SENATE BILL NO. 5368, by Senators Keiser, King, Conway, Schoesler, Randall, Torres, and Wilson, C.

Expanding access to the workers' compensation stay-at-work program through off-site light duty return to work opportunities.

MOTIONS

On motion of Senator Keiser, Substitute Senate Bill No. 5368 was substituted for Senate Bill No. 5368 and the substitute bill was placed on the second reading and read the second time.

SUBSTITUTE SENATE BILL NO. 5368, by Senate Committee on Labor & Commerce (originally sponsored by Keiser, King, Conway, Schoesler, Randall, Torres, and Wilson, C.)

Senator Keiser moved that the following striking amendment no. 517 by Senator Keiser be adopted:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. **Sec. 1.** (1) The state established the stay-at-work program to reduce long-term disability and the cost of injuries by incentivizing employers to provide injured workers light duty and transitional return-to-work opportunities. Data from the department of labor and industries indicates that the program has lowered the risk of long-term disability and can improve mental health and well-being for workers who return to positions that allow for the time necessary for healing and rehabilitation.

(2) However, current law only allows for light duty or transitional return to work with the employer of injury, limiting opportunities and creating inequities for workers and employers. Small employers are less likely to have suitable light duty jobs. Workers, particularly in small businesses, are less likely to have access to remote light duty work. Injured workers who move out-of-state are also less likely to have access to return-to-work opportunities, especially when the employer of injury cannot offer remote work options.

(3) The legislature hereby intends to provide more opportunities for workers to access return to work and for employers to take advantage of the stay-at-work program by allowing flexibility in matching injured workers to temporary positions with local nonprofits to perform light duty work. Workers eligible for the expanded program pursuant to RCW 51.32.090(4)(m) will receive a written notice in their preferred language that they have a right to reject a specific light duty job with a specific nonprofit. This approach preserves all protections for injured workers, reduces claim costs, transitions workers back to productive work more quickly while allowing for recuperation, and benefits local nonprofits by providing experienced workers for important service roles.

Sec. 2. RCW 51.32.090 and 2023 c 171 s 7 are each amended to read as follows:

(1) When the total disability is only temporary, the schedule of payments contained in RCW 51.32.060 (1) and (2) shall apply, so long as the total disability continues.

(2) Any compensation payable under this section for children not in the custody of the injured worker as of the date of injury shall be payable only to such person as actually is providing the support for such child or children pursuant to the order of a court of record providing for support of such child or children.

(3)(a) As soon as recovery is so complete that the present earning power of the worker, at any kind of work, is restored to that existing at the time of the occurrence of the injury, the payments shall cease. If and so long as the present earning power is only partially restored, the payments shall:

(i) For claims for injuries that occurred before May 7, 1993, continue in the proportion which the new earning power shall bear to the old; or

(ii) For claims for injuries occurring on or after May 7, 1993, equal eighty percent of the actual difference between the worker's present wages and earning power at the time of injury, but: (A) The total of these payments and the worker's present wages may not exceed one hundred fifty percent of the average monthly wage in the state as computed under RCW 51.08.018; (B) the payments may not exceed one hundred percent of the entitlement as computed under subsection (1) of this section; and (C) the payments may not be less than the worker would have received if (a)(i) of this subsection had been applicable to the worker's claim.

(b) No compensation shall be payable under this subsection (3) unless the loss of earning power shall exceed five percent.

(c) The prior closure of the claim or the receipt of permanent partial disability benefits shall not affect the rate at which loss of earning power benefits are calculated upon reopening the claim.

(4)(a) The legislature finds that long-term disability and the cost of injuries is significantly reduced when injured workers remain at work following their injury. To encourage employers at the time of injury to provide light duty or transitional work for their workers, wage subsidies and other incentives are made available to employers insured with the department.

(b)(i) Whenever the employer of injury requests that a worker who is entitled to temporary total disability under this chapter be certified by the attending provider as able to perform available work other than his or her usual work, the employer shall furnish to the attending provider, with a contemporaneous copy to the worker in their preferred language, a ((~~statement describing the~~)) written job description of the light duty or transitional work available with the employer of injury, or with a nonprofit

organization or charity pursuant to (m) of this subsection, in terms that will enable the attending provider to relate the activities of the job to the worker's disability. The attending provider shall then determine whether the worker is able to perform the work described. If more than 21 calendar days have passed since the attending provider's last appointment with the worker, the attending provider may meet with the worker, if the attending provider deems necessary, to determine whether the worker is able to perform the work. The attending provider's determination must be shared with both the worker and employer.

(ii) The worker shall accept or decline the light duty job offer within seven days after receiving notification that the attending provider has approved the job description. Failure to timely accept a valid light duty job offer shall result in termination of temporary total disability benefits except as described under (m)(v) of this subsection.

(iii) The worker's temporary total disability payments shall continue until the worker is released by ((~~his or her~~)) their attending provider for the work, and begins the light duty work with the employer of injury or with a nonprofit organization or charity pursuant to (m) of this subsection. If the light duty or transitional work thereafter comes to an end before the worker's recovery is sufficient in the judgment of his or her attending provider to permit him or her to return to his or her usual job, or to perform other available work offered ((~~by the employer of injury~~)) pursuant to this section, the worker's temporary total disability payments shall be resumed. Should the ((~~available~~)) light duty work ((~~described~~)), once undertaken by the worker, impede his or her recovery to the extent that in the judgment of his or her attending provider he or she should not continue to work, the worker's temporary total disability payments shall be resumed when the worker ceases such work.

(c) To further encourage employers to maintain the employment of their injured workers, an employer insured with the department and that offers work to a worker pursuant to this subsection (4) shall be eligible for reimbursement of the injured worker's wages for light duty or transitional work equal to ((~~fifty~~)) 50 percent of the basic, gross wages paid for that work, for a maximum of ((~~sixty-six~~)) 66 workdays within a consecutive ((~~twenty-four-month~~)) 24-month period. In no event may the wage subsidies paid to an employer on a claim exceed ((~~ten thousand dollars~~)) $10,000. Wage subsidies shall be calculated using the worker's basic hourly wages or basic salary, and no subsidy shall be paid for any other form of compensation or payment to the worker such as tips, commissions, bonuses, board, housing, fuel, health care, dental care, vision care, per diem, reimbursements for work-related expenses, or any other payments. An employer may not, under any circumstances, receive a wage subsidy for a day in which the worker did not actually perform any work, regardless of whether or not the employer paid the worker wages for that day.

(d) If an employer insured with the department offers a worker work pursuant to this subsection (4) and the worker must be provided with training or instruction to be qualified to perform the offered work, the employer shall be eligible for a reimbursement from the department for any tuition, books, fees, and materials required for that training or instruction, up to a maximum of ((~~one thousand dollars~~)) $1,000. Reimbursing an employer for the costs of such training or instruction does not constitute a determination by the department that the worker is eligible for vocational services authorized by RCW 51.32.095 and 51.32.099.

(e) If an employer insured with the department offers a worker work pursuant to this subsection (4), and the employer provides the worker with clothing that is necessary to allow the worker to perform the offered work, the employer shall be eligible for reimbursement for such clothing from the department, up to a maximum of ((~~four hundred dollars~~)) $400. However, an employer shall not receive reimbursement for any clothing it provided to the worker that it normally provides to its workers. The clothing purchased for the worker shall become the worker's property once the work comes to an end.

(f) If an employer insured with the department offers a worker work pursuant to this subsection (4) and the worker must be provided with tools or equipment to perform the offered work, the employer shall be eligible for a reimbursement from the department for such tools and equipment and related costs as determined by department rule, up to a maximum of ((~~two thousand five hundred dollars~~)) $2,500. An employer shall not be reimbursed for any tools or equipment purchased prior to offering the work to the worker pursuant to this subsection (4). An employer shall not be reimbursed for any tools or equipment that it normally provides to its workers. The tools and equipment shall be the property of the employer.

(g) An employer may offer work to a worker pursuant to this subsection (4) more than once, but in no event may the employer receive wage subsidies for more than ((~~sixty-six~~)) 66 days of work in a consecutive ((~~twenty-four-month~~)) 24-month period under one claim. An employer may continue to offer work pursuant to this subsection (4) after the worker has performed ((~~sixty-six~~)) 66 days of work, but the employer shall not be eligible to receive wage subsidies for such work.

(h) An employer shall not receive any wage subsidies or reimbursement of any expenses pursuant to this subsection (4) unless the employer has completed and submitted the reimbursement request on forms developed by the department, along with all related information required by department rules. No wage subsidy or reimbursement shall be paid to an employer who fails to submit a form for such payment within one year of the date the work was performed. In no event shall an employer receive wage subsidy payments or reimbursements of any expenses pursuant to this subsection (4) unless the worker's attending provider has restricted him or her from performing his or her usual work and the worker's attending provider has released him or her to perform the work offered.

(i) Payments made under (b) through (g) of this subsection are subject to penalties under RCW 51.32.240(5) in cases where the funds were obtained through willful misrepresentation.

(j) Once the worker returns to work under the terms of this subsection (4), ((~~he or she~~)) the worker shall not be assigned by the employer to work other than the available work described ((~~without the worker's written consent, or~~)) without prior review and approval by the worker's attending provider. An employer who directs a claimant to perform work other than that approved by the attending provider and without the approval of the worker's attending provider shall not receive any wage subsidy or other reimbursements for such work.

(k) If the worker returns to work under this subsection (4), any employee health and welfare benefits that the worker was receiving at the time of injury shall continue or be resumed at the level provided at the time of injury. Such benefits shall not be continued or resumed if to do so is inconsistent with the terms of the benefit program, or with the terms of the collective bargaining agreement currently in force.

(l) In the event of any dispute as to the validity of the work offered or as to the worker's ability to perform the available work offered by the employer, the department shall make the final determination pursuant to an order that contains the notice required by RCW 51.52.060 and that is subject to appeal subject to RCW 51.52.050.

(m) An employer with 100 or fewer employees may offer light duty return to work to a worker pursuant to this subsection (4) with an established nonprofit organization or charity pursuant to (n) of this subsection, subject to the following parameters and conditions:

(i) The employer of injury may not disclose the worker's medical restrictions with the nonprofit organization or charity without the worker's written consent. If the worker does not consent to the disclosure of their medical restrictions with the nonprofit organization or charity, any approved light duty work must be with the employer of injury;

(ii) The employer of injury remains accountable for all reporting requirements;

(iii) The employer of injury remains responsible for any new injury or occupational disease incurred while the worker is on light duty return to work;

(iv) Offers made to a worker under this subsection (m) must include a written notice in the worker's preferred language that they have a right to reject a specific light duty job with a specific nonprofit;

(v) The injured worker does not forfeit any protections or benefits afforded to them under this title, and the injured worker may reject a light duty return-to-work offer or otherwise terminate the light duty return to work with the nonprofit organization or charity, in which case the injured worker's temporary total disability payments must continue or be resumed;

(vi) Except as otherwise provided under this subsection (4)(m), the offer of light duty return to work with the nonprofit organization or charity is subject to the same parameters and conditions as an offer of available work with the employer of injury;

(vii) The employer of injury may be eligible for reimbursement under (c) through (g) of this subsection if the department determines the employer qualifies; and

(viii) The worker's experience gained through any light duty work under this subsection (4)(m) with the nonprofit organization or charity may not be construed as acquisition of transferable skills and does not disqualify the injured worker from accessing vocational rehabilitation services or other retraining programs available under this title.

(n)(i) To offer light duty, transitional work with a nonprofit organization or charity under (m) of this subsection, the employer of injury must contract with a return-to-work employment agency approved by the department or work with a nonprofit organization or charity listed as active on a secretary of state website. The department must develop the criteria in rule for a return-to-work employment agency to receive department approval under this subsection.

(ii) The department must work with the vocational rehabilitation advisory committee established in RCW 51.32.096 to research and report on meaningful return-to-work outcomes and the benefits of return to work on workers' mental health. The advisory committee must also study the quality of the work and benefits to the worker of transitional return to work with nonprofit organizations and make recommendations for improving outcomes. The report must be submitted to the workers' compensation advisory committee by October 31, 2029, for consideration of additional legislation.

(5) An employer's experience rating shall not be affected by the employer's request for or receipt of wage subsidies.

(6) The department shall create a Washington stay-at-work account which shall be funded by assessments of employers insured through the state fund for the costs of the payments authorized by subsection (4) of this section and for the cost of creating a reserve for anticipated liabilities. Employers may collect up to one-half the fund assessment from workers.

(7) No worker shall receive compensation for or during the day on which injury was received or the three days following the same, unless his or her disability shall continue for a period of ((~~fourteen~~)) 14 consecutive calendar days from date of injury: PROVIDED, That attempts to return to work in the first ((~~fourteen~~)) 14 days following the injury shall not serve to break the continuity of the period of disability if the disability continues ((~~fourteen~~)) 14 days after the injury occurs.

(8) Should a worker suffer a temporary total disability and should his or her employer at the time of the injury continue to pay him or her the wages which he or she was earning at the time of such injury, such injured worker shall not receive any payment provided in subsection (1) of this section during the period his or her employer shall so pay such wages: PROVIDED, That holiday pay, vacation pay, sick leave, or other similar benefits shall not be deemed to be payments by the employer for the purposes of this subsection.

(9) In no event shall the monthly payments provided in this section:

(a) Exceed the applicable percentage of the average monthly wage in the state as computed under the provisions of RCW 51.08.018 as follows:

AFTER	PERCENTAGE
June 30, 1993	105%
June 30, 1994	110%
June 30, 1995	115%
June 30, 1996	120%

(b) For dates of injury or disease manifestation after July 1, 2008, be less than ((~~fifteen~~)) 15 percent of the average monthly wage in the state as computed under RCW 51.08.018 plus an additional ((~~ten dollars~~)) $10 per month if the worker is married and an additional ((~~ten dollars~~)) $10 per month for each child of the worker up to a maximum of five children. However, if the monthly payment computed under this subsection (9)(b) is greater than ((~~one hundred~~)) 100 percent of the wages of the worker as determined under RCW 51.08.178, the monthly payment due to the worker shall be equal to the greater of the monthly wages of the worker or the minimum benefit set forth in this section on June 30, 2008.

(10) If the supervisor of industrial insurance determines that the worker is voluntarily retired and is no longer attached to the workforce, benefits shall not be paid under this section.

(11) The department shall adopt rules as necessary to implement this section.

NEW SECTION. **Sec. 3.** This act takes effect January 1, 2026."

On page 1, line 3 of the title, after "workers;" strike the remainder of the title and insert "amending RCW 51.32.090; creating a new section; and providing an effective date."

On motion of Senator Padden, the rules were suspended and Senate Bill No. 5032 was returned to second reading for the purposes of amendment.

Senator Padden moved that the following striking amendment no. 516 by Senators Padden and Dhingra be adopted:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. **Sec. 1.** A new section is added to chapter 9.94A RCW to read as follows:

(1) An offender is eligible for the special drug offender sentencing alternative for driving under the influence if the offender:

(a) Does not have a prior conviction under RCW 46.61.520, 46.61.522, 46.61.502(6), or 46.61.504(6); and either

(b) Is convicted of felony driving while under the influence of intoxicating liquor, cannabis, or any drug under RCW 46.61.502(6)(a); or

(c) Is convicted of felony physical control of a vehicle while under the influence of intoxicating liquor or any drug under RCW 46.61.504(6)(a).

(2) A motion for a special drug offender sentencing alternative for driving under the influence may be made by the court, the offender, or the state if the midpoint of the standard sentence range is 26 months or less. If an offender has a higher midpoint, a motion for a special drug offender sentencing alternative for driving under the influence can only be made by joint agreement of the state and offender.

(3) If the sentencing court determines that the offender is eligible for an alternative sentence under this section and that the alternative sentence is appropriate, the court shall waive imposition of a sentence within the standard sentence range and:

(a) Impose a sentence equivalent to a prison-based alternative under RCW 9.94A.662, and subject to the same requirements and restrictions as are established in that section, if the low end of the standard sentence range is greater than 24 months; or

(b) Impose a sentence consisting of a residential treatment-based alternative consistent with this section if the low end of the standard sentence range is 24 months or less.

(4)(a) To assist the court in making its determination, the court may order the department to complete either a risk assessment report or a substance use disorder screening report as provided in RCW 9.94A.500, or both.

(b) If the court is considering imposing a sentence under the residential substance use disorder treatment-based alternative, the court may order an examination of the offender by the department. The examination shall, at a minimum, address the following issues:

(i) Whether the offender suffers from a substance use disorder;

(ii) Whether effective treatment for the offender's substance use disorder is available from a provider that has been licensed or certified by the department of health; and

(iii) Whether the offender and the community will benefit from the use of the alternative.

(5) An offender who is eligible for a residential treatment-based alternative under this section shall be sentenced as follows:

(a) If necessary, an indeterminate term of confinement of no more than 30 days in a facility operated, licensed, or utilized under contract, by the county in order to facilitate direct transfer to a residential substance use disorder treatment facility;

(b) Treatment in a residential substance use disorder treatment program licensed or certified by the department of health for a period set by the court up to six months with treatment completion and continued care delivered in accordance with rules established by the department of health. In establishing rules pursuant to this subsection, the department of health must consider criteria established by the American society of addiction medicine;

(c) Twenty-four months of partial confinement to consist of 12 months work release followed by 12 months of home detention with electronic monitoring; and

(d) Twelve months of community custody.

(6)(a) During any period of partial confinement or community custody, the court shall impose treatment and other conditions as provided in RCW 9.94A.703 or as the court considers appropriate.

(b) The department may impose conditions and sanctions as authorized in RCW 9.94A.704 and 9.94A.737.

(c) The department shall, within available resources, make substance use disorder assessment and treatment services available to the offender.

(d) An offender sentenced to community custody under subsection (3)(a) of this section as part of the prison-based alternative or under subsection (3)(b) of this section as part of the

residential treatment-based alternative may be required to pay $30 per month while on community custody to offset the cost of monitoring for alcohol or controlled substances.

(7)(a) If the court imposes a sentence under subsection (3)(b) of this section, the treatment provider must send the treatment plan to the court within 30 days of the offender's arrival to the residential substance use disorder treatment program.

(b) Upon receipt of the plan, the court shall schedule a progress hearing during the period of treatment and schedule a treatment termination hearing for three months before the expiration of the term of community custody.

(c) Before the progress hearing and treatment termination hearing, the treatment provider and the department shall submit written reports to the court and parties regarding the offender's compliance with treatment and monitoring requirements and recommendations regarding termination from treatment.

(8) At a progress hearing or treatment termination hearing, the court may:

(a) Authorize the department to terminate the offender's community custody status on the expiration date determined under subsection (7) of this section;

(b) Continue the hearing to a date before the expiration date of community custody, with or without modifying the conditions of partial confinement or community custody; or

(c) Impose a term of total confinement equal to one-half the midpoint of the standard sentence range, followed by a term of community custody under RCW 9.94A.701.

(9)(a) The court may bring any offender sentenced under subsection (3)(a) or (b) of this section back into court at any time on its own initiative to evaluate the offender's progress in treatment or to determine if any violations of the conditions of the sentence have occurred.

(b) If the offender is brought back to court, the court may modify the conditions of partial confinement or community custody or order the offender to serve a term of total confinement within the standard sentence range of the offender's current offense at any time during the period of partial confinement or community custody if the offender violates the conditions or requirements of the sentence or if the offender is failing to make satisfactory progress in treatment.

(c) An offender ordered to serve a term of total confinement under (b) of this subsection shall receive credit for any time previously served in total confinement or residential treatment under this section and shall receive 50 percent credit for any time previously served in partial confinement or community custody under this section.

(10) In serving a term of community custody imposed upon failure to complete, or administrative termination from, the special drug offender sentencing alternative program for driving under the influence under this section, the offender shall receive no credit for time served in community custody prior to termination of the offender's participation in the program.

(11) An offender sentenced under this section shall be subject to all rules relating to earned release time with respect to any period served in total or partial confinement.

(12) Costs of examinations and preparing the recommended service delivery plans under a special drug offender sentencing alternative for driving under the influence may be paid, at the option of the county, from funds provided to the county from the criminal justice treatment account under RCW 71.24.580.

Sec. 2. RCW 9.94A.030 and 2022 c 231 s 11 are each amended to read as follows:

Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

(1) "Board" means the indeterminate sentence review board created under chapter 9.95 RCW.

(2) "Collect," or any derivative thereof, "collect and remit," or "collect and deliver," when used with reference to the department, means that the department, either directly or through a collection agreement authorized by RCW 9.94A.760, is responsible for monitoring and enforcing the offender's sentence with regard to the legal financial obligation, receiving payment thereof from the offender, and, consistent with current law, delivering daily the entire payment to the superior court clerk without depositing it in a departmental account.

(3) "Commission" means the sentencing guidelines commission.

The court may impose a sentence which provides more than one year of confinement and a community custody term under RCW 9.94A.701 if the court finds reasons justifying an exceptional sentence as provided in RCW 9.94A.535.

(3) If the court imposes a sentence requiring confinement of 30 days or less, the court may, in its discretion, specify that the sentence be served on consecutive or intermittent days. A sentence requiring more than 30 days of confinement shall be served on consecutive days. Local jail administrators may schedule court-ordered intermittent sentences as space permits.

(6) The sentencing court shall give the offender credit for all confinement time served before the sentencing if that confinement was solely in regard to the offense for which the offender is being sentenced.

(10) In any sentence of partial confinement, the court may require the offender to serve the partial confinement in work release, in a program of home detention, on work crew, or in a combined program of work crew and home detention.

Sec. 6. RCW 9.94A.525 and 2023 c 415 s 2 are each amended to read as follows:

The offender score is measured on the horizontal axis of the sentencing grid. The offender score rules are as follows:

The offender score is the sum of points accrued under this section rounded down to the nearest whole number.

(1)(a) A prior conviction is a conviction which exists before the date of sentencing for the offense for which the offender score is being computed. Convictions entered or sentenced on the same date as the conviction for which the offender score is being computed shall be deemed "other current offenses" within the meaning of RCW 9.94A.589.

(b) For the purposes of this section, adjudications of guilt pursuant to Title 13 RCW which are not murder in the first or second degree or class A felony sex offenses may not be included in the offender score.

(2)(a) Class A and sex prior felony convictions shall always be

included in the offender score.

(b) Class B prior felony convictions other than sex offenses shall not be included in the offender score, if since the last date of release from confinement (including full-time residential treatment) pursuant to a felony conviction, if any, or entry of judgment and sentence, the offender had spent ((~~ten~~)) 10 consecutive years in the community without committing any crime that subsequently results in a conviction.

(c) Except as provided in (e) of this subsection, class C prior felony convictions other than sex offenses shall not be included in the offender score if, since the last date of release from confinement (including full-time residential treatment) pursuant to a felony conviction, if any, or entry of judgment and sentence, the offender had spent five consecutive years in the community without committing any crime that subsequently results in a conviction.

(d) Except as provided in (e) of this subsection, serious traffic convictions shall not be included in the offender score if, since the last date of release from confinement (including full-time residential treatment) pursuant to a conviction, if any, or entry of judgment and sentence, the offender spent five years in the community without committing any crime that subsequently results in a conviction.

(e) If the present conviction is felony driving while under the influence of intoxicating liquor or any drug (RCW 46.61.502(6)) or felony physical control of a vehicle while under the influence of intoxicating liquor or any drug (RCW 46.61.504(6)), all predicate crimes for the offense as defined by RCW 46.61.5055(14) shall be included in the offender score, and prior convictions for felony driving while under the influence of intoxicating liquor or any drug (RCW 46.61.502(6)) or felony physical control of a vehicle while under the influence of intoxicating liquor or any drug (RCW 46.61.504(6)) shall always be included in the offender score. All other convictions of the defendant shall be scored according to this section.

(f) Prior convictions for a repetitive domestic violence offense, as defined in RCW 9.94A.030, shall not be included in the offender score if, since the last date of release from confinement or entry of judgment and sentence, the offender had spent ((~~ten~~)) 10 consecutive years in the community without committing any crime that subsequently results in a conviction.

(g) This subsection applies to both prior adult convictions and prior juvenile adjudications.

(3) Out-of-state convictions for offenses shall be classified according to the comparable offense definitions and sentences provided by Washington law. Federal convictions for offenses shall be classified according to the comparable offense definitions and sentences provided by Washington law. Neither out-of-state or federal convictions which would have been presumptively adjudicated in juvenile court under Washington law may be included in the offender score unless they are comparable to murder in the first or second degree or a class A felony sex offense. If there is no clearly comparable offense under Washington law or the offense is one that is usually considered subject to exclusive federal jurisdiction, the offense shall be scored as a class C felony equivalent if it was a felony under the relevant federal statute.

(4) Score prior convictions for felony anticipatory offenses (attempts, criminal solicitations, and criminal conspiracies) the same as if they were convictions for completed offenses.

(5)(a) In the case of multiple prior convictions, for the purpose of computing the offender score, count all convictions separately, except:

(i) Prior offenses which were found, under RCW 9.94A.589(1)(a), to encompass the same criminal conduct, shall be counted as one offense, the offense that yields the highest offender score. The current sentencing court shall determine with respect to other prior adult offenses for which sentences were served concurrently or prior juvenile offenses for which sentences were served consecutively, whether those offenses shall be counted as one offense or as separate offenses using the "same criminal conduct" analysis found in RCW 9.94A.589(1)(a), and if the court finds that they shall be counted as one offense, then the offense that yields the highest offender score shall be used. The current sentencing court may presume that such other prior offenses were not the same criminal conduct from sentences imposed on separate dates, or in separate counties or jurisdictions, or in separate complaints, indictments, or informations;

(ii) In the case of multiple prior convictions for offenses committed before July 1, 1986, for the purpose of computing the offender score, count all convictions or adjudications served concurrently as one offense. Use the conviction for the offense that yields the highest offender score.

(b) As used in this subsection (5), "served concurrently" means that: (i) The latter sentence was imposed with specific reference to the former; (ii) the concurrent relationship of the sentences was judicially imposed; and (iii) the concurrent timing of the sentences was not the result of a probation or parole revocation on the former offense.

(6) If the present conviction is one of the anticipatory offenses of criminal attempt, solicitation, or conspiracy, count each prior conviction as if the present conviction were for a completed offense. When these convictions are used as criminal history, score them the same as a completed crime.

(7) If the present conviction is for a nonviolent offense and not covered by subsection (11), (12), or (13) of this section, count one point for each adult prior felony conviction and one point for each juvenile prior violent felony conviction which is scorable under subsection (1)(b) of this section.

(8) If the present conviction is for a violent offense and not covered in subsection (9), (10), (11), (12), or (13) of this section, count two points for each prior adult violent felony conviction and juvenile violent felony conviction which is scorable under subsection (1)(b) of this section, and one point for each prior adult nonviolent felony conviction.

(9) If the present conviction is for a serious violent offense, count three points for prior adult convictions and juvenile convictions which are scorable under subsection (1)(b) of this section for crimes in this category, two points for each prior adult and scorable juvenile violent conviction (not already counted), and one point for each prior adult nonviolent felony conviction.

(10) If the present conviction is for Burglary 1, count prior convictions as in subsection (8) of this section; however count two points for each prior Burglary 2 or residential burglary conviction.

(11) If the present conviction is for a felony traffic offense count two points for each prior conviction for Vehicular Homicide or Vehicular Assault; for each felony offense count one point for each adult prior conviction and 1/2 point for each juvenile prior conviction which is scorable under subsection (1)(b) of this section; for each serious traffic offense, other than those used for an enhancement pursuant to RCW 46.61.520(2), count one point for each adult prior conviction and 1/2 point for each juvenile prior conviction which is scorable under subsection (1)(b) of this section; count one point for each adult prior conviction for operation of a vessel while under the influence of intoxicating liquor or any drug; count one point for a deferred prosecution granted under chapter 10.05 RCW for a second or subsequent violation of RCW 46.61.502 or 46.61.504, or an equivalent local ordinance.

(12) If the present conviction is for homicide by watercraft or assault by watercraft count two points for each adult prior conviction for homicide by watercraft or assault by watercraft; for each felony offense count one point for each adult prior conviction and 1/2 point for each juvenile prior conviction which would be scorable under subsection (1)(b) of this section; count one point for each adult prior conviction for driving under the influence of intoxicating liquor or any drug, actual physical control of a motor vehicle while under the influence of intoxicating liquor or any drug, or operation of a vessel while under the influence of intoxicating liquor or any drug.

(13) If the present conviction is for manufacture of methamphetamine count three points for each adult prior manufacture of methamphetamine conviction. If the present conviction is for a drug offense and the offender has a criminal history that includes a sex offense or serious violent offense, count three points for each adult prior felony drug offense conviction. All other felonies are scored as in subsection (8) of this section if the current drug offense is violent, or as in subsection (7) of this section if the current drug offense is nonviolent.

(14) If the present conviction is for Escape from Community Custody, RCW 72.09.310, count only adult prior escape convictions in the offender score. Count prior escape convictions as one point.

(15) If the present conviction is for Escape 1, RCW 9A.76.110, or Escape 2, RCW 9A.76.120, count adult prior convictions as one point and juvenile prior convictions which are scorable under subsection (1)(b) of this section as 1/2 point.

(16) If the present conviction is for Burglary 2 or residential burglary, count priors as in subsection (7) of this section; however, count two points for each prior Burglary 1 conviction, and two points for each prior Burglary 2 or residential burglary conviction.

(17) If the present conviction is for a sex offense, count priors as in subsections (7) through (11) and (13) through (16) of this section; however, count three points for each adult prior sex offense conviction and juvenile prior class A felony sex offense adjudication.

(18) If the present conviction is for failure to register as a sex offender under RCW 9A.44.130 or 9A.44.132, count priors as in subsections (7) through (11) and (13) through (16) of this section; however, count three points for each adult prior sex offense conviction and juvenile prior sex offense conviction which is scorable under subsection (1)(b) of this section, excluding adult prior convictions for failure to register as a sex offender under RCW 9A.44.130 or 9A.44.132, which shall count as one point.

(19) If the present conviction is for an offense committed while the offender was under community custody, add one point. For purposes of this subsection, community custody includes community placement or postrelease supervision, as defined in chapter 9.94B RCW.

(20) If the present conviction is for Theft of a Motor Vehicle, Possession of a Stolen Vehicle, Taking a Motor Vehicle Without Permission 1, or Taking a Motor Vehicle Without Permission 2, count priors as in subsections (7) through (18) of this section; however count one point for prior convictions of Vehicle Prowling 2, and three points for each adult prior Theft 1 (of a motor vehicle), Theft 2 (of a motor vehicle), Possession of Stolen Property 1 (of a motor vehicle), Possession of Stolen Property 2 (of a motor vehicle), Theft of a Motor Vehicle, Possession of a Stolen Vehicle, Taking a Motor Vehicle Without Permission 1, or Taking a Motor Vehicle Without Permission 2 conviction.

(21) If the present conviction is for a felony domestic violence offense where domestic violence as defined in RCW 9.94A.030 was pleaded and proven, count priors as in subsections (7) through (20) of this section; however, count points as follows:

(a) Count two points for each adult prior conviction where domestic violence as defined in RCW 9.94A.030 was pleaded and proven after August 1, 2011, for any of the following offenses: A felony violation of a no-contact or protection order (RCW 7.105.450 or former RCW 26.50.110), felony Harassment (RCW 9A.46.020(2)(b)), felony Stalking (RCW 9A.46.110(5)(b)), Burglary 1 (RCW 9A.52.020), Kidnapping 1 (RCW 9A.40.020), Kidnapping 2 (RCW 9A.40.030), Unlawful imprisonment (RCW 9A.40.040), Robbery 1 (RCW 9A.56.200), Robbery 2 (RCW 9A.56.210), Assault 1 (RCW 9A.36.011), Assault 2 (RCW 9A.36.021), Assault 3 (RCW 9A.36.031), Arson 1 (RCW 9A.48.020), or Arson 2 (RCW 9A.48.030);

(b) Count two points for each adult prior conviction where domestic violence as defined in RCW 9.94A.030 was pleaded and proven after July 23, 2017, for any of the following offenses: Assault of a child in the first degree, RCW 9A.36.120; Assault of a child in the second degree, RCW 9A.36.130; Assault of a child in the third degree, RCW 9A.36.140; Criminal Mistreatment in the first degree, RCW 9A.42.020; or Criminal Mistreatment in the second degree, RCW 9A.42.030; and

(c) Count one point for each adult prior conviction for a repetitive domestic violence offense as defined in RCW 9.94A.030, where domestic violence as defined in RCW 9.94A.030, was pleaded and proven after August 1, 2011.

(22) The fact that a prior conviction was not included in an offender's offender score or criminal history at a previous sentencing shall have no bearing on whether it is included in the criminal history or offender score for the current offense. Prior convictions that were not counted in the offender score or included in criminal history under repealed or previous versions of the sentencing reform act shall be included in criminal history and shall count in the offender score if the current version of the sentencing reform act requires including or counting those convictions. Prior convictions that were not included in criminal history or in the offender score shall be included upon any resentencing to ensure imposition of an accurate sentence.

Sec. 25. RCW 10.05.170 and 1991 c 247 s 2 are each amended to read as follows:

As a condition of granting deferred prosecution, the court may order supervision of the petitioner during the period of deferral and may levy a monthly assessment upon the petitioner as provided in RCW 10.64.120. In a jurisdiction with a probation department, the court may appoint the probation department to supervise the petitioner. In a jurisdiction without a probation department, the court may appoint an appropriate person or agency to supervise the petitioner. A supervisor appointed under this section shall be required to do at least the following:

(1) If the charge for which deferral is granted relates to operation of a motor vehicle, at least once every ((~~six~~)) three months request ((~~from the department of licensing~~)) an abstract of the petitioner's driving record; ((~~and~~))

(2) At least once every month make contact with the petitioner ((~~or with any agency to which the petitioner has been directed for treatment as a part of the deferral~~)) until treatment is completed;

(3) Review the petitioner's criminal history at a minimum of every 90 days until the end of the deferral period; and

(4) Report known violations of supervision or law and noncompliance with conditions of the deferred prosecution to the court within five business days or as soon as practicable.

Sec. 26. RCW 46.20.355 and 2020 c 330 s 8 are each amended to read as follows:

(1) Upon receipt of an abstract indicating a deferred prosecution has been granted under RCW 10.05.060, or upon receipt of a notice of conviction of RCW 46.61.502 or 46.61.504, the department of licensing shall issue notice that 45 days after receipt, the person must apply for a probationary license, and order the person to surrender any nonprobationary Washington state driver's license that may be in his or her possession. The department shall revoke the license, permit, or privilege to drive of any person who fails to surrender it as required by this section for one year, unless the license has been previously surrendered to the department, a law enforcement officer, or a court, or the person has completed an affidavit of lost, stolen, destroyed, or previously surrendered license, such revocation to take effect ((~~thirty~~)) 30 days after notice is given of the requirement for license surrender.

(2) The department shall place a person's driving privilege in probationary status as required by RCW 10.05.060 or 46.61.5055 for a period of five years from the date the probationary status is required to go into effect.

(3) Following receipt of an abstract indicating a deferred prosecution has been granted under RCW 10.05.060, or upon reinstatement or reissuance of a driver's license suspended or revoked as the result of a conviction of RCW 46.61.502 or 46.61.504, the department shall require the person to obtain a probationary license in order to operate a motor vehicle in the state of Washington, except as otherwise exempt under RCW 46.20.025. The department shall not issue the probationary license unless the person is otherwise qualified for licensing, and the person must renew the probationary license on the same cycle as the person's regular license would have been renewed until the expiration of the five-year probationary status period imposed under subsection (2) of this section.

(4) If a person is eligible for full credit under RCW 46.61.5055(9)(b)(ii) and, by the date specified in the notice issued under RCW 46.20.245, has completed the requirements under RCW 46.20.311 and paid the fee under subsection (5) of this section, the department shall issue a probationary license on the date specified in the notice with no further action required of the person.

(5) For each original issue or renewal of a probationary license under this section, the department shall charge a fee of ((~~fifty dollars~~)) $50 in addition to any other licensing fees required. Except for when renewing a probationary license, the department shall waive the requirement to obtain an additional probationary license and the ((~~fifty dollar~~)) $50 fee if the person has a probationary license in his or her possession at the time a new probationary license is required.

(6) A probationary license shall enable the department and law enforcement personnel to determine that the person is on probationary status. The fact that a person's driving privilege is in probationary status or that the person has been issued a probationary license shall not be a part of the person's record that is available to insurance companies.

Sec. 27. RCW 46.20.385 and 2020 c 330 s 9 are each amended to read as follows:

(1)(a) Any person licensed under this chapter or who has a valid driver's license from another state, who is convicted of: (i) A violation of RCW 46.61.502 or 46.61.504 or an equivalent local or out-of-state statute or ordinance, or (ii) a violation of RCW 46.61.520(1)(a) or an equivalent local or out-of-state statute or ordinance, or (iii) a conviction for a violation of RCW 46.61.520(1) (b) or (c) if the conviction is the result of a charge that was originally filed as a violation of RCW 46.61.520(1)(a), or (iv) RCW 46.61.522(1)(b) or an equivalent local or out-of-state statute or ordinance, or (v) RCW 46.61.522(1) (a) or (c) if the conviction is the result of a charge that was originally filed as a violation of RCW 46.61.522(1)(b) committed while under the influence of intoxicating liquor or any drug, or (vi) who has had or will have his or her license suspended, revoked, or denied under RCW 46.20.3101, or has had his or her license suspended, revoked, or denied under RCW 46.61.5055(11)(c), or who is otherwise permitted under subsection (8) of this section, may submit to the department an application for an ignition interlock driver's license. The department, upon receipt of the prescribed fee and upon determining that the petitioner is eligible to receive the license, may issue an ignition interlock driver's license.

(b) A person may apply for an ignition interlock driver's license anytime, including immediately after receiving the notices under RCW 46.20.308 or after his or her license is suspended, revoked, or denied.

(c) An applicant under this subsection shall provide proof to the satisfaction of the department that a functioning ignition interlock device has been installed on all vehicles operated by the person.

(i) The department shall require the person to maintain the device on all vehicles operated by the person and shall restrict the person to operating only vehicles equipped with the device, for the remainder of the period of suspension, revocation, or denial, unless otherwise permitted under RCW 46.20.720(6).

(ii) Subject to any periodic renewal requirements established by the department under this section and subject to any applicable compliance requirements under this chapter or other law, an ignition interlock driver's license granted upon a suspension or revocation under RCW 46.61.5055 or 46.20.3101 extends through the remaining portion of any concurrent or consecutive suspension or revocation that may be imposed as the result of administrative action and criminal conviction arising out of the same incident.

(2) An applicant for an ignition interlock driver's license who qualifies under subsection (1) of this section is eligible to receive a license only if the applicant files satisfactory proof of financial responsibility under chapter 46.29 RCW.

(3) Upon receipt of evidence that a holder of an ignition interlock driver's license granted under this subsection no longer has a functioning ignition interlock device installed on all vehicles operated by the driver, the director shall give written notice by first-class mail to the driver that the ignition interlock driver's license shall be canceled. If at any time before the cancellation goes into effect the driver submits evidence that a functioning ignition interlock device has been installed on all vehicles operated by the driver, the cancellation shall be stayed. If the cancellation becomes effective, the driver may obtain, at no additional charge, a new ignition interlock driver's license upon submittal of evidence that a functioning ignition interlock device has been installed on all vehicles operated by the driver.

(4) A person aggrieved by the decision of the department on the application for an ignition interlock driver's license may request a hearing as provided by rule of the department.

(5) The director shall cancel an ignition interlock driver's license after receiving notice that the holder thereof has been convicted of operating a motor vehicle in violation of its restrictions, no longer meets the eligibility requirements, or has been convicted of or found to have committed a separate offense or any other act or omission that under this chapter would warrant suspension or revocation of a regular driver's license. The department must give notice of the cancellation as provided under RCW 46.20.245. A person whose ignition interlock driver's license has been canceled under this section may reapply for a new ignition interlock driver's license if he or she is otherwise qualified under this section and pays the fee required under RCW 46.20.380.

(6)(a) Unless costs are waived by the ignition interlock company or the person is indigent under RCW 10.101.010, the applicant shall pay the cost of installing, removing, and leasing the ignition interlock device and shall pay an additional fee of twenty-one dollars per month. Payments shall be made directly to the ignition interlock company. The company shall remit the additional fee to the department, except that the company may retain ((~~twenty-five~~)) 25 cents per month of the additional fee to cover the expenses associated with administering the fee.

(b) The department shall deposit the proceeds of the twenty-one dollar fee into the ignition interlock device revolving account. Expenditures from the account may be used only to administer and operate the ignition interlock device revolving account program. The department shall adopt rules to provide monetary assistance according to greatest need and when funds are available.

(7) The department shall adopt rules to implement ignition interlock licensing. The department shall consult with the administrative office of the courts, the state patrol, the Washington association of sheriffs and police chiefs, ignition interlock companies, and any other organization or entity the department deems appropriate.

(8)(a) Any person licensed under this chapter who is convicted of a violation of RCW 46.61.500 when the charge was originally filed as a violation of RCW 46.61.502 or 46.61.504, or an equivalent local ordinance, may submit to the department an application for an ignition interlock driver's license under this section.

(b) A person who does not have any driver's license under this chapter, but who would otherwise be eligible under this section to apply for an ignition interlock license, may submit to the department an application for an ignition interlock license. The department may require the person to take any driver's licensing examination under this chapter and may require the person to also apply and qualify for a temporary restricted driver's license under RCW 46.20.391.

Sec. 28. RCW 46.20.720 and 2020 c 330 s 10 are each amended to read as follows:

(1) **Ignition interlock restriction.** The department shall require that a person may drive only a motor vehicle equipped with a functioning ignition interlock device:

(a) **Pretrial release.** Upon receipt of notice from a court that an ignition interlock device restriction has been imposed under RCW 10.21.055;

(b) **Ignition interlock driver's license.** As required for issuance of an ignition interlock driver's license under RCW 46.20.385;

(c) **Deferred prosecution.** Upon receipt of notice from a court that the person is participating in a deferred prosecution program under RCW 10.05.020 for a violation of:

(i) RCW 46.61.502 or 46.61.504 or an equivalent local ordinance; or

(ii) RCW 46.61.5249 or 46.61.500 or an equivalent local ordinance if the person would be required under RCW 46.61.5249(4) or 46.61.500(3) (a) or (b) to install an ignition interlock device on all vehicles operated by the person in the event of a conviction;

(d) **Post conviction.** After any applicable period of mandatory suspension, revocation, or denial of driving privileges, or upon fulfillment of day-for-day credit under RCW 46.61.5055(9)(b)(ii) for a suspension, revocation, or denial of driving privileges:

(i) Due to a conviction of a violation of RCW 46.61.502 or 46.61.504 or an equivalent local or out-of-state statute or ordinance; or

(ii) Due to a conviction of a violation of RCW 46.61.5249 or 46.61.500 or an equivalent local ordinance if the person is required under RCW 46.61.5249(4) or 46.61.500(3) (a) or (b) to install an ignition interlock device on all vehicles operated by the person; or

(e) **Court order.** Upon receipt of an order by a court having jurisdiction that a person charged or convicted of any offense involving the use, consumption, or possession of alcohol while operating a motor vehicle may drive only a motor vehicle equipped with a functioning ignition interlock. The court shall establish a specific alcohol set point at which the ignition interlock will prevent the vehicle from being started. The court shall also establish the period of time for which ignition interlock use will be required.

(2) **Alcohol set point.** Unless otherwise specified by the court for a restriction imposed under subsection (1)(e) of this section, the ignition interlock device shall have an alcohol set point that prevents the motor vehicle from being started when the breath sample provided has an alcohol concentration of 0.020 or more.

(3) **Duration of restriction.** A restriction imposed under:

(a) Subsection (1)(a) of this section shall remain in effect until:

(i) The court has authorized the removal of the device under RCW 10.21.055; or

(ii) The department has imposed a restriction under subsection (1)(b), (c), or (d) of this section arising out of the same incident.

(b) Subsection (1)(b) of this section remains in effect during the validity of any ignition interlock driver's license that has been issued to the person.

(c) Subsection (1)(c)(i) or (d)(i) of this section shall be for no less than:

(i) For a person who has not previously been restricted under this subsection, a period of one year;

(ii) For a person who has previously been restricted under (c)(i) of this subsection, a period of five years;

(iii) For a person who has previously been restricted under (c)(ii) of this subsection, a period of ((~~ten~~)) 10 years.

The restriction of a person who is convicted of a violation of RCW 46.61.502 or 46.61.504 or an equivalent local ordinance and who committed the offense while one or more passengers under the age of ((~~sixteen~~)) 16 were in the vehicle shall be extended for an additional period as required by RCW 46.61.5055(6)(a).

For purposes of determining a period of restriction for a person restricted pursuant to a conviction under (d) of this subsection, a restriction based on a deferred prosecution under subsection (1)(c) of this section arising out of the same incident is not considered a prior restriction for purposes of this subsection.

(d) Subsection (1)(c)(ii) or (d)(ii) of this section shall be for a period of no less than six months.

(e) The period of restriction under (c) or (d) of this subsection shall be extended by ((~~one hundred eighty~~)) 180 days whenever the department receives notice that the restricted person has been convicted under RCW 46.20.740 or 46.20.750. If the period of restriction under (c) or (d) of this subsection has been fulfilled and cannot be extended, the department must add a new ((~~one hundred eighty-day~~)) 180-day restriction that is imposed from the date of conviction and is subject to the requirements for removal under subsection (4) of this section.

(f) Subsection (1)(e) of this section shall remain in effect for the period of time specified by the court.

(g) The period of restriction under (c) and (d) of this subsection based on incidents occurring on or after June 9, 2016, must be tolled for any period in which the person does not have an ignition interlock device installed on a vehicle owned or operated by the person unless the person receives a determination from the department that the person is unable to operate an ignition interlock device due to a physical disability. For all drivers restricted under this section with incidents and restriction start dates prior to June 9, 2016, a driver may apply to waive the restriction by applying for a determination from the department that the person is unable to operate an ignition interlock device due to a physical disability. The department's determination that a person is unable to operate an ignition interlock device must be reasonable and be based upon good and substantial evidence. This determination is subject to review by a court of competent jurisdiction. The department may charge a person seeking a medical exemption under this subsection a reasonable fee for the assessment.

(4) **Requirements for removal.** A restriction imposed under subsection (1)(c) or (d) of this section shall remain in effect until the department receives a declaration from the person's ignition interlock device vendor, in a form provided or approved by the department, certifying the following:

(a) That there have been none of the following incidents in the ((~~one hundred eighty~~)) 180 consecutive days prior to the date of release:

(i) Any attempt to start the vehicle with a breath alcohol concentration of 0.04 or more unless a subsequent test performed within ((~~ten~~)) 10 minutes registers a breath alcohol concentration lower than 0.04 and the digital image confirms the same person provided both samples;

(ii) Failure to take any random test unless a review of the digital image confirms that the vehicle was not occupied by the driver at the time of the missed test;

(iii) Failure to pass any random retest with a breath alcohol concentration of lower than 0.020 unless a subsequent test performed within ((~~ten~~)) 10 minutes registers a breath alcohol concentration lower than 0.020, and the digital image confirms the same person provided both samples;

(iv) Failure of the person to appear at the ignition interlock device vendor when required for maintenance, repair, calibration, monitoring, inspection, or replacement of the device; or

(v) Removal of the ignition interlock device by a person other than an ignition interlock technician certified by the Washington state patrol; and

(b) That the ignition interlock device was inspected at the conclusion of the ((~~one hundred eighty-day~~)) 180-day period by an ignition interlock technician certified by the Washington state patrol and no evidence was found that the device was tampered with in the manner described in RCW 46.20.750.

(5) **Day-for-day credit.** (a) The time period during which a person has an ignition interlock device installed in order to meet the requirements of subsection (1)(b) of this section shall apply on a day-for-day basis toward satisfying the period of time the ignition interlock device restriction is imposed under subsection (1)(c) or (d) of this section arising out of the same incident.

(b) The department must also give the person a day-for-day credit for any time period, beginning from the date of the incident, during which the person kept an ignition interlock device installed on all vehicles the person operates, other than those subject to the

employer exemption under subsection (6) of this section.

(c) If the day-for-day credit granted under this subsection equals or exceeds the period of time the ignition interlock device restriction is imposed under subsection (1)(c) or (d) of this section arising out of the same incident, and the person has already met the requirements for removal of the device under subsection (4) of this section, the department may waive the requirement that a device be installed or that the person again meet the requirements for removal.

(6) **Employer exemption.** (a) Except as provided in (b) of this subsection, the installation of an ignition interlock device is not necessary on vehicles owned, leased, or rented by a person's employer and on those vehicles whose care and/or maintenance is the temporary responsibility of the employer, and driven at the direction of a person's employer as a requirement of employment during working hours. The person must provide the department with a declaration pursuant to chapter 5.50 RCW from his or her employer stating that the person's employment requires the person to operate a vehicle owned by the employer or other persons during working hours. When the department receives a declaration under this subsection, it shall attach or imprint a notation on the person's driving record stating that the employer exemption applies.

(b) The employer exemption does not apply when the employer's vehicle is assigned exclusively to the restricted driver and used solely for commuting to and from employment.

(c) The employer exemption does not apply to a person who is self-employed unless the person's vehicle is used exclusively for the person's employment.

(7) **Ignition interlock device revolving account.** In addition to any other costs associated with the use of an ignition interlock device imposed on the person restricted under this section, the person shall pay an additional fee of ((~~twenty-one dollars~~)) $21 per month. Payments must be made directly to the ignition interlock company. The company shall remit the additional fee to the department to be deposited into the ignition interlock device revolving account, except that the company may retain ((~~twenty-five~~)) 25 cents per month of the additional fee to cover the expenses associated with administering the fee. The department may waive the monthly fee if the person is indigent under RCW 10.101.010.

(8) **Foreign jurisdiction.** For a person restricted under this section who is residing outside of the state of Washington, the department may accept verification of installation of an ignition interlock device by an ignition interlock company authorized to do business in the jurisdiction in which the person resides, provided the device meets any applicable requirements of that jurisdiction. The department may waive one or more requirements for removal under subsection (4) of this section if compliance with the requirement or requirements would be impractical in the case of a person residing in another jurisdiction, provided the person is in compliance with any equivalent requirement of that jurisdiction. The department may waive the monthly fee required by subsection (7) of this section if collection of the fee would be impractical in the case of a person residing in another jurisdiction.

Sec. 29. RCW 46.20.740 and 2020 c 330 s 11 are each amended to read as follows:

(1) The department shall attach or imprint a notation on the driving record of any person restricted under RCW 46.20.720, 46.61.5055, or 10.05.140 stating that the person may operate only a motor vehicle equipped with a functioning ignition interlock device. The department shall determine the person's eligibility for licensing based upon written verification by a company doing business in the state that it has installed the required device on a vehicle owned or operated by the person seeking reinstatement. If, based upon notification from the interlock provider or otherwise, the department determines that an ignition interlock required under this section is no longer installed or functioning as required, the department shall suspend the person's license or privilege to drive. Whenever the license or driving privilege of any person is suspended or revoked as a result of noncompliance with an ignition interlock requirement, the suspension shall remain in effect until the person provides notice issued by a company doing business in the state that a vehicle owned or operated by the person is equipped with a functioning ignition interlock device.

(2) It is a gross misdemeanor for a person with such a notation on his or her driving record to operate a motor vehicle that is not so equipped, unless the notation resulted from a restriction imposed as a condition of release and the restriction has been released by the court prior to driving. Any time a person is convicted under this section, the court shall immediately notify the department for purposes of RCW 46.20.720(3)(e). It is an affirmative defense, which the defendant must prove by a preponderance of the evidence, that the employer exemption in RCW 46.20.720(6) applies. The court shall not admit evidence of this defense unless the defendant notifies the prosecution prior to the omnibus or pretrial hearing in the case of the defendant's intent to assert the affirmative defense.

(3) Any sentence imposed for a violation of subsection (2) of this section shall be served consecutively with any sentence imposed under RCW 46.20.750, 46.61.502, 46.61.504, or 46.61.5055.

Sec. 30. RCW 46.61.502 and 2022 c 16 s 40 are each amended to read as follows:

(1) A person is guilty of driving while under the influence of intoxicating liquor, cannabis, or any drug if the person drives a vehicle within this state:

(a) And the person has, within two hours after driving, an alcohol concentration of 0.08 or higher as shown by analysis of the person's breath or blood made under RCW 46.61.506; or

(b) The person has, within two hours after driving, a THC concentration of 5.00 or higher as shown by analysis of the person's blood made under RCW 46.61.506; or

(c) While the person is under the influence of or affected by intoxicating liquor, cannabis, or any drug; or

(d) While the person is under the combined influence of or affected by intoxicating liquor, cannabis, and any drug.

The court may consider the offender's pretrial 24/7 sobriety program testing as fulfilling a portion of posttrial sentencing. The offender shall pay the cost of electronic home monitoring. The county or municipality in which the penalty is being imposed shall determine the cost. The court may also require the offender's electronic home monitoring device to include an alcohol detection breathalyzer or other separate alcohol monitoring device, and the court may restrict the amount of alcohol the offender may consume during the time the offender is on electronic home monitoring; and
