ENGROSSED SUBSTITUTE HOUSE BILL NO. 115, by Committee on Environmental Affairs (originally sponsored by Representatives Rust, Allen, Brekke, May, Walker, Nutley and Lux)

Providing for single authority to be responsible for solid waste management and eliminating city comprehensive solid waste management plans.

The bill was read the third time and placed on final passage.

Representatives Rust and Walker spoke in favor of passage of the bill.

POINT OF INQUIRY

Ms. Rust yielded to question by Ms. Hine.

Ms. Hine: Representative Rust, on page 2, line 30, the interlocal agreement calls for the joint financing of the solid waste plan. Does this mean that each participant pays an equal share?

Ms. Rust: No, the joint financing requires all participants to participate in the financing. The amount paid by each participant will be based upon several factors

including the amount of solid waste generated, population, benefits and other things determined by the local government. Also a city that prepares its own plan will only finance the cost to integrate its plan into the countywide plan.

Ms. Hine: Representative Rust, on page 3, line 30 the interlocal agreement says, "A city may join with a different city or a different county for solid waste planning and disposal...." On page 5, lines 10 to 21, certain cities are allowed to do their own plans, "...which shall be integrated into the countywide plan." Is there a conflict between these two sections?

Ms. Rust. No. The provisions on lines 10 to 21 on page 5 will prevail in those instances.

ROLL CALL

The Clerk called the roll on the final passage of Engrossed Second Substitute House Bill No. 221, and the bill passed the House by the following vote: Yeas, 98.

SECOND READING

HOUSE BILL NO. 485, by Representatives Valle, Holland, Ebersole, Wang, Peery, Unsoeld, P. King, Spanel, Pruitt, Winsley and Todd; by request of Superintendent of Public Instruction and State Board of Education

Continuing the beginning teachers assistance program.

The bill was read the second time. Committee on Ways & Means recommendation: Majority, do pass with the following amendment:

On page 1, line 27 after "teachers" strike "and beginning teachers"

On motion of Mr. Locke, the committee amendment was adopted.

Mr. Schoon moved adoption of the following amendment:

On page 1, line 10 after "program" insert "for up to one thousand mentor teacher teams in any given year"

Mr. Schoon spoke in favor of the amendment, and Mr. Ebersole opposed it.

POINT OF INQUIRY

Mr. Ebersole yielded to question by Mr. Padden.

Mr. Padden: Representative Ebersole, I notice in the fiscal note on this that over a six year period there is a \$4,138,000 impact. Will Representative Schoon's amendment reduce that impact? Can you shed any light of what the fiscal impact of his amendment would be?

Mr. Ebersole: My interpretation would be that the amendment as written would be fairly close to the appropriation because about 800 to 1,000 new teachers come into the system each year. If some year we have 1,050 come into the system, I wouldn't want to say arbitrarily that there is an additional 50 that won't be served.

Mr. Schoon spoke again in favor of the amendment.

The amendment was not adopted.

On motion of Mr. Ebersole, the following amendments by Representatives Ebersole, Valle, Kremen and Cooper were adopted:

On page 2, after line 21, insert the following:

NEW SECTION, Sec. 3. A new section is added to chapter 28A.67 RCW to read as follows:

The legislature reaffirms that teachers are the fundamental element in assuring a quality education for the state's children and that this important role requires an assurance that those seeking to enter the profession are competent and well-trained.

NEW SECTION, Sec. 4. A new section is added to chapter 28A.67 RCW to read as follows:

(1) No person may be admitted to a professional teacher preparation program within Washington state without first demonstrating that he or she is competent in the basic skills required for oral and written communication and computation.

(2) For persons applying for the 1990-91 school year and all subsequent school years, if standardized tests are used to determine competency, a passing grade shall be not less than the median score for all students taking that test who are admitted in that school year to that institution of higher education.

(3) The state board of education shall adopt rules to implement this section. The rules may provide for exceptions to subsection (2) of this section for cause.

NEW SECTION, Sec. 5. A new section is added to chapter 28A.67 RCW to read as follows:

Commencing January 1, 1990, prospective teachers completing a professional teacher preparation program shall be required to pass an exit examination before being granted official certification by the state board of education. The examination shall test knowledge and competence in subjects including but not limited to instructional skills, classroom management, and pupil discipline. The examination shall consist primarily of essay questions but may consist of some objective questions. The state board of education shall adopt a uniform state exit examination and shall establish such rules as may be necessary to implement this section.

NEW SECTION, Sec. 6. A new section is added to chapter 28A.67 RCW to read as follows:

(1) Each candidate for teacher certification shall be endorsed in one or more subject matters or teacher specializations appropriate to the elementary and/or secondary levels.

(2) The state board of education shall, no later than March 15, 1988, adopt rules authorizing specific written examinations and qualifying scores which will authorize the granting of endorsements in grade levels and subject areas in lieu of course work.

(3) The state board of education shall, no later than January 1, 1990, issue to the legislature a recommendation as to whether all teacher candidates should be required to pass a written subject matter examination. The board shall, before making its recommendation, administer

the subject matter examinations as may be necessary to a sample number of teacher candidates who qualify to receive endorsements on the basis of other criteria. The results of such tests shall be made available to the legislature."

Renumber the remaining sections consecutively.

Providing the resources to local school districts to provide quality education that directly impacts children is necessary to ensure that the children of this state will be prepared to meet the challenges of the future.

The legislature further finds that parental, community, and private sector involvement in planning and implementing educational programs is advantageous to ensuring relevance and quality in the delivery of educational programs to the children of the state of Washington.

The legislature further finds that, as investors in the education of the children of the state of Washington, the public is entitled to assurances that educational programs are delivered in such a way as to ensure that children are receiving maximum benefit from the educational programs of this state.

The legislature recognizes that individual school districts have individual educational needs that can be met by providing additional dollars distributed directly to the school districts. It is the intent of the legislature, through this act, to provide local school districts the flexibility to meet individual needs with a minimum of direction from the legislature as to what those needs may be.

The purpose of this act is to provide a grant, in addition to the district's basic education allocation, to each school district based on full-time equivalent student enrollment to meet the educational needs of each district.

This act shall be known as the local education enhancement and accountability act.

NEW SECTION. Sec. 2. School districts shall be eligible to receive a grant in addition to their basic education allocation. This additional grant shall be distributed to local school districts from the superintendent of public instruction on the basis of full-time equivalent students. For districts enrolling not more than one hundred average annual full-time equivalent students, except as otherwise specified, and for small school plants within any school district, which small plants have been judged to be remote and necessary by the state board of education, the grant shall be distributed as follows:

(1) For grades K-6, for districts enrolling not more than sixty average full-time equivalent students, the grant shall be based on sixty full-time equivalent students;

(2) For grades 7 and 8, for districts enrolling not more than twenty average full-time equivalent students, the grant shall be based on twenty full-time equivalent students; and

(3) For districts that operate no more than two high schools with enrollments of not more than three hundred average full-time equivalent students, the grant shall be based on sixty average full-time equivalent students for the first sixty annual average full-time equivalent students.

NEW SECTION. Sec. 3. Grants distributed under this act shall be used for the 1987-88 school year and the 1988-89 school year.

NEW SECTION. Sec. 4. To the extent possible, principals and teachers selected to serve on the advisory board shall be representative of the mix of schools within the district.

(2) The advisory committee shall develop a series of recommendations for the expenditure of the grant dollars to be submitted to the local school board for approval.

NEW SECTION. Sec. 5. Each advisory committee shall be responsible for:

(1) Assessing the needs of the schools within the district;

(2) Assigning priority to addressing the identified needs;

(3) Preparing a comprehensive two-year plan to address the priority needs identified by the committee within the grant funding limitations;

Mr. Wang moved adoption of the following amendment by Representatives Wang, R. King, Wineberry, Miller, Winsley, Cole, Brough, Hankins, Unsoeld, Dellwo, Bristow, Walk, Grimm, H. Sommers, Braddock, Fisch and Allen:

Strike everything after the enacting clause and insert the following:

***NEW SECTION.** Sec. 1. The legislature finds that the demands of the workplace and the needs of families need to be balanced to promote the stability and economic security of families. Changes in leave policies are desirable to accommodate changes in the work force such as rising numbers of dual-career couples and working mothers. The legislature declares it to be in the public interest to provide reasonable parental leave for the birth or adoption of a child and family leave to care for a family member with a serious health condition.

NEW SECTION. Sec. 2. Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

(1) 'Child' means a biological, adopted, or foster child, a stepchild, a legal ward, or a child of a person standing in loco parentis, who is:

(a) Under eighteen years of age; or

(b) Eighteen years of age or older and incapable of self-care because of mental or physical disability.

(2) 'Department' means the department of labor and industries.

(3) 'Employee' means a person engaged by an employer on a full-time basis in a job that is not considered temporary or seasonal and who has completed an initial probationary period of not less than three months under a formal probationary policy or one year of employment, whichever is less. 'Employee' does not include any individual employed by his or her parents, spouse, or child or who is in the domestic service of any person.

(4) 'Employer' includes any person acting in the interest of an employer, directly or indirectly, who employs twenty-five or more persons who carry on their employment in the same approximate geographical location.

(5) 'Family leave' means leave from employment to care for specified family members with serious health conditions, as provided in section 3 of this act.

(6) 'Health care provider' means a person licensed as a physician under chapter 18.71 RCW, and advanced registered nurse practitioner under rules adopted by the board of nursing under chapter 18.88 RCW, or an osteopath under chapter 18.57 RCW.

(7) 'Parent' means a biological, foster, or adoptive parent, a stepparent, or a legal guardian.

(8) 'Parental leave' means leave from employment to care for a birth or adoptive child, as provided in section 3 of this act.

(9) 'Person' includes one or more individuals, partnerships, associations, organizations, corporations, cooperatives, legal representatives, trustees and receivers, or any group of persons; it includes any owner, lessee, proprietor, manager, agent, or employee, whether one or more natural persons; and further includes any political or civil subdivisions of the state and any agency or instrumentality of the state or of any political or civil subdivision.

(10) 'Reduced leave schedule' means leave scheduled for fewer than an employee's usual number of hours per workweek or hours per workday.

(11) 'Serious health condition' means an illness, injury, impairment, or physical or mental condition whether or not preexisting which requires:

(a) Inpatient care in a hospital, hospice, or residential medical care facility; or

(b) Continuing treatment or continuing supervision by a health care provider.

To take family leave because of the serious health condition of a family member under section 3 of this act, the presence of the employee must be necessary to care for the individual, as determined by a health care provider.

NEW SECTION. Sec. 3. (1) An employee is entitled to sixteen workweeks of leave during any twenty-four month period under the circumstances in (a) and (b) of this subsection.

(a) An employee may take parental leave to care for a birth child or adoptive child under the age of six of the employee. Leave under this subsection shall be completed within twelve months after the birth or placement for adoption, as applicable.

(b) An employee may take family leave to care for any of the following individuals who has a serious health condition:

(i) A child of the employee;

(ii) The spouse of the employee; or

(iii) A parent of the employee or the employee's spouse who is dependent for care on the employee.

An employee may take leave under this subsection only when the presence of the employee is necessary to care for the individual, as determined by a health care provider. For a serious health condition which is expected to last more than two weeks, an employee may take leave on an intermittent basis as medically necessary. An employer may limit family leave under this subsection for conditions expected to last two weeks or less to leave for three such conditions during any twenty-four month period.

(2) Leave may be taken on a reduced leave schedule if:

(a) The total period during which the sixteen workweeks is taken does not exceed thirty-six consecutive workweeks; and

(b) The leave is scheduled so as not to disrupt unduly the employer's operations.

(3) The leave required by this section may be unpaid. If an employer provides paid parental or family leave for fewer than sixteen workweeks, the additional weeks of leave added to attain the sixteen workweek total may be unpaid. An employer may require an employee to first use the employee's total accumulation of paid vacation leave, personal leave, family leave, or other comparable paid leave to which the employee is otherwise entitled before going on unpaid leave.

(4) The department may, upon the request of an employer, grant a full or partial exemption from the requirements of this section for a particular employee upon a showing by the employer that if the employee took leave which requires prior notice under section 4 of this act or continues to take leave under subsection (1)(b) of this section which was not foreseeable, the absence of the employee would create a severe financial hardship on the employer in that the functions of the employee cannot be performed by any other person engaged by the employer. The employer shall notify the employee of the exemption request in a manner as determined by the department. The department shall establish procedures for determining requests, which shall provide for the initial determination of exemptions in an expedited manner. A person aggrieved by a decision of the department may seek review under the administrative procedure act, chapter 34.04 RCW.

NEW SECTION. Sec. 4. (1) An employee planning to take parental leave under section 3(1)(a) of this act shall provide the employer with prior notice of such expected birth or adoption in a manner and at a time which is reasonable and practical.

(2) If family leave under section 3(1)(b) of this act is foreseeable, the employee shall make a reasonable effort to schedule the leave so as not to disrupt unduly the operations of the employer, subject to approval of the health care provider, and shall provide the employer with prior notice of such expected leave in a manner and at a time which is reasonable and practical.

NEW SECTION. Sec. 5. (1) An employer may require that a claim for family leave under section 3(1)(b) of this act be supported by certification issued by the health care provider of the child, spouse, or parent, whichever is appropriate.

(2) The certification shall state:

(a) The date on which the serious health condition commenced;

(b) The probable duration of the condition; and

(c) The extent to which the presence of the employee is necessary to care for the individual.

(3) An employer may require, at the employer's expense, that the employee obtain the opinion of a second health care provider selected by the employer concerning any information required under subsection (2) of this section. If the health care providers disagree on any factor which is determinative of the employee's eligibility for family leave, the two health care providers shall select a third health care provider, whose opinion, obtained at the employer's expense, shall be conclusive.

NEW SECTION. Sec. 6. (1) Subject to subsection (2) of this section, an employee who exercises any right provided under section 3 of this act shall be entitled, upon return from leave or during any reduced leave schedule:

(a) To the same position held by the employee when the leave commenced; or

(b) To a position with equivalent benefits, pay, and other terms and conditions of employment.

(2) The entitlement under subsection (1) of this section is subject to bona fide provisions on reduction-in-force.

(3) The taking of leave under this chapter shall not result in the loss of any benefit, including seniority, accrued before the date on which the leave commenced.

(4) Except as provided in section 7 of this act, nothing in this chapter shall be construed to require the employer to grant benefits, including seniority, during any period of leave.

(5) All policies applied during the period of leave to the classification of employees to which the employee belongs shall apply to the employee on leave.

NEW SECTION. Sec. 7. If the employer provided health benefits to an employee prior to leave under section 3 of this act, and the employee is not eligible for any employer contribution to health benefits under the applicable collective bargaining agreement or employer policy during any period of leave, the employer shall allow the employee to elect to continue the employee's health benefits, including any spouse and dependent coverage. The coverage shall be identical to the coverage provided to similarly situated persons not on leave and the premium to be paid by the employee shall not exceed one hundred two percent of the applicable premium for the leave period.

NEW SECTION. Sec. 8. The department shall administer the provisions of this chapter.

NEW SECTION. Sec. 9. The department shall adopt rules to carry out the provisions of this chapter.

NEW SECTION. Sec. 10. The rights and remedies under this chapter are in addition to any other rights or remedies provided by law.

NEW SECTION. Sec. 11. (1) Nothing in this chapter shall be construed to supersede any provision of any local law which provides greater leave rights to employees than the rights established under this chapter.

(2) Nothing in this chapter shall be construed to diminish an employer's obligation to comply with any collective bargaining agreement or any employment benefit program or plan which provides greater leave rights to employees than the rights provided under this chapter.

(3) The rights provided to employees under this chapter may not be diminished by any collective bargaining agreement or any employment benefit program or plan entered into or renewed after the effective date of this section.

NEW SECTION. Sec. 12. Nothing in this chapter shall be construed to discourage employers from adopting leave policies greater than those required by this chapter.

NEW SECTION. Sec. 13. This chapter shall apply to collective bargaining agreements or employment benefit programs or plans entered into or renewed after the effective date of this section.

NEW SECTION. Sec. 14. The department has power to hold hearings, subpoena witnesses, compel their attendance, administer oaths, take the testimony of any person under oath, and in connection therewith, to require the production for examination of any books or papers relating to any matter under investigation or in question before the department. The department may make rules as to the issuance of subpoenas under this chapter, as to service of complaints, decisions, orders, recommendations and other process or papers of the department, either personally or by registered mail, return receipt requested, or by leaving a copy thereof at the principal office or place of business of the person required to be served. The return post office receipt, when service is by registered mail, shall be proof of service of the same.

NEW SECTION. Sec. 15. No person shall be excused from attending and testifying or from producing records, correspondence, documents or other evidence in obedience to the subpoena of the department, on the ground that the testimony or evidence required of the person may tend to incriminate or subject the person to a penalty or forfeiture, but no person shall be prosecuted or subjected to any penalty or forfeiture for or on account of any transaction, matter or thing concerning which the person is compelled, after having claimed the privilege against self-incrimination, to testify or produce evidence, except that such person so testifying shall not be exempt from prosecution and punishment for perjury committed in so testifying. The immunity herein provided shall extend only to natural persons so compelled to testify.

NEW SECTION. Sec. 16. In case of contumacy or refusal to obey a subpoena issued to any person, the superior court of any county within the jurisdiction of which the investigation, proceeding, or hearing is carried on or within the jurisdiction of which the person guilty of contumacy or refusal to obey is found or resides or transacts business, upon application by the department shall have jurisdiction to issue to such person an order requiring such person to appear before the department, there to produce evidence if so ordered, or there to give testimony touching the matter under investigation or in question. Any failure to obey such order of the court may be punished by the court as a contempt thereof.

NEW SECTION. Sec. 17. Witnesses before the department shall be paid the same fees and mileage that are paid witnesses in the courts of this state. Witnesses whose depositions are taken and the person taking the same shall be entitled to same fees as are paid for like services in the courts of the state.

NEW SECTION. Sec. 18. Violation of sections 3 through 7 of this act is an unfair practice.

(1) Any person claiming to be aggrieved by an alleged unfair practice may, personally or by his or her attorney, make, sign, and file with the department a complaint in writing under oath. The complaint shall state the name and address of the person alleged to have committed the unfair practice and the particulars thereof, and contain such other information as may be required by the department.

(2) Whenever it has reason to believe that any person has been engaged or is engaging in an unfair practice, the department may issue a complaint.

(3) Any employer or principal whose employees, or agents, or any of them, refuse or threaten to refuse to comply with the provisions of this chapter may file with the department a written complaint under oath asking for assistance by conciliation or other remedial action.

Any complaint filed pursuant to this section must be so filed within six months after the alleged violation of this chapter.

NEW SECTION, Sec. 19. After the filing of any complaint, the department shall refer it to the appropriate staff of the department for prompt investigation and ascertainment of the facts alleged in the complaint. The investigation shall be limited to the alleged facts contained in the complaint. The results of the investigation shall be reduced to written findings of fact, and a finding shall be made that there is or that there is not reasonable cause for believing that an unfair practice has been or is being committed. A copy of said findings shall be furnished to the complainant and to the person named in such complaint, hereinafter referred to as the respondent.

If the finding is made that there is reasonable cause for believing that an unfair practice has been or is being committed, the staff of the department shall immediately endeavor to eliminate the unfair practice by conference, conciliation and persuasion.

If an agreement is reached for the elimination of such unfair practice as a result of such conference, conciliation and persuasion, the agreement shall be reduced to writing and signed by the respondent, and an order shall be entered by the department setting forth the terms of said agreement. No order shall be entered by the department at this stage of the proceedings except upon such written agreement.

If no such agreement can be reached, a finding to that effect shall be made and reduced to writing, with a copy thereof furnished to the complainant and the respondent.

NEW SECTION, Sec. 20. (1) In case of failure to reach an agreement for the elimination of such unfair practice, and upon the entry of findings to that effect, the entire file, including the complaint and any and all findings made, shall be certified to the director of the department. The director shall thereupon request the appointment of an administrative law judge under Title 34 RCW to hear the complaint and shall cause to be issued and served in the name of the department a written notice, together with a copy of the complaint, as the same may have been amended, requiring the respondent to answer the charges of the complaint at a hearing before the administrative law judge, at a time and place to be specified in such notice.

(2) The place of any such hearing may be the office of the department or another place designated by it. The case in support of the complaint shall be presented at the hearing by counsel for the department: PROVIDED, That the complainant may retain independent counsel and submit testimony and be fully heard. No member or employee of the department who previously made the investigation or caused the notice to be issued shall participate in the hearing except as a witness, nor shall the member or employee participate in the deliberations of the administrative law judge in such case. Any endeavors or negotiations for conciliation shall not be received in evidence.

(3) The respondent shall file a written answer to the complaint and appear at the hearing in person or otherwise, with or without counsel, and submit testimony and be fully heard. The respondent has the right to cross-examine the complainant.

(4) The administrative law judge conducting any hearing may permit reasonable amendment to any complaint or answer. Testimony taken at the hearing shall be under oath and recorded.

(5) If, upon all the evidence, the administrative law judge finds that the respondent has engaged in any unfair practice, the administrative law judge shall state findings of fact and shall issue and file with the department and cause to be served on such respondent an order requiring such respondent to cease and desist from such unfair practice and to take such affirmative action, including, (but not limited to) hiring, reinstatement or upgrading of employees, with or without back pay, or to take such other action as, in the judgment of the administrative law judge, will effectuate the purposes of this chapter, including action that could be ordered by a court, except that damages for humiliation and mental suffering shall not exceed one thousand dollars, and including a requirement for report of the matter on compliance.

(6) The final order of the administrative law judge shall include a notice to the parties of the right to obtain judicial review of the order by appeal in accordance with the provisions of RCW 34.04.130 or 34.04.133, and that such appeal must be served and filed within thirty days after the service of the order on the parties.

(7) If, upon all the evidence, the administrative law judge finds that the respondent has not engaged in any alleged unfair practice, the administrative law judge shall state findings of fact and shall similarly issue and file an order dismissing the complaint.

(8) An order dismissing a complaint may include an award of reasonable attorneys' fees in favor of the respondent if the administrative law judge concludes that the complaint was frivolous, unreasonable, or groundless.

(9) The department shall establish rules of practice to govern, expedite and effectuate the foregoing procedure.

NEW SECTION. Sec. 21. (1) The department shall petition the court within the county wherein any unfair practice occurred or wherein any person charged with an unfair practice resides or transacts business for the enforcement of any final order which is not complied with and is issued by the department or an administrative law judge under the provisions of this chapter and for appropriate temporary relief or a restraining order, and shall certify and file in court the final order sought to be enforced. Within five days after filing such petition in court, the department shall cause a notice of the petition to be sent by registered mail to all parties or their representatives.

(2) From the time the petition is filed, the court shall have jurisdiction of the proceedings and of the questions determined thereon, and shall have the power to grant such temporary relief or restraining order as it deems just and suitable.

(3) If the petition shows that there is a final order issued by the department or administrative law judge under RCW 49.60.240 or 49.60.250 and that the order has not been complied with in whole or in part, the court shall issue an order directing the person who is alleged to have not complied with the administrative order to appear in court at a time designated in the order, not less than ten days from the date thereof, and show cause why the administrative order should not be enforced according to the terms. The department shall immediately serve the person with a copy of the court order and the petition.

(4) The administrative order shall be enforced by the court if the person does not appear, or if the person appears and the court finds that:

(a) The order is regular on its face;

(b) The order has not been complied with; and

(c) The person's answer discloses no valid reason why the order should not be enforced, or that the reason given in the person's answer could have been raised by review under RCW 34.04.130, and the person has given no valid excuse for failing to use that remedy.

(5) The jurisdiction of the court shall be exclusive and its judgment and decree shall be final, except that the same shall be subject to a review by the supreme court or the court of appeals, on appeal, by either party, irrespective of the nature of the decree or judgment. Such appeal shall be taken and prosecuted in the same manner and form and with the same effect as is provided in other cases of appeal to the supreme court or the court of appeals, and the record so certified shall contain all that was before the lower court.

NEW SECTION. Sec. 22. Any respondent or complainant, including the department, aggrieved by a final order of an administrative law judge may obtain judicial review of such order as provided under the administrative procedure act, chapter 34.04 RCW. From the time a petition for review is filed, the court has jurisdiction to grant to any party such temporary relief or restraining order as it deems just and suitable. If the court affirms the order, it shall enter a judgment and decree enforcing the order as affirmed.

NEW SECTION. Sec. 23. Petitions filed under sections 21 and 22 of this act shall be heard expeditiously and determined upon the transcript filed, without requirement of printing. Hearings in the court under this chapter shall take precedence over all other matters, except matters of the same character.

NEW SECTION. Sec. 24. Any person who wilfully resists, prevents, impedes, or interferes with the department or representatives in the performance of duty under this chapter, or who wilfully violates an order of the department, is guilty of a misdemeanor; but procedure for the review of the order shall not be deemed to be such wilful conduct.

NEW SECTION. Sec. 25. In any case in which the department shall issue an order against any political or civil subdivision of the state, or any agency, or instrumentality of the state or of the foregoing, or any officer or employee thereof, the department shall transmit a copy of such order to the governor of the state. The governor shall take such action to secure compliance with such order as the governor deems necessary.

NEW SECTION. Sec. 26. It is an unfair practice for any employer, employment agency, labor union, or other person to discharge, expel, or otherwise discriminate against any person because he or she has opposed any practices forbidden by this chapter, or because he or she has filed a charge, testified, or assisted in any proceeding under this chapter.

NEW SECTION. Sec. 27. It is an unfair practice for any person to aid, abet, encourage, or incite the commission of any unfair practice, or to attempt to obstruct or prevent any other person from complying with the provisions of this chapter or any order issued thereunder.

NEW SECTION. Sec. 28. Any person deeming himself or herself damaged by an act in violation of this chapter shall have a civil action in a court of competent jurisdiction to enjoin further violations, to recover the actual damages sustained by him or her, or both, together with the cost of suit including a reasonable attorney's fees.

NEW SECTION. Sec. 29. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

NEW SECTION. Sec. 30. Sections 1 through 28 of this act shall constitute a new chapter in Title 49 RCW.

NEW SECTION. Sec. 31. This act shall take effect January 1, 1988."

POINT OF PERSONAL PRIVILEGE

Mr. Locke: Members of the body, there has been some concern about some of my actions today and I wish to apologize to the House if I have made it uncomfortable or inconvenient for others. Earlier today we had a vote on an education bill and I did not stand to make any statements on the bill as the prime sponsor. It is not always my practice to speak on behalf of the bill of which I am the sponsor. Because of that some people did not rise in opposition to that bill. I want to state to the members of the body that it is not a ploy of any sort, nor was it intentional. In fact I was expecting people to speak against it and then when nothing materialized, the voting machine had been started. Second of all, with respect to an issue that was before us earlier this evening, there was some miscommunication with Representative Ballard and myself and, as a consequence, I rose in opposition to an amendment he offered and my comments may have, and probably did, materially affect the outcome of that, and to Representative Ballard, I apologize for the miscommunication.

"NEW SECTION. Sec. 7. A new section is added to chapter 84.52 RCW to read as follows:

(1) The governing body of any library district, public hospital district, metropolitan park district, or fire protection district may provide for the submission of a ballot proposition to the voters of the taxing district authorizing the taxing district to maintain its otherwise authorized tax levy rate, and authorizing an increase in the cumulative regular property tax limitation of

nine dollars and fifteen cents per thousand dollars of assessed valuation within the taxing district, as provided in this section. A fire protection district may use this authority to increase its regular property tax levy up to fifty cents per thousand dollars of assessed valuation.

(2) A resolution by a governing body, requesting that a special election be called to submit such a ballot proposition to the voters, must be transmitted to the county legislative authority of the county, or county legislative authorities of the counties, within which the taxing district is located, at least forty-five days before the special election date at which the ballot proposition is submitted. The ballot proposition shall be worded substantially as follows:

'Shall the cumulative limitation on most regular property tax rates be increased by an amount not exceeding thirty-five cents per thousand dollars of assessed valuation for a five consecutive year period allowing (insert the name of the taxing district) to maintain its otherwise authorized property tax rate?'

Approval of this ballot proposition by a simple majority vote shall authorize the following for the succeeding five consecutive year period: (a) Property tax rates of junior taxing districts are calculated first as if this proposition had not been approved; (b) subject to the one hundred six percent limitation, the regular property tax rate of the taxing district receiving such authorization is increased to a level not exceeding the lesser of its maximum authorized regular property tax rate or whatever tax rate it otherwise would have been able to impose plus an additional thirty-five cents per thousand dollars of assessed valuation; and (c) the cumulative property tax rate limitation is increased within the boundaries of the taxing district receiving this authorization to an amount equal to nine dollars and fifteen cents per thousand dollars of assessed valuation plus the increased amount of the regular levy rate of this taxing district, but not to exceed nine dollars and fifty cents per thousand dollars of assessed valuation.

(3) If two or more taxing districts that occupy a portion of the same territory receive such approval, the additional authorized taxing capacity above nine dollars and fifteen cents per thousand dollars of assessed valuation shall be distributed among these taxing districts by adjusting their levy rate requests in the same manner and under the same conditions as if they were the only taxing districts in the area subject to adjustment of their property tax rates and the levy rate adjustments were being made with the cumulative limitation of nine dollars and fifteen cents per thousand dollars of assessed valuation.

(4) Levies authorized under RCW 84.52.069 are not subject to the rate adjustments and the nine dollar and fifty cent per thousand dollar of assessed valuation cumulative limitation on regular property tax rates established by this section."

(2) The ballot shall be submitted so as to enable the voters favoring the authorization of a fire protection district service charge to vote 'Yes' and those opposed thereto to vote 'No,' and ~~((such))~~ the ballot shall be ~~((in substantially the following form))~~:

Strike everything after the enacting clause and insert the following:

*Sec. 1. Section 1, chapter 56, Laws of 1975 1st ex. sess. as last amended by section 6, chapter 169, Laws of 1985 and by section 1, chapter 219, Laws of 1985 and RCW 35.22.620 are each reenacted and amended to read as follows:

(1) ~~((Any public work or improvement of a first class city shall be done by contract pursuant to public notice and call for competitive bids, whenever the estimated cost of such work or improvement, including the cost of materials, supplies, and equipment will exceed the sum of ten thousand dollars. PROVIDED, That whenever this public work or improvement is for construction of water mains, such sum shall be fifteen thousand dollars.))~~ As used in this section, the term 'public works' means as defined in RCW 39.04.010.

(2) A first class city may have public works performed by contract pursuant to public notice and call for competitive bids. As limited by subsection (3) of this section, a first class city may have public works performed by city employees in any annual or biennial budget period equal to a dollar value not exceeding ten percent of the public works construction budget, including any amount in a supplemental public works construction budget, over the budget period. The amount of public works that a first class city has a county perform for it under RCW 35.77.020 shall be included within this ten percent limitation.

If a first class city has public works performed by public employees in any budget period that are in excess of this ten percent limitation, the amount in excess of the permitted amount shall be reduced from the otherwise permitted amount of public works that may be performed by public employees for that city in its next budget period. Twenty percent of the motor vehicle fuel tax distributions to that city shall be withheld if two years after the year in which the excess amount of work occurred, the city has failed to so reduce the amount of public works that it has performed by public employees. The amount so withheld shall be distributed to the city when it has demonstrated in its reports to the state auditor that the amount of public works it has performed by public employees has been so reduced.

Whenever a first class city has had public works performed in any budget period up to the maximum permitted amount for that budget period, all remaining public works within that budget period shall be done by contract pursuant to public notice and call for competitive bids.

The state auditor shall report to the state treasurer any first class city that exceeds this amount and the extent to which the city has or has not reduced the amount of public works it has performed by public employees in subsequent years.

(3) In addition to the percentage limitation provided in subsection (2) of this section, a first class city with a population in excess of one hundred fifty thousand shall not have public employees perform a public works project in excess of fifty thousand dollars if more than a single craft or trade is involved with the public works project, or a public works project in excess of twenty-five thousand dollars if only a single craft or trade is involved with the public works project or the public works project is street signalization or street lighting. In addition to the percentage limitation provided in subsection (2) of this section, a first class city with a population of one hundred fifty thousand or less shall not have public employees perform a public works project in excess of thirty-five thousand dollars if more than one craft or trade is involved with the public works project, or a public works project in excess of twenty thousand dollars if only a single craft or trade is involved with the public works project or the public works project is street signalization or street lighting. A public works project means a complete project. The restrictions in this subsection do not permit the division of the project into units of work or classes of work to avoid the restriction on work that may be performed by day labor on a single project.

(4) In addition to the accounting and record-keeping requirements contained in RCW 39.04.070, every first class city annually shall prepare a report for the state auditor indicating the total public works construction budget and supplemental public works construction budget for that year, the total construction costs of public works performed by public employees for that year, and the amount of public works that is performed by public employees above or below ten percent of the total construction budget. However, if a city budgets on a biennial basis, this annual report shall indicate the amount of public works that is performed by public

employees within the current biennial period that is above or below ten percent of the total biennial construction budget.

After September 1, 1987, each first class city with a population of one hundred fifty thousand or less shall use the form required by section 4 of this 1987 act to account and record costs of public works in excess of five thousand dollars that are not let by contract.

(5) The cost of a separate public works project shall be the costs of materials, supplies, equipment, and labor on the construction of that project. The value of the public works budget shall be the value of all the separate public works projects within the budget.

(6) When any emergency shall require the immediate execution of such public work, upon the finding of the existence of such emergency by the authority having power to direct such public work to be done and duly entered of record, publication of description and estimate may be made within seven days after the commencement of the work. Within two weeks of the finding that such an emergency existed, the city council shall adopt a resolution certifying the existence of this emergency situation.

((2)) (7) In ~~(addition to)~~ lieu of the procedures of subsections ~~((1))~~ (2) and (6) of this section, a first class city may use a small works roster and award contracts under this subsection for contracts of one hundred thousand dollars or less.

(a) The city may maintain a small works roster comprised of all contractors who have requested to be on the roster and are, where required by law, properly licensed or registered to perform such work in this state.

(b) Whenever work is done by contract, the estimated cost of which is one hundred thousand dollars or less, and the city uses the small works roster, the city shall invite proposals from all appropriate contractors on the small works roster: PROVIDED, That not less than five separate appropriate contractors, if available, shall be invited to submit bids on any one contract: PROVIDED FURTHER, That whenever possible, the city shall invite at least one proposal from a minority or woman contractor who shall otherwise qualify under this section. Once a bidder on the small works roster has been offered an opportunity to bid, that bidder shall not be offered another opportunity until all other appropriate contractors on the small works roster have been afforded an opportunity to submit a bid. Invitations shall include an estimate of the scope and nature of the work to be performed, and materials and equipment to be furnished.

(c) When awarding such a contract for work, the estimated cost of which is one hundred thousand dollars or less, the city shall award the contract to the contractor submitting the lowest responsible bid.

((3)) (8) The allocation of public works projects to be performed by city employees shall not be subject to a collective bargaining agreement.

(9) This section does not apply to performance-based contracts, as defined in RCW 39.35A.020(3), that are negotiated under chapter 39.35A RCW.

Sec. 2. Section 35.23.352, chapter 7, Laws of 1965 as last amended by section 7, chapter 169, Laws of 1985, by section 2, chapter 219, Laws of 1985, and by section 24, chapter 469, Laws of 1985 and RCW 35.23.352 are each reenacted and amended to read as follows:

(1) Any second or third class city or any town may construct any public ~~((work or improvement))~~ works, as defined in RCW 39.04.010, by contract or day labor without calling for bids therefor whenever the estimated cost of the work or improvement, including cost of materials, supplies and equipment will not exceed the sum of ~~((fifteen))~~ thirty thousand dollars if more than one craft or trade is involved with the public works, or twenty thousand dollars if a single craft or trade is involved with the public works or the public works project is street signalization or street lighting. A public works project means a complete project. The restrictions in this subsection do not permit the division of the project into units of work or classes of work to avoid the restriction on work that may be performed by day labor on a single project.

Whenever the cost of the public work or improvement, including materials, supplies and equipment, will exceed ~~((fifteen thousand dollars))~~ these figures, the same shall be done by contract. All such contracts shall be let at public bidding upon posting notice calling for sealed bids upon the work. The notice thereof shall be posted in a public place in the city or town and by publication in the official newspaper once each week for two consecutive weeks before the date fixed for opening the bids. The notice shall generally state the nature of the work to be done that plans and specifications therefor shall then be on file in the city or town hall for public inspections, and require that bids be sealed and filed with the council or commission within the time specified therein. Each bid shall be accompanied by a bid proposal deposit in the form of a cashier's check, postal money order, or surety bond to the council or commission for a sum of not less than five percent of the amount of the bid, and no bid shall be considered unless accompanied by such bid proposal deposit. The council or commission of the city or town shall let the contract to the lowest responsible bidder or shall have power by resolution to reject any or all bids and to make further calls for bids in the same manner as the original call.

When the contract is let then all bid proposal deposits shall be returned to the bidders except that of the successful bidder which shall be retained until a contract is entered into and a bond to perform the work furnished, with surety satisfactory to the council or commission, in the full amount of the contract price. If the bidder fails to enter into the contract in accordance with his bid and furnish a bond within ten days from the date at which he is notified that he is

the successful bidder, the check or postal money order and the amount thereof shall be forfeited to the council or commission or the council or commission shall recover the amount of the surety bond.

If no bid is received on the first call the council or commission may readvertise and make a second call, or may enter into a contract without any further call or may purchase the supplies, material or equipment and perform the work or improvement by day labor.

(2) The allocation of public works projects to be performed by city or town employees shall not be subject to a collective bargaining agreement.

(3) In ((addition to)) lieu of the procedures of subsection (1) of this section, a second or third class city or a town may use a small works roster and award contracts under this subsection for contracts of one hundred thousand dollars or less.

(a) The city or town may maintain a small works roster comprised of all contractors who have requested to be on the roster and are, where required by law, properly licensed or registered to perform such work in this state.

(b) Whenever work is done by contract, the estimated cost of which is one hundred thousand dollars or less, and the city uses the small works roster, the city or town shall invite proposals from all appropriate contractors on the small works roster: PROVIDED, That whenever possible, the city or town shall invite at least one proposal from a minority or woman contractor who shall otherwise qualify under this section. The invitation shall include an estimate of the scope and nature of the work to be performed, and materials and equipment to be furnished.

HOUSE BILL NO. 1021, by Representatives Wineberry, Allen, Locke, Silver, Jacobsen, Heavey, Grimm, Niemi, Holland, Appelwick, Unsoeld, Braddock, Bristow, McMullen and Winsley

Establishing the Washington state and employers' higher educational opportunities program.

The bill was read the second time. Mr. Locke moved that Substitute House Bill No. 1021 be substituted for House Bill No. 1021, and the substitute bill be placed on the calendar for second reading.

POINT OF ORDER

Mr. Jacobsen: Mr. Speaker, I would like you to rule on the scope and object of this amendment.

SPEAKER'S RULING

The Speaker: Representative Jacobsen, the question before us is the substitute bill. Under our rules, a motion to substitute a bill for the original bill is a form of

amendment and is subject to the same rules on scope and object as an amendment. Also, I would refer to Reed's Rule 140: "...Amendment by way of substitute is a short and informal method of striking out and inserting usually applied to whole paragraphs or bills, and is made by offering a new paragraph or bill as a substitute for the old, and upon adoption the old paragraph or bill is stricken out and the new one inserted." The Speaker has examined the original House Bill 1021, "An Act Relating to higher educational opportunities...." It establishes the Washington State and employers' higher education opportunities program. Part of the program is to provide scholarships to disadvantaged working persons through the joint efforts of the state and private business. The substitute bill deletes the original bill and provides a procedure for state higher education institutions to contract with private institutions for instructional services. I find then that the subject of the substitute bill is out of the scope and object of the original bill. Your point is well taken, Representative Jacobsen.

MOTION

On motion of Mr. McMullen, further consideration of House Bill No. 1021 was deferred and the bill was ordered held on the second reading calendar.

HOUSE BILL NO. 418, by Representatives Armstrong, Schmidt, Holm, Brekke, Sutherland, Locke, Winsley and Todd; by request of Department of Social and Health Services

Mr. S. Wilson: Representative Armstrong, I am really curious to know how the employer is supposed to know the marital status and the background of all of his employees. Is that mechanism set up in this bill or is it set up for the department?

Mr. Armstrong: The way it was proposed--and it was by a business organization--was that there would be a toll-free hotline where someone could call in and find out if any information about the employee had to be reported to the state. The only time that something would have to be reported about the employee is if that employee was failing to pay the child support. Only about those who failed to pay would information be passed on.

Sec. 3. Section 1, chapter 87, Laws of 1972 ex. sess. as last amended by section 13, chapter 35, Laws of 1982 1st ex. sess. and by section 20, chapter 49, Laws of 1982 1st ex. sess. and RCW 82.44.150 are each reenacted and amended to read as follows:

(1) The director of licensing shall on the twenty-fifth day of February, May, August, and November of each year, commencing with November, 1971, advise the state treasurer of the total amount of motor vehicle excise taxes remitted to the department of licensing during the preceding calendar quarter ending on the last day of March, June, September, and December, respectively, except for those payable under RCW 82.44.020(5)(c) and 82.44.030, ~~((and 82.44.076))~~ from motor vehicle owners residing within each municipality which has levied a tax under RCW 35.58.273, which amount of excise taxes shall be determined by the director as follows:

The total amount of motor vehicle excise taxes remitted to the department, except those payable under RCW 82.44.020(5)(c) and 82.44.030, ~~((and 82.44.076))~~ from each county shall be multiplied by a fraction, the numerator of which is the population of the municipality residing in such county, and the denominator of which is the total population of the county in which such municipality or portion thereof is located. The product of this computation shall be the amount of excise taxes from motor vehicle owners residing within such municipality or portion thereof. Where the municipality levying a tax under RCW 35.58.273 is located in more than one county, the above computation shall be made by county, and the combined products shall provide the total amount of motor vehicle excise taxes from motor vehicle owners residing in the municipality as a whole. Population figures required for these computations shall be supplied to the director by the office of financial management, who shall adjust the fraction annually.

(2) On the first day of the months of January, April, July, and October of each year, the state treasurer based upon information provided by the department of licensing shall make the following apportionment and distribution of motor vehicle excise taxes deposited in the general fund except taxes collected under RCW 82.44.020(5). An amount equal to twenty-five percent of the amount of motor vehicle excise tax revenues collected under RCW 35.58.273 shall be transferred to the rail development account established under section 1 of this act. Of the remaining amounts in the general fund, a sum equal to seventeen percent thereof shall be paid to cities and towns in the proportions and for the purposes hereinafter set forth: a sum equal to two percent ((of all motor vehicle excise tax receipts)) thereof shall be allocable to the county sales and use tax equalization account under RCW 82.14.200; and a sum equal to seventy percent ((of all motor vehicle excise tax receipts)) thereof, except taxes collected under RCW 82.44.020(5), shall be allocable to the state school equalization fund and credited and transferred each year in the following order of priority:

(a) The amount required and certified by the state finance committee each year as being necessary for payment of principal of and interest on bonds authorized by RCW 28A.47.760 through 28A.47.774 in the ensuing twelve months and any additional amounts required by the covenants of such bonds shall be transferred from the state school equalization fund to the 1963 public school building bond retirement fund.

(b) Any remaining amounts in the state school equalization fund from the motor vehicle excise taxes not required for debt service on the above bond issues shall be transferred and credited to the general fund.

(3) The amount payable to cities and towns shall be apportioned among the several cities and towns within the state according to the following formula:

(a) Sixty-five percent of the sum specified in subsection (2) of this section to be paid to cities and towns shall be apportioned ratably on the basis of population as last determined by the office of financial management.

(b) Thirty-five percent of the sum specified in subsection (2) of this section to be paid to cities and towns shall be apportioned to cities and towns under RCW 82.14.210.

(4) When so apportioned, the amount payable to each such city and town shall be transmitted to the city treasurer thereof, and shall be utilized by such city or town for the purposes of police and fire protection and the preservation of the public health therein, and not otherwise. In case it be adjudged that revenue derived from the excise tax imposed by this chapter cannot lawfully be apportioned or distributed to cities or towns, all moneys directed by this section to be apportioned and distributed to cities and towns shall be credited and transferred to the state general fund.

(5) On the first day of the months of January, April, July, and October of each year, the state treasurer, based upon information provided by the department of licensing, shall remit motor vehicle excise tax revenues imposed and collected under RCW 35.58.273 as follows:

(a) The amount required to be remitted by the state treasurer to the treasurer of any municipality levying the tax shall not exceed in any calendar year the amount of locally-generated tax revenues, excluding the excise tax imposed under RCW 35.58.273 for the purposes of this section, which shall have been budgeted by the municipality to be collected in such calendar year for any public transportation purposes including but not limited to operating costs, capital costs, and debt service on general obligation or revenue bonds issued for these purposes; and

(b) In no event may the amount remitted in a single calendar quarter exceed the amount collected on behalf of the municipality under RCW 35.58.273 during the calendar quarter next preceding the immediately preceding quarter.

(6) At the close of each calendar year accounting period, but not later than April 1, each municipality that has received motor vehicle excise taxes under subsection (5) of this section shall transmit to the director of licensing and the state auditor a written report showing by source the previous year's budgeted tax revenues for public transportation purposes as compared to actual collections. Any municipality that has not submitted the report by April 1 shall cease to be eligible to receive motor vehicle excise taxes under subsection (5) of this section until the report is received by the director of licensing. If a municipality has received more or less money under subsection (5) of this section for the period covered by the report than it is entitled to receive by reason of its locally-generated collected tax revenues, the director of licensing shall, during the next ensuing quarter that the municipality is eligible to receive motor vehicle excise tax funds, increase or decrease the amount to be remitted in an amount equal to the difference between the locally-generated budgeted tax revenues and the locally-generated collected tax revenues. In no event may the amount remitted for a calendar year exceed the amount collected on behalf of the municipality under RCW 35.58.273 during that same calendar year. At the time of the next fiscal audit of each municipality, the state auditor shall verify the accuracy of the report submitted and notify the director of licensing of any discrepancies.

(7) The motor vehicle excise taxes imposed under RCW 35.58.273 and required to be remitted under this section shall be remitted without legislative appropriation.

(8) Any municipality levying and collecting a tax under RCW 35.58.273 which does not have an operating, public transit system or a contract for public transportation services in effect within one year from the initial effective date of the tax shall return to the state treasurer all motor vehicle excise taxes received under subsection (5) of this section.

Nor does the issuance of a covenant affect any power of the state to institute or respond to any tort action or any other judicial or administrative action, so long as the state's action or response is not expressly barred by the covenant. With respect to any action filed against the state, a covenant does not bar the state from filing a cross-claim, counterclaim, or third party action against any person who may be liable or from seeking contribution from such person, so long as the damages or relief sought by the state in filing the cross-claim, counterclaim, or third party action is not expressly barred by the covenant."

POINT OF INQUIRY

Mr. Grimm yielded to question by Ms. Miller.

Ms. Miller: Representative Grimm, we had a very good presentation in our caucus today on all of the various environmental bills and most particularly, this one. I'm wondering if you could give us an idea of what the price tag would be that would be attached to this particular bill?

Mr. Grimm: Based on the best information available, this bill, if it were enacted into law, would raise approximately \$60 million per biennium. During the next two years, 1987-89, about \$30 million would be expended. That pattern would tend to continue one biennium to the next in constant dollars, although it probably will increase and the assumptions are that while the \$60 million would be taken in on a biennial basis, about \$45 million would tend to be spent with the remainder being applied to and contained in a contingency fund.

Mr. May spoke in favor of passage of the bill.

Ms. Rust moved adoption of the following amendment by Representatives Rust, Vekich, Bristow, Sayan, Allen, Walker, Grant, Basich and Baugher:

Strike everything after the enacting clause and insert the following:

NEW SECTION. Sec. 1. It is the intent of the legislature to provide the department of ecology with the necessary resources to adequately administer water quality discharge permits issued by the state and to encourage public entities to engage in comprehensive monitoring programs. In doing this, the legislature intends to improve water quality state-wide by enhancing the ability of the department of ecology to adequately inspect dischargers into state ground and surface waters and implement water pollution control laws.

NEW SECTION. Sec. 2. Beginning in fiscal year 1989, the department shall recover its administrative expenses for operating all aspects of its water quality discharge permit system except adjustments specified in section 4 of this act and those expenses that are directly related to enforcement. Accordingly, for purposes of sections 3 through 7 of this act, 'administrative expenses' means the costs incurred by the department in:

- (1) Processing permit applications and modifications;
- (2) Monitoring and evaluating compliance with permits;
- (3) Conducting inspections;
- (4) Securing laboratory analysis of samples taken during inspections;
- (5) Reviewing required plans and documents directly related to operations of permittees;
- (6) Monitoring compliance with delegated pretreatment programs; and
- (7) Supporting the overhead expenses that are directly related to each of the preceding activities.

Administrative expenses shall not include costs related to processing of penalties and notices of violation, inspections that extend beyond routine compliance monitoring, criminal investigations, or the overhead expenses that are directly related to these activities.

The department shall develop a system by January 1, 1989, which will determine administrative expenses.

NEW SECTION. Sec. 3. (1) The department shall establish an initial fee schedule by February 1, 1988, to be implemented on July 1, 1988.

(2) Except as provided in section 4 of this act, beginning on July 1, 1989, the department shall charge any person or entity holding a permit under RCW 90.48.160, 90.48.162, or 90.48.260, annual fees to recover administrative expenses for each individual permit as defined in section

2 of this act. In no event shall the fee for the most administratively complex permit exceed a total of sixty thousand dollars for any five fiscal year period. This fee limit shall be periodically adjusted by the department to reflect inflation. If administrative expenses exceed the fee limit, additional costs shall not be shifted to other dischargers, but shall be borne by the general fund.

(3) The department shall establish an accounting mechanism to relate administrative expenses incurred in performing activities described in section 2 of this act with fees charged to persons or entities holding permits by January 1, 1989.

NEW SECTION, Sec. 4. Fees charged pursuant to section 3 of this act shall be subject to the following conditions:

(1) The department shall consider the economic impact of fees on small dischargers and shall provide appropriate adjustments;

(2) The fee for a permit issued under RCW 90.48.162 for a discharge of less than fifty thousand gallons per day shall not exceed one hundred dollars;

(3) The department shall ensure that indirect dischargers do not pay twice for the administrative expenses of a permit. Accordingly, the department shall not assess fees for permits issued by a city, town, or municipal corporation under RCW 90.48.165;

(4) Fees shall not be charged for any permits for discharges from fish-rearing facilities; and

(5) The department shall review applications for credits from any public entity engaging in comprehensive monitoring programs and shall approve or deny such applications, in whole or in part, before assessing permit fees. Credits shall be granted in accordance with a schedule adopted by the department by rule and shall not exceed twenty-five percent of the permit fee assessed over the five-year period of the permit. The total amount of credits granted for the five-year period beginning July 1, 1988, shall not exceed fifty thousand dollars. Permit fee credits granted by the department shall not be recoverable from the water quality permit account.

NEW SECTION, Sec. 5. All fees collected under section 3 of this act shall be deposited in the water quality permit account, which is hereby created in the state treasury, subject to appropriation. Money in the account collected from fees shall be expended exclusively by the department of ecology for the purposes of administering permits issued by the department under RCW 90.48.160, 90.48.162, and 90.48.260. Other funds deposited into this account may be used for the purposes of this chapter.

NEW SECTION, Sec. 6. (1) The department of ecology shall submit a report to the appropriate standing committees of the legislature on January 1, 1990, and on each January 1 thereafter describing the actions it has taken over the prior fiscal year to improve the administrative efficiency of its water quality permit systems. The report shall include information on the fees collected and administrative expenses incurred during the preceding fiscal year. The report shall list the individual permit fees assessed during the prior fiscal year.

(2) Prior to submitting its report on January 1, 1992, the department shall consult with and be advised by representatives of dischargers, recognized environmental organizations, agricultural groups, and other state agencies. The advice received by the department shall be included in the report. The report shall include a justification of the overall level of activity of the program and the level of fees necessary to operate the program.

NEW SECTION, Sec. 7. (1) In determining requirements for monitoring the condition of the waters of the state and of effluent discharged therein to be included in each permit issued by the department under RCW 90.48.160, 90.48.162, and 90.48.260, the department shall ensure that all such monitoring requirements are reasonably related to: (a) Determining compliance with the permit; (b) attaining all known, available, and reasonable treatment; or (c) determining what effects the effluent used for process purposes and regulated by the permit may have on the waters of the state or the biota or sediment in the waters of the state.

(2) Monitoring activities required pursuant to subsection (1)(c) of this section shall be established once within the term of the permit, unless the permit is modified, and shall be structured so that, if monitoring is conducted within the terms of the permit and after an appropriate period of time, the results of such monitoring identify no measurable adverse effects or potentially measurable adverse effects to the waters of the state or biota or sediment in the waters of the state, then only the monitoring requirements of subsection (1) (a) and (b) of this section shall apply. If monitoring identifies measurable adverse effects or potentially measurable adverse effects on the waters of the state or biota or sediment of the waters of the state, continued, more frequent, and/or more comprehensive monitoring shall apply. The department may allow coordinated monitoring activities where discharges from multiple persons or entities holding permits may be causing cumulative effects and where cost savings will result from such coordination.

Sec. 8. Section 4, chapter 249, Laws of 1985 and RCW 90.48.460 are each amended to read as follows:

The department of ecology shall collect administrative expenses from any person or entity requesting action of the department pertaining to the processing of applications for permits

provided in RCW 90.48.160, 90.48.162, and 90.48.260. For the purposes of this section, 'administrative expenses' shall mean the total actual costs incurred by the department in processing such permit applications.

This section shall expire on June 30, 1988.

Sec. 9. Section 4, chapter 71, Laws of 1955 as amended by section 17, chapter 13, Laws of 1967 and RCW 90.48.190 are each amended to read as follows:

A permit shall be subject to termination upon thirty days' notice in writing if the commission finds:

(1) That it was procured by misrepresentation of any material fact or by lack of full disclosure in the application;

(2) That there has been a violation of the conditions thereof;

(3) That a material change in quantity or type of waste disposal exists; or

(4) That an applicant or permittee has failed to pay required fees under RCW 90.48.460 or section 3 of this 1987 act.

NEW SECTION. Sec. 10. Sections 2 through 7 of this act are each added to chapter 90.48 RCW.

NEW SECTION. Sec. 11. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected."

Representatives Rust, Vekich, Walker, Hine and Allen spoke in favor of the amendment.

POINT OF INQUIRY

Mr. Bristow yielded to question by Mr. Braddock.

Mr. Braddock: Representative Bristow, if there has been a fiscal note on this, could you give us an indication of what the costs might be?

Mr. Bristow: There has been no fiscal note prepared on this legislation. We are not aware of the impact on the general fund by this section of the amendment.

POINT OF INQUIRY

The amendment was adopted.

On motion of Ms. Rust, the following amendment to the title of the bill was adopted:

On page 1, beginning on line 1 of the title, after "pollution control:" strike the remainder of the title and insert "amending RCW 90.48.460 and 90.48.190; adding new sections to chapter 90.48 RCW; and creating a new section."

The bill was ordered engrossed. On motion of Mr. McMullen, the rules were suspended, the second reading considered the third, and the bill was placed on final passage.

Ms. Rust spoke in favor of passage of the bill, and Mr. Chandler spoke against it.

POINT OF INQUIRY

Mr. Bristow yielded to question by Ms. Walker.

Ms. Walker: Representative Bristow, on page 6, lines 29-30 and 37-38, the terms "measurable adverse effects or potentially measurable adverse effect" are used in determining whether more or less monitoring will be required. Does this mean that if any amount whatsoever of a pollutant or substance is found, then more monitoring would be required and vice versa?

Mr. Bristow: No. The finding of a tiny amount of pollutant or substance would not be important unless it also causes a measurable effect. Thus, in order to ask for reduced monitoring, the permittee would not have to show that the effluent is free of every iota of pollutant or substance; rather the permittee would only have to show no measurable adverse effect.

Representatives Walker and Schoon spoke against passage of the bill, and Ms. Allen spoke in favor of it.

Mr. Crane demanded an electric roll call vote and the demand was sustained.

(1) The commission shall conduct investigations of native species to develop information relating to population, distribution, habitat needs, recovery points, limiting factors, and other biological and ecological data, and to determine conservation measures and requirements necessary for their survival.

(2) The commission may, at its discretion, withhold from any person information about the distribution, location, or biology of a species if it determines that disclosure of such information may threaten the survival of that or another species.

NEW SECTION. Sec. 6. In order to ensure the protection of sensitive species, the commission shall:

(1) Monitor sensitive animal species to develop information relating to population, distribution, habitat needs, limiting factors, and other biological and ecological data;

(2) Establish programs designed to enhance the voluntary protection of sensitive species; and

(3) Conduct educational programs on the need to protect such sensitive species.

NEW SECTION. Sec. 7. (1) By January 1, 1989, the commission shall issue rules in accordance with chapter 34.04 RCW containing an initial list of all species within the state that it determines, in accordance with sections 4 through 6 of this act, to be endangered, threatened, or sensitive, and shall periodically revise and amend the list. The list shall refer to the species by scientific name, and common name or names, if any.

(2) In accordance with sections 4 through 6 of this act, the commission shall review every five years those species listed as endangered, threatened, or sensitive to determine whether there is any change in the status of any species on the list. Review of species shall, to the maximum extent practicable, be conducted in conjunction with the five-year review process of the United States department of the interior.

(3) Any interested person may petition the commission to add, remove, or change the status of a species on the list, except with respect to those species determined to be endangered or threatened under the federal endangered species act. Such petition shall clearly indicate the action sought, and include scientific information about the biological status of the species and the immediacy of the threat, if any, posed to the species. The commission shall develop, in accordance with chapter 34.04 RCW, the rules and criteria necessary to implement this process.

(4) Notwithstanding sections 4, 5, and 7 of this act, if the commission determines that an emergency situation exists which poses a significant threat to the continued existence of a species, the commission shall add such species to the list of endangered or threatened species by emergency rule. Adoption of such emergency rule shall follow the procedures prescribed in the administrative procedure act, chapter 34.04 RCW.

NEW SECTION. Sec. 8. The commission may, by rule and in accordance with chapter 34.04 RCW, treat any species as an endangered or threatened species even though it is not listed pursuant to section 7 of this act if it find that:

(1) The unlisted species so closely resembles an endangered or threatened species that enforcement personnel would have substantial difficulty differentiating between the listed and unlisted species; and

(2) Allowing collection of the unlisted species could lead to commercial exploitation of the listed species.

NEW SECTION. Sec. 9. In carrying out the purposes and requirements of this chapter, the commission may enter into agreements with federal agencies, Indian tribes, other states, agencies, or political subdivisions of this state, or with individuals or private organizations for the administration and management of any process established under this chapter or utilized for the protection of listed species.

NEW SECTION. Sec. 10. (1) The commission shall protect the habitat of endangered or threatened species and regulate, under the rules issued under subsection (2) of this section, the use of such habitat where necessary for the survival or recovery of a listed species. The commission is authorized, for and on behalf of the state, to acquire land or aquatic habitat, or interests therein by gift, devise, purchase, exchange, lease, transfer or purchase of development rights, or any other method of acquiring real property or any right therein. The commission may acquire the fee simple interest in an area or any one or more lesser estates, interests and rights therein, including a leasehold estate, a covenant, a license, an easement appurtenant or in gross and granting the state specified rights of use or denying the grantor specified rights of use or both, or any other contractual right. Such acquisition shall only occur with the consent of a willing landowner.

(2) The commission may adopt rules pursuant to chapter 34.04 RCW to implement the habitat protection program developed under this section and section 11 of this act. The rules shall provide priorities, guidelines, and programs for compensating landowners where implementation of the rules inhibits the reasonable, traditional economic use of the property. The rules shall also provide incentive programs for habitat protection and shall provide adequate notice to landowners of their options under this section.

NEW SECTION. Sec. 11. (1) All counties, state departments, and agencies, in consultation with the commission, shall:

(a) Utilize their authorities in furtherance of the purposes of this chapter for the protection of endangered or threatened species and their habitats;

(b) Consult with the commission to ensure that any action authorized, funded, or carried out by the county, state department, or agency is not likely to jeopardize the continued existence of any listed species or its habitat; and

(c) Include the information required under this section in the environmental impact analysis required under chapter 43.21C RCW.

The commission shall determine whether the proposed county or agency action could have a significant environmental impact on any listed species or its habitat. To avoid duplication, the commission may adopt an environmental impact analysis prepared under the federal endangered species act if the requirements of this chapter are met. The commission may issue rules pursuant to chapter 34.04 RCW to carry out the provisions and purposes of this section.

(2) Consultation under this section shall be conducted whenever the commission determines that an action of a county or state department or agency may affect a known location of an endangered or threatened species. If the commission finds that the action is likely to jeopardize the survival or recovery of a listed species, the county, state department, or agency proposing the act shall develop, in consultation with the commission, reasonable and prudent alternatives to the proposed project that can be implemented and are consistent with conserving the protected species. The selected alternative shall be implemented unless appealed under this section. If implementation results in a change in land use, the landowner shall also be consulted. The commission shall issue rules pursuant to chapter 34.04 RCW establishing a formal and informal appeals process under this section.

NEW SECTION. Sec. 12. (1) Except as provided in subsections (2), (3), and (4) of this section and by section 13 of this act, it is unlawful for any person to:

(a) Take, possess, process, sell, or offer for sale in this state, interstate, or in foreign commerce, or ship by any means, any endangered or threatened species or products thereof, without required and valid state and/or federal permits and the written permission of the landowner; or

(b) Violate any regulation pertaining to any threatened or endangered species or their habitats.

(2) Nothing in this chapter or any regulations promulgated thereunder, with respect to the importation or exportation of, or the interstate or foreign commerce in, any endangered or threatened species, shall:

(a) Prohibit what is authorized pursuant to an exemption or permit provided for by the federal endangered species act or in any rule implementing that act; or

(b) Permit what is prohibited by the federal endangered species act or any rule promulgated thereunder.

(3) Nothing in this chapter or any rules adopted under it may prohibit entry into, or transportation through, the state of any endangered or threatened species in accordance with the terms of any permit issued under the laws of another state.

(4) The commission may grant waivers to the prohibitions contained in subsection (1) of this section if:

(a) An individual demonstrates that compliance with these provisions creates an unusual and unfair burden; and

(b) A waiver will not significantly increase the danger of extinction for any species.

NEW SECTION. Sec. 13. (1) The commission may permit any act otherwise prohibited under section 12 of this act if such act is conducted for scientific purposes that will enhance the propagation or survival of the listed species. The commission shall develop criteria and permit procedures by rule in accordance with chapter 34.04 RCW.

(2) The commission shall revoke any permit issued under this section if it finds that the permit is not complying with the terms and conditions of the permit.

NEW SECTION. Sec. 14. Any person who violates the provisions of this chapter or any rules adopted thereunder is guilty of a gross misdemeanor under RCW 9A.20.020. The commission of a prohibited act with respect to each animal shall constitute a separate violation. Each subsequent violation within a five-year period shall be prosecuted and punished as a class C felony under RCW 9A.20.020.

NEW SECTION. Sec. 15. (1) Any person may commence a civil suit on the person's own behalf:

(a) To enjoin any state agency which is alleged to be in violation of any provision of this chapter or any rule adopted under it;

(b) To compel the commission to apply the prohibitions set forth in section 12(1) of this act with respect to the taking of an endangered or threatened species within the state; or

(c) Against the commission where there is an alleged failure of the commission to perform any act or duty that is not discretionary under this chapter.

(2) No action may be commenced under this section prior to ten days after the commission has received written notice of any alleged violation or alleged failure to enforce the provisions of this chapter or any rule adopted thereunder.

NEW SECTION. Sec. 16. The commission or any state or local law enforcement agency, including any natural resource police officer, sheriff, state, county, or municipal police officer, shall have the authority to enforce this chapter and any rule adopted under it. Such enforcement officer may confiscate animals or parts thereof when unlawfully taken, transported, possessed, sold, or otherwise handled in violation of this chapter.

On page 19, after line 27, insert the following:

"NEW SECTION. Sec. 20. This chapter may be known and cited as the city and county seed capital pool act.

NEW SECTION. Sec. 21. The legislature finds that the diversification of the state's economy and the creation of new employment opportunities will be enhanced by the development of locally responsive and accountable sources of capital for new enterprises and for new product development. The difference between state economies which provide adequate high-quality employment opportunities for citizens and those which do not is in part a function of the rate of creation of new enterprises and of their ability to sustain themselves. The availability of capital to finance new business enterprises and new product development is a critical factor in increasing the number of successful new enterprises created in the state and thus the ability of the state economy to create employment opportunities. The state has a history of promoting economic health and growth through the creation of development entities which are created locally and which are accountable to local citizens. The state finds it a public purpose to authorize the creation of local seed capital pools by city and county governments, financed by citizen contributions, which may provide capital to new enterprises and which may finance new product development in counties in the state.

NEW SECTION, Sec. 22. As used in this chapter, the following terms have the meanings indicated unless the context clearly requires otherwise.

(1) 'Eligible enterprise' means a small business that is primarily located and operated in the city or county and that is or proposes to be engaged in the city or county in research and development, in commercial product development, or in manufacturing, technology, or the production of goods and services with high potential for expansion and trade outside the state's borders.

(2) 'Qualified security' means any note, stock, treasury stock bond, debenture, evidence of indebtedness, certificate of interest or participation in any profit-sharing agreement, preorganization certificate or subscription, transferable share, investment contract, certificate of deposit for a security, certificate of interest or participation in a patent or application therefor, or in royalty or other payments under such a patent or application, or, in general, any interest or instrument commonly known as a 'security' or any certificate for, receipt for, guarantee of, or option, warrant, or right to subscribe to or purchase any of the foregoing.

(3) 'Seed capital' means financing that is provided for the initial development, refinement, testing, marketing, and commercialization of a product, service, or process to an enterprise with a high potential for long-term commercial sales and that is provided before any substantial commercial sales have been made by the enterprise of the product or service being developed.

(4) 'Small business' means any business that has fewer than fifty full-time employees or its equivalent.

NEW SECTION, Sec. 23. A city or county may create a local seed capital pool to operate in the city or county and to provide funds in the form of loans or equity participation to finance new enterprises or to assist in the development of new products in the marketplace. The local seed capital pool shall be governed by a board of directors consisting of seven members appointed by the legislative authority of the city or county. Members of the board of directors shall be citizens of the city or county with expertise in small business, new business development, and business finance and shall include members of the general public. The legislative authorities of two or more contiguous counties may, pursuant to chapter 39.34 RCW, combine to form a multicounty seed capital pool. If a local seed capital pool is created by both a county and a city within the county, only one pool shall operate and it shall be by interlocal agreement pursuant to chapter 39.34 RCW.

NEW SECTION, Sec. 24. A local seed capital pool shall provide funds by purchasing qualified securities of eligible enterprises. A local seed capital pool may not acquire more than forty-five percent of the stated capital of any eligible enterprise, and no seed capital funds may be used for real estate investments.

The legislative authority of the city or county shall provide, by ordinance or resolution, procedures for the determination of which enterprises qualify as eligible and may grant any powers to the board of directors as may be necessary for it to carry out its duties.

NEW SECTION, Sec. 25. Upon request of the legislative authority of a city or county in which a seed capital pool has been created and the board of directors of the local seed capital pool, each utility providing water distribution services and each utility providing sewerage collection services in the city or county shall include in its billings to a utility consumer printed materials which provide the consumer the opportunity to indicate his or her assent to donate a monthly sum of no less than one dollar to finance the local seed capital pool. The materials shall allow the local utility consumer the opportunity to denote the amount of funds to be donated each month to the local seed capital pool. If a consumer indicates that donations should be made on a monthly basis to a local seed capital pool, the utility shall add such sums to its periodic billings for services and shall pass such funds as are collected as a result to the local seed capital pool. A utility may charge the local seed capital pool a fee of no more than three percent of the funds collected to defray the utility's costs in collecting and processing donations to local seed capital pools.

NEW SECTION, Sec. 26. Sections 20 through 25 of this act shall constitute a new chapter in Title 36 RCW."

Renumber the sections consecutively.

POINT OF PERSONAL PRIVILEGE

Ms. Brough: Mr. Speaker and fellow colleagues, I rise on a point of personal privilege basically for two reasons: One is to give notice and the other is to ask for your consideration, basically as peers. You will recall that almost two weeks ago I placed on the bar an amendment to the Rules of the House. It was an amendment addressing the concerns I had, and a number of you also had, concerning the use of the pocket veto. I'm serving notice at this time that I would like to consider formally the rule change on Wednesday and appeal to you not to lock up as a procedural motion, but to discuss the problem that we all agree that we have---

The Speaker (Mr. O'Brien presiding): Representative Brough, I think now that you are going beyond your point of personal privilege. As I understood it, you were just going to serve notice, but when you ask us not to lock up, that's when you are going a little bit too far.

MOTION

On motion of Mr. Crane, the House adjourned until 10:00 a.m., Wednesday, March 25, 1987.

~~(ii) A one hundred dollar license fee if such gross business sales are fifteen thousand dollars or more;))~~

(2) Except as provided in RCW 15.13.270, a person conducting both retail and wholesale sales of horticultural plants at a place of business shall secure for the place of business (a) a retail nursery dealer license if retail sales of the plants and turf exceed such wholesale sales, or (b) a wholesale nursery dealer license if wholesale sales of the plants and turf exceed such retail sales.

(3) The licensing fee that must accompany an application for a new license shall be based upon the estimated gross business sales of horticultural plants and turf for the ensuing licensing year. The fee for renewing a license shall be based upon the licensee's gross sales of such products during the preceding licensing year.

(4) The license shall expire on the master license expiration date unless it has been revoked or suspended prior to the expiration date by the director for cause. Each license shall be posted in a conspicuous place open to the public in the location for which it was issued.

(5) The department may audit licensees during normal business hours to determine that appropriate fees have been paid.

Sec. 2. Section 7, chapter 33, Laws of 1971 ex. sess. as amended by section 4, chapter 73, Laws of 1983 1st ex. sess. and RCW 15.13.310 are each amended to read as follows:

Such wholesale market price may be determined by the wholesale catalogue price of the seller of such fruit trees, fruit tree seedlings, or fruit tree rootstock or of the shipper moving such fruit trees, fruit tree seedlings, or fruit tree rootstock out of the state. If the seller or shipper do not

have a catalogue, then such wholesale market price may be based on the actual selling price or an average wholesale market price. The director in determining such average wholesale market price may use catalogues of various businesses licensed under the provisions of this chapter or any other reasonable method.

(2) Such assessment shall be due and payable on the first day of July of each year.

(3) The gross sale period shall be from July 1 to June 30 of the previous license period.

PROVIDED, That all fees collected for fruit tree, fruit tree seedling and fruit tree rootstock assessments as set forth in this chapter shall be deposited in the northwest nursery fund to be used only for the Washington fruit tree certification and nursery improvement programs as set forth in this chapter and chapter 15.14 RCW. For the purpose of testing and improvement of fruit trees, fruit tree seedlings, fruit tree rootstock, or other plant material used for the propagation of fruit trees, the director may, with advice from the advisory committee under RCW 15.13.320, expend up to fifty percent of the money collected from assessments during each fiscal year ending June 30. At no time may such contribution allow the balance of the northwest nursery fund to fall below the combined program cost of the two previous fiscal years. The amount of this minimum balance shall be determined by the director on June 30 of each year."

Commercially reasonable tender shall include, without limitation, cash, major bank credit cards, or personal checks drawn on in-state banks if accompanied by two pieces of valid identification, one of which may be required by the operator to have a photograph. Any person who stops payment on a personal check, or does not make restitution within ten days from the date a check becomes insufficient due to lack of funds, to a towing firm that has provided a service pursuant to this section or in any other manner defrauds the towing firm in connection with services rendered pursuant to this section shall be liable for damages in the amount of twice the towing and storage fees, plus costs and reasonable attorney's fees.

(2) (a) The ~~((towing company))~~ registered tow truck operator shall give to each person who seeks to redeem an impounded vehicle written notice of the right of redemption and opportunity for a hearing, which notice shall be accompanied by a form to be used for requesting a hearing, and a copy of the ~~((tow))~~ towing and storage ~~((receipt))~~ invoice. The ~~((towing company))~~ registered tow truck operator shall maintain a record evidenced by the redeeming person's signature that such notification was provided.

(b) Any person seeking to redeem an impounded vehicle under this section has a right to a hearing in the district court for the jurisdiction in which the vehicle was impounded to contest the validity of the impoundment or the amount of towing and storage charges. The district court has jurisdiction to determine the issues involving all impoundments including those authorized by the state or its agents. Any request for a hearing shall be made in writing on the form provided for that purpose and must be received by the district court within ten days of the date the opportunity was provided for in subsection (2)(a) of this section. If the hearing request is not received by the district court within the ten-day period, the right to a hearing is waived and the registered owner is liable for any towing, storage, or other impoundment charges permitted under this chapter. Upon receipt of a timely hearing request, the district court shall proceed to hear and determine the validity of the impoundment.

(3)(a) The district court, within five days after the request for a hearing, shall notify the registered tow truck operator, the person requesting the hearing if not the owner, and the registered and legal owners of the ~~((motor))~~ vehicle and the person or agency authorizing the impound in writing of the hearing date and time.

(b) At the hearing, the person or persons requesting the hearing may produce any relevant evidence to show that the impoundment, towing, or storage fees charged were not proper.

(c) At the conclusion of the hearing, the district court shall determine whether the impoundment was proper, whether the towing or storage fees charged were in compliance with the posted rates, and who is responsible for payment of the ~~((charges))~~ fees.

(d) If the impoundment is found proper, the impoundment, towing, and storage fees as permitted under this chapter together with court costs shall be assessed against the person or persons requesting the hearing, unless the operator did not have a signed and valid impoundment authorization from a private property owner or an authorized agent.

(e) If the impoundment is determined to be invalid, then the registered and legal owners of the vehicle shall bear no impoundment, towing, or storage ~~((costs))~~ fees, and any bond or other security shall be returned or discharged as appropriate, and the person or agency who authorized the impoundment shall be liable for any towing, storage, or other impoundment ~~((charges))~~ fees permitted under this chapter.

(4) Any impounded abandoned vehicle not redeemed within fifteen days of mailing of the notice of custody and sale as required by RCW 46.55.110(2) shall be sold at public auction in accordance with all the provisions and subject to all the conditions of RCW 46.55.130. A vehicle may be redeemed at any time before the start of the auction upon payment of towing and storage ~~((costs))~~ fees.

Sec. 13. Section 13, chapter 377, Laws of 1985 and RCW 46.55.130 are each amended to read as follows:

(1) If, after the expiration of fifteen days from the date of mailing of notice of custody and sale required in RCW 46.55.110(2) to the registered and legal owners, the vehicle ~~((or-hulk))~~ remains unclaimed and has not been listed as a stolen vehicle, then the registered ~~((disposer))~~ tow truck operator having custody of the vehicle ~~((or-hulk))~~ shall conduct a sale of the vehicle at public auction after having first published a notice of the date, place, and time of the auction in a newspaper of general circulation in the county in which the vehicle is located not less than three days before the date of the auction. The ~~((advertisement))~~ notice shall contain a description of the vehicle including the make, model, year, and license number and a notification that a three-hour public viewing period will be available before the auction. The auction shall be held during daylight hours of a normal business day.

(2) The following procedures are required in any public auction of such abandoned vehicles:

(a) The auction shall be held in such a manner that all persons present are given an equal time and opportunity to bid;

(b) All bidders must be present at the time of auction unless they have submitted to the registered tow truck operator, who may or may not choose to use the preauction bid method, a written bid on a specific vehicle. Written bids may be submitted up to five days before the auction and shall clearly state which vehicle is being bid upon, the amount of the bid, and who is submitting the bid;

(c) The open bid process, including all written bids, shall be used so that everyone knows the dollar value that must be exceeded;

(d) The highest two bids received shall be recorded in written form;

(e) In case the high bidder defaults, the next bidder has the right to purchase the vehicle for the amount of his or her bid;

(f) The registered tow truck operator shall post a copy of the auction procedure at the bidding site. If the bidding site is different from the licensed office location, the operator shall post a clearly visible sign at the office location that describes in detail where the auction will be held. At the bidding site a copy of the newspaper advertisement that lists the vehicles for sale shall be posted;

(g) All surplus moneys derived from the auction after satisfaction of the registered tow truck operator's lien shall be remitted within thirty days to the department for deposit in the state motor vehicle fund. A report identifying the vehicles resulting in any surplus shall accompany the remitted funds. If the director subsequently receives a valid claim from the registered vehicle owner of record within one year from the date of the auction, the surplus moneys shall be remitted to ~~((the registered))~~ such owner;

(h) If an operator receives no bid, or if the operator is the successful bidder at auction, the operator shall, within thirty days sell the ~~((unclaimed abandoned))~~ vehicle to a licensed vehicle wrecker, hulk hauler, or scrap processor by use of the abandoned vehicle report-affidavit of sale, or the operator shall apply for title to the vehicle.

(3) (α) In no case may the accumulation of storage charges exceed fifteen days from the date of receipt of the information by the operator from the department as provided by RCW 46.55.110(2).

(b) The failure of the registered ~~((disposer))~~ tow truck operator to comply with the time limits provided in this chapter limits the accumulation of storage charges to five days except where delay is unavoidable. Providing incorrect or incomplete identifying information to the department in the abandoned vehicle report shall be considered a failure to comply with these time limits if correct information is available.

Sec. 14. Section 14, chapter 377, Laws of 1985 and RCW 46.55.140 are each amended to read as follows:

(1) A registered tow truck operator who has a valid and signed impoundment authorization has a lien upon the impounded vehicle for services provided in the towing and storage of the vehicle, unless the impoundment is determined to have been invalid. ~~((However;))~~ The lien does not apply to personal property in or upon the vehicle that is not permanently attached to or is not an integral part of the vehicle. The registered tow truck operator also has a deficiency claim against the ~~((fast))~~ registered owner of the vehicle for services provided in the towing and storage of the vehicle not to exceed the sum of three hundred dollars less the amount bid at auction, and for vehicles of over ten thousand pounds gross vehicle weight, the operator has a deficiency claim of one thousand dollars less the amount bid at auction, unless the impound is determined to be invalid. A registered owner who has completed and filed with the department the seller's report as provided for by RCW 46.12.101 is relieved of liability under this section.

(2) Any person who tows, removes, or otherwise disturbs any ~~((motor))~~ vehicle parked, stalled, or otherwise left on privately owned or controlled property, and any person owning or controlling the private property, or either of them, are liable to the owner~~((;))~~ or operator~~((-or driver))~~ of a ~~((motor))~~ vehicle, or each of them, for consequential and incidental damages arising from any interference with the ownership or use of the ~~((motor))~~ vehicle which does not comply with the requirements of this chapter.

Sec. 15. Section 15, chapter 377, Laws of 1985 and RCW 46.55.150 are each amended to read as follows:

The registered tow truck operator shall keep a transaction file on each vehicle. The transaction file shall contain as a minimum those of the following items that are required at the time the vehicle is redeemed or becomes abandoned and is sold at a public auction:

(1) A signed impoundment authorization as required by RCW 46.55.080;

(2) A record of the twenty-four hour written impound notice to a law enforcement agency;

(3) A copy of the impoundment notification to registered and legal owners, sent within twenty-four hours of impoundment, that advises the owners of the address of the impounding firm, a twenty-four hour telephone number, and the name of the person or agency under whose authority the vehicle was impounded;

(4) A copy of the abandoned vehicle report that was sent to and returned by the department;

(5) A copy and proof of mailing of the notice of custody and sale sent by the registered tow truck operator to the owners advising them they have fifteen days to redeem the vehicle before it is sold at public auction;

(6) A copy of the ~~((advertisement))~~ published notice of public auction;

(7) A copy of the affidavit of sale showing the sales date, purchaser, amount of the lien, and sale price;

(8) A record of the two highest bid offers on the vehicle;

(9) A copy of the notice of opportunity for hearing given to those who redeem vehicles;

(10) An itemized invoice of charges against the vehicle.

The transaction file shall be kept for a minimum of three years.

Sec. 16. Section 17, chapter 377, Laws of 1985 and RCW 46.55.170 are each amended to read as follows:

(1) All law enforcement agencies or local licensing agencies that receive complaints involving registered tow truck operators shall forward the complaints, along with any supporting documents, including all results from local investigations, to the department.

(2) Complaints involving deficiencies of equipment shall be forwarded by the department to the ((state)) commission on equipment.

Sec. 17. Section 21, chapter 377, Laws of 1985 and RCW 46.55.210 are each amended to read as follows:

Whenever it appears to the director that any registered low truck operator or a person offering towing services has engaged in or is about to engage in any act or practice constituting a violation of any provision of this chapter or any rule adopted hereunder, the director may issue an order directing the operator or person to cease and desist from continuing the act or practice. Reasonable notice of and opportunity for a hearing shall be given. The director may issue a temporary order pending a hearing((:)). The temporary order shall remain in effect until ten days after the hearing is held and shall become final if the person to whom notice is addressed does not request a hearing within fifteen days after the receipt of notice.

Sec. 18. Section 22, chapter 377, Laws of 1985 and RCW 46.55.220 are each amended to read as follows:

If an application for a license to conduct business as a registered tow truck operator is filed by any person whose license has previously been canceled for cause by the department, or if the department is of the opinion that the application is not filed in good faith or that the application is filed by some person as a subterfuge for the real person in interest whose license has previously been canceled for cause, the department, after a hearing, of which the applicant has been given twenty days' notice in writing and at which the applicant may appear in person or by counsel and present testimony, may refuse to issue such a person a license to conduct business as a registered tow truck operator.

Sec. 19. Section 23, chapter 377, Laws of 1985 and RCW 46.55.230 are each amended to read as follows:

(1) Notwithstanding any other provision of law, any law enforcement officer having jurisdiction or any person authorized by the director may inspect and certify that a vehicle meets the requirements of a junk vehicle. The person making the certification shall record the make and vehicle identification number or license number of the vehicle if available, and shall also describe in detail the damage or missing equipment to verify that the value of the junk vehicle is equivalent only to the value of the scrap in it.

(2) The law enforcement officer or department representative shall provide information on the vehicle's registered and legal owner to the landowner.

(3) Upon receiving information on the vehicle's registered and legal owner, the landowner shall obtain a junk vehicle notification form from the department. The landowner shall send by certified mail, notification to the registered and legal owners shown on the records of the department. The notification shall describe the redemption procedure and the right to contest the sale of a junk vehicle in a district court hearing.

(4) If the vehicle remains unclaimed more than fifteen days after the landowner has mailed notification to the registered and legal owner, the landowner may sign an affidavit of sale to be used as a title document.

(5) If no information on the vehicle's registered and legal owner is found in the records of the department, the landowner shall place a legal notice of custody and sale in a newspaper of general circulation in the county. The newspaper notice shall include (a) the description of the vehicle; (b) the address of the location of the junk vehicle; (c) the date by which the registered or legal owner must redeem the vehicle; and (d) a telephone number where the landowner can be reached. If the vehicle remains unclaimed more than twenty days after publication of the notice, the landowner may sign an affidavit of sale to be used as a title document.

(6) The landowner of the property upon which the junk vehicle is located is entitled to recover from the vehicle's registered owner any costs incurred in the removal of the junk vehicle.

(7) For the purposes of this section, the term 'landowner' includes a legal owner of private property, a person with possession or control of private property, or a public official having jurisdiction over public property.

Sec. 20. Section 24, chapter 377, Laws of 1985 and RCW 46.55.240 are each amended to read as follows:

(1) A city, town, or county that adopts an ordinance or resolution concerning unauthorized, abandoned, or impounded vehicles shall include the applicable provisions of this chapter.

(a) A city, town, or county may, by ordinance, authorize other impound situations that may arise locally upon the public right-of-way or other publicly owned or controlled property.

(b) A city, town, or county may, by ordinance, provide for release of an impounded vehicle by means of a promissory note in lieu of immediate payment, if at the time of redemption the legal or registered owner requests a hearing on the validity of the impoundment. If the municipal ordinance directs the release of an impounded vehicle before the payment of the

impoundment charges, the municipality is responsible for the payment of those charges to the registered tow truck operator within thirty days of the hearing date.

(c) The hearing specified in RCW 46.55.120(2) and in this section may be conducted by an administrative hearings officer instead of in the district court. A decision made by an administrative hearing officer may be appealed to the district court for final judgment.

(2) A city, town, or county may adopt an ordinance establishing procedures for the abatement and removal as public nuisances of unauthorized junk (~~(motor)~~) vehicles or parts thereof from private property. Costs of removal may be assessed against the (~~(last)~~) registered owner of the vehicle (~~((or automobile hull))~~) if the identity of the owner can be determined, unless the owner in the transfer of ownership of the vehicle (~~((or automobile hull))~~) has complied with RCW 46.12.101, or the costs may be assessed against the owner of the property on which the vehicle is stored.

(3) Ordinances pertaining to public nuisances shall contain:

(a) A provision requiring notice to the last registered owner of record and the property owner of record that a hearing may be requested and that if no hearing is requested, the vehicle (~~((or automobile hull))~~) will be removed;

(b) A provision requiring that if a request for a hearing is received, a notice giving the time, location, and date of the hearing on the question of abatement and removal of the vehicle or part thereof as a public nuisance shall be mailed, by certified mail, with a five-day return receipt requested, to the owner of the land as shown on the last equalized assessment roll and to the last registered and legal owner of record unless the vehicle is in such condition that identification numbers are not available to determine ownership;

(c) A provision that the ordinance shall not apply to (i) a vehicle or part thereof that is completely enclosed within a building in a lawful manner where it is not visible from the street or other public or private property or (ii) a vehicle or part thereof that is stored or parked in a lawful manner on private property in connection with the business of a licensed dismantler or licensed vehicle dealer and is fenced according to RCW 46.80.130;

(d) A provision that the owner of the land on which the vehicle is located may appear in person at the hearing or present a written statement in time for consideration at the hearing, and deny responsibility for the presence of the vehicle on the land, with his reasons for the denial. If it is determined at the hearing that the vehicle was placed on the land without the consent of the landowner and that he has not subsequently acquiesced in its presence, then the local agency shall not assess costs of administration or removal of the vehicle against the property upon which the vehicle is located or otherwise attempt to collect the cost from the owner;

(e) A provision that after notice has been given of the intent of the city, town, or county to dispose of the vehicle and after a hearing, if requested, has been held, the vehicle or part thereof shall be removed at the request of a law enforcement officer with notice to the Washington state patrol and the department of licensing that the vehicle has been wrecked. The city, town, or county may operate such a disposal site when its governing body determines that commercial channels of disposition are not available or are inadequate, and it may make final disposition of such vehicles or parts, or may transfer such vehicle or parts to another governmental body provided such disposal shall be only as scrap.

(4) A registered disposer under contract to a city or county for the impounding of vehicles shall comply with any administrative regulations adopted by the city or county on the handling and disposing of vehicles.

"Sec. 1. Section 43.19.1906, chapter 8, Laws of 1965 as last amended by section 1, chapter 342, Laws of 1985 and RCW 43.19.1906 are each amended to read as follows:

Insofar as practicable, all purchases and sales shall be based on competitive bids, and a formal sealed bid procedure shall be used as standard procedure for all purchases and contracts for purchases and sales executed by the state purchasing and material control director and under the powers granted by RCW 43.19.190 through 43.19.1939, as now or hereafter amended. This requirement also applies to purchases and contracts for purchases and sales executed by agencies, including educational institutions, under delegated authority granted in accordance with provisions of RCW 43.19.190 as now or hereafter amended. However, formal sealed bidding is not necessary for:

(1) Emergency purchases made pursuant to RCW 43.19.200 if the sealed bidding procedure would prevent or hinder the emergency from being met appropriately;

(2) Purchases not exceeding ~~((twenty-five hundred dollars, or purchases not exceeding))~~ five thousand dollars ~~((when the purchases are made by colleges and universities and are limited to the acquisition of equipment and materials to be used for research purposes)), or subsequent limits as calculated by the office of financial management; PROVIDED, That the state director of general administration shall establish procedures to assure that purchases made by or on behalf of the various state agencies shall not be made so as to avoid the~~ ~~((twenty-five hundred dollar or the))~~ five thousand dollar bid limitation, or subsequent bid limitations as calculated by the office of financial management; PROVIDED FURTHER, That the state purchasing and material control director is authorized to reduce the formal sealed bid limits of ~~((twenty-five hundred dollars and))~~ five thousand dollars, or subsequent limits as calculated by the office of financial management, to a lower dollar amount for purchases by individual state agencies, including purchases of specialized equipment, instructional, and research equipment and materials by colleges and universities, if considered necessary to maintain full disclosure of competitive procurement or otherwise to achieve overall state efficiency and economy in purchasing and material control. Quotations from four hundred dollars to ~~((twenty-~~

five hundred dollars or) five thousand dollars, ((whichever is applicable,)) or subsequent limits as calculated by the office of financial management, shall be secured from enough vendors to assure establishment of a competitive price and may be obtained by telephone or written quotations, or both. Immediately after the award is made, the bid quotations obtained shall be recorded and open to public inspection and shall be available by telephone inquiry. A record of competition for all such purchases from four hundred dollars to ((twenty-five hundred dollars or) five thousand dollars, ((whichever is applicable,)) or subsequent limits as calculated by the office of financial management, shall be documented for audit purposes on a standard state form approved by the forms management center under the provisions of RCW 43.19.510. Purchases up to four hundred dollars may be made without competitive bids based on buyer experience and knowledge of the market in achieving maximum quality at minimum cost: PROVIDED, That this four hundred dollar direct buy limit without competitive bids may be increased incrementally as required to a maximum of eight hundred dollars with the approval of at least ten of the members of the state supply management advisory board, if warranted by increases in purchasing costs due to inflationary trends;

(3) Purchases which are clearly and legitimately limited to a single source of supply and purchases involving special facilities, services, or market conditions, in which instances the purchase price may be best established by direct negotiation;

(4) Purchases of insurance and bonds by the risk management office under RCW 43.19.1935 as now or hereafter amended;

(5) Purchases and contracts for vocational rehabilitation clients of the department of social and health services: PROVIDED, That this exemption is effective only when the state purchasing and material control director, after consultation with the director of the division of vocational rehabilitation and appropriate department of social and health services procurement personnel, declares that such purchases may be best executed through direct negotiation with one or more suppliers in order to expeditiously meet the special needs of the state's vocational rehabilitation clients; ((and))

(6) Purchases by universities for hospital operation or biomedical teaching or research purposes made by participating in contracts for materials, supplies, and equipment entered into by cooperative hospital service organizations as defined in section 501(e) of the Internal Revenue Code, or its successor; and

(7) Beginning on July 1, 1989, and on July 1 of each succeeding odd-numbered year, the five thousand dollar limit specified in subsection (2) of this section shall be adjusted as follows: The office of financial management shall calculate such limit by adjusting the previous biennium's limit by the appropriate federal inflationary index reflecting the rate of inflation for the previous biennium. Such amounts shall be rounded to the nearest one hundred dollars."

ESB 5571 Prime Sponsor, Senator Hansen: Creating the grain indemnity fund. Reported by Committee on Agriculture & Rural Development

MAJORITY recommendation: Do pass with the following amendment:

Strike everything after the enacting clause and insert the following:

*Sec. 1. Section 6, chapter 124, Laws of 1963 as last amended by section 24, chapter 305, Laws of 1983 and RCW 22.09.060 are each amended to read as follows:

Except as provided in section 7(2) of this 1987 act, no warehouse or grain dealer license may be issued to an applicant before a bond ((or)), certificate of deposit, or other security is given to the department as provided in RCW 22.09.090, or in section 3 of this 1987 act. No warehouse license may be issued to an applicant before a certificate of insurance as provided in RCW 22.09.110 has been filed with the department.

Sec. 2. Section 9, chapter 124, Laws of 1963 as last amended by section 27, chapter 305, Laws of 1983 and RCW 22.09.090 are each amended to read as follows:

(1) ~~((Before any person is granted))~~ An applicant for a warehouse or grain dealer license pursuant to the provisions of this chapter ((the person)) shall give a bond to the state of Washington executed by the applicant as the principal and by a corporate surety licensed to do business in this state as surety.

(2) The bond required under this section for the issuance of a warehouse license shall be in the sum of not less than fifty thousand dollars nor more than seven hundred fifty thousand dollars. The department shall, after holding a public hearing, determine the amount that will be required for the warehouse bond which shall be computed at a rate of not less than fifteen cents nor more than thirty cents per bushel multiplied by the number of bushels of licensed commodity storage capacity of the warehouses of the applicant furnishing the bond. The applicant for a warehouse license may give a single bond meeting the requirements of this chapter, and all warehouses operated by the warehouseman are deemed to be one warehouse for the purpose of the amount of the bond required under this subsection. Any change in the capacity of a warehouse or addition of any new warehouse involving a change in bond liability under this chapter shall be immediately reported to the department.

(3) The bond required under this section for the issuance of a grain dealer license shall be in the sum of not less than fifty thousand dollars nor more than seven hundred fifty thousand dollars. The department shall, after holding a public hearing, determine the amount that will be required for the dealer bond which shall be computed at a rate not less than six percent nor more than twelve percent of the sales of agricultural commodities purchased by the dealer from producers during the dealer's last completed fiscal year or in the case of a grain dealer who has been engaged in business as a grain dealer less than one year, the estimated aggregate dollar amount to be paid by the dealer to producers for agricultural commodities to be purchased by the dealer during the dealer's first fiscal year.

(4) An applicant making application for both a warehouse license and a grain dealer license may satisfy the bonding requirements set forth in subsections (2) and (3) of this section by giving to the state of Washington a single bond for the issuance of both licenses, which bond shall be in the sum of not less than fifty thousand dollars nor more than seven hundred fifty thousand dollars. The department shall, after holding a public hearing, determine the amount of the bond which shall be computed at a rate of not less than fifteen cents nor more than thirty cents per bushel multiplied by the number of bushels of licensed commodity storage capacity of the warehouses of the applicant furnishing the bond, or at the rate of not less than six percent nor more than twelve percent of the gross sales of agricultural commodities of the applicant whichever is greater.

(5) The bonds required under this ~~((section))~~ chapter shall be approved by the department and shall be conditioned upon the faithful performance by the licensee of the duties imposed upon him by this chapter. If a person has applied for warehouse licenses to operate two or more warehouses in this state, the assets applicable to all warehouses, but not the deposits

except in case of a station, are subject to the liabilities of each. The total and aggregate liability of the surety for all claims upon the bond ~~((are))~~ is limited to the face amount ~~((specified in))~~ of the bond.

(6) Any person required to submit a bond to the department under this chapter has the option to give the department a certificate of deposit or other security acceptable to the department payable to the director as trustee, in lieu of a bond or a portion thereof. The principal amount of the certificate or other security shall be the same as that required for a surety bond under this chapter or may be in an amount which, when added to the ~~((applicant's))~~ bond, will satisfy the licensee's requirements for a surety bond under this chapter, and the interest thereon shall be made payable to the purchaser of the certificate or other security. The certificate of deposit or other security shall remain on deposit until it is released, canceled, or discharged as provided for by rule of the department. The provisions of this chapter that apply to a bond required under this chapter apply to each certificate of deposit or other security given in lieu of such a bond.

(7) The department may, when it has reason to believe that a grain dealer does not have the ability to pay producers for grain purchased, or when it determines that the grain dealer does not have a sufficient net worth to outstanding financial obligations ratio, or when it believes there may be claims made against the bond in excess of the face amount of the bond, require a grain dealer to post an additional bond in a dollar amount deemed appropriate by the department or may require an additional certificate of deposit or other security. The additional bonding or other security may exceed the maximum amount of the bond otherwise required under this ~~((section))~~ chapter. Failure to post the additional bond ~~((or))~~, certificate of deposit, or other security constitutes grounds for suspension or revocation of a license issued under this chapter.

(8) Notwithstanding any other provisions of this chapter, the license of a warehouseman or grain dealer shall automatically be suspended in accordance with RCW 22.09.100 for failure at any time to have or to maintain a bond ~~((or))~~, certificate of deposit, ~~((or both))~~ or other security or combination thereof in the amount and type required by this chapter. The department shall remove the suspension or issue a license as the case may be, when the required bond ~~((or))~~, certificate of deposit, or other security has been obtained.

NEW SECTION. Sec. 3. (1) Two or more applicants for a warehouse or grain dealer license may provide a single bond to the state of Washington, executed by a corporate surety licensed to do business in this state and designating each of the applicants as a principal on said bond.

(2) The department shall promulgate rules establishing the amount of the bond required under this section. In no event shall that amount be less than ten percent of the aggregate amount of each of the bonds that would be required of the applicants under RCW 22.09.090 or less than the amount that would be required under RCW 22.09.090 for the applicant having the highest bond requirement under that section.

Sec. 4. Section 10, chapter 124, Laws of 1963 as amended by section 28, chapter 305, Laws of 1983 and RCW 22.09.100 are each amended to read as follows:

(1) Every bond filed with and approved by the department shall without the necessity of periodic renewal remain in force and effect until such time as the warehouseman~~((s))~~ or grain dealer license of each principal on the bond is revoked ~~((for cause))~~ or otherwise canceled.

(2) The surety on a bond, as provided in this chapter, shall be released and discharged from all liability to the state ~~((accruing on the bond after))~~, as to a principal whose license is revoked or canceled, which liability accrues after the expiration of thirty days from the effective date ~~((a warehouseman's license is revoked for cause or otherwise terminated or after the expiration of ninety days from the date upon which the surety lodged with the department a written request to be released and discharged, but this provision shall not))~~ of the revocation or cancellation of the license. The surety on a bond under this chapter shall be released and discharged from all liability to the state accruing on the bond after the expiration of ninety days from the date upon which the surety lodges with the department a written request to be released and discharged. Nothing in this section shall operate to relieve, release, or discharge the surety from any liability ~~((already accrued or that has accrued))~~ which accrues before the expiration of the respective thirty or ninety-day period. In the event of a cancellation by the surety, the surety shall simultaneously send the notification of cancellation in writing to any other governmental agency requesting it. Upon receiving any such request, the department shall promptly notify the principal or principals who furnished the bond, and unless the principal or principals file~~((s))~~ a new bond on or before the expiration of the respective thirty or ninety-day period, the department shall forthwith cancel the ~~((principal's))~~ license of the principal or principals whose bond has been canceled.

Sec. 5. Section 29, chapter 7, Laws of 1975 1st ex. sess. as amended by section 56, chapter 305, Laws of 1983 and RCW 22.09.570 are each amended to read as follows:

The director may bring action upon the bond of a warehouseman or grain dealer against both principal ~~against whom a claim has been made~~ and the surety in any court of competent jurisdiction to recover the damages caused by any failure to comply with the provisions of this chapter or the rules adopted hereunder. Recovery for damages against a warehouseman or

grain dealer on a bond furnished under section 3 of this 1987 act shall be limited to the bond amount that would be required for that warehouseman or grain dealer under RCW 22.09.090.

Sec. 6. Section 33, chapter 7, Laws of 1975 1st ex. sess. as amended by section 60, chapter 305, Laws of 1983 and RCW 22.09.610 are each amended to read as follows:

Upon the refusal of the surety company to pay the demand, the director may thereupon bring an action on the warehouseman's or grain dealer's bond in behalf of the depositor creditors. Upon any action being commenced on the bond, the director may require the filing of a new bond, and immediately upon the recovery in any action on the bond, ~~((the warehouseman or grain dealer shall file))~~ a new bond shall be filed. The failure to file the new bond or otherwise satisfy the security requirements of this chapter within ten days in either case constitutes grounds for the suspension or revocation of the ~~((warehouseman's or grain dealer's))~~ license of any principal on the bond.

NEW SECTION. Sec. 7. (1) The provisions of this section and sections 9 through 20 of this act constitute the grain indemnity fund program. Sections 9 through 20 of this act shall take effect on a date specified by the director but within ninety days after receipt by the director of a petition seeking implementation of the grain indemnity fund program provided for in this chapter and a determination by the director, following a public hearing on said petition, that a grain indemnity fund program is in the interest of the agricultural industry of this state. The petition shall be signed by licensees of at least thirty-three percent of the grain warehouses and thirty-three percent of the grain dealers. At least sixty days in advance, the director shall notify each licensed warehouse and grain dealer of the effective date of the grain indemnity fund program provisions.

(2) The grain indemnity fund program, if activated by the director, shall be in lieu of the bonding and security provisions of RCW 22.09.090 and section 3 of this act.

NEW SECTION. Sec. 8. (1) There is hereby established a fund to be known as the grain indemnity fund. The grain indemnity fund shall consist of assessments remitted by licensees pursuant to the provisions of sections 9 through 11 of this act and any interest or earnings on the fund balance.

(2) All assessments shall be paid to the department and shall be deposited in the grain indemnity fund. The state treasurer shall be the custodian of the grain indemnity fund. Disbursements shall be on authorization of the director. No appropriation is required for disbursements from this fund.

(3) The grain indemnity fund shall be used exclusively for purposes of paying claimants pursuant to this chapter, and paying necessary expenses of administering the grain indemnity fund, provided however, that one-half of the interest accumulated by the fund may be paid to the department to defray costs of administering the warehouse audit program. The state of Washington shall not be liable for any claims presented against the fund.

NEW SECTION. Sec. 9. (1) Every licensed warehouse and grain dealer and every applicant for any such license shall pay assessments to the department for deposit in the grain indemnity fund according to the provisions of sections 7 through 20 of this act and rules promulgated by the department to implement this chapter.

(2) The rate of the assessments shall be established by rule, provided however, that no single assessment against a licensed warehouse or grain dealer or applicant for any such license shall exceed five percent of the bond amount that would otherwise have been required of such grain dealer, warehouseman, or license applicant under RCW 22.09.090.

NEW SECTION. Sec. 10. (1) The department shall establish the initial assessment within sixty days of the activation of the grain indemnity fund program pursuant to section 7 of this act. Immediately upon promulgation of the rule, the department shall issue notice to each licensed warehouse and grain dealer of the assessment owed. The initial assessment and assessments issued thereafter shall be paid within thirty days of the date posted on the assessment notice.

(2) The surety bond or other security posted by a licensed warehouse or grain dealer in effect immediately preceding the effective date of the grain indemnity fund program, shall remain in full force and effect and shall not be released until thirty days after the initial assessment is paid. A certificate of deposit or other security in effect immediately preceding the effective date of the grain indemnity fund program shall remain on deposit until the initial assessment is paid and until such certificate of deposit or other security is released by the department following a prompt determination that no outstanding claims are pending against the security.

(3) Each new applicant for a warehouse or grain dealer license shall pay the assessment imposed pursuant to section 9 of this act at the time of application. No license to operate as a grain dealer or grain warehouse or both shall be issued until such assessment is paid.

Notwithstanding the provisions of section 9(2) of this act, new applicants shall pay annual assessments into the grain indemnity fund for an equivalent number of years as those participating at the inception of the grain indemnity fund program and who continue to participate in the grain indemnity fund program.

NEW SECTION. Sec. 11. The assessments imposed pursuant to section 9 of this act shall be imposed annually, under rules promulgated by the department, until such time as the grain indemnity fund balance, less any outstanding claims, reaches three million dollars. For any

year in which the grain indemnity fund balance, less any outstanding claims, exceeds three million dollars on the annual assessment date, no assessment shall be imposed by the department, except as provided in section 10(3) or 12 of this act.

NEW SECTION. Sec. 12. The department may, when it has reason to believe that a licensee does not have the ability to pay producers for grain purchased, or when it determines that the licensee does not have a sufficient net worth to outstanding financial obligations ratio, require from the licensee the payment of an additional assessment or, at the department's option, the posting of a bond or other additional security in an amount to be prescribed by rule. The additional assessment or other security may exceed the maximum amount set forth in section 9 of this act. Failure of the licensee to timely pay the additional assessment or post the additional bond or other security constitutes grounds for suspension or revocation of a license issued under this chapter.

NEW SECTION. Sec. 13. (1) There is hereby created a grain indemnity fund advisory committee consisting of six members to be appointed by the director. The director shall make appointments to the committee no later than seven days following the date this section becomes effective pursuant to section 7 of this act. Of the initial appointments, three shall be for two-year terms and three shall be for three-year terms. Thereafter, appointments shall be for three-year terms, each term ending on the same day of the same month as did the term preceding it. Any member appointed to fill a vacancy occurring prior to the expiration of the term for which the member's predecessor was appointed shall hold office for the remainder of the predecessor's term.

(2) The committee shall be composed of two producers primarily engaged in the production of agricultural commodities, two licensed grain dealers, and two licensed grain warehousemen.

(3) The committee shall meet at such places and times as it shall determine and as often as necessary to discharge the duties imposed upon it. Each committee member shall be compensated in accordance with RCW 43.03.240 and shall be reimbursed for travel and subsistence expense under RCW 43.03.050 and 43.03.060. The expenses of the committee and its operation shall be paid from the grain indemnity fund.

(4) The committee shall have the power and duty to advise the director concerning assessments, administration of the grain indemnity fund, and payment of claims from the fund.

NEW SECTION. Sec. 14. In the event a grain dealer or warehouse fails, as defined in RCW 22.09.011(21), or otherwise fails to comply with the provisions of this chapter or rules promulgated hereunder, the department shall process the claims of depositors producing written evidence of ownership disclosing a storage obligation or written evidence of a sale of commodities for damages caused by the failure, in the following manner:

(1) The department shall give notice and provide a reasonable time, not to exceed thirty days, to depositors possessing written evidence of ownership disclosing a storage obligation or written evidence of sale of commodities to file their written verified claims with the department.

(2) The department may investigate each claim and determine whether the claimant's commodities are under a storage obligation or whether a sale of commodities has occurred. The department shall notify each claimant, the grain warehouseman or grain dealer, and the committee of the department's determination as to the validity and amount of each claimant's claim. A claimant, warehouseman, or grain dealer may request a hearing on the department's determination within twenty days of receipt of written notification and a hearing shall be held by the department pursuant to chapter 34.04 RCW. Upon determining the amount and validity of the claim, the director shall pay the claim from the grain indemnity fund.

(3) The department may inspect and audit a failed warehouseman, as defined by RCW 22.09.011(21) to determine whether the warehouseman has in his possession, sufficient quantities of commodities to cover his storage obligations. In the event of a shortage, the department shall determine each depositor's pro rata share of available commodities and the deficiency shall be considered as a claim of the depositor. Each type of commodity shall be treated separately for the purpose of determining shortages.

NEW SECTION. Sec. 15. If a depositor or creditor, after notification, refuses or neglects to file in the office of the director his verified claim against a warehouseman or grain dealer as requested by the director within thirty days from the date of the request, the director shall thereupon be relieved of responsibility for taking action with respect to such claim later asserted and no such claim shall be paid from the grain indemnity fund.

NEW SECTION. Sec. 16. Subject to the provisions of sections 17 and 18 of this act and to a maximum payment of seven hundred fifty thousand dollars on all claims against a single licensee, approved claims against a licensed warehouseman or licensed grain dealer shall be paid from the grain indemnity fund in the following amounts:

(1) Approved claims against a licensed warehouseman shall be paid in full;

(2) Approved claims against a licensed grain dealer for payments due within thirty days of transfer of title shall be paid in full for the first twenty-five thousand dollars of the claim. The amount of such a claim in excess of twenty-five thousand dollars shall be paid to the extent of eighty percent;

(3) Approved claims against a licensed grain dealer for payments due between thirty and ninety days of transfer of title shall be paid to the extent of eighty percent;

(4) Approved claims against a licensed grain dealer for payments due after ninety days from transfer of title shall be paid to the extent of seventy-five percent;

(5) In the event that approved claims against a single licensee exceed seven hundred fifty thousand dollars, recovery on those claims shall be prorated.

NEW SECTION. Sec. 17. In addition to the payment limitations imposed by section 16 of this act, payment of any claim approved before the grain indemnity fund first reaches a balance of one million two hundred fifty thousand dollars, shall be limited to the following amounts:

(1) For claims against a licensed grain warehouse, payment shall not exceed the lesser of seven hundred fifty thousand dollars or an amount equal to the licensee's total bushels of licensed storage space multiplied by the rate of eighteen cents.

(2) For claims against a licensed grain dealer, payment shall not exceed the lesser of seven hundred fifty thousand dollars or an amount equal to six percent of the gross purchases of the licensee during the licensee's immediately preceding fiscal year.

(3) The unpaid balance of any claim subject to this section shall be paid when the grain indemnity fund first reaches a balance of one million two hundred fifty thousand dollars, provided that the total paid on the claim shall not exceed the limits specified in section 16 of this act.

NEW SECTION. Sec. 18. The requirement that the state of Washington pay claims under this chapter only exists so long as the grain indemnity fund contains sufficient money to pay the claims. Under no circumstances whatsoever may any funds (other than assessment amounts and other money obtained under this chapter) be used to pay claims. In the event that the amount in the grain indemnity fund is insufficient to pay all approved claims in the amount provided for under section 16 or 17 of this act, the claims shall be paid in the order in which they were filed with the department, until such time as sufficient moneys are available in the grain indemnity fund to pay all of the claims.

NEW SECTION. Sec. 19. Amounts paid from the grain indemnity fund in satisfaction of any approved claim shall constitute a debt and obligation of the grain dealer or warehouseman against whom the claim was made. On behalf of the grain indemnity fund, the director may bring suit, file a claim, or intervene in any legal proceeding to recover from the grain dealer or warehouseman the amount of the payment made from the grain indemnity fund, together with costs and attorneys' fees incurred. In instances where the superior court is the appropriate forum for a recovery action, the director may elect to institute the action in the superior court of Thurston county.

NEW SECTION. Sec. 20. The department may deny, suspend, or revoke the license of any grain dealer or warehouseman who fails to timely pay assessments to the grain indemnity fund or against whom a claim has been made, approved, and paid from the grain indemnity fund. Proceedings for the denial, suspension, or revocation shall be subject to the provisions of chapter 34.04 RCW.

NEW SECTION. Sec. 21. Sections 3 and 7 through 20 of this act are each added to chapter 22.09 RCW.

NEW SECTION. Sec. 22. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

NEW SECTION. Sec. 23. This act is necessary for the immediate preservation of the public peace, health, and safety, the support of the state government and its existing public institutions, and shall take effect immediately."

Sec. 9. Section .17.49, chapter 79, Laws of 1947 and RCW 48.17.490 are each amended to read as follows:

(1) No agent, general agent, solicitor, or broker shall compensate or offer to compensate in any manner any person other than an agent, general agent, solicitor, or broker, licensed in this or any other state or province, for procuring or in any manner helping to procure applications for or to place insurance in this state. This provision shall not prohibit the payment of compensation not contingent upon volume of business transacted, in the form of salaries to the regular employees of such agent, general agent, solicitor or broker, or the payment for services furnished by an unlicensed person who does not participate in the transaction of insurance in any way requiring licensing as an agent, solicitor, broker, or adjuster and who is not compensated on any basis dependent upon a sale of insurance being made.

(1) The commissioner may revoke or refuse to renew any license issued under this chapter, or any surplus line broker's license, immediately and without hearing, upon sentencing of the licensee for conviction of a felony by final judgment of any court of competent jurisdiction, if the facts giving rise to such conviction demonstrate the licensee to be untrustworthy to maintain any such license.

(2) The commissioner may suspend, revoke, or refuse to renew any such license:

(a) By order given to the licensee not less than fifteen days prior to the effective date thereof, subject to the right of the licensee to have a hearing as provided in RCW 48.04.010; or

(b) By an order on hearing made as provided in RCW 34.04.120 effective not less than ten days after date of the giving of the order, subject to the right of the licensee to appeal to the superior court.

(3) The commissioner may temporarily suspend such license by order given to the licensee not less than three days prior to the effective date thereof, provided the order contains a notice of revocation and includes a finding that the public safety or welfare imperatively requires emergency action. Such suspension shall continue only until proceedings for revocation are concluded. The commissioner also may temporarily suspend such license in cases where proceedings for revocation are pending if he or she finds that the public safety or welfare imperatively requires emergency action.

Sec. 11. Section 1, chapter 69, Laws of 1986 and RCW 48.17.600 are each amended to read as follows:

(1) All funds representing premiums or return premiums received by an agent, solicitor or broker in his or her fiduciary capacity shall be accounted for and maintained in a separate account from all other business and personal funds.

(4) Each willful violation of this section shall constitute a misdemeanor.

(5) This section shall not apply to agents for title insurance companies.

Sec. 12. Section 10, chapter 199, Laws of 1979 ex. sess. as amended by section 154, chapter 3, Laws of 1983 and RCW 48.30.157 are each amended to read as follows:

Notwithstanding the provisions of RCW 48.30.140, 48.30.150, and 48.30.155, the commissioner may permit an agent or broker to enter into reasonable arrangements with insureds and prospective insureds to charge a reduced fee in situations where services that are charged for are provided beyond the scope of services customarily provided in connection with the solicitation and procurement of insurance, so that an overall charge to an insured or prospective insured is reasonable taking into account receipt of commissions and fees and their relation, proportionally, to the value of the total work performed.

Sec. 13. Section 20, chapter 193, Laws of 1957 as last amended by section 2, chapter 6, Laws of 1984 and RCW 48.30.260 are each amended to read as follows:

(1) Every debtor or borrower, when property insurance of any kind is required in connection with the debt or loan, shall have reasonable opportunity and choice in the selection of the agent, broker, and insurer through whom such insurance is to be placed; but only if the insurance is properly provided for the protection of the creditor or lender not later than at commencement of risk as to such property as respects such creditor or lender, and in the case of renewal of insurance, only if the renewal policy, or a proper binder therefor containing a brief description of the coverage bound and the identity of the insurer in which the coverage is bound, is delivered to the creditor or lender not later than thirty days prior to the renewal date.

(2) Every person who lends money or extends credit and who solicits insurance on real and personal property must explain to the borrower in prominently displayed writing that the insurance related to such loan or credit extension may be purchased from an insurer or agent of the borrower's choice, subject only to the lender's right to reject a given insurer or agent as provided in subsection (3)(b) of this section.

(3) No person who lends money or extends credit may:

(a) Solicit insurance for the protection of ((real)) property, after a person indicates interest in securing a ((real estate)) loan or credit extension, until such person has received a commitment from the lender as to a loan or credit extension;

(b) Unreasonably reject a contract of insurance furnished by the borrower for the protection of the property securing the credit or lien. A rejection shall not be deemed unreasonable if it is based on reasonable standards, uniformly applied, relating to the extent of coverage required and the financial soundness and the services of an insurer. Such standards shall not discriminate against any particular type of insurer, nor shall such standards call for rejection of

an insurance contract because the contract contains coverage in addition to that required in the credit transaction;

(c) Require that any borrower, mortgagor, purchaser, insurer, broker, or agent pay a separate charge, in connection with the handling of any contract of insurance required as security for a loan (~~on real estate~~), or pay a separate charge to substitute the insurance policy of one insurer for that of another. This subsection does not include the interest which may be charged on premium loans or premium advancements in accordance with the terms of the loan or credit document;

(d) Use or disclose, without the prior written consent of the borrower, mortgagor, or purchaser taken at a time other than the making of the loan or extension of credit, information relative to a contract of insurance which is required by the credit transaction, for the purpose of replacing such insurance;

(e) Require any procedures or conditions of duly licensed agents, brokers, or insurers not customarily required of those agents, brokers, or insurers affiliated or in any way connected with the person who lends money or extends credit; or

(f) Require property insurance in an amount in excess of the amount which could reasonably be expected to be paid under the policy, or combination of policies, in the event of a loss.

(4) Nothing contained in this section shall prevent a person who lends money or extends credit from placing insurance on real or personal property in the event the mortgagor, borrower, or purchaser has failed to provide required insurance in accordance with the terms of the loan or credit document.

(5) Nothing contained in this section shall apply to credit life or credit disability insurance."

E2SSB 5441 Prime Sponsor, Committee on Ways & Means: Authorizing establishment of local reemployment centers. Reported by Committee on Commerce & Labor

MAJORITY recommendation: Do pass with the following amendments:

Strike everything after the enacting clause and insert the following:

NEW SECTION, Sec. 1. The legislature finds and declares that:

(1) The number of unemployment compensation claimants in the state who have exhausted their benefits has more than doubled in the past seven years;

(2) Many of the unemployed have emotional, medical, and financial problems as a direct result of their unemployment;

(3) Many communities in this state have inadequate and poorly coordinated resources and programs to assist the unemployed in coping with their problems that are associated with unemployment; and

(4) The lack of coordinated and effective services for the unemployed seriously hampers their ability to conduct an effective work search and may have the effect of prolonging their unemployment.

NEW SECTION, Sec. 2. It is the intent of the legislature to assist in the creation of pilot local reemployment centers which would increase the capacity of local communities to aid their unemployed. The pilot centers are intended to supplement but not supplant the efforts of the local job service centers of the employment security department. The legislature intends that the reemployment centers established by this chapter shall give first priority to those unemployed persons who have been unemployed a minimum of fifteen weeks.

NEW SECTION, Sec. 3. (1) The department of community development shall issue requests for proposals to nonprofit agencies or to local government agencies to serve as the local reemployment centers under this chapter. The requests for proposals shall authorize the selected agencies to receive funds pursuant to this chapter for a two-year period.

(2) The department shall issue requests for proposals for three centers. One center shall be located in Eastern Washington, one center shall be located in King county, and one center shall be located in Western Washington outside King county.

(3) The department shall establish standards to govern the selection of the reemployment centers. At a minimum, each local reemployment center shall raise matching funds in an amount equal to the state grant.

NEW SECTION, Sec. 4. The local reemployment centers shall provide direct or referral services to the unemployed. Referral services shall be provided where appropriate programs are reasonably available to the unemployed to avoid duplication of these services by the centers. The referrals shall be made to agencies which provide any of the following services:

(1) Reemployment assistance;

(2) Medical services;

(3) Social services including marital counseling;

(4) Psychotherapy;

(5) Mortgage foreclosure and utilities problems counseling;

(6) Drug and alcohol abuse services;

(7) Credit counseling; and

(8) Other services as deemed appropriate.

The local reemployment centers shall demonstrate the utilization of the services of volunteers to maximize the effectiveness of the centers' programs, and outreach efforts to encourage the unemployed to seek assistance.

NEW SECTION. Sec. 5. The employment security department and the department of social and health services shall each locate one or more workers on a full or part-time basis at each local reemployment center in an effort to increase the effectiveness of the local reemployment centers.

NEW SECTION. Sec. 6. The department of community development shall require each local center which receives funds under this chapter to submit semiannual reports to the department which document the effectiveness of the center's activities.

NEW SECTION. Sec. 7. The referrals and services provided by the centers shall be confidential. Reporting and recordkeeping necessary to file the required reports with the department of community development shall be conducted in a manner which will maintain the confidentiality of the client-provider relationship.

NEW SECTION. Sec. 8. Each local reemployment center designated by the department pursuant to this chapter shall receive ninety thousand dollars per year for a two-year period.

NEW SECTION. Sec. 9. (1) In one or more of the local reemployment centers established under section 3 of this act, the employment security department shall implement a reemployment bonus demonstration project to provide reemployment incentives for qualified unemployment compensation claimants if federal or private funding is available. The reemployment bonus demonstration project shall provide for the payment of lump sum amounts to qualified unemployment compensation claimants who return to work within the time limits established by the department and who retain employment for a four-month period. For the purposes of this subsection, a qualified unemployment compensation claimant is one who accepts the employment security department's invitation to participate in the reemployment bonus demonstration project and who subsequently fulfills the enrollment requirements established by the department for participation in the project.

(2) The employment security department shall submit a report to the governor and to the commerce and labor committees of the house of representatives and the senate prior to the start of the 1989 legislative session, assessing the effectiveness of the reemployment bonus demonstration project.

(3) The reemployment bonus demonstration project shall cease to exist on June 30, 1989, unless extended by law for an additional fixed period of time.

Sec. 10. Section 31, chapter 1, Laws of 1973 as last amended by section 7, chapter 276, Laws of 1986 and by section 25, chapter 299, Laws of 1986 and RCW 42.17.310 are each reenacted and amended to read as follows:

(1) The following are exempt from public inspection and copying:

(a) Personal information in any files maintained for students in public schools, patients or clients of public institutions or public health agencies, welfare recipients, prisoners, probationers, or parolees.

(b) Personal information in files maintained for employees, appointees, or elected officials of any public agency to the extent that disclosure would violate their right to privacy.

(c) Information required of any taxpayer in connection with the assessment or collection of any tax if the disclosure of the information to other persons would (i) be prohibited to such persons by RCW 82.32.330 or (ii) violate the taxpayer's right to privacy or result in unfair competitive disadvantage to the taxpayer.

(d) Specific intelligence information and specific investigative records compiled by investigative, law enforcement, and penology agencies, and state agencies vested with the responsibility to discipline members of any profession, the nondisclosure of which is essential to effective law enforcement or for the protection of any person's right to privacy.

(e) Information revealing the identity of persons who file complaints with investigative, law enforcement, or penology agencies, other than the public disclosure commission, if disclosure would endanger any person's life, physical safety, or property: PROVIDED, That if at the time the complaint is filed the complainant indicates a desire for disclosure or nondisclosure, such desire shall govern: PROVIDED, FURTHER, That all complaints filed with the public disclosure commission about any elected official or candidate for public office must be made in writing and signed by the complainant under oath.

(f) Test questions, scoring keys, and other examination data used to administer a license, employment, or academic examination.

(g) Except as provided by chapter 8.26 RCW, the contents of real estate appraisals, made for or by any agency relative to the acquisition or sale of property, until the project or prospective sale is abandoned or until such time as all of the property has been acquired or the property to which the sale appraisal relates is sold, but in no event shall disclosure be denied for more than three years after the appraisal.

(h) Valuable formulae, designs, drawings, and research data obtained by any agency within five years of the request for disclosure when disclosure would produce private gain and public loss.

(i) Preliminary drafts, notes, recommendations, and intra-agency memorandums in which opinions are expressed or policies formulated or recommended except that a specific record shall not be exempt when publicly cited by an agency in connection with any agency action.

(j) Records which are relevant to a controversy to which an agency is a party but which records would not be available to another party under the rules of pretrial discovery for causes pending in the superior courts.

(k) Records, maps, or other information identifying the location of archaeological sites in order to avoid the looting or depredation of such sites.

(l) Any library record, the primary purpose of which is to maintain control of library materials, or to gain access to information, which discloses or could be used to disclose the identity of a library user.

(m) Financial information supplied by or on behalf of a person, firm, or corporation for the purpose of qualifying to submit a bid or proposal for (a) a ferry system construction or repair contract as required by RCW 47.60.680 through 47.60.750 or (b) highway construction or improvement as required by RCW 47.28.070.

(n) Railroad company contracts filed with the utilities and transportation commission under RCW 81.34.070, except that the summaries of the contracts are open to public inspection and copying as otherwise provided by this chapter.

(o) Financial and commercial information and records supplied by private persons pertaining to export services provided pursuant to chapter 53.31 RCW.

(p) Financial disclosures filed by private vocational schools under chapter 28C.10 RCW.

(q) Records of local reemployment centers established under chapter 50.-- RCW (sections 1 through 9 of this 1987 act) if such records identify individual clients.

(2) Except for information described in subsection (1)(c)(i) of this section and confidential income data exempted from public inspection pursuant to RCW 84.40.020, the exemptions of this section are inapplicable to the extent that information, the disclosure of which would violate personal privacy or vital governmental interests, can be deleted from the specific records sought. No exemption may be construed to permit the nondisclosure of statistical information not descriptive of any readily identifiable person or persons.

(3) Inspection or copying of any specific records exempt under the provisions of this section may be permitted if the superior court in the county in which the record is maintained finds, after a hearing with notice thereof to every person in interest and the agency, that the exemption of such records is clearly unnecessary to protect any individual's right of privacy or any vital governmental function.

(4) Agency responses refusing, in whole or in part, inspection of any public record shall include a statement of the specific exemption authorizing the withholding of the record (or part) and a brief explanation of how the exemption applies to the record withheld.

NEW SECTION. Sec. 11. The department of community development shall submit a report to the governor and to the commerce and labor committees of the house of representatives and the senate prior to the start of the 1989 legislative session. The report shall assess the effectiveness of the centers and their service delivery approaches.

*Sec. 1. Section 1, chapter 21, Laws of 1979 ex. sess. and RCW 64.04.130 are each amended to read as follows:

A development right, easement, covenant, restriction, or other right, or any interest less than the fee simple, to protect, preserve, maintain, improve, restore, limit the future use of, or conserve for open space purposes, any land or improvement on the land, whether the right or interest be appurtenant or in gross, may be held or acquired by any state agency, federal agency, county, city, town, or metropolitan municipal corporation, nonprofit historic preservation corporation, or nonprofit nature conservancy corporation. Sec. 2. Section 2, chapter 243, Laws of 1971 ex. sess. as amended by section 1, chapter 22, Laws of 1975-'76 2nd ex. sess. and RCW 84.34.210 are each amended to read as follows:

For the purposes of this 1971 amendatory act, such developmental rights shall be termed 'conservation futures'. The private owner may retain the right to continue any existing open space use of the land, and to develop any other open space use, but, under the terms of purchase of conservation futures, the county, city, town, metropolitan municipal corporation, nonprofit historic preservation corporation as defined in RCW 64.04.130, or nonprofit nature conservancy corporation or association, as such are defined in RCW 84.34.250, may forbid or restrict building thereon, or may require that improvements cannot be made without county, city, town, metropolitan municipal corporation, nonprofit historic preservation corporation as defined in RCW 64.04.130, or nonprofit nature conservancy corporation or association, as such are defined in RCW 84.34.250, permission. The land may be alienated or sold and used as formerly by the new owner, subject to the terms of the agreement made by the county, city, town, metropolitan municipal corporation, nonprofit historic preservation corporation as defined in RCW 64.04.130, or nonprofit nature conservancy corporation or association, as such are defined in RCW 84.34.250, with the original owner.

SSB 5632 Prime Sponsor, Committee on Ways & Means: Establishing the learning assistance program. Reported by Committee on Education

MAJORITY recommendation: Do pass with the following amendments:

Strike everything after the enacting clause and insert the following:

NEW SECTION. Sec. 1. The legislature finds that an important and effective means of improving the educational performance of many students with special needs is to improve the general education program. The legislature also finds that there is a continuum of educational program needs among students with learning problems or poor academic performance. The legislature wants to encourage school districts to serve students with special needs within the regular classroom. Therefore, the legislature intends to replace the remediation program with a broader range of program options, without reducing special instructional programs when those services are both necessary and appropriate. The legislature intends to enhance the ability of basic education teachers to identify and address learning problems within the regular classroom. The legislature further intends to stimulate development by local school districts of innovative and effective means of serving students with special needs. The goal is to increase the achievement of students with special needs in a shorter period of time using processes that are more timely, appropriate and effective in producing better outcomes.

NEW SECTION. Sec. 2. There is hereby created a state-wide program designed to enhance educational opportunities for public school students who are deficient in basic skills achievement. This program shall be known as the learning assistance program.

NEW SECTION. Sec. 3. Unless the context clearly indicates otherwise the definitions in this section apply throughout sections 1 through 11 of this act.

(1) 'Basic skills' means reading, mathematics, and language arts as well as readiness activities associated with such skills.

(2) 'Placement testing' means the administration of objective measures by a school district for the purposes of diagnosing the basic skills achievement levels, determining the basic skills areas of greatest need, and establishing the learning assistance needs of individual students in conformance with instructions established by the superintendent of public instruction for such purposes.

(3) 'Approved program' means a program conducted pursuant to a plan submitted by a district and approved by the superintendent of public instruction under section 4 of this act.

(4) 'Participating student' means a student in kindergarten through grade nine who scores below grade level in basic skills, as determined by placement testing, and who is identified under section 5 of this act to receive additional services or support under an approved program.

(5) 'Basic skills tests' means state-wide tests at the fourth and eighth grade levels established pursuant to RCW 28A.03.360.

NEW SECTION. Sec. 4. Each school district which applies for state funds distributed pursuant to section 7 of this act shall conduct a needs assessment and, on the basis of its findings, shall develop a plan for the use of these funds. Districts are encouraged to place special emphasis on addressing the needs of students in the early grades. The needs assessment and plan shall be updated at least biennially, and shall be determined in consultation with an advisory committee including but not limited to members of the following groups: Parents, including parents of students served by the program; teachers; principals; administrators; and school directors. The district shall submit a biennial application specifying this plan to the office of the superintendent of public instruction for approval. Plans shall include:

(1) The means which the district will use to identify participating students to receive additional services or support under the proposed program;

(2) The specific services or activities which the funds will be used to support, and their estimated costs;

(3) A plan for annual evaluation of the program by the district, based on performance objectives related to basic skills achievement of participating students, and a plan for reporting the results of this evaluation to the superintendent of public instruction;

(4) Procedures for recordkeeping or other program documentation as may be required by the superintendent of public instruction; and

(5) The approval of the local school district board of directors.

NEW SECTION. Sec. 5. Identification of participating students for an approved program of learning assistance shall be determined in each district through the implementation of the findings of the district's needs assessment and through placement testing. School districts are

encouraged to coordinate the use of funds from federal, state, and local sources in serving students who are below grade level in basic skills, and to make efficient use of these resources in meeting the needs of students with the greatest academic deficits.

NEW SECTION. Sec. 6. Services or activities which may be supported under an approved program of learning assistance shall include but not be limited to:

(1) Consultant teachers to assist classroom teachers in meeting the needs of participating students;

(2) Instructional support staff to assist classroom teachers in meeting the needs of participating students;

(3) In-service training for classroom teachers in the identification of learning problems or in instructional methods for teaching students with learning problems;

(4) Special instructional programs for participating students, of sufficient size, scope, and quality to address the needs of these students and to give reasonable promise of substantial progress towards meeting their educational objectives.

NEW SECTION. Sec. 7. Each school district which has established an approved program shall be eligible, as determined by the superintendent of public instruction, for state funds made available for the purposes of such programs. The superintendent of public instruction shall make use of data derived from the basic skills tests in determining the amount of funds for which a district may be eligible. Funds shall be distributed according to the district's total full-time equivalent enrollment in kindergarten through grade nine and the percentage of the district's students taking the basic skills tests who scored in the lowest quartile as compared with national norms. In making this calculation, the superintendent of public instruction may use an average over the immediately preceding five or fewer years of the district's percentage scoring in the lowest quartile. The superintendent of public instruction shall also deduct the number of students at these age levels who are identified as specific learning disabled and are generating state funds for special education programs conducted pursuant to chapter 28A.13 RCW, in distributing state funds for learning assistance. The distribution formula in this section is for allocation purposes only.

NEW SECTION. Sec. 8. In order to insure that school districts are meeting the requirements of an approved program, the superintendent of public instruction shall monitor such programs no less than once every three years. The results of the evaluations required by section 4 of this act shall be transmitted to the superintendent of public instruction annually. Individual student records shall be maintained at the school district.

NEW SECTION. Sec. 9. The superintendent of public instruction shall promulgate rules pursuant to chapter 34.04 RCW which he or she deems necessary to implement sections 1 through 8 of this act.

NEW SECTION. Sec. 10. The following acts or parts of acts are each repealed:

(1) Section 1, chapter 149, Laws of 1979 and RCW 28A.41.400;

(2) Section 2, chapter 149, Laws of 1979 and RCW 28A.41.402;

***NEW SECTION.** Sec. 1. Unless the context clearly requires otherwise, the definitions in this section apply throughout sections 1 through 6 of this act.

(1) 'Applicant' means either:

However, for school districts and educational service districts, prospective employee includes only noncertificated personnel; or

(2) 'Business or organization' means a business or organization licensed in this state, any agency of the state, or other governmental entity, that educates, trains, treats, supervises, or provides recreation to developmentally disabled persons or children under sixteen years of age, including school districts and educational service districts.

(3) 'Civil adjudication' means a specific court finding of sexual abuse or exploitation or physical abuse in a dependency action under RCW 13.34.030(2)(b) or in a domestic relations action under Title 26 RCW. It does not include administrative proceedings. The term 'civil adjudication' is further limited to court findings that identify as the perpetrator of the abuse a named individual, over the age of eighteen years, who was a party to the dependency or dissolution proceeding in which the finding was made.

(4) 'Conviction record' means criminal history record information as defined in RCW 10.97-.030 relating to a crime against persons committed by either an adult or a juvenile. It does not include a conviction for an offense that has been the subject of an expungement, pardon, annulment, certificate of rehabilitation, or other equivalent procedure based on a finding of the rehabilitation of the person convicted, or a conviction that has been the subject of a pardon, annulment, or other equivalent procedure based on a finding of innocence. It does include convictions for offenses for which the defendant received a deferred or suspended sentence, unless the record has been expunged according to law.

(5) 'Disciplinary board final decision' means any final decision issued by the disciplinary board or the director of the department of licensing for the following business or professions:

(a) Another employee or volunteer from the same business or organization as the applicant; or

(b) Any relative or guardian of any of the children or developmentally disabled persons to which the applicant has access during the course of his or her employment or involvement with the business or organization.

NEW SECTION. Sec. 2. (1) The legislature finds that businesses and organizations providing services to children or developmentally disabled persons need adequate information to determine which employees or licensees to hire or engage. Therefore, the Washington state patrol criminal identification system may disclose, upon the request of a business or organization as defined in section 1 of this act, a prospective employee's record for convictions of offenses against persons, adjudications of child abuse in a civil action, and disciplinary board final decisions. When necessary, applicants may be employed on a conditional basis pending completion of such a background investigation.

(2) The legislature also finds that the state board of education may request of the Washington state patrol criminal identification system information regarding a certificate applicant's record for convictions under subsection (1) of this section.

(3) The legislature also finds that law enforcement agencies, the office of the attorney general, prosecuting authorities, and the department of social and health services may request this same information to aid in the investigation and prosecution of child and adult abuse cases and to protect children and adults from further incidents of abuse.

(4) The legislature further finds that the department of social and health services, when considering persons for state positions directly responsible for the care, supervision, or treatment of children or the developmentally disabled or when licensing or authorizing such persons or agencies pursuant to its authority under chapter 74.15 RCW, must consider the information listed in subsection (1) of this section. However, when necessary, persons may be employed on a conditional basis pending completion of the background investigation. The state personnel board shall adopt rules to accomplish the purposes of this subsection as it applies to state employees.

NEW SECTION. Sec. 3. (1) A business or organization shall not make an inquiry to the Washington state patrol under section 2 of this act or an equivalent inquiry to a federal law enforcement agency unless the business or organization has notified the applicant who has been offered a position as an employee or volunteer that an inquiry may be made.

(2) A business or organization shall require each applicant to disclose to the business or organization whether the applicant has been:

(a) Convicted of any crime against persons;

(b) Found in any dependency action under RCW 13.34.030(2)(b) to have sexually assaulted or exploited any minor or to have physically abused any minor;

(c) Found by a court in a domestic relations proceeding under Title 26 RCW to have sexually abused or exploited any minor or to have physically abused any minor; or

(d) Found in any disciplinary board final decision to have sexually abused or exploited any minor or to have physically abused any minor.

The disclosure shall be made in writing and signed by the applicant and sworn under penalty of perjury. The disclosure sheet shall specify all crimes against persons as defined in section 1 of this act.

(3) The business or organization shall pay such reasonable fee for the records check as the state patrol may require under section 5 of this act.

(4) The business or organization shall notify the applicant of the state patrol's response within ten days after receipt by the business or organization. The employer shall provide a copy of the response to the applicant and shall notify the applicant of such availability.

(5) The business or organization shall use this record only in making the initial employment or engagement decision. Further dissemination or use of the record is prohibited. A business or organization violating this subsection is subject to a civil action for damages.

(6) An insurance company shall not require a business or organization to request background information on any employee before issuing a policy of insurance.

(7) The business and organization shall be immune from civil liability for failure to request background information on a prospective employee or volunteer unless the failure to do so constitutes gross negligence.

NEW SECTION. Sec. 4. An individual may contact the state patrol to ascertain whether that same individual has a civil adjudication, disciplinary board final decision, or conviction record. The state patrol shall disclose such information, subject to the fee established under section 5 of this act.

NEW SECTION. Sec. 5. (1) After January 1, 1988, and notwithstanding any provision of RCW 43.43.700 through 43.43.810 to the contrary, the state patrol shall furnish a transcript of the conviction record, disciplinary board final decision, or civil adjudication record pertaining to any person for whom the state patrol or the federal bureau of investigation has a record upon the written request of:

(a) The subject of the inquiry;

(b) Any business or organization for the purpose of conducting evaluations under section 2 of this act;

(c) The department of social and health services;

(d) Any law enforcement agency, prosecuting authority, or the office of the attorney general; or

(e) The department of social and health services for the purpose of meeting responsibilities set forth in chapter 74.15 RCW. However, access to conviction records pursuant to this subsection (1)(e) does not limit or restrict the ability of the department to obtain additional information regarding conviction records and pending charges as set forth in RCW 74.15.030(2)(b).

After processing the request, if the conviction record, disciplinary board final decision, or adjudication record shows no evidence of a crime against persons, an identification declaring the showing of no evidence shall be issued to the applicant by the state patrol and shall be issued within fourteen days of the request. Possession of such identification shall satisfy future background check requirements for the applicant.

(2) The state patrol shall by rule establish fees for disseminating records under this section to recipients identified in subsection (1)(a) and (b) of this section. The state patrol shall also by rule establish fees for disseminating records in the custody of the national crime information center. The fees shall cover, as nearly as practicable, the direct and indirect costs to the state patrol of disseminating the records: PROVIDED, That no fee shall be charged to a nonprofit organization, including school districts and educational service districts, for the records check.

(3) No employee of the state, employee of a business or organization, or the business or organization is liable for defamation, invasion of privacy, negligence, or any other claim in connection with any lawful dissemination of information under sections 1 through 6 of this act or RCW 43.43.760.

(4) Before the effective date of this act, the state patrol shall adopt rules and forms to implement this section and to provide for security and privacy of information disseminated under this section, giving first priority to the criminal justice requirements of this chapter. The rules may include requirements for users, audits of users, and other procedures to prevent use of civil adjudication record information or criminal history record information inconsistent with this chapter.

(5) Nothing in sections 1 through 6 of this act shall authorize an employer to make an inquiry not specifically authorized by this chapter, or be construed to affect the policy of the state declared in chapter 9.96A RCW.

NEW SECTION. Sec. 6. (1) The supreme court shall by rule require the courts of the state to notify the state patrol of any dependency action under RCW 13.34.030(2)(b) or domestic relations action under Title 26 RCW in which the court makes specific findings of physical abuse or sexual abuse or exploitation of a child.

(2) The department of licensing shall notify the state patrol of any disciplinary board final decision that includes specific findings of physical abuse or sexual abuse or exploitation of a child.

(3) When a business or an organization terminates, fires, dismisses, fails to renew the contract, or permits the resignation of an employee because of crimes against persons, and if that employee is employed in a position requiring a certificate or license issued by a licensing agency such as the state board of education, the business or organization shall notify the licensing agency of such termination of employment. Failure to do so shall be cause for termination of the person or persons responsible.

Sec. 7. Section 23, chapter 137, Laws of 1981 and RCW 9.94A.230 are each amended to read as follows:

(1) Every offender who has been discharged under RCW 9.94A.220 may apply to the sentencing court for a vacation of the offender's record of conviction. If the court finds the offender meets the tests prescribed in subsection (2) of this section, the court may clear the record of conviction by: (a) Permitting the offender to withdraw the offender's plea of guilty and to enter a plea of not guilty; or (b) if the offender has been convicted after a plea of not guilty, by the court setting aside the verdict of guilty; and (c) by the court dismissing the information or indictment against the offender.

(2) An offender may not have the record of conviction cleared if: (a) There are any criminal charges against the offender pending in any court of this state or another state, or in any federal court; (b) the offense was a violent offense as defined in RCW 9.94A.030; (c) the offense was a crime against persons as defined in section 1 of this 1987 act; (d) the offender has been convicted of a new crime in this state, another state, or federal court since the date of the offender's discharge under RCW 9.94A.220; ~~((c))~~ (e) the offense is a class B felony and less than ten years have passed since the date the applicant was discharged under RCW 9.94A.220; and ~~((e))~~ (f) the offense was a class C felony and less than five years have passed since the date the applicant was discharged under RCW 9.94A.220.

(3) Once the court vacates a record of conviction under subsection (1) of this section, the fact that the offender has been convicted of the offense shall not be included in the offender's criminal history for purposes of determining a sentence in any subsequent conviction, and the offender shall be released from all penalties and disabilities resulting from the offense. For all purposes, including responding to questions on employment applications, an offender whose conviction has been vacated may state that the offender has never been convicted of that crime. Nothing in this section affects or prevents the use of an offender's prior conviction in a later criminal prosecution.

Sec. 8. Section 28A.70.005, chapter 223, Laws of 1969 ex. sess. as amended by section 2, chapter 92, Laws of 1975-'76 2nd ex. sess. and RCW 28A.70.005 are each amended to read as follows:

The rules shall require that the initial application for certification shall require a background check of the applicant through the Washington state patrol criminal identification system at the applicant's expense.

The superintendent of public instruction shall act as the administrator of any such rules and regulations and have the power to issue any certificates or permits and revoke the same in accordance with board rules and regulations.

Sec. 9. Section 1, chapter 152, Laws of 1972 ex. sess. as last amended by section 7, chapter 201, Laws of 1985 and RCW 43.43.700 are each amended to read as follows:

The section shall keep a complete record and index of all information received in convenient form for consultation and comparison.

The section shall obtain from whatever source available and file for record the fingerprints, palmprints, photographs, or such other identification data as it deems necessary, of persons who have been or shall hereafter be lawfully arrested and charged with, or convicted of any criminal offense. The section may obtain like information concerning persons arrested for or convicted of crimes under the laws of another state or government.

The section shall also contain like information concerning persons, over the age of eighteen years, who have been found, pursuant to a dependency proceeding under ~~(chapter 13.34 RCW in which the person was a party, to have sexually molested, sexually abused, or sexually exploited a child)~~ RCW 13.34.030(2)(b) to have physically abused or sexually abused or exploited a child.

Sec. 10. Section 2, chapter 152, Laws of 1972 ex. sess. as last amended by section 8, chapter 201, Laws of 1985 and RCW 43.43.705 are each amended to read as follows:

Upon the receipt of identification data from criminal justice agencies within this state, the section shall immediately cause the files to be examined and upon request shall promptly return to the contributor of such data a transcript of the record of previous arrests and dispositions of the persons described in the data submitted.

Upon application, the section shall furnish to criminal justice agencies, or to the department of social and health services, hereinafter referred to as the 'department', a transcript of the criminal offender record information or dependency record information available pertaining to any person of whom the section has a record.

For the purposes of RCW 43.43.700 through 43.43.800 the following words and phrases shall have the following meanings:

'Criminal offender record information' includes, and shall be restricted to identifying data and public record information recorded as the result of an arrest or other initiation of criminal proceedings and the consequent proceedings related thereto. 'Criminal offender record information' shall not include intelligence, analytical, or investigative reports and files.

'Criminal justice agencies' are those public agencies within or outside the state which perform, as a principal function, activities directly relating to the apprehension, prosecution, adjudication or rehabilitation of criminal offenders.

'Dependency record information' includes and shall be restricted to identifying data regarding a person, over the age of eighteen, who was a party to a dependency proceeding brought under chapter 13.34 RCW and who has been found, pursuant to such dependency proceeding, to have sexually ~~(molested, sexually abused, or sexually exploited)~~ abused or exploited or physically abused a child.

~~((Applications for information shall be by a data communications network used exclusively by criminal justice agencies or the department or in writing and information applied for shall be used solely in the due administration of the criminal laws or for the purposes enumerated in RCW 43.43.766(3).))~~

The section may refuse to furnish any information pertaining to the identification or history of any person or persons of whom it has a record, or other information in its files and records, to any applicant if the chief determines that the applicant has previously misused information furnished to such applicant by the section or the chief believes that the applicant will not use the information requested solely for the purpose of due administration of the criminal laws or for the purposes enumerated in RCW 43.43.760(3). The applicant may appeal such determination and denial of information to the advisory council created in RCW 43.43.785 and the council may direct that the section furnish such information to the applicant.

All information contained in the files of the section relative to criminal records and personal histories of persons arrested for the commission of a crime shall be available to all criminal justice agencies and, for the sole purpose of investigating the cause of fires under RCW 48.48.060(2) where the cause is suspected to be arson, to the director of community development, through the director of fire protection, upon the filing of an application as provided in RCW 43.43.705.

(5) The court having jurisdiction over the dependency action may obtain and record, in addition to fingerprints, the photographs, palmprints, soleprints, toeprints, or any other identification data of all persons who are the subject of dependency record information, when in the discretion of the court it is necessary for proper identification of the person.

Sec. 13. Section 9, chapter 152, Laws of 1972 ex. sess. as amended by section 14, chapter 201, Laws of 1985 and RCW 43.43.740 are each amended to read as follows:

ESSB 5081

Prime Sponsor, Committee on Parks & Ecology: Reestablishing the winter recreation commission. Reported by Committee on Trade & Economic Development

MAJORITY recommendation: Do pass with the following amendments:

Strike everything after the enacting clause and insert the following:

***NEW SECTION, Sec. 1.** The legislature recognizes that:

(1) Interest in outdoor recreation has been steadily increasing, and that the facilities that now exist are inadequate to meet the growing demands of the people of Washington and the out-of-state tourist trade;

(2) The state is becoming a popular winter recreation area and has not fully developed its winter tourism industry adequately to respond to the increasing demand, as has been successfully done in the mountain states, Idaho, and British Columbia;

(3) The state of Washington presently has a flourishing winter recreation industry which adds more than twenty-five thousand new skiers each year. Far greater potential exists for year-round resort development which should include an emphasis on all winter recreation activities. Expansion of the winter recreation industry will attract tourist trade from other states and countries and will have a substantial positive impact on both the state and national economies; and

(4) The economic well-being of the state will be improved upon the introduction of new industry to provide employment, income to the state, and revenue for government.

The legislature recognizes the need to identify areas appropriate for recreational development on state lands or on federal lands which can be exchanged for state lands under state and federal laws.

Therefore, the legislature hereby establishes the Washington state winter recreation commission which shall be composed as follows: Two members of the senate appointed by the president of the senate, including one member from each caucus; two members of the house of representatives appointed by the speaker of the house of representatives, including one member from each caucus; one representative to be appointed by the governor from each of the following state departments: The parks and recreation commission, department of trade and economic development, and department of natural resources; two representatives of industry appointed by the governor; two representatives of the environmental community appointed by the governor; one representative of cities appointed by the governor; and one representative of counties appointed by the governor. The commission shall choose one of its legislative members as chair.

Commission members and legislative staff shall be reimbursed for travel expenses under RCW 43.03.050 and 43.03.060. Members of the legislature serving on the commission shall be reimbursed for travel expenses under RCW 44.04.120.

NEW SECTION, Sec. 2. The Washington state winter recreation commission shall:

(1) Study and identify potential sites for new winter recreation development, with consideration of the availability and suitability of the land, local interests, environmental impact, and established roads and transportation access.

(2) Facilitate trades of land for existing or new winter recreation areas with the federal government, the United States Department of Agriculture, the United States Forest Service, the United States Bureau of Land Management, and other agencies which could be involved in exchanges of land.

(3) Recommend the supervisory management structure at the state level which would oversee the lease, maintenance, and development of lands for recreational projects.

(4) Utilize legislative staff assistance which shall be provided by the appropriate legislative committees and conduct such studies as are necessary for the performance of its duties. State agencies may assign to the commission such personnel as are necessary to assist the commission in the performance of its duties.

(5) Consult with federal and state agencies and representatives of science, industry, agriculture, labor, conservation organizations, state and local governments, concerned citizens, and other groups.

(6) Hold such public hearings as are necessary to insure early, meaningful, and continuous public input and involvement in the commission's work.

(7) Propose changes in state law and rules of state agencies, if considered necessary, to carry out the purpose of this chapter.

(8) Establish advisory committees to advise the commission in the performance of its duties. The membership of the advisory committees shall be balanced in terms of the points of view and interests represented. Members of the advisory committees shall serve without compensation of any sort.

(9) Submit a biennial report to the legislature beginning in 1989 on the progress of the commission.

NEW SECTION, Sec. 3. The commission created under section 1 of this act shall be considered a continuation of the prior commission, and members of the prior commission shall continue to be members of the new commission except that the legislative membership of the commission shall be subject to reappointment.

NEW SECTION, Sec. 4. The legislature recognizes that winter recreational activities are part of the folk tradition of the state of Washington. Winter recreational activities serve to turn the darkness of a northwest winter into the dawn of renewed vitality. As the winter snows dissolve

into the torrents of spring, the Columbia river is nourished. The Columbia river is the pride of the northwest and the unifying geographic element of the state. In order to celebrate the river which ties the winter recreation playground of snowcapped mountains and the Yakima, Snake, and the Klickitat rivers to the ocean so blue, the legislature declares that the official state folk song is 'Roll On Columbia, Roll On,' composed by Woody Guthrie.

NEW SECTION. Sec. 5. A new section is added to chapter 1.20 RCW to read as follows:

'Roll On Columbia, Roll On,' composed by Woody Guthrie, is hereby designated as the official folk song of the state of Washington.

NEW SECTION. Sec. 6. The following acts or parts of acts are each repealed:

(1) Section 1, chapter 27, Laws of 1982 1st ex. sess., section 68, chapter 466, Laws of 1985 and RCW 67.34.010;

(3) Section 3, chapter 27, Laws of 1982 1st ex. sess. and RCW 67.34.900; and

(4) Section 4, chapter 27, Laws of 1982 1st ex. sess. and RCW 67.34.905.

NEW SECTION. Sec. 7. Sections 1 and 2 of this act are each added to chapter 67.34 RCW.

NEW SECTION. Sec. 8. This act is necessary for the immediate preservation of the public peace, health, and safety, the support of the state government and its existing public institutions, and shall take effect immediately."

Signed by Representatives Vekich, Chair; Wineberry, Vice Chair; Braddock, Cantwell, Grant, Hargrove, Holm, Kremen, McMullen, Rasmussen, Schoon and B. Williams.

MINORITY recommendation: Do not pass. Signed by Representatives Amondson, Beck, Doty, Moyer and J. Williams.

'NEW SECTION. Sec. 1. The purpose of this act is to ensure that sex offenders and serious violent offenders continue to be supervised by department of corrections staff when released from total or partial confinement upon reaching their earned early release date. Community custody is designed to provide more effective offender management and to thereby assist in the protection of the public. Community custody is distinct and separate from community supervision.

((8)) (9) (a) 'Criminal history' means the list of a defendant's prior convictions, whether in this state, in federal court, or elsewhere. The history shall include, where known, for each conviction (i) whether the defendant has been placed on probation and the length and terms thereof; and (ii) whether the defendant has been incarcerated and the length of incarceration.

(b) 'Criminal history' includes a defendant's prior convictions in juvenile court if: (i) The conviction was for an offense which is a felony and is criminal history as defined in RCW 13.40.020(6)(a); (ii) the defendant was fifteen years of age or older at the time the offense was committed; and (iii) with respect to prior juvenile class B and C felonies, the defendant was less than twenty-three years of age at the time the offense for which he or she is being sentenced was committed.

((9)) (10) 'Department' means the department of corrections.

((10)) (11) 'Determinate sentence' means a sentence that states with exactitude the number of actual years, months, or days of total confinement, of partial confinement, of community supervision, the number of actual hours or days of community service work, or dollars or terms of a fine or restitution. The fact that an offender through 'earned early release' can reduce the actual period of confinement shall not affect the classification of the sentence as a determinate sentence.

((11)) (12) 'Drug offense' means any felony violation of chapter 69.50 RCW except possession of a controlled substance (RCW 69.50.401(d)) or forged prescription for a controlled substance (RCW 69.50.403).

((13)) (14) 'Felony traffic offense' means vehicular homicide (RCW 46.61.520), vehicular assault (RCW 46.61.522), or felony hit-and-run injury-accident (RCW 46.52.020(4)).

((14)) (15) 'Fines' means the requirement that the offender pay a specific sum of money over a specific period of time to the court.

((15)) (16) (a) 'First-time offender' means any person who is convicted of a felony not classified as a violent offense or a sex offense under this chapter, and except as provided in (b) of this subsection, who previously has never been convicted of a felony in this state, federal court, or another state, and who has never participated in a program of deferred prosecution for a felony offense.

(b) For purposes of (a) of this subsection, a juvenile adjudication for an offense committed before the age of fifteen years is not a previous felony conviction.

((16)) (17) 'Nonviolent offense' means an offense which is not a violent offense.

((17)) (18) 'Offender' means a person who has committed a felony established by state law and is eighteen years of age or older or is less than eighteen years of age but whose case has been transferred by the appropriate juvenile court to a criminal court pursuant to RCW 13.40.110. Throughout this chapter, the terms 'offender' and 'defendant' are used interchangeably.

((18)) (19) 'Partial confinement' means confinement for no more than one year in a facility or institution operated or utilized under contract by the state or any the state or any other unit of government, for a substantial portion of each day with the balance of the day spent in the community.

((19)) (20) 'Restitution' means the requirement that the offender pay a specific sum of money over a specific period of time to the court as payment of damages. The sum may include both public and private costs. The imposition of a restitution order does not preclude civil redress.

((20)) (21) 'Serious traffic offense' means driving while intoxicated (RCW 46.61.502), actual physical control while intoxicated (RCW 46.61.504), reckless driving (RCW 46.61.500), or hit-and-run an attended vehicle (RCW 46.52.020(5)).

((21)) (22) 'Serious violent offense' is a subcategory of violent offense and means murder in the first degree, murder in the second degree, assault in the first degree, kidnapping in the first degree, or rape in the first degree, or an attempt, criminal solicitation, or criminal conspiracy to commit one of these felonies.

((22)) (23) 'Sentence range' means the sentencing court's discretionary range in imposing a nonappealable sentence.

((23)) (24) 'Sex offense' means a felony that is a violation of chapter 9A.44 RCW or RCW 9A.64.020 or 9.68A.090 or that is, under chapter 9A.28 RCW, a criminal attempt, criminal solicitation, or criminal conspiracy to commit such crimes.

((24)) (25) 'Total confinement' means confinement inside the physical boundaries of a facility or institution operated or utilized under contract by the state or any other unit of government for twenty-four hours a day, or pursuant to RCW 72.64.050 and 72.64.060.

((26)) (27) 'Violent offense' means:

(a) Any of the following felonies, as now existing or hereafter amended: Any felony defined under any law as a class A felony or an attempt to commit a class A felony, criminal solicitation of or criminal conspiracy to commit a class A felony, manslaughter in the first degree, manslaughter in the second degree, indecent liberties if committed by forcible compulsion, rape in the second degree, kidnapping in the second degree, arson in the second degree, assault in the second degree, extortion in the first degree, robbery in the second degree, vehicular homicide, and vehicular assault;

(c) Any federal or out-of-state conviction for an offense that under the laws of this state would be a felony classified as a violent offense under subsection ((26)) (27) (a) or (b) of this section.

Sec. 3. Section 12, chapter 137, Laws of 1981 as last amended by section 20, chapter 257, Laws of 1986 and by section 4, chapter 301, Laws of 1986 and RCW 9.94A.120 are each reenacted and amended to read as follows:

When a person is convicted of a felony, the court shall impose punishment as provided in this section.

(1) Except as authorized in subsections (2), (5), and (7) of this section, the court shall impose a sentence within the sentence range for the offense.

(2) The court may impose a sentence outside the standard sentence range for that offense if it finds, considering the purpose of this chapter, that there are substantial and compelling reasons justifying an exceptional sentence.

(3) Whenever a sentence outside the standard range is imposed, the court shall set forth the reasons for its decision in written findings of fact and conclusions of law. A sentence outside the standard range shall be a determinate sentence.

(4) An offender convicted of the crime of murder in the first degree shall be sentenced to a term of total confinement not less than twenty years. An offender convicted of the crime of assault in the first degree where the offender used force or means likely to result in death or intended to kill the victim shall be sentenced to a term of total confinement not less than five years. An offender convicted of the crime of rape in the first degree shall be sentenced to a term of total confinement not less than three years, and shall not be eligible for furlough, work release or other authorized leave of absence from the correctional facility during such minimum three year term except for the purpose of commitment to an inpatient treatment facility. The foregoing minimum terms of total confinement are mandatory and shall not be varied or modified as provided in subsection (2) of this section.

(5) In sentencing a first-time offender the court may waive the imposition of a sentence within the sentence range and impose a sentence which may include up to ninety days of confinement in a facility operated or utilized under contract by the county and a requirement that the offender refrain from committing new offenses. The sentence may also include up to two years of community supervision, which, in addition to crime-related prohibitions, may include requirements that the offender perform any one or more of the following:

(a) Devote time to a specific employment or occupation;

(b) Undergo available outpatient treatment for up to two years, or inpatient treatment not to exceed the standard range of confinement for that offense;

(c) Pursue a prescribed, secular course of study or vocational training;

(d) Remain within prescribed geographical boundaries and notify the court or the community corrections officer of any change in the offender's address or employment;

(e) Report as directed to the court and a community corrections officer; or

(f) Pay a fine and/or accomplish some community service work.

(6) If a sentence range has not been established for the defendant's crime, the court shall impose a determinate sentence which may include not more than one year of confinement, community service work, a term of community supervision not to exceed one year, and/or a fine. The court may impose a sentence which provides more than one year of confinement if the court finds, considering the purpose of this chapter, that there are substantial and compelling reasons justifying an exceptional sentence.

(7) (a) When an offender is convicted of a sex offense other than a violation of RCW 9A.44.040 or RCW 9A.44.050 and has no prior convictions for a sex offense or any other felony sexual offenses in this or any other state, the sentencing court, on its own motion or the motion of the state or the defendant, may order an examination to determine whether the defendant is amenable to treatment.

After receipt of the reports, the court shall then determine whether the offender and the community will benefit from use of this special sexual offender sentencing alternative. If the court determines that both the offender and the community will benefit from use of this provision, the court shall then impose a sentence within the sentence range and, if this sentence is less than six years of confinement, the court may suspend the execution of the sentence and place the offender on community supervision for up to two years. As a condition of the suspended sentence, the court may impose other sentence conditions including up to six months of confinement, not to exceed the sentence range of confinement for that offense, crime-related prohibitions, and requirements that the offender perform any one or more of the following:

- (i) Devote time to a specific employment or occupation;
- (ii) Undergo available outpatient sex offender treatment for up to two years, or inpatient sex offender treatment not to exceed the standard range of confinement for that offense. A community mental health center may not be used for such treatment unless it has an appropriate program designed for sex offender treatment;
- (iii) Remain within prescribed geographical boundaries and notify the court or the community corrections officer of any change in the offender's address or employment;
- (iv) Report as directed to the court and a community corrections officer;
- (v) Pay a fine, accomplish some community service work, or any combination thereof; or
- (vi) Make recoupment to the victim for the cost of any counseling required as a result of the offender's crime.

If the offender violates these sentence conditions the court may revoke the suspension and order execution of the sentence. All confinement time served during the period of community supervision shall be credited to the offender if the suspended sentence is revoked.

(b) When an offender ~~((is convicted of))~~ commits any felony sexual offense and is sentenced on or after July 1, 1987, and is sentenced to a term of confinement of more than one year but less than six years, the sentencing court may, on its own motion or on the motion of the offender or the state, request the department of corrections to evaluate whether the offender is amenable to treatment and the department may place the offender in a treatment program within a correctional facility operated by the department.

If the offender completes the treatment program before the expiration of his term of confinement, the department of corrections may request the court to convert the balance of confinement to community ~~((supervision and to place conditions on the offender including crime-related prohibitions and requirements that the offender perform any one or more of the following:~~

- ~~(i) Devote time to a specific employment or occupation;~~
- ~~(ii) Remain within prescribed geographical boundaries and notify the court or the community corrections officer of any change in the offender's address or employment;~~
- ~~(iii) Report as directed to the court and a community corrections officer;~~
- ~~(iv) Undergo available outpatient treatment))~~ custody with the same conditions as placed on the offender by the court at the original imposition of sentence pursuant to subsection (8)(a) of this section.

If the offender violates any of the terms of his community ~~((supervision))~~ custody, the court may order the offender to serve out the balance of his ~~((community supervision))~~ term in confinement in the custody of the department of corrections.

Nothing in (b) of this subsection shall confer eligibility for such programs for offenders convicted and sentenced for a sexual offense committed prior to July 1, 1987.

After June 30, 1993, (b) of this subsection shall cease to have effect.

~~(((c) Whenever a court sentences a person convicted of a sex offense committed after July 1, 1986, to a term of confinement of more than one year, including a sentence under (b) of this subsection, the court may also order, in addition to the other terms of the sentence, that the offender, upon release from confinement, serve up to two years of community supervision. The conditions of supervision shall be limited to:~~

- ~~(i) Crime-related provisions;~~
- ~~(ii) A requirement that the offender report to a community corrections officer at regular intervals; and~~
- ~~(iii) A requirement to remain within or without stated geographical boundaries.~~

~~The length and conditions of supervision shall be set by the court at the time of sentencing. However, within thirty days prior to release from confinement and throughout the period of supervision, the length and conditions of supervision may be modified by the sentencing court, upon motion of the department of corrections, the offender, or the prosecuting attorney. The period of supervision shall be tolled during any time the offender is in confinement for any reason. In no case may the period of supervision, in combination with the other terms of the offender's sentence, exceed the statutory maximum term for the offender's crime, as set forth in RCW 9A.20.021.~~

~~If the offender violates any condition of supervision, the sentencing court, after a hearing conducted in the same manner as provided for in RCW 9.94A.200, may order the offender to be confined for up to sixty days in the county jail at state expense from funds provided for this purpose to the department of corrections. Reimbursement rates for such purposes shall be~~

established based on a formula determined by the office of financial management and re-established each even-numbered year. An offender may be held in jail at state expense pending the hearing, and any time served while awaiting the hearing shall be credited against confinement imposed for a violation. Even after the period of supervision has expired, an offender may be confined for a violation occurring during the period of supervision. The court shall retain jurisdiction for the purpose of holding the violation hearing and imposing a sanction:))

(8)(a) When a court sentences a person to a term of total confinement to the custody of the department of corrections for a sex offense or a serious violent offense committed on or after July 1, 1987, the court shall order that the offender shall be transferred from confinement to community custody when the offender is eligible for community custody status in lieu of earned early release time pursuant to RCW 9.94A.150(1), as computed by the department of corrections. An offender shall be released from community custody after serving the total sentence imposed by the court or one year, whichever is less.

(b) When a court sentences a person to a term of total confinement to the custody of the department of corrections for a sex offense or serious violent offense committed on or after July 1, 1987, unless a condition is waived by the court, the sentence shall include, in addition to the other terms of the sentence, the following conditions regarding the community custody program of the department of corrections:

(i) The offender shall report to and be available for contact with the assigned community corrections officer as directed;

(ii) The offender shall work at department of corrections-approved education, employment, and/or community service;

(iii) The offender shall not consume or possess controlled substances; and

(iv) The offender shall pay community custody fees as determined by the department of corrections.

(c) The court may also order any of the following special community custody conditions:

(i) The offender shall remain within, or outside of, a specified geographical boundary;

(ii) The offender shall not have direct or indirect contact with the victim of the crime;

(iii) The offender shall not consume alcohol;

(iv) The residence location and living arrangements of a sex offender shall be subject to the prior approval of the department of corrections; or

(v) The offender shall comply with any crime-related prohibitions.

(d) The offender shall submit to a search and seizure of the offender's person, residence, automobile, or other personal property.

(9) If the court imposes a sentence requiring confinement of thirty days or less, the court may, in its discretion, specify that the sentence be served on consecutive or intermittent days. A sentence requiring more than thirty days of confinement shall be served on consecutive days. Local jail administrators may schedule court-ordered intermittent sentences as space permits.

((9)) (10) If a sentence imposed includes a fine or restitution, the sentence shall specify a reasonable manner and time in which the fine or restitution shall be paid. In any sentence under this chapter the court may also require the offender to make such monetary payments, on such terms as it deems appropriate under the circumstances, as are necessary (a) to pay court costs, including reimbursement of the state for costs of extradition if return to this state by extradition was required, (b) to make recoupment of the cost of defense attorney's fees if counsel is provided at public expense, (c) to contribute to a county or interlocal drug fund, and (d) to make such other payments as provided by law. All monetary payments shall be ordered paid by no later than ten years after the date of the judgment of conviction.

((10)) (11) Except as provided under RCW 9.94A.140(1), a court may not impose a sentence providing for a term of confinement or community supervision which exceeds the statutory maximum for the crime as provided in chapter 9A.20 RCW.

((11)) (12) All offenders sentenced to terms involving community supervision, community service, restitution, or fines shall be under the supervision of the secretary of the department of corrections or such person as the secretary may designate and shall follow implicitly the instructions of the secretary including reporting as directed to a community corrections officer, remaining within prescribed geographical boundaries, and notifying the community corrections officer of any change in the offender's address or employment.

((12)) (13) The sentencing court shall give the offender credit for all confinement time served before the sentencing if that confinement was solely in regard to the offense for which the offender is being sentenced.

((13)) (14) A departure from the standards in RCW 9.94A.400(1) and (2) governing whether sentences are to be served consecutively or concurrently is an exceptional sentence subject to the limitations in subsections (2) and (3) of this section, and may be appealed by the defendant or the state as set forth in RCW 9.94A.210(2) through (6).

((14)) (15) The court shall order restitution whenever the offender is convicted of a felony that results in injury to any person or damage to or loss of property, whether the offender is

sentenced to confinement or placed under community supervision, unless extraordinary circumstances exist that make restitution inappropriate in the court's judgment. The court shall set forth the extraordinary circumstances in the record if it does not order restitution.

Sec. 4. Section 15, chapter 137, Laws of 1981 as last amended by section 8, chapter 209, Laws of 1984 and RCW 9.94A.150 are each amended to read as follows:

No person serving a sentence imposed pursuant to this chapter shall leave the confines of the correctional facility or be released prior to the expiration of the sentence except as follows:

(1) Except for sex offenders and serious violent offenders, the terms of the sentence may be reduced by earned early release time in accordance with procedures developed and promulgated by the department. The earned early release time shall be for good behavior and good performance, as determined by the department. In no case shall the aggregate earned early release time exceed one-third of the sentence. Sex offenders and serious violent offenders may become eligible for community custody in lieu of earned early release time in accordance with the program developed and promulgated by the department;

(2) When a sex offender or serious violent offender is eligible for transfer to community custody status in lieu of earned early release time pursuant to RCW 9.94A.150(1), as computed by the department of corrections, the offender shall be transferred from confinement to community custody. A person so transferred shall continue to be considered an inmate for all purposes.

(3) An offender may leave a correctional facility pursuant to an authorized furlough or leave of absence. In addition, offenders may leave a correctional facility when in the custody of a corrections officer or officers:

((3)) (4) The governor, upon recommendation from the clemency and pardons board, may grant an extraordinary release for reasons of serious health problems, senility, advanced age, extraordinary meritorious acts, or other extraordinary circumstances;

((4)) (5) If the sentence of confinement is in excess of twelve months but not in excess of three years, no more than the final three months of the sentence may be served in partial confinement designed to aid the offender in finding work and reestablishing him or herself in the community. If the sentence of confinement is in excess of three years, no more than the final six months of the sentence may be served in such partial confinement;

((5)) (6) The governor may pardon any offender;

((6)) (7) The department of corrections may release an offender from confinement any time within ten days before a release date calculated under this section; and

((7)) (8) An offender may leave a correctional facility prior to completion of his sentence if the sentence has been reduced as provided in RCW 9.94A.160.

NEW SECTION. Sec. 5. A new section is added to chapter 9.94A RCW to read as follows:

If an offender violates any condition or requirement of community custody, the department may impose sanctions. If an offender is accused of violating any condition or requirement of community custody, he or she is entitled to a hearing before sanctions may be imposed. The department shall promulgate rules governing such hearing procedures and sanctions. Detention of an offender pursuant to section 6 of this act shall not be considered a sanction.

NEW SECTION. Sec. 6. A new section is added to chapter 9.94A RCW to read as follows:

(1) The secretary may issue warrants for the arrest of any offender who violates a condition of community custody. The arrest warrants shall authorize any law enforcement or peace officer or community corrections officer of this state or any other state where such offender may be located, to arrest the offender and place him or her in total confinement pending return to confinement in a state correctional institution. The department shall compensate the local jurisdiction at the office of financial management's adjudicated rate, in accordance with RCW 70.48.440. A community corrections officer, if he or she has reasonable cause to believe an offender in community custody has violated a condition of community custody, may suspend the person's community custody status and arrest or cause the arrest and detention in total confinement of the offender in a state facility, pending the determination of the secretary as to whether the violation has occurred. The community corrections officer shall report to the secretary all facts and circumstances and the reasons for the action of suspending community custody status.

(2) Inmates, as defined in RCW 72.09.020, who have been transferred to community custody and who are detained in a local correctional facility are the financial responsibility of the department of corrections. The community custody inmate shall be removed from the local correctional facility not later than eight days, excluding weekends and holidays, following admittance to the local correctional facility and notification that the inmate is available for movement to a state correctional institution. However, if good cause is shown, the department may negotiate with local correctional authorities for an additional period of detention.

NEW SECTION. Sec. 7. A new section is added to chapter 72.09 RCW to read as follows:

An offender in community custody who willfully fails to report to the assigned community corrections officer at the time specified by the department of corrections shall be deemed an escapee and fugitive from justice, and upon conviction shall be guilty of a class C felony under chapter 9A.20 RCW.

NEW SECTION. Sec. 8. A new section is added to chapter 72.09 RCW to read as follows:

Community corrections officers and volunteers who assist community corrections officers in the community custody program are not liable for civil damages resulting from any act or omission in the rendering of community custody monitoring activities, other than acts or omissions constituting gross negligence or willful or wanton misconduct. For purposes of this section, 'volunteers' is defined according to RCW 51.12.035.

Sec. 9. Section 7, chapter 136, Laws of 1981 and RCW 72.09.020 are each amended to read as follows:

For purposes of this chapter, 'inmate' means any person committed to the custody of the department, including but not limited to persons residing in a correctional institution or facility and persons released on furlough ((or)), work release, or community custody.

Sec. 10. Section 17, chapter 137, Laws of 1981 and RCW 9.94A.170 are each amended to read as follows:

(1) A term of confinement ordered in a sentence pursuant to this chapter shall be tolled by any period of time during which the offender has absented him or herself from supervision without the prior approval of the entity in whose custody the offender has been placed.

(2) The period of community custody shall be tolled during any period of time the offender is in confinement for any reason. However, if an offender is detained pursuant to section 6 of this act and is later found not to have violated a condition or requirement of community custody, time spent in total confinement due to such detention shall not toll the period of community custody. The period of community custody shall be tolled by any period of time during which the offender has absented himself or herself from monitoring without prior approval of the entity under whose supervision the offender has been placed. For the period of a sentence during which an offender is placed in community custody, the date for the tolling of the sentence shall be established by the department of corrections.

SSB 5142 Prime Sponsor, Committee on Judiciary: Providing protection from unlawful harassment. Reported by Committee on Judiciary

MAJORITY recommendation: Do pass with the following amendments:

Strike everything after the enacting clause and insert the following:

NEW SECTION. Sec. 1. The legislature finds that serious, personal harassment through repeated invasions of a person's privacy by acts and words showing a pattern of harassment designed to coerce, intimidate, or humiliate the victim is increasing. The legislature further finds that the prevention of such harassment is an important governmental objective. This chapter is intended to provide victims with a speedy and inexpensive method of obtaining civil antiharassment protection orders preventing all further unwanted contact between the victim and the perpetrator.

NEW SECTION. Sec. 2. Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

(1) 'Unlawful harassment' means a knowing and wilful course of conduct directed at a specific person which seriously alarms, annoys, or harasses such person, and which serves no legitimate or lawful purpose. The course of conduct shall be such as would cause a reasonable

person to suffer substantial emotional distress, and shall actually cause substantial emotional distress to the petitioner.

(2) 'Course of conduct' means a pattern of conduct composed of a series of acts over a period of time, however short, evidencing a continuity of purpose. Constitutionally protected activity is not included within the meaning of 'course of conduct.'

NEW SECTION. Sec. 3. In determining whether the course of conduct serves any legitimate or lawful purpose, the court should consider whether:

(1) Any current contact between the parties was initiated by the respondent only or was initiated by both parties;

(2) The respondent has been given clear notice that all further contact with the petitioner is unwanted;

(3) The respondent's course of conduct appears designed to alarm, annoy, or harass the petitioner;

(4) The respondent is acting pursuant to any statutory authority, including but not limited to acts which are reasonably necessary to:

(a) Protect property or liberty interests;

(b) Enforce the law; or

(c) Meet specific statutory duties or requirements;

(5) The respondent's course of conduct has the purpose or effect of unreasonably interfering with the petitioner's privacy or the purpose or effect of creating an intimidating, hostile, or offensive living environment for the petitioner;

(6) Contact by the respondent with the petitioner or the petitioner's family has been limited in any manner by any previous court order.

NEW SECTION. Sec. 4. There shall exist an action known as a petition for an order for protection in cases of unlawful harassment.

(1) A petition for relief shall allege the existence of harassment and shall be accompanied by an affidavit made under oath stating the specific facts and circumstances from which relief is sought.

(2) A petition for relief may be made regardless of whether or not there is a pending lawsuit, complaint, petition, or other action between the parties.

(3) All court clerks' offices shall make available simplified forms and instructional brochures. Any assistance or information provided by clerks under this section does not constitute the practice of law and clerks are not responsible for incorrect information contained in a petition.

(4) No filing fee may be charged for a petition filed in an existing action or under an existing cause number brought under this chapter in the jurisdiction where the relief is sought. Forms and instructional brochures shall be provided free of charge.

(5) A person is not required to post a bond to obtain relief in any proceeding under this section.

NEW SECTION. Sec. 5. The administrator for the courts shall develop and prepare, in consultation with interested persons, model forms and instructional brochures required under section 4(3) of this act.

NEW SECTION. Sec. 6. Persons seeking relief under this chapter may file an application for leave to proceed in forma pauperis on forms supplied by the court. If the court determines that a petitioner lacks the funds to pay the costs of filing, the petitioner shall be granted leave to proceed in forma pauperis and no filing fee or any other court related fees shall be charged by the court to the petitioner for relief sought under this chapter. If the petitioner is granted leave to proceed in forma pauperis, then no fees for service may be charged to the petitioner.

NEW SECTION. Sec. 7. Upon receipt of the petition, the court shall order a hearing which shall be held not later than fourteen days from the date of the order. Personal service shall be made upon the respondent not less than five court days before the hearing. If timely service cannot be made, the court may set a new hearing date.

NEW SECTION. Sec. 8. (1) Upon filing a petition for a civil antiharassment protection order under this chapter, the petitioner may obtain an ex parte temporary antiharassment protection order. An ex parte temporary antiharassment protection order may be granted with or without notice upon the filing of an affidavit which, to the satisfaction of the court, shows reasonable proof of unlawful harassment of the petitioner by the respondent and that great or irreparable harm will result to the petitioner if the temporary antiharassment protection order is not granted.

(2) An ex parte temporary antiharassment protection order shall be effective for a fixed period not to exceed fourteen days, but may be reissued. A full hearing, as provided in this chapter, shall be set for not later than fourteen days from the issuance of the temporary order. The respondent shall be personally served with a copy of the ex parte order along with a copy of the petition and notice of the date set for the hearing.

(3) At the hearing, if the court finds by a preponderance of the evidence that unlawful harassment exists, a civil antiharassment protection order shall issue prohibiting such unlawful harassment. An order issued under this chapter shall be effective for not more than one year.

At any time within the three months before the expiration of the order, the petitioner may apply for a renewal of the order by filing a new petition under this chapter.

(4) The court, in granting an ex parte temporary antiharassment protection order or a civil antiharassment protection order, shall have broad discretion to grant such relief as the court deems proper, including an order:

(a) Restraining the respondent from making any attempts to contact the petitioner;

(b) Restraining the respondent from making any attempts to keep the petitioner under surveillance; and

(c) Requiring the respondent to stay a stated distance from the petitioner's residence and workplace.

(5) A petitioner may not obtain an ex parte temporary antiharassment protection order against a respondent if the petitioner has previously obtained two such ex parte orders against the same respondent but has failed to obtain the issuance of a civil antiharassment protection order unless good cause for such failure can be shown.

NEW SECTION. Sec. 9. Nothing in this chapter shall preclude either party from representation by private counsel or from appearing on his or her own behalf.

NEW SECTION. Sec. 10. (1) An order issued under this chapter shall be personally served upon the respondent, except as provided in subsection (5) of this section.

(2) The sheriff of the county or the peace officers of the municipality in which the respondent resides shall serve the respondent personally unless the petitioner elects to have the respondent served by a private party.

(3) If the sheriff or municipal peace officer cannot complete service upon the respondent within ten days, the sheriff or municipal peace officer shall notify the petitioner.

(4) Returns of service under this chapter shall be made in accordance with the applicable court rules.

(5) If an order entered by the court recites that the respondent appeared in person before the court, the necessity for further service is waived and proof of service of that order is not necessary.

(6) Except in cases where the petitioner is granted leave to proceed in forma pauperis, municipal police departments serving documents as required under this chapter may collect the same fees for service and mileage authorized by RCW 36.18.040 to be collected by sheriffs.

NEW SECTION. Sec. 11. A copy of an antiharassment protection order granted under this chapter shall be forwarded by the clerk of the court on or before the next judicial day to the appropriate law enforcement agency specified in the order.

Upon receipt of the order, the law enforcement agency shall forthwith enter the order for one year into any computer-based criminal intelligence information system available in this state used by law enforcement agencies to list outstanding warrants. Entry into the law enforcement information system constitutes notice to all law enforcement agencies of the existence of the order. The order is fully enforceable in any county in the state.

NEW SECTION. Sec. 12. Any wilful disobedience by the respondent of any temporary antiharassment protection order or civil antiharassment protection order issued under this chapter shall subject the respondent to criminal penalties under this chapter. Any respondent who wilfully disobeys the terms of any order issued under this chapter may also, in the court's discretion, be found in contempt of court and subject to penalties under chapter 7.20 RCW.

NEW SECTION. Sec. 13. Protection orders authorized under this chapter shall not be issued for any action specifically covered by chapter 10.99 or 26.50 RCW.

NEW SECTION. Sec. 14. Nothing in this chapter shall preclude a petitioner's right to utilize other existing civil remedies.

NEW SECTION. Sec. 15. The superior courts shall have jurisdiction and cognizance of any civil actions and proceedings brought under this chapter. The municipal and district courts shall have jurisdiction and cognizance of any criminal actions brought under sections 12 and 17 of this act.

NEW SECTION. Sec. 16. For the purposes of this chapter an action may be brought in:

(1) Any county in which the alleged acts of unlawful harassment occurred;

(2) Any county where any respondent resides at the time the petition is filed; or

(3) Any county where a respondent may be served if it is the same county where a respondent resides.

NEW SECTION. Sec. 17. Any respondent who wilfully disobeys any civil antiharassment protection order issued pursuant to this chapter shall be guilty of a gross misdemeanor.

NEW SECTION. Sec. 18. Upon application with notice to all parties and after a hearing, the court may modify the terms of an existing order under this chapter. In any situation where an order is terminated or modified before its expiration date, the clerk of the court shall forward on or before the next judicial day a true copy of the modified order or the termination order to the appropriate law enforcement agency specified in the modified order or termination order. Upon receipt of the order, the law enforcement agency shall promptly enter it in the law enforcement information system.

NEW SECTION. Sec. 19. Nothing in this chapter shall be construed to infringe upon any constitutionally protected rights including, but not limited to, freedom of speech and freedom of assembly.

Bodily injury means physical pain, illness, or an impairment of physical condition. When the officer has probable cause to believe that spouses, former spouses, or other persons who reside together or formerly resided together have assaulted each other, the officer is not required to arrest both persons. The officer shall arrest the person whom the officer believes to be the primary physical aggressor. In making this determination, the officer shall make every reasonable effort to consider: (i) The intent to protect victims of domestic violence under RCW 10.99.010; (ii) the comparative extent of injuries inflicted or serious threats creating fear of physical injury; and (iii) the history of domestic violence between the persons involved.

(3) Any police officer having probable cause to believe that a person has committed or is committing a violation of any of the following traffic laws shall have the authority to arrest the person:

(5) Any police officer having probable cause to believe that a person has committed or is committing a violation of RCW 88.02.095 shall have the authority to arrest the person.

(6) A police officer may arrest and take into custody, pending release on bail, personal recognizance, or court order, a person without a warrant when the officer has probable cause to believe that an order has been issued of which the person has knowledge under chapter 10.— RCW (sections 1 through 19 of this 1987 act) and the person has violated the terms of that order.

(7) Except as specifically provided in subsections (2), (3), and (4) of this section, nothing in this section extends or otherwise affects the powers of arrest prescribed in Title 46 RCW.

~~((7))~~ (8) No police officer may be held criminally or civilly liable for making an arrest pursuant to RCW 10.31.100(2) or (6) if the police officer acts in good faith and without malice.

Strike everything after the enacting clause and insert the following:

"Sec. 1. Section 2, chapter 53, Laws of 1981 and RCW 18.50.005 are each amended to read as follows:

Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter:

(1) 'Department' means the department of licensing.

(2) 'Director' means the director of licensing.

(3) 'Midwife' means a midwife licensed under this chapter.

(4) 'Physician' means a physician licensed under chapter 18.57 or 18.71 RCW.

Sec. 2. Section 8, chapter 160, Laws of 1917 as amended by section 5, chapter 53, Laws of 1981 and RCW 18.50.010 are each amended to read as follows:

Any person shall be regarded as practicing midwifery within the meaning of this chapter who shall render medical aid for a fee or compensation to a woman during prenatal, intrapartum, and postpartum stages or who shall advertise as a midwife by signs, printed cards, or otherwise. Nothing shall be construed in this chapter to prohibit gratuitous services. It shall be the duty of a midwife to consult with a (~~legally qualified~~) physician whenever there are significant deviations from normal in either the mother or the infant.

A study shall be conducted by the department of licensing in consultation with the department of social and health services and the midwifery advisory committee to determine maternal and neonatal outcome data by type of practitioner, including an analysis of births attended by nonlicensed practitioners. The study shall also determine the role of nonlicensed practitioners in the provision of maternity services in the state of Washington. The results of the study shall be reported to the legislature in January, 1989.

Sec. 3. Section 2, chapter 160, Laws of 1917 as last amended by section 24, chapter 299, Laws of 1986 and RCW 18.50.040 are each amended to read as follows:

(1) Any person seeking to be examined shall present to the director, at least forty-five days before the commencement of the examination, a written application on a form or forms provided by the director setting forth under affidavit such information as the director may require and proof the candidate has received a high school degree or its equivalent; that the candidate is twenty-one years of age or older; that the candidate has received a certificate or diploma from a midwifery program accredited by the director and licensed under chapter 28C.10 RCW, when applicable, or a certificate or diploma in a foreign institution on midwifery of equal requirements conferring the full right to practice midwifery in the country in which it was issued. (2) The candidate shall meet the following conditions:

(a) Obtaining a minimum period of midwifery training for at least three years including the study of the basic nursing skills that the department shall prescribe by rule. However, if the applicant is a registered nurse under chapter 18.88 RCW, a licensed practical nurse under chapter 18.78 RCW, or has had previous nursing education or practical midwifery experience, the required period of training may be reduced depending upon the extent of the candidate's qualifications as determined under rules adopted by the department. In no case shall the training be reduced to a period of less than two years.

(b) Meeting minimum educational requirements which shall include studying obstetrics; neonatal pediatrics; basic sciences; female reproductive anatomy and physiology; behavioral sciences; childbirth education; community care; obstetrical pharmacology; epidemiology; gynecology; family planning; genetics; embryology; neonatology; the medical and legal aspects of midwifery; nutrition during pregnancy and lactation; breast feeding; nursing skills, including but not limited to injections, administering intravenous fluids, catheterization, and aseptic technique; and such other requirements prescribed by rule.

(c) For a student midwife during training, undertaking the care of not less than fifty women in each of the prenatal, intrapartum, and early postpartum periods, but the same women need not be seen through all three periods. A student midwife may be issued a permit upon the satisfactory completion of the requirements in (a), (b), and (c) of this subsection and the satisfactory completion of the licensure examination required by RCW 18.50.060. The permit permits the student midwife to practice under the supervision of a midwife licensed under this chapter, a physician (~~(licensed under chapter 18.57 or 18.71 RCW);~~) or a certified nurse-midwife licensed under the authority of chapter 18.88 RCW. The training required under this section shall include training in either hospitals or alternative birth settings or both with particular emphasis on learning the ability to differentiate between low-risk and high-risk pregnancies.

A pharmacist who dispenses such drugs to a licensed midwife shall not be liable for any adverse reactions caused by any method of utilization by the midwife.))~~

The director, after consultation with representatives of the midwife advisory committee, the board of pharmacy, and the board of medical examiners, may issue regulations which authorize licensed midwives to purchase and use legend drugs and devices in addition to the drugs authorized in this chapter.

(b) Child abuse and neglect has tragic consequences for the child and clear social implications since studies reveal that individuals who were abused or neglected as children are eighty percent more likely to abuse or neglect their own children;

(c) School districts and public preschool programs are appropriate environments in which education and training relating to the prevention of child abuse and neglect can be provided to students, particularly at the preschool through early elementary grade levels, parents, and all school district employees;

(d) Primary child abuse and neglect prevention programs provided in school districts are an effective and cost-efficient method for reducing the incidence of child abuse and neglect, and for promoting positive family environments and relationships by making available to students, their parents, and school employees information and guidance about the social, physical, and educational developmental stages and behavior of children;

(e) Child abuse and neglect is a serious social problem which requires an appropriate and meaningful state-level response, including establishing the prevention of child abuse and neglect as a social priority of the state.

(2) It is the intent of the legislature to make available to children, including preschool age children, parents, school employees, and licensed day care providers the provision of child abuse and neglect primary prevention education and training.

NEW SECTION, Sec. 2. (1) A task force on education on the problems of child sexual abuse is created. The task force shall consist of not less than twelve members. The governor shall appoint the members of the task force choosing one person each representing: Child protective service workers, law enforcement officers, judges, health care providers, prosecutors, defense attorneys, counselors working with abusers, counselors working with abused children, school counselors, educators, citizens interested and involved in child sexual abuse prevention, and citizens interested and involved in supporting parents' rights. Members of the task force shall serve without compensation but shall be reimbursed for travel expenses as provided in RCW 43.03.050 and 43.03.060.

(2) The task force shall develop a course to educate child protective service workers, law enforcement officers, judges, health care providers, prosecutors, defense attorneys, counselors working with abusers, counselors working with abused children, school counselors, educators, citizens interested and involved in child sexual abuse prevention, and citizens interested and involved in supporting parents' rights about the profile of an offender who sexually abuses children and the short-term and long-term effects of sexual abuse on a child and the child's family. An outline of the prospective course shall be developed within six months after the effective date of this section. The course shall be completed by June 30, 1988.

(3) The task force shall develop a plan for the distribution of the course throughout the state and shall include in the plan methods to encourage the use of the course.

(4) This section shall expire June 30, 1988.

(5) If Substitute House Bill No. 813 is enacted by July 1, 1987, and creates a governor's commission on children, the task force on education on the problems of child sexual abuse established by this section shall not be established and the powers and duties of the task force shall be assumed by the governor's commission.

Prime Sponsor, Committee on Human Services & Corrections: Creating a department of public health and environment. Reported by Committee on Health Care

MAJORITY recommendation: Do pass with the following amendments:

Strike everything after the enacting clause and insert the following:

***NEW SECTION, Sec. 1.** The legislature finds and declares that the economic and social vitality of the state are dependent on a healthy and productive population. It further finds that preservation of health requires action by government to promote healthful ways of life, to prevent disease and injury, and to preserve the environment and reduce or eliminate risks and hazards to health. It recognizes that while the activities and policies of many state and local governmental agencies have an impact upon public health and the environment, there is a need for a single department of state government with primary responsibility for the preservation of the public health and the environment. The legislature further declares it to be the policy of this state, that it is a fundamental and inalienable right of the people of the state of Washington to live in a healthful and pleasant environment. The legislature further recognizes that as the population of our state grows, the need to provide for our increasing industrial, agricultural, residential, social, recreational, economic and other needs will place an increasing responsibility on all segments of our society to plan, coordinate, restore and regulate the utilization of our natural resources in a manner that will protect and conserve our clean air, our pure and abundant waters, and the natural beauty of the state.

NEW SECTION, Sec. 2. In recognition of the responsibility of state government to carry out the policies set forth in section 1 of this act, it is the purpose of this chapter to establish a single state agency with the authority to manage and develop our air and water resources in an orderly, efficient, and effective manner and to carry out a coordinated program of pollution control involving these and related land resources. It is the further purpose of this chapter to focus state policy and mobilize and coordinate state efforts to preserve and promote the health of the people of the state, and a safe and nurturing environment in which to live. The department shall provide leadership and coordination in identifying and resolving threats to the environment and public health by:

- (1) Developing intervention strategies;
- (2) Strengthening the state and local governmental partnership in providing public and environmental protection;
- (3) Providing expert advice to the executive and legislative branches of state government;
- (4) Providing active and fair enforcement of regulation;
- (5) Working with other federal, state, and local agencies and facilitating their involvement in planning and implementing health preservation measures; and
- (6) Carrying out such other actions as may be appropriate to this purpose.

To this end a department of public health and environment is created by this chapter to undertake, in an integrated manner, the various water regulation, management, planning and development programs now authorized to be performed by the department of water resources and the water pollution control commission, the air regulation and management program now performed by the state air pollution control board, the solid waste regulation and management program authorized to be performed by state government as provided by chapter 70.95 RCW, and such other environmental, management protection and development programs as may be authorized by the legislature.

NEW SECTION, Sec. 3. (1) The department of ecology and the director of ecology are hereby redesignated. All references to the department of ecology or the director of ecology in the Revised Code of Washington shall be construed to mean the department of public health and environment or the secretary of public health and environment, respectively.

(2) The powers and duties of the department of social and health services and the secretary of social and health service under the following statutes are hereby transferred to the department of public health and environment and the secretary of public health and environment: Chapters 16.70, 18.104, 69.30, 70.01, 70.05, 70.12, 70.22, 70.24, 70.30, 70.33, 70.54, 70.58, 70.82, 70.83, 70.90, 70.94, 70.95, 70.95A, 70.95B, 70.98, 70.104, 70.105, 70.105A, 70.107, 70.116, 70.119, 70.121, and 70.142 RCW. More specially, the following programs and services presently administered by the department of social and health services are hereby transferred to the department of public health and environment:

The health officer of each county, district, municipality and county-city department shall attend such conference during its entire session, and receive therefor his or her actual and necessary traveling expenses, to be paid by his or her county, district, and municipality or county-city department: PROVIDED, That no claim for such expenses may be allowed or paid unless it is accompanied by a certificate from the secretary of public health and environment attesting the attendance of the claimant.

SB 5380 Prime Sponsor, Senator Gaspard: Providing cost-of-living adjustment of retirement benefits. Reported by Committee on Ways & Means

MAJORITY recommendation: Do pass with the following amendments:

Strike everything after the enacting clause and insert the following:

"Sec. 1. Section 2, chapter 96, Laws of 1979 ex. sess. as amended by section 2, chapter 306, Laws of 1986 and RCW 41.32.485 are each amended to read as follows:

(1) Notwithstanding any provision of law to the contrary, effective July 1, ((1986)) 1987, as a cost-of-living adjustment, no beneficiary receiving a retirement allowance pursuant to this

chapter shall receive, as the pension portion of that retirement allowance, less than thirteen dollars and fifty cents per month for each year of service creditable to the person whose service is the basis of the pension. Portions of a year shall be treated as fractions of a year and the decimal equivalent shall be multiplied by thirteen dollars and fifty cents. Where the pension payable was adjusted at the time benefit payments to the beneficiary commenced, the minimum pension provided in this section shall be adjusted in a manner consistent with that adjustment.

(2) Notwithstanding any provision of law to the contrary, effective July 1, 1979, the retirement allowance of each beneficiary who either is receiving benefits pursuant to RCW 41.32.520 or 41.32.550 as of December 31, 1978, or commenced receiving a monthly retirement allowance under this chapter as of a date no later than July 1, 1974, shall be permanently increased by a post-retirement adjustment. This adjustment shall be in lieu of any adjustments provided under RCW 41.32.499(6) as of July 1, 1979, or July 1, 1980, for the affected beneficiaries. Such adjustment shall be calculated as follows:

(a) Retirement allowances to which this subsection and subsection (1) of this section are both applicable shall be determined by first applying subsection (1) and then applying this subsection. The department shall determine the total years of creditable service and the total dollar benefit base accrued as of December 31, 1978, except that this determination shall take into account only those beneficiaries to whom this subsection applies;

(b) The department shall multiply the total benefits determined in (a) of this subsection by six percent and divide the dollar value thus determined by the total service determined in (a) of this subsection. The resultant figure shall then be a post-retirement increase factor which shall be applied as specified in (c) of this subsection;

(c) Each beneficiary to whom this subsection applies shall receive an increase which is the product of the factor determined in (b) of this subsection multiplied by the years of creditable service.

(3) The provisions of subsections (1) and (2) of this section shall not be applicable to those receiving benefits pursuant to RCW 41.32.540 or 41.32.760 through 41.32.825.

Sec. 2. Section 1, chapter 96, Laws of 1979 ex. sess. as amended by section 3, chapter 306, Laws of 1986 and RCW 41.40.198 are each amended to read as follows:

(1) Notwithstanding any provision of law to the contrary, effective July 1, ~~((1986))~~ 1987, as a cost-of-living adjustment, no beneficiary receiving a retirement allowance pursuant to this chapter shall receive, as the pension portion of that retirement allowance, less than thirteen dollars and fifty cents per month for each year of service creditable to the person whose service is the basis of the pension. Portions of a year shall be treated as fractions of a year and the decimal equivalent shall be multiplied by thirteen dollars and fifty cents. Where the pension payable was adjusted at the time benefit payments to the beneficiary commenced, the minimum pension provided in this section shall be adjusted in a manner consistent with that adjustment.

(2) The provisions of subsection (1) of this section shall not be applicable to those receiving benefits pursuant to RCW 41.40.220(1), 41.44.170(5), or 41.40.610 through 41.40.740. For persons who served as elected officials and whose accumulated employee contributions and credited interest was less than seven hundred fifty dollars at the time of retirement, the minimum benefit under subsection (1) of this section shall be ten dollars per month for each year of creditable service.

NEW SECTION. Sec. 3. A new section is added to chapter 41.32 RCW to read as follows:

Beginning July 1, 1988, and every year thereafter, the department shall determine the following information for the minimum retirement allowance provided by RCW 41.32.485(1):

(1) The dollar amount of the minimum retirement allowance as of July 1, 1988;

(2) The index for the 1986 calendar year, to be known as 'index A';

(3) The index for the calendar year prior to the date of determination, to be known as 'index B'; and

(4) The ratio obtained when index B is divided by index A.

The value of the ratio obtained shall be the annual adjustment to the minimum retirement allowance and shall be applied beginning with the July payment. In no event, however, shall the annual adjustment:

(a) Produce a retirement allowance which is lower than the minimum retirement allowance as of July 1, 1987;

(b) Exceed three percent in the initial annual adjustment; or

(c) Differ from the previous year's annual adjustment by more than three percent.

For the purposes of this section, 'index' means, for any calendar year, that year's average consumer price index—Seattle, Washington area for urban wage earners and clerical workers, all items, compiled by the bureau of labor statistics, United States department of labor.

NEW SECTION. Sec. 4. A new section is added to chapter 41.40 RCW to read as follows:

(2) The index for the 1986 calendar year, to be known as 'index A';

(3) The index for the calendar year prior to the date of determination, to be known as 'index B'; and

(4) The ratio obtained when index B is divided by index A.

The value of the ratio obtained shall be the annual adjustment to the minimum retirement allowance and shall be applied beginning with the July payment. In no event, however, shall the annual adjustment:

(a) Produce a retirement allowance which is lower than the minimum retirement allowance as of July 1, 1987;

(b) Exceed three percent in the initial annual adjustment; or

(c) Differ from the previous year's annual adjustment by more than three percent.

Persons who served as elected officials and whose accumulated employee contributions and credited interest were less than seven hundred fifty dollars at the time of retirement shall not receive the benefit provided by this section.

For the purposes of this section, 'index' means, for any calendar year, that year's average consumer price index—Seattle, Washington area for urban wage earners and clerical workers, all items, compiled by the bureau of labor statistics, United States department of labor.

NEW SECTION. Sec. 5. The legislature reserves the right to amend or repeal sections 3 and 4 of this act in the future and no member or retiree has a contractual right to receive any cost-of-living adjustments not granted prior to that time.

NEW SECTION. Sec. 6. There is appropriated six million nine hundred thousand dollars, or so much thereof as may be necessary, from the general fund for the biennium ending June 30, 1989, for the purposes of paying the cost-of-living adjustments provided in this act. Of this amount, three million seven hundred thousand dollars shall be deposited in the teachers' retirement fund and three million two hundred thousand dollars shall be deposited in the public employees' retirement fund.

Upon receipt of such statement or accusation, the director shall make a preliminary investigation of the facts charged to determine whether the statement or accusation is sufficient. If the director shall determine the statement or accusation is sufficient to require formal action, the director shall thereupon set the matter for hearing at a specified time and place. In such event ~~((he))~~ the director shall enter an order to that effect and shall file the same in his or her office and immediately mail a copy thereof to the affected party at the address of record with the department. The legislature finds that minority and women-owned businesses are significantly under-represented and have been denied equitable competitive opportunities in contracting. It is the intent of this chapter to mitigate societal discrimination and other factors in participating in public works and in providing goods and services and to delineate a policy that an increased level of participation by minority and women-owned and controlled businesses is desirable at all levels of state government. The purpose and intent of this chapter are to provide the maximum practicable opportunity for increased participation by minority and women-owned and controlled businesses in participating in public works and the process by which goods and services are procured by state agencies and educational institutions from the private sector.

Sec. 2. Section 2, chapter 120, Laws of 1983 and RCW 39.19.020 are each amended to read as follows:

(4) 'Goals' means annual overall agency goals, expressed as a percentage of dollar volume, for participation by minority and women-owned and controlled businesses and shall not be construed as a minimum goal for any particular contract or for any particular geographical area. (5) 'Goods and/or services' includes professional services and all other goods and services.

(6) 'Office' means the office of minority and women's business enterprises.

(7) 'Person' includes one or more individuals, partnerships, associations, organizations, corporations, cooperatives, legal representatives, trustees and receivers, or any group of persons.

~~((The office, with the advice and counsel of the advisory committee on minority and women's business enterprises, shall))~~ The office shall consult with the minority and women's business enterprises advisory committee to:

(1) Develop, plan, and implement programs to provide an opportunity for participation by qualified minority and women-owned and controlled businesses in public works and the process by which goods and services are procured by state agencies and educational institutions from the private sector;

(2) Develop a comprehensive plan insuring that qualified minority and women-owned and controlled businesses are provided an opportunity to participate in public contracts for public works and goods and services;

Sec. 4. Section 7, chapter 120, Laws of 1983 and RCW 39.19.070 are each amended to read as follows:

The dollar value of the total contract used for the calculation of the specific contract goal may be increased or decreased to reflect executed change orders. An apparent low-bidder must be in compliance with the contract provisions required under this chapter as a condition precedent to the granting of a notice of award by any state agency or educational institution.

The office shall adopt, by rule, criteria for the imposition of penalties under this section. Willful repeated violations, exceeding a single violation, may disqualify the contractor from further participation in state contracts for a period of ((one year)) up to three years. ESSB 5639 Prime Sponsor, Committee on Commerce & Labor: Authorizing the acquisition, stabilization, and sale of landmark buildings by the department of community development. Reported by Committee on State Government

MAJORITY recommendation: Do pass with the following amendments:

Strike everything after the enacting clause and insert the following:

NEW SECTION. Sec. 1. The legislature finds and declares that the spirit and direction of Washington state are founded on the values, traditions, and accomplishments of past generations; and further, that the future of Washington's children will depend in part upon their ability to understand and appreciate the importance of their heritage. Landmark buildings are a source of pride and inspiration for the citizens of Washington and can serve as valuable working assets for Washington communities, yet these irreplaceable assets are easily lost or

destroyed. The legislature finds that the 1989 Centennial Celebration of Washington Statehood is an especially appropriate occasion for committing to the preservation of buildings important in Washington's history.

It is the purpose of this chapter to establish a permanent fund, known as the endangered landmarks preservation fund, to be used by the department to purchase and hold for brief periods landmark buildings which might otherwise be lost or altered, and to resell those buildings, with the proceeds of sale deposited in the fund, at prices which preserve or increase the overall balance and assets of the fund, and to authorize the director to take all necessary actions consistent with applicable law to identify, acquire, stabilize, and resell such buildings while maintaining or increasing the value of the fund. The legislature recognizes that it may from time to time be necessary to dispose of properties acquired under this chapter at prices which do not fully recover associated costs.

NEW SECTION. Sec. 2. Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter:

- (1) 'Department' means the department of community development.
- (2) 'Director' means the director of community development.
- (3) 'Fund' means the endangered landmarks preservation fund.
- (4) 'Landmark building' means a structure and the land on which it is located that is on a local, state, or national historic register, or that is eligible to be included on a local, state, or national historic register.
- (5) 'Property' means landmark buildings, including limited interests in such buildings, acquired and sold under this chapter.
- (6) 'Stabilization' means the minimum degree of rehabilitation necessary to protect a property from further deterioration.

NEW SECTION. Sec. 3. (1) Money appropriated for the purposes of this chapter shall be deposited in the endangered landmarks preservation fund hereby established in the state treasury. The department shall deposit in the fund any proceeds from the sale of property acquired with money from the fund or by gift or grant, and any other money designated by law for deposit therein. Interest accruing from money in the fund shall be retained by the fund. Money in the fund shall be used by the department for the purposes of this chapter. The department may use other funds available by law for such purposes to administer the fund. Proceeds from the sale of property acquired with money from the fund may be expended without appropriation to the extent that state-appropriated and matching funds were used in the original purchase of such property by the department. Any amounts representing profits on such sales shall be retained in the fund. Disbursements from the fund shall be on authorization of the director, or the director's designee.

(2) It is the intent of the legislature that the appropriation to the fund for the 1987-89 biennium shall act as a challenge to private and public donors. The treasurer shall not disburse from the fund any state-appropriated money until at least one hundred thousand dollars has been received from the sale of donated property or from other sources and deposited in the fund. The treasurer shall then disburse from money appropriated by the state for this purpose an equal amount and, thereafter, the treasurer shall disburse an amount equal to each cash donation received or to the proceeds of sale of each donated property until the total amount appropriated has been disbursed.

NEW SECTION. Sec. 4. The department may acquire, maintain, stabilize, resell, and hold title to and may acquire and resell, or exercise options to purchase or to acquire and resell, other limited ownership interests in endangered landmarks. It is the intent of the legislature that any property acquired shall be promptly offered for sale at fair market value.

NEW SECTION. Sec. 5. Criteria to be considered by the department in selecting among properties under section 4 of this act shall include:

- (1) The importance of the property to the state and to the community within which it is located;
- (2) The threat of demolition, of substantial alteration, or other factors that might result in the loss of the historic character of the property;
- (3) The suitability of the property for re-use as a commercial, community, or residential property within local ordinances while retaining its historic character;
- (4) A determination through the use of prudent and knowledgeable judgment, as well as current market and real estate valuation information, that the capital investment can be substantially recovered when the property is resold;
- (5) The representation of diverse historic themes in different areas of the state and in different types of buildings;
- (6) The accessibility of the property for public visitation or the visual prominence of the property as an historic landmark; and
- (7) The ability of the state to obtain title to the property.

NEW SECTION. Sec. 6. If application of the criteria in section 5 of this act results in two or more properties being considered of equal value for the purposes of this chapter, the property which has the potential for providing the greatest return to the fund shall be purchased.

NEW SECTION. Sec. 7. If the director determines that the sale of a property purchased under this chapter would promote historic preservation or preserve the assets of the fund, the director may approve the sale.

NEW SECTION. Sec. 8. In offering properties for sale under this chapter, the department shall select buyers by applying the following criteria:

- (1) The extent to which the buyer agrees to maintain, and to cause future owners to maintain, the historic character of the property;
- (2) The extent to which the proposed uses of the property conform to local ordinances and published plans;
- (3) The estimated ability of the buyer to achieve the proposed use of the property; and
- (4) Other public benefits of the proposed use, including accessibility to the public, interpretive or other facilities, and related development of other properties.

NEW SECTION. Sec. 9. In no case may the director accept an offer for purchase of property under this chapter when:

- (1) The offer does not provide for payment in cash to the state of the full purchase price prior to possession of the property; or
- (2) Another offer more consistent with the purposes of this chapter has been made and received under the announced terms of sale.

NEW SECTION. Sec. 10. The director may sell any property acquired through the fund without regard to the criteria of section 8 of this act if he or she finds after public offer for sale and a public hearing that no buyer can be found who will agree to the requirements of section 8 of this act at a price that will substantially preserve the assets of the fund.

NEW SECTION. Sec. 11. Nothing in this chapter gives the department any right of condemnation or eminent domain.

NEW SECTION. Sec. 12. The director shall adopt such rules as are necessary to implement this chapter.

NEW SECTION. Sec. 13. A new section is added to chapter 43.82 RCW to read as follows:

This chapter shall not apply to property acquired under sections 1 through 12 of this act.

Sec. 14. Section 1, chapter 255, Laws of 1927 and RCW 79.01.004 are each amended to read as follows:

Public lands of the state of Washington are lands belonging to or held in trust by the state, which are not devoted to or reserved for a particular use by law, and include state lands, tidelands, shorelands and harbor areas as hereinafter defined, and the beds of navigable waters belonging to the state. Public lands do not include property acquired by the state under sections 1 through 12 of this 1987 act.

Whenever used in this chapter the term 'state lands' shall mean and include:

- School lands, that is, lands held in trust for the support of the common schools;
- University lands, that is, lands held in trust for university purposes;
- Agricultural college lands, that is, lands held in trust for the use and support of agricultural colleges;
- Scientific school lands, that is, lands held in trust for the establishment and maintenance of a scientific school;
- Normal school lands, that is, lands held in trust for state normal schools;
- Capitol building lands, that is, lands held in trust for the purpose of erecting public buildings at the state capital for legislative, executive and judicial purposes;
- Institutional lands, that is, lands held in trust for state charitable, educational, penal and reformatory institutions; and
- All public lands of the state, except tidelands, shorelands, harbor areas and the beds of navigable waters.

Sec. 15. Section 154, chapter 255, Laws of 1927 as amended by section 13, chapter 222, Laws of 1984 and RCW 79.01.612 are each amended to read as follows:

The department of natural resources shall manage and control all lands acquired by the state by escheat or under chapter 79.66 RCW and all lands acquired by the state by deed of sale or gift or by devise, except such lands which are conveyed or devised to the state to be used for a particular purpose, and property acquired by the state under sections 1 through 12 of this 1987 act. The department shall lease the lands in the same manner as school lands. When the department determines to sell the lands, they shall be initially offered for sale at public auction as provided in this chapter. If the lands are not sold at public auction, the department may, with approval of the board of natural resources, market the lands through persons licensed under chapter 18.85 RCW or through other commercially feasible means at a price not lower than the land's appraised value and pay necessary marketing costs from the sale proceeds. Necessary marketing costs includes reasonable costs associated with advertising the property and paying commissions. The proceeds of the lease or sale of all such lands shall be deposited into the appropriate fund in the state treasury in the manner prescribed by law: PROVIDED, That if the grantor in any such deed or the testator in case of a devise specifies that the proceeds of the sale or lease of such lands be devoted to a particular purpose such proceeds shall be so applied. The department may employ agents to rent any escheated, deeded, or devised lands, or lands acquired under chapter 79.66 RCW, for such rental and

time and in such manner as the department directs, but the property shall not be rented by such agent for a longer period than one year and no tenant is entitled to compensation for any improvement which he makes on such property. The agent shall cause repairs to be made to the property as the department directs, and shall deduct the cost thereof, together with such compensation and commission as the department authorizes, from the rentals of such property and the remainder which is collected shall be transmitted monthly to the department of natural resources.

NEW SECTION. Sec. 16. The sum of six hundred thousand dollars, or as much thereof as may be necessary, is appropriated for the biennium ending June 30, 1989, from the fund to the department of community development for the purposes of this act.

NEW SECTION. Sec. 17. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

NEW SECTION. Sec. 18. Sections 1 through 12 of this act shall constitute a new chapter in Title 27 RCW."

E2SSB 5665 Prime Sponsor, Committee on Ways & Means: Authorizing local development assistance. Reported by Committee on Trade & Economic Development

MAJORITY recommendation: Do pass with the following amendments:

Strike everything after the enacting clause and insert the following:

"Sec. 1. Section 7, chapter 125, Laws of 1984 and RCW 43.63A.078 are each amended to read as follows:

(1) The department shall develop and administer a local development matching fund program. To be eligible to receive funds under this program, an organization must be a local government or a nonprofit local development entity. Any local government or entity requesting funds must demonstrate the participation of a cross-section of the local community in the economic development project, including business, labor, education and training, and the public sector. Under this program, the department shall provide matching funds which shall be used for the formulation of local economic development strategies, including the technical analysis necessary to designate and carry out the strategies. A technical analysis can include, but is not limited to, the development and dissemination of data on local markets, demographics, comparative business costs, site availability, labor force characteristics, and local incentives. Funds are to be used primarily to foster new developments and expansions which result in the trading of goods and services outside of the state's borders. Funds may be made available for assisting local businesses in utilizing state and federal programs in exporting, training, and financing. Funds may also be used to provide technical assistance to businesses in the areas of land use, transportation, site location, and manpower training. Matching funds cannot be used for entertainment, capital expenses, hosting, or marketing. Funds granted for economic development projects must be matched by local resources on a dollar-for-dollar basis. Not more than fifty thousand dollars of state matching funds as provided by this section may be used for any one project.

(2) The department shall conduct feasibility studies, planning, and program development for small business incubator projects. The department may also coordinate the delivery of management, technical, and financial assistance to small businesses both within and outside such incubator projects.

(3) The department shall report annually on December 31 to the governor and the legislature on funds expended and projects developed using matching funds.

NEW SECTION. Sec. 2. The legislature finds that the growth of small and young businesses will have a favorable impact on the Washington economy by creating jobs, increasing competition in the market place, and expanding tax revenues. Access to financial markets by entrepreneurs is vital to this process. Without reasonable access to financing, talented and aggressive entrepreneurs are cut out of the economic system and the state's economy suffers. It is the purpose of sections 2 through 6 of this act to guarantee that entrepreneurs and investors have an institutionalized means of meeting their respective needs for access to capital resources and information about promising business investments in Washington state.

NEW SECTION. Sec. 3. As used in sections 2 through 6 of this act, the term:

(1) 'Entrepreneur' means an individual, proprietorship, joint venture, partnership, trust, business trust, syndicate, association, joint stock company, cooperative, corporation, or any other organization operating in this state, engaged in manufacturing or traded services, with fewer than two hundred fifty employees and paying more than fifty percent of its contributions or payments for the purposes of unemployment insurance to this state.

(2) 'Manufacturing' means all activities of a commercial or industrial nature wherein labor or skill is applied, by hand or machinery, to materials so that as a result thereof a new, different, or useful substance or article of tangible personal property is produced for sale or commercial or industrial use and shall include the production or fabrication of specially made or custom made articles. 'Manufacturing' also includes computer programming, the production of computer software, and other computer-related services, and the activities performed by research and development laboratories and commercial testing laboratories.

(3) 'Traded services' means those commercial and professional services that are developed for sale outside the state.

NEW SECTION. Sec. 4. There is created in the department of trade and economic development the Washington investment opportunities office. An exempt position is hereby created within the department for the managing director of the Washington investment opportunities office. The managing director of the office shall be appointed by the director of trade and economic development.

NEW SECTION. Sec. 5. The Washington investment opportunities office shall:

(1) Maintain a list of all entrepreneurs engaged in manufacturing or traded services throughout the state seeking capital resources and interested in the services of the investment opportunities office.

(2) Maintain a file on each entrepreneur which shall include the entrepreneur's business plan and any other information which the entrepreneur offers for review by potential investors.

(3) Assist entrepreneurs in procuring the managerial and technical assistance necessary to attract potential investors. Such assistance shall include the automatic referral to the small business innovators opportunity program of any entrepreneur with a new product meriting the services of the program.

(4) Provide entrepreneurs with information about potential investors and provide investors with information about those entrepreneurs which meet the investment criteria of the investor.

(5) Remain informed about investment trends in capital markets and preferences of individual investors or investment firms throughout the nation through literature surveys, conferences, and private meetings.

(6) Publicize the services of the investment opportunities office through public meetings throughout the state, appropriately targeted media, and private meetings. Whenever practical, the office shall use the existing services of local associate development organizations in outreach and identification of entrepreneurs and investors.

(7) Report to the ways and means committees and commerce and labor committees of the senate and the house of representatives by December 1, 1988, and each year thereafter, on the accomplishments of the office. Such reports shall include:

(a) The number of entrepreneurs on the list referred to in subsection (1) of this section, segregated by standard industrial classification codes;

(b) The number of investments made in entrepreneurs, segregated as required by (a) of this subsection, as a result of contact with the investment opportunities office, the dollar amount of each such investment, the source, by state or nation, of each investment, and the number of jobs created as a result of each investment;

(c) The number of entrepreneurs on the list referred to in subsection (1) of this section segregated by counties, the number of investments, the dollar amount of investments, and the number of jobs created through investments in each county as a result of contact with the investment opportunities office;

(d) A categorization of jobs created through investments made as a result of contact with the investment opportunities office, the number of jobs created in each such category, and the average pay scale for jobs created in each such category;

(e) The results of client satisfaction surveys distributed to entrepreneurs and investors using the services of the investment opportunities office; and

(f) Such other information as the managing director finds appropriate.

NEW SECTION. Sec. 6. The managing director, after consultation with the directors of the department of trade and economic development and the department of community development, schools of business administration, chambers of commerce, local associate development organizations, and local investment firms, shall form an advisory panel to assist in directing the services of the investment opportunities office toward meeting the finance and investment needs of entrepreneurs and investors. Advisory panel members shall serve without pay but shall be entitled to reimbursement for travel expenses incurred in serving on the advisory panel in accordance with RCW 43.03.050 and 43.03.060.

NEW SECTION. Sec. 7. The director may, after consultation with the managing director, enter into contracts with nongovernmental agencies to provide any of the services under section 5 of this act.

NEW SECTION. Sec. 8. A new section is added to chapter 42.17 RCW to read as follows: Notwithstanding the provisions of RCW 42.17.260 through 42.17.340, no financial or proprietary information supplied by investors or entrepreneurs under chapter 43.63A RCW shall be made available to the public.

NEW SECTION. Sec. 9. Sections 2 through 7 of this act are each added to chapter 43.63A RCW.

NEW SECTION. Sec. 10. A new section is added to chapter 43.170 RCW to read as follows: Any innovation or inventor receiving assistance under this program shall be referred to the investment opportunities office operated by the department of trade and economic development.

NEW SECTION. Sec. 11. The legislature finds and declares that:

(1) Expansion of small businesses will have a favorable impact on the Washington economy by creating jobs, increasing competition in the marketplace, and expanding tax revenues. Small business expansion is a major source of new employment opportunities for economically distressed communities, for economically disadvantaged individuals, and for individuals of low and moderate income generally; and

(2) There is an unmet need to provide long-term capital to rapidly growing small businesses whose growth exceeds their ability to generate internal earnings to finance that growth; and

(3) Under traditional standards used by banks many well-operated small businesses cannot provide security adequate to qualify for normal bank loans; and

(4) This problem is especially severe in its effects on economically distressed communities and on economically disadvantaged individuals; and

(5) It is desirable to address this problem by creating an efficient, nonbureaucratic form of state assistance to encourage banks to make many such loans which are not now made; and

(6) Assistance and encouragement of small business development to provide, maintain, and expand employment and tax revenues is an important function of the state; and

(7) The modest state expenditure to encourage such loans will be returned to the people of the state of Washington in the form of increased tax revenues based on business expansion and reduction in the number of unemployed persons.

In order to accomplish these goals, the legislature creates the Washington small business loan program. The intent of the legislature is to provide sufficient incentives to financial institutions and credit unions to make small business loans that would otherwise not be made to worthy small businesses. Further, it is the intent of the legislature to provide incentives which will result in greater availability of small business financing to economically distressed communities and to economically disadvantaged individuals to promote the creation of new employment opportunities and the retention of existing employment in the state.

NEW SECTION. Sec. 12. As used in this chapter, the term:

(1) 'Lender participant' means such financial institutions and credit unions as are approved by the executive director to make loans under this chapter.

(2) 'Eligible loan' means a loan to a person under the conditions set forth in this chapter.

(3) 'Amount of loss' means an amount equal to the unpaid balance of the principal amount, less any amounts realized by perfecting rights under a security agreement, together with such interest as the executive director shall allow, to a maximum of such interest as may be allowed by rule. The amount of loss is subject to the limitations contained in section 19(2)(c) of this act.

(4) 'Default' includes only such defaults as have existed for at least ninety days.

(5) 'Premium charge' means the percent of the loan which shall be deposited in the small business loan reserve fund by the lender and the borrower on loans made pursuant to this chapter.

(6) 'Executive director' means the executive director of the small business loan program.

(8) 'State match' means the percent of the loan which shall be deposited in the small business loan reserve fund by the state on loans made pursuant to this chapter.

(9) 'Manufacturing' means all activities of a commercial or industrial nature wherein labor or skill is applied, by hand or machinery, to materials so that as a result thereof a new, different, or useful substance or article of tangible personal property is produced for sale or commercial or industrial use and shall include the production or fabrication of specially made or custom made articles. 'Manufacturing' also includes computer programming, the production of computer software, and other computer-related services, and the activities performed by research and development laboratories and commercial testing laboratories.

(10) 'Traded services' means those commercial and professional services that are developed for sale outside the state.

(11) 'Supervisor' means the state supervisor of banking.

NEW SECTION. Sec. 13. In addition to the powers and duties prescribed under this chapter, the state supervisor of banking may exercise all the powers necessary or convenient for the administration and enforcement of this chapter. The supervisor may adopt such rules as he or she finds necessary or appropriate in carrying out this chapter after consultation with representatives of small businesses and lender participants. The supervisor may examine the loans made under this chapter at any participating bank to ascertain compliance with this chapter and any rules adopted under this chapter, and to ascertain whether a bank is exercising reasonable care and diligence in the making and collection of loans made under this chapter.

An exempt position is hereby created within the banking and consumer finance division of the department of general administration for the executive director of the small business loan program. The executive director shall be appointed by the state supervisor of banking. The supervisor shall delegate to the executive director such duties as the supervisor deems appropriate. The supervisor may employ such other employees as may be needed to carry out the powers and duties imposed under this chapter.

The supervisor shall report to the governor and the house and senate ways and means and commerce and labor committees by December 1 of each year and shall include in the report the following:

(1) The names of all financial institutions certified to participate in the small business loan program;

(2) The names and locations by county of all borrowers under the program;

(3) The number of employees by county of all borrowers under the program;

(4) The total amount of funds lent under the program by county;

(5) The total amount of funds lent under the program reported separately by categories of uses made by borrowers of the proceeds;

(6) The amount paid out of the fund for loans in default, by lender, and by county;

(7) The financial condition of the fund;

(8) An evaluation of the extent to which the results of the program meet the objectives of the program;

(9) The expenditure of funds under section 15 of this act; and

(10) Such other information as in the supervisor's judgment may be desirable.

NEW SECTION. Sec. 14. (1) The small business loan reserve fund is hereby established in the custody of the state treasurer. The fund shall consist of appropriations made to the fund and any other public or private money received under this chapter. Moneys in the fund may be used only to secure loans made under this chapter. Disbursements from the fund shall be on authorization of the executive director of the small business loan program, or the director's designee. The fund is subject to the allotment procedure provided under chapter 43.88 RCW, but no appropriation is required for disbursements.

(2) The state shall not be liable or obligated for any amount exceeding its appropriations to the small business loan reserve fund.

(3) Funds held in the small business loan reserve fund which are attributable to the lender participant's portion of the premium charge shall be accounted for on a lender-by-lender basis and shall include the matching premium charge paid by the borrowers and the state match paid by the state.

(4) Upon authorization by the executive director, disbursements from the small business loan reserve fund shall be made to financial institutions by the state treasurer in warrants drawn by the controller pursuant to this chapter.

(5) Funds in the small business loan reserve fund shall be invested in time certificates of deposit with lender participants in proportion to each lender participant's participation in the small business loan reserve program. Such funds shall be offered on a right of first refusal to lender participants. Should a lender participant refuse to receive such funds for investment, the funds shall then be offered other lender participants in proportion to their participation in the small business loan reserve program.

NEW SECTION. Sec. 15. (1) All income from funds invested pursuant to section 14 of this act shall be deposited in the small business loan reserve fund, and shall be used exclusively for the support of the small business loan reserve program.

(2) Whenever the executive director determines that the income from funds invested pursuant to section 14 of this act exceeds amounts necessary to support the small business loan reserve program pursuant to subsection (1) of this section, the executive director may order any excess funds transferred into the general fund, but not to exceed the amount appropriated to the small business loan reserve fund.

NEW SECTION. Sec. 16. (1) The executive director shall certify those financial institutions whose experience, financial capability, and such other criteria as the supervisor may establish under rules adopted under this chapter, qualify them to participate in the small business loan reserve program.

(2) Any financial institution may be disqualified from further participation in the small business loan reserve program on a finding, by the supervisor, as specified by rule, that such institution has violated any provision of this chapter, or any rule adopted under this chapter, or that such institution is insolvent.

(3) A loan made by a lender participant shall be recorded under this section if made to a corporation, partnership, sole proprietorship, cooperative, or other association doing business primarily in Washington, whether nonprofit or organized for profit.

(4) The supervisor shall adopt by rule eligibility criteria for loans made under this chapter. Such criteria shall be consistent with the intent of this chapter to assist small businesses with strong potential for growth and job creation and, to that end, such loans shall be primarily devoted to businesses engaging in manufacturing or traded services. Such criteria shall include, but shall not be limited to: The potential for benefitting economically distressed communities; the potential for benefitting economically disadvantaged individuals; the potential for benefitting individuals of low and moderate income; the potential for creating new employment opportunities, especially opportunities for stable high-wage employment; the potential for retaining existing employment, especially stable high-wage employment; the potential for local economic diversification; the impact on the stabilization, modernization, and long-term growth potential of mature industries; and the size and types of businesses which shall be eligible to receive loans, which may be based on the standard industrial classification code. Absence of a classification within the standard industrial classification code for a type of business shall not preclude it from being established as an eligible business.

(5) No more than twenty-five percent of the proceeds of any loans made under this chapter may be used by the borrowing business for the payment of existing loans to that business.

(6) Upon default by the borrower on any loan made under this chapter, the executive director may require from the lender a showing as to how the proceeds of the loan were disbursed.

NEW SECTION, Sec. 17. The lender and borrower shall negotiate the premium charge for each loan made pursuant to this chapter. Such charge shall be from three percent to seven percent of the loan. The lender and borrower shall contribute an equal amount to the premium charge. The state match made under this chapter shall be equal in amount to the premium charge. When a loan is participated in by two or more lender participants, the premium charge shall be a single rate, applicable to the entire loan. The lender's portion of the premium charge shall be apportioned among the lenders in proportion to each lender's participation in the loan.

NEW SECTION, Sec. 18. (1)(a) An application to record a loan made under this chapter shall be made by an eligible lender on such form as the executive director may require. The application shall set forth the amount of the loan, its maturity, interest rate, and amortization. In addition, the supervisor may require on a form provided by the supervisor other information relating to job creation.

(b) If, upon application by a lender participant, the executive director finds that the lender has made an eligible loan, the director shall cause the loan to be recorded.

(2)(a) The lender shall submit, together with the application under subsection (1) of this section, the following premium charges determined by the lender under section 17 of this act: (i) The percent premium charge payable by the lender; and (ii) the percent premium charge payable by the borrower.

(b) Premium charges collected under this section shall be deposited in the small business loan reserve fund.

(c) Upon recording a loan, the executive director shall allocate, from appropriated funds, the state match payable by the state in the small business loan reserve fund.

(3) All loans made under this chapter shall be recorded in a register to be maintained by the supervisor. The registration shall set forth the information contained in the application.

(4) At least annually, and more frequently at the direction of the supervisor, a summary of the information contained in the register maintained pursuant to subsection (3) of this section, shall be provided to each lender participant.

NEW SECTION, Sec. 19. (1) Upon default by the borrower on any loan made under this chapter, the lender, if a secured party, shall take steps, and avail itself of such rights and remedies as may be provided for in the security agreement and by virtue of chapter 62A.9 RCW except when, in the determination of the supervisor, special circumstances exist which do not warrant taking such action.

(2)(a) Upon default by the borrower on any loan made under this chapter, the lender shall promptly notify the executive director, and the executive director shall, if requested, either at that time, or after further collection efforts, pay to the lender the amount of the loss, subject to the limitation contained in (c) of this subsection, sustained by the lender.

(b) In addition to the amount of loss, the lender may claim five hundred dollars for collection expenses incurred in the attempted collection of the loan. Such collection expense shall be a charge against that portion of the small business loan reserve fund attributable to the lender who made the loan, and shall be subject to the limitation contained in (c) of this subsection.

(c) Payments made to a lender pursuant to this section shall not exceed the amount retained in the small business loan reserve fund attributable to the lender who made the loan.

(3) Amounts recovered by a lender's collection efforts subsequent to presenting a claim for loss pursuant to this section shall first be paid into the small business loan reserve fund to the

credit of the lender to reimburse the fund for amounts paid to the lender pursuant to subsection (2)(a) of this section.

(4) Nothing in this section may be construed to excuse the lender from exercising reasonable care and diligence in the making and collection of loans under this chapter.

If the supervisor, after reasonable notice and opportunity for hearing to an eligible lender, finds that it has substantially failed to exercise such care and diligence required under this section, the supervisor shall disqualify that lender for further loans under this chapter until the supervisor is satisfied that its failure has ceased and finds that there is reasonable assurance that the lender will in the future exercise necessary care and diligence.

NEW SECTION, Sec. 20. A new section is added to chapter 42.17 RCW to read as follows:

Notwithstanding the provisions of RCW 42.17.260 through 42.17.340, no application to record a loan or the register of loans under chapter 43.— RCW (sections 11 through 19 of this act) may be made available to the public.

Except as provided in subsection ((2)) (3) of this section, it is also unlawful for a person who is not a treaty Indian fisherman to participate in the taking of food fish or shellfish in a treaty Indian fishery, or to be on board a vessel, or associated equipment, operating in a treaty Indian fishery.

Strike everything after the enacting clause and insert the following:

"Sec. 1. Section 9, chapter 142, Laws of 1973 1st ex. sess. as last amended by section 41, chapter 80, Laws of 1977 ex. sess. and RCW 71.05.040 are each amended to read as follows:

Persons who are developmentally disabled, impaired by chronic alcoholism or drug abuse, or senile shall not be detained for evaluation and treatment or judicially committed solely by reason of that condition unless such condition causes a person to be gravely disabled or as a result of a mental disorder such condition exists that constitutes a likelihood of serious harm to self or others(~~(- PROVIDED, That a person shall not be subject to the provisions of this chapter if proceedings have been initiated under the provisions of the Washington Uniform Alcoholism and Intoxication Treatment Act, chapter 70.96A RCW)).~~)

Sec. 2. Section 26, chapter 142, Laws of 1973 1st ex. sess. as last amended by section 4, chapter 199, Laws of 1975 1st ex. sess. and RCW 71.05.210 are each amended to read as follows:

Each person involuntarily admitted to an evaluation and treatment facility shall, within twenty-four hours of his or her admission, be examined and evaluated by a licensed physician and a mental health professional as defined in this chapter, and shall receive such treatment and care as his or her condition requires including treatment on an outpatient basis for the period that he or she is detained, except that, beginning twenty-four hours prior to a court proceeding, the individual may refuse all but emergency life-saving treatment, and the individual shall be informed at an appropriate time of his or her right to such refusal of treatment. Such person shall be detained up to seventy-two hours, if, in the opinion of the professional person in charge of the facility, or his or her professional designee, the person presents a likelihood of serious harm to himself or herself or others, or is gravely disabled. A person who has been detained for seventy-two hours shall no later than the end of such period be released, unless referred for further care on a voluntary basis, or detained pursuant to court order for further treatment as provided in this chapter.

If, after examination and evaluation, the licensed physician and mental health professional determine that the initial needs of the person would be better served by placement in an alcohol treatment facility, then the person shall be referred to an approved treatment facility defined under RCW 70.96A.020.

An evaluation and treatment center admitting any person pursuant to this chapter whose physical condition reveals the need for hospitalization shall assure that such person is transferred to an appropriate hospital for treatment. Notice of such fact shall be given to the court, the designated attorney, and the designated county mental health professional and the court shall order such continuance in proceedings under this chapter as may be necessary, but in no event may this continuance be more than fourteen days.

Sec. 3. Section 28, chapter 142, Laws of 1973 1st ex. sess. as last amended by section 5, chapter 199, Laws of 1975 1st ex. sess. and RCW 71.05.230 are each amended to read as follows:

A person detained for seventy-two hour evaluation and treatment may be detained for not more than fourteen additional days of ((either)) involuntary intensive treatment or ninety additional days of a less restrictive alternative to involuntary intensive treatment if the following conditions are met:

(1) The professional staff of the agency or facility providing evaluation services has analyzed the person's condition and finds that said condition is caused by mental disorder and either results in a likelihood of serious harm to the person detained or to others, or results in the detained person being gravely disabled and are prepared to testify those conditions are met; and

(2) The person has been advised of the need for voluntary treatment and the professional staff of the facility has evidence that he or she has not in good faith volunteered; and

(3) The facility providing intensive treatment is certified to provide such treatment by the department of social and health services; and

(4) The professional staff of the agency or facility or the mental health professional designated by the county has filed a petition for fourteen day involuntary detention or a ninety day less restrictive alternative with the court. The petition must be signed either by two physicians or by one physician and a mental health professional who have examined the person. If involuntary detention is sought the petition shall state facts that support the finding that such person, as a result of mental disorder, presents a likelihood of serious harm to others or himself or herself, or is gravely disabled and that there are no less restrictive alternatives to detention in the best interest of such person or others. The petition shall state specifically that less restrictive alternative treatment was considered and specify why treatment less restrictive than detention is not appropriate. If an involuntary less restrictive alternative is sought, the petition shall state facts that support the finding that such person, as a result of mental disorder, presents a likelihood of serious harm to others or himself or herself, or is gravely disabled and shall set forth the less restrictive alternative proposed by the facility; and

(5) A copy of the petition has been served on the detained person, his or her attorney and his or her guardian or conservator, if any, prior to the probable cause hearing; and

(6) The court at the time the petition was filed and before the probable cause hearing has appointed counsel to represent such person if no other counsel has appeared; and

(7) The court has ordered a fourteen day involuntary intensive treatment or a ninety day less restrictive alternative treatment after a probable cause hearing has been held pursuant to RCW 71.05.240; and

(8) At the conclusion of the initial commitment period, the professional staff of the agency or facility or the mental health professional designated by the county may petition for an additional period of either ninety days of less restrictive alternative treatment or ninety days of involuntary intensive treatment as provided in RCW 71.05.290.

NEW SECTION. Sec. 4. (1) The department shall establish a pilot program to assess the impact on expenditures for involuntary treatment by the provision of case management services for all persons who are conditionally released or committed to less restrictive treatment from a state or community hospital.

(2) The pilot program shall be conducted in at least three counties. Participation in the program shall be contingent upon:

(a) Participation in the state and county client tracking system required by RCW 71.24.035(4)(h) and 71.24.045(6);

(b) Recognition of conditionally released persons and persons on a less restrictive placement as acutely mentally ill or chronically mentally ill, as defined in chapter 71.24 RCW;

(c) Agreement to provide the data necessary to evaluate the outcome of the pilot program.

(3) In pilot counties in conjunction with the county mental health coordinator, a community mental health agency shall be appointed by the court in its order to provide case management services for persons who are conditionally released or committed to less restrictive treatment. The community mental health agency shall assign a case manager, who will be responsible for:

(a) Participation with the court in the formulation of the conditions of the less restrictive or conditional release order;

(b) Participation in the development of an individualized treatment plan with the treatment team;

(c) Providing the person assistance with access to housing, financial management, medication management, nutrition, system advocacy, and mental health services;

(d) Monitoring the person who is receiving treatment to ensure that the person abides by the requirements of his or her individualized treatment plan. If, in the opinion of the case manager, substantial deterioration in the person's functioning has occurred, then the case manager shall request the county designated mental health professional to initiate revocation proceedings.

(4) The community mental health agency shall assure that the case manager being assigned is a mental health professional, as defined in RCW 71.05.020(11), or is supervised by a mental health professional.

(5) The plan for the pilot program shall be developed by the department in cooperation with the pilot and other counties, mental health providers, and other interested members of the community and submitted to the legislature within sixty days of the effective date of this section.

(6) The plan shall assure that case management services are administered in a manner which recognizes client needs within availability of funds provided for the plan. The implementation of the plan shall begin on January 1, 1988, and terminate on June 30, 1989.

(7) By January 1, 1989, the legislative budget committee shall submit a report to the legislature on the progress of the pilot program, along with its recommendations.

(8) The department shall adopt those rules necessary to carry out this section.

Sec. 5. Section 29, chapter 142, Laws of 1973 1st ex. sess. as last amended by section 13, chapter 215, Laws of 1979 ex. sess. and RCW 71.05.240 are each amended to read as follows:

If a petition is filed for fourteen day involuntary treatment or ninety days of less restrictive alternative treatment, the court shall hold a probable cause hearing within seventy-two hours of the initial detention of such person as determined in RCW 71.05.180, as now or hereafter amended. If requested by the detained person or his or her attorney, the hearing may be postponed for a period not to exceed forty-eight hours. The hearing may also be continued subject to the conditions set forth in RCW 71.05.210 or subject to the petitioner's showing of good cause for a period not to exceed twenty-four hours.

At the conclusion of the probable cause hearing, if the court finds by a preponderance of the evidence that such person, as the result of mental disorder, presents a likelihood of serious harm to others or himself or herself, or is gravely disabled, and, after considering less restrictive alternatives to involuntary detention and treatment, finds that no such alternatives are in the best interests of such person or others, the court shall order that such person be detained for involuntary treatment not to exceed fourteen days in a facility certified to provide treatment by the department of social and health services. If the court finds that such person, as the result of a mental disorder, presents a likelihood of serious harm to others or himself or herself, or is gravely disabled, but that treatment in a less restrictive setting than detention is in the best interest of such person or others, the court shall order an appropriate less restrictive course of treatment for not to exceed (~~fourteen~~) ninety days.

The court shall specifically state to such person and give such person notice in writing that if involuntary treatment beyond the fourteen day period or beyond the ninety days of less restrictive treatment is to be sought, such person will have the right to a full hearing or jury trial as required by RCW 71.05.310.

Sec. 6. Section 30, chapter 142, Laws of 1973 1st ex. sess. as amended by section 17, chapter 145, Laws of 1974 ex. sess. and RCW 71.05.250 are each amended to read as follows:

At the probable cause hearing the detained person shall have the following rights in addition to the rights previously specified:

- (1) To present evidence on his or her behalf;
- (2) To cross-examine witnesses who testify against him or her;
- (3) To be proceeded against by the rules of evidence;
- (4) To remain silent;

(5) To view and copy all petitions and reports in the court file.

The physician-patient privilege or the psychologist-client privilege shall be deemed waived in proceedings under this chapter when a court of competent jurisdiction in its discretion determines that ~~((it is unreasonable for the petitioner seeking fourteen-day involuntary treatment to obtain a sufficient evaluation of the detained person by a psychiatrist or psychologist or other health professional and))~~ such waiver is necessary ~~((in the opinion of the court))~~ to protect either the detained person or the public.

~~((Whenever the physician-patient privilege is deemed waived pursuant to this section, the waiver shall be limited to the introduction of relevant and competent medical records or testimony of an evaluation or treatment facility or its staff, a facility of the department of social and health services or its staff, or a facility certified for ninety-day treatment by the department of social and health services or its staff for the purpose of meeting evaluation requirements contained in chapter 10.77 RCW and chapter 71.12 RCW. PROVIDED HOWEVER, That the physician-patient privilege shall not be waived if the physician specifically identifies himself to the detained person as one who is communicating with that person for treatment only. AND PROVIDED FURTHER, That the privilege shall not extend to incident reports involving the detained person:))~~

The waiver of a privilege under this section is limited to records or testimony reasonably related to evaluation of the detained person for purposes of a proceeding under this chapter. Upon motion by the detained person or on its own motion, the court shall examine a record or testimony sought by a petitioner to determine whether it is within the scope of the waiver.

The record maker shall not be required to testify in order to introduce medical or psychological records of the detained person so long as the requirements of RCW 5.45.020 are met except that portions of the record which contains opinions as to the detained person's mental state must be deleted from such records unless the person making such conclusions is available for cross-examination.

Sec. 7. Section 31, chapter 142, Laws of 1973 1st ex. sess. as amended by section 18, chapter 145, Laws of 1974 ex. sess. and RCW 71.05.260 are each amended to read as follows:

(1) Involuntary intensive treatment ordered at the time of the probable cause hearing shall be for no more than fourteen days, and shall terminate sooner when, in the opinion of the professional person in charge of the facility or his or her professional designee, (a) the person no longer constitutes a likelihood of serious harm to himself or herself or others, or (b) no longer is gravely disabled, or (c) is prepared to accept voluntary treatment upon referral, or (d) is to remain in the facility providing intensive treatment on a voluntary basis.

(2) A person who has been detained for fourteen days of intensive treatment shall be released at the end of the fourteen days unless one of the following applies: (a) Such person agrees to receive further treatment on a voluntary basis; or (b) such person is a patient to whom RCW 71.05.280 is applicable.

Sec. 8. Section 35, chapter 142, Laws of 1973 1st ex. sess. as last amended by section 7, chapter 199, Laws of 1975 1st ex. sess. and RCW 71.05.300 are each amended to read as follows:

The petition for ninety day treatment shall be filed with the clerk of the superior court at least three days before expiration of the fourteen-day period of intensive treatment. At the time of filing such petition, the clerk shall set a time for the person to come before the court on the next judicial day after the day of filing unless such appearance is waived by the person's attorney, and the clerk shall notify the designated county mental health professional. The designated county mental health professional shall immediately notify the person detained, his or her attorney, if any, and his or her guardian or conservator, if any, and the prosecuting attorney, and provide a copy of the petition to such persons as soon as possible.

At the time set for appearance the detained person shall be brought before the court, unless such appearance has been waived and the court shall advise him or her of his or her right to be represented by an attorney and of his or her right to a jury trial. If the detained person is not represented by an attorney, or is indigent or is unwilling to retain an attorney, the court shall immediately appoint an attorney to represent him or her. The court shall, if requested, appoint a reasonably available licensed physician, psychologist, or psychiatrist, designated by the detained person to examine and testify on behalf of the detained person.

The court may, if requested, also appoint a professional person as defined in RCW 71.05.020(12) to seek less restrictive alternative courses of treatment and to testify on behalf of the detained person.

The court shall also set a date for a full hearing on the petition as provided in RCW 71.05.310.

Sec. 9. Section 36, chapter 142, Laws of 1973 1st ex. sess. as last amended by section 8, chapter 199, Laws of 1975 1st ex. sess. and RCW 71.05.310 are each amended to read as follows:

The court shall conduct a hearing on the petition for ninety day treatment within five judicial days of the first court appearance after the probable cause hearing ~~((unless the person~~

named in the petition requests a jury trial, in which case trial shall commence within ten judicial days of the filing of the petition for ninety day treatment. The court may continue the hearing upon the written request of the person named in the petition or his attorney, which continuance shall not exceed ten additional judicial days). The court may continue the hearing upon the written request of the person named in the petition or the person's attorney, for good cause shown, which continuance shall not exceed five additional judicial days. If the person named in the petition requests a jury trial, the trial shall commence within ten judicial days of the first court appearance after the probable cause hearing. The burden of proof shall be by clear, cogent, and convincing evidence and shall be upon the petitioner. The person shall be present at such proceeding, which shall in all respects accord with the constitutional guarantees of due process of law and the rules of evidence pursuant to RCW 71.05.250.

During the proceeding, the person named in the petition shall continue to be treated until released by order of the superior court. If no order has been made within thirty days after the filing of the petition, not including extensions of time requested by the detained person or his or her attorney, the detained person shall be released.

Sec. 10. Section 39, chapter 142, Laws of 1973 1st ex. sess. as last amended by section 6, chapter 67, Laws of 1986 and RCW 71.05.340 are each amended to read as follows:

(1) (a) When, in the opinion of the superintendent or the professional person in charge of the hospital or facility providing involuntary treatment, the committed person can be appropriately served by outpatient treatment prior to or at the expiration of the period of commitment, then such outpatient care may be required as a condition for early release for a period which, when added to the inpatient treatment period, shall not exceed the period of commitment. If the hospital or facility designated to provide outpatient treatment is other than the facility providing involuntary treatment, the outpatient facility so designated must agree in writing to assume such responsibility. A copy of the conditions for early release shall be given to the patient, the designated county mental health professional in the county in which the patient is to receive outpatient treatment, and to the court of original commitment.

(b) Before a person committed under grounds set forth in RCW 71.05.280(3) or 71.05.320(2)(c) is conditionally released under (a) of this subsection, the superintendent or professional person in charge of the hospital or facility providing involuntary treatment shall in writing notify the prosecuting attorney of the county in which the criminal charges against the committed person were dismissed, of the decision to conditionally release the person. Notice and a copy of the conditions for early release shall be provided at least thirty days before the person is released from inpatient care. Within twenty days after receiving notice, the prosecuting attorney may petition the court in the county that issued the commitment order to hold a hearing to determine whether the person may be conditionally released and the terms of the conditional release. The prosecuting attorney shall provide a copy of the petition to the superintendent or professional person in charge of the hospital or facility providing involuntary treatment, the attorney, if any, and guardian or conservator of the committed person, and the court of original commitment. If the county in which the committed person is to receive outpatient treatment is the same county in which the criminal charges against the committed person were dismissed, then the court shall, upon the motion of the prosecuting attorney, transfer the proceeding to the court in that county. The court shall conduct a hearing on the petition within ten days of the filing of the petition. The committed person shall have the same rights with respect to notice, hearing, and counsel as for an involuntary treatment proceeding, except as set forth in this subsection and except that there shall be no right to jury trial. The issue to be determined at the hearing is whether or not the person may be conditionally released without substantial danger to other persons, or substantial likelihood of committing felonious acts jeopardizing public safety or security. If the court disapproves of the conditional release, it may do so only on the basis of substantial evidence. Pursuant to the determination of the court upon the hearing, the conditional release of the person shall be approved by the court on the same or modified conditions or the person shall be returned for involuntary treatment on an inpatient basis subject to release at the end of the period for which he or she was committed, or otherwise in accordance with the provisions of this chapter.

(2) The hospital or facility designated to provide outpatient care or the secretary may modify the conditions for continued release when such modification is in the best interest of the person. Notification of such changes shall be sent to all persons receiving a copy of the original conditions.

(3) If the hospital or facility designated to provide outpatient care, the designated county mental health professional or the secretary determines that a conditionally released person is failing to adhere to the terms and conditions of his or her release, or that substantial deterioration in the person's functioning has occurred, then, upon notification by the hospital or facility designated to provide outpatient care, or on his or her own motion, the designated county mental health professional or the secretary may order that the conditionally released person be apprehended and taken into custody and temporarily detained in an evaluation and treatment facility in or near the county in which he or she is receiving outpatient treatment until such time, not exceeding five days, as a hearing can be scheduled to determine whether or not the person should be returned to the hospital or facility from which he or she had been

conditionally released. The designated county mental health professional or the secretary may modify or rescind such order at any time prior to commencement of the court hearing. The court that originally ordered commitment shall be notified within two judicial days of a person's detention under the provisions of this section, and the designated county mental health professional or the secretary shall file his or her petition and order of apprehension and detention with the court and serve them upon the person detained. His or her attorney, if any, and his or her guardian or conservator, if any, shall receive a copy of such papers as soon as possible. Such person shall have the same rights with respect to notice, hearing, and counsel as for an involuntary treatment proceeding, except as specifically set forth in this section and except that there shall be no right to jury trial. The issues to be determined shall be whether the conditionally released person did or did not adhere to the terms and conditions of his or her release or that substantial deterioration in the person's functioning has occurred; and, if he or she failed to adhere to such terms and conditions, or that substantial deterioration in the person's functioning has occurred, whether the conditions of release should be modified or the person should be returned to the facility. Pursuant to the determination of the court upon such hearing, the conditionally released person shall either continue to be conditionally released on the same or modified conditions or shall be returned for involuntary treatment on an inpatient basis subject to release at the end of the period for which he or she was committed for involuntary treatment, or otherwise in accordance with the provisions of this chapter. Such hearing may be waived by the person and his or her counsel and his or her guardian or conservator, if any, but shall not be waivable unless all such persons agree to waive, and upon such waiver the person may be returned for involuntary treatment or continued on conditional release on the same or modified conditions.

(4) The proceedings set forth in subsection (3) of this section may be initiated by the designated county mental health professional or the secretary on the same basis set forth therein without requiring or ordering the apprehension and detention of the conditionally released person, in which case the court hearing shall take place in not less than ~~((fifteen))~~ five days from the date of service of the petition upon the conditionally released person.

Upon expiration of the period of commitment, or when the person is released from outpatient care, notice in writing to the court which committed the person for treatment shall be provided.

(5) The grounds and procedures for revocation of less restrictive alternative treatment shall be the same as those set forth in this section for conditional releases.

(6) In the event of a revocation of a conditional release, the subsequent treatment period may be for no longer than the actual period authorized in the original court order. In the event of a revocation of a less restrictive alternative treatment, the subsequent treatment period may be for no longer than fourteen days.

Sec. 11. Section 294, page 187, Laws of 1854 as last amended by section 101, chapter 305, Laws of 1986 and RCW 5.60.060 are each amended to read as follows:

(1) A husband shall not be examined for or against his wife, without the consent of the wife, nor a wife for or against her husband without the consent of the husband; nor can either during marriage or afterward, be without the consent of the other, examined as to any communication made by one to the other during marriage. But this exception shall not apply to a civil action or proceeding by one against the other, nor to a criminal action or proceeding for a crime committed by one against the other, nor to a criminal action or proceeding against a spouse if the marriage occurred subsequent to the filing of formal charges against the defendant, nor to a criminal action or proceeding for a crime committed by said husband or wife against any child of whom said husband or wife is the parent or guardian, nor to a proceeding under chapter 71.05 RCW: PROVIDED, That the spouse of a person sought to be detained under chapter 71.05 RCW may not be compelled to testify and shall be so informed by the court prior to being called as a witness.

(2) An attorney or counselor shall not, without the consent of his or her client, be examined as to any communication made by the client to him or her, or his or her advice given thereon in the course of professional employment.

(3) A ~~((clergyman))~~ member of the clergy or a priest shall not, without the consent of a person making the confession, be examined as to any confession made to him or her in his or her professional character, in the course of discipline enjoined by the church to which he or she belongs.

(4) Subject to the limitations under RCW 71.05.250, a physician or surgeon or osteopathic physician or surgeon shall not, without the consent of his or her patient, be examined in a civil action as to any information acquired in attending such patient, which was necessary to enable him or her to prescribe or act for the patient, except as follows:

(a) In any judicial proceedings regarding a child's injury, neglect, or sexual abuse or the cause thereof; and

(b) Within ninety days of filing an action for personal injuries or wrongful death, the claimant shall elect whether or not to waive the physician-patient privilege. If the claimant does not waive the physician-patient privilege, the claimant may not put his or her mental or physical

condition or that of his or her decedent or beneficiaries in issue and may not waive the privilege later in the proceedings. Waiver of the physician-patient privilege for any one physician or condition constitutes a waiver of the privilege as to all physicians or conditions, subject to such limitations as a court may impose pursuant to court rules.

(5) A public officer shall not be examined as a witness as to communications made to him or her in official confidence, when the public interest would suffer by the disclosure.

Sec. 12. Section 11, chapter 305, Laws of 1955 as amended by section 11, chapter 70, Laws of 1965 and RCW 18.83.110 are each amended to read as follows:

Confidential communications between a client and a psychologist shall be privileged against compulsory disclosure to the same extent and subject to the same conditions as confidential communications between attorney and client, but this exception is subject to the limitations under RCW 71.05.250.

Sec. 13. Section 12, chapter 122, Laws of 1972 ex. sess. as last amended by section 1, chapter 62, Laws of 1977 ex. sess. and RCW 70.96A.120 are each amended to read as follows:

(1) An intoxicated person may come voluntarily to an approved treatment facility for treatment. A person who appears to be intoxicated in a public place and to be in need of help, if he or she consents to the proffered help, may be assisted to his or her home, an approved treatment facility or other health facility.

(2) Except for a person who may be apprehended for possible violation of laws not relating to alcoholism or intoxication and except for a person who may be apprehended for possible violation of laws relating to driving or being in physical control of a vehicle while intoxicated and except for a person who may wish to avail himself or herself of the provisions of RCW 46.20.308, a person who appears to be incapacitated by alcohol and who is in a public place or who has threatened, attempted, or inflicted physical harm on another, shall be taken into protective custody by the police or the emergency service patrol and as soon as practicable, but in no event beyond eight hours brought to an approved treatment facility for treatment. If no approved treatment facility is readily available he or she shall be taken to an emergency medical service customarily used for incapacitated persons. The police or the emergency service patrol, in detaining the person and in taking him or her to an approved treatment facility, is taking him or her into protective custody and shall make every reasonable effort to protect his or her health and safety. In taking the person into protective custody, the detaining officer or member of an emergency patrol may take reasonable steps including reasonable force if necessary to protect himself or herself or effect the custody. A taking into protective custody under this section is not an arrest. No entry or other record shall be made to indicate that the person has been arrested or charged with a crime.

(3) A person who comes voluntarily or is brought to an approved treatment facility shall be examined by a qualified person. He or she may then be admitted as a patient or referred to another health facility, which provides emergency medical treatment, where it appears that such treatment may be necessary. The referring approved treatment facility shall arrange for his or her transportation.

(4) A person who is found to be incapacitated by alcohol at the time of his or her admission or to have become incapacitated at any time after his or her admission, may not be detained at the facility (~~((a) once he is no longer incapacitated by alcohol, and (b) if he remains incapacitated by alcohol))~~ for more than ~~((forty-eight))~~ seventy-two hours after admission as a patient, unless a petition is filed under RCW 70.96A.140, as now or hereafter amended: PROVIDED, That the treatment personnel at the facility are authorized to use such reasonable physical restraint as may be necessary to retain a person incapacitated by alcohol at such facility for up to ~~((forty-eight))~~ seventy-two hours from the time of admission. The seventy-two hour periods specified in this section shall be computed by excluding Saturdays, Sundays, and holidays. A person may consent to remain in the facility as long as the physician in charge believes appropriate.

(5) A person who is not admitted to an approved treatment facility, is not referred to another health facility, and has no funds, may be taken to his or her home, if any. If he or she has no home, the approved treatment facility shall assist him or her in obtaining shelter.

(6) If a patient is admitted to an approved treatment facility, his or her family or next of kin shall be notified as promptly as possible. If an adult patient who is not incapacitated requests that there be no notification, his or her request shall be respected.

(7) The police, members of the emergency service, or treatment facility personnel, who in good faith act in compliance with this chapter are performing in the course of their official duty and are not criminally or civilly liable therefor.

(8) If the person in charge of the approved treatment facility determines it is for the patient's benefit, the patient shall be encouraged to agree to further diagnosis and appropriate voluntary treatment.

Sec. 14. Section 14, chapter 122, Laws of 1972 ex. sess. as last amended by section 1, chapter 129, Laws of 1977 ex. sess. and RCW 70.96A.140 are each amended to read as follows:

(1) When the person in charge of a treatment facility, or his or her designee, receives information alleging that a person is incapacitated as a result of alcoholism, the person in charge, or his or her designee, after investigation and evaluation of the specific facts alleged

and of the reliability and credibility of the information, may file a petition for commitment of such person with the superior court or district court. If the person in charge, or his or her designee, finds that the initial needs of such person would be better served by placement within the mental health system, the person shall be referred to an evaluation and treatment facility as defined in RCW 71.05.020. If placement in an alcohol treatment facility is deemed appropriate, the petition shall allege that the person is an alcoholic who is incapacitated by alcohol, or that the person has twice before in the preceding twelve months been admitted for the voluntary treatment for alcoholism pursuant to RCW 70.96A.110 and is in need of a more sustained treatment program, or that the person is an alcoholic who has threatened, attempted, or inflicted physical harm on another and is likely to inflict physical harm on another unless committed. A refusal to undergo treatment does not constitute evidence of lack of judgment as to the need for treatment. The petition shall be accompanied by a certificate of a licensed physician who has examined the person within two days before submission of the petition, unless the person whose commitment is sought has refused to submit to a medical examination, in which case the fact of refusal shall be alleged in the petition. The certificate shall set forth the physician's findings in support of the allegations of the petition. A physician employed by the petitioning facility or the department is not eligible to be the certifying physician.

(2) Upon filing the petition, the court shall fix a date for a hearing no less than ~~((five))~~ three and no more than ~~((ten))~~ seven days after the date the petition was filed unless the person petitioned against is presently being detained by the facility, pursuant to RCW 70.96A.120, as now or hereafter amended, in which case the hearing shall be held within ~~((forty-eight))~~ seventy-two hours of the filing of the petition: PROVIDED, HOWEVER, That the above specified ~~((forty-eight))~~ seventy-two hours shall be computed by ~~((including))~~ excluding Saturdays ~~((but excluding))~~, Sundays, and holidays: PROVIDED FURTHER, That, the court may, upon motion of the person whose commitment is sought, or upon motion of petitioner with written permission of the person whose commitment is sought, or his or her counsel and, upon good cause shown, extend the date for the hearing. A copy of the petition and of the notice of the hearing, including the date fixed by the court, shall be served by the treatment facility on the person whose commitment is sought, his or her next of kin, a parent or his or her legal guardian if he or she is a minor, and any other person the court believes advisable. A copy of the petition and certificate shall be delivered to each person notified.

(3) At the hearing the court shall hear all relevant testimony, including, if possible, the testimony of at least one licensed physician who has examined the person whose commitment is sought. The person shall be present unless the court believes that his or her presence is likely to be injurious to him or her; in this event the court may deem it appropriate to appoint a guardian ad litem to represent him or her throughout the proceeding. If deemed advisable, the court may examine the person out of courtroom. If the person has refused to be examined by a licensed physician, he or she shall be given an opportunity to be examined by a court appointed licensed physician. If he or she refuses and there is sufficient evidence to believe that the allegations of the petition are true, or if the court believes that more medical evidence is necessary, the court may make a temporary order committing him or her to the department for a period of not more than five days for purposes of a diagnostic examination.

(4) If after hearing all relevant evidence, including the results of any diagnostic examination, the court finds that grounds for involuntary commitment have been established by clear, cogent, and convincing proof, it shall make an order of commitment to an approved treatment facility. It shall not order commitment of a person unless it determines that an approved treatment facility is able to provide adequate and appropriate treatment for him or her and the treatment is likely to be beneficial.

(5) A person committed under this section shall remain in the facility for treatment for a period of thirty days unless sooner discharged. At the end of the thirty day period, he or she shall be discharged automatically unless the facility, before expiration of the period, files a petition for his or her recommitment upon the grounds set forth in subsection (1) of this section for a further period of ninety days unless sooner discharged. If a person has been committed because he or she is an alcoholic likely to inflict physical harm on another, the facility shall apply for recommitment if after examination it is determined that the likelihood still exists.

(6) A person recommitment under subsection (5) of this section who has not been discharged by the facility before the end of the ninety day period shall be discharged at the expiration of that period unless the facility, before expiration of the period, obtains a court order on the grounds set forth in subsection (1) of this section for recommitment for a further period not to exceed ninety days. If a person has been committed because he or she is an alcoholic likely to inflict physical harm on another, the facility shall apply for recommitment if after examination it is determined that the likelihood still exists. Only two recommitment orders under subsections (5) and (6) of this section are permitted.

(7) Upon the filing of a petition for recommitment under subsections (5) or (6) of this section, the court shall fix a date for hearing no less than ~~((five))~~ three and no more than ~~((ten))~~ seven days after the date the petition was filed: PROVIDED, That, the court may, upon motion of the person whose commitment is sought and upon good cause shown, extend the date for the hearing. A copy of the petition and of the notice of hearing, including the date fixed by the

court, shall be served by the treatment facility on the person whose commitment is sought, his or her next of kin, the original petitioner under subsection (1) of this section if different from the petitioner for recommitment, one of his or her parents or his or her legal guardian if he or she is a minor, and his or her attorney and any other person the court believes advisable. At the hearing the court shall proceed as provided in subsection (3) of this section.

(8) The facility shall provide for adequate and appropriate treatment of a person committed to its custody. A person committed under this section may be transferred from one approved public treatment facility to another if transfer is medically advisable.

(9) A person committed to the custody of a facility for treatment shall be discharged at any time before the end of the period for which he or she has been committed and he or she shall be discharged by order of the court if either of the following conditions are met:

(a) In case of an alcoholic committed on the grounds of likelihood of infliction of physical harm upon another, that he or she is no longer an alcoholic or the likelihood no longer exists; or further treatment will not be likely to bring about significant improvement in the person's condition, or treatment is no longer adequate or appropriate.

(b) In case of an alcoholic committed on the grounds of the need of treatment and incapacity, that the incapacity no longer exists.

(10) The court shall inform the person whose commitment or recommitment is sought of his or her right to contest the application, be represented by counsel at every stage of any proceedings relating to his or her commitment and recommitment, and have counsel appointed by the court or provided by the court, if he or she wants the assistance of counsel and is unable to obtain counsel. If the court believes that the person needs the assistance of counsel, the court shall require, by appointment if necessary, counsel for him or her regardless of his or her wishes. The person shall, if he or she is financially able, bear the costs of such legal service; otherwise such legal service shall be at public expense. The person whose commitment or recommitment is sought shall be informed of his or her right to be examined by a licensed physician of his or her choice. If the person is unable to obtain a licensed physician and requests examination by a physician, the court shall employ a licensed physician.

(11) A person committed under this chapter may at any time seek to be discharged from commitment by writ of habeas corpus in a court of competent jurisdiction.

(12) The venue for proceedings under this section is the county in which person to be committed resides or is present.

(2) 'Agency action' means any of the following:

(a) The whole or part of a rule or an order;

(3) 'Agency head' means the individual or body of individuals in whom the ultimate legal authority of the agency is vested by any provision of law. If the agency head is a body of individuals, a majority of those individuals constitutes the agency head.

(4) 'Entry' of an order means the signing of the order by all persons who are to sign the order, as an official act indicating that the order is to be effective.

(5) 'Filing' of a document that is required to be filed with an agency means delivery of the document to a place designated by the agency by rule for receipt of official documents, or in the absence of such designation, at the office of the agency head.

(6) 'Institutions of higher education' are the University of Washington, Washington State University, Central Washington University, Eastern Washington University, Western Washington University, The Evergreen State College, the various community colleges, and the governing boards of each of the above, and the various colleges, divisions, departments, or offices authorized by the governing board of the institution involved to act for the institution, all of which are sometimes referred to in this chapter as 'institutions.'

(7) 'Interpretive statement' means a written expression of the opinion of an agency, so designated by the agency head or its designee, as to the meaning of a statute or other provision of law, of a court decision, or of an agency order.

(8) (a) 'License' means a franchise, permit, certification, approval, registration, charter, or similar form of authorization required by law, but does not include (i) a license required solely for revenue purposes, or (ii) a certification of an exclusive bargaining representative, or similar status, under a collective bargaining law or similar statute, or (iii) a license, franchise, or permission for use of trademarks, symbols, and similar property owned or controlled by the agency.

(b) 'Order of adoption' means the official written statement by which an agency adopts, amends, or repeals a rule.

(10) 'Party to agency proceedings,' or 'party' in a context so indicating, means:

(a) A person to whom the agency action is specifically directed; or

(b) A person named as a party to the agency proceeding or allowed to intervene or participate as a party in the agency proceeding.

(11) 'Party to judicial review or civil enforcement proceedings,' or 'party' in a context so indicating, means:

(a) A person who files a petition for a judicial review or civil enforcement proceeding; or

(b) A person named as a party in a judicial review or civil enforcement proceeding, or allowed to participate as a party in a judicial review or civil enforcement proceeding.

The term includes the amendment or repeal of a prior rule, but does not include (i) statements concerning only the internal management of an agency and not affecting private rights or procedures available to the public, (ii) declaratory orders entered pursuant to section 12 of this act, (iii) traffic restrictions for motor vehicles, bicyclists, and pedestrians established by the secretary of transportation or his designee where notice of such restrictions is given by official traffic control devices, or (iv) rules of institutions of higher education involving academic advancement, academic credit, graduation and the granting of degrees, employment relationships, and fiscal processes.

(16) 'Rule making' means the process for formulation and adoption of a rule.

(17) 'Service' means posting in the United States mail, properly addressed, postage prepaid, or personal service as provided by law. Service by mail is complete upon posting.

NEW SECTION. Sec. 2. CONSTRUCTION. This chapter creates only procedural rights and imposes only procedural duties. They are in addition to those created and imposed by all other statutes. This chapter takes precedence over all other statutes now in existence or subsequently enacted that appear to diminish a right created or duty imposed by this chapter, except to the extent another statute expressly provides that it takes precedence over this chapter.

NEW SECTION. Sec. 3. LIMITED EXEMPTIONS. (1) Special and unique circumstances justify the following limited exemptions from the provisions of this chapter as specified in this section.

(2) The provisions of this chapter do not apply (a) to the board of clemency and pardons, or (b) to the department of corrections or the indeterminate sentencing review board with respect to offenders, as that term is defined in RCW 9.94A.030(13), who are subject to the jurisdiction of those agencies, or (c) to the state militia.

(3) Sections 35 through 87 of this act do not apply to adjudicative proceedings of the board of industrial insurance appeals, nor do they apply to the department of labor and industries where another statute expressly provides for review of adjudicative proceedings of a department action, order, decision, or award before the board of industrial insurance appeals.

(4) Sections 35 through 87 of this act do not apply to actions of the state personnel board, the higher education personnel board, or the personnel appeals board.

(5) Sections 35 through 87 of this act do not apply to adjudicative proceedings pursuant to chapter 43.43 RCW to the extent those sections are inconsistent with provisions of chapter 43.43 RCW.

NEW SECTION. Sec. 4. OPERATION OF CHAPTER IF IN CONFLICT WITH FEDERAL LAW. If any part of this chapter is found to be in conflict with federal requirements that are a condition precedent to the allocation of federal funds to the state, the conflicting part of this chapter is inoperative solely to the extent of the conflict and with respect to the agencies directly affected, and such findings or determination shall not affect the operation of the remainder of this chapter in its application to the agencies concerned.

NEW SECTION. Sec. 5. WAIVER. Except to the extent precluded by another provision of law, a person may waive any right conferred upon that person by this chapter.

NEW SECTION. Sec. 6. SETTLEMENTS. Except to the extent precluded by another provision of law and subject to approval by agency order, settlement of matters that may make unnecessary more elaborate proceedings under this chapter is strongly encouraged. Agencies may establish by rule specific procedures for attempting and executing settlement of matters. This section does not require any party or other person to settle a matter.

NEW SECTION. Sec. 7. CONVERSION OF PROCEEDINGS. (1) When, during the course of an adjudicative or rule-making proceeding undertaken pursuant to this chapter, it becomes apparent that another form of proceeding under this chapter is necessary, in the public interest, or more appropriate to resolve issues affecting the participants, the presiding officer or other official responsible for the original proceeding, shall, on his or her own motion or on the motion of any party, advise the parties of necessary steps for conversion and, if within the official's power, commence the new proceeding. Commencement of the new proceeding shall be accomplished pursuant to the procedural rules of the new proceeding, except that elements already performed need not be repeated.

(2) Where appropriate, a new proceeding may be commenced independently of the original proceeding or may replace the original proceeding.

(3) Conversion to a replacement proceeding shall not be undertaken where doing so would substantially prejudice the rights of any party.

(4) The record of the original proceeding shall be included in the record of a replacement proceeding to the extent feasible.

(5) The time of commencement of a replacement proceeding shall be considered to be the time of commencement of the original proceeding.

NEW SECTION. Sec. 8. VARIATION FROM TIME LIMITS. (1) The time limits set forth in this chapter for the taking of action by an agency or other person may be increased or decreased only as set forth in this section. Subsections (2), (3), (4), and (5) of this section are alternative standards.

(2) The time limits set forth in this chapter may be increased or decreased for an agency by rule of the agency or by rule of the chief administrative law judge if:

(a) The agency has an agency head composed of a body of individuals serving part time who do not regularly meet on a schedule that would allow compliance with the time limits of this chapter in the normal course of agency affairs;

(b) The agency does not have a permanent staff who could arrange agency affairs to comply with the time limits set forth in this chapter without substantial loss of efficiency and economy; and

(c) The rights of persons dealing with the agency are not substantially impaired.

(3) The time limits set forth in this chapter may be increased or decreased by agency rule if the agency determines that the change is necessary to the performance of its statutory duties. Agency rule may provide for emergency variation when required in a specific case.

(4) Time limits may be changed pursuant to section 4 of this act.

(5) Time limits may be waived pursuant to section 5 of this act.

(6) Any increase or decrease in the time limits set forth in this chapter shall be to new time limits that are reasonable under the specific circumstances.

(7) In any rule-making or adjudicative proceeding, any agency whose time limits vary from those set forth in this chapter shall provide reasonable and adequate notice of the pertinent time limits to persons affected. In an adjudicative proceeding, such notice may be given by the presiding or reviewing officer involved in the proceeding. In a rule-making proceeding, the notice may be given in the notice of proposed rule-making.

(8) Two years after the effective date of this section, the chief administrative law judge shall cause a survey to be made of variations by agencies from the time limits set forth in other sections of this chapter, and shall prepare a written report of the results of the survey to the office of the governor. The report shall be made immediately available to the public.

PART II.

PUBLIC ACCESS TO AGENCY RULES

NEW SECTION. Sec. 9. PUBLICATION OF REGISTER AND ADMINISTRATIVE CODE. (1) The requirements of this section are in addition to any publication requirements of chapter 42.17 RCW.

(2) Subject to the provisions of this chapter, the code reviser shall prescribe a uniform numbering system, form, and style for all proposed and adopted rules, and has authority to edit the rules for clarity and accuracy and to correct ministerial mistakes, but without changing the meaning of any rule.

(3) The code reviser shall publish a register in which the text of all rule-making actions filed during the appropriate register publication period shall appear.

(4) The code reviser shall cause the Washington Administrative Code to be compiled, indexed by subject, and published. All of the current, permanently effective rules of each agency shall be published and indexed in that publication. The code reviser shall also cause supplements to be published at least annually in a form compatible with the main compilation.

(5) The code reviser may omit from the register or the code any rules, the publication of which would be unduly cumbersome, expensive, or otherwise inexpedient, if such rules are made available on application to the adopting agency, and if the register or the code contains a notice stating the general subject matter of the rules that have been omitted and stating how copies of them may be obtained.

(6) The code reviser shall supply registers and codes upon request and without charge to state elected officials whose offices are created by Article II or Article III of the state Constitution

or by RCW 48.02.010, and without request or charge to county boards of law library trustees. Other persons may purchase these materials at a price fixed by the code reviser.

(7) Judicial notice shall be taken of rules filed and published as provided in this section.

NEW SECTION. Sec. 10. PUBLIC ACCESS TO INTERPRETIVE AND POLICY STATEMENTS. (1) The requirements of this section are subject to any publication or access requirements of chapter 42.17 RCW.

(2) Each agency and each branch, office, or subdivision of each agency shall maintain a current and dated compilation that is indexed by subject, containing all interpretive and policy statements of the agency, branch, office, or other subdivision that are so designated after the effective date of this section. Each compilation shall be available for public inspection and copying. Each agency shall maintain an interested persons roster, consisting of persons who have requested in writing to be notified of all interpretive and policy statements issued by that agency. The agencies shall update their interested person rosters once each year and eliminate persons who do not indicate a desire to continue on the interested persons roster. Whenever an agency issues an interpretive or policy statement, it shall send a copy of such statement to each person listed on the interested persons roster. The agency may charge a nominal fee to the interested person for this service.

(3) Each agency may adopt rules designating the employees or classes of employees of the agency and of each branch, office, or subdivision who have the authority to make interpretive and policy statements.

(4) This section shall not be construed to require that interpretive and policy statements be uniform between branches, offices, or subdivisions of the same agency where uniformity is impracticable.

NEW SECTION. Sec. 11. PUBLIC INSPECTION AND COPYING OF AGENCY ORDERS. (1) Subject to the provisions of chapter 42.17 RCW, each agency shall:

(a) Make available for public inspection and copying all written final orders. An agency shall delete from those orders material to the extent required by any provision of law or necessary to prevent a clearly unwarranted invasion of privacy or release of trade secrets. In each case, the justification for the deletion must be explained in writing and attached to the order.

(b) Maintain and make available for public inspection and copying an index by name and subject of written final orders, issued after the effective date of this section, that the agency considers as a guide to future decision making.

(2) A written final order may not be relied on as precedent by an agency to the detriment of any person until it has been made available for public inspection and indexed in the manner described in subsection (1)(b) of this section. This provision is inapplicable to any person who has actual knowledge of the order. The agency has the burden of proving that knowledge, but may meet that burden by proving that the person has been properly served with a copy of the order.

(3) An agency may use an outside service to prepare the index specified in subsection (1)(b) of this section. Use of an outside service does not relieve the agency of the requirement to make the index available for public inspection and copying.

NEW SECTION. Sec. 12. DECLARATORY ORDERS. (1) Any person may petition an agency for a declaratory order as to the applicability to specified circumstances of a statute, rule, or order within the primary jurisdiction of the agency. The petition shall set forth facts and reasons on which the petitioner relies to show:

(a) That uncertainty necessitating resolution exists;

(b) That there is actual controversy arising from the uncertainty such that a declaratory order will not be merely an advisory opinion;

(c) That the uncertainty adversely affects petitioner;

(d) That the adverse effect of uncertainty on the petitioner outweighs any adverse effects on others or on the general public that may likely arise from the order requested; and

(e) That the petition complies with any additional requirements established by the agency under subsection (2) of this section.

The petition shall be verified by the petitioner.

(2) Each agency may adopt rules that provide for: (a) The form, contents, and filing of petitions for a declaratory order; (b) the procedural rights of persons in relation thereto; and (c) the disposition of those petitions. These rules may include a description of the classes of circumstances in which the agency will not enter a declaratory order, and shall be consistent with the public interest and with the general policy of this chapter to facilitate and encourage agencies to provide reliable advice.

(3) Within fifteen days after receipt of a petition for a declaratory order, the agency shall give notice of the petition to all persons to whom notice is required by law, and may give notice to any other person it deems desirable.

(4) Provisions of Part IV of this chapter apply to agency proceedings for declaratory orders only to the extent an agency so provides by rule or order.

(5) Within thirty days after receipt of a petition for a declaratory order an agency, in writing, shall do one of the following:

(a) Enter an order declaring the applicability of the statute, rule, or order in question to the specified circumstances;

(b) Set the matter for specified proceedings to be held no more than ninety days after receipt of the petition;

(c) Set a specified time no more than ninety days after receipt of the petition by which it will enter a declaratory order; or

(d) Decline to enter a declaratory order, stating the reasons for its action.

(6) An agency may decline to enter a declaratory order for reasons including, but not limited to, the following:

(a) The plaintiff is not an interested party;

(b) The lack of uncertainty necessitating resolution;

(c) The lack of an actual controversy;

(d) The lack of an adverse effect of uncertainty on the petitioner;

(e) The adverse effects of a declaratory order on others or on the public, including the agency's costs in undertaking to reach a decision, outweighs any adverse effect of uncertainty on the petitioner;

(f) The declaratory order requested is outside established budget constraints and agency priorities;

(g) Any other established by the agency pursuant to subsection (2) of this section; or

(h) Any other proper reason.

(7) The time limits of subsection (5)(b) and (c) of this section may be extended by the agency for good cause.

(8) An agency may not enter a declaratory order that would substantially prejudice the rights of a person who would be a necessary party and who does not consent in writing to the determination of the matter by a declaratory order proceeding.

(9) A copy of all orders entered in response to a petition for a declaratory order shall be mailed promptly to the petitioner and any other parties.

(10) A declaratory order has the same status as any other order entered in an agency adjudicative proceeding. Each declaratory order shall contain the names of all parties to the proceeding on which it is based, the particular facts on which it is based, and the reasons for its conclusions.

NEW SECTION. Sec. 13. **REQUIRED RULE MAKING.** (1) In addition to other rule-making requirements imposed by any provision of law, each agency shall, as soon as feasible and to the extent practicable for general application, adopt rules to set forth principles of law or policy that have been lawfully declared by the agency as the basis for its decisions in particular cases.

(2) Any person who claims that an agency has failed to adopt rules as required by this section may petition the agency to request the adoption of rules pursuant to section 34 of this act. An agency's failure to adopt rules as required by this section shall not invalidate an agency order or other action that is otherwise lawful.

NEW SECTION. Sec. 14. **USE OF INTERPRETIVE AND POLICY STATEMENTS.** In all situations where the adoption of rules is not feasible and practicable, an agency is encouraged to advise the public of its current opinions, approaches, and likely courses of action by means of interpretive and policy statements. Current interpretive and policy statements are advisory and shall not bind an agency to any particular future action or course of action in any particular case. However, agency actions shall be consistent with interpretive and policy statements unless there is a fair and rational basis for deviation which in the public interest outweighs any hardship to a person from deviation. An agency is encouraged to convert long-standing interpretive and policy statements into rules.

NEW SECTION. Sec. 15. **MODEL RULES OF PROCEDURE.** The chief administrative law judge shall adopt model rules of procedure appropriate for use by as many agencies as possible. The model rules shall deal with all general functions and duties performed in common by the various agencies. Each agency shall adopt as much of the model rules as is practicable under its circumstances. Any agency adopting a rule of procedure that differs from the model rules shall include in the order of adoption a finding stating the reasons why the relevant portions of the model rules were impracticable under the circumstances.

PART III.

RULE-MAKING PROCEDURES

NEW SECTION. Sec. 16. **SOLICITATION OF COMMENTS BEFORE NOTICE PUBLICATION.** (1) In addition to seeking information by other methods, an agency may, before publication of a notice of a proposed rule adoption under section 18 of this act, solicit comments from the public on a subject of possible rule making under active consideration within the agency, by causing notice to be published in the state register of the subject matter and indicating where, when, and how persons may comment.

(2) Each agency may appoint committees to comment, before publication of a notice of proposed rule adoption under section 18 of this act, on the subject of a possible rule-making action under active consideration within the agency.

(3) Each agency shall designate a rules coordinator, who shall have knowledge of the subjects of rules being proposed or prepared within the agency for proposal, maintain the records of any such action, and respond to public inquiries about possible or proposed rules and the identity of agency staff persons working, reviewing, or commenting on them. The office and mailing address of the rules coordinator shall be published in the state register at the time of designation and in the first issue of each calendar year thereafter for the duration of the designation.

NEW SECTION. Sec. 17. RULE-MAKING DOCKET. (1) Each agency shall maintain a current public rule-making docket. The rule-making docket shall contain a listing of the subject of each rule currently being prepared by the agency for proposal under section 18 of this act, the name and address of agency personnel with whom persons may communicate with respect to the proposal, and an indication of the present status of that possible rule.

(2) The rule-making docket shall contain a listing of each pending rule-making proceeding. A rule-making proceeding is pending from the time it is commenced by publication of a notice of proposed rule adoption under section 18 of this act until it is terminated under section 20(3) of this act.

(3) For each rule-making proceeding, the docket shall indicate all of the following:

(a) The subject of the proposed rule;

(b) A citation to all notices relating to the proceeding that have been published in the state register under section 18 of this act;

(c) The place where written submissions about the proposed rule may be inspected;

(d) The time during which written submissions will be accepted;

(e) The current timetable established for the agency proceeding, including the time and place of any rule-making hearing, the date of the rule's adoption, filing, indexing, publication, and its effective date.

NEW SECTION. Sec. 18. NOTICE OF PROPOSED RULE MAKING. (1) At least twenty days before the rule-making hearing at which the agency receives public comment regarding adoption of a rule, the agency shall cause notice of the hearing to be published in the state register. The publication constitutes the proposal of a rule. The notice shall include all of the following:

(a) A short explanation of the purpose of the rule, including, in the case of a proposal that would modify existing rules, a short description of the changes that the proposal would make;

(b) The specific legal authority for the proposed rule;

(c) Subject to sections 9(5) and 26 of this act, the text of the proposed rule;

(d) Where, when, and how persons may present their views on the proposed rule;

(e) The time and place of adoption of the proposed rule;

(f) A brief analysis describing the expected effects of the proposed rule, and identifying the classes of persons believed by the agency to be substantially affected by the proposal; and

(g) A written analysis of the proposed rule, including but not limited to background information and the effects of the rule, and any anticipated changes in state revenues and state expenditures; and

(h) A small business economic impact statement if required by chapter 19.85 RCW.

(2) No later than three days after its publication in the state register, the agency shall cause a copy of the notice of proposed rule adoption to be mailed to each person who has made a timely request to the agency for a mailed copy of such notices. An agency may charge persons for the actual cost of providing them individual mailed copies of those notices.

(3) In addition to the notices required by subsections (1) and (2) of this section, an institution of higher education shall cause the notice to be published in the campus or standard newspaper of the institution and in a newspaper of general circulation in the area at least seven days before the rule-making hearing.

NEW SECTION. Sec. 19. PUBLIC PARTICIPATION IN RULE MAKING. (1) Written comment about the proposed rule, including supporting data, shall be accepted by the agency if received no later than the time and date specified in the notice, or such later time and date established at the rule-making hearing to afford interested persons the opportunity to present comments.

(2) The agency shall provide an opportunity for oral comment to be received by the agency in a rule-making hearing.

(3) The agency head, a member of the agency head, or a presiding officer designated by the agency head shall preside at the rule-making hearing. Rule-making hearings shall be open to the public. The agency shall cause a record to be made of the hearing by stenographic, mechanical, or electronic means. Unless the agency head presides or is present at substantially all the hearings, the presiding official shall prepare a memorandum for consideration by the agency head, summarizing the contents of the presentations made at the rule-making hearing. The summarizing memorandum is a public document and shall be made available to any person in accordance with chapter 42.17 RCW.

(4) Rule-making hearings are legislative in character and shall be reasonably conducted by the presiding official to afford interested persons the opportunity to present comment. Rule-

making hearings may be continued to a later time and place established on the record without publication of further notice under section 18 of this act.

NEW SECTION. Sec. 20. TIME AND MANNER OF RULE ADOPTION. (1) Before adopting a rule, an agency shall consider the written and oral submissions, or any memorandum summarizing oral submissions.

(2) An agency may not adopt a rule before the time established in the published notice, or such later time established on the record or by publication in the state register.

(3) A rule-making proceeding terminates upon the adoption or rejection of a proposed rule by the agency or, if no action is taken, upon the expiration of one hundred eighty days after publication in the register of the text as last proposed.

NEW SECTION. Sec. 21. VARIANCE BETWEEN PROPOSED AND FINAL RULE. (1) An agency may not adopt a rule that is substantially different from the rule proposed in the published notice of proposed rule adoption or a supplemental notice in the proceeding. When an agency contemplates making a substantial variance from a proposed rule described in a published notice, it may file a supplemental notice with the code reviser meeting the requirements of section 18 of this act and reopen the proceedings for public comment on the proposed variance, or the agency may reject the proposed rule and commence a new rule-making proceeding to adopt a substantially different rule. If a new rule-making proceeding is commenced, relevant public comment received regarding the initial proposed rule shall be considered in the new proceeding.

(2) The following factors shall be considered in determining whether an adopted rule is substantially different from the proposed rule on which it is based:

(a) The extent to which a reasonable person affected by the adopted rule would have understood that the published proposed rule would affect his or her interests;

(b) The extent to which the subject of the adopted rule or the issues determined in it are different from the subject or issues determined in the published proposed rule; and

(c) The extent to which the effects of the adopted rule differ from the effects of the published proposed rule.

NEW SECTION. Sec. 22. FAILURE TO GIVE TIMELY NOTICE. Except for emergency rules adopted under section 23 of this act, when twenty days' notice of an agency's intended action to adopt, amend, or repeal a rule has not been published in the state register as required in section 18 of this act, the code reviser shall not publish such rule and such rule shall not be effective for any purpose.

NEW SECTION. Sec. 23. EMERGENCY RULES. (1) Where an agency for good cause finds that the immediate adoption, amendment, or repeal of a rule is necessary for the preservation of the public health, safety, or general welfare, and that observing the requirements of notice and opportunity to present comment would be contrary to the public interest, the agency may dispense with those requirements and may adopt, amend, or repeal the rule on an emergency basis. The agency shall incorporate the required finding and a brief statement of the reasons therefor in the order of adoption for the emergency rule. If contested, the burden is upon the party urging the validity of the rule to establish the condition for action under this section.

(2) A rule or amendment adopted under this section takes effect upon filing with the code reviser and shall not remain in effect longer than ninety days after filing.

(3) This section does not relieve the agency from the requirements of conforming to appropriate sections of the Regulatory Fairness Act, RCW 19.85.030 and 19.85.040.

NEW SECTION. Sec. 24. CONCISE EXPLANATORY STATEMENT. (1) At the time it files an adopted rule with the code reviser or within thirty days thereafter, an agency shall place into the rule-making record maintained under section 27 of this act a concise explanatory statement about the rule, identifying (a) the agency's reasons for adopting the rule, and (b) a description of any difference between the text of the proposed rule as published in the register and the text of the rule as adopted, stating the reasons for change.

(2) Upon the request of any interested person within thirty days after adoption of a rule, the agency shall issue a concise statement of the principal reasons for overruling the considerations urged against its adoption.

NEW SECTION. Sec. 25. ORDER ADOPTING RULE. CONTENTS. The order of adoption by which each rule is adopted by an agency shall contain all of the following:

(1) The date the agency adopted the rule;

(2) A concise statement of the purpose of the rule;

(3) A reference to all rules repealed, amended, or suspended by the rule;

(4) A reference to the specific statutory or other authority authorizing adoption of the rule;

(5) Any findings required by any provision of law as a precondition to adoption or effectiveness of the rule; and

(6) The effective date of the rule if other than that specified in section 30(1) of this act.

NEW SECTION. Sec. 26. INCORPORATION BY REFERENCE. An agency may incorporate by reference and without publishing the incorporated matter in full, all or any part of a code, standard, rule, or regulation that has been adopted by an agency of the United States, of this state, or of another state, by a political subdivision of this state, or by a generally recognized organization or association if incorporation of the full text in the agency rules would be unduly

cumbersome, expensive, or otherwise inexpedient. The reference in agency rules shall fully identify the incorporated matter. An agency may incorporate by reference such matter in its rules only if the agency, organization, or association originally issuing that matter makes copies readily available to the public. The incorporating agency shall have, maintain, and make available for public inspection a copy of the incorporated matter. The rule must state where copies of the incorporated matter are available.

NEW SECTION. Sec. 27. RULE-MAKING RECORD. (1) Each agency shall maintain an official rule-making record for each rule that it (a) proposes by publication in the state register, or (b) adopts. The record, and materials incorporated by reference, shall be available for public inspection.

(2) The agency rule-making record shall contain all of the following:

(a) Copies of all publications in the state register with respect to the rule or the proceeding upon which the rule is based;

(b) Copies of any portions of the agency's public rule-making docket containing entries relating to the rule or the proceeding on which the rule is based;

(c) All written petitions, requests, submissions, and comments received by the agency and all other written material regarded by the agency as important to adoption of the rule or the proceeding on which the rule is based;

(d) Any official transcript of oral presentations made in the proceeding on which the rule is based or, if not transcribed, any tape recording or stenographic record of them, and any memorandum prepared by a presiding official summarizing the contents of those presentations;

(e) The explanatory statement required by section 24 of this act;

(f) All petitions for exceptions to, amendment of, or repeal or suspension of, the rule; and

(g) Any other material placed in the record by the agency.

(3) Internal agency documents are exempt from inclusion in the rule-making record under subsection (2) of this section to the extent they constitute preliminary drafts, notes, recommendations, and intra-agency memoranda in which opinions are expressed or policies formulated or recommended, except that a specific document is not exempt from inclusion when it is publicly cited by an agency in connection with its decision.

(4) Upon judicial review, the record required by this section constitutes the official agency rule-making record with respect to that rule. Unless otherwise required by another provision of law, the official agency rule-making record need not be the exclusive basis for agency action on that rule.

NEW SECTION. Sec. 28. SUBSTANTIAL COMPLIANCE WITH PROCEDURES. No rule proposed after the effective date of this act is valid unless it is adopted in substantial compliance with sections 16 through 33 of this act. Inadvertent failure to mail notice of a proposed rule adoption to any person as required by section 18(2) of this act does not invalidate a rule. No action based upon this section may be maintained to contest the validity of any rule unless it is commenced within two years after the effective date of the rule.

NEW SECTION. Sec. 29. FILING OF RULES. Each agency shall file in the office of the code reviser each rule that it adopts under this chapter, except for rules contained in tariffs filed with or published by the Washington utilities and transportation commission. The code reviser shall place upon each rule a notation of the time and date of filing and keep a permanent register open to public inspection of all filed rules. In filing a rule, each agency shall use the standard form prescribed for this purpose by the code reviser.

NEW SECTION. Sec. 30. EFFECTIVE DATE OF RULES. (1) Except as otherwise provided in this section or section 23 of this act, each rule adopted after the effective date of this act, becomes effective thirty days after its filing with the code reviser.

(2) A rule may become effective on a date later than specified in subsection (1) of this section if a later date is required by the state or federal Constitution, a statute, or court order, or is specified in the order adopting the rule.

(3) A rule may become effective immediately upon its filing with the code reviser or on any subsequent date earlier than that established by subsection (1) of this section, if the agency establishes that effective date and finds that:

(a) Such action is required by the state or federal Constitution, a statute, or court order;

(b) The rule only delays the effective date of another rule that is not yet effective; or

(c) The earlier effective date is necessary because of imminent peril to the public health, safety, or welfare.

The finding and a brief statement of the reasons therefor required by this subsection shall be made a part of the order adopting the rule.

(4) With respect to a rule made effective pursuant to subsection (3) of this section, each agency shall make reasonable efforts to make the effective date known to persons who may be affected by it.

NEW SECTION. Sec. 31. RULES ON DRAFTING, FILING, AND PUBLICATION OF RULES. The code reviser may adopt rules to implement the provisions of this chapter relating to the filing and publication of rules and notices of intention to adopt rules, including the form and style to be employed by the various agencies in the drafting of rules and notices.

NEW SECTION. Sec. 32. COMPLIANCE WITH WAC STYLE, FORMAT, AND NUMBERING SYSTEM. After the rules of an agency have been published by the code reviser:

(1) All agency orders amending or rescinding such rules, or creating new rules, shall be formulated in accordance with the style, format, and numbering system of the Washington Administrative Code;

(2) Amendments of previously adopted rules shall incorporate any editorial corrections made by the code reviser; and

(3) Any subsequent printing or reprinting of such rules shall be printed in the style and format (including the numbering system) of such code.

NEW SECTION. Sec. 33. FORMAT AND STYLE OF AMENDATORY AND NEW RULES—EFFECT OF FAILURE TO COMPLY. (1) Rules proposed or adopted by an agency under this chapter that amend existing sections of the administrative code shall have the words that are amendatory to the existing sections underlined. Any matter to be deleted from an existing section shall be indicated by setting forth the matter in full, enclosed by double parentheses, and the deleted matter shall be lined out with hyphens. A new section shall be designated "NEW SECTION" in upper case type, and the designation shall be underlined, but the text of the new section shall not be underlined. No rule may be forwarded by any agency to the code reviser, nor may the code reviser accept for filing any rule unless the format of the rule complies with this section.

(2) Once the rule has been formally adopted by the agency the code reviser need not, except with regard to the register published under section 9(3) of this act, include the items enumerated in subsection (1) of this section in the official code.

(3) Any addition to or deletion from an existing code section that is not filed by the agency in the style prescribed by subsection (1) of this section is in all respects ineffectual, and shall not be shown in subsequent publications or codifications of that section unless the ineffectual portion of the rule is clearly distinguished and an explanatory note is appended to it by the code reviser in accordance with section 9(2) of this act.

NEW SECTION. Sec. 34. PETITION FOR ADOPTION OF RULE. Any person may petition an agency to request the adoption, amendment, or repeal of a rule. Each agency may prescribe by rule the form of the petition and the procedure for its submission, consideration, and disposition. Within sixty days after submission of a petition, the agency shall either (1) deny the petition in writing, stating the reasons for the denial, or (2) initiate rule-making proceedings in accordance with the provisions of this chapter.

PART IV.

ADJUDICATIVE PROCEEDINGS

NEW SECTION. Sec. 35. ADJUDICATIVE PROCEEDINGS. (1) Adjudicative proceedings under section 36 of this act are governed by sections 36 through 64 of this act, except as otherwise provided:

(a) By a rule that adopts the procedures for brief adjudicative proceedings in accordance with the standards provided in section 61 of this act for those proceedings;

(b) By section 59 of this act pertaining to emergency adjudicative proceedings; or

(c) By section 12 of this act pertaining to declaratory proceedings.

(2) Sections 35 through 64 of this act do not apply to rule-making proceedings unless another statute expressly so requires.

NEW SECTION. Sec. 36. ADJUDICATIVE PROCEEDINGS—COMMENCEMENT—WHEN REQUIRED. (1) Within the scope of its authority, an agency may commence an adjudicative proceeding at any time with respect to a matter within the agency's jurisdiction.

(2) When required by law or constitutional right, and upon the timely application of any person an agency shall commence an adjudicative proceeding before the entry of an order unless the agency lacks authority to conduct the proceeding or lacks jurisdiction of the subject matter.

(3) An agency may require by rule that an application for an adjudicative proceeding be in writing and that it be filed at a specific address and in a specified manner.

(4) An application for an agency to enter an order includes an application for the agency to conduct appropriate adjudicative proceedings, whether or not the applicant expressly requests those proceedings.

(5) An adjudicative proceeding commences when the agency or a presiding officer:

(a) Notifies a party that a prehearing conference, hearing, or other stage of an adjudicative proceeding will be conducted; or

(b) Begins to take action on a matter that appropriately may be determined by an adjudicative proceeding, unless this action is:

(i) An investigation for the purpose of determining whether an adjudicative proceeding should be conducted; or

(ii) A decision that, under section 38(1) of this act, the agency may make without conducting an adjudicative proceeding.

NEW SECTION. Sec. 37. DECISION NOT TO CONDUCT AN ADJUDICATION. If an agency decides not to conduct an adjudicative proceeding in response to an application, the agency shall furnish the applicant a copy of its decision in writing, with a brief statement of the agency's reasons and of any administrative review available to the applicant.

NEW SECTION. Sec. 38. **AGENCY ACTION ON APPLICATIONS FOR ADJUDICATION.** After receipt of an application for an adjudicative proceeding, other than a declaratory order, an agency shall proceed as follows:

(1) Except in situations governed by subsection (2) or (3) of this section, within ninety days after receipt of the application or of the response to a timely request made by the agency under subsection (2) of this section, the agency shall do one of the following:

(a) Approve or deny the application, in whole or in part, on the basis of brief or emergency adjudicative proceedings, if those proceedings are available under this chapter for disposition of the matter;

(b) Commence an adjudicative proceeding in accordance with this chapter; or

(c) Dispose of the application in accordance with section 37 of this act;

(2) Within thirty days after receipt of the application, the agency shall examine the application, notify the applicant of any obvious errors or omissions, request any additional information the agency wishes to obtain and is permitted by law to require, and notify the applicant of the name, mailing address, and telephone number of an office that may be contacted regarding the application;

(3) If the application seeks relief that is not available when the application is filed but may be available in the future, the agency may proceed to make a determination of eligibility within the time limits provided in subsection (1) of this section. If the agency determines that the applicant is eligible, the agency shall maintain the application on the agency's list of eligible applicants as provided by law and, upon request, shall notify the applicant of the status of the application.

NEW SECTION. Sec. 39. **LICENSES AND LICENSING.** (1) Unless otherwise provided by law, applications for rate changes and uncontested applications for licenses may, in the agency's discretion, be conducted as adjudicative proceedings. Applications for licenses that are contested by a person having standing to contest under law and review of denials of applications for licenses or rate changes, except as specified in RCW 66.08.150, shall be conducted as adjudicative proceedings.

(2) An agency may not revoke, suspend, modify, annul, withdraw, or amend a license unless the agency gives notice of an opportunity for an appropriate adjudicative proceeding in accordance with this chapter or other statute.

(3) This section does not preclude an agency from (a) taking immediate action to protect the public interest in accordance with section 59 of this act or in accordance with a provision of law that expressly authorizes the agency to issue a cease and desist order or (b) adopting rules, otherwise within the scope of its authority, pertaining to a class of licensees, including rules affecting the existing licenses of a class of licensees.

(4) When a licensee has made timely and sufficient application for the renewal of a license or a new license with reference to any activity of a continuing nature, an existing full, temporary, or provisional license does not expire until the application has been finally determined by the agency.

NEW SECTION. Sec. 40. **PRESIDING OFFICERS—DISQUALIFICATION, SUBSTITUTION.** (1) Except as provided in subsection (2) of this section, the agency head, one or more members of the agency head, a person designated to make the final decision and enter the final order, or one or more administrative law judges assigned by the office of administrative hearings in accordance with chapter 34.12 RCW may, in the discretion of the agency head, be the presiding officer in an adjudicative proceeding.

(2) An agency expressly exempted under RCW 34.12.020(4) or other statute from the provisions of chapter 34.12 RCW shall designate a presiding officer as provided by rules adopted by the agency.

(3) Any individual serving or designated to serve alone or with others as presiding officer is subject to disqualification for bias, prejudice, interest, or any other cause provided in this chapter or for which a judge is disqualified.

(4) Any party may petition for the disqualification of an individual promptly after receipt of notice indicating that the individual will preside or, if later, promptly upon discovering facts establishing grounds for disqualification.

(5) The individual whose disqualification is requested shall determine whether to grant the petition, stating facts and reasons for the determination.

(6) If a substitute is required for an individual who becomes unavailable as a result of disqualification or any other reason, the substitute must be appointed by the appropriate appointing authority.

(7) Any action taken by a duly appointed substitute for an unavailable individual is as effective as if taken by the unavailable individual.

NEW SECTION. Sec. 41. **REPRESENTATION.** (1) Any party may participate personally or, if the party is a corporation or other artificial person, by a duly authorized representative.

(2) Whether or not participating in person, any party may be advised and represented at the party's own expense by counsel or, if permitted by provision of law, other representative.

NEW SECTION. Sec. 42. **CONFERENCE—PROCEDURE AND ORDER.** (1) Agencies are authorized to hold prehearing or other conferences for the settlement or simplification of issues.

Every agency shall by rule describe the conditions under which and the manner in which conferences are to be held.

(2) In the discretion of the presiding officer, and where the rights of the parties will not be prejudiced thereby, all or part of the conference may be conducted by telephone, television, or other electronic means. Each participant in the conference must have an opportunity to participate effectively in, to hear, and, if technically and economically feasible, to see the entire proceeding while it is taking place.

NEW SECTION. Sec. 43. NOTICE OF HEARING. (1) The agency or the office of administrative hearings shall set the time and place of the hearing and give not less than seven days advance written notice to all parties and to all persons who have filed written petitions to intervene in the matter.

(2) The notice shall include:

(a) Unless otherwise ordered by the presiding officer, the names and mailing addresses of all parties to whom notice is being given and, if known, the names and addresses of their representatives;

(b) Where the agency intends to appear, the mailing address and telephone number of the office designated to represent the agency in the proceeding;

(c) The official file or other reference number and the name of the proceeding;

(d) A statement of the date, time, place, and nature of the hearing;

(e) A statement of the legal authority and jurisdiction under which the hearing is to be held;

(f) The name, official title, mailing address, and telephone number of the presiding officer, if known;

(g) A short and plain statement of matters asserted by the agency; and

(h) A statement that a party who fails to attend or participate in a hearing or other stage of an adjudicative proceeding may be held in default in accordance with this chapter.

(3) If the agency, pursuant to subsection (2)(g) of this section, is unable to state the matters asserted in detail at the time the notice is served, the initial notice may be limited to a statement of the issues involved, or, where the proceeding is initiated by other than the agency, to the inclusion of a copy of the initiating document. Thereafter, upon request, a more definite and detailed statement shall be furnished.

(4) The notice may include any other matters considered desirable.

NEW SECTION. Sec. 44. PLEADINGS, BRIEFS, MOTIONS, SERVICE. (1) The presiding officer, at appropriate stages of the proceedings, shall give all parties full opportunity to submit and respond to pleadings, motions, objections, and offers of settlement.

(2) At appropriate stages of the proceedings, the presiding officer may give all parties full opportunity to file briefs, proposed findings of fact and conclusions of law, and proposed initial or final orders.

(3) A party that files a pleading, brief, or other paper with the agency or presiding officer shall serve copies on all other parties, unless a different procedure is specified by agency rule.

NEW SECTION. Sec. 45. DEFAULT. (1) If a party fails to attend or participate in a hearing or other stage of an adjudicative proceeding, the presiding officer may serve upon all parties a default or other dispositive order, which shall include a statement of the grounds for the order.

(2) Within seven days after service of a default order, or such longer period as provided by agency rule, the party against whom it was entered may file a written motion requesting that the order be vacated, and stating the grounds relied upon. During the time within which a party may file a written motion under this subsection, the presiding officer may adjourn the proceedings or conduct them without the participation of that party, having due regard for the interests of justice and the orderly and prompt conduct of the proceedings.

NEW SECTION. Sec. 46. INTERVENTION. (1) The presiding officer may grant a petition for intervention at any time, upon determining that the petitioner qualifies as an intervenor under any provision of law and that the intervention sought is in the interests of justice and will not impair the orderly and prompt conduct of the proceedings.

(2) If a petitioner qualifies for intervention, the presiding officer may impose conditions upon the intervenor's participation in the proceedings, either at the time that intervention is granted or at any subsequent time. Conditions may include:

(a) Limiting the intervenor's participation to designated issues in which the intervenor has a particular interest demonstrated by the petition; and

(b) Limiting the intervenor's use of discovery, cross-examination, and other procedures so as to promote the orderly and prompt conduct of the proceedings; and

(c) Requiring two or more intervenors to combine their presentations of evidence and argument, cross-examination, discovery, and other participation in the proceedings.

(3) The presiding officer shall timely grant or deny each pending petition for intervention, specifying any conditions, and briefly stating the reasons for the order. The presiding officer may modify the order at any time, stating the reasons for the modification. The presiding officer shall promptly give notice of the decision granting, denying, or modifying intervention to the petitioner for intervention and to all parties.

NEW SECTION. Sec. 47. SUBPOENAS, DISCOVERY, AND PROTECTIVE ORDERS. (1) The presiding officer may issue subpoenas and may enter protective orders. A subpoena may be issued with like effect by the agency or the attorney of record in whose behalf the witness is required to appear.

(2) An agency may by rule determine whether or not discovery is to be available in adjudicative proceedings and, if so, which forms of discovery may be used.

(3) Except as otherwise provided by agency rules, the presiding officer may decide whether to permit the taking of depositions, the requesting of admissions, and all other procedures authorized by rules 26 through 36 of the superior court civil rules. The presiding officer may condition use of discovery on a showing of necessity and unavailability by other means. In exercising such discretion, the presiding officer shall consider: (a) Whether all parties are represented by counsel; (b) whether undue expense or delay in bringing the case to hearing will result; (c) whether the discovery will promote the orderly and prompt conduct of the proceeding; and (d) whether the interests of justice will be promoted.

(4) Subpoenas issued and discovery orders and protective orders entered under this section may be enforced under the provisions of this chapter on civil enforcement of agency action.

(5) Witnesses shall be paid the same fees and allowances, in the same manner and under the same conditions, as provided for witnesses of the courts of this state by chapter 2.40 RCW and RCW 5.56.010. The agency may fix the allowance for meals and lodging in a like manner as the courts as provided in RCW 5.56.010. The person initiating an adjudicative proceeding or the party requesting issuance of the subpoena shall pay the fees and allowances and the cost of producing records required to be produced by subpoena.

NEW SECTION. Sec. 48. PROCEDURE AT HEARING. At a hearing:

(1) The presiding officer shall regulate the course of the proceedings, in conformity with the prehearing order, if any.

(2) To the extent necessary for full disclosure of all relevant facts and issues, the presiding officer shall afford to all parties the opportunity to respond, present evidence and argument, conduct cross-examination and submit rebuttal evidence, except as restricted by a limited grant of intervention or by the prehearing order.

(3) In the discretion of the presiding officer, and where the rights of the parties will not be prejudiced thereby, all or part of the hearing may be conducted by telephone, television, or other electronic means. Each party in the hearing must have an opportunity to participate effectively in, to hear, and, if technically and economically feasible, to see the entire proceeding while it is taking place.

(4) The presiding officer shall cause the hearing to be recorded by a method chosen by the agency. The agency is not required, at its expense, to prepare a transcript, unless required to do so by a provision of law. Any party, at the party's expense, may cause a reporter approved by the agency to prepare a transcript from the agency's record, or cause additional recordings to be made during the hearing if the making of the additional recording does not cause distraction or disruption.

(5) The hearing is open to public observation, except for the parts that the presiding officer states to be closed under a provision of law expressly authorizing closure or under a protective order issued by the presiding officer pursuant to rules adopted by the chief administrative law judge. A presiding officer may order the exclusion of witnesses upon a showing of good cause. To the extent that the hearing is conducted by telephone, television, or other electronic means, and is not closed, the availability of public observation is satisfied by giving members of the public an opportunity, at reasonable times, to hear or inspect the agency's record, and to inspect any transcript obtained by the agency.

NEW SECTION. Sec. 49. EVIDENCE, OFFICIAL NOTICE. (1) Evidence, including hearsay evidence, is admissible if in the judgment of the presiding officer it is the kind of evidence on which reasonably prudent persons are accustomed to rely in the conduct of their serious affairs. The presiding officer shall exclude evidence that is excludable on constitutional or statutory grounds or on the basis of evidentiary privilege recognized in the courts of this state. The presiding officer may exclude evidence that is irrelevant, immaterial, or unduly repetitious.

(2) Where not inconsistent with subsection (1) of this section, the presiding officer shall refer to the Washington Rules of Evidence as guidelines for evidentiary rulings. Notwithstanding subsection (1) of this section, an agency may provide by rule that the Washington Rules of Evidence are applicable in adjudicative proceedings that, by express provision of statute, are made subject to de novo jury review of the administrative record of the adjudicative proceeding.

(3) All testimony of parties and witnesses shall be made under oath or affirmation.

(4) Any part of the evidence may be received in written form if doing so will expedite the hearing without substantial prejudice to the interests of any party.

(5) Documentary evidence may be received in the form of a copy or excerpt. Upon request, parties must be given an opportunity to compare the copy with the original if available.

(6) Official notice may be taken of (a) any fact that could be judicially noticed in the courts of this state, (b) technical or scientific matters within the agency's specialized knowledge, and (c) codes or standards that have been adopted by an agency of the United States, of this state or of another state, or by a nationally recognized organization or association. Parties shall be notified either before or during hearing, or by reference in preliminary reports or otherwise, of the specific facts or material so noticed and the sources thereof, including any staff memoranda and data, and they shall be afforded an opportunity to contest the facts and material so noticed. A party proposing that official notice be taken may be required to produce a copy of the material to be noticed.

NEW SECTION, Sec. 50. EX PARTE COMMUNICATIONS. (1) A presiding officer may not communicate, directly or indirectly, regarding any issue in the proceeding other than communications necessary to procedural aspects of maintaining an orderly process, with any person employed by the agency without notice and opportunity for all parties to participate, except as provided in this subsection:

(a) Where the ultimate legal authority of an agency is vested in a multimember body, and where that body presides at an adjudication, members of the body may communicate with one another regarding the proceeding;

(b) Any presiding officer may receive aid from legal counsel, or from staff assistants who are subject to the presiding officer's supervision; and

(c) Presiding officers may communicate with other employees or consultants of the agency who have not participated in the proceeding in any manner, and who are not engaged in any investigative or prosecutorial functions in the same or a factually related case.

(d) This subsection does not apply to communications required for the disposition of ex parte matters specifically authorized by statute.

(2) Unless required for the disposition of ex parte matters specifically authorized by statute or unless necessary to procedural aspects of maintaining an orderly process, a presiding officer may not communicate, directly or indirectly, regarding any issue in the proceeding, with any person not employed by the agency who has a direct or indirect interest in the outcome of the proceeding, without notice and opportunity for all parties to participate.

(3) Unless necessary to procedural aspects of maintaining an orderly process, persons to whom a presiding officer may not communicate under subsections (1) and (2) of this section may not communicate with presiding officers without notice and opportunity for all parties to participate.

(4) If, before serving as presiding officer in an adjudicative proceeding, a person receives an ex parte communication of a type that could not properly be received while serving, the person, promptly after starting to serve, shall disclose the communication in the manner prescribed in subsection (5) of this section.

(5) A presiding officer who receives an ex parte communication in violation of this section shall place on the record of the pending matter all written communications received, all written responses to the communications, and a memorandum stating the substance of all oral communications received, all responses made, and the identity of each person from whom the presiding officer received an ex parte communication. The presiding officer shall advise all parties that these matters have been placed on the record. Upon request made within ten days after notice of the ex parte communication, any party desiring to rebut the communication shall be allowed to place a written rebuttal statement on the record. Portions of the record pertaining to ex parte communications or rebuttal statements do not constitute evidence of any fact at issue in the matter unless a party moves the admission of any portion of the record for purposes of establishing a fact at issue and that portion is admitted pursuant to section 48 of this act.

(6) If necessary to eliminate the effect of an ex parte communication received in violation of this section, a presiding officer who receives the communication may be disqualified, and the portions of the record pertaining to the communication may be sealed by protective order.

(7) The agency shall, and any party may, report any violation of this section to appropriate authorities for any disciplinary proceedings provided by law. In addition, each agency by rule may provide for appropriate sanctions, including default, for any violations of this section.

NEW SECTION, Sec. 51. SEPARATION OF FUNCTIONS. (1) A person who has served as investigator, prosecutor, or advocate in an adjudicative proceeding or in its preadjudicative stage, or one who is subject to the authority, direction, or discretion of such a person, may not serve as a presiding officer in the same proceeding.

(2) A person, including an agency head, who has participated in a determination of probable cause or other equivalent preliminary determination in an adjudicative proceeding may serve as presiding officer or assist or advise a presiding officer in the same proceeding unless a party demonstrates grounds for disqualification in accordance with section 40 of this act.

(3) A person may serve as presiding officer at successive stages of the same adjudicative proceeding unless a party demonstrates grounds for disqualification in accordance with section 40 of this act.

NEW SECTION, Sec. 52. FINAL ORDER, INITIAL ORDER. (1) The presiding officer, as authorized by law, shall:

- (a) Enter a final order; or
- (b) Enter an initial order; or

(c) With respect to agencies exempt from chapter 34.12 RCW, transmit a full and complete record of the proceedings, including such comments upon demeanor of witnesses as the presiding officer deems relevant, to each agency official who is to enter a final or initial order after considering the record and evidence so transmitted.

(2) Each final or initial order shall include a statement of findings and conclusions, and the reasons and basis therefor, on all the material issues of fact, law, or discretion presented on the record, including the remedy or sanction and, if applicable, the action taken on a petition for a stay of effectiveness. Any findings based substantially on credibility of evidence or demeanor of witnesses shall be so identified. Findings set forth in language that is essentially a repetition or paraphrase of the relevant provision of law shall be accompanied by a concise and explicit statement of the underlying evidence of record to support the findings. The order shall also include a statement of the available procedures and time limits for seeking reconsideration or other administrative relief. An initial order shall include a statement of any circumstances under which the initial order, without further notice, may become a final order.

(3) Findings of fact shall be based exclusively on the evidence of record in the adjudicative proceeding and on matters officially noticed in that proceeding. Findings shall be based on the kind of evidence on which reasonably prudent persons are accustomed to rely in the conduct of their serious affairs. Unless an agency has adopted a rule under section 49(2) of this act, findings may be based on such evidence even if it would be inadmissible in a civil trial, but any such findings shall be based on the best evidence reasonably obtainable in order that the parties' opportunities to confront witnesses and rebut evidence are not unduly abridged.

(4) Where it bears on the issues presented, the agency's experience, technical competency, and specialized knowledge may be used in the evaluation of evidence.

(5) If a person serving or designated to serve as presiding officer becomes unavailable for any reason before entry of the final order or initial order, a substitute presiding officer shall be appointed as provided in section 40 of this act. The substitute presiding officer shall use any existing record and may conduct any further proceedings appropriate in the interests of justice.

(6) The presiding officer may allow the parties a designated time after conclusion of the hearing for the submission of memos, briefs, or proposed findings.

(7) A final or initial order under this section shall be served in writing within ninety days after conclusion of the hearing or after submission of memos, briefs, or proposed findings in accordance with subsection (6) of this section unless this period is waived or extended for good cause shown.

(8) The presiding officer shall cause copies of the final order or initial order to be delivered to each party and to the agency head.

NEW SECTION, Sec. 53. FINAL ORDERS. (1) As authorized by law, an agency may by rule provide that initial orders in specified classes of cases may become final without further agency action unless, within a specified period, (a) the agency head upon its own motion determines that the initial order should be reviewed, or (b) a party to the proceedings files exceptions to the initial order. Upon occurrence of either event, notice shall be given to all parties to the proceeding.

(2) As provided by law, an agency head may appoint a person to review initial orders and to prepare and enter final agency orders.

(3) Sections 40 and 50 of this act apply to any person reviewing an initial order on behalf of an agency as part of the decision process, and to persons communicating with them, to the same extent that it is applicable to presiding officers.

(4) The officer reviewing the initial order (including the agency head reviewing an initial order) is, for the purposes of this chapter, termed the reviewing officer. The reviewing officer shall exercise all the decision-making power that the reviewing officer would have had to decide and enter the final order had the reviewing officer presided over the hearing, except to the extent that the issues subject to review are limited by a provision of law or by the reviewing officer upon notice to all the parties. In reviewing findings of fact by presiding officers, the reviewing officers shall give due regard to the presiding officer's opportunity to observe the witnesses.

(5) The reviewing officer shall personally consider the whole record or such portions of it as may be cited by the parties.

(6) The reviewing officer shall afford each party an opportunity to present written argument and may afford each party an opportunity to present oral argument.

(7) The reviewing officer shall enter a final order disposing of the proceeding or remand the matter for further proceedings, with instructions to the presiding officer who entered the initial order. Upon remanding a matter, the reviewing officer shall order such temporary relief as is authorized and appropriate.

(8) A final order shall include, or incorporate by reference to the initial order, all matters required by section 52(2) of this act.

(9) The reviewing officer shall cause copies of the final order or order remanding the matter for further proceedings to be served upon each party.

NEW SECTION. Sec. 54. STAY. A party may submit to the presiding or reviewing officer, as is appropriate to the stage of the proceeding, a petition for stay of effectiveness of a final order within ten days of its service unless otherwise provided by statute or stated in the final order. Disposition of the petition for stay shall be made by the presiding officer, reviewing officer, or agency head as provided by agency rule. Disposition may be made either before or after the effective date of the final order. Disposition denying a stay is not subject to judicial review.

NEW SECTION. Sec. 55. RECONSIDERATION. (1) Within ten days of the service of a final order, any party may file a petition for reconsideration, stating the specific grounds upon which relief is requested. The place of filing shall be specified by agency rule.

(2) The petition shall be disposed of by the same person or persons who entered the order, if reasonably available. The disposition shall be in the form of a written order denying the petition, granting the petition and dissolving or modifying the final order, or granting the petition and setting the matter for further hearing. The petition shall be deemed to have been denied if not disposed of within twenty days.

(3) No petition for reconsideration may stay the effectiveness of an order.

(4) The agency head may extend the time limits in this section for good cause, with due consideration that the rights of the parties will not be prejudiced by the extension and that extension will be in the public interest.

(5) The filing of a petition for reconsideration is not a prerequisite for seeking judicial review. An order denying reconsideration, or an extension of time limits pursuant to subsection (4) of this section is not subject to judicial review.

NEW SECTION. Sec. 56. REVIEW BY SUPERIOR AGENCY. Unless otherwise provided by statute, if an agency is authorized to review the final order of another agency, the review is deemed to be a continuous proceeding as if before a single agency. The final order of the first agency is treated as an initial order and the second agency functions as though it were reviewing an initial order in accordance with section 53 of this act. This section does not apply if another statute expressly provides for a de novo adjudication before the second agency.

NEW SECTION. Sec. 57. EFFECTIVENESS OF ORDERS. (1) Unless a later date is stated in an order or a stay is granted, an order is effective when signed, but:

(a) A party may not be required to comply with a final order unless the party has been served with or has actual knowledge of the final order;

(b) A nonparty may not be required to comply with a final order unless the agency has made the final order available for public inspection and copying or the nonparty has actual knowledge of the final order;

(c) For purposes of determining time limits for further administrative procedure or for judicial review, the determinative date is the date of service of the order.

(2) Unless a later date is stated in the initial order or a stay is granted, the time when an initial order becomes a final order in accordance with section 52 of this act is determined as follows:

(a) When the initial order is entered, if administrative review is unavailable; or

(b) When the agency head with such authority enters an order stating, after a petition for administrative review has been filed, that review will not be exercised.

(3) This section does not preclude an agency from taking immediate action to protect the public interest in accordance with section 59 of this act.

NEW SECTION. Sec. 58. AGENCY RECORD. (1) An agency shall maintain an official record of each adjudicative proceeding under this chapter.

(2) The agency record shall include:

(a) Notices of all proceedings;

(b) Any prehearing order;

(c) Any motions, pleadings, briefs, petitions, requests, and intermediate rulings;

(d) Evidence received or considered;

(e) A statement of matters officially noticed;

(f) Proffers of proof and objections and rulings thereon;

(g) Proposed findings, requested orders, and exceptions;

(h) The recording prepared for the presiding officer at the hearing, together with any transcript of all or part of the hearing considered before final disposition of the proceeding;

(i) Any final order, initial order, or order on reconsideration;

(j) Staff memoranda or data submitted to the presiding officer, unless prepared and submitted by personal assistants and not inconsistent with section 50 of this act; and

(k) Matters placed on the record after an ex parte communication.

(3) Except to the extent that this chapter or another statute provides otherwise, the agency record constitutes the exclusive basis for agency action in adjudicative proceedings under this chapter and for judicial review of adjudicative proceedings.

NEW SECTION. Sec. 59. EMERGENCY ADJUDICATIVE PROCEEDINGS. (1) Unless otherwise provided by law, an agency may use emergency adjudicative proceedings in a situation involving an immediate danger to the public health, safety, or welfare requiring immediate agency action.

(2) The agency may take only such action as is necessary to prevent or avoid the immediate danger to the public health, safety, or welfare that justifies use of emergency adjudication.

(3) The agency shall enter an order, including a brief statement of findings of fact, conclusions of law, and policy reasons for the decision if it is an exercise of the agency's discretion, to justify the determination of an immediate danger and the agency's decision to take the specific action.

(4) The agency shall give such notice as is practicable to persons who are required to comply with the order. The order is effective when entered.

(5) After entering an order under this section, the agency shall proceed as quickly as feasible to complete any proceedings that would be required if the matter did not involve an immediate danger.

(6) The agency record consists of any documents regarding the matter that were considered or prepared by the agency. The agency shall maintain these documents as its official record.

(7) Unless otherwise required by a provision of law, the agency record need not constitute the exclusive basis for agency action in emergency adjudicative proceedings or for judicial review thereof.

(8) This section shall not apply to agency action taken pursuant to a provision of law that expressly authorizes the agency to issue a cease and desist order. The agency may proceed, alternatively, under that independent authority.

NEW SECTION. Sec. 60. BRIEF ADJUDICATIVE PROCEEDINGS—APPLICABILITY. An agency may use brief adjudicative proceedings if:

(1) The use of those proceedings in the circumstances does not violate any provision of law;

(2) The protection of the public interest does not require the agency to give notice and an opportunity to participate to persons other than the parties;

(3) The matter is entirely within one or more categories for which the agency by rule has adopted this section and sections 61 through 64 of this act; and

(4) The issue and interests involved in the controversy do not warrant use of the procedures of sections 36 through 59 of this act.

NEW SECTION. Sec. 61. BRIEF ADJUDICATIVE PROCEEDINGS—PROCEDURE. (1) Where no designation of the presiding officer has been made, and where not prohibited by law, a person exercising authority over the matter is the presiding officer. Where not prohibited by law, the following persons may be designated as the presiding officer:

(a) The agency head;

(b) One or more members of the agency head;

(c) One or more administrative law judges;

(d) One or more other persons designated by the agency head;

(2) The presiding officer, before taking action, shall give each party an opportunity to be informed of the agency's view of the matter and to explain the party's view of the matter; and

(3) The presiding officer, at the time any unfavorable action is taken, shall give each party a brief statement of the reasons for the decision. Within ten days, the presiding officer shall give the parties a brief written statement of the reasons for the decision and information about any internal administrative review available.

NEW SECTION. Sec. 62. BRIEF PROCEEDINGS—ADMINISTRATIVE REVIEW—APPLICABILITY. Unless prohibited by any provision of law, an agency, on its own motion, may conduct administrative review of an order resulting from brief adjudicative proceedings. An agency shall conduct this review upon the written or oral request of a party if the agency receives the request within ten days after furnishing the written statement required by section 61(3) of this act.

NEW SECTION. Sec. 63. BRIEF PROCEEDINGS—ADMINISTRATIVE REVIEW—PROCEDURES. Unless otherwise provided by statute:

(1) Where the parties have not requested review, the agency may review an order resulting from a brief adjudicative proceeding on its own motion and without notice to the parties, but it may not take any action on review less favorable to any party than the original order without giving that party notice and an opportunity to explain that party's view of the matter.

(2) The reviewing officer may be any person who could have presided at the brief proceeding, but the reviewing officer must be one who is authorized to grant appropriate relief upon review.

(3) The reviewing officer shall give each party an opportunity to explain the party's view of the matter and shall make any inquiries necessary to ascertain whether the proceeding must be converted to a formal adjudicative hearing.

(4) The order on review must be in writing, must include a brief statement of the reasons for the decision, and must be entered within twenty days after the date of the initial order or of the request for review, whichever is later. The order shall include a description of any further available administrative review or, if none is available, a notice that judicial review may be available.

(5) A request for administrative review is deemed to have been denied if the agency does not make a disposition of the matter within twenty days after the request is submitted.

NEW SECTION, Sec. 64. AGENCY RECORD IN BRIEF PROCEEDINGS. (1) The agency record consists of any documents regarding the matter that were considered or prepared by the presiding officer for the brief adjudicative proceeding or by the reviewing officer for any review. The agency shall maintain these documents as its official record.

(2) Unless otherwise required by a provision of law, the agency record need not constitute the exclusive basis for agency action in brief adjudicative proceedings or for the judicial review of brief adjudicative proceedings.

PART V.

JUDICIAL REVIEW AND CIVIL ENFORCEMENT

NEW SECTION, Sec. 65. RELATIONSHIP BETWEEN THIS CHAPTER AND OTHER JUDICIAL REVIEW AUTHORITY. This chapter establishes the exclusive means of judicial review of agency action, except:

(1) The provisions of this chapter for judicial review do not apply to litigation in which the sole issue is a claim for money damages or compensation and the agency whose action is at issue does not have statutory authority to determine the claim.

(2) Ancillary procedural matters before the reviewing court, including intervention, class actions, consolidation, joinder, severance, transfer, protective orders, and other relief from disclosure of privileged or confidential material, are governed, to the extent not inconsistent with this chapter, by the court rules.

(3) To the extent that de novo review or jury trial review is expressly authorized by a currently existing or subsequent provision of law.

NEW SECTION, Sec. 66. AGENCY ACTION REVIEWABLE. Only a person who qualifies under this chapter regarding (1) standing (section 71 of this act), (2) exhaustion of administrative remedies (section 72 of this act), and (3) the time for filing the petition for review (section 74 of this act), and other applicable provisions of law regarding bond, compliance, and other pre-conditions is entitled to judicial review of agency action.

NEW SECTION, Sec. 67. PETITION FOR REVIEW—WHERE FILED. Except as provided in section 73 of this act, proceedings for review under this chapter shall be instituted by filing a petition in the superior court, at the petitioner's option, for (1) Thurston county, (2) the county of the petitioner's residence or principal place of business, or (3) in any county where the property owned by the petitioner and affected by the contested decision is located.

NEW SECTION, Sec. 68. ADJUDICATIVE PROCEEDINGS—DIRECT REVIEW BY COURT OF APPEALS. The final decision of an administrative agency in an adjudicative proceeding under this chapter may be directly reviewed by the court of appeals upon certification by the superior court under this section. An application for direct review must be filed with the superior court within thirty days of the filing of the petition for review in superior court. The superior court may certify a case for direct review only if the judicial review is limited to the record of the agency proceeding and the court finds that:

(1) Fundamental and urgent issues affecting the future administrative process or the public interest are involved which require a prompt determination;

(2) Delay in obtaining a final and prompt determination of such issues would be detrimental to any party or the public interest;

(3) An appeal to the court of appeals would be likely regardless of the determination in superior court; and

(4) The appellate court's determination in the proceeding would have significant precedential value.

NEW SECTION, Sec. 69. ADJUDICATIVE PROCEEDINGS—REFUSAL OF REVIEW BY COURT OF APPEALS. The court of appeals may refuse to accept review of a case certified under section 68 of this act. The refusal to accept the review is not subject to further appellate review, notwithstanding anything in Rule 13.3 of the Rules of Appellate Procedure to the contrary.

NEW SECTION, Sec. 70. APPEAL TO SUPREME COURT OR COURT OF APPEALS. An aggrieved party may secure a review of any final judgment of the superior court under this chapter by appeal to the supreme court or the court of appeals. The appeal shall be taken in the manner provided by law for appeals from the superior court in other civil cases.

NEW SECTION, Sec. 71. STANDING. A person has standing to obtain judicial review of agency action if that person is aggrieved or adversely affected by the agency action. A person is aggrieved or adversely affected within the meaning of this section only when all three of the following conditions are present:

(1) The agency action has prejudiced or is likely to prejudice that person;

(2) That person's asserted interests are among those that the agency was required to consider when it engaged in the agency action challenged; and

(3) A judgment in favor of that person would substantially eliminate or redress the prejudice to that person caused or likely to be caused by the agency action.

NEW SECTION. Sec. 72. EXHAUSTION OF ADMINISTRATIVE REMEDIES. A person may file a petition for judicial review under this chapter only after exhausting all administrative remedies available within the agency whose action is being challenged, or available within any other agency authorized to exercise administrative review, except:

(1) A petitioner for judicial review of a rule need not have participated in the rule-making proceeding upon which that rule is based, or have petitioned for its amendment or repeal;

(2) A petitioner for judicial review need not exhaust administrative remedies to the extent that this chapter or any other statute states that exhaustion is not required; or

(3) The court may relieve a petitioner of the requirement to exhaust any or all administrative remedies upon a showing that:

(a) The exhaustion of such remedies would not affect the agency action; or

(b) It appears likely that the petitioner will qualify for judicial review of the agency action, and postponement of judicial review would result in grave and irreparable harm to the petitioner without substantial public benefit.

NEW SECTION. Sec. 73. DECLARATORY JUDGMENT ON VALIDITY OF RULE. (1) The validity of any rule may be determined upon petition for a declaratory judgment addressed to the superior court of Thurston county, when it appears that the rule, or its threatened application, interferes with or impairs or immediately threatens to interfere with or impair the legal rights or privileges of the petitioner. The agency shall be made a party to the proceeding. The declaratory judgment order may be entered whether or not the petitioner has first requested the agency to pass upon the validity of the rule in question.

(2) In a proceeding under subsection (1) of this section the court shall declare the rule invalid only if it finds that it violates constitutional provisions or exceeds the statutory authority of the agency or was adopted without compliance with statutory rule-making procedures.

NEW SECTION. Sec. 74. TIME FOR FILING PETITION FOR REVIEW. Subject to other requirements of this chapter or of another statute:

(1) A petition for judicial review of a rule may be filed at any time, except as limited by section 28 of this act.

(2) A petition for judicial review of an order is not timely unless filed and served on the agency and all parties of record within thirty days after service of the order.

(3) A petition for judicial review of agency action other than the adoption of a rule or the entry of an order is not timely unless filed and served on the agency and all other parties of record within thirty days after the agency action, but the time is extended during any period that the petitioner did not know and was under no duty to discover or could not reasonably have discovered that the agency had taken the action or that the agency action had a sufficient effect to confer standing upon the petitioner to obtain judicial review under this chapter.

NEW SECTION. Sec. 75. PETITION FOR REVIEW—CONTENTS. A petition for review must set forth:

(1) The name and mailing address of the petitioner;

(2) The name and mailing address of the petitioner's attorney, if any;

(3) The name and mailing address of the agency whose action is at issue;

(4) Identification of the agency action at issue, together with a duplicate copy, summary, or brief description of the agency action;

(5) Identification of persons who were parties in any adjudicative proceedings that led to the agency action;

(6) Facts to demonstrate that the petitioner is entitled to obtain judicial review;

(7) The petitioner's reasons for believing that relief should be granted; and

(8) A request for relief, specifying the type and extent of relief requested.

NEW SECTION. Sec. 76. STAY AND OTHER TEMPORARY REMEDIES. (1) Unless precluded by law, the agency may grant a stay, in whole or in part, or other temporary remedy during the pendency of judicial review.

(2) Agency action denying a stay or other temporary remedy is not judicially reviewable.

(3) Agency action granting stay or other temporary remedy is judicially reviewable for reasonableness, but agency action based on public health, safety, or welfare grounds may not be set aside unless the court finds that:

(a) The applicant is likely to prevail when the court finally disposes of the matter;

(b) Without relief the applicant will suffer irreparable injury;

(c) The grant of relief to the applicant will not substantially harm other parties to the proceedings; and

(d) The threat to the public health, safety, or welfare relied on by the agency is not sufficiently serious to justify the agency action in the circumstances.

(4) If the court determines that relief should be granted from the agency's action granting a stay or other temporary remedies, the court may remand the matter or may enter an order denying a stay or granting a stay on appropriate terms.

NEW SECTION. Sec. 77. LIMITATION ON NEW ISSUES. (1) Issues not raised before the agency may not be raised on appeal, except to the extent that:

(a) The person did not know and was under no duty to discover or could not have reasonably discovered facts giving rise to the issue;

(b) The agency action subject to judicial review is a rule and the person has not been a party in adjudicative proceedings that provided an adequate opportunity to raise the issue;

(c) The agency action subject to judicial review is an order and the person was not notified of the adjudicative proceeding in substantial compliance with this chapter; or

(d) The interests of justice would be served by resolution of an issue arising from:

(i) A change in controlling law occurring after the agency action; or

(ii) Agency action occurring after the person exhausted the last feasible opportunity for seeking relief from the agency.

(2) The court shall remand to the agency for determination any issue that is properly raised pursuant to subsection (1) of this section.

NEW SECTION. Sec. 78. JUDICIAL REVIEW OF FACTS CONFINED TO RECORD. Judicial review of disputed issues of fact shall be conducted by the court without a jury and must be confined to the agency record for judicial review as defined by this chapter, supplemented by additional evidence taken pursuant to this chapter.

NEW SECTION. Sec. 79. NEW EVIDENCE TAKEN BY COURT OR AGENCY. (1) The court may receive evidence in addition to that contained in the agency record for judicial review, only if it relates to the validity of the agency action at the time it was taken and is needed to decide disputed issues regarding:

(a) Improper constitution as a decision-making body or grounds for disqualification of those taking the agency action;

(b) Unlawfulness of procedure or of decision-making process; or

(c) Material facts in rule making, brief adjudications, or other proceedings not required to be determined on the agency record.

(2) The court may remand a matter to the agency, before final disposition of a petition for review, with directions that the agency conduct fact-finding and other proceedings the court considers necessary and that the agency take such further action on the basis thereof as the court directs, if:

(a) The agency was required by this chapter or any other provision of law to base its action exclusively on a record of a type reasonably suitable for judicial review, but the agency failed to prepare or preserve an adequate record;

(b) The court finds that (i) new evidence has become available that relates to the validity of the agency action at the time it was taken, that one or more of the parties did not know and was under no duty to discover or could not have reasonably been discovered until after the agency action, and (ii) the interests of justice would be served by remand to the agency;

(c) The agency improperly excluded or omitted evidence from the record; or

(d) A relevant provision of law changed after the agency action and the court determines that the new provision may control the outcome.

NEW SECTION. Sec. 80. AGENCY RECORD FOR REVIEW—COSTS. (1) Within thirty days after service of the petition, or within further time allowed by the court or by other provision of law, the agency shall transmit to the court the original or a certified copy of the agency record for judicial review of the agency action. The record shall consist of any agency documents expressing the agency action, other documents identified by the agency as having been considered by it before its action and used as a basis for its action, and any other material described in this chapter as the agency record for the type of agency action at issue, subject to the provisions of this section.

(2) If part of the record has been preserved without a transcript, the agency shall prepare a transcript for inclusion in the record transmitted to the court, except for portions that the parties stipulate to omit in accordance with subsection (4) of this section.

(3) The agency may charge a nonindigent petitioner with the reasonable costs of preparing any necessary copies and transcripts for transmittal to the court. A failure by the petitioner to pay any of this cost to the agency relieves the agency from the responsibility for timely preparation of the record and transmittal to the court.

(4) The record may be shortened, summarized, or organized temporarily or, by stipulation of all parties, permanently.

(5) The court may tax the cost of preparing transcripts and copies for the record:

(a) Against a party who unreasonably refuses to stipulate to shorten, summarize, or organize the record;

(b) As provided by section 81 of this act; or

(c) In accordance with any other provision of law.

(6) Additions to the record pursuant to section 79 of this act must be made as ordered by the court.

(7) The court may require or permit subsequent corrections or additions to the record.

NEW SECTION. Sec. 81. SCOPE OF REVIEW. (1) Except to the extent that this chapter or another statute provides otherwise:

(a) The burden of demonstrating the invalidity of agency action is on the party asserting invalidity; and

(b) The validity of agency action shall be determined in accordance with the standards of review provided in this section, as applied to the agency action at the time it was taken.

(2) The court shall make a separate and distinct ruling on each material issue on which the court's decision is based.

(3) The court shall grant relief only if it determines that a person seeking judicial relief has been substantially prejudiced by any one or more of the following:

(a) The agency action, or the statute or rule on which the agency action is based, is unconstitutional on its face or as applied;

(b) The agency has acted beyond its statutory authority or jurisdiction conferred by any provision of law;

(c) The agency action is outside the range of discretion delegated to the agency by any provision of law;

(d) The agency has not decided all issues requiring resolution in an adjudicative proceeding;

(e) The agency has erroneously interpreted or applied the law;

(f) The agency has engaged in unlawful procedure or decision-making process, or has failed to follow prescribed procedure;

(g) The persons taking the agency action were improperly constituted as a decision-making body or were subject to disqualification;

(h) The agency action, other than a rule, is not supported by evidence that is substantial when viewed in light of the whole record before the court, which includes the agency record for judicial review, supplemented by any additional evidence received by the court under this chapter;

(i) The agency action, other than a rule, is inconsistent with a rule of the agency unless the agency explains the inconsistency by stating facts and reasons to demonstrate a rational basis for inconsistency;

(j) The agency action, other than a rule or the imposition of a sanction or penalty, is substantially inconsistent with the agency's prior established practice unless the agency explains the inconsistency by stating facts and reasons to demonstrate a rational basis for the inconsistency;

(k) The agency action, other than a rule, is arbitrary or capricious; or

(l) The agency action is an abuse of discretion.

NEW SECTION, Sec. 82. TYPE OF RELIEF. (1) The court may order agency action required by law, order agency exercise of discretion required by law, affirm or set aside agency action, enjoin or stay the agency action, remand the matter for further proceedings, or enter a declaratory judgment order. In reviewing matters within agency discretion, the court shall limit its function to assuring that the agency has exercised its discretion in accordance with law, and shall not itself undertake to exercise the discretion that the legislature has placed in the agency. The court shall remand to the agency for modification of agency action, unless remand is impracticable or would cause unnecessary delay.

(2) The court may award damages, compensation, or ancillary relief only to the extent expressly authorized by another provision of law.

(3) If the court sets aside or modifies agency action or remands the matter to the agency for further proceedings, the court may make any interlocutory order it finds necessary to preserve the interests of the parties and the public, pending further proceedings or agency action.

NEW SECTION, Sec. 83. PETITION BY AGENCY FOR ENFORCEMENT. (1) In addition to other remedies provided by law, an agency may seek enforcement of its rule or order by filing a petition for civil enforcement in the superior court.

(2) The petition must name as respondent each alleged person against whom the agency seeks to obtain civil enforcement.

(3) Venue is determined as in other civil cases.

(4) A petition for civil enforcement filed by an agency may request, and the court may grant, declaratory relief, temporary or permanent injunctive relief, any other civil remedy provided by law, or any combination of the foregoing.

NEW SECTION, Sec. 84. PETITION BY OTHERS FOR ENFORCEMENT. (1) Any person who would qualify under this chapter as having standing to obtain judicial review of an agency's failure to enforce an order directed to another person may file a petition for civil enforcement of that order, but the action may not be commenced:

(a) Until at least sixty days after the petitioner has given notice of the alleged violation and of the petitioner's intent to seek civil enforcement to the head of the agency concerned, to the attorney general, and to each person against whom the petitioner seeks civil enforcement;

(b) If the agency has filed and is diligently prosecuting a petition for civil enforcement of the same order against the same person; or

(c) If a petition for review of the same order has been filed and a stay is in effect.

(2) The petition shall name, as respondents, the agency whose order is sought to be enforced and each person against whom the petitioner seeks civil enforcement.

(3) The agency whose order is sought to be enforced may move to dismiss the petition on the grounds that it fails to qualify under this section or that the enforcement would be contrary

to the policy of the agency. The court shall grant the motion to dismiss the petition unless the petitioner demonstrates that (a) the petition qualifies under this section and (b) the agency's failure to enforce its order is based on an exercise of discretion that is arbitrary or capricious.

(4) Except to the extent expressly authorized by law, a petition for civil enforcement may not request, and the court may not grant, any monetary payment apart from taxable costs.

NEW SECTION. Sec. 85. DEFENSES—LIMITATION ON NEW ISSUES. A respondent may assert, in a proceeding for civil enforcement:

(1) That the rule or order sought to be enforced is invalid on any of the grounds stated in section 81(3) (a) and (b) of this act. If a defense under that section is raised, the court may consider issues and receive evidence only within the limitations provided by sections 77, 78, and 79 of this act; and

(2) Any of the following defenses on which the court, to the extent necessary for the determination of the matter, may consider new issues or take new evidence:

- (a) The rule or order does not apply to the party;
- (b) The party has not violated the rule or order; or
- (c) Any other defense allowed by law.

NEW SECTION. Sec. 86. INCORPORATION OF OTHER JUDICIAL REVIEW PROVISIONS. Proceedings for civil enforcement are governed by the following provisions of this chapter on judicial review, as modified where necessary to adapt them to those proceedings:

- (1) Section 65(2) of this act (ancillary procedural matters); and
- (2) Section 80 of this act (agency record for judicial review).

NEW SECTION. Sec. 87. REVIEW BY HIGHER COURT. Decisions on petitions for civil enforcement are reviewable as in other civil cases.

PART VI. TECHNICAL PROVISIONS

NEW SECTION. Sec. 91. CAPTIONS AND HEADINGS. Section captions and subchapter headings used in this act do not constitute any part of the law.

NEW SECTION. Sec. 92. SEVERABILITY. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

NEW SECTION. Sec. 93. **EFFECTIVE DATE—APPLICATION.** Sections 1 through 92 of this act shall take effect on July 1, 1989, and shall apply to all rule-making actions and agency proceedings begun on or after that date. Rule-making actions or other agency proceedings begun before July 1, 1989, shall be completed under the applicable provisions of chapter 28B-.19 or 34.04 RCW existing immediately before that date in the same manner as if they were not repealed by this act. Sections 94 through 98 of this act shall take effect as provided by Article II, section 1(c) of the state Constitution.

NEW SECTION. Sec. 94. The legislature finds and declares that rules are often imposed without an assessment of their practical impact in the workplace and the marketplace. This often leads to anecdotes describing absurd regulation, which in turn lead to unnecessary loss of confidence in state agencies and a decline in business enthusiasm. Therefore it is the purpose of sections 95 and 96 of this act to ensure that when agencies make rules, proper analysis is conducted on the relevancy of the rule and that this analysis is made public, and when agencies adopt emergency rules that the impact on small businesses is considered.

Sec. 95. Section 3, chapter 237, Laws of 1967 as last amended by section 1, chapter 221, Laws of 1982 and RCW 34.04.025 are each amended to read as follows:

(1) Prior to the adoption, amendment, or repeal of any rule, each agency shall:

(a) File notice thereof with the code reviser in accordance with RCW 34.08.020(1) for publication in the state register, and with the rules review committee, and mail such notice to all persons who have made timely request of the agency for advance notice of its rule-making proceedings. Such notice shall also include (i) reference to the authority under which the rule is proposed, (ii) a statement of ((either)) the terms or substance of the proposed rule ((or)) and a description of the subjects and issues involved, ((and)) (iii) the time when, the place where, and the manner in which interested persons may present their views thereon, (iv) the time and place of adoption of the proposed rule, (v) a written analysis of the proposed rule, including but not limited to background information and the effects of the rule, and any anticipated changes in state revenues and state expenditures;

(b) Afford all interested persons reasonable opportunity to submit data, views, or arguments, orally or in writing. In case of substantive rules, opportunity for oral hearing must be granted if requested by twenty-five persons, by a governmental subdivision or agency, by the rules review committee, or by an association having not less than twenty-five members.

(2) The agency shall make every effort to insure that the information on the proposed rule circulated pursuant to subsection (1)(a) of this section accurately reflects the rule to be presented and discussed at any oral hearing on such rule. Where substantial changes in the draft of the proposed rule are made after publication of notice in the register which would render it difficult for interested persons to properly comment on the rule without further notice, new notice of the agency's intended action as provided in subsection (1)(a) of this section shall be required.

(3) The agency shall consider fully all written and oral submissions respecting the proposed rule including those addressing the question of whether the proposed rule is within the intent of the legislature as expressed by the statute which the rule implements, and may amend the proposed rule at the oral hearing or adopt the proposed rule, if there are no substantial changes, without refiling the notice required by this section. Upon adoption of a rule, the agency, if requested to do so by an interested person either prior to adoption or within thirty days thereafter, shall issue a concise statement of the principal reasons for and against its adoption, incorporating therein its reasons for overruling the considerations urged against its adoption.

(4) No proceeding may be held on any rule until twenty days have passed from the distribution date of the register in which notice thereof was contained. The code reviser shall make provisions for informing an agency giving notice under subsection (1) of this section of the distribution date of the register in which such notice will be published.

(5) No rule hereafter adopted is valid unless adopted in substantial compliance with this section, unless it is an emergency rule designated as such and is adopted in substantial compliance with RCW 34.04.030, as now or hereafter amended. In any proceeding a rule cannot be contested on the ground of noncompliance with the procedural requirements of RCW 34.08.020(1), of this section, or of RCW 34.04.030, as now or hereafter amended, after two years have elapsed from the effective date of the rule.

NEW SECTION. Sec. 96. The legislature finds that over time rules can become detached from their original intent. Those rules which remain relevant become part of an ever-larger body of law, since the tendency is to add new rules without deleting old ones. Old rules may not apply to a modern economy yet may still be a constraint on small businesses throughout the state. The drain of time and energy required to comply with this mass of rules is in itself a major burden on small business operations. Therefore it is the purpose of section 97 of this act to initiate an agency review process to ensure that rules which are several years old are still applicable to the constantly evolving economy within this state.

NEW SECTION. Sec. 97. A new section is added to chapter 34.04 RCW to read as follows:

Any rule adopted under this chapter after July 1, 1987, must be reviewed after five years from the date of adoption. If no review has occurred by seven years after the date of adoption, the rule will expire.

The agency review shall include an evaluation of the effectiveness of the rule in relation to the original intent of the rule and an evaluation of whether the rule continues to apply at the time the review is conducted.

NEW SECTION. Sec. 98. The legislature recognizes that the substantial revisions in administrative procedure which are enacted by this act will make some significant changes in agency practice and procedure. In addition, the legislature recognizes that there may need to be modifications in this act before its effective date to take into account the various statutes implementing agency practice and procedure.

There is established a joint select committee on administrative procedure to be composed of eight legislators, two appointed by the president of the senate from each caucus of the senate and two appointed by the speaker of the house of representatives from each caucus of the house of representatives, and four nonlegislative members to be appointed by the governor. The chair of the committee shall rotate annually among the legislative members of the majority parties in the senate and house of representatives. A house member of the committee shall be the first chair. It is the function of the committee to review the implementation of this act and consider agency and public comment on provisions of this act which need further revision. The committee shall review all recommendations to determine if they will assist in providing more uniformity in agency procedure, enhance public access to the administrative process, and enable agencies to accomplish their responsibilities. The committee shall seek the advice of the governor's office, the agencies affected by this act, and members of the public, including the Washington state bar association task force on administrative procedure. The legislature does not intend that the committee shall review the merits of this act, but only that it determine the provisions needing improvement.

The committee shall make a report to the legislature not later than January 1, 1988. The staff of the senate and house judiciary committees shall provide assistance to the committee.

This section shall expire January 1, 1989."

(1) Every applicant for registration under this chapter or person filing a claim of exemption under RCW 21.30.030(7) shall file with the administrator in such form as the administrator by rule prescribes, an irrevocable consent appointing the administrator or successor in office to be his or her attorney to receive service of any lawful process in any noncriminal suit, action, or proceeding against the applicant or successor executor or administrator which arises under this chapter or any rule or order hereunder after the consent has been filed, with the same force and validity as if served personally on the person filing the consent. Service may be made by leaving a copy of the process in the office of the administrator, but it is not effective unless (a) the plaintiff, who may be the administrator in a suit, action, or proceeding instituted by the administrator, forthwith sends notice of the service and a copy of the process by registered mail to the defendant or respondent at the last address on file with the administrator, and (b) the plaintiff's affidavit of compliance with this subsection is filed in the case on or before the return day of the process, if any, or within such further time as the court allows.

(2) If a person, including a nonresident of this state, engages in conduct prohibited or made actionable by this chapter or any rule or order of the director, the engaging in the conduct shall constitute the appointment of the administrator as the person's attorney to receive service of any lawful process in a noncriminal proceeding against the person, a successor, or personal representative, which arises out of that conduct and which is brought under this chapter or any rule or order of the director with the same force and validity as if served personally.

(i) Has filed an application for licensing with the administrator or the designee of the administrator which, as of its effective date, or as of any date after filing in the case of an order denying effectiveness, was incomplete in any material respect or contained any statement which was, in light of the circumstances under which it was made, false or misleading with respect to any material fact;

(ii) (A) Has violated or failed to comply with a provision of this chapter, a predecessor act, or a rule or order under this chapter or a predecessor act. (B) is the subject of an adjudication or determination within the last five years by a securities agency or administrator or court of competent jurisdiction that the person has willfully violated the federal securities act of 1933, the

securities exchange act of 1934, the investment advisers act of 1940, the investment company act of 1940, or the commodity exchange act, or the securities law of any other state (but only if the acts constituting the violation of that state's law would constitute a violation of this chapter had the acts taken place in this state);

SSB 5232 Prime Sponsor, Committee on Commerce & Labor: Modifying manner in which base years and benefit years are established for purposes of unemployment compensation. Reported by Committee on Commerce & Labor

MAJORITY recommendation: Do pass with the following amendments:

Strike everything after the enacting clause and insert the following:

"Sec. 1. Section 3, chapter 35, Laws of 1945 as amended by section 1, chapter 2, Laws of 1970 ex. sess. and RCW 50.04.020 are each amended to read as follows:

'Base year' with respect to each individual, shall mean either the first four of the last five completed calendar quarters or the last four completed calendar quarters immediately preceding the first day of the individual's benefit year.

For the purposes of establishing a benefit year, the department shall initially use the first four of the last five completed calendar quarters as the base year. If a benefit year is not established using the first four of the last five calendar quarters as the base year, the department shall use the last four completed calendar quarters as the base year.

Computations using the last four completed calendar quarters shall be based on available wage items processed as of the close of business on the day preceding the date of application. Wage items not processed at the time of application shall become available to the claim as they are added to department systems. The department shall not be required to make employer contacts or take other actions that would not be applicable to claims based on the first four of the last five completed calendar quarters.

Sec. 2. Section 4, chapter 35, Laws of 1945 as last amended by section 1, chapter 33, Laws of 1977 ex. sess. and RCW 50.04.030 are each amended to read as follows:

'Benefit year' with respect to each individual, means the fifty-two consecutive week period beginning with the first day of the calendar week in which the individual files an application for an initial determination and thereafter the fifty-two consecutive week period beginning with the first day of the calendar week in which the individual next files an application for an initial determination after the expiration of the individual's last preceding benefit year: PROVIDED, HOWEVER, That the foregoing limitation shall not be deemed to preclude the establishment of a new benefit year under the laws of another state pursuant to any agreement providing for the interstate combining of employment and wages and the interstate payment of benefits nor shall this limitation be deemed to preclude the commissioner from backdating an initial application at the request of the claimant either for the convenience of the department of employment security or for any other reason deemed by the commissioner to be good cause.

An individual's benefit year shall be extended to be fifty-three weeks when at the expiration of fifty-two weeks the establishment of a new benefit year would result in the use of a quarter of wages in the new base year that had been included in the individual's prior base year.

No benefit year will be established unless it is determined that the individual earned wages in 'employment' in not less than six hundred eighty hours of the individual's base year: PROVIDED, HOWEVER, That a benefit year cannot be established if the base year wages include wages earned prior to the establishment of a prior benefit year unless the individual earned wages in 'employment' during the last two quarters of the new base year of not less than six times the weekly benefit amount computed for the individual's new benefit year.

If an individual's prior benefit year was based on the last four completed calendar quarters, a new benefit year shall not be established until the new base year does not include any hours used in the establishment of the prior benefit year.

If the wages of an individual are not based upon a fixed duration of time or if the individual's wages are paid at irregular intervals or in such manner as not to extend regularly over the period of employment, the wages for any week shall be determined in such manner as the commissioner may by regulation prescribe. Such regulation shall, so far as possible, secure results reasonably similar to those which would prevail if the individual were paid his or her wages at regular intervals.

Sec. 3. Section 9, chapter 228, Laws of 1975 1st ex. sess. as amended by section 3, chapter 65, Laws of 1984 and RCW 50.06.030 are each amended to read as follows:

An application for initial determination made pursuant to this chapter, to be considered timely, must be filed in writing with the employment security department within twenty-six weeks following the week in which the period of temporary total disability commenced. Notice from the department of labor and industries shall satisfy this requirement. The records of the agency supervising the award of compensation shall be conclusive evidence of the fact of temporary disability and the beginning date of such disability. The employment security department shall process and issue an initial determination of entitlement or nonentitlement as the case may be.

For the purpose of this chapter, a special base year is established for an individual consisting of either the first four of the last five completed calendar quarters or the last four completed calendar quarters immediately prior to the first day of the calendar week in which the individual's temporary total disability commenced, and a special individual benefit year is established consisting of the entire period of disability and a fifty-two consecutive week period commencing with the first day of the calendar week immediately following the week or part thereof with respect to which the individual received his final temporary total disability compensation under the applicable industrial insurance or crime victims compensation laws except that no special benefit year shall have a duration in excess of three hundred twelve calendar weeks: PROVIDED HOWEVER, That such special benefit year will not be established unless the criteria contained in RCW 50.04.030 has been met, except that an individual meeting the disability and filing requirements of this chapter and who has an unexpired benefit year established which would overlap the special benefit year provided by this chapter, notwithstanding the provisions in RCW 50.04.030 relating to the establishment of a subsequent benefit year and RCW 50.40.010 relating to waiver of rights, may elect to establish a special benefit year under this chapter: PROVIDED FURTHER, that the unexpired benefit year shall be terminated with the beginning of the special benefit year if the individual elects to establish such special benefit year.

For the purposes of establishing a benefit year, the department shall initially use the first four of the last five completed calendar quarters as the base year. If a benefit year is not established using the first four of the last five calendar quarters as the base year, the department shall use the last four completed calendar quarters as the base year.

SSB 5280 Prime Sponsor, Committee on Commerce & Labor: Changing provisions relating to reduction, suspension, or denial of workers' compensation. Reported by Committee on Commerce & Labor

MAJORITY recommendation: Do pass with the following amendments:

Strike everything after the enacting clause and insert the following:

"Sec. 1. Section 11, chapter 14, Laws of 1980 and RCW 51.32.110 are each amended to read as follows:

Any worker entitled to receive any benefits or claiming such under this title shall, if requested by the department or self-insurer, submit himself or herself for medical examination, at a time and from time to time, at a place reasonably convenient for the worker and as may be provided by the rules of the department. If the worker refuses to submit to medical examination, or obstructs the same, or, if any injured worker shall persist in unsanitary or injurious practices which tend to imperil or retard his or her recovery, or shall refuse to submit to such medical or surgical treatment as is reasonably essential to his or her recovery or refuse or

obstruct evaluation or examination for the purpose of vocational rehabilitation or does not cooperate in reasonable efforts at such rehabilitation, the department, with notice to the worker, or the self-insurer (~~(upon approval by the department)~~), with notice to the worker and the department may suspend any further action on any claim of such worker so long as such refusal, obstruction, noncooperation, or practice continues and reduce, suspend, or deny any compensation for such period: PROVIDED, That the department or the self-insurer shall not suspend any further action on any claim of a worker or reduce, suspend, or deny any compensation if a worker has good cause for refusing to submit to or to obstruct any examination, evaluation, treatment or practice requested by the department or the self-insurer, or required under this section. When a self-insured employer reduces, suspends or denies any compensation under this section, the self-insurer shall enter a written order, communicated to the worker and the department's self-insurance section. The order shall contain the following statement clearly set forth in bold face type: "This order constitutes notification that your compensation benefits are being reduced, suspended or denied for failure to cooperate in accordance with RCW 51.32.110. If, for any reason, you disagree with this determination, you may protest in writing to the Department of Labor and Industries, Self-Insurance Section, within sixty days of the date you received this order." In the event the department receives such a protest, the department shall investigate and review the claim evidence and enter a determinative order as provided for in RCW 51.52.050: PROVIDED, That the worker must be advised in writing by the self-insurer of the consequences for failure to cooperate prior to the effective date of the reduction, suspension or denial of compensation and be allowed a reasonable time for compliance: PROVIDED FURTHER, That if the department determines that the self-insurer has improperly reduced, suspended or denied benefits as they became due or such reduction, suspension or denial is not in compliance with this section then, upon order of the department, the self-insurer shall pay to the worker an additional amount equal to the greater of five hundred dollars or the amount of the benefits otherwise due. If the worker necessarily incurs traveling expenses in attending ((for)) examination ((pursuant to the request of the department)), such traveling expenses shall be repaid to him or her out of the accident fund upon proper voucher and audit or shall be repaid by the self-insurer, as the case may be.

If the medical examination required by this section causes the worker to be absent from his or her work without pay he or she shall be paid for such time lost in accordance with the schedule of payments provided in RCW 51.32.090 as amended.

NEW SECTION, Sec. 2. A new section is added to chapter 51.32 RCW to read as follows:

Whenever an application for benefits is filed that requires a determination of whether benefits shall be paid pursuant to the reopening of an accepted claim under RCW 51.32.160 or by allowance of a claim for new injury or occupational disease, the department shall make the determination in a single order. Pending entry of the order, benefits shall be paid promptly pursuant to this title by either the department or the self-insurer, as the case may be, as determined by the department.

If, upon final determination, the entity that paid benefits under this title is determined to be not responsible for payment of the benefits, such entity shall be reimbursed by the responsible entity for all amounts paid. If neither the department nor a self-insurer is determined to be responsible for the benefits, the recipient of benefits shall repay the entity having paid the benefits and recoupment may be made from any future payments due the recipient on any claim with the state fund or self-insurer, as the case may be. The director may exercise his or her discretion to waive, in whole or in part, the amount of any such repayments where the recovery would be against equity and good conscience."

(2) A brief statement of the reasons for the proposed action;

(3) The legal description of the boundaries proposed to be created, abolished or changed by such action; PROVIDED, That the legal description may be altered, with concurrence of the initiators of the proposed action, if a person designated by the county legislative authority as one who has expertise in legal descriptions makes a determination that the legal description is erroneous; and

(4) A county assessor's map on which the boundaries proposed to be created, abolished or changed by such action are designated; PROVIDED, That at the discretion of the boundary review board a map other than the county assessor's map may be accepted.

Sec. 8. Section 15, chapter 189, Laws of 1967 as last amended by section 13, chapter 5, Laws of 1979 ex. sess. and RCW 36.93.150 are each amended to read as follows:

The board, upon review of any proposed action, shall take such of the following actions as it deems necessary to best carry out the intent of this chapter:

- (1) Approval of the proposal as submitted;
- (2) Subject to RCW 35.02.170, modification of the proposal by adjusting boundaries to add or delete territory: PROVIDED, That any proposal for annexation by the board shall be subject to RCW 35.21.010 and shall not add additional territory, the amount of which is greater than that included in the original proposal: PROVIDED FURTHER, That such modifications shall not interfere with the authority of a city, town, or special purpose district to require or not require preannexation agreements, covenants, or petitions;
- (3) Determination of a division of assets and liabilities between two or more governmental units where relevant;
- (4) Determination whether, or the extent to which, functions of a special purpose district are to be assumed by an incorporated city or town, metropolitan municipal corporation, or another existing special purpose district; or
- (5) Disapproval of the proposal except that the board shall not have jurisdiction to disapprove the dissolution or disincorporation of a special purpose district which is not providing services but shall have jurisdiction over the determination of a division of the assets and liabilities of a dissolved or disincorporated special purpose district: PROVIDED, That a board shall not have jurisdiction over the division of assets and liabilities of a special purpose district that is dissolved or disincorporated pursuant to chapter 36.96 RCW.

Unless the board shall disapprove a proposal, it shall be presented under the appropriate statute for approval of a public body and, if required, a vote of the people. A proposal that has been modified shall be presented under the appropriate statute for approval of a public body and if required, a vote of the people. If a proposal, other than that for a city, town, or special purpose district annexation, after modification does not contain enough signatures of persons within the modified area, as are required by law, then the initiating party, parties or governmental unit has thirty days after the modification decision to secure enough signatures to satisfy the legal requirement. If the signatures cannot be secured then the proposal may be submitted to a vote of the people, as required by law.

The addition or deletion of property by the board shall not invalidate a petition which had previously satisfied the sufficiency of signature provisions of RCW 35.13.130 or 35A.14.120. When the board, after due proceedings held, disapproves a proposed action, such proposed action shall be unavailable, the proposing agency shall be without power to initiate the same or substantially the same as determined by the board, and any succeeding acts intended to or tending to effectuate that action shall be void, but such action may be reinitiated after a period of twelve months from date of disapproval and shall again be subject to the same consideration.

The board shall not modify or deny a proposed action unless there is evidence on the record to support a conclusion that the action is inconsistent with one or more of the objectives under RCW 36.93.180. Every such determination to modify or deny a proposed action shall be made in writing pursuant to a motion, and shall be supported by appropriate written findings and conclusions, based on the record.

Sec. 9. Section 16, chapter 189, Laws of 1967 as last amended by section 97, chapter 81, Laws of 1971 and RCW 36.93.160 are each amended to read as follows:

(1) When the jurisdiction of the boundary review board has been invoked, the board shall set the date, time and place for a public hearing on the proposal. The board shall give at least thirty days' advance written notice of the date, time and place of the hearing to the governing body of each governmental unit having jurisdiction within the boundaries of the territory proposed to be annexed, formed, incorporated, disincorporated, dissolved or consolidated, or within the boundaries of a special district whose assets and facilities are proposed to be assumed by a city or town, and to the governing body of each city within three miles of the exterior boundaries of such area and to the proponent of such change. Notice shall also be given by publication in any newspaper of general circulation in the area of the proposed boundary change at least three times, the last publication of which shall be not less than five days prior to the date set for the public hearing. Notice shall also be posted in ten public places in the area affected for five days when the area is ten acres or more. When the area affected is less than ten acres, five notices shall be posted in five public places for five days. (If the board after such hearing shall determine to modify the proposal by adding territory, then the board shall set a date, time and place for an additional hearing on the modification, for which notice shall be given as provided in this subsection.) Notice as provided in this subsection shall include any territory which the board has determined to consider adding in accordance with RCW 36.93.150(2).

(2) A verbatim record shall be made of all testimony presented at the hearing and upon request and payment of the reasonable costs thereof, a copy of the transcript of such testimony shall be provided to any person or governmental unit.

(3) The chairman upon majority vote of the board or a panel may direct the chief clerk of the boundary review board to issue subpoenas to any public officer to testify, and to compel the production by him of any records, books, documents, public records or public papers.

(4) Within forty days after the conclusion of the final hearing on the proposal, the board shall file its written decision, setting forth the reasons therefor, with the board of county commissioners and the clerk of each governmental unit directly affected. The written decision shall indicate whether the proposed change is approved, rejected or modified and, if modified, the terms of such modification. The written decision need not include specific data on every factor required to be considered by the board, but shall indicate that all standards were given consideration. Dissenting members of the board shall have the right to have their written dissents included as part of the decision.

(5) Unanimous decisions of the hearing panel or a decision of a majority of the members of the board shall constitute the decision of the board and shall not be appealable to the whole board. Any other decision shall be appealable to the entire board within ten days. Appeals shall be on the record, which shall be furnished by the appellant, but the board may, in its sole discretion, permit the introduction of additional evidence and argument. Decisions shall be final and conclusive unless within ten days from the date of said action a governmental unit affected by the decision or any person owning real property or residing in the area affected by the decision files in the superior court a notice of appeal.

The filing of such notice of appeal within such time limit shall stay the effective date of the decision of the board until such time as the appeal shall have been adjudicated or withdrawn. On appeal the superior court shall not take any evidence other than that contained in the record of the hearing before the board.

(6) The superior court may affirm the decision of the board or remand the case for further proceedings; or it may reverse the decision if any substantial rights may have been prejudiced because the administrative findings, inferences, conclusions, or decisions are:

(a) In violation of constitutional provisions, or

(b) In excess of the statutory authority or jurisdiction of the board, or

(c) Made upon unlawful procedure, or

(d) Affected by other error of law, or

(e) Unsupported by material and substantial evidence in view of the entire record as submitted, or

(f) Arbitrary or capricious.

An aggrieved party may secure a review of any final judgment of the superior court by appeal to the supreme court or the court of appeals. Such appeal shall be taken in the manner provided by law for appeals from the superior court in other civil cases."

ESSB 5401 Prime Sponsor, Committee on Human Services & Corrections: Changing provisions relating to the natural death act. Reported by Committee on Health Care

MAJORITY recommendation: Do pass with the following amendments:

Strike everything after the enacting clause and insert the following:

*Sec. 1. Section 2, chapter 112, Laws of 1979 and RCW 70.122.010 are each amended to read as follows:

The legislature finds that adult persons have the fundamental right to control the decisions relating to the rendering of their own ~~((medical))~~ health care, including the decision to have life-sustaining ~~((procedures))~~ treatment withheld or withdrawn in instances of a terminal condition.

The legislature further finds that modern medical technology has made possible the artificial prolongation of human life beyond natural limits.

The legislature further finds that, in the interest of protecting individual autonomy, such ~~((prolongation of life))~~ postponement of the moment of death for persons with a terminal condition may cause loss of patient dignity, and unnecessary pain and suffering, while providing nothing medically necessary or beneficial to the patient.

The legislature further finds that there exists considerable uncertainty in the medical and legal professions as to the legality of terminating the use or application of life-sustaining ~~((procedures))~~ treatment where the patient has voluntarily and in sound mind evidenced a desire that such ~~((procedures))~~ treatment be withheld or withdrawn.

In recognition of the dignity and privacy which patients have a right to expect, the legislature hereby declares that the laws of the state of Washington shall recognize the right of an adult person to make a written directive, commonly known as a living will, instructing such person's physician to withhold or withdraw life-sustaining ~~((procedures))~~ treatment in the event of a terminal condition.

The legislature further recognizes that a person in a terminal condition may not have executed such a written directive and that therefore there is a need to establish a means of authorizing the withholding or withdrawing of life-sustaining treatment in the absence of a written directive.

The legislature further recognizes that in the absence of controversy, the court is normally not the proper forum in which to make decisions regarding life-sustaining treatment.

To avoid needless suffering and loss of dignity and to avoid treatment that is not desired by a person in a terminal condition, the legislature declares this chapter to be in the interest of the public health and welfare.

NEW SECTION, Sec. 2. A new section is added to chapter 70.122 RCW to read as follows:

This chapter shall not be construed as providing the exclusive means by which individuals, their legal representatives or next of kin as identified in section 5(2) of this act, may make decisions regarding their health treatment nor limiting the means provided by existing case law.

Sec. 3. Section 3, chapter 112, Laws of 1979 and RCW 70.122.020 are each amended to read as follows:

Unless the context clearly requires otherwise, the definitions contained in this section shall apply throughout this chapter.

(1) 'Attending physician' means the physician selected by, or assigned to, the patient who has primary responsibility for the treatment and care of the patient.

(2) 'Directive' means a written document voluntarily executed by the declarer in accordance with the requirements of RCW 70.122.030.

(3) 'Health facility' means a hospital as defined in RCW ~~((70.38.020(7) or))~~ 70.41.020(2), a nursing home as defined in RCW ~~((70.38.020(8)))~~ 18.51.010, or a home health agency or hospice agency as defined in RCW 70.126.010.

(4) 'Life-sustaining ~~((procedure))~~ treatment' means any medical or surgical ~~((procedure or intervention which utilizes))~~ care that uses mechanical or other artificial means to sustain, restore, or ~~((supplant))~~ replace a vital function, which, when applied to a qualified patient, would serve only to ~~((artificially prolong))~~ postpone the moment of death ~~((and where, in the judgment of the attending physician, death is imminent whether or not such procedures are utilized))~~. 'Life-sustaining ~~((procedure))~~ treatment' shall not include the administration of medication or the performance of any medical ~~((procedure))~~ or surgical care deemed necessary solely to alleviate pain.

(5) 'Physician' means a person licensed under chapters 18.71 or 18.57 RCW.

(6) 'Qualified patient' means a patient diagnosed and certified in writing to be afflicted with a terminal condition by two physicians one of whom shall be the attending physician.

who have personally examined the patient. If no family member is involved, three physicians shall diagnose and certify in writing that the patient is afflicted with a terminal condition.

(7) 'Terminal condition' means ~~((an incurable))~~ a condition caused by injury, disease, or illness, ~~((which, regardless of the application of life-sustaining procedures, would))~~ that, within reasonable medical judgment, ~~((produce))~~ is incurable and will cause death, and where the application of life-sustaining ~~((procedures))~~ treatment serves only to postpone the moment of death ~~((of the patient)); or a condition in which the patient is medically assessed as having no reasonable probability of recovery from a comatose or persistent vegetative state in accordance with accepted standards of medical practice.~~

(8) 'Adult person' means a person ~~((attaining))~~ who has attained the age of majority as defined in RCW 26.28.010 and 26.28.015.

Sec. 4. Section 4, chapter 112, Laws of 1979 and RCW 70.122.030 are each amended to read as follows:

(1) Any adult person may execute a directive directing the withholding or withdrawal of life-sustaining ~~((procedures))~~ treatment in a terminal condition. The directive shall be signed by the declarer in the presence of two witnesses not related to the declarer by blood or marriage and who would not be entitled to any portion of the estate of the declarer upon declarer's decease under any will of the declarer or codicil thereto then existing or, at the time of the directive, by operation of law then existing. In addition, a witness to a directive shall not be the attending physician, an employee of the attending physician or a health facility in which the declarer is a patient, or any person who has a claim against any portion of the estate of the declarer upon declarer's decease at the time of the execution of the directive. The directive, or a copy thereof, shall be made part of the patient's medical records retained by the attending physician, a copy of which shall be forwarded to the health facility upon ~~((the withdrawal of life-sustaining procedures))~~ admission. The directive ~~((shall))~~ may be essentially in the following form, but in addition may include other specific directions:

DIRECTIVE TO PHYSICIANS (LIVING WILL)

Directive made this _____ day of _____ (month, year).

I _____, being of sound mind, wilfully, and voluntarily make known my desire that my life shall not be artificially prolonged and that I be permitted to die naturally under the circumstances set forth below, and do hereby declare that:

(a) If at any time I should have an incurable injury, disease, or illness certified to be a terminal condition by two physicians, and where the application of life-sustaining ~~((procedures))~~ treatment would serve only to artificially ~~((prolong))~~ postpone the moment of my death ~~((and where my physician determines that my death is imminent whether or not life-sustaining procedures are utilized)), or I am in a terminal condition in which I have been certified by two physicians as having no reasonable probability of recovery from a comatose or persistent vegetative state, I direct that such ((procedures)) treatment be withheld or withdrawn, and that I be permitted to die naturally.~~

(b) In the absence of my ability to give directions regarding the use of such life-sustaining ~~((procedures))~~ treatment, it is my intention that this directive shall be honored by my family and physician(s) as the final expression of my legal right to refuse medical or surgical ~~((treatment))~~ care and I accept the consequences ~~((from))~~ of such refusal.

(c) If I have been diagnosed as pregnant and that diagnosis is known to my physician, this directive shall have no force or effect during the course of my pregnancy.

(d) I understand the full import of this directive and I am emotionally and mentally competent to make this directive.

(e) I understand that I can add or delete from or otherwise change the wording of this directive before I sign it, and that I may amend or revoke this directive at any time.

(2) Prior to effectuating a directive the diagnosis of a terminal condition, including a detailed description of the diagnostic criteria used, by two physicians shall be ~~((verified))~~ entered in writing, attached to the directive, and made a permanent part of the patient's medical records.

NEW SECTION. Sec. 5. A new section is added to chapter 70.122 RCW to read as follows:

(1) Life-sustaining treatment as defined in RCW 70.122.020 that would otherwise be applied to a qualified patient may be withheld or withdrawn according to subsections (2), (3), and (4) of this section if:

(a) The qualified patient is incapable of expressing his or her wishes as to the withholding or withdrawal of life-sustaining treatment;

(b) It is determined by the attending physician that the qualified patient has a terminal condition as defined in RCW 70.122.020(7); and

(c) There is certification in writing of such qualified patient's terminal condition by at least one additional physician with relevant qualifications, consulting specifically to assess the terminal condition after having personally examined the patient.

(2) If a qualified patient's condition has been determined to meet the conditions set forth in subsection (1) of this section and no directive has been executed according to RCW 70.122.030, life-sustaining treatment may be withheld or withdrawn upon the direction and under the supervision of the attending physician after the physician has obtained authorization from a member of one of the following classes of persons in the following order of priority:

(a) The appointed guardian of the qualified patient, if any;

(b) The individual, if any, to whom the qualified patient has given a durable power of attorney that encompasses the authority to make health care decisions pursuant to section 13 of this act;

(c) The qualified patient's spouse;

(d) Children of the qualified patient who are at least eighteen years of age;

(e) Parents of the qualified patient;

(f) Adult brother(s) and sister(s) of the qualified patient;

(g) Adult niece(s) and nephew(s) of the qualified patient.

If the physician seeking authority to withhold or withdraw life-sustaining treatment from a qualified patient makes reasonable efforts to locate and secure authorization from a competent person in the first or succeeding class and finds no such person available, authorization may be given by any person in the next class in the order of descending priority. However, no person under this section shall have the power to authorize the withholding or withdrawal of life-sustaining treatment from a qualified patient, (i) if a person of higher priority under this section has refused to give such authorization, or (ii) if there are two or more individuals in the same class and the decision is not unanimous among all available members of that class.

(3) Before any person described in subsection (2) of this section authorizes the physician to withhold or withdraw life-sustaining treatment from a qualified patient, he or she must first determine in good faith that the qualified patient, if competent, would choose to forego life-sustaining treatment. If such a determination cannot be made, the decision to authorize the physician to withhold or withdraw life-sustaining treatment may be made only after determining that foregoing life-sustaining treatment is in the qualified patient's best interests.

(4) If none of the persons described in subsection (2) of this section are available, then life-sustaining treatment may be withheld or withdrawn from a qualified patient upon the direction and under the supervision of the attending physician only after the attending physician determines in good faith that the conditions set forth in subsections (1) and (3) of this section have been met.

NEW SECTION. Sec. 6. If any terminally ill hospitalized patient indicates by words, actions or in writing that he or she wishes to die at home in dignity with his or her family and the family concurs, the patient shall be discharged immediately. There shall be no liability for claims arising from such discharge.

Sec. 7. Section 6, chapter 112, Laws of 1979 and RCW 70.122.050 are each amended to read as follows:

No family member or physician or health facility (~~(which)~~ that, acting in good faith in accordance with the requirements of this chapter, ~~(causes the withholding or withdrawal of)~~ and having documentation by two physicians of a terminal condition or three physicians where no family members are involved, withholds or withdraws life-sustaining ((procedures)) treatment from a qualified patient, shall be subject to civil liability ((therefrom)) unless otherwise negligent. No ~~(licensed)~~ health personnel, acting under the direction of a physician, who participates in good faith in the withholding or withdrawal of life-sustaining ~~(procedures)~~ treatment in accordance with the provisions of this chapter shall be subject to any civil liability unless otherwise negligent. No physician, or health facility or its agents, or ~~(licensed)~~ health personnel acting under the direction of a physician, who participates in good faith in the withholding or withdrawal of life-sustaining ~~(procedures)~~ treatment in accordance with the provisions of this chapter shall be guilty of any criminal act or of unprofessional conduct. No person who acts in good faith in accordance with the requirements of this chapter and participates in a decision to withhold or withdraw life-sustaining treatment from a qualified patient shall be subject to criminal or civil liability.

Sec. 8. Section 7, chapter 112, Laws of 1979 and RCW 70.122.060 are each amended to read as follows:

(1) Prior to ~~(effectuating a)~~ the withholding or withdrawal of life-sustaining ~~(procedures)~~ treatment from a qualified patient pursuant to the directive, the attending physician shall make a reasonable effort to determine that the directive complies with RCW 70.122.030 and, if the patient is mentally competent, that the directive and all steps proposed by the attending physician to be undertaken are currently in accord with the desires of the qualified patient.

(2) The directive shall be conclusively presumed, unless revoked, to be the directions of the patient regarding the withholding or withdrawal of life-sustaining ~~(procedures)~~ treatment. No physician, and no ~~(licensed)~~ health personnel acting in good faith under the direction of a

physician, shall be criminally or civilly liable for failing to effectuate the directive of the qualified patient pursuant to this subsection. ~~((If the physician refuses to effectuate the directive, such physician shall make a good faith effort to transfer the qualified patient to another physician who will effectuate the directive of the qualified patient.))~~ Any person or health facility that chooses not to comply with the directive shall immediately take all reasonable steps to transfer care of the qualified patient to another physician, health care provider, or health facility that will effectuate the directive. Any person whose conscience does not allow them to participate in the withholding or withdrawal of life sustaining treatment shall be unconditionally protected for non-negligent acts against any disciplinary action including, but not limited to, licensing, hiring, promotion, health facility privileges, and transfers.

(3) The attending physician or health facility shall inform a patient or patient's surrogate of the existence of any policy or practice which would preclude the honoring of the patient's directive at the time the physician or facility becomes aware of the existence of such a directive.

Sec. 9. Section 8, chapter 112, Laws of 1979 and RCW 70.122.070 are each amended to read as follows:

(1) The withholding or withdrawal of life-sustaining ~~((procedures))~~ treatment from a qualified patient pursuant to the patient's directive in accordance with the provisions of this chapter shall not, for any purpose, constitute a suicide.

(2) The making of a directive pursuant to RCW 70.122.030 shall not restrict, inhibit, or impair in any manner the sale, procurement, or issuance of any policy of life insurance, nor shall it be deemed to modify the terms of an existing policy of life insurance. No policy of life insurance shall be legally impaired or invalidated in any manner by the withholding or withdrawal of life-sustaining ~~((procedures))~~ treatment from an insured qualified patient, notwithstanding any term of the policy to the contrary.

(3) No physician, health facility, or other health provider, and no health care service plan, insurer issuing disability insurance, self-insured employee welfare benefit plan, or nonprofit hospital service plan, shall require any person to execute a directive as a condition for being insured for, or receiving, health care services.

Sec. 10. Section 10, chapter 112, Laws of 1979 and RCW 70.122.080 are each amended to read as follows:

The act of withholding or withdrawing life-sustaining ~~((procedures))~~ treatment from a qualified patient, when done pursuant to a directive described in RCW 70.122.030 ((and which causes the death of the declarer)) or the procedures authorized in this chapter, shall not be construed to be an intervening force or to affect the chain of proximate cause between the conduct of ~~((any person))~~ anyone that placed the declarer in a terminal condition and the death of the declarer.

Sec. 11. Section 9, chapter 112, Laws of 1979 and RCW 70.122.090 are each amended to read as follows:

Any person who wilfully conceals, cancels, defaces, obliterates, or damages the directive of another without such declarer's consent shall be guilty of a gross misdemeanor. Any person who falsifies or forges the directive of another, or wilfully conceals or withholds personal knowledge of a revocation as provided in RCW 70.122.040 with the intent to cause a withholding or withdrawal of life-sustaining ~~((procedures))~~ treatment contrary to the wishes of the declarer, and thereby, because of any such act, directly causes life-sustaining ~~((procedures))~~ treatment to be withheld or withdrawn and death to thereby be hastened, shall be subject to prosecution for murder in the first degree as defined in RCW 9A.32.030.

NEW SECTION. Sec. 12. A new section is added to chapter 70.122 RCW to read as follows:

This chapter shall not be construed as requiring a physician, registered nurse, or licensed practical nurse, or a physician's trained mobile technician or paramedic certified pursuant to RCW 18.71.205, or an emergency medical technician certified pursuant to RCW 18.73.110 to provide futile treatment. A physician licensed under chapter 18.71 RCW, an osteopathic physician licensed under chapter 18.57 RCW, or a registered nurse licensed under chapter 18.88 RCW may make the determination and pronouncement of death.

NEW SECTION. Sec. 13. A new section is added to chapter 11.94 RCW to read as follows:

The principal's physicians, the employees of such physicians, or the owners, administrators, or employees of the health facility in which the principal resides, may not act as attorneys-in-fact for the principal unless related to the principal by marriage or family ties.

(2) The authorization in subsection (1) of this section to consent to the withholding or withdrawal of life-sustaining treatment may be exercised only following the unanimous concurrence of the principal's attending physician and at least one other physician, after having

personally examined the principal, that the principal has a terminal condition as defined in RCW 70.122.020(7).

(3) The authorization given the attorney-in-fact under this section shall not include the following:

- (a) Therapy or other procedure given for the purpose of inducing convulsion;

A revocation or termination shall become effective upon actual or constructive knowledge, or receipt, of the written revocation or termination notice by the attorney-in-fact.

NEW SECTION, Sec. 14. A new section is added to chapter 11.94 RCW to read as follows:

Nothing in this chapter shall be construed to condone, authorize, or approve mercy killing, or to permit any affirmative or deliberate act or omission to end life other than the withholding or withdrawal of life-sustaining treatment pursuant to a durable power of attorney for health care so as to permit the natural process of dying.

NEW SECTION, Sec. 16. A new section is added to chapter 11.94 RCW to read as follows:

(1) Provide relief and support to family or other unpaid caregivers of disabled adults;

(2) Encourage individuals to provide care for disabled adults at home, and thus offer a viable alternative to institutionalization;

(3) Ensure that respite care is made generally available on a sliding-fee basis to eligible participants ~~((and caregivers))~~ in the program according to priorities established by the department; ((and))

(4) Be provided in the least restrictive setting available consistent with the individually assessed needs of the functionally disabled adult; and

(5) Include services appropriate to the needs of persons caring for individuals with dementia illnesses.

Sec. 2. Section 3, chapter 158, Laws of 1984 (uncodified) is amended to read as follows:

The services provide temporary care or supervision of disabled adults in substitution for the caregiver. The term includes social day care.

(2) 'Eligible participant' means an adult (a) who needs substantially continuous care or supervision by reason of his or her functional disability, and (b) who is assessed as requiring institutionalization in the absence of a caregiver assisted by home and community support services, including respite care.

(3) 'Caregiver' means a spouse, relative, or friend who has primary responsibility for the care of a functionally disabled adult, who does not receive financial compensation for the care, and who is assessed as being at risk of placing the eligible participant in a long-term care facility if respite care is not available.

(4) 'Institutionalization' means placement in a long-term care facility.

The department shall not require the development of plans of care or discharge plans by nursing homes providing respite care service under this chapter.

The department shall develop ~~((program))~~ standards for the ~~((demonstration projects))~~ respite program in conjunction with the selected area agencies on aging. The program standards shall serve as the basis for soliciting bids, entering into subcontracts, and developing sliding fee scales to be used in determining the ability of eligible participants ~~((and caregivers))~~ to participate in paying for respite care.

Prime Sponsor, Committee on Commerce & Labor: Creating enforcement provisions for new motor vehicle warranties. Reported by Committee on Commerce & Labor

MAJORITY recommendation: Do pass with the following amendments:

Strike everything after the enacting clause and insert the following:

"NEW SECTION, Sec. 1. The legislature recognizes that a new motor vehicle is a major consumer purchase and that a defective motor vehicle is likely to create hardship for, or may cause injury to, the consumer. The legislature further recognizes that good cooperation and communication between a manufacturer and a new motor vehicle dealer will considerably increase the likelihood that a new motor vehicle will be repaired within a reasonable number of attempts.

It is the intent of the legislature to ensure that the consumer is made aware of his or her rights under this chapter and is not refused information, documents, or service that would otherwise obstruct the exercise of his or her rights.

In enacting these comprehensive measures, it is the intent of the legislature to create the proper blend of private and public remedies necessary to enforce this chapter, such that a manufacturer will be sufficiently induced to take necessary steps to improve quality control at the time of production or provide better warranty service for the new motor vehicles that it sells in this state.

NEW SECTION, Sec. 2. Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

(1) 'Board' means new motor arbitration vehicle board.

(2) 'Collateral charges' means any sales-related charges including but not limited to sales tax, arbitration service fees, license fees, registration fees, title fees, finance charges, insurance costs, transportation charges, dealer preparation charges, or any other charges for service contracts, undercoating, rustproofing, or factory installed options.

(3) 'Condition' means a general problem that results from a defect or malfunction of one or more parts, or their improper installation by the manufacturer, its agents, or the new motor vehicle dealer.

(4) 'Consumer' means any person who has entered into an agreement or contract for the transfer, lease, or purchase of a new motor vehicle, other than for purposes of resale or sublease, during the duration of the warranty period defined under this section.

(5) 'Court' means the superior court in the county where the consumer resides, except if the consumer does not reside in this state, then the superior court in the county where an arbitration hearing or determination was conducted or made pursuant to this chapter.

(6) 'Incidental costs' means any reasonable expenses incurred by the consumer in connection with the repair of the new motor vehicle, including any towing charges and the costs of obtaining alternative transportation.

(7) 'Manufacturer' means any person engaged in the business of constructing or assembling new motor vehicles or engaged in the business of importing new motor vehicles into the United States for the purpose of selling or distributing new motor vehicles to new motor vehicle dealers.

(8) 'New motor vehicle' means any new self-propelled vehicle primarily designed for the transportation of persons or property over the public highways that was leased or purchased in this state and registered in this state, but does not include vehicles purchased or leased by a business as part of a fleet of ten or more vehicles. If the motor vehicle is a motor home, this chapter shall apply to the self-propelled vehicle and chassis, but does not include those portions of the vehicle designated, used, or maintained primarily as a mobile dwelling, office, or commercial space. The term 'new motor vehicle' does not include motorcycles or trucks with nineteen thousand pounds or more gross vehicle weight rating. The term 'new motor vehicle' includes a demonstrator or lease-purchase vehicle as long as a manufacturer's warranty was issued as a condition of sale.

(9) 'New motor vehicle dealer' means a person who holds a dealer agreement with a manufacturer for the sale of new motor vehicles, who is engaged in the business of purchasing, selling, servicing, exchanging, or dealing in new motor vehicles, and who is licensed as a dealer by the state of Washington.

(10) 'Nonconformity' means a defect, serious safety defect, or condition that substantially impairs the use, value, or safety of a new motor vehicle, but does not include a defect or condition that is the result of abuse, neglect, or unauthorized modification or alteration of the new motor vehicle.

(11) 'Purchase price' means the cash price of the new motor vehicle appearing in the sales agreement or contract, including any allowance for a trade-in vehicle.

(12) 'Reasonable offset for use' means an amount directly attributable to use by the consumer before repurchase or replacement by the manufacturer. The reasonable offset for use shall be computed by the number of miles that the vehicle traveled before the manufacturer's acceptance of the vehicle upon repurchase or replacement multiplied by the purchase price, and divided by one hundred thousand.

(13) 'Reasonable number of attempts' means the definition provided in section 4 of this act.

(14) 'Replacement motor vehicle' means a new motor vehicle that is identical or reasonably equivalent to the motor vehicle to be replaced, as the motor vehicle to be replaced existed at the time of purchase.

(15) 'Serious safety defect' means a life-threatening malfunction or nonconformity that impedes the consumer's ability to control or operate the new motor vehicle for ordinary use or reasonable intended purposes or creates a risk of fire or explosion.

(16) 'Substantially impair' means to render the new motor vehicle unreliable, or unsafe for ordinary use, or to diminish the resale value of the new motor vehicle below the average resale value for comparable motor vehicles.

(17) 'Warranty' means any implied warranty, any written warranty of the manufacturer, or any affirmation of fact or promise made by the manufacturer in connection with the sale of a new motor vehicle that becomes part of the basis of the bargain. The term 'warranty' pertains to the obligations of the manufacturer in relation to materials, workmanship, design defects, and fitness of a new motor vehicle for ordinary use or reasonably intended purposes throughout the duration of the warranty period as defined under this section.

(18) 'Warranty period' means the period ending two years after the date of the original delivery to the consumer of a new motor vehicle, or the first twenty-four thousand miles of operation, whichever occurs first.

NEW SECTION. Sec. 3. (1) Each new motor vehicle dealer shall provide an owner's manual which shall be published by the manufacturer and include a list of the addresses and phone numbers for its zone or regional offices for this state.

(2) At the time of purchase, the new motor vehicle dealer shall provide the consumer with a written statement that explains the consumer's rights under this chapter. The written statement shall be prepared and supplied by the attorney general and shall contain a toll-free number that the consumer can contact for information regarding the procedures and remedies under this chapter.

(3) For the purposes of this chapter, if a new motor vehicle does not conform to the warranty and the consumer reports the nonconformity to the manufacturer, its agent, or the new motor vehicle dealer who sold the new motor vehicle during the term of the warranty period,

the manufacturer, its agent, or the new motor vehicle dealer shall make repairs as are necessary to conform the vehicle to the warranty, regardless of whether such repairs are made after the expiration of the warranty period. Any corrections or attempted repairs undertaken by a new motor vehicle dealer under this chapter shall be treated as warranty work and billed by the dealer to the manufacturer in the same manner as other work under the manufacturer's written warranty is billed.

(4) Upon request from the consumer, the manufacturer or new motor vehicle dealer shall provide a copy of any report or computer reading compiled by the manufacturer's field or zone representative regarding inspection, diagnosis, or test-drive of the consumer's new motor vehicle, or shall provide a copy of any technical service bulletin issued by the manufacturer regarding the year and model of the consumer's new motor vehicle as it pertains to any material, feature, component, or the performance thereof.

(5) The new motor vehicle dealer shall provide to the consumer each time the consumer's vehicle is returned from being diagnosed or repaired under the warranty, a fully itemized, legible statement or repair order indicating any diagnosis made, and all work performed on the vehicle including but not limited to, a general description of the problem reported by the consumer or an identification of the defect or condition, parts and labor, the date and the odometer reading when the vehicle was submitted for repair, and the date when the vehicle was made available to the consumer.

(6) No manufacturer, its agent, or the new motor vehicle dealer may refuse to diagnose or repair any nonconformity covered by the warranty for the purpose of avoiding liability under this chapter.

(7) For purposes of this chapter, the consumers shall have the rights and remedies, including a cause of action, against manufacturers as provided in this chapter.

(8) The warranty period and thirty-day out-of-service period shall be extended by any time that repair services are not available to the consumer as a direct result of a strike, war, invasion, fire, flood, or other natural disaster.

NEW SECTION, Sec. 4. (1) If the manufacturer, its agent, or the new motor vehicle dealer is unable to conform the new motor vehicle to the warranty by repairing or correcting any nonconformity after a reasonable number of attempts, the manufacturer, within forty calendar days of a consumer's written request shall, at the option of the consumer, replace or repurchase the new motor vehicle.

The replacement motor vehicle shall be identical or reasonably equivalent to the motor vehicle to be replaced. Compensation for a reasonable offset for use shall be paid by the consumer to the manufacturer in the event that the consumer accepts a replacement motor vehicle.

When repurchasing the new motor vehicle, the manufacturer shall refund to the consumer the purchase price, all collateral charges, and incidental costs, less a reasonable offset for use. Refunds shall be made to the consumer and lienholder of record, if any, as his or her interests may appear.

(2) Reasonable number of attempts shall be deemed to have been undertaken by the manufacturer, its agent, or the new motor vehicle dealer to conform the new motor vehicle to the warranty within the warranty period, if: (a) A serious safety defect has been subject to repair two or more times and the defect continues to exist; (b) the same nonconformity has been subject to diagnosis or repair four or more times; or (c) the new motor vehicle is out-of-service by reason of diagnosis or repair of one or more nonconformities for a cumulative total of thirty calendar days.

(3) No new motor vehicle dealer may be held liable by the manufacturer for any collateral charges, incidental costs, purchase price refunds, or vehicle replacements. Manufacturers shall not have a cause of action against dealers under this chapter, but may pursue rights and remedies in other proceedings in accordance with the manufacturer-dealer franchise agreement. Consumers shall not have a cause of action against dealers under this chapter, but a violation of any responsibilities imposed upon dealers under this chapter is a per se violation of chapter 19.86 RCW. Consumers may pursue rights and remedies against dealers under any other law, including chapters 46.70 and 46.71 RCW. Manufacturers and consumers may not make dealers parties to arbitration board proceedings under this chapter.

NEW SECTION, Sec. 5. (1) A manufacturer shall be prohibited from reselling any motor vehicle determined or adjudicated as having a serious safety defect unless the serious safety defect has been repaired.

(2) After the replacement or repurchase of a motor vehicle with a nonconformity uncorrected pursuant to this chapter, the manufacturer shall notify the attorney general and the department of licensing, by certified mail, upon receipt of the manufacturer's motor vehicle.

(3) Upon the resale, either at wholesale or retail, or transfer of title of such motor vehicle previously returned after a final determination, adjudication, or settlement under this chapter or under a similar statute of any other state, the manufacturer, its agent, or the new motor vehicle dealer shall execute and deliver to the buyer before sale an instrument in writing setting forth information identifying the nonconformity in a manner to be specified by the attorney

general, and the department of licensing shall place on the certificate of title information indicating the vehicle was returned under this chapter.

NEW SECTION. Sec. 6. (1) Except as provided in section 15 of this act, the attorney general shall contract with one or more private entities experienced in consumer arbitration to establish new motor vehicle arbitration boards to settle disputes between consumers and manufacturers as provided in this chapter. The entities shall not be affiliated with any manufacturer or new motor vehicle dealer. Payment to the entities for the arbitration services shall be made from the new motor vehicle arbitration account.

(2) The attorney general shall adopt rules for the uniform conduct of the arbitrations by the boards, which rules shall include but not be limited to the following procedures:

(a) At all arbitration proceedings, the parties are entitled to present oral and written testimony, to present witnesses and evidence relevant to the dispute, to cross-examine witnesses, and to be represented by counsel.

The new motor vehicle boards may issue subpoenas to compel the attendance of witnesses and the production of records, documents, and other evidence.

(b) Records of the board proceedings shall be open to the public. The hearings shall be open to the public to the extent practicable.

(3) A consumer shall exhaust the new motor vehicle arbitration board remedy before filing any superior court action.

(4) The attorney general shall maintain records of each dispute submitted to the new motor vehicle arbitration board, including an index of new motor vehicles by year, make, and model.

(5) The attorney general shall compile aggregate annual statistics for all disputes submitted to, and decided by, the new motor vehicle arbitration board, as well as annual statistics for each manufacturer that include, but shall not be limited to, the number and percent of: (a) Replacement motor vehicle requests; (b) purchase price refund requests; (c) replacement motor vehicles obtained in prehearing settlements; (d) purchase price refunds obtained in prehearing settlements; (e) replacement motor vehicles awarded in arbitration; (f) purchase price refunds awarded in arbitration; (g) board decisions neither complied with during the forty calendar day period nor petitioned for appeal within the thirty calendar day period; (h) board decisions appealed categorized by consumer or manufacturer; (i) the nature of the court decisions and who the prevailing party was; (j) appeals that were held by the court to be brought without good cause; and (k) appeals that were held by the court to be brought solely for the purpose of harassment. The statistical compilations shall be public information.

(6) The attorney general shall submit biennial reports of the information in this section to the senate and house of representatives committees on commerce and labor, with the first report due January 1, 1990.

(7) The attorney general shall adopt rules to implement this chapter. Such rules shall include uniform standards by which the boards shall make determinations under this chapter, including but not limited to rules which provide:

(a) A board shall find that a nonconformity exists if it determines that the consumer's new motor vehicle has a defect, serious safety defect, or condition that substantially impairs the use, value, or safety of the vehicle.

(b) A board shall find that a reasonable number of attempts to repair a nonconformity have been undertaken when (i) a serious safety defect has been subject to repair two or more times and the defect continues to exist; (ii) the same nonconformity has been subject to diagnosis or repair four or more times; or (iii) the vehicle has been out-of-service by reason of diagnosis or repair of one or more nonconformities for a total of thirty calendar days.

(c) A board shall find that a manufacturer has failed to comply with section 4 of this act if it finds that the manufacturer, its agent, or the new motor vehicle dealer has failed to correct a nonconformity after a reasonable number of attempts and the manufacturer has failed, within forty days of the consumer's written request, to repurchase the vehicle or replace the vehicle with a vehicle identical or reasonably equivalent to the vehicle being replaced.

(8) The attorney general shall provide consumers with information regarding the procedures and remedies under this chapter.

NEW SECTION. Sec. 7. (1) A consumer may request arbitration under this chapter by submitting the request to the attorney general. Within ten days after receipt of an arbitration request, the attorney general shall make a reasonable determination of the cause of the request for arbitration and provide necessary information to the consumer regarding the consumer's rights and remedies under this chapter. The attorney general shall assign the dispute to a board, except that if it clearly appears from the materials submitted by the consumer that the dispute is not eligible for arbitration, the attorney general may refuse to assign the dispute and shall explain any required procedures to the consumer.

(2) Manufacturers shall submit to arbitration if such arbitration is requested by the consumer within thirty months from the date of original delivery of the new motor vehicle to the consumer and if the consumer's dispute is deemed eligible for arbitration by the board.

(3) The new motor vehicle arbitration board may reject for arbitration any dispute that it determines to be frivolous, fraudulent, filed in bad faith, res judicata or beyond its authority.

Any dispute deemed by the board to be ineligible for arbitration due to insufficient evidence may be reconsidered by the board upon the submission of other information or documents regarding the dispute that would allegedly qualify for relief under this chapter. Following a second review, the board may reject the dispute for arbitration if evidence is still clearly insufficient to qualify the dispute for relief under this chapter. A rejection by the board is subject to review by the attorney general or may be appealed under section 8 of this act.

A decision to reject any dispute for arbitration shall be sent by certified mail to the consumer and the manufacturer, and shall contain a brief explanation as to the reason therefor.

(4) The arbitration board shall award the remedies under section 4 of this act if it finds a nonconformity and that a reasonable number of attempts have been undertaken to correct the nonconformity.

(5) It is an affirmative defense to any claim under this chapter that: (a) The alleged nonconformity does not substantially impair the use, value, or safety of the new motor vehicle; or (b) the alleged nonconformity is the result of abuse, neglect, or unauthorized modifications or alterations of the new motor vehicle.

(6) The board shall have thirty calendar days from the date the board receives the consumer's request for arbitration to hear the dispute. If the board determines that additional information is necessary, the board may continue the arbitration proceeding on a subsequent date within ten calendar days of the initial hearing. The board shall decide the dispute within sixty calendar days from the date the board receives the consumer's request for arbitration.

The decision of the board shall be sent by certified mail to the consumer and the manufacturer, and shall contain a written finding of whether the new motor vehicle meets the standards set forth under this chapter.

(7) The consumer may accept the arbitration board decision or appeal to superior court, pursuant to section 8 of this act. Upon acceptance by the consumer, the arbitration board decision shall become final. The consumer shall send written notification of acceptance to the arbitration board who shall immediately send a copy of the consumer's acceptance to the manufacturer by certified mail, return receipt requested.

(8) Upon receipt of the consumer's acceptance, the manufacturer shall have forty calendar days to comply with the arbitration board decision or thirty calendar days to file a petition of appeal in superior court. At the time the petition of appeal is filed, the manufacturer shall send, by certified mail, a conformed copy of such petition to the attorney general. If the attorney general receives no notice of petition of appeal after forty calendar days, the attorney general shall contact the consumer to verify compliance.

(9) If, at the end of the forty calendar day period, neither compliance with, nor a petition to appeal the board's decision has occurred, the attorney general shall impose a fine of one thousand dollars per day until compliance occurs or a maximum penalty of one hundred thousand dollars accrues unless the manufacturer can provide clear and convincing evidence that any delay or failure was beyond its control or was acceptable to the consumer as evidenced by a written statement signed by the consumer. If the manufacturer fails to provide such evidence or fails to pay the fine, the attorney general shall initiate proceedings against the manufacturer for failure to pay any fine that accrues until compliance with the board's decision occurs or the maximum penalty of one hundred thousand dollars results.

NEW SECTION, Sec. 8. (1) The consumer or the manufacturer may appeal the arbitration board decision, including a rejection, to superior court and not to the office of administrative hearings.

(2) Grounds for the manufacturer to appeal a decision by the arbitration board shall be limited to clear and convincing evidence that: (a) The award was procured by corruption, fraud, or other misconduct; or (b) the board refused to postpone a hearing upon sufficient cause or refused to hear evidence pertinent and material to the dispute; or (c) the board exceeded its powers; or (d) the board conducted the hearing contrary to the provisions of this chapter or rules adopted under it so as to prejudice substantially the rights of the manufacturer. In a written petition to appeal a decision by the board, the manufacturer or consumer shall state the action requested and the grounds relied upon.

(3) If the consumer prevails, recovery shall include the monetary value of the award, attorneys' fees and costs incurred in the superior court action, and continuing damages in the amount of twenty-five dollars per day for all days beyond the forty calendar day period following the manufacturer's receipt of the consumer's acceptance of the board's decision where the manufacturer did not provide the consumer with the free use of a comparable loaner replacement motor vehicle. If it is determined by the court that the manufacturer acted without good cause in bringing the appeal or brought the appeal solely for the purpose of harassment, the court may triple, but at least shall double, the amount of the total award.

NEW SECTION, Sec. 9. A five-dollar arbitration fee shall be collected by the new motor vehicle dealer from the consumer at completion of sale. The fee shall be forwarded to the department of licensing for deposit in the new motor vehicle arbitration account hereby created in the state treasury. Moneys in the account shall be used for the purposes of this chapter, subject to appropriation.

At the end of each fiscal year, the attorney general shall prepare a report listing the annual revenue generated and the expenses incurred in implementing and operating the arbitration program under this chapter.

NEW SECTION. Sec. 10. A violation of this chapter shall constitute an unfair or deceptive trade practice affecting the public interest under chapter 19.86 RCW. All public and private remedies provided under that chapter shall be available to enforce this chapter.

NEW SECTION. Sec. 11. Any agreement entered into by a consumer for the purchase of a new motor vehicle that waives, limits, or disclaims the rights set forth in sections 2 through 12 of this act shall be void as contrary to public policy. Said rights shall extend to a subsequent transferee of such new motor vehicle.

NEW SECTION. Sec. 12. Nothing in this chapter limits the consumer from pursuing other rights or remedies under any other law.

Sec. 13. Section 5, chapter 240, Laws of 1983 and RCW 19.118.050 are each amended to read as follows:

It shall be presumed that a reasonable number of attempts have been undertaken to conform a motor vehicle to the applicable express warranties if during the term of such express warranties or during the period of one year following the date of original delivery of the motor vehicle to a buyer: (1) The same nonconformity has been subject to diagnosis or repair four or more times by the manufacturer or its agents; ((or)) (2) ((the vehicle is out of service by reason of repair for a cumulative total of more than thirty days since the delivery of the vehicle to the buyer)) a serious safety defect has been subject to repair two or more times, and the defect continues to exist; or (3) the new motor vehicle is out-of-service by reason of diagnosis or repair of one or more nonconformities for a cumulative total of thirty calendar days. The thirty-day period includes each calendar day or portion thereof during which the service shop is open for business, but does not include periods during which repairs cannot be made due to ((conditions beyond the control of the service facility and does not include periods during which the buyer has been provided with a comparable replacement vehicle by the dealer or manufacturer)) reasons specified in section 3(8) of this 1987 act.

This section shall expire December 31, 1988.

Sec. 14. Section 6, chapter 240, Laws of 1983 and RCW 19.118.060 are each amended to read as follows:

(1) If a manufacturer has established an informal dispute resolution settlement procedure which substantially complies with the applicable provision of Title 16, Code of Federal Regulations, Part 703, as from time to time amended, the provisions of RCW 19.118.040 concerning reimbursements do not apply unless the buyer has resorted to such procedure. After the new motor vehicle arbitration board has been established and is operational and until December 31, 1988, consumers who have a pending case in the informal dispute resolution settlement procedure in this section may choose to transfer the case to be heard before the new motor vehicle arbitration board.

This subsection shall expire December 31, 1988.

(2) Except as provided in subsection (1) of this section, after the boards have been established and are operational, the boards shall be the only arbitration available in this state to settle disputes as described in this chapter.

NEW SECTION. Sec. 15. If the attorney general is unable, or will be unable, to contract with private entities to conduct arbitrations under the procedures and standards in this chapter, by January 1, 1988, the attorney general shall establish one or more new motor vehicle arbitration boards. Each such board shall consist of three members appointed by the attorney general, only one of whom may be directly involved in the manufacture, distribution, sale, or service of any motor vehicle. Board members shall be reimbursed for travel expenses in accordance with RCW 43.03.050 and 43.03.060 and shall be compensated pursuant to RCW 43.03.240.

NEW SECTION. Sec. 16. Sections 2 through 12 and 15 of this act are each added to chapter 19.118 RCW.

NEW SECTION. Sec. 17. (1) There is appropriated from the new motor vehicle arbitration account to the attorney general for the biennium ending June 30, 1989, the sum of two million dollars, or so much thereof as may be necessary, to carry out the purposes of this act.

(2) Before January 1, 1988, the attorney general may expend funds appropriated under this section to establish the new motor vehicle arbitration boards.

NEW SECTION. Sec. 18. The following acts or parts of acts are each repealed:

(1) Section 2, chapter 240, Laws of 1983 and RCW 19.118.020;

(2) Section 3, chapter 240, Laws of 1983, section 1, chapter 148, Laws of 1984 and RCW 19.118.030; and

(3) Section 4, chapter 240, Laws of 1983, section 2, chapter 148, Laws of 1984 and RCW 19.118.040.

(2) Sections 2 through 8 and 10 through 12 of this act shall take effect January 1, 1988, except that the attorney general may take such actions as are necessary to ensure the new motor vehicle arbitration boards are established and operational.

The bond or other security of an auctioneer shall be in the amount of five thousand dollars.

(2) The bond or other security of an auction company shall be in an amount not less than five thousand dollars and not more than twenty-five thousand dollars. The amount shall be based on the value of the goods and real estate sold at auctions conducted, supervised, arranged, sponsored, or managed by the auction company during the previous calendar year or, for a new auction company, the estimated value of the goods and real estate to be sold at auction during the current calendar year. The director shall establish by rule the procedures to be used for determining the amount of auction company bonds or other security.

- (d) Remain in effect for one year after expiration, revocation, or suspension of the license.

(5) If any licensee fails or is alleged to have failed to comply with the provisions of this chapter or the agency rules adopted pursuant to this chapter, the director may hold a hearing in accordance with chapter 34.04 RCW, determine those persons who are proven claimants under the bond, and, if appropriate, distribute the bond proceeds to the proven claimants. The state or an injured person may also bring an action against the bond in superior court. The liability of the surety shall be only for actual damages and shall not exceed the amount of the bond.

(6) Damages that exceed the amount of the bond may be remedied by actions against the auctioneer or the auction company under RCW 18.11.260 or other available remedies at law.

The auctioneer or auction company shall draw on the trust account only to pay proceeds to ~~((the))~~ clients, or such other persons who are legally entitled to such proceeds, and to obtain the sums due to the auctioneer or auction company for services as set out in the written contract required under RCW 18.11.130. Funds in the trust account shall not be subject to the debt of the auctioneer or auction company and shall not be used for personal reasons or other business reasons.

Sec. 5. Section 6, chapter 324, Laws of 1986 and RCW 18.11.095 are each amended to read as follows:

Every person, before operating an auction company as defined in RCW 18.11.050, shall obtain an auction company certificate of registration.

The siting of new landfills, the location and design of new solid waste incinerators, the disposal of ash residue, and compliance with the priorities of the solid waste management act and the hazardous waste management act require that an effort be made by the state to ensure that local governments and private industry have adequate technical information, and that programs are developed to accomplish the statutory waste management priorities.

(2) A comprehensive evaluation of preferred solid waste management programs shall be undertaken by the joint select committee for preferred solid waste management. The committee shall consist of four members of the house of representatives appointed by the speaker of the house and four members of the senate appointed by the president of the senate. The committee shall involve representatives of organizations representing cities, counties, the public, the waste management industry, waste haulers, and the private recycling industry. ESSB 5608 Prime Sponsor, Committee on Agriculture: Strengthening the prohibitions against cruelty to animals. Reported by Committee on Agriculture & Rural Development

MAJORITY recommendation: Do pass with the following amendments:

Strike everything after the enacting clause and insert the following:

*Sec. 1. Section 2, chapter 12, Laws of 1974 ex. sess. and RCW 16.52.085 are each amended to read as follows:

(1) If the county sheriff or other law enforcement officer shall find that said domestic animal has been neglected by its owner, he or she may authorize the removal of the animal to a proper pasture or other suitable place for feeding and restoring to health.

(2) If a law enforcement officer has probable cause to believe a violation of this chapter has occurred, the officer may authorize an examination of an allegedly neglected domestic animal by a veterinarian to determine whether the level of neglect is sufficient to require removal of the animal. This section does not condone illegal entry onto private property.

(3) Any owner whose domestic animal is removed to a suitable place pursuant to this chapter shall be given written notice of the circumstances of the removal and notice of legal remedies available to the owner. In making the decision to remove an animal pursuant to this chapter, the law enforcement officer shall make a good faith effort to contact the animal's owner before removal unless the animal is in a life-threatening condition or unless the officer reasonably believes that the owner would remove the animal from the jurisdiction.

(4) If no criminal case is filed within seventy-two hours of the removal of the animal, the owner may petition the district court of the county where the removal of the animal occurred for the return of the animal. The petition shall be filed with the court, with copies served to the law enforcement agency responsible for removing the animal and to the prosecuting attorney.

If a criminal action is filed after the petition is filed but before the animal is returned, the petition shall be joined with the criminal matter.

(5) In a motion or petition for the return of the removed animal before a trial, the burden is on the owner to prove by a preponderance of the evidence that the animal will not suffer future neglect and is not in need of being restored to health.

(6) Any authorized person treating or attempting to restore an animal to health under this chapter shall not be civilly or criminally liable for such action.

NEW SECTION, Sec. 2. A new section is added to chapter 16.52 RCW to read as follows:

(1) The sentence imposed for a violation of this chapter may be deferred or suspended in accordance with RCW 3.66.067 and 3.66.068, however the probationary period shall be two years.

(2) In case of multiple convictions, the sentences shall be consecutive, however the probationary period shall remain two years.

(3) In addition to the penalties imposed by the court, the court shall order the forfeiture of all animals held by law enforcement authorities under the provisions of this chapter if any one of the animals involved dies as a result of a violation of this chapter or if the defendant has a prior conviction under this chapter. In other cases the court may enter an order requiring the owner to forfeit the animal if the court deems the cruel treatment to have been severe and likely to reoccur. If forfeiture is ordered, the owner shall be prohibited from owning or caring for any similar animals for a period of two years. The court may delay its decision on forfeiture under this subsection until the end of the probationary period.

(4) In addition to fines and court costs, the owner, only if convicted or in agreement, shall be liable for reasonable costs incurred pursuant to this chapter by the law enforcement or authorized private or public entities involved with the care of the animals.

(5) If convicted, the owner shall also pay a civil penalty of one hundred dollars to the county to prevent cruelty to animals. These funds shall be used to prosecute offenses under this chapter and to care for forfeited animals pending trial.

NEW SECTION, Sec. 3. A new section is added to chapter 16.52 RCW to read as follows:

This chapter shall not limit the right of a law enforcement officer to destroy an animal that has been seriously injured and would otherwise continue to suffer. Such action shall be undertaken with reasonable prudence and, whenever possible, in consultation with a licensed veterinarian and the owner of the animal.

Law enforcement officers and licensed veterinarians shall be immune from civil and criminal liability for actions taken under this chapter if reasonable prudence is exercised in carrying out the provisions of this chapter.

Sec. 4. Section 17, chapter 146, Laws of 1901 and RCW 16.52.010 are each amended to read as follows:

Sec. 5. Section 46.56.070, chapter 12, Laws of 1961 and RCW 46.61.660 are each amended to read as follows:

Except as provided in RCW 16.52.010, it shall be unlawful for any person to transport any living animal on the running board, fenders, hood, or other outside part of any vehicle unless suitable harness, cage or enclosure be provided and so attached as to protect such animal from falling or being thrown therefrom. It shall be unlawful for any person to transport any persons upon the running board, fenders, hood or other outside part of any vehicle, except that this provision shall not apply to authorized emergency vehicles.

2SSB 5654 Prime Sponsor, Committee on Ways & Means: Revising provisions relating to criminal sentencing. Reported by Committee on Judiciary

MAJORITY recommendation: Do pass with the following amendments:

Strike everything after the enacting clause and insert the following:

*Sec. 1. Section 11, chapter 137, Laws of 1981 as last amended by section 34, chapter 257, Laws of 1986 and RCW 9.94A.110 are each amended to read as follows:

Before imposing a sentence upon a defendant, the court shall conduct a sentencing hearing. The sentencing hearing shall be held within forty court days following conviction. Upon the motion of either party for good cause shown, or on its own motion, the court may extend the time period for conducting the sentencing hearing. The court shall order the department to complete a presentence report for the purpose of offender management before imposing a sentence upon a defendant who has been convicted of a felony sex offense. The department

shall give priority to presentence investigations for sex offenders. The court shall consider the presentence reports, if any, including any victim impact statement and criminal history, and allow arguments from the prosecutor, the defense counsel, the offender, the victim, the survivor of the victim, or a representative of the victim or survivor, and an investigative law enforcement officer as to the sentence to be imposed. If the court is satisfied by a preponderance of the evidence that the defendant has a criminal history, the court shall specify the convictions it has found to exist. All of this information shall be part of the record. Copies of all presentence reports presented to the sentencing court and all written findings of facts and conclusions of law as to sentencing entered by the court shall be sent to the department by the clerk of the court at the conclusion of the sentencing and shall accompany the offender if the offender is committed to the custody of the department. Court clerks shall provide, without charge, certified copies of documents relating to criminal convictions requested by prosecuting attorneys.

Sec. 2. Section 12, chapter 137, Laws of 1981 as last amended by section 20, chapter 257, Laws of 1986 and by section 4, chapter 301, Laws of 1986 and RCW 9.94A.120 are each reenacted and amended to read as follows:

When a person is convicted of a felony, the court shall impose punishment as provided in this section.

(1) Except as authorized in subsections (2), (5), and (7) of this section, the court shall impose a sentence within the sentence range for the offense.

(2) The court may impose a sentence outside the standard sentence range for that offense if it finds, considering the purpose of this chapter, that there are substantial and compelling reasons justifying an exceptional sentence.

(3) Whenever a sentence outside the standard range is imposed, the court shall set forth the reasons for its decision in written findings of fact and conclusions of law. A sentence outside the standard range shall be a determinate sentence.

(4) An offender convicted of the crime of murder in the first degree shall be sentenced to a term of total confinement not less than twenty years. An offender convicted of the crime of assault in the first degree where the offender used force or means likely to result in death or intended to kill the victim shall be sentenced to a term of total confinement not less than five years. An offender convicted of the crime of rape in the first degree shall be sentenced to a term of total confinement not less than three years, and shall not be eligible for furlough, work release or other authorized leave of absence from the correctional facility during such minimum three year term except for the purpose of commitment to an inpatient treatment facility. The foregoing minimum terms of total confinement are mandatory and shall not be varied or modified as provided in subsection (2) of this section.

(5) In sentencing a first-time offender the court may waive the imposition of a sentence within the sentence range and impose a sentence which may include up to ninety days of confinement in a facility operated or utilized under contract by the county and a requirement that the offender refrain from committing new offenses. The sentence may also include up to two years of community supervision, which, in addition to crime-related prohibitions, may include requirements that the offender perform any one or more of the following:

(a) Devote time to a specific employment or occupation;

(b) Undergo available outpatient treatment for up to two years, or inpatient treatment not to exceed the standard range of confinement for that offense;

(c) Pursue a prescribed, secular course of study or vocational training;

(d) Remain within prescribed geographical boundaries and notify the court or the community corrections officer ((ef)) prior to any change in the offender's address or employment;

(e) Report as directed to the court and a community corrections officer; or

(f) Pay a fine and/or accomplish some community service work.

(6) If a sentence range has not been established for the defendant's crime, the court shall impose a determinate sentence which may include not more than one year of confinement, community service work, a term of community supervision not to exceed one year, and/or a fine. The court may impose a sentence which provides more than one year of confinement if the court finds, considering the purpose of this chapter, that there are substantial and compelling reasons justifying an exceptional sentence.

(7) (a) When an offender is convicted of a sex offense other than a violation of RCW 9A.44-.040 or RCW 9A.44.050 and has no prior convictions for a sex offense or any other felony sexual offenses in this or any other state, the sentencing court, on its own motion or the motion of the state or the defendant, may order an examination to determine whether the defendant is amenable to treatment.

After receipt of the reports, the court shall then determine whether the offender and the community will benefit from use of this special sexual offender sentencing alternative. If the court determines that both the offender and the community will benefit from use of this provision, the court shall then impose a sentence within the sentence range and, if this sentence is less than six years of confinement, the court may suspend the execution of the sentence and place the offender on community supervision for up to two years. As a condition of the suspended sentence, the court may impose other sentence conditions including up to six months of

confinement, not to exceed the sentence range of confinement for that offense, crime-related prohibitions, and requirements that the offender perform any one or more of the following:

- (i) Devote time to a specific employment or occupation;
- (ii) Undergo available outpatient sex offender treatment for up to two years, or inpatient sex offender treatment not to exceed the standard range of confinement for that offense. A community mental health center may not be used for such treatment unless it has an appropriate program designed for sex offender treatment;
- (iii) Remain within prescribed geographical boundaries and notify the court or the community corrections officer ~~((of))~~ prior to any change in the offender's address or employment;
- (iv) Report as directed to the court and a community corrections officer;
- (v) Pay a fine, accomplish some community service work, or any combination thereof; or
- (vi) Make recoupment to the victim for the cost of any counseling required as a result of the offender's crime.

If the offender violates these sentence conditions the court may revoke the suspension and order execution of the sentence. All confinement time served during the period of community supervision shall be credited to the offender if the suspended sentence is revoked.

(b) When an offender ~~((is convicted of))~~ commits any felony sexual offense ~~((and is sentenced))~~ on or after July 1, 1987, and is sentenced to a term of confinement of more than one year but less than six years, the sentencing court may, on its own motion or on the motion of the offender or the state, request the department of corrections to evaluate whether the offender is amenable to treatment and the department may place the offender in a treatment program within a correctional facility operated by the department.

If the offender completes the treatment program before the expiration of his term of confinement, the department of corrections may request the court to convert the balance of confinement to community supervision and to place conditions on the offender including crime-related prohibitions and requirements that the offender perform any one or more of the following:

- (i) Devote time to a specific employment or occupation;
- (ii) Remain within prescribed geographical boundaries and notify the court or the community corrections officer ~~((of))~~ prior to any change in the offender's address or employment;
- (iii) Report as directed to the court and a community corrections officer;
- (iv) Undergo available outpatient treatment.

If the offender violates any of the terms of his community supervision, the court may order the offender to serve out the balance of his community supervision term in confinement in the custody of the department of corrections.

Nothing in (b) of this subsection shall confer eligibility for such programs for offenders convicted and sentenced for a sexual offense committed prior to July 1, 1987.

After June 30, 1993, (b) of this subsection shall cease to have effect.

~~((c) Whenever a court sentences a person convicted of a sex offense committed after July 1, 1986, to a term of confinement of more than one year, including a sentence under (b) of this subsection, the court may also order, in addition to the other terms of the sentence, that the offender, upon release from confinement, serve up to two years of community supervision. The conditions of supervision shall be limited to:~~

- ~~((i) Crime-related provisions;~~
- ~~((ii) A requirement that the offender report to a community corrections officer at regular intervals; and~~
- ~~((iii) A requirement to remain within or without stated geographical boundaries.~~

~~The length and conditions of supervision shall be set by the court at the time of sentencing. However, within thirty days prior to release from confinement and throughout the period of supervision, the length and conditions of supervision may be modified by the sentencing court, upon motion of the department of corrections, the offender, or the prosecuting attorney. The period of supervision shall be tolled during any time the offender is in confinement for any reason; in no case may the period of supervision, in combination with the other terms of the offender's sentence, exceed the statutory maximum term for the offender's crime, as set forth in RCW 9A.20.021.~~

~~If the offender violates any condition of supervision, the sentencing court, after a hearing conducted in the same manner as provided for in RCW 9.94A.200, may order the offender to be confined for up to sixty days in the county jail at state expense from funds provided for this purpose to the department of corrections. Reimbursement rates for such purposes shall be established based on a formula determined by the office of financial management and reestablished each even-numbered year. An offender may be held in jail at state expense pending the hearing, and any time served while awaiting the hearing shall be credited against confinement imposed for a violation. Even after the period of supervision has expired, an offender may be confined for a violation occurring during the period of supervision. The court shall retain jurisdiction for the purpose of holding the violation hearing and imposing a sanction.)~~

(8) If the court imposes a sentence requiring confinement of thirty days or less, the court may, in its discretion, specify that the sentence be served on consecutive or intermittent days. A

sentence requiring more than thirty days of confinement shall be served on consecutive days. Local jail administrators may schedule court-ordered intermittent sentences as space permits.

(9) If a sentence imposed includes a fine or restitution, the sentence shall specify a reasonable manner and time in which the fine or restitution shall be paid. In any sentence under this chapter the court may also require the offender to make such monetary payments, on such terms as it deems appropriate under the circumstances, as are necessary (a) to pay court costs, including reimbursement of the state for costs of extradition if return to this state by extradition was required, (b) to make recoupment of the cost of defense attorney's fees if counsel is provided at public expense, (c) to contribute to a county or interlocal drug fund, and (d) to make such other payments as provided by law. All monetary payments shall be ordered paid by no later than ten years after the date of ~~((the))~~ judgment ~~((of conviction))~~ and sentence. The offender's compliance with payment of monetary obligations shall be supervised by the department. The rate of payment shall be determined by the court or, in the absence of a rate determined by the court, the rate shall be set by the department.

An offender's default in the payment of restitution, fines, and other monetary obligations imposed under this chapter, or any installment thereof, may be collected by any means authorized by law for the enforcement of a judgment. Judgments for monetary obligations under this chapter are and may be made liens upon the property of the offender in the same manner and with like effect as judgments in civil actions.

(10) Except as provided under RCW 9.94A.140(1), a court may not impose a sentence providing for a term of confinement or community supervision which exceeds the statutory maximum for the crime as provided in chapter 9A.20 RCW.

(11) All offenders sentenced to terms involving community supervision, community service, ~~((restitution, or fines))~~ or court-imposed monetary obligations shall be under the supervision of the secretary of the department of corrections or such person as the secretary may designate and shall follow implicitly the instructions of the secretary ~~((including))~~ related to reporting as directed to a community corrections officer, remaining within prescribed geographical boundaries, ~~((and))~~ notifying the community corrections officer ~~((of))~~ prior to any change in the offender's address or employment.

(12) The sentencing court shall give the offender credit for all confinement time served before the sentencing if that confinement was solely in regard to the offense for which the offender is being sentenced.

(13) A departure from the standards in RCW 9.94A.400(1) and (2) governing whether sentences are to be served consecutively or concurrently is an exceptional sentence subject to the limitations in subsections (2) and (3) of this section, and may be appealed by the defendant or the state as set forth in RCW 9.94A.210(2) through (6).

(14) The court shall order restitution whenever the offender is convicted of a felony that results in injury to any person or damage to or loss of property, whether the offender is sentenced to confinement or placed under community supervision, unless extraordinary circumstances exist that make restitution inappropriate in the court's judgment. The court shall set forth the extraordinary circumstances in the record if it does not order restitution.

Sec. 3. Section 15, chapter 137, Laws of 1981 as last amended by section 8, chapter 209, Laws of 1984 and RCW 9.94A.150 are each amended to read as follows:

No person serving a sentence imposed pursuant to this chapter shall leave the confines of the correctional facility or be released prior to the expiration of the sentence except as follows:

(1) The terms of the sentence may be reduced by earned early release time in accordance with procedures developed and promulgated by the department. The earned early release time shall be for good behavior and good performance, as determined by the department. In no case shall the aggregate earned early release time exceed one-third of the sentence;

(2) An offender may leave a correctional facility pursuant to an authorized furlough or leave of absence. In addition, offenders may leave a correctional facility when in the custody of a corrections officer or officers;

(3) The governor, upon recommendation from the clemency and pardons board, may grant an extraordinary release for reasons of serious health problems, senility, advanced age, extraordinary meritorious acts, or other extraordinary circumstances;
