POINT OF INQUIRY

Ms. Hine yielded to question by Ms. Brough.

Ms. Brough: "Representative Hine, a constitutional amendment very similar to Engrossed Substitute Senate Joint Resolution No. 103 was presented to the voters in 1976. The Attorney General, pursuant to statute, wrote a ballot title which read: 'Shall a state agency be created to draft several alternative model county home-rule charters for possible adoption by any county?'"

"The voters reaction was predictable, fewer than 27% voted for the constitutional amendment and it failed in every county. Obviously, the ballot title is a greater determinant of voter acceptance than are the contents of a joint resolution. Is there any assurance that the Attorney General will not mislabel Senate Joint Resolution 103 as was done to House Joint Resolution 64 in 1976?"

Ms. Hine: "There is no assurance because the Attorney General does have the opportunity to write their opinion. In 1976 efforts were made by the Chair of the Local Government Committee, the Associations of Counties and others interested in

HJR 64 to change the Attorney General's ballot title. However, should such purposeful mislabeling happen again, the Attorney General should be aware of the concern in the House of Representatives as shown by the introduction of House Bill 671 by Representative Allen and others. Certainly, it is an anomaly that proposed constitutional amendments are carefully drafted an earn two-thirds majority in each house and are then given to a separately elected official who in no way has participated in the issue. Furthermore, the Attorney General or the staff of the Attorney General, may disapprove of legislative wisdom. In either event, the Attorney General has an unfettered opportunity radically and significantly to impact voter reaction to a ballot issue. The 27% vote in favor of HJR 64 in 1976 is proof that an untrue ballot title can destroy a positive and legitimate constitutional amendment."

Ms. Brough spoke in favor of passage of the resolution.

"Sec. 7, Section 1, chapter 152, Laws of 1972 ex. sess. as amended by section 17, chapter 17, Laws of 1984 and RCW 43.43.700 are each amended to read as follows:

There is hereby established within the Washington state patrol a section on identification and criminal history hereafter referred to as the section.

In order to aid the administration of justice the section shall install systems for the identification of individuals, including the fingerprint system and such other systems as the chief deems necessary. The section shall keep a complete record and index of all information received in convenient form for consultation and comparison.

The section shall obtain from whatever source available and file for record the fingerprints, palmprints, photographs, or such other identification data as it deems necessary, of persons who have been or shall hereafter be lawfully arrested and charged with, or convicted of any criminal offense. The section may obtain like information concerning persons arrested for or convicted of crimes under the laws of another state or government.

The section shall also contain like information concerning persons, over the age of eighteen years, who have been found, pursuant to a dependency proceeding under chapter 13.34 RCW in which the person was a party, to have sexually molested, sexually abused, or sexually exploited a child.

Sec. 8. Section 2, chapter 152, Laws of 1972 ex. sess. as amended by section 14, chapter 314, Laws of 1977 ex. sess. and RCW 43.43.705 are each amended to read as follows:

Upon the receipt of identification data from criminal justice agencies within this state, the section shall immediately cause the files to be examined and upon request shall promptly return to the contributor of such data a transcript of the record of previous arrests and dispositions of the persons described in the data submitted.

Upon application, the section shall furnish to criminal justice agencies, or to the department of social and health services, hereinafter referred to as the 'department', a transcript of the criminal offender record information or dependency record information available pertaining to any person of whom the section has a record.

For the purposes of RCW 43.43.700 through 43.43.800 the following words and phrases shall have the following meanings:

'Criminal offender record information' includes, and shall be restricted to identifying data and public record information recorded as the result of an arrest or other initiation of criminal proceedings and the consequent proceedings related thereto. 'Criminal offender record information' shall not include intelligence, analytical, or investigative reports and files.

'Criminal justice agencies' are those public agencies within or outside the state which perform, as a principal function, activities directly relating to the apprehension, prosecution, adjudication or rehabilitation of criminal offenders.

'Dependency record information' includes and shall be restricted to identifying data regarding a person, over the age of eighteen, who was a party to a dependency proceeding brought under chapter 13.34 RCW and who has been found, pursuant to such dependency proceeding, to have sexually molested, sexually abused, or sexually exploited a child.

Applications for information shall be by a data communications network used exclusively by criminal justice agencies or the department or in writing and information applied for shall be used solely in the due administration of the criminal laws or for the purposes enumerated in RCW 43.43.760(3).

The section may refuse to furnish any information pertaining to the identification or history of any person or persons of whom it has a record, or other information in its files and records, to any applicant if the chief determines that the applicant has previously misused information furnished to such applicant by the section or the chief believes that the applicant will not use the information requested solely for the purpose of due administration of the criminal laws or for the purposes enumerated in RCW 43.43.760(3). The applicant may appeal such determination and denial of information to the advisory council created in RCW 43.43.785 and the council may direct that the section furnish such information to the applicant.

Sec. 9. Section 7, chapter 36, Laws of 1979 ex. sess. and RCW 43.43.710 are each amended to read as follows:

Information contained in the files and records of the section relative to the commission of any crime by any person shall be considered privileged and shall not be made public or disclosed for any personal purpose or in any civil court proceedings except upon a written order of the judge of a court wherein such civil proceedings are had. All information contained in the files of the section relative to criminal records and personal histories of persons arrested for the commission of a crime shall be available to all criminal justice agencies and, for the sole purpose of investigating the cause of fires under RCW 48.48.060(2) where the cause is suspected to be arson, to the state fire marshal, upon the filing of an application as provided in RCW 43.43.705.

Dependency record information contained in the files and records of the section shall be considered privileged and shall not be made public. Dependency record information may be disclosed as authorized by this chapter or may be disclosed to the same extent that information regarding dependency proceedings may generally be disclosed, as authorized by applicable laws or court rules.

Although no application for information has been made to the section as provided in RCW 43.43.705, the section may transmit such information in the chief's discretion, to such agencies as are authorized by RCW 43.43.705 to make application for it.

Sec. 10. Section 4, chapter 152, Laws of 1972 ex. sess. and RCW 43.43.715 are each amended to read as follows:

The section shall, consistent with the procedures set forth in this 1972 act, cooperate with all other criminal justice agencies, and the department, within or without the state, in an exchange of information regarding convicted criminals and those suspected of or wanted for the commission of crimes, and persons who are the subject of dependency record information, to the end that proper identification may rapidly be made and the ends of justice served.

Sec. 11. Section 6, chapter 152, Laws of 1972 ex. sess. and RCW 43.43.725 are each amended to read as follows:

Any copy of a criminal offender record, photograph, fingerprint, or other paper or document in the files of the section, including dependency record information, certified by the chief or his designee to be a true and complete copy of the original or of information on file with the section, shall be admissible in evidence in any court of this state pursuant to the provisions of RCW 5.44.040.

Sec. 12. Section 7, chapter 152, Laws of 1972 ex. sess. as amended by section 16, chapter 314, Laws of 1977 ex. sess. and RCW 43.43.730 are each amended to read as follows:

(1) Any individual shall have the right to inspect criminal offender record information, or dependency record information, on file with the section which refers to him. If an individual believes such information to be inaccurate or incomplete, he may request the section to purge, modify or supplement it and to advise such persons or agencies who have received his record and whom the individual designates to modify it accordingly. Should the section decline to so act, or should the individual believe the section's decision to be otherwise unsatisfactory, the individual may appeal such decision to the superior court in the county in which he is resident, or the county from which the disputed record emanated or Thurston county. The court shall in such case conduct a de novo hearing, and may order such relief as it finds to be just and equitable.

(2) The section may prescribe reasonable hours and a place for inspection, and may impose such additional restrictions, including fingerprinting, as are reasonably necessary both to assure the record's security and to verify the identities of those who seek to inspect them: PROVIDED, That the section may charge a reasonable fee for fingerprinting.

(4) It shall be the duty of the court having jurisdiction over the dependency action to cause the fingerprinting of all persons who are the subject of dependency record information and to obtain other necessary identifying information, as specified by the section in rules promulgated pursuant to chapter 34.04 RCW to carry out the provisions of this subsection.

(5) The court having jurisdiction over the dependency action may obtain and record, in addition to fingerprints, the photographs, palmprints, soleprints, toeprints, or any other identification data of all persons who are the subject of dependency record information, when in the discretion of the court it is necessary for proper identification of the person.

The section shall accept such fingerprints and shall cause its files to be examined and shall promptly send to the appointing authority, employer, or licensing authority indicated on the form of application, a transcript of the record of previous crimes committed by the person described on the data submitted, or a transcript of the dependency record information regarding the person described on the data submitted, or if there is no record of his commission of any crimes, or if there is no dependency record information, a statement to that effect.

The bill was read the second time. Committee on Judiciary recommendation: Majority, do pass as amended. (For amendments, see Journal, 82nd Day, April 5, 1985.)

Mr. Armstrong moved adoption of the committee amendments.

POINT OF ORDER

Mr. West: "Mr. Speaker, I challenge the scope and object of the committee amendment."

SPEAKER'S RULING

The Speaker: "The Speaker has examined ESB 3273 and the proposed committee amendment. ESB 3273 creates a new chapter to be known as 'The Washington Mutual Aid Peace Officer Powers Act of 1985.' This act regulates police enforcement powers on a territorial basis and provides for reporting requirements when power is exercised outside an officer's home jurisdiction. The committee amendment adds three additional sections to the bill outside the Mutual Aid Act. These new sections deal with justifiable homicide and the use of deadly force by law enforcement officers. In the Speaker's opinion, these amendments expand the scope and object of ESB 3273 because they go beyond the question of territorial powers of law enforcement agencies to deal with matters of criminal liability and the definition of justifiable homicide. The committee amendment violates House Rule 12(E).

"Your point is well taken, Representative West."

Ms. L. Smith moved adoption of the following amendment by Representatives L. Smith, Padden, Patrick, Locke and Rayburn:

On page 7, after line 2, insert the following:

*Sec. 17. Section 1, chapter 198, Laws of 1969 ex. sess. as last amended by section 19, chapter 263, Laws of 1984 and RCW 10.31.100 are each amended to read as follows:

A police officer having probable cause to believe that a person has committed or is committing a felony shall have the authority to arrest the person without a warrant. A police officer may arrest a person without a warrant for committing a misdemeanor or gross misdemeanor only when the offense is committed in the presence of the officer, except as provided in subsections (1) through ~~((4))~~ (5) of this section.

(1) Any police officer having probable cause to believe that a person has committed or is committing a misdemeanor or gross misdemeanor, involving physical harm or threats of harm to any person or property or the unlawful taking of property or involving the use or possession of cannabis shall have the authority to arrest the person.

(2) A police officer shall arrest and take into custody, pending release on bail, personal recognizance, or court order, a person without a warrant when the officer has probable cause to believe that:

(a) An order has been issued of which the person has knowledge under RCW 10.99.040(2), 10.99.050, 26.09.060, chapter 26.26 RCW, or chapter 26.50 RCW restraining the person and the person has violated the terms of the order restraining the person from acts or threats of violence or excluding the person from a residence; or

(b) The person within the preceding four hours has assaulted that person's spouse, former spouse, or other person with whom the person resides or has formerly resided.

(3) Any police officer having probable cause to believe that a person has committed or is committing a violation of any of the following traffic laws shall have the authority to arrest the person:

(a) RCW 46.52.010, relating to duty on striking an unattended car or other property;

(b) RCW 46.52.020, relating to duty in case of injury to or death of a person or damage to an attended vehicle;

(c) RCW 46.61.500 or 46.61.530, relating to reckless driving or racing of vehicles;

(d) RCW 46.61.502 or 46.61.504, relating to persons under the influence of intoxicating liquor or drugs;

(e) RCW 46.20.342, relating to driving a motor vehicle while operator's license is suspended or revoked;

(f) RCW 46.61.525, relating to operating a motor vehicle in a negligent manner.

(4) A law enforcement officer investigating at the scene of a motor vehicle accident may arrest the driver of a motor vehicle involved in the accident if the officer has probable cause to believe that the driver has committed in connection with the accident a violation of any traffic law or regulation.

(5) Any police officer having probable cause to believe that a person has committed or is committing public indecency, as defined in RCW 9A.88.010, may arrest the person.

(6) Except as specifically provided in subsections (2), (3), and (4) of this section, nothing in this section extends or otherwise affects the powers of arrest prescribed in Title 46 RCW.

~~((6))~~ (7) No police officer may be held criminally or civilly liable for making an arrest pursuant to RCW 10.31.100(2) if the police officer acts in good faith and without malice.

Renumber the remaining section consecutively.

POINT OF ORDER

Mr. Armstrong: "Mr. Speaker, I would challenge the scope and object of this amendment."

SPEAKER'S RULING

The Speaker: "Representative Armstrong, the Speaker has examined the amendment and ESB 3273. Remarks made on the previous point of order on the committee amendment also hold true here because this does not deal with the aid agreements between law enforcement agencies. The amendment deals with the arrest for public indecency. I would rule that your point is well taken; the amendment is out of order."

Mr. G. Nelson moved adoption of the following amendment by Representatives G. Nelson and O'Brien:

On page 7, after line 2 insert the following:

*Sec. 17. Section 9A.84.030, chapter 260, Laws of 1975 1st ex. sess. and RCW 9A.84.030 are each amended to read as follows:

(1) A person is guilty of disorderly conduct if he:

(a) Uses abusive language and thereby intentionally creates a risk of assault; or

(b) Intentionally disrupts any lawful assembly or meeting of persons without lawful authority; ~~((or))~~

(c) Intentionally obstructs vehicular or pedestrian traffic without lawful authority; or

(d) Solicits in a retail establishment or other public place any compensation, gratuity, or reward for the solicitor's benefit without providing service, product, or other benefit in return.

(2) Disorderly conduct is a misdemeanor."

Renumber the remaining sections consecutively.

POINT OF ORDER

Mr. Armstrong: "Mr. Speaker, I ask for a ruling on the scope and object of this amendment."

SPEAKER'S RULING

The Speaker: "Representative Armstrong, the Speaker has examined the amendment. The arguments as they apply to the committee amendment and to the Smith amendment also apply in this case. The matter before us does not deal with the jurisdictional aid agreements between law enforcement agencies; rather, this amendment deals with disorderly conduct. Because of that, the Speaker would rule this amendment outside the scope and object of the bill."

Mr. Patrick moved adoption of the following amendment:

On page 7, after line 2 insert the following:

"NEW SECTION. Sec. 17. There is added to chapter 4.24 RCW a new section to read as follows:

Except as otherwise provided by statutes of this state, a peace officer as defined in RCW 9A.04.110 is not civilly liable for false arrest, false imprisonment, or any other injury resulting from an act or omission which is the result of the officer's good faith exercise of discretion occurring within the course and scope of the officer's public employment, or which is the result of an abuse of that discretion arising from a good faith mistake or negligence and does not involve intent, recklessness, or gross negligence."

Renumber the remaining sections consecutively.

POINT OF ORDER

Mr. D. Nelson: "Mr. Speaker, I would ask that you rule on this amendment and whether or not it is within the scope and object of the bill."

SPEAKER'S RULING

The Speaker: "Representative Nelson, the Speaker has examined the amendment. The remarks which applied to the other proposed amendments apply to this amendment as well. The amendment deals with civil liability of peace officers in the performance of their duties, and in the view of the Speaker, that is beyond the scope and object of the Mutual Aid Act, which is the subject of ESB 3273. Your point is well taken."

The bill was passed to Committee on Rules for third reading.

Representative Isaacson was excused.

Ms. Sommers spoke in favor of the amendment to the amendment.

POINT OF INQUIRY

Ms. Sommers yielded to question by Mr. Tilly.

Mr. Tilly: "Representative Sommers, this is a very interesting amendment you have here, but I'm wondering how this would be administered as to how would one define 'surplus'? Are you talking about surplus in our state or surplus in our nation or world surplus?"

Ms. Sommers: "Representative Tilly, please note that this does not amend the obligatory part of the bill that deals with industrial revenue bonds. It is simply saying that we would not have as legislative intent or legislative rhetoric, if you will, a statement that we support and advocate increasing surpluses and make it even more difficult for those who produce them."

(1) Any member of the Washington judicial retirement system who wishes to transfer such membership to the retirement system provided for in this chapter shall file a written request with the director as required by RCW 2.10.040 on or before December 31, 1986. Upon receipt of such request, the director shall transfer from the judicial retirement system to this retirement system: (a) An amount equal to the employee contributions paid into the judicial retirement system by the member which shall be credited to the member's account established under this chapter; (b) an amount equal to the matching employer contributions as provided by RCW 2.10.090(2); and (c) a record of service credited to the member.

The director instead shall reverse the transfer of contributions and service credit previously made under RCW 2.10.220 and shall credit the member for such periods of service and contributions under this chapter as though no transfer had ever occurred.

(3) All employee contributions transferred pursuant to this section shall be treated the same as other employee contributions made under this chapter.

NEW SECTION. Sec. 25. It is the intent of sections 26 and 27 of this act to eliminate supplemental pension benefits for employees employed after the effective date of this act at institutions of higher education. The legislature also intends to permit certain retirement plan options for persons employed by institutions of higher education after the effective date of this act.

Sec. 26. Section 28B.10.400, chapter 223, Laws of 1969 ex. sess. as last amended by section 1, chapter 259, Laws of 1979 ex. sess. and RCW 28B.10.400 are each amended to read as follows:

The boards of regents of the state universities, the boards of trustees of the regional universities and of The Evergreen State College, and the state board for community college education are authorized and empowered:

(1) To assist the faculties and such other employees as any such board may designate in the purchase of old age annuities or retirement income plans under such rules and regulations as any such board may prescribe. County agricultural agents, home demonstration agents, 4-H club agents, and assistant county agricultural agents paid jointly by the Washington State University and the several counties shall be deemed to be full time employees of the Washington State University for the purposes hereof:

(2) To provide, under such rules and regulations as any such board may prescribe for the faculty members or other employees under its supervision, for the retirement of any such faculty member or other employee on account of age or condition of health, retirement on account of age to be not earlier than the sixty-fifth birthday: PROVIDED, That such faculty member or such other employee may elect to retire at the earliest age specified for retirement by federal social security law: PROVIDED FURTHER, That any supplemental payment authorized by subsection (3) of this section and paid as a result of retirement earlier than age sixty-five shall be at an actuarially reduced rate:

(3) For persons who began employment before the effective date of this 1985 act, to pay to any such (~~retired~~) person upon retirement or to (~~his~~) the person's designated beneficiary(s), each year after (~~his~~) the person's retirement, a supplemental amount which, when added to the amount of such annuity or retirement income plan, or retirement income benefit pursuant to RCW 28B.10.415, received by (~~him or his~~) the person or the person's designated beneficiary(s) in such year, will not exceed fifty percent of the average annual salary paid to such retired person for (~~his~~) the person's highest two consecutive years of full time service under an annuity or retirement income plan established pursuant to subsection (1) of this section at an institution of higher education: PROVIDED, HOWEVER, That if such retired person prior to (~~his~~) retirement elected a supplemental payment survivors option, any such supplemental payments to such retired person or (~~his~~) the person's designated beneficiary(s) shall be at actuarially reduced rates: PROVIDED FURTHER, That if a faculty member or other employee of an institution of higher education who is a participant in a retirement plan authorized by this section dies, or has died before retirement but after becoming eligible for retirement on account of age, the designated beneficiary(s) shall be entitled to receive the supplemental payment authorized by this subsection (3) of this section to which such designated beneficiary(s) would have been entitled had said deceased faculty member or other employee retired on the date of death after electing a supplemental payment survivors option: PROVIDED FURTHER, That for the purpose of this subsection, the designated beneficiary(s) shall be (a) the surviving spouse of the retiree; or, (b) with the written consent of such spouse, if any, such other person or persons as shall have an insurable interest in the retiree's life and shall have been nominated by written designation duly executed and filed with the retiree's institution of higher education.

NEW SECTION. Sec. 27. A new section is added to chapter 28B.10 RCW to read as follows:

(1) Employees employed after the effective date of this act eligible to participate under RCW 28B.10.400 through 28B.10.430 may, before the end of the calendar month following the date of employment, elect through written notification to the governing body of the employing institution:

(a) To participate under RCW 28B.10.400 through 28B.10.430 without the supplemental benefits; or

(b) To participate in the retirement plan under chapter 41.32 RCW if the person has been a member under chapter 41.32 RCW.

(2) An employee, otherwise eligible, failing to make an election under subsection (1) of this section shall be covered under chapter 41.40 RCW.

NEW SECTION. Sec. 28. The legislature finds that in the past public employees and teachers who had terminated employment, withdrawn their retirement contributions, and subsequently returned to public employment or teaching either did not receive proper notification of the procedure to reinstate their withdrawn contributions or they did not fully understand the limitation on such reinstatement. In 1973, the legislature recognized this fact and provided an extraordinary reinstatement period for such employees. Further in 1983, the legislature established clear notification procedures for the proper notification of the reinstatement policy for all such returning employees. Therefore, it is the intent of sections 29 through 31 of this act to provide one last opportunity for reinstatement of withdrawn contributions to those who may have not been properly informed or misunderstood the reinstatement procedure.

Sec. 29, Section 50, chapter 80, Laws of 1947 as last amended by section 1, chapter 233, Laws of 1983 and RCW 41.32.500 are each amended to read as follows:

(1) Membership in the retirement system is terminated when a member retires for service or disability, dies, withdraws his accumulated contributions or does not establish service credit with the retirement system for five consecutive years; however, a member may retain membership in the teachers' retirement system by leaving his accumulated contributions in the teachers' retirement fund under one of the following conditions:

(a) If he is eligible for retirement;

(b) If he is a member of another public retirement system in the state of Washington by reason of change in employment and has arranged to have membership extended during the period of such employment;

(c) If he is not eligible for retirement but has established five or more years of Washington membership service credit.

The prior service certificate becomes void when a member dies, withdraws his accumulated contributions or does not establish service credit with the retirement system for five consecutive years, and any prior administrative interpretation of the board of trustees, consistent with this section, is hereby ratified, affirmed and approved.

(2) Any member, except an elected official, who reentered service and who failed to restore withdrawn contributions, shall now have from the effective date of this 1985 act through June 30, 1986, to restore the contributions, with interest as determined by the director.

(3) Within the ninety days following the employee's resumption of employment, the employer shall notify the department of the resumption and the department shall then return to the employer a statement of the potential service credit to be restored, the amount of funds required for restoration, and the date when the restoration must be accomplished. The employee shall be given a copy of the statement and shall sign a copy of the statement which signed copy shall be placed in the employee's personnel file.

Sec. 30, Section 16, chapter 274, Laws of 1947 as last amended by section 2, chapter 233, Laws of 1983 and RCW 41.40.150 are each amended to read as follows:

Should any member die, or should the individual separate or be separated from service without leave of absence before attaining age sixty years, or should the individual become a beneficiary, except a beneficiary of an optional retirement allowance as provided by RCW 41.40.185 or 41.40.190, the individual shall thereupon cease to be a member except:

(1) As provided in RCW 41.40.170.

(2) An employee not previously retired who reenters service shall upon completion of six months of continuous service and upon the restoration of all withdrawn contributions with interest as computed by the director, which restoration must be completed within a total period of five years of membership service following the member's first resumption of employment, be returned to the status, either as an original member or new member which the member held at time of separation.

(3) Any member, except an elected official, who reentered service and who failed to restore withdrawn contributions, shall now have from the effective date of this 1985 act through June 30, 1986, to restore the contributions, with interest as determined by the director.

(4) Within the ninety days following the employee's resumption of employment, the employer shall notify the department of the resumption and the department shall then return to the employer a statement of the potential service credit to be restored, the amount of funds required for restoration, and the date when the restoration must be accomplished. The employee shall be given a copy of the statement and shall sign a copy of the statement which signed copy shall be placed in the employee's personnel file.

(5) A member who separates or has separated after having completed at least five years of service shall remain a member during the period of absence from service for the exclusive purpose of receiving a retirement allowance to begin at attainment of age sixty-five, however, such a member may on written notice to the director elect to receive a reduced retirement allowance on or after age sixty which allowance shall be the actuarial equivalent of the sum necessary to pay regular retirement benefits as of age sixty-five: PROVIDED, That if such member should withdraw all or part of the member's accumulated contributions except those additional contributions made pursuant to RCW 41.40.330(2), the individual shall thereupon cease to be a member and this section shall not apply.

(6) (a) The recipient of a retirement allowance who is employed in an eligible position other than under RCW 41.40.120(12) shall be considered to have terminated his or her retirement status and shall immediately become a member of the retirement system with the status of membership the member held as of the date of retirement. Retirement benefits shall be suspended during the period of eligible employment and the individual shall make contributions and receive membership credit. Such a member shall have the right to again retire if eligible in accordance with RCW 41.40.180: PROVIDED, That where any such right to retire is exercised to become effective before the member has rendered two uninterrupted years of service the type of retirement allowance the member had at the time of the member's previous retirement shall be reinstated, but no additional service credit shall be allowed;

(b) The recipient of a retirement allowance elected to office or appointed to office directly by the governor, and who shall apply for and be accepted in membership as provided in RCW 41.40.120(3) shall be considered to have terminated his or her retirement status and shall become a member of the retirement system with the status of membership the member held as of the date of retirement. Retirement benefits shall be suspended from the date of return to membership until the date when the member again retires and the member shall make contributions and receive membership credit. Such a member shall have the right to again retire if eligible in accordance with RCW 41.40.180: PROVIDED, That where any such right to retire is exercised to become effective before the member has rendered six uninterrupted months of service the type of retirement allowance the member had at the time of the member's previous retirement shall be reinstated, but no additional service credit shall be allowed: AND PROVIDED FURTHER, That if such a recipient of a retirement allowance does not elect to apply for reentry into membership as provided in RCW 41.40.120(3), the member shall be considered to remain in a retirement status and the individual's retirement benefits shall continue without interruption.

(7) Any member who leaves the employment of an employer and enters the employ of a public agency or agencies of the state of Washington, other than those within the jurisdiction of the Washington public employees' retirement system, and who establishes membership in a retirement system or a pension fund operated by such agency or agencies and who shall continue membership therein until attaining age sixty, shall remain a member for the exclusive purpose of receiving a retirement allowance without the limitation found in RCW 41.40.180(1) to begin on attainment of age sixty-five((:)); however, such a member may on written notice to the director elect to receive a reduced retirement allowance on or after age sixty which allowance shall be the actuarial equivalent of the sum necessary to pay regular retirement benefits commencing at age sixty-five: PROVIDED, That if such member should withdraw all or part of the member's accumulated contributions except those additional contributions made pursuant to RCW 41.40.330(2), the individual shall thereupon cease to be a member and this section shall not apply.

Representatives D. Nelson and Isaacson spoke in favor of the amendment.

POINT OF INQUIRY

Mr. D. Nelson yielded to question by Mr. Isaacson.

Mr. Isaacson: "Representative Nelson, section 59 of this act says that the board shall seek federal funds, but does not address how the receipt of any federal funds that might be obtained should be treated. Can you explain how such funds would be directed to the Nuclear Waste Board?"

Mr. D. Nelson: "Representative Isaacson, the receipt of federal funds under the Nuclear Waste Policy Act of 1982 would be treated as unanticipated receipts and would be directed by OFM to the Nuclear Waste Board for the purposes of this act."

POINT OF INQUIRY

Mr. D. Nelson yielded to question by Ms. Hankins.

Ms. Hankins: "Representative Nelson, do you feel that an amendment to the act we have been working on, on the Waste Board, will strengthen our position in writing our agreement for the state?"

Mr. D. Nelson: "Representative Hankins, I think anything we can do to direct the Nuclear Waste Board to undertake some of the important possibilities involving the handling of high-level nuclear waste is appropriate. Now whether that makes it more possible to reach an agreement with the federal government, I would not venture. I do believe that these are some of the issues that have been under discussion between the state and the federal government and to the extent that the board is directed to undertake them, may assist those negotiations."

Ms. Hankins spoke in favor of the amendment, and it was adopted.

On motion of Mr. D. Nelson, the following amendment to the title of the bill was adopted:

On page 1, line 2 of the title after "43.200.015" strike the remainder of the title and insert ", 43.200.150; adding new sections to chapter 43.200 RCW; and declaring an emergency."

On motion of Mr. J. King, the rules were suspended, the second reading considered the third, and the bill was placed on final passage.

Mr. D. Nelson spoke in favor of passage of the bill.

The heads of all departments, divisions or agencies of the city government, including the library department, and departments headed by commissions or elected officials shall submit to the mayor estimates of revenues and necessary expenditures for the ensuing fiscal year in such detail, in such form and at such time as the mayor shall prescribe.

The budget director shall assemble all estimates of revenues; necessary departmental expenditures; interest and redemption requirements for any city debt; and other pertinent budgetary information as may be required by uniform regulations of the state auditor; and, under the direction of the mayor, prepare a proposed budget for presentation to the city council.

The revenue estimates shall be based primarily on the collection experience of the first six months of the current fiscal year and the last six months of the preceding fiscal year and shall not include revenue from any source in excess of the amount so collected unless it shall be reasonably anticipated that such excess amounts will in fact be realized. The estimated revenues shall ~~((be only from))~~ include sources previously established by law((:)) and unencumbered fund balances estimated to be available at the close of the current fiscal year. The estimated expenditures in the proposed budget shall, in no event, exceed such estimated revenues: PROVIDED, That the mayor may recommend expenditures exceeding the estimated revenues when accompanied by proposed legislation to raise at least an equivalent amount of additional revenue.

The mayor shall submit the proposed budget to the city council not later than ninety days prior to the beginning of the ensuing fiscal year.

The budget director shall cause sufficient copies of the proposed budget to be prepared and made available to all interested persons and shall cause a summary of the proposed budget to be published at least once in the city official newspaper.

Such hearings shall be announced by public notice published in the city official newspaper as well as provided to general news media.

The city council may insert new expenditure allowances, increase or decrease expenditure allowances recommended by the mayor, or revise estimates of revenues subject to the same restrictions as are herein imposed on the mayor; but may not adopt a budget in which the total expenditure allowances exceed the total estimated revenues as defined in RCW 35.32A.030 for the ensuing fiscal year.

Sec. 64. Section 8, chapter 7, Laws of 1967 as amended by section 20, chapter 195, Laws of 1973 1st ex. sess. and RCW 35.32A.060 are each amended to read as follows:

Every city having a population of over three hundred thousand may maintain an emergency fund, which fund balance shall not exceed thirty-seven and one-half cents per thousand dollars of assessed value. Such fund shall be maintained by an annual budget allowance. When the necessity therefor arises transfers may be made to the emergency fund from any tax-supported fund except bond interest and redemption funds.

The city council by an ordinance approved by two-thirds of all of its members may authorize the expenditure of sufficient money from the emergency fund, or other designated funds, to meet the expenses or obligations:

(1) Caused by fire, flood, explosion, storm, earthquake, epidemic, riot, insurrection, act of God, act of the public enemy or any other such happening that could not have been anticipated; or

(2) For the immediate preservation of order or public health or for the restoration to a condition of usefulness of public property the usefulness of which has been destroyed by accident; or

(3) In settlement of approved claims for personal injuries or property damages, exclusive of claims arising from the operation of a public utility owned by the city; or

(4) To meet mandatory expenditures required by laws enacted since the last budget was adopted.

The city council by an ordinance approved by three-fourths of all its members may appropriate from the emergency fund, or other designated funds, an amount sufficient to meet the actual necessary expenditures of the city for which insufficient or no appropriations have been made due to causes which could not reasonably have been foreseen at the time of the making of the budget.

An ordinance authorizing an emergency expenditure shall become effective immediately upon being approved by the mayor or upon being passed over his veto as provided by the city charter."

(1) Except as provided in subsection (3) of this section, whenever any public service company shall file with the commission any schedule, classification, rule or regulation, the effect of which is to change any rate, charge, rental or toll theretofore charged, the commission shall have power, either upon its own motion or upon complaint, upon notice, to enter upon a hearing concerning such proposed change and the reasonableness and justness thereof, and pending such hearing and the decision thereon the commission may suspend the operation of such rate, charge, rental or toll for a period not exceeding ten months from the time the same would otherwise go into effect, and after a full hearing the commission may make such order in reference thereto as would be provided in a hearing initiated after the same had become effective.

(3) The implementation of mandatory local measured telephone service is a major policy change in available telephone service. The commission shall not approve, prior to June 1, 1985, any filings which are under suspension as of February 16, 1984, which are awaiting an order by the commission, or which are filed on or after February 16, 1984, if the filing involuntarily requires any telephone user to pay for all outgoing local telephone calls based on time and/or distance. As to any such filing, the requirements in subsection (1) of this section for the commission to act on that filing within ten months from the date the filing would otherwise go into effect are suspended under this subsection from February 16, 1984, until June 1, 1985. This subsection shall not apply to any service such as land, marine, or air mobile service, or any like service that has traditionally been offered on a measured-service basis."

SENATE AMENDMENTS TO HOUSE BILL

April 8, 1985

Mr. Speaker:

The Senate has passed ENGROSSED HOUSE BILL NO. 914 with the following amendments:

Strike everything after the enacting clause and insert the following:

*Sec. 1. Section 9, chapter 204, Laws of 1984 and RCW 84.33.081 are each amended to read as follows:

(1) On the last business day of the second month of each calendar quarter, the state treasurer shall distribute from the timber tax distribution account to each county the amount of tax collected on behalf of each county under RCW 84.33.051, less each county's proportionate share of appropriations for collection and administration activities under RCW 84.33.051, and shall transfer to the state general fund the amount of tax collected on behalf of the state under RCW 84.33.041, less the state's proportionate share of appropriations for collection and administration activities under RCW 84.33.041. The county treasurer shall deposit moneys received

under this section in a county timber tax account which shall be established by each county. Following receipt of moneys under this section, the county treasurer shall make distributions from any moneys available in the county timber tax account to taxing districts in the county, except the state, under subsections (2) through (4) of this section.

(2) From moneys available, there first shall be a distribution to each taxing district having debt service payments due during the calendar year, based upon bonds issued under authority of a vote of the people conducted pursuant to RCW 84.52.056 and based upon excess levies for a capital project fund authorized pursuant to RCW 84.52.053, of an amount equal to the timber assessed value of the district multiplied by the tax rate levied for payment of the debt service and capital projects: PROVIDED, That in respect to levies for a debt service or capital project fund authorized before July 1, 1984, the amount allocated shall not be less than an amount equal to the same percentage of such debt service or capital project fund represented by timber tax allocations to such payments in calendar year 1984. Distribution under this subsection (2) shall be used only for debt service and capital projects payments. The distribution under this subsection shall be made as follows: One-half of such amount shall be distributed in the first quarter of the year and one-half shall be distributed in the third quarter of the year.

(3) From the moneys remaining after the distributions under subsection (2) of this section, the county treasurer shall distribute to each school district an amount equal to one-half of the timber assessed value of the district or eighty percent of the timber roll of such district in calendar year 1983 as determined under this chapter, whichever is greater, multiplied by the tax rate, if any, levied by the district under RCW 84.52.052 or 84.52.053 for purposes other than debt service payments and capital projects supported under subsection (2) of this section. The distribution under this subsection shall be made as follows: One-half of such amount shall be distributed in the first quarter of the year and one-half shall be distributed in the third quarter of the year.

(4) After the distributions directed under subsections (2) and (3) of this section, if any, each taxing district shall receive an amount equal to the timber assessed value of the district multiplied by the tax rate, if any, levied as a regular levy of the district or as a special levy not included in subsection (2) or (3) of this section.

(5) If there are insufficient moneys in the county timber tax account to make full distribution under subsection (4) of this section, the county treasurer shall multiply the amount to be distributed to each taxing district under that subsection by a fraction. The numerator of the fraction is the county timber tax account balance before making the distribution under that subsection. The denominator of the fraction is the account balance which would be required to make full distribution under that subsection.

(6) After making the distributions under subsections (2) through (4) of this section in the full amount indicated for the calendar year, the county treasurer shall place any excess revenue up to twenty percent of the total distributions made for the year under subsections (2) through (4) of this section in a reserve status until the beginning of the next calendar year. Any moneys remaining in the county timber tax account after this amount is placed in reserve shall be distributed to each taxing district in the county in the same proportions as the distributions made under subsection (4) of this section.

Sec. 2. Section 84.52.080, chapter 15, Laws of 1961 as last amended by section 14, chapter 204, Laws of 1984 and RCW 84.52.080 are each amended to read as follows:

(1) The county assessor shall extend the taxes upon the tax rolls in the form herein prescribed. The rate percent necessary to raise the amounts of taxes levied for state and county purposes, and for purposes of taxing districts coextensive with the county, shall be computed upon the assessed value of the property of the county; the rate percent necessary to raise the amount of taxes levied for any taxing district within the county shall be computed upon the assessed value of the property of the district; all taxes assessed against any property shall be added together and extended on the rolls in a column headed consolidated or total tax. In extending any tax, whenever it amounts to a fractional part of a cent greater than five mills it shall be made one cent, and whenever it amounts to five mills or less than five mills it shall be dropped. The amount of all taxes shall be entered in the proper columns, as shown by entering the rate percent necessary to raise the consolidated or total tax and the total tax assessed against the property.

(2) For the purpose of computing the rate necessary to raise the amount of any excess levy in a taxing district which has classified or designated forest land under chapter 84.33 RCW, other than the state, the county assessor shall add the district's timber assessed value, as defined in RCW 84.33.035, to the assessed value of the property: PROVIDED, That for school districts maintenance and operations levies only one-half of the district's timber assessed value or eighty percent of the timber roll of such district in calendar year 1983 as determined under chapter 84.33 RCW, whichever is greater, shall be added.

(3) Upon the completion of such tax extension, it shall be the duty of the county assessor to make in each assessment book, tax roll or list a certificate in the following form:

I,, assessor of county, state of Washington, do hereby certify that the foregoing is a correct list of taxes levied on the real and personal property in the county of for the year one thousand nine hundred and

Witness my hand this day of 19.

. County Assessor
 (4) The county assessor shall deliver said tax rolls to the county treasurer on or before the fifteenth day of December, taking his receipt therefor, and at the same time the county assessor shall provide the county auditor with an abstract of the tax rolls showing the total amount of taxes collectible in each of the taxing districts.

NEW SECTION. Sec. 3. Section 1 of this act applies to distributions beginning in 1986, and thereafter.

NEW SECTION. Sec. 4. Section 2 of this act is necessary for the immediate preservation of the public peace, health, and safety, the support of the state government and its existing public institutions, and shall take effect immediately, and shall be effective for taxes levied for collection in 1986 and thereafter."

On page 1, line 1 of the title, after "distributions;" strike the remainder of the title and insert "amending RCW 84.33.081 and 84.52.080; creating a new section; and declaring an emergency."

and the same is herewith transmitted.

Bill Gleason, Assistant Secretary.

Mr. Locke: "Representative Vander Stoep, I understand that the Senate basically hung House Bill 20 onto House Bill 914, and you were the prime sponsor of House Bill 20. What did House Bill 20 do?"

Mr. Vander Stoep: "House Bill 20 brought the distribution formula for the timber tax revenues back into compliance with the pretimber tax laws."

The motion was carried.

There shall be in effect in all cities, towns, and counties of the state a state building code which shall consist of the following codes which are hereby adopted by reference:

(1) Uniform Building Code and Uniform Building Code Standards, 1982 edition, published by the International Conference of Building Officials;

(2) Uniform Mechanical Code, 1982 edition, including Chapter 22, Fuel Gas Piping, Appendix B, published by the International Conference of Building Officials;

(3) The Uniform Fire Code and Uniform Fire Code Standards, 1982 edition, published by the International Conference of Building Officials and the Western Fire Chiefs Association: PROVIDED, That, notwithstanding any wording in this code, participants in religious ceremonies shall not be precluded from carrying hand-held candles;

(4) The Uniform Plumbing Code and Uniform Plumbing Code Standards, 1982 edition, published by the International Association of Plumbing and Mechanical Officials: PROVIDED, That chapters 11 and 12 of such code are not adopted;

(5) The rules and regulations adopted by the council establishing standards for making buildings and facilities accessible to and usable by the physically handicapped or elderly persons as provided for in RCW 70.92.100 through 70.92.160; and

(6) ~~(The thermal performance and design standards for dwellings as set forth in RCW 19.27.210 through 19.27.290. This subsection shall be of no further force and effect when RCW 19.27.200 through 19.27.290 expire as provided in RCW 19.27.300))~~ The Washington state energy code, June 30, 1980, edition adopted by the state building code advisory council and amendments to the code adopted prior to January 1, 1985, the revision to the state energy code adopted pursuant to RCW 19.27.075, and subsequent amendments adopted by the council under chapter 34.04 RCW.

In case of conflict among the codes enumerated in subsections (1), (2), (3), and (4) of this section, the first named code shall govern over those following.

Sec. 2. Section 3, chapter 76, Laws of 1979 ex. sess. and RCW 19.27.075 are each amended to read as follows:

(1) The state building code advisory council shall ~~((have authority to))~~ promulgate rules, pursuant to chapter 34.04 RCW, for the purpose of adopting a ~~((state-wide thermal efficiency and lighting))~~ revised state code ((to the extent necessary to comply with Title 10, Code of Federal Regulations, section 420.35. Such)). The revised code shall be designed to achieve reductions in energy consumption relative to buildings constructed to comply with the state energy code, June 30, 1980 edition, as amended. The council shall follow the legislature's guidelines set forth in this section to design a revised code which requires new buildings to meet a certain level of energy efficiency, but allows flexibility in building design and construction within that framework. The revised code shall take into account regional climatic conditions((- shall take effect prior to June 30, 1980, and shall be presented to the senate and house committees on energy and utilities at the time it is proposed as a draft rule)) and shall be designed according to the following guidelines:

(a) For new electric resistance heated residential buildings, the code shall be designed to achieve energy savings equivalent to savings achieved in typical buildings constructed with:

(i) Ceilings insulated to a level of R-38, except single rafter or joist vaulted ceilings may be insulated to a level of R-30 (R value includes insulation only);

(ii) Walls insulated to a level of R-19 (total assembly);

(iii) Floors over unheated spaces insulated to a level of R-19 for areas with six thousand or less annual heating degree days and to a level of R-25 for areas with more than six thousand annual heating degree days (R value includes insulation only);

(iv) Double glazed windows with tested R values not less than 1.79 when tested according to the procedures of the American architectural manufacturers association; and

(v) In areas with more than six thousand annual heating degree days a maximum of seventeen percent of the floor area in glazing; in areas with six thousand or less annual heating degree days a maximum of twenty-one percent of the floor area in glazing. Throughout the state for the purposes of determining equivalent thermal performance, the maximum glazing area shall be fifteen percent.

(b) For new residential buildings which are space-heated with other fuels, the code shall be designed to achieve energy savings equivalent to savings achieved in typical buildings constructed with:

(i) Ceilings insulated to a level of R-30 (R value includes insulation only);

(ii) Walls insulated to a level of R-19 (total assembly);

(iii) Floors over unheated spaces insulated to a level of R-19 (R value includes insulation only);

(iv) Double glazed windows with tested R values not less than 1.40 when tested according to the procedures of the American architectural manufacturers association; and

(v) In areas with more than six thousand annual heating degree days a maximum of seventeen percent of the floor area in glazing; in areas with six thousand or less annual heating degree days a maximum of twenty-one percent of the floor area in glazing. Throughout the state for the purposes of determining equivalent thermal performance, the maximum glazing area shall be fifteen percent.

(c) For new nonresidential buildings, the code shall be designed to achieve a ten percent reduction in energy consumption relative to buildings constructed to comply with the state energy code, June 30, 1980 edition, as amended.

(2) In developing the revised code, the council shall consider possible health and respiratory problems caused by insulating buildings so tightly that the rate of air exchange is significantly retarded, thereby concentrating toxic pollutants at unhealthy high levels.

(3) The council shall publish the revision as proposed rules pursuant to chapter 34.04 RCW and provide for the rules to become effective January 1, 1986. All cities, towns, and counties shall enforce the revised state energy code not later than April 1, 1986.

NEW SECTION, Sec. 3. A new section is added to chapter 19.27 RCW to read as follows:

(1) The revised state energy code shall supersede all local government residential energy codes except as provided in subsections (2) and (3) of this section: PROVIDED, That cities, towns, and counties may adopt more energy efficient codes for residential construction if the builder or owner of new residential construction is reimbursed by an authorized federal agency for those additional costs to the consumer of conservation components that are attributable to the more energy efficient codes. This subsection shall not apply after January 1, 1989.

(2) The revised state energy code shall not preempt energy codes, adopted by a city, town, or county of the state prior to the effective date of this act or first class cities with a population over three hundred thousand which operate electrical utilities, that are designed to achieve reduction in energy consumption relative to the revised state energy code.

(3) The revised state energy code shall not preempt a less energy efficient energy code adopted by a county, city, or town if it can be shown that the revised state energy code is not cost-effective for that county, city, or town.

NEW SECTION, Sec. 4. A new section is added to chapter 19.27 RCW to read as follows:

(1) The University of Washington college of architecture and department of mechanical engineering shall conduct in situ testing of the annual thermal transmittance of individual construction components and conservation measures proposed for new residential construction by the northwest power planning council.

(2) There shall be a committee to oversee the study. The committee shall include the director of the state energy office as chair; two members recommended by the home building industry chosen by the governor; and two members nationally renowned as experts in building energy performance chosen by the governor.

(3) The study shall include an analysis of the economic feasibility of adopting thermal performance standards for new residential construction as proposed by the northwest power planning council. The study of economic feasibility shall include but not necessarily be limited to factors which shall not require an amortization of the individual components exceeding a life cycle of seven years and a discount rate (interest) computed at the current conventional market rate of home mortgages at par.

(4) The director of the state energy office shall make recommendations, based on the results of the study and the residential standards demonstration program, to the legislature and the state building code advisory council regarding the cost-effectiveness of the revised state energy code developed pursuant to RCW 19.27.075 no later than January 15, 1988.

(5) If federal funds are not available, the study shall be funded by a surcharge on building permit fees for new building construction imposed by all local governments of the state. The department of community development, after consultation with the state energy office, shall develop and implement a method of collecting the surcharge. The surcharge shall be ten dollars on all multifamily residential building permits, fifteen dollars on all single-family residential building permits, and fifteen dollars on all other building permits. The surcharge shall terminate on June 30, 1989, or at such time as the state general fund is reimbursed for the cost of the study.

NEW SECTION, Sec. 5. A new section is added to chapter 19.27 RCW to read as follows:

As used in this chapter, references to the state building code advisory council shall be construed to include any successor agency.

POINT OF INQUIRY

Mr. Appelwick yielded to question by Mr. Padden.

Mr. Padden: "Representative Appelwick, is Substitute Senate Bill No. 4107 intended, in any way, to expand the scope of practice of nurses?"

Mr. Appelwick: "No, it's not. The sole issue that is addressed in the legislation is the extension of the testimonial privilege in a courtroom to registered nurses, and this is only if they were essentially standing in the same position that a doctor

would as a primary treating physician. A doctor currently has that testimonial privilege."

Mr. Padden: "More particularly, Representative Appelwick, does Substitute Senate Bill 4107 establish or expand the authority of a nurse to administer primary care of practice under protocol beyond currently existing authority?"

Mr. Appelwick: "No, the issues of scope of practice for nurses are codified under RCW 18.88 and the State Constitution prohibits that we would create any such amendment by reference. The act would have to be set out in full. This bill only amends Title 5, and to that extent, cannot alter or enlarge the scope of practice of a nurse under 18.88 RCW."

On page 22, after line 10 of the amendment, insert the following:

***NEW SECTION.** Sec. 15. A new section is added to chapter 74.46 RCW to be codified between RCW 74.46.420 and 74.46.430 to read as follows:

(1) The legislature hereby finds that many of the nursing homes in the state are of older construction and are energy inefficient. The legislature further finds that it is desirable to encourage energy retrofit improvements in those nursing homes in order to achieve energy cost savings. Therefore, it is the intent of the legislature to create an alternative reimbursement methodology for energy retrofitting which meets the criteria of this section. This alternative reimbursement methodology shall be available to contractors who apply for the alternative reimbursement methodology; contractors who do not apply for the alternative reimbursement methodology shall be reimbursed under the other provisions of this chapter for energy retrofit improvements.

(2) Any energy retrofit improvement shall be required to repay the department's proportionate share of the cost of such improvement within a five-year period. The department shall reimburse contractors for eligible energy retrofit improvements by applying the resulting energy cost savings in the administration and operations cost center against the capital expense for the improvement. The nursing home contractor shall provide the department with a technical assistance study which demonstrates the anticipated energy savings and documents the cost of the retrofit including any interest. The increase in the contractor's return on investment rate shall be limited to the documented costs for the energy retrofit. At the end of first year that the retrofit is in place, the contractor shall furnish documentation to the department indicating the actual reduction in energy consumption. If the reduction in the energy consumption is less than anticipated, the contractor's return on investment rate will be reduced accordingly.

(3) If a nursing home installs an energy retrofit improvement which meets the requirements contained in subsection (2) of this section, the department shall decrease the nursing home's administration and operations cost center reimbursement rate under RCW 74.46.500 by an amount equivalent to the energy cost savings or the documented costs of the energy retrofitting, whichever is less, for the first year, and shall increase the nursing home's return on investment allowance established in RCW 74.46.530 by an amount equivalent to the energy cost savings until the investment is paid for.

(4) The department shall adopt such rules as are necessary to carry out the policies and purposes of this section.

Sec. 16. Section 45, chapter 177, Laws of 1980 as amended by section 20, chapter 67, Laws of 1983 1st ex. sess. and RCW 74.46.450 are each amended to read as follows:

(1) Prospective reimbursement rates for a new contractor will be established within sixty days following receipt by the department of the properly completed projected budget required by RCW 74.46.670. Such reimbursement rates will become effective as of the effective date of the contract and shall remain in effect until rates can be established under RCW 74.46.460 based on a contractor's cost report including at least six months of cost data.

(2) Such reimbursement rates will be based on the contractor's projected cost of operations and on costs and payment rates of the prior contractor, if any, or of other contractors in comparable circumstances, except that the special reimbursement provisions for energy retrofitting in section 15 of this 1985 act shall not apply to any energy retrofit improvements installed by previous contractors.

(3) If a properly completed budget is not received at least sixty days prior to the effective date of the contract, the department will establish preliminary rates based on the other factors specified in subsection (2) of this section. These preliminary rates will remain in effect until a determination is made pursuant to RCW 74.46.460.

Sec. 17. Section 50, chapter 177, Laws of 1980 and RCW 74.46.500 are each amended to read as follows:

(1) The administration and operations cost center shall include all items not included in the cost centers of nursing services, food, and property, except as otherwise provided in section 15 of this 1985 act.

(2) The administration and operations cost center reimbursement rate for each facility shall be based on the computation in this subsection and shall not exceed the eighty-fifth percentile of (a) the rates of all reporting facilities derived from the computation below, or (b) reporting facilities grouped in accordance with subsection (3) of this section:

AR = TAC/TPD, where

AR = the administration and operations cost center reimbursement rate for a facility;

TAC = the total costs of the administration and operations cost center plus the retained savings from such cost center as provided in RCW 74.46.180 of a facility; and

TPD = the total patient days for a facility for the prior year.

(3) The secretary may group facilities based on factors which could reasonably influence cost requirements of this cost center, other than ownership or legal organization characteristics.

Sec. 18. Section 51, chapter 177, Laws of 1980 and RCW 74.46.510 are each amended to read as follows:

(1) The property cost center rate for each facility shall be determined by dividing the sum of the reported allowable prior period actual depreciation costs, subject to RCW 74.46.310 through 74.46.380, adjusted for any capitalized additions or replacements approved by the department, and the retained savings from such cost center, as provided in RCW 74.46.180, by the total patient days for the facility in the prior period. If a capitalized addition or retirement of an asset will result in a different licensed bed capacity during the ensuing period, the prior period total patient days used in computing the property cost center rate shall be adjusted to anticipated patient day level.

When a certificate of need for a new facility is requested, the department, in reaching its decision, shall take into consideration per-bed land and building construction costs for the facility which shall not exceed a maximum to be established by the secretary.

(2) An energy retrofit improvement installed by a contractor under section 15 of this 1985 act shall not be included in the computation for the property cost center described in this section.

Renumber the remaining sections and correct internal references accordingly.

The Speaker stated the question before the House to be the committee amendment as amended.

POINT OF INQUIRY

Ms. Niemi yielded to question by Mr. Locke.

Mr. Locke: "Representative Niemi, does the amendment in section 14 change, in any way, what is subject to disclosure or the access the department must give the providers to its data base?"

Ms. Niemi: "No. The department is simply being authorized to release to persons designated by the provider, information that has been submitted by the provider. The department, like all agencies, must conform with the Public Disclosure Act. This amendment in no way requires the department to create any special computer files or do any special computations for the nursing home providers or their agents, but merely provides that an individual provider may authorize access to existing files that would be otherwise subject to disclosure."

Mr. Locke: "Is the amendment in section 15 a change in policy?"

Ms. Niemi: "No. The rates set in accordance with RCW 74.46, are prospective rates for the periods for which they apply and are the maximum reimbursement rates. Adjustment to rates are exceptions and can only be granted as authorized in this section. The department always had only limited authority to give interim increases. Some administrative law judges have misconstrued this authority as requiring the department to grant increases for changes the legislature intended to be covered exclusively by the July inflation adjustment."

Mr. Locke: "Is the amendment on page 23, line 20 a change in policy?"

Ms. Niemi: "No. The legislature established RCW 74.46 to provide rates that are reasonable and adequate to meet the costs that must be incurred by an economically and efficiently operated facility; i.e., to comply with the federal reimbursement standard, 42 U.S.C., 1396a(13)(A). The federal government has approved the

state plans based on this chapter. Some administrative law judges not only have misconstrued this language as creating a separate test, but also mistakenly construed it as a test that could be applied to individual facilities rather than to the industry as a whole. This amendment clarifies that the legislature was not creating a separate standard for judging the adequacy of rates and removes the federal language as unnecessary."

The committee amendment as amended was adopted.

Mr. Locke moved adoption of the committee amendment to the title of the bill.

On motion of Mr. Tanner, the following amendments to the title amendment were adopted:

On page 40, beginning on line 28 of the title amendment, strike all material through "emergency" on page 41, line 4 of the title amendment and insert the following:

On page 1, line 4 of the title, after "74.46.530," strike "and 74.46.420;" and insert "74.46.420, 74.46.450, 74.46.500, and 74.46.510; adding a new section to chapter 74.46 RCW;"

On page 1, line 5 of the title, after "section;" strike "and repealing RCW 74.46.520" and insert "repealing RCW 74.46.520; and declaring an emergency"

The committee amendment as amended to the title of the bill was adopted.

On motion of Mr. J. King, the rules were suspended, the second reading considered the third, and the bill was placed on final passage.

MOTION

On motion of Mr. J. King, the House advanced to the eleventh order of business.

POINT OF PARLIAMENTARY INQUIRY

Mr. Tilly: "Mr. Speaker, I'm concerned about the interpretation of Rule 25 on the hearing today in the Ways & Means Committee concerning House Bill 314, and the public right to know what is in the bill that we are going to be considering. I don't know if the Speaker has had a chance to examine that or not."

The Speaker: "Representative Tilly, the Speaker has looked at the legislative meeting schedule which was produced last week for the week of April 14 through April 20, and on page 6 of the Ways & Means meetings, it says, 'Public Hearing: 1983-85 Supplemental, decrement bill.' If, however, the Speaker is confused, I would be happy to be in session tonight and ponder that, if you would like."

Mr. Tilly: "Mr. Speaker, I think your information was just as much as the rest of ours. I wanted to let the rest of the assembly here know that we are facing a bill that we did not know what was in it until this morning. It's a very major bill—"

The Speaker: "Representative Tilly, you are out of order. You asked for a point of parliamentary inquiry and I addressed that question and pointed out that it has had five days meeting notice, which was the basis of your question."

MOTION

On motion of Mr. J. King, the House adjourned until 9:30 a.m., Tuesday, April 16, 1985.

The Speaker (Mr. Appelwick presiding): "The Speaker has examined the amendment. Substitute Senate Bill 3786 is titled 'An Act Relating to the theft of shopping carts.' The amendment introduces a crime of disorderly conduct, intentionally stopping vehicles with shopping carts and solicitation and panhandling. While it is entirely possible that the 21st District has such problems, the Speaker would find that the contents of the amendment are outside the scope and object of the bill. Your point is well taken, Representative Armstrong, the amendment is out of order."

SENATE AMENDMENTS TO HOUSE BILL

April 9, 1985

Mr. Speaker:

The Senate has passed SUBSTITUTE HOUSE BILL NO. 890 with the following amendments:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. As used in this chapter, the terms defined in this section have the meanings indicated unless the context clearly requires otherwise.

(1) 'Agricultural product,' 'conditioner,' 'consignor,' 'person,' 'processor,' and 'producer' have the meanings defined in RCW 20.01.010.

(2) 'Preparer' means a person engaged in the business of feeding livestock or preparing livestock products for market.

NEW SECTION, Sec. 2. Starting on the date a producer delivers any agricultural product to a processor or conditioner, the producer has a first priority statutory lien, referred to as a 'processor lien.' This processor lien shall continue until twenty days after payment for the product is due and remains unpaid, without filing any notice of lien, for the contract price, if any, or the fair market value of the products delivered. The processor lien attaches to the agricultural products delivered, to the processor's or conditioner's inventory, and to the processor's or conditioner's accounts receivable. However, no processor lien may attach to agricultural products delivered by a producer, or on the producer's behalf, to a processor which is organized and operated on a cooperative basis and of which the producer is a member, nor may such lien attach to such processor's inventory or accounts receivable.

NEW SECTION, Sec. 3. Starting on the date a producer delivers grain, hay, or straw to a preparer, the producer has a first priority statutory lien, referred to as a 'preparer lien.' This preparer lien shall continue twenty days after payment for the product is due and remains unpaid, without filing any notice of lien, for the contract price, if any, or the fair market value of the products delivered. The preparer lien attaches to the agricultural products delivered by the producer to the preparer, and to the preparer's accounts receivable.

NEW SECTION, Sec. 4. (1) A producer claiming a processor or preparer lien may file a statement evidencing the lien with the department of licensing after payment from the processor, conditioner, or preparer to the producer is due and remains unpaid. For purposes of this subsection and section 5 of this act, payment is due on the date specified in the contract, or if not specified, then within thirty days from time of delivery.

(2) The statement shall be in writing, verified by the producer, and shall contain in substance the following information:

(a) A true statement of the amount demanded after deducting all credits and offsets;

(b) The name of the processor, conditioner, or preparer who received the agricultural product to be charged with the lien;

(c) A description sufficient to identify the agricultural product to be charged with the lien;

(d) A statement that the amount claimed is a true and bona fide existing debt as of the date of the filing of the notice evidencing the lien; and

(e) The date on which payment was due for the agricultural product to be charged with the lien.

NEW SECTION, Sec. 5. (1) (a) If a statement is filed pursuant to section 4 of this act within twenty days of the date upon which payment from the processor, conditioner, or preparer to the producer is due and remains unpaid, the processor or preparer lien evidenced by the statement continues its priority over all other liens or security interests upon agricultural products, inventory, and accounts receivable, except as provided in (b) of this subsection. Such priority is without regard to whether the other liens or security interests attached before or after the date on which the processor or preparer lien attached.

(b) The processor or preparer lien shall be subordinate to liens for taxes or labor perfected before filing of the processor or preparer lien.

(2) If the statement provided for in section 4 of this act is not filed within twenty days of the date payment is due and remains unpaid, the processor or preparer lien shall thereupon become subordinate to:

(a) A lien that has attached to the agricultural product, inventory, or accounts receivable before the date on which the processor or preparer lien attaches; and

(b) A perfected security interest in the agricultural product, inventory, or accounts receivable.

NEW SECTION, Sec. 6. (1) The processor lien shall terminate six months after, and the preparer lien shall terminate fifty days after, the later of the date of attachment or filing, unless a suit to foreclose the lien has been filed before that time as provided in section 7 of this act.

(2) If a statement has been filed as provided in section 4 of this act and the producer has received payment for the obligation secured by the lien, the producer shall promptly file with the department of licensing a statement declaring that full payment has been received and that the lien is discharged. If, after payment, the producer fails to file such statement of discharge within ten days following a request to do so, the producer shall be liable to the processor, conditioner, or preparer in the sum of one hundred dollars plus actual damages caused by the failure.

NEW SECTION, Sec. 7. (1) The processor or preparer liens may be foreclosed and enforced by civil action in superior court.

(2) In all suits to enforce processor or preparer liens, the court shall, upon entering judgment, allow to the prevailing party as a part of the costs, all moneys paid for the filing and recording of the lien and reasonable attorney fees.

Sec. 8. Section 1, chapter 139, Laws of 1959 as last amended by section 1, chapter 305, Laws of 1983 and RCW 20.01.010 are each amended to read as follows:

With the exception of an agent for a commission merchant or dealer handling horticultural products, an agent may operate only in the name of one principal and only to the account of that principal.

(12) 'Retail merchant' means any person operating from a bona fide or established place of business selling agricultural products twelve months of each year. (b) Horticultural products received for handling and sale in the fresh market shall be accounted for to the consignor with individual pack-out records that shall include variety, grade, size, and date of delivery. Individual daily packing summaries shall be available within forty-eight hours after packing occurs. However, platform inspection shall be acceptable by mutual contract agreement on small deliveries to determine variety, grade, size, and date of delivery;

(c) Terms under which the commission merchant may use his judgment in regard to the sale of the pooled horticultural product;

(d) The charges to be paid by the consignor as filed with the state of Washington;

(e) A provision that the consignor shall be paid for his pool contribution when the pool is in the process of being marketed in direct proportion, not less than eighty percent of his interest less expenses directly incurred, prior liens, and other advances on the grower's crop unless otherwise mutually agreed upon between grower and commission merchant.

This lien shall take first priority over any other security interest in crops for which no new value was provided if such materials or services were given to enable the debtor to produce crops during the production season.~~

(2) If the crop, or any part thereof, is sold subsequent to the filing of the lien, or possession delivered to an agent, broker, cooperative agency or other person to be sold or otherwise disposed of and its identity lost, or the crop commingled with other property so that it cannot be segregated, and if the purchaser, agent, broker, cooperative agency or other person is notified of the filing of the lien by being served with a certified copy thereof, the lien shall attach to the proceeds of the sale of the crop or part thereof remaining in the possession of the purchaser, agent, broker, cooperative agency or other person at the time of the notice and to any proceeds of such sale that may thereafter come into the possession of any of such persons and the lien shall be as effective against such proceeds as against the crop itself.

(1) When a person in the ordinary course of his business furnishes services or materials with respect to goods subject to a security interest, a lien upon goods in the possession of such person given by statute or rule of law for such materials or services takes priority over a perfected security interest only if the lien is statutory and the statute expressly provides for such priority.

(2) A preparer lien or processor lien created pursuant to chapter ~~((20-04))~~ 60.— RCW (sections 1 through 7 of this 1985 act) or a depositor's lien created pursuant to chapter 22.09 RCW takes priority over any perfected or unperfected security interest.

(3) A commercial fertilizer, pesticide, or weed killer lien takes priority over any perfected or unperfected security interest for which no new value was provided if materials or services were given to enable the debtor to produce the crops during the production season.

Sec. 11. Section 9-104, chapter 157, Laws of 1965 ex. sess. as last amended by section 75, chapter 305, Laws of 1983 and RCW 62A.9-104 are each amended to read as follows:

***NEW SECTION.** Sec. 13. This chapter shall be known as the state health care purchasing reform act of 1985.

NEW SECTION. Sec. 14. The legislature finds that the rising increase in health costs for public employees and persons within the state's care is a major public policy concern and that unless addressed through specific statutory direction adequate health care will not be attainable through the expenditure of public funds. The legislature further finds that prevalent methods of health care delivery and cost reimbursement are often inefficient and wasteful.

It is therefore the intent of the legislature to control costs of state purchased health care while maintaining an adequate level of care; promote wellness; encourage the development of managed health care systems and other systems that have been effective in controlling costs; place within one authority the responsibility and power to control cost while insuring adequate care; and place the state of Washington in a leadership position in cost containment.

NEW SECTION. Sec. 15. Unless the context clearly requires otherwise, the definitions in this section shall apply throughout this chapter.

(1) 'State purchased health care' or 'health care' means medical and health care, pharmaceuticals, and medical equipment purchased with state and federal funds by the department of social and health services, the state employees insurance board, the department of labor and industries, the department of corrections, and the department of veterans affairs.

(2)(a) 'Managed health care' means a system which shall include these components:

(i) Provision of insurance and responsibility for delivery of care through the same organization;

(ii) A comprehensive range of services either directly or on contract with other providers;

(iii) Control of utilization through identified management intervention points;

(iv) A data collection system that includes, as a minimum, utilization data on all clients and quality of care review; and

(v) Financial risk to the provider organization.

(b) It may as an option also include the following:

- (i) A mechanism to resolve complaints;
- (ii) Incorporation of health promotion activities as a regular part of medical care;
- (iii) Membership education regarding appropriate use of facilities and services;
- (iv) Quality of care reviews, utilization review, and peer review;
- (v) Financial incentives to the consumer to control costs; and
- (vi) Public assistance enrollment of approximately the same proportion as all public assistance recipients to the general population of the service area.

NEW SECTION, Sec. 16. (1) There is hereby created, within the office of financial management, a unit with the following powers and duties:

(a) To adopt standards for acceptable state purchased health care programs. Standards shall be modeled after the managed health care definition, and other effective cost containing approaches;

(b) To ensure that state purchased health care programs meet promulgated standards by selectively reviewing and approving state agency plans for purchasing health care;

(c) To coordinate the activities of state agencies with respect to health care cost containment policies;

(d) To explore new ways to control cost while maintaining adequate levels of care;

(e) To submit to the legislature by January 7, 1987, legislation to streamline health care purchasing procedures and remove unnecessary barriers, including but not limited to state contracting procedures;

(f) To encourage the private sector to participate in managed health care systems and other effective approaches;

(g) To coordinate and encourage efforts to establish proven health promotion and disease and accident prevention efforts within state-purchased health care programs including, but not limited to education, monitoring, and counseling of consumers on effective methods to minimize illness;

(h) To establish an information gathering capacity, using existing data systems to the extent possible, that enables the unit to fulfill its responsibilities, including:

(i) Monitoring the number of persons in state purchased health care programs, types of benefit packages, and costs;

(ii) Developing, where feasible, comparisons between rates of payments for similar health care by different health care purchasing agencies;

(iii) Preparing and submitting to the legislature and state health care purchasing agencies, by July 1 of each even-numbered year:

(A) Biennial and long-term projections for health care costs assuming the current level of expenditures; and

(B) A proposed budget for total state expenditures for health care taking into consideration savings obtained through the implementation of this chapter;

(i) To establish procedures for volume purchasing of health care goods and equipment;

(j) To appoint a technical advisory committee that represents state employees and state agencies that are involved in the direct purchase, funding, or provision of health care, but whose majority shall be citizen taxpayers with no fiduciary interest in state purchased health care; and

(k) To promulgate rules and standards pursuant to chapter 34.04 RCW.

(2) All state agencies shall cooperate in assisting the unit implement the provisions of this chapter.

(3) The unit shall submit to the legislature no later than November 30, 1986, a report that includes a review of state health care regulatory agencies, including the hospital commission, the health planning and certificate of need sections of the department of social and health services, the board of health, department of licensing, health care facilities authority, and the office of the insurance commissioner.

The report shall describe the respective roles of these agencies regarding health care cost containment and their accomplishments over the preceding six years, and shall address ways to increase the combined efficiency of these agencies to control costs and maintain quality of care.

(4) The unit shall have an administrator who, along with one other employee, shall be exempt from civil service law, chapter 41.06 RCW. The unit shall employ other staff necessary to fulfill the requirements of this chapter who shall be subject to the civil service law, chapter 41.06 RCW.

(5) No later than September 1, 1986, the superintendent of public instruction shall report to the legislature on proposed methods of controlling school employee health care costs using definitions and directives put forth in this section.

NEW SECTION, Sec. 17. (1) The state employees' insurance board, the department of social and health services, the department of labor and industries, the department of veterans affairs, and the department of corrections shall individually or in cooperation with other agencies take any necessary actions to control costs without reducing the quality of care when reimbursing

for or purchasing drugs. To accomplish this purpose, each agency shall investigate the feasibility of and may establish a drug formulary designating which drugs may be paid for through the respective health care programs. For purposes of this section, a drug formulary means a list of drugs, either inclusive or exclusive, that defines which drugs are eligible for reimbursement by the agency.

(2) In developing the drug formulary authorized by this section, agencies:

(a) Shall prohibit reimbursement for drugs that are determined to be ineffective by the United States food and drug administration;

(b) Shall adopt rules in order to ensure that less expensive generic drugs will be substituted for brand name drugs in those instances where the quality of care is not diminished;

(c) Where possible, may authorize reimbursement for drugs only in economical quantities;

(d) May limit the prices paid for drugs by such means as central purchasing, volume contracting, or setting maximum prices to be paid;

(e) Shall consider the approval of drugs with lower abuse potential in substitution for drugs with significant abuse potential; and

(f) May take other necessary measures to control costs of drugs without reducing the quality of care.

(3) Agencies may provide for reasonable exceptions to the drug formulary required by this section.

(4) Agencies may establish medical advisory committees, or utilize committees already established, to assist in the development of the drug formulary required by this section.

(5) Agencies shall report to the unit on the requirements in this section in a timely manner. The unit shall include a related status report in its November 30, 1986 report to the legislature.

Thereafter the board shall be composed as follows: The governor or the governor's designee; one administrative officer representing all of higher education to be appointed by the governor; two higher education faculty members to be appointed by the governor; the director of the department of personnel who shall act as trustee; one representative of an employee association certified as an exclusive representative of at least one bargaining unit of classified employees and one representative of an employee union certified as exclusive representative of at least one bargaining unit of classified employees, both to be appointed by the governor; one person who is retired and is covered by a program under the jurisdiction of the board, to be appointed by the governor; one member of the senate who shall be appointed by the president of the senate; and one member of the house of representatives who shall be appointed by the speaker of the house. However, the board may negotiate a delay of up to twelve months for implementation of (a) and (b) of this subsection (3) with respect to a panel medicine plan provided by an organization which does not initially have such internal administrative procedure as may be required for the plan to comply with such terms. The board's bidding procedures with organizations providing panel medicine plans shall not require federally qualified organizations to violate federal laws and regulations.

~~((The board may but shall not be required to pay more for health benefits under a panel medicine plan than it would otherwise be required to pay for health benefits by a contract~~

~~with a regularly constituted insurance carrier or health care service contractor in effect at the time the panel medicine plan is included in the employee health care benefit plan.))~~ The board shall establish the state's contribution for employee health benefit packages at a rate equal to one hundred percent of the negotiated contract plan or one hundred percent of the lowest reasonable panel medicine plan bid, whichever is lower. The board shall have the option of accepting the second lowest panel medicine plan bid, as the lowest reasonable bid, if the lowest bid is deemed unreasonable and unsubstantiated. Except for panel medicine plans, the board may but is not required to contract with more than one insurance carrier or health care service contractor to provide similar benefits: PROVIDED, That employees may choose participation in only one of the health care benefit plans sponsored by the board. Active employees, as defined in RCW 41.05.010(2), eligible for medicare benefits shall have the option of continuing participation in health care programs on the same basis as all other employees or participation in medicare supplemental programs as may be developed by the board. These health care benefit plans shall provide coverage for all officials and employees and their dependents without premium or subscription cost to the individual employees and officials, unless the board approves a panel medicine plan at a subscription rate in excess of the premium of the regularly constituted insurance carrier or health care service contractor, in which circumstances an employee contribution may be authorized at an amount equal to such excess. Rates for self pay segments of state employee groups will be developed from the experience of the entire group. Such self pay rates will be established based on a separate rate for the employee, the spouse, and children.

(4) The board shall review plans proposed by insurance carriers who desire to offer property insurance and/or accident and casualty insurance to state employees through payroll deduction. The board may approve any such plan for payroll deduction by carriers holding a valid certificate of authority in the state of Washington and which the board determines to be in the best interests of employees and the state. The board shall promulgate rules setting forth criteria by which it shall evaluate the plans.

(5) Premium rates for health care benefit plans made available to school district or educational service district employees may be based on the actual claims experience of those employees.

Bill Gleason, Assistant Secretary.

SECOND READING

ENGROSSED SENATE BILL NO. 4302, by Senators Wojahn, McDermott and Williams

Revising provisions relating to lie detectors.

The bill was read the second time. Committee on Commerce & Labor recommendation: Majority, do pass with the following amendment:

On page 1, beginning on line 22 strike all material through "statements." on line 24.

On motion of Mr. Wang, the committee amendment was adopted.

Mr. C. Smith moved adoption of the following amendment by Representatives C. Smith and Chandler:

On page 1, line 10 after "require" strike ", directly or indirectly, that"

Mr. C. Smith spoke in favor of the amendment, and Mr. Wang spoke against it.

Mr. Padden spoke in favor of the amendment.

POINT OF INQUIRY

Mr. Wang yielded to question by Mr. Hastings.

Mr. Hastings: "Representative Wang, the previous speaker raised a point that this amendment relates to the definition of 'directly or indirectly,' and the fact that it could leave things wide open for future litigation because that meaning is unclear. Can you give us an idea of what that language means?"

Mr. Wang: "Representative Hastings, that language has been used, I believe, in numerous other statutes. The problem that we are trying to address is the coercive use of lie detectors where an employer who is in the position of control can really be too forceful to an employee and say, 'Now really, you have to take the test. We are not requiring you to take it, but of course, you will take it now.' Those are the kinds of implications and are precisely the type of thing we want to restrict. They are the type of things that are causing the problems. There is evidence that we have--the Department of Labor and Industries also has received 150 to 200 complaints yearly from employees objecting to this kind of harassment and abuse. This is the type of problem I think we should be addressing, and it is just in furtherance of the policy established by the state twenty years ago."

Representatives Hastings and Patrick spoke in favor of the amendment, and Mr. Sayan spoke against it.

A division was called.

POINT OF INQUIRY

Mr. Wang yielded to question by Mr. D. Nelson.

Mr. D. Nelson: "Representative Wang, on page 7, the amendment says that any authorized gambling activity operated in connection with a business holding a class B or H license as being an incidental activity thereto. Could you clarify for me whether that means or implies that different kinds of gambling would be authorized? Or does it refer to the amount of money that is involved in gambling compared to the money that is grossed in the liquor and food end of the business?"

Mr. Wang: "Representative Nelson, the function of this language is limited to the dollar value in comparison. It is not the intent to, in any way, authorize any other types of gambling activities. The purpose is to consider things like pull tabs on the one hand, which are authorized, or card room activities which are authorized. This, in no way, legalizes any additional form of gambling. It does not legalize casino nights, things of that sort, any more so than are currently under law. It is limited by the requirement that it be authorized and it is limited because statute in other areas did not allow for that."

Mr. Patrick again opposed the bill.

Mr. Barnes spoke against passage of the bill, and Mr. R. King spoke in favor of it.

Mr. Crane demanded the previous question and the demand was sustained.

Representatives West and Padden spoke in favor of the amendments, and Mr. Locke spoke against them.

POINT OF INQUIRY

Mr. Locke yielded to question by Mr. Dellwo.

POINT OF ORDER

Mr. Padden: "Mr. Speaker, this, if it is to establish legislative intent, should be done on third reading, but it shouldn't be done on the second reading."

SPEAKER'S RULING

The Speaker: "Representative Padden, your point is not well taken because it can be done at any point in the discussion. It goes into the Journal. It could be legislative intent of the amendment; it could be to the entire bill or a portion of the bill or whatever. Please continue, Representative Locke and Representative Dellwo."

Mr. Dellwo: "Representative Locke, is it the intent of this legislation to make the removal of strict liability as to AIDS retroactive to 1971, the date mentioned in the current statute?"

Mr. Locke: "No, Representative Dellwo. This legislation materially and affirmatively changes the existing law and substantive rights. This legislation thus is an amendment to the 1971 law. Amendments are presumed to operate prospectively unless the legislation is remedial and concerns procedure or forms of remedies. This legislation is not remedial and does not concern procedure or forms of remedies, and thus may not apply retroactively. Furthermore, I have spoken with Senator Zimmerman, the sponsor of this legislation, and Senator Granlund, the Chair of the Senate committee which considered and passed this legislation and both have said that it is their intent that this legislation apply prospectively. Both have indicated that, for strategic reasons given the lateness of the session, and since this

amendment to Senate Bill 3804 is unnecessary, then the amendment should be defeated."

POINT OF INQUIRY

Mr. Brooks yielded to question by Mr. Dellwo.

Mr. Dellwo: "Representative Brooks, as the prime sponsor of a house bill identical in intent to ES 3804 and almost identical in language, is it the intent of this legislation to make the removal of strict liability as to AIDS retroactive to 1971, the date mentioned in the current statute?"

Mr. Brooks: "Representative Dellwo, no. I concur in the remarks of Representative Locke."

Mr. Dellwo spoke against the amendments, and Mr. Isaacson spoke in favor of them.

Mr. West spoke again in favor of the amendments.

A division was called.

The amendment was not adopted.

On motion of Mr. Appelwick, the rules were suspended, the second reading considered the third, and the bill was placed on final passage.

Representatives Brooks and Locke spoke in favor of the bill, and Mr. Bond spoke against it.

POINT OF INQUIRY

Mr. Locke yielded to question by Mr. Armstrong.

Mr. Armstrong: "Representative Locke, in your comments today, you mentioned that blood banks would still be liable if they were negligent. If there is a test available and blood banks do not use that test, would that mean they would be liable for the AIDS they passed on to somebody else?"

Mr. Locke: "Representative Armstrong, if there is a test available and the blood banks do not use the test, then they would be negligent and thus, liable."

Renumber the remaining sections consecutively and correct any internal references accordingly.

Representatives Tanner, J. King, L. Smith and Taylor spoke in favor of the amendment to the amendment, and Representatives Vander Stoep and Betrozoff spoke against it.

The amendment to the committee amendment was adopted.

The committee amendment as amended was adopted.

On motion of Mr. Appelwick, the rules were suspended, the second reading considered the third, and the bill was placed on final passage.

Representatives Tanner and Taylor spoke in favor of passage of the bill, and Representative Brække spoke against it.

POINT OF INQUIRY

Mr. Tanner yielded to question by Mr. Day.

Mr. Day: "Representative Tanner, is it the intent of this legislation to alter standards of admission for the school for the deaf or the school for the blind by allowing the superintendents or boards of these schools to set standards for admission?"

Mr. Tanner: "No, Representative Day, there is no intention and the bill does not in any manner alter admission standards in the schools. As a practical matter, the superintendents now set admission policies and will continue to do so. That is part of the questions that are being raised on the base, which is a total misconception, that there is anything new being created. What we have here are two schools--they are full, complete schools, intact--they have been under several state agencies (currently DSHS and before that, the Department of Institutions), and they are simply being moved to SPI. Nothing more or less is happening in this bill and the question that is being raised as to whether or not these are independent simply has to do with whether or not the SPI has internal operational control."

Representatives Day and L. Smith spoke in favor of the bill.

POINT OF INQUIRY

Mr. Tanner yielded to question by Ms. Long.

Ms. Long: "Representative Tanner, will this bill alter the responsibility of local school districts to provide appropriate education for their students with handicapping conditions?"

Mr. Tanner: "The answer is 'No.' The intent and effect will not alter the mainstreaming of public schools. Senate Bill 3797 does not alter the fundamental responsibility of local school districts to develop and provide programs necessary to appropriate education of students who are deaf and blind. The legislation confirms the role of the two schools as a resource to local school districts and parents of deaf and blind students. The state schools should support, assist and cooperate with local school districts so that students who are deaf and blind have a better educational opportunity."

Ms. Long spoke in favor of passage of the bill.

POINT OF INQUIRY

Ms. Sommers yielded to question by Mr. Braddock.

Mr. Braddock: "Representative Sommers, I'm a little uncertain about page 18, dealing with standards. Can you tell me who may set the standards for admission?"

Ms. Sommers: "Representative Braddock, there was an earlier question about setting standards for admission. If the members would be willing to turn to page 18, it says very clearly in this bill that the superintendent and the trustees may admit or may reject students. That is an unusual set of circumstances. There is no overall guideline; there is no guideline from the SPI; there is no statewide guideline from any other agency. The school itself, the superintendent and the trustees, may admit or refuse to admit, based on the criteria that they set."

Ms. Sommers opposed passage of the bill.

Mr. Crane demanded the previous question and the demand was sustained.

On page 2, after line 30 insert the following:

NEW SECTION, Sec. 101. It is the intent of this 1983-85 supplemental decrement bill to assist the governor to balance the 1983-85 biennium budget as revenue collections have fallen \$42 million below the March forecast council revenue forecast. This revised general fund-state revenue totalling \$8,075 million represents a decline of \$14 million or 0.2 percent from the March, 1983, forecast of \$8,075 million.

The legislature finds that an emergency reserve fund was not established during the current biennium. Therefore it is necessary to take measures to balance this budget which exceeds expenditures by an estimated \$41 million.

The steps taken to balance this budget include transferring reserves from certain non-General Fund agencies totalling \$5.4 million, reducing agency appropriations by \$12.1 million, including a 50% rateable reduction for the GA-U and temporary abolishment of the medically indigent program for May and June, 1985, and \$5 million in other transfers. The intent of the legislature is to repay these transfers and loans in the 1985-87 biennium from general fund sources.

State agencies shall take every action possible to support the governor's five percent savings plan which is intended to reduce expenditures by an additional \$12.4 million."

Revising provisions relating to lie detectors.

The Speaker stated the question before the House to be the reconsideration of final passage of the bill.

Representatives Wang and Cole spoke in favor of the bill, and Mr. Patrick spoke against it.

POINT OF INQUIRY

Mr. Wang yielded to question by Mr. Padden.

Mr. Padden: "Representative Wang, for the purpose of establishing legislative intent, are written or psychological tests prohibited under this act?"

Mr. Wang: "Representative Padden, the answer is 'No.' When the bill came before the Commerce & Labor Committee, the original intent of the bill was to include written tests. I asked to see some of those written tests and for the benefit of the House, they ask questions such as, 'When people say they have never stolen anything are they usually lying?' 'Did you ever admire a person who pulled off a famous crime?' Some really pretty off-questions. I found some of the tests somewhat offensive and believed their credibility was dubious, but I believe they should not be flatly prohibited. Therefore, we deleted my committee amendment, the expansive definition which would have included written tests. The current law applies only to 'any lie detector or similar test.' In my interpretation that would not include written tests, just as it would not include an employer making a decision on the basis of an employee's honest face or other intangible criteria. The committee amendment which was adopted specifically leaves in the language which allows the use of psychological tests; therefore, written tests, though I may find them personally offensive, are not restricted under this bill."

On page 2, after line 14, insert the following:

NEW SECTION. Sec. 2. The legislature finds that the protection of commercial and recreational shellfish areas is in the public interest and that state and local actions are necessary to preserve this valuable resource.

NEW SECTION. Sec. 3. (1) For purposes of this chapter, the department of ecology is directed to conduct reviews and assessments of commercial and recreational shellfish areas and designate the boundaries of each of these significant areas:

(a) Closed but correctable;

(b) High threat; or

(c) Low threat.

(2) These designations shall not conflict with chapter 69.30 RCW regarding certification of commercial growing areas by the department of social and health services. As appropriate, the department of social and health services, local health authorities, department of game, department of natural resources, department of agriculture, and department of fisheries shall assist the department of ecology in assessing shellfish areas, developing minimum standards, and providing recommendations for shellfish protection.

(3) The department of ecology shall work cooperatively with local governments and local residents within these shellfish basin areas to prepare plans, policies, and programs to prevent contamination of shellfish that are deemed fit for human consumption and to provide strategies to restore to an acceptable status those shellfish resources not fit for human consumption and located in designated areas. These cooperative efforts shall stress public education as the first priority and encourage voluntary compliance wherever possible.

(4) The department of ecology shall notify affected jurisdictions and private parties as soon as the shellfish areas have been designated and boundaries established and whenever such designations or boundaries are changed. Landfills adjacent to or within the drainage basin of a designated shellfish area shall be included within the boundaries established pursuant to this chapter. Public access to significant records leading to and justifying the designation shall be available in a local public building, including reports by the department of social and health services and local health authorities.

(5) The department of ecology shall periodically review and update the designations and boundaries as appropriate.

NEW SECTION. Sec. 4. The department of ecology and local governments are directed to work with affected residents and property owners to prepare and adopt action plans and regulations to reduce or eliminate adverse impacts on shellfish resources. Plans shall provide for:

(1) Water quality and sanitary surveys;

(2) Basin land use and drainage policies;

(3) Public involvement and education, including the establishment of local citizen advisory committees;

(4) Local conservation district participation;

(5) Pollution prevention activities;

(6) Pollution clean-up efforts;

(7) A budget and financing outline; and

(8) Department of ecology technical assistance.

NEW SECTION. Sec. 5. (1) Within one hundred eighty days after the effective date of this act, the department of ecology shall adopt minimum standards for the protection of shellfish resources and for the action plans to be prepared by local governments.

Local governments shall prepare and adopt plans within one year after the department of ecology's adoption of minimum standards and designation of significant areas as provided in section 3 of this act. The department of ecology shall provide funds to local governments for this purpose.

(2) Following local adoption, action plans shall be submitted to the department of ecology for approval. No moneys appropriated to the department of ecology shall be made available to local governments for implementation of the action plans until such plans have been approved by the department of ecology.

(3) State financial resources appropriated for purposes of this chapter, other than funds needed for assessment purposes, shall be targeted to those areas that have been designated as significant areas and that provide the greatest possible number of shellfish available for harvest per state dollar spent for protective measures.

(4) Minimum standards adopted by the department of ecology and local action plans may include requirements for financial participation by local government and by private parties that are direct beneficiaries of this section or are a direct cause of identified pollution problems that threaten the shellfish resource. Action plans shall seek to minimize the potential financial burdens imposed on private property owners resulting from the implementation of this section.

(5) Designation by the department of ecology of significant areas as provided in section 3 of this act may be appealed to the shorelines hearings board by any aggrieved person.

NEW SECTION. Sec. 6. It is hereby declared to be of high priority that projects for the Washington conservation corps personnel in counties adjacent to Puget Sound be devoted to efforts to clean up and prevent the pollution of Puget Sound and waters entering Puget Sound and to the protection of sensitive shellfish areas.

NEW SECTION. Sec. 7. If specific funding of sections 2 through 6 of this act, referencing this act by bill number, is not provided in the omnibus appropriations act for the fiscal year beginning July 1, 1985, sections 2 through 6 of this act shall be null and void.

NEW SECTION. Sec. 8. Sections 2 through 6 of this act shall constitute a new chapter in Title 90 RCW."

(2) The test or tests shall be administered at the direction of a law enforcement officer having reasonable grounds to believe the person to have been driving or in actual physical control of a motor vehicle within this state while under the influence of intoxicating liquor. The officer shall inform the person of his or her right to refuse the test, and of his or her right to have additional tests administered by any qualified person of his or her choosing as provided in RCW 46.61.506. The officer shall warn the driver that (a) his or her privilege to drive will be revoked or denied if he or she refuses to submit to the test, and (b) ~~((that his or her privilege to drive will be suspended, revoked, or denied if the test is administered and the test indicates a concentration of alcohol in his or her blood of 0.10 percent or more, and (c)))~~ that his or her refusal to take the test may be used against him or her in a subsequent criminal trial.

(3) Except as provided in this subsection and subsection (4) of this section, the chemical test administered shall be of the breath only. If an individual is unconscious or is under arrest for the crime of vehicular homicide as provided in RCW 46.61.520 or vehicular assault as provided in RCW 46.61.522, or if an individual is under arrest for the crime of driving while under the influence of intoxicating liquor or drugs as provided in RCW 46.61.502, which arrest results from an accident in which another person has been injured and there is a reasonable likelihood that such other person may die as a result of injuries sustained in the accident, a breath or blood test may be administered without the consent of the individual so arrested.

(4) Any person who is dead, unconscious, or who is otherwise in a condition rendering him incapable of refusal, shall be deemed not to have withdrawn the consent provided by subsection (1) of this section and the test or tests may be administered, subject to the provisions of RCW 46.61.506, and the person shall be deemed to have received the warnings required under subsection (2) of this section.

(5) If, following his or her arrest and receipt of warnings under subsection (2) of this section, the person arrested refuses upon the request of a law enforcement officer to submit to a chemical test of his or her breath, no test shall be given except as authorized under subsection (3) or (4) of this section.

(6) The department of licensing, upon the receipt of a sworn report of the law enforcement officer that he had reasonable grounds to believe the arrested person had been driving or was in actual physical control of a motor vehicle upon the public highways of this state while under the influence of intoxicating liquor and that the person had refused to submit to the test upon the request of the law enforcement officer after being informed that refusal would result in the revocation of his privilege to drive, shall revoke his license or permit to drive or any nonresident operating privilege.

(7) Upon revoking the license or permit to drive or the nonresident operating privilege of any person, the department shall immediately notify the person involved in writing by personal service or by certified mail of its decision and the grounds therefor, and of his right to a hearing, specifying the steps he must take to obtain a hearing. Within ten days after receiving such notice the person may, in writing, request a formal hearing. Upon receipt of such request, the department shall afford the person an opportunity for a hearing as provided in RCW 46.20.329 and 46.20.332. The hearing shall be conducted in the county of the arrest. For the purposes of this section, the scope of such hearing shall cover the issues of whether a law enforcement officer had reasonable grounds to believe the person had been driving or was in actual physical control of a motor vehicle upon the public highways of this state while under the influence of intoxicating liquor, whether the person was placed under arrest, and whether he refused to submit to the test upon request of the officer after having been informed that such refusal would result in the revocation of his privilege to drive. The department shall order that the revocation either be rescinded or sustained. Any decision by the department revoking a person's driving privilege shall be stayed and shall not take effect while a formal hearing is pending as provided in this section or during the pendency of a subsequent appeal to superior court so long as there is no conviction for a moving violation or no finding that the person has committed a traffic infraction that is a moving violation during pendency of the hearing and appeal.

(8) If the revocation is sustained after such a hearing, the person whose license, privilege, or permit is revoked has the right to file a petition in the superior court of the county in which he or she resides, or, if a nonresident of this state, where the charge arose, to review the final order of revocation by the department in the manner provided in RCW 46.20.334.

(9) When it has been finally determined under the procedures of this section that a nonresident's privilege to operate a motor vehicle in this state has been revoked, the department shall give information in writing of the action taken to the motor vehicle administrator of the state of the person's residence and of any state in which he or she has a license.

Sec. 4. Section 27, chapter 121, Laws of 1965 ex. sess. as last amended by section 325, chapter 258, Laws of 1984 and RCW 46.20.311 are each amended to read as follows:

(1) The department shall not suspend a driver's license or privilege to drive a motor vehicle on the public highways for a fixed period of more than one year, except as permitted under RCW 46.20.342 or 46.61.515. Whenever the license of any person is suspended by reason of a conviction, a finding that a traffic infraction has been committed, or pursuant to RCW 46.20.291, the suspension shall remain in effect and the department shall not issue to the person any new, duplicate, or renewal license until the person pays a reinstatement fee of twenty dollars and gives and thereafter maintains proof of financial responsibility for the future as provided in chapter 46.29 RCW. If the suspension is the result of a violation of RCW 46.61.502 or 46.61.504 (~~or was imposed under RCW 46.20.610(1) (a) or (b))~~), the reinstatement fee shall be fifty dollars.

(2) Any person whose license or privilege to drive a motor vehicle on the public highways has been revoked, unless the revocation was for a cause which has been removed, is not entitled to have the license or privilege renewed or restored until: (a) After the expiration of one year from the date on which the revoked license was surrendered to and received by the department; (b) after the expiration of the applicable revocation period provided by RCW 46.61.515(3) (b) or (c); (c) after the expiration of two years for persons convicted of vehicular homicide; (d) after the expiration of one year in cases of revocation for the first refusal within five years to submit to a chemical test under RCW 46.20.308; or (e) after the expiration of two years in cases of revocation for the second refusal within five years to submit to a chemical test under RCW 46.20.308. After the expiration of the appropriate period, the person may make application for a new license as provided by law together with a reinstatement fee in the amount of twenty dollars, but if the revocation is the result of a violation of RCW 46.20.308, 46.61.502, or 46.61.504, the reinstatement fee shall be fifty dollars. The department shall not then issue a new license unless it is satisfied after investigation of the driving ability of the person that it will be safe to grant the privilege of driving a motor vehicle on the public highways, and until the person gives and thereafter maintains proof of financial responsibility for the future as provided in chapter 46.29 RCW. A resident without a license or permit whose license or permit was (~~denied~~) revoked under RCW (~~46.20.610~~) 46.20.308(6) shall give and thereafter maintain proof of financial responsibility for the future as provided in chapter 46.29 RCW.

(3) Whenever the driver's license of any person is suspended pursuant to Article IV of the nonresident violators compact or RCW 46.23.020, the suspension shall remain in effect and the department shall not issue to the person any new or renewal license until the person pays a reinstatement fee of twenty dollars. If the suspension is the result of a violation of the laws of another state, province, or other jurisdiction involving (a) the operation or physical control of a motor vehicle upon the public highways while under the influence of intoxicating liquor or drugs, or (b) the refusal to submit to a chemical test of the driver's blood alcohol content, the reinstatement fee shall be fifty dollars.

Sec. 5. Section 1, chapter 5, Laws of 1973 as last amended by section 24, chapter 165, Laws of 1983 and RCW 46.20.391 are each amended to read as follows:

(1) Any person licensed under this chapter (~~(whose driving privilege has been suspended or revoked under RCW 46.20.610(1)(b)(i) or)~~) who is convicted of an offense relating to motor vehicles for which suspension or revocation of the driver's license is mandatory, other than vehicular homicide or vehicular assault, may submit to the department an application for an occupational driver's license. The department, upon receipt of the prescribed fee and upon determining that the petitioner is engaged in an occupation or trade that makes it essential that the petitioner operate a motor vehicle, may issue an occupational driver's license and may set definite restrictions as provided in RCW 46.20.394. No person may petition for, and the department shall not issue, an occupational driver's license that is effective during the first thirty days of any suspension or revocation imposed under RCW 46.61.515 (~~or pursuant to RCW 46.20.610(1)(b)(i)~~). A person aggrieved by the decision of the department on the application for an occupational driver's license may request a hearing as provided by rule of the department.

(2) An applicant for an occupational driver's license is eligible to receive such license only if:

(a) Within one year immediately preceding the present conviction (~~or administrative action~~), the applicant has not been convicted of any offense relating to motor vehicles for which suspension or revocation of a driver's license is mandatory; and

(b) Within five years immediately preceding the present conviction (~~or administrative action~~), the applicant has not been convicted (~~more than once~~) of driving or being in actual physical control of a motor vehicle while under the influence of intoxicating liquor under RCW 46.61.502 or 46.61.504, of vehicular homicide under RCW 46.61.520, or of vehicular assault under RCW 46.61.522 (~~or had a license administratively suspended or revoked under RCW 46.20.610~~); and

(c) The applicant is engaged in an occupation or trade that makes it essential that he or she operate a motor vehicle; and

(d) The applicant files satisfactory proof of financial responsibility pursuant to chapter 46.29 RCW.

(3) The director shall cancel an occupational driver's license upon receipt of notice that the holder thereof has (~~had a driver's license administratively suspended or revoked under RCW 46.20.610 or has~~) been convicted of operating a motor vehicle in violation of its restrictions, or of an offense that pursuant to chapter 46.20 RCW would warrant suspension or revocation of a regular driver's license. The cancellation is effective as of the date of the conviction (~~or administrative action~~), and continues with the same force and effect as any suspension or revocation under this title.

MOTION

On motion of Mr. Armstrong, the House refused to concur in the Senate amendments to House Bill No. 593, and asked the Senate for a conference thereon.

SENATE AMENDMENTS TO HOUSE BILL

April 12, 1985

Mr. Speaker:

The Senate has passed ENGROSSED SECOND SUBSTITUTE HOUSE BILL NO. 627 with the following amendments:

Strike everything after the enacting clause and insert the following:

NEW SECTION. Sec. 1. The creation of a commission to promote competition and research in mental sports such as chess, checkers, bridge, go, scholastic olympiads, and others will provide many benefits to the people of the state. Such a commission will benefit the public by:

(1) Promoting education, competition, and research in mental sports in the common schools and institutions of higher education of the state, as well as among the general public; and

(2) Promoting tourism and economic development through the hosting of regional, national, and international tournaments in mental sports.

The legislature finds that mental sports promote intellectual development and offer the ultimate combination of art, science, and sport.

NEW SECTION. Sec. 2. As used in this chapter:

(1) 'Mental sports' includes chess, checkers, go, bridge, scholastic olympiads, and other nongambling games.

(2) 'Commission' means the mental sports competition and research commission.

NEW SECTION. Sec. 3. (1) There is established the mental sports competition and research commission. The commission consists of five persons appointed by the governor. In making the appointments, the governor shall select one person who is primarily a chess player, one person who is primarily a bridge player, one person who has experience promoting scholastic olympiads, and one person who is primarily a go player.

(2) The members of the commission shall serve terms of four years. However, in making the initial appointments, the governor may provide for staggered terms. Vacancies shall be filled by appointment for the remainder of the unexpired term.

(3) Members of the commission shall not be compensated but shall be reimbursed for travel expenses as provided in RCW 43.03.050 and 43.03.060.

(4) The commission may adopt such rules as may be necessary in the administration of this chapter. The rules shall be adopted under chapter 34.04 RCW.

NEW SECTION. Sec. 4. The commission shall to the maximum extent feasible rely on volunteer labor. The department of commerce and economic development shall provide staff support if necessary.

NEW SECTION. Sec. 5. The commission may solicit, accept, and expend such gifts, grants, and endowments from public and private sources as may be made available to the commission.

NEW SECTION. Sec. 6. (1) The commission may promote and sponsor tournaments in any mental sport. Entry fees and prize funds may be set by the commission with a view toward maximizing public participation and raising revenue for the commission and promotional activities of the commission.

(2) The commission may sponsor exhibitions, lectures, and tournament participation by visiting mental sports masters.

(3) In conducting mental sports tournaments and events, the commission shall consult with and seek the cooperation of local and national mental sports clubs and federations.

NEW SECTION. Sec. 7. By January 12, 1987, the mental sports competition and research commission shall submit to the legislature a report that includes:

(1) A summary of the commission's achievements;

(2) Recommendations on enhancing the status of mental sports within the common schools;

(3) Recommendations on promoting tournaments for the benefit of the general public; and

(4) Recommendations regarding possible future state financial support of the commission.

NEW SECTION. Sec. 8. Sections 1 through 6 of this act shall constitute a new chapter in Title 67 RCW.

NEW SECTION. Sec. 9. The legislature finds that unemployment remains persistently high in Washington. The economy, although diversifying, is shifting to a service-based economy and is still highly vulnerable to fluctuations in the national economy. In fact, unemployment has been

consistently higher than the national average. Washington does not have a long-term economic development policy and has suffered from lack of a long-term plan in its attempt to resolve the economic problems which continue to plague the state.

Washington's economic development effort has not matched the scope of the problem. An essential first step is to establish a public and private consensus on a long-term economic development strategy which recognizes both the competitive position and needs of our key businesses and industries and the need to establish new businesses and industries. A unique partnership between the private and public sectors can attract new businesses and encourage greater investment in Washington state.

NEW SECTION, Sec. 10. There is hereby established the Washington state economic development board, referred to in this chapter as the board. The board is charged with the responsibility for creating a long-term economic development strategy for the state.

NEW SECTION, Sec. 11. The board shall be composed of citizens from both the private and public sectors who are actively engaged in organizations and businesses which support economic expansion and job creation. The board shall be composed as follows:

- (1) The governor;
- (2) Four members of the legislature, including one member from each of the four largest caucuses in the legislature;
- (3) One representative of a manufacturing company employing more than one thousand persons;
- (4) One representative of a manufacturing company employing fewer than one hundred persons;
- (5) One representative of a manufacturing company employing between one hundred and one thousand persons;
- (6) One representative from organized labor;
- (7) One representative from a major financial institution;
- (8) One representative from agriculture;
- (9) One representative from education;
- (10) One representative from the tourism industry;
- (11) One representative from the forest products industry;
- (12) One economic development professional;
- (13) One owner of a women-owned business enterprise certified under chapter 39.19 RCW;
- (14) One owner of a minority-owned business enterprise certified under chapter 39.19 RCW; and
- (15) Five citizens at large.

The director of commerce and economic development, the director of revenue, the director of financial management, and the director of community development shall serve as ex officio members of the board.

The governor shall, within fourteen days of the effective date of this act, appoint all members of the board, except those in subsection (2) of this section who shall be appointed by their respective caucuses. The first meeting of the board shall occur within thirty days of the effective date of this act.

The governor shall serve as the chairperson and shall designate a citizen member to serve as vice-chairperson of the board. Members shall serve four-year terms. Members are subject to dismissal by the governor due to the lack of attendance or contribution. The position of a legislative member shall become vacant if the member ceases to be a member of the legislature. A vacancy in a legislative position shall be filled by the original appointing authority.

The board shall include at least two representatives from each of the state's congressional districts.

The board shall meet regularly and shall create subcommittees as needed to deal with specific issues and concerns. Members shall be reimbursed for travel expenses under RCW 43.03.050 and 43.03.060, except legislative members shall be reimbursed under RCW 44.04.120.

NEW SECTION, Sec. 12. (1) The board shall develop a long-term economic development plan based on a strategic analysis. The objective of the plan shall be to spur new job creation and investment that is consistent with the preservation of the state's quality of life and environment. The board shall submit an initial plan to the governor and the legislature by January 10, 1987, and shall submit revisions to the plan based on continuing analysis and oversight on January 10 of each year thereafter.

(2) The board shall produce a report by January 10, 1986, submitting the report to the governor and the legislature, addressing the following issues:

- (a) Methods of facilitating economic activity and adjustment policies toward distressed communities and to enhance the employment opportunities of the economically disadvantaged;
- (b) Methods of improving the competitive environment by removing unnecessary regulations and other barriers to the development process; and
- (c) Methods of increasing the effectiveness and coordination of existing economic development programs and agencies, state and local.

NEW SECTION, Sec. 13. The board has the following responsibilities and powers:

(1) To secure and encourage substantial private sector, community, and citizen support in the analysis of economic development opportunities and development of specific recommendations for economic growth;

(2) To identify and analyze key traded businesses and industries to determine their potential for expansion, diversification, and production of high value-added goods;

(3) To propose an appropriate state role in new product development, venture capital formation, and research and development;

(4) To evaluate the performance of existing state economic development efforts for consistency and coordination, as well as for their effect on job creation, and to evaluate the long-term benefits to the state of these efforts;

(5) To propose, along with other state, local, and private groups, new methods to increase public and private partnerships to foster economic development efforts;

(6) To develop a long-term economic development strategy based on consensus goals and principles, an in-depth analysis of market opportunities, private sector support and investment, and specific private and public economic development measures which have a substantial potential to increase employment;

(7) To study the key components of the state's business climate as they relate to the long-term development strategy including, but not limited to, education and training, energy, existing environmental conditions, research and development, capital, land, transportation, advanced communications, taxes, and regulations with an analysis of their linkages to the key traded sectors;

(8) To review the various economic development policy recommendations made by other agencies or organizations and recommend to the governor and legislature those strategies, policies and programs it deems to be in the best interest of the state;

(9) To make specific recommendations for the establishment of public-private cooperative efforts in economic development and state-local cooperative efforts including but not limited to the need for establishing formal working relationships, whether by contract or otherwise, for purposes of engaging in joint, cooperative economic development activities;

(10) To cooperate with and secure the cooperation of any department, agency, or instrumentality in state, county, and city government, and other associations affected by or concerned with the business of the commission; and

(11) To accept gifts and grants upon such terms as the board may deem proper.

NEW SECTION. Sec. 14. The board may employ such staff as it requires and may contract for services as it deems necessary in order to carry out its duties and responsibilities. The governor and the legislature may provide additional staff and facilities as may be reasonably required to assist the board in carrying out its duties and responsibilities.

NEW SECTION. Sec. 15. Sections 9 through 14 of this act shall constitute a new chapter in Title 43 RCW.

NEW SECTION. Sec. 16. The board shall implement sections 9 through 14 of this act only to the extent that funds are available.

NEW SECTION. Sec. 17. (1) Economic development and in particular international trade, tourism, and investment have become increasingly important to Washington, affecting the state's employment, revenues, and general economic well-being. Additionally, economic trends are rapidly changing and the international marketplace has become increasingly competitive as states and countries seek to improve and safeguard their own economic well-being. The purpose of the legislative committee on economic development is to provide responsive and consistent involvement by the legislature in economic development to maintain a healthy state economy and to provide employment opportunities to Washington residents.

(2) There is created a legislative committee on economic development which shall consist of six senators and six representatives from the legislature and the lieutenant governor who shall serve as chairperson. The senate members of the committee shall be appointed by the president of the senate and the house members of the committee shall be appointed by the speaker of the house. Not more than three members from each house shall be from the same political party. A list of appointees shall be submitted before the close of each regular legislative session during an odd-numbered year or any successive special session convened by the governor or the legislature prior to the close of such regular session or successive special session(s) for confirmation of senate members, by the senate, and house members, by the house. Vacancies occurring shall be filled by the appointing authority.

NEW SECTION. Sec. 18. The committee shall by majority vote establish subcommittees, and prescribe rules of procedure for itself and its subcommittees which are consistent with this chapter. The committee shall at a minimum establish a subcommittee on international trade and a subcommittee on industrial development.

NEW SECTION. Sec. 19. The committee or its subcommittees are authorized to study and review economic development issues with special emphasis on international trade, tourism, investment, and industrial development, and to assist the legislature in developing a comprehensive and consistent economic development policy. The issues under review by the committee shall include, but not be limited to:

(1) Evaluating existing state policies, laws, and programs which promote or affect economic development with special emphasis on those concerning international trade, tourism, and investment and determine their cost-effectiveness and level of cooperation with other public and private agencies.

(2) Monitoring economic trends, and developing for review by the legislature such appropriate state responses as may be deemed effective and appropriate.

(3) Monitoring economic development policies and programs of other states and nations and evaluating their effectiveness.

(4) Determining the economic impact of international trade, tourism, and investment upon the state's economy.

(5) Assessing the need for and effect of federal, regional, and state cooperation in economic development policies and programs.

(6) Developing and evaluating legislative proposals concerning the issues specified in this section.

NEW SECTION. Sec. 20. The committee shall receive the necessary staff support from both the senate and house staff resources.

NEW SECTION. Sec. 21. The members of the committee shall serve without additional compensation, but shall be reimbursed for their travel expenses, in accordance with RCW 44.04.120, incurred while attending sessions of the committee or meetings of any subcommittee of the committee, while engaged on other committee business authorized by the committee, and while going to and coming from committee sessions or committee meetings.

NEW SECTION. Sec. 22. All expenses incurred by the committee, including salaries and expenses of employees, shall be paid upon voucher forms as provided by the auditor and signed by the chairperson or vice chairperson of the committee and attested by the secretary of the committee, and the authority of the chairperson and secretary to sign vouchers shall continue until their successors are selected after each ensuing session of the legislature. Vouchers may be drawn on funds appropriated generally by the legislature for legislative expenses or upon any special appropriation which may be provided by the legislature for the expenses of the committee or both.

NEW SECTION. Sec. 23. The committee shall cooperate, act, and function with legislative committees, executive agencies, and with the councils or committees of other states similar to this committee and with other interstate research organizations.

NEW SECTION. Sec. 24. Sections 17 through 23 of this act shall constitute a new chapter in Title 44 RCW.

NEW SECTION. Sec. 25. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

NEW SECTION. Sec. 26. This act is necessary for the immediate preservation of the public peace, health, and safety, the support of the state government and its existing public institutions, and shall take effect July 1, 1985."

POINT OF ORDER

Mr. Appelwick: "Mr. Speaker, I believe we have already acted affirmatively on the sections affected. I would ask the Speaker to rule on whether or not this amendment is proper under Reed's Rule 143."

SPEAKER'S RULING

The Speaker: "The Speaker has examined Reed's Rule 143, which reads: 'If the motion to strike out and insert prevails, then the words inserted, or any of them, can not be stricken out.' We have dealt with the measure in the amendment by Representative Bristow and others, and in the manner which was described in Rule 143, the Speaker finds your point is well taken; the amendment is out of order."

POINT OF ORDER

Mr. Barrett: "Mr. Speaker, I would like to point out--continuing from where you were reading--and ask if you would consider the next paragraph which says: 'This, however, does not preclude the insertion of the same with other words, or a

part of the same words with others, or to strike out the same words with others....' I would ask you to consider that paragraph, Mr. Speaker, in making this ruling."

SPEAKER'S RULING

The Speaker: "The Speaker has examined that and has indicated that the amendment does strike out some of the same words as the previous amendment which we adopted. Based on that, the Speaker has found the amendment out of order."

Mr. Locke moved adoption of the following amendment by Representatives Locke, Wineberry, Tilly, Jacobsen, Zellinsky, D. Nelson, Grimm, Dellwo, Hine, Nutley, Braddock and Allen to the committee amendment:

On page 16, line 35 after "1985." insert:

NEW SECTION. Sec. 12. A new section is added to chapter 82.04 RCW to read as follows:

For the purposes of this chapter, 'monetized bullion' shall not mean or include coins or other forms of money (a) manufactured from gold, silver or other metals, and (b) heretofore, now or hereafter used or sold as a medium of exchange under the laws of this state, the United States of America or any foreign nation, by any nation which practices or has an official policy of apartheid."

POINT OF ORDER

Mr. Barrett: "Mr. Speaker, based on your prior ruling, I would now ask you to consider whether or not this amendment is properly before us."

SPEAKER'S RULING

The Speaker: "Representative Barrett, if you notice that the amendment by Representative Bristow covers from page 1, after line 5 through page 16, line 35. Representative Taylor's amendment, which I ruled out of the scope and object, dealt with the same language. This amendment begins on page 16, line 35, after the language that was objected to. It does not deal with the same section and the same words. Your point is not well taken."

Representatives Locke, Wineberry, D. Nelson and Jacobsen spoke in favor of the amendment to the amendment, and Representatives S. Wilson, R. King, Barrett, Dobbs and Patrick opposed it.

Mr. Crane demanded the previous question and the demand was sustained.

POINT OF INQUIRY

Mr. Hargrove yielded to question by Mr. D. Nelson.

Mr. D. Nelson: "Representative Hargrove, the definition of 'distressed area' intrigues me. It says, '... any county which exceeds the state-wide average annual unemployment rate and any city with the population of 40,000 or less within such county....' Would that apply even though the unemployment rate were to drop, for example, to one percent and the city had a 1.1% unemployment rate and the county had a 1.1 unemployment rate, would this fifty percent tax exemption be available?"

Mr. Hargrove: "It says it would have to have the distressed area qualification of the high unemployment rate and a city with a population of 40,000 or less with

those other criteria. If those other criteria are being met, then I would assume it would; however, if the unemployment rate was that low we probably wouldn't have a revenue problem at all."

Mr. D. Nelson spoke against the amendment to the amendment.

A division was called.

MESSAGE FROM THE SENATE

April 19, 1985

Mr. Speaker:

The Senate has failed to pass:

SUBSTITUTE HOUSE BILL NO. 112,
 HOUSE BILL NO. 151.

Bill Gleason, Assistant Secretary.

SPEAKER'S RULING

The Speaker: "Representative Padden, as to your question on scope and object of the Senate amendments to House Bill 1010, the Speaker has examined the original bill which relates to the publication of the session laws of the State of Washington. I have examined the Senate amendment. The Senate amendment provides for a legislative systems committee to oversee the direction and the information process and communications systems of the legislature. The Speaker finds that the Senate amendment is outside the scope and object of the bill. Therefore, the bill is referred to the committee house of origin, which is to the Committee on Ways and Means. Your point is well taken."

SENATE AMENDMENTS TO HOUSE BILL

April 12, 1985

Mr. Speaker:

The Senate has passed ENGROSSED SUBSTITUTE HOUSE BILL NO. 461 with following amendments:

Strike everything after the enacting clause and insert the following:

***PUBLIC WORKS**

NEW SECTION, Sec. 1. LEGISLATIVE FINDINGS AND POLICY. The legislature finds that there exists in the state of Washington over four billion dollars worth of critical projects for the planning, acquisition, construction, repair, replacement, rehabilitation, or improvement of streets and roads, bridges, water systems, and storm and sanitary sewage systems. The December, 1983 Washington state public works report prepared by the planning and community affairs agency documented that local governments expect to be capable of financing over two billion dollars worth of the costs of those critical projects but will not be able to fund nearly half of the documented needs. It is the policy of the state of Washington to encourage self-reliance by local governments in meeting their public works needs and to assist in the financing of critical public works projects by making loans, financing guarantees, and technical assistance available to local governments for these projects.

NEW SECTION, Sec. 2. DEFINITIONS. Unless the context clearly requires otherwise, the definitions in this section shall apply throughout this chapter.

(1) 'Board' means the community economic revitalization board as created by chapter 43.160 RCW.

(2) 'Public works subcommittee' means the subcommittee created by section 12 of this act.

(3) 'Department' means the department of community development.

(4) 'Financing guarantees' means the pledge of money in the public works assistance account, or money to be received by the public works assistance account, to the repayment of all or a portion of the principal of or interest on obligations issued by local governments to finance public works projects.

(5) 'Local governments' means cities, towns, counties, special purpose districts, and any other municipal corporations or quasi-municipal corporations in the state excluding school districts and port districts.

(6) 'Public works project' means a project of a local government for the planning, acquisition, construction, repair, reconstruction, replacement, rehabilitation, or improvement of streets and roads, bridges, water systems, or storm and sanitary sewage systems.

(7) 'Technical assistance' means training and other services provided to local governments to (a) help such local governments plan, apply, and qualify for loans and financing guarantees from the board and (b) help local governments improve their ability to plan for, finance, acquire, construct, repair, replace, rehabilitate, and maintain public facilities.

NEW SECTION, Sec. 3. GENERAL POWERS OF THE BOARD. For the purpose of implementing this chapter, the board may:

(1) Accept from any state or federal agency, loans or grants for the planning or financing of any public works project and enter into agreements with any such agency concerning the loans or grants;

(2) Provide technical assistance to local governments;

(3) Accept any gifts, grants, or loans of funds, property, or financial or other aid in any form from any other source on any terms and conditions which are not in conflict with this chapter;

(4) Adopt rules under chapter 34.04 RCW as necessary to carry out the purposes of this chapter;

(5) Delegate to the public works subcommittee of the board, by rule, any of its powers under this chapter; and

(6) Do all acts and things necessary or convenient to carry out the powers expressly granted or implied under this chapter.

NEW SECTION, Sec. 4. PUBLIC WORKS FINANCING POWERS. In order to aid the financing of public works projects, the board may:

(1) Make low-interest or interest-free loans to local governments from the public works assistance account or other funds and accounts for the purpose of assisting local governments in financing public works projects. The board may require such terms and conditions and may charge such rates of interest on its loans as it deems necessary or convenient to carry out the purposes of this chapter. Money received from local governments in repayment of loans made under this section shall be paid into the public works assistance account for uses consistent with this chapter.

(2) Pledge money in the public works assistance account, or money to be received by the public works assistance account, to the repayment of all or a portion of the principal of or interest on obligations issued by local governments to finance public works projects. The board shall not pledge any amount greater than the sum of money in the public works assistance account plus money to be received from the payment of the debt service on loans made from

that account, nor shall the board pledge the faith and credit or the taxing power of the state or any agency or subdivision thereof to the repayment of obligations issued by any local government.

(3) Create such subaccounts in the public works assistance account as the board deems necessary to carry out the purposes of this chapter.

(4) Provide a method for the allocation of loans and financing guarantees and the provision of technical assistance under this chapter which shall be based on the recommendations of the public works subcommittee.

All local public works projects aided in whole or in part under the provisions of this chapter shall be put out for competitive bids. The competitive bids called for shall be administered in the same manner as all other public works projects put out for competitive bidding by the local governmental entity aided under this chapter.

NEW SECTION. Sec. 5. PRIORITIES FOR LOANS AND PLEDGES. The board shall set up a system of priorities it will use in making loans and providing financial guarantees and technical assistance under this chapter. Top priority will be given to (1) projects of local governments that have developed and implemented a financial plan to assure the continued funding for the repair and maintenance of existing public works; (2) projects of local governments that are contributing substantial local funds, but distressed areas with high unemployment may have a lower contribution requirement; and (3) projects that involve existing public works as defined in section 2(6) of this act. Additional factors to be considered include:

(a) The level of need of state assistance to each local government receiving such assistance;

(b) Public works projects that serve a number of communities or are funded by two or more local governments to share the costs of the assisted public works projects;

(c) The health and safety needs for particular public works projects proposed for assistance;

(d) The occurrence of natural disasters that create the need for assistance for public works projects;

(e) The existence of federal and state projects that create the need for assistance for public works projects;

(f) The need in a community to attract new employers, expand existing employers, or otherwise and the need for economic development and recognition of such need by the department of commerce and economic development which results in a community economic revitalization board allocation; and

(g) Such other criteria as the board deems appropriate.

In issuing rules setting forth the method of weighing the criteria set forth in this section, and selecting public works projects for assistance, the board shall endeavor to provide clear and understandable rules that will indicate to local governments the likelihood of receiving assistance from the board on particular public works projects. In adopting these rules the board shall consider the recommendations of the public works subcommittee.

NEW SECTION. Sec. 6. RECORDS, AUDITS, AND REPORTS. The board and the public works subcommittee shall keep proper records of accounts and shall be subject to audit by the state auditor. Annual reports on the activities of the board and the public works subcommittee in implementing this chapter shall be made by the department to the governor and the legislature at the start of each annual legislative session.

NEW SECTION. Sec. 7. REPEALER. The following acts or parts of acts are each repealed:

(1) Section 1, chapter 244, Laws of 1984 and RCW 43.63A.200;

(2) Section 2, chapter 244, Laws of 1984 and RCW 43.79.450; and

(3) Section 3, chapter 244, Laws of 1984 and RCW 43.79.452.

NEW SECTION. Sec. 8. CAPTIONS. As used in this act, section captions constitute no part of the law.

NEW SECTION. Sec. 9. CODIFICATION. Sections 1 through 6 of this act shall constitute a new chapter in Title 43 RCW.

PRIVATE ACTIVITY BONDS

NEW SECTION, Sec. 14. LEGISLATIVE FINDINGS AND POLICY. The federal deficit reduction act of 1984 imposes an annual ceiling on the aggregate amount of federally tax-exempt private activity bonds, including student loan bonds, industrial development bonds, and certain government activity bonds, that may be issued during any calendar year by or on behalf of states and their political subdivisions. The deficit reduction act of 1984 provides a formula for allocating the annual ceiling among various issuers of private activity bonds within a state, but permits each state to enact a different allocation method that is appropriate to that state's needs. The purpose of this chapter is to provide a flexible and efficient method of allocating the state ceiling in Washington in a manner that recognizes the need of the state and its political subdivisions to finance public improvements which are owned by those public entities and also promotes industrial and economic development, encourages private investment, and assists students seeking financial aid.

(6) 'Code' means the federal internal revenue code as it exists, with amendments, on the effective date of this act. It also means the code as amended after the effective date of this act, but only if the amendments are approved by the board as provided in section 19 of this act.

Advanced allocations shall be deemed to have been received by issuers on January 1 of the year for which they are granted in each year, and in the order they were granted. Any advanced allocation shall be contingent on the existence of available state ceiling. Such advanced allocations shall be considered received before any new allocations are made in a given year.

(3) In December of any year, if the board finds that it is reasonably likely that a portion of the state ceiling otherwise would not be consumed, the board, in its discretion, may grant an allocation of the state ceiling to an issuer for financing of a specific project and waive the requirements under section 17(5) of this act that bonds be issued within ninety days after mailing of the director's allocation confirmation or notice of allocation. SENATE AMENDMENTS TO HOUSE BILL

April 18, 1985

Mr. Speaker:

The Senate has passed SUBSTITUTE HOUSE BILL NO. 625 with following amendments:

Strike everything after the enacting clause and insert the following:

NEW SECTION. Sec. 1. The legislature of the state of Washington finds that economic development is an essential public purpose which requires the active involvement of state government. The state's primary economic strategy is to encourage the retention and expansion of existing businesses, to attract new businesses and industries, and to foster the formation of new businesses. In order to aid the citizens of Washington to obtain desirable employment and achieve adequate incomes, it is necessary for the state to encourage and promote a more diversified and healthy economy.

The legislature finds that the state needs to improve its level of employment, business activity, and revenue growth. In order to increase job opportunities and revenues, a broader and more stable economic base is needed. The state shall take primary responsibility to encourage the balanced growth of the economy consistent with the preservation of Washington's quality of life and environment. A healthy economy can be achieved through partnership efforts with the private sector to facilitate increased investment in Washington. It is the policy of the state of Washington to encourage and promote an economic development program that provides sufficient employment opportunities for our current resident work force and those individuals who will enter the state's work force in the future.

The legislature finds that the state of Washington has the potential to become a major world trade gateway. In order for Washington to fulfill its potential and compete successfully with other states and provinces, it must articulate a consistent, long-term trade policy. It is the responsibility of the state to monitor and ensure that such traditional functions of state government as transportation, infrastructure, education, taxation, regulation and public expenditures contribute to the international trade focus the state of Washington must develop.

NEW SECTION. Sec. 2. There is established a department of state government to be known as the department of trade and economic development. The department shall be vested with all powers and duties authorized under this chapter and such other powers and duties as may be provided by law.

NEW SECTION. Sec. 3. As used in this chapter, unless the context indicates otherwise:

- (1) 'Department' means the department of trade and economic development.

NEW SECTION. Sec. 4. ECONOMIC DEVELOPMENT COORDINATION AND COOPERATION. The department shall pursue a coordinated approach for the state's economic development policies and programs to achieve a more diversified and healthy economy. The department shall support and work cooperatively with other state agencies, public and private organizations, and units of local government, as well as the federal government, to strengthen and coordinate economic development programs in the state. SENATE AMENDMENT TO HOUSE BILL

April 18, 1985

Mr. Speaker:

The Senate has passed ENGROSSED SUBSTITUTE HOUSE BILL NO. 804 with the following amendment:

Strike everything after the enacting clause and insert the following:

"Sec. 1. Section 1, chapter 134, Laws of 1969 ex. sess. as last amended by section 1, chapter 123, Laws of 1984 and RCW 70.95.010 are each amended to read as follows:

The legislature finds:

(1) Continuing technological changes in methods of manufacture, packaging, and marketing of consumer products, together with the economic and population growth of this state,

the rising affluence of its citizens, and its expanding industrial activity have created new and ever-mounting problems involving disposal of garbage, refuse, and solid waste materials resulting from domestic, agricultural, and industrial activities.

(2) Traditional methods of disposing of solid wastes in this state are no longer adequate to meet the ever-increasing problem. Improper methods and practices of handling and disposal of solid wastes pollute our land, air and water resources, blight our countryside, adversely affect land values, and damage the overall quality of our environment.

(3) Considerations of natural resource limitations, energy shortages, economics and the environment make necessary the development and implementation of solid waste recovery and/or recycling plans and programs.

(4) The following priorities in the management of solid waste are necessary and should be followed in order of descending priority as applicable:

- (a) Waste reduction;
- (b) Waste recycling;
- (c) Energy recovery or incineration; and
- (d) Landfill.

(5) There is an imperative need to anticipate, plan for, and accomplish effective storage, control, recovery, and recycling of discarded vehicle tires with the subsequent conservation of resources and energy.

Sec. 2. Section 2, chapter 134, Laws of 1969 ex. sess. as amended by section 2, chapter 41, Laws of 1975-76 2nd ex. sess. and RCW 70.95.020 are each amended to read as follows:

The purpose of this chapter is to establish a comprehensive state-wide program for solid waste handling, and solid waste recovery and/or recycling which will prevent land, air, and water pollution and conserve the natural, economic, and energy resources of this state. To this end it is the purpose of this chapter:

(1) To assign primary responsibility for adequate solid waste handling to local government, reserving to the state, however, those functions necessary to assure effective programs throughout the state;

(2) To provide for adequate planning for solid waste handling by local government;

(3) To provide for the adoption and enforcement of basic minimum performance standards for solid waste handling;

(4) To provide technical and financial assistance to local governments in the planning, development, and conduct of solid waste handling programs;

(5) To encourage storage, proper disposal, and recycling of discarded vehicle tires and to stimulate private recycling programs throughout the state.

It is the intent of the legislature that local governments be encouraged to use the expertise of private industry and to contract with private industry to the fullest extent possible to carry out solid waste recovery and/or recycling programs.

Sec. 3. Section 3, chapter 134, Laws of 1969 ex. sess. as last amended by section 2, chapter 123, Laws of 1984 and RCW 70.95.030 are each amended to read as follows:

As used in this chapter, unless the context indicates otherwise:

(1) 'City' means every incorporated city and town.

(2) 'Committee' means the solid waste advisory committee.

(3) 'Department' means the department of ecology.

(4) 'Director' means the director of the department of ecology.

(5) 'Disposal site' means the location where any final treatment, utilization, processing, or depository of solid waste occurs.

(6) 'Functional standards' means criteria for solid waste handling expressed in terms of expected performance or solid waste handling functions.

(7) 'Jurisdictional health department' means city, county, city-county, or district public health department.

(8) 'Person' means individual, firm, association, copartnership, political subdivision, government agency, municipality, industry, public or private corporation, or any other entity whatsoever.

(9) 'Solid waste' means all putrescible and nonputrescible solid and semisolid wastes including, but not limited to, garbage, rubbish, ashes, industrial wastes, swill, demolition and construction wastes, abandoned vehicles or parts thereof, and discarded commodities.

(10) 'Solid waste handling' means the management, storage, collection, transportation, treatment, utilization, processing, and final disposal of solid wastes, including the recovery and recycling of materials from solid wastes, the recovery of energy resources from such wastes or the conversion of the energy in such wastes to more useful forms or combinations thereof.

(11) 'Waste reduction' means reducing the amount or type of waste generated.

(12) 'Waste recycling' means reusing waste materials and extracting valuable materials from a waste stream.

(13) 'Energy recovery or incineration' means reducing the volume of wastes by use of an enclosed device using controlled flame combustion.

(14) 'Landfill' means a disposal facility or part of a facility at which waste is placed in or on land and which is not a land treatment facility.

(15) 'Vehicle' includes every device capable of being moved upon a public highway and in, upon, or by which any person or property is or may be transported or drawn upon a public highway, except devices moved by human or animal power or used exclusively upon stationary rails or tracks.

NEW SECTION. Sec. 4. (1) No person may drop, deposit, discard, or otherwise dispose of vehicle tires on any public property or private property in this state or in the waters of this state whether from a vehicle or otherwise, including, but not limited to, any public highway, public park, beach, campground, forest land, recreational area, trailer park, highway, road, street, or alley unless:

(a) The property is designated by the state, or by any of its agencies or political subdivisions, for the disposal of discarded vehicle tires; and

(b) The person is authorized to use the property for such purpose.

(2) A violation of this section is punishable by a civil penalty, which shall not be less than two hundred dollars nor more than two thousand dollars for each offense.

(3) This section does not apply to the storage or deposit of vehicle tires in quantities deemed exempt under rules adopted by the department of ecology under its functional standards for solid waste.

NEW SECTION. Sec. 5. There is levied and there shall be collected by the department of revenue from every person engaging within this state in business making retail sales of new replacement vehicle tires, an annual assessment equal to the gross proceeds of the sales of new replacement vehicle tires sold within this state, multiplied by twelve hundredths of one percent. All of the applicable provisions of chapter 82.32 RCW have full force and application with respect to taxes imposed under this section. For the purposes of this section, 'new replacement vehicle tires' means tires that are newly manufactured for vehicle purposes and does not include retreaded vehicle tires.

NEW SECTION. Sec. 6. There is created an account within the state treasury to be known as the vehicle tire recycling account. All assessments and other funds collected or received under this chapter shall be deposited in the vehicle tire recycling account and used for the administration and implementation of this chapter as provided by section 7 of this act.

NEW SECTION. Sec. 7. Moneys in the account may be appropriated to the department of ecology:

(1) To provide for funding to state and local governments for the removal of discarded vehicle tires from unauthorized tire dump sites; and

(2) To accomplish the other purposes of RCW 70.95.020(5).

Sec. 8. Section 26, chapter 134, Laws of 1969 ex. sess. and RCW 70.95.260 are each amended to read as follows:

The department shall in addition to its other powers and duties:

(1) Cooperate with the appropriate federal, state, interstate and local units of government and with appropriate private organizations in carrying out the provisions of this chapter.

(2) Coordinate the development of a solid waste management plan for all areas of the state in cooperation with local government, the ~~((planning and community affairs agency or its successor))~~ department of community development, and other appropriate state and regional agencies. The plan shall relate to solid waste management for twenty years in the future and shall be reviewed biennially, revised as necessary, and extended so that perpetually the plan shall look to the future for twenty years as a guide in carrying out a state coordinated solid waste management program.

(3) Provide technical assistance to any person as well as to cities, counties, and industries.

(4) Initiate, conduct, and support research, demonstration projects, and investigations, and coordinate research programs pertaining to solid waste management systems.

(5) Develop state-wide programs to increase public awareness of and participation in tire recycling, and to stimulate and encourage local private tire recycling centers and public participation in tire recycling.

(6) May, under the provisions of the Administrative Procedure Act, chapter 34.04 RCW, as now or hereafter amended, from time to time promulgate such rules and regulations as are necessary to carry out the purposes of this chapter.

NEW SECTION. Sec. 9. To aid in the state-wide tire recycling campaign, the legislature strongly encourages various industry organizations which are active in resource recycling efforts to provide active cooperation with the department of ecology so that additional technology can be developed for the tire recycling campaign.

NEW SECTION. Sec. 10. Sections 4 through 7 and 9 of this act are each added to chapter 70.95 RCW.

NEW SECTION. Sec. 11. The department of ecology shall submit a report to the appropriate committees of the legislature by January 1, 1987, on the implementation of sections 4 through 7 and 9 of this act."

SENATE AMENDMENT TO HOUSE BILL

April 15, 1985

Mr. Speaker:

The Senate has passed ENGROSSED SUBSTITUTE HOUSE BILL NO. 62 with the following amendment:

Strike everything after the enacting clause and insert the following:

PART I

WASHINGTON CLEAN INDOOR AIR ACT

NEW SECTION, Sec. 1. The legislature recognizes the increasing evidence that tobacco smoke in closely confined places may create a danger to the health of some citizens of this state. In order to protect the health and welfare of those citizens, it is necessary to prohibit smoking in public places except in areas designated as smoking areas.

NEW SECTION, Sec. 2. As used in this chapter, the following terms have the meanings indicated unless the context clearly indicates otherwise.

(1) 'Smoke' or 'smoking' means the carrying or smoking of any kind of lighted pipe, cigar, cigarette, or any other lighted smoking equipment.

(2) 'Public place' means that portion of any building or vehicle used by and open to the public, regardless of whether the building or vehicle is owned in whole or in part by private persons or entities, the state of Washington, or other public entity, and regardless of whether a fee is charged for admission.

Public places include, but are not limited to: Elevators, public conveyances or transportation facilities, museums, concert halls, theaters, auditoriums, exhibition halls, indoor sports arenas, hospitals, nursing homes, health care facilities or clinics, enclosed shopping centers, retail stores, retail service establishments, financial institutions, educational facilities, ticket areas, public hearing facilities, state legislative chambers and immediately adjacent hallways, public restrooms, libraries, restaurants, waiting areas, lobbies, and reception areas. A public place does not include a private residence. This chapter is not intended to restrict smoking in private facilities which are occasionally open to the public except upon the occasions when the facility is open to the public.

(3) 'Restaurant' means any building, structure, or area used, maintained, or advertised as, or held out to the public to be, an enclosure where meals are made available to be consumed on the premises, for consideration of payment.

NEW SECTION, Sec. 3. No person may smoke in a public place except in designated smoking areas.

NEW SECTION, Sec. 4. (1) A smoking area may be designated in a public place by the owner or, in the case of a leased or rented space, by the lessee or other person in charge except in:

(a) Elevators; buses, except for private hire; streetcars; taxis, except those clearly and visibly designated by the owner to permit smoking; public areas of retail stores and lobbies of financial institutions; office reception areas and waiting rooms of any building owned or leased by the state of Washington or by any city, county, or other municipality in the state of Washington; museums; public meetings or hearings; classrooms and lecture halls of schools, colleges, and universities; and the seating areas and aisle ways which are contiguous to seating areas of concert halls, theaters, auditoriums, exhibition halls, and indoor sports arenas; and

(b) Hallways of health care facilities, with the exception of nursing homes, and lobbies of concert halls, theaters, auditoriums, exhibition halls, and indoor sports arenas, if the area is not physically separated. Owners or other persons in charge are not required to incur any expense to make structural or other physical modifications in providing these areas.

Except as provided in other provisions of this chapter, no public place, other than a bar, tavern, bowling alley, tobacco shop, or restaurant, may be designated as a smoking area in its entirety. If a bar, tobacco shop, or restaurant is designated as a smoking area in its entirety, this designation shall be posted conspicuously on all entrances normally used by the public.

(2) Where smoking areas are designated, existing physical barriers and ventilation systems shall be used to minimize the toxic effect of smoke in adjacent nonsmoking areas.

(3) Managers of restaurants who choose to provide smoking areas shall designate an adequate amount of seating to meet the demands of restaurant patrons who wish to smoke. Owners of restaurants are not required to incur any expense to make structural or other physical modifications in providing these areas. Restaurant patrons shall be informed that separate smoking and nonsmoking sections are available.

(4) Except as otherwise provided in this chapter, a facility or area may be designated in its entirety as a nonsmoking area by the owner or other person in charge.

NEW SECTION. Sec. 5. Owners, or in the case of a leased or rented space the lessee or other person in charge, of a place regulated under this chapter shall make every reasonable effort to prohibit smoking in public places by posting signs prohibiting or permitting smoking as appropriate under this chapter. Signs shall be posted conspicuously at each building entrance. In the case of retail stores and retail service establishments, signs shall be posted conspicuously at each entrance and in prominent locations throughout the place. The boundary between a nonsmoking area and a smoking permitted area shall be clearly designated so that persons may differentiate between the two areas.

NEW SECTION. Sec. 6. This chapter is not intended to regulate smoking in a private enclosed workplace, within a public place, even though such workplace may be visited by nonsmokers, excepting places in which smoking is prohibited by the state fire marshal or by other law, ordinance, or regulation.

NEW SECTION. Sec. 7. (1) Any person intentionally violating this chapter by smoking in a public place not designated as a smoking area or any person removing, defacing, or destroying a sign required by this chapter is subject to a civil fine of up to one hundred dollars. Local law enforcement agencies shall enforce this section by issuing a notice of infraction to be assessed in the same manner as traffic infractions. The provisions contained in chapter 46.63 RCW for the disposition of traffic infractions apply to the disposition of infractions for violation of this subsection except as follows:

(a) The provisions in chapter 46.63 RCW relating to the provision of records to the department of licensing in accordance with RCW 46.20.270 are not applicable to this chapter; and

(b) The provisions in chapter 46.63 RCW relating to the imposition of sanctions against a person's driver's license or vehicle license are not applicable to this chapter.

The form for the notice of infraction for a violation of this subsection shall be prescribed by rule of the supreme court.

(2) When violations of section 4 or 5 of this act occur, a warning shall first be given to the owner or other person in charge. Any subsequent violation is subject to a civil fine of up to one hundred dollars. Each day upon which a violation occurs or is permitted to continue constitutes a separate violation.

(3) Local fire departments or fire districts shall enforce section 4 or 5 of this act regarding the duties of owners or persons in control of public places, and local health departments shall enforce section 4 or 5 of this act regarding the duties of owners of restaurants by either of the following actions:

(a) Serving notice requiring the correction of any violation; or

(b) Calling upon the city or town attorney or county prosecutor to maintain an action for an injunction to enforce sections 4 and 5 of this act, to correct a violation, and to assess and recover a civil penalty for the violation.

NEW SECTION. Sec. 8. Any penalty assessed and recovered in an action brought under this chapter shall be paid to the city or county bringing the action.

NEW SECTION. Sec. 9. Local fire departments or fire districts and local health departments may adopt regulations as required to implement this chapter.

NEW SECTION. Sec. 10. This chapter shall be known as the Washington clean indoor air act.

NEW SECTION. Sec. 11. Sections 1 through 10 of this act shall constitute a new chapter in Title 70 RCW.

and the same is herewith transmitted.

Sidney R. Snyder, Secretary.

SENATE AMENDMENTS TO HOUSE BILL

April 12, 1985

Mr. Speaker:

The Senate has passed SUBSTITUTE HOUSE BILL NO. 68 with the following amendments:

Strike everything after the enacting clause and insert the following:

***NEW SECTION.** Sec. 1. The legislature finds that certain practices in storing human remains and in performing cremations violate common notions of decency and generally held expectations. In enacting this legislation, the legislature is reaffirming that certain practices, which have never been acceptable, violate principles of human dignity.

NEW SECTION. Sec. 2. If embalming services are not desired nor required for the type of arrangements chosen by the authorized family member or representative and a refrigeration unit is unavailable for use, embalming services shall be provided without charge in instances where the body is to be held more than twenty-four hours.

NEW SECTION. Sec. 3. (1) A person authorized to dispose of human remains shall not cremate or cause to be cremated more than one body at a time unless written permission, after full and adequate disclosure regarding the manner of cremation, has been received from the person or persons under RCW 68.08.160 having the authority to order cremation.

(2) Violation of this section is a gross misdemeanor.

NEW SECTION. Sec. 4. A new section is added to chapter 68.05 RCW to read as follows:

A permit or endorsement issued by the cemetery board or under chapter 18.39 RCW is required in order to operate a crematory or conduct a cremation. Notwithstanding the above prohibition a licensee may embalm without such authority when after due diligence no authorized person can be contacted and embalming is in accordance with legal or accepted standards of care in the community, or the licensee has good reason to believe that the family wishes embalming. If embalming is performed under these circumstances, the licensee shall not be deemed to be in violation of the provisions of this subsection.

The funeral director or embalmer shall inform the family member or representative of the deceased that embalming is not required by state law, except that embalming is required under certain conditions as determined by rule by the state board of health.

(2) Any person authorized to dispose of human remains shall refrigerate or embalm the body within twenty-four hours upon receipt of the body, unless disposition of the body has been made. However, subsection (1) of this section and RCW 68.08.108 shall be complied with before a body is embalmed. Upon written authorization of the proper state or local authority, the provisions of this subsection may be waived for a specified period of time.

Violation of this subsection is a gross misdemeanor.

Sec. 6. Section 9, chapter 93, Laws of 1977 ex. sess. as last amended by section 34, chapter 287, Laws of 1984 and RCW 18.39.175 are each amended to read as follows:

(iii) Solicitation of human dead bodies by the licensee, his agents, assistants or employees, whether the solicitation occurs after death or while death is impending. This chapter does not prohibit general advertising or the sale of pre-need funeral plans;

(iv) Employment by the licensee of persons known as 'cappers,' 'steerers,' or 'solicitors' or other persons to obtain funeral directing or embalming business;

(v) Employment directly or indirectly of any person for the purpose of calling upon individuals or institutions by whose influence dead human bodies may be turned over to a particular funeral director or embalmer;

(2) The employee has caused to be instituted any proceedings under or related to section 12 of this act.

(3) The employee has testified or is about to testify in any such proceedings.

(4) The employee has discussed or consulted with anyone concerning the employee's rights under this chapter.

NEW SECTION. Sec. 14. A new section is added to chapter 19.30 RCW to read as follows:

Any person who knowingly uses the services of an unlicensed farm labor contractor shall be personally, jointly, and severally liable with the person acting as a farm labor contractor to the same extent and in the same manner as provided in this chapter. In making determinations under this subsection, any user may rely upon either the license issued by the director to the farm labor contractor under section 3 of this act or the director's representation that such contractor is licensed as required by this chapter.

NEW SECTION. Sec. 15. A new section is added to chapter 19.30 RCW to read as follows:

(1) In addition to any criminal penalty imposed under RCW 19.30.150, the director may assess against any person who violates this chapter, or any rule adopted under this chapter, a civil penalty of not more than one thousand dollars for each violation.

(2) The person shall be afforded the opportunity for a hearing, upon request to the director made within thirty days after the date of issuance of the notice of assessment. The hearing shall be conducted in accordance with chapter 34.04 RCW.

(3) If any person fails to pay an assessment after it has become a final and unappealable order, or after the court has entered final judgment in favor of the agency, the director shall refer the matter to the state attorney general, who shall recover the amount assessed by action in the appropriate superior court. In such action, the validity and appropriateness of the final order imposing the penalty shall not be subject to review.

(4) Without regard to any other remedy otherwise provided in this chapter, the director may bring suit upon the surety bond filed by the farm labor contractor on behalf of any worker whose rights under this chapter have been violated by the contractor. Such action may be commenced in any court of competent jurisdiction. In any such action, the notice and service requirements set forth in section 16(3) of this act shall be complied with.

NEW SECTION. Sec. 16. A new section is added to chapter 19.30 RCW to read as follows:

(1) After filing a notice of a claim with the director, in addition to any other penalty provided by law, any person aggrieved by a violation of this chapter or any rule adopted under this chapter may bring suit in any court of competent jurisdiction of the county in which the claim arose, or in which either the plaintiff or respondent resides, without regard to the amount in controversy and without regard to exhaustion of any alternative administrative remedies provided in this chapter. No such action may be commenced later than three years after the date of the violation giving rise to the right of action. In any such action the court may award to the prevailing party, in addition to costs and disbursements, reasonable attorney fees at trial and appeal.

(2) In any action under subsection (1) of this section, if the court finds that the respondent has violated this chapter or any rule adopted under this chapter, it may award damages up to

and including an amount equal to the amount of actual damages, or statutory damages of five hundred dollars per plaintiff per violation, whichever is greater, or other equitable relief.

(3) Without regard to any other remedy otherwise provided in this chapter, any person having a claim against the farm labor contractor for any violation of this chapter may bring suit upon the surety bond or security deposit filed by the contractor pursuant to RCW 19.30.040, in any court of competent jurisdiction of the county in which the claim arose, or in which either the claimant or contractor resides. An action upon the bond or security deposit shall be commenced by serving and filing the complaint within three years from the date of expiration or cancellation of the bond, or in the case of a security deposit, within three years of the date of the expiration or revocation of the license. A copy of the complaint in any such action shall be served upon the director at the time of commencement of the action and the director shall maintain a record, available for public inspection, of all suits so commenced. Such service shall constitute service on the farm labor contractor and the surety for suit upon the bond and the director shall transmit the complaint or a copy thereof to the contractor at the address listed in his or her application and to the surety within forty-eight hours after it has been received. The surety upon the bond may, upon notice to the director and the parties, tender to the clerk of the court having jurisdiction of the action an amount equal to the claims thereunder or the amount of the bond less the amount of judgments, if any, previously satisfied therefrom and to the extent of such tender the surety upon the bond shall be exonerated. A claimant against the bond or security deposit shall be entitled to damages under subsection (2) of this section. If the actions commenced and pending at any one time exceed the amount of the bond then unimpaired, the claims shall be satisfied from the bond in the following order:

- (a) Wages, including employee benefits;
- (b) Damages imposed under subsection (2) of this section;
- (c) Any costs and attorney's fees claimant may be entitled to recover.

If any final judgment impairs the liability of the surety upon the bond so furnished so that there is not in effect a bond undertaking in the full amount prescribed by the director, the director shall suspend the license of such contractor until the bond liability in the required amount unimpaired by unsatisfied judgment claims has been furnished. If such bond becomes fully impaired, a new bond must be furnished.

If the farm labor contractor has filed other security with the director in lieu of a surety bond, any person having an unsatisfied final judgment against the contractor for any violation of this chapter may execute upon the security deposit held by the director by serving a certified copy of the unsatisfied final judgment by registered or certified mail upon the director. Upon the receipt of service of such certified copy, the director shall pay or order paid from the deposit, through the registry of the court which rendered judgment, towards the amount of the unsatisfied judgment. The priority of payment by the director shall be the order of receipt by the director, but the director shall have no liability for payment in excess of the amount of the deposit.

NEW SECTION. Sec. 17. The following acts or parts of acts are each repealed:

The legislature recognizes the current heavy caseload of governmental authorities responsible for the prevention, treatment, and punishment of child abuse. The information

The report shall be made at the first opportunity, but in no case longer than ~~((seven days))~~ forty-eight hours after there is reasonable cause to believe that the child or adult has suffered abuse or neglect.

(2) Any other person who has reasonable cause to believe that a child or adult dependent person has suffered abuse or neglect may report such incident to the proper law enforcement agency or to the department of social and health services as provided in RCW 26.44.040 ~~((as now or hereafter amended))~~.

(3) The department, upon receiving a report of an incident of abuse or neglect pursuant to this chapter, involving a child or adult dependent person who has died or has had physical injury or injuries inflicted upon him other than by accidental means or who has been subjected to sexual abuse, shall report such incident in writing to the proper law enforcement agency.

(4) Any law enforcement agency receiving a report of an incident of abuse or neglect pursuant to this chapter, involving a child or adult dependent person who has died or has had physical injury or injuries inflicted upon him other than by accidental means, or who has been subjected to sexual abuse, shall report such incident in writing as provided in RCW 26.44.040 to the proper county prosecutor or city attorney for appropriate action whenever the law enforcement agency's investigation reveals that a crime ~~((has))~~ may have been committed. The law enforcement agency shall also notify the department of all reports received and the law enforcement agency's disposition of them.

(5) Any county prosecutor or city attorney receiving a report under subsection (4) of this section shall notify the victim, any persons the victim requests, and the local office of the department, of the decision to charge or decline to charge a crime, within five days of making the decision.

NEW SECTION, Sec. 3. A new section is added to chapter 26.44 RCW to read as follows:

If the department or a law enforcement agency responds to a complaint of child abuse or neglect and discovers that another agency has also responded to the complaint, the agency shall notify the other agency of their presence, and the agencies shall coordinate the investigation and keep each other apprised of progress.

The department, each law enforcement agency, each county prosecuting attorney, each city attorney, and each court shall make as soon as practicable a written record and shall maintain records of all incidents of suspected child abuse reported to that person or agency. Records kept under this section shall be identifiable by means of an agency code for child abuse.

NEW SECTION, Sec. 4. A new section is added to chapter 26.44 RCW to read as follows:

(c) Ten million dollars for state highway improvements necessitated by planned economic development, as determined through the procedures set forth in sections 4 and 5 of this act.

(2) The amount of bonds authorized in subsection (1)(a) of this section shall be reduced if the transportation commission, in consultation with the legislative transportation committee, determines that any of the bonds that have not been sold are no longer required.

(3) The amount of bonds authorized in subsection (1)(b) of this section shall be increased by an amount not to exceed, and concurrent with, any reduction of bonds authorized under subsection (1)(a) of this section in the manner prescribed in subsection (2) of this section.

Sec. 7. Section 3, chapter 316, Laws of 1981 and RCW 47.10.803 are each amended to read as follows:

The proceeds from the sale of the bonds authorized by RCW 47.10.801(1) (a) and (b) shall be deposited in the motor vehicle fund (~~and~~). The proceeds from the sale of the bonds authorized by RCW 47.10.801(1)(c) shall be deposited in the economic development account of the motor vehicle fund, hereby created. All such proceeds shall be available only for the purposes enumerated in RCW 47.10.801, for the payment of bond anticipation notes, if any, and for the payment of the expense incurred in the drafting, printing, issuance, and sale of such bonds.

NEW SECTION. Sec. 8. The sum of ten million dollars, or so much thereof as may be necessary, is appropriated from the economic development account of the motor vehicle fund to the department of transportation for the biennium ending June 30, 1987, to carry out the provisions of sections 4 and 5 of this act and RCW 47.10.801(1)(c). However, the money available for expenditure under this appropriation may not exceed the amount of money derived from the sale of bonds, and interest earned thereon, authorized by RCW 47.10.801(1)(c) and deposited to the credit of the economic development account of the motor vehicle fund.

NEW SECTION. Sec. 9. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

NEW SECTION. Sec. 10. Section 11, chapter 316, Laws of 1981 and RCW 47.10.810 are each hereby repealed.

NEW SECTION. Sec. 11. LEGISLATIVE FINDINGS AND POLICY. The legislature finds that there exists in the state of Washington over four billion dollars worth of critical projects for the planning, acquisition, construction, repair, replacement, rehabilitation, or improvement of streets and roads, bridges, water systems, and storm and sanitary sewage systems. The December, 1983 Washington state public works report prepared by the planning and community affairs agency documented that local governments expect to be capable of financing over two billion dollars worth of the costs of those critical projects but will not be able to fund nearly half of the documented needs. It is the policy of the state of Washington to encourage self-reliance by local governments in meeting their public works needs and to assist in the financing of critical public works projects by making loans, financing guarantees, and technical assistance available to local governments for these projects.

NEW SECTION. Sec. 12. DEFINITIONS. Unless the context clearly requires otherwise, the definitions in this section shall apply throughout this chapter.

(1) 'Board' means the public works board created in section 13 of this act.

(2) 'Department' means the department of community development.

(3) 'Financing guarantees' means the pledge of money in the public works assistance account, or money to be received by the public works assistance account, to the repayment of all or a portion of the principal of or interest on obligations issued by local governments to finance public works projects.

(4) 'Local governments' means cities, towns, counties, special purpose districts, and any other municipal corporations or quasi-municipal corporations in the state excluding school districts and port districts.

(5) 'Public works project' means a project of a local government for the planning, acquisition, construction, repair, reconstruction, replacement, rehabilitation, or improvement of streets and roads, bridges, water systems, or storm and sanitary sewage systems.

(6) 'Technical assistance' means training and other services provided to local governments to (a) help such local governments plan, apply, and qualify for loans and financing guarantees from the board and (b) help local governments improve their ability to plan for, finance, acquire, construct, repair, replace, rehabilitate, and maintain public facilities.

NEW SECTION, Sec. 13. PUBLIC WORKS BOARD CREATED. (1) The public works board is hereby created.

(2) The board shall be composed of thirteen members appointed by the governor for terms of four years, except that five members initially shall be appointed for terms of two years. The board shall include: (a) Three members, two of whom shall be elected officials and one shall be a public works manager, appointed from a list of at least six persons nominated by the association of Washington cities or its successor; (b) three members, two of whom shall be elected officials and one shall be a public works manager, appointed from a list of at least six persons nominated by the Washington state association of counties or its successor; (c) three members appointed from a list of at least six persons nominated jointly by the Washington state association of water districts, the Washington public utility districts association, and the Washington state association of sewer districts or their successors; and (d) four members appointed from the general public. In appointing the four general public members, the governor shall endeavor to balance the geographical composition of the board and to include members with special expertise in relevant fields such as public finance, architecture and civil engineering, and public works. The governor shall appoint one of the general public members of the board as chair. The term of the chair shall coincide with the term of the governor.

(3) Staff support to the board shall be provided by the department.

(4) Members of the board shall receive no compensation but shall be reimbursed for travel expenses under RCW 43.03.050 and 43.03.060.

(5) If a vacancy on the board occurs by death, resignation, or otherwise, the governor shall fill the vacant position for the unexpired term. Each vacancy in a position appointed from lists provided by the associations under subsection (2) of this section shall be filled from a list of at least three persons nominated by the relevant association or associations. Any members of the board, appointive or otherwise, may be removed by the governor for cause in accordance with RCW 43.06.070 and 43.06.080.

NEW SECTION, Sec. 14. GENERAL POWERS OF THE BOARD. The board may:

(1) Accept from any state or federal agency, loans or grants for the planning or financing of any public works project and enter into agreements with any such agency concerning the loans or grants;

(2) Provide technical assistance to local governments;

(3) Accept any gifts, grants, or loans of funds, property, or financial or other aid in any form from any other source on any terms and conditions which are not in conflict with this chapter;

(4) Adopt rules under chapter 34.04 RCW as necessary to carry out the purposes of this chapter;

(5) Do all acts and things necessary or convenient to carry out the powers expressly granted or implied under this chapter.

NEW SECTION, Sec. 15. PUBLIC WORKS FINANCING POWERS. In order to aid the financing of public works projects, the board may:

(1) Make low-interest or interest-free loans to local governments from the public works assistance account or other funds and accounts for the purpose of assisting local governments in financing public works projects. The board may require such terms and conditions and may charge such rates of interest on its loans as it deems necessary or convenient to carry out the purposes of this chapter. Money received from local governments in repayment of loans made under this section shall be paid into the public works assistance account for uses consistent with this chapter.

(2) Pledge money in the public works assistance account, or money to be received by the public works assistance account, to the repayment of all or a portion of the principal or interest on obligations issued by local governments to finance public works projects. The board shall not pledge any amount greater than the sum of money in the public works assistance account plus money to be received from the payment of the debt service on loans made from that account, nor shall the board pledge the faith and credit or the taxing power of the state or any agency or subdivision thereof to the repayment of obligations issued by any local government.

(3) Create such subaccounts in the public works assistance account as the board deems necessary to carry out the purposes of this chapter.

(4) Provide a method for the allocation of loans and financing guarantees and the provision of technical assistance under this chapter.

All local public works projects aided in whole or in part under the provisions of this chapter shall be put out for competitive bids. The competitive bids called for shall be administered in the same manner as all other public works projects put out for competitive bidding by the local governmental entity aided under this chapter.

NEW SECTION. Sec. 16. **ELIGIBILITY AND PRIORITY.** (1) To qualify for loans or pledges under this chapter the board must determine that a local government meets all of the following conditions:

(a) The city or county must be imposing a tax under chapter 82.46 RCW at a rate of at least one-quarter of one percent;

(b) The local government must have developed a long-term plan for financing public works needs; and

(c) The local government must be using all local revenue sources which are reasonably available for funding public works, taking into consideration local employment and economic factors.

(2) The board shall develop a priority process for public works projects as provided in this section. The intent of the priority process is to maximize the value of public works projects accomplished with assistance under this chapter. The board shall attempt to assure a geographical balance in assigning priorities to projects. The board shall consider at least the following factors in assigning a priority to a project:

(a) Whether the local government receiving assistance has experienced severe fiscal distress resulting from natural disaster or emergency public works needs;

(b) Whether the project is critical in nature and would affect the health and safety of a great number of citizens;

(c) The cost of the project compared to the size of the local government and amount of loan money available;

(d) The number of communities served by or funding the project; and

(e) Other criteria that the board considers advisable.

(5) Existing debt or financial obligations of local governments shall not be refinanced under this chapter. Each local government applicant shall provide documentation of attempts to secure additional local or other sources of funding for each public works project for which financial assistance is sought under this chapter.

(6) Before November 1 of each year, the board shall develop and submit to the ways and means committees of the senate and house of representatives a prioritized list of projects which are recommended for funding by the legislature. The list shall include, but not be limited to, a description of each project and recommended financing, the terms and conditions of the loan or financial guarantee, the local government jurisdiction and unemployment rate, demonstration of the jurisdiction's critical need for the project and documentation of local funds being used to finance the public works project. The list shall also include measures of fiscal capacity for each jurisdiction recommended for financial assistance, compared to authorized limits and state averages, including local government sales taxes; real estate excise taxes; property taxes; and charges for or taxes on sewerage, water, garbage, and other utilities.

(7) The board shall not sign contracts or otherwise financially obligate funds from the public works assistance account before the legislature has appropriated funds for a specific list of public works projects. The legislature may remove projects from the list recommended by the board. The legislature shall not change the order of the priorities recommended for funding by the board.

NEW SECTION. Sec. 17. **PUBLIC WORKS ASSISTANCE ACCOUNT.** The public works assistance account is hereby established in the state treasury. Money may be placed in the public works assistance account from the proceeds of bonds when authorized by the legislature or from any other lawful source. Money in the public works assistance account shall be used to make loans and to give financial guarantees in accordance with this chapter.

NEW SECTION. Sec. 18. **RECORDS, AUDITS, AND REPORTS.** The board shall keep proper records of accounts and shall be subject to audit by the state auditor. Biennial reports on the activities of the board shall be made by the chair to the governor and the legislature.

SENATE AMENDMENTS TO HOUSE BILL

April 12, 1985

Mr. Speaker:

The Senate has passed SUBSTITUTION HOUSE BILL NO. 1060 with the following amendments:

Strike everything after the enacting clause and insert the following:

*Sec. 1. Section 1, chapter 98, Laws of 1980 as amended by section 5, chapter 284, Laws of 1983 and by section 180, chapter 46, Laws of 1983 1st ex. sess. and RCW 82.27.010 are each reenacted and amended to read as follows:

As used in this chapter, the following terms have the meanings indicated unless the context clearly requires otherwise.

(1) ('Food fish and shellfish' has the meaning ascribed to it by RCW 75.08.011 and includes byproducts and also parts of food fish and shellfish, whether fresh, frozen, canned, or otherwise.) 'Enhanced food fish' includes all species of food fish, shellfish, and anadromous game fish, including byproducts and parts thereof, originating within the territorial and adjacent waters of Washington and salmon originating from within the territorial and adjacent waters of Oregon, Washington, and British Columbia, and all troll-caught Chinook salmon originating from within the territorial and adjacent waters of southeast Alaska. As used in this subsection, 'adjacent' waters of Oregon, Washington, and Alaska are those comprising the United States fish conservation zone; 'adjacent' waters of British Columbia are those comprising the Canadian two hundred mile exclusive economic zone; and 'southeast Alaska' means that portion of Alaska south and east of Cape Suckling to the Canadian border. For purposes of this chapter, point of origination is established by a document which identifies the product and state or province in which it originates, including, but not limited to fish tickets, bills of lading, invoices, or other documentation required to be kept by governmental agencies.

(2) 'Commercial' means related to or connected with buying, selling, bartering, or processing.

(3) 'Possession' means the control of enhanced food fish (~~(-shellfish, and anadromous game fish)~~) by the owner and includes both actual and constructive possession. Constructive possession occurs when the person has legal ownership but not actual possession of the enhanced food fish (~~(-shellfish, or anadromous game fish)~~).

(4) 'Anadromous game fish' means steelhead trout and anadromous cutthroat trout and Dolly Varden char and includes byproducts and also parts of anadromous game fish, whether fresh, frozen, canned, or otherwise.

(5) 'Landed' means the act of physically placing enhanced food fish (a) on a tender in the territorial waters of Washington; or (b) on any land within or without the state of Washington including wharves, piers, or any such extensions therefrom.

Sec. 2. Section 2, chapter 98, Laws of 1980 as last amended by section 17, chapter 3, Laws of 1983 2nd ex. sess. and RCW 82.27.020 are each amended to read as follows:

(1) In addition to all other taxes, licenses, or fees provided by law there is established an excise tax on the commercial possession of enhanced food fish (~~(-shellfish, and anadromous game fish)~~) as provided in this chapter. The tax is levied upon and shall be collected from the owner of the enhanced food fish (~~(-shellfish, or anadromous game fish)~~) whose possession constitutes the taxable event. The taxable event is the first possession in Washington by an owner (~~((after the food fish, shellfish, or anadromous game fish have been landed))~~). Processing and handling of enhanced food fish (~~(-shellfish, and anadromous game fish)~~) by a person who is not the owner is not a taxable event to the processor or handler.

(2) A person in possession of enhanced food fish (~~(-shellfish, and anadromous game fish)~~) and liable to this tax may deduct from the price paid to the person from which the enhanced food fish (~~(-shellfish)~~) (except oysters) (~~(-or anadromous game fish)~~) are purchased an amount equal to a tax at one-half the rate levied in this section upon these products.

(3) The measure of the tax is the ((price paid by the first person in possession)) value of the enhanced food fish (~~(-shellfish, or anadromous game fish)~~) at the point of landing. (~~((if the food fish, shellfish, or anadromous game fish are acquired other than by purchase or are purchased under conditions where the purchase price does not represent the value of the food fish, shellfish, or anadromous game fish or these products are transferred outside the state without sale, the measure of the tax shall be determined as nearly as possible according to the selling price of similar products of like quality and character under rules adopted by the department of revenue.))~~)

(4) The tax shall be equal to the measure of the tax multiplied by the rates for enhanced food fish (~~(-shellfish, and anadromous game fish)~~) as follows:

- (a) Chinook, coho, and chum salmon and anadromous game fish: Five percent.
- (b) Pink and sockeye salmon: Three percent.
- (c) Other food fish and shellfish: Two percent.
- (d) Oysters: Seven one-hundredths of one percent.

(5) An additional tax is imposed equal to the rate specified in RCW 82.02.030 multiplied by the tax payable under subsection (4) of this section.

Sec. 3. Section 3, chapter 98, Laws of 1980 and RCW 82.27.030 are each amended to read as follows:

The tax imposed by RCW 82.27.020 shall not apply to: (1) Enhanced food fish (~~((or shellfish previously landed))~~) originating outside the state which ((is shipped into)) enters the state as (a) frozen enhanced food fish (~~((or frozen shellfish))~~) or (b) enhanced food fish (~~((or shellfish))~~) packaged for retail sales; (2) ((fresh net caught food fish to the extent provided under an interstate agreement entered into under RCW 82-27-080; and (3)) the growing, processing, or dealing with food fish which are raised from eggs or fry and which are under the physical control of the grower at all times until being sold or harvested; and (3) food fish, shellfish, anadromous game fish, and byproducts or parts of food fish shipped from outside the state which enter the state, except as provided in RCW 82.27.010, provided the taxpayer must have documentation showing shipping origination of fish exempt under this subsection to qualify for exemption. Such documentation includes, but is not limited to fish tickets, bills of lading, invoices, or other documentation required to be kept by governmental agencies.

Sec. 4. Section 4, chapter 98, Laws of 1980 and RCW 82.27.040 are each amended to read as follows:

A credit shall be allowed against the tax imposed by RCW 82.27.020 upon enhanced food fish (~~((or shellfish))~~) with respect to any tax (~~((legally imposed and))~~) previously paid (~~((to another state by the taxpayer upon the same food fish or shellfish purchased in the other state))~~) on that same enhanced food fish to any other legally established taxing authority. SENATE AMENDMENT TO HOUSE BILL

April 11, 1985

Mr. Speaker:

The Senate has passed SUBSTITUTE HOUSE BILL NO. 1170 with the following amendment:

Strike everything after the enacting clause and insert the following:

NEW SECTION. Sec. 1. Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

(1) 'Department' means the department of labor and industries.
 (2) 'Employee' means an employee of an employer who is employed in the business of his or her employer whether by way of manual labor or otherwise and every person in this state who is engaged in the employment of or who is working under an independent contract the essence of which is personal labor for an employer under this chapter whether by way of manual labor or otherwise. However, for the purposes of this chapter, employee shall not mean immediate family members of an employer engaged in agricultural production of crops or livestock.

(3) 'Employer' means any person, firm, corporation, partnership, business trust, legal representative, or other business entity that engages in any business, industry, profession, or activity in this state and employs one or more employees or who contract with one or more persons, the essence of which is the personal labor of such person or persons and includes the state, counties, cities, and all municipal corporations, public corporations, political subdivisions of the state, and charitable organizations: PROVIDED, That any person, partnership, or business entity not having employees, and who is covered by the industrial insurance act shall be considered both an employer and an employee.

NEW SECTION. Sec. 2. (1) The department shall prepare and make available to employers or the public, upon request, a translation in any of the five most common foreign languages used in the workplace, of a written hazard communication program, a material safety data sheet, or written materials prepared by the department to inform employees of their rights relating to hazard communication standards under this chapter and chapter 49.17 RCW.

(2) An employer employing employees who have trouble communicating in English shall make reasonable efforts to post any notices in the employees' native languages as provided by the department.

NEW SECTION. Sec. 3. (1) An employer shall provide employees engaged in agricultural production of crops or livestock or agricultural services with information and training on hazardous chemicals in their workplace at the time of their initial assignment, and whenever a new hazard is introduced into their work area, such instruction shall be tailored to the types of hazards to which the employees will be exposed. Seasonal and temporary employees who are not exposed to hazardous chemicals in their work area need not be trained.

(2) Employers shall maintain any material safety data sheets that are received with incoming shipments of hazardous chemicals, and ensure that they are accessible to agricultural employees upon request.

(3) Employers shall ensure that labels on incoming containers of hazardous chemicals are not removed or defaced.

NEW SECTION. Sec. 4. (1) The department shall adopt rules in accordance with chapter 34.04 RCW establishing criteria for evaluating the validity of trade secret claims and procedures for issuing a trade secret exemption. Manufacturers or importers that make a trade secret claim to the department must notify direct purchasers if a trade secret claim has been made on a product being offered for sale.

(2) If a trade secret claim exists, a manufacturer, importer, or employer may require a written statement of need or confidentiality agreement before the specific chemical identity of a hazardous substance is released. However, if a treating physician or nurse determines that a medical emergency exists and the specific chemical identity of a hazardous substance is necessary for emergency or first aid treatment, the manufacturer, importer, or employer shall immediately disclose the specific chemical identity to that treating physician or nurse, regardless of the existence of a written statement of need or a confidentiality agreement. The chemical manufacturer, importer, or employer may require a written statement of need and confidentiality agreement, as defined by rule, as soon as circumstances permit.

(3) Any challenge to the denial of a trade secret claim shall be heard by an administrative law judge in accordance with chapter 34.04 RCW.

Sec. 5, Section 17, chapter 289, Laws of 1984 and RCW 49.70.120 are each amended to read as follows:

(1) The director shall establish in the department a right-to-know advisory council, which shall consist of ~~((fifteen)) sixteen~~ members appointed by the director. In the event that no recommendations for a particular category of membership are made to the director three months after June 7, 1984, in the case of the initial appointments, or within sixty days of the date of the expiration of the term of office of any member or the occurrence of any vacancy in the case of subsequent appointments, the director shall appoint as a member for that category of membership a person whom the director believes will be representative thereof.

(2) A majority of the membership of the council constitutes a quorum for the transaction of council business. Action may be taken and motions and resolutions adopted by the council at any meeting thereof by the affirmative vote of a majority of the members of the council present and voting.

(3) The council shall meet regularly as it may determine, and shall also meet at the call of the department.

(4) The council shall appoint a ~~((chairman)) chair~~ and other officers as may be necessary from among its members. The council may, within the limits of any funds appropriated or otherwise made available to it for this purpose, appoint such staff or hire such experts as it may require.

(5) Members of the council shall serve without compensation, but the council may, within the limits of funds appropriated or otherwise made available to it for such purposes, reimburse its members for necessary expenses incurred in the discharge of their official duties in accordance with RCW 43.03.050 and 43.03.060.

(ii) The driver's license of the named insured, or of any other operator who customarily operates an automobile insured under the policy, has been under suspension or revocation during the policy period or, if the policy is a renewal, during its policy period or the one hundred eighty days immediately preceding the effective date of the renewal policy.

(b) Modification by the insurer of automobile physical damage coverage by the inclusion of a deductible not exceeding one hundred dollars shall not be deemed a cancellation of the coverage or of the policy.

(3) The substance of subsections (1) and (2)(a) of this section must be set forth in each contract of insurance subject to the provisions of subsection (1) above, and may be in the form of an attached endorsement.

(4) No notice of cancellation of a policy which can be canceled only pursuant to subsection (2) shall be effective unless the reason therefor accompanies or is included in the notice of cancellation.

(4) On and after January 1, 1980, no policy of insurance subject to RCW 48.18.291 shall be issued for a policy period or term of less than six months.

(5) No insurer shall refuse to renew the liability and/or collision coverage of an automobile insurance policy on the basis that an insured covered by the policy of the insurer has submitted one or more claims under the comprehensive, road service, or towing coverage of the policy. Nothing in this subsection shall prohibit the nonrenewal of comprehensive, road service, or towing coverage on the basis of one or more claims submitted by an insured.

April 17, 1985

Mr. Speaker:

The Senate has passed SUBSTITUTE HOUSE BILL NO. 61 with the following amendments:

Strike everything after the enacting clause and insert the following:

*Sec. 1. Section 1, chapter 75, Laws of 1963 as last amended by section 1, chapter 82, Laws of 1974 ex. sess. and RCW 41.04.180 are each amended to read as follows:

(1) Any county, municipality, or other political subdivision of the state acting through its principal supervising official or governing body may, whenever funds shall be available for that purpose provide for all or a part of hospitalization and medical aid for its employees and their dependents through contracts with regularly constituted insurance carriers or with health care service contractors as defined in chapter 48.44 RCW or self-insurers as provided for in chapter 48.52 RCW, for group hospitalization and medical aid policies or plans: PROVIDED, That any county, municipality, or other political subdivision of the state acting through its principal supervising official or governing body shall provide the employees thereof a choice of policies or plans through contracts with not less than two regularly constituted insurance carriers or health care service contractors or other health care plans, including but not limited to, trusts of self-insurance as provided for in chapter 48.52 RCW: AND PROVIDED FURTHER, That any county may provide such hospitalization and medical aid to county elected officials and their dependents on the same basis as such hospitalization and medical aid is provided to other county employees and their dependents: PROVIDED FURTHER, That provision for school district personnel shall not be made under this section but shall be as provided for in RCW 28A.58.420.

(2) Any county, municipality, or other political subdivision of the state that provides a plan for all or part of hospitalization and medical aid for its employees shall permit retired and disabled employees and their dependents to continue participation in such plan subject to the following exceptions, limitations, and conditions:

(a) This subsection shall have no application to school district personnel provided for in RCW 28A.58.420; to a county, municipality, or other political subdivision participating in an insurance program administered under chapter 41.05 RCW if retired and disabled employees and their dependents of such participating county, municipality, or other political subdivision are permitted to continue coverage under an insurance program administered under chapter 41.05 RCW; and members of the law enforcement officers' and fire fighters' retirement system under chapter 41.26 RCW.

(b) A person who requests continued participation in the plan may be required to pay for such continuation of coverage under the plan; however, such payment may not exceed the rate, cost, or premium provided for active employees.

If the person is eligible for federal medicare, the plan shall reduce benefits and rates, costs or premiums for such person to the extent medicare benefits duplicate plan benefits.

(c) Nothing contained in this subsection shall be deemed to affect any plan contained in a collective bargaining agreement in existence as of the effective date of this act; however, any plan contained in future collective bargaining agreements shall conform to the provisions of this subsection.

(d) A retired or disabled employee shall bear the full cost of the premium as determined by subsection (2)(b) of this section. However, the enactment of this subsection shall not require any reduction in benefits now being received.

(e) After an initial open enrollment period of not less than ninety days after the effective date of this 1985 act, no retired or disabled employee may be covered pursuant to this subsection if coverage is allowed to lapse at any time. If any employer offered a medical plan to its employees at the time they retired or became disabled, which plan had substantially the same benefits and premium charges as the plan offered to the active employees at the time, no retired or disabled employee who failed to enroll in such plan at the time it was offered may now enroll in a medical plan pursuant to this subsection except at the option of the employer.

(f) Premiums for coverage may be assigned to the insurance carrier from public pension benefits or paid to the former employer so that no carrier shall be required to accept individual premium payments from retired or disabled employees and/or dependents.

(g) The benefits granted under this subsection shall not be considered a matter of contractual right. Should the legislature, county, municipality, or other political subdivision of the state revoke or change any benefits granted under this subsection, no affected retiree, employee, or dependent shall be entitled thereafter to receive such benefits as a matter of contractual right.

(h) 'Retired employee,' as used in this subsection, is defined as an individual who is a public employee with not less than five years of service at the date of retirement.

(i) 'Disabled employee,' as used in this subsection, is defined as an individual eligible to receive a disability retirement allowance from a public retirement system.

(j) This subsection is applicable from and after January 1, 1986, or the date of current policy or contract renewal, whichever is later.

(k) Any county, municipality, or other political subdivision of the state may offer one or more medical plans for retirees only which are designed to meet the needs of the retirees. The rate, cost, or premium for the medical plan or plans offered to retirees shall not exceed that charged to the active employee group of which the retiree was a member. However, the benefits provided in the retiree plan or plans may be different than the benefits provided in the plan or plans for active employees.

(l) If an employer leaves a group or trust medical plan, that plan has no further responsibility to the retired or disabled former employees who may have had coverage through that group or trust plan. However, the employer shall include all retired or disabled employees who have had such coverage in any new group or trust medical plan.

NEW SECTION. Sec. 2. To the extent it does not conflict with RCW 41.04.180(2), any employer or group providing insurance to any retired or disabled employee and/or their dependents may adopt terms and conditions necessary to administer the provisions of RCW 41.04.180(2). Such terms and conditions may include, but are not limited to, requirements for coordination of benefits with any other insurance plan covering a person affected by RCW 41.04.180(2)."

April 18, 1985

Mr. Speaker:

The Senate has passed ENGROSSED SUBSTITUTE HOUSE BILL NO. 323 with the following amendment:

Strike everything after the enacting clause and insert the following:

NEW SECTION, Sec. 1. (1) The legislature finds that:

(a) The Nisqually river, its waters, and beds have been statutorily characterized for more than a decade as an area of state-wide significance by the people of the state;

(b) The river is a highly prized area of great natural beauty that extends through four biological zones of Washington state from the peak of Mount Rainier to the Nisqually Delta;

(c) The productive uses of the river may well be enhanced in terms of recreation, fish and wildlife habitat, forestry, agriculture, and other benefits associated with the basin if a carefully developed program of stewardship for the area is established;

(d) Notwithstanding existing governmental units' management programs, including those developed under the shoreline management act, an optimum management program designed to achieve maximum benefits for the public and the private landowning community for the use of this valuable natural river corridor has not been established;

(e) The Nisqually river corridor has been historically used for such productive uses as agriculture, education, forestry, hunting, fishing, mining, military maneuvers, irrigation, and electric power production.

(2) It is the purpose of this act to initiate a process that emphasizes the natural and economic values of this river of state-wide significance and that will bring about a stewardship program for the Nisqually river that will assure enhancement of economic and recreational benefits for this generation as well as those to come.

NEW SECTION, Sec. 2. (1) The department of ecology is directed to develop an overall management plan for the Nisqually river consistent with the findings and objectives of section 1 of this act. This plan shall set forth with reasonable specificity, the boundaries of the managed area, the management objectives for the various reaches of the river, the institutional arrangements for carrying out the plan, the moneys and funding sources for successful plan implementation and property owner compensation, and the economic impact on private property owners. If this plan requires private property owners to sell property they own, the property owners shall receive fair market value for their property interests. Taking of less than the fee interest shall be in accordance with RCW 84.34.200 through 84.34.240.

(2) In order to accomplish this task the department shall establish advisory committees to provide technical assistance and policy guidance. Membership on the advisory committees shall include but not be limited to persons representing the interests of federal, state, and local governmental entities, agriculture, forestry, the Nisqually Indian tribe, other property owners, and environmentalists.

NEW SECTION, Sec. 3. The department shall submit a report to the president of the senate and the speaker of the house of representatives not later than January 6, 1986. The report shall set forth a management plan as directed by section 2 of this act and any proposed legislation

recommended or required to implement the plan. The plan shall not be implemented before adoption by the legislature, however, this section shall not prevent the department from performing duties and functions otherwise authorized by law.

NEW SECTION. Sec. 4. This act shall not limit the rights of private or public property owners without fair monetary compensation nor may this act require that private property owners sell their property for less than fair market value.

NEW SECTION. Sec. 5. There is appropriated from the general fund to the department of ecology for the biennium ending June 30, 1987, the sum of forty-two thousand five hundred sixteen dollars, or so much thereof as may be necessary, to carry out the purposes of this act.

NEW SECTION. Sec. 6. Sections 1 through 6 of this act shall not be codified." and the same is herewith transmitted.

SENATE AMENDMENTS TO HOUSE BILL

April 12, 1985

Mr. Speaker:

The Senate has passed SUBSTITUTE HOUSE BILL NO. 606 with the following amendments:

Strike everything after the enacting clause and insert the following:

NEW SECTION. Sec. 1. The legislature finds that the environmental, recreational, and aesthetic values of many of the state's lakes are threatened by eutrophication and other deterioration and that existing governmental authorities are unable to adequately improve and maintain the quality of the state's lakes.

It is the purpose of this chapter to establish a governmental mechanism by which property owners can embark on a program of lake improvement and maintenance for their and the general public's benefit, health, and welfare. Public property, including state property, shall be considered the same as private property in this chapter, except liens for special assessments shall not extend to public property. Lake bottom property shall not be considered to be benefited, shall not be subject to special assessments, and shall not receive voting rights under this chapter.

NEW SECTION. Sec. 2. Any county may create lake management districts to finance the improvement and maintenance of lakes located within or partially within the boundaries of the county. All or a portion of a lake and the adjacent land areas may be included within one or more lake management districts. More than one lake, or portions of lakes, and the adjacent land areas may be included in a single lake management district. A lake management district may be created for a period of up to ten years.

Special assessments may be imposed on the property included within a lake management district to finance lake improvement and maintenance activities, including: (1) The control or removal of aquatic plants and vegetation; (2) water quality; (3) the control of water levels; (4) storm water diversion and treatment; (5) agricultural waste control; (6) studying lake water quality problems and solutions; (7) cleaning and maintaining ditches and streams entering or leaving the lake; and (8) the related administrative, engineering, legal, and operational costs, including the costs of creating the lake management district.

Special assessments may be imposed annually on all the land in a lake management district for the duration of the lake management district without a related issuance of lake management district bonds. Special assessments also may be imposed in the manner of special assessments in a local improvement district with each landowner being given the choice of paying the entire special assessment in one payment, or to paying installments, with lake management district bonds being issued to obtain moneys not derived by the initial full payment of the special assessments, and the installments covering all of the costs related to issuing, selling, and redeeming the lake management district bonds.

NEW SECTION. Sec. 3. A lake management district may be initiated upon either the adoption of a resolution of intention by a county legislative authority or the filing of a petition signed by ten landowners or twenty-five percent of the landowners within the proposed lake management district, whichever is greater. A petition or resolution of intention shall set forth: (1) The nature of the lake improvement or maintenance activities proposed to be financed; (2) the amount of money proposed to be raised by special assessments; (3) whether the special assessments will be imposed annually for the duration of the lake management district, or the full special assessments will be imposed at one time, with the possibility of installments being made to finance the issuance of lake management district bonds, or both methods; (4) the number of years proposed for the duration of the lake management district; and (5) the proposed boundaries of the lake management district.

The county legislative authority may require the posting of a bond of up to five thousand dollars before the county considers the proposed creation of a lake management district initiated by petition. The bond may only be used by the county to finance its costs in studying, holding hearings, making notices, preparing special assessment rolls, and conducting elections related to the lake management district if the proposed lake management district is not created.

A resolution of intention shall also designate the number of the proposed lake management district, and fix a date, time, and place for a public hearing on the formation of the proposed lake management district. The date for the public hearing shall be at least thirty days and no more than ninety days after the adoption of the resolution of intention unless an emergency exists.

Petitions shall be filed with the county legislative authority. The county legislative authority shall determine the sufficiency of the signatures, which shall be conclusive upon all persons. No person may withdraw his or her name from a petition after it is filed. If the county legislative authority determines a petition to be sufficient and the proposed lake management district appears to be in the public interest and the financing of the lake improvement or maintenance activities is feasible, it shall adopt a resolution of intention, setting forth all of the details required to be included when a resolution of intention is initiated by the county legislative authority.

NEW SECTION. Sec. 4. Notice of the public hearing shall be published in at least two consecutive issues of a newspaper of general circulation in the proposed lake management district, the date of the first publication to be at least fifteen days prior to the date fixed for the public hearing by the resolution of intention. Notice of the public hearing shall also be given to the owner or reputed owner of any lot, tract, parcel of land, or other property within the proposed lake management district by mailing the notice at least fifteen days before the date fixed for the public hearing to the owner or reputed owner of the property as shown on the tax rolls of the county assessor at the address shown thereon. Notice of the public hearing shall also be mailed to the departments of fisheries, game, and ecology at least fifteen days before the date fixed for the public hearing.

Notices of the public hearing shall: (1) Refer to the resolution of intention; (2) designate the proposed lake management district by number; (3) set forth a proposed plan describing: (a) The nature of the proposed lake improvement or maintenance activities; (b) the amount of special assessments proposed to be raised by the lake management district; (c) whether the special assessments will be imposed annually for the duration of the lake management district, or the full special assessments will be payable at one time, with the possibility of periodic installments being paid and lake management bonds being issued, or both; and (d) the proposed duration of the lake management district; and (4) indicate the date, time, and place of the public hearing designated in the resolution of intention.

In the case of the notice sent to each owner or reputed owner by mail, the notice shall set forth the estimated amount of the cost of the lake improvement or maintenance activities to be borne by special assessment or annual special assessments on the lot, tract, parcel of land, or other property owned by the owner or reputed owner.

If the county legislative authority has designated a committee of itself or an officer to hear complaints and make recommendations to the full county legislative authority, as provided in section 10 of this act, the notice shall also describe this additional step before the full county legislative authority may adopt a resolution creating the lake management district.

NEW SECTION, Sec. 5. The county legislative authority shall hold a public hearing on the proposed lake management district at the date, time, and place designated in the resolution of intention.

At this hearing the county legislative authority shall hear objections from any person affected by the formation of the lake management district. Representatives of the departments of fisheries, game, and ecology shall be afforded opportunities to make presentations on and comment on the proposal. Members of the public shall be afforded an opportunity to comment on the proposal. The county legislative authority must consider recommendations provided to it by the departments of fisheries, game, and ecology. The public hearing may be extended to other times and dates declared at the public hearing. The county legislative authority may make such changes in the boundaries of the lake management district or such modification in plans for the proposed lake improvement or maintenance activities as it deems necessary. The county legislative authority may not change boundaries of the lake management district to include property that was not included previously without first passing an amended resolution of intention and giving new notice to the owners or reputed owners of property newly included in the proposed lake management district in the manner and form and within the time provided for the original notice. The county legislative authority shall not alter the plans for the proposed lake improvement or maintenance activities to result in an increase in the amount of money proposed to be raised, and shall not increase the amount of money proposed to be raised, without first passing an amended resolution of intention and giving new notice to property owners in the manner and form and within the time provided for the original notice.

NEW SECTION, Sec. 6. After the public hearing, the county legislative authority may adopt a resolution submitting the question of creating the lake management district to the owners of land within the proposed lake management district, including publicly owned land, if the county legislative authority finds that it is in the public interest to create the lake management district and the financing of the lake improvement and maintenance activities is feasible. The resolution shall also include a plan describing the proposed lake improvement and maintenance activities which avoid adverse impacts on fish and wildlife and provide for appropriate measures to protect and enhance fish and wildlife, the number of years the lake management district will exist, the amount to be raised by special assessments, whether the special assessments shall be imposed annually for the duration of the lake management district or only once with the possibility of installments being imposed and lake management bonds being issued, or both, and, if both types of special assessments are proposed to be imposed, the lake improvement or maintenance activities proposed to be financed by each type of special assessment.

No lake management district may be created by a county that includes territory located in another county without the approval of the legislative authority of the other county.

NEW SECTION, Sec. 7. A ballot shall be mailed to each owner or reputed owner of any lot, tract, parcel of land, or other property within the proposed lake management district, including publicly owned land, which ballot shall contain the following proposition:

'Shall lake management district No. be formed?

Yes... ..

No

In addition, the ballot shall contain appropriate spaces for the signatures of the landowner or landowners, or officer authorized to cast such a ballot. Each ballot shall include a description of the property owner's property, the number of acres of such property, and the number of feet of lake front footage, if any. A copy of the instructions and the resolution submitting the question to the landowners shall also be included.

NEW SECTION, Sec. 8. The balloting shall be subject to the following conditions, which shall be included in the instructions mailed with each ballot, as provided in section 7 of this act: (1) All ballots must be signed by the owner or reputed owner of property according to the assessor's tax rolls; (2) each ballot must be returned to the county legislative authority not later than five o'clock p.m. of a specified day, which shall be at least twenty but not more than thirty days after the ballots are mailed; (3) each property owner shall mark his or her ballot for or against the creation of the proposed lake management district, with the ballot weighted so that the property owner has one vote for any amount of property up to one acre and one vote for each additional acre, or major portion of an acre, he or she owns in the proposed lake management district and one vote for any amount up to fifty feet, and one vote for each additional fifty feet, or major portion thereof, of lake frontage he or she owns in the proposed lake management district; and (4) the valid ballots shall be tabulated and a simple majority of the votes cast shall determine whether the proposed lake management district shall be approved or rejected.

NEW SECTION. Sec. 9. If the proposal receives a simple majority vote in favor of creating the lake management district, the county legislative authority shall adopt an ordinance creating the lake management district and may proceed with establishing the special assessments, collecting the special assessments, and performing the lake improvement or maintenance activities. If a proposed lake management district includes more than one lake and its adjacent areas, the lake management district may only be established if the proposal receives a simple majority vote in favor of creating it by the voters on each lake and its adjacent areas. The county legislative authority shall publish a notice in a newspaper of general circulation in a lake management district indicating that such an ordinance has been adopted within ten days of the adoption of the ordinance.

The ballots shall be available for public inspection after they are counted.

NEW SECTION. Sec. 10. A county legislative authority may adopt an ordinance providing for a committee of itself, or an officer, to hold public hearings on the proposed formation of a lake management district and hear objections to the proposed formation as provided in section 5 of this act. The committee or officer shall make a recommendation to the full legislative authority, which need not hold a public hearing on the proposed creation of the lake management district. The full county legislative authority by resolution may approve or disapprove the recommendation and submit the question of creating the lake management district to the property owners as provided in sections 6 through 9 of this act.

NEW SECTION. Sec. 11. No lawsuit may be maintained challenging the jurisdiction or authority of the county legislative authority to proceed with the lake improvement and maintenance activities and creating the lake management district or in any way challenging the validity of the actions or decisions or any proceedings relating to the actions or decisions unless the lawsuit is served and filed no later than forty days after publication of a notice that the ordinance has been adopted ordering the lake improvement and maintenance activities and creating the lake management district. Written notice of the appeal shall be filed with the county legislative authority and clerk of the superior court in the county in which the property is situated.

NEW SECTION. Sec. 12. After a lake management district is created, the county shall prepare a proposed special assessment roll. A separate special assessment roll shall be prepared for annual special assessments if both annual special assessments and special assessments paid at one time are imposed. The proposed special assessment roll shall list: (1) Each separate lot, tract, parcel of land, or other property in the lake management district; (2) the acreage of such property, and the number of feet of lake frontage, if any; (3) the name and address of the owner or reputed owner of each lot, tract, parcel of land, or other property as shown on the tax rolls of the county assessor; and (4) the special assessment proposed to be imposed on each lot, tract, parcel of land, or other property, or the annual special assessments proposed to be imposed on each lot, tract, parcel of land, or other property.

At the time, date, and place fixed for a public hearing, the county legislative authority shall act as a board of equalization and hear objections to the special assessment roll, and at the times to which the public hearing may be adjourned, the county legislative authority may correct, revise, raise, lower, change, or modify the special assessment roll or any part thereof, or set the proposed special assessment roll aside and order a new proposed special assessment roll to be prepared. The county legislative authority shall confirm and approve a special assessment roll by adoption of a resolution.

If a proposed special assessment roll is amended to raise any special assessment appearing thereon or to include omitted property, a new public hearing shall be held. The new public hearing shall be limited to considering the increased special assessments or omitted property. Notices shall be sent to the owners or reputed owners of the affected property in the same manner and form and within the time provided for the original notice.

Objections to a proposed special assessment roll must be made in writing, shall clearly state the grounds for objections, and shall be filed with the governing body prior to the public hearing. Objections to a special assessment or annual special assessments that are not made as provided in this section shall be deemed waived and shall not be considered by the governing body or a court on appeal.

NEW SECTION. Sec. 13. A county legislative authority may adopt an ordinance providing for a committee of itself, or an officer, to hear objections to the special assessment roll, act as a board of equalization, and make recommendations to the full county legislative authority, which need not hold a public hearing on the special assessment roll. The ordinance shall provide a process by which an appeal may be made in writing to the full county legislative authority by a person protesting his or her special assessment or annual special assessments as confirmed by the committee or officer. The full county legislative authority by resolution shall approve the special assessment roll, modify and approve the special assessment roll as a result of hearing objections, or reject the special assessment roll and return it to the committee or officer for further work and recommendations. No objection to the decision of the full county legislative authority approving the special assessment roll may be considered by a court unless an objection to the decision has been timely filed with the county legislative authority as provided in this section.

NEW SECTION. Sec. 14. Notice of the original public hearing on the proposed special assessment roll, and any public hearing held as a result of raising special assessments or including omitted property, shall be published and mailed to the owner or reputed owner of the property as provided in section 4 of this act for the public hearing on the formation of the lake management district. However, the notice need only provide the total amount to be collected by the special assessment roll and shall state that: (1) A public hearing on the proposed special assessment roll will be held, giving the time, date, and place of the public hearing; (2) the proposed special assessment roll is available for public perusal, giving the times and location where the proposed special assessment roll is available for public perusal; (3) objections to the proposed special assessment must be in writing, include clear grounds for objections, and must be filed prior to the public hearing; and (4) failure to so object shall be deemed to waive an objection.

Notices mailed to the owners or reputed owners shall additionally indicate the amount of special assessment ascribed to the particular lot, tract, parcel of land, or other property owned by the person so notified.

NEW SECTION. Sec. 15. The decision of a county legislative authority upon any objection to the special assessment roll may be appealed to the superior court only if the objection had been timely made in the manner prescribed in this chapter. The appeal shall be made within ten days after publication of a notice that the resolution confirming the special assessment roll has been adopted by filing written notice of the appeal with the county legislative authority and the clerk of the superior court in the county in which the real property is situated. The notice of appeal shall describe the property and set forth the objections of the appellant to the special assessment. Within ten days from the filing of such notice of appeal with the clerk of the superior court, the appellant shall file with the clerk of the court a transcript consisting of the special assessment roll and his or her objections thereto, together with the resolution confirming such special assessment roll and the record of the county legislative authority with reference to the special assessment or annual special assessments, which transcript, upon payment of the necessary fees therefor, shall be furnished by an officer of the county and by him or her certified to contain full, true, and correct copies of all matters and proceedings required to be included in the transcript. Such fees shall be the same as the fees payable to the county clerk for the preparation and certification of transcripts on appeal to the supreme court or the court of appeals in civil actions.

At the time of the filing of the notice of appeal with the clerk of the superior court a sufficient bond in the penal sum of two hundred dollars, with a surety or sureties thereon as provided by law for appeals in civil cases, shall be filed conditioned to prosecute such appeal without delay, and if unsuccessful, to pay all costs incurred by the county because of the appeal. The court may order the appellant, upon application therefor, to execute and file such additional bond or bonds as the necessity of the case may require.

Within three days after such transcript is filed in the superior court, the appellant shall give written notice to the county legislative authority that such transcript is filed. The notice shall state a time, not less than three days from the service thereof, when the appellant will call up the cause for hearing.

The superior court shall, at this time or at such further time as may be fixed by order of the court, hear and determine such appeal without a jury, and such cause shall have preference over all civil causes pending in the court, except proceedings under an act relating to eminent domain in such county and actions of forcible entry and detainer. The judgment of the court shall confirm, correct, modify, or annul the special assessment or annual special assessments insofar as the same affects the property of the appellant. A certified copy of the decision of the court shall be filed with the officer having custody of the special assessment roll, and he or she shall modify and correct such special assessment roll in accordance with the decision.

An appeal shall lie to the supreme court or the court of appeals from the judgment of the superior court, as in other cases, however, such appeal must be taken within fifteen days after the date of the entry of the judgment of the superior court, and the record and opening brief of the appellant in the cause shall be filed in the supreme court or the court of appeals within sixty days after the appeal is taken by notice as provided in this section. The time for filing the record and serving and filing of briefs may be extended by order of the superior court, or by stipulation of the parties concerned. The supreme court or the court of appeals on such appeal may correct, modify, confirm, or annul the special assessment or annual special assessments insofar as the same affects the property of the appellant. A certified copy of the order of the supreme court or the court of appeals upon such appeal shall be filed with the officer having custody of such special assessment roll, who shall thereupon modify and correct such special assessment roll in accordance with such decision.

NEW SECTION. Sec. 16. All property included within a lake management district shall be considered to be the property specially benefited by the lake improvement or maintenance activities and shall be the property upon which special assessments are imposed to pay the costs and expenses of the lake improvement or maintenance activities, or such part of the costs and expenses as may be chargeable against the property specially benefited. The special assessments shall be imposed on property in accordance with the special benefits conferred on

the property up to but not in excess of the total costs and expenses of the lake improvement or maintenance activities as provided in the special assessment roll.

Special assessments may be measured by front footage, acreage, the extent of improvements on the property, or any other factors that are deemed to fairly reflect special benefits. Special assessments may be calculated by using more than one factor. Zones around the public improvement may be used that reflect different levels of benefit in each zone that are measured by a front footage, acreage, the extent of improvements, or other factors.

Public property, including property owned by the state of Washington, shall be subject to special assessments to the same extent that private property is subject to the special assessments, except no lien shall extend to public property.

NEW SECTION, Sec. 17. The total annual special assessments may not exceed the estimated cost of the lake improvement or maintenance activities proposed to be financed by such special assessments, as specified in the resolution of intention. The total of special assessments imposed in a lake management district that are of the nature of special assessments imposed in a local improvement district shall not exceed one hundred fifty percent of the estimated total cost of the lake improvement or maintenance activities that are proposed to be financed by the lake management district as specified in the resolution of intention. After a lake management district has been created, the resolution of intention may be amended to increase the amount to be financed by the lake management district by using the same procedure in which a lake management district is created.

NEW SECTION, Sec. 18. Whenever annual special assessments are being imposed, the county legislative authority may modify the level of annual special assessments imposed by conforming with the procedures and subject to the limitations included in sections 12 through 17 of this act.

NEW SECTION, Sec. 19. Special assessments and installments on any special assessment shall be collected by the county treasurer.

The county treasurer shall publish a notice indicating that the special assessment roll has been confirmed and that the special assessments are to be collected. The notice shall indicate the duration of the lake management district and shall describe whether the special assessments will be paid in annual payments for the duration of the lake management district, or whether the full special assessments will be payable at one time, with the possibility of periodic installments being paid and lake management bonds being issued, or both.

If the special assessments are to be payable at one time, the notice additionally shall indicate that all or any portion of the special assessments may be paid within thirty days from the date of publication of the first notice without penalty or interest. This notice shall be published in a newspaper of general circulation in the lake management district.

Within ten days of the first newspaper publication, the county treasurer shall notify each owner or reputed owner of property whose name appears on the special assessment roll, at the address shown on the special assessment roll, for each item of property described on the list: (1) Whether one special assessment payable at one time or special assessments payable annually have been imposed; (2) the amount of the property subject to the special assessment or annual special assessments; and (3) the total amount of the special assessment due at one time, or annual amount of special assessments due. If the special assessment is due at one time, the notice shall also describe the thirty-day period during which the special assessment may be paid without penalty, interest, or cost.

NEW SECTION, Sec. 20. If the special assessments are to be payable at one time, all or any portion of any special assessment may be paid without interest, penalty, or costs during this thirty-day period and placed into a special fund to defray the costs of the lake improvement or maintenance activities. The remainder shall be paid in installments as provided in a resolution adopted by the county legislative authority, but the last installment shall be due at least two years before the maximum term of the bonds issued to pay for the improvements or maintenance. The installments shall include amounts sufficient to redeem the bonds issued to pay for the lake improvement and maintenance activities. A twenty-day period shall be allowed after the due date of any installment within which no interest, penalty, or costs on the installment may be imposed.

The county shall establish by ordinance an amount of interest that will be imposed on late special assessments imposed annually or at once, and on installments of a special assessment. The ordinance shall also specify the penalty, in addition to the interest, that will be imposed on a late annual special assessment, special assessment, or installment which shall not be less than five percent of the delinquent special assessment or installment.

The owner of any lot, tract, parcel of land, or other property charged with a special assessment may redeem it from all liability for the unpaid amount of the installments by paying, to the county treasurer, the remaining portion of the installments that is attributable to principal on the lake management district bonds.

NEW SECTION, Sec. 21. Whenever any land against which there has been levied any special assessment or annual special assessments by any county has been sold in part, subdivided, or short subdivided, the county legislative authority may order a segregation of the

special assessment or annual special assessments. If an installment has been made, the segregation shall apportion the remaining installments on the parts or lots created.

Any person desiring to have such a special assessment or annual special assessments against a tract of land segregated to apply to smaller parts thereof shall apply to the county legislative authority which levied the special assessment or annual special assessments. If the county legislative authority determines that a segregation should be made, it shall by resolution order the county treasurer to segregate the special assessment or annual special assessments on the original assessment roll as directed in the resolution. The segregation shall be made as nearly as possible on the same basis as the original special assessment or annual special assessments were levied, and the total of the segregated parts of the special assessment or annual special assessments shall equal the amount of the special assessment or annual special assessments unpaid before segregation. The resolution shall describe the original tract and the amount and date of the original special assessment or annual special assessments and shall define the boundaries of the divided parts and the amount of the special assessment or annual special assessments chargeable to each part. A certified copy of the resolution shall be delivered to the county treasurer who shall proceed to segregate the special assessment or annual special assessments upon being tendered a fee of three dollars for each tract of land for which a segregation is to be made. In addition to such charge the county legislative authority may require as a condition to the order of segregation that the person seeking it pay the local government the reasonable engineering and clerical costs incident to making the segregation.

NEW SECTION, Sec. 22. Within fifteen days after a county creates a lake management district, the county shall cause to be filed with the county treasurer, a description of the lake improvement and maintenance activities proposed that the lake management district finances, the lake management district number, and a copy of the diagram or print showing the boundaries of the lake management district and preliminary special assessment roll or abstract of same showing thereon the lots, tracts, parcels of land, and other property that will be specially benefited thereby and the estimated cost and expense of such lake improvement and maintenance activities to be borne by each lot, tract, parcel of land, or other property. The treasurer shall immediately post the proposed special assessment roll upon his or her index of special assessments against the properties affected by the lake improvement or maintenance activities.

NEW SECTION, Sec. 23. The special assessment or annual special assessments imposed upon the respective lots, tracts, parcels of land, and other property in the special assessment roll or annual special assessment roll confirmed by resolution of the county legislative authority for the purpose of paying the cost and expense in whole or in part of any lake improvement or maintenance activities shall be a lien upon the property assessed from the time the special assessment roll is placed in the hands of the county treasurer for collection, but as between the grantor and grantee, or vendor and vendee of any real property, when there is no express agreement as to payment of the special assessments against the real property, the lien of such special assessments shall attach thirty days after the filing of the diagram or print and the estimated cost and expense of such lake improvement or maintenance activities to be borne by each lot, tract, parcel of land, or other property, as provided in section 22 of this act. Interest and penalty shall be included in and shall be a part of the special assessment lien. No lien shall extend to public property subjected to special assessments.

The special assessment lien shall be paramount and superior to any other lien or encumbrance theretofore or thereafter created except a lien for general taxes.

NEW SECTION, Sec. 24. Special assessments shall be valid and enforceable as such and the lien thereof on the property assessed shall be valid if the county legislative authority in making the special assessments acted in good faith and without fraud. Delinquent special assessments or installments shall be foreclosed in the same manner as special assessments are foreclosed under chapter 36.94 RCW. Public property subject to special assessments shall not be subject to liens.

NEW SECTION, Sec. 25. The county legislative authority may stop the imposition of annual special assessments if, in its opinion, the public interest will be served by such action.

NEW SECTION, Sec. 26. (1) Counties may issue lake management district bonds in accordance with this section. Lake management district bonds may be issued to obtain money sufficient to cover that portion of the special assessments that are not paid within the thirty-day period provided in section 19 of this act. The maximum term of lake management district bonds shall be ten years.

Whenever lake management district bonds are proposed to be issued, the county legislative authority shall create a special fund or funds for the lake management district from which all or a portion of the costs of the lake improvement and maintenance activities shall be paid. Lake management district bonds shall not be issued in excess of the costs and expenses of the lake improvement and maintenance activities and shall not be issued prior to twenty days after the thirty days allowed for the payment of special assessments without interest or penalties.

Lake management district bonds shall be exclusively payable from the special fund or funds and from a guaranty fund that the county may have created out of a portion of proceeds from the sale of the lake management district bonds.

(2) Lake management district bonds shall not constitute a general indebtedness of the county issuing the bond nor an obligation, general or special, of the state. The owner of any lake management district bond shall not have any claim for the payment thereof against the county that issues the bonds except for payment from the special assessments made for the lake improvement or maintenance activities for which the lake management district bond was issued and from a lake management district guaranty fund that may have been created. The county shall not be liable to the owner of any lake management district bond for any loss to the lake management district guaranty fund occurring in the lawful operation of the fund. The owner of a lake management district bond shall not have any claim against the state arising from the lake management district bond, special assessments, or guaranty fund. Tax revenues shall not be used to secure or guarantee the payment of the principal or of interest on lake management district bonds.

The substance of the limitations included in this subsection shall be plainly printed, written, engraved, or reproduced on: (a) Each lake management district bond that is a physical instrument; (b) the official notice of sale; and (c) each official statement associated with the lake management district bonds.

(3) If the county fails to make any principal or interest payments on any lake management district bond or to promptly collect any special assessment securing the bonds when due, the owner of the lake management district bond may obtain a writ of mandamus from any court of competent jurisdiction requiring the county to collect the special assessments, foreclose on the related lien, and make payments out of the special fund or guaranty fund if one exists. Any number of owners of lake management districts may join as plaintiffs.

(4) A county may create a lake management district bond guaranty fund for each issue of lake management district bonds. The guaranty fund shall only exist for the life of the lake management district bonds with which it is associated. A portion of the bond proceeds may be placed into a guaranty fund. Unused moneys remaining in the guaranty fund during the last two years of the installments shall be used to proportionally reduce the required level of installments and shall be transferred into the special fund into which installment payments are placed.

(5) Lake management district bonds shall be issued and sold in accordance with chapter 39.46 RCW. The authority to create a special fund or funds shall include the authority to create accounts within a fund.

NEW SECTION. Sec. 27. A new section is added to chapter 35.21 RCW to read as follows:

Any city or town may establish lake management districts within its boundaries as provided in chapter 36.____ RCW (sections 1 through 26 of this act). When a city or town establishes a lake management district pursuant to chapter 36.____ RCW (sections 1 through 26 of this act), the term 'county legislative authority' shall be deemed to mean the city or town governing body, the term 'county' shall be deemed to mean the city or town, and the term 'county treasurer' shall be deemed to mean the city or town treasurer or other fiscal officer.

Sec. 28. Section 2, chapter 107, Laws of 1939 as amended by section 1, chapter 258, Laws of 1959 and RCW 90.24.010 are each amended to read as follows:

The court, after hearing, is authorized to make an order fixing the water level thereof (~~except during that period when it is ordered to be lowered for weed control and other similar purposes~~) and directing the (~~supervisor~~) department of ecology to regulate the outflow therefrom in accordance with the purposes described in the petition. This section shall not apply to any meandered lake or reservoir used for the storage of water for irrigation or other beneficial purposes, or to lakes navigable from the sea.

Sec. 29. Section 5, chapter 107, Laws of 1939 as amended by section 3, chapter 258, Laws of 1959 and RCW 90.24.040 are each amended to read as follows:

At the hearing evidence shall be introduced in support of the petition and all interested parties may be heard for or against it. The court shall make findings and conclusions and enter an order granting or refusing the petition, and if the petition is granted, shall fix the water level to be maintained and direct the (~~supervisor~~) department of ecology to regulate and control the outflow of the lake so as to properly maintain the water level so far as practicable within maximum and minimum limits when the proper control devices are installed: PROVIDED, That (~~the court may order periodic lowering of the lake level to facilitate weed control and other similar objectives: PROVIDED FURTHER, That~~) the court shall have continuing jurisdiction after a petition is once granted and shall, upon subsequent petition filed and heard in accordance with the preceding sections, make such further findings and conclusions and enter such further orders as are necessary to accomplish fully the objectives sought in the initial petition: AND

PROVIDED FURTHER, That shall the court find any such riparian owners abutting on a stream or river flowing from such lake be adversely affected in any way by the granting of such a petition, such petition shall be refused.

NEW SECTION. Sec. 30. Section 4, chapter 258, Laws of 1959 and RCW 90.24.065 are each repealed.

NEW SECTION. Sec. 31. Sections 28 through 30 of this act shall take effect January 1, 1986.

NEW SECTION. Sec. 32. Sections 1 through 26 of this act shall constitute a new chapter in Title 36 RCW."

(1) As used in this section, 'taxing district' means a county, emergency medical service district, city or town, public hospital district, or fire protection district.

(2) A taxing district may impose additional regular property tax levies in an amount equal to twenty-five cents or less per thousand dollars of the assessed value of property in the taxing district in each year for six consecutive years when specifically authorized so to do by a majority of at least three-fifths of the electors thereof approving a proposition authorizing the levies submitted at a general or special election, at which election the number of persons voting 'yes' on the proposition shall constitute three-fifths of a number equal to forty per centum of the total votes cast in such taxing district at the last preceding general election when the number of electors voting on the proposition does not exceed forty per centum of the total votes cast in such taxing district in the last preceding general election; or by a majority of at least three-fifths of the electors thereof voting on the proposition when the number of electors voting on the proposition exceeds forty per centum of the total votes cast in such taxing district in the last preceding general election. The legislature finds:

(1) The exporting of goods and services from Washington to international markets is an important economic stimulus to the growth ~~((and)), development, and stability of ((many)) the state's businesses, and ((the economic activities associated with exporting make an important contribution to the economic well-being of the state))~~ that these economic activities create needed jobs for Washingtonians.

(2) Impediments to the entry of many small and medium-sized businesses into export markets have restricted growth in exports from the state.

(3) Particularly significant impediments for many small and medium-sized businesses are the lack of easily accessible information about export opportunities and ~~((export))~~ financing alternatives ~~((and the limited availability of export financing at reasonable costs from conventional financing sources for many small and medium-sized businesses)).~~

(4) There is a need for ~~((an))~~ a small business export finance assistance center which will specialize in providing export assistance to small and medium-sized businesses throughout the state ~~((in the financing of export transactions and))~~ in acquiring information about export opportunities and financial alternatives for exporting.

Sec. 2. Section 2, chapter 20, Laws of 1983 1st ex. sess. and RCW 43.210.020 are each amended to read as follows:

A nonprofit corporation, to be known as the small business export finance assistance center, and branches subject to its authority, may be formed under chapter 24.03 RCW for the following public purposes:

(1) To assist small and medium-sized businesses in the financing of export transactions.

(2) To provide, singly or in conjunction with other organizations, information and assistance to these businesses about export opportunities and ~~((export))~~ financing alternatives.

(3) To provide information to and assist those businesses interested in exporting products, including the opportunities available to them in organizing export trading companies under the United States export trading company act of 1982, for the purpose of increasing their comparative sales volume and ability to export their products to foreign markets.

Sec. 3. Section 3, chapter 20, Laws of 1983 1st ex. sess. and RCW 43.210.030 are each amended to read as follows:

The directors may provide for the payment of their expenses. The directors shall include a representative of a not-for-profit corporation formed for the purpose of facilitating economic development, ~~((a))~~ at least two representatives of ~~((a))~~ state financial institutions engaged in the financing of export transactions, a representative of a port district, and a representative of organized labor. ~~Of the remaining board members, there shall be a representative of the governor, ((and four representatives of businesses: (a))) one representative of business from the area west of Puget Sound, ((b)) one representative of business from the area east of Puget Sound and west of the Cascade range, ((c)) one representative of business from the area east of the Cascade range and west of the Columbia river, and ((d)) one representative of business from the area east of the Columbia river. One of the directors shall be a representative of the public selected from the area in the state west of the Cascade mountain range and one director shall be a representative of the public selected from that area of the state east of the Cascade mountain range. (1) The small business export finance assistance center formed under RCW 43.210.020 and 43.210.030 shall have the powers granted under chapter 24.03 RCW. In exercising such powers, the center may:

(a) Solicit and accept grants, contributions, and any other financial assistance from the federal government, federal agencies, and any other sources to carry out its purposes;

SENATE AMENDMENTS TO HOUSE BILL

April 18, 1985

Mr. Speaker:

The Senate has passed ENGROSSED SECOND SUBSTITUTE HOUSE BILL NO. 348 with the following amendments:

Strike everything after the enacting clause and insert the following:

"Sec. 1. Section 3, chapter 137, Laws of 1981 as last amended by section 3, chapter 209, Laws of 1984 and RCW 9.94A.030 are each amended to read as follows:

Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

(1) 'Commission' means the sentencing guidelines commission.

(2) 'Community corrections officer' means an employee of the department who is responsible for carrying out specific duties in supervision of sentenced offenders and monitoring of sentence conditions.

(3) 'Community service' means compulsory service, without compensation, performed for the benefit of the community by the offender.

(4) 'Community supervision' means a period of time during which a convicted offender is subject to crime-related prohibitions and other sentence conditions imposed pursuant to this chapter by a court. For first-time offenders, the supervision may include crime-related prohibitions and other conditions imposed pursuant to RCW 9.94A.120(5).

(5) 'Confinement' means total or partial confinement as defined in this section.

(6) 'Conviction' means an adjudication of guilt pursuant to Titles 10 or 13 RCW and includes a verdict of guilty, a finding of guilty, and acceptance of a plea of guilty.

(7) 'Crime-related prohibition' means an order of a court prohibiting conduct that directly relates to the circumstances of the crime for which the offender has been convicted, and shall not be construed to mean orders directing an offender affirmatively to participate in rehabilitative programs or to otherwise perform affirmative conduct.

(8) (a) 'Criminal history' means the list of a defendant's prior convictions, whether in this state, in federal court, or elsewhere. The history shall include, where known, for each conviction (i) whether the defendant has been placed on probation and the length and terms thereof; and (ii) whether the defendant has been incarcerated and the length of incarceration.

(b) 'Criminal history' includes a defendant's prior convictions ((or pleas of guilty)) in juvenile court if: (i) The ((guilty plea or)) conviction was for an offense which is a felony and is criminal history as defined in RCW 13.40.020(6)(a); and (ii) the defendant was fifteen years of age or older at the time the offense was committed; and (iii) the defendant ((had not reached his or her twenty-third birthday)) was less than twenty-three years of age at the time the offense for which he or she is being sentenced was committed.

(9) 'Department' means the department of corrections.

(10) 'Determinate sentence' means a sentence that states with exactitude the number of actual years, months, or days of total confinement, of partial confinement, of community supervision, the number of actual hours or days of community service work, or dollars or terms of a fine or restitution. The fact that an offender through 'earned early release' can reduce the actual period of confinement shall not affect the classification of the sentence as a determinate sentence.

(11) 'Drug offense' means any felony violation of chapter 69.50 RCW except possession of a controlled substance (RCW 69.50.401(d)).

(12) 'Escape' means escape in the first degree (RCW 9A.76.110), escape in the second degree (RCW 9A.76.120), willful failure to return from furlough (RCW 72.66.060), or willful failure to return from work release (RCW 72.65.070).

~~((+2))~~ (15) 'First-time offender' means any person convicted of a felony not classified as a violent offense under this chapter, who previously has never been convicted of a felony in this state, federal court, or another state, and who has never participated in a program of deferred prosecution for a felony offense.

~~((+3))~~ (16) 'Nonviolent offense' means an offense which is not a violent offense.

(17) 'Offender' means a person who has committed a felony established by state law and is eighteen years of age or older or is less than eighteen years of age but whose case has been transferred by the appropriate juvenile court to a criminal court pursuant to RCW 13.40.110. Throughout this chapter, the terms 'offender' and 'defendant' are used interchangeably.

~~((+4))~~ (18) 'Partial confinement' means confinement for no more than one year in a facility or institution operated or utilized under contract by the state or any other unit of government, for a substantial portion of each day with the balance of the day spent in the community.

~~((+5))~~ (19) 'Restitution' means the requirement that the offender pay a specific sum of money over a specific period of time to the court as payment of damages. The sum may include both public and private costs. The imposition of a restitution order does not preclude civil redress.

~~((+6))~~ (20) 'Serious traffic offense' means driving while intoxicated (RCW 46.61.502), actual physical control while intoxicated (RCW 46.61.504), reckless driving (RCW 46.61.500), or hit-and-run an attended vehicle (RCW 46.52.020(5)).

~~((†8))~~ (25) 'Violent offense' means:

(a) Any of the following felonies, as now existing or hereafter amended: Any felony defined under any law as a class A felony or an attempt to commit a class A felony, criminal solicitation or of criminal conspiracy to commit a class A felony, manslaughter in the first degree, manslaughter in the second degree, indecent liberties if committed by forcible compulsion, rape in the second degree, kidnapping in the second degree, arson in the second degree, assault in the second degree, extortion in the first degree, robbery in the second degree, ~~((and))~~ vehicular homicide, and vehicular assault;

(b) Any conviction for a felony offense in effect at any time prior to July 1, 1976, that is comparable to a felony classified as a violent offense in subsection ~~((†8))~~ (25)(a) of this section; and

(c) Any federal or out-of-state conviction for an offense that under the laws of this state would be a felony classified as a violent offense under subsection ~~((†8))~~ (25)(a) or (b) of this section.

Sec. 2. Section 4, chapter 137, Laws of 1981 as amended by section 2, chapter 192, Laws of 1982 and RCW 9.94A.040 are each amended to read as follows:

(1) A sentencing guidelines commission is established as an agency of state government.

(2) The commission shall, following a public hearing or hearings:

(a) Devise a series of recommended standard sentence ranges for all felony offenses and a system for determining which range of punishment applies to each offender based on the extent and nature of the offender's criminal history, if any;

(b) Devise recommended prosecuting standards in respect to charging of offenses and plea agreements; and

(c) Devise recommended standards to govern whether sentences are to be served consecutively or concurrently.

(3) Each of the commission's recommended standard sentence ranges shall include one or more of the following: Total confinement, partial confinement, community supervision, community service, and a fine.

(4) In devising the standard sentence ranges of total and partial confinement under this section, the commission is subject to the following limitations:

(a) If the maximum term in the range is one year or less, the minimum term in the range shall be no less than one-third of the maximum term in the range, except that if the maximum term in the range is ninety days or less, the minimum term may be less than one-third of the maximum;

(b) If the maximum term in the range is greater than one year, the minimum term in the range shall be no less than seventy-five percent of the maximum term in the range; and

(c) The maximum term of confinement in a range may not exceed the statutory maximum for the crime as provided in RCW 9A.20.020.

(5) In carrying out its duties under subsection (2) of this section, the commission shall give consideration to the existing guidelines adopted by the association of superior court judges and the Washington association of prosecuting attorneys and the experience gained through use of those guidelines. The commission shall emphasize confinement for the violent offender and alternatives to total confinement for the nonviolent offender.

(6) This commission shall conduct a study to determine the capacity of correctional facilities and programs which are or will be available. While the commission need not consider such capacity in arriving at its recommendations, the commission shall project whether the implementation of its recommendations would result in exceeding such capacity. If the commission finds that this result would probably occur, then the commission shall prepare an additional list of standard sentences which shall be consistent with such capacity.

~~(7) ((By January 10, 1983, the commission shall recommend its standard sentence ranges and standards to the legislature by providing the recommendations to the chief clerk of the house of representatives and secretary of the senate. If the commission has prepared an additional list of standard sentence ranges, as provided under subsection (6) of this section, then the commission shall include such list along with its recommendations.~~

~~(8) Every two years;~~) The commission may recommend to the legislature revisions or modifications to the standard sentence ranges and other standards. If implementation of the revisions or modifications would result in exceeding the capacity of correctional facilities, then the commission shall accompany its recommendation with an additional list of standard sentence ranges which are consistent with correction capacity.

~~((9))~~ (8) The commission shall study the existing criminal code and from time to time make recommendations to the legislature for modification.

~~((+0))~~ (9) The commission shall exercise its duties under this section in conformity with chapter 34.04 RCW, as now existing or hereafter amended.

Sec. 3. Section 7, chapter 137, Laws of 1981 and RCW 9.94A.070 are each amended to read as follows:

~~((1) At its regular session convening in 1983, the legislature shall enact laws approving or modifying either the standards recommended by the commission, or the additional list of standard sentence ranges consistent with prison capacity in the event an additional list has been submitted pursuant to RCW 9.94A.040(6). The standards so adopted shall take effect on July 1, 1984.~~

~~(2)) Revisions or modifications of standard sentence ranges or other standards, together with any additional list of standard sentence ranges, shall be submitted to the legislature at least every two years ((and shall become effective as provided under subsection (1) of this section on July first of the year in which they are submitted)).~~

Sec. 4. Section 12, chapter 137, Laws of 1981 as last amended by section 6, chapter 209, Laws of 1984 and RCW 9.94A.120 are each amended to read as follows:

When a person is convicted of a felony, the court shall impose punishment as provided in this section.

(1) Except as authorized in subsections (2) ~~((and)),~~ (5), and (7) of this section, the court shall impose a sentence within the sentence range for the offense.

(2) The court may impose a sentence outside the standard sentence range for that offense if it finds, considering the purpose of this chapter, that there are substantial and compelling reasons justifying an exceptional sentence.

(3) Whenever a sentence outside the standard range is imposed, the court shall set forth the reasons for its decision in written findings of fact and conclusions of law. A sentence outside the standard range shall be a determinate sentence.

(4) An offender convicted of the crime of murder in the first degree shall be sentenced to a term of total confinement not less than twenty years. An offender convicted of the crime of assault in the first degree where the offender used force or means likely to result in death or intended to kill the victim shall be sentenced to a term of total confinement not less than five years. An offender convicted of the crime of rape in the first degree shall be sentenced to a term of total confinement not less than three years, and shall not be eligible for furlough, work release or other authorized leave of absence from the correctional facility during such minimum three year term except for the purpose of commitment to an inpatient treatment facility. The foregoing minimum terms of total confinement are mandatory and shall not be varied or modified as provided in subsection (2) of this section.

(5) In sentencing a first-time offender, other than a person convicted of a violation of chapter 9A.44 RCW or RCW 9A.64.020, the court may waive the imposition of a sentence within the sentence range and impose a sentence which may include up to ninety days of confinement in a facility operated or utilized under contract by the county and a requirement that the offender refrain from committing new offenses. The sentence may also include up to two years of community supervision, which, in addition to crime-related prohibitions, may include requirements that the offender perform any one or more of the following:

(a) Devote time to a specific employment or occupation;

(b) Undergo available outpatient treatment for up to two years, or inpatient treatment not to exceed the standard range of confinement for that offense;

(c) Pursue a prescribed, secular course of study or vocational training;

(d) Remain within prescribed geographical boundaries and notify the court or the community corrections officer of any change in the offender's address or employment;

(e) Report as directed to the court and a community corrections officer; or

(f) Pay a fine, make restitution, and/or accomplish some community service work.

(6) If a sentence range has not been established for the defendant's crime, the court shall impose a determinate sentence which may include not more than one year of confinement, community service work, restitution, a term of community supervision not to exceed one year, and/or a fine. The court may impose a sentence which provides more than one year of confinement if the court finds, considering the purpose of this chapter, that there are substantial and compelling reasons justifying an exceptional sentence.

(7) (a) When an offender is convicted of ~~((any))~~ a sex offense other than a violation of ~~((chapter 9A.44 RCW or RCW 9A.64.020 except))~~ RCW 9A.44.040 or RCW 9A.44.050 and has no prior convictions ~~((of chapter 9A.44 RCW, RCW 9A.64.020))~~ for a sex offense or any other felony sexual offenses in this or any other state, the sentencing court, on its own motion or the motion of the state or the defendant, may order an examination to determine whether the defendant is amenable to treatment.

After receipt of the reports, the court shall then determine whether the offender and the community will benefit from use of this special sexual offender sentencing alternative. If the court determines that both the offender and the community will benefit from use of this provision, the court shall then impose a sentence within the sentence range and, if this sentence is less than six years of confinement, the court may suspend the execution of the sentence and

place the offender on community supervision for up to two years. As a condition of the suspended sentence, the court may impose other sentence conditions including up to six months of confinement, not to exceed the sentence range of confinement for that offense, crime-related prohibitions, and requirements that the offender perform any one or more of the following:

- (i) Devote time to a specific employment or occupation;
- (ii) Undergo available outpatient sex offender treatment for up to two years, or inpatient sex offender treatment not to exceed the standard range of confinement for that offense. A community mental health center may not be used for such treatment unless it has an appropriate program designed for sex offender treatment;
- (iii) Remain within prescribed geographical boundaries and notify the court or the community corrections officer of any change in the offender's address or employment;
- (iv) Report as directed to the court and a community corrections officer;
- (v) Pay a fine, make restitution, accomplish some community service work, or any combination thereof; or
- (vi) Make recoupment to the victim for the cost of any counseling required as a result of the offender's crime.

If the offender violates these sentence conditions the court may revoke the suspension and order execution of the sentence. All confinement time served during the period of community supervision shall be credited to the offender if the suspended sentence is revoked.

(b) When an offender is convicted of any felony sexual offense and is sentenced to a term of confinement of more than one year but less than six years, the sentencing court may, on its own motion or on the motion of the offender or the state, order the offender committed for up to thirty days to the custody of the secretary of the department of social and health services at the Eastern State Hospital or the Western State Hospital for evaluation and report to the court on the offender's amenability to treatment at these facilities. If the secretary of the department of social and health services cannot begin the evaluation within thirty days of the court's order of commitment, the offender shall be transferred to the state for confinement pending an opportunity to be evaluated at the appropriate facility. The court shall review the reports and may order that the term of confinement imposed be served in the sexual offender treatment programs at Western State Hospital or Eastern State Hospital, ((as determined by the secretary of the department of social and health services)) only if the report indicates that the offender is amenable to treatment at these facilities. The offender shall be transferred to the state pending placement in the treatment program.

If the offender does not comply with the conditions of the treatment program, the secretary of the department of social and health services may refer the matter to the sentencing court for determination as to whether the offender shall be ((transferred)) committed to the department of corrections to serve the balance of his term of confinement.

If the offender successfully completes the treatment program before the expiration of his term of confinement, the court may convert the balance of confinement to community supervision and may place conditions on the offender including crime-related prohibitions and requirements that the offender perform any one or more of the following:

- (i) Devote time to a specific employment or occupation;
- (ii) Remain within prescribed geographical boundaries and notify the court or the community corrections officer of any change in the offender's address or employment;
- (iii) Report as directed to the court and a community corrections officer;
- (iv) Undergo available outpatient treatment.

If the offender violates any of the terms of his community supervision, the court may order the offender to serve out the balance of his community supervision term in confinement in the custody of the department of corrections.

(c) Whenever a court sentences a person convicted of a sex offense to a term of confinement of more than one year, including a sentence under (b) of this subsection, the court may also order, in addition to the other terms of the sentence, that the offender, upon release from confinement, serve up to two years of community supervision. The conditions of supervision shall be limited to:

- (i) Crime-related prohibitions;
- (ii) A requirement that the offender report to a community corrections officer at regular intervals; and

(iii) A requirement to remain within or without stated geographical boundaries.

The length and conditions of supervision shall be set by the court at the time of sentencing. However, within thirty days prior to release from confinement and throughout the period of supervision, the length and conditions of supervision may be modified by the sentencing court, upon motion of the department of corrections, the offender, or the prosecuting attorney. The period of supervision shall be tolled during any time the offender is in confinement for any reason. The period of supervision shall be concurrent with any outpatient supervision that is part of a treatment program imposed under (b) of this subsection. In no case shall the period of supervision, in combination with the other terms of the offender's sentence, exceed the statutory maximum term for the offender's crime, as set forth in RCW 9A.20.021.

If the offender violates any condition of supervision, the sentencing court, after a hearing conducted in the same manner as provided for in RCW 9.94A.200, may order the offender to be confined for up to sixty days in the county jail at state expense from funds provided for this purpose to the department of corrections. Reimbursement rates for such purposes shall be established based on a formula determined by the office of financial management and reestablished each even-numbered year. An offender may be held in jail at state expense pending the hearing, and any time served while awaiting the hearing shall be credited against confinement imposed for a violation. Even after the period of supervision has expired, an offender may be confined for a violation occurring during the period of supervision. The court shall retain jurisdiction for the purpose of holding the violation hearing and imposing a sanction.

(8) If the court imposes a sentence requiring confinement of thirty days or less, the court may, in its discretion, specify that the sentence be served on consecutive or intermittent days. A sentence requiring more than thirty days of confinement shall be served on consecutive days. Local jail administrators may schedule court-ordered intermittent sentences as space permits.

(9) If a sentence imposed includes a fine or restitution, the sentence shall specify a reasonable manner and time in which the fine or restitution shall be paid. In any sentence under this chapter the court may also require the offender to make such monetary payments, on such terms as it deems appropriate under the circumstances, as are necessary (a) to pay court costs, including reimbursement of the state for costs of extradition if return to this state by extradition was required, (b) to make recoupment of the cost of defense attorney's fees if counsel is provided at public expense, (c) to contribute to a county or interlocal drug fund, and (d) to make such other payments as provided by law. All monetary payments shall be ordered paid by no later than ten years after the date of the judgment of conviction.

(10) Except as provided under RCW 9.94A.140(1), a court may not impose a sentence providing for a term of confinement or community supervision which exceeds the statutory maximum for the crime as provided in RCW 9A.20.020.

(11) All offenders sentenced to terms involving community supervision, community service, restitution, or fines shall be under the supervision of the secretary of the department or such person as the secretary may designate and shall follow implicitly the instructions of the secretary including reporting as directed to a community corrections officer, remaining within prescribed geographical boundaries, and notifying the community corrections officer of any change in the offender's address or employment.

(12) The sentencing court shall give the offender credit for all confinement time served before the sentencing if that confinement was solely in regard to the offense for which the offender is being sentenced.

(13) A departure from the standards in RCW 9.94A.400(1) and (2) governing whether sentences are to be served consecutively or concurrently is an exceptional sentence subject to the limitations in subsections (2) and (3) of this section, and may be appealed by the defendant or the state as set forth in RCW 9.94A.210(2) through (6).

Sec. 5. Section 19, chapter 137, Laws of 1981 as amended by section 10, chapter 209, Laws of 1984 and RCW 9.94A.190 are each amended to read as follows:

(1) A sentence that includes a term or terms of confinement totaling more than one year shall be served in a facility or institution operated, or utilized under contract, by the state. Except as provided for in subsection (3) of this section, a sentence of not more than one year of confinement shall be served in a facility operated, licensed, or utilized under contract, by the county.

(2) If a county uses a state partial confinement facility for the partial confinement of a person sentenced to confinement for not more than one year, the county shall reimburse the state for the use of the facility as provided for in this subsection. The office of financial management shall set the rate of reimbursement based upon the average per diem cost per offender in the facility. The office of financial management shall determine to what extent, if any, reimbursement shall be reduced or eliminated because of funds provided by the legislature to the department of corrections for the purpose of covering the cost of county use of state partial confinement facilities. The office of financial management shall reestablish reimbursement rates each even-numbered year.

(3) A person who is sentenced for a felony to a term of not more than one year, and who is committed or returned to incarceration in a state facility on another felony conviction, either under the indeterminate sentencing laws, chapter 9.95 RCW, or under this chapter shall serve all terms of confinement, including a sentence of not more than one year, in a facility or institution operated, or utilized under contract, by the state, consistent with the provisions of RCW 9.94A.400.

Sec. 6. Section 2, chapter 115, Laws of 1983 as amended by section 16, chapter 209, Laws of 1984 and RCW 9.94A.310 are each amended to read as follows:

NOTE: Numbers in the first horizontal row of each seriousness category represent sentencing midpoints in years(y) and months(m). Numbers in the second and third rows represent presumptive sentencing ranges in months, or in days if so designated. 12+ equals one year and one day.

(2) For persons convicted of the anticipatory offenses of criminal attempt, solicitation, or conspiracy under chapter 9A.28 RCW, the presumptive sentence is determined by locating the

sentencing grid sentence range defined by the appropriate offender score and the seriousness level of the completed crime, and multiplying the range by 75 percent.

(3) The following additional times shall be added to the presumptive sentence if the offender or an accomplice was armed with a deadly weapon as defined in this chapter and the offender is being sentenced for one of the crimes listed in this subsection. If the offender or an accomplice was armed with a deadly weapon and the offender is being sentenced for an anticipatory offense under chapter 9A.28 RCW to commit one of the crimes listed in this subsection, the following times shall be added to the presumptive range determined under subsection (2) of this section:

- (a) 24 months ((f) for Rape 1 (RCW 9A.44.040), Robbery 1 (RCW 9A.56.200), or Kidnapping 1((g)) (RCW 9A.40.020))

Sec. 9. Section 7, chapter 115, Laws of 1983 as amended by section 19, chapter 209, Laws of 1984 and RCW 9.94A.360 are each amended to read as follows:

The offender score is measured on the horizontal axis of the sentencing grid. The offender score rules ((are)), partially summarized in Table 3, RCW 9.94A.330, are as follows:

The offender score is ((computed in the following way:)) the sum of points accrued under subsections (1) through (13) of this section rounded down to the nearest whole number.

(1) A prior conviction is a conviction which exists before the date of sentencing for the offense for which the offender score is being computed. Convictions entered or sentenced on the same date as the conviction for which the offender score is being computed shall be deemed 'other current offenses' within the meaning of RCW 9.94A.400.

(2) Except as provided in subsection (12) of this section, class A prior felony convictions shall always be included in the offender score. Class B prior felony convictions shall not be included in the offender score if the offender has spent ten years in the community and has not been convicted of any felonies since the last date of release from confinement (including full-time residential treatment) pursuant to a felony conviction, if any, or entry of judgment and sentence. Class C prior felony convictions shall not be included in the offender score if the offender has spent five years in the community and has not been convicted of any felonies since the last date of release from confinement (including full-time residential treatment) pursuant to a felony conviction, if any, or entry of judgment and sentence. Serious traffic convictions shall not be included in the offender score if the offender spent five years in the community and has not been convicted of any serious traffic or felony traffic offense since the last date of release from confinement (including full-time residential treatment) pursuant to a felony or serious traffic conviction, if any, or entry of judgment and sentence. This subsection applies to both adult and juvenile prior convictions. Out-of-state convictions for offenses shall be classified according to the comparable offense definitions and sentences provided by Washington law.

(3) Include juvenile felony convictions only if the offender was 15 or older at the time the juvenile offense was committed and the offender was less than 23 at the time the offense for which he or she is being sentenced was committed.

((2)) (4) Score prior convictions for felony anticipatory offenses (attempts, criminal solicitations, and criminal conspiracies) the same as if they were convictions for completed offenses.

(5) In the case of multiple prior convictions, for the purpose of computing the offender score, count all convictions separately, except:

(a) Prior adult offenses which were found, under RCW 9.94A.400(1)(a), to encompass the same criminal conduct, shall be counted as one offense, the offense that yields the highest offender score;

(b) Juvenile prior convictions entered or sentenced on the same date shall count as one offense, the offense that yields the highest offender score; and

(c) In the case of multiple prior convictions for offenses committed prior to July 1, 1985, for the purpose of computing the offender score, count all adult convictions served concurrently as one offense, and count all juvenile convictions entered on the same date as one offense. The conviction for the offense that yields the highest offender score is used.

(6) If the present conviction is for a nonviolent offense and not covered by subsection (11), (12), or (13) of this section, count one point for each adult prior felony conviction and one point for each juvenile prior violent felony conviction and 1/2 point for each juvenile prior nonviolent felony conviction.

(7) If the present conviction is for a violent offense and not covered in subsection (8), (9), (10), or (11) of this section, count two points for each prior adult and juvenile violent felony

conviction, one point for each prior adult nonviolent felony conviction, and 1/2 point for each prior juvenile nonviolent felony conviction.

(8) If the present conviction is for Murder 1 or 2, Assault 1, Kidnaping 1, or Rape 1, count three points for prior adult and juvenile convictions for crimes in these categories, two points for each prior adult and juvenile violent conviction (not already counted), one point for each prior adult nonviolent felony conviction, and 1/2 point for each prior juvenile nonviolent felony conviction.

((9)) (9) If the present conviction is for Burglary 1, count prior(s) convictions as in subsection ((5)) (7) of this section; however count two points for each prior adult Burglary 2 conviction, and one point for each prior juvenile Burglary 2 conviction.

((10)) (10) If the present conviction is for ~~((Vehicular Homicide, only)) a felony traffic offense count ((the following crimes as part of the offender score:)) two points for each adult or juvenile prior conviction for Vehicular Homicide~~((Vehicular Assault, Felony Hit and Run (RCW 46.52.020(4)), Hit and Run (RCW 46.52.020(5)), Driving While Intoxicated (RCW 46.61.502), Actual Physical Control (RCW 46.61.504), Reckless Driving (RCW 46.61.500), Attempting to Elude a Police Officer (RCW 46.61.500)~~; Count two points for each adult or juvenile Vehicular Homicide conviction, one point for each other adult felony traffic or serious traffic conviction, and 1/2 point for each other juvenile felony traffic or serious traffic conviction.~~

(5) If the present conviction is for a violent offense and not covered in subsections (2), (3), (4), or (8) of this section, count two points for each prior adult and juvenile violent felony conviction, one point for each prior adult nonviolent felony conviction, and 1/2 point for each prior juvenile nonviolent felony conviction); count one point for each adult, and 1/2 point for each juvenile, prior conviction for each other felony offense or serious traffic offense.

((11)) (11) If the present conviction is for a drug offense count two points for each adult prior felony drug offense conviction and one point for each juvenile drug offense. All other adult and juvenile felonies are scored as in subsection (7) of this section if the current drug offense is violent, or as in subsection (6) of this section if the current drug offense is nonviolent.

(12) If the present conviction is for escape (Escape 1, RCW 9A.76.110; Escape 2, RCW 9A.76.120; Willful Failure to Return from Furlough, RCW 72.66.060; and Willful Failure to Return from Work Release, RCW 72.65.070), count only prior escape convictions in the offender score. Count adult prior escape convictions as one point and juvenile prior escape convictions as 1/2 point.

((13)) (13) If the present conviction is for Burglary 2, count priors as in subsection ((9)) (6) of this section; however, count two points for each adult and juvenile prior Burglary 1 conviction, two points for each adult prior Burglary 2 conviction, and one point for each juvenile prior Burglary 2 conviction.

((14)) If the present conviction is for a violation of chapter 69.50 RCW, except for possession of a controlled substance (RCW 69.50.401(d)), count two points for each adult prior felony drug conviction (chapter 69.50 RCW, except RCW 69.50.401(d)), and one point for each juvenile drug conviction. All other adult and juvenile felonies are scored as in subsection (5) of this section if the current drug conviction is violent, or as in subsection (9) of this section if the current drug conviction is nonviolent.

(9) If the present conviction is for a nonviolent offense and not covered by subsection (6), (7), or (8) of this section, count one point for each prior adult felony conviction and one point for each prior juvenile violent felony conviction and 1/2 point for each prior juvenile nonviolent felony.

(10) For all offender scores, the fractional totals shall be rounded down to the nearest whole number.

(11) In the case of multiple prior convictions for the purpose of computing the offender score, count all adult convictions served concurrently as one offense, and count all juvenile convictions entered on the same date as one offense. The conviction for the offense that yields the highest offender score is used.

(12) Class A prior felony convictions are always included in the offender score. Class B prior felony convictions are not included if the offender has spent ten years in the community and has not been convicted of any felonies since the last date of release from confinement pursuant to a felony conviction (including full-time residential treatment), if any, or entry of judgment and sentence. Class C prior felony convictions and serious traffic convictions as defined in RCW 9.94A.330 are not included if the offender has spent five years in the community and has not been convicted of any felonies since the last date of release from confinement pursuant to a felony conviction (including full-time residential treatment), if any, or entry of judgment and sentence. This subsection applies to both adult and juvenile prior convictions.

The designation of out-of-state convictions shall be covered by the offense definitions and sentences provided by Washington law.

The offender score is the sum of points accrued under subsections (1) through (12) of this section.)

Sec. 10. Section 8, chapter 115, Laws of 1983 as amended by section 20, chapter 209, Laws of 1984 and RCW 9.94A.370 are each amended to read as follows:

(1) The intersection of the column defined by the offender score and the row defined by the offense seriousness score determines the presumptive sentencing range (see RCW 9.94A.310, (Table 1)). The additional time for deadly weapon findings shall be added to the entire presumptive sentence range. The court may impose any sentence within the range that it deems appropriate. All presumptive sentence ranges are expressed in terms of total confinement.

(2) In determining any sentence, the trial court may ~~((use))~~ rely on no more information than is admitted by the plea agreement, ~~((and))~~ or admitted ~~((to or))~~, acknowledged, or proved in a trial or at the time of sentencing. Acknowledgement includes not objecting to information stated in the presentence reports. Where the defendant disputes material facts, the court must either not consider the fact or grant an evidentiary hearing on the point. The ~~((real))~~ facts shall be deemed ~~((proven))~~ proved at the ~~((evidentiary))~~ hearing by a preponderance of the evidence. ~~((Real))~~ Facts that establish the elements of ~~((a higher crime))~~ a more serious crime~~(:)~~ or additional crimes ~~((cannot))~~ may not be used to go outside the presumptive sentence range except upon stipulation or when specifically provided for in RCW 9.94A.390.

Sec. 11. Section 10, chapter 115, Laws of 1983 as amended by section 24, chapter 209, Laws of 1984 and RCW 9.94A.390 are each amended to read as follows:

If the sentencing court finds that an exceptional sentence outside the standard range should be imposed in accordance with RCW 9.94A.120(2), the sentence is subject to review only as provided for in RCW 9.94A.210(4).

The following are illustrative factors which the court may consider in the exercise of its discretion to impose an exceptional sentence~~(:)~~. The following are illustrative only and are not intended to be exclusive reasons for exceptional sentences.

(1) Mitigating Circumstances

~~((1))~~ (a) To a significant degree, the victim was an initiator, willing participant, aggressor, or provoker of the incident.

~~((2))~~ (b) Before detection, the defendant compensated, or made a good faith effort to compensate, the victim of the criminal conduct for any damage or injury sustained.

~~((3))~~ (c) The defendant committed the crime under duress, coercion, threat, or compulsion insufficient to constitute a complete defense but which significantly affected his or her conduct.

~~((4))~~ (d) The defendant, with no apparent predisposition to do so, was induced by others to participate in the crime.

~~((5))~~ (e) The defendant's capacity to appreciate the wrongfulness of his conduct or to conform his conduct to the requirements of the law, was significantly impaired (voluntary use of drugs or alcohol is excluded).

~~((6))~~ (f) The offense was principally accomplished by another person and the defendant manifested extreme caution or sincere concern for the safety or well-being of the victim.

~~((7))~~ (g) The operation of the multiple offense policy of RCW 9.94A.400 results in a presumptive sentence that is clearly excessive in light of the purpose of this chapter, as expressed in RCW 9.94A.010.

(2) Aggravating Circumstances

~~((1))~~ (a) The defendant's conduct during the commission of the current offense manifested deliberate cruelty to the victim.

~~((2))~~ (b) The defendant knew or should have known that the victim of the current offense was particularly vulnerable or incapable of resistance due to extreme youth, advanced age, disability, or ill health.

~~((3))~~ (c) The current offense was a major economic offense or series of offenses, so identified by a consideration of any of the following factors:

~~((a))~~ (i) The current offense involved multiple victims or multiple incidents per victim;

~~((b))~~ (ii) The current offense involved attempted or actual monetary loss substantially greater than typical for the offense;

~~((c))~~ (iii) The current offense involved a high degree of sophistication or planning or occurred over a lengthy period of time;

~~((d))~~ (iv) The defendant used his or her position of trust, confidence, or fiduciary responsibility to facilitate the commission of the current offense.

~~((4))~~ (d) The current offense was a major violation of the Uniform Controlled Substances Act, chapter 69.50 RCW (VUCSA), related to trafficking in controlled substances, which was more onerous than the typical offense of its statutory definition: The presence of ANY of the following may identify ~~((an))~~ a current offense as a major VUCSA:

~~((a))~~ (i) The current offense involved at least three separate transactions in which controlled substances were sold, transferred, or possessed with intent to do so; or

~~((b))~~ (ii) The current offense involved an attempted or actual sale or transfer of controlled substances in quantities substantially larger than for personal use; or

~~((c))~~ (iii) The current offense involved the manufacture of controlled substances for use by other parties; or

~~((d))~~ The offender possessed a firearm during the commission of the offense; or

~~((e))~~ (iv) The circumstances of the current offense reveal the offender to have occupied a high position in the drug distribution hierarchy; or

((ff)) (v) The current offense involved a high degree of sophistication or planning or occurred over a lengthy period of time or involved a broad geographic area of disbursement; or

((g)) (vi) The offender used his or her position or status to facilitate the commission of the current offense, including positions of trust, confidence or fiduciary responsibility (e.g., pharmacist, physician, or other medical professional); or

((h)) (e) The operation of the multiple offense policy of RCW 9.94A.400 results in a presumptive sentence that is clearly too lenient in light of the purpose of this chapter, as expressed in RCW ~~(9.94A.400)~~ 9.94A.010.

~~(The above considerations are illustrative only and are not intended to be exclusive reasons for exceptional sentences.)~~

Sec. 12. Section 11, chapter 115, Laws of 1983 as amended by section 25, chapter 209, Laws of 1984 and RCW 9.94A.400 are each amended to read as follows:

(1) (a) Except as provided in (b) of this subsection, whenever a person is ~~((convicted of))~~ to be sentenced for two or more current offenses, the sentence range for each current offense shall be determined by using all other current and prior convictions as ~~((criminal history. All sentences so determined shall be served concurrently. Separate crimes))~~ if they were prior convictions for the purposes of the offender score. PROVIDED, HOWEVER, That all current offenses encompassing the same criminal conduct shall be counted as if they were one crime in determining ((criminal history) the offender score. Sentences imposed under this subsection shall be served concurrently. Consecutive sentences may only be imposed under the exceptional sentence provisions of RCW 9.94A.120 and 9.94A.390(2)(e) or any other provision of RCW 9.94A.390.

(b) Whenever a person is convicted of three or more serious violent offenses, as defined in RCW 9.94A.330, arising from separate and distinct criminal conduct, the sentence range for the offense with the highest seriousness level under RCW 9.94A.320 shall be determined using the offender's ~~((prior convictions as))~~ criminal history in the offender score and the sentence range for other serious violent offenses shall be determined by using ~~((a criminal history))~~ an offender score of zero. The sentence range for any remaining offenses shall be determined according to (a) of this subsection. All sentences imposed under (b) of this subsection shall be served consecutively to each other and concurrently with sentences imposed under (a) of this subsection.

(2) Whenever a person while under sentence of felony commits another felony and is sentenced to another term of imprisonment, the latter term shall not begin until expiration of all prior terms.

(3) Subject to subsections (1) and (2) of this section, whenever a person is sentenced for a felony that was committed while the person was not under sentence of a felony, the sentence shall run ~~((consecutively))~~ concurrently with any felony ((sentences previously) sentence which has been imposed by any court in this or another state or by a federal court((:)) subsequent to the commission of the crime being sentenced unless the court pronouncing the ((subsequent) current sentence expressly orders that they be served ((concurrently)) consecutively.

(4) Whenever any person granted probation under RCW 9.95.210 or 9.92.060, or both, has the probationary sentence revoked and a prison sentence imposed, ~~((this))~~ that sentence shall run consecutively to any sentence imposed pursuant to this chapter, unless the court pronouncing the subsequent sentence expressly orders that they be served concurrently.

(5) However, in the case of consecutive sentences, all periods of total confinement shall be served before any partial confinement, community service, community supervision, or any other requirement or conditions of any of the sentences.

Sec. 13. Section 15, chapter 115, Laws of 1983 and RCW 9.94A.440 are each amended to read as follows:

(1) Decision not to prosecute.

STANDARD: A Prosecuting Attorney may decline to prosecute, even though technically sufficient evidence to prosecute exists, in situations where prosecution would serve no public purpose, would defeat the underlying purpose of the law in question or would result in decreased respect for the law.

GUIDELINE/COMMENTARY:

Examples

The following are examples of reasons not to prosecute which could satisfy the standard.

(a) Contrary to Legislative Intent - It may be proper to decline to charge where the application of criminal sanctions would be clearly contrary to the intent of the legislature in enacting the particular statute.

(b) Antiquated Statute - It may be proper to decline to charge where the statute in question is antiquated in that:

(i) It has not been enforced for many years; and

(ii) Most members of society act as if it were no longer in existence; and

(iii) It serves no deterrent or protective purpose in today's society; and

(iv) The statute has not been recently reconsidered by the legislature.

This reason is not to be construed as the basis for declining cases because the law in question is unpopular or because it is difficult to enforce.

(c) De Minimus Violation - It may be proper to decline to charge where the violation of law is only technical or insubstantial and where no public interest or deterrent purpose would be served by prosecution.

(d) Confinement on Other Charges - It may be proper to decline to charge because the accused has been sentenced on another charge to a lengthy period of confinement; and

(i) Conviction of the new offense would not merit any additional direct or collateral punishment;

(ii) The new offense is either a misdemeanor or a felony which is not particularly aggravated; and

(iii) Conviction of the new offense would not serve any significant deterrent purpose.

(e) Pending Conviction on Another Charge - It may be proper to decline to charge because the accused is facing a pending prosecution in the same or another county; and

(i) Conviction of the new offense would not merit any additional direct or collateral punishment;

(ii) Conviction in the pending prosecution is imminent;

(iii) The new offense is either a misdemeanor or a felony which is not particularly aggravated; and

(iv) Conviction of the new offense would not serve any significant deterrent purpose.

(f) High Disproportionate Cost of Prosecution - It may be proper to decline to charge where the cost of locating or transporting, or the burden on, prosecution witnesses is highly disproportionate to the importance of prosecuting the offense in question. This reason should be limited to minor cases and should not be relied upon in serious cases.

(g) Improper Motives of Complainant - It may be proper to decline charges because the motives of the complainant are improper and prosecution would serve no public purpose, would defeat the underlying purpose of the law in question or would result in decreased respect for the law.

(h) Immunity - It may be proper to decline to charge where immunity is to be given to an accused in order to prosecute another where the accused's information or testimony will reasonably lead to the conviction of others who are responsible for more serious criminal conduct or who represent a greater danger to the public interest.

(i) Victim Request - It may be proper to decline to charge because the victim requests that no criminal charges be filed and the case involves the following crimes or situations:

(i) Assault cases where the victim has suffered little or no injury;

(ii) Crimes against property, not involving violence, where no major loss was suffered;

(iii) Where doing so would not jeopardize the safety of society.

Care should be taken to insure that the victim's request is freely made and is not the product of threats or pressure by the accused.

The presence of these factors may also justify the decision to dismiss a prosecution which has been commenced.

Notification

The prosecutor is encouraged to notify the victim, when practical, and the law enforcement personnel, of the decision not to prosecute.

(2) Decision to prosecute.

STANDARD:

Crimes against persons will be filed if sufficient admissible evidence exists, which, when considered with the most plausible, reasonably foreseeable defense that could be raised under the evidence, would justify conviction by a reasonable and objective fact-finder.

Crimes against property/other crimes will be filed if the admissible evidence is of such convincing force as to make it probable that a reasonable and objective fact-finder would convict after hearing all the admissible evidence and the most plausible defense that could be raised.

See table (††) below for the crimes within these categories.

 Selection of Charges/Degree of Charge

(1) The prosecutor should file charges which adequately describe the nature of defendant's conduct. Other offenses may be charged only if they are necessary to ensure that the charges:

- (a) Will significantly enhance the strength of the state's case at trial; or
 - (b) Will result in restitution to all victims.
- (2) The prosecutor should not overcharge to obtain a guilty plea. Overcharging includes:
- (a) Charging a higher degree;
 - (b) Charging additional counts.

This standard is intended to direct prosecutors to charge those crimes which demonstrate the nature and seriousness of a defendant's criminal conduct, but to decline to charge crimes

which are not necessary to such an indication. Crimes which do not merge as a matter of law, but which arise from the same course of conduct, do not all have to be charged.

GUIDELINES/COMMENTARY:

Police Investigation

A prosecuting attorney is dependent upon law enforcement agencies to conduct the necessary factual investigation which must precede the decision to prosecute. The prosecuting attorney shall ensure that a thorough factual investigation has been conducted before a decision to prosecute is made. In ordinary circumstances the investigation should include the following:

- (1) The interviewing of all material witnesses, together with the obtaining of written statements whenever possible;
- (2) The completion of necessary laboratory tests; and
- (3) The obtaining, in accordance with constitutional requirements, of the suspect's version of the events.

If the initial investigation is incomplete, a prosecuting attorney should insist upon further investigation before a decision to prosecute is made, and specify what the investigation needs to include.

Exceptions

In certain situations, a prosecuting attorney may authorize filing of a criminal complaint before the investigation is complete if:

- (1) Probable cause exists to believe the suspect is guilty; and
- (2) The suspect presents a danger to the community or is likely to flee if not apprehended;

or

- (3) The arrest of the suspect is necessary to complete the investigation of the crime.

In the event that the exception to the standard is applied, the prosecuting attorney shall obtain a commitment from the law enforcement agency involved to complete the investigation in a timely manner. If the subsequent investigation does not produce sufficient evidence to meet the normal charging standard, the complaint should be dismissed.

Investigation Techniques

The prosecutor should be fully advised of the investigatory techniques that were used in the case investigation including:

- (1) Polygraph testing;
- (2) Hypnosis;
- (3) Electronic surveillance;
- (4) Use of informants.

Pre-Filing Discussions with Defendant

Discussions with the defendant or his/her representative regarding the selection or disposition of charges may occur prior to the filing of charges, and potential agreements can be reached.

Sec. 14. Section 7, chapter 14, Laws of 1975 1st ex. sess. as amended by section 4, chapter 244, Laws of 1979 ex. sess. and RCW 9A.44.070 are each amended to read as follows:

(1) A person over thirteen years of age is guilty of statutory rape in the first degree when the person engages in sexual intercourse with another person who is less than eleven years old.

(2) Statutory rape in the first degree is a class A felony. No person convicted of statutory rape in the first degree shall be granted a deferred or suspended sentence except ~~((for the purpose of commitment to an inpatient treatment facility))~~ under RCW 9.94A.120(7).

As a citizen legislator, I am appalled that this body would consider a \$9 billion budget in the middle of the night. As a physician, I recognize that physiologically we are not worth much at this time of day----"

The Speaker: "Representative Brooks, what is your point of personal privilege? Apparently, as a freshman, you also do not understand the point of personal privilege. Have your motives been impugned?"

Mr. Brooks: "I read the book before I did this and it said that if the health of the body is concerned that it is of paramount importance to the House. It is on that

basis that I am rising to speak. I don't know that you remember that we have had one heart attack in this building this last week. Last year there were two people had one, one from the Senate and one from this body, and two years ago there was another one. POINT OF ORDER

Mr. J. King: "Mr. Speaker, I would ask you to rule on scope and object of this amendment."

Budget provisos deal with limitations on the expenditure of funds appropriated in the budget act or with direction to agencies on the administration of budgeted funds. The amendment does not refer to the expenditure of funds appropriated in the budget. Rather, it appears to establish a statutory rule within the budget. This is beyond the scope of a budget act. Your point is well taken, Representative King."

Renumber the remaining subsections consecutively.

Representatives Taylor and Silver spoke in favor of the amendments to the committee amendment and Representative Braddock opposed them.

POINT OF INQUIRY

Mr. Braddock yielded to question by Mr. Taylor.

Mr. Taylor: "Representative Braddock, having said that it is not necessary to earmark the funds, is it your intent as one of the drafters on the other side of the aisle, that the money should be allocated in the budget to the deaf center program in Spokane?"

Mr. Braddock: "It is my understanding that this is a program that has not been supported by this kind of revenue from the state. If it is in need of a subsidy from the state, they should apply through the normal channels, the DSHS channels, and be prioritized along with everyone else. I know that the members from the Spokane area take great pride in their influence in the legislature and they convinced the people in their area that they are good legislators and work hard for their constituents, but I think this is not the proper avenue to bring this through rather than going through the normal prioritization process in the Department of Social and Health Services."
