*Section 1 was partially vetoed, see message at end of chapter.

Passed the House February 20, 1980.

Passed the Senate February 15, 1980.

Approved by the Governor March 3, 1980, with the exception of a proviso which is vetoed.

Filed in Office of Secretary of State March 3, 1980.

Note: Governor's explanation of partial veto is as follows:

"I am returning herewith without my approval as to one portion House Bill No. 357 entitled:

"AN ACT Relating to higher education;"

The proviso beginning on page 1, line 24 and ending on page 2, line 1 would require that the Open Public Meetings Act apply to any policy recommending bodies, except tenure review committees, authorized by public higher education governing boards, which have student members who represent the interest of students.

While there may be reason to subject all policy recommending bodies in higher education to the Open Public Meetings Act, I cannot agree with singling out only those that have student representatives.

With the exception of the proviso beginning on page 1, line 24 and ending on page 2, line 1, which I have vetoed, the remainder of House Bill No. 357 is approved."
