council may order any portion of such costs paid out of the current or general expense fund of the city, in their discretion. The several parcels of land located within said improvement district to be assessed for such improvement which are actually filled shall be assessed according to and in proportion to surface area, a square foot of surface to be the unit of assessment, and the several parcels of land in any enlarged district not actually filled shall be assessed in accordance with special benefits: *Provided*, That where any parcel of land was partially filled by the owner prior to the initiation of the improvement an equitable deduction for such partial filling may be allowed. The cost and expense incidental to the filling of the streets, alleys and public places within such assessment district shall be borne by the private property within such district subject to assessment when so ordered by the council. When the assessment shall be payable in installments, the assessment-roll when equalized, as hereinafter provided, shall show the number of installments and the amounts thereof. The assessment herein provided may be made payable in any number of equal annual installments not exceeding ten (10) in number.
