REPORT OF STANDING COMMITTEE

May 10, 1977.

ENGROSSED HOUSE BILL NO. 365, requiring total life-cycle cost analysis of proposed action by governmental unit or agency (reported by Committee on State Government):

MAJORITY recommendation: Do pass with the following amendment:

On page 2, line 2, after "analysis" strike ", as" and insert "of a major facility, as these terms are"

Signed by: Senators Rasmussen, Chairman; Bausch, Buffington, Day, Henry.

The bill was read the second time by sections.

On motion of Senator Rasmussen, the committee amendment was adopted.

Senator Rasmussen moved adoption of the following amendment by Senators Rasmussen, Bottiger and Morrison:

On page 2, after line 6 add a new paragraph to read as follows:

"As used in this subsection a major action means any proposal for any ordinance, resolution, or rule having the force of law and any proposal for any public project."

POINT OF ORDER

Senator Washington: "I have had a chance to look at it, and I wish to raise the question of scope and object to the amendment.

Senator Walgren: "We will try and move this down quite a ways in that case, then."

Senator Washington: "The bill you have before you is a very narrow bill which adds to the state environmental policy act an apparently simple little requirement that also, in writing an environmental impact statement, you would include a study of the total life cycle annual analysis—a very simple, simple amendment.

"This particular amendment, on the other hand, would take out at least three-fourths or maybe eighty percent or ninety percent of the projects now covered by the state environmental policy act. It is an attempt to change the definition of a major action so that it includes only public projects. It would eliminate from the state environmental policy act every private project, every construction project that is not done by a public agency. It is so apparent that it so greatly expands the scope and object, Mr. President, I think you could very easily make the decision at this point."

MOTION

On motion of Senator Marsh, Engrossed House Bill No. 365, together with the adopted committee amendment, the amendment by Senators Rasmussen, Bottiger and Morrison and the Point of Order raised by Senator Washington, was ordered held for the second reading calendar on June 6, 1977.

ENGROSSED HOUSE BILL NO. 355, by Representatives Burns, Vrooman, Lux, Pruitt, Clemente, Lysen, Charnley, Douthwaite and Sherman:

Relaxing income limitations for retired persons' property tax exemption.

The Senate resumed consideration of Engrossed House Bill No. 355. Earlier today, Senator Donohue had moved adoption of the committee amendment. On motion of Senator Donohue, an amendment to the committee amendment had been adopted.

Senator Goltz moved adoption of the following amendment by Senators Goltz, Marsh, Talley, Rasmussen and Beck to the committee amendment:

On page 2, line 38, after "realization" and before the period insert "; (5) In computing a person's combined income in accordance with subsection (4) of this section, any payment received from the federal government as compensation for a disability stemming from active military service, or federal compensation received by virtue of being a survivor of one who received disability compensation, shall not be included"

Debate ensued.

POINT OF INQUIRY

Senator Morrison: "Would Senator Goltz yield to a question, please? Senator Goltz, the last portion of your amendment is, 'or federal compensation received by virtue of being a survivor of one who received disability compensation.' Would that compensation relate again to military service?"

Senator Goltz: "Disability payments."

Senator Morrison: "Well, disability payments though, would cover everyone except—I think you need some change in your verbiage, then, because that last portion could be construed to mean anyone who received disability payments of any kind from the federal government which would include anyone under social security disability."

Senator Goltz: "I think the language that precedes that says it is compensation from the federal government for a disability stemming from active military service or federal compensation received by virtue of being a survivor of one who received disability compensation. If you wanted to add the word 'such' in front of 'disability compensation' I would have no objection to that."

On motion of Senator Morrison, the following amendment to the amendment by Senators Goltz, Marsh, Talley, Rasmussen and Beck was adopted:

After "received" on the sixth line of the amendment, insert "such"

Permitting college and university professors to request trustee or regent approval to continue teaching beyond age seventy.

REPORT OF STANDING COMMITTEE

April 28, 1977.

REENGROSSED HOUSE BILL NO. 584, permitting college and university professors to request trustee or regent approval to continue teaching beyond age seventy (reported by Committee on Higher Education):

MAJORITY recommendation: Do pass with the following amendment:

On page 1, line 24, after "person" strike all of the material down to the period on line 26 and insert "possesses outstanding qualifications which in the judgment of the board would permit the person to continue valuable service to the institution"

On motion of Senator Goltz, the committee amendment was adopted.

Senator Goltz moved the rules be suspended, and Reengrossed House Bill No. 584 be advanced to third reading.

POINT OF INQUIRY

Senator Rasmussen: "I wanted to ask Senator Goltz a question, please. Senator Goltz, this allows the university to reemploy somebody or extend their time beyond seventy years of age?"

Senator Goltz: "That is correct. Only in rare circumstances would this be done, but where to the benefit of the institution, the students of that institution, it would be allowed."

Senator Rasmussen: "Do they not have that right now to extend beyond seventy?"

Senator Goltz: "As I understand it, the present mandatory retirement law prohibits the extension of a contract beyond the age of seventy."

Senator Rasmussen: "My question would be, does a person then retire and is then reemployed by the university in the same position he held before?"

Senator Goltz: "He could—"

Senator Rasmussen: "It's relating to pension benefits. He would retire, get his pension. I understand they are covered under TIAA—"

Senator Goltz: "That is correct."

Senator Rasmussen: "—and get his pension and then be reemployed in the same job again."

Senator Goltz: "Maybe Senator Odegaard should answer that."

Senator Rasmussen: "I probably should ask that of Senator Marsh, the pension expert here."

REMARKS BY SENATOR ODEGAARD

Senator Odegaard: "Senator Rasmussen, under this bill their reemployment would not affect any state authorized or state supported retirement plan. No faculty member would be able to be reemployed on a full time basis. They could come back and be employed up to forty percent of their original employment, and then they could concurrently receive their retirement benefits. But they could not come back and be employed more than forty percent of their original teaching assignment, and I have checked this out with the staff of the ways and means committee who worked with pensions, and they have no problem with this language."

On page 2, line 13 of the title, after "1961" insert "as amended by section 1, chapter _____ (SB 3060), Laws of 1977 1st ex. sess."

Signed by: Senators Henry, Chairman; Beck, Vice Chairman; Bluechel, Guess, Peterson, Sellar, Wanamaker.

The bill was read the second time by sections.

Senator Guess moved adoption of the committee amendment.

POINT OF INQUIRY

Senator Francis: "Will Senator Guess yield? Senator Guess, as I look at this, this looks like sort of an omnibus bill, and of course, that always gets me all excited ever since the days back in the late '60's when Dick Smythe and I used to try to amend the motorcycle helmet law on something like this. I have two questions right away. The first one would be, does this do anything with the motorcycle helmet law?"

Senator Guess: "No, sir, it does not."

Senator Francis: "My second question is, what is the difference between wearing a head set to listen to your stereo and just having your car stereo turned up loud as far as the safety aspects are concerned. Did you have any testimony on that?"

Senator Guess: "No, sir, we didn't have any testimony on that. I don't know—what page are you talking about?"

Senator Francis: "Well, I am looking for it. The floor digest says that this bill prohibits the wearing of a receiving headset or ear phones while driving a motor vehicle. I presume that is because you can't hear emergency sirens or something, but I just wondered if anybody knows the difference between listening to that with ear phones on and listening to your car radio as far as your ability to hear emergency sirens is concerned."

Senator Guess: "From personal experience, Senator, I would say that the biggest problem is that you could not hear sirens or something from outside, and that it would distract your attention. I think that it is bad enough in an automobile to have the radio on too loud, but it is a further diversion to have a headset on because you cannot hear."

REMARKS BY SENATOR DONOHUE

Senator Donohue: "I might make a comment regarding that. For instance, in an aircraft, with certain kinds of headsets that fit over your ears if you have both of them over your ears and you are flying with somebody and he talks to you, you can't

hear him. I think maybe that answers your question because certain kinds of headsets, you absolutely can't hear a voice right next to you, and usually a pilot, for instance, will cock one side of it up so that he can talk to the copilot."

POINT OF INQUIRY

Senator Bottiger: "Before we do that, perhaps I could ask Senator Guess right now. Senator Guess, we have earlier passed a bill relating to the quartz headlamps, and I wasn't able to be present at the hearing on that. I see in this bill a bunch of standards about Geneva and Canada and things like this. Are we undoing what we did before on that quartz headlamp bill?"

Senator Guess: "No, sir. We are doing about the same thing we did in the headlight bill. It hasn't been taken up by the House I understand."

POINT OF INQUIRY

Senator Day: "Thank you, Mr. President. Will Senator Guess yield? Is there anything in this equipment standards that would require that trucks such as logging trucks, big semi's, have any kind of a rear bumper that is of a reasonable height so it will preclude people running under the back of such rigs? I have often thought that that should be one, and if that isn't a safety standard, it should be standard throughout the country. It certainly ought to be."

Senator Guess: "Senator Day, I do not know of the inclusion of that. It has to do primarily with updating the standards of the existing law that has not been in existing law, and there was no testimony that anybody was adding that at the time."

Senator Day: "I will probably want to prepare an amendment."

MOTION

On motion of Senator Van Hollebeke, Substitute House Bill No. 952, together with the committee amendment moved for adoption by Senator Guess, was ordered held for consideration after the noon recess.

POINT OF INQUIRY

Senator Bottiger: "Mr. President, would Senator Pullen yield to a question? Senator Pullen, I want you to realize that 'Puyallup' was probably the leading contender for the name for the new ferry until the Puyallups elected to exercise their fishing rights, or their claimed fishing rights. I want to make sure that the Issaquahs understand that they better not do the same thing, or we will take the name off the boat."

Senator Pullen: "I think you have made a very important point there, and I will sure do my best to communicate that particular concern."

SECOND READING

ENGROSSED HOUSE CONCURRENT RESOLUTION NO. 18, by Representatives Flanagan and Hansen:

Requesting that the next state ferry be named "Kittitas".

The resolution was read the second time in full.

On motion of Senator Washington, the rules were suspended, Engrossed House Concurrent Resolution No. 18 was advanced to third reading, the second reading considered the third, and the resolution was placed on final passage.

POINT OF INQUIRY

Senator Rasmussen: "Will Senator Washington yield to a question? Senator Washington, I have no objection to 'Issaquah' and 'Kittitas', but I am wondering about this not leaving an option, offering two or three names that they may choose from, and further, I wonder about whether or not we should offer the Indian tribes the chance to pick their own names that they would like to have designated, and last, I am wondering if you have completely forgotten your early youth in this legislature when we had a very famous person by the name of 'Julia' that probably should be honored in some manner by having her name submitted, the Indian derivative if you like or the Swedish or whatever?"

Senator Washington: "She was known for her scalping knife. I don't know what the Indian name for that is."

Senator Rasmussen: "I didn't say anything on the previous bill, and of course, the Governor could handle it if she so desires downstairs."

"But the Indians may prefer a different designation or they may even prefer their own spelling when it comes to naming the names in the—. We have not apparently given any consideration of that. We are, in effect, taking their heritage away from them and saying, 'this is it.' I just feel reluctant to do that."

Senator Washington: "The first, I think, it would be much better for a non—unbiased jury such as the legislature to determine between the various Indian names, and 'Kittitas' probably comes the closest to being the way the Indians spell it—or pronounce it than any name that has been Anglicized that I know of. It is one of the most important Indian names on the east side of the state, the county, and the valley, and the tribe was well known. I think it is certainly fitting. I think you can rest assured that this is a good spelling of an Indian name that carries the sound, and I am sure it would meet with great approval of many Indians on the east side of the state."

Debate ensued.

POINT OF INQUIRY

Senator Talley: "I would like to pose a question to you. You know our majority leader is a very quiet, considerate, kindhearted man who doesn't like to push the force of his office off on anybody, but I know he would dearly love to have this ferry named 'Kitsap.' I guess there is a new committee being created for ditches and dikes is now going to get it. But I would like to amend it to 'Kittitas' or 'Kitsap.'"

Senator Sandison: "Senator Talley, it is on third reading."

MOTION

Senator Talley moved the rules be suspended and Engrossed House Concurrent Resolution No. 18 be returned to second reading.

POINT OF INQUIRY

Senator Mardesich: "Mr. President, the other day Senator Talley was making allusions to my expertise in the area of pensions, and I am wondering what his background and expertise is in the way of Indian names, and I think we ought to have an explanation of that before we go on with the subject. Indian, or something like that sort one fine day."

Senator Talley: "You used the words 'I was making allusions'. I thought I was making attacks."

The motion by Senator Talley failed on a rising vote.

ROLL CALL

The Secretary called the roll on the final passage of Engrossed House Concurrent Resolution No. 18, and the resolution passed the Senate by the following vote: Yeas, 32; nays, 5; excused, 11.

SECOND READING

SENATE BILL NO. 2422, by Senators North, Mardesich, Jones and Herr:

Prohibiting the mandatory retirement of public employees under the age of seventy.

REPORT OF STANDING COMMITTEE

May 18, 1977.

SENATE BILL NO. 2422, prohibiting the mandatory retirement of public employees under the age of seventy (reported by Committee on Ways and Means):

MAJORITY recommendation: Do pass with the following amendment:

On page 1, section 1, line 14 after "waived" strike all matter through line 17 and insert, "by an employer for individuals attaining 70 years of age with evidence that:"

Signed by: Senators Donohue, Chairman; Odegaard, Vice Chairman; Clarke, Fleming, Grant, Jones, Mardesich, Marsh, Matson, Morrison, Newschwander, Rasmussen, Ridder, Scott, Walgren, Washington, Woody.

The bill was read the second time by sections.

Senator North moved adoption of the committee amendment.

POINT OF INQUIRY

Senator Rasmussen: "Would Senator North yield? Senator North, I am not going to ask that question. What I did want to ask, we had this previous bill that Senator Goltz was talking on which would allow a person to continue working over the age of seventy. I think this bill would take the same course, wouldn't it? Wouldn't it handle the problem that he was talking about for those in public employment?"

Senator North: "Yes, it is broader, Senator Rasmussen. The other is focused on higher education, and we haven't discussed it yet, but this affects all public employees except LEOFF and state patrol."

Senator Rasmussen: "So we would not need the other bill then when this passes?"

Senator North: "I think perhaps we had better refer to somebody else to answer that question specifically. I don't want to eliminate the other bill, Senator Rasmussen."

REMARKS BY SENATOR ODEGAARD

Senator Odegaard: "Mr. President, trying to answer Senator Rasmussen's question, there are two differences here. This bill, as I understand it, allows state employees to continue working beyond the age of seventy, but he could not draw any of his retirement benefits, whereby the other bill dealing with higher education, he could work beyond age seventy, but he could draw his retirement benefits. But he could only work up to forty percent of his previous regular teaching job which is equivalent of what a person under PERS now can work up to seventy hours a month and which is about the forty percent. So, there is a difference, and the one doesn't necessarily conflict with the other."

The motion by Senator North carried and the committee amendment was adopted.

On motion of Senator North, the rules were suspended, Engrossed Senate Bill No. 2422 was advanced to third reading, the second reading considered the third, and the bill was placed on final passage.

Relating to education.

MOTIONS

On motion of Senator Francis, Substitute Senate Bill No. 2810 was substituted for Senate Bill No. 2810, and the substitute bill was placed on second reading and read the second time in full.

Senator Francis moved the rules be suspended, Substitute Senate Bill No. 2810 be advanced to third reading, the second reading considered the third, and the bill be placed on final passage.

POINT OF INQUIRY

Senator Odegaard: "Mr. President, before we move to third reading, I have a question of Senator Francis if he would yield. Senator Francis, the original bill—maybe it isn't in the substitute bill. I believe the original bill had a section in it which said that we shall maintain the same number of ESD's that we presently have, and if there is going to be any further merger there would have to be approval by the legislature. Do you know if that language is still in the substitute bill?"

Senator Francis: "Senator Odegaard, I will read you the entire original bill. It said, 'NEW SECTION. Section 1. Education is essential to the continued welfare of the citizens of this state.' period. That is the end of the bill. That is all it said."

Senator Odegaard: "It was a title only bill, then. Does the substitute bill, then, have language that pertains to the number of ESD's?"

Senator Francis: "If you would permit me, I would ask my assistant, Senator Murray, to deal with this question."

REMARKS BY SENATOR MURRAY

Senator Murray: "Mr. President, members of the Senate, I think the answer to the question is, the original bill took it back to the original number of educational service districts that we had before the two consolidations that just took place. This actually leaves it with the two consolidations that have taken place in the last few months intact. So, those two consolidations will continue, but any further consolidations would have to be cleared."

POINT OF INQUIRY (CONTINUED)

Senator Odegaard: "Mr. President, if that is true, we have a conflict then between this bill and the language we have in the budget bill that passed here, and also the House version of the budget bill has the language that the nine ESD's shall go back to the twelve, I believe it was, before the consolidation. Then, if this language in the substitute bill says that we shall maintain the number we have today, there must be a conflict."

Senator Francis: "Mr. President, again I just think that I am not sure that Senator Murray was responding quite accurately. He referred again to the original bill. The original bill was the title only. I don't know—there must have been something proposed somewhere floating around, but it is not anywhere in our books, that dealt with this. I don't find anything that deals with the number of educational service districts in this bill, Senator Odegaard. It simply goes into the question of what kinds of things educational service districts deal with. It specifies a basic core of services which the ESD's shall provide and it goes into a quite a bit of detail on that, but I don't think that it deals one way or the other with the number or with consolidation, but only with what they are going to do. If there is any doubt in your mind, I think of course, we should hold it until Senator McDermott gets back here, but I was comfortable with the fact that it did not conflict with any other bills on that subject."

POINT OF INQUIRY

Senator Bluechel: "Would Senator Odegaard answer a question, please? Senator Odegaard, as I understand this issue, in the last general session of the legislature we mandated that a couple of ESD's be consolidated, and this was resisted, but was finally done and the consolidation is complete now.

"As I understand it, the budget provisions refer back to the original number of districts which you mentioned prior to the consolidation, and it is my understanding that everything would work out a lot better that if the budget provisions could be changed to conform to this bill which, I believe, takes into account the districts that are already consolidated. Is this possible to do this in the budget?"

Senator Odegaard: "Senator Bluechel, anything I guess, is possible in a conference committee on the budget, a preconference, I mean. That fact is though, it passed both Houses that way, and that is not a point in conflict between the two Houses. I don't recall any bill mandating consolidation of ESD's last session. In fact, it was the reverse of that. We passed a bill saying there shall be no consolidation or change of boundary lines without approval of the legislature, and the Governor vetoed that language."

Senator Bluechel: "Senator Odegaard, I believe that some legislation which consolidated ESD's took place because I have had correspondence from some of the people involved who said they reluctantly consolidated because it was state law. What I am really asking, if this is the case, is it feasible to change the budget to comply or I know it is possible, but is it a practical solution to change the budget to comply?"

Senator Odegaard: "Senator Bluechel, it is possible all right, but there was no law that passed here that said the ESD's must consolidate. In fact, it was the reverse. There was a resolution, I believe, over in the House that spoke to that issue, but that is what I understand is what the state board, or the special committee they appointed on ESD consolidation went on. They were saying that was the intent of the legislature because of a resolution that was worked on in the House. I am not even sure it passed the House, but I do know that the bill that passed both Houses said there shall be no consolidation."

MOTION

On motion of Senator Francis, Substitute Senate Bill No. 2810 was ordered held on the second reading calendar for June 6, 1977.

MOTION

On motion of Senator Jones, Senator Matson was excused.

POINT OF INQUIRY

Senator Wilson: "Will Senator Francis yield? Senator Francis, I have received some communications from various people who are interested in what they referred to as a 'grandparents law.' There have been changes and amendments and whatever. I am sure you know what those people had in mind when they wrote me, and my question is, does this bill satisfy their concern?"

Senator Francis: "Senator Wilson, I think this bill does satisfy their concern. We were most concerned about grandparents and grandparents' rights, and we believe that this makes quite explicit, even more explicit, what we tried to do in 1973 which was make it clear that grandparents had a right to go to court and seek visitation. This bill goes beyond that however, and it says that any person, in effect, who

believes that they have a relationship with a child that is such that it is in the best interest of that child that they not be denied visitation, they could take that to the court and petition. Many of the things that were written into both the Senate and the House bills earlier as criteria would, of course, be taken into consideration in determining whether or not it is in the best interest of the child. But I believe we have met the needs of those people who want to insure that grandparents can seek court enforcement of their visitation rights.

"I should caution you however, one thing, and that is that this does not guarantee that just because they are grandparents that they can get visitation rights over the objection of the parents. They are going to have to make the same showing that the parents would or anybody else, and that is that those visits are for the benefit of the children."

POINT OF INQUIRY

Senator Van Hollebeke: "Will Senator Francis yield, please? Senator, do we have a presumption that the person that wrote the will intended to revoke?"

Senator Francis: "Senator Van Hollebeke, the present law, which with the House amendment would not be changed, says that if after making a will, the testator marries and the spouse is living at the time of the death of the testator, the will is deemed revoked. That will continue to be in effect. There is allowed provision for the survivor by marriage settlement, and it says under present law, 'unless such survivor be provided for in the will or in such way mentioned therein as to show an intention not to make such provision.' The present law says, 'and no other evidence to rebut the presumption of revocation shall be received.'

"The Senate amendment would have allowed other evidence in to rebut that presumption."

Senator Van Hollebeke: "O.K., so the presumption is still there."

Senator Francis: "The presumption is still there, and the effect of our going along with this House amendment is to leave the law the way it is now."

Requiring independent audits for nursing homes.

REPORT OF STANDING COMMITTEE

May 9, 1977.

ENGROSSED SUBSTITUTE HOUSE BILL NO. 1189, requiring independent audits for nursing homes (reported by Committee on Social and Health Services):

MAJORITY recommendation: Do pass with the following amendment:

Strike everything after the enacting clause and insert the following:

"NEW SECTION, Section 1. The legislature finds that reliability of financial information is dependent upon the application of generally accepted accounting principles and adherence to published rules of the department of social and health services. To assure that these accounting principles and rules are being applied to reports submitted by nursing homes, the legislature finds it necessary to require certain reports submitted by nursing homes to be audited by the department of social and health services in the manner prescribed in sections 2 and 3 of this act.

NEW SECTION, Sec. 2. All annual cost reports submitted to the state by a nursing home shall be audited annually through a field audit conducted by auditors under contract with or employed by the department of social and health services. The secretary of the department of social and health services shall establish an audit manual and program which shall require that all audits, conducted either through contract or by department employees:

(1) Comply with generally accepted auditing standards prescribed by the American institute of certified public accountants;

(2) Include a written opinion as to whether allowable costs included in the report are presented fairly in accordance with generally accepted accounting principles and department rules, and whether, in all material respects, allowable costs are documented, reasonable, and related to patient care;

(3) Are conducted by accounting firms or auditors who, during the period of the auditors' professional engagement or employment and during the period covered by the financial statements, do not have nor are committed to acquire any direct or indirect financial interest in the ownership, financing, or operation of a nursing home in this state;

(4) Are conducted by accounting firms or auditors who, as a condition of the contract or employment, are not allowed to have nursing home clients during or within two years of termination of their contract or employment;

(5) Are conducted by auditors who are otherwise independent as determined by the standards of independence established by the American institute of certified public accountants;

(6) Are supervised by a certified public accountant;

(7) Are completed within one year after the annual cost report is submitted by the nursing home; and

(8) Provide to the nursing home complete written interpretations which explain in detail the application of all relevant contract provisions, regulations, auditing standards, rate formulae, and departmental policies, with explanations and examples, and which are sufficient to permit the nursing home to calculate with reasonable certainty those costs which are allowable and the settlement to which the nursing home is entitled.

NEW SECTION. Sec. 3. (1) The department of social and health services shall prepare a written summary of any audit disallowance which exceeds five hundred dollars. Where the department pays rates or proposes settlement of accounts at less than the nursing home's actual reported costs, which have been verified by audit, the department shall for each cost center, as determined under department rules, advise the nursing home management of the rules and regulations justifying reimbursement at less than actual cost. Where the nursing home is pursuing judicial or administrative remedies in good faith regarding reimbursement settlement issues the department shall not withhold from the nursing home current payment amounts the department claims to be due from the nursing home.

(2) All financial reports and information submitted by nursing homes to the department of social and health services and all final audit narratives and summaries reviewing the submitted material shall be available for public inspection. By December 31, 1979, all nursing homes shall submit annual cost reports based on their federal tax year, which shall coincide with a common fiscal year as determined by the secretary of the department of social and health services.

(3) The department shall, without identifying individual nursing homes, make available to the public full information regarding its cost-finding and rate-setting methodology for nursing home care. The information shall include, but not necessarily be limited to, the following:

- (a) Ranges, averages, and median costs for all cost centers;
- (b) Departmental budget projections which reflect probable economic trends;
- (c) Computer models and programs, with related documentation sufficient to explain them, used or proposed by the department to evaluate cost reports, establish cost projections, establish rates, or, in whole or in part, determine settlements; and
- (d) All raw data relied upon by the department for any such cost-finding or rate-setting activities.

The department shall, prior to April 1 of each year, file with the senate ways and means and house appropriations committees, and make available to the public, a comprehensive report concerning all of the above matters.

NEW SECTION. Sec. 4. The nursing home payment system under this chapter shall provide for individually-based or class-based rates which shall be the maximum reimbursement for each nursing home for the period for which the rates are assigned. Operators of nursing homes shall refund all portions of payments received which exceed actual audited costs and all portions of payments received which are attributable to unreasonable or nonallowable costs as determined by federal or state regulations.

NEW SECTION. Sec. 5. Payment rates shall:

(1) Not be set lower prospectively than the level which may reasonably be expected to reimburse in full for actual allowable costs under federal regulations for a nursing home which is economically and efficiently operated;

(2) Realistically take into account economic conditions and trends during the time period covered by the rates;

(3) Be at least annually redetermined;

(4) Permit as allowable those expenses necessary to meet all items of expense which operators of nursing homes must incur to provide federally defined skilled or intermediate care services;

(5) Meet the reasonable cost of patient assessment activity as required by the department; and

(6) Meet the reasonable cost of accounting requirements.

Reasonable costs shall be determined independently of the level of funding available, in accordance with federal regulations and guidelines.

NEW SECTION. Sec. 6. Nothing in this chapter shall preclude the state auditor from conducting post audit examinations of public funds pursuant to RCW 43.09.330 or other applicable law.

NEW SECTION. Sec. 7. Sections 1 through 6 of this act shall be added to chapter 74.09 RCW.

NEW SECTION. Sec. 8. If any provision of this act, or its application to any person or circumstance is held invalid, the remainder of the act, or the application of the provision to other persons or circumstances is not affected."

POINT OF INQUIRY

Senator Day: "Mr. President, will Senator Grant yield to a question? Senator Grant, have you ever seen any of the pictures that were taken after a motorcycle accident of people without helmets, or even those with, for that matter?"

Senator Grant: "Yes, Senator, I have."

Senator Day: "Of course, I realize that may be what you are debating here is the right of individual choice to go out and commit hari-kari, but they really ought to be called 'murdercycles.' I have been thinking maybe we should put some kind of armor on their spines too, for what it can do to that. I just wonder what the rationale here is for taking away a safety device on a motorcycle."

Senator Grant: "Senator Day, I am not sure that you would be one in favor of, and I haven't discussed this with you at any great length, but I am not sure that you would be one in favor of requiring air bags in automobiles, or requiring automobile drivers to wear helmets, or some of the other restrictive kinds of legislation that we have set—matter of fact, though, the wearing of a helmet can, from testimony I have heard and I have listened in on a few of these judiciary committee hearings in regard to this matter, can be a problem with regard to vision, a problem with regard to hearing and may, in fact, be a cause of accidents with regard to motorcycles."

"I think they are a very dangerous means of transportation, and I don't deny that at all, but I should think that people should have an opportunity to make that selection themselves."

Debate ensued.

POINT OF ORDER

Senator Talley: "Mr. President, I would like to raise scope and object."

Prior to making any such changes, the state board shall hold at least one public hearing on such proposed action and shall consider any recommendations on such proposed action.

The state board in making any change in boundaries shall give consideration to, but not be limited by, the following factors: Size, population, topography, and climate of the proposed district.

The superintendent of public instruction shall furnish personnel, material, supplies, and information necessary to enable educational service district boards and superintendents to consider the proposed changes."

POINT OF INQUIRY

Senator Beck: "Mr. President, Senator Odegaard, would you yield to a question, please? A session or two ago there was a study resolution made here about consolidating or even eliminating these educational school districts, and I don't remember of ever hearing anything about that.

"Earlier on in this session we had a bill floating around here and it got out on the floor. Someone put an amendment on it. I don't remember whether it was carried or whether it was adopted or not, but it said providing that the school educational service districts will remain as they were last September before district 110 and 111 were consolidated. Could you tell me the status of school districts 110 and 111? Are they still consolidated, or what happened to that bill?"

Senator Odegaard: "110 and 111, I believe that is King and Pierce counties—"

Senator Beck: "King and Pierce counties, yes. They were consolidated in a bill—by last September by the state board, yes. And we put it on as an amendment here, that they go back to that original boundary. What is the status of that bill now?"

Senator Odegaard: "The language you are talking about is included in the budget bill. Both the Senate and House version of the budget have that language, that there shall be no merger of ESD's."

Senator Beck: "Does it go back to what it was last September or—"

Senator Odegaard: "Yes, it goes back to what it was prior to September first of last year."

Senator Beck: "And this bill will not, in any way, affect that only to say that before they could do it again, they would just have to vote on it?"

Senator Odegaard. No, right. That is right, Senator Beck."

Debate ensued.

The motion by Senator Odegaard carried and the amendment was adopted.

On page 3, line 16, strike "probable" and insert "sufficient"

POINT OF INQUIRY

Senator Gould: "Mr. President, would Senator Francis yield to a question? Senator Francis, would you say then, in defeating this bill that we would preclude the use of drug prevention programs and the other—in cases of these particular children?"

Senator Francis: "First, I think your question, when you said 'in defeating this bill,' you meant 'in defeating this amendment.' If we defeat this amendment we are limiting the diversion contracts to the things set forth here. The kinds of things including the period of community service, the restitution, are all that you could do, so that if you wanted to send somebody to, say, a live-in drug rehab program you would not be able to do it through this kind of diversion thing.

"On the other hand, Senator Gould, a live-in drug program would constitute confinement within the definition and so we go, you know. We are back to the fact that we are not talking about this category of offenders at all. But I would say, yes, if we defeat this we are saying that for these people who are having their initial contacts we are not going to be sending them to such as a live-in drug program, and we would not be allowed to do so."

Further debate ensued.

The motion by Senator Hayner carried and the amendment to the committee amendment was adopted.

On motion of Senator Francis, the following amendments by Senator Rasmussen to the committee amendment were not adopted:

On page 46 of the printed Senate committee amendment, on line 15 after "shall" and before "be" insert "include but not"

On page 46 of the printed Senate committee amendment, on line 35 after "terms;" delete "and"

On page 46 of the printed Senate committee amendment, on line 45 after "months" and before the period insert "; and"

(c) The diversion unit may impose such other conditions on an individual basis as will best fit the needs of the divertee and promote accountability"

On motion of Senator Marsh, the following amendment to the committee amendment was adopted:

On page 46 of the committee amendment, line 35, after "terms;" strike "and" and on line 46, after "months" and before the period insert "; and

(c) an informational, educational or counseling interview may be required at a community agency"

Senator Hayner moved adoption of the following amendment to the committee amendment:

On page 47, line 19 after "hearing," strike all material through line 6 on page 48 and insert: "concerning the alleged breach of the diversion agreement."

Debate ensued.

Mr. President: The House has passed ENGROSSED SUBSTITUTE SENATE BILL NO. 2121, with the following amendments:

Strike everything after the enacting clause and insert:

NEW SECTION. Section 1. It is the intent of this legislation to improve executive management and control of state publications and reduce state expenditures through: (1) Elimination of reports and publications which are economically or otherwise unjustified; and (2) the simplification and consolidation of other reports and publications.

NEW SECTION. Sec. 2. The terms defined in this section shall have the meanings indicated when used in this chapter.

(1) "Director" means the director of the office of program planning and fiscal management.

(2) "State agency" includes every state office, department, division, bureau, board, commission, committee, higher education institution, community college, and agency of the state and all subordinate subdivisions of such agencies in the executive branch financed in whole or in part from funds held in the state treasury, but does not include the offices of executive officials elected on a state-wide basis, agricultural commodity commissions, the legislature, the judiciary, or agencies of the legislative or judicial branches of state government.

(3) (a) "State publication" means publications of state agencies and shall include any annual and biennial reports, any special report required by law, state

agency newsletters, periodicals and magazines, and other printed informational material intended for general dissemination to the public or to the legislature.

(b) "State publication" may include such other state agency printed informational material as the director may prescribe by rule or regulation, in the interest of economy and efficiency, after consultation with the governor, the state librarian, and any state agencies affected.

(c) "State publication" does not include:

(i) Business forms, preliminary draft reports, working papers, or copies of testimony and related exhibit material prepared solely for purposes of a presentation to a committee of the state legislature;

(ii) Typewritten correspondence and interoffice memoranda, and staff memoranda and similar material prepared exclusively as testimony or exhibits in any proceeding in the courts of this state, the United States, or before any administrative entity;

(iii) Any notices of intention to adopt rules under RCW 34.04.025(1)(a) as now existing or hereafter amended;

(iv) Publications relating to a multistate program financed by more than one state or by federal funds or private subscriptions; or

(v) News releases sent exclusively to the news media.

(4) "Print" includes all forms of reproducing multiple copies with the exception of typewritten correspondence and interoffice memoranda.

NEW SECTION. Sec. 3. (1) Any annual, biennial, or special report required to be made by any state officer, board, agency, department, commissioner, regents, trustees, or institution to the governor or to the legislature may be typewritten and a copy shall be filed with the governor, or the governor's designee, and the legislature as the law may require. An additional copy shall be filed with the state library as a public record.

(2) The director or the director's designee may selectively review state publications in order to determine if specific state publications are economically and effectively contributing to the accomplishment of state agency program objectives. The director or the director's designee shall provide general guidelines as to the number of copies to be printed for use or distribution by the issuing agency and any public or other distribution under chapter 40.06 RCW as now or hereafter amended, or other applicable directives.

(3) No agency head shall recommend a state publication for printing and distribution, other than those required by law, unless the benefits from the publication and distribution thereof to the citizens and taxpayers of this state clearly exceed the costs of preparation, printing, and distribution.

(4) The director, after consultation with affected agencies, shall prepare and publish guidelines for use by state agencies in determining and evaluating the benefits and costs of current and proposed state publications. All state agencies shall evaluate each new state publication they propose and shall annually evaluate each continuing state publication they produce in accordance with the guidelines published by the director.

(5) The director shall, after consultation with affected state agencies, also provide by general rules and regulations for overall control of the quality of the printing of state publications. Necessary publications are to be prepared and printed in the most economic manner consistent with effectiveness and achievement of program objectives.

NEW SECTION. Sec. 4. (1) The governor or the governor's designee shall take such other action as may be necessary to maximize the economy, efficiency, and effectiveness of state publications and to do so may eliminate, consolidate, or simplify state agency publications.

(2) Nothing in this chapter shall be construed in any way as restricting public access to public records or the public right to copy such records as provided by RCW 42.17.250 through 42.17.340 as now existing or hereafter amended.

NEW SECTION. Sec. 5. Neither the public printer nor any state agency shall print or authorize for printing any state publication that has been determined by the director to be inconsistent with section 3 of this 1977 amendatory act except to the extent this requirement may conflict with the laws of the United States or any rules or regulations lawfully promulgated under those laws. A copy of any state publication printed without the approval of the director under the exceptions authorized in this section shall be filed with the director with a letter of transmittal citing the federal statute, rule, or regulation requiring the publication. The director shall submit a report of such exceptions, as filed, to the legislative budget committee at least annually.

NEW SECTION. Sec. 6. Each state agency shall at least once each biennium notify the addressees of each state publication in or with that publication that they may be removed from the mailing list by notifying the originating agency. Mailings required by a state or federal statute, rule, or regulation, those maintained by an institution of higher education for official fund raising or curriculum offerings, bulk mailings addressed to "occupant" or a similar designation, and paid subscriptions are excluded from the provisions of this paragraph.

Mr. President: The House has passed **SECOND SUBSTITUTE SENATE BILL NO. 3067**, with the following amendments:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Section 1. The legislature finds that a need exists to adequately inform the public on the conduct of the people's business by state government, and that providing adequate notice of the affairs of government enables the public to actively participate in the conduct of state government. The legislature further finds that the promulgation of rules by state agencies has a direct effect on the ability of the people to conduct their personal affairs and knowledgeably deal with state government. It is therefore the intent and purpose of sections 2 and 12 of this 1977 amendatory act and of this chapter to require the publication of a state register by which the public will be adequately informed of the activities of government and where they may actively participate in the conduct of state government and influence the decision making process of the people's business.

NEW SECTION. Sec. 2. There is added to chapter 1.08 RCW a new section to read as follows:

The statute law committee, in addition to the other responsibilities enumerated in this chapter, shall cause to be published the Washington State Register as created in section 3 of this 1977 amendatory act. The statute law committee and/or the code reviser may adopt such rules as are necessary for the effective operation of such service.

NEW SECTION. Sec. 3. There is hereby created a state publication to be called the Washington State Register, which shall be published on a monthly basis. The register shall contain, but is not limited to, the following materials received by the code reviser's office during the pertinent publication period:

(1) The full text of any proposed new or amendatory rule, as defined in RCW 34.04.010, and the citation of any existing rules the repeal of which is proposed, prior to the public hearing on such proposal. Such material shall be considered, when published, to be the official notification of the intended action, and no state agency or official thereof shall take action on any such rule except on emergency rules adopted in accordance with RCW 34.04.030, until twenty days have passed since the distribution date of the register in which the rule and hearing notice have been published or a notice regarding the omission of the rule has been published pursuant to RCW 34.04.050(3) as now or hereafter amended;

(2) The full text of any new or amendatory rule adopted, and the citation of any existing rule repealed, on a permanent or emergency basis;

(3) Executive orders and emergency declarations of the governor;

(4) Public meeting notices of any and all agencies of state government, including state elected officials whose offices are created by Article III of the state Constitution or RCW 48.02.010; and

(5) Rules of the state supreme court which have been adopted but not yet published in an official permanent codification.

NEW SECTION. Sec. 4. All material included in the register pursuant to section 3 of this 1977 amendatory act shall be prepared by the appropriate agency or official and transmitted to the code reviser in accordance with rules adopted by the code reviser prescribing the style, format, and numbering system therefor, the date of receipt for inclusion within a particular register, and such other requirements as may be necessary for the orderly and efficient publication of the register and the Washington Administrative Code.

NEW SECTION. Sec. 5. The publication of any information in the Washington State Register shall be deemed to be official notice of such information, and publication in the register of such information and materials shall be certified to be the true and correct copy of such rules or other information as filed in the code reviser's office. The code reviser shall certify, to any court of record, the publication of any notice or information, and attached to such certification shall be the agency's declaration of compliance with the provisions of the Open Public Meetings Act (chapter 42.30 RCW), the Administrative Procedure Act (chapter 34.04 RCW) or the Higher Education Administrative Procedure Act (chapter 28B.19 RCW), as appropriate, and this chapter.

The code reviser shall make provisions for informing an institution of higher education giving notice under subsection (1) of this section of the distribution date of the register in which such notice will be published.

(3) No rule adopted under this chapter is valid unless adopted in substantial compliance with this section, or, if an emergency rule designated as such, adopted in substantial compliance with RCW 28B.19.040, as now or hereafter amended. If the institution of higher education finds that immediate adoption or amendment of a rule is necessary for the preservation of the public health, safety, or general welfare, and the observance of the requirements of notice and opportunity to present views on the proposed action would be contrary to the public interest, the institution may dispense with such requirements and adopt the rule or amendment as an emergency rule or amendment. The institution's finding and a brief statement of the reasons for its finding shall accompany the emergency rule or amendment as filed with the code reviser. An emergency rule or amendment shall not remain in effect for longer than ninety days after filing.

Revising the juvenile justice and care system.

The Senate resumed consideration of Engrossed Third Substitute House Bill No. 371. On May 31, 1977, the committee amendment was moved for adoption. On June 3, 1977 and June 6, 1977, the Senate considered amendments to the committee amendment.

Senator Rasmussen moved the following amendments to the committee amendment be considered and adopted simultaneously:

On page 54 of the printed Senate committee amendment, on line 2 delete "general public and"

On page 54 of the printed Senate committee amendment, on line 6 after "open" and before the period insert "to the press"

(ii) The race or color of the respondent or the respondent's family;

(iii) The creed or religion of the respondent or the respondent's family;

(iv) The economic or social class of the respondent or the respondent's family;

and

(v) Factors indicating that the respondent may be or is a dependent child within the meaning of this chapter;"

Reletter remaining subsections consecutively.

POINT OF INQUIRY

Senator Pullen: "Would Senator Goltz yield to a question? Senator Goltz, in your item number 3 there, would you define 'creed' for me?"

Senator Goltz: "Well, I believe it is any formalized set of beliefs which collectively are identifiable as a creed."

Senator Pullen: "Suppose a person's creed is that he feels that he is victimized by society and society owes him a living and that he should go out and rob society in order to take revenge for the way in which he has been victimized? Now, that would be a creed, and yet under your amendment 'creed' would not be considered in determining the punishment."

Senator Goltz: "I was going to say that that is maybe a creed, by his account, but it seems to me that we do have a body of law which indicates what a constitutional definition of a creed of religion is, and I would put 'creed' in the same category as religion in this particular context."

The motion by Senator Goltz carried and the amendment to the committee amendment was adopted.

On motion of Senator Hayner, a series of amendments to the committee amendment will be considered at a later time.

Senator Pullen moved adoption of the following amendment to the committee amendment:

MOTION

Senator Beck moved that Engrossed Third Substitute House Bill No. 371 be returned to the Judiciary Committee.

Debate ensued.

POINT OF INQUIRY

Senator Beck: "Would Senator Buffington yield to a question. Senator Buffington, I hate to get in an argument on the eve of your wedding here, but I would just like to pose a question to you. This bill came over here from the House to us as a sixty-four page bill. I don't know whether you are trained in all this legal terminology or not. I'm not. You and Senator Woody and your subcommittee took this sixty-four page bill, or this forty-three page bill, and you struck almost everything out of the thing, and started all over with a new sixty-six page bill. Now the thing that is in front of us is a sixty-six page bill that we have had at least one hundred and fifty amendments here on the floor of this Senate, a lot of them which have carried. Now do you know the condition that this bill is in right now? Can you conscientiously vote for 'yes' on this bill and say it is going to accomplish what you and your subcommittee worked on?"

Senator Buffington: "Yes."

Senator Beck: "Well, I am glad you do, because I can't."

The motion by Senator Beck failed on a rising vote.

The Senate resumed consideration of Engrossed Third Substitute House Bill No. 371 and amendments to the committee amendment.

Senator Marsh moved adoption of the following amendment to the committee amendment:

On page 58 of the committee amendment, following line 28 and subsection (5), add a new subsection (6) to read as follows:

"(6) Notwithstanding any provision of this section, the juvenile court may designate the facility in which a youth is to serve a sentence of confinement or partial confinement when such facility is not an institution. The court may consider the

medical, educational, employment, personal, social, psychological, and family needs of the child in determining a youth's placement under this subsection."

Debate ensued.

The motion by Senator Marsh failed and the amendment to the committee amendment was not adopted.

On motion of Senator Pullen, the following amendment to the committee amendment was adopted:

On page 58, line 29, add a new section as follows:

"**NEW SECTION.** Sec. 70. The fingerprints and photograph may be taken of any serious offender."

Renumber remaining sections accordingly.

POINT OF INQUIRY

Senator Goltz: "Before the question is put would it be possible for Senator Donohue to yield to a question? Senator Donohue, I notice in the digest of the bill that it refers to Substitute Senate Bill 3110 as being the capital budget bill which contains certain appropriations. It is my understanding that significant modifications are currently being made to this bill over on the House side, and I wonder what happens if we pass this bill and the capital budget bill is drastically different?"

Senator Donohue: "Senator, this is a normal procedure. I suppose that we could have held these bills on the calendar. Senator Walgren wanted to act on them this afternoon. We could have waited until passage of the capital budget, then we would have had to insert the proper numbers, the proper amount of dollars related to the budget bill, or the capital budget bill, at the time of passage. Now the bill goes over to the House and when the capital budget bill is passed, the House will insert the proper numbers related to that capital budget bill and when bringing them back over here for concurrence."

On page 1, line 24, after "facility" insert "for the purpose of the transshipment of crude oil"

Debate ensued.

POINT OF INQUIRY

Senator Washington: "Would Senator Bottiger yield to a question? You used the phrase, 'yo-yo.' If we pass this amendment, it would assist in the 'yo-yo' operation. Would you explain your use of the term 'yo-yo', please?"

Senator Bottiger: "Senator Washington, TransMountain Pipeline has proposed a three step, or three phase proposal. Phase one is to use the existing pipeline on the—and as I describe the pressure coming west as the line was designed, could be a full pressure, and the pressure going east would have to be the minimum pressure tolerable. They would run for seven days coming east with Alberta oil, and seven days to clear the line, and seven days going—I have it backwards. Seven days west with Alberta oil, seven days to clear the line and run what is called a plug or a pick through it, and then seven days going the other way, kind of a perpetual motion thing, but it is different grades of crude. That line is there, that plan is possible.

"Phase two would be to go reconstruct the line so they could go to maximum pressure going either way, and then phase three sometime in the future, which is very nebulous, no commitment, some time in the future if the customers demand, they might build another pipeline, and if economics were proper, through the United States.

"The 'yo-yo' is phase one of their proposal."

POINT OF INQUIRY

Senator Mardesich: "Would Senator Hayner yield? Under the language of the full paragraph and the words 'intended primarily for use', what would be the situation if you had a pipeline of eight hundred thousand or plus barrels capacity and used three hundred and sixty thousand at Cherry Point?"

Senator Hayner: "You are assuming that a new pipeline would be built, is that what you are—?"

Senator Mardesich: "Yes, Ma'am."

Senator Hayner: "I think if you had a new pipeline built at—from Cherry Point, a TransMountain, I don't think there is any intention of their doing that at the present time, Senator Mardesich, but if you did have, I suppose that that would then be covered there."

Senator Mardesich: "Wouldn't that be a necessity if there were a pipeline built at all in view of the language that was adopted by one of the committee amendments requiring a U. S. pipeline?"

Senator Hayner: "Yes, it would have to, they could do that—"

Senator Mardesich: "Then your amendment would, in fact, if the pipeline were large enough, preclude the use of any other facility, or other transshipment spot, I gather. Would that be effective? You had—you used the example of three hundred and sixty local use and one sixty transship, but if you had a capacity of anything over the three sixty which is local, or seven twenty, that is why I used the figure eight hundred, then you would have—"

Senator Hayner: "There is a possibility that they could increase their usage in that area by new facilities, a new refinery, a petrochemical or fertilizer plant or something in that area, but I agree with you. That is true."

Further debate ensued.

POINT OF INQUIRY

Senator Bausch: "Will Senator Lewis yield? In your amendments, especially in number one and number three where you state, 'for the purpose of transshipment of crude oil,' if these amendments did not pass would that in some—have in some effect mandating that those existing refineries that—at Cherry Point, would it somehow be forced to be connected to a pipeline or a transshipment point in Port Angeles? In other words, my fear would be that if, for instance, Port Angeles was never developed, if we pass—we knock these amendments out and then these particular facilities would not—would have been mandated to hook up to the line, and the line goes someplace down in California. Then in the future, those existing refineries would then be bound to hooking up to a transshipment line that does not exist, so if these do not pass, would that have that effect?"

Senator Lewis: "Whether these pass or not, Senator Bausch, there is nothing we have done in the committee or with these amendments that would require anybody at Cherry Point to hook up to a line to get their oil out of Port Angeles or bring it around up and hook onto that line. Nothing, neither way."

Further debate ensued.

Senators Talley, Matson and Bottiger demanded the previous question and the demand was sustained.

The President declared the question before the Senate to be adoption of the amendments by Senators Lewis and Hayner.

The motion by Senator Lewis failed and the amendments were not adopted.

Senator Sandison moved adoption of the following amendment:

On page 2, after line 15, insert the following new sections and renumber the remaining sections accordingly:

"NEW SECTION. Sec. 4. To provide for community safety and protection from negative impacts, notwithstanding any provision of law to the contrary any port district in which a new bulk crude oil transfer, storage, and/or pipeline transmission facility is to be located, constructed and operated, shall have the authority to impose a "transfer facility impact fee" on the operations of such transfer facility based upon the quantity of crude oil transferred, stored, or transmitted via pipeline through such facility.

Information from appropriate federal and/or state agencies regarding the amounts of crude oil handled at such facility shall be used in determining the amounts of crude oil handled and upon which such "impact fee" shall be assessed.

The energy facility site evaluation council shall officially notify by registered mail the port district in which such facility is to be located of the permit and certification process, dates for initiation of construction, and date scheduled for operations. Eighteen months prior to the scheduled operational date the port district may impose a "transfer facility impact fee" of two cents per barrel for the first year, one cent per barrel for the second through and including the fifth years, and one-half cent per barrel for the sixth and subsequent years until the transfer fee accrues to the amount of fifty million dollars. During the eighteen month period prior to the beginning of operations, the impact fee shall be based upon the initial designed facility capacity as determined and certified by the energy facility site evaluation council. In the event the energy facility site evaluation council makes no determination on the initial capacity the impact fee shall be based upon a capacity of eight hundred thousand barrels of crude oil per twenty-four hour period for the eighteen month period or until the facility becomes operational.

The impact fee shall be paid on a quarterly basis by the operators of the facility to the treasurer of the port district in the county and port district in which the facility is located and shall be deposited into a fund to be known as the "special impact fund account" of the port district.

The impact fund account and the interest accrued thereto shall be administered and used by the port district to mitigate or assist in mitigating the real and potential impacts of the transfer facility on the affected community and to enhance the total community environment. Within one year from the time the impact fee is imposed, the port district, with the cooperation of appropriate city and county officials, shall conduct and have completed a study which determines the real and potential impacts to the affected community as a result of the location, construction and operation of the facility in such locale. The study shall include an investigation into alternative funding sources to fund what could be considered normal impacts expected from any new facility, but special attention should be given into impacts for which no funding sources exist or funding sources which are inadequate to mitigate the real or potential impacts. The study shall be updated every two years.

After such determination has been made funds from the impact fund account may be expended by the port district, or interest from said account may be used, or bonds may be issued based upon repayment from the account, to defray impact expenses.

The impact funds shall be used for, but not limited to, the following:

(1) The acquisition, maintenance, and operation of facilities and equipment for the necessary clean up of oil spilled on the waters, shorelines or ground areas of the community in which the facility is located, if such spill shall originate from any part or operation of such facility, including costs for the training of personnel and their employment to operate such facilities and/or equipment; and

(2) reimbursement of costs to local governments and medical facilities to have fire, police, and medical personnel, equipment, and facilities prepared to respond to emergency situations which may occur at or as a result of such facility; and

(3) reimbursement of costs to local governments and/or regional authorities for the installation, operation, and maintenance of appropriate devices for the monitoring of air quality within the area affected by such facility; and

(4) payment of expenses incurred by the port district for the training of a maximum of five ship's pilots to familiarize themselves in the handling of the larger, bulk crude oil tankers which will call at such facility and to reimburse expenses of the port district in providing for physical facilities necessary for operation of pilotage services within the special pilotage zone created pursuant to section five of this 1977 act; and

(5) to establish a portion of the impact fund account to be used in the reimbursement to government, citizens, and businesses for damages caused as a result of an oil spill or other catastrophic occurrence at or because of the facility: PROVIDED, That such reimbursement shall only be paid if no other federal, state, local, private insurance or other coverages are available to cover said costs; and

(6) to defray the costs of real and potential impacts resulting from the facility as determined by a study by the port district.

NEW SECTION. Sec. 5. There is added to chapter 88.16 RCW a new section to read as follows:

A port district in which there is located a new crude oil transfer facility shall contract with duly licensed Washington State pilots who have received training in the handling of larger, bulk cargo carriers, such training to be defined and approved by the Washington board of pilotage commissioners, for pilotage with a special "pilotage safety zone".

Such "pilotage safety zone" shall exist automatically within a twenty-five mile radius of such facility and all oil tankers calling at such facility shall be required to employ those Washington licensed pilots who are under contract with the port district to provide pilotage services.

The board shall provide a special tariff rule, pursuant to chapter 34.04 RCW, for the compensation of pilots contracting to provide pilotage services to vessels calling at such facility within the special "pilotage safety zone".

The port district which contracts with trained pilots shall provide all necessary physical facilities and equipment necessary for the transfer of pilots to and from oil tankers calling at the facility, and other facilities as required to provide a competent and efficient operation of pilotage service within the zone. The port district shall also provide for and conduct the billing-payment services for said pilots pursuant to the special tariff adopted by the board."

Debate ensued.

The motion by Senator Sandison failed and the amendment was not adopted on a rising vote.

Senator Bausch moved adoption of the following amendments:

On page 1, line 18, after "facilities" insert "used for the purpose of transshipment of crude oil"

On page 1, line 24, after "facility" insert "for the purpose of the transshipment of crude oil"

POINT OF ORDER

Senator Bottiger: "Mr. President, reluctantly I raise a point of order. The Lewis and Hayner amendments which, with the consent of the Senate—no objection was raised, were considered as one. Senator Bausch is now offering two of the three paragraphs. They were combined into the single vote, and I believe that that is out of order."

RULING BY THE PRESIDENT

President Cherberg: "Senator Bottiger, the President believes that inasmuch as the Senate did not have the opportunity to vote on the three amendments proposed by Senator Hayner and Senator Lewis, that they should have the privilege of voting on the amendments proposed by Senator Bausch."

The amendments were ruled in order.

Further debate ensued.

The motion by Senator Bausch failed and the amendments were not adopted.

On motion of Senator Bottiger, the rules were suspended, Engrossed Substitute House Bill No. 743, as amended by the Senate, was advanced to third reading, the second reading considered the third, and the bill was placed on final passage.

POINT OF INQUIRY

Senator Bausch: "Would Senator Bottiger yield? Senator Bottiger, I am very pleased with the bill, and I have long felt that Port Angeles is an excellent place to put the transshipment point which I feel we have definitely an obligation to do, but reading the bill I have a little bit of a problem with one thing in here. Several places in the bill it talks about—it refers to locations 'at or west of Port Angeles' and I would like to know if this means that the whole transshipment facility must be at or west of Port Angeles."

Senator Bottiger: "Senator Bausch, this question came up, and no, it is not the intent of the bill to require the whole facility to be at or west of Port Angeles, but only the receiving and transfer facility. Thus, the pipeline, the pump stations, the tank farms, can begin in the vicinity of Port Angeles and extend eastward, and we would leave that up to the Clallam county commissioners and the pipeline company to negotiate the best deal for Clallam county."

POINT OF INQUIRY

Senator Guess: "Will Senator Bottiger yield? Senator Bottiger, the—some of the information that took place when we heard the report of the oceanographic commission in December had to do—testimony by some of the refinery owners up there, had to do with the securing of oil for the three refineries that are not built to take the Alaskan crude. Is there anything in this bill that will prevent them from receiving oil in a hundred and twenty-five thousand dead weight ton ships after the facility is installed?"

Senator Bottiger: "Senator Guess, if I can slightly rephrase your question, does anything in this bill prohibit our existing six refineries from receiving their crude by tanker? The answer to that is 'no.'"

Senator Guess: "Will you state the size of the tanker?"

Senator Bottiger: "The size of the tanker by present law cannot cross the demarcation line in excess of a hundred and twenty-five thousand dead weight tons. There are other restrictions on existing refineries being their own draft of water that would prohibit a hundred and twenty-five thousand ton tanker, say, in going to Texaco. They would have to go through the Corps of Army Engineers, all of that process. This bill does not affect that."

Further debate ensued..

Senator Rasmussen moved adoption of the following amendment to the committee amendment:

On page 63 of the printed Senate Committee Amendment, on line 19 delete "separately from" and insert "under the direction of"

Debate ensued.

POINT OF INQUIRY

Senator Rasmussen: "Will Senator McDermott yield to a question? Senator McDermott, isn't it entirely possible that these diversionary units that you are talking about, that you are going to contract with, can be and will be in some instances the present juvenile departments and the agencies they are already working with?"

Senator McDermott: "It is my understanding, Senator Rasmussen, that the concept as it has been developed over the last several years has been to set up community review boards of juvenile offenses for particular categories, the least offenders, and it has not been up to this point, in any part of the state involved directly inside the court. The reason was that they felt that the local community, in part the Seattle—like the Fremont Ballard area. They got local citizens to spend their time working on reviewing cases and making what they felt to be appropriate restitution contracts with these children. At no place in the state as far as I know, is this presently operated inside the court system, and I think that the idea of getting the community involved was the main thing, was getting people involved with their own kids.

"One of the problems that is happening in this country is that people have lost touch with the community. Nobody figures that the kid who is out breaking windows is anybody's responsibility, so the concept of getting the public involved and making them an active decision-making part of it with a real responsibility for these first offenders has been developed, and I don't know any place in the state where the court has been involved."

Senator Rasmussen: "Well then, my other question would be, Senator McDermott, who is going to handle the accounting and the direction of the funds? Ordinarily now, all funds including recoveries on all kinds of settlements are handled by the county clerk, who is clerk of the court. This would only put them in charge of the administering of the funds, and 'under the direction of the court' means by the county clerk. You have to have somebody to keep track of it, somebody to be responsible for it, and this is assuring that you will have the local court be responsible for that phase."

Senator McDermott: "Senator Rasmussen, if I understand your question—do you want to answer it, Senator Francis? My understanding is that when you write a contract you assume responsibility when you take the contract to be responsible for the funds and the proper disposition of them, and to me, that is all the assurance that the county needs that if they give the money to one of these local organizations, they are going to have their money—they know that they are subject to an audit. They know all these sorts of safeguards are there, but I think if you make them

involved, not only with making decisions, but also handling the money, you make them more responsible. You keep them involved."

REMARKS BY SENATOR FRANCIS

Senator Francis: "Mr. President and members of the Senate, just one other comment. We are only talking about the funding under section 74 also. In other words, if the county wants to set up some other diversion units that are directly supervised by the court, that is all right, but what we are talking about here is the truly community based type diversion units that would be supervised and operated separately from the court, and so by leaving section 74 intact, you are not precluding the court from having other options. It is just that that is what we are funding here in this section."

Further debate ensued.

The motion by Senator Rasmussen failed and the amendment to the committee amendment was not adopted.

NOTICE OF INVOKING RULE 48

Senator Mardesich: "While there is this brief pause, I should like to serve notice that I wish to invoke Rule 48 with respect to Engrossed Substitute House Bill 743."

Senator Rasmussen moved adoption of the following amendment to the committee amendment:

On page 63 of the printed Senate Committee Amendment, on line 19 beginning with ": PROVIDED" delete down to and including "court" on line 25.

Debate ensued.

POINT OF INQUIRY

Senator Hayner: "Senator Francis, will you submit to a question? You are assuming then that 'resources' means manpower and not money?"

Senator Francis: "Senator Hayner, I am not assuming. I think that 'resources' would refer to any aspect of the ability to handle this away from and separate from the court. It might mean manpower; it might mean skills; it might mean money; it might mean physical facilities. It might mean something else that we haven't considered here."

The motion by Senator Rasmussen failed and the amendment to the committee amendment was not adopted.

On motion of Senator Francis, the following amendment by Senator Woody to the committee amendment was not adopted:

On page 65 of the committee amendment, line 2, after "Sec. 78." and before "necessary" on line 3, strike "Section 53 of this 1977 amendatory act is" and insert "Sections 29 and 53 of this 1977 amendatory act are"

The Senate resumed consideration of an amendment by Senator Mardesich beginning on page 2, line 35 to the committee amendment on which a point of order had been raised on June 3, 1977 by Senator Gould.

RULING BY THE PRESIDENT

President Cherberg: "In ruling on the point of order raised by Senator Gould, the President finds that Substitute House Bill 371 is a measure which reforms the state's juvenile justice system.

"The amendment proposed by Senator Mardesich provides for educational clinics and authorizes state aid for the students enrolled therein.

"The President therefore finds that the amendment expands the scope and object of the bill, and the point of order is well taken."

The amendment by Senator Mardesich to the committee amendment was ruled out of order.

On motion of Senator Mardesich, the amendment to page 65, line 2 to the committee amendment was withdrawn.

On motion of Senator Francis, the following amendment by Senators Pullen and Day to the committee amendment was not adopted:

On page 10, line 40 after "." insert a new section as follows:

"NEW SECTION. Sec. 17. The Legislature finds that the family unit is an indispensable thread of the fabric of American life which nurtures the worth of the individual as it teaches him or her to function as part of society. Toward the continuance of this principle, the Legislature declares that the family should remain intact in the absence of compelling evidence to the contrary."

Renumber remaining sections accordingly.

Senator Gaspard moved adoption of the following amendment by Senators Gaspard, Bottiger, Hayner and Wojahn to the committee amendment:

On page 63, section 74, line 43 after "offenses." insert a new section as follows:

"NEW SECTION. Sec. 75. The state shall provide financial assistance to the counties to enable the counties to meet all increased costs, if any, to the counties resulting from their implementation and administration of the provisions of this 1977 amendatory act."

Renumber remaining sections accordingly.

Debate ensued.

POINT OF INQUIRY

Senator Odgaard: "Mr. President, would Senator Gaspard yield? Senator Gaspard, would your amendment include the state providing for funding also for the local detention facilities that would be required under section 7 of the bill?"

Senator Gaspard: "Mr. President, members of the body, the purpose of my amendment is to go with any increased costs that the counties are now—over and above what they are providing for in juvenile detention, if that is the case."

Further debate ensued.

The motion by Senator Gaspard failed and the amendment to the committee amendment was not adopted on a rising vote.

The President declared the question before the Senate to be adoption of the committee amendment, as amended.

The motion by Senator Francis carried and the committee amendment, as amended, was adopted.

On motion of Senator Francis, the committee amendment to the title was adopted.

On motion of Senator Francis, the rules were suspended, Engrossed Third Substitute House Bill No. 371, as amended by the Senate, was advanced to third reading, the second reading considered the third and the bill was placed on final passage.

MOTION

On motion of Senator Francis, Engrossed Third Substitute House Bill No. 371, as amended by the Senate, was ordered held on the third reading calendar for June 8, 1977.

MOTION

On motion of Senator Clarke, the Secretary of the Senate was ordered to furnish engrossed copies of Engrossed Third Substitute House Bill No. 371, as amended by the Senate, to each member for consideration on June 8, 1977.

There being no objection, the Senate returned to the fourth order of business.

Mr. Speaker:

Mr. President:

We, of your Conference Committee, to whom was referred Engrossed House Bill No. 1133, authorizing certain golfing sweepstakes under gambling act, have had the same under consideration, and we report that we are unable to agree and respectfully request the powers of Free Conference in order to amend the bill as follows:

That the following Senate Committee Amendment as amended be adopted, with the following additional amendments:

On page 14, subsection (6), line 15, strike all material beginning on line 15 through line 4, page 15, and renumber following subsections consecutively.

On page 16, line 32, strike all of subsection (9).

On page 21, subsection (15), line 31, after "organizations" strike "or card rooms"

On page 34, line 24, strike all of section 18. Renumber remaining section accordingly.

On page 1, strike everything after the enacting clause and insert the following: "Section 1. Section 2, chapter 218, Laws of 1973 1st ex. sess. as last amended by section 2, chapter 87, Laws of 1975-'76 2nd ex. sess. and RCW 9.46.020 are each amended to read as follows:

(1) "Amusement game" means a game played for entertainment in which:

(a) The contestant actively participates;

(b) The outcome depends in a material degree upon the skill of the contestant;

(c) Only merchandise prizes are awarded;

(d) The outcome is not in the control of the operator;

(e) The wagers are placed, the winners are determined, and a distribution of prizes or property is made in the presence of all persons placing wagers at such game; and

(f) Said game is conducted or operated by any agricultural fair, person, association, or organization in such manner and at such locations as may be authorized by rules and regulations adopted by the commission pursuant to this chapter as now or hereafter amended.

Cake walks as commonly known and fish ponds as commonly known shall be treated as amusement games for all purposes under this chapter.

(2) "Bingo" means a game in which prizes are awarded on the basis of designated numbers or symbols on a card conforming to numbers or symbols selected at random and in which no cards are sold except at the time and place of said game, when said game is conducted by a bona fide charitable or nonprofit organization which does not conduct or allow its premises to be used for conducting bingo on more than three occasions per week and which does not conduct bingo in any location which is used for conducting bingo on more than three occasions per week, or if an agricultural fair authorized under chapters 15.76 and 36.37 RCW, which does not conduct bingo on more than twelve consecutive days in any calendar year, and except in the case of any agricultural fair as authorized under chapters 15.76 and 36.37 RCW, no person other than a bona fide member or an employee of said organization takes any part in the management or operation of said game, and no person who takes any part in the management or operation of said game takes any part in the management or operation of any game conducted by any other organization or any other branch of the same organization, unless approved by the commission, and no part of the proceeds thereof inure to the benefit of any person other than the organization conducting said game.

(3) "Bona fide charitable or nonprofit organization" means: (a) any organization duly existing under the provisions of chapters 24.12, 24.20, or 24.28 RCW, any agricultural fair authorized under the provisions of chapters 15.76 or 36.37 RCW, or any nonprofit corporation duly existing under the provisions of chapter 24.03 RCW for charitable, benevolent, eleemosynary, educational, civic, patriotic, political, social, fraternal, athletic or agricultural purposes only, or any nonprofit organization, whether incorporated or otherwise, when found by the commission to be organized and operating for one or more of the aforesaid purposes only, all of which in the opinion of the commission have been organized and are operated primarily for purposes other than the operation of gambling activities authorized under this chapter; or (b) any corporation which has been incorporated under Title 36 U.S.C. and whose principal purposes are to furnish volunteer aid to members of the armed forces of the United States and also to carry on a system of national and international relief and to apply the same in mitigating the sufferings caused by pestilence,

famine, fire, floods, and other national calamities and to devise and carry on measures for preventing the same. The fact that contributions to an organization do not qualify for charitable contribution deduction purposes or that the organization is not otherwise exempt from payment of federal income taxes pursuant to the Internal Revenue Code of 1954, as amended, shall constitute prima facie evidence that the organization is not a bona fide charitable or nonprofit organization for the purposes of this section.

Any person, association or organization which pays its employees, including members, compensation other than is reasonable therefor under the local prevailing wage scale shall be deemed paying compensation based in part or whole upon receipts relating to gambling activities authorized under this chapter and shall not be a bona fide charitable or nonprofit organization for the purposes of this chapter.

(4) "Bookmaking" means accepting bets as a business, rather than in a casual or personal fashion, upon the outcome of future contingent events.

(5) "Commercial stimulant". An activity is operated as a commercial stimulant, for the purposes of this chapter, only when it is an incidental activity operated in connection with, and incidental to, an established business, with the primary purpose of increasing the volume of sales of food or drink for consumption on that business premises. The commission may by rule establish guidelines and criteria for applying this definition to its applicants and licensees for gambling activities authorized by this chapter as commercial stimulants.

A person engages in gambling if he stakes or risks something of value upon the outcome of a contest of chance or a future contingent event not under his control or influence, upon an agreement or understanding that he or someone else will receive something of value in the event of a certain outcome. Gambling does not include fishing derbies as defined by this chapter, parimutuel betting as authorized by chapter 67.16 RCW, bona fide business transactions valid under the law of contracts, including, but not limited to, contracts for the purchase or sale at a future date of securities or commodities, and agreements to compensate for loss caused by the happening of chance, including, but not limited to, contracts of indemnity or guarantee and life, health or accident insurance. In addition, a contest of chance which is specifically excluded from the definition of lottery under subsection ~~((13))~~ (14) of this section shall not constitute gambling.

~~((9))~~ (10) "Gambling device" means: (a) Any device or mechanism the operation of which a right to money, credits, deposits or other things of value may be created, in return for a consideration, as the result of the operation of an element of chance; (b) any device or mechanism which, when operated for a consideration, does not return the same value or thing of value for the same consideration upon each operation thereof; (c) any device, mechanism, furniture, fixture, construction or installation designed primarily for use in connection with professional gambling; and (d) any subassembly or essential part designed or intended for use in connection with any such device, mechanism, furniture, fixture, construction or installation. winning free games or the number of free games which may be won or a mechanism or a chute for dispensing coins or a facsimile thereof, and which prohibits multiple winnings depending upon the number of coins inserted and requires the playing of five balls individually upon the insertion of a nickel or dime, as the case may be, to complete any one operation thereof, shall not be deemed a gambling device: PROVIDED FURTHER, That owning, possessing, buying, selling, renting, leasing, financing, holding a security interest in, storing, repairing and transporting such pinball machines or similar mechanical amusement devices shall not be deemed engaging in professional gambling for the purposes of this chapter and shall not be a violation of this chapter: PROVIDED FURTHER, That any fee for the purchase or rental of any such pinball machines or similar amusement devices shall have no relation to the use to which such machines are put but be based only upon the market value of any such machine, regardless of the location of or type of premises where used, and any fee for the storing, repairing and transporting thereof shall have no relation to the use to which such machines are put, but be commensurate with the cost of labor and other expenses incurred in any such storing, repairing and transporting.

((+0)) (11) "Gambling information" means any wager made in the course of and any information intended to be used for professional gambling. In the application of this definition information as to wagers, betting odds and changes in betting odds shall be presumed to be intended for use in professional gambling: PROVIDED, HOWEVER, That this subsection shall not apply to newspapers of general circulation or commercial radio and television stations licensed by the federal communications commission.

((+1)) (12) "Gambling premises" means any building, room, enclosure, vehicle, vessel or other place used or intended to be used for professional gambling. No person shall be a member of any organization if that person's primary purpose for membership is to become, or continue to be, a participant in, or an operator or manager of, any gambling activity or activities.

~~((+4))~~ (16) "Player" means a natural person who engages, on equal terms with the other participants, and solely as a contestant or bettor, in any form of gambling in which no person may receive or become entitled to receive any profit therefrom other than personal gambling winnings, and without otherwise rendering any material assistance to the establishment, conduct or operation of a particular gambling activity. A natural person who gambles at a social game of chance on equal terms with the other participants therein does not otherwise render material assistance to the establishment, conduct or operation thereof by performing, without fee or remuneration, acts directed toward the arrangement or facilitation of the game, such as inviting persons to play, permitting the use of premises therefor, and supplying cards or other equipment used therein. A person who engages in "book-making" as defined in this section is not a "player".

~~((+5))~~ (17) A person is engaged in "professional gambling" when:

- (c) No organization, corporation or person collects or obtains or charges any percentage of or collects or obtains any portion of the money or thing of value wagered or won by any of the players: PROVIDED, That this item (c) shall not preclude a player from collecting or obtaining his winnings; and
- (d) No organization or corporation, or person collects or obtains any money or thing of value from, or charges or imposes any fee upon, any person which either enables him to play or results in or from his playing: PROVIDED, That this item (d) shall not apply to the membership fee in any bona fide charitable or nonprofit organization or to an admission fee allowed by the commission pursuant to RCW 9.46.070; and

Mrs. Clara Johnson and Mrs. Antoinette Gibson.

"Thank you very much."

PARLIAMENTARY INQUIRY

Senator Washington: "Point of parliamentary inquiry. If the motion here prevails and we do reconsider the vote by which we receded from our amendment and

then next we were to fail in this regard, and then on the vote we failed to get the two-thirds, could you then reconsider a second time the vote by which we receded, could we attempt to do this twice? If we can't, it seems to me the best way to bring this about would be to have the vote on the amendment itself. If it were to lose, then to ask for reconsideration and go back so that we are sure we have the chance to reconsider."

REPLY BY THE PRESIDENT

President Cherberg: "In answer to your inquiry, Senator Washington, it is within the province of the Senate to reconsider the vote by which this motion was adopted. In the subsequent event that the resolution failed to receive a two-thirds majority, the Senate then, in its wisdom, could decide whether or not it wanted to reconsider the vote by which the resolution was lost.

"If the resolution were lost, the Senate then could offer another motion as to whether or not another motion to refuse to recede from its position, as an example."

The motion for reconsideration by Senator Mardesich carried. The Senate moved to reconsider the motion by Senator Grant that the Senate recede from its amendments to House Joint Resolution No. 7.

REPORT OF STANDING COMMITTEE

May 25, 1977.

SUBSTITUTE HOUSE BILL NO. 1203, authorizing expenditures to implement programs of proper educational practices (reported by Committee on Education):

MAJORITY recommendation: Do pass with the following amendments:

On page 2, line 5, strike all of section 3

In line 3 of the title after "RCW" strike "; and making an appropriation"

Signed by: Senators McDermott, Chairman; Francis, Gaspard, Gould, Hayner, Washington.

The bill was read the second time by sections.

On motion of Senator McDermott, the committee amendment was adopted.

On motion of Senator McDermott, the committee amendment to the title was adopted.

On motion of Senator McDermott, the rules were suspended, Substitute House Bill No. 1203, as amended by the Senate, was advanced to third reading, the second reading considered the third, and the bill was placed on final passage.

POINT OF INQUIRY

Senator Donohue: "Will Senator McDermott yield, please? Senator, you say there are six programs. Are these programs something that can't be done today in our common school system with well trained certificated employees? That is one question.

"The second question is, if there are six programs now, and you had an appropriation which you have struck of one point nine million, this year, can we anticipate that we will be probably having programs in many, many schools and it is very possible that we will have an appropriation which will become another House Bill 90 in another three or four or five years?

Senator McDermott: "Senator Donohue, the programs that I am talking about are—well, let me start back a minute. The problem is that everybody says that we ought to do something about remediation for basic skills in reading and math and other areas. What happens is that the federal government gives money and people try things, and everybody is rediscovering the wheel.

"This bill was an attempt to coordinate through the superintendent of public instruction those programs which have been developed with federal money and have worked, have been tested, have been followed over the course of several years, such as the Host Program in Vancouver. The importance of this bill is to only give the superintendent the opportunity to disseminate information about bills that have been proven, that is, tested.

"So, I do not anticipate new programs being developed all over the state. The question as to whether it can be done by people who are in the school district already, I think the answer to that is, certainly, but there is no use in putting people through all the developmental work that has gone on already."

Senator Donohue: "When we withdraw as we did here in section 3 of the appropriation of one point nine million dollars which was general fund money, that indicates that there has to be some kind of an enhancement in the program if, prior to this, federal money were the dollars that were being used. Are you saying that the federal money has been withdrawn?"

Senator McDermott: "No, unfortunately, what happens—I know you know this, is that the feds start things and they run them out there and they test them, and then they don't fund them. What we are saying is, that once the program has been developed—most of these programs do not cost money to operate beyond getting the information to the districts, and then they can use their own local money,

but they have to know what the basic program is and how it works, so I don't see this as being an increased cost to the state. I think it can be done out of the money that is in districts already once they understand what the program is."

Senator Donohue: "What you are saying then is that we can anticipate next year or the following year that they will have this all solved, and there will be no request for additional state funds. Is that correct?"

Senator McDermott: "I anticipate no request for state funds next year."

Senator Donohue: "Next year."

Senator McDermott: "Well, you know the process down here. People always make requests, but I think we will be fiscally responsible and deal with those requests."

Senator Donohue: "Wasn't it probably a prudent move to remove this language recognizing that we might be back here next year, and if we can get the bill passed, because people will think it is not going to cost any money then when we come back here next year, we will get the appropriation to fund it and by then, it will be three or four million. Is that a possibility?"

Senator McDermott: "Is it a possibility? Everything is possible in the Senate."

POINT OF INQUIRY

Senator Guess: "Would Senator McDermott yield? Senator McDermott, this statement in the digest says that it requires priority be given to programs of proven educational practices. Once they prove them, is the SPI going to disseminate this and order all the other school districts in the state to use those programs?"

Senator McDermott: "No, Senator Guess, it will not be something that he orders, but he can offer the information to those districts that would like to use it. We are really using the superintendent's office as the clearing house. Right now, you have people doing things. The programs are presently in Yakima, Seattle, Highline, Vancouver, North Kitsap, Lakewood, Bremerton, Pasco but the problem is that people aren't talking to one another, and we are encouraging the superintendent of public instruction to serve as a clearing house so that every district will know what is available, but we are not putting him in the position of saying, 'Everybody shall run the program that we are running in Yakima.' We are saying, 'Here is the program that is running in Yakima. If you would like to know about it, here is where you can get the information.'"

Senator Guess: "Senator McDermott, how long has the federal government been putting money into this program that they have now withdrawn?"

Senator McDermott: "I can't give you the exact date, there have been various programs developed under Title I money which started, I think, in 1967, so there have been programs on a grant basis that have been developed over the last, probably, ten years, and these are programs that have not only been developed, but tested. There are a lot of programs that people have tried that haven't worked. So that is the kind of program we are talking about here is one that has been through a testing process."

Senator Guess: "Senator, the budget that we are passing has in excess of a billion dollars in it. Isn't there a sufficient amount of money in a billion dollars for the SPI to write a letter to these various schools in the state and say, 'Here are programs; here are curricula.' I have been able to obtain from the SPI a little colored book that has programs in it and it says you can use them if you want to. Is this million, nine hundred thousand dollars that we have withdrawn from that, was that the estimated cost of writing a letter to all of the districts?"

Senator McDermott: "We never considered the fiscal note from the House because we always felt it could be done within existing revenues."

Senator Guess: "Thank you."

POINT OF INQUIRY

Senator Donohue: "Mr. President, would Senator McDermott yield again? Senator, there are amendments on this bill and it is going to go back over to the House, and I have heard that there is a great possibility they will ask us to go in a conference so they can get the money by a conference. Do you have any indication that this is a possibility?"

Senator McDermott: "No one has spoken to me about that possibility."

Senator Donohue: "You don't support that kind of—?"

Senator McDermott: "I don't support that kind of conference, Senator."

Senator Donohue: "Thank you, Senator."

Debate ensued.

POINT OF INQUIRY

Senator Guess: "Mr. President, I would like to ask Senator Gould if she would yield? Senator Gould, I have in my hand this outline of the six projects that they are supposed to use, 'Reaching Project Success,' and remembering that in House Bill 50, several years ago when we codified the laws which weren't supposed to change the educational laws at all, but which really did drastic overhaul to them, it said that the legislature and the SPI could no longer dictate a curricula. Isn't this, in fact, setting up by state statute a curricula that these schools are going to have to take?"

Senator Gould: "First of all, in response, we have already by statute dictated some curricula."

Senator Guess: "What?"

Senator Gould: "Physical education, Washington state history are specifically in statute as far as curricula, but I do not see this doing that. They can choose any one of these that they want to use to meet the needs of their individual districts, but the local district determines what their need is. If they don't see a need, they don't ask for one of those."

Senator Guess: "All right. If they have a need now, and the purpose of project 'Compare' is to increase the basic skills for the handicapped, is this the handicapped person that can't read or write, or is this the handicapped person that House Bill 90 took care of?"

Senator Gould: "I couldn't speak to that because I do not know that particular program?"

Senator Guess: "All right. You keep talking about 'remedial' training. Could you tell us why, in the first place, spending a billion odd dollars a year, that nobody can teach them how to read and write?"

Senator Gould: "I don't think that nobody can teach them how to read and write. I think we do a very good job of teaching children how to read and write."

Senator Guess: "Why do we want to spend more money to teach them to read and write when they have already been taught to read and write?"

Senator Gould: "I think there are some continually who need to have their skills improved, and certainly those in the educational field recognize that. One of the things we look for, and not being an educator, I guess I couldn't keep saying 'we' except I guess I am also identified with it. One of the things that is looked for is ways of getting at different problems that children have, and this is just one way of approaching remedial reading problems that some children have. There are a lot of factors which determine whether or not a student can read. One of the best ways if I may, one of the best ways to do that is to have a one on one situation where a volunteer who has knowledge of the skill is able to work in a very patient, continuous manner with a student, and the HOST Program is one that does that. Some of the others do it in other ways."

Senator Guess: "Senator, it has been impossible for me to determine—but I learned to read and write when I was in the first, second and third grades, I suppose, in that area. Are the schools now not doing that?"

Senator Gould: "I think they are, but not every student maybe, is as capable as you were, Senator."

Senator Guess: "Why do they have remedial? After they have taught them in the first, second and third grades, why do you have to have remedial teaching?"

Senator Gould: "I think I would like to yield to Senator Washington. He looks so excited about it, I would be delighted if he—"

Senator Guess: "Senator Washington, can you enlighten me?"

Senator Washington: "Yes, I would like to answer that. Again, I think maybe I have said it before. My mother was a remedial teacher, and I saw what happened to kids that did not learn how to read with the methods that were utilized by the average student. Actually, the methods of teaching reading, for instance, are geared to the North. They are not geared to students that do have learning disabilities of one type or another, and many times it takes a different approach in order to do it. It may take much more phonics, for instance, to teach some types of students than the average who go on through. I didn't have to have remedial work, and neither did you, but I watched what happened in the Ephrata schools with some kids that were just really set. They hadn't learned to read. They had been in the seventh and eighth grades. They were juvenile problems. They were ready to get into something more serious. They couldn't compete scholastically, but when they took remedial reading and learned how to read, they could then do the courses that they had been flunking in and became reasonably good students.

"So, the norm does not always work, and the thing that I would like to point out is that you have a document there that talks about six programs, but those six programs are mainly geared to taking care of the things that we are testing. If you will look at the bill on page 19, reading, mathematics and language arts. Those are the things that we are saying we want to use demonstrated and effective programs. I don't think we are completely satisfied with the effectiveness of our students in coming out of high schools with their reading, their mathematics or their language arts. It means we have got to do something about it, and this is an effort to do that by utilizing, not guessing, but to utilize means that have proven effective, and I think it would be money well spent. I could be, maybe, prejudiced because I watched it work."

On motion of Senator Van Hollebeke, the rules were suspended, Substitute House Bill No. 1203, as amended by the Senate, was advanced to third reading, the second reading considered the third, and the bill was placed on final passage.

The Secretary called the roll on the final passage of Substitute House Bill No. 1203, as amended by the Senate, and the bill failed to pass the Senate by the following vote: Yeas, 21; nays, 19; absent or not voting, 2; excused, 6.

REPORT OF FREE CONFERENCE COMMITTEE

June 4, 1977.

Mr. Speaker:

Mr. President:

We of your Free Conference Committee, to whom was referred ENGROSSED HOUSE BILL NO. 1133, authorizing certain golfing sweepstakes under gambling act, have had the same under consideration, and that the bill be amended as recommended by the Conference Committee.

Signed by: Senators Van Hollebeke, Morrison and Bausch; Representatives Warnke, Conner and Fancher.

MOTIONS

On motion of Senator Jones, Senator North was excused.

On motion of Senator Odegaard, Senators Mardesich and Fleming were excused.

Senator Van Hollebeke moved the report of the Free Conference Committee on Engrossed House Bill No. 1133 be adopted.

Debate ensued.

POINT OF INQUIRY

Senator Pullen: "Would Senator Morrison yield to a question? Could you enumerate some of those recommendations of the gambling commission that are contained in the bill as it now stands?"

Senator Morrison: "Senator Pullen, I don't have the copy directly in front of me. Essentially there were some areas where they had asked for tighter control. It is basically in the area of auditing books, of monitoring gambling that has already been licensed and approved by the commission. They have found certain areas, for instance, where there is no need for them to follow the details, particularly in private clubs where their membership is limited by membership in the club. Those organizations seem to provide limits of their own.

"In other areas they are providing better liaison with the local police, law enforcement officers, that sort of thing. So as far as I am concerned, it is essentially an improvement of the administrative procedures under which they must operate, and a tightening in many areas."

The motion by Senator Van Hollebeke carried and the Senate adopted the report of the Free Conference Committee on Engrossed House Bill No. 1133.

RULING BY THE PRESIDENT

President Cherberg: "Senator Talley has raised the point of order that the amendment changes the scope and object of the measure.

"In ruling upon the point of order presented by Senator Talley, the President finds that Substitute House Bill Number 952 is a broad measure dealing with equipment standards for motor vehicles with which the operators of such vehicles must comply. The bill contains a number of specific references to standards affecting the operation of motorcycles.

POINT OF ORDER

Senator Grant: "Point of order on the amendment. Mr. President, I raise the point of order that the amendment by Senator Odegaard changes the scope and object of the bill.

"Mr. President, the measure before us, 3097, although rather a broad title, deals solely with bonding for capital construction, and it is limited to a capital construction program. This is not a closely related amendment. This changes the composition of the commission for vocational education, reduces the number. It talks to making the superintendent of public instruction and the head of the community college board non-voting members of that commission. It really has nothing to do with the bonding provisions for a prior service training center that it contemplates to be constructed."

Debate ensued.

"(7) "Impacted area" for a thermal electric generating facility on a federal reservation means that area in the state lying within thirty-five statute miles of the most commonly used entrance of the federal reservation and which is south of the southern boundary of township fifteen north."

On page 5, beginning on line 20, strike all of subsections (a) and (b) and insert the following:

"(a) Two percent to the state general fund for administrative costs; and

(b) Thirty-seven percent to the state general fund for the support of schools; and

(c) Twenty-seven percent to the counties, twenty-seven percent to the cities, four percent to the fire protection districts, and three percent to the library districts."

On page 5, line 30, after "the" and before "area" strike "impact" and insert "impacted"

On page 5, line 33, after "the" strike the rest of the sentence and insert "remaining local districts."

Signed by: Senators Donohue, Chairman; Odegaard, Vice Chairman; Fleming, Grant, Marsh, Rasmussen, Ridder, Scott, Walgren, Washington.

The bill was read the second time by sections.

On motion of Senator Bottiger, the committee amendment to page 2 was adopted.

Senator Bottiger moved adoption of the committee amendment to page 5, beginning on line 20.

Debate ensued.

MOTION

On motion of Senator Mardesich, Substitute House Bill No. 3, together with the adopted committee amendment and the pending committee amendments, was ordered held for the second reading calendar June 10, 1977.

SECOND READING

ENGROSSED SUBSTITUTE HOUSE BILL NO. 138, by Committee on State Government (originally sponsored by Representatives Eng, Lux, Pardini, Maxie, Blair, Greengo, Hanna, Salatino and Shinoda) (by commission on Asian-American Affairs request):

Continuing the Washington state commission on Asian-American affairs until June 30, 1983.

The Senate resumed consideration of Engrossed Substitute House Bill No. 138. On June 4, 1977, the committee amendments were adopted.

On motion of Senator Fleming, Engrossed Substitute House Bill No. 138, as amended by the Senate, was advanced to third reading, the second reading considered the third, and the bill was placed on final passage.

POINT OF INQUIRY

Senator Morrison: "Would Senator Fleming yield to a question? Senator Fleming, we have had before us on the calendar for a period the measure that would create the new minority commission, and I understood some of these were going to be umbrella'd under that particular commission. What is the status of that measure, and are we complicating factors by extending the life of this commission?"

Senator Fleming: "I don't know if I can truly speak to the complete status of that measure. I am not the one to do that. The chairman is not here, but I can speak to the fact of whether we are complicating matters.

"From my understanding, even under that measure the commission would still be in effect. There would be a need for the commission, there would be some administrative changes where they could all be under the umbrella of the government. At this point in time my understanding is that the Governor is still in communication with Senator Rasmussen on that measure and that measure might be passed this session or it might be held over to January. That is the understanding I have, but I don't think that this would complicate matters."

Senator Morrison: "Would the funds that are appropriated, a hundred and five thousand dollars plus in this particular measure, be transferred to the new commission if it takes over administration of all of them?"

Senator Fleming: "I think that the funds would still be used to run this commission. I think that in terms of an umbrella, I think that there would be a change there in the Governor having her hand over everything, but I don't think the basic operation of the commission would be changed with this appropriation. I think it would still be the same."

POINT OF INQUIRY

Senator Lewis: "Yes, Mr. President. Senator Fleming, I think that if the Governor's reorganization bill does pass, and there is a citizen's affairs commission, I think the status would change and I think the whole thing is related, and I really think that we should know what we are going to do with that bill, if anything, before we deal with any of these commissions because that is an umbrella that encompasses a number of commissions. I share with you—personally, I do not favor the extension of the commission, so you know where I am coming from, but if we are going to have one I think that the reorganization plan should be looked at so we see how they all fit together instead of doing a piecemeal job, really, on this."

Senator Fleming: "I think at this point in time if that was going to be the case, Senator Lewis, I think that the Governor would have indicated that we shouldn't pass this measure, and I think that, one, at the point in time I can't speak to the status of that measure."

Senator Lewis: "Mr. President—"

Senator Fleming: "Maybe Senator—I have not been following this measure, maybe Senator Ridder can speak more to your question"

Senator Lewis: "I will wait for Senator Ridder then."

REMARKS BY SENATOR RIDDER

Senator Ridder: "Mr. President and Senator Lewis, you will note that Senate Bill 2559 has been held on the Senate calendar for some considerable period of time. Hopefully, we are winding down this session, and one of the reasons that bill has been held is because there are severe problems with the terminology in it and with the direction of that bill.

"It would be my impression that because of the time limitations, that it is unlikely that that particular bill will pass. I would suggest that there are many who think the objectives of that bill are good, but that the form in which it has been presented is somewhat wanting and that it would be an appropriate matter to be studied by the state government committee during the interim and to be presented to this legislature next January when, presumably, we will be reconvening."

Debate ensued.

MOTION

Senator Newschwander moved that Engrossed Substitute House Bill No. 138, as amended by the Senate, be held on the third reading calendar for June 10, 1977.

Debate ensued.

The motion by Senator Newschwander failed.

Further debate ensued.

POINT OF INQUIRY

Senator North: "Will Senator Fleming yield to a question? There has been a great deal of discussion here and very little about what this commission actually does, and I am asking you a question. I note in the digest that one of the reasons for continuation of the commission is to work with the Vietnamese refugees in solving some of their particular problems. Could you give us a little information about what this commission is actually doing as far as the Vietnamese refugees are concerned?"

Senator Fleming: "Senator North, I think I am the wrong one to answer that question because I am not that involved, but speaking generally, in terms of the Asian commission or any of the other commissions, whether it is the women's commission or whatever it is, there are particular problems that are various for these particular groups whether it is minorities or women's or whatever it is to be able to receive the kinds of services, the rights that we all have under the Constitution, as Senator Day said. I think it is these kinds of commissions that can deal with those problems. It is these people that work on these commissions that are able to help resolve these problems.

"As far as the Vietnamese are concerned, I am sure that as it relates to them coming here, adjusting to American society, they are not able to speak maybe the language as well. There are a lot of things that we all are able to do to get along in our daily lives in making a living, in going to school and in just dealing with the community in general. I think that these are some of the things that these commissions do.

"Secondly, I think they move on further and look at institutions as a whole. There are areas that are set up that hinder one from, say, getting jobs and hinder one from getting housing. These commissions can deal in those areas, whereas if they did not have that kind of help, I think that we would be going further and further away from that so-called American dream that Senator Lewis is talking about.

"Hopefully some time in the future, we won't need an Asian-American commission. We won't need a women's commission, a Mexican-American commission. We won't need any of these because we all will be treated equally under the laws of this state and the United States, so I urge your adoption."

Senators Talley, Walgren and Marsh demanded the previous question and the demand was sustained.

PERSONAL PRIVILEGE

Senator Clarke: "Just a short matter of personal privilege, if I may. I just wanted to observe that we have gotten into a habit here, I think, under the question and answer situation where, instead of in reality, answers being made, we have what amounts to arguments on the merits of bills, and these are very extended, and unless some corrective measures are taken by way of editing the Journal, I think we are going to have just too voluminous a Journal of the Senate, and I would appreciate the comments of the majority leader in that connection."

REMARKS BY SENATOR WALGREN

Senator Walgren: "Mr. President, responding to Senator Clarke, I think that he is absolutely correct, and from time to time we have to call attention to the membership with regard to this. I might say that while the answers sometimes cause the problem to which you have referred, the questions very often do the same thing, too, and there is an attempt very often to have a question that makes an argument rather than really asks a question, so I would certainly appreciate the cooperation of all of the members, particularly since we are trying to get out of here tonight."

ROLL CALL

The Secretary called the roll on the final passage of Engrossed Substitute House Bill No. 138, as amended by the Senate, and the bill passed the Senate by the following vote: Yeas, 27; nays, 8; absent or not voting, 5; excused, 8.

On page 2, after line 6 add a new paragraph to read as follows:

Debate ensued.

MOTION

On motion of Senator Walgren, Engrossed House Bill No. 365, together with the adopted committee amendment and the amendment by Senators Rasmussen, Bottiger and Morrison and the Point of Order raised by Senator Washington on June 4, 1977, was ordered held on the second reading calendar for June 10, 1977.

SECOND READING

Establishing a state women's commission.

REPORT OF STANDING COMMITTEE

May 19, 1977.

ENGROSSED SECOND SUBSTITUTE HOUSE BILL NO. 449, establishing a state women's commission (reported by Committee on Ways and Means):

MAJORITY recommendation: Do pass with the following amendments:

On page 4, line 3, after "two" strike "hundred eleven thousand four hundred twenty" and insert "thousand"

In line 5 of the title after "commission" strike all of the material down to and including "commission" on line 6

Signed by: Senators Donohue, Chairman; Odegaard, Vice Chairman; Grant, Marsh, Morrison, Murray, Rasmussen, Ridder, Sandison, Woody.

The bill was read the second time by sections.

On motion of Senator Ridder, the committee amendment to page 4, line 3 by the Committee on Ways and Means was adopted.

On motion of Senator Ridder, the committee amendment to page 4, beginning on line 8 by the Committee on State Government was adopted.

Senator Pullen moved adoption of the following amendment by Senators Pullen, Lewis, Hayner and Benitz:

On page 3, line 13, after "may" strike "establish such relationships with" and replace with "make recommendations to"

Debate ensued.

POINT OF INQUIRY

Senator Pullen: "Would Senator Ridder yield to a question? Senator Ridder, for the record, could you give us some illustrations of what the words 'establish such relationships with' in line 13, section 7 of the bill are intended to include?"

Senator Ridder: "It would be my understanding that that would enable members of the commission or their designees, and that is, because members are not intended to be the only participants, but to be able to conduct studies, to work in association with committees of other groups such as labor organizations, public bodies such as the state department of personnel, those from other states, California Commission on the Status of Women, Washington commission on the humanities, et cetera."

There being no objection, on motion of Senator Pullen, the amendment was withdrawn.

On motion of Senator Pullen, the following amendment by Senators Pullen, Lewis and Hayner was adopted:

On page 3, line 29, after "functions" insert "authorized by this chapter"

On motion of Senator Ridder, the committee amendments by the Committee on State Government to the title were adopted.

On motion of Senator Ridder, the rules were suspended, Engrossed Second Substitute House Bill No. 449, as amended by the Senate, was advanced to third reading, the second reading considered the third, and the bill was placed on final passage.

POINT OF INQUIRY

Senator Bluechel: "Mr. President, would Senator Ridder yield to a question, please? Senator Ridder, this is for the record. On page 3, line 9, the subsection 4 reads, 'Each state department and agency shall provide appropriate and reasonable assistance to the commission as needed in order that the commission may carry out the purposes of this chapter.' Could you define what type of assistance and state whether this is assistance in terms of manpower or additional funding from the various agencies or whether it is assistance in making records available so that the agency, so that the woman's commission can have easy access to records?"

Senator Ridder: "I would say it would not be financial assistance and would be manpower only if it were in terms of the objective of that particular agency such as those I have previously named, the department of personnel, employment security, this kind of thing. Essentially it would be for records, probably statistics, in determining perhaps, where there are needs to be addressed—person power."

Further debate ensued.

SECOND READING

ENGROSSED SUBSTITUTE HOUSE BILL NO. 292, by Committee on Local Government (originally sponsored by Representatives Valle, Chandler, Thompson and Fischer):

Changing water district comprehensive planning and finance law.

The Senate resumed consideration of Engrossed Substitute House Bill No. 292, as amended by the Senate, on reconsideration. On May 19, 1977, the bill was returned to second reading.

Senator Fleming moved adoption of the following amendment by Senators Fleming, Mardesich and Murray:

On page 10, following line 15, add sections as follows:

"NEW SECTION. Sec. 9. The legislature finds and declares that the present operation of water districts results in deficiencies and problems which may be remedied by a policy of consolidation and standardization of water services. The legislature therefore declares that it is in the public interest and for the protection of the health, safety, and welfare of our residents to herein establish procedures for the assumption by class AA counties of the rights, powers, functions, and obligations of water districts and to thereby provide more efficient and uniform water supply services.

NEW SECTION. Sec. 10. (1) The legislative authority of each class AA county, shall prepare a plan, within one year from the effective date of this amendatory act, for the assumption of the rights, powers, functions, and obligations of the water districts of such county created under Title 57 RCW. The legislative authority shall take into account in its preparation of the plan the policies and standards set forth in RCW 43.20.050 and 57.16.010 as now or hereafter amended and WAC 248-54-280 and 248-54-290 and the recommendations and advice of water district commissioners, and shall confer with bond underwriters, financial consultants, or bond counsel as may be necessary to assure the financial integrity of bond issues.

NEW SECTION. Sec. 11. The assumption of the rights, powers, functions, and obligations of water districts may be initiated by the adoption of an ordinance or a resolution, as the case may be, by the county legislative authority indicating its intention to conduct a hearing concerning assumption of such rights, powers, functions, and obligations in accordance with the plan formulated pursuant to section 10 of this amendatory act. In the event the county legislative authority adopts such an ordinance or a resolution of intention, such ordinance or resolution shall set a time and place at which it will consider the proposed assumption of the rights, powers, functions, and obligations of the water districts, and shall state that all persons interested may appear and be heard. Such ordinance or resolution of intention shall be published for at least four times during the four weeks next preceding the scheduled hearing in newspapers of daily general circulation printed or published in said county.

NEW SECTION. Sec. 12. At the time scheduled for the hearing in the ordinance or resolution of intention, the county legislative authority shall consider the assumption of the rights, powers, functions, and obligations of the water districts of such county, and hear those appearing and all protests and objections to it. The

county legislative authority may continue the hearing from time to time, not exceeding sixty days in all.

NEW SECTION. Sec. 13. If, from the testimony given before the county legislative authority, it appears that the public interest or welfare would be satisfied by the county assuming the rights, powers, functions, and obligations of the water districts, the county legislative authority may declare that to be its intent and assume such rights, powers, functions, and obligations by ordinance or resolution, as the case may be, providing that the county shall be vested with every right, power, function, and obligation currently granted to or possessed by water districts pursuant to Title 57 RCW or other provision of law.

Upon assumption of the rights, powers, functions, and obligations of the water districts by the county, the water districts established pursuant to the provisions of Title 57 RCW shall be abolished, and the county legislative authority shall thereafter be vested with all rights, powers, duties, and obligations otherwise vested by law in water districts: **PROVIDED**, That in any county with a home rule charter such rights, powers, functions, and obligations shall vest in accordance with the executive and legislative responsibilities defined in such charter.

NEW SECTION. Sec. 14. All employees and personnel of the water districts as may be needed shall be assigned to the county personnel system to perform their usual duties upon the same terms as formerly, without any loss of rights, subject to any action that may be appropriate thereafter in accordance with the laws and rules governing the county personnel system.

NEW SECTION. Sec. 15. If apportionments of budgeted funds are required because of the transfers authorized by this chapter, the county budget office shall certify such apportionments to the agencies and local governmental units affected and to the state auditor. Each of these shall make the appropriate transfer and adjustments in funds and appropriation accounts and equipment records in accordance with such certification.

NEW SECTION. Sec. 16. No transfer of any function made pursuant to this chapter shall be construed to impair or alter any existing rights acquired under the provisions of Title 57 RCW or any other provision of law relating to water districts, nor as impairing or altering any actions, activities, or proceedings validated thereunder, nor as impairing or altering any civil or criminal proceedings instituted thereunder, nor any rule, regulation, or order promulgated thereunder, nor any administrative action taken thereunder; and neither the assumption of control of any water district function by a county, nor any transfer of rights, powers, functions, and obligations as provided in this chapter, shall impair or alter the validity of any act performed by such water district or division thereof or any officer thereof prior to the assumption of such rights, powers, functions, and obligations by any county as authorized by this chapter.

NEW SECTION. Sec. 17. Nothing contained in this chapter shall be construed to alter any existing collective bargaining unit or the provisions of any existing collective bargaining agreement until any such agreement has expired or until any such bargaining unit has been modified as provided by law.

NEW SECTION. Sec. 18. All rules and regulations, and all pending business before the water districts transferred pursuant to the provisions of this chapter shall be continued and acted upon by the county.

All existing contracts and obligations of the transferred water districts shall remain in full force and effect, and shall be performed by the county. No transfer authorized in this chapter shall affect the validity of any official act performed by any official or employee prior to the transfer authorized pursuant to this chapter.

NEW SECTION. Sec. 19. When the rights, powers, functions, and obligations of water districts are transferred pursuant to this chapter, all real and personal property owned by the water districts shall become that of the county.

All reports, documents, surveys, books, records, files, papers, or other writings relating to the administration of the powers, duties, and functions transferred pursuant to this chapter and available to any of the water districts shall be made available to the county.

All cabinets, furniture, office equipment, motor vehicles, and other tangible property employed in carrying out the rights, powers, functions, and obligations transferred by this chapter and available to any of the water districts shall be made available to the county.

All funds, credits, or other assets held in connection with powers, duties, and functions herein transferred shall be assigned to the county.

Any appropriations or federal grant made to any water district for the purpose of carrying out the rights, powers, functions, and obligations authorized to be assumed by a county pursuant to this chapter shall on the effective date of such transfer be credited to the county for the purpose of carrying out such transferred rights, powers, functions, and obligations.

NEW SECTION. Sec. 20. The county shall assume and agree to provide for the payment of all of the indebtedness of the water districts including the payment and retirement of outstanding general obligation and revenue bonds issued by the water districts. Until the indebtedness of each water district thus assumed by a county has been discharged, all property within the boundaries of the water districts and the owners and occupants of that property, shall continue to be liable for taxes, special assessments, and other charges legally pledged to pay the indebtedness of the water districts. The county shall assume the obligation of causing the payment of such indebtedness, collecting such taxes, assessments, and charges and observing and performing the other contractual obligations of the water districts. The legislative authority of the county shall act in the same manner as the governing body of the water districts for the purpose of certifying the amount of any property tax to be levied and collected therein, and may cause service and other charges and assessments to be collected from such property or owners or occupants thereof, enforce such collection and perform all acts necessary to ensure performance of the contractual obligations of the water districts in the same manner and by the same means as if the property of the water districts had not been acquired by the county.

When a county assumes the obligation of paying indebtedness of a water district and if property taxes or assessments have been levied and service and other charges have accrued for such purpose but have not been collected by the water district prior to such assumption, the same when collected shall belong and be paid to the county and be used by such county so far as necessary for payment of the indebtedness of the water district existing and unpaid on the date such county assumed that indebtedness. Any funds received by the county which have been collected for the purpose of paying any bonded or other indebtedness of any water district shall be used for the purpose for which they were collected and for no other purpose until such indebtedness has been paid and retired or adequate provision has been made for such payment and retirement. No transfer of property as provided in this chapter shall derogate from the claims or rights of the creditors of the water districts or impair the ability of the water districts to respond to its debts and obligations.

NEW SECTION. Sec. 21. Sections 9 through 20 of this act shall constitute a new chapter in Title 57 RCW."

POINT OF ORDER

Senator Washington: "I raise the question of scope and object on the basis that the proposed amendment to Engrossed Substitute House Bill 292 changes the scope and object of the bill. I think it is so apparent that a very short statement is always necessary. 292 relates merely to changing the operation of a water district's system

so that it has the same powers that a city has in the same type of operation. It relates, one, to having the same type of methods of collecting the water charges. It provides that revenue bonds need not be submitted to a vote in the same way that cities are not required to.

"There is only one real difference. It provides for, in a utility local improvement district, that the notices must specify so that the property owners will know that if owners of forty percent of the area of the property involved wish to do so, that they may stop the local improvement district. It is a very narrow bill.

"The amendment, on the other hand, to 292 is a very sweeping amendment which, in my relatively quick reading of it, would allow counties to completely take over the water districts as they now exist and to operate the water system. It would completely, to all intents and purposes, do away with present water districts. I submit that there should be actually no real controversy that this sweeping amendment does expand the scope and object of the bill."

RULING BY THE PRESIDENT

President Cherberg: "In ruling upon the point of order presented by Senator Washington, the President finds that House Bill 292 is indeed a bill changing the water district comprehensive planning and finance law.

"The amendment proposed by Senator Fleming, Senator Mardesich and Senator Murray establishes procedures which would permit the assumption of the powers and obligations of water districts by class AA counties.

"Therefore, the amendment does change the scope and object of House Bill 292, and the point is well taken."

The amendment was ruled out of order.

On motion of Senator Washington, the rules were suspended, Engrossed Substitute House Bill No. 292, as amended by the Senate, was advanced to third reading, the second reading considered the third, and the bill was placed on final passage.

ROLL CALL

The Secretary called the roll on the final passage of Engrossed Substitute House Bill No. 292, as amended by the Senate, and the bill passed the Senate, on reconsideration, by the following vote: Yeas, 44; nays, 1; excused, 3.

SECOND READING

ENGROSSED SUBSTITUTE HOUSE BILL NO. 293, by Committee on Local Government (originally sponsored by Representatives Valle, Chandler, Thompson and Fischer):

Clarifying and changing sewer district finance law.

The Senate resumed consideration of Engrossed Substitute House Bill No. 293. On May 19, 1977 the bill was amended and an amendment by Senator Rasmussen was moved for adoption. A Point of Order was raised by Senator Washington on the amendment.

RULING BY THE PRESIDENT

President Cherberg: "In ruling on the point of order raised by Senator Washington, the President finds that Substitute House Bill Number 293 relates solely to sewer districts and revises provisions in present law pertaining to sewer district financing. The amendment proposed by Senator Rasmussen is an amendment to the county service act, and does not deal with sewer districts, but rather with the establishment of water systems, sewer systems and drainage systems by counties.

"The President therefore finds that the amendment proposed by Senator Rasmussen expands the scope and object of Substitute House Bill 293, and that the point of order raised by Senator Washington is well taken."

The amendment was ruled out of order.

POINT OF INQUIRY

Senator Pullen: "Mr. President, would Senator Washington yield to a question? I am not sure Senator Washington, that you are the best person to ask to yield to this question, but you seem to be one of the most knowledgeable persons handling this bill.

"My question is related to page 3, section 2, lines 16 and 17 where it says, 'The commissioners may proceed with the improvement to the extent specified or referred to in the proposition.' I am not sure I understand the significance of adding the words 'or referred to'."

Senator Washington: "'Or referred to' becomes necessary because when you establish and put such a proposition out to vote, the proposition on the ballot is a very short title. The title itself then refers you to the overall plan, and so the comprehensive plan, not only could be described by the very short ballot title, but also by the entire proposition that is before the voters."

There being no objection, an amendment by Senators Fleming, Mardesich and Murray on the desk of the Secretary of the Senate, was withdrawn.

On motion of Senator Washington, the rules were suspended, Engrossed Substitute House Bill No. 293, as amended by the Senate, was advanced to third reading, the second reading considered the third, and the bill was placed on final passage.

ROLL CALL

The Secretary called the roll on the final passage of Engrossed Substitute House Bill No. 293, as amended by the Senate, and the bill passed the Senate by the following vote: Yeas, 41; nays, 3; absent or not voting, 1; excused, 3.

Voting yea: Senators Bausch, Beck, Benitz, Bluechel, Bottiger, Clarke, Day, Fleming, Francis, Gaspard, Goltz, Gould, Guess, Hayner, Henry, Herr, Jones, Keefe, Lewis, Mardesich, Marsh, McDermott, Monohon, Morrison, Murray, Newschwander, North, Odegaard, Peterson, Ridder, Sandison, Scott, Sellar, Talley, Van Hollebecke, von Reichbauer, Walgren, Wanamaker, Washington, Wilson, Wojahn—41.

Voting nay: Senators Grant, Matson, Pullen—3.

Absent or not voting: Senator Donohue—1.

Excused: Senators Buffington, Rasmussen, Woody—3.

(3) All petitions filed under the provisions of this section shall be heard within ~~((thirty))~~ forty-five days unless an extension of time is requested by a party within such forty-five day period and granted for good cause shown.

Sec. 4. Section 11.88.040, chapter 145, Laws of 1965 as last amended by section 5, chapter 95, Laws of 1975 1st ex. sess. and RCW 11.88.040 are each amended to read as follows:

Before appointing a guardian or a limited guardian, notice of a hearing, to be held not less than ten days after service thereof, shall be given by registered or certified mail requesting a return receipt signed by the addressee only, or by personal service in the manner provided for services of summons, to the following:

(2) A parent, if the alleged incompetent or disabled person is a minor, and the spouse of the alleged incompetent or disabled person if any;

(3) Any other person who has been appointed as guardian or limited guardian, or the person with whom the alleged incompetent or disabled person resides. No notice need be given to those persons named in subsections (2) and (3) of this section if they have signed the petition for the appointment of the guardian or limited guardian or have waived notice of the hearing. If the petition is by a parent asking for his appointment as guardian or limited guardian of a minor child under the age of fourteen years, or if the petition be accompanied by the written consent of a minor of the age of fourteen years or upward, consenting to the appointment of the guardian or limited guardian asked for, or if the petition be by a nonresident guardian of any minor or incompetent or disabled person, then the court may appoint the guardian without notice of the hearing. The court for good cause may reduce the number of days of notice, but in every case, at least three days notice shall be given.

~~((In all guardianship and limited guardianship hearings))~~ The alleged incompetent or disabled person shall be present in court at the final hearing on the petition~~((If the petition for guardianship or limited guardianship states that the alleged incompetent or disabled person is physically unable to be present, the guardian ad litem may request the court to waive the requirement of the presence of the alleged incompetent at the hearing))~~: PROVIDED, That this requirement may be waived at the discretion of the court for good cause shown in the report to be provided by the guardian ad litem pursuant to RCW 11.88.090 as now or hereafter amended, or if no guardian ad litem is required to be appointed pursuant to RCW 11.88.090, as now or hereafter amended, at the discretion of the court for good cause shown by a party. Alternatively, the court may remove itself to the place of residence of the alleged incompetent or disabled person and conduct the final hearing in the presence of the alleged incompetent or disabled person. Final hearings on the petition may be held in closed court without admittance of any person other than those necessary to the action or proceeding.

If presence of the alleged incompetent or disabled person is waived and the court does not remove itself to the place of residence of such person, the guardian ad litem shall appear in person at the final hearing on the petition.

Sec. 5. Section 7, chapter 95, Laws of 1975 1st ex. sess. and RCW 11.88.045 are each amended to read as follows:

(1) An alleged incompetent or disabled person is entitled to independent legal counsel at his own expense to represent him in the procedure: PROVIDED, That if the alleged incompetent or disabled person is unable to pay for such representation or should such payment result in substantial hardship upon such person the county shall be responsible for such costs: PROVIDED FURTHER, That when, in the opinion of the court, the rights and interests of an alleged or adjudicated incompetent or disabled person cannot otherwise be adequately protected and represented, the court on its own motion shall appoint an attorney at any time to represent such person.

(2) The alleged incompetent or disabled person is further entitled upon request to a jury trial on the issues of his alleged incompetency or disability~~((with))~~. The standard of proof to be applied~~((being))~~ in a contested case, whether before a jury or the court, shall be that of clear, cogent, and convincing evidence.

(3) In all proceedings for appointment of a guardian or limited guardian, the court must be presented with a ((sworn)) medical report in writing from a physician selected by the guardian ad litem appointed pursuant to RCW 11.88.090 as now or hereafter amended pertaining to the alleged incompetent or disabled persons' degree of incompetency or disability((:PROVIDED, That the court may waive the filing of a sworn medical report)) including the medical history if reasonably available, the effects of any current medication on appearance or the ability to participate fully in the proceedings, and a medical prognosis specifying the estimated length and severity of any current disability.

Sec. 6. Section 11.88.090, chapter 145, Laws of 1965 as amended by section 9, chapter 95, Laws of 1975 1st ex. sess. and RCW 11.88.090 are each amended to read as follows:

(1) Nothing contained in RCW 11.88.080 through 11.88.120, 11.92.010 through 11.92.040, 11.92.060 through 11.92.120, 11.92.170, and 11.92.180, as now or hereafter amended, shall affect or impair the power of any court to appoint a guardian to defend the interests of any incompetent or disabled person interested in any suit or matter pending therein, or to commence and prosecute any suit in his behalf.

(2) Upon receipt of a petition for appointment of guardian or limited guardian, except as provided herein, the court shall appoint a guardian ad litem to represent the best interests of the alleged incompetent or disabled person, who ((may)) shall be a person ((recommended by either the local mental health board or mental retardation board (or county social service administrative board where applicable), to represent the interests of the alleged incompetent or disabled person in response to any petition for guardianship or limited guardianship)) found or known by the court to

(a) be free of influence from anyone interested in the result of the proceeding;

(b) have the requisite knowledge, training, or expertise to perform the duties required by this section.

In making this determination the court shall give due consideration to the type of incompetency or disability alleged and to any recommendations made to the court by public or private agencies having appropriate experience or expertise: PRO-VIDED, That no guardian ad litem need be appointed if a parent is petitioning for a guardian or a limited guardian to be appointed for his or her minor child if the minority of the child, as defined by RCW 11.92.010, is the sole basis of the petition. The order appointing the guardian ad litem shall recite the duties set forth in sub-section (3) of this section. The appointment of a guardian ad litem shall have no effect on the legal competency of the alleged incompetent or disabled person and such appointment shall not overcome the presumption of competency or full legal and civil rights of the alleged incompetent or disabled person.

(3) The guardian ad litem appointed pursuant to this section shall have the following duties:

(a) To meet and consult with the alleged incompetent or disabled person as soon as practicable following appointment and explain, in language which such person can reasonably be expected to understand, the substance of the petition, the nature of the resultant proceedings, the person's right to contest the petition, the identification of the proposed guardian or limited guardian, the right to a jury trial on the issue of his alleged incompetency or disability, the right to independent legal counsel as provided by RCW 11.88.045, and the right to be present in court at the hearing on the petition;

(b) To provide the court with a written report which shall include the following:

(i) A description of the degree of incompetency or disability;

(ii) An evaluation of the appropriateness of the guardian or limited guardian whose appointment is sought;

(iii) In the event the limited guardianship is ordered, its appropriate duration, and the limits and disabilities to be placed on the disabled person; and

(iv) Any expression of approval or disapproval made by the alleged incompetent or disabled person concerning the proposed guardian or limited guardian or guardianship or limited guardianship.

Such report shall also include a recommendation as to whether or not counsel should be appointed to represent the alleged incompetent or disabled person, and the reasons for such recommendation.

The investigation and report shall be made and forwarded to the court, with copies to the alleged incompetent or disabled person, and his attorney, if any has appeared, and to the petitioner, or his attorney within twenty days after appointment, unless an extension of time has been granted by the court for good cause shown;

(c) To arrange for a written medical report pursuant to RCW 11.88.045 as now or hereafter amended.

(4) If the petition is brought by an interested person or entity requesting the appointment of some other qualified person or entity and a prospective guardian or limited guardian cannot be found, the court shall order the guardian ad litem and any other qualified person or organization to investigate the availability of a possible guardian or limited guardian and to include the findings in a report to the court pursuant to RCW 11.88.090(3)(b) as now or hereafter amended.

(5) The court appointed guardian ad litem shall have the authority, in the event that the alleged incompetent or disabled person is in need of emergency ((and)) life-saving medical services, and is unable to consent to such medical services due to ((incapacity)) incompetence or disability pending the hearing on the petition to give consent for such emergency ((and)) life-saving medical services on behalf of the alleged incompetent or disabled person.

(6) The guardian ad litem shall receive a fee determined by the court. The fee shall be charged to the alleged incompetent or disabled person unless the court finds that such payment would result in substantial hardship upon such person, in which case the county shall be responsible for such costs: PROVIDED, That if no guardian or limited guardian is appointed the court may charge such fee to the petitioner or the alleged incompetent or disabled person, or divide the fee, as it deems just; and if the petition is found to be frivolous or not brought in good faith, the guardian ad litem fee shall be charged to the petitioner. The court shall not be required to provide for the payment of a fee to any salaried employee of a public or nonprofit agency.

Sec. 7. Section 11.88.100, chapter 145, Laws of 1965 as amended by section 10, chapter 95, Laws of 1975 1st ex. sess. and RCW 11.88.100 are each amended to read as follows:

Before letters of guardianship are issued, each guardian or limited guardian shall take and subscribe an oath and, unless dispensed with by order of the court as provided in RCW 11.88.105, file a bond, with sureties to be approved by the court, payable to the state, in such sum as the court may fix, taking into account the character of the assets on hand or anticipated and the income to be received and disbursements to be made, and such bond shall be conditioned substantially as follows:

The condition of this obligation is such, that if the above bound A.B., who has been appointed guardian or limited guardian for C.D., shall faithfully discharge the office and trust of such guardian or limited guardian according to law and shall render a fair and just account of his guardianship or limited guardianship to the superior court of the county of, from time to time as he shall thereto be required by such court, and comply with all orders of the court, lawfully made, relative to the goods, chattels, moneys, care, management, and education of such incompetent or disabled person, or his or her property, and render and pay to such

The bond shall be for the use of the incompetent or disabled person, and shall not become void upon the first recovery, but may be put in suit from time to time against all or any one of the obligors, in the name and for the use and benefit of any person entitled by the breach thereof, until the whole penalty is recovered thereon. The court may require an additional bond whenever for any reason it appears to the court that an additional bond should be given.

In all guardianships or limited guardianships of the person, and in all guardianship or limited guardianships of the estate, in which the ~~((inventory filed with the court shows))~~ petition alleges that the alleged incompetent or disabled person has total ~~((accumulated))~~ assets of a value of less than ~~((fifteen hundred))~~ three thousand dollars, the court may dispense with the requirement of a bond pending filing of an inventory confirming that the estate has total assets of less than three thousand dollars: PROVIDED, That the guardian or limited guardian shall swear to report to the court any changes in the ~~((accumulated))~~ total assets of the incompetent or disabled person increasing their value to over ~~((fifteen hundred))~~ three thousand dollars: PROVIDED FURTHER, That said guardian or limited guardian shall file a yearly statement showing the monthly income of the incompetent or disabled person if said monthly income is over the sum of two hundred fifty dollars per month for any three consecutive months.

Sec. 8. Section 11.88.107, chapter 145, Laws of 1965 as amended by section 12, chapter 95, Laws of 1975 1st ex. sess. and RCW 11.88.107 are each amended to read as follows:

Sec. 9. Section 11.88.120, chapter 145, Laws of 1965 as amended by section 14, chapter 95, Laws of 1975 1st ex. sess. and RCW 11.88.120 are each amended to read as follows:

The court in all cases shall have power to remove guardians or limited guardians for good and sufficient reasons, which shall be entered of record, and to appoint others in their place or in the place of those who may die, who shall give bond and security for the faithful discharge of their duties as prescribed in RCW 11.88.100 as now or hereafter amended; and when any guardian or limited guardian shall be removed or die, and a successor be appointed, the court shall have power to compel such guardian or limited guardian removed to deliver up to such successor all goods, chattels, moneys, title papers, or other effects belonging to such incompetent or disabled person, which may be in the possession of such guardian or limited guardian so removed, or of the personal representatives of a deceased guardian or limited guardian, or in the possession of any other person or persons, or in the possession of a stand-by guardian or limited guardian and upon failure, to commit the party offending to prison, until he complies with the order of the court.

Sec. 10. Section 6, chapter 95, Laws of 1975 1st ex. sess. and RCW 11.88.125 are each amended to read as follows:

The person appointed by the court as either guardian or limited guardian of the person and/or estate of an incompetent or disabled person, shall file in writing with the court, a designated stand-by limited guardian or guardian to serve as limited

guardian or guardian at the death or legal incompetency or disability of the court-appointed guardian or limited guardian. Such stand-by guardian or limited guardian shall have all the powers, duties, and obligations of the regularly appointed guardian or limited guardian and in addition shall, within a period of thirty days from the death or adjudication of incompetency or disability of the regularly appointed guardian or limited guardian, file with the superior court in the county in which the ((original)) guardianship or limited guardianship ((was filed)) is then being administered, a petition for appointment of a substitute guardian or limited guardian. Upon the court's appointment of a new, substitute guardian or limited guardian, the stand-by guardian or limited guardian shall make an accounting and report to be approved by the court, and upon approval of the court, the stand-by guardian or limited guardian shall be released from all duties and obligations arising from or out of the guardianship or limited guardianship.

(1) **TERMINATION WITHOUT COURT ORDER.** A guardianship or limited guardianship is terminated:

(a) Upon the attainment of full and legal age, as defined in RCW 11.92.010 as now or hereafter amended, of any person defined as an incompetent or disabled person pursuant to RCW 11.88.010 as now or hereafter amended solely by reason of youth, RCW 26.28.020 to the contrary notwithstanding((:));

(b) By an adjudication of competency((:)) or an adjudication of termination of disability;

(c) By the death of the incompetent or disabled person;

(2) **TERMINATION ON COURT ORDER.** A guardianship or limited guardianship may be terminated by court order after such notice as the court may require:

(a) If the guardianship or limited guardianship is of the estate and the estate is exhausted;

(b) If the guardianship or limited guardianship is no longer necessary for any other reason.

(3) **EFFECT OF TERMINATION.** When a guardianship or limited guardianship terminates otherwise than by the death of the incompetent or disabled person, the powers of the guardian or limited guardian cease, except that a guardian or limited guardian of the estate may make disbursements for claims that are or may be allowed by the court, for liabilities already properly incurred for the estate or for the incompetent or disabled person, and for expenses of administration. When a guardianship or limited guardianship terminates by death of the incompetent or disabled person, the guardian or limited guardian of the estate may proceed under RCW 11.88.150 as now or hereafter amended, but the rights of all creditors against the incompetent's or disabled person's estate shall be determined by the law of decedents' estates.

Sec. 12. Section 11.88.150, chapter 145, Laws of 1965 as amended by section 17, chapter 95, Laws of 1975 1st ex. sess. and RCW 11.88.150 are each amended to read as follows:

Upon the death of an incompetent or disabled person intestate the guardian or limited guardian of his estate has power under the letters issued to him and subject to the direction of the court to administer the estate as the estate of the deceased incompetent or disabled person without further letters unless within forty days after death of the incompetent or disabled person a petition is filed for letters of administration or for letters testamentary and the petition is granted. If the guardian or limited guardian elects to administer the estate under his letters of guardianship or limited guardianship, he shall petition the court for an order transferring the guardianship or limited guardianship proceeding to a probate proceeding, and upon court approval, the clerk of the court shall re-index the cause as a decedent's estate, using the same file number which is assigned to the guardianship or limited guardianship proceeding. The guardian or limited guardian shall then be authorized to continue administration of the estate without the necessity for any further petition or hearing. Notice to creditors and other persons interested in the estate shall be published and may be combined with the notice of the guardian's or limited guardian's final account. This notice shall be published in the manner provided in RCW 11.40.010, once each week for three successive weeks, with proof by affidavit of the publication of such notice to be filed with the court. All claims which are not filed within four months after first publication or within four months after the date of filing of the copy of such notice to creditors with the clerk of the court, whichever is later, shall be barred against the estate. Upon the hearing, the account may be allowed and the balance distributed to the persons entitled thereto, after the payment of such claims as may be allowed. Liability on the guardian's or limited guardian's bond shall continue until exonerated on settlement of his account, and may apply to the complete administration of the estate of the deceased incompetent or disabled person with the consent of the surety. If letters of administration or letters testamentary are granted upon petition filed within forty days after the death of the incompetent or disabled person, the personal representative shall supersede the guardian or limited guardian in the administration of the estate and the estate shall be administered as a decedent's estate as provided in this title, including the publication of notice to creditors and other interested persons and the barring of creditors claims.

Sec. 13. Section 11.92.040, chapter 145, Laws of 1965 as amended by section 20, chapter 95, Laws of 1975 1st ex. sess. and RCW 11.92.040 are each amended to read as follows:

It shall be the duty of the guardian ((and)) or limited guardian:

PROVIDED, That no guardian or limited guardian may involuntarily commit for mental health treatment, observation, or evaluation an alleged incompetent or disabled person who is, himself or herself, unable or unwilling to give informed consent to such commitment unless the procedures for involuntary commitment set forth in chapters 71.05 or 72.23 RCW are followed: PROVIDED FURTHER, That nothing in this section shall be construed to allow a guardian or limited guardian to consent to:

A guardian or limited guardian who believes such procedures to be necessary for the proper care and maintenance of the incompetent or disabled person shall petition the court for an order unless the court has previously approved such procedure within thirty days immediately past. The court may make such order only after an attorney is appointed in accordance with RCW 11.88.045, as now or hereafter amended, if none has heretofore appeared, notice is given, and a hearing is held in accordance with RCW 11.88.040, as now or hereafter amended;

Such prior order of the court may authorize specific investments, or, in the discretion of the court, may authorize the guardian or limited guardian during a period ~~((of))~~ not exceeding one year following the date of the order or for a period corresponding to the interval in which the guardian's or limited guardian's report is required to be filed by the court pursuant to subsection (2) of this section, whichever period is longer, to invest and reinvest as provided in chapter 30.24 RCW without further order of the court((-);).

(b) If it is for the best interests of the incompetent or disabled person that a specific property be used by the incompetent or disabled person rather than sold and the proceeds invested, the court may so order((-);).

(6) To apply to the court for an order authorizing any disbursement on behalf of the incompetent or disabled person ~~((; provided, however))~~: PROVIDED, HOWEVER, That guardian or limited guardian of the estate, or the person, department,

In proper cases, the court may order payment of amounts directly to the incompetent or disabled person for his maintenance or incidental expenses. The amounts authorized under this section may be decreased or increased from time to time by direction of the court. If payments are made to another under such order of the court, the guardian or limited guardian of the estate is not bound to see to the application thereof.

NEW SECTION. Sec. 14. There is added to chapter 11.92 RCW a new section to read as follows:

Any court order, other than an order issued in accordance with the involuntary treatment provisions of chapters 10.77, 71.05, and 72.23 RCW, which purports to authorize such involuntary detention or purports to authorize a guardian or limited guardian to consent to such involuntary detention on behalf of an incompetent or disabled person shall be void and of no force or effect.

Nothing in this section shall be construed to require a court order authorizing placement of an incompetent or disabled person in a residential treatment facility if such order is not otherwise required by law: PROVIDED, That notice of any residential placement of an incompetent or disabled person shall be served, either before or after placement, by the guardian or limited guardian on such person, the guardian ad litem of record, and any attorney of record.

On motion of Senator Francis, the report of the Conference Committee was adopted and the committee was granted the powers of Free Conference on Substitute House Bill No. 183.

MESSAGE FROM THE HOUSE

June 9, 1977.

Mr. President: The House has adopted the report of the Conference Committee on ENGROSSED SUBSTITUTE HOUSE BILL NO. 353, and has granted said Committee powers of Free Conference.

DEAN R. FOSTER, Chief Clerk.

REPORT OF FREE CONFERENCE COMMITTEE

June 8, 1977.

Mr. Speaker:

Mr. President:

We, of your Free Conference Committee, to whom was referred ENGROSSED SUBSTITUTE HOUSE BILL NO. 353, revising the provisions of the law of compensating victims of crimes, have had the same under consideration, and that the bill be amended as recommended by the Conference Committee.

Signed by: Senators Francis and Bottiger; Representatives Smith, Newhouse and Knedlik.

MOTION

Senator Francis moved the report of the Free Conference Committee on Engrossed Substitute House Bill No. 353 be adopted.

POINT OF INQUIRY

Senator Guess: "Will Senator Francis yield? Senator Francis, are they now going to be able to take under the act, and also be able to sue? Isn't this a broad departure from what we had in the first place?"

Senator Francis: "Senator Guess, this restricts it somewhat from what was passed by the Senate earlier and sent to the House. Yes, the Senate had decided back when we first passed this that you would not be completely forbidden from suing for negligence if you were covered under this. As you may recall, on the floor we discussed the possibility that the state might be negligent in some instance resulting in some very serious damages to somebody, and this is a very limited amount of help for them. So, the answer is 'yes', this is an extension. Everything we were told indicates that it is probably not going to be a very costly extension,

depending. If the state persisted in things like 'take a lifer to dinner' or letting people walk away from Western State at Steilacoom, there could be the possibility of that kind of recovery against the state, but if so, at least they will have to pay back everything they have lived on in the meantime plus eight percent interest."

The motion by Senator Francis carried and the report of the Free Conference Committee on Engrossed Substitute House Bill No. 353 was adopted.

SPECIAL ORDER OF BUSINESS
SECOND READING

ENGROSSED SUBSTITUTE HOUSE BILL NO. 323, by Committee on Financial Institutions (originally sponsored by Representatives Sommers, Pardini, Eng, Polk, Burns, Deccio, Lux, Douthwaite, Taller, O'Brien and Maxie):

Regulating lending practices of financial institutions.

The time having arrived, the Senate resumed consideration of Engrossed Substitute House Bill No. 323. Earlier today, the committee amendment had been moved for adoption. An amendment by Senators Fleming, Mardesich and Sandison to the committee amendment had been moved for adoption by Senator Fleming. Senator Guess raised a Point of Order on the amendment to the committee amendment.

Debate ensued.

RULING BY THE PRESIDENT

President Cherberg: "In ruling upon the point of order as raised by Senator Guess, the President finds that Engrossed Substitute House Bill Number 323 relates to the disclosure of mortgage data by financial institutions and to discriminatory lending policies.

"The amendment proposed by Senator Fleming relates to the lending powers of savings and loan associations.

"The President therefore finds that the proposed amendment does expand the scope and object of the bill, and that the point of order raised is well taken."

The amendment to the committee amendment was ruled out of order.

The motion by Senator Jones carried and the committee amendment was adopted.

On motion of Senator Fleming, the committee amendment to the title was adopted.

On motion of Senator Fleming, the rules were suspended, Engrossed Substitute House Bill No. 323, as amended by the Senate, was advanced to third reading, the second reading considered the third, and the bill was placed on final passage.

MOTIONS

On motion of Senator Marsh, Senator Donohue was excused.

On motion of Senator Jones, Senator Matson was excused.

POINT OF INQUIRY

Senator Pullen: "Mr. President, would Senator Fleming yield to a question? Senator Fleming, on page 6, section 14 of the Senate committee amendment, it includes the words 'marital status' as an unfair practice concerning the application of credit in a credit transaction to determine the credit worthiness of the applicant. Is it your understanding of the words 'marital status' that a financial institution would be allowed to consider marital status to the extent necessary to determine the financial soundness of the marital community?"

Senator Fleming: "What I would say to you, Senator Pullen, about the whole context of marital status, it says 'It shall be an unfair practice to use this solely based on sex', the marital status. I don't think just because one is single or married should be the sole determining factor as to whether that individual will be able to get a loan."

Senator Pullen: "But since we live in a community property state, and since the community property team sometimes has to be considered as a team in these financial transactions, there would be nothing to prevent the study of the soundness of this team, would there?"

Senator Fleming: "Well, I don't think there would be anything wrong with studying the soundness of the team. You have to recognize that this is the law now. This is nothing new going in."

Senator Pullen: "The words 'marital status' are new words."

Senator Fleming: "Let's see this here."

Senator Pullen: "That is in line 16, on page 6. The words 'marital status' are added."

Senator Fleming: "I don't think that one would be out of line in terms of looking at the community of marital status as a situation, but I don't think that you can make your sole determination on a factor such as that."

POINT OF INQUIRY

Senator Morrison: "Mr. President, would Senator Wilson yield to a question? Senator Wilson, in reading through the list of changes that have been made, they don't seem to be particularly extensive. Can we have assurance from you that the Governor will not veto this particular 'Sunset' bill?"

Senator Wilson: "I have been assured by the Governor's office that she will sign this 'Sunset' bill."

Senator Morrison: "Even in light of Senator Guess's comments just now?"

Senator Wilson: "Correct."

PARLIAMENTARY INQUIRY

Senator Walgren: "Point of order, Mr. President. Are we not discussing the motion to advance this measure? I think that the Senators here have assumed that it is already advanced, which I think is correct, of course, but—"

REPLY BY THE PRESIDENT

President Cherberg: "The motion has never been made to advance, Senator. The motion was to suspend the rules and have the bill placed on the calendar. It is on the calendar. It has not been read in full as yet."

PARLIAMENTARY INQUIRY

Senator Rasmussen: "Mr. President, is the bill on second reading?"

REPLY BY THE PRESIDENT

President Cherberg: "The bill is on the second reading calendar."

PARLIAMENTARY INQUIRY

Senator Rasmussen: "Available for amendment if any amendments are desired?"

REPLY BY THE PRESIDENT

President Cherberg: "Yes, Senator, not at the present time however. It is on second reading calendar. If the motion is not made to consider the bill—the bill has not been read in full."

PARLIAMENTARY INQUIRY

Senator Rasmussen: "What type of a motion do you want, Mr. President?"

REPLY BY THE PRESIDENT

President Cherberg: "The President doesn't necessarily want any motion, Senator."

There being no objection, the rules were suspended and Substitute House Bill No. 564 was read the second time in full.

POINT OF INQUIRY

Senator Rasmussen: "Mr. President, I have a question I would like to ask of Senator Wilson. Senator Wilson, I haven't had a chance to check this title number, but on page 12, line 8 where the Governor becomes part of this action. Line 8 says, 'The Governor shall see that all offices are filled,' and so forth. Would this compel the Governor to fill an office even if she didn't think it was necessary?"

Senator Wilson: "Senator Rasmussen, the passage you are referring to is a restatement of existing law pertaining to the Governor's various authorities except that they are changing the word 'he' to 'the Governor.' The only new language that is being added in this passage occurs on page 13, starting with line 15, which is one of the amendments which is being added to the 'Sunset' bill at the request of the Governor."

Senator Rasmussen: "Thank you, Senator Wilson."

On motion of Senator Wilson, the rules were suspended, Substitute House Bill No. 564 was advanced to third reading, the second reading considered the third, and the bill was placed on final passage.

POINT OF INQUIRY

Senator Newschwander: "Mr. President, I wonder if Senator Wilson would yield? Senator Wilson, I notice there is an emergency clause in this bill. I was wondering what the reason is. We are going to be around here for awhile, and do you want this to go into effect, or—? But I really have some doubts whether we really need an emergency clause."

Senator Wilson: "There is a reason for the emergency clause in this instance, and that is, the first four or five entities which are moving into the Sunset review process need to be examined by LBC, and then the office of financial management needs time to prepare its comments on the LBC report and all of this according to the time table must be done by the end of this year to stay on schedule, and since we are already half way through the year, I think the emergency clause in this instance is justified and needed."

Debate ensued.

MOTION

On motion of Senator Jones, Senators Hayner, Lewis, Pullen and Scott were excused.

Mr. President: The House has adopted the report of the Conference Committee on ENGROSSED SUBSTITUTE SENATE BILL NO. 2877, and has granted said committee the powers of Free Conference, and the report of the Conference Committee is herewith transmitted.

DEAN R. FOSTER, Chief Clerk.

REPORT OF CONFERENCE COMMITTEE

June 11, 1977.

Mr. Speaker:

Mr. President:

We, of your Conference Committee, to whom was referred ENGROSSED SUBSTITUTE SENATE BILL NO. 2877, revising laws on ethics and disclosure, have had the same under consideration, and we report that we are unable to agree and respectfully request the powers of free conference in order to amend the bill as follows:

That the House amendment on page 8, line 2 of the bill be not adopted and the bill be amended as follows:

On page 8, after line 1, strike all of section 7, and insert the following:

"Sec. 7. Section 37, chapter 1, Laws of 1973 as amended by section 25, chapter 294, Laws of 1975 1st ex. sess. and RCW 42.17.370 are each amended to read as follows:

The commission is empowered to:

(1) Adopt, promulgate, amend, and rescind suitable administrative rules and regulations to carry out the policies and purposes of this chapter, which rules and regulations shall be promulgated pursuant to the provisions of chapter 34.04 RCW;

(2) Prepare and publish such reports and technical studies as in its judgment will tend to promote the purposes of this chapter, including reports and statistics concerning campaign financing, lobbying, financial interests of elected officials, and enforcement of this chapter;

(3) Make from time to time, on its own motion, audits and field investigations;

(4) Make public the time and date of any formal hearing set to determine whether a violation has occurred, the question or questions to be considered, and the results thereof;

(5) Administer oaths and affirmations, issue subpoenas, and compel attendance, take evidence and require the production of any books, papers, correspondence, memorandums, or other records which the commission deems relevant or material for the purpose of any investigation authorized under this chapter, or any other proceeding under this chapter;

(6) Adopt and promulgate a code of fair campaign practices;

(7) Relieve, by published regulation of general applicability, candidates or political committees of obligations to comply with the provisions of this chapter relating to election campaigns, if they have not received contributions nor made expenditures in connection with any election campaign of more than one thousand dollars; and

(8) Enact regulations prescribing reasonable requirements for keeping accounts of and reporting on a quarterly basis costs incurred by state agencies, counties, cities, and other municipalities and political subdivisions in preparing, publishing, and distributing legislative information. The term "legislative information", for the purposes of this subsection, means books, pamphlets, reports, and other materials prepared, published, or distributed at substantial cost, a substantial purpose of which is to influence the passage or defeat of any legislation. The state auditor in his regular examination of each agency under chapter 43.09 RCW shall review such regulations, accounts, and reports and make appropriate findings, comments, and recommendations in his examination reports concerning those agencies.

(9) The commission, after hearing, by order approved and ratified by a majority of the membership of the commission, may suspend or modify any of the reporting requirements hereunder in a particular case if it finds that literal application of this chapter works a manifestly unreasonable hardship and if it also finds that such suspension or modification will not frustrate the purposes of the chapter. The commission shall find that a manifestly unreasonable hardship exists if reporting the name of an entity required to be reported under RCW 42.17.240(1)(g)(ii) would be likely to adversely affect the competitive position of any entity in which the person filing the report or any member of his immediate family holds any office, directorship, general partnership interest, or an ownership interest of ten percent or more. Any ((such)) suspension or modification shall be only to the extent necessary to substantially relieve the hardship. The commission shall act to suspend or modify any reporting requirements only if it determines that facts exist that are clear and convincing proof of the findings required hereunder. Any citizen shall have standing

to bring an action in Thurston county superior court to contest the propriety of any order entered hereunder within one year from the date of the entry of such order."

In line 5 of the title, after "42.17.090;" insert "amending section 37, chapter 1, Laws of 1973 as amended by section 25, chapter 294, Laws of 1975 1st ex. sess. and RCW 42.17.370;"

Signed by: Senators Grant, Goltz and Bluechel; Representatives Nelson (Dick), Fuller and Heck.

DEAN R. FOSTER, Chief Clerk.

REPORT OF FREE CONFERENCE COMMITTEE

June 2, 1977.

Mr. President:

Mr. Speaker:

We, of your Free Conference Committee, to whom was referred ENGROSSED SUBSTITUTE SENATE BILL NO. 2143, as amended by the House, providing for additional superior court judges in Spokane, Pierce, Kitsap, Benton-Franklin, Cowlitz, and San Juan-Island judicial districts, have had the same under consideration, and that the bill be amended as recommended by the Conference Committee.

Signed by: Senators Francis, Day and Sellar; Representatives Knowles, Boldt and Tilly.

MOTION

Senator Day moved the report of the Free Conference Committee be adopted on Engrossed Substitute Senate Bill No. 2143.

POINT OF INQUIRY

Senator Washington: "What is the effect of that compromise—of November first? I don't get the significance of the November first date."

Senator Day: "Well, the November first date accomplishes not having them being appointed on the first of July and having to file on the twenty-first, or whatever the date accomplishes. At least it gives them an opportunity to sit down on the seat for the period of one year before they have to run."

POINT OF INQUIRY

Senator Talley: "How was Cowlitz County in that report?"

Senator Day: "It expands to two judges in Cowlitz County and the effective date of the bill is November first, I believe there is a thirty day provision that takes

care of the fact that the election is on November eighth and that this takes effect the first."

The motion by Senator Day carried and the report of the Free Conference Committee on Engrossed Substitute Senate Bill No. 2143 was adopted.

ROLL CALL

The Secretary called the roll on the final passage of Engrossed Substitute Senate Bill No. 2143, as amended by the Free Conference Committee, and the bill passed the Senate by the following vote: Yeas, 33; nays, 2; absent or not voting 1; excused, 12.

Excused: Senators Benitz, Bottiger, Buffington, Francis, Hayner, Herr, Lewis, McDermott, North, Pullen, Wanamaker, Woody—12.

The appropriations contained in subsections (6) through (42) of this section shall be subject to the following conditions and limitations:

The productivity of any salmon propagation facility is very dependent on water quantity and quality. Since there is a limited number of water sources which meet the critical needs of a facility it is imperative that these sources are acquired. Therefore, site acquisitions and preliminary design shall be considered by the department as generally having priority over project development in the allocation of funds;

Prior to expending any moneys for the construction and development of any particular salmon propagation facility, except for site acquisition and preliminary design, the department shall give consideration to the following factors with respect to that facility:

The department's management authority over propagated salmon;

The level of expected Canadian interception on the propagated salmon and whether this would be acceptable;

Whether an acceptable agreement has been reached on the status of treaty Indian salmon harvest; and

Whether there can be a maximum harvest of propagated salmon with a tolerable impact on other salmonoid stocks, both natural and artificial, and on their environment. The department shall consult on this matter with the department of game;

To aid and advise the department in the performance of its functions as specified herein with regard to the salmon enhancement program, a salmon advisory council shall be created. The advisory council shall consist of ten members appointed by the governor; the director of the department of fisheries, who shall be chairman; the director of the department of game; one member of the senate to be appointed by the president of the senate; and one member of the house of representatives to be appointed by the speaker of the house of representatives. Of the appointive members two shall represent troll fishermen; two shall represent gillnet fishermen, of which one shall be from the Puget Sound area and one from the southwest Washington area; one shall represent purse seine fishermen; one shall represent owners of charter boats; two shall represent sportsmen; and two shall represent fish processors, of which one shall represent fresh or frozen fish processors and one shall represent canneries.

The advisory council shall be convened by the director prior to the decision to expend any funds for construction and development of any salmon propagation facility listed in subsections (6) through (42) of this section. The council shall advise the director with regard to the considerations listed herein and any other factors the council deems relevant with respect to the proposed facility.

Terms of the appointive members shall not exceed two years and shall continue until their successors are appointed. Vacancies shall be filled in the same manner as original appointments. Members shall receive reimbursement for travel expenses incurred in the performance of their duties in accordance with RCW 43.03.050 and 43.03.060 as now existing or hereafter amended.

The director of the department of game, or his designee, shall receive reimbursement for travel expenses incurred in the performance of his duties in accordance with RCW 43.03.050 and 43.03.060 as now existing or hereafter amended. The legislative members or their designees, shall be deemed engaged in legislative business while in attendance upon the business of the council and shall be limited to

such allowances therefor as otherwise provided in RCW 44.04.120 as now existing or hereafter amended.

Not more than the following amounts as listed in subsections (6) through (42) of this section shall be expended for the site acquisition, preliminary design, construction and development of such hereinabove described projects, which are ranked after site acquisition and exploration, survey, and design in order of their estimated benefit/cost ratio, with the project having the highest benefit/cost ratio being listed first.

MOTION

On motion of Senator Donohue, the Senate refused to concur in the House amendment to Engrossed Substitute Senate Bill No. 3110 and asks the House for a conference thereon.

MOTIONS

On motion of Senator Walgren, the Senate advanced to the eighth order of business.

Senator Rasmussen moved adoption of the following resolution:

SENATE RESOLUTION 1977-75

By Senators Rasmussen, Guess and Goltz:

WHEREAS, Present drought conditions have demonstrated the vital importance of preserving and enhancing the water and hydropower resources of the Pacific Northwest; and

WHEREAS, Hydroelectric power has been a primary source of low cost, abundant and dependable energy, which has decreased reliance on petroleum, natural gas, coal and nuclear power, freeing these depletable resources for use in other sections of the nation; and

WHEREAS, Water impounding projects tend to be self-supporting and provide multiple-use benefits including the promotion of commerce, navigation, municipal and industrial water supply and water for irrigated farming, as well as recreational benefits; and

WHEREAS, The principal remaining sites for the development of hydroelectric power in the region lie in the Middle Snake River area, with more than three million acre-feet of water storage available for power generation on-site and with resultant benefits to downstream generating plants, fisheries and flood control aspects of multiple-use development; and

WHEREAS, The total cost of construction of the most expensive Middle Snake multi-purpose project could be offset in less than two weeks of the equivalent import costs of foreign oil;

NOW, THEREFORE, BE IT RESOLVED BY THE SENATE OF THE STATE OF WASHINGTON, That the Congress be urged to amend those portions of the public law which preclude the development of hydroelectric and multi-purpose projects in the Middle Snake River.

BE IT FURTHER RESOLVED, That copies of this resolution be transmitted to The Honorable Jimmy Carter, President of the United States; to the President of the United States Senate and the Speaker of the United States House of Representatives and to the members of the delegation in Congress from the State of Washington.

POINT OF INQUIRY

Senator Goltz: "Mr. President, would Senator Rasmussen yield? Senator Rasmussen, in your opening remarks concerning the resolution, you used the word, I believe, 'review' with respect to the action which congress should take. I noticed in the next to the last paragraph, the word 'amend' is used instead of 'review'. It seems to me that to use the word 'amend' indicates a finding, and I would like your comment as to whether or not you intend review or whether you intend amend."

Senator Rasmussen: "The intention would be that congress would review, and then, obviously, amend we hope, in the interests of conservation of millions of barrels of oil. It is our hope that they would do that and that they would further, because of the shortage of water, review also the tremendous benefits to be obtained from the additional millions of acre feet of water that they can store, yes."

Senator Goltz: "Senator Rasmussen, would you object to an oral amendment which would change the word 'amend' to 'review'?"

Senator Rasmussen: "I have no objection. I think that the end result would be the same."

Senator Goltz: "It might very well be, but my point is, that it seems to me that the word 'amend' implies a finding which I feel incapable of making. I have no objection whatsoever to asking congress to review a previous action, but to ask them to change it based upon the evidence that we have before us, would be asking me to take an action which I would feel incapable of doing."

Senator Rasmussen: "I would have no objection that they continue review. I am sure that after they review it they would find that it is very vital to the security of the United States that they do this."

Senator Goltz moved adoption of the following amendment:

On line 2 of the sixth paragraph, strike "amend" and insert "review"

Debate ensued.

POINT OF ORDER

Senator Goltz: "Mr. President, the issue before us is my amendment to change the word 'amend' to 'review' in the second to the last paragraph, and I believe the last two speeches are on the resolution as a whole."

RULING BY THE PRESIDENT

President Cherberg: "The Senator's point is well taken."

The motion by Senator Goltz carried and the amendment was adopted.

Further debate ensued.

The motion by Senator Rasmussen carried and the resolution, as amended, was adopted.

MOTION

Senator Beck moved adoption of the following resolution:

SENATE RESOLUTION 1977-74

By Senators Beck, Walgren, Henry and Guess:

WHEREAS, The Tacoma Narrows Bridge, an integral part of State Route 16, provides the only non-ferry access from the east side of Puget Sound to the Kitsap County area; and

WHEREAS, Since 1974 traffic using the Narrows Bridge has increased at the rate of twelve percent per year, reaching a present average daily volume of 35,000 vehicles with occasional volumes exceeding 50,000 vehicles in a single day; and

WHEREAS, The Tacoma Narrows Bridge and the section of State Route 16 from the bridge to Cheney Stadium in the City of Tacoma are now at or near their maximum load capacity and are rapidly becoming a traffic bottleneck during peak hours; and

WHEREAS, As a result of the Trident installation at Bangor and the related economic growth, the population of Kitsap County is expected to increase by some 35,000 to 40,000 additional people by 1982 creating further travel demands upon State Route 16 and the Narrows Bridge; and

WHEREAS, The completion of State Route 16 from Cheney Stadium to the Narrows Bridge as a six-lane limited access freeway will further contribute to the increase of traffic using the Narrows Bridge; and

WHEREAS, The Narrows Bridge lacks the structural capacity to sustain double decking, widening or median barriers to provide additional vehicle capacity necessary to meet the increasing traffic volumes and the developing congestion; and

WHEREAS, The Gig Harbor area does not have an adequate water supply to reach its maximum development and a preliminary investigation revealed the present bridge does not have the structural capacity to carry the additional weight of a water main on it; and

WHEREAS, the Mayor and Town Council of Gig Harbor and the Peninsula United Good Roads Committee have officially expressed concern regarding the capacity of the Narrows Bridge to continue to provide adequate transportation service;

NOW, THEREFORE, BE IT RESOLVED, By the Senate of the State of Washington that the Senate Transportation Committee is hereby requested to undertake a study (1) of the present and future capacity of the Tacoma Narrows Bridge to perform its function of providing safe and efficient transportation service between the east side of Puget Sound and the Kitsap County Peninsula; and (2) alternative methods of providing additional lane capacity to meet the projected increases in traffic volumes together with suggested means of funding such improvements; and

BE IT FURTHER RESOLVED, That the committee shall report its findings and recommendations to the legislature not later than January 31, 1978.

Senator Beck moved adoption of the following amendment:

On page 1, line 8, insert "WHEREAS, Considering the lane widths and acceptable operating conditions at forty-five miles per hour speeds, the maximum traffic capacity this bridge was designed for is 40,000 vehicles per day; and"

MOTION

On motion of Senator Walgren, Senate Resolution 1977-74, together with the proposed amendment by Senator Beck, was referred to the Committee on Rules.

MOTION

On motion of Senator Walgren, the Senate returned to the fourth order of business.

MOTIONS

On motion of Senator Walgren, the Senate advanced to the sixth order of business.

On motion of Senator Walgren, the Senate commenced consideration of Substitute House Bill No. 1132.

SECOND READING

SUBSTITUTE HOUSE BILL NO. 1132, by Committee on Insurance (originally sponsored by Representative Conner):

Designating the commercial driving record of a person separately for commercial insurance purposes.

MOTION

Senator Washington moved that Substitute House Bill No. 1132 be made a special order of business for 2:00 p.m. today.

Debate ensued.

The motion by Senator Washington carried. Substitute House Bill No. 1132 was made a special order of business for 2:00 p.m. today.

SPECIAL ORDER OF BUSINESS
THIRD READING

SUBSTITUTE SENATE BILL NO. 2700, by Committee on Ways and Means (originally sponsored by Senator Donohue):

Relating to property tax limitation.

The time having arrived, the Senate resumed consideration of Substitute Senate Bill No. 2700.

On motion of Senator Mardesich, the rules were suspended and Substitute Senate Bill No. 2700 was returned to second reading.

On motion of Senator Mardesich, the following amendment was adopted:

On page 5, line 2, after "compensation" insert "and benefit"

Senator Mardesich moved adoption of the following amendment:

On page 5, line 11, after "the" insert "respective classification for the"

Debate ensued.

On motion of Senator Mardesich, the following amendment to the amendment was adopted:

Amend the Mardesich amendment to page 5, line 11, as follows: After "classification" insert "of certificated and/or classified employees"

The motion by Senator Mardesich carried and the amendment, as amended, was adopted.

Senator Mardesich moved adoption of the following amendment:

On page 5, line 15, after "sess." insert ": PROVIDED, That if chapter (ESHB 960), Laws of 1977 1st ex. sess. does not become law these terms shall be as defined in Title 28A RCW "

POINT OF INQUIRY

Senator Gould: "Would Senator Mardesich yield to a question, please? Senator Mardesich, under this amendment, if we, you and I and the others on the conference committee were unable to come to an agreement on a definition of 'basic education', we would then have a levy lid, but with no definition of education which would mandate funding for schools?"

Senator Mardesich: "No, all this would do would put into the definition—the allocation would be then according to general apportion, is what would then apply."

Senator Gould: "All right, thank you."

The motion by Senator Mardesich carried and the amendment was adopted.

MOTIONS

On motion of Senator Day, Senator Francis was excused.

On motion of Senator Jones, Senator Clarke was excused.

Senator Donohue moved the rules be suspended, Engrossed Substitute Senate Bill No. 2700 be advanced to third reading, the second reading considered the third, and the bill be placed on final passage.

POINT OF INQUIRY

Senator Bluechel: "Would Senator Donohue yield to a question, please? Senator Donohue, on page 5, line 19 I would like an explanation of the proviso that pertains to cost of living. Is this based on the cost of living increase, as of the state of Washington or in the different areas, for instance, Seattle, Spokane, or what?"

Senator Donohue: "The consumer price index that we are talking about is that of the federal, —does that answer your question?"

POINT OF INQUIRY

Senator Grant: "That proviso, as Senator Mardesich has written it, says that if 960, that's the basic education bill—does not become law, these terms shall be as defined in 28A RCW. I think the statement 'these terms' is very imprecise, very unclear as to what is meant by 'these terms,' and I would hope that Senator Mardesich would take another look at that before we move on to third reading and see exactly what he means by the term 'these terms.'"

Senator Mardesich: "What is referred to, of course, is the allocation which comes with the budget, and that would be general apportionment, and as it is defined in this particular bill, student transportation and elementary secondary education act funds. I don't know whether the mere explanation would suffice in the record or whether it should be clarified by amendment, but that is what is intended. The general allocation formula would then apply."

MOTION

On motion of Senator Grant, Substitute Senate Bill No. 2700, as amended, was made a special order of business for 2:30 p.m. today, on second reading.

APPOINTMENT OF CONFERENCE COMMITTEE

The President appointed as members of the Conference Committee on Engrossed Substitute Senate Bill No. 3110 and the House amendment thereto: Senators Donohue, Scott and Odegaard.

SPECIAL ORDER OF BUSINESS
SECOND READING

SUBSTITUTE HOUSE BILL NO. 1132, by Committee on Insurance (originally sponsored by Representative Conner):

Designating the commercial driving record of a person separately for commercial insurance purposes.

The time having arrived, the Senate resumed consideration of Substitute House Bill No. 1132. Earlier today, on motion of Senator Washington, the bill was made a special order of business.

Senator Henry moved adoption of the following amendment:

Strike everything after the enacting clause and insert the following:

"Section 1. Section 46.52.120, chapter 12, Laws of 1961 as amended by section 62, chapter 32, Laws of 1967 and RCW 46.52.120 are each amended to read as follows:

It shall be the duty of the director to keep a case record on every motor vehicle driver licensed under the laws of this state, together with information on each, showing all the convictions certified by the courts and an index cross reference record of each accident reported relating to such individuals with a brief statement of the cause of such accident, which index cross reference record shall be furnished to the director by the chief of the Washington state patrol, with reference to each driver involved in the reported accidents. The case record shall be maintained in two parts. One part shall be the employment driving record of the person which shall include all motor vehicle accidents in which the person is involved while the person is driving a commercial motor vehicle as an employee of another and all convictions of the person for violation of the motor vehicle laws while the person is driving a commercial motor vehicle as an employee of another. The other part shall include all other accidents and convictions. Such records shall be for the confidential use of the director and the chief of the Washington state patrol and for such police officers or other cognizant public officials as may be designated by law. Such case records shall not be offered as evidence in any court except in case appeal is taken from the order of director, suspending, revoking, canceling, or refusing vehicle driver's license. It shall be the duty of the director to tabulate and analyze vehicle driver's case records and to suspend, revoke, cancel, or refuse any vehicle driver's license to any person when it is deemed from facts contained in the case record of such person that it is for the best interest of public safety that such person be denied the privilege of operating a motor vehicle. Whenever the director may order the vehicle driver's license of any such person suspended, revoked, or canceled, or shall refuse the issuance of vehicle driver's license, such suspension, revocation, cancellation, or refusal shall be final and effective unless appeal from the decision of the director shall be taken as provided by law.

Sec. 2. Section 27, chapter 21, Laws of 1961 ex. sess. as last amended by section 1, chapter ... (SSB 3098), Laws of 1977 1st ex. sess. and RCW 46.52.130 are each amended to read as follows:

~~((The director shall upon request furnish any insurance company or its agent, having or considering the issuance of a policy of insurance and any employer or prospective employer of persons who drive commercial motor vehicles or school buses a certified abstract of the driving record of any person;))~~ Any request for a certified abstract must specify which part is requested, and only the part requested shall be furnished. The employment driving record part shall be furnished only to the individual named in the abstract, an employer, the insurance carrier that has insurance in effect covering such employer, or a prospective employer. The other part shall be furnished only to the individual named in the abstract, the insurance carrier that has insurance in effect covering such named individual, or the insurance carrier to which such named individual has applied. The director, upon proper request, shall furnish a certified abstract covering ((a)) the period of not more than three years last past, and such abstract whenever possible, ((which abstract)) shall include an enumeration of motor vehicle accidents in which such person ((has been)) was involved((-Such abstract shall indicate)); the total number of vehicles involved; whether the vehicles were legally parked or moving; whether such vehicles were occupied at the time of the accident; and any reported convictions or forfeitures of bail of such person upon a charge of violating any motor vehicle law. Such enumeration shall include any reports of failure to appear in response to a traffic citation served upon such person by an arresting officer. ((In addition thereto the director

~~shall furnish such record to the person whose driving record is involved, upon such person's request.))~~

The abstract herein provided to ((the)) an insurance company shall have excluded therefrom any information pertaining to any occupational driver's license when the same is issued to any person employed by another or self-employed as a motor vehicle driver who during the five years preceding the request has been issued such a license by reason of a conviction of a motor vehicle offense outside the scope of his principal employment, and who has during such period been principally employed as a motor vehicle driver deriving the major portion of his income therefrom. The abstract provided to the insurance company shall also exclude any information pertaining to law enforcement officers or fire fighters as defined in RCW 41.26.030, or any member of the Washington state patrol, while driving official vehicles in the performance of occupational duty during an emergency situation if the chief of the officer's or fire fighter's department certifies on the accident report that the actions of the officer or fire fighter were reasonable under the circumstances as they existed at the time of the accident.

The director shall collect for each such abstract the sum of one dollar fifty cents which shall be deposited in the highway safety fund.

Any insurance company or its agent receiving such certified abstract shall use it exclusively for its own underwriting purposes and shall not divulge any of the information therein contained to a third party: PROVIDED, That no policy of insurance shall be canceled on the basis of such information unless the policyholder was determined to be at fault: PROVIDED FURTHER, That no insurance company or its agent for underwriting purposes relating to the operation of commercial motor vehicles shall use any information contained in the abstract relative to any person's operation of motor vehicles while not engaged in such employment.

Any employer or prospective employer receiving such certified abstract shall use it exclusively for his own purpose to determine whether the licensee should be permitted to operate a commercial vehicle or school bus upon the public highways of this state and shall not divulge any information therein contained to a third party.

Any violation of this section shall be a gross misdemeanor.

NEW SECTION. Sec. 3. There is added to chapter 48.30 RCW a new section to read as follows:

When an individual applies for a policy of casualty insurance providing either automobile liability coverage, uninsured motorist coverage, automobile medical payments coverage, or automobile physical damage coverage on an individually owned passenger vehicle or a renewal of such policy, an insurer shall not consider the applicant's commercial motor vehicle employment driving record in determining whether the policy will be issued or renewed or in determining the rates for the policy. An insurer shall not cancel such policy or discriminate in regard to other terms or conditions of the policy based upon the applicant's commercial motor vehicle employment driving record.

"Employment driving record" means that record maintained by the director pertaining to motor vehicle accidents or convictions for violation of motor vehicle laws while the applicant is driving a commercial motor vehicle as an employee of another."

POINT OF INQUIRY

Senator Sellar: "Mr. President, would Senator Henry yield to a question? Senator Henry, under this, if you were an employer that was interviewing for someone to do commercial driving, and this person had no prior commercial driving record, could you then look at his personal record to—?"

Senator Henry: "No."

Senator Sellar: "In other words, there is no way that you are hiring a driver to drive you—?"

Senator Henry: "No, that is the purpose of the bill, because the employer's insurance from my standpoint if I was the employer would be based upon his record as shown in driving a commercial vehicle. What he did on weekends with his sports car or something is a different breed of cat."

Senator Sellar: "Thank you, Senator Henry."

Senator Van Hollebeke moved adoption of the following amendment by Senators Van Hollebeke, Mardesich and Grant to the amendment by Senator Henry:

On page 1, beginning on line 24, after "while" strike "the person is driving a commercial motor vehicle as an employee of another" and insert "in pursuance of his occupation other than driving to and from his regular place of employment"

On page 1, beginning on line 28, after "vehicle" strike "as an employee of another" and insert "in pursuance of his occupation other than driving to and from his regular place of employment"

Debate ensued.

Senator Guess moved the amendment by Senators Van Hollebeke, Mardesich and Grant to the amendment by Senator Henry be laid upon the table.

There being no objection, on motion of Senator Van Hollebeke, the amendment to the amendment was withdrawn.

Further debate ensued.

POINT OF INQUIRY

Senator Henry: "Would Senator Grant yield to a question? If this is taking care of the implied consent that you have tried to tack on everything but the kitchen sink, I want to tell you now I will raise the question of scope and object and save you a lot of time."

Senator Grant: "Well, it does deal with that question, Senator Henry."

Senator Henry: "That is what I thought."

Senator Grant: "However, I don't really think it expands the scope and object of this particular bill, and I haven't been trying to tack it onto everything."

Senator Henry: "I apologize, Senator Grant, you didn't try to put it on the budget."

Debate ensued.

POINT OF INQUIRY

Senator Wilson: Mr. President, would Senator Henry yield? Senator Henry, I think the wording in the amendment which we are about to hang on the bill says, 'as an employee of another,' and my question is, if a small businessman, a small trucker owns his own semi rig then the applications of this law will not apply to him. Is that true?"

Senator Henry: "It would only apply to his driver. If he hires a driver—now you are talking about the same thing that Senator Van Hollebeke was trying to get at is, if a man has a small business, owns his own rig, and drives it himself, this is the driving record of those who are in the employ of another, so any business that has any vehicles in which they hire a driver would be covered under this act."

Senator Wilson: "Well, my question is this. There are large trucking companies that own a hundred rigs and they employ a hundred drivers, and those one hundred drivers would be afforded the protections that your amendment gives them."

Senator Henry: "Right."

Senator Wilson: "In my neck of the woods, of course, I am more apt to have a single individual who owns the same type of semi rig as the other company owns a hundred of, but he would not be afforded this protection, as I read your amendment. Is that correct?"

Senator Henry: "Yes, he would, that is, if he hired somebody to drive it for him. It is the driver we are talking about."

Senator Wilson: "Well, quite often these are small businessmen who own and drive their own trucks."

Senator Henry: "In that case, that would come under the study we propose to do between now and January because, as I said earlier, is if a man owned and operated his own truck it would give him a chance to—for a dual driving record upon himself, and that is not the purpose of the act."

Senator Wilson: "Thank you."

REMARKS BY SENATOR BOTTIGER

Senator Bottiger: "Mr. President, Senator Wilson, there is a very simple way that that individual you are talking about could come under this bill, and that is simply by incorporating his business which most logging truck people—or in semi hazardous businesses do anyhow. Then the owner, the theoretical owner of all of the shares of the stock is an employee of the corporation."

The motion by Senator Henry carried and the amendment was adopted.

On motion of Senator Henry, the following amendment to the title was adopted:

In the title, line 5, after "chapter" and before "and" strike "37, Laws of 1973 1st ex. sess." and insert "... (SSB 3098), Laws of 1977 1st ex. sess."

On motion of Senator Henry, the rules were suspended, Substitute House Bill No. 1132, as amended by the Senate, was advanced to third reading, the second reading considered the third, and the bill was placed on final passage.

POINT OF INQUIRY

Senator Lewis: "Would Senator Henry yield, please? If I were a prospective employer, and I did not have access to the driving record of the prospective employee, could I get him to voluntarily submit—he can get his driving record, I understand. Could I make that a condition that if, in effect, he didn't want to provide me his driving record, I would have some suspicion about his ability to drive, and I might not want to hire him. Would I be guilty of discrimination of some kind for not hiring him on that? Would I be in some kind of trouble?"

Senator Henry: "I can't see where you would. If I ask somebody for his driving record, and incidentally, if you are hiring him to drive a commercial vehicle, you are interested in his ability to drive that commercial vehicle. If he doesn't produce that driving record, I certainly wouldn't hire him, and I don't see any reason why you should."

Senator Lewis: "Thank you."

Debate ensued.

Senator Grant demanded a roll call and the demand was sustained by Senators Washington, Francis, Ridder, Fleming, Goltz, Bottiger, von Reichbauer and Van Hollebeke.

The President declared the question before the Senate to be the roll call on the motion for reconsideration by Senator Grant.

On motion of Senator Bluechel, the following amendment was adopted:

On page 5, line 26, after "year's" insert "United States"

On motion of Senator Donohue, the rules were suspended, Engrossed Substitute Senate Bill No. 2700 was advanced to third reading, the second reading considered the third, and the bill was placed on final passage.

POINT OF INQUIRY

Senator Morrison: "Mr. President, would Senator Donohue yield to a question? Senator Donohue, it is vital that this levy lid proposal in front of us now for a final vote dovetail with the budget provisions for school funding as they finally pass this legislature. Can you assure me that the proposal here is in line with the position being taken by the Senate conferees on the budget?"

Senator Donohue: "Senator, so far; up to this date, with the members of this Senate of both caucuses backing the Senate position, this is true, and I doubt if this is going to change very much in the next few days."

Debate ensued.

ROLL CALL

The Secretary called the roll on the final passage of Engrossed Substitute Senate Bill No. 2700, and the bill passed the Senate by the following vote: Yeas, 30; nays, 9; excused, 9.

Voting yea: Senators Bausch, Bluechel, Donohue, Fleming, Francis, Goltz, Gould, Guess, Henry, Jones, Keefe, Lewis, Mardesich, Marsh, Matson, McDermott, Monohon, Morrison, Newschwander, Odegaard, Peterson, Rasmussen, Sandison, Scott, Sellar, Talley, Van Hollebeke, Walgren, Washington, Wilson—30.

Renumber remaining sections consecutively.

Debate ensued.

POINT OF INQUIRY

Senator Fleming: "Mr. President, would Senator Scott yield to a question? Senator Scott, what is the difference here? To my understanding, isn't it a fact that these students, if not all of them, the majority of the students that have gone to Mexico to go to school, is it a fact that many of those students went there because they might not have been able to qualify for the UW medical school or some other medical school, and is it or is it not a fact that most of them, if not all of them didn't have to meet certain kinds of requirements, all they had to do is have enough money to pay—to get their way in? If that is the case, what is the difference of them buying their way into that school down there versus someone going to Georgetown that can afford it?"

Senator Scott: "Senator Fleming, I don't pose as an expert at this, and for reasons of past professional history, I would even prefer not to be involved in the issue, but in the interest of keeping the record straight, there have been innuendoes cast that one buys one's way into Guadalajara, to name another foreign medical school. In this whole controversy, however, it has never been proven, and so I think we have to leave the case open.

"Yes, these are students that, many of which might have applied to the University of Washington and didn't get in, but I could say to you at the same time that the University of Washington medical school has a hundred and seventy-five slots every year, and they get over twenty-five hundred applicants. They fill their classes with students, all of whom have more than a three point five college average and they are high on the national examination, medical school entrance examination, and are outstanding people in every other respect. The fact that you were not selected to go to the University of Washinton medical school does not mean that you are a slouch academically.

"On the other hand, people that are willing to put up with learning Spanish, put up with living under—you would have to say less desirable conditions in Mexico than Seattle, people that have proven that they will go the extra mile to get into the medical profession, I think that merits some consideration, too."

Further debate ensued.

POINT OF ORDER

Senator Talley: "I think these amendments entirely enlarge the scope and object of this bill. The bill was designed primarily to benefit a foreign medical student, and this brings it right back—you just completely destroy the intent of the bill."

Senator Herr moved the amendment by Senators Sandison and McDermott to the amendment by the Committee on Ways and Means to page 6, line 4 be laid upon the table.

Senator Walgren demanded a roll call and the demand was sustained by Senators Herr, Washington, Ridder, Beck, Lewis, Sellar, Talley, Bottiger and McDermott.

The President declared the question before the Senate to be the motion by Senator Herr that the amendment by Senators Sandison and McDermott to the amendment by the Committee on Ways and Means to page 6, line 4 be laid upon the table.

MOTION

Senator Mardesich moved the motion by Senator Herr also carry the committee amendment with the amendment by Senators Sandison and McDermott.

Debate ensued.

POINT OF ORDER

Senator Washington: "I raise the point of order. The ordinary rule is that when you make the motion to table it does not carry the bill with it. We have the motion, and I know of no point where a motion to table can be amended in the way that Senator Mardesich proposes. First we have to vote on the motion to amend."

There being no objection, on motion of Senator Mardesich, the motion was withdrawn.

ROLL CALL

The Secretary called the roll and the motion by Senator Herr carried by the following vote: Yeas, 20; nays, 19; absent or not voting, 1; excused, 9. (The President voted "aye").

The motion by Senator Donohue carried and the committee amendment to page 6, line 4 was adopted.

Senator Goltz moved adoption of the amendment by the Committee on Social and Health Services to page 4, line 9.

Debate ensued.

The motion by Senator Goltz carried and the amendment was adopted.

Senator Goltz moved adoption of the amendment by the Committee on Social and Health Services to page 5, line 5.

POINT OF INQUIRY

Senator Mardesich: "Does this mean a student who was not even able to complete the medical training in the Mexican school would have to be accepted?"

Senator Goltz: "No, it does not mean that, Senator Mardesich. What it tries to, I think, do is to take away the word 'qualified' where the word 'qualified' might be interpreted to mean that additional qualifications could be put upon the students. This says that the students have to be qualified by the conditions which follow. If you leave the word 'qualified' in in advance, it implies that further additions of qualification could be attached to that student's entry."

Senator Mardesich: "Well, then, he would pose a question. The subsections one, two, three and four have no relation to the work having been done in the other school except the fact that they may have been completed. The years of work may have been completed, and I think you can—I see what you are driving at, but wouldn't it be wiser to amplify what 'qualified' means instead?"

Senator Goltz: "My reading of the bill, Senator Mardesich, is that it does do that by going through one, two, three and four in sub—under the following conditions where the students have to meet those conditions."

Senator Mardesich: "All it says in one is he must have been a resident of the state. He must have successfully completed two years of academic training. I don't know what 'successful completion' means. Does that mean a C minus grade point average, or a D as long as he got through? I would rather amplify the word 'qualified.'"

Senator Goltz: "If you read all the way through those one, two, three and four you will see that the qualifications are spelled out. The only reason for striking 'qualified' in front of 'students' —I think I am repeating myself now, is to try to avoid the introduction of additional qualifications at the discretion of the University of Washington medical school. I hope you will support the striking of the word 'qualified' and adopt the amendment."

Debate ensued.

The motion by Senator Goltz carried and the amendment was adopted.

Senator Goltz moved adoption of the amendment by the Committee on Social and Health Services to page 5, line 26.

POINT OF ORDER

Senator Scott: "Mr. President, I would raise the point of order that this does, in effect, exactly the same thing as the Sandison amendment, and therefore we would be doing the same, raising the same question twice."

RULING BY THE PRESIDENT

President Cherberg: "The point of order as presented by Senator Scott is well taken. The two amendments are essentially the same, therefore the committee amendment is not in order."

The amendment by the Committee on Social and Health Services to page 5, line 26 was ruled out of order.

On motion of Senator Ridder, the following amendment by Senator Day was not adopted:

On page 2, line 19, after "purposes" and before the period insert ": PROVIDED, That he or she has registered at a foreign medical school prior to October 12, 1976"

Senator Goltz moved adoption of the following amendment by Senators Goltz and McDermott:

On page 5, line 24, after "any" insert "visiting"

The motion by Senator Goltz failed and the amendment was not adopted.

MOTIONS

On motion of Senator Odegaard, Senator von Reichbauer was excused.

On motion of Senator Tatley, the rules were suspended, Reengrossed House Bill No. 271, as amended by the Senate, was advanced to third reading, the second reading considered the third, and the bill was placed on final passage.

ROLL CALL

The Secretary called the roll on the final passage of Reengrossed House Bill No. 271, as amended by the Senate, and the bill passed the Senate by the following vote: Yeas, 27; nays, 9; absent or not voting, 2; excused, 10.

Voting yea: Senators Bausch, Beck, Bluechel, Bottiger, Clarke, Fleming, Francis, Goltz, Grant, Guess, Henry, Herr, Jones, Keefe, Marsh, McDermott, Monohon, Odegaard, Peterson, Rasmussen, Ridder, Scott, Talley, Van Hollebeke, Washington, Wilson, Wojahn—27.

Absent or not voting: Senators Matson, Murray—2.

Mr. Speaker:

Mr. President:

"AN ACT Relating to state parks; and adding a new section to chapter 43.51 RCW.

NEW SECTION. Section 1. There is added to chapter 43.51 RCW a new section to read as follows:

(1) The commission shall grant to any person who meets the eligibility requirements specified in this section a senior citizen's pass which shall (a) entitle such person, and members of his camping unit, to a fifty percent reduction in the campsite rental fee prescribed by the commission, and (b) entitle such person to free admission to any state park.

(2) The commission shall grant a senior citizen's pass to any person who applies for the same and who meets the following requirements:

(a) The person is at least sixty-two years of age; and

(b) The person is a domiciliary of the state of Washington and meets reasonable residency requirements prescribed by the commission; and

(c) The person and his or her spouse have a combined income which would qualify the person for a property tax exemption pursuant to RCW 84.36.381, as now law or hereafter amended. The financial eligibility requirements of this subparagraph (c) shall apply regardless of whether the applicant for a senior citizen's pass owns taxable property or has obtained or applied for such property tax exemption.

(3) Each senior citizen's pass granted pursuant to this section shall, unless renewed, expire on January 1 of the next year following the year in which it was issued. (4) Any resident of Washington who is disabled as defined by the social security administration and who receives social security benefits for that disability or who is entitled to benefits for permanent disability under RCW 71.20.015 and 72.33.020 due to unemployability full time at the minimum wage shall be entitled to receive, regardless of age and upon making application therefor, a disability pass at no cost to the holder. The pass shall (a) entitle such person, and members of his camping unit, to a fifty percent reduction in the campsite rental fee prescribed by the commission, and (b) entitle such person to free admission to any state park.

(5) All passes issued pursuant to this section shall be valid at all parks any time during the year: **PROVIDED**, That the pass shall not be valid for admission to concessionaire operated facilities.

(6) This section shall not affect or otherwise impair the power of the commission to continue or discontinue any other programs it has adopted for senior citizens.

(7) The commission shall adopt such rules and regulations as it finds appropriate for the administration of this section. Among other things, such rules and regulations shall prescribe a definition of "camping unit" which will authorize a reasonable number of persons traveling with the person having a senior citizen's pass to stay at the campsite rented by such person, a minimum Washington residency requirement for applicants for a senior citizen's pass and an application form to be completed by applicants for a senior citizen's pass."

MOTION

On motion of Senator Marsh, the report of the Conference Committee was adopted and the committee was granted the powers of Free Conference on Substitute Senate Bill No. 2382.

SIGNED BY THE PRESIDENT

The President signed:

SUBSTITUTE SENATE BILL NO. 2143,
 SUBSTITUTE SENATE BILL NO. 2268,
 SENATE BILL NO. 2282,

SENATE BILL NO. 3015.

MOTION

On motion of Senator Marsh, the Senate advanced to the sixth order of business.

SECOND READING

ENGROSSED SECOND SUBSTITUTE HOUSE BILL NO. 391, by Committee on Social and Health Services (originally sponsored by Representatives Pearsall, Newhouse, Hanna and Lux):

Regulating audiologists and speech pathologists.

The Senate resumed consideration of Engrossed Second Substitute House Bill No. 391 on second reading. The committee amendments were adopted on June 9, 1977 and the bill was held at that time.

On motion of Senator Beck, there being no objection, an amendment to page 10, line 22 on the desk of the Secretary of the Senate, was withdrawn.

Senator Beck moved adoption of the following amendment:

On page 1, beginning on line 17, strike all of subsection "(1)" and insert "(1) "Audiologist" means any person qualified by training or experience to specialize in the evaluation and rehabilitation of individuals whose communication is impaired in whole or in part by the hearing function."

Debate ensued.

The motion of Senator Beck failed and the amendment was not adopted.

On motion of Senator Beck, there being no objection, an amendment to page 2, beginning on line 21 on the desk of the Secretary of the Senate, was withdrawn.

On motion of Senator North, the rules were suspended, Engrossed Second Substitute House Bill No. 391, as amended by the Senate, was advanced to third reading, the second reading considered the third, and the bill was placed on final passage.

POINT OF INQUIRY

Senator Wojahn: "Would Senator North yield to a question? When these people are tested in this van, what kind of a service do they provide for them then? In other words, do they tell them their hearing is impaired and they should do something about it, or do they refer them to a physician for medical reasons, or for what purpose? To just know that you have a hearing loss really would have little value unless there was some evaluation."

Senator North: "That is correct. Senator Wojahn, they do all of these things. If they can perceive that there is a medical problem they will refer them to a list of qualified physicians to attend to them. Not one, obviously, but a list so that they have their own choice of seeking out someone to help them if it is a medical problem. They are also given a list of hearing aid dispensers to consult and to work out on their own. There is no attempt to channel a person to a particular hearing aid dispenser or a particular hearing aid or a special doctor. In other words, you are given quite a long list to choose from so that there is no special protection or promotion here in this at all. And it is really to identify if there is a hearing problem. Do you need help? And then to suggest where you can go for that help."

Further debate ensued.

POINT OF INQUIRY

Senator Odegaard: Would Senator Goltz yield? Senator Goltz, you mentioned that an audiologist or a pathologist, one of his duties might be to teach sign language. Does that mean then that a person who teaches sign language would have to be licensed as a pathologist or audiologist?"

Senator Goltz: "No, it does not mean that. It means that one of the duties or one of the functions that a speech pathologist-audiologist may be able to do is to teach sign language and other methods of communicating other than by speech."

MESSAGE FROM THE HOUSE

June 13, 1977.

Mr. President: The House has adopted the report of the Free Conference report on ENGROSSED SUBSTITUTE SENATE BILL NO. 2032, and has passed the bill as amended by the Free Conference Committee, and said report together with the bill are herewith transmitted.

DEAN R. FOSTER, Chief Clerk.

REPORT OF FREE CONFERENCE COMMITTEE

June 13, 1977.

Mr. Speaker:

Mr. President:

We, of your Free Conference Committee, to whom was referred ENGROSSED SUBSTITUTE SENATE BILL NO. 2032, establishing procedures for organization of minor political parties, have had the same under consideration, and that the bill be amended as recommended by the Conference Committee.

Signed by: Senators Grant, Beck and North; Representatives Hawkins and Nelson.

MOTION

Senator Grant moved the report of the Free Conference Committee on Engrossed Substitute Senate Bill No. 2032 be adopted.

POINT OF INQUIRY

Senator Rasmussen: "Would Senator Grant yield? Senator Grant, when are these minority party conventions held?"

Senator Grant: "It is generally the third weekend in July. That is when they hold their convention, the minor parties. They can vote for— just as Democrats and Republicans can vote for anybody in the primary election. They can do that today."

Senator Rasmussen: "At the present time they have to hold their convention on primary day."

Senator Grant: "General election day."

Senator Rasmussen: "On primary day."

Senator Grant: "Excuse, me, yes."

Senator Rasmussen: "And as such they are then barred because they are nominating their candidate at that time so this, in effect, would be giving them two votes. They would be able to move over into either party and nominate by voting in the primary and then can hold their convention and nominate their own candidate. That gives them two votes in the primary, I do not know why they would agree to that."

POINT OF INQUIRY

BY PRESIDENT PRO TEMPORE HENRY

President Pro Tempore Henry: "Senator Rasmussen, if I was listening correctly, I thought he said it had to be held before the filing. Is that correct?"

Senator Grant: "That is correct. The convention must be held before the filing of the major parties."

President Pro Tempore Henry: "So then, if they nominate their candidate that is not giving them two votes necessarily. It is before they file for office."

Senator Grant: "Assume, Senator Rasmussen, for the sake of an example, let us take a party, and maybe I can walk through this and clarify it. I might make it a little muddier too though. Assume that the American Independent Party wants to nominate somebody for Governor of the state of Washington. They must hold their convention and have one hundred and sixty people present from the state of Washington on the last Saturday preceding the first day of filing for the major parties. The major parties, as you know, file the last week in July. They hold their convention; they nominate their candidate; that candidate's name is placed on the primary election ballot, along with the Democrat and the Republican candidate, who file for office. All the Republican and Democratic candidates, major party candidates have to do is pay a filing fee to get on the ballot. So they are all three then on the primary election ballot and the party members can vote for judges of the Supreme Court; they can vote for the ballot issues that may be placed before them

at the primary election or they may, between the time of their convention and the primary election, determine that they want to vote for the Republican or Democrat and they can do that."

POINT OF INQUIRY

Senator Washington: "May someone who is not nominated in the minor party convention, can they file against the nominee who is nominated by the convention?"

Senator Grant: "There is no filing procedure for minor party candidates. They have to be nominated at the convention."

Senator Washington: "Do they have to get a percentage of the vote before they can get on the general ballot?"

Senator Grant: "Yes, they do. The party has to have one percent of the total vote cast for the position sought."

Senator Washington: "In the primary?"

Senator Grant: "That is correct."

POINT OF INQUIRY

Senator Van Hollebeke: "Will Senator Grant yield to a series of questions? No, I just have one question. Would it be accurate to say that this is more stringent in most ways than present law but less stringent than the original version we voted on some time back in this session?"

Senator Grant: "It is somewhat more stringent than current law, yes. I think that is accurate to say, and I think I would also characterize it as less severe than the Senate version."

REMARKS BY SENATOR NORTH

Senator North: "To comment on the question raised by Senator Van Hollebeke, it is more strict in that twenty-five voters as the minimum from a particular legislative district, county commissioner district, must be there in attendance to sign and to nominate their particular candidate. At present there are no such limitations. There is one statewide convention and one hundred people who could conceivably nominate for every legislative district in the state without anybody living in that particular district. So on that point it is much more strict than the present situation."

Debate ensued.

The motion by Senator Grant carried and the report of the Free Conference Committee was adopted.

ROLL CALL

The Secretary called the roll on the final passage of Engrossed Substitute Senate Bill No. 2032, as amended by the Free Conference Committee, and the bill passed the Senate by the following vote: Yeas, 30; nays, 3; absent or not voting, 4; excused, 11.

Voting yea: Senators Beck, Bluechel, Clarke, Donohue, Gaspard, Goltz, Grant, Henry, Jones, Keefe, Lewis, Mardesich, Marsh, Monohon, Morrison, Newschwander, North, Odegaard, Peterson, Rasmussen, Ridder, Scott, Talley, Van Hollebeke, Walgren, Wanamaker, Washington, Wilson, Wojahn, Woody—30.

Voting nay: Senators Guess, Pullen, von Reichbauer—3.

Absent or not voting: Senators Benitz, Bottiger, Gould, Sandison—4.

Excused: Senators Bausch, Buffington, Day, Fleming, Francis, Hayner, Herr, Matson, McDermott, Murray, Sellar—11.

NEW SECTION. Sec. 6. In all counties, all voters shall be registered in accordance with the provisions of this chapter. For the purpose of this chapter, "county auditor" shall have the meaning ascribed to that term by RCW 29.04.095(1). The county auditor shall be responsible for the conduct of voter registration within the county and shall be the custodian of all official voter registration records for that county.

NEW SECTION. Sec. 7. The secretary of state shall design a unified voter registration form, compatible with existing records, which will permit the applicant to conveniently prepare, on a single card, an original registration, an initiative signature card as required by section 14 of this 1977 amendatory act, and a cancellation of any prior registration in this state. The applicant shall enter the required information, other than his or her signature, no more than one time. The form shall also contain instructions on its use, a notification of filing deadlines specified by section 16 of this 1977 amendatory act, a warning to the applicant of the penalty for knowingly supplying false information, and space for the county auditor to enter the voter's precinct identification, taxing district identification, and registration number. The reverse side of the form shall be printed to permit mailing to the county auditor.

NEW SECTION. Sec. 8. Registration forms necessary to carry out the registration of voters as provided by this chapter shall be furnished by the secretary of state without cost to the respective counties.

NEW SECTION. Sec. 9. The original voter registration records for all precincts within each county shall be filed alphabetically without regard to precincts in the office of the county auditor and shall not be open to public inspection. The information from such records, with the exception of date of birth, shall be available for public inspection and copying as provided in RCW 29.04.100 and 29.04.110.

NEW SECTION. Sec. 10. Each county auditor shall maintain a computer file on magnetic tape or disk, punched cards, or other form of data storage containing the records of all registered voters within the county. Where it is necessary or advisable, the auditor may provide for the maintenance of such files by private contract or through interlocal agreement as provided by chapter 39.34 RCW, as now or hereafter amended. The computer file shall include, but not be limited to, each voter's name, residence address, sex, date of registration, applicable taxing district and precinct codes, and the last five consecutive dates on which the individual has voted: **PROVIDED,** That if the voter has not voted at least five times since establishing his or her current registration record, only the available dates shall be included. The county auditor shall subsequently record each consecutive date upon which the individual votes and retain at least the last five such consecutive dates. The computer file of voter registration records shall be arranged so that individual precinct lists of registered voters may be prepared containing only the names, and other information required by this section, listed alphabetically by the surnames of the voters in that precinct.

NEW SECTION. Sec. 11. There is established in the state general fund an account, entitled the voter registration assistance account, to be used to compensate county auditors in counties with fewer than twelve thousand registered voters at the time of the most recent state general election, for unrecoverable costs incident to the maintenance of voter registration records on electronic data processing systems. The secretary of state shall administer the voter registration assistance account and authorize the payments therefrom under such rules as he may prescribe. County auditors in counties entitled to this compensation shall be paid annually an amount equal to thirty cents for each registered voter in that county at the time of the most recent state general election.

NEW SECTION. Sec. 12. The expense of voter registration and the maintenance of voter registration records shall be apportioned between the county and the cities and towns within that county according to the number of voters registered in all rural areas of the county and in each city and town, respectively, at the time of the last state general election.

NEW SECTION. Sec. 13. The county auditor shall be responsible for the distribution of voter registration forms by which a person may register to vote and cancel any previous registration in the state. Registrations submitted on such voter registration forms need not be subscribed to by the county auditor or a deputized registrar. The county auditor shall keep an adequate supply of voter registration forms in his or her office at all times for political parties and others interested in assisting in voter registration, and he or she shall make every effort to make these forms generally available to the public through government offices, businesses, labor union offices, schools, and any other locations necessary to extend registration opportunities to all areas of the county. After the initial distribution of voter registration forms to a given location, it shall be the duty of a representative designated at that location by that office, business, union, school, firm, or other establishment to notify the county auditor of the need for additional supplies of voter registration forms.

NEW SECTION. Sec. 14. An applicant for registration shall record on the registration form the following items concerning his or her qualifications as a voter of this state, and of the county, city, town, and precinct in which he or she applies for registration:

(1) The address of his or her last former registration as a voter in this state, if applicable;

(2) His or her full name;

(3) His or her sex;

(4) His or her date of birth;

(5) His or her place of residence for voting purposes, giving the street and number, or post office box and physical description sufficient to determine location; and

(6) His or her daytime telephone number, if any. After completing this information concerning his or her qualifications, the applicant shall sign a statement in the following form: "I, the undersigned, hereby declare that the facts set forth relating to my qualifications as a voter are true. I further declare that I am a citizen of the United States, that I am not presently denied my civil rights as a result of being convicted of an infamous crime, that I will have lived in this state, county, and precinct thirty days immediately preceding the next election at which I offer to vote, and that I will be at least eighteen years of age at the time of voting."

The applicant shall also sign his or her name upon a separate portion of the voter registration card, to be designated as an initiative signature card, which also contains spaces for his or her surname, followed by his or her given name or names, the name of the county and city or town, with post office or street address, the date on which the individual registered, and the name or number of the precinct in which the voter is registered.

The voter registration form shall provide, in a conspicuous place, the following warning: "Any person who knowingly supplies false information on this voter registration form or who knowingly makes a false declaration as to his or her qualifications for registration shall be guilty of a class C felony."

NEW SECTION. Sec. 15. Upon receipt of a completed voter registration form, the county auditor shall immediately examine the form to see that the applicant for registration is not currently registered in that county and shall record on the form the precinct identification, taxing district identification, and other information required by law. Except as provided in section 16 of this 1977 amendatory act, the county auditor, within thirty days of receipt of a voter registration form, shall send to the applicant by first class mail a voter registration card identifying his or her current precinct and containing such other information as may be prescribed by the secretary of state. If the voter registration form is incomplete or incorrect the county auditor, within fifteen days of receipt of such form, shall so notify the applicant, and if necessary, send him or her a new voter registration form. The post office shall be instructed not to forward this form or any voter registration card to any other address and to return to the county auditor all undelivered forms and voter registration cards.

NEW SECTION. Sec. 16. To be included among the records of a given precinct for any primary or election, the applicant's voter registration form must be received not later than thirty days prior to that primary or election. An applicant for voter registration whose otherwise complete and correct application is received less than thirty days prior to a primary or election shall be notified by the county auditor that he or she is not eligible to vote in such primary or election at a regular precinct polling place, explaining that he or she may vote an absentee ballot for said primary or election under section 19 of this 1977 amendatory act.

NEW SECTION. Sec. 17. At least thirty-five days prior to each primary or election, the county auditor shall give notice that, in order to be eligible to vote in

that election at a regular precinct polling place, an original voter registration form or a request for transfer must be received not later than thirty days prior to that primary or election.

NEW SECTION. Sec. 18. Any qualified elector temporarily residing outside of the county of his or her permanent residence but within the state of Washington, may submit a registration form to the auditor of the county in which he or she is temporarily residing in the manner provided in this chapter. The county auditor receiving the voter registration forms as provided in section 15 of this 1977 amendatory act shall transmit the forms to the county auditor of the county where the applicant permanently resides. A voter registration form received from another county shall be processed immediately by the county auditor of the place of permanent residence of the applicant in the manner provided in sections 15 and 16 of this 1977 amendatory act.

NEW SECTION. Sec. 19. Any otherwise qualified elector whose otherwise complete and correct application for voter registration is received by the county auditor less than thirty days prior to a primary or election, general or special, may apply prior to the day of any such primary or election in person to the office of the county auditor of the county of his or her residence for a special absentee ballot for such election or primary. The auditor shall register the individual in the manner provided in this chapter, but the registration shall not be effective until thirty days after its execution. The auditor, after the twenty-first day before the election in which the individual intends to vote, shall issue the individual an absentee ballot for any election which occurs before the effectiveness of the individual's registration. This absentee ballot shall be of the same form and shall be processed and canvassed in the same manner as other absentee ballots under chapter 29.36 RCW, as now or hereafter amended.

NEW SECTION. Sec. 20. On the first Monday of each calendar month the county auditor shall transmit all initiative signature cards which have been received in his or her office during the prior month to the secretary of state for filing in his office. Each lot must be accompanied by the certificate of the county auditor that the cards so transmitted are the original cards, and that the voters are registered in the precincts and from the addresses shown thereon.

NEW SECTION. Sec. 21. The initiative signature cards shall be kept on file in the office of the secretary of state in such manner as will be most convenient for, and for the sole purpose of, checking initiative and referendum petitions. They shall not be open to public inspection or be used for any other purpose.

NEW SECTION. Sec. 22. Prior to each primary or election, the county auditor shall prepare a precinct list of registered voters for each precinct in which that primary or election is to be conducted and a certificate as to the authenticity of those records. He or she shall deliver the precinct list of registered voters and the certificate to the inspector or one of the judges of the appropriate precinct at the proper polling place as provided by RCW 29.48.030, as now or hereafter amended.

NEW SECTION. Sec. 23. The precinct list of registered voters for each precinct, delivered to the precinct election officers for use on the day of a primary or an election held in that precinct, shall be returned by them to the county auditor upon the closing of the polling place or at the completion of the count of the votes cast in that precinct at the primary or election. The lists shall be retained by the county auditor for a period of at least one year following the election. These records shall be open to public inspection under such rules as the county auditor may prescribe.

NEW SECTION. Sec. 24. The secretary of state, as chief election officer, shall adopt rules not inconsistent with the provisions of this chapter to:

(1) Provide the specifications, including style, form, color, quality, and dimensions of the cards, records, forms, lists, and other supplies to be used in recording and maintaining voter registration records;

This section shall supersede the provisions of any and all other statutes, whether general or special in nature, having different dates for filing declarations of candidacy for such city, town, and district elections, the purpose of this section being to establish a uniform five day period throughout the state of Washington for filing declarations of candidacy.

Sec. 32. Section 1, chapter 130, Laws of 1967 ex. sess. and RCW 29.21.330 are each amended to read as follows:

Not less than ten days before the time for filing declarations of candidacy for election as freeholders under Article XI, section 4, of the state Constitution, and after the county ~~((commissioners have))~~ legislative authority has determined the number of positions to be filled in either the legislative or county commissioner districts, the county auditor shall designate the positions to be filled by consecutive number, commencing with one. The positions to be designated shall be dealt with as separate offices for all election purposes, and each candidate shall file for one, but only one, of the positions so designated.

In the printing of ballots, the positions of the names of candidates for each numbered position shall be changed as many times as there are candidates for the numbered position, following insofar as applicable the procedure provided for in RCW 29.30.040 as now or hereafter amended for the rotation of names on primary ballots, the intention being that ballots at the polls will reflect as closely as practicable the rotation procedure as provided for herein.

Beginning at the top of the left hand column, at the left of the line shall appear the name of the position for which the names to the immediate right are candidates, and below the name of the office or position the words, "Vote for", then the words "One", "Two", or a spelled number designating how many persons under that head are to be voted for. Immediately to the right of the name of the office or position shall come the names of all candidates for that position, each followed by the name of the political party, if any, with which the candidate desires to affiliate or the word "nonpartisan", with an arrow or other notation at the right edge of the ballot page indicating where the voter is to punch or otherwise mark his ballot for that candidate. As compensation for the time spent in receiving instruction each inspector or judge who qualifies and serves at the subsequent primary or election shall receive an additional two hours compensation, to be paid to him at the same time and in the same manner as compensation is paid him for his services on the day of the primary or election. No inspector or judge of election shall serve at any primary or general election at which voting devices are used unless he has received the required instruction and is qualified to perform his duties in connection with voting devices and has received a certificate to that effect from the county auditor or other election official: **PROVIDED,** That this shall not prevent the appointment of an inspector or judge of election to fill a vacancy in an emergency.

NEW SECTION. Sec. 70. There is added to chapter 29.34 RCW a new section to read as follows:

Before each state primary or general election at which a vote tallying system is to be used, or more frequently as he deems necessary, the county auditor or other election official shall, during the day of the election, instruct all counting center personnel, including political party observers, who are to serve at that primary or election in their duties in connection with the handling and tallying of ballots for that primary or election. No person shall serve as an election worker in the counting

center at any primary or election at which a vote tallying system is used unless he has received the required instruction and is qualified to perform his duties in connection with the handling and tallying of ballots for that primary or election. No person shall serve as a political party observer unless he has received the required instruction and is familiar with the operation of the vote tallying system and the procedures to be employed to verify the accuracy of the programming for that vote tallying system.

NEW SECTION. Sec. 71. There is added to chapter 29.34 RCW a new section to read as follows:

The county auditor shall determine the location of the counting center for each vote tallying system under his jurisdiction and the number of ballot card precincts assigned to each. Such facility may be located wherever in the judgment of the county auditor best serves the voters.

All proceedings at the counting center shall be under the direction of the county auditor and under the observation of at least two observers, who shall not be from the same political party, appointed by the county chairman of the respective major political party. Such proceedings shall be open to the public, but no persons except those employed and authorized for the purpose shall touch any ballot card or ballot container.

Technical assistance from private vendors to the county auditor shall be limited to advice and assistance in the training of precinct election officers and counting center personnel and the development of instructional materials for use in such training, routine maintenance and repair service on the voting devices and vote tallying systems, and any emergency assistance required due to the mechanical failure of any voting device or vote tallying system. Private vendors may provide the compilation of computer programs and preparation of office and report files according to the specifications established by the county auditor for a specific primary or election. All precinct program cards shall be prepared by the county auditor or the staff of his office. Ballot layout functions are to be performed by the secretary of state for federal offices and state-wide measures and offices, and by the county auditor for all other measures and offices.

NEW SECTION. Sec. 72. There is added to chapter 29.34 RCW a new section to read as follows:

At the direction of the county auditor, a representative of each major political party shall together stop at each designated polling place and pick up the sealed containers containing the voted ballot cards for delivery to the counting center. There may be as many as two such stops at each polling place, but the first stop may not be made prior to 2:00 p.m. and the second stop may not be made until after the polls have been closed to voting.

The procedure for transporting voted ballot cards from the respective polling places to the counting center or to predesignated collection stations shall include, but not be limited to, the following measures:

(1) On the day of the primary or election in precincts where ballots are cast on voting devices, two precinct election officials, one representing each major political party, shall place all voted ballots in noncombustible, water resistant ballot containers, furnished by the county auditor and properly identified with his mailing address, and seal the containers with prenumbered seals. The precinct election officials of each major political party or representative of each major political party designated by the county auditor to deliver such ballots shall transport the sealed ballot containers to the counting center or to a predesignated collection station in an enclosed vehicle, making certain that all doors and windows thereof other than those windows necessary for adequate ventilation are closed and locked.

(2) At the counting center or the collection stations where the sealed ballot containers are delivered by the designated representatives of the major political parties, the county auditor or his designated representative shall receive the sealed ballot containers with the voted ballot cards enclosed, record the time and date together with each precinct and seal number, and complete signed receipts indicating the time, date, and precinct and seal number of each ballot container received, and give a copy of such receipt to the representatives delivering the ballot containers as such containers are received.

(3) If the ballot containers are delivered to the collection station instead of being delivered directly to the counting center, the county auditor or his designated representative shall transfer such election containers to the counting center in an enclosed vehicle, making certain that all doors and windows thereof other than those windows necessary for adequate ventilation are closed and locked. All ballots being so transferred shall be accompanied by two appointed officials, who shall not be of the same political party, and a representative of the county auditor, who may be one of the appointed officials.

NEW SECTION. Sec. 73. There is added to chapter 29.34 RCW a new section to read as follows:

At least three days prior to the day of the primary or general election, all programming for the vote tallying system to be used at that primary or general election shall be tested by the secretary of state or his designee to ascertain that the equipment will correctly count the vote cast for all candidates and on all measures appearing on the ballot at that primary or general election. The tests shall be conducted by processing a preaudited group of ballots prepared by the office of secretary of state, so punched or marked as to record a predetermined number of ballot votes for each candidate and for and against each measure. For each office for which there are two or more candidates and for each issue, the group of test ballots shall include one or more ballots which have votes in excess of the number allowed by law, in order to verify the ability of the vote tallying system to reject such votes. The test shall be designed to verify the capability of the vote tallying system to perform all of the functions that can reasonably be expected to occur during conduct of that particular primary or election, including but not limited to verification of the content of the ballot format for each precinct or polling place, verification of rotation in the program, and verification of major error identification routines in the program of the vote tallying system. If any error is detected, the cause thereof shall be ascertained and corrected, and an errorless count shall be made before the programming is approved and certified.

Such tests shall be observed by at least two observers, who shall not be of the same political party, designated by the county chairmen of the respective county central committees, and shall be open to candidates, the press, and the public. The secretary of state, the county auditor, and the political party observers shall certify that the test has been properly conducted. Copies of such certification shall be retained by the secretary of state and the county auditor. All programming materials and test ballots shall be securely locked in a noncombustible, water resistant container, and sealed until the day of the primary or general election. This test shall be repeated immediately before the start of the official count of ballots in the same manner as set forth above.

The political party observers, upon mutual agreement, may request a precinct, to be selected at random, at the point of check-in, and manually take a total count of ballots and/or a total count for any one office, return that precinct to the counting center, and request a detailed printout. This may be done as many as three times during the official count so that the accuracy of the proceedings can be again verified by the count of the preaudited group of ballots.

NEW SECTION. Sec. 74. There is added to chapter 29.34 RCW a new section to read as follows:

The ballot cards picked up during the polling hours may subsequently be counted before the polls have closed: **PROVIDED**, That all such election returns must be held in secrecy in the same manner as the count of paper ballots during polling hours as provided by RCW 29.54.030. Any person revealing any election returns to unauthorized persons prior to the close of the polls shall be subject to the same penalties as provided by RCW 29.54.035.

Upon breaking the seals and opening the containers, all voted ballot cards shall be checked for partially removed chads, whereupon any such partially removed chads shall be entirely removed from the ballot cards. If it is found that any ballot is damaged or defective so that it cannot properly be counted by the vote tallying system, a true duplicate copy shall be made of the damaged ballot in the presence of witnesses and substituted for the damaged ballot. All such damaged ballots shall be kept by the county auditor until sixty days after the primary or election concerned.

The returns printed by the vote tallying system, to which has been added the count of questioned ballots, challenged ballots, write-in votes, and absentee votes, shall constitute the official returns of the primary or election in that county.

Sec. 75. Section 32, chapter 109, Laws of 1967 ex. sess. and RCW 29.34.170 are each amended to read as follows:

The secretary of state, upon promulgating the rules and regulations necessary for carrying out the purpose of this (~~(1967 amendatory act)~~) chapter, shall publish manuals containing the applicable rules and regulations and statutes for the guidance of the county auditor relating to the printing of ballot cards and preparation of the vote tallying systems, for the guidance of precinct election officers serving ballot card precincts, and for the guidance of election officers and operators of tabulating equipment at counting centers.

There shall be no charge for such manuals, and the number to be printed and the distribution thereof shall be determined by the secretary of state..

Such applications must contain the voter's signature and may be made in person or by mail or messenger: **PROVIDED**, That no application for an absentee ballot shall be approved unless the voter's signature upon the (~~(certificate or)~~) application compares favorably with the voter's signature upon his permanent registration record.

In addition, if other elections, including special or general, are also being held on the same day and it can be determined that the absentee voter is qualified to vote at such elections, such additional absentee ballots shall be automatically issued to the end that, whenever possible, each absentee voter receives the ballots for all elections he would have received if he had been able to vote in person.

The election officer, or his duly authorized representative, shall include the following additional items when issuing an absentee ballot:

(1) Instructions for voting.

The abstract shall be entered on blanks furnished by the secretary of state or on compatible computer printouts approved by the secretary of state, and ~~((transmit))~~ transmitted to the secretary of state ~~((by registered mail a certified copy thereof))~~ no later than the next business day following the certification by the county canvassing board.

Sec. 97. Section 29.62.100, chapter 9, Laws of 1965 and RCW 29.62.100 are each amended to read as follows:

Sec. 98. Section 29.64.010, chapter 9, Laws of 1965 and RCW 29.64.010 are each amended to read as follows:

An officer of a political party or any person for whom votes were cast in a primary election for nomination as a candidate for election to an office who was not declared nominated may file with the appropriate canvassing board or boards a written application for a recount of the votes cast at such primary in any precinct for all persons for whom votes were cast in such precinct for such nomination.

An officer of a political party or any person who was a candidate at any general election for election to an office or position who was not declared elected, may file with the appropriate canvassing board or boards a written application for a recount of the votes cast at such election in any precinct in such county for all candidates for election to such office or position.

Any group of five or more registered voters may file with the appropriate canvassing board or boards a written application for a recount of the votes cast at any election, regular or special, in any precinct upon any question or issue, provided that the members of such group shall state in such application that they voted on such question or proposition. Such group of electors shall, in such application, designate one of the members of the group as chairman, and shall indicate therein the voting residence of each member of such group. In the event the recount requested concerns a regular or special district election whereat the precincts were combined and the election results of the individual precincts impossible to determine, the application for the recount shall embrace all ballots cast at such district election.

An application for recount in a precinct using a vote tally system shall specify whether the recount shall be done manually or by the vote tally system. A recount done by the vote tally system shall use separate and distinct programming from that used in the original count, and shall also provide for a separate and distinct test of the logic and accuracy of such program.

All applications for recount shall be filed within three days, excluding Saturdays and Sundays, after the canvassing board has declared the official results of the primary or election(, as the case may be).

The provisions of this chapter shall apply to the recounting of votes cast by paper ballots and counted at the polling places (~~and~~), to the recheck of votes recorded on voting machines, and to the recounting of votes recorded on ballot cards and counted by a vote tally system. The provisions of this chapter shall neither apply to votes cast by absentee ballot and counted by the canvassing authority, nor to votes cast on voting machines printing election returns: PROVIDED, That this chapter shall apply to votes cast by absentee and counted by the canvassing authority if specific request for such recount is made at the time the application is filed and the additional deposit is made as provided in RCW 29.64.020.

Sec. 99. Section 29.64.020, chapter 9, Laws of 1965 and RCW 29.64.020 are each amended to read as follows:

Each application for recount shall separately list each precinct as to which a recount of the votes therein is requested, and the person filing an application shall at the same time deposit with the canvassing board the sum of (~~five~~) ten dollars in cash or by certified check for each precinct so listed in such application as security for the payment of charges for the making of the recount therein applied for, which charges shall be fixed by the canvassing board as provided in RCW 29.64.060. In the event the application for a recount applies to a special or regular district election then the deposit to be made with the canvassing board shall be (~~five~~) ten dollars in

cash or by certified check for each precinct completely or partially within said district. If at said special or regular district election paper ballots were used and the precincts were combined and the election results of the individual precincts impossible to determine, then the deposit shall be a sum of money equal to the total number of ballots cast at such district election multiplied by the factor of ~~((two))~~ five cents; and if a specific request is made for the recount of absentee ballots, then an additional deposit shall be made in a sum of money equal to the total number of such absentee ballots to be counted multiplied by the factor of ~~((two))~~ five cents.

If at said special or regular district election voting machines were used and the precincts were combined and the election results of the individual precincts impossible to determine, then the deposit shall be ~~((five))~~ ten dollars for each voting machine used.

If ballot cards and a vote tally system were used at any precinct as to which a recount is requested, the amount of the deposit required shall depend on whether a manual recount of ballot cards or a recount by the vote tally system is requested. If a manual recount of the ballot cards is requested, the deposit shall be the same as for paper ballots. If a recount by the vote tally system is requested, the deposit shall be five cents for each ballot card.

Upon the filing of an application, the canvassing board shall promptly fix the time when and the place at which the recount will be made, which time shall be not later than five days after the day upon which such application is filed. The ~~((clerk of the board))~~ county auditor shall mail notice of the time and place so fixed to the applicant. If the application requests a recount of votes cast for a nomination or a candidacy for election, the ~~((clerk))~~ auditor shall also mail such notice to each person for whom votes were cast for such nomination or election. Such notice shall be mailed by registered mail not later than two days before the date fixed for the commencement of the recount. Each person entitled to receive such notice may attend and witness the recount and may be accompanied by counsel.

In the case of a recount of votes cast upon a question or proposition, a second group of five or more registered voters, who voted upon such question or proposition other than those voters requesting the recount, may file with the canvassing board a written statement to that effect, may designate therein one of their number as chairman of such group and an attorney as their legal counsel, and may request that the persons so designated be permitted to attend and witness the recount. Thereupon the persons so designated may attend and witness the recount.

Sec. 100. Section 29.64.060, chapter 9, Laws of 1965 and RCW 29.64.060 are each amended to read as follows:

The charges for making a recount of votes of precincts listed in an application for recount filed with the board of elections shall be fixed by the board and shall include all expenses incurred by such board because of such application other than the regular operating expenses which the board would have incurred if the application had not been filed.

The total amount of charges so fixed divided by the number of precincts listed in such application, the votes of which were recounted, shall be the charge per precinct for the recount of the votes of the precincts listed in such application, the votes of which were recounted: PROVIDED, That the charges per precinct so fixed shall not be more than ~~((five dollars for each precinct concerned or in the event of a recount of a regular or special district election whereat all ballots were requested to be recounted irrespective of precincts, the maximum charge shall not exceed two cents per ballot))~~ the actual cost.

Such charge shall be deducted by the board from the money deposited with the board by the applicant for the recount at the time of filing his application, and the balance of the money so deposited shall be returned to such applicant unless the costs of the recount were higher than the deposit, in which case the applicant shall

be required to pay the difference: PROVIDED, That no such charges shall be deducted by the board from the money deposited for a recount of votes cast for a nomination or for an election to an office or position in any precinct, if upon the completion of a recount the applicant is declared nominated or elected, or if upon completion of a recount concerning a question or proposition, the result of such election is declared to be opposite to the original declaration of the result of such election. All moneys deposited with the board by an applicant not returned to him shall be paid by such board into the general fund of the political subdivision concerned.

Sec. 101. Section 29.65.010, chapter 9, Laws of 1965 and RCW 29.65.010 are each amended to read as follows:

(2) The name of the person whose right is being contested;

(3) The office;

If the proceedings are dismissed for insufficiency, want of prosecution, or the election is by the court confirmed, judgment shall be rendered against the party contesting such election for costs, in favor of the party ~~((whose election was contested))~~ charged with error or omission.

If such election is annulled and set aside, judgment for costs shall be rendered against the party ~~((whose election was contested,))~~ charged with the error or omission and in favor of the party ((contesting)) alleging the same.

The secretary of state may use any statistical sampling techniques for this canvass which have been ~~((approved by the state canvassing board established by RCW 29.62-100))~~ adopted by rule as provided by chapter 34.04 RCW: PROVIDED, That no petition will be rejected on the basis of any statistical method employed: PROVIDED FURTHER, That no petition will be accepted on the basis of any statistical method employed if such method indicates that the petition contains less than one hundred ten percent of the requisite number of signatures of legal voters. If the secretary of state finds the same name signed to more than one petition he shall reject the name as often as it appears. If the petition is found to be sufficient, the secretary of state shall transmit a certified copy of the proposed measure to the legislature at the opening of its session together with a certificate of the facts relating to the filing of the petition and the canvass thereof.

Sec. 106. Section 29.80.010, chapter 9, Laws of 1965 as last amended by section 2, chapter 4, Laws of 1975-'76 2nd ex. sess. and RCW 29.80.010 are each amended to read as follows:

As soon as possible prior to each state general election at which federal or state officials are to be elected, the secretary of state shall publish and mail to each individual place of residence of the state a candidates' pamphlet containing photographs and campaign statements of eligible nominees who desire to participate therein and in even-numbered years containing a description of the office of precinct committeeman and its duties, in order that voters will understand that such office is a state office and will be found on the ballot of the forthcoming general election: PROVIDED, That in odd-numbered years no candidates' pamphlet shall be published, unless an election is to be held to fill a vacancy in one or more of the following state-wide elective offices: United States senator, governor, lieutenant governor, secretary of state, state treasurer, state auditor, attorney general, superintendent of public instruction, commissioner of public lands, insurance commissioner, and justice of the supreme court.

No signature shall be rejected if the officer conducting the canvass is reasonably certain that the signature on the petition is the same as the signature of a registered voter of that jurisdiction. The omission to fill any blanks shall not prevent the certification of any name if sufficient information is given to enable one by a comparison of signatures to identify the voter. He shall then proceed to canvass and count the names of certified legal voters on such petitions. If he finds that the same person has signed more than one petition, he shall reject all signatures of such person from the count.

Sec. 108. Section 29.82.100, chapter 9, Laws of 1965 as amended by section 5, chapter 205, Laws of 1971 ex. sess. and RCW 29.82.100 are each amended to read as follows:

DEAN R. FOSTER, Chief Clerk.

MOTION

Senator Grant moved the Senate concur in the House amendments to Reengrossed Substitute Senate Bill No. 2034.

POINT OF ORDER

Senator Lewis: "Mr. President, I raise the question of scope and object on the House amendments.

"Mr. President, Senate Bill 2034 deals with ballots and different forms related thereto, and the amendment to which I take exception provides for postcard registration. I think in determining the scope and object, you might look particularly at section 25 which says that the portion which the House has submitted as amendments shall constitute a new chapter in the RCW's.

"I think that in itself is pretty good indication that this is a separate subject and does expand the scope and object."

RULING BY THE PRESIDENT

President Cherberg: "In ruling upon the point of order raised by Senator Lewis, the President finds that Substitute Senate Bill 2034 is an omnibus measure relating to the elections law and makes a number of substantive changes in the present voter registration process."

"The President further finds that although the House committee amendments add a number of new sections which were not covered by the Senate bill, these proposed additions do not necessarily expand the scope and object of Engrossed Substitute Senate Bill 2034. Therefore, the point of order is not well taken."

The House amendments to Reengrossed Substitute Senate Bill No. 2034 were ruled in order.

MOTION

Senator Grant moved the House Message on Reengrossed Substitute Senate Bill No. 2034, together with the House amendments and the motion by Senator Grant that the Senate concur in the House amendments, be held for consideration on June 15, 1977.

Debate ensued.

MOTION

At 3:03 p.m., on motion of Senator Walgren, the Senate was declared to be at ease.

The President called the Senate to order at 4:45 p.m.

MOTION

On motion of Senator Odegaard, Senators Francis and Herr were excused.

MESSAGE FROM THE HOUSE

June 4, 1977.

Mr. President: The House refuses to recede from its amendments to ENGROSSED SUBSTITUTE SENATE BILL NO. 2697 and asks the Senate for a conference thereon. The Speaker has appointed as members of the conference committee: Representatives Shipoch, McKibbin and Patterson.

DEAN R. FOSTER, Chief Clerk.

MOTION

Senator Walgren moved the Senate refuse to grant a conference on Engrossed Substitute Senate Bill No. 2697 and that the Senate do concur in the House amendments.

Debate ensued.

POINT OF INQUIRY

Senator Grant: "Would Senator Donohue yield? Senator Donohue, I see the House amendment with regard to a lid with respect to salaries which permits some flexibility, but would you describe for me the levy lid that exists in this measure now? It has been, as you say, some period of time since this was originally adopted

by the Senate, the original bill, and I would like you to describe the levy lid provisions."

Senator Donohue: "Eighty-five percent of the levies are salaries, Senator, and the idea behind this is to hold the levy lid need down by being able to set a lid in essence by doing so in salaries at that top level. In our original proposal, as you well know, the levy lid varied, allowing a school district to have thirty percent and then twenty percent and down to a ten percent. Now the approach of this, of course, is to eventually end up with a situation where the Legislature will be setting the salaries for certificated and noncertificated personnel, and this is that kind of approach and I think is the proper one and I think that it is time that we moved and concur with this bill so that we can set the wheels in motion to go home, as I said."

Further debate ensued.

The motion by Senator Walgren carried. The Senate concurred in the House amendments to Engrossed Substitute Senate Bill No. 2697.

ROLL CALL

The Secretary called the roll on the final passage of Engrossed Substitute Senate Bill No. 2697, as amended by the House, and the bill passed the Senate by the following vote: Yeas, 29; nays, 9; excused, 10.

MOTION

On motion of Senator Walgren, the Senate advanced to the eighth order of business.

MOTION FOR RECONSIDERATION

Having voted on the prevailing side, on June 13, 1977, Senator Goltz moved the Senate reconsider the vote by which Engrossed Second Substitute House Bill No. 391, as amended by the Senate, failed to pass the Senate.

The President declared the question before the Senate to be the motion by Senator Goltz that the Senate reconsider the vote by which Engrossed Second Substitute House Bill No. 391, as amended by the Senate, failed to pass.

Debate ensued.

The motion by Senator Goltz carried and the Senate moved to reconsider the vote by which the bill failed on June 13, 1977.

Mr. President: The House has adopted the report of the Free Conference Committee on SUBSTITUTE SENATE BILL NO. 2382, and has passed the bill as amended by the Free Conference Committee, and said report together with the bill are herewith transmitted.

DEAN R. FOSTER, Chief Clerk.

REPORT OF FREE CONFERENCE COMMITTEE

June 8, 1977.

Mr. Speaker:
 Mr. President:

We, of your Free Conference Committee, to whom was referred SUBSTITUTE SENATE BILL NO. 2382, authorizing senior citizen passports for admission to and use of state parks, have had the same under consideration, and that the bill be amended as recommended by the Conference Committee.

Signed by: Senators von Reichbauer, Lewis and Gaspard; Representatives Hurley (Margaret), North and Paris.

MOTION

Senator Gaspard moved the report of the Free Conference on Substitute Senate Bill No. 2382 be adopted.

POINT OF INQUIRY

Senator Rasmussen: "Will Senator Gaspard yield? Senator, how will a senior citizen now make that determination as he drives up to the park gate, for the park ranger?"

Senator Gaspard: "Senator Rasmussen, let me explain in two ways. We have one section of the bill that says that this will not affect any existing type of program that our parks system now has for senior citizens. They have what is offered an Evergreen pass where citizens can buy for ten dollars and use the parks on off season times. This bill would then allow for a different type of a senior citizen pass that would give them a fifty percent reduction in the park fees. The way that we have determined it that we have said in the bill that if a senior citizen qualifies or if they own real estate and could qualify for a reduction in special levies under what we have provided in law already—we have, by the way, amended that so it will go up to a maximum of eight thousand this session of income—then that senior citizen can have a reduction in use of our overnight facilities in state parks. We have left it up to the discretion of the Parks Commission to adopt rules and regulations to implement this bill and it would be an annual pass that they would have to send out, and I am just assuming that they would have to send out some kind of a statement from the senior citizens to the park that they either meet the requirements as set forth in the reduction for special levies to them. So it is going to be an annual pass and this bill leaves it up to the discretion of the Parks Commission to establish procedure how they will have proof that the senior citizen does qualify for it."

Senator Rasmussen: "Is it possible that they would then require them to show their income tax form or something like that?"

Senator Gaspard: "I think that if they can show that they do receive a special levy reduction, they do on real property, that is, that is now provided in law, that will be sufficient. But I would assume then also that if they do not own real estate they would have to go to some type of similar procedure that senior citizens now do with their county assessor to have reductions in property taxes. I am just assuming this. And also, they could send out an affidavit to the senior citizen and have him return it and say that 'I have an income of such and such level,' and accept it as is."

Senator Rasmussen: "Then this is entirely different from the federal? The federal has what they call a Golden Eagle Pass and you just get it because of age and you can get that at any park and you can present it at any park."

Senator Gaspard: "That is true and that was the intent of the bill as it left the Senate, but the House was very insistent upon tying it to some income level and they tied it to the SSI benefits, which would have meant about eighteen percent of the retirees in the state could have qualified, because as you probably are aware, SSI benefits also relate to the assets that an individual owns and not only his income."

Senator Rasmussen: "Thank you, Senator Gaspard."

Debate ensued.

The motion by Senator Gaspard carried and the report of the Free Conference Committee on Substitute Senate Bill No. 2382 was adopted.

ROLL CALL

The Secretary called the roll on the final passage of Substitute Senate Bill No. 2382, as amended by the Free Conference Committee, and the bill passed the Senate by the following vote: Yeas, 36; excused, 12.

Voting yea: Senators Bausch, Beck, Benitz, Bluechel, Clarke, Day, Donohue, Gaspard, Goltz, Gould, Grant, Guess, Hayner, Henry, Herr, Mardesich, Marsh, Monohon, Morrison, Murray, North, Odegaard, Peterson, Pullen, Rasmussen, Ridder, Scott, Talley, Van Hollebeke, von Reichbauer, Walgren, Wanamaker, Washington, Wilson, Wojahn, Woody—36.

PERSONAL PRIVILEGE

Senator Day: "Mr. President and ladies and gentlemen of the Senate, I have in my hand here the Masonic Tribune from Seattle, Washington, dated June 13, 1977, and it has an editorial in it which I think is something maybe everyone could stand today in view of the fact that the title is 'The Road to Victory' and it is by Harry M. Lehrbach. I am not going to read the whole thing. I would like to have it in the record, however. It says, 'Open Letter to Governor Ray and the Washington State Legislature,' and it is a long dissertation with many factual details relative to the Laetrile bill and in it he not only lauds the Legislature for having the fortitude to do what it did; he in fact takes the hide off the FDA and says that the FDA would make the CIA look like a bunch of Boy Scouts by comparison to what they have done in the suppression of a lot of things relative to health, and I think that is one of the most primarily important things that we deal with here, not just because it is my

committee that principally deals with it. It is something that is very dear to all of us when we are in trouble and lose it. He ends it by saying:

"Therefore, it is with deep humility and sincerity that I say to all of you who passed this awakening bill, that if you have never done any act of consequence in the past, or never do another in the future, you have performed one of the most humanitarian accomplishments in the history of our state, and have earned your laurels permanently as far as I am concerned. And any criticism which I may have for you in the future will be tempered considerably by this act of merciful wisdom.

"Well done, good and noble servants."

Signed Harry M. Lehrbach.

"Now, I am going to have this Xeroxed so that all of you can read it and I urge you to read it because it will give you an inkling of the history that has gone on since the Constitution in this country made religious freedom a right but not medical freedom a right and therefore created many of the problems or set the stage for the creation of many of the problems that we have been trying to deal with here, at least the nineteen years I have been here, and for some years before. Thank you."

OPEN LETTER TO GOVERNOR RAY AND THE WASHINGTON STATE LEGISLATURE:

I believe I speak for a large segment of my readers when I express to you my satisfaction and gratitude to you for your recent action in the passage of the so-called Laetrile bill. It indicates clearly that you have exercised a keen sense of public awareness and are responsive to a problem that has reached the epidemic stage. From the testimony heard from some individual Legislators, they, too, have been personally affected by the ugly spectre of cancer.

Now that an anti-recriminatory law has been placed in effect, it is prudent to examine the probable results of this action. Obviously, the problem has not been solved, because the Food and Drug Administration, judging from its action in other states that have enacted similar laws, stands doggedly by to intercept and confiscate any and all raw materials imported into this state for the manufacture of Laetrile, even fresh apricots. They will further arrest and bring to trial all those persons engaged in it, even though the law they are upholding has never been ratified by the public, because it is not a law, but a directive issued by FDA. Thus, any Laetrile manufactured in Washington must be done strictly from raw materials obtained or grown here. Fortunately for us, this is possible.

There is one other route that has not yet been closed by FDA, and that is obtaining a court order under a doctor's recommendation that Laetrile is necessary for the welfare of the patient.

This may be difficult at first, for some doctors will still be reluctant to go against the wishes of AMA, which rigidly controls their actions. There are enough maverick doctors, however, to establish a pattern of efficacy of Laetrile, which will bring hundreds of others around to recommending it and administering it. On that point, Andrew R. L. McNaughton, the largest producer of Laetrile, plans to establish clinics in all the states that have legalized it to teach the doctors how to administer it properly, along with information pertinent to its effect on cancer. A necessary study will also have to be undertaken by these physicians on nutrition and its effects on the human body in all areas of illness.

It is interesting to note a typical admission from Dr. Coleman in his article in the Seattle Post Intelligencer May 31 when he states "Throughout my entire medical school training and long residency programs in three hospitals, I must confess there was never a formal course in nutrition given to us." This is typical, rather than an exception, and must be corrected.

To their everlasting credit, many individual doctors today are formally recognizing that there are other methods of arresting cancer besides the orthodox recommendation of cut, burn or poison. Particular attention is being paid to diet,

emotions, environment, and other factors pertaining to our daily lives. A serious side effect of this, however, is the rash of publicity lately that has accused everything we eat, drink, wear or do of causing cancer. All these pronouncements are not only premature, they bear a strong aura of sensationalism, and too much credence has been given to what are really unreliable results of immature probing in the name of research. Stricter control should be placed on this type of scare tactic.

One bit of possible good news is that the National Cancer Institute, a government agency which spent over \$900 million of our tax dollars on cancer last year alone, has finally decided to yield to public pressure and test Laetrile itself. Although research director Dr. Vincent DeVita personally thinks it is a fraud, he personally is willing to test it. It can only be hoped that he will enlist the aid of many of the top authorities on Laetrile, who have been working to develop it over the past twenty-five years. Dr. Dean Burke, perhaps America's top authority on Laetrile, and former head of the Cyto-chemical division of NCI, fears that if Laetrile is tested as a drug, the human tests would be "highly suspect" because Laetrile is not a drug, but a food. This is not a case of semantics, because the scientific standards for evaluating the effectiveness of a drug over that of food are so vastly different and more severe that Laetrile would be put to an unfair and impossible test. We can only hope that cool heads will prevail, and the tests will be properly conducted.

We can see another ray of hope in the entire FDA hierarchy. Just last week a special panel of experts said the lid of secrecy under which FDA operates should be lifted, and the public given a look at the way the agency decides the fate of new drugs. Dr. David P. Rall of the Review Panel on New Drug Regulations told a news conference "The FDA is really a large black box that no one can penetrate. No one knows what happens inside." It is not likely the FDA will do this voluntarily, but only under extreme public pressure. Many can testify that the actions by FDA in combatting Laetrile have made the CIA look like a bunch of Boy Scouts.

Continuing to battle against the use of Laetrile, in addition to AMA, will be the American Cancer Society. Only one of the reasons for this is that they are half owners of 5Flourouracil, the principal drug used in chemotherapy. Another major reason is their financial structure. If Laetrile were found to be to cancer remission what the Saulk vaccine was to polio, it would be vital to them to turn to another major disease in order to justify their existence. There is no major disease left of the major proportion of cancer, and they would be hard pressed to raise funds to add to their existing \$155 million surplus funds. They will not easily give up being the mouthpiece of a \$16 billion annual medical combine, of which they rake off their share. If they were really sincere in their efforts to end cancer forever, they could put a few million of that surplus to work, in honest research into non-toxic therapy, which they hold in total disdain.

It will be fascinating to watch the developments in the near future. As the discrimination against non-toxic cancer therapy diminishes, I am most confident that the incidence of cancer deaths will diminish in direct proportion. You have opened a vital door — don't let anyone or anything slam it in our faces.

There is a touch of sadness intermingled with my new enthusiasm, for all of my friends, including eight relatives, who lived before the day of enlightenment. But for the thousands who will NOT die from cancer in the future, we all should rejoice.

Therefore, it is with deep humility and sincerity that I say to all of you who passed this awakening bill, that if you have never done any act of consequence in the past, or never do another in the future, you have performed one of the most humanitarian accomplishments in the history of our state, and have earned your laurels permanently as far as I am concerned. And any criticism which I may have for you in the future will be tempered considerably by this act of merciful wisdom.

Well done, good and noble servants.

PERSONAL PRIVILEGE

Senator von Reichbauer: "Mr. President and members of the Senate, I was just chastised by the distinguished Senator from the Eleventh District, who earlier today was kind enough to give me a copy of the Washington State Conservative Union ratings for the Legislature, and I inadvertently had it Xeroxed so that every member could have a copy, and Senator Grant was disturbed that I had passed this out and, looking at Senator Grant's rating, I can see why he is disturbed."

REMARKS BY SENATOR RASMUSSEN

Senator Rasmussen: "Mr. President, for Senator Beck's information, purely administrative function for the presiding officer to sign. At the time I was mayor, there were quite a few ordinances I probably wasn't one hundred percent for but I was instructed it was my duty to sign them because that was the required signature of the mayor if he was present or the vice mayor, even though he was for or against the ordinance. I am sure you find yourself in that same position, some of the laws that you sign, signify signed by the President of the Senate."

REPLY BY THE PRESIDENT

The President: "Senator Rasmussen, whereas some of the measures that the President signs are not necessarily of his choice, the signature merely attests to the fact that it passed the Senate. It does not constitute an endorsement."

REMARKS BY SENATOR RASMUSSEN

Senator Rasmussen: "Senator Beck, did you receive that information?"

MOTION

At 4:45 p.m., on motion of Senator Walgren, the Senate adjourned until 10:00 a.m., Thursday, June 16, 1977.

"HEAR US GOD OF HEAVEN AND EARTH AS WE CALL UPON YOU. BEFORE YOU STAND A GROUP OF MEN AND WOMEN WHO HAVE BEEN CHOSEN TO BE LEADERS OF MEN. UPON THEIR SHOULDERS RESTS THE RESPONSIBILITY OF A LARGE PORTION OF THE GOVERNMENT OF THIS STATE. THEY ARE CONTINUALLY CONFRONTED WITH REPORTS, BILLS, REQUESTS, AND IMPORTANT ISSUES. THEY ARE DAILY CALLED UPON TO MAKE DECISIONS THAT WILL ALWAYS DISPLEASE SOMEONE. THEY ARE PRESSURED, CHALLENGED, AND ANALYZED. TO THESE SENATORS WE ASK THAT YOU GIVE A DEEP REALIZATION THAT THEIR RESPONSIBILITY OF GOVERNMENT MUST BE CARRIED OUT AS YOUR SERVANTS. HELP THEM MAKE FIRM AND CONSCIENTIOUS DECISIONS. HEAVENLY FATHER, MAKE ALL HERE EXPERIENCE THIS DAY AS A GOOD DAY IN THEIR LIVES. IN JESUS' NAME. AMEN."

MOTION

On motion of Senator Henry, the Senate concurred in the House amendments to Substitute Senate Bill No. 2543.

POINT OF INQUIRY

Senator Morrison: "Would Senator Henry yield to a question? Senator Henry, this is the highway budget. Does it necessitate the passage of a tax increase of some sort in order to pay for it?"

Senator Henry: "That is correct. However, as we have a variable gas tax bill, we also have a variable budget. In the event that the gas tax does not pass, we will have just enough money to patch the holes in the concrete on some of the roads. A lot of projects such as I-90 and those will be deleted."

SECOND READING

ENGROSSED HOUSE BILL NO. 236, by Representatives Shinpoch, Flanagan, Thompson, Amen, Knedlik, Polk, Deccio, Ehlers and Knowles (by Legislative Budget Committee request):

Establishing a civil penalty in certain cases where state officers or employees violate budgetary provisions.

REPORT OF STANDING COMMITTEE

April 20, 1977.

ENGROSSED HOUSE BILL NO. 236, establishing a civil penalty in certain cases where state officers or employees violate budgetary provisions (reported by Committee on Ways and Means):

MAJORITY recommendation: Do pass with the following amendments:

On page 1, line 5, after "includes" strike ", but is not limited to,"

On page 1, line 7, after "43.88.020(4)" and before "but" insert "and those generally known as executive management"

On page 2, line 22, after "Sec. 6" delete the remainder of lines 22 and 23 except the period and insert "This act is necessary for the immediate preservation of the public peace, health, and safety, the support of the state government and its existing public institutions, and shall take effect July 1, 1977"

On line 2 of the title, after "penalties;" and before "and" insert "declaring an emergency;"

Signed by: Senators Donohue, Chairman; Odegaard, Vice Chairman; Grant, Jones, Marsh, Morrison, Murray, Rasmussen, Ridder, Sandison, Scott.

The bill was read the second time by sections.

On motion of Senator Odegaard, the committee amendments were adopted.

On motion of Senator Odegaard, the following amendment was adopted:

On page 1, lines 13 through 15, after "biennium;" strike all the matter down through "RCW" on line 15, and insert "or expend funds contrary to the terms, limits, or conditions of any appropriation made by law"

On motion of Senator Odegaard, the committee amendment to the title was adopted.

On motion of Senator Odegaard, the rules were suspended, Engrossed House Bill No. 236, as amended by the Senate, was advanced to third reading, the second reading considered the third, and the bill was placed on final passage.

POINT OF INQUIRY

Senator Lewis: "Will Senator Odegaard yield? Senator Odegaard, on line 16, New Section 3, it reads: 'Where there is reason to believe that a present or former state officer or employee has violated or threatens to violate Section 2 of this act, the attorney general may initiate an appropriate civil action for the enforcement of this act.' Does this go back to any past actions, preceding passage of this bill also?"

Senator Odegaard: "Senator Lewis, 'or former state officer has violated'—I would think by that language that it could all right. I think probably that is partly an answer to Senator Goltz's question, in reading that language when he asked if an incoming Governor is given a fund, that apparently it has to be either a present or a former state employee. I don't see where it could include then an incoming Governor because she would not have been sworn in yet, or he, as the present or former state officer."

POINT OF INQUIRY

Senator Goltz: "Would Senator Odegaard yield to a question? Senator Odegaard, is the legislature's appropriation included under the provisions of this bill?"

Senator Odegaard: "As I understand it, Senator Goltz, those responsible for actual expenditures of the legislature, the Senate and the House, if they were in violation under this act they would also come under the bill."

Senator Goltz: "Would it be a violation to be expending funds at a rate greater than the total appropriation would allow if you were expecting to have those appropriations cover the operations of the legislature to the end of the appropriation period?"

Senator Odegaard: "You mean if they were overexpending at more than the revenues coming in to cover that expenditure?"

Senator Goltz: "Yes."

Senator Odegaard: "I would think so."

Senator Goltz: "And one other question. Would this apply to an incoming Governor who is not yet sworn in but who has an appropriation made to the transition of entering the office? Would this bill cover the Governor who is going to be sworn in after the appropriations are made? I didn't state that correctly—who is going to be sworn in following the responsibility for the administration of the interim budget for which the legislature has made available for that office?"

Senator Odegaard: "I would think that it could be if it was proven that it was intentional or negligent, it possibly could come under the act and be in violation."

Debate ensued.

ROLL CALL

The Secretary called the roll on the final passage of Engrossed House Bill No. 236, as amended by the Senate, and the bill passed the Senate by the following vote: Yeas, 30; nays, 10; absent or not voting, 2; excused, 7.

Voting yea: Senators Bausch, Beck, Benitz, Bluechel, Clarke, Day, Donohue, Gaspard, Guess, Henry, Herr, Jones, Keefe, Marsh, Monohon, Morrison, Newschwander, Odegaard, Petersor; Pullen, Rasmussen, Rohrbach, Scott, Talley, Van Hollebeke, von Reichbauer, Walgren, Wanamaker, Washington, Wilson—30.

Voting nay: Senators Bottiger, Goltz, Gould, Grant, Lewis, Murray, North, Ridder, Sellar, Wojahn—10.

Absent or not voting: Senators Mardesich, Woody—2.

Excused: Senators Buffington, Fleming, Francis, Hayner, Matson, McDermott, Sandison—7.

ENGROSSED HOUSE BILL NO. 236, as amended by the Senate, having received the constitutional majority, was declared passed. There being no objection, the title of the bill was ordered to stand as the title of the act.

There being no objection, the Senate returned to the fourth order of business.

REPORT OF STANDING COMMITTEE

June 8, 1977.

SECOND SUBSTITUTE HOUSE BILL NO. 251, making changes in the senior citizens services act (reported by Committee on Ways and Means):

MAJORITY recommendation: Do pass with the following amendments:

On page 5, line 23 after "That" strike "it is the intent of the legislature that"

On page 5, line 26 after "conserved" strike "to the maximum extent possible and replaced"

On page 5, following line 27, add a new section as follows:

"NEW SECTION. Sec. 7. The provisions of this 1977 amendatory act shall terminate on June 30, 1979, unless otherwise provided by law."

Renumber the remaining section accordingly.

Signed by: Senators Donohue, Chairman; Odegaard, Vice Chairman; Clarke, Grant, Jones, Marsh, Morrison, Murray, Ridder, Sandison, Walgren, Washington.

On motion of Senator Donohue, the rules were suspended and Second Substitute House Bill No. 251 was advanced to second reading and read the second time by sections.

On motion of Senator Donohue, the committee amendments to page 5, line 23 and line 26 were considered and adopted simultaneously.

Senator Donohue moved adoption of the committee amendment to page 5, following line 27 adding a new section 7.

POINT OF INQUIRY

Senator Newschwander: "Would Senator Donohue yield to a question? Thinking about a program that is one year old, was a pilot program, since you have been in the Senate, have we ever terminated a program that we said was a pilot program or a one year or a two year? Have we ever terminated a program? Have we ever

rolled back a tax that was temporary? Do you really believe that we will have the intestinal fortitude on June 30, 1979 to cut this off?"

Senator Donohue: "Senator, I do not know whether we will have the intestinal fortitude to do so or not, but unless we put a cutoff date on it, we sure won't have the intestinal fortitude to even try. I personally can envision this program of extended services eventually costing a great amount of money, and as I said before, there is no doubt in my mind that this is a political program. It is political. And I would hope that we would be able to make a good judgment as to whether we have duplication, for instance, with other programs in the Department of Social and Health services between now and the cutoff date or when we come back here two years from now. In answer to your original question, the answer is, no, Senator, I don't know of any program that this Legislature has cut off, I personally do not know, cut off that has been started by the federal government."

Senator Newschwander: "Thank you, Senator Donohue."

Debate ensued.

The motion by Senator Donohue carried and the committee amendment was adopted.

On motion of Senator Donohue, the rules were suspended, Second Substitute House Bill No. 251, as amended by the Senate, was advanced to third reading, the second reading considered the third, and the bill was placed on final passage.

Debate ensued.

POINT OF INQUIRY

Senator Rasmussen: "Would Senator North yield to a question? Senator North, I was just scanning the report from—the only report that I have ever seen was from October through December 1976. You said you had a later report in the Social and Health Committee?"

Senator North: "Yes, we did, Senator Rasmussen, in April of this year."

Senator Rasmussen: "I wonder if the chairman of the Social and Health would make that report available to all of us."

"A further question, the Department of Social and Health contracted for one hundred thousand dollars for a study by the Gilmore group. Was that the report? The Gilmore report?"

Senator North: "The report that we had was from Neal Peterson, who came and gave us quite a detailed accounting of what had been accomplished. You realize, Senator Rasmussen, that the bill was passed and this was a report scarcely a year on the books, so that there is a start up period of time. It will take us a little bit longer to get the full impact of this. Now the Gilmore report I am not familiar with. You might want to address that question to Senator Day."

POINT OF INQUIRY

Senator Rasmussen: "Senator Day, did you receive a copy of the Gilmore report which was completed in February on this program?"

Senator Day: "Yes, but I didn't have time to read it."

Senator Rasmussen: "Senator Newschwander spoke of the impact that Senator North indicates we are going to receive from this program and that is why I was wondering if the report had been scrutinized."

Senator Day: "I haven't had time to read it, Senator Rasmussen."

Further debate ensued.

POINT OF INQUIRY

Senator Wilson: "Would Senator Donohue yield? Senator Donohue, occasionally we come across a program in this state where we find that for one reason or

another most of the benefits have been accruing to a metropolitan area and somehow the intended benefits of the program have not been filtering into the rural areas and the small cities and towns. My question is, when we come to the point of evaluating this program or reevaluating it a couple of years from now, would you not consider one of the more important factors to be an analysis as to whether or not the benefits are truly proportionately accruing to senior citizens in the rural areas and the small cities and towns of the state?"

Senator Donohue: "Senator, I understand exactly what you are talking about and I think that we had testimony in the Ways and Means Committee hearing that this program is being administered and used throughout the state and, surprisingly, in the very, very small communities, so during the period when we are going to really review this, I think that this is very important, that we review and see that those programs are continued out there and not just in the metropolitan areas. I think as a final statement and probably the reason for probably passing this piece of legislation, it seems to me that if this legislative session continues in length too much longer that most of us here are going to receive the benefits of what we are doing today by the time we get home."

Further debate ensued.

ROLL CALL

The Secretary called the roll on the final passage of Second Substitute House Bill No. 251, as amended by the Senate, and the bill passed the Senate by the following vote: Yeas, 41; nays, 3; excused, 5.

Voting yea: Senators Bausch, Beck, Benitz, Bluechel, Bottiger, Clarke, Day, Donohue, Fleming, Gaspard, Goltz, Gould, Grant, Henry, Herr, Jones, Keefe, Lewis, Mardesich, Marsh, Monohon, Morrison, Murray, North, Odegaard, Peterson, Pullen, Rasmussen, Ridder, Rohrbach, Sandison, Sellar, Talley, Van Hollebeke, von Reichbauer, Walgren, Wanamaker, Washington, Wilson, Wojahn, Woody—41.

Voting nay: Senators Guess, Newschwander, Scott—3.

Excused: Senators Buffington, Francis, Hayner, Matson, McDermott—5.

MOTION

On motion of Senator Marsh, the report of the Conference Committee was adopted and the committee was granted the powers of Free Conference on Engrossed Senate Bill No. 2042.

THIRD READING

ENGROSSED HOUSE BILL NO. 1133, by Representatives Conner, Kilbury, Gallagher, Knowles, McCormick, Hanna, Grier, Struthers, Fuller and Gaines:

Authorizing certain golfing sweepstakes under gambling act.

The President declared the question before the Senate to be the roll call on final passage of Engrossed House Bill No. 1133, as amended by the Free Conference Committee, on reconsideration.

Debate ensued.

POINT OF INQUIRY

Senator von Reichbauer: "Will Senator Van Hollebeke answer a question? Senator Van Hollebeke, you stated under the proposal of your bill the management will not partake in the gambling. Does this mean that they will not get a percentage of the take or does it also mean they cannot themselves participate in the card games?"

Senator Van Hollebeke: "What I meant was this, that we want to avoid the situation where the landlord becomes part of the project by upping the rent according to what he thinks the take of the bingo operation is. We want to give the Gambling Commission a handle on that so that they can set that and not allow that to exceed what is a reasonable rent for the value of the property."

POINT OF INQUIRY

Senator Gould: "Would Senator Van Hollebeke yield? I have been assured that this bill does not increase the gambling potential beyond any legislation that we have already passed in this body or what is already on the books. Would you agree with that?"

Senator Van Hollebeke: "To my recollection that is correct. The only two measures of gambling that are in this bill were passed in other bills but not passed by the House in the same bill, but we did approve of those two things in other bills."

Senator Gould: "But only by this body and not yet by the House. And those are RENO nights and what else?"

Senator Van Hollebeke: "Reno nights and and allows people to gamble in private clubs, to play card games and so forth as long as the house does not take any part of the take nor does not provide the cards or what paraphernalia for gambling. No participation by the house."

Senator Gould: "Thank you, Senator."

ROLL CALL

The Secretary called the roll on the final passage of Engrossed House Bill No. 1133, as amended by the Free Conference Committee, and the bill passed the Senate, on reconsideration, by the following vote: Yeas, 35; nays, 9; excused, 5.

Voting yea: Senators Bausch, Beck, Benitz, Bottiger, Clarke, Day, Donohue, Fleming, Gaspard, Gould, Grant, Henry, Herr, Jones, Keefe, Lewis, Mardesich, Marsh, Monohon, Morrison, Murray, Newschwander, Odegaard, Peterson, Rasmussen, Rohrbach, Sandison, Sellar, Talley, Van Hollebeke, von Reichbauer, Walgren, Wanamaker, Wojahn, Woody—35.

Voting nay: Senators Bluechel, Goltz, Guess, North, Pullen, Ridder, Scott, Washington, Wil—9.

Excused: Senators Buffington, Francis, Hayner, Matson, McDermott—5.

ENGROSSED HOUSE BILL NO. 1133 as amended by the Free Conference Committee, having received the constitutional majority, on reconsideration, was declared passed. There being no objection, the title of the bill was ordered to stand as the title of the act.

MESSAGE FROM THE HOUSE

June 14, 1977.

Mr. President: The House has passed: ENGROSSED SUBSTITUTE SENATE BILL NO. 2910 with the following amendments:

Strike everything after the enacting clause and insert the following:

"Section 1. Section 1, chapter 45, Laws of 1970 ex. sess. as amended by section 29, chapter 108, Laws of 1975-'76 2nd ex. sess. and RCW 80.50.010 are each amended to read as follows:

The legislature finds that the present and predicted growth in energy demands in the state of Washington requires the development of a procedure for the selection and utilization of sites for energy facilities and the identification of a state position with respect to each proposed site. The legislature recognizes that the selection of sites will have a significant impact upon the welfare of the population, the location and growth of industry and the use of the natural resources of the state.

It is the policy of the state of Washington to recognize the pressing need for increased energy facilities, and to ensure through available and reasonable methods, that the location and operation of such facilities will produce minimal adverse effects on the environment(~~(ecology)~~) of the land and its wildlife, and (~~(the ecology)~~) of state waters and their aquatic life.

It is the intent to seek courses of action that will balance the increasing demands for energy facility location and operation in conjunction with the broad interests of the public. Such action will be based on these premises:

(1) To assure Washington state citizens that, where applicable, operational safeguards are at least as stringent as the criteria established by the federal government and are technically sufficient for their welfare and protection.

(2) To preserve and protect the quality of the environment; to enhance the public's opportunity to enjoy the esthetic and recreational benefits of the air, water and land resources; to promote air cleanliness; and to pursue beneficial changes in the environment.

(3) To provide abundant energy at reasonable cost.

(4) To require compliance with local land use plans and zoning ordinances with respect to energy facility sites.

It is the intent of this chapter to expedite the certification of sites for energy facilities subject to this chapter, to minimize duplication of effort in conducting studies of and preparing environmental impact statements relating to such sites, to authorize and encourage cooperation between the council and counties, other governmental agencies, and municipal or public corporations in connection with such sites, and to provide for a single detailed statement in accordance with RCW 43.21C.030(2)(c) where any proposed energy facilities are subject to certification pursuant to chapter 80.50 RCW, and to further the development of facilities to meet pressing needs.

NEW SECTION. Sec. 15. There is added to chapter 80.50 RCW a new section to read as follows:

The state general fund shall be credited with all receipts from applicants paid to the state pursuant to chapter 80.50 RCW. Such funds shall be used only by the council for the purposes set forth in chapter 80.50 RCW. All expenditures shall be authorized by law.

NEW SECTION. Sec. 16. There is added to chapter 80.50 RCW a new section to read as follows:

(1) The council shall receive all applications for energy facility site certification. The following fees or charges for application processing or certification monitoring shall be paid by the applicant or certificate holder:

(a) A fee of twenty-five thousand dollars for each proposed site, to be applied toward the cost of the independent consultant study authorized in this subsection, shall accompany the application and shall be a condition precedent to any further consideration or action on the application by the council. The council shall commission its own independent consultant study to measure the consequences of the proposed energy facility on the environment for each site application. The council shall direct the consultant to study any matter which it deems essential to an adequate appraisal of the site. The full cost of the study shall be paid by the applicant: **PROVIDED**, That said costs exceeding a total of the twenty-five thousand dollars paid pursuant to subsection (1)(a) of this section shall be payable subject to the applicant giving prior approval to such excess amount.

(b) Each applicant shall, in addition to the costs of the independent consultant provided by subsection (1)(a) of this section, pay such reasonable costs as are actually and necessarily incurred by the council in processing the application. Such costs shall include, but are not limited to, costs of a hearing examiner, a court reporter, additional staff salaries, wages and employee benefits, goods and services, travel expenses within the state and miscellaneous expenses, as arise directly from processing such application.

Each applicant shall, at the time of application submission, deposit twenty thousand dollars, or such lesser amount as may be specified by council rule, to cover costs provided for by subsection (1)(b) of this section. Reasonable and necessary costs of the council directly attributable to application processing shall be charged against such deposit.

The council shall submit to each applicant a statement of such expenditures actually made during the preceding calendar quarter which shall be in sufficient detail to explain such expenditures. The applicant shall pay the state treasurer the amount of such statement to restore the total amount on deposit to the originally established level: **PROVIDED**, That such applicant may, at the request of the council, increase the amount of funds on deposit to cover anticipated expenses during peak periods of application processing. Any funds remaining unexpended at the conclusion of application processing shall be refunded to the applicant, or at the applicant's option, credited against required deposits of certificate holders.

(c) Each certificate holder shall pay such reasonable costs as are actually and necessarily incurred by the council for inspection and determination of compliance by the certificate holder with the terms of the certification relative to monitoring the effects of construction and operation of the facility.

Each certificate holder, within thirty days of execution of the site certification agreement, shall deposit twenty thousand dollars, or such other amount as may be specified by council rule, to cover costs provided for by subsection (1)(c) of this section. Reasonable and necessary costs of the council directly attributable to inspection and determination of compliance by the certificate holder with the terms of the certification relative to monitoring the effects of construction and operation of the facility shall be charged against such deposit.

The council shall submit to each certificate holder a statement of such expenditures actually made during the preceding calendar quarter which shall be in sufficient detail to explain such expenditures. The certificate holder shall pay the state treasurer the amount of such statement to restore the total amount on deposit to the originally established level: PROVIDED, That if the actual, reasonable, and necessary expenditures for inspection and determination of compliance in the preceding calendar quarter have exceeded the amount of funds on deposit, such excess costs shall be paid by the certificate holder.

(2) If an applicant or certificate holder fails to provide the initial deposit, or if subsequently required payments are not received within thirty days following receipt of the statement from the council, the council may (a) in the case of the applicant, suspend processing of the application until payment is received; or (b) in the case of a certificate holder, suspend the certification.

(3) All payments required of the applicant or certificate holder under this section are to be made to the state treasurer who shall make payments as instructed by the council from the funds submitted. All such funds shall be subject to state auditing procedures. Any unexpended portions thereof shall be returned to the applicant or certificate holder.

NEW SECTION. Sec. 17. There is added to chapter 80.50 RCW a new section to read as follows:

(1) Any person required to file an application for certification of an energy facility pursuant to this chapter may apply to the council for an expedited processing of such an application. The application for expedited processing shall be submitted to the council in such form and manner and accompanied by such information as may be prescribed by council rule. The council may grant an applicant expedited processing of an application for certification upon finding that:

(a) The environmental impact of the proposed energy facility;

(b) The area potentially affected;

(c) The cost and magnitude of the proposed energy facility; and

(d) The degree to which the proposed energy facility represents a change in use of the proposed site

are not significant enough to warrant a full review of the application for certification under the provisions of this chapter.

(2) Upon granting an applicant expedited processing of an application for certification, the council shall not be required to:

(a) Commission an independent study, notwithstanding the provisions of section 14 of this 1977 amendatory act; nor

(b) Hold a contested case hearing under chapter 34.04 RCW on the application.

(3) The council shall adopt rules governing the expedited processing of an application for certification pursuant to this section.

NEW SECTION. Sec. 18. There is appropriated to the energy facility site evaluation council from the general fund the sum of one hundred sixteen thousand three hundred seventeen dollars, or so much thereof as may be necessary, for the biennium ending June 30, 1979, to carry out the provisions of sections 3(2) and 15 of this 1977 amendatory act.

NEW SECTION. Sec. 19. The following acts or parts of acts are each repealed:

(1) Section 5, chapter 45, Laws of 1970 ex. sess., section 33, chapter 108, Laws of 1975-'76 2nd ex. sess. and RCW 80.50.050;

NEW SECTION. Sec. 20. If any provision of this 1977 amendatory act, or its application to any person or circumstance is held invalid, the remainder of the act, or the application of the provision to other persons or circumstances is not affected.

NEW SECTION. Sec. 21. This 1977 amendatory act is necessary for the immediate preservation of the public peace, health, and safety, the support of the state government, and its existing public institutions, and shall take effect immediately."

In the title, page 2, line 3, after "80.50.170;" and before "and" insert "amending section 2, chapter 110, Laws of 1974 ex. sess. as amended by section 40, chapter 108, Laws of 1975-'76 2nd ex. sess. and RCW 80.50.175; making an appropriation;" and the same is herewith transmitted.

MOTION

Senator Bottiger moved the Senate concur in the House amendments to Engrossed Substitute Senate Bill No. 2910 with the exception of proviso beginning on page 15, line 40 through page 16, line 2 and ask the House to recede therefrom.

POINT OF INQUIRY

Senator Washington: "Would Senator Bottiger yield? Could you state briefly what amendments the House did put on the bill?"

Senator Bottiger: "Senator Washington, the House has removed all of the question of local preemption. There is no preemption in this bill that was the only real issue when the bill passed. In fact, they even went further than Senator Wilson wanted to go and took out preemption for transmission lines. Now the theory in the House was that since there has not been any problem up until this time, with the one exception of Clallam County, that we should not preempt at the state level until there is a problem that has been demonstrated. I think the House committee members who took this position will learn as we see the conflict develop over these kinds of things and they have assured me that if that be the case they will come back and go for some kind of state preemption. At this time then, the bill is for all practical purposes as we passed it, with a few clean-up amendments. Section 15, that was the short cut, if you will recall, for small projects. They changed that from exemption from the statute to a form of short form certification. They discovered that if we totally preempted, the applicant might be back getting all of the different permits again, and I think they were right and they changed that. Other than that, there was no change of intent in the way the bill passed other than I have mentioned."

The motion by Senator Bottiger carried. The Senate concurred in the House amendments to Engrossed Substitute Senate Bill No. 2910 with the exception of the proviso beginning on page 15, line 40 through page 16, line 2 and asks the House to recede therefrom.

REPORT OF CONFERENCE COMMITTEE

June 17, 1977.

Mr. President:

Mr. Speaker:

We, of your Conference Committee, to whom was referred ENGROSSED SUBSTITUTE HOUSE BILL NO. 866, as amended by the Senate, revising the teachers' retirement system, have had the same under consideration, and we report that we are unable to agree and respectfully request the powers of Free Conference in order to adopt the following bill:

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON.

"AN ACT Relating to the teachers' retirement system; amending section 1, chapter 80, Laws of 1947 as last amended by section 149, chapter 275, Laws of 1975 1st ex. sess. and RCW 41.32.010; adding new sections to chapter 41.32 RCW; prescribing an effective date; and declaring an emergency.

NEW SECTION. Section 1. **LEGISLATIVE FINDING.** The legislature finds and determines that those members first employed on or before September 30, 1977, shall not suffer any diminishment or loss of benefits or rights, whether current or prospective, as the result of the enactment of this 1977 amendatory act.

NEW SECTION. Sec. 2. **APPLICATION TO CERTAIN PERSONS.** Sections 3 through 16 of this 1977 amendatory act shall apply only to those persons who are initially employed by an employer on or after October 1, 1977.

NEW SECTION. Sec. 3. **COMPUTATION OF THE RETIREMENT ALLOWANCE.** A member of the retirement system shall receive a retirement allowance equal to two percent of such member's average final compensation for each year of service.

NEW SECTION. Sec. 4. **RETIREMENT FOR SERVICE.** (1) **NORMAL RETIREMENT.** Any member with at least five years of service who has attained at least age sixty-five shall be eligible to retire and to receive a retirement allowance computed according to the provisions of section 3 of this 1977 amendatory act.

(2) **EARLY RETIREMENT.** Any member who has completed at least twenty years of service who has attained at least age fifty-five shall be eligible to retire and to receive a retirement allowance computed according to the provisions of section 3 of this 1977 amendatory act, except that a member retiring pursuant to this subsection shall have the retirement allowance actuarially reduced to reflect the difference in the number of years between age at retirement and the attainment of age sixty-five.

NEW SECTION. Sec. 5. **POST-RETIREMENT COST-OF-LIVING.** Beginning July 1, 1979, and every year thereafter, the department shall determine the following information for each retired member or beneficiary whose retirement allowance has been in effect for at least one year:

(1) The original dollar amount of the retirement allowance;

(2) The index for the calendar year prior to the effective date of the retirement allowance, to be known as "index A";

(3) The index for the calendar year prior to the date of determination, to be known as "index B"; and

(4) The ratio obtained when index B is divided by index A.

The value of the ratio obtained shall be the annual adjustment to the original retirement allowance and shall be applied beginning with the July payment. In no event, however, shall the annual adjustment:

(a) Produce a retirement allowance which is lower than the original retirement allowance;

(b) Exceed three percent in the initial annual adjustment; or

(c) Differ from the previous year's annual adjustment by more than three percent.

For the purposes of this section, "index" means, for any calendar year, that year's average consumer price index—Seattle, Washington area for urban wage earners and clerical workers, all items, compiled by the bureau of labor statistics, United States department of labor.

NEW SECTION. Sec. 6. EMPLOYER AND MEMBER CONTRIBUTIONS. The required contribution rates to the retirement system for both members and employers shall be established by the director from time to time as may be necessary upon the advice of the state actuary: **PROVIDED**, That the employer contribution shall be contributed as provided in RCW 41.32.401.

Contribution rates required to fund the costs of the retirement system shall always be equal for members and employers, except as herein provided. Any adjustments in contribution rates required from time to time for future costs shall likewise be shared equally by the members and employers: **PROVIDED**, That the costs of amortizing the unfunded supplemental present value of the retirement system, in existence on September 30, 1977, shall be borne in full by the employers.

Any increase in the contribution rate required as the result of a failure of an employer to make any contribution required by this section shall be borne in full by the employer not making the contribution.

The director shall notify the retirement board of any pending adjustment in the required contribution rate and such increase shall be announced at a board meeting held at least thirty days prior to the effective date of the change.

Members contributions required by this section shall be deducted from the members earnable compensation each payroll period. The members contribution shall be remitted directly to the department within fifteen days following the end of the calendar month during which the payroll period ends and the employers contribution shall be remitted as provided by law.

Until such time as the director shall establish other rates, members and employers of such members shall each contribute 5.66% of earnable compensation: **PROVIDED**, That employers shall initially contribute an additional 5.80% of earnable compensation per member to amortize the unfunded supplemental present value of the retirement system in effect on September 30, 1977.

NEW SECTION. Sec. 7. TEACHERS REQUIRED TO BE MEMBERS. All teachers who become employed by an employer on or after October 1, 1977, shall be members of the retirement system and shall be governed by the provisions of sections 2 through 16 of this 1977 amendatory act.

NEW SECTION. Sec. 8. OPTIONS FOR PAYMENT OF RETIREMENT ALLOWANCES. Upon retirement for service as prescribed in section 4 of this 1977 amendatory act, a member shall elect to have the retirement allowance paid pursuant to Option 1, 2, or 3 with Options 2 and 3 calculated so as to be actuarially equivalent to Option 1.

(1) **OPTION 1.** A member electing this option shall receive a retirement allowance payable throughout such member's life. However, if the retiree dies before

the total of the retirement allowance paid to such retiree equals the amount of such retiree's accumulated contributions at the time of retirement, then the balance shall be paid to such person or persons having an insurable interest in the retiree's life as the retiree shall have nominated by written designation duly executed and filed with the department; or if there be no such designated person or persons still living at the time of the retiree's death, then to the surviving spouse; or if there be neither such designated person or persons still living at the time of death nor a surviving spouse, then to the retiree's legal representative.

(2) **OPTION 2.** A member who elects this option shall receive a reduced retirement allowance, which upon the member's death shall be continued throughout the life of and paid to such person having an insurable interest in the retiree's life as the retiree shall have nominated by written designation duly executed and filed with the department at the time of the retiree's retirement.

(3) **OPTION 3.** A member who elects this option shall receive a reduced retirement allowance, and upon the member's death one-half of the retiree's reduced retirement allowance shall be continued throughout the life of and paid to such person having an insurable interest in the retiree's life as the retiree shall have nominated by written designation duly executed and filed with the department at the time of the retiree's retirement.

NEW SECTION. Sec. 9. EARNED DISABILITY ALLOWANCE. A member of the retirement system who becomes totally incapacitated for continued employment by an employer as determined by the department upon recommendation of the retirement board shall be eligible to receive an allowance under the provisions of sections 2 through 16 of this 1977 amendatory act. Such member shall receive a monthly disability allowance computed as provided for in section 3 of this 1977 amendatory act and shall have such allowance actuarially reduced to reflect the difference in the number of years between age at disability and the attainment of age thirty-five.

Any member who receives an allowance under the provisions of this section shall be subject to such comprehensive medical examinations as required by the department. If such medical examinations reveal that such a member has recovered from the incapacitating disability and the member is offered reemployment by an employer at a comparable compensation, such member shall cease to be eligible for such allowance.

NEW SECTION. Sec. 10. APPLICATION FOR AND EFFECTIVE DATE OF RETIREMENT ALLOWANCES. Any member or beneficiary eligible to receive a retirement allowance under the provisions of sections 4, 9, or 12 of this 1977 amendatory act shall be eligible to commence receiving a retirement allowance after having filed written application with the department.

(1) Retirement allowances paid to members under the provisions of section 4 of this 1977 amendatory act shall accrue from the first day of the calendar month immediately following such member's separation from employment.

(2) Retirement allowances paid to vested members no longer in service, but qualifying for such an allowance pursuant to section 4 of this 1977 amendatory act, shall accrue from the first day of the calendar month immediately following such qualification.

(3) Disability allowances paid to disabled members under the provisions of section 9 of this 1977 amendatory act shall accrue from the first day of the calendar month immediately following such member's separation from employment for disability.

(4) Disability allowances paid as death benefits under the provisions of section 12 of this 1977 amendatory act shall accrue from the first day of the calendar month immediately following the member's death.

NEW SECTION. Sec. 11. SUSPENSION OF RETIREMENT ALLOWANCE UPON REEMPLOYMENT BY AN EMPLOYER. No retiree under the provisions of sections 2 through 16 of this 1977 amendatory act shall be eligible to receive such retiree's monthly retirement allowance if such retiree is performing service for any nonfederal public employer in this state.

Upon cessation of service for any nonfederal public employer in this state such retiree shall have benefits actuarially recomputed pursuant to the rules adopted by the department.

NEW SECTION. Sec. 12. DEATH BENEFITS. (1) If a member or a vested member who has not completed at least ten years of service dies, the amount of the accumulated contributions standing to such member's credit in the retirement system at the time of such member's death shall be paid to such person or persons having an insurable interest in such member's life as the member shall have nominated by written designation duly executed and filed with the department. If there be no such designated person or persons still living at the time of the member's death, such member's accumulated contributions standing to such member's credit in the retirement system shall be paid to the member's surviving spouse as if in fact such spouse had been nominated by written designation, or if there be no such surviving spouse, then to such member's legal representatives.

(2) If a member who is eligible for retirement or a member who has completed at least ten years of service dies, the surviving spouse or eligible children shall elect to receive either:

(a) A retirement allowance computed as provided for in section 4(1) of this 1977 amendatory act actuarially adjusted to reflect Option 2 of section 8 of this 1977 amendatory act and if the member was not eligible for normal retirement at the date of death a further reduction as described in section 4(2) of this 1977 amendatory act; if a surviving spouse who is receiving a retirement allowance dies leaving a child or children of the member under the age of majority, then such child or children shall continue to receive an allowance in an amount equal to that which was being received by the surviving spouse, share and share alike, until such child or children reach the age of majority; if there is no surviving spouse eligible to receive an allowance at the time of the member's death, such member's child or children under the age of majority shall receive an allowance share and share alike calculated as herein provided making the assumption that the ages of the spouse and member were equal at the time of the member's death; or

(b) The member's accumulated contributions.

NEW SECTION. Sec. 13. SERVICE CREDIT FOR AUTHORIZED LEAVE OF ABSENCE. A member who is on a paid leave of absence authorized by a member's employer shall continue to receive service credit as provided for under the provisions of sections 2 through 16 of this 1977 amendatory act.

A member shall be eligible to receive a maximum of two years service credit during a member's entire working career for those periods when a member is on an unpaid leave of absence authorized by an employer. Such credit may be obtained only if the member makes both the employer and member contributions plus interest as determined by the department for the period of the authorized leave of absence within five years of resumption of service or prior to retirement whichever comes sooner: PROVIDED, That for the purpose of this subsection the contribution shall not include the contribution for the unfunded supplemental present value as required by section 6 of this 1977 amendatory act. The contributions required shall be based on the average of the member's compensation earnable at both the time the authorized leave of absence was granted and the time the member resumed employment.

A member who is inducted into the armed forces of the United States shall be deemed to be on an unpaid, authorized leave of absence.

NEW SECTION. Sec. 14. VESTED MEMBERSHIP. A member who separates or has separated after having completed at least five years of service may remain a member during the period of such member's absence from service for the exclusive purpose only of receiving a retirement allowance under the provisions of section 4 of this 1977 amendatory act if such member maintains the member's accumulated contributions intact.

NEW SECTION. Sec. 15. REFUND OF CONTRIBUTIONS ON TERMINATION. A member who ceases to be an employee of an employer may request a refund of the members accumulated contributions. The refund shall be made within ninety days following the receipt of the request and notification of termination by the employer; except that in the case of death, an initial payment shall be made within thirty days of receipt of request for such payment. A member who files a request for refund and subsequently enters into employment with another employer prior to the refund being made shall not be eligible for a refund. The refund of accumulated contributions shall terminate all benefits under the provisions of sections 2 through 16 of this 1977 amendatory act.

NEW SECTION. Sec. 16. REENTRY. A member, who had left service and withdrawn the member's accumulated contributions, shall receive service credit for such prior service if the member restores all withdrawn accumulated contributions together with interest since the time of withdrawal as determined by the department. The restoration of such funds must be completed within five years of the resumption of service or prior to retirement, whichever occurs first.

NEW SECTION. Sec. 17. DUTIES OF PAYROLL OFFICER. The person responsible for making up the payroll shall transmit promptly to the department at the end of each and every payroll period a copy of the original payroll voucher or such other payroll report as the department may require showing thereon all deductions for contributions for the teachers' retirement system made from the earnable compensation of a member of the teachers' retirement system together with warrants or checks covering the total of such deductions. The department shall place such moneys into the proper funds established in this chapter.

Sec. 18. Section 1, chapter 80, Laws of 1947 as last amended by section 149, chapter 275, Laws of 1975 1st ex. sess. and RCW 41.32.010 are each amended to read as follows:

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

NEW SECTION. Section 1. LEGISLATIVE FINDING. The legislature finds and determines that those members first employed on or before September 30, 1977, shall not suffer any diminishment or loss of benefits or rights, whether current or prospective, as the result of the enactment of this 1977 amendatory act.

NEW SECTION. Sec. 2. APPLICATION TO CERTAIN PERSONS. Sections 3 through 15 of this 1977 amendatory act shall apply only to those persons who are initially employed by an employer on or after October 1, 1977.

NEW SECTION. Sec. 3. COMPUTATION OF THE RETIREMENT ALLOWANCE. A member of the retirement system shall receive a retirement allowance equal to two percent of such member's average final compensation for each year of service.

NEW SECTION. Sec. 4. RETIREMENT FOR SERVICE. (1) NORMAL RETIREMENT. Any member with at least five years of service who has attained at least age sixty-five shall be eligible to retire and to receive a retirement allowance computed according to the provisions of section 3 of this 1977 amendatory act.

(2) **EARLY RETIREMENT.** Any member who has completed at least twenty years of service and has attained age fifty-five shall be eligible to retire and to receive a retirement allowance computed according to the provisions of section 3 of this 1977 amendatory act, except that a member retiring pursuant to this subsection shall have the retirement allowance actuarially reduced to reflect the difference in the number of years between age at retirement and the attainment of age sixty-five.

NEW SECTION. Sec. 5. POST-RETIREMENT COST-OF-LIVING. Beginning July 1, 1979, and every year thereafter, the department shall determine the following information for each retired member or beneficiary whose retirement allowance has been in effect for at least one year:

- (a) Produce a retirement allowance which is lower than the original retirement allowance;
- (b) Exceed three percent in the initial annual adjustment; or

For the purposes of this section, "index" means, for any calendar year, that year's average consumer price index—Seattle, Washington area for urban wage earners and clerical workers, all items, compiled by the bureau of labor statistics, United States department of labor.

NEW SECTION. Sec. 6. EMPLOYER AND MEMBER CONTRIBUTIONS. The required contribution rates to the retirement system for both members and employers shall be established by the director from time to time as may be necessary upon the advice of the state actuary.

Contribution rates required to fund the costs of the retirement system shall always be equal for members and employers, except as herein provided. Any adjustments in contribution rates required from time to time for future costs shall likewise be shared equally by the members and employers: **PROVIDED**, That the costs of amortizing the unfunded supplemental present value of the retirement system, in existence on September 30, 1977, shall be borne in full by the employers.

The director shall notify the retirement board of any pending adjustment in the required contribution rate and such increase shall be announced at a board meeting held at least thirty days prior to the effective date of the change.

Members contributions required by this section shall be deducted from the members compensation earnable each payroll period. The members contribution and the employers contribution shall be remitted directly to the department within fifteen days following the end of the calendar month during which the payroll period ends.

Until such time as the director shall establish other rates, members and employers of such members shall each contribute 5.51% of compensation earnable: **PROVIDED**, That employers shall initially contribute an additional one and one-half percent of compensation earnable per member to amortize the unfunded supplemental present value of the retirement system in effect on September 30, 1977.

Upon retirement for service as prescribed in section 4 of this 1977 amendatory act, a member shall elect to have the retirement allowance paid pursuant to Option 1, 2, or 3 with Options 2 and 3 calculated so as to be actuarially equivalent to Option 1.

(1) **OPTION 1.** A member electing this option shall receive a retirement allowance payable throughout such member's life. However, if the retiree dies before the total of the retirement allowance paid to such retiree equals the amount of such retiree's accumulated contributions at the time of retirement, then the balance shall be paid to such person or persons having an insurable interest in the retiree's life as the retiree shall have nominated by written designation duly executed and filed with the department; or if there be no such designated person or persons still living at the time of the retiree's death, then to the surviving spouse; or if there be neither such designated person or persons still living at the time of death nor a surviving spouse, then to the retiree's legal representative.

(2) **OPTION 2.** A member who elects this option shall receive a reduced retirement allowance, which upon the member's death shall be continued throughout the life of and paid to such person having an insurable interest in the retiree's life as the retiree shall have nominated by written designation duly executed and filed with the department at the time of the retiree's retirement.

NEW SECTION. Sec. 8. EARNED DISABILITY ALLOWANCE. A member of the retirement system who becomes totally incapacitated for continued employment by an employer as determined by the department upon recommendation of the retirement board shall be eligible to receive an allowance under the provisions of sections 2 through 15 of this 1977 amendatory act. Such member shall receive a monthly disability allowance computed as provided for in section 3 of this 1977 amendatory act and shall have such allowance actuarially reduced to reflect the difference in the number of years between age at disability and the attainment of age sixty-five.

Any member who receives an allowance under the provisions of this section shall be subject to such comprehensive medical examinations as required by the department. If such medical examinations reveal that such a member has recovered from the incapacitating disability and the member is offered reemployment by an employer at a comparable compensation, such member shall cease to be eligible for such allowance.

Any member or beneficiary eligible to receive a retirement allowance under the provisions of sections 4, 8, or 11 of this 1977 amendatory act shall be eligible to commence receiving a retirement allowance after having filed written application with the department.

If there be no such designated person or persons still living at the time of the member's death, such member's accumulated contributions standing to such member's credit in the retirement system shall be paid to the member's surviving spouse as if in fact such spouse had been nominated by written designation, or if there be no such surviving spouse, then to such member's legal representatives.

A member shall be eligible to receive a maximum of two years service credit during a member's entire working career for those periods when a member is on an unpaid leave of absence authorized by an employer. A member who files a request for refund and subsequently enters into employment with another employer prior to the refund being made shall not be eligible for a refund. The refund of accumulated contributions shall terminate all rights to benefits under sections 2 through 15 of this 1977 amendatory act.

NEW SECTION. Sec. 15. REENTRY. A member, who had left service and withdrawn the member's accumulated contributions, shall receive service credit for such prior service if the member restores all withdrawn accumulated contributions together with interest since the time of withdrawal as determined by the department. BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

NEW SECTION. Section 1. **LEGISLATIVE FINDING.** The legislature finds and determines that those members first employed on or before September 30, 1977, shall not suffer any diminishment or loss of benefits or rights, whether current or prospective, as the result of the enactment of this 1977 amendatory act.

NEW SECTION. Sec. 2. **APPLICATION TO CERTAIN PERSONS.** Sections 3 through 16 of this 1977 amendatory act shall apply only to those persons who are initially employed by an employer on or after October 1, 1977.

NEW SECTION. Sec. 3. **COMPUTATION OF THE RETIREMENT ALLOWANCE.** A member of the retirement system shall receive a retirement allowance equal to two percent of such member's average final compensation for each year of service.

NEW SECTION. Sec. 4. **RETIREMENT FOR SERVICE.** (1) **NORMAL RETIREMENT.** Any member with at least five years of service who has attained at least age fifty-eight shall be eligible to retire and to receive a retirement allowance computed according to the provisions of section 3 of this 1977 amendatory act.

(2) **EARLY RETIREMENT.** Any member who has completed at least twenty years of service and has attained age fifty shall be eligible to retire and to receive a retirement allowance computed according to the provisions of section 3 of this 1977 amendatory act, except that a member retiring pursuant to this subsection shall have the retirement allowance actuarially reduced to reflect the difference in the number of years between age at retirement and the attainment of age fifty-eight.

NEW SECTION. Sec. 5. POST-RETIREMENT COST-OF-LIVING. Beginning July 1, 1979, and every year thereafter, the department shall determine the following information for each retired member or beneficiary whose retirement allowance has been in effect for at least one year:

- (1) The original dollar amount of the retirement allowance;
- (2) The index for the calendar year prior to the effective date of the retirement allowance, to be known as "index A";
- (3) The index for the calendar year prior to the date of determination, to be known as "index B"; and
- (4) The ratio obtained when index B is divided by index A.

The value of the ratio obtained shall be the annual adjustment to the original retirement allowance and shall be applied beginning with the July payment. In no event, however, shall the annual adjustment:

- (a) Produce a retirement allowance which is lower than the original retirement allowance;
- (b) Exceed three percent in the initial annual adjustment; or
- (c) Differ from the previous year's annual adjustment by more than three percent.

For the purposes of this section, "index" means, for any calendar year, that year's average consumer price index—Seattle, Washington area for urban wage earners and clerical workers, all items, compiled by the bureau of labor statistics, United States department of labor.

NEW SECTION. Sec. 6. EMPLOYER, MEMBER, AND STATE CONTRIBUTIONS. The required contribution rates to the retirement system for members, employers, and the state of Washington shall be established by the director from time to time as may be necessary upon the advice of the state actuary.

The member, the employer and the state shall each contribute the following shares of the cost of the retirement system:

Member	50%
Employer	30%
State	20%

Any adjustments in contribution rates required from time to time for future costs shall likewise be shared proportionally by the members, employers, and the state: **PROVIDED**, That the costs of amortizing the unfunded supplemental present value of the retirement system, in existence on September 30, 1977, shall be borne in full by the state.

Any increase in the contribution rate required as the result of a failure of the state or of an employer to make any contribution required by this section shall be borne in full by the state or by that employer not making the contribution.

The director shall notify the retirement board of any pending adjustment in the required contribution rate and such increase shall be announced at a board meeting held at least thirty days prior to the effective date of the change.

Members' contributions required by this section shall be deducted from the members basic salary each payroll period. The members contribution and the employers contribution shall be remitted directly to the department within fifteen days following the end of the calendar month during which the payroll period ends.

Until such time as the director shall establish other rates, members, employers of such members, and the state shall each contribute the following percentages of basic salary:

Member	8.14%
Employer	4.88%
State	3.28%

In addition, the state shall initially contribute an additional twenty percent of basic salary per member to amortize the unfunded supplemental present value of the retirement system in effect on September 30, 1977.

Upon retirement for service as prescribed in section 4 of this 1977 amendatory act, a member shall elect to have the retirement allowance paid pursuant to Option 1, 2, or 3 with Options 2 and 3 calculated so as to be actuarially equivalent to Option 1.

(1) **OPTION 1.** A member electing this option shall receive a retirement allowance payable throughout such member's life. However, if the retiree dies before the total of the retirement allowance paid to such retiree equals the amount of such retiree's accumulated contributions at the time of retirement, then the balance shall be paid to such person or persons having an insurable interest in the retiree's life as the retiree shall have nominated by written designation duly executed and filed with the department; or if there be no such designated person or persons still living at the time of the retiree's death, then to the surviving spouse; or if there be neither such designated person or persons still living at the time of death nor a surviving spouse, then to the retiree's legal representative.

(2) **OPTION 2.** A member who elects this option shall receive a reduced retirement allowance, which upon the member's death shall be continued throughout the life of and paid to such person having an insurable interest in the retiree's life as the retiree shall have nominated by written designation duly executed and filed with the department at the time of the retiree's retirement.

NEW SECTION. Sec. 8. EARNED DISABILITY ALLOWANCE. A member of the retirement system who becomes totally incapacitated for continued employment by an employer as determined by the department upon recommendation of the retirement board shall be eligible to receive an allowance under the provisions of sections 2 through 16 of this 1977 amendatory act. Such member shall receive a monthly disability allowance computed as provided for in section 3 of this 1977 amendatory act and shall have such allowance actuarially reduced to reflect the difference in the number of years between age at disability and the attainment of age fifty-eight.

Any member who receives an allowance under the provisions of this section shall be subject to such comprehensive medical examinations as required by the department. If such medical examinations reveal that such a member has recovered from the incapacitating disability and the member is offered reemployment by an employer at a comparable compensation, such member shall cease to be eligible for such allowance.

If there be no such designated person or persons still living at the time of the member's death, such member's accumulated contributions standing to such member's credit in the retirement system shall be paid to the member's surviving spouse as if in fact such spouse had been nominated by written designation, or if there be no such surviving spouse, then to such member's legal representatives.

children reach the age of majority; if there is no surviving spouse eligible to receive an allowance at the time of the member's death, such member's child or children under the age of majority shall receive an allowance share and share alike calculated as herein provided making the assumption that the ages of the spouse and member were equal at the time of the member's death; or

(b) The member's accumulated contributions.

NEW SECTION. Sec. 13. SERVICE CREDIT FOR AUTHORIZED LEAVE OF ABSENCE. (1) A member who is on a paid leave of absence authorized by a member's employer shall continue to receive service credit as provided for under the provisions of sections 2 through 16 of this 1977 amendatory act.

(2) A member shall be eligible to receive a maximum of two years service credit during a member's entire working career for those periods when a member is on an unpaid leave of absence authorized by an employer. Such credit may be obtained only if the member makes the employer, member, and state contributions plus interest as determined by the department for the period of the authorized leave of absence within five years of resumption of service or prior to retirement whichever comes sooner: **PROVIDED**, That for the purpose of this subsection the contribution shall not include the contribution for the unfunded supplemental present value as required by section 6 of this 1977 amendatory act. The contributions required shall be based on the average of the member's basic salary at both the time the authorized leave of absence was granted and the time the member resumed employment.

A member who is inducted into the armed forces of the United States shall be deemed to be on an unpaid, authorized leave of absence.

NEW SECTION. Sec. 14. VESTED MEMBERSHIP. A member who separates or has separated after having completed at least five years of service may remain a member during the period of such member's absence from service for the exclusive purpose only of receiving a retirement allowance under the provisions of section 4 of this 1977 amendatory act if such member maintains the member's accumulated contributions intact.

NEW SECTION. Sec. 15. REFUND OF CONTRIBUTIONS ON TERMINATION. A member who ceases to be an employee of an employer may request a refund of the member's accumulated contributions. The refund shall be made within ninety days following the receipt of the request and notification of termination by the employer; except that in the case of death, an initial payment shall be made within thirty days of receipt for such payment. A member who files a request for refund and subsequently enters into employment with another employer prior to the refund being made shall not be eligible for a refund. The refund of accumulated contributions shall terminate all rights to benefits under sections 2 through 16 of this 1977 amendatory act.

NEW SECTION. Sec. 16. REENTRY. A member, who had left service and withdrawn the member's accumulated contributions, shall receive service credit for such prior service if the member restores all withdrawn accumulated contributions together with interest since the time of withdrawal as determined by the department.

The restoration of such funds must be completed within five years of the resumption of service or prior to retirement, whichever occurs first.

(1) In the event of the death of any member who is in active service, or who has vested under the provisions of RCW 41.26.090 with twenty or more years of service, or who is on disability leave or retired, whether for disability or service, his surviving spouse shall become entitled to receive a monthly allowance equal to fifty percent of his final average salary at the date of death if active, or the amount of retirement allowance the vested member would have received at age fifty, or the amount of the retirement allowance such retired member was receiving at the time of his death if retired for service or disability. The amount of this allowance will be increased five percent of final average salary for each child as defined in RCW 41.26.030(7), as now or hereafter amended, subject to a maximum combined allowance of sixty percent of final average salary: **PROVIDED**, That if the child or children is or are in the care of a legal guardian, payment of the increase attributable to each child will be made to the child's legal guardian.

(2) If at the time of the death of a vested member with twenty or more years service as provided above or a member retired for service or disability, the surviving spouse has not been lawfully married to such member for one year prior to his retirement or separation from service if a vested member, the surviving spouse shall not be eligible to receive the benefits under this section: **PROVIDED**, That if a member dies as a result of a disability incurred in the line of duty, then if he was married at the time he was disabled, his surviving spouse shall be eligible to receive the benefits under this section.

(3) If there be no surviving spouse eligible to receive benefits at the time of such member's death, then the child or children of such member shall receive a monthly allowance equal to thirty percent of final average salary for one child and an additional ten percent for each additional child subject to a maximum combined payment, under this subsection, of sixty percent of final average salary. When there cease to be any eligible children as defined in RCW 41.26.030(7), as now or hereafter amended, there shall be paid to the legal heirs of said member the excess, if any, of accumulated contributions of said member at the time of his death over all payments made to his survivors on his behalf under this chapter: **PROVIDED**, That payments under this subsection to children shall be prorated equally among the children, if more than one.

(4) In the event that there is no surviving spouse eligible to receive benefits under this section, and that there be no child or children eligible to receive benefits under this section, then the accumulated contributions shall be paid to the estate of said member.

(5) If a surviving spouse receiving benefits under the provisions of this section thereafter dies (~~or remarries~~) and there are children as defined in RCW 41.26.030(7), as now or hereafter amended, payment to the spouse shall cease and the child or children shall receive the benefits as provided in subsection (3) above.

(6) The payment provided by this section shall become due the day following the date of death and payments shall be retroactive to that date.

NEW SECTION. Sec. 24. Section headings used in this 1977 amendatory act shall not constitute any part of the law.

NEW SECTION. Sec. 26. If any provision of this 1977 amendatory act, or its application to any person or circumstance is held invalid, the remainder of the act, or the application of the provision to other persons or circumstances is not affected.

NEW SECTION. Sec. 27. This 1977 amendatory act is necessary for the immediate preservation of the public peace, health, and safety, the support of the state government and its existing public institutions, and shall take effect October 1, 1977.

MESSAGE FROM THE HOUSE

June 17, 1977.

Mr. President: The House has adopted the report of the Conference Committee on ENGROSSED SUBSTITUTE HOUSE BILL NO. 866, and has granted said committee the powers of Free Conference.

DEAN R. FOSTER, Chief Clerk.

REPORT OF FREE CONFERENCE COMMITTEE

June 17, 1977.

Mr. President:

Mr. Speaker:

We, of your Free Conference Committee, to whom was referred ENGROSSED SUBSTITUTE HOUSE BILL NO. 866, as amended by the Senate, revising the teachers retirement system, have had the same under consideration, and that the bill be amended as recommended by the Conference Committee.

Signed by: Senators Marsh and Jones; Representatives Sommers, McKibbin and Newhouse.

MOTION

On motion of Senator Walgren, the report of the Free Conference Committee on Engrossed Substitute House Bill No. 866 was adopted.

POINT OF INQUIRY

Senator Rasmussen: "Will Senator Jones yield to a question? Senator Jones, this provides sixty-five year retirement. For that person that would arrive at the age of sixty and has thirty years of service and would desire to take his pension, how much of a reduction in pension would that be, actuarial reduction?"

Senator Jones: "Five years actuarially reduced."

Senator Rasmussen: "That would amount to how much?"

Senator Jones: "I cannot tell you exactly how much. I am sorry, I cannot answer that."

Senator Rasmussen: "Wasn't the figure of one-third, a person would lose one-third of his pension?"

Senator Jones: "That is right, yes. Well, not lose one-third of his pension. He is entitled to that money. It is not a loss of one-third. It is an actuarial reduction."

Senator Rasmussen: "The effect would be that he would lose one-third."

Senator Jones: "That is their personal choice, I gather, if they retire at age sixty. Isn't that correct, Senator?"

Senator Rasmussen: "Two percent times thirty years of service, he would have sixty percent retirement available at that time, but then because of retiring before he was sixty-five he would lose that sixty percent. He would only have forty percent then available to him. Is that right?"

Senator Jones: "There is no loss. He has made his choice. There is no loss."

Senator Rasmussen: "Senator Jones, I had another question on page 7—I wasn't satisfied with your first answer but, I will accept it as the best of your ability. I mean if that is all you want to reveal at the present time. On page 7, a member who separates or has separated after having completed five years of service may remain a member during the period of such member's absence from service for the exclusive purpose only of receiving a retirement allowance under the provision of Section 4 if he as a member has left his accumulated contributions in. Now this member that would leave, he is vested after five years and he is leaving his vested amount in—over in Section . . . a person that is in service and dies before getting

ten years in, it provides that there shall be a refund of contributions only to that person's spouse. How do the two sections tie together? One person can vest after five years and leave his money stand in there and be entitled to a pension at age sixty-five, but the other person that dies with more than five years but less than ten years of service is forced to take a refund of contributions. I do not understand the two sections. They seem to be in opposition to each other. In one case you vest and, having vested, it stays there until retirement. In the other case you are forced to take the refund. Do you understand what I am talking about? What is the answer to it?"

Senator Jones: "It is a little hard. Your questions get rather long and involved, Senator Rasmussen. I remember hearing this one answered and they both really do not relate to each other. In one case I guess the person who withdrew, it was voluntary. Death, I guess, is not a voluntary matter."

Senator Rasmussen: "I assume death would be voluntary, yes. You have got to go when your time comes, but in that case there is a portion, a refund, but this person that vests and leaves the service may die, may have signed up option two which becomes available at retirement age."

Senator Jones: "That was his choice, is that correct? And that is the benefit that accrues."

Senator Rasmussen: "In the one case he does not have any choice. He leaves this vale of tears and he goes on his way to a happier hunting ground. I am talking about what choice his widow has in that she has no choice, except a refund, apparently. But the first person that has gone on to another job and left his vested proceeds, his five years vesting or seven or eight years, whatever it may be, he is holding his vested rights and I cannot understand those two sections. I was hoping that you could explain them better to me how there is (sic) always a choice that you go on your way."

Senator Jones: "The two sections do stand alone and I think you really must look at them individually, Senator Rasmussen."

MOTION

On motion of Senator Jones, Engrossed Substitute House Bill No. 866, as amended by the Free Conference Committee, was ordered immediately transmitted to the House.

MESSAGE FROM THE HOUSE

June 17, 1977.

Mr. President: The House has adopted the report of the Conference Committee on ENGROSSED SUBSTITUTE HOUSE BILL NO. 867, and has granted said committee the powers of Free Conference.

DEAN R. FOSTER, Chief Clerk.

REPORT OF FREE CONFERENCE COMMITTEE

June 17, 1977.

Mr. President:

Mr. Speaker:

We, of your Free Conference Committee, to whom was referred ENGROSSED SUBSTITUTE HOUSE BILL NO. 867, as amended by the Senate, revising the law enforcement officers and fire fighters retirement system, have had the same under consideration, and that the bill be amended as recommended by the Conference Committee.

Signed by: Senators Marsh and Jones; Representatives Sommers, McKibbin and Newhouse.

MOTION

Senator Walgren moved the report of the Free Conference Committee on Engrossed Substitute House Bill No. 867 be adopted.

MOTION

Senator Talley moved the Free Conference report on Engrossed Substitute House Bill No. 867 be made a special order of business for June 18, 1977.

Debate ensued.

The motion by Senator Talley failed.

The motion by Senator Walgren carried. The report of the Free Conference Committee on Engrossed Substitute House Bill No. 867 was adopted.

Debate ensued.

POINT OF INQUIRY

Senator Bottiger: "Will Senator Walgren yield to a question? Senator Walgren, as I understand, the fireman or policeman injured on the job would be entitled to workmen's compensation benefits and we had a bill to increase those benefits and I understand that is still in rules so the fireman or policeman injured in the line of duty under this bill would labor under the old workmen's compensation benefits that are presently in existence."

Senator Walgren: "That is correct, Senator Bottiger. . . . that bill should come out."

Senator Bottiger: "Any chance of getting that bill out of Rules Committee?"

Senator Walgren: "Well, I certainly hope so, Senator Bottiger, and hopefully we will be able to have another Rules Committee meeting so that we will have that opportunity of voting on that measure."

REMARKS BY SENATOR MARDESICH

Senator Mardesich: "Actually, just to set the record straight, 46 was passed and that is the measure which would cover any injured LEOFF members. 541 is not the measure that they should be talking about at all."

POINT OF INQUIRY

Senator Goltz: "Would Senator Jones yield? Senator Jones, when the previous version of House Bill 867 was before us, there was some discussion about the responsibility of the local units of government with respect to the payment of workmen's compensation costs. As I look at the structure of payments under this bill, there is a considerable differential between what the employee and the employer pays; eight point one four versus four point eight eight. Does that differential indicate that the cities will be relieved, as it were, by that differential of the cost of workmen's compensation?"

Senator Jones: "No, the split is a three-way split and that split is fifty percent to the employee, which keeps it on a par with all the rest of the three systems, the uniformity we desire. There is thirty percent to local government and twenty percent of that is to the state. Does that answer your question?"

Senator Goltz: "I believe I should have stated the question perhaps more directly by asking what obligation does the city have under this bill which is different from the previous bill with respect to payment for workmen's compensation?"

Senator Jones: "The same as any other employer, Senator Goltz."

ROLL CALL

The Secretary called the roll on the final passage of Engrossed Substitute House Bill No. 867, as amended by the Free Conference Committee, and the bill passed the Senate by the following vote: Yeas, 29; nays, 12; absent or not voting, 1; excused, 7.

Voting nay: Senators Beck, Bottiger, Day, Francis, Gaspard, Keefe, Pullen, Rasmussen, Ridder, Talley, von Reichbauer, Wojahn—12.

MESSAGE FROM THE HOUSE

June 17, 1977.

Mr. President: The House has adopted the report of the Conference Committee on SUBSTITUTE HOUSE BILL NO. 1348, and has granted said committee the powers of Free Conference.

DEAN R. FOSTER, Chief Clerk.

REPORT OF FREE CONFERENCE COMMITTEE

June 15, 1977.

Mr. President:

Mr. Speaker:

We, of your Free Conference Committee, to whom was referred SUBSTITUTE HOUSE BILL NO. 1348, as amended by the Senate, providing for increased coverage for uninsured motorists at the purchaser's option, have had the same under consideration, and that the bill be amended as recommended by the Conference Committee.

Signed by: Senators Bottiger, Clarke and Francis; Representatives Douthwaite, Knedlik and Taller.

MOTION

Senator Bottiger moved the report of the Free Conference Committee on Substitute House Bill No. 1348 be adopted.

POINT OF INQUIRY

Senator Francis: "Would Senator Bottiger yield to a question? Senator Bottiger, as you understand the bill, it provides that the question of stacking is at the option of the purchaser of the policy. Would it be your understanding then that the sellers of the policies would be expected to let the buyers know that they have that option?"

Senator Bottiger: "It is my understanding from the conference committee that that was the intent. We deleted a specific section in the conference committee report that was redundant, but only because it was redundant, and it was my understanding that the insurer would advise their policyholders at the time of purchase of the insurance that this was available."

Senator Francis: "Thank you."

Debate ensued.

POINT OF INQUIRY

Senator Van Hollebeke: "Would Senator Bottiger yield? Senator Bottiger, would you give an example of how this new provision would affect the insured?"

Senator Bottiger: "Senator Van Hollebeke, suppose you had purchased on your own insurance policy a hundred thousand dollars worth of protection under your uninsured motorist coverage. You were hit by a car and they only had fifteen thousand dollars worth of insurance. You had injuries of many times that amount. You could then collect not only from them but from your own insurance company for your injuries under your uninsured motorist protection."

Senator Van Hollebeke: "That is the only situation it covers is where the other party was liable, is underinsured, so you have a type of uninsured motorist coverage except that it is not uninsured but underinsured."

Senator Bottiger: "You would also have the possibility of an uninsured motorist and you having more than one policy, and that is sometimes the case. People may have several insurance policies. You could 'stack' your own uninsured motorist protection."

Senator Van Hollebeke: "Thank you."

The motion by Senator Bottiger carried. The report of the Free Conference Committee on Substitute House Bill No. 1348 was adopted.

ROLL CALL

The Secretary called the roll on the final passage of Substitute House Bill No. 1348, as amended by the Free Conference Committee, and the bill passed the Senate by the following vote: Yeas, 41; absent or not voting, 1; excused, 7.

MESSAGE FROM THE HOUSE

June 17, 1977.

Mr. President: The House has adopted the report of the Conference Committee on Engrossed Senate Bill No. 2480, and has granted said committee the powers of Free Conference, and the report of the Conference Committee is herewith transmitted.

DEAN R. FOSTER, Chief Clerk.

REPORT OF CONFERENCE COMMITTEE

June 17, 1977.

Mr. President:

Mr. Speaker:

We, of your Conference Committee, to whom was referred Engrossed Senate Bill No. 2480 as amended by the House, revising the law on unemployment compensation, have had the same under consideration, and we report that we are unable to agree and respectfully request the powers of Free Conference in order to recommend the following:

That the House Committee Amendments as amended by the House be adopted, and the following additional amendments be adopted:

On page 29, beginning on line 4 of the House amendment, strike all of sections 22 and 23, and insert the following:

NEW SECTION, Sec. 22. The commissioner is authorized, with the approval of the governor, to collect from the three-tenths of one percent increase in employer contributions provided in section 10 of chapter 33, Laws of 1977 1st ex. sess., for calendar years 1978 and 1979, nine and one-tenth percent of the additional revenue generated by the three-tenths of one percent increase, or so much thereof as may be deemed appropriate by the commissioner, to be deposited in the administrative contingency fund, one-half of such deposit to be extended for the purpose of operating a quality control program similar to the pilot quality control program similar to the pilot quality program project which ended in 1976, in local employment security offices, and one-half for increased audits and investigations of employers subject to Title 50 RCW. In determining the amount of the deposit, if any, authorized by this section, the commissioner and the governor shall consider the impact any such deposit would have on employer contributions required by the federal government for the repayment of a loan from the federal unemployment trust fund.

NEW SECTION, Sec. 23. (1) The provisions of this act mandating coverage of employees of political subdivisions have been enacted to comply with the provisions of Public Law 94-566. Therefore, as provided in subsection (2), this mandatory feature shall be contingent on the existence of valid and constitutional federal law requiring the Secretary of Labor to refuse to certify as approved the employment security laws of this state if such laws did not continue such mandatory coverage.

(2) In the event the mandatory coverage feature for political subdivisions ceases to be necessary for compliance with valid and constitutional federal law, then the mandatory feature of this 1977 act shall cease to be effective as of the end of the

next quarter following the quarter in which the mandatory feature contained in this 1977 act is not necessary for such compliance.

(3) In the event mandatory coverage ceases to be effective pursuant to subsection (2), then the sections, or subsections as the case may be, of this 1977 amendatory act shall to the extent that they apply to coverage of employees of political subdivisions be deemed nullified and the language of the sections being amended shall be deemed reinstated as the laws of this state.

(4) Benefits paid based on the services covered during the effective life of the mandatory coverage feature shall be financed as follows:

(4) Benefits paid based on the services covered during the effective life of the mandatory coverage feature shall be financed as follows:

(a) If the political subdivision was financing payment of benefits on a reimbursable basis, benefits attributable to employment with the political subdivision shall be assessed to and paid by the political subdivision;

(b) If the political subdivision is a county, city, or town which elected financing pursuant to section 15 of this 1977 amendatory act, such political subdivision will pay "the local government tax" for all earnings by employees through the end of the calendar quarter in which the mandatory coverage is no longer effective pursuant to subsection (2);

(c) If the political subdivision was financing benefits by the contribution method it will pay contributions on wages earned by its employees through the end of the calendar quarter in which mandatory coverage is no longer effective pursuant to subsection (2)."

On page 31 of the House amendment, after line 34, insert a new section as follows:

"NEW SECTION. Sec. 25. The provisions of section 11 of this 1977 amendatory act shall apply to the week ending May 21, 1977, and all weeks thereafter,"

Re-number the remaining sections consecutively.

Signed by: Senators Ridder, Morrison, Mardesich; Representatives Lux and Charette.

MOTION

On motion of Senator Walgren, the report of the Conference Committee was adopted and the committee was granted the powers of Free Conference on Engrossed Senate Bill No. 2480.

MESSAGE FROM THE HOUSE

June 17, 1977.

Mr. President: The House insists on its position on the House amendments to ENGROSSED SUBSTITUTE SENATE BILL NO. 2910, and asks the Senate to concur thereon, and the same is herewith transmitted.

DEAN R. FOSTER, Chief Clerk.

MOTION

Senator Bottiger moved the Senate concur in the House amendments to Engrossed Substitute Senate Bill No. 2910.

POINT OF INQUIRY

Senator Guess: "Would Senator Bottiger yield to a question? Senator Bottiger, would you elaborate upon your statement that this will require twenty-five to thirty percent less time for certification? I would like to see how that works."

Senator Bottiger: "Senator Guess, one of the problems with the present system is, they go, get all the way to the end and then check and see if you did everything right. The way the committee has stacked this now, it is go, get a decision. Anybody wants to challenge that has, as the House has amended it, sixty days. If they do not challenge it, you go to point two and all that can be challenged on now is between point one and point two, so you end up at the end with a certificate that probably will stand up in court. We have eliminated a lot of the unnecessary hearings that were required before the Siting Council, and in that respect I think the bill speeds up the time to go through the process and gives you a better record at the end."

Senator Guess: "Thank you very much, Senator."

POINT OF INQUIRY

Senator Wilson: "'Will Senator Bottiger yield? Senator Bottiger, does the bill contain a state preemption in any form or not?'"

Senator Bottiger: "Senator Wilson, absolutely not. They not only took your amendment; they went one step further; they took out preemption for utility corridors or transmission corridors, which I do not like at all but it happened and rather than again lose the whole bill, I agreed that I would recommend to the Senate that we concur on that. Again, we will have to watch it during the interim. If a county tries to block a whole project, I am sure you will be back hearing me tell you that we have got to do something about preemption."

The motion by Senator Bottiger carried and the Senate concurred in the House amendments to Engrossed Substitute Senate Bill No. 2910.

ROLL CALL

The Secretary called the roll on the final passage of Engrossed Substitute Senate Bill No. 2910, as amended by the House, and the bill passed the Senate by the following vote: Yeas, 40; nays, 2; excused, 7.

Voting yea: Senators Bluechel, Bottiger, Clarke, Day, Donohue, Francis, Gaspard, Goltz, Gould, Guess, Henry, Jones, Keefe, Lewis, Mardesich, Marsh, Matson, McDermott, Monohon, Morrison, Murray, Newschwander, North, Odegard, Peterson, Pullen, Rasmussen, Ridder, Rohrbach, Sandison, Scott, Sellar, Talley, Van Hollebeke, von Reichbauer, Walgren, Wanamaker, Washington, Wilson, Wojahn—40.

Voting nay: Senators Beck, Benitz—2.

Excused: Senators Bausch, Buffington, Fleming, Grant, Hayner, Herr, Woody—7.

ENGROSSED SUBSTITUTE SENATE BILL NO. 2910, as amended by the House, having received the constitutional majority, was declared passed. There being no objection, the title of the bill was ordered to stand as the title of the act.

MESSAGE FROM THE HOUSE

June 18, 1977.

Mr. President: The House has adopted the report of the Conference Committee on ENGROSSED SUBSTITUTE HOUSE BILL NO. 312, and has granted the committee the powers of Free Conference.

DEAN R. FOSTER, Chief Clerk.

REPORT OF FREE CONFERENCE COMMITTEE

June 17, 1977.

Mr. Speaker:

Mr. President:

We, of your Free Conference Committee, to whom was referred ENGROSSED SUBSTITUTE HOUSE BILL NO. 312, as amended by the Senate, charging tuition and fees at state institutions of higher education based on portion of educational costs incurred, have had the same under consideration, and that the bill be amended as recommended by the Conference Committee.

Signed by: Senators Odegaard, Benitz and Sandison; Representatives Erickson and Enbody.

MOTION

Senator Odegaard moved the report of the Free Conference Committee on Engrossed Substitute House Bill No. 312 be adopted.

POINT OF INQUIRY

Senator Newschwander: "Would Senator Odegaard yield? On the reciprocity with BC, do they pay then the same tuition as state residents?"

Senator Odegaard: "They would not pay out-of-state tuition, as I understand it."

Senator Newschwander: "They would pay the same tuition that our own . . .?"

Senator Odegaard: "Right."

Senator Newschwander: "What is the reasoning for that?"

Senator Odegaard: "I think the reasoning, because of what is done across the border and try to be somewhat the same, and also there are a couple of other provinces that are, as we understand it, going to start charging tuition. Senator Goltz is the expert in this. Maybe he could answer that part of it better than I can."

Senator Goltz: "Senator Newschwander, the province of British Columbia does not now charge a differential rate for Washington State students who are enrolled in British Columbia colleges and universities. This has been a rather standard practice throughout Canada. In recent months, Alberta and Ontario, I believe, have gone to an out-of-province tuition rate, a very high rate, for United States students enrolled in those particular institutions. There are a significant number of Washington State students enrolled in British Columbia universities and colleges and it is an attempt to protect the privilege which Washington State students enjoy there that reciprocity is being offered, as it were, in this particular bill."

Senator Newschwander: "I understand what you are saying but I think you are starting a dangerous precedent. I cannot imagine that we are going to have a lot of students from our population areas going to Vancouver to go to the universities or the colleges up there and in the respect you have got Vancouver, a large city, that just go across the border to Western. I just cannot understand these little gimmicks to take care of people and in that respect I think I am going to vote against the bill."

The motion by Senator Odegaard carried. The report of the Free Conference Committee on Engrossed Substitute House Bill No. 312 was adopted.

ROLL CALL

The Secretary called the roll on the final passage of Engrossed Substitute House Bill No. 312, as amended by the Free Conference Committee, and the bill passed the Senate by the following vote: Yeas, 29; nays, 9; absent or not voting, 2; excused, 9.

SIGNED BY THE PRESIDENT

The President signed:

SECOND SUBSTITUTE HOUSE BILL NO. 251.

MOTION

On motion of Senator Walgren, the Senate commenced consideration of Engrossed House Bill No. 59.

SECOND READING

ENGROSSED HOUSE BILL NO. 59, by Representatives King, Burns, Bender, Fischer, Charnley, Pearsall, Douthwaite, Knowles, Lux, May, McKibbin, Moreau and Salatino:

Providing for collective bargaining at the state institutions of higher education.

REPORT OF STANDING COMMITTEE

April 27, 1977.

ENGROSSED HOUSE BILL NO. 59, providing for collective bargaining at the state institutions of higher education (reported by Committee on Labor):

MAJORITY recommendation: Do pass with the following amendments:

On page 1, strike everything after the enacting clause and insert the following:

NEW SECTION. Section 1. It is the purpose of this chapter to prescribe certain rights and obligations of the educational employees of the institutions of higher education of the state of Washington, and to establish procedures governing the relationship between such employees and their employers which are designed to meet the special requirements and needs of public employment in higher education.

NEW SECTION. Sec. 2. The boards of regents and the boards of trustees of the state institutions of higher education are hereby authorized to engage in collective bargaining with their educational employees and to recognize exclusive bargaining representatives for such purposes.

NEW SECTION. Sec. 3. The definitions set forth in this section shall apply throughout this chapter.

(1) "Employee" and "educational employee" mean any employee of an employer, but shall not include the chief executive or administrative officers of the institution of higher education, confidential employees, casual employees, supervisors, or employees subject to chapter 28B.16 RCW.

(2) "Confidential employee" includes:

(a) Any person who participates directly on behalf of an employer in the formulation of labor relations policy, the preparation for or conduct of collective bargaining, or the administration of collective bargaining agreements, except that the role of such person is not merely routine or clerical in nature but calls for the consistent exercise of independent judgment; and

(b) Any person who assists and acts in a confidential capacity to such person.

(3) "Casual employee" means any individual working "on call" or working in assignments of a limited scope or of a short term or transitory nature so as to indicate that the individual does not share a community of interest with other employees of the institution or lacks an expectancy of continued employment: PROVIDED, That no individual shall be excluded from coverage of this chapter solely on the basis of occupying student status within the institution of higher education while simultaneously holding employee status.

(4) "Supervisor" includes any employee having authority in the interest of an employer to hire, assign, promote, transfer, lay off, recall, suspend, discipline, or discharge other employees, or to adjust their grievances, or to recommend effectively such action if in connection with the foregoing the exercise of such authority is not

merely routine or clerical in nature but calls for the consistent exercise of independent judgment, and shall not include any person solely by reason of his or her membership on a faculty tenure or other governance committee or body. The term "supervisor" shall include only those employees who perform a preponderance of the above-specified acts of authority.

(5) The terms "collective bargaining" and "bargaining" mean the performance of the mutual obligation of the representatives of the employer and the exclusive bargaining representative to meet at reasonable times early in the college or university budget-making process to bargain in good faith in an effort to reach agreement with respect to the wages, hours, and other terms and conditions of employment: PROVIDED, That service and activity fees as defined in RCW 28B.15.041 shall not be a subject for bargaining: PROVIDED FURTHER, That prior law, practice, or interpretation shall be neither restrictive, expansive, nor determinative with respect to the scope of bargaining. A written contract incorporating any agreements reached shall be executed if requested by either party. The obligation to bargain does not compel either party to agree to a proposal or to make a concession.

In the event of a dispute between an employer and an exclusive bargaining representative over the matters that are terms and conditions of employment, the commission shall decide which items are mandatory subjects for bargaining and which items are nonmandatory.

(6) "Commission" means the public employment relations commission established pursuant to RCW 41.58.010.

(7) "Employer" means the board of regents or board of trustees of each institution of higher education. An institution of higher education shall mean each of the state universities, state colleges, and community college districts.

(8) The term "employee organization" means any organization, union, association, agency, committee, council, or group of any kind in which employees participate, and which exists for the purpose, in whole or in part, of collective bargaining with employers.

(9) The term "exclusive bargaining representative" means any employee organization which has:

(a) Been selected or designated pursuant to the provisions of this chapter as the representative of the employees in an appropriate collective bargaining unit; or

(b) Prior to the effective date of this act, been recognized under a predecessor statute as the representative of the employees in an appropriate collective bargaining or negotiations unit.

NEW SECTION. Sec. 4. (1) Employees shall have the right to self-organization, to form, join, or assist employee organizations, to bargain collectively through representatives of their own choosing, and shall also have the right to refrain from any or all of such activities except to the extent that employees may be required to pay a fee to any employee organization under an agency shop agreement authorized in this chapter.

(2) The exclusive bargaining representative shall have the right to have deducted from the salary of employees, upon receipt of an appropriate authorization form which shall not be irrevocable for a period of more than one year, an amount equal to the fees and dues required for membership. Such fees and dues shall be deducted monthly from the pay of all appropriate employees by the employer and transmitted as provided for by agreement between the employer and the exclusive bargaining representative, unless an automatic payroll deduction service is established pursuant to law, at which time such fees and dues shall be transmitted as therein provided. If an agency shop provision is agreed to and becomes effective pursuant to section 5 of this act, except as provided in that section, the agency fee equal to the fees and dues required of membership in the exclusive bargaining representative shall be deducted from the salary of employees in the bargaining unit.

NEW SECTION. Sec. 5. A collective bargaining agreement may include union security provisions including an agency shop, but not a union or closed shop. If an agency shop provision is agreed to, the employer shall enforce it by deducting from the salary payments to members of the bargaining unit the dues required of membership in the bargaining representative, or, for nonmembers thereof, a fee equivalent to such dues. All union security provisions must safeguard the right of nonassociation of employees based on bona fide religious tenets or teachings of a church or religious body of which such employee is a member. Such employee shall pay an amount of money equivalent to regular dues and fees to a nonreligious charity or to another charitable organization mutually agreed upon by the employee affected and the bargaining representative to which such employee would otherwise pay the dues and fees. The employee shall furnish written proof that such payment has been made. If the employee and the bargaining representative do not reach agreement on such matter, the commission shall designate the charitable organization.

NEW SECTION. Sec. 6. The commission upon receiving proper application for certification as an exclusive bargaining representative or upon petition for change of unit definition by the employer or any employee organization and after hearing upon reasonable notice shall determine the appropriate unit for bargaining and shall consider the duties, skills, and working conditions of the employees, the extent of organization among the employees, the community of interest among the employees, the desire of the employees, and the overall management structure of the employer and the interrelationships of divisions within the institution. Unnecessary fragmentation shall be avoided.

Title variations may be appealed to the commission for inclusion in or exclusion from an appropriate unit based on status of educational employee.

NEW SECTION. Sec. 7. (1) Any employee organization may file a request with the commission for recognition as the exclusive representative. Such request shall allege that a majority of the employees in an appropriate collective bargaining unit wish to be represented for the purpose of collective bargaining by such organization, shall describe the grouping of jobs or positions which constitute the unit claimed to be appropriate, shall be supported by credible evidence demonstrating that at least thirty percent of the employees in the appropriate unit desire the organization requesting recognition as their exclusive representative, and shall indicate the name, address, and telephone number of any other interested employee organization, if known to the requesting organization.

(2) The commission shall determine the exclusive representative by conducting an election by secret ballot, except under the following circumstances:

(a) In instances where a serious unfair labor practice has been committed which interfered with the election process and precluded the holding of a fair election, the commission shall determine the exclusive bargaining representative by an examination of organization membership rolls or a comparison of signatures on organization bargaining authorization cards;

(b) In instances where there is then in effect a lawful written collective bargaining agreement between the employer and another employee organization covering any employees included in the unit described in the request for recognition, the request for recognition shall not be entertained unless it shall be filed within the time limits prescribed in subsection (3) of this section for decertification or a new recognition election;

(c) In instances where within the previous twelve months another employee organization has been lawfully recognized or certified as the exclusive bargaining representative of any employees included in the unit described in the request for recognition, the request for recognition shall not be entertained;

(d) In instances where the commission has within the previous twelve months conducted a secret ballot election involving any employees included in the unit described in the request for recognition in which a majority of the valid ballots cast chose not to be represented by any employee organization, the request for recognition shall not be entertained.

(3) Whenever the commission conducts an election to ascertain the exclusive bargaining representative, the ballot shall contain the name of the proposed bargaining representative and of any other bargaining representative showing written proof of at least ten percent representation of the educational employees within the unit, together with a choice for any educational employee to designate that he or she does not desire to be represented by any bargaining agent. Where more than one organization is on the ballot and neither of the three or more choices receives a majority of the valid ballots cast by the educational employees within the bargaining unit, a run-off election shall be held. The run-off ballot shall contain the two choices which receive the largest and second largest number of votes. No question concerning representation may be raised within one year of a certification or attempted certification. Where there is a valid collective bargaining agreement in effect, no question of representation may be raised except during the period not more than ninety nor less than sixty days prior to the expiration date of the agreement. In the event that a valid collective bargaining agreement, together with any renewals or extensions thereof, has been or will be in existence for three years, then the question of representation may be raised not more than ninety nor less than sixty days prior to the third anniversary date of the agreement or any renewals or extensions thereof as long as such renewals and extensions do not exceed three years; and if the exclusive bargaining representative is removed as a result of such procedure, the then existing collective bargaining agreement shall be terminable by the new exclusive bargaining representative so selected within sixty days after its certification or terminated on its expiration date, whichever is sooner, or if no exclusive bargaining representative is so selected, then the agreement shall be deemed to be terminated at its expiration date or as of such third anniversary date, whichever is sooner.

(4) Within the time limits prescribed in subsection (3) of this section, a petition may be filed, which has been signed by at least thirty percent of the employees of a collective bargaining unit then represented by an exclusive bargaining representative, alleging that a majority of the employees in that unit do not wish to be represented by an employee organization, requesting that the exclusive bargaining representative be decertified, and indicating the name, address, and telephone number of the exclusive bargaining representative and any other interested employee organization, if known. Upon the verification of the signatures on the petition, the commission shall conduct an election by secret ballot as prescribed by subsection (3) of this section.

NEW SECTION. Sec. 8. The employee organization which has been determined to represent a majority of the employees in a bargaining unit shall be certified by the commission as the exclusive bargaining representative of, and shall be required to represent all the employees within the unit without regard to membership in that bargaining representative: **PROVIDED,** That any employee at any time may present his grievance to the employer and have such grievance adjusted without the intervention of the exclusive bargaining representative, as long as such representative has been given an opportunity to be present at that adjustment and to make its views known, and as long as the adjustment is not inconsistent with the terms of a collective bargaining agreement then in effect.

NEW SECTION. Sec. 9. A student team to consist of the elected student association officers of any institution of higher education, or their designees, not to exceed three in number, shall be notified of and allowed to be present at all collective bargaining sessions and have access to all written documents pertaining to the

collective bargaining negotiations exchanged by the employer and exclusive bargaining representative, including copies of any prepared written transcripts of the bargaining sessions. Rules regarding confidentiality shall apply to such students in the same manner as to the employer and the exclusive bargaining representative. If rules regarding confidentiality are violated by any student the commission shall have the authority to exclude any or all students from any or all further bargaining sessions affecting the negotiations in progress when the violation occurred. In no event shall student representatives be allowed to be present during or participate in third party dispute resolution proceedings. Participation, other than observation, by students during bargaining sessions shall be determined by agreement between the employer and exclusive bargaining representative.

NEW SECTION. Sec. 10. (1) The commission shall promulgate, revise, or repeal, in the manner prescribed by the administrative procedure act, chapter 34.04 RCW, such rules as it may deem necessary and appropriate to administer the provisions of this chapter, in conformity with the intent and purpose of this chapter, and consistent with the best standards of labor-management relations.

(2) The rules, precedents, and practices of the national labor relations board, provided they are consistent with this chapter, shall be considered by the commission in its interpretation of this chapter, and prior to adoption of any aforesaid commission rules.

NEW SECTION. Sec. 11. (1) It shall be an unfair labor practice for an employer:

(a) To interfere with, restrain, or coerce employees in the exercise of the rights guaranteed in section 4 of this act;

(b) To dominate or interfere with the formation or administration of any employee organization or contribute financial or other support to it: PROVIDED, That subject to rules made by the commission pursuant to section 10 of this act, an employer shall not be prohibited from permitting employees to confer with it or its representatives or agents during working hours without loss of time or pay;

(c) To encourage or discourage membership in any employee organization by discrimination in regard to hire, tenure of employment, or any term or condition of employment, but nothing contained in this subsection shall prevent an employer from requiring, as a condition of continued employment, payment of periodic dues and fees uniformly required to an exclusive bargaining representative pursuant to section 5 of this act;

(d) To discharge or otherwise discriminate against an employee because he has filed charges or given testimony under this chapter;

(e) To refuse to bargain collectively with the representatives of its employees.

(2) It shall be an unfair labor practice for an employee organization:

(a) To restrain or coerce (i) employees in the exercise of the rights guaranteed in section 4 of this act: PROVIDED, That this paragraph shall not impair the right of an employee organization to prescribe its own rules with respect to the acquisition or retention of membership therein; or (ii) an employer in the selection of his representatives for the purposes of collective bargaining or the adjustment of grievances;

(b) To cause or attempt to cause an employer to discriminate against an employee in violation of subsection (1)(c) of this section;

(c) To refuse to bargain collectively with an employer, provided it is the representative of its employees subject to section 8 of this act.

(3) The expression of any views, argument, or opinion, or the dissemination thereof to the public, whether in written, printed, graphic, or visual form, shall not constitute or be evidence of an unfair labor practice under any of the provisions of this chapter, if such expression contains no threat of reprisal or force or promise of benefit.

NEW SECTION. Sec. 12. (1) The commission is empowered to prevent any person from engaging in any unfair labor practice as defined in section 11 of this act. This power shall not be affected by any other means of adjustment or prevention that has been or may be established by agreement, law, equity, or otherwise.

(2) If the commission determines that any person has engaged in or is engaging in any such unfair labor practices as defined in section 11 of this act, then the commission shall issue and cause to be served upon such person an order requiring such person to cease and desist from such unfair labor practice, and to take such affirmative action as will effectuate the purposes and policy of this chapter, such as the payment of damages and/or the reinstatement of employees.

(3) The commission may petition the superior court for the county in which the main office of the employer is located or wherein the person who has engaged or is engaging in such unfair labor practice resides or transacts business, for the enforcement of its order and for appropriate temporary relief.

NEW SECTION. Sec. 13. Actions taken by or on behalf of the commission shall be pursuant to chapter 34.04 RCW, or rules adopted in accordance therewith, and the right of judicial review provided by chapter 34.04 RCW shall be applicable to all such actions and rules.

NEW SECTION. Sec. 14. (1) Contracts or agreements, or any provision thereof, entered into between an employer institution of higher education and an exclusive bargaining representative pursuant to this chapter shall not be affected by or be subject to chapter 28B.19 RCW.

(2) If any provision of any written agreement between the employer and the exclusive bargaining representative requires implementation or appropriation by legislative action, the employer and the exclusive bargaining representative shall be required to seek such implementation or appropriation actively and in good faith.

NEW SECTION. Sec. 15. (1) Whenever a collective bargaining agreement between an employer and an exclusive bargaining representative is concluded after the termination date of the previous collective bargaining agreement between the employer and an employee organization representing the same employees, the effective date of such collective bargaining agreement may be the day after the termination date of the previous collective bargaining agreement, and all benefits included in the new collective bargaining agreement, including wage or salary increases, may accrue beginning with such effective date as established by this subsection, and may also accrue beginning with the effective date of any individual employee contracts affected thereby.

(2) Any collective bargaining agreement may provide for the increase of any wages, salaries, and other benefits during the term of such agreement or the term of any individual employee contracts concerned, in the event that the employer receives by increased appropriation or from other sources, additional moneys for such purposes.

NEW SECTION. Sec. 16. (1) The commission, through the executive director, may proffer its mediation services in any labor dispute involving an employer and an exclusive representative, either upon its own motion or upon the request of one or more of the parties to the dispute, whenever in its judgment such dispute threatens to cause a substantial disruption to the public welfare.

(2) A person designated to act as a mediator in a labor dispute pursuant to this section shall meet with the representatives of the parties, either jointly or separately, and shall take such other steps as he or she may deem appropriate in order to persuade the parties to resolve their differences and effect an agreement: **PROVIDED,** That a mediator shall not have a power of compulsion.

The services of the mediator, including any per diem expenses, shall be provided by the commission without cost to the parties: **PROVIDED,** That nothing in

this section shall be construed to prohibit an employer and an exclusive representative from agreeing to substitute, at their own expense, some other mediator or mediation procedure.

(3) If an employer and an exclusive representative reach an impasse in negotiations for a collective bargaining agreement, either party, by written notice to the other party and to the commission, may request that the matters in dispute be submitted to a fact-finder for recommendations. Upon the filing of a request for fact-finding, the commission shall investigate the situation and may attempt to resolve the matter through mediation. If the executive director, upon the recommendation of the investigator or mediator, finds that the parties remain at impasse after a reasonable period of negotiations, then the executive director shall initiate fact-finding proceedings and shall provide the parties with a list of five persons qualified to serve as the neutral fact-finder. The parties shall forthwith attempt to agree upon a fact-finder from the list provided by the commission or upon some other person. Upon the failure of the parties to agree upon the selection of a fact-finder within five days after the issuance of a list to them, the commission shall, upon the request of either party, appoint a fact-finder. The commission shall not appoint as fact-finder the same person who acted as mediator in the dispute.

(4) The fact-finder shall promptly establish a date, time, and place to meet with the representatives of the parties and shall provide reasonable notice thereof to the parties to the dispute: **PROVIDED**, That the requirements of chapter 34.04 RCW shall not apply to such notice. The fact-finder shall make inquiries and investigations, hold hearings, and take such other steps as he or she may deem appropriate. For the purpose of such hearings, the fact-finder shall have the power to issue subpoenas requiring the attendance and testimony of witnesses and the production of evidence.

(5) The fact-finder shall, within thirty days following the conclusion of the hearing, make written findings of fact and written recommendations to the parties as to how their dispute should be resolved. A copy thereof shall be delivered or mailed to each of the parties to the dispute and a copy shall be filed with the commission. The findings and recommendations of the fact-finder shall be advisory only and shall be held in confidence among the fact-finder, the employer, the exclusive bargaining representative, and the commission for seven calendar days following their issuance to permit the employer and the exclusive bargaining representative to study and respond to the recommendations. No later than seven calendar days following the issuance of the recommendations of the fact-finder, each party shall notify the commission and the other party whether it accepts or rejects, in whole or in part, the recommendations of the fact-finder. If the parties remain in disagreement following the expiration of the seven day period, the findings and recommendations of the fact-finder may be made public.

(6) The fees and expenses of the fact-finder shall be shared equally by the parties, and all other costs of the proceeding shall be paid by the party incurring them: **PROVIDED**, That nothing in this section shall be construed to prohibit an employer and an exclusive representative from agreeing to substitute, at their own expense, some other impasse procedure, or from agreeing to some other allocation of the costs of fact-finding between them.

NEW SECTION. Sec. 17. An employer and an exclusive bargaining representative who enter into a collective bargaining agreement may include in such agreement procedures for binding arbitration of such disputes as may arise involving the interpretation or application of such agreement.

NEW SECTION. Sec. 18. Except as otherwise expressly provided herein, nothing in this chapter shall be construed to annul, modify, or preclude the renewal or continuation of any lawful agreement entered into prior to October 1, 1977, between an employer and an employee organization covering wages, hours, and

terms and conditions of employment. Where there is a conflict between any collective bargaining agreement and any resolution, rule, policy, or regulation of the employer or its agents, the terms of the collective bargaining agreement shall prevail.

NEW SECTION. Sec. 19. Except as otherwise expressly provided herein, nothing contained in this chapter shall be construed to deny or otherwise abridge any rights, privileges, or benefits granted by law to employees.

NEW SECTION. Sec. 20. Nothing in this chapter shall be construed to interfere with the responsibilities and rights of the employer as specified by federal and state law, including the employer's responsibilities to students, the public, and other constituent elements of the institution.

NEW SECTION. Sec. 21. If any provision of this chapter, or its application to any person or circumstance is held invalid, the remainder of the chapter, or the application of the provision to other persons or circumstances is not affected.

NEW SECTION. Sec. 22. The following acts or parts of acts are each hereby repealed:

- (2) Section 2, chapter 196, Laws of 1971 ex. sess., section 1, chapter 205, Laws of 1973 1st ex. sess., section 12, chapter 296, Laws of 1975 1st ex. sess. and RCW 28B.52.020;

Senator Morrison moved adoption of the following amendment to the committee amendment:

On page 2, line 37, after "employment:" strike "PROVIDED" and insert "PROVIDED, That no collective bargaining agreement reached after the effective date of this act but prior to January 1, 1979 shall contain any provision regarding the subject of tenure, nor shall any tenure rights or agreements existing prior to the effective date of this act be precluded from continuing until January 1, 1979: PROVIDED FURTHER, That if a collective bargaining agreement reached after January 1, 1979 contains any provision regarding the subject of tenure, the terms of that agreement shall supersede all existing statutes and any resolution, rule, policy, or regulation of the employer regarding the subject of tenure: PROVIDED FURTHER"

POINT OF INQUIRY

Senator Guess: "Would Senator Morrison yield? Senator Morrison, this is a rather complicated piece of language and I believe that if I followed you correctly that the second proviso says that if a collective bargaining agreement reached after January 1, 1979 contains any provisions regarding the subject of tenure—contains any provisions regarding the subject of tenure—do you mean, is that the provisions regarding tenure the same as tenure? In other words, is there a new way that perhaps you could have tenure without having tenure, if you get what I mean?"

Senator Morrison: "I was presuming that any provision regarding the subject of tenure would be anything related to job security. That is, protection of the job against, let us say, firing or dismissal by the administration."

Senator Guess: "All right, if tenure is in that contract after January 1, 1979, then the terms of the act are then null and void. Is that the impact of it?"

Senator Morrison: "No, the terms of any present statutory protection or tenure mechanisms already in existence within the university and colleges would be null and void for that particular group."

Senator Guess: "Thank you."

On motion of Senator Mardesich, Engrossed House Bill No. 59, together with the pending committee amendments and the amendment by Senator Morrison to the committee amendment, was ordered held on the second reading calendar.

MESSAGE FROM THE HOUSE

June 1, 1977.

Mr. President: The House has passed: ENGROSSED SUBSTITUTE SENATE BILL NO. 3054 with the following amendments:

Beginning on page 1, line 12, strike everything after the enacting clause and insert the following:

"Section 1. Section 7, chapter 294, Laws of 1971 ex. sess. as last amended by section 1, chapter 33, Laws of 1975-'76 2nd ex. sess. and by section 7, chapter 123, Laws of 1975-'76 2nd ex. sess. and RCW 82.04.291 are each reenacted and amended to read as follows:

(1) Upon every person engaging within this state in business as a harvester of timber; as to such persons the amount of tax with respect to such business shall be equal to the stumpage value of timber harvested for sale or for commercial or industrial use multiplied by the appropriate rate as follows:

(a) For timber harvested between October 1, 1972 and September 30, 1973 inclusive, the rate shall be one and three-tenths percent;

(b) For timber harvested between October 1, 1973 and September 30, 1974 inclusive, the rate shall be two and nine-tenths percent and between October 1, 1974 and December 31, 1978, inclusive, six and one-half percent.

(2) For purposes of this section:

(a) "Harvester" means every person who from his own privately owned land or from the privately owned land of another under a right or license granted by lease or contract, either directly or by contracting with others for the necessary labor or mechanical services fells, cuts or takes timber for sale or for commercial or industrial use. It does not include persons performing under contract the necessary labor or mechanical services for a harvester.

(b) "Timber" means forest trees, standing or down on privately owned land, and except as provided in RCW 84.33.170 includes Christmas trees.

(c) "Stumpage value of timber" means the appropriate stumpage value shown on tables to be prepared by the department of revenue pursuant to subsection (3) of this section.

(d) Timber shall be considered harvested at the time when in the ordinary course of business the quantity thereof by species is first definitely determined. The amount harvested shall be determined by the Scribner Decimal C Scale or other prevalent measuring practice adjusted to arrive at substantially equivalent measurements, as approved by the department of revenue.

(3) The department of revenue shall designate areas containing timber having similar growing, harvesting and marketing conditions to be used as units for the preparation and application of stumpage values. Each year on or before December 31 for use the following January through June 30, and on or before June 30 for use the following July through December 31, the department shall prepare tables of stumpage values of each species or subclassification of timber within such units, which values shall be the amount that each such species or subclassification would sell for at a voluntary sale made in the ordinary course of business for purposes of immediate harvest. Such stumpage values, expressed in terms of a dollar amount per thousand board feet or other unit measure, shall be determined from (a) gross proceeds from sales on the stump of similar timber of like quality and character at similar locations, and in similar quantities, or from (b) gross proceeds from sales of logs adjusted to reflect only the portion of such proceeds attributable to value on the stump immediately prior to harvest, or from a combination of (a) and (b), and shall be determined in a manner which makes reasonable and adequate allowances for age, size, quality, costs of removal, accessibility to point of conversion, market conditions and all other relevant factors. Upon application from any person who plans to harvest damaged timber, the stumpage values for which have been materially reduced from the values shown in the applicable tables due to damage resulting from fire, blow down, ice storm, flood or other sudden unforeseen cause, the department shall revise such tables for any area in which such timber is located and shall specify any additional accounting or other requirements to be complied with in reporting and paying such tax. The preliminary area designations and stumpage value tables and any revisions thereof shall be subject to review by the ways and means committees of the house and senate prior to finalization. Tables of stumpage values shall be signed by the director or his designee and authenticated by the official seal of the department. A copy thereof shall be mailed to anyone who has submitted to the department a written request therefor.

(4) On or before the sixtieth day after the date of final adoption of any stumpage value tables, any harvester may appeal to the board of tax appeals for a revision of stumpage values for an area determined pursuant to subsection (3) of this section.

(5) There are hereby created in the state treasury a state timber tax account A and a state timber tax (~~(account-B)~~) reserve account in the state general fund and any interest earned on the investment of cash balances shall be deposited in these accounts. The revenues from the tax imposed by subsection (1) of this section shall be deposited in state timber tax account A and state timber tax (~~(account-B)~~) reserve account as follows:

YEAR OF COLLECTION	ACCOUNT A	(ACCOUNT B) RESERVE ACCOUNT
1973 through ((1978)) 1982	100%	0%

1980	50%	50%
1981	25%	75%
1982)) 1983 and thereafter	0%	100%

(6) In addition to the rates specified in subsection (1) of this section, there shall be imposed upon such persons a surtax at a rate of .5% of the stumpage value of timber as specified in such subsection (1) upon timber harvested between October 1, 1972 and September 30, 1974 inclusive. The revenues from such surtax shall be deposited in ~~((a separate account designated))~~ the state timber tax reserve account ~~((, which is hereby created in the state general fund and any interest earned on the investment of these cash balances shall be deposited in this account))~~. Such surtax shall be reimposed for one year upon timber harvested in any calendar year following any fourth quarter during which transfers from such reserve account pursuant to subsection (3) of RCW 84.33.080 reduce the balance in such account to less than five hundred thousand dollars, but in no event shall such surtax be imposed in any year after 1980.

(7) The tax imposed under this section shall be computed with respect to timber harvested each calendar quarter and shall be due and payable in quarterly installments and remittance therefor shall be made on or before the last day of the month next succeeding the end of the quarterly period in which the tax accrued. The taxpayer on or before such date shall make out a return, upon such forms and setting forth such information as the department of revenue may require, showing the amount of the tax for which he is liable for the preceding quarterly period, and shall sign and transmit the same to the department of revenue, together with a remittance for such amount.

(8) The taxes imposed by this section shall be in addition to any taxes imposed upon the same persons pursuant to one or more of sections RCW 82.04.230 to 82.04.290, inclusive, and RCW 82.04.440, and none of such sections shall be construed to modify or interact with this section in any way, except RCW 82.04.450 and 82.04.490 shall not apply to the taxes imposed by this section.

(9) Any harvester incurring less than ten dollars tax liability under this section in any calendar quarter shall be excused from the payment of such tax, but may be required by the department of revenue to file a return even though no tax may be due.

Sec. 2. Section 6, chapter 294, Laws of 1971 ex. sess. as amended by section 91, chapter 195, Laws of 1973 1st ex. sess. and RCW 84.33.060 are each amended to read as follows:

The balance in state timber tax account A, if any, ~~((after the distribution to taxing districts on November 20, 1974 and))~~ on the twentieth day of the second month of each calendar quarter commencing February 20, 1975 and ending November 20, ~~((1981))~~ 1982 shall be transferred to the state timber tax reserve account.

(4) If, after the transfer, if any, from the state timber tax account A (pursuant to subsection (2) of this section) in August of any year commencing with 1974, the balance in the state timber reserve account exceeds two million dollars, the amount of the excess shall be applied first, subject to legislative appropriation of funds allocated from the state timber reserve account, for activities undertaken by the department of revenue forest (~~(valuation-section)) tax division~~ and for the activities undertaken by the department of natural resources relating to classification of lands as required by this chapter(~~(- PROVIDED, That within the 1973-75 biennium, the state treasurer shall transfer from the state timber reserve account to the state general fund an amount equal to actual expenditures of the department of revenue related to the activities of the forest valuation section no later than August 31, 1974 and August 31, 1975, for the fiscal year just completed. Whenever and so long as, by state law, city charter, or municipal ordinance, provision is made for employees or peace officers injured in the course of employment, such employees shall not be included in the payroll of the municipality under this title: PROVIDED, That whenever any state law, city charter, or municipal ordinance only provides for payment to the employee of the difference between his actual wages and that received under this title and may be included in the payroll of the municipality.

Notwithstanding any other provision of law to the contrary, nothing in this section shall be construed to annul, modify, or preclude the continuation of any existing contracts for providing disability and medical benefits pursuant to chapter 41.26 RCW. Upon the expiration date of such contracts, employers shall be required to cover all such employees as required pursuant to chapter Laws of 1977 (SHB 867) under the provisions of Title 51 RCW."

RULING BY THE PRESIDENT

The President: "In ruling upon the point of order raised by Senator Grant, the President finds that Engrossed Substitute House Bill No. 604 is a request of the Department of Labor and Industries which was submitted in order to clarify and streamline the enforcement of the present industrial insurance law. To accomplish this, the bill makes a variety of procedural changes in that law. The amendment proposed by Senators Marsh and Jones is substantive and deals with contracts providing for disability and medical benefits for law enforcement officers and fire fighters, and with the coverage of injuries to such officers upon the expiration of those contracts. The President, therefore, finds that the amendment does expand the scope and object of the bill and the point of order is well taken."

The amendment by Senators Marsh and Jones was ruled out of order.

There being no objection, an amendment by Senator Morrison to page 7, line 5 on the desk of the Secretary of the Senate, was withdrawn.

Senator Morrison moved adoption of the following amendment:

On page 7, section 8, line 5 after "certified." insert:

"Any group of two or more employers in the same industry with combined assets of \$1,000,000 or any group of two or more municipal corporations may qualify as a self-insurer subject to all existing requirements contained in chapter 51.14 RCW. The director may grant authorization to become a member of such a group upon a reasonable showing by an employer of his solvency and financial stability to meet his obligations as a member of the group. An employer permitted to become a member of such a group shall execute a written agreement in which the employer agrees to jointly and severally assume and discharge any lawful award entered by the Department against any member of the group."

POINT OF ORDER

Senator Ridder: "I would indeed like to raise the question of scope and object on this amendment. It would make a major change in industrial insurance law to what is essentially a housekeeping bill which was requested by the Department of Labor and Industries. The bill deals with procedural aspects of making a self-insurance application and include self-insurers in the second injury fund. It does not deal with coverage for self-insurance. Presently, only individual employers can qualify for self-insurance if they are large enough to meet the financial requirements. This amendment would allow any group of employers to qualify for self-insurance and such a major change was not intended when the bill was introduced. Because of the nature of this major change in industrial insurance law, I ask that you rule the amendment outside the scope and object of the bill."

Debate ensued.

RULING BY THE PRESIDENT

The President: "The President believes, in replying to the point of order presented by Senator Ridder, that the amendment proposed by Senator Morrison on page 7, line 5, is also a substantive amendment in that it deals with the ability of a group of employers whose combined assets exceed one million dollars to self-insure. The President therefore believes that the amendment does expand the scope and object of the bill and the point of order raised by Senator Ridder is well taken."

The amendment by Senator Morrison was ruled out of order.

Senator Morrison moved adoption of the following amendment by Senators Keefe, Morrison and Donohue:

On page 5, beginning on line 22, add a section following section 6 as follows:

"Sec. 7. Section 51.12.020, chapter 23, Laws of 1961 as last amended by section 1, chapter 124, Laws of 1973 and RCW 51.12.020 are each amended to read as follows:

The following are the only employments which shall not be included within the mandatory coverage of this title:

(1) Any person employed as a domestic servant in a private home by an employer who has less than two employees regularly employed forty or more hours a week in such employment.

(2) Any person employed to do gardening, maintenance, repair, remodeling, or similar work in or about the private home of the employer which does not exceed ten consecutive work days.

(3) A person whose work is casual and the employment is not in the course of the trade, business, or profession of his employer.

(4) Any person performing services in return for aid or sustenance only, received from any religious or charitable organization.

(5) Sole proprietors and partners.

(6) Any employee, not regularly and continuously employed by the employer in agricultural labor, whose cash remuneration paid by or due from any one employer in that calendar year for agricultural labor is less than one hundred fifty dollars. Employees not regularly and continuously employed in agricultural labor by any one employer but who are employed in agricultural labor on a seasonal basis shall come under the coverage of this title only when their cash remuneration paid or due in that calendar year exceeds one hundred fifty dollars but only as of the occurrence of that event and only as to their work for that employer.

(7) Any child under eighteen years of age employed by his parent or parents in agricultural activities on the family farm.

(8) Jockeys while participating in or preparing horses for race meets licensed by the Washington horse racing commission pursuant to chapter 67.16 RCW."

Renumber the remaining sections accordingly.

POINT OF INQUIRY

Senator Bottiger: "Would Senator Morrison yield to a question? Senator Morrison, I should have forewarned you of this question but I am concerned about a definition of the word 'jockey.' Is it your intent to include the exercise boys, the hot walkers, all the other people that are associated with the horse; or is it just the jockey who rides in the exercise and the race?"

Senator Morrison: "It was the intent to cover exclusively the jockey because the other people you have mentioned, Senator Bottiger, all have an employee-employer relationship with either the horseman or the horse owner or the track itself. It is the jockey that is in this exclusive area, gray area, and we feel that this continued coverage is not in the best interest of either the jockeys or certainly the tracks nor even the citizens of the state, who end up picking up part of the tab."

The motion by Senator Morrison carried and the amendment was adopted.

On motion of Senator Grant, the following amendment was adopted:

On page 7, line 6 after "may" delete "established sufficient" and insert "~~(established sufficient)~~ be required by the director to supplement existing"

Senator Morrison moved adoption of the following amendment:

On page 8, line 21, after "a" delete "satisfactory"

POINT OF INQUIRY

Senator Guess: "Would Senator Grant yield? Senator Grant, can you describe what satisfactory means?"

Senator Grant: "No, I think that would be up to the discretion of the Director, Senator Guess."

Senator Guess: "If you cannot make a determination, cannot in all your wisdom, Senator, how would you expect a bureaucrat to do it?"

Senator Grant: "We leave a great deal to the department and the director with regard to self-insurance, whether or not to accept an application for self-insurance in many instances, and I should think that if there is a continual history, Senator Guess, and I am not going to try to act as the director of the department in this case, but if there is a continual history of accidents within a self-insurer's work place, then the right to self-insure maybe should be put in jeopardy and the discretion ought to be there for the director."

Debate ensued.

POINT OF INQUIRY

Senator Bottiger: "Would Senator Morrison yield to a question? Senator Morrison, I tend to agree with you. I do not know how you could prove a satisfactory record unless you had something to compare it to. If you had two people exactly alike, one had a lot of accidents, one did not, then obviously one would have an unsatisfactory record; but whether the other one would be satisfactory I do not know. But how about using instead, 'indicate inadequate program for accident prevention'?"

Senator Morrison: "Senator Bottiger, I think if you would read the rest of the language in sub (4) starting on line 18, and I will read this for the body, the new language 'he or she has'—and again, this is when the director is trying to determine whether someone should qualify as a self-insurer—he or she has demonstrated to the department the existence of a safety organization maintained by him or her within his or her establishment that indicates a satisfactory record of accident prevention."

Senator Bottiger: "Senator Morrison, I stand corrected. I had not . . ."

Senator Morrison: "I think, Senator Bottiger, that it requires a safety organization, that it is there and it is functioning, and the only thing I do not want to see someone denied self-insurance status just because there was an argument on a term that even Senator Grant decided we could not define here on the floor."

The motion by Senator Morrison carried and the amendment was adopted on a rising vote.

Senator Grant moved adoption of the following amendment:

On page 8, line 22, strike all material beginning with "He" on line 22 through "including" on line 24 and substitute the following:

"He or she has demonstrated to the department that an adequately trained and staffed administrative organization will be maintained within his or her establishment to manage industrial insurance matters including:"

POINT OF ORDER

Senator Clarke: "I raise the question of scope and object on this particular amendment and I am a little surprised that Senator Grant is presenting it in view of his objection to Senator Morrison's amendment which was in exactly the similar field, and that had to do with the substantive right of self-insurance. I think it is more or less common knowledge that at the present time many of the self-insurers maintain professional outside claim administrators and this would completely change the existing practice by prohibiting that and it certainly enlarges the scope and object identically with that that was presented by Senator Morrison and where the point was raised by Senator Grant."

RULING BY THE PRESIDENT

The President: "The President in ruling upon the point of order presented by Senator Clarke finds that the amendment proposed by Senator Grant affects the ability of self-insuring Washington employers to utilize service companies. The President believes that consistent with his ruling on the amendment proposed by Senator Marsh and Senator Jones that the amendment proposed by Senator Grant would expand the scope and object of the bill. Therefore, the point of order is well taken."

The amendment by Senator Grant was ruled out of order.

On motion of Senator Morrison, the following amendments by Senators Lewis, Morrison and Ridder were considered and adopted simultaneously:

On page 9, line 34, strike "other employers" and insert "its customers"

On page 9, line 34, after "employer" strike "only"

On page 9, line 36, through line 1 on page 10, strike "for such other employers" and insert: "as determined by the department: PROVIDED, That the employer shall be liable for paying premiums and assessments, should the temporary help company fail to pay the premiums and assessments under this title"

On motion of Senator Morrison, the following amendments were adopted:

On page 11, line 19, after "department" strike "may" and insert "shall"

On page 15, line 5, after "or" strike "remove" and insert "((remove)) move

Senator Morrison moved adoption of the following amendment by Senator Mardesich:

On page 18, line 27 at the end of Sec. 23 insert:

"Sec. 24. Section 51.52.120, chapter 23, Laws of 1961 as amended by section 1, chapter 63, Laws of 1965 ex. sess. and RCW 51.52.120 are each amended to read as follows:

(1) It shall be unlawful for an attorney engaged in the representation of any ((workman)) worker or beneficiary to charge for services in the department any fee in excess of a reasonable fee, of not more than thirty percent of the increase in the

award secured by the attorney's services. Such reasonable fee shall be fixed by the director for services performed by an attorney for such ((workman)) worker or beneficiary, prior to the notice of appeal to the board if written application therefor is made by the attorney, ((workman)) worker or beneficiary.

(2) If, on appeal to the board, the order, decision or award of the department is reversed or modified and additional relief is granted to a ((workman)) worker or beneficiary, or in cases where a party other than the ((workman)) worker or beneficiary, or in cases where a party other than the ((workman)) worker or beneficiary is the appealing party and the ((workman's)) worker's or beneficiary's right to relief is sustained by the board, the board shall fix a reasonable fee for the services of his or her attorney in proceedings before the board (~~if written application therefor is made by the attorney, workman or beneficiary~~). In fixing the amount of such attorney's fee, the board shall take into consideration the fee allowed, if any, by the director, for services before the department, and the board may review the fee fixed by said director. Any attorney's fee set by the department or the board may be reviewed by the superior court upon application of such attorney. Where the board, pursuant to this section, fixes the attorney's fee, it shall be unlawful for an attorney to charge or receive any fee for services before the board in excess of that fee fixed by the board. Any person who violates any provision of this section shall be guilty of a misdemeanor."

Renumber remaining sections accordingly.

POINT OF ORDER

Senator Marsh: "Mr. President, I raise the question of scope and object. Mr. President, this clearly is a very substantive amendment and you have already ruled that this is a procedural bill so I think the point is quite obvious it is beyond the scope and object."

RULING BY THE PRESIDENT

The President: "Senator Marsh has raised the point of order that the amendment does change the scope and object of the bill. The President agrees with the remarks by Senator Marsh. The amendment does change the scope and object of the bill. Therefore, the point is well taken."

The amendment by Senator Mardesich was ruled out of order.

Senator Morrison moved adoption of the following amendment:

On page 10, line 36, strike "((previous injury or disease)) cause whatsoever" and insert "previous injury or disease"

On motion of Senator Ridder, the amendment by Senator Morrison will be considered later.

Senator Grant moved the following amendments by Senators Hayner, Grant, Pullen and Rasmussen be considered and adopted simultaneously:

On page 12, section 13, line 17 after "made." insert a new section as follows:

"NEW SECTION. Sec. 14. Notwithstanding any other provision of this chapter, any public employee for whom a permanent total disability results from an injury caused by an intentional, malicious criminal act while in the performance of their official duties shall receive monthly during the period of such disability 80% of his wages, but not less than \$700 dollars per month."

Renumber remaining sections.

On page 13, section 14, line 16 after "therefrom." insert a new section as follows:

"NEW SECTION. Sec. 15. Notwithstanding any other provision of this chapter, any public employee for whom a temporary total disability results from an injury caused by an intentional, malicious criminal act while in the performance of

their official duties shall receive monthly during the period of such disability 80% of his wages but not less than \$700 dollars per month."

Renumber remaining sections.

POINT OF ORDER

Senator Ridder: "Reluctantly, Mr. President, I must say that I must raise the point of order of scope and object on this amendment."

The President: "Senator Ridder has raised the point of order that the two amendments change the scope and object of the bill. Are there any remarks on the point of order?"

Senator Ridder: "I would simply have to say that in line with your previous ruling as to the procedural nature of the bill, that this does indeed make a substantive change and it may very well be appropriate that it be a separate bill at a succeeding session."

RULING BY THE PRESIDENT

The President: "In ruling upon the point of order presented by Senator Ridder, the President finds that consistent to previous rulings involving amendments to Engrossed Substitute House Bill No. 604 that the two amendments proposed by Senator Hayner, Senator Grant, Senator Pullen, Senator Rasmussen are also substantive in nature and consequently do change the scope and object of the measure. Therefore, the point is well taken."

The amendments by Senators Hayner, Grant, Pullen and Rasmussen were ruled out of order.

Senator Grant moved adoption of the following amendment:

On page 13, after line 2 insert the following:

"Sec. 15. Section 51.32.080, chapter 23, Laws of 1961 as last amended by section 46, chapter ... (HB 49), Laws of 1977 1st ex. sess. and RCW 51.32.080 are each amended to read as follows:

Compensation for any other permanent partial disability not involving amputation shall be in the proportion which the extent of such other disability, called unspecified disability, shall bear to that above specified, which most closely resembles and approximates in degree of disability such other disability, compensation for any other unspecified permanent partial disability shall be in an amount as measured and compared to total bodily impairment: PROVIDED, That in order to reduce litigation and establish more certainty and uniformity in the rating of unspecified permanent partial disabilities, the department shall enact rules having the force of law classifying such disabilities in the proportion which the department shall determine such disabilities reasonably bear to total bodily impairment. In enacting such rules, the department shall give consideration to, but need not necessarily adopt, any nationally recognized medical standards or guides for determining various bodily impairments. Renumber the following sections consecutively and correct internal references accordingly.

Debate ensued.

POINT OF ORDER

Senator Clarke: "I do raise the question of scope and object. It is quite obvious from the remarks of both Senators Grant and Francis that this is a most substantive bill, and without speaking to the issue of the bill itself, I think we would all agree that the only proper procedure to be followed in the Senate to be sure that all issues are given proper consideration is to abide by the usual scope and object question so that when matters of real import or matters which in reality the members have not been alerted to as coming up stand on their own feet and do not come in through the back door where very substantive legislation is endeavored to be placed before the body by amendment to a completely unrelated bill."

Debate ensued.

REMARKS BY SENATOR CLARKE

Senator Clarke: "I want to make the additional point that as evidenced by the other Senators who have spoken, the proposed amendment is substantially identical to another bill and for that reason is also out of order."

Further debate ensued.

RULING BY THE PRESIDENT

The President: "In ruling upon the point of order presented by Senator Clarke, the President believes that Engrossed Substitute House Bill No. 604 is merely a

measure to clarify and streamline enforcement of the present industrial insurance law and does this by making a number of procedural changes in that law. The President believes that consistent with his ruling on previous amendments that the amendment proposed by Senator Grant is substantive in nature in that it increases compensation to be received by workmen suffering permanent partial disabilities by approximately fifty percent in each instance. Therefore, the point is well taken and the amendment does change the scope and object of the bill."

The amendment by Senator Grant was ruled out of order.

The Senate resumed consideration of the following amendment by Senator Morrison moved for adoption earlier today:

On page 10, line 36, strike "~~((previous injury or disease))~~ cause whatsoever" and insert "previous injury or disease"

The motion by Senator Morrison carried and the amendment was adopted.

On motion of Senator Morrison, the following amendment by Senators Keefe, Morrison and Donohue to the title was adopted:

On page 1, line 11 of the title, after "RCW 51.08.178;" and before "amending" insert "amending section 51.12.020, chapter 23, Laws of 1961 as last amended by section 1, chapter 124, Laws of 1973 and RCW 51.12.020;"

On motion of Senator Ridder, the rules were suspended, Engrossed Substitute House Bill No. 604, as amended by the Senate, was advanced to third reading, the second reading considered the third, and the bill was placed on final passage.

MOTION

On motion of Senator Lewis, Senator Scott was excused.

ENGROSSED SUBSTITUTE HOUSE BILL NO. 604, as amended by the Senate, having received the constitutional majority, was declared passed. There being no objection, the title of the bill was ordered to stand as the title of the act.

MOTION

On motion of Senator Keefe, Engrossed Substitute House Bill No. 604, as amended by the Senate, was ordered immediately transmitted to the House.

SECOND READING

SUBSTITUTE HOUSE BILL NO. 3, by Committee on Revenue (originally sponsored by Representatives Kilbury, Boldt and Oliver):

Taxing federal nuclear power generators.

The Senate resumed consideration of Substitute House Bill No. 3. On June 9, 1977, the amendment to page 2, beginning on line 13 by the Committee on Ways

and Means was adopted. Senator Bottiger moved the amendment to page 5, beginning on line 20 by the Committee on Ways and Means not be adopted.

Debate ensued.

Senator Odegaard moved the amendment to page 5, beginning on line 20 be adopted.

The motion by Senator Odegaard carried and the amendment was adopted on a rising vote.

On motion of Senator Odegaard, the amendments to page 5, lines 30 and 33 by the Committee on Ways and Means were adopted.

Senator Rasmussen moved adoption of the following amendment by Senators Rasmussen and Newschwander:

On page 6, after line 1, add sections as follows:

"NEW SECTION. Sec. 8. The legislature finds and declares that the existing drought conditions and shortage of hydroelectric power have caused severe economic impact on electric utilities and their customers in obtaining sufficient quantities of electric power and energy from other sources, which has or will necessitate the imposition of purchased power surcharge or cost adjustments in addition to the existing rate schedules of such utilities. Because of the drought conditions and shortage of hydroelectric power, which has caused severe economic impact on electric utilities and their customers in obtaining sufficient quantities of electric power and energy from other sources, the legislature further finds that such cost adjustments or surcharge arising out of the increased cost of purchasing necessary power to meet the needs of the electrical utilities and their customers, should not be taxed by the state or any local subdivision thereof.

NEW SECTION. Sec. 9. Notwithstanding any other provision of law, if an economic condition exists as provided in section 8 of this amendatory act which does necessitate the imposition of purchased power surcharge or cost adjustments in addition to the existing rate schedules charged such utilities; neither the state or any local subdivision thereof shall impose a tax or fee thereon.

NEW SECTION. Sec. 10. There is added to chapter 15, Laws of 1961 and to chapter 82.16 RCW a new section to read as follows:

In addition to the deductions provided for in RCW 82.16.050, in computing tax there may be deducted from gross income by persons in the light and power business, the following item: Amounts derived from the sale of electrical energy other than for resale equal to the cost of electrical energy purchased from others, but excluding electrical energy generated by the United States, which for any reporting period under RCW 82.16.070 exceeds the average of the total cost of such purchased electrical energy for the same period in the prior two years, but not to exceed the amount of total additional charge to customers, or other authorized temporary increase in total charge for electrical energy to customers, on account of such purchased electrical energy.

NEW SECTION. Sec. 11. Sections 8 through 10 of this amendatory act are necessary for the immediate preservation of the public peace, health, and safety, the support of the state government and its existing public institutions, and shall take effect immediately.

NEW SECTION. Sec. 12. The provisions of sections 8 through 10 of this amendatory act shall expire on July 1, 1978, and thereafter shall be null and void and of no further force and effect whatsoever."

PARLIAMENTARY INQUIRY

Senator Bottiger: "Mr. President, I intend to raise the point of scope and object on the Rasmussen-Newschwander amendment and I want to make sure that I do not give up that right by offering an amendment to the amendment."

REPLY BY THE PRESIDENT

The President: "The President believes that if you wish to raise the point of scope and object on the amendment that you should do it prior to any action."

POINT OF ORDER

Senator Bottiger: "Mr. President, I raise the point of order that the Rasmussen-Newschwander amendment expands the scope and object of House Bill 3.

"House Bill 3 is a bill that pertains to one subject and a very narrow one at that. It pertains to the in lieu of property taxes collected on a federal reservation on which is located a thermal electric generating facility. In order to provide the purpose of House Bill 3, it is necessary to amend the Title 54 Public Utility District in lieu of taxes which are found in 54.28.010 and the concluding section. Senator Rasmussen's amendment goes to an excise tax that applies to all generating facilities, no matter whether private or public, no matter whether they are on a military reservation or not, and no matter whether they are thermal electric or not. And to make that amendment it is necessary to go the public utility excise tax statutes found in Chapter 82.16.050. In addition, the House Bill 3 is a permanent bill applying to future distribution of the in lieu of property tax bill, whereas the Rasmussen-Newschwander amendment is a singular subject dealing with surcharge taxes, again, for all utility districts of any kind, no matter where situated and no matter whether public or private. I would suggest that the Newschwander-Rasmussen amendment substantially expands the scope and object and purpose of House Bill 3."

RULING BY THE PRESIDENT

The President: "In ruling upon the point of order raised by Senator Bottiger, the President finds that Substitute House Bill 3 deals only with the taxation of federal nuclear powered generators. The amendment proposed by Senator Rasmussen and Senator Newschwander deals with the taxation of all power and light companies and with the taxation of the customers of those companies by either the state or any unit of local government. Therefore, the President finds that the proposed amendment does expand the scope and object of the bill and that the point of order is well taken."

The amendment by Senators Rasmussen and Newschwander was ruled out of order.

On motion of Senator Odegaard, the rules were suspended, Substitute House Bill No. 3, as amended by Senate, was advanced to third reading, the second reading considered the third, and the bill was placed on final passage.

REPORT OF CONFERENCE COMMITTEE

June 15, 1977.

Mr. Speaker:
Mr. President:

We, of your Conference Committee, to whom was referred ENGROSSED SUBSTITUTE HOUSE BILL NO. 446, changing the requirements for real estate licenses, have had the same under consideration, and we report that we are unable to agree and respectfully request the powers of Free Conference in order to amend the bill as follows:

That the Senate amendments to page 9, line 14 and page 9, line 15 be adopted;

That the Senate amendment to page 9, line 22, be not adopted, and the following amendment be substituted:

On page 9, line 22, after "RCW 18.85.010" insert "; nor, (5) any owner of rental or lease property, members of the owner's family whether or not residing on such property, or a resident manager of a complex of residential dwelling units wherein such manager resides; nor, (6) any person who manages residential dwelling units on an incidental basis and not as his principal source of income so long as that person does not advertise or hold himself out to the public by any oral or printed solicitation or representation that he is so engaged."

On page 9, following section 9, add a new section as follows:

"NEW SECTION. Sec. 10. The department of motor vehicles shall undertake a study of chapter 18.85 RCW and submit recommendations to the legislature at its first meeting after January 1, 1978, for revisions to the statutes regulating the real estate industry. The examination shall determine the most appropriate means of regulating commercial and residential property managers, sales personnel, developers and other appropriate phases of the industry. The department shall coordinate its review with any interim study efforts by the senate and house commerce committees."

Signed by: Senators Van Hollebeke, Morrison and Bottiger; Representatives Greengo and Eng.

MOTION

Senator Bottiger moved the report of the Conference Committee be adopted and the committee be granted the powers of Free Conference on Engrossed Substitute House Bill No. 446.

POINT OF INQUIRY

Senator Rasmussen: "Will Senator Bottiger yield to a question? Senator Bottiger, on the proposed change, this has to do with managing apartments, that a person does not advertise or hold himself out to the public by any oral or printed solicitation or representation that he is so engaged. Would a printed sign saying 'Manager' be in conflict with this proposed law?"

Senator Bottiger: "Senator Rasmussen, you will notice, reading up above, that we permit the owner to allow someone who is not a resident of his property. Now, obviously, the sign on the resident manager's door would not be holding himself out as being available to be hired by others to do this for other people. That is what the intent of the language is and perhaps Senator Morrison might help me on it. I am trying to interpret your question."

Senator Rasmussen: "I want to get the intent of what you mean."

Senator Bottiger: "The intent would not be to prohibit somebody from having 'Manager' on his door. The intent would be to prohibit somebody from soliciting for other business by putting up a sign saying 'I am willing to manage your property.' What we are after is permitting people to do this on an incidental basis where you take care of my house when I am out of town, collect the rent, pay the mortgage, fix the drippy faucet, but not that we permit you to go into business doing that without being bonded or licensed under another provision of the chapter."

Senator Rasmussen: "Thank you."

The motion of Senator Bottiger carried and the report of the Conference Committee was adopted and the committee was granted the powers of Free Conference on Engrossed Substitute House Bill No. 446.

Mr. President:

Mr. Speaker:

Signed by: Senators Mardesich and Van Hollebeke; Representatives Erickson, Sommers and Newhouse.

MOTION

Senator Jones moved the report of the Free Conference Committee on House Bill No. 1284 be adopted.

POINT OF INQUIRY

Senator Grant: "Would Senator Jones yield? Senator Jones, I have not had an opportunity to read this. Would you explain how the Mardesich amendment was treated again?"

Senator Jones: "The Mardesich amendment was unlimited in the sense that it would allow all books and records or any records pertaining to any lessee or sublessee, which seemed a bit much. This would mean that records that had absolutely nothing to do with this transaction would be open to review. And, of course, under this kind of restriction it would be very difficult to obtain a lease. We have, in the amendment, which is on the report in front of you, Senator Grant—do you want one? Now I do not have one."

MOTIONS

On motion of Senator Walgren, the Senate commenced consideration of Senate Resolution 1977-100.

Senator Goltz moved adoption of the following resolution:

SENATE RESOLUTION 1977-100

By Senators Goltz, Bluechel and North:

WHEREAS, The Alaska Native Claims Settlement Act of 1971 not only granted the Natives title to land, but also authorized consideration of new national parks, wildlife refuges, forests and wild and scenic rivers; and

WHEREAS, Key federal lands in Alaska were withdrawn from development until December, 1978, pending Congressional action which would give them permanent protection; and

WHEREAS, Included in these lands are 125 million acres of the most wondrous and ecologically sensitive wilderness on our Continent; and

WHEREAS, It is now the responsibility of the 95th Congress to determine the status of these lands and to provide for their inclusion into our national conservation systems; and

WHEREAS, Legislation to insure the survival of America's last great wilderness is pending in the 95th Congress, the Alaska National Interest Lands Conservation Act (ANILCA), which would add nearly 115 million acres in 51 units to four national conservation systems.

NOW, THEREFORE, BE IT RESOLVED, That the Senate of the State of Washington, urges the Congress to pass legislation ensuring the continued protection of National Interest Lands in Alaska so that future generations of Americans may enjoy the great and unique wildlife, wilderness, scenic, recreational and scientific values found on Alaska's public lands; and

BE IT FURTHER RESOLVED, That copies of this resolution be transmitted to the President of the United States Senate, the Speaker of the House of Representatives, and each member of Congress from the State of Washington.

POINT OF INQUIRY

Senator Day: "Would Senator Goltz yield? Senator Goltz, I happened to catch that program on TV and I noted that the debate seemed to be whether they were going to set aside one hundred and twenty-five million acres and not let anybody do anything with any part of it other than for recreational purposes. Now, is it not true that timber resources there, if not harvested, will fall down and rot and wouldn't it be a better method to approach this by allowing them to do certain things with rigid restrictions of reforestation, replacing surface situations in mining, etc., rather than to just have the whole thing set aside as a total loss?"

Senator Goltz: "It is my understanding, Senator Day, that of the land in question that there would be eighteen million acres which would be set aside for logging and mining purpose that it would not restrict the entire amount for all kinds of activities. I think the resolution is an attempt to say that we should, before we open up all of that territory, be very careful as to how it is opened. I have no quarrel whatsoever with the idea of multiple use or setting aside some of this land for development, but I think the publicity that I saw yesterday was somewhat misleading to the effect that it was to build a fence around the one hundred twenty-five million acres, and that is not what I understand this legislation to do."

Debate ensued.

MOTION

Senator Newschwander moved that Senate Resolution 1977-100 be referred to the Committee on Rules.

Debate ensued.

The motion by Senator Newschwander carried and Senate Resolution 1977-100 was referred to the Committee on Rules.

MOTION

On motion of Senator Walgren, Senate Resolution 1977-102, non-involvement politically of OPP&FM in Washington magazine, was referred to the Committee on Rules.

MOTION

On motion of Senator Walgren, the Senate returned to the second order of business.

Mr. Speaker:

Mr. President:

We, of your Conference Committee, to whom was referred SUBSTITUTE HOUSE BILL NO. 318, as amended by the Senate, permitting owners of property subject to condemnation proceedings to give the property to governmental unit involved, have had the same under consideration, and we report that we are unable to agree and respectfully request the powers of Free Conference in order to amend the bill as follows:

NEW SECTION. Sec. 4. There is added to Chapter 58.17 RCW a new section to read as follows:

As limited herein, any county may adopt an ordinance which permits the owner of real property to transfer by deed a portion of the real property on which the owner resides to his or her child or children without complying with all or part of the requirements of the county subdivision or short subdivision ordinances: PROVIDED, That such transfer shall comply with all applicable state or local zoning, health, and other regulations which are not contained in, or adopted pursuant to the provisions of, Chapter 58.17 RCW. Such an ordinance shall at least contain the following restrictions and provisions but may contain further restrictions or provisions which in the determination of the county legislative authority will safeguard the integrity of the county comprehensive plan, growth policies, any zoning ordinances or other land use control measures, and any other policies of the county:

(1) No person may receive any interest in more than one parcel of real property pursuant to the provisions of this section.

(2) Every parcel of real property which is transferred pursuant to the provisions of this section may only be transferred for and used for single family dwelling homesite purposes which shall include no more than one single family dwelling unit and necessary and related out buildings on each parcel so transferred.

In the title, strike everything after "AN ACT" and insert: "Relating to real property; amending section 18, chapter 240, Laws of 1971 ex. sess. and RCW 8.26-.180; creating new sections; and adding a new section to chapter 58.17 RCW."

Signed by: Senators Rasmussen, Newschwander and Gaspard; Representatives Hansen and Lee.

MOTION FOR RECONSIDERATION

Having voted on the prevailing side, Senator Francis moved the Senate reconsider adoption of the Conference Committee report on Substitute House Bill No. 318 and granting the powers of Free Conference.

Debate ensued.

POINT OF ORDER

Senator Rasmussen: "The point of order on de facto Senator Francis. A new one that I have never heard before. That he would at this stage of the game say that he had voted on the prevailing side because he failed to vote. I think that that is a very unusual position to take. The powers of free conference were granted and I

Debate ensued.

Senator Rasmussen: "Mr. President, I did not raise any question of inpuing Senator Francis's motives and what Senator Bottiger is saying that he quite frequently does not vote, he does when he is here and he is here quite frequently, but I did raise a point of order because he was here and the powers of free conference were granted on the motion of Senator Walgren and it was passed, so I do not think he has any right to raise the reconsideration at this time."

Further debate ensued.

RULING BY THE PRESIDENT

The President: "The Secretary advises the President that your remarks are correct, Senator Francis. Therefore, the President must assume that every person on the

floor voted in the affirmative on the motion. Therefore, the question before the Senate is the motion by Senator Francis that the Senate reconsider the vote by which the report of the conference committee on Substitute House Bill No. 318 was adopted and the powers of Free Conference granted."

NEW SECTION. Sec. 7. Sections 7 through 13 of this act shall be known and cited as "The Transitional Bilingual Instruction Act of 1977". The legislature finds that there are large numbers of children who come from homes where the primary language is other than English. Experience has shown that classes which are taught in English are inadequate to meet the needs of these children. The legislature finds that a bilingual education program can meet the needs of these children. Pursuant to the policy of this state to insure equal educational opportunity to every child in this state, it is the purpose of this act to provide for the implementation of transitional bilingual education programs in the public schools, and to provide supplemental financial assistance to help local school districts to meet the extra costs of these programs.

(2) "Primary language" means the language first acquired for usage in the home.

(3) "Eligible pupil" means any enrollee of a school district where there are at least fourteen or more additional enrollees who have the same primary language other than English and whose English language skills are sufficiently deficient or absent to impair learning when taught only in English: PROVIDED, That eligible pupils shall receive no more than three years of state funded bilingual instruction. The pupil shall be transferred to the normal English language program when annual tests indicate the necessary competency.

NEW SECTION. Sec. 9. Every school district board of directors shall:

(1) Make available to each eligible pupil bilingual instruction in accord with rules of the superintendent of public instruction.

(2) Appoint and maintain an advisory committee of bilingual teachers and parents whose children are in the bilingual instruction program, excepting those school districts wherein fewer than fifty eligible pupils are enrolled in such bilingual education program. Where fewer than fifty eligible pupils are enrolled, parental involvement shall be sought.

(3) Wherever feasible, school officials shall ensure that communications to parents emanating from the schools shall be appropriately bilingual for those parents of pupils in the bilingual instruction program.

(4) Annually determine the number of eligible pupils enrolled in the school district in accord with methods prescribed by rules of the superintendent of public instruction.

NEW SECTION. Sec. 10. The superintendent of public instruction shall prepare and issue prior to September, 1977, program development guidelines to assist school districts in preparing their programs. On line 1 of the title after "education;" and before "providing" insert "providing for certain remedial educational services;"

On line 3 of the title after "clinics;" and before "creating" insert "providing for bilingual instruction in the common schools;"

On line 3 of the title after "sections;" and before "adding" delete "and"

On line 5 of the title after "thereof" and before the period insert "; and making effective dates", and the same is herewith transmitted.

DEAN R. FOSTER, Chief Clerk.

MOTION

Senator McDermott moved the Senate concur in the House amendments to Second Substitute Senate Bill No. 2232.

POINT OF ORDER

Senator Clarke: "Mr. President, I raise the question of scope and object on that amendment that relates to bilingual education."

RULING BY THE PRESIDENT

The President: "In ruling upon the point of order raised by Senator Clarke, the President finds that Second Substitute Senate Bill No. 2232 deals solely with the certification and operation of educational clinics. The President further finds that the House floor amendment offered by Representative Boldt and others is a striking

amendment which adds to Second Substitute Senate Bill 2232 several sections relating to a mandated program of bilingual instruction in all schools. The President therefore finds that the House floor amendment expands the scope and object of Second Substitute Senate Bill 2232 and the point of order raised by Senator Clarke is well taken. Pursuant to Senate Rule 60, the measure is referred to the Senate Committee on Ways and Means."

MOTION FOR RECONSIDERATION

The Senate resumed consideration of the motion for reconsideration by Senator Francis. Earlier today, Senator Francis moved the Senate reconsider the vote by which the Conference Committee report on Substitute House Bill No. 318 was adopted and the committee granted the powers of Free Conference.

MOTION

Senator Rasmussen moved the Senate not reconsider adoption of the Conference Committee report on Substitute House Bill No. 318, on reconsideration. Debate ensued.

POINT OF ORDER

Senator Goltz: "Mr. President, listening to the argument on both sides, it seems that what Senator Rasmussen has described is an expansion of the scope and object of the bill by the conference committee report, and I wonder if you would rule upon that particular point of order.

"In listening to the arguments on this bill, it seemed to me that Senator Rasmussen, by his explaining the bill, clearly stated that the action they took expanded the scope and object of the bill and I would like to raise that as a point of order."

RULING BY THE PRESIDENT

The President: "The President believes, first of all, that the remarks expressed by Senator Ted Bottiger are correct in the sense that such a motion would be untimely at this time. The President wishes to point out that the Senate has confirmed the conference committee to confer with the House on Substitute House Bill No. 318. This committee has reported back and requested that their report be adopted and the powers of free conference be granted. The President does not believe that any bill necessarily has been presented to the Senate with amendments. Therefore, the President does not believe that a point of order pertaining to subject and object is proper at this time. The President believes it is up to the Senate to determine whether or not they wish to adopt the report and to grant the powers of free conference. The President believes that the Senate Rules are based on this particular prerogative of the conference committee."

The motion for reconsideration by Senator Francis carried on a rising vote.

The President declared the question before the Senate to be the positive motion by Senator Rasmussen that the Senate do adopt the report of the Conference Committee on Substitute House Bill No. 318, on reconsideration, and the committee be granted the powers of Free Conference.

PARLIAMENTARY INQUIRY

Senator Rasmussen: "The body has indicated by the previous vote that they were unhappy with that Section 3. Now the conference committee can go back and attempt to rewrite Section 3 or strike Section 3. If my motion fails, would this be

the direction that the conference committee would take, go back and prepare a report that would be agreeable?"

REPLY BY THE PRESIDENT

The President: "Yes, Senator Rasmussen. Then, in essence, Senator Francis's motion would be in effect; or if you care to, Senator Rasmussen, if you wish to withdrawn your motion, that would be in order."

Further debate ensued.

There being no objection, on motion of Senator Rasmussen, the motion to adopt the report of the Conference Committee on Substitute House Bill No. 318, on reconsideration, was withdrawn.

The motion by Senator Francis carried. The report of the Conference Committee on Substitute House Bill No. 318, on reconsideration, was not adopted and the bill was returned to the Conference Committee for further consideration.

SECOND READING

ENGROSSED HOUSE BILL NO. 59, by Representatives King, Burns, Bender, Fischer, Charnley, Pearsall, Douthwaite, Knowles, Lux, May, McKibbin, Moreau and Salatino:

Providing for collective bargaining at the state institutions of higher education.

The Senate resumed consideration of Engrossed House Bill No. 59. On June 18, 1977, Senator Ridder had moved adoption of the committee amendment and the following amendment by Senator Morrison to the committee amendment had been moved for adoption:

On page 2, line 37, after "employment:" strike "PROVIDED" and insert "PROVIDED, That no collective bargaining agreement reached after the effective date of this act but prior to January 1, 1979 shall contain any provision regarding the subject of tenure, nor shall any tenure rights or agreements existing prior to the effective date of this act be precluded from continuing until January 1, 1979: PROVIDED FURTHER, That if a collective bargaining agreement reached after January 1, 1979 contains any provision regarding the subject of tenure, the terms of that agreement shall supersede all existing statutes and any resolution, rule, policy, or regulation of the employer regarding the subject of tenure: PROVIDED FURTHER"

The motion of Senator Morrison carried and the amendment to the committee amendment was adopted.

Senator Guess moved adoption of the following amendment by Senators Pullen, Benitz, Gould, Guess, Mardesich, Day and Donohue to the committee amendment:

On page 2, line 39, after "bargaining:" and before "PROVIDED" insert:

"PROVIDED FURTHER, That in no event shall a collective bargaining agreement provide for the granting of tenure to an employee with less than three (3) years employment."

Debate ensued.

POINT OF INQUIRY

Senator Morrison: "Would Senator Goltz yield to a question? Senator Goltz, would this amendment deny the transfer of tenure? For instance, a professor leaving one institution and moving to another because of, say, a change in educational offerings could not take any protection of tenure with him?"

Senator Goltz: "Senator Morrison, it is my understanding that tenure is a condition granted only by an institution. It is not a condition which is transferable. Tenure in one institution means literally nothing in another institution unless the second institution actually confirms or grants tenure to that individual."

The motion by Senator Guess failed and the amendment to the committee amendment was not adopted.

Senator Matson moved adoption of the following amendment to the committee amendment:

On page 15, line 2, after the period, add:

"NEW SECTION. Sec. 22. There is hereby appropriated from the state general fund for the biennium ending June 30, 1979, to the following institutions of higher education and the Public Employment Relations Commission the following amounts, or so much thereof as may be necessary to carry out the purposes of this 1977 amendatory act; PROVIDED, That the State Board of Community College Education shall allocate not more than \$20,000 to any community college district:

For the University of Washington	\$143,600
For Washington State University	143,600
For Central Washington Regional University	108,900
For Eastern Washington Regional University	108,900
For Western Washington Regional University	108,900
For The Evergreen State College	108,900
For the State Board of Community College Education .	250,000
For the Public Employment Relations Commission	150,000
General Fund Appropriations—State	\$1,122,800
Total Appropriations	\$1,122,800"

Re-number remaining sections accordingly.

Debate ensued.

On motion of Senator Talley, the amendment by Senator Matson to the committee amendment was laid upon the table on a rising vote.

POINT OF ORDER

Senator Marsh: "The Morrison amendment on my desk is to page 15 of the engrossed House bill, and before us at the present time is a committee amendment which has not yet been adopted. I think it is out of order at this time."

REPLY BY THE PRESIDENT

The President: "Senator Marsh and members of the Senate, your point of order is well taken. However, the amendment has been changed to fit the committee amendment."

On motion of Senator Morrison, the following amendment to the committee amendment was adopted:

On page 15, following line 2, add a new section as follows:

"NEW SECTION. Sec. 22. There is hereby appropriated from the general fund to the Public Employment Relations Commission for the biennium ending June 30, 1979, the sum of one hundred fifty thousand dollars, or so much thereof as may be necessary, to carry out the purposes of this 1977 amendatory act."

Re-number remaining sections accordingly.

The motion by Senator Ridder carried and the committee amendment, as amended, was adopted.

Senator Ridder moved the committee amendments to the title be considered and adopted simultaneously.

On motion of Senator Morrison, the following amendment to the title to the committee amendments was adopted:

On page 1, line 27 of the title, after "41.59.050" and before "." insert "making an appropriation;"

The motion by Senator Ridder carried and the committee amendments to the title, as amended, were adopted.

MOTION

Senator Clarke moved Engrossed House Bill No. 59, as amended by the Senate, be referred to the Committee on Ways and Means.

Debate ensued.

Senator Ridder demanded a roll call and the demand was sustained by Senators Washington, Herr, Walgren, Francis, Bottiger, Goltz, Newschwander, Guess and Morrison.

The President declared the question before the Senate to be the motion by Senator Clarke that Engrossed House Bill No. 59, as amended by the Senate, be referred to the Committee on Ways and Means.

ROLL CALL

The Secretary called the roll and the motion failed by the following vote: Yeas, 16; nays, 23; absent or not voting, 1; excused, 9.

Voting yea: Senators Benitz, Bluechel, Clarke, Gould, Guess, Jones, Lewis, Matson, Morrison, Murray, Newschwander, North, Rohrbach, Sandison, Sellar, Wanamaker—16.

Voting nay: Senators Bausch, Beck, Bottiger, Day, Francis, Gaspard, Goltz, Grant, Henry, Herr, Keefe, Marsh, McDermott, Monohon, Peterson, Ridder, Talley, Van Hollebeke, von Reichbauer, Walgren, Washington, Wilson, Wojahn—23.

Absent or not voting: Senator Rasmussen—1.

Excused: Senators Buffington, Donohue, Fleming, Hayner, Mardesich, Odegaard, Pullen, Scott, Woody—9.

On motion of Senator Ridder, the rules were suspended, Engrossed House Bill No. 59, as amended by the Senate, was advanced to third reading, the second reading considered the third, and the bill was placed on final passage.

Debate ensued.

MOTION

On motion of Senator Walgren, Engrossed House Bill No. 59, as amended by the Senate, was ordered placed on the third reading calendar for June 20, 1977.

MOTION

On motion of Senator Walgren, the Senate returned to the fourth order of business.

DEAN R. FOSTER, Chief Clerk.

INTRODUCTION AND FIRST READING

ENGROSSED HOUSE BILL NO. 1086, by Representative Thompson:
Relating to revenue and taxation.

MOTION

On motion of Senator Walgren, the rules were suspended, Engrossed House Bill No. 1086 was advanced to second reading and placed on the second reading calendar.

MOTION

At 9:00 p.m., on motion of Senator Walgren, the Senate recessed until 10:03 p.m.

SECOND EVENING SESSION

The President called the Senate to order at 10:03 p.m.

SECOND READING

ENGROSSED HOUSE BILL NO. 1086, by Representative Thompson:
Relating to revenue and taxation.
The bill was read the second time by sections.

MOTION

Senator Walgren moved the rules be suspended, Engrossed House Bill No. 1086 be advanced to third reading, the second reading considered the third, and the bill be placed on final passage.

Debate ensued.

POINT OF INQUIRY

Senator Grant: "Would Senator McDermott yield? Senator McDermott, I am looking at page 5, the definition of compensation. I see that you have defined it as one hundred and seven percent of the average salary of a certificated and one hundred and fourteen percent of the average salary for classified personnel. Now, how did you arrive at that seven and fourteen percent figure? What is included? Exactly what is included as far as benefits in that seven and fourteen percent?"

Senator McDermott: "Senator Grant, there are several ways to define something. One way is to be specific about it and another way is to leave local control and put out a specific amount of money and let the local districts use that money for a benefit package of their choosing. Historically in this state, the benefit package has been decided at the local level, and we chose to define compensation as the amount of money that is presently in the budget and has been historically in the budget; that is, seven percent for certified people and fourteen percent for the classified people. There is a great diversity of benefit packages out in the districts and it is impossible to say what every district uses that money for."

Senator Grant: "Senator McDermott, let me be specific then. Is the employer contribution to pensions involved in the fourteen percent for classified?"

Senator McDermott: "It is my understanding that it is a part of it, yes."

Senator Grant: "All right. Is the employer contribution toward social security a part of the seven or the fourteen percent for either classified or certificated?"

Senator McDermott: "My impression that the contributions to social security are an employer cost and is not included."

Senator Grant: "They are not included? So what about health insurance and dental plans?"

Senator McDermott: "That sort of thing differs from district to district. It certainly is included in various districts. Senator Grant, the money could be used for any kind of health and welfare kind of program. We do not specify, we never have

specified, we have always given the money to the districts and let them do as they choose."

Senator Grant: "Are there any other items, to your knowledge, that make up the seven percent for certificated other than health insurance and dental?"

Senator McDermott: "Nothing else that I am particularly aware of."

POINT OF INQUIRY

Senator Guess: "Would Senator McDermott yield? Following on the same vein that Senator Grant was questioning, Senator McDermott, it seems that it would have been a lot better had we used the English language and the common term and used that compensation, including benefits or including fringes, then we would have all understood it. Can you say why we did not use compensation including fringes?"

Senator McDermott: "Senator Guess, we are looking at this time at the forty-ninth draft of the levy lid bill. Yesterday we had a bill agreed upon, we thought, which went over to the House and the House took out the phrase 'including benefits.' That was a major portion of the hangup last night, which is why we are back here tonight doing the same thing, and we agreed upon this language as defining benefits as a substitute which for me would have been more preferable. That is, to use the term 'including benefits,' but we felt that in order to define it we could define it in terms of the money available and chose to do that as a compromise."

Senator Guess: "In other words, what you are telling me then is that compensation is that which is given to them, a hundred percent of normal payroll plus seven percent in the certified and fourteen percent or vice versa."

Senator McDermott: "Yes, those figures, seven and fourteen, in actuality are I think six point nine two percent for certified and thirteen point nine zero for classified and for budget making purposes we have always used seven and fourteen."

POINT OF INQUIRY

Senator Rasmussen: "Senator McDermott, when Senator Grant was asking you if the seven percent for pensions was included in the fourteen percent you indicated yes, it was the employer's portion of the pension. And then he asked you the further question in regard to the five point eight five social security which would be the employer's portion, and you indicated that was not part of it. How do you differentiate between social security pension and state pension?"

Senator McDermott: "Senator Rasmussen, I talked with several people after I said that. I said to Senator Grant that I did not think it was but I have checked and, in fact, it is included."

Senator Grant moved adoption of the following amendments:

On page 5, line 7, strike "seven" and insert "thirteen"

On page 5, line 9, strike "fourteen" and insert "twenty"

Debate ensued.

MOTION

Senator McDermott moved the amendments by Senator Grant be laid upon the table.

Senator McDermott demanded a roll call and the demand was sustained by Senators Wojahn, Rasmussen, Matson, Talley, von Reichbauer, Ridder, Day and Keefe.

The President declared the question before the Senate to be the motion by Senator McDermott that the amendments by Senator Grant to Engrossed House Bill No. 1086 be laid upon the table.

ROLL CALL

The Secretary called the roll and the motion by Senator McDermott carried by the following vote: Yeas, 30; nays, 13; absent or not voting, 1; excused, 5.

Voting yea: Senators Benitz, Bluechel, Clarke, Day, Donohue, Francis, Gould, Guss, Henry, Herr, Jones, Lewis, Mardesich, Matson, McDermott, Monohon, Morrison, Newschwander, North, Odegaard, Peterson, Rohrbach, Scott, Sellar, Talley, Van Hollebeck, Walgren, Wanamaker, Washington, Wilson—30.

Voting nay: Senators Bausch, Beck, Gaspard, Goltz, Grant, Keefe, Marsh, Murray, Rasmussen, Ridder, Sandison, von Reichbauer, Wojahn—13.

Absent or not voting: Senator Bottiger—1.

Excused: Senators Buffington, Fleming, Hayner, Pullen, Woody—4.

The motion by Senator Walgren carried. The rules were suspended and Engrossed House Bill No. 1086 was advanced to third reading, the second reading considered the third, and the bill was placed on final passage.

Debate ensued.

POINT OF INQUIRY

Senator Grant: "Will Senator McDermott yield? Senator McDermott, what is meant by the language on page 4 beginning on line 10 where it talks about 'that amount equal to ten percent for excess levies in '77 for collection in 1979 and years thereafter'? Is that a leeway available to districts with regard to special levies over and above the four percent that is permitted for salaries at the top of the schedule?"

Senator McDermott: "Are you speaking about that language beginning on line 10?"

Senator Grant: "Yes."

Senator McDermott: "This levy lid bill provides that all districts shall have the option of using levy ability up to ten percent of their basic education allocation for program enhancement. Not for salary increases but for program enhancement. That means they can reduce their class size, they can provide additional courses. Maybe they have presently got one foreign language and they would like to provide two, that sort of thing. That provision, the ten percent for program enhancement, will be available to all districts and will be the only levy available after the '80-81 school year."

Senator Grant: "May they use a portion of that for salaries if they are at the top of the schedule which would equal the increase in the consumer price index? Of the ten percent? May they use four percent or if the increase in the CPI is higher than that, may they use the higher figure for salaries?"

Senator McDermott: "The language of the bill says well, let us take a specific example. Last year consumer price index was five point six percent. The state, for a district at the top, and the only district that can use this for the consumer price index is the district that has reached the top of the schedule, that is Bellevue at eighteen thousand three zero one. They can use part of that special levy money to raise an additional one point four or one point six percent, depending on what the final consumer price index is. Once they have used that part of their ten percent enhancement for that kind of program, they have wired it in forever. If they lose a levy they have to reduce teachers' salaries and reduce classified salaries."

Further debate ensued.

POINT OF INQUIRY

Senator Gould: "Would Senator McDermott yield to a question? When you answered the question of Senator Grant regarding that increment which could be in special levies for the top districts, I had been under the impression that that would automatically become part of the salary, average salary for that district for the next

year, once it had been passed. Where in this bill or in what document would provide us the assurance that that would not be so?"

Senator McDermott: "Senator Gould, the insurance you are looking for is actually in the budget bill. This bill and the basic education bill and the budget bill are all of one piece, and we are only limiting levies in here. In the budget bill we take care of what amount of salary increase is possible in each district, given where they fit in the schedule, either above the state average, below the state average or at the maximum, so that language is in the budget bill."

Senators Talley, Peterson and von Reichbauer demanded the previous question and the demand was sustained.

The President declared the question before the Senate to be the roll call on final passage of Engrossed House Bill No. 1086.

ROLL CALL

The Secretary called the roll on the final passage of Engrossed House Bill No. 1086 and the bill passed the Senate by the following vote: Yeas, 35; nays, 8; absent or not voting, 1; excused, 5.

Voting yea: Senators Bausch, Benitz, Bluechel, Day, Donohue, Francis, Goltz, Gould, Guess, Henry, Herr, Jones, Keefe, Lewis, Mardesich, Marsh, Matson, McDermott, Monohon, Morrison, Newschwander, North, Odegaard, Peterson, Rohrbach, Sandison, Scott, Sellar, Talley, Van Hollebeke, von Reichbauer, Walgren, Wanamaker, Washington, Wilson—35.

Voting nay: Senators Beck, Clarke, Gaspard, Grant, Murray, Rasmussen, Ridder, Wojahn—8.

Absent or not voting: Senator Bottiger—1.

Excused: Senators Buffington, Fleming, Hayner, Pullen, Woody—5.

ENGROSSED HOUSE BILL NO. 1086, having received the constitutional majority, was declared passed. There being no objection, the title of the bill was ordered to stand as the title of the act.

PERSONAL PRIVILEGE

Senator Jones: "I did not want to hold up the action of Senator Talley's move for the previous question and I wanted to state my reasons for voting yes on this measure and I hope this could be entered in the Journal. I feel that this is one of the cornerstones of full funding for education through the state. I came down here with that in mind and I do not think this is going to be the greatest thing in the world for Bellevue or the districts I represent, but I think we have to look at this as a state problem and transcend the problems of our own districts, and that is why I voted 'yes' and I hope that we can get on with, get out of here, doing a decent job. Let us get on to the next two parts of this package."

MOTION

On motion of Senator Walgren, Senate Resolution 1977-107, effectiveness of Shorelines Management Act, was referred to the Committee on Rules.

MOTION

At 10:30 p.m., on motion of Senator Walgren, the Senate recessed until 10:00 a.m., Monday, June 20, 1977.

JOHN A. CHERBERG, President of the Senate.

SIDNEY R. SNYDER, Secretary of the Senate.

"ALMIGHTY GOD, WE PAUSE TO REFLECT ON A BIBLICAL PASSAGE READ IN ALL CATHOLIC CHURCHES TODAY AROUND THE WORLD. IT IS THAT MOVING PASSAGE IN I SAMUEL 17 WHEN THE ISRAELITES WERE FACE TO FACE WITH THE PHILISTINES AND NOT A SOLDIER IN SAUL'S ARMY HAD THE COURAGE TO FACE GOLIATH.

"THEN ONE DAY A YOUNG TEENAGER ARRIVED AND TURNED FRUSTRATION, DEFECTION AND HUMILIATION INTO VICTORY, JOY AND CELEBRATION. TOO THIN TO WEAR THE TRADITIONAL SOLDIER'S ARMOUR, THE YOUNG DAVID FACED HIS ADVERSARY WITH THESE MEMORABLE WORDS, 'I COME AGAINST YOU IN THE NAME OF THE LORD OF HOSTS.'

MOTION

Senator Henry moved the Senate refuse to concur in the House amendment to Engrossed Substitute Senate Bill No. 2522 and ask the House to recede therefrom.

PARLIAMENTARY INQUIRY

Senator Clarke: "In the event that we act upon this amendment at the present time by asking the House to recede and it comes back, would it still be possible to raise the question of scope and object on that particular amendment after it comes back?"

REMARKS BY SENATOR HENRY

Senator Henry: "Mr. President, it is my belief that it is, Senator Clarke, and if they do not recede I have no intention of putting it in conference. I will just merely take it back to my committee and rewrite the bill as quickly as possible and try to catch it on the fly."

REMARKS BY SENATOR CLARKE

Senator Clarke: "With that understanding that that is—I just want to be certain that we have not waived because I do think that we should have, Mr. President, the alternative of first seeing whether or not the House would recede without waiving the right to urge scope and object and, in effect, clean the matter up in that way."

REPLY BY THE PRESIDENT

The President: "The President would like to give that some careful thought before answering your question, Senator Clarke."

Senator Henry: "While he is making some careful thought, I would also say that we have the votes here on the floor; I would merely re-refer it to my committee. How would that work?"

Senator Clarke: "Okay. Thank you."

REPLY BY THE PRESIDENT

The President: "Senator Clarke, in reply to your inquiry, the President believes that action on the motion presented by Senator Henry would not preclude the Senate from considering the amendments individually."

The motion by Senator Henry carried. The Senate refused to concur in the House amendment to Engrossed Substitute Senate Bill No. 2522 and asks the House to recede therefrom.

Mr. Speaker:

Mr. President:

We, of your Conference Committee, to whom was referred ENGROSSED SUBSTITUTE HOUSE BILL NO. 960, as amended by the Senate, enacting "The Education Act of 1977", have had the same under consideration, and we report that we are unable to agree and respectfully request the powers of Free Conference in order to adopt the following bill:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Section 1. This 1977 amendatory act shall be known and may be cited as "The Washington Basic Education Act of 1977". The program evolving from the Basic Education Act shall include (1) the goal of the school system as defined in section 2 of this 1977 amendatory act, (2) those program requirements enumerated in section 3 of this 1977 amendatory act, and (3) the determination and distribution of state resources as defined in sections 4 and 5 of this 1977 amendatory act.

The requirements of the Basic Education Act are deemed by the legislature to comply with the requirements of Article IX, section 1 of the state Constitution, which states that "It is the paramount duty of the state to make ample provision for the education of all children residing within its borders, without distinction or preference on account of race, color, caste, or sex", and are adopted pursuant to Article IX, section 2 of the state Constitution, which states that "The legislature shall provide for a general and uniform system of public schools".

(1) For the purposes of sections 3 through 5 of this 1977 amendatory act:

Each school district's basic educational program shall be accessible to all students between the ages of five and twenty-one years of age and shall consist of a minimum of one hundred eighty school days per school year in such grades as are conducted by a school district, and one hundred eighty half-days of instruction, or equivalent, in kindergarten. The state board of education pursuant to its authority in RCW 28A.04.120 and 28A.41.130, as now or hereafter amended, shall adopt the necessary rules and regulations to ensure program compliance with the provisions of this section.

Sec. 4. Section 2, chapter 46, Laws of 1973 as last amended by section 1, chapter 211, Laws of 1975 1st ex. sess. and RCW 28A.41.130 are each amended to read as follows:

From those funds made available by the legislature for the current use of the common schools, the superintendent of public instruction shall distribute annually as provided in RCW 28A.48.010 to each school district of the state operating a program approved by the state board of education an amount which, when combined with the following revenues, excluding excess property tax levies, will constitute ((an equal guarantee in dollars for each weighted pupil enrolled)) a basic education allocation in dollars for each annual average full time equivalent student enrolled, based upon one full school year of one hundred eighty days, except that for kindergartens one full school year may be ninety days as provided by RCW 28A.58.180:

(1) The receipts from the one percent tax on real estate transactions ((which may be imposed)) pursuant to chapter 28A.45 RCW ((~~PROVIDED, That the funds otherwise distributable under this section to any school district in any county which does not impose a tax in the full amount authorized by chapter 28A.45 RCW shall be reduced by five percent~~)); and

(2) One hundred percent of the receipts from public utility district funds distributed to school districts pursuant to RCW 54.28.090; and

(3) One hundred percent of the receipts from federal forest revenues distributed to school districts pursuant to RCW 36.33.110; and

(4) One hundred percent of such other available revenues as the superintendent of public instruction may deem appropriate for consideration in computing state equalization support.

Basic education shall be considered to be fully funded by those amounts of dollars appropriated by the legislature pursuant to sections 4 and 5 of this 1977 amendatory act to fund those program requirements identified in section 3 of this 1977

amendatory act in accordance with the formula and ratios provided in section 5 of this 1977 amendatory act.

Operation of a program approved by the state board of education, for the purposes of this section, shall include a finding that the ratio of ((pupils)) students per classroom teacher((s)) in grades kindergarten through three is not greater than the ratio of ((pupils)) students per classroom teacher in grades four and above for such district: PROVIDED, That for the purposes of this section, "classroom teacher" shall be defined as ((a-certificated-employee)) an instructional employee possessing at least a provisional certificate, but not necessarily employed as a certificated employee, whose primary duty is the daily educational instruction of pupils: PROVIDED FURTHER, That the state board of education shall adopt rules and regulations to insure compliance with the ((pupil)) student/teacher ratio provisions of this section, and such rules and regulations shall allow for exemptions for those special programs and/or school districts which may be deemed unable to practicably meet the ((pupil)) student/teacher ratio requirements of this section by virtue of a small number of ((pupils)) students: PROVIDED, FURTHER, That these rules and regulations shall provide that any district that has a ratio of no greater than twenty-five students per classroom teacher in grades kindergarten through three shall be in conformance with this section.

((Notwithstanding any other provision of this chapter, the state shall guarantee to school districts an amount of money from state and local funds, not less than ninety-five percent of the average amount per enrolled student, excluding special levies, which any such district realized from state and local funds during the preceding three school years:)) If a school district's basic education program fails to meet the basic education requirements enumerated in sections 3 through 5 of this 1977 amendatory act, the state board of education shall require the superintendent of public instruction to withhold state funds in whole or in part for the basic education allocation until program compliance is assured: PROVIDED, That for the school years 1978 through 1981 the state board of education may waive this requirement in the event of levy failure: PROVIDED FURTHER, That the state board of education may waive this requirement in the event of substantial lack of classroom space.

Sec. 5. Section 14, chapter 244, Laws of 1969 ex. sess. and RCW 28A.41.140 are each amended to read as follows:

((To determine a "weighted student enrolled," as that term is used in this chapter a schedule shall be established by the superintendent of public instruction which shall provide appropriate recognition of the following costs among the various types of students and districts of the state, with the equalization of educational opportunity being the primary objective:

- (1) Costs attributable to staff experience and professional preparation; and
- (2) Costs to state and local funds attributable to the operation of approved educational programs arising as a result of a concentration of culturally disadvantaged students, or as a result of a high degree of transient enrollment;
- (3) Costs resulting from the operation of small school plants within districts: PROVIDED, That such plants are judged by the state board of education as remote and necessary;
- (4) Costs differentials attributable to the operation of approved elementary and secondary programs;
- (5) Costs which must be incurred to operate an approved vocational program;
- (6) Costs resulting from the attendance of students who:
 - (a) Do not reside within the servicing school district: PROVIDED, That nothing within this provision shall be construed as affecting the reimbursement procedures in RCW 28A.44.040;

~~(b) Reside in any home or institution devoted to providing a home for dependent or otherwise referred or entrusted children: PROVIDED, Such home or institution is exempt from taxation under the laws of the state of Washington; or~~

~~(c) Constitute at least three percent of the student enrollment within the district and who reside within the servicing district on property of either the state, its political subdivisions, or any municipal corporation.~~

~~The weighting schedule when established shall be renewed biennially by the state superintendent and shall be subject to approval, rejection or amendment by the legislature. The schedule shall be submitted for approval as a part of the state superintendent's biennial state budget. In the event the legislature rejects the weighting schedule presented, without adopting a new schedule, the schedule established for the previous biennium shall remain in effect. The enrollment of any district, before weighting, shall be the average number of full time students and part time students as provided in RCW 28A.41.145 enrolled on the first school day of each month:))~~

The basic education allocation for each annual average full time equivalent student shall be determined in accordance with the following procedures:

The governor shall and the superintendent of public instruction may recommend to the legislature a formula based on a ratio of students to staff for the distribution of a basic education allocation for each annual average full time equivalent student enrolled in a common school. The distribution formula shall have the primary objective of equalizing educational opportunities and shall provide appropriate recognition of the following costs among the various districts within the state:

- (1) Certificated staff and their related costs;
- (2) Classified staff and their related costs;
- (3) Nonsalary costs; and
- (4) Extraordinary costs of remote and necessary schools and small high schools.

This formula for distribution of basic education funds shall be reviewed biennially by the superintendent and governor. The recommended formula shall be subject to approval, amendment or rejection by the legislature. Commencing with the 1980-81 school year, the formula adopted by the legislature shall reflect a ratio of not less than fifty certificated personnel to one thousand annual average full time equivalent students and one classified person to three certificated personnel. In the event the legislature rejects the distribution formula recommended by the governor, without adopting a new distribution formula, the distribution formula for the previous biennium shall remain in effect: PROVIDED, That the distribution formula developed pursuant to this section shall be for state apportionment and equalization purposes only and shall not be construed as mandating specific operational functions of local school districts other than those program requirements identified in section 3 of this 1977 amendatory act. The enrollment of any district shall be the annual average number of full time equivalent students and part time students as provided in RCW 28A.41.145, as now or hereafter amended, enrolled on the first school day of each month. The definition of full time equivalent student shall be determined by rules and regulations of the superintendent of public instruction: PROVIDED, That the definition shall be included as part of the superintendent's biennial budget request: PROVIDED, FURTHER, That any revision of the present definition shall not take effect until approved by the house appropriations committee and the senate ways and means committee: PROVIDED, FURTHER, That the office of program planning and fiscal management shall make a monthly review of the superintendent's reported full time equivalent students in the common schools in conjunction with RCW 43.62.050.

Certificated staff shall include those persons employed by a school district in a teaching, instructional, administrative or supervisory capacity and who hold positions as certificated employees as defined under RCW 28A.01.130, as now or hereafter amended, and every school district superintendent, and any person hired in any manner to fill a position designated as, or which is in fact, that of deputy superintendent or assistant superintendent: PROVIDED, That in exceptional cases, people of unusual competence but without certification may teach students so long as a certificated person exercises general supervision: PROVIDED, FURTHER, That the hiring of such noncertificated people shall not occur during a labor dispute and such noncertificated people shall not be hired to replace certificated employees during a labor dispute: PROVIDED, FURTHER, That the hiring of such noncertificated persons shall be subject to disapproval by the superintendent of public instruction. Annual written statements shall be submitted to the office of the superintendent of public instruction reporting and explaining such circumstances. Annual average full time equivalent certificated classroom teacher's direct classroom contact hours shall be at least twenty-five hours per week. Classroom contact hours shall be exclusive of time required to be spent for preparation, conferences, or any other nonclassroom instruction duties. Classified staff shall include those persons employed by a school district other than certificated staff as defined in this section in a capacity for which certification is not required.

Sec. 6. Section 28A.41.160, chapter 223, Laws of 1969 ex. sess. as last amended by section 3, chapter 80, Laws of 1977 and RCW 28A.41.160 are each amended to read as follows:

Reimbursement for transportation costs shall be in addition to (~~state assistance based upon weighted enrollment~~) the basic education allocation. Transportation costs shall be reimbursed as follows:

(1) (~~Operational reimbursement~~) School districts shall be (limited to ninety) reimbursed up to one hundred percent of the (service costs on routes) operational costs for established bus routes for the transportation of students to and from common schools as recommended by the educational service district superintendent or his or her designee, and as approved by the state superintendent: PROVIDED, That commencing with the 1980-81 school year, reimbursement shall be at one hundred percent or as close thereto as reasonably possible; and

(2) Costs of acquisition of approved transportation equipment shall be (limited) reimbursed up to (ninety) one hundred percent of the cost to be reimbursed over the anticipated life of the vehicle, as determined by the state superintendent: PROVIDED, That commencing with the 1980-81 school year, reimbursement shall be at one hundred percent or as close thereto as reasonably possible: PROVIDED FURTHER, That reimbursements for the acquisition of approved transportation equipment received by school districts shall be held within the general fund exclusively for the future (purpose) purchase of approved transportation equipment and for major transportation equipment repairs consistent with rules and regulations authorized and promulgated under RCW 28A.41.170 and chapter 28A.65 RCW.

NEW SECTION. Sec. 7. There is added to chapter 223, Laws of 1969 ex. sess. and to chapter 28A.41 RCW a new section to read as follows:

In addition to those state funds provided to school districts for basic education, the legislature shall appropriate funds for pupil transportation, in accordance with RCW 28A.41.160, and for programs for handicapped students, in accordance with chapter 28A.13 RCW. The legislature may appropriate funds to be distributed to school districts for population factors such as urban costs, enrollment fluctuations and for special programs, including but not limited to, vocational-technical institutes, compensatory programs, bilingual education, urban, rural, racial and disadvantaged programs, programs for gifted students, and other special programs.

Sec. 8. Section 4, chapter 217, Laws of 1969 ex. sess. as amended by section 1, chapter 14, Laws of 1972 ex. sess. and RCW 28A.41.145 are each amended to read as follows:

In fixing the amount of any such claim by a high school district for educating nonresident high school (~~(pupits)~~) students from such nonhigh districts the educational service district board shall determine the net difference between the cost of educating high school (~~(pupits)~~) students in the given high school district per (~~(weighted pupit)~~) annual average full time equivalent student enrolled for the preceding year as determined pursuant to RCW 28A.44.080(2) and the total state (~~(guarantee, including the equal guarantee)~~) basic education allocation provided for in RCW 28A.41.130, per (~~(weighted pupit)~~) annual average full time equivalent student enrolled in such high school district for the preceding year, less any funds received by the high school district pursuant to Title 20, sections 236 through 244, United States Code, for any nonresident high school (~~(pupits)~~) students educated in the high school district for such preceding year. Except as otherwise provided by law, it is the general policy of the state that the common schools shall be open to the admission of all persons between the ages of ~~((six))~~ five and twenty-one years residing in that school district. Except as otherwise provided by law, the state board of education is hereby authorized to adopt rules in accordance with chapter 34.04 RCW which establish uniform entry qualifications, including but not limited to birth date requirements, for admission to kindergarten and first grade programs of the common schools. Such rules may provide for exceptions based upon the ability, or the need, or both, of an individual student.

County commissioners or the legislative authority of the respective counties to which the money is distributed are authorized and directed annually to distribute not less than fifty percent of said money to each school district within each such county according to the proportional number of ~~((weighted))~~ annual average full time equivalent students enrolled in each such school district during the immediate preceding school year as certified by the ~~((county school superintendent of schools or the intermediate))~~ educational service district superintendent ~~((of schools as the case may be: PROVIDED, That if any such school district would suffer a decrease in its total revenue as the result of receipt of said money, such district may refuse its proportional share and the county commissioners shall thereupon redistribute such proportional share to the remaining districts in the county))~~. SIGNED BY THE PRESIDENT

SENATE BILL NO. 2441.

MOTION

On motion of Senator Walgren, the Senate returned to the fourth order of business.

MESSAGE FROM THE HOUSE

June 19, 1977.

Mr. President: The House has concurred in the Senate amendments to SUBSTITUTE HOUSE BILL NO. 3 on page 2, beginning on line 13, on page 5, line 30, and on page 5, line 33; and refuses to concur in the Senate amendment on page 5, beginning on line 20, and asks the Senate to recede therefrom, and the same is herewith transmitted.

DEAN R. FOSTER, Chief Clerk.

MOTION

Senator Bottiger moved the Senate do recede from its amendment to page 5, beginning on line 20 to Substitute House Bill No. 3.

Debate ensued.

POINT OF INQUIRY

Senator Ridder: "I wonder if Senator Benitz would yield? My impression is that the scope of supply for the nuclear plants is considerably different than might be true for a PUD. In other words, the PUD would have customers within a fairly localized area and this particular facility, of course, has customers who range perhaps statewide. Would that be accurate?"

Senator Benitz: "Yes, that would be an accurate statement, but I would also add that the problem is that we are getting a number of these because the location is not desired by other places, and consequently the burden on local government is terrific and I think this is the point that you are missing."

Senator Ridder: "What kind of burden, Senator?"

Senator Benitz: "Just plain growth. We do not have roads. The idea is to pass this and pass it at a fair rate so that the local governments can bond to increase facilities that are available for the people to live, for the roads for them to get to and from work. We have absolutely the worst traffic jam in the state of Washington trying to get to and from these projects."

Senator Ridder: "Would I be inaccurate in feeling that the percentage, even at the lower rate, would be yielding a considerably greater amount of money than perhaps might be true for a PUD?"

Senator Benitz: "Yes, the proposed House Bill 3 does raise the rate of taxation on these facilities a considerable amount above what we have in the PUD law now."

Senator Ridder: "And the amount, since it is based on a much larger amount, would indeed be considerably greater."

Senator Benitz: "Yes, it would yield, but further, the important thing is that there will not be one cent of revenue from this bill until 1982 and if we have another strike over there like we had last summer it will be even later than that, so the idea to get this through is for local government. It will not help state general fund budget before 1982 anyway, but it will help local government because the cities of Kennewick, Pasco and Richland want to use this legislation to bond against, and so the reason I think we should be very fair and put it at the thirty-seven percent for the school district when they get the money."

Senator Ridder: "I am afraid I have to say that I think your proposal would be perhaps more than fair."

Further debate ensued.

POINT OF INQUIRY

Senator Morrison: "Would Senator Benitz yield to a question please? Senator Benitz, I understand that this is of great interest to all the representatives from the Tri-Cities area. I understand that you have had communication particularly with Representative Kilbury. Is it fair for me to say that Representative Kilbury has assured you that if the Senate does send this back without concurring with the House position, that there is a good chance they will recede from their amendment and that the bill will pass as passed by the Senate?"

Senator Benitz: "Yes, Senator Morrison. I have been assured by the people in the Tri-City areas and others that have contacted Representative Kilbury today that if we do not concur with the House's request but send it back requesting that they recede from their position, we have assurance that he will do his very best and with a probable degree of success, and I think that is the proper way to do it."

The motion by Senator Bottiger failed on a rising vote.

MOTION

On motion of Senator Henry, the Senate refused to recede from its amendment to page 5, beginning on line 20 to Substitute House Bill No. 3 and again asks the House to concur therein.

MESSAGE FROM THE HOUSE

June 20, 1977.

Mr. President: The House has adopted the report of the Conference Committee on ENGROSSED SUBSTITUTE HOUSE BILL NO. 960, and has granted said committee the powers of Free Conference.

DEAN R. FOSTER, Chief Clerk.

POINT OF ORDER

Senator Grant: "I raise the point of order that the consideration of the free conference report is in violation of Rule 12 of the Joint Rules. I understand that the Joint Rules have not been adopted but I also understand, Mr. President, that you have been ruling in accordance with the Joint Rules of the past session which provide in Rule 12 that a report of a free conference committee shall be read in full in each house and that the House and Senate shall have thirty-six hours from the time of receipt in the house originating the conference request to consider reports from a free conference committee.

"Mr. President, we received this report about an hour ago. That is far short of thirty-six hours and I should suggest to the members of the Senate that although this may be a very worthwhile report, that this is a rather ridiculous hour to consider such a far-reaching measure. We have been here for—how many days? Too many days. One hundred and sixty days now, and the question of a definition of basic education has been one that we have had before us for a considerable period of time. However, the question is a serious one and one that I think members should have an opportunity to consider fully, all members, not six conferees. I have objected to this process in the past with regard to the budget and the manner in which it has been presented and certainly that question has not as yet been resolved, but I should think that the members of the Senate, which is considered to be the deliberative body, would take the time to give this their full consideration. I would not object tomorrow. I would not hold to a thirty-six hour rule, but I should think that we should have had these copies in caucus. We should have had the opportunity to discuss the formulas, the staffing, the course offerings in our common school system, before we take action on a measure as important as this. I know, Mr. President, that rules have not been adopted.

"I should like to call to mind your past rulings wherein you have ruled that the rules that have been in effect in the past have been the rules by which you have operated. If we do not go by this one, then there is no procedure for conference or free conference or any other rule with regard to differences between the houses, and I would ask that you rule that this particular measure not be considered at this time because of Rule 12."

MOTION

Senator Clarke: "I move that there be a suspension of any rule that may be deemed to exist without conceding that there is such a rule, and that the matter be now considered and I would like to speak upon that motion, in answer to the remarks of Senator Grant.

"He is quite correct in stating that this is one of the important matters for consideration by this legislature. However, I think he knows as well as every Senator on the floor that substantially everyone has been rather closely following the developments of the negotiation with respect to the attempt to define basic education. He also knows, or should have known, that the matter was presented in detail this evening before a joint caucus. Joint caucuses are rather unusual things, because normally each party holds its own caucus, but here the matter is a nonpartisan matter. It is a matter of importance to the public and was thoroughly discussed in joint

caucus. I submit that no good end whatsoever would be achieved by delaying this for another day. It would simply contribute to a further unnecessary delay of a session which we very definitely hope is drawing to a close. Now the body has the right to make its determination and I have, as Senator Grant knows, joined in urging that there be some sort of rules that would be applicable until such time as we have formalized our Joint Rules. So certainly this body, if it so desires, and I urge that it do so, can by a two-thirds vote elect to consider the matter because if we did have rules, those could be suspended by a two-thirds vote. I would suggest that the President put a motion with the idea of getting a two-thirds concurrence for consideration."

REMARKS BY SENATOR MARDESICH

Senator Mardesich: "I would simply challenge the requirement for a two-thirds vote. There are no rules in order, and a motion to suspend is not necessary. A mere motion to consider is the proper motion and with Senator Clarke's concurrence, I would hope that motion be put."

Debate ensued.

REMARKS BY SENATOR CLARKE

Senator Clarke: "I would withdraw the motion and I think that the vote will show that we will have a two-thirds majority in any event, but I have concurred with Senator Mardesich that we do not at this time actually have any rules that need suspending."

RULING BY THE PRESIDENT

The President: "Members of the Senate, in this Forty-Fifth Session the President has been guided by the Senate Rules that were in existence in the Forty-Fourth prior to the adoption of rules for this session. The President has no precedent to guide him as to the situation involving Joint Rules. Therefore, in the absence of Joint Rules and in the interest of expediting the business of the Senate, the President rules that Substitute House Bill 960 is properly before the Senate. Therefore, the point of order is not well taken."

The Point of Order raised by Senator Grant was ruled out of order.

Every distributor shall pay, in addition to any other taxes provided by law, an excise tax to the director (~~of nine cents~~) at a rate computed in the manner provided in section 6 of this 1977 amendatory act for each gallon of motor vehicle fuel sold, distributed, or used by him in the state as well as on each gallon upon which he has assumed liability for payment of the tax under the provisions of RCW 82.36-.100: PROVIDED, That under such regulations as the director may prescribe sales or distribution of motor vehicle fuel may be made by one licensed distributor to another licensed distributor free of the tax. In the computation of the tax, one-quarter of one percent of the net gallonage otherwise taxable shall be deducted by the distributor before computing the tax due, on account of the losses sustained through handling. Any person paying such excise tax who, in turn, sells or distributes such fuel to another, whether or not for use, shall include the tax as part of the selling price of the fuel. Any person thereafter paying a price for such fuel which includes an increment for the tax imposed hereunder, and who subsequently resells said fuel, shall include the increment so paid as part of the selling price of the fuel. The tax imposed hereunder shall be in addition to any other tax required by law,

and shall not be imposed under circumstances in which the tax is prohibited by the Constitution or laws of the United States. The tax herein imposed shall be collected and paid to the state but once in respect to any motor vehicle fuel. An invoice shall be rendered by a distributor to a purchaser for each distribution of motor vehicle fuel.

The proceeds of the ~~((nine cents))~~ motor vehicle fuel excise tax collected on the net gallonage after the deduction provided for herein and after the deductions for refunds and costs of collection as provided in RCW 46.68.090 as now or hereafter amended, shall be distributed as ~~((follows:~~

~~(1) Six and seven-eighths cents shall be distributed between the state, cities, counties, and Puget Sound ferry operations account in the motor vehicle fund under the provisions of RCW 46.68.090 and 46.68.100 as now or hereafter amended:~~

~~(2) Five-eighths of one cent shall be distributed to the state and expended pursuant to RCW 46.68.150:~~

~~(3) Five-eighths of one cent shall be paid into the motor vehicle fund and credited to the urban arterial trust account created by RCW 47.26.080:~~

~~(4) Three-eighths of one cent shall be paid into the motor vehicle fund and credited to the Puget Sound reserve account created by RCW 47.60.350:~~

~~(5) One-half cent shall be distributed to the cities and towns directly and allocated between them as provided by RCW 46.68.110, subject to the provisions of RCW 35.76.050: PROVIDED, That the funds allocated to a city or town which are attributable to such one-half cent of the additional tax imposed by *this 1961 amendatory act shall be used exclusively for the construction, improvement and repair of arterial highways and city streets as those terms are defined in RCW 46.04.030 and 46.04.120, or for the payment of any municipal indebtedness which may be incurred after June 12, 1963 in the construction, improvement and repair of arterial highways and city streets as those terms are defined in RCW 46.04.030 and 46.04.120. All such sums shall first be subject to proper deductions for refunds and costs of collection as provided in RCW 46.68.090))~~ provided in RCW 46.68.100, as now or hereafter amended.

Sec. 3. Section 82.36.100, chapter 15, Laws of 1961 as last amended by section 3, chapter 83, Laws of 1967 ex. sess. and RCW 82.36.100 are each amended to read as follows:

Every person other than a distributor who acquires any motor vehicle fuel within this state upon which payment of tax is required under the provisions of this chapter, or imports such motor vehicle fuel into this state and sells, distributes, or in any manner uses it in this state shall, if the tax has not been paid, apply for a license to carry on such activities, file bond, make reports, comply with all regulations the director may prescribe in respect thereto, and pay ~~((a))~~ an excise tax ~~((of nine cents))~~ at the rate computed in the manner provided in section 6 of this 1977 amendatory act for each gallon thereof so sold, distributed, or used during the fiscal half-year for which such rate is applicable in the manner provided for distributors, and the director shall issue a license to such person in the manner provided for issuance of licenses to distributors. The proceeds of the tax imposed by this section shall be distributed in the manner provided for the distribution of the motor vehicle fuel excise tax in RCW 82.36.020 as now or hereafter amended. However, a distributor licensed under the provisions of this chapter may deliver motor vehicle fuel to an importer in individual quantities of five hundred gallons or less and assume the liability for payment of the tax to this state. Under such conditions, the importer shall be exempt from the requirements of this section. For failure to comply with the terms of this chapter such person shall be subject to the same penalties imposed upon distributors. The director shall pursue against such persons the same procedure and remedies for audits, adjustments, collection, and enforcement of this chapter as

is provided with respect to distributors. Nothing herein shall be construed as classifying such persons as distributors.

Sec. 4. Section 3, chapter 22, Laws of 1963 ex. sess. as amended by section 4, chapter 83, Laws of 1967 ex. sess. and RCW 82.37.030 are each amended to read as follows:

In consideration of the use of the public highways of this state, motor carriers who import motor vehicle fuel into the state of Washington in the fuel supply tank or tanks of commercial motor vehicles for use in propelling said vehicles on said highways shall be subject to a tax for such use of the highways as hereinafter provided. A tax at the rate ~~((of nine cents))~~ computed in the manner provided in section 6 of this 1977 amendatory act per gallon is hereby imposed upon every motor carrier measured and determined by the number of gallons of motor vehicle fuel so imported and actually used by such motor carrier in its operations within this state during the fiscal half-year for which such rate is applicable.

Sec. 5. Section 4, chapter 175, Laws of 1971 ex. sess. as last amended by section 1, chapter 62, Laws of 1975 1st ex. sess. and RCW 82.38.030 are each amended to read as follows:

(1) There is hereby levied and imposed upon special fuel users a tax ~~((of nine cents))~~ at the rate computed in the manner provided in section 6 of this 1977 amendatory act per gallon or each one hundred cubic feet of compressed natural gas measured at standard pressure and temperature on the use (within the meaning of the word use as defined herein) of special fuel in any motor vehicle ~~((-PROVIDED; That in order to encourage experimentation with nonpolluting fuels, no tax shall be imposed upon the use of natural gas as herein defined or on liquefied petroleum gas, commonly called propane, which is used in any motor vehicle until July 1, 1977))~~ during the fiscal half-year for which such rate is applicable.

(2) Said tax shall be collected by the special fuel dealer and shall be paid over to the department as hereinafter provided: (a) With respect to all special fuel delivered by a special fuel dealer into supply tanks of motor vehicles or into storage facilities used for the fueling of motor vehicles at unbonded service stations in this state; or (b) in all other transactions where the purchaser indicates in writing to the special fuel dealer prior to or at the time of the delivery that the entire quantity of the special fuel covered by the delivery is for use by him for a taxable purpose as a fuel in a motor vehicle.

(3) Said tax shall be paid over to the department by the special fuel user as hereinafter provided: (a) With respect to special fuel upon which the tax has not previously been imposed which was acquired in any manner other than by delivery by a special fuel dealer into a fuel supply tank of a motor vehicle in this state; or (b) in all transactions with a special fuel dealer in this state where a written statement has not been furnished to the special fuel dealer as set forth in subsection (2)(b) of this section.

It is expressly provided that delivery of special fuel may be made without collecting the tax otherwise imposed, when such deliveries are made by a bonded special fuel dealer to special fuel users who are authorized by the department as hereinafter provided, to purchase fuel without payment of tax to the bonded special fuel dealer.

NEW SECTION. Sec. 6. There is added to chapter 82.36 RCW a new section to read as follows:

(1) (a) During the fifth month of each fiscal half-year ending June 30th and December 31st of each year, the department of motor vehicles shall compute a motor vehicle fuel tax rate to the nearest one-half cent per gallon of motor vehicle fuel by multiplying twenty-one and one-half percent times the weighted average retail sales price of motor vehicle fuel, per gallon, sold within the state in the third

month of such fiscal half-year. The department of motor vehicles shall determine the weighted average retail sales price of motor vehicle fuel by state-wide sampling and survey techniques designed to reflect such prices for the third month of such fiscal half-year. The department shall establish reasonable guidelines for its sampling and survey methods.

(b) Subject to provisions of subsections (2) and (3) of this section the excise tax rate computed in the manner provided in subsection (1) of this section shall apply to the sale, distribution, or use of motor vehicle fuel beginning the fiscal half-year following computation of the rate and shall remain in effect for each succeeding fiscal half-year until a subsequent computation requires a change in the rate. For the first fiscal half-year after the effective date of this 1977 amendatory act, the motor vehicle fuel tax shall be eleven cents per gallon.

(2) (a) The motor vehicle fuel tax rate for any fiscal half-year shall not exceed twelve cents per gallon nor exceed a rate as computed in this subsection.

(b) Each fiscal half-year at the time the department of motor vehicles computes the excise tax rate for the ensuing fiscal half-year of a biennium, the department shall estimate the total aggregate motor vehicle fuel tax revenues and the total of all other state revenues which will accrue to the motor vehicle fund during the full biennium. The estimated total aggregate motor vehicle fuel tax revenues for the biennium shall include those revenues which have accrued to the motor vehicle fund for the half-year or half-years of the biennium that have then elapsed plus revenues which the department determines will accrue during the remaining fiscal half-years of the biennium, assuming the sale, distribution, and use of motor vehicle fuel and special fuel within the state for the remaining fiscal half-years of the biennium shall be at the same volume as during the fiscal half-year last ended, adjusted however for the historic variations in sales, distribution, and use according to half-yearly periods and for projected trends, and at the weighted average retail sales price of motor vehicle fuel as last determined by the department of motor vehicles. The estimated total of all other state revenues to accrue to the motor vehicle fund during the biennium shall include those revenues (other than the aggregate motor vehicle fuel tax revenues) which have accrued to the motor vehicle fund for the half-year or half-years of the biennium that have then elapsed plus revenues which the department of highways with the concurrence of the office of program planning and fiscal management determines will accrue during the remaining fiscal half-years of the biennium, assuming that collections of such revenues for the remaining fiscal half-years of the biennium shall be at the same level as during the fiscal half-year just ended, adjusted however for historic variations in collections according to half-yearly periods and for projected trends, and shall include state revenues in the motor vehicle fund balance as of the end of the prior biennium as certified by the state treasurer, less an appropriate minimum balance for the biennium as determined by the department of highways with the concurrence of the office of program planning and fiscal management and the proceeds of the sale of bonds but shall not include reimbursements to the motor vehicle fund for services performed by the department of highways for others.

(c) If the estimated biennial aggregate motor vehicle fuel tax revenues as computed in paragraph (b) of this subsection, exceed the total of all appropriations, reappropriations, and transfers of state revenues from the motor vehicle fund for the biennium (less the estimated total of all other state revenues which will accrue to the motor vehicle fund during the biennium as computed in paragraph (b) of this subsection) by more than five percent thereof, the rate of the motor vehicle fuel tax (computed as provided in subsection (1) of this section) shall be reduced by one-half cent increments, commencing at the beginning of the ensuing fiscal half-year, as may be necessary to reduce such estimated total revenues for the full biennium to

within the total of such appropriations, reappropriations, and transfers plus five percent thereof.

(3) (a) Notwithstanding any other provisions of this section the excise tax rate for any fiscal half-year shall not be less than nine cents per gallon nor less than the rate as computed in this subsection.

(b) Each fiscal half-year at the time the department of motor vehicles computes the excise tax rate for the ensuing fiscal half-year of a fiscal year, the department shall estimate the total aggregate motor vehicle fuel tax revenues which will accrue to the motor vehicle fund during such fiscal year in the same manner that such revenues are estimated for a full biennium. If such estimated aggregate motor vehicle fuel tax revenues for the fiscal year are less than an amount equal to the aggregate motor vehicle fuel tax revenues collected during the fiscal year ending June 30, 1973, increased by six percent per year compounded annually for each year which has elapsed from June 30, 1973, to June 30th of the fiscal year for which estimated aggregate motor vehicle fuel tax revenues were computed, the department shall increase the rate of the excise tax by one-half cent increments, but not to exceed a total excise tax of twelve cents per gallon, commencing at the beginning of the ensuing fiscal half-year as necessary to produce estimated aggregate motor vehicle fuel tax revenues for such fiscal year as great as such revenues collected during the 1973 fiscal year increased by six percent per year compounded annually from June 30, 1973, to June 30th of the fiscal year for which such minimum half-yearly tax rate is being computed.

(4) (a) Except as otherwise provided in paragraph (b) of this subsection, if the department of highways receives notification that unanticipated federal funds in excess of one million dollars above appropriations of federal funds from the motor vehicle fund for a biennium will be received for expenditure during that biennium, the highway commission shall give notice of the amount of such unanticipated funds to the department of motor vehicles which shall include such amount in the computation of the estimated total of all other state revenues to accrue during the biennium under paragraph (b) of subsection (2) of this section for purposes of computing the maximum rate of motor vehicle fuel tax as provided in this section.

(b) Upon receipt by the department of highways of notification that unanticipated federal funds in excess of one million dollars above appropriations of federal funds from the motor vehicle fund for a biennium will be received for expenditure during that biennium, if the highway commission determines that such funds or any part thereof may not legally or operationally be substituted for purposes for which state motor vehicle fund moneys have been appropriated, or determines that substitution of such federal funds for state funds would delay the construction of needed highway improvements, the highway commission shall forthwith notify the governor and the standing committees on transportation of the house and senate of its determination. If both the governor and the standing committees concur in the commission's determination, the unanticipated federal funds shall not be considered by the department of motor vehicles in computing the estimated total of all other state revenues to accrue during the biennium under paragraph (b) of subsection (2) of this section.

Sec. 7. Section 35.77.010, chapter 7, Laws of 1965 as last amended by section 1, chapter 215, Laws of 1975 1st ex. sess. and RCW 35.77.010 are each amended to read as follows:

(1) (~~Prior to July 1, 1968,)~~ The legislative body of each city and town, pursuant to one or more public hearings thereon, shall prepare and adopt a comprehensive street program for the ensuing six calendar years and shall file the same with the director of highways not more than thirty days after its adoption. Annually thereafter the legislative body of each city and town shall review the work accomplished under the program and determine current city street needs. Based on these

findings each such legislative body prior to July 1st of each year shall prepare and after public hearings thereon adopt a revised and extended comprehensive street program, and each one year extension and revision shall be filed with the director of highways not more than thirty days after its adoption. The purpose of this section shall be to assure that perpetually each city and town shall have available advanced plans, looking to the future for not less than six years as a guide in carrying out a coordinated street construction program. Such program may at any time be revised by a majority of the legislative body of a city or town, but only after a public hearing.

The six year program of each city lying within an urban area shall contain a separate section setting forth the six year program for arterial street construction based upon its long range construction plan and formulated in accordance with regulations of the urban arterial board. The six year program for arterial street construction shall be submitted to the urban arterial board forthwith after its annual revision and adoption by the legislative body of the city. The six year program for arterial street construction shall be based upon estimated revenues available for such construction together with such additional sums as the legislative authority may request for urban arterials only from the urban arterial trust account for the six year period. The arterial street construction program shall provide for a more rapid rate of completion of the long range construction needs of major arterial streets than for secondary and collector arterial streets, pursuant to regulations of the urban arterial board: PROVIDED, That urban arterial trust funds made available to the group of incorporated cities lying outside the boundaries of federally approved urban areas within each region need not be divided between functional classes of arterials but shall be available for any designated arterial street.

(2) On and after July 1, 1976, each six year program forwarded to the director in compliance with subsection (1) of this section shall contain information as to how a city or town will expend its moneys, including funds made available pursuant to chapter 47.30 RCW, for bicycle, pedestrian, and equestrian purposes.

Sec. 8. Section 46.68.090, chapter 12, Laws of 1961 as last amended by section 74, chapter 32, Laws of 1967 and RCW 46.68.090 are each amended to read as follows:

All moneys which have accrued or may accrue to the motor vehicle fund from the motor vehicle fuel tax and ((tuse)) special fuel tax shall be first expended for the following purposes:

(1) For payment of refunds of motor vehicle fuel tax and ((tuse)) special fuel tax which has been paid and is refundable as provided by law;

(2) For payment of amounts to be expended pursuant to appropriations for the administrative expenses of the offices of state treasurer, state auditor, and the department of motor vehicles of the state of Washington in the administration of the motor vehicle fuel tax and the ((tuse)) special fuel tax, said sums to be distributed monthly.

The amount accruing to the motor vehicle fund by virtue of the motor vehicle fuel tax and the ((tuse)) special fuel tax and remaining after payments as provided in subsections (1) and (2) above shall, for the purposes of this chapter, be referred to as the "net tax amount."

Sec. 9. Section 46.68.100, chapter 12, Laws of 1961 as last amended by section 1, chapter 51, Laws of 1977 and RCW 46.68.100 are each amended to read as follows:

From the net tax amount in the motor vehicle fund there shall be paid monthly as funds accrue the following sums ((as follows)):

(1) ~~((There shall be paid to the cities and towns of the state sums equal to ten and forty-four hundredths percent of the net tax amount to be paid monthly as the same accrues;~~

~~(2) To the counties of the state there shall be paid sums equal to thirty-two and sixty-one hundredths percent of the net tax amount out of which there shall be distributed from time to time, as directed by the highway commission, those sums as may be necessary to carry out the provisions of RCW 47.56.725 as now or hereafter amended, with the balance of such county share to be distributed monthly as the same accrues for distribution in accordance with RCW 46.68.120;~~

~~(3) To the state there shall be paid to be expended as provided by RCW 46.68.130, sums equal to fifty-five and five-tenths percent of the net tax amount to be paid monthly as the same accrues.~~

~~(4) There shall be paid to the Puget Sound ferry operations account sums equal to one and forty-five hundredths percent of the net tax amount to be paid monthly as the same accrues)) To the cities and towns, to be distributed as provided by RCW 46.68.110, sums equal to six and ninety-two hundredths percent of the net tax amount;~~

~~(2) To the cities and towns, to be expended as provided by section 10 of this 1977 amendatory act, sums equal to four and sixty-one hundredths percent of the net tax amount;~~

~~(3) To the counties, sums equal to twenty-two and seventy-eight hundredths percent of the net tax amount out of which there shall be distributed from time to time, as directed by the highway commission, those sums as may be necessary to carry out the provisions of RCW 47.56.725, with the balance of such county share to be distributed monthly as the same accrues for distribution in accordance with RCW 46.68.120;~~

~~(4) To the urban arterial trust account in the motor vehicle fund, sums equal to seven and twelve hundredths percent of the net tax amount;~~

~~(5) To the state, to be expended as provided by RCW 46.68.130, sums equal to forty-five and twenty-six hundredths percent of the net tax amount;~~

~~(6) To the state, to be expended as provided by RCW 46.68.150 as now or hereafter amended, sums equal to six and ninety-five hundredths percent of the net tax amount;~~

~~(7) To the Puget Sound reserve account in the motor vehicle fund sums equal to three and twenty-one hundredths percent of the net tax amount;~~

~~(8) To the Puget Sound ferry operations account in the motor vehicle fund sums equal to three and fifteen hundredths percent of the net tax amount.~~

~~Nothing in this section or in RCW 46.68.090 as now or hereafter amended or 46.68.130 shall be construed so as to violate any terms or conditions contained in any highway construction bond issues now or hereafter authorized by statute and whose payment is by such statute pledged to be paid from any excise taxes on motor and special vehicle fuels.~~

NEW SECTION. Sec. 10. There is added to chapter 46.68 RCW a new section to read as follows:

The sums distributed to cities and towns as set forth in subsection (2) of RCW 46.68.100, as now or hereafter amended, shall be allocated between them as provided by RCW 46.68.110, subject to the provisions of RCW 35.76.050, to be used exclusively for the construction, improvement, and repair of arterial highways and city streets as those terms are defined in RCW 46.04.030 and 46.04.120, or for the payment of any municipal indebtedness which may be incurred after June 12, 1963, in the construction, improvement, and repair of arterial highways and city streets.

Sec. 11. Section 9, chapter 83, Laws of 1967 ex. sess. and RCW 46.68.150 are each amended to read as follows:

Sec. 13. Section 24, chapter 83, Laws of 1967 ex. sess. as amended by section 2, chapter 253, Laws of 1975 1st ex. sess. and RCW 47.26.180 are each amended to read as follows:

Arterial designation and classification, as provided for by this chapter, shall be required to be an integral and coordinated portion of its planning process as authorized by chapters 35.63 or 36.70 RCW. The legislative authority of each county and city lying within or having within its boundaries an urban area shall with the advice and assistance of its chief engineer and its planning office divide all of its roads or streets into arterial roads or streets and access roads or streets and shall further subdivide the arterials into three functional classes to be known as major arterials, secondary arterials, and collector arterials, all in accordance with uniform standards established by the urban arterial board: PROVIDED, That incorporated cities lying outside federally approved urban areas shall not be required to subdivide arterials into functional classes. Upon receipt of the classification plans of the several counties and cities, the urban arterial board shall review and revise the classification for the urban arterials as necessary to conform with its uniform standards for classifying urban arterials.

Sec. 14. Section 25, chapter 83, Laws of 1967 ex. sess. as last amended by section 2, chapter 126, Laws of 1973 1st ex. sess. and RCW 47.26.190 are each amended to read as follows:

~~((Once each calendar quarter, the urban arterial board shall apportion funds credited to the urban arterial trust account, including the proceeds from motor vehicle fuel tax revenues, bond sales, anticipatory notes and interfund loans, which are available for the construction and improvement of urban arterials among)) (1) At the beginning of each biennium the urban arterial board shall establish apportionment percentages for the five regions defined in RCW 47.26.050 in the manner prescribed in RCW 47.26.060 ((relating to the apportionment of state urban funds))~~

for that biennium, except calculations of needs shall be based upon a projection of needs for the ensuing six year period as determined by the state highway commission. Except as otherwise provided in subsection (3) of this section, such apportionment percentages shall be used once each calendar quarter by the urban arterial board to apportion funds credited to the urban arterial trust account which are available for expenditure for urban arterial projects. The funds so apportioned shall remain apportioned until expended on construction projects in accordance with rules and regulations of the urban arterial board.

(2) All amounts credited to the urban arterial trust account, except those provided for in subsection (3) of this section and except proceeds from the sale of first authorization bonds and any funds that may be required to repay such bonds or the interest thereon when due, after apportionment to each region, shall be divided on the basis of relative population established at the beginning of each biennium by the office of program planning and fiscal management between (a) the group of cities and that portion of those counties within federally approved urban areas and (b) the group of incorporated cities outside the boundaries of federally approved urban areas. Within each region, funds divided between the groups identified under (a) and (b) above shall then be allocated by the urban arterial board to incorporated cities and counties, as the case may be, for the construction of specific urban arterial projects in accordance with the procedures set forth in RCW 47.26.240.

(3) At the beginning of each biennium the urban arterial board shall establish apportionment percentages for each of the five regions for the apportionment of the proceeds from the sale of fifteen million dollars of series II bonds authorized by RCW 47.26.420, as now or hereafter amended, in the ratio which the population of the incorporated cities and towns lying outside the boundaries of federally approved urban areas of each region bears to the total population of all incorporated cities and towns of the state lying outside the boundaries of federally approved urban areas, as such populations are determined at the beginning of each biennium by the office of program planning and fiscal management. Such apportionment percentages shall be used once each calendar quarter by the urban arterial board to apportion funds credited to the urban arterial trust account which are available for expenditure for urban arterial projects. The funds so apportioned shall remain apportioned until expended on construction projects in accordance with rules and regulations of the urban arterial board. Funds apportioned to each region shall be allocated by the urban arterial board to incorporated cities lying outside the boundaries of federally approved urban areas, for the construction of specific urban arterial projects in accordance with the procedures set forth in RCW 47.26.240.

Sec. 15. Section 30, chapter 83, Laws of 1967 ex. sess. and RCW 47.26.240 are each amended to read as follows:

Upon receipt of a county's or city's revised six year program, the urban arterial board as soon as practicable shall review and may revise the construction program as it relates to urban arterials for which urban arterial trust account moneys are requested as necessary to conform to (1) the priority rating of the proposed project, based upon the factors in RCW 47.26.220, in relation to proposed projects in all other urban arterial construction programs submitted by the cities and counties ((in the same region)), and within each region, projects proposed by the group of cities and counties within federally approved urban areas shall be evaluated separately from the projects proposed by the group of incorporated cities outside the boundaries of federally approved urban areas; and (2) the amount of urban arterial trust account funds which the urban arterial board estimates will be apportioned to the region, and further divided between the group of cities and counties within federally approved urban areas and the group of incorporated cities outside the boundaries of federally approved urban areas, in the ensuing six year period.

Sec. 16. Section 33, chapter 83, Laws of 1967 ex. sess. and RCW 47.26.270 are each amended to read as follows:

Counties and cities receiving funds from the urban arterial trust account for construction of arterials shall provide such matching funds as shall be established by regulations recommended by the urban arterial board subject to review, revision, and final approval by the state highway commission. Matching requirements shall be established after appropriate studies by the board taking into account (1) financial resources available to counties and cities to meet arterial needs, (2) the amounts and percentages of funds available for road or street construction traditionally expended by counties and cities on arterials, (3) in the case of counties, the relative needs of arterials lying outside urban areas, and (4) the requirements necessary to avoid diversion of funds traditionally expended for arterial construction to other street or road purposes or to nonhighway purposes: PROVIDED HOWEVER, That for projects funded subsequent to the effective date of this 1977 amendatory act, and prior to July 1, 1983, cities and counties may use as matching funds any moneys received from any source, except such moneys which by law may not be used for the purposes set forth in this chapter.

Sec. 17. Section 41, chapter 83, Laws of 1967 ex. sess. and RCW 47.26.405 are each amended to read as follows:

Any funds required to repay such bonds, or the interest thereon when due(~~(; subject to the proviso of this section);~~) shall be taken from that portion of the motor vehicle fund which results from the imposition of excise taxes on motor vehicle and special fuels and which is distributed to the state under the provisions of RCW ((82.36.020-(2))) 46.68.100(6) as now or hereafter amended for construction of state highways in urban areas, and shall never constitute a charge against any allocations of any other such funds to the state, counties, cities, and towns unless and until the amount of the motor vehicle fund arising from the excise taxes on motor vehicle and special fuels and available to the state for construction of state highways in urban areas proves insufficient to meet the requirements for bond retirement or interest on any such bonds.

Sec. 18. Section 45, chapter 83, Laws of 1967 ex. sess. as amended by section 4, chapter 169, Laws of 1973 1st ex. sess. and RCW 47.26.420 are each amended to read as follows:

In order to provide funds necessary to meet the urgent construction needs on county and city arterials within urban areas, there (~~((shall be issued and sold))~~) are hereby authorized for issuance general obligation bonds of the state of Washington, the first authorization of which shall be in the sum of two hundred million dollars ((or such amount thereof)), and the second authorization of which, to be known as series II bonds, shall be in the sum of sixty million dollars which shall be issued and sold in such amounts and at such times as determined to be necessary by the state highway commission. The amount of such bonds issued and sold under the provisions of RCW 47.26.420 through 47.26.427 in any biennium shall not exceed the amount of a specific appropriation therefor, from the proceeds of such bonds, for the construction of county and city arterials in urban areas. The issuance, sale, and retirement of said bonds shall be under the supervision and control of the state finance committee which, upon request being made by the state highway commission, shall provide for the issuance, sale, and retirement of coupon or registered bonds to be dated, issued, and sold from time to time in such amounts as shall be requested by the state highway commission.

Sec. 19. Section 49, chapter 83, Laws of 1967 ex. sess. as amended by section 6, chapter 169, Laws of 1973 1st ex. sess. and RCW 47.26.424 are each amended to read as follows:

Bonds issued under the provisions of RCW 47.26.420 through 47.26.427 shall distinctly state that they are a general obligation of the state of Washington, shall pledge the full faith and credit of the state to the payment of the principal thereof and the interest thereon, and shall contain an unconditional promise to pay such principal and interest as the same shall become due. The principal and interest on such bonds shall be first payable in the manner provided in RCW 47.26.420 through 47.26.427 from the proceeds of state excise taxes on motor vehicle and special fuels imposed by chapters 82.36 (~~RCW and chapter 82.40~~), 82.37, and 82.38 RCW. The proceeds of such excise taxes are hereby pledged to the payment of any bonds and the interest thereon issued under the provisions of RCW 47.26.420 through 47.26.427, and the legislature hereby agrees to continue to impose the same excise taxes on motor vehicle and special fuels in amounts sufficient to pay, when due, the principal and interest on all bonds issued under the provisions of RCW 47.26.420 through 47.26.427.

Sec. 20. Section 50, chapter 83, Laws of 1967 ex. sess. and RCW 47.26.425 are each amended to read as follows:

Any funds required to repay (~~such~~) the first authorization of two hundred million dollars of bonds authorized by RCW 47.26.420, as amended by section 18 of this 1977 amendatory act or the interest thereon when due, (~~subject to the proviso of this section,~~) shall be taken from that portion of the motor vehicle fund which results from the imposition of excise taxes on motor vehicle and special fuels and which is distributed to the urban arterial trust account in the motor vehicle fund, and shall never constitute a charge against any allocations of any other such funds in the motor vehicle fund to the state, counties, cities, and towns unless and until the amount of the motor vehicle fund arising from the excise tax on motor vehicle and special fuels and distributed to the urban arterial trust account proves insufficient to meet the requirements for bond retirement or interest on any such bonds.

NEW SECTION. Sec. 21. There is added to chapter 47.26 RCW a new section, to be codified as RCW 47.26.4251 and to become a part of the series of RCW sections 47.26.420 through 47.26.427, to read as follows:

Any funds required to repay the authorization of series II bonds authorized by RCW 47.26.420, as amended by section 18 of this 1977 amendatory act, or the interest thereon when due, shall be taken from that portion of the motor vehicle fund which results from the imposition of excise taxes on motor vehicle and special fuels imposed by chapters 82.36, 82.37, and 82.38 RCW and which is distributed to the urban arterial trust account in the motor vehicle fund, subject, however, to the prior lien of the first authorization of bonds authorized by RCW 47.26.420, as amended by section 18 of this 1977 amendatory act. If the moneys distributed to the urban arterial trust account shall ever be insufficient to repay the first authorization bonds together with interest thereon, and the series II bonds or the interest thereon when due, the amount required to make such payments on such bonds or interest thereon shall next be taken from that portion of the motor vehicle fund which results from the imposition of excise taxes on motor vehicle and special fuels and which is distributed to the state, counties, cities, and towns pursuant to RCW 46.68.100 as now or hereafter amended. Any payments on such bonds or interest thereon taken from motor vehicle or special fuel tax revenues which are distributable to the state, counties, cities, and towns, shall be repaid from the first moneys distributed to the urban arterial trust account not required for redemption of the first authorization bonds or series II bonds or interest on said bond issues.

Sec. 22. Section 14, chapter 83, Laws of 1967 ex. sess. and RCW 47.26.080 are each amended to read as follows:

There is hereby created in the motor vehicle fund the urban arterial trust account. All moneys deposited in the motor vehicle fund to be credited to the urban

arterial trust account shall be expended for the construction and improvement of city arterial streets and county arterial roads within urban areas, for expenses of the urban arterial board, or for the payment of principal or interest on bonds issued for the purpose of constructing or improving city arterial streets and county arterial roads within urban areas, or for reimbursement to the state, counties, cities, and towns in accordance with section 21 of this 1977 amendatory act, the amount of any payments made on principal or interest on urban arterial trust account bonds from motor vehicle or special fuel tax revenues which were distributable to the state, counties, cities, and towns.

NEW SECTION. Sec. 23. If any provision of this 1977 amendatory act, or its application to any person or circumstance is held invalid, the remainder of the act, or the application of the provision to other persons or circumstances is not affected.

NEW SECTION. Sec. 24. This 1977 amendatory act is necessary for the immediate preservation of the public peace, health, and safety, the support of the state government and its existing public institutions, and shall take effect on July 1, 1977, except for section 9, which shall take effect on September 1, 1977."

NEW SECTION. Sec. 160. The office of program planning and fiscal management is hereby requested to cooperate fully with the legislative evaluation and accountability program committee in the areas of appropriation schedules, allotments, and estimated expenditure schedules as such items relate to the monitoring and evaluation by the LEAP data processing system of funds appropriated in this act. It is the intent of the legislature to cooperate with the governor in the implementation of RCW 43.88.070 which provides in part: "Appropriations shall be deemed maximum authorizations to incur expenditures... to ensure that expenditure rates are such that program objectives are realized within these maximums".

NEW SECTION. Sec. 160A. Notwithstanding the provisions of chapter 82, Laws of 1973 1st ex. sess. the house of representatives, the senate, and the permanent statutory committees shall pay expenses quarterly to the department of general administration facilities and services revolving fund for services rendered by the department for operations, maintenance, and supplies relating to buildings, structures, and facilities utilized by the legislature for the biennium beginning July 1, 1977.

NEW SECTION. Sec. 161. Notwithstanding any other provision of law, the employers' contribution rate for the Public Employees' Retirement System shall be established based upon a long term interest earning assumption of seven percent for the investment of system funds. No appropriation contained in this act shall be used to make contributions at a rate higher than that required by this section. It is intended that this adjustment shall reduce state general fund expenditures by eight million five hundred thousand dollars for the 1977-79 biennium.

NEW SECTION. Sec. 162. The word "agency" used herein means and includes every state government office, officer, each institution, whether educational, correctional, or other, and every department, division, board, and commission, except as otherwise provided in this act.

The phrase "agencies headed by elective officials" used herein shall mean those executive offices or departments of the state which are directly supervised, administered, or controlled by the governor, lieutenant governor, secretary of state, treasurer, auditor, attorney general, superintendent of public instruction, commissioner of public lands, or insurance commissioner, but it shall not include those boards, commissions, or committees on which one or more of the above mentioned officials serve.

NEW SECTION. Sec. 163. In order to carry out the provisions of these appropriations and the state budget, the director of the office of program planning and fiscal management with the approval of the governor, may:

(1) Allot all or any portion of the funds herein appropriated or included in the state budget, to the various agencies by such periods as he shall determine and may place any funds not so allotted in reserve available for subsequent allotment: **PROVIDED**, That the director of the office of program planning and fiscal management shall not alter allotment requests filed with him, nor shall he place in reserve any funds, for the following: Washington State Apple Advertising Commission; Washington State Fruit Commission; Washington Dairy Products Commission or any agricultural commodity commission created under the provisions of chapter 15.66 RCW; the legislative branch of state government including the legislative budget committee, the statute law committee, and any legislative committee; or the judicial branch of state government: **PROVIDED FURTHER**, That the aggregate of allotments for any agency shall not exceed the total of applicable appropriations and local funds available to the agency concerned. It shall be unlawful for any officer or employee to incur obligations in excess of approved appropriations or to incur a deficiency and any obligations so made shall be deemed invalid. Nothing in this section or in chapter 328, Laws of 1959, shall prevent revisions of any allotment when necessary to prevent the making of expenditures under appropriations in this act in excess of available revenues.

(2) Issue rules to establish uniform standards and business practices throughout the state service, including regulation of travel by officers and employees and the conditions under which per diem shall be paid, so as to improve efficiency and conserve funds.

(3) Prescribe procedures and forms to carry out the above.

(4) Allot funds from appropriations in this act in advance of July 1, 1977, for the sole purpose of authorizing agencies to order goods, supplies, or services for delivery after July 1, 1977: **PROVIDED**, That no expenditures may be made from the appropriations contained in this act, except as otherwise provided, until after July 1, 1977.

NEW SECTION. Sec. 164. Unless prohibited by federal law the receipt of federal or other funds which are not anticipated in the appropriation bill enacted by the legislature shall be used to support regular programs instead of using funds appropriated from state taxes or similar revenue sources. Any state funds replaced by federal or other receipts shall be placed in reserve to the credit of the appropriate state fund or account, and shall not be expended, unless authorized by the legislature.

NEW SECTION. Sec. 165. In the event that receipts shall be less than those estimated in the budget from any source, expenditures shall be limited to the amount received and allotments made as provided in section 163 of this act. Receipts for purposes of this section shall include amounts realized within one calendar month following the close of a fiscal period and applicable to expenditures of that period. The amount of such payment shall be credited to and shall be treated for all purposes as having been collected during the fiscal period.

NEW SECTION. Sec. 165A. State funds appropriated for the specific purpose of matching federal funds and which are not required wholly or in part to qualify for such federal funds shall be placed in reserve and shall revert to the fund from which appropriated at the end of the respective fiscal year.

NEW SECTION. Sec. 166. Any programs which are supported in whole or in part by federal funds shall not receive any additional state funds for the programs in the event that federal funds are reduced or eliminated for the program.

NEW SECTION. Sec. 166A. If a scheduled program or project funded by the appropriations contained in this act has not been fully implemented during any quarter of the respective fiscal year, then the office of program planning and fiscal management shall withhold the equivalent amount of the appropriation and full time equivalent staff years from such program or project and shall place the same in reserve.

NEW SECTION. Sec. 167. Agencies are authorized to make refunds of erroneous or excessive payments and in the case of other refunds, which may be provided by law, without express appropriation therefor.

NEW SECTION. Sec. 168. Whenever allocations are made from the governor's emergency appropriation to an agency which is financed by other than general fund moneys, the director of the office of program planning and fiscal management shall direct the repayment of such allocated amount to the general fund from any balance in the fund or funds which finance such agency. No appropriation shall be necessary to effect such repayment.

NEW SECTION. Sec. 169. In addition to the amounts appropriated in this act for revenue for distribution, bond retirement and interest, and interest on registered warrants, there is also appropriated such further amounts as may be required or available for these purposes under any statutory formula or under any proper bond covenant made in accordance with law.

NEW SECTION. Sec. 170. Amounts received by an agency as reimbursements pursuant to RCW 39.34.130 shall be considered as returned loans of materials supplied or services rendered. Such amounts may be expended as a part of the original appropriation of the fund to which it belongs, without further or additional appropriation, subject to conditions and procedures prescribed by the director of the office of program planning and fiscal management which shall provide for determination of full costs, disclosure of such reimbursements in the governor's budget, maximum interagency usage of data processing equipment and services, and such restrictions as will promote more economical operations of state government without incurring continuing costs beyond those reimbursed.

NEW SECTION. Sec. 171. In accordance with the provisions of this section the office of program planning and fiscal management shall use the allotment process during the 1977-79 biennium to control the funding of the formula portion of the instruction and departmental research program of all the four year institutions of higher education and the community colleges. For the purpose of the controls outlined in this section, deviations in the formula entitlements for faculty staffing shall be the controlling factor for the four year institutions of higher education while full time equivalent student enrollment will be the controlling factor for the community college system. For the purpose of this section, the "contract level" is defined as the level upon which the budget is based, and the "base level" is defined as the formula entitlement level corresponding to the prior year's actual enrollment level. Controls shall be applied to each four year institution separately and to the community college education system as a total entity. "Growth funding" is defined as that portion of the state general fund appropriation by which the contract level exceeds the base level. Growth funds may be allotted at the option of the school or system.

Unearned growth funds will be reverted to the state general fund prior to the end of the fiscal year in which such growth fails to materialize.

Contract enrollments for the second year of the biennium will be renegotiated in the event the first year's actual enrollment falls below the base level of the first year. Contract enrollments for the second year of the biennium shall not be renegotiated in the event that the first year's actual enrollments exceeds the contract level established for the first year.

NEW SECTION. Sec. 171A. It is the expressed intention of the legislature that agency operational activity shall be regularly monitored by the office of program planning and fiscal management, under their statutory authority relating to the allotment control function, in order to limit fluctuations in the respective fiscal year spending patterns which tend to inflate the expenditures in the second fiscal year of the biennium. Particular control emphasis shall be placed on those instances in which the full time equivalent staff years authorization is deliberately delayed in order to increase the agency's full time equivalent staff years as substantiation for the second fiscal year or the ensuing biennial request. Unanticipated receipts, which are authorized by the governor and expended by any state agency, shall be allotted, monitored, controlled, and reported separately at the end of the respective fiscal year and at the end of the biennium to the governor and the house appropriations committee and the senate ways and means committee. Such report shall identify the full time equivalent staff years and the program and/or activity for which such funds were expended.

NEW SECTION. Sec. 172. To obtain maximum interagency use of aircraft, the Aeronautics Commission in accordance with chapter 39.34 RCW is hereby authorized to lease, purchase, or otherwise acquire suitable aircraft which shall be utilized for the purposes of the Aeronautics Commission and also by other state agencies which have a need for an aircraft to carry out agency assigned responsibilities: **PROVIDED,** That the Aeronautics Commission is further authorized to enter into contractual agreements with other state agencies in order to acquire aircraft, establish rental rates for aircraft under their control, provide pilot services, aircraft maintenance, and make such other provisions as necessary to provide aircraft and related services for multi-agency use: **PROVIDED FURTHER,** That in order to achieve economy in the use of the appropriations contained within this act no state agency may purchase or otherwise acquire an aircraft or enter into a flying service or aircraft rental contract without first seeking such service from the Aeronautics Commission and without prior approval of the director of the office of program planning and fiscal management.

NEW SECTION. Sec. 173. If any part of this act shall be found to be in conflict with federal requirements which are a prescribed condition to the allocation of federal funds to the state, such conflicting part of this act is hereby declared to be inoperative solely to the extent of such conflict, and such finding or determination shall not affect the operation of the remainder of this act; the rules and regulations under this act shall meet federal requirements which are a necessary condition to the receipt of federal funds by the state.

NEW SECTION. Sec. 174. If any provision of this act, or its application to any person or circumstance is held invalid, the remainder of the act, or the application of the provision to other persons or circumstances is not affected.

NEW SECTION. Sec. 175. This act is necessary for the immediate preservation of the public peace, health, and safety, the support of the state government and its existing public institutions, and shall take effect immediately.

Senator Grant: "Would Senator Donohue yield to a question? Senator Donohue, I note on page 58 that it talks about the appropriation of the superintendent of public instruction, and it also discusses the educational service districts and the amount of funding that will be available for those ESD's. Is there sufficient in this budget to provide a salary increase for educational service district employees that is comparable to the salary increases for state employees? Is that your understanding?"

Senator Donohue: "Senator Grant, that is correct, and there will be a letter of intent. We have already contacted the superintendent of public instruction. There will be a letter of intent to him from the conferees relative to this matter, and they will be treated just as other state employees."

THIRD READING

SUBSTITUTE HOUSE BILL NO. 1203, by Committee on Education (originally sponsored by Representative McKibbin):

Authorizing expenditures to implement programs of proper educational practices.

The Senate resumed consideration of Substitute House Bill No. 1203, as amended by the Senate. Earlier today, the bill had been returned to second reading, amended and advanced to third reading and held for consideration later today.

Debate ensued.

POINT OF INQUIRY

Senator Guess: "Will Senator Marsh yield? Senator Marsh, don't you think it is an unfair advantage of us to dictate to the SPI that he put into a budget the

funding for a program that we really don't know how much it is going to cost? Don't you think it is sort of stupid, perhaps?"

Senator Marsh: "Senator Guess, first of all, I don't think it is stupid, and secondly, these are projects that have worked out very well in Vancouver and elsewhere. I am particularly enthusiastic about the HOST program that has helped one student to succeed. The HOST program is a remedial reading program, and frankly, it has helped a lot of students succeed in their academic careers that would not have otherwise succeeded. I think it is a worthwhile thing to ask the superintendent to be concerned about remedial programs and I think that it will make the other dollars we spend on education much better spent, and I really think we ought to approve this bill."

Senator Guess: "Senator Marsh, would you say that we would be better off to direct the SPI to teach the kids in the first place rather than having to have remedial programs?"

Senator Marsh: "It would be good if all students could keep up at the same pace, but unfortunately, there are some who come from less favorable backgrounds than others and they are the ones that need remedial reading programs, these other remedial programs, and I think it is better to try to address a problem if that is the only way you can get at it. This appears to be the only way we can get at the particular problem."

Senator Guess: "Senator Marsh, do you think that one billion, six hundred million dollars that has been given to the SPI, don't you think that ought to be enough money to conduct this type of a program without instructions for further funding?"

Senator Marsh: "Senator Guess, I would be very happy if that were enough money, but I am afraid it is not going to be enough to meet some of these tough problems, and I think it is worthwhile that we pass this law so that the superintendent can have these kinds of remedial education programs."

Further debate ensued.

POINT OF INQUIRY

Senator Donohue: "Would Senator McDermott yield? Senator, what is the relationship between this, these types of programs, as it relates to the hard work that you have done in the past six months on defining basic education so that we know that the people are going to be relieved of levies, that we know that we are defining specific situations within that basic education definition, and isn't it true that this is just an 'add-on' starting up a new add-on type of program that doesn't really fit with what we have been here six months trying to do?"

Senator McDermott: "Senator Donohue, the funding for this program, as I see it, may well come out of a program that now exists. I think one of the things that has to be done, in fact, the education committee in the interim is going to study the URRD program to see what the URRD program is actually doing, which programs in there ought to be continued, which programs ought to be removed, what is the effectiveness of that. I think it is very possible that out of existing money it is possible to find the necessary start-up costs for these kinds of programs. It is clear that no matter what kind of basic education we provide, there will always be some children who need some kind of compensatory thing, who just don't make it in a classroom of either one to twenty-five."

Senator Donohue: "Are these programs spelled out in the basic education definition?"

Senator McDermott: "No."

Senator Donohue: "So it is very possible that we will be asked next time to begin funding above the basic education definition the twenty to one and so forth, to provide special programs which many of us hope will be available within the basic

education definition and the funding. Isn't it possible that we are going to be asked for more money?"

Senator McDermott: "It is possible, but I just saw you put out a budget without any new taxes, and I think if we work hard, we can do it again in 1979."

Further debate ensued.

POINT OF INQUIRY

Senator Francis: "Will Senator Washington yield to a question? Senator Washington, do you know where this program called 'classroom intervention' is taking place at the present time?"

Senator Washington: "Which one is that? Frankly, I don't know and I don't remember, but I know it is well established, the school that it is in."

Senator Francis: "All right, now is it your understanding—there is an appropriation here of one million nine hundred thousand dollars for three programs."

Senator Washington: "The appropriation has been—"

Senator Francis: "The appropriation is gone, so all we have is that within the present school budget they have to take care of these programs, so we are only talking about keeping those—is this correct?—in the three schools they are now located in?"

Senator Washington: "No. No, they are going to be picked up and utilized, and the experience learned, the techniques learned are going to be utilized in other schools."

Senator Francis: "Senator Washington, where in the bill does it say you can do that? The way I read it, it says that we can go ahead with these three programs, period. It doesn't say we can expand into new schools or use programs like them or anything else. It says we can go ahead with these three programs. Is there any place in this bill that justifies your statement that we can expand them to other schools than they now exist in?"

Senator Washington: "I think that is the tenor, I think, of the whole bill. It has already been utilized. The classroom intervention, as I read a little further here, was developed in the Seattle school system, and certainly we are not going to go over the same ground. Other schools may want to utilize it. I think for this type of a program that it, that we aren't going to have any problems with it."

Senator Francis: "Thank you, Senator Washington."

The President declared the question before the Senate to be the roll call on final passage of Substitute House Bill No. 1203, as amended by the Senate, on reconsideration.

The Secretary called the roll on the final passage of Substitute House Bill No. 1203, as amended by the Senate, and the bill failed to pass the Senate, on reconsideration, by the following vote: Yeas, 17; nays, 20; absent or not voting, 6; excused, 6.

Voting yea: Senators Bausch, Beck, Gaspard, Henry, Herr, Marsh, McDermott, Odegaard, Peterson, Ridder, Sandison, Scott, Talley, von Reichbauer, Walgren, Washington, Wojahn—17.

Voting nay: Senators Benitz, Bluechel, Clarke, Day, Donohue, Francis, Goltz, Guess, Jones, Keefe, Matson, Monohon, Morrison, Newschwander, North, Pullen, Rohrbach, Van Hollebeke, Wanamaker, Wilson—20.

Absent or not voting: Senators Bottiger, Grant, Lewis, Mardesich, Rasmussen, Woody—6.

Excused: Senators Buffington, Fleming, Gould, Hayner, Murray, Sellar—6.

SUBSTITUTE HOUSE BILL NO. 1203, as amended by the Senate, having failed to receive the constitutional majority on reconsideration, was declared lost.

MOTION

Senator McDermott demanded a roll call. The demand was not sustained and Senator McDermott withdrew his motion.

The motion by Senator Henry carried.
