ARTICLE 5 GIFT RESTRICTIONS

NINETY FOURTH DAY, APRIL 14, 2021

2021 REGULAR SESSION

NEW SECTION. Sec. 1501. UNRESTRICTED GIFTS. Giving a gift to a nonprofit corporation, including a charitable corporation, without a gift instrument transfers complete ownership of the gift to the nonprofit corporation. A restricted gift to a nonprofit corporation is created only by a gift instrument.

NEW SECTION. Sec. 1502. RESTRICTED GIFTS. (1) This section distinguishes between:

(a) Enforceable trusts held by a nonprofit corporation, including a charitable corporation, governed under chapter 11.110 RCW; and

(b) Gift restrictions whose terms may be enforced and are subject to modification under this chapter or other applicable law.

(2) A gift to a nonprofit corporation, including a charitable corporation, does not create a charitable trust unless:

(a) The donor expresses an intent to create a charitable trust; and

(b) The trustee, which may be a charitable corporation, agrees in the form of a record to act as trustee of that trust according to its terms.

(3) Giving a gift to a nonprofit corporation, including a charitable corporation, that is: (a) Accepted by the corporation; (b) not in trust; and (c) subject to material restrictions or requirements contained in a gift instrument transfers complete ownership to the nonprofit corporation. The nonprofit corporation is bound by the material restrictions or requirements contained in the gift instrument.

(4) A nonprofit corporation complies with a term contained in a gift instrument if the nonprofit corporation reasonably complies with all material restrictions or requirements contained in the term, or, when appropriate under the facts and circumstances, seeks modification in accordance with section 1503 of this act.

(5) If the nonprofit corporation fails to comply with any material restriction or requirement contained in a gift instrument and fails to seek a modification in accordance with section 1503 of this act, then the attorney general may bring a proceeding to enforce the terms of the gift instrument.

NEW SECTION. Sec. 1503. MODIFICATION OR RELEASE OF GIFT RESTRICTIONS. (1) A term of a gift instrument that binds a nonprofit corporation may be modified or released, in whole or in part:

(a) If the donor consents in a record;

(b) As set forth in subsection (2) of this section, if the term is unlawful, impracticable, impossible to achieve, or wasteful;

(c) For gift instruments limiting the use of property to one or more charitable purposes, through a binding agreement executed by the nonprofit corporation, the attorney general, and other interested parties, and filed with or approved by the court in accordance with section 1504 of this act;

(d) By approval of the court in accordance with section 1505 of this act; or

(e) As provided by other applicable law including, but not limited to, chapter 24.55 RCW.

(2) If a nonprofit corporation, including a charitable corporation, determines that a restriction contained in a gift instrument on the management, investment, or purpose of a gift is unlawful, impracticable, impossible to achieve, or wasteful, then the nonprofit corporation, sixty days after notification to the attorney general, may modify the restriction, in whole or part, if:

(a) The gift subject to the restriction has a total value consistent with RCW 24.55.045(4)(a) or any successor provision;

(b) More than twenty years have elapsed since the gift was given; and

(c) The nonprofit corporation uses the gift in a manner consistent with any charitable purposes expressed in the gift instrument.

(3) Application of sections 1501 through 1506 of this act to existing gifts:

(a) Before January 1, 2023, sections 1501 through 1506 of this act apply to gifts existing on December 31, 2021, only if the nonprofit corporation's board elects to apply sections 1501 through 1506 of this act to existing gifts before January 1, 2023.

(b) On or after January 1, 2023, sections 1501 through 1506 of this act apply to all gifts.

(c) As applied to gifts existing on December 31, 2021, sections 1501 through 1506 of this act govern only decisions made or actions taken on or after January 1, 2023, except that in the case of a nonprofit corporation that makes the election under (a) of this subsection sections 1501 through 1506 of this act govern decisions made or actions taken on or after the date the nonprofit corporation elects to be covered by sections 1501 through 1506 of this act.

NEW SECTION. Sec. 1504. BINDING AGREEMENT TO MODIFY OR RELEASE RESTRICTIONS. (1) If a gift instrument limits the use of the gift to one or more charitable purposes, and the conditions set forth in subsection (3) or (4) of this section are satisfied, then the gift instrument may be modified by agreement of the nonprofit corporation, the attorney general, and all other interested parties.

(2) For purposes of this section, an "interested party" does not include:

(a) The donor; or

(b) Any member of any charitable class that the gift would benefit, either before or after the modifications to be made by the agreement.

(3) A restriction related to a gift's management or investment may be modified by an agreement described in subsection (1) of this section if:

(a) Because of circumstances not anticipated by the donor, modification will further the charitable purpose of the gift;

(b) Enforcement of the restriction has become impracticable or wasteful; or

(c) Enforcement of the restriction impairs the management or investment of the gift.

(4) A restriction on the use of a gift relating to the gift's charitable purpose, rather than its management or investment, may be modified by an agreement described in subsection (1) of this section if the purpose becomes unlawful, impracticable, impossible to achieve, or wasteful.

(5) An agreement described in subsection (1) of this section must:

(a) Be in writing and executed by all of the parties;

(b) Be binding and conclusive on the nonprofit corporation and all other parties with a beneficial interest in the gift;

(c) Identify the gift instrument and the term or terms of the gift instrument that it modifies;

(d) Describe completely the modifications that it would make;

(e) Set forth the reasons why the modifications would comply with subsection (3) or (4) of this section; and

(f) State changes to the charitable purposes to which the use of the gift is limited, if any, resulting from the modifications.

(6) The nonprofit corporation or its legal representative may file the executed agreement with the court within thirty days of the agreement's execution by all parties. Upon filing of the executed agreement with the court:

(a) The agreement becomes effective and equivalent to a final court order binding on the nonprofit corporation and all other parties with a beneficial interest in the use of the gift, and

(b) The modifications are deemed approved by the court, and have the same effect as if the court ordered them pursuant to section 1505 of this act.

(7) The nonprofit corporation or its legal representative may, as an alternative to the procedure described in subsection (6) of this section, petition the court for a hearing for presentation of an agreement entered under this section to the court within twenty-one days of the agreement's execution by all parties. The nonprofit corporation shall (a) provide notice of the time and date of the hearing to each party to the agreement unless that party has waived notice in the form of a record, and (b) file proof of mailing or delivery of the notice or waiver with the court. At the hearing, the court shall review the agreement on behalf of all the parties. The court shall determine whether the agreement adequately represents and protects the interests of the parties and the public interest, and enter an order declaring its determination. If the court determines that the agreement does not adequately represent and protect those interests, then the agreement is void.

NEW SECTION. Sec. 1505. JUDICIAL MODIFICATION OR RELEASE OF RESTRICTIONS. (1) Upon application by a corporation subject to a restriction related to a gift's management or investment, rather than to its charitable purpose, the court may modify the restriction if:

(a) Because of circumstances not anticipated by the donor, modification will further the charitable purpose of the gift;

(b) Enforcement of the restriction has become impracticable or wasteful; or

(c) Enforcement of the restriction impairs the management or investment of the gift.

(2) Upon application by a corporation subject to a restriction on the use of a gift relating to the charitable purpose of the gift, rather than its management or investment, the court may modify the restriction if the purpose becomes unlawful, impracticable, impossible to achieve, or wasteful.

(3) If the gift instrument provides for a forfeiture or gift-over to an alternative beneficiary, then the court may modify one or more restrictions under the procedure set out in subsection (1) of this section if a management or investment provision fails. The court may not, however, modify any restriction under the procedure set out in subsection (2) of this section to defeat the interest of an alternate beneficiary unless the beneficiary would also be subject to, and unable to perform, the term requiring modification. The alternative beneficiary is entitled to notice and may participate in the determination of whether to grant modification.

(4) Any modification made by the court must, to the extent possible, be made in a manner consistent with the charitable purposes as expressed in the gift instrument.

(5) A nonprofit corporation shall notify the attorney general whenever it seeks to modify a charitable gift restriction under this section and the court shall offer the attorney general an opportunity to be heard.

NEW SECTION. Sec. 1506. CHARITABLE PURPOSE SURVIVES. Modification or release of a gift restriction shall not allow a gift to be used for a purpose other than a charitable purpose.

ARTICLE 6 BOOKS AND RECORDS

NEW SECTION. Sec. 1601. CORPORATE RECORDS. (1) A nonprofit corporation shall keep permanently a copy of the following records:

(a) Minutes of all meetings of its members and of its board of directors;

(b) A record of all actions taken by the members and board of directors by unanimous written consent; and

(5) A nonprofit corporation shall maintain its records in written form or in any other form of a record.

(6) All records required to be maintained by a nonprofit corporation may be maintained at any location within or without this state.

NEW SECTION. Sec. 1602. INSPECTION BY MEMBERS. (1) A member of a nonprofit corporation may inspect and copy, during regular business hours at a reasonable location specified by the corporation, any of the records the corporation is required to maintain under section 1601(2) of this act, if the member delivers to the corporation an executed notice in the form of a record at least five business days before the date on which the member wishes to inspect and copy the records.

(2) Subject to the limitations set forth in subsections (3) and (4) of this section, a member of a nonprofit corporation may inspect and copy, during regular business hours at a reasonable location specified by the corporation, any of the following records of the corporation, if the member delivers to the corporation an executed notice in the form of a record at least five business days before the date on which the member wishes to inspect and copy the records:

(a) Excerpts from those minutes and records required to be maintained under section 1601(1) of this act;

(b) Accounting records of the corporation described in section 1601(3) of this act; and

(c) Subject to section 1607 of this act, the membership list described in section 1601(4) of this act.

(3) A nonprofit corporation may withhold from inspection under this section:

(a) Those portions of records that contain information protected by the attorney-client privilege or related work product;

(b) The address of any member who is known to the corporation to be a participant in the address confidentiality program described in chapter 40.24 RCW or any similar program established by law;

(c) Those portions of records, which, if disclosed, would be reasonably likely to result in harm to the corporation or a third party, such as disciplinary actions involving nondirector members, identities of job applicants, discussions of strategic acquisitions, records that are required to be kept confidential under obligations to a third party, etc.; or

(d) Any information that a nonprofit corporation is required to keep confidential under any other law.

(4) A member may inspect and copy the records described in subsection (2) of this section only if the:

(a) Member's demand is made in good faith and for a proper purpose;

NINETY FOURTH DAY, APRIL 14, 2021

2021 REGULAR SESSION

(b) Member describes with reasonable particularity the purpose and the records the member desires to inspect;

(c) Member agrees in the form of a record to reasonable restrictions required by the board on the use or distribution of the records; and

(d) Records are directly connected with this purpose.

(5) The right of inspection granted by this section may not be abolished or limited by a nonprofit corporation's articles or bylaws.

(6) This section does not affect the:

(a) Right of a member to inspect records as part of discovery in connection with litigation; or

(b) Power of any court of competent jurisdiction, independently of this chapter, to compel the production of corporate records for examination.

NEW SECTION. Sec. 1603. SCOPE OF MEMBER'S INSPECTION RIGHT. (1) A member's agent or attorney has the same inspection and copying rights as the member represented.

(2) The right to copy records under section 1602 of this act includes, if reasonable, the right to receive copies. Copies may be provided through electronic transmission unless the member requests otherwise in the form of a record.

(3) The nonprofit corporation may comply with a member's demand to inspect and copy the list of members under section 1602(2)(c) of this act by providing the member for a reasonable charge as described in subsection (4) of this section with a list of members that was compiled no earlier than the date of the member's demand.

(4) The nonprofit corporation shall provide a copy of its articles and bylaws at no cost to a member on request. The nonprofit corporation may impose a reasonable charge, covering the costs of labor and material, for copies of any other documents provided to the member. The charge may not exceed the estimated cost of production, reproduction, or transmission of the records.

NEW SECTION. Sec. 1604. FINANCIAL STATEMENTS FOR MEMBERS. (1) Except as provided in the articles or bylaws of a nonprofit corporation engaged in religious activity, upon a demand in the form of a record from a member, a corporation shall furnish that member with its latest annual financial statements, which may be consolidated or combined statements of the corporation and one or more of its subsidiaries, as appropriate, that include a balance sheet as of the end of the fiscal year and a statement of operations for the year. If financial statements are prepared for the corporation on the basis of generally accepted accounting principles, then the annual financial statements must also be prepared on that basis.

(2) If the annual financial statements are reported upon by a certified public accountant, then the accountant's report shall accompany them. If not, then the statements must be accompanied by a statement of the president or the person responsible for the nonprofit corporation's accounting records:

(a) Stating the reasonable belief of the president or other person as to whether the statements were prepared on the basis of generally accepted accounting principles and, if not, describing the basis of preparation; and

(b) Describing any respects in which the statements were not prepared on a basis of accounting consistent with the statements prepared for the preceding year.

NEW SECTION. Sec. 1605. COURT-ORDERED INSPECTION. (1) If a nonprofit corporation does not allow a member who complies with section 1602(1) of this act to inspect and copy any records required by that subsection to be available for inspection, then the court may summarily order inspection and

copying of the records demanded at the corporation's expense upon application of the member.

(2) If a nonprofit corporation does not within a reasonable time allow a member to inspect and copy any other record to which the member is entitled under section 1602(2) of this act, then the member who complies with section 1602 (3) and (4) of this act may apply to the court for an order to permit inspection and copying of the records demanded. The court may inspect the records in question *in camera* and determine the extent of required disclosure, if any, in light of section 1602 of this act. In making that determination, the court shall consider the probability and extent of potential harm to the corporation or any third party that may result from inspection, and the probability and extent of benefit to the corporation or the member.

(3) If the court orders inspection and copying of the records demanded, then it shall also order the nonprofit corporation to pay the member's costs, including reasonable attorneys' fees, incurred to obtain the order, unless the corporation proves that it refused inspection in good faith because it had a reasonable basis for doubt about the right of the member to inspect the records demanded. If the court denies the majority of the request for inspection and copying, it may order the member to pay part or all of the nonprofit corporation's costs, including reasonable attorneys' fees.

(4) If the court orders inspection and copying of the records demanded, then it may impose reasonable restrictions on the use or distribution of the records by the demanding member.

NEW SECTION. Sec. 1606. INSPECTION BY DIRECTORS. (1) A director of a nonprofit corporation may inspect and copy the books, records, and documents of the corporation at any reasonable time to the extent reasonably related to the performance of the director's duties as a director, including duties as a member of a committee, but not for any other purpose or in any manner that would violate any duty to the corporation or law other than this chapter.

(2) The court may order inspection and copying of the books, records, and documents at the corporation's expense, upon application of a director who has been refused the inspection rights set out in subsection (1) of this section, unless the corporation establishes that the director is not entitled to those inspection rights.

(3) If an order is issued, then the court may include provisions protecting the nonprofit corporation from undue burden or expense, and prohibiting the director from using information obtained upon exercise of the inspection rights in a manner that would violate a duty to the corporation, and may also order the corporation to reimburse the director for the director's costs, including reasonable attorneys' fees, incurred in connection with the application.

NEW SECTION. Sec. 1607. USE OF MEMBERSHIP LIST. (1) Without the consent of the board, a membership list or any part thereof may not be obtained or used by any person for any purpose unrelated to a member's interest as a member. Without limiting the generality of the foregoing, without the consent of the board, a membership list or any part thereof may not be:

(a) Used to solicit cash or other property unless the cash or other property will be used solely to solicit the votes of the members in an election to be held by the nonprofit corporation;

(b) Used for any commercial purpose; or

(c) Sold to or purchased by any person.

(2) Instead of making a membership list available for inspection and copying under sections 1601 through 1607 of this act, a nonprofit corporation may elect to proceed under the procedures set forth in section 2304(6) of this act.

ARTICLE 7**PUBLIC BENEFIT CORPORATIONS**

(2) A temporary designation as a public benefit nonprofit corporation may be provided to a corporation that has applied to the internal revenue service for recognition of its status as an organization described in section 501(c)(3) of the Internal Revenue Code. The temporary designation is valid for up to one year and may be renewed at the discretion of the secretary of state.

(3) Designation of a corporation as a public benefit nonprofit corporation does not alter the applicability to the corporation of any other provision of this chapter.

NEW SECTION. Sec. 1702. APPLICATION AND RENEWAL. (1) The secretary of state shall develop an application process for new and existing corporations to apply for public benefit nonprofit corporation status.

(2) Public benefit nonprofit corporation status must be renewed annually. The secretary of state may schedule renewals in conjunction with the corporation's annual report.

NEW SECTION. Sec. 1703. REMOVAL OF STATUS. (1) If a registered foreign nonprofit corporation merges into a nonregistered foreign entity or converts to a different type of foreign entity required to register to do business in this state, the foreign entity shall deliver to the secretary of state for filing an application for transfer of registration under RCW 23.95.545.

(2) If a registered foreign nonprofit corporation is a party to a statutory merger permitted by the laws of the jurisdiction where it is incorporated, and the corporation is the surviving corporation, it is not necessary for the corporation to register to do business or to amend its registration unless the corporation's name is changed.

NEW SECTION. Sec. 1810. TERMINATION OF REGISTRATION. The secretary of state may terminate the registration of a registered foreign nonprofit corporation under RCW 23.95.550:

(1) For any reason set forth in RCW 23.95.550(1);

(2) If the secretary of state receives a duly authenticated certificate from the secretary of state or other official having custody of corporate records in the state or country under whose

law the foreign corporation is incorporated stating that it has been dissolved or did not survive a merger; or

(3) If the corporation has continued to exceed or abuse the authority conferred upon it by this chapter.

NEW SECTION. Sec. 1811. JUDICIAL REVIEW OF TERMINATION. (1) A foreign nonprofit corporation may appeal the secretary of state's termination of its registration to the superior court of Thurston county within ninety days after service of the statement of termination is perfected. The foreign nonprofit corporation shall appeal by petitioning the court to set aside the termination and attaching to the petition copies of its statement of registration and the secretary of state's statement of termination.

(2) The court may summarily order the secretary of state to reinstate the registration or may take any other action the court considers appropriate.

(3) The court's final decision may be appealed as in other civil proceedings.

GOVERNANCE
ARTICLE 1**

MEMBERS AND MEMBERSHIPS

NEW SECTION. Sec. 2101. MEMBERS. (1) A nonprofit corporation may have one or more classes of members or may have no members.

(2) For corporations formed on or after January 1, 2022, notwithstanding anything to the contrary in the bylaws, where the articles of a nonprofit corporation do not provide that it has members, the nonprofit corporation does not have members.

(3) For organizations formed before January 1, 2022, where the articles of a nonprofit corporation do not provide that it has members, the corporation has members only if the bylaws:

(a) Provide that the corporation has members; and

(b) Provide that members of at least one class have the right to select or vote for the election of directors or delegates or to vote on at least one type of fundamental transaction.

(4) Where a nonprofit corporation does not have members under this section, or where a corporation has no members entitled to vote on a given matter, any provision of this chapter or any other provision of law requiring notice to, the presence of, or the vote, consent, or other action by members in connection with that matter is satisfied by notice to, the presence of, or the vote, consent, or other action by the board.

NEW SECTION. Sec. 2102. SCOPE OF MEMBERSHIP. A person is not a member of a nonprofit corporation for purposes of any provision of this chapter unless the person meets the definition of "member" in section 1102 of this act, regardless of whether the corporation refers to or designates the person as a member.

NEW SECTION. Sec. 2103. ADMISSION OF MEMBERS. (1) The articles or bylaws of a membership corporation may establish criteria or procedures for admission of members.

(2) A person may not be admitted as a member without the person's consent. Consent may be express or implied and need not be in the form of a record.

(3) If a membership corporation provides certificates of membership to the members, then the certificates shall not be registered or transferable except as provided in the articles or bylaws or by resolution of the board.

NEW SECTION. Sec. 2104. CONSIDERATION FOR ADMISSION. Except as provided in its articles or bylaws, a membership corporation may admit members for no consideration or for consideration determined by the board, which may take any form, including promissory notes, intangible property, or past or future services. Payment of the consideration

may be made at those times and upon those terms as are set forth in or authorized by the articles, bylaws, or a resolution of the board.

NEW SECTION. Sec. 2105. CAPITAL CONTRIBUTIONS. (1) A membership corporation that is not a charitable corporation may provide in its articles or bylaws that members, upon or after admission, shall make capital contributions. Except as provided in the articles or bylaws, the board shall fix the amount. The requirement of a capital contribution may apply to all members, or to the members of a single class, or to members of different classes in different amounts or proportions.

(2) The adoption or amendment of a capital contribution requirement, whether or not approved by the members, shall not apply to, or be an obligation of, a member who did not vote in favor of the adoption or amendment until thirty days after the member has been given notice of the adoption or amendment.

NEW SECTION. Sec. 2106. RIGHTS AND OBLIGATIONS. (1) The members of a membership corporation have only those rights, privileges, powers, or obligations specifically given or assigned to members in the articles, the bylaws, or section 2313 of this act.

(2) A member shall not have the right to vote on any matter unless the articles, the bylaws, or section 2313(1) of this act provides expressly that the class of members to which that member belongs has the right to vote on that particular matter.

NEW SECTION. Sec. 2107. DIFFERENCES IN RIGHTS AND OBLIGATIONS. (1) Except as provided in the articles or bylaws, each member of a membership corporation has the same rights and obligations as every other member with respect to voting, dissolution, membership transfer, and other matters.

(2) If the corporation has one or more classes of members, then the designation of the class or classes, the articles, or the bylaws shall set forth the manner of election or appointment and the qualifications and rights of the members of each class.

NEW SECTION. Sec. 2108. TRANSFERS OF MEMBERSHIP. (1) Except as provided in the articles or bylaws or by resolution of the board, a member of a membership corporation may not transfer a membership or any right arising therefrom.

(2) Where the right to transfer a membership has been provided, a restriction on that right shall not be binding with respect to a member holding a membership issued before the adoption of the restriction unless the affected member consents to the restriction in the form of a record.

NEW SECTION. Sec. 2109. MEMBER'S LIABILITY FOR CORPORATE OBLIGATIONS. A member of a membership corporation is not personally liable for the acts, debts, liabilities, or obligations of the corporation.

NEW SECTION. Sec. 2110. MEMBER'S LIABILITY FOR DUES, FEES, AND ASSESSMENTS. (1) A membership corporation may levy dues, assessments, and fees on its members to the extent authorized in the articles or bylaws. Particular dues, assessments, and fees may be imposed in the articles or bylaws or by resolution of the board, subject to any membership approval required under section 3112(1) of this act, on members of the same class either alike or in different amounts or proportions, and may be imposed on a different basis on different classes of members. Members of a class may be made exempt from dues, assessments, and fees to the extent provided in the articles or bylaws or by resolution of the board.

(2) The amount and method of collection of dues, assessments, and fees may be fixed in the articles or bylaws, or the articles or bylaws may authorize the board or members to fix the amount and

method of collection, with or without approval of the class or classes of members affected.

(3) The articles or bylaws may provide reasonable means, such as termination and reinstatement of membership, to enforce the collection of dues, assessments, and fees.

NEW SECTION. Sec. 2111. CREDITOR'S ACTION AGAINST MEMBER. (1) A proceeding may not be brought by a creditor of a membership corporation to reach the liability, if any, of a member to the corporation unless final judgment has been rendered in favor of the creditor against the corporation and execution has been returned unsatisfied in whole or in part.

(2) All creditors of a membership corporation, with or without reducing their claims to judgment, may intervene in any creditor's proceeding brought under subsection (1) of this section to reach and apply unpaid amounts due the corporation. Any or all members who owe amounts to the corporation may be joined in the proceeding.

NEW SECTION. Sec. 2112. RESIGNATION OF MEMBER. (1) A member of a membership corporation may resign at any time.

(2) The resignation of a member does not relieve the member from any obligations incurred or commitments made before resignation.

NEW SECTION. Sec. 2113. TERMINATION AND SUSPENSION OF MEMBER. (1) A membership in a membership corporation may be terminated or suspended for the reasons and in the manner provided in the articles or bylaws.

(2) A membership in a membership corporation may also be terminated, regardless of the procedure set forth in the articles or bylaws, if:

(a) The corporation has had no contact from the member for at least three years; and

(b) Either:

(i) The member fails to respond within ninety days to a request from the corporation to update the member's contact information that includes a statement that failure to respond could result in termination of membership, delivered to that member by means reasonably likely to reach that member; or

(ii) A request from the corporation to update the member's contact information that includes a statement that failure to respond could result in termination of membership, sent to that member by first-class forwardable mail, with postage prepaid, is returned as undeliverable; or

(iii) If members, or a class of members, are not identified individually on the records of the corporation, a request from the corporation for members to provide contact information that includes a statement that failure to respond could result in termination of membership is published once a week for six consecutive weeks in a newspaper of general circulation in the county in which the corporation's principal office is located.

(3) Unless otherwise provided in the articles or bylaws, if the articles or bylaws allow the board or any other body to admit members, the affirmative vote of two-thirds of that body may terminate a member.

(4) Irrespective of anything to the contrary in the articles or bylaws, in any proceeding involving a corporation or upon application from the corporation, the court may order termination of a member of the corporation in the best interests of the corporation.

(5) A proceeding challenging a termination or suspension for any reason must be commenced within one year after the effective date of the termination or suspension.

(6) The termination or suspension of a member does not relieve the member from any obligations incurred or commitments made before the termination or suspension.

NEW SECTION. Sec. 2114. REPURCHASE OF MEMBERSHIPS. A membership corporation that is not a charitable corporation may repurchase any of its memberships or any right arising therefrom only if it is so provided in the articles or bylaws. A membership corporation that is a charitable corporation may not repurchase any of its memberships or any right arising therefrom.

ARTICLE 2 DELEGATES

NEW SECTION. Sec. 2201. DELEGATES. (1) A membership corporation may provide in its articles or bylaws for delegates.

(2) The articles or bylaws may set forth provisions relating to:

(a) The characteristics, qualifications, rights, limitations, and obligations of delegates including their selection and removal;

(b) Calling, noticing, holding, and conducting meetings of delegates; and

(c) Carrying on activities during and between meetings of delegates.

(3) If the articles or bylaws provide for delegates, then, unless otherwise provided in the articles or bylaws:

(a) The power to appoint, remove, or modify any provision of the articles or bylaws governing the appointment or removal of delegates is reserved to the members.

(b) All other powers of members including, but not limited to, the right to vote on other amendments to articles or bylaws, may be exercised by delegates.

ARTICLE 3 MEMBERSHIP MEETINGS AND VOTING

NEW SECTION. Sec. 2301. ANNUAL AND REGULAR MEETINGS. (1) A membership corporation shall hold an annual meeting of members once during each fiscal year at a time stated in or fixed in accordance with the articles or bylaws.

(2) A membership corporation may hold regular meetings on a regional or other basis at times stated in or fixed in accordance with the articles or bylaws.

(3) Except as provided in subsection (5) of this section, annual and regular meetings of the members may be held in or out of this state at the place stated in or fixed in accordance with the articles or bylaws. If no place is stated in or fixed in accordance with the articles or bylaws, then annual and regular meetings shall be held at the membership corporation's principal office.

(4) The failure to hold an annual or regular meeting at the time stated in or fixed in accordance with the articles or bylaws does not affect the validity of any corporate action.

(5) The articles or bylaws may provide that an annual or regular meeting of members may be held in a specified location and, if so provided under the articles or bylaws, through one or more means of remote communication through which members not physically present may participate in the meeting substantially concurrently, vote on matters submitted to the members, pose questions, and make comments. For any meeting at which one or more members may participate by means of remote communication, the corporation shall deliver notice of the meeting to each member by a means which the member has authorized and provide complete instructions for participating in the meeting by remote communication.

NEW SECTION. Sec. 2302. SPECIAL MEETINGS. (1) A membership corporation shall hold a special meeting of members:

(a) At the call of its board of directors, the president, or the persons authorized to do so by the articles or bylaws; or

(b) Upon the execution and delivery to the corporation of one or more demands for a special meeting, in the form of a record, describing the purpose for which the meeting is to be held, by either:

NINETY FOURTH DAY, APRIL 14, 2021

2021 REGULAR SESSION

(i) The number or proportion of members entitled under the articles or bylaws to call a meeting on the subject matter proposed to be considered at the proposed special meeting, which shall not represent more than twenty-five percent of all the votes entitled to be cast on that subject matter; or

(ii) In the absence of a provision fixing the number or proportion of members entitled to call a meeting, the number or proportion of members representing five percent of all the votes entitled to be cast on the subject matter proposed to be considered at the proposed special meeting.

(2) Unless otherwise provided in the articles or bylaws, a demand for a special meeting may be revoked by notice to that effect received by the membership corporation from the members calling the meeting before the receipt by the corporation of demands sufficient in number to require the holding of a special meeting.

(3) If not otherwise fixed under section 2303 or 2307 of this act, the record date for determining members entitled to demand a special meeting is the date the first member executes a demand.

(4) Only business within the purpose or purposes described in the meeting notice required by section 2305(3) of this act may be conducted at a special meeting of the members.

(5) Except as provided in subsection (6) of this section, special meetings of the members may be held in or out of this state at the place stated in or fixed in accordance with the articles or bylaws. If no place is stated or fixed in accordance with the articles or bylaws, then special meetings shall be held at the corporation's principal office.

(6) The articles or bylaws may provide that a special meeting of members be held at a specified location and, unless otherwise provided under the articles or bylaws, through means of remote communication through which members not physically present may participate in the meeting substantially concurrently, vote on matters submitted to the members, pose questions, and make comments. Notice of meetings at which one or more members may participate by means of remote communication must be delivered by a means which the member has authorized and provide complete instructions for participating in the meeting from a remote location.

NEW SECTION. Sec. 2303. COURT-ORDERED MEETING. (1) The court may summarily order a meeting to be held:

(a) On application of any member entitled to participate in an annual or regular meeting if an annual meeting was not held within eighteen months after the last annual meeting; or

(b) On application of a member who executed a demand for a special meeting under section 2302 of this act that was executed by a sufficient number of members to call a meeting, if:

(i) Notice of the special meeting was not given within thirty days after the date the demand was delivered to the corporation's secretary; or

(ii) The special meeting was not held in accordance with the notice.

(2) The court may fix the time and place of a court-ordered meeting, determine the members entitled to participate in the meeting, specify a record date for determining members entitled to notice of and to vote at the meeting, prescribe the form and content of the meeting notice, fix the quorum required for specific matters to be considered at the meeting or direct that the votes represented at the meeting constitute a quorum for action on those matters, and enter other orders necessary to accomplish the purpose or purposes of the court-ordered meeting.

NEW SECTION. Sec. 2304. LIST OF MEMBERS FOR MEETING. (1) After fixing a record date for a meeting, a membership corporation shall prepare an alphabetical list of the

names of all its members who are entitled to notice of that meeting of the members. The list of members shall show the address of and number of votes each member is entitled to cast at the meeting, except that the address of any member who is known to the corporation to be a participant in the address confidentiality program described in chapter 40.24 RCW or any similar law may be omitted.

(2) The list of members must be available for inspection by any member, beginning two business days after notice of the meeting is given for which the list was prepared and continuing through the meeting, at the membership corporation's principal office or at a place identified in the meeting notice in the city where the meeting will be held. A member or the member's agent, on demand in the form of a record, may inspect and, subject to the requirements of section 1602(4) of this act, copy the list, during regular business hours and at the member's expense, during the period it is available for inspection.

(3) The membership corporation shall make the list of members available at the meeting, and a member or the member's agent may inspect the list at any time during the meeting or any adjournment.

(4) If a membership corporation refuses to allow a member or the member's agent to inspect the list of members before or at the meeting or copy the list as permitted by subsection (2) of this section, then the court, on application of the member, may:

(a) Summarily order the inspection or copying at the corporation's expense;

(b) Postpone the meeting for which the list was prepared until the inspection or copying is complete;

(c) Order the corporation to pay the member's costs including reasonable attorneys' fees incurred to obtain the order; and

(d) Order other appropriate relief.

(5) Refusal or failure to prepare or make available the list of members does not affect the validity of action taken at the meeting.

(6) Instead of making the list of members available as provided in subsection (2) of this section, a membership corporation may state in a notice of meeting that the corporation has elected to proceed under this subsection. A member of a corporation that has elected to proceed under this subsection shall state in the member's demand for inspection a proper purpose for inspection. Within ten business days after receiving a demand under this subsection, the corporation shall deliver to the member making the demand an offer of a reasonable alternative method of achieving the purpose identified in the demand without providing access to or a copy of the list of members. An alternative method that reasonably and in a timely manner accomplishes the proper purpose set forth in the demand relieves the corporation from making the list of members available under subsection (4)(b) of this section, unless within a reasonable time after acceptance of the offer the corporation fails to do the things it offered to do. Any rejection of the corporation's offer must be in the form of a record and indicate the reasons the alternative proposed by the corporation does not meet the proper purpose of the demand.

NEW SECTION. Sec. 2305. NOTICE OF MEMBERSHIP MEETING. (1) A membership corporation shall give notice to the members of the date, time, and place of each annual, regular, or special meeting of the members. Except as provided under subsection (6) of this section, the notice must be given in the form of a record no fewer than ten nor more than sixty days before the meeting date. Except as provided in this chapter, the articles, or the bylaws, the corporation is only required to give notice to members entitled to vote at the meeting.

(2) Unless this chapter, the articles, or the bylaws require otherwise, notice of an annual or regular meeting need not include a description of the purpose for which the meeting is called.

(3) Notice of a special meeting shall include a description of the purpose for which the meeting is called.

(4) If not otherwise fixed under section 2303 or 2307 of this act, the record date for determining members entitled to notice of and to vote at an annual or special meeting of the members is the day before the first notice is given to members.

(5) Unless the articles or bylaws require otherwise, if an annual, regular, or special meeting of the members is adjourned to a different date, time, or place, notice need not be given of the new date, time, or place if the new date, time, or place is announced at the meeting before adjournment. If a new record date for the adjourned meeting is or is required to be fixed under section 2307 of this act, then the corporation shall give notice of the adjourned meeting to the members entitled to vote on the new record date.

(6) Notice of regular meetings other than the annual meeting may be made by providing each member with the adopted schedule of regular meetings for the ensuing year in the form of a record at any time after the annual meeting and ten days before the next succeeding regular meeting and at any time requested by a member or by any other notice prescribed by the bylaws.

(7) Whenever notice would otherwise be required to be given under any provision of this chapter to a member, the notice need not be given if notice of two consecutive annual meetings, and all notices of meetings during the period between those two consecutive annual meetings, have been returned undeliverable or could not be delivered. If a member delivers to the nonprofit corporation a notice setting forth the member's then current address, then the requirement that notice be given to that member is reinstated.

NEW SECTION. Sec. 2306. WAIVER OF NOTICE. (1) A member may waive any notice required by this chapter, the articles, or the bylaws no more than sixty days before or sixty days after the date and time stated in the notice or of the meeting or action. The waiver must be in the form of a record, be executed by the member entitled to the notice, and be delivered to the membership corporation for inclusion in the minutes or filing with the corporate records.

(2) The attendance of a member at a meeting:

(a) Waives objection to lack of notice or defective notice of the meeting, unless the member at the beginning of the meeting or immediately upon arrival at the meeting objects to holding the meeting or transacting business at the meeting; and

(b) Waives objection to consideration of a particular matter at the meeting that is not within the purpose described in the meeting notice, unless the member objects at the meeting to considering the matter.

NEW SECTION. Sec. 2307. RECORD DATE. (1) The articles or bylaws may fix or provide the manner of fixing the record date to determine the members entitled to notice of a meeting of the members, to demand a special meeting, to vote, or to take any other action. If the articles or bylaws do not fix or provide for fixing a record date, then the board of the membership corporation may fix a future date as the record date.

(2) A record date fixed under this section may not be more than seventy days before the meeting or action requiring a determination of members.

(3) A determination of members entitled to notice of or to vote at a meeting of the members is effective for any adjournment of the meeting unless the board fixes a new record date, which it shall do if the meeting is adjourned to a date more than one hundred twenty days after the date fixed for the original meeting.

(4) If the court orders a meeting adjourned to a date more than one hundred twenty days after the date fixed for the original

meeting, then it may provide that the original record date continues in effect or it may fix a new record date.

NEW SECTION. Sec. 2308. CONDUCT OF MEETING. (1) At each meeting of members, an individual shall preside as chair. The chair is appointed and may be removed:

(a) As provided in the articles or bylaws;

(b) In the absence of a provision in the articles or bylaws, by the board; or

(c) In the absence of both a provision in the articles or bylaws and an appointment by the board, by the members at the meeting.

(2) Except as provided in the articles or bylaws or by resolution of the board, the chair determines the order of business and has the authority to establish rules for the order and conduct of the meeting.

(3) Any rules established for the order and conduct of the meeting pursuant to subsection (2) of this section must be fair to the members.

(4) Except as provided in the articles or bylaws or by resolution of the board:

(a) The chair of the meeting shall announce at the meeting when the polls close for each matter voted upon.

(b) If no announcement is made, then the polls are deemed to have closed upon the final adjournment of the meeting.

(c) After the polls close, no ballots, proxies, or votes, nor any otherwise permissible revocations or changes thereto may be accepted.

NEW SECTION. Sec. 2309. PROXIES. (1) Except as provided in the articles or bylaws, a member may not vote by proxy.

(2) If the articles or bylaws allow members to vote by proxy, then the following procedure applies unless the articles or bylaws provide otherwise:

(a) A member or the member's agent or attorney-in-fact may appoint a proxy to vote or otherwise act for the member by executing an appointment form in the form of a record. An appointment form must contain or be accompanied by information from which it can be determined that the member or the member's agent or attorney-in-fact authorized the appointment of the proxy.

(b) An appointment of a proxy is effective when an executed appointment in the form of a record is received by the inspectors of election, the officer or agent of the membership corporation authorized to tabulate votes, or the secretary. An appointment is valid for eleven months unless a shorter or longer period is expressly provided in the appointment form.

(c) The death or incapacity of the member appointing a proxy does not affect the right of the membership corporation to accept the proxy's authority unless notice of the death or incapacity is received by the inspectors of election, the officer or agent authorized to tabulate votes, or the secretary before the proxy exercises his or her authority under the appointment.

(d) A membership corporation may accept the proxy's vote or other action as that of the member making the appointment, subject to section 2314 of this act and to any express limitation on the proxy's authority stated in the appointment form.

(e) A proxy may be revoked by a member by delivering notice in the form of a record to the corporation before the corporation has relied upon the proxy.

NEW SECTION. Sec. 2310. VOTING ENTITLEMENT OF MEMBERS. Except as provided in the articles or bylaws, each member is entitled to one vote on each matter on which the articles or bylaws entitle the members of the class of members to which the member belongs to vote.

NEW SECTION. Sec. 2311. MEMBERSHIP QUORUM AND VOTING REQUIREMENTS. (1) Members may take action at a meeting on matters with respect to which all of the

NINETY FOURTH DAY, APRIL 14, 2021

2021 REGULAR SESSION

members are entitled to vote only if a quorum of the members is present. Except as provided in the articles or the bylaws, ten percent of the votes entitled to be cast at a meeting of the members constitutes a quorum with respect to those matters.

(2) Members entitled to vote as a separate voting group may take action on a matter at a meeting only if a quorum of those members is present with respect to that matter. Except as provided in the articles or bylaws, ten percent of the votes entitled to be cast on the matter by the voting group constitutes a quorum of that voting group for action on that matter.

(3) Once a member is represented for any purpose at a meeting, the member is deemed present for quorum purposes for the remainder of the meeting and for any adjournment of that meeting unless a new record date is or is required to be set for that adjourned meeting.

(4) If a quorum is present, then action on a matter other than the election of directors by a voting group is approved if the votes cast within the voting group favoring the action exceed the votes cast opposing the action, unless the articles, bylaws, or applicable law require a greater number of affirmative votes.

(5) An amendment of the articles or bylaws adding, changing, or deleting a quorum or voting requirement for a voting group greater than specified in subsection (2) or (4) of this section is governed by section 2312 of this act.

(6) If a meeting cannot be organized because a quorum of members entitled to vote is not present, then those members present may adjourn the meeting to such a time and place as they may determine. When a meeting that has been adjourned for lack of a quorum is reconvened, those members present, although less than a quorum as fixed in this section, the articles, or the bylaws, nonetheless constitute a quorum, if notice of the time and place of the reconvened meeting is provided by electronic transmission or in person to the members entitled to vote at least twenty-four hours before the reconvened meeting, or by other methods pursuant to the requirements and procedures set forth in section 2305 of this act. The articles or the bylaws may, however, permit the reconvening of a meeting without notice, by means of a provision that makes explicit reference to elimination of the notice requirement that would otherwise apply under this section.

(7) The election of directors is governed by section 2313 of this act.

NEW SECTION. Sec. 2312. DIFFERING QUORUM AND VOTING REQUIREMENTS. (1) The articles or bylaws may provide for a higher or lower quorum or higher voting requirement for members or voting groups of members than is provided for by this chapter, either generally or with respect to specific matters.

(2) An amendment to the articles or bylaws that adds, changes, or deletes a greater quorum or voting requirement must meet the same quorum requirement and be adopted by the same vote and voting groups required to take action under the quorum and voting requirements then in effect.

NEW SECTION. Sec. 2313. VOTING FOR DIRECTORS. (1) Except as provided in the articles or bylaws, directors of a membership corporation are elected by a plurality of the votes cast by the members entitled to vote in the election at a meeting at which a quorum is present.

(2) Except as provided in the articles or bylaws, or under subsection (3) of this section, members do not have a right to cumulate their votes for directors.

(3) Members of a nonprofit corporation who were entitled to cumulate their votes for the election of directors on the effective date of this chapter continue to be entitled to cumulate their votes for the election of directors until otherwise provided in the articles or bylaws of the corporation.

NEW SECTION. Sec. 2314. ACCEPTANCE OF BALLOTS, CONSENTS, WAIVERS, OR PROXIES. (1) If the name signed on a ballot, consent, waiver, or proxy appointment corresponds to the name of a member, then the membership corporation if acting in good faith may accept the ballot, consent, waiver, or proxy appointment and give it effect as the act of the member.

(2) If the name signed on a ballot, consent, waiver, or proxy appointment does not correspond to the name of its member, then the membership corporation if acting in good faith is nevertheless entitled to accept the ballot, consent, waiver, or proxy appointment and give it effect as the act of the member if:

(a) The member is an entity and the name signed purports to be that of an officer or agent of the entity;

(b) The name signed purports to be that of an administrator, executor, guardian, or conservator representing the member and, if the corporation requests, evidence of fiduciary status acceptable to the corporation has been presented with respect to the ballot, consent, waiver, or proxy appointment;

(c) The name signed purports to be that of a receiver or trustee in bankruptcy of the member and, if the corporation requests, evidence of this status acceptable to the corporation has been presented with respect to the ballot, consent, waiver, or proxy appointment;

(d) The name signed purports to be that of a beneficial owner or attorney-in-fact of the member and, if the corporation requests, evidence acceptable to the corporation of the signatory's authority to sign for the member has been presented with respect to the ballot, consent, waiver, or proxy appointment; and

(e) Two or more persons are the member as cotenants or fiduciaries and the name signed purports to be the name of at least one of the co-owners and the person signing appears to be acting on behalf of all the co-owners.

(3) The membership corporation may reject a ballot, consent, waiver, or proxy appointment if the secretary or other officer or agent authorized to tabulate votes, acting in good faith, has reasonable basis for doubt about the validity of the signature on it or about the signatory's authority to sign for the member.

(4) The membership corporation and its officer or agent who accepts or rejects a ballot, consent, waiver, or proxy appointment in good faith and in accordance with the standards of this section or section 2309(2) of this act are not liable in damages to the member for the consequences of the acceptance or rejection.

(5) Corporate action based on the acceptance or rejection of a ballot, consent, waiver, or proxy appointment under this section is valid unless the court determines otherwise.

NEW SECTION. Sec. 2315. INSPECTORS OF ELECTION. (1) A membership corporation may appoint one or more inspectors to act at a meeting of members and make a report in the form of a record of the inspectors' determinations. Each inspector shall execute the duties of inspector impartially and according to the best of the inspector's ability.

(2) The inspectors must:

(a) Ascertain the number of members and delegates, and their voting power;

(b) Determine the members and delegates present at a meeting;

(c) Determine the validity of proxies and ballots;

(d) Count all votes; and

(e) Determine the result.

(3) An inspector may, but need not, be a director, member, officer, or employee of the membership corporation. A person who is a candidate for office to be filled at the meeting may not be an inspector.

NEW SECTION. Sec. 2316. ACTION BY VOTING GROUPS. (1) If this chapter, the articles, or the bylaws provide

for voting by a single voting group on a matter, then action on that matter is taken when voted upon by that voting group as provided in section 2311 or 2318 of this act.

(2) If this chapter, the articles, or the bylaws provide for voting by two or more voting groups on a matter, then action on that matter is taken only when voted upon by each of those voting groups counted separately as provided in section 2311 or 2318 of this act.

NEW SECTION. Sec. 2317. VOTING AGREEMENTS.

(1) If the articles or bylaws allow voting agreements, then two or more members may provide for the manner in which they will vote by executing an agreement in the form of a record for that purpose, to the extent allowed under the articles or bylaws.

(2) A voting agreement is specifically enforceable if:

(a) The voting agreement is allowed under the articles or bylaws; or

(b) The effective date of the voting agreement is before the effective date of this section.

(3) Notwithstanding subsection (2) of this section, no voting agreement is enforceable to the extent that enforcement of the agreement would violate the purposes of the membership corporation.

NEW SECTION. Sec. 2318. ACTION WITHOUT MEETING BY UNANIMOUS WRITTEN CONSENT.

(1) Except as provided in the articles or bylaws, action required or permitted by this chapter to be taken at a meeting of the members may be taken without a meeting if the action is taken by all the members entitled to vote on the action. The action must be evidenced by one or more consents in the form of a record bearing the date of execution and describing the action taken, executed by all the members entitled to vote on the action, and delivered to the membership corporation for inclusion in the minutes or filing with the corporate records.

(2) If not otherwise fixed under section 2303 or 2307 of this act, the record date for determining members entitled to take action without a meeting is the date the first member executes the consent under subsection (1) of this section. A consent shall not be effective to take the corporate action referred to therein unless, within sixty days after the earliest date appearing on a consent delivered to the membership corporation in the manner required by this section, consents executed by all members entitled to vote on the action are received by the corporation. A consent may be revoked by an executed notice in the form of a record to that effect received by the corporation before receipt by the corporation of unrevoked consents sufficient in number to take corporate action.

(3) A consent executed under this section has the same force and effect as a unanimous vote at a meeting duly called and held, and may be described as such.

(4) If this chapter, the articles, or the bylaws require that prior notice of any proposed action be given to members not entitled to vote on the action and the action is to be taken by consent of the members entitled to vote, then the membership corporation shall deliver to the members not entitled to vote notice of the proposed action at least ten days before taking the action by consent. The notice must contain or be accompanied by the same material that would have been required to be delivered to members not entitled to vote in a notice of meeting at which the proposed action would have been submitted to the members for action.

NEW SECTION. Sec. 2319. ACTION WITHOUT MEETING BY BALLOT.

(1) Except as otherwise restricted by the articles or bylaws, any action that may be taken at any annual, regular, or special meeting of members may be taken without a meeting if the membership corporation delivers a ballot to every member entitled to vote on the matter.

(2) A ballot must:

(a) Be in the form of a record;

(b) Set forth each proposed action;

(c) Provide an opportunity to vote, or withhold a vote, separately for each candidate for a director position; and

(d) Provide an opportunity to vote for or against each other proposed action.

(3) Approval by ballot pursuant to this section of action other than election of directors is valid only when the number of ballots returned equals or exceeds the quorum required to be present at a meeting authorizing the action, and the number of approvals equals or exceeds the number of votes that would be required to approve the matter at a meeting at which the total number of votes cast was the same as the number of votes cast by ballot.

(4) All requests for votes by ballot must:

(a) Indicate the number of responses needed to meet the quorum requirements;

(b) State the percentage of approvals necessary to approve each matter other than election of directors; and

(c) Specify the time by which a ballot must be received by the membership corporation to be counted, which shall not be less than ten days after the ballot is delivered to the member.

(5) Except as provided in the articles or bylaws, a ballot may not be revoked.

NEW SECTION. Sec. 2320. PROCEDURE FOR REMOTE MEETINGS.

When provided for in the articles or bylaws, meetings of the members held by remote communication must follow the provisions of sections 2301 through 2319 of this act to the greatest practicable extent.

ARTICLE 4

BOARD OF DIRECTORS

NEW SECTION. Sec. 2401. BOARD OF DIRECTORS—AUTHORITY. (1) A nonprofit corporation shall have a board of directors.

(2) All corporate powers shall be exercised by or under the authority of the board of directors, and the activities and affairs of the corporation shall be managed by or under the direction, and subject to the oversight, of the board of directors, subject only to any powers expressly reserved to the corporation's membership or other persons in the articles or bylaws.

NEW SECTION. Sec. 2402. STANDARDS OF CONDUCT FOR DIRECTORS. (1) Each director, when discharging the duties of a director, shall act:

(a) In good faith;

(b) With the care an ordinarily prudent person in a like position would exercise under similar circumstances; and

(c) In a manner the director reasonably believes to be in the best interests of the nonprofit corporation.

(2) In discharging board or committee duties a director shall disclose, or cause to be disclosed, to the other board or committee members information not already known by them but known by the director to be material to the discharge of their decision-making or oversight functions, except that disclosure is not required to the extent that the director reasonably believes that doing so would violate a duty imposed by law, a legally enforceable obligation of confidentiality, or a professional ethics rule.

(3) In discharging the duties of a director, a director may rely on information, opinions, reports, or statements, including financial statements or other financial data, if prepared or presented by:

(a) One or more officers, employees, or volunteers of the nonprofit corporation whom the director reasonably believes to be reliable and competent in the functions performed or the matters presented;

(b) Legal counsel, public accountants, or other persons retained by the corporation as to matters involving skills or expertise the director reasonably believes are matters:

NINETY FOURTH DAY, APRIL 14, 2021

2021 REGULAR SESSION

(i) Within the particular person's professional or expert competence; or

(ii) As to which the particular person merits confidence; or

(c) A committee of the board of which the director is not a member, designated in accordance with provisions of the articles or bylaws, as to matters within its designated authority, if the director reasonably believes the committee merits confidence.

(4) A director is not a trustee with respect to the nonprofit corporation or with respect to any property held or administered by the corporation, including property that may be subject to restrictions imposed by the donor or transferor of the property.

NEW SECTION. Sec. 2403. QUALIFICATION OF DIRECTORS. A director of a nonprofit corporation must be an individual. The articles or bylaws may prescribe other qualifications for directors. A director need not be a resident of this state or a member of the corporation unless the articles or bylaws so prescribe.

NEW SECTION. Sec. 2404. NUMBER OF DIRECTORS. (1) A board of directors shall consist of one or more directors, with the number specified in or fixed in accordance with the articles or bylaws.

(2) The board of directors of any corporation shall consist of three or more directors if:

(a) The internal revenue service has determined the corporation to be a public charity described in section 509(a)(1) through (4) of the Internal Revenue Code;

(b) The corporation has applied to the internal revenue service for a determination of exempt status through an application representing that the corporation is described in section 509(a)(1) through (4) of the Internal Revenue Code; or

(c) The corporation has applied to the internal revenue service for classification as an organization described in section 509(a)(1) through (4) of the Internal Revenue Code.

(3) The number of directors on a board of directors who are under 18 years of age may not exceed three or one-third of the total number of directors then in office, whichever is fewer.

(4) A corporation described in subsection (2) of this section may have fewer than three directors if the death, incapacity, resignation, or removal of a director causes the corporation to have fewer than three directors, provided that the entity, body, or person with the power to elect or appoint directors makes reasonable and prompt efforts to elect or appoint additional directors.

(5) The number of directors may be increased or decreased but to no fewer than one from time to time by amendment to, or in the manner provided in, the articles or bylaws.

(6) A decrease in the number of directors may not shorten an incumbent director's term.

NEW SECTION. Sec. 2405. SELECTION OF DIRECTORS. (1) The members of a membership corporation shall elect the directors, other than the initial directors named in the articles, at the annual meetings of members, unless the articles or bylaws provide some other time or method of election, or provide that some other person or persons shall appoint some or all of the directors, or designate some other manner of appointment, for example, ex officio directors.

(2) The directors of a nonmembership corporation shall elect the directors, other than the initial directors named in the articles, at the annual meeting of directors, unless the articles or bylaws provide some other time or method of election, or provide that some other person or persons shall appoint some or all of the directors, or designate some other manner of appointment, for example, ex officio directors.

NEW SECTION. Sec. 2406. TERMS OF DIRECTORS, GENERALLY. (1) The articles or bylaws may specify the terms

of directors. If a term is not specified in the articles or bylaws, then the term of a director is one year. Each term of a director elected by the members or directors, or by some other method provided in the articles or bylaws, may not exceed five years except as provided in subsection (2) of this section. Terms of directors appointed by some other person or persons, or designated in some other manner, may be of any length.

(2) For a corporation formed before the effective date of this section, if the articles or bylaws current as of the effective date of this section provided for terms of elected directors longer than five years, then the terms for elected directors provided in those articles or bylaws may continue in effect until and unless the articles or bylaws are amended to shorten those terms.

(3) The initial directors named in the articles hold office until the first annual election of directors or for any other period specified in the articles.

(4) A reduction in directors' terms of office does not shorten an incumbent director's term.

(5) Except as provided in the articles or bylaws, the term of a director elected to fill a vacancy expires at the end of the unexpired term that the director is filling.

(6) Despite the expiration of a director's term, the director continues to serve until the director's successor is elected, appointed, or designated and until the director's successor takes office, unless otherwise provided in the articles or bylaws.

NEW SECTION. Sec. 2407. STAGGERED TERMS FOR DIRECTORS. The articles or bylaws may provide for staggering the terms of directors by dividing the total number of directors into groups of one or more directors. The terms of office and number of directors in each group do not need to be uniform.

NEW SECTION. Sec. 2408. RESIGNATION OF DIRECTOR. (1) A director may resign at any time by delivering an executed notice in the form of a record to the president, the secretary of the corporation, or another officer designated for that purpose in the articles or bylaws. A director may also resign by giving oral notice to the board at a meeting of the board.

(2) A resignation is effective when the notice is delivered unless the notice specifies a later effective time.

(3) If the resignation of a director of a charitable corporation results in the charitable corporation having no directors in office, then the resigning director shall notify the attorney general that the charitable corporation has no directors in office. Such notice must be in the form of a record delivered to the attorney general within ten calendar days after the effective date of the director's resignation.

NEW SECTION. Sec. 2409. REMOVAL OF DIRECTORS. (1) Removal of directors of a membership corporation is subject to the following provisions:

(a) The members may remove, with or without cause, one or more directors who have been elected by the members, unless the articles or bylaws provide that directors may be removed only for cause. The articles or bylaws may specify what constitutes cause for removal.

(b) The board of a membership corporation may not remove a director who has been elected by the members except as provided in subsection (5) of this section or in the articles or bylaws.

(c) The directors may remove, with or without cause, one or more directors who have been elected by the directors, unless the articles or bylaws provide that directors may be removed only for cause. The articles or bylaws may specify what constitutes cause for removal.

(d) Except as provided in the articles or bylaws, if a director is elected by a voting group of members, or by a chapter or other organizational unit, or by a region or other geographic grouping, then only the members of that voting group or chapter, unit,

region, or grouping may participate in the vote to remove the director.

(e) The notice of a meeting of members at which removal of a director is to be considered shall state that the purpose, or one of the purposes, of the meeting is removal of the director.

(2) The board may remove a director of a nonmembership corporation who was elected by the directors:

(a) With or without cause, unless the articles or bylaws provide that directors may be removed only for cause. The articles or bylaws may specify what constitutes cause for removal.

(b) A nonprofit corporation shall give notice of any meeting of directors at which removal of a director is to be considered in accordance with the articles or bylaws governing notice for special meetings, but in no event less than forty-eight hours before the meeting. Such notice shall state that the purpose, or one of the purposes, of the meeting is removal of a director.

(c) As provided in subsection (5) of this section.

(3) A director who is designated by name in the articles or bylaws may be removed by an amendment to the articles or bylaws deleting or changing the designation.

(4) Except as provided in the articles or bylaws, a director who is appointed by persons other than the members or the directors may be removed with or without cause only by those persons.

(5) Notwithstanding anything else to the contrary in this section or the articles or bylaws, the board of a membership corporation or nonmembership corporation may remove a director:

(a) Who has been appointed a guardian under RCW 11.130.185 or 11.130.265;

(b) Who has been appointed a conservator under RCW 11.130.360;

(c) Who is subject to a written certification by his or her attending physician that in the physician's opinion the director is substantially unable to manage his or her financial resources or resist fraud or undue influence;

(d) Who has been convicted of a felony;

(e) Who has been found by a final order of any court of competent jurisdiction to have breached a duty as a director under section 2402 of this act;

(f) Who has missed the number of board meetings specified in the articles or bylaws, if the articles or bylaws at the beginning of the director's current term provided that a director may be removed for missing the specified number of board meetings; or

(g) Who does not satisfy any of the qualifications for directors set forth in the articles or bylaws at the beginning of the director's current term, if the decision that the director fails to satisfy a qualification is made by the vote of a majority of the directors who meet all of the required qualifications.

(6) Notwithstanding anything else to the contrary in this section or the articles or bylaws, the board of a charitable corporation that is a membership corporation or a nonmembership corporation may remove a director if the director's continued service would cause the charitable corporation to be prohibited from soliciting charitable funds under RCW 19.09.100(13).

NEW SECTION. Sec. 2410. VACANCY ON BOARD OF DIRECTORS. (1) Except as provided in subsection (2) of this section, the articles, or the bylaws, if a vacancy occurs on the board, including a vacancy resulting from an increase in the number of directors, then the vacancy may be filled by a majority of the directors remaining in office even if they constitute less than a quorum. For purposes of section 2409 of this act, any director so elected is deemed to have been elected by the members, voting group, or persons who would elect that director at a regular election.

(2) Except as provided in the articles or bylaws, a vacancy in the position of a director who is:

(a) Appointed by persons other than the members, may be filled only by those persons; or

(b) Designated by name in the articles or bylaws, may not be filled by action of the board.

(3) A vacancy that will occur at a specific later time, by reason of a resignation effective at a later time under section 2408(2) of this act, or otherwise, may be filled before the vacancy occurs but the new director may not take office until the vacancy occurs.

(4) If no directors remain in office, and there are no members with the right to elect directors, then the attorney general has the power to appoint one or more directors selected for their interest and ability to carry out the purposes of the corporation, unless the articles or bylaws provide a different method for electing, appointing, or designating at least one director.

NEW SECTION. Sec. 2411. LIABILITY OF DIRECTORS. (1) A director of a nonprofit corporation is not liable to the nonprofit corporation for any action taken, or any failure to take any action, as a director, except as provided in subsection (2) or (3) of this section or in the articles or bylaws.

(2) Notwithstanding any provision to the contrary in the articles or bylaws, a director is liable to the corporation for:

(a) The value of any benefit in cash, other property, or services received by the director to which the director is not legally entitled; or

(b) Intentional misconduct or a knowing violation of law, including but not limited to criminal law or this chapter, by the director.

(3) A director is liable to the corporation for a violation of any additional standard of conduct specified in the nonprofit corporation's articles as an exception to the limitation on director's liability.

(4) A director of a nonprofit corporation is not liable to any member of the nonprofit corporation for any action taken, or any failure to take action, as a director, except as provided in subsection (5) of this section.

(5) A director is liable to a member of the corporation only for:

(a) A knowing infliction of harm upon the member; or

(b) An intentional violation of criminal law or this chapter that results in harm or loss to the member.

(6) The party seeking to establish the director's liability to the corporation or any member of the corporation:

(a) For money damages, also has the burden of establishing that:

(i) Harm to the nonprofit corporation or its members has been suffered; and

(ii) The harm suffered was proximately caused by the director's challenged conduct; or

(b) For other money payment under a legal remedy, such as compensation for the unauthorized use of corporate assets, also has whatever burden of persuasion may be called for to establish that the payment sought is appropriate in the circumstances; or

(c) For other money payment under an equitable remedy, such as profit recovery by or disgorgement to the corporation, also has whatever burden of persuasion may be called for to establish that the equitable remedy sought is appropriate in the circumstances.

(7) Nothing contained in this section:

(a) In any instance where fairness is at issue, such as consideration of the fairness of a transaction to the nonprofit corporation under section 2703(1)(c) of this act, alters the burden of proving the fact or lack of fairness otherwise applicable;

(b) Alters the fact or lack of liability of a director to the nonprofit corporation under another section of this chapter, such as the provisions governing the consequences of an unlawful distribution under section 2702 of this act, a conflicting interest transaction under section 2703 of this act, or taking advantage of a business opportunity under section 2704 of this act;

NINETY FOURTH DAY, APRIL 14, 2021

2021 REGULAR SESSION

(c) Affects any rights to which the corporation or a director or member may be entitled under another statute of this state or the United States; or

(d) Affects the authority of the attorney general to take any action against a director under this chapter or other applicable Washington state law.

NEW SECTION. **Sec. 2412.** COMPENSATION OF DIRECTORS. Unless the articles or bylaws provide otherwise, the board may fix the compensation of directors.

ARTICLE 5

MEETINGS AND ACTION OF THE BOARD

NEW SECTION. **Sec. 2501.** MEETINGS OF THE BOARD. (1) The board may hold regular or special meetings in or out of this state.

(2) Unless the articles or bylaws provide otherwise, the board may permit any or all directors to participate in a regular or special meeting by, or conduct the meeting through the use of, one or more means of remote communication through which all of the directors may simultaneously participate with each other during the meeting. A director participating in a meeting by this means is considered present in person at the meeting. For any meeting at which one or more directors may participate by means of remote communication, notice of the meeting must be delivered to each director by a means which the director has authorized and provide complete instructions for participating in the meeting by remote communication.

NEW SECTION. **Sec. 2502.** NOTICE OF BOARD MEETINGS. (1) Regular meetings of the board may be held with or without notice as prescribed in the articles or bylaws, unless notice is required by section 2409(2) of this act or other provisions of this chapter.

(2) Unless the articles or bylaws provide for a longer or shorter period, special meetings of the board must be preceded by at least forty-eight hours' notice of the date, time, and place of the meeting. The notice need not describe the purpose of the special meeting, except as required by section 2409(2) of this act, other provisions of this chapter, or the articles or bylaws.

(3) Unless the articles or bylaws provide otherwise, the president, the secretary, or twenty percent of the directors then in office may call and give, or cause to be given, notice of a meeting of the board.

(4) Oral notice of meetings of the board may be given, unless oral notice is not permitted by a corporation's articles or bylaws.

NEW SECTION. **Sec. 2503.** WAIVER OF NOTICE. (1) A director may waive any notice required by this chapter, the articles, or the bylaws before or after the date and time stated in the notice. Except as provided by subsection (2) of this section, the waiver must be in the form of a record, executed by the director entitled to the notice, and filed with the minutes or corporate records.

(2) A director's attendance at or participation in a meeting waives any required notice to the director of the meeting, unless the director at the beginning of the meeting or promptly upon arrival objects to holding the meeting or transacting business at the meeting and does not thereafter vote for or assent to action taken at the meeting.

NEW SECTION. **Sec. 2504.** BOARD QUORUM AND VOTING REQUIREMENTS. (1) Except as provided in subsection (2) or (3) of this section, the articles, or the bylaws, a quorum of the board consists of a majority of the directors in office before a meeting begins.

(2) The articles or bylaws may authorize a quorum of the board to consist of no fewer than one-third of the number of directors in office.

(3) A quorum shall not be present at any time during a meeting unless a majority of the directors present are at least 18 years of age.

(4) If a quorum is present when a vote is taken, then the affirmative vote of a majority of directors present is the act of the board unless a greater vote is required by the articles or bylaws or this chapter.

(5) No proxy for a director, however appointed, may:

(a) Participate in any vote of the board or of any board committee;

(b) Be counted for the purpose of determining whether a quorum is present at a meeting; or

(c) Execute any written consent on behalf of the director.

(6) A director who is present at a meeting of the board when corporate action is taken is considered to have assented to the action taken unless:

(a) The director objects at the beginning of the meeting or promptly upon arrival to holding it or transacting business at the meeting;

(b) The director dissents or abstains from the action; or

(c) The director delivers notice in the form of a record of the director's dissent or abstention to the president or secretary of the corporation or another officer of the corporation designated in the bylaws before or during the meeting or before the approval of the minutes of the meeting.

(7) The right of dissent or abstention is not available to a director who votes in favor of the action taken.

NEW SECTION. **Sec. 2505.** ACTION WITHOUT MEETING BY UNANIMOUS WRITTEN CONSENT. (1) Unless the articles or bylaws prohibit action without a meeting, action required or permitted by this chapter to be taken by the board may be taken without a meeting if each director entitled to vote with respect to the subject matter thereof executes a consent in the form of a record describing the action to be taken and delivers it to the nonprofit corporation.

(2) For purposes of this section only, "each director entitled to vote" does not include an "interested director" who abstains in writing from providing consent, where:

(a) The board has determined that:

(i) The corporation is entering into the transaction for its own benefit; and

(ii) The transaction is fair and reasonable to the corporation when it enters into the transaction or the noninterested directors determine in good faith after reasonable investigation that the corporation cannot obtain a more advantageous arrangement with reasonable effort under the circumstances, at or before execution of the written consent;

(b) That determination of the board is included in the written consent executed by the noninterested directors or in other records of the corporation; and

(c) All of the noninterested directors approve the action.

(3) Action taken under this section is the act of the board when one or more consents executed by all the directors entitled to vote are delivered to the nonprofit corporation. In no event may the period between the date of the first signature by a director on such a consent and the date on which all directors have executed the consent be more than sixty days. The consent may specify the time at which the action taken in the consent is to be effective. A director's consent may be withdrawn by a revocation in the form of a record executed by the director and delivered to the president, secretary, or other officer of the corporation specified by the board for that purpose before delivery to the corporation of unrevoked consents executed by all the directors.

(4) A written consent executed under this section has the effect of action taken at a meeting of the board and may be described as such in any document.

NEW SECTION. Sec. 2506. BOARD AND ADVISORY COMMITTEES. (1) Unless this chapter, the articles, or the bylaws provide otherwise, a board may create one or more committees of the board that consist of two or more directors. A committee of the board shall not include as voting members persons who are not directors, except:

(a) As provided in Title 48 RCW or the regulations promulgated thereunder;

(b) If the only powers delegated to the committee are those necessary for the committee to serve in any fiduciary capacity with respect to one or more employee benefit plans established under the federal employee retirement income security act of 1974, or any successor statute; or

(c) Unless without the inclusion of persons who are not directors it is impossible or impracticable for the corporation to comply with applicable law other than this chapter.

(2) Unless this chapter otherwise provides, the creation of a committee of the board and appointment of directors to it shall be approved by the greater of:

(a) A majority of all the directors in office when the action is taken; or

(b) The number of directors required by the articles or bylaws to take action under section 2504 of this act.

(3) Sections 2501 through 2505 of this act apply to both committees of the board and their members to the greatest practicable extent.

(4) To the extent specified by the board or in the articles or bylaws, each committee of the board may exercise the powers of the board granted through section 2401(2) of this act, except as limited by subsection (5) of this section.

(5) A committee of the board may not:

(a) Authorize distributions;

(b) Adopt, amend, alter, or repeal bylaws;

(c) In the case of a membership corporation, approve or propose to members action that must be approved by members under the articles or bylaws;

(d) Elect, appoint or remove any member of any committee of the board or any director or officer of the corporation;

(e) Amend the articles;

(f) Adopt a plan of merger with another corporation;

(g) Adopt a plan of domestication, for-profit conversion, or entity conversion;

(h) Authorize the sale, lease, or exchange of all or substantially all of the property and assets of the corporation not in the ordinary course of business;

(i) Authorize the voluntary dissolution of the corporation or revoke proceedings therefor;

(j) Adopt a plan for the distribution of the assets of the corporation; or

(k) Amend, alter, or repeal any resolution of the board, unless the resolution provides by its terms that it may be amended, altered, or repealed by a committee.

(6) The creation of, delegation of authority to, or action by a committee of the board does not alone constitute compliance by a director with the standards of conduct described in section 2402 of this act.

(7) A nonprofit corporation may create or authorize the creation of one or more advisory committees whose members need not be directors or meet the qualification requirements for directors. The board shall not delegate any of its authority to an advisory committee. An advisory committee:

(a) Is not a committee of the board; and

(b) May not exercise any of the powers of the board.

NEW SECTION. Sec. 2507. PROCEDURE FOR REMOTE MEETINGS. Unless otherwise provided in the articles or bylaws, meetings of the board or any committee held by remote communication must follow the provisions of sections 2501 through 2506 of this act to the greatest practicable extent.

ARTICLE 6 OFFICERS

NEW SECTION. Sec. 2601. OFFICERS—DUTIES. (1) The officers of a nonprofit corporation consist of a president, secretary, and treasurer, and other officers as may be authorized by the articles, the bylaws, or the board.

(2) Unless the articles or bylaws provide otherwise, the board shall elect or appoint all officers annually, and officers shall serve until their respective successors have been elected or appointed or until their earlier removal or resignation.

(3) The same individual may simultaneously hold more than one office in a nonprofit corporation, except that the same individual may not hold the offices of president and secretary.

(4) Each officer has the authority and shall perform the duties set forth in the articles or bylaws or, to the extent consistent with the articles and bylaws, the duties prescribed by the board or by direction of an officer authorized by the board to prescribe the duties of other officers.

NEW SECTION. Sec. 2602. STANDARDS OF CONDUCT FOR OFFICERS. (1) An officer with discretionary authority shall discharge his or her duties under that authority:

(a) In good faith;

(b) With the care an ordinarily prudent person in a like position would exercise under similar circumstances; and

(c) In a manner the officer reasonably believes to be in the best interests of the corporation.

(2) The duty of an officer includes the obligation to convey to his or her superior officer, the board, a board committee, or another appropriate person within the nonprofit corporation:

(a) Information about the affairs of the nonprofit corporation within the scope of the officer's functions, and known to the officer to be material to the superior officer, board, or committee thereof; and

(b) Information regarding any actual or probable material violation of law involving the corporation or material breach of duty to the corporation by an officer, director, employee, agent, or vendor of the corporation, that the officer believes has occurred or is likely to occur.

(3) In discharging his or her duties, an officer who does not have knowledge that makes reliance unwarranted may rely on information, opinions, reports, or statements, including financial statements and other financial data, if prepared or presented by:

(a) One or more officers or employees of the nonprofit corporation whom the officer reasonably believes to be reliable and competent in the functions performed or the information, opinions, reports, or statements provided;

(b) Legal counsel, public accountants, or other persons retained by the corporation as to matters involving skills or expertise the officer reasonably believes are matters:

(i) Within the particular person's professional or expert competence; or

(ii) As to which the particular person merits confidence.

(4) An officer is not a trustee with respect to the nonprofit corporation or with respect to any property held or administered by the corporation, including property that may be subject to restrictions imposed by the donor or transferor of the property.

NEW SECTION. Sec. 2603. RESIGNATION AND REMOVAL OF OFFICERS. (1) An officer may resign at any time by delivering notice to the nonprofit corporation. A resignation is effective when the notice is delivered unless the notice specifies a later effective time. If a resignation is made

NINETY FOURTH DAY, APRIL 14, 2021

2021 REGULAR SESSION

effective at a later time and the board or the appointing officer accepts the future effective time, then the board or the appointing officer may designate a successor before the effective time if the board or the appointing officer provides that the successor does not take office until the effective time.

(2) Except as provided in the articles or bylaws, an officer may be removed at any time with or without cause by:

- (a) The board;
- (b) The officer who appointed the officer being removed, unless the board provides otherwise; or
- (c) Any other officer authorized by the articles, the bylaws, or the board to remove the officer being removed.

(3) In this section, "appointing officer" means the officer, including any successor to that officer who appointed the officer resigning or being removed.

NEW SECTION. Sec. 2604. CONTRACT RIGHTS OF OFFICERS. (1) The appointment or election of an officer does not itself create contract rights.

(2) An officer's removal does not affect the officer's contract rights, if any, with the nonprofit corporation. An officer's resignation does not affect the corporation's contract rights, if any, with the officer.

ARTICLE 7 PROVISIONS COMMON TO DIRECTORS AND OFFICERS

NEW SECTION. Sec. 2701. LOANS OR GUARANTEES. (1) A nonprofit corporation may not lend money to, advance credit to, or guarantee the obligation of a director or officer of the corporation.

(2) Subsection (1) of this section does not apply to:

- (a) An advance to pay reimbursable expenses reasonably expected to be incurred within a time period that is reasonable under the circumstances by a director or officer;
- (b) Advances pursuant to section 2706 of this act;
- (c) Loans or advances pursuant to employee benefit plans; or
- (d) A loan to pay reasonable relocation expenses of an officer.

(3) The fact that a loan or guarantee is made in violation of this section does not affect the borrower's liability on the loan.

(4) The directors who vote for or assent to any loan, advance, or guarantee in violation of subsection (1) of this section, and any officer materially participating in the making of such a loan, advance, or guarantee, are personally liable on a joint and several basis to the nonprofit corporation on the loan, advance, or guarantee. Liability under this subsection terminates upon the repayment of any funds advanced by the nonprofit corporation in violation of subsection (1) of this section or, if no funds have been advanced under a guarantee, upon the termination of the guarantee.

(5) A director or officer held liable under subsection (4) of this section for any unlawful loan or guarantee is entitled to contribution from every other director or officer who could be held liable under subsection (4) of this section for the unlawful loan or guarantee.

(6) A proceeding to enforce contribution or recoupment under subsection (5) of this section is barred unless it is commenced within one year after the liability of the claimant has been finally adjudicated under subsection (4) of this section.

NEW SECTION. Sec. 2702. LIABILITY FOR UNLAWFUL DISTRIBUTIONS. (1) A director or officer is personally liable to the nonprofit corporation for the amount of any distribution that exceeds the amount the corporation could have distributed without violating section 1406 of this act if:

(a) The nature or amount of the distribution was material to the interests of the corporation for any reason under all of the facts and circumstances including, but not limited to, federal excise tax

liability or federal tax penalties imposed on the corporation as a result of the distribution;

(b) The director or officer voted for or assented to that distribution as a director, or participated beyond the level of a ministerial function in making that distribution as an officer; and

(c) The party asserting liability establishes that, when taking the action, the director or officer violated the standard of conduct set forth in subsection (2) of this section.

(2) A director or officer may be held liable under this section:

(a) For a distribution by a charitable corporation, or a distribution of assets held for charitable purposes, if the director did not comply with section 2402 of this act or the officer did not comply with section 2602 of this act; or

(b) If the conduct of the director or officer with respect to the distribution constitutes gross negligence.

(3) A director or officer held liable under this section for an unlawful distribution is entitled to:

(a) Contribution from every other director or officer who could be held liable under this section for the unlawful distribution; and

(b) Recoupment from each person of the pro rata portion of the amount of the unlawful distribution the person received:

(i) Whether or not the person knew the distribution was made in violation of this chapter, for a distribution by a charitable corporation or of property held for charitable purposes; or

(ii) Knowing the distribution was made in violation of this chapter, for a distribution of property not held for charitable purposes.

(4) A proceeding to enforce:

(a) The liability of a director or officer under this section is barred, unless it is commenced within three years after the date on which the distribution was made; or

(b) Contribution or recoupment under subsection (3) of this section is barred, unless it is commenced within one year after the liability of the claimant under this section has been finally adjudicated.

NEW SECTION. Sec. 2703. CONFLICTING INTEREST TRANSACTIONS—VOIDABILITY. (1) A contract or transaction between a nonprofit corporation and one or more of its members, directors, or officers; or between a nonprofit corporation and any other entity in which one or more of its directors or officers are directors or officers, hold a similar position, or have a financial interest is not void or voidable solely for that reason, or solely because the member, director, or officer is present at or participates in the meeting of the board that authorizes the contract or transaction or solely because his or her or their votes are counted for that purpose, if:

(a) The material facts as to the relationship or interest and as to the contract or transaction are disclosed or are known to the board and the board in good faith authorizes the contract or transaction by the affirmative vote of a majority of the disinterested directors even though the disinterested directors are less than a quorum;

(b) The material facts as to the relationship or interest of the member, director, or officer and as to the contract or transaction are disclosed or are known to the members entitled to vote thereon, if any, and the contract or transaction is specifically approved in good faith by vote of those members; or

(c) The contract or transaction is fair as to the corporation as of the time the board or the members authorize, approve, or ratify the transaction.

(2) Interested directors or directors holding a similar position in the other entity involved in a contract or transaction specified in subsection (1) of this section may be counted in determining the presence of a quorum at a meeting of the board that authorizes the contract or transaction.

(3) This section is applicable except as provided in the articles or bylaws.

NEW SECTION. Sec. 2704. BUSINESS OPPORTUNITIES. (1) The taking advantage, directly or indirectly, by a director or officer of a business opportunity may not be the subject of equitable relief, or give rise to an award of damages or other sanctions against the director or officer, in a proceeding by or in the right of the nonprofit corporation on the ground that the opportunity should have first been offered to the corporation, if before becoming legally obligated or entitled respecting the opportunity the director or officer brings it to the attention of the corporation and action by the members or the directors disclaiming the corporation's interest in the opportunity is taken in compliance with the procedures set forth in section 2703 of this act, as if the decision being made concerned a conflicting interest transaction.

(2) In any proceeding seeking equitable relief or other remedies, based upon an alleged improper taking advantage of a business opportunity by a director or officer, the fact that the director or officer did not employ the procedure described in subsection (1) of this section before taking advantage of the opportunity does not support an inference that the opportunity should have been first presented to the nonprofit corporation or alter the burden of proof otherwise applicable to establish that the director or officer breached a duty to the corporation in the circumstances.

NEW SECTION. Sec. 2705. REMOVAL BY JUDICIAL PROCEEDING. (1) The court may remove a director or officer from office in a proceeding commenced by or in the right of the corporation if the court finds that:

(a) The director or officer engaged in fraudulent conduct with respect to the corporation or its members, knowingly inflicted harm on the corporation, or engaged in acts or omissions constituting gross negligence with respect to the director's or officer's duties; and

(b) Considering the course of conduct of the director or officer and the inadequacy of other available remedies, removal would be in the best interest of the corporation.

(2) An action under this section may be commenced by a member, individual director, or delegate. The attorney general may also commence an action under this section if the corporation holds property for charitable purposes.

(3) The court, in addition to removing the director or officer, may bar the director or officer from being reelected, redesignated, or reappointed as a director, an officer, or both for a period prescribed by the court.

(4) Nothing in this section limits the equitable powers of the court to order other relief.

(5) If a proceeding is commenced under this section to remove a director or officer of a charitable corporation, then the plaintiff shall give the attorney general notice in the form of a record of the commencement of the proceeding.

NEW SECTION. Sec. 2706. INDEMNIFICATION AND ADVANCE FOR EXPENSES. The provisions of RCW 23B.08.500 through 23B.08.603, or their successors, apply to any corporation to which this chapter applies. For purposes of this chapter:

(1) All references in those provisions to shares of a corporation are deemed to refer to membership interests in the nonprofit corporation.

(2) All references in those provisions to shareholders are deemed to refer to members of the nonprofit corporation.

(3) All references in those provisions to a shareholders meeting are deemed to refer to a meeting of the members of the nonprofit corporation.

(4) All references in those provisions to transactions from which directors or officers will personally receive a benefit to which they are not entitled are deemed to include transactions approved or implemented by a director or officer knowing them to be in violation of section 1406 of this act.

(5) This section does not limit a nonprofit corporation's power to indemnify, advance expenses to, or provide or maintain insurance on behalf of an employee, agent, or volunteer.

NEW SECTION. Sec. 2707. DIRECTORS AND OFFICERS UNDER 18 YEARS OF AGE. No director or officer of a corporation who is under 18 years of age shall have authority to execute any document on behalf of the corporation, or otherwise to bind the corporation with respect to any other party, without the written concurrence of one or more other directors or officers of the corporation who are at least 18 years of age and would, between them, have independent authority to execute the same document or to bind the corporation in the same way.

PART III FUNDAMENTAL TRANSACTIONS ARTICLE 1

AMENDMENT OF ARTICLES OR BYLAWS

NEW SECTION. Sec. 3101. AUTHORITY TO AMEND.

(1) A nonprofit corporation may amend its articles of incorporation, from time to time, so long as its articles as amended contain only provisions that are lawful under this chapter.

(2) Amendments to the articles of a charitable corporation to include one or more purposes of the corporation substantially different from the corporation's purposes before the amendment are subject to the reporting requirement set out in section 1205 of this act.

NEW SECTION. Sec. 3102. AMENDMENT OF ARTICLES BY NONMEMBERSHIP CORPORATION. (1) Except as provided in the articles, the board of a nonmembership corporation may adopt amendments to the corporation's articles by the vote of a majority of the directors in office.

(2) Except as provided in subsection (3) of this section, an amendment adopted by the board under this subsection must also be approved, if the amendment changes or deletes a provision regarding the appointment of a director by persons other than the board, by those persons as if they constituted a voting group.

(3) Unless the articles provide otherwise, the board of a nonmembership corporation may adopt amendments to the corporation's articles without approval of any of the other persons identified in subsection (2) of this section to:

(a) Extend the duration of the corporation if it was incorporated at a time when limited duration was required by law;

(b) Delete the names and addresses of the initial directors;

(c) Notwithstanding section 1303(1) of this act, delete the name of each incorporator and the name and address of the initial registered agent or registered office, if a statement of change is on file with the secretary of state; and

(d) Restate without change all of the then operative provisions of the articles.

NEW SECTION. Sec. 3103. AMENDMENT BEFORE ADMISSION OF MEMBERS. If a membership corporation has not yet admitted members, then its board may adopt one or more amendments to the articles.

NEW SECTION. Sec. 3104. AMENDMENT AFTER ADMISSION OF MEMBERS. (1) An amendment to the articles of a membership corporation must be adopted in the following manner:

(a) Except as provided in (e) of this subsection, a proposed amendment must be adopted by the board.

NINETY FOURTH DAY, APRIL 14, 2021

2021 REGULAR SESSION

(b) Except as provided in sections 3107 and 3108 of this act, a proposed amendment must be submitted to the members entitled to vote on the amendment, if any, for their approval.

(c) The board shall deliver to all members a recommendation that the members approve an amendment, unless the board makes a determination that because of conflicts of interest or other special circumstances it should not make such a recommendation, in which case the board shall deliver to the members the basis for that determination.

(d) The board may condition its submission of an amendment to the members on any basis. Such a condition is in addition to any approval requirements set forth in the corporation's articles or bylaws or in this chapter.

(e) If the articles or bylaws so permit, an amendment may be proposed by ten percent or more of the members entitled to vote on the amendment, or by a greater number of members if the articles or bylaws so specify. The provisions of (a), (c), and (d) of this subsection do not apply to an amendment proposed by the members under this subsection.

(f) If an amendment is required to be approved by the members, including under (e) of this subsection, and the approval is to be given at a meeting, then the corporation shall give notice to each member, whether or not entitled to vote on the amendment, of the meeting of members at which the amendment is to be submitted for approval. The notice shall state that the purpose, or one of the purposes, of the meeting is to consider the amendment and must contain or be accompanied by a copy or summary of the amendment. If a summary is provided in lieu of a copy of the amendment, then a copy must be available to members upon request and the notice shall state that fact.

(g) At a meeting described in (f) of this subsection, those members entitled to vote on the amendment may:

(i) Approve or reject the amendment exactly as provided or summarized in the notice of the meeting; or

(ii) Approve revisions to the amendment at the meeting, if the subject matter of the revisions is within the scope of the subject matter of the amendment as provided or summarized in the notice of the meeting.

(h) The board shall determine whether the subject matter of any revisions approved by members remains within the scope of the subject matter of the amendment as provided or summarized in the notice of the meeting. If the board determines that the revisions approved by the members are not within that scope, then the amendment is deemed rejected by the membership. If the board determines that the revisions by members are within scope, then the board may:

(i) Accept the amendment incorporating the revisions approved by the members; or

(ii) Propose a further revised amendment to the members for approval.

This process may continue until an amendment acceptable to the board has been approved by the members. If successive votes take place at the same meeting of members, then no further notices or meetings are required.

(i) Unless the articles or bylaws, or the board acting pursuant to (d) of this subsection, requires a greater vote or a greater number of votes to be present, the approval of an amendment by the members entitled to vote thereon requires the approval of those members at a meeting at which a quorum is present, and, if any class of members is entitled to vote as a separate group on the amendment, the approval of each separate voting group entitled to vote at a meeting at which a quorum of the voting group is present.

(j) Except as provided in subsection (2) of this section, an amendment adopted by the board under this subsection must also

be approved, if the amendment changes or deletes a provision regarding the appointment of a director by persons other than the board, by those persons as if they constituted a voting group.

(k) If a membership corporation has no members entitled to vote on the amendment, then the corporation shall deliver notice of the approval of the amendment by the board to all members of the corporation at least five days before filing articles of amendment or restated articles of incorporation with the secretary of state.

(2) Unless the articles provide otherwise, the board of a membership corporation may adopt amendments to the corporation's articles without approval of the members to:

(a) Delete the names and addresses of the initial directors;

(b) Notwithstanding section 1303(2) of this act, delete the name of each incorporator and the name and address of the initial registered agent or registered office, if a statement of change is on file with the secretary of state; or

(c) Restate without change all of the then operative provisions of the articles.

NEW SECTION. Sec. 3105. VOTING ON AMENDMENTS BY VOTING GROUPS. (1) If a nonprofit corporation has more than one class of members entitled to vote on an amendment to the articles, then the articles or bylaws may provide that the members of each class entitled to vote on the amendment are entitled to vote as a separate voting group if the amendment would change the rights, powers, preferences, or limitations of the class.

(2) If a class of members will be divided into two or more classes by an amendment to the articles, then the amendment must be approved by a majority of the members of each class that will be created.

NEW SECTION. Sec. 3106. ARTICLES OF AMENDMENT. After an amendment to the articles has been adopted and approved in the manner required by sections 3101 through 3114 of this act and by the articles, the nonprofit corporation shall deliver to the secretary of state for filing articles of amendment, which must be executed by an officer or other authorized representative and set forth:

(1) The name of the corporation;

(2) The text of the amendment adopted;

(3) The date of the amendment's adoption; and

(4) If the amendment:

(a) Was adopted by the board without member approval, a statement that the amendment was adopted by the board of directors, and that member approval was not required; or

(b) Required approval by the members, a statement that the amendment was approved by the members in the manner required by this chapter and by the articles and bylaws.

NEW SECTION. Sec. 3107. RESTATED ARTICLES OF INCORPORATION. (1) The board of a nonprofit corporation may restate its articles of incorporation at any time, without approval by the members or any other person, to consolidate all amendments into a single document without substantive change.

(2) A restatement of the articles may include one or more amendments to the articles. If restated articles of incorporation of a nonmembership corporation include one or more new amendments, then these amendments must have been adopted and approved as provided in section 3102 of this act. If restated articles of incorporation of a membership corporation include one or more new amendments that require member approval, then the amendments must have been adopted and approved as provided in section 3103 or 3104 of this act, as appropriate.

(3) A nonprofit corporation that restates its articles of incorporation shall deliver to the secretary of state for filing articles of restatement setting forth the name of the nonprofit

corporation and the text of the restated articles of incorporation together with a certificate setting forth:

(a) If the restatement does not include any amendments to the articles, a statement of that fact;

(b) If the restatement contains one or more amendments to the articles, the information required by section 3106 (1) through (4) of this act.

(4) The articles of restatement and the certificate must be executed by an officer or other authorized representative.

(5) Duly adopted restated articles of incorporation supersede the original articles and all amendments thereto.

(6) The secretary of state shall certify restated articles of incorporation as the articles currently in effect.

NEW SECTION. Sec. 3108. AMENDMENT OF ARTICLES PURSUANT TO REORGANIZATION. (1) A nonprofit corporation's articles of incorporation may be amended without action by the board or the members to carry out a plan of reorganization ordered or decreed by any court of competent jurisdiction in a proceeding relating to the corporation.

(2) An individual designated by the court shall deliver to the secretary of state for filing articles of amendment setting forth:

(a) The name of the corporation;

(b) The text of each amendment approved by the court;

(c) The date of the court's order or decree approving the articles of amendment;

(d) The title of the reorganization proceeding in which the order or decree was entered; and

(e) A statement that the court had jurisdiction of the proceeding.

(3) This section does not apply after entry of a final decree in the reorganization proceeding even though the court retains jurisdiction of the proceeding for limited purposes unrelated to consummation of the reorganization plan.

NEW SECTION. Sec. 3109. EFFECTIVE DATE. Unless a delayed effective date is specified, articles of amendment or restated articles of incorporation become effective on the date the articles of amendment or restated articles of incorporation are filed by the secretary of state.

NEW SECTION. Sec. 3110. EFFECT OF ARTICLES OF AMENDMENT. (1) Except as provided in subsection (2) of this section, an amendment to the articles does not affect a cause of action existing against or in favor of the nonprofit corporation, a proceeding to which the corporation is a party, or the existing rights of persons other than members of the corporation or persons referred to in the articles. An amendment changing a corporation's name does not abate a proceeding brought by or against the corporation in its former name.

(2) No amendment to the articles shall modify any restriction imposed through any means upon property held for charitable purposes unless, before the delivery of the amendment to the secretary of state for filing, the restriction is modified:

(a) In the case of a restriction imposed pursuant to a trust instrument governed by chapter 11.110 RCW in which the nonprofit corporation is a trustee or a beneficiary, through an appropriate order of the court or the agreement of all interested parties, including the attorney general, under chapter 11.96A RCW; or

(b) In the case of any other restriction, pursuant to section 1503 of this act.

(3) A person who is a member or otherwise affiliated with a charitable corporation may not receive a direct or indirect financial benefit in connection with an amendment of the articles unless the person is itself a charitable corporation, the federal government, a state, a governmental subdivision, or an unincorporated entity that has charitable purposes. This

subsection does not apply to the receipt of reasonable compensation for services rendered.

NEW SECTION. Sec. 3111. POWER TO AMEND BYLAWS. The power to alter, amend, or repeal the bylaws or adopt new bylaws is vested in the board unless otherwise provided in the articles, the bylaws, or this chapter.

NEW SECTION. Sec. 3112. BYLAW AMENDMENTS REQUIRING MEMBER APPROVAL. (1) Except as provided in the articles or bylaws, the board of a membership corporation that has one or more members may not, without approval of the class or classes of members affected, adopt or amend a provision of the bylaws:

(a) That would eliminate any existing right, power, or privilege of membership contained in the bylaws;

(b) Under section 2107 of this act, providing that some of the members have different rights or obligations than other members with respect to voting, dissolution, transfer of memberships or other matters;

(c) Under section 2110 of this act, levying dues, assessments, or fees on some or all of the members;

(d) Under section 2113 of this act, relating to the termination or suspension of members; or

(e) Under section 2114 of this act, authorizing the purchase of memberships.

(2) The board of a membership corporation that has members may not amend the articles or bylaws without approval of every class or classes of members affected to vary the application of subsection (1) of this section to the corporation.

(3) If a nonprofit corporation has more than one class of members, then the members of a class are entitled to vote as a separate voting group on an amendment to the bylaws that:

(a) Is described in subsection (1) of this section, if the amendment would affect the members of that class differently than the members of another class; or

(b) Has any of the effects described in section 3104(1)(j) of this act.

(4) If a class of members will be divided into two or more classes by an amendment to the bylaws, then the amendment must be approved by a majority of the members of each class that will be created.

NEW SECTION. Sec. 3113. EFFECT OF BYLAW AMENDMENT. (1) No amendment to the bylaws shall modify any restriction imposed through any means upon property held for charitable purposes unless, before or simultaneously with the adoption of the bylaws amendment, the restriction is modified:

(a) In the case of a restriction imposed pursuant to a trust instrument governed by chapter 11.110 RCW in which the nonprofit corporation is a trustee or a beneficiary, through an appropriate order of the court or the agreement of all interested parties, including the attorney general, under chapter 11.96A RCW; or

(b) In the case of any other restriction, pursuant to section 1503 of this act.

(2) A person who is a member or otherwise affiliated with a charitable corporation may not receive a direct or indirect financial benefit in connection with an amendment of the bylaws unless the person is itself a charitable corporation, the federal government, a state, a governmental subdivision, or an unincorporated entity that has charitable purposes. This subsection does not apply to the receipt of reasonable compensation for services rendered.

NEW SECTION. Sec. 3114. APPROVAL OF AMENDMENTS BY THIRD PARTIES. (1) The articles of incorporation may require that an amendment to the articles be approved in the form of a record by a specified person or group of persons in addition to the board or members.

(2) The articles or bylaws may require that an amendment to the bylaws be approved in the form of a record by a specified person or group of persons in addition to the board or members.

(3) A requirement in the articles or bylaws described in subsection (1) or (2) of this section may only be amended with the approval in the form of a record of the specified person or group of persons.

**ARTICLE 2
MERGER**

NEW SECTION. **Sec. 3201.** DEFINITIONS. The definitions in this section apply throughout this section and sections 3202 through 3209 of this act unless the context clearly requires otherwise.

- (1) "Eligible interests" means interests or shares.
- (2) "Interests" means either or both of the following rights under the organic law of an unincorporated entity:
 - (a) The right to receive distributions from the entity either in the ordinary course or upon liquidation; or
 - (b) The right to receive notice or vote on issues involving its internal affairs, other than as an agent, assignee, proxy, or person responsible for managing its business, activities, or affairs.
- (3) "Merger" means a transaction pursuant to section 3205 of this act.
- (4) "Party to a merger" means any domestic or foreign nonprofit corporation or eligible entity that will merge under a plan of merger.
- (5) "Shares" means the units into which the proprietary interests in a domestic or foreign for-profit corporation are divided.
- (6) "Survivor" in a merger means the corporation or eligible entity into which one or more other corporations or eligible entities are merged. A survivor of a merger may preexist the merger or be created by the merger.

NEW SECTION. **Sec. 3202.** PROPERTY HELD FOR CHARITABLE PURPOSES. (1) In a merger under sections 3201 through 3209 of this act, property held for charitable purposes by a nonprofit corporation may not be diverted from charitable purposes.

(2) The survivor of any merger under sections 3201 through 3209 of this act remains bound by any restriction imposed through any means upon property held for charitable purposes by any party to the merger including, but not limited to, any restriction that affects existing rights of persons other than members, shareholders, or interest holders of the other party, unless the restriction is modified:

- (a) In the case of a restriction imposed pursuant to a trust instrument governed by chapter 11.110 RCW in which the nonprofit corporation is a trustee or a beneficiary, through an appropriate order of the court or the agreement of all interested parties, including the attorney general, under chapter 11.96A RCW; or
- (b) In the case of any other restriction, pursuant to section 1503 of this act.

(4) A corporation that is not a charitable corporation but holds property for charitable purposes shall deliver to the attorney general notice of its intent to consummate a merger, unless the survivor of the merger is a charitable corporation. The notice must be delivered to the attorney general in the form of a record at least twenty days before the meeting at which the proposed transaction is to be approved. Such a merger may not be implemented without

the approval of the attorney general, or the approval of the court in a proceeding to which the attorney general is made a party. In the event that the attorney general does not deliver a notice of objection in the form of a record to the corporation within twenty days after the delivery to the attorney general of notice of the transaction, approval of the transaction is deemed to have been given.

(5) The notice described in subsection (4) of this section shall include:

NEW SECTION. **Sec. 3203.** PROHIBITION OF FINANCIAL BENEFIT. A person who is a member, director, officer, interest holder, or otherwise affiliated with a charitable corporation or any other eligible entity with a charitable purpose may not receive a direct or indirect financial benefit in connection with a merger governed by sections 3201 through 3209 of this act to which the charitable corporation or unincorporated entity is a party unless the person is itself a charitable corporation, the federal government, a tribal government, a state or local government, a governmental subdivision, or an eligible entity that is organized exclusively for charitable purposes. This section does not apply to the receipt of reasonable compensation for services rendered.

NEW SECTION. **Sec. 3204.** LIMITATIONS ON CHARITABLE CORPORATIONS. (1) A charitable corporation may merge only with:

- (a) Another charitable corporation;
- (b) A foreign corporation that, if it were a domestic corporation, would qualify under this chapter as a charitable corporation; or
- (c) A foreign or domestic for-profit or nonprofit corporation, or unincorporated entity, only if the charitable corporation is the surviving corporation and continues to qualify as a charitable corporation after the merger.

(2) No member of a charitable corporation may receive or keep anything as a result of a merger other than a membership in the surviving charitable corporation, unless:

- (a) The attorney general, or the court in a proceeding in which the attorney general has been given notice, has provided prior written consent; or
- (b) The member is a charitable corporation, another entity that is organized and operated exclusively for one or more charitable purposes, the federal government, or a tribal, state, or local government.

NEW SECTION. **Sec. 3205.** MERGER. (1) Subject to the restrictions in sections 3202 through 3204 of this act, one or more domestic nonprofit corporations may merge with one or more domestic or foreign nonprofit corporations or eligible entities pursuant to a plan of merger or two or more foreign nonprofit corporations or domestic or foreign eligible entities may merge into a new domestic nonprofit corporation to be created in

the merger in the manner provided in sections 3201 through 3209 of this act.

(2) A foreign nonprofit corporation, or a foreign eligible entity, may be a party to a merger with a domestic nonprofit corporation, or may be created by the terms of the plan of merger, only if the merger is permitted by the organic law of the corporation or eligible entity.

(3) If the law of this state, other than this chapter, permits the merger of a domestic eligible entity with a nonprofit corporation but does not provide procedures for the approval of such a merger, then a plan of merger may be adopted and approved, and the merger may be effectuated, in accordance with the procedures in sections 3201 through 3209 of this act. For the purposes of applying sections 3201 through 3209 of this act, as the context may require:

(a) The eligible entity is treated as a domestic nonprofit corporation, its interest holders are treated as members, eligible interests are treated as memberships, and organic records are treated as articles and bylaws; and

(b) If there is no board of directors and the business and affairs of the eligible entity are managed by a team or body of persons that is not identical to the interest holders, that team or body is deemed to be the board of directors.

(4) The plan of merger must be in the form of a record and include:

(a) The name of each domestic or foreign nonprofit corporation or eligible entity that will merge and the name of the domestic or foreign nonprofit corporation or eligible entity that will be the survivor of the merger;

(b) The terms and conditions of the merger;

(c) The manner and basis of converting the memberships of each merging domestic or foreign nonprofit membership corporation and the eligible interests of each merging domestic or foreign eligible entity into memberships, eligible interests, securities, or obligations; rights to acquire memberships, eligible interests, securities, or obligations; cash; other property or other consideration; or any combination of the foregoing;

(d) The articles and bylaws of any corporation, or the organic records of any eligible entity, to be created by the merger; or if a new corporation or eligible entity is not to be created by the merger, any changes to the survivor's articles or bylaws or organic records;

(e) Whether the corporation is a charitable corporation or is holding assets for charitable purposes;

(f) If the corporation is a charitable corporation or is holding assets for charitable purposes, a plan setting forth how the merging entities will comply with sections 3202 and 3204 of this act; and

(g) Any other provisions relating to the merger that the parties desire be included in the plan of merger.

(5) The plan of merger may also include a provision that the plan may be amended before filing articles of merger, but if the members of a domestic corporation that is a party to the merger are required or entitled to vote on the plan, then the plan shall provide that after approval of the plan by those members the plan may not be amended to change:

(a) The amount or kind of memberships, eligible interests, securities, or obligations; rights to acquire memberships, eligible interests, securities, or obligations; cash; or other property or other consideration to be received by the members of or owners of eligible interests in any party to the merger;

(b) The articles or bylaws of any corporation, or the organic records of any unincorporated entity, that will survive or be created as a result of the merger, except for changes permitted by section 3104(2) of this act or by comparable provisions of the

organic law of a foreign nonprofit or for-profit corporation or domestic or foreign unincorporated entity; or

(c) Any of the other terms or conditions of the plan, if the change would adversely affect those members in any material respect.

(6) Terms of a plan of merger may be made dependent on facts objectively ascertainable outside the plan in accordance with section 1202(3) of this act.

NEW SECTION. Sec. 3206. ADOPTION OF PLAN OF MERGER. In the case of a nonprofit corporation that is a party to a merger:

(1) The plan of merger must be adopted by the board.

(2) Except as provided in subsection (9) of this section, section 3205 of this act, or the articles or bylaws, after adopting the plan of merger, the board shall submit the plan to those members entitled to vote on the plan for their approval. The board shall also deliver to the members a recommendation that the members approve the plan, unless the board makes a determination that because of conflicts of interest or other special circumstances it should not make such a recommendation, in which case the board shall deliver to the members the basis for that determination.

(3) The board may condition its submission of the plan of merger to the members on any basis.

(4) If the plan of merger is required to be approved by the members, and if the approval is to be given at a meeting, then the nonprofit corporation shall give notice to each member, whether or not entitled to vote on the merger, of the meeting of members at which the plan is to be submitted for approval. The notice shall state that the purpose, or one of the purposes, of the meeting is to consider the plan and must contain or be accompanied by a copy or summary of the plan. If the corporation is to be merged into an existing corporation or eligible entity, then the notice shall also include a copy or summary of the articles and bylaws or organic records of that corporation or eligible entity. If the corporation is to be merged into a corporation or eligible entity that is to be created pursuant to the merger, then the notice shall include a copy or a summary of the articles and bylaws or organic records of the new corporation or eligible entity. If a summary is provided in lieu of a copy of the plan or of the articles and bylaws, then a copy of the plan and articles and bylaws, as applicable, must be available to members upon request and this fact must be stated in the notice. Such copy of the plan and articles and bylaws, as applicable, may be made available in electronic format.

(5) Unless the articles or bylaws, or the board acting pursuant to subsection (3) of this section, requires a greater vote or a greater number of votes to be present, the approval of the plan of merger by the members entitled to vote thereon requires the approval of a majority of those members at a meeting at which a quorum is present, and, if any class of members is entitled to vote as a separate group on the plan of merger, the approval of a majority of the members of each voting group entitled to vote at a meeting at which a quorum of the voting group is present.

(6) Separate voting on a plan of merger is required:

(a) By each class of members:

(i) Whose memberships are to be converted into eligible interests, securities, or obligations; rights to acquire eligible interests, securities, or obligations; cash; other property or other consideration; or any combination of the foregoing;

(ii) Which is to experience a change in the rights, powers, preferences, or limitations of the class as a result of the merger; or

(iii) That would be entitled to vote as a separate group on a provision in the plan that, if contained in a proposed amendment to articles of incorporation, would require action by separate voting groups under the articles or bylaws.

NINETY FOURTH DAY, APRIL 14, 2021

2021 REGULAR SESSION

(b) By a voting group, if the voting group is entitled under the articles or bylaws to vote as a voting group to approve a plan of merger.

(7) If a plan of merger would affect in the same or a substantially similar way two or more classes of members entitled to vote separately on the plan of merger under subsection (6)(a) of this section, then, instead of voting separately, all similarly affected classes of members shall vote together as a single voting group on the plan of merger, unless otherwise provided in the articles or as a condition imposed by the board under subsection (3) of this section.

(8) If as a result of a merger one or more members of a domestic nonprofit corporation would become subject to owner liability for the debts, obligations or liabilities of any other person or entity, then approval of the plan of merger requires the execution, by each member who would become subject to owner liability, of a separate record consenting to become subject to owner liability.

(9) If a domestic nonprofit corporation that is a party to a merger does not have any members entitled to vote on the merger, then a plan of merger is deemed adopted by the corporation when it has been adopted by the board pursuant to subsection (1) of this section. If a membership corporation has no members entitled to vote on the merger, then the corporation shall deliver notice of the proposed merger to all members of the corporation at least five days before the meeting at which the board is to adopt the plan of merger.

(10) In addition to the adoption and approval of the plan of merger by the board and members as required by this section, the plan of merger must also be approved in the form of a record by any person or group of persons whose approval is required under section 3114 of this act to amend the articles or bylaws.

(11) Adoption and approval of a plan of merger by all required persons under the procedures set forth in this section constitutes adoption and approval of all changes to the approving party's articles, bylaws, or other organic documents contained within the plan of merger.

NEW SECTION. Sec. 3207. ARTICLES OF MERGER. (1) After a plan of merger has been adopted and approved as required by sections 3201 through 3209 of this act, articles of merger must be executed on behalf of each party to the merger by an officer or other authorized representative of the party. The articles of merger shall set forth:

- (a) The names of the parties to the merger;
- (b) If the articles of the surviving domestic nonprofit corporation are being changed, or if a new domestic nonprofit corporation is created as a result of a merger, the changes to the articles of the surviving corporation or the articles of the new corporation;
- (c) If the plan of merger required approval by the members of a domestic nonprofit corporation that was a party to the merger, a statement that the plan was approved by the members and, if voting by any separate voting group was required, by each separate voting group entitled to vote, in the manner required by this chapter and the articles or bylaws;
- (d) If the plan of merger did not require approval by the members of a domestic nonprofit corporation that was a party to the merger, a statement to that effect;
- (e) If a party to the merger is a noncharitable corporation holding property for charitable purposes, and the survivor is not a charitable corporation, a statement that the attorney general has approved, or is deemed to have approved, the merger pursuant to section 3202 of this act; and
- (f) As to each foreign nonprofit corporation or eligible entity that was a party to the merger, a statement that the participation

of the foreign corporation or eligible entity was authorized as required by the organic law of the corporation or eligible entity.

(2) Terms of articles of merger may be made dependent on facts objectively ascertainable outside the articles in accordance with section 1202(3) of this act.

(3) Articles of merger must be delivered to the secretary of state for filing by the surviving entity of the merger and shall take effect at the effective time provided in RCW 23.95.210. Articles of merger filed under this section may be combined with any filing required under the organic law of any domestic eligible entity involved in the transaction if the combined filing satisfies the requirements of both this section and the other organic law.

NEW SECTION. Sec. 3208. EFFECT OF MERGER. (1) Subject to sections 3202 and 3203 of this act, if the surviving entity is a domestic nonprofit corporation when a merger becomes effective:

- (a) The domestic nonprofit corporation that is designated in the plan of merger as the surviving corporation continues or comes into existence, as the case may be;
- (b) The separate existence of every domestic or foreign nonprofit corporation or eligible entity that is merged into the survivor ceases;
- (c) All property owned by, and every contract and other right possessed by, each domestic or foreign nonprofit corporation or eligible entity that merges into the surviving corporation is vested in the surviving corporation without reversion or impairment;
- (d) All liabilities of each domestic or foreign nonprofit corporation or eligible entity that is merged into the survivor are vested in the surviving corporation;
- (e) The name of the surviving corporation may, but need not be, substituted in any pending proceeding for the name of any party to the merger whose separate existence ceased in the merger;
- (f) The articles and bylaws or organic records of the surviving corporation are amended to the extent of the changes provided in the plan of merger;
- (g) The articles and bylaws of a surviving corporation that is created by the merger become effective; and
- (h) The memberships of each corporation that is a party to the merger, and the eligible interests in an eligible entity that is a party to a merger, that are to be converted under the plan of merger into memberships, eligible interests, securities, or obligations; rights to acquire memberships, eligible interests, securities, or obligations; cash; other property or other consideration; or any combination of the foregoing; are converted.

(2) A person who becomes subject to owner liability for some or all of the debts, obligations, or liabilities of any entity as a result of a merger has owner liability only to the extent provided in the organic law of the entity and only for those debts, obligations, and liabilities that arise after the effective time of the articles of merger, except to the extent that the person consented to become subject to liability under section 3206(8) of this act.

(3) The effect of a merger on the owner liability of a person who had owner liability for some or all of the debts, obligations, or liabilities of a party to the merger is as follows:

- (a) The merger does not discharge any owner liability under the organic law of the entity in which the person was a member, shareholder, or interest holder to the extent that owner liability arose before the effective time of the articles of merger.
- (b) The person does not have owner liability under the organic law of the entity in which the person was a member, shareholder, or interest holder before the merger for any debt, obligation, or liability that arises after the effective time of the articles of merger.

(c) The provisions of the organic law of any entity for which the person had owner liability before the merger continue to apply to the collection or discharge of any owner liability preserved by subsection (1) of this section, as if the merger had not occurred.

(d) The person has whatever rights of contribution from other persons are provided by the organic law of the entity for which the person had owner liability with respect to any owner liability preserved by (a) of this subsection, as if the merger had not occurred.

(4) A devise, bequest, gift, grant, or promise contained in a will or other instrument, in trust or otherwise, made before or after a merger, to or for any of the parties to the merger, inures to the survivor, subject to the express terms of the will or other instrument.

NEW SECTION. Sec. 3209. ABANDONMENT OF MERGER. (1) Unless otherwise provided in a plan of merger or in the organic law of a foreign nonprofit corporation or a domestic or foreign eligible entity that is a party to a merger, after the plan has been adopted and approved as required by sections 3201 through 3209 of this act, and at any time before the merger has become effective, it may be abandoned by a domestic nonprofit corporation that is a party thereto without action by its members, in accordance with any procedures set forth in the plan of merger or, if no procedures are set forth in the plan, in the manner determined by the board, subject to any contractual rights of other parties to the merger.

(2) If a merger is abandoned under subsection (1) of this section after articles of merger have been filed by the secretary of state but before the merger has become effective, then a statement that the merger has been abandoned in accordance with this section, executed on behalf of a party to the merger by an officer or other authorized representative, must be delivered to the secretary of state for filing before the effective date of the merger. Upon filing by the secretary of state, the statement takes effect and the merger is deemed abandoned and shall not become effective.

A person who is a member, interest holder, or otherwise affiliated with a charitable corporation or an unincorporated entity with charitable purposes may not receive a direct or indirect financial benefit in connection with a transaction governed by sections 3301 through 3326 of this act to which the charitable corporation or unincorporated entity is a party unless the person is itself a charitable corporation, the federal government, a tribal, state, or local government, a governmental subdivision, or an unincorporated entity that has charitable purposes. This section does not apply to the receipt of reasonable compensation for services rendered.

NEW SECTION. Sec. 3306. VOTING RIGHTS IN EXISTING CORPORATIONS. For any corporation formed before January 1, 2022, any member or other person who is entitled under the articles or bylaws to vote on or approve a merger transaction involving the corporation is deemed entitled, to the same extent, to vote on or approve any transaction under sections 3301 through 3326 of this act involving the corporation.

NEW SECTION. Sec. 3307. DOMESTICATION. (1) A foreign nonprofit corporation may become a domestic nonprofit corporation only if the law of the foreign jurisdiction allows the domestication.

(2) A domestic nonprofit corporation may become a foreign nonprofit corporation if the law of the foreign jurisdiction allows the domestication.

(3) Regardless of whether the laws of the foreign jurisdiction require the adoption of a plan of domestication, the domestication must be approved by the corporation's adoption of a plan of domestication in the manner provided in sections 3301 through 3326 of this act.

(4) The plan of domestication shall include:

(a) A statement of the jurisdiction in which the corporation is to be domesticated;

(b) The terms and conditions of the domestication;

(c) The manner and basis of canceling or reclassifying the memberships of the corporation following its domestication into memberships, obligations, rights to acquire memberships, cash, other property, or any combination of the foregoing;

(e) Any desired changes to the articles or bylaws of the corporation in connection with its domestication.

(5) The plan of domestication may also include a provision that the plan may be amended before filing the document required by the laws of this state or the other jurisdiction to consummate the domestication; except that, after approval of the plan by the members, the plan may not be amended without the approval of the members entitled to vote thereon to change:

(a) The amount or kind of memberships, obligations, rights to acquire memberships, cash, or other property to be received by the members under the plan;

(b) The articles as they will be in effect immediately following the domestication, except for changes permitted by section 3104 of this act or by comparable provisions of the laws of the other jurisdiction; or

(c) Any of the other terms or conditions of the plan if the change would adversely affect any of the members in any material respect.

(6) Terms of a plan of domestication may be made dependent upon facts objectively ascertainable outside the plan in accordance with section 1202(3) of this act.

(7) If any debt security, note, or similar evidence of indebtedness for money borrowed, whether secured or unsecured, or a contract of any kind, issued, incurred or executed by a domestic nonprofit corporation before January 1, 2022, contains a provision applying to a merger of the corporation and the document does not refer to a domestication of the corporation, then the provision is deemed to apply to a domestication of the corporation until the provision is amended after that date.

NEW SECTION. Sec. 3308. ACTION ON A PLAN OF DOMESTICATION. In the case of a domestication of a domestic nonprofit corporation in a foreign jurisdiction:

(1) The plan of domestication must be adopted by the board.

(2) If there are no members entitled to vote on the plan, then the plan must be adopted by a vote of the majority of directors then in office. If a membership corporation has no members entitled to vote on the plan, then the corporation shall deliver notice of the proposed domestication to all members of the corporation at least ten days before the meeting at which the board is to adopt the plan.

(3) After adopting the plan of domestication, the board shall submit the plan to the members for their approval, if there are members entitled to vote on the plan. The board shall also transmit to the members a recommendation that the members approve the plan, unless the board determines that, because of conflicts of interest or other special circumstances, it should not make such a recommendation, in which case the board shall transmit to the members the basis for that determination.

(4) The board may condition its submission of the plan of domestication to the members on any basis.

(5) If the approval of the members is to be given at a meeting, then the corporation shall notify each member, whether or not entitled to vote, of the meeting of members at which the plan of domestication is to be submitted for approval. The notice shall state that the purpose, or one of the purposes, of the meeting is to consider the plan and must contain or be accompanied by a copy or summary of the plan. The notice shall include a copy of the articles and bylaws as they will be in effect immediately after the domestication. If a summary is provided in lieu of a copy of the plan, then a copy of the plan must be available to members upon request and this fact must be stated in the notice.

(6) Unless the articles or bylaws, or the board acting pursuant to subsection (4) of this section, requires a greater vote or a greater number of votes to be present, the approval of the plan of domestication by the members entitled to vote thereon requires the approval of a majority of those members at a meeting at which a quorum is present, and, if any class of members is entitled to vote as a separate group on the plan, the approval of a majority of the members of each separate voting group entitled to vote at a meeting at which a quorum of the voting group is present.

(7) A separate voting by voting groups is required by each class of members that:

(a) Is to be reclassified under the plan of domestication into a different class of members, or into obligations, rights to acquire memberships, cash, other property, or any combination of the foregoing;

(b) Would be entitled to vote as a separate group on a provision of the plan that, if contained in a proposed amendment to articles of incorporation, would require action by separate voting groups under section 3105 of this act; or

(c) Is entitled under the articles or bylaws to vote as a voting group to approve an amendment of the articles.

(8) If any provision of the articles, bylaws, or an agreement to which any of the directors or members are parties, adopted or entered into before January 1, 2022, applies to a merger of the corporation and that document does not refer to a domestication of the corporation, then the provision is deemed to apply to a domestication of the corporation until the provision is later amended.

NEW SECTION. Sec. 3309. ARTICLES OF DOMESTICATION. (1) Articles of domestication must be executed on behalf of the domesticating corporation by an officer or other authorized representative. The articles shall set forth:

(a) The name and jurisdiction of incorporation of the domesticating corporation;

(b) The name and jurisdiction of incorporation of the domesticated entity; and

(c) If the domesticating corporation is a domestic nonprofit corporation, a statement that the plan of domestication was approved in accordance with sections 3301 through 3326 of this act or, if the domesticating corporation is a foreign nonprofit corporation, a statement that the domestication was approved in accordance with the law of its jurisdiction of incorporation.

(2) The articles of domestication must be delivered to the secretary of state for filing, and take effect at the effective time provided in RCW 23.95.210.

(3) If the domesticating corporation is a foreign corporation, then the domesticating corporation must, simultaneously with the delivery of the articles of domestication, deliver articles of incorporation that comply with this title to the secretary of state for filing and the secretary of state shall file the articles. Provisions that would not be required to be included in restated articles of incorporation may be omitted, except that the name and address of the initial registered agent of the corporation must be included and the name of the corporation must satisfy the requirements of section 1302 of this act.

(4) If the domesticating corporation is a registered foreign corporation, then its registration is terminated automatically on the effective date of its domestication, and the secretary of state shall record the termination of the registration.

NEW SECTION. Sec. 3310. EFFECT OF DOMESTICATION. (1) Except as provided in section 3304 of this act, when a domestication becomes effective:

(a) The title to all real and personal property, both tangible and intangible, of the domesticating corporation remains in the domesticated corporation without reversion or impairment;

(b) The liabilities of the domesticating corporation remain the liabilities of the domesticated corporation;

(c) An action or proceeding pending against the domesticating corporation continues against the domesticated corporation as if the domestication had not occurred;

(d) The articles of incorporation filed pursuant to section 3309(3) of this act constitute the articles of a foreign corporation domesticating in Washington state;

(e) The memberships in the domesticating corporation are reclassified into memberships, obligations, rights to acquire memberships, or cash or other property in accordance with the terms of the domestication, and the members are entitled only to the rights provided by those terms;

(f) Gift restrictions binding the domestic corporation remain in place as if the domestication had not occurred, unless modified in accordance with section 1503 of this act;

(g) A devise, bequest, gift, grant, or promise contained in a will or other instrument, in trust or otherwise, made to or for the domesticating corporation before or after the domestication,

inures to the domesticated corporation, subject to the express terms of the will or other instrument; and

(h) The domesticating corporation is deemed to be:

(i) Incorporated under and subject to the organic law of the domesticated corporation for all purposes; and

(ii) The same corporation without interruption as the domesticating corporation.

(2) The interest holder liability of a member in a foreign nonprofit corporation that is domesticated in the state of Washington is as follows:

(a) The domestication does not discharge any interest holder liability under the laws of the foreign jurisdiction to the extent the interest holder liability arose before the effective time of the articles of domestication.

(b) The member does not have interest holder liability under the laws of the foreign jurisdiction for any debt, obligation, or liability of the corporation that arises after the effective time of the articles of domestication.

(c) The provisions of the laws of the foreign jurisdiction continue to apply to the collection or discharge of any interest holder liability preserved by (a) of this subsection, as if the domestication had not occurred.

(d) The domestication has no effect on any member's rights of contribution from other members provided by the laws of the foreign jurisdiction with respect to any interest holder liability preserved by (a) of this subsection.

NEW SECTION. Sec. 3311. ABANDONMENT OF DOMESTICATION. (1) Unless otherwise provided in a plan of domestication of a domestic nonprofit corporation, after the plan has been adopted and approved as required by sections 3301 through 3326 of this act, and at any time before the domestication has become effective, it may be abandoned by the members if there are members entitled to vote on the plan of domestication, or by the board without action by members.

(2) If a domestication is abandoned under subsection (1) of this section after articles of domestication have been filed by the secretary of state but before the domestication has become effective, then a statement that the domestication has been abandoned in accordance with this section, executed by an officer or other authorized representative, must be delivered to the secretary of state for filing before the effective date of the domestication. The statement takes effect upon filing and the domestication is abandoned and does not become effective.

(3) If the domestication of a foreign nonprofit corporation in Washington state is abandoned in accordance with the laws of the foreign jurisdiction after articles of domestication have been filed by the secretary of state, then a statement that the domestication has been abandoned, executed by an officer or other authorized representative, must be delivered to the secretary of state for filing. The statement takes effect upon filing and the domestication is abandoned and does not become effective.

NEW SECTION. Sec. 3312. FOR-PROFIT CONVERSION OF NONCHARITABLE CORPORATIONS.

(1) A domestic nonprofit corporation, other than a charitable corporation, may become a domestic for-profit corporation pursuant to a plan of for-profit conversion if the for-profit conversion is permitted under Title 23B RCW.

(2) A domestic nonprofit corporation, other than a charitable corporation, may become a foreign for-profit corporation if the for-profit conversion is permitted by the laws of the foreign jurisdiction. Regardless of whether the laws of the foreign jurisdiction require the adoption of a plan of for-profit conversion, the foreign for-profit conversion must be approved by the adoption by the domestic nonprofit corporation of a plan of for-profit conversion in the manner provided in sections 3301 through 3326 of this act.

NINETY FOURTH DAY, APRIL 14, 2021

2021 REGULAR SESSION

(5) Terms of a plan of for-profit conversion may be made dependent upon facts objectively ascertainable outside the plan in accordance with section 1202(3) of this act.

(6) If any debt security, note, or similar evidence of indebtedness for money borrowed, whether secured or unsecured, or a contract of any kind, issued, incurred, or executed by a domestic nonprofit corporation before January 1, 2022, contains a provision applying to a merger of the corporation and the document does not refer to a for-profit conversion of the corporation, then the provision is deemed to apply to a for-profit conversion of the corporation until the provision is later amended.

NEW SECTION. Sec. 3313. ACTION ON A PLAN OF FOR-PROFIT CONVERSION. In the case of a conversion of a domestic nonprofit corporation to a domestic or foreign for-profit corporation:

If a membership corporation has no members entitled to vote on the plan, then the corporation shall deliver notice of the proposed for-profit conversion to all members of the corporation at least ten days before the meeting at which the board is to adopt the plan.
- (3) After adopting the plan of for-profit conversion, the board shall submit the plan to the members for their approval if there are members entitled to vote on the plan. The board shall also deliver to the members a recommendation that the members approve the plan, unless the board determines that because of conflicts of interest or other special circumstances, it should not make such a recommendation, in which case the board shall deliver to the members the basis for that determination.
- (4) The board may condition its submission of the plan of for-profit conversion to the members on any basis.

(5) If the approval of the members is to be given at a meeting, then the corporation shall notify each member of the meeting of members at which the plan of for-profit conversion is to be submitted for approval. The notice shall state that the purpose, or one of the purposes, of the meeting is to consider the plan and must contain or be accompanied by a copy or summary of the plan. The notice shall include a copy of the articles as they will be in effect immediately after the for-profit conversion. If a summary is provided in lieu of a copy of the plan, then a copy of the plan must be available to members upon request and this fact must be stated in the notice.

(6) Unless the articles or bylaws, or the board acting pursuant to subsection (4) of this section, require a greater vote or a greater number of votes to be present, the approval of the plan of for-profit conversion by the members entitled to vote thereon requires approval of a majority of those members at a meeting at which a quorum is present, and, if any class of members is entitled to vote as a separate group on the plan of for-profit conversion, the approval of a majority of the members of each separate voting group entitled to vote at a meeting at which a quorum of the voting group is present.

(7) If any provision of the articles, bylaws, or an agreement to which any of the directors or members are parties, adopted or entered into before January 1, 2022, applies to a merger of the corporation and the document does not refer to a for-profit conversion of the corporation, then the provision is deemed to apply to a for-profit conversion of the corporation until the provision is later amended.

NEW SECTION. Sec. 3314. ARTICLES OF FOR-PROFIT CONVERSION. (1) Articles of for-profit conversion must be executed on behalf of the converting corporation by an officer of the corporation. The articles shall set forth:

(a) If the surviving corporation is a domestic business corporation, the name of the corporation immediately before the filing of the articles of for-profit conversion and if that name does not satisfy the requirements of RCW 23B.04.010, or the corporation desires to change its name in connection with the conversion, a name that satisfies the requirements of RCW 23B.04.010;

(f) Where there are no members or no members having voting rights with respect to the for-profit conversion, a statement to that effect, the date of the meeting of the board at which the amendment was adopted, and a statement that the amendment received the vote of a majority of directors in office.

(2) If the surviving corporation is a domestic for-profit corporation, then the articles of for-profit conversion shall either contain all of the provisions that RCW 23B.02.020 requires to be set forth in articles of incorporation of a domestic for-profit corporation and any other desired provisions permitted under Title 23B RCW, or have attached articles of incorporation that satisfy the requirements of RCW 23B.02.020. In either case, provisions that would not be required to be included in restated

articles of incorporation of a domestic for-profit corporation may be omitted, except that the name and address of the initial registered agent of the for-profit corporation must be included.

(3) The articles of for-profit conversion and articles of incorporation, if a separate document, must be delivered to the secretary of state for filing, and take effect at the effective time provided in RCW 23.95.210.

NEW SECTION. Sec. 3315. EFFECT OF FOR-PROFIT CONVERSION. (1) Except as provided in section 3304 of this act, when a conversion of a domestic nonprofit corporation to a domestic or foreign for-profit corporation becomes effective:

(a) The title to all real and personal property, both tangible and intangible, of the corporation remains in the corporation without reversion or impairment;

(b) The liabilities of the corporation remain the liabilities of the corporation;

(c) An action or proceeding pending against the corporation continues against the corporation as if the conversion had not occurred;

(d) The articles of the domestic or foreign for-profit corporation become effective;

(f) A devise, bequest, gift, grant, or promise contained in a will or other instrument, in trust or otherwise, made to or for the corporation before or after the for-profit conversion, continues to inure to the corporation, subject to the express terms of the will or other instrument; and

(g) The corporation is deemed to:

(i) Be a domestic or foreign for-profit corporation for all purposes; and

(ii) Be the same corporation without interruption as the nonprofit corporation.

(2) The interest holder liability of a member in a domestic nonprofit corporation that converts to a domestic for-profit corporation is as follows:

(a) The conversion does not discharge any interest holder liability of the member as a member of the nonprofit corporation to the extent the interest holder liability arose before the effective time of the articles of for-profit conversion.

(b) The member does not have interest holder liability for any debt, obligation, or liability of the for-profit corporation that arises after the effective time of the articles of for-profit conversion.

(c) The laws of this state continue to apply to the collection or discharge of any interest holder liability preserved by (a) of this subsection, as if the conversion had not occurred.

(d) The member has whatever rights of contribution from other members are provided by the laws of this state with respect to any interest holder liability preserved by (a) of this subsection, as if the conversion had not occurred.

(3) A member who becomes subject to interest holder liability for some or all of the debts, obligations, or liabilities of the for-profit corporation has interest holder liability only for those debts, obligations, or liabilities of the for-profit corporation that arise after the effective time of the articles of for-profit conversion.

NEW SECTION. Sec. 3316. ABANDONMENT OF FOR-PROFIT CONVERSION. (1) Unless otherwise provided in a plan of for-profit conversion of a domestic nonprofit corporation, after the plan has been adopted and approved as required by sections 3301 through 3326 of this act, and at any time before the for-profit conversion has become effective, it may be abandoned

by the members if there are members entitled to vote on the for-profit conversion, or by the board without action by members.

(2) If a for-profit conversion is abandoned under subsection (1) of this section after articles of for-profit conversion have been filed by the secretary of state but before the for-profit conversion has become effective, then a statement that the for-profit conversion has been abandoned in accordance with this section, executed by an officer of the corporation, must be delivered to the secretary of state for filing before the effective date of the for-profit conversion. The statement takes effect upon filing and the for-profit conversion is abandoned and does not become effective.

NEW SECTION. Sec. 3317. FOR-PROFIT DOMESTICATION AND CONVERSION. A foreign for-profit corporation may become a domestic nonprofit corporation if the domestication and conversion is permitted by the law of the foreign jurisdiction.

NEW SECTION. Sec. 3318. ARTICLES OF DOMESTICATION AND CONVERSION. (1) Articles of domestication and conversion must be executed on behalf of the domesticating and converting corporation by an officer or other authorized representative. The articles shall set forth:

(a) The name of the corporation immediately before the filing of the articles of domestication and conversion and, if that name is unavailable for use in Washington state or the corporation desires to change its name in connection with the domestication and conversion, a name that satisfies the requirements of section 1302 of this act;

(b) The jurisdiction of incorporation of the corporation immediately before the filing of the articles of domestication and conversion and the date the corporation was incorporated in that jurisdiction; and

(c) A statement that the domestication and conversion of the corporation in this state was authorized as required by the laws of the jurisdiction in which the corporation was incorporated immediately before its domestication and conversion in Washington state.

(2) The articles of domestication and conversion shall either contain all of the provisions that section 1303(1) of this act requires to be set forth in articles of incorporation and any other desired provisions that section 1303 (2) and (3) of this act permit to be included in articles of incorporation, or have attached articles of incorporation that comply with this chapter. In either case, provisions that would not be required to be included in restated articles of incorporation may be omitted, except that the name and address of the initial registered agent of the domestic nonprofit corporation must be included.

(3) If the domesticating corporation is a foreign corporation, then the domesticating corporation must, simultaneously with the delivery of the articles of domestication and conversion, deliver articles of incorporation that comply with this chapter to the secretary of state for filing and the secretary of state shall file the articles. Provisions that would not be required to be included in restated articles of incorporation may be omitted, except that the name and address of the initial registered agent of the corporation must be included and the name of the corporation must satisfy the requirements of section 1302 of this act.

(4) If the foreign for-profit corporation is authorized to transact business in Washington state under chapter 23B.01 RCW, then its registration shall be terminated automatically on the effective date of its domestication and conversion and the secretary of state shall record the termination of registration.

NEW SECTION. Sec. 3319. EFFECT OF FOR-PROFIT DOMESTICATION AND CONVERSION. (1) When a domestication and conversion of a foreign for-profit corporation to a domestic nonprofit corporation becomes effective:

NINETY FOURTH DAY, APRIL 14, 2021

2021 REGULAR SESSION

(a) The title to all real and personal property, both tangible and intangible, of the corporation remains in the corporation without reversion or impairment;

(b) The liabilities of the corporation remain the liabilities of the corporation;

(c) An action or proceeding pending against the corporation continues against the corporation as if the domestication and conversion had not occurred;

(d) The articles of domestication and conversion, or the articles attached to the articles of domestication and conversion, constitute the articles of incorporation of the corporation;

(e) Memberships, securities, obligations, rights to acquire memberships or securities of the corporation, or cash or other property must be issued or paid as provided pursuant to the laws of the foreign jurisdiction;

(f) A devise, bequest, gift, grant, or promise contained in a will or other instrument, in trust or otherwise, made to or for the foreign for-profit corporation before or after the domestication and conversion, inures to the domestic nonprofit corporation, subject to the express terms of the will or other instrument and to applicable law of the foreign jurisdiction; and

(g) The corporation is deemed to be:

(i) A domestic corporation for all purposes; and

(ii) The same corporation without interruption as the foreign for-profit corporation.

(2) The interest holder liability of a shareholder of the foreign for-profit corporation who becomes a member of the domestic nonprofit corporation in the domestication and conversion is as follows:

(a) The domestication and conversion does not discharge any interest holder liability under the laws of the foreign jurisdiction to the extent the interest holder liability arose before the effective time of the articles of domestication and conversion.

(b) The member does not have interest holder liability under the laws of the foreign jurisdiction for any debt, obligation, or liability of the corporation that arises after the effective time of the articles of domestication and conversion.

(c) The provisions of the laws of the foreign jurisdiction continue to apply to the collection or discharge of any interest holder liability preserved by (a) of this subsection, as if the domestication and conversion had not occurred.

(d) The member has whatever rights of contribution from other members are provided by the laws of the foreign jurisdiction with respect to any interest holder liability preserved by (a) of this subsection, as if the domestication and conversion had not occurred.

(3) A shareholder of a foreign for-profit corporation who becomes subject to interest holder liability for some or all of the debts, obligations, or liabilities of the corporation as a result of its domestication and conversion in this state has interest holder liability only for those debts, obligations, or liabilities of the corporation that arise after the effective time of the articles of domestication and conversion.

NEW SECTION. Sec. 3320. ABANDONMENT OF FOR-PROFIT DOMESTICATION AND CONVERSION. If the domestication and conversion of a foreign for-profit corporation to a domestic nonprofit corporation is abandoned in accordance with the laws of the foreign jurisdiction after articles of domestication and conversion have been filed by the secretary of state, then a statement that the domestication and conversion has been abandoned, executed by an officer or other authorized representative, must be delivered to the secretary of state for filing. The statement takes effect upon filing and the domestication and conversion is abandoned and does not become effective.

NEW SECTION. Sec. 3321. ENTITY CONVERSION FOR NONCHARITABLE CORPORATIONS. (1) A domestic nonprofit corporation, other than a charitable corporation, may become a domestic unincorporated entity pursuant to a plan of entity conversion only if the entity conversion is permitted under the organic law governing the entity that would survive the entity conversion.

(2) A domestic nonprofit corporation, other than a charitable corporation, may become a foreign unincorporated entity if the entity conversion is permitted by the laws of the foreign jurisdiction.

(3) A domestic unincorporated entity may be converted into a domestic nonprofit corporation only if applicable Washington state law provides procedures for the approval of an entity conversion into a domestic nonprofit corporation.

(4) A foreign unincorporated entity may become a domestic nonprofit corporation if the law of the foreign jurisdiction authorizes it to become a nonprofit corporation in another jurisdiction.

(5) If any provision of a debt security, note, or similar evidence of indebtedness for money borrowed, whether secured or unsecured, or a contract of any kind, issued, incurred, or executed by a domestic nonprofit corporation before January 1, 2022, applies to a merger of the corporation and the document does not refer to an entity conversion of the corporation, then the provision is deemed to apply to an entity conversion of the corporation until the provision is later amended.

NEW SECTION. Sec. 3322. PLAN OF ENTITY CONVERSION. (1) A plan of entity conversion shall include:

(a) A statement of the type of unincorporated entity the surviving entity will be and, if it will be a foreign unincorporated entity, its jurisdiction of organization;

(b) The terms and conditions of the conversion;

(c) The manner and basis of converting the memberships in the domestic nonprofit corporation following its conversion into interests or other securities, obligations, rights to acquire interests or other securities, cash, other property, or any combination of the foregoing;

(d) If the corporation is holding assets for charitable purposes, a plan setting forth how the corporation will comply with section 3304 (1) through (3) of this act; and

(e) The full text, as they will be in effect immediately following the conversion, of the organic documents of the surviving entity.

(2) The plan of entity conversion may also include a provision that the plan may be amended before filing articles of entity conversion, except that after approval of the plan by the members the plan may not be amended to change:

(a) The amount or kind of memberships or other securities, interests, obligations, rights to acquire memberships, securities, or interests, cash, or other property to be received under the plan by the members;

(b) The organic documents that will be in effect immediately following the conversion, except for changes permitted by a provision of the organic law of the surviving entity comparable to section 3104(2) of this act; or

(c) Any of the other terms or conditions of the plan if the change would adversely affect any of the members in any material respect.

(3) Terms of a plan of entity conversion may be made dependent upon facts objectively ascertainable outside the plan in accordance with section 1202(3) of this act.

NEW SECTION. Sec. 3323. ACTION ON A PLAN OF ENTITY CONVERSION. In the case of an entity conversion of a domestic nonprofit corporation to a domestic or foreign unincorporated entity:

(1) The plan of entity conversion must be adopted by a vote of the majority of the directors in office.

(2) If there are no members entitled to vote on the plan, then the plan must be adopted by a vote of the majority of directors then in office. If a membership corporation has no members entitled to vote on the plan, then the corporation shall deliver notice of the proposed entity conversion to all members of the corporation at least ten days before the meeting at which the board is to adopt the plan.

(3) After adopting the plan of entity conversion, the board shall submit the plan to the members for their approval if there are members entitled to vote on the plan. The board shall also deliver to the members a recommendation that the members approve the plan, unless the board determines that because of conflicts of interest or other special circumstances it should not make such a recommendation, in which case the board shall deliver to the members the basis for that determination.

(4) The board may condition its submission of the plan of entity conversion to the members on any basis.

(5) If the approval of the members is to be given at a meeting, then the corporation shall notify each member, whether or not entitled to vote, of the meeting of members at which the plan of entity conversion is to be submitted for approval. The notice shall state that the purpose, or one of the purposes, of the meeting is to consider the plan and must contain or be accompanied by a copy or summary of the plan. The notice shall include a copy of the organic documents as they will be in effect immediately after the entity conversion. The notice may additionally be accompanied by a summary of the required materials. If a summary is provided in lieu of a copy of the plan, then a copy of the plan must be available to members upon request and this fact must be stated in the notice. Such copy of the plan may be made available to members electronically.

(6) Unless the articles, or the board acting pursuant to subsection (3) of this section, requires a greater vote or a greater number of votes to be present, the approval of the plan of entity conversion by the members entitled to vote thereon requires the approval of a majority of those members at a meeting at which a quorum is present, and, if any class of members is entitled to vote as a separate group on the plan of entity conversion, the approval of a majority of the members of each separate voting group entitled to vote at a meeting at which a quorum of the voting group is present.

(7) If any provision of the articles, bylaws, or an agreement to which any of the directors or members are parties, adopted or entered into before January 1, 2022, applies to a merger of the corporation and the document does not refer to an entity conversion of the corporation, then the provision is deemed to apply to an entity conversion of the corporation until the provision is later amended.

(8) If, as a result of the conversion, one or more members of the corporation would become subject to interest holder liability for the debts, obligations, or liabilities of any other person or entity, then approval of the plan of conversion requires the execution, by each affected member, of a separate written consent to become subject to interest holder liability.

NEW SECTION. Sec. 3324. ARTICLES OF ENTITY CONVERSION. (1) After the conversion of a domestic nonprofit corporation to a domestic or foreign unincorporated entity has been adopted and approved as required under sections 3301 through 3326 of this act, articles of entity conversion must be executed on behalf of the converting corporation by an officer of the corporation. The articles must:

(a) Set forth the name of the corporation immediately before the filing of the articles of entity conversion and the name to which the name of the corporation is to be changed, which must

be a name that satisfies the organic law of the surviving entity if the surviving entity is a domestic entity;

(c) If the corporation is holding assets for charitable purposes, state that the attorney general has approved, or is deemed to have approved, the entity conversion pursuant to section 3304(4) of this act;

(d) State the type of unincorporated entity that the surviving entity will be and its jurisdiction of organization;

(e) State that the plan of entity conversion was approved in the manner required by this chapter; and

(f) If the surviving entity is a domestic filing entity, either contain all of the provisions required to be set forth in its public organic record and any other desired provisions that are permitted, or have attached a public organic record.

(2) After the conversion of a domestic unincorporated entity to a domestic nonprofit corporation has been adopted and approved as required by the organic law of the unincorporated entity, articles of entity conversion must be executed on behalf of the unincorporated entity by an officer or other authorized representative. The articles must:

(3) After the conversion of a foreign unincorporated entity to a domestic nonprofit corporation has been authorized as required by the laws of the foreign jurisdiction, articles of entity conversion must be executed on behalf of the foreign unincorporated entity by an officer or other authorized representative. The articles must:

(a) Set forth the name of the unincorporated entity immediately before the filing of the articles of entity conversion and the name to which the name of the unincorporated entity is to be changed, which must be a name that satisfies the requirements of section 1302 of this act;

(b) Set forth the jurisdiction under the laws of which the unincorporated entity was organized immediately before the filing of the articles of entity conversion and the date on which the unincorporated entity was organized in that jurisdiction;

(c) Set forth a statement that the conversion of the unincorporated entity was approved in the manner required by the law of the foreign jurisdiction; and

(d) Either contain all of the provisions that section 1303(1) of this act requires to be set forth in articles of incorporation and any other desired provisions that section 1303 (2) and (3) of this act permit to be included in articles of incorporation, or have attached articles of incorporation that comply with this act; except that, in either case, provisions that would not be required to be included in restated articles of incorporation of a domestic nonprofit corporation may be omitted.

(4) The articles of entity conversion and articles of incorporation must be simultaneously delivered to the secretary of state for filing. The articles of entity conversion and articles of incorporation take effect at the effective time provided in RCW 23.95.210. Articles of entity conversion filed under subsection (1)

NINETY FOURTH DAY, APRIL 14, 2021

or (2) of this section may be combined with any required conversion filing under the organic law of the domestic unincorporated entity if the combined filing satisfies the requirements of both this section and the other organic law.

(5) If the converting entity is a foreign unincorporated entity that is registered to do business in this state under chapter 23.95 RCW, then its registration statement is canceled automatically on the effective date of its conversion.

NEW SECTION. Sec. 3325. EFFECT OF ENTITY CONVERSION. (1) Except as provided in section 3304 of this act, when a conversion under sections 3301 through 3326 of this act becomes effective:

(a) The title to all real and personal property, both tangible and intangible, of the converting entity remains in the surviving entity without reversion or impairment;

(b) The liabilities of the converting entity remain the liabilities of the surviving entity;

(c) An action or proceeding pending against the converting entity continues against the surviving entity as if the conversion had not occurred;

(d) In the case of a surviving entity that is a filing entity, its articles or public organic record and its private organic rules become effective;

(e) In the case of a surviving entity that is a nonfiling entity, its private organic rules become effective;

(f) The memberships or interests of the converting entity are reclassified into memberships, interests, other securities, obligations, rights to acquire memberships, interests, or securities, or into cash or other property in accordance with the plan of conversion; and the members or interest holders of the converting entity are entitled only to the rights provided to them under the terms of the conversion and to any appraisal rights they may have under the organic law of the converting entity;

(g) A devise, bequest, gift, grant, or promise contained in a will or other instrument, in trust or otherwise, made to or for the converting entity before or after the conversion, inures to the surviving entity, subject to the express terms of the will or other instrument; and

(h) The surviving entity is deemed to be:

(i) Incorporated or organized under and subject to the organic law of the converting entity for all purposes; and

(ii) The same nonprofit corporation or unincorporated entity without interruption as the converting entity.

(2) A member who becomes subject to interest holder liability for some or all of the debts, obligations, or liabilities of the surviving entity has interest holder liability only for those debts, obligations, or liabilities of the surviving entity that arise after the effective time of the articles of entity conversion.

(3) The interest holder liability of an interest holder in an unincorporated entity that converts to a domestic nonprofit corporation is as follows:

(a) The conversion does not discharge any interest holder liability under the organic law of the unincorporated entity to the extent the interest holder liability arose before the effective time of the articles of entity conversion.

(b) The interest holder does not have interest holder liability under the organic law of the unincorporated entity for any debt, obligation, or liability of the corporation that arises after the effective time of the articles of entity conversion.

(c) The provisions of the organic law of the unincorporated entity continue to apply to the collection or discharge of any interest holder liability preserved by (a) of this subsection, as if the conversion had not occurred.

(d) The interest holder has whatever rights of contribution from other interest holders are provided by the organic law of the

2021 REGULAR SESSION

unincorporated entity with respect to any interest holder liability preserved by (a) of this subsection, as if the conversion had not occurred.

NEW SECTION. Sec. 3326. ABANDONMENT OF ENTITY CONVERSION. (1) Unless otherwise provided in a plan of entity conversion of a domestic nonprofit corporation, after the plan has been adopted and approved as required by sections 3301 through 3326 of this act, and at any time before the entity conversion has become effective, it may be abandoned by the members if there are members entitled to vote, or by the board without action by the members.

(2) If an entity conversion is abandoned after articles of entity conversion have been filed by the secretary of state but before the entity conversion has become effective, then a statement that the entity conversion has been abandoned in accordance with this section, executed by an officer of the corporation, must be delivered to the secretary of state for filing before the effective date of the entity conversion. Upon filing, the statement takes effect and the entity conversion is abandoned and does not become effective.

ARTICLE 4

DISPOSITION OF ASSETS

NEW SECTION. Sec. 3401. DISPOSITIONS NOT REQUIRING MEMBER APPROVAL. Unless the articles or bylaws otherwise provide, approval of the members of a nonprofit corporation is not required:

(1) To sell, lease, exchange, or otherwise dispose of any or all of the corporation's assets:

(a) In the usual and regular course of its activities; or

(b) If the assets disposed of represent less than fifty percent of the total assets of the corporation and its consolidated subsidiaries, determined as of the end of the most recently completed fiscal year;

(2) To mortgage, pledge, dedicate to the repayment of indebtedness whether with or without recourse, or otherwise encumber any or all of the corporation's assets, whether or not in the usual and regular course of business its activities; or

(3) To transfer any or all of the corporation's assets to one or more corporations or other entities all of the memberships or interests of which are owned by the corporation.

NEW SECTION. Sec. 3402. DISPOSITIONS REQUIRING MEMBER APPROVAL. (1) A sale, lease, exchange, or other disposition of assets, other than a disposition described in section 3401 of this act, requires approval of the corporation's members that are entitled to vote on the disposition, unless the articles or bylaws otherwise provide.

(2) A disposition that requires approval of the members must be initiated by a resolution by the board authorizing the disposition. After adoption of the resolution, the board shall submit the proposed disposition to the members for their approval. The board shall also deliver to the members a recommendation that the members approve the proposed disposition, unless the board makes a determination that because of conflicts of interest or other special circumstances it should not make a recommendation, in which case the board shall deliver to the members the basis for that determination.

(3) The board may condition its submission of a disposition to the members under subsection (2) of this section on any basis.

(4) If a disposition is required to be approved by the members, and if the approval is to be given at a meeting, then the nonprofit corporation shall give notice to each member, whether or not entitled to vote, of the meeting of members at which the disposition is to be submitted for approval. The notice shall state that the purpose, or one of the purposes, of the meeting is to consider the disposition and must contain a description of the

disposition, including the terms and conditions thereof and the consideration to be received by the corporation.

(5) Unless the articles, bylaws, or the board acting pursuant to subsection (3) of this section requires a greater vote, or a greater number of votes to be present, the approval of a disposition by the members entitled to vote thereon requires the approval of a majority of those members at a meeting at which a quorum is present, and, if any class of members is entitled to vote as a separate group on the disposition, the approval of a majority of the members of each separate voting group entitled to vote at a meeting at which a quorum of the voting group is present.

(6) If a membership corporation has no members entitled to vote on a disposition, then the corporation shall deliver notice of a proposed disposition to all members of the corporation at least ten days before the meeting at which the board is to act upon the disposition.

(7) After a disposition has been approved by the members under subsection (5) of this section, and at any time before the disposition has been consummated, it may be abandoned by the nonprofit corporation without action by the members, subject to any contractual rights of other parties to the disposition.

(8) In addition to the approval of a disposition of assets by the board and members as required by this section, the disposition must also be approved in the form of a record by any person or group of persons whose approval is required under section 3114 of this act to amend the articles or bylaws.

(9) The assets of a direct or indirect consolidated subsidiary are deemed the assets of the parent nonprofit corporation for the purposes of this section.

(10) A disposition of assets in the course of a dissolution governed by sections 3501 through 3512 of this act is not governed by sections 3401 through 3405 of this act.

NEW SECTION. Sec. 3403. EFFECT OF DISPOSITIONS. Unless a domestic entity that is a party to a disposition of assets obtains an appropriate order of the court or approval from the attorney general under the law of this state, a disposition of assets under sections 3401 through 3405 of this act may not affect:

(1) Any restriction imposed upon the entity by its organic documents or other governing authority that may not be amended by its directors, members, or interest holders; or

(2) The existing rights of persons other than members, shareholders, or interest holders of the entity.

NEW SECTION. Sec. 3404. PROPERTY HELD FOR CHARITABLE PURPOSES. (1) In a disposition of assets under sections 3401 through 3405 of this act, property held for charitable purposes by a nonprofit corporation may not be diverted from charitable purposes.

(2) Property held by a nonprofit corporation and restricted to charitable purposes by a gift instrument may not be diverted from the restricted charitable purpose by a disposition of assets under sections 3401 through 3405 of this act unless modified in accordance with section 1503 of this act.

(3) Property held for charitable purposes pursuant to a trust instrument governed by chapter 11.110 RCW in which the nonprofit corporation is a trustee or a beneficiary may not be diverted from the charitable purposes specified in the trust instrument unless those purposes are modified by the court or pursuant to an agreement between all interested parties, including the attorney general, under chapter 11.96A RCW.

(4) Property held by a nonprofit corporation for charitable purposes upon condition requiring return, transfer, or conveyance, which condition occurs by reason of a disposition of assets under sections 3401 through 3405 of this act, must be returned, transferred, or conveyed in accordance with that condition.

(5) A charitable corporation or a corporation holding property for charitable purposes shall deliver to the attorney general of its intent to consummate a disposition, other than a disposition described in section 3401 of this act. The notice must be delivered to the attorney general in the form of a record at least twenty days before the meeting at which the proposed disposition is to be approved. Such a disposition may not be implemented without the approval of the attorney general, or the approval of the court in a proceeding to which the attorney general is made a party. In the event that the attorney general does not deliver a notice of objection in the form of a record to the corporation within twenty days after the delivery to the attorney general of notice of the disposition, approval of the disposition is deemed to have been given.

(6) The notice described in subsection (5) of this section shall include:

(a) A statement specifying how the disposition will comply with subsections (1) through (4) of this section; and

NEW SECTION. Sec. 3502. DISTRIBUTION OF ASSETS ON DISSOLUTION. The assets of a corporation in the process of dissolution shall be applied and distributed in the following order:

(1) All known liabilities and obligations of the corporation must be paid, satisfied, and discharged, or adequate provision must be made to pay, satisfy, and discharge those liabilities.

(2) All property held for charitable purposes by the corporation, including all assets of a charitable corporation remaining after satisfaction of subsection (1) of this section, must be applied and distributed consistently with the corporation's articles, such that property is not diverted from charitable purposes, and as follows:

(a) Property held for charitable purposes pursuant to a trust instrument in which the nonprofit corporation is a trustee or a beneficiary must be governed by and distributed in accordance with the trust instrument and chapter 11.110 RCW, and any modification of restrictions imposed through the trust instrument accomplished through an appropriate order of the court or the agreement of all interested parties, including the attorney general, pursuant to chapter 11.96A RCW.

(ii) To the federal government, a tribal government, or a state or local government for a public purpose; or

(iii) Subject to one or more gift restrictions requiring the property to be used exclusively for the same charitable purposes for which the dissolving corporation holds the property.

(c) Property that is subject to charitable purpose or management or investment restrictions that do not require modification at the time of dissolution and is not held upon a condition requiring return, transfer, or conveyance by reason of the dissolution must be transferred or conveyed subject to all restrictions applicable to the property, except to the extent restrictions are modified pursuant to section 1503 of this act before distribution, pursuant to a plan of distribution adopted by the board and as provided by sections 3501 through 3512 of this act.

(d) Property subject to charitable purpose or management or investment restrictions that require modification at the time of dissolution and are not held upon a condition requiring return, transfer, or conveyance by reason of dissolution, must be modified pursuant to section 1503 of this act before the gifts can be distributed, pursuant to a plan of distribution adopted by the board and as provided by sections 3501 through 3512 of this act.

(e) Property held for charitable purposes by the nonprofit corporation upon condition requiring return, transfer, or conveyance, which condition occurs by reason of the dissolution, must be returned, transferred, or conveyed in accordance with those requirements.

(b) To the extent that the articles or bylaws do not govern distribution of assets on dissolution, to any persons the board may select.

NEW SECTION. Sec. 3503. CORPORATIONS HOLDING PROPERTY FOR CHARITABLE PURPOSES. (1) A nonprofit corporation holding property for charitable purposes, including any charitable corporation, may not deliver articles of dissolution to the secretary of state for filing pursuant to section 3504 of this act until it has complied with all of the requirements of this section.

(2) A nonprofit corporation described in subsection (1) of this section shall adopt a plan for the distribution of assets for the purpose of authorizing any transfer or conveyance of property held for charitable purposes, which shall:

(a) Be consistent with sections 3502 and 3506 of this act; and

(b) Include a brief description of the following:

(i) Real property held for charitable purposes, and its nature and location;

(ii) Cash, bank deposits, brokerage accounts, or other financial assets held for charitable purposes, and their approximate total fair market value;

(iii) Other personal property held for charitable purposes, and its nature and approximate total fair market value; and

(iv) Any gift restrictions applicable to any property described in (b)(i) through (iii) of this subsection, and the nature of those restrictions.

(3) A plan of distribution shall be adopted in the following manner:

(a) Where there are no members, or no members having voting rights, a plan of distribution is adopted at a meeting of the board upon receiving a vote of a majority of the directors in office.

(b) Where there are members having voting rights, the board shall adopt a resolution recommending a plan of distribution and directing the submission thereof to a vote at a meeting of members having voting rights. Such vote may take place at the same meeting during which members having voting rights vote upon dissolution of the nonprofit corporation. Notice in the form of a record setting forth the proposed plan of distribution or a summary thereof must be given to each member, whether or not entitled to vote at the meeting, within the time and in the manner provided in this chapter for the giving of notice of meetings of members. Such plan of distribution is adopted upon receiving votes from a majority of the members entitled to vote at a meeting

at which a quorum is present, and, if any class of members is entitled to vote as a separate group on the plan, the approval by a majority of the members in each separate voting group entitled to vote at a meeting at which a quorum of the voting group is present. If the members entitled to vote on the dissolution approve the proposal to dissolve but do not approve the proposed plan of distribution in all material respects, then the board may either accept the plan of distribution, as approved by the members, or propose a new plan of distribution to the members for approval. This process shall continue until a plan of distribution acceptable to the board has been approved by the members. If successive votes take place at the same meeting of members, then no further notices or meetings are required.

(4) A nonprofit corporation described in subsection (1) of this section shall give the attorney general notice that it intends to dissolve. The notice shall include:

(a) A copy of the plan of distribution proposed to be adopted in accordance with subsection (3) of this section; and

(b) The names and phone numbers of individuals available to answer questions regarding the dissolution and proposed plan of distribution.

(5) Notice required under subsection (4) of this section must be delivered to the attorney general in the form of a record at least twenty days before the meeting at which the proposed plan is to be adopted. No plan of distribution for a corporation described in subsection (1) of this section may be implemented without the approval of the attorney general, or the approval of the court in a proceeding to which the attorney general is made a party. In the event that the attorney general does not deliver a notice of objection in the form of a record to the corporation within twenty days after the delivery to the attorney general of notice of the plan, approval of the plan is deemed to have been given.

NEW SECTION. Sec. 3504. ARTICLES OF DISSOLUTION. (1) At any time after dissolution is authorized, the nonprofit corporation may dissolve by filing with the secretary of state articles of dissolution, accompanied by a revenue clearance certificate issued pursuant to RCW 82.32.260. The articles of dissolution shall set forth:

(a) The name of the corporation;

(b) The date of its incorporation;

(c) The effective date of the dissolution, which may be the date on which the articles of dissolution are filed or any date and time up to thirty days thereafter;

(d) Whether it is a membership corporation and, if it is a membership corporation, whether it has members that have a right to vote on its dissolution;

(e) If the corporation is not a membership corporation or has no members that have a right to vote on its dissolution, that the dissolution was authorized by the requisite number of directors;

(f) If the corporation is a membership corporation that has members that have a right to vote on its dissolution, that the requisite number of members has approved the proposal to dissolve;

(g) Whether the corporation is a charitable corporation or is holding property for charitable purposes;

(h) If the corporation is a charitable corporation or is holding property for charitable purposes, that the attorney general has approved, or is deemed to have approved, the corporation's plan of distribution pursuant to section 3503 of this act; and

(i) That the net assets of the corporation remaining after winding up have been, or will be, distributed in accordance with the corporation's articles and bylaws and the corporation's adopted plan of distribution.

(2) A nonprofit corporation is dissolved upon the effective date of its articles of dissolution.

(3) For purposes of sections 3501 through 3512 of this act, "dissolved corporation" means a nonprofit corporation whose articles of dissolution have become effective and includes a liquidating trust, if any, or other acquirer entity to which the remaining assets of the corporation are transferred subject to its liabilities for purposes of liquidation.

NEW SECTION. Sec. 3505. REVOCATION OF DISSOLUTION. (1) A nonprofit corporation may revoke its dissolution within one hundred twenty days of the effective date of the dissolution.

(2) Revocation of dissolution must be authorized in the same manner as the dissolution was authorized unless that authorization permitted revocation by action of the board alone, in which event the board may revoke the dissolution without action by the members.

(3) Except as provided in subsection (4) of this section, after the revocation of dissolution is authorized, the nonprofit corporation may revoke the dissolution by delivering to the secretary of state for filing articles of revocation of dissolution, together with a copy of its articles of dissolution, that set forth:

(a) The name of the corporation;

(b) The effective date of the dissolution that was revoked;

(c) The date that the revocation of dissolution was authorized; and

(d) That the revocation of dissolution was approved in the manner required by this chapter and by the articles and bylaws.

(4) A charitable corporation or a nonprofit corporation holding property restricted to charitable purposes shall not deliver articles of revocation of dissolution to the secretary of state for filing without the approval of the attorney general. Such a corporation shall give the attorney general notice in the form of a record that it intends to revoke its dissolution, to which notice a copy of the articles of revocation of dissolution adopted in accordance with subsection (2) of this section must be attached. In the event that the attorney general does not deliver a notice of objection in the form of a record to the corporation within twenty days after the delivery to the attorney general of notice of the revocation of dissolution, approval of the revocation of dissolution is deemed to have been given.

(5) Revocation of dissolution is effective upon the effective date of the articles of revocation of dissolution.

(6) When the revocation of dissolution is effective, it relates back to and takes effect as of the effective date of the dissolution and the nonprofit corporation resumes carrying on its activities as if dissolution had never occurred.

NEW SECTION. Sec. 3506. EFFECT OF DISSOLUTION. (1) A nonprofit corporation, the dissolution of which has been authorized, continues its corporate existence but may not carry on any activities except those appropriate to wind up and liquidate its affairs, including:

(a) Collecting its assets;

(b) Disposing of its properties that will not be distributed in kind;

(c) Discharging or making provision for discharging its liabilities;

(d) Distributing its remaining property as required by the plan of distribution; and

(e) Doing every other act necessary to wind up and liquidate its activities and affairs.

(2) Dissolution of or authorization to dissolve a nonprofit corporation does not:

(a) Transfer title to the corporation's property;

(b) Subject its directors or officers to standards of conduct different from those prescribed in sections 2402 and 2602 of this act;

NINETY FOURTH DAY, APRIL 14, 2021

(e) Abate or suspend a proceeding pending by or against the corporation on the effective date of dissolution;

(f) Terminate the authority of the registered agent of the corporation; or

(g) Modify any gift restriction, unless the restriction is modified in accordance with section 1503 of this act.

NEW SECTION. Sec. 3507. PROHIBITION OF FINANCIAL BENEFIT. No person may receive a direct or indirect financial benefit in connection with the dissolution of a charitable corporation unless the person is an entity operated exclusively for one or more charitable purposes, the federal government, a tribal government, a state or local government, or an unincorporated entity that has charitable purposes. This section does not apply to the receipt of reasonable compensation for services rendered.

NEW SECTION. Sec. 3508. KNOWN CLAIMS AGAINST DISSOLVED CORPORATION. (1) A dissolved nonprofit corporation shall deliver notice of the dissolution in the form of a record to all of the corporation's known claimants within thirty days of the date when the corporation delivered articles of dissolution to the secretary of state for filing.

(2) A dissolved nonprofit corporation may dispose of the known claims against it by delivering a notice in the form of a record that meets the requirements listed in subsection (3) of this section to its known claimants at any time after the date when the corporation delivered articles of dissolution to the secretary of state for filing. Delivery of a notice under this subsection shall satisfy the requirement of subsection (1) of this section if the notice is delivered to all known claimants within thirty days of the date when the corporation delivered articles of dissolution to the secretary of state for filing.

(3) A notice to claimants under subsection (2) of this section must:

(a) Describe information that must be included in a claim;

(b) Provide a mailing address where a claim may be sent;

(c) State the deadline, which may not be fewer than one hundred twenty days from the effective date of the notice, by which the dissolved nonprofit corporation must receive the claim; and

(d) State that the claim will be barred if not received by the deadline.

(4) A claim against the dissolved nonprofit corporation is barred:

(a) If a claimant who was given notice under subsection (2) of this section does not deliver the claim to the dissolved corporation by the deadline; or

(b) If a claimant whose claim was rejected by the dissolved corporation does not commence a proceeding to enforce the claim within ninety days from the effective date of the rejection notice.

(5) For purposes of this section, "claim" does not include a contingent liability or a claim based on an event occurring after the effective date of dissolution.

NEW SECTION. Sec. 3509. OTHER CLAIMS AGAINST DISSOLVED CORPORATION. (1) A dissolved nonprofit corporation may publish notice of its dissolution and request that persons with claims against the dissolved corporation present them in accordance with the notice.

(2) The notice must:

(a) Be published three times during three successive weeks in a newspaper of general circulation in the county where the principal office of the dissolved nonprofit corporation or, if none in this state, its registered office is or was last located;

(b) Describe the information that must be included in a claim and provide a mailing address where the claim shall be sent; and

(c) State that a claim against the dissolved corporation will be barred unless a proceeding to enforce the claim is commenced within three years after the last publication of the notice.

(3) If the dissolved nonprofit corporation publishes a newspaper notice in accordance with subsection (2) of this section, then the claim of each of the following claimants is barred unless the claimant commences a proceeding to enforce the claim against the dissolved corporation within three years after the last publication date of the newspaper notice:

(a) A claimant who was not given notice under section 3508 of this act;

(b) A claimant whose claim was timely sent to the dissolved corporation but not acted on; or

(c) A claimant whose claim is contingent or based on an event occurring after the effective date of dissolution.

NEW SECTION. Sec. 3510. ENFORCEMENT OF CLAIMS. A claim that is not barred by section 3508(4) or 3509(3) of this act may be enforced:

(1) Against the dissolved nonprofit corporation, to the extent of its undistributed assets; or

(2) Except as provided in section 3511(4) of this act, if the assets have been distributed in liquidation, against any person, other than a creditor of the dissolved corporation, to whom the corporation distributed its property, subject to the following restrictions:

(a) Recovery is limited to the amount of the distributee's pro rata share of the claim or the corporate assets distributed to the distributee in liquidation, whichever is less;

(b) A distributee's total liability for all claims under this section may not exceed the total amount of assets distributed to the distributee; and

(c) A distributee is only liable to the extent permitted by existing common law or statutory remedies, and nothing in this section creates a separate cause of action against a distributee.

NEW SECTION. Sec. 3511. COURT PROCEEDINGS.

(1) A dissolved nonprofit corporation that has published a notice under section 3508 of this act may file an application with the court for a determination of the amount and form of security to be provided for payment of claims that are contingent or have not been made known to the dissolved corporation or that are based on an event occurring after the effective date of dissolution but that, based on the facts known to the dissolved corporation, are reasonably estimated to be presented after the effective date of dissolution. Provision need not be made for any claim that is or is reasonably anticipated to be barred under section 3508(3) of this act.

(2) Within ten days after the filing of the application, the dissolved corporation shall give notice of the proceeding to each claimant holding a contingent claim whose contingent claim is shown on the records of the dissolved corporation.

(3) The court may appoint a special representative to represent the interests of all claimants whose identities are unknown in any proceeding brought under this section. The dissolved corporation shall pay reasonable fees and expenses of the special representative, including all reasonable expert witness fees.

(4) Provision by the dissolved nonprofit corporation for security in the amount and the form ordered by the court under this section satisfies the dissolved corporation's obligations with respect to claims that are contingent, have not been made known

to the dissolved corporation, or are based on an event occurring after the effective date of dissolution. Such claims may not be enforced against a person who received assets in liquidation.

NEW SECTION. Sec. 3512. DIRECTORS' DUTIES. (1) Directors shall cause the dissolved corporation to discharge or make reasonable provision for the payment of claims and make distributions of assets in accordance with the plan of distribution after payment or provision for claims.

(2) Directors of a dissolved corporation that has disposed of claims under section 3508, 3509, or 3511 of this act are not liable for breach of subsection (1) of this section with respect to claims against the dissolved corporation that are barred or satisfied under section 3508, 3509, or 3511 of this act.

(3) Failure to dispose of claims under section 3508, 3509, or 3511 of this act is not, in and of itself, a violation of this section.

NEW SECTION. Sec. 4105. CIVIL INVESTIGATIVE DEMANDS. (1) The attorney general may, before the institution of a civil proceeding arising from an investigation instituted under section 4104 of this act, execute in writing and cause to be served upon a person a civil investigative demand requiring the person to produce documentary material and permit inspection and copying, to answer in writing written interrogatories, to give oral testimony, or any combination of those demands, whenever the attorney general believes that the person:

(a) May be in possession, custody, or control of any original or copy of any record, report, memorandum, paper, communication, tabulation, map, chart, photograph, mechanical transcription, or other document or recording, wherever situated, which the attorney general reasonably believes to be relevant to the subject matter of any investigation instituted under section 4104 of this act; or

Sec. 552, and may not be introduced as evidence in a criminal prosecution.

(5) The attorney general may use such copies of documentary material, answers to written interrogatories, or transcripts of oral testimony as the attorney general determines necessary in the enforcement of any provision of this chapter that governs the distribution, disposition, management, or expenditure of, or reporting obligations relating to, any property held for charitable purposes, including presentation before any court, provided, however, that any such material, answers to written interrogatories, or transcripts of oral testimony which contain trade secrets shall not be presented except with the approval of the court in which the action is pending after adequate notice to the person furnishing such material, answers to written interrogatories, or oral testimony.

Any such assurance must be in writing and be filed with and subject to the approval of the court. Such assurance of discontinuance is not an admission of a violation for any purpose, but proof of failure to comply with the assurance of discontinuance is prima facie evidence of a violation of this chapter.

NEW SECTION. Sec. 4108. CIVIL PENALTIES, COSTS, AND FEES. (1) Pursuant to an action by the attorney general, a person shall forfeit and pay a civil penalty of not more than five thousand dollars for each violation if such person:

(c) Revenue generated from the charitable asset protection fee must be distributed as follows:

(i) Ninety-five percent of the revenue must be deposited into the Washington state attorney general charitable asset protection account created in subsection (1) of this section; and

(ii) Five percent of the revenue must be deposited into the secretary of state's revolving fund to cover the administrative costs of assessing the fee.

(mm) Upon application of the director of financial institutions in any proceeding that the director of financial institutions is authorized to bring to enforce chapters 31.35, 31.40, and 31.45 RCW; or

(nn) In such other cases as may be provided for by law, or when, in the discretion of the court, it may be necessary to secure ample justice to the parties.

(2) The superior courts of this state shall appoint as receiver of property located in this state a person who has been appointed by a federal or state court located elsewhere as receiver with respect to the property specifically or with respect to the owner's property generally, upon the application of the person or of any party to that foreign proceeding, and following the appointment shall give effect to orders, judgments, and decrees of the foreign court affecting the property in this state held by the receiver, unless the court determines that to do so would be manifestly unjust or inequitable. The venue of such a proceeding may be any county in which the person resides or maintains any office, or any county in which any property over which the receiver is to be appointed is located at the time the proceeding is commenced.

(3) At least seven days' notice of any application for the appointment of a receiver must be given to the owner of property

to be subject thereto and to all other parties in the action, and to other parties in interest as the court may require. If any execution by a judgment creditor under Title 6 RCW or any application by a judgment creditor for the appointment of a receiver, with respect to property over which the receiver's appointment is sought, is pending in any other action at the time the application is made, then notice of the application for the receiver's appointment also must be given to the judgment creditor in the other action. The court may shorten or expand the period for notice of an application for the appointment of a receiver upon good cause shown.

(4) The order appointing a receiver in all cases must reasonably describe the property over which the receiver is to take charge, by category, individual items, or both if the receiver is to take charge of less than all of the owner's property. If the order appointing a receiver does not expressly limit the receiver's authority to designated property or categories of property of the owner, the receiver is a general receiver with the authority to take charge over all of the owner's property, wherever located.

(5) The court may condition the appointment of a receiver upon the giving of security by the person seeking the receiver's appointment, in such amount as the court may specify, for the payment of costs and damages incurred or suffered by any person should it later be determined that the appointment of the receiver was wrongfully obtained.

Whenever available, the number of servings included in a package of food or food ingredients must be determined based on the manufacturer's product label. If no label is available, the seller must reasonably determine the number of servings.

(III) The seller must determine a single prepared food sales percentage annually for all the seller's establishments in the state based on the prior year of sales. The seller must determine its annual prepared food sales percentage as soon as possible after accounting records are available, but in no event later than ninety days after the beginning of the seller's calendar or fiscal year. A seller may make a good faith estimate of its first annual prepared food sales percentage if the seller's records for the prior year are not sufficient to allow the seller to calculate the prepared food sales percentage. (c) For tax collected under this subsection (4), the requirements that the tax be collected from the buyer and that the amount of tax be stated as a separate item are waived.

(2) The exemption of "food and food ingredients" provided for in subsection (1) of this section does not apply to prepared food, soft drinks, bottled water, or dietary supplements. "Prepared food," "soft drinks," "bottled water," and "dietary supplements" have the same meanings as in RCW 82.08.0293.

(3) Notwithstanding anything in this section to the contrary, the exemption of "food and food ingredients" provided in this section applies to food and food ingredients which are furnished, prepared, or served as meals:

(a) Under a state administered nutrition program for the aged as provided for in the older Americans act (P.L. 95-478 Title III) and RCW 74.38.040(6);

(b) Which are provided to senior citizens, individuals with disabilities, or low-income persons by a ~~((not for profit)) nonprofit~~ organization organized under chapter ~~((24.03)) 24.03~~ (the new chapter created in section 6101 of this act) or 24.12 RCW; or

(c) That are provided to residents, sixty-two years of age or older, of a qualified low-income senior housing facility by the lessor or operator of the facility. The sale of a meal that is billed to both spouses of a marital community or both domestic partners of a domestic partnership meets the age requirement in this subsection (3)(c) if at least one of the spouses or domestic partners is at least sixty-two years of age. For purposes of this subsection, "qualified low-income senior housing facility" has the same meaning as in RCW 82.08.0293.

Sec. 5251. RCW 88.46.065 and 1994 sp.s. c 9 s 853 are each amended to read as follows:

A nonprofit corporation established for the sole purpose of providing contingency plan coverage for any vessel in compliance with RCW 88.46.060 is entitled to liability protection as provided in this section. Obligations incurred by the corporation and any other liabilities or claims against the corporation may be enforced only against the assets of the corporation, and no liability for the debts or actions of the corporation exists against a director, officer, member, employee, incident commander, agent, contractor, or subcontractor of the corporation in his or her individual or representative capacity. Except as otherwise provided in this chapter, neither the directors, officers, members, employees, incident ~~((commander-[s])) commanders~~, or agents of the corporation, nor the business

entities by whom they are regularly employed may be held individually responsible for discretionary decisions, errors in judgment, mistakes, or other acts, either of commission or omission, that are directly related to the operation or implementation of contingency plans, other than for acts of gross negligence or willful or wanton misconduct. The corporation may insure and defend and indemnify the directors, officers, members, employees, incident commanders, and agents to the extent permitted by chapters 23B.08 and ~~((24.03))~~ 24.-- (the new chapter created in section 6101 of this act) RCW. This section does not alter or limit the responsibility or liability of any person for the operation of a motor vehicle.

Sec. 5252. RCW 89.08.405 and 2015 c 88 s 1 are each amended to read as follows:

(1) Any county legislative authority may approve by resolution revenues to a conservation district by fixing rates and charges. The county legislative authority may provide for this system of rates and charges as an alternative to, but not in addition to, a special assessment provided by RCW 89.08.400. In fixing rates and charges, the county legislative authority may in its discretion consider the information proposed to the county legislative authority by a conservation district consistent with this section.

(2) A conservation district, in proposing a system of rates and charges, may consider:

(a) Services furnished, to be furnished, or available to the landowner;

(b) Benefits received, to be received, or available to the property;

(c) The character and use of land;

(d) The ~~((nonprofit))~~ public benefit nonprofit corporation status, as defined in ~~((RCW 24.03.490))~~ section 1701 of this act, of the land user;

(e) The income level of persons served or provided benefits under this chapter, including senior citizens and disabled persons; or

(f) Any other matters that present a reasonable difference as a ground for distinction, including the natural resource needs within the district and the capacity of the district to provide either services or improvements, or both.

(3)(a) The system of rates and charges may include an annual per acre amount, an annual per parcel amount, or an annual per parcel amount plus an annual per acre amount. If included in the system of rates and charges, the maximum annual per acre rate or charge shall not exceed ten cents per acre. The maximum annual per parcel rate shall not exceed five dollars, except that for counties with a population of over four hundred eighty thousand persons, the maximum annual per parcel rate shall not exceed ten dollars, and for counties with a population of over one million five hundred thousand persons, the maximum annual per parcel rate shall not exceed fifteen dollars.

(b) Public land, including lands owned or held by the state, shall be subject to rates and charges to the same extent as privately owned lands. The procedures provided in chapter 79.44 RCW shall be followed if lands owned or held by the state are subject to the rates and charges of a conservation district.

(c) Forestlands used solely for the planting, growing, or harvesting of trees may be subject to rates and charges if such lands are served by the activities of the conservation district. However, if the system of rates and charges includes an annual per acre amount or an annual per parcel amount plus an annual per acre amount, the per acre rate or charge on such forestlands shall not exceed one-tenth of the weighted average per acre rate or charge on all other lands within the conservation district that are subject to rates and charges. The calculation of the weighted average per acre shall be a ratio calculated as follows: (i) The numerator shall be the total amount of money estimated to be

derived from the per acre special rates and charges on the nonforestlands in the conservation district; and (ii) the denominator shall be the total number of nonforestland acres in the conservation district that are served by the activities of the conservation district and that are subject to the rates or charges of the conservation district. No more than ten thousand acres of such forestlands that is both owned by the same person or entity and is located in the same conservation district may be subject to the rates and charges that are imposed for that conservation district in any year. Per parcel charges shall not be imposed on forestland parcels. However, in lieu of a per parcel charge, a charge of up to three dollars per forestland owner may be imposed on each owner of forestlands whose forestlands are subject to a per acre rate or charge.

(4) The consideration, development, adoption, and implementation of a system of rates and charges shall follow the same public notice and hearing process and be subject to the same procedure and authority of RCW 89.08.400(2).

(5)(a) Following the adoption of a system of rates and charges, the conservation district board of supervisors shall establish by resolution a process providing for landowner appeals of the individual rates and charges as applicable to a parcel or parcels.

(b) Any appeal must be filed by the landowner with the conservation district no later than twenty-one days after the date property taxes are due. The decision of the board of supervisors regarding any appeal shall be final and conclusive.

(c) Any appeal of the decision of the board shall be to the superior court of the county in which the district is located, and served and filed within twenty-one days of the date of the board's written decision.

(6) A conservation district shall prepare a roll that implements the system of rates and charges approved by the county legislative authority. The rates and charges from the roll shall be spread by the county assessor as a separate item on the tax rolls and shall be collected and accounted for with property taxes by the county treasurer. The amount of the rates and charges shall constitute a lien against the land that shall be subject to the same conditions as a tax lien, and collected by the treasurer in the same manner as delinquent real property taxes, and subject to the same interest and penalty as for delinquent property taxes. The county treasurer shall deduct an amount from the collected rates and charges, as established by the county legislative authority, to cover the costs incurred by the county assessor and county treasurer in spreading and collecting the rates and charges, but not to exceed the actual costs of such work. All remaining funds collected under this section shall be transferred to the conservation district and used by the conservation district in accordance with this section.

(7) The rates and charges for a conservation district shall not be spread on the tax rolls and shall not be allocated with property tax collections in the following year if, after the system of rates and charges has been approved by the county legislative authority but before the fifteenth day of December in that year, a petition has been filed with the county legislative authority objecting to the imposition of such rates and charges, which petition has been signed by at least twenty percent of the owners of land that would be subject to the rate or charge to be imposed for a conservation district.

MR. PRESIDENT:

The House passed ENGROSSED SECOND SUBSTITUTE SENATE BILL NO. 5071 with the following amendment(s): 5071-S2.E AMH CRJ H1402.1

Strike everything after the enacting clause and insert the following:

"Sec. 1. RCW 10.77.150 and 2010 c 263 s 5 are each amended to read as follows:

(1) Persons examined pursuant to RCW 10.77.140 may make application to the secretary for conditional release. The secretary shall, after considering the reports of experts or professional persons conducting the examination pursuant to RCW 10.77.140, forward to the court of the county which ordered the person's commitment the person's application for conditional release as well as the secretary's recommendations concerning the application and any proposed terms and conditions upon which the secretary reasonably believes the person can be conditionally released. Conditional release may also contemplate partial release for work, training, or educational purposes.

(2) In instances in which persons examined pursuant to RCW 10.77.140 have not made application to the secretary for conditional release, but the secretary, after considering the reports of experts or professional persons conducting the examination pursuant to RCW 10.77.140, reasonably believes the person may be conditionally released, the secretary may submit a recommendation for release to the court of the county that ordered the person's commitment. The secretary's recommendation must include any proposed terms and conditions upon which the secretary reasonably believes the person may be conditionally released. Conditional release may also include partial release for work, training, or educational purposes. Notice of the secretary's recommendation under this subsection must be provided to the person for whom the secretary has made the recommendation for release and to his or her attorney.

(3)(a) The court of the county which ordered the person's commitment, upon receipt of an application or recommendation for conditional release with the secretary's recommendation for conditional release terms and conditions, shall within thirty days schedule a hearing. The court may schedule a hearing on applications recommended for disapproval by the secretary.

(b) The prosecuting attorney shall represent the state at such hearings and shall have the right to have the ~~((patient))~~ person examined by an expert or professional person of the prosecuting attorney's choice. If the committed person is indigent, and he or she so requests, the court shall appoint a qualified expert or professional person to examine the person on his or her behalf.

(c) The issue to be determined at such a hearing is whether or not the person may be released conditionally to less restrictive alternative treatment under the supervision of a multidisciplinary transition team under conditions imposed by the court, including access to services under section 4 of this act without substantial danger to other persons, or substantial likelihood of committing criminal acts jeopardizing public safety or security.

(d) ~~((The court, after the hearing, shall rule on the secretary's recommendations, and if it disapproves of conditional release, may do so))~~ In cases that come before the court under subsection (1) or (2) of this section, the court may deny conditional release to a less restrictive alternative only on the basis of substantial evidence. The court may modify the suggested terms and conditions on which the person is to be conditionally released. Pursuant to the determination of the court after hearing, the committed person shall thereupon be released on such conditions as the court determines to be necessary, or shall be remitted to the custody of the secretary.

(4) If the order of conditional release ~~((includes a))~~ provides for the conditional release of the person to a less restrictive alternative, including residential treatment or treatment in the community, the conditional release order must also include:

(a) A requirement for the committed person to ((report to a)) be supervised by a multidisciplinary transition team, including a specially trained community corrections officer, ((the order shall

~~also specify that the conditionally released person shall be under the supervision of the secretary of corrections or such person as the secretary of corrections may designate and shall follow explicitly the instructions of the secretary of corrections including~~) a representative of the department of social and health services, and a representative of the community behavioral health agency providing treatment to the person under section 4 of this act.

(i) The court may omit appointment of the representative of the community behavioral health agency if the conditional release order does not require participation in behavioral health treatment;

(ii) The court may omit the appointment of a community corrections officer if it makes a special finding that the appointment of a community corrections officer would not facilitate the success of the person, or the safety of the person and the community;

(b) A requirement for the person to comply with conditions of supervision established by the court which shall include at a minimum reporting as directed to a ~~((community corrections officer))~~ designated member of the transition team, remaining within prescribed geographical boundaries, and notifying the ~~((community corrections officer))~~ transition team prior to making any change in the ~~((offender's))~~ person's address or employment. If the ~~((order of conditional release includes a requirement for the committed person to report to a community corrections officer, the community corrections officer shall notify the secretary or the secretary's designee, if the))~~ person is not in compliance with the court-ordered conditions of release~~(-)~~, the community corrections officer or another designated transition team member shall notify the secretary or the secretary's designee; and

~~((4))~~ (c) If the court ~~((determines that receiving regular or periodic medication or other medical treatment shall be a condition of the committed person's release, then the court shall require him or her to report to a physician or other medical or mental health practitioner for the medication or treatment. In addition to submitting any report required by RCW 10.77.160, the physician or other medical or mental health practitioner shall immediately upon the released person's failure to appear for the))~~ requires participation in behavioral health treatment, the name of the licensed or certified behavioral health agency responsible for identifying the services the person will receive under section 4 of this act, and a requirement that the person cooperate with the services planned by the licensed or certified behavioral health agency. The licensed or certified behavioral health agency must comply with the reporting requirements of RCW 10.77.160, and must immediately report to the court, prosecutor, and defense counsel any substantial withdrawal or disengagement from medication or treatment, or ~~((upon a))~~ any change in the person's mental health condition that renders ~~((the patient))~~ him or her a potential risk to the public ~~((report to the court, to the prosecuting attorney of the county in which the released person was committed, to the secretary, and to the supervising community corrections officer))~~.

(5) The role of the transition team appointed under subsection (4) of this section shall be to facilitate the success of the person on the conditional release order by monitoring the person's progress in treatment, compliance with court-ordered conditions, and to problem solve around extra support the person may need or circumstances that may arise that threaten the safety of the person or the community. The transition team may develop a monitoring plan that may be carried out by any member of the team. The transition team shall meet according to a schedule developed by the team, and shall communicate as needed if issues arise that require the immediate attention of the team.

(6) The department of corrections shall collaborate with the department to develop specialized training for community corrections officers under this section. The lack of a trained community corrections officer must not be the cause of delay to entry of a conditional release order. Another community corrections officer may be appointed if no specially trained officer is available.

(7) Any person, whose application for conditional release has been denied, may reapply after a period of six months from the date of denial, or sooner with the support of the department.

(8) A person examined under RCW 10.77.140 or the department may make a motion for limited conditional release under this section, on the grounds that there is insufficient evidence that the person may be released conditionally to less restrictive alternative treatment under subsection (3)(c) of this section, but the person would benefit from the opportunity to exercise increased privileges while remaining under the custody and supervision of the department and with the supervision of the department these increased privileges can be exercised without substantial danger to other persons or substantial likelihood of committing criminal acts jeopardizing public safety or security. The department may respond to a person's application for conditional release by instead supporting limited conditional release.

Sec. 2. RCW 71.05.320 and 2020 c 302 s 45 are each amended to read as follows:

(1)(a) Subject to (b) of this subsection, if the court or jury finds that grounds set forth in RCW 71.05.280 have been proven and that the best interests of the person or others will not be served by a less restrictive treatment which is an alternative to detention, the court shall remand him or her to the custody of the department of social and health services or to a facility certified for ninety day treatment by the department for a further period of intensive treatment not to exceed ninety days from the date of judgment.

(b) If the order for inpatient treatment is based on a substance use disorder, treatment must take place at an approved substance use disorder treatment program. The court may only enter an order for commitment based on a substance use disorder if there is an available approved substance use disorder treatment program with adequate space for the person.

(c) If the grounds set forth in RCW 71.05.280(3) are the basis of commitment, then the period of treatment may be up to but not exceed one hundred eighty days from the date of judgment to the custody of the department of social and health services or to a facility certified for one hundred eighty-day treatment by the department or under RCW 71.05.745.

(2) If the court or jury finds that grounds set forth in RCW 71.05.280 have been proven, but finds that treatment less restrictive than detention will be in the best interest of the person or others, then the court shall remand him or her to the custody of the department of social and health services or to a facility certified for ninety day treatment by the department or to a less restrictive alternative for a further period of less restrictive treatment not to exceed ninety days from the date of judgment. If the grounds set forth in RCW 71.05.280(3) are the basis of commitment, then the period of treatment may be up to but not exceed one hundred eighty days from the date of judgment. If the court has made an affirmative special finding under RCW 71.05.280(3)(b), the court shall appoint a multidisciplinary transition team as provided in subsection (6)(a)(i) of this section. If the court or jury finds that the grounds set forth in RCW 71.05.280(5) have been proven, and provide the only basis for commitment, the court must enter an order for less restrictive alternative treatment for up to ninety days from the date of judgment and may not order inpatient treatment.

NINETY FOURTH DAY, APRIL 14, 2021

2021 REGULAR SESSION

(3) An order for less restrictive alternative treatment entered under subsection (2) of this section must name the behavioral health service provider responsible for identifying the services the person will receive in accordance with RCW 71.05.585, and must include a requirement that the person cooperate with the services planned by the behavioral health service provider.

(4) The person shall be released from involuntary treatment at the expiration of the period of commitment imposed under subsection (1) or (2) of this section unless the superintendent or professional person in charge of the facility in which he or she is confined, or in the event of a less restrictive alternative, the designated crisis responder, files a new petition for involuntary treatment on the grounds that the committed person:

(a) During the current period of court ordered treatment: (i) Has threatened, attempted, or inflicted physical harm upon the person of another, or substantial damage upon the property of another, and (ii) as a result of a behavioral health disorder or developmental disability presents a likelihood of serious harm; or

(b) Was taken into custody as a result of conduct in which he or she attempted or inflicted serious physical harm upon the person of another, and continues to present, as a result of a behavioral health disorder or developmental disability, a likelihood of serious harm; or

(c)(i) Is in custody pursuant to RCW 71.05.280(3) and as a result of a behavioral health disorder or developmental disability continues to present a substantial likelihood of repeating acts similar to the charged criminal behavior, when considering the person's life history, progress in treatment, and the public safety.

(ii) In cases under this subsection where the court has made an affirmative special finding under RCW 71.05.280(3)(b), the commitment shall continue for up to an additional one hundred eighty-day period whenever the petition presents prima facie evidence that the person continues to suffer from a behavioral health disorder or developmental disability that results in a substantial likelihood of committing acts similar to the charged criminal behavior, unless the person presents proof through an admissible expert opinion that the person's condition has so changed such that the behavioral health disorder or developmental disability no longer presents a substantial likelihood of the person committing acts similar to the charged criminal behavior. The initial or additional commitment period may include transfer to a specialized program of intensive support and treatment, which may be initiated prior to or after discharge from the state hospital; or

(d) Continues to be gravely disabled; or

(e) Is in need of assisted outpatient behavioral health treatment.

If the conduct required to be proven in (b) and (c) of this subsection was found by a judge or jury in a prior trial under this chapter, it shall not be necessary to prove such conduct again.

If less restrictive alternative treatment is sought, the petition shall set forth any recommendations for less restrictive alternative treatment services.

(5) A new petition for involuntary treatment filed under subsection (4) of this section shall be filed and heard in the superior court of the county of the facility which is filing the new petition for involuntary treatment unless good cause is shown for a change of venue. The cost of the proceedings shall be borne by the state.

(6)(a) The hearing shall be held as provided in RCW 71.05.310, and if the court or jury finds that the grounds for additional confinement as set forth in this section are present, subject to subsection (1)(b) of this section, the court may order the committed person returned for an additional period of treatment not to exceed one hundred eighty days from the date of judgment, except as provided in subsection (7) of this section. If the court's

order is based solely on the grounds identified in subsection (4)(e) of this section, the court may enter an order for less restrictive alternative treatment not to exceed one hundred eighty days from the date of judgment, and may not enter an order for inpatient treatment. An order for less restrictive alternative treatment must name the behavioral health service provider responsible for identifying the services the person will receive in accordance with RCW 71.05.585, and must include a requirement that the person cooperate with the services planned by the behavioral health service provider.

(i) In cases where the court has ordered less restrictive alternative treatment and has previously made an affirmative special finding under RCW 71.05.280(3)(b), the court shall appoint a multidisciplinary transition team to supervise and assist the person on the order for less restrictive treatment, which shall include a representative of the community behavioral health agency providing treatment under RCW 71.05.585, and a specially trained supervising community corrections officer. The court may omit the appointment of a community corrections officer if it makes a special finding that the appointment of a community corrections officer would not facilitate the success of the person, or the safety of the person and the community under (a)(ii) of this subsection.

(ii) The role of the transition team shall be to facilitate the success of the person on the less restrictive alternative order by monitoring the person's progress in treatment, compliance with court-ordered conditions, and to problem solve around extra support the person may need or circumstances which may arise that threaten the safety of the person or the community. The transition team may develop a monitoring plan which may be carried out by any member of the team. The transition team shall meet according to a schedule developed by the team, and shall communicate as needed if issues arise that require the immediate attention of the team.

(iii) The department of corrections shall collaborate with the department to develop specialized training for community corrections officers under this section. The lack of a trained community corrections officer must not be the cause of delay to entry of a less restrictive alternative order.

(b) At the end of the one hundred eighty-day period of commitment, or one-year period of commitment if subsection (7) of this section applies, the committed person shall be released unless a petition for an additional one hundred eighty-day period of continued treatment is filed and heard in the same manner as provided in this section. Successive one hundred eighty-day commitments are permissible on the same grounds and pursuant to the same procedures as the original one hundred eighty-day commitment.

(7) An order for less restrictive treatment entered under subsection (6) of this section may be for up to one year when the person's previous commitment term was for intensive inpatient treatment in a state hospital.

(8) No person committed as provided in this section may be detained unless a valid order of commitment is in effect. No order of commitment can exceed one hundred eighty days in length except as provided in subsection (7) of this section.

Sec. 3. RCW 71.05.320 and 2020 c 302 s 46 are each amended to read as follows:

(1) If the court or jury finds that grounds set forth in RCW 71.05.280 have been proven and that the best interests of the person or others will not be served by a less restrictive treatment which is an alternative to detention, the court shall remand him or her to the custody of the department of social and health services or to a facility certified for ninety day treatment by the department

for a further period of intensive treatment not to exceed ninety days from the date of judgment.

If the order for inpatient treatment is based on a substance use disorder, treatment must take place at an approved substance use disorder treatment program. If the grounds set forth in RCW 71.05.280(3) are the basis of commitment, then the period of treatment may be up to but not exceed one hundred eighty days from the date of judgment to the custody of the department of social and health services or to a facility certified for one hundred eighty-day treatment by the department or under RCW 71.05.745.

(2) If the court or jury finds that grounds set forth in RCW 71.05.280 have been proven, but finds that treatment less restrictive than detention will be in the best interest of the person or others, then the court shall remand him or her to the custody of the department of social and health services or to a facility certified for ninety day treatment by the department or to a less restrictive alternative for a further period of less restrictive treatment not to exceed ninety days from the date of judgment. If the grounds set forth in RCW 71.05.280(3) are the basis of commitment, then the period of treatment may be up to but not exceed one hundred eighty days from the date of judgment. If the court has made an affirmative special finding under RCW 71.05.280(3)(b), the court shall appoint a multidisciplinary transition team as provided in subsection (6)(a)(i) of this section. If the court or jury finds that the grounds set forth in RCW 71.05.280(5) have been proven, and provide the only basis for commitment, the court must enter an order for less restrictive alternative treatment for up to ninety days from the date of judgment and may not order inpatient treatment.

(3) An order for less restrictive alternative treatment entered under subsection (2) of this section must name the behavioral health service provider responsible for identifying the services the person will receive in accordance with RCW 71.05.585, and must include a requirement that the person cooperate with the services planned by the behavioral health service provider.

(4) The person shall be released from involuntary treatment at the expiration of the period of commitment imposed under subsection (1) or (2) of this section unless the superintendent or professional person in charge of the facility in which he or she is confined, or in the event of a less restrictive alternative, the designated crisis responder, files a new petition for involuntary treatment on the grounds that the committed person:

(a) During the current period of court ordered treatment: (i) Has threatened, attempted, or inflicted physical harm upon the person of another, or substantial damage upon the property of another, and (ii) as a result of a behavioral health disorder or developmental disability presents a likelihood of serious harm; or

(b) Was taken into custody as a result of conduct in which he or she attempted or inflicted serious physical harm upon the person of another, and continues to present, as a result of a behavioral health disorder or developmental disability, a likelihood of serious harm; or

(c)(i) Is in custody pursuant to RCW 71.05.280(3) and as a result of a behavioral health disorder or developmental disability continues to present a substantial likelihood of repeating acts similar to the charged criminal behavior, when considering the person's life history, progress in treatment, and the public safety.

(ii) In cases under this subsection where the court has made an affirmative special finding under RCW 71.05.280(3)(b), the commitment shall continue for up to an additional one hundred eighty-day period whenever the petition presents prima facie evidence that the person continues to suffer from a behavioral health disorder or developmental disability that results in a substantial likelihood of committing acts similar to the charged criminal behavior, unless the person presents proof through an admissible expert opinion that the person's condition has so

changed such that the behavioral health disorder or developmental disability no longer presents a substantial likelihood of the person committing acts similar to the charged criminal behavior. The initial or additional commitment period may include transfer to a specialized program of intensive support and treatment, which may be initiated prior to or after discharge from the state hospital; or

(d) Continues to be gravely disabled; or

(e) Is in need of assisted outpatient behavioral health treatment.

If the conduct required to be proven in (b) and (c) of this subsection was found by a judge or jury in a prior trial under this chapter, it shall not be necessary to prove such conduct again.

If less restrictive alternative treatment is sought, the petition shall set forth any recommendations for less restrictive alternative treatment services.

(5) A new petition for involuntary treatment filed under subsection (4) of this section shall be filed and heard in the superior court of the county of the facility which is filing the new petition for involuntary treatment unless good cause is shown for a change of venue. The cost of the proceedings shall be borne by the state.

(6)(a) The hearing shall be held as provided in RCW 71.05.310, and if the court or jury finds that the grounds for additional confinement as set forth in this section are present, the court may order the committed person returned for an additional period of treatment not to exceed one hundred eighty days from the date of judgment, except as provided in subsection (7) of this section. If the court's order is based solely on the grounds identified in subsection (4)(e) of this section, the court may enter an order for less restrictive alternative treatment not to exceed one hundred eighty days from the date of judgment, and may not enter an order for inpatient treatment. An order for less restrictive alternative treatment must name the behavioral health service provider responsible for identifying the services the person will receive in accordance with RCW 71.05.585, and must include a requirement that the person cooperate with the services planned by the behavioral health service provider.

(i) In cases where the court has ordered less restrictive alternative treatment and has previously made an affirmative special finding under RCW 71.05.280(3)(b), the court shall appoint a multidisciplinary transition team to supervise and assist the person on the order for less restrictive treatment, which shall include a representative of the community behavioral health agency providing treatment under RCW 71.05.585, and a specially trained supervising community corrections officer. The court may omit the appointment of a community corrections officer if it makes a special finding that the appointment of a community corrections officer would not facilitate the success of the person, or the safety of the person and the community under (a)(ii) of this subsection.

(ii) The role of the transition team shall be to facilitate the success of the person on the less restrictive alternative order by monitoring the person's progress in treatment, compliance with court-ordered conditions, and to problem solve around extra support the person may need or circumstances which may arise that threaten the safety of the person or the community. The transition team may develop a monitoring plan which may be carried out by any member of the team. The transition team shall meet according to a schedule developed by the team, and shall communicate as needed if issues arise that require the immediate attention of the team.

(iii) The department of corrections shall collaborate with the department to develop specialized training for community corrections officers under this section. The lack of a trained community corrections officer must not be the cause of delay to entry of a less restrictive alternative order.

2021 REGULAR SESSION

(b) At the end of the one hundred eighty-day period of commitment, or one-year period of commitment if subsection (7) of this section applies, the committed person shall be released unless a petition for an additional one hundred eighty-day period of continued treatment is filed and heard in the same manner as provided in this section. Successive one hundred eighty-day commitments are permissible on the same grounds and pursuant to the same procedures as the original one hundred eighty-day commitment.

(7) An order for less restrictive treatment entered under subsection (6) of this section may be for up to one year when the person's previous commitment term was for intensive inpatient treatment in a state hospital.

(8) No person committed as provided in this section may be detained unless a valid order of commitment is in effect. No order of commitment can exceed one hundred eighty days in length except as provided in subsection (7) of this section.

NEW SECTION. Sec. 4. A new section is added to chapter 10.77 RCW to read as follows:

(1) Conditional release planning should start at admission and proceed in coordination between the department and the person's managed care organization, or behavioral health administrative services organization if the person is not eligible for medical assistance under chapter 74.09 RCW. If needed, the department shall assist the person to enroll in medical assistance in suspense status under RCW 74.09.670. The state hospital liaison for the managed care organization or behavioral health administrative services organization shall facilitate conditional release planning in collaboration with the department.

(2) Less restrictive alternative treatment pursuant to a conditional release order, at a minimum, includes the following services:

- (a) Assignment of a care coordinator;
- (b) An intake evaluation with the provider of the conditional treatment;

- (e) A transition plan addressing access to continued services at the expiration of the order;
- (f) An individual crisis plan;
- (g) Consultation about the formation of a mental health advance directive under chapter 71.32 RCW; and
- (h) Appointment of a transition team under RCW 10.77.150;
- (i) Notification to the care coordinator assigned in (a) of this subsection and to the transition team as provided in RCW 10.77.150 if reasonable efforts to engage the client fail to produce substantial compliance with court-ordered treatment conditions.

(3) Less restrictive alternative treatment pursuant to a conditional release order may additionally include requirements to participate in the following services:

- (a) Medication management;
- (b) Psychotherapy;
- (c) Nursing;
- (d) Substance use disorder counseling;
- (e) Residential treatment;
- (f) Support for housing, benefits, education, and employment; and
- (g) Periodic court review.

(4) Nothing in this section prohibits items in subsection (2) of this section from beginning before the conditional release of the individual.

(5) If the person was provided with involuntary medication under RCW 10.77.094 or pursuant to a judicial order during the involuntary commitment period, the less restrictive alternative treatment pursuant to the conditional release order may authorize the less restrictive alternative treatment provider or its designee to administer involuntary antipsychotic medication to the person if the provider has attempted and failed to obtain the informed consent of the person and there is a concurring medical opinion approving the medication by a psychiatrist, physician assistant working with a supervising psychiatrist, psychiatric advanced registered nurse practitioner, or physician or physician assistant in consultation with an independent mental health professional with prescribing authority.

(6) Less restrictive alternative treatment pursuant to a conditional release order must be administered by a provider that is certified or licensed to provide or coordinate the full scope of services required under the less restrictive alternative order and that has agreed to assume this responsibility.

(7) The care coordinator assigned to a person ordered to less restrictive alternative treatment pursuant to a conditional release order must submit an individualized plan for the person's treatment services to the court that entered the order. An initial plan must be submitted as soon as possible following the intake evaluation and a revised plan must be submitted upon any subsequent modification in which a type of service is removed from or added to the treatment plan.

(8) A care coordinator may disclose information and records related to mental health treatment under RCW 70.02.230(2)(k) for purposes of implementing less restrictive alternative treatment pursuant to a conditional release order.

(9) For the purpose of this section, "care coordinator" means a representative from the department of social and health services who coordinates the activities of less restrictive alternative treatment pursuant to a conditional release order. The care coordinator coordinates activities with the person's transition team that are necessary for enforcement and continuation of the conditional release order and is responsible for coordinating service activities with other agencies and establishing and maintaining a therapeutic relationship with the individual on a continuing basis.

Sec. 5. RCW 10.77.060 and 2016 sp.s. c 29 s 408 are each amended to read as follows:

(1)(a) Whenever a defendant has pleaded not guilty by reason of insanity, or there is reason to doubt his or her competency, the court on its own motion or on the motion of any party shall either appoint or request the secretary to designate a qualified expert or professional person, who shall be approved by the prosecuting attorney, to evaluate and report upon the mental condition of the defendant.

(b) The signed order of the court shall serve as authority for the evaluator to be given access to all records held by any mental health, medical, educational, or correctional facility that relate to the present or past mental, emotional, or physical condition of the defendant. If the court is advised by any party that the defendant may have a developmental disability, the evaluation must be performed by a developmental disabilities professional.

(c) The evaluator shall assess the defendant in a jail, detention facility, in the community, or in court to determine whether a period of inpatient commitment will be necessary to complete an accurate evaluation. If inpatient commitment is needed, the signed order of the court shall serve as authority for the evaluator to request the jail or detention facility to transport the defendant to a hospital or secure mental health facility for a period of commitment not to exceed fifteen days from the time of

admission to the facility. Otherwise, the evaluator shall complete the evaluation.

(d) The court may commit the defendant for evaluation to a hospital or secure mental health facility without an assessment if: (i) The defendant is charged with murder in the first or second degree; (ii) the court finds that it is more likely than not that an evaluation in the jail will be inadequate to complete an accurate evaluation; or (iii) the court finds that an evaluation outside the jail setting is necessary for the health, safety, or welfare of the defendant. The court shall not order an initial inpatient evaluation for any purpose other than a competency evaluation.

(e) The order shall indicate whether, in the event the defendant is committed to a hospital or secure mental health facility for evaluation, all parties agree to waive the presence of the defendant or to the defendant's remote participation at a subsequent competency hearing or presentation of an agreed order if the recommendation of the evaluator is for continuation of the stay of criminal proceedings, or if the opinion of the evaluator is that the defendant remains incompetent and there is no remaining restoration period, and the hearing is held prior to the expiration of the authorized commitment period.

(f) When a defendant is ordered to be ~~((committed for inpatient evaluation))~~ evaluated under this subsection (1), or when a party or the court determines at first appearance that an order for evaluation under this subsection will be requested or ordered if charges are pursued, the court may delay granting bail until the defendant has been evaluated for competency or sanity and appears before the court. Following the evaluation, in determining bail the court shall consider: (i) Recommendations of the evaluator regarding the defendant's competency, sanity, or diminished capacity; (ii) whether the defendant has a recent history of one or more violent acts; (iii) whether the defendant has previously been acquitted by reason of insanity or found incompetent; (iv) whether it is reasonably likely the defendant will fail to appear for a future court hearing; and (v) whether the defendant is a threat to public safety.

(2) The court may direct that a qualified expert or professional person retained by or appointed for the defendant be permitted to witness the evaluation authorized by subsection (1) of this section, and that the defendant shall have access to all information obtained by the court appointed experts or professional persons. The defendant's expert or professional person shall have the right to file his or her own report following the guidelines of subsection (3) of this section. If the defendant is indigent, the court shall upon the request of the defendant assist him or her in obtaining an expert or professional person.

(3) The report of the evaluation shall include the following:

- (a) A description of the nature of the evaluation;
- (b) A diagnosis or description of the current mental status of the defendant;
- (c) If the defendant suffers from a mental disease or defect, or has a developmental disability, an opinion as to competency;
- (d) If the defendant has indicated his or her intention to rely on the defense of insanity pursuant to RCW 10.77.030, and an evaluation and report by an expert or professional person has been provided concluding that the defendant was criminally insane at the time of the alleged offense, an opinion as to the defendant's sanity at the time of the act, and an opinion as to whether the defendant presents a substantial danger to other persons, or presents a substantial likelihood of committing criminal acts jeopardizing public safety or security, unless kept under further control by the court or other persons or institutions, provided that no opinion shall be rendered under this subsection (3)(d) unless the evaluator or court determines that the defendant is competent to stand trial;

(e) When directed by the court, if an evaluation and report by an expert or professional person has been provided concluding that the defendant lacked the capacity at the time of the offense to form the mental state necessary to commit the charged offense, an opinion as to the capacity of the defendant to have a particular state of mind which is an element of the offense charged;

(f) An opinion as to whether the defendant should be evaluated by a designated crisis responder under chapter 71.05 RCW.

(4) The secretary may execute such agreements as appropriate and necessary to implement this section and may choose to designate more than one evaluator.

(1) When a designated crisis responder receives information alleging that a person, as a result of a behavioral health disorder, presents a likelihood of serious harm or is gravely disabled, or that a person is in need of assisted outpatient behavioral health treatment; the designated crisis responder may, after investigation and evaluation of the specific facts alleged and of the reliability and credibility of any person providing information to initiate detention or involuntary outpatient treatment, if satisfied that the allegations are true and that the person will not voluntarily seek appropriate treatment, file a petition for initial detention under this section or a petition for involuntary outpatient behavioral health treatment under RCW 71.05.148. Before filing the petition, the designated crisis responder must personally interview the person, unless the person refuses an interview, and determine whether the person will voluntarily receive appropriate evaluation and treatment at an evaluation and treatment facility, crisis stabilization unit, triage facility, secure withdrawal management and stabilization facility, or approved substance use disorder treatment program. As part of the assessment, the designated crisis responder must attempt to ascertain if the person has executed a mental health advance directive under chapter 71.32 RCW. The interview performed by the designated crisis responder may be conducted by video provided that a licensed health care professional or professional person who can adequately and accurately assist with obtaining any necessary information is present with the person at the time of the interview.

(2)(a) A ~~((written order of apprehension))~~ superior court judge may issue a warrant to detain a person with a behavioral health disorder to a designated evaluation and treatment facility, a secure withdrawal management and stabilization facility, or an approved substance use disorder treatment program, for a period of not more than one hundred twenty hours for evaluation and treatment ~~((, may be issued by a judge of the superior court))~~ upon request of a designated crisis responder, subject to (d) of this subsection, whenever it appears to the satisfaction of ~~((a))~~ the judge ((of the superior court)) that:

(ii) ~~((That the))~~ The person has refused or failed to accept appropriate evaluation and treatment voluntarily.

(b) The petition for initial detention, signed under penalty of perjury, or sworn telephonic testimony may be considered by the court in determining whether there are sufficient grounds for issuing the order.

(c) The order shall designate retained counsel or, if counsel is appointed from a list provided by the court, the name, business address, and telephone number of the attorney appointed to represent the person.

(d) A court may not issue an order to detain a person to a secure withdrawal management and stabilization facility or approved substance use disorder treatment program unless there is an available secure withdrawal management and stabilization facility or approved substance use disorder treatment program that has adequate space for the person.

(e) If the court does not issue an order to detain a person pursuant to this subsection (2), the court shall issue an order to dismiss the initial petition.

(3) The designated crisis responder shall then serve or cause to be served on such person, his or her guardian, and conservator, if any, a copy of the order together with a notice of rights, and a

(1) When a designated crisis responder receives information alleging that a person, as the result of a behavioral health disorder, presents an imminent likelihood of serious harm, or is in imminent danger because of being gravely disabled, after investigation and evaluation of the specific facts alleged and of the reliability and credibility of the person or persons providing the information if any, the designated crisis responder may take such person, or cause by oral or written order such person to be taken into emergency custody in an evaluation and treatment facility, secure withdrawal management and stabilization facility if available with adequate space for the person, or approved substance use disorder treatment program if available with adequate space for the person, for not more than one hundred twenty hours as described in RCW 71.05.180.

(2)(a) Subject to (b) of this subsection, a peace officer may take or cause such person to be taken into custody and immediately delivered to a triage facility, crisis stabilization unit, evaluation and treatment facility, secure withdrawal management and stabilization facility, approved substance use disorder treatment program, or the emergency department of a local hospital under the following circumstances:

(i) Pursuant to subsection (1) of this section; or

The interview performed by the designated crisis responder may be conducted by video provided that a licensed health care professional or professional person who can adequately and accurately assist with obtaining any necessary information is present with the person at the time of the interview. If the individual is detained, the designated crisis responder shall file a petition for detention or a supplemental petition as appropriate and commence service on the designated attorney for the detained person. If the individual is released to the community, the behavioral health service provider shall inform the peace officer of the release within a reasonable period of time after the release if the peace officer has specifically requested notification and provided contact information to the provider.

(5) Dismissal of a commitment petition is not the appropriate remedy for a violation of the timeliness requirements of this section based on the intent of this chapter under RCW 71.05.010 except in the few cases where the facility staff or designated crisis responder has totally disregarded the requirements of this section.

Sec. 4. RCW 71.05.153 and 2020 c 302 s 17 and 2020 c 5 s 5 are each reenacted and amended to read as follows:

(4) Within three hours after arrival, not counting time periods prior to medical clearance, the person must be examined by a mental health professional or substance use disorder professional. Within twelve hours of notice of the need for evaluation, not counting time periods prior to medical clearance, the designated crisis responder must determine whether the individual meets detention criteria. As part of the assessment, the designated crisis responder must attempt to ascertain if the person has executed a mental health advance directive under chapter 71.32 RCW. The interview performed by the designated crisis responder may be conducted by video provided that a licensed health care professional or professional person who can adequately and accurately assist with obtaining any necessary information is present with the person at the time of the interview. If the individual is detained, the designated crisis responder shall file a petition for detention or a supplemental petition as appropriate and commence service on the designated attorney for the detained person. If the individual is released to the community, the behavioral health service provider shall inform the peace officer of the release within a reasonable period of time after the release if the peace officer has specifically requested notification and provided contact information to the provider.

(5) Dismissal of a commitment petition is not the appropriate remedy for a violation of the timeliness requirements of this section based on the intent of this chapter under RCW 71.05.010 except in the few cases where the facility staff or designated crisis responder has totally disregarded the requirements of this section.

Sec. 5. RCW 71.05.203 and 2019 c 325 s 3006 are each amended to read as follows:

(1) The authority and each behavioral health administrative services organization or agency employing designated crisis responders shall publish information in an easily accessible format describing the process for an immediate family member, guardian, or conservator, or a federally recognized Indian tribe if the person is a member of such tribe, to petition for court review of a detention decision under RCW 71.05.201.

(2) A designated crisis responder or designated crisis responder agency that receives a request for investigation for possible detention under this chapter must inquire whether the request comes from an immediate family member, guardian, or conservator, or a federally recognized Indian tribe if the person is a member of such tribe, who would be eligible to petition under RCW 71.05.201. If the designated crisis responder decides not to detain the person for evaluation and treatment under RCW 71.05.150 or 71.05.153 or forty-eight hours have elapsed since the request for investigation was received and the designated crisis responder has not taken action to have the person detained, the designated crisis responder or designated crisis responder agency must inform the immediate family member, guardian, or conservator, or a federally recognized Indian tribe if the person is a member of such tribe, who made the request for investigation about the process to petition for court review under RCW 71.05.201 and, to the extent feasible, provide the immediate family member, guardian, or conservator, or a federally recognized Indian tribe if the person is a member of such tribe, with written or electronic information about the petition process. Information provided to a federally recognized Indian tribe shall be sent to the tribal contact listed in the authority's tribal crisis coordination plan. The designated crisis responder or designated crisis responder agency must document the manner and date on which the information required under this subsection was provided to the immediate family member, guardian, or conservator, or a federally recognized Indian tribe if the person is a member of such tribe.

(3) A designated crisis responder or designated crisis responder agency must, upon request, disclose the date of a designated crisis responder investigation under this chapter to an immediate family member, guardian, or conservator, or a federally recognized Indian tribe if the person is a member of such tribe, of a person to assist in the preparation of a petition under RCW 71.05.201.

Sec. 6. RCW 71.05.210 and 2020 c 302 s 26 are each amended to read as follows:

(1) Each person involuntarily detained and accepted or admitted at an evaluation and treatment facility, secure withdrawal management and stabilization facility, or approved substance use disorder treatment program:

(a) Shall, within twenty-four hours of his or her admission or acceptance at the facility, not counting time periods prior to medical clearance, be examined and evaluated by:

(i) One physician, physician assistant, or advanced registered nurse practitioner; and

(ii) One mental health professional. If the person is detained for substance use disorder evaluation and treatment, the person may be examined by a substance use disorder professional instead of a mental health professional; and

(b) Shall receive such treatment and care as his or her condition requires including treatment on an outpatient basis for the period that he or she is detained, except that, beginning twenty-four hours prior to a trial or hearing pursuant to RCW 71.05.215, 71.05.240, 71.05.310, 71.05.320, 71.05.590, or 71.05.217, the individual may refuse psychiatric medications, but may not refuse: (i) Any other medication previously prescribed by a person licensed under Title 18 RCW; or (ii) emergency lifesaving treatment, and the individual shall be informed at an appropriate time of his or her right of such refusal. The person shall be detained up to one hundred twenty hours, if, in the opinion of the professional person in charge of the facility, or his or her professional designee, the person presents a likelihood of serious harm, or is gravely disabled. A person who has been detained for one hundred twenty hours shall no later than the end of such period be released, unless referred for further care on a voluntary basis, or detained pursuant to court order for further treatment as provided in this chapter.

(2) If, ~~((after))~~ at any time during the involuntary treatment hold and following the initial examination and evaluation, the mental health professional or substance use disorder professional and licensed physician, physician assistant, or psychiatric advanced registered nurse practitioner determine that the initial needs of the person, if detained to an evaluation and treatment facility, would be better served by placement in a secure withdrawal management and stabilization facility or approved substance use disorder treatment program, or, if detained to a secure withdrawal management and stabilization facility or approved substance use disorder treatment program, would be better served in an evaluation and treatment facility then the person shall be referred to the more appropriate placement for the remainder of the current commitment period without any need for further court review; however, a person may only be referred to a secure withdrawal management and stabilization facility or approved substance use disorder treatment program if there is an

available secure withdrawal management and stabilization facility or approved substance use disorder treatment program with adequate space for the person.

(3) An evaluation and treatment center, secure withdrawal management and stabilization facility, or approved substance use disorder treatment program admitting or accepting any person pursuant to this chapter whose physical condition reveals the need for hospitalization shall assure that such person is transferred to an appropriate hospital for evaluation or admission for treatment. Notice of such fact shall be given to the court, the designated attorney, and the designated crisis responder and the court shall order such continuance in proceedings under this chapter as may be necessary, but in no event may this continuance be more than fourteen days.

Sec. 7. RCW 71.05.210 and 2020 c 302 s 27 are each amended to read as follows:

(1) Each person involuntarily detained and accepted or admitted at an evaluation and treatment facility, secure withdrawal management and stabilization facility, or approved substance use disorder treatment program:

(a) Shall, within twenty-four hours of his or her admission or acceptance at the facility, not counting time periods prior to medical clearance, be examined and evaluated by:

(i) One physician, physician assistant, or advanced registered nurse practitioner; and

(ii) One mental health professional. If the person is detained for substance use disorder evaluation and treatment, the person may be examined by a substance use disorder professional instead of a mental health professional; and

(b) Shall receive such treatment and care as his or her condition requires including treatment on an outpatient basis for the period that he or she is detained, except that, beginning twenty-four hours prior to a trial or hearing pursuant to RCW 71.05.215, 71.05.240, 71.05.310, 71.05.320, 71.05.590, or 71.05.217, the individual may refuse psychiatric medications, but may not refuse: (i) Any other medication previously prescribed by a person licensed under Title 18 RCW; or (ii) emergency lifesaving treatment, and the individual shall be informed at an appropriate time of his or her right of such refusal. The person shall be detained up to one hundred twenty hours, if, in the opinion of the professional person in charge of the facility, or his or her professional designee, the person presents a likelihood of serious harm, or is gravely disabled. A person who has been detained for one hundred twenty hours shall no later than the end of such period be released, unless referred for further care on a voluntary basis, or detained pursuant to court order for further treatment as provided in this chapter.

(2) If, ~~((after))~~ at any time during the involuntary treatment hold and following the initial examination and evaluation, the mental health professional or substance use disorder professional and licensed physician, physician assistant, or psychiatric advanced registered nurse practitioner determine that the initial needs of the person, if detained to an evaluation and treatment facility, would be better served by placement in a secure withdrawal management and stabilization facility or approved substance use disorder treatment program, or, if detained to a secure withdrawal management and stabilization facility or approved substance use disorder treatment program, would be better served in an evaluation and treatment facility then the person shall be referred to the more appropriate placement for the remainder of the current commitment period without any need for further court review.

(3) An evaluation and treatment center, secure withdrawal management and stabilization facility, or approved substance use disorder treatment program admitting or accepting any person

pursuant to this chapter whose physical condition reveals the need for hospitalization shall assure that such person is transferred to an appropriate hospital for evaluation or admission for treatment. Notice of such fact shall be given to the court, the designated attorney, and the designated crisis responder and the court shall order such continuance in proceedings under this chapter as may be necessary, but in no event may this continuance be more than fourteen days.

Sec. 8. RCW 71.05.240 and 2020 c 302 s 39 are each amended to read as follows:

(1) If a petition is filed for fourteen day involuntary treatment or ninety days of less restrictive alternative treatment, the court shall hold a probable cause hearing within one hundred twenty hours of the initial detention of such person as determined in RCW 71.05.180, or at a time determined under RCW 71.05.148.

(2) If the petition is for mental health treatment, the court or the prosecutor at the time of the probable cause hearing and before an order of commitment is entered shall inform the person both orally and in writing that the failure to make a good faith effort to seek voluntary treatment as provided in RCW 71.05.230 will result in the loss of his or her firearm rights if the person is subsequently detained for involuntary treatment under this section.

(3) If the person or his or her attorney alleges, prior to the commencement of the hearing, that the person has in good faith volunteered for treatment, the petitioner must show, by preponderance of the evidence, that the person has not in good faith volunteered for appropriate treatment. In order to qualify as a good faith volunteer, the person must abide by procedures and a treatment plan as prescribed by a treatment facility and professional staff.

(4)(a) Subject to (b) of this subsection, at the conclusion of the probable cause hearing, if the court finds by a preponderance of the evidence that such person, as the result of a behavioral health disorder, presents a likelihood of serious harm, or is gravely disabled, and, after considering less restrictive alternatives to involuntary detention and treatment, finds that no such alternatives are in the best interests of such person or others, the court shall order that such person be detained for involuntary treatment not to exceed fourteen days in a facility licensed or certified to provide treatment by the department or under RCW 71.05.745.

(b) A court may only order commitment to a secure withdrawal management and stabilization facility or approved substance use disorder treatment program if there is an available facility with adequate space for the person.

(c) At the conclusion of the probable cause hearing, if the court finds by a preponderance of the evidence that such person, as the result of a behavioral health disorder, presents a likelihood of serious harm or is gravely disabled, but that treatment in a less restrictive setting than detention is in the best interest of such person or others, the court shall order an appropriate less restrictive alternative course of treatment for up to ninety days.

(d) If the court finds by a preponderance of the evidence that such person, as the result of a behavioral health disorder, is in need of assisted outpatient behavioral health treatment, and that the person does not present a likelihood of serious harm and is not gravely disabled, the court shall order an appropriate less restrictive alternative course of treatment for up to ninety days.

(5) An order for less restrictive alternative treatment must name the behavioral health service provider responsible for identifying the services the person will receive in accordance with RCW 71.05.585, and must include a requirement that the person cooperate with the treatment recommendations of the behavioral health service provider.

(6) The court shall notify the person orally and in writing that if involuntary treatment is sought beyond the fourteen-day inpatient or ninety-day less restrictive treatment period, the person has the right to a full hearing or jury trial under RCW 71.05.310. If the commitment is for mental health treatment, the court shall also notify the person orally and in writing that the person is barred from the possession of firearms and that the prohibition remains in effect until a court restores his or her right to possess a firearm under RCW 9.41.047.

(7) If the court does not issue an order to detain a person under this section, the court shall issue an order to dismiss the petition.

(8) Nothing in this section precludes the court from subsequently modifying the terms of an order for less restrictive alternative treatment under RCW 71.05.590(3).

Sec. 9. RCW 71.05.240 and 2020 c 302 s 40 are each amended to read as follows:

(1) If a petition is filed for fourteen day involuntary treatment or ninety days of less restrictive alternative treatment, the court shall hold a probable cause hearing within one hundred twenty hours of the initial detention of such person as determined in RCW 71.05.180, or at a time determined under RCW 71.05.148.

(2) If the petition is for mental health treatment, the court or the prosecutor at the time of the probable cause hearing and before an order of commitment is entered shall inform the person both orally and in writing that the failure to make a good faith effort to seek voluntary treatment as provided in RCW 71.05.230 will result in the loss of his or her firearm rights if the person is subsequently detained for involuntary treatment under this section.

(3) If the person or his or her attorney alleges, prior to the commencement of the hearing, that the person has in good faith volunteered for treatment, the petitioner must show, by preponderance of the evidence, that the person has not in good faith volunteered for appropriate treatment. In order to qualify as a good faith volunteer, the person must abide by procedures and a treatment plan as prescribed by a treatment facility and professional staff.

(4)(a) At the conclusion of the probable cause hearing, if the court finds by a preponderance of the evidence that such person, as the result of a behavioral health disorder, presents a likelihood of serious harm, or is gravely disabled, and, after considering less restrictive alternatives to involuntary detention and treatment, finds that no such alternatives are in the best interests of such person or others, the court shall order that such person be detained for involuntary treatment not to exceed fourteen days in a facility licensed or certified to provide treatment by the department or under RCW 71.05.745.

(b) At the conclusion of the probable cause hearing, if the court finds by a preponderance of the evidence that such person, as the result of a behavioral health disorder, presents a likelihood of serious harm or is gravely disabled, but that treatment in a less restrictive setting than detention is in the best interest of such person or others, the court shall order an appropriate less restrictive alternative course of treatment for up to ninety days.

(c) If the court finds by a preponderance of the evidence that such person, as the result of a behavioral health disorder, is in need of assisted outpatient behavioral health treatment, and that the person does not present a likelihood of serious harm and is not gravely disabled, the court shall order an appropriate less restrictive alternative course of treatment for up to ninety days.

(5) An order for less restrictive alternative treatment must name the behavioral health service provider responsible for identifying the services the person will receive in accordance with RCW 71.05.585, and must include a requirement that the person cooperate with the treatment recommendations of the behavioral health service provider.

NINETY FOURTH DAY, APRIL 14, 2021

2021 REGULAR SESSION

(6) The court shall notify the person orally and in writing that if involuntary treatment is sought beyond the fourteen-day inpatient or ninety-day less restrictive treatment period, such person has the right to a full hearing or jury trial under RCW 71.05.310. If the commitment is for mental health treatment, the court shall also notify the person orally and in writing that the person is barred from the possession of firearms and that the prohibition remains in effect until a court restores his or her right to possess a firearm under RCW 9.41.047.

(7) If the court does not issue an order to detain a person under this section, the court shall issue an order to dismiss the petition.

(8) Nothing in this section precludes the court from subsequently modifying the terms of an order for less restrictive alternative treatment under RCW 71.05.590(3).

Sec. 10. RCW 71.05.320 and 2020 c 302 s 45 are each amended to read as follows:

(1)(a) Subject to (b) of this subsection, if the court or jury finds that grounds set forth in RCW 71.05.280 have been proven and that the best interests of the person or others will not be served by a less restrictive treatment which is an alternative to detention, the court shall remand him or her to the custody of the department of social and health services or to a facility certified for ninety day treatment by the department for a further period of intensive treatment not to exceed ninety days from the date of judgment.

(b) If the order for inpatient treatment is based on a substance use disorder, treatment must take place at an approved substance use disorder treatment program. The court may only enter an order for commitment based on a substance use disorder if there is an available approved substance use disorder treatment program with adequate space for the person.

(c) If the grounds set forth in RCW 71.05.280(3) are the basis of commitment, then the period of treatment may be up to but not exceed one hundred eighty days from the date of judgment to the custody of the department of social and health services or to a facility certified for one hundred eighty-day treatment by the department or under RCW 71.05.745.

(2) If the court or jury finds that grounds set forth in RCW 71.05.280 have been proven, but finds that treatment less restrictive than detention will be in the best interest of the person or others, then the court shall remand him or her to the custody of the department of social and health services or to a facility certified for ninety day treatment by the department or to a less restrictive alternative for a further period of less restrictive treatment not to exceed ninety days from the date of judgment. If the grounds set forth in RCW 71.05.280(3) are the basis of commitment, then the period of treatment may be up to but not exceed one hundred eighty days from the date of judgment. If the court or jury finds that the grounds set forth in RCW 71.05.280(5) have been proven, and provide the only basis for commitment, the court must enter an order for less restrictive alternative treatment for up to ninety days from the date of judgment and may not order inpatient treatment.

(3) An order for less restrictive alternative treatment entered under subsection (2) of this section must name the behavioral health service provider responsible for identifying the services the person will receive in accordance with RCW 71.05.585, and must include a requirement that the person cooperate with the services planned by the behavioral health service provider.

(4) The person shall be released from involuntary treatment at the expiration of the period of commitment imposed under subsection (1) or (2) of this section unless the superintendent or professional person in charge of the facility in which he or she is confined, or in the event of a less restrictive alternative, the designated crisis responder, files a new petition for involuntary treatment on the grounds that the committed person:

(a) During the current period of court ordered treatment: (i) Has threatened, attempted, or inflicted physical harm upon the person of another, or substantial damage upon the property of another, and (ii) as a result of a behavioral health disorder or developmental disability presents a likelihood of serious harm; or

(b) Was taken into custody as a result of conduct in which he or she attempted or inflicted serious physical harm upon the person of another, and continues to present, as a result of a behavioral health disorder or developmental disability, a likelihood of serious harm; or

(c)(i) Is in custody pursuant to RCW 71.05.280(3) and as a result of a behavioral health disorder or developmental disability continues to present a substantial likelihood of repeating acts similar to the charged criminal behavior, when considering the person's life history, progress in treatment, and the public safety.

(ii) In cases under this subsection where the court has made an affirmative special finding under RCW 71.05.280(3)(b), the commitment shall continue for up to an additional one hundred eighty-day period whenever the petition presents prima facie evidence that the person continues to suffer from a behavioral health disorder or developmental disability that results in a substantial likelihood of committing acts similar to the charged criminal behavior, unless the person presents proof through an admissible expert opinion that the person's condition has so changed such that the behavioral health disorder or developmental disability no longer presents a substantial likelihood of the person committing acts similar to the charged criminal behavior. The initial or additional commitment period may include transfer to a specialized program of intensive support and treatment, which may be initiated prior to or after discharge from the state hospital; or

(d) Continues to be gravely disabled; or

(e) Is in need of assisted outpatient behavioral health treatment.

If the conduct required to be proven in (b) and (c) of this subsection was found by a judge or jury in a prior trial under this chapter, it shall not be necessary to prove such conduct again.

If less restrictive alternative treatment is sought, the petition shall set forth any recommendations for less restrictive alternative treatment services.

(5) A new petition for involuntary treatment filed under subsection (4) of this section shall be filed and heard in the superior court of the county of the facility which is filing the new petition for involuntary treatment unless good cause is shown for a change of venue. The cost of the proceedings shall be borne by the state.

(6)(a) The hearing shall be held as provided in RCW 71.05.310, and if the court or jury finds that the grounds for additional confinement as set forth in this section are present, subject to subsection (1)(b) of this section, the court may order the committed person returned for an additional period of treatment not to exceed one hundred eighty days from the date of judgment, except as provided in subsection (7) of this section. If the court's order is based solely on the grounds identified in subsection (4)(e) of this section, the court may enter an order for less restrictive alternative treatment not to exceed one hundred eighty days from the date of judgment, and may not enter an order for inpatient treatment. An order for less restrictive alternative treatment must name the behavioral health service provider responsible for identifying the services the person will receive in accordance with RCW 71.05.585, and must include a requirement that the person cooperate with the services planned by the behavioral health service provider.

(b) At the end of the one hundred eighty-day period of commitment, or one-year period of commitment if subsection (7) of this section applies, the committed person shall be released

unless a petition for an additional one hundred eighty-day period of continued treatment is filed and heard in the same manner as provided in this section. Successive one hundred eighty-day commitments are permissible on the same grounds and pursuant to the same procedures as the original one hundred eighty-day commitment.

(7) An order for less restrictive treatment entered under subsection (6) of this section may be for up to one year when the person's previous commitment term was for intensive inpatient treatment in a state hospital.

(8) No person committed as provided in this section may be detained unless a valid order of commitment is in effect. No order of commitment can exceed one hundred eighty days in length except as provided in subsection (7) of this section.

(9) Nothing in this section precludes the court from subsequently modifying the terms of an order for less restrictive alternative treatment under RCW 71.05.590(3).

Sec. 11. RCW 71.05.320 and 2020 c 302 s 46 are each amended to read as follows:

(1) If the court or jury finds that grounds set forth in RCW 71.05.280 have been proven and that the best interests of the person or others will not be served by a less restrictive treatment which is an alternative to detention, the court shall remand him or her to the custody of the department of social and health services or to a facility certified for ninety day treatment by the department for a further period of intensive treatment not to exceed ninety days from the date of judgment.

If the order for inpatient treatment is based on a substance use disorder, treatment must take place at an approved substance use disorder treatment program. If the grounds set forth in RCW 71.05.280(3) are the basis of commitment, then the period of treatment may be up to but not exceed one hundred eighty days from the date of judgment to the custody of the department of social and health services or to a facility certified for one hundred eighty-day treatment by the department or under RCW 71.05.745.

(2) If the court or jury finds that grounds set forth in RCW 71.05.280 have been proven, but finds that treatment less restrictive than detention will be in the best interest of the person or others, then the court shall remand him or her to the custody of the department of social and health services or to a facility certified for ninety day treatment by the department or to a less restrictive alternative for a further period of less restrictive treatment not to exceed ninety days from the date of judgment. If the grounds set forth in RCW 71.05.280(3) are the basis of commitment, then the period of treatment may be up to but not exceed one hundred eighty days from the date of judgment. If the court or jury finds that the grounds set forth in RCW 71.05.280(5) have been proven, and provide the only basis for commitment, the court must enter an order for less restrictive alternative treatment for up to ninety days from the date of judgment and may not order inpatient treatment.

(3) An order for less restrictive alternative treatment entered under subsection (2) of this section must name the behavioral health service provider responsible for identifying the services the person will receive in accordance with RCW 71.05.585, and must include a requirement that the person cooperate with the services planned by the behavioral health service provider.

(4) The person shall be released from involuntary treatment at the expiration of the period of commitment imposed under subsection (1) or (2) of this section unless the superintendent or professional person in charge of the facility in which he or she is confined, or in the event of a less restrictive alternative, the designated crisis responder, files a new petition for involuntary treatment on the grounds that the committed person:

(a) During the current period of court ordered treatment: (i) Has threatened, attempted, or inflicted physical harm upon the person

of another, or substantial damage upon the property of another, and (ii) as a result of a behavioral health disorder or developmental disability presents a likelihood of serious harm; or

(b) Was taken into custody as a result of conduct in which he or she attempted or inflicted serious physical harm upon the person of another, and continues to present, as a result of a behavioral health disorder or developmental disability, a likelihood of serious harm; or

(c)(i) Is in custody pursuant to RCW 71.05.280(3) and as a result of a behavioral health disorder or developmental disability continues to present a substantial likelihood of repeating acts similar to the charged criminal behavior, when considering the person's life history, progress in treatment, and the public safety.

(ii) In cases under this subsection where the court has made an affirmative special finding under RCW 71.05.280(3)(b), the commitment shall continue for up to an additional one hundred eighty-day period whenever the petition presents prima facie evidence that the person continues to suffer from a behavioral health disorder or developmental disability that results in a substantial likelihood of committing acts similar to the charged criminal behavior, unless the person presents proof through an admissible expert opinion that the person's condition has so changed such that the behavioral health disorder or developmental disability no longer presents a substantial likelihood of the person committing acts similar to the charged criminal behavior. The initial or additional commitment period may include transfer to a specialized program of intensive support and treatment, which may be initiated prior to or after discharge from the state hospital; or

(d) Continues to be gravely disabled; or

(e) Is in need of assisted outpatient behavioral health treatment.

If the conduct required to be proven in (b) and (c) of this subsection was found by a judge or jury in a prior trial under this chapter, it shall not be necessary to prove such conduct again.

If less restrictive alternative treatment is sought, the petition shall set forth any recommendations for less restrictive alternative treatment services.

(5) A new petition for involuntary treatment filed under subsection (4) of this section shall be filed and heard in the superior court of the county of the facility which is filing the new petition for involuntary treatment unless good cause is shown for a change of venue. The cost of the proceedings shall be borne by the state.

(6)(a) The hearing shall be held as provided in RCW 71.05.310, and if the court or jury finds that the grounds for additional confinement as set forth in this section are present, the court may order the committed person returned for an additional period of treatment not to exceed one hundred eighty days from the date of judgment, except as provided in subsection (7) of this section. If the court's order is based solely on the grounds identified in subsection (4)(e) of this section, the court may enter an order for less restrictive alternative treatment not to exceed one hundred eighty days from the date of judgment, and may not enter an order for inpatient treatment. An order for less restrictive alternative treatment must name the behavioral health service provider responsible for identifying the services the person will receive in accordance with RCW 71.05.585, and must include a requirement that the person cooperate with the services planned by the behavioral health service provider.

(b) At the end of the one hundred eighty-day period of commitment, or one-year period of commitment if subsection (7) of this section applies, the committed person shall be released unless a petition for an additional one hundred eighty-day period of continued treatment is filed and heard in the same manner as provided in this section. Successive one hundred eighty-day commitments are permissible on the same grounds and pursuant

NINETY FOURTH DAY, APRIL 14, 2021

2021 REGULAR SESSION

to the same procedures as the original one hundred eighty-day commitment.

(7) An order for less restrictive treatment entered under subsection (6) of this section may be for up to one year when the person's previous commitment term was for intensive inpatient treatment in a state hospital.

(8) No person committed as provided in this section may be detained unless a valid order of commitment is in effect. No order of commitment can exceed one hundred eighty days in length except as provided in subsection (7) of this section.

(9) Nothing in this section precludes the court from subsequently modifying the terms of an order for less restrictive alternative treatment under RCW 71.05.590(3).

Sec. 12. RCW 71.05.340 and 2018 c 201 s 3017 are each amended to read as follows:

(1)(a) When, in the opinion of the superintendent or the professional person in charge of the hospital or facility providing involuntary treatment, the committed person can be appropriately served by outpatient treatment prior to or at the expiration of the period of commitment, then such outpatient care may be required as a term of conditional release for a period which, when ~~((added to the))~~ combined with the number of days the person has spent in inpatient treatment ((period)), shall not exceed ((the period of commitment)) 90 days if the underlying commitment was for a period of 14 or 90 days, or 180 days if the underlying commitment was for a period of 180 days. If the facility or agency designated to provide outpatient treatment is other than the facility providing involuntary treatment, the outpatient facility so designated must agree in writing to assume such responsibility. A copy of the terms of conditional release shall be given to the patient, the designated crisis responder in the county in which the patient is to receive outpatient treatment, and to the court of original commitment.

(b) Before a person committed under grounds set forth in RCW 71.05.280(3) or 71.05.320(4)(c) is conditionally released under (a) of this subsection, the superintendent or professional person in charge of the hospital or facility providing involuntary treatment shall in writing notify the prosecuting attorney of the county in which the criminal charges against the committed person were dismissed, of the decision to conditionally release the person. Notice and a copy of the terms of conditional release shall be provided at least thirty days before the person is released from inpatient care. Within twenty days after receiving notice, the prosecuting attorney may petition the court in the county that issued the commitment order to hold a hearing to determine whether the person may be conditionally released and the terms of the conditional release. The prosecuting attorney shall provide a copy of the petition to the superintendent or professional person in charge of the hospital or facility providing involuntary treatment, the attorney, if any, and guardian or conservator of the committed person, and the court of original commitment. If the county in which the committed person is to receive outpatient treatment is the same county in which the criminal charges against the committed person were dismissed, then the court shall, upon the motion of the prosecuting attorney, transfer the proceeding to the court in that county. The court shall conduct a hearing on the petition within ten days of the filing of the petition. The committed person shall have the same rights with respect to notice, hearing, and counsel as for an involuntary treatment proceeding, except as set forth in this subsection and except that there shall be no right to jury trial. The issue to be determined at the hearing is whether or not the person may be conditionally released without substantial danger to other persons, or substantial likelihood of committing criminal acts jeopardizing public safety or security. If the court disapproves of the

conditional release, it may do so only on the basis of substantial evidence. Pursuant to the determination of the court upon the hearing, the conditional release of the person shall be approved by the court on the same or modified conditions or the person shall be returned for involuntary treatment on an inpatient basis subject to release at the end of the period for which he or she was committed, or otherwise in accordance with the provisions of this chapter.

(2) The facility or agency designated to provide outpatient care or the secretary of the department of social and health services may modify the conditions for continued release when such modification is in the best interest of the person. Notification of such changes shall be sent to all persons receiving a copy of the original conditions. Enforcement or revocation proceedings related to a conditional release ~~((order))~~ may occur as provided under RCW 71.05.590.

Sec. 13. RCW 71.05.585 and 2020 c 302 s 53 are each amended to read as follows:

(1) Less restrictive alternative treatment, at a minimum, includes the following services:

- (a) Assignment of a care coordinator;
- (b) An intake evaluation with the provider of the less restrictive alternative treatment;
- (c) A psychiatric evaluation, a substance use disorder evaluation, or both;
- (d) A schedule of regular contacts with the provider of the ~~((less restrictive alternative))~~ treatment services for the duration of the order;
- (e) A transition plan addressing access to continued services at the expiration of the order;
- (f) An individual crisis plan; ~~((and))~~
- (g) Consultation about the formation of a mental health advance directive under chapter 71.32 RCW; and
- (h) Notification to the care coordinator assigned in (a) of this subsection if reasonable efforts to engage the client fail to produce substantial compliance with court-ordered treatment conditions.

(2) Less restrictive alternative treatment may additionally include requirements to participate in the following services:

- (a) Medication management;
- (b) Psychotherapy;
- (c) Nursing;
- (d) Substance ~~((abuse))~~ use disorder counseling;
- (e) Residential treatment; ~~((and))~~
- (f) Support for housing, benefits, education, and employment; and
- (g) Periodic court review.

(3) If the person was provided with involuntary medication under RCW 71.05.215 or pursuant to a judicial order during the involuntary commitment period, the less restrictive alternative treatment order may authorize the less restrictive alternative treatment provider or its designee to administer involuntary antipsychotic medication to the person if the provider has attempted and failed to obtain the informed consent of the person and there is a concurring medical opinion approving the medication by a psychiatrist, physician assistant working with a supervising psychiatrist, psychiatric advanced registered nurse practitioner, or physician or physician assistant in consultation with an independent mental health professional with prescribing authority.

(4) Less restrictive alternative treatment must be administered by a provider that is certified or licensed to provide or coordinate the full scope of services required under the less restrictive alternative order and that has agreed to assume this responsibility.

(5) The care coordinator assigned to a person ordered to less restrictive alternative treatment must submit an individualized

plan for the person's treatment services to the court that entered the order. An initial plan must be submitted as soon as possible following the intake evaluation and a revised plan must be submitted upon any subsequent modification in which a type of service is removed from or added to the treatment plan.

(6) A care coordinator may disclose information and records related to mental health services pursuant to RCW 70.02.230(2)(k) for purposes of implementing less restrictive alternative treatment.

(7) For the purpose of this section, "care coordinator" means a clinical practitioner who coordinates the activities of less restrictive alternative treatment. The care coordinator coordinates activities with the designated crisis responders that are necessary for enforcement and continuation of less restrictive alternative orders and is responsible for coordinating service activities with other agencies and establishing and maintaining a therapeutic relationship with the individual on a continuing basis.

Sec. 14. RCW 71.05.590 and 2020 c 302 s 55 are each amended to read as follows:

(1) Either an agency or facility designated to monitor or provide services under a less restrictive alternative order or conditional release (~~(order)~~), or a designated crisis responder, may take action to enforce, modify, or revoke a less restrictive alternative or conditional release (~~(order)~~). The agency, facility, or designated crisis responder must determine that:

(a) The person is failing to adhere to the terms and conditions of the court order;

(b) Substantial deterioration in the person's functioning has occurred;

(c) There is evidence of substantial decompensation with a reasonable probability that the decompensation can be reversed by further evaluation, intervention, or treatment; or

(d) The person poses a likelihood of serious harm.

(2) Actions taken under this section must include a flexible range of responses of varying levels of intensity appropriate to the circumstances and consistent with the interests of the individual and the public in personal autonomy, safety, recovery, and compliance. Available actions may include, but are not limited to, any of the following:

(a) To counsel or advise the person as to their rights and responsibilities under the court order, and to offer appropriate incentives to motivate compliance;

(b) To increase the intensity of outpatient services provided to the person by increasing the frequency of contacts with the provider, referring the person for an assessment for assertive community services, or by other means;

(c) To request a court hearing for review and modification of the court order. The request must be made to or by the court with jurisdiction over the order and specify the circumstances that give rise to the request and what modification is being sought. The county prosecutor shall assist the agency or facility in requesting this hearing and issuing an appropriate summons to the person. This subsection does not limit the inherent authority of a treatment provider to alter conditions of treatment for clinical reasons, and is intended to be used only when court intervention is necessary or advisable to secure the person's compliance and prevent decompensation or deterioration;

(d) To cause the person to be transported by a peace officer, designated crisis responder, or other means to the agency or facility monitoring or providing services under the court order, or to a triage facility, crisis stabilization unit, emergency department, evaluation and treatment facility, secure withdrawal management and stabilization facility with available space, or an approved substance use disorder treatment program with available space. The person may be detained at the facility for up to twelve hours for the purpose of an evaluation to determine

whether modification, revocation, or commitment proceedings are necessary and appropriate to stabilize the person and prevent decompensation, deterioration, or physical harm. Temporary detention for evaluation under this subsection is intended to occur only following a pattern of noncompliance or the failure of reasonable attempts at outreach and engagement, and may occur only when in the clinical judgment of a designated crisis responder or the professional person in charge of an agency or facility designated to monitor less restrictive alternative services temporary detention is appropriate. This subsection does not limit the ability or obligation to pursue revocation procedures under subsection ~~((4))~~ (5) of this section in appropriate circumstances; and

(e) To initiate revocation procedures under subsection ~~((4))~~ (5) of this section or, if the current commitment is solely based on the person being in need of assisted outpatient behavioral health treatment as defined in RCW 71.05.020, initiate initial inpatient detention procedures under subsection ~~((6))~~ (7) of this section.

(3) A court may supervise a person on an order for less restrictive alternative treatment or a conditional release. While the person is under the order, the court may:

(a) Require appearance in court for periodic reviews; and

(b) Modify the order after considering input from the agency or facility designated to provide or facilitate services. The court may not remand the person into inpatient treatment except as provided under subsection (5) of this section, but may take actions under subsection (2)(a) through (d) of this section.

(4) The facility or agency designated to provide outpatient treatment shall notify the secretary of the department of social and health services or designated crisis responder when a person fails to adhere to terms and conditions of court ordered treatment or experiences substantial deterioration in his or her condition and, as a result, presents an increased likelihood of serious harm.

~~((4))~~ (5)(a) Except as provided in subsection ~~((6))~~ (7) of this section, a designated crisis responder or the secretary of the department of social and health services may upon their own motion or notification by the facility or agency designated to provide outpatient care order a person subject to a court order under this chapter to be apprehended and taken into custody and temporary detention in an evaluation and treatment facility, an available secure withdrawal management and stabilization facility with adequate space, or an available approved substance use disorder treatment program with adequate space, in or near the county in which he or she is receiving outpatient treatment. Proceedings under this subsection ~~((4))~~ (5) may be initiated without ordering the apprehension and detention of the person.

(b) Except as provided in subsection ~~((6))~~ (7) of this section, a person detained under this subsection ~~((4))~~ (5) must be held until such time, not exceeding five days, as a hearing can be scheduled to determine whether or not the person should be returned to the hospital or facility from which he or she had been released. If the person is not detained, the hearing must be scheduled within five days of service on the person. The designated crisis responder or the secretary of the department of social and health services may modify or rescind the order at any time prior to commencement of the court hearing.

(c) The designated crisis responder or secretary of the department of social and health services shall file a revocation petition and order of apprehension and detention with the court of the county where the person is currently located or being detained. The designated crisis responder shall serve the person and their attorney, guardian, and conservator, if any. The person has the same rights with respect to notice, hearing, and counsel as in any involuntary treatment proceeding, except as specifically set forth in this section. There is no right to jury trial. The venue for proceedings is the county where the petition is filed. Notice of the

NINETY FOURTH DAY, APRIL 14, 2021

2021 REGULAR SESSION

filing must be provided to the court that originally ordered commitment, if different from the court where the petition for revocation is filed, within two judicial days of the person's detention.

(d) Except as provided in subsection ~~((6))~~ (7) of this section, the issues for the court to determine are whether: (i) The person adhered to the terms and conditions of the court order; (ii) substantial deterioration in the person's functioning has occurred; (iii) there is evidence of substantial decompensation with a reasonable probability that the decompensation can be reversed by further inpatient treatment; or (iv) there is a likelihood of serious harm; and, if any of the above conditions apply, whether the court should reinstate or modify the person's less restrictive alternative or conditional release ~~((order))~~ or order the person's detention for inpatient treatment. The person may waive the court hearing and allow the court to enter a stipulated order upon the agreement of all parties. If the court orders detention for inpatient treatment, the treatment period must be for fourteen days from the revocation hearing if the outpatient order was based on a petition under RCW 71.05.160 or 71.05.230. If the court orders detention for inpatient treatment and the outpatient order was based on a petition under RCW 71.05.290 or 71.05.320, the number of days remaining on the outpatient order must be converted to days of inpatient treatment authorized in the original court order. A court may not issue an order to detain a person for inpatient treatment in a secure withdrawal management and stabilization facility or approved substance use disorder treatment program under this subsection unless there is a secure withdrawal management and stabilization facility or approved substance use disorder treatment program available and with adequate space for the person.

~~((5))~~ (6) In determining whether or not to take action under this section the designated crisis responder, agency, or facility must consider the factors specified under RCW 71.05.212 and the court must consider the factors specified under RCW 71.05.245 as they apply to the question of whether to enforce, modify, or revoke a court order for involuntary treatment.

~~((6))~~ (7)(a) If the current commitment is solely based on the person being in need of assisted outpatient behavioral health treatment as defined in RCW 71.05.020, a designated crisis responder may initiate inpatient detention procedures under RCW 71.05.150 or 71.05.153 when appropriate. A designated crisis responder or the secretary may, upon their own motion or notification by the facility or agency designated to provide outpatient care to a person subject to a less restrictive alternative treatment order under RCW 71.05.320 subsequent to an order for assisted outpatient behavioral health treatment entered under RCW 71.05.148, order the person to be apprehended and taken into custody and temporary detention for inpatient evaluation in an evaluation and treatment facility, secure withdrawal management and stabilization facility, or in an approved substance use disorder treatment program, in or near the county in which he or she is receiving outpatient treatment. Proceedings under this subsection may be initiated without ordering the apprehension and detention of the person.

(b) A person detained under this subsection may be held for evaluation for up to one hundred twenty hours, excluding weekends and holidays, pending a court hearing. If the person is not detained, the hearing must be scheduled within one hundred twenty hours of service on the person. The designated crisis responder or the secretary may modify or rescind the order at any time prior to commencement of the court hearing.

(c) The issues for the court to determine are whether to continue the detention of the person for inpatient treatment or whether the court should reinstate or modify the person's less restrictive alternative order or order the person's detention for inpatient

treatment. To continue detention after the one hundred twenty hour period, the court must find that the person, as a result of a behavioral health disorder, presents a likelihood of serious harm or is gravely disabled and, after considering less restrictive alternatives to involuntary detention and treatment, that no such alternatives are in the best interest of the person or others.

(d) A court may not issue an order to detain a person for inpatient treatment in a secure withdrawal management and stabilization facility or approved substance use disorder program under this subsection unless there is a secure withdrawal management and stabilization facility or approved substance use disorder treatment program available and with adequate space for the person.

Sec. 15. RCW 71.05.590 and 2020 c 302 s 56 are each amended to read as follows:

(1) Either an agency or facility designated to monitor or provide services under a less restrictive alternative order or conditional release ~~((order))~~, or a designated crisis responder, may take action to enforce, modify, or revoke a less restrictive alternative or conditional release ~~((order))~~. The agency, facility, or designated crisis responder must determine that:

(a) The person is failing to adhere to the terms and conditions of the court order;

(b) Substantial deterioration in the person's functioning has occurred;

(c) There is evidence of substantial decompensation with a reasonable probability that the decompensation can be reversed by further evaluation, intervention, or treatment; or

(d) The person poses a likelihood of serious harm.

(2) Actions taken under this section must include a flexible range of responses of varying levels of intensity appropriate to the circumstances and consistent with the interests of the individual and the public in personal autonomy, safety, recovery, and compliance. Available actions may include, but are not limited to, any of the following:

(a) To counsel or advise the person as to their rights and responsibilities under the court order, and to offer appropriate incentives to motivate compliance;

(b) To increase the intensity of outpatient services provided to the person by increasing the frequency of contacts with the provider, referring the person for an assessment for assertive community services, or by other means;

(c) To request a court hearing for review and modification of the court order. The request must be made to or by the court with jurisdiction over the order and specify the circumstances that give rise to the request and what modification is being sought. The county prosecutor shall assist the agency or facility in requesting this hearing and issuing an appropriate summons to the person. This subsection does not limit the inherent authority of a treatment provider to alter conditions of treatment for clinical reasons, and is intended to be used only when court intervention is necessary or advisable to secure the person's compliance and prevent decompensation or deterioration;

(d) To cause the person to be transported by a peace officer, designated crisis responder, or other means to the agency or facility monitoring or providing services under the court order, or to a triage facility, crisis stabilization unit, emergency department, evaluation and treatment facility, secure withdrawal management and stabilization facility, or an approved substance use disorder treatment program. The person may be detained at the facility for up to twelve hours for the purpose of an evaluation to determine whether modification, revocation, or commitment proceedings are necessary and appropriate to stabilize the person and prevent decompensation, deterioration, or physical harm. Temporary detention for evaluation under this subsection is

intended to occur only following a pattern of noncompliance or the failure of reasonable attempts at outreach and engagement, and may occur only when in the clinical judgment of a designated crisis responder or the professional person in charge of an agency or facility designated to monitor less restrictive alternative services temporary detention is appropriate. This subsection does not limit the ability or obligation to pursue revocation procedures under subsection ~~((4))~~ (5) of this section in appropriate circumstances; and

(e) To initiate revocation procedures under subsection ~~((4))~~ (5) of this section or, if the current commitment is solely based on the person being in need of assisted outpatient behavioral health treatment as defined in RCW 71.05.020, initial inpatient detention procedures under subsection ~~((6))~~ (7) of this section.

(3) A court may supervise a person on an order for less restrictive alternative treatment or a conditional release. While the person is under the order, the court may:

(a) Require appearance in court for periodic reviews; and
(b) Modify the order after considering input from the agency or facility designated to provide or facilitate services. The court may not remand the person into inpatient treatment except as provided under subsection (5) of this section, but may take actions under subsection (2)(a) through (d) of this section.

(4) The facility or agency designated to provide outpatient treatment shall notify the secretary of the department of social and health services or designated crisis responder when a person fails to adhere to terms and conditions of court ordered treatment or experiences substantial deterioration in his or her condition and, as a result, presents an increased likelihood of serious harm.

~~((4))~~ (5)(a) Except as provided in subsection ~~((6))~~ (7) of this section, a designated crisis responder or the secretary of the department of social and health services may upon their own motion or notification by the facility or agency designated to provide outpatient care order a person subject to a court order under this chapter to be apprehended and taken into custody and temporary detention in an evaluation and treatment facility, in a secure withdrawal management and stabilization facility, or in an approved substance use disorder treatment program, in or near the county in which he or she is receiving outpatient treatment. Proceedings under this subsection ~~((4))~~ (5) may be initiated without ordering the apprehension and detention of the person.

(b) Except as provided in subsection ~~((6))~~ (7) of this section, a person detained under this subsection ~~((4))~~ (5) must be held until such time, not exceeding five days, as a hearing can be scheduled to determine whether or not the person should be returned to the hospital or facility from which he or she had been released. If the person is not detained, the hearing must be scheduled within five days of service on the person. The designated crisis responder or the secretary of the department of social and health services may modify or rescind the order at any time prior to commencement of the court hearing.

(c) The designated crisis responder or secretary of the department of social and health services shall file a revocation petition and order of apprehension and detention with the court of the county where the person is currently located or being detained. The designated crisis responder shall serve the person and their attorney, guardian, and conservator, if any. The person has the same rights with respect to notice, hearing, and counsel as in any involuntary treatment proceeding, except as specifically set forth in this section. There is no right to jury trial. The venue for proceedings is the county where the petition is filed. Notice of the filing must be provided to the court that originally ordered commitment, if different from the court where the petition for revocation is filed, within two judicial days of the person's detention.

(d) Except as provided in subsection ~~((6))~~ (7) of this section, the issues for the court to determine are whether: (i) The person adhered to the terms and conditions of the court order; (ii) substantial deterioration in the person's functioning has occurred; (iii) there is evidence of substantial decompensation with a reasonable probability that the decompensation can be reversed by further inpatient treatment; or (iv) there is a likelihood of serious harm; and, if any of the above conditions apply, whether the court should reinstate or modify the person's less restrictive alternative or conditional release ~~((order))~~ or order the person's detention for inpatient treatment. The person may waive the court hearing and allow the court to enter a stipulated order upon the agreement of all parties. If the court orders detention for inpatient treatment, the treatment period must be for fourteen days from the revocation hearing if the outpatient order was based on a petition under RCW 71.05.160 or 71.05.230. If the court orders detention for inpatient treatment and the outpatient order was based on a petition under RCW 71.05.290 or 71.05.320, the number of days remaining on the outpatient order must be converted to days of inpatient treatment authorized in the original court order.

~~((5))~~ (6) In determining whether or not to take action under this section the designated crisis responder, agency, or facility must consider the factors specified under RCW 71.05.212 and the court must consider the factors specified under RCW 71.05.245 as they apply to the question of whether to enforce, modify, or revoke a court order for involuntary treatment.

~~((6))~~ (7)(a) If the current commitment is solely based on the person being in need of assisted outpatient behavioral health treatment as defined in RCW 71.05.020, a designated crisis responder may initiate inpatient detention procedures under RCW 71.05.150 or 71.05.153 when appropriate. A designated crisis responder or the secretary may, upon their own motion or notification by the facility or agency designated to provide outpatient care to a person subject to a less restrictive alternative treatment order under RCW 71.05.320 subsequent to an order for assisted outpatient behavioral health treatment entered under RCW 71.05.148, order the person to be apprehended and taken into custody and temporary detention for inpatient evaluation in an evaluation and treatment facility, in a secure withdrawal management and stabilization facility, or in an approved substance use disorder treatment program, in or near the county in which he or she is receiving outpatient treatment. Proceedings under this subsection may be initiated without ordering the apprehension and detention of the person.

(b) A person detained under this subsection may be held for evaluation for up to one hundred twenty hours, excluding weekends and holidays, pending a court hearing. The designated crisis responder or the secretary may modify or rescind the order at any time prior to commencement of the court hearing.

(c) The issues for the court to determine are whether to continue the detention of the person for inpatient treatment or whether the court should reinstate or modify the person's less restrictive alternative order or order the person's detention for inpatient treatment. To continue detention after the one hundred twenty hour period, the court must find that the person, as a result of a behavioral health disorder, presents a likelihood of serious harm or is gravely disabled and, after considering less restrictive alternatives to involuntary detention and treatment, that no such alternatives are in the best interest of the person or others.

Sec. 16. RCW 71.34.755 and 2020 c 302 s 96 are each amended to read as follows:

(1) Less restrictive alternative treatment, at a minimum, must include the following services:

(a) Assignment of a care coordinator;

(4) Less restrictive alternative treatment must be administered by a provider that is certified or licensed to provide or coordinate the full scope of services required under the less restrictive alternative order and that has agreed to assume this responsibility.

(5) The care coordinator assigned to a minor ordered to less restrictive alternative treatment must submit an individualized plan for the minor's treatment services to the court that entered the order. An initial plan must be submitted as soon as possible following the intake evaluation and a revised plan must be submitted upon any subsequent modification in which a type of service is removed from or added to the treatment plan.

(6) A care coordinator may disclose information and records related to mental health services pursuant to RCW 70.02.230(2)(k) for purposes of implementing less restrictive alternative treatment.

(7) For the purpose of this section, "care coordinator" means a clinical practitioner who coordinates the activities of less restrictive alternative treatment. The care coordinator coordinates activities with the designated crisis responders that are necessary for enforcement and continuation of less restrictive alternative treatment orders and is responsible for coordinating service activities with other agencies and establishing and maintaining a therapeutic relationship with the individual on a continuing basis.

The records and files maintained in any court proceeding pursuant to chapter 71.05 RCW must be confidential and available subsequent to such proceedings only to the person who was the subject of the proceeding or his or her attorney. In addition, the court may order the subsequent release or use of such records or files only upon good cause shown if the court finds that appropriate safeguards for strict confidentiality are and will be maintained.

"As a condition of conducting evaluation or research concerning persons who have received services from (fill in the facility, agency, or person) I,, agree not to divulge, publish, or otherwise make known to unauthorized persons or the public any information obtained in the course of such evaluation or research regarding minors who have received services in a manner such that the minor is identifiable.

((8)) (9) To appropriate law enforcement agencies, upon request, all necessary and relevant information in the event of a crisis or emergent situation that poses a significant and imminent risk to the public. "**NEW SECTION. Sec. 1.** A new section is added to chapter 51.32 RCW to read as follows:

(1) For frontline employees who are covered under this title, there exists a prima facie presumption that any infectious or contagious diseases that are transmitted through respiratory droplets or aerosols, or through contact with contaminated surfaces and are the subject of a public health emergency are occupational diseases under RCW 51.08.140 during a public health emergency.

(2) The frontline employee must provide verification, as required by the department by rule, to the department and the self-insured employer that the employee has contracted the infectious or contagious disease that is the subject of the public health emergency.

(ii) The date the worker was quarantined by a medical provider or public health official; or

(iii) The date the worker received a positive test result confirming contraction of the infectious or contagious disease.

(b) If leave or similar benefits are paid to the frontline employee as part of a federal or state program for these employees during the public health emergency, temporary total disability benefits are not payable for the same period of time covered by the federal or state program.

(5) When calculating assessments due to the department for which total claim costs are the basis, self-insured employers and self-insurance hospital groups formed under RCW 51.14.150 and 51.14.160 may deduct the cost of payments made under this section from the total of all claim costs reported.

(6) Costs of the payments under this section shall not affect the experience rating of employers insured by the state fund.

MESSAGE FROM THE HOUSE

April 6, 2021

MR. PRESIDENT:

The House passed ENGROSSED SUBSTITUTE SENATE BILL NO. 5180 with the following amendment(s): 5180-S.E AMH PS H1362.1

Strike everything after the enacting clause and insert the following:

"Sec. 1. RCW 9.94A.030 and 2020 c 296 s 2, 2020 c 252 s 4, and 2020 c 137 s 1 are each reenacted and amended to read as follows:

NINETY FOURTH DAY, APRIL 14, 2021

2021 REGULAR SESSION

Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

(1) "Board" means the indeterminate sentence review board created under chapter 9.95 RCW.

(2) "Collect," or any derivative thereof, "collect and remit," or "collect and deliver," when used with reference to the department, means that the department, either directly or through a collection agreement authorized by RCW 9.94A.760, is responsible for monitoring and enforcing the offender's sentence with regard to the legal financial obligation, receiving payment thereof from the offender, and, consistent with current law, delivering daily the entire payment to the superior court clerk without depositing it in a departmental account.

(3) "Commission" means the sentencing guidelines commission.

(4) "Community corrections officer" means an employee of the department who is responsible for carrying out specific duties in supervision of sentenced offenders and monitoring of sentence conditions.

(5) "Community custody" means that portion of an offender's sentence of confinement in lieu of earned release time or imposed as part of a sentence under this chapter and served in the community subject to controls placed on the offender's movement and activities by the department.

(6) "Community protection zone" means the area within eight hundred eighty feet of the facilities and grounds of a public or private school.

(7) "Community restitution" means compulsory service, without compensation, performed for the benefit of the community by the offender.

(8) "Confinement" means total or partial confinement.

(9) "Conviction" means an adjudication of guilt pursuant to Title 10 or 13 RCW and includes a verdict of guilty, a finding of guilty, and acceptance of a plea of guilty.

(10) "Crime-related prohibition" means an order of a court prohibiting conduct that directly relates to the circumstances of the crime for which the offender has been convicted, and shall not be construed to mean orders directing an offender affirmatively to participate in rehabilitative programs or to otherwise perform affirmative conduct. However, affirmative acts necessary to monitor compliance with the order of a court may be required by the department.

(11) "Criminal history" means the list of a defendant's prior convictions and juvenile adjudications, whether in this state, in federal court, or elsewhere, and any issued certificates of restoration of opportunity pursuant to RCW 9.97.020.

(a) The history shall include, where known, for each conviction (i) whether the defendant has been placed on probation and the length and terms thereof; and (ii) whether the defendant has been incarcerated and the length of incarceration.

(b) A conviction may be removed from a defendant's criminal history only if it is vacated pursuant to RCW 9.96.060, 9.94A.640, 9.95.240, or a similar out-of-state statute, or if the conviction has been vacated pursuant to a governor's pardon. However, when a defendant is charged with a recidivist offense, "criminal history" includes a vacated prior conviction for the sole purpose of establishing that such vacated prior conviction constitutes an element of the present recidivist offense as provided in RCW 9.94A.640(~~(3)~~) (4)(b) and 9.96.060(~~(6)~~) (7)(c).

(c) The determination of a defendant's criminal history is distinct from the determination of an offender score. A prior conviction that was not included in an offender score calculated pursuant to a former version of the sentencing reform act remains part of the defendant's criminal history.

(12) "Criminal street gang" means any ongoing organization, association, or group of three or more persons, whether formal or informal, having a common name or common identifying sign or symbol, having as one of its primary activities the commission of criminal acts, and whose members or associates individually or collectively engage in or have engaged in a pattern of criminal street gang activity. This definition does not apply to employees engaged in concerted activities for their mutual aid and protection, or to the activities of labor and bona fide nonprofit organizations or their members or agents.

(13) "Criminal street gang associate or member" means any person who actively participates in any criminal street gang and who intentionally promotes, furthers, or assists in any criminal act by the criminal street gang.

(14) "Criminal street gang-related offense" means any felony or misdemeanor offense, whether in this state or elsewhere, that is committed for the benefit of, at the direction of, or in association with any criminal street gang, or is committed with the intent to promote, further, or assist in any criminal conduct by the gang, or is committed for one or more of the following reasons:

(a) To gain admission, prestige, or promotion within the gang;

(b) To increase or maintain the gang's size, membership, prestige, dominance, or control in any geographical area;

(c) To exact revenge or retribution for the gang or any member of the gang;

(d) To obstruct justice, or intimidate or eliminate any witness against the gang or any member of the gang;

(e) To directly or indirectly cause any benefit, aggrandizement, gain, profit, or other advantage for the gang, its reputation, influence, or membership; or

(f) To provide the gang with any advantage in, or any control or dominance over any criminal market sector, including, but not limited to, manufacturing, delivering, or selling any controlled substance (chapter 69.50 RCW); arson (chapter 9A.48 RCW); trafficking in stolen property (chapter 9A.82 RCW); promoting prostitution (chapter 9A.88 RCW); human trafficking (RCW 9A.40.100); promoting commercial sexual abuse of a minor (RCW 9.68A.101); or promoting pornography (chapter 9.68 RCW).

(15) "Day fine" means a fine imposed by the sentencing court that equals the difference between the offender's net daily income and the reasonable obligations that the offender has for the support of the offender and any dependents.

(16) "Day reporting" means a program of enhanced supervision designed to monitor the offender's daily activities and compliance with sentence conditions, and in which the offender is required to report daily to a specific location designated by the department or the sentencing court.

(17) "Department" means the department of corrections.

(18) "Determinate sentence" means a sentence that states with exactitude the number of actual years, months, or days of total confinement, of partial confinement, of community custody, the number of actual hours or days of community restitution work, or dollars or terms of a legal financial obligation. The fact that an offender through earned release can reduce the actual period of confinement shall not affect the classification of the sentence as a determinate sentence.

(19) "Disposable earnings" means that part of the earnings of an offender remaining after the deduction from those earnings of any amount required by law to be withheld. For the purposes of this definition, "earnings" means compensation paid or payable for personal services, whether denominated as wages, salary, commission, bonuses, or otherwise, and, notwithstanding any other provision of law making the payments exempt from

garnishment, attachment, or other process to satisfy a court-ordered legal financial obligation, specifically includes periodic payments pursuant to pension or retirement programs, or insurance policies of any type, but does not include payments made under Title 50 RCW, except as provided in RCW 50.40.020 and 50.40.050, or Title 74 RCW.

(b) The prosecutor of a county or municipality in which a victim of sex trafficking, prostitution, or commercial sexual abuse of a minor; sexual assault; or domestic violence was sentenced for a misdemeanor or gross misdemeanor offense may exercise discretion to apply to the court on behalf of the state recommending that the court vacate the victim's record of conviction by submitting the information required in subsection (2) of this section. If the court finds the application meets the requirements of subsection (2) of this section, the court may decide whether to grant the application to vacate the record.

(2) In order to vacate a record of conviction for a gross misdemeanor or misdemeanor offense committed as a result of being a victim of sex trafficking, prostitution, or commercial sexual abuse of a minor; sexual assault; or domestic violence as defined in RCW 9.94A.030, the applicant must meet the following requirements:

(a) Provide an affidavit, under penalty of perjury, stating the specific facts and circumstances proving, by a preponderance of evidence that the offense was committed as a result of being a victim of sex trafficking, prostitution, or commercial sexual abuse of a minor; sexual assault; or domestic violence as defined in RCW 9.94A.030;

(b) There are no criminal charges against the applicant pending in any court of this state or another state, or in any federal court for any crime other than prostitution;

(c) If the offense is a misdemeanor, the offender has not been convicted of a new crime in this state, another state, or federal or tribal court in the three years prior to the vacation application;

(d) Except where the conviction to be vacated is for the crime of prostitution, prostitution loitering, or stay out of area of prostitution, provide proof that the crime victim penalty assessment, RCW 7.68.035, has been paid in full;

(e) If applicable, restitution owed to any victim, excluding restitution owed to any insurance provider under Title 48 RCW, has been paid in full.

(3) An applicant may not have a record of conviction for a gross misdemeanor or misdemeanor offense vacated if:

(a) The offense was any misdemeanor or gross misdemeanor violation, including attempt, of chapter 9.68 RCW (obscenity and pornography), chapter 9.68A RCW (sexual exploitation of children), or chapter 9A.44 RCW (sex offenses), except for failure to register as a sex offender under RCW 9A.44.132;

(b) The offense was a conviction as described in RCW 46.61.5055; or

(c) The offense was patronizing a prostitute as described in RCW 9A.88.110.

NEW SECTION. Sec. 6. RCW 9.96.070 (Vacating records of conviction—Prostitution offenses) and 2017 c 128 s 2 & 2014 c 109 s 2 are each repealed."

MESSAGE FROM THE HOUSE

April 7, 2021

MR. PRESIDENT:

NINETY FOURTH DAY, APRIL 14, 2021

2021 REGULAR SESSION

The House passed ENGROSSED SUBSTITUTE SENATE BILL NO. 5235 with the following amendment(s): 5235-S.E AMH SHEW H1484.2

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The legislature finds that local zoning laws can contribute to limiting the housing available for Washingtonians. The legislature finds that reducing these barriers can increase affordable housing options. The legislature finds that accessory dwelling units can be one way to add affordable long-term housing and to provide a needed increase in housing density. However, the legislature finds that research from several cities shows that when accessory dwelling units are built and offered for short-term rental for tourists and business visitors, they may not improve housing affordability. Therefore, it is the intent of the legislature to encourage reducing barriers to accessory dwelling units when local governments have programs to incentivize or assure that they will be utilized for long-term housing. The legislature finds that owner occupancy requirements may provide an appropriate means for local governments to ensure community impacts of accessory dwelling units are mitigated and allow for relaxation of other requirements, when they are an element of a program to reduce short-term rental of accessory dwelling units. The legislature also intends to remove barriers and restrictions on the number of unrelated occupants permitted to live together, which will provide additional affordable housing options.

Sec. 2. RCW 36.70A.696 and 2020 c 217 s 2 are each amended to read as follows:

The definitions in this section apply throughout RCW 36.70A.697 and 36.70A.698 unless the context clearly requires otherwise.

(1) "Accessory dwelling unit" means a dwelling unit located on the same lot as a single-family housing unit, duplex, triplex, townhome, or other housing unit.

(2) "Attached accessory dwelling unit" means an accessory dwelling unit located within or attached to a single-family housing unit, duplex, triplex, townhome, or other housing unit.

(3) "City" means any city, code city, and town located in a county planning under RCW 36.70A.040.

(4) "County" means any county planning under RCW 36.70A.040.

(5) "Detached accessory dwelling unit" means an accessory dwelling unit that consists partly or entirely of a building that is separate and detached from a single-family housing unit, duplex, triplex, townhome, or other housing unit and is on the same property.

~~((5))~~ (6) "Dwelling unit" means a residential living unit that provides complete independent living facilities for one or more persons and that includes permanent provisions for living, sleeping, eating, cooking, and sanitation.

~~((6))~~ (7) "Major transit stop" means:

(a) A stop on a high capacity transportation system funded or expanded under the provisions of chapter 81.104 RCW;

(b) Commuter rail stops;

(c) Stops on rail or fixed guideway systems, including transitways;

(d) Stops on bus rapid transit routes or routes that run on high occupancy vehicle lanes; or

(e) Stops for a bus or other transit mode providing actual fixed route service at intervals of at least fifteen minutes for at least five hours during the peak hours of operation on weekdays.

(8) "Owner" means any person who has at least 50 percent ownership in a property on which an accessory dwelling unit is located.

(9) "Short-term rental" means a lodging use, that is not a hotel or motel or bed and breakfast, in which a dwelling unit, or portion thereof, is offered or provided to a guest by a short-term rental operator for a fee for fewer than 30 consecutive nights.

Sec. 3. RCW 36.70A.697 and 2020 c 217 s 3 are each amended to read as follows:

(1)(a) Cities must adopt or amend by ordinance, and incorporate into their development regulations, zoning regulations, and other official controls the requirements of RCW 36.70A.698(1) to take effect by July 1, 2021.

~~((2))~~ (b) Beginning July 1, 2021, the requirements of RCW 36.70A.698(1):

~~((a))~~ (i) Apply and take effect in any city that has not adopted or amended ordinances, regulations, or other official controls as required under this section; and

~~((b))~~ (ii) Supersede, preempt, and invalidate any local development regulations that conflict with RCW 36.70A.698(1).

(2)(a) Cities and counties must adopt or amend by ordinance, and incorporate into their development regulations, zoning regulations, and other official controls the requirements of RCW 36.70A.698(2) within two years of the next applicable deadline for its comprehensive plan to be reviewed under RCW 36.70A.130 after July 1, 2021.

(b) Beginning two years after the next applicable deadline for the review of a county's or city's comprehensive plan under RCW 36.70A.130 after July 1, 2021, the requirements of RCW 36.70A.698(2) apply and take effect in any city or county that has not adopted or amended ordinances, regulations, or other official controls as required under this section, and preempt any conflicting development regulations.

Sec. 4. RCW 36.70A.698 and 2020 c 217 s 4 are each amended to read as follows:

(1)(a) Except as provided in ~~((subsection[s] (2) and (3) of this section))~~ (b) and (c) of this subsection, through ordinances, development regulations, zoning regulations, and other official controls as required under RCW 36.70A.697(1)(a), cities may not require the provision of off-street parking for accessory dwelling units within one-quarter mile of a major transit stop.

~~((2))~~ (b) A city may require the provision of off-street parking for an accessory dwelling unit located within one-quarter mile of a major transit stop if the city has determined that the accessory dwelling unit is in an area with a lack of access to street parking capacity, physical space impediments, or other reasons supported by evidence that would make on-street parking infeasible for the accessory dwelling unit.

~~((3))~~ (c) A city that has adopted or substantively amended accessory dwelling unit regulations within the four years previous to June 11, 2020, is not subject to the requirements of this ~~((section))~~ subsection (1).

(2) Through ordinances, development regulations, and other official controls adopted or amended as required under RCW 36.70A.697(2):

(a) Cities and counties may not impose or enforce an owner occupancy requirement on any housing or dwelling unit on a lot containing an accessory dwelling unit, unless an accessory dwelling unit on the lot is being offered or used for short-term rental, except that:

(i) Cities and counties may impose and enforce an owner occupancy requirement for the first year after initial occupation of the unit or primary residence following permitting; and

(ii) Cities and counties may impose an owner occupancy requirement for an additional period if such a requirement is supported by findings of the need for such an increased requirement adopted by the city or county after at least two public hearings are held on the proposal, and any ordinance,

development regulations, and other official controls finally adopted directly address feedback from the community. Such an additional period of owner occupancy restrictions must be geographically limited, and may not apply to all of the residential zones within the city or county.

(b) Cities and counties may adopt ordinances, development regulations, and other official controls, including the imposition of fees, impact fees, or taxes, or the waiver of taxes, fees, or specific regulations, to encourage use of accessory dwelling units for long-term housing. Cities and counties may only offer such reduced impact fees, deferral of taxes, or other incentives for the development or construction of accessory dwelling units if such units are subject to effective binding commitments or covenants that the units will not be regularly offered for short-term rental and the city or county has a program to audit compliance with such commitments or covenants.

(c) Cities and counties that impose owner occupancy requirements on lots containing accessory dwelling units must provide for a hardship exemption from any owner occupancy requirements applicable to a housing or dwelling unit on the same lot as an accessory dwelling unit. Such an exemption must allow an owner to offer for rental for periods of 30 days or longer a dwelling unit or housing unit as if a dwelling or housing unit on the property was owner occupied, when the owner no longer occupies the primary residence due to age, illness, financial hardship due to the death of a spouse, domestic partner, or co-owner of the property, disability status, the deployment, activation, mobilization, or temporary duty, as those terms are defined in RCW 26.09.004, of a service member of the armed forces, or other such reason that would make the owner occupancy requirement an undue hardship on the owner. A city or county shall develop and implement a process for the review of hardship applications. Any city or county that imposes an owner occupancy requirement on lots containing accessory dwelling units and has not provided a hardship exemption from the requirement through ordinances, development regulations, or other official controls as required by this subsection may not impose or enforce an owner occupancy requirement on any lot containing an accessory dwelling unit until such time as the city or county has adopted the required hardship exemption, except that an owner-occupancy requirement pursuant to (a) of this subsection (2) may be imposed and enforced if the owner of the lot offers an accessory dwelling unit for short-term rental within the county or if the owner of the lot owns more than three accessory dwelling units within the county.

NEW SECTION. Sec. 5. A new section is added to chapter 35.21 RCW to read as follows:

Except for occupant limits on group living arrangements regulated under state law or on short-term rentals as defined in RCW 64.37.010 and any lawful limits on occupant load per square foot or generally applicable health and safety provisions as established by applicable building code or city ordinance, a city or town may not regulate or limit the number of unrelated persons that may occupy a household or dwelling unit.

NEW SECTION. Sec. 6. A new section is added to chapter 35A.21 RCW to read as follows:

Except for occupant limits on group living arrangements regulated under state law or on short-term rentals as defined in RCW 64.37.010 and any lawful limits on occupant load per square foot or generally applicable health and safety provisions as established by applicable building code or city ordinance, a code city may not regulate or limit the number of unrelated persons that may occupy a household or dwelling unit.

NEW SECTION. Sec. 7. A new section is added to chapter 36.01 RCW to read as follows:

Except for occupant limits on group living arrangements regulated under state law or on short-term rentals as defined in RCW 64.37.010 and any lawful limits on occupant load per square foot or generally applicable health and safety provisions as established by applicable building code or county ordinance, a county may not regulate or limit the number of unrelated persons that may occupy a household or dwelling unit."

MESSAGE FROM THE HOUSE

April 7, 2021

MR. PRESIDENT:

The House passed SUBSTITUTE SENATE BILL NO. 5157 with the following amendment(s): 5157-S AMH ENGR H1392.E

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The legislature finds that in 2013 the legislature adopted outcome expectations for entities that contract with the state to provide health services in order to guide purchasing strategies by the health care authority and department of social and health services. Since then, the health care authority has established a performance measures coordinating committee

NINETY FOURTH DAY, APRIL 14, 2021

2021 REGULAR SESSION

and implemented performance terms in managed care contracts including, but not limited to, performance measurement requirements, mandatory performance improvement projects, and value-based purchasing terms.

The legislature finds that two outcomes established by chapter 320, Laws of 2013 (Engrossed Substitute House Bill No. 1519) and chapter 338, Laws of 2013 (Second Substitute Senate Bill No. 5732) which are key to the integration of behavioral health into primary health networks are (1) reduction in client involvement with the criminal justice system; and (2) reduction in avoidable costs in jails and prisons. These outcomes reflect Washington's priorities to incentivize cross-system collaboration between health networks, government entities, and the criminal justice system; to emphasize prevention over crisis response; and to remove individuals whose offending is driven primarily by health status instead of criminality from the criminal justice system.

The legislature further finds that indicators since 2013 show worsening trends for interaction between persons with behavioral health disorders and the criminal justice system. According to data presented in October 2018 by the research and data administration of the department of social and health services, arrests of persons enrolled in public health with an identified mental health or substance use disorder condition increased by 67 percent during this five-year period, while the overall rate of arrest declined by 11 percent. According to the same data source, referrals for state mental health services related to competency to stand trial have increased by 64 percent, incurring substantial liability for the state in the case of *Trueblood v. Department of Social and Health Services*. The purpose of this act is to focus the health care authority's purchasing efforts on providing incentives to its contractors to reverse these trends and achieve the outcome of reduced criminal justice system involvement for public health system clients with behavioral health disorders.

Sec. 2. RCW 70.320.020 and 2017 c 226 s 8 are each amended to read as follows:

(1) The authority and the department shall base contract performance measures developed under RCW 70.320.030 on the following outcomes when contracting with service contracting entities: Improvements in client health status and wellness; increases in client participation in meaningful activities; reductions in client involvement with criminal justice systems; reductions in avoidable costs in hospitals, emergency rooms, crisis services, and jails and prisons; increases in stable housing in the community; improvements in client satisfaction with quality of life; and reductions in population-level health disparities.

(2) The performance measures must demonstrate the manner in which the following principles are achieved within each of the outcomes under subsection (1) of this section:

(a) Maximization of the use of evidence-based practices will be given priority over the use of research-based and promising practices, and research-based practices will be given priority over the use of promising practices. The agencies will develop strategies to identify programs that are effective with ethnically diverse clients and to consult with tribal governments, experts within ethnically diverse communities and community organizations that serve diverse communities;

(b) The maximization of the client's independence, recovery, and employment;

(c) The maximization of the client's participation in treatment decisions; and

(d) The collaboration between consumer-based support programs in providing services to the client.

(3) In developing performance measures under RCW 70.320.030, the authority and the department shall consider

expected outcomes relevant to the general populations that each agency serves. The authority and the department may adapt the outcomes to account for the unique needs and characteristics of discrete subcategories of populations receiving services, including ethnically diverse communities.

(4) The authority and the department shall coordinate the establishment of the expected outcomes and the performance measures between each agency as well as each program to identify expected outcomes and performance measures that are common to the clients enrolled in multiple programs and to eliminate conflicting standards among the agencies and programs.

(5)(a) The authority and the department shall establish timelines and mechanisms for service contracting entities to report data related to performance measures and outcomes, including phased implementation of public reporting of outcome and performance measures in a form that allows for comparison of performance measures and levels of improvement between geographic regions of Washington.

(b) The authority and the department may not release any public reports of client outcomes unless the data has been deidentified and aggregated in such a way that the identity of individual clients cannot be determined through directly identifiable data or the combination of multiple data elements.

(6)(a) The ((authority and department)) performance measures coordinating committee must establish ((#)): (i) A performance measure to be integrated into the statewide common measure set which tracks effective integration practices of behavioral health services in primary care settings; and (ii) performance measures which track rates of criminal justice system involvement among public health system clients with an identified behavioral health need including, but not limited to, rates of arrest and incarceration. The authority must set improvement targets related to these measures.

(b) The performance measures coordinating committee must report to the governor and appropriate committees of the legislature regarding the implementation of this subsection by July 1, 2022.

(c) For purposes of establishing performance measures as specified in (a)(ii) of this subsection, the performance measures coordinating committee shall convene a work group of stakeholders including the authority, medicaid managed care organizations, the department of corrections, and others with expertise in criminal justice and behavioral health. The work group shall review current performance measures that have been adopted in other states or nationally to inform this effort.

(7) The authority must report to the governor and appropriate committees of the legislature by October 1, 2022, regarding options and recommendations for integrating value-based purchasing terms and a performance improvement project into managed health care contracts relating to the criminal justice outcomes specified under subsection (1) of this section.

Sec. 3. RCW 70.320.030 and 2015 c 209 s 1 are each amended to read as follows:

~~((By September 1, 2014:))~~

(1) The authority shall adopt performance measures to determine whether service contracting entities are achieving the outcomes described in RCW 70.320.020 and 41.05.690 for clients enrolled in medical managed care programs operated according to Title XIX or XXI of the federal social security act.

(2) The ~~((department))~~ authority shall adopt performance measures to determine whether service contracting entities are achieving the outcomes described in RCW 70.320.020 for clients receiving mental health, long-term care, or chemical dependency services."

MESSAGE FROM THE HOUSE

April 7, 2021

MR. PRESIDENT:

The House passed SECOND SUBSTITUTE SENATE BILL NO. 5253 with the following amendment(s): 5253-S2 AMH RDAN H1354.1

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. (1) The purpose of this act is to implement the recommendations of the pollinator health task force created by section 3, chapter 353, Laws of 2019, entitled "Recommendations of the Pollinator Health Task Force - for Pollinator Health in Washington" (November 2020).

(2) The task force provided recommendations to help prioritize and enact policy changes for pollinators in Washington. The recommendations are organized under five broad categories: (a) Habitat; (b) pesticides; (c) education; (d) managed pollinators; and (e) research.

(3) The task force met for the first time the same week that the Asian giant hornet was first discovered in Washington and the week after the Houdini fly was also reported for the first time in Washington. Asian giant hornets primarily hunt honey bees and

destroy entire honey bee hives. The Houdini fly threatens native mason bee populations as well as managed mason bees. Washington is home to over 400 different species of native bees, 65 species of butterflies, as well as moths, wasps, beetles, flies, and hummingbirds. The loss of pollinators, managed and unmanaged, can lead to decreased yields of many fruits, nuts, and vegetables. Washington is currently the top producer in the United States of apples, sweet cherries, alfalfa, blueberries, and pears. In Washington state, honey bees and other pollinators are responsible for the production of tree fruits, small fruits, and other crops.

(4) The legislature intends by this act to implement various recommendations from the pollinator health task force to protect and expand the habitat upon which pollinators depend, by providing technical and financial assistance to public and private landowners, and by coordinating with state agencies and local governments in promoting practices to ensure sustainable, healthy populations of managed and native pollinators.

NEW SECTION. Sec. 2. A new section is added to chapter 43.23 RCW to read as follows:

(1) The department shall create and chair a pollinator health task force. The department shall appoint the members of the task force, which must include, but is not limited to, representatives of the following interests, organizations, and state agencies:

- (a) The conservation commission;
- (b) The department of natural resources;
- (c) The department of fish and wildlife;
- (d) The state parks and recreation commission;
- (e) The Washington state department of transportation;
- (f) The state noxious weed control board;
- (g) The tree fruit industry;
- (h) The seed industry;
- (i) The berry industry;
- (j) Other agricultural industries dependent upon pollinators;
- (k) Washington State University;
- (l) Pesticide distributors and applicators;
- (m) Conservation organizations;
- (n) Organizations representing beekeepers or apiarists;
- (o) A member of the public from west of the crest of the Cascade mountains; and
- (p) A member of the public from east of the crest of the Cascade mountains.

(2) One or more representatives of Washington tribes must also be invited to participate on the task force.

(3) One youth representative from an organization that encourages students to engage in agricultural education must also be invited to participate on the task force when available.

(4) The task force shall build upon existing pollinator research and pollinator habitat plans at the national and state level including, but not limited to, the state-managed pollinator plan, to assist with the development of an implementation plan to implement the state pollinator health strategy.

(5) The task force shall assist, as practicable, with implementation of the recommendations of the task force submitted to the legislature in November 2020.

(6) The department shall provide the implementation plan to the appropriate committees of the senate and house of representatives by December 31, 2021, in compliance with RCW 43.01.036. The implementation plan must include the task force's evaluation and development of protocols that would increase communications between beekeepers, farmers and growers, and pesticide applicators including, but not limited to, education and outreach to beekeepers, farmers and growers, and pesticide applicators.

(7) The department shall provide information related to implementation of the state pollinator health strategy and a

recommendation of whether to extend the task force beyond January 1, 2024, to the appropriate committees of the senate and house of representatives by December 1, 2022, in compliance with RCW 43.01.036.

(8) This section expires January 1, 2024.

Sec. 3. RCW 43.23.300 and 2019 c 353 s 2 are each amended to read as follows:

(1) The department shall establish a program to promote and protect pollinator habitat and the health and sustainability of pollinator species. As funds are made available, the program must provide technical and financial assistance to state agencies, local governments, and private landowners to implement practices that promote habitat for ~~((managed))~~ all pollinators, including native species, as well as beekeeper and grower best management practices. The program must be administered in coordination with the apiary program established in chapter 15.60 RCW, the honey bee commission authorized in chapter 15.62 RCW, and programs administered by the conservation commission and conservation districts.

(2) Subject to the availability of funds appropriated for this specific purpose, and in consultation with the department of fish and wildlife, the department must:

(a) Review, in consultation with Washington State University, education needs related to pollinator education and develop a plan that outlines the goals related to pollinator education and the necessary partners, personnel, and other resources;

(b) Evaluate and complete an analysis of critical impacts and needed best management practices for managed and wild pollinators. The department shall lead this effort in partnership with Washington State University, and in collaboration with the department of fish and wildlife and the state conservation commission. The effort must utilize the framework established in the state's managed pollinator protection plan as a guide for formal recommendations and education opportunities. The analysis must address food insecurities, habitat loss, virus and disease, pests, and pesticides, which may play a role in pollinator health decline. The department shall make the resources produced pursuant to this subsection available to the public on the department's website, as well as through Washington State University and the state's conservation districts;

(c) Document, in consultation with Washington State University, the bee species within the state and map their distributions as practicable;

(d) Provide economic and environmental impacts of weed listing and categorization on pollinator health to county noxious weed control boards in consultation with the state noxious weed control board and annually submit a report to the noxious weed control board describing pollinator health issues;

(e) Provide materials, where practicable and in consultation with Washington State University, about certification programs that support pollinator health, biodiversity, and low-impact pesticide application to the public;

(f) Educate the public through plant nurseries about the necessity for blooming nectar plants to be available to wild and managed pollinators throughout their respective active seasons;

(g) Survey registered beekeepers to determine whether the current apiary program should be expanded to include apiary inspections or registration of apiary yards;

(h) Continue and maintain partnership with federal agencies and neighboring states to promote and enhance the implementation of the national strategy to promote the health of honey bees and improve pollinator health;

(i) Increase the availability of pollinator-related resources on the department's website, as practicable, and other state agencies' websites as appropriate;

NEW SECTION. Sec. 4. A new section is added to chapter 17.21 RCW to read as follows:

(1) The department shall continue to evaluate and update, as necessary, pesticide regulatory and education programs focused on measures to protect pollinator health. This work by the department, when appropriate, must be coordinated with Washington State University pesticide education programs to limit duplication and ensure consistent information sharing.

(2) Subject to the availability of amounts appropriated for this specific purpose, and in consultation with the department of fish and wildlife with regard to considerations for native pollinator species, the department must:

(a) Evaluate and adapt pesticide training and drift reduction technical assistance programs to include up-to-date protection measures for pollinators;

(b) Support Washington State University's pesticide education programs continued incorporation of pollinator protection measures during their training and certification classes, and coordinate on presented research, new protection measures, technological advancements, and any other significant science-based information;

(c) Coordinate with pollinator health staff in the department and at Washington State University to conduct investigations and share annual findings from pesticide-related investigations with the pollinator health task force;

(d) Evaluate and, if necessary, update the pesticide civil penalty matrix related to pollinator death or damage due to the misuse of pesticides and ensure pollinator health protections are included;

(e) When possible, the department must provide credits for pesticide courses focused on pollinator protection measures.

(3) By December 31, 2021, the department shall provide a report to the appropriate committees of the senate and house of representatives, in compliance with RCW 43.01.036, that includes recommendations for measures to mitigate the risks of harm to bees and other pollinators from the use of neonicotinoid pesticides and treated seeds. The department shall evaluate and incorporate the reviews scheduled for completion by the United States environmental protection agency during 2021, including recommended mitigation measures from that agency. The department shall also review neonicotinoid pesticide use restrictions and labeling requirements adopted in other states and include in the report any recommendations for adoption of similar requirements in this state.

Sec. 5. RCW 17.24.081 and 1991 c 257 s 12 are each amended to read as follows:

It shall be unlawful for a person to:

(1) Sell, offer for sale, or distribute a noxious weed or a plant or plant product or regulated article infested or infected with a plant pest declared by rule to be a threat to the state's forest, agricultural, horticultural, floricultural, or beekeeping industries or environment;

(2) Knowingly receive a noxious weed, or a plant, plant product, bees, bee hive or appliances, or regulated article sold, given away, carried, shipped, or delivered for carriage or shipment within this state, in violation of the provisions of this chapter or the rules adopted under this chapter;

(3) Fail to immediately notify the department and isolate and hold the noxious weed, bees, bee hives or appliances, plants or plant products, or other thing unopened or unused subject to inspection or other disposition as may be provided by the department, where the item has been received without knowledge of the violation and the receiver has become subsequently aware of the potential problem;

(4) Knowingly conceal or willfully withhold available information regarding an infected or infested plant, plant product, regulated article, or noxious weed;

(5) Introduce or move into this state, or to move or dispose of in this state, a plant, plant product, or other item included in a quarantine, except under rules as may be prescribed by the department, after a quarantine order has been adopted under this chapter against a place, nursery, orchard, vineyard, apiary, other agricultural establishment, county of this state, another state, territory, or a foreign country as to a plant pest, bee pest, or noxious weed or genetically engineered plant or plant pest organism, until such quarantine is removed;

(6) Introduce or move nonnative managed bumble bees into this state to be used in open-field agricultural use.

NEW SECTION. Sec. 6. A new section is added to chapter 28B.30 RCW to read as follows:

The Washington State University extension program must develop a pollinator extension education and outreach program and develop a statewide, science-based, pollinator education plan to educate beekeepers, agricultural producers, land managers, licensed pesticide applicators, other professionals, and the public. The plan should emphasize pollinator best management practices for both native and managed species.

NEW SECTION. Sec. 7. A new section is added to chapter 39.04 RCW to read as follows:

If a public works project includes landscaping, at least 25 percent of the planted area must be pollinator habitat to the extent practicable. For purposes of this section, "pollinator habitat" means an area of land that is or may be developed as habitat beneficial for the feeding, nesting, and reproduction of all pollinators, including honey bees. The department of agriculture, in consultation with the conservation commission and the department of fish and wildlife, must develop a list of native forage plants that are pollen-rich or nectar-rich and beneficial for all pollinators, including honey bees.

Sec. 8. RCW 77.12.058 and 2019 c 353 s 8 are each amended to read as follows:

(1) The department must implement practices necessary to maintain pollinator habitat on department-owned and managed agricultural and grazing lands where practicable. ~~((For the purposes of this section, "pollinator habitat" means an area of land that is or may be developed as habitat beneficial for the feeding, nesting, and reproduction of all pollinators, including honey bees, as determined by the department.))~~

(2) The department must evaluate various restoration techniques with the goal of improving habitat for native pollinators. The department must update its riparian habitat recommendations to encourage development of pollinator habitat where practicable when making habitat improvements or for riparian restoration.

(3) For the purposes of this section, "pollinator habitat" means an area of land that is or may be developed as habitat beneficial for the feeding, nesting, and reproduction of all pollinators, including honey bees, as determined by the department.

Sec. 9. RCW 89.08.620 and 2020 c 351 s 4 are each amended to read as follows:

(1) When prioritizing grant recipients, the commission, in consultation with the department of agriculture, Washington State University, the department of fish and wildlife, and the United

States department of agriculture natural resources conservation service, shall seek to maximize the benefits of the grant program by leveraging other state, nonstate, public, and private sources of money. The primary metrics used to rank grant applications must be made public by the commission.

(2) The grant program must prioritize or weight projects based on consideration of the individual project's ability to:

(a) Increase the quantity of organic carbon in topsoil through practices including, but not limited to, cover cropping, no-till and minimum tillage conservation practices, crop rotations, manure application, biochar application, compost application, and changes in grazing management;

(b) Increase the quantity of organic carbon in aquatic soils;

(c) Intentionally integrate trees, shrubs, seaweed, or other vegetation into management of agricultural and aquacultural lands, with preference for native vegetation where practicable and appropriate;

(d) Reduce or avoid carbon dioxide equivalent emissions in or from soils;

(e) Reduce nitrous oxide and methane emissions through changes to livestock or soil management; and

(f) Increase usage of precision agricultural practices.

(3) The commission shall develop and approve a prioritization metric to guide the distribution of funds appropriated by the legislature for this purpose, with the goal of producing cost-effective carbon dioxide equivalent impact benefits.

(4) Applicants that create riparian buffers along waterways, or otherwise benefit fish habitat, must receive an enhanced prioritization compared to other grant applications that perform similarly under the prioritization metrics developed by the commission.

(5)(a) Applicants that create or maintain pollinator habitat must receive an enhanced prioritization compared to other grant applications that perform similarly under the prioritization metrics developed by the commission.

(b) For the purposes of this subsection, "pollinator habitat" means an area of land that is or may be developed as habitat beneficial for the feeding, nesting, and reproduction of all pollinators, including honey bees, as determined by the department of agriculture.

(6) The commission shall downgrade a specific grant proposal within its prioritization metric if the proposal is expected to cause significant environmental damage to fish and wildlife habitat.

NEW SECTION. Sec. 10. A new section is added to chapter 89.08 RCW to read as follows:

(1) Subject to the availability of amounts appropriated for this specific purpose, the commission is authorized to develop an ongoing small grants program to provide funding to the conservation districts to educate residents and community groups in urban, suburban, and rural nonfarm areas about the value of habitat for both managed and native pollinators, and to provide the necessary technical and financial assistance and materials to create it.

(2) Educational efforts should include the benefits of habitat diversity, especially pollen-rich and nectar-rich flowering forbs and shrubs. Preference for pollinator plants should be given to native plants or noninvasive, nonnative plants.

(3) Planting projects should provide diverse native or nonnative, noninvasive plants of high quality for pollinator foraging, nesting, and overwintering, as determined by site suitability. Options may include, but are not limited to, bee or eco-lawns, flowering meadow gardens, xeriscaping, shrub plantings, tree plantings, rain gardens, riparian restoration, and other pollinator-friendly landscaping.

MESSAGE FROM THE HOUSE

April 6, 2021

MR. PRESIDENT:

The House passed ENGROSSED SECOND SUBSTITUTE SENATE BILL NO. 5259 with the following amendment(s): 5259-S2.E AMH ENGR H1488.E

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The legislature finds that law enforcement transparency and accountability are vital in maintaining public trust. Data collection is one essential tool to allow the public, law enforcement, and policymakers to analyze the effectiveness of existing police practices, determine which policies and training work and do not work, and avoid unintended consequences by supporting policy decisions with clear and relevant data.

The legislature finds that creating a statewide data collection program that creates a publicly accessible database to track metrics will help to promote openness, transparency, and accountability, build stronger police-community relations, improve trust and confidence in policing services, evaluate specific areas of concern such as biased policing and excessive force, and ultimately improve the quality of policing services.

NEW SECTION. Sec. 2. The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

NINETY FOURTH DAY, APRIL 14, 2021

2021 REGULAR SESSION

(1) "Contractor" means the institution of higher education contracted with the office of the attorney general to implement the statewide use of force data program as provided in this chapter.

(2) "Great bodily harm" has the same meaning as in RCW 9A.04.110.

(3) "Institution of higher education" has the same meaning as in RCW 28B.92.030.

(4) "Law enforcement agency" or "agency" means any general authority Washington law enforcement agency and limited authority Washington law enforcement agency as those terms are defined in RCW 10.93.020.

(5) "Substantial bodily harm" has the same meaning as in RCW 9A.04.110.

NEW SECTION. Sec. 3. (1)(a) Subject to the availability of amounts appropriated for this specific purpose, the attorney general's office shall establish an advisory group to assist with the office's design, development, and implementation of a statewide use of force data program. Members are appointed by the attorney general's office and must consist of:

(i) At least three representatives from local nongovernmental organizations or advocacy groups that have a focus on or expertise in the use and role of data as it relates to interactions between law enforcement and the community;

(ii) At least three representatives from law enforcement agencies or organizations representing the interests of law enforcement in interacting and utilizing this data; and

(iii) At least one representative from the private sector or the public sector with experience in data collection programs, preferably law enforcement data collection.

(b) To ensure the advisory group has diverse and inclusive representation of those affected by its work, advisory group members whose participation in the advisory group may be hampered by financial hardship may apply for a stipend in an amount not to exceed \$100 for each day during which the member attends an official meeting of the advisory group or performs prescribed duties approved by the attorney general's office.

(2) By April 1, 2022, the advisory group shall submit to the attorney general its recommendations on the following elements:

(a) How to prioritize the implementation of the reporting, collection, and publication of the use of force data reports required in section 4(2) of this act;

(b) Additional incidents and data to be collected from law enforcement agencies on interactions between officers and the public, such as traffic stops, pedestrian stops, calls for services, arrests, vehicle pursuits, and disciplinary actions, as well as demographic information including race, ethnicity, and gender of a crime victim or victims. This recommendation should consider phased implementation, if necessary, based on current practices and available data as compared to additional practices and new data that would need to be implemented by law enforcement agencies;

(c) Recommend practices for law enforcement agencies to collect and report data to the contractor. To the greatest extent feasible, the reporting mechanisms for the program must include the opportunity for law enforcement agencies to submit the required data elements through incident reports or any other electronic means. The advisory group may also work to develop a standardized incident report that meets the data and reporting requirements of the statewide use of force data program for voluntary use by law enforcement agencies;

(d) Recommend practices for the public to report relevant information to the contractor directly, or its successor, including correcting misreported and otherwise incorrect data;

(e) Recommend practices for public, law enforcement, and academic access and use of program data that must include, at a minimum:

(i) Public access to deidentified raw and/or refined incident based data using an established open data standard, available online at no cost in a downloadable, machine-readable, nonproprietary format, redacted only as necessary to comply with the public records act (chapter 42.56 RCW) and the Washington state criminal records privacy act (chapter 10.97 RCW);

(ii) Publicly accessible online data dashboards that summarize and analyze the data, excluding personally identifiable information;

(iii) Interactive data visualization tools designed for law enforcement agencies and other entities to use the data for research, professional development, training, and management;

(iv) The ability to extract data from incident reports, or other electronic means, and officer narratives in order to standardize data across multiple agencies;

(v) Ensure protection and removal of all personally identifiable information of officers, subjects, and victims in any data or analyses that are publicly released; and

(vi) Semiannual reports, summarizing the data collected and any related analysis, published on the website and submitted to the legislature and governor by June 1st and December 1st of each year;

(f) Recommend practices for quality improvement, including periodically obtaining input from stakeholders about how the program can better meet the needs of the public and law enforcement;

(g) Recommend practices in the following areas:

(i) Analytical dashboards with individual officer details for use by law enforcement agencies as a risk management tool;

(ii) Agency level comparative dashboards for all law enforcement agencies in the state;

(iii) Incorporating available historical data to identify long-term trends and patterns; and

(iv) Analysis of data, using methodologies based in best practices or tested and validated in other jurisdictions, if possible, including, but not limited to, analysis of the data using legal algorithms based on available and applicable legal standards.

(3)(a) The office of the attorney general shall review the recommendations of the advisory group and approve or reject, in whole or in part, the recommendations. In reviewing the program recommendations, the office of the attorney general shall consider:

(i) Available funding to achieve the recommendations;

(ii) Prioritizing the implementation of the reporting, collection, and publication of the use of force data reports in section 4(2) of this act;

(iii) The interests of the public in accessing information in a transparent and expedient manner. In considering the interests of the public, the advisory board shall accept and consider comments from impacted family members or their designees;

(iv) The institutional operations and demands of law enforcement agencies through input and comments from the criminal justice training center and local law enforcement agencies.

(b) For any recommendation that was rejected, in part or in full, the advisory group may submit revised recommendations for consideration by the office of the attorney general in accordance with any deadlines established by the office. The office of the attorney general may also approve recommendations subject to the legislature appropriating the funding necessary for their implementation.

(c) The office of the attorney general may not approve any recommendation that requires any law enforcement agency to disclose information that would jeopardize an active criminal investigation, confidential informant, or intelligence information.

(4) The approved recommendations and the requirements contained in section 4 of this act constitute the statewide use of force data program.

(5) This section expires January 1, 2023.

NEW SECTION. Sec. 4. (1) Each law enforcement agency in the state is required to report each incident where a law enforcement officer employed by the agency used force and:

- (a) A fatality occurred in connection with the use of force;

MESSAGE FROM THE HOUSE

April 10, 2021

MR. PRESIDENT:

The House passed ENGROSSED SECOND SUBSTITUTE SENATE BILL NO. 5287 with the following amendment(s): 5287-S2.E AMH ENGR H1430.E

Strike everything after the enacting clause and insert the following:

"Sec. 1. RCW 84.14.005 and 2007 c 430 s 1 are each amended to read as follows:

(1) The legislature finds:

((1)) (a) That in many of Washington's urban centers there is insufficient availability of desirable and convenient residential units, including affordable housing units, to meet the needs of a growing number of the public who would live in these urban centers if these desirable, convenient, attractive, affordable, and livable places to live were available;

((2)) (b) That the development of additional and desirable residential units, including affordable housing units, in these urban centers that will attract and maintain a significant increase in the number of permanent residents in these areas will help to alleviate the detrimental conditions and social liability that tend to exist in the absence of a viable mixed income residential population and will help to achieve the planning goals mandated by the growth management act under RCW 36.70A.020; and

((3)) (c) That planning solutions to solve the problems of urban sprawl often lack incentive and implementation techniques needed to encourage residential redevelopment in those urban centers lacking a sufficient variety of residential opportunities, and it is in the public interest and will benefit, provide, and promote the public health, safety, and welfare to stimulate new or enhanced residential opportunities, including affordable housing

opportunities, within urban centers through a tax incentive as provided by this chapter.

(2) Therefore, the legislature intends to achieve multiple goals by incentivizing the development of multiple-unit housing including creating additional affordable housing, encouraging urban development and density, increasing market rate workforce housing, developing permanently affordable housing opportunities, promoting economic investment and recovery, and creating family-wage jobs.

Sec. 2. RCW 84.14.010 and 2017 c 52 s 16 are each amended to read as follows:

The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

(1) "Affordable housing" means residential housing that is rented by a person or household whose monthly housing costs, including utilities other than telephone, do not exceed thirty percent of the household's monthly income. (c) A mixture of uses and activities that may include housing, recreation, and cultural activities in association with either commercial or office, or both, use.

Sec. 3. RCW 84.14.020 and 2020 c 237 s 2 are each amended to read as follows:

(1)(a) The value of new housing construction, conversion, and rehabilitation improvements qualifying under this chapter is exempt from ad valorem property taxation, as follows:

(i) For properties for which applications for certificates of tax exemption eligibility are submitted under this chapter before July 22, 2007, the value is exempt for ten successive years beginning January 1 of the year immediately following the calendar year of issuance of the certificate; ~~((and))~~

(ii) For properties for which applications for certificates of tax exemption eligibility are submitted under this chapter on or after July 22, 2007, the value is exempt:

(A) For eight successive years beginning January 1st of the year immediately following the calendar year of issuance of the certificate; ~~((or))~~

(B) For twelve successive years beginning January 1st of the year immediately following the calendar year of issuance of the certificate, if the property otherwise qualifies for the exemption

under this chapter and meets the conditions in this subsection (1)(a)(ii)(B). For the property to qualify for the twelve-year exemption under this subsection, the applicant must commit to renting or selling at least twenty percent of the multifamily housing units as affordable housing units to low and moderate-income households, and the property must satisfy that commitment and any additional affordability and income eligibility conditions adopted by the local government under this chapter. In the case of projects intended exclusively for owner occupancy, the minimum requirement of this subsection (1)(a)(ii)(B) may be satisfied solely through housing affordable to moderate-income households; or

(C) For 20 successive years beginning January 1st of the year immediately following the calendar year of issuance of the certificate, if the property otherwise qualifies for the exemption under this chapter and meets the conditions in this subsection (1)(a)(ii)(C). For the property to qualify for the 20-year exemption under this subsection, the project must be located within one mile of high capacity transit of at least 15 minute scheduled frequency, in a city that has implemented, as of the effective date of this section, a mandatory inclusionary zoning requirement for affordable housing that ensures affordability of housing units for a period of at least 99 years and that has a population of no more than 65,000 as measured on the effective date of this section. To qualify for the exemption provided in this subsection (1)(a)(ii)(C), the applicant must commit to renting at least 20 percent of the dwelling units as affordable to low-income households for a term of at least 99 years, and the property must satisfy that commitment and all required affordability and income eligibility conditions adopted by the local government under this chapter. A city must require the applicant to record a covenant or deed restriction that ensures the continuing rental of units subject to these affordability requirements consistent with the conditions in this subsection (1)(a)(ii)(C) for a period of no less than 99 years. The covenant or deed restriction must also address criteria and policies to maintain public benefit if the property is converted to a use other than which continues to provide for permanently affordable low-income housing consistent with this subsection (1)(a)(ii)(C); and

(iii) Until December 31, 2026, for a city as defined in RCW 84.14.010(3)(d), for 12 successive years beginning January 1st of the year immediately following the calendar year of issuance of the certificate, if the property otherwise qualifies for the exemption under this chapter and meets the conditions in this subsection (1)(a)(iii). For the property to qualify for the 12-year exemption under this subsection, the applicant must commit to renting or selling at least 20 percent of the multifamily housing units as affordable housing units to low and moderate-income households, the property must satisfy that commitment and any additional affordability and income eligibility conditions adopted by the local government under this chapter, and the area must be zoned to have an average minimum density equivalent to 15 dwelling units or more per gross acre, or for cities with a population over 20,000, the area must be zoned to have an average minimum density equivalent to 25 dwelling units or more per gross acre. In the case of projects intended exclusively for owner occupancy, the minimum requirement of this subsection (1)(a)(iii) may be satisfied solely through housing affordable to low-income or moderate-income households.

(b) The exemptions provided in (a)(i) ~~((and (ii)))~~ through (iii) of this subsection do not include the value of land or nonhousing-related improvements not qualifying under this chapter.

(c) For properties receiving an exemption as provided in (a)(ii)(B) of this subsection that are in compliance with existing contracts and where the certificate of tax exemption is set to expire after June 11, 2020, but before December 31, 2021, the

NINETY FOURTH DAY, APRIL 14, 2021

2021 REGULAR SESSION

exemption is extended until December 31, 2021, provided that the property must satisfy any eligibility criteria or limitations provided in this chapter as a condition to the existing exemption for a given property continue to be met. For all properties eligible to receive an extension pursuant to this subsection (1)(c), the city or county that issued the initial certificate of tax exemption, as required in RCW 84.14.090, must notify the county assessor and the applicant of the extension of the certificate of tax exemption.

(2) When a local government adopts guidelines pursuant to RCW 84.14.030(2) and includes conditions that must be satisfied with respect to individual dwelling units, rather than with respect to the multiple-unit housing as a whole or some minimum portion thereof, the exemption may, at the local government's discretion, be limited to the value of the qualifying improvements allocable to those dwelling units that meet the local guidelines.

(3) In the case of rehabilitation of existing buildings, the exemption does not include the value of improvements constructed prior to the submission of the application required under this chapter. The incentive provided by this chapter is in addition to any other incentives, tax credits, grants, or other incentives provided by law.

(4) This chapter does not apply to increases in assessed valuation made by the assessor on nonqualifying portions of building and value of land nor to increases made by lawful order of a county board of equalization, the department of revenue, or a county, to a class of property throughout the county or specific area of the county to achieve the uniformity of assessment or appraisal required by law.

(5) At the conclusion of the exemption period, the ~~((new or rehabilitated housing cost shall))~~ value of the new housing construction, conversion, or rehabilitation improvements must be considered as new construction for the purposes of ~~((chapter 84.55 RCW))~~ chapters 84.55 and 36.21 RCW as though the property was not exempt under this chapter.

(6) For properties that qualified for, satisfied the conditions of, and utilized the exemption under subsection (1)(a)(ii)(A) or (B) of this section, following the initial exemption period or the extension period authorized in subsection (1)(c) of this section, the exemption period may be extended for an additional 12 years for projects that are within 18 months of expiration contingent on city or county approval. For the property to qualify for an extension under this subsection (6), the applicant must meet at a minimum the locally adopted requirements for the property to qualify for an exemption under subsection (1)(a)(ii)(B) of this section as applicable at the time of the extension application, and the applicant commits to renting or selling at least 20 percent of the multifamily housing units as affordable housing units for low-income households.

(7) At the end of both the tenth and eleventh years of an extension, for twelve-year extensions of the exemption, applicants must provide tenants of rent-restricted units with notification of intent to provide the tenant with rental relocation assistance as provided in subsection (8) of this section.

(8)(a) Except as provided in (b) of this subsection, for any 12-year exemption authorized under subsection (1)(a)(ii)(B) or (iii) of this section after the effective date of this section, or for any 12-year exemption extension authorized under subsection (6) of this section, at the expiration of the exemption the applicant must provide tenant relocation assistance in an amount equal to one month's rent to a qualified tenant within the final month of the qualified tenant's lease. To be eligible for tenant relocation assistance under this subsection, the tenant must occupy an income-restricted unit at the time the exemption expires and must qualify as a low-income household under this chapter at the time relocation assistance is sought.

(b) If affordability requirements consistent, at a minimum, with those required under subsection (1)(a)(ii)(B) or (iii) of this section remain in place for the unit after the expiration of the exemption, relocation assistance in an amount equal to one month's rent must be provided to a qualified tenant within the final month of a qualified tenant's lease who occupies an income-restricted unit at the time those additional affordability requirements cease to apply to the unit.

(9) No new exemptions may be provided under this section beginning on or after January 1, 2032. No extensions may be granted under subsection (6) of this section on or after January 1, 2046.

Sec. 4. RCW 84.14.040 and 2014 c 96 s 4 are each amended to read as follows:

(1) The following criteria must be met before an area may be designated as a residential targeted area:

(a) The area must be within an urban center, as determined by the governing authority;

(b) The area must lack, as determined by the governing authority, sufficient available, desirable, and convenient residential housing, including affordable housing, to meet the needs of the public who would be likely to live in the urban center, if the affordable, desirable, attractive, and livable places to live were available;

(c) The providing of additional housing opportunity, including affordable housing, in the area, as determined by the governing authority, will assist in achieving one or more of the stated purposes of this chapter; ~~((and))~~

(d) If the residential targeted area is designated by a county, the area must be located in an unincorporated area of the county that is within an urban growth area under RCW 36.70A.110 and the area must be: (i) In a rural county, served by a sewer system and designated by a county prior to January 1, 2013; or (ii) in a county that includes a campus of an institution of higher education, as defined in RCW 28B.92.030, where at least one thousand two hundred students live on campus during the academic year; and (iii) until July 15, 2024, in a county seeking to promote transit supportive densities and efficient land use in an area that is located within a designated urban growth area and within .25 miles of a corridor where bus service is scheduled at least every thirty minutes for no less than 10 hours per weekday and is in service or is planned for service to begin within five years of designation; and

(e) For a residential targeted area designated by a county after the effective date of this section, the county governing authority must conduct an evaluation of the risk of potential displacement of residents currently living in the area if the tax incentives authorized in this chapter were to be used in the area. The county may use an existing analysis if one exists. An area may not be designated as a residential targeted area unless: (i) The evaluation finds that the risk of displacement is minimal; or (ii) the governing authority mitigates the risk of displacement with locally adopted mitigation measures such as, but not limited to, ensuring that those directly or indirectly displaced have a first right of refusal to occupy the newly created dwelling units receiving an exemption under this chapter, including the affordable units if they otherwise meet the qualifications.

(2) For the purpose of designating a residential targeted area or areas, the governing authority may adopt a resolution of intention to so designate an area as generally described in the resolution. The resolution must state the time and place of a hearing to be held by the governing authority to consider the designation of the area and may include such other information pertaining to the designation of the area as the governing authority determines to be appropriate to apprise the public of the action intended.

(3) The governing authority must give notice of a hearing held under this chapter by publication of the notice once each week for two consecutive weeks, not less than seven days, nor more than thirty days before the date of the hearing in a paper having a general circulation in the city or county where the proposed residential targeted area is located. The notice must state the time, date, place, and purpose of the hearing and generally identify the area proposed to be designated as a residential targeted area.

(4) Following the hearing, or a continuance of the hearing, the governing authority may designate all or a portion of the area described in the resolution of intent as a residential targeted area if it finds, in its sole discretion, that the criteria in subsections (1) through (3) of this section have been met.

(5) After designation of a residential targeted area, the governing authority must adopt and implement standards and guidelines to be utilized in considering applications and making the determinations required under RCW 84.14.060. The standards and guidelines must establish basic requirements for both new construction and rehabilitation, which must include:

- (a) Application process and procedures;
- (b) Income and rent standards for affordable units;
- (c) Requirements that address demolition of existing structures and site utilization; and
- ~~((e))~~ (d) Building requirements that may include elements addressing parking, height, density, environmental impact, and compatibility with the existing surrounding property and such other amenities as will attract and keep permanent residents and that will properly enhance the livability of the residential targeted area in which they are to be located.

(6)(a) The governing authority may adopt and implement, either as conditions to eight-year exemptions or as conditions to an extended exemption period under RCW 84.14.020(1)(a)(ii) (B) or (C), or ((both)) as conditions to any combination of exemptions authorized under this chapter, more stringent income eligibility, rent, or sale price limits, including limits that apply to a higher percentage of units, than the minimum conditions for an extended exemption period under RCW 84.14.020(1)(a)(ii) (B) or (C).

(b) Additionally, a governing authority may adopt and implement as a contractual prerequisite to any exemption granted pursuant to RCW 84.14.020:

(i) A requirement that applicants pay at least the prevailing rate of hourly wage established under chapter 39.12 RCW for journey level and apprentice workers on residential and commercial construction;

(ii) Payroll record requirements consistent with RCW 39.12.120(1);

(iii) Apprenticeship utilization requirements consistent with RCW 39.04.310; and

(iv) A contracting inclusion plan developed in consultation with the office of minority and women's business enterprises.

(7) For any multiunit housing located in an unincorporated area of a county, a property owner seeking tax incentives under this chapter must commit to renting or selling at least twenty percent of the multifamily housing units as affordable housing units to low and moderate-income households. In the case of multiunit housing intended exclusively for owner occupancy, the minimum requirement of this subsection ~~((6))~~ (7) may be satisfied solely through housing affordable to moderate-income households.

(8) Nothing in this section prevents a governing authority from adopting and implementing additional requirements to any exemption granted under RCW 84.14.020.

Sec. 5. RCW 84.14.100 and 2012 c 194 s 9 are each amended to read as follows:

(1) Thirty days after the anniversary of the date of the certificate of tax exemption and each year for the tax exemption

period, the owner of the rehabilitated or newly constructed property, or the qualified nonprofit or local government that will assure permanent affordable homeownership for at least 25 percent of the units for properties receiving an exemption under section 7 of this act, must file with a designated authorized representative of the city or county an annual report indicating the following:

(a) A statement of occupancy and vacancy of the rehabilitated or newly constructed property during the twelve months ending with the anniversary date;

(b) A certification by the owner that the property has not changed use and, if applicable, that the property has been in compliance with the affordable housing requirements as described in RCW 84.14.020 since the date of the certificate approved by the city or county;

(c) A description of changes or improvements constructed after issuance of the certificate of tax exemption; and

(d) Any additional information requested by the city or county in regards to the units receiving a tax exemption.

(2) All cities or counties, which issue certificates of tax exemption for multiunit housing that conform to the requirements of this chapter, must report annually by ~~((December 31st))~~ April 1st of each year, beginning in 2007, to the department of commerce. A city or county must be in compliance with the reporting requirements of this section to offer certificates of tax exemption for multiunit housing authorized in this chapter. The report must include the following information:

(a) The number of tax exemption certificates granted;

(b) The total number and type of units produced or to be produced;

(c) The number, size, and type of units produced or to be produced meeting affordable housing requirements;

(d) The actual development cost of each unit produced;

(e) The total monthly rent or total sale amount of each unit produced;

(f) The annual household income ((of each renter household at the time of initial occupancy and the income of each initial purchaser of owner-occupied units at the time of purchase)) and household size for each of the affordable units receiving a tax exemption and a summary of these figures for the city or county; and

(g) The value of the tax exemption for each project receiving a tax exemption and the total value of tax exemptions granted.

(3)(a) The department of commerce must adopt and implement a program to effectively audit or review that the owner or operator of each property for which a certificate of tax exemption has been issued, except for those properties receiving an exemption that are owned or operated by a nonprofit or for those properties receiving an exemption from a city or county that operates an independent audit or review program, is offering the number of units at rents as committed to in the approved application for an exemption and that the tenants are being properly screened to be qualified for an income-restricted unit. The audit or review program must be adopted in consultation with local governments and other stakeholders and may be based on auditing a percentage of income-restricted units or properties annually. A private owner or operator of a property for which a certificate of tax exemption has been issued under this chapter, must be audited at least once every five years.

(b) If the review or audit required under (a) of this subsection for a given property finds that the owner or operator is not offering the number of units at rents as committed to in the approved application or is not properly screening tenants for income-restricted units, the department of commerce must notify the city or county and the city or county must impose and collect a sliding scale penalty not to exceed an amount calculated by

NINETY FOURTH DAY, APRIL 14, 2021

2021 REGULAR SESSION

subtracting the amount of rents that would have been collected had the owner or operator complied with their commitment from the amount of rents collected by the owner or operator for the income-restricted units, with consideration of the severity of the noncompliance. If a subsequent review or audit required under (a) of this subsection for a given property finds continued substantial noncompliance with the program requirements, the exemption certificate must be canceled pursuant to RCW 84.14.110.

(c) The department of commerce may impose and collect a fee, not to exceed the costs of the audit or review, from the owner or operator of any property subject to an audit or review required under (a) of this subsection.

(4) The department of commerce must provide guidance to cities and counties, which issue certificates of tax exemption for multiunit housing that conform to the requirements of this chapter, on best practices in managing and reporting for the exemption programs authorized under this chapter, including guidance for cities and counties to collect and report demographic information for tenants of units receiving a tax exemption under this chapter.

(5) This section expires January 1, 2058.

NEW SECTION. Sec. 6. (1) This section is the tax preference performance statement for the tax preferences contained in section 3, chapter . . . , Laws of 2021 (section 3 of this act). This performance statement is only intended to be used for subsequent evaluation of the tax preferences. It is not intended to create a private right of action by any party or be used to determine eligibility for preferential tax treatment.

(2) The legislature categorizes these tax preferences as ones intended to induce certain designated behavior by taxpayers, as indicated in RCW 82.32.808(2)(a).

(3) It is the legislature's specific public policy objective to:

(a) Incentivize developers to construct or rehabilitate multifamily housing;

(b) Incentivize local governments and multifamily housing owners to maintain or expand existing income-restricted unit stock that have been incentivized through the tax exemption provided under chapter 84.14 RCW via new authority to renew the property tax abatement in exchange for continued or additional affordability; and

(c) Further encourage multifamily construction in cities and certain unincorporated urban growth areas by expanding access to the multifamily tax exemption program to a broader set of jurisdictions.

(4) It is the legislature's intent to provide the value of new housing construction, conversion, and rehabilitation improvements qualifying under chapter 84.14 RCW an exemption from ad valorem property taxation for eight to 12 years or more, as provided for in RCW 84.14.020, in order to provide incentives to developers to construct or rehabilitate multifamily housing thereby increasing the number of affordable housing units, or preserving the state's stock of income-restricted units, for low-income to moderate-income residents in certain urban growth areas.

(5) The legislature intends to extend the expiration date of the tax preferences in section 3, chapter . . . , Laws of 2021 (section 3 of this act), if a review finds that:

(a) Projects receiving an initial eight-year or 12-year exemption regularly enter into subsequent 12-year extensions in exchange for continued or increased income restrictions on affordable units; and

(b) At least 20 percent of the new housing is developed and occupied by households earning:

(i) At or below 80 percent of the area median income, at the time of occupancy, adjusted for family size for the county in which the project is located; or

(ii) Where the housing is intended exclusively for owner occupancy, up to 115 percent of the area median income, at the time of sale, adjusted for family size for the county in which the project is located.

(6) In order to obtain the data necessary to perform the review in subsection (4) of this section, the joint legislative audit and review committee must refer to the annual reports compiled by the department of commerce under RCW 84.14.100 and may refer to data provided by counties or cities in which persons are utilizing the preferences, the office of financial management, the department of commerce, the United States department of housing and urban development, and any other data sources, as needed by the joint legislative audit and review committee.

NEW SECTION. Sec. 7. A new section is added to chapter 84.14 RCW to read as follows:

(1)(a) The value of new housing construction, conversion, and rehabilitation improvements qualifying under this chapter is exempt from ad valorem property taxation, as follows: For 20 successive years beginning January 1st of the year immediately following the calendar year of issuance of the certificate, if the property otherwise qualifies for the exemption under this chapter and meets the conditions in this section. For the property to qualify for the 20-year exemption under this section, at least 25 percent of the units must be built by or sold to a qualified nonprofit or local government that will assure permanent affordable homeownership. The remaining 75 percent of units may be rented or sold at market rates.

(b) Until December 31, 2031, for a city as defined in RCW 84.14.010(3)(d), in any city the value of new housing construction, conversion, and rehabilitation improvements qualifying under this chapter is exempt from ad valorem property taxation, as follows: For 20 successive years beginning January 1st of the year immediately following the calendar year of issuance of the certificate, if the property otherwise qualifies for the exemption under this chapter and meets the conditions in this section. For the property to qualify for the 20-year exemption under this section, at least 25 percent of the units must be sold to a qualified nonprofit or local government partner that will assure permanent affordable homeownership. The remaining 75 percent of units may be rented or sold at market rates. The area must be zoned to have an average minimum density equivalent to 15 dwelling units or more per gross acre, or for cities with a population over 20,000, the area must be zoned to have an average minimum density equivalent to 25 dwelling units or more per gross acre.

(2) Permanently affordable homeownership units or permanently affordable rental units must be sold or rented to households earning no more than 80 percent of the average median income for the city or local jurisdiction in which the unit is located.

(3) A local jurisdiction may assign and collect an administration fee at each point of sale to cover the administrative costs for oversight of the program to maintain permanently affordable housing units consistent with this section.

(4) The exemptions in this section do not include the value of land or nonhousing-related improvements not qualifying under this chapter.

(5) At the conclusion of the exemption period, the value of the new housing construction, conversion, or rehabilitation improvements must be considered as new construction for the purposes of chapters 84.55 and 36.21 RCW as though the property was not exempt under this chapter.

(6) For purposes of this section, "permanently affordable homeownership" means homeownership that, in addition to meeting the definition of "affordable housing" in RCW 43.185A.010, is:

(a) Sponsored by a nonprofit organization or governmental entity;

(b) Subject to a ground lease or deed restriction that includes:

(i) A resale restriction designed to provide affordability for future low and moderate-income homebuyers;

(ii) A right of first refusal for the sponsor organization to purchase the home at resale; and

(iii) A requirement that the sponsor must approve any refinancing, including home equity lines of credit; and

(c) Sponsored by a nonprofit organization or governmental entity and the sponsor organization:

(i) Executes a new ground lease or deed restriction with a duration of at least 99 years at the initial sale and with each successive sale; and

(ii) Supports homeowners and enforces the ground lease or deed restriction.

(7) The department of commerce must develop a template for permanent affordability for home or condo ownership through deed restrictions that can be used by a city or local government to ensure compliance with this section.

(8) No new exemptions may be provided under this section beginning on or after January 1, 2032.

NEW SECTION. Sec. 8. (1) This section is the tax preference performance statement for the tax preference contained in section 7, chapter . . . , Laws of 2021 (section 7 of this act). This performance statement is only intended to be used for subsequent evaluation of the tax preferences. It is not intended to create a private right of action by any party or be used to determine eligibility for preferential tax treatment.

(2) The legislature categorizes these tax preferences as ones intended to induce certain designated behavior by taxpayers, as indicated in RCW 82.32.808(2)(a).

(3) It is the legislature's specific public policy objective to incentivize developers to construct or rehabilitate permanently affordable homeownership units.

(4) It is the legislature's intent to provide the value of new housing construction, conversion, and rehabilitation improvements qualifying under chapter 84.14 RCW an exemption from ad valorem property taxation for 20 years, as provided for in section 7 of this act, in order to provide incentives to developers to construct or rehabilitate multifamily housing thereby increasing the number of permanently affordable homeownership units.

(5) The legislature intends to extend the expiration date of the tax preferences in section 7, chapter . . . , Laws of 2021 (section 7 of this act), if a review finds that:

(a) The number of local governments utilizing the permanently affordable homeownership tax exemption program authorized in section 7 of this act increases over time;

(b) The number of permanently affordable homeownership units increases; and

(c) The income level of those households benefiting from the permanently affordable homeownership units is consistent with the requirements of section 7 of this act.

(6) In order to obtain the data necessary to perform the review in subsection (5) of this section, the joint legislative audit and review committee must refer to the annual reports compiled by the department of commerce under RCW 84.14.100 and may refer to data provided by counties or cities in which persons are utilizing the preferences, the office of financial management, the department of commerce, the United States department of

housing and urban development, and any other data sources, as needed by the joint legislative audit and review committee.

Sec. 9. RCW 84.14.030 and 2012 c 194 s 3 are each amended to read as follows:

An owner of property making application under this chapter must meet the following requirements:

(1) The new or rehabilitated multiple-unit housing must be located in a residential targeted area as designated by the city or county;

(2) The multiple-unit housing must meet guidelines as adopted by the governing authority that may include height, density, public benefit features, number and size of proposed development, parking, income limits for occupancy, limits on rents or sale prices, and other adopted requirements indicated necessary by the city or county. The required amenities should be relative to the size of the project and tax benefit to be obtained;

(3) The new, converted, or rehabilitated multiple-unit housing must provide for a minimum of fifty percent of the space for permanent residential occupancy. In the case of existing occupied multifamily development, the multifamily housing must also provide for a minimum of four additional multifamily units. Existing multifamily vacant housing that has been vacant for twelve months or more does not have to provide additional multifamily units;

(4) New construction multifamily housing and rehabilitation improvements must be completed within three years from the date of approval of the application, plus any extension authorized under RCW 84.14.090(5);

(5) Property proposed to be rehabilitated must fail to comply with one or more standards of the applicable state or local building or housing codes on or after July 23, 1995. If the property proposed to be rehabilitated is not vacant, an applicant must provide each existing tenant housing of comparable size, quality, and price and a reasonable opportunity to relocate; and

(6) The applicant must enter into a contract with the city or county approved by the governing authority, or an administrative official or commission authorized by the governing authority, under which the applicant has agreed to the implementation of the development on terms and conditions satisfactory to the governing authority.

Sec. 10. RCW 84.14.090 and 2012 c 194 s 8 are each amended to read as follows:

(1) Upon completion of rehabilitation or new construction for which an application for a limited tax exemption under this chapter has been approved and after issuance of the certificate of occupancy, the owner must file with the city or county the following:

(a) A statement of the amount of rehabilitation or construction expenditures made with respect to each housing unit and the composite expenditures made in the rehabilitation or construction of the entire property;

(b) A description of the work that has been completed and a statement that the rehabilitation improvements or new construction on the owner's property qualify the property for limited exemption under this chapter;

(c) If applicable, a statement that the project meets the affordable housing requirements as described in RCW 84.14.020; and

(d) A statement that the work has been completed within three years of the issuance of the conditional certificate of tax exemption.

(2) Within thirty days after receipt of the statements required under subsection (1) of this section, the authorized representative of the city or county must determine whether the work completed, and the affordability of the units, is consistent with the application and the contract approved by the city or county and is qualified

2021 REGULAR SESSION

for a limited tax exemption under this chapter. The city or county must also determine which specific improvements completed meet the requirements and required findings.

(3) If the rehabilitation, conversion, or construction is completed within three years of the date the application for a limited tax exemption is filed under this chapter, or within an authorized extension of this time limit, and the authorized representative of the city or county determines that improvements were constructed consistent with the application and other applicable requirements, including if applicable, affordable housing requirements, and the owner's property is qualified for a limited tax exemption under this chapter, the city or county must file the certificate of tax exemption with the county assessor within ten days of the expiration of the thirty-day period provided under subsection (2) of this section.

(4) The authorized representative of the city or county must notify the applicant that a certificate of tax exemption is not going to be filed if the authorized representative determines that:

(a) The rehabilitation or new construction was not completed within three years of the application date, or within any authorized extension of the time limit;

(b) The improvements were not constructed consistent with the application or other applicable requirements;

(c) If applicable, the affordable housing requirements as described in RCW 84.14.020 were not met; or

(d) The owner's property is otherwise not qualified for limited exemption under this chapter.

(5) If the authorized representative of the city or county finds that construction or rehabilitation of multiple-unit housing was not completed within the required time period due to circumstances beyond the control of the owner and that the owner has been acting and could reasonably be expected to act in good faith and with due diligence, the governing authority or the city or county official authorized by the governing authority may extend the deadline for completion of construction or rehabilitation for a period not to exceed twenty-four consecutive months. For preliminary or final applications submitted on or before February 15, 2020, with any outstanding application requirements, such as obtaining a temporary certificate of occupancy, the city or county may choose to extend the deadline for completion for an additional five years. The five-year extension begins immediately following the completion of any outstanding applications or previously authorized extensions, whichever is later.

(6) The governing authority may provide by ordinance for an appeal of a decision by the deciding officer or authority that an owner is not entitled to a certificate of tax exemption to the governing authority, a hearing examiner, or other city or county officer authorized by the governing authority to hear the appeal in accordance with such reasonable procedures and time periods as provided by ordinance of the governing authority. The owner may appeal a decision by the deciding officer or authority that is not subject to local appeal or a decision by the local appeal authority that the owner is not entitled to a certificate of tax exemption in superior court under RCW 34.05.510 through 34.05.598, if the appeal is filed within thirty days of notification by the city or county to the owner of the decision being challenged."

MESSAGE FROM THE HOUSE

April 10, 2021

MR. PRESIDENT:

The House passed SENATE BILL NO. 5345 with the following amendment(s): 5345 AMH ENVI H1361.3

Strike everything after the enacting clause and insert the following:

"NEW SECTION. **Sec. 1.** The legislature finds that industrial symbiosis networks create valuable collaborative opportunities where the underutilized resources of one company, such as waste, by-products, residues, energy, water, logistics, capacity, expertise, equipment, and materials may be used by another. The legislature further finds that many existing businesses and organizations in the state have the potential to partner in the establishment of these networks, and the formation of industrial symbiosis innovation hubs at the state and local level would facilitate a systems approach that identifies business opportunities to improve resource utilization and productivity for a more sustainable and integrated industrial economy.

Therefore, the legislature intends to establish a statewide industrial waste coordination program in order to nurture and coordinate existing industrial symbiosis efforts and to catalyze new industrial symbiosis opportunities. Furthermore, the legislature intends to establish the program in order to: Find ways

of turning waste and by-products into valued resource inputs; reduce waste management costs; generate new business opportunities; increase the size and diversity of business networks; identify means of improving environmental performance; achieve environmental justice in goals and policies; incentivize pathways to family-wage, green jobs; expand the regional circular economy; and drive innovation.

NEW SECTION. Sec. 2. A new section is added to chapter 43.31 RCW to read as follows:

(1) An industrial waste coordination program is established in order to provide expertise, technical assistance, and best practices to support local industrial symbiosis projects.

(2) The industrial waste coordination program must be administered by the department of commerce and administered regionally, with each region provided with a dedicated facilitator and technical and administrative support.

(3) The industrial waste coordination program must facilitate waste exchange by:

(a) Developing inventories of industrial waste innovation currently in operation;

(b) Generating a material flow data collection system in order to capture and manage data on resource availability and potential synergies;

(c) Establishing guidance and best practices for emerging local industrial resource hubs, which must include a consideration of steps to avoid creating or worsening negative impacts to overburdened communities as identified by tools such as the department of health's environmental health disparities map;

(d) Identifying access to capital in order to fund projects, including federal, state, local, and private funding;

(e) Developing economic, environmental, and health disparities metrics to measure the results of industrial or commercial hubs;

(f) Hosting workshops and connecting regional businesses, governments, utilities, research institutions, and other organizations in order to identify opportunities for resource collaboration;

(g) Assisting entities throughout the entire life cycle of industrial symbiosis projects, from identification of opportunities to full project implementation;

(h) Developing economic cluster initiatives in order to spur growth and innovation; and

(i) Making any additional recommendations to the legislature in order to incentivize and facilitate industrial symbiosis.

(4) The department of commerce may coordinate with other agencies, representatives of business and manufacturing networks, and other entities in order to develop material flow generation data and increase multisectoral outreach.

(5) In generating the material flow data collection system under subsections (3)(b) and (4) of this section, the department of commerce may only use publicly available data or data voluntarily provided by program participants. No entity may be required to disclose material flow data. The department of commerce must keep any proprietary business information confidential and such information is exempt from public disclosure, as provided in RCW 42.56.270.

NEW SECTION. Sec. 3. A new section is added to chapter 43.31 RCW to read as follows:

(1) Subject to the availability of amounts appropriated for this specific purpose, a competitive industrial symbiosis grant program is established in order to provide grants for the research, development, and deployment of local waste coordination projects.

(2) Grants may go towards:

(a) Existing industrial symbiosis efforts by public or private sector organizations;

(b) Emerging industrial symbiosis opportunities involving public or private sector organizations, including projects arising from:

(i) The industrial waste coordination program established in section 2 of this act;

(ii) Conceptual work completed by public utilities to redirect their wastes to productive use; or

(iii) Existing inventories or project concepts involving specific biobased wastes converted to renewable natural gas;

(c) Research on product development using a specific waste flow;

(d) Feasibility studies to evaluate potential biobased resources;

(e) Feasibility studies for publicly owned utilities to evaluate business models to transform to multiutility operations or for the evaluation of potential symbiosis connections with other regional businesses; or

(f) Other local waste coordination projects as determined by the department of commerce.

(3) The department of commerce must develop a method and criteria for the allocation of grants, subject to the following:

(a) Project allocation should reflect geographic diversity, with grants being distributed equally in western and eastern parts of the state, urban and rural areas, and small towns and large cities;

(b) Project allocation should consider factors such as time to implementation and scale of economic or environmental benefits;

(c) Grants must require a one-to-one nonstate to state match;

(d) Individual grant awards may not exceed \$500,000; and

(e) Project allocation should avoid creating or worsening environmental health disparities and should make use of tools such as the department of health's environmental health disparities map.

MESSAGE FROM THE HOUSE

April 9, 2021

MR. PRESIDENT:

The House passed ENGROSSED SUBSTITUTE SENATE BILL NO. 5353 with the following amendment(s): 5353-S.E AMH ENGR H1404.E

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The legislature finds that community engagement is a foundational principle of successful community policing practices. When individuals and neighborhood groups are encouraged to partner with law enforcement, a powerful alliance can be built on mutual trust and respect and mitigate polarization between police departments and community groups. A successful community-police partnership leads to the achievement of shared goals of improving safety and quality of life and ensuring that public safety services are tailored to the needs of local communities.

The legislature recognizes current efforts in Washington to mobilize communities to insist on equitable and accountable practices that will result in community participation in public safety efforts as well as establish cooperative lines of communication between civilians and law enforcement. Laudable community engagement models such as the safe streets campaign in Pierce county, safe Yakima in Yakima county, and the Okanogan county community coalition are recognized to mitigate crime trends by engaging the community and law enforcement in cooperative efforts to improve public safety.

The department of commerce intends to foster community engagement with law enforcement officers through the creation of a community engagement project in 15 communities across the state of Washington with a mix of urban, rural, and suburban areas to facilitate community-law enforcement partnerships and improve police-community relations. The department will implement a project evaluation to measure and examine the impact of local initiatives on community engagement, neighborhood safety, and positive community-police relations.

The funded projects will facilitate the empowerment of communities to engage in crime prevention efforts through neighborhood organizing, law enforcement-community partnerships, youth mobilization, and business engagement.

TOTAL APPROPRIATION.....	\$4,182,000

**PART II
HUMAN SERVICES**

NEW SECTION. Sec. 201. FOR THE DEPARTMENT OF SOCIAL AND HEALTH SERVICES

(1) The appropriations to the department of social and health services in this act shall be expended for the programs and in the amounts specified in this act. Appropriations made in this act to the department of social and health services shall initially be allotted as required by this act. Subsequent allotment modifications shall not include transfers of moneys between

sections of this act except as expressly provided in this act, nor shall allotment modifications permit moneys that are provided solely for a specified purpose to be used for other than that purpose.

(2) The department of social and health services shall not initiate any services that require expenditure of state general fund moneys unless expressly authorized in this act or other law. The department may seek, receive, and spend, under RCW 43.79.260 through 43.79.282, federal moneys not anticipated in this act as long as the federal funding does not require expenditure of state moneys for the program in excess of amounts anticipated in this act. If the department receives unanticipated unrestricted federal moneys, those moneys shall be spent for services authorized in this act or in any other legislation providing appropriation authority, and an equal amount of appropriated state general fund moneys shall lapse. Upon the lapsing of any moneys under this subsection, the office of financial management shall notify the legislative fiscal committees. As used in this subsection, "unrestricted federal moneys" includes block grants and other funds that federal law does not require to be spent on specifically defined projects or matched on a formula basis by state funds.

(3) The legislature finds that medicaid payment rates, as calculated by the department pursuant to the appropriations in this act, bear a reasonable relationship to the costs incurred by efficiently and economically operated facilities for providing quality services and will be sufficient to enlist enough providers so that care and services are available to the extent that such care and services are available to the general population in the geographic area. The legislature finds that cost reports, payment data from the federal government, historical utilization, economic data, and clinical input constitute reliable data upon which to determine the payment rates.

(4) The department shall to the maximum extent practicable use the same system for delivery of spoken-language interpreter services for social services appointments as the one established for medical appointments in the health care authority. When contracting directly with an individual to deliver spoken language interpreter services, the department shall only contract with language access providers who are working at a location in the state and who are state-certified or state-authorized, except that when such a provider is not available, the department may use a language access provider who meets other certifications or standards deemed to meet state standards, including interpreters in other states.

(5) Information technology projects or investments and proposed projects or investments impacting time capture, payroll and payment processes and systems, eligibility, case management, and authorization systems within the department of social and health services are subject to technical oversight by the office of the chief information officer.

(6)(a) The department shall facilitate enrollment under the medicaid expansion for clients applying for or receiving state funded services from the department and its contractors. Prior to open enrollment, the department shall coordinate with the health care authority to provide referrals to the Washington health benefit exchange for clients that will be ineligible for medicaid.

(b) To facilitate a single point of entry across public and medical assistance programs, and to maximize the use of federal funding, the health care authority, the department of social and health services, and the health benefit exchange will coordinate efforts to expand HealthPlanfinder access to public assistance and medical eligibility staff. The department shall complete medicaid applications in the HealthPlanfinder for households receiving or applying for public assistance benefits.

(7) The health care authority, the health benefit exchange, the department of social and health services, the department of health,

and the department of children, youth, and families shall work together within existing resources to establish the health and human services enterprise coalition (the coalition). The coalition, led by the health care authority, must be a multi-organization collaborative that provides strategic direction and federal funding guidance for projects that have cross-organizational or enterprise impact, including information technology projects that affect organizations within the coalition. The office of the chief information officer shall maintain a statewide perspective when collaborating with the coalition to ensure that projects are planned for in a manner that ensures the efficient use of state resources and maximizes federal financial participation. The work of the coalition is subject to the conditions, limitations, and review provided in section 701 of this act.

The forecast methodology, updates, and methodology changes must be conducted in coordination with staff from the department, the health care authority, the office of financial management, and the appropriate fiscal committees of the state legislature. Factors should include identification of need for the services and analysis of the effect of community investments in behavioral health services and other types of beds that may reduce the need for long-term civil commitment needs. The forecast must be updated each February, June, and November during the biennium and the department

In order to effectuate these goals, the authority shall: (a) Require the Dr. Robert Bree collaborative and the health technology assessment program to reduce the administrative burden upon providers by only requiring performance measures that are nonduplicative of other nationally established measures. Apple health managed care organizations and their partnering providers will receive medicaid quality improvement program payments as they meet designated milestones. Partnering providers and apple health managed care organizations will work together to achieve medicaid quality improvement program goals according to the performance period timelines and reporting deadlines as set forth by the authority. (7) Sufficient amounts are appropriated in this subsection to implement the medicaid expansion as defined in the social security act, section 1902(a)(10)(A)(i)(VIII).

(8) The legislature finds that medicaid payment rates, as calculated by the health care authority pursuant to the appropriations in this act, bear a reasonable relationship to the costs incurred by efficiently and economically operated facilities for providing quality services and will be sufficient to enlist enough providers so that care and services are available to the extent that such care and services are available to the general population in the geographic area. The legislature finds that the cost reports, payment data from the federal government, historical utilization, economic data, and clinical input constitute reliable data upon which to determine the payment rates.

(9) Based on quarterly expenditure reports and caseload forecasts, if the health care authority estimates that expenditures for the medical assistance program will exceed the appropriations, the health care authority shall take steps including but not limited to reduction of rates or elimination of optional services to reduce expenditures so that total program costs do not exceed the annual appropriation authority.

(10) In determining financial eligibility for medicaid-funded services, the health care authority is authorized to disregard recoveries by Holocaust survivors of insurance proceeds or other assets, as defined in RCW 48.104.030.

(11) The legislature affirms that it is in the state's interest for Harborview medical center to remain an economically viable component of the state's health care system.

(12) When a person is ineligible for medicaid solely by reason of residence in an institution for mental diseases, the health care authority shall provide the person with the same benefits as he or she would receive if eligible for medicaid, using state-only funds to the extent necessary.

(13) \$3,997,000 of the general fund—state appropriation for fiscal year 2022, \$4,261,000 of the general fund—state appropriation for fiscal year 2023, and \$8,786,000 of the general fund—federal appropriation are provided solely for low-income disproportionate share hospital payments.

Title XIX or XXI of the federal social security act due to their citizenship status.

(15) \$7,000,000 of the general fund—federal appropriation is provided solely for supplemental payments to nursing homes operated by public hospital districts. The public hospital district shall be responsible for providing the required nonfederal match for the supplemental payment, and the payments shall not exceed the maximum allowable under federal rules. It is the legislature's intent that the payments shall be supplemental to and shall not in any way offset or reduce the payments calculated and provided in accordance with part E of chapter 74.46 RCW. It is the legislature's further intent that costs otherwise allowable for rate-setting and settlement against payments under chapter 74.46 RCW shall not be disallowed solely because such costs have been paid by revenues retained by the nursing home from these supplemental payments. The supplemental payments are subject to retrospective interim and final cost settlements based on the nursing homes' as-filed and final medicare cost reports. The timing of the interim and final cost settlements shall be at the health care authority's discretion. During either the interim cost settlement or the final cost settlement, the health care authority shall recoup from the public hospital districts the supplemental payments that exceed the medicaid cost limit and/or the medicare upper payment limit. The health care authority shall apply federal rules for identifying the eligible incurred medicaid costs and the medicare upper payment limit.

The health care authority shall submit reports to the governor and legislature by November 1, 2021, and by November 1, 2022, that evaluate whether savings continue to exceed costs for this program. If the certified public expenditures (CPE) program in its current form is no longer cost-effective to maintain, the health care authority shall submit a report to the governor and legislature detailing cost-effective alternative uses of local, state, and federal resources as a replacement for this program. During fiscal year 2022 and fiscal year 2023, hospitals in the program shall be paid and shall retain one hundred percent of the federal portion of the allowable hospital cost for each medicaid inpatient fee-for-service claim payable by medical assistance and one hundred percent of the federal portion of the maximum disproportionate share hospital payment allowable under federal regulations. Inpatient medicaid payments shall be established using an allowable methodology that approximates the cost of claims submitted by the hospitals. Payments made to each hospital in the program in each fiscal year of the biennium shall be compared to a baseline amount. The baseline amount will be determined by the total of (a) the inpatient claim payment amounts that would have been paid during the fiscal year had the hospital not been in the CPE program based on the reimbursement rates developed, implemented, and consistent with policies approved in the 2021-2023 biennial operating appropriations act and in effect on July 1, 2015, (b) one-half of the indigent assistance disproportionate share hospital payment amounts paid to and retained by each hospital during fiscal year 2005, and (c) all of the other disproportionate share hospital payment amounts paid to and retained by each hospital during fiscal year 2005 to the extent the same disproportionate share hospital programs exist in the 2019-2021 fiscal biennium. If payments during the fiscal year exceed the hospital's baseline amount, no additional payments will be made to the hospital except the federal portion of allowable disproportionate share hospital payments for which

the hospital can certify allowable match. If payments during the fiscal year are less than the baseline amount, the hospital will be paid a state grant equal to the difference between payments during the fiscal year and the applicable baseline amount. Payment of the state grant shall be made in the applicable fiscal year and distributed in monthly payments. The grants will be recalculated and redistributed as the baseline is updated during the fiscal year. The grant payments are subject to an interim settlement within eleven months after the end of the fiscal year. A final settlement shall be performed. To the extent that either settlement determines that a hospital has received funds in excess of what it would have received as described in this subsection, the hospital must repay the excess amounts to the state when requested. \$702,000 of the general fund—state appropriation for fiscal year 2022 and \$649,000 of the general fund—state appropriation for fiscal year 2023 are provided solely for state grants for the participating hospitals.

(17) The health care authority shall seek public-private partnerships and federal funds that are or may become available to provide on-going support for outreach and education efforts under the federal children's health insurance program reauthorization act of 2009.

(18) The health care authority shall target funding for maternity support services towards pregnant women with factors that lead to higher rates of poor birth outcomes, including hypertension, a preterm or low birth weight birth in the most recent previous birth, a cognitive deficit or developmental disability, substance abuse, severe mental illness, unhealthy weight or failure to gain weight, tobacco use, or African American or Native American race. The health care authority shall prioritize evidence-based practices for delivery of maternity support services. To the extent practicable, the health care authority shall develop a mechanism to increase federal funding for maternity support services by leveraging local public funding for those services.

(19) The authority shall submit reports to the governor and the legislature by September 15, 2021, and no later than September 15, 2022, that delineate the number of individuals in medicaid managed care, by carrier, age, gender, and eligibility category, receiving preventative services and vaccinations. The reports should include baseline and benchmark information from the previous two fiscal years and should be inclusive of, but not limited to, services recommended under the United States preventative services task force, advisory committee on immunization practices, early and periodic screening, diagnostic, and treatment (EPSDT) guidelines, and other relevant preventative and vaccination medicaid guidelines and requirements.

(21) Sufficient amounts are appropriated in this section for the authority to provide an adult dental benefit.

(22) The health care authority shall coordinate with the department of social and health services to provide referrals to the Washington health benefit exchange for clients that will be ineligible for medicaid.

(23) To facilitate a single point of entry across public and medical assistance programs, and to maximize the use of federal funding, the health care authority, the department of social and health services, and the health benefit exchange will coordinate efforts to expand HealthPlanfinder access to public assistance and medical eligibility staff. The health care authority shall complete

medicaid applications in the HealthPlanfinder for households receiving or applying for medical assistance benefits.

(24) \$90,000 of the general fund—state appropriation for fiscal year 2022, \$90,000 of the general fund—state appropriation for fiscal year 2023, and \$180,000 of the general fund—federal appropriation are provided solely to continue operation by a nonprofit organization of a toll-free hotline that assists families to learn about and enroll in the apple health for kids program.

(26) Within the amounts appropriated in this section, the authority shall continue to provide coverage for pregnant teens that qualify under existing pregnancy medical programs, but whose eligibility for pregnancy related services would otherwise end due to the application of the new modified adjusted gross income eligibility standard.

(27) Sufficient amounts are appropriated in this section to remove the mental health visit limit and to provide the shingles vaccine and screening, brief intervention, and referral to treatment benefits that are available in the medicaid alternative benefit plan in the classic medicaid benefit plan.

(28) The authority shall use revenue appropriated from the dedicated marijuana fund for contracts with community health centers under RCW 69.50.540 in lieu of general fund—state payments to community health centers for services provided to medical assistance clients, and it is the intent of the legislature that this policy will be continued in subsequent fiscal biennia.

(29) Beginning no later than January 1, 2018, for any service eligible under the medicaid state plan for encounter payments, managed care organizations at the request of a rural health clinic shall pay the full published encounter rate directly to the clinic. At no time will a managed care organization be at risk for or have any right to the supplemental portion of the claim. Additionally, behavioral health entities may use a portion of the state funds allocated in accordance with subsection (6) of this section to earn additional medicaid match, but only to the extent that the application of such funds to medicaid services does not diminish the level of crisis and commitment, community inpatient, residential care, and outpatient services presently available to persons not eligible for medicaid.

The authority must monitor and ensure that behavioral health administrative service organization reserves do not exceed maximum levels. The authority must monitor revenue and expenditure reports and must require a behavioral health administrative service organization to submit a corrective action plan on how it will spend its excess reserves within a reasonable period of time, when its reported reserves exceed maximum levels established under the contract. The authority must review and approve such plans and monitor to ensure compliance. If the authority determines that a behavioral health administrative service organization has failed to provide an adequate excess reserve corrective action plan or is not complying with an approved plan, the authority must reduce payments to the entity in accordance with remedial actions provisions included in the contract. These reductions in payments must continue until the authority determines that the entity has come into substantial compliance with an approved excess reserve corrective action plan.

Contracts with behavioral health entities must require that behavioral health entities include in their provider network specialized expertise in the provision of manualized, evidence-based chemical dependency treatment services for offenders. The department of corrections and the authority must develop a memorandum of understanding for department of corrections offenders on active supervision who are medicaid eligible and meet medical necessity for outpatient substance use disorder treatment. The agreement will ensure that treatment services provided are coordinated, do not result in

duplication of services, and maintain access and quality of care for the individuals being served. The authority must provide all necessary data, access, and reports to the department of corrections for all department of corrections offenders that receive medicaid paid services.

(17) The criminal justice treatment account—state appropriation is provided solely for treatment and treatment support services for offenders with a substance use disorder pursuant to RCW 71.24.580. Within these amounts, funding is provided to increase the fee for service rate for these facilities up to \$650 per day. The authority must require in contracts with behavioral health entities that, beginning in calendar year 2020, they pay no lower than the fee for service rate. The authority must coordinate with regional behavioral health entities to identify and implement purchasing strategies or regulatory changes that increase access to services for individuals with complex behavioral health needs at secure withdrawal management and stabilization facilities.

The committee may make changes to the formula categories in (d)(ii) of this subsection if it determines the changes will increase statewide service delivery or effectiveness of evidence-based program or disposition alternative resulting in increased cost/benefit savings to the state, including long-term cost/benefit savings. The committee must also consider these outcomes in determining when evidence-based expansion or special sex offender disposition alternative funds should be included in the block grant or left separate.

(d) The juvenile courts and administrative office of the courts must collect and distribute information and provide access to the data systems to the department of children, youth, and families and the Washington state institute for public policy related to program and outcome data. The department of children, youth, and families and the juvenile courts must work collaboratively to develop program outcomes that reinforce the greatest cost/benefit to the state in the implementation of evidence-based practices and disposition alternatives.

These amounts shall support at least 16,762 slots in fiscal year 2022 and 17,412 slots in fiscal year 2023. Of the total slots in each fiscal year, 100 slots must be reserved for foster children to receive school-year-round enrollment.

(b) Of the amounts provided in this subsection, \$7,100,000 of the general fund—state appropriation for fiscal year 2022 and \$12,938,000 of the general fund—federal appropriation (GEER) are for a slot rate increase of seven percent beginning July 1, 2021, pursuant to Engrossed Second Substitute House Bill No. 1213 (child care & early dev. exp.).

(c) The department of children, youth, and families must develop a methodology to identify, at the school district level, the geographic locations of where early childhood education and assistance program slots are needed to meet the entitlement specified in RCW 43.216.556. This methodology must be linked to the caseload forecast produced by the caseload forecast council and must include estimates of the number of slots needed at each school district and the corresponding facility needs required to meet the entitlement in accordance with RCW 43.216.556. The purpose of the additional federal funding was to ensure access to affordable child care and to stabilize and support child care providers from the effects of the COVID-19 pandemic. The legislature intends with the passage of Engrossed Second Substitute House Bill No. 1213 to implement these federal purposes by expanding eligibility for subsidized child care, reducing parent copayments, increasing provider base rates to recognize increased costs, and to provide other financial support to stabilize the child care sector to remain open or to reopen. The legislature finds that the state lacked the fiscal capacity to make these investments and the additional federal funding has provided the opportunity to supplement state funding to expand and accelerate child care access, affordability, and provider support as the state navigates the COVID-19 pandemic and its aftermath.

(6) \$20,110,000 of the general fund—state appropriation in fiscal year 2022, \$45,748,000 of the general fund—state appropriation in fiscal year 2023, \$283,375,000 of the general fund—federal appropriation, \$36,501,000 of the general fund—federal appropriation (CARES), \$63,835,000 of the general fund—federal appropriation (CRRSA), and \$103,321,000 of the general fund—federal appropriation (ARPA) are provided solely for the working connections child care program under RCW 43.216.135. (a) The department of children, youth, and families shall work in collaboration with the department of social and health services to determine the appropriate amount of state expenditures for the working connections child care program to claim towards the state's maintenance of effort for the temporary assistance for needy families program. The departments will also collaborate to track the average monthly child care subsidy caseload and expenditures by fund type, including child care development fund, general fund—state appropriation, and temporary assistance for needy families for the purpose of estimating the annual temporary assistance for needy families reimbursement from the department of social and health services to the department of children, youth, and families. Effective December 1, 2022, and annually thereafter, the department of children, youth, and families must report to the governor and the appropriate fiscal and policy committees of the legislature the total state contribution for the working connections child care program claimed the previous fiscal year towards the state's maintenance of effort for the temporary assistance for needy families program and the total temporary assistance for needy families reimbursement from the department of social and health services for the previous fiscal year.

The state and the representative for family child care providers must enter into bargaining over the implementation of subsidy rate increases, and apply those increases consistent with the terms of this proviso and the agreement reached between the parties.

(e) \$6,879,000 of the general fund—federal appropriation (CRRSA) and \$13,978,000 of the general fund—federal appropriation (ARPA) are provided solely to expand eligibility for the working connections child care program to households at or below 60 percent of state median income.
