health services provider or chemical dependency treatment provider with a written request for information and any necessary authorization to release information forms. The written request shall comply with rules adopted by the department of social and health services or protocols developed jointly by the department and the department of social and health services. A single request shall be valid for the duration of the offender's supervision in the community. Disclosures of information related to mental health services made pursuant to a department request shall not require consent of the offender.

(3) The information received by the department under RCW 71.05.445 or 71.34.225 may be released to the indeterminate sentence review board as relevant to carry out its responsibility of planning and ensuring community protection with respect to persons under its jurisdiction. Further disclosure by the indeterminate sentence review board is subject to the limitations set forth in subsections ~~((3))~~ (5) and ~~((4))~~ (6) of this section and must be consistent with the written policy of the indeterminate sentence review board. The decision to disclose or not shall not result in civil liability for the indeterminate sentence review board or its employees provided that the decision was reached in good faith and without gross negligence.

~~((2))~~ (4) The information received by the department under RCW 71.05.445 or 71.34.225 may be used to meet the statutory duties of the department to provide evidence or report to the court. Disclosure to the public of information provided to the court by the department related to mental health services shall be limited in accordance with RCW 9.94A.500 or this section.

~~((3))~~ (5) The information received by the department under RCW 71.05.445 or 71.34.225 may be disclosed by the department to other state and local agencies as relevant to plan for and provide offenders transition, treatment, and supervision services, or as relevant and necessary to protect the public and counteract the danger created by a particular offender, and in a manner consistent with the written policy established by the secretary. The decision to disclose or not shall not result in civil liability for the department or its employees so long as the decision was reached in good faith and without gross negligence. The information received by a state or local agency from the department shall remain confidential and subject to the limitations on disclosure set forth in chapters 70.02, 71.05, and 71.34 RCW and, subject to these limitations, may be released only as relevant and necessary to counteract the danger created by a particular offender.

~~((4))~~ (6) The information received by the department under RCW 71.05.445 or 71.34.225 may be disclosed by the department to individuals only with respect to offenders who have been determined by the department to have a high risk of reoffending by a risk assessment, as defined in RCW 9.94A.030, only as relevant and necessary for those individuals to take reasonable steps for the purpose of self-protection, or as provided in RCW 72.09.370(2). The information may not be disclosed for the purpose of engaging the public in a system of supervision, monitoring, and reporting offender behavior to the department. The department must limit the disclosure of information related to mental health services to the public to descriptions of an offender's behavior, risk he or she may present to the community, and need for mental health treatment, including medications, and shall not disclose or release to the public copies of treatment documents or records, except as otherwise provided by law. All disclosure of information to the public must be done in a manner consistent with the written policy established by the secretary. The decision to disclose or not shall not result in civil liability for the department or its employees so long as the decision was reached in good faith and without gross negligence. Nothing in this subsection prevents any person from reporting to law enforcement or the department behavior that he or she believes creates a public safety risk.

Sec. 6. RCW 71.05.390 and 2000 c 94 s 9, 2000 c 75 s 6, and 2000 c 74 s 7 are each reenacted and amended to read as follows:

Upon a petition by an offender who does not have a history of one or more violent acts, as defined in RCW 71.05.020, the court may, for good cause, find that public safety is not enhanced by the sharing of this offender's information.

(4) When an offender who is confined in a state correctional facility or is under supervision of the department of corrections in the community is subject to a petition for involuntary treatment under this chapter, the petitioner shall notify the department of corrections and the department of corrections shall provide documentation of its risk assessment or other concerns to the petitioner and the court if the department of corrections classified the offender as a high risk or high needs offender.

(5) Nothing in this section creates a duty on any treatment provider or designated chemical dependency specialist to provide offender supervision.

NEW SECTION. Sec. 16. A new section is added to chapter 71.05 RCW to read as follows:

(5) Nothing in this section creates a duty on any treatment provider or county designated mental health professional to provide offender supervision.

NEW SECTION. Sec. 17. A new section is added to chapter 72.09 RCW to read as follows:

(1) When an offender is under court-ordered mental health or chemical dependency treatment in the community and the supervision of the department of corrections, and the community corrections officer becomes aware that the person is in violation of the terms of the court's treatment order, the community corrections officer shall notify the county designated mental health professional or the designated chemical dependency specialist, as appropriate, of the violation and request an evaluation for purposes of revocation of the less restrictive alternative or conditional release.

(2) A health care provider may charge a reasonable fee for providing the health care information and is not required to honor an authorization until the fee is paid.

(3) To be valid, a disclosure authorization to a health care provider shall:

(a) Be in writing, dated, and signed by the patient;

(b) Identify the nature of the information to be disclosed;

(6) Except for authorizations given pursuant to an agreement with a treatment or monitoring program or disciplinary authority under chapter 18.71 or 18.130 RCW, when the patient is under the supervision of the department of corrections, or to provide information to third-party payors, an authorization may not permit the release of health care information relating to future health care that the patient receives more than ninety days after the authorization was signed. Patients shall be advised of the period of validity of their authorization on the disclosure authorization form. If the authorization does not contain an expiration date and the patient is not under the supervision of the department of corrections, it expires ninety days after it is signed.

(7) Where the patient is under the supervision of the department of corrections, an authorization signed pursuant to this section for health care information related to mental health or drug or alcohol treatment expires at the end of the term of supervision, unless the patient is part of a treatment program that requires the continued exchange of information until the end of the period of treatment.

NEW SECTION. Sec. 22. The department of social and health services, in consultation with the appropriate committees of the legislature, shall assess the current and needed residential capacity for crisis response and ongoing treatment services for persons in need of treatment for mental disorders and chemical dependency. In addition to considering the demand for persons with either a mental disorder or chemical dependency, the assessment shall consider the demand for services for mentally ill offenders, and persons with co-occurring disorders, mental disorders caused by traumatic brain injury or dementia, and drug induced psychosis. An initial report assessing the types, number, and location of needed mental health crisis response and emergency treatment beds, both in community hospital-based and in other settings, shall be submitted to appropriate committees of the legislature by November 1, 2004. **"PART I
STATEWIDE VOTER REGISTRATION DATA BASE**

NEW SECTION. Sec. 101. (1) The office of the secretary of state shall create and maintain a statewide voter registration data base. This data base must be a single, uniform, official, centralized, interactive computerized statewide voter registration list defined, maintained, and administered at the state level that contains the name and registration information of every legally registered voter in the state and assigns a unique identifier to each legally registered voter in the state.

(2) The computerized list must serve as the single system for storing and maintaining the official list of registered voters throughout the state.

(3) The computerized list must contain the name and registration information of every legally registered voter in the state.

(4) Under the computerized list, a unique identifier is assigned to each legally registered voter in the state.

(5) The computerized list must be coordinated with other agency data bases within the state, including but not limited to the department of corrections, the department of licensing, and the department of health.

(6) Any election officer in the state, including any local election officer, may obtain immediate electronic access to the information contained in the computerized list.

(7) All voter registration information obtained by any local election officer in the state must be electronically entered into the computerized list on an expedited basis at the time the information is provided to the local officer.

(8) The chief state election officer shall provide support, as may be required, so that local election officers are able to enter information as described in subsection (3) of this section.

(9) The computerized list serves as the official voter registration list for the conduct of all elections.

(10) The secretary of state has data authority on all voter registration data.

(11) The voter registration data base must be designed to accomplish at a minimum, the following:

(a) Comply with the Help America Vote Act of 2002 (P.L. 107-252);

(b) Identify duplicate voter registrations;

(c) Identify suspected duplicate voters;

(d) Screen against the department of corrections data base to aid in the cancellation of voter registration of felons;

(e) Provide up-to-date signatures of voters for the purposes of initiative signature checking;

(f) Provide for a comparison between the voter registration data base and the department of licensing change of address data base;

(g) Provide online access for county auditors with the goal of real time duplicate checking and update capabilities; and

(h) Provide for the cancellation of voter registration for persons who have moved to other states and surrendered their Washington state drivers' licenses.

Sec. 102. RCW 29A.08.010 and 2003 c 111 s 201 are each amended to read as follows:

As used in this chapter: "Information required for voter registration" means the minimum information provided on a voter registration application that is required by the county auditor in order to place a voter registration applicant on the voter registration rolls. This information includes the applicant's name, complete residence address, date of birth, ~~(and)~~ Washington state driver's license number, Washington state identification card, or the last four digits of the applicant's social security number, a signature attesting to the truth of the information provided on the application, and a check or indication in the box confirming the individual is a United States citizen. If the individual does not have a driver's license or social security number the registrant must be issued a unique voter registration number and placed on the voter registration rolls. All other information supplied is ancillary and not to be used as grounds for not registering an applicant to vote. Modification of the language of the official Washington state voter registration form by the voter will not be accepted and will cause the rejection of the registrant's application.

Sec. 103. RCW 29A.08.020 and 2003 c 111 s 204 are each amended to read as follows:

The definitions set forth in this section apply throughout this chapter, unless the context clearly requires otherwise.

(1) "By mail" means delivery of a completed original voter registration application by mail ~~((or by personal delivery))~~ to the office of the secretary of state.

(2) For voter registration applicants, "date of mailing" means the date of the postal cancellation on the voter registration application. This date will also be used as the date of application for the purpose of meeting the registration cutoff deadline. If the postal cancellation date is illegible then the date of receipt by the elections official is considered the date of application. If an application is received by the elections official by the close of business on the fifth day after the cutoff date for voter registration and the postal cancellation date is illegible, the application will be considered to have arrived by the cutoff date for voter registration.

Sec. 104. RCW 29A.08.030 and 2003 c 111 s 203 are each amended to read as follows:

The definitions set forth in this section apply throughout this chapter, unless the context clearly requires otherwise.

(1) "Verification notice" means a notice sent by the county auditor or secretary of state to a voter registration applicant and is used to verify or collect information about the applicant in order to complete the registration.

(2) "Acknowledgement notice" means a notice sent by nonforwardable mail by the county auditor or secretary of state to a registered voter to acknowledge a voter registration transaction, which can include initial registration, transfer, or reactivation of an inactive registration. An acknowledgement notice may be a voter registration card.

(3) "Confirmation notice" means a notice sent to a registered voter by first class forwardable mail at the address indicated on the voter's permanent registration record and to any other address at which the county auditor or secretary of state could reasonably expect mail to be received by the voter in order to confirm the voter's residence address. The confirmation notice must be designed so that the voter may update his or her current residence address.

Sec. 105. RCW 29A.08.105 and 2003 c 111 s 205 are each amended to read as follows:

(1) In compliance with the Help America Vote Act (P.L. 107-252), the centralized statewide voter registration list maintained by the secretary of state is the official list of eligible voters for all elections.

(2) In all counties, the county auditor shall be the chief registrar of voters for every precinct within the county. The auditor may appoint registration assistants to assist in registering persons residing in the county. Each registration assistant holds office at the pleasure of the county auditor and must be a registered voter.

~~((2) The county auditor shall be the custodian of the official registration records of the county.))~~

(3) The county auditor shall ensure that mail-in voter registration application forms are readily available to the public at locations to include but not limited to the elections office, and all common schools, fire stations, and public libraries.

NEW SECTION. Sec. 106. (1) The secretary of state must review the information provided by each voter registration applicant to ensure that either the driver's license number or the last four digits of the social security number match the information maintained by the Washington department of licensing or the social security administration. If a match cannot be made the secretary of state must correspond with the applicant to resolve the discrepancy.

(2) If the applicant fails to respond to any correspondence required in this section to confirm information provided on a voter registration application, within thirty days the secretary of state shall forward the application to the appropriate county auditor for document storage.

(3) Only after the secretary of state has confirmed that an applicant's driver's license number or the last four digits of the applicant's social security number match existing records with the Washington department of licensing or the social security administration or determined that the applicant does not have either a driver's license number or social security number may the applicant be placed on the official list of registered voters.

Sec. 107. RCW 29A.08.110 and 2003 c 111 s 206 are each amended to read as follows:

(1) On receipt of an application for voter registration (~~(under this chapter)~~), the county auditor shall review the application to determine whether the information supplied is complete. If it is not complete, the auditor shall promptly mail a verification notice of the deficiency to the applicant. This verification notice shall require the applicant to provide the missing information. If the verification notice is not returned by the applicant or is returned as undeliverable the auditor shall not place the name of the applicant on the county voter list. If the new information indicates that the voter has changed his or her county of residence, the application must be forwarded to the voter's new county of residence for processing. If the new

information indicates that the voter remains in the same county of residence or if the applicant is a new voter the application must be processed by the county of residence.

Within forty-five days after the receipt of an application but no later than seven days before the next primary, special election, or general election, the auditor shall send to the applicant, by first class mail, an acknowledgement notice identifying the registrant's precinct and containing such other information as may be required by the secretary of state. The postal service shall be instructed not to forward a voter registration card to any other address and to return to the auditor any card which is not deliverable. ~~((If the applicant has indicated that he or she is registered to vote in another county in Washington but has also provided an address within the auditor's county that is for voter registration purposes, the auditor shall send, on behalf of the registrant, a registration cancellation notice to the auditor of that other county and the auditor receiving the notice shall cancel the registrant's voter registration in that other county-))~~ If the registrant has indicated on the form that he or she is registered to vote within the county but has provided a new address within the county that is for voter registration purposes, the auditor shall transfer the voter's registration.

~~((3))~~ (4) If an acknowledgement notice card is properly mailed as required by this section to the address listed by the voter as being the voter's mailing address and the notice is subsequently returned to the auditor by the postal service as being undeliverable to the voter at that address, the auditor shall promptly send the voter a confirmation notice. The auditor shall place the voter's registration on inactive status pending a response from the voter to the confirmation notice.

Each county shall maintain a copy of that county's portion of the state list. The county must ensure that data used for the production of poll lists and other lists and mailings done in the administration of each election are drawn from the official statewide voter registration list.

NEW SECTION. Sec. 137. Each county shall ensure complete freedom of electronic access and information transfer between the county's election management and voter registration system and the secretary of state's official statewide voter registration list.

NEW SECTION. Sec. 138. Any state or local election officer, or a designee, who has access to any county or statewide voter registration data base who knowingly uses or alters information in the data base inconsistent with the performance of his or her duties is guilty of a class C felony, punishable under RCW 9A.20.021.

Sec. 139. RCW 11.88.010 and 1991 c 289 s 1 are each amended to read as follows:

(1) The superior court of each county shall have power to appoint guardians for the persons and/or estates of incapacitated persons, and guardians for the estates of nonresidents of the state who have property in the county needing care and attention.

(a) For purposes of this chapter, a person may be deemed incapacitated as to person when the superior court determines the individual has a significant risk of personal harm based upon a demonstrated inability to adequately provide for nutrition, health, housing, or physical safety.

(b) For purposes of this chapter, a person may be deemed incapacitated as to the person's estate when the superior court determines the individual is at significant risk of financial harm based upon a demonstrated inability to adequately manage property or financial affairs.

(c) A determination of incapacity is a legal not a medical decision, based upon a demonstration of management insufficiencies over time in the area of person or estate. Age, eccentricity, poverty, or medical diagnosis alone shall not be sufficient to justify a finding of incapacity.

(d) A person may also be determined incapacitated if he or she is under the age of majority as defined in RCW 26.28.010.

(e) For purposes of giving informed consent for health care pursuant to RCW 7.70.050 and 7.70.065, an "incompetent" person is any person who is (i) incompetent by reason of mental illness, developmental disability, senility, habitual drunkenness, excessive use of drugs, or other mental incapacity, of either managing his or her property or caring for himself or herself, or both, or (ii) incapacitated as defined in (a), (b), or (d) of this subsection.

(f) For purposes of the terms "incompetent," "disabled," or "not legally competent," as those terms are used in the Revised Code of Washington to apply to persons incapacitated under this chapter, those terms shall be interpreted to mean "incapacitated" persons for purposes of this chapter.

(2) The superior court for each county shall have power to appoint limited guardians for the persons and estates, or either thereof, of incapacitated persons, who by reason of their incapacity have need for protection and assistance, but who are capable of managing some of their personal and financial affairs. After considering all evidence presented as a result of such investigation, the court shall impose, by order, only such specific limitations and restrictions on an incapacitated person to be placed under a limited guardianship as the court finds necessary for such person's protection and assistance. A person shall not be presumed to be incapacitated nor shall a person lose any legal rights or suffer any legal disabilities as the result of being placed under a limited guardianship, except as to those rights and disabilities specifically set forth in the court order establishing such a limited guardianship. In addition, the court order shall state the period of time for which it shall be applicable.

(3) Venue for petitions for guardianship or limited guardianship shall lie in the county wherein the alleged incapacitated person is domiciled, or if such person resides in a facility supported in whole or in part by local, state, or federal funding sources, in either the county where the facility is located, the county of domicile prior to residence in the supported facility, or the county where a parent or spouse of the alleged incapacitated person is domiciled.

If the alleged incapacitated person's residency has changed within one year of the filing of the petition, any interested person may move for a change of venue for any proceedings seeking the appointment of a guardian or a limited guardian under this chapter to the county of the alleged incapacitated person's last place of residence of one year or more. The motion shall be granted when it appears to the court that such venue would be in the best interests of the alleged incapacitated person and would promote more complete consideration of all relevant matters.

(4) Under RCW 11.94.010, a principal may nominate, by a durable power of attorney, the guardian or limited guardian of his or her estate or person for consideration by the court if guardianship proceedings for the

principal's person or estate are thereafter commenced. The court shall make its appointment in accordance with the principal's most recent nomination in a durable power of attorney except for good cause or disqualification.

(5) When a court imposes a full guardianship for an incapacitated person, the person shall be considered incompetent for purposes of rationally exercising the right to vote and shall lose the right to vote, unless the court specifically finds that the person is rationally capable of exercising the franchise. Imposition of a limited guardianship for an incapacitated person shall not result in the loss of the right to vote unless the court determines that the person is incompetent for purposes of rationally exercising the franchise. When a court determines that the person is incompetent for the purpose of rationally exercising the right to vote, the court shall notify the appropriate county auditor.

NEW SECTION. **Sec. 140.** In developing the technical standards of data formats for transferring voter registration data, the secretary shall consult with the information services board. The board shall review and make recommendations regarding proposed technical standards prior to implementation.

PART II LOCAL GOVERNMENT GRANT PROGRAM

NEW SECTION. **Sec. 201.** The secretary of state shall establish a competitive local government grant program to solicit and prioritize project proposals from county election offices. Potential projects proposals must be new projects designed to help the county election office comply with the requirements of the Help America Vote Act (P.L. 107-252). Grant funds will not be allocated to fund existing statutory functions of local elections offices, and in order to be eligible for a grant, local election offices must maintain an elections budget at or above the local elections budget by the effective date of this section.

NEW SECTION. **Sec. 202.** The secretary of state will administer the grant program and disburse funds from the election account established in the state treasury by the legislature in chapter 48, Laws of 2003. Only grant proposals from local government election offices will be reviewed. The secretary of state and any local government grant recipient shall enter into an agreement outlining the terms of the grant and a payment schedule. The payment schedule may allow the secretary of state to make payments directly to vendors contracted by the local government election office from Help America Vote Act (P.L. 107-252) funds. The secretary of state shall adopt any rules necessary to facilitate this section.

NEW SECTION. **Sec. 203.** (1) The secretary of state shall create an advisory committee and adopt rules governing project eligibility, evaluation, awarding of grants, and other criteria for administering the local government grant program, which may include a preference for grants that include a match of local funds.

(2) The advisory committee shall review grant proposals and establish a prioritized list of projects to be considered for funding by the third Tuesday in May of each year beginning in 2004 and continuing as long as funds in the election account established by chapter 48, Laws of 2003 are available. The grant award may have an effective date other than the date the project is placed on the prioritized list, including money spent previously by the county that would qualify for reimbursement under the Help America Vote Act (P.L. 107-252).

(3) Examples of projects that would be eligible for local government grant funding include, but are not limited to the following:

- (a) Replacement or upgrade of voting equipment, including the replacement of punchcard voting systems;
- (b) Purchase of additional voting equipment, including the purchase of equipment to meet the disability requirements of the Help America Vote Act (P.L. 107-252);
- (c) Purchase of new election management system hardware and software capable of integrating with the statewide voter registration system required by the Help America Vote Act (P.L. 107-252);
- (d) Development and production of poll worker recruitment and training materials;
- (e) Voter education programs;

NEW SECTION. Sec. 302. "Disability access voting period" means the period of time starting twenty days before an election until one day before the election.

NEW SECTION. Sec. 303. "In-person disability access voting" means a procedure in which a voter may come in person to a disability access location and cast a ballot during the disability access voting period.

NEW SECTION. Sec. 304. At the discretion of the county auditor, in-person disability access voting may take place during the period starting twenty days before the day of a primary or election and ending the day before the election. The auditor shall maintain a system or systems to prevent multiple voting. The end of the disability access voting period in each county will be determined by the auditor's need and ability to print and distribute poll books to the polls in order to prevent multiple voting.

NEW SECTION. Sec. 305. The county auditor has sole discretion for determining locations within the county and operating hours for disability access voting locations.

NEW SECTION. Sec. 306. In-person disability access voting must be conducted using disability access voting devices at locations that are acceptable and comply with federal and state access requirements.

NEW SECTION. Sec. 307. No person may interfere with a voter in any way within the disability access voting location. This does not prevent the voter from receiving assistance in preparing his or her ballot as provided in this chapter.

NEW SECTION. Sec. 308. (1) During posted disability access voting hours, no person may, within the voting location, or in any public area within three hundred feet of an entrance to the voting location:

(a) Suggest or persuade or attempt to suggest or persuade a voter to vote for or against a candidate or ballot measure;

(b) Circulate cards or handbills of any kind;

(c) Solicit signatures to any kind of petition; or

(d) Engage in a practice that interferes with the freedom of voters to exercise their franchise or disrupts the administration of the early voting location.

(2) No person may obstruct the doors or entries to a building containing the voting location or prevent free access to and from the voting location. Any sheriff, deputy sheriff, or municipal law enforcement officer shall prevent the obstruction, and may arrest a person creating such an obstruction.

(3) No person may:

(a) Except as provided in RCW 29A.44.050, remove a ballot from the disability access voting location before the closing of the polls; or

(b) Solicit a voter to show his or her ballot.

(4) No person other than a voting election official may receive from a voter a voted ballot or deliver a blank ballot to the voter.

(5) A violation of this section is a gross misdemeanor, punishable to the same extent as a gross misdemeanor that is punishable under RCW 9A.20.021, and the person convicted may be ordered to pay the costs of prosecution.

NEW SECTION. Sec. 309. A disability access voting election officer who does any electioneering during the voting period is guilty of a misdemeanor, and upon conviction must be fined a sum not exceeding one hundred dollars and pay the costs of prosecution.

NEW SECTION. Sec. 310. A voter desiring to vote at a disability access voting site shall give his or her name to the voting election officer who has the precinct list of registered voters. This officer shall announce the name to the election officer who has the copy of the list of voters. If the right of this voter to participate in the primary or election is not challenged, the voter must be issued a ballot or permitted to enter a voting booth and operate a voting device. The number of the ballot or the voter must be recorded by the election officers. If the right of the voter to participate is challenged, RCW 29A.08.810 and 29A.08.820 apply to that voter.

NEW SECTION. Sec. 311. Disability access voting locations must remain open continuously until the time specified in the notice of disability access voting. At the time of closing, the election officers shall announce that the disability access voting location is closed.

NEW SECTION. Sec. 312. If at the time of closing the disability access voting location, there are voters in the location who have not voted, they must be allowed to vote after the location has been closed.

NEW SECTION. Sec. 313. Immediately after the daily close of the disability access voting location and the completion of voting, the election officers shall count the number of votes cast and make a record of any discrepancy between this number and the number of voters who signed the poll book for that day, complete the certifications in the poll book, prepare the ballots for transfer to the counting center if necessary, and seal the voting devices.

NEW SECTION. Sec. 314. (1) At the direction of the county auditor, a team or teams composed of a representative of at least two major political parties shall stop at disability access voting locations and pick up the sealed containers of ballots or electronic ballot media for delivery to the counting center. This process must occur daily at the closing hour for the voting location. Two election officials, representing two major political parties, shall seal the containers furnished by the county auditor and properly identified with his or her address with uniquely prenumbered seals.

(2) At the counting center or the collection stations where the sealed ballot containers are delivered by the designated representatives of the major political parties, the county auditor or a designated representative of the county auditor shall receive the sealed ballot containers, record the time, date, voting location, and seal number of each ballot container.

Sec. 315. RCW 29A.16.010 and 2003 c 111 s 401 are each amended to read as follows:

The intent of this chapter is to require state and local election officials to designate and use polling places and disability access voting locations in all elections and permanent registration locations which are accessible to elderly and disabled persons. County auditors shall:

- (1) Make modifications such as installation of temporary ramps or relocation of polling places within buildings, where appropriate;
- (2) Designate new, accessible polling places to replace those that are inaccessible; and
- (3) Continue to use polling places and voter registration locations which are accessible to elderly and disabled persons.

Sec. 316. RCW 29A.16.130 and 2003 c 111 s 409 are each amended to read as follows:

Each state agency and entity of local government shall permit the use of any of its buildings and the most suitable locations therein as polling places or disability access voting locations when required by a county auditor to provide accessible places in each precinct.

Sec. 317. RCW 29A.44.030 and 2003 c 111 s 1103 are each amended to read as follows:

Any voter may take into the voting booth or voting device any printed or written material to assist in casting his or her vote. The voter shall not use this material to electioneer and shall remove the material when he or she leaves the polls or the disability access voting location.

Sec. 318. RCW 29A.44.040 and 2003 c 111 s 1104 are each amended to read as follows:

No ballots may be used in any polling place or disability access voting location other than those prepared by the county auditor. No voter is entitled to vote more than once at a primary or a general or special election, except that if a voter incorrectly marks a ballot, he or she may return it and be issued a new ballot. The precinct election officers shall void the incorrectly marked ballot and return it to the county auditor.

Sec. 319. RCW 29A.44.220 and 2003 c 111 s 1121 are each amended to read as follows:

On signing the precinct list of registered voters or being issued a ballot, the voter shall, without leaving the polling place or disability access location, proceed to one of the voting booths or voting devices to cast his or her vote. When county election procedures so provide, the election officers may tear off and retain the numbered stub from the ballot before delivering the ballot to the voter. If an election officer has not already done so, when the voter has finished, he or she shall either (1) remove the numbered stub from the ballot, place the ballot in the ballot box, and return the number to the ((precinct)) election officers, or (2) deliver the entire ballot to the ((precinct)) election officers, who shall remove the numbered stub from the ballot and place the ballot in the ballot box. If poll-site ballot counting devices are used, the voter shall put the ballot in the device.

Sec. 320. RCW 29A.44.350 and 2003 c 111 s 1133 are each amended to read as follows:

If a poll-site ballot counting device fails to operate at any time during polling hours or disability access voting hours, voting must continue, and the ballots must be deposited for later tabulation in a secure ballot compartment separate from the tabulated ballots.

NEW SECTION. Sec. 321. In developing technical standards for voting technology and systems to be accessible for individuals with disabilities, the secretary shall consult with the information services board.

The board shall review and make recommendations regarding proposed technical standards prior to implementation.

PART IV ADMINISTRATIVE COMPLAINT PROCEDURE

NEW SECTION. Sec. 401. The state-based administrative complaint procedures required in the Help America Vote Act (P.L. 107-252) and detailed in administrative rule apply to all primary, general, and special elections administered under this title.

PART V PROVISIONAL BALLOT AFTER THE POLLS CLOSE

NEW SECTION. Sec. 501. (1) An individual who votes in an election for federal office as a result of a federal or state court order or any other order extending the time for closing the polls, may vote in that election only by casting a provisional ballot. As to court orders extending the time for closing the polls, this section does not apply to any voters who were present in the polling place at the statutory closing time and as a result are permitted to vote under RCW 29A.44.070. This section does not, by itself, authorize any court to order that any individual be permitted to vote or to extend the time for closing the polls, but this section is intended to comply with 42 U.S.C. Sec. 15482(c) with regard to federal elections.

(2) Any ballot cast under subsection (1) of this section must be separated and held apart from other provisional ballots cast by those not affected by the order.

SSB 6442 Prime Sponsor, Senate Committee on Ways & Means: Creating the developmental disabilities community trust account. Reported by Committee on Capital Budget

MAJORITY recommendation: Do pass as amended:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The legislature finds that: There are unmet needs for community-based services for persons with developmental disabilities and excess resources at residential habilitation centers unrelated to current residential habilitation center operations; funding shortfalls in the 2003-2005 biennium and beyond may adversely impact the ability of the state to fund programs for growing numbers of unserved persons with developmental disabilities who need community-based services; and statistics generated by the department of social and health services' division of developmental disabilities demonstrate a growing caseload with insufficient funding and planning to address this growth.

The December 4, 2002, capital study of the division of developmental disabilities residential habilitation centers by the joint legislative audit and review committee identifies options to dispose of excess property at Lakeland Village, Rainier School, and Yakima Valley School that would not impact current residential habilitation center operations.

It is the intent of the legislature to allow use of these excess capital properties at residential habilitation centers for persons with developmental disabilities and to place the proceeds from their use into a perpetual trust account for unserved persons with developmental disabilities waiting for community-based developmental disability services.

NEW SECTION. Sec. 2. A new section is added to chapter 71A.20 RCW to read as follows:

(1) Excess property identified in the 2002 joint legislative audit and review committee capital study of the division of developmental disabilities residential habilitation centers must be managed to provide as much income as feasible and this income deposited into the developmental disabilities community trust account created in section 3 of this act. Income may come from lease of the land, conservation easements, sale of timber, or other activities short of sale of the property.

"**Sec. 1.** RCW 72.09.070 and 1994 sp.s. c 7 s 535 are each amended to read as follows:

(1) There is created a correctional industries board of directors which shall have the composition provided in RCW 72.09.080.

(2) Consistent with general department of corrections policies and procedures pertaining to the general administration of correctional facilities, the board shall establish and implement policy for correctional industries programs designed to:

(a) Offer inmates meaningful employment, work experience, and training in vocations that are specifically designed to reduce recidivism and thereby enhance public safety by providing opportunities for legitimate means of livelihood upon their release from custody;

(b) Provide industries which will reduce the tax burden of corrections and save taxpayers money through production of goods and services for sale and use;

(c) Operate correctional work programs in an effective and efficient manner which are as similar as possible to those provided by the private sector;

(d) Encourage the development of and provide for selection of, contracting for, and supervision of work programs with participating private enterprise firms;

(e) Develop and ~~((design))~~ select correctional industries work programs that do not unfairly compete with Washington businesses;

(f) Invest available funds in correctional industries enterprises and meaningful work programs that minimize the impact on in-state jobs and businesses.

(3) The board of directors shall at least annually review the work performance of the director of correctional industries division with the secretary.

(4) The director of correctional industries division shall review and evaluate the productivity, funding, and appropriateness of all correctional work programs and report on their effectiveness to the board and to the secretary.

(5) The board of directors shall have the authority to identify and establish trade advisory or apprenticeship committees to advise them on correctional industries work programs. The secretary shall appoint the members of the committees.

Where a labor management trade advisory and apprenticeship committee has already been established by the department pursuant to RCW 72.62.050 the existing committee shall also advise the board of directors.

(6) The board shall develop a strategic yearly marketing plan that shall be consistent with and work towards achieving the goals established in the six-year phased expansion of class I and class II correctional industries established in RCW 72.09.111. This marketing plan shall be presented to the appropriate committees of the legislature by January 17 of each calendar year until the goals set forth in RCW 72.09.111 are achieved.

Sec. 2. RCW 72.09.100 and 2002 c 175 s 49 are each amended to read as follows:

It is the intent of the legislature to vest in the department the power to provide for a comprehensive inmate work program and to remove statutory and other restrictions which have limited work programs in the past. It is also the intent of the legislature to ensure that the correctional industries board of directors, in developing and selecting correctional industries work programs, does not encourage the development of, or provide for selection of or contracting for, or the significant expansion of, any new or existing class I correctional industries work programs that unfairly compete with Washington businesses. The legislature intends that the requirements relating to fair competition in the correctional industries work programs be liberally construed by the correctional industries board of directors to protect Washington businesses from unfair competition.

For purposes of establishing such a comprehensive program, the legislature recommends that the department consider adopting any or all, or any variation of, the following classes of work programs:

(1) CLASS I: FREE VENTURE INDUSTRIES.

(a) The employer model industries in this class shall be operated and managed in total or in part by any profit or nonprofit organization pursuant to an agreement between the organization and the department. The organization shall produce goods or services for sale to both the public and private sector.

(b) The customer model industries in this class shall be operated and managed by the department to provide Washington state manufacturers or businesses with products or services currently produced or provided by out-of-state or foreign suppliers.

(c) The correctional industries board of directors shall review these proposed industries, including any potential new class I industries work program or the significant expansion of an existing class I industries work program, before the department contracts to provide such products or services. The review shall include ~~((aa))~~ the analysis ~~((of the potential impact of the proposed products and services on the Washington state business community and labor market))~~ required under section 4 of this act to determine if the proposed correctional industries work program will compete with any Washington business. An agreement for a new class I

correctional industries work program, or an agreement for a significant expansion of an existing class I correctional industries work program, that unfairly competes with any Washington business is prohibited.

(d) The department of corrections shall supply appropriate security and custody services without charge to the participating firms.

(e) Inmates who work in free venture industries shall do so at their own choice. They shall be paid a wage comparable to the wage paid for work of a similar nature in the locality in which the industry is located, as determined by the director of correctional industries. If the director cannot reasonably determine the comparable wage, then the pay shall not be less than the federal minimum wage.

(f) An inmate who is employed in the class I program of correctional industries shall not be eligible for unemployment compensation benefits pursuant to any of the provisions of Title 50 RCW until released on parole or discharged.

(2) CLASS II: TAX REDUCTION INDUSTRIES.

(a) Industries in this class shall be state-owned and operated enterprises designed to reduce the costs for goods and services for tax-supported agencies and for nonprofit organizations.

(b) The industries selected for development within this class shall, as much as possible, match the available pool of inmate work skills and aptitudes with the work opportunities in the free community. The industries shall be closely patterned after private sector industries but with the objective of reducing public support costs rather than making a profit. The products and services of this industry, including purchased products and services necessary for a complete product line, may be sold to public agencies, to nonprofit organizations, and to private contractors when the goods purchased will be ultimately used by a public agency or a nonprofit organization. Clothing manufactured by an industry in this class may be donated to nonprofit organizations that provide clothing free of charge to low-income persons.

(c)(i) Class II correctional industries products and services shall be reviewed by the correctional industries board of directors before offering such products and services for sale to private contractors.

(ii) The board of directors shall conduct a yearly marketing review of the products and services offered under this subsection. Such review shall include an analysis of the potential impact of the proposed products and services on the Washington state business community. To avoid waste or spoilage and consequent loss to the state(=) when there is no public sector market for such goods, byproducts and surpluses of timber, agricultural, and animal husbandry enterprises may be sold to private persons, at private sale. Surplus byproducts and surpluses of timber, agricultural and animal husbandry enterprises that cannot be sold to public agencies or to private persons may be donated to nonprofit organizations. All sales of surplus products shall be carried out in accordance with rules prescribed by the secretary.

(d) Security and custody services shall be provided without charge by the department of corrections.

(e) Inmates working in this class of industries shall do so at their own choice and shall be paid for their work on a gratuity scale which shall not exceed the wage paid for work of a similar nature in the locality in which the industry is located and which is approved by the director of correctional industries.

(f) Subject to approval of the correctional industries board, provisions of RCW 41.06.380 prohibiting contracting out work performed by classified employees shall not apply to contracts with Washington state businesses entered into by the department of corrections through class II industries.

(3) CLASS III: INSTITUTIONAL SUPPORT INDUSTRIES.

(a) Industries in this class shall be operated by the department of corrections. They shall be designed and managed to accomplish the following objectives:

~~((a))~~ (i) Whenever possible, to provide basic work training and experience so that the inmate will be able to qualify for better work both within correctional industries and the free community. It is not intended that an inmate's work within this class of industries should be his or her final and total work experience as an inmate.

~~((b))~~ (ii) Whenever possible, to provide forty hours of work or work training per week.

~~((c))~~ (iii) Whenever possible, to offset tax and other public support costs.

(b) Class III correctional industries shall be reviewed by the correctional industries board of directors to set policy for work crews. The department shall present to the board of directors quarterly detail statements showing where work crews worked, what correctional industry class, and the hours worked. The board of directors may review any class III program at its discretion.

(c) Supervising, management, and custody staff shall be employees of the department.

(d) All able and eligible inmates who are assigned work and who are not working in other classes of industries shall work in this class.

(e) Except for inmates who work in work training programs, inmates in this class shall be paid for their work in accordance with an inmate gratuity scale. The scale shall be adopted by the secretary of corrections.

(4) CLASS IV: COMMUNITY WORK INDUSTRIES.

(a) Industries in this class shall be operated by the department of corrections. They shall be designed and managed to provide services in the inmate's resident community at a reduced cost. The services shall be provided to public agencies, to persons who are poor or infirm, or to nonprofit organizations.

(b) Class IV correctional industries shall be reviewed by the correctional industries board of directors to set policy for work crews. The department shall present to the board of directors quarterly detail statements showing where work crews worked, what correctional industry class, and the hours worked. The board of directors may review any class IV program at its discretion. Class IV correctional industries operated in work camps established pursuant to RCW 72.64.050 are exempt from the requirements of this subsection (4)(b).

(c) Inmates in this program shall reside in facilities owned by, contracted for, or licensed by the department of corrections. A unit of local government shall provide work supervision services without charge to the state and shall pay the inmate's wage.

(d) The department of corrections shall reimburse participating units of local government for liability and workers compensation insurance costs.

(e) Inmates who work in this class of industries shall do so at their own choice and shall receive a gratuity which shall not exceed the wage paid for work of a similar nature in the locality in which the industry is located.

(5) CLASS V: COMMUNITY RESTITUTION PROGRAMS.

(a) Programs in this class shall be subject to supervision by the department of corrections. The purpose of this class of industries is to enable an inmate, placed on community supervision, to work off all or part of a community restitution order as ordered by the sentencing court.

(b) Employment shall be in a community restitution program operated by the state, local units of government, or a nonprofit agency.

(c) To the extent that funds are specifically made available for such purposes, the department of corrections shall reimburse nonprofit agencies for workers compensation insurance costs.

(5) CLASS V: COMMUNITY RESTITUTION PROGRAMS.

(a) Programs in this class shall be subject to supervision by the department of corrections. The purpose of this class of industries is to enable an inmate, placed on community supervision, to work off all or part of a community restitution order as ordered by the sentencing court.

(c) To the extent that funds are specifically made available for such purposes, the department of corrections shall reimburse nonprofit agencies for workers compensation insurance costs.

NEW SECTION. Sec. 4. A new section is added to chapter 72.09 RCW to read as follows:

(1) The department must prepare a threshold analysis for any proposed new class I correctional industries work program or the significant expansion of an existing class I correctional industries work program before the department enters into an agreement to provide such products or services. The analysis must state whether the proposed new or expanded program will impact any Washington business and must be based on information sufficient to evaluate the impact on Washington business.

(2) If the threshold analysis determines that a proposed new or expanded class I correctional industries work program will impact a Washington business, the department must complete a business impact analysis before the department enters into an agreement to provide such products or services. The business impact analysis must include:

(a) A detailed statement identifying the scope and types of impacts caused by the proposed new or expanded correctional industries work program on Washington businesses; and

(b) A detailed statement of the business costs of the proposed correctional industries work program compared to the business costs of the Washington businesses that may be impacted by the proposed class I correctional industries work program. Business costs of the proposed correctional industries work program include rent, water, sewer, electricity, disposal, labor costs, and any other quantifiable expense unique to operating in a prison. Business costs of the impacted Washington business include rent, water, sewer, electricity, disposal, property taxes, and labor costs including employee taxes, unemployment insurance, and workers' compensation.

(3) The completed threshold analysis and any completed business impact analysis with all supporting documents must be shared in a meaningful and timely manner with local chambers of commerce, trade or business associations, local and state labor union organizations, and government entities before a finding required under subsection (4) of this section is made on the proposed new or expanded class I correctional industries work program.

(4) If a business impact analysis is completed, the department must conduct a public hearing to take public testimony on the business impact analysis. The department must, at a minimum, establish a publicly accessible web site containing information reasonably calculated to provide notice to each Washington business assigned the same three-digit standard industrial classification code, or the corresponding North American industry classification system code, as the organization seeking the class I correctional industries work program agreement of the date, time, and place of the hearing. Notice of the hearing shall be posted at least thirty days prior to the hearing.

(5) Following the public hearing, the department shall adopt a finding that the proposed new or expanded class I correctional industries work program: (a) Will not compete with any Washington business; (b) will not compete unfairly with any Washington business; or (c) will compete unfairly with any Washington business and is therefore prohibited under this act.

Sec. 5. RCW 72.09.460 and 1998 c 244 s 10 are each amended to read as follows:

(1) The legislature intends that all inmates be required to participate in department-approved education programs, work programs, or both, unless exempted under subsection (4) of this section. Eligible inmates who refuse to participate in available education or work programs available at no charge to the inmates shall lose privileges according to the system established under RCW 72.09.130. Eligible inmates who are required to contribute financially to an education or work program and refuse to contribute shall be placed in another work program. Refusal to contribute shall not result in a loss of privileges. The legislature recognizes more inmates may agree to participate in education and work programs than are available. The department must make every effort to achieve maximum public benefit by placing inmates in available and appropriate education and work programs.

(2) The department shall provide access to a program of education to all offenders who are under the age of eighteen and who have not met high school graduation or general equivalency diploma requirements in accordance with chapter 28A.193 RCW. The program of education established by the department and education provider under RCW 28A.193.020 for offenders under the age of eighteen must provide each offender a choice of curriculum that will assist the inmate in achieving a high school diploma or general equivalency diploma. The program of education may include but not be limited to basic education, prevocational training, work ethic skills, conflict resolution counseling, substance abuse intervention, and anger management counseling. The curriculum may balance these and other rehabilitation, work, and training components.

(3) The department shall, to the extent possible and considering all available funds, prioritize its resources to meet the following goals for inmates in the order listed:

(a) Achievement of basic academic skills through obtaining a high school diploma or its equivalent and achievement of vocational skills necessary for purposes of work programs and for an inmate to qualify for work upon release;

(b) Additional work and education programs based on assessments and placements under subsection (5) of this section; and

(c) Other work and education programs as appropriate.

(4) The department shall establish, by rule, objective medical standards to determine when an inmate is physically or mentally unable to participate in available education or work programs. When the department determines an inmate is permanently unable to participate in any available education or work program due to a medical condition, the inmate is exempt from the requirement under subsection (1) of this section. When the department determines an inmate is temporarily unable to participate in an education or work program due to a medical condition, the inmate is exempt from the requirement of subsection (1) of this section for the period of time he or she is temporarily disabled. The department shall periodically review the medical condition of all temporarily disabled inmates to ensure the earliest possible entry or reentry by inmates into available programming.

(5) The department shall establish, by rule, standards for participation in department-approved education and work programs. The standards shall address the following areas:

(a) Assessment. The department shall assess all inmates for their basic academic skill levels using a professionally accepted method of scoring reading, math, and language skills as grade level equivalents. The department shall determine an inmate's education history, work history, and vocational or work skills. The initial assessment shall be conducted, whenever possible, within the first thirty days of an inmate's entry into the correctional system, except that initial assessments are not required for inmates who are sentenced to life without the possibility of release, assigned to an intensive management unit within the first thirty days after entry into the correctional system, are returning to the correctional system within one year of a prior release, or whose physical or mental condition renders them unable to complete the assessment process. The department shall track and record changes in the basic academic skill levels of all inmates reflected in any testing or assessment performed as part of their education programming;

(b) Placement. The department shall follow the policies set forth in subsection (1) of this section in establishing criteria for placing inmates in education and work programs. The department shall, to the extent possible, place all inmates whose composite grade level score for basic academic skills is below the eighth grade level in a combined education and work program. The placement criteria shall include at least the following factors:

(i) An inmate's release date and custody level(~~(-except)~~). An inmate shall not be precluded from participating in an education or work program solely on the basis of his or her release date, except that inmates with a release date of more than one hundred twenty months in the future shall not comprise more than ten percent of inmates participating in a new class I correctional industry not in existence on the effective date of this section;

(ii) An inmate's education history and basic academic skills;

(iii) An inmate's work history and vocational or work skills;

(iv) An inmate's economic circumstances, including but not limited to an inmate's family support obligations; and

(v) Where applicable, an inmate's prior performance in department-approved education or work programs;

(c) Performance and goals. The department shall establish, and periodically review, inmate behavior standards and program goals for all education and work programs. Inmates shall be notified of applicable behavior standards and program goals prior to placement in an education or work program and shall be removed from the education or work program if they consistently fail to meet the standards or goals;

(d) Financial responsibility. (i) The department shall establish a formula by which inmates, based on their ability to pay, shall pay all or a portion of the costs or tuition of certain programs. Inmates shall, based on the formula, pay a portion of the costs or tuition of participation in:

(A) Second and subsequent vocational programs associated with an inmate's work programs; and

(B) An associate of arts or baccalaureate degree program when placement in a degree program is the result of a placement made under this subsection;

(ii) Inmates shall pay all costs and tuition for participation in:

(A) Any postsecondary academic degree program which is entered independently of a placement decision made under this subsection; and

(B) Second and subsequent vocational programs not associated with an inmate's work program.

Enrollment in any program specified in (d)(ii) of this subsection shall only be allowed by correspondence or if there is an opening in an education or work program at the institution where an inmate is incarcerated and no other inmate who is placed in a program under this subsection will be displaced; and

(e) Notwithstanding any other provision in this section, an inmate sentenced to life without the possibility of release:

(i) Shall not be required to participate in education programming; and

(ii) May receive not more than one postsecondary academic degree in a program offered by the department or its contracted providers.

If an inmate sentenced to life without the possibility of release requires prevocational or vocational training for a work program, he or she may participate in the training subject to this section.

(6) The department shall coordinate education and work programs among its institutions, to the greatest extent possible, to facilitate continuity of programming among inmates transferred between institutions. Before transferring an inmate enrolled in a program, the department shall consider the effect the transfer will have on the inmate's ability to continue or complete a program. This subsection shall not be used to delay or prohibit a transfer necessary for legitimate safety or security concerns.

(7) Before construction of a new correctional institution or expansion of an existing correctional institution, the department shall adopt a plan demonstrating how cable, closed-circuit, and satellite television will be used for education and training purposes in the institution. The plan shall specify how the use of television in the education and training programs will improve inmates' preparedness for available work programs and job opportunities for which inmates may qualify upon release.

(8) The department shall adopt a plan to reduce the per-pupil cost of instruction by, among other methods, increasing the use of volunteer instructors and implementing technological efficiencies. The plan shall be adopted by December 1996 and shall be transmitted to the legislature upon adoption. The department shall, in adoption of the plan, consider distance learning, satellite instruction, video tape usage, computer-aided instruction, and flexible scheduling of offender instruction.

(9) Following completion of the review required by section 27(3), chapter 19, Laws of 1995 1st sp. sess. the department shall take all necessary steps to assure the vocation and education programs are relevant to work programs and skills necessary to enhance the employability of inmates upon release.

To obtain that review, you must, within ten days after the entry of the decision of the court commissioner, file with the court a motion for revision of the decision, as provided in RCW 2.24.050.

You may request that a multidisciplinary team, family group conference, or prognostic staffing~~((, or case conference))~~ be convened for your child's case. You may participate in these processes with your counsel present."

Upon receipt of the written notice, the parent, guardian, or legal custodian shall acknowledge such notice by signing a receipt prepared by child protective services. If the parent, guardian, or legal custodian does not sign the receipt, the reason for lack of a signature shall be written on the receipt. The receipt shall be made a part of the court's file in the dependency action.

If after making reasonable efforts to provide notification, child protective services is unable to determine the whereabouts of the parents, guardian, or legal custodian, the notice shall be delivered or sent to the last known address of the parent, guardian, or legal custodian.

(2) If child protective services is not required to give notice under RCW 13.34.060(2) and subsection (1) of this section, the juvenile court counselor assigned to the matter shall make all reasonable efforts to advise the parents, guardian, or legal custodian of the time and place of any shelter care hearing, request that they be present, and inform them of their basic rights as provided in RCW 13.34.090.

The court shall hear evidence regarding the efforts made to place the child with a relative. The court shall make an express finding as to whether the notice required under RCW 13.34.060(2) and subsections (1) and (2) of this section was given to the parent, guardian, or legal custodian. All parties have the right to present testimony to the court regarding the need or lack of need for shelter care. Hearsay evidence before the court regarding the need or lack of need for shelter care must be supported by sworn testimony, affidavit, or declaration of the person offering such evidence.

(5)(a) A shelter care order issued pursuant to RCW 13.34.065 shall include the requirement for a case conference as provided in RCW 13.34.067. However, if the parent is not present at the shelter care hearing, or does not agree to the case conference, the court shall not include the requirement for the case conference in the shelter care order.

(b) If the court orders a case conference, the shelter care order shall include notice to all parties and establish the date, time, and location of the case conference which shall be no later than thirty days prior to the fact-finding hearing.

(c) The court may order a conference or meeting as an alternative to the case conference required under RCW 13.34.067 so long as the conference or meeting ordered by the court meets all requirements under RCW 13.34.067, including the requirement of a written agreement specifying the services to be provided to the parent.

(6) A shelter care order issued pursuant to RCW 13.34.065 may be amended at any time with notice and hearing thereon. The shelter care decision of placement shall be modified only upon a showing of change in circumstances. No child may be placed in shelter care for longer than thirty days without an order, signed by the judge, authorizing continued shelter care.

~~((6))~~ (7) Any parent, guardian, or legal custodian who for good cause is unable to attend the initial shelter care hearing may request that a subsequent shelter care hearing be scheduled. The request shall be made to the clerk of the court where the petition is filed prior to the initial shelter care hearing. Upon the request of the parent, the court shall schedule the hearing within seventy-two hours of the request, excluding Saturdays, Sundays, and holidays. The clerk shall notify all other parties of the hearing by any reasonable means.

Sec. 3. RCW 13.34.094 and 2001 c 332 s 6 are each amended to read as follows:

The department shall, within existing resources, provide to parents requesting or participating in a multidisciplinary team, family group conference, case conference, or prognostic staffing~~((, or case conference,))~~ information that describes these processes prior to the processes being undertaken.

SSB 6676 Prime Sponsor, Senate Committee on Highways & Transportation: Permitting transfer of license plates. Reported by Committee on Transportation

MAJORITY recommendation: Do pass as amended:

Strike everything after the enacting clause and insert the following:

"**Sec. 1.** RCW 46.12.101 and 2003 c 264 s 7 are each amended to read as follows:

A transfer of ownership in a motor vehicle is perfected by compliance with the requirements of this section.

(1) If an owner transfers his or her interest in a vehicle, other than by the creation, deletion, or change of a security interest, the owner shall, at the time of the delivery of the vehicle, execute an assignment to the transferee and provide an odometer disclosure statement under RCW 46.12.124 on the certificate of ownership or as the department otherwise prescribes, and cause the certificate and assignment to be transmitted to the transferee. The owner shall notify the department or its agents or subagents, in writing, on the appropriate form, of the date of the sale or transfer, the name and address of the owner and of the transferee, the transferee's driver's license number if available, and such description of the vehicle, including the vehicle identification number, ~~((the license plate number, or both,))~~ as may be required in the appropriate form provided or approved for that purpose by the department. The report of sale will be deemed properly filed if all information required in this section is provided on the form and includes a department-authorized notation that the document was received by the department, its agents, or subagents on or before the fifth day after the sale of the vehicle, excluding Saturdays, Sundays, and state and federal holidays. Agents and subagents shall immediately electronically transmit the seller's report of sale to the department. Reports of sale processed and recorded by the department's agents or subagents may be subject to fees as specified in RCW 46.01.140 (4)(a) or (5)(b). By January 1, 2003, the department shall create a system enabling the seller of a vehicle to transmit the report of sale electronically. The system created by the department must immediately indicate on the department's vehicle record that a seller's report of sale has been filed.

(2) The requirements of subsection (1) of this section to provide an odometer disclosure statement apply to the transfer of vehicles held for lease when transferred to a lessee and then to the lessor at the end of the leasehold and to vehicles held in a fleet when transferred to a purchaser.

(3) Except as provided in RCW 46.70.122 the transferee shall within fifteen days after delivery to the transferee of the vehicle, execute the application for a new certificate of ownership in the same space provided therefor on the certificate or as the department prescribes, and cause the certificates and application to be transmitted to the department.

(4) Upon request of the owner or transferee, a secured party in possession of the certificate of ownership shall, unless the transfer was a breach of its security agreement, either deliver the certificate to the transferee for transmission to the department or, when the secured party receives the owner's assignment from the transferee, it shall transmit the transferee's application for a new certificate, the existing certificate, and the required fee to the department. Compliance with this section does not affect the rights of the secured party.

(5) If a security interest is reserved or created at the time of the transfer, the certificate of ownership shall be retained by or delivered to the person who becomes the secured party, and the parties shall comply with the provisions of RCW 46.12.170.

(6) If the purchaser or transferee fails or neglects to make application to transfer the certificate of ownership and license registration within fifteen days after the date of delivery of the vehicle, he or she shall on making application for transfer be assessed a twenty-five dollar penalty on the sixteenth day and two dollars

additional for each day thereafter, but not to exceed one hundred dollars. The director may by rule establish conditions under which the penalty will not be assessed when an application for transfer is delayed for reasons beyond the control of the purchaser. Conditions for not assessing the penalty may be established for but not limited to delays caused by:

- (a) The department requesting additional supporting documents;
- (b) Extended hospitalization or illness of the purchaser;
- (c) Failure of a legal owner to release his or her interest;
- (d) Failure, negligence, or nonperformance of the department, auditor, or subagent.

Failure or neglect to make application to transfer the certificate of ownership and license registration within forty-five days after the date of delivery of the vehicle is a misdemeanor.

(7) Upon receipt of an application for reissue or replacement of a certificate of ownership and transfer of license registration, accompanied by the endorsed certificate of ownership or other documentary evidence as is deemed necessary, the department shall, if the application is in order and if all provisions relating to the certificate of ownership and license registration have been complied with, issue new certificates of title and license registration as in the case of an original issue and shall transmit the fees together with an itemized detailed report to the state treasurer.

(8) Once each quarter the department shall report to the department of revenue a list of those vehicles for which a seller's report has been received but no transfer of title has taken place.

Sec. 2. RCW 46.16.023 and 1993 c 488 s 5 are each amended to read as follows:

(1) Every owner or lessee of a vehicle seeking to apply for an excise tax exemption under RCW 82.08.0287, 82.12.0282, or 82.44.015 shall apply to the director for, and upon satisfactory showing of eligibility, receive in lieu of the regular motor vehicle license plates for that vehicle, special plates of a distinguishing separate numerical series or design, as the director shall prescribe. In addition to paying all other initial fees required by law, each applicant for the special license plates shall pay an additional license fee of twenty-five dollars upon the issuance of such plates. The special fee shall be deposited in the motor vehicle fund. Application for renewal of the license plates shall be as prescribed for the renewal of other vehicle licenses. No renewal is required for vehicles exempted under RCW 46.16.020.

(2) Whenever the ownership of a vehicle receiving special plates under subsection (1) of this section is transferred or assigned, the plates shall be removed from the motor vehicle, and if another vehicle qualifying for special plates is acquired, the plates shall be transferred to that vehicle for a fee of ~~((five))~~ ten dollars, and the director shall be immediately notified of the transfer of the plates. Otherwise the removed plates shall be immediately forwarded to the director to be canceled. Whenever the owner or lessee of a vehicle receiving special plates under subsection (1) of this section is for any reason relieved of the tax-exempt status, the special plates shall immediately be forwarded to the director along with an application for replacement plates and the required fee. Upon receipt the director shall issue the license plates that are otherwise provided by law.

(3) Any person who knowingly makes any false statement of a material fact in the application for a special plate under subsection (1) of this section is guilty of a gross misdemeanor.

Sec. 3. RCW 46.16.290 and 1997 c 291 s 4 are each amended to read as follows:

(1) In any case of a valid sale or transfer of the ownership of any vehicle, the right to the certificates properly transferable therewith, except as provided in RCW 46.16.280, and to the vehicle license plates passes to the purchaser or transferee. It is unlawful for the holder of such certificates, except as provided in RCW 46.16.280, or vehicle license plates to fail, neglect, or refuse to endorse the certificates and deliver the vehicle license plates to the purchaser or transferee.

(2)(a) If the sale or transfer is of a vehicle licensed with current standard issue license plates, the vehicle license plates may be retained and displayed upon a vehicle obtained in replacement of the vehicle so sold or transferred. If a person applies for a transfer of the plate or plates to another eligible vehicle, the plates must be transferred to a vehicle requiring the same type of plate. A transfer fee of ten dollars must be charged in addition to all other applicable fees. The transfer fees must be deposited in the motor vehicle fund.

(b) If the sale or transfer is of a vehicle licensed by the state or any county, city, town, school district, or other political subdivision entitled to exemption as provided by law, or, if the vehicle is licensed with personalized plates, amateur radio operator plates, medal of honor plates, disabled person plates, disabled veteran plates, prisoner of war plates, or other special license plates issued under RCW 46.16.301 as it existed before amendment by section 5, chapter 291, Laws of 1997, the vehicle license plates therefor shall be retained and may be displayed upon a vehicle obtained in replacement of the vehicle so sold or transferred.

Sec. 4. RCW 46.16.316 and 1997 c 291 s 10 are each amended to read as follows:
Except as provided in RCW 46.16.305:

(1) When a person who has been issued a special license plate or plates: (a) Under RCW 46.16.301 as it existed before amendment by section 5, chapter 291, Laws of 1997, or under RCW 46.16.305(2) or 46.16.324; or (b) approved by the special license plate review board under RCW 46.16.715 through 46.16.775 sells, trades, or otherwise transfers or releases ownership of the vehicle upon which the special license plate or

plates have been displayed, he or she shall immediately report the transfer of such plate or plates to an acquired vehicle or vehicle eligible for such plates pursuant to departmental rule, or he or she shall surrender such plates to the department immediately if such surrender is required by departmental rule. If a person applies for a transfer of the plate or plates to another eligible vehicle, a transfer fee of ((~~five~~) ten) dollars shall be charged in addition to all other applicable fees. Such transfer fees shall be deposited in the motor vehicle fund. Failure to surrender the plates when required is a traffic infraction.

(2) If the special license plate or plates issued by the department become lost, defaced, damaged, or destroyed, application for a replacement special license plate or plates shall be made and fees paid as provided by law for the replacement of regular license plates.

Sec. 5. RCW 46.16.590 and 1975 c 59 s 5 are each amended to read as follows:
