TWENTY-THIRD DAY

MORNING SESSION

The Senate was called to order at 11:00 a.m. by President Cherberg. The Secretary called the roll and announced to the President that all Senators were present except Senators Benitz, Jones, Keefe and Lewis. On motion of Senator Wilson, Senator Keefe was excused. On motion of Senator Sellar, Senators Benitz and Jones were excused.

The Color Guard, consisting of Pages Stefani Gissberg and Matt Durham, presented the Colors. Reverend George M. Mitchell, pastor of the First Christian Church of Olympia, offered the following prayer:

"ETERNAL GOD, THE ONE WHO HAS CREATED US INTO ONE NATION UNDER GOD, WE SET ASIDE THIS MOMENT TO STAND IN YOUR PRESENCE, FACE TO FACE WITH YOU IN PRAYER. IN DOING SO, WE ASK YOUR BLESSING AND GUIDANCE UPON EACH OF THESE SENATORS AS THEY FACE THEIR WORK THIS DAY.

"WHEN THEY ARE GENUINELY PERPLEXED, GIVE THEM THE WISDOM TO DISCERN THE REAL ISSUES FROM THE FALSE ONES, AND TO CHOOSE RIGHTLY BETWEEN THEM. WHEN THEY ARE PRESSURED FROM EVERY SIDE, GIVE THEM THE COURAGE TO MOVE AHEAD IN A MANNER WHICH REMAINS TRUE TO THEIR INNER CONVICTIONS. WHEN THEY ARE CONFRONTED WITH DIFFICULT DECISIONS, GIVE THEM THE READINESS TO ACT WITHOUT WAVERING OR DELAY. MAKE EACH OF THEM AWARE OF YOUR CONSTANT PRESENCE ALONGSIDE OF THEM DURING THESE DECISION-FILLED DAYS JUST AHEAD. AMEN."

SECOND READING

HOUSE BILL NO. 460, by Representatives Vrooman, Schmitten, Martinis, Wilson, Adams and Fuller:

Regulating processing and transportation of specialized forest products.

The bill was read the second time by sections.

Senator McDermott moved adoption of the following amendment by Senators McDermott, Vognild and Peterson:

On page 13, after line 16, insert the following:

"NEW SECTION. Sec. 16. Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

(1) "Commissioner" means the commissioner of public lands for the state of Washington.

(2) "Cedar" means any western red cedar wood in tree form, whether standing or down, log form, or any other condition not receiving primary processing.

(3) "Public lands" means all lands owned or administered by the state of Washington or its political subdivisions.

(4) "Primary processing" means that stage where cedar from public lands has been processed into:

(a) Lumber sawn to the dimensions commonly produced by mills in the state of Washington or to metric dimensions for building construction as determined by the commissioner in rules promulgated pursuant to section 27 of this 1979 act, but excluding the item commonly called the "waney cant";

(b) Pulp and pulp products broken down to the state where the wood fibers have been separated;

(c) Veneer and plywood;

(d) Poles, posts, or pilings cut or treated with preservative for use as such and not intended to be further processed;

(e) Chips; or

(f) Shakes and shingles processed to the dimensions and standards of the Uniform Building Code and Related Standards, published by the International Conference of Building Officials, as of the effective date of this 1979 act.

(5) "Purchaser" means a person, company, or any other entity that is the successful bidder, buyer, transferee, or successor in interest of a sale of cedar from public lands.

(6) "Affiliate" means the purchaser's parent company, subsidiary, any other entity being a portion of the conglomerate of which the purchaser is a unit, or any other entity which the purchaser has the power to control, or any other entity which has the power to control the purchaser. In determining whether the purchaser's parent company or subsidiary, or any other entity, is an "affiliate," consideration shall be given to all appropriate factors to include, but not exclusively, common ownership, common management, and contractual relationships.

(7) "Surplus permit" means the permit granted by the commissioner under section 18 of this 1979 act.

(8) "Sold for export," as used in section 17 of this 1979 act, means the intent to export or sell for export or the knowledge or reason to believe that the purchaser, his affiliates, or others will export or sell for export.

(9) "Timber sale," as used in section 17 of this 1979 act, means the sale of a unit of timber, whether standing or down, including one or more species of trees, that has not been previously processed in any manner.

(10) "Cedar in tree form," as used in section 17 of this 1979 act, means any western red cedar wood in tree form, whether standing or down, that has not been previously processed in any manner.

NEW SECTION. Sec. 17. All cedar from public lands shall receive primary processing in the United States.

One year after the effective date of this 1979 act, if a purchaser desires to purchase cedar from public lands and he or his affiliate has exported or sold for export to a foreign country, within a one-year period prior to the subject sale, cedar from private or public lands located in the state of Washington, he may only purchase a timber sale from public lands containing less than one hundred thousand board feet Scribner of cedar in tree form. When the purchaser comes under this restriction, he is expressly prohibited from purchasing any cedar from public lands other than cedar in tree form he may purchase at a timber sale from public lands containing less than one hundred thousand board feet Scribner of cedar in tree form.

NEW SECTION. Sec. 18. A surplus permit to authorize the primary processing of cedar from public lands at locations outside the United States may be issued by the commissioner if there is currently no reasonable location in the United States where the cedar could economically receive primary processing. In arriving at such findings, the commissioner shall take into account, among any other relevant factors:

(1) The price established for the sale of cedar between the state of Washington or any of its political subdivisions and the original purchaser, or if no sale price is established for cedar in a timber sale from public lands of which cedar is an included species, the fair market value for cedar of a comparable quality and location as the cedar included in the sale. If a price is established for the sale of cedar between the state of Washington or any of its political subdivisions and the original purchaser, the commissioner shall consider the average price for cedar of comparable quality and location as the cedar subject to the sale, and if the actual sale price is not in reasonable compliance with the average price, at the time of sale, the commissioner shall take into account this factor in arriving at his findings;

(2) The costs of logging and transporting the cedar from the place where it was cut to the nearest facility capable of performing primary processing; and in so doing, the commissioner may consider the average costs for logging and transportation used in the appraisal of cedar by the commissioner that is currently or will shortly be used in the locality considered;

(3) The general level of price being offered for the grades and sizes of the sale cedar by facilities capable of performing primary processing situated within economic transportation distance of the then location of the cedar;

(4) Whether the general level of price for grades and sizes of cedar described in subsection (3) of this section affords a profit over and above the price described in subsection (1) of this section, and the costs described in subsection (2) of this section; and

(5) Whether the applicant has solicited in good faith, but unsuccessfully, offers for the purchase of such cedar at or below the general level of price described in subsections (3) and (4) of this section from persons that are customarily engaged in primary processing of cedar of the type involved at timber processing facilities within economic transportation distance of the location of the cedar.

NEW SECTION. Sec. 19. A surplus permit may be granted only after a public hearing has been held. The commissioner shall publish notice of the public hearing on the same day of each week for two consecutive weeks in a legal newspaper of general circulation in the areas where the cedar which is the subject of the hearing is located. The decision by the commissioner to grant a surplus permit may be appealed by any aggrieved party to the forest practices appeals board pursuant to chapter 76.09 RCW.

NEW SECTION. Sec. 20. Any seller of cedar from public lands, whether it be the state of Washington or any other person, shall make it a condition of the sale contract that the purchaser and any of his affiliates will abide by and have not, heretofore, violated any provision of section 17 of this 1979 act, unless a surplus permit has been issued under section 18 of this 1979 act. All contracts for the sale of cedar from public lands shall be filed with the commissioner at his main office in Olympia.

NEW SECTION. Sec. 21. Any purchaser of cedar from public lands shall give written notice to the commissioner, at his main office in Olympia, of any locations where the cedar is processed.

NEW SECTION. Sec. 22. Any purchaser of a sale of cedar from public lands shall make available to the commissioner, upon his request, (1) all of his records dealing with the origin and disposition of the cedar from the sale, and (2) all records pertaining to the purchaser's or his affiliates' export or sale for export of cedar for the one-year period prior to the sale if a one-year period has passed since the effective date of this 1979 act, and the date of sale. The purchaser and his affiliates shall preserve all records dealing with the origin and disposition of the cedar from the sale for a period of three years after the date of purchase of the cedar.

NEW SECTION. Sec. 23. (1) Except as provided in subsection (2) of this section, any person exporting cedar from private or public lands to a foreign country shall file with the commissioner, no later than sixty days after the actual date of shipment, a statement containing:

(a) The quantities and grades of the cedar exported; and

(b) The origin of the cedar, including the name of the original harvester, the location where harvested, and the names of any purchasers of the cedar and his affiliates.

(2) Any persons exporting cedar but not purchasing timber from public lands may make a written request to the commissioner for an exemption from the requirements of subsection (1) of this section. Persons granted this exemption may later purchase timber from public lands if they have complied with subsection (1) of this

section for at least one year prior to the date of purchase, in addition to satisfying the other requirements of this chapter.

NEW SECTION. Sec. 24. All cedar from public lands shall be marked with a brand by the purchaser to be specified in the sale contract for the cedar.

NEW SECTION. Sec. 25. (1) Any person violating any provision of section 17 of this 1979 act shall be guilty of a gross misdemeanor and subject to a fine not to exceed fifty thousand dollars plus three times the value of the cedar which was exported, and shall be prohibited from becoming a purchaser or exporter of timber from public lands, to include all species of trees, for a period not to exceed five years.

(2) Any person violating any provision of sections 20 through 23 of this 1979 act is guilty of a misdemeanor and shall be prohibited from becoming a purchaser or exporter of timber from public lands, to include all species of trees, for a period not to exceed three years.

NEW SECTION. Sec. 26. All cedar originating from timber sales on public lands made prior to the effective date of this 1979 act, is exempt from this chapter.

NEW SECTION. Sec. 27. The commissioner may adopt rules for the implementation of this chapter.

NEW SECTION. Sec. 28. Sections 16 through 27 of this 1979 act shall constitute a new chapter in Title 76 RCW."

Renumber the sections consecutively

POINT OF ORDER

Senator Bausch: "Mr. President, I would like to raise the point of scope and object.

"I will not belabor the point except that I think the amendment deals with, as was explained, with logs, and I think that the bill itself has to do with restrictions and protection as far as Christmas trees, shrubs and certain other types of things as they are transported within the state. They have nothing to do with exports, commerce and free trade and I therefore feel that it is definitely outside the scope and object of the bill itself."

RULING BY THE PRESIDENT

President Cherberg: "In ruling upon the Point of Order presented by Senator Bausch, the President finds that House Bill 460 is a measure which amends the Specialized Forest Products Act by strengthening the requirements for documenting the origin of certain forest products.

"The amendment proposed by Senator McDermott, Senator Vognild and Senator Peterson requires domestic primary processing of western red cedar from state public lands.

"The President therefore finds that the proposed amendment does expand the scope and object of the bill and the Point of Order is well taken."

The amendment by Senators McDermott, Vognild and Peterson was ruled out of order.

Senator Quigg moved adoption of the following amendment:

On page 13, line 17, insert the following new section:

NEW SECTION. Sec. 16. There is added to chapter 84.33 RCW a new section to read as follows:

(1) In addition to the excise tax levied in RCW 82.04.291 as last amended by chapter 6, Laws of 1979, harvesters of Western Red cedar (*Thuja plicata* D. Don) shall also pay a timber excise tax equal to twenty-five percent of the stumpage value of such timber: PROVIDED, That the proceeds of this additional tax shall be

refunded to the harvester upon providing proof of sale of such timber to a domestic primary processor for processing in this state.

(2) For the purposes of this section, "domestic primary processor" shall mean a person or firm located in the state of Washington which produces:

(a) Lumber sawn to the dimensions commonly produced by mills in the state of Washington for building construction as determined by the board of natural resources, but excluding the item commonly called the "waney cant";

(b) Pulp and pulp products broken down to the state where the wood fibers have been separated;

(c) Veneer and plywood;

(d) Poles, posts, or pilings cut or treated with preservative for use as such and not intended to be further processed;

(e) Chips; or

(f) Shakes and shingles processed to the dimensions and standards of the Uniform Building Code and Related Standards, published by the International Conference of Building Officials."

Re-number remaining sections consecutively and correct internal references as necessary.

POINT OF ORDER

Senator Donohue: "I raise the scope and object on this particular amendment and I would like to speak to that.

"Mr. President, the bill before you, 460, deals with permits and the policing of those permits and it is an upgrading of the Specialized Forest Products Act. Senator Quigg's amendment deals with taxes on forest products and I think is clearly out of the scope of the bill."

RULING BY THE PRESIDENT

President Cherberg: "The President, in ruling upon the Point of Order presented by Senator Donohue, has already indicated the purpose of House Bill No. 460.

"The amendment proposed by Senator Quigg places a tax on the sale of western red cedar to non-domestic primary processors.

"The President therefore finds that the proposed amendment does expand the scope and object of the bill and the Point of Order is well taken."

The amendment by Senator Quigg was ruled out of order.

On motion of Senator Peterson, the rules were suspended, House Bill No. 460 was advanced to third reading, the second reading considered the third, and the bill was placed on final passage.

The Secretary called the roll on the final passage of House Bill No. 460, and the bill passed the Senate by the following vote: Yeas, 46; excused, 3.

MESSAGE FROM THE GOVERNOR
GUBERNATORIAL APPOINTMENT

Office of the Governor, April 12, 1979.

TO THE HONORABLE, THE SENATE OF THE STATE OF WASHINGTON.

LADIES AND GENTLEMEN:

I have the honor to submit the following reappointment, subject to your confirmation:

Anthony I. Eyring, reappointed April 11, 1979, for a term ending March 1, 1983, as a member of the Health Care Facilities Authority.

Sincerely,
DIXY LEE RAY
Governor.

Referred to Committee on Social and Health Services.

SIGNED BY THE PRESIDENT

The President signed:

SUBSTITUTE SENATE BILL NO. 2042,
SENATE BILL NO. 2131,
SUBSTITUTE SENATE BILL NO. 2158,
SUBSTITUTE SENATE BILL NO. 2482,
SENATE BILL NO. 2602,
SENATE BILL NO. 2736,
SENATE BILL NO. 2925,
SENATE JOINT RESOLUTION NO. 112.

MOTIONS

On motion of Senator Walgren, the Senate advanced to the sixth order of business.

Senator Walgren moved the Senate do now consider Substitute House Bill No. 1308.

PARLIAMENTARY INQUIRY

Senator Clarke: "The question is as to whether 1308 would survive the cutoff rule and by way of observation, I might state that it is the position of our caucus and the position we will take that without regard to the merits of any particular bill, it is our feeling that having adopted cutoff resolutions that we should adhere strictly to those cutoff resolutions, and for that reason the question as to any bill which comes upon the floor which, in the opinion of our caucus there is some question as to survival, we will respectfully ask the President for his ruling with respect thereto."

REMARKS BY SENATOR WALGREN

Senator Walgren: "Just responding to the remarks of Senator Clarke, it is rather remarkable to me that the Republican Caucus would take a position with regard to this very meritorious senior citizen measure and yet not raise that question this morning when we were talking about a measure involving the timber interests on this floor. I can think of the measures that we were considering in the last few moments of the session last night involving insurance measures, involving matters relating to major corporate activities in the King county area which they were of course very interested in seeing were considered by this body within the cutoff, and certainly allowing us to proceed with measures that obviously benefit those activities which are of great concern to the Republican side and not be willing to consider what I thought at least had been a tentative agreement to consider a very meritorious senior citizen measure."

REMARKS BY SENATOR CLARKE

Senator Clarke: "Responding to the remarks of Senator Walgren, the matters that we were considering yesterday, of course, were prior to the expiration of the cutoff time, or at least had been started to be worked upon prior to that time and the matter of determination that the Senator is talking about is a matter that was discussed in our caucus that we just came down from, and it was the consensus arrived

at at that time that we should take a position because there are many, many bills still remaining on the calendar or in Rules which would have some question as to whether they would or would not survive the cutoff. We do not think it is fair in effect to exercise partiality by simply not raising the question on those bills that we think obviously do not survive the cutoff and in effect circumvent the cutoff by that type of selection, particularly since it should not be our prerogative to make that determination as to what bills do or do not survive the cutoff because this is a joint cutoff resolution which relates both to action by the House and the Senate.

"So it was our determination, I think a very proper one, that we should respectfully ask the President to be prepared to rule upon each and every bill which comes upon the calendar as to whether or not it does survive the cutoff. This to us was the fairest and most noncontroversial manner in which we could approach this very important subject, because there are many, many bills remaining that various people have interest in and if, in substance, we exempt one bill from the cutoff without amending the cutoff resolution, not only do we create a precedent in this Senate but we also create a situation where the House is put in somewhat the same position."

REMARKS BY THE PRESIDENT

President Cherberg: "The President appreciates Senator Clarke's suggestion and will review those bills remaining on the Senate calendars, but would appreciate sufficient time in which to examine and study these measures. The measure before the Senate, Substitute House Bill No. 1308, is rather an involved bill changing the laws concerning landlord and tenant in mobile park homes. Therefore, if the members do not object the President would like to include this along with the other measures that are on the calendar."

MOTION

On motion of Senator Walgren, the Senate commenced consideration of Substitute House Bill No. 76.

SECOND READING

SUBSTITUTE HOUSE BILL NO. 76, by Committee on Local Government (originally sponsored by Representatives Charnley, Zimmerman, Garrett, Keller and Brekke) (by House Committee on Local Government of 45th Legislature request):

Clarifying grant of home rule power to local governments.

PARLIAMENTARY INQUIRY

Senator Clarke: "We would raise the same point of parliamentary inquiry as to this particular bill. It is true that this occupies a slightly different position in that we had started to work on this bill prior to the time of the cutoff but we would like a ruling as to whether the fact that we had so started to work extends the time of the cutoff during the complete consideration of the bill regardless of whether it is on one or more succeeding days."

Debate ensued.

POINT OF INQUIRY

Senator Matson: "Senator Walgren, was this House Bill 1308 before the body yesterday, before the floor of the Senate yesterday?"

Senator Walgren: "It was on the desk, Senator Matson."

Senator Matson: "It was my understanding it was in the Rules Committee."

Senator Walgren: "No, you are in error again."

Senator Matson: "Senator Walgren, I am curious to know what the motion made on the floor this morning then was."

Senator Walgren: "The motion today was to place the measure on second reading calendar."

Debate ensued.

REMARKS BY THE PRESIDENT

President Cherberg: "Senator Pullen, in reply to your remarks, the President believes your remarks are well taken. However, the President believes that the Chair is precluded from making a decision on this matter because the records show that Senator Walgren made a motion that further consideration of Substitute House Bill No. 76 be held over until tomorrow and evidently there were no objections. Thus, it must be considered that the motion was adopted by the body."

REMARKS BY THE PRESIDENT

President Cherberg: "The President hopes that he is not being redundant but the Senate acted upon this, said that the members were going to consider the measure today. It does follow in the tradition, as you pointed out, Senator Pullen, that the Senate has completed action on the measure under consideration prior to the cutoff time and whereas most assuredly if this bill were to come up today it would not fit within the concurrent resolution. However, inasmuch as the Senate has voted to consider it, I believe that the will of the majority at least prevails. Therefore the Substitute House Bill No. 76 is properly before the Senate."

Consideration of Substitute House Bill No. 76 was ruled to be in order.

The Senate resumed consideration of Substitute House Bill No. 76. The following amendment moved for adoption by Senator Wilson on Wednesday, April 11, 1979 is pending:

On page 1, strike everything after the enacting clause and insert the following:

NEW SECTION. Section 1. It is the purpose of this chapter to expressly grant by statute home rule powers and authorities to counties, cities, charter counties, and charter cities, but it is not the purpose of this chapter to grant to counties, cities, charter counties, and charter cities any greater powers and authorities in relation to each other or in relation to any other municipal or quasi municipal corporation than exist on the effective date of this act.

Further, this chapter establishes which entities of local government are empowered to adopt any police power measures and engage in and provide for any related programs and projects without specific authorization by state law, and those which are limited to adopting measures concerning subjects of a local nature and engage in and provide for any related programs and projects without specific authorization by state law. The powers and authorities granted by this chapter are not exclusive and are in addition to any other powers and authorities that have been or may be generally, specifically, or implicitly granted.

As used in this chapter, "city" includes every city and town in this state.

NEW SECTION. Sec. 2. Any county or city is empowered to make and enforce within its boundaries any local police power measure unless it is expressly or by clear implication prohibited by general state law from making and enforcing such measure: **PROVIDED,** That a county or city may also act concurrently with the state on any subject that is of a local nature and may adopt measures which complement the provisions of such state law unless expressly or by clear implication prohibited from so acting by state law.

NEW SECTION. Sec. 3. Any charter county or charter city is empowered with the authority granted to noncharter counties and cities in section 2 of this act,

'3 and in addition is empowered to make and enforce within its boundaries any police power measure unless expressly or by clear implication prohibited by general state law from making and enforcing such measure: PROVIDED, That a charter county or a charter city may also act concurrently with the state on any subject and may adopt measures which complement the provisions of such state laws unless expressly or by clear implication prohibited from so acting by state law.

NEW SECTION. Sec. 4. The powers and authorities delegated pursuant to sections 2 and 3 of this act shall not include powers of taxation or eminent domain, nor shall such powers and authorities permit a county, city, charter county, or charter city to dissolve, disincorporate, regulate, or assume the operations of any other municipal or quasi municipal corporation.

NEW SECTION. Sec. 5. Nothing in sections 2 or 3 of this act shall be construed to grant any additional authority to counties or cities over subjects regulated by the utilities and transportation commission pursuant to Titles 80 and 81 RCW.

NEW SECTION. Sec. 6. If any provision of this chapter or its application to any person or circumstance is held invalid, the remainder of the chapter or the application of the provision to other persons or circumstances is not affected.

NEW SECTION. Sec. 7. Sections 1 through 6 of this act shall constitute a new chapter in Title 35 RCW."

Senator Pullen moved adoption of the following amendment to the amendment by Senator Wilson:

On pages 1 and 2, delete all of section 1.

Debate ensued.

The motion by Senator Pullen failed and the amendment to the amendment was not adopted.

Senator Pullen moved adoption of the following amendment to the amendment by Senator Wilson:

On page 2, line 29, after "measure" strike "unless" and insert "if"

POINT OF INQUIRY

Senator Rasmussen: "Senator Wilson, in order that I can vote intelligently on these amendments, what are the powers that the cities and the counties are lacking now that you are asking for in this bill specifically? I heard Senator Talley, who is a long-time mayor, mention the fact that he did not know of anything that they needed. I was a short-time mayor and I did not know of anything that they were lacking in their everyday life. Could you enlighten me so I would know? What specifically now is it that they are asking?"

Senator Wilson: "Senator Rasmussen, I will try to give you a few examples as to the beneficial effects of this bill with respect to local government. One very clear cut example has occurred at this session. It pertains to the fact that times change and new and unforeseen problems or needs or desires come up in local areas and it would be preferable if those local areas could respond to these new needs as long as they are not running contrary to state laws or state preemptions without having to run to the legislature every year or every other year to secure specific authorization.

"Now an example of that that has occurred at this session pertains to senior citizen programs. Some entities of local government have wanted to participate in senior citizen programs but they could not because they had no specific authorization under state law and they had to come to Olympia and get a bill passed that would permit local governments to participate in senior citizen programs. Wouldn't it have been much more simple and logical and more related to local control if these local entities of government could have gotten involved in this area if they wanted to?

"A second example I might recite pertaining to this session pertains to a bill we had to pass because either one or a very small number of counties which are authorized to purchase uniforms for their deputy sheriffs wanted authorization to purchase civilian-type clothing for certain deputy sheriffs who needed that type of clothing in their work. I cannot think of any reason why a board of county commissioners and a sheriff's department should not have been able to do something as simple as that without having to come to the legislature in order to get a bill passed.

"I suppose another possible example might be that if some cities or some counties would like to provide their citizens with initiative and referendum authority, they cannot presently do that.

"So these are just three, I think, of numerous examples, many related to relatively unimportant matters, but where the passage of this bill would enable the local entities to take care of these problems themselves rather than having to come to the legislature and try to get state laws passed."

POINT OF INQUIRY

Senator Scott: "Senator Wilson, looking lower in that paragraph, would this paragraph make it possible for a city to institute any one of the taxes imposed by the state, excepting the income tax, since it would be a concurrent matter?"

Senator Wilson: "No, Senator Scott, and I will refer to page 3, section 4, 'the powers and authorities delegated pursuant to sections 2 and 3 of this act shall not include the powers of taxation'."

The motion by Senator Pullen failed and the amendment to the amendment by Senator Wilson was not adopted.

There being no objection, the amendments by Senator Pullen on the desk of the Secretary of the Senate were withdrawn.

On motion of Senator Wilson, the following amendment to the amendment by Senator Wilson was adopted:

On page 3, line 12, between "corporation" and the period, insert ": PROVIDED, That nothing in this section shall diminish any present regulatory authority granted by the legislature"

MOTION

Senator Rasmussen moved that Substitute House Bill No. 76 be rereferred to the Committee on Ways and Means.

Debate ensued.

POINT OF INQUIRY

Senator Talley: "Senator Fleming, the theory of home rule is the most beautiful thing we have ever considered for twenty years before this Senate. Now you had four nursing home bills which have established standards, uniformity throughout the state, which are very good bills, according to your interpretation. You worked very hard on them. I think you did a very fine job. All right, we pass this home rule and does this allow every city, town and county to pass their own nursing home rules?"

Senator Fleming: "Another thing we have here is this jail commission. This jail commission will probably take about two hundred million. If we pass this home rule bill, it would be a simple thing to just pass the bill and say, 'Cities, you have got to do this. We do not have to furnish the money any more.' All right?"

REMARKS BY SENATOR FLEMING

Senator Fleming: "Mr. President, just responding to my ways and means chairman, I would hope that our ways and means chairman and other members of this

body, including Senator Rasmussen, would probably support our majority leader and also the Senate as a whole.

"Speaking to what he said and probably an upcoming amendment that talks about a study, we have been studying this thing to death. I was chairman of local government committee for about four years and we studied this issue time and time again. The Senate okayed or recommended or agreed to allow the Senate local government committee to serve as the official representative of this body on an ad hoc local government committee with the Speaker of the House and the House of Representatives. They did study this measure and this had thorough study and it was recommended as one of the top priorities of that committee representing both of those bodies.

"So what you are talking about here is not necessary. I think we have studied it to death. I think the same comment that you are making now, Senator Donohue, that is some of the same comments you people made to me three years ago when this bill came up here and I have studied it a little more and it was a good bill then and it is a good bill now."

POINT OF INQUIRY

Senator Guess: "Would Senator North join us in sponsoring this amendment, that you so eloquently spoke for?"

Senator North: "Thank you for your invitation, Senator Guess. You invited me to join you before and I declined because I believe in the bill as it stands and I believe that we should pass it as it is before you today."

Senator Rasmussen demanded a roll call and the demand was sustained.

The President declared the question before the Senate to be the motion by Senator Rasmussen that Substitute House Bill No. 76 be rereferred to the Committee on Ways and Means.

The Secretary called the roll and the motion failed by the following vote: Yeas, 22; nays, 24; excused, 3.

Senator Guess moved adoption of the following amendment by Senators Guess, Day, Donohue, Rasmussen, Quigg, Gould, Gallagher, Scott, Conner, Hayner, Hansen, Clarke, Marsh and Morrison to the amendment by Senator Wilson.

On page 1, line 7, after "Section 1." strike the remainder of the amendment and insert:

"The legislature finds that confusion and ambiguity exists in relation to "home rule" powers of cities and counties. The legislature further recognizes that expansion of home rule powers creates questions of conflict and duplication of laws and ordinances, the effects of which are of concern to all the citizens of the state of Washington.

Therefore, the legislature hereby empowers and directs that a joint committee composed of six members of the Senate and six members of the House of Representatives be appointed to study the issue of "home rule." The committee shall be composed of three members of the majority and three members of the minority from each house of the legislature appointed by the President of the Senate and the Speaker(s) of the House of Representatives. The joint committee shall hold hearings and report to the legislature their findings and recommendations on or before February 1, 1980."

On motion of Senator Guess, the following amendment to the amendment was adopted:

On the last line of the amendment, strike "1980" and insert "1981"

Debate ensued.

Senator Guess demanded a roll call and the demand was sustained.

The President declared the question before the Senate to be the roll call on the amendment by Senator Guess and others, as amended, to the amendment by Senator Wilson.

ROLL CALL

The Secretary called the roll and the amendment, as amended, to the amendment was adopted by the following vote: Yeas, 25; nays, 20; absent or not voting, 1; excused, 3.

Absent or not voting: Senator Lysen—1.

Excused: Senators Benitz, Keefe, Lee—3.

The motion by Senator Wilson carried and the amendment, as amended, was adopted.

On motion of Senator Wilson, the rules were suspended, Substitute House Bill No. 76, as amended by the Senate, was advanced to third reading, the second reading considered the third, and the bill was placed on final passage.

ROLL CALL

The Secretary called the roll on the final passage of Substitute House Bill No. 76, as amended by the Senate, and the bill passed the Senate by the following vote: Yeas, 31; nays, 14; absent or not voting, 1; excused, 3.

Voting yea: Senators Bausch, Bluechel, Clarke, Conner, Day, Donohue, Gallagher, Gaspard, Gould, Guess, Hansen, Hayner, Jones, Lewis, Lysen, Marsh, McDermott, Moore, Morrison, Newschwander, Odegaard, Peterson, Rasmussen, Scott, Talley, Talmadge, Walgren, Wanamaker, Williams, Wojahn, Woody—31.

SUBSTITUTE HOUSE BILL NO. 76, as amended by the Senate, having received the constitutional majority, was declared passed. There being no objection, the title of the bill was ordered to stand as the title of the act.

SUBSTITUTE HOUSE BILL NO. 1308, by Committee on Judiciary (originally sponsored by Representatives Ehlers, May, King, Walk, Grimm, Barnes, Erickson, Bender, Mitchell, Charnley, Gruger and Burns):

Changing the laws concerning landlord and tenant in mobile home parks.

RULING BY THE PRESIDENT

President Cherberg: "The President is mindful of the point presented by Senator Clarke during yesterday's session.

"Members of the Senate, the President wishes to preface this decision with the remarks to this effect, that due to certain circumstances that have developed during the forty-sixth session, the President believes that the legislature deliberately adopted the broadest cutoff resolution at least ever adopted during his experience.

"House Bill 1308, an act relating to landlords and tenants of mobile homes, changing the laws concerning landlord and tenant in mobile home parks. At least it does have a provision on page 4 to this effect . . . beginning on line 4; 'Any provision which allows the landlord to increase the rent or alter the due date for rent payment during the term of the rental agreement: **PROVIDED**, That a rental agreement may include an escalation clause for a pro rata share of any increase in the mobile home park's real property taxes or utility assessments or charges, over the base taxes or utility assessments or charges of the year in which the rental agreement took effect, if the clause also provides for a pro rata reduction in rent or other charges in the event of reduction in real property taxes or utility assessments or charges, below the base year;'

"The President wishes to point out that in the cutoff resolution states . . . beginning on line 19 . . . 'neither the senate nor house shall consider any bills except revenue-related measures, appropriation-related measures, measures relating to energy, measures pertaining to amendments, matters of differences between the two houses,' etc.

"In a very broad interpretation, the President rules that House Bill 1308 is at least revenue and energy related."

MOTION

On motion of Senator Hayner, Substitute House Bill No. 1308 will be held for further consideration on Monday, April 16, 1979.

MOTION

At 10:18 a.m., on motion of Senator Marsh, the Senate was declared to be at ease.

The President called the Senate to order at 11:35 a.m.

MOTION

On motion of Senator Walgren, the Senate commenced consideration of Senate Bill No. 2979.

SECOND READING

SUBSTITUTE SENATE BILL NO. 2979, by Committee on Energy and Utilities (originally sponsored by Senator Bottiger):

Relating to energy.

The Senate resumed consideration of Substitute Senate Bill No. 2979. On Tuesday, April 10, 1979, the following amendment was moved for adoption by Senator McDermott. At that time, an amendment was on the desks which will be proposed by Senator McDermott. On Tuesday, April 10, 1979, Senator Bottiger raised a Point of Order on the following amendment moved for adoption at that time and the proposed amendment which will be considered following the President's ruling on the first amendment by Senator McDermott.

On page 1, after the enacting clause, insert the following additional section:

"Section 1. Section 12, chapter 45, Laws of 1970 ex. sess. as last amended by section 10, chapter 371, Laws of 1977 ex. sess. and RCW 80.50.120 are each amended to read as follows:

(1) Subject to the conditions set forth therein any certification shall bind the state and each of its departments, agencies, divisions, bureaus, commissions, boards, and political subdivisions, whether a member of the council or not, as to the approval of the environmental and ecological safeguards relating to the site and the construction and operation of the proposed energy facility.

(2) The certification shall authorize the person named therein to construct and operate the proposed energy facility subject only to the conditions set forth in such certification.

(3) The issuance of a certification shall be in lieu of any permit, certificate or similar document required by any department, agency, division, bureau, commission, board, or political subdivision of this state, whether a member of the council or not."

Renumber the sections following consecutively, and correct internal references accordingly.

Debate ensued.

RULING BY THE PRESIDENT

President Cherberg: "In ruling upon the Point of Order raised by Senator Bottiger, on Tuesday, April 10, 1979, the President finds that Substitute Senate Bill No. 2979 is a measure which deals with the powers of the Energy Facilities Site Evaluation council and prescribes penalties for violations of permit requirements.

"The amendment proposed by Senator McDermott deals with EFSEC's certification power.

"The President therefore finds that the proposed amendment does not expand the scope and object of the bill and that the Point of Order is not well taken.

The amendment by Senator McDermott was ruled in order.

Debate ensued.

POINT OF INQUIRY

Senator McDermott: "If I follow your argument, Senator Bottiger, it would seem to me that one of the results of not passing this amendment is that we could then become the place where all the power generation was done for the whole Northwest. If Oregon turns down Pebble Springs, the energy people in Oregon are quoted in the newspaper as saying that, 'Well, since we cannot get it here in Oregon we will go up to Washington where they are more pragmatic.' That leaves the questions then of whether they will come up here and build it, put the cost on our rate payers, and then have it go out through the lines to other places and it seems to me that unless we pass this kind of thing, we open the door to become the generating site for the entire Northwest. And I think that by passing this amendment we force the question of a regional bill in the United States Congress and I ask you, is it not possible that if we do not pass this kind of language, we open the door to become the siting place for the whole Northwest?"

Senator Bottiger: "Senator McDermott, I just do not think that that follows. I think Washington could very well have more generating capacity than we use on an average of any one time, but if you take our maximum load, we do not have because we borrow from other people. If any state were likely to have much more than its share, it would be the state of Montana because the population is so low. If you get cold strips one through four built, Montana per population will be grossly overgenerating. I would concede that if everybody else stopped building power plants and we are the only state with any sense, we might have more than our share."

The motion by Senator McDermott failed and the amendment was not adopted.

Senator McDermott moved adoption of the following amendment:

On page 1, after the enacting clause, insert the following additional section:

"Section 1. Section 1, chapter 45, Laws of 1970 ex. sess. as amended by section 29, chapter 108, Laws of 1975-'76 2nd ex. sess. and RCW 80.50.010 are each amended to read as follows:

The legislature finds that the (~~(present and predicted)~~) potential growth in energy demands in the state of Washington requires the development of a procedure for the selection and utilization of sites for energy facilities and the identification of a state position with respect to each proposed site. The legislature recognizes that the selection of sites will have a significant impact upon the welfare of the population, the location and growth of industry, and the use of the natural resources of the state.

It is the policy of the state of Washington to recognize the (~~(pressing)~~) need for (~~(increased)~~) adequate energy facilities, and to ensure through available and reasonable methods, that the location and operation of such facilities will produce minimal adverse effects on the environment, ecology of the land and its wildlife, and the ecology of state waters and their aquatic life.

It is the intent to seek courses of action that will balance the increasing demands for energy facility location and operation in conjunction with the broad interests of the public. Such action will be based on these premises:

(1) To assure Washington state citizens that, where applicable, operational safeguards are at least as stringent as the criteria established by the federal government and are technically sufficient for their welfare and protection.

(2) To preserve and protect the quality of the environment; to enhance the public's opportunity to enjoy the esthetic and recreational benefits of the air, water, and land resources; to promote air cleanliness; and to pursue beneficial changes in the environment.

(3) To provide (~~(abundant)~~) adequate energy at reasonable cost."

Remember the sections following consecutively, and correct internal references accordingly.

RULING BY THE PRESIDENT

President Cherberg: "In ruling upon the Point of Order raised by Senator Bottiger on Tuesday, April 10, 1979, the President finds that Substitute Senate Bill No. 2979 is a measure which deals with the powers of the Energy and Facilities Site Evaluation Council and prescribes penalties for violations of permit requirements.

"The amendment proposed by Senator McDermott modifies the council's powers by amending the purpose section of the same chapter.

"The President therefore finds that the proposed amendment does not expand the scope and object of the bill and that the Point of Order is not well taken."

The amendment by Senator McDermott was ruled in order.

POINT OF INQUIRY

Senator Goltz: "Senator McDermott, I think I understand the thrust of your amendment, but it seems to me that when you use the word 'potential' instead of 'present and predicted', you really are opening up what you have tried to close down in the last part of your amendment where you use the word 'adequate' instead of 'abundant'. I guess my question is, why you have chosen the word 'potential', which seems to me to be a very open-ended kind of quantitative growth factor instead of present and predicted as was in the old language?"

Senator McDermott: "The reason for that is that we presently have no prediction method whatsoever and so we took that language out because we are not doing predictions. There is nothing in the state level that is presently making predictions, and so we are acknowledging that there is the potential for additional power but that it only needs to be brought to the level of adequacy. As long as you allow the predictions to be made by somebody else, and that is the way it presently is, you are really putting us in a position of never asking the question of how much is adequate, and that is the reason we moved away from predictions because the state does not do predictions."

Senator Goltz: "I guess my response to that would be that potential is unlimited growth in energy demand and to me that allows adequate energy facilities to be also unlimited, and I think one part of your amendment, at least in my mind, contradicts the other."

Further debate ensued.

The motion by Senator McDermott failed and the amendment was not adopted.

On motion of Senator Bottiger, the following amendments were adopted:

On page 4, line 14, after "(5)" and before "Civil" insert the following:

"Every person who violates the provisions of certificates and permits issued or administered by the council shall incur, in addition to any other penalty as provided by law, a penalty in an amount of up to five thousand dollars a day for every such violation. Each and every such violation shall be a separate and distinct offense, and in case of a continuing violation, every day's continuance shall be and be deemed to be a separate and distinct violation. Every act of commission or omission which procures, aids, or abets in the violation shall be considered a violation under the provisions of this section and subject to the penalty provided in this section. The penalty provided in this section shall be imposed by a notice in writing, either by certified mail with return receipt requested or by personal service, to the person incurring the same from the council describing such violation with reasonable particularity. The council may, upon written application therefor received within fifteen days after notice imposing any penalty is received by the person incurring the penalty, and when deemed in the best interest to carry out the purposes of this chapter, remit or mitigate any penalty provided in this section upon such terms as the council shall deem proper, and shall have authority to ascertain the facts upon all such applications in such manner and under such regulations as it may deem proper. Any person

incurring any penalty under this section may appeal the same to the council. Such appeals shall be filed within thirty days of receipt of notice imposing any penalty unless an application for remission or mitigation is made to the council. When an application for remission or mitigation is made, such appeals shall be filed within thirty days of receipt of notice from the council setting forth the disposition of the application. Any penalty imposed under this section shall become due and payable thirty days after receipt of a notice imposing the same unless application for remission or mitigation is made or an appeal is filed. When an application for remission or mitigation is made, any penalty incurred hereunder shall become due and payable thirty days after receipt of notice setting forth the disposition of the application unless an appeal is filed from such disposition. Whenever an appeal of any penalty incurred hereunder is filed, the penalty shall become due and payable only upon completion of all review proceedings and the issuance of a final order confirming the penalty in whole or in part. If the amount of any penalty is not paid to the council within thirty days after it becomes due and payable, the attorney general, upon the request of the council, shall bring an action in the name of the state of Washington in the superior court of Thurston county or of any county in which such violator may do business, to recover such penalty. In all such actions the procedure and rules of evidence shall be the same as an ordinary civil action except as otherwise provided in this chapter. All penalties recovered under this section shall be paid into the state treasury and credited to the general fund.

(6)"

On page 4, line 21, after "~~((4))~~" strike "(6)" and insert "(7)"

Senator Lysen moved adoption of the following amendment:

On page 4, line 25, insert:

"**NEW SECTION.** Sec. 3. In order to protect the public health and safety at nuclear power facilities, the legislature hereby directs that any person employed at such a site shall be given one day off in every seven calendar days and shall not be permitted to work more than twelve consecutive hours.

This section shall not apply in case of breakdown of machinery or equipment, or other emergency, requiring the immediate services of experienced and competent labor to prevent serious injury to person, damage to property, or suspension of necessary operations, when such experienced and competent labor is not otherwise immediately available."

Renumber the remaining sections consecutively.

POINT OF ORDER

Senator Jones: "I would raise the question of scope and object.

"Senate Bill 2979 is an act relating to energy, to sitings, and I believe that Senator Lysen's amendment gets into the field of labor. It is clearly not within the scope and object of this measure."

Debate ensued.

RULING BY THE PRESIDENT

President Cherberg: "In ruling upon the Point of Order raised by Senator Jones, the President finds that Substitute Senate Bill 2979 is a measure which deals with the powers of the energy and facility site evaluation council and prescribes penalties for violations of the permit requirements.

"The amendment proposed by Senator Lysen relates to the working schedule of employees of nuclear power facilities.

"The President therefore finds that the proposed amendment does expand the scope and object of the bill and the Point of Order is well taken."

The amendment by Senator Lysen was ruled out of order.

On motion of Senator Bottiger, the rules were suspended, Senate Bill No. 2979 was advanced to third reading, the second reading considered the third, and the bill was placed on final passage.

Senator Van Hollebeke: "I just grabbed the bill quickly as you were getting into it, Senator Marsh, and I am trying to read it as it would finally read. I am not aware, and would like to know anything you can tell me about special license plates that are provided. Is that what we would require, that the license plate itself identify the party as handicapped?"

Senator Marsh: "The way I would interpret this, Senator, is there would be a logo right above the license plate somewhat like car dealers sometimes have that would identify the privilege of a handicapped to use specially reserved spaces."

Senator Van Hollebeke: "All right, for instance, on page 1, the first amendment that they have added would read: 'Vehicles displaying a special license plate, card or decal.' All right, that sounds practical. Thank you."

MOTION

Senator Bottiger moved the Senate concur in the House amendments to Engrossed Substitute Senate Bill No. 2197 with the exception of the amendments to page 1, line 7 and ask the House to recede therefrom.

POINT OF INQUIRY

Senator McDermott: "In quickly reading section 5, I do not see what the purpose of that radiation perpetual maintenance fund is and I wonder why the million dollar limitation. I am only questioning it."

Senator Bottiger: "Senator, as I believe we discussed when the bill was originally before the Senate, when you mine uranium you leave a large tailing behind the mine and that tailing is radioactive. It is not a high hazard radiation, but by requiring it to be buried and monitored, there are some standards the federal government set up about impervious clay beds, things of this nature, where they bury and pile these tailings. This fund sets up a perpetual maintenance fund for that tailing burial site and it is a system that we have until 1981 to put in place or the federal government will do it for us. The industry supported the bill to have the state monitor it as opposed to the federal government."

Senator McDermott: "Is this in any way related to the nuclear waste disposal site at Hanford?"

Senator Bottiger: "No, most of these tailings occur right at the mine site. I think there is one . . . I am not sure which counties. I think Senator Hayner has one in hers. There is one in Spokane county, another north of Spokane county, and one potential development on the Colville Indian tribe (sic). It is right at the mill site itself."

The motion by Senator Bottiger carried. The Senate concurred in the House amendments to Engrossed Substitute Senate Bill No. 2197 with the exception of the amendments to page 1, line 7.

POINT OF ORDER

Senator Marsh: "Mr. President, I raise the Point of Order that the House committee amendment is beyond the scope and object of Substitute Senate Bill 2294.

"Senate Bill 2294, as originally introduced by Senator Van Hollebeke and passed out by the judiciary committee, provided for an increase in jurisdictional limits of district courts.

"The proposed House amendment does not deal with jurisdictional amendments. It is a striking amendment. It deals with increasing fees for actions in district court and that is clearly beyond the scope and object of the original bill. I would also point out to the President that there is a proposed title amendment. It is so far out of line that they have to have a title amendment and so I ask the Chair for a ruling on this. I realize this sends it back to the Senate judiciary committee if you rule in favor of the Point of Order."

RULING BY PRESIDENT PRO TEMPORE HENRY

President Pro Tempore Henry: "The President, ruling on the Point of Order is that it does enlarge the scope and object of the bill.

"Your Point of Order is well taken under Rule 57. The bill is referred to the Senate committee on judiciary."

The House amendment to Substitute Senate Bill No. 2294 was ruled out of order.

Substitute Senate Bill No. 2294 was rereferred to the Judiciary Committee.

MOTION

Excused: Senators Bausch, Gould, Keefe—3.

SENATE BILL NO. 2468, as amended by the House, having received the constitutional majority, was declared passed. There being no objection, the title of the bill was ordered to stand as the title of the act.

MOTIONS

On motion of Senator Walgren, the Senate advanced to the sixth order of business.

On motion of Senator Walgren, the Senate commenced consideration of Senate Bill No. 2505.

SECOND READING

SENATE BILL NO. 2505, by Senators Donohue, Marsh, Day, Walgren, Ridder and Goltz (by Executive Request):

Authorizing a bond issue for jail facilities.

MOTIONS

On motion of Senator Shinpoch, Substitute Senate Bill No. 2505 was substituted for Senate Bill No. 2505 and the substitute bill was placed on second reading and read the second time in full.

On motion of Senator Shinpoch, the following amendment was adopted:

On page 2, line 5, after "the" strike "state jail commission" and insert "office of financial management"

Senator Wilson moved adoption of the following amendment by Senators Wilson and Shinpoch:

On page 4, line 2, delete subsection (6) and substitute therefor:

"(6) The jail commission will encourage the voluntary consolidation of facilities and programs of contiguous governing units where feasible and provided such consolidations are approved by both or all of the governing units involved.

(7) The jail commission shall examine, and by December 1, 1980, present to the legislature recommendations relating to detention and correction services, including the formulation of the role of state and local governing units regarding detention and correctional facilities."

POINT OF INQUIRY

Senator Morrison: "I am concerned about the impact of section 7, the second part of the amendment. Senator Wilson, would you mention that please? Is that strictly a study to determine the relationship between state and local obligations?"

Senator Wilson: "Yes, Senator Morrison. I gain a distinct impression that in the past several years the legislature has been talking about city and county jails in one room and about the state penal system in the other, and it would seem to me if these costs can be coordinated at least by one entity, namely, the jails commission, that we might begin to establish a harmonious rather than a duplicative relationship between state and local penitentiary facilities."

The motion by Senator Wilson carried and the amendment was adopted.

Senator Wilson moved adoption of the following amendment by Senators Wilson and Shinpoch:

Beginning on page 4, strike section 10 and substitute therefor:

"NEW SECTION. Sec. 10. There is added to chapter 70.48 RCW a new section to read as follows:

(1) The number of beds to be constructed with state funds shall be based on an assumption established by the commission.

(2) The number of square feet allowed per bed shall be consistent for facilities of similar size within either major urban, medium urban, or rural counties.

(3) Total funds allocated to a governing unit for new construction or renovation shall be the lesser of the amount specified in that portion of an accepted bid, approved by the jail commission, which is required to meet the physical plant standards approved pursuant to Chapter 147, Laws of 1979 (SB 2399) or the estimated cost submitted to the jail commission by the governing unit.

(4) If a governing unit determines the assumptions established by the commission, pursuant to subsection (1) of this section, are to be exceeded, then the funding responsibility in excess of amount determined by the jail commission will be that of the governing unit.

(5) The office of financial management shall assist governing units in obtaining whatever federal grants and aid which might be available for jail construction and renovation. The amount of such grants or aid which might be obtained shall be deducted from the moneys which would otherwise be granted to the governing units from the funds from the sale of bonds authorized by section 2 of this act."

POINT OF INQUIRY

Senator Morrison: "Senator Wilson, the amendment that you and Senator Shinpoch have proposed removes the proposed, or modifies at least, the proposed schedule for financing. Tied with this schedule in committee consideration was a list from the office of financial management. I would like to ask you whether the list

prepared by the office of financial management represents maximum amounts available to cities and counties or whether that list was developed for other purposes as it is impacted by your new proposal in this section of the bill."

Senator Wilson: "Senator Morrison, I think the most accurate answer to that question could be given by my reading from a letter from Orin Smith, director of the office of financial management, dated April 4 of this year in which he says in part: 'In response to your inquiry' which was essential the same question you have raised, 'the amounts set forth in the OFM list represent only approximations and were developed individually only to arrive at an aggregate number. Therefore, they must be regarded only as rough approximations by individual entity. It is our hope the jail commission, within statutory constraints, will be allowed substantial discretion in determining the exact allocation to individual entities.'"

Further debate ensued.

POINT OF INQUIRY

Senator Goltz: "Senator Wilson, under this amendment, would it be possible for the jail commission to allocate money for less than thirty-two jails and have some of the jails which are now included in the projection to be without any funds whatsoever if the \$106 million appropriation runs out before all thirty-two facilities are approved?"

Senator Wilson: "Yes, it would be possible. There is a considerable number of questions with respect to the figures which both the jail commission and OFM arrived at pertaining to each of the proposed facilities.

"Some people, including some knowledgeable people, feel that all of the jails that will be needed can actually be built for \$106 million, particularly when we consider that the state will be funding only those portions of the jails which will be mandated by the proposed jail physical plant criteria which have yet to be adopted. It is, however, possible and I could not deny it, that the entire amount of the bond issue might be consumed and there still could be two or three or several jail facilities yet to be funded."

The motion by Senator Wilson carried and the amendment was adopted.

Senator Morrison moved adoption of the following amendment by Senators Morrison, Shinpoch and Scott:

On page 4, following the Wilson/Shinpoch amendment adding a new section 10, insert the following:

"(6) Jails which are constructed and/or renovated with funds provided pursuant to this act shall not be considered state buildings for the purposes of RCW 43.17.200."

POINT OF INQUIRY

Senator McDermott: "If this declares them as local buildings, would that mean that the money spent on them would be then subject to the local ordinances of art in public buildings? If they are not state buildings, then they must be local buildings and so the money that is spent on them would be considered local money."

Senator Morrison: "I guess everybody has got to be somewhere, Senator McDermott. The amendment very simply just states that they are not state buildings for the purposes of the one-half of one percent art requirement. Now if you can make them local buildings out of that, good luck."

The motion by Senator Morrison carried and the amendment was adopted.

On motion of Senator Shinpoch, the following amendments were considered and adopted simultaneously:

On page 6, line 36, after "greater than" delete "eleven" and insert "ten"

On page 7, line 4, after "less than" delete "eleven" and insert "ten"

Senator Odegard moved adoption of the following amendment by Senators Odegard and Talley:

On page 7, after line 6, insert the following:

"NEW SECTION. Sec. 12. There is added to chapter 70.48 RCW a new section to read as follows:

Notwithstanding any other provision of law to the contrary, counties of the eighth class shall be eligible to receive funds available pursuant to the provisions of sections 1 through 10 of this 1979 act for construction and/or renovation of facilities designed to hold prisoners for a period of not more than seventy-two hours."

Re-number the remaining sections consecutively.

Debate ensued.

POINT OF INQUIRY

Senator Shinpoch: "Senator Odegard, could you tell me if this problem had been brought to the jail commission and have they considered it and, if so, what was the basis of their decision?"

Senator Odegard: "Senator Shinpoch, I was told that this request had not been given to the jail commission and so I checked that out with the local sheriff and county prosecutor in Wahkiakum county and the reason that it had not, they were in transition from a sheriff who had been defeated to a new administration of a new sheriff and because of that transition it had not been requested."

Senator Shinpoch: "Senator Odegard, some of us have been working on this bill for the last five or six years. I cannot imagine a transition between two sheriffs not of being aware. In addition, I guess, we passed the jail standards law two years ago. I guess that I am very uncomfortable with your—I do not know exactly what we are opening up and add another word into it and I do not know what that does. I guess in addition we are not adding any more money, we are just taking away from those that are already there."

Senator Odegard: "Mr. President, in maybe a further elaboration to Senator Shinpoch, I think that was one reason why that sheriff was defeated, Senator Shinpoch, because he was not fully doing his job and getting his request in that he should have been. They are only asking for about \$200,000 anyway which is very piddling out of the over \$100 million bond issue to take care of their small concerns."

POINT OF INQUIRY

Senator North: "Senator Odegard, like Senator Donohue, I am questioning the fiscal impact of this new section that you are adding here. Isn't it perfectly possible that the small counties can, through interlocal governmental contracting, make arrangements to transport—the distance is not that great in Wahkiakum county—into the next county? I just cannot see that every county must go into a building program. Do they have any kind of interlocal contract with Cowlitz county?"

Senator Odegard: "They do, Senator North, for their prisoners that they transport into Cowlitz county to Kelso for those for detention over seventy-two hours, but you have the problem of those who need immediate detention and those who might be before the court while the court sessions are going on there in the court house.

"Also, there are severe road problems between Cathlamet and Kelso. Many times a year that road is closed because of slides. It is a road that follows the Columbia river and it is very dangerous in certain places and especially when there is quite a bit of rain it causes the gravel to come down onto the road. In fact, it put a fellow and his truck into the river last year, sent him to the hospital.

"That is one reason why we have had especially the need for the Wahkiakum county ferry, the Puget Island ferry, to help in those cases. It is not as simple as it might sound, getting them into Cowlitz county, even though it is only about twenty-five miles. It is a tough twenty-five miles when the weather is bad or when the slide is over the road."

Senator North: "I am sympathetic to your problems but I guess I am speaking against the amendment because I think we are opening the door here to a building program that really was not anticipated in this bond issue."

POINT OF INQUIRY

Senator Morrison: "Senator Odegaard, I have a little trouble any time anything says, 'Notwithstanding any other provision of law.' What do we have in law now that would prohibit the jail commission from considering the request from an eighth class county to build this sort of facility and if so, surely they could go ahead and measure it against other obligations under this proposal?"

Senator Odegaard: "Senator Morrison, I asked that same question of the ways and means staff and, according to the Jails Act that we have passed here in past years, there is some kind of an exclusion to holding facilities apparently unless the amendment is worded this way, and that is why, with legal help, that it was worded the way it is."

Senator Morrison: "You are saying that there is really no exclusion for eighth class counties. The exclusion is for holding facilities and we are opening up a totally new area of concern as expressed by Senator Donohue."

Senator Odegaard: "That is why I restricted it to eighth class counties, Senator Morrison, so we would not be opening it wide open."

The motion by Senator Odegaard failed and the amendment was not adopted on a rising vote.

MOTION

On motion of Senator Donohue, the rules were suspended, Engrossed Substitute Senate Bill No. 2505 was advanced to third reading, the second reading considered the third, and the bill was placed on final passage.

POINT OF INQUIRY

Senator Lysen: "Senator Donohue, this seems to me to be an awful lot of money. It is all borrowed money for thirty years. Could you tell me approximately what the annual payment will be out of the general fund per biennium that we are committing future legislatures for the next thirty years to pay before we pay any other bills?"

Senator Donohue: "Yes, the interest on bonds now runs around seven or eight percent. As a general run for any bond issue passed you can figure that by the time it is paid back that it will be absolutely doubled. In other words, if you have a \$500 million bond issue, it will cost you a billion dollars by the time it is paid off, in interest and the original amount."

Senator Lysen: "What is the annual payment that we are committing the future legislatures to per biennium?"

Senator Donohue: "Between six and seven million a year, Senator."

ROLL CALL

The Secretary called the roll on the final passage of Engrossed Substitute Senate Bill No. 2505 and the bill passed the Senate by the following vote: Yeas, 45; nays, 1; excused, 3.

Voting yea: Senators Benitz, Bluechel, Bottiger, Clarke, Conner, Day, Donohue, Fleming, Gallagher, Gaspard, Goltz, Guess, Hansen, Hayner, Henry, Jones, Lee, Lewis, Marsh, Matson, McDermott, Moore, Morrison, Newschwander, North, Odegaard, Peterson, Pullen, Quigg, Rasmussen, Ridder, Scott, Sellar, Shinpoch, Talley, Talmadge, Van Hollebeke, Vognild, von Reichbauer, Walgren, Wanamaker, Williams, Wilson, Wojahn, Woody—45.

Voting nay: Senator Lysen—1.

Excused: Senators Bausch, Gould, Keefe—3.

ENGROSSED SUBSTITUTE SENATE BILL NO. 2505, having received the constitutional majority, was declared passed. There being no objection, the title of the bill was ordered to stand as the title of the act.

MOTION

On motion of Senator Walgren, the Senate commenced consideration of Substitute House Bill No. 1308.

SECOND READING

SUBSTITUTE HOUSE BILL NO. 1308, by Committee on Judiciary (originally sponsored by Representatives Ehlers, May, King, Walk, Grimm, Barnes, Erickson, Bender, Mitchell, Charnley, Gruger and Burns):

Changing the laws concerning landlord and tenant in mobile home parks.

REPORT OF STANDING COMMITTEE

April 9, 1979.

SUBSTITUTE HOUSE BILL NO. 1308, changing the laws concerning landlords and tenants in mobile home parks (reported by Judiciary Committee):

MAJORITY recommendation: Do pass with the following amendment:

Strike everything after the enacting clause and insert the following:

"Section 1. Section 4, chapter 279, Laws of 1977 ex. sess. and RCW 59.20.040 are each amended to read as follows:

This chapter shall regulate and determine legal rights, remedies, and obligations arising from any rental agreement between a landlord and a tenant regarding a mobile home lot and including amenities within the mobile home park, whose use is included as a part of the rent structure paid by the tenant. All such rental agreements shall be unenforceable to the extent of any conflict with any provision of this chapter. Chapter 59.12 RCW shall be applicable only in implementation of the provisions of this chapter and not as an alternative remedy to this chapter which shall be exclusive where applicable: PROVIDED, That the provision of RCW 59.12.090, 59.12.100, and 59.12.170 shall not apply to any rental agreement included under the provisions of this chapter. RCW 59.18.370 through 59.18.410 shall be applicable to any action of forcible entry or detainer or unlawful detainer arising from a tenancy under the provisions of this chapter. Rentals of mobile homes themselves are governed by the Residential Landlord-Tenant Act, chapter 59.18 RCW.

Sec. 2. Section 5, chapter 279, Laws of 1977 ex. sess. and RCW 59.20.050 are each amended to read as follows:

(1) On and after September 21, 1977, no landlord may offer a mobile home lot for rent without offering to a prospective tenant a written rental agreement for a term of one year or more. No landlord may offer to a tenant or prospective tenant any rental agreement for a term of one year or more for which the monthly rental is greater, or the terms of payment or other material conditions more burdensome to the tenant, than any month-to-month rental agreement also offered to such tenant or prospective tenant. A prospective tenant who desires to occupy a mobile home lot for other than a term of one year or more may have the option to be on a month-to-

month basis but must waive, in writing, the right to such one year or more term. Except pursuant to such waiver, no landlord shall allow a mobile home to be moved into a mobile home park in this state until a written rental agreement has been signed by the landlord and the tenant and a copy provided for the tenant: PROVIDED, That if the landlord allows the tenant to move a mobile home into a mobile home park without obtaining a written rental agreement for a term of one year or more, or a written waiver of the right to a one-year term or more, the term of the tenancy shall be deemed to be for one year from the date of occupancy of the mobile home lot;

(2) The requirements of subsection (1) of this section shall not apply if:

(a) The mobile home park or part thereof has been acquired or is under imminent threat of condemnation for a public works project, or

(b) An employer-employee relationship exists between a landlord and tenant;

(3) The provisions of this section shall apply to any tenancy in existence prior to September 21, 1977, upon expiration of the term of any oral or written rental agreement governing such tenancy.

Sec. 3. Section 6, chapter 279, Laws of 1977 ex. sess. and RCW 59.20.060 are each amended to read as follows:

(1) Any ~~((rental agreement executed between the landlord and tenant))~~ mobile home lot tenancy regardless of the term, shall be based upon a written rental agreement, signed by the parties, which shall contain:

(a) The terms for the payment of rent, including time and place, and any additional charges to be paid by the tenant. Additional charges that occur less frequently than monthly shall be itemized in a billing to the tenant;

(b) Reasonable rules for guest parking which shall be clearly stated;

(c) The rules and regulations of the park;

(d) The name and address of the person who is the landlord, and if such person does not reside in the state where the mobile home park is located there shall also be designated by name and address a person who resides in the county where the mobile home park is located who is authorized to act as agent for the purposes of service of notices and process. If no designation is made of a person to act as agent, then the person to whom rental payments are to be made shall be considered the agent; ~~((and))~~

(e) The terms and conditions under which any deposit or portion thereof may be withheld by the landlord upon termination of the rental agreement if any moneys are paid to the landlord by the tenant as a deposit or as security for performance of the tenant's obligations in a rental agreement;

(f) A listing of those utilities and services which will be provided at the time the rental agreement is executed and will continue to be offered for the term of tenancy and the nature of the fees, if any, to be charged; and

(g) A description of the boundaries of a mobile home lot sufficient to inform the tenant of the exact location of his lot in relation to other tenants' lots.

(2) Any rental agreement executed between the landlord and tenant shall not contain:

(a) Any provision which allows the landlord to charge a fee for guest parking unless a violation of the rules for guest parking occurs: PROVIDED, That a fee may be charged for guest parking which covers an extended period of time as defined in the rental agreement;

(b) Any provision which authorizes the towing or impounding of a vehicle except upon notice to the owner thereof or the tenant whose guest is the owner of said vehicle;

(c) Any provision which allows the landlord to increase the rent or alter the due date for rent payment during the term of the rental agreement: PROVIDED, That a rental agreement may include an escalation clause for a pro rata share of any

increase in the mobile home park's real property taxes or utility assessments or charges, over the base taxes or utility assessments or charges of the year in which the rental agreement took effect, if the clause also provides for a pro rata reduction in rent or other charges in the event of a reduction in real property taxes or utility assessments or charges, below the base year;

(d) Any provision by which the tenant agrees to waive or forego rights or remedies under this chapter; ((or))

(e) Any provision allowing the landlord to charge an "entrance fee" or an "exit fee"; or

(f) Any provision which allows the landlord to charge a fee for guests: PROVIDED, That a landlord may establish rules charging for guests who remain on the premises for more than fifteen days in any sixty-day period.

Sec. 4. Section 7, chapter 279, Laws of 1977 ex. sess. and RCW 59.20.070 are each amended to read as follows:

A landlord shall not:

(1) Deny any tenant the right to sell such tenant's mobile home within a park or require the removal of the mobile home from the park solely because of the sale thereof: PROVIDED, That:

(a) A rental agreement for a fixed term shall be assignable by the tenant to any person to whom he sells or transfers title to the mobile home, subject to the approval of the landlord after fifteen days' written notice of such intended assignment;

(b) The assignee of the rental agreement shall assume all the duties and obligations of his assignor for the remainder of the term of the rental agreement unless, by mutual agreement, a new rental agreement is entered into with the landlord; and

(c) The landlord shall approve or disapprove of the assignment of a rental agreement on the same basis that the landlord approves or disapproves of any new tenant; ((or))

(2) Restrict the tenant's freedom of choice in purchasing goods or services but may reserve the right to approve or disapprove any exterior structural improvements on a mobile home lot: PROVIDED, That door-to-door solicitation in the mobile home park may be restricted in the rental agreement;

(3) Prohibit meetings by tenants of the mobile home park to discuss mobile home living and affairs, conducted at reasonable times and in an orderly manner on the premises, nor penalize any tenant for participation in such activities;

(4) (a) Evict a tenant, terminate a rental agreement, decline to renew a rental agreement, increase rental or other tenant obligations, decrease services, or modify park rules in retaliation for any of the following actions on the part of a tenant taken in good faith:

(i) Filing a complaint with any state, county, or municipal governmental authority relating to any alleged violation by the landlord of an applicable statute, regulation, or ordinance;

(ii) Requesting the landlord to comply with the provision of this chapter or other applicable statute, regulation, or ordinance of the state, county, or municipality;

(iii) Filing suit against the landlord for any reason;

(iv) Participation or membership in any homeowners association or group;

(b) In determining whether an action by a landlord is retaliatory, the presumptions set forth in RCW 59.18.250 shall apply; or

(5) Charge to any tenant a utility fee in excess of actual utility costs.

Sec. 5. Section 8, chapter 279, Laws of 1977 ex. sess. and RCW 59.20.080 are each amended to read as follows:

~~((Tenancy during the term of a rental agreement may be terminated by the landlord only))~~ (1) Except as provided in subsection (2) of this section, the landlord

shall not terminate a tenancy, of whatever duration, except for one or more of the following reasons:

~~((+))~~ (a) Substantial or repeated violation of the rules of the mobile home park as established by the landlord at the inception of the tenancy or as assumed subsequently with the consent of the tenant. The tenant shall be given written notice of a fifteen day period in which to comply or vacate: PROVIDED, That in the case of a violation of a "material change" in park rules with respect to pets, tenants with minor children living with them, or recreational facilities, the tenant shall be given written notice of a six month period in which to comply or vacate. In the case of periodic rather than continuous violation, said notice shall specify that the same violation repeated shall result in termination;

~~((2))~~ (b) Nonpayment of rent or other charges specified in the rental agreement, upon five days written notice to pay rent and/or other charges or to vacate;

~~((3))~~ (c) Conviction of the tenant of a crime, commission of which threatens the health, safety, or welfare of the other mobile home park tenants. The tenant shall be given written notice of a fifteen day period in which to vacate;

(d) Failure of the tenant to comply with local ordinances and state laws and regulations relating to mobile homes or mobile home living within a reasonable time after the tenant's receipt of notice of such noncompliance from the appropriate governmental agency;

(e) Change of land use of the mobile home park: PROVIDED, That the landlord shall give the tenants twelve months' notice in advance of the proposed effective date of such change.

(2) A landlord may terminate any tenancy without cause, but only if the landlord gives notice in writing to the tenant that the tenancy will be terminated at least six months before the date of termination. This subsection does not permit a landlord to terminate an otherwise valid lease that extends beyond such six-month period. This section does not permit a landlord to terminate a tenancy for any reason or basis which is prohibited under subsections (3) or (4) of RCW 59.20.070, as now or hereafter amended.

Sec. 6. Section 9, chapter 279, Laws of 1977 ex. sess. and RCW 59.20.090 are each amended to read as follows:

(1) Unless otherwise agreed rental agreements shall be for a term of one year. Any rental agreement ~~((for a term of one year and any rental agreement renewed for a six-month term))~~ of whatever duration shall be automatically renewed for ((an additional six-month)) the term of the original rental agreement unless:

~~(a) ((Otherwise specified in the original written rental agreement))~~ A different specified term is agreed upon; or

(b) The landlord notifies the tenant in writing three months prior to the expiration of the rental agreement that it will not be renewed ((or will be renewed only with the changes contained in such notice)); PROVIDED, That at the expiration of such rental agreement the tenant shall be considered a month-to-month tenant upon the same terms, other than rent, as in the prior rental agreement unless or until the provisions of RCW 59.20.080 as now or hereafter amended have been complied with. This section does not permit a landlord to refuse to renew a tenancy for any reason or basis which is prohibited under subsections (3) or (4) of RCW 59.20.070, as now or hereafter amended.

(2) A landlord seeking to increase the rent upon expiration of the term of a rental agreement of any duration shall notify the tenant in writing three months prior to the effective date of any increase in rent.

(3) A tenant shall notify the landlord in writing one month prior to the expiration of a rental agreement of an intention not to renew.

~~((2))~~ (4)(a) The tenant may terminate the rental agreement upon thirty days written notice whenever a change in the location of the tenant's employment

requires a change in his residence, and shall not be liable for rental following such termination unless after due diligence and reasonable effort the landlord is not able to rent the mobile home lot at a fair rental. If the landlord is not able to rent the lot, the tenant shall remain liable for the rental specified in the rental agreement until the lot is rented or the original term ends;

((3)) (b) Any tenant who is a member of the armed forces may terminate a rental agreement with less than thirty days notice if he receives reassignment orders which do not allow greater notice.

NEW SECTION. Sec. 7. It shall be the duty of the landlord to:

(1) Maintain the premises and prevent the accumulation of stagnant water and to prevent the detrimental effects of moving water when such condition is not the fault of the tenant;

(2) Keep any shared or common areas reasonably clean, sanitary, and safe from defects to reduce the hazards of fire or accident;

(3) Keep all exterior property areas of the mobile home park, not in the possession of tenants, free of weeds or plant growth noxious and detrimental to the health of the tenants and free from potentially injurious or unsightly objects and condition;

(4) Exterminate or make a reasonable effort to exterminate insects, rodents, vermin, or other pests dangerous to the health and safety of the tenant whenever infestation exists on the premises of the park or in the interior of a mobile home when such interior infestation is the result of the landlord's failure to exterminate or make a reasonable effort to do so;

(5) Maintain and protect all utilities provided to the mobile home in good working condition. Maintenance responsibility shall be determined at that point where the normal mobile home utilities "hook-ups" connect to those provided by the landlord or utility company;

(6) Respect the privacy of the tenants and shall have no right of entry to a mobile home without the prior written consent of the occupant, except in case of emergency or when the occupant has abandoned the mobile home. Such consent may be revoked in writing by the occupant at any time. The ownership or management shall have a right of entry upon the land upon which a mobile home is situated for maintenance of utilities and protection of the mobile home park at any reasonable time, but not in a manner or at a time which would interfere with the occupant's quiet enjoyment;

(7) Allow tenants freedom of choice in the purchase of goods and services, and not unreasonably restrict access to the mobile home park for such purposes; and

(8) Maintain roads within the mobile home park in good condition.

NEW SECTION. Sec. 8. (1) Any notice required by this chapter to be given to a tenant shall be served on behalf of the landlord: (a) By delivering a copy personally to the tenant; or (b) if the tenant is absent from the mobile home, by leaving a copy at the mobile home with some person of suitable age and discretion and by sending a copy through the mail addressed to the tenant's place of residence; or (c) if the tenant is absent from the mobile home and a person of suitable age and discretion cannot be found to leave a copy with, then by affixing a copy of the notice in a conspicuous place on the mobile home and also sending a copy through the mail addressed to the tenant at the tenant's place of residence.

(2) Any notice required by this chapter to be given to the landlord shall be served by the tenant in the same manner as provided for in subsection (1) of this section, or by mail to the landlord at such place as shall be expressly provided in the rental agreement.

(3) The landlord shall state in any notice of eviction required by RCW 59.20.080(1) as now or hereafter amended the specific reason for eviction in a clear and concise manner.

NEW SECTION. Sec. 9. If any moneys are paid to the landlord by the tenant as a deposit or as security for performance of the tenant's obligations in a rental agreement, such rental agreement shall include the terms and conditions under which the deposit or portion thereof may be withheld by the landlord upon termination of the rental agreement. If all or part of the deposit may be withheld to indemnify the landlord for damages to the mobile home lot for which the tenant is responsible, the rental agreement shall so specify.

NEW SECTION. Sec. 10. All moneys paid to the landlord by the tenant as a deposit as security for performance of the tenant's obligations in a rental agreement shall promptly be deposited by the landlord in a trust account, maintained by the landlord for the purpose of holding such security deposits for tenants of the landlord, in a bank, savings and loan association, mutual savings bank, or licensed escrow agent located in Washington. Unless otherwise agreed in writing, the landlord shall be entitled to receipt of interest paid on such trust account deposits. The landlord shall provide the tenant with a written receipt for the deposit and shall provide written notice of the name and address and location of the depository and any subsequent change thereof. If during a tenancy the status of landlord is transferred to another, any sums in the deposit trust account affected by such transfer shall simultaneously be transferred to an equivalent trust account of the successor landlord, and the successor landlord shall promptly notify the tenant of the transfer and of the name, address and location of the new depository. The tenant's claim to any moneys paid under this section shall be prior to that of any creditor of the landlord, including a trustee in bankruptcy or receiver, even if such moneys are commingled.

NEW SECTION. Sec. 11. Within fourteen days after the termination of the rental agreement and vacation of the mobile home lot, the landlord shall give a full and specific statement of the basis for retaining any of the deposit together with the payment of any refund due the tenant under the terms and conditions of the rental agreement. No portion of any deposit shall be withheld on account of wear resulting from ordinary use of the mobile home lot.

The statement shall be delivered to the tenant personally or by mail to the last known address. If the landlord fails to give such statement together with any refund due the tenant within the time limits specified above such landlord shall be liable to the tenant for the full amount of the refund due. In any action brought by the tenant to recover the deposit, the prevailing party shall be entitled to the cost of suit or arbitration including a reasonable attorney's fee.

Nothing in this chapter shall preclude the landlord from proceeding against, and the landlord shall have the right to proceed against a tenant to recover sums exceeding the amount of the tenant's damage or security deposit for damage to the property for which the tenant is responsible together with reasonable attorney's fees and costs of suit.

Sec. 12. Section 2, chapter 190, Laws of 1915 as amended by section 1, chapter 138, Laws of 1955 and RCW 19.48.020 are each amended to read as follows:

Every hotel and trailer camp shall keep a record of the arrival and departure of its guests in such a manner that the record will be a permanent one for at least one year from the date of departure: PROVIDED, That this requirement shall not apply with respect to guests of tenants in mobile home parks, as defined in RCW 59.20.030.

NEW SECTION. Sec. 13. Sections 7 through 11 of this 1979 act are each added to chapter 59.20 RCW."

On page 17 of the committee amendment, following section 13, add:

"NEW SECTION. Sec. 14. This chapter may be known and cited as the floating home landlord-tenant act.

NEW SECTION. Sec. 15. Every duty under this chapter and every act which must be performed as a condition precedent to the exercise of a right or remedy under this chapter imposes an obligation of good faith in its performance or enforcement.

NEW SECTION. Sec. 16. For the purposes of this chapter:

(1) "Landlord" means the owner of a floating home moorage business and includes the agents of a landlord;

(2) "Floating home site" means a portion of a floating home moorage located over water designated or otherwise made available and intended by the owner as the moorage location of a floating structure, and its accessory buildings, constructed on a float or nonnavigable barge, the primary use of which is intended for the non-transient human habitation use of the occupants of the floating home. A navigable waterborne boat, ship, or vessel, regardless of size or propellant power, is not a floating home within the meaning and definition of floating home or accessory building(s) set forth in this chapter;

(3) "Floating home moorage" means any waterfront or wetland facility for the mooring, anchoring, or other securing of one or more floating homes, and the land and water premises on which the moorage is located, any portion of which is rented or held out for rent to others for the placement of one or more floating homes for the primary purpose of production of rental or moorage fee income to the lessor.

The definition of floating home moorage does not apply to those portions of real properties, waterfront, or wetland facilities used by a landlord for the placement of floating homes for the purpose of service, repair, storage without human habitation,

use, or for day-to-day transient human habitation use for periods not to exceed thirty days of continuous duration where the transient day-to-day habitation is related to the purpose of service, repair, storage without human habitation use, or transient use;

(4) "Tenant" means any person, except a transient, who rents a floating home site;

(5) "Transient" means any person who rents a floating home site for a period of less than one month.

NEW SECTION. Sec. 17. This chapter regulates and determines legal rights, remedies, and obligations arising from any rental agreement between a landlord and a tenant regarding a floating home site. All such rental agreements shall be unenforceable to the extent of any conflict with any provision of this chapter. Chapter 59.12 RCW is applicable only in implementation of this chapter and not as an alternative remedy to this chapter, which shall be exclusive where applicable: PROVIDED, That RCW 59.12.090, 59.12.100, and 59.12.170 do not apply to any rental agreement included under this chapter. RCW 59.18.370 through 59.18.410 are applicable to any action of forcible entry or detainer or unlawful detainer arising from a tenancy under this chapter; and RCW 90.58.050 applies to floating home moorages and sites. Rentals of floating homes themselves are governed by the Residential Landlord-tenant Act, chapter 59.18 RCW.

NEW SECTION. Sec. 18. (1) On and after September 30, 1979, no landlord may offer a floating home site for rent or moorage fee without offering to the prospective tenant a written rental agreement for a term of not less than one year. A prospective tenant who desires to occupy a floating home site for less than a term of one year or more may have the option to be on a month-to-month oral or written lease basis but must waive, in writing, the right to such one year or more term. Except pursuant to such waiver, no landlord shall allow a floating home to be moved into a floating home moorage in this state until a written rental or moorage fee agreement has been signed by the landlord and the tenant and a copy provided the tenant: PROVIDED, That if the landlord allows the tenant to move his or her floating home into a floating home moorage and a written rental or mortgage fee agreement has not been executed by the parties or the rental agreement or moorage agreement is silent as to the length of the term and no written waiver of the one-year term requirement has been executed, the term will be presumed to be for one year from the date of occupancy of the moorage site.

(2) The requirements of subsection (1) of this section do not apply if:

(a) The respective floating home moorage or respective part thereof has been acquired or is under imminent threat of condemnation for a public works project;

(b) An employer-employee relationship exists between the landlord and tenant; or

(3) This section applies to any floating home site tenancy in existence prior to September 30, 1979, upon expiration of the term of any oral or written rental agreement governing the tenancy.

NEW SECTION. Sec. 19. (1) Any rental agreement executed between the landlord and tenant shall contain:

If no designation is so made of a person to act as agent, then the person who is named by the landlord to whom rental payments are to be made or delivered within the county of the moorage shall be considered the agent; and

(e) The terms and conditions under which any deposit or portion thereof may be withheld by the landlord upon termination of the rental agreement if any moneys are paid to the landlord by the tenant as a deposit or as security for performance of the tenant's obligations in the rental agreement.

(2) Any rental agreement executed between the landlord and tenant shall not contain:

(b) Any provision which authorizes the towing or impounding of a vehicle or boat except upon notice to the owner thereof or the tenant whose guest is the owner or user of the vehicle or boat. "Vehicle" includes an automobile, truck, tractor, whether of the wheel or crawler type, and aircraft;

(c) Any provision which allows the landlord to increase the rent or alter the due date for rent payment during the term of the rental agreement: **PROVIDED**, That a rental agreement may include an escalation clause for a pro rata share of any increase in the floating home moorage's real property taxes or utility assessments or charges, over the base taxes or utility assessments or charges of the year in which the rental agreement took effect, if the clause also provides for a pro rata reduction in rent or other charges in the event of a reduction in real property taxes or utility assessments or charges, below the base year;

(b) The assignee of the rental agreement shall assume all the duties and obligations of the assignor for the remainder of the term of the rental agreement unless, by mutual agreement, a new rental agreement is entered into with the landlord; and

(c) The landlord shall approve or disapprove of the assignment of a rental agreement on the same basis that the landlord approves or disapproves of any new tenant; or

(2) Restrict the tenant's freedom of choice in purchasing goods or services but may reserve the right to approve or disapprove any exterior structural improvements to the floating home or to the floating home moorage site: PROVIDED, That door-to-door solicitation in the floating home moorage may be restricted in the rental agreement.

NEW SECTION. Sec. 22. (1) Unless otherwise agreed, rental agreements shall be for a term of not less than one year. Any rental agreement for a term of one year and any rental agreement renewed for a six-month term shall be automatically renewed for one additional six-month term unless:

(b) The landlord notifies the tenant in writing three months prior to the expiration of the rental agreement or of any rental agreement renewed for a six-month term that it will not be renewed or will be renewed only with the changes contained in the notice.

A tenant shall notify the landlord in writing one month prior to the expiration of a rental agreement of an intention not to renew.

(2) Except as in this chapter provided for payment of rent or moorage fee, the tenant may otherwise terminate the rental agreement upon thirty days written notice whenever a change in the location, of not less than twenty miles ground distance each way from the leased site, of the tenant's employment requires a change in the tenant's residence, and shall not be liable for rental following the termination unless after due diligence and reasonable effort the landlord is not able to rent the floating home site at a fair rental or moorage fee. Unless otherwise defined in the rental agreement, fair rental or moorage fee as used in this subsection may not be less than eighty percent nor more than one hundred percent of the rental or moorage fee specified in the terminated agreement. If the landlord is not able to so rent the site, the tenant shall remain liable for the rental specified in the rental agreement until the site is rented or the original term or renewal thereof ends.

(3) Any tenant who is a member of the armed forces may terminate a rental agreement and payment of rent from date of vacating the site with less than thirty days notice if the tenant receives change of duty station orders which do not allow greater notice.

NEW SECTION. Sec. 23. Structural or affixed moorage improvements, purchased and installed by a tenant on a floating home site, shall remain the property of the landlord and may not be removed or disposed of by the tenant prior to or at termination of the tenancy unless otherwise agreed to by the landlord: **PROVIDED,** That a tenant shall leave the floating home site in substantially the same or better condition than upon taking possession.

NEW SECTION. Sec. 24. In any action arising out of this chapter, the prevailing party shall be entitled to reasonable attorneys' fees and costs.

NEW SECTION. Sec. 25. Venue for any action arising under this chapter shall be in the district or superior court of the county in which the floating home site is located.

NEW SECTION. Sec. 26. The provisions of this chapter shall not be construed so as to preempt any local ordinance which is not inconsistent with this chapter.

NEW SECTION. Sec. 27. Sections 14 through 26 of this act shall constitute a new chapter in Title 59 RCW.

NEW SECTION. Sec. 28. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected."

"HELP US NOW AS WE GATHER FOR THE WORK OF THE DAY, TO REMEMBER THAT COMMITMENT; TO REMEMBER THAT WE DO THIS WORK BECAUSE WE WANT TO GIVE TO YOU AS YOU HAVE GIVEN TO US. KEEP US FROM WORKING FOR OUR OWN SELFISH INTERESTS. KEEP US FROM YIELDING TO THE INTERESTS OF GROUPS WHO THINK ONLY OF THEMSELVES. HELP US TO RECOGNIZE THAT WE HAVE IN OUR HANDS THE POWER TO CHOOSE BETWEEN LIFE AND DEATH FOR OTHERS. KEEP BEFORE US THE KNOWLEDGE THAT WE ARE ALL THY CHILDREN: THAT WE SERVE YOU AS WE SERVE THOSE WHO ARE POWERLESS: THOSE WHO ARE KEPT POOR BY THE RICH; THOSE WHOSE COLOR DETERMINES HOW AND WHERE THEY WILL LIVE. O GOD, IN THIS MOMENT OF REMEMBERING YOUR LOVE TO US, MAY WE REACH TOWARD THE GOAL OF PROVIDING THE WAYS BY WHICH EACH PERSON WILL BE ABLE TO DEVELOP TO THE FULLNESS OF HIS OR HER POTENTIAL. KEEP BEFORE US OUR RESPONSIBILITY TO PERSONS AND TO YOU.

"HELP US TO FOLLOW THE ADVICE OF ST. PAUL, THAT WHATEVER WE ARE DOING, WE WILL PUT OUR WHOLE HEART INTO IT, AS IF WE WERE DOING IT FOR THE LORD, AND NOT FOR MEN . . . FOR CHRIST IS THE MASTER WHOSE SLAVES WE MUST BE. AMEN."

Moneys spent from this account shall be by appropriation. The department shall transmit to the state treasurer for deposit in the landowner contingency forest fire suppression account any moneys paid out of said account which are later recovered, less reasonable costs of recovery, which moneys may be expended for purposes set forth herein during the current biennium, without reappropriation.

This account shall be established and renewed by a special forest fire suppression account assessment paid by participating forest landowners at rates to be established by the department, but not to exceed five cents per acre per year for such period of years as may be necessary to establish and thereafter reestablish a balance in said account of one million dollars. The assessments with respect to forest lands in western and eastern Washington may differ to equitably distribute the assessment based on emergency fire suppression cost experience necessitated by participating landowner operations. Amounts assessed for this account shall be a lien upon the forest lands with respect to which the assessment is made, and may be collected as directed by the department in the same manner as forest patrol assessments. This account shall be held by the state treasurer who is authorized to invest so much of said account as is not necessary to meet current needs. Any interest earned on moneys from said account shall be deposited in and remain a part of the account, and shall be computed as part of the same in determining the balance thereof. Interfund loans to and from this account are authorized at the then current rate of interest as determined by the state treasurer, provided that the effect of the loan is considered for purposes of determining the assessments. Payment of emergency costs from this account shall in no way restrict the right of the department to recover costs pursuant to RCW 76.04.390 as now or hereafter amended, or other laws.

When the department determines that a forest fire was started in the course of or as a result of a participating landowner operation, it shall notify the forest fire advisory board of such determination. Such determination shall be final, unless, within ninety days of such notification, the forest fire advisory board or any interested party, serves a request for a hearing before the department. Such hearing shall constitute a contested case under chapter 34.04 RCW and any appeal therefrom shall be to the superior court of Thurston county.

Sec. 12. Section 9, chapter 233, Laws of 1951 and RCW 76.06.110 are each amended to read as follows:

All moneys collected under the provisions of RCW 76.06.070, together with such moneys as may be ~~((appropriated by the legislature for the purposes of this chapter.))~~ contributed by the federal government or by any owner or agent, shall be deposited ~~((by the supervisor in the forest insect and disease control))~~ in the state general fund~~((; and the moneys therein hereby are made available to the board))~~ for the purposes of this chapter.

~~((All unexpended balances remaining in said fund shall continue to be available for the purposes of this chapter and shall not revert to the state general fund.))~~

Any additional revenue earmarked for the purposes of this chapter which was not anticipated in the budget adopted by the legislature may be deposited in the general fund and allotted as unanticipated receipts pursuant to RCW 43.79.270 through 43.79.282 as now existing or hereafter amended.

Before any license may be issued the applicant must execute and file with said department, to be approved by it, a surety bond running to the state in the sum of five thousand dollars, conditioned that the applicant will comply with all the requirements of the laws of the state governing such activities, and will account for all stray logs taken into possession. Each application shall be accompanied by a remittance of one hundred dollars for each boat or truck to be used or operated in such activities by the licensee or agent. All licenses shall expire on June 30th following the date of issuance. The department shall issue each applicant a license and shall also issue distinctive stickers or other suitable devices for each piece of equipment listed in the application identifying it as engaged in log patrol activities. A fee of four dollars shall be paid for each pair of such stickers or devices used.

SECOND READING

SUBSTITUTE HOUSE BILL NO. 194, by Committee on Higher Education (originally sponsored by Representatives Burns, Grimm, Oliver, Erickson and Heck):

Mandating responsibility in program development and budgetary considerations in use of services and activities fees.

The bill was read the second time by sections.

On motion of Senator Goltz, the rules were suspended, Substitute House Bill No. 194 was advanced to third reading, the second reading considered the third, and the bill was placed on final passage.

POINT OF INQUIRY

Senator Guess: "Senator Goltz, I see a real flaw in the bill. It says that the governing board shall establish procedures for appeals from service and activities fee committee decisions and such appeals to be heard prior to the adoption of the budget by the board. Now, the thing that really bothers me here is that the appeal could go on interminably. It does not say that one person can do it. It does not limit the number of appeals. It does not limit the number of the questions that they can raise on the thing, and so I see a very grave damage could be done to the governance of the state universities and colleges with the ambiguity that this language has.

"It is almost inconceivable to me that we would pass a bill without first providing a very narrow definition of who can appeal and the procedures for appeal and what is the final redress. Before the adoption of the final budget the governing board shall address areas of disagreement between services and activities fees committee recommendations and the proposed institutional budget presented for adoption by the board. How do you get a budget adopted under those conditions?"

Senator Goltz: "Senator Guess, in the first place, it is in the interest of that board and it is in the interest of that student body to get the budget adopted because both the board and the student body have a vested interest in how those moneys are to be spent. Secondly, it points out in the bill that the board of trustees or regents will adopt guidelines to handle these appeal procedures and it would not be in the interest of the board or the students to allow those appeals to go on indefinitely. The problem I think is self-correcting out of the very self-interest that everybody has in this bill."

Senator Guess: "Senator Goltz, if the students decide that they want the money divided in a way that is contrary to the way that the budget by the board of trustees wants to do it, who is going to settle the dispute between the two?"

Senator Goltz: "There is a clear statement in here that the board of trustees will settle the dispute because they have the final say so as to how the moneys are to be spent. This does not provide that student associations make the final decision. It simply is a method by which the students will have input into the budget making process in the initial stages."

Debate ensued.

Senator Pullen moved Substitute House Bill No. 194 be held for further consideration following Substitute House Bill No. 504 on today's calendar.

If, after a fact-finding hearing pursuant to RCW 13.34.110, as now or hereafter amended, it has been proven by a preponderance of the evidence that the child is dependent within the meaning of RCW 13.34.030(2); after consideration of the predisposition report prepared pursuant to RCW 13.34.110 and after a disposition hearing has been held pursuant to RCW 13.34.110, the court shall enter an order of disposition pursuant to this section.

(1) The court shall order one of the following dispositions of the case:

In selecting a program, the court should choose those services that least interfere with family autonomy, provided that the services are adequate to protect the child.

(b) Order that the child be removed from his or her home and ordered into the custody, control, and care of a relative or the department of social and health services or a licensed child placing agency for placement in a foster family home or group care facility licensed pursuant to chapter 74.15 RCW or in a home not required to be licensed pursuant to chapter 74.15 RCW. (b) The agency shall be required to encourage the maximum parent-child contact possible, including regular visitation and participation by the parents in the care of the child while the child is in placement.

(c) A child shall be placed as close to the child's home as possible, preferably in the child's own neighborhood, unless the court finds that placement at a greater distance is necessary to promote the child's or parents' well-being.

(d) The agency charged with supervising a child in placement shall provide all reasonable services that are available within the agency, or within the community, or those services which the department of social and health services has existing contracts to purchase. It shall report to the court if it is unable to provide such services.

(3) The status of all children found to be dependent shall be reviewed by the court at least every six months at a hearing in which it shall be determined whether court supervision should continue.

Senator Marsh moved adoption of the committee amendment to page 14, following line 19 adding section 21.

PARLIAMENTARY INQUIRY

Senator Bluechel: "Mr. President, I intend to raise the question of scope and object on the floor amendment by Senators Odegaard, Day and Rasmussen, which goes into RCW 74.13.031. My question to you is a parliamentary question. In order to raise that, do I have to raise the question of scope and object in this amendment because it goes into the same section?"

"At the present time in the bill, there is no reference to section 74.13 in the bill. If by adopting this amendment it precludes me from raising the question of scope and object, I would have to raise it on this amendment."

Revising laws relating to agriculture products.

REPORT OF STANDING COMMITTEE

February 23, 1979.

SUBSTITUTE HOUSE BILL NO. 247, revising laws relating to agricultural products (reported by Committee on Agriculture):

MAJORITY recommendation: Do pass with the following amendment:

On page 8, line 13, after "sale." insert "~~((Such charges shall be accounted for as a per unit charge based upon the same unit of measure for which the selling price of such product was charged.))~~"

Signed by: Senators Hansen, Chairman; Gaspard, Wanamaker, Wilson.

The bill was read the second time by sections.

On motion of Senator Hansen, the rules were suspended, Substitute House Bill No. 247, as amended by the Senate, was advanced to third reading, the second reading considered the third, and the bill was placed on final passage.

POINT OF INQUIRY

Senator Rasmussen: "Senator Hansen, it states agricultural products is expanded to include worms and bees."

Senator Hansen: "That was the amendment, yes. Evidently bee farming has gotten to be an important issue to some people in the state of Washington so the bees and the worms were added in to the agricultural commodities."

Senator Rasmussen: "Are they going to have to pay commission merchants fees?"

Senator Hansen: "I believe they will."

Senator Rasmussen: "The little lad out there on the corner that is selling worms?"

Senator Hansen: "No. It is not the intent anyway. Senator Gaspard, could you reply to that? I am sure they would not."

Senator Rasmussen: "I am not so sure when you include them into the commission merchants law, and I wouldn't want that little fellow that sells me the fishing worms to have to pay a fee."

Senator Hansen: "I will refer to Senator Morrison."

REMARKS BY SENATOR MORRISON

Senator Morrison: "Senator Rasmussen, perhaps I can help. This deals only with commission merchants. This would provide that anyone that went into the wholesale purchase of worms or bees would have to have a commission merchants license and pay the fees. However, the fellow you are concerned about, the dealer on the corner, he is just like a farmer and he can deal directly with you without having to have any concern. This is if he sells his crop to someone who drives through with a truck who is hauling it to a wholesale location and is a commission merchant, then he would be protected because the commission merchant would have to post bond and that sort of thing. So it won't affect your little fellow on the corner."

SECOND READING

SENATE BILL NO. 2667, by Senators McDermott, Walgren and Morrison:
Providing for library assistance.

REPORT OF STANDING COMMITTEE

March 22, 1979.

SENATE BILL NO. 2667, providing for library assistance (reported by Committee on Education):

Recommendation: Do pass with the following amendments:

On page 4, beginning on line 20, strike all of New Section 9 down to the period on line 24

On page 1, line 5 of the title before "and" strike "making an appropriation;"

Signed by: Senators McDermott, Chairman; Gaspard, Vice Chairman; Gould, Hayner, Morrison, Ridder, Talmadge.

The bill was read the second time by sections.

Senator McDermott moved adoption of the committee amendment.

POINT OF INQUIRY

Senator Rasmussen: "Senator McDermott, this takes the appropriation out of the library bill but does it still leave us liable to make an appropriation in the appropriations bill?"

Senator McDermott: "The Senate ways and means committee in its wisdom can present to the body an amount for libraries if they choose. This bill does not authorize any money nor does it appropriate any."

Senator Rasmussen: "It implies that we will appropriate the money to the libraries. Is that correct?"

Senator McDermott: "This bill is a bill that sets up the policy that we think that at the state level we should consider, giving the money to local libraries."

Senator Rasmussen: "We think or you think?"

Senator McDermott: "That will depend on the vote, Senator Rasmussen."

Debate ensued.

POINT OF INQUIRY

Senator Shinpoch: "Senator Donohue, if we leave the appropriation in, would the bill then be referred to the committee on ways and means?"

Senator Donohue: "Senator, I just have been busy here and I just now understand that the amendment does take the appropriation out. Is that correct? So I have to change what I said a moment ago and I am going to vote to take the appropriation out."

The motion by Senator McDermott carried and the committee amendment was adopted.

Senator McDermott moved adoption of the committee amendment to the title.

PARLIAMENTARY INQUIRY

Senator Shinpoch: "Mr. President, I question whether now that we have removed the appropriation from this bill whether it is still alive under the cutoff resolution?"

REMARKS BY SENATOR TALLEY

Senator Talley: "A point of consideration. When we took this bill up it was a legal bill and due to action on the floor on the consideration of the bill, I do not think that should affect the fact that we were legal when we took it up and I do not see how that could stop the consideration now."

RULING BY THE PRESIDENT

President Cherberg: "Members of the Senate, in ruling on Senator Shinpoch's Point of Order, the President finds that on page 2, the paragraph starting on line 22 and especially 24, 25 and 26, establishment and development of public library information services through its various subdivisions and to provide fiscal assistance for such services.

"Therefore, the President believes that even though this may not be an appropriation bill, it is at least appropriation-related which means connected and/or associated."

Debate ensued.

REMARKS BY THE PRESIDENT

President Cherberg: "Actually, I believe the bill is still alive, thanks to the remarks of Senator Talley. The Senate took this bill under consideration and it is up to the Senate as to whether the Senate wishes to complete action on the bill, indefinitely postpone it, or what all."

The motion by Senator McDermott carried and the committee amendment to the title was adopted.

On motion of Senator McDermott, the rules were suspended, Engrossed Senate Bill No. 2667 was advanced to third reading, the second reading considered the third, and the bill was placed on final passage.

POINT OF INQUIRY

Senator Donohue: "Mr. President and members of the Senate, I think I understood Senator McDermott to say that when we pass this bill we are really not obligated in any way to put out any money in the future. Is that correct?"

Senator McDermott: "As you know, Senator Donohue, no legislature can bind another legislature so that the decisions are made each and every biennium as to how we will allocate those moneys which are available to us, so we are not binding anybody to anything. We are merely setting up a mechanism by which we could put money out if we decided that was in the best public interest."

Senator Donohue: "Senator, if you were going to make an assumption then on the next legislative policy as it relates to the next legislature, would you assume that after passage of this bill that there would be any lobbying effort done by libraries in the state to fund this project; and of course I know that you do not pay much attention to lobbyists, but would you think that that is possible that we would have people here requesting millions of dollars?"

Senator McDermott: "Senator Donohue, I am certain that many citizens would come down here and want us to put money in a good public service like public libraries. I think that it is an important part of the democratic process to have citizens come down and represent their cause before us and I would hope they would come down in large numbers."

Senator Donohue: "Senator, I understand what you are saying and I do not know exactly whether there is too much validity in that, but at the same time, you mentioned New York City and that really disturbs me. I think if you will remember here a couple of years ago that the federal government had to bail out New York.

They had a real problem there because they have overextended themselves much beyond their ability to pay. Now I hope that you are not in essence saying that the problem in New York City is related to libraries, that we can look down the road and find that this state is going to be in the same kind of a situation. I hope not. However, I do not know what percentage of people go to the libraries. I do not know what percentage of them use the libraries. I have been in a library or two in my life and it seems as though that there are plenty of books, there are plenty of magazines, there are plenty of things to read. In fact, I wish I could read everything that is there.

"So I think the best thing to do with this bill is to take a look at it. Let us study it. I do not know how much study your committee has done on this particular bill but I think that we should vote this bill down. I think we should take a look at it during the interim. Maybe we should travel around and find out exactly what kind of shape some of these libraries are in and how many books they have, what kind of books, whether they have clean books, dirty books, or whatever they have got, and study the situation a little bit so that we will know whether or not we are making the proper judgment here whether we vote aye or no. I intend to vote no on this issue."

Further debate ensued.

ROLL CALL

The Secretary called the roll on the final passage of Engrossed Senate Bill No. 2667, and the bill passed the Senate by the following vote: Yeas, 28; nays, 18; absent or not voting, 1; excused, 2. Voting yea: Senators Bausch, Bottiger, Conner, Day, Fleming, Gallagher, Gaspard, Goltz, Gould, Lee, Lewis, Marsh, McDermott, Moore, Morrison, North, Odegaard, Peterson, Quigg, Ridder, Sellar, Talley, Talmadge, Vognild, Walgren, Williams, Wilson, Wojahn—28.

Excused: Senators Keefe, Lysen—2.

PERSONAL PRIVILEGE

Senator Talley: "Senator Donohue, it was your remarks that talked me into voting for this bill. You talked against the bill but in one of your remarks I changed my mind. When you talked about the City of New York, and I can assure you we all feel sure the state of Washington will never be in that condition as long as you are chairman of ways and means."

Mr. President: The House has passed SENATE BILL NO. 2143 with the following amendment:

Strike everything after the enacting clause and insert the following:

"Section 1. Section 28A.57.312, chapter 223, Laws of 1969 ex. sess. as last amended by section 5, chapter 43, Laws of 1975 and RCW 28A.57.312 are each amended to read as follows:

The governing board of a school district shall be known as the board of directors of the district.

Unless otherwise specifically provided, as in RCW 29.13.060, members of a board of directors shall be elected by ballot by the registered voters of the school district and shall hold office for a term of four years and until their successors are elected and qualified. Terms of school directors shall be staggered, and insofar as possible, not more than a majority of one shall be elected to full terms at any regular election. In case a member or members of a board of directors are to be elected to fill an unexpired term or terms, the ballot shall specify the term for which each such member is to be elected.

Except for a school district of the first class having (~~(an enrollment of fifty thousand pupils)~~) within its boundaries a city with a population of four hundred thousand people or more in class AA counties, which shall have a board of directors of seven members, the board of directors of every school district of the first class or school district of the second class shall consist of five members.

Sec. 2. Section 28A.57.342, chapter 223, Laws of 1969 ex. sess. as last amended by section 8, chapter 43, Laws of 1975 and RCW 28A.57.342 are each amended to read as follows:

Whenever an election shall be held for the purpose of securing the approval of the voters for the formation of a new school district other than a school district of the first class having (~~(an enrollment of fifty thousand pupils)~~) within its boundaries a city with a population of four hundred thousand people or more in class AA counties, if requested by one of the boards of directors of the school districts affected, there shall also be submitted to the voters at the same election a proposition to authorize the county committee to divide the school district, if formed, into directors' districts. Such director districts in second class districts, if approved, shall not become effective until the regular school election following the next regular school election at which time a new board of directors shall be elected as provided in RCW 28A.57.328, as now or hereafter amended. Such director districts, if approved, shall not become effective until the next regular school election when a new five member board of directors shall be elected, one from each of five director districts from among the residents of the respective director district by the electors of the entire district, two for a term of two years and three for a term of four years, unless such district elects its directors for six years, in which case, one for a term of two years, two for a term of four years, and two for a term of six years.

Notwithstanding any other provision of law, any school ((districts)) district of the first class having ((an enrollment of fifty thousand pupils)) within its boundaries a city with a population of four hundred thousand people or more in class AA counties shall be divided into seven director districts. The boundaries of such director

POINT OF INQUIRY

Senator McDermott: "Senator Peterson, we passed a bill out of this Senate talking about leases and the fact that we thought there needed to be a study of leases that have been made by the department of natural resources, and I see that this bill allows leases for ten years. Now if we come back in a year or so with a change in the leasing policy, will leases under this law still be in effect?"

Senator Peterson: "In the years that I have been down here, every session is unique in itself. I suspect that we could come back in two years or next year and undo what we did today."

Senator McDermott: "So you are saying that this does not necessarily grandfather in any lease granted. We are not binding the next legislature from taking away and making a renegotiation of those leases necessary?"

Senator Peterson: "Not to my knowledge."

The Senate resumed consideration of Engrossed Substitute House Bill No. 352. On Tuesday, April 17, 1979, two committee amendments were adopted. A parliamentary inquiry was raised by Senator Bluechel on the third committee amendment.

PARLIAMENTARY INQUIRY

Senator Bluechel: "I inquired as to whether, in order to make a challenge to the next amendment, the floor amendment by Senator Odegaard, I would have to challenge also the committee amendment as it fell in the same section, added a new section to the bill, and if your answer is yes, then I would raise the question of scope and object as to the committee amendment."

RULING BY THE PRESIDENT

President Cherberg: "Senator Bluechel and other members, the President believes that the scope and object of Engrossed Substitute House Bill No. 352 has already been enlarged by adoption of the two committee amendments dealing with the disposition of dependency cases and the placement of runaways.

"Therefore, Senator, the President believes that the amendment proposed by the committee would be in order."

PARLIAMENTARY INQUIRY

Senator Bluechel: "Mr. President, even though it is in a totally different section? The first amendment was in section 13. The committee amendment I am referring to is in section 47, and the committee amendment we are dealing with in section 47 deals with reducing the time that a child may be held in detention from forty-eight hours to twenty-four hours whereas the bill itself is a law relevant to the determination of parental rights under specific circumstances."

RULING BY THE PRESIDENT

President Cherberg: "Senator Bluechel, the Engrossed Substitute House Bill 352, as amended on the floor, is a measure which revises existing juvenile law in the areas of voluntary and involuntary termination of parental rights, disposition of dependency cases and placement of runaways.

"The amendment proposed by the Senate judiciary committee also deals with the placement of runaways.

"Therefore, the President believes that the amendment is in order."

The committee amendment on page 14, after line 19, inserting a new section 21 was ruled to be in order.

Debate ensued.

The motion by Senator Marsh carried and the committee amendment was adopted on a rising vote.

Senator Odegaard moved adoption of the following amendment by Senators Odegaard, Day and Rasmussen:

On page 14, after line 19 insert the following:

"Sec. 20. Section 17, chapter 172, Laws of 1967 as last amended by section 77, chapter 155, Laws of 1979 and RCW 74.13.031 are each amended to read as follows:

The department shall have the duty to provide child welfare services as defined in RCW 74.13.020, and shall:

(2) Develop a recruiting plan for recruiting an adequate number of prospective adoptive and foster homes, both regular and specialized, i.e. homes for children of ethnic minority, sibling groups, handicapped and emotionally disturbed, and annually submit the plan for review to the house and senate committees on social and health services. The plan shall include a section entitled "Foster Home Turn-Over, Causes and Recommendations."

(3) Investigate complaints of neglect, abuse, or abandonment of children by parents, legal custodians, or persons serving in loco parentis, and on the basis of the findings of such investigation, offer child welfare services in relation to the problem to such parents, legal custodians, or persons serving in loco parentis, and/or bring the situation to the attention of an appropriate court, or another community agency. If the investigation reveals that a crime may have been committed, the department shall notify the appropriate law enforcement agency.

~~((3))~~ (4) Offer, on a voluntary basis, crisis intervention to families who are in conflict.

~~((Crisis intervention services (a) shall consist of an interview or series of interviews with the child or his or her family, as needed, conducted within a brief period of time by qualified professional persons, and designed to alleviate personal or family situations which present a serious and imminent threat to the health or stability of the child or the family; and (b) may include, but are not limited to, the provision of or referral to services for suicide prevention, psychiatric or other medical care, or psychological, welfare, legal, educational, or other social services, as appropriate to the needs of the child and the family.~~

~~Nothing in this section shall prohibit an officer of the child welfare services from referring any child who, as a result of a mental or emotional disorder, or intoxication by alcohol or other drugs, is suicidal, seriously assaultive or seriously destructive towards others, or otherwise similarly evidences an immediate need for emergency medical evaluation and possible care, to a community mental health center pursuant to RCW 72.23.070.~~

~~(4) Have authority to accept for temporary residential care in a foster family home or group care facility licensed pursuant to chapter 74.15 RCW a child who has been taken into limited custody pursuant to RCW 13.30.020: PROVIDED, That a juvenile shall in no event remain in temporary residential care for a period longer than seventy-two hours from the time of the juvenile's initial contact with the law enforcement officer except as otherwise provided in this section. Upon accepting the child, the staff of the facility shall notify the child's parents or custodian of his or her whereabouts, physical and emotional condition, and the circumstances surrounding his or her placement and shall undertake to make arrangements for the child's return home.~~

~~In every case crisis intervention services shall be provided as needed and the staff of the temporary facility shall seek to effect the child's return home or alternative living arrangement agreeable to the child and the parent or custodian as soon as practicable.~~

~~(a) If, after his or her admission to a temporary residential facility, a child who is absent from home without permission and his or her parent or custodian agrees to the child's return home, the staff of the facility shall arrange transportation for the juvenile, as soon as practicable, to the county of residence of the parent or custodian, at the latter's expense to the extent of his or her ability to pay.~~

~~(b) If the child refuses to return home and if no other living arrangements agreeable to the child and the parent or custodian can be made, the staff of the facility shall arrange transportation for the child to a temporary nonsecure residential facility in the county of residence of the parent or custodian, at the expense of the latter to the extent of his or her ability to pay. If there is no such facility in the county of that residence, the nearest such facility to that residence shall be used.~~

~~(c) If a child's legal residence is outside the state of Washington and such child refuses to return home, the provisions of RCW 13.24.010 shall apply.~~

~~(d) If the parent or custodian refuses to permit the child to return home, and no other living arrangement agreeable to the child and the parent or custodian can be made, staff of the child welfare services section shall notify the juvenile court to appoint legal counsel for the child and shall file a dependency petition in the juvenile court in the jurisdiction of the residence of the parent or custodian.~~

~~(e) If a child and his or her parent or guardian agree to an arrangement for alternative residential placement, such placement may continue as long as there is agreement. During any alternative residential placement, there shall be provided to the child and to his or her family such services as may be appropriate to the particular case, to the end that the child may be reunited with the family as soon as practicable.~~

(f) If such child and his or her parent or custodian cannot agree to an arrangement for alternative residential placement in the first instance, or cannot agree to the continuation of such placement, the child or his or her parent or custodian may file with the juvenile court a petition to approve alternative residential placement pursuant to RCW 13.32.020. The child shall remain in the placement where he or she is located at the time a petition to approve alternative residential placement is filed until a placement decision is made pursuant to RCW 13.32.040.

(g) In no event shall alternative residential placement for a child in conflict with his or her family be arranged in a secure detention facility or in a secure institution except as provided in this subsection and RCW 13.34.140. A child in conflict with his or her parents may be detained in a secure detention facility operated by a county for a maximum of seventy-two hours if:

(i) The staff of the child welfare services section find that the child taken into limited custody has previously been placed in alternative residential care and has run away from such placement and that it is likely that the child will run away from another and different residential placement; or

(ii) The child refuses to return home and refuses to be placed in alternative residential care.

During such detention, efforts shall be continued to the end that the child may be returned home or other living arrangements agreeable to the child and his or her parent, guardian, or custodian are made. If an agreement concerning living arrangements for the child cannot be reached a petition shall be filed within forty-eight hours after initial detention of the child, pursuant to subsection (4)(f) of this section. The hearing on the petition shall be held within seventy-two hours, excluding Sundays and holidays, of the initial detention of the child. If the hearing on the petition is not held within these time limits the child shall be released from detention.

(5) Cooperate with other public and voluntary agencies and organizations in the development and coordination of programs and activities in behalf of children including but not limited to contracting with private and public entities to provide basic education and vocational training and crisis intervention services.

(6) Have authority to accept custody of children from parents, guardians, and/or juvenile courts, to provide child welfare services including placement for adoption, and to provide for the physical care of such children and to make payment of maintenance costs if needed:))

(5) Monitor out-of-home placements, on a timely and routine basis, to assure the safety, well-being, and quality of care being provided is within the scope of the intent of the legislature as defined in RCW 74.13.010 and 74.15.010, and annually submit a report delineating the results to the house and senate committees on social and health services.

(6) Have authority to accept custody of children from parents and to accept custody of children from juvenile courts, where authorized to do so under law, to provide child welfare services including placement for adoption, and to provide for the physical care of such children and make payment of maintenance costs if needed.

((6)) (7) Have authority to provide temporary shelter to children who have run away from home and who are admitted to crisis residential centers.

((7)) (8) Have authority to purchase care for children; and shall follow in general the policy of using properly approved private agency services for the actual care and supervision of such children insofar as they are available, paying for care of such children as are accepted by the department as eligible for support at reasonable rates established by the department.

((8)) (9) Establish a child welfare and day care advisory committee who shall act as an advisory committee to the state advisory committee and to the secretary in

the development of policy on all matters pertaining to child welfare, day care, licensing of child care agencies, and services related thereto.

~~((9))~~ (10) Notwithstanding any other provision of ~~(sections 31 through 34 and 78 through 82 of this 1979 act)~~ RCW 13..... through 13..... (sections 31 through 34, chapter 155, Laws of 1979) and RCW 74.13... through 74.13... (sections 78 through 82, chapter 155, Laws of 1979), or of this section all services to be provided by the department of social and health services under subsections ~~((3) and)~~ (4), (6), and (7) of this section, subject to the limitations of these subsections, may be provided by any program offering such services funded pursuant to Titles II and III of the federal juvenile justice and delinquency prevention act of 1974 (P.L. No. 93-415; 42 U.S.C. 5634 et seq.; and 42 U.S.C. 5701 note as amended by P.L. 94-273, 94-503, and 95-115)."

Renumber the remaining sections consecutively.

PARLIAMENTARY INQUIRY

Senator Bluechel: "Mr. President, have you ruled on the scope and object of this amendment in ruling on the last one?"

REPLY BY THE PRESIDENT

President Cherberg: "Not as yet, Senator."

POINT OF ORDER

Senator Bluechel: "I would raise the question of scope and object on this amendment here and the House Bill 352 is a bill amending the law relative to termination of parental rights under specified circumstances. The proposed amendment would amend the law relative to the duty of DSHS to develop, administer and monitor a program to provide services for handling runaway and dependent children. The title of the act is 'An Act relating to domestic relations,' which clearly does not cover the proposed amendment which deals with juveniles. I would suggest that the amendment is clearly beyond the scope and object of the bill."

Debate ensued.

RULING BY THE PRESIDENT

President Cherberg: "In ruling upon the Point of Order raised by Senator Bluechel, the President finds that Engrossed Substitute House Bill 352, as amended on the floor of the Senate, is a measure which revises existing juvenile law in the areas of voluntary and involuntary termination of parental rights, disposition of dependency cases and placement of runaways.

"The amendment proposed by Senators Odegaard, Day and Rasmussen also deals with the placement of runaways.

"The President therefore finds that the proposed amendment does not expand the scope and object of the bill and that the Point of Order is not well taken."

The amendment by Senators Odegaard, Day and Rasmussen was ruled in order.

Debate ensued.

POINT OF INQUIRY

Senator Jones: "Senator Odegaard, in reading this amendment which is rather substantive, it looks to me like there is some new language here which talks about the development of a recruiting plan. These are the items you recently discussed in

monitoring out-of-home placements. Is there any concept of what the fiscal impact of this would be?"

Senator Odegaard: "You are speaking to the first part of the amendment, Senator Jones, on the adoptive and foster home?"

Senator Jones: "Right, page 1 and page 7 are where I pick up language which seems to me would have some dollar impact."

Senator Odegaard: "Okay. I would defer, if I may, to Senator Day since that was his bill and maybe he could better respond to that question."

Senator Jones: "The question is, the fiscal impact of the language on page 1 which talks about the development of a recruiting plan and earlier language talks about monitoring, coordinating, comprehensive plans; and then on page 7, we talk about monitoring out of home placements on a timely routine basis, and I am concerned about what kind of a cost factor we are talking about here and is this provided for?"

REMARKS BY SENATOR DAY

Senator Day: "I think that there should not be any great cost factor to something the department should be doing relative to this program anyway, and as far as developing the plan is concerned, you are not talking about a Touche-Ross study. We are just talking about keeping records which they already should be doing relative to the functioning of these homes, the adequacy of them, whether the home is providing the type of base for these children that should be there.

"Now what this really mandates is what is already mandated to a degree in the federal law. If you will note, it is specialized areas that we are addressing to a great degree here relative to ethnic minorities and the handicapped and emotionally disturbed.

"Now I do not believe that there should be any great cost and that that cost should not have to carry with it an additional appropriation. It is something the department should be able to do within their budget."

THIRD READING

SUBSTITUTE SENATE JOINT RESOLUTION NO. 120, by Committee on Energy and Utilities (originally sponsored by Senators Bottiger and Lewis):

Authorizing government utilities to loan money for energy conservation purposes.

MOTIONS

On motion of Senator Bottiger, the rules were suspended, Substitute Senate Joint Resolution No. 120 was returned to second reading.

Senator Bottiger moved adoption of the following amendment:

On page 1, strike the entire resolution and insert the following:

"BE IT RESOLVED, BY THE SENATE AND HOUSE OF REPRESENTATIVES OF THE STATE OF WASHINGTON, IN LEGISLATIVE SESSION ASSEMBLED:

THAT, At the next general election to be held in this state there shall be submitted to the qualified voters of the state for their approval and ratification, or rejection, an amendment to the state Constitution by adding a new section to Article VIII to read as follows:

Article VIII, section Notwithstanding the provisions of sections 5 or 7 of this Article, any county, city, town, quasi municipal corporation, municipal corporation, or political subdivision of the state which is engaged in the sale or distribution of energy may, as authorized by the legislature, use public moneys or credit derived from operating revenues from the sale of energy to assist the owners of residential structures in financing the acquisition and installation of materials and equipment for the conservation or more efficient use of energy in such structures. Except as provided in section 7 of this Article, an appropriate charge back shall be made for such extension of public moneys or credit and the same shall be a lien against the residential structure benefited.

BE IT FURTHER RESOLVED, That the secretary of state shall cause notice of the foregoing constitutional amendment to be published at least four times during the four weeks next preceding the election in every legal newspaper in the state."

POINT OF INQUIRY

Senator Wilson: "Senator Bottiger, would you explain again the exclusion provided for in section 7?"

Senator Bottiger: "Our constitution has a provision—there are two provisions, one applies to the state. We are not amending that. The other applies to local units of government, and our proposed language would say that 'any county, city, town or quasi-municipal corporation or municipal corporation or political subdivision of the state which is engaged in the sale or distribution of energy'—that is the people that could build a plant themselves—'may, as authorized by the legislature, use public moneys or credit derived from operating revenues'—again, only those people that are doing it, are selling—from the sale of energy to assist the owners of residential structures in financing the acquisition and installation of materials and equipment

for the conservation or more efficient use of energy in such structures.' Is that the language, Senator?"

Senator Wilson: "I am sorry, I guess I did not make my question clear. Starting on line 34, 'Except as provided in section 7 of this Article.' I was asking if you would again explain the significance of that passage."

Senator Bottiger: "That section refers to the aged and infirm language, which they currently can do and it says, 'Except as provided in section 7 an appropriate charge back shall be made for extension of public moneys or credit and the same shall be a lien against the residential structure benefited.' The section 7 exception is the current permission for the aged and infirm as an exception to the lending of credit or the giving or gifts."

Debate ensued.

Senator Lee moved the following amendments by Senators Lee, Quigg and Wanamaker to the amendment by Senator Bottiger be considered and adopted simultaneously:

On page 1, line 20 of the amendment, after "Article," insert "until January 1, 1990"

On page 2, line 4, after "benefited." insert "Except as to contracts entered into prior thereto, this amendment to the state Constitution shall be null and void as of January 1, 1990 and shall have no further force or effect after that date."

Debate ensued.

The motion by Senator Lee carried and the amendments to the amendment were adopted.

The motion by Senator Bottiger carried and the amendment, as amended, was adopted.

On motion of Senator Bottiger, the rules were suspended, Engrossed Substitute Senate Joint Resolution No. 120 was advanced to third reading, the second reading considered the third, and the resolution was placed on final passage.

POINT OF INQUIRY

Senator Matson: "I am concerned with your statement about if this bill passes that we would save a half a nuclear plant. Is that essentially correct?"

Senator Bottiger: "There is in the area of conservation a double figure at twelve cents if everybody does their thing. There is 500 megawatts of power available to be saved."

Senator Matson: "So you are saying that if this bill passes and everyone that is now residing under a PUD or a city light uses the machinery available to its utmost, that we would save a half a nuclear plant?"

Senator Bottiger: "I do not think it would have to go quite to its utmost, to within reason and within the experience of the Washington Natural Gas Company."

Senator Matson: "Do you have figures showing how many of these people that are served by public utilities in the area of electricity are also served by private natural gas companies and how many of those people have already either had the opportunity or taken the opportunity to insulate?"

Senator Bottiger: "We have some estimates but I cannot tell you that they are absolutely accurate. We know what Washington Natural Gas's figures are. Let me tell you a little bit about the industry, maybe more than you want to know."

Senator Matson: "There are other gas companies besides Washington Natural."

Senator Bottiger: "But currently the industry will only offer its program to its space heat customers, so if Washington Natural Gas is serving the space heat need of my dwelling, my electric company will not come in and duplicate the offer that

Washington Natural Gas made. It is only the space heat customers that this program is offered to. We may in the future have to deal with the Oil Heat Institute. That is another problem."

Senator Matson: "I guess what I am trying to get at is whether or not those estimates in savings have taken into consideration the fact that many people being served electricity by public utilities have already either availed themselves of the opportunity or had the potential of availing themselves of the opportunity to insulate under a private gas distributor?"

Senator Bottiger: "Yes, we have considered that. The fact, you are missing my point. If they went with the gas company, that program is first offered to gas company natural heat customers. So you will not have a duplication. I can give you some exceptions. What if you build an addition and you put a baseboard heater in there, who is going to insulate the addition? We do not know."

Senator Matson: "I am not trying to get at that point. My point is that I think your estimates are high in the amount of electricity that may be saved and as a matter of fact, I am concerned that it might even be infinitesimal and the trade off for that is to open up a prohibition against lending of the credit of the state that we have maintained for many years, in fact, since the inception of our constitution . . ."

Senator Bottiger: "Let me tell you how I got to the figure. Forty percent of the residents are served by IOU's using what they think they can save by their program and applying it to sixty percent of the residents being served by public power, we come up with each of them a half of a nuclear plant. So I did not play with the sixty-forty percent. If the privates think they can save a half, then I would presume that the publics, with a greater number of customers, could also save a half."

Senator Matson: "At this point in time you are convinced that the private power companies who have done a tremendous job of merchandising insulation and energy saving devices, you are convinced that the bureaucrats that run the PUD's are capable of doing any way near that type of job?"

Senator Bottiger: "I would hope so. The one bureaucrat that is in the field now, Seattle City Light, is doing an excellent job in everybody's estimate."

POINT OF INQUIRY

Senator Donohue: "On the amendment, line 29, the word 'assist the owners', I want to ask you a hypothetical question. Is it possible that the word 'assist' could bring on this kind of a situation, and you mentioned a little bit earlier in your remarks that the implementing bill has something to do with contracting and bidding."

Senator Bottiger: "That is correct."

Senator Donohue: "Is it possible that a quasi-municipal corporation, municipal corporation, political subdivision and so forth could put out bids and make an agreement with a private insulating company and that private insulating company would and could be the only one under the contract let by that municipal corporation, be the only one that the residential owner could in fact receive assistance from as it relates to insulation of his house?"

Senator Bottiger: "Senator Donohue, that is not our intent and the implementing bill specifically prohibits that. It requires the homeowner, under the implementing bill, would select two or more bids from approved contractors and the utility would finance the amount of the lowest bid. The homeowner could choose to take the higher bid but they would have to pay the extra."

Senator Donohue: "Will the homeowner, in the implementing bill, have the opportunity to select his or her insulator?"

Senator Bottiger: "Subject to the utility's right to set up an approved list. Now you are getting into a question that I have got to give you a long explanation. The state of Oregon . . ."

Senator Donohue: "The answer to the question is that it could happen. He is going to have to . . ."

Senator Bottiger: "He is going to be told who can do the job for him. He is going to be given a list of contractors who have been approved . . ."

Senator Donohue: "A list? I thought you said there were going to be contracts let and bidding would be part of it."

Senator Bottiger: "That is right. He is going to be given a list of contractors approved by the utility and he must get at least two bids from that list and the utility will finance the lowest bid. I have to explain the Oregon problem. Oregon went through this ahead of us. They are two years ahead. They established a procedure whereby the contractor could apply for and be put on the list of approved contractors. They got into a lawsuit. The court approved their method of selecting contractors. So we have that experience to back us up."

Senator Donohue: "Because I do not understand this, I want to ask you another question. On line 24 where you say 'engaged in the sale of . . .'"

Senator Bottiger: "Or, in the sale or."

Senator Donohue: "Are there any counties, cities, towns, quasi-municipal corporations, and so forth that are only involved in sale and not in production?"

Senator Bottiger: "Yes, many of them. They have the capability of going into production but they have not chosen to. Snohomish County PUD has no generating capacity. They only sell."

Senator Donohue: "So on line 25, the word 'distribution' covers the question of production also?"

Senator Bottiger: "It would permit a utility like Grant county that does more than produce its own, it produces its plus others, to assist a small utility in setting up this program."

Senator Donohue: "I am like Senator Matson. I become very nervous when I think that we are in fact, in my judgment, opening up the door to down the road here we will have other bills before us, as I remember it has not been too long ago that the people voted down a lend of the state's credit. I understand what Senator Bottiger is trying to do and I think there are a lot of unknowns out there. We talk about energy shortages and I still think there are a lot of unknowns out there and I think that he would agree to that, and I think he has done a commendable job in this whole area. However, from my point of view this is opening the gate and I just cannot vote for it."

Debate ensued.

POINT OF INQUIRY

Senator Rasmussen: "Senator Bottiger, what will this do in regards to the renter? Will they be able to get a loan on their rented premises from the public utility?"

Senator Bottiger: "Senator, the constitutional amendment and the implementing bill refer to the owner of the residence. Being a landlord myself on minor occasions, if the utility bill is so high I cannot keep a tenant in there and that home is poorly insulated, it would be to my financial advantage on maintaining my occupancy to see that I bring that utility bill down. The language, Senator, applies to the owner, but I think the tenant would benefit because he will object if the bill goes up unless something is done."

Senator Rasmussen: "Can the utility, by reason of making a survey and determining that the house in their opinion is not energy efficient, force the owner to, by

different rates, by saying 'Your rate will be increased because you have not taken advantage of this program,' force the people into the program?"

Senator Bottiger: "This constitutional amendment cannot do that."

Senator Rasmussen: "The implementing bill could?"

Senator Bottiger: "The implementing bill cannot do that. I have one that would but I cannot get it out of committee."

Senator Rasmussen: "Thank heavens for that. One last question, you evidently have a good committee, Senator Bottiger. One last question would be, which probably would not affect the public utility, the morning paper, the Metropolitan Edison Company is contemplating bankruptcy. Would a public utility involved with nuclear plants be put in the same position if they were inadvertently put in the same position as the Three Mile Island plant or whatever it was back there?"

Senator Bottiger: "Senator Rasmussen, this amendment has nothing to do with that. I would be glad to discuss the problems of whether investor-owner rate payers would pay for what are called dry holes, but we are not on that subject in any way in this amendment. The amendment would not affect it in any way that I can conceive."

Senator Donohue: "Senator Bottiger, you said you could not get a bill out of your committee, and maybe that committee was made up of people who were very responsible, I assume. Let us assume that we pass the constitutional amendment and next session of the legislature, if you are here and not somewhere else, then isn't it possible that at that time you might be able to get that bill out of committee and then what would happen to the people out there?"

Senator Bottiger: "This constitutional amendment would not affect it. That bill does not need a constitutional amendment to pass. This constitutional amendment would do nothing to it."

Senator Donohue: "That bill has no connection whatsoever that you are speaking of, that you could not get out of committee, has no connection whatsoever to this constitutional amendment . . ."

Senator Bottiger: "That is correct. It does not reflect it up or down. It does not reflect it in any way. That bill is called a basic . . ."

Senator Donohue: ". . . and it is sitting there lying in the committee all by itself?"

Senator Bottiger: "All by itself."

POINT OF INQUIRY

Senator Matson: "One more question, Senator Bottiger, if you do not mind. Would you indicate to me whether there is anything at all in this constitutional which will prohibit the financing of new residential structures by public utilities?"

Senator Bottiger: "There is nothing in this amendment nor in the intent of any of the authors or supporters of it, to the best of my knowledge and myself included and the members that worked on the compromise language, that could in any way, and I presume by a favorable vote any member of this Senate, could any way put a utility into the construction of residential homes."

Senator Matson: "Financing is what I was concerned about."

Senator Bottiger: "Or financing."

Senator Matson: "In reading the language, I see nothing in there that would prohibit them financing new structures for residences. I see nothing in there whatsoever that would prohibit that."

Senator Bottiger: "Senator, there is nothing in there to prohibit them from building windmills either. There is nothing—it says, 'to assist the owners of residential structures in financing the acquisition and installation of materials and equipment for the conservation or more efficient use of energy in such structures.' By our wildest dreams you could argue that that language, but I do not believe any court in

the world would buy it, especially not after this record we are making here today, any court would buy any such argument as that.

"What we are talking about is an energy conservation program for the installation of retrofit of existing houses so that they can be brought up to efficient standards."

Senator Matson: "What about the case of major additions to an existing structure?"

Senator Bottiger: "If a major addition is a more efficient furnace, this language would permit it. If it is an addition of two bedrooms, I cannot conceive of how it would permit it."

POINT OF INQUIRY

Senator Clarke: "Senator, as I read the proposed amendment which is before us, it permits the use of credit derived from operating revenues. Does this mean that revenue bonds may be issued in an unlimited amount to obtain the necessary funds for this financing?"

Senator North: "I am not an attorney but I would assume not."

Senator Clarke: "Credit derived from operating revenues. You are saying that that would not include the issuance of revenue bonds for the purpose of obtaining the necessary funds?"

Senator North: "I would refer that to Senator Bottiger."

REMARKS BY SENATOR BOTTIGER

Senator Bottiger: "Senator, the private utilities have expressed an intent to potentially borrow some money. Now whether they did it on revenue bonds or not I do not know, but I do not see anything in this language that would prohibit them from doing that."

Further debate ensued.

POINT OF INQUIRY

Senator Donohue: "Senator Bottiger, I reread this just now again and if I could read into this this kind of a situation where it says, 'to assist residential structures—owners of,' is it possible that a municipal corporation could loan credit to an owner of a residence to finance acquisition of materials for that individual to build a home that would conserve energy?"

Senator Bottiger: "Senator, no, that is not the intent and I cannot so read it. What I read is that the utility could lend the money to the residential homeowner for the installation of materials and equipment for the conservation or more efficient use of energy in such structures. I cannot read into that building a new building."

Senator Donohue: "Is it possible that where you say 'to assist the owners of residential structures'—now that does not necessarily mean, in my judgment, that it has to be that particular structure. It says, 'assist owners of residential structures.' That could be any of us, and if that individual decided that he wanted to acquire, and you have the word 'acquisition' and you have the word 'material', if he wanted to acquire materials to build a new home, it seems to me that the way it is written that he could receive credit from some municipal corporation to build a new home. That is the way I see it."

Senator Bottiger: "Senator, only if you ignore on line 34, 'in such structures' could you reach the determination that you suggest.

"Now the language taken as a whole means the owner of a building in that structure and not in a brand new structure that he would conceive to build. I have been rolled over the rack here on what almost approaches the wildest dreams. The

language does not say that. It is not the intent of the sponsors that it mean that, that it is limited as best we can to that very narrow language."

MOTION

At 12:35 p.m., on motion of Senator Walgren, the Senate recessed until 2:00 p.m.

AFTERNOON SESSION

The President called the Senate to order at 2:00 p.m.

MOTION

On motion of Senator Marsh, the Senate commenced consideration of Senate Bill No. 2976.

SECOND READING

SENATE BILL No. 2976, by Senator Bottiger:
Relating to energy conservation.

MOTIONS

On motion of Senator Bottiger, Substitute Senate Bill No. 2976 was substituted for Senate Bill No. 2976 and the substitute bill was placed on second reading and read the second time in full.

Senator Bottiger moved adoption of the following amendment:

On page 1, strike everything after the enacting clause and insert the following:

"NEW SECTION, Section 1. The conservation of energy in all forms and by every possible means is found and declared to be a public purpose of highest priority. The legislature further finds and declares that all municipal corporations, quasi municipal corporations, and other political subdivisions of the state which are engaged in the generation, sale, or distribution of energy should be granted the authority to develop and carry out programs which will conserve resources, reduce waste, and encourage more efficient use of energy by consumers.

In order to establish the most effective state-wide program for energy conservation, the legislature hereby encourages any company, corporation, or association engaged in selling or furnishing utility services to assist their customers in the acquisition and installation of materials and equipment, for compensation or otherwise, for the conservation or more efficient use of energy.

NEW SECTION. Sec. 2. There is added to chapter 35.92 RCW a new section to read as follows:

Any city or town engaged in the generation, sale, or distribution of energy is hereby authorized, within limits established by the Constitution of the state of Washington, to assist the owners of residential structures in financing the acquisition and installation of materials and equipment, for compensation or otherwise, for the conservation or more efficient use of energy in such structures pursuant to an energy conservation plan adopted by the city or town if the cost per unit of energy saved or produced by the use of such materials and equipment is less than the cost per unit of energy produced by the next least costly new energy resource which the city or town could acquire to meet future demand. Except where otherwise authorized, such assistance shall be limited to:

(1) Providing an inspection of the residential structure, either directly or through one or more inspectors under contract, to determine and inform the owner of the estimated cost of purchasing and installing conservation materials and equipment for which financial assistance will be approved and the estimated life cycle savings in energy costs that are likely to result from the installation of such materials or equipment;

(2) Providing a list of not less than two licensed contractors who sell and install such materials and equipment within or in close proximity to the service area of the city or town, each of which meets standards of performance acceptable to the city or town;

(3) Arranging to have approved conservation materials and equipment installed by the contractor whose bid is acceptable to the owner of the residential structure; and

(4) Arranging or providing financing for the purchase and installation of approved conservation materials and equipment.

NEW SECTION. Sec. 3. There is added to chapter 54.16 RCW a new section to read as follows:

Any district is hereby authorized, within limits established by the Constitution of the state of Washington, to assist the owners of residential structures in financing the acquisition and installation of materials and equipment, for compensation or otherwise, for the conservation or more efficient use of energy in such structures pursuant to an energy conservation plan adopted by the district if the cost per unit of energy saved or produced by the use of such materials and equipment is less than the cost per unit of energy produced by the next least costly new energy resource which the district could acquire to meet future demand. Except where otherwise authorized, such assistance shall be limited to:

(1) Providing an inspection of the residential structure, either directly or through one or more inspectors under contract, to determine and inform the owner of the estimated cost of purchasing and installing conservation materials and equipment for which financial assistance will be approved and the estimated life cycle savings in energy costs that are likely to result from the installation of such materials or equipment;

(2) Providing a list of not less than two licensed contractors who sell and install such materials and equipment within or in close proximity to the service area of the district, each of which meets standards of performance acceptable to the district;

(3) Arranging to have approved conservation materials and equipment installed by the contractor whose bid is acceptable to the owner of the residential structure; and

(4) Arranging or providing financing for the purchase and installation of approved conservation materials and equipment.

NEW SECTION. Sec. 4. This 1979 act shall take effect on the same date as the proposed amendment to Article VIII of the state Constitution, authorizing the

use of public moneys or credit to promote conservation or more efficient use of energy, is validly submitted and is approved and ratified by the voters at a general election held in November, 1979. If the proposed amendment is not so approved and ratified, this 1979 act shall be null and void in its entirety."

SECOND READING

SUBSTITUTE HOUSE BILL NO. 80, by Committee on Institutions (originally sponsored by Representatives Struthers, Becker, D. Nelson, Taller and Rohrbach) (by Department of Social and Health Services request):

Modifying provisions relating to institutional industries.

The bill was read the second time by sections.

Senator Guess moved adoption of the following amendment:

On page 2, line 35; strike "prevailing" and insert "state minimum" and beginning with "for" on line 35, strike the remainder of the material through "performed" on page 3, line 1.

Debate ensued.

POINT OF INQUIRY

Senator Talley: "Senator Day, at home we have an industry called Applied Industries, state supported for handicapped and retarded people that work there and they do not receive any wage, special wage, very low wages, but it does keep them occupied. Will this bill affect them in any way?"

Senator Day: "Not in the least. This has only to do with prisoners who are either working on a project within a work release situation or a comparable situation to a parolee, so it is like a work release program, Senator."

Further debate ensued.

POINT OF INQUIRY

Senator Rasmussen: "Senator Day, in the hearings before your committee, there is a labor management committee that works on this industrial work in the prison system. Did they represent themselves as being satisfied with this bill?"

Senator Day: "There was no testimony against the bill in the committee. Not a single person, that I recall."

Senator Rasmussen: "The secretary of DSHS approved of this wording?"

Senator Day: "Everyone that was there testified for the bill."

Further debate ensued.

POINT OF INQUIRY

Senator Shinpoch: "Senator Day, recognizing that this is somewhat peripheral to the thrust, however, I was concerned about . . ."

Senator Day: "If you are in prison, that is epipheral, Senator."

Senator Shinpoch: "If we pay prevailing wage or whatever wage we pay, what are the restrictions on the money? What happens to the money then? Do the prisoners have to pay for their room and board? If their family is on AFDC, does that money have to go towards that?"

Senator Day: "That is my understanding that it is productive in that respect as well, that they would have to pay and that if there is a training program they would have to pay, like a vocational program, they would have to pay the tuition relative to that. In other words, it makes a somewhat partially productive citizen out of him by giving him a feeling of accomplishment, in addition to providing some relief for the state treasury. That is the purpose as I see it."

Further debate ensued.

POINT OF INQUIRY

Senator Pullen: "Senator Day, I am interested in lines 23 and 24 on page 2 and the answer to this question may have something to do with Senator Guess's amendment. Do you happen to know what is meant by a parolee within the purview of 49 United States Code, Section 30 means?"

Senator Day: "You mean section 60?"

Senator Pullen: "I am sorry, section 60, right."

Senator Day: "No, I do not have that specific information out here on the floor. I do not recall that that was raised in the committee. I think that it was accepted by the committee to mean a prisoner who was beyond the scope of prison life totally. Possibly Senator Talmadge can remember the testimony on that. Why don't you direct your question to him."

REMARKS BY SENATOR TALMADGE

Senator Talmadge: "Mr. President and members of the Senate, in response to Senator Pullen's question, I believe that that section ties into the question that Senator Shinpoch had, that persons who were involved in this program would be treated as parolees and would be required to pay their room and board and cost of support of children and pay all the other costs associated with their training and so forth, and that is what that section was intended to do."

Further debate ensued.

MOTION

On motion of Senator Day, Substitute House Bill No. 80, together with the pending amendment by Senator Guess, was ordered held for further consideration on Thursday, April 19, 1979.

SECOND READING

This subrogation shall specifically be applicable to temporary spouse support orders, family maintenance orders and alimony orders up to the amount paid by the department in public assistance moneys to or for the benefit of a dependent child or children but allocated to the benefit of said children on the basis of providing necessities for the caretaker of said children.~~

Twenty-one days after receipt or refusal of notice of debt under provisions of RCW 74.20A.040, or twenty-one days after service of notice ~~((of debt)) and finding of financial responsibility, or as otherwise appropriate under ((the provisions of RCW 74.20A.050))~~ RCW 74.20A.055, or as appropriate under ~~((the provisions of section 27 of this 1973 amendatory))~~ section 18 of this 1979 act a lien may be asserted by the secretary upon the real or personal property of the debtor. The claim of the department for a support debt, not paid when due, shall be a lien against all property of the debtor with priority of a secured creditor. This lien shall be separate and apart from, and in addition to, any other lien created by, or provided for, in this title. The lien shall attach to all real and personal property of the debtor on the date of filing of such statement with the county auditor of the county in which such property is located. A lien against earnings shall attach and be effective subject to service requirements of RCW 74.20A.070 upon filing with the county auditor of the county in which the employer does business or maintains an office or agent for the purpose of doing business.

Whenever a support lien has been filed and there is in the possession of any person, firm, corporation, association, political subdivision or department of the state having notice of said lien any property which may be subject to the support lien, such property shall not be paid over, released, sold, transferred, encumbered or conveyed, except as provided for by the exemptions contained in RCW 74.20A.090 and 74.20A.130, unless a written release or waiver signed by the secretary has been delivered to said person, firm, corporation, association, political subdivision or department of the state or unless a determination has been made in a fair hearing pursuant to RCW ~~((74.20A.050))~~ 74.20A.055 or by a superior court ordering release of said support lien on the basis that no debt exists or that the debt has been satisfied.

Sec. 6. Section 8, chapter 164, Laws of 1971 ex. sess. as amended by section 9, chapter 183, Laws of 1973 1st ex. sess. and RCW 74.20A.080 are each amended to read as follows:

After service of a notice of debt as provided for in RCW 74.20A.040 stating a support debt accrued and/or accruing based upon subrogation to or assignment of the amount required to be paid under any superior court order or ~~((whenever a support lien has been filed pursuant to RCW 74.20A.060))~~ twenty-one days after service of the notice and finding of financial responsibility or as otherwise appropriate under RCW 74.20A.055, or as appropriate under section 18 of this 1979 act, the secretary is hereby authorized to issue to any person, firm, corporation, association, political subdivision or department of the state, an order to withhold and deliver property of any kind including, but not restricted to, earnings which are due, owing, or belonging to the debtor, when the secretary has reason to believe that there is in the possession of such person, firm, corporation, association, political subdivision or department of the state property which is due, owing, or belonging to said debtor. The order to withhold and deliver ~~((which shall also be served upon the debtor,))~~ shall state the amount of the support debt accrued, and shall state in summary the terms of RCW 74.20A.090 and 74.20A.100. The order to withhold and deliver shall

be served in the manner prescribed for the service of a summons in a civil action or by certified mail, return receipt requested. Any person, firm, corporation, association, political subdivision or department of the state upon whom service has been made is hereby required to answer said order to withhold and deliver within twenty days, exclusive of the day of service, under oath and in writing, and shall make true answers to the matters inquired of therein. The secretary may require further and additional answers to be completed by the person, firm, corporation, association, political subdivision or department of the state. In the event there is in the possession of any such person, firm, corporation, association, political subdivision or department of the state any property which may be subject to the claim of the department of social and health services, such property shall be withheld immediately upon receipt of the order to withhold and deliver and shall, after the twenty day period, upon demand, be delivered forthwith to the secretary. The secretary shall hold said property in trust for application on the indebtedness involved or for return, without interest, in accordance with final determination of liability or nonliability. In the alternative, there may be furnished to the secretary a good and sufficient bond, satisfactory to the secretary, conditioned upon final determination of liability. Where money is due and owing under any contract of employment, express or implied, or is held by any person, firm, corporation, or association, political subdivision or department of the state subject to withdrawal by the debtor, such money shall be delivered by remittance payable to the order of the secretary. Delivery to the secretary of the money or other property held or claimed shall satisfy the requirement of the order to withhold and deliver. Delivery to the secretary shall serve as full acquittance and the state warrants and represents that it shall defend and hold harmless for such actions persons delivering money or property to the secretary pursuant to this chapter. The state also warrants and represents that it shall defend and hold harmless for such actions persons withholding money or property pursuant to this chapter. The foregoing is subject to the exemptions contained in RCW 74.20A.090 ((and 74.20A.130)).

The secretary shall also, on or before the date of service of the order to withhold and deliver, mail or cause to be mailed by certified mail a copy of the order to withhold and deliver to the debtor at the debtor's last known post office address, or, in the alternative, a copy of the order to withhold and deliver shall be served on the debtor in the same manner as a summons in a civil action on or before the date of service of the order or within two days thereafter. The copy of the order shall be mailed or served together with a concise explanation of the right to petition for a hearing. This requirement is not jurisdictional, but, if the copy is not mailed or served as in this section provided, or if any irregularity appears with respect to the mailing or service, the superior court, in its discretion on motion of the debtor promptly made and supported by affidavit showing that the debtor has suffered substantial injury due to the failure to mail the copy, may set aside the order to withhold and deliver and award to the debtor an amount equal to the damages resulting from the secretary's failure to serve on or mail to the debtor the copy.

Sec. 7. Section 11, chapter 164, Laws of 1971 ex. sess. and RCW 74.20A.110 are each amended to read as follows:

Whenever any person, firm, corporation, association, political subdivision or department of the state has in its possession earnings, deposits, accounts, or balances in excess of the amount of the debt claimed by the department ((plus one hundred dollars)), such person, firm, corporation, association, political subdivision or department of the state may, without liability under this chapter, release said excess to the debtor.

Sec. 8. Section 16, chapter 164, Laws of 1971 ex. sess. and RCW 74.20A.160 are each amended to read as follows:

With respect to any arrearages on a support debt assessed under RCW 74.20A.040, 74.20A.055, or section 18 of this 1979 act, the secretary may at any time consistent with the income, earning capacity and resources of the debtor, set or reset a level and schedule of payments to be paid upon the debt. The secretary may, upon petition of the debtor providing sufficient evidence of hardship, after consideration of the standards established in RCW 74.20.270, release or refund moneys taken pursuant to RCW 74.20A.080 to provide for the reasonable necessities of the responsible parent or parents and minor children in the home of the responsible parent. Nothing in this section shall be construed to require the secretary to take any action which would require collection of less than the obligation for current support required under a superior court order or an administrative order or to take any action which would result in a bar of collection of arrearages from the debtor by reason of the statute of limitations.

Sec. 9. Section 20, chapter 164, Laws of 1971 ex. sess. as amended by section 18, chapter 183, Laws of 1973 1st ex. sess. and RCW 74.20A.200 are each amended to read as follows:

Any person against whose property a support lien has been filed or an order to withhold and deliver has been served pursuant to this chapter may apply for relief to the superior court of the county wherein the property is located on the basis that no support debt is due and owing (~~PROVIDED, That judicial relief shall not be granted except as provided for in RCW 74.08.080 whenever a fair hearing has been requested pursuant to RCW 74.20A.050. Liens filed during pendency of fair hearing or court review shall be reviewed pursuant to RCW 74.08.080~~). It is the intent of this chapter that jurisdictional and constitutional issues, if any, shall be subject to review, but that administrative remedies be exhausted prior to judicial review.

Sec. 10. Section 9, chapter 164, Laws of 1971 ex. sess. as amended by section 10, chapter 183, Laws of 1973 1st ex. sess. and RCW 74.20A.090 are each amended to read as follows:

Whenever a support lien or order to withhold and deliver is served upon any person, firm, corporation, association, political subdivision or department of the state asserting a support debt against earnings and there is in the possession of such person, firm, corporation, association, political subdivision, or department of the state, any such earnings, RCW 7.33.280 shall not apply, but fifty percent of the disposable earnings shall be exempt and may be disbursed to the debtor whether such earnings are paid, or to be paid weekly, monthly, or at other (~~regular~~) intervals and whether there be due the debtor earnings for one week or for a longer period. The lien or order to withhold and deliver shall continue to operate and require said person, firm, corporation, association, political subdivision, or department of the state to withhold the nonexempt portion of earnings at each succeeding earnings disbursement interval until the entire amount of the support debt stated in the lien or order to withhold and deliver has been withheld. As used in this chapter, the term "earnings" means compensation paid or payable for personal services, whether denominated as wages, salary, commission, bonus, or otherwise, and, notwithstanding any other provision of law making such payments exempt from garnishment, attachment, or other process to satisfy support obligation, specifically includes periodic payments pursuant to pension or retirement programs, or insurance policies of any type, but does not include payments ((by any department or division of the state based upon inability to work or obtain employment)) made under Title 50 or 74 RCW. Earnings shall specifically include all gain derived from capital, from labor, or from both combined, not including profit gained through sale or conversion of capital assets. The term "disposable earnings" means that part of the earnings of any individual remaining after the deduction from those earnings of any amount ((be)) required by law to be withheld.

Sec. 11. Section 1, chapter 30, Laws of 1974 ex. sess. as last amended by section 41, chapter 350, Laws of 1977 ex. sess. and RCW 51.32.040 are each amended to read as follows:

No money paid or payable under this title shall, except as provided for in RCW (~~74.20A.090 and 74.20A.100~~) 74.20A.260, prior to the issuance and delivery of the check or warrant therefor, be capable of being assigned, charged, or ever be taken in execution or attached or garnished, nor shall the same pass, or be paid, to any other person by operation of law, or by any form of voluntary assignment, or power of attorney. Any such assignment or charge shall be void: PROVIDED, That if any worker suffers a permanent partial injury, and dies from some other cause than the accident which produced such injury before he or she shall have received payment of his or her award for such permanent partial injury, or if any worker suffers any other injury before he or she shall have received payment of any monthly installment covering any period of time prior to his or her death, the amount of such permanent partial award, or of such monthly payment or both, shall be paid to the surviving spouse, or to the child or children if there is no surviving spouse: PROVIDED FURTHER, That, if any worker suffers an injury and dies therefrom before he or she shall have received payment of any monthly installment covering time loss for any period of time prior to his or her death, the amount of such monthly payment shall be paid to the surviving spouse, or to the child or children if there is no surviving spouse: PROVIDED FURTHER, That any application for compensation under the foregoing provisos of this section shall be filed with the department or self-insuring employer within one year of the date of death: PROVIDED FURTHER, That if the injured worker resided in the United States as long as three years prior to the date of injury, such payment shall not be made to any surviving spouse or child who was at the time of the injury a nonresident of the United States: PROVIDED FURTHER, That any worker receiving benefits under this title who is subsequently confined in, or who subsequently becomes eligible therefor while confined in any institution under conviction and sentence shall have all payments of such compensation canceled during the period of confinement but after discharge from the institution payment of benefits thereafter due shall be paid if such worker would, but for the provisions of this proviso, otherwise be entitled thereto: PROVIDED FURTHER, That if any prisoner is injured in the course of his or her employment while participating in a work or training release program authorized by chapter 72.65 RCW and is subject to the provisions of this title, he or she shall be entitled to payments under this title subject to the requirements of chapter 72.65 RCW unless his or her participation in such program has been canceled, or unless he or she is returned to a state correctional institution, as defined in RCW 72.65.010(3), as a result of revocation of parole or new sentence: PROVIDED FURTHER, That if such incarcerated worker has during such confinement period, any beneficiaries, they shall be paid directly the monthly benefits which would have been paid to him or her for himself or herself and his or her beneficiaries had he or she not been so confined. This notice and finding shall relate to the support debt accrued and/or accruing under

this chapter and/or RCW 26.16.205, including periodic payments to be made in the future for such period of time as the child or children of said responsible parent or parents are in need. Said hearing shall be held pursuant to ~~((this 1973 amendatory act))~~ RCW 74.20A.055, chapter 34.04 RCW, and the rules and regulations of the department, which shall provide for a fair hearing.

(2) The notice and finding of financial responsibility shall be served in the same manner prescribed for the service of a summons in a civil action or may be served on the responsible parent by certified mail, return receipt requested. Any responsible parent who objects to all or any part of the notice and finding shall have the right for not more than twenty days from the date of service to request in writing a hearing, which request shall be served upon the ((secretary or his designee)) department by registered or certified mail or personally. If no such request is made, the notice and finding of responsibility shall become final and the debt created therein shall be subject to collection action as authorized under this chapter. If a timely request is made, the execution of notice and finding of responsibility shall be stayed pending the decision on such hearing((; or any direct appeal to the courts from that decision)). If no timely written request for a hearing has previously been made, the responsible parent may petition the secretary or the secretary's designee at any time for a hearing as provided for in this section upon a showing of good cause for the failure to make a timely request for hearing. The filing of the petition for a hearing after the twenty-day period shall not affect any collection action previously taken under this chapter. The granting of a request for the hearing shall operate as a stay on any future collection action, pending the final decision of the secretary or the secretary's designee on the hearing. Moneys withheld as a result of collection action in effect at the time of the granting of the request for the hearing shall be delivered to the department and shall be held in trust by the department pending the final order of the secretary or during the pendency of any appeal to the courts made under chapter 34.04 RCW. The department may petition the hearing examiner to set temporary current and future support to be paid beginning with the month in which the petition for an untimely hearing is granted. The hearing examiner shall order payment of temporary current and future support if appropriate in an amount determined pursuant to the scale of suggested minimum contributions adopted under RCW 74.20.270. In the event the responsible parent does not make payment of the temporary current and future support as ordered by the hearing examiner, the department may take collection action pursuant to chapter 74.20A RCW during the pendency of the hearing or thereafter to collect any amounts owing under the order. Temporary current and future support paid, or collected, during the pendency of the hearing or appeal shall be disbursed to the custodial parent or as otherwise appropriate when received by the department. If the final decision of the department, or of the courts on appeal, is that the department has collected from the responsible parent other than temporary current or future support, an amount greater than such parent's past support debt, the department shall promptly refund any such excess amount to such parent.

(3) Hearings may be held in the county of residence or other place convenient to the responsible parent. Any such hearing shall be a "contested case" as defined in RCW 34.04.010. The notice and finding of financial responsibility shall set forth the amount the department has determined the responsible parent owes, the support debt accrued and/or accruing, and((; as appropriate, the amount to be paid thereon each month)) periodic payments to be made in the future for such period of time as the child or children of the responsible parent are in need, all computable on the basis of the ((amount of the monthly public assistance payment previously paid, or)) need alleged((; and the ability of the responsible parent to pay all, or any portion of the amount so paid and/or being paid and/or to be paid)). The notice and finding

shall also include a statement of the name of the recipient or custodian and the name of the child or children for whom ~~((assistance is being paid or))~~ need is alleged; and/or a statement of the amount of periodic future support payments as to which financial responsibility is ~~((found))~~ alleged.

(4) The notice and finding shall include a statement that the responsible parent may object to all or any part of the notice and finding, and request a hearing to show cause why said responsible parent should not be determined to be liable for any or all of the debt, past and future ~~((, determined, and the amount to be paid thereon))~~.

The notice and finding shall ~~((also))~~ include a statement that, if the responsible parent fails in timely fashion to request a hearing ~~((that))~~, the support debt and payments stated in the notice and finding, including periodic support payments in the future, shall be assessed and determined and ordered by the department and that this debt shall be subject to collection action; a statement that the property of the debtor, without further advance notice or hearing, will be subject to lien and foreclosure, distraint, seizure and sale, or order to withhold and deliver to satisfy the debt.

(5) If a hearing is requested, it shall be promptly scheduled, in no more than thirty days. The hearing, including a hearing on prospective modification, shall be conducted by a duly qualified hearing examiner appointed for that purpose.

After evidence has been presented at hearings conducted by the hearing examiner, the hearing examiner shall enter an initial decision and order which shall be in writing and shall contain findings and conclusions as to each contested issue of fact and law, as well as the order based thereon. The hearing examiner shall file the original of the initial decision and order, signed by the hearing examiner, with the secretary or the secretary's designee. Copies of the initial decision and order shall be mailed by the hearing examiner to the department and to the appellant by certified mail to the last known address of each party. Within thirty days of filing, either the appellant or the department may file with the secretary or the secretary's designee a written petition for review of the initial decision and order. The petition for review shall set forth in detail the basis for the requested review and shall be mailed by the petitioning party to the other party by certified or registered mail to the last known address of the party.

The petition shall be based on any of the following causes materially affecting the substantial rights of the petitioner:

(a) Irregularity in the proceedings of the hearing examiner or adverse party, or any order of the hearing examiner, or abuse of discretion, by which the moving party was prevented from having a fair hearing;

(b) Misconduct of the prevailing party;

(c) Accident or surprise which ordinary prudence could not have guarded against;

(d) Newly discovered evidence, material for the party making the application, which the party could not with reasonable diligence have discovered and produced at the hearing;

(e) That there is no evidence or reasonable inference from the evidence to justify the decision, or that it is contrary to law;

(f) Error in mathematical computation;

(g) Error in law occurring at the hearing and objected to at the time by the party making the application;

(h) That the moving party is unable to perform according to the terms of the order without further clarification;

(i) That substantial justice has not been done;

(j) Fraud or misstatement of facts by any witness, which materially affects the debt;

(k) Clerical mistakes in the decision arising from oversight or omission; or

(l) That the decision and order entered because the responsible parent failed to appear at the hearing should be vacated and the matter be remanded for a hearing upon showing of the grounds enumerated in RCW 4.72.010 or superior court civil rule 60.

In the event no petition for review is made as provided in this subsection by any party, the initial decision and order of the hearing examiner is final as of the date of filing and becomes the decision and order of the secretary. No appeal may be taken therefrom to the courts and the debt created is subject to collection action as authorized by this chapter.

After the receipt of a petition for review, the secretary or the secretary's designee shall consider the initial decision and order, the petition or petitions for review, the record or any part thereof, and such additional evidence and argument as the secretary or the secretary's designee may in his or her discretion allow. The secretary or the secretary's designee may remand the proceedings to the hearing examiner for additional evidence or argument. The secretary or the secretary's designee may deny review of the initial decision and order and thereupon deny the petition or petitions at which time the initial decision and order shall be final as of the date of the denial and all parties shall forthwith be notified, in writing, of the denial, by certified mail to the last known address of the parties. Unless the petition is denied, the secretary or the secretary's designee shall review the initial decision and order and shall make the final decision and order of the department. The final decision and order shall be in writing and shall contain findings of fact and conclusions of law as to each contested issue of fact and law. A copy of the decision and order, including the findings and conclusions, shall be mailed to each party to the appeal by certified mail to the last known address of the party. The decision and order shall authorize collection action, as appropriate, under this chapter.

(6) The hearing examiner in his or her initial decision, or the secretary or the secretary's designee in review of the initial decision, shall determine the past liability and responsibility, if any, of the alleged responsible parent (~~((under RCW 74.20A-.030;))~~) and shall also determine the amount of periodic payments to be made (~~((to satisfy past, present or future liability under RCW 74.20A.030 and/or 26.16.205))~~) in the future, which amount is not limited by the amount of any public assistance payment made to or for the benefit of the child. In making these determinations, the hearing examiner, and the secretary or the secretary's designee, shall include in his or her considerations (~~((1) the necessities and requirements of the child or children, exclusive of any income of the custodian of said child or children, (2) the amount of support debt claimed, (3) the public policy and intent of the legislature to require that children be maintained from the resources of responsible parents thereby relieving to the greatest extent possible the burden borne by the general citizenry through welfare programs, and (4) the abilities and resources of the responsible parent))~~):

(a) All earnings and income resources of the responsible parent, including real and personal property;

(b) The earnings potential of the responsible parent;

(c) The reasonable necessities of the responsible parent;

(d) The ability of the responsible parent to borrow;

(e) The needs of the child for whom the support is sought;

(f) The amount of assistance which would be paid to the child under the full standard of need of the state's public assistance plan;

(g) The existence of other dependents; and

(h) That the child, for whom support is sought, benefits from the income and resources of the responsible parent on an equitable basis in comparison with any other minor children of the responsible parent.

If the responsible parent fails to appear at the hearing, upon a showing of valid service, the hearing examiner shall enter an initial decision and order declaring the support debt and payment provisions stated in the notice and finding of financial responsibility to be assessed and determined and subject to collection action. Within ~~((fifteen))~~ thirty days of entry of said decision and order, the responsible parent may petition the ~~((department))~~ secretary or the secretary's designee to vacate said decision and order upon a showing of any of the grounds enumerated in RCW 4.72.010 or superior court civil rule 60.

~~(7) The ((hearing examiner shall, within twenty days of the hearing, enter findings, conclusions and a)) final decision ((determining liability and responsibility and/or future periodic support payments. The determination of the hearing examiner)) entered pursuant to this section shall be entered as a decision and order and shall limit the support debt ((under RCW 74.20A.030)) to the amounts stated in said decision: PROVIDED, That said decision establishing liability and/or future periodic support payments shall be superseded upon entry of a superior court order for support to the extent the superior court order is inconsistent with the hearing order or decision: PROVIDED FURTHER, That in the absence of a superior court order, either the responsible parent or the department may petition the secretary or his designee for issuance of an order to appear and show cause based on a showing of good cause and material change of circumstances, to require the other party to appear and show cause why the decision previously entered should not be prospectively modified. Said order to appear and show cause together with a copy of the petition and affidavit upon which the order is based shall be served in the manner of a summons in a civil action or by certified mail, return receipt requested, on the other party by the petitioning party. A hearing shall be set not less than fifteen nor more than thirty days from the date of service, unless extended for good cause shown. Prospective modification may be ordered, but only upon a showing of good cause and material change of circumstances. The decision and order for prospective modification entered by the hearing examiner shall be an initial decision subject to review by the secretary or the secretary's designee as provided for in this section.~~

~~(8) The ((department, in its original determinations, and the)) hearing examiner, in making ((determinations based on objections to original determinations or on petitions to modify)) the initial decision and the secretary or the secretary's designee in the final decision determining liability and/or future periodic support payments, shall consider the standards promulgated pursuant to RCW 74.20.270 and any standards for determination of support payments used by the superior court of the county of residence of the responsible parent.~~

~~(9) Debts determined pursuant to this section, accrued and not paid, are subject to collection action under this chapter without further necessity of action by the hearing examiner, or the secretary or secretary's designee.~~

~~(10) "Need" as used in this section shall mean the necessary costs of food, clothing, shelter, and medical attendance for the support of a dependent child or children. The amount determined by reference to the schedule of suggested minimum contributions adopted under RCW 74.20.270, based on the earnings, resources, and property of the alleged responsible parent, shall be a rebuttable presumption of the alleged responsible parent's ability to pay and the need of the family: PROVIDED, That such responsible parent shall be presumed to have no ability to pay child support under this chapter from any income received from aid to families with dependent children, supplemental security income, or continuing general assistance.~~

Sec. 13. Section 16, chapter 173, Laws of 1969 ex. sess. as amended by section 2, chapter 183, Laws of 1973 1st ex. sess. and RCW 74.20.101 are each amended to read as follows:

Whenever, as a result of any action, support money is paid by the person or persons responsible for support, such payment shall be paid through the support enforcement and collections unit of the state department of social and health services upon written notice by the department to the responsible person or to the clerk of the court, if appropriate, that the children for whom a support obligation exists are receiving public assistance or that the support debt has been assigned to the department.

After service on a responsible parent of a notice under this section or RCW 74.20A.040 or 74.20A.055, payment of moneys or in-kind providings for the support of the responsible parent's children which are not paid to the department shall not be credited against or set-off against any obligation to provide support which has been assigned to the department, whether the obligation has been determined by court order, or pursuant to RCW 74.20A.055, or is unliquidated.

Sec. 14. Section 74.09.180, chapter 26, Laws of 1959 as last amended by section 1, chapter 306, Laws of 1971 ex. sess. and RCW 74.09.180 are each amended to read as follows:

The provisions of this chapter shall not apply to recipients whose personal injuries are occasioned by negligence or wrong of another: PROVIDED, HOWEVER, That the secretary of the department of social and health services may, in his discretion, furnish assistance, under the provisions of this chapter, for the results of injuries to or illness of a recipient, and the department of social and health services shall thereby be subrogated to the recipient's right of recovery therefor to the extent of the value of the assistance furnished by the department of social and health services: PROVIDED FURTHER, That to the end of securing reimbursement of any assistance furnished to such a recipient, the department of social and health services may, as a nonexclusive legal remedy, assert and enforce a lien upon any claim, right of action, and/or money, including any claim for benefits arising from an insurance program, to which such recipient is entitled (a) against any tortfeasor and/or insurer of such tortfeasor, or (b) any contract of insurance, purchased by the recipient or any other person, providing coverage to such recipient for said injuries, any illness, dental costs, costs incident to birth, or any other coverage for purposes of or costs for which the department provides assistance or meets all or part of the cost of care to a vendor, to the extent of the assistance furnished by said department to the recipient. If a recovery shall be made and the subrogation or lien is satisfied either in full or in part as a result of an independent action initiated by or on behalf of a recipient to recover the personal injuries against any tortfeasor or insurer, then and in that event the amount repaid to the state of Washington as a result of said action, whether concluded by entry of a judgment or compromise and settlement, shall bear its proportionate share of attorney's fees and costs incurred by the injured recipient or his widow, children, or dependents, as the case may be, to the extent that such attorney's fees and costs are approved by the court in which the action is initiated, and upon notice to the department which shall have the right to be heard on the matter.

NEW SECTION. Sec. 15. There is added to chapter 74.20 RCW a new section to read as follows:

The provisions of RCW 26.26.090 requiring appointment of a general guardian or guardian ad litem to represent the child in an action brought to determine the parent and child relationship do not apply to actions brought under chapter 26.26 RCW if:

(1) The action is brought by the attorney general on behalf of the department of social and health services, the child, or the natural mother; or

(2) The action is brought by any prosecuting attorney on behalf of the state, the child, or the natural mother when referral has been made to the prosecuting attorney by the department of social and health services requesting such action.

The court, on its own motion or on motion of a party, may appoint a guardian ad litem when necessary.

Sec. 16. Section 22, chapter 164, Laws of 1971 ex. sess. as amended by section 20, chapter 183, Laws of 1973 1st ex. sess. and RCW 74.20A.220 are each amended to read as follows:

Any support debt due the department from a responsible parent which the secretary deems uncollectible may be transferred from accounts receivable to a suspense account and cease to be accounted as an asset: PROVIDED, That at any time after six years from the date a support debt was incurred, the secretary may charge off as uncollectible any support debt upon which the secretary finds there is no available, practical, or lawful means by which said debt may be collected (~~PROVIDED FURTHER, That no proceedings or action under the provisions of this chapter may be begun after expiration of said six year period to institute collection of a support debt. Nothing herein shall be construed to render invalid or nonactionable a support lien filed prior to the expiration of said six year period or an assignment of earnings or order to withhold and deliver executed prior to the expiration of said six year period~~)).

The department may accept offers of compromise of disputed claims or may grant partial or total charge-off of support arrears owed to the department up to the total amount of public assistance paid to or for the benefit of the persons for whom the support obligation was incurred. The department shall adopt rules as to the considerations to be made in the granting or denial of partial or total charge-off and offers of compromise of disputed claims of debt for support arrears.

The responsible parent owing a support debt may execute a written extension or waiver of any statute, including but not limited to RCW 4.56.210, which may bar or impair the collection of the debt and the extension or waiver shall be effective according to its terms.

NEW SECTION. Sec. 17. There is added to chapter 74.20 RCW a new section to read as follows:

Whenever a custodian of children, or other person, receives support moneys paid to them which moneys are paid in whole or in part in satisfaction of a support obligation which has been assigned to the department pursuant to 42 U.S.C. Sec. 602(A)(26)(a) or section 22 of this act or to which the department is owed a debt pursuant to RCW 74.20A.030, the moneys shall be remitted to the department within eight days of receipt by the custodian or other person. If not so remitted the custodian or other person shall be indebted to the department as a support debt in an amount equal to the amount of the support money received and not remitted.

By not paying over the moneys to the department, a custodial parent or other person is deemed, without the necessity of signing any document, to have made an irrevocable assignment to the department of any support delinquency owed which is not already assigned to the department or to any support delinquency which may accrue in the future in an amount equal to the amount of support money retained. The department may utilize the collection procedures in chapter 74.20A RCW to collect the assigned delinquency to effect recoupment and satisfaction of the debt incurred by reason of the failure of the custodial parent or other person to remit. The department is also authorized to make a set-off to effect satisfaction of the debt by deduction from support moneys in its possession or in the possession of any clerk of the court or other forwarding agent which are paid to the custodial parent or other person for the satisfaction of any support delinquency. Nothing in this section authorizes the department to make set-off as to current support paid during the month for which the payment is due and owing.

NEW SECTION. Sec. 18. There is added to chapter 74.20A RCW a new section to read as follows:

The secretary may issue a notice of support debt to any person, firm, corporation, association or political subdivision of the state of Washington or any officer or agent thereof who is in possession of support moneys, or who has had support moneys in his or her possession at some time in the past, which support moneys were or are claimed by the department as the property of the department by assignment, subrogation, or by operation of law or legal process under chapter 74.20A RCW, if the support moneys have not been remitted to the department as required by law.

The notice shall describe the claim of the department, stating the legal basis for the claim and shall provide sufficient detail to enable the person, firm, corporation, association or political subdivision or officer or agent thereof upon whom service is made to identify the support moneys in issue. The notice may also make inquiry as to relevant facts necessary to the resolution of the issue.

The notice may be served by certified mail, return receipt requested, or in the manner of a summons in a civil action. Upon service of the notice all moneys not yet disbursed or spent or like moneys to be received in the future are deemed to be impounded and shall be held in trust pending answer to the notice and any hearing which is requested.

The notice shall be answered under oath and in writing within twenty days of the date of service, which answer shall include true answers to the matters inquired of in the notice. The notice shall also either acknowledge the department's right to the moneys or request an administrative hearing to determine the rights to ownership of the support moneys in issue. The hearing shall be held pursuant to this section, chapter 34.04 RCW, and the rules of the department and shall be a contested case as provided for in chapter 34.04 RCW. The burden of proof to establish ownership of the support moneys claimed, including but not limited to moneys not yet disbursed or spent, is on the department.

If no answer is made within the twenty days, the department's claim shall be assessed and determined and subject to collection action as a support debt pursuant to chapter 74.20A RCW. Any such debtor may, at any time within one year from the date of service of the notice of support debt, petition the secretary or the secretary's designee for a hearing upon a showing of any of the grounds enumerated in RCW 4.72.010 or superior court civil rule 60. A copy of the petition shall also be served on the department. The filing of the petition shall not stay any collection action being taken, but the debtor may petition the secretary or the secretary's designee for an order staying collection action pending final decision of the secretary or the secretary's designee or the courts on any appeal made pursuant to chapter 34.04 RCW. Any moneys held and/or taken by collection action prior to the date of any such stay and any support moneys claimed by the department, including moneys to be received in the future to which the department may have a claim, shall be held in trust pending final decision and appeal, if any, to be disbursed in accordance with the final decision. The secretary or the secretary's designee shall condition the stay to provide for the trust.

If the hearing is granted it shall be an administrative hearing limited to the determination of the ownership of the moneys claimed in the notice of debt. The right to the hearing is conditioned upon holding of any funds not yet disbursed or expended or to be received in the future in trust pending the final order in these proceedings or during any appeal made to the courts. The secretary or the secretary's designee shall enter an appropriate order providing for the terms of the trust.

The hearing shall be a contested case as provided for in chapter 34.04 RCW and shall be held pursuant to this section, chapter 34.04 RCW, and the rules of the department. The hearing shall be promptly scheduled within thirty days from the date of receipt of the answer by the department. The hearing shall be conducted by

a duly qualified hearing examiner appointed for that purpose. Hearings may be held in the county of residence of the debtor or other place convenient to the debtor.

If the debtor fails to appear at the hearing, the hearing examiner shall, upon showing of valid service, enter an initial decision and order declaring the amount of support moneys, as claimed in the notice, to be assessed and determined and subject to collection action. Within thirty days of entry of the decision and order the debtor may petition the secretary or the secretary's designee to vacate the decision and order upon a showing of any of the grounds enumerated in RCW 4.72.010 or superior court civil rule 60.

The hearing and review process shall be as provided for in RCW 74.20A.055.

If, at any time, the superior court enters judgment for an amount of debt at variance with the amount determined by the final order in these proceedings, the judgment shall supersede the final order in these proceedings. Any debt determined by the superior court in excess of the amount determined by the final order in these proceedings shall be the property of the department as assigned under 42 U.S.C. 602(A)(26)(a), RCW 74.20.040, 74.20A.250, or sections 17 or 22 of this act. The department may, despite any final order in these proceedings, take action pursuant to chapters 74.20 or 74.20A RCW to obtain such a judgment or to collect moneys determined by such a judgment to be due and owing.

If public assistance moneys have been paid to a parent for the benefit of that parent's minor dependent children, debt under this chapter shall not be incurred by nor at any time be collected from that parent because of that payment of assistance. Nothing in this section prohibits or limits the department from acting pursuant to section 17 of this act and this section to assess a debt against a recipient or ex-recipient for receipt of support moneys paid in satisfaction of the debt assigned under section 22 of this act which have been assigned to the department but were received by a recipient or ex-recipient from another responsible parent and not remitted to the department. The department may not take collection action during such period of time as the public assistance recipient remains in that status. Payments not credited against the department's debt pursuant to RCW 74.20.101 may not be assessed or collected under this section.

NEW SECTION. Sec. 19. There is added to chapter 74.20 RCW a new section to read as follows:

In order to facilitate and ensure compliance with Title IV-D of the federal social security act, now existing or hereafter amended, wherein the state is required to undertake to establish paternity of such children as are born out of wedlock, the secretary of social and health services may pay the reasonable and proper fees of attorneys admitted to practice before the courts of this state, who are engaged in private practice for the purpose of maintaining actions under chapter 26.26 RCW on behalf of such children, to the end that parent and child relationships be determined and financial support obligations be established by superior court order. The secretary or the secretary's designee shall make the determination in each case as to which cases shall be referred for representation by such private attorneys. The secretary may advance, pay, or reimburse for payment of, such reasonable costs as may be attendant to an action under chapter 26.26 RCW. The representation by a private attorney shall be only on behalf of the subject child, the custodial natural parent, and the child's personal representative or guardian ad litem, and shall not in any manner be, or be construed to be, in representation of the department of social and health services or the state of Washington, such representation being restricted to that provided pursuant to chapters 43.10 and 36.27 RCW.

Sec. 20. Section 25, chapter 164, Laws of 1971 ex. sess. as amended by section 23, chapter 183, Laws of 1973 1st ex. sess. and RCW 74.20A.250 are each amended to read as follows:

By accepting public assistance (~~for or on behalf of a child or children, the recipient shall be deemed to have made assignment to the department of any and all right, title, and interest in any support obligation owed to or for said child or children up to the amount of public assistance money paid for or on behalf of said child or children for such term of time as such public assistance moneys are paid;~~), the recipient (~~shall also be~~) is deemed, without the necessity of signing any document, to have appointed the secretary as his or her true and lawful attorney in fact to act in his or her name, place, and stead to perform the specific act of endorsing any and all drafts, checks, money orders or other negotiable instruments representing support payments which are received on behalf of said child or children as reimbursement for the public assistance moneys previously paid to said recipient.

NEW SECTION. Sec. 21. There is added to chapter 74.20A RCW a new section to read as follows:

Whenever any person requests an administrative hearing under RCW 74.20A-.055 or section 18 of this act, after the department has notified the person of the requirements of this section, it shall be the responsibility of the person to notify the department of the person's mailing address at the time the request for hearing is made and also to notify the department of any subsequent change of mailing address during the pendency of the action and any appeal made therefrom to the courts. Whenever the person has a duty under this section to advise the department of the person's mailing address, mailing by the department by certified mail to the person's last known address constitutes service as required by chapters 74.20A and 34.04 RCW.

NEW SECTION. Sec. 22. There is added to chapter 74.20 RCW a new section to read as follows.

(1) Whenever public assistance is paid under this title, each applicant or recipient is deemed to have made assignment to the department of any rights to support from any other person the applicant or recipient may have in his or her own behalf or in behalf of any other family member for whom the applicant or recipient is applying for or receiving public assistance, including any rights which have accrued at the time the assignment is made. Payment of public assistance under this chapter operates as an assignment by operation of law.

(2) The department may, during the four months following the last month in which public assistance was paid, and thereafter if a nonassistance application for support enforcement services has been made under RCW 74.20.040, pay the family, from collections made on the delinquent support assigned, an amount equal to the monthly amount required by either the superior court order for support or the administrative order entered under RCW 74.20A.055. Nothing in this section shall be construed to permit the department to make such payments for months in which no collections have been made on the delinquent support assigned, nor is the department permitted to make payments for the support of one person from collections on the delinquent support assigned by a different person. The department has, upon making any such payment, by operation of law an additional assignment of the unpaid obligation owed for the month in which the payment is made. The department shall take action to collect the unpaid obligation to reimburse itself and/or the federal government for the payment made.

NEW SECTION. Sec. 23. There is added to chapter 74.20A RCW a new section to read as follows:

While discharging its responsibilities to enforce the support obligations of responsible parents, the department shall respect the right of privacy of recipients of public assistance and of other persons. Any inquiry about sexual activity shall be limited to that necessary to resolve a genuine dispute about the parentage of a child. When a custodial mother has informed the department that a particular man is the

father of her child, the department shall make no further inquiry into her personal life unless the man so identified has denied that he is the father of such child.

NEW SECTION. Sec. 24. The following acts or parts of acts are each repealed:

(1) Section 5, chapter 164, Laws of 1971 ex. sess., section 6, chapter 183, Laws of 1973 1st ex. sess. and RCW 74.20A.050; and

(2) Section 27, chapter 183, Laws of 1973 1st ex. sess. (uncodified).

NEW SECTION. Sec. 25. The repeal of RCW 74.20A.050 and the amendment of RCW 74.20A.030 and 74.20A.250 by this 1979 act is not intended to affect any existing or accrued right, any action or proceeding already taken or instituted, any administrative action already taken, or any rule, regulation, or order already promulgated. The repeal and amendments are not intended to revive any law heretofore repealed.

NEW SECTION. Sec. 26. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected."

If the notice is not served within thirty days from such date, the department shall lose the right to reimbursement of payments made after the thirty-day period and before the date of notification. A failure to notify within thirty days shall be excused if the department is unable to locate the debtor."

MOTION

On motion of Senator Marsh, Substitute House Bill No. 125, together with the pending committee amendment and the amendment by Senator Pullen to the committee amendment, was held until later notice.

MOTION

On motion of Senator Marsh, the Senate commenced consideration of Engrossed House Bill No. 335.

SECOND READING

ENGROSSED HOUSE BILL NO. 335, by Representatives Nelson (G.A.), Martinis, Patterson, Becker and Sprague:

Authorizing new community college district and providing for transfer of property, records, and personnel thereto.

The bill was read the second time by sections.

MOTIONS

On motion of Senator Wilson, Senator Bausch was excused.

Senator Gould moved the following amendments be considered and adopted simultaneously:

On page 1, line 22, after "Northshore" insert ", Snohomish, Sultan, Index, Monroe,"

On page 3, line 10, after "Edmonds" strike "common school district" and insert ", Snohomish, Sultan, Index, and Monroe common school districts,"

POINT OF INQUIRY

Senator Goltz: "Senator Gould, I assume that because of the nature of the involvement of the members of the House, that some communication has been undertaken with those House members. What is their response, if it is fair to ask that question, concerning this proposed boundary—this may be our only redistricting bill of the session, we want to get it right."

Senator Gould: "That is what I felt like when I was trying to calculate what the most fair and appropriate way would be to district the boundaries of the college district. Yes, it is a fair question and I have talked to the sponsor of the bill. Interestingly, some of the questions that arose in the House arose in our discussion, and he said his original bill had included these very same school districts. There was a concern over the Paine Field area. Paine Field, evidently there are some new programs going in which are to be developed by the Everett Community College and it was the concern of some of the House members from that area that that be excluded from the Edmonds Community College area. That is why I have excluded the Mukilteo School District, which carries the Paine Field in it. I did not ask the specific question, will you support it? I am sorry I did not ask that question, but it was in the original intent, and it was my understanding that with this as an exception, it could be passed more easily and accepted by the House."

Senator Goltz: "Would you yield to another question? Would, and this may not be a fair question, but if these school districts are included, would you support the bill?"

Senator Gould: "No, this is a perfectly legitimate question too, because I have, as you know, long been opposed to the bill. No, I will not. I am still opposed to the bill and I would vote no on the bill for other reasons which I will be glad to enumerate at that time. However, if the bill is going to pass and if this is what is going to happen to my community college district in my legislative district, I want it to be as fair as possible. I do not consider these amendments destructive to the bill and they were not intended to do so."

Further debate ensued.

The motion by Senator Gould carried and the amendments were adopted.

Senator Rasmussen moved adoption of the following amendment by Senators Rasmussen, Woody, Gould, Benitz, Odegaard and Donohue:

Strike all material after the enacting clause on page 1, line 6, and insert:

"NEW SECTION. Section 1. There is added to chapter 28B.50 RCW a new section to read as follows:

A special study shall be undertaken by the Council for Postsecondary Education to examine the decision making and administrative configurations of the present community college district system and the appropriateness of the community college districting system as instituted by the Community College Act of 1967 with reference to changes in the state's population and the educational needs of the communities and students served.

The Council for Postsecondary Education shall submit a report to the Legislature by November 1, 1981."

POINT OF ORDER

Senator Goltz: "Mr. President, I would like to raise the question of scope and object on the amendment."

"The bill is a bill to create a second community college district and the amendment is to create a study, and I think on the face of it it certainly changes the scope and object of the original bill."

RULING BY THE PRESIDENT

President Cherberg: "The President, in ruling upon the Point of Order raised by Senator Goltz, finds that Engrossed House Bill No. 335 is a measure authorizing new community college districts and providing for transfer of property records and personnel funds whereas the amendment proposed by Senator Rasmussen deals with the community college districting system as instituted by the Community College Act of 1967 with reference to changes in the state's population and the educational needs of the communities and students served and establishing a study thereof.

"The President therefore believes that the amendment is within the scope and object of the bill and the Point of Order is not well taken."

The amendment by Senator Rasmussen and others was ruled in order.

Further debate ensued.

The motion by Senator Rasmussen failed and the amendment was not adopted on a rising vote.

On motion of Senator Goltz, the rules were suspended, Engrossed House Bill No. 335 as amended by the Senate, was advanced to third reading, the second reading considered the third, and the bill was placed on final passage.

Debate ensued.

POINT OF INQUIRY

Senator Vognild: "Senator Goltz, there is some concern over what will happen to the classified civil service employees who work at district headquarters. Will these classified employees and the funding for these positions be transferred to one of the two community colleges if this bill is passed?"

Senator Goltz: "Yes, Senator Vognild, they will and they will retain all the rights and benefits as has been the practice when classified civil service employees are transferred from one unit to another."

Further debate ensued.

The Secretary called the roll on the final passage of Engrossed House Bill No. 335, as amended by the Senate, and the bill passed the Senate by the following vote: Yeas, 29; nays, 16; absent or not voting, 3; excused, 1.

SENATE RESOLUTION 1979-70

By Senators Hansen, Gaspard, Wanamaker, Day and Wilson:

WHEREAS, The Yakima River System has long suffered from a lack of water as well as water of poor quality; and

WHEREAS, This shortage has not only caused many disputes but also numerous costly lawsuits over the rights to the use of water of the river system, all of which are detrimental to the social and economic well-being of the Yakima Valley; and

WHEREAS, The Department of Ecology of the State of Washington, working with the Yakima Indian Nation and others, has developed a proposal for resolving the conflicts and suffering arising from water shortages by providing more water for agricultural uses as well as fishery, recreational, and other instream uses; and

WHEREAS, A proposal, known as the Yakima River Basin Water Enhancement Project, embodies a combined physical and legal solution consisting of the construction of five water storage and distribution projects and the termination of several major water rights cases pending in federal and state courts; and

WHEREAS, Legislation directing the secretary of the department of the interior to study the feasibility of the Yakima River Basin Water Enhancement Project

has been introduced by Senators Henry M. Jackson and Warren G. Magnuson (S. 585) and Representative Mike McCormack (H.R. 2757), and the Washington State Legislature has provided financial assistance not exceeding \$500,000 for the study by the secretary of the interior, through enactment of Substitute Senate Bill No. 2504 earlier this session;

NOW, THEREFORE, BE IT RESOLVED, By the Senate of the State of Washington, that the senators:

(1) Encourage President Jimmy Carter to support the enactment of S. 585 and H.R. 2757; and

(2) Congress is encouraged to enact S. 585 and H.R. 2757; and

BE IT FURTHER RESOLVED, That copies of this resolution be immediately transmitted by the Secretary of the Senate to the Honorable Jimmy Carter, President of the United States, to the President of the United States Senate, to the Speaker of the House of Representatives, to the Secretary of the Interior, and to each member of Congress from the State of Washington.

SENATE RESOLUTION 1979-71

By Senators Hansen, Gaspard, Wanamaker, Day and Wilson:

WHEREAS, The several states, consistent with longstanding national policy established by Congress, have been and should continue to be the governmental units with the primary authority to allocate the use of water resources within their respective boundaries through the establishment, management, and regulation of rights to the use of water; and

WHEREAS, A doctrine of implied reservation of federal water rights, developed and amplified primarily during the last two decades by the Supreme Court of the United States, now operates outside of and in conflict with that national policy and the states' comprehensive water rights law; and

WHEREAS, This federal reserved rights doctrine is being relied upon with ever-increasing imagination, intensity, and enthusiasm by the executive branch of the United States government, primarily through the departments of Justice and the Interior, to support claims for federal water rights either never before advanced or far larger in scope than previously claimed; and

WHEREAS, These claims based on the doctrine of implied reservation have a serious potential not only to upset the states' property rights systems for water rights allocation and regulation, but also to create severe economic displacement, social unrest, and political dislocation, all of which are clearly detrimental to the overall public interest; and

WHEREAS, Under our federal system, Congress, rather than the courts, should resolve basic policy differences concerning the use of natural resources;

NOW, THEREFORE, BE IT RESOLVED, By the Senate of the State of Washington, That Congress is requested to resolve disputes over federal reserved water rights and to clarify the relationships between the United States and the several states over state water rights laws and federal impliedly reserved water rights by enacting comprehensive legislation on the subject. Such legislation should contain the following elements:

(1) The establishment of a national general water rights adjudication program to provide, when necessary for proper water allocation and regulation, a precise quantification of all rights to the use of waters of a stream system or other body of water, which adjudication program should be administered by the states in state courts.

(2) The extinguishment of all existing unexercised federally reserved water rights except unexercised Indian water rights. Such unexercised Indian water rights, if any, may be exercised for a reasonable period of time in the future (subject to compensation by the United States for any nonfederal existing rights adversely

affected) after which the unexercised portion of those rights should be extinguished and the Indians compensated by the United States therefor.

(3) (a) The requirement that, to the maximum extent possible consistent with the national interest, the United States shall in the future establish all required water rights pursuant to state water rights laws;

(b) The requirement that, in those very limited situations where new rights are required to be established outside of state law, those rights shall be expressly reserved, precisely described, and established through procedures which provide for public notice and opportunity for the states and individuals to comment. Such federal reserved rights may be established only as to unappropriated waters and shall be subject to all existing rights.

(4) The integration of all federal reserved rights into the regulatory programs established by the water rights laws of the several states and, where appropriate, interstate compacts and court decrees; and

BE IT FURTHER RESOLVED, That a copy of this resolution be transmitted by the Secretary of the Senate to President Jimmy Carter with the request that he provide the full support of his administration to proposed legislation embodying the elements described herein; and

BE IT FURTHER RESOLVED, That copies of this resolution be transmitted by the Secretary of the Senate to the Chairman of the United States Senate Committee on Energy and Natural Resources, the Honorable Henry M. Jackson, and to all members of that committee, as well as to the Chairman of the United States House of Representatives Committee on Interior and Insular Affairs, the Honorable Morris K. Udall, and to all members of that committee.

MOTION

On motion of Senator Guess, the following resolution was adopted:

SENATE RESOLUTION 1979-72

By Senators Guess and Henry:

WHEREAS, The federal-aid highway program is of vital importance to the transportation system of the nation and the several states; and

WHEREAS, The Congress has recognized the importance of the federal-aid highway program by enacting the Federal-Aid Highway Act of 1978 including annual authorizations of funds; and

WHEREAS, The President of the United States has recognized the intent of Congress as expressed in the Federal-Aid Highway Act of 1978, and has proposed an obligation level of \$8.5 billion for federal-aid highway programs for the fiscal year ending September 30, 1980, in his budget proposal for such fiscal year; and

WHEREAS, The several states have obligated approximately \$4 billion of federal highway funds in the first five months of the fiscal year ending September 30, 1979, indicating that the obligation level proposed by the President for the fiscal year ending September 30, 1980, is reasonable and appropriate for continuation of the federal-aid highway program; and

WHEREAS, Any reduction below the obligation level proposed by the President will seriously impair the highway transportation programs of the nation and the several states, to the detriment of transportation efficiency and safety;

NOW, THEREFORE, BE IT RESOLVED, By the Senate of the State of Washington, That the Congress be urged to approve an obligation level for the federal-aid highway program for the fiscal year ending September 30, 1980, that is not less than the level included by the President in his budget proposal for such fiscal year; and

BE IT FURTHER RESOLVED, That copies of this resolution be immediately transmitted by the Secretary of the Senate to the Honorable Jimmy Carter, President of the United States, the President of the United States Senate, the Speaker of the House of Representatives, each member of Congress from the State of Washington, and to the Secretary of Transportation.

MOTION

On motion of Senator Henry, the following resolution was adopted:

SENATE RESOLUTION 1979-73

By Senators Henry, Morrison and Matson:

WHEREAS, Efforts have been made over the past decade by the U. S. Fish and Wildlife Service to obtain private lands near Conboy Lake in Klickitat County for a goose nesting area; and

WHEREAS, Property owners, many the descendents of the pioneers who homesteaded the area, have resisted condemnation of their lands, or other means of acquisition attempted by the federal agency; and

WHEREAS, An appropriation is being sought by the Fish and Wildlife Service to condemn and further acquire lands for these purposes at Conboy Lake; and

WHEREAS, The property owners of the area should not be threatened by a federal agency in Washington, D.C., with the loss of their property, which they desire to retain for their own use; and

WHEREAS, The Congress of the United States should deny the Fish and Wildlife Service any funds for the condemnation or acquisition of Lands at Conboy Lake for goose nesting purposes; and

WHEREAS, Congressman Mike McCormack of the Fourth Congressional District has been steadfast in his effort to deny such funds to the Fish and Wildlife Service;

NOW, THEREFORE, BE IT RESOLVED, By the Senate of the State of Washington, that Congressman McCormack be supported in this effort to defend the property rights of the landowners of the Conboy Lake area, and to deny funds to be used for the purchase of their property, or condemnation, by the U. S. Fish and Wildlife Service; and

BE IT FURTHER RESOLVED, That copies of this resolution be forwarded to Congressman McCormack and to the other members of the Washington delegation in Congress, and to the Secretary of the U. S. Department of the Interior.

Senator Peterson: "Not beyond what they already have, Senator. They already have that authority on the tidelands that they manage and it would not add any additional—in other words, it would not open up Port Susan to clam diggers."

It is the responsibility of the state of Washington through the state department of social and health services to conserve the expenditure of public assistance funds, whenever possible, in order that such funds shall not be expended if there are private funds available or which can be made available by judicial process or otherwise to partially or completely meet the financial needs of the children of this state. The failure of parents to provide adequate financial support and care for their children is a major cause of financial dependency and a contributing cause of social delinquency.

The purpose of this chapter is to provide the state of Washington, through the department of social and health services, a more effective and efficient way to effect the support of dependent children by the person or persons who, under the law, are primarily responsible for such support and to lighten the heavy burden of the taxpayer, who in many instances is paying toward the support of dependent children while those persons primarily responsible are avoiding their obligations. It is the intention of the legislature that the powers delegated to the said department in this

chapter be liberally construed to the end that persons legally responsible for the care and support of children within the state be required to assume their legal obligations in order to reduce the financial cost to the state of Washington in providing public assistance funds for the care of children. It is the intention of the legislature that the department provide sufficient staff to carry out the purposes of this chapter, chapter 74.20A RCW, the abandonment and nonsupport statutes, and any applicable federal support enforcement statute administered by the department. It is also the intent of the legislature that the staff responsible for support enforcement be encouraged to conduct their support enforcement duties with fairness, courtesy, and the highest professional standards.

NEW SECTION. Sec. 25. There is added to chapter 74.20 RCW a new section to read as follows:

The department shall develop workload standards for each employee classification involved in support enforcement activities for each category of support enforcement cases. The department shall submit the workload standards and a preliminary forecast of the level of staffing required to meet the workload standards to the senate ways and means committee and the house of representatives revenue and appropriations committees six months before the regular legislative sessions and whenever this information is requested by the senate ways and means committee and the house of representatives revenue and appropriations committees."

POINT OF INQUIRY

Senator Talmadge: "Senator McDermott, in the House budget was any provision made for public school dropout programs at all?"

Senator McDermott: "In answer to your question, in looking at the URRD budget, the programs that were cut out were the alternative schools for high school dropouts. That is one of the areas that was cut out and there is no money in that budget for dropout programs for the public school system."

Senator Talmadge: "Senator McDermott, the second question: in the Senate budget, is it anticipated that outside of the more than a million dollars that we are talking about for educational clinics, that any specific appropriation will be made for public school dropout programs?"

Senator McDermott: "That budget has not quite been reached finally. We haven't brought it before the caucus so perhaps this bill is a little premature in terms of deciding what actually is going to be done with all educational moneys. We have not made the decision yet as to whether the URRD program, we will restore the money that was in the public school dropout program."

Further debate ensued.

POINT OF INQUIRY

Senator Day: "Senator, are you saying that the moneys that the chairman of ways and means said would be in the offering, at least of the chairman, are not sufficient for URRD?"

Senator Fleming: "Mr. President, I cannot answer for the chairman of ways and means."

Senator Day: "He just made the statement on the floor, Senator, that he was putting money in for that program."

Senator Fleming: "It was my conversation, the chairman of ways and means has indicated to me that his plans are to try to make sure that the URRD programs would be continued at their present level and that none of those programs would be harmed under his budget. We have some question as to whether we are talking about apples and apples and oranges and oranges, and we are going to try to resolve that later on today."

The motion by Senator Fleming carried. Engrossed Substitute House Bill No. 437 and the pending amendments will be considered on Friday, April 20, 1979.

MOTION

At 12:00 noon, on motion of Senator Marsh, the Senate recessed until 1:30 p.m.

On motion of Senator Lysen, the rules were suspended, House Bill No. 923, as amended by the Senate, was advanced to third reading, the second reading considered the third, and the bill was placed on final passage.

PERSONAL PRIVILEGE

Senator North: "Mr. President and members of the Senate, today in the Senate rules-committee meeting, House Joint Resolution 31 and Substitute Senate Bill 3065 were referred by Senator Walgren back to the Senate committee on constitution and elections. During the discussion on that bill, my name was mentioned as having found errors in that bill. The errors that I found were a matter of timing as to when that redistricting commission could reasonably establish and expect to come up with a plan based on the 1980 census figures. I had prepared a series of amendments to both the constitutional amendment and the enabling bill. They were all ready to go. Our usual method of procedure in this chamber is that we face, we offer many amendments. That is the nature of the legislative process. I cannot quite understand why these bills were shunted back again to the Senate elections committee, which has had ample hearing on this bill, a great deal of input, statements from the public,

committee work, and then the bills were read into rules committee. I would respectfully ask Senator Walgren when will the Senate elections committee be asked by you to hold a hearing on these bills?"

REMARKS BY SENATOR WALGREN

Senator Walgren: "I assume that Senator North is requesting that I yield to a question. I do yield and I do respond to the question that you are asking. I assume that the chairman of the constitution and elections committee will call a committee meeting in due course, whenever her regular schedule is set as far as our calendar here. I would expect it to be called at the next regular meeting.

"I think I should respond just for a moment to the thought that we should not send a measure back to committee for work, certainly one that is at least somewhat controversial—I think we have to recognize that this is a measure that is that way, could certainly have the opportunity of being looked at in committee. Sometimes we get criticized out here for spending a lot of time and working on amendments and not giving full consideration and hearing and evidence at a committee meeting. I suppose it is six of one and half a dozen of the other. We do it both ways, but I see nothing wrong with having the committee, good bipartisan committee that it is, look at these suggestions that you have very adequately and correctly made and, frankly, gave us the suggestion to have the further look into this."

REMARKS BY SENATOR NORTH

Senator North: "Senator Walgren, I would suggest that the committee could meet tomorrow at 8:30. The amendments are all drafted, signed and have been checked out and are ready to go. Further, I would submit that the press and the public are anxious for us to take action on this very vital issue. This is something that the legislature has addressed and failed to solve over a period of twenty years. I know that several legislators on this floor have conducted surveys in their areas and have found as high as eighty-five percent of the people are asking us to step out of this responsibility and to establish a redistricting commission. Now I would urge that the schedule here be speeded up and that we address this handily and get on with it before the session is over and we fail to act."

REMARKS BY SENATOR WALGREN

Senator Walgren: "You can suggest and urge but that is not going to be the way it is going to be done."

POINT OF ORDER

Senator Rasmussen: "Mr. President, Senator North is speaking for eighty-five percent of the people in my district and they have not talked about it to me and I do not want her including—speak only of your own district, Senator North, and if you have had contact with eighty-five percent of the people, you are lucky."

REMARKS BY SENATOR BOTTIGER

Senator Bottiger: "Mr. President and members of the Senate, there are two things that have come about. Senator North brought a time flow chart to me and made representations that there were problems with the way the bill was constructed. I did some checking and I believe I agree with her that as the bill is constructed, there is a problem on how the county auditors could get the election books put together in time for the 1982 election, and I suggested to Senator Walgren, sent

him a copy of the flow chart, Senator North, sent him a memorandum saying that we have got a problem here and I am not quite sure how we should handle it.

First of all, I would like to get some testimony from the auditors as to how long it takes to go through and fix those poll books so that we could have a valid proper election. The next thing that I discovered since the bill was reported out of committee is that currently the estimated time for the final census figures has moved from some place in March to as late as late June or July of 1981.

"So our bill as constructed has got some problems with it. Now you suggest we could get it out here on the floor, but on the floor we cannot get any testimony from those auditors and from the election board people and from the census people as to when we can legitimately expect the sufficiently accurate figures to do the job. Now we cannot do it on the floor. We have got to do it in the committee hearing."

REMARKS BY SENATOR WOODY

Senator Woody: "Mr. President, I would simply like to state I understood that there were some considerable problems with the bill as it was passed out of committee and I agreed to accept it back into Senate constitution and elections committee to reevaluate some of the problems which had been pointed out by Senator North, and if Senator North has amendments to propose to this bill, this is the first I have heard of them."

REMARKS BY SENATOR LEWIS

Senator Lewis: "Mr. President, I hope we do not establish a precedent here of sending every controversial bill back to committee. Secondly, I think that all of the good intentions expressed will simply be revealed to the public when we adjourn this session and it is determined whether or not we will have passed a redistricting bill, so the proof of our intentions will come at that time."

REMARKS BY SENATOR SCOTT

Senator Scott: "Speaking to the subject, the minor mechanics of election records are not the issue here. We have a lateral arabesque. This legislature has a history of failure when it comes to redistricting. In 1930 they could not do it, in 1967 they could not do it, in 1970 we spent forty-four days at it, doing nothing else. At \$60,000 a day that is two and a half million dollars of the people's money that is going to be eaten up when we are next on this floor. Not only that, we lose all the subject matter we could address."

POINT OF ORDER

Senator Rasmussen: "What is before the body?"

Senator Scott: "The question of redistricting, Senator."

REMARKS BY THE PRESIDENT

President Cherberg: "No, the point of personal privilege is before the body."

Senator Rasmussen: "I do not find anything in personal privilege under discussion that is going on here."

President Cherberg: "The President believes the discussion is ended, Senator Rasmussen."

SPECIAL ORDER OF BUSINESS

SECOND READING

SUBSTITUTE HOUSE BILL NO. 249, by Committee on Social and Health Services (originally sponsored by Representatives Kreidler, Lux, Adams and Burns) (by Department of Social and Health Services request):

Implementing the National Health Planning and Resources Development Act of 1974.

The time having arrived, the Senate resumed consideration of Substitute House Bill No. 249. Earlier today the committee amendment to page 8, line 27 had been adopted. Senator Day had moved adoption of the committee amendment to page 11, beginning on line 25.

The President declared the question before the Senate to be adoption of the committee amendment to page 11, beginning on line 25.

Debate ensued.

POINT OF ORDER

Senator McDermott: "Mr. President, I would like to raise the question of scope and object on this amendment.

"Mr. President, this is a planning bill. It is a bill that the title of which is the National Health Planning Act. It has nothing in it about discrimination and it does not talk about specific health care practitioners as licensed in any specific chapters. It is a bill for planning and any bill that we are talking about in terms of discrimination certainly does not fall within the purview of this bill."

RULING BY THE PRESIDENT

President Cherberg: "The President, in ruling upon the Point of Order presented by Senator Jim McDermott, finds that Substitute House Bill 249 is a bill implementing the National Health Planning and Resources Development Act of 1974. The bill also establishes criteria for reviewing certificate of need applications. The amendment also includes provisions for the granting of certificates of need.

"Therefore, the amendment is within the scope and object of the bill and the point is not well taken."

The committee amendment to page 11, beginning on line 25 was ruled in order.

The President declared the question before the Senate to be the motion by Senator Day that the committee amendment be adopted.

The motion by Senator Day failed and the committee amendment was not adopted.

MOTION FOR RECONSIDERATION

Senator McDermott moved that the Senate reconsider the vote by which the committee amendment to page 8, line 27 was adopted.

POINT OF ORDER

Senator Day: "I do not believe that motion is timely."

RULING BY THE PRESIDENT

President Cherberg: "Senator Day, in reference to your point, the President believes that the motion to reconsider by Senator McDermott is in order and that it is permitted on the same day as the adoption of the amendment."

The motion for reconsideration by Senator McDermott was ruled in order.

Debate ensued.

Senator Day demanded a roll call and the demand was sustained.

The President declared the question before the Senate to be the motion by Senator McDermott that the Senate reconsider the vote by which the committee amendment to page 8, line 27 was adopted.

Senator Day demanded a Call of the Senate. A Call of the Senate was not sustained on a rising vote.

ROLL CALL

The Secretary called the roll and the motion for reconsideration carried by the following vote: Yeas, 23; nays, 21; excused, 5.

Voting yea: Senators Benitz, Bluechel, Clarke, Gallagher, Goltz, Gould, Hayner, Jones, Lee, Lewis, Matson, McDermott, Morrison, Newschwander, North, Quigg, Rasmussen, Scott, Sellar, Shinpoch, Walgren, Wanamaker, Williams—23.

Voting nay: Senators Bausch, Bottiger, Conner, Day, Fleming, Hansen, Henry, Lysen, Marsh, Moore, Odegaard, Peterson, Pullen, Talley, Talmadge, Van Hollebeke, Vognild, von Reichbauer, Wilson, Wojahn, Woody—21.

Excused: Senators Donohue, Gaspard, Guess, Keefe, Ridder—5.

POINT OF INQUIRY

Senator Bottiger: "Senator Day, in the rural areas we have nurse practitioners in Orting, Eatonville, Yelm, out in the outer areas, and they provide emergency services. They act under the direct supervision of a doctor by phone in emergency cases, but they provide care where physicians do not find it economical to come and set up an office and live the good life in the rural area, and I am concerned under this bill, without your amendment, that this group could determine that that kind of rural practice was unnecessary and all those people ought to drive into Tacoma to get their care. Can you enlighten me on whether that concern is justified?"

Senator Day: "Of course it is justified and, contrary to what has been said here, section 8 specifically addresses itself. It says: 'Each health system agency shall have as its primary responsibility the provision of effective health planning.' And, of course, you can't have effective health planning if you do not have people participate relative to the providing of these services.

"Now it is pretty obvious what is occurring here and I do not wish to delay the body with this. I think the record is made. I think you have gone on record that you have licensed a lot of people but you want one particular group to monopolize the facility and to monopolize the delivery of services. And so that is what is occurring. Now it is surprising to me. You know, the effectiveness of things like the hospital rate commission which were fought diligently for ten years by these people is well known, and so what we are going to do is continue to acquiesce to those forces that have monopolized health care to the detriment of the delivery to society.

"I urged that you do not vote down, do not adopt this amendment. It is pretty obvious if the amendment is not adopted it is going to be a closed shop planning system."

The President declared the question before the Senate to be adoption of the following committee amendment on reconsideration:

On page 8, line 27, after "agencies" and before the period insert "and assure that all health care practitioners licensed pursuant to Title 18 RCW are not discriminated against in the providing of services"

The committee amendment was not adopted, on reconsideration, on a rising vote.

On motion of Senator Moore, the following amendment was adopted:

On page 13, line 24, after "department" insert "as it has been done since the enactment of chapter 70.38 RCW in 1971"

MOTION

On motion of Senator Bluechel, Substitute House Bill No. 249, as amended by the Senate, was ordered held for further consideration at a certain time.

POINT OF INQUIRY

Senator Day: "Senator Newschwander, I notice that the old language is still retained in both the amendment and the amendment to the amendment relative to mileage. Was that your intention to leave that?"

The motion by Senator Talmadge failed and the amendment, as amended, was not adopted on a rising vote.

On motion of Senator Walgren, the following amendments by Senators Walgren and Newschwander were considered and adopted simultaneously:

Such officer shall inform the person of his right to refuse the test, and of his right to have additional tests administered by any qualified person of his choosing as provided in RCW 46.61.506. The officer shall warn the driver that his privilege to drive will be revoked or denied if he refuses to submit to the test. Unless the person to be tested is unconscious, the chemical test administered shall be of his breath only: PROVIDED, That if an individual is under arrest for the crime of negligent homicide by motor vehicle as provided in RCW 46.61.520, or if an individual is under arrest for the crime of driving while under the influence of intoxicating liquor or drugs as provided in (~~RCW 46.61.506~~) section 1 of this 1979 act, which arrest results from an accident in which another person has been injured and there is a reasonable likelihood that such other person may die as a result of injuries sustained in the accident, a breath or blood test may be administered without the consent of the individual so arrested. In such circumstances, the provisions of subsections (2) through (6) of this section shall not apply.

(3) If, following his arrest, the person arrested refuses upon the request of a law enforcement officer to submit to a chemical test of his breath, after being informed that his refusal will result in the revocation or denial of his privilege to drive, no test shall be given. The department of licensing, upon the receipt of a sworn report of the law enforcement officer that he had reasonable grounds to believe the arrested person had been driving or was in actual physical control of a motor vehicle upon the public highways of this state while under the influence of intoxicating liquor and that the person had refused to submit to the test upon the request of the law enforcement officer after being informed that such refusal would result in the revocation or denial of his privilege to drive, shall revoke his license or permit to drive or any nonresident operating privilege. If the person is a resident without a license or permit to operate a motor vehicle in this state, the department shall deny to the person the issuance of a license or permit for a period of six months after the date of the alleged violation, subject to review as hereinafter provided.

Upon receipt of such request, the department shall afford him an opportunity for a hearing as provided in RCW 46.20.329 and 46.20.332. The scope of such hearing for the purposes of this section shall cover the issues of whether a law enforcement officer had reasonable grounds to believe the person had been driving or was in actual physical control of a motor vehicle upon the public highways of this state while under the influence of intoxicating liquor, whether the person was placed under arrest and whether he refused to submit to the test upon request of the officer after having been informed that such refusal would result in the revocation or denial of his privilege to drive. The department shall order that the revocation or determination that there should be a denial of issuance either be rescinded or sustained. Any decision by the department revoking a person's driving privilege shall be stayed and shall not take effect while a formal hearing is pending as herein provided or during the pendency of a subsequent appeal to superior court: PROVIDED, That this stay shall be effective only so long as there is no conviction for a moving violation during pendency of the hearing and appeal.

REPORT OF STANDING COMMITTEE

April 10, 1979.

SUBSTITUTE HOUSE BILL NO. 755, providing for rights, duties, and penalties when a vehicle is left on the highway (reported by Committee on Transportation):

POINT OF INQUIRY

Senator Day: "Your second amendment, Senator, on page 8, which struck the material after 'insurance expiration' which set forth in here the amount of the annual license fee plus a method of setting the fee for regaining the license. Now does that mean that these people lose the license, they have lost it, or what does that do to the mechanics there? If you struck everything from 'insurance expiration' down through here?"

Senator Henry: "That strikes the renewal fee. We do not feel the twenty-five dollars is necessary for the renewal at all."

REMARKS BY SENATOR WALGREN

Senator Walgren: "Mr. President, before we put that motion, I think it would be appropriate if I advised the membership as to the plan of action for the next week, this week. We will be coming into session about nine o'clock, or at nine o'clock each morning. It will be our intent to meet over the weekend, Saturday and Sunday. We are, I believe, moving toward a conclusion of this legislative session.

"Now I must admit that I am dismayed with the action of the House of Representatives to this point. I looked at the printout today as to the bills that have passed the Senate that are House bills and compared that with Senate legislation that has passed the House. Perhaps you are aware, but if you are not, there are 59 House bills that have passed this Senate. Contrarywise, we have Senate legislation but only 16 bills have passed the House of Representatives. I think that should be of some considerable concern, not only to the members of this Senate, but to the people of the state of Washington when we talk about trying to bring a session to a conclusion.

"Now included in that legislation that has passed the Senate and that languishes in the House of Representatives are such things as the higher education collective bargaining bill and a number of senior citizen services measures, including the Senior Citizens Services Act; a measure relating to senior citizen programs; the entire nursing home package but for one bill. That continues to be discussed, I assume, over there but absolutely no action being taken. Property tax for retired owners still has not moved in the House of Representatives. Matters relating to transfers between family members, the taxation thereof, still has not moved. Industrial insurance benefit adjustments may be discussed in the House of Representatives but no action is being taken. Legislation relating to civil commitments, extremely important legislation, again it is not moving in the House of Representatives. The jail facilities bond issue, a matter of great concern to local governments and to, I think, the people of this state, also is not moving in the House of Representatives.

"Senator Bottiger handed me a list of matters involving energy, something that we are all going to be hearing a lot about from our constituents when we finish this legislative session; and let me tell you, we are going to be hearing a lot from them if we do nothing in this particular area, and I can say that this Senate has been responsible in the area. We have sent a number of measures to the House of Representatives and still no action from the House of Representatives with regards this important legislation. You can take the list as I have here and go through and pick out the bills that you think are important, bills that should be passed this session, bills that should be acted upon by that other house. It is important that we proceed to the business of the people. And so I am suggesting to you that this week is the

week for action in the Senate, a week that we must complete the business of this Legislature, a week for us to proceed with the budget, and a week, I hope at the conclusion thereof for us to go home."

REMARKS BY SENATOR CLARKE

Senator Clarke: "Concurring in substance with the remarks of Senator Walgren, I do think it is high time that we begin to face up to the essential elements and get this legislature closed down. I feel that his remarks with respect to the lack of activity on the House side are very well taken. I also commend him on suggesting that the Senate bend every effort to use this week and work straight through the weekend in an effort to do what I think the main body of the public wants us to do, and that is to complete our business and get out of here.

"I might suggest, however, that while the Senate has been much better than the House, we perhaps have not been too exemplary in all of our performances. I think, for instance, and I can understand perhaps the reasoning in the fact that the budget has not as yet come out of committee and come before us because I realize that there was a desire to consider both the operating and capital budgets together, but nevertheless, I feel that that is the main issue in reality that is going to determine when we get out of here, and that is the passage of the budget, and I think that we perhaps could or could have in the past, actually, have accelerated that situation.

"Another issue which I think is most important and which to date has more or less been at least delayed or sidetracked and that is the redistricting issue, and I would hope that that is one of the things that Senator Walgren would bring out and let us face so that we can accomplish that prior to the end of the session. But I do feel that all of us should, at least I know I did and I think most of you that went home over the weekend and got any sort of communication with your constituents, the primary question was, 'When are you going to meet the essential elements, pass the necessary budget, and get out of there?'"

"Section 1. Section 82.32.030, chapter 15, Laws of 1961 as amended by section 77, chapter 278, Laws of 1975 1st ex. sess. and RCW 82.32.030 are each amended to read as follows:

If any person engages in any business or performs any act upon which a tax is imposed by the preceding chapters, he shall, whether taxable or not, under such rules and regulations as the department of revenue shall prescribe, apply for and obtain from the department (~~(; upon payment of a fee of one dollar.)~~) a registration certificate upon making a nonrefundable deposit of twenty-five dollars which shall be credited to the taxpayer's account. Such registration certificate shall be personal and nontransferable and shall be valid as long as the taxpayer continues in business and pays the tax accrued to the state. In case business is transacted at two or more separate places by one taxpayer, a separate registration certificate for each place at which business is transacted with the public shall be required, but, for such additional certificates no ~~((fee))~~ deposit shall be required. Each certificate shall be numbered and shall show the name, residence, and place and character of business of the taxpayer and such other information as the department of revenue deems necessary and shall be posted in a conspicuous place at the place of business for which it is issued. Where a place of business of the taxpayer is changed, the taxpayer must

return to the department the existing certificate, and a new certificate will be issued for the new place of business free of charge. No person shall engage in any business taxable hereunder without being registered in compliance with the provisions of this section, except that the department, by general regulation, may provide for the issuance of certificates of registration to temporary places of business without requiring the ~~((payment of any fee))~~ deposit.

Sec. 2. Section 82.32.130, chapter 15, Laws of 1961 as last amended by section 81, chapter 278, Laws of 1975 1st ex. sess. and RCW 82.32.130 are each amended to read as follows:

Notwithstanding any other law, any notice or order required by this title to be mailed to any taxpayer may be served in the manner prescribed by law for personal service of summons and complaint in the commencement of actions in the superior courts of the state, but if the notice or order is mailed, it shall be ((sent by mail;)) addressed to the address of the taxpayer as shown by the records of the department of revenue, or, if no such address is shown, to such address as the department is able to ascertain by reasonable effort. Failure of the taxpayer to receive such notice or order whether served or mailed shall not release the taxpayer from any tax or any increases or penalties thereon.

Sec. 3. Section 82.32.340, chapter 15, Laws of 1961 as last amended by section 184, chapter 151, Laws of 1979 and RCW 82.32.340 are each amended to read as follows:

Any tax or penalty which the department of revenue deems to be uncollectible, may be transferred from accounts receivable, subject to approval by the director of financial management, to a suspense account and cease to be accounted an asset(~~(: PROVIDED, That))~~). Any item transferred shall continue to be a debt due the state from the taxpayer and may at any time within twelve years from the filing of a warrant covering such amount with the clerk of the superior court be transferred back to accounts receivable for the purpose of collection((:~~PROVIDED FURTHER,)~~); The department of revenue may charge off as finally uncollectible any tax or penalty which it deems uncollectible at any time after twelve years from the date ~~((of the filing of a warrant covering such tax and penalty with the clerk of the superior court after))~~ that the last tax return for the delinquent taxpayer was or should have been filed if the department of revenue and the attorney general are satisfied that there are no available and lawful means by which such tax or penalty may thereafter be collected.

After any tax or penalty has been charged off as finally uncollectible under the provisions of this section, the department of revenue may destroy any or all files and records pertaining to the liability of any taxpayer for such tax or penalty.

The department of revenue, subject to the approval of the state records committee, may at the expiration of five years after the close of any taxable year, destroy any or all files and records pertaining to the tax liability of any taxpayer for such taxable year, who has fully paid all taxes, penalties and interest for such taxable year, or any preceding taxable year for which such taxes, penalties and interest have been fully paid. In the event that such files and records are reproduced on film pursuant to RCW 40.20.020 for use in accordance with RCW 40.20.030, the original files and records may be destroyed immediately after reproduction and such reproductions may be destroyed at the expiration of the above five year period, subject to the approval of the state records committee.

Senator Walgren moved House Bill No. 138 and the pending amendment be held for further consideration on Tuesday, April 24, 1979.

POINT OF INQUIRY

Senator Rasmussen: "Senator Jones, there is a lot of unfairness in the world of manicurists. There have recently been several unfair instances where we are forcing divorce on people by the liquor board. Could we have a little amendment that would fit on here to correct some of those injustices where the people are required to get a divorce in order to stay in a legitimate business?"

Senator Jones: "I would like to see this bill move along in its present form, Senator. I have a feeling that there are a lot of attempts to add to this measure and I would like to see it get out of here today, frankly."

Senator Rasmussen: "We are going to hold it over for future amendment and I thought . . ."

Senator Jones: "Are you really? I was kind of hoping we could not do that, but . . ."

There being no objection, the motion by Senator Walgren to hold further consideration of House Bill No. 138 and the pending amendment for further consideration on Tuesday, April 24, 1979 was withdrawn.

The motion by Senator Jones carried and the amendment was adopted.

MOTION

On motion of Senator Walgren, House Bill No. 138, as amended by the Senate, was ordered held for further consideration on Tuesday, April 24, 1979.

Senator Bottiger moved adoption of the following amendment by Senators Bottiger, Benitz, Hayner, Lewis, Lysen, North, Williams, Wilson and Woody:

On page 1, strike everything after the enacting clause and insert the following:

NEW SECTION. Section 1. (1) An operating agency constructing or operating thermal plants under a site certificate issued under chapter 80.50 RCW may establish a security force for the security of its generating and transmission facilities and associated and related grounds, offices, and warehouse facilities which are owned or occupied by the operating agency and for the protection of its property of whatever nature and employees. The operating agency may supply appropriate badges and uniforms indicating the positions and authority of the members of the security force and perform any other acts which may be necessary or convenient to accomplish the purposes stated in this section.

(2) The operating agency is hereby granted authority to request criminal history record information as defined in RCW 10.97.030 solely for information concerning convictions which is needed for employee screening requirements.

(3) A training program for the security force, necessary to achieve the purposes of sections 1 through 3 of this act, shall be approved by the criminal justice training commission: PROVIDED, That none of the commission's requirements shall conflict with requirements of the United States nuclear regulatory commission.

NEW SECTION. Sec. 2. Members of a security force established under section 1 of this act following successful completion of the training program required by section 1(3) of this act and when appointed and duly sworn:

The operating agency shall make the request by resolution after holding a public hearing on the proposed regulations, of which at least ten days' notice shall be published in a legal newspaper of general circulation in the area of the lands. The regulations must conform to and be consistent with federal and state law and other county resolutions. Upon receiving the request, the legislative authority of the county in which the lands are situated may adopt, amend, or repeal the regulations as part of its ordinances in the same manner as other county ordinances.

Any violation of the pedestrian or vehicular traffic ordinance shall constitute a misdemeanor which shall be redressed in the same manner as other county traffic ordinances. It shall be the duty of all law enforcement officers to enforce these ordinances accordingly.

NEW SECTION. Sec. 4. Sections 1 through 3 of this act are each added to chapter 43.52 RCW."

Senator McDermott moved adoption of the following amendment by Senators McDermott, Odegaard, Quigg, Lysen and Williams to the amendment by Senator Bottiger and others:

On page 1, after line 3 insert a new section as follows:

"Section 1. Section 2, chapter 250, Laws of 1971 ex. sess. and RCW 42.30.020 are each amended to read as follows:

As used in this chapter unless the context indicates otherwise:

(1) "Public agency" means:

(a) Any state board, commission, committee, department, operating agency, educational institution or other state agency which is created by or pursuant to statute, other than courts and the legislature.

(b) Any county, city, school district, special purpose district or other municipal corporation or political subdivision of the state of Washington;

(c) Any subagency of a public agency which is created by or pursuant to statute, ordinance or other legislative act, including but not limited to planning commissions, library or park boards, and other boards, commissions and agencies.

(2) "Governing body" means the multimember board, commission, committee, council or other policy or rule-making body of a public agency.

(3) "Action" means the transaction of the official business of a public agency by a governing body including but not limited to a collective decision made by a majority of the members of a governing body, a collective commitment or promise by a majority of the members of a governing body to make a positive or negative decision, or an actual vote by a majority of the members of a governing body when sitting as a body or entity, upon a motion, proposal, resolution, order, or ordinance.

(4) "Meeting" means meetings at which action is taken."

Renumber remaining sections consecutively and change internal references accordingly

Debate ensued.

The motion by Senator McDermott carried and the amendment to the amendment was adopted.

On motion of Senator Marsh, the following amendment to the amendment by Senator Bottiger and others was adopted:

On page 1, lines 26-27, after "necessary" strike "or convenient"

On motion of Senator Odegaard, the following amendments to the amendment by Senator Bottiger and others were adopted:

On page 1 of the striking amendment on line 35, after "requirements" insert " PROVIDED, That only conviction information may be released pursuant to this subsection"

On page 2 of the striking amendment, on line 16, after "sworn" insert ", such swearing in to be performed by the sheriff of the appropriate county, but such persons shall not be deemed to be deputy sheriffs,"

On page 2 of the striking amendment, on line 21, after "state" insert "upon any operating agency-owned or operated properties or operations"

Senator Quigg moved adoption of the following amendment to the amendment by Senator Bottiger and others:

On page 2, line 29 after "Sec. 3" strike all material up to and including "lands." on line 35

Debate ensued.

The motion by Senator Quigg carried and the amendment to the amendment was adopted on a rising vote.

Senator Quigg moved adoption of the following amendment to the amendment by Senator Bottiger and others:

On page 3, line 16 after "situated", strike "may" and insert "shall"

POINT OF INQUIRY

Senator Lysen: "Senator Quigg, if your amendment passes and the county commissioners do not take action, what is the effect?"

Senator Quigg: "I am not sure if there is a penalty provision in this section of the law or not, but I imagine that the county that has been crying for as long as WPPSS has been there for involvement and inclusion into the goings on up on, . . . let us say in our case Fuller Hill, I am sure it is probably not quite the problem over in the Tri-Cities area, that you are going to find that they will be much more interested in acting if WPPSS is coming to them with these . . ."

Senator Lysen: "But they are free to reject or accept?"

Senator Quigg: "Or repeal."

Senator Lysen: "Or repeal or amend?"

Senator Quigg: "Or amend. That is true, so at least it makes it more difficult for them to forget."

Senator Lysen: "All this is it requires that they take some type of action one way or the other?"

Senator Quigg: "That they take action one way or the other, not just shelve the rules and regulations. It requires them to act."

The motion by Senator Quigg carried and the amendment to the amendment was adopted.

On motion of Senator Bottiger, the following amendment to the amendment by Senator Bottiger and others was adopted:

On page 3, line 23, after "a" insert "traffic infraction or"

The motion by Senator Bottiger carried and the amendment, as amended, was adopted.

In the title, page 1, strike all of the line 1 and insert "AN ACT Relating to operating agencies; amending section 2, chapter 250, Laws of 1971 ex. sess. and RCW 42.30.020; and"

On motion of Senator Bottiger, the following amendment to the title was adopted:

On page 1, on line 1 of the title, strike "and" and on line 2, after "43.52 RCW" insert "; and prescribing penalties"

MOTIONS

On motion of Senator Jones, Senator Lewis was excused.

On motion of Senator Wilson, Senator Shinpoch was excused.

On motion of Senator Bottiger, the rules were suspended, Engrossed Senate Bill No. 2584 was advanced to third reading, the second reading considered the third, and the bill was placed on final passage.

POINT OF INQUIRY

Senator Wilson: "Senator Bottiger, with some of these amendments it is possible that counties are going to be publishing—a fairly extensive set of ordinances will have to be published. My question is, even though the bill is silent on the topic, whether it is your feeling that the county or WPPSS should be paying for the cost of these publications?"

Senator Bottiger: "Senator Wilson, the tax impact of the location of the nuclear power plant in a county, in Grays Harbor County, will over double their income, so I think they can afford it."

POINT OF INQUIRY

Senator North: "Senator Bottiger, for the record I would like to ask you a couple of questions about two sensitive areas of this bill. First of all, section 1, subsection (2), grants authority to the operating agency to request information on existing and prospective employees. What limitations are attached to this authority?"

Senator Bottiger: "Senator North, the information on individuals is subject to all the confidential conditions of the Washington State Criminal Records Privacy Act, which is in RCW 10.97. Second, the information must be necessary solely to job related employee screening requirements. Third, there is no exemption granted for any state or federal civil rights laws, and fourth, Senator Odegaard's amendment provides for only conviction information."

Senator North: "Secondly, does this bill grant these security forces the powers of arrest anywhere in the state?"

Senator Bottiger: "Senator North, this bill does not include the previous subsection which would have granted that authority. Section 2, subsection (2) limits the authority to lands occupied by the operating agency. As a matter of law, the security forces are only allowed to arrest offenders beyond these lands if they are in hot pursuit and have personal knowledge of the commission of a crime."

POINT OF INQUIRY

Senator Williams: "On page 3 of the amendment now, or the bill, it says, 'Upon receiving the request, the legislative authority of the county in which the lands are situated shall adopt, amend, or repeal the regulations as part of the ordinances in the same manner as other county ordinances.' My question, I have two questions in relation to this. One is, since there is no penalty, if the county authority does not act, what is the status of the request for the adoption of the resolution? In other words, is the resolution in effect as an ordinance or is it not?"

Senator Bottiger: "Senator Williams, I do not believe the ordinance would have any effect. You would probably entitle the operating agency to bring a mandamus action against the county compelling them to act, but we have many statutes saying that a unit of government shall do something, and if they do not get around to it, short of mandamus action, nothing happens. I do not think they would have any effect."

Senator Williams: "The other question I have, once having adopted the resolution as an ordinance, would the county authority have the right on its own to go back and review and repeal it, since the language of the bill now says, 'Upon receiving the request,' the county authorities may act. I am concerned that the county authorities should have the power at some later date on its own to choose to repeal an ordinance that it has in fact granted."

Senator Bottiger: "Senator Williams, I am going to be a little hesitant in answering that question. It would be my intent that this act not prohibit a county from exercising its inherent powers to repeal any ordinance. The language of the statute sets up the procedure for the initial consideration of the request from the operating agency, but I think the county inherently has the authority to repeal an ordinance that it has passed without anybody else's request."

Senator Williams: "That would be my hope. If it were in any other way, if this should prohibit a county then to repeal something that it had granted, I would be very uncomfortable with that."

Senator Bottiger: "I would too, and that is not the intent."

POINT OF INQUIRY

Senator Odegaard: "Mr. President, on page 1 of the Bottiger amendment it says, 'The operating agency may supply appropriate badges and uniforms indicating

the positions and authority of the members of the security force and perform any other acts which may be necessary or convenient,' well, we struck 'or convenient', 'which may be necessary to accomplish the purposes stated in this section.' It seems like rather broad language and I just wondered if Senator Bottiger might want to explain what he has in mind there, if he would yield to that question."

Senator Bottiger: "Senator Odegaard, every statute must be read in full and no single sentence selected for special meaning. That sentence occurs at the end of Section 1, subsection (1) which refers to the selection, hiring, training of law enforcement officers, security forces, so the language is limited, referring back to those acts which are necessary for the previously discussed authority of the operating agency. I do not believe that they would have—would be interpreted by any court to grant them any other authority than is limited to the subject matter in lines 8 through 25."

MOTIONS

On motion of Senator Walgren, the Senate advanced to the sixth order of business.

On motion of Senator Walgren, the Senate commenced consideration of House Bill No. 668.

SECOND READING

HOUSE BILL NO. 668, by Representatives Lux, Scott and Erak (by Employment Security Department request):

Modifying restrictions on governmental access to records of the employment security department.

The bill was read the second time by sections.

Senator Pullen moved adoption of the following amendment:

On page 3, after line 17, insert the following:

"NEW SECTION. Sec. 2. There is added to chapter 49.44 RCW a new section to read as follows:

(1) A provision in an employment agreement which provides that an employee shall assign or offer to assign any of the employee's rights in an invention to the employer does not apply to an invention for which no equipment, supplies, facilities, or trade secret information of the employer was used and which was developed entirely on the employee's own time, unless (a) the invention relates (i) directly to the business of the employer, or (ii) to the employer's actual or demonstrably anticipated research or development, or (b) the invention results from any work performed by the employee for the employer. Any provision which purports to apply to such an invention is to that extent against the public policy of this state and is to that extent void and unenforceable.

(2) An employer shall not require a provision made void and unenforceable by subsection (1) of this section as a condition of employment or continuing employment.

(3) If an employment agreement entered into after the effective date of this act contains a provision requiring the employee to assign any of the employee's rights in any invention to the employer, the employer must also, at the time the agreement is made, provide a written notification to the employee that the agreement does not apply to an invention for which no equipment, supplies, facility, or trade secret information of the employer was used and which was developed entirely on the employee's own time, unless (a) the invention related (i) directly to the business of the employer, or (ii) to the employer's actual or demonstrably anticipated research or development, or (b) the invention results from any work performed by the employee for the employer.

NEW SECTION. Sec. 3. There is added to chapter 49.44 RCW a new section to read as follows:

Even though the employee meets the burden of proving the conditions specified in section 2 of this act, the employee shall, at the time of employment or thereafter, disclose all inventions being developed by the employee, for the purpose of determining employer or employee rights. The employer or the employee may disclose such inventions to the Department of Employment Security, and the department shall maintain a record of such disclosures for a minimum period of five years."

POINT OF INQUIRY

Senator Morrison: "Senator Pullen, you say this is substantially the same as the 2420 which this body has passed and, as I recall in labor committee, the wording was very carefully worked out between the companies involved and the inventors. Could you point out what differences actually do exist between this and the measure we have already passed?"

Senator Pullen: "Yes, I appreciate the question. It is exactly the same as far as the substantive part is concerned. The only minor difference is, I have said that the employee can disclose the invention to the department of employment security. That is for his protection so there is an alternate record of the fact that he has disclosed such an invention."

The motion by Senator Pullen carried and the amendment was adopted.

On motion of Senator Pullen, the following amendment to the title was adopted:

On page 1, line 3 of the title, after "50.13.060" strike the period and insert:

"; and adding new sections to chapter 49.44 RCW."

On motion of Senator Marsh, the rules were suspended, House Bill No. 668, as amended by the Senate was advanced to third reading, the second reading considered the third, and the bill was placed on final passage.

ROLL CALL

The Secretary called the roll on the final passage of House Bill No. 668, as amended by the Senate, and the bill passed the Senate by the following vote: Yeas, 41; absent or not voting, 1; excused, 7.

SECOND READING

ENGROSSED SUBSTITUTE HOUSE BILL NO. 446, by Committee on Ecology (originally sponsored by Representatives Thompson, Barr and Chandler):
Conditioning certain water permits.

REPORT OF STANDING COMMITTEE

April 6, 1979.

ENGROSSED SUBSTITUTE HOUSE BILL NO. 446, conditioning certain water permits (reported by Committee on Agriculture):

MAJORITY recommendation: Do pass with the following amendment:

On page 1, strike everything after the enacting clause and insert the following:

"NEW SECTION. Section 1. There is added to chapter 90.03 RCW a new section to read as follows:

Whenever an application for a permit to make beneficial use of public waters is approved relating to a stream or other water body for which minimum flows or levels have been adopted and are in effect at the time of approval, the permit shall be conditioned to protect the levels or flows. No agency may establish minimum flows and levels or similar water flow or level restrictions for any stream or lake of the state other than the department of ecology whose authority to establish is exclusive, as provided in chapter 90.03 RCW and RCW 90.22.010 and 90.54.040. The provisions of other statutes, including but not limited to RCW 75.20.100 and chapter 43.21C RCW, may not be interpreted in a manner that is inconsistent with this section. In establishing such minimum flows, levels, or similar restrictions, the department shall consult with, and carefully consider the recommendations of, the department of fisheries, the state game commission, the state energy office, the department of agriculture, and representatives of the affected Indian tribes. Nothing herein shall preclude the department of fisheries, the game commission, the energy office, or the department of agriculture from presenting its views on minimum flow needs at any public hearing or to any person or agency, and the department of fisheries, the game commission, the energy office, and the department of agriculture are each empowered to participate in proceedings of the federal energy regulatory commission and other

agencies to present its views on minimum flow needs. The department of ecology shall file with the speaker of the house of representatives and the president of the senate on the first day of each regular session of the legislature a report as to the implementation of its minimum flow setting program."

Signed by: Senators Hansen, Chairman; Benitz, Day, Wanamaker.

The bill was read the second time by sections.

Senator Hansen moved adoption of the committee amendment.

POINT OF INQUIRY

Senator Hansen: "What we have done here is setting minimum flows in all the drainage and rivers in the state. We are allowing the department of ecology as the lead agency, along with the energy, the game department and the fisheries to have their input into setting this minimum flow. I believe Senator Peterson has another amendment that is to be adopted here that would allow the other agencies to sit around the table with the department of ecology from the original start of setting minimum flows. I do not see the amendment passed out yet, but I will let Senator Peterson talk to that."

Senator Peterson: "Senator Hansen, I did not introduce the amendment. I thought we could perhaps clear it up on the floor. My concern, as you well know, is the amount of input that the department of game and the department of fisheries would have other than just being able to sit in and recommend. My proposed amendment would clarify the issue so the game department, the department of fisheries, sit in with the director of ecology and, well, that is fine, fellows, but we are going to do it our way, and what I want to clarify on the floor at least and get it in the record is to whether or not this is going to be a total empire or whether the departments are, in fact, going to have some input into the establishment of minimum flows."

Senator Hansen: "The way we drafted the amendment, we scalped the House version and thought that we did exactly what you are asking, that the fisheries, the game department, the agricultural society and the energy all have their input into setting the minimum flows, but the department of ecology is already designated as the lead agency for setting these minimum flows. The amendment that we talked about that I thought you were going to enter would say merely that the minimum flows would be set, the negotiation would give them the right any time the department of ecology started to set the minimum flows on the system, that they would have their input from the first. And I agree that that is the way it should be and I think with the journal, I am sure that that will be carried out, but the department of ecology is the one that ultimately has to make the minimum flow decision."

Senator Peterson: "I have no quarrel with that. I will get back to the point of my question though. Is the department of game and the department of fisheries going to have an equal opportunity in the department of ecology's decision on minimum flow?"

Senator Hansen: "As I understand, if you are asking me if the department of game and the department of fisheries are going to be the ones that ultimately set minimum flows, I have to answer no. I think though that the department of agriculture and the energy is as important as the fisheries and the game, that all five sit around the table that sets the criteria for setting this minimum flow, so they all have their input, and ultimately then it is the department of ecology that has to come up with some determination of the minimum flow."

Senator Peterson: "I totally agree with that, Senator, and borrowing your words, would you object to an amendment that would set up a committee comprised of agriculture, energy, fisheries and game to work with the department of ecology and then letting them have the final—I am not objecting to the scope of the bill but I want to make sure that the other four agencies have an input that is meaningful."

Senator Hansen: "Yes, that is the intent of exactly what we are doing with this bill; 446 gives the department of fisheries, the department of game, the department of agriculture and the energy people to all sit around the table and have all of their input all the way through the setting of the minimum flows in the designated systems that they are setting minimum flows on."

Senator Peterson: "That is not exactly spelled out in the language the way it is written right now though, is it?"

Senator Hansen: "That is the way it is with the language that we have in the bill. Your amendment would specify that when they start to set the minimum flow, that they all are at the table from the first to the end. The way it is possibly and the way the bill is right now would give—the ecology could unknowingly to the other departments be working on a system of setting minimum flows before the others woke up that they were even working on that, but I think with the discussion we have on the floor that the department of ecology, when they start setting the minimum flows, notify all the other interested people that what we are trying to achieve would be done. They would have their input all the way through setting of the minimum flow."

Senator Peterson: "I am just slightly concerned as to whether or not I should go ahead and put that amendment in, Senator. Would you object to . . ."

Senator Hansen: "If you put the amendment in, I would concur with your amendment because this is the intention that we had when we drafted the bill—drafted the amendment originally."

Senator Peterson: "We have discussed this but I am not sure that maybe we should not do it now and then the legislative intent will be clearly established. If that is agreeable I will . . ."

Senator Hansen: "In other words, you would like to bypass it then until you get your amendment in?"

Senator Peterson: "Yes, just a couple of bills or whatever it takes to get it drafted."

MOTIONS

On motion of Senator Peterson, Engrossed Substitute House Bill No. 446, together with the pending committee amendment, was ordered placed on today's second reading calendar following consideration of House Bill No. 845.

On motion of Senator Jones, Senator Quigg was excused.

On motion of Senator Walgren, the Senate commenced consideration of Engrossed House Bill No. 622.

SECOND READING

ENGROSSED HOUSE BILL NO. 622, by Representatives Martinis, Wilson, Bender, Nelson (G.A.), Garrett, Van Dyken, Charnley, Chandler, Gruger, McDonald, Knowles, Sherman, Polk, King, May, Struthers, Tupper, Gallagher, Sommers, Isaacson and Lux:

Removing expiration date from motor vehicle excise tax distribution statute.

REPORT OF STANDING COMMITTEE

March 26, 1979.

ENGROSSED HOUSE BILL NO. 622, removing expiration date from motor vehicle excise tax distribution statute (reported by Committee on Ways and Means): MAJORITY recommendation: Do pass with the following amendments:

On page 1, strike everything after the enacting clause and insert the following:

"Section 1. Section 7, chapter 270, Laws of 1975 1st ex. sess. and RCW 35.58-.2721 are each amended to read as follows:

In addition to any other authority now provided by law, and subject only to constitutional limitations, the governing body of any municipality shall be authorized to acquire, construct, operate, and maintain a public transportation system and additions and betterments thereto, and to issue general obligation bonds for public mass transportation capital purposes including but not limited to replacement of equipment: PROVIDED, That the general indebtedness incurred under this section when considered together with all the other outstanding general indebtedness of the municipality shall not exceed the amounts of indebtedness authorized by chapter 39.36 RCW and chapter 35.58 RCW, as now or hereafter amended, to be incurred without and with the assent of the voters.

Upon July 1, 1975 any such municipality is authorized to pledge that the taxes authorized, levied and collected to pay or secure the payment of any bonds issued after July 1, 1975 for authorized public transportation purposes shall continue to be levied, collected and applied until such bonds shall have been paid or sufficient funds for such payment shall have been duly provided and irrevocably set aside by the issuer for such payment. If any of the revenue from any tax or surcharge authorized by this or any other chapter shall have been pledged to secure the payment of any bonds as herein authorized, then as long as that pledge shall be in effect the legislature shall not withdraw the authority to levy and collect the tax. Any municipality is authorized to pledge for the payment or security of the principal of and interest on any bonds issued for authorized public transportation purposes all or any portion of any taxes authorized to be levied by the issuer, including, but not limited to, the local sales and use tax authorized pursuant to RCW 82.14.045 (~~and section 6 of this 1975 amendatory act~~), as now or hereafter amended(~~(, and)~~). The preceding sentence notwithstanding, not more than ten percent of the motor vehicle excise taxes levied and collected pursuant to RCW 35.58.273(~~(-PROVIDED, That such ten percent limitation shall not apply to any bonds outstanding on)~~) may be pledged for the payment or security of the principal of and interest on any bonds issued for authorized public transportation purposes after July 1, 1975 but before the effective date of sections 1 through 3 of this 1979 act, and no motor vehicle excise taxes may be pledged for bonds issued on or after the effective date of sections 1 through 3 of this 1979 act.

Sec. 2. Section 8, chapter 255, Laws of 1969 ex. sess. and RCW 35.58.273 are each amended to read as follows:

On or after July 1, 1971, any municipality is authorized to levy and collect a special excise tax not exceeding one percent on the fair market value of every motor vehicle owned by a resident of such municipality for the privilege of using such motor vehicle provided that in no event shall the tax be less than one dollar and, subject to (~~the provisions of subsection (2) of~~) RCW 82.44.150(5) and (6), the amount of such tax shall be credited against the amount of the excise tax levied by the state under RCW 82.44.020: PROVIDED, That before utilization of any excise tax moneys collected under authorization of this section for acquisition of right of way or construction of a mass transit facility on a separate right of way the municipality shall adopt rules affording the public an opportunity for "corridor public hearings" and "design public hearings" as herein defined, which rule shall provide in detail the procedures necessary for public participation in the following instances: (a) prior to adoption of location and design plans having a substantial social, economic or environmental effect upon the locality upon which they are to be constructed or (b) on such mass rapid transit systems operating on a separate right of way whenever a substantial change is proposed relating to location or design in the adopted plan. In adopting rules the municipality shall adhere to the provisions of the Administrative Procedure Act.

A "corridor public hearing" is a public hearing that: (a) is held before the municipality is committed to a specific mass transit route proposal, and before a

route location is established; (b) is held to afford an opportunity for participation by those interested in the determination of the need for, and the location of, the mass rapid transit system; (c) provides a public forum that affords a full opportunity for presenting views on the mass rapid transit system route location, and the social, economic and environmental effects on that location and alternate locations: PROVIDED, That such hearing shall not be deemed to be necessary before adoption of an overall mass rapid transit system plan by a vote of the electorate of the municipality.

A "design public hearing" is a public hearing that: (a) is held after the location is established but before the design is adopted; and (b) is held to afford an opportunity for participation by those interested in the determination of major design features of the mass rapid transit system; and (c) provides a public forum to afford a full opportunity for presenting views on the mass rapid transit system design, and the social, economic, environmental effects of that design and alternate designs.

Sec. 3. Section 14, chapter 255, Laws of 1969 ex. sess. and RCW 35.58.279 are each amended to read as follows:

All taxes levied and collected under RCW 35.58.273 shall be credited to a special fund in the treasury of the municipality imposing such tax. Such taxes shall be levied and used solely for the purpose of paying all or any part of the cost of acquiring, constructing, equipping or operating a publicly owned mass transportation system, or contracting for the services thereof, or to pay or secure the payment of all or part of the principal of or interest on any general obligation bonds or revenue bonds issued for public transportation capital purposes and until withdrawn for use, the moneys accumulated in such fund or funds may be invested by the treasurer of such municipality in the manner authorized by the legislative body of the municipality.

If any of the revenue from any such special excise tax shall have been pledged by any municipality to secure the payment of any bonds as herein authorized, then as long as that pledge shall be in effect the legislature shall not withdraw from the municipality the authority to levy and collect the tax. (~~Upon the effective date of this 1969 act~~) After August 11, 1969, any municipality is authorized to pledge that the tax authorized by RCW 35.58.273 shall be levied, collected and applied as provided (~~in this 1969 act~~) by law to pay or secure the payment of any bonds issued by such municipality after such (~~effective~~) date but before the effective date of sections 1 through 3 of this 1979 act for authorized public transportation purposes.

Sec. 4. Section 1, chapter 87, Laws of 1972 ex. sess. as amended by section 5, chapter 54, Laws of 1974 ex. sess. and RCW 82.44.150 are each amended to read as follows:

(1) The director of (~~motor vehicles~~) licensing shall on the twenty-fifth day of February, May, August and November of each year, commencing with November, 1971, advise the state treasurer of the total amount of motor vehicle excise taxes remitted to the department of (~~motor vehicles~~) licensing during the preceding calendar quarter ending on the last day of March, June, September and December, respectively, except for those payable under RCW 82.44.030 and 82.44.070, from motor vehicle owners residing within each municipality which has levied a tax under RCW 35.58.273, which amount of excise taxes shall be determined by the director as follows:

The total amount of motor vehicle excise taxes remitted to the department, except those payable under RCW 82.44.030 and 82.44.070, from each county shall be multiplied by a fraction, the numerator of which is the population of the municipality residing in such county, and the denominator of which is the total population of the county in which such municipality or portion thereof is located. The product of this computation shall be the amount of excise taxes from motor vehicle owners residing within such municipality or portion thereof. Where the municipality levying

a tax under RCW 35.58.273 is located in more than one county, the above computation shall be made by county, and the combined products shall provide the total amount of motor vehicle excise taxes from motor vehicle owners residing in the municipality as a whole. Population figures required for these computations shall be supplied to the director by the office of ~~((program planning and fiscal))~~ financial management, who shall adjust the fraction annually.

(2) On the first day of the months of January, April, July, and October of each year, the state treasurer based upon information provided by the department of ~~((motor vehicles))~~ licensing shall make the following apportionment and distribution of motor vehicle excise taxes deposited in the general fund. A sum equal to seventeen percent thereof shall be paid to cities and towns in the proportions and for the purposes hereinafter set forth; a sum equal to seventy percent of all motor vehicle excise tax receipts shall be allocable to the state school equalization fund and credited and transferred each year in the following order of priority:

(a) The amount required and certified by the state finance committee each year as being necessary for payment of principal of and interest on bonds authorized by chapter 26, Laws of 1963 extraordinary session in the ensuing twelve months and any additional amounts required by the covenants of such bonds shall be transferred from the state school equalization fund to the 1963 public school building bond retirement fund.

(b) Any remaining amounts in the state school equalization fund from the motor vehicle excise taxes not required for debt service on the above bond issues shall be transferred and credited to the general fund.

(3) The amount payable to cities and towns shall be apportioned among the several cities and towns within the state ratably, on the basis of the population as last determined by the board.

(4) When so apportioned, the amount payable to each such city and town shall be transmitted to the city treasurer thereof, and shall be utilized by such city or town for the purposes of police and fire protection and the preservation of the public health therein, and not otherwise. In case it be adjudged that revenue derived from the excise tax imposed by this chapter cannot lawfully be apportioned or distributed to cities or towns, all moneys directed by this section to be apportioned and distributed to cities and towns shall be credited and transferred to the state general fund.

(5) ~~((The amount required to remit to a municipality the proceeds of the tax authorized under RCW 35.58.273 shall be remitted to the municipality levying such tax. The amount required to be remitted by the state treasurer to the treasurer of any municipality levying such tax shall not exceed in any one calendar year the amount of locally generated tax revenues other than the excise tax imposed under RCW 35.58.273, which shall have been budgeted by such municipality to be collected in such year for any public transportation purposes including but not limited to operating costs, capital costs and debt service on general obligation or revenue bonds issued for such purposes.~~

This section shall expire on June 30, 1981.)) On the first day of the months of January, April, July, and October of each year, the state treasurer, based upon information provided by the department of licensing, shall remit motor vehicle excise tax revenues imposed and collected under RCW 35.58.273 as follows:

(a) The amount required to be remitted by the state treasurer to the treasurer of any municipality levying the tax shall not exceed in any calendar year the amount of locally-generated tax revenues, excluding the excise tax imposed under RCW 35.58.273 for the purposes of this section, which shall have been budgeted by the municipality to be collected in such calendar year for any public transportation purposes including but not limited to operating costs, capital costs, and debt service on general obligation or revenue bonds issued for these purposes; and

(b) In no event may the amount remitted in a single calendar quarter exceed the amount collected on behalf of the municipality under RCW 35.58.273 during the calendar quarter next preceding the immediately preceding quarter.

(6) At the close of each calendar year accounting period, but not later than April 1, each municipality that has received motor vehicle excise taxes under subsection (5) of this section shall transmit to the director of licensing and the state auditor a written report showing by source the previous year's budgeted tax revenues for public transportation purposes as compared to actual collections. Any municipality that has not submitted the report by April 1 shall cease to be eligible to receive motor vehicle excise taxes under subsection (5) of this section until the report is received by the director of licensing. If a municipality has received more or less money under subsection (5) of this section for the period covered by the report than it is entitled to receive by reason of its locally-generated collected tax revenues, the director of licensing shall, during the next ensuing quarter that the municipality is eligible to receive motor vehicle excise tax funds, increase or decrease the amount to be remitted in an amount equal to the difference between the locally-generated budgeted tax revenues and the locally-generated collected tax revenues. In no event may the amount remitted for a calendar year exceed the amount collected on behalf of the municipality under RCW 35.58.273 during that same calendar year. At the time of the next fiscal audit of each municipality, the state auditor shall verify the accuracy of the report submitted and notify the director of licensing of any discrepancies.

(7) The motor vehicle excise taxes imposed under RCW 35.58.273 and required to be remitted under this section shall be remitted without legislative appropriation.

(8) Any municipality levying and collecting a tax under RCW 35.58.273 which does not have an operating, public transit system or a contract for public transportation services in effect within one year from the initial effective date of the tax shall return to the state treasurer all motor vehicle excise taxes received under subsection (5) of this section.

NEW SECTION. Sec. 5. Sections 1 through 3 of this act are necessary for the immediate preservation of the public peace, health, and safety, the support of the state government and its existing public institutions, and shall take effect immediately.

NEW SECTION. Sec. 6. Section 4 of this act shall take effect on January 1, 1980."

On page 1, on line 1 of the title, after "taxes;" strike the remainder of the title and insert "amending section 7, chapter 270, Laws of 1975 1st ex. sess. and RCW 35.58.2721; amending section 8, chapter 255, Laws of 1969 ex. sess. and RCW 35.58.273; amending section 14, chapter 255, Laws of 1969 ex. sess. and RCW 35.58.279; amending section 1, chapter 87, Laws of 1972 ex. sess. as amended by section 5, chapter 54, Laws of 1974 ex. sess. and RCW 82.44.150; providing an effective date; and declaring an emergency."

The bill was read the second time by sections.

On motion of Senator Shinpoch, the committee amendment was adopted.

On motion of Senator Shinpoch, the committee amendment to the title was adopted.

On motion of Senator Shinpoch, the rules were suspended, Engrossed House Bill No. 622, as amended by the Senate, was advanced to third reading, the second reading considered the third, and the bill was placed on final passage.

POINT OF INQUIRY

Senator Guess: "Senator Shinpoch, as I read the amendment, after the date of this act, that the local entities will not be able to pledge the motor vehicle tax in support of a bond issue. Does this in any way affect those bonds that are outstanding?"

Senator Shinpoch: "No, Senator Guess, it does not. In fact, as you may be aware, there is only one bond outstanding. There has only been one bond sold since 1969 and there is only one bond outstanding."

Senator Guess: "Thank you, Senator. I just wanted this in the record to make sure that the legislative intent was available."

POINT OF INQUIRY

Senator Bottiger: "Senator Shinpoch, one of the efforts that we made in the transportation committee and in the energy committee was to stimulate the use of public transit as a means of averting energy shortages, and in agreeing to support the committee amendment there were certain commitments that I feel were made that the ways and means committee would study this issue, would come up by the next session with a recommendation as to how we could best assist local units of government in the transportation business to obtain the least possible expensive bonding capability so that they would continue to build and improve local transit systems. Can you assure me that that commitment in fact was made and that the study will be conducted?"

Senator Shinpoch: "Senator Bottiger, I can assure you that the commitment was made and I have the assurance of the chairman of the ways and means committee that he will establish such a group in order to study it and we have committed to bring back to the ways and means committee and the legislature probably a set of alternatives which might very well be to go back to where we are now, but in any event which would be designed so that we can get the lowest interest rate possible in the funding of transit systems."

ROLL CALL

The Secretary called the roll on the final passage of Engrossed House Bill No. 622, as amended by the Senate, and the bill passed the Senate by the following vote: Yeas, 43; nays, 2; excused, 4.

After the enacting clause strike the remainder of the bill and insert the following:

"**NEW SECTION.** Section 1. The legislature recognizes that the transportation of common school students is an integral part of the constitutional mandate to "...make ample provision for the education of all children residing within its borders...". The legislature therefore declares that legislative intent in sections 1 through 15 of this amendatory act is to provide each local school district with sufficient funds to provide eligible students with a basic transportation program, by the 1980-81 school year, as such basic education program is defined in sections 1 through 15 of this amendatory act. Furthermore, the operation and maintenance of each local school district's student transportation program is declared to be the responsibility of the respective board of directors, and each board of directors shall determine such matters as which individual students shall be transported and what routes shall be most efficiently utilized. State moneys allocated to local districts for student transportation shall be spent only for student transportation activities, but

need not be spent by the local district in the same manner as calculated and allocated by the state.

In implementing student transportation programs, local districts should utilize to the best of their ability any operational criteria contained in sections 1 through 15 of this amendatory act. While the legislature realizes the importance to an educational program of student transportation activities other than those to and from school, it is not the responsibility of the state to fully reimburse local school districts for such costs: PROVIDED, That the legislature may appropriate additional funds for such other activities, or for pilot transportation programs to individual school districts.

NEW SECTION. Sec. 2. Except where the context shall clearly indicate otherwise, the following terms shall have the following meanings for the purpose of determining the state calculation of the student transportation allocation pursuant to sections 1 through 15 of this amendatory act: PROVIDED, That such definitions should not be construed as mandated operational criteria which local districts must implement in operation of their student transportation programs.

(1) "Eligible student" means any student, as defined in RCW 28A.41.140, residing more than one mile from his or her appropriate school of attendance. Any handicapped student as defined in chapter 28A.13 RCW and as determined by the district to require special transportation services for health and safety reasons shall be considered an eligible student. Furthermore, students whose appropriate school of attendance is in a district other than their resident district, as determined in subsection (7) of this section, shall be considered an eligible student in the resident district.

(2) "Basic student transportation" means the transporting of an eligible student from his or her appropriate route stop to his or her appropriate school of attendance at the beginning of that student's school day, as defined in RCW 28A.58.754, and from his or her appropriate school of attendance to his or her appropriate route stop at the end of that school day in a transportation vehicle. Transportation activities beyond the end of the school day as defined in RCW 28A.58.754 for the purposes of activities held after the end of the normal school day shall not be considered basic student transportation.

(3) "Student transportation allocation" means those funds appropriated by the legislature and allocated by the superintendent to individual districts for use in providing student transportation for basic education as defined in RCW 28A.58.754. Such allocation shall be comprised of (a) the approved basic student transportation allocation, (b) the vehicle acquisition allocation as defined in subsection (6) of this section; and (c) the supplemental student transportation allocation.

(4) "Basic student transportation allocation" means those funds appropriated by the legislature pursuant to the provisions of sections 1 through 15 of this amendatory act, as now or hereafter amended, to fulfill the obligations of RCW 28A.41.160 for operational costs.

(5) "Supplemental student transportation allocation" means those funds appropriated by the legislature pursuant to the provisions of sections 1 through 15 of this amendatory act, as now or hereafter amended, for district transportation activities other than basic student transportation. Such other activities shall include but not be limited to extended runs, intradistrict and interdistrict transportation of students for less than the full day's program hour offering as defined in RCW 28A.58.754, health and safety transportation, and extracurricular transportation.

(6) "Vehicle acquisition allocation" means those funds appropriated by the legislature pursuant to the provisions of sections 1 through 15 of this amendatory act, as now or hereafter amended, to fulfill the obligations of RCW 28A.41.160 for the cost of acquisition of approved transportation equipment.

(7) "Appropriate school of attendance" means the school attended by a student for the major portion of that student's school day as defined in RCW 28A.58.754. If

for reasons enumerated herein the appropriate school of attendance is not the school nearest the student's residence which offers that child's grade level program hour offering, the district shall petition the superintendent for waiver of the appropriate school of attendance. The superintendent shall grant such waiver only if one or more of the following conditions prevails in the appropriate school of attendance: (a) Unsafe physical plant; (b) overcrowding conditions; (c) inability to adequately meet the provisions of chapter 28A.13 RCW; and (d) participation in a school district's transportation program to reduce racial imbalance except as limited by any application of the provisions of chapter 4, Laws of 1979 (Initiative Measure No. 350).

(8) "Road mile" means any vehicular mile on an approved and maintained county, federal reservation, city, town or state road or street.

(9) "Superintendent" means the superintendent of public instruction.

(10) "District" means a local school district.

(11) "Nonpassenger miles" means road miles necessary for the following purposes when no student is being transported in a vehicle: (a) Inspection of vehicles by the state patrol; (b) mileage incurred as a result of major maintenance repairs; (c) mandated bus driver training; and (d) mileage between a school, bus garage or storage facility and the first student route stop and the mileage between the last student route stop and the school, bus garage or storage facility.

(12) "Standard student seat cost" means the cost per mile of transporting eligible students as defined in subsection (1) of this section. The standard student seat cost may be calculated on the basis of a state-wide rate for all districts or may consist of no more than five differential rates, as determined by the superintendent, and shall include but not be limited to, the costs of insurance, district or contracted employee salaries and benefits, maintenance, fuel, and supplies and materials.

NEW SECTION. Sec. 3. Each district's annual basic student transportation allocation shall be determined by the superintendent in the following manner:

(1) Each district shall submit to the superintendent by June 1st of each year a report containing the following: (a) The number of eligible students in the district; (b) the location of each school in the district; (c) the route stops, grade level, and appropriate school of attendance for every eligible student anticipated for the following school year; (d) district maps indicating all road miles and/or radius miles traveled by eligible students; and (e) the number of road and/or radius miles necessary to transport all eligible students to and from the appropriate school of attendance as calculated by the local district: **PROVIDED**, That if road miles are to be used as the basis of the allocation process, each district shall utilize the most efficient combination of routes, road miles and nonpassenger miles.

(2) The superintendent shall approve the annual report received from each district on the basis of the most efficient combination of routes, road miles or radius miles, and nonpassenger miles.

(3) The superintendent shall annually calculate the standard student seat cost per mile for each district as defined in section 2(12) of this amendatory act: **PROVIDED**, That prior to June 1st of each year the superintendent shall submit to the office of financial management, the senate ways and means committee, and the house appropriations committee, a report outlining the methodology and rationale used in determining the standard student seat cost per mile to be used by districts the following school year. The superintendent shall then determine the preliminary, estimated basic student transportation allocation for each district based on the following: (a) The number of eligible students, which for purposes of calculating each district allocation, shall be equal to one student seat utilized; (b) the number of road miles and/or radius miles necessary to transport eligible students to and from the appropriate schools of attendance; (c) the standard student seat cost per mile; and (d) the statutory number of days in the school year.

(4) The superintendent shall notify districts of their estimated basic student transportation allocation for the following school year by August 1st of the school year. By October 15th of the following school year every district shall have notified the superintendent of any changes in the data utilized in calculating the preliminary basic student transportation allocation as defined in section 2(4) of this amendatory act. The superintendent shall make necessary corrections and shall notify districts of their final basic student transportation allocation before December 1st of each school year.

NEW SECTION. Sec. 4. Each district's annual supplemental student transportation allocation shall be determined in the following manner:

(1) The basic student transportation allocation shall be determined according to the provisions of section 3 of this amendatory act;

(2) In addition to the basic student transportation allocation, the district shall receive up to twenty percent of its basic student transportation allocation for other, supplemental, student transportation activities: **PROVIDED**, That no such moneys shall be allocated by the superintendent for such supplemental transportation from funds otherwise to be allocated to provide basic student transportation. After determining the supplemental student transportation allocation, the superintendent shall follow the procedures outlined in section 3 of this amendatory act in notifying the districts of their annual supplemental student allocation.

NEW SECTION. Sec. 5. The superintendent shall determine the vehicle acquisition allocation in the following manner:

(1) By June 1st of each year, the superintendent shall develop preliminary categories of student transportation vehicles to ensure adequate student transportation fleets for districts. The categories shall include, but not be limited to, variables such as vehicle capacity, type of chassis, type of fuel, engine and body type, special equipment and life of vehicle. Such categories shall be developed in conjunction with the local districts and shall be applicable to the following school year. The categories shall be designed to produce minimum long range operating costs, including costs of equipment and all costs incurred in operating it. Each category description shall include the estimated state-determined purchase price, which shall be based on the anticipated market price. By July 15th of each year, the superintendent shall notify districts of the preliminary vehicle categories and state-determined purchase price for the ensuing school year. By October 15th of each year, the superintendent shall finalize the categories and the associated state-determined purchase price and shall notify districts of any changes: **PROVIDED**, That while it is the responsibility of each district to select each student transportation vehicle to be purchased by the district, each district shall be reimbursed a sum equal only to the amount of the state-determined purchase price and inflation as recognized by the depreciation schedule established in this section as set by the superintendent for the category of vehicle purchased: **PROVIDED**, That in event the vehicular requirements of the district, for reasons of safety, or in the interests of minimum long term operating costs, are not satisfied by the categories established by the superintendent, the district may petition the superintendent for the inclusion of additional equipment or specifications, setting forth the costs thereof, beyond those contemplated by categories of the superintendent, and if, in the opinion of the superintendent, the additional equipment or specifications are necessary for adequate safety or will reduce long term operating costs, including capital costs, the additional costs of such equipment may be included in the state-determined purchase price: **PROVIDED FURTHER**, That if after receiving competitive bids on a vehicle the lowest acceptable bid is in excess of the state-determined purchase price, the district may petition the superintendent to increase the state-determined purchase price for that category of vehicle for that district.

(2) The superintendent shall annually develop a depreciation schedule to reimburse districts for the cost of student transportation vehicles purchased during that school year. The schedule shall be written on the basis of the categories of student transportation vehicles, the state-determined purchase price and the anticipated life of the vehicles, and shall include factors recognizing inflation and the cost of depreciation to districts contracting with public or private carriers for student transportation services.

NEW SECTION. Sec. 6. (1) Each district may, at its discretion, rent or lease its vehicles in the following instances:

(a) Transporting of personnel, supplies, and/or evacuees by governmental agencies in the event of flood, fire, or other natural emergencies: **PROVIDED**, That the state director of emergency services or any of his agents so authorized has, at the request of an involved governmental agency, declared that an emergency exists in a designated area insofar as the need for additional transport is concerned.

(b) Transporting of handicapped children or persons sixty years of age or older by nonprofit organizations to and from the site of such activities or programs deemed beneficial to such persons by such organizations.

(c) Furnishing, by contract, the use of school buses of that district to other users who are engaged in conducting an educational or recreational program supported wholly or in part by tax funds or programs for persons sixty years of age or older at times when those buses are not needed by that district and under such terms as will fully reimburse such school district for all costs related or incident thereto.

(d) Using school buses and drivers hired by the district for the transportation of school children and the school employees necessary for their supervision to and from any school activities within or without the school district during or after school hours and whether or not a required school activity, so long as the school board has officially designated it as a school activity. For any extracurricular uses, the school board shall charge an amount sufficient to reimburse the district for its cost.

(2) If a district decides to rent or lease its vehicles for the purposes of this section, they will be subject to the following conditions:

(a) No such use of vehicles shall be permitted except where other public or private transportation certificated or licensed by the Washington utilities and transportation commission is not reasonably available to the user: **PROVIDED**, That no user shall be required to accept in lieu of district transportation vehicular service any charter bus service which the user believes might place the health or safety of the passengers in jeopardy.

(b) Such leases of vehicles do not conflict with regular school purposes.

(c) Such leases shall be determined by the district on the basis of criteria established by the district including, but not limited to, minimum costs, driver requirements, and providing an indemnity agreement protecting the district against any type of claim or legal action whatsoever, including all legal costs incidental thereto.

(3) Whenever any school children or elderly persons are transported by the school district in its own motor vehicles and by its own employees, the board may provide insurance to protect the district against loss, whether by reason of theft, fire or property damage to the motor vehicle or by reason of liability of the district to persons from the operation of such motor vehicle.

The board may provide insurance by contract purchase for payment of hospital and medical expenses in an amount not exceeding one thousand dollars per person per injury for the benefit of persons injured while they are on, getting on, or getting off any vehicles enumerated in this subsection without respect to any fault or liability on the part of the school district or operator. This insurance may be provided without cost to the persons notwithstanding the provisions of RCW 28A.58.420.

If the transportation of children or elderly persons is arranged for by contract of the district with some person, the board may require such contractor to procure such insurance as the board deems advisable.

NEW SECTION. Sec. 7. Individual transportation, board and room, and other arrangements may be authorized or provided and, in whole or part, paid for or reimbursed by a school district, when approved by the educational service district superintendent or his or her designee pursuant to rules promulgated by the superintendent of public instruction for that purpose: **PROVIDED**, That the total of payments for board and room and transportation incidental thereto shall not exceed the amount which would otherwise be paid for such individual transportation.

NEW SECTION. Sec. 8. Any school district board of directors or any educational service district board may enter into agreements pursuant to chapter 39.34 RCW or chapter 35.58 RCW, as now or hereafter amended, with any city, town, county, metropolitan municipal corporation, and any federal or other state governmental entity, or any combination of the foregoing, for the purpose of providing for the transportation of students and/or members of the public through the use, in whole or part, of the school district's buses, transportation equipment and facilities, and employees: **PROVIDED**, That any agreement entered into for purposes of transportation pursuant to this section shall conform with the provisions of RCW 35.58.250 where applicable and shall provide for the reimbursement and payment to the school district of not less than the district's actual costs and the reasonable value of the use of the district's buses, and transportation equipment and supplies which are incurred and otherwise provided in connection with the transportation of members of the public or other noncommon school purposes: **PROVIDED FURTHER**, That wherever public transportation, or private transportation certified or licensed by the Washington utilities and transportation commission is not reasonably available, the school district or educational service district may transport members of the public so long as they are reimbursed for the cost of such transportation, and such transportation has been approved by any metropolitan municipal corporation performing public transportation pursuant to chapter 35.58 RCW in the area to be served by the district.

"I have been most impressed, as I am sure you have been, by the dedication of the people who have been involved in this program, from the chairman who happens to live in Dayton, Washington, to all the members from Tacoma and Seattle who are very active in the Snowmobilers Association."

Senator Talley: "They agreed to the amendments then? Thank you very much."

The motion by Senator von Reichbauer carried and the committee amendments were adopted.

On motion of Senator von Reichbauer, the committee amendment to the title was adopted.

On motion of Senator von Reichbauer, the rules were suspended, Engrossed Substitute House Bill No. 1281, as amended by the Senate, was advanced to third reading, the second reading considered the third, and the bill was placed on final passage.

POINT OF INQUIRY

Senator Williams: "Senator, one of the changes that I have become aware of apparently is the funding mechanism for this. Apparently there used to be—the funds that were collected in fees were divided among local government and a fund which was then used to promote snowmobiling and so forth. Now that has been eliminated, as I understand it, and all of the moneys that are collected go into the funds to be used by the parks and recreation commission for the promotion or assistance of snowmobiling except, as I understand it, the penalties, in other words, fines, are divided proportionately, sixty percent for the fund and forty percent goes to local government. However, the local government units, as I understand it, are the only ones that are policing this or enforcing it and so forth. Can you kind of give me a rationale why that change has occurred?"

Senator von Reichbauer: "I think the sixty-forty ratio, Senator Williams, is an indication of the state park commission's desire to get involved in this itself and to augment its existing force. The state parks and recreation commission do have individuals involved in the enforcement of this, however, Local government is not the

only one. I can speak from experience because I was on Mt. Spokane riding a snowmobile which went over the side of a cliff and it was the local state parks and recreation commission officials that came to my rescue. I think I would still be going down Mt. Spokane if they had not been around. Actually, the state does have an involvement and the sixty-forty ratio would augment their existing budget to work in this area."

Senator Williams: "I guess my question was, is there a feeling that local government is not properly enforcing this and, I understand the state parks and recreation commission wanting to get into this but I guess I have a problem in, do they need to if in fact local government is doing a proper job?"

Senator von Reichbauer: "I think that the conversations with the director of the state parks indicated, one, that it is on state park land and, of course, as the administrators of that land they want to have complete authority, and they have best authority when the line is a direct communication between the director and the commission and the local personnel and that is best when we have this. Secondly, I believe that the communication that often exists between the local park rangers and local governmental authorities, local police, sometimes gets twisted, and I think it is very important to keep within one unit, for example, a state park. State park personnel from the top to the bottom.

"Again, it gets down to a point of communication. Since the park is a state park, administered by the state of Washington, I think it is best to have state park personnel be in the form of a ranger as well as to work in the snowmobile area. Once you bring local authority into it, the lines of communication get a little bit blurred and I think some problems develop. I think this is an idea by the state parks to get more fully involved in the total operation of the state parks and this funding will permit them to do so."

POINT OF INQUIRY

Senator Hansen: "Senator von Reichbauer; in ATV funds, when we passed that bill from transportation allowing one percent of the funds to be used for the ATV's, we were forced to come back two years later and allow fifty percent of that fund to be used for local government to enforce the ATV's. I see the same thing with your snowmobilers and I agree that park rangers are the ones to relate to the parks, but when snowmobiles get out onto private property and start cutting fences and one thing and another to go across private property, isn't there going to have to be some local authority and local money for the local jurisdiction in order to protect the private landowner?"

Senator von Reichbauer: "I share with you the concern about the private landowners. The thrust of this bill, of course, is aimed at our state parks and state land. The funding by local authority to assist the program, the protection such as we would find in property that might be adjacent to state park facilities, would of course be funded through the local county police department or city police department. Again, the thrust of this is to aid state parks and the state park personnel that are administering the park program on state park land."

Giving the department of transportation authority to construct a third bridge across the Columbia in the Tri-Cities area.

MOTIONS

On motion of Senator Henry, Substitute Senate Bill No. 3034 was substituted for Senate Bill No. 3034 and the substitute bill was placed on second reading and read the second time in full.

Senator Henry moved adoption of the following amendment by Senators Benitz, Henry and Hayner:

Strike everything after the enacting clause, and insert the following:

"NEW SECTION. Section 1. Subject to the provisions of sections 2, 3, and 4 of this 1979 act, the department of transportation is hereby authorized and directed to make all necessary surveys and to design and construct a toll bridge across the Columbia river. The approaches to the toll bridge shall extend from the bridge to George Washington Way on the west and from the bridge easterly to state route number 395 and southerly and easterly to state route number 182 on the east.

NEW SECTION. Sec. 2. If the transportation commission concludes that construction of a toll bridge across the Columbia river at North Richland in the vicinity of the Horn Rapids Road, including approaches, is economically feasible, the department is authorized to enter into agreements with Richland, Benton county, and Franklin county in accordance with section 3 of this 1979 act.

NEW SECTION. Sec. 3. The transportation commission shall not request the issuance of any bonds for the construction of the toll bridge and its approaches unless and until:

(1) Either Richland or Benton county separately or Richland and Benton county jointly agree with the department (a) to improve the Horn Rapids Road from state route number 240 to Stevens Drive to two-lane standards prescribed by the department; (b) to reconstruct the Horn Rapids Road from Stevens Drive to George Washington Way to four-lane standards prescribed by the department; (c) to maintain to standards prescribed by the department the improved and reconstructed sections of Horn Rapids Road so long as any bonds issued to pay for the construction of the toll bridge and its approaches remain outstanding; and (d) to such additional undertakings as the department deems necessary to assure adequate access to the toll bridge so long as any bonds are outstanding.

(2) Franklin county shall agree with the department (a) to reconstruct, by the year 1990, the approach from the east end of the toll bridge easterly to state route number 395 to four-lane standards prescribed by the department; or (b) as determined by the department, to reconstruct, by the year 1990, the approach from the

east end of the toll bridge southerly and easterly to state route number 182 to four-lane standards prescribed by the department; and (c) to maintain to standards prescribed by the department the connecting roads to state route number 182 and to state route number 395 so long as any bonds issued to pay for the construction of the toll bridge and its approaches remain outstanding; and (d) to such additional undertakings as the department deems necessary to assure adequate access to the toll bridge so long as any bonds are outstanding.

NEW SECTION. Sec. 4. The transportation commission shall not request the issuance of any bonds for the construction of the toll bridge and its approaches until Benton and Franklin counties and Richland have adopted specific and acceptable plans to assure the funding of their respective obligations as established by the agreements authorized in section 3 of this 1979 act.

NEW SECTION. Sec. 5. In order to facilitate the financing of the toll bridge the department, Benton and Franklin counties, and Richland may consult, cooperate, and enter into agreements with the government of the United States or any of its agencies and accept and expend money from any public or private source which is now or may be available to assist in the construction of the bridge.

NEW SECTION. Sec. 6. In order to provide funds for the construction of such bridge and approaches thereto, including but not limited to all costs of survey, acquisition of rights of way, design, engineering, and to pay the interest on the bonds when due during construction and for a period not exceeding six months thereafter, there shall be issued and sold general obligation bonds of the state of Washington in the principal amount of not to exceed seventy-five million dollars or such lesser amount thereof, at such times as may be determined to be necessary by the department of transportation.

NEW SECTION. Sec. 7. The issuance, sale, and retirement of said bonds shall be under the supervision and control of the state finance committee which, upon request being made by the department of transportation shall provide for the issuance, sale, and retirement of coupon or registered bonds to be dated, issued, and sold from time to time in such amounts as the department of transportation shall determine to be necessary to meet the purposes specified in section 6 of this 1979 act.

NEW SECTION. Sec. 8. Each of such bonds shall be made payable at any time not exceeding thirty years from the date of issuance. The state finance committee is authorized to prescribe the form, terms, conditions, and covenants of the bonds and/or bond anticipation notes provided for in this section, the time or times of sale of all or any portion of them, and the conditions and manner of their sale and issuance. The bonds shall be signed by the governor and the state treasurer under the seal of the state, one of which signatures shall be made manually and the other signature may be in printed facsimile, and any coupons attached to such bonds shall be signed by the same officers whose signatures thereon may be in printed facsimile. Any bonds may be registered in the name of the holder on presentation to the fiscal agency of the state of Washington in Seattle or New York City as to principal alone, or as to both principal and interest under such regulations as the state treasurer may prescribe. Such bonds shall be payable at such places as the state finance committee may provide. All bonds issued hereunder, unless registered, shall be fully negotiable instruments. The bonds shall be legal investments for all state funds or for funds under state control and all funds of municipal corporations.

At such time as a determination has been made to issue the general obligation bonds or a portion thereof as authorized in section 6 of this 1979 act, the state finance committee may, pending the issuance thereof, issue in the name of the state temporary notes in anticipation of the issuance of the bonds, which notes shall be designated as "bond anticipation notes." Such portion of the proceeds of the sale of

the bonds as may be required for the payment of principal of and redemption premium, if any, and interest on the notes shall be applied thereto when the bonds are issued.

NEW SECTION. Sec. 9. Except for that portion of the proceeds required to pay bond anticipation notes under section 8 of this 1979 act, and except as provided in section 11 of this 1979 act, the money arising from the sale of said bonds shall be deposited in the state treasury to the credit of the Columbia river toll bridge account hereby created in the motor vehicle fund, and such money shall be available only for the purposes enumerated in section 6 of this 1979 act and for payment of the expense incurred in the issuance and sale of any such bonds.

NEW SECTION. Sec. 10. Bonds and bond anticipation notes issued under the provisions of sections 1 through 17 of this 1979 act shall distinctly state that they are a general obligation of the state of Washington, shall pledge the full faith and credit of the state to the payment of the principal thereof and the interest thereon, and shall contain an unconditional promise to pay such principal and interest as the same shall become due. The principal of and interest on such bonds shall be first payable in the manner provided in this act from the proceeds of state excise taxes on motor vehicles and special fuels imposed by chapters 82.36, 82.37, and 82.38 RCW and from the tolls and revenues derived from the operation of such toll bridge.

NEW SECTION. Sec. 11. There is hereby created in the highway bond retirement fund in the state treasury a special account to be known as the Columbia river toll bridge account into which shall be deposited any capitalized interest from the proceeds of the bonds, and at least monthly all of the tolls and other revenues received from the operation of the toll bridge and from any interest which may be earned from the deposit or investment of these revenues after the payment of costs of operation, maintenance, management, and necessary repairs of the facility. The principal of and interest on the bonds shall be paid first from money deposited in the Columbia river toll bridge account in the highway bond retirement fund, and then, to the extent that money deposited in that account is insufficient to make any such payment when due, from the state excise taxes on motor vehicle and special fuels deposited in the highway bond retirement fund. There is hereby pledged the proceeds of state excise taxes on motor vehicle and special fuels imposed under chapters 82.36, 82.37, and 82.38 RCW to pay the bonds and interest thereon, and the legislature hereby agrees to continue to impose the same excise taxes on motor vehicle and special fuels in amounts sufficient to pay, when due, the principal and interest on the bonds if the money deposited in the Columbia river toll bridge account of the highway bond retirement fund is insufficient to make such payments. Not less than fifteen days prior to the date any interest or principal and interest payments are due, the state finance committee shall certify to the state treasurer such amount of additional moneys as may be required for debt service, and the treasurer shall thereupon transfer from the motor vehicle fund such amount from the proceeds of such excise taxes into the highway bond retirement fund. Any proceeds of such excise taxes required for these purposes shall first be taken from that portion of the motor vehicle fund which results from the imposition of the excise taxes on motor vehicle and special fuels and which is distributed to the state. If the proceeds from the excise taxes distributed to the state are ever insufficient to meet the required payments on principal or interest on the bonds when due, the amount required to make the payments on the principal or interest shall next be taken from that portion of the motor vehicle fund which results from the imposition of excise taxes on motor vehicle and special fuels and which is distributed to the state, counties, cities, and towns pursuant to RCW 46.68.100 as now existing or hereafter amended. Any payments of the principal or interest taken from the motor vehicle or special fuel tax revenues which are distributable to the counties, cities, and towns shall be repaid from the first moneys distributed to the state not required for redemption of the bonds or interest thereon.

The legislature covenants and pledges that it shall at all times provide sufficient revenues from the imposition of such excise taxes to pay the principal and interest due on the bonds.

NEW SECTION. Sec. 12. (1) The department of transportation is authorized to operate and assume full control of the bridge and shall fix and maintain the tolls and charges in the manner provided by RCW 47.56.240 so that when collected they will produce revenues sufficient to pay all expenses of operating, maintaining, managing, and repairing the toll bridge including all insurance costs and the amounts required to pay the principal and interest on the bonds when due and to satisfy the other obligations set forth in sections 1 through 17 of this 1979 act and RCW 47.56.220 as now or hereafter amended: PROVIDED, That revision of tolls and charges shall be determined by the department after considering the effect upon the traffic using the bridge and the projected revenues which will result from the increase of tolls and charges for the use of the bridge.

(2) To the extent that net revenues and income are insufficient to meet the required payments of principal and interest on bonds, the department shall use moneys pledged from the motor vehicle fund as provided in section 11 of this 1979 act.

(3) The payment of the principal of and the interest on the bonds shall constitute a first direct and exclusive charge and lien on all such tolls and other revenues and interest thereon received from the use and operation of the Columbia river toll bridge, after the payment of all expenses of operating, maintaining, managing, and repairing the toll bridge, and such tolls and revenues together with interest earned thereon, and all other money deposited in the Columbia river toll bridge account in the highway bond redemption fund, shall constitute a trust fund for the security and payment of such bonds, or bonds refunding such bonds, and shall not be used or pledged for any other purpose as long as such bonds or any of them are outstanding and unpaid.

(4) The state finance committee may on behalf of the state make such covenants in connection with the bond proceedings or otherwise to assure the maintenance of the tolls and charges on the Columbia river toll bridge, the proper application thereof, the proper operation, maintenance, management, and repair of the bridge to provide for and secure the timely payment of the bonds. Such covenants shall be binding on the department of transportation and transportation commission.

NEW SECTION. Sec. 13. All tolls or other revenues received from the operation of the Columbia toll bridge constructed with the proceeds of bonds issued and sold hereunder shall be paid over by the department of transportation to the state treasurer who shall deposit the same forthwith as demand deposits in such depository or depositories as may be authorized by law to receive deposits of state funds to the credit of a special trust fund to be designated as the toll revenue fund of the Columbia river toll bridge, which fund shall be a trust fund and shall at all times be kept segregated and set apart from all other funds.

After provision has been made for payment of costs of operation, maintenance, management and necessary repairs of the facility, the surplus moneys available in the toll revenue fund, or so much thereof as may be required, shall be transferred monthly to the Columbia river toll bridge account of the highway bond retirement fund to pay the principal of and interest on the bonds authorized by section 6 of this 1979 act.

NEW SECTION. Sec. 14. Any moneys from the motor vehicle fund used by the department for payment of expenses of location, maintenance, repair, and operation of the bridge and approaches, and principal or interest on any bonds issued pursuant to section 6 of this 1979 act, or any subsequent refunding bond issue, shall be repaid to the motor vehicle fund from revenues of the project after all such bonds

have been retired. Tolls shall be continued for any additional length of time necessary for this purpose.

NEW SECTION. Sec. 15. Except as otherwise provided by statute, the bonds issued under authority of section 6 of this 1979 act, the bonds authorized by RCW 47.60.560 through 47.60.640, the bonds authorized by chapter 5, Laws of 1979, and chapter 131, Laws of 1979, and any additional general obligation bonds of the state of Washington which may be authorized by the forty-sixth legislature or thereafter and which pledge motor vehicle and special fuel excise taxes for the payment of principal thereof and interest thereon shall be an equal charge and lien against the revenues from such motor vehicle and special fuel excise taxes.

NEW SECTION. Sec. 16. Upon the redemption of all bonds issued pursuant to section 6 of this 1979 act and the repayment of all other obligations to the motor vehicle fund as authorized by section 14 of this 1979 act, the department of transportation shall remove the tolls and transfer the bridge and its approaches to the city and/or counties having jurisdiction thereof, and the bridge and its approaches shall become a county road or in part a county road and in part a city street. The bridge, its approaches, and right of way shall be conveyed to the city or counties by deed executed by the secretary of transportation.

NEW SECTION. Sec. 17. Notwithstanding the provisions of RCW 47.56.220 as now or hereafter amended, the department may design and construct an additional bridge across the Columbia river in the vicinity of Columbia point.

NEW SECTION. Sec. 18. Sections 1 through 17 of this 1979 act shall be added to chapter 47.56 RCW.

Sec. 19. Section 47.56.220, chapter 13, Laws of 1961 as amended by section 8, chapter 131, Laws of 1979' and RCW 47.56.220 are each amended to read as follows:

Except as otherwise provided in RCW 47.56.291 (~~and section 4 of this 1979 act~~), 47.56... (section 4, chapter 131, Laws of 1979), 47.56.710, and section 17 of this 1979 act, as long as any of the bonds issued hereunder for the construction of any toll bridge are outstanding and unpaid, there shall not be erected, constructed, or maintained any other bridge or other crossing over, under, through, or across the waters over which such toll bridge is located or constructed, connecting or joining directly or indirectly the lands or extensions thereof or abutments thereon on both sides of the waters spanned or crossed by such toll bridge within a distance of ten miles from either side of such toll bridge excepting bridges or other highway crossings actually in existence and being maintained, or for which there was outstanding an existing and lawfully issued franchise, at the time of the location of such toll bridge and prior to the time of the authorization of such ((~~revenue~~)) bonds, and no ferry or other similar means of crossing the said waters within the said distance and connecting or plying directly or indirectly between the lands or extensions thereof or abutments thereon on both sides of the waters spanned or crossed by such bridge shall be maintained or operated or permitted or allowed: PROVIDED, That ferries and other similar means of crossing actually in existence and being maintained and operated, or for which there was outstanding an existing and lawfully issued franchise, at the time of the location of such bridge and prior to the time of the authorization of such ((~~revenue~~)) bonds, may continue and be permitted to be operated and maintained under such existing rights and franchises, or any lawful renewal or extension thereof. The provisions of this section shall be binding upon the state department of transportation, the state of Washington, and all of its departments, agencies, or instrumentalities as well as any and all private, political, municipal, and public corporations and subdivisions, including cities, counties, and other political subdivisions, and the prohibitions of this section shall restrict and limit the powers of the legislature of the state of Washington in respect to the matters herein mentioned

as long as any of such bonds are outstanding and unpaid and shall be deemed to constitute a contract to that effect for the benefit of the holders of all such bonds.

NEW SECTION. Sec. 20. There is appropriated from the motor vehicle fund to the department of transportation for the biennium ending June 30, 1981, the sum of one million dollars, or so much thereof as may be necessary for the purpose of surveys, location, design, right of way, and all other things preliminary to the construction of the bridge and its approaches. All funds expended from this appropriation shall be considered a loan and shall be repaid to the motor vehicle fund upon the sale of bonds for this project.

NEW SECTION. Sec. 21. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

NEW SECTION. Sec. 22. This act is necessary for the immediate preservation of the public peace, health, and safety, the support of the state government and its existing public institutions, and shall take effect immediately."

POINT OF INQUIRY

Senator Benitz: "Senator Talmadge, would the bridge that you raised the question about be supported and paid for entirely by tolls as our bridge will?"

Senator Talmadge: "I think the same difference. We would pay for it with the gas tax in the city of Seattle alone, and I guess that is a form of a toll too."

POINT OF INQUIRY

Senator Ridder: "Senator Benitz, I assume that the tolls on this bridge will be somewhat different from, I think it is the Maple Street Bridge in Spokane, that the studies have been more extensive or accurate perhaps?"

Senator Benitz: "I guess our record on paying for bridges with tolls is a very good one with the possible exception of some problem at the Maple Street Bridge in Spokane, but I understand that is smoothed out and it is a nice even road and it is working on its own in good shape. We do not anticipate such problems in the Tri-City area."

Senator Ridder: "Very good. Thank you."

The motion by Senator Henry carried and the amendment was adopted.

On motion of Senator Henry, the following amendment to the title was adopted:

In line 3 of the title, after "thereto;" insert "providing for the financing thereof by bonds and anticipation notes; amending section 47.56.220, chapter 13, Laws of 1961 as amended by section 8, chapter 131, Laws of 1979 and RCW 47.56.220: adding new sections to chapter 47.56 RCW; creating new sections; making an appropriation; and declaring an emergency."

On motion of Senator Henry, the rules were suspended, Engrossed Substitute Senate Bill No. 3034 was advanced to third reading, the second reading considered the third, and the bill was placed on final passage.

ROLL CALL

The Secretary called the roll on the final passage of Engrossed Substitute Senate Bill No. 3034, and the bill passed the Senate by the following vote: Yeas, 41; nays, 1; excused, 7.

Voting yea: Senators Bausch, Benitz, Bluechel, Bottiger, Clarke, Conner, Day, Fleming, Gaspard, Goltz, Gould, Guess, Hansen, Hayner, Henry, Jones, Lee, Lewis, Marsh, Matson, McDermott, Moore, Morrison, North, Odegaard, Peterson, Pullen, Quigg, Rasmussen, Ridder, Sellar, Shinpoch, Talley, Talmadge, Van Hollebeke, von Reichbauer, Walgren, Williams, Wilson, Wojahn, Woody—41.

Voting nay: Senator Scott—1.

Excused: Senators Donohue, Gallagher, Keefe, Lysen, Newschwander, Vognild, Wanamaker—7.

ENGROSSED SUBSTITUTE SENATE BILL NO. 3034, having received the constitutional majority, was declared passed. There being no objection, the title of the bill was ordered to stand as the title of the act.

MOTION

On motion of Senator Henry, Engrossed Substitute Senate Bill No. 3034 was ordered immediately transmitted to the House.

SECOND READING

REPORT OF STANDING COMMITTEE

April 10, 1979.

SUBSTITUTE HOUSE BILL NO. 912, providing for solar easements (reported by Committee on Energy and Utilities):

MAJORITY recommendation: Do pass with the following amendments:

On page 1, strike everything after the enacting clause and insert the following:

NEW SECTION. Section 1. The legislature declares that the potential economic and environmental benefits of solar energy use are considered to be in the public interest; therefore, local governments are authorized to encourage and protect access to direct sunlight for solar energy systems. The legislature further declares that solar easements appropriate to assuring continued access to direct sunlight for solar energy systems may be created and may be privately negotiated.

NEW SECTION. Sec. 2. There is added to chapter 35.63 RCW a new section to read as follows:

As used in this chapter, "solar energy system" means any device or combination of devices or elements which rely upon direct sunlight as an energy source, including but not limited to any substance or device which collects sunlight for use in:

- (1) The heating or cooling of a structure or building;
- (2) The heating or pumping of water;
- (3) Industrial, commercial, or agricultural processes; or
- (4) The generation of electricity.

A solar energy system may be used for purposes in addition to the collection of solar energy. These uses include, but are not limited to, serving as a structural member or part of a roof of a building or structure and serving as a window or wall.

Sec. 3. Section 35.63.060, chapter 7, Laws of 1965 and RCW 35.63.060 are each amended to read as follows:

The commission may act as the research and fact finding agency of the municipality. To that end it may make such surveys, analyses, researches and reports as are generally authorized or requested by its council or board, or by the state with the approval of its council or board. The commission, upon such request or authority may also:

(1) Make inquiries, investigations, and surveys concerning the resources of the county, including but not limited to the potential for solar energy development and alternative means to encourage and protect access to direct sunlight for solar energy systems;

(2) Assemble and analyze the data thus obtained and formulate plans for the conservation of such resources and the systematic utilization and development thereof;

(3) Make recommendations from time to time as to the best methods of such conservation, utilization, and development;

(4) Cooperate with other commissions and with other public agencies of the municipality, state and United States in such planning, conservation, and development; and

(5) In particular cooperate with and aid the state within its territorial limits in the preparation of the state master plan provided for in RCW 43.21.190 and in advance planning of public works programs.

Sec. 4. Section 35.63.080, chapter 7, Laws of 1965 and RCW 35.63.080 are each amended to read as follows:

The council or board may provide for the preparation by its commission and the adoption and enforcement of coordinated plans for the physical development of the municipality. For this purpose the council or board, in such measure as is deemed reasonably necessary or requisite in the interest of health, safety, morals and the general welfare, upon recommendation by its commission, by general ordinances of the city or general resolution of the board, may regulate and restrict the location and the use of buildings, structures and land for residence, trade, industrial and other purposes; the height, number of stories, size, construction and design of buildings and other structures; the size of yards, courts and other open spaces on the lot or tract; the density of population; the set-back of buildings along highways, parks or public water frontages; and the subdivision and development of land; and may encourage and protect access to direct sunlight for solar energy systems. A council where such ordinances are in effect, may, on the recommendation of its commission provide for the appointment of a board of adjustment, to make, in appropriate cases and subject to appropriate conditions and safeguards established by ordinance, special exceptions in harmony with the general purposes and intent and in accordance with general or specific rules therein contained.

Sec. 5. Section 35.63.090, chapter 7, Laws of 1965 and RCW 35.63.090 are each amended to read as follows:

All regulations shall be worked out as parts of a comprehensive plan which each commission shall prepare for the physical and other generally advantageous development of the municipality and shall be designed, among other things, to encourage the most appropriate use of land throughout the municipality; to lessen traffic congestion and accidents; to secure safety from fire; to provide adequate light and air; to prevent overcrowding of land; to avoid undue concentration of population; to promote a coordinated development of the unbuilt areas; to encourage the formation of neighborhood or community units; to secure an appropriate allotment of land area in new developments for all the requirements of community life; to conserve and restore natural beauty and other natural resources; to encourage and protect access to direct sunlight for solar energy systems; and to facilitate the adequate provision of transportation, water, sewerage and other public uses and requirements.

NEW SECTION. Sec. 6. There is added to chapter 35A.63 RCW a new section to read as follows:

As used in this chapter, "solar energy system" means any device or combination of devices or elements which rely upon direct sunlight as an energy source including but not limited to any substance or device which collects sunlight for use in:

- (1) The heating or cooling of a structure or building;
- (2) The heating or pumping of water;
- (3) Industrial, commercial, or agricultural processes; or

(4) The generation of electricity.

A solar energy system may be used for purposes in addition to the collection of solar energy. These uses include, but are not limited to, serving as a structural member or part of a roof of a building or structure and serving as a window or wall.

Sec. 7. Section 35A.63.062, chapter 119, Laws of 1967 ex. sess. and RCW 35A.63.062 are each amended to read as follows:

The comprehensive plan may include also any or all of the following optional elements:

(1) A conservation element for the conservation, development, and utilization of natural resources.

(2) An open space, park, and recreation element.

(8) Other elements dealing with subjects that, in the opinion of the legislative body, relate to the development of the municipality, or are essential or desirable to coordinate public services and programs with such development.

(9) A solar energy element for encouragement and protection of access to direct sunlight for solar energy systems.

Sec. 8. Section 35A.63.100, chapter 119, Laws of 1967 ex. sess. and RCW 35A.63.100 are each amended to read as follows:

After approval of the comprehensive plan, as set forth above, the legislative body, in developing the municipality and in regulating the use of land, may implement or give effect to the comprehensive plan or parts thereof by ordinance or other action to such extent as the legislative body deems necessary or appropriate. Such ordinances or other action may provide for:

(1) Adoption of an official map and regulations relating thereto designating locations and requirements for one or more of the following: Streets, parks, public buildings, and other public facilities, and protecting such sites against encroachment by buildings and other physical structures.

(2) Dividing the municipality, or portions thereof, into appropriate zones within which specific standards, requirements, and conditions may be provided for regulating the use of public and private land, buildings, and structures, and the location, height, bulk, number of stories, and size of buildings and structures, size of yards, courts, open spaces, density of population, ratio of land area to the area of buildings and structures, setbacks, area required for off-street parking, protection of access to direct sunlight for solar energy systems, and such other standards, requirements, regulations, and procedures as are appropriately related thereto. The ordinance encompassing the matters of this subsection is hereinafter called the "zoning ordinance". No zoning ordinance, or amendment thereto, shall be enacted by the legislative body without at least one public hearing, notice of which shall be given as set forth in RCW 35A.63.070. Such hearing may be held before the planning agency or the board of adjustment or such other body as the legislative body shall designate.

(5) Such other matters as may be otherwise authorized by law or as the legislative body deems necessary or appropriate to effectuate the goals and objectives of the comprehensive plan or parts thereof and the purposes of this chapter.

NEW SECTION. Sec. 9. There is added to chapter 36.70 RCW a new section to read as follows:

As used in this chapter, "solar energy system" means any device or combination of devices or elements which rely upon direct sunlight as an energy source, including but not limited to any substance or device which collects sunlight for use in:

SUBSTITUTE HOUSE BILL NO. 706, by Committee on Appropriations (originally sponsored by Representatives Burns and Haley) (by Office of Financial Management request):

Authorizing the director of financial management to evaluate and satisfy certain sundry claims against the state.

REPORT OF STANDING COMMITTEE

April 18, 1979.

SUBSTITUTE HOUSE BILL NO. 706, authorizing the director of financial management to evaluate and satisfy certain sundry claims against the state (reported by Committee on Ways and Means):

MAJORITY recommendation: Do pass with the following amendments:

On page 2, line 3 after "decision" and before "shall" insert ", if adverse to the claimant in whole or part,"

On page 2, line 4, after "legislature" and before the period, insert ": PROVIDED, That if the claimant accepts any part of his or her claim which is approved for payment by the director, such acceptance shall constitute a waiver and release of the state from any further claims relating to the damage or injury asserted in the claim so accepted. The bill was read the second time by sections.

Senator Shinpoch moved the committee amendments be considered and adopted simultaneously.

POINT OF INQUIRY

Senator Hayner: "If they are denied the right of the claim by OFM, can they still come to the legislature and make their claim against—to the committee?"

Senator Shinpoch: "If they are denied the claim, they can still come to the legislature and ask the legislature for approval. If the legislature still does not approve their claim, they still have the prerogative of going to the court."

POINT OF INQUIRY

Senator Van Hollebeke: "Senator, I just was quickly reading the amendment as you started to describe the part about the proviso, 'providing that acceptance of it would require that no further—would relinquish any further claim.' Is there anything in statute providing any mechanism for providing that claimants will understand that that is where they are? They might be accepting what they think is ten percent of what their claim should really be. Are they going to be advised, is there any assurance that they will be advised? I am particularly interested in anything statutory."

Senator Shinpoch: "Senator, I cannot tell you what the Washington Administrative Code reads relative to notification. You probably remember at one time as we were going through here that we made that have to be a portion on each warrant that went out that if they signed the warrant and cashed the warrant, then they were signing in effect that they were waiving additional claims upon the state, and I do not know whether that has been put into WAC or not. I cannot answer that."

Senator Van Hollebeke: "I think we should know that before we vote on this type of thing. I am very adverse to anything where any claimant relinquishes a claim without realizing that is what they are doing. They might have—these are claims often where they would not be represented by legal counsel."

Senator Shinpoch: "I would suggest that it would not be anything other than a WAC in any event and then a letter from a Senator, possibly the chairman of the ways and means, the signature of the chairman of the ways and means committee would be sufficient to assure that that was accomplished."

The motion by Senator Shinpoch carried and the committee amendments were adopted.

On motion of Senator Shinpoch, the rules were suspended, Substitute House Bill No. 706, as amended by the Senate, was advanced to third reading, the second reading considered the third, and the bill was placed on final passage.

SECOND READING

ENGROSSED HOUSE BILL NO. 358, by Representatives Burns, Bender, Eng, Lux, Charnley, Nelson (D), Kreidler, King, Maxie, Haley, Grimm, Pruitt, Isaacson and Bauer:

Abolishing certain fees at community colleges for certain students seeking to finish their high school education.

The bill was read the second time by sections.

On motion of Senator Goltz, the rules were suspended, Engrossed House Bill No. 358 was advanced to third reading, the second reading considered the third, and the bill was placed on final passage.

POINT OF INQUIRY

Senator Rasmussen: "Senator Goltz, it indicates that there is approximately \$659,708—one million, one hundred eighty-nine thousand, five hundred and twenty-nine thousand from the general fund. Could you explain that?"

Senator Goltz: "I am sorry. You are looking at the . . ."

Senator Rasmussen: "Analysis."

Senator Goltz: "The amount of cost involved in this bill is that there would be approximately, in tuition and fees, \$530,000; and operating fees, approximately

\$721,000; and student activity fees, \$81,000, a total for 1979-80, \$1,333,000 and that for a biennium converts to \$2,400,000 for 9,180 students who would participate in this program."

Senator Rasmussen: "That will be a reduction in funds available to the community colleges?"

Senator Goltz: "Yes, the community colleges used to resist this kind of legislation because it does represent a fund reduction available throughout the system. However, they have come now with a policy to say that they are willing to assume that responsibility within their fee structure and to, as I said earlier, used the term 'eat the expense' of providing this opportunity for this number of students."

Senator Rasmussen: "One more question then, Senator Goltz. Evidently if they have been receiving this revenue or anticipate receiving it, the fees that are charged have not held those people back from going in and completing their education?"

Senator Goltz: "First of all, Senator Rasmussen, I apologize—I used the wrong fiscal note. The revised fiscal note is a somewhat lesser amount. The two-year impact is \$1,189,580, but in response to your question, there are about 2,130 students who are now in the program. It is expected that this would go to approximately 9,000 students and I think—you know, the fiscal note reflects the increased number, so in some respects one could argue that the number who will be in the program as a result of this bill will be greater. Therefore, the fiscal note shows a greater fiscal impact, but these dollars would not be available to the community colleges if these students were not there in the first place."

Debate ensued.

POINT OF INQUIRY

Senator Van Hollebeke: "Senator Goltz, this bill indicates that the tuition fees will be waived, first of all, they shall waive them. That is running what? \$300 or a little less, something like that, for three quarters in the community colleges?"

Senator Goltz: "These are done really by credit because we are not waiving the tuition for all of the students who take college courses. We are only waiving the fee for that portion which applies toward a high school diploma and that amounts to \$4.15 per credit hour for tuition, \$5.65 per credit hour for operating fees."

Senator Van Hollebeke: "Then the next question, it also indicates that the student activity fees and operating fees and service and activity fees shall be waived. What does that amount to for a full term?"

Senator Goltz: "The estimated amount for 9,180 students would be, for all the districts, \$81,568."

Senator Van Hollebeke: "Just for my further education, what would it be for a full quarter, for one quarter for one person? If they were taking the full course, say fifteen credit hours or something?"

Senator Goltz: "They could not take fifteen credit hours under this program because they are only taking that—they would only be excused from that portion so it is done on a credit pro rata basis."

Senator Van Hollebeke: "What would it be for fifteen hours?"

Senator Goltz: "I do not have that information at hand, Senator. I can get it if you would like to have it."

Senator Van Hollebeke: "Thank you."

Further debate ensued.

AFTERNOON SESSION

The President called the Senate to order at 2:00 p.m.

MOTIONS

On motion of Senator Walgren, the Senate advanced to the eighth order of business.

On motion of Senator Walgren, the Senate commenced consideration of Senate Resolution 1979-77.

Senator Moore moved adoption of the following resolution:

SENATE RESOLUTION 1979-77

By Senator Moore:

WHEREAS, The State Public Disclosure Commission was created by a vote of the people, in the adoption of Initiative 276 in November, 1972; and

WHEREAS, Such a commission serves the public interest; and

WHEREAS, Administration of the Public Disclosure Commission should be even-handed and non-partisan; and

WHEREAS, The public will be served best by public disclosure reporting requirements which are simple, not complex, and which requirements can be readily complied with by candidates for public office and members of the public subject to the jurisdiction of the agency; and

WHEREAS, Forms utilized by the Public Disclosure Commission defy the best analysis of those required to conform to the law; and

WHEREAS, Complex, unintelligible forms defeat the purpose for which they are designed; and

WHEREAS, Baffling, incomprehensible reporting requirements can have a chilling effect on the participation of our citizens in the political process; and

WHEREAS, Public Disclosure Commission forms can be clarified without preventing the gathering of the type of information which is now collected or frustrating the aim of such disclosure;

NOW, THEREFORE, BE IT RESOLVED, BY THE SENATE OF THE STATE OF WASHINGTON, That the Public Disclosure Commission take all steps necessary to simplify its reporting forms so that public officials and citizens of the state may more readily understand and comply with the requirements of the commission, as it interprets its responsibilities under the law.

REMARKS BY SENATOR MOORE

Senator Moore: "Ladies and gentlemen of the Senate, I rise to share with you some observations I have as a citizen legislator who is holding public office for the first time.

"As most of you know, I'm possibly the oldest freshman Senator who has ever served with this distinguished body. Although I hold my first public office quite late in life, I have long been involved with the political process. I might say that during my lifetime I have known both good and bad elected officials. I have also known brilliant administrators and bureaucrats who did a great deal to frustrate the aims of good government.

"Ultimately, I've concluded that open and honest government is the best government, and it is for this reason that I rise to introduce a resolution honoring the Public Disclosure Commission—and at the same time, urging it to increase its effectiveness in the State of Washington.

"Although I'm new to public office, I have long been familiar with the reporting requirements of the PDC. I find the information requested by the PDC to be pertinent and fair and a great step toward insuring that public officials honor the public trust that has been placed in them. I think it is incumbent on the Legislature to express its respect for that body, for it is one of the greatest assets we have in maintaining our credibility with the electorate.

"At the same time, however, I wish to urge the Commission to take some steps which will enhance its own effectiveness.

"It is my experience that it is quite often very difficult to comply with the worthwhile requests of the Commission because of the confusing nature of the forms public officials and candidates are required to fill out. As a businessman, I have a great respect for records keeping, and I know how vital it is to maintain audit trails and similar data for a multitude of purposes. Keeping such records for the PDC is not only helpful for the public, it even can help me keep track of the business aspects of operating a political campaign.

"However, I would like to point out that my own certified public accountant was unable to use the PDC forms for record keeping. The fact is, the forms are as easy for an unlearned person to fill out as for a trained bookkeeper, because the forms are equally confusing for both. I conclude from this that while the forms are convenient for the PDC, they are not understandable for the multitude of private individuals who toss their hats into the political ring in the interest of serving the public.

"Therefore, at the same time that we consider a resolution honoring the PDC for its important contribution, I am including suggestions in the resolution that the PDC work to make itself more effective. I believe it can do this by continuing to request the information it seeks now, but simplifying the forms on which the information is reported, so that the information is just as easy for public servants to submit as it is for the PDC to accumulate."

Debate ensued.

The motion by Senator Moore carried and the resolution was adopted.

MOTION

On motion of Senator Walgren, the Senate returned to the sixth order of business.

MOTION

On motion of Senator Sellar, Senators Fleming and Jones were excused.

Sec. 20. Section 7, chapter 76, Laws of 1970 ex. sess. and RCW 67.32.070 are each amended to read as follows:

Following designation of a state recreation trail, the ((HAC)) council may coordinate:

(1) The agency or agencies that will acquire (where appropriate), develop and/or maintain the trail;

(2) The most appropriate location for the trail;

(3) Modes of travel to be permitted;

(4) And other functions as appropriate.

Sec. 21. Section 8, chapter 76, Laws of 1970 ex. sess. as last amended by section 21, chapter 220, Laws of 1977 ex. sess. and RCW 67.32.080 are each amended to read as follows:

The following seven categories of trails or areas are hereby established for purposes of this chapter:

(1) Cross-state trails which connect scenic, historical, geological, geographical, or other significant features which are characteristic of the state;

(2) Water-oriented trails which provide a designated path to, on, or along fresh and/or salt water in which the water is the primary point of interest;

(3) Scenic-access trails which give access to quality recreation, scenic, historic or cultural areas of state-wide or national significance;

(4) Urban trails which provide opportunities within an urban setting for walking, bicycling, horseback riding, or other compatible activities. Where appropriate, they will connect parks, scenic areas, historical points, and neighboring communities;

(5) Historical trails which identify and interpret routes which were significant in the historical settlement and development of the state;

(6) ORV vehicle trails which are suitable for use by both four-wheel drive vehicles and two-wheel vehicles. Such trails may be included as a part of the trail systems enumerated in subsections (1), (2), (3) and (5) of this section or may be separately designated;

(7) Off-road and off-trail areas which are suitable for use by both four-wheel drive vehicles and two-wheel vehicles. ((HAC)) The council shall coordinate an inventory and classification of such areas giving consideration to the type of use such areas will receive from persons operating four-wheel drive vehicles and two-wheel vehicles.

The planning and designation of trails shall take into account and give due regard to the interests of federal agencies, state agencies and bodies, counties, municipalities, private landowners and individuals, and interested recreation organizations. It is not required that the above categories be used to designate specific trails, but the ((HAC)) council will assure that full consideration is given to including trails from all categories within the system. As it relates to all classes of trails

and to all types of trail users, it is herein declared as state policy to increase recreational trail access to and within state and federally owned lands and private lands where access may be obtained. It is the intent of the legislature that public recreation facilities be developed as fully as possible to provide greater recreation opportunities for the citizens of the state. The purpose of this 1972 amendatory act is to increase the availability of trails and areas for off-road vehicles by granting authority to state and local governments to maintain a system of ORV trails and areas, and to fund the program to provide for such development. State lands should be used as fully as possible for all public recreation which is compatible with the income-producing requirements of the various trusts.

Due to that distraction, I inadvertently voted 'yes': I had intended to vote 'no' on the bill. I do oppose private police forces which are not under the direct authority of the County Sheriff.

ENGROSSED SUBSTITUTE HOUSE BILL NO. 665, by Committee on Judiciary (originally sponsored by Representatives Chandler, Thompson, Rosbach, Heck, Teutsch, Sherman, Haley, Newhouse and Fuller):

Providing a program for the evaluation and treatment of alcohol related traffic offenders.

The Senate resumed consideration of Engrossed Substitute House Bill No. 665 as amended by the Senate on Monday, April 23, 1979.

There being no objection, two amendments by Senator Pullen on the desk of the Secretary of the Senate were withdrawn.

Senator Marsh moved the following amendments by Senators Marsh, Hayner and Talmadge be considered and adopted simultaneously:

On page 10, line 12, after "deferred" strike all the material down through "being." on line 15 and insert "unless the judge finds that the imposition of the jail sentence will pose a risk to the defendant's physical or mental well-being."

On page 10, line 34, after "deferred" strike all the material down through "being." on line 36 and insert "unless the judge finds that the imposition of the jail sentence will pose a risk to the defendant's physical or mental well-being."

POINT OF INQUIRY

Senator Goltz: "Senator Marsh, I am curious as to the meaning of the word 'well-being' as it is used in this amendment and as it was used in the original language in the bill. Is well-being and mental well-being in particular, a phrase of the art of law that describes something other than just being upset or nervous?"

Senator Marsh: "I am not aware of any particularly meaning of art attached to the word 'well-being'. I think it is a common sense determination that would be made by the judge."

Senator Goltz: "It just seems to me that anybody that is likely to get a one day jail sentence is certainly standing the risk of having a kind of a mental well-being upset."

POINT OF INQUIRY

Senator Scott: "Senator Marsh, would it be fair to say that the net effect of this amendment would be to make the individual case of the drunken driver more arguable? That is, it makes it less definitive by striking the word that is being removed."

Senator Marsh: "Senator Scott, I think it is fair to say that the net effect of this amendment is to give more latitude to the judge, to leave more to the discretion of the judge. However, as I stated here several days ago, I believe that this discretion will be exercised wisely and rarely because, as the amendment further provides, the judge must put his reasons in writing whenever he suspends or defers a jail sentence. I think when a judge must state his reasons in writing, he will be very careful about how he does it."

Debate ensued.

POINT OF INQUIRY

Senator Odegaard: "Mr. President, as I understand the intent of the bill, if a person is out driving and drinking, that they are taught a lesson to spend at least a day in the drunk tank. As I read this amendment, all a judge would have to decide that as long as it is posing some kind of a risk to the defendant's mental well-being, and as Senator Goltz pointed out, I think that could be very loosely interpreted, I would think this amendment would be contrary to the intent of the bill. Maybe, Senator Marsh, you can correct me if I am wrong but that is the way I read this amendment."

Senator Marsh: "Senator Odegaard, the intention is to allow the judge to have discretion in rare cases where there is going to be a substantial problem by putting a person in jail overnight. Now I think this is, particularly the situation where you have an elderly person, perhaps a person who does not drink very much, perhaps a mother with a child at home. There are some people for whom the shock of a jail sentence would be very devastating. I think those are probably rare situations, but I do think we ought to allow a little bit of discretion to the judge. I do not think it is going to be abused."

"I ask you to go along with this this one time for a year here or two years and if it does not work out, if you think the judges are letting too many people off, come back and take corrective action, reinsert the word 'substantial' or eliminate the judges' discretion altogether. But there are situations when it is not wise to incarcerate someone. Jails are not always pleasant. I know that abuse occurs in jails in every county in this state on occasion despite the best efforts of the jailors and personnel in charge of those jails. We just want to make sure that when it is totally inappropriate, the judge is going to have a way out so that he can suspend or defer that jail sentence, but he is going to have to also justify his reasons."

"Now we know that there have been judges defeated in King county, in Clark county and elsewhere in the state because they have been too soft on crime, and I do not think the judges are going to willy-nilly suspend or defer a jail sentence. I think it is going to be exceptional."

"I ask you to let us try it this way and then if it does not work we can do something else a couple of years from now or a year from now if we are back here. Frankly, this bill goes an awfully long way toward tightening up the drinking offenses in the state relating to driving. We could make it much less punitive with some other amendments that I could offer but I do not intend to offer any other amendments if we can get this one adopted."

The motion of Senator Marsh carried and the amendments were adopted.

On motion of Senator Marsh, the rules were suspended, Engrossed Substitute House Bill No. 665, as amended by the Senate, was advanced to third reading, the second reading considered the third, and the bill was placed on final passage.

In accordance with RCW 43.17.200, all state agencies or departments shall expend, as a nondeductible item, out of any moneys appropriated for the original construction of any state building, an amount of one-half of one percent of the appropriation for the acquisition of works of art which may be an integral part of the structure, attached to the structure, detached within or outside of the structure, or can be exhibited by the agency in other public facilities. In case the amount shall not be required in toto or in part for any project, such unrequired amounts may be accumulated and expended for art in other projects of the agency. For the purpose of this section, "building" does not include highway construction sheds, warehouses, or other buildings of a temporary nature.

NEW SECTION. Sec. 192. The director of general administration shall transfer to the department of social and health services the facility known as Northern State Hospital, along with all attached real estate under the jurisdiction of the department of general administration.

NEW SECTION. Sec. 194. The word "agency" used herein means and includes every state government office, officer, each institution, whether educational, correctional, or other, and every department, division, board, and commission, except as otherwise provided in this act.

The phrase "agencies headed by elective officials" used herein means those executive offices or departments of the state which are directly supervised, administered, or controlled by the governor, lieutenant governor, secretary of state, treasurer, auditor, attorney general, superintendent of public instruction, commissioner of public lands, or insurance commissioner, but it does not include those boards, commissions, or committees on which one or more of the above-mentioned officials serve.

NEW SECTION. Sec. 195. In order to carry out the provisions of these appropriations and the state budget, the director of the office of financial management, with the approval of the governor, may:

(1) Allot all or any portion of the funds herein appropriated or included in the state budget, to the various agencies by such periods as he shall determine and may place any funds not so allotted in reserve available for subsequent allotment: PROVIDED, That the director of the office of financial management shall not alter

allotment requests filed with him, nor shall he place in reserve any funds, for the following: Washington State Apple Advertising Commission; Washington State Fruit Commission; Washington Dairy Products Commission or any agricultural commodity commission created under chapter 15.66 RCW; the legislative branch of state government including the legislative budget committee, the statute law committee, and any legislative committee; or the judicial branch of state government: **PROVIDED FURTHER**, That the aggregate of allotments for any agency shall not exceed the total of applicable appropriations and local funds available to the agency concerned. It shall be unlawful for any officer or employee to incur obligations in excess of approved appropriations or to incur a deficiency and any obligations so made shall be deemed invalid. Nothing in this section or in chapter 328, Laws of 1959, shall prevent revisions of any allotment when necessary to prevent the making of expenditures under appropriations in this act in excess of available revenues;

NEW SECTION. Sec. 196. In the event that receipts are less than those appropriated in the budget from any source, expenditures shall be limited to the amount received and allotments made as provided in section 195 of this act. Receipts for purposes of this section include amounts realized within one calendar month following the close of a fiscal period and applicable to expenditures of that period. The amount of such payment shall be credited to and shall be treated for all purposes as having been collected during the fiscal period.

NEW SECTION. Sec. 197. State funds appropriated for the specific purpose of matching federal funds and which are not required wholly or in part to qualify for such federal funds shall be placed in reserve and shall revert to the fund from which appropriated at the end of the respective fiscal year.

NEW SECTION. Sec. 198. Any programs which are supported in whole or in part by federal funds shall not receive any additional state funds for the programs in the event that federal funds are reduced or eliminated for the program.

NEW SECTION. Sec. 199. Unless otherwise provided for by this act with respect to any specific agency, program, or revenue source, any receipts from federal or other sources, or from gifts or grants, in excess of estimates for the budget expenditures as approved by the legislature and which are not otherwise available for general governmental purposes, may be received and allotted by the governor in accordance with RCW 43.79.260 through 43.79.282.

NEW SECTION. Sec. 200. If a scheduled program or project funded by the appropriations contained in this act has not been fully implemented during any quarter of the respective fiscal year, then the office of financial management shall withhold the equivalent amount of the appropriation and full time equivalent staff years from such program or project and shall place the same in reserve.

NEW SECTION. Sec. 201. Agencies are authorized to make refunds of erroneous or excessive payments and in the case of other refunds, which may be provided by law, without express appropriation therefor.

NEW SECTION. Sec. 202. Whenever allocations are made from the governor's emergency appropriation to an agency which is financed by other than general fund moneys, the director of the office of financial management shall direct the

repayment of such allocated amount to the general fund from any balance in the fund or funds which finance such agency. No appropriation shall be necessary to effect such repayment.

NEW SECTION. Sec. 203. In addition to the amounts appropriated in this act for revenue for distribution, bond retirement and interest, and interest on registered warrants, there is also appropriated such further amounts as may be required or available for these purposes under any statutory formula or under any proper bond covenant made in accordance with law.

NEW SECTION. Sec. 204. Amounts received by an agency as reimbursements pursuant to RCW 39.34.130 shall be considered as returned loans of materials supplied or services rendered. Such amounts may be expended as a part of the original appropriation of the fund to which it belongs, without further or additional appropriation, subject to conditions and procedures prescribed by the director of the office of financial management, which shall provide for determination of full costs, disclosure of such reimbursements in the governor's budget, maximum interagency usage of data processing equipment and services, and such restrictions as will promote more economical operations of state government without incurring continuing costs beyond those reimbursed.

NEW SECTION. Sec. 205. The chairmen of the senate committee on ways and means and the house appropriations committee shall review monthly reports of state agency expenditures prepared by the legislative evaluation and accountability program and shall advise their respective committee members of substantial deviations from an agency's allotment expenditure plan. The chairmen may request from an agency, or the office of financial management, such information as may be necessary to determine the reasons for such deviations.

NEW SECTION. Sec. 206. The office of financial management shall place in reserve status 3% of the general fund—state appropriations contained in this act. Such moneys shall remain in reserve status and may not be authorized for expenditure through the allotment process in any fiscal quarter unless the governor determines that projected economic conditions warrant additional expenditures: PROVIDED, That for institutions of higher education the requirements of this section are in addition to any enrollment reserve requirements set forth in section 207 of this act.

The provisions of this section shall not apply to sections 34, 38, or 100 of this act.

NEW SECTION. Sec. 207. In accordance with the provisions of this section, the office of financial management shall use the allotment process during the 1979–81 biennium to control the funding of the formula portion of the instruction services program of all the institutions of higher education. For the purpose of the controls outlined in this section, deviations in the formula entitlements for faculty staffing shall be the controlling factor for the four-year institutions of higher education while full time equivalent student enrollment will be the controlling factor for the community college system. For the purpose of this section, the "contract level" is defined as the level upon which the budget is based, and the "base level" is defined as the level corresponding to the prior year's actual enrollment level. Controls shall be applied to each four-year institution separately and to the community college system as a total entity. "Growth funding" is defined as that portion of the state general fund appropriation by which the contract level exceeds the base level. Growth funds may be allotted or placed in reserve at the option of the institution or system. Unearned growth funds will be reverted to the state general fund prior to the end of the fiscal year in which such growth fails to materialize. If The Evergreen State College's enrollments for the first year of the biennium exceed the contract level, additional funding will be considered. Olympia Technical Community College shall not become comprehensive and shall offer only courses essential to vocational

education. No expenditures shall be allowed for the rental of off-campus facilities by community college district number twelve for housing students which would reduce regularly scheduled on-campus class enrollments.

Reversions are not required when an institution's faculty formula entitlement as generated by actual enrollment, or in the case of the community colleges the actual annual average full time equivalent student enrollment, is within a set range of the contracted level. The allowable tolerances are as follows: University of Washington, Washington State University, and the community colleges as a system, 1 percent; Central Washington University, Eastern Washington University, and Western Washington University, 2 percent; and The Evergreen State College, 3 percent.

Contract enrollments for the second year of the biennium will be renegotiated if the first year's actual enrollment falls below the base level of the first year of the biennium.

NEW SECTION. Sec. 208. Leases with purchase options are prohibited without prior legislative approval.

NEW SECTION. Sec. 209. It is the expressed intention of the legislature that agency operational activity shall be regularly monitored by the office of financial management, under its statutory authority relating to the allotment control function, in order to limit fluctuations in the respective fiscal year spending patterns which tend to inflate the expenditures in the second fiscal year of the biennium. Particular control emphasis shall be placed on those instances in which the full time equivalent staff years authorization is deliberately delayed in order to increase the agency's full time equivalent staff years as substantiation for the second fiscal year of the ensuing biennial request. Unanticipated receipts, which are authorized by the governor and expended by any state agency, shall be allotted, monitored, and controlled.

NEW SECTION. Sec. 210. In order to determine distribution of the funds appropriated in section 14(10) and (11) of this act, the office of financial management shall employ the following procedures:

(1) Determine the actual average salaries in the 1978-79 year for the following groups of employees in each district:

(a) Central and unit FTE administrators in the basic education program (00), the secondary vocational program (30), and in the general support program (97).

(b) Other FTE certificated staff in the basic education program (00), the secondary vocational program (30) and in the general support program (97).

(2) Place each district's 1978-79 staff, referenced in subsection (1) (a) and (b) of this section, on the education and experience table developed in accordance with actual local district practice.

(a) Determine a composite district education and experience factor for central and unit administrators as defined in subsection (1)(a) of this section.

(b) Determine a composite education and experience factor for other basic education certificated staff as defined in subsection (1)(b) of this section.

(3) Calculate each district's average base salaries as follows:

(a) Subsection (1)(a) amount divided by subsection (2)(a) amount;

(b) Subsection (1)(b) amount divided by subsection (2)(b) amount.

(4) Calculate state-wide average base salaries as follows:

(a) Sum of all districts (subsection (3)(a) amount times subsection (1)(a) FTE staff) divided by the sum of all districts (subsection (1)(a) FTE's).

(b) The sum of all districts (subsection (3)(b) amount times subsection (1)(b) FTE staff) divided by the sum of all districts (subsection (1)(b) FTE's).

(5) Calculate percentage salary increases for each district as follows:

(a) If subsection (3)(a) amount is greater than subsection (4)(a) amount, percent increase equals 6%.

(b) If subsection (3)(a) amount is less than or equals subsection (4)(a) amount, percent increase equals amount necessary to drive a system-wide 7% increase.

(c) If subsection (3)(b) amount is greater than subsection (4)(b) amount, percent increase equals 6%.

(d) If subsection (3)(b) amount is less than or equals subsection (4)(b) amount, percent increase equals amount necessary to drive a system-wide 7% increase.

(6) Apply percentage salary increase for each district as follows:

(a) Aggregate total 1978-79 basic education FTE certificated staff and state-funded certificated staff in categorical programs.

(b) Divide 1978-79 basic education FTE central and unit administrators by subsection (6)(a) amount.

(c) Subtract amount determined in subsection (6)(b) from 1.00.

(d) Multiply amount determined in subsection (5) (a) or (b) by amount determined in subsection (6)(b).

(e) Multiply amount determined in subsection (5) (c) or (d) by amount determined in subsection (6)(c).

(f) Add amounts determined in subsection (6) (d) and (e).

(g) Apply subsection (6)(f) amount to 1979-80 actual salaries (prior to applying increases) for all 1979-80 basic education FTE entitlement staff including classified employees and to the 1979-80 unimproved actual salaries for all 1979-80 state-supported FTE staff including classified employees in the following programs: Vocational-technical institutes, state institutions, pupil transportation, handicapped excess cost, and special needs.

(7) Apply incremental fringe benefits to the salary increase amounts determined in subsection (6)(g) as follows:

(a) For the 1979-80 certificated staff — certificated staff salary amount in subsection (6)(g) times 0.0613.

(b) For the 1979-80 classified staff — classified staff salary amount in subsection (6)(g) times 0.1313.

(8) Determine 1980-81 salary increase percentages for each district as follows:

(a) Improve 1979-80 actual salaries (prior to applying increases) by amounts indicated in subsection (6)(g).

MOTION

Senator Day moved that the reading had in the committee of the whole be considered the second reading of the bill.

REMARKS BY THE PRESIDENT

President Cherberg: "Senator Day has moved that the reading had in the committee of the whole be considered the second reading of the bill."

POINT OF ORDER

Senator Pullen: "Mr. President, Point of Order. There are some amendments on the desk and that would take precedence over Senator Day's motion."

REMARKS BY THE PRESIDENT

President Cherberg: "It has been moved and approved that the committee of the whole do rise and report the measure back to the Senate with the recommendation do pass."

POINT OF INQUIRY

Senator Pullen: "Does that mean that the bill will be on second reading where amendments can be offered?"

REPLY BY THE PRESIDENT

President Cherberg: "If Senator Day's motion prevails, the bill will be passed to third reading and final passage."

Senator Pullen: "Mr. President, I would contend then that that motion is out of order because there are amendments on the desk."

President Cherberg: "The committee is no longer in the committee of the whole, Senator."

Senator Pullen: "That motion, as I understand it, is a suspension of the rules and would take a two-thirds vote?"

President Cherberg: "No, sir, it will take a simple majority."

Senator Pullen: "Would you restate his motion again please?"

President Cherberg: "Senator Day has moved that the reading had in the committee of the whole be considered the second reading of the bill."

Senator Pullen: "And after the second reading is usually done, is that not the time that amendments are in order?"

REPLY BY THE PRESIDENT

President Cherberg: "If Senator Day's motion prevails, the bill will be on third reading and final passage."

PARLIAMENTARY INQUIRY

Senator Pullen: "Doesn't it take a suspension of the rules to advance to third reading and final passage?"

POINT OF ORDER

Senator Fleming: "Mr. President, Point of Order. Is it not true that when the bill is on second reading that is when the bill is up for amendment but once the bill has been read as the second reading, we can no longer amend?"

RULING BY THE PRESIDENT

President Cherberg: "The Rule 60, Senator Fleming, says that bills appropriating money shall be considered in committee of the whole Senate, which the President interprets to mean that you have considered the bill, you have reported back with the recommendation that it do pass, and then Senator Day has moved that the reading had in the committee of the whole be considered the second reading of the bill. If the motion is carried, the measure is passed to third reading."

PARLIAMENTARY INQUIRY

Senator Pullen: "My question, Mr. President, was, is that a suspension of the rules and does that take a two-thirds majority?"

REMARKS BY THE PRESIDENT

President Cherberg: "The President does not believe that requires a suspension of the rules. At least, this has been the tradition ever since the President has been in office."

PARLIAMENTARY INQUIRY

Senator Pullen: "I thought we always read the bill three times, and when you always asked us to repeat that motion, the usual motion to advance, and a Senator repeats it, he always begins by moving, 'I move that the rules be suspended' and that the second reading be considered the third."

REMARKS BY THE PRESIDENT

President Cherberg: "The President will check your point, Senator Pullen."

REMARKS BY SENATOR CLARKE

Senator Clarke: "Commenting upon the rule of order, assuming that the President rules and construes Rule 60 as indicating that amendments must be presented in the committee of the whole and that the sole question is the question of whether it now takes a two-thirds vote to advance from second to third reading, I would suggest that we do have a precedent involved here in that the original purpose of requiring the two-thirds vote and actually having the second and third reading is that on certain occasions insistence may be had of one day's delay. I am not saying that should be done here but I am worried a little bit about the precedent of a ruling on whether or not it takes a two-thirds vote to advance from second to third reading, and I think that one of the main purposes of that rule is to enable a minority of the body, if it desires, in effect to prevent an automatic advancement from second to third reading without a delay of a day in which they can consider the bill before they have to vote on it.

"Now it may well be that the body here will feel that they have had enough information concerning this bill and that you will find that there are two-thirds who would vote to suspend the rules and advance it to third reading, but I do think that Senator Pullen has a good point when he does raise the point that in order to advance from second to third reading under the rules it does require a two-thirds vote."

RULING BY THE PRESIDENT

President Cherberg: "The President will place Senator Day's motion. If that motion carries, then the bill will be passed to third reading. This has been the tradition ever since the President has served in this particular office. If you want to have it perfectly clear, then if someone moves that the Senate be at ease and have a Rules Committee meeting and pull the bill out, you can follow that procedure. But every time this has ever come up, this has been the procedure followed and this is the way the President rules."

PARLIAMENTARY INQUIRY

Senator Clarke: "If I understand you correctly, you are saying that the motion of Senator Day would be in order by a majority vote simply to have the reading in the committee of the whole be regarded as the second reading."

REPLY BY THE PRESIDENT

President Cherberg: "We are not in the committee of the whole."

REMARKS BY SENATOR CLARKE

Senator Clarke: "His motion though was that the consideration in the committee of the whole should be regarded as the second reading. I am saying that if you

hold that that motion is correct and that motion prevails, then it has passed second reading and it would go automatically to third reading, but if I read you correctly then, in order to in effect consider it on third reading, it would then take a suspension of the rules or go back to the Rules Committee."

REPLY BY THE PRESIDENT

President Cherberg: "Yes."

REMARKS BY SENATOR CLARKE

Senator Clarke: "Thank you."

PARLIAMENTARY INQUIRY

Senator Pullen: "As I understand your ruling then, whenever a standing committee makes a report of a bill to us, then a motion would be in order . . ."

REPLY BY THE PRESIDENT

President Cherberg: "This is not a standing committee. This is the committee of the whole, Senator, and the Senate has risen and reported back that they have had under consideration the measure and recommend that it do pass. That motion was adopted. Now Senator Day has moved that the reading had in the committee of the whole be considered the second reading of the bill."

REMARKS BY SENATOR DAY

Senator Day: "Mr. President, if this will bring harmony here, with the permission of the body, I would withdraw the motion and possibly then that will expedite not having to have a rules committee meeting."

Senator Pullen moved the rules be suspended and the following amendment to the committee amendment be adopted:

On page 151, following line 37, insert the following new section and renumber the remaining sections consecutively:

"NEW SECTION. Sec. 188. FOR THE COMMISSION FOR VOCATIONAL EDUCATION

Design and construct a multi-phased Fire Service and Training Center to serve firefighters of the state. Senator Bottiger moved adoption of the following amendment by Senators Benitz, Vognild, Bottiger and Morrison to the amendment by Senator Pullen:

On page 151, following line 37, insert the following new section and renumber the remaining sections consecutively:

"NEW SECTION. Sec. 188. FOR THE COMMISSION FOR VOCATIONAL EDUCATION

On page 166, following line 36, insert the following subsection and renumber the remaining subsection consecutively:

"(35) "GF, Fire Trng Constr Acct" means General Fund—Fire Training Construction Account;"

POINT OF ORDER

Senator Clarke: "Is this not an amendment to an amendment to an amendment submitted by Senator Bottiger?"

RULING BY THE PRESIDENT

President Cherberg: "Senator Bottiger, Rule 60 states that bills appropriating money shall be considered in committee of the whole Senate and no change in the amount appropriated shall be made outside of the committee of the whole."

POINT OF ORDER

Senator Walgren: "Very reluctantly, I am going to raise the point of order of Rule 60 that these matters cannot be considered outside of the committee of the whole."

REMARKS BY SENATOR PULLEN

Senator Pullen: "When I made my motion, I moved that the rules be suspended. Therefore, it would take a two-thirds vote to adopt my amendment."

REMARKS BY THE PRESIDENT

President Cherberg: "Not necessarily to adopt your amendment, Senator. With the Senator Bottiger amendment, it would take a two-thirds vote. If you are going to consider an amendment changing the size of the appropriation, that will take a two-thirds vote outside of the committee of the whole."

The motion of Senator Bottiger failed and the amendment to the amendment by Senator Pullen was not adopted.

The motion by Senator Pullen failed and the amendment to the committee amendment was not adopted.

On motion of Senator Walgren, the rules were suspended, Engrossed Substitute House Bill No. 236, as amended by the Senate, was advanced to third reading, the second reading considered the third, and the bill was placed on final passage.

(2) Each fuel burning masonry fireplace, factory-built fireplace and factory-built stove shall be equipped with an outside combustion air inlet."

On page 2, line 26, strike all of section 4 and insert:

"NEW SECTION. Sec. 4. The concepts of section 3 shall be incorporated into the state uniform building code no later than July 1, 1981, or a report shall be submitted to the legislature as to why this has not been accomplished."

On page 2, line 35, strike all of section 6.

POINT OF INQUIRY

Senator Guess: "Senator Bottiger, I am somewhat concerned . . . in subsection (2) in the first part of the thing, it says, 'Each fuel burning masonry fireplace shall have an outside air inlet.' I am not worried about that. 'Each factory-built fireplace,' and I think it is going to take a good bit of engineering for that so that the inlet can be made in a utility manner so that the air inlet will be available from different directions, depending on what the application is. But then I am really worried about the factory-built stoves and I remember particularly the Norwegian stove by the name of Joel. You pay about \$600 for that stove. It is a very fine piece of casting and if you penetrate the outside of the stove in any way and you break up the integrity of the air tightness and a combustion—an outside combustion source on that would, in my opinion, breach the integrity of that design, then it is not going to serve the purpose for which that designer built it. Now this is one thing that I do not believe that we ought to let the building code be established without first making sure that the advisory committee understands that we do not intend for them to breach the integrity of a thoroughly designed unit."

Senator Bottiger: "Senator Guess, I agree with you and I will ask that a copy of your question and my reply be included with the report to the building code advisory committee. If any of you are interested, if you will pick up your Wards or your Sears and Roebuck catalog, you will find these stoves advertised there with this outside air combustion kit available, but I am sure there are stoves that that would not be the proper way to go and the advisory committee, I am sure, will take all of those into consideration."

POINT OF INQUIRY

Senator Rasmussen: "As I read this, Senator Bottiger, you are saying that this shall be incorporated, they shall adopt or explain to us why they do not adopt. I recall another bill that has gone through here saying that this building code advisory group will study all the factors of building for conservation of heat. My question is, what is the need of this bill at all? They are perfectly capable from your remarks that I have heard of making the determination of whatever is the best as far as new building construction. I see no advantage of adopting this. The majority of us do not even know the cost or whether it would be worthwhile and know nothing about what is going to happen in the year 1990 with regard to what we are going to be using for homes then. They may all be underground or they may all be up there in circuits. We do not know."

Senator Bottiger: "Senator Rasmussen, in 1990, fifty percent of all the houses in use will have been built before today. We can give you that with quite a bit of authority. The bill here is an additional direction over and above the actuary standards which do not include this question. We are simply adding to what we are asking the building code advisory committee to look at, because this area has a particular advantage of having a lot of wood waste product available that could be used in a clean manner, in a very desirable manner, in our homes to eliminate that huge peak load that occurs when we have a big cold snap."

Debate ensued.

POINT OF INQUIRY

Senator Bausch: "On the amendment, does definition of stove exclude furnace? Is furnace a different thing?"

Senator Bottiger: "Senator Bausch, you do not have the problem if you have a furnace because you must have a flue in the house to have the furnace. The problem comes in the all new houses where the very least expensive original capital construction item, baseboard heat, was put into. Those people have no alternatives and what we are suggesting, what the original bill did, said you had to put a chimney in the house so people had that ability to convert. We have watered it down and just asked the advisory committee to study it with their eighty-one report. Now, if I were buying a house, I would have not only a furnace but I would have a fireplace and I would have one of these stoves that Senator Guess has mentioned because they are extremely efficient, but they need two things. They need a chimney to hook on to and if you want them to run right, they need that outside air vent. You can buy these things to attach to your present furnace and use wood as an alternate fuel source and they are very desirable."

Senator Bausch: "The answer still is, it does not affect a furnace."

The motion by Senator Bottiger carried and the amendments were adopted.

There being no objection, an amendment by Senator Bottiger on the desk of the Secretary of the Senate was withdrawn.

On motion of Senator Bottiger, the following amendment to the title was adopted:

On page 1, line 1 of the title, after "utilities;" insert "and", and on line 2, after "RCW" strike "; and providing an effective date"

On motion of Senator Bottiger, the rules were suspended, Engrossed Substitute Senate Bill No. 3087 was advanced to third reading, the second reading considered the third, and the bill was placed on final passage.

POINT OF INQUIRY

Senator Vognild: "Senator Bottiger, I have one concern here. All purpose chimney in this case, or flue, may not be sufficient I think in some cases to handle a gas fired heating appliance. The average fireplace chimney certainly will not handle it. As a matter of fact, are extremely dangerous and will create fires. We will lose some housing rather than gain it. Do you feel that 'all purpose', as defined in the bill, is broad enough or can be broad enough to cover all gas fired heating appliances?"

Senator Bottiger: "Senator Vognild, that was one of the objections that caused me to draft the proposed amendment to make a study out of it. The people from the gas company mentioned the same thing as an objection. The people from the building code advisory committee also made that point. If it is going to have a gas use, it had better be a gas flue as opposed to an 'all purpose'. That is why I am asking them to study it and come back with a recommendation."

MOTION

On motion of Senator Marsh, the Senate commenced consideration of the House Message on Substitute House Bill No. 194.

MESSAGE FROM THE HOUSE

April 25, 1979.

Mr. President: The House refuses to concur in the Senate amendment to page 1, line 8 to SUBSTITUTE HOUSE BILL NO. 194 and asks the Senate to recede therefrom, and said bill, together with the Senate amendment thereto, is herewith transmitted.

DEAN R. FOSTER, Chief Clerk.
VITO T. CHIECHI, Chief Clerk.

MOTION

Senator Goltz moved the Senate do recede from its amendment to page 1, line 8 to Substitute House Bill No. 194.

Debate ensued.

POINT OF INQUIRY

Senator Clarke: "I am in support of Senator Guess, and possibly Senator Goltz can answer when he gets up and that is this: Senator Goltz, you, in your opening remarks, related to various activities which would be partially financed, both by student funds and by, in effect, university funds, and stated that it apparently is the intent that as to those situations that would fall within the bill and that the determination would be in the hands of the student body.

"Now there is no degree or qualification in there and my apprehension would be that there may well be various activities which are primarily financed with other than student funds but which perhaps there will be a very small percentage of student funds used and apparently, if we go along with the House, this would mean that in any instance where to any degree student funds participate, they would then have more or less exclusive control."

Senator Goltz: "Mr. President, in response to the remarks by Senator Guess and Senator Clarke, I believe it is correct that student service and activity fees are restricted to a rather limited number of programs at the colleges and universities and Senator Guess has enumerated a number of those. In every instance it could be

argued, I think, Senator Clarke, that some other funds are used for these programs so that even in the case of athletics, for example, the use of a gymnasium which is built out of state funds, it could be argued that these are not entirely student activity and service fees, and therefore, if the word 'entirely' appears, there is a complete exclusion. When Senator Guess lists the programs that he did, drama, band, athletics, debate, orchestra and so on, you know, it seems to me that it makes the case that in those kinds of programs where student service and activity fees are all or partly used to support those programs, that the students ought to have some say, and all we are talking about is the initial budgetary recommendation. The authority for making the choice as to how these funds are going to be used ultimately and finally rests with the board of trustees. I think we should make no mistake about that. This bill does not take away from the board of trustees the final decision making authority. Most colleges and universities already follow this practice. This is really an attempt to put into statute what many of the colleges and universities do, but students, I think, feel very strongly and I think quite rightly that as long as these fees are paid by them for programs which are to benefit them, they should have the opportunity to have some initial say and I say we should agree with that."

POINT OF INQUIRY

Senator Rasmussen: "Senator Goltz, do you have any specific instances where this legislation is needed at all? I have not heard any complaints."

Senator Goltz: "There are many, many students who feel that they have not had proper opportunity to advise and give initial budgetary input at the colleges and universities, and the specific instances, Senator Rasmussen, are contained in the minutes and in the correspondence from almost every student organization in the state of Washington. These are student fees. We are not talking about dollars which are taxpayer dollars. These are student fees we are talking about and these are the fees that they pay for programs which are for their benefit, and it is the initial budgetary impact only, so it is a very narrow range of activity that we are talking about."

Senator Rasmussen: "Senator Goltz, some years back one of the committees in the House made a study of the associated students fees and they found that ninety-nine percent of the students did not know what the fees were spent for but their main complaint was that the associated student fees were too high and they would rather have them reduced, not as to how they were spent and I think that report is on file. There are a few of the student officers and the executive secretary of the associated students who knew what was going on and the rest of them did not know, but I myself find nothing objectionable in having them have a say to anything that is funded entirely by their own fees, but I do not see any reason why they should come in and have too much say in what the state is providing."

"I support Senator Guess that we should, if the House wants this legislation, ask them to recede from their position."

Senator Guess demanded a roll call and the demand was sustained.

The President declared the question before the Senate to be the motion by Senator Goltz that the Senate do recede from its amendment to page 1, line 8 to Substitute House Bill No. 194.

The Secretary called the roll and the motion by Senator Goltz carried by the following vote: Yeas, 25; nays, 17; absent or not voting, 1; excused, 6.

The motion by Senator Goltz carried and the Senate receded from its amendment to page 1, line 8 to Substitute House Bill No. 194.

Further debate ensued.

SUBSTITUTE HOUSE BILL NO. 194, having received the constitutional majority, was declared passed. There being no objection, the title of the bill was ordered to stand as the title of the act.

PERSONAL PRIVILEGE

Senator North: "I am very concerned about something. Last Wednesday morning the Senate constitution and elections committee met and they passed out two bills, a constitutional amendment dealing with the establishment of a redistricting commission, and an enabling bill. They have not been read in and this is Saturday morning. Where are they?"

POINT OF ORDER

Senator Walgren: "Mr. President, I raise the question as to whether this is a proper point of order that has been raised by Senator North. It does not seem to me that she is talking on a point of personal privilege. She is debating a question of bills that are before committees or before the Senate rather than a point of personal privilege."

REMARKS BY SENATOR NORTH

Senator North: "Mr. President, it is my understanding that a point of personal privilege is that you are feeling something. It is an emotional point."

RULING BY THE PRESIDENT

President Cherberg: "A point of personal privilege is something solely personal to you, and the remarks by Senator Walgren are well taken."

REMARKS BY SENATOR NORTH

Senator North: "I see. As a sponsor of the bill, I felt very personally about it."

PARLIAMENTARY INQUIRY

Senator Scott: "Could the same question be raised as a point of order? Since the committee has passed the bill out several days ago and the bill has not been read in, it is not a matter of normal procedure and the question would be, why hasn't normal procedure been followed, and it would therefore be a point of order."

MOTION

Senator Clarke: "Mr. President, I move that the Senate advance to the eighth order of business for the purpose of making a motion and in speaking on that, that I think is a motion that is subject to debate and I will yield to Senator North for the purpose of speaking on the motion to advance to the eighth order of business."

REPLY BY THE PRESIDENT

President Cherberg: "Senator Clarke has moved that the Senate advance to the eighth order of business."

REMARKS BY SENATOR NORTH

Senator North: "These bills are a vital issue to the public at large. We have been receiving communication . . ."

POINT OF ORDER

Senator Walgren: "Mr. President, the Senator is not speaking on the motion to advance to the eighth order."

RULING BY THE PRESIDENT

President Cherberg: "Senator Walgren's remarks are well taken."

REMARKS BY SENATOR CLARKE

Senator Clarke: "Speaking on the motion to advance to the eighth order, the reason for the motion is to permit a motion to be made to remove the committee consideration from the two particular bills, and I think the body has a right to be advised as to the reason for the motion to advance to the eighth order and I think involved in that proposition is the question as to the merits, in substance, of the proposed motion.

"So I think that if Senator North would preface her remarks by stating that she supports the motion to advance to the eighth order and that if we reach the eighth order, she then intends to make that particular motion. I think the body has the right then to vote and determine whether it wants to advance to the eighth order for the purpose of hearing the particular motion."

MOTION

Senator Walgren moved the motion by Senator Clarke be laid upon the table.

Senator Lewis demanded a roll call and the demand was sustained.

The President declared the question before the Senate to be the motion by Senator Walgren that the motion by Senator Clarke to advance to the eighth order of business be laid upon the table.

MOTION

On motion of Senator Marsh, the Senate commenced consideration of the House Message on Substitute House Bill No. 80.

MESSAGE FROM THE HOUSE

April 26, 1979.

Mr. President: The House has concurred with the Senate amendment to SUBSTITUTE HOUSE BILL NO. 80 on page 3, line 1, but does not concur with the

Senate amendment on page 2, line 34 and asks the Senate to recede therefrom, and said bill, together with the Senate amendments thereto, are herewith transmitted.

DEAN R. FOSTER, Chief Clerk.

VITO T. CHIECHI, Chief Clerk.

MOTION

Senator Day moved the Senate do recede from its amendment to page 2, line 34 to Substitute House Bill No. 80.

Debate ensued.

POINT OF INQUIRY

Senator Clarke: "Mr. President, I still have some concern. The purpose of the amendment, I think the intent of the majority of the Senators who voted for that particular amendment was to endeavor to make some practicability to this particular legislation. As the bill without that amendment mandates in all instances, regardless of what the department does, that they pay one hundred percent of the prevailing wages and the Senate amendment took that down which mandated sixty percent.

"Now it is true that the department, if they so desire, could pay one hundred percent and in many instances or some instances they may want to do this, but without the amendment, we are mandating one hundred percent. So if the department finds a situation where they feel and everybody else feels that it would be advantageous to enter into a contract which was somewhat less than one hundred, then they could not go below sixty but they could go anywhere between sixty and one hundred.

"Now I do not think that we should be influenced by the fact that the department says that since this does provide, in effect, a floor, that they are going to at least at the present time exercise their discretion not to use the floor but to pay the full one hundred percent. I still think that we are severely handicapping this piece of legislation and preventing circumstances which might be desirable for the inmates, the department, the contractor and everybody else if we leave in here the mandate of one hundred percent.

"Now I think the argument itself indicates the necessity for the amendment and I do not see why the House or anybody else objects to it, because if the discretion is still there to go to one hundred percent, then we leave that flexibility but why do we mandate a hundred percent at a legislative level? I still cannot understand that. Maybe Senator Day or somebody else can explain it to me."

Senator Day: "Yes, Senator Clarke, I can and I agree with most of what you said in substance. In fact, if you will recall that we worked the thing out here the other day, but we find in chapter 19 there is a section relative to prison goods and we have already mandated one hundred percent, so that if we pass this there would be a conflict in the statutes. One statute would say one thing and the other one would say the other. One would say not less than sixty percent and the other would mandate one hundred percent, which means that it is already mandated one hundred percent. But my understanding when I stood up here, from staff, that Senator Guess had knowledge of this and others and that they had accepted it and understood it, did not like it, but that was the way it was and that we were not wanting to lose the bill and so we were just going to back off of our amendment and pass it and that was it."

Senator Clarke: "My response to that would be that if there is some other statute that needs correction, maybe at some future date we can address that but in the interim, as long as the department still has discretion to go to one hundred percent, I cannot see any objection whatsoever to leaving this at the sixty percent level, so what you are doing is that in order to accomplish what apparently is the intent of

the Senate, you are simply saying that we ought to not only change this but also change some other statute."

POINT OF INQUIRY

Senator Rasmussen: "Senator Day, it would appear to me in reading the law, the proposed bill here, that this would relate—it would take some research in the other aspects of the law—but the secretary may lease or permit the use of a portion. I would think that this would apply where the secretary had permitted the lease of a portion of our institution and so that this sixty percent would relate particularly to that, not to prison industries as such, which would be covered under the other law, and I think we should insist on our position on this amendment."

Senator Day: "Of course, I am willing to insist on our position. I just think that if there is a danger of losing the bill and if we do not accomplish anything actually at this moment by the amendment, I felt that the thing to do was to recede and pass the bill and then next session we will sponsor a bill and we will put two sections in it. We will amend both chapter 19 and this section and bring the thing into conformance with our thinking. Now we can do it either way."

Further debate ensued.

There being no objection, on motion of Senator Day the motion that the Senate recede from its amendment to page 2, line 34 to Substitute House Bill No. 80 was withdrawn.

MOTION

On motion of Senator Day, the Senate insists on its position on the Senate amendment to page 2, line 34 to Substitute House Bill No. 80 and again asks the House to concur thereto.

MOTION

On motion of Senator Marsh, the Senate resumed consideration of the House Message on Substitute Senate Bill No. 2317.

On April 18, 1979, Senator Ridder had moved the Senate do concur in the House amendments. At that time the House Message and motion were held for later consideration by Senator Morrison.

MESSAGE FROM THE HOUSE

April 9, 1979.

Mr. President: The House has passed **SUBSTITUTE SENATE BILL NO. 2317** with the following amendments:

On page 1, line 5 of the title, after "RCW;" strike "and" and on line 6, after "section" insert "; and declaring an emergency"

On page 2, line 18, after "benefits to" insert "less than"

On page 3, after Sec. 4, insert a new section to read as follows:

"NEW SECTION. Sec. 5. This act is necessary for the immediate preservation of the public peace, health, and safety, the support of the state government and its existing public institutions, and shall take effect immediately.", and the same is herewith transmitted.

DEAN R. FOSTER, Chief Clerk.
VITO T. CHIECHI, Chief Clerk.

The motion by Senator Ridder carried and the Senate concurred in the House amendments to Substitute Senate Bill No. 2317.

POINT OF INQUIRY

Senator Morrison: "Senator Ridder, there is a problem with this bill and I think I would agree that the House has had plenty of time to send over the measure that was to take its place. Is it your feeling that if we proceed to pass this bill that you have sponsored, that we also will consider the change which should be coming over from the House?"

Senator Ridder: "Yes, indeed. Mr. President and members, there was some language which was discussed when the bill was in the Senate committee and was not incorporated. It again went through the total House committee and was not incorporated and at the last minute the department seems to think that they have some language difficulty. They do have a vehicle to which they can attach it in the House if they choose to do so and make their case there, so I would urge that we pass this particular bill at this time."

The President declared the question before the Senate to be the roll call on final passage of substitute Senate Bill No. 2317, as amended by the House.

The Secretary called the roll on the final passage of Substitute Senate Bill No. 2317, as amended by the House, and the bill passed the Senate by the following vote: Yeas, 43; excused, 6.

MESSAGE FROM THE HOUSE

April 25, 1979.

Mr. President: The House has receded from its amendments to ENGROSSED SUBSTITUTE SENATE BILL NO. 2532 and has passed the bill without the House amendments, and the same is herewith transmitted.

DEAN R. FOSTER, Chief Clerk.

VITO T. CHIECHI, Chief Clerk.

MOTION

On motion of Senator Walgren, the Senate advanced to the sixth order of business.

SECOND READING

SUBSTITUTE HOUSE BILL NO. 1034, by Committee on Transportation (originally sponsored by Representatives Martinis and Wilson):

Granting certain cities the authority to raise revenues for certain highway improvements.

The bill was read the second time by sections.

On motion of Senator Talmadge, the rules were suspended, Substitute House Bill No. 1034 was advanced to third reading, the second reading considered the third, and the bill was placed on final passage.

Debate ensued.

POINT OF INQUIRY

Senator North: "I agree with Senator Rasmussen. I think that the route far preferable would be bonding and I wanted to ask you, Senator Talmadge, has the city of Seattle given consideration to making this a toll bridge facility, using bonds and then using the toll revenue to pay off those bonds over a period of years?"

Senator Talmadge: "Yes, Senator. The city of Seattle has. In response to the questions that you and Senator Rasmussen have raised, the city of Seattle has about forty-four to forty-seven million dollars in bonding capacity, limited general obligation bond capacity, but the city of Seattle is already committed to building two police precinct stations from that bonding capacity and is also committed on the Westlake Mall project, a substantial downtown Seattle economic development project, so that that councilmatic bonding authority is substantially committed already.

"With respect to the toll facility, the city of Seattle has examined the toll facility repeatedly and will continue to do so. The problem is that we need to commit funds now so that the project can go to the design stage. Without going to the design stage, we cannot even consider a toll authority. The other substantial problem is, the West Seattle Bridge corridor is in a large industrial area and Bethlehem Steel has a

very large plant immediately near the bridge. A number of other large industries are located near that bridge.

"The environmental protection agency of the federal government has some substantial concerns about the pollution levels in that basin. If we have sixty-five thousand cars a day, something similar to a toll bridge facility on I-5 or maybe I-90, there would be substantial amounts of pollutants created by the back-up of cars waiting to go through the toll facility. The city is going to explore a number of alternative possibilities with respect to a toll, including the computer type of toll booth or the possibility of the deep dish things in which people pitch quarters or whatever into the dish, but I think we need to have this authority now in order to proceed to even consider that possibility and the city will consider that possibility."

Senator North: "Thank you. My second question has to do with the financing of this project. We all know that the source of money has come from the federal government, from state funds, from the county, from the city of Seattle, from the port of Seattle, forward thrust money also, to total roughly one hundred and ninety-seven million. Out of all that one hundred and ninety-seven million, the port district has contributed ten million and who stands to benefit the most out of a high level bridge allowing greater ocean travel going up the Duwamish, future development? The port obviously has the most to gain out of this whole project. Does the city of Seattle have any intent to press the port for additional funding to carry its fair share of the load?"

Senator Talmadge: "Yes, Senator North, the city of Seattle does intend to press the port of Seattle for additional contributions to the West Seattle Bridge project. In fact, I intend to press the port of Seattle for similar contributions. I think it is very clear that the port will benefit by this facility. I believe also that we potentially can build the project for less than the one hundred and ninety-seven million dollars sketched in the environmental impact statement.

"Senator Henry has expressed a concern along those lines and perhaps we can do it for something a little bit cheaper than one hundred and ninety-seven million dollars and we intend to press in the design and construct phase to keep the cost down and to explore the possibility of raising additional funds from the port, but you have to understand that at this stage of the game, this is the first time in the long history of this project that the port of Seattle has even considered making any kind of commitment and it is through the work of Councilwoman Williams that we have been able to raise the ten million from the port. We are going to continue to keep on the back of the port of Seattle and the other jurisdictions involved to contribute the maximum degree possible for the facility."

Senator North: "Thank you, Senator. Given these two assurances, I can support the bill. The sales tax or the increased gasoline tax is not palatable and I am glad to know that the city will pursue these other two alternatives."

ROLL CALL

The Secretary called the roll on the final passage of Substitute House Bill No. 1034 and the bill passed the Senate by the following vote: Yeas, 29; nays, 14; excused, 6.

Voting yea: Senators Bausch, Conner, Day, Donohue, Fleming, Gaspard, Goltz, Gould, Guess, Hansen, Henry, Lee, Marsh, Moore, North, Odegaard, Peterson, Pullen, Quigg, Ridder, Talley, Talmadge, Van Hollebeke, Vognild, von Reichbauer, Walgren, Wanamaker, Wojahn, Woody—29.

Voting nay: Senators Bluechel, Bottiger, Clarke, Gallagher, Lewis, Lysen, Matson, Morrison, Newschwander, Rasmussen, Scott, Shinpoch, Williams, Wilson—14.

Excused: Senators Benitz, Hayner, Jones, Keefe, McDermott, Sellar—6.

SUBSTITUTE HOUSE BILL NO. 1034 having received the constitutional majority, was declared passed. There being no objection, the title of the bill was ordered to stand as the title of the act.

On motion of Senator Marsh, the Senate returned to the fifth order of business.

"O WONDERFULLY MYSTERIOUS GOD, WHO COMES TO US ALWAYS AS SOMETHING, SOMEONE HOLY; SOMETHING OR SOMEONE OTHER THAN OUR OWN DESIRES; SOMEONE, SOMETHING OTHER THAN OUR OWN SELFISH INTERESTS; A CREATIVE INSIGHT, A HUMAN NEED, A WORD OF COMFORT IN A TROUBLING TIME, A GRAND PURPOSE FOR THE LIVING OUR DAYS. COMING TO US, ONLY YOU HAVE THE POWER TO LIFT US OUT OF OURSELVES AND THE TREADMILLS OF OUR MINDS, WHICH RUN AND SPIN, BUT SEEM TO ONLY RETRACE THE FULL, BORING STEPS OF OUR OWN IMPRINTS, FAMILIAR TERRITORY LEADING NOWHERE.

"TO YOU ALL GENERATIONS OF MEN AND WOMEN HAVE TURNED TO GIVE THANKS FOR THE GIFT OF THEIR DAYS AND TO SEEK OUT THE HIGHER WISDOM AND THE GRANDER DESIGN WITHIN OUR LIVES FIND MEANING AND PURPOSE. TO YOU NOW WE IN OUR OWN DAY TURN, REMEMBERING THE WORDS OF THAT POET SO LONG AGO: 'SO TEACH US TO NUMBER OUR DAYS THAT WE MAY GAIN A HEART OF WISDOM'.

"MAY THE BREVITY OF OUR DAYS NOT SINK US INTO DESPERATE SCRAMBLING, BUT LIFT US TO A MORE NOBLE PURPOSE, AS YOU COME TO MEET US IN THE MIDST OF OUR TIME. AND SINCE WE KNOW HOW INCAPABLE WE ARE OF GRANTING TO OUR WORKS, OUR SWEAT AND OUR EFFORTS AND LASTING IMPACT, AN ENDURING VALUE WE ECHO HIS PSALM ONCE MORE: 'ESTABLISH THOU THE WORKS OF OUR HANDS UPON US, YEA, THE WORKS OF OUR HANDS ESTABLISH THOU IT'.

"AND SINCE WE CAN NEVER BE CERTAIN THAT WE POSSESS YOUR WISDOM, SINCE OUR VISIONS ARE CLOUDED BY OUR SHORT-SIGHTEDNESS, AND SINCE WE ARE INCAPABLE OF INSURING OUR OWN VALUE WE PRAY: 'MAY THE WORDS OF OUR MOUTHS AND THE THOUGHTS OF OUR HEARTS BE ACCEPTABLE IN YOUR SIGHT, OUR STRENGTH AND THE REDEEMER OF OUR TIME'. AMEN."

On Saturday, April 28, 1979, Senator Morrison moved the Senate do concur in the House amendment to Engrossed Senate Bill No. 2905.

POINT OF INQUIRY

Senator Odegaard: "Senator Morrison, where you have changed, I believe, the language there was a 'not' on line 16."

Senator Morrison: "Senator Odegaard, I believe if you will look at that you will find that the change is to specify that the person who is certified, that is, who has a training certificate, and the House reversed it so they got away from double negatives and came to the actual mention of a person who has a training certificate then can proceed to do the steps as outlined in the first part of the bill."

Senator Odegaard: "There is really no change then in the intent?"

Senator Morrison: "No. I think we said something about a person who has not received their journeyman status and they said something about a person who is certified as a trainee. There is a step here where, before you can start the training, you have to receive a certificate which says you are proceeding through the steps, so it does not at all reverse the intent of the original bill. This is, by the way, supported by the contractors, large and small, as well as the building and trades council, who have worked on this measure very definitely."

Senator Odegaard: "Thank you, Senator Morrison."

The motion by Senator Morrison carried.

The President declared the question before the Senate to be the roll call on Engrossed Senate Bill No. 2905, as amended by the House.

MOTION

Senator Day moved the Senate do concur in the House amendment to Engrossed Substitute Senate Bill No. 2337.

POINT OF INQUIRY

Senator Sellar: "Senator, in that section on confidentiality, does it still allow the department to look at medical records without the permission of the patient?"

Senator Day: "I think that what it does is to allow them to look at the records but I think that it places some additional mandatory penalties on the department for having in any way allowed that information to be utilized for any other purpose."

Senator Sellar: "That is something like asking the jury not to pay any heed to the former remarks, I think."

Senator Day: "No, I think that what that does, it says to the department if they in any way release that information they are subject to penalties. 'Provided that no original patient records shall be removed from the premises of the health care provider and that the disclosure of any records or information by the department of social and health services is prohibited and constitutes a violation of RCW 42.22.040 unless such disclosure is directly connected to the official purpose for which the records or information were obtained.' So they have tightened that right down."

Senator Sellar: "Tightened it a little bit? Okay, thank you very much."

On page 3, line 11 after "each" strike "of the"

On motion of Senator Bottiger, the following amendment to the committee amendment was adopted:

Senator Bottiger moved adoption of the following amendment to the committee amendment:

On page 2, beginning on line 6 after "agency." strike the material through "43.52.490" on line 12 and insert:

"The board shall require a firm to conduct continuing audits of the methods, procedures and organization used by the operating agency to control costs, schedules, productivity, contract amendments, project design and any other topics deemed

desirable by the board. The board may also require a firm to analyze particular technical aspects of the operating agency's projects and contract amendments."

POINT OF INQUIRY

Senator Guess: "Senator Bottiger, would you catch me up to date here? Which board?"

Senator Bottiger: "The executive board of WPPSS."

Senator Guess: "And you say WPPSS has agreed to this?"

Senator Bottiger: "Mr. Billington and Mr. Boldt and one of the attorneys from their office were at the meeting and this is the agreed language. Senator, I do not want you to be confused. They do not want the bill, but this language they said they could live with."

Senator Guess: "All right. I will talk later on the rest of it."

POINT OF INQUIRY

Senator Lysen: "Senator Bottiger, on the last line of this amendment it says 'The board may also require a firm to analyze particular technical aspects of the operating agency's projects and contract amendment.' Does this mean that they can actually go into the plants and look around and poke around and see that the actual work that is reported to be done or the change order that is reported to be changed, they can go in and check it out and see that it is and this would allow our LBC people to also check those reports in such a manner when they get the report from the firm that is doing the audit or the designer doing the analysis?"

Senator Bottiger: "Senator, you have got two questions in one. The language in this amendment would allow the board to also require the firm they employed to make an analysis of the particular technical aspect, and what we were after was change orders. Was the change order that was being recommended by the contractor necessary under NRC? Was it desirable? They could ask their internal audit team to go look at it. That is the language we arrived at to perform that subject."

Senator Lysen: "Inside the plant? Just go right in . . ."

Senator Bottiger: "Inside the plant. How many hangers you have on a certain steam line."

Senator Lysen: "That is right."

The motion by Senator Bottiger carried and the amendment to the committee amendment was adopted.

Senator Bottiger moved adoption of the following amendment to the committee amendment:

On page 3, line 2 strike "including design engineering analyses"

POINT OF INQUIRY

Senator North: "We went by so quickly on the last amendment I did not get a chance to ask my question. Would the wording there concerning the operating agency's projects and contract amendments involve looking at labor contracts, unreasonable wages, work delays, things of that nature, because there have been many comments and criticisms that this is part of what is contributing to escalating costs in the WPPSS projects?"

Senator Bottiger: "Senator North, clearly yes. The auditing firm could go in and criticize the operating contractor for his agreeing to pay wages over and above those charged or being paid in the locale and we would expect them to do exactly that."

MOTION

At 3:20 p.m., on motion of Senator Guess, the Senate was declared to be at ease.

President Pro Tempore Henry called the Senate to order at 3:24 p.m.

The motion by Senator Bottiger carried and the amendment to the committee amendment was adopted.

On motion of Senator Bottiger, the following amendment to the committee amendment was adopted:

On page 4, line 6 after "by" strike "a" and insert "at least one"

Senator McDermott moved adoption of the following amendment to the committee amendment:

On page 3 of the printed committee amendment following line 23 insert a new section to read as follows:

"NEW SECTION. Sec. 2. There is added to chapter 43.52 RCW a new section to read as follows:

The legislature hereby declares that an operating agency or joint operating agency created by or under authorization of this chapter is an "agency" within the definition and meaning set forth in RCW 42.17.020(1) and a "public agency" under the definition and meaning set forth in RCW 42.30.020. As such an "agency", each operating agency, joint operating agency and each and every subagency, board, committee, commission, participating agency or any other internal organization thereof, however designated, shall be fully subject to chapter 42.30 RCW and chapter 42.17 RCW."

POINT OF INQUIRY

Senator Benitz: "Senator Bottiger, is this the amendment you were referring to the other day when we were debating the budget and I raised the question of the seventy thousand dollars in the LBC? I questioned whether the LBC had the authority to audit WPPSS and you said something about an amendment coming along here later on that would put them under public disclosure and allow that audit. Is this that amendment?"

Senator Bottiger: "No, it is not. The amendment that I previously offered, the committee amendment, did that, Senator. It put the LBC, the reports to be filed and the LBC be able to check them, and that appears on page 3 of the committee amendment beginning on line 10. Senator McDermott's amendment, as I understand it, clears up two things. It requires the board members to file public disclosure commission reports. They already do, and it puts it under the public agency definition for purposes of open meetings, and two courts have already ruled that they are under that so I think what he is doing is just making sure that we are not changing the law by rewriting this statute."

POINT OF INQUIRY

Senator Guess: "Senator Bottiger, when they are dealing, and evidently as they are dealing in billions of dollars, is this going to throw each one of their board meetings open where they are going to be subject to more harassment from those people who do not like the idea of building nuclear power plants?"

Senator Bottiger: "Senator, I am not anti-nuclear but I think the open meeting law applies to building a state building. It applies to building a Tacoma City Light dam. It would apply to any of the public agencies in their contracting, many of which are maybe not this big but they are in the billion dollar classification. I can find no reason, with all of the restrictions and protections under the public meeting law that that agency would already have, why WPPSS should not be, and as I say, two courts have already said they are."

Debate ensued.

The motion by Senator McDermott carried and the amendment to the committee amendment was adopted on a rising vote.

On motion of Senator Lysen, the following amendment to the committee amendment was adopted:

On page 1, on line 25, after "43.52.375." on line 25 strike all the material down to and including "management" on line 28 and insert "The board shall retain a qualified firm or firms to conduct"

Senator Lysen moved the following amendments be considered and adopted simultaneously:

On page 2, on line 15, strike "At least once each year, the" and insert "The"

On page 2, on line 16, after "furnish" and before "a" insert "quarterly"

On motion of Senator Guess, the question was divided.

President Pro Tempore Henry declared the question before the Senate to be adoption of the amendment by Senator Lysen to the committee amendment on page 2, line 15.

POINT OF INQUIRY

Senator Lysen: "Senator Bottiger, if you adopt the 'timely' amendment, how would that be interpreted? I guess I could withdraw this amendment if—I would hope that we would get some kind of a report quarterly or timely in appearance which would be more than once a year, I would think. I would think monthly might even be concerned of interest at some time, depending on the situation, but I could withdraw this amendment if you would give me some idea of what the word 'timely' might mean without any kind of requirement for a quarterly report."

Senator Bottiger: "Senator, with the open meeting law amendment of Senator McDermott's, the reports of these firms made to the board are public documents and I, under this bill as chairman, or the chairman of the Senate committee or the House committee, could request those reports and that to me is 'timely', but if we get them into just writing more study reports, I do not think we have accomplished our purpose. Our purpose is to give to the staff of WPPSS an internal audit system to check the contractors that are currently working for them. This is the position that Mr. Monroe from BPA would like to have them do so that he gets copies and this is the product of the study that BPA contracted for on the WPPSS system, but if we just get 'reports' then we are getting back to the accountant-type auditor."

Senator Lysen: "As I would envision, a quarterly report might be a very short document of half a dozen pages or less. It is just a summary of what their view of the overall picture of the situation is. That would not require a lot of effort to give us just some kind of a summary update of what they feel the situation is."

The motion by Senator Lysen failed and the amendment to the committee amendment was not adopted on a rising vote.

There being no objection, on motion of Senator Lysen, the amendment to the committee amendment to page 2, line 16 was withdrawn.

On motion of Senator Lysen, the following amendments to the committee amendment were adopted:

On page 3, line 14, after "recommendations" insert "in a timely manner"

On page 3, on line 20, after "senate" strike "and" and insert "or"

Senator Lysen moved adoption of the following amendment to the committee amendment:

On page 3, beginning on line 22, strike "report to the committees on a quarterly basis" and insert "provide a special report containing such information as the chairman has requested"

Debate ensued.

The motion by Senator Lysen failed and the amendment to the committee amendment was not adopted.

There being no objection, the remaining amendments by Senator Lysen to the committee amendment on the desk of the Secretary of the Senate were withdrawn.

Senator Quigg moved adoption of the following amendment to the committee amendment:

On page 3, line 12, after "reports" insert: "with the legislative budget committee and with the county commissioners in the county where the plant is located"

POINT OF INQUIRY

Senator Benitz: "Does this apply to Benton county which has the Hanford operations also?"

Senator Quigg: "Senator Benitz, it would apply to a county where there is a thermal power plant that is being studied by this audit team so I imagine, since those plants are covered by the study, I suppose that it would."

Debate ensued.

The motion by Senator Quigg failed and the amendment to the committee amendment was not adopted.

The motion by Senator Bottiger carried and the committee amendment, as amended, was adopted.

Senator Bottiger moved adoption of the committee amendment to the title.

On motion of Senator McDermott, the following amendments to the committee amendment to the title were adopted:

On page 4 of the printed committee amendment on line 9 of the title after "committee;" and before "and" insert "subjecting operating agencies to the open public meetings act and the public disclosure act;"

On page 4 on line 9 of the title strike "a new section" and insert "new sections"

The motion by Senator Bottiger carried and the committee amendment to the title, as amended, was adopted.

MOTION

At 4:00 p.m., on motion of Senator Marsh, the Senate adjourned until 10:00 a.m., Tuesday, May 1, 1979.

JOHN A. CHERBERG, President of the Senate.
SIDNEY R. SNYDER, Secretary of the Senate.

Exempting certain companies and facilities using cogeneration processes from regulation as public service companies.

REPORT OF STANDING COMMITTEE

April 10, 1979.

SUBSTITUTE HOUSE BILL NO. 1013, exempting certain companies and facilities using cogeneration processes from regulation as public service companies (reported by Committee on Energy and Utilities):

MAJORITY recommendation: Do pass with the following amendments:

On page 1, strike everything after the enacting clause and insert the following:

"NEW SECTION. Section 1. The state of Washington has a large and growing need for electrical energy. The state of Washington possesses a great potential for the generation of electrical or mechanical power and useful heat energy through the process of cogeneration. It is the purpose and intent of the legislature to promote the growth of cogeneration in the state of Washington.

NEW SECTION. Sec. 2. As used in this chapter, the following terms have the meanings indicated unless the context clearly requires otherwise.

(1) "Cogeneration" means the sequential generation of electrical or mechanical power and useful heat from the same primary energy source or fuel.

(2) "Cogeneration facility" means any machinery, equipment, structure, process, or property, or any part thereof, installed or acquired for the primary purpose of cogeneration of electric energy by a person or corporation other than an electric utility.

(3) "Certificate" means a cogeneration tax credit certificate granted by the department.

(4) "Department" means the department of revenue.

(5) "Electric utility" means any person, corporation, or governmental subdivision authorized and operating under the Constitution and laws of the state of Washington which is primarily engaged in the generation or sale of electric energy.

(6) "Office" means the state energy office.

NEW SECTION. Sec. 3. An application for a certificate shall be filed with the department in such manner and in such form as may be prescribed by the department. The application shall contain estimated or actual costs, plans, and specifications of the cogeneration facility including all materials incorporated or to be incorporated therein, and a list describing and showing the cost of all equipment acquired or to be acquired by the applicant for the purpose of cogeneration, together with the operating procedure for the facility, or a time schedule for the acquisition and installation or attachment of the cogeneration facility and the proposed operating procedure for the cogeneration facility.

NEW SECTION. Sec. 4. A certificate shall be issued by the department within thirty days after approval of the application by the state energy office. The approval shall be given when it is determined that construction of the cogeneration facility began or will begin after the effective date of this act, that the cogeneration facility is designed and is operated or will be operated primarily for cogeneration, and that the cogeneration facility is suitable, reasonably adequate, and meets the intent and purposes of this chapter. In making the determination, the office shall afford to the

applicant an opportunity for a hearing. The office shall notify the department of its findings within sixty days of the date on which the application was submitted to it for approval: PROVIDED, That no certificate may be issued later than December 31, 1984.

NEW SECTION. Sec. 5. The department may adopt any rules under chapter 34.04 RCW it considers necessary for the administration of this chapter.

NEW SECTION. Sec. 6. The original acquisition of a cogeneration facility by the holder of a certificate shall result in a credit to the holder against the business and occupation tax imposed by chapter 82.04 RCW when the due date for payment of the taxes is after the effective date of the certificate. The tax credit shall not apply to servicing, maintenance, repairs, and replacement of parts after a facility is complete and placed in operation.

NEW SECTION. Sec. 7. When a cogeneration facility is operational and a certificate pertaining thereto has been issued, a credit may be claimed against taxes imposed under chapter 82.04 RCW: PROVIDED, That the date on which the facility is operational is no more than four years after the date of issuance of the certificate. The amount of the credit shall be two percent of the cost of a facility covered by the certificate for each year the certificate remains in force. The credits shall be cumulative and shall be subject only to the following limitations:

(1) No credit exceeding fifty percent of the taxes payable under chapter 82.04 RCW shall be allowed in any reporting period.

(2) The total cumulative amount of the credits allowed for any cogeneration facility covered by a certificate shall not exceed fifty percent of the cost of the cogeneration facility.

(3) The total cumulative amount of credits against state taxes authorized by this chapter shall be reduced by the total amount of any federal investment credit or other federal tax credit actually received by the certificate holder applicable to the cogeneration facility. This reduction shall be made as an offset against the credit claimed in the first reporting period following the allowance of the investment credit, and thereafter as an offset against any credit balance as it shall become available to the certificate holder.

NEW SECTION. Sec. 8. If subsequent to the issuance of a certificate or supplement for a cogeneration facility and prior to December 31, 1984 a determination is made to modify or replace the cogeneration facility, the holder of the certificate may file an application for a new certificate or supplement covering the modified or replacement cogeneration facility in accordance with the procedures set forth in this chapter for original certificates and supplements. After the issuance by the department of any new certificate or supplement, all subsequent tax credits for the modified or replacement cogeneration facility shall be based on the new certificate or supplement.

NEW SECTION. Sec. 9. The department shall send a certificate or supplement, when issued, by certified mail to the applicant. Notice of the department's refusal to issue a certificate or supplement shall likewise be sent to the applicant by certified mail.

NEW SECTION. Sec. 10. The state energy office, after notice to the applicant and after affording the applicant an opportunity for a hearing, shall, on its own initiative, revise its prior findings whenever any of the following appears:

(1) The certificate or supplement was obtained by fraud or misrepresentation, or the holder of the certificate has failed substantially without good cause to proceed with the construction, reconstruction, installation, or acquisition of a cogeneration facility or without good cause has failed substantially to operate the cogeneration facility for the purpose specified by the department in which case the department shall modify or revoke the certificate. If the certificate and/or supplement are revoked, all applicable taxes against which the credit provided for by this chapter

has been claimed shall be immediately due and payable with the maximum interest and penalties prescribed by applicable law.

(2) The cogeneration facility covered by the certificate or supplement is no longer capable of being operated for the primary purpose of cogeneration or is no longer suitable or reasonably adequate to meet the intent and purposes of this chapter, in which case the certificate shall be modified or revoked.

(3) Upon the date of mailing by certified mail to the certificate holder of notice of the action of the department modifying or revoking a certificate or supplement, the certificate or supplement shall cease to be in force or shall remain in force only as modified.

NEW SECTION. Sec. 11. There is added to chapter 84.36 RCW a new section to read as follows:

Cogeneration facilities which have been granted a cogeneration tax credit certificate under chapter ... RCW (sections 1 through 10 of this act) shall be exempt from property taxation for a period of seven years from the date on which the facility is operational or until such certificate is revoked, whichever is first.

Claims for the exemption authorized by this section shall be filed with the county assessor on forms prescribed by the department of revenue and furnished by the assessor. The assessor shall verify and approve such claims as he or she determines to be justified in accordance with this section.

The department of revenue shall promulgate such rules and regulations, pursuant to chapter 34.04 RCW as are necessary and convenient to properly administer the provisions of this section.

Sec. 12. Section 80.04.010, chapter 14, Laws of 1961 as last amended by section 1, chapter 47, Laws of 1977 ex. sess. and RCW 80.04.010 are each amended to read as follows:

"Electrical company" does not

include a company or person employing a cogeneration facility solely for the generation of electricity for its own use or the use of its tenants or for sale to an electrical company, state or local public agency, municipal corporation, or quasi municipal corporation engaged in the sale or distribution of electrical energy, but not for sale to others, unless such company or person is otherwise an electrical company.

The term "service" is used in this title in its broadest and most inclusive sense.

The committees shall report their findings and recommendations to the forty--seventh legislature of the state of Washington convened in regular session.

NEW SECTION. Sec. 15. If any provision of this 1979 act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

NEW SECTION. Sec. 16. Sections 1 through 10 of this act shall constitute a new chapter in Title 82 RCW."

On page 1, on line 1 of the title, after "regulation;" strike the remainder of the title and insert "amending section 80.04.010, chapter 14, Laws of 1961 as last amended by section 1, chapter 47, Laws of 1977 ex. sess. and RCW 80.04.010; adding a new chapter to Title 82 RCW; adding a new section to chapter 84.36 RCW; and creating new sections."

Signed by: Senators Bottiger, Chairman; Hayner, Lewis, Lysen, North, Williams, Wilson, Woody.

The bill was read the second time by sections.

On motion of Senator Bottiger the committee amendments were not adopted.

Senator Bottiger moved adoption of the following amendment:

On page 1, strike everything after the enacting clause and insert the following:

"NEW SECTION. Section 1. The state of Washington has a large and growing need for electrical energy. The state of Washington possesses a great potential for the generation of electrical or mechanical power and useful heat energy through the process of cogeneration. It is the purpose and intent of the legislature to promote the growth of cogeneration in the state of Washington.

NEW SECTION. Sec. 2. As used in this chapter, the following terms have the meanings indicated unless the context clearly requires otherwise.

(1) "Cogeneration" means the sequential generation of electrical or mechanical power and useful heat from the same primary energy source or fuel.

(2) "Cogeneration facility" means any machinery, equipment, structure, process, or property, or any part thereof, installed or acquired for the primary purpose of cogeneration by a person or corporation other than an electric utility.

(3) "Certificate" means a cogeneration tax credit certificate granted by the department.

(4) "Cost" means only the cost of a cogeneration facility which is in addition to the cost that the applicant otherwise would incur to meet the applicant's demands for useful heat. "Cost" does not include expenditures which are offset by cost savings, including but not limited to savings resulting from early retirement of existing equipment.

(5) "Department" means the department of revenue.

(6) "Electric utility" means any person, corporation, or governmental subdivision authorized and operating under the Constitution and laws of the state of Washington which is primarily engaged in the generation or sale of electric energy.

(7) "Office" means the state energy office.

NEW SECTION. Sec. 3. (1) An application for a certificate shall be filed with the department. The application shall contain the estimated or actual cost, plans, and specifications of the cogeneration facility, including all materials incorporated or to be incorporated therein, and a list describing and showing all expenditures made by the applicant for the purpose of cogeneration, together with the operating procedure for the facility, and if the facility has not been constructed, a time schedule for

the acquisition and installation or attachment of the cogeneration facility and the proposed operating procedure for the cogeneration facility.

(2) The department shall provide a copy of the application to the energy office within ten days after receipt thereof. Within sixty days after receipt of the application from the department, the office shall approve the application but only if it first determines that construction of the cogeneration facility began or will begin after the effective date of this act, that the cogeneration facility is designed and is operated or will be operated primarily for cogeneration, and that the cogeneration facility is suitable, reasonably adequate, and meets the intent and purposes of this chapter.

(3) Within ten days after approval of the application, the office shall provide a copy thereof to the department. Within thirty days after receipt thereof the department shall issue the certificate but only if it finds that the cost data in the application is accurate. If the application contains estimated cost data, the certificate shall be conditioned upon the applicant providing sufficient information for the department to determine the actual cost of the cogeneration facility on the date it becomes operational. Within sixty days after the cogeneration facility is operational the department shall review the certificate. If the actual cost of the cogeneration facility is less than the cost shown in the certificate, the department shall issue a modified certificate or a supplement to the original certificate, showing the actual cost of the cogeneration facility.

(4) The department, with the approval of the office, may adopt rules specifying the administrative procedures applicable to applications for certification, the form and manner in which the applications shall be filed and additional information to be contained therein. The rules shall apply to administrative procedures before both the office and the department. An applicant shall have the opportunity for a hearing before the office and the department in respect to their respective decisions granting or denying approval or certification.

This section shall expire on December 31, 1984.

NEW SECTION. Sec. 4. (1) No certificate or supplement may be issued after December 31, 1984.

(2) The department shall keep a running tabulation of the total cogeneration facility costs incurred or planned to be incurred pursuant to certificates or supplements issued under this chapter. The department may not issue any new certificate or any supplement if the certificate or supplement would result in the tabulation exceeding one hundred million dollars. Nothing in this section shall be deemed to bar any certificate holder from amending the certificate or obtaining a supplement thereto so long as the amendment or supplement is issued prior to December 1, 1984, and does not increase the total amount of cogeneration facility costs incurred or planned to be incurred under the original certificate.

(3) The department may adopt any rules under chapter 34.04 RCW it considers necessary for the administration of this chapter.

NEW SECTION. Sec. 5. When a cogeneration facility is operational and a certificate pertaining thereto has been issued, a credit may be claimed against taxes imposed under chapter 82.04 RCW, if the due date for payment of the taxes is after the effective date of the certificate: **PROVIDED**, That the date on which the facility is operational is no more than four years after the date of issuance of the certificate. The amount of the credit shall be two percent of the cost of a facility covered by the certificate for each year the certificate remains in force. The credits shall be cumulative and shall be subject only to the following limitations:

(1) The tax credit shall apply to capital costs only and shall not apply to operating costs.

(2) A person, firm, corporation, or organization which acquires a cogeneration facility shall be entitled to the credit only to the extent that it has previously not

been taken. Under no circumstances may a credit be taken more than once against any cost or portion thereof of a cogeneration facility.

(3) No credit exceeding fifty percent of the taxes payable under chapter 82.04 RCW shall be allowed in any reporting period.

(4) The total cumulative amount of the credits allowed for any cogeneration facility covered by a certificate shall not exceed fifty percent of the cost of the cogeneration facility.

(5) The total cumulative amount of credits against state taxes authorized by this chapter shall be reduced by the total amount of any federal investment credit or other federal tax credit actually received by the certificate holder applicable to the cogeneration facility. This reduction shall be made as an offset against the credit claimed in the first reporting period following the allowance of the investment credit, or other credit, and thereafter as an offset against any credit balance as it shall become available to the certificate holder.

NEW SECTION. Sec. 6. If subsequent to the issuance of a certificate for a cogeneration facility and prior to December 31, 1984, a determination is made to modify or replace the cogeneration facility, the holder of the certificate may file an application for a modified certificate or supplement to the existing certificate covering the modified or replacement cogeneration facility in accordance with the procedures set forth in this chapter for original certificates and supplements. After the issuance by the department of any modified certificate or supplement, all subsequent tax credits and exemptions for the cogeneration facility shall be based on the modified certificate or supplement and shall be exclusively based on the cost shown in the modified or supplemented certificate.

This section shall expire on December 31, 1984.

NEW SECTION. Sec. 7. The department shall send a certificate or supplement, when issued, by certified mail to the applicant. Notice of the department's refusal to issue a certificate or supplement shall likewise be sent to the applicant by certified mail.

NEW SECTION. Sec. 8. (1) Except as provided in subsection (2) of this section, the department shall revoke any certificate issued under this chapter if it finds that any of the following have occurred with respect to the certificate:

- (a) The certificate was obtained by fraud or deliberate misrepresentation;
- (b) The certificate was obtained through the use of inaccurate data but without any intention to commit fraud or misrepresentation;
- (c) The facility was constructed or operated in violation of any provision of this chapter or provision imposed by the department as a condition of certification; or
- (d) The cogeneration facility is no longer capable of being operated for the primary purpose of cogeneration.

(2) If the department finds that there are few inaccuracies under subsection (1)(b) of this section and that cumulatively they are insignificant in terms of the cost or operation of the facility or that the inaccurate data is not attributable to carelessness or negligence and its inclusion was reasonable under the circumstances, then the department may provide for the continuance of the certificate and whatever modification it considers in the public interest.

(3) Any person, firm, corporation, or organization that obtains a certificate revoked under this section shall be liable for the total amount of money saved by claiming the credits and exemptions provided under this chapter and section 9 of this act. The total amount of the credits shall be collected as delinquent business and occupation taxes, and the total of the exemptions shall be collected and distributed as delinquent property taxes. Interest shall accrue on the amounts of the credits and exemptions from the date the taxes were otherwise due.

(4) The office shall provide technical assistance to the department in carrying out its responsibilities under this section.

NEW SECTION. Sec. 9. There is added to chapter 84.36 RCW a new section to read as follows:

Cogeneration facilities which have been granted a cogeneration tax credit certificate under chapter ... RCW (sections 1 through 8 of this act) shall be exempt from property taxation for a period of seven years from the date on which the facility is operational or until the certificate is revoked, whichever is first. For the purposes of the exemption under this section the value of the cogeneration facility shall be based upon the cost shown in the certificate.

Claims for the exemption authorized by this section shall be filed with the county assessor on forms prescribed by the department of revenue and furnished by the assessor. The assessor shall verify and approve such claims as he or she determines to be justified in accordance with this section.

The department of revenue shall promulgate such rules and regulations, pursuant to chapter 34.04 RCW as are necessary and convenient to properly administer the provisions of this section.

Sec. 10. Section 80.04.010, chapter 14, Laws of 1961 as last amended by section 1, chapter 47, Laws of 1977 ex. sess. and RCW 80.04.010 are each amended to read as follows:

As used in this title, unless specifically defined otherwise or unless the context indicates otherwise:

"Commission" means the utilities and transportation commission.

"Commissioner" means one of the members of such commission.

"Corporation" includes a corporation, company, association or joint stock association.

"Person" includes an individual, a firm or copartnership.

"Gas plant" includes all real estate, fixtures and personal property, owned, leased, controlled, used or to be used for or in connection with the transmission, distribution, sale or furnishing of natural gas, or the manufacture, transmission, distribution, sale or furnishing of other type gas, for light, heat or power.

"Gas company" includes every corporation, company, association, joint stock association, partnership and person, their lessees, trustees or receiver appointed by any court whatsoever, and every city or town, owning, controlling, operating or managing any gas plant within this state.

"Electrical company" includes any corporation, company, association, joint stock association, partnership and person, their lessees, trustees or receivers appointed by any court whatsoever (other than a railroad or street railroad company generating electricity solely for railroad or street railroad purposes or for the use of its tenants and not for sale to others), and every city or town owning, operating or managing any electric plant for hire within this state. "Electrical company" does not include a company or person employing a cogeneration facility solely for the generation of electricity for its own use or the use of its tenants or for sale to an electrical company, state or local public agency, municipal corporation, or quasi municipal corporation engaged in the sale or distribution of electrical energy, but not for sale to others, unless such company or person is otherwise an electrical company.

"Telephone company" includes every corporation, company, association, joint stock association, partnership and person, their lessees, trustees or receivers appointed by any court whatsoever, and every city or town owning, operating or

The term "service" is used in this title in its broadest and most inclusive sense.

NEW SECTION. Sec. 11. The generation of power by a nonpolluting, renewable energy source by an individual natural person not otherwise engaged in the business of power generation is declared to be exempt from all statutes and rules otherwise regulating the generation of power: PROVIDED, That such an individual is hereby authorized to provide such power to the utility servicing the property on which the power is generated and the servicing utility is hereby authorized to accept such power under such terms and conditions as may be agreed to between the parties.

NEW SECTION. Sec. 12. The house and senate energy and utilities committees are authorized and directed to monitor the effectiveness of the business and occupation tax credit and property tax exemption for cogeneration facilities as an incentive for the implementation of cogeneration, and to study the cost and effectiveness of alternative state incentives for cogeneration, including, but not limited to direct grants, loans, other tax incentives, and partial funding for feasibility studies. The committees shall report their findings and recommendations to the forty-seventh legislature of the state of Washington convened in regular session.

NEW SECTION. Sec. 13. If any provision of this 1979 act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

NEW SECTION. Sec. 14. Sections 1 through 8 of this act shall constitute a new chapter in Title 82 RCW."

POINT OF INQUIRY

Senator Lewis: "Senator Bottiger, on page 2, line 8, where the "Cost" does not include expenditures which are offset by cost savings, including but not limited to savings resulting from early retirement of existing equipment', doesn't this eliminate any benefits of the tax incentive? It seems to me if they save money by not having to buy peak power, I wonder if this does not preclude some of the incentives to cogenerate and realize those savings."

Senator Bottiger: "You recognize our staff standing off the corridor here. He gave me the nod that says that it does not in the rocket research report offset it. What we are looking for is, if a manufacturer will install increased capacity, and I have used the example before of a client I have got, say, that has a three hundred and fifty horsepower boiler. If he goes in and brings that up to five hundred, adds on a generating capacity to use the hundred and fifty extra horsepower, he has still got what he needed at three fifty but he has built in peaking power and he could sell that to the utility. That extra cost of what it cost him to bring that capacity up is what he will get a credit for, not the whole five hundred horsepower boiler."

Senator Lewis: "I understand that, but if by realizing some cost saving from doing his own cogenerating and thereby eliminating the need to purchase power at peak rates, is he still realizing the incentive to do that?"

Senator Bottiger: "I do not believe so, Senator Lewis. If that turns out to be the case, we will come back in 1981 and change it. Staff is satisfied that this bill as written will provide a substantial stimulus to make those conversions."

The motion by Senator Bottiger carried and the amendment was adopted.

On motion of Senator Bottiger, the following amendment to the title was adopted:

On page 1, on line 1 of the title, after "regulation;" strike the remainder of the title and insert "amending section 80.04.010, chapter 14, Laws of 1961 as last amended by section 1, chapter 47, Laws of 1977 ex. sess. and RCW 80.04.010; adding a new chapter to Title 82 RCW; adding a new section to chapter 84.36 RCW; and creating new sections."

On motion of Senator Bottiger, the rules were suspended, Substitute House Bill No. 1013, as amended by the Senate, was advanced to third reading, the second reading considered the third, and the bill was placed on final passage.

SECOND READING

Senator Guess objected.

President Pro Tempore Henry called for a voice vote on the motion by Senator Bottiger.

The motion carried.

Debate ensued.

POINT OF INQUIRY

Senator Matson: "You mentioned that you went over to the House and discussed this with some people. Who were they again?"

Senator Bottiger: "It was in Representative McCormick's office. Representative Haley was present; the representatives from the WPPSS were present; and this was the language that they had worked out with my staff and they said they could live with this."

Senator Matson: "I see. Then I am to gather that you discussed this with people from both sides of the aisle in the House. Did you include anyone from this caucus in your discussion?"

Senator Bottiger: "No."

Further debate ensued.

POINT OF INQUIRY

Senator Marsh: "Senator Bottiger, how do you contemplate the legislative budget committee getting a copy of the annual report of the firm or firms concerning its action and recommendation to the board for the purpose of enabling it to attain the highest degree of efficiency in the management and control of any thermal power project under construction or in operation?"

Senator Bottiger: "Senator Marsh, three ways. In the budget we passed, there is a direction for the legislative budget committee to make the audit and an appropriation of seventy thousand dollars for them to do that. Second, the amendment by Senator McDermott makes the records and reports of the agency public records and therefore available to the legislative budget committee. Third, the Senate and House committees on energy and utilities are to be furnished with quarterly reports on the implementation of the bill and those reports are obviously also available to the legislative budget committee and if by some reason those three reasons are not enough, we will amend the bill in 1981."

Further debate ensued.

MOTION

On motion of Senator Walgren, the Senate commenced consideration of the House Message on Engrossed Second Substitute Senate Bill No. 3033.

MESSAGE FROM THE HOUSE

May 1, 1979.

Mr. President: The House has passed ENGROSSED SECOND SUBSTITUTE SENATE BILL NO. 3033 with the following amendment:

Strike everything after the enacting clause and insert:

"NEW SECTION. Section 1. The legislature finds that a significant potential exists for the development of the hydroelectric generation capabilities of present and future irrigation systems serving irrigation districts. The legislature also finds that the development of such hydroelectric generation capabilities is beneficial to the present and future electrical needs of the citizens of the state of Washington, furthers a state purpose and policy, and is in the public interest. The legislature further finds that it is necessary to revise and add to the authority of irrigation districts to obtain the most favorable interest rates possible in the financing of irrigation district projects which serve the agricultural community and hydroelectric facilities. It is the intent of the legislature to provide irrigation districts with the authority to develop these hydroelectric generation capabilities in connection with irrigation facilities. Further, it is the intent of the legislature that the development of hydroelectric generation capabilities pursuant to this 1979 act not become the sole purpose or function of irrigation districts in existence on the effective date of this 1979 act, nor become a major function of irrigation districts created after that date. Nothing herein shall authorize an irrigation district to sell electric power or energy to any municipal corporation not engaged in the distribution of electric power or energy.

Sec. 2. Section 2, chapter 138, Laws of 1923 as last amended by section 1, chapter 206, Laws of 1967 and RCW 87.03.015 are each amended to read as follows:

Any irrigation district, operating and maintaining an irrigation system, in addition to other powers conferred by law, shall have authority:

(1) To purchase(;) and sell electric power to the inhabitants of the irrigation district for the purposes of irrigation and domestic use, to acquire, construct, and lease dams, canals, plants, transmission lines, and other power equipment and the necessary property and rights therefor and to operate, improve, repair, and maintain the same, for the generation and transmission of electrical energy(~~(;- used in the operation of pumping plants and irrigation systems of the district, and to sell the surplus of any such electrical energy over and above the requirements of the irrigation districts to municipalities, public and private corporations and individuals, on such terms and conditions as the board of directors shall determine))~~ for use in the operation of pumping plants and irrigation systems of the district and for sale to the inhabitants of the irrigation district for the purposes of irrigation and domestic use; and, as a further and separate grant of authority and in furtherance of a state purpose and policy of developing hydroelectric capability in connection with irrigation facilities, to construct, finance, acquire, own, operate, and maintain, alone or jointly with other irrigation districts, boards of control, other municipal or quasi municipal corporations or cooperatives authorized to engage in the business of distributing electricity, or electrical companies subject to the jurisdiction of the utilities and

transportation commission, hydroelectric facilities including but not limited to dams, canals, plants, transmission lines, other power equipment, and the necessary property and rights therefor, located within or outside the district, for the purpose of utilizing for the generation of electricity, water power made available by and as a part of the irrigation water storage, conveyance, and distribution facilities, waste ways, and drainage water facilities which serve irrigation districts, and to sell any and all the electric energy generated at any such hydroelectric facilities or the irrigation district's share of such energy, to municipal or quasi municipal corporations and cooperatives authorized to engage in the business of distributing electricity, and electrical companies subject to the jurisdiction of the utilities and transportation commission, or to other irrigation districts, and on such terms and conditions as the board of directors shall determine, and to enter into contracts with other irrigation districts, boards of control, other municipal or quasi municipal corporations and cooperatives authorized to engage in the business of distributing electricity, and electrical companies subject to the jurisdiction of the utilities and transportation commission: PROVIDED, That no contract entered into by ((such)) the board of directors of any irrigation district for the sale of electrical energy ((to continue)) from such hydroelectric facility for a period longer than ((ten)) forty years from the date of commercial operation of such hydroelectric facility shall be binding on the district until ratified by a majority vote of the electors of the district at an election therein, called, held and canvassed for that purpose in the same manner as that provided by law for district bond elections.

(2) To construct, repair, purchase, maintain or lease a system for the sale or lease of water to the owners of irrigated lands within the district for domestic purposes.

(3) To construct, repair, purchase, lease, acquire, operate and maintain a system of drains, sanitary sewers, and sewage disposal or treatment plants as herein provided.

(4) To assume, as principal or guarantor, any indebtedness to the United States under the federal reclamation laws, on account of district lands.

(5) To maintain, repair, construct and reconstruct ditches, laterals, pipe lines and other water conduits used or to be used in carrying water for irrigation of lands located within the boundaries of a city or town or for the domestic use of the residents of a city or town where the owners of land within such city or town shall use such ((irrigation)) works to carry water to the boundaries of such city or town for irrigation, domestic or other purposes within such city or town, and to charge to such city or town the pro rata proportion of the cost of such maintenance, repair, construction and reconstruction work in proportion to the benefits received by the lands served and located within the boundaries of such city or town, and if such cost is not paid, then and in that event said irrigation district shall have the right to prevent further water deliveries through such ((irrigation)) works to the lands located within the boundaries of such city or town until such charges have been paid.

(6) To acquire, install and maintain as a part of the irrigation district's water system the necessary water mains and fire hydrants to make water available for fire fighting purposes; and in addition any such irrigation district shall have the authority to repair, operate and maintain such hydrants and mains.

Any such water district is authorized to make such a conveyance if all indebtedness of the water district, except local improvement district bonds, has been paid and the conveyance has been approved by a majority of the water district's electors voting at a general or special election.

All records of the board shall be open to the inspection of any electors during business hours. The board shall have the power, and it shall be its duty, to adopt a seal of the district, to manage and conduct the business and affairs of the district, to make and execute all necessary contracts, to employ and appoint such agents, officers and employees as may be necessary and prescribe their duties, and to establish equitable bylaws, rules and regulations for the government and management of the district, and for the equitable distribution of water to the lands within the district, upon the basis of the beneficial use thereof, and generally to perform all such acts as shall be necessary to fully carry out the provisions of this chapter(, including the acquisition, construction and operation and maintenance of drainage works and wasteways)): PROVIDED, That all water, the right to the use of which is acquired by the district under any contract with the United States shall be distributed and apportioned by the district in accordance with the acts of congress, and rules and regulations of the secretary of the interior until full reimbursement has been made to the United States, and in accordance with the provisions of said contract in relation thereto. The bylaws, rules and regulations must be printed in convenient form for distribution in the district. All leases, contracts, or other form of holding any interest in any state or other public lands shall be, and the same are hereby declared to be title to and evidence of title to lands and for all purposes within this act, shall be treated as the private property of the lessee~~

The board of directors shall have authority to develop and to sell, lease, or rent the use of: (1) Water ((or power)) derived from the operation of the district ((irrigation or drainage works for delivery to occupants of public or other lands situated within or adjacent to the district, or to municipal corporations, at such prices and on such terms as it deems best)) water facilities to such municipal and quasi municipal entities, the state of Washington, and state entities and agencies, public and private corporations and individuals located within and outside the boundaries of the district and on such terms and conditions as the board of directors shall determine; and (2) power derived from hydroelectric facilities authorized by RCW 87.03.015(1) as now or hereafter amended, to such municipal or quasi municipal corporations and cooperatives authorized to engage in the business of distributing electricity, electrical companies subject to the jurisdiction of the utilities and transportation commission, and other irrigation districts and on such terms and conditions as the board of directors shall determine: **PROVIDED**, No water ((or power)) shall be furnished for use outside of said district until all demands and requirements for water ((and power)) for use in said district are furnished and supplied by said district: **AND PROVIDED FURTHER**, That as soon as any public lands situated within the limits of the district shall be acquired by any private person, or held under any title of private ownership, the owner thereof shall be entitled to receive his proportion of water as in case of other land owners, upon payment by him of such sums as shall be determined by the board, and at the time to be fixed by the board, which sums shall be such equitable amount as such lands should pay having regard to placing said lands on the basis of equality with other lands in the district as to benefits received, and giving credit if equitable for any sums paid as water rent by the occupant of said lands prior to the vesting of private ownership, and such lands shall also become subject to all taxes and assessments of the district thereafter imposed.

NEW SECTION. Sec. 4. There is added to chapter 87.03 RCW a new section to read as follows:

For the purpose of developing hydroelectric generation capabilities in connection with irrigation facilities, the board of directors of an irrigation district shall have the power, in accordance with procedures provided in this chapter, to acquire, either by purchase or condemnation, or other legal means, all lands, waters, water rights, and other property located within or outside the boundaries of the district necessary for the construction, use, supply, maintenance, repair, or improvement of hydroelectric facilities to the extent authorized by RCW 87.03.015(1), as now or hereafter amended.

Irrigation districts are prohibited from condemning: (1) Any hydroelectric power plants, hydroelectric power sites, power lines or other power facilities or any lands, water rights, or other property of municipal and quasi municipal corporations, cooperatives authorized to engage in the business of distributing electricity, and electrical companies subject to the jurisdiction of the utilities and transportation commission; and (2) water rights held by private individual landowners where such waters are being put to beneficial use.

Sec. 5. Section 37, page 690, Laws of 1889-90 as last amended by section 7, chapter 171, Laws of 1939 and RCW 87.03.445 are each amended to read as follows:

The cost and expense of purchasing and acquiring property, and construction, reconstruction, extension and betterment of the works and improvements herein provided for, and the expenses incidental thereto, and indebtedness to the United States for district lands assumed by the district, and for the carrying out of the purposes of

this chapter, may be paid for by the board of directors out of the funds received from bond sales as well as other district funds.

For the purpose of defraying the costs and expenses of the organization of the district, and of the care, operation, management, maintenance, repair and improvement of the district and its irrigation water, domestic water, ~~((electrical))~~ electric power, drainage, or ~~((telephone system and appliances))~~ sewer facilities or of any portion thereof, or for the payment of any indebtedness due the United States or the state of Washington, or for the payment of district bonds, the board may either fix rates or tolls and charges, and collect the same from all persons for whom district service is made available for irrigation water, domestic water, electric ~~((energy))~~ power, drainage or sewerage, and other purposes, or ~~((they))~~ it may provide for the payment of said costs and expenses by a levy of assessment therefor, or by both said rates or tolls and charges and assessment ~~((; if by the latter method, such levy))~~.

If the assessment method is utilized, the levy of assessments shall be made on the completion and equalization of the assessment roll each year, and the board shall have the same powers and functions for the purpose of said levy as possessed by it in case of levy to pay bonds of the district. The procedure for the collection of assessments by such levy shall in all respects conform with the provisions of this chapter, relating to the collection of assessments for the payment of principal and interest of bonds herein provided for, and shall be made at the same time.

If the rates or tolls and charges method is adopted in whole or in part, the secretary shall deliver to the board of directors, within the time for filing the assessment roll, a schedule containing the names of the ~~((persons to whom the toll is to be charged or to whom the property is assessed, the description))~~ owners or reputed owners, as shown on the rolls of the county treasurer as of the first Tuesday in November of each year such a schedule is filed of the various parcels of land against which rates or tolls and charges are to be levied, the description of each such parcel of land and the amount to be charged against each parcel for irrigation water, domestic water, electric power, drainage, sewerage and other ~~((public uses))~~ district costs and expenses. Said schedule of rates or tolls and charges shall be equalized pursuant to the same notice, in the same manner, at the same time and with the same legal effect as in the case of assessments. Such schedule of rates or tolls and charges for a given year shall be filed with the proper county treasurer within the same time as that provided by law for the filing of the annual assessment roll, and the county treasurer shall collect and receipt for the payment of said rates or tolls and charges and credit them to the proper funds of the district. The board may designate the time and manner of making such collections and shall require the same to be paid in advance of delivery of water and other service ~~((and may accept short term interest bearing notes with or without collateral in their discretion for any portion of such charges. The board may also base such charges upon the quantity of water to be delivered and may fix a minimum charge to be paid by each acre of land within the district which shall represent the delivery of a stated quantity of water in acre feet with the graduated charge for each additional acre-foot of water delivered))~~. All tolls and charges levied shall also at once become and constitute an assessment upon and against the lands for which they are levied, with the same force and effect, and the same manner of enforcement, and with the same rate of interest from date of delinquency, in case of nonpayment, as other district assessments.

As an alternative method of imposing, collecting, and enforcing such rates or tolls and charges, the board may also base such rates or tolls and charges upon the quantity of irrigation water, domestic water, or electric power delivered, or drainage or sewage disposed of, and may fix a minimum rate or toll and charge to be paid by each parcel of land or use within the district for the delivery or disposal of a stated quantity of each such service with a graduated charge for additional quantities of such services delivered or disposed of. If the board elects to utilize this alternative

method of imposing, collecting, and enforcing such rates or tolls and charges, there shall be no requirement that the schedule referred to in the preceding paragraph be prepared, be filed with the board of directors by the secretary, be equalized, or be filed with a county treasurer. The board shall enforce collection of such rates or tolls and charges against property to which and its owners to whom the service is available, such rates or tolls and charges being deemed charges against the property to which the service is available. The board may provide by resolution that where such rates or tolls and charges are delinquent for any specified period of time, the district shall certify the delinquencies to the treasurer of the county in which the real property is located, and the charges and any penalties added thereto and interest thereon at the rate not to exceed twelve percent per annum fixed by resolution shall be a lien against the property to which the service was available, subject only to the lien for general taxes. The district may, at any time after such rates or tolls and charges and penalties provided for herein are delinquent for a period of one year, bring suit in foreclosure by civil action in the superior court of the county in which the real property is situated. The court may allow, in addition to the costs and disbursements provided by statute, such attorney's fees as it may adjudge reasonable. The action shall be in rem against the property, and in addition may be brought in the name of the district against an individual, or against all of those who are delinquent, in one action, and the rules of the court shall control as in other civil actions. The board may in the same year use the assessment method for part of the lands in the district and the rates or tolls and charges method for the remaining lands in the district in such proportion as it may deem advisable for the best interest of the district.

~~((All tolls and charges levied shall also at once become and constitute an assessment upon and against the lands for which they are levied, with the same force and effect, and the same manner of enforcement, and with the same rate of interest from date of delinquency, in case of nonpayment, as other district assessments:))~~

The procedures herein provided for the collection and enforcement of rates, tolls and charges also shall be applicable and available to the districts board of directors for the collection and enforcement of charges for water imposed by contract entered into or administered by the district's board of directors.

Sec. 6. Section 2, chapter 31, Laws of 1933 and RCW 87.03.450 are each amended to read as follows:

All income derived from the sale, delivery and distribution of electrical energy, shall be deposited with the county treasurer of the county in which the office of the board of directors of the district is located, and shall be apportioned to such fund or funds of the district authorized by law, as the board of directors shall deem advisable(~~(- PROVIDED, That such income, or any part of the same, may, upon a favorable vote of the electors of the district at an election therein called, held and canvassed for that purpose, in the same manner as that provided by law for district bond elections, be pledged, in addition to income from district assessments)), including, but not limited to the payment of district bonds or any portion of the same ((on the face of which the substance of such pledge must be endorsed,)) for which such revenues have been pledged and thereafter said income, or such portion thereof so pledged, shall be placed by the county treasurer to the credit of the fund from which said bonds are required to be paid until the same or the portion thereof secured by such pledge are fully paid.~~

Sec. 7. Section 11, chapter 162, Laws of 1917 as last amended by section 1, chapter 70, Laws of 1970 ex. sess. and RCW 87.03.485 are each amended to read as follows:

In the event that the said board shall approve said petition, the board shall fix a time and place for the hearing thereof and shall publish a notice once a week for two consecutive weeks preceding the date of such hearing and the last publication shall not be more than seven days before such date and shall mail such a notice on or

before the second publication date by first class mail, postage prepaid, to each owner or reputed owner of real property within the proposed local improvement district, as shown on the rolls of the county treasurer as of a date not more than twenty days immediately prior to the date such notice was mailed. Such notice must be published in a newspaper of general circulation in each county in which any portion of the land proposed to be included in such local improvement district lies. Such notice shall state that the lands within said described boundaries are proposed to be organized as a local improvement district, stating generally the nature of the proposed improvement; that bonds for such local improvement district are proposed to be issued as the bonds of the irrigation district, or that a contract is proposed to be entered into between the district and the United States or the state of Washington, or both, that the lands within said local improvement district are to be assessed for such improvement, that such bonds or contract will be a primary obligation of such local improvement district and a general obligation of the irrigation district and stating a time and place of hearing thereon. At the time and place of hearing named in said notice, all persons interested may appear before the board and show cause for or against the formation of the proposed improvement district and the issuance of bonds or the entering into of a contract as aforesaid. Upon the hearing the board shall determine as to the establishment of the proposed local improvement district. Any landowner whose lands can be served or will be benefited by the proposed improvement, may make application to the board at the time of hearing to include such land and the board of directors in such cases shall, at its discretion, include such lands within such district. The board of directors may exclude any land specified in said notice from said district provided, that in the judgment of the board, the inclusion thereof will not be practicable.

As an alternative plan and subject to all of the provisions of this chapter, the board of directors may initiate the organization of a local improvement district as herein provided. To so organize a local improvement district the board shall adopt and record in its minutes a resolution specifying the lands proposed to be included in such local improvement district or by describing the exterior boundaries of such proposed district or by both. Said resolution shall state generally the plan, character and extent of the proposed improvements, that the land proposed to be included in such improvement district will be assessed for such improvements; that coupon bonds of the irrigation district will be issued or a contract entered into as hereinabove in this section provided to meet the cost thereof and that such bonds or contract will be a primary obligation of such local improvement district and a general obligation of the irrigation district. Said resolution shall fix a time and place of hearing thereon and shall state that unless a majority of the holders of title or of evidence of title to lands within the proposed local improvement district file their written protest at or before said hearing, consent to the improvement will be implied.

A notice containing a copy of said resolution must be published once a week for two consecutive weeks preceding the date of such hearing and the last publication shall not be more than seven days before such date, and shall be mailed on or before the second publication date by first class mail, postage prepaid, to each owner or reputed owner of real property within the proposed local improvement district, as shown on the rolls of the county treasurer as of a date not more than twenty days immediately prior to the date such notice was mailed, and the hearing thereon shall not be held in less than twenty days from the adoption of such resolution. Such notice must be published in one newspaper, of general circulation, in each county in which any portion of the land proposed to be included in such local improvement district lies. Said hearing shall be held and all subsequent proceedings conducted in accordance with the provisions of this act relating to the organization of local improvement districts initiated upon petition.

Establishing a redistricting commission.

REPORT OF STANDING COMMITTEE

April 25, 1979.

HOUSE JOINT RESOLUTION NO. 31, establishing a redistricting commission (reported by Committee on Constitution and Elections):

MAJORITY recommendation: Do pass with the following amendment:

On page 1, after line 3, strike the remainder of the resolution, and insert the following:

"THAT, At the next general election to be held in this state there shall be submitted to the qualified voters of the state for their approval and ratification, or rejection, an amendment to the Constitution of the state of Washington, by striking all of section 3 from Article II, and inserting in lieu thereof the following:

Article II, section 3. (1) After each decennial census made by the authority of the United States, beginning with the 1980 census, there shall be a reapportionment and redistricting of the state into as many state legislative and congressional districts as are required by law. The house of representatives and the senate shall each be composed of an odd number of members.

(2) A legislative redistricting commission shall be established between May 1st and August 1st of each year ending in one to assist the legislature in accomplishing state legislative redistricting.

(3) The redistricting commission shall be composed of five members. Each leader of the two largest political parties in each house of the legislature shall appoint one member to the commission by July 1st of each year ending in one. If there are more than two political parties in a house, then the leader of the second largest party has no power of appointment, and the members of the political parties, excluding the party with the largest share of legislators, shall elect a legislator who shall appoint a member of the commission. Within thirty days, the four appointed members, by an affirmative vote of at least three, shall appoint the remaining member. The fifth member shall be a nonvoting member of the commission and act as its chairperson. No elected official may serve on the commission.

(4) The legislature shall establish by law the method of appointment, qualifications of commissioners, and procedures for filling vacancies. The legislature shall further establish by law the duties and powers of the commission and shall appropriate funds to enable the commission to carry out its duties.

(5) The commission shall select a competent person or persons to prepare a plan dividing the state into legislative districts.

(6) In the commission plan each district shall:

(a) Be of equal population as nearly as is practicable, excluding nonresident military personnel and their dependents;

(b) Be composed of compact, convenient, and contiguous territory;

(c) Be separated from adjoining districts by natural geographic barriers or artificial barriers whenever possible;

(d) Be drawn to coincide with the boundaries of local subdivisions, when not inconsistent with the other criteria; and

(e) Be drawn without purposely favoring any political party, incumbent legislator, or other person or group.

The legislature may establish by law additional standards to guide the commission in preparing the redistricting plan.

(7) Upon approval of a redistricting plan by a majority of the voting members of the commission, and not later than December 1st of the year ending in one, the commission shall submit the plan to the legislature.

(8) After submission of the plan by the commission, the legislature shall have the next thirty days during any regular or special session to amend the commission's plan. If the legislature amends the commission's plan the legislature's amendment must be approved by an affirmative vote in each house of a majority of the members elected or appointed thereto, and may not affect more than five percent of the population of any legislative district contained in the commission's plan.

(9) The plan approved by the commission, with any amendment approved by the legislature, shall be final upon approval of such amendment or after expiration of the time provided for legislative amendment by subsection (8) of this section whichever occurs first, and shall constitute the districting and apportionment law applicable to this state for legislative elections, beginning with the next elections held in an even-numbered year.

(10) If a majority of the voting members of the commission fail to approve and submit a plan within the time limitations provided in subsection (7) of this section, the supreme court shall adopt a plan by January 1st of the year ending in two in conformance with the standards set forth in subsection (6) of this section. The supreme court shall direct the commission to immediately approve and submit this plan to the legislature for amendment in accordance with subsection (8) of this section.

(11) The supreme court shall have original jurisdiction to hear and decide all cases involving congressional and legislative redistricting.

(12) The commission shall cease to exist ninety days after the date established by subsection (7) of this section for submission of a plan, unless the legislature extends the commission's term by law.

(13) This constitutional amendment shall take effect on May 1, 1981.

BE IT FURTHER RESOLVED, That the secretary of state shall cause notice of the foregoing constitutional amendment to be published at least four times during the four weeks next preceding the election in every legal newspaper in the state."

On page 1, line 35, beginning with "assist" strike the remainder of the subsection through "redistricting" on page 2, line 1 and insert "provide for the redistricting of state legislative and congressional districts"

Debate ensued.

POINT OF INQUIRY

Senator Lysen: "I want to ask Senator North a question. Under your bill here, the House bill, we have just heard from the two men, the majority and minority leader here, who will be appointing the members of the commission. As you know, under this commission and in this legislature, most of the issues that go through here are nonpartisan. Most of the battles that go on in this legislature are between members of the same caucus, and I served eight years in the House and I think I was probably the most severe critic of the leader of my party over there, and I am sure under this commission, the person that he would have put in there, along with the other leaders, would have done to made sure that I would not return.

What this does, in my view, is to concentrate political power in the four leaders of the four caucuses by an unknown commission and they will all have a meeting and get rid of the critics within their own caucuses, so this thing is doing the exact opposite of what you expect it to do. This is a way for the leadership to clean out the critics within their own caucuses and that is the problem with this bill and that is the main reason the League of Women Voters is wrong and Common Cause is wrong. They have not thought this thing through. This is a concentration of political power behind the scenes. Senator Day is absolutely right. This is putting up a veil, a facade of good government when, in fact, you are concentrating political power in the people that run this legislature and they will be able to manipulate it and use it for their own advantages and that is my very serious concern about this thing. We have a situation here where Common Cause and the League of Women Voters should go back to the drawing board and look at what they are really doing."

Senator North: "If I might answer briefly, the concentration of power, Senator Lysen, is already there and we know it in the leadership of both parties in both houses, but the encouraging thing about this commission, you have to go on and read the implementing bill. This commission is expected to hold public hearings, open meetings, to receive input from all over the state.

"If I might revert a minute to my own experience in drafting Initiative 211 for the League of Women voters in 1961, we held public hearings throughout the state. We had input from political organizations, from citizens, from community groups. We listened, we drafted, we revamped. Everything was out there in the open for discussion. I would say to you that you have more openness and more chance to get this out and heard and discussed by having a public commission than you ever will in the back halls of the legislature."

Further debate ensued.

The motion by Senator North failed and the amendment to the committee amendment was not adopted on a rising vote.

Senator North moved adoption of the following amendment by Senators North and Matson to the committee amendment:

On page 3, line 1, strike "In the commission plan each" and insert "Each"

Debate ensued.

The motion by Senator North failed and the amendment to the committee amendment was not adopted.

Senator North moved adoption of the following amendment by Senators North and Matson to the committee amendment:

On page 4, line 2, strike "majority" and insert "two-thirds"

Debate ensued.

Senator Matson demanded a roll call and the demand was sustained.

POINT OF INQUIRY

Senator Lysen: "Senator Clarke, when you go from a majority or a slim majority, which is how we pass laws in this legislature to a two-thirds, you are talking about a super-majority or a veto power to the minority. When you say 'obvious mistake' versus just somebody getting cut out, would his have anything to do with who was cut out? In other words, a senior member of a position, a powerful member, if he or she was cut out, would that be an obvious mistake? Would it generate the two-thirds? And if it was just a lowly back bencher it would not be an obvious mistake? How would we distinguish between a mistake and an obvious mistake?"

Senator Clarke: "Senator, that obviously is a decision that would be made by the body at the time it was necessary to obtain the two-thirds majority. I think traditionally, however, all of these things are taken into consideration and if there is sufficient reason to change and a proper reason, I do not think there is any difficulty in getting the two-thirds. On the other hand, I think we have seen many, many instances, and I might even point to the vote on the floor that we have just seen today as to when a majority, in effect, regardless of what may be the individual merit, after having taken a position in caucus, they come and vote their caucus determination. That is the kind of thing we are trying to prevent."

The President declared the question before the Senate to be the roll call on the amendment by Senators North and Matson to page 4, line 2 to the committee amendment.

ROLL CALL

The Secretary called the roll and the amendment to the committee amendment was not adopted by the following vote: Yeas, 23; nays, 24; excused, 2.

MOTION FOR RECONSIDERATION

Having voted on the prevailing side, Senator Woody moved the Senate reconsider the vote by which the following amendment by Senator North to the committee amendment was adopted earlier today:

On page 1, line 5, strike "after line 3" and insert "(line 18 after service))"

The motion for reconsideration carried.

The President declared the question before the Senate to be adoption of the amendment by Senator North to the committee amendment, on reconsideration.

POINT OF INQUIRY

Senator Lysen: "Senator Walgren, before I vote on this amendment, I am quite concerned about who, if this should pass, you might appoint. You know, Senator Bottiger and I have had our differences and he makes a lot of recommendations to you along these lines and I was wondering, what type of good government, civic

minded, political operative you might recommend to appoint to this committee, and do you have any idea who Senator Matson might appoint and Speaker Bagnariol might appoint and Speaker Berentson? This is of some concern to me before I vote on this."

Senator Walgren: "Senator Lysen, I guess you have touched upon it. I would have to have a meeting in my office or Senator Matson's office with all three of those gentlemen and we would discuss that and see which ones we could all agree upon that would take care of all these difficulties that you have already pointed out."

Senator Lysen: "Do you think Senator Bottiger's recommendations would weigh highly in this meeting?"

Senator Walgren: "It always has, always has."

Senator Lysen: "Would this meeting be open, by the way, or would this come under the open meetings act?"

Senator Walgren: "Probably not."

Senator Lysen: "I guess I wanted to make a point there that this kind of demonstrates my concern of just who this civic minded, good government-type political operative who might be appointed and the differences between the parties here, I think, are really not as significant as the differences within the party."

The amendment by Senator North to the committee amendment, on reconsideration, was not adopted.

The President declared the question before the Senate to be adoption of the committee amendment, as amended.

Debate ensued.

Senator Morrison demanded a roll call and the demand was sustained.

If the legislature amends the commission's plan the legislature's amendment must be approved by an affirmative vote in each house of two-thirds of the members elected or appointed thereto, and may not affect more than five percent of the population of any legislative district contained in the commission's plan."

Renumber subsection.

POINT OF ORDER

Senator Day: "My point of order is that we have already acted on the question of a two-thirds by striking it from the bill. The third amendment offered by Senators North and Matson, was an amendment to insert two-thirds. That is what this in effect does and that has already been rejected by the body."

POINT OF ORDER

Senator Rasmussen: "I wish the President would fill me in. I thought the motion by Senator Talmadge was to reconsider the vote by which the amendment, the striking amendment by Senator Woody lost."

REPLY BY PRESIDENT PRO TEMPORE

President Pro Tempore Henry: "That is correct."

REMARKS BY SENATOR RASMUSSEN

Senator Rasmussen: "Okay. The body then decided to reconsider the amendment. Now the striking amendment is the only thing that we have before us. We cannot offer another amendment to a clean bill that is not here."

REPLY BY PRESIDENT PRO TEMPORE

President Pro Tempore Henry: "That is wrong."

REMARKS BY SENATOR RASMUSSEN

Senator Rasmussen: "I am raising the point so you may think about it during your leisure, Mr. President, whether I am wrong or not. When the body reconsidered the motion by which Senator Woody's amendment lost, that was before us. How did we get off of that?"

REPLY BY PRESIDENT PRO TEMPORE

President Pro Tempore Henry: "Because we have another amendment to the main body of the bill."

REMARKS BY SENATOR RASMUSSEN

Senator Rasmussen: "The main body of the bill is not with us."

REMARKS BY PRESIDENT PRO TEMPORE

President Pro Tempore Henry: "Well where is it?"

REMARKS BY SENATOR RASMUSSEN

Senator Rasmussen: "The Woody amendment was the one that we reconsidered. It is standing right there for us to make a decision on. Either to offer another amendment to the Woody amendment or else adopt the Woody amendment."

REMARKS BY PRESIDENT PRO TEMPORE

President Pro Tempore Henry: "It is hard to follow this without the script but I would say offhand, until the Woody amendment is adopted, the main body of the bill is before you. However, we will be at ease until we read the book for a change. I do not have any doubt but he does."

RULING BY PRESIDENT PRO TEMPORE

President Pro Tempore Henry: "The President, ruling on the point of order, is that according to the 203, immediately after the adoption of a motion to reconsider, the question stands precisely as it did before the reconsidered vote was taken, which was a motion by Senator Woody that it be adopted, and if no other action is proposed, I think that Senator Goltz, his other action, I think it is proper but it is not timely so the question before the Senate at this time is the question by Senator Woody that the committee amendment be adopted."

President Pro Tempore Henry declared the question before the Senate to be the vote on adoption of the committee amendment, as amended, to House Joint Resolution No. 31, on reconsideration.

Senator Matson demanded a roll call and the demand was sustained.

The motion by Senator Woody carried.

Debate ensued.

POINT OF INQUIRY

Senator Ridder: "You referred to the desirability of the non-political character of redistricting. May I assume then that you either are unaware of or in disagreement with a Supreme Court decision?"

Senator Clarke: "There are many Supreme Court decisions I do not agree with but you will have to specify more definitely what one you are asking me whether I agree with."

Senator Ridder: "I have one which affirms a Texas district court decision on October 31, 1977, which in part says: 'Preservation of political subdivision lines is a legitimate state goal in legislative apportionment as is maintenance of identifiable communities of interest, creation of compact representative districts and maintenance of existing member-constituent relationships.' In addition, they also declare that an indulgent review is accorded state legislative districting plans which have a legislative genesis while a court ordered redistricting plan would have much less latitude and I would say to the body that I think the maintenance of existing member-constituent relationships is very important and I have not been in agreement with those who would say that it is simply better to sweep out, if possible, all those who are in office or a major number of them without consideration of those existing relationships."

Senator Clarke: "In answer to your question, you quoted from a district court in Texas. I will almost guarantee you that on any important question you can find judicial decisions on each side of the determination. Some of the wording that you have referred to I would agree with. Other portions I would not agree with and I do not think there is an inference there that that court was holding in substance that redistricting should be political. The mere fact that they used the wording that one of the things that should be considered is the relationship between the constituent and the incumbent does not necessarily mean that it should be political because one of the things that should properly be considered, and I think any redistricting that is done, whether it is by commission or any other body is that they wish to have a compatible group of constituents in drawing their lines if it is feasible to do that, and I think that is the proper thing to take into consideration. I do not think that you should infer from that decision that the judges there were, in effect, saying that incumbent office holders should use their office for the purpose of influencing how they should vote on redistricting, and this is the inference that we desire to have removed."

President Pro Tempore Henry declared the question before the Senate to be the roll call on final passage of House Joint Resolution No. 31, as amended by the Senate.

FORTY-FOURTH DAY

MORNING SESSION

Senate Chamber, Olympia, Thursday, May 3, 1979.

The Senate was called to order at 10:00 a.m. by President Cherberg. The Secretary called the roll and announced to the President that all Senators were present except Senator Keefe. On motion of Senator Wilson, Senator Keefe was excused.

The Color Guard, consisting of Pages Jean Marie Van Hollebeke and Gayle Ashley, presented the Colors. Reverend Paul F. McCann, pastor of the United Churches of Olympia, offered the following prayer:

"GOD OF ALL LIFE, WHOSE PURPOSES FOR HUMANKIND ARE JUST AND GOOD; HELP US TODAY, WE PRAY, TO BE TRUE INSTRUMENTS OF YOUR PEACE. WHERE THERE IS INEQUITY, HELP US TO FIND MEANS OF REDRESS. WHERE THERE IS ANGER AND DISCORD, HELP US TO BE HEALERS AND HELPERS, NOT FUELERS OF THE FIRES OF HUMAN HOSTILITY. WHERE THERE IS HONEST DISAGREEMENT, HELP US TO SEARCH TOGETHER FOR LEGITIMATE AND CONSTRUCTIVE COMPROMISE.

"DEAR GOD, AS YOU ALL TOO WELL KNOW, WE ARE ONLY HUMAN AND ALL TOO FALLIBLE. WE NEED YOUR WISDOM, YOUR PATIENCE, YOUR GRACE, TO BE WHOLE PERSONS, AND TO BE SERVANTS OF YOU AND YOUR PEOPLE.

"GRANT US THAT GRACE, SUFFICIENT FOR TODAY, AND WE SHALL THANK YOU FOR IT AS WE PRAY IN THE NAME OF CHRIST, OUR LORD, AMEN."

"I move that the message from the House with respect to House Bill 236 be immediately considered by the Senate and I would like to speak to that motion."

REPLY BY THE PRESIDENT

President Cherberg: "Senator Clarke, the President is required to present Senator Walgren's motion prior to yours, inasmuch as they are of equal rank."

REMARKS BY SENATOR CLARKE

Senator Clarke: "That would be a motion under the sixth order in order to consider it and we are not at the sixth order and therefore his motion is at the present time out of order because a motion to . . ."

REPLY BY THE PRESIDENT

President Cherberg: "We are not on the fourth order of business either, Senator Clarke. That is the fourth order of business, a message from the House."

REMARKS BY SENATOR CLARKE

Senator Clarke: "Under Rule 20, messages from the House of Representatives may be considered at any time with the consent of the Senate, so I have a right to place that motion at any time and I am now placing that motion and I submit that Senator Walgren's motion is out of order in that we are not yet at the sixth order and he was making a motion under the sixth order."

REPLY BY THE PRESIDENT

President Cherberg: "The President believes that your remarks are well taken up to a point, Senator. Your motion would have to have the consent of the Senate."

Senator Clarke: "That is true. I am moving that the Senate do give that consent, that I would like to speak upon the motion requesting the consent of the Senate."

REMARKS BY SENATOR WALGREN

Senator Walgren: "Mr. President, when the motion was made for reconsideration, that was on the eighth order of business but when we considered the measure finally, it was on the proper order of business for consideration of the bills on third reading."

REMARKS BY THE PRESIDENT

President Cherberg: "No formal action was taken to put the House Joint Resolution 31 on the third reading, which does not necessarily put the Senate back on second reading. Therefore, the question before the Senate is the motion by Senator Clarke that the Senate consider the message from the House at this time."

Debate ensued.

ROLL CALL

The motion by Senator Clarke was laid upon the table.

MOTION

On motion of Senator Walgren, the Senate advanced to the sixth order of business.

PERSONAL PRIVILEGE

Senator Matson: "Members of the Senate, I simply want to speak on a point responding to some of the things that my good friend Senator Donohue said. First of all, our leadership, Senator Donohue, is sitting right over here. They are not sitting in the House. I recognize that there has been an extreme problem in getting the parties together to negotiate off the differences in the budget. As a matter of fact, I think I have been unofficially elected as the go between and I am beginning to feel a bit like an appointment secretary in trying to get the people together. I might say at this point we are still negotiating over whose office we are meeting in and what the shape of the table is."

POINT OF ORDER

Senator Walgren: "Senator Matson is not speaking on a point of personal privilege."

Debate ensued.

RULING BY THE PRESIDENT

President Cherberg: "The President believes that Senator Clarke's remarks are well taken and Senator Matson has been speaking upon a point of personal privilege to this point at least."

REMARKS BY SENATOR MATSON

Senator Matson: "Thank you, Mr. President. I shall conclude very quickly. It is the feeling, my feeling and the caucus's feeling that we need to come to grips with the problem. Therefore, the reason for the motion was simply to point up the issue that the four caucuses need to get together, and the only traditional vehicle that this Legislature had is a conference committee. If that is not possible, then let us get at it some other way but let us do it."

PERSONAL PRIVILEGE

Senator Odegaard: "Mr. President, I am just wondering. Senator Morrison asked for a roll call vote, if that will mean we will face another 'We thought you should know' letter. Some of us would be disappointed if it did not mean another letter, Senator Morrison."

MOTION

On motion of Senator Walgren, the Senate commenced consideration of Senate Bill No. 3065.

SECOND READING

SENATE BILL NO. 3065, by Senators Woody, Walgren, Odegaard, Bausch, Peterson, Day, Henry, Bottiger, Marsh, Donohue, Shinpoch and Wilson:
Relating to redistricting and reapportionment.

On page 5, line 29 after "Sec. 10." strike all of the material down to and including "district." on page 6, line 20 and insert

"In the commission plan each district shall:

(1) Be of equal population as nearly as is practicable, excluding nonresident military personnel and their dependents;

(2) Be composed of compact, convenient, and contiguous territory. Land areas are deemed contiguous if they share a common land border or are connected by a highway, bridge, or tunnel. Areas separated by unbridged water are deemed contiguous to the nearest land area only where necessary to comply with the other criteria enumerated in the Constitution and this section. Areas which only share common borders at the points of adjoining corners may not be deemed contiguous. Areas separated by geographical boundaries or artificial barriers that prevent transportation within a district may not be deemed contiguous;

(3) Be separated from adjoining districts by natural geographic barriers or artificial barriers whenever possible;

(4) Be drawn to coincide with the boundaries of local subdivisions, when not inconsistent with the other criteria. The number of counties and municipalities divided among more than one district shall be as small as possible;

(5) Be drawn without purposely favoring any political party, incumbent legislator, or other person or group;

(6) No district may be drawn for the purpose of diluting the voting strength of any language or racial minority group; and

(7) The commission shall provide, whenever practicable, that a precinct shall be wholly within a single legislative district."

Senator North moved adoption of the following amendment to the amendment by Senator Woody:

Amend the amendment to page 5, line 29 as follows: In the second line of subsection (4) after "local" insert "political"

POINT OF INQUIRY

Senator Lysen: "I thought that we were trying to take politics out of this commission. Now you, of all people, are putting in the word 'political'. Senator North, I am a little shocked at this. I hope you have a good answer. This is terrible."

Senator North: "Senator Lysen, I can only say that I think this body has great respect for local political subdivisions such as counties and cities in this state."

The motion by Senator North carried and the amendment to the amendment was adopted.

The motion by Senator Woody carried and the amendment, as amended, was adopted.

On motion of Senator Woody, the following amendment was adopted:

An association or other entity composed of five hundred or more health care professionals or attorneys licensed pursuant to chapters 18.71 or 18.88 RCW, or chapter 2.48 RCW, or an association or other entity composed of at least one-third of the health care professionals licensed pursuant to any of the following chapters: 18.22, 18.25, 18.32, or 18.57 RCW, and, if composed of more than five hundred members, meeting capital and surplus requirements set forth in RCW 48.05.340(1), or, if composed of less than five hundred members, meeting one-half of the capital and surplus requirements set forth in RCW 48.10.070(1), after a written determination by the insurance commissioner that insurance for professional malpractice claims including those brought under chapter 7.70 RCW is either unavailable or cost-prohibitive from an authorized insurance carrier, may join and organize as a mutual corporation pursuant to chapter 24.06 RCW for the purpose of insuring or self-insuring against professional malpractice claims including those brought under chapter 7.70 RCW through a contributing trust fund and shall not be deemed an "insurer" under this code: PROVIDED, That each such professional mutual corporation shall submit a financial and operational report annually to the legislative budget committee and the insurance commissioner.

Sec. 2. Section 2, chapter 265, Laws of 1971 ex. sess. as amended by section 2, chapter 109, Laws of 1975-'76 2nd ex. sess. and RCW 48.32.020 are each amended to read as follows:

Renumber the remaining sections consecutively.

POINT OF INQUIRY

Senator Rasmussen: "Senator Day, you know so much more about insurance than I do that I am going to call on your wisdom. The lines are not numbered here but it says, 'against professional malpractice claims including those brought under chapter 7.70 RCW through a contributing trust fund and shall not be deemed an "insurer" under this code.'

Senator Day: "Are you talking about section 2, Senator?"

Senator Rasmussen: "Section 1, just above section 2. Why are they not deemed an insurer under this code and doesn't that take them out from under the insurance commissioner?"

Senator Day: "Yes, it does."

Senator Rasmussen: "Why do you do that?"

Senator Day: "We do that because if you are going to encumber this so that they have to actually start an insurance company—now we did not do that with hospitals and it is working very well, I might point out—that it encumbers it to the point where it is just unfeasible and so, consequently, what we have done is put the parameters, which are excerpts from the code, RCW 48.05.340(1) is the first one that you read up above there, relative to the amount of money. Also, you will note at the bottom, 'Provided, That each such professional mutual corporation shall submit a financial and operational report annually to the legislative budget committee and the insurance commissioner.' So you see, we have not cut the insurance commissioner entirely out of the act and we also have a legislative overview on this with the budget committee."

Senator Rasmussen: "That is your answer, evidently. I think this is supposedly for the protection of the public to provide funds that they may collect in the event of a malpractice successful suit."

Senator Day: "That is correct."

Senator Rasmussen: "I see no reason for taking it out from under the insurance commissioner. . . . combining together on something like this but I would think it should be still—you file a report, the insurance commissioner can do nothing with it. He has the report on hand."

Senator Day: "He can make recommendations also to the legislative budget committee, who you know make recommendations to us, and just point out that there will certainly be legislative overview on this thing and if we find out it does not work or there is a problem, and bear in mind again that this coverage is in lieu of nothing, of going bare, and certainly something is better than nothing in this instance."

Debate ensued.

MOTION

Senator Rasmussen moved Engrossed Substitute House Bill No. 1121, together with the pending amendment by Senator Day, be held for further consideration on Friday, May 4, 1979.

Debate ensued.

The motion by Senator Rasmussen failed.

The President declared the question before the Senate to be adoption of the amendment by Senator Day.

The motion by Senator Day carried and the amendment was adopted.

On motion of Senator Day, the following amendment to the title was adopted:

On line 1 of the title, after "insurance;" insert "amending section .01.05, chapter 79, Laws of 1947 as amended by section 1, chapter 13, Laws of 1975-'76 2nd ex. sess. and RCW 48.01.050;" and on line 4 of the title, after "RCW 48.15.150;" insert "amending section 2, chapter 265, Laws of 1971 ex. sess. as amended by section 2, chapter 109, Laws of 1975-'76 2nd ex. sess. and RCW 48.32.020;"

On motion of Senator Day, the rules were suspended, Engrossed Substitute House Bill No. 1121, as amended by the Senate, was advanced to third reading, the second reading considered the third, and the bill was placed on final passage.

MOTION

On motion of Senator Wilson, Senator Walgren was excused.

ROLL CALL

The Secretary called the roll on the final passage of Engrossed Substitute House Bill No. 1121, as amended by the Senate, and the bill passed the Senate by the following vote: Yeas, 42; nays, 5; excused, 2.

Voting yea: Senators Bausch, Benitz, Bottiger, Conner, Day, Donohue, Fleming, Gallagher, Gaspard, Goltz, Gould, Guess, Hansen, Hayner, Henry, Jones, Lee, Lewis, Lysen, Marsh, Matson, McDermott, Moore, Morrison, North, Odegaard, Peterson, Pullen, Quigg, Ridder, Scott, Sellar, Shinpoch, Talley, Talmadge, Van Hollebeke, Vognild, von Reichbauer, Wanamaker, Williams, Wilson, Wojahn, Woody—42.

SECOND READING

ENGROSSED HOUSE BILL NO. 650, by Representatives Clayton, Lux and Scott (by Employment Security Department request):

Establishing civil penalties for late or inaccurate employer reports under unemployment compensation.

The Senate resumed consideration of Engrossed House Bill No. 650. On Wednesday, April 25, 1979 an amendment by Senator Lee was moved for adoption.

On motion of Senator Lee, the amendment was withdrawn.

Senator Lee moved adoption of the following amendment:

On page 2, line 3, after "thereto," strike all material through "RCW 50.24.040." and insert:

"or if the contributions are not received by the commission by the last day of the month in which the contributions become due, there shall be assessed a penalty of five percent of the amount of the contributions; and if the contributions are not received by the last day of the month next succeeding the month in which the due date falls, there shall be assessed a total penalty of ten percent of the amount of the contributions; and if the contributions are not received by the last day of the second month next succeeding the month in which the due date falls, there shall be assessed a total penalty of twenty percent of the amount of the contributions. No penalty so added shall be less than two dollars.

If the commissioner issues a warrant as authorized by RCW 50.24.115 for the collection of the contributions and penalties, there shall be added thereto a penalty of five percent of the amount of the contributions but not less than five dollars.

Notwithstanding the foregoing, the aggregate of penalties imposed under this chapter for failure to file a report in a timely and complete manner or failure to remit contributions when due and payable shall not exceed twenty-five percent of the contributions, or seven dollars, whichever is greater."

Re-number subsequent subsections consecutively.

POINT OF INQUIRY

Senator Guess: "Senator Lee, I recently had a problem with a person who was not getting his unemployment insurance primarily because the employer had a computer breakdown and he did not get the information in. There have been other instances that I have been involved in where the employers just failed to put their earnings into the department. Now in the event there is just a total ignoring of the duty to put the report in and to pay those fees, can the department—now does this enable them to have enough teeth to get that report?"

Senator Lee: "Senator Guess, it appears as though you really have two questions in one. One, or course, related to the case where there was an accidental or inadvertent means of not getting your payment or reporting it on time when the computer broke down. I have had a similar kind of experience when it never got there in the mail and employment security recognized that and there was no penalty. I recognize there is a penalty now but it is very minimal, and the experience that other business people have been that when there is a reason for lateness that they have forgiven the penalty.

"Now the other reason, when you have someone who is absolutely obstreperous, who in fact is flaunting the law, employment security has exactly the same kind of recourse as every other department that collects money, the IRS, department of revenue, and that is, in fact, to subpoena the records."

Senator Guess: "But, Senator, when you are waiting to subpoena the records and the firm is located in Chicago, it sometimes makes for a hardship. Is there enough of a penalty in here now to make them sit up and take notice though?"

Senator Lee: "There is more penalty than they have now."

Senator Guess: "Thank you very much."
Further debate ensued.

POINT OF INQUIRY

Senator Jones: "The remarks of Senator Lysen, is that accurate? I am afraid that they are not."

Senator Lee: "No, they are not accurate, because the law now requires that an employer shall let people, not only from the department of revenue but from employment security, examine his books. If they do not, they are in disregard of the law, and I talked to tax consultants. I asked them, 'What do you have to do if this happens' and they said, 'Well, simply get a subpoena.' Every other department does that. It is not as though we are leaving them without any recourse. I am not disagreeing that there may be some circumstances that further examination will show where a penalty where the words can be properly worded so it does not gather in every single fish in the sea can be reworded, but that this is not the time or the place to do it."

The motion by Senator Lee failed and the amendment was not adopted on a rising vote.

On motion of Senator Morrison, the following amendments were adopted:

On page 3, line 3, after "penalties" and before "be waived" strike "may" and insert "shall"

On page 3, line 7, add the following new subsections:

"(6) Any decision to assess a penalty as provided by this section shall be made by the chief administrative officer of the tax branch.

(7) Nothing in this section shall be construed to deny an employer the right to appeal the assessment of any penalty. Such appeal shall be made in the manner provided in RCW 50.32.030."

Renumber the remaining section consecutively.

MOTION

On motion of Senator Lee, Engrossed House Bill No. 650, as amended, was ordered held for further consideration on Friday, May 4, 1979.

MOTIONS

On motion of Senator Jones, Senators Lewis and Sellar were excused.

On motion of Senator Wilson, Senators Fleming and von Reichbauer were excused.

(2) No bona fide charitable or nonprofit organization or any other person, association or organization shall conduct any gambling activity authorized under RCW 9.46.030 in any leased premises if rental for such premise is unreasonable or to be paid, wholly or partly, on the basis of a percentage of the receipts or profits derived from such gambling activity : PROVIDED, That the provisions of this subsection prohibiting the rental for any premises to be paid, wholly or partly, on the basis of a percentage of receipts or profits do not apply to a lease by any county, city or town with respect to the premises owned by such county, city or town."

Remember the remaining sections consecutively.

On page 20, section 2, beginning on line 23, add a new subsection to read as follows:

"(11) The legislature hereby authorizes any person to conduct backgammon tournaments when licensed and operated pursuant to the provisions of this chapter and rules and regulations of the commission, at such locations as the commission may authorize and when such tournaments are organized and conducted on the basis of fees being charged to participate, the total of such fees are pooled and redistributed to the participants as prizes, all participants play on an equal basis with other participants with respect to such fees, and when no part of the proceeds from such fees otherwise inure to the benefit of any person or organization: PROVIDED, HOWEVER, That a bona fide charitable or nonprofit organization, as otherwise defined in this chapter, may retain a portion of such fees to pay the reasonable expenses of the tournaments or for its charitable or nonprofit purposes. The commission shall determine the nature and amount of such expenses and may set limitations on the amount of fees to be retained for charitable or nonprofit purposes.

Notwithstanding any other provision of chapter 9.46 RCW the commission shall have all the authority to regulate such tournaments and the managers and operators thereof as it has with respect to any and all other gambling activities as if such authority had been expressly granted with respect to backgammon. 'Backgammon' shall be given its usual and ordinary meaning as of the effective date of this act, except that such definition may be revised by the commission pursuant to rules and regulations promulgated pursuant to chapter 9.46 RCW."

On page 22, section 3, beginning on line 15, add a new subsection to read as follows:

"(4) To authorize and issue licenses for a period not to exceed one year to any person, association, or organization approved by the commission meeting the requirements of this chapter and meeting the requirements of any rules and regulations adopted by the commission pursuant to this chapter as now or hereafter amended, permitting said person, association or organization to conduct or operate backgammon tournaments as authorized by RCW 9.46.030(11) in such manner and at such locations as the commission may determine;"

Remember the remaining subsections consecutively.

On page 1, line 15 of the title after "9.46.110;" insert "amending section 12, chapter 218, Law of 1973 1st ex. sess. and RCW 9.46.120;"

Signed by: Senators Van Hollebeke, Chairman; Morrison, Quigg.

The bill was read the second time by sections.

On motion of Senator Van Hollebeke, the committee amendments were adopted.

Senator Pullen moved adoption of the following amendment:

On page 3, line 34, after "purposes" strike all material through and including "amended," on line 36.

POINT OF INQUIRY

Senator Van Hollebeke: "Senator Pullen, can you perhaps tell me by being a little bit more specific about what type of situation this would correct?"

Senator Pullen: "Yes, I would. It is a matter of philosophy, but as you know, it is easy to be adjudged a nonprofit organization by the IRS. There are different types. You can have a C-3 type or a C-4 or a C-2 type. Many of these nonprofit organizations can, in fact, constitute advocacy groups. I believe that the gambling should be limited to those nonprofit organizations that perform a useful function in society, such as charitable groups and churches and the like. Those kinds of nonprofit groups are the kind where you can contribute to them and that contribution is deductible on your income tax."

There being no objection, the amendment by Senator Pullen was ordered held temporarily.

Senator Van Hollebeke moved adoption of the following amendment:

On page 9, following line 16, insert the following paragraph:

"An organization specifically created by statute may establish its own criteria for membership and, so long as such membership is not primarily for the purpose of participation in the management or operation of a gambling activity, such members shall be members for the purposes of this chapter."

POINT OF INQUIRY

Senator Clarke: "Senator Van Hollebeke, perhaps you could explain what corporations are specifically created by statute? This is not authorized by statute but specifically created. I am wondering what corporations fall within that category."

Senator Van Hollebeke: "Senator Clarke, I am not sure that I can give you a precise answer to that question. I think that the primary purpose is just to see that any activity that is . . ."

Senator Clarke: "I understand the rest of it but I am a little mystified by 'an organization specifically created by statute,' as to what falls within that particular category."

Senator Van Hollebeke: "I do not know how many organizations or what specific organizations would fall under that."

MOTION

On motion of Senator Guess, the amendment by Senator Van Hollebeke will be held for further consideration following consideration of all other amendments.

Senator Talley moved adoption of the following amendment:

On page 12, section 1, line 34 of the printed bill, after "more than" and before "each" strike "twice" and insert "~~((twice))~~ six times in"

MOTION

On motion of Senator Marsh, Substitute House Bill No. 1196 with the pending amendments will be held for further consideration on Friday, May 4, 1979.

The use of the property for pecuniary gain or to promote business activities, except fund raising activities conducted by a nonprofit organization, shall nullify the exemption otherwise available for the property for the assessment year under this section.

If such real property interests are sold or other wise transferred to any nonpublic entity, all taxes which would have been collected if the property interests were subject to taxation shall become due and payable, together with interest at the rate charged on delinquent property taxes, by the buyer or transferee."

POINT OF INQUIRY

Senator Day: "Senator Marsh, I am concerned before we bump this bill here that some provision has been made now. This, as I understand it, is a judge's inquiry which is similar to one we recently had in Spokane County in which a number of people were subpoenaed supposedly linked to gambling. Now I was subpoenaed in that particular case in a secret indictment. In fact, the officer who delivered the subpoena would not even come to my office to deliver it. He said it was a secret thing. That night on television I viewed the news and they reported that they had subpoenaed twenty-eight people. The next morning I got a call from a local reporter and said they had my name as one of them, and so it was not secret at all. In fact, it was a device used by certain people. Subsequent to my appearing about eighteen minutes before the judge, not being able to provide any information that they wanted because I did not have any, the judge wrote a beautiful letter saying, in effect, that I not only did not know anything about organized gambling in Eastern Washington, but had no knowledge and no participation therein.

"Now I want to know if this bill provides the protection that it should provide for persons who may be subpoenaed and who may have knowledge or may not have knowledge of the activity. There is nothing the matter with anyone, including myself, being subpoenaed to see if they do or if they feel that they have knowledge of criminal activities, but the point is that if it is done it should not be done in the manner that someone can use it as a device to smear an individual, and I want to know if this particular bill has those protections written into it and if it does not, I would suggest we leave it on second reading and write them in."

Senator Marsh: "Senator, you may want to prepare a specific amendment addressing the concern that you have mentioned. You might take a look at Section 4, subsections 6 and 7 of that particular section. Subsection 6 says 'Upon a showing of good cause may make available any or all evidence obtained to any other public attorney, prosecuting attorney, city attorney, or corporation counsel,' and then it goes on and says, 'Any witness' testimony, given before a state-wide special inquiry judge and relevant to any subsequent proceeding against the witness, shall be made available to the witness upon proper application to the state-wide special inquiry judge. The state-wide special inquiry judge may also, upon proper application and upon a showing of good cause, make available to a defendant in a subsequent criminal proceeding other testimony or evidence when given or presented before a special inquiry judge, if doing so is in the furtherance of justice.' So there is some protection there. I would also direct your attention to New Section 5 that says, 'The supreme court shall develop and adopt rules to govern the procedures of a state-wide special inquiry judge proceeding.' Now I really think that is probably where the protections that you are alluding to, that you would seek, would be developed."

Senator Day: "What I am concerned about is that maybe there will be something specific put in relative to the adopting of those rules that in those rules shall provide for the protection of persons so subpoenaed and the confidentiality. The thing is that here you are a public official, you are subpoenaed to go up before an inquiry on gambling, and as my brother said, 'I would not want you holding my poker hand.' I asked the guy, I said, 'Are you sure you have the right Day?' Now the thing is that what I am talking about is that this not be a possible device to be used against anyone."

Senator Marsh: "Senator, I will ask and move to the President at this time to hold this bill until such time as you can develop an amendment this afternoon."

MOTION

On motion of Senator Marsh, Engrossed Substitute House Bill No. 1147, as amended by the Senate, was ordered held on second reading for consideration within a reasonable period of time for possible amending by Senator Day.

POINT OF INQUIRY

Senator Gould: "Just to clarify, if a student has two parents and they are not living together, if they are separated, do they still have to notify both parents at each residence?"

Senator Marsh: "I think they would both have to be notified."

Senator Gould: "What if the parent is not in the state?"

Senator Marsh: "I think you only have to exercise reasonable effort."

Senator Gould: "I think the idea is good. I just did not want to make it so difficult to run down parents that they perhaps did not have an address for or a place of residence.

"Senator Marsh, if we could restrict it to parents for whom they have a contact or an address, I think it would be more reasonable for districts to deal with."

Senator Marsh: "If you are asking that we hold the bill, I would be happy to hold the bill and you can prepare an amendment."

Providing a property tax exemption for property held for park purposes by nonprofit organizations.

ENGROSSED SENATE BILL NO. 2852,
SENATE CONCURRENT RESOLUTION NO. 106, and the same are herewith transmitted.

DEAN R. FOSTER, Chief Clerk.
VITO T. CHIECHI, Chief Clerk.

MOTIONS

On motion of Senator Walgren, the Senate advanced to the sixth order of business.

On motion of Senator Walgren, the Senate commenced consideration of House Bill No. 1241.

SECOND READING

HOUSE BILL NO. 1241, by Representatives Hurley, Fuller and Brown:

Providing a property tax exemption for property held for park purposes by nonprofit organizations.

The Senate resumed consideration of House Bill No. 1241, as amended by the Senate. On Friday, May 4, 1979 an amendment by Senator Wanamaker had been moved for adoption. Senator von Reichbauer raised a Point of Order on the amendment.

RULING BY THE PRESIDENT

President Cherberg: "In ruling upon the Point of Order raised by Senator von Reichbauer, the President finds that House Bill 1241 is a measure which provides for a property tax exemption for park lands held by nonprofit corporations primarily involved in natural resources research and conservation.

"The amendment proposed by Senator Wanamaker is a measure which provides for a property tax exemption for public assembly halls or meeting places wherever located.

"The President therefore finds that the proposed amendment does expand the scope and object of the bill and that the Point of Order is well taken."

The amendment by Senator Wanamaker was ruled out of order.

On motion of Senator von Reichbauer, the rules were suspended, House Bill No. 1241, as amended by the Senate, was advanced to third reading, the second reading considered the third, and the bill was placed on final passage.

POINT OF INQUIRY

Senator Van Hollebeke: "Perhaps, Senator von Reichbauer, you could give me some examples of the type of organizations which would qualify among the nonprofit corporations or associations, but that part of it is old law actually. The new law just includes open space or recreational facilities I see."

Senator von Reichbauer: "The primary reason for this, and one of the organizations that would most benefit is the Washington Parks Foundation, a foundation that has been involved in this state for many years, many decades, in acting as a conduit between private organizations and public bodies. Oftentimes people or individuals would give up property to be given to the state, county or city and the Washington Parks Foundation has been a conduit between private entities and public entities, but in the process of holding that property they have been taxed. What we are trying to do is avoid their being taxed as they act as a conduit, as a nonprofit conduit between the private sector and the public sector."

Senator Van Hollebeke: "Thank you."

ROLL CALL

The Secretary called the roll on the final passage of House Bill No. 1241, as amended by the Senate, and the bill passed the Senate by the following vote: Yeas, 42; absent or not voting, 4; excused, 3.

Absent or not voting: Senators Bottiger, Fleming, Rasmussen, Ridder—4.

Excused: Senators Benitz, Keefe, Scott—3.

HOUSE BILL NO. 1241, as amended by the Senate, having received the constitutional majority, was declared passed. There being no objection, the title of the bill was ordered to stand as the title of the act.

Senators Walgren, Wilson and Odegaard demanded a Call of the Senate. A Call of the Senate was ordered.

CALL OF THE SENATE

President Pro Tempore Henry called the Senate to order at 3:10 p.m.

MOTION

MESSAGE FROM THE HOUSE

May 1, 1979.

Mr. President: The House refuses to concur in the Senate amendments to ENGROSSED SUBSTITUTE HOUSE BILL NO. 236 and asks for a conference thereon and the same is herewith transmitted.

DEAN R. FOSTER, Chief Clerk.

VITO T. CHIECHI, Chief Clerk.

MOTION

On motion of Senator Walgren, Engrossed Substitute House Bill No. 236 was referred to the Committee on Ways and Means.

MOTION

On motion of Senator Walgren, the Senate was declared to be at ease.

President Pro Tempore Henry called the Senate to order.

PARLIAMENTARY INQUIRY

Senator Clarke: "If the amendment increases the amount as set forth in the original bill, would the adoption of the amendment require a two-thirds vote?"

REPLY BY PRESIDENT PRO TEMPORE

President Pro Tempore Henry: "Not as a committee amendment, I would think, Senator. Floor amendments require a two-thirds vote."

PARLIAMENTARY INQUIRY

Senator Clarke: "You mean a floor amendment outside the committee of the whole? Do I understand correctly the ruling of the Chair is that in the committee of the whole an amendment may be offered to an appropriation bill increasing the amount by simply a majority vote?"

REPLY BY PRESIDENT PRO TEMPORE

President Pro Tempore Henry: "This is a committee amendment as it came out of committee, Senator Clarke. It is not a floor amendment."

REMARKS BY SENATOR CLARKE

Senator Clarke: "I understand it is not a floor amendment but it is an amendment that is being adopted or presented to the committee of the whole for adoption by the committee of the whole, and I see nothing in the rules that makes a distinction between a committee amendment and a floor amendment on that particular point."

REMARKS BY SENATOR WALGREN

Senator Walgren: "I am sure that the Chairman has before him Rule 63 and, of course, that rule refers to amendments that were not incorporated on the bill as it was reported out of the ways and means committee."

RULING BY PRESIDENT PRO TEMPORE

President Pro Tempore Henry: "If I followed Senator Clarke's line of reasoning, I do not believe we could have a committee amendment adopted on the floor in the committee of the whole without a two-thirds majority, so it is my ruling that a committee amendment to a House bill can be adopted by a simple majority."

REMARKS BY SENATOR CLARKE

Senator Clarke: "That is regardless of whether it does or does not increase the amount of the appropriation?"

REPLY BY PRESIDENT PRO TEMPORE

President Pro Tempore Henry: "That is correct."

Such amounts may be expended as a part of the original appropriation of the fund to which it belongs, without further or additional appropriation, subject to conditions and procedures prescribed by the director of the office of financial management, which shall provide for determination of full costs, disclosure of such reimbursements in the governor's budget, maximum interagency usage of data processing equipment and services, and such restrictions as will promote more economical operations of state government without incurring continuing costs beyond those reimbursed.

NEW SECTION. Sec. 212. The chairmen of the senate committee on ways and means and the house appropriations committee shall review monthly reports of state agency expenditures prepared by the legislative evaluation and accountability program and shall advise their respective committee members of substantial deviations from an agency's allotment expenditure plan. The chairmen may request from an agency, or the office of financial management, such information as may be necessary to determine the reasons for such deviations.

NEW SECTION. Sec. 213. The office of financial management shall place in reserve status 3% of the general fund—state appropriations contained in this act. Such moneys shall remain in reserve status and may not be authorized for expenditure through the allotment process in any fiscal quarter unless the governor determines that projected economic conditions warrant additional expenditures: PROVIDED, That for institutions of higher education the requirements of this section are in addition to any enrollment reserve requirements set forth in section 214 of this act.

The provisions of this section shall not apply to sections 34, 38, or 100 of this act.

NEW SECTION. Sec. 214. In accordance with the provisions of this section, the office of financial management shall use the allotment process during the 1979-81 biennium to control the funding of the formula portion of the instruction services program of all the institutions of higher education. For the purpose of the controls outlined in this section, deviations in the formula entitlements for faculty staffing shall be the controlling factor for the four-year institutions of higher education while full time equivalent student enrollment will be the controlling factor for the community college system. For the purpose of this section, the "contract level" is defined as the level upon which the budget is based, and the "base level" is defined as the level corresponding to the prior year's actual enrollment level. Controls shall be applied to each four-year institution separately and to the community college

system as a total entity. "Growth funding" is defined as that portion of the state general fund appropriation by which the contract level exceeds the base level. Growth funds may be allotted or placed in reserve at the option of the institution or system. Unearned growth funds will be reverted to the state general fund prior to the end of the fiscal year in which such growth fails to materialize. If The Evergreen State College's enrollments for the first year of the biennium exceed the contract level, additional funding will be considered. Olympia Technical Community College shall not become comprehensive and shall offer only courses essential to vocational education. Expenditures shall be authorized for the rental of off-campus classroom facilities by community college district number twelve when such rentals would not reduce the current utilization of facilities already constructed on either of its campuses.

Reversions are not required when an institution's faculty formula entitlement as generated by actual enrollment, or in the case of the community colleges the actual annual average full time equivalent student enrollment, is within a set range of the contracted level. The allowable tolerances are as follows: University of Washington, Washington State University, and the community colleges as a system, 1 percent; Central Washington University, Eastern Washington University, and Western Washington University, 2 percent; and The Evergreen State College, 3 percent.

Contract enrollments for the second year of the biennium will be renegotiated if the first year's actual enrollment falls below the base level of the first year of the biennium.

It is the expressed intention of the legislature that agency operational activity shall be regularly monitored by the office of financial management, under its statutory authority relating to the allotment control function, in order to limit fluctuations in the respective fiscal year spending patterns which tend to inflate the expenditures in the second fiscal year of the biennium. Particular control emphasis shall be placed on those instances in which the full time equivalent staff years authorization is deliberately delayed in order to increase the agency's full time equivalent staff years as substantiation for the second fiscal year of the ensuing biennial request. NEW SECTION. Sec. 217. SENATE BILL NO. 2506,

SENATE BILL NO. 2852,

SENATE CONCURRENT RESOLUTION NO. 106.

MOTIONS

On motion of Senator Walgren, the Senate advanced to the sixth order of business.

On motion of Senator Walgren, the Senate commenced consideration of Substitute House Bill No. 1196.

SECOND READING

SUBSTITUTE HOUSE BILL NO. 1196, by Committee on Commerce (originally sponsored by Representative Struthers):

Implementing law relating to gambling.

The Senate resumed consideration of Substitute House Bill No. 1196 as amended by the Senate, on Thursday, May 3, 1979. The following amendment by Senator Talley had been moved for adoption at that time:

On page 12, line 34 of the printed bill, after "more than" and before "each" strike "twice" and insert "((twice)) six times in"

The motion by Senator Talley failed and the amendment was not adopted.

Senator Pullen moved adoption of the following amendment:

On page 3, section 1, line 34 after "purposes" strike all material through and including "amended," on line 36.

Debate ensued.

POINT OF INQUIRY

Senator Bottiger: "Senator, when we originally wrote this bill some years ago, one of the questions that we tried to address was that we did not want somebody setting up nonprofit corporations—purported nonprofit—for purposes of running gambling devices, so we researched the law out and put in the two conditions. Now you are striking one of them and I have got an old kind of rule around here is that an amendment is either doing something for somebody or to somebody, and I am wondering who it is you are doing it to or for. Is this the Red Cross or a college alumni fund or who have you got in mind that you want to affect by this amendment?"

Senator Pullen: "In answer to your question, this would do something to someone."

Senator Bottiger: "Do you mind sharing with us who you are after?"

Senator Pullen: "Basically, the way I read this, this would qualify the type of nonprofit organization that we are dealing with. The trouble is, as you correctly understand, many nonprofit corporations can range from here to there. They can be advocacy organizations, for that matter, and are not the kind of nonprofit corporations that the people had in mind when they adopted the gambling act."

Senator Bottiger: "Senator, you are usually not that vague. Who have you got in mind?"

Senator Pullen: "I feel that the proper concept of a non-profit corporation should include, for example, charitable organizations."

Senator Bottiger: "The language you are striking, Senator, is 'or that the organization is not otherwise exempt from payment of federal income tax purposes pursuant to the Internal Revenue Code of 1954 as amended.'"

Senator Pullen: "That is correct."

Senator Bottiger: "Now, that is they have got their clearance. They are exempt. Then they do not have to go through the hearing. But your striking amendment would say that even though they have got that clearance, they still have to go through the hearing. Now who is it you are after?"

Senator Pullen: "The way you have to look at what is being stricken and what is left, and . . ."

Senator Bottiger: "Senator, I always have a rule down here that if somebody cannot give me a direct answer, I just vote no, and that would be the recommendation I would make."

The motion by Senator Pullen failed and the amendment was not adopted.

An amendment by Senator Van Hollebeke to page 9, line 16 on the desk of the Secretary of the Senate was withdrawn by Senator Bottiger.

Senator Bottiger moved adoption of the following amendment by Senator Van Hollebeke:

On page 9, following line 16, insert the following paragraph:

"An organization to which chapter 29.42 RCW is applicable may establish its own criteria for membership and, so long as such membership is not primarily for the purpose of participation in the management or operation of a gambling activity, such members shall be members for the purposes of this chapter."

POINT OF INQUIRY

Senator Guess: "Senator Bottiger, this is the one that I asked Senator Van Hollebeke the other day what he meant and he said he did not know. I have done some research on it in the meantime and so has Senator Van Hollebeke and I would like to ask you the question: Will this permit the Republican Central Committee, the Democratic Central Committee, to establish full-time, twelve months out of the year, bingo parlors on a permanent basis?"

Senator Bottiger: "Senator, no, it would fall under the same requirements as any other bona fide charitable organization and have to get their permits as they do, as all others do. They are in the same class with the grange, anybody else. It is a great way to raise money from a lot of people with no strings attached and it is money that you can accept and use in your campaign and never owe anybody anything."

Senator Guess: "Senator, the next question would be, 'may establish its criteria for membership.' Can you give me an idea how they are going to do that? Normally we do not see card carrying Republicans or card carrying Democrats. They just usually say they vote like they want to when they get in the polls. Now are we going to have to issue membership cards to each one of these people?"

Senator Bottiger: "Senator, we do in Pierce County. Each one of us is very proud of the card that we get from the Democrat Party. Fifty cents goes to the local

club and fifty cents to the Central Committee. We have all got them, Senator Gaspard and I and Senator Wojahn. It is a good idea. You ought to try it."

Senator Guess: "Senator Newschwander says he has never gotten one."

Senator Bottiger: "If he will give me a dollar, I will see that he has one in the return mail."

Senator Guess: "The next question I would like to ask is, will each of the precinct committee organizations be able to operate bingo parlors on a twelve month basis?"

Senator Bottiger: "No, Senator, the chapter that you are referring to refers to the district, the county and the state."

Senator Guess: "It will not permit the local district or precinct organizations then to have bingo nights?"

Senator Bottiger: "Senator, I am sorry, I am not an expert on your side of the aisle on how it is organized, but on our side there is a district club, a district organization, a county organization and a state organization, all of which are mentioned in 29.42, and each of which would be able to have a function."

Senator Guess: "This is a new departure from what we have done in the past. Is this the reason necessary for the amendment?"

Senator Bottiger: "Not that I know of. It is a clarifying amendment to make sure that we are not violating the law and that we are doing it above board."

Senator Guess: "Thank you."

Debate ensued.

POINT OF INQUIRY

Senator Pullen: "Senator Bottiger, could you give me examples of some of the organizations that that chapter is applicable to?"

Senator Bottiger: "Any legitimate political party, Senator. It refers to the major political parties which would be any party that received, I believe, five percent of the vote in the preceding election."

Senator Pullen: "Nothing other than the political parties then?"

Senator Bottiger: "That section applies directly to political parties. If you will look above, we have picked up the grange, the fairs. I can remember Senator Morrison and I working to make sure the county fair got in. All those people are in. This section, 29.42, is major political parties."

The motion by Senator Bottiger carried and the amendment by Senator Van Hollebeke was adopted.

On motion of Senator Van Hollebeke, the following amendments were considered and adopted simultaneously. The amendment to page 12, line 33 was sponsored by Senators Hansen, Van Hollebeke and Quigg; the amendment to page 12, line 14 was sponsored by Senator Hansen:

On page 12, line 33, strike "once" and insert "((once)) twice"

On page 12, line 34, strike "twice" and insert "((twice)) four times"

Senator Van Hollebeke moved adoption of the following amendment by Senators Talley and Hansen:

On page 13, line 13 of the printed bill, after "((five))" strike "ten" and insert "fifteen"

Debate ensued.

The motion by Senator Van Hollebeke carried and the amendment was adopted.

On motion of Senator Pullen, the following amendments by Senators Pullen, Gould, Lee, North, Hayner and Van Hollebeke were considered and adopted simultaneously:

On page 15, line 26, after "premises" strike all of the underlined material through "center," on line 27.

On page 15, after line 31, insert

"(5) The legislature hereby authorizes any person, association, or organization operating an established business primarily engaged in the operation of a bowling center to utilize punch boards and pull-tabs as a commercial stimulant to such business when licensed and utilized or operated pursuant to the provisions of this chapter and rules and regulations adopted pursuant thereto."

On motion of Senator Lewis, the following amendment by Senators Lewis and Bausch was adopted:

On page 20, beginning on line 23 of the printed bill, add new subsections to read as follows:

"(11) The legislature hereby authorizes bona fide charitable or nonprofit golfing organizations to conduct, without the necessity of obtaining a permit or license to do so from the commission, golfing calcuttas which are conducted only in the following manner:

(a) The outcome of the golfing calcutta is dependent on the score or the playing ability of the individual players or teams of players;

(b) Wagers are placed by purchasing players or teams of players through an auction conducted by the golfing organization sponsoring the golfing calcutta. Moneys raised from the auction shall be used only as winners' proceeds and to defray the expenses of the golfing calcutta;

(c) Participation is limited to members of the sponsoring organization and their bona fide guests; and

(d) Only bona fide members of the golfing organization, who are not paid for such services, may participate in the management or operation of the calcutta.

(12) The legislature hereby authorizes bona fide charitable or nonprofit gun club organizations to conduct, without the necessity of obtaining a permit or license to do so from the commission, gun calcuttas which are conducted only in the following manner:

(a) The outcome of the gun calcutta is dependent on the score or the playing ability of the individual participants or teams of participants;

(b) Wagers are placed by purchasing participants or teams of participants through an auction conducted by the gun club organization sponsoring the gun calcutta. Moneys raised from the auction shall be used only as winners' proceeds and to defray the expenses of the gun club calcutta;

(c) Participation is limited to members of the sponsoring organization and their bona fide guests; and

(d) Only bona fide members of the gun club organization, who are not paid for such services, may participate in the management or operation of the calcutta.

(13) The legislature hereby authorizes bona fide charitable or nonprofit tennis club organizations to conduct, without the necessity of obtaining a permit or license to do so from the commission, tennis calcutta which are conducted only in the following manner:

(a) The outcome of the tennis calcutta is dependent on the score or the playing ability of the individual participants or teams of participants;

(b) Wagers are placed by purchasing participants or teams of participants through an auction conducted by the tennis club organization sponsoring the tennis calcutta. Moneys raised from the auction shall be used only as winners' proceeds and to defray the expenses of the tennis club calcutta;

(c) Participation is limited to members of the sponsoring organization and their bona fide guests; and

(d) Only bona fide members of the tennis organization, who are not paid for such services, may participate in the management or operation of the calcutta."

Senator Quigg moved adoption of the following amendment:

On page 20, after line 22, add a new subsection to read as follows:

"(11) The legislature hereby authorizes bona fide charitable or nonprofit motorcycle clubs to conduct, without the necessity of obtaining a permit or license to do so from the commission, motorcycle poker runs which are conducted only in the following manner:

(a) participation is limited to members of the sponsoring organization and their bona fide guests;

(b) only bona fide members of the motorcycle organization, who are not paid for such services, may participate in the management or operation of the motorcycle poker run;

(c) participants operate their motorcycles on a predetermined course;

(d) participants stop at predetermined spots along the course where each picks up one playing card at each stop;

(e) at the end of the course, the outcome of the motorcycle poker run depends upon the hand of the participants in the manner set forth for that game in Hoyle's Modern Encyclopedia of Card Games, by Walter Gibson, 1974 first edition;

(f) fees charged to participate in the motorcycle poker run are used only as winners proceeds to defray the expenses of the event or otherwise used to further the nonprofit or charitable purposes of the organization."

Renumber remaining subsections accordingly.

POINT OF INQUIRY

Senator Rasmussen: "Senator Quigg, which organizations do you have in mind that could operate without a permit? We have got branches of Hells Angels out there and then we have the Walla Walla branch of the Bikers Club, and I am just afraid that you might get a large number of these organizations which are very well-meaning, besides those I mentioned, and would not require any permission from the gambling commission. Is that really what you want?"

Senator Quigg: "Senator Rasmussen, the people that have been involved in these kinds of operations, the motorcycle poker runs, have been for charitable community service works, and if we were to happen to involve the group that you named in that kind of an activity, I think a lot of our diversion and the penal programs would be probably left in the dust of the success of a diversion such as this. So if we can include these kinds of people in such a community activity, I would say we have made a roaring success of it. To date, the people who have been involved in this are usually community touring type clubs that are not at all in the line of work that you have described, and for that reason I think it would be an excellent addition to the bill 1196."

Debate ensued.

The motion by Senator Quigg carried and the amendment was adopted.

Senator Talley moved adoption of the following amendment:

On page 20, section 2, beginning on line 23 of the printed bill add a new subsection to read as follows:

"(11) The legislature hereby authorizes bona fide charitable or nonprofit organizations to utilize slot machines to be used by only members and their guests on said organizations' premises when licensed, conducted or operated pursuant to rules and regulations adopted by the commission pursuant to this subsection."

The motion by Senator Talley failed and the amendment was not adopted on a rising vote.

On motion of Senator Pullen, the following amendments by Senators Pullen, Gould, Lee, North, Hayner and Van Hollebeke were considered and adopted simultaneously:

On page 21, line 27, after "premises," strike all of the underlined material through "center," on line 28.

On page 22, after line 5, insert:

"(3) To authorize and issue licenses for a period not to exceed one year to any person, association, or organization operating a business primarily engaged in the operation of a bowling center, approved by the commission meeting the requirements of this chapter and any rules and regulations adopted pursuant thereto permitting said person, association, or organization to utilize punchboards and pull-tabs as a commercial stimulant in accordance with the provisions of this chapter and any rules and regulations adopted pursuant thereto and to revoke or suspend said licenses for violation of any provisions of this chapter and any rules and regulations adopted pursuant thereto: PROVIDED, That the commission shall not deny a license to an otherwise qualified applicant in an effort to limit the number of licenses to be issued: PROVIDED FURTHER, That the commission may authorize the director to temporarily issue or suspend licenses subject to final action by the commission;"

Renumber subsequent subsections consecutively.

On motion of Senator Van Hollebeke, the following amendment was adopted:

On page 27, beginning on line 5, after "therein" restore all the stricken language down through "government" on line 10.

On page 31, after section 7, insert a new section to read as follows:

"NEW SECTION. Sec. 8. This 1979 act shall take effect July 15, 1979."

POINT OF INQUIRY

Senator Morrison: "Senator Bottiger, I think some of us are not eager to offer an emergency clause on a gambling measure for the sake of cutting off the option of the citizens for a referendum. Is the procedure you are talking about, an emergency clause followed with an effective date, still leave until the time of the effective date if citizens choose to act against this by referendum?"

Senator Bottiger: "My understanding is it is. If the emergency date was August 15 and we could be sure of our being out of here by the 15th, we would not need either, but if you are going to put . . ."

Senator Henry: "Senator Bottiger, if you will take a look at the last title amendment, page 1, line 19 of the title, after RCW insert 'and prescribing an effective date.' Do you still feel we need the emergency clause with that?"

Senator Bottiger: "The Constitution says that no act, unless it has been declared an emergency, can take effect within ninety days from the date we adjourn. What I am wondering, is the emergency of July 15 worth attaching an emergency date."

There being no objection, on motion of Senator Van Hollebeke, the amendment was withdrawn.

On motion of Senator Van Hollebeke, the committee amendment to the title was adopted.

On motion of Senator Van Hollebeke, the rules were suspended, Substitute House Bill No. 1196, as amended by the Senate, was advanced to third reading, the second reading considered the third, and the bill was placed on final passage.

Debate ensued.

POINT OF INQUIRY

Senator Rasmussen: "Senator Donohue, under this new legislation as proposed, revision in the senior citizen tax liability, do you have any idea of the forms that will be proposed? Let me ask first. In the past we have had forms put out which are quite complicated. Is it your intention to have our ways and means committee and

the legislative budget committee follow up and see that the forms are in the simplest possible . . . ?"

Senator Donohue: "Senator, I had not thought of this particular situation. I understand what you are saying, that the forms should be simple. I think that your suggestion is an excellent one and I think that we can direct some staff to follow through and find out exactly what kind of forms are being used."

Senator Rasmussen: "The next question would be, what is the intent regarding the filings that must be made to prove income? Is it that they bring their income tax forms in to show the total income of the family?"

Senator Donohue: "Senator, I think that that will be probably up to the department as it relates to rules and regulations. I would assume that they will have to have valid information relating to this. What the department will require I cannot tell you."

Senator Rasmussen: "Let me refresh your memory a little bit. That proposal was in a prior legislative bill, that they be required to show their income tax forms and the Senate took that from the bill. Would it be the intent that they should not by rule or regulation reinstitute this?"

Senator Donohue: "I think that that would be proper, Senator. I was wondering what kind of data would be necessary in your mind to allow the assessor to view, if we do not require that they have their income tax forms. If you have any suggestions, I think we could probably pursue that through the County Officials' Association and so forth."

Senator Rasmussen: "You understand, this legislation, of course, puts it in the hands of the department of revenue."

Senator Donohue: "I understand that, Senator."

Senator Rasmussen: "To draw the rules and regulations. What I was hopeful that you would say was not the intent."

Senator Donohue: "It is not the intent, Senator."

Senator Rasmussen: "Thank you, Senator Donohue."

SECOND READING

SUBSTITUTE HOUSE BILL NO. 56, by Committee on Local Government (originally sponsored by Representatives Charnley, Whiteside, Zimmerman, Rohrbach, North, Owen, Sanders, Fuller, Flanagan, Knowles, Smith (C.P.), Nisbet and Amen) (by House Committee on Local Government of 45th Legislature request):

Authorizing local governments to enter program for self-insurance, risk management, and joint insurance.

The bill was read the second time by sections.

Senator Wilson moved adoption of the following amendment:

On page 1, strike everything after the enacting clause and insert the following:

"NEW SECTION. Section 1. The legislature finds that local governmental entities in this state are experiencing a trend of vastly increased insurance premiums for the renewal of identical insurance policies, that fewer insurance carriers are

willing to provide local governmental entities with insurance coverage, and that some local governmental entities are unable to obtain desired insurance coverage.

It is the intent of this legislation to clearly provide for the authority of local governmental entities to individually self-insure, purchase individual insurance coverage, and obtain risk management services. It is also the intent of this legislation to grant local governmental entities the maximum flexibility to enter into agreements with each other to provide joint programs, which include programs for the joint purchasing of insurance, joint self-insuring, and joint contracting for or hiring personnel to provide risk management services.

NEW SECTION. Sec. 2. As used in sections 1 through 12 of this act, the term "local governmental entity" shall mean every unit of local government, both general purpose and special purpose, and shall include, but not be limited to, counties, cities, towns, port districts, public utility districts, water districts, sewer districts, school districts, fire protection districts, irrigation districts, metropolitan municipal corporations, conservation districts, and other political subdivisions, governmental subdivisions, municipal corporations, and quasi municipal corporations.

NEW SECTION. Sec. 3. The governing body of any local governmental entity may, as an alternative or in addition to the establishment of a self-insurance fund or the purchasing of insurance, contract for or hire personnel to provide risk management services. Funds made available and funds expended by school districts and educational service districts for the purpose of implementing any provision of sections 1 through 12 of this act or RCW 36.16.138 shall be subject to such rules of the superintendent of public instruction as the superintendent may adopt governing the budgeting and accounting of such funds.

NEW SECTION. Sec. 4. The governing body of any one or more local governmental entities may, as an alternative or in addition to exercising any one or more of the powers granted in section 3 of this act and RCW 36.16.138, as now or hereafter amended, or any other provision of law, form together into or join a pool or organization for the joint purchasing of insurance, and/or joint self-insuring, and/or joint hiring or contracting for risk management services to the same extent that they may individually purchase insurance, self-insure, or hire or contract for risk management services. **PROVIDED,** That no organization of local governmental entities that is organized under section 4 of this act for the purpose of self-insuring shall provide any self-insurance other than liability insurance. For purposes of this section, liability insurance shall include but not be limited to coverage for claims arising from the tortious or negligent conduct of the local government entity, its officers, employees, or agents thereof, or any error or omission on the part of said local government entity, its officers, employees or agents thereof as a result of which a claim may be made against the local government entity. The agreement to form such a pooling arrangement shall be made under chapter 39.34 RCW.

Any pool or organization authorized to be formed by this section shall be subject to audit by the state auditor.

NEW SECTION. Sec. 5. Prior to the establishment of a joint self-insurance pool by any organization of local governmental entities that is organized under section 4 of this act for the purpose of self-insuring through a contributing trust, approval of the establishment of such self-insurance pool shall be obtained from the state risk manager pursuant to RCW 43.19.19362 in accordance with the following procedure:

(1) A proposed plan of organization and operation, including the following elements shall be submitted;

(a) A financial plan specifying:

(i) The coverage to be offered by the self-insurance pool, setting forth the deductible level and the maximum level of claims which the pool will self-insure;

(ii) The amount of cash reserves to be set aside for the payment of claims;

(iii) The amount of insurance to be purchased over and above the amount of claims to be satisfied directly from the organization's resources;

(iv) The amount of stop-loss coverage to be purchased in the event that the joint self-insurance pool's resources are exhausted in a given fiscal period; and

(v) Certification that the participating local governmental entities in the self-insurance pool are apprised of the limitations of coverage provided and the availability of additional coverage which may be purchased individually by the participants in the pool;

(b) A plan of management setting forth the means of fulfilling the requirements of section 9(1) of this act; the means of establishing the governing authority of the organization, and the frequency of actuarial studies to establish the periodic contribution rates for each of the participants; and

(c) A plan specifying the conditions and responsibilities of the participants, including procedures for entry into and withdrawal from the pool and the allocation of contingent liabilities pursuant to section 6 of this act.

(2) Within sixty days after receipt of the aforementioned plan, the state risk manager shall determine whether the organization proposing to create a joint self-insurance pool has made provision for professional management of the joint self-insurance pool pursuant to section 9(1) of this act, and has provided for the insurance coverages required in section 9 (2) and (3) of this act, and that participants in the proposed joint self-insurance pool have been informed of the deductibles and limitations established pursuant to section 9(4) of this act. If the state risk manager determines that these criteria have been met, he shall approve the plan of operation of the proposed joint self-insurance pool, and such organization shall be authorized to commence operation.

(3) If approval is denied, the state risk manager shall specify in detail the reasons for denial and the manner in which the proposed joint self-insurance pool fails to meet the requirements of section 9 (1) through (4) of this act and make comments and suggestions as to means by which such deficiencies could be corrected. The provisions of RCW 34.04.090 shall apply with regard to such basis for denial and a review thereof. If the risk manager fails to act within the time limit established in subsection (2) of this section the plan of operation of the proposed joint self-insurance pool shall be deemed approved.

NEW SECTION. Sec. 6. Any organization of local governmental entities that is organized under section 4 of this act which is established for the purpose of joint self-insuring through a contributing trust fund shall provide for the contingent liability of the participants in the event the assets of the joint self-insurance pool are not sufficient to cover its liabilities.

Each organization shall be exempt from insurance premium taxes, from chapters 48.32 and 48.32A RCW and from business and occupation taxes imposed pursuant to chapter 82.04 RCW, and from any assigned risk plan or joint underwriting authority otherwise required by law.

NEW SECTION. Sec. 7. The assets of any organization of local governmental entities that is organized under section 4 of this act which is established for the purpose of jointly self-insuring may, pursuant to section 8 of this act, be invested only in the following classes of securities and investments:

(1) Savings or time accounts in banks, trust companies, and mutual savings banks which are doing business in this state, up to the amount of insurance afforded such accounts by the federal deposit insurance corporation;

(2) Accounts in savings and loan associations which are doing business in this state, up to the amount of insurance afforded such accounts by the federal savings and loan insurance corporation;

investment and secured by collateral in accordance with the provisions of chapter 39.58 RCW;

(5) Federal home loan bank notes and bonds, federal land bank bonds, and federal national mortgage association notes, debentures, and guaranteed certificates of participation, or the obligations of any other government-sponsored corporation whose obligations are or may become eligible as collateral for advances to member banks as determined by the board of governors of the federal reserve system;

(6) Direct and general obligation bonds and warrants of the state of Washington or any other state of the United States;

(7) Direct and general obligation bonds and warrants of any local governmental entity of this state having the power to levy general taxes which are payable from general ad valorem taxes;

(8) Revenue bonds of this state or any authority, board, commission, committee, or similar agency thereof;

(9) Motor vehicle fund warrants when authorized by agreement between the state finance committee and the state transportation commission requiring repayment of invested funds from any moneys in the motor vehicle fund available for state highway construction; and

(10) Bonds, securities, and obligations which are designated to be authorized security for all public deposits pursuant to RCW 35.58.510, 35.81.110, 35.82.220, 39.60.030, 39.60.040, and 54.24.120.

NEW SECTION. Sec. 8. Any organization of local governmental entities that is organized under section 4 of this act which is established for the purpose of jointly self-insuring may invest all or a portion of its assets by one or more of the following methods:

(1) Directly invest such assets itself; or

(2) Deposit such assets with the treasurer of any county within whose territorial limits any of its member local governmental entities lies to be invested by such treasurer for the organization.

NEW SECTION. Sec. 9. Any organization of local governmental entities that is organized under section 4 of this act which elects to provide pooled self-insurance shall satisfy the following requirements:

(1) Contract with a professional insurance management corporation or otherwise provide for the management and operation of any joint self-insurance pool established by the organization;

(2) Provide for umbrella coverage for the participating local governmental entities;

(5) Provide an annual report of the operations of the organization to the participating entities, the state risk manager, and the state insurance commissioner.

NEW SECTION. Sec. 10. Any organization of local governmental entities that is organized under section 4 of this act shall have the flexibility to perform its functions and at its option may, if such functions and actions are within its purview as established by the agreement or contract adopted pursuant to chapter 39.34 RCW that lists the powers and functions of the organization, do any of the following:

(2) Contract or otherwise provide legal counsel for the defense of claims and/or other legal services;

(3) Consult with the state insurance commissioner and/or the state risk manager;

(4) Jointly purchase insurance coverage in such form and amount as the organization's participants may by contract agree; and

(5) Possess any other powers and perform all other functions reasonably necessary to carry out the purposes of this chapter.

NEW SECTION. Sec. 11. Any organization of local governmental entities that is organized under section 4 of this act may provide for private meetings to consider litigation and settlement of claims when it appears that public discussion of these matters would impair the organization's ability to conduct its business effectively.

Notwithstanding any provision to the contrary contained in the public disclosure act, chapter 42.17 RCW, in a claim or action against the state or any local governmental entity, no person shall be entitled to discover that portion of funds or liability reserve established for purposes of satisfying a claim or cause of action, except that the reserve is discoverable in any supplemental or ancillary proceeding to enforce a judgment.

NEW SECTION. Sec. 12. The provisions of RCW 48.30.140 and 48.30.150 shall not be construed in such a manner as to prevent any local governmental entity or organization of local government entities that is organized under section 4 of this act from engaging or contracting with an insurance agent or broker to purchase or obtain insurance on a fee basis.

Sec. 13. Section .01.05, chapter 79, Laws of 1947 as amended by section 1, chapter 13, Laws of 1975-'76 2nd ex. sess. and RCW 48.01.050 are each amended to read as follows:

"Insurer" as used in this code includes every person engaged in the business of making contracts of insurance, other than a fraternal benefit society. A reciprocal or interinsurance exchange is an "insurer" as used in this code. Two or more hospitals, as defined in RCW 70.39.020(3), which join and organize as a mutual corporation pursuant to chapter 24.06 RCW for the purpose of insuring or self-insuring against liability claims, including medical liability, through a contributing trust fund shall not be deemed an "insurer" under this code. Two or more local governmental entities, as defined in section 2 of this 1979 act, which pursuant to section 4 of this 1979 act or any other provision of law join together and organize to form an organization for the purpose of jointly self-insuring shall not be deemed an "insurer" under this code.

NEW SECTION. Sec. 14. Sections 1 through 12 of this act are each added to Title 48 RCW."

POINT OF INQUIRY

Senator Rasmussen: "Senator Wilson, the state does have a risk management manager, Marsh McLennan Company I think received that by bid. They have come in with the best proposal. Under the State Intergovernmental Act, also the State Purchasing Act, it is my understanding that they may participate in any purchases that the state makes or jointly with any insurance and things like that. Now why do we need this bill?"

Senator Wilson: "To answer your question, Senator Rasmussen, the question as to whether a municipal corporation can engage in pooling their insurance coverage has presently been submitted to the attorney general for an opinion. There is some doubt in that area and there is some doubt as to which way the attorney general will rule. The attorney general's office has indicated informally to the counties that they would be far better off and have a far more clear cut authority to engage in these pooling activities if a bill such as 56 is passed. If it is not, doubt will exist as to their

legal authority to engage in pooling and the attorney general, for all I know, might rule against it."

Senator Morrison moved the following amendments to the amendment by Senator Wilson be considered and adopted simultaneously:

On page 1, line 34 of the amendment after "services." insert "It is the further intent of the legislature that such agreements shall be authorized only after a written determination by the insurance commissioner that liability insurance for local government entities is either unavailable or cost prohibitive from an authorized insurance carrier."

On page 2, line 35 of the amendment after "Sec. 4." strike "The" and insert "After a written determination by the insurance commissioner that liability insurance for local government entities is either unavailable or cost prohibitive from an authorized insurance carrier, the"

On page 3, line 26 of the amendment, after "trust," strike "approval" and insert "the insurance commissioner shall make a written determination that liability insurance for these local governmental entities is unavailable or cost prohibitive from an authorized insurance carrier. Approval"

POINT OF INQUIRY

Senator Rasmussen: "Senator Morrison, this will probably be a two point question. The first question, it is my understanding the city of Tacoma at the present time, and several other cities, have withdrawn from industrial insurance and they are going to become self-insurers. They also have hired a risk management person to mostly work on it from the safety angle and also to advise them in their coverage, probably on their catastrophe coverage and things like that.

"Now with your amendment, if they wanted to join in with Pierce county on such as this or risk management for fire and liability, they would then have to come down to the insurance commissioner and ask, 'Do you have anybody that can sell us insurance cheaper than we are getting it ourselves?' or words to that effect. Is that what they would have to do?"

Senator Morrison: "Senator Rasmussen, right now the law specifies that anyone can self-insure and this includes all of us as individuals, your city, your county, can self-insure; but the minute two people get together that then comes under the definition of insurance and you have to qualify then as an insurance company. Yes, if the city of Tacoma and Pierce county chose to get together, they would have to come under the provision that we have included here as far as this liability coverage is concerned. Before they could pool their resources and self-insure between the two of them, there would have to be a determination by the insurance commissioner that they could not buy liability coverage. That is true."

Senator Rasmussen: "Thank you. That answers one part of it. Now, obviously, insurance would be available. At what point do you determine that it becomes cost prohibitive and at what point would the insurance commissioner be able to arrive at that?"

Senator Morrison: "Senator Rasmussen, that is a very good question. I do not have the answer. I presume that the determination of what would be cost prohibitive would have to be reached through the administrative procedures process that we have, that is a measurement of what you were paying last year, what are the potential premiums for the coming year, and at some point insurance does become cost prohibitive. I would say some of the examples I have heard of premiums going up by two, three, four hundred percent from one year to the next, would in fact qualify that insurance as being cost prohibitive for that particular city or county."

Debate ensued.

Senator Wilson demanded a roll call and the demand was sustained.

The President declared the question before the Senate to be the roll call on the amendments by Senator Morrison to the amendment by Senator Wilson.

The Secretary called the roll and the amendments to the amendment were not adopted by the following vote: Yeas, 15; nays, 29; absent or not voting, 3; excused, 2.

Senator Goltz: "I was told in the negotiations when we were going and not going and were waiting and holding and so on, that if there was a possibility, and I say a possibility, that we could adjourn this weekend. I recommended myself that this legislature should not give up that opportunity even for an event of national significance.
