

CHAPTER 190.

[S. B. 26.]

MILK FOR SCHOOL CHILDREN.

AN ACT relating to health, welfare and care of children in attendance at any public school in any city of the first class.

Be it enacted by the Legislature of the State of Washington:

SECTION 1. The board of directors of any public school in any city of the first class may cause to be furnished free of charge, in a suitable individual sterilized receptacle on each and every school day to each child in attendance under the age of fourteen years desiring the same, not less than one-half pint of pure whole milk during the lunch hour at the noon intermission. The cost of supplying such milk shall be paid for and in the same manner and out of the same fund as the other items of expense incurred in the conduct and operation of said school.

Directors
may
provide.

Passed the Senate February 2, 1921.

Passed the House March 8, 1921.

Permitted to become a law without the signature of the Governor.

J. GRANT HINKLE,
Secretary of State.
